To cite the regulations in this volume use title, part and section number. Thus, 45 CFR 1201.1 refers to title 45, part 1201, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 ..............................................................as of January 1
- Title 17 through Title 27 .................................................................as of April 1
- Title 28 through Title 41 .................................................................as of July 1
- Title 42 through Title 50 .............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, October 1, 2001), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 1201.1 Definitions.
(a) Corporation Employee means the Chief Executive Officer of the Corporation and all employees, former employees, National Civilian Community Corps Members (hereinafter sometimes known as “Corps Members”), and VISTA Volunteers (hereinafter sometimes also known as “AmeriCorps*VISTA Members”), who are or were subject to the supervision, jurisdiction, or control of the Chief Executive Officer, except as the Corporation may otherwise determine in a particular case.
(b) Litigation encompasses all pretrial, trial, and post-trial stages of all judicial or administrative actions, hearings, investigations, or similar proceedings before courts, commissions, boards, or other judicial or quasi-judicial bodies or tribunals, whether criminal, civil, or administrative in nature.
(c) Official Information means all information of any kind, however stored, that is in the custody and control of the Corporation, relates to information in the custody and control of the Corporation, or was acquired by individuals connected with the Corporation as part of their official status within the Corporation while such individuals are employed by, or serve on behalf of, the Corporation.

§ 1201.2 Scope.
(a) This part states the procedures followed with respect to:
(1) Service of summonses and complaints or other requests or demands directed to the Corporation or to any Corporation employee in connection with Federal or State litigation arising out of, or involving the performance of, official activities of the Corporation; and
(2) Oral or written disclosure, in response to subpoenas, orders, or other requests or demands from Federal or by State judicial or quasi-judicial authority, whether civil or criminal, or in response to requests for depositions, affidavits, admissions, responses to interrogatories, document production, or other litigation-related matters of:
(i) Any material contained in the files of the Corporation; or
(ii) Any information acquired:
(A) When the subject of the request is currently a Corporation employee or was a Corporation employee; or
(B) As part of the performance of the person’s duties or by virtue of the person’s position.
(b) Sections 1201.3 through 1201.10 do not apply to:
(1) Testimony or records provided in accordance with the Office of Personnel Management regulations implementing 5 U.S.C. 6322.
(3) Disclosures to the Office of Inspector General or requests by the Office of Inspector General for official information or records.
(c) The procedures in this part apply to Corporation employees and official information within the Corporation Office of Inspector General. However, any
§ 1201.3

determinations or other actions to be made by the General Counsel under this part, relating to employees or official information within the Office of Inspector General, shall be made by the Inspector General.

§ 1201.3 Service of summonses and complaints.

(a) Only the Corporation’s General Counsel or his/her designee (hereinafter “General Counsel”), is authorized to receive and accept summonses or complaints sought to be served upon the Corporation or its employees. All such documents should be delivered or addressed to General Counsel, Corporation for National and Community Service, 1201 New York Avenue, NW., Suite 8200, Washington, DC 20525.

(b) In the event any summons or complaint is delivered to a Corporation Employee other than in the manner specified in this part, such attempted service shall be ineffective, and the recipient thereof shall either decline to accept the proffered service or return such document under cover of a written communication that refers the person attempting to effect service to the procedures set forth in this part.

(c) Except as otherwise provided in §1201.4(c), the Corporation is not an authorized agent for service of process with respect to civil litigation against Corporation Employees purely in their personal, non-official capacity. Copies of summonses or complaints directed to Corporation Employees in connection with legal proceedings arising out of the performance of official duties may, however, be served upon the General Counsel.

§ 1201.4 Service of subpoenas, court orders, and other demands or requests for official information or action.

(a) Except in cases in which the Corporation is represented by legal counsel who have entered an appearance or otherwise given notice of their representation, only the General Counsel is authorized to receive and accept subpoenas, or other demands or requests directed to any component of the Corporation or Corporation Employees, whether civil or criminal in nature, for:

1. Material, including documents, contained in the files of the Corporation;

2. Information, including testimony, affidavits, declarations, admissions, response to interrogatories, or informal statements, relating to material contained in the files of the Corporation or which any Corporation employee acquired in the course and scope of the performance of official duties;

3. Garnishment or attachment of compensation of Corporation Employees;

4. The performance or non-performance of any official Corporation duty.

(b) In the event that any subpoena, demand, or request is sought to be delivered to a Corporation Employee other than in the manner prescribed in paragraph (a) of this section, such attempted service shall be ineffective. Such Corporation Employee shall, after consultation with the General Counsel, decline to accept the subpoena, and demand or request the return of it under cover of a written communication referring to the procedures prescribed in this part.

(c) Except as otherwise provided in this part, the Corporation is not an authorized agent for service or otherwise authorized to accept on behalf of Corporation Employees any subpoenas, show-cause orders, or similar compulsory process of federal or state courts, or requests from private individuals or attorneys, which are not related to the employees’ official duties except upon the express, written authorization of the individual Corporation Employee to whom such demand or request is directed.

(d) Acceptance of such documents by the General Counsel does not constitute a waiver of any defenses that might otherwise exist with respect to service under the Federal Rules of Civil or Criminal Procedure at 28 U.S.C. Appendix, Rules 4–6 or 18 USC Appendix or other applicable rules.
§ 1201.5 Testimony and production of documents prohibited unless approved by appropriate Corporation officials.

(a) Unless authorized to do so by the General Counsel, no Corporation Employee shall, in response to a demand or request in connection with any litigation, whether criminal or civil, provide oral or written testimony by deposition, declaration, affidavit, or otherwise concerning any information acquired:

(1) While such person was a Corporation Employee;
(2) As part of the performance of that person’s official duties; or
(3) By virtue of that person’s official status.

(b) No Corporation Employee shall, in response to a demand or request in connection with any litigation, produce for use at such proceedings any document or any other material acquired as part of the performance of that individual’s duties or by virtue of that individual’s official status, unless authorized to do so by the General Counsel.

§ 1201.6 Procedure when testimony or production of documents is sought.

(a) If Official Information is sought, either through testimony or otherwise, the party seeking such information must (except as otherwise required by federal law or authorized by the General Counsel) set forth in writing with as much specificity as possible, the nature and relevance of the Official Information sought. The party must identify the record or reasonably describe it in terms of date, format, subject matter, the offices originating or receiving the record, and the names of all persons to whom the record is known to relate. Corporation Employees may produce, disclose, release, comment upon, or testify concerning only those matters that were specified in writing and properly approved by the General Counsel. The General Counsel may waive this requirement in appropriate circumstances.

(b) To the extent it deems necessary or appropriate, the Corporation may also require from the party seeking such testimony or documents a schedule of all reasonably foreseeable demands, including but not limited to the names of all current and former Corporation Employees from whom discovery will be sought, areas of inquiry, expected duration of proceedings requiring oral testimony, and identification of potentially relevant documents.

(c) The General Counsel will notify the Corporation Employee and such other persons as circumstances may warrant of the decision regarding compliance with the request or demand.

(d) The General Counsel will consult with the Department of Justice regarding legal representation for Corporation Employees in appropriate cases.

§ 1201.7 Procedure when response to demand is required prior to receiving instructions.

(a) If a response to a demand or request for Official Information pursuant to litigation is required before the General Counsel renders a decision, the Corporation will request that either a Department of Justice attorney or a Corporation attorney designated for the purpose:

(1) Appear, if feasible, with the employee upon whom the demand has been made;
(2) Furnish the court or other authority with a copy of the regulations contained in this part;
(3) Inform the court or other authority that the demand or request has been or is being, as the case may be, referred for the prompt consideration of the General Counsel; and
(4) Respectfully request the court or authority to stay the demand or request pending receipt of the requested instructions.

(b) In the event that an immediate demand or request for production or disclosure is made in circumstances that would preclude the proper designation or appearance of a Department of Justice or Corporation attorney on behalf of the Corporation employee, the Corporation Employee shall respectfully request the court or other authority for a reasonable stay of proceedings for the purpose of obtaining instructions from the Corporation.
§ 1201.8 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand or request in response to a request made pursuant to §1201.7, or if the court or other authority rules that the demand or request must be complied with irrespective of the Corporation's instructions not to produce the material or disclose the information sought, the Corporation Employee upon whom the demand or request has been made shall, if so directed by the General Counsel, respectfully decline to comply with the demand or request, citing United States ex rel. Touhy v. Ragen, 340 U.S. 462 (1951), and the regulations in this part.

§ 1201.9 Considerations in determining whether the Corporation will comply with a demand or request.

(a) In deciding whether to comply with a demand or request, Corporation officials and attorneys are encouraged to consider:
(1) Whether such compliance would be unduly burdensome or otherwise inappropriate under the applicable rules of discovery or the rules of procedure governing the case or matter in which the demand arose;
(2) Whether compliance is appropriate under the relevant substantive law concerning privilege or disclosure of information;
(3) The public interest;
(4) The need to conserve the time of Corporation Employees for the conduct of official business;
(5) The need to avoid spending the time and money of the United States for private purposes;
(6) The need to maintain impartiality between private litigants in cases where a government interest is not implicated;
(7) Whether compliance would have an adverse effect on performance by the Corporation of its mission and duties; and
(8) The need to avoid involving the Corporation in controversial issues not related to its mission.

(b) Among those demands and requests in response to which compliance may not ordinarily be authorized are those when compliance would:
(1) Violate a statute, a rule of procedure, a specific regulation, or an executive order;
(2) Reveal information properly classified in the interest of national security;
(3) Reveal confidential commercial or financial information or trade secrets without the owner's consent;
(4) Reveal the internal deliberative processes of the Executive Branch; or
(5) Potentially impede or prejudice an ongoing law enforcement investigation.

§ 1201.10 Prohibition on providing expert or opinion testimony.

(a) Except as provided in this section, Corporation Employees shall not provide opinion or expert testimony based upon information that they acquired in the scope and performance of their official Corporation duties, except on behalf of the United States or a party represented by the Department of Justice.

(b) Upon a showing by the requester of exceptional need or unique circumstances and that the anticipated testimony will not be adverse to the interests of the United States, the General Counsel, in the exercise of discretion, may grant special, written authorization for Corporation Employees to appear and testify as expert witnesses at no expense to the United States.

(c) If, despite the final determination of the General Counsel, a court of competent jurisdiction or other appropriate authority orders the appearance and expert or opinion testimony of a Corporation Employee such individual shall immediately inform the General Counsel of such order. If the General Counsel determines that no further legal review of or challenge to the court's order will be made, the Corporation Employee shall comply with the order. If so directed by the General Counsel, however, the individual shall respectfully decline to testify.

§ 1201.11 Authority.

The Corporation receives authority to change its governing regulations from the National and Community Service Act of 1990 as amended (42 U.S.C. 12501 et seq.).

APPENDIX A TO PART 1203—PROGRAMS TO WHICH THIS PART APPLIES

APPENDIX B TO PART 1203—PROGRAMS TO WHICH THIS PART APPLIES WHEN A PRIMARY OBJECTIVE OF THE FEDERAL FINANCIAL ASSISTANCE IS TO PROVIDE EMPLOYMENT

SOURCE: 39 FR 27322, July 26, 1974, unless otherwise noted.

§ 1203.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as title VI), to the end that a person in the United States shall not, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under a program or activity receiving Federal financial assistance from ACTION.

§ 1203.2 Application of this part.

(a) This part applies to each program for which Federal financial assistance is authorized under a law administered by ACTION, including the federally assisted programs listed in appendix A to this part. It also applies to money paid, property transferred, or other Federal financial assistance extended under a program after the effective date of this part pursuant to an application approved before that effective date. This part does not apply to:

1. Federal financial assistance by way of insurance or guaranty contracts;
2. Money paid, property transferred, or other assistance extended under a program before the effective date of this part, except when the assistance was subject to the title VI regulations of an agency whose responsibilities are now exercised by ACTION;
3. Assistance to any individual who is the ultimate beneficiary under a program; or
4. Employment practices, under a program, of an employer, employment agency, or labor organization, except to the extent described in § 1203.4(c).

The fact that a program is not listed in Appendix A to this part does not mean, if title VI is otherwise applicable, that the program is not covered. Other programs under statutes now in force or hereinafter enacted may be added to Appendix A to this part.

(b) In a program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under that property are included as part of the program receiving that assistance, the nondiscrimination requirement of this part extends to a facility located wholly or in part in that space.

§ 1203.3 Definitions.

Unless the context requires otherwise, in this part:

(a) Applicant means a person who submits an application, request, or plan required to be approved by ACTION, or by a primary recipient, as a condition to eligibility for Federal financial assistance from ACTION.

(b) Facility includes all or any part of structures, equipment, or other real or personal property or interests therein, and the provision of facilities includes the construction, expansion, renovation, remodeling, alteration, or acquisition of facilities.

(c) Federal financial assistance includes:

1. Grants and loans of Federal funds;
2. The grant or donation of Federal property and interests in property;
3. The detail of Federal personnel;
§ 1203.4 Discrimination prohibited.

(a) General. A person in the United States shall not, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under, a program to which this part applies.

(b) Specific discriminatory actions prohibited. (1) A recipient under a program to which this part applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin—

(i) Deny a person a service, financial aid, or other benefit provided under the program;

(ii) Provide a service, financial aid, or other benefit to a person which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject a person to segregation or separate treatment in any matter related to his receipt of a service, financial aid, or other benefit under the program;

(iv) Restrict a person in any way in the enjoyment of an advantage or privilege enjoyed by others receiving a service, financial aid, or other benefit under the program;

(v) Treat a person differently from others in determining whether he satisfies an admission, enrollment, quota, eligibility, membership, or other requirement or condition which persons must meet in order to receive a service, financial aid, or other benefit under the program;

(vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which
§ 1203.5 Assurances required.

(a) General. (1) An application for Federal financial assistance to carry out a program to which this part applies, except a program to which paragraph (d) of this section applies, and every application for Federal financial

is different from that afforded others under the program; or

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under a program or the class of persons to whom, or the situations in which, the services, financial aid, other benefits, or facilities will be provided under a program, or the class of persons to be afforded an opportunity to participate in a program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.

(3) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(4)(i) In administering a program regarding which the recipient had previously discriminated against persons on the ground of race, color, or national origin, the recipient shall take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of prior discrimination a recipient in administering a program may take affirmative action to overcome the effect of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

(c) Employment practices. (1) When a primary objective of a program of Federal financial assistance to which this part applies is to provide employment, a recipient or other party subject to this part shall not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its employment practices under the program (including recruitment or recruitment advertising, hiring, firing, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, or other forms of compensation or benefits, selection for training or apprenticeship, use of facilities, and treatment of employees). A recipient shall take affirmative action to insure that applicants are employed, and employees are treated during employment, without regard to race, color, or national origin. The requirements applicable to construction employment under a program are those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(2) Federal financial assistance to programs under laws funded or administered by ACTION which have as a primary objective the providing of employment include those set forth in Appendix B to this part.

(3) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient tends, on the ground of race, color, or national origin, to exclude persons from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this part applies, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.

(d) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any program to which this part applies, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.
assistance to provide a facility shall, as a condition to its approval and the extension of Federal financial assistance pursuant to the application, contain or be accompanied by, assurances that the program will be conducted or the facility operated in compliance with the requirements imposed by or pursuant to this part. Every program of Federal financial assistance shall require the submission of these assurances. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurances shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In other cases, the assurances obligate the recipient for the period during which the Federal financial assistance is extended to the program. In the case where the assistance is sought for the construction of a facility or part of a facility, the assurances shall extend to the entire facility and to the facilities operated in connection therewith. ACTION shall specify the form of the foregoing assurances for each program, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants in the program. The assurances shall include provisions which give the United States the right to seek judicial enforcement.

(b) Assurances from Government agencies. In the case of an application from a department, agency, or office of a State or local government for Federal financial assistance for a specified purpose, the assurance required by this section shall extend to any other department, agency, or office of the same governmental unit if the policies of the other department, agency, or office will substantially affect the project for which Federal financial assistance is requested. That requirement may be waived by the responsible ACTION official if the applicant establishes, to the satisfaction of the responsible ACTION official, that the practices in other agencies or parts or programs of the governmental unit will in no way affect:

(1) Its practices in the program for which Federal financial assistance is sought, or

(2) The beneficiaries of or participants in or persons affected by the program, or

(3) Full compliance with this part as respects the program.
§ 1203.6 Compliance information.

(a) Cooperation and assistance. ACTION, to the fullest extent practicable, shall seek the cooperation of recipients in obtaining compliance with this part, and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) Compliance reports. Each recipient shall keep records and submit to ACTION timely, complete, and accurate compliance reports at the times, and in the form and containing the information ACTION may determine necessary to enable it to ascertain whether the recipient has complied or is complying with this part. In the case of a program under which a primary recipient extends Federal financial assistance to other recipients, the other recipients shall also submit compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part. In general, recipients should have available for ACTION racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) Access to sources of information. Each recipient shall permit access by ACTION during normal business hours to its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. When information required of a recipient is in the exclusive possession of an other agency, institution, or person and this agency, institution, or person fails or refuses to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) Information to beneficiaries and participants. Each recipient shall make available to participants, beneficiaries, and other interested persons the information regarding the provisions of this
§ 1203.7 Conduct of investigations.

(a) Periodic compliance reviews. ACTION may from time to time review the practices of recipients to determine whether they are complying with this part.

(b) Complaints. Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part may by himself or by a representative file with ACTION a written complaint. A complaint shall be filed not later than 180 days after the date of the alleged discrimination, unless the time for filing is extended by ACTION.

(c) Investigations. ACTION will make a prompt investigation whenever a compliance review, report, complaint, or other information indicates a possible failure to comply with this part. The investigation will include, when appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) Resolution of matters. (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, ACTION will so inform the recipient and the matter will be resolved by voluntary means whenever possible. If it has been determined that the matter cannot be resolved by voluntary means, action will be taken as provided for in §1203.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, ACTION will so inform, in writing, the recipient and the complainant, if any.

(e) Intimidatory or retaliatory acts prohibited. A recipient or other person shall not intimidate, threaten, coerce, or discriminate against an individual for the purpose of interfering with a right or privilege secured by section 601 of title VI of this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential, except to the extent necessary to carry out the purposes of this part, including the conduct of an investigation, hearing, or judicial proceeding arising thereunder.

§ 1203.8 Procedure for effecting compliance.

(a) General. (1) If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be enforced by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by other means authorized by law.

(2) Other means may include, but are not limited to: (i) A reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce the rights of the United States under a law of the United States (including other titles of the Civil Rights Act of 1964) or an assurance or other contractual undertaking, and (ii) An applicable proceeding under State or local law.

(b) Noncompliance with §1203.5. If an applicant fails or refuses to furnish an assurance required under §1203.5 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. ACTION shall not be required to provide assistance in that case during the pendency of the administrative proceedings under this paragraph. Subject, however, to §1203.12, ACTION shall continue assistance during the pendency of the proceedings where the assistance is due and payable pursuant to an application approved prior to the effective date of this part.

(c) Termination of or refusal to grant or to continue Federal financial assistance. An order suspending, terminating, or
Corporation for National and Community Service § 1203.9

refusing to grant or to continue Federal financial assistance shall not become effective until—
(1) ACTION has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by informal voluntary means;
(2) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part;
(3) The action has been approved by the Director pursuant to §1203.10(e); and
(4) The expiration of 30 days after the Director has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for the action.

An action to suspend or terminate or refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which the noncompliance has been so found.

(d) Other means authorized by law. An action to effect compliance with title VI by other means authorized by law shall not be taken by ACTION until—
(1) ACTION has determined that compliance cannot be secured by voluntary means;
(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and
(3) The expiration of at least 10 days from the mailing of a notice to the recipient or person. During this period of at least 10 days, additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take corrective action as may be appropriate.

§ 1203.9 Hearings.

(a) Opportunity for hearing. When an opportunity for a hearing is required by §1203.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:
(1) Fix a date not less than 20 days after the date of notice within which the applicant or recipient may request of ACTION that the matter be scheduled for hearing; or
(2) Advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is deemed to be a waiver of the right to a hearing under section 602 of title VI and §1203.8(c) and consent to the making of a decision on the basis of the information available.

(b) Time and place of hearing. Hearings shall be held at the offices of ACTION in Washington, DC, at a time fixed by ACTION unless it determines that the convenience of the applicant or recipient or of ACTION requires that another place be selected. Hearings shall be held before the Director, or at his discretion, before a hearing examiner appointed in accordance with section 3105 of title 5, United States Code, or detailed under section 3344 of title 5, United States Code.

(c) Right to counsel. In all proceedings under this section, the applicant or recipient and ACTION have the right to be represented by counsel.

(d) Procedures, evidence, and record. (1) The hearing, decision, and an administrative review thereof shall be conducted in conformity with sections 554 through 557 of title 5, United States Code, and in accordance with the rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided
for in paragraph (a) of this section, taking of testimony, exhibits, arguments, and briefs, requests for findings, and other related matters. Both ACTION and the applicant or recipient are entitled to introduce relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence do not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where determined reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. Documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. Decisions shall be based on the hearing record and written findings shall be made.

(e) Consolidated or joint hearings. In cases in which the same or related facts are asserted to constitute noncompliance with this part with respect to two or more programs to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under title VI, ACTION may, by agreement with the other departments or agencies, when applicable, provide for the conduct of consolidated or joint hearings, and for the application to these hearings of rules or procedures not inconsistent with this part. Final decisions in these cases, insofar as this regulation is concerned, shall be made in accordance with §1203.10.

§1203.10 Decisions and notices.

(a) Procedure on decisions by hearing examiner. If the hearing is held by a hearing examiner, the hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Director for a final decision, and a copy of the initial decision or certification shall be mailed to the applicant or recipient. When the initial decision is made by the hearing examiner, the applicant or recipient may, within 30 days after the mailing of a notice of initial decision, file with the Director his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the Director may, on his own motion, within 45 days after the initial decision, serve on the applicant or recipient a notice that he will review the decision. On the filing of the exceptions or of notice of review, the Director shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision, subject to paragraph (e) of this section, shall constitute the final decision of the Director.

(b) Decisions on record or review by the Director. When a record is certified to the Director for decision or the Director reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or when the Director conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with it briefs or other written statements of the recipient’s contentions, and a written copy of the final decision of the Director will be sent to the applicant or recipient and to the complainant, if any.

(c) Decisions on record where a hearing is waived. When a hearing is waived pursuant to §1203.9, a decision shall be made by ACTION on the record and a written copy of the decision shall be sent to the applicant or recipient, and to the complainant, if any.

(d) Rulings required. Each decision of a hearing examiner or the Director shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) Approval by ACTION. A final decision by an official of ACTION other than by the Director, which provides
for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or title VI, shall promptly be transmitted to the Director, who may approve the decision, vacate it, or remit or mitigate a sanction imposed.

(f) Content of orders. The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved, and may contain the terms, conditions, and other provisions as are consistent with and will effectuate the purposes of title VI and this part, including provisions designed to assure that Federal financial assistance will not thereafter be extended under the programs to the applicant or recipient determined by the decision to be in default in its performance of an assurance given by it under this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies ACTION that it will fully comply with this part.

(g) Post-termination proceedings. (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of the order for eligibility, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies ACTION that it will fully comply with this part.

(2) An applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request ACTION to restore fully its eligibility to receive Federal financial assistance. A request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If ACTION determines that those requirements have been satisfied, it shall restore the eligibility.

(3) If ACTION denies a request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes ACTION is in error. The applicant or recipient shall be given an expeditious hearing, with a decision on the record in accordance with the rules or procedures issued by ACTION. The applicant or recipient shall be restored to eligibility if it proves at the hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section remain in effect.

§ 1203.11 Judicial review.

Action taken pursuant to section 602 of title VI is subject to judicial review as provided in section 603 of title VI.

§ 1203.12 Effect on other regulations, forms, and instructions.

(a) Effect on other regulations. Regulations, orders, or like directions issued before the effective date of this part by ACTION which impose requirements designed to prohibit discrimination against individuals on the ground of race, color, or national origin under a program to which this part applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to an applicant for or recipient of assistance under a program for failure to comply with the requirements, are superseded to the extent that discrimination is prohibited by this part, except that nothing in this part relieves a person of an obligation assumed or imposed under a superseded regulation, order, instruction, or like direction, before the effective date of this part. This part does not supersede any of the following (including future amendments thereof):

(1) Executive Order 11246 (3 CFR, 1965 Supp.) and regulations issued thereunder or

(2) Any other orders, regulations, or instructions, insofar as these orders, regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in a program or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) Forms and instructions. ACTION shall issue and promptly make available to all interested persons forms and detailed instructions and procedures
for effectuating this part as applied to programs to which this part applies, and for which it is responsible.

(c) **Supervision and coordination.** ACTION may from time to time assign to officials of ACTION, or to officials of other departments or agencies of the Government with the consent of the departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI and this part (other than responsibilities for final decision as provided in §1203.10), including the achievement of effective coordination and maximum uniformity within ACTION and within the executive branch in the application of title VI and this part to similar programs and in similar situations. An action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though the action had been taken by ACTION.

Subpart A—Suspension and Termination of Assistance

§ 1206.1–1 Purpose and scope.

(a) This subpart establishes rules and review procedures for the suspension and termination of assistance provided by ACTION pursuant to various sections of titles I, II and III of the Domestic Volunteer Service Act of 1973, 87 Stat. 394, Pub. L. 93–113, (hereinafter the Act) because of a material failure of a recipient to comply with the terms and conditions of any grant or contract providing assistance under these sections of the Act, including applicable laws, regulations, issued program guidelines, instructions, grant conditions or approved work programs.

(b) However, this subpart shall not apply to any administrative action of the ACTION Agency based upon any violation, or alleged violation, of title VI of the Civil Rights Act of 1964 and sections 417 (a) and (b) of Pub. L. 93–113 relating to nondiscrimination. In the case of any such violation or alleged violation other provisions of this chapter shall apply.

§ 1206.1–2 Application of this part.

This subpart applies to programs authorized under titles I, II, and III of the Act.

§ 1206.1–3 Definitions.

As used in this subpart—

(a) The terms “ACTION” or “ACTION Agency” include each Regional Office.

(b) The term Director means the Director of the ACTION Agency.

(c) The term responsible ACTION official means the Director and Deputy Director of ACTION, appropriate Regional Director and any ACTION headquarters or regional office official who is authorized to make the grant of assistance in question. In addition to the foregoing officials, in the case of the suspension proceedings described in §1206.1–4, the term “responsible ACTION official” shall also include a designee of an ACTION official who is authorized to make the grant of assistance in question.
§ 1206.1–4 Suspension.

(a) General. The responsible ACTION official may suspend assistance to a recipient in whole or in part for a material failure or threatened material failure to comply with any requirement stated in §1206.1–1. Such suspension shall be pursuant to notice and opportunity to show cause why assistance should not be suspended as provided in paragraph (b) of this section. However, in emergency cases, where the responsible ACTION official determines summary action is appropriate, the alternative summary procedure of paragraph (c) of this section shall be followed.

(b) Suspension on notice. (1) Except as provided in paragraph (c) of this section, the procedure for suspension shall be on notice of intent to suspend as hereinafter provided.

(2) The responsible ACTION official shall notify the recipient by letter or by telegram that ACTION intends to suspend assistance in whole or in part unless good cause is shown why assistance should not be suspended. In such letter or telegram the responsible ACTION official shall specify the grounds for the proposed suspension and the proposed effective date of the suspension.

(3) The responsible ACTION official shall also inform the recipient of its right to submit written material in opposition to the intended suspension and of its right to request an informal meeting at which the recipient may respond and attempt to show why such suspension should not occur. The period of time within which the recipient must submit written material or request the informal meeting shall be established by the responsible ACTION official in the notice of intent to suspend. However, in no event shall the period of time within which the recipient must submit written material or request the informal meeting be less than 5 days after the notice of intent to suspend assistance has been sent. If the recipient requests a meeting, the responsible ACTION official shall fix a time and place for the meeting, which shall not be less than 5 days after the recipient's request is received by ACTION.

(4) In lieu of the provisions of paragraph (b)(3) of this section dealing with the right of the recipient to request an informal meeting, the responsible ACTION official may on its own initiative establish a time and place for such a meeting and notify the recipient in
writing or by telegram. However, in no event shall such a meeting be scheduled less than seven days after the notice of intent to suspend assistance is sent to the recipient.

(5) The responsible ACTION official may in his discretion extend the period of time or date referred to in the previous paragraphs of this section and shall notify the recipient in writing or by telegram of any such extension.

(6) At the time the responsible ACTION official sends the notification referred to in paragraphs (b) (2), (3), and (4) of this section to the recipient, he shall also send a copy of it to any agency whose activities or failures to act have substantially contributed to the proposed suspension, and shall inform such agency that it is entitled to submit written material or to participate in the informal meeting referred to in paragraphs (b) (3) and (4) of this section. In addition the responsible ACTION official may in his discretion give such notice to any other agency.

(7) Within 3 days of receipt of the notice referred to in paragraphs (b) (2), (3), and (4) of this section, the recipient shall send a copy of such notice and a copy of these regulations to all agencies which would be financially affected by the proposed suspension action. Any agency that wishes to submit written material may do so within the time stated in the notice. Any agency that wishes to participate in the informal meeting with the responsible ACTION official contemplated herein may request permission to do so from the responsible ACTION official, who may in his discretion grant or deny such permission. In acting upon any such request from an agency, the responsible ACTION official shall take into account the effect of the proposed suspension on the particular agency, the extent to which the meeting would become unduly complicated as a result of granting such permission, and the extent to which the interests of the agency requesting such permission appear to be adequately represented by other participants.

(8) In the notice of intent to suspend assistance the responsible ACTION official shall invite voluntary action to adequately correct the deficiency which led to the initiation of the suspension proceeding.

(9) The responsible ACTION official shall consider any timely material presented to him in writing, any material presented to him during the course of the informal meeting provided for in paragraphs (b) (3) and (4) of this section as well as any showing that the recipient has adequately corrected the deficiency which led to the initiation of suspension proceedings. If after considering the material presented to him the responsible ACTION official concludes the recipient has failed to show cause why assistance should not be suspended, he may suspend assistance in whole or in part and under such terms and conditions as he shall specify.

(10) Notice of such suspension shall be promptly transmitted to the recipient and shall become effective upon delivery. Suspension shall not exceed 30 days unless during such period of time termination proceedings are initiated in accordance with §1206.1–5, or unless the responsible ACTION official and the recipient agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension of assistance shall remain in full force and effect until such proceedings have been fully concluded.

(11) During a period of suspension no new expenditures shall be made and no new obligations shall be incurred in connection with the suspended program except as specifically authorized in writing by the responsible ACTION official. Expenditures to fulfill legally enforceable commitments made prior to the notice of suspension, in good faith and in accordance with the recipient’s approved work program, and not in anticipation of suspension or termination, shall not be considered new expenditures. However, funds shall not be recognized as committed solely because the recipient has obligated them by contract or otherwise to an agency.

NOTE: Willful misapplication of funds may violate Federal criminal statutes.

(12) The responsible ACTION official may in his discretion modify the terms, conditions and nature of the suspension or rescind the suspension
§ 1206.1–4  45 CFR Ch. XII (10–1–01 Edition)

action at any time on his own initiative or upon a showing satisfactory to him that the recipient had adequately corrected the deficiency which led to the suspension and that repetition is not threatened. Suspensions partly or fully rescinded may, in the discretion of the responsible ACTION official be reimposed with or without further proceedings: Provided however, That the total time of suspension may not exceed 30 days unless termination proceedings are initiated in accordance with §1206.1–5 or unless the responsible ACTION official and the recipient agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension of assistance shall remain in full force and effect until such proceedings have been fully concluded.

(c) Summary suspension. (1) The responsible ACTION official may suspend assistance without the prior notice and opportunity to show cause provided in paragraph (b) of this section if he determines in his discretion that immediate suspension is necessary because of a serious risk of: (i) Substantial injury to or loss of project funds or property, or

(ii) Violation of a Federal, State or local criminal statute, or

(iii) Violation of section 403 of Pub. L. 93–113 or of ACTION rules, regulations, guidelines and instructions, published in accordance with section 420 of Pub. L. 93–113, implementing this section of the Act, and that such risk is sufficiently serious to outweigh the general policy in favor of advance notice and opportunity to show cause.

(2) Notice of summary suspension shall be given to the recipient by letter or by telegram, shall become effective upon delivery to the recipient, and shall specifically advise the recipient of the effective date of the suspension and the extent, terms, and condition of any partial suspension. The notice shall also forbid the recipient to make any new expenditures or incur any new obligations in connection with the suspended portion of the program. Expenditures to fulfill legally enforceable commitments made prior to the notice of suspension, in good faith and in accordance with the recipient’s approved work program, and not in anticipation of suspension or termination, shall not be considered new expenditures. However, funds shall not be recognized as committed by a recipient solely because the recipient obligated them by contract or otherwise to an agency. (See note under paragraph (b)(11) of this section.)

(3) In the notice of summary suspension the responsible ACTION official shall advise the recipient that it may request ACTION to provide it with an opportunity to show cause why the summary suspension should be rescinded. If the recipient requests such an opportunity, the responsible ACTION official may proceed to initiate termination proceedings at any time even though assistance to the recipient has been suspended in whole or in part. In the event that termination proceedings are initiated, the responsible ACTION official shall immediately inform the recipient in writing of the specific grounds for the suspension and shall within 7 days after receiving such request from the recipient hold an informal meeting at which the recipient may show cause why the summary suspension should be rescinded. Notwithstanding the provisions of this paragraph, the responsible ACTION official may proceed to initiate termination proceedings at any time even though assistance to the recipient has been suspended in whole or in part. In the event that termination proceedings are initiated, the responsible ACTION official shall nevertheless afford the recipient, if it so requests, an opportunity to show cause why suspension should be rescinded pending the outcome of the termination proceedings.

(4) Copies of the notice of summary suspension shall be furnished by the recipient to agencies in the same manner as notices of intent to suspend as set forth in paragraphs (b) (6), (7), and (8) of this section. Agencies may submit written material to the responsible ACTION official or to participate in the informal meeting as in the case of intended suspension proceedings set forth in paragraphs (b) (6) and (7) of this section.

(5) The effective period of a summary suspension of assistance may not exceed 30 days unless termination proceedings are initiated in accordance with §1206.1–5, or unless the parties agree to a continuation of summary suspension for an additional period of time, or unless the recipient, in accordance with paragraph (c)(3) of this section, requests an opportunity to show
§ 1206.1-5

Termination.

(a) If the responsible ACTION official believes that an alleged failure to comply with any requirement stated in §1206.1-1 may be sufficiently serious to warrant termination of assistance, whether or not assistance has been suspended, he shall so notify the recipient by letter or telegram. The notice shall state that there appear to be grounds which warrant terminating the assistance and shall set forth the specific reasons therefor. If the reasons result in whole or substantial part from the activities of an agency other than the grantee, the notice shall identify that agency. The notice shall also advise the recipient that the matter has been set down for hearing at a stated time and place, in accordance with §1206.1-6. In the alternative the notice shall advise the recipient of its right to request a hearing and shall fix a period of time which shall not be less than 10 days in which the recipient may request such a hearing.

(b) Termination hearings shall be conducted in accordance with the provision of §§1206.1-7 and 1206.1-8. They shall be scheduled for the earliest practicable date, but not later than 30 days after a recipient has requested such a hearing in writing or by telegram. Consideration shall be given to a request by a recipient to advance or postpone the date of a hearing scheduled by ACTION. Any such hearing shall afford the recipient a full and fair opportunity to demonstrate that it is in compliance with requirements specified in §1206.1-1. In any termination hearing, ACTION shall have the burden of justifying the proposed termination action. However, if the basis of the proposed termination is the failure of a recipient to take action required by law, regulation, or other requirement specified in §1206.1-1, the recipient shall have the burden of proving that such action was timely taken.

(c) If a recipient requests ACTION to hold a hearing in accordance with paragraph (a) of this section, it shall send a copy of its request for such a hearing to all agencies which would be financially affected by the termination of assistance and to each agency identified in the notice pursuant to paragraph (a) of this section. The material shall be sent to these agencies at the same time the recipient’s request is made to ACTION. The recipient shall promptly send ACTION a list of the agencies to which it has sent such material and the date on which it was sent.

(d) If the responsible ACTION official pursuant to paragraph (a) of this section informs a recipient that a proposed termination action has been set for hearing, the recipient shall within 5 days of its receipt of this notice send a copy of it to all agencies which would be financially affected by the termination and to each agency identified in the notice pursuant to paragraph (a) of this section. The recipient shall send the responsible ACTION official a list of all agencies notified and the date of notification.

(e) If the responsible ACTION official has initiated termination proceedings because of the activities of an agency, that agency may participate in the hearing as a matter of right. Any other agency, person, or organization that wishes to participate in the hearing may, in accordance with §1206.1-7(d), request permission to do so from the presiding officer of the hearing. Such participation shall not, without the consent of ACTION and the recipient,
§ 1206.1–6 Alter the time limitations for the delivery of papers or other procedures set forth in this section.

(f) The results of the proceeding and any measure taken thereafter by ACTION pursuant to this part shall be fully binding upon the recipient and all agencies whether or not they actually participated in the hearing.

(g) A recipient may waive a hearing by notice to the responsible ACTION official in writing and submit written information and argument for the record. Such material shall be submitted to the responsible ACTION official within a reasonable period of time to be fixed by him upon the request of the recipient. The failure of a recipient to request a hearing, or to appear at a hearing for which a date has been set, unless excused for good cause, shall be deemed a waiver of the right to a hearing and consent to the making of a decision on the basis of such information as is then in the possession of ACTION.

(h) The responsible ACTION official may attempt, either personally or through a representative, to resolve the issues in dispute by informal means prior to the date of any applicable hearing.

§ 1206.1–6 Time and place of termination hearings.

The termination hearing shall be held in Washington, DC, or in the appropriate Regional Office, at a time and place fixed by the responsible ACTION official unless he determines that the convenience of ACTION, or of the parties or their representatives, requires that another place be selected.

§ 1206.1–7 Termination hearing procedures.

(a) General. The termination hearing, decision, and any review thereof shall be conducted in accordance with the rules of procedure set forth in this section and §§1206.1–8 and 1206.1–9.

(b) Presiding officer. (1) The presiding officer at the hearing shall be the responsible ACTION official unless he determines that the convenience of ACTION, or of the parties or their representatives, requires that another place be selected.

(c) Presentation of evidence. Both ACTION and the recipient are entitled to present their case by oral or documentary evidence and to conduct such examination and cross-examination as may be required for a full and true disclosure of all facts bearing on the issues. The issues shall be those stated in the notice required to be filed by paragraph (f) of this section, those stipulated in a prehearing conference or those agreed to by the parties.

(d) Participation. (1) In addition to ACTION, the recipient, and any agency which has a right to appear, the presiding officer in his discretion may permit the participation in the proceedings of such persons or organizations as he deems necessary for a proper determination of the issues involved. Such participation may be limited to those issues or activities which the presiding officer believes will meet the needs of the proceeding, and may be limited to the filing of written material.

(2) Any person or organization that wishes to participate in a proceeding may apply for permission to do so from
the presiding officer. This application, which shall be made as soon as possible after the notice of suspension or proposed termination has been received by the recipient, shall state the applicant’s interest in the proceeding, the evidence or arguments the applicant intends to contribute, and the necessity for the introduction of such evidence or arguments.

(3) The presiding officer shall permit or deny such participation and shall give notice of his decision to the applicant, the recipient, and ACTION, and, in the case of denial, a brief statement of the reasons therefor: Provided however, That the presiding officer may subsequently permit such participation if, in his opinion, it is warranted by subsequent circumstances. If participation is granted, the presiding officer shall notify all parties of that fact and may, in appropriate cases, include in the notification a brief statement of the issues as to which participation is permitted.

(4) Permission to participate to any extent is not a recognition that the participant has any interest which may be adversely affected or that the participant may be aggrieved by any decision, but is allowed solely for the aid and information of the presiding officer.

(e) Filing. All papers and documents which are required to be filed shall be filed with the presiding officer. Prior to filing, copies shall be sent to the other parties.

(f) Notice. The responsible ACTION official shall send the recipient and any other party a written notice which states the time, place, nature of the hearing, the legal authority and jurisdiction under which the hearing is to be held. The notice shall also identify with reasonable specificity the facts relied on as justifying termination and the ACTION requirements which it is contended the recipient has violated. The notice shall be filed and served not later than 10 days prior to the hearing and a copy thereof shall be filed with the presiding officer.

(g) Notice of intention to appear. The recipient and any other party which has a right or has been granted permission to participate in the hearing shall give written confirmation to ACTION of its intention to appear at the hearing 3 days before it is scheduled to occur. Failing to do so may, at the discretion of the presiding officer, be deemed a waiver of the right to a hearing.

(h) Form and date of service. All papers and documents filed or sent to party shall be signed in ink by the appropriate party or his authorized representative. The date on which papers are filed shall be the day on which the papers or documents are deposited, postage prepaid in the U.S. mail, or are delivered in person: Provided however, That the effective date of the notice that there appear to be grounds which warrant terminating assistance shall be the date of its delivery or attempted delivery at the recipient’s last known address as reflected in the records of ACTION.

(i) Prehearing conferences. Prior to the commencement of a hearing the presiding officer may, subject to the provisions of paragraph (b)(2) of this section, require the parties to meet with him or correspond with him concerning the settlement of any matter which will expedite a quick and fair conclusion of the hearing.

(j) Evidence. Technical rules of evidence shall not apply to hearings conducted pursuant to this subpart, but the presiding officer shall apply rules or principles designed to assure production of relevant evidence and to subject testimony to such examination and cross-examination as may be required for a full and true disclosure of the facts. The presiding officer may exclude irrelevant, immaterial, or unduly repetitious evidence. A transcription shall be made of the oral evidence and shall be made available to any participant upon payment of the prescribed costs. All documents and other evidence submitted shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues.

(k) Depositions. If the presiding officer determines that the interests of justice would be served, he may authorize the taking of depositions provided that all parties are afforded an opportunity to participate in the taking of the depositions. The party who
§ 1206.1–8

requested the deposition shall arrange for a transcript to be made of the proceedings and shall upon request, and at his expense, furnish all other parties with copies of the transcript.

(i) Official notice. Official notice may be taken of a public document, or part thereof, such as a statute, official report, decision, opinion or published scientific date issued by any agency of the Federal Government or a State or local government and such document or data may be entered on the record without further proof of authenticity. Official notice may also be taken of such matters as may be judicially noticed in the courts of the United States, or any other matter of established fact within the general knowledge of ACTION. If the decision of the presiding officer rests on official notice of a material fact not appearing in evidence, a party shall on timely request be afforded an opportunity to show the contrary.

(m) Proposed findings and conclusions. After the hearing has concluded, but before the presiding officer makes his decision, he shall afford each participant a reasonable opportunity to submit proposed findings of fact and conclusions. After considering each proposed finding or conclusion the presiding officer shall state in his decision whether he has accepted or rejected them in accordance with the provisions of §1206.1–7(m).

§ 1206.1–8 Decisions and notices regarding termination.

(a) Each decision of a presiding officer shall set forth his findings of fact, and conclusions, and shall state whether he has accepted or rejected each proposed finding of fact and conclusion submitted by the parties, pursuant to §1206.1–7(m). Findings of fact shall be based only upon evidence submitted to the presiding officer and matters of which official notice has been taken. The decision shall also specify the requirement or requirements with which it is found that the recipient has failed to comply.

(b) The decision of the presiding officer may provide for continued suspension or termination of assistance to the recipient in whole or in part, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act.

(c) If the hearing is held by an independent hearing examiner rather than by the responsible ACTION official, he shall make an initial decision, and a copy of this initial decision shall be mailed to all parties. Any party may, within 20 days of the mailing of such initial decision, or such longer period of time as the presiding officer specifies, file with the responsible ACTION official his written exceptions to the initial decision and any supporting brief or statement. Upon the filing of such exceptions, the responsible ACTION official shall, within 20 days of the mailing of the exceptions, review the initial decision and issue his own written decision thereof, including the reasons therefore. The decision of the responsible ACTION official may increase, modify, approve, vacate, remit, or mitigate any sanction imposed in the initial decision or may remand the matter to the presiding officer for further hearing or consideration.

(d) Whenever a hearing is waived, a decision shall be made by the responsible ACTION official and a written copy of the final decision of the responsible ACTION official shall be given to the recipient.

(e) The recipient may request the Director to review a final decision by the responsible ACTION official which provides for the termination of assistance. Such a request must be made in writing within 15 days after the recipient has been notified of the decision in question and must state in detail the reasons for seeking the review. In the event the recipient requests such a review, the Director or his designee shall consider the reasons stated by the recipient for seeking the review and shall approve, modify, vacate or mitigate any sanction imposed by the responsible ACTION official or remand the matter to the responsible ACTION official for further hearing or consideration. The decision of the responsible ACTION official will be given great weight by the Director or his designee during the review. During the course of his review the Director or his designee may, but is not required to, hold a hearing or allow the filing of briefs and arguments. Pending the decision of the
Direct or his designee assistance shall remain suspended under the terms and conditions specified by the responsible ACTION official, unless the responsible ACTION official or the Director or his designee otherwise determines. Every reasonable effort shall be made to complete the review by the Director or his designee within 30 days of receipt by the Director of the recipient’s request. The Director or his designee may however extend this period of time if he determines that additional time is necessary for an adequate review.

§ 1206.1-9 Right to counsel; travel expenses.

In all proceedings under this subpart, whether formal or informal, the recipient and ACTION shall have the right to be represented by counsel or other authorized representatives. If the recipient and any agency which has a right to participate in an informal meeting pursuant to §1206.1-4 or a termination hearing pursuant to §1206.1-7 do not have an attorney acting in that capacity as a regular member of the staff of the organization or a retainer arrangement with an attorney, the Boards of Directors of such recipient and agency will be authorized to designate an attorney to represent their organizations at any such show cause proceeding or termination hearing and to transfer sufficient funds from the Federal grant monies they have received for the project to pay the fees, travel, and per diem expenses of such attorney. The fees for such attorney shall be the reasonable and customary fees for an attorney practicing in the locality of the attorney. However, such fees shall not exceed $100 per day without the prior express written approval of ACTION. Travel and per diem expenses may be paid to such attorney only in accordance with the policies set forth in the Standard Government Travel Regulations and in §§1206.3-1 and 1206.3-6 of this chapter.

§ 1206.1-10 Modification of procedures by consent.

The responsible ACTION official or the presiding officer of a termination hearing may alter, eliminate or modify any of the provisions of this subpart with the consent of the recipient and, in the case of a termination hearing, with the consent of all agencies that have a right to participate in the hearing pursuant to §1206.1-5(e). Such consent must be in writing or be recorded in the hearing transcript.

§ 1206.1-11 Other remedies.

The procedures established by this subpart shall not preclude ACTION from pursuing any other remedies authorized by law.

Subpart B—Denial of Application for Refunding

SOURCE: 47 FR 5719, Feb. 8, 1982, unless otherwise noted.

§ 1206.2-1 Applicability of this subpart.

This subpart applies to grantees and contractors receiving financial assistance and to sponsors who receive volunteers under the Domestic Volunteer Service Act of 1973, as amended, 42 U.S.C. 4951 et seq. The procedures in this subpart do not apply to review of applications for the following:

(a) University Year for ACTION projects which have received federal funds for five years;

(b) Mini-grants;

(c) Other projects for which specific time limits with respect to federal assistance are established in the original notice of grant award or other document providing assistance, where the specified time limit has been reached; and

(d) VISTA project extensions of less than six months.
§ 1206.2–2 Purpose.

This subpart establishes rules and review procedures for the denial of a current recipient’s application for refunding.

§ 1206.2–3 Definitions.

As used in this subpart—“ACTION,” “Director,” and “recipient” shall be defined in accordance with § 1206.1–3.

Financial assistance and assistance include the services of volunteers supported in whole or in part with ACTION funds.

Program account means assistance provided by ACTION to support a particular program activity; for example, VISTA, Foster Grandparent Program, Senior Companion Program and Retired Senior Volunteer Program.

Refunding includes renewal of an application for the assignment of volunteers.

§ 1206.2–4 Procedures.

(a) The procedures set forth in paragraphs (b) through (g) of this section shall apply only where an application for refunding submitted by a current recipient is rejected or is reduced to 80 percent or less of the applied-for level of funding or the recipient’s current level of operations, whichever is less. It is further a condition for application of these procedures that the rejection or reduction be based on circumstances related to the particular grant or contract. These procedures do not apply to reductions based on legislative requirements, or on general policy or in instances where, regardless of a recipient’s current level of operations, its application for refunding is not reduced by 20 percent or more. The fact that the basis for rejecting an application may also be a basis for termination under subpart A of this part shall not prevent the use of this subpart to the exclusion of the procedures in subpart A.

(b) Before rejecting an application of a recipient for refunding ACTION shall notify the recipient of its intention, in writing, at least 75 days before the end of the recipient’s current program year or grant budget period. The notice shall inform the recipient that a tentative decision has been made to reject or reduce an application for refunding.

The notice shall state the reasons for the tentative decision to which the recipient shall address itself if it wishes to make a presentation as described in paragraphs (c) and (d) of this section.

(c) If the notice of tentative decision is based on any reasons, other than those described in paragraph (d) of this section, including, but not limited to, situations in which the recipient has ineffectively managed Agency resources or substantially failed to comply with agency policy and overall objectives under a contract or grant agreement with the Agency, the recipient shall be informed in the notice, of the opportunity to submit written material and to meet informally with an ACTION official to show cause why its application for refunding should not be rejected or reduced. If the recipient requests an informal meeting, such meeting shall be held on a date specified by ACTION. However, the meeting may not, without the consent of the recipient, be scheduled sooner than 14 days, nor more than 30 days, after ACTION has mailed the notice to the recipient.

(d) If the notice of tentative decision is based upon a specific charge of failure to comply with the terms and conditions of the grant or contract, alleging wrongdoing on the part of the recipient, the notice shall offer the recipient an opportunity for an informal hearing before a mutually agreed-upon impartial hearing officer. The authority of such hearing officer shall be limited to conducting the hearing and offering recommendations. ACTION will retain all authority to make the final determination as to whether the application should be finally rejected or reduced. If the recipient requests an informal hearing, such hearing shall be held at a date specified by ACTION. However, such hearing may not, without the consent of the recipient, be scheduled sooner than 14 days nor more

APPENDIX A TO PART 1210—STANDARD FOR EXAMINERS

SOURCE: 46 FR 35512, July 9, 1981, unless otherwise noted.

Subpart A—General

§ 1210.1-1 Purpose.

This part establishes procedures under which certain Trainees and Volunteers serving in ACTION programs under Pub. L. 93–113 will be deselected from training or terminated from service and how they may appeal their deselection or termination.

§ 1210.1-2 Scope.

(a) This part applies to all Trainees and Volunteers enrolled under part A of Title I of the Domestic Volunteer Service Act of 1973, Pub. L. 93–113, as

than 30 days after ACTION has mailed the notice to the recipient.

(e) In the selection of a hearing official and the location of either an informal meeting or hearing, the Agency, while mindful of considerations of the recipient, will take care to insure that costs are kept to a minimum. The informal meeting or hearing shall be held in the city or county in which the recipient is located, in the appropriate Regional Office, or another appropriate location. Within the limits stated in the preceding sentence, the decision as to where the meeting shall be held will be made by ACTION, after weighing the convenience factors of the recipient. For the convenience of the recipient, ACTION will pay the reasonable travel expenses for up to two representatives of the recipient, if requested.

(f) The recipient shall be informed of the final Agency decision on refunding and the basis for the decision by the deciding official.

(g) If the recipient’s budget period expires prior to the final decision by the deciding official, the recipient’s authority to continue program operations shall be extended until such decision is made and communicated to the recipient. If a volunteer’s term of service expires after receipt by a sponsor of a tentative decision not to refund a project, the period of service of the volunteer may be similarly extended. No volunteers may be reenrolled for a full 12-month term, or new volunteers enrolled for a period of service while a tentative decision not to refund is pending. If program operations are so extended, ACTION and the recipient shall provide, subject to the availability of funds, operating funds at the same levels as in the previous budget period to continue program operations.

[50 FR 42025, Oct. 17, 1985]

§ 1206.2-5 Right to counsel.

In all proceedings under this subpart, whether formal or informal, the recipient and ACTION shall have the right to be represented by counsel or other authorized representatives, at their own expense.

(b) This part does not apply to the medical separation of any Trainee or Volunteer. Separate procedures, as detailed in the VISTA Handbook, are applicable for such separations.

§ 1210.1–3 Definitions.

(a) Trainee means a person enrolled in a program under part A of Title I of the Act or for full-time volunteer service under part C of Title I of the Act who has reported to training but has not yet completed training and been assigned to a project.

(b) Volunteer means a person enrolled and currently assigned to a project as a full-time Volunteer under part A of title I of the Act, or under part C of title I of the Act.

(c) Sponsor means a public or private nonprofit agency to which ACTION has assigned Volunteers.

(d) Hearing Examiner or Examiner means a person having the qualifications described in Appendix A who has been appointed to conduct an inquiry with respect to a termination.

(e) National Grant Program means a program operated under part A, title I of the Act in which ACTION has awarded a grant to provide the direct costs of supporting VISTA Volunteers on a national or multi-regional basis. VISTA Volunteers may be assigned to local offices or project affiliates. The national grantee provides overall training, technical assistance and management support for project operations.

(f) Local component means a local office or project affiliate of a national grantee to which VISTA Volunteers are assigned under the VISTA National Grants Program.

(g) Termination means the removal of a Volunteer from VISTA service by ACTION, and does not refer to removal of a Volunteer from a particular project which has been requested by a sponsor or Governor under § 1210.3–2.

(h) Deselection means the removal of a Trainee from VISTA service by ACTION.

§ 1210.2–1 Grounds for deselection.

ACTION may deselected a Trainee out of a training program for any of the following reasons:

(a) Failure to meet training selection standards which includes, but is not limited to, the following conduct:

(1) Inability or refusal to perform training assignments;

(2) Disruptive conduct during training sessions;

(b) Conviction of any criminal offense under Federal, State or local statute or ordinance;

(c) Violation of any provision of the Domestic Volunteer Service Act of 1973, as amended, or any ACTION policy, regulation, or instruction;

(d) Intentional false statement, omission, fraud, or deception in obtaining selection as a Volunteer;

(e) Refusal to accept Volunteer Placement.

§ 1210.2–2 Procedure for deselection.

(a) The Regional Director or designee shall notify the Trainee in writing that ACTION intends to deselected the Trainee. The notice must contain the reasons for the deselection and indicate that the Trainee has 5 days to appeal.

(b) The Trainee is placed on Administrative Hold at the time of the notice of deselection.

(c) The Trainee has 5 days after receipt of the notice to appeal to the Regional Director, or designee specified in the notice, furnishing any supportive documentation. In the appeal letter, the Trainee may request an opportunity to present his or her case in person.

(d) If the Trainee does not respond to the notice, deselection becomes effective at the expiration of the Trainee’s time to appeal.

(e) Within 5 days after receiving the Trainee’s appeal, if no personal presentation is requested, the Regional Director or designee must issue a decision. If a personal presentation is requested, the Regional Director or designee must schedule it within 5 days, and must issue a decision 5 days after such presentation. In either case, the decision of
the Regional Director or designee is final.

Subpart C—VISTA Volunteer Early Termination

§ 1210.3–1 Grounds for termination.

ACTION may terminate or suspend a Volunteer based on the Volunteer's conduct for the following reasons:

(a) Conviction of any criminal offense under Federal, State, or local statute or ordinance;

(b) Violation of any provision of the Domestic Volunteer Service Act of 1973, as amended, or any ACTION policy, regulation, or instruction;

(c) Failure refusal or inability to perform prescribed project duties as outlined in the Project Narrative and/or volunteer assignment description and as directed by the sponsoring organization to which the Volunteer is assigned;

(d) Involvement in activities which substantially interfere with the Volunteer's performance of project duties;

(e) Intentional false statement, omission, fraud, or deception in obtaining selection as a Volunteer;

(f) Any conduct on the part of the Volunteer which substantially diminishes his or her effectiveness as a VISTA Volunteer; or

(g) Unsatisfactory performance of Volunteer assignment.

§ 1210.3–2 Removal from project.

(a) Removal of a Volunteer from the project assignment may be requested and obtained by a written request supported by a statement of reason by:

(1) The Governor or chief executive officer of the State or similar jurisdiction in which the Volunteer is assigned or;

(2) The sponsoring organization. The sole responsibility for terminating or transferring a Volunteer rests with the ACTION Agency.

(b) A request for removal of a Volunteer must be submitted to the ACTION State Director, who will in turn notify the Volunteer of the request. The State Director, after discussions with the Volunteer and in consultation with the Regional Director, if necessary, has 15 days to attempt to resolve the situation with the sponsor or the Governor's office. If the situation is not resolved at the end of the 15 day period, the Volunteer will be removed from the project and placed on Administrative Hold, pending a decision as set forth in paragraph (c) of this section.

(c) The State office will take one of the following actions concerning a Volunteer who has been removed from a project assignment:

(1) Accept the Volunteer's resignation;

(2) If removal was requested for reasons other than those listed in §1210.3–1, ACTION will attempt to place the Volunteer on another project. If reassignment is not possible, the Volunteer will be terminated for lack of suitable assignment, and he or she will be given special consideration for reinstatement; or

(3) If removal from the project is approved based on any of the grounds for early termination as set forth in §1210.3–1, the Volunteer may appeal the termination grounds as detailed in subpart C of this part to establish whether such termination is supported by sufficient evidence. If ACTION determines that the removal based on grounds detailed in §1210.3–1 is not established by adequate evidence, then the procedures outlined in §1210.3–2(c)(2) will be followed.

(d) A Volunteer's removal during a term of service may also occur as a result of either the termination of, or refusal to renew, the Memorandum of Agreement between ACTION and the sponsoring organization, or the termination or completion of the initial Volunteer assignment. In such cases, the Volunteer will be placed in Administrative Hold status while the Regional Office attempts to reassign the Volunteer to another project. If no appropriate reassignment within the Region is found within the Administrative Hold period, the Volunteer will be terminated but will receive special consideration for reinstatement as soon as an appropriate assignment becomes available. If appropriate reassignment is offered the Volunteer and declined, ACTION has no obligation to offer additional or alternative assignments.
§ 1210.3–3 Suspension.

(a) The ACTION State Director may suspend a Volunteer for up to 30 days in order to determine whether sufficient evidence exists to start termination proceedings against the Volunteer. Suspension is not warranted if the State Director determines that sufficient grounds already exist for the initiation of termination. In that event, the termination procedures contained in §1210.3–4 will be followed.

(b) Notice of suspension may be written or verbal and is effective upon delivery to the Volunteer. Within 3 days after initiation of the suspension, the Volunteer will receive a written notice of suspension setting forth in specific detail the reason for the suspension. During the suspension period the Volunteer may not engage in project activities, but will continue to receive all allowances, including stipend.

(c) At the end of the suspension period, the Volunteer must either be reassigned to a project, or termination proceedings must be initiated.

§ 1210.3–4 Initiation of termination.

(a) Opportunity for Resignation. In instances where ACTION has reason to believe that a Volunteer is subject to termination for any of the grounds cited in §1210.3–1, an ACTION staff member will discuss the matter with the Volunteer. If, after the discussion, the staff member believes that grounds for termination exist, the Volunteer will be given an opportunity to resign. If the Volunteer chooses not to resign, the administrative procedures outlined below will be followed.

(b) Notification of Proposed Termination. The Volunteer will be notified, in writing by certified mail, of ACTION’s intent to terminate him or her by the ACTION State Director at least 15 days in advance of the proposed termination date. The letter must give the reasons for termination, and notify the Volunteer that he or she has 10 days within which to answer in writing and to furnish any affidavits or written material. This answer must be submitted to the ACTION State Director or a designee identified in the notice of proposed termination.

(c) Review and Notice of Decision. (1) Within 5 working days after the date of receipt of the Volunteer’s answer, the State Director or designee will send a written Notice of Decision to the Volunteer by certified mail. (If no answer is received from the Volunteer within the time specified, the State Director or designee will send such notice within 5 days after the expiration of the Volunteer’s time to answer.)

(2) If the decision is to terminate the Volunteer, the Notice will set forth the reasons for the decision, the effective date of termination (which, if the Volunteer has filed an answer, may not be earlier than 10 days after the date of the Notice of Decision), and the fact that the Volunteer has 10 days in which to submit a written appeal to the Regional Director.

(3) A Volunteer who has not filed an answer pursuant to the procedures outlined above is not entitled to appeal the decision or request a hearing and may be terminated on the date of the Notice.

(d) Allowances and Project Activities.

(1) A Volunteer who files an answer within the 10 days allowed by §1210.3–4(b) with the State Director or designee following receipt of the notice of proposed termination, will be placed in Administrative Hold status, and may continue to receive regular allowances, but no stipend, in accordance with ACTION policy, until the appeal is finally decided. The Volunteer may not engage in any project related activities during this time.

(2) If the proposed termination is reversed, the Volunteer’s stipend and any other allowances lost during the period of review will be reinstated retroactively.

§ 1210.3–5 Preparation for appeal.

(a) Entitlement to Representation. A Volunteer may be accompanied, represented and advised by a representative of the Volunteer’s own choice at any stage of the appeal. A person chosen by the Volunteer must be willing to act as representative and not be disqualified because of conflict of position.

(b) Time for Preparation and Presentation. (1) A Volunteer’s representative, if a Volunteer or an employee of ACTION, must be given a reasonable
amount of time off from assignment to present the appeal.

(2) ACTION will not pay travel expenses or per diem travel allowances for either a Volunteer or the Volunteer’s representative in connection with the preparation of the appeal, except to attend the hearing as provided in §1210.3–7(c)(5).

(c) Access to Agency Records. (1) A Volunteer is entitled to review any material in his or her official Volunteer folder and any relevant Agency documents to the extent permitted by the Privacy Act and the Freedom of Information Act, (5 U.S.C. 552a; 5 U.S.C. 552). Examples of documents which may be withheld from Volunteers include references obtained under a pledge of confidentiality, official Volunteer folders of other Volunteers and privileged intra-Agency memoranda.

(2) A Volunteer may review relevant documents in the possession of a sponsor to the same extent ACTION would be entitled to review them.

§ 1210.3–6 Appeal of termination.

(a) Appeal to Regional Director. A Volunteer has 10 days from the Notice of Decision issued by the State Director or designee in which to appeal to the Regional Director. The appeal must be in writing and specify the reasons for the Volunteer’s disagreement with the decision. The Regional Director has 10 days in which to render a written decision, indicating the reason for the decision. In notifying the Volunteer of the decision, the Regional Director must also inform the Volunteer of his or her opportunity to request the appointment of a Hearing Examiner and the procedure to be followed.

(b) Referral to Hearing Examiner. If the Volunteer is dissatisfied with the decision of the Regional Director, the Volunteer has 5 days in which to request the appointment of a Hearing Examiner. The Regional Director must act on that request within 5 days. The Hearing Examiner must possess the qualifications specified in Appendix A to this part, and may not be an employee of ACTION unless his or her principal duties are those of Hearing Examiner.

§ 1210.3–7 Inquiry by Hearing Examiner.

(a) Scope of Inquiry. (1) The Examiner shall conduct an inquiry of a nature and scope appropriate to the issues involved in the termination. If the Examiner determines that the termination involves relevant disputed issues of fact, the Examiner must hold a hearing unless it is waived by the Volunteer. If the Examiner determines that the termination does not involve relevant disputed issues of fact, the Examiner need not hold a hearing, but must provide the parties an opportunity for oral presentation of their respective positions. At the Examiner’s discretion, the inquiry may include:

(i) The securing of documentary evidence;
(ii) Personal interviews, including telephone interviews;
(iii) Group meetings; or
(iv) Affidavits, written interrogatories or depositions.

(2) The Examiner’s inquiry shall commence within 7 days after referral by the Regional Director. The Examiner shall issue a report as soon as possible, but within 30 days after referral, except when a hearing is held. If a hearing is held, the Examiner shall issue a report within 45 days after the referral.

(b) Conduct of Hearing. If a hearing is held, the conduct of the hearing and production of witnesses shall conform with the following requirements:

(1) The hearing shall be held at a time and place determined by the Examiner who shall consider the convenience of parties and witnesses and expense to the Government in making the decision.

(2) Ordinarily, attendance at the hearing will be limited to persons determined by the Examiner to have a direct connection with it. If requested by the Volunteer, the Examiner must open the hearing to the public.

(3) The hearing shall be conducted so as to bring out pertinent facts, including the production of pertinent records.

(4) Rules of evidence shall not be applied strictly, but the Examiner may exclude irrelevant or unduly repetitious testimony or evidence.

(5) Decisions on the admissibility of evidence or testimony shall be made by the Examiner.
§ 1210.3-8

(6) Testimony shall be under oath or affirmation, administered by the Examiner.

(7) The Examiner shall give the parties an opportunity to present oral and written testimony that is relevant and material, and to cross-examine witnesses who appear to testify.

(8) The Examiner may exclude any person from the hearing for conduct that obstructs the hearing.

(c) Witnesses. (1) All parties are entitled to produce witnesses.

(2) Volunteers, employees of a sponsor, and employees of ACTION shall be made available as witnesses when requested by the Examiner. The Examiner may request witnesses on his or her own initiative. Parties shall furnish to the Examiner and to opposing parties a list of proposed witnesses, and an explanation of what the testimony of each is expected to show, at least 10 days before the date of the hearing. The Examiner may waive the time limit in appropriate circumstances.

(3) Employees of ACTION shall remain in a duty status during the time they are made available as witnesses.

(4) Volunteers, employees and any other persons who serve as witnesses shall be free from coercion, discrimination, or reprisal for presenting their testimony.

(5) The Examiner must authorize payment of travel expense and per diem at standard Government rates for the Volunteer and a representative to attend the hearing.

(6) The Examiner may authorize payment of travel expense and per diem at standard Government rates for other necessary witnesses to attend the hearing.

§ 1210.3-8 Termination file and Examiner’s report.

(a) Preparation and Content. The Examiner shall establish a termination file containing documents related to the termination, including statements of witnesses, records or copies thereof, and the report of the hearing when a hearing was held. The Examiner shall also prepare a report of findings and recommendations which shall be made part of the termination file.

(b) Review by Volunteer. On completion of the termination file, the Examiner shall make it available to the Volunteer and a representative for review and comment before submission to the Director of VISTA. Any comments by the Volunteer or representative should be submitted to the Hearing Examiner for inclusion in the termination file not later than 5 days after the file is made available to them. The comments should identify those parts of the Examiner’s report which support the appeal.

(c) Submission of termination file. Immediately upon receiving the comments from the Volunteer the Hearing Examiner shall submit the termination file to the Director of VISTA.

§ 1210.3-9 Decision by Director of VISTA.

The Director of VISTA shall issue a written decision, including a statement of the basis for the decision, within 10 days after receipt of the termination file. The decision of the Director of VISTA is the final Agency decision.
§ 1210.3-10 Reinstatement of Volunteer.

(a) If the Regional Director or Director of VISTA reinstates the Volunteer, the Regional Director may at his or her discretion reassign the Volunteer to the Volunteer's previous project or to another project. The Regional Director, in making such a decision, must request the Volunteer's views, but has the final decision on the Volunteer's placement.

(b) If the Volunteer's termination is reversed, stipend and other allowances lost during the appeal period will be paid retroactively.

§ 1210.3-11 Disposition of termination and appeal files.

All termination and appeal files shall be forwarded to the Director of VISTA after a final decision has been made and are subject to the provisions of the Privacy Act and Freedom of Information Act. No part of any successful termination appeal may be made part of, or included in, a Volunteer's official folder.

Subpart D—National Grant Trainees and Volunteers

§ 1210.4 Early termination procedures for National Grant Trainees and Volunteers.

Trainees and Volunteers serving in the National Grant Program as defined in §1210.1-3(e) will be subject to the same termination procedures as standard VISTA Trainees and Volunteers with the following exceptions:

(a) For Trainees, the deselection procedure, [See §1210.2-2] will be handled by the Project Manager in ACTION/Headquarters.

(b) The Initiation of termination, [See §1210.3-4 (a) and (b)] will be handled by the VISTA Project Manager in ACTION/Headquarters, with the concurrence of the appropriate State Director. The Review and Notice of Decision, [See §1210.3-4(c)] will be handled by the VISTA Project Manager in ACTION/Headquarters.

(c) The Appeal of termination, [See §1210.3-6(a)] will be handled by the Chief of VISTA Branch and not the Regional Director.

(d) The final decision on a Volunteer appeal will be made by the Director of VISTA as provided in §1210.3.

APPENDIX A TO PART 1211—STANDARDS FOR EXAMINERS

Source: 45 FR 39271, June 10, 1980, unless otherwise noted.

§1211.1–1 Purpose.
This part establishes procedures under which certain volunteers enrolled under Pub. L. 93–113 may present and obtain resolution of grievances.

§1211.1–2 Applicability.

§1211.1–3 Definitions.
(a) Volunteer means a person enrolled and currently serving as a full-time volunteer under part A of title I of the Domestic Volunteer Service Act of 1973. For the purpose of this part, a volunteer whose service has terminated shall be deemed to be a volunteer for a period of 90 days thereafter.
(b) Grievance means a matter arising out of, and directly affecting, the volunteer’s work situation, or a violation of those regulations governing the terms and conditions of service resulting in the denial or infringement of a right or benefit to the grieving volunteer. Terms and conditions of service refer to those rights and privileges accorded the volunteer either through statute, Agency regulation, or Agency policy.

(i) The relief requested must be directed toward the correction of the matter involving the affected individual volunteer or the affected group of volunteers and may request the revision of existing policies and procedures to ensure against similar occurrences in the future. Requests for relief by more than one volunteer arising from a common cause within one region may be treated as a single grievance. The following are examples of grievable matters:

(ii) A volunteer submits a request for reimbursement for transportation costs incurred while on authorized emergency leave which is denied.

(iii) The project sponsor fails to provide adequate support to the volunteer necessary for that volunteer to perform the assigned work, such as the sponsor’s failure to provide materials to the volunteer which is necessary for the performance of the volunteer’s work.

(c) State Program Officer means that ACTION official who is directly responsible at the first level for the project in which the volunteer is serving.

(d) Sponsor means a public or private nonprofit agency to which ACTION has assigned volunteers.

(e) Grievance Examiner or Examiner means a person having the qualifications described in Appendix A who is appointed to conduct an inquiry or hearing with respect to a grievance.

(f) National VISTA Grants Program means a program operated under part A, title I of the Domestic Volunteer
§ 1211.1–4 Policy.

It is ACTION's policy to provide volunteers the widest latitude to present their grievances and concerns to appropriate officials of ACTION and of sponsoring organizations. This regulation is designed to assure that the rights of individual volunteers are recognized and to provide formal ways for them to seek redress with confidence that they will obtain just treatment.

§ 1211.1–5 Matters not covered.

Matters not within the definition of a grievance as defined in §1211.1–3(b) are not eligible for processing under this procedure. The following are specific examples of excluded areas and are not intended as a complete listing of the matters excluded by this part:

(a) The establishment of a volunteer project, its continuance or discontinuance, the number of volunteers assigned to it, increases or decreases in the level of support provided to a project, suspension or termination of a project, or selection and retention of project staff.

(b) Matters for which a separate administrative procedure is provided.

(c) The content of any law, published rule, regulation, policy or procedure.

(d) Matters which are, by law, subject to final administrative review outside ACTION.

(e) Actions taken in compliance with the terms of a contract, grant, or other agreement.

(f) The internal management of the ACTION Agency unless such management is specifically shown to individually and directly affect the volunteer's work situation or the terms and conditions of service as defined in §1211.1–3(b).

§ 1211.1–6 Freedom to initiate grievances.

The initiation of a grievance shall not be construed as reflecting on a volunteer's standing, performance or desirability as a volunteer. ACTION intends that each supervisor and sponsor, as well as ACTION and its employees, maintain a healthy atmosphere in which a volunteer can speak freely and have frank discussions of problems. A volunteer who initiates a grievance shall not as a result of such an action be subjected to restraint, interference, coercion, discrimination or reprisal.

§ 1211.1–7 Entitlement to representation.

A volunteer may be accompanied, represented, and advised by a representative of the volunteer's own choice at any stage of the proceeding. The volunteer shall designate his or her representative in writing. A person chosen by the volunteer must be willing to act as representative and have no conflict between his or her position and the subject matter of the grievance.

§ 1211.1–8 Time for preparation and presentation.

(a) Both a volunteer and a volunteer's representative, if another volunteer or an employee of ACTION, must be given a reasonable amount of administrative leave from their assignments to present a grievance or appeal.

(b) ACTION will not pay travel expense or per diem travel allowances for either a volunteer or his or her representative in connection with the preparation of a grievance or appeal, except in connection with a hearing and the examination of the grievant file as provided in §1211.1–12(c).

§ 1211.1–9 Access to agency records.

(a) A volunteer is entitled to review any material in his or her official volunteer folder and any relevant Agency documents to the extent permitted by the Freedom of Information Act and the Privacy Act, as amended, 5 U.S.C. 552, U.S.C. 552a. Examples of documents which may be withheld from volunteers include references obtained...
§ 1211.1–10 Informal grievance procedure.

(a) Initiation of grievance. A volunteer may initiate a grievance within 15 calendar days after the event giving rise to the grievance occurs, or within 15 calendar days after becoming aware of the event. A grievance arising out of a continuing condition or practice that individually affects the volunteer may be brought at any time. A volunteer initiates a grievance by presenting it in writing to the chief executive officer of the sponsor, or the representative designated to receive grievances from volunteers. The designated representative may not be the immediate supervisor of volunteers assigned to the sponsor. The chief executive officer of the sponsor or the designated representative shall respond in writing to the grievance within five (5) working days after receipt. The chief executive officer or designee may not refuse to respond to a complaint on the basis that it is not a grievance as defined in §1211.1–3(b), or that it is excluded from coverage under §1211.1–5, but may, in the written response, refuse to grant the relief requested on either of these grounds.

If the grievance involves a matter over which the sponsor has no control, or if the chief executive officer is the immediate supervisor of the volunteer, the procedures described in this section may be omitted, and the volunteer may present the grievance in writing directly to the State Director or designee as described in paragraph (b) of this section within the time limits specified in this paragraph (a).

(b) Consideration by ACTION State Director or designee. If the matter is not resolved to the volunteer’s satisfaction by the sponsor’s chief executive officer, the volunteer may submit the grievance in writing to the ACTION State Director or designee within five (5) working days after receipt of the decision of the sponsor’s chief executive officer. The State Director or designee may not refuse to receive a complaint, even if he or she believes it does not constitute a grievance, and shall respond to it in writing within five (5) working days after receipt. The response may indicate that the matter is not grievable. If the State Director or designee fails to meet the time limit for response, the volunteer may initiate a formal grievance.

§ 1211.1–11 Initiation of formal grievance procedure.

(a) Submission of grievance to Regional Director. If a volunteer is dissatisfied with the response of the State Director or designee required by §1211.1–10(b), he or she may present the grievance in writing to the Regional Director. To be eligible for the formal grievance procedure, the volunteer must have obtained approval of the procedure from the ACTION State Director and file a copy of this approved procedure with the State Office.

(b) Consideration by ACTION State Director or designee. If the matter is not resolved to the volunteer’s satisfaction by the sponsor’s chief executive officer, the volunteer may submit the grievance in writing to the ACTION State Director or designee within five (5) working days after receipt of the decision of the sponsor’s chief executive officer. The State Director or designee may not refuse to receive a complaint, even if he or she believes it does not constitute a grievance, and shall respond to it in writing within five (5) working days after receipt. The response may indicate that the matter is not grievable. If the State Director or designee fails to meet the time limit for response, the volunteer may initiate a formal grievance.
Corporation for National and Community Service

§ 1211.1–12

(b) Contents of grievance. The volunteer’s grievance must be in writing, contain sufficient detail to identify the subject matter of the grievance, specify the relief requested, and be signed by the volunteer or a person designated in writing by the volunteer to be the representative for the purpose of the grievance.

(c) Time limit. The volunteer must submit the grievance to the Regional Director or designee no later than 15 calendar days after receipt of the informal response by the State Director or designee. If no response is received by the volunteer 15 calendar days after the grievance is received by the State Director or designee, the volunteer may submit the grievance directly to the Regional Director or designee for consideration.

(d) Within ten (10) working days of the receipt of the grievance, the Regional Director or designee shall, in whole or in part, either decide it on its merits or reject the grievance. A grievance may be rejected, in whole or in part, for the following reasons:

(1) It was not filed within the time limit specified in paragraph (c) of this section, or
(2) The grievance consists of matters not contained within the definition of a grievance.

(e) Rejection of a grievance by the Regional Director or designee may be appealed by the volunteer within ten (10) days of receipt of the notice to the Office of General Counsel. The Office shall immediately request the grievance file from the Regional Director and, within five (5) working days of receipt of it, determine the appropriateness of the rejection. If the grievance was properly rejected by the Regional Director, the Office shall so notify the volunteer of its opinion and the reasons supporting it, and that such rejection is the final Agency decision in the matter. If the Office determines that the grievance was improperly rejected, it shall return the grievance to the Regional Director for a determination on its merits by the Regional Director. Within ten (10) working days of such notification and receipt of the grievance file, the Regional Director or designee shall notify the volunteer in writing of the decision on the merits and specify the grounds for the decision and of the volunteer’s right to appeal.

(f) Time Limit. If a volunteer is dissatisfied with the decision of the Regional Director or designee on the merits of the grievance, he or she shall notify the Regional Director within five (5) calendar days from receipt of the decision and request the appointment of an Examiner. If the volunteer receives no response from the Regional Director or Office of General Counsel as required by paragraphs (d) and (e) of this section within five (5) calendar days after the prescribed time limits, the volunteer may request in writing that the Regional Director appoint a Grievance Examiner. Upon receipt of this request, the Regional Director or designee shall appoint within five (5) calendar days an Examiner who shall possess the qualifications specified in Appendix A to this part.

§ 1211.1–12 Investigation by Grievance Examiner.

(a) Scope of investigation. The Examiner shall conduct an investigation of a nature and scope appropriate to the issues involved in the grievance.

Unless waived by the volunteer, a hearing must be held if the Examiner finds that the grievance involves disputed questions of fact that go to the heart of the agency determination. Only those facts found necessary by the Examiner on which to base his or her findings go to the heart of the Agency determination.

If the grievance does not involve such disputed questions of fact, or if the volunteer waives a hearing, the Examiner need not hold a hearing but must provide the parties an opportunity for presentation of their respective positions. At the Examiner’s discretion, the investigation may include:

(1) The securing of documentary evidence,
(2) Personal interviews, including telephone interviews,
(3) Group meetings,
(4) Affidavits, written interrogatories or depositions.

(b) Conduct of Hearing. If a hearing is held, the conduct of the hearing and production of witnesses shall conform with the following requirements:
§ 1211.1–13

(1) The hearing shall be held at a time and place determined by the Examiner who shall consider the convenience of parties and witnesses and expense to the Government in making his or her decision.

(2) Attendance at the hearing will be limited to persons determined by the Examiner to have a direct connection with the grievance. If requested by the volunteer, the Examiner must open the hearing to the public.

(3) The hearing shall be conducted so as to bring out pertinent facts, including the production of pertinent records.

(4) Formal rules of evidence shall not be applied strictly, but the Examiner may exclude irrelevant or unduly repetitious testimony or evidence.

(5) Decisions on the admissibility of evidence or testimony shall be made by the Examiner.

(6) Testimony shall be under oath or affirmation, administered by the Examiner.

(7) The Examiner shall give the parties an opportunity to present oral and written testimony that is relevant and material, and to cross-examine witnesses who testify.

(8) The Examiner may exclude any person from the hearing for conduct that obstructs the hearing.

(c) Witnesses. (1) All parties are entitled to produce witnesses.

(2) Volunteers, employees of a sponsor, and employees of ACTION shall be made available as witnesses when requested by the Examiner. The Examiner may request witnesses on his or her initiative. Parties shall furnish to the Examiner and to opposing parties a list of proposed witnesses, and an explanation of what the testimony of each is expected to show, at least ten (10) calendar days before the date of the hearing. The Examiner may waive the time limit in appropriate circumstances.

(3) Employees of ACTION shall remain in a duty status during the time they are made available as witnesses.

(4) Volunteers, employees and any other persons who serve as witnesses shall be free from coercion, discrimination or reprisal for presenting their testimony.

(5) The Examiner must authorize payment of travel expenses and per diem at standard Government rates for the volunteer and the representative to attend the hearing. Payment of travel expenses and per diem at standard Government rates for other witnesses to attend the hearing are authorized only after the Examiner determines that the required testimony cannot be satisfactorily obtained by affidavit, written interrogatories, or deposition, at a lesser cost.

(d) Recording of Hearing. A grievant may make a recording of the hearing at his or her own expense if no verbatim transcript is made. Such a recording is in no way to be treated as the official transcript of the hearing.

(e) Report of Hearing. The Examiner shall normally prepare a written summary of the hearing which shall include all documents and exhibits submitted to and accepted by the Examiner during the course of the grievance. An Examiner may require a verbatim transcript if he or she determines that the grievance is so complex as to require such a transcript. If the hearing is reported verbatim, the Examiner shall make the transcript a part of the record of the proceedings. If the hearing is not reported verbatim, a suitable summary of pertinent portions of the testimony shall be made part of the record of proceedings. In such cases, the summary together with exhibits shall constitute the report of the hearing. The parties are entitled to submit written exceptions to any part of the summary, and these written exceptions shall be made part of the record of proceedings.

§ 1211.1–13 Grievance file and examiner’s report.

(a) Preparation and content. The Examiner shall establish a grievance file containing all documents related to the grievance, including statements of witnesses, records or copies thereof, and the report of the hearing when a hearing was held. The file shall also contain the Examiner’s report of findings and recommendations.

(b) Review by volunteer. On completion of the inquiry, the Examiner shall make the grievance file available to the volunteer and the representative, if any, for review and comment. Their comments, if any, shall be submitted to
the Examiner within five (5) calendar days after the file is made available and shall be included in the file.

(c) Examiner’s report. After the volunteer has been given an opportunity to review the grievance file, the Examiner shall submit the complete grievance file to the Director of VISTA.

§1211.1–14 Final determination by Director of VISTA.

The Director of VISTA or designee shall issue a written decision on the appeal to the volunteer within ten (10) working days after receipt of the appeal file. The decision shall include a statement of the basis for the determination, and shall be the final Agency decision.

§1211.1–15 Disposition of grievance appeal files.

All grievance appeal files shall be retained by the Director of VISTA after the grievance has been settled, or a final decision has been made and implemented. No part of a grievance or appeal file may be made part of, or included in, a volunteer’s official folder.

§1211.1–16 Grievance procedure for National VISTA Grant Volunteers.

The grievance procedure for National VISTA Grant Volunteers shall be the same as that provided in this part with the following substitutions of officials:

(a) Informal grievance procedure:

(1) The initiation of an informal grievance for a National Grant VISTA, see §1211.1–10, shall normally be to the sponsor of the local component. If the grievance involves a matter solely within the control of the ACTION State Office, the volunteer may present the grievance to the State Director or designee in lieu of the local component sponsor.

(2) If the volunteer is not satisfied with the response of the appropriate official (sponsor of local component, or State Director or designee), the volunteer may submit the grievance to the chief executive of the national grantee.

(b) Formal grievance procedure:

The Chief, VISTA Program Development Branch or designee shall replace the Regional Director as the official in §1211.1–11.

(1) Current or former federal employees now or formerly in grade GS-12 or equivalent, or above who have:

(a) At least four (4) years of progressively responsible experience in administrative, managerial, professional, investigative, or technical work which has demonstrated the possession of:

(i) The personal attributes essential to the effective performance of the duties of an Examiner, including integrity, discretion, reliability, objectivity, impartiality, resourcefulness, and emotional stability.

Subpart A—General

§ 1213.1-1 Introduction.

(a) Section 122(a), part C, of the Domestic Volunteer Service Act of 1973 (the Act), Pub. L. 93-113, 87 Stat. 401, authorizes the Director of ACTION to conduct and to make contracts for special volunteer programs to encourage wider volunteer participation on a full-time basis to strengthen and supplement efforts to meet a broad range of human, social, and environmental needs, particularly those related to poverty. The ACTION Cooperative Volunteer Program (ACV) is one of these special volunteer programs. It provides full-time volunteer service opportunities for individuals in assignments with nonprofit and public agency sponsors involving a broad range of human, social, and environmental needs, particularly those related to poverty. Organizations wishing to become sponsors enter into an agreement with ACTION for the direct costs of volunteer support, i.e. allowances, stipend and other direct benefits.

(b) Section 122(b) requires that the assignment of ACV volunteers be on such terms and conditions as the Director shall determine.

(c) Section 122(c) provides that the Director may provide to persons serving as full-time volunteers in a program of at least one year’s duration such allowances and stipends as he determines are necessary. The kinds and amount of such allowances and stipends may not exceed those authorized...
to be provided to VISTA volunteers (part A, title I, Pub. L. 93–113).

Subpart B—Description of Volunteer Service

§ 1213.2–1 Enrollment and duration of service.

ACTION enrolls an individual in ACV during the preservice processing it provides. Such enrollment is for a period comprising the time of such processing, ACTION preservice orientation, and a one-year assignment to a project.

§ 1213.2–2 Provisional volunteers.

Individuals are considered to be provisional volunteers during the period of pre-service processing and ACTION preservice orientation. They have all the rights and benefits and are subject to all the duties of volunteers, except as expressly provided in these regulations or where it would appear from the language of a section of the regulations to be inappropriate.

§ 1213.2–3 Extension of service and reenrollment.

In certain situations, a volunteer may have his period of volunteer service extended for not more than one year, at the request of a sponsor and the concurrence of the appropriate ACTION Regional Director. A volunteer may only be reenrolled for a period of at least one year. A sponsor must request the reenrollment and it must be approved by the appropriate ACTION Regional Director. No volunteer may serve for more than a total of five years in full-time volunteer programs under Title I of Pub. L. 93–113.

Such extensions and reenrollments may be for the same or different projects and may include interregional and intraregional transfers.

§ 1213.2–4 Living conditions.

To the extent practicable volunteers are expected to make a personal commitment to live among and at the economic level of the people served by the project in which the volunteer works. The sponsor will insure that this commitment is observed.

Subpart C—ACTION Provided Volunteer Support

§ 1213.3–1 Financial support.

(a) Food and lodging. Each ACV volunteer receives from ACTION a food and lodging allowance approximately commensurate with the actual standard of living of the residents of the community to which he is assigned. The amount of this allowance is determined by the Regional Office after consultation with the sponsor.

(b) Personal living allowance. ACTION also provides each volunteer a personal living allowance of $75 per month. It is intended to cover incidental expenses and local travel.

(c) Adjustment allowance. At the beginning of service, a volunteer may receive from ACTION an adjustment allowance when necessary to cover the initial cost of securing and setting up living quarters. Such an allowance is usually provided only to volunteers who serve outside their home area. It is not usually available to volunteers recruited locally for an assignment in their home or nearby communities.

(d) Stipend. At the conclusion of the term of service, each volunteer receives a stipend of $50 for each month of service on an ACV project. Volunteers may be authorized to make biweekly allotments from the stipend, not in excess of $12.50, in extraordinary circumstances. These may include allotments for obligations incurred prior to service for family support, insurance or loan payments and income taxes.

(e) Provisional volunteers. Provisional volunteers do not receive any allowances nor do they accrue stipends. During the period they are provisional volunteers their food and lodging is provided by ACTION and they receive a
§ 1213.3–2 Transportation.

ACTION will be responsible for providing the volunteer with needed transportation for the following purposes:

(a) To, and when appropriate, from volunteer/sponsor staging;

(b) To the pre-service processing site, whether it is the ACTION Regional Office or any other designated facility;

(c) To the project site following completion of pre-service processing, and at the beginning of the volunteer’s terms of service;

(d) For the return trip from the projects site to the volunteer’s home of record following completion of service;

(e) Whenever necessary to enable the volunteer to travel outside the geographic area to which he has been assigned when he does so at the request of the Government;

(f) When approved in cases of emergency.

For the purpose of paragraph (d) of this section, the term “home of record” shall be either:

(1) The legal residence of the volunteer’s parent or legal guardian if the volunteer had been residing with the parent or legal guardian immediately prior to entering ACTION service, or if the volunteer was a full-time student whose permanent residency was with the parent or legal guardian.

(2) The residence established by the volunteer while attending college immediately prior to entering ACTION.

(3) The residence established by the volunteer while employed immediately prior to entering ACTION.

(4) The legal residence established by the volunteer for purposes of voting and/or payment of state tax.

Each volunteer must specify a home of record at the time he is enrolled. Subsequent modification of the home of record may be authorized in certain circumstances at the discretion of the Regional Director.

§ 1213.3–3 Health support.

ACTION provides ACV volunteers with a health benefits program at no cost to the volunteers.

Coverage includes most medical and surgical costs, hospitalization, prescription drugs, and emergency dental care. ACTION reserves the right to alter the extent, or the method of providing health care for volunteers. In nonemergency situations, the Regional Office must clear hospitalization or other serious (in excess of $150) treatments.

§ 1213.3–4 Legal support.

ACTION will pay certain legal expenses where volunteers are involved in criminal or civil judicial or administrative proceedings to the extent provided in part 1220.

§ 1213.3–5 Insurance.

(a) ACV volunteers are covered by the Federal Employees Compensation Act. This provides a broad-based workmen’s compensation-type coverage for volunteer job-related accidents and occupational sickness.

(b) ACV volunteers are also Federal employees for the purpose of the Federal Tort Claims Act. Any third-party claims for injury or damage to property arising out of the volunteer’s job-related activities will be treated as claims against the United States.

§ 1213.3–6 Leave.

(a) Vacation leave. Once on the job for four months, an ACV volunteer earns one day of leave for each full month of service up to a maximum of seven days, including one weekend. No leave is to be granted during the last month of service, except for emergencies. During leave, the volunteer’s regular support allowances are continued. No leave may be taken without the approval of the sponsor.

(b) Emergency leave. Should a member of a volunteer’s immediate family—spouse, mother, father, sister, brother,
Corporation for National and Community Service

§ 1213.4–4

(a) In-service training will be conducted by the sponsor in accordance with plans agreed upon during the program development process, and submitted to ACTION as part of the agreement. Those plans must be tailored to the volunteer’s needs for additional skills and information in the performance of assigned tasks.

§ 1213.4–2 Supervision.

The sponsor has the sole responsibility for providing appropriate supervision, leadership, and direction to the volunteers in conformance with the plan prepared in cooperation with ACTION and submitted with the project proposal. The plan is to be executed in such a manner that the volunteers can attain project goals within the proposed time frame.

§ 1213.4–3 Job-related transportation.

The sponsor is responsible for determining the job-related transportation needs of the volunteer. The volunteers are expected to use public transportation in connection with their work whenever it is available and adequate. When it is not, the sponsor shall provide suitable private transportation, including obtaining and maintaining motor vehicles for the job-related use of the volunteers as appropriate. Whether the sponsor purchases vehicles or obtains them through a leasing arrangement, he is responsible for monitoring the use of those vehicles and restricting the use of transportation provided to volunteers to work on the project. The volunteer and the sponsor are jointly responsible for compliance with all state and local laws concerning vehicle registration, operator licensing, and financial responsibility on any private vehicles used by the volunteer, either as part of his work assignment or for personal convenience.

§ 1213.4–4 Supplies and equipment and office facilities.

The sponsor is responsible for providing most job-related support involving facilities, equipment, and consumable supplies needed by the volunteer, including telephone and secretarial support.

Subpart D—Sponsor Provided Volunteer Support

§ 1213.4–1 Training.

(a) The sponsor is fully responsible for designing and implementing a program of in-service training which will completely equip the volunteer to perform the tasks to which he has been assigned.
§ 1213.4–5 Emergencies.
In case of emergencies in which it is not possible for ACTION to provide a volunteer with the necessary assistance and support in time to prevent injury or hardship to him, the sponsor may furnish the needed assistance, including an advance of up to $500 from its own funds to the volunteer. Such advances, however, should be cleared in advance by telephone with the ACTION Regional Director or designee.

Subpart E—Administrative Hold—Grievances, Removal, Resignation, Suspension and Termination

§ 1213.5–1 Administrative hold.
(a) Volunteers will be placed in Administrative Hold Status under the following circumstances:
(1) No placement after training.
(2) Pending transfer to a new project.
(3) Leave taken for personal reasons in excess of the seven days for vacation leave, seven days for emergency leave, seven days for extension beyond three months, and fourteen days for reenrollment.
(4) Absence from project site without authority of the sponsoring organization.
(5) During termination action.
(6) Arrest and placement in jail without bail, depending on nature of charges.
(7) Removal from site at request of sponsoring organization, pending decision on transfer to new assignment.
(b) Exceptions to these guidelines must be authorized by the Regional Director. Volunteers may be placed in Administrative Hold status for up to 30 days. In exceptional circumstances, the Regional Director may extend this period of time as appropriate. The Regional Director may modify any and all allowances, including stipend, when a volunteer is placed in Administrative Hold status.

§ 1213.5–2 Volunteer grievances.
(a) At times, a volunteer will consider that he has been adversely affected in some matter arising out of his work situation or the terms and conditions of his service. The Volunteer Grievance Procedure, part 1211, furnished to each volunteer, applies to certain of these matters. This procedure is applicable to situations in which the volunteer believes there has been a deviation from, misinterpretation or misapplication of laws, regulations, policies or procedures governing his service.
(b) The Grievance Procedure establishes a formal and informal mechanism to resolve such problems. The informal mechanism aims to resolve disputes at the level of the sponsor and the state program officer. The formal part of the Grievance Procedure provides a hearing in certain cases and includes appeals to ACTION’s national office in Washington.
(c) The procedure that the sponsor employs at the informal stage of the ACTION Grievance Procedure will also be used for any disputes between the sponsor and a volunteer not involving a law or regulation or an ACTION policy and procedure.

§ 1213.5–3 Resignation.
A volunteer may resign at any time, by notifying the sponsoring organization and the Regional Office. When practicable, thirty days advance notice should be given to insure that the departure will be only minimally disruptive to the project. In case of resignation, all outstanding advances, including unearned vacation allowances, are deducted from the volunteer’s stipend. The volunteer receives his final stipend check three to five weeks after regional submission of the termination papers to ACTION/Washington.

§ 1213.5–4 Sponsor request for removal of volunteer.
The sponsoring organization may request ACTION to remove a volunteer whose performance in its view is unsatisfactory at any time. Before resorting to a formal request for removal the sponsor should contact the appropriate ACTION state official to seek help in trying to resolve any problem with a volunteer. The sponsor may then prepare a written request for removal and submit it to the Regional Office. ACTION may, depending on the circumstances, follow one of three courses of action: (a) Suspend the volunteer, (b)
terminate him, or (c) transfer him to another project.

§ 1213.5–5 Suspension and termination.

(a) Causes. ACTION may suspend or terminate a volunteer for any of the following reasons:

(1) Conviction of any criminal offense under Federal, state, or local statute or ordinance;

(2) Violation of any provision of the Domestic Volunteer Service Act of 1973, or any ACTION policy, regulation or instruction;

(3) Failure, refusal or inability to perform prescribed project duties as outlined in the project proposal and directed by the sponsoring organization to which the volunteer is assigned;

(4) Involvement in activities which substantially interfere with the volunteer’s performance of his/her duties on the project;

(5) Intentional false statement, omission, fraud, or deception in obtaining selection as a volunteer;

(6) Any conduct on the part of the volunteer which substantially diminishes his/her effectiveness as a volunteer;

(7) Inability to perform the project duties because of serious illness, medical disability, or pregnancy, as determined by the attending physician, in accordance with ACTION policy;

(8) Lack of a viable job for which the volunteer is qualified if the initial job assignment ends or is terminated prior to completion of a period of service;

(9) Unsatisfactory job performance. Procedures for the suspension and termination of volunteers are contained in part 1210.

(b) Suspension. Volunteers may be suspended for up to 30 days to enable ACTION to determine whether termination proceedings should be started against the volunteer. Suspension is not warranted if sufficient evidence exists to start termination proceedings.

(c) Termination of or refusal to renew ACTION/sponsoring organization agreement. If the Memorandum of Agreement between ACTION and a sponsoring organization is terminated or not renewed, a volunteer who is removed from the project and whose removal was not caused by conduct which would otherwise be grounds for termination is entitled to the following administrative considerations:

(1) Reassignment to another project where possible.

(2) If reassignment is not possible at the time of project close-out, and if the volunteer wishes to resume service (provided that his/her job performance has been satisfactory), he/she may, at the discretion of the Regional Director, receive special consideration for reinstatement as soon as an appropriate slot is open.

If a volunteer wishes, he/she may terminate without prejudice in the event that a Memorandum of Agreement between ACTION and the sponsor is terminated.

(d) Deselection of a provisional volunteer. The Regional Director may deselected a provisional volunteer on the grounds listed in paragraph (a) of this section or for a failure to meet training or selection standards during pre-service orientation. Procedures for such deselection are contained in part 1210.

Subpart F—Special Conditions Affecting Volunteer Service

§ 1213.6–1 Sponsor’s employment of volunteer.

ACV volunteers make a commitment to one full year of ACTION service. Similarly, ACTION asks that the sponsor on his part must honor the spirit of that commitment and refrain from offering fully paid employment to volunteers during their first year of service. Volunteers may not perform services or duties or engage in activities for which the sponsor receives or requests any compensation. Volunteers may not receive any other compensation, directly or indirectly, from a sponsor while serving as a volunteer.

§ 1213.6–2 Nondisplacement of employees and impairment of contracts of service.

An ACV volunteer’s assignment is limited to activities that would not otherwise be performed by employed workers and which will not supplant the hiring of or result in the displacement of employed workers, or impair
§ 1213.6-3 Nonappropriate assignments.

(a) An assignment is not appropriate for a volunteer if:

(1) The service, duty, or activity is principally administrative or clerical, or

(2) The volunteer is not directly in contact with groups or individuals who are to be served by the project or is not performing services, duties, or engaged in activities which are authorized under section 122(a) of the Act.

§ 1213.6-4 Political activities and limitation of unlawful activities.

(a) ACV volunteers are covered by the Hatch Act to the same extent as Federal employees. This Act prohibits volunteers from engaging in partisan political activities of any sort at any and all times during their terms of service, including periods of official leave.

(b) Section 403 of Pub. L. 93-113 requires that a sponsor’s project be operated in such a manner as to avoid involvement of ACV volunteers in any partisan or nonpartisan political activity in an election for public or party office, voter transportation during elections, and voter registration drives.

(c) While engaged in carrying out their duties volunteers may, as a part of the project, participate in lawful and nonpolitical demonstrations and protest activities which are approved by the sponsor as a part of its project activity and which are not in violation of any ACTION policies.

§ 1213.6-5 Nondiscrimination.

Part 1203 provides regulations concerning nondiscrimination in ACTION programs and activities.

(a) No person with responsibilities in the operation of an ACV project shall discriminate with respect to such program because of race, creed, belief, color, national origin, sex, age, or political affiliation.

§ 1213.6-6 Religious activities.

Volunteers will not give religious instruction, conduct worship services, or engage in any other religious activity as part of their duties. Volunteers who serve in an institution that gives religious instruction or engages in other religious activities will not be used as replacements for regular personnel of the institution. For example, volunteers assigned to serve in a program conducted under the auspices of a church-related school may not be used as substitutes for regular teachers in the school. They may, however, work in new programs which are carried on in addition to the school’s regular programs and which are conducted in conformance with the above restrictions.

§ 1213.6-7 Evaluation.

(a) On a quarterly basis and two months prior to the termination of a volunteer’s year of service, and at any other time which circumstances may dictate, ACTION may inspect that portion of a project with which the volunteer is involved. The purpose of the inspection will be to independently observe and judge the extent to which the volunteer’s work has contributed to the objectives of the program described in the project proposal.

(b) The sponsor is expected to cooperate fully with ACTION representatives, and ACTION will in turn review results of the evaluation with the sponsor.

§ 1213.6-8 Limitation on labor and anti-labor activities.

Volunteers may not engage in any activities, services, or duties which assist any labor or anti-labor organizing activity, or related activity.

§ 1213.6-9 Loans and debts.

(a) ACVs have the same legal and financial responsibilities as do all other persons. Volunteers are encouraged to pay all legal debts promptly to avoid creating a situation which would impair the volunteer’s ability to function. In cases of continued financial irresponsibility by a volunteer to the extent of embarrassment or adverse reflection upon the sponsor organization’s project or ACTION, administrative or disciplinary action may be taken by the Regional Office, up to and including termination, where appropriate.

§ 1214.101 Purpose.

(b) Volunteers are not authorized to obtain extension of credit by representing themselves as a Federal Government employee.

Subpart G—Miscellaneous

§ 1213.7—1 Student loan deferrals.

(a) The Higher Education Act of 1965, as amended, exempts full-time domestic volunteers from repayment of National Defense Education Act loans for a period of service not to exceed three years. Volunteers wishing to defer repayment of NDEA loans must obtain the necessary forms from their universities. Regional Offices are authorized to certify these forms, but if the university or volunteer should submit the form to Headquarters for certification, it will be sent to the appropriate Regional Office for completion.

(b) If the volunteer is still in service at the time of ACTION’s certification, his anticipated termination date will be furnished to the lender.

(c) Repayment of other college loans may also be deferred. These repayments, however, are deferred at the discretion of the lender. If the lender is willing to defer payment, volunteers must obtain the necessary forms from the lender and forward them to the Regional Office for certification. If forms are not available from the lender, a letter to the university or lender may be prepared certifying the dates of the volunteer’s service.

§ 1213.7—2 Death benefits.

In case of the death of a volunteer away from his home of record, certain costs associated with transportation of the body are reimbursable either under the Federal Employees Compensation Act or ACTION policy. Volunteers whose death results from personal injury or illness sustained in the performance of his project duties are eligible for reimbursement of certain funeral expenses. Monthly benefits for eligible dependents of deceased volunteers may be available under the Federal Employees Compensation Act. In certain other unusual circumstances, payment of certain funeral expenses for volunteers not meeting the above requirements may be authorized.

§ 1213.7—3 Firearms.

ACTION volunteers may not normally possess, use, or carry firearms. If a volunteer wishes to keep firearms for hunting, approval must be obtained from the sponsor, State Program Director and the ACTION Regional Director in the region where the volunteer is assigned. The volunteer must request approval for possession or use of firearms from his sponsor and his State Program Director. If he receives their approval, his request may then be considered by his ACTION Regional Director. If approval is granted by the ACTION Regional Director, the volunteer must adhere to all state and local regulations relating to the possession and use of firearms.

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would be to—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 1214.131—1214.139 [Reserved]

§ 1214.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1214.141—1214.148 [Reserved]

§ 1214.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1214.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1214.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—
Corporation for National and Community Service

§ 1214.151

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1214.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section within sixty days of the effective date of this part except that where structural changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the agency official responsible for implementation of the plan.

§ 1214.151 Program accessibility: New construction and alterations.

§ 1214.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid will be provided, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide a sign at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be displayed at each primary entrance to each accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1214.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1214.161—1214.169 [Reserved]

§ 1214.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Director, Equal Opportunity Staff.

PART 1216—NONDISPLACEMENT OF EMPLOYED WORKERS AND NONIMPAIRMENT OF CONTRACTS FOR SERVICE

Sec. 1216.1 Purpose.
1216.1-2 Applicability of this part.
1216.1-3 Policy.
1216.1-4 Exceptions.
§ 1216.1–1 Purpose.

This part establishes rules to assure that the services of volunteers are limited to activities which would not otherwise be performed by employed workers and which will not supplant the hiring of, or result in the displacement of, employed workers or impair existing contracts for service. It implements section 404(a) of the Domestic Volunteer Service Act of 1973, Pub. L. 93–113 (the “Act”).

§ 1216.1–2 Applicability of this part.

(a) All full-time and part-time volunteers assigned, referred or serving pursuant to grants, contracts, or agreements made pursuant to the Act.

(b) All agencies and organizations to which the volunteers in paragraph (a) of this section are assigned, referred or provide services.

§ 1216.1–3 Policy.

(a) Volunteers enrolled or participating in programs referred to in paragraphs (a) and (b) of §1216.1–2 may not perform any services or duties or engage in activities which would otherwise be performed by an employed worker as part of his assigned duties as an employee.

(b) Volunteer referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which will supplant the hiring of employed workers. This prohibition is violated if, prior to engaging a volunteer, an agency or organization referred to in §1216.1–2(c) had intended to hire a person to undertake all or a substantial part of the services, duties, or other activities to be provided by the volunteer.

(c) Volunteers referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which result in the displacement of employed workers. Such volunteers may not perform services or duties which have been performed by or were assigned to, any of the following:

(1) Presently employed workers,

(2) Employees who recently resigned or were discharged,

(3) Employees who are on strike or who are being locked out.

(d) Volunteers referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which impair existing contracts for service. This prohibition is violated if a contract for services is modified or cancelled because an agency or organization referred to in §1216.1–2(b) engages a volunteer to provide or perform all or a substantial part of any services, duties, or other activities set forth in such contract. The term “contract for services” includes but is not limited to contracts, understandings and arrangements, either written or oral, to provide professional, managerial, technical, or administrative services.

(e) Agencies and organizations referred to in §1216.1–2(b) are prohibited from assigning or permitting volunteers referred to in §1216.1–2(a) to perform any services or duties or engage in any activities prohibited by paragraphs (a) through (d) of this section.

§ 1216.1–4 Exceptions.

(a) The requirements of §1216.1–3 are not applicable to the following, or similar, situations:

(1) Funds are unavailable for the employment of sufficient staff to accomplish a program authorized or of a character eligible for assistance under the Act and the activity, service, or duty is otherwise appropriate for the assignment of a volunteer.

(2) Volunteer services are required in order to avoid or relieve suffering threatened by or resulting from major natural disasters or civil disturbances.

(3) Reasonable efforts to obtain employed workers have been unsuccessful due to the unavailability of persons within the community who are able, willing, and qualified to perform the needed activities.

(4) The assignment of volunteers will significantly expand services to a target community over those which could be performed by existing paid staff, and...
the activity, service or duty is otherwise appropriate for the assignment of a volunteer and no actual displacement of paid staff will occur as a result of the assignment.

(b) For the purposes of paragraphs (a)(1) and (4) of this section, the assignment is not appropriate for the assignment of a volunteer if:

(1) The service, duty, or activity is principally a routine administrative or clerical task. This definition applies only to any service, duty, or activity performed by a volunteer receiving financial support apart from reimbursement for expenses.

(2) The volunteer is not directly in contact with groups or individuals whom the Act is designed to serve or is not performing services, duties, or engaged in activities authorized or of a character eligible for assistance under the Act.

(b) Demonstrated ability to work constructively and communicate with volunteers, supervisor/sponsor, and the target population.

§ 1218.4 Freedom to present views.

SOURCE: 39 FR 43725, Dec. 18, 1974, unless otherwise noted.

§ 1218.1 Introduction.

Section 104(d) of the Domestic Volunteer Service Act of 1973, Pub. L. 93–113, 87 Stat. 398 requires that the Director of ACTION establish a procedure, including notice and an opportunity to be heard, for VISTA volunteers to present views in connection with the terms and conditions of their service.

§ 1218.2 Applicability.

§ 1218.3 Policy.

It is ACTION’s policy to encourage the free exchange of views between volunteers and staff members with respect to the terms and conditions of the volunteers’ service. Ordinarily these exchanges occur in the day-to-day contact between volunteers and staff. However, there are occasions when it is desirable to provide volunteers with an opportunity to present their views with respect to the terms and conditions of their service in a more formal way. The differences between ACTION regions require that the means selected in each region to accomplish this result be appropriate to its particular needs. This regulation provides standards within which regions must establish a procedure to enable volunteers to present their views to be heard with respect to the terms and conditions of their service on a regular basis by appropriate ACTION officials and receive a timely response to their concerns.

§ 1218.4 Standards for regional plan.

Each ACTION Domestic Regional Director shall recommend, after consultation with representative volunteers, sponsors, and other interested persons, the specific procedures to be established for VISTA volunteers to present their views concerning the terms and conditions of their service.
§ 1218.5 Procedures for approval of plan.

Each Regional Director shall submit the plan for his region to the Deputy Associate Director, VISTA and ACTION Education Programs for approval. Approval by the Deputy Associate Director for VISTA and ACTION Education Programs of the proposed regional plan shall be based upon:

(a) The adequacy of the procedures to provide for systematic and open communication of volunteers’ views regarding terms and conditions of their service; and

(b) The adequacy of the procedures to provide for effective and efficient resolution of volunteers’ problems or concerns regarding terms and conditions of their service.

§ 1218.6 Freedom to present views.

The expression by a volunteer of his views with respect to the terms and conditions of his service shall not be construed as reflecting on a volunteer’s standing, performance or desirability as a volunteer. ACTION intends that its programs be conducted in an atmosphere in which volunteers can speak freely, and frankly discuss problems. Nor shall a volunteer who represents such views be subjected to restraint, interference, coercion, discrimination or reprisal because of presentation of his views.

1220.3–2 Part-time volunteers.
1220.3–3 Procedure.

SOURCE: 40 FR 28800, July 9, 1975, unless otherwise noted.

Subpart A—General

§ 1220.1–1 Introduction.

Section 419 of the Domestic Volunteer Service Act of 1973 (the Act), Pub. L. 93–113, 87 Stat. 413, authorizes the Director of ACTION to pay expenses incurred in judicial and administrative proceedings for the defense of full-time or part-time volunteers serving under the Act. These include counsel fees, court costs, bail or other expenses incidental to the volunteer’s defense. For part-time volunteers, section 419 provides that the proceeding must arise directly out of the performance of activities pursuant to the Act.

Subpart B—Criminal Proceedings

§ 1220.2–1 Full-time volunteers.
(a)(1) ACTION will pay all reasonable expenses for defense of full-time volunteers up to and including arraignment in Federal, state, and local criminal proceedings, except in cases where it is clear that the charged offense results from conduct which is not related to his service as a volunteer.
(b) Situations where conduct is clearly unrelated to a volunteer’s service are those that arise either:
(i) In a period prior to volunteer service,
(ii) Under circumstances where the volunteer is not at his assigned volunteer project location, such as during periods of administrative, vacation, or emergency leave, or
(iii) When he is at his volunteer station, but the activity or action giving rise to the charged offense is clearly not part of, or required by, such assignment.

(b) Reasonable expenses in criminal proceedings beyond arraignment may be paid in cases where:
(1) The charge against the volunteer relates to his assignment or status as a volunteer, and not his personal status or personal matters. A charge relating to a volunteer’s assignment arises out of any activity or action which is a part of, or required by, such assignment. A charge relating to a volunteer’s status is motivated exclusively by the fact that a defendant is a volunteer.
(2) The volunteer has not admitted a willful or knowing violation of law, and
(3) The charge(s) is not a minor misdemeanor, such as a minor vehicle violation for which a fine or bail forfeiture will not exceed $100.
(c) Notwithstanding the foregoing, there may be situations in which the criminal proceeding results from a situation which could give rise to a civil claim under the Federal Tort Claims Act.
Act. In such situations, the Justice Department may agree to defend the volunteer. In those cases, unless there is a conflict between the volunteer’s interest and that of the government, ACTION will not pay for additional private representation for the volunteer.

§ 1220.2–2 Part-time volunteers.

(a) With respect to a part-time volunteer, ACTION will reimburse a sponsor for the reasonable expenses it incurs for the defense of the volunteer in Federal, state and local criminal proceedings, including arraignment, only under the following circumstances:

(1) The proceeding arises directly out of the volunteer’s performance of activities pursuant to the Act;

(2) The volunteer receives, or is eligible to receive, allowances, stipend, or reimbursement for out-of-pocket expenses, under an ACTION grant project; and

(3) The conditions specified in paragraphs (b) (2) and (3) in § 1220.2–1 are met.

(b) In certain circumstances volunteers who are ineligible for reimbursement of legal expenses by ACTION may be eligible for representation under the Criminal Justice Act (18 U.S.C. 3006A).

§ 1220.2–3 Procedure.

(a) Immediately upon the arrest of any volunteer under circumstances in which the payment of bail to prevent incarceration or other serious consequences to the volunteer or the retention of an attorney prior to arraignment is necessary and is covered under § 1220.2–1 or § 1220.2–2, sponsors shall immediately notify the appropriate ACTION state office or if the state office cannot be reached, the appropriate regional office. The regional office shall provide each sponsor with a 24-hour telephone number.

(b) Immediately after notification of the appropriate office, and with the approval thereof, the sponsor shall advance up to $500 for the payment of bail or such other legal expenses as are necessary prior to arraignment to prevent the volunteer from being incarcerated. In the event it is subsequently determined that ACTION or a sponsor is not responsible under this policy for the volunteer’s defense, any such advance may be recovered directly from the volunteer or from allowances, stipends, or out-of-pocket expenses which are payable or become payable to the volunteer. In the case of a grassroots sponsor of full-time volunteers which is not able to provide the $500 the ACTION state or regional office shall immediately make such sum available to the sponsor.

(c) Immediately upon receipt of notification from the sponsor, the state or regional office shall notify the General Counsel, giving all facts and circumstances at that time known to such office. Thereafter the office shall cooperate with the General Counsel in making an investigation of all surrounding facts and circumstances and shall provide such information immediately to the General Counsel.

(d) The General Counsel shall, upon notification by the state or regional office, determine the extent to which ACTION will provide funds for the volunteer’s defense or reimburse a sponsor for funds it spends on the volunteer’s behalf. Included in this responsibility shall be the negotiation of fees and approval of other costs and expenses. State and regional offices are not authorized to commit ACTION to the payment of volunteers’ legal expenses or to reimburse a sponsor except as provided above, without the express consent of the General Counsel. Additionally, the General Counsel shall, in cases arising directly out of the performance of authorized project activities, ascertain whether the services of the United States Attorney can be made available to the volunteer.

(e) The sponsor and the state and regional office shall have a continuing responsibility for cooperation and coordination with the Office of General Counsel during the pendency of any such litigation, and of notifying the General Counsel of any facts and circumstances which come to the attention of such office or the sponsor which affects such litigation.
Corporation for National and Community Service

§ 1222.3

Subpart C—Civil and Administrative Proceedings

§ 1220.3-1 Full-time volunteers.

ACTION will pay reasonable expenses incurred in the defense of full-time volunteers in Federal, state, and local civil judicial and administrative proceedings where:

(a) The complaint or charge against the volunteer is directly related to his volunteer service and not to his personal activities or obligations.

(b) The volunteer has not admitted willfully or knowingly pursuing a course of conduct which would result in the plaintiff or complainant initiating such a proceeding, and

(c) If the judgment sought involves a monetary award, the amount sought exceeds $100.

§ 1220.3-2 Part-time volunteers.

ACTION will reimburse sponsors for the reasonable expenses incidental to the defense of part-time volunteers in Federal, state and local civil judicial and administrative proceedings where:

(a) The proceeding arises directly out of the volunteer’s performance of activities pursuant to the Act;

(b) The volunteer receives or is eligible to receive compensation, including allowances, stipend, or reimbursement for out-of-pocket expenses under an ACTION grant; and

(c) The conditions specified in paragraphs (b) and (c) in § 1220.3-1 are met.

§ 1220.3-3 Procedure.

Immediately upon the receipt by a volunteer of any court papers or administrative orders making him a part to any proceeding covered under § 1220.3-1 or § 1220.3-2, the volunteer shall immediately notify his sponsor who in turn shall notify the appropriate ACTION state office. The procedures referred to in § 1220.2-3, paragraphs (c) through (e), shall thereafter be followed as appropriate.

An aggrieved party must immediately inform the agency if counsel is retained. Attorney fees or other appropriate relief may be awarded in the following circumstances:

(a) Informal adjustment of a complaint. An informal adjustment of a complaint may include an award of attorney fees or other relief deemed appropriate by the EO Director. or that the allegation be considered as an issue in the complaint at hand.

Subpart B—Processing Individual Complaints of Discrimination

§ 1225.8 Precomplaint procedure.

(a) An aggrieved person who believes that he or she has been subject to illegal discrimination shall bring such allegations to the attention of the appropriate Counselor within 30 days of the alleged discrimination to attempt to resolve them. The process for notifying the appropriate Counselor is the following:

(2) Aggrieved trainees or Volunteers overseas shall direct their allegations to the designated Counselor for that post.

(3) Aggrieved applicants, trainees, and Volunteers applying for, or enrolled in ACTION domestic programs shall direct their allegations to the designated Counselor for that Region.

(b) Upon receipt of the allegation, the Counselor or designee shall make whatever inquiry is deemed necessary into the facts alleged by the aggrieved party and shall counsel the aggrieved party for the purpose of attempting an informal resolution agreeable to all parties. The Counselor will keep a written record of his or her activities which will be submitted to the EO Director if a formal complaint concerning the matter is filed.

(c) If after such inquiry and counseling an informal resolution to the allegation is not reached, the Counselor shall notify the aggrieved party in writing of the right to file a complaint of discrimination with the EO Director within 15 calendar days of the aggrieved party’s receipt of the notice.

(d) The Counselor shall not reveal the identity of the aggrieved party who has come to him or her for consultation, except when authorized to do so by the aggrieved party. However, the identity of the aggrieved party may be revealed once the agency has accepted a complaint of discrimination from the aggrieved party.

§ 1225.9 Complaint procedure.

(a) EO Director. (1) The EO Director must accept a complaint if the process set forth above has followed, and the complaint states a charge of illegal discrimination. The agency will extend the time limits set herein (a) when the complainant shows that he or she was not notified of the time limits and was not otherwise aware of them, or (b) the complainant shows that he or she was prevented by circumstances beyond his or her control from submitting the matter in a timely fashion, or (c) for other reasons considered sufficiently by the agency. At any time during the complaint procedure, the EO Director may cancel a complaint because of failure of the aggrieved party to prosecute the complaint. If the complaint is rejected for failure to meet one or more of the requirements set out in the procedure outlined in §1225.8 or is cancelled, the EO Director shall inform the aggrieved party in writing of this Final Agency Decision; that the Peace Corps or ACTION will take no further action; and of the right, to file a civil action as described in §1225.21 of this part.

(b) Reappointment to Volunteer service for aggrieved parties found to have been early-terminated as a result of prohibited discrimination. To the extent possible, a Volunteer will be placed in the same position previously held. However, reassignment to the specific country of prior service, or to the specific position previously held, is contingent on several programmatic considerations such as the continued availability of the position, or program in that country, and acceptance by the host country of such placement. If the same position is deemed to be no longer available, the aggrieved party will be offered a reassignment to a position in as similar circumstances to the position previously held, or to resign from service for reasons beyond his or her control. Such a reassignment may require both additional training and an additional two year commitment to volunteer service.

A statement of attorney’s fees shall be accompanied by an affidavit executed by the attorney of record itemizing the attorney’s charges for legal services. Both the verified statement and the accompanying affidavit shall be made a part of the complaint file. The amount of attorney’s fees or costs to be awarded the complainant shall be determined by agreement between the complainant, the complainant’s representative and the appropriate Director. Such agreement shall immediately be reduced to writing. If the complainant, the representative and the agency cannot reach an agreement on the amount of attorney’s fees or costs within 20 calendar days of receipt of the verified

If the explanation is not satisfactory, the EO Director may decide to reject the allegation. If the explanation is satisfactory, the EO Director may require further counseling of the agent.

(c) If an allegation lacks specificity and detail, or if it was not submitted in writing or not signed by the agent, the EO Director shall afford the agent 30 days from his or her receipt of notification of the complaint defects to resubmit an amended complaint. The EO Director may decide that the agency reject the complaint if the agent fails to provide such information within the specified time period. If the information provided contains new allegations outside the scope of the complaint, the EO Director must advise the agent how to proceed on an individual or class basis concerning these allegations.

(d) The EO Director may extend the time limits for filing a complaint and for consulting with a Counselor when the agent, or his or her representative, shows that he or she was not notified of the prescribed time limits and was not otherwise aware of them or that he or

§ 1225.15 Notification and opting out.

(a) Upon acceptance of a class complaint, the agency, within 30 calendar days, shall use reasonable means, such as delivery, mailing, distribution, or posting, to notify all class members of the existence of the class complaint.

(b) The Final Agency Decision on a class complaint shall be binding on all members of the class.

§ 1225.18 Notification of class members of decision.

Class members shall be notified by the agency of the final agency decision and corrective action, if any, using at the minimum, the same media employed to give notice of the existence of the class complaint. The notice, where appropriate, shall include information concerning the rights of class members to seek individual relief and of the procedures to be followed. Notice shall be given by the agency within ten (10) calendar days of the transmittal of its decision to the agent.

§ 1225.19 Corrective action.

(a) When discrimination is found, Peace Corps or ACTION must take appropriate action to eliminate or modify the policy or practice out of which such discrimination arose, and provide individual corrective action to the agent and other class members in accordance with §1225.10 of this part.

(b) When discrimination is found and a class member believes that but for that discrimination he or she would have been accepted as a Volunteer or received some other volunteer service benefit, the class member may file a written claim with the EO Director within thirty (30) calendar days of notification by the agency of its decision.
(c) The claim must include a specific, detailed statement showing that the claimant is a class member who was affected by an action or matter resulting from the discriminatory policy or practice which arose not more than 30 days preceding the filing of the class complaint.

(d) The agency shall attempt to resolve the claim within sixty (60) calendar days after the date the claim was postmarked, or, in the absence of a postmark, within sixty (60) calendar days after the date it was received by the EO Director.

§ 1225.20 Claim appeals.

(1) The agency head, or

(2) An official designated by the agency head.

(h) Indictment. Indictment for a criminal offense. An information or other filing by competent authority charging a criminal offense shall be given the same effect as an indictment.

(i) Ineligible. A person is ineligible where the determination of ineligibility affects such person’s eligibility to participate in more than one covered transaction.

(j) Legal proceedings. Any criminal proceeding or any civil judicial proceeding to which the Federal Government or a State of local government or quasi-governmental authority is a party. The term includes appeals from such proceedings.
§ 1229.110 Coverage.

(a) These regulations apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal nonprocurement programs. For purposes of these regulations such transactions will be referred to as “covered transactions.”
§ 1229.115 Covered transaction. For purposes of these regulations, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) Primary covered transaction. Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: Grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency’s regulations governing debarment and suspension.

(ii) Lower tier covered transaction. A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered transaction, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) Relationship to other sections. This section describes the types of transactions to which a debarment or suspension under the regulations will apply. Subpart B, “Effect of Action,” §1229.200, “Debarment or suspension,” sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in §1229.110(a). Sections 1229.325, “Scope of debarment,” and 1229.420, “Scope of suspension,” govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) Relationship to Federal procurement activities. Debarment and suspension of Federal procurement contractors and subcontractors under Federal procurement contracts are covered by the Federal Acquisition Regulation (FAR), 48 CFR subpart 9.4.

§ 1229.115 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment
§ 1229.200 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the executive branch of the Federal Government for the period of their debarment or suspension. Accordingly, no agency shall enter into primary covered transactions with such debarred or suspended persons during such period, except as permitted pursuant to §1229.215.

(b) Loser tier covered transactions. Except to the extent prohibited by law, persons who have been debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see §1229.110(a)(1)(ii)) for the period of their debarment or suspension.

(c) Exceptions. Debarment or suspension does not affect a person’s eligibility for:

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

§ 1229.205 Ineligible persons.

Persons who are ineligible, as defined in §1229.105(i), are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 1229.210 Voluntary exclusion.

Persons who accept voluntary exclusions under §1229.315 are excluded in accordance with the terms of their settlements. ACTION shall, and participants may, contact the original action agency to ascertain the extent of the exclusion.

§ 1229.215 Exception provision.

ACTION may grant an exception permitting a debarred, suspended, or voluntarily excluded person to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviating from the Presidential policy established by Executive Order 12549 and §1229.200 of this rule. However, in accordance with the President’s stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with §1229.505(a).
§ 1229.305 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§ 1229.300 through 1229.314 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State antitrust statutes, including those prescribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions; or

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of these regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR subpart 9.4;

(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction in existence at the time the person was debarred, suspended, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(3) A history of failure to perform or of unsatisfactory performance of a public agreement or transaction.

(4) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.
§ 1229.310 Procedures.

ACTION shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 1229.311 through 1229.314.

§ 1229.311 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 1229.312 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under §1229.305 for proposing debarment;

(d) Of the provisions of §1229.311 through §1229.314, and any other ACTION procedures, if applicable, governing debarment decisionmaking; and

(e) Of the potential effect of a debarment.

§ 1229.313 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, if the debarring official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the proposed debarment, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents.

(2) A transcribed record of any additional proceedings shall be made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 1229.314 Debarring official’s decision.

(a) No additional proceedings necessary. In actions based upon a conviction or civil judgment, or in which there is no genuine dispute over material facts, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with
§ 1229.320 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see 1229.305(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§1229.311 through 1229.314 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management;

(4) Elimination of other causes for which the debarment was imposed; or

(5) Other reasons the debarring official deems appropriate.

§ 1229.315 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, ACTION may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E).

§ 1229.325 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under these regulations constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§1229.311 through 1229.314).

(b) Imputing conduct. For purposes of determining the scope of debarment, conduct may be imputed as follows:

(1) Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual’s performance of duties for or on behalf of the participant, or with the participant’s knowledge, approval, or acquiescence. The participant’s acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with a participant who participated in, knew of, or had reason to know of the participant’s conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement.

Subpart D—Suspension

§ 1229.400 General.

(a) The suspending official may suspend a person for any of the causes in §1229.405 using procedures established in §§1229.410 through 1229.413.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in §1229.405, and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 1229.405 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§1229.400 through 1229.413 upon adequate evidence:

(1) To suspect the commission of an offense listed in §1229.305(a); or

(2) That a cause for debarment under §1229.305 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 1229.410 Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.
§ 1229.413 Suspending official's decision.

The suspending official may modify or terminate the suspension (for example, see §1229.320(c) for reasons for reducing the period or scope of debarment) or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any other agency or debarment by any agency. The decision shall be rendered in accordance with the following provisions:

(a) No additional proceedings necessary. In actions: Based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) Additional proceedings necessary. In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of
§ 1229.415 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remnedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.

§ 1229.505 ACTION responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which ACTION has granted exceptions under §1229.215 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in §1229.500(b) and of the exceptions granted under §1229.215 within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded (Tel. #).

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 1229.610 Coverage.

(a) This subpart applies to any grantee of the agency.

(b) This subpart applies to any grant, except where application of this subpart would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government. A determination of such inconsistency may be made only by the agency head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§ 1229.615 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

(a) The grantee has made a false certification under §1229.630;

(b) With respect to a grantee other than an individual—

1. The grantee has violated the certification by failing to carry out the requirements of paragraphs (A)(a)–(g)
§ 1229.620 Effect of violation.

(a) In the event of a violation of this subpart as provided in §1229.615, and in accordance with applicable law, the grantee shall be subject to one or more of the following actions:
(1) Suspension of payments under the grant;
(2) Suspension or termination of the grant; and
(3) Suspension or debarment of the grantee under the provisions of this part.

(b) Upon issuance of any final decision under this part requiring debarment of a grantee, the debarred grantee shall be ineligible for award of any grant from any Federal agency for a period specified in the decision, not to exceed five years (see §1229.320(a)(2) of this part).

§ 1229.625 Exception provision.

The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

(a)(1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in Appendix C to this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.

(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. Except as provided in paragraph (d) of this section, this certification shall cover all grants to all State agencies from any Federal agency. The State shall retain the original of this statewide certification in its Governor’s office and, prior to grant award, shall ensure that a copy is submitted individually with respect to each grant, unless the Federal agency has designated a central location for submission.

(d)(1) The Governor of a State may exclude certain State agencies from the statewide certification and authorize these agencies to submit their own certifications to Federal agencies. The statewide certification shall name any State agencies so excluded.

(2) A State agency to which the statewide certification does not apply, or a State agency in a State that does not have a statewide certification, may elect to make one certification in each Federal fiscal year. State agencies that previously submitted a State agency certification are not required to make a certification for Fiscal Year 1990 until June 30, 1990. APPENDIX A TO PART 1229—CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS—PRIMARY COVERED TRANSACTIONS

Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation will be considered in connection with the department or agency’s determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted...
or has become erroneous by reason of changed circumstances.

5. The terms “covered transaction,” “debarred,” “suspended,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions,” provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, declared ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (Tel. #).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   (b) Have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   (c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

   (d) Have not within a three-year period preceding this application/proposal has one or more public transactions (Federal, State or local) terminated for cause or default.

2. The prospective primary participant agrees by submitting this proposal that, upon entering into a lower tier covered transaction, the prospective lower tier participant shall attach an explanation to this proposal.

APPENDIX B TO PART 1229—Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to
the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms “covered transaction,” “debarred,” “suspected,” “ineligible,” “lower tier covered transaction,” “participant,” “person,” “primary covered transaction,” “principal,” “proposal,” and “voluntarily excluded,” as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, declared ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (Tel. #).

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department of agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions

(1) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department of agency.

(2) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

APPENDIX C TO PART 1229—CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

Instructions for Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
Corporation for National and Community Service  
Pt. 1229, App. C

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:
   - **Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);
   - **Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;
   - **Criminal drug statute** means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;
   - **Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee’s payroll; or employees of subrecipients or subcontractors in covered workplaces).
   - **Certification Regarding Drug-Free Workplace Requirements**

**Alternate I. (Grantees other than Individuals)**

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee’s workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   (b) Establishing an ongoing drug-free awareness program to inform employees about—
      (1) The dangers of drug abuse in the workplace;
      (2) The grantee’s policy of maintaining a drug-free workplace;
   (c) Developing and implementing an employee assistance program to inform employees about—
      (1) The dangers of drug abuse in the workplace;
      (2) The grantee’s policy of maintaining a drug-free workplace;
   (d) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   (e) Notifying the agency in writing, within ten calendar days after receiving notice under paragraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
   (f) Taking one of the following actions, within 30 calendar days of receiving notice under paragraph (d)(2), with respect to any employee who is so convicted—
      (1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
      (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
   (g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Place of Performance (Street address, city, county, state, zip code)

Check □ if there are workplaces on file that are not identified here.
Alternate II. (GRANTEES WHO ARE INDIVIDUALS)

(a) The grantee certifies that, as a condition of the grant, he or she will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity with the grant;

(b) If convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity, he or she will report the conviction, in writing, within 10 calendar days of the conviction, to every grant officer or other designee, unless the Federal agency designates a central point for the receipt of such notices. When notice is made to such a central point, it shall include the identification number(s) of each affected grant.

§ 1230.105 Definitions.

For purposes of this part:

(a) Agency, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

(b) Covered Federal action means any of the following Federal actions:
   (1) The awarding of any Federal contract;
   (2) The making of any Federal grant;
   (3) The making of any Federal loan;
   (4) The entering into of any cooperative agreement; and,
   (5) The extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) Federal contract means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) Federal cooperative agreement means a cooperative agreement entered into by an agency.

(e) Federal grant means an award of financial assistance in the form of money, or property in lieu of money, by the Federal Government or a direct appropriation made by law to any person. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, loan insurance, interest subsidies, insurance, or direct United States cash assistance to an individual.

(f) Federal loan means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) Indian tribe and tribal organization have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included under the definitions of Indian tribes in that Act.

(h) Influencing or attempting to influence means making, with the intent to influence, any communication to or appearance before an officer or employee or any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any covered Federal action.

(i) Loan guarantee and loan insurance means an agency’s guarantee or insurance of a loan made by a person.

(j) Local government means a unit of government in a State and, if chartered, established, or otherwise recognized by a State for the performance of a governmental duty, including a local public authority, a special district, an intrastate district, a council of governments, a sponsor group representative organization, and any other instrumentality of a local government.

(k) Officer or employee of an agency includes the following individuals who are employed by an agency:
   (1) An individual who is appointed to a position in the Government under title 5, U.S. Code, including a position under a temporary appointment;
   (2) A member of the uniformed services as defined in section 101(3), title 37, U.S. Code;
   (3) A special Government employee as defined in section 202, title 18, U.S. Code; and,
   (4) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, title 5, U.S. Code appendix 2.

(l) Person means an individual, corporation, company, association, authority, firm, partnership, society,
§ 1230.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding $100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding $150,000,

unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.
(d) Any person who requests or receives from a person referred to in paragraph (a) or (b) of this section:

1. A subcontract exceeding $100,000 at any tier under a Federal contract;
2. A subgrant, contract, or subcontract exceeding $100,000 at any tier under a Federal grant;
3. A contract or subcontract exceeding $100,000 at any tier under a Federal loan exceeding $150,000; or,
4. A contract or subcontract exceeding $100,000 at any tier under a Federal cooperative agreement,

shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraph (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 1230.200 Agency and legislative liaison.
(a) The prohibition on the use of appropriated funds, in §1230.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.
(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.
(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

1. Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,
2. Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

1. Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;
2. Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,
3. Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 96–507 and other subsequent amendments.
§ 1230.205 Professional and technical services.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 1230.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §1230.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Federal contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 1230.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 1230.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in §1230.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in §1230.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to
§ 1230.400

A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraph (a) or (b) of this section shall be subject to a civil penalty of $10,000, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between $10,000 and $100,000, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same...

§ 1230.405 Penalty procedures.

Agencies shall impose and collect civil penalties pursuant to the provisions of the Program Fraud and Civil Remedies Act, 31 U.S.C. sections 3803 (except subsection (c)), 3804, 3805, 3806, 3807, 3808, and 3812, insofar as these provisions are not inconsistent with the requirements herein.

§ 1230.410 Enforcement.

The head of each agency shall take such actions as are necessary to ensure that the provisions herein are vigorously implemented and enforced in that agency.

Subpart E—Exemptions

§ 1230.500 Secretary of Defense.

(a) The Secretary of Defense may exempt, on a case-by-case basis, a covered Federal action from the prohibition whenever the Secretary determines, in writing, that such an exemption is in the national interest. The Secretary shall transmit a copy of each such written exemption to Congress immediately after making such a determination.

(b) The Department of Defense may issue supplemental regulations to implement paragraph (a) of this section.

Subpart F—Agency Reports

§ 1230.600 Semi-annual compilation.

(a) The head of each agency shall collect and compile the disclosure reports (see Appendix B) and, on May 31 and November 30 of each year, submit to the Secretary of the Senate and the Clerk of the House of Representatives a report containing a compilation of the information contained in the disclosure reports received during the six-month period ending on March 31 or September 30, respectively, of that year.

(b) The report, including the compilation, shall be available for public inspection 30 days after receipt of the report by the Secretary and the Clerk.

(c) Information that involves intelligence matters shall be reported only to the Select Committee on Intelligence of the Senate, the Permanent Select Committee on Intelligence of the House of Representatives, and the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(d) Information that is classified under Executive Order 12356 or any successor order shall be reported only to the Committee on Foreign Relations of the Senate and the Committee on Foreign Affairs of the House of Representatives or the Committees on Armed Services of the Senate and the House of Representatives (whichever such committees have jurisdiction of matters involving such information) and to the Committees on Appropriations of the Senate and the House of Representatives in accordance with procedures agreed to by such committees. Such information shall not be available for public inspection.

(e) The first semi-annual compilation shall be submitted on May 31, 1990, and shall contain a compilation of the disclosure reports received from December 23, 1989 to March 31, 1990.

(f) Major agencies, designated by the Office of Management and Budget (OMB), are required to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives no later than with the compilations due on May 31, 1991. OMB shall provide detailed specifications in a memorandum to these agencies.

(g) Non-major agencies are requested to provide machine-readable compilations to the Secretary of the Senate and the Clerk of the House of Representatives.

(h) Agencies shall keep the originals of all disclosure reports in the official files of the agency.

§ 1230.605 Inspector General report.

(a) The Inspector General, or other official as specified in paragraph (b) of this section, of each agency shall prepare and submit to Congress each year, commencing with submission of the President’s Budget in 1991, an evaluation of the compliance of that agency
Corporation for National and Community Service
Pt. 1230, App. A

with, and the effectiveness of, the requirements herein. The evaluation may include any recommended changes that may be necessary to strengthen or improve the requirements.

(b) In the case of an agency that does not have an Inspector General, the agency official comparable to an Inspector General shall prepare and submit the annual report, or, if there is no such comparable official, the head of the agency shall prepare and submit the annual report.

(c) The annual report shall be submitted at the same time the agency submits its annual budget justifications to Congress.

(d) The annual report shall include the following: All alleged violations relating to the agency’s covered Federal actions during the year covered by the report, the actions taken by the head of the agency in the year covered by the report with respect to those alleged violations and alleged violations in previous years, and the amounts of civil penalties imposed by the agency in the year covered by the report.

This part does not apply to recipients outside the United States which receive financial assistance under the Peace Corps Act, 22 U.S.C. 2501, Pub. L. 87–293, as amended.
§ 1232.3

(4) A Federal agreement, arrangement or other contract which has as one of its purposes the provision of assistance, including the provision of volunteers under the Domestic Volunteer Service Act of 1973, 42 U.S.C. 4951, Pub. L. 93–113, as amended.

(g) Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, or other real or personal property or interest in such property.

(h) Handicapped person.

(1) Handicapped person means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment, except that as it relates to employment or volunteer service the term “handicapped person” does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents such individual from performing the duties of the job in question or whose employment or volunteer service, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.

(2) As used in paragraph (h)(1) of this section, the phrase:

(i) Physical or mental impairment means (A) any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or (B) any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. (iv) Is regarded as having an impairment means (A) has a physical or mental impairment that does not substantiably limit major life activities but is treated by a recipient as constituting such a limitation; (B) has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or (C) has none of the impairments defined in paragraph (h)(2)(i) of this section but is treated by a recipient as having such an impairment.

(i) Qualified handicapped person means (1) with respect to employment or volunteer service, a handicapped person who, with reasonable accommodation, can perform the essential functions of the job or assignment in question; and (2) with respect to services, a handicapped person who meets the essential eligibility requirements for the receipt of such services.

(b)(1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipient’s program;

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) A recipient may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of administration:

(i) That have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap,

(ii) That have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient’s program with respect to handicapped persons, or

(iii) That perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same state.

(4) A recipient may not, in determining the site or location of a facility, make selections:

(i) That have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives or benefits from federal financial assistance or

(ii) That have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by federal statute or executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by federal statute or executive order to a different class of handicapped persons is not prohibited by this part.

(d) Recipients shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

(e) Recipients shall take appropriate steps to ensure that communications with their applicants, employees, volunteers and beneficiaries are available to persons with impaired vision and hearing.

(f) Recipients shall take appropriate steps to insure that no handicapped individual is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination in any
program receiving or benefiting from Federal financial assistance from ACTION because of the absence of auxiliary aids for individuals with impaired sensory, manual, or speaking skills.

§ 1232.5 Assurances required.
(a) An applicant for Federal financial assistance for a program or activity to which this part applies shall submit an assurance, on a form specified by the Director, that the program will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to ACTION. The assurance will obligate the recipient for the period during which Federal financial assistance is extended.
(b) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.
(c) A recipient operating a volunteer program under which volunteers are assigned to a number of work stations shall obtain an assurance from each work station that neither volunteers nor the beneficiaries they serve will be discriminated against on the basis of handicap.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Director, where appropriate, may require either or both recipients to take remedial action.
(3) The Director may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action:
(i) With respect to handicapped persons who are no longer participants in the recipient’s program but who were participants in the program when such discrimination occurred or
(ii) With respect to handicapped persons who would have been participants in the program had the discrimination not occurred, or
(iii) With respect to handicapped persons presently in the program, but not receiving full benefits or equal and integrated treatment within the program.
(b) Voluntary action. Recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient’s program or activity by qualified handicapped persons.
(c) Self-evaluation. (1) Each recipient shall, within one year of the effective date of this part, conduct a self-evaluation of its compliance with Section 504, with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. Each recipient shall with the assistance of and consultation with interested persons, including handicapped persons, evaluate its current policies, practices and effects thereof; modify any that do not meet the requirements of this part; and take appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.
(2) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Director upon request:
(i) A list of the interested persons consulted.
(ii) A description of areas examined and any problems identified, and
Corporation for National and Community Service

§ 1232.10

(iii) A description of any modifications made and of any remedial steps taken.

§ 1232.8 Effect of state or local law.

The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

Subpart B—Employment and Volunteer Service Practices

§ 1232.9 General prohibitions against employment and volunteer service discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment or volunteer service under any program or activity that receives or benefits from federal financial assistance.

(b) A recipient shall make all decisions concerning employment or volunteer service under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees or volunteers in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment and volunteer service applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment or volunteer service;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment or volunteer service, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment or volunteer service.

(d) A recipient may not participate in a contractural or other relationship that has the effect of subjecting qualified handicapped applicants, volunteers or employees, to discrimination prohibited by this subpart. The relationships referred to in this paragraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeship programs.

(e) A recipient’s obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

(f) Recipients operating a volunteer program under which volunteers are assigned to work in a number of work stations will assure that a representative sample of work stations are accessible to handicapped persons.

§ 1232.10 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant, employee or volunteer unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program.

(b) Reasonable accommodation may include: (1) Making facilities used by employees or volunteers readily accessible to and usable by handicapped persons, and

(2) Job restructuring, part-time or modified work schedules, acquisition
or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient’s program, factors to be considered include:

(1) The overall size of the recipient’s program with respect to number of employees or volunteers, number and type of facilities, and size of budget;

(2) The type of the recipient’s operation, including the composition and structure of the recipient’s workforce or volunteer force, and

(3) The nature and cost of the accommodation needed.

§1232.11 Employment and volunteer selection criteria.

A recipient may not use employment tests or criteria that discriminate against handicapped persons and shall ensure that employment tests are adapted for use by persons who have handicaps that impair sensory, manual, or speaking skills.

§1232.12 Preemployment or pre-selection inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature of severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant’s ability to perform job-related functions. For the purpose of this paragraph, “pre-employment” as applied to applicants for volunteer positions means prior to selection as a volunteer.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §1232.8(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §1232.8(b) or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment or volunteer service to indicate whether and to what extent they are handicapped: Provided, That:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment or volunteer service on the results of a medical examination conducted prior to the volunteer or employee’s entrance on duty. Provided, That:

(1) All entering volunteers or employees are subjected to such an examination regardless of handicap, and

(2) The results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(3) Government officers investigating compliance with the Act shall be provided relevant information upon request.

Pt. 1233

Subpart C—Program Accessibility

§ 1232.13 General requirement concerning program accessibility.

No qualified handicapped person shall, because a recipient’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity that receives or benefits from federal financial assistance.

§ 1232.14 Existing facilities.

(a) A recipient shall operate each program or activity to which this part applies so that the program or activity, when viewed in its entirety, is readily accessible and usable by handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

(b) A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. Where structural changes are necessary to make programs or activities in existing facilities accessible, such changes shall be made as soon as practicable, but in no event later than three years after the effective date of the regulation.

(c) In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan which sets forth in detail the steps necessary to complete the changes, and a schedule for taking those steps. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the plan shall be made available for public inspection.

§ 1232.15 New construction.

(a) Design, construction, and alteration. New facilities shall be designed and constructed to be readily accessible to and usable by handicapped persons. Construction shall be considered new if ground breaking takes place after the effective date of the regulation. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to be readily accessible to and usable by handicapped persons.

(b) Conformance with Uniform Federal Accessibility Standards. (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

Subpart D—Procedures

§ 1233.9 How does the Director receive and respond to comments?

(a) The Director follows the procedures in §1233.10 if:
   (1) A state office or official is designated to act as a single point of contact between a state process and all federal agencies, and
   (2) That office or official transmits a state process recommendation for a program selected under §1233.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(b)(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional, and local officials and entities may submit comments either to the applicant or to the Agency, or both.

(d) If a program is not selected for a state process, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Agency, or both. In addition, if a state process recommendation for a nonselected program is transmitted to the Agency by the single point of contact, the Director follows the procedures of §1233.10 of this part.

(e) The Director considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Director is not required to apply the procedures of §1233.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Agency by a commenting party.
§ 1233.10 How does the Director make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Agency through its single point of contact, the Director either:
   (1) Accepts the recommendation;
   (2) Reaches a mutually agreeable solution with the state process; or
   (3) Provides the single point of contact with a written explanation of the Agency’s decision, in such form as the Director in his or her discretion deems appropriate. The Director may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Director informs the single point of contact that:
   (1) The Agency will not implement its decision for at least ten days after the single point of contact receives the explanation; or
   (2) The Director has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purpose of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

§§ 1233.11—1233.12 [Reserved]

Subpart A—General

§ 1234.1 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 1234.2 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 1234.3 Definitions.

As used in this part:

Accrued expenditures mean the charges incurred by the grantee during a given period requiring the provision of funds for: (1) Goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, subcontractors, and other payees; and (3) other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income means the sum of: (1) Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers, and (2) amounts becoming owed to the grantee for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee’s regular accounting practices.

Acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee’s regular accounting practices.

Administrative requirements mean those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from "programmatic" requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency means (1) with respect to a grant, the Federal agency, and (2) with respect to a subgrant, the party that awarded the subgrant.

Cash contributions means the grantee’s cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract means (except as used in the definitions for “grant” and “subgrant” in this section and except where qualified by “Federal”) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing or matching means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment defined above.

Expenditure report means: (1) For non-construction grants, the SF–269 “Financial Status Report” (or other equivalent report); (2) for construction grants, the SF–271 “Outlay Report and Request for Reimbursement” (or other equivalent report).

Federally recognized Indian tribal government means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement
§ 1234.3  

Act, 85 Stat 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government means a State or local government or a federally recognized Indian tribal government.

Grant means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB means the United States Office of Management and Budget.

Outlays (expenditures) mean charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subconsultants, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee's cost incurred.

Prior approval means documentation evidencing consent prior to incurring specific cost.

Real property means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share, when referring to the awarding agency's portion of real property, equipment or supplies, means the same percentage as the awarding agency's portion of the acquiring party's total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under United States Housing Act of 1937.

Subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible subgrantee. The term includes financial
Corporation for National and Community Service

§ 1234.4

assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of “grant” in this part.

Subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies means all tangible personal property other than “equipment” as defined in this part.

Suspension means depending on the context, either (1) temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant, or (2) an action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. “Termination” does not include: (1) Withdrawal of funds awarded on the basis of the grantee’s underestimate of the unobligated balance in a prior period; (2) Withdrawal of the unobligated balance as of the expiration of a grant; (3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or (4) voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions mean property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis mean the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§ 1234.4 Applicability.

(a) General. Subparts A through D of this part apply to all grants and subgrants to governments, except where inconsistent with Federal statutes or with regulations authorized in accordance with the exception provision of § 1234.6, or:

Subpart B—Pre-Award Requirements

§ 1234.10 Forms for applying for grants.

(a) Scope. (1) This section prescribes forms and instructions to be used by governmental organizations (except hospitals and institutions of higher education operated by a government) in applying for grants. This section is not applicable, however, to formula grant programs which do not require applicants to apply for funds on a project basis.

(2) This section applies only to applications to Federal agencies for grants, and is not required to be applied by grantees in dealing with applicants for subgrants. However, grantees are encouraged to avoid more detailed or burdensome application requirements for subgrants.
§ 1234.12 Authority and restrictions for governmental organizations.

(b) Authorized forms and instructions for governmental organizations. (1) In applying for grants, applicants shall only use standard application forms or those prescribed by the granting agency with the approval of OMB under the Paperwork Reduction Act of 1980.

(2) Applicants are not required to submit more than the original and two copies of preapplications or applications.

(3) Applicants must follow all applicable instructions that bear OMB clearance numbers. Federal agencies may specify and describe the programs, functions, or activities that will be used to plan, budget, and evaluate the work under a grant. Other supplementary instructions may be issued only with the approval of OMB to the extent required under the Paperwork Reduction Act of 1980. For any standard form, except the SF–424 facesheet, Federal agencies may shade out or instruct the applicant to disregard any line item that is not needed.

(4) When a grantee applies for additional funding (such as a continuation or supplemental award) or amends a previously submitted application, only the affected pages need be submitted. Previously submitted pages with information that is still current need not be resubmitted.

§ 1234.11 State plans.

(a) Scope. The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372, “Intergovernmental Review of Federal Programs,” States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) Requirements. A State need meet only Federal administrative or programmatic requirements for a plan that are in statutes or codified regulations.

(c) Assurances. In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions,

(2) Repeat the assurance language in the statutes or regulations, or

(3) Develop its own language to the extent permitted by law.

(d) Amendments. A State will amend a plan whenever necessary to reflect: (1) New or revised Federal statutes or regulations or (2) a material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 1234.12 Special grant or subgrant conditions for “high-risk” grantees.

(a) A grantee or subgrantee may be considered “high risk” if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance, or

(2) Is not financially stable, or

(3) Has a management system which does not meet the management standards set forth in this part, or

(4) Has not conformed to terms and conditions of previous awards, or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.
§ 1234.20 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant, and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been used in violation of the restrictions and prohibitions of applicable statutes.

(b) The financial management systems of other grantees and subgrantees must meet the following standards:

(1) Financial reporting. Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant or subgrant.

(2) Accounting records. Grantees and subgrantees must maintain records which adequately identify the source and application of funds provided for financially-assisted activities. These records must contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

(3) Internal control. Effective control and accountability must be maintained for all grant and subgrant cash, real and personal property, and other assets. Grantees and subgrantees must adequately safeguard all such property and must assure that it is used solely for authorized purposes.

(4) Budget control. Actual expenditures or outlays must be compared with budgeted amounts for each grant or subgrant. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the grant or subgrant agreement. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

(5) Allowable cost. Applicable OMB cost principles, agency program regulations, and the terms of grant and subgrant agreements will be followed in determining the reasonableness, allowability, and allocability of costs.

(6) Source documentation. Accounting records must be supported by such source documentation as cancelled checks, paid bills, payrolls, time and attendance records, contract and subgrant award documents, etc.

(7) Cash management. Procedures for minimizing the time elapsing between the transfer of funds from the U.S. Treasury and disbursement by grantees and subgrantees must be followed whenever advance payment procedures are used. Grantees must establish reasonable procedures to ensure the receipt of reports on subgrantees’ cash balances and cash disbursements in sufficient time to enable them to prepare complete and accurate cash transactions reports to the awarding agency. When advances are made by letter-of-credit or electronic transfer of funds methods, the grantee must make drawdowns as close as possible to the time of making disbursements. Grantees must monitor cash drawdowns by their subgrantees to assure that they conform substantially to the same standards of timing and amount as apply to advances to the grantees.
Corporation for National and Community Service

§ 1234.21 Payment.

(a) Scope. This section prescribes the basic standards and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) Basic standard. Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR Part 205.

(c) Advances. Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) Reimbursement. Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if it does, the awarding agency’s payments to the grantee or subgrantee will be based on the grantee’s or subgrantee’s actual rate of disbursement.

(e) Working capital advances. If a grantee cannot meet the criteria for advance payments described in paragraph (c) of this section, and the Federal agency has determined that reimbursement is not feasible because the grantee lacks sufficient working capital, the awarding agency may provide cash or a working capital advance basis. Under this procedure the awarding agency shall advance cash to the grantee to cover its estimated disbursement needs for an initial period generally geared to the grantee’s disbursing cycle. Thereafter, the awarding agency shall reimburse the grantee for its actual cash disbursements. The working capital advance method of payment shall not be used by grantees or subgrantees if the reason for using such method is the unwillingness or inability of the grantee to provide timely advances to the subgrantee to meet the subgrantee’s actual cash disbursements.

(f) Effect of program income, refunds, and audit recoveries on payment. (1) Grantees and subgrantees shall disburse repayments to and interest earned on a revolving fund before requesting additional cash payments for the same activity.

(2) Except as provided in paragraph (f)(1) of this section, grantees and subgrantees shall disburse program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(g) Withholding payments. (1) Unless otherwise required by Federal statute, awarding agencies shall not withhold payments for proper charges incurred by grantees or subgrantees unless—

(i) The grantee or subgrantee has failed to comply with grant award conditions or

(ii) The grantee or subgrantee is indebted to the United States.

(2) Cash withheld for failure to comply with grant award condition, but without suspension of the grant, shall be released to the grantee upon subsequent compliance. When a grant is suspended, payment adjustments will be made in accordance with §1234.43(c).

(3) A Federal agency shall not make payment to grantees for amounts that are withheld by grantees or subgrantees from payment to contractors to assure satisfactory completion of work. Payments shall be made by the Federal agency when the grantees or subgrantees actually disburse the withheld funds to the contractors or to escrow accounts established to assure satisfactory completion of work.

(h) Cash depositories. (1) Consistent with the national goal of expanding the opportunities for minority business enterprises, grantees and subgrantees are encouraged to use minority banks (a bank which is owned at least 50 percent
by minority group members). A list of minority owned banks can be obtained from the Minority Business Development Agency, Department of Commerce, Washington, DC 20230.

(2) A grantee or subgrantee shall maintain a separate bank account only when required by Federal-State agreement.

(i) Interest earned on advances. Except for interest earned on advances of funds exempt under the Intergovernmental Cooperation Act (31 U.S.C. 6501 et seq.) and the Indian Self-Determination Act (23 U.S.C. 450), grantees and subgrantees shall promptly, but at least quarterly, remit interest earned on advances to the Federal agency. The grantee or subgrantee may keep interest amounts up to $100 per year for administrative expenses.

§ 1234.22 Allowable costs.

(a) Limitation on use of funds. Grant funds may be used only for:

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) Applicable cost principles. For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles applicable to the organization incurring the costs. The following chart lists the kinds of organizations and the applicable cost principles.

§ 1234.23 Period of availability of funds.

(a) General. Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) Liquidation of obligations. A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF-269). The Federal agency may extend this deadline at the request of the grantee.

§ 1234.24 Matching or cost sharing.

(a) Basic rule: Costs and contributions acceptable. With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by other cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) Qualifications and exceptions—(1) Costs borne by other Federal grant agreements. Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.
(2) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) Cost or contributions counted towards other Federal costs-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) Costs financed by program income. Costs financed by program income, as defined in §1234.25, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §1234.25(g).)

(5) Services or property financed by income earned by contractors. Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count towards satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) Records. Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantees or cost-type contractors. These records must show how the value placed on third party in-kind contributions was derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) Special standards for third party in-kind contributions. (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only if, the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee) or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) Valuation of donated services—(1) Volunteer services. Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee’s or subgrantee’s organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) Employees of other organizations. When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee’s normal line of work, the services will be valued at the employee’s regular rate of pay exclusive of the employee’s fringe benefits and overhead costs. If the services
§ 1234.25 Program income.

(a) General. Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) Definition of program income. Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of
the grant agreement during the grant period. "During the grant period" is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) Cost of generating program income. If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) Governmental revenues. Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) Royalties. Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(f) Property. Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§1234.31 and 1234.32.

(g) Use of program income. Program income shall be deducted from outlays which may be both Federal and non-Federal as described below, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs (g)(2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(h) Income after the award period. There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 1234.26 Non-Federal audit.

(a) Basic rule. Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act of 1984 (31 U.S.C. 7501–7) and Federal agency implementing regulations. The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial and compliance audits.

(b) Subgrantees. State or local governments, as those terms are defined for purposes of the Single Audit Act, that receive Federal financial assistance and provide $25,000 or more of it in a fiscal year to a subgrantee shall:

(1) Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A-110, "Uniform Requirements for Grants and Other Agreements with Institutions of Higher Education, Hospitals and Other Nonprofit Organizations" have met the audit requirement. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments
should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

(2) Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A–110, or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

(3) Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

(4) Consider whether subgrantee audits necessitate adjustment of the grantee’s own records; and

(5) Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) Auditor selection. In arranging for audit services, §1234.36 shall be followed.

CHANGES, PROPERTY, AND SUBAWARDS

§1234.30 Changes.

(a) General. Grantees and subgrantees are permitted to rebudget within the approved direct cost budget to meet unanticipated requirements and may make limited program changes to the approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) Relation to cost principles. The applicable cost principles (see §1234.22) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) Budget changes—(1) Nonconstruction projects. Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency’s share exceeds $100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) Construction projects. Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) Combined construction and nonconstruction projects. When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from nonconstruction to construction or vice versa.

(d) Programmatic changes. Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of §1234.36 but does not apply to the procurement of equipment, supplies, and general support services.
Corporation for National and Community Service

§ 1234.32

(e) Additional prior approval requirements. The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) Requesting prior approval. (1) A request for prior approval of any budget revision will be in the same budget format the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see §1234.22) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee’s approved project which requires Federal prior approval, the grantee will obtain the Federal agency’s approval before approving the subgrantee’s request.

§ 1234.31 Real property.

(a) Title. Subject to the obligations and conditions set forth in this section, title to real property acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) Use. Except as otherwise provided by Federal statues, real property will be used for the originally authorized purposes as long as needed for that purpose, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(c) Disposition. When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) Retention of title. Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency’s percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) Sale of property. Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency’s percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) Transfer of title. Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee’s percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 1234.32 Equipment.

(a) Title. Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) Use. A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) Use. (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When
§ 1234.32

no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in §1234.25(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) Management requirements. Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) Disposition. When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of $5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency’s share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) Federal equipment. In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) Right to transfer title. The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third party named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:
(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow §1234.32(e).

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

§ 1234.33 Supplies.

(a) Title. Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) Disposition. If there is a residual inventory of unused supplies exceeding $5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.

§ 1234.34 Copyrights.

The Federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 1234.35 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, “Debarment and Suspension.”

§ 1234.36 Procurement.

(a) States. When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) in this section.

(b) Procurement standards. (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when:

(i) The employee, officer or agent,

(ii) Any member of his immediate family,

(iii) His or her partner, or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee’s or subgrantee’s officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of
nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee’s and subgrantee’s officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procure-ment. These records will include, but are not necessarily limited to the following: Rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable, and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protestor must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities) and

(ii) Violations of the grantee’s or subgrantee’s protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified above will be referred to the grantee or subgrantee.

(c) Competition. (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards
§ 1234.36. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business,

(ii) Requiring unnecessary experience and excessive bonding,

(iii) Noncompetitive pricing practices between firms or between affiliated companies,

(iv) Noncompetitive awards to consultants that are on retainer contracts,

(v) Organizational conflicts of interest,

(vi) Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement, and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutorily or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided its application leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a "brand name or equal" description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) Methods of procurement to be followed—(1) Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than $25,000 in the aggregate. If small purchase procurements are used, price or rate quotations will be obtained from an adequate number of qualified sources.

(2) Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in §1234.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.
§ 1234.36  45 CFR Ch. XII (10–1–01 Edition)

(ii) If sealed bids are used, the following requirements apply:
(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;
(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;
(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;
(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
(E) Any or all bids may be rejected if there is a sound documented reason.

(3) Procurement by competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:
(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;
(ii) Proposals will be solicited from an adequate number of qualified sources;
(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;
(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors’ qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.
(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:
(A) The item is available only from a single source;
(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation.
(C) The awarding agency authorizes noncompetitive proposals; or
(D) After solicitation of a number of sources, competition is determined inadequate.
(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profit, is required.
(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) Contracting with small and minority firms, women’s business enterprise and labor surplus area firms. (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women’s business enterprises, and labor surplus area firms are used when possible.
(2) Affirmative steps shall include:
(i) Placing qualified small and minority businesses and women’s business enterprises on solicitation lists;
(ii) Assuring that small and minority businesses, and women’s business enterprises are solicited whenever they are potential sources;

(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women’s business enterprises;

(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women’s business enterprises;

(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and

(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) Contract cost and price. (1) Grantees and subgrantees must perform a cost or price analysis in connection with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor’s investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §1234.22). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) Awarding agency review. (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and/or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc., when:

(i) A grantee’s or subgrantee’s procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed $25,000 and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or
§ 1234.36 45 CFR Ch. XII (10–1–01 Edition)

(iii) The procurement, which is expected to exceed $25,000, specifies a "brand name" product; or

(iv) The proposed award over $25,000 is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than $25,000.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency’s right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) Bonding requirements. For construction or facility improvement contracts or subcontracts exceeding $100,000, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) Contract provisions. A grantee’s and subgrantee’s contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate (Contracts other than small purchases).

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement (All contracts in excess of $10,000).

(3) Compliance with Executive Order 11246 of September 24, 1965 entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967 and as supplemented in Department of Labor regulations (41 CFR chapter 60) (All construction contracts awarded in excess of $10,000 by grantees and their contractors or subgrantees).

(4) Compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3) (All contracts and subgrants for construction or repair).
(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to a–7) as supplemented by Department of Labor regulations (29 CFR part 5) (Construction contracts in excess of $2,000 awarded by grantees and subgrantees when required by Federal grant program legislation).

(6) Compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–330) as supplemented by Department of Labor regulations (29 CFR part 5) (Construction contracts awarded by grantees and subgrantees in excess of $2,000, and in excess of $2,500 for other contracts which involve the employment of mechanics or laborers).

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15) (Contracts, subcontracts, and subgrants of amounts in excess of $100,000).

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94–163).

§ 1234.37 Subgrants.

(a) States. States shall follow state law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

1. Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

2. Ensure that subgrantees are aware of requirements imposed upon them by Federal statute and regulation;

3. Ensure that a provision for compliance with §1234.42 is placed in every cost reimbursement subgrant; and

4. Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) All other grantees. All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. Grantees shall:

1. Ensure that every subgrant includes a provision for compliance with this part;

2. Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and

3. Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) Exceptions. By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

1. Section 1234.10;

2. Section 1234.11;

3. The letter-of-credit procedures specified in Treasury Regulations at 31 CFR part 205, cited in §1234.21; and

4. Section 1234.50.
§ 1234.40 Monitoring and reporting program performance.

(a) Monitoring by grantees. Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) Nonconstruction performance reports. The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived by the Federal agency this report will be due on the same date as the final Financial Status Report.

(1) Grantees shall submit annual performance reports unless the awarding agency requires quarterly or semi-annual reports. However, performance reports will not be required more frequently than quarterly. Annual reports shall be due 90 days after the grant year, quarterly or semi-annual reports shall be due 30 days after the reporting period. The final performance report will be due 90 days after the expiration or termination of grant support. If a justified request is submitted by a grantee, the Federal agency may extend the due date for any performance report. Additionally, requirements for unnecessary performance reports may be waived by the Federal agency.

(2) Performance reports will contain, for each grant, brief information on the following:

(i) A comparison of actual accomplishments to the objectives established for the period. Where the output of the project can be quantified, a computation of the cost per unit of output may be required if that information will be useful.

(ii) The reasons for slippage if established objectives were not met.

(iii) Additional pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(3) Grantees will not be required to submit more than the original and two copies of performance reports.

(4) Grantees will adhere to the standards in this section in prescribing performance reporting requirements for subgrantees.

(c) Construction performance reports. For the most part, on-site technical inspections and certified percentage-of-completion data are relied on heavily by Federal agencies to monitor progress under construction grants and subgrants. The Federal agency will require additional formal performance reports only when considered necessary, and never more frequently than quarterly.

(d) Significant developments. Events may occur between the scheduled performance reporting dates which have significant impact upon the grant or subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Federal agencies may make site visits as warranted by program needs.

(f) Waivers, extensions. (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.
§ 1234.41 Financial reporting.

(a) General. (1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies, or

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decisionmaking purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) Financial Status Report—(1) Form. Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all nonconstruction grants and for construction grants when required in accordance with § 1234.41(e)(2)(i). (2) Accounting basis. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee’s accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through and analysis of the documentation on hand.

(3) Frequency. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) Due date. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) Federal Cash Transactions Report—(1) Form. (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) Forecasts of Federal cash requirements. Forecasts of Federal cash requirements may be required in the “Remarks” section of the report.

(3) Cash in hands of subgrantees. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash
§ 1234.42

Retention and access requirements for records.

(a) Applicability. (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement, or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see §1234.36(i)(10).

(b) Length of retention period. (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.
§1234.43 Enforcement.

(a) Remedies for noncompliance. If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(i) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) Substitution of microfilm. Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) Access to records—(1) Records of grantees and subgrantees. The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) Expiration of right of access. The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) Restrictions on public access. The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records Unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.
§ 1234.44 Termination for convenience.

Except as provided in §1234.43 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated, or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either §1234.43 or paragraph (a) of this section.

Subpart D—After-The-Grant Requirements

§ 1234.50 Closeout.

(a) General. The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) Reports. Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this timeframe. These may include but are not limited to:

1. Final performance or progress report.
2. Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF–271) (as applicable).
3. Final request for payment (SF–270) (if applicable).
4. Invention disclosure (if applicable).
5. Federally-owned property report.

In accordance with §1234.32(f), a grantee must submit an inventory of all federally owned property (as distinct from...
Corporation for National and Community Service

property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) Cost adjustment. The Federal agency will, within 90 days after receipt of reports in paragraph (b) of this section, make upward or downward adjustments to the allowable costs.

(d) Cash adjustments. (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.

§ 1234.51 Later disallowances and adjustments.

The closeout of a grant does not affect:

(a) The Federal agency’s right to disallow costs and recover funds on the basis of a later audit or other review;

(b) The grantee’s obligation to return any funds due as a result of later refunds, corrections, or other transactions;

(c) Records retention as required in §1234.42;

(d) Property management requirements in §§1234.31 and 1234.32; and

(e) Audit requirements in §1234.26.

§ 1234.52 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the grantee, or

(3) Other action permitted by law.

(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

PART 1235—LOCALLY GENERATED CONTRIBUTIONS IN OLDER AMERICAN VOLUNTEER PROGRAMS

Sec. 1235.1 Definitions.
1235.2 Implementation guidance.
1235.3 Statement of policy.

APPENDIX TO PART 1235—PROCEDURES TO RESOLVE QUESTIONED COSTS

SOURCE: 56 FR 4732, Feb. 6, 1991, unless otherwise noted.

§ 1235.1 Definitions.

As used in this part and in section 224 of the Domestic Volunteer Service Act of 1973, as amended, the following definitions shall apply:

(a) Director means the Director of ACTION.

(b) Locally Generated Contributions means all contributions generated by the grantee in support of the grant, including non-ACTION Federal, State, local government and privately raised contributions.

(c) Amount Required by the Director means the proportion of the non-Federal contribution (including in-kind contributions) for a grant or contract made under the Domestic Volunteer Service Act of 1973, as amended, required by the Director in order to receive ACTION funds. This proportion is generally 10% for the Foster Grandparent Program/Senior Companion Program (FGP/SCP) and generally 10%, 20% and 30% for the Retired Senior Volunteer Program (RSVP) in the first, second, and subsequent years respectively. The “amount required by the Director” is also called the “local match.”

(d) In Excess of the Amount Required by the Director means the total locally generated contributions, the amount over and above the percentage match (generally 10% for FGP/SCP and 10%, 20% and 30% for RSVP in the first,
§ 1235.2 Implementation guidance.

ACTION’s implementation of section 224 of the DVSA is based on fundamental principles regarding the Congressional intent of the Section as well as the Executive Branch’s policy on Federal financial assistance to grantees. These principles include:

(a) That ACTION may not restrict grantees’ use of excess contributions as long as those expenditures are “not inconsistent” with the Domestic Volunteer Service Act of 1973, as amended;

(b) That grantees are to fully account for and document expenditures of non-Federal contributions, regardless of whether they are used to meet ACTION’s local match requirement or are in excess of the requirement; and

(c) That all expenditures in support of a Federal grant can be audited by the responsible Federal Agency or by independent auditors performing audits pursuant to OMB Circulars A–128 and A–133. Copies of OMB Circulars A–128 and A–133 are available at ACTION, 1100 Vermont Avenue, NW., Room 9200, Washington, DC 20525.

§ 1235.3 Statement of policy.

(b) All expenditures by the grantee of Federal and non-Federal funds (including expenditures from excess locally generated contributions) in support of the grant are subject to ACTION authorized audits.

(c) ACTION will not restrict the manner in which locally generated contributions in excess of the required match are expended if these expenditures are not inconsistent with the Domestic Volunteer Service Act of 1973, as amended.

APPENDIX TO PART 1235—PROCEDURES TO RESOLVE QUESTIONED COSTS

I. Because implementation of section 224 may impact on how questioned costs are treated when raised in the context of an audit or program monitoring exercise, this appendix explains how questioned costs will be resolved. This part does not create any new auditing requirements.

II. All expenditures in support of a federal grant may be reviewed by an authorized audit or program monitoring review. Adequate financial records and supporting documentation must be maintained for both cash and in-kind contributions. (See ACTION’s Grants Management Handbook for Grantees, ACTION Order 2650.2)

III. Three definitions are important to understand in relation to resolution of questioned costs:

(a) The term “questioned cost”, pursuant to the Inspector General Act of 1978, as amended, 5 U.S.C. Appendix 3, means an expenditure of grant funds that is questioned because of:

(1) An alleged violation of a provision of the Domestic Volunteer Service Act of 1973, as amended, or other law, regulation, or grant governing the expenditure of funds by the grantee;

(2) A finding that at the time of an audit or program review the cost is not supported by adequate documentation; or

(3) A finding that the expenditure of funds for the intended purpose is unnecessary or unreasonable.

(b) The term “disallowed cost” means a questioned cost related to federal or local
match expenditures that ACTION management, in a management decision, has sustained or agreed should not be charged to the Government.

(c) The term “program finding” means a questioned cost identified as from the grantee’s excess locally generated contributions which is referred to ACTION program management for consideration.

IV. When costs are questioned from locally generated contributions, a distinction will be made between costs as part of the local match and costs as part of the excess contribution.

V. Normally, when expenditures of Federal or non-Federal local match funds are questioned, a management decision is made to either allow or disallow the costs. When an expenditure of excess locally generated funds is questioned, however, it will not be treated as a potential disallowed cost but identified as a program finding and referred to ACTION program management for resolution.

VI. Program findings may include, but are not limited to:

(a) Inadequate records to document the expenditures and provide assurance of the grantee’s internal controls over the use of its cash and in-kind contributions; and

(b) Evidence that expenditures were made that are inconsistent with the Domestic Volunteer Service Act of 1973, as amended.

VII. Once program findings are determined by ACTION program management, decisions may be made to take corrective steps, including but not limited to:

(a) Requiring the grantee to adhere to stated program goals and objectives as a condition for future funding;

(b) Requiring the grantee to adopt a stronger financial management and control system.

Based on past experience, it is expected that corrective steps will be needed only in rare instances.

VIII. If the grantee has raised locally generated contributions in excess of the matching requirement and those expenditures are not questioned, and are consistent with the DVSA of 1973, as amended, for local match expenditures, they may be substituted for any disallowed portion of local match costs in order for the grantee to meet its matching requirement.

*Delegate agency* means a public or private non-profit organization or agency to which a grantee has delegated all or part of its responsibility for operating a Head Start program.

Indirect costs mean those costs of a Head Start agency, as approved by the cognizant agency, the agency which has authority to set the grantee’s indirect cost rate, which are not readily identifiable with a particular project or program but nevertheless are necessary to the general operation of the agency and the conduct of its activities.

Major disaster means any natural disaster or catastrophe which is of such severity and magnitude as to directly affect the capability of the Head Start agency of agencies providing Head Start programs to the damaged community to continue the programs without an increase in the Federal share above 80 percent.

Program costs mean costs incurred in accordance with an approved Head Start budget which directly relate to the provision of program component services, including services to children with disabilities, as set forth and described in the Head Start Program Performance Standards (45 CFR part 1304).

(a) An audit of the Head Start program covering the prior budget period of each Head Start agency and its delegate agencies, if any, shall be made by an independent auditor to determine:

(1) Whether the agency’s financial statements are accurate;

(2) Whether the agency is complying with the terms and conditions of the grant; and

(3) Whether appropriate financial and administrative procedures and controls have been installed and are operating effectively. Head Start agencies shall either include delegate agency audits as a part of their own audits or provide for separate independent audits of their delegate agencies.

§ 1301.31 Personnel policies.

(a) Written policies. Grantee and delegate agencies must establish and implement written personnel policies for staff, that are approved by the Policy Council or Policy Committee and that are made available to all grantee and delegate agency staff. At a minimum, such policies must include:

(b) Development and administrative costs. (1) Costs classified as development and administrative costs are those costs related to the overall management of the program. These costs can be in both the personnel and non-personnel categories.

45 CFR Ch. XIII (10–1–01 Edition)
(2) Grantees must charge the costs of organization-wide management functions as development and administrative costs. These functions include planning, coordination and direction; budgeting, accounting, and auditing; and management of purchasing, property, payroll and personnel.

(3) Development and administrative costs include, but are not limited to, the salaries of the executive director, personnel officer, fiscal officer/bookkeeper, purchasing officer, payroll/insurance/property clerk, janitor for administrative office space, and costs associated with volunteers carrying out administrative functions.

(4) Other development and administrative costs include expenses related to administrative staff functions such as the costs allocated to fringe benefits, travel, per diem, transportation and training.

(5) Development and administrative costs include expenses related to bookkeeping and payroll services, audits, and bonding; and, to the extent they support development and administrative functions and activities, the costs of insurance, supplies, copy machines, postage, and utilities, and occupying, operating and maintaining space.

(c) Program costs. Program costs include, but are not limited to:

(1) Personnel and non-personnel costs directly related to the provision of program component services and component training and transportation for staff, parents and volunteers;

(2) Costs of functions directly associated with the delivery of program component services through the direction, coordination or implementation of a specific component;

(3) Costs of the salaries of program component coordinators and component staff, janitorial and transportation staff involved in program component efforts, and the costs associated with parent involvement and component volunteer services; and

(4) Expenses related to program staff functions, such as the allocable costs of fringe benefits, travel, per diem and transportation, training, food, center/classroom supplies and equipment, parent activities funds, insurance, and the occupation, operation and maintenance of program component space, including utilities.

(d) Dual benefit costs. (1) Some costs benefit both the program components as well as development and administrative functions within the Head Start program. In such cases, grantees must identify and allocate appropriately the portion of the costs that are for development and administration.

(2) Dual benefit costs include, but are not limited to, salaries, benefits and other costs (such as travel, per diem, and training costs) of staff who perform both program and development and administrative functions. Grantees must determine and allocate appropriately the part of these costs dedicated to development and administration.

(3) Space costs, and costs related to space, such as utilities, are frequently dual benefit costs. The grantee must determine and allocate appropriately the amount or percentage of space dedicated to development and administration.

(e) Relationship between development and administrative costs and indirect costs. (1) Grantees must categorize costs in a Head Start program as development and administrative or program costs. These categorizations are separate from the decision to charge such costs directly or indirectly.

(2) Grantees must charge all costs, whether program or development and administrative, either directly to the project or as part of an indirect cost pool.

(f) Requirements for compliance. (1) Head Start grantees must calculate the percentage of their total approved costs allocated to development and administration as a part of their budget submission for initial funding, refunding or for a request for supplemental assistance in connection with a Head Start program. These costs may be a part of the direct or the indirect cost pool.

(2) The Head Start grant applicant shall delineate all development and administrative costs in its application.

(3) Indirect costs which are categorized as program costs must be fully explained in the application.

An agency receiving a grant under the Act for technical assistance and training, or for a research, demonstration, or pilot project may appeal adverse decisions in accordance with part 16 of this title. Head Start agencies are also subject to the appeal procedures in part 16 except appeals by those agencies for suspension, termination and denial of refunding are subject to part 1303 of this title.

Subpart A—General

§ 1302.1 Purpose and scope.

The purpose of this part is to set forth policies and procedures for the selection, initial funding and refunding of Head Start grantees and for the selection of replacement grantees in the event of the voluntary or involuntary termination, or denial of refunding, of Head Start programs. It particularly provides for consideration of the need for selection of a replacement grantee where the continuing eligibility (legal status) and fiscal capability (financial viability) of a grantee to operate a Head Start program is cast in doubt by the cessation of funding under section 519 of the Act or by the occurrence of some other major change. It is intended that Head Start programs be administered effectively and responsibly; that applicants to administer programs receive fair and equitable consideration; and that the legal rights of current Head Start grantees be fully protected.

§ 1302.2 Definitions.

As used in this part—

Act means Title V of The Economic Opportunity Act of 1964, as amended.

Approvable application means an application for a Head Start program, either as an initial application or as an application to amend an approved application governing an on-going Head Start program, which, in addition to showing that the applicant has legal status and financial viability, provides for comprehensive services for children and families and for effective and responsible administration which are in conformity with the Act and applicable regulations, the Head Start Manual and Head Start policies.

Community action agency means a public or private nonprofit agency or organization designated as a community action agency by the Director of the Community Services Administration pursuant to section 210(a) or section 210(d) of the Act.

Community action program means a program operated by a community action agency.

Financial viability means the capability of an applicant or the continuing capability of a grantee to furnish the non-Federal share of the cost of operating an approvable or approved Head Start program.

Head Start grantee or grantee means a public or private nonprofit agency or organization whose application to operate a Head Start program pursuant to section 514 of the Act has been approved by the responsible HHS official.

Indian tribe means any tribe, band, nation, pueblo, or other organized group or community of Indians, including any Native village described in section 3(c) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602 (c)) or established pursuant to such Act (43 U.S.C. 1601 et seq.) that is recognized as eligible for special programs and services provided by the United States to Indians because of their status as Indians.

Legal status means the existence of an applicant or grantee as a public agency or organization under the law of the State in which it is located, or existence as a private nonprofit agency or organization as a legal entity recognized under the law of the State in which it is located. Existence as a private non-profit agency or organization may be established under applicable State or Federal law.
§ 1302.3  
Responsible HHS official means the official of the Department of Health and Human Services who has authority to make grants under the Act.

[44 FR 24062, Apr. 24, 1979, as amended at 63 FR 34329, June 24, 1998]

§ 1302.3 Consultation with public officials and consumers.

Responsible HHS officials will consult with Governors, or their representatives, appropriate local general purpose government officials, and Head Start Policy Council and other appropriate representatives of communities to be served on the proposed replacement of Head Start grantees.

§ 1302.4 Transfer of unexpended balances.

When replacing a grantee, unexpended balances of funds in the possession of such grantee in the fiscal year following the fiscal year for which the funds were appropriated may be transferred to the replacement grantee if the approved application of the replacement grantee provides for the continuation of the Head Start services without significant change to the same enrollees and their parents and undertakes to offer employment to the staff of the terminating grantee. A letter of concurrence in the change should be obtained from the terminating grantee whenever possible.

§ 1302.5 Notice for show cause and hearing.

(a) Except in emergency situations, the responsible HHS official will not suspend financial assistance under the Act unless the grantee has been given an opportunity, in accordance with part 1303, subpart D, of this chapter, to show cause why such action should not be taken.

(b) The responsible HHS official will not terminate a grant, suspend a grant for longer than 30 days, or deny refunding to a grantee, unless the grantee has been given an opportunity for a hearing in accordance with part 1303 of this chapter.

[57 FR 41887, Sept. 14, 1992]

§ 1302.10 Selection among applicants.

(a) The basis for selection of applicants proposing to operate a Head Start program will be the extent to which the applicants demonstrate in their application the most effective Head Start program.

(b) In addition to the applicable criteria at section 641(d) of the Head Start Act, the criteria for selection will include:

1. The cost effectiveness of the proposed program;
2. The qualifications and experience of the applicant and the applicant’s staff in planning, organizing and providing comprehensive child development services at the community level, including the administrative and fiscal capability of the applicant to administer all Head Start programs carried out in the designated service area;
3. The quality of the proposed program as indicated by adherence to or evidence of the intent and capability to adhere to Head Start Performance Standards (in 45 CFR part 1304) and program policies, including the opportunities provided for employment of target area residents and career development for paraprofessional and other staff and provisions made for the direct participation of parents in the planning, conduct and administration of the program;
4. The proposed program design and option including the suitability of facilities and equipment proposed to be used in carrying out the program, as it relates to community needs and as the applicant proposes to implement the program in accordance with program policies and regulations; and
5. The need for Head Start services in the community served by the applicant.

[57 FR 41887, Sept. 14, 1992]

§ 1302.11 Selection among applicants to replace grantee.

The bases for making a selection among applicants which submit approvable applications to replace a
grantee, in addition to the basis in §1302.10 of this part, shall be:

(a) The extent to which provision is made for a continuation of services to the eligible children who have been participating as enrollees in the program;

(b) The extent to which provision is made for continuation of services to the target area or areas served by the program; and

(c) The extent to which provision is made for continued employment by the applicant of the qualified personnel of the existing program.

Subpart C—Change in Grantee Requiring Amendment of Approved Application or Replacement of Head Start Program

§1302.20 Grantee to show both legal status and financial viability.

(a) Upon the occurrence of a change in the legal condition of a grantee or of a substantial diminution of the financial resources of a grantee, or both, for example, such as might result from cessation of grants to the grantee under section 514 of the Act, the grantee is required within 30 days after the effective date of the regulations in this Part or the date the grantee has notice or knowledge of the change, whichever is later, to show in writing to the satisfaction of the responsible HHS official that it has and will continue to have legal status and financial viability. Failure to make this showing may result in suspension, termination or denial of refunding.

(b) The responsible HHS official will notify the grantee in writing of the decision as to the grantee’s legal status and financial viability within 30 days after receiving the grantee’s written submittal.

(c) When it is consistent with proper and efficient administration, the responsible HHS official may extend a grantee’s program year to end on the date when a change in its legal condition or a substantial diminution of financial resources, or both, is scheduled to take place.

§1302.21 Grantee shows legal status but not financial viability.

(a) If a grantee shows legal status but impaired financial viability the responsible HHS official will entertain a timely request for amendment of the grantee’s approved application which restores the grantee’s financial viability either by a reduction in the program which produces minimum disruption to services and functions, or by an amendment which incorporates essential functions and services not previously funded as part of the total cost of the Head Start program, and, therefore, requires an increase in the amount of the Head Start grant but which will not result in a Federal share of the total cost of the Head Start program in excess of the percentage authorized by the Act or applicable regulations. In considering such a request which includes an increase in the Head Start grant the responsible HHS official will take into account the funds available to him for obligation and whether the proposed increase is consistent with that distribution of Head Start funds which:

(1) Maximizes the number of children served within his area of responsibility, or in the case of experimental or demonstration programs, the experimental or demonstration benefits to be achieved, and

(2) Maintains approximately the same distribution of Head Start program funds to States as exist during the fiscal year in which his decision is made.

(b) A request for amendment will be considered to be timely if it is included with the written submittal required by §1302.20(a) of this part, submitted within 30 days after receiving the notice required by §1302.20(b) of this part, or submitted as a part of a timely application for refunding.

(c) The grantee will be notified in writing by the responsible HHS official within 30 days after submission of the requested amendment of the decision to approve or disapprove the requested amendment. If the requested amendment is disapproved the notice will contain a statement of the reasons for disapproval.
§ 1302.22 Suspension or termination of grantee which shows financial viability but not legal status.

If a grantee fails to show that it will continue to have legal status after the date of change even though it may show financial viability, the grant shall be suspended or terminated or refunding shall be denied as of the date of change. If it appears reasonable to the responsible HHS official that the deficiency in legal status will be corrected within 30 days he may suspend the grant for not to exceed 30 days after the date of change or the date of submission of a timely request for amendment. If such correction has not been made within the 30 day period the grant shall be terminated.

§ 1302.23 Suspension or termination of grantee which shows legal status but not financial viability.

(a) If the date of change of financial viability precedes or will precede the end of the grantee’s program year the grant will be suspended or terminated on that date, or, if a request for amendment has been submitted under §1302.21 of this part, upon written notice of disapproval of the requested amendment, whichever is later. If it appears reasonable to the responsible HHS official that the deficiency in financial viability will be corrected within 30 days he may suspend the grant for not to exceed 30 days after the date of change or notice of disapproval. If such correction has not been made within the 30 day period the grant shall be terminated.

§ 1302.24 Denial of refunding of grantee.

(a) If the date of change will coincide with or will come after the end of the program year and the grantee has notice or knowledge of such change prior to the end of the program year any action taken to approve the grantee’s application for refunding for the following program year shall be subject to rescission or ratification depending upon the decision of the responsible HHS official on the grantee’s legal status and financial viability and any requested amendment submitted by the grantee. If the requested amendment is disapproved the responsible HHS official may extend the program year in accordance with §1302.20(c) of this part.

(b) If the date of change coincides with the end of the program year and the grantee does not have notice or knowledge of the change prior thereto and the grantee’s application for refunding for the following program year has been approved, such approval shall be subject to rescission or ratification depending upon the decision of the responsible HHS official on the grantee’s legal status and viability and on any requested financial amendment submitted by the grantee.

(c) If the date of change will coincide with or will come after the end of the program year and if the responsible HHS official has prior notice thereof from the grantee or other official source such as the Community Services Administration action to approve any application for refunding submitted by the grantee shall be deferred pending decision by the responsible HHS official on the grantee’s legal status and financial viability and any requested amendment submitted by the grantee.

(d) When the responsible HHS official determines to approve a requested amendment for refunding he will approve it for the full term of the proposed program period, if that period as approved is no longer than a program year.

§ 1302.25 Control of funds of grantee scheduled for change.

Responsible HHS officials will place strict controls on the release of grant funds to grantees which are scheduled for change by cessation of their grants under section 519 of the Act. Specifically, the following controls will be established:

(a) Funds will be released on a monthly basis regardless of the form of grant payment.

(b) Funds released each month will be limited to the amount required to cover actual disbursements during that period for activities authorized under the approved Head Start program.

(c) The amount of funds released must be approved each month by the responsible HHS official.
Subpart D—Replacement of Indian Tribal Grantees

§ 1302.30 Procedure for identification of alternative agency.

(a) An Indian tribe whose Head Start grant has been terminated, or which has been denied refunding as a Head Start grantee, may identify an agency and request the responsible HHS official to designate such agency as an alternative agency to provide Head Start services to the tribe if:

(1) The tribe was the only agency that was receiving federal financial assistance to provide Head Start services to members of the tribe; and

(2) The tribe would be otherwise precluded from providing such services to its members because of the termination or denial of refunding.

(b)(1) The responsible HHS official, when notifying a tribal grantee of the intent to terminate financial assistance or deny its application for refunding, must notify the grantee that it may identify an agency and request that the agency serve as the alternative agency in the event that the grant is terminated or refunding denied.

(2) The tribe must identify the alternate agency to the responsible HHS official, in writing, within the time for filing an appeal under 45 CFR Part 1303.

(3) The responsible HHS official will notify the tribe, in writing, whether the alternative agency proposed by the tribe is found to be eligible for Head Start funding and capable of operating a Head Start program. If the alternative agency identified by the tribe is not an eligible agency capable of operating a Head Start program, the tribe will have 15 days from the date of the sending of the notification to that effect from the responsible HHS official to identify another agency and request that the agency be designated. The responsible HHS official will notify the tribe in writing whether the second proposed alternate agency is found to be an eligible agency capable of operating the Head Start program.

(c) If the tribe appeals a termination of financial assistance or a denial of refunding, it will, consistent with the terms of 45 CFR Part 1303, continue to be funded pending resolution of the appeal. However, the responsible HHS official and the grantee will proceed with the steps outlined in this regulation during the appeal process.

(d) If the tribe does not identify an agency and request that the agency be appointed as the alternative agency, the responsible HHS official will seek a permanent replacement grantee under these regulations.

§ 1302.31 Requirements of alternative agency.

The agency identified by the Indian tribe must establish that it meets all requirements established by the Head Start Act and these requirements for designation as a Head Start grantee and that it is capable of conducting a Head Start program. The responsible HHS official, in deciding whether to designate the proposed agency, will analyze the capacity and experience of the agency according to the criteria found in section 641(d) of the Head Start Act and §§1302.10 (b)(1) through (5) and 1302.11 of this part.

§ 1302.32 Alternative agency—prohibition.

(a) No agency will be designated as the alternative agency pursuant to this subpart if the agency includes an employee who:

(1) Served on the administrative or program staff of the Indian tribal grantee, and

(2) Was responsible for a deficiency that:

(i) Relates to the performance standards or financial management standards described in the Head Start Act; and

(ii) Was the basis for the termination or denial of refunding described in §1302.30 of this part.

(b) The responsible HHS official shall determine whether an employee was responsible for a deficiency within the meaning and context of this section.

SOURCE: 57 FR 59264, Dec. 14, 1992, unless otherwise noted.

Subpart A—General
§ 1303.1 Purpose and application.
This part prescribes regulations based on section 646 of the Head Start Act, 42 U.S.C. 9841, as it applies to grantees and current or prospective delegate agencies engaged in or wanting to engage in the operation of Head Start programs under the Act. It prescribes the procedures for appeals by current and prospective delegate agencies from specified actions or inaction by grantees. It also provides procedures for reasonable notice and opportunity to show cause in cases of suspension of financial assistance by the responsible HHS official and for an appeal to the Departmental Appeals Board by grantees in cases of denial of refunding, termination of financial assistance, and suspension of financial assistance.

§ 1303.2 Definitions.
As used in this part:
Act means the Head Start Act, 42 U.S.C. section 9831, et seq.
ACYF means the Administration on Children, Youth and Families in the Department of Health and Human Services, and includes Regional staff.
Agreement means either a grant or a contract between a grantee and a delegate agency for the conduct of all or part of the grantee’s Head Start program.
Day means the 24 hour period beginning at 12 a.m. local time and continuing for the next 24 hour period. It includes all calendar days unless otherwise expressly noted.
Delegate Agency means a public or private non-profit organization or agency to which a grantee has delegated by written agreement the carrying out of all or part of its Head Start program.
Denial of Refunding means the refusal of a funding agency to fund an application for a continuation of a Head Start program for a subsequent program year when the decision is based on a determination that the grantee has improperly conducted its program, or is incapable of doing so properly in the future, or otherwise is in violation of applicable law, regulations, or other policies.
Funding Agency means the agency that provides funds directly to either a grantee or a delegate agency. ACYF is the funding agency for a grantee, and a grantee is the funding agency for a delegate agency.
Grantee means the local public or private non-profit agency which has been
designated as a Head Start agency under 42 U.S.C. 9836 and which has been granted financial assistance by the responsible HHS official to operate a Head Start program.

Interim Grantee means an agency which has been appointed to operate a Head Start program for a period of time not to exceed one year while an appeal of a denial of refunding, termination or suspension action is pending.

Prospective Delegate Agency means a public or private non-profit agency or organization which has applied to a grantee to serve as a delegate agency.

Responsible HHS Official means the official who is authorized to make the grant of financial assistance to operate a Head Start program or his or her designee.

Submittal means the date of actual receipt or the date the material was served in accordance with §1303.5 of this part for providing documents or notices of appeals, and similar matters, to either grantees, delegate agencies, prospective delegate agencies, or ACYF.

Substantial Rejection means that a funding agency requires that the funding of a current delegate agency be reduced to 80 percent or less of the current level of operations for any reason other than a determination that the delegate agency does not need the funds to serve all the eligible persons it proposes to serve.

Suspension of a grant means temporary withdrawal of the grantee’s authority to obligate previously awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or delegate agency. Suspension does not include:

(1) Withdrawal of funds awarded on the basis of the grantee’s or delegate agency’s underestimate of the unobligated balance in a prior period;

(2) Refusal by the funding agency to extend a grant or award additional funds (such as refusal to make a competing or noncompeting continuation renewal, extension or supplemental award);

(3) Withdrawal of the unobligated balance as of the expiration of a grant;

(4) Annulment, i.e., voiding of a grant upon determination that the award was obtained fraudulently or was otherwise illegal or invalid from its inception.

Work day means any 24 hour period beginning at 12 a.m. local time and continuing for 24 hours. It excludes Saturdays, Sundays, and legal holidays. Any time ending on one of the excluded days shall extend to 5 p.m. of the next full work day.

§1303.3 Right to attorney, attorney fees, and travel costs.

(a) All parties to proceedings under this part, including informal proceedings, have the right to be represented by an attorney.

(1) Attorney fees may be charged to the program grant in an amount equal to the usual and customary fees charged in the locality. However, such fees may not exceed $250.00 per day, adjusted annually to reflect the percentage change in the Consumer Price Index for All Urban Consumers (issued by the Bureau of Labor Statistics) beginning one year after the effective date of these regulations. The grantee or delegate agency may use current operating funds to pay these costs. The fees of only one attorney may be charged to the program grant with respect to a particular dispute. Such fees may not be charged if the grantee or delegate agency has an attorney on its staff, or if it has a retainer agreement with an attorney which fully covers fees connected with litigation. The grantee or delegate agency shall have the burden of establishing the usual and customary fees and shall furnish documentation to support that determination that is satisfactory to the responsible HHS official.

(2) A grantee or delegate agency may designate up to two persons to attend and participate in proceedings held under this Part. Travel and per diem costs of such persons, and of an attorney representing the grantee or delegate agency, shall not exceed those allowable under Standard Governmental Travel Regulations in effect at the time of the travel.
§ 1303.4 Remedies.

The procedures established by subparts B and C of this Part shall not be construed as precluding ACYF from pursuing any other remedies authorized by law.

§ 1303.5 Service of process.

Whenever documents are required to be filed or served under this part, or notice provided under this part, certified mail shall be used with a return receipt requested. Alternatively, any other system may be used that provides proof of the date of receipt of the documents by the addressee. If this regulation is not complied with, and if a party alleges that it failed to receive documents allegedly sent to it, there will be a rebuttable presumption that the documents or notices were not sent as required by this part, or as alleged by the party that failed to use the required mode of service. The presumption may be rebutted only by a showing supported by a preponderance of evidence that the material was in fact submitted in a timely manner.

§ 1303.6 Successor agencies and officials.

Wherever reference is made to a particular Federal agency, office, or official it shall be deemed to apply to any other agency, office, or official which subsequently becomes responsible for administration of the program or any portion of it.

§ 1303.7 Effect of failure to file or serve documents in a timely manner.

(a) Whenever an appeal is not filed within the time specified in these or related regulations, the potential appellant shall be deemed to have consented to the proposed action and to have waived all rights of appeal.

(b) Whenever a party has failed to file a response or other submission within the time required in these regulations, or by order of an appropriate HHS responsible official, the party shall be deemed to have waived the right to file such response or submission.

(c) A party fails to comply with the requisite deadlines or time frames if it exceeds them by any amount.

(d) The time to file an appeal, response, or other submission may be waived in accordance with §1303.8 of this part.

§ 1303.8 Waiver of requirements.

(a) Any procedural requirements required by these regulations may be waived by the responsible HHS official or such waiver requests may be granted by the Departmental Appeals Board in those cases where the Board has jurisdiction. Requests for waivers must be in writing and based on good cause.

(b) Approvals of waivers must be in writing and signed by the responsible HHS official or by the Departmental Appeals Board when it has jurisdiction.

(c) “Good cause” consists of the following:

1. Litigation dates cannot be changed;
2. Personal emergencies pertaining to the health of a person involved in and essential to the proceeding or to a member of that person’s immediate family, spouse, parents, or siblings;
3. The complexity of the case is such that preparation of the necessary documents cannot reasonably be expected to be completed within the standard time frames;
4. Other matters beyond the control of the party requesting the waiver, such as strikes and natural disasters.

(d) Under no circumstances may “good cause” consist of a failure to
meet a deadline due to the oversight of either a party or its representative.

(e) Waivers of timely filing or service shall be granted only when necessary in the interest of fairness to all parties, including the Federal agency. They will be granted sparingly as prompt resolution of disputes is a major goal of these regulations. The responsible HHS official or the Departmental Appeals Board shall have the right, on own motion or on motion of a party, to require such documentation as deemed necessary in support of a request for a waiver.

(f) A request for an informal meeting by a delegate agency, including a prospective delegate agency, may be denied by the responsible HHS official, on motion of the grantee or on his or her own motion, if the official concludes that the written appeal fails to state plausible grounds for reversing the grantee’s decision or the grantee’s failure to act on an application.

(g) The requirements of this section may not be waived.

Subpart B—Appeals by Grantees

§ 1303.10 Purpose.
(a) This subpart establishes rules and procedures for the suspension of a grantee, denial of a grantee’s application for refunding, or termination of assistance under the Act for circumstances related to the particular grant, such as ineffective or improper use of Federal funds or for failure to comply with applicable laws, regulations, policies, instructions, assurances, terms and conditions or, in accordance with part 1302 of this chapter, upon loss by the grantee of legal status or financial viability.

(b) This subpart does not apply to any administrative action based upon any violation, or alleged violation, of title VI of the Civil Rights Act of 1964.

§ 1303.11 Suspension on notice and opportunity to show cause.
(a) After receiving concurrence from the Commissioner, ACYF, the responsible HHS official may suspend financial assistance to a grantee in whole or in part for breach or threatened breach of any requirement stated in §1303.10 pursuant to notice and opportunity to show cause why assistance should not be suspended.

(b) The responsible HHS official will notify the grantee as required by §1303.5 or by telegram that ACYF intends to suspend financial assistance, in whole or in part, unless good cause is shown why such action should not be taken. The notice will include:

(1) The grounds for the proposed suspension;
(2) The effective date of the proposed suspension;
(3) Information that the grantee has the opportunity to submit written material in opposition to the intended suspension and to meet informally with the responsible HHS official regarding the intended suspension;
(4) Information that the written material must be submitted to the responsible HHS official at least seven days prior to the effective date of the proposed suspension and that a request for an informal meeting must be made in writing to the responsible HHS official no later than seven days after the day the notice of intention to suspend was mailed to the grantee;
(5) Invitation to correct the deficiency by voluntary action; and
(6) A copy of this subpart.

(c) If the grantee requests an informal meeting, the responsible HHS official will fix a time and place for the meeting. In no event will such meeting be scheduled less than seven days after the notice of intention to suspend was sent to the grantee.

(d) The responsible HHS official may at his or her discretion extend the period of time or date for making requests or submitting material by the grantee and will notify the grantee of any such extension.

(e) At the time the responsible HHS official sends the notice of intention to suspend financial assistance to the grantee, the official will send a copy of it to any delegate agency whose activities or failures to act are a substantial cause of the proposed suspension, and will inform such delegate agency that it is entitled to submit written material in opposition and to participate in the informal meeting with the responsible HHS official if one is held. In addition, the responsible HHS official may give such notice to any other...
Head Start delegate agency of the grantee.

(f) Within three days of receipt of the notice of intention to suspend financial assistance, the grantee shall send a copy of such notice and a copy of this subpart to all delegate agencies which would be financially affected by the proposed suspension action. Any delegate agency that wishes to submit written material may do so within the time stated in the notice. Any delegate agency that wishes to participate in the informal meeting regarding the intended suspension, if not otherwise afforded a right to participate, may request permission to do so from the responsible HHS official, who may grant or deny such permission. In acting upon any such request from a delegate agency, the responsible HHS official will take into account the effect of the proposed suspension on the particular delegate agency, the extent to which the meeting would become unduly complicated as a result of granting such permission, and the extent to which the interests of the delegate agency requesting such permission appear to be adequately represented by other participants.

(g) The responsible HHS official will consider any timely material presented in writing, any material presented during the course of the informal meeting as well as any showing that the grantee has adequately corrected the deficiency which led to the suspension proceedings. The decision of the responsible HHS official will be made within five days after the conclusion of the informal meeting, or, if no informal meeting is held, within five days of receipt by the responsible HHS official of written material from all concerned parties. If the responsible HHS official concludes that the grantee has failed to show cause why financial assistance should not be suspended, the official may suspend financial assistance in whole or in part and under such terms and conditions as he or she specifies.

(h) Notice of such suspension will be promptly transmitted to the grantee as required in §1303.5 of this part or by some other means showing the date of receipt, and shall become effective upon delivery or on the date delivery is refused or the material is returned. Suspension shall not exceed 30 days unless the responsible HHS official and the grantee agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated in accordance with §1303.14, the suspension of financial assistance will be rescinded.

(i) New obligations incurred by the grantee during the suspension period will not be allowed unless the granting agency expressly authorizes them in the notice of suspension or an amendment to it. Necessary and otherwise allowable costs which the grantee could not reasonably avoid during the suspension period will be allowed if they result from obligations properly incurred by the grantee before the effective date of the suspension and not in anticipation of suspension or termination. At the discretion of the granting agency, third-party in-kind contributions applicable to the suspension period may be allowed in satisfaction of cost sharing or matching requirements.

(j) The responsible HHS official may appoint an agency to serve as an interim grantee to operate the program until the grantee’s suspension is lifted.

(k) The responsible HHS official may modify the terms, conditions and nature of the suspension or rescind the suspension action at any time on his or her own initiative or upon a satisfactory showing that the grantee has adequately corrected the deficiency which led to the suspension and that repetition is not threatened. Suspension partly or fully rescinded may, at the discretion of the responsible HHS official, be reimposed with or without further proceedings, except that the total time of suspension may not exceed 30 days unless termination proceedings are initiated in accordance with §1303.14 or unless the responsible HHS official and the grantee agree to continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension of financial assistance will be rescinded.
§ 1303.12 Summary suspension and opportunity to show cause.

(a) After receiving concurrence from the Commissioner, ACYF, the responsible HHS official may suspend financial assistance in whole or in part without prior notice and an opportunity to show cause if it is determined that immediate suspension is necessary because of a serious risk of:

1. Substantial injury to property or loss of project funds;
2. Violation of a Federal, State, or local criminal statute; or
3. If staff or participants’ health and safety are at risk.

(b) The notice of summary suspension will be given to the grantee as required by §1303.5 of this part, or by some other means showing the date of receipt, and shall become effective on delivery or on the date delivery is refused or the material is returned unclaimed.

(c) The notice must include the following items:

1. The effective date of the suspension;
2. The grounds for the suspension;
3. The extent of the terms and conditions of any full or partial suspension;
4. A statement prohibiting the grantee from making any new expenditures or incurring any new obligations in connection with the suspended portion of the program; and
5. A statement advising the grantee that it has an opportunity to show cause at an informal meeting why the suspension should be rescinded. The request for an informal meeting must be made by the grantee in writing to the responsible HHS official no later than five workdays after the effective date of the notice of summary suspension as described in paragraph (b) of this section.

(d) If the grantee requests in writing the opportunity to show cause why the suspension should be rescinded, the responsible HHS official will fix a time and place for an informal meeting for this purpose. This meeting will be held within five workdays after the grantee’s request is received by the responsible HHS official. Notwithstanding the provisions of this paragraph, the responsible HHS official may proceed to deny refunding or initiate termination proceedings at any time even though financial assistance of the grantee has been suspended in whole or in part.

(e) Notice of summary suspension must also be furnished by the grantee to its delegate agencies within two workdays of its receipt of the notice from ACYF by certified mail, return receipt requested, or by any other means showing dates of transmittal and receipt or return as undeliverable or unclaimed. Delegating agencies affected by the summary suspension have the right to participate in the informal meeting as set forth in paragraph (d) of this section.

(f) The effective period of a summary suspension of financial assistance may not exceed 30 days unless:

1. The conditions creating the summary suspension have not been corrected; or
2. The parties agree to a continuation of the summary suspension for an additional period of time; or
3. The grantee, in accordance with paragraph (d) of this section, requests an opportunity to show cause why the summary suspension should be rescinded, in which case it may remain in effect in accordance with paragraph (h) of this section; or
4. Termination or denial of refunding proceedings are initiated in accordance with §1303.14 or §1303.15.

(g) Any summary suspension that remains in effect for more than 30 days is subject to the requirements of §1303.13 of this part. The only exceptions are where there is an agreement under paragraph (f)(2) of this section, or the circumstances described in paragraph (f)(4) or (h)(1) of this section exist.

(h)1. If the grantee requests an opportunity to show cause why a summary suspension should be rescinded, the suspension of financial assistance will continue in effect until the grantee has been afforded such opportunity and a decision has been made by the responsible HHS official.
2. If the suspension continues for more than 30 days, the suspension remains in effect even if it is appealed to the Departmental Appeals Board.
3. Notwithstanding any other provisions of these or other regulations, if a denial of refunding occurs or a termination action is instituted while the
§ 1303.13 Appeal by a grantee of a suspension continuing for more than 30 days.

(a) This section applies to summary suspensions that are initially issued for more than 30 days and summary suspensions continued for more than 30 days except those identified in paragraph §1303.12(g) of this part.

(b) After receiving concurrence from the Commissioner, ACYF, the responsible HHS official may suspend a grant for more than 30 days. A suspension may, among other bases, be imposed for the same reasons that justify termination of financial assistance or which justify a denial of refunding of a grant.

(c) A notice of a suspension under this section shall set forth:

(1) The reasons for the action;
(2) The duration of the suspension, which may be indefinite;
(3) The fact that the action may be appealed to the Departmental Appeals Board and the time within which it must be appealed.

(d) During the period of suspension a grantee may not incur any valid obligations against Federal Head Start grant funds, nor may any grantee expenditure or provision of in-kind services or items of value made during the period be counted as applying toward any required matching contribution required of a grantee, except as otherwise provided in this part.

(e) The responsible HHS official may appoint an agency to serve as an interim grantee to operate the program until either the grantee’s suspension is lifted or a new grantee is selected in accordance with subpart B of this part.

(f) Any appeal to the Departmental Appeals Board must be made within five days of the grantee’s receipt of notice of suspension or return of the notice as undeliverable, refused, or unclaimed. Such an appeal must be in writing and it must fully set forth the reasons for the grantee’s appeal.

§ 1303.13 Appeal by a grantee of a suspension continuing for more than 30 days.

(a) This section applies to summary suspensions that are initially issued for more than 30 days and summary suspensions continued for more than 30 days except those identified in paragraph §1303.12(g) of this part.

(b) After receiving concurrence from the Commissioner, ACYF, the responsible HHS official may suspend a grant for more than 30 days. A suspension may, among other bases, be imposed for the same reasons that justify termination of financial assistance or which justify a denial of refunding of a grant.

(c) A notice of a suspension under this section shall set forth:

(1) The reasons for the action;
(2) The duration of the suspension, which may be indefinite;
(3) The fact that the action may be appealed to the Departmental Appeals Board and the time within which it must be appealed.

(d) During the period of suspension a grantee may not incur any valid obligations against Federal Head Start grant funds, nor may any grantee expenditure or provision of in-kind services or items of value made during the period be counted as applying toward any required matching contribution required of a grantee, except as otherwise provided in this part.

(e) The responsible HHS official may appoint an agency to serve as an interim grantee to operate the program until either the grantee’s suspension is lifted or a new grantee is selected in accordance with subpart B of this part.

(f) Any appeal to the Departmental Appeals Board must be made within five days of the grantee’s receipt of notice of suspension or return of the notice as undeliverable, refused, or unclaimed. Such an appeal must be in writing and it must fully set forth the reasons for the grantee’s appeal.
grounds for the appeal and be accompanied by all documentation that the grantee believes is relevant and supportive of its position.

All such appeals shall be addressed to the Departmental Appeals Board, and the appellant will send a copy of the appeal to the Commissioner, ACYF, and the responsible HHS official. Appeals will be governed by the Departmental Appeals Board’s regulations at 45 CFR part 16, except as otherwise provided in the Head Start appeals regulations. Any grantee requesting a hearing as part of its appeal shall be afforded one by the Departmental Appeals Board.

(g) If a grantee is successful on its appeal any costs incurred during the period of suspension that are otherwise allowable may be paid with Federal grant funds. Moreover, any cash or in-kind contributions of the grantee during the suspension period that are otherwise allowable may be counted toward meeting the grantee’s non-Federal share requirement.

(h) If a grantee’s appeal is denied by the Departmental Appeals Board, but the grantee is subsequently restored to the program because it has corrected those conditions which warranted the suspension, its activities during the period of the suspension remain outside the scope of the program.

Federal funds may not be used to offset any costs during the period, nor may any cash or in-kind contributions received during the period be used to meet non-Federal share requirements.

(i) If the Federal agency institutes termination proceedings during a suspension, or denies refunding, the two actions shall merge and the grantee need not file a new appeal. Rather, the Departmental Appeals Board will be notified by the Federal agency and will automatically be vested with jurisdiction over the termination action or the denial of refunding and will, pursuant to its rules and procedures, permit the grantee to respond to the notice of termination. In a situation where a suspension action is merged into a termination action in accordance with this section, the suspension continues until there is an administrative decision by the Departmental Appeals Board on the grantee’s appeal.
copy of the appeal sent to the responsible HHS official and the Commissioner, ACYF) and that such appeal shall be governed by 45 CFR part 16, except as otherwise provided in the Head Start appeals regulations, and that any grantee that requests a hearing shall be afforded one, as mandated by 42 U.S.C. 9841.

3. That the appeal may be made only by the Board of Directors of the grantee or an official acting on behalf of such Board.

4. That, if the activities of a delegate agency are the basis, in whole or in part, for the proposed termination, the identity of the delegate agency.

5. That the grantee’s appeal must meet the requirements set forth in paragraph (d) of this section.

6. That a failure by the responsible HHS official to meet the requirements of this paragraph may result in the dismissal of the termination action without prejudice, or the remand of that action for the purpose of reissuing it with the necessary corrections.

(d) A grantee’s appeal must:

1. Be in writing;

2. Specifically identify what factual findings are disputed;

3. Identify any legal issues raised, including relevant citations;

4. Include an original and two copies of each document the grantee believes is relevant and supportive of its position (unless the grantee has obtained permission from the Departmental Appeals Board to submit fewer copies);

5. Include any request for specifically identified documents the grantee wishes to obtain from ACF and a statement of the relevance of the requested documents, and a statement that the grantee has attempted informally to obtain the documents from ACF and was unable to do so;

6. Grantees may submit additional documents within 14 days of receipt of the documentation submitted by ACF in response to the grantee’s appeal and initial submittals. The ACF response to the appeal and initial submittals of the grantee shall be filed no later than 30 days after ACF’s receipt of the material. In response to such a submittal, ACF may submit additional documents should it have any, or request discovery in connection with the new documents, or both, but must do so within 10 days of receipt of the additional filings;

7. Include a statement on whether the grantee is requesting a hearing;

8. Be filed with the Departmental Appeals Board and be served on the responsible HHS official who issued the termination notice and on the Commissioner of ACYF. The grantee must also serve a copy of the appeal on any delegate agency that would be financially affected at the time the grantee files its appeal.

(e) The Departmental Appeals Board sanctions with respect to a grantee’s failure to comply with the provisions of paragraph (d) of this section are as follows:

1. If in the judgment of the Departmental Appeals Board a grantee has failed to substantially comply with the provisions of the preceding paragraphs of this section, its appeal must be dismissed with prejudice.

2. If the Departmental Appeals Board concludes that the grantee’s failures are not substantial, but are confined to one or a few specific instances, it shall bar the submittal of an omitted document, or preclude the raising of an argument or objection not timely raised in the appeal, or deny a request for a document or other “discovery” request not timely made.

3. The sanctions set forth in paragraphs (e)(1) and (2) of this section shall not apply if the Departmental Appeals Board determines that the grantee has shown good cause for its failure to comply with the relevant requirements. Delays in obtaining representation shall not constitute good cause. Matters within the control of its agents and attorneys shall be deemed to be within the control of the grantee.

(f) (1) During a grantee’s appeal of a termination decision, funding will continue until an adverse decision is rendered or until expiration of the then current budget period. At the end of the current budget period, if a decision has not been rendered, the responsible HHS official shall award an interim grant to the grantee until a decision is made.
(2) If a grantee’s funding has been suspended, no funding shall be available during the termination proceedings, or at any other time, unless the action is rescinded or the grantee’s appeal is successful. An interim grantee will be appointed during the appeal period.

(3) If a grantee does not appeal an administrative decision to court within 30 days of its receipt of the decision, a replacement grantee will be immediately sought. An interim grantee may be named, if needed, pending the selection of a replacement grantee.

(4) An interim grantee may be sought even though the grantee has appealed an administrative decision to court within 30 days, if the responsible HHS official determines it necessary to do so. Examples of circumstances that warrant an interim grantee are to protect children and families from harm and Federal funds from misuse or dissipation or both.

(g) If the Departmental Appeals Board informs a grantee that a proposed termination action has been set down for hearing, the grantee shall, within five days of its receipt of this notice, send a copy of it to all delegate agencies which would be financially affected by the termination and to each delegate agency identified in the notice. The grantee shall send the Departmental Appeals Board and the responsible HHS official a list of all delegate agencies notified and the dates of notification.

(h) If the responsible HHS official initiated termination proceedings because of the activities of a delegate agency, that delegate agency may participate in the hearing as a matter of right. Any other delegate agency, person, agency or organization that wishes to participate in the hearing may request permission to do so from the Departmental Appeals Board. Any request for participation, including a request by a delegate agency, must be filed within 30 days of the grantee’s appeal.

(i) The results of the proceeding and any measure taken thereafter by ACYF pursuant to this part shall be fully binding upon the grantee and all its delegate agencies, whether or not they actually participated in the hearing.

(j) A grantee may waive a hearing and submit written information and argument for the record. Such material shall be submitted within a reasonable period of time to be fixed by the Departmental Appeals Board upon the request of the grantee. The failure of a grantee to request a hearing, or to appear at a hearing for which a date had been set, unless excused for good cause, shall be deemed a waiver of the right to a hearing and consent to the making of a decision on the basis of written information and argument submitted by the parties to the Departmental Appeals Board.

(k) The responsible HHS official may attempt, either personally or through a representative, to resolve the issues in dispute by informal means prior to the hearing.

§ 1303.15 Appeal by a grantee from a denial of refunding.

(a) After receiving concurrence from the Commissioner, ACYF, a grantee’s application for refunding may be denied by the responsible HHS official for circumstances described in paragraph (c) of this section.

(b) When an intention to deny a grantee’s application for refunding is arrived at on a basis to which this subpart applies, the responsible HHS official will provide the grantee as much advance notice thereof as is reasonably possible, in no event later than 30 days after the receipt by ACYF of the application. The notice will inform the grantee that it has the opportunity for a full and fair hearing on whether refunding should be denied.

(1) Such appeals shall be governed by 45 CFR part 16, except as otherwise provided in the Head Start appeals regulations. Any grantee which requests a hearing shall be afforded one, as mandated by 42 U.S.C. 9841.

(2) Any such appeals must be filed within 30 days after the grantee receives notice of the decision to deny refunding.

(c) Refunding of a grant may be denied for any or all of the reasons for which a grant may be terminated, as set forth in §1303.14(b) of this part.
§ 1303.16

(d) Decisions to deny refunding shall be in writing, signed by the responsible HHS official, dated, and sent in compliance with §1303.5 of this part or by telegram, or by any other mode establishing the date sent and received by the addressee, or the date it was determined delivery could not be made, or the date delivery was refused. A Notice of Decision shall contain:

(1) The legal basis for the denial of refunding under paragraph (c) of this section, the factual findings on which the denial of refunding is based or references to specific findings in another document that form the basis for the denial of refunding (such as reference to item numbers in an on-site review report or instrument), and citation to any statutory provisions, regulations or policy issuances on which ACF is relying for its determination.

(2) The identity of the delegate agency, if the activities of that delegate agency are the basis, in whole or in part, for the proposed denial of refunding; and

(3) If the responsible HHS official has initiated denial of refunding proceedings because of the activities of a delegate agency, the delegate agency may participate in the hearing as a matter of right. Any other delegate agency, person, agency or organization that wishes to participate in the hearing may request permission to do so from the Departmental Appeals Board. Any request for participation, including a request by a delegate agency, must be filed within 30 days of the grantee’s appeal.

(g) Paragraphs (i), (j), and (k) of 45 CFR 1303.14 shall apply to appeals of denials of refunding.

(h) The Departmental Appeals Board sanctions with respect to a grantee’s appeal of denial of refunding are as follows:

(1) If in the judgment of the Departmental Appeals Board a grantee has failed to substantially comply with the provisions of the preceding paragraphs of this section, its appeal must be dismissed with prejudice.

(2) If the Departmental Appeals Board concludes that the grantee’s failure to comply is not substantial, but is confined to one or a few specific instances, it shall bar the submittal of an omitted document, or preclude the raising of an argument or objection not timely raised in the appeal, or deny a request for a document or other discovery request not timely made.

(3) The sanctions set forth in paragraphs (h)(1) and (2) of this section shall not apply if the Departmental Appeals Board determines that a grantee has shown good cause for its failure to comply with the relevant requirements. Delays in obtaining representation shall not constitute good cause. Matters within the control of its agents and attorneys shall be deemed to be within the control of the grantee.

§ 1303.16 Conduct of hearing.

(a) The presiding officer shall conduct a full and fair hearing, avoid delay, maintain order, and make a sufficient record of the facts and issues. To accomplish these ends, the presiding officer shall have all powers authorized by law, and may make all procedural and evidentiary rulings necessary for the conduct of the hearing. The hearing shall be open to the public unless the presiding officer for good cause shown otherwise determines.
§ 1303.17 Communications outside the record prohibited

(b) Communications outside the record are prohibited as provided by 45 CFR 16.17.

(c) Both ACYF and the grantee are entitled to present their case by oral or documentary evidence, to submit rebuttal evidence and to conduct such examination and cross-examination as may be required for a full and true disclosure of all facts bearing on the issues. The issues shall be those stated in the notice required to be filed by paragraph (g) of this section, those stipulated in a prehearing conference or those agreed to by the parties.

(d) Prepared written direct testimony will be used in appeals under this part in lieu of oral direct testimony. When the parties submit prepared written direct testimony, witnesses must be available at the hearing for cross-examination and redirect examination. If a party can show substantial hardship in using prepared written direct testimony, the Departmental Appeals Board may exempt it from the requirement. However, such hardship must be more than difficulty in doing so, and it must be shown with respect to each witness.

(e) In addition to ACYF, the grantee, and any delegate agencies which have a right to appear, the presiding officer may permit the participation in the proceedings of such persons or organizations as deemed necessary for a proper determination of the issues involved. Such participation may be limited to those issues or activities which the presiding officer believes will meet the needs of the proceeding, and may be limited to the filing of written material.

(f) Any person or organization that wishes to participate in a proceeding may apply for permission to do so from the Departmental Appeals Board. This application must be made within 30 days of the grantee’s appeal in the case of the appeal of termination or denial of refunding, and as soon as possible after the notice of suspension has been received by the grantee. It must state the applicant’s interest in the proceeding, the evidence or arguments the applicant intends to contribute, and the necessity for the introduction of such evidence or arguments.

(g) The presiding officer shall permit or deny such participation and shall give notice of his or her decision to the applicant, the grantee, and ACYF, and, in the case of denial, a brief statement of the reasons therefor. Even if previously denied, the presiding officer may subsequently permit such participation if, in his or her opinion, it is warranted by subsequent circumstances. If participation is granted, the presiding officer shall notify all parties of that fact and may, in appropriate cases, include in the notification a brief statement of the issues as to which participation is permitted.

(b) The Departmental Appeals Board will send the responsible HHS official, the grantee and any other party a notice which states the time, place, nature of the hearing, and the legal authority and jurisdiction under which the hearing is to be held. The notice will also identify with reasonable specificity and ACYF requirements which the grantee is alleged to have violated. The notice will be served and filed not later than ten work days prior to the hearing.

§ 1303.17 Time for hearing and decision

(a) Any hearing on an appeal by a grantee from a notice of suspension, termination, or denial of refunding must be commenced no later than 120 days from the date the grantee’s appeal is received by the Departmental Appeals Board. The final decision in an appeal whether or not there is a hearing must be rendered not later than 60 days after the closing of the record, i.e., 60 days after the Board receives the final authorized submission in the case.

(b) All hearings will be conducted expeditiously and without undue delay or postponement.

(c) The time periods established in paragraph(a) of this section may be extended if:

(1) The parties jointly request a stay to engage in settlement negotiations,

(2) Either party requests summary disposition; or

(3) The Departmental Appeals Board determines that the Board is unable to hold a hearing or render its decision within the specified time period for
§ 1303.20 Appeals to grantees by current or prospective delegate agencies of rejection of an application, failure to act on an application or termination of a grant or contract.

(a) A grantee must give prompt, fair and adequate consideration to applications submitted by current or prospective delegate agencies to operate Head Start programs. The failure of the grantee to act within 30 days after receiving the application is deemed to be a rejection of the application.

(b) A grantee must notify an applicant in writing within 30 days after receiving the application of its decision to either accept or to wholly or substantially reject it. If the decision is to wholly or substantially reject the application, the notice shall contain a statement of the reasons for the decision and that the applicant has the right to appeal the decision within ten work days after receipt of the notice. If a grantee fails to act on the application by the end of the 30 day period which grantees have to review applications, the current or prospective delegate agency may appeal to the grantee, in writing, within 15 work days of the end of the 30 day grantee review period.

(c) A grantee must notify a delegate agency in writing of its decision to terminate its agreement with the delegate agency, explaining the reasons for its decision and that the delegate agency has the right to appeal the decision to the grantee within ten work days after receipt of the notice.

(d) The grantee has 20 days to review the written appeal and issue its decision. If the grantee sustains its earlier termination of an award or its rejection of an application, the current or prospective delegate agency then may appeal, in writing, to the responsible HHS official. The appeal must be submitted to the responsible HHS official within ten work days after the receipt of the grantee’s final decision. The appeal must fully set forth the grounds for the appeal.

(e) A grantee may not reject the application or terminate the operations of a delegate agency on the basis of defects or deficiencies in the application without first:

1. Notifying the delegate agency of the defects and deficiencies;
2. Providing, or providing for, technical assistance so that defects and deficiencies can be corrected by the delegate agency; and
3. Giving the delegate agency the opportunity to make appropriate corrections.

(f) An appeal filed pursuant to a grantee failing to act on a current or prospective delegate agency’s application within a 30 day period need only contain a copy of the application, the date filed, and any proof of the date the grantee received the application. The grantee shall have five days in which to respond to the appeal.

(g) Failure to appeal to the grantee regarding its decision to reject an application, terminate an agreement, or failure to act on an application shall bar any appeal to the responsible HHS official.

§ 1303.21 Procedures for appeal by current or prospective delegate agencies to the responsible HHS official from denials by grantees of an application or failure to act on an application.

(a) Any current or prospective delegate agency that is dissatisfied with the decision of a grantee rendered under § 1303.20 may appeal to the responsible HHS official whose decision is final and not appealable to the Commissioner, ACYF. Such an appeal must be in writing and it must fully set forth the grounds for the appeal and be accompanied by all documentation that the current or prospective delegate agency believes is relevant and supportive of this position, including all written material or documentation submitted to the grantee under the procedures set forth in § 1303.20, as well as a copy of any decision rendered by the grantee. A copy of the appeal and all material filed with the responsible HHS official must be simultaneously served on the grantee.
(b) In providing the information required by paragraph (a) of this section, delegate agencies must set forth:

(1) Whether, when and how the grantee advised the delegate agency of alleged defects and deficiencies in the delegate agency’s application or in the operation of its program prior to the grantee’s rejection or termination notice;

(2) Whether the grantee provided the delegate agency reasonable opportunity to correct the defects and deficiencies, the details of the opportunity that was given and whether or not the grantee provided or provided for technical advice, consultation, or assistance to the current delegate agency concerning the correction of the defects and deficiencies;

(3) What steps or measures, if any, were undertaken by the delegate agency to correct any defects or deficiencies;

(4) When and how the grantee notified the delegate agency of its decision;

(5) Whether the grantee told the delegate agency the reasons for its decision and, if so, how such reasons were communicated to the delegate agency and what they were;

(6) If it is the delegate agency’s position that the grantee acted arbitrarily or capriciously, the reasons why the delegate agency takes this position; and

(7) Any other facts and circumstances which the delegate agency believes supports its appeal.

(c) The grantee may submit a written response to the appeal of a prospective delegate agency. It may also submit additional information which it believes is relevant and supportive of its position.

(d) In the case of an appeal by a delegate agency, the grantee must submit a written statement to the responsible HHS official responding to the items specified in paragraph (b) of this section. The grantee must include information that explains why it acted properly in arriving at its decision or in failing to act, and any other facts and circumstances which the grantee believes supports its position.

(e)(1) The responsible HHS official may meet informally with the current or prospective delegate agency if such official determines that such a meeting would be beneficial to the proper resolution of the appeal. Such meetings may be conducted by conference call.

(2) An informal meeting must be requested by the current or prospective delegate agency at the time of the appeal. In addition, the grantee may request an informal meeting with the responsible HHS official. If none of the parties requests an informal meeting, the responsible HHS official may hold such a meeting if he or she believes it would be beneficial for a proper resolution of the dispute. Both the grantee and the current or prospective delegate agency may attend any informal meeting concerning the appeal. If a party wishes to oppose a request for a meeting it must serve its opposition on the responsible HHS official and any other party within five work days of its receipt of the request.

(f) A grantee’s response to appeals by current or prospective delegate agencies must be submitted to the responsible HHS official within ten work days of receipt of the materials served on it by the current or prospective delegate agency in accordance with paragraph (a) of this section. The grantee must serve a copy of its response on the current or prospective delegate agency.

(g) The responsible HHS official shall notify the current or prospective delegate agency and the grantee whether or not an informal meeting will be held. If an informal meeting is held, it must be held within ten work days after the notice by the responsible HHS official is mailed. The responsible HHS official must designate either the Regional Office or the place where the current or prospective delegate agency or grantee is located for holding the informal meeting.

(h) If an informal meeting is not held, each party shall have an opportunity to reply in writing to the written statement submitted by the other party. The written reply must be submitted to the responsible HHS official within five work days after the notification required by paragraph (g) of this section. If a meeting is not to be held, notice of that fact shall be served on the parties within five work days of the receipt of a timely response to such a request or the expiration of the time
§ 1303.22 Decision on appeal in favor of grantee.

(a) If the responsible HHS official finds in favor of the grantee, the appeal will be dismissed unless there is cause to remand the matter back to the grantee.

(b) The grantee’s decision will be sustained unless it is determined by the responsible HHS official that the grantee acted arbitrarily, capriciously, or otherwise contrary to law, regulation, or other applicable requirements.

(c) The decision will be made within ten workdays after the informal meeting. The decision, including a statement of the reasons therefor, will be in writing, and will be served on the parties within five workdays from the date of the decision by the responsible HHS official.

(d) If the decision is made on the basis of written materials only, the decision will be made within five workdays of the receipt of the materials. The decision will be served on the parties no more than five days after it is made.

§ 1303.23 Decision on appeal in favor of the current or prospective delegate agency.

(a) The responsible HHS official will remand the rejection of an application or termination of an agreement to the grantee for prompt reconsideration and decision if the responsible HHS official’s decision does not sustain the grantee’s decision, and if there are issues which require further development before a final decision can be made. The grantee’s reconsideration and decision must be made in accordance with all applicable requirements of this part as well as other relevant regulations, statutory provisions, and program issuances. The grantee must issue its decision on remand in writing to both the current or prospective delegate agency and the responsible HHS official within 15 workdays after the date of receipt of the remand.

(b) If the current or prospective delegate agency is dissatisfied with the grantee’s decision on remand, it may appeal to the responsible HHS official within five workdays of its receipt of that decision. Any such appeal must comply with the requirements of §1303.21 of this part.

(c) If the responsible HHS official finds that the grantee’s decision on remand is incorrect or if the grantee fails to issue its decision within 15 workdays, the responsible HHS official will entertain an application by the current or prospective delegate agency for a direct grant.

(1) If such an application is approved, there will be a commensurate reduction in the level of funding of the grantee and whatever other action is deemed appropriate in the circumstances. Such reduction in funding shall not be considered a termination or denial of refunding and may not be appealed under this part.

(2) If such an application is not approved, the responsible HHS official will take whatever action he or she deems appropriate under the circumstances.

(d) If, without fault on the part of a delegate agency, its operating funds are exhausted before its appeal has been decided, the grantee will furnish sufficient funds for the maintenance of the delegate agency’s current level of operations until a final administrative decision has been reached.

(e) If the responsible HHS official sustains the decision of the grantee following remand, he or she shall notify the parties of the fact within 15 workdays of the receipt of final submittal of documents, or of the conclusion of any meeting between the official and the parties, whichever is later.

PART 1304—PROGRAM PERFORMANCE STANDARDS FOR THE OPERATION OF HEAD START PROGRAMS BY GRANTEE AND DELEGATE AGENCIES

Subpart A—General

§ 1304.1 Purpose and scope.

This part describes regulations implementing sections 641A, 644(a) and (c), and 645A(h) of the Head Start Act, as amended (42 U.S.C. 9801 et seq.). Section 641A, paragraph (a) (3)(C) directs the Secretary of Health and Human Services to review and revise, as necessary, the Head Start Program Performance Standards in effect under prior law. This paragraph further provides that any revisions should not result in an elimination or reduction of requirements regarding the scope or types of Head Start services to a level below that of the requirements in effect on November 2, 1978. Section 641A(a) directs the Secretary to issue regulations establishing performance standards and minimum requirements with respect to health, education, parent involvement, nutrition, social, transition, and other Head Start services as well as administrative and financial management, facilities, and other appropriate program areas. Sections 644(a) and (c) require the issuance of regulations setting standards for the organization, management, and administration of Head Start programs. Section 645A(h) requires that the Secretary develop and publish performance standards for the newly authorized program for low-income pregnant women and families with infants and toddlers, entitled “Early Head Start.” The following regulations respond to these provisions in the Head Start Act, as amended, for new or revised Head Start Program Performance Standards. These new regulations define standards and minimum requirements for the entire range of Early Head Start and Head Start services, including those specified in the authorizing legislation. They are applicable to both Head Start and Early Head Start programs, with the exceptions noted, and are to be used in conjunction with the regulations at 45 CFR parts 1301, 1302, 1303, 1305, 1306, and 1308.

§ 1304.2 Effective date.

Early Head Start and Head Start grantee and delegate agencies must comply with these requirements on January 1, 1998. Nothing in this part

§ 1304.20

45 CFR Ch. XIII (10–1–01 Edition)

age appropriate preventive and primary health care which includes medical, dental and mental health. Such a schedule must incorporate the requirements for a schedule of well child care utilized by the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) program of the Medicaid agency of the State in which they operate, and the latest immunization recommendations issued by the Centers for Disease Control and Prevention, as well as any additional recommendations from the local Health Services Advisory Committee that are based on prevalent community health problems:

(A) For children who are not up-to-date on an age-appropriate schedule of well child care, grantee and delegate agencies must assist parents in making the necessary arrangements to bring the child up-to-date;

(B) For children who are up-to-date on an age-appropriate schedule of well child care, grantee and delegate agencies must ensure that they continue to follow the recommended schedule of well child care; and

(C) Grantee and delegate agencies must establish procedures to track the provision of health care services.

(iii) Obtain or arrange further diagnostic testing, examination, and treatment by an appropriate licensed or certified professional for each child with an observable, known or suspected health or developmental problem; and

(iv) Develop and implement a follow-up plan for any condition identified in 45 CFR 1304.20(a)(1)(ii) and (iii) so that any needed treatment has begun.

(2) Grantee and delegate agencies operating programs of shorter durations (90 days or less) must complete the above processes and those in 45 CFR 1304.20(b)(1) within 30 calendar days from the child’s entry into the program.

(b) Screening for developmental, sensory, and behavioral concerns. (1) In collaboration with each child’s parent, and within 45 calendar days of the child’s entry into the program, grantee and delegate agencies must perform or obtain linguistically and age appropriate screening procedures to identify concerns regarding a child’s developmental, sensory (visual and auditory), behavioral, motor, language, social, cognitive, perceptual, and emotional skills (see 45 CFR 1308.6(b)(3) for additional information). To the greatest extent possible, these screening procedures must be sensitive to the child’s cultural background.

(2) Grantee and delegate agencies must obtain direct guidance from a mental health or child development professional on how to use the findings to address identified needs.

(3) Grantee and delegate agencies must utilize multiple sources of information on all aspects of each child’s development and behavior, including input from family members, teachers, and other relevant staff who are familiar with the child’s typical behavior.

(c) Extended follow-up and treatment. (1) Grantee and delegate agencies must establish a system of ongoing communication with the parents of children with identified health needs to facilitate the implementation of the follow-up plan.

(2) Grantee and delegate agencies must provide assistance to the parents, as needed, to enable them to learn how to obtain any prescribed medications, aids or equipment for medical and dental conditions.

to access other available sources of funding.

(d) Ongoing care. In addition to assuring children's participation in a schedule of well child care, as described in §1304.20(a) of this part, grantee and delegate agencies must implement ongoing procedures by which Early Head Start and Head Start staff can identify any new or recurring medical, dental, or developmental concerns so that they may quickly make appropriate referrals. These procedures must include: periodic observations and recordings, as appropriate, of individual children's developmental progress, changes in physical appearance (e.g., signs of injury or illness) and emotional and behavioral patterns. In addition, these procedures must include observations from parents and staff.

(e) Involving parents. In conducting the process, as described in §§1304.20(a), (b), and (c), and in making all possible efforts to ensure that each child is enrolled in and receiving appropriate health care services, grantee and delegate agencies must:

(1) Consult with parents immediately when child health or developmental problems are suspected or identified;

(2) Familiarize parents with the use of and rationale for all health and developmental procedures administered through the program or by contract or agreement, and obtain advance parent or guardian authorization for such procedures. (5) If a parent or other legally responsible adult refuses to give authorization for health services, grantee and delegate agencies must maintain written documentation of the refusal.

(f) Individualization of the program. (1) Grantee and delegate agencies must use the information from the screening for developmental, sensory, and behavioral concerns, the ongoing observations, medical and dental evaluations and treatments, and insights from the child's parents to help staff and parents determine how the program can best respond to each child's individual characteristics, strengths and needs.

(2) To support individualization for children with disabilities in their programs, grantee and delegate agencies must assure that:

(i) Services for infants and toddlers with disabilities and their families support the attainment of the expected outcomes contained in the Individualized Family Service Plan (IFSP) for children identified under the infants and toddlers with disabilities program (Part H) of the Individuals with Disabilities Education Act, as implemented by their State or Tribal government;

(ii) Enrolled families with infants and toddlers suspected of having a disability are promptly referred to the local early intervention agency designated by the State Part H plan to coordinate any needed evaluations, determine eligibility for Part H services, and coordinate the development of an IFSP for children determined to be eligible under the guidelines of that State's program. Grantee and delegate agencies must support parent participation in the evaluation and IFSP development process for infants and toddlers enrolled in their program;

(iii) They participate in and support efforts for a smooth and effective transition for children who, at age three, will need to be considered for services for preschool age children with disabilities; and

(5) Established methods for handling cases of suspected or known child abuse and neglect that are in compliance with applicable Federal, State, or Tribal laws.

(b) Conditions of short-term exclusion and admittance. (1) Grantee and delegate agencies must temporarily exclude a child with a short-term injury or an acute or short-term contagious illness, that cannot be readily accommodated, from program participation in center-based activities or group experiences, but only for that generally short-term period when keeping the child in care poses a significant risk to the health or safety of the child or anyone in contact with the child.

(2) Grantee and delegate agencies must not deny program admission to any child, nor exclude any enrolled child from program participation for a long-term period, solely on the basis of his or her health care needs or medication requirements unless keeping the child in care poses a significant risk to the health or safety of the child or anyone in contact with the child.

(c) Medication administration. Grantee and delegate agencies must establish and maintain written procedures regarding the administration, handling, and storage of medication for every child. Grantee and delegate agencies may modify these procedures as necessary to satisfy State or Tribal laws, but only where such laws are consistent with Federal laws. The procedures must include:

This process must be initiated as early after enrollment as possible and it must take into consideration each family’s readiness and willingness to participate in the process.

(2) As part of this ongoing partnership, grantees and delegate agencies must offer parents opportunities to develop and implement individualized family partnership agreements that describe family goals, responsibilities, timetables and strategies for achieving these goals as well as progress in achieving them. (3) Within the guidelines established by the governing body, Policy Council, or Policy Committee, participate in the recruitment and screening of Early Head Start and Head Start employees.

(f) Policy Council, Policy Committee, and Parent Committee reimbursement. Grantee and delegate agencies must enable low-income members to participate fully in their group responsibilities by providing, if necessary, reimbursements for reasonable expenses incurred by the members.

(g) Governing body responsibilities. (1) Grantee and delegate agencies must have written policies that define the roles and responsibilities of the governing body members and that inform them of the management procedures and functions necessary to implement a high quality program.

§ 1304.60 Deficiencies and quality improvement plans.

(a) Early Head Start and Head Start grantee and delegate agencies must comply with the requirements of this part in accordance with the effective date set forth in 45 CFR 1304.2.
(b) If the responsible HHS official, as a result of information obtained from a review of an Early Head Start or a Head Start grantee, determines that the grantee has one or more deficiencies, as defined in § 1304.3(a)(6) of this part, and therefore also is in violation of the minimum requirements as defined in § 1304.3(a)(14) of this part, he or she will notify the grantee promptly, in writing, of the finding, identifying the deficiencies to be corrected and, with respect to each identified deficiency, will inform the grantee that it must correct the deficiency either immediately or pursuant to a Quality Improvement Plan.
(c) An Early Head Start or Head Start grantee with one or more deficiencies to be corrected under a Quality Improvement Plan must submit to the responsible HHS official a Quality Improvement Plan specifying, for each identified deficiency, the actions that the grantee will take to correct the deficiency and the timeframe within which it will be corrected. In no case can the timeframes proposed in the Quality Improvement Plan exceed one year from the date that the grantee received official notification of the deficiencies to be corrected.
(d) Within 30 days of the receipt of the Quality Improvement Plan, the responsible HHS official will notify the Early Head Start or Head Start grantee, in writing, of the Plan’s approval or

(f) If an Early Head Start or Head Start grantee fails to correct a deficiency, either immediately, or within the timeframe specified in the approved Quality Improvement Plan, the responsible HHS official will issue a letter of termination or denial of funding. Head Start grantees may appeal terminations and denials of funding under 45 CFR part 1303, while Early Head Start grantees may appeal terminations and denials of funding only under 45 CFR part 74 or part 92. A deficiency that is not timely corrected shall be a material failure of a grantee to comply with the terms and conditions of an award within the meaning of 45 CFR 74.61(a)(1), 45 CFR 74.62 and 45 CFR 92.43(a).

(The information and collection requirements are approved by the Office of Management and Budget (OMB) under OMB Control Number 0970-0148 for paragraphs (b) and (c).)

§ 1305.2  45 CFR Ch. XIII (10–1–01 Edition)

and related services. The term “children with disabilities” for children aged 3 to 5, inclusive, may, at a State’s discretion, include children experiencing developmental delays, as defined by the State and as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas: physical development, cognitive development, communication development, social or emotional development, or adaptive development; and who, by reason thereof, need special education and related services.

(b) Enrollment means the official acceptance of a family by a Head Start program and the completion of all procedures necessary for a child and family to begin receiving services.

(c) Enrollment opportunities mean vacancies that exist at the beginning of the enrollment year, or during the year because of children who leave the program, that must be filled for a program to achieve and maintain its funded enrollment.

(d) Enrollment year means the period of time, not to exceed twelve months, during which a Head Start program provides center or home-based services to a group of children and their families.

(e) Family means all persons living in the same household who are:

(1) Supported by the income of the parent(s) or guardian(s) of the child enrolling or participating in the program, and
(2) related to the parent(s) or guardian(s) by blood, marriage, or adoption.

(f) Funded enrollment means the number of children which the Head Start grantee is to serve, as indicated on the grant award.

(g) Head Start eligible means a child that meets the requirements for age and family income as established in this regulation or, if applicable, as established by grantees that meet the requirements of section 645(a)(2) of the Head Start Act. Up to ten percent of the children enrolled may be from families that exceed the low-income guidelines. Indian Tribes meeting the conditions specified in 45 CFR 1305.4(b)(3) are excepted from this limitation.

(h) Head Start program means a Head Start grantee or its delegate agency(ies).

(i) Income means gross cash income and includes earned income, military income (including pay and allowances), veterans benefits, Social Security benefits, unemployment compensation, and public assistance benefits. (l) Low-income family means a family whose total annual income before taxes is equal to, or less than, the income guidelines. For the purpose of eligibility, a child from a family that is receiving public assistance or a child in foster care is eligible even if the family income exceeds the income guidelines.

(m) Migrant family means, for purposes of Head Start eligibility, a family with children under the age of compulsory school attendance who changed their residence by moving from one geographic location to another, either intrastate or interstate, within the preceding two years for the purpose of engaging in agricultural work that involves the production and harvesting of tree and field crops and whose family income comes primarily from this activity.

(n) Recruitment means the systematic ways in which a Head Start program identifies families whose children are eligible for Head Start services, informs them of the services available, and encourages them to apply for enrollment in the program.

(o) Recruitment area means that geographic locality within which a Head Start program seeks to enroll Head Start children and families. The recruitment area can be the same as the
§ 1305.3 Determining community strengths and needs.

(a) Each Early Head Start grantee and Head Start grantee must identify its proposed service area in its Head Start grant application and define it by county or sub-county area, such as a municipality, town or census tract or a federally-recognized Indian reservation. With regard to Indian Tribes, the service area may include areas designated as near-reservation by the Bureau of Indian Affairs (BIA) or, in the absence of such a designation, a Tribe may propose to define its service area to include nearby areas where Indian children and families native to the reservation reside, provided the service area is approved by the Tribe’s governing council. Where the service area of a Tribe includes a non-reservation area, and that area is also served by another Head Start grantee, the Tribe will be authorized to serve children from families native to the reservation residing in the non-reservation area as well as children from families residing on the reservation.

(b) The grantee’s service area must be approved, in writing, by the responsible HHS official in order to assure that the service area is of reasonable size and, except in situations where a near-reservation designation or other expanded service area has been approved for a Tribe, does not overlap with that of other Head Start grantees.

(c) Each Early Head Start and Head Start grantee must conduct a Community Assessment within its service area once every three years. The Community Assessment must include the collection and analysis of the following information about the grantee’s Early Head Start or Head Start area:

(1) The demographic make-up of Head Start eligible children and families, including their estimated number, geographic location, and racial and ethnic composition;

(2) Other child development and child care programs that are serving Head Start eligible children, including publicly funded State and local preschool programs, and the approximate number of Head Start eligible children served by each;

(3) The estimated number of children with disabilities four years old or younger, including types of disabilities and relevant services and resources provided to these children by community agencies;

(4) Data regarding the education, health, nutrition and social service needs of Head Start eligible children and their families;

(5) The education, health, nutrition and social service needs of Head Start eligible children and their families as defined by families of Head Start eligible children and by institutions in the community that serve young children;

(6) Resources in the community that could be used to address the needs of Head Start eligible children and their families, including assessments of their availability and accessibility.

(d) The Early Head Start and Head Start grantee and delegate agency must use information from the Community Assessment to:

(1) Help determine the grantee’s philosophy, and its long-range and short-range program objectives;

(2) Determine the type of component services that are most needed and the program option or options that will be implemented;

(3) Determine the recruitment area that will be served by the grantee, if limitations in the amount of resources make it impossible to serve the entire service area.

(4) If there are delegate agencies, determine the recruitment area that will
§ 1305.4  
be served by the grantee and the recruitment area that will be served by each delegate agency. 

(5) Determine appropriate locations for centers and the areas to be served by home-based programs; and 

(6) Set criteria that define the types of children and families who will be given priority for recruitment and selection. 

(e) In each of the two years following completion of the Community Assessment the grantee must conduct a review to determine whether there have been significant changes in the information described in paragraph (b) of this section. If so, the Community Assessment must be updated and the decisions described in paragraph (c) of this section must be reconsidered. 

(f) The recruitment area must include the entire service area, unless the resources available to the Head Start grantee are inadequate to serve the entire service area. 

(g) In determining the recruitment area when it does not include the entire service area, the grantee must: 

(1) Select an area or areas that are among those having the greatest need for Early Head Start or Head Start services as determined by the Community Assessment; and 

(2) Include as many Head Start eligible children as possible within the recruitment area, so that: 

(i) The greatest number of Head Start eligible children can be recruited and have an opportunity to be considered for selection and enrollment in the Head Start program, and 

(ii) The Head Start program can enroll the children and families with the greatest need for its services. 

(The information collection requirements are approved by the Office of Management and Budget (OMB) under OMB Control Number 0970–0124 for paragraphs (b) and (d).) 

§ 1305.4  Age of children and family income eligibility. 

(a) To be eligible for Head Start services, a child must be at least three years old by the date used to determine eligibility for public school in the community in which the Head Start program is located, except in cases where the Head Start program’s approved grant provides specific authority to serve younger children. Examples of such exceptions are programs serving children of migrant families and Early Head Start programs. 

(b)(1) At least 90 percent of the children who are enrolled in each Head Start program must be from low-income families. 

(2) Except as provided in paragraph (b)(3) of this section, up to ten percent of the children who are enrolled may be children from families that exceed the low-income guidelines but who meet the criteria that the program has established for selecting such children and who would benefit from Head Start services. 

(3) A Head Start program operated by an Indian Tribe may enroll more than ten percent of its children from families whose incomes exceed the low-income guidelines when the following conditions are met: 

(i) All children from Indian and non-Indian families living on the reservation that meet the low-income guidelines who wish to be enrolled in Head Start are served by the program; 

(ii) All children from income-eligible Indian families native to the reservation living in non-reservation areas, approved as part of the Tribe’s service area, who wish to be enrolled in Head Start are served by the program. In those instances in which the non-reservation area is not served by another Head Start program, the Tribe must serve all of the income-eligible Indian and non-Indian children whose families wish to enroll them in Head Start prior to serving over-income children. 

(iii) The Tribe has the resources within its Head Start grant or from other non-Federal sources to enroll children from families whose incomes exceed the low-income guidelines without using additional funds from HHS intended to expand Head Start services; and 

(iv) At least 51 percent of the children to be served by the program are from families that meet the income-eligibility guidelines. 

(4) Programs which meet the conditions of paragraph (b)(3) of this section
must annually set criteria that are approved by the Policy Council and the Tribal Council for selecting over-income children who would benefit from such a program.

(c) The family income must be verified by the Head Start program before determining that a child is eligible to participate in the program.

(d) Verification must include examination of any of the following: Individual Income Tax Form 1040, W-2 forms, pay stubs, pay envelopes, written statements from employers, or documentation showing current status as recipients of public assistance.

(e) A signed statement by an employee of the Head Start program, identifying which of these documents was examined and stating that the child is eligible to participate in the program, must be maintained to indicate that income verification has been made.

§ 1305.5 Recruitment of children.

(a) In order to reach those most in need of Head Start services, each Head Start grantee and delegate agency must develop and implement a recruitment process that is designed to actively inform all families with Head Start eligible children within the recruitment area of the availability of services and encourage them to apply for admission to the program. This process may include canvassing the local community, use of news releases and advertising, and use of family referrals and referrals from other public and private agencies.

(b) During the recruitment process that occurs prior to the beginning of the enrollment year, a Head Start program must solicit applications from as many Head Start eligible families within the recruitment area as possible. If necessary, the program must assist families in filling out the application form in order to assure that all information needed for selection is completed.

(c) Each program, except migrant programs, must obtain a number of applications during the recruitment process that occurs prior to the beginning of the enrollment year that is greater than the enrollment opportunities that are anticipated to be available over the course of the next enrollment year in order to select those with the greatest need for Head Start services.

§ 1305.6 Selection process.

(a) Each Head Start program must have a formal process for establishing selection criteria and for selecting children and families that considers all eligible applicants for Head Start services. The selection criteria must be based on those contained in paragraphs (b) and (c) of this section.

(b) In selecting the children and families to be served, the Head Start program must consider the income of eligible families, the age of the child, the availability of kindergarten or first grade to the child, and the extent to which a child or family meets the criteria that each program is required to establish in §1305.3(c)(6). Migrant programs must also give priority to children from families whose pursuit of agricultural work required them to relocate most frequently within the previous two-year period.

(c) At least 10 percent of the total number of enrollment opportunities in each grantee and each delegate agency during an enrollment year must be made available to children with disabilities who meet the definition for children with disabilities in §1305.2(a). An exception to this requirement will be granted only if the responsible HHS official determines, based on such supporting evidence he or she may require, that the grantee made a reasonable effort to comply with this requirement but was unable to do so because there was an insufficient number of children with disabilities in the recruitment area who wished to attend the program and for whom the program was an appropriate placement based on their Individual Education Plans (IEP) or Individualized Family Service Plans (IFSP), with services provided directly by Head Start or Early Head Start in conjunction with other providers.

(d) Each Head Start program must develop at the beginning of each enrollment year and maintain during the year a waiting list that ranks children according to the program's selection process.
§ 1305.7 Enrollment and re-enrollment.

(a) Each child enrolled in a Head Start program, except those enrolled in a migrant program, must be allowed to remain in Head Start until kindergarten or first grade is available for the child in the child’s community, except that the Head Start program may choose not to enroll a child when there are compelling reasons for the child not to remain in Head Start, such as when there is a change in the child’s family income and there is a child with a greater need for Head Start services.

(b) A Head Start grantee must maintain its funded enrollment level. When a program determines that a vacancy exists, no more than 30 calendar days may elapse before the vacancy is filled. A program may elect not to fill a vacancy when 60 calendar days or less remain in the program’s enrollment year.

(c) If a child has been found income eligible and is participating in a Head Start program, he or she remains income eligible through that enrollment year and the immediately succeeding enrollment year. Children who are enrolled in a program receiving funds under the authority of section 645A of the Head Start Act (programs for families with infants and toddlers, or Early Head Start) remain income eligible while they are participating in the program. When a child moves from a program serving infants and toddlers to a Head Start program serving children age three and older, the family income must be reverified. If one agency operates both an Early Head Start and a Head Start program, and the parents wish to enroll their child who has been enrolled in the agency’s Early Head Start program, the agency must ensure, whenever possible, that the child receives Head Start services until enrolled in school.

[57 FR 46725, Oct. 9, 1992, as amended at 63 FR 12658, Mar. 16, 1998]

§ 1305.8 Attendance.

(a) When the monthly average daily attendance rate in a center-based program falls below 85 percent, a Head Start program must analyze the causes of absenteeism. The analysis must include a study of the pattern of absences for each child, including the reasons for absences as well as the number of absences that occur on consecutive days.

(b) If the absences are a result of illness or if they are well documented absences for other reasons, no special action is required. If, however, the absences result from other factors, including temporary family problems that affect a child’s regular attendance, the program must initiate appropriate family support procedures for all children with four or more consecutive unexcused absences. These procedures must include home visits or other direct contact with the child’s parents. Contacts with the family must emphasize the benefits of regular attendance, while at the same time remaining sensitive to any special family circumstances influencing attendance patterns. All contacts with the child’s family as well as special family support service activities provided by program staff must be documented.

(c) In circumstances where chronic absenteeism persists and it does not seem feasible to include the child in either the same or a different program option, the child’s slot must be considered an enrollment vacancy.

§ 1305.9 Policy on fees.

A Head Start program must not prescribe any fee schedule or otherwise provide for the charging of any fees for participation in the program. If the family of a child determined to be eligible for participation by a Head Start program volunteers to pay part or all of the costs of the child’s participation, the Head Start program may accept the voluntary payments and record the payments as program income.

Under no circumstances shall a Head Start program solicit, encourage, or in any other way condition a child’s enrollment or participation in the program upon the payment of a fee.
§ 1305.10 Compliance.

A grantee’s failure to comply with the requirements of this Part may result in a denial of refunding or termination in accordance with 45 CFR part 1303.

Subpart A—General

§ 1306.1 Purpose and scope.

This Part sets forth requirements for Early Head Start and Head Start program staffing and program options that all Early Head Start and Head Start grantee and delegate agencies, with the exception of Parent Child Center programs, must meet. The exception for Parent Child Centers is for fiscal years 1995, 1996, and 1997 as consistent with section 645A(e)(2) of the Head Start Act, as amended. These requirements, including those pertaining to staffing patterns, the choice of the program options to be implemented and the acceptable ranges in the implementation of those options, have been developed to help maintain and improve the quality of Early Head Start and Head Start and to help promote lasting benefits to the children and families being served. These requirements are to be used in conjunction with the Head Start Program Performance Standards at 45 CFR Part 1304, as applicable.

[61 FR 57226, Nov. 5, 1996]
§ 1306.20 Program staffing patterns.

(a) Grantees must meet the requirements of 45 CFR 1304.52(g), Classroom staffing and home visitors, in addition to the requirements of this Section.

(b) Grantees must provide adequate supervision of their staff.

(c) Grantees operating center-based program options must employ two paid staff persons (a teacher and a teacher aide or two teachers) for each class. Whenever possible, there should be a third person in the classroom who is a volunteer.

(d) Grantees operating home-based program options must employ home visitors responsible for home visits and group socialization activities.

(e) Grantees operating a combination program option must employ, for their classroom operations, two paid staff persons, a teacher and a teacher aide or two teachers, for each class. Whenever possible, there should be a third person in the classroom who is a volunteer. They must employ staff for home visits who meet the qualifications the grantee requires for home visitors.

(f) Classroom staff and home visitors must be able to communicate with the families they serve either directly or through a translator. They should also be familiar with the ethnic background of these families.

§ 1306.21 Staff qualification requirements.

Head Start programs must comply with section 648A of the Head Start Act and any subsequent amendments regarding the qualifications of classroom teachers.

[61 FR 57226, Nov. 5, 1996]

§ 1306.22 Volunteers.

(a) Head Start programs must use volunteers to the fullest extent possible. Head Start grantees must develop and implement a system to actively recruit, train and utilize volunteers in the program.
§ 1306.32 Center-based program option.

(a) Class size. (1) Head Start classes must be staffed by a teacher and an aide or two teachers and, whenever possible, a volunteer.

(2) Grantees must determine their class size based on the predominant age of the children who will participate in the class and whether or not a center-based double session variation is being implemented.

(3) For classes serving predominantly four or five-year-old children, the average class size of that group of classes must be between 17 and 20 children, with no more than 20 children enrolled in any one class.

(4) When double session classes serve predominantly four or five-year-old children, the average class size of that group of classes must be between 15.
and 17 children. A double session class for four or five-year-old children may have no more than 17 children enrolled. (See paragraph (c) of this section for other requirements regarding the double session variation.)

(5) For classes serving predominantly three-year-old children, the average class size of that group of classes must be between 15 and 17 children, with no more than 17 children enrolled in any one class.

(6) When double session classes serve predominantly three-year-old children, the average class size of that group of classes must be between 13 and 15 children. A double session class for three-year-old children may have no more than 15 children enrolled. (See paragraph (c) of this section for other requirements regarding the double session variation.)

(7) It is recommended that at least 13 children be enrolled in each center-based option class where feasible.

(8) A class is considered to serve predominantly four- or five-year-old children if more than half of the children in the class will be four or five years old by whatever date is used by the State or local jurisdiction in which the Head Start program is located to determine eligibility for public school.

(9) A class is considered to serve predominantly three-year-old children if more than half of the children in the class will be three years old by whatever date is used by the State or local jurisdiction in which Head Start is located to determine eligibility for public school.

(10) Head Start grantees must determine the predominant age of children in the class at the start of the year. There is no need to change that determination during the year.

(11) In some cases, State or local licensing requirements may be more stringent than these class requirements, preventing the required minimum numbers of children from being enrolled in the facility used by Head Start. Where this is the case, Head Start grantees must try to find alternative facilities that satisfy licensing requirements for the numbers of children cited above. If no alternative facilities are available, the responsible HHS official has the discretion to approve enrollment of fewer children than required above.

(12) The chart below may be used for easy reference:

(b) Center-based program option requirements. (1) Classes must operate for four or five days per week or some combination of four and five days per week.

(2) Classes must operate for a minimum of three and one-half to a maximum of six hours per day with four hours being optimal.

(3) The annual number of required days of planned class operations (days when children are scheduled to attend) is determined by the number of days per week each program operates. Programs that operate for four days per week must provide at least 128 days per year of planned class operations. Programs that operate for five days per week must provide at least 160 days per year of planned class operations. Grantees implementing a combination of four and five days per week must plan to operate between 128 and 160 days per year. The minimum number of planned days of service per year can be determined by computing the relative number of four and five day weeks that the program is in operation. All center-based program options must provide a minimum of 32 weeks of scheduled days of class operations over an eight or nine month period. Every effort should be made to schedule makeup classes using existing resources if planned class days fall below the number required per year.
(4) Programs must make a reasonable estimate of the number of days during a year that classes may be closed due to problems such as inclement weather or illness, based on their experience in previous years. Grantees must make provisions in their budgets and program plans to operate makeup classes and provide these classes, when needed, to prevent the number of days of service available to the children from falling below 128 days per year.

(5) Each individual child is not required to receive the minimum days of service, although this is to be encouraged in accordance with Head Start policies regarding attendance. The minimum number of days also does not apply to children with disabilities whose individualized education plan may require fewer planned days of service in the Head Start program.

(6) Head Start grantees operating migrant programs are not subject to the requirement for a minimum number of planned days, but must make every effort to provide as many days of service as possible to each migrant child and family.

(7) Staff must be employed for sufficient time to allow them to participate in pre-service training, to plan and set up the program at the start of the year, to close the program at the end of the year, to conduct home visits, to conduct health examinations, screening and immunization activities, to maintain records, and to keep service component plans and activities current and relevant. These activities should take place outside of the time scheduled for classes in center-based programs or home visits in home-based programs.

(8) Head Start grantees must develop and implement a system that actively encourages parents to participate in two home visits annually for each child enrolled in a center-based program option. These visits must be initiated and carried out by the child’s teacher. The child may not be dropped from the program if the parents will not participate in the visits.

(9) Head Start grantees operating migrant programs are required to plan for a minimum of two parent-teacher conferences for each child during the time they serve that child. Should time and circumstance allow, migrant programs must make every effort to conduct home visits.

(c) Double session variation. (1) A center-based option with a double session variation employs a single teacher to work with one group of children in the morning and a different group of children in the afternoon. Because of the larger number of children and families to whom the teacher must provide services, double session program options must comply with the requirements regarding class size explained in paragraph (a) of this section and with all other center-based requirements in paragraph (b) of this section with the exceptions and additions noted in paragraphs (c) (2) and (3) of this section.

(2) Each program must operate classes for four days per week.

(3) Each double session classroom staff member must be provided adequate break time during the course of the day. In addition, teachers, aides and volunteers must have appropriate time to prepare for each session together, to set up the classroom environment and to give individual attention to children entering and leaving the center.

(d) Full day variation. (1) A Head Start grantee implementing a center-based program option may operate a full day variation and provide more than six hours of class operations per day using Head Start funds. These programs must comply with all the requirements regarding the center-based program option found in paragraphs (a) and (b) of this section with the exception of paragraph (b)(2) regarding the hours of service per day.

(2) Programs are encouraged to meet the needs of Head Start families for full day services by securing funds from other agencies. Before implementing a full day variation of a center-based option, a Head Start grantee should demonstrate that alternative enrollment opportunities or funding from non-Head Start sources are not available for Head Start families needing full-day child care services.

(3) Head Start grantees may provide full day services only to those children and families with special needs that justify full day services or to those children whose parents are employed or in job training with no caregiver.
present in the home. The records of each child receiving services for more than six hours per day must show how each child meets the criteria stated above.

(e) Non-Head Start services. Grantees may charge for services which are provided outside the hours of the Head Start program.

§ 1306.33 Home-based program option.
(a) Grantees implementing a home-based program option must:
(1) Provide one home visit per week per family (a minimum of 32 home visits per year) lasting for a minimum of 1 and ½ hours each.
(2) Provide, at a minimum, two group socialization activities per month for each child (a minimum of 16 group socialization activities each year).
(3) Make up planned home visits or scheduled group socialization activities that were canceled by the grantee or by program staff when this is necessary to meet the minimums stated above. Medical or social service appointments may not replace home visits or scheduled group socialization activities.
(4) Allow staff sufficient employed time to participate in pre-service training, to plan and set up the program at the start of the year, to close the program at the end of the year, to maintain records, and to keep component and activities plans current and relevant. These activities should take place when no home visits or group socialization activities are planned.
(5) Maintain an average caseload of 10 to 12 families per home visitor with a maximum of 12 families for any individual home visitor.
(b) Home visits must be conducted by trained home visitors with the content of the visit jointly planned by the home visitor and the parents. Home visitors must conduct the home visit with the participation of parents. Home visits may not be conducted by the home visitor with only babysitters or other temporary caregivers in attendance.
(1) The purpose of the home visit is to help parents improve their parenting skills and to assist them in the use of the home as the child’s primary learning environment. The home visitor must work with parents to help them provide learning opportunities that enhance their child’s growth and development.
(2) Home visits must, over the course of a month, contain elements of all Head Start program components. The home visitor is the person responsible for introducing, arranging and/or providing Head Start services.
(c) Group socialization activities must be focused on both the children and parents. They may not be conducted by the home visitor with babysitters or other temporary caregivers.
(1) The purpose of these socialization activities for the children is to emphasize peer group interaction through age appropriate activities in a Head Start classroom, community facility, home, or on a field trip. The children are to be supervised by the home visitor with parents observing at times and actively participating at other times.
(2) These activities must be designed so that parents are expected to accompany their children to the group socialization activities at least twice each month to observe, to participate as volunteers or to engage in activities designed specifically for the parents.
(3) Grantees must follow the nutrition requirements specified in 45 CFR 1304.23(b)(2) and provide appropriate snacks and meals to the children during group socialization activities.

§ 1306.34 Combination program option.
(a) Combination program option requirements: (1) Grantees implementing a combination program option must provide class sessions and home visits that result in an amount of contact with children and families that is, at a minimum, equivalent to the services provided through the center-based program option or the home-based program option.
(2) Acceptable combinations of minimum number of class sessions and corresponding number of home visits are shown below. Combination programs must provide these services over a period of 8 to 12 months.

§1306.32 (b) (2), (5), (6), (7) and (9).

(3) The following are examples of various configurations that are possible for a program that operates for 32 weeks:

- A program operating classes three days a week and providing one home visit a month (96 classes and 8 home visits a year);
- A program operating classes two days a week and providing two home visits a month (64 classes and 16 home visits a year);
- A program operating classes one day a week and providing three home visits a month (32 classes and 24 home visits a year).

(4) Grantees operating the combination program option must make a reasonable estimate of the number of days during a year that centers may be closed due to problems such as inclement weather or illness, based on their experience in previous years. Grantees must make provisions in their budgets and program plans to operate make-up classes up to the estimated number, and provide these classes, when necessary, to prevent the number of days of classes from falling below the number required by paragraph (a)(2) of this section. Grantees must make up planned home visits that were canceled by the program or by the program staff if this is necessary to meet the minimums required by paragraph (a)(2) of this section. Medical or social service appointments may not replace home visits.

(b) Requirements for class sessions: (1) Grantees implementing the combination program option must comply with the class size requirements contained in §1306.32(a).

(2) The provisions of the following sections apply to grantees operating the combination program option: §1306.32(b) (2), (5), (6), (7) and (9).

(3) If a grantee operates a double session or a full day variation, it must meet the provisions concerning double sessions contained in §1306.32(c)(1) and (3) and the provisions for the center-based program option’s full day variation found in §1306.32(d).

(c) Requirements for home visits: (1) Home visits must last for a minimum of 1 and 1/2 hours each.

(2) The provisions of the following section, concerning the home-based program option, must be adhered to by grantees implementing the combination program option: §1306.33(a) (4) and (5); and §1306.33(b).

§1306.35 Additional Head Start program option variations.

In addition to the center-based, home-based and combination program options defined above, the Commissioner of the Administration on Children, Youth and Families retains the right to fund alternative program variations to meet the unique needs of communities or to demonstrate or test alternative approaches for providing Head Start services.

§1306.36 Compliance waiver.

An exception to one or more of the requirements contained in §§1306.32 through 1306.34 of subpart C will be granted only if the Commissioner of the Administration on Children, Youth and Families determines, on the basis of supporting evidence, that the grantee made a reasonable effort to comply with the requirement but was unable to do so because of limitations or circumstances with a specific community or communities served by the grantee.

§ 1308.4

Subpart B—Disabilities Service Plan

§ 1308.4 Purpose and scope of disabilities service plan.

(a) A Head Start grantee, or delegate agency, if appropriate, must develop a disabilities service plan providing strategies for meeting the special needs of children with disabilities and their parents. The purposes of this plan are to assure:

(1) That all components of Head Start are appropriately involved in the integration of children with disabilities and their parents; and

(2) That resources are used efficiently.

(b) The plan must be updated annually.

(c) The plan must include provisions for children with disabilities to be included in the full range of activities and services normally provided to all Head Start children and provisions for any modifications necessary to meet the special needs of the children with disabilities.

(d) The Head Start grantee and delegate agency must use the disabilities service plan as a working document which guides all aspects of the agency’s effort to serve children with disabilities. This plan must take into account the needs of the children for small group activities, for modifications of large group activities and for any individual special help.

(e) The grantee or delegate agency must designate a coordinator of services for children with disabilities (disabilities coordinator) and arrange for preparation of the disabilities service plan and of the grantee application budget line items for services for children with disabilities. The grantee or delegate must ensure that all relevant coordinators, other staff and parents are consulted.

(f) The disabilities service plan must contain:

(1) Procedures for timely screening;

(2) Procedures for making referrals to the LEA for evaluation to determine whether there is a need for special education and related services for a child, as early as the child’s third birthday;

(3) Assurances of accessibility of facilities; and

(4) Plans to provide appropriate special furniture, equipment and materials if needed.

(g) The plan, when appropriate, must address strategies for the transition of children into Head Start from infant/toddler programs (0-3 years), as well as the transition from Head Start into the next placement. The plan must include preparation of staff and parents for the entry of children with severe disabilities into the Head Start program.

(h) The grantee or delegate agency must arrange or provide special education and related services necessary to foster the maximum development of each child’s potential and to facilitate participation in the regular Head Start program unless the services are being provided by the LEA or other agency. The plan must specify the services to be provided directly by Head Start and those provided by other agencies. The grantee or delegate agency must arrange for, provide, or procure services which may include, but are not limited to special education and these related services:

(1) Audiology services, including identification of children with hearing loss and referral for medical or other professional attention; provision of needed rehabilitative services such as speech and language therapy and auditory training to make best use of remaining hearing; speech conservation; lip reading; determination of need for hearing aids and fitting of appropriate aids; and programs for prevention of hearing loss;

(2) Physical therapy to facilitate gross motor development in activities such as walking prevent or slow orthopedic problems and improve posture and conditioning;

(3) Occupational therapy to improve, develop or restore fine motor functions in activities such as using a fork or knife;

(4) Speech or language services including therapy and use of assistive devices necessary for a child to develop or improve receptive or expressive means of communication;

(5) Psychological services such as evaluation of each child’s functioning and interpreting the results to staff...
and parents; and counseling and guidance services for staff and parents regarding disabilities;

(6) Transportation for children with disabilities to and from the program and to special clinics or other service providers when the services cannot be provided on-site. Transportation includes adapted buses equipped to accommodate wheelchairs or other such devices if required; and

(7) Assistive technology services or devices necessary to enable a child to improve functions such as vision, mobility or communication to meet the objectives in the IEP.

(i) The disabilities service plan must include options to meet the needs and take into consideration the strengths of each child based upon the IEP so that a continuum of services available from various agencies is considered.

(j) The options may include:

(1) Joint placement of children with other agencies;

(2) Shared provision of services with other agencies;

(3) Shared personnel to supervise special education services, when necessary to meet State requirements on qualifications;

(4) Administrative accommodations such as having two children share one enrollment slot when each child’s IEP calls for part-time service because of their individual needs; and

(5) Any other strategies to be used to insure that special needs are met.

These may include:

(i) Increased staff;

(ii) Use of volunteers; and

(iii) Use of supervised students in such fields as child development, special education, child psychology, various therapies and family services to assist the staff.

(k) The grantee must ensure that the disabilities service plan addresses grantees efforts to meet State standards for personnel serving children with disabilities by the 1994-95 program year. Special education and related services must be provided by or under the supervision of personnel meeting State qualifications by the 1994-95 program year.

(l) The disabilities service plan must include commitment to specific efforts to develop interagency agreements with the LEAs and other agencies within the grantee’s service area. If no agreement can be reached, the grantee must document its efforts and inform the Regional Office. The agreements must address:

(1) Head Start participation in the public agency’s Child Find plan under Part B of IDEA;

(2) Joint training of staff and parents;

(3) Procedures for referral for evaluations, IEP meetings and placement decisions;

(4) Transition;

(5) Resource sharing;

(6) Head Start commitment to provide the number of children receiving services under IEPs to the LEA for the LEA Child Count report by December 1 annually; and

(7) Any other items agreed to by both parties. Grantees must make efforts to update the agreements annually.

(m) The disabilities coordinator must work with the director in planning and budgeting of grantee funds to assure that the special needs identified in the IEP are fully met; that children most in need of an integrated placement and of special assistance are served; and that the grantee maintains the level of fiscal support to children with disabilities consistent with the Congressional mandate to meet their special needs.

(n) The grant application budget form and supplement submitted with applications for funding must reflect requests for adequate resources to implement the objectives and activities in the disability services plan and fulfill the requirements of these Performance Standards.

(o) The budget request included with the application for funding must address the implementation of the disabilities service plan. Allowable expenditures include:

(1) Salaries. Allowable expenditures include salaries of a full or part-time coordinator of services for children with disabilities (disabilities coordinator), who is essential to assure that programs have the core capability to recruit, enroll, arrange for the evaluation of children, provide or arrange for services to children with disabilities and work with Head Start coordinators and staff of other agencies which are
§ 1308.5

working cooperatively with the grantee. Salaries of special education resource teachers who can augment the work of the regular teacher are an allowable expenditure.

(2) Evaluation of children. When warranted by screening or rescreening results, teacher observation or parent request, arrangements must be made for evaluation of the child’s development and functioning. If, after referral for evaluation to the LEA, evaluations are not provided by the LEA, they are an allowable expenditure.

(3) Services. Program funds may be used to pay for services which include special education, related services, and summer services deemed necessary on an individual basis and to prepare for serving children with disabilities in advance of the program year.

(4) Making services accessible. Allowable costs include elimination of architectural barriers which affect the participation of children with disabilities, in conformance with 45 CFR part 84, Nondiscrimination on the Basis of Handicap in Program and Activities Receiving or Benefiting from Federal Financial Assistance and with the Americans with Disabilities Act of 1990 (42 U.S.C. 12101). The Americans with Disabilities Act requires that public accommodations including private schools and day care centers may not discriminate on the basis of disability. Physical barriers in existing facilities must be removed if removal is readily achievable (i.e., easily accomplishable and able to be carried out without much difficulty or expense). If not, alternative methods of providing the services must be offered, if those methods are readily achievable. Alterations must be accessible. When alterations to primary function areas are made, an accessible path of travel to the altered areas (and the bathrooms, telephones and drinking fountains serving that area) must be provided to the extent that the added accessibility costs are not disproportionate to the overall cost of the alterations. Program funds may be used for ramps, remodeling or modifications such as grab bars or railings. Grantees must meet new statutory and regulatory requirements that are enacted.

(5) Transportation. Transportation is a related service to be provided to children with disabilities. When transportation to the program site and to special services can be accessed from other agencies, it should be used. When it is not available, program funds are to be used to provide it. Special buses or use of taxis are allowable expenses if there are no alternatives available and they are necessary to enable a child to be served.

(6) Special Equipment and Materials. Purchase or lease of special equipment and materials for use in the program and home is an allowable program expense. Grantees must make available assistive devices necessary to make it possible for a child to move, communicate, improve functioning or address objectives which are listed in the child’s IEP.

(7) Training and Technical Assistance. Increasing the abilities of staff to meet the special needs of children with disabilities is an allowable expense. Appropriate expenditures may include but are not limited to:

(i) Travel and per diem expenses for disabilities coordinators, teachers and parents to attend training and technical assistance events related to special services for children with disabilities;

(ii) The provision of substitute teaching staff to enable staff to attend training and technical assistance events;

(iii) Fees for courses specifically related to the requirements of the disabilities service plan, a child’s IEP or State certification to serve children with disabilities; and

(iv) Fees and expenses for training/technical assistance consultants if such help is not available from another provider at no cost.

Subpart C—Social Services Performance Standards

§ 1308.5 Recruitment and enrollment of children with disabilities.

(a) The grantee or delegate agency outreach and recruitment activities must incorporate specific actions to actively locate and recruit children with disabilities.

(b) A grantee must ensure that staff engaged in recruitment and enrollment

(c) A grantee must not deny placement on the basis of a disability or its severity to any child when:

(1) The parents wish to enroll the child,

(2) The child meets the Head Start age and income eligibility criteria,

(3) Head Start is an appropriate placement according to the child’s IEP,

(4) The program has space to enroll more children, even though the program has made ten percent of its enrollment opportunities available to children with disabilities. In that case children who have a disability and non-disabled children would compete for the available enrollment opportunities.

(d) The grantee must access resources and plan for placement options, such as dual placement, use of resource staff and training so that a child with a disability for whom Head Start is an appropriate placement according to the IEP is not denied enrollment because of:

(1) Staff attitudes and/or apprehensions;

(2) Inaccessibility of facilities;

(3) Need to access additional resources to serve a specific child;

(4) Unfamiliarity with a disabling condition or special equipment, such as a prosthesis; and

(5) Need for personalized special services such as feeding, suctioning, and assistance with toileting, including catheterization, diapering, and toilet training.

(e) The same policies governing Head Start program eligibility for other children, such as priority for those most in need of the services, apply to children with disabilities. Grantees also must take the following factors into account when planning enrollment procedures:

(1) The number of children with disabilities in the Head Start service area including types of disabilities and their severity;

(2) The services and resources provided by other agencies; and

(3) State laws regarding immunization of preschool children. Grantees must observe applicable State laws which usually require that children entering State preschool programs complete immunizations prior to or within thirty days after entering to reduce the spread of communicable diseases.

(f) The recruitment effort of a Head Start grantee must include recruiting children who have severe disabilities, including children who have been previously identified as having disabilities.

Subpart D—Health Services Performance Standards

§ 1308.6 Assessment of children.

(a) The disabilities coordinator must be involved with other program staff throughout the full process of assessment of children, which has three steps:

(1) All children enrolled in Head Start are screened as the first step in the assessment process;

(2) Staff also carry out on-going developmental assessment for all enrolled children throughout the year to determine progress and to plan program activities;

(3) Only those children who need further specialized assessment to determine whether they have a disability and may require special education and related services proceed to the next step, evaluation. The disabilities coordinator has primary responsibility for this third step, evaluation, only.

(b) Screening, the first step in the assessment process, consists of standardized health screening and developmental screening which includes speech, hearing and vision. It is a brief process, which can be repeated, and is never used to determine that a child has a disability. It only indicates that a child may need further evaluation to determine whether the child has a disability. Rescreening must be provided as needed.

(1) Grantees must provide for developmental, hearing and vision screenings of all Early Head Start and Head Start children within 45 days of the child’s entry into the program.
This does not preclude starting screening in the spring, before program services begin in the fall.

(2) Grantees must make concerted efforts to reach and include the most in need and hardest to reach in the screening effort, providing assistance but urging parents to complete screening before the start of the program year.

(3) Developmental screening is a brief check to identify children who need further evaluation to determine whether they may have disabilities. It provides information in three major developmental areas: visual/motor, language and cognition, and gross motor/body awareness for use along with observation data, parent reports and home visit information. When appropriate standardized developmental screening instruments exist, they must be used. The disabilities coordinator must coordinate with the health coordinator and staff who have the responsibility for implementing health screening and with the education staff who have the responsibility for implementing developmental screening.

(c) Staff must inform parents of the types and purposes of the screening well in advance of the screening, the results of these screenings and the purposes and results of any subsequent evaluations.

(d) Developmental assessment, the second step, is the collection of information on each child’s functioning in these areas: gross and fine motor skills, perceptual discrimination, cognition, attention skills, self-help, social and receptive skills and expressive language. The disabilities coordinator must coordinate with the education coordinator in the on-going assessment of each Head Start child’s functioning in all developmental areas by including this developmental information in later diagnostic and program planning activities for children with disabilities.

(e) The disabilities coordinator must arrange for further, formal evaluation of a child who has been identified as possibly having a disability, the third step. (1) The disabilities coordinator must refer a child to the LEA for evaluation as soon as the need is evident, starting as early as the child’s third birthday.

(2) If the LEA does not evaluate the child, Head Start is responsible for arranging or providing for an evaluation, using its own resources and accessing others. In this case, the evaluation must meet the following requirements:

(i) Testing and evaluation procedures must be selected and administered so as not to be racially or culturally discriminatory, administered in the child’s native language or mode of communication, unless it clearly is not feasible to do so.

(ii) Testing and evaluation procedures must be administered by trained (State certified or licensed) personnel.

(iii) No single procedure may be the sole criterion for determining an appropriate educational program for a child.

(iv) The evaluation must be made by a multidisciplinary team or group of persons including at least one teacher or specialist with knowledge in the area of suspected disability.

(v) Evaluators must use only assessment materials which have been validated for the specific purpose for which they are used.

(vi) Tests used with children with impaired sensory, manual or communication skills must be administered so that they reflect the children’s aptitudes and achievement levels and not just the disabilities.

(vii) Tests and materials must assess all areas related to the suspected disability.

(viii) In the case of a child whose primary disability appears to be a speech or language impairment, the team must assure that enough tests are used to determine that the impairment is not a symptom of another disability and a speech or language pathologist should be involved in the evaluation.

(3) Parental consent in writing must be obtained before a child can have an initial evaluation to determine whether the child has a disability.

(4) Confidentiality must be maintained in accordance with grantee and State requirements. Parents must be given the opportunity to review their child’s records in a timely manner and they must be notified and given permission if additional evaluations are proposed. Grantees must explain the purpose and results of the evaluation and
make concerted efforts to help the parents understand them.

(5) The multidisciplinary team provides the results of the evaluation, and its professional opinion that the child does or does not need special education and related services, to the disabilities coordinator. If it is their professional opinion that a child has a disability, the team is to state which of the eligibility criteria applies and provide recommendations for programming, along with their findings. Only children whom the evaluation team determines need special education and related services may be counted as children with disabilities.

[58 FR 5501, Jan. 21, 1993, as amended at 61 FR 57227, Nov. 5, 1996]

§ 1308.7 Eligibility criteria: Health impairment.

(a) A child is classified as health impaired who has limited strength, vitality or alertness due to a chronic or acute health problem which adversely affects learning.

(b) The health impairment classification may include, but is not limited to, cancer, some neurological disorders, rheumatic fever, severe asthma, uncontrolled seizure disorders, heart conditions, lead poisoning, diabetes, AIDS, blood disorders, including hemophilia, sickle cell anemia, cystic fibrosis, heart disease and attention deficit disorder.

(c) This category includes medically fragile children such as ventilator dependent children who are in need of special education and related services.

(d) A child may be classified as having an attention deficit disorder under this category who has chronic and pervasive developmentally inappropriate inattention, hyperactivity, or impulsivity. To be considered a disorder, this behavior must affect the child’s functioning severely. To avoid overuse of this category, grantees are cautioned to assure that only the enrolled children who most severely manifest this behavior must be classified in this category.

(1) The condition must severely affect the performance of a child who is trying to carry out a developmentally appropriate activity that requires orienting, focusing, or maintaining attention during classroom instructions and activities, planning and completing activities, following simple directions, organizing materials for play or other activities, or participating in group activities. It also may be manifested in overactivity or impulsive acts which appear to be or are interpreted as physical aggression. The disorder must manifest itself in at least two different settings, one of which must be the Head Start program site.

(2) Children must not be classified as having attention deficit disorders based on:

(i) Temporary problems in attention due to events such as a divorce, death of a family member or post-traumatic stress reactions to events such as sexual abuse or violence in the neighborhood;

(ii) Problems in attention which occur suddenly and acutely with psychiatric disorders such as depression, anxiety and schizophrenia;

(iii) Behaviors which may be caused by frustration stemming from inappropriate programming beyond the child’s ability level or by developmentally inappropriate demands for long periods of inactive, passive activity;

(iv) Intentional noncompliance or opposition to reasonable requests that are typical of good preschool programs; or

(v) Inattention due to cultural or language differences.

(3) An attention deficit disorder must have had its onset in early childhood and have persisted through the course of child development when children normally mature and become able to operate in a socialized preschool environment. Because many children younger than four have difficulty orienting, maintaining and focussing attention and are highly active, when Head Start is responsible for the evaluation, attention deficit disorder applies to four and five year old children in Head Start but not to three year olds.

(4) Assessment procedures must include teacher reports which document the frequency and nature of indications of possible attention deficit disorders and describe the specific situations and events occurring just before the problems manifested themselves. Reports
§ 1308.8 Eligibility criteria: Emotional/behavioral disorders.

(a) An emotional/behavioral disorder is a condition in which a child’s behavioral or emotional responses are so different from those of the generally accepted, age-appropriate norms of children with the same ethnic or cultural background as to result in significant impairment in social relationships, self-care, educational progress or classroom behavior. A child is classified as having an emotional/behavioral disorder who exhibits one or more of the following characteristics with such frequency, intensity, or duration as to require intervention:

(1) Seriously delayed social development including an inability to build or maintain satisfactory (age appropriate) interpersonal relationships with peers or adults (e.g., avoids playing with peers);

(2) Inappropriate behavior (e.g., dangerously aggressive towards others, self-destructive, severely withdrawn, non-communicative);

(3) A general pervasive mood of unhappiness or depression, or evidence of excessive anxiety or fears (e.g., frequent crying episodes, constant need for reassurance); or

(4) Has a professional diagnosis of serious emotional disturbance.

(b) The eligibility decision must be based on multiple sources of data, including assessment of the child’s behavior or emotional functioning in multiple settings.

(c) The evaluation process must include a review of the child’s regular Head Start physical examination to eliminate the possibility of misdiagnosis due to an underlying physical condition.

§ 1308.9 Eligibility criteria: Speech or language impairments.

(a) A speech or language impairment means a communication disorder such as stuttering, impaired articulation, a language impairment, or a voice impairment, which adversely affects a child’s learning.

(b) A child is classified as having a speech or language impairment whose speech is unintelligible much of the time, or who has been professionally diagnosed as having speech impairments which require intervention or who is professionally diagnosed as having a delay in development in his or her primary language which requires intervention.

(c) A language disorder may be receptive or expressive. A language disorder may be characterized by difficulty in understanding and producing language, including word meanings (semantics), the components of words (morphology), the components of sentences (syntax), or the conventions of conversation (pragmatics).

(d) A speech disorder occurs in the production of speech sounds (articulation), the loudness, pitch or quality of voice (voicing), or the rhythm of speech (fluency).

(e) A child should not be classified as having a speech or language impairment whose speech or language differences may be attributed to:

(1) Cultural, ethnic, bilingual, or dialectical differences or being non-English speaking; or

(2) Disorders of a temporary nature due to conditions such as a dental problem; or

(3) Delays in developing the ability to articulate only the most difficult consonants or blends of sounds within the broad general range for the child’s age.

§ 1308.10 Eligibility criteria: Mental retardation.

(a) A child is classified as mentally retarded who exhibits significantly sub-average intellectual functioning and exhibits deficits in adaptive behavior which adversely affect learning. Adaptive behavior refers to age-appropriate coping with the demands of the environment through independent skills in self-care, communication and play.

(b) Measurement of adaptive behavior must reflect objective documentation through the use of an established scale and appropriate behavioral/anecdotal records. An assessment of the child’s functioning must also be made in settings outside the classroom.
Office of Human Development Services, HHS

§ 1308.14

(c) Valid and reliable instruments appropriate to the age range must be used. If they do not exist for the language and cultural group to which the child belongs, observation and professional judgement are to be used instead.

(d) Determination that a child is mentally retarded is never to be made on the basis of any one test alone.

§ 1308.11 Eligibility criteria: Hearing impairment including deafness.

(a) A child is classified as deaf if a hearing impairment exists which is so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, and learning is affected. A child is classified as hard of hearing who has a permanent or fluctuating hearing impairment which adversely affects learning; or

(b) Meets the legal criteria for being hard of hearing established by the State of residence; or

(c) Experiences recurrent temporary or fluctuating hearing loss caused by otitis media, allergies, or eardrum perforations and other outer or middle ear anomalies over a period of three months or more. Problems associated with temporary or fluctuating hearing loss can include impaired listening skills, delayed language development, and articulation problems. Children meeting these criteria must be referred for medical care, have their hearing checked frequently, and receive speech, language or hearing services as indicated by the IEPs. As soon as special services are no longer needed, these children must no longer be classified as having a disability.

§ 1308.12 Eligibility criteria: Orthopedic impairment.

(a) A child is classified as having an orthopedic impairment if the condition is severe enough to adversely affect a child’s learning. An orthopedic impairment involves muscles, bones, or joints and is characterized by impaired ability to maneuver in educational or non-educational settings, to perform fine or gross motor activities, or to perform self-help skills and by adversely affected educational performance.

(b) An orthopedic impairment includes, but is not limited to, spina bifida, cerebral palsy, loss of or deformed limbs, contractures caused by burns, arthritis, or muscular dystrophy.

§ 1308.13 Eligibility criteria: Visual impairment including blindness.

(a) A child is classified as visually impaired when visual impairment, with correction, adversely affects a child’s learning. The term includes both blind and partially seeing children. A child is visually impaired if:

(1) The vision loss meets the definition of legal blindness in the State of residence; or

(2) Central acuity does not exceed 20/200 in the better eye with corrective lenses, or visual acuity is greater than 20/200, but is accompanied by a limitation in the field of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.

(b) A child is classified as having a visual impairment if central acuity with corrective lenses is between 20/70 and 20/200 in either eye, or if visual acuity is undetermined, but there is demonstrated loss of visual function that adversely affects the learning process, including faulty muscular action, limited field of vision, cataracts, etc.

§ 1308.14 Eligibility criteria: Learning disabilities.

(a) A child is classified as having a learning disability who has a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, which may manifest itself in imperfect ability to listen, think, speak or, for preschool age children, acquire the precursor skills for reading, writing, spelling or doing mathematical calculations. The term includes such conditions as perceptual disabilities, brain injury, and aphasia.

(b) An evaluation team may recommend that a child be classified as having a learning disability if:

(1) The child does not achieve commensurate with his or her age and ability levels in one or more of the areas listed in (a) above when provided with
appropriate learning experiences for the age and ability; or

(2) The child has a severe discrepancy between achievement of developmental milestones and intellectual ability in one or more of these areas: oral expression, listening comprehension, pre-reading, pre-writing and pre-mathematics; or

(3) The child shows deficits in such abilities as memory, perceptual and perceptual-motor skills, thinking, language and non-verbal activities which are not due to visual, motor, hearing or emotional disabilities, mental retardation, cultural or language factors, or lack of experiences which would help develop these skills.

(c) This definition for learning disabilities applies to four and five year old children in Head Start. It may be used at a program’s discretion for children younger than four or when a three year old child is referred with a professional diagnosis of learning disability. But because of the difficulty of diagnosing learning disabilities for three year olds, when Head Start is responsible for the evaluation it is not a requirement to use this category for three year olds.

§ 1308.15 Eligibility criteria: Autism.

A child is classified as having autism when the child has a developmental disability that significantly affects verbal and non-verbal communication and social interaction, that is generally evident before age three and that adversely affects educational performance.

§ 1308.16 Eligibility criteria: Traumatic brain injury.

A child is classified as having traumatic brain injury whose brain injuries are caused by an external physical force, or by an internal occurrence such as stroke or aneurysm, resulting impairments that adversely affect educational performance. The term includes children with open or closed head injuries, but does not include children with brain injuries that are congenital or degenerative or caused by birth trauma.

§ 1308.17 Eligibility criteria: Other impairments.

(a) The purposes of this classification, “Other impairments,” are:

(1) To further coordination with LEAs and reduce problems of record-keeping;

(2) To assist parents in making the transition from Head Start to other placements; and

(3) To assure that no child enrolled in Head Start is denied services which would be available to other preschool children who are considered to have disabilities in their State.

(b) If the State Education Agency eligibility criteria for preschool children include an additional category which is appropriate for a Head Start child, children meeting the criteria for that category must receive services as children with disabilities in Head Start programs. Examples are “preschool disabled,” “in need of special education,” “educationally handicapped,” and “non-categorically handicapped.”

(c) Children ages three to five, inclusive, who are experiencing developmental delays, as defined by their State and as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas: physical development, cognitive development, communication development, social or emotional development, or adaptive development, and who by reason thereof need special education and related services may receive services as children with disabilities in Head Start programs.

(d) Children who are classified as deaf-blind, whose concomitant hearing and visual impairments cause such severe communication and other developmental problems that they cannot be accommodated in special education programs solely for deaf or blind children are eligible for services under this category.

(e) Children classified as having multiple disabilities whose concomitant impairments (such as mental retardation and blindness), in combination, cause such severe educational problems that they cannot be accommodated in special education programs solely for one of the impairments are eligible for services under this category. The term
§ 1308.18 Disabilities/health services coordination.

(a) The grantee must ensure that the disabilities coordinator and the health coordinator work closely together in the assessment process and follow up to assure that the special needs of each child with disabilities are met.

(b) The grantee must ensure coordination between the disabilities coordinator and the staff person responsible for the mental health component to help teachers identify children who show signs of problems such as possible serious depression, withdrawal, anxiety or abuse.

(c) Each Head Start director or designee must supervise the administration of all medications, including prescription and over-the-counter drugs, to children with disabilities in accordance with State requirements.

(d) The health coordinator under the supervision of the Head Start director or designee must:

(1) Obtain the doctor’s instructions and parental consent before any medication is administered.

(2) Maintain an individual record of all medications dispensed and review the record regularly with the child’s parents.

(3) Record changes in a child’s behavior which have implications for drug dosage or type and share this information with the staff, parents and the physician.

(4) Assure that all medications, including those required by staff and volunteers, are adequately labeled, stored under lock and key and out of reach of children, and refrigerated, if necessary.

Subpart E—Education Services Performance Standards

§ 1308.19 Developing individualized education programs (IEPs)

(a) When Head Start provides for the evaluation, the multidisciplinary evaluation team makes the determination whether the child meets the Head Start eligibility criteria. The multidisciplinary evaluation team must assure that the evaluation findings and recommendations, as well as information from developmental assessment, observations and parent reports, are considered in making the determination whether the child meets Head Start eligibility criteria.

(b) Every child receiving services in Head Start who has been evaluated and found to have a disability and in need of special education must have an IEP before special education and related services are provided to ensure that comprehensive information is used to develop the child’s program.

(c) When the LEA develops the IEP, a representative from Head Start must attempt to participate in the IEP meeting and placement decision for any child meeting Head Start eligibility requirements.

(d) If Head Start develops the IEP, the IEP must take into account the child’s unique needs, strengths, developmental potential and the family strengths and circumstances as well as the child’s disabilities.

(e) The IEP must include:

(1) A statement of the child’s present level of functioning in the social-emotional, motor, communication, self-help, and cognitive areas of development, and the identification of needs in those areas requiring specific programming.

(2) A statement of annual goals, including short term objectives for meeting these goals.

(3) A statement of services to be provided by each Head Start component that are in addition to those services provided for all Head Start children, including transition services.

(4) A statement of the specific special education services to be provided to the child and those related services necessary for the child to participate in a Head Start program. This includes services provided by Head Start and services provided by other agencies and non-Head Start professionals.

(5) The identification of the personnel responsible for the planning and supervision of services and for the delivery of services.

(6) The projected dates for initiation of services and the anticipated duration of services.

(7) A statement of objective criteria and evaluation procedures for determining at least annually whether the
§ 1308.20 Nutrition services.

(a) The disabilities coordinator must work with staff to ensure that provisions to meet special needs are incorporated into the nutrition program.

(b) Appropriate professionals, such as physical therapists, speech therapists, occupational therapists, nutritionists or dietitians must be consulted on ways to assist Head Start staff and parents of children with severe disabilities with problems of chewing, swallowing and feeding themselves.

(c) The plan for services for children with disabilities must include activities to help children with disabilities participate in meal and snack times with classmates.

(d) The plan for services for children with disabilities must address prevention of disabilities with a nutrition basis.
Subpart G—Parent Involvement Performance Standards

§ 1308.21 Parent participation and transition of children into Head Start and from Head Start to public school.

(a) In addition to the many references to working with parents throughout these standards, the staff must carry out the following tasks:

(1) Support parents of children with disabilities entering from infant/toddler programs.

(2) Provide information to parents on how to foster the development of their child with disabilities.

(3) Provide opportunities for parents to observe large group, small group and individual activities described in their child’s IEP.

(4) Provide follow-up assistance and activities to reinforce program activities at home.

(5) Refer parents to groups of parents of children with similar disabilities who can provide helpful peer support.

(6) Inform parents of their rights under IDEA.

(7) Inform parents of resources which may be available to them from the Supplemental Security Income (SSI) Program, the Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Program and other sources and assist them with initial efforts to access such resources.

(8) Identify needs (caused by the disability) of siblings and other family members.

(9) Provide information in order to prevent disabilities among younger siblings.

(10) Build parent confidence, skill and knowledge in accessing resources and advocating to meet the special needs of their children.

(b) Grantees must plan to assist parents in the transition of children from Head Start to public school or other placement, beginning early in the program year.

(c) Head Start grantees, in cooperation with the child’s parents, must notify the school of the child’s planned enrollment prior to the date of enrollment.

APPENDIX TO PART 1308—HEAD START PROGRAM PERFORMANCE STANDARDS ON SERVICES TO CHILDREN WITH DISABILITIES

This appendix sets forth guidance for the implementation of the requirements in part 1308. This guidance provides explanatory material and includes recommendations and suggestions for meeting the requirements. This guidance is not binding on Head Start grantees or delegate agencies. It provides assistance and possible strategies which a grantee may wish to consider. In instances where a permissible course of action is provided, the grantee or delegate agency may rely upon this guidance or may take another course of action that meets the applicable requirement. This programmatic guidance is included as an aid to grantees because of the complexity of providing special services to meet the needs of children with various disabilities.

Section 1308.4 Purpose and scope of disabilities service plan

Guidance for Paragraph (a)

In order to develop an effective disabilities service plan the responsible staff members need to understand the context in which a grantee operates. The Head Start program has operated under a Congressional mandate, since 1972, to make available, at a minimum, ten percent of its enrollment opportunities to children with disabilities. Head Start has exceeded this mandate and serves children in integrated, developmentally appropriate programs. The passage of the Individuals With Disabilities Education Act, formerly the Education of the Handicapped Act, and its amendments, affects Head Start, causing a shift in the nature of Head Start’s responsibilities for providing services for children with disabilities relative to the responsibilities of State Education Agencies (SEA) and Local Education Agencies (LEA).

Grantees need to be aware that under the IDEA the State Education Agency has the responsibility for assuring the availability of a free appropriate public education for all children with disabilities within the legally required age range in the State. This responsibility includes general supervision of educational programs in all agencies, including monitoring and evaluating the special education and related services to insure that they meet State standards, developing a comprehensive State plan for services for children with disabilities (including a description of interagency coordination among these agencies), and providing a Comprehensive System for Personnel Development related to training needs of all special education and related service personnel involved in the education of children with disabilities.
served by these agencies, including Head Start programs.

Each State has in effect under IDEA a policy assuring all children with disabilities beginning at least at age three, including those in public or private institutions or other care facilities, the right to a free appropriate public education and to an evaluation meeting established procedures. Head Start is either:

- The agency through which the Local Education Agency can meet its obligation to make a free appropriate public education available through a contract, State or local collaborative agreement, or other arrangement;
- The agency in which the family chooses to have the child served rather than using LEA services.

Regardless of how a child is placed in Head Start, the LEA is responsible for the identification, evaluation and provision of a free appropriate public education for a child found to be in need of special education and related services which are mandated in the State. The LEA is responsible for ensuring that these services are provided, but not for providing them all. IDEA stresses the role of multiple agencies and requires their maintenance of effort.

The Head Start responsibility is to make available directly or in cooperation with other agencies services in the least restrictive environment in accordance with an individualized education program (IEP) for at least ten percent of enrolled children who meet the disabilities eligibility criteria. In addition, Head Start continues to provide or arrange for the full range of health, dental, nutritional, developmental, parent involvement and social services provided to all enrolled children. Head Start has a mandate to recruit and enroll income-eligible children and children with disabilities who are most in need of services and to coordinate with the LEA and other groups to benefit children with disabilities and their families. Serving children with disabilities has strengthened Head Start’s ability to individualize for all children. Head Start is fully committed to the maintenance of effort as required for all agencies by the IDEA and by the Head Start Act (Section 680(a)(2)(A)). Head Start is committed to fiscal support to assure that the services which children with disabilities need to meet their special needs will be provided in full, either directly or by a combination of Head Start funds and other resources.

These Head Start regulations facilitate coordination with the IDEA by utilizing identical terms for eligibility criteria for the most part. However, Head Start has elected to use the term “emotional/behavioral disorder” in lieu of “serious emotional disturbance,” which is used in the IDEA, in response to comments and concerns of parents and professionals. Children who meet State-developed criteria under IDEA will be eligible for services from Head Start in that State.

In order to organize activities and resources to help children with disabilities overcome or lessen their disabilities and develop their potential, it is essential to involve the education, health, social services, parent involvement, mental health and nutrition components of Head Start. Parents, staff and policy group members should discuss the various strategies for ensuring that the disabilities service plan integrates needs and activities which cut across the Head Start component areas before the plan is completed.

Advance planning and scheduling of arrangements with other agencies is a key factor in assuring timely, efficient services. Local level interagency agreements can greatly facilitate the difficult tasks of locating related service providers, for example, and joint community screening programs can reduce delays and costs to each of the participating agencies.

Guidance for Paragraph (b)

The plan and the annual updates need to be specific, but not lengthy. As changes occur in the community, the plan needs to reflect the changes which affect services.

Guidance for Paragraph (c)

Grantees should ensure that the practices they use to provide special services do not result in undue attention to a child with a disability. For example, providing names and schedules of special services for children with disabilities in the classroom is useful for staff or volunteers coming into that classroom but posting them would publicize the disability of the individual children.

Guidance for Paragraph (d)

Staff should work for the children’s greater independence by encouraging them to try new things and to meet appropriate goals by small steps. Grantees should help children with disabilities develop initiative by including them in opportunities to explore, to create, and to ask rather than to answer questions. The children need opportunities to use a wide variety of materials including science tools, art media and costumes in order to develop skills, imagination and originality. They should be included on field trips, as their experience may have been limited, for example, by an orthopedic impairment.

Just as a program makes available pictures and books showing children and adults from representative cultural, ethnic and occupational groups, it should provide pictures and books which show children and adults with disabilities, including those in active roles.

Staff should plan to answer questions children and adults may have about disabilities.
This promotes acceptance of a child with disabilities for him or herself and leads to treating the child more normally. Effective curricula are available at low cost for helping children and adults understand disabilities and for improving attitudes and increasing knowledge about disabilities. Information on these and other materials can be obtained from resource access projects contractors, which offer training and technical assistance to Head Start programs.

There are a number of useful guides for including children with disabilities in regular group activities while providing successful experiences for children who differ widely in developmental levels and skills. Some of these describe activities around a unit theme with suggestions for activities suitable for children with different skill levels. Staff need to help some children with disabilities move into developmentally appropriate play with other children.

Research has shown the effectiveness of work in small groups for appropriately selected children with disabilities. This plan allows for coordinating efforts to meet the needs of individual children as listed in their IEPs and can help focus resources efficiently.

If a deaf child who uses or needs sign language or another communication mode is enrolled, a parent, volunteer or aide who can use that mode of communication should be provided to help the child benefit from the program.

In order to build the language and speech capabilities of many children with disabilities who have communication problems, it has been found helpful to enlist aides, volunteers, cooks, bus drivers and parents, showing them how to provide extra repetition and model gradually more advanced language as children improve in their ability to understand and use language. Small group activities for children with similar language development needs should be provided regularly as well as large group language and listening games and individual help. Helping children with intellectual delays or emotional problems or those whose experiences have been limited by other disabilities to express their own ideas and to communicate during play and throughout the daily activities is motivating and can contribute greatly to their progress.

Guidance for Paragraph (e)

The Disabilities Service Coordinator should possess a basic understanding of the scope of the Head Start effort and skills adequate to manage the agency to serve children with disabilities including coordination with other program components and community agencies and work with parents.

Guidance for Paragraph (f)

For non-verbal children, communication boards, computers and other assistive technology devices may be helpful. Technical assistance providers have information on the Technology Related Assistance for Individuals with Disabilities Act of 1988, 29 U.S.C. 2201 et seq. States are funded through this legislation to plan Statewide assistive technology services, which should include services for young children. Parents should be helped to understand the necessity of including assistive technology services and devices in their child’s IEP in order to obtain them.

The plan should include any renovation of space and facilities which may be necessary to ensure the safety of the children or promote learning. For example, rugs or other sound-absorbing surfaces make it easier for some children to hear stories or conversations. Different surfaces on floors and play areas affect some children’s mobility.

45 CFR Part 84, Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance which implements the Rehabilitation Act of 1973 and the Americans with Disabilities Act require that all Federally assisted programs, including Head Start, be accessible to persons with disabilities including staff, parents and children. This does not mean that every building or part of a building must be physically accessible, but the program services as a whole must be accessible. Structural changes to make the program services available are required if alternatives such as reassignment of classes or moving to different rooms are not possible. Information on the accessibility standards is available from RAPs or the U.S. Department of Justice, Civil Rights Division. Coordination and Review Section, P.O. Box 66118, Washington, DC 20035–6115.

Staff should ensure that children with physical disabilities have chairs and other pieces of furniture of the correct size and type for their individual needs as they grow. Agencies such as United Cerebral Palsy, Easter Seal Societies or SEAs can provide consultation on adapting or purchasing the appropriate furniture. The correct positioning of certain children is essential and requires expert advice. As the children grow, the furniture and equipment should be checked by an expert, such as a physical therapist, because the wrong fit can be harmful. Efforts should be made to use furniture sized and shaped to place children at the same level as their classmates whenever possible.

Guidance for Paragraph (h)

The plan should specify:

• Overall goals of the disability effort.
• Specific objectives and activities of the disability effort.
• How and when specific activities will be carried out and goals attained.
• Who will be responsible for the conduct of each element of the plan.
• How individual activities will be evaluated.

The plan should address:
• Enrollment information, including numbers of children and types of disabilities, known and estimated.
• Identification and recruitment of children with disabilities. Participation in Child Find and list of major specialized agencies approached.
• Screening.
• Developmental Assessment.
• Evaluation.
• The multidisciplinary team and its work.
• The process for developing IEPs.
• The provision of program services and related services.
• Program accessibility.
• Recordkeeping and reporting.
• Confidentiality of information.
• Any special safety needs.
• Medications.
• Transportation.
• The process for identifying and meeting training and technical assistance needs.
• Special parent involvement needs.
• Planned actions to increase the ability of staff to serve children with more severe disabilities and the number of children with more severe disabilities served.
• Transitioning of children in and out to the next program.

Particular attention should be given to addressing ways to:
• Involve parents throughout the disability effort, and
• Work with other agencies in serving children with disabilities. It should be possible for a reader to visualize how and by whom services will be delivered. Coordination with other agencies should be described, as well as the process for developing local agreements with other agencies. The RAPs can provide samples and models for the process of developing agreements with LEAs.

Guidance for Paragraph (j)
Children may spend part of the program hours in Head Start for a mainstreaming experience and part in a specialized program such as an Easter Seal Society or a local mental health center. The amount of time spent in either program should be flexible, according to the needs of the individual child. All services to be provided, including those provided by collaborating agencies, should be described in the IEP. Staff of both programs should observe each other’s work with the child who is enrolled and maintain good communication.

Individual services such as occupational, physical or speech therapy, staff training, transportation, services to families or counseling may be shared by Head Start and other agencies. For example, Head Start might provide equipment and transportation while a development center might provide a facility and physical therapy for a Head Start child. Some LEAs provide resource teachers while Head Start provides a developmentally appropriate program in an integrated setting.

Hiring additional staff may be necessary to meet the needs of children with severe disabilities. Hiring an aide may be necessary on a full-time, part-time, temporary or as needed basis to assist with the increased demands of a child with a severe disability. However, aides should not be assigned the major responsibility for providing direct services. Aides and volunteers should be guided and supervised by the disabilities service coordinator or someone with special training. It is desirable to have the services of a nurse, physical therapist or licensed practical nurse available for children with severe health or physical disabilities.

Volunteers trained by professionals to work specifically with children with disabilities can provide valuable individualized support. For example, a volunteer might be trained by a physical therapist to carry out specific follow-up activities with individual children.

Guidance for Paragraph (k)
State standards for qualifications of staff to provide special education and related services affect Head Start’s acceptance as a placement site for children who have been evaluated by an LEA. Head Start grantees, like LEAs, are affected by shortages of staff meeting State qualifications and are to work toward the goal of meeting the highest State standards for personnel by developing plans to train current staff and to hire new staff so that eventually the staff will meet the qualifications. Grantees should discuss their needs for pre-service and in-service training with SEAs during annual updates of inter-agency agreements for use in the planning of joint State level conferences and for use in preparation of Comprehensive State Personnel Development plans. They should also discuss these needs with LEAs which provide in-service training.

The program should provide training for the regular teachers on how to modify large group, small group or individual activities to meet the needs of children with disabilities. Specific training for staff should be provided when Head Start enrolls a child whose disability or condition requires a special skill or knowledge of special techniques or equipment. Examples are structuring a language activity, performing intermittent nonsterile catheterization, changing collection bags, suctioning, or operating leg braces. Joint training with other agencies is recommended to stretch resources and exchange expertise.
Staff should have access to regular ongoing training events which keep them abreast of new materials, equipment and practices related to serving children with disabilities and their parents. Ongoing training and technical assistance in support of the disabilities effort should be planned to complement other training available to meet staff needs. Each grantee has the responsibility to identify or arrange the necessary support to carry out training for parents and staff.

The best use of training funds has resulted when programs carry out a staff training needs assessment and relate current year training plans to previous staff training with the goal of building core capability. Staff who receive special training should share new knowledge with the rest of the staff.

The core capability of the program is enhanced when speech, language and other therapy is provided in the regular site whenever possible. This allows for the specialist to demonstrate to regular staff and plan for their follow through. It also reduces costs and time spent transporting children to clinics and other settings. When university graduate students are utilized to provide special services as part of their training, it is helpful to arrange for their supervisors to monitor their work. Grantees arranging for such assistance are providing a valuable internship site and it is to the university’s advantage to have their students become familiar with programs on-site. Grantees should negotiate when developing interagency agreements to have services provided on-site to the greatest extent possible.

The Head Start Act, Section 648 (42 U.S.C. 9843) (a)(2), calls for training and technical assistance to be offered to all Head Start programs with respect to services for children with disabilities without cost through resource access projects which serve each region of the country. The technical assistance contractors contact each grantee for a needs assessment and offer training. While their staffs are small and their budgets limited, they are experienced and committed to meeting as many needs as they can and welcome inquiries. A brochure with names and addresses of the technical assistance providers is available from ACYF/HS, P.O. Box 1882, Washington, DC 20013.

The SEA is responsible for developing a Comprehensive System of Personnel Development. It is important that Head Start training needs be conveyed to this group for planning purposes so that all available resources can be brought to bear for staff training in Head Start. Grantees should take advantage of free or low-cost training provided by SEAs, LEAs, community colleges and other agencies to augment staff training.

Many agencies offer free training for staff and parents. An example is the Epilepsy Foundation of America with trained volunteers throughout the country. The Light-house of New York City has developed a training program on early childhood and vision which was field-tested in Head Start and is suitable for community agencies. Head Start and the American Optometric Association have signed a memorandum of understanding under which member optometrists offer eye health education and screening. State-funded adult education and training programs or community colleges make available parenting, child development and other courses at low or no cost. Grantees should consider the need for training in working with parents, in developing working collaborative relationships and in networking when planning training.

The disabilities coordinator needs to work closely with the education and health coordinators to provide or arrange training for staff and parents early in each program year on the prevention of disabilities. This should include the importance of observing signs that some children may have mild or fluctuating hearing losses due to middle ear infections. Such losses are often undetected and can cause problems in learning speech and language. Many children with hearing losses benefit from amplification and auditory training in how to use their remaining hearing most efficiently.

The disabilities coordinator should also work with the education coordinator to provide timely staff training on recognizing signs that some children may be at high risk for later learning problems as well as emotional problems resulting from failure and frustration. This training should address ways to help children develop the skills necessary for later academic learning, such as following directions calling for more than one action, sequencing, sustaining attention, and making auditory and visual discriminations.

Guidance for Paragraph (l)

The RAPS can provide information on agreements which have been developed between Head Start and SEAs and between Head Start and LEAs and other agencies. Such agreements offer possibilities to share training, equipment and other resources, smoothing the transition from Head Start to public or private school for children and their parents. Some of these agreements specify cost- and resource-sharing practices. Tribal Government Head Start programs should maximize use of Bureau of Indian Affairs, LEA and Head Start funds through cooperative agreements. Indian grantees should contact ACYF for referral to technical assistance in this regard. Grantees should bear in mind that migrant children...
are served in the majority of States and include consideration of their special needs, including the necessity for rapid provision of special education and related services, in agreements with LEAs and other agencies.

Guidance for Paragraph (m)

In developing the plan and the budget which is a part of the grant application process, it is important to budget adequately for the number of children with disabilities to be served and the types and severity of their disabilities. The budget should reflect resources available from other agencies as well as the special costs to be paid for from Head Start funds. The Head Start legislation requires Head Start to access resources to meet the needs of all the children enrolled, including those with disabilities.

An effective plan calls for the careful use of funds. The Disabilities Services Coordinator needs to keep current with the provisions of Part B of the IDEA and the services which may be available for three through five year old children under this Act. Coordinators also need to utilize the expanded services under the Early Periodic Screening, Diagnosis and Treatment (EPSDT) program and Supplemental Security Income program.

To assist in the development of the plan, it may be helpful to establish an advisory committee for the disability effort or to expand the scope of the health advisory committee.

Guidance for Paragraph (o)

Examples of evaluation costs which can be covered include professional assessment by the multidisciplinary evaluation team, instruments, professional observation and professional consultation. If consultation fees for multidisciplinary evaluation team members to participate in IEP meetings are not available from another source, they are allowable expenditures and need to be provided to meet the performance standards.

Many children with disabilities enrolled in Head Start already receive services from other agencies, and grantees should encourage these agencies to continue to provide services. Grantees should use other community agencies and resources to supplement services for children with disabilities and their families.

By planning ahead, grantees can pool resources to schedule the periodic use of experts and consultants. Grantees can time-share, reducing travel charges and assuring the availability of scarce expertise. Some LEAs and other agencies have enabling legislation and funds to contract for education, health, and developmental services of the type Head Start can provide. Grantees can also help increase the amount of preschool funding available to their State under the Individuals With Disabilities Education Act. The amount of the allocation to each SEA and to the public schools is affected by the number of three through five year old children with IEPs in place by December 1 of each year. By establishing good working relationships with State Public Health personnel and including them on advisory committees, health resources can be more easily utilized.

It may be helpful to explore the possibility of a cooperative agreement with the public school system to provide transportation. If the lack of transportation would prevent a child with disabilities from participating in Head Start, program funds are to be used to provide this related service before a delay occurs which would have a negative effect on the child’s progress. The major emphasis is on providing the needed special help so that the child can develop to the maximum during the brief time in Head Start.

The Americans with Disabilities Act of 1990 (42 U.S.C. 12101) requires that new buses (ordered after August 26, 1990) by public bus systems must be accessible to individuals with disabilities. New over-the-road buses ordered by privately operated bus and van companies (on or after July 26, 1990 or July 26, 1997 for small companies) must be accessible. Other new vehicles, such as vans, must be accessible, unless the transportation company provides service to individuals with disabilities that is equivalent to that operated for the general public. The Justice Department enforces these requirements.

Efforts should be made to obtain expensive items such as wheelchairs or audiometers through resources such as Title V (formerly Crippled Children’s Services). Cooperative arrangements can be made with LEAs and other agencies to share equipment such as tympanometers. Special equipment such as hearing aids may be obtained through EPSDT or from SSI funds for those children who have been found eligible. Some States have established libraries of assistive technology devices and rosters of expert consultants.

Section 1308.5 Recruitment and Enrollment of Children With Disabilities

Guidance for Paragraph (a)

Head Start can play an important role in Child Find by helping to locate children in need and hardest to reach, such as immigrants and non-English speakers. In cooperation with other community groups and agencies serving children with disabilities, Head Start programs should incorporate in their outreach and recruitment procedures efforts to identify and enroll children with disabilities who meet eligibility requirements and whose parents desire the child’s participation.

Integrating children with severe disabilities for whom Head Start is an appropriate placement is a goal of ACYF. Grantees
Office of Human Development Services, HHS
Pt. 1308, App.

should bear in mind that 45 CFR part 84, Nondiscrimination on the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance or the Rehabilitation Act of 1973 (20 U.S.C. 794) states that any program receiving Federal funds may not deny admission to a child solely on the basis of the nature or extent of a disabling condition and shall take into account the needs of the child in determining the aid, benefits, or services to be provided. Many children who appear to have serious impairments are nevertheless able to make greater gains in an integrated setting than in a segregated classroom for children with disabilities.

The key factor in selecting an appropriate placement is the IEP. The need of the individual child and the ability of the child to benefit are determining factors. Likewise, the amount of time per day or week to be spent in the regular setting and/or in other settings is determined by the IEP. The IEP of a child with a severe emotional/behavioral disorder, for example, might realistically call for less than full day attendance or for dual placement. Another factor to consider is that according to the PIR, the majority of children with severe impairments are provided special services by both Head Start staff and staff of other agencies, sharing the responsibility. Many grantees have successfully served children with moderate and severe disabilities.

The disabilities coordinator’s responsibility includes providing current names of appropriate specialized agencies serving young children with disabilities and the names of LEA Child Find contact persons to the director to facilitate joint identification of children with disabilities. It also includes learning what resources other agencies have available and the eligibility criteria for support from State agencies, Supplemental Security Income (SSI), Title V, Maternal and Child Health Block Grants, Title XIX (EPSDT/Medicaid), Migrant Health Centers, Developmental Disabilities programs, Bureau of Indian Affairs, third party payers such as insurance companies and other sources.

Grantees need to develop lists of appropriate referral sources. These include hospital child life programs, SSI, early intervention programs funded by Part H of the IDEA or other sources, EPSDT providers, infant stimulation programs, Easter Seal and United Cerebral Palsy agencies, mental health agencies, Association for Retarded Citizens chapters, Developmental Disabilities Planning Councils, Protection and Advocacy Systems, University Affiliated Programs, the LEA Child Find, and the medical community.

Head Start programs are encouraged to increase the visibility of the Head Start mainstreaming effort within the community by:

- Including community child service providers on policy council health and disability advisory boards and in other relevant Head Start activities.
- Making presentations on Head Start mainstreaming experiences at local, State and Regional meetings and conferences, such as the National Association for the Education of Young Children, Council for Exceptional Children, and the Association for the Care of Children’s Health.
- Participating in interagency planning activities for preschool infant and toddler programs such as the State Interagency Coordinating Councils supported under the IDEA.

Guidance for Paragraph (b)

Grantees should maintain records of outreach, recruitment, and service activities for children with disabilities and their families.

Each grantee should develop a policy on what types of information are to be included in a comprehensive file for each disabled child. The policy should outline the locations where a copy of each record will be sent. For example, while a comprehensive file will be maintained at the Head Start program central office (where the disability services coordinator and component coordinators may be based), a teacher must have access to a child’s IEP and progress notes in order to plan effectively. Confidentiality needs to be maintained in a manner which allows for access to information by appropriate staff while meeting applicable Head Start and State requirements.

Guidance for Paragraph (d)

Staff should assist families who need help in obtaining immunizations before the program year begins, bearing in mind that a goal of parent involvement and social service activities is to encourage independence and develop skills in meeting timelines when seeking services for children. Care should be taken that children are not denied enrollment, but that their families receive the necessary assistance to meet entrance requirements. “Healthy Young Children: A Manual for Programs,” (a cooperative effort of the Administration for Children, Youth and Families, the American Academy of Pediatrics; the Division of Maternal and Child Health, U.S. Department of Health and Human Services; Georgetown University Child Development Center; Massachusetts Department of Public Health, and the National Association for the Education of Young Children, 1988, copyright, NAELC) contains best practice guidance.
Section 1308.6 Assessment of Children

Guidance for Paragraph (b)

Early screening is essential because of the time required for the steps necessary before special services can begin. It has been very difficult for some grantees to complete health screenings in a timely manner for several reasons including the lack of resources, especially in rural areas; the need to rely on donated services from agencies whose schedules have been especially overloaded during September and October after the start of the Head Start program year; lack of summer staff in most programs; and the difficulty in reaching some families. Lack of coordination among agencies with legislative responsibility for identifying children with disabilities has resulted in duplication and unacceptable delays in providing required services for many grantees. Other grantees, however, have demonstrated the ability to complete screenings early in the program year without difficulty. Many programs already complete screening by 45 days after the first day of program operation. Some participate in spring or summer screening programs in their areas before the fall opening. Grantees are encouraged to schedule well in advance with clinics and with such providers as EPSDT and the Indian Health Service for timely screening and any subsequent evaluations that may be needed.

Recently, a number of legislative and legal requirements have increased the resources available for the screening and evaluation of children. Title XIX, EPDS/T-Medicaid, has new requirements for screening and evaluation, as well as treatment; the Social Security Administration has modified eligibility requirements for children with disabilities so that more services will be available; and all States have assured that services will be provided from at least age three under IDEA so that LEAs in more States will be engaged in identifying and evaluating children from birth to age six.

In response to these changes, the Department of Health and Human Services and the Department of Education, through the Federal Interagency Coordinating Council, have developed a cooperative agreement for coordinated screening. Head Start is one of the participating agencies which will work together to plan and implement community screenings, assisting the LEAs which have the major responsibility for identifying every child with a disability under the IDEA. In addition, programs may elect to make some summer staff available for activities to close out program work in the spring and prepare for the fall.

These developments make timely screening feasible. They also make it possible to expedite immunizations. State-of-the-art coordinated screening programs make immunizations available.

This coordination can focus staff energy on assisting families to have their children immunized during the screening phase rather than making repeated follow-up efforts after the program for children has begun. Coordinated screening also provides an excellent parent education opportunity. Information on child development, realistic expectations for preschoolers and such services as WIC can be provided during the screening. Some communities have combined screening with well-received health fairs.

The staff should be involved in the planning of screening to assure that screening requirements are selected or adapted with the specific Head Start population and goals of the screening process in mind. Instruments with age-appropriate norms should be used. Children should be screened in their native language. Universities, civic organizations or organizations to aid recent immigrants may be able to locate native speakers to assist. The RAPs can provide information on the characteristics of screening instruments.

Current best practice indicates that individual pure tone audiometry be used as the first part of a screening program with children as young as three. The purpose is to identify children with hearing impairments that interfere with, or have the potential to interfere with communication. The recommended procedure is audiometric screening at 20 dB HL (re ANSI-1969) at the frequencies of 1000, 2000, and 4000 Hz, and at 500 Hz unless acoustic immittance audiometry is included as the second part of the screening program and if the noise level in the room permits testing at that frequency.) Acoustic immittance audiometry (or impedance audiometry) is recommended as the second part of the program to identify children who have middle-ear disorders.

The audiometric screening program should be conducted or supervised by an audiologist. Nonprofessional support staff have successfully carried out audiometric screening with appropriate training and supervision.

When a child fails the initial screening, an audiometric rescreening should be administered the same day or no later than within 2 weeks. A child who fails the rescreening should be referred for an evaluation by an audiologist.

Current best practice calls for annual hearing tests. Frequent rescreening is needed for children with recurrent ear infections. Grantees who contract or arrange for hearing testing should check to assure that the testing covers the three specified frequencies and that other quality features are present. Speech, hearing and language problems are the most widespread disabilities in preschool programs and quality testing is vital for early detection and remediation.
Playing listening games prior to testing and getting use to earphones can help children learn to respond to a tone and improve the quality of the testing.

Some grantees have found it strengthens the skills of their staff to have all members learn to do developmental screening. This can be a valuable in-service activity especially for teachers. State requirements for qualifications should be checked and non-professional screeners should be trained.

Some programs have involved trained students of nursing, child development or special education graduate students, or medical students who must carry out screening work as part of their required experience.

Guidance for Paragraph (d)

Parents should be provided assistance if necessary, so that they can participate in the developmental assessment.

Grantees should offer parents assistance in understanding the implications of developmental assessments as well as medical, dental or other conditions which can affect their child’s development and learning.

Development assessment is an ongoing process and information from observations in the Head Start center and at home should be recorded periodically and updated in each developmental area in order to document progress and plan activities.

Disabilities coordinators, as well as education staff, need to be thoroughly familiar with developmental assessment activities such as objective observation, time sampling and obtaining parent information and the use of formal assessment instruments. Knowledge of normal child development and understanding of the culture of the child are also important.

Guidance for Paragraph (e)

While the LEA is responsible for assuring that each child who is referred is evaluated in accordance with the provisions of IDEA and usually provides the evaluation, grantees may sometimes provide for the evaluation. In that event, grantees need to assure that evaluation specialists in appropriate areas such as psychology, special education, speech pathology and physical therapy coordinate their activities so that the child’s total functioning is considered and the team’s findings and recommendations are integrated.

Grantees should select members of the multidisciplinary evaluation team who are familiar with the specific Head Start population, taking into account the age of the children and their cultural and ethnic background as they relate to the overall diagnostic process and the use of specific tests.

Grantees should be certain that team members understand that Head Start programs are funded to provide preschool developmental experiences for all eligible children, some of whom also need special education and related services. The intent of the evaluation procedures is to provide information to identify children who have disabling conditions so they can receive appropriate assistance. It is also the intent to avoid mislabeling children who are not disabled. Head Start programming is designed and who may show developmental delays which can be overcome by a regular comprehensive program meeting the Head Start Performance Standards.

When a grantee provides for the evaluation of a child, it is important that the Head Start eligibility criteria be explained to the evaluation team members and that they be informed as to how the results will be used.

Grantees should require specific findings in writing from the evaluation team, and recommendations for intervention when the team believes the child has a disability. The findings will be used in developing the child’s IEP to ensure that parents, teachers and others can best work with the child. Some grantees have obtained useful functional information by asking team members to complete a brief form describing the child’s strengths and weaknesses and the effects of the disability along with suggestions for special equipment, treatment or services. The evaluators should be asked in advance to provide their findings promptly in easily understood terms. They should provide separate findings and, when they agree, consensus professional opinions. When planning in advance for evaluation services from other agencies, grantees should try to obtain agreements on prompt timing for delivery of reports which are necessary to plan services.

To assist the evaluation team, Head Start should provide the child’s screening results, pertinent observations, and the results of any developmental assessment information which may be available.

It is important that programs ensure that no individual child or family is labeled, mislabeled, or stigmatized with reference to a disabling condition. Head Start must exercise care to ensure that no child is misidentified because of economic circumstances, ethnic or cultural factors or developmental lags not caused by a disability, bilingual or dialectical differences, or because of being non-English speaking.

If Head Start is arranging for the evaluation, it is important to understand that a child whose problem has been corrected (e.g., a child wearing glasses whose vision is corrected and who does not need special education and related services) does not qualify as a child with a disability. A short-term medical problem such as post-operative recovery or a problem requiring only medical care and health monitoring when the evaluation specialists have not stated that special

Office of Human Development Services, HHS Pt. 1308, App.

233
education and related services are needed does not qualify as a disability.

The evaluation team should include consideration of the way the disability affects the child’s ability to function as well as the cause of the condition.

Some children may have a recent evaluation from a clinic, hospital or other agency (other than LEAs) prior to enrolling in Head Start. If that evaluation did not include needed functional information or a professional opinion as to whether the child meets one of the Head Start eligibility criteria, the grantee should contact the agency to try to obtain that information.

Some children, prior to enrolling in Head Start, already have been diagnosed as having severe disabilities and a serious need for services. Some of these children already may be receiving some special assistance from other agencies for their disabilities but lack developmental services in a setting with other children. Head Start programs may best meet their needs by serving them jointly, i.e., providing developmental services while disability services are provided from another source. It is important in such situations that regular communication take place between the two sites.

Beginning in 1990, State EPSDT/Medicaid programs must, by law, evaluate and provide services for young children whose families meet eligibility criteria at 133 percent of the poverty levels. This is a resource for Head Start and it is important to become aware of EPSDT provisions.

Section 1308.7 Eligibility Criteria: Health Impairment Guidance

Guidance for Paragraph (c)

Many health impairments manifest themselves in other disabling conditions. Because of this, particular care should be taken when classifying a health impaired child.

Guidance for Paragraph (b)

Because AIDS is a health impairment, grantees will continue to enroll children with AIDS on an individual basis. Staff need to be familiar with the Head Start Information Memorandum on Enrollment of Head Start Programs of Infants and Young Children with Human Immunodeficiency Virus (HIV), AIDS Related Complex (ARC), or Acquired Immunodeficiency Syndrome (AIDS) dated June 22, 1988. This guidance includes material from the Centers for Disease Control which stresses the need for a team, including a physician, to make informed decisions on enrollment on an individual basis. It provides guidance in the event that a child with disabilities presents a problem involving biting or bodily fluids. The guidance also discusses methods for control of all infectious diseases through stringent cleanliness standards and includes lists of Federal, State and national agencies and organizations that can provide additional information as more is learned. Staff should be aware that there is a high incidence of visual impairment among children with HIV and AIDS.

Guidance for Paragraph (c)

Teachers or others in the program setting are in the best position to note the following kinds of indications that a child may need to be evaluated to determine whether an attention deficit disorder exists:

1. Inability of a child who is trying to participate in classroom activities to be able to orient attention, for example to choose an activity for free time or to attend to simple instructions.

2. Inability to maintain attention, as in trying to complete a selected activity, to carry out simple requests or attend to telling of an interesting story; or

3. Inability to focus attention on recent activities, for example on telling the teacher about a selected activity, inability to tell about simple requests after carrying them out, or inability to tell about a story after hearing it.

These indicators should only be used after the children have had sufficient time to become familiar with preschool procedures and after most of the children are able easily to carry out typical preschool activities.

Culturally competent staff recognize and appreciate cultural differences, and this awareness needs to include understanding that some cultural groups may promote behavior that may be misinterpreted as inattention. Care must be taken that any deviations in attention behavior which are within the cultural norms of the child’s group are not used as indicators of possible attention deficit disorder.

A period of careful observation over three months can assure that adequate documentation is available for the difficult task of evaluation. It also provides opportunity to provide extra assistance to the child, perhaps through an aide or special education student under the teacher’s direction, which might improve the child’s functioning and eliminate the behavior taken as evidence of possible attention deficit disorder.

Attention deficit disorders are not the result of learning disabilities, emotional/behavioral disabilities, autism or mental retardation. A comprehensive psychological evaluation may be carried out in some cases to rule out learning disability or mental retardation. It is possible, however, in some instances for this disability to coexist with another disability. Children who meet the criteria for multiple disabilities (e.g., attention deficit disorder and learning disability, or emotional/behavioral disorder, or mental retardation) would be eligible for services as children with multiple disabilities or under their primary disability.
Office of Human Development Services, HHS
Pt. 1308, App.

Teacher and parent reports have been found to provide the most useful information for assessment of children suspected of having attention deficit disorder. They are also useful in planning and providing special education intervention. The most successful approach may be a positive behavior modification program in the classroom, combined with a carryover program in the home. Prompt and clear response should be provided consistently. Positive reinforcement for appropriate behavior, based on rewards such as stickers or small items desired by the child, has been found effective for children with this disorder, along with occasional withholding of rewards or postponing of activities in the face of inappropriate behavior. Effective programs suggest that positive interactions with the child after appropriate behavior are needed at least three times as often as any negative response interactions after inappropriate behavior. Consultants familiar with behavior modification should be used to assist teachers in planning and carrying out intervention which can maintain this positive to negative ratio while shaping behaviors. These behavior interventions can be provided in mainstream placements with sufficient personnel.

Section 1308.8 Eligibility Criteria: Emotional/Behavioral Disorders

Guidance for Paragraph (a)

Staff should insure that behavior which may be typical of some cultures or ethnic groups, such as not making eye contact with teachers or other adults or not volunteering comments or initiating conversations are not misinterpreted.

The disability, social service and parent involvement coordinators should consider providing extra attention to children at-risk for emotional/behavioral disorders and their parents to help prevent a disability. Members of the Council of One Hundred, Kiwanis, Urban League, Jaycees, Rotary, Foster Grandparents, etc. may be able to provide mentoring and individual attention.

Suggested Primary Members of a Head Start Evaluation Team for Emotional/Behavioral Disorders:

- Environmental adjustments.
- Family counseling.
- Psychotherapy.
- Transportation.
- Assistive technology.

Section 1308.9 Eligibility Criteria: Speech or Language Impairment

Guidance for Paragraph (a)

Staff familiar with the child should consider whether shyness, lack of familiarity with vocabulary which might be used by testers, unfamiliar settings, or linguistic or cultural factors are negatively influencing screening and assessment results. Whenever possible, consultants trained in assessing the speech and language skills of young children should be selected. The child’s ability to communicate at home, on the playground and in the neighborhood should be determined for an accurate assessment. Review of the developmentally appropriate age ranges for the production of difficult speech sounds can also help reduce over-referral for evaluation.

Suggested Primary Members of a Head Start Evaluation Team for Speech or Language Impairment:
- Speech Pathologist.
- Language Pathologist.

- Language therapy.
- Speech therapy.
- Transportation.
- Assistive technology devices or services.
Section 1308.10 Eligibility Criteria: Mental Retardation

Guidance for Paragraph (a)

Evaluation instruments with age-appropriate norms should be used. These should be administered and interpreted by professionals sensitive to racial, ethnic and linguistic differences. The diagnosticians must be aware of sensory or perceptual impairments that the child may have (e.g., a child who is visually impaired should not be tested with instruments that rely heavily on visual information as this could produce a depressed score from which erroneous diagnostic conclusions might be drawn).

Suggested primary members of a Head Start evaluation team for mental retardation:

- Psychologist.
- Pediatrician.
- Possible related services:
  - Environmental adjustments.
  - Family counseling.
  - Genetic counseling.
  - Language therapy.
  - Recreational therapy.
  - Speech therapy.
  - Transportation.
  - Nutrition counseling.

Section 1308.11 Eligibility Criteria: Hearing Impairment Including Deafness

Guidance for Paragraph (a)

An audiologist should evaluate a child who has failed rescreening or who does not respond to more than one effort to test the child’s hearing. If the evaluation team determines that the child has a disability, the team should make recommendations to meet the child’s needs for education and medical care or habilitation, including auditory training to learn to use hearing more effectively.

Suggested Primary Members of a Head Start Evaluation Team for Hearing Impairment:

- Psychologist.
- Audiologist.
- Otolaryngologist.

Section 1308.14 Learning Disabilities

Guidance for Paragraph (a)

When a four or five-year-old child shows signs of possible learning disabilities, thorough documentation should be gathered. For example, specific anecdotal information and
samples of the child’s drawings, if appropriate, should be included in the material given to the evaluation team.

A Master’s degree level professional with a background in learning disabilities should be a member of the evaluation team.

Section 1308.17 Other Impairments

This category was included to ensure that any Head Start child who meets the State eligibility criteria as developmentally delayed or State-specific criteria for services to preschool children with disabilities is eligible for needed special services either within Head Start or the State program.

Suggested primary members of an evaluation team for other impairments meeting State eligibility criteria for services to preschool children with disabilities:
Pediatrician.

Deaf-blindness

Information on assistance or joint services for deaf-blind children can be obtained through SEAs.

Multiple Disabilities

A child who is deaf and has speech and language impairments would not be considered to have multiple disabilities, as it could be expected that these impairments were caused by the hearing loss.

Suggested primary members of a Head Start evaluation team:
Audiologists.
Speech, language or physical therapists.
Psychologists or psychiatrists.
Rehabilitation professional.

Section 1308.18 Disabilities/Health Services Coordination

Guidance for Paragraph (a)

It is important for staff to maintain close communication concerning children with health impairments. Health and disability services coordinators need to schedule frequent re-tests of children with recurrent middle ear infections and to ensure that they receive ongoing medical treatment to prevent speech and language delay. They should ensure that audiometers are calibrated annually for accurate testing of hearing. Speech and hearing centers, the manufacturer, or public school education services districts should be able to perform this service. In addition, a daily check when an audiometer is
in use and a check of the acoustics in the testing site are needed for accurate testing.

Approximately 17 percent of Down Syndrome children have a condition of the spine (atlanto-axial instability) and should not engage in somersaults, trampoline exercises, or other activities which could lead to spinal injury without first having a cervical spine x-ray.

Guidance for Paragraph (b)

The disabilities services coordinator needs to assure that best use is made of mental health consultants when a child appears to have a problem which may be symptomatic of a disability in the social/emotional area. Teachers, aides and volunteers should keep anecdotal records of the child’s activities, tantrums, the events which appear to precipitate the tantrums, language use, etc. These can provide valuable information to a mental health consultant, who should be used primarily to make specific recommendations and assist the staff rather than to document the problem.

The mental health coordinator can cooperate in setting up group meetings for parents of children with disabilities which provide needed support and a forum for talking over mutual concerns. Parents needing community mental health services may need direct assistance in accessing services, especially at first.

The disability services coordinator needs to work closely with staff across components to help parents of children who do not have disabilities become more understanding and knowledgeable about disabilities and ways to lessen their effects. This can help reduce the isolation which some families with children with disabilities experience.

Guidance for Paragraphs (c) and (d)

Arrangements should be made with the family and the physician to schedule the administration of medication during times when the child is most likely to be under parental supervision.

Awareness of possible side effects is of particular importance when treatment for a disability requires administration of potentially harmful drugs (e.g., anti-convulsants, amphetamines).

Section 1308.19 Developing Individual Education Programs (IEPs)

Guidance for Paragraph (a)

The IEP determines the type of placement and the specific programming which are appropriate for a child. The least restrictive environment must be provided and staff need to understand that this means the most appropriate placement in a regular program to the maximum extent possible based on the IEP. Because it is individually determined, the least restrictive environment varies for different children. Likewise, the least restrictive environment for a given child can vary over time as the disability is remediated or worsens. A mainstreamed placement, in a regular program with services delivered by regular or special staff, is one type of integrated placement on the continuum of possible options. It represents the least restrictive environment for many children.

Following screening, evaluation and the determination that a child meets the eligibility criteria and has a disability, a plan to meet the child’s individual needs for special education and related services is developed. In order to facilitate communication with other agencies which may cooperate in providing services and especially with LEAs or private schools which the children will eventually enter, it is recommended that programs become familiar with the format of the IEP used by the LEAs and use that format to foster coordination. However, the format of the IEP to be developed for children in Head Start can vary according to local option. It should be developed to serve as a working document for teachers and others providing services for a child.

It is recommended that the staff review the IEP of each child with a disability more frequently than the minimum once a year to keep the objectives and activities current.

It is ideal if a child can be mainstreamed in the full program with modifications of some of the small group, large group or individual program activities to meet his or her special needs and this should be the first option considered. However, this is not possible or realistic in some cases on a full-time basis. The IEP team needs to consider the findings and recommendations of the multi-disciplinary evaluation team, observation and developmental assessment information from the Head Start staff and parents, parental information and desires, and the IEP to plan for the best situation for each child. Periodic reviews can change the degree to which a child can be mainstreamed during the program year. For example, a child with autism whose IEP called for part-time services in Head Start in the fall might improve so that by spring the hours could be extended.

If Head Start is not an appropriate placement to meet the child’s needs according to the IEP, referral should be made to another agency.

Helpful specific information based on experience in Head Start is provided in manuals and resource materials on serving children with disabilities developed by ACYF and by technical assistance providers. They cover such aspects of developing and implementing the IEP as:

• Gathering data needed to develop the IEP;
Office of Human Development Services, HHS  
Pt. 1308, App.

- Preparing parents for the IEP conference;
- Writing IEPs useful to teachers; and
- Developing appropriate curriculum activities and home follow-up activities.

Guidance for Paragraph (j)

Programs are encouraged to offer parents assistance in noting how their child functions at home and in the neighborhood. Parents should be encouraged to contribute this valuable information to the staff for use in ongoing planning. Care should be taken to put parents at ease and to eliminate or explain specialized terminology. Comfortable settings, familiar meeting rooms and ample preparation can help lessen anxiety. The main purpose is to involve parents actively, not just to obtain their signature on the IEP.

It is important to involve the parents of children with disabilities in activities related to their child’s unique needs, including the procurement and coordination of specialized services and follow-through on the child’s treatment plan, to the extent possible. It is especially helpful for Head Start to assist parents in developing confidence, strategies and techniques to become effective advocates for their children and to negotiate complicated systems. Under IDEA, a federally-funded Parent Training and Information Program exists whereby parent training centers in each State provide information, support and assistance to parents enabling them to advocate for their child. Information regarding these centers should be given to parents of a child determined to have a disability. Because some parents will need to advocate for their children over a number of years, they need to gain the confidence and skills to access resources and negotiate systems with increasing independence.

Some parents of children with disabilities are also disabled. Staff may need to adjust procedures for assisting parents who have disabilities to participate in their children’s programs. Materials to assist in this effort are available from technical assistance providers.

Section 1308.20 Nutrition Services

Guidance for Paragraph (a)

Vocabulary and concept building, counting, learning place settings, social skills such as conversation and acceptable manners can be naturally developed at meal or snack time, thus enhancing children’s skills. Children with disabilities often need planned attention to these areas.

The staff person who is responsible for nutrition and the disabilities services coordinator should work with the social services coordinator to help families access nutrition resources and services for children who are not able to learn or develop normally because of malnutrition.

The staff person who is responsible for nutrition and the disabilities services coordinator should alert staff to watch for practices leading to baby bottle caries. This is severe tooth decay caused by putting a baby or toddler to bed with a nursing bottle containing milk, juice or sugar water or letting the child carry around a bottle for long periods of time. The serious dental and speech problems this can cause are completely preventable.

In cases of severe allergies, staff should work closely with the child’s physician or a medical consultant.

Section 1308.21 Parent Participation and Transition of Children From Head Start to Public School

Guidance for Paragraph (a)

Grantees should help parents understand the value of special early assistance for a child with a disability and reassure those parents who may fear that if their child receives special education services the child may always need them. This is not the experience in Head Start and most other preschool programs where the majority of children no longer receive special education after the preschool years. The disabilities coordinator needs to help parents understand that their active participation is of great importance in helping their children overcome or lessen the effects of disabilities and develop to their full potential.

The disabilities coordinator should help program staff deal realistically with parents of children who have unfamiliar disabilities by providing the needed information, training and contact with consultants or specialized agencies. The coordinator should ensure that staff carrying out family needs assessment or home visits do not overlook possible disabilities among younger siblings who should be referred for early evaluation and preventive actions.

Guidance for Paragraphs (b) and (c)

As most Head Start children will move into the public school system, disabilities coordinators need to work with the Head Start staff for early and ongoing activities designed to minimize discontinuity and stress for children and families as they move into a different system. As the ongoing advocates, parents will need to be informed and confident in communicating with school personnel and staff of social service and medical agencies. Disabilities coordinators need to ensure that the Head Start program:

- Provides information on services available for LEAs and other sources of services parents will have to access on their own, such as dental treatment;
• Informs parents of the differences between the two systems in role, staffing patterns, schedules, and focus;
• Provides opportunities for mutual visits by staff to one another’s facilities to help plan appropriate placement;
• Familiarizes parents and staff of the receiving program’s characteristics and expectations;
• Provides early and mutually planned transfer of records with parent consent at times convenient for both systems;
• Provides information on services available under the Individuals With Disabilities Education Act, the federally-funded parent training centers and provisions for parent involvement and due process; and
• Provides opportunities for parents to confer with staff to express their ideas and needs so they have experience in participating in IEP and other conferences in an active, confident manner. Role playing has been found helpful.

It is strongly recommended that programs develop activities for smooth transition into Head Start from Part H infant/toddler programs funded under IDEA and from Head Start to kindergarten or other placement. In order to be effective, such plans must be developed jointly. They are advantageous for the children, parents, Part H programs, Head Start and LEAs.ACYF has developed materials useful for transition. American Indian programs whose children move into several systems, such as Bureau of Indian Affairs schools and public schools, need to prepare children and families in advance for the new situation. Plans should be used as working documents and reviewed for annual update, so that the foundation laid in Head Start is maintained and strengthened.

Subpart B—Application Procedures

§1309.10 Application.

A grantee which proposes to use grant funds to purchase a facility must submit a written application to the responsible HHS official. The application must include the following information:

(a) A legal description of the site of the facility, and an explanation of the appropriateness of the location to the grantee’s service area, including a statement of the effect that purchase of the facility has had or will have on the transportation of children to the program, on the grantee’s ability to collaborate with other child care, social services and health providers, and on all other program activities and services.

(b) Plans and specifications of the facility, including information on the size and type of structure, the number and a description of the rooms and the lot on which the building is located (including the space available for a playground and for parking).

(c) The cost comparison described in §1309.11 of this part.

(d) If minor renovations are necessary to make the facility suitable to carry out the Head Start program, a description of the renovations, and the plans and specifications required by paragraph (b) of this section for the facility as it will be after renovations are complete.

(e) The intended uses of the facility, including information demonstrating that the facility will be used principally as a Head Start center or a direct support facility for a Head Start program. If the facility is to be used for purposes in addition to the operation of the Head Start program, the grantee must state what portion of the facility is to be used for such other purposes.

(f) Assurance that the facility complies (or will comply after completion of the renovations described in paragraph (d) of this section) with local licensing and code requirements, the access requirements of the Americans.
§ 1309.10 with Disabilities Act (ADA), if applicable, and section 504 of the Rehabilitation Act of 1973. The grantee also will assure that it has met the requirements of the Flood Disaster Protection Act of 1973, if applicable.

(g) If the grantee is claiming that the lack of alternative facilities will prevent or would have prevented operation of the program, a statement of how it was determined that there is or was a lack of alternative facilities. This statement must be supported, whenever possible, by a written statement from a licensed real estate professional in the grantee's service area. If a grantee requesting approval of the previous purchase of a facility is unable to provide such statements based on circumstances which existed at the time of the purchase, the grantee and the licensed real estate professional may use present conditions as a basis for making the determination.

(h) The terms of any proposed or existing loan(s) related to the purchase of the facility and the repayment plans (detailing balloon payments or other unconventional terms, if any) and information on all other sources of funding of the purchase, including any restrictions or conditions imposed by other funding sources.

(i) A statement of the effect that the purchase of the facility would have on the grantee's meeting of the non-Federal share requirement of section 640(b) of the Head Start Act, including whether the grantee is seeking a waiver of its non-Federal share obligation under that section of the Act.

(j) Certification by a licensed engineer or architect that the building is structurally sound and safe for use as a Head Start facility. If minor renovations are necessary to make the facility suitable for use to carry out a Head Start program, the application must include a certification by a licensed engineer or architect as to the cost and technical appropriateness of the proposed renovations.

(k) A statement of the effect that the purchase of a facility would have on the grantee's ability to meet the limitation on development and administrative costs in section 644(b) of the Head Start Act. One-time fees and expenses necessary to the purchase, such as the down payment, the cost of necessary minor renovations, loan fees and related expenses, and fees paid to attorneys, engineers, and appraisers, are not considered to be administrative costs.

(l) A proposed schedule for acquisition, renovation and occupancy of the facility.

(m) Reasonable assurances that the applicant will obtain, or in the case of a previously purchased facility, has obtained a fee simple or such other estate or interest in the site sufficient to assure undisturbed use and possession for the purpose of operating the Head Start program. If the grantee proposes to purchase a facility without also purchasing the land on which the facility is situated, the application must describe the easement, right of way or land rental it will obtain or has obtained to allow it sufficient access to the facility.

(n) An assessment of the impact of the proposed acquisition on the human environment if it involves significant renovation or a significant change in land use, including substantial increases in traffic in the surrounding area due to the provision of Head Start transportation services, pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969 (42 U.S.C. 4332(2)(C)) and its implementing regulations (40 CFR parts 1500–1508), and a report showing the results of tests for environmental hazards present in the facility, ground water, and soil (or justification why such testing is not necessary). In addition, such information as may be necessary to comply with the National Historic Preservation Act of 1966 (16 U.S.C. 470f) must be included.

(o) Assurance that the grantee will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (42 U.S.C. 4601 et seq. and 49 CFR part 24), and information about the costs that may be incurred due to compliance with this Act.

(p) A statement of the share of the cost of purchase that will be paid with grant funds.

(q) For a grantee seeking approval of a previous purchase, a statement of the extent to which it has attempted to comply and will be able to comply with
§1309.11 Cost comparison.

(a) A grantee proposing to purchase a facility with grant funds must submit a detailed estimate of the cost of the proposed purchase, including the cost of any necessary minor renovations, and must compare the cost of purchasing the proposed facility to the cost of renting an alternative facility.

(b) All costs of purchase and ownership must be identified, including, but not limited to, professional fees, minor renovation costs, moving expenses, additional transportation costs, maintenance, taxes, insurance, and easements, rights of way or land rentals. An independent appraisal of the current value of the facility proposed to be purchased or previously purchased, made by a professional appraiser, must be included.

(c) The comparison described in paragraph (a) of this section must compare the cost of the proposed facility to the cost of the facility currently used by the grantee, unless the grantee has no current facility, will lose the use of its current facility, intends to continue to use its current facility after it purchases the new facility, or has shown to the satisfaction of the responsible HHS official that its existing facility is inadequate. Where the grantee’s current facility is not used as the alternate facility, the grantee must use for comparison a facility (or facilities) available for lease in the grantee’s service area and which are usable as a Head Start facility (meaning a facility large enough to meet the foreseeable needs of the Head Start grantee, and which complies with local licensing and code requirements and the access requirements of the Americans With Disabilities Act, if applicable, and section 504 of the Rehabilitation Act of 1973) or which can be made useable through minor renovation, the cost of which shall be included in the cost comparison. In the case of an application for approval of the previous purchase of a facility, the cost of the present facility must be compared to the cost of the facility used by the grantee before purchase of its current facility. If the facility used by the grantee before the purchase of its present facility was deemed inadequate by the responsible HHS official, the grantee had no previous facility, or if the grantee continued to use its previous facility after the current facility was purchased the alternative facility shall be an available, appropriate facility (or facilities) of comparable size that was available for rent in the grantee’s service area at the time of its purchase of the current facility.

(d) The grantee must separately delineate the following expenses in the application:

(1) One-time costs, including, but not limited to, the down payment, professional fees, moving expenses, the cost of site preparation and installation of a modular unit, and the costs of necessary minor renovations; and

(2) Ongoing costs, including, but not limited to, mortgage payments, insurance premiums, maintenance costs, and property taxes. If the grantee is exempt from the payment of property taxes, this fact must be stated.

(e) The period of comparison is twenty years, except that for the purchase of a modular unit the period of comparison is ten years. For a proposed purchase the period of comparison begins on the date on which the proposal is made. For approvals of previous purchases, the period of comparison begins on the date the purchase of the facility took place.

(f) If the facility is to be used for purposes in addition to the operation of the Head Start program, the cost of use of that part of the facility used for such other purposes must be allocated in accordance with applicable Office of Management and Budget cost principles.
§ 1309.12 Timely decisions.
The responsible HHS official shall promptly review and make final decisions regarding completed applications under this part.

Subpart C—Protection of Federal Interest

§ 1309.20 Title.
Title to facilities acquired with grant funds vests with the grantee upon acquisition, subject to the provisions of this part.

§ 1309.21 Recording of Federal interest and other protection of Federal interest.
(a) The Federal Government has an interest in all real property and equipment purchased with grant funds for use as a Head Start facility. (b) Facilities acquired with grant funds may not be mortgaged or used as collateral, or sold or otherwise transferred to another party, without the written permission of the responsible HHS official.

(c) Use of the facility for other than the purpose for which the facility was funded, without the express written approval of the responsible HHS official, is prohibited.

(d) Immediately upon purchasing a facility with grant funds, or receiving permission to use funds for a previously purchased facility, the grantee shall record a Notice of Federal Interest in the appropriate official records for the jurisdiction in which the facility is located. The Notice shall include the following information:

1. The date of the award of grant funds for the purchase of the property to be used as a Head Start facility, and the address and legal description of the property to be purchased;

4. That the property may not be mortgaged or used as collateral, sold or otherwise transferred to another party, without the written permission of the responsible HHS official;

5. That these grant conditions and requirements cannot be altered or nullified through a transfer of ownership; and

6. The name (including signature) and title of the person who completed the Notice for the grantee agency, and the date of the Notice.

(e) Grantees must meet all of the requirements in 45 CFR parts 74 or 92 pertaining to the purchase and disposition of real property, or the use and disposal of equipment, as appropriate.

§ 1309.23 Insurance, bonding and maintenance.

(a) At the time of acquiring a facility or receiving approval for the previous purchase of a facility, the grantee shall obtain insurance coverage for the facility which is of the same type as the coverage it has obtained for other real property it owns, which includes student liability insurance and which at least meets the requirements of the coverage specified in paragraphs (a)(1) and (2) of this section as follows:

(1) A title insurance policy which insures the fee interest in the facility for an amount not less than the full appraised value as approved by ACF, or the amount of the purchase price, whichever is greater, and which contains an endorsement identifying ACF as a loss payee to be reimbursed if the title fails. If no endorsement naming ACF as loss payee is made, the grantee is required to pay ACF the title insurance proceeds it receives in the event of title failure; and

(2) A physical destruction insurance policy, including flood insurance where mortgages must be included in the mortgages of previously purchased facilities unless a convincing justification for not doing so is shown by the Head Start grantee.

(b) The grantee must immediately provide the responsible HHS official with both telephonic and written notification of a default of any description on the part of the grantee under a real property or chattel mortgage.

(c) In the event that a default is not cured and foreclosure takes place, the mortgagee or creditor shall pay ACF that percentage of the proceeds from the foreclosure sale of the property attributable to the Federal share as defined in 45 CFR 74.2, or, if part 92 is applicable, to ACF’s share as defined in 45 CFR 92.3. If ACF and the mortgagee or creditor have agreed that ACF’s Federal interest will be subordinated to the mortgagee’s or creditor’s interest in the property, that agreement must be set forth in a written subordination agreement that is signed by the responsible HHS official and that complies with §1309.21 and any other applicable Federal law.
§ 1309.30 General.

In addition to the special requirements of §§1309.31-1309.34 of this part, the proposed purchase or request for approval of a previous purchase of a modular unit is subject to all of the requirements of this part with the following exceptions:

(a) Section 1309.10(j) of this part, which requires a certification by a licensed engineer or architect of the structural soundness of a facility prior to approval of an application for grant funds, is replaced by §1309.33; and

(b) Section 1309.21(d) of this part does not apply to the proposed purchase of modular units if the land on which the unit is installed is not owned by the grantee.

§ 1309.31 Site description.

(a) An application for the purchase or approval of a previous purchase of a modular unit must state specifically where the modular unit will be installed, and whether the land on which the modular unit will be installed will be purchased by the grantee. If the grantee does not propose to purchase land on which to install the modular unit or if the previously purchased modular unit is located on land not owned by the grantee, the application must state who owns the land on which the modular unit is or will be situated and describe the easement, right-of-way or land rental it will obtain or has obtained to allow it sufficient access to the modular unit.

(b) Modular units which are purchased with grant funds and which are not permanently affixed to land, or which are affixed to land which is not owned by the grantee, must have posted in a conspicuous place the following notice: “On (date), the Department of Health and Human Services (DHHS) awarded (grant number) to (Name of grantee). The grant provided Federal funds for conduct of a Head Start program, including purchase of this modular unit. The grant incorporated conditions which included restrictions on the use and disposition of this property, and provided for a continuing Federal interest in the property. Specifically, the property may not be used for any purpose other than the purpose for which the facility was funded, without the express written approval of the responsible DHHS official, or sold or transferred to another party without the written permission of the responsible DHHS official. These conditions are in accordance with the statutory provisions set forth in 42 U.S.C. 9839; the regulatory provisions set forth in 45 CFR part 1309, 45 CFR part 74 and 45 CFR part 92; and Administration for Children and Families’ grants policy.”

(c) A modular unit which has been approved for purchase and installation in one location may not be moved to another location without the written permission of the responsible HHS official.

§ 1309.32 Statement of procurement procedure for modular units.

(a) An application for the purchase of a modular unit must include a statement describing the procedures which will be used by the grantee to purchase the modular unit.

(b) This statement must include a copy of the specifications for the unit which is proposed to be purchased and assurance that the grantee will comply
with procurement procedures in 45 CFR parts 74 and 92, including assurance that all transactions will be conducted in a manner to provide, to the maximum extent practical, open and free competition. A grantee requesting approval of a previous purchase of a modular unit also must include a copy of the specifications for its unit.

§ 1309.33 Inspection.

A grantee which purchases a modular unit with grant funds or receives approval of a previous purchase must have the modular unit inspected by a licensed engineer or architect within 15 calendar days of its installation or approval of a previous purchase, and must submit to the responsible HHS official the engineer’s or architect’s inspection report within 30 calendar days of the inspection.

§ 1309.34 Costs of installation of modular unit.

Consistent with the cost principles referred to in 45 CFR part 74 and 45 CFR part 92, all reasonable costs necessary to the installation of a modular unit the purchase of which has been approved by the responsible HHS official are payable with grant funds. Such costs include, but are not limited to, payments for public utility hook-ups, site surveys and soil investigations.

45 CFR 1310.2(c) and 1310.12(b) are effective Feb. 20, 2001.

Subpart A—General

§ 1310.1 Purpose.

Under the authority of sections 640(i) and 645A(b)(9) of the Head Start Act (42 U.S.C. 9801 et seq.), this part prescribes regulations on safety features and the safe operation of vehicles used to transport children participating in Head Start and Early Head Start programs. Under the authority of sections 644(a) and (c) and 645A(b)(9) of the Head Start Act, this part also requires Head Start, Early Head Start, and delegate agencies to provide training in pedestrian safety and to make reasonable efforts to coordinate transportation resources to control costs and to improve the quality and the availability of transportation services.

§ 1310.2 Applicability.

(a) This rule applies to all Head Start and Early Head Start agencies, and their delegate agencies (hereafter, agency or agencies), including those that provide transportation services, with the exceptions provided in this section, regardless of whether such transportation is provided directly on agency owned or leased vehicles or through arrangement with a private or public transportation provider. Transportation services to children served under the home-based Option for Head Start and Early Head Start services are excluded from the requirements of 45 CFR 1310.12, 1310.15(c), and 1310.16. Except when there is an applicable State or local requirement that sets a higher standard on a matter covered by this part, agencies must comply with requirements of this part.

(b) Sections 1310.12(a) and 1310.22(a) of this part are effective January 18, 2006. Sections 1310.11 and 1310.15(c) of this part are effective January 20, 2004. Paragraph (c) of this section and § 1310.12(b) of this part are effective February 20, 2001. All other provisions of this part are effective January 18, 2002.

(c) Effective February 20, 2001 an agency may request a waiver of specific requirements of this part, except for the requirements of this paragraph. Requests for waivers must be made in writing to the responsible Health and Human Services (HHS) official, as part of an agency’s annual application for financial assistance or amendment thereto, based on good cause. “Good cause” for a waiver will exist when adherence to a requirement of this part would itself create a safety hazard in the circumstances faced by the agency. Under no circumstance will the cost of complying with one or more of the specific requirements of this part constitute good cause. The responsible HHS official is not authorized to waive any requirements of the Federal Motor Vehicle Safety Standards (FMVSS) made applicable to any class of vehicle under 49 CFR part 571. The responsible HHS official shall have the right to require such documentation as the official deems necessary in support of a request for a waiver. Approvals of waiver requests must be in writing, be signed by the responsible HHS official, and be based on good cause.

2. Vehicles must not be loaded beyond the maximum passenger capacity at any time.

3. Vehicles must not be required to back up or make “U” turns, except when necessary for reasons of safety or because of physical barriers.

2. explore the option of participating in any coordinated public or private transportation systems existing in the community; and
3. where no coordinated public or private non-profit transportation system exists in the community, make every effort to identify other human services agencies also providing transportation services and, where reasonable, to participate in the establishment of a local transportation coordinating council.
§ 1311.3 Application process.

An individual who wishes to obtain a Fellowship must submit an application to the Associate Commissioner. The Administration for Children and Families will publish an annual announcement of the availability and number of Fellowships in the Federal Register. Federal employees are not eligible to apply. A responsive community-based system of services shall include collaboration in planning, resource allocation and delivery of a comprehensive array of services and opportunities for all older Americans in the community. The intent is to use title III funds as a catalyst in bringing together public and private resources in the community to assure the provision of a full range of efficient, well coordinated and accessible services for older persons.

(c) Each State agency designates planning and service areas in the State, and makes a subgrant or contract under an approved area plan to one area agency in each planning and service area for the purpose of building comprehensive systems for older people throughout the State. Area agencies in turn make subgrants or contracts to service providers to perform certain specified functions.

plans until it has first spent 10 percent of the total of its combined allotments under Title III on the administration of area plans;

(ii) State and area agencies on aging will, consistent with budgeting cycles (annually, biannually, or otherwise), submit the details of proposals to pay for program development and coordination as a cost of supportive services, to the general public for review and comment; and

(b) A State agency shall approve or disapprove any application submitted under paragraph (a) of this section.

(c) Any applicant under paragraph (a) of this section whose application for designation as a planning and service area is denied by a State agency may appeal the denial to the State agency, under procedures specified by the State agency.
§ 1321.31 Appeal to Commissioner.

This section sets forth the procedures the Commissioner follows for providing hearings to applicants for designation as a planning and service area, under §1321.29(a), whose application is denied by the State agency.

(a) Any applicant for designation as a planning and service area under §1321.29(a) whose application is denied, and who has been provided a hearing and a written decision by the State agency, may appeal the denial to the Commissioner in writing within 30 days following receipt of a State’s hearing decision.

(b) The Commissioner, or the Commissioner’s designee, holds a hearing, and issues a written decision, within 60 days following receipt of an applicant’s written request to appeal the State agency hearing decision to deny the applicant’s request under §1321.29(a).

1. A copy of the applicant’s application for designation as a planning and service area;

2. A copy of the written decision of the State; and

3. Any other relevant information the Commissioner may require.

§ 1321.33 Designation of area agencies.

An area agency may be any of the types of agencies under section 305(c) of the Act. A State may not designate any regional or local office of the State as an area agency. However, when a new area agency on aging is designated, the State shall give right of first refusal to a unit of general purpose local government as required in section 305(b)(5)(B) of the Act. If the unit of general purpose local government chooses not to exercise this right, the State shall then give preference to an established office on aging as required in section 305(c)(5) of the Act.

§ 1321.35 Withdrawal of area agency designation.

(a) In carrying out section 305 of the Act, the State agency shall withdraw the area agency designation whenever it, after reasonable notice and opportunity for a hearing, finds that:

§ 1321.41 Single State planning and service area.

(a) The Commissioner will approve the application of a State which was, on or before October 1, 1980, a single planning and service area, to continue as a single planning and service area if the State agency demonstrates that:

(1) The State is not already divided for purposes of planning and administering human services; or

(2) The State is so small or rural that the purposes of this part would be impeded if the State were divided into planning and services areas; and

(3) The State agency has the capacity to carry out the responsibilities of an area agency, as specified in the Act.

(b) Prior to the Commissioner’s approval for a State to continue as a single planning and service area, all the requirements and procedures in §1321.29 shall be met.

(c) If the Commissioner approves a State’s application under paragraph (a) of this section:

(1) The Commissioner notifies the State agency to develop a single State planning and service area plan which meets the requirements of section 306 and 307 of the Act.

(2) A State agency shall meet all the State and area agency function requirements specified in the Act.

(d) If the Commissioner denies the application because a State fails to meet the criteria or requirements set forth in paragraphs (a) or (b) of this section, the Commissioner notifies the State that it shall follow procedures in section 305(A)(1)(E) of the Act to divide the State into planning and service areas.

§ 1321.37 Intrastate funding formula.

(a) The State agency, after consultation with all area agencies in the State, shall develop and use an intrastate funding formula for the allocation of funds to area agencies under this part. The State agency shall publish the formula for review and comment by older persons, other appropriate agencies and organizations and the general public. The formula shall reflect the proportion among the planning and service areas of persons age 60 and over in greatest economic or social need with particular attention to low-income minority individuals. The State agency shall review and update its formula as often as a new State plan is submitted for approval.

(b) The intrastate funding formula shall provide for a separate allocation of funds received under section 303(f) for preventive health services. In the award of such funds to selected planning and service areas, the State agency shall give priority to areas of the State:

(1) Which are medically underserved; and

(2) In which there are large numbers of individuals who have the greatest economic and social need for such services.

(c) If necessary to ensure continuity of services in a planning and service area, the State agency may, for a period of up to 180 days after its final decision to withdraw designation of an area agency:

(1) Perform the responsibilities of the area agency; or

(2) Assign the responsibilities of the area agency to another agency in the planning and service area.

(d) The Commissioner may extend the 180-day period if a State agency:

(b) The lead State shall request permission of the Commissioner to designate an interstate planning and service area.

(c) The lead State shall submit the request together with a copy of the agreement as part of its State plan or as an amendment to its State plan.

In developing a contribution schedule, the provider shall consider the income ranges of older persons in the community and the provider’s other sources of income. However, means tests may not be used for any service supported with funds under this part. State agencies, in developing State eligibility criteria for in-home services under section 343 of the Act, may not include a means test as an eligibility criterion.

(f) A legal assistance provider and its attorneys may engage in other legal activities to the extent that there is no conflict of interest nor other interference with their professional responsibilities under this Act.

(h) A provider, employee of the provider, or staff attorney shall not engage in the following prohibited political activities:

1. (2) Application. If an applicant wishes to request a waiver of the requirement for a 20 percent non-Federal matching share, it must include with its application for funding a written justification that clearly explains why the applicant cannot provide the matching share and how it meets the criteria.

(3) Criteria. Both of the following criteria must be met for an applicant to be eligible for a waiver of the non-Federal matching requirement:

(i) Applicant lacks the available resources to meet part or all of the non-Federal matching requirement. This must be documented by an institutional audit if available, or a full disclosure of applicant’s total assets and liabilities.

(ii) Applicant can document that reasonable efforts to obtain cash or in-kind contributions for the purposes of the project from third parties have been unsuccessful. Evidence of such efforts can include letters from possible sources of funding indicating that the requested resources are not available for that project. The requests must be appropriate to the source in terms of project purpose, applicant eligibility, and reasonableness of the request.

(4) Approval. For a waiver to be approved, ANA must determine that it will not prevent the award of other grants at levels it believes are desirable for the purposes of the program.

Waiver of all or part of the non-Federal share shall apply only to the budget period for which application was made.

(c) Maintenance of effort. (1) Applications for financial assistance under this Part must include either a statement of compliance with the maintenance of effort requirement contained in section 803(c) of the Act, or a request for a waiver, in accordance with criteria established in this paragraph.

(2) To be eligible for a waiver of the maintenance of effort requirement, the applicant must demonstrate to ANA that the organization whose funds previously supported the project discontinued its support:

(i) As a result of funding limitations; and

(ii) Not as a result of an adverse evaluation of the project’s purpose or the manner in which it was conducted; and

(iii) Not because it was anticipated that Federal funds would replace the original source of project funding.

(3) In addition, the applicant must demonstrate in the request for a waiver that the maintenance of effort requirement would result in insurmountable hardship for the recipient or would otherwise be inconsistent with the purposes of this part.

(d) Delegation of project operations. (1) Each subgrant awarded to a delegate agency must have specific prior approval by ANA. Such delegation must be formalized by written agreement.

(2) The agreement must specify the activities to be performed by the delegate agency, the time schedule, the policies and procedures to be followed, the dollar limitations, and the costs allowed. The applicant must submit a budget for each delegate agency as part of its application.

(e) Unallowable costs. ANA funds may not be used by recipients to purchase real property.

(f) Office of the Chief Executive. The costs of salaries and expenses of the Office of Chief Executive of a federally recognized Indian tribal government (as defined in §74.3 of this title) are allowable, provided that such costs exclude any portion of salaries and expenses of the Office of Chief Executive that are a cost of general government and provided they are related to a project assisted under this part.
§ 1336.51 Project period.

The Notice of Financial Assistance Awarded will specify the period for which support is intended, although the Department makes funding commitments only for one budget period at a time. Financial assistance under section 803 of the Act may be ongoing, subject to policy decisions and funding limitations.

§ 1336.52 Appeals.

(a) Right to appeal. Recipients whose financial assistance has been suspended or terminated, or whose non-competing continuation applications for refunding have been denied, may appeal such decisions using the procedures described in this section. Denial of an application for refunding means the refusal to fund a non-competing continuation application for a budget period within a previously approved project period.

(b) Suspension, termination, and denial of funding. Procedures for and definitions of suspension and termination of financial assistance are published in 45 CFR 74.110–74.116. Appeals from a denial of refunding will be treated the same procedurally as appeals to termination of financial assistance. The term “denial of refunding” does not include policy decisions to eliminate one or more activities of an approved project. A decision not to fund an application at the end of the recipient’s project period is not a “denial of refunding” and is not subject to appeal.

(c) Hearings. (1) A recipient shall be given an initial written notice at least thirty (30) days prior to the suspension or termination of financial assistance except in emergency situations, which occur when Federal property is in imminent danger of dissipation, or when life, health, or safety is endangered. During this period of time, the recipient has the opportunity to show cause to ANA why such action should not be taken.

(2) A recipient who has received final written notice of termination or denial of refunding, or whose financial assistance will be suspended for more than 30 days, or who has other appealable disputes with ANA as provided by 45 CFR part 16 may request review by the Departmental Grant Appeals Board under the provisions of 45 CFR part 16.

Prior to the approval of any direct loan under the RLF, the Loan Administrator must develop and obtain the Commissioner’s approval for the following procedures:

(a) Preapplication and loan screening procedures. Some factors to be considered in the loan screening process are:
   (1) General eligibility criteria;
(2) Potential economic development criteria;
(3) Indication of business viability;
(4) The need for RLF financing; and
(5) The ability to properly utilize financing.

(b) Application process. The application package includes forms, instructions, and policies and procedures for the loan application. The package must also include instructions for the development of a business and marketing plan and a financing proposal from the applicant.

(e) Loan closing process. The guidelines for the loan closing process include the finalization of loan terms; conditions and covenants; the exercise of reasonable and proper care to ensure adherence of the proposed loan and borrower’s operations to legal requirements; and the assurance that any requirement for outside financing or other actions on which disbursement is contingent are met by the borrower.

The Loan Administrator may require any applicant for a loan from the RLF to provide such collateral as the Loan Administrator determines to be necessary to secure the loan. (Section 803A(b)(3))

(a) As a Credit Factor. The availability of collateral security normally is considered an important factor in making loans. The types and amount of collateral security required should be governed by the relative strengths and weaknesses of other credit factors. The taking of collateral as security should be considered with respect to each loan. Collateral security should be sufficient to provide the lender reasonable protection from loss in the case of adversity, but such security or lack thereof should not be used as the primary basis for deciding whether to extend credit.

(b) Security Interests. Security interests which may be taken by the lender include, but are not limited to, liens on real or personal property, including leasehold interests; assignments of income and accounts receivable; and liens on inventory or proceeds of inventory sales as well as marketable securities and cash collateral accounts.
§ 1336.68 Defaults, uncollectible loans, liquidations: Responsibilities of the Loan Administrator.

(b) The Loan Administrator will provide a copy of such procedures and definitions to each applicant for a loan at the time the application is made. (section 803A(b)(4))

(c) The Loan Administrator will report to the Commissioner whenever a loan recipient is 90 days in arrears in the repayment of principal or interest or has failed to comply with the terms of the loan agreement. After making reasonable efforts to collect amounts payable, as specified in the written procedures, the Loan Administrator shall notify the Commissioner whenever a loan is uncollectible at reasonable cost. The notice shall include recommendations for future action to be taken by the Loan Administrator. (section 803A(c)(1) and (2))

(d) Upon receiving such notices, the Commissioner will, as appropriate, instruct the Loan Administrator:

(1) To demand the immediate and full repayment of the loan;
(2) To continue with its collection activities;
(3) To cancel, adjust, compromise, or reduce the amount of such loan;
(4) To modify any term or condition of such loan, including any term or condition relating to the rate of interest or the time of payment of any installment of principal or interest, or portion thereof, that is payable under such loan;
(5) To discontinue any further advance of funds contemplated by the loan agreement;
(6) To take possession of any or all collateral given as security and in the case of individuals, corporations, partnerships or cooperative associations, the property purchased with the borrowed funds;
(7) To prosecute legal action against the borrower or against the officers of the borrowing organization;
(8) To prevent further disbursement of credit funds under the control of the borrower;
(9) To assign or sell at a public or private sale, or otherwise dispose of for cash or credit any evidence of debt, contract, claim, personal or real property or security assigned to or held by the Loan Administrator; or
(10) To liquidate or arrange for the operation of economic enterprises financed with the revolving loan until the indebtedness is paid or until the Loan Administrator has received acceptable assurance of its repayment and compliance with the terms of the loan agreement. (Section 803A(c)(2)(B))

§ 1336.69 Reporting requirements: Responsibilities of the Loan Administrator.

§ 1336.70 Technical assistance: Responsibilities of the Loan Administrator.

The Loan Administrator will assure that competent management and technical assistance is available to the borrower consistent with the borrower's knowledge and experience and the nature and complexity of the economic enterprise being financed by the RLF. Consultants, RLF staff, and members of the loan review committee and Board may be used to assist borrowers. (section 803A(d)(1)(B))

§ 1336.71 Administrative costs.

Reasonable administrative costs of the RLF may be paid out of the loan fund. The grant award agreement between the Loan Administrator and ANA will set forth the allowable administrative costs of the loan fund during the five-year demonstration period. (sections 803A(a)(2) and 803A(d)(1)(A))

§ 1336.72 Fiscal requirements.

(a) Any portion of the revolving loan fund that is not required for expenditure must be invested in obligations of the United States or in obligations guaranteed or insured by the United States.

(b) Loans made under the RLF will be for a term that does not exceed five years.

(d) All monies that are in the revolving loan fund on November 29, 1992 and that are not otherwise needed (as determined by the Commissioner) to carry out the provisions of this subpart must be deposited in the Treasury of the United States as miscellaneous receipts. The Commissioner will make this determination based on reports, audits and other appropriate documents as determined by the Commissioner. The Commissioner will take into consideration the costs necessary to collect loans outstanding beyond November 29, 1992, which costs may be paid from interest and loan charges collected by the Fund and in the Fund as of November 29, 1992. To use monies
in the Fund for the costs of collection after November 29, 1992, the Commissioner must give prior approval for such use.

(b) Only if there is a reasonable prospect that the borrower will repay the loan. (section 803A(b)(1) (A) and (B))

Subpart A—General Provisions

§ 1340.1 Purpose and scope.

(a) This part implements the Child Abuse Prevention and Treatment Act (“Act”). As authorized by the Act, the National Center on Child Abuse and Neglect seeks to assist agencies and organizations at the national, State and community levels in their efforts to improve and expand child abuse and neglect prevention and treatment activities.

(b) The National Center on Child Abuse and Neglect seeks to meet these goals through:

(1) Conducting activities directly (by the Center);

(2) Making grants to States to improve and expand their child abuse and neglect prevention and treatment programs;

(3) Making grants to and entering into contracts for: Research, demonstration and service improvement programs and projects, and training, technical assistance and informational activities; and

(4) Coordinating Federal activities related to child abuse and neglect. This part establishes the standards and procedures for conducting the grant funded activities and contract and coordination activities.

(c) Requirements related to child abuse and neglect applicable to programs assisted under title IV–B of the Social Security Act are implemented by regulation at 45 CFR parts 1355 and 1357.

(d) Federal financial assistance is not available under the Act for the construction of facilities.

§ 1340.2 Definitions.

For the purposes of this part:

(a) A properly constituted authority is an agency with the legal power and responsibility to perform an investigation and take necessary steps to prevent and treat child abuse and neglect. A properly constituted authority may include a legally mandated, public or private child protective agency, or the police, the juvenile court or any agency thereof.

(b) Act means the Child Abuse Prevention and Treatment Act, 42 U.S.C. 5101, et seq.

(c) Center means the National Center on Child Abuse and Neglect established by the Secretary under the Act to administer this program.

(d) Child abuse and neglect means the physical or mental injury, sexual abuse or exploitation, negligent treatment, or maltreatment of a child under the age of eighteen, or the age specified by the child protection law of the State, by a person including any employee of
a residential facility or any staff person providing out of home care who is responsible for the child’s welfare under circumstances indicating harm or threatened harm to the child’s health or welfare. The term encompasses both acts and omissions on the part of a responsible person.

(1) The term sexual abuse includes the following activities under circumstances which indicate that the child’s health or welfare is harmed or threatened with harm: The employment, use, persuasion, inducement, enticement, or coercion of any child to engage in, or having a child assist any other person to engage in, any sexually explicit conduct (or any simulation of such conduct) for the purpose of producing any visual depiction of such conduct; or the rape, molestation, prostitution, or other form of sexual exploitation of children, or incest with children. With respect to the definition of sexual abuse, the term “child” or “children” means any individual who has not attained the age of eighteen.

(2)(i) “Negligent treatment or maltreatment” includes failure to provide adequate food, clothing, shelter, or medical care.

(ii) Nothing in this part should be construed as requiring or prohibiting a finding of negligent treatment or maltreatment when a parent practicing his or her religious beliefs does not, for that reason alone, provide medical treatment for a child; provided, however, that if such a finding is prohibited, the prohibition shall not limit the administrative or judicial authority of the State to ensure that medical services are provided to the child when his health requires it.

(3) Threatened harm to a child’s health or welfare means a substantial risk of harm to the child’s health or welfare.

(4) A person responsible for a child’s welfare includes the child’s parent, guardian, foster parent, an employee of a public or private residential home or facility or other person legally responsible under State law for the child’s welfare in a residential setting, or any staff person providing out of home care. All Federal agencies responsible for programs related to child abuse and neglect shall provide information as required by the Commissioner to insure effective coordination of efforts.

Subpart B—Grants to States

§ 1340.10 Purpose of this subpart.

This subpart sets forth the requirements and procedures States must meet in order to receive grants to develop, strengthen, and carry out State child abuse and neglect prevention and treatment programs under section 107 of the Act.

[55 FR 27639, July 5, 1990]

§ 1340.11 Allocation of funds available.

(a) The Commissioner shall allocate the funds available for grants to States for each fiscal year among the States on the basis of the following formula:

(1) An amount of $25,000 or such other amount as the Commissioner may determine; plus

(2) An additional amount bearing the same ratio to the total amount made available for this purpose (reduced by the minimum amounts allocated to the States under paragraph (a)(1) of this section) as the number of children under the age of eighteen in each State bears to the total number of children under eighteen in all the States. Annual estimates of the number of children under the age of eighteen, provided by the Bureau of the Census of the Department of Commerce, are used in making this determination.

(b) If a State has not qualified for assistance under the Act and this subpart prior to a date designated by the Commissioner in each fiscal year, the amount previously allocated to the State shall be allocated among the eligible States.

§ 1340.12 Application process.

(a) The Governor of the State may submit an application or designate the State office, agency, or organization which may apply for assistance under this subpart. The State office, agency, or organization need not be limited in its mandate or activities to child abuse and neglect.

(b) Grant applications must include a description of the activities presently conducted by the State and its political subdivisions in preventing and treating child abuse and neglect, the activities to be assisted under the grant, a statement of how the proposed activities are expected to improve or expand child abuse prevention and treatment programs in the State, and other information required by the Commissioner in compliance with the paperwork reduction requirements of 44 U.S.C. chapter 35 and any applicable directives issued by the Office of Management and Budget.

(c) States shall provide with the grant application a statement signed by the Governor that the State meets the requirements of the Act and of this subpart. This statement shall be in the form and include the documentation required by the Commissioner.

§ 1340.13 Approval of applications.

(a) The Commissioner shall approve an application for an award for funds under this subpart if he or she finds:

(1) The State is qualified and has met all requirements of the Act and §1340.14 of this part, except for the definitional requirement of §1340.14(a) with regard to the definition of “sexual abuse” (see §1340.2(d)(1)) and the definitional requirement of negligent treatment as it relates to the failure to provide adequate medical care (see §1340.2(d)(2)). The State must include these two definitional requirements in its definition of child abuse and neglect either by statute or regulation having the force and effect of law, the State modifies its definition of “child abuse and neglect” to provide that the phrase “person responsible for a child’s welfare” includes an employee of a residential facility or a staff person providing out-of-home care no later than the close of the second general legislative session of the State legislature following February 25, 1983;

(2) Either by statute or regulation having the force and effect of law, the State modifies its definition of “child abuse and neglect” to provide that the phrase “person responsible for a child’s welfare” includes an employee of a residential facility or a staff person providing out-of-home care no later than the close of the first general legislative session of the State legislature which convenes following February 6, 1987.
(3) The funds are to be used to improve and expand child abuse or neglect prevention or treatment programs; and

(4) The State is otherwise in compliance with these regulations.

(b) At the time of an award under this subpart, the amount of funds not obligated from an award made eighteen or more months previously shall be subtracted from the amount of funds under the award, unless the Secretary determines that extraordinary reasons justify the failure to so obligate.

§ 1340.14 Eligibility requirements.

In order for a State to qualify for an award under this subpart, the State must meet the requirements of §1340.15 and satisfy each of the following requirements:

(a) State must satisfy each of the requirements in section 107(b) of the Act.

(b) Definition of Child Abuse and Neglect. Wherever the requirements below use the term “Child Abuse and Neglect” the State must define that term in accordance with §1340.2. However, it is not necessary to adopt language identical to that used in §1340.2, as long as the definition used in the State is the same in substance.

(c) Reporting. The State must provide by statute that specified persons must report and by statute or administrative procedure that all other persons are permitted to report known and suspected instances of child abuse and neglect to a child protective agency or other properly constituted authority.

(d) Investigations. The State must provide for the prompt initiation of an appropriate investigation by a child protective agency or other properly constituted authority to substantiate the accuracy of all reports of known or suspected child abuse or neglect. This investigation may include the use of reporting hotlines, contact with central registers, field investigations and interviews, home visits, consultation with other agencies, medical examinations, psychological and social evaluations, and reviews by multidisciplinary teams.

(e) Institutional child abuse and neglect. The State must have a statute or administrative procedure requiring that when a report of known or suspected child abuse or neglect involves the acts or omissions of the agency, institution, or facility to which the report would ordinarily be made, a different properly constituted authority must receive and investigate the report and take appropriate protective and corrective action.

(f) Emergency services. If an investigation of a report reveals that the reported child or any other child under the same care is in need of immediate protection, the State must provide emergency services to protect the child’s health and welfare. These services may include emergency caretaker or homemaker services; emergency shelter care or medical services; review by a multidisciplinary team; and, if appropriate, criminal or civil court action to protect the child, to help the parents or guardians in their responsibilities and, if necessary, to remove the child from a dangerous situation.

(g) Guardian ad litem. In every case involving an abused or neglected child which results in a judicial proceeding, the State must insure the appointment of a guardian ad litem or other individual whom the State recognizes as fulfilling the same functions as a guardian ad litem, to represent and protect the rights and best interests of the child. This requirement may be satisfied: (1) By a statute mandating the appointments; (2) by a statute permitting the appointments, accompanied by a statement from the Governor that the appointments are made in every case; (3) in the absence of a specific statute, by a formal opinion of the Attorney General that the appointments are permitted, accompanied by a Governor’s statement that the appointments are made in every case; or (4) by the State’s Uniform Court Rule mandating appointments in every case. However, the guardian ad litem shall not be the attorney responsible for presenting the evidence alleging child abuse or neglect.

(h) Prevention and treatment services. The State must demonstrate that it has throughout the State procedures and services deal with child abuse and neglect cases. These procedures and services include the determination of...
$ 1340.15 Services and treatment for disabled infants.

(a) Purpose. The regulations in this section implement certain provisions of the Act, including section 107(b)(10)
governing the protection and care of disabled infants with life-threatening conditions.

(b) Definitions. (1) The term “medical neglect” means the failure to provide adequate medical care in the context of the definitions of “child abuse and neglect” in section 113 of the Act and §1340.2(d) of this part. The term “medical neglect” includes, but is not limited to, the withholding of medically indicated treatment from a disabled infant with a life-threatening condition.

(2) The term “withholding of medically indicated treatment” means the failure to respond to the infant’s life-threatening conditions by providing treatment (including appropriate nutrition, hydration, and medication) which, in the treating physician’s (or physicians’) reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all such conditions, except that the term does not include the failure to provide treatment (other than appropriate nutrition, hydration, or medication) to an infant when, in the treating physician’s (or physicians’) reasonable medical judgment any of the following circumstances apply:

(i) The infant is chronically and irreversibly comatose;

(ii) The provision of such treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant’s life-threatening conditions, or otherwise be futile in terms of the survival of the infant; or

(iii) The provision of such treatment would be virtually futile in terms of the survival of the infant and the treatment itself under such circumstances would be inhumane.

(3) Following are definitions of terms used in paragraph (b)(2) of this section:

(i) The term “infant” means an infant less than one year of age. The reference to less than one year of age shall not be construed to imply that treatment should be changed or discontinued when an infant reaches one year of age, or to affect or limit any existing protections available under State laws regarding medical neglect of children over one year of age. In addition to their applicability to infants less than one year of age, the standards set forth in paragraph (b)(2) of this section should be consulted thoroughly in the evaluation of any issue of medical neglect involving an infant older than one year of age who has been continuously hospitalized since birth, who was born extremely prematurely, or who has a long-term disability.

(ii) The term “reasonable medical judgment” means a medical judgment that would be made by a reasonably prudent physician, knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved.

(c) Eligibility requirements. (1) In addition to the other eligibility requirements set forth in this part, to qualify for a basic State grant under section 107(b) of the Act, a State must have programs, procedures, or both, in place within the State’s child protective service system for the purpose of responding to the reporting of medical neglect, including instances of withholding of medically indicated treatment from disabled infants with life-threatening conditions.

(2) These programs and/or procedures must provide for:

(i) Coordination and consultation with individuals designated by and within appropriate health care facilities;

(ii) Prompt notification by individuals designated by and within appropriate health care facilities of cases of suspected medical neglect (including instances of the withholding of medically indicated treatment from disabled infants with life-threatening conditions); and

(iii) The authority, under State law, for the State child protective service system to pursue any legal remedies, including the authority to initiate legal proceedings in a court of competent jurisdiction, as may be necessary to prevent the withholding of medically indicated treatment from disabled infants with life-threatening conditions.

(3) The programs and/or procedures must specify that the child protective services system will promptly contact each health care facility to obtain the name, title, and telephone number of
§ 1340.15

the individual(s) designated by such facility for the purpose of the coordination, consultation, and notification activities identified in paragraph (c)(2) of this section, and will at least annually recontact each health care facility to obtain any changes in the designations.

(4) These programs and/or procedures must be in writing and must conform with the requirements of section 107(b) of the Act and §1340.14 of this part. In connection with the requirement of conformity with the requirements of section 107(b) of the Act and §1340.14 of this part, the programs and/or procedures must specify the procedures the child protective services system will follow to obtain, in a manner consistent with State law:

(i) Access to medical records and/or other pertinent information when such access is necessary to assure an appropriate investigation of a report of medical neglect (including instances of withholding of medically indicated treatment from disabled infants with life-threatening conditions); and

(ii) A court order for an independent medical examination of the infant, or otherwise effect such an examination in accordance with processes established under State law, when necessary to assure an appropriate resolution of a report of medical neglect (including instances of withholding of medically indicated treatment from disabled infants with life-threatening conditions).

(5) The eligibility requirements contained in this section shall be effective October 9, 1985.

(d) Documenting eligibility. (1) In addition to the information and documentation required by and pursuant to §1340.12 (b) and (c), each State must submit with its application for a basic State grant sufficient information and documentation to permit the Commissioner to find that the State is in compliance with the eligibility requirements set forth in paragraph (c) of this section.

(2) This information and documentation shall include:

(i) A copy of the written programs and/or procedures established by, and followed within, the State for the purpose of responding to the reporting of medical neglect, including instances of withholding of medically indicated treatment from disabled infants with life-threatening conditions:

(ii) Documentation that the State has authority, under State law, for the State child protective service system to pursue any legal remedies, including the authority to initiate legal proceedings in a court of competent jurisdiction, as may be necessary to prevent the withholding of medically indicated treatment from disabled infants with life-threatening conditions. This documentation shall consist of:

(A) A copy of the applicable provisions of State statute(s); or

(B) A copy of the applicable provisions of State rules or regulations, along with a copy of the State statutory provisions that provide the authority for such rules or regulations; or

(C) A copy of an official, numbered opinion of the Attorney General of the State that so provides, along with a copy of the applicable provisions of the State statute that provides a basis for the opinion, and a certification that the official opinion has been distributed to interested parties within the State, at least including all hospitals; and

(iii) Such other information and documentation as the Commissioner may require.

(e) Regulatory construction. (1) No provision of this section or part shall be construed to affect any right, protection, procedures, or requirement under 45 CFR Part 84, Nondiscrimination in the Basis of Handicap in Programs and Activities Receiving or Benefiting from Federal Financial Assistance.

(2) No provision of this section or part may be so construed as to authorize the Secretary or any other governmental entity to establish standards prescribing specific medical treatments for specific conditions, except to the extent that such standards are authorized by other laws or regulations.

Subpart C—Discretionary Grants and Contracts

§ 1340.20 Confidentiality.

All projects and programs supported under the Act must hold all information related to personal facts or circumstances about individuals involved in those projects or programs confidential and shall not disclose any of the information in other than summary, statistical, or other form which does not identify specific individuals, except in accordance with §1340.14(a).

APPENDIX TO PART 1340—INTERPRETATIVE GUIDELINES REGARDING 45 CFR 1340.15—SERVICES AND TREATMENT FOR DISABLED INFANTS

EXPLANATORY NOTE: The interpretative guidelines which follow were based on the proposed rule (49 FR 46160, December 10, 1984) and were published with the final rule on April 15, 1985 (50 FR 14878). References to the “proposed rule” and “final rule” in these guidelines refer to these actions.

Since that time, the Child Abuse Prevention and Treatment Act was revised, reorganized, and reauthorized by Public Law 100–294 (April 25, 1988) and renumbered by Pub. L. 101–126 (October 25, 1989). Accordingly, the definitions formerly in section 3 of the Act are now found in section 113; the State eligibility requirements formerly in section 4 of the Act are now found in section 107; and references to the “final rule” mean references to §1340.15 of this part.

This appendix sets forth the Department’s interpretative guidelines regarding several terms that appear in the definition of the term “withholding of medically indicated treatment” in section 3(3) of the Child Abuse Prevention and Treatment Act, as amended by section 121(3) of the Child Abuse Amendments of 1984. This statutory definition is repeated in §1340.15(b)(2) of the final rule.

The Department’s proposed rule to implement those provisions of the Child Abuse Amendments of 1984 relating to services and treatment for disabled infants included a number of proposed clarifying definitions and avoidance of examples of specific diagnoses to elaborate on meaning.

During the comment period on the proposed rule, many commenters urged deletion of these clarifying definitions and avoidance of examples of specific diagnoses. Many commenters also objected to the specific wording of some of the proposed clarifying definitions, particularly in connection with the proposed use of the word “imminent” to describe the proximity in time at which death is anticipated regardless of treatment in relation to circumstances under which treatment (other than appropriate nutrition, hydration and medication) need not be provided. A letter from the six principal sponsors of the “compromise amendment” which became the pertinent provisions of the Child Abuse Amendments of 1984 urged deletion of “imminent” and careful consideration of the other concerns expressed.

After consideration of these recommendations, the Department decided not to adopt these several proposed clarifying definitions as part of the final rule. It was also decided that effective implementation of the program established by the Child Abuse Amendments would be advanced by the Department stating its interpretations of certain key terms in the statutory definition. This is the purpose of this appendix.

The interpretative guidelines that follow have carefully considered comments submitted during the comment period on the proposed rule. These guidelines are set forth and explained without the use of specific diagnostic examples to elaborate on meaning.

Finally, by way of introduction, the Department does not seek to establish these interpretative guidelines as binding rules of law, nor to prejudge the exercise of reasonable medical judgment in responding to specific circumstances. Rather, this guidance is intended to assist in interpreting the statutory definition so that it may be rationally and thoughtfully applied in specific contexts in a manner fully consistent with the legislative intent.

1. In general: The statutory definition of “withholding of medically indicated treatment.” Section 1340.15(b)(2) of the final rule defines the term “withholding of medically indicated treatment” with a definition identical to that which appears in section 3(3) of the Act (as amended by section 121(3) of the Child Abuse Amendments of 1984).

This definition has several main features. First, it establishes the basic principle that all disabled infants with life-threatening conditions must be given medically indicated treatment, defined in terms of action to respond to the infant’s life-threatening conditions by providing treatment (including appropriate nutrition, hydration or medication) which, in the treating physician’s (or physicians’) reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all such conditions.

Second, the statutory definition spells out three circumstances under which treatment is not considered “medically indicated.” These are when, in the treating physician’s (or physicians’) reasonable medical judgment:

— The infant is chronically and irreversibly comatose:
The provision of such treatment would merely prolong dying, not be effective in ameliorating or correcting all of the infant’s life-threatening conditions, or otherwise be futile in terms of survival of the infant; or

The provision of such treatment would be virtually futile in terms of survival of the infant and the treatment itself under such circumstances would be inhumane.

The third key feature of the statutory definition is that even when one of these three circumstances is present, and thus the failure to provide treatment is not a “withholding of medically indicated treatment,” the infant must nonetheless be provided with appropriate nutrition, hydration, and medication.

Fourth, the definition’s focus on the potential effectiveness of treatment in ameliorating or correcting life-threatening conditions makes clear that it does not sanction decisions based on subjective opinions about the future “quality of life” of a retarded or disabled person.

The fifth main feature of the statutory definition is that its operation turns substantially on the “reasonable medical judgment” of the treating physician or physicians. The term “reasonable medical judgment” is defined in §1340.15(b)(3)(ii) of the final rule, as a medical judgment that would be made by a reasonably prudent physician, knowledgeable about the case and the treatment possibilities with respect to the medical conditions involved.

The Department’s interpretations of key terms in the statutory definition are fully consisent with these basic principles reflected in the definition. The discussion that follows is organized under headings that generally correspond to the proposed clarifying definitions that appeared in the proposed rule but were not adopted in the final rule. The discussion also attempts to analyze and respond to significant comments received by the Department.

2. The term “life-threatening condition.”

Clause (b)(3)(ii) of the proposed rule proposed a definition of the term “life-threatening condition.” This term is used in the statutory definition in the following context: “The term “withholding of medically indicated treatment” means the failure to respond to the infant’s life-threatening conditions by providing treatment (including appropriate nutrition, hydration, and medication) which, in the treating physician’s or physicians’ reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all such conditions, except that . . .” It appears to the Department that the applicability of the statutory definition might be uncertain to some people in cases where a condition may not, strictly speaking, by itself be life-threatening, but where the condition significantly increases the risk of the onset of complications that may threaten the life of the infant. If medically indicated treatment is available for such a condition or condition, it was in the Conference Committee Report on the Act, as a medical judgment commonly deems it to include a reasonable medical judgment.

The Department interprets the term “life-threatening condition” to include a condition that, in the treating physician’s or physicians’ reasonable medical judgment, significantly increases the risk of the onset of complications that may threaten the life of the infant.

In response to comments that the proposed rule’s definition was potentially overinclusive by covering any condition that one could argue “may” become life-threatening, the Department notes that the statutory standard of “the treating physician’s or physicians’ reasonable medical judgment” is incorporated in the Department’s interpretation, and is fully applicable.

Other commenters suggested that this interpretation would bring under the scope of the definition many irreversible conditions for which no corrective treatment is available. This is certainly not the intent. The Department’s interpretation implies nothing about whether, or what, treatment should be provided. It simply makes clear that the criteria set forth in the statutory definition for evaluating whether, or what, treatment should be provided are applicable. That is just the start, not the end, of the analysis. The analysis then takes fully into account the reasonable medical judgment regarding potential effectiveness of possible treatments, and the like.

Other comments were that it is unnecessary to state any interpretation because reasonable medical judgment commonly deems the conditions described as life-threatening and responds accordingly. HHS agrees that this is common practice followed under reasonable medical judgment, just as all the standards incorporated in the statutory definition reflect common practice followed under reasonable medical judgment. For the reasons stated above, however, the Department believes it is useful to say so in these interpretative guidelines.

3. The term “treatment” in the context of adequate evaluation.

Clause (b)(3)(ii) of the proposed rule proposed a definition of the term “treatment.” Two separate concepts were dealt with in clause (A) and (B), respectively, of the proposed rule. Both of these clauses were designed to ensure that the Congressional intent regarding the issues to be considered
under the analysis set forth in the statutory definition is fully effectuated. Like the guidance regarding “life-threatening condition,” discussed above, the Department’s interpretation of the statutory analysis, not its result.

The Department believes that Congress intended that the standard of following reasonable medical judgment regarding the potential effectiveness of possible courses of action should apply to issues regarding adequate medical evaluation, just as it does to issues regarding adequate medical intervention. This is apparent Congressional intent because Congress adopted, in the Conference Report’s definition of “reasonable medical judgment,” the standard of adequate knowledge about the case and the treatment possibilities involved.

Having adequate knowledge about the case and the treatment possibilities involved is, in effect, step one of the process, because that is the basis on which “reasonable medical judgment” will operate to make recommendations regarding medical intervention. Thus, part of the process to determine what treatment, if any, “will be most likely to be effective in ameliorating or correcting” all life-threatening conditions is for the treating physician or physicians to make sure they have adequate information about the condition and adequate knowledge about treatment possibilities with respect to the condition involved. The standard for determining the adequacy of the information and knowledge is the same as the basic standard of the statutory definition: reasonable medical judgment. A reasonably prudent physician faced with a particular condition about which he or she needs additional information and knowledge of treatment possibilities would take steps to gain more information and knowledge by, quite simply, seeking further evaluation by, or consultation with, a physician or physicians whose expertise is appropriate to the condition(s) involved or further evaluation at a facility with specialized capabilities regarding the condition(s) involved.

Thus, the Department interprets the term “treatment” to include (but not be limited to) any further evaluation by, or consultation with, a physician or physicians whose expertise is appropriate to the condition(s) involved or further evaluation at a facility with specialized capabilities regarding the condition(s) involved. The standard for adequate knowledge about the case and the treatment possibilities with respect to the medical conditions involved is intended no intimidation, prescription or similar influence on reasonable medical judgment that, for example, further evaluation by a specialist is necessary to permit reasonable medical judgments to be made regarding medical intervention, this would be a matter for appropriate action by the child protective services system.

In response to comments regarding the related provision in the proposed rule, this interpretative guideline makes quite clear that this interpretation does not deviate from the basic principle of reliance on reasonable medical judgment to determine the extent of the evaluations necessary in the particular case. Commenters expressed concerns that the provision in the proposed rule would intimidate physicians to seek transfer of seriously ill infants to tertiary level facilities much more often than necessary, potentially resulting in diversion of the limited capacities of these facilities away from those with real needs for the specialized care, unnecessary separation of infants from their parents when equally beneficial treatment could have been provided at the community or regional hospital, inappropriate deferral of therapy while time-consuming arrangements can be affected, and other counterproductive ramifications. The Department intended no intimidation, prescription or similar influence on reasonable medical judgment, but rather, intended only to affirm that it is the Department’s interpretation that the reasonable medical judgment standard applies to issues of medical evaluation, as well as issues of medical intervention.

4. The term “treatment” in the context of multiple treatments.

Clause (b)(3)(i)(B) of the proposed rule was designed to clarify that, in evaluating the potential effectiveness of a particular medical treatment or surgical procedure that can only be reasonably evaluated in the context of a complete potential treatment plan, the “treatment” to be evaluated under the standards of the statutory definition includes the multiple medical treatments and/or surgical procedures over a period of time that are designed to ameliorate or correct a life-threatening condition or conditions. Some commenters stated that it could be construed to require the carrying out of a long process of medical treatments or surgical procedures regardless of the lack of success of those done first. No such meaning is intended.
The intent is simply to characterize that which must be evaluated under the standards of the statutory definition, not to imply anything about the results of the evaluation. If parents refuse consent for a particular medical treatment or surgical procedure that by itself may not correct or ameliorate all life-threatening conditions, but is recommended as a part of a total plan that involves multiple medical treatments and/or surgical procedures over a period of time that, in the treating physician’s reasonable medical judgment, will be most likely to be effective in ameliorating or correcting all such conditions, that would be a matter for appropriate action by the child protective services system.

On the other hand, if, in the treating physician’s reasonable medical judgment, the total plan will, for example, be virtually futile and inhumane, within the meaning of the statutory term, then there is no “withholding of medically indicated treatment.” Similarly, if a treatment plan is commenced on the basis of a reasonable medical judgment that there is a good chance that it will be effective, but due to a lack of success, unfavorable complications, or other factors, it becomes the treating physician’s reasonable medical judgment that further treatment in accord with the prospective treatment plan, or alternative treatment, would be futile, then the failure to provide that treatment would not constitute a “withholding of medically indicated treatment.” This analysis does not divert from the reasonable medical judgment standard of the statutory definition; it simply makes clear the Department’s interpretation that the failure to evaluate the potential effectiveness of a treatment plan as a whole would be inconsistent with the legislative intent.

Thus, the Department interprets the term “treatment” to include (but not be limited to) multiple medical treatments and/or surgical procedures over a period of time that are designed to ameliorate or correct a life-threatening condition or conditions.

5. The term “merely prolong dying.”

Clause (b)(3)(v) of the proposed rule proposed a definition of the term “merely prolong dying,” which appears in the statutory definition. The proposed rule’s provision stated that this term “refers to situations where death is imminent and treatment will do no more than postpone the act of dying.”

Many commenters argued that the incorporation of the word “imminent,” and its connotation of immediacy, appeared to deviate from the Congressional intent, as developed in the course of the lengthy legislative negotiations, that reasonable medical judgments can and do result in nontreatment decisions regarding some conditions for which treatment will do no more than temporarily postpone a death that will occur in the near future, but not necessarily within days. The six principal sponsors of the compromise amendment also strongly urged deletion of the word “imminent.”

The Department’s use of the term “imminent” in the proposed rule was not intended to convey a meaning not fully consonant with the statute. Rather, the Department intended that the word “imminent” would be applied in the context of the condition involved, and in such a context, it would not be understood to specify a particular number of days. As noted in the preamble to the proposed rule, this clarification was proposed to make clear that the “merely prolong dying” clause of the statutory definition would not be applicable to situations where treatment will not totally correct a medical condition but will give a patient many years of life. The Department continues to hold to this view.

To eliminate the type of misunderstanding evidenced in the comments, and to assure consistency with the statutory definition, the word “imminent” is not being adopted for purposes of these interpretative guidelines.

The Department interprets the term “merely prolong dying” as referring to situations where the prognosis is for death and, in the treating physician’s (or physicians’) reasonable medical judgment, further or alternative treatment would not alter the prognosis in an extension of time that would not render the treatment futile.

Thus, the Department continues to interpret Congressional intent as not permitting the “merely prolong dying” provision to apply where many years of life will result from the provision of treatment, or where the prognosis is not for death in the near future, but rather the more distant future. The Department also wants to make clear it does not intend the connotations many commenters associated with the word “imminent.” In addition, contrary to the impression some commenters appeared to have regarding the proposed rule, the Department’s interpretation is that reasonable medical judgments will be formed on the basis of knowledge about the condition(s) involved, the degree of inevitability of death, the probable effect of any potential treatments, the projected time period within which death will probably occur, and other pertinent factors.

6. The term “not be effective in ameliorating or correcting all of the infant’s life threatening conditions” in the context of a future life-threatening condition.

Clause (b)(3)(vi) of the proposed rule proposed a definition of the term “not be effective in ameliorating or correcting all the infant’s life-threatening conditions” used in the statutory definition of “withholding of medically indicated treatment.”
The basic point made by the use of this term in the statutory definition was explained in the Conference Committee Report:

Under the definition, if a disabled infant suffers more than one life-threatening condition and, in the treating physician’s or physicians’ reasonable medical judgment, there is no effective treatment for one of those conditions, then the infant is not covered by the terms of the amendment (except with respect to appropriate nutrition, hydration, and medication) concerning the withholding of medically indicated treatment. This clause of the proposed rule dealt with the application of this concept in two contexts: First, when the nontreatable condition will not become life-threatening in the near future, and second, when humaneness makes palliative treatment medically indicated.

With respect to the context of a future life-threatening condition, it is the Department’s interpretation that the term “not be effective in ameliorating or correcting all of the infant’s life-threatening conditions” does not permit the withholding of treatment on the grounds that one or more of the infant’s life-threatening conditions, although not life-threatening in the near future, will become life-threatening in the more distant future.

This clarification can be restated in the terms of the Conference Committee Report excerpt, quoted just above, with the italicized words indicating the clarification, as follows: Under the definition, if a disabled infant suffers from more than one life-threatening condition and, in the treating physician’s or physicians’ reasonable medical judgment, there is no effective treatment for one of these conditions that threatens the life of the infant in the near future, then the infant is not covered by the terms of the amendment (except with respect to appropriate nutrition, hydration, and medication) concerning the withholding of medically indicated treatment; but if the nontreatable condition will not become life-threatening until the more distant future, the infant is covered by the terms of the amendment.

Thus, this interpretative guideline is simply a corollary to the Department’s interpretation of “merely prolong dying,” stated above, and is based on the same understanding of Congressional intent, indicated above, that if a condition will not become life-threatening until the more distant future, it should not be the basis for withholding treatment.

Also for the same reasons explained above, the word “imminent” that appeared in the proposed definition is not adopted for purposes of this interpretative guideline. The Department makes no effort to draw an exact line to separate “near future” from “more distant future.” As noted above in connection with the term “merely prolong dying,” the statutory definition provides that it is for reasonable medical judgment, applied to the specific condition and circumstances involved, to determine whether the prognosis of death, because of its nearness in time, is such that treatment would not be medically indicated.

Clause (b)(3)(iv)(B) of the proposed rule proposed to define the term “not be effective in ameliorating or correcting all life-threatening conditions” in the context where the issue is not life-saving treatment, but rather palliative treatment to make a condition more tolerable. An example of this situation is where an infant has more than one life-threatening condition, at least one of which is not treatable and will cause death in the near future. Palliative treatment is available, however, that will, in the treating physician’s reasonable medical judgment, relieve severe pain associated with one of the conditions. If it is the treating physician’s reasonable medical judgment that this palliative treatment will ameliorate the infant’s overall condition, taking all individual conditions into account, even though it would not ameliorate or correct each condition, then this palliative treatment is medically indicated. Simply put, in the context of ameliorative treatment that will make a condition more tolerable, the term “not be effective in ameliorating or correcting all life-threatening conditions” should not be construed as meaning each and every condition, but rather as referring to the infant’s overall condition.

HHS believes Congress did not intend to exclude humane treatment of this kind from the scope of “medically indicated treatment.” The Conference Committee Report specifically recognized that “it is appropriate for a physician, in the exercise of reasonable medical judgment, to consider that factor [humaneness] in selecting among effective treatments.” H. Conf. Rep. No. 1038, 98th Cong., 2d Sess. 41 (1984). In addition, the articulation in the statutory definition of circumstances in which treatment need not be provided specifically states that “appropriate nutrition, hydration, and medication” must nonetheless be provided. The inclusion in this proviso of medication, one (but not the only) potential palliative treatment to relieve severe pain, corroborates the Department’s interpretation that such palliative treatment that will ameliorate the infant’s overall condition, and that in the exercise of reasonable medical judgment is humane and medically indicated, was not intended by Congress to be outside the scope of the statutory definition.
Thus, it is the Department’s interpretation that the term “not be effective in ameliorating or correcting all of the infant’s life-threatening conditions” does not permit the withholding of ameliorative treatment that, in the treating physician’s or physicians’ reasonable medical judgment, will make a condition more tolerable, such as providing palliative care to relieve severe pain, even if the overall prognosis, taking all conditions into account, is that the infant will not survive.

A number of commenters expressed concern about some of the examples contained in the preamble of the proposed rule that discussed the proposed definition relating to this point, and stated that, depending on medical complications, exact prognosis, relationships to other conditions, and other factors, the treatment suggested in the examples might not necessarily be the treatment that reasonable medical judgment would decide would be most likely to be effective. In response to these comments, specific diagnostic examples have not been included in this discussion, and this interpretative guideline makes clear that the “reasonable medical judgment” standard applies on this point as well.

Other commenters argued that an interpretative guideline on this point is unnecessary because reasonable medical judgment would commonly provide ameliorative or palliative treatment in the circumstances described. The Department agrees that such treatment is common in the exercise of reasonable medical judgment, but believes it useful, for the reasons stated, to provide this interpretative guidance.

8. The term “virtually futile”.

Clause (b)(3)(vii) of the proposed rule proposed a definition of the term “virtually futile” contained in the statutory definition. The context of this term in the statutory definition is:

“The term “withholding of medically indicated treatment” * * * does not include the failure to provide treatment (other than appropriate nutrition, hydration, or medication) to an infant when, in the treating physician’s or physicians’ reasonable medical judgment, * * * the provision of such treatment would be virtually futile in terms of the survival of the infant and the treatment itself under such circumstances would be inhumane. Section 3(3)(C) of the Act [emphasis supplied].

The Department interprets the term “virtually futile” to mean that the treatment is highly unlikely to prevent death in the near future.

This interpretation is similar to those offered in connection with “merely prolong dying” and “not be effective in ameliorating or correcting all life-threatening conditions” in the context of a future life-threatening condition, with the addition of a characterization of likelihood that corresponds to the statutory word “virtually.” For the reasons explained in the discussion of “merely prolong dying,” the word “imminent” that was used in the proposed rule has not been adopted for purposes of this interpretative guideline.

Some commenters expressed concern regarding the words “highly unlikely,” on the grounds that such certitude is often medically impossible. Other commenters urged that a distinction should be made between generally utilized treatments and experimental treatments. The Department does not believe any special clarifications are needed to respond to these comments. The basic standard of reasonable medical judgment applies to the term “virtually futile.” The Department’s interpretation does not suggest an impossible or unrealistic standard of certitude for any medical judgment. Rather, the standard adopted in the law is that there be a “reasonable medical judgment.” Similarly, reasonable medical judgment is the standard for evaluating potential treatment possibilities on the basis of the actual circumstances of the case.

9. The term “the treatment itself under such circumstances would be inhumane.”

Clause (b)(3)(viii) of the proposed rule proposed a definition of the term “the treatment itself under such circumstances would be inhumane,” that appears in the statutory definition. The context of this term in the statutory definition is that it is not a “withholding of medically indicated treatment” to withhold treatment (other than appropriate nutrition, hydration, or medication) when, in the treating physician’s reasonable medical judgment, “the provision of such treatment would be virtually futile in terms of the survival of the infant and the treatment itself under such circumstances would be inhumane.” §3(3)(C) of the Act.

The Department interprets the term “the treatment itself under such circumstances would be inhumane” to mean the treatment involves significant medical contraindications and/or significant pain and suffering for the infant that clearly outweigh the very slight potential benefit of the treatment for an infant highly unlikely to survive. (The Department further notes that the use of the term “inhumane” in this context is not intended to suggest that consideration of the humaneness of a particular treatment is not legitimate in any other context; rather, it is recognized that it is appropriate for a physician, in the exercise of reasonable
medical judgment, to consider that factor in selecting among effective treatments.)

Other clauses of the statutory definition focus on the expected result of the possible treatment. The statutory definition adds a consideration relating to the process of possible treatment. It recognizes that in the exercise of reasonable medical judgment, there are situations where, although there is some slight chance that the treatment will be beneficial to the patient (the potential treatment is considered virtually futile, rather than futile), the potential benefit is so outweighed by negative factors relating to the process of the treatment itself that it would be inhumane to subject the patient to the treatment.

The Department’s interpretation is designed to suggest the factors that should be taken into account in this difficult balance. A number of commenters argued that the interpretation should permit, as part of the evaluation of whether treatment would be inhumane, consideration of the infant’s future “quality of life.”

The Department strongly believes such an interpretation would be inconsistent with the statute. The statute specifies that the provision applies only where the treatment would be “virtually futile in terms of the survival of the infant,” and the “treatment itself under such circumstances would be inhumane.” (Emphasis supplied.) The balance is clearly to be between the very slight chance that treatment will allow the infant to survive and the negative factors relating to the process of the treatment. These are the circumstances under which reasonable medical judgment could decide that the treatment itself would be inhumane.

Some commenters expressed concern about the use of terms such as “clearly outweigh” in the description of this balance on the grounds that such precision is impractical. Other commenters argued that this interpretation could be construed to mandate useless and painful treatment. The Department believes there is no basis for these worries because “reasonable medical judgment” is the governing standard. The interpretive guideline suggests nothing other than application of this standard. What the guideline does is set forth the Department’s interpretation that the statute directs the reasonable medical judgment to considerations relating to the slight chance of survival and the negative factors regarding the process of treatment and to the balance between them that would support a conclusion that the treatment itself would be inhumane.

Other commenters suggested adoption of a statement contained in the Conference Committee Report that makes clear that the use of the term “inhumane” in the statute was not intended to suggest that consideration of the humaneness of a particular treatment is not legitimate in any other context. The Department has adopted a statement as part of its interpretive guideline.

10. Other terms.

Some comments suggested that the Department clarify other terms used in the statutory definition of “withholding of medically indicated treatment,” such as the term “appropriate nutrition, hydration or medication” in the context of treatment that may not be withheld, notwithstanding the existence of one of the circumstances under which the failure to provide treatment is not a “withholding of medically indicated treatment.” Some commenters stated, for example, that very potent pharmacologic agents, like other methods of medical intervention, can produce results accurately described as accomplishing no more than to merely prolong dying, or be futile in terms of the survival of the infant, or the like, and that, therefore, the Department should clarify that the proviso regarding “appropriate nutrition, hydration or medication” should not be construed entirely independently of the circumstances under which other treatment need not be provided.

The Department has not adopted an interpretative guideline on this point because it appears none is necessary. As noted above in the discussion of palliative treatment, the Department recognizes that there is no absolutely clear line between medication and treatment other than medication that would justify excluding the latter from the scope of palliative treatment that reasonable medical judgment would find medically indicated, notwithstanding a very poor prognosis.

Similarly, the Department recognizes that in some circumstances, certain pharmacologic agents, not medically indicated for palliative purposes, might, in the exercise of reasonable medical judgment, also not be indicated for the purpose of correcting or ameliorating any particular condition because they will, for example, merely prolong dying. However, the Department believes the word “appropriate” in this proviso of the statutory definition is adequate to permit the exercise of reasonable medical judgment in the scenario referred to by these commenters.

At the same time, it should be clearly recognized that the statute is completely unequivocal in requiring that all infants receive “appropriate nutrition, hydration, and medication,” regardless of their condition or prognosis.

(o) Temporary shelter means the provision of short-term (maximum of 15 days) room and board and core crisis intervention services, on a 24-hour basis, by a runaway and homeless youth project.

§ 1351.11 Who is eligible to apply for a Runaway and Homeless Youth Program grant?

States, localities, private entities, and coordinated networks of such entities are eligible to apply for a Runaway and Homeless Youth Program grant unless they are part of the law enforcement structure or the juvenile justice system.

§ 1351.12 Who gets priority for the award of a Runaway and Homeless Youth Program grant?

In making Runaway and Homeless Youth Program grants, HHS gives priority to those private agencies which have had past experience in dealing with runaway or otherwise homeless youth. HHS also gives priority to applicants whose total grant requests for services to runaway or otherwise homeless youth are less than $100,000 and whose project budgets, considering all funding sources, are smaller than $150,000. Past experience means that a major activity of the agency has been the provision of temporary shelter, counseling, and referral services to runaway or otherwise homeless youth and their families, either directly or
§ 1351.13  
through linkages established with other community agencies.

§ 1351.13 What are the Federal and non-Federal match requirements under a Runaway and Homeless Youth grant?

HHS requires a non-Federal share which is equal to at least 10 percent of the Federal funds that will be received under this grant program for any fiscal year.

§ 1351.14 What is the period for which a grant will be awarded?

(a) The initial notice of grant award specifies how long HHS intends to support the project without requiring the project to recompete for funds. This period, called the project period, will not exceed five years.

(b) Generally the grant will initially be for one year. A grantee must submit a separate application to have the support continued for each subsequent year. Continuation awards within the project period will be made provided the grantee has made satisfactory progress, funds are available, and HHS determines that continued funding is in the best interest of the Government.

§ 1351.15 What costs are supportable under a Runaway and Homeless Youth Program grant?

Costs which can be supported include, but are not limited to, temporary shelter, referral services, counseling services, aftercare services, and staff training. Costs for acquisition and renovation of existing structures may not normally exceed 15 percent of the grant award. HHS may waive this limitation upon written request under special circumstances based on demonstrated need.

§ 1351.16 What costs are not allowable under a Runaway and Homeless Youth Program grant?

A Runaway and Homeless Youth Program grant does not cover the cost of constructing new facilities.

§ 1351.17 How is application made for a Runaway and Homeless Youth Program grant?

HHS publishes annually in the Federal Register a program announcement of grant funds available under the Runaway and Homeless Youth Program Act. The program announcement states the amount of funds available, program priorities for funding, and criteria for evaluating applications in awarding grants. The announcement also describes specific procedures for receipt and review of applications. An applicant should:

(a) Obtain a program announcement from the Federal Register or from one of HHS’ s 10 Regional Offices in Boston, New York, Philadelphia, Atlanta, Chicago, Dallas, Kansas City, Denver, San Francisco, and Seattle;

(b) Obtain an application package from one of HHS’ s Regional Offices; and

(c) Submit a completed application to the Grants Management Office at the appropriate Regional Office.

§ 1351.18 What criteria has HHS established for deciding which Runaway and Homeless Youth Program grant applications to fund?

In reviewing applications for a Runaway and Homeless Youth Program grant, HHS takes into consideration a number of factors, including:

(a) Whether the application meets one or more of the program’s funding priorities; (see §1351.12)

(b) The need for Federal support based on the number of runaway or otherwise homeless youth in the area in which the runaway and homeless youth project is or will be located;

(c) The availability of services to runaway or otherwise homeless youth in the area in which the runaway and homeless youth project is located;

(d) Whether there is a minimum residential capacity of four and a maximum residential capacity not to exceed 20 youth with a ratio of staff to youth sufficient to assure adequate supervision and treatment;

(e) Plans for meeting the best interests of the youth involving, when possible, both the youth and the family.
§ 1351.19 What additional information should an applicant or grantee have about a Runaway and Homeless Youth Program grant?

(a) Several other HHS rules and regulations apply to applicants for or recipients of Runaway and Homeless Youth Program grants. These include:

1. The provisions of 45 CFR part 74 pertaining to the Administration of Grants;

3. The provisions of 45 CFR part 80 and 45 CFR part 81 pertaining to nondiscrimination under programs receiving Federal assistance, and hearing procedures;

4. The provisions of 45 CFR part 84 pertaining to discrimination on the basis of handicap;

5. The provisions of 45 CFR part 46 pertaining to the protection of human subjects.

(b) Several program policies regarding confidentiality of information, treatment, conflict of interest and State protection apply to recipients of Runaway and Homeless Youth Program grants. These include:

1. Confidential information. All information including lists of names, addresses, photographs, and records of evaluation of individuals served by a runaway and homeless youth project shall be confidential and shall not be disclosed or transferred to any individual or to any public or private agency without written consent of the youth and family. Youth served by a runaway and homeless youth project shall have the right to review their records; to correct a record or file a statement of disagreement; and to be apprised of the individuals who have reviewed their records. Procedures shall be established for the training of project staff in the protection of these rights and for the secure storage of records.

2. Medical, psychiatric or psychological treatment. No youth shall be subject to medical, psychiatric or psychological treatment without the consent of the youth and family unless otherwise permitted by State law.

3. Conflict of interest. Employees or individuals participating in a program or project under the Act shall not use their positions for a purpose that is, or gives the appearance of being, motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties.

4. State law protection. HHS policies regarding confidential information and experimentation and treatment shall not apply if HHS finds that State law is more protective of the rights of runaway or otherwise homeless youth.

(c) Nothing in the Runaway and Homeless Youth Act or these regulations gives the Federal Government control over the staffing and personnel decisions regarding individuals hired by a runaway and homeless youth project receiving Federal funds.
§ 1351.20 What are the additional requirements under a Runaway and Homeless Youth Program grant?

(a) To improve the administration of the Runaway and Homeless Youth Program by increasing the capability of the runaway and homeless youth service providers to deliver services, HHS will require grantees to accept technical assistance and short-term training as a condition of funding for each budget period.

(1) Technical assistance may be provided in, but not limited to, such areas as:
   • Program Management,
   • Fiscal Management,
   • Development of coordinated networks of private nonprofit agencies to provide services, and
   • Low cost community alternatives for runaway or otherwise homeless youth.

(2) Short-term training may be provided in, but not limited to, such areas as:
   • Shelter facility staff development,
   • Aftercare services or counseling,
   • Fund raising techniques,
   • Youth and Family counseling, and
   • Crisis intervention techniques.

(b) Grantees will be required to coordinate their activities with the 24-hour National toll-free communication system which links runaway and homeless youth projects and other service providers with runaway or otherwise homeless youth.

(c) Grantees will also be required to submit statistical reports profiling the clients served. The statistical reporting requirements are mandated by the Act which states that “runaway and homeless youth projects shall keep adequate statistical records profiling the children and families which it serves . . . .”
§ 1355.10 Scope.

Unless otherwise specified, part 1355 applies to States and Indian Tribes and contains general requirements for Federal financial participation under titles IV–B and IV–E of the Social Security Act.

[61 FR 58653, Nov. 18, 1996]

§ 1355.20 Definitions.

(a) Unless otherwise specified, the following terms as they appear in 45 CFR parts 1355, 1356 and 1357 of this title are defined as follows—

Act means the Social Security Act, as amended.

ACYF means the Administration on Children, Youth and Families, Administration for Children and Families (ACF), U. S. Department of Health and Human Services.

Adoption means the method provided by State law which establishes the legal relationship of parent and child between persons who are not so related by birth, with the same mutual rights and obligations that exist between children and their birth parents. This relationship can only be termed ‘‘adoption’’ after the legal process is complete.

Child abuse and neglect means the definition contained in 45 CFR part 1340, Child Abuse and Neglect Prevention and Treatment Program.

Child care institution means a private child care institution, or a public child care institution which accommodates no more than twenty-five children, and is licensed by the State in which it is situated or has been approved by the agency of such State or tribal licensing authority (with respect to child care institutions on or near Indian Reservations) responsible for licensing or approval of institutions of this type as meeting the standards established for such licensing. This definition must not include detention facilities, forestry camps, training schools, or any other facility operated primarily for
§ 1355.20 45 CFR Ch. XIII (10–1–01 Edition)

the detention of children who are determined to be delinquent.

Date a child is considered to have entered foster care means the earlier of:

The date of the first judicial finding that the child has been subjected to child abuse or neglect; or, the date that the child has been removed from the home pursuant to §1356.21(k). A State may use a date earlier than that required in this paragraph, such as the date the child is physically removed from the home. This definition determines the date used in calculating all time period requirements for the periodic reviews, permanency hearings, and termination of parental rights provision in section 475(5) of the Act and for providing time-limited reunification services described at section 431(a)(7) of the Act. The definition has no relationship to establishing initial title IV-E eligibility.

Department means the United States Department of Health and Human Services.

Detention facility in the context of the definition of child care institution in section 472(c)(2) of the Act means a physically restricting facility for the care of children who require secure custody pending court adjudication, court disposition, execution of a court order or after commitment.

Entity, as used in §1355.38, means any organization or agency (e.g., a private child placing agency) that is separate and independent of the State agency; performs title IV-E functions pursuant to a contract or subcontract with the State agency; and, receives title IV-E funds. A State court is not an “entity” for the purposes of §1355.38 except if an administrative arm of the State court carries out title IV-E administrative functions pursuant to a contract with the State agency.

Foster care means 24-hour substitute care for children placed away from their parents or guardians and for whom the State agency has placement and care responsibility. This includes, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and preadoptive homes. A child is in foster care in accordance with this definition regardless of whether the foster care facility is licensed and payments are made by the State or local agency for the care of the child, whether adoption subsidy payments are being made prior to the finalization of an adoption, or whether there is Federal matching of any payments that are made.

Foster care maintenance payments are payments made on behalf of a child eligible for title IV-E foster care to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child’s personal incidentals, liability insurance with respect to a child, and reasonable travel for a child’s visitation with family, or other caretakers. Local travel associated with providing the items listed above is also an allowable expense. In the case of child care institutions, such term must include the reasonable costs of administration and operation of such institutions as are necessarily required to provide the items described in the preceding sentences. “Daily supervision” for which foster care maintenance payments may be made includes:

(1) Foster family care—licensed child care, when work responsibilities preclude foster parents from being at home when the child for whom they have care and responsibility in foster care is not in school, licensed child care when the foster parent is required to participate, without the child, in activities associated with parenting a child in foster care that are beyond the scope of ordinary parental duties, such as attendance at administrative or judicial reviews, case conferences, or foster parent training. Payments to cover these costs may be: included in the basic foster care maintenance payment; a separate payment to the foster parent, or a separate payment to the child care provider; and

(2) Child care institutions—routine day-to-day direction and arrangements to ensure the well-being and safety of the child.
Foster family home means, for the purpose of title IV-E eligibility, the home of an individual or family licensed or approved as meeting the standards established by the State licensing or approval authority(ies) (or with respect to foster family homes on or near Indian reservations, by the tribal licensing or approval authority(ies)), that provides 24-hour out-of-home care for children. The term may include group homes, agency-operated boarding homes or other facilities licensed or approved for the purpose of providing foster care by the State agency responsible for approval or licensing of such facilities. Foster family homes that are approved must be held to the same standards as foster family homes that are licensed. Anything less than full licensure or approval is insufficient for meeting title IV-E eligibility requirements. States may, however, claim title IV-E reimbursement during the period of time between the date a prospective foster family home satisfies all requirements for licensure or approval and the date the actual license is issued, not to exceed 60 days.

Full review means the joint Federal and State review of all federally-assisted child and family services programs in the States, including family preservation and support services, child protective services, foster care, adoption, and independent living services, for the purpose of determining the State’s substantial conformity with the State plan requirements of titles IV-B and IV-E as listed in §1355.34 of this part. A full review consists of two phases, the statewide assessment and a subsequent on-site review, as described in §1355.33 of this part.

Independent Living Program (ILP) means the programs and activities established and implemented by the State to assist youth, as defined in section 477(a)(2) of the Act, to prepare to live independently upon leaving foster care. Programs and activities that may be provided are found in section 477(d) of the Act.

Legal guardianship means a judicially-created relationship between child and caretaker which is intended to be permanent and self-sustaining as evidenced by the transfer to the caretaker of the following parental rights with respect to the child: protection, education, care and control of the person, custody of the person, and decision-making. The term legal guardian means the caretaker in such a relationship.

National Child Abuse and Neglect Data System (NCANDS) means the voluntary national data collection and analysis system established by the Administration for Children and Families in response to a requirement in the Child Abuse Prevention and Treatment Act (Pub. L. 93–247), as amended.

Partial review means:

(1) For the purpose of the child and family services review, the joint Federal and State review of one or more federally-assisted child and family services program(s) in the States, including family preservation and support services, child protective services, foster care, adoption, and independent living services. A partial review may consist of any of the components of the full review, as mutually agreed upon by the State and the Administration for Children and Families as being sufficient to determine substantial conformity of the reviewed components with the State plan requirements of titles IV-B and IV-E as listed in §1355.34 of this part; and

(2) For the purpose of title IV-B and title IV-E State plan compliance issues that are outside the prescribed child and family services review format, e.g., compliance with AFCARS requirements, a review of State laws, policies, regulations, or other information appropriate to the nature of the concern, to determine State plan compliance.

Permanency hearing means:

(1) The hearing required by section 475(5)(C) of the Act to determine the permanency plan for a child in foster care. Within this context, the court (including a Tribal court) or administrative body determines whether and, if applicable, when the child will be:

(i) Returned to the parent;

(ii) Placed for adoption, with the State filing a petition for termination of parental rights;

(iii) Referred for legal guardianship;

(iv) Placed permanently with a fit and willing relative; or

(v) Placed in another planned permanent living arrangement, but only in
cases where the State agency has documented to the State court a compelling reason for determining that it would not be in the best interests of the child to follow one of the four specified options above.

(2) The permanency hearing must be held no later than 12 months after the date the child is considered to have entered foster care in accordance with the definition at §1355.20 of this part or within 30 days of a judicial determination that reasonable efforts to reunify the child and family are not required. After the initial permanency hearing, subsequent permanency hearings must be held not less frequently than every 12 months during the continuation of foster care. The permanency hearing must be conducted by a family or juvenile court or another court of competent jurisdiction or by an administrative body appointed or approved by the court which is not a part of or under the supervision or direction of the State agency. Paper reviews, ex parte hearings, agreed orders, or other actions or hearings which are not open to the participation of the parents of the child, the child (if of appropriate age), and foster parents or preadoptive parents (if any) are not permanency hearings.

State means, for title IV–E, the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, and American Samoa. For title IV–E, the term “State” means the 50 States and the District of Columbia.

State agency means the State agency administering or supervising the administration of the title IV–B and title IV–E State plans and the title XX social services block grant program. An exception to this requirement is permitted by section 103(d) of the Adoption Assistance and Child Welfare Act of 1980 (Pub. L. 96-272). Section 103(d) provides that, if on December 1, 1974, the title IV–B program (in a State or local agency) and the social services program under section 402(a)(3) of the Act (the predecessor program to title XX) were administered by separate agencies, that separate administration of the programs could continue at State option.

(b) Unless otherwise specified, the definitions contained in section 475 of the Act apply to all programs under titles IV–E and IV–B of the Act.

Statewide assessment means the initial phase of a full review of all federally-assisted child and family services programs in the States, including family preservation and support services, child protective services, foster care, adoption, and independent living services, for the purpose of determining, in part, the State’s substantial conformity with the State plan requirements of titles IV–B and IV–E as listed in §1355.34 of this part. The statewide assessment refers to the completion of the federally-prescribed assessment instrument by members of a review team that meet the requirements of §1355.33(a)(2) of this part.

§1355.21 State plan requirements for titles IV–E and IV–B.

(a) The State plans for titles IV–E and IV–B must provide for safeguards on the use and disclosure of information which meet the requirements contained in section 471(a)(8) of the Act.

(b) The State plans for titles IV–E and IV–B must provide for compliance with the Department’s regulations listed in 45 CFR 1355.30.

(c) The State agency and the Indian Tribe must make available for public review and inspection the Child and Family Services Plan (CFSP) and the Annual Progress and Services Reports. (See 45 CFR 1357.15 and 1357.16.) The State agency also must make available for public review and inspection the title IV–E State Plan.

§1355.25 Principles of child and family services.

The following principles, most often identified by practitioners and others as helping to assure effective services for children, youth, and families, should guide the States and Indian Tribes in developing, operating, and improving the continuum of child and family services.
(a) The safety and well-being of children and of all family members is paramount. When safety can be assured, strengthening and preserving families is seen as the best way to promote the healthy development of children. One important way to keep children safe is to stop violence in the family including violence against their mothers.

(b) Services are focused on the family as a whole; service providers work with families as partners in identifying and meeting individual and family needs; family strengths are identified, enhanced, respected, and mobilized to help families solve the problems which compromise their functioning and well-being.

(c) Services promote the healthy development of children and youth, promote permanency for all children and help prepare youth emancipating from the foster care system for self-sufficiency and independent living.

(d) Services may focus on prevention, protection, or other short or long-term interventions to meet the needs of the family and the best interests and need of the individual(s) who may be placed in out-of-home care.

(e) Services are timely, flexible, coordinated, and accessible to families and individuals, principally delivered in the home or the community, and are delivered in a manner that is respectful of and builds on the strengths of the community and cultural groups.

(f) Services are organized as a continuum, designed to achieve measurable outcomes, and are linked to a wide variety of supports and services which can be crucial to meeting families’ and children’s needs, for example, housing, substance abuse treatment, mental health, health, education, job training, child care, and informal support networks.

(g) Most child and family services are community-based, involve community organizations, parents and residents in their design and delivery, and are accountable to the community and the client’s needs.

(h) Services are intensive enough and of sufficient duration to keep children safe and meet family needs. The actual level of intensity and length of time needed to ensure safety and assist the family may vary greatly between preventive (family support) and crisis intervention services (family preservation), based on the changing needs of children and families at various times in their lives. A family or an individual does not need to be in crisis in order to receive services.

§ 1355.31 Elements of the child and family services review system.

Scope. Sections 1355.32 through 1355.37 of this part apply to reviews of child and family services programs administered by States under subparts 1 and 2 of title IV–B of the Act, and reviews of foster care and adoption assistance programs administered by States under title IV–E of the Act.

[65 FR 4076, Jan. 25, 2000]

§ 1355.32 Timetable for the reviews.

(a) Initial reviews. Each State must complete an initial full review as described in §1355.33 of this part during the four-year period after the final rule becomes effective.

(b) Reviews following the initial review. (1) A State found to be operating in substantial conformity during an initial or subsequent review, as defined in §1355.34 of this part, must:

(i) Complete a full review every five years; and

(ii) Submit a completed statewide assessment to ACF three years after the on-site review. The statewide assessment will be reviewed jointly by the State and the Administration for Children and Families to determine the State’s continuing substantial conformity with the State plan requirements subject to review. No formal approval of this interim statewide assessment by ACF is required.

(2) A State program found not to be operating in substantial conformity during an initial or subsequent review will:

(i) Be required to develop and implement a program improvement plan, as defined in §1355.35 of this part; and

(ii) Begin a full review two years after approval of the program improvement plan.

(c) Reinstatement of reviews based on information that a State is not in substantial conformity.

(1) ACF may require a full or a partial review at any time, based on any information, regardless of the source, that indicates the State may no longer be operating in substantial conformity.

(2) Prior to reinstating a full or partial review, ACF will conduct an inquiry and require the State to submit additional data whenever ACF receives information that the State may not be in substantial conformity.

(3) If the additional information and inquiry indicates to ACF’s satisfaction that the State is operating in substantial conformity, ACF will not proceed with any further review of the issue addressed by the inquiry. This inquiry
will not substitute for the full reviews conducted by ACF under §1355.32(b).

(4) ACF may proceed with a full or partial review if the State does not provide the additional information as requested, or the additional information confirms that the State may not be operating in substantial conformity.

(d) Partial reviews based on noncompliance with State plan requirements that are outside the scope of a child and family services review. When ACF becomes aware of a title IV–B or title IV–E compliance issue that is outside the scope of the child and family services review process, we will:

(1) Conduct an inquiry and require the State to submit additional data.

(2) If the additional information and inquiry indicates to ACF’s satisfaction that the State is in compliance, we will not proceed with any further review of the issue addressed by the inquiry.

(3) ACF will institute a partial review, appropriate to the nature of the concern, if the State does not provide the additional information as requested, or the additional information confirms that the State may not be in compliance.

(4) If the partial review determines that the State is not in compliance with the applicable State plan requirement, the State must enter into a program improvement plan designed to bring the State into compliance. The terms, action steps and time-frames of the program improvement plan will be developed on a case-by-case basis by ACF and the State. The program improvement plan must take into consideration the extent of noncompliance and the impact of the noncompliance on the safety, permanency or well-being of children and families served through the State’s title IV–B or IV–E allocation. If the State remains out of compliance, the State will be subject to a penalty related to the extent of the noncompliance.

(5) Review of APCARS compliance will take place in accordance with 45 CFR 1355.40.

[65 FR 4076, Jan. 25, 2000]

§ 1355.33 Procedures for the review.

(a) The full child and family services reviews will:

(1) Consist of a two-phase process that includes a statewide assessment and an on-site review; and

(2) Be conducted by a team of Federal and State reviewers that includes:

(i) Staff of the State child and family services agency, including the State and local offices that represent the service areas that are the focus of any particular review;

(ii) Representatives selected by the State, in collaboration with the ACF Regional Office, from those with whom the State was required to consult in developing its CFSP, as described and required in 45 CFR part 1357.15(l);

(iii) Federal staff of HHS; and

(iv) Other individuals, as deemed appropriate and agreed upon by the State and ACF.

(b) Statewide assessment. The first phase of the full review will be a statewide assessment conducted by the internal and external State members of the review team. The statewide assessment must:

(1) Address each systemic factor under review, including the statewide information system; case review system; quality assurance system; staff training; service array; agency responsiveness to the community; and foster and adoptive parent licensing, recruitment and retention;

(2) Assess the outcome areas of safety, permanency, and well-being of children and families served by the State agency using data from APCARS, NCANDS, or, for the initial review, another source approved by ACF. The State must also analyze and explain its performance in meeting the national standards for the statewide data indicators;

(3) Assess the characteristics of the State agency that have the most significant impact on the agency’s capacity to deliver services to children and families that will lead to improved outcomes;

(4) Assess the strengths and areas of the State’s child and family services programs that require further examination through an on-site review:

(1) Include a listing of all the persons external to the State agency who participated in the preparation of the statewide assessment pursuant to §§1355.33(a)(2)(ii) and (iv); and
§ 1355.33 45 CFR Ch. XIII (10–1–01 Edition)

(2) Be completed and submitted to ACF within 4 months of the date that ACF transmits the information for the statewide assessment to the State.

(c) On-site review. The second phase of the full review will be an on-site review.

(1) The on-site review will cover the State’s programs under titles IV–B and IV–E of the Act, including in-home services and foster care. It will be jointly planned by the State and ACF, and guided by information in the completed statewide assessment that identifies areas in need of improvement or further review.

(2) The on-site review may be concentrated in several specific political subdivisions of the State, as agreed upon by the ACF and the State; however, the State’s largest metropolitan subdivision must be one of the locations selected.

(3) ACF has final approval of the selection of specific areas of the State’s child and family services continuum described in paragraph (c)(1) of this section and selection of the political subdivisions referenced in paragraph (c)(2) of this section.

(4) Sources of information collected during the on-site review to determine substantial conformity must include, but are not limited to:

(i) Case records on children and families served by the agency;

(ii) Interviews with children and families whose case records have been reviewed and who are, or have been, recipients of services of the agency;

(iii) Interviews with caseworkers, foster parents, and service providers for the cases selected for the on-site review; and

(iv) Interviews with key stakeholders, both internal and external to the agency, which, at a minimum, must include those individuals who participated in the development of the State’s CFSP required at 45 CFR 1357.15(1), courts, administrative review bodies, children’s guardians ad litem and other individuals or bodies assigned responsibility for representing the best interests of the child.

(5) The sample will range from 30–50 cases. Foster care cases must be drawn randomly from AFCARS, or, for the initial review, from another source approved by ACF and include children who entered foster care during the year under review. In-home cases must be drawn randomly from NCANDS or from another source approved by ACF. To ensure that all program areas are adequately represented, the sample size may be increased.

(6) The sample of 30–50 cases reviewed on-site will be selected from a randomly drawn oversample of no more than 150 cases. The oversample must be statistically significant at a 90 percent compliance rate (95 percent in subsequent reviews), with a tolerable sampling error of 5 percent and a confidence coefficient of 95 percent. The additional cases in the oversample not selected for the on-site review will form the sample of cases to be reviewed, if needed, in order to resolve discrepancies between the data indicators and the on-site reviews in accordance with paragraph (d)(2) of this section.

(d) Resolution of discrepancies between the statewide assessment and the findings of the on-site portion of the review. Discrepancies between the statewide assessment and the findings of the on-site portion of the review will be resolved by either of the following means, at the State’s option:

(1) The submission of additional information by the State; or

(2) ACF and the State will review additional cases using only those indicators in which the discrepancy occurred. ACF and the State will determine jointly the number of additional cases to be reviewed, not to exceed a total of 150 cases to be selected as specified in paragraph (c)(6) of this section.

(e) Partial review. A partial child and family services review, when required, will be planned and conducted jointly by ACF and the State agency based on the nature of the concern. A partial review does not substitute for the full reviews as required under §1355.32(b).

(f) Notification. Within 30 calendar days following either a partial child and family services review, full child and family services review, or the resolution of a discrepancy between the statewide assessment and the findings of the on-site portion of the review, ACF will notify the State agency in writing of whether the State is, or is
§ 1355.34 Criteria for determining substantial conformity.

(a) Criteria to be satisfied. ACF will determine a State’s substantial conformity with title IV–B and title IV–E State plan requirements based on the following:

(1) Its ability to meet national standards, set by the Secretary, for statewide data indicators associated with specific outcomes for children and families;

(2) Its ability to meet criteria related to outcomes for children and families; and

(3) Its ability to meet criteria related to the State agency’s capacity to deliver services leading to improved outcomes.

(b) Criteria related to outcomes.

(1) A State’s substantial conformity will be determined by its ability to substantially achieve the following child and family service outcomes:

(i) In the area of child safety:

(A) Children are, first and foremost, protected from abuse and neglect; and,

(B) Children are safely maintained in their own homes whenever possible and appropriate;

(ii) In the area of permanency for children:

(A) Children have permanency and stability in their living situations; and

(B) The continuity of family relationships and connections is preserved for children; and

(iii) In the area of child and family well-being:

(A) Families have enhanced capacity to provide for their children’s needs;

(B) Children receive appropriate services to meet their educational needs; and

(C) Children receive adequate services to meet their physical and mental health needs.

(2) A State’s level of achievement with regard to each outcome reflects the extent to which a State has:

(i) Met the national standard(s) for the statewide data indicator(s) associated with that outcome, if applicable; and,

(ii) Implemented the following CFSP requirements or assurances:

(A) The requirements in 45 CFR 1357.15(p) regarding services designed to assure the safety and protection of children and the preservation and support of families;

(B) The requirements in 45 CFR 1357.15(q) regarding the permanency provisions for children and families in sections 422 and 471 of the Act;

(C) The requirements in section 422(b)(9) of the Act regarding recruitment of potential foster and adoptive families;

(D) The assurances by the State as required by section 422(b)(10)(C)(i) and (ii) of the Act regarding policies and procedures for abandoned children;

(E) The requirements in section 422(b)(11) of the Act regarding the State’s compliance with the Indian Child Welfare Act;

(F) The requirements in section 422(b)(12) of the Act regarding a State’s plan for effective use of cross-jurisdictional resources to facilitate timely adoptive or permanent placements; and

(G) The requirements in section 471(a)(15) of the Act regarding reasonable efforts to prevent removals of children from their homes, to make it possible for children in foster care to safely return to their homes, or, when the child is not able to return home, to place the child in accordance with the permanency plan and complete the steps necessary to finalize the permanent placement.

(3) A State will be determined to be in substantial conformity if its performance on:

(i) Each statewide data indicator developed pursuant to paragraph (b)(4) of this section meets the national standard described in paragraph (b)(5) of this section; and,

(ii) Each outcome listed in paragraph (b)(1) of this section is rated as “substantially achieved” in 95 percent of the cases examined during the on-site review (90 percent of the cases for a State’s initial review). Information from various sources (case records, interviews) will be examined for each outcome and a determination made as to the degree to which each outcome
§ 1355.34

has been achieved for each case reviewed.

(4) The Secretary will, using AFCARS and NCANDS, develop statewide data indicators for each of the specific outcomes described in paragraph (b)(1) of this section for use in determining substantial conformity. The Secretary will add, amend, or suspend any such statewide data indicator(s) when appropriate. To the extent practical and feasible, the statewide data indicators will be consistent with those developed in accordance with section 203 of the Adoption and Safe Families Act of 1997 (Pub. L. 105–89).

(5) The initial national standards for the statewide data indicators described in paragraph (b)(4) of this section will be based on the 75th percentile of all State performance for that indicator, as reported in AFCARS or NCANDS. The Secretary may adjust these national standards if appropriate. The initial national standard will be set using the following data sources:

(i) The 1997 and 1998 submissions to NCANDS (or the most recent and complete 2 years available), for those statewide data indicators associated with the safety outcomes; and,

(ii) The 1998b, 1999c, and 2000a submissions to AFCARS (or the most recent and complete report periods available), for those statewide data indicators associated with the permanency outcomes.

(c) Criteria related to State agency capacity to deliver services leading to improved outcomes for children and families.

In addition to the criteria related to outcomes contained in paragraph (b) of this section, the State agency must also satisfy criteria related to the delivery of services. Based on information from the statewide assessment and onsite review, the State must meet the following criteria for each systemic factor in paragraphs (c)(2) through (c)(7) of this section to be considered in substantial conformity: All of the State plan requirements associated with the systemic factor must be in place, and no more than one of the state plan requirements fails to function as described in paragraphs (c)(2) through (c)(7) of this section. The systemic factor in paragraph (c)(1) of this section, is rated on the basis of only one State plan requirement. To be considered in substantial conformity, the State plan requirement associated with statewide information system capacity must be both in place and functioning as described in the requirement. ACF will use a rating scale to make the determinations of substantial conformity. The systemic factors under review are:

(1) Statewide information system: The State is operating a statewide information system that, at a minimum, can readily identify the status, demographic characteristics, location, and goals for the placement of every child who is (or within the immediately preceding 12 months, has been) in foster care (section 422(b)(10)(B)(i) of the Act);

(2) Case review system: The State has procedures in place that:

(i) Provide, for each child, a written case plan to be developed jointly with the child’s parent(s) that includes provisions: for placing the child in the least restrictive, most family-like placement appropriate to his/her needs, and in close proximity to the parent’s home where such placement is in the child’s best interests; for visits with a child placed out of State at least every 12 months by a caseworker of the agency or of the agency in the State where the child is placed; and for documentation of the steps taken to make and finalize an adoptive or other permanent placement when the child cannot return home (sections 422(b)(10)(B)(ii), 471(a)(16) and 475(5)(A) of the Act);

(ii) Provide for periodic review of the status of each child no less frequently than once every six months by either a court or by administrative review (sections 422(b)(10)(B)(ii), 471(a)(16) and 475(5)(B) of the Act);

(iii) Assure that each child in foster care under the supervision of the State has a permanency hearing in a family or juvenile court or another court of competent jurisdiction (including a Tribal court), or by an administrative body appointed or approved by the court, which is not a part of or under the supervision or direction of the State agency, no later than 12 months from the date the child entered foster care (and not less frequently than every 12 months thereafter during the
continuation of foster care) (sections 422(b)(10)(B)(ii), 471(a)(16) and 475(5)(C) of the Act);

(iv) Provide a process for termination of parental rights proceedings in accordance with sections 422(b)(10)(B)(ii), 475(5)(E) and (F) of the Act; and,

(v) Provide foster parents, preadoptive parents, and relative caregivers of children in foster care with notice of and an opportunity to be heard in any review or hearing held with respect to the child (sections 422(b)(10)(B)(ii) and 475(5)(G) of the Act).

3 Quality assurance system: The State has developed and implemented standards to ensure that children in foster care placements are provided quality services that protect the safety and health of the children (section 471(a)(22)) and is operating an identifiable quality assurance system (45 CFR 1357.15(u)) as described in the CFSP that:

(i) Is in place in the jurisdictions within the State where services included in the CFSP are provided;

(ii) Is able to evaluate the adequacy and quality of services provided under the CFSP;

(iii) Is able to identify the strengths and needs of the service delivery system it evaluates;

(iv) Provides reports to agency administrators on the quality of services evaluated and needs for improvement; and

(v) Evaluates measures implemented to address identified problems.

4 Staff training: The State is operating a staff development and training program (45 CFR 1357.15(t)) that:

(i) Supports the goals and objectives in the State’s CFSP;

(ii) Addresses services provided under both subparts of title IV-B and the training plan under title IV-E of the Act;

(iii) Provides training for all staff who provide family preservation and support services, child protective services, foster care services, adoption services and independent living services soon after they are employed and that includes the basic skills and knowledge required for their positions;

(iv) Provides ongoing training for staff that addresses the skills and knowledge base needed to carry out their duties with regard to the services included in the State’s CFSP; and,

(v) Provides short-term training for current or prospective foster parents, adoptive parents, and the staff of State-licensed or State-approved child care institutions providing care to foster and adopted children receiving assistance under title IV-E that addresses the skills and knowledge base needed to carry out their duties with regard to caring for foster and adopted children.

5 Service array: Information from the Statewide assessment and on-site review determines that the State has in place an array of services (45 CFR 1357.15(n) and section 422(b)(10)(B)(iii) and (iv) of the Act) that includes, at a minimum:

(i) Services that assess the strengths and needs of children and families assisted by the agency and are used to determine other service needs;

(ii) Services designed to enable children at risk of foster care placement to remain with their families when their safety and well-being can be reasonably assured;

(iv) Services designed to help children achieve permanency by returning to families from which they have been removed, where appropriate, be placed for adoption or with a legal guardian or in some other planned, permanent living arrangement, and through post-legal adoption services;

(v) Services that are accessible to families and children in all political subdivisions covered in the State’s CFSP; and,

(vi) Services that can be individualized to meet the unique needs of children and families served by the agency.

6 Agency responsiveness to the community:

(i) The State, in implementing the provisions of the CFSP, engages in ongoing consultation with a broad array of individuals and organizations representing the State and county agencies responsible for implementing the CFSP and other major stakeholders in the services delivery system including,
§ 1355.35 Program improvement plans.

(a) Mandatory program improvement plan.

(1) States found not to be operating in substantial conformity shall develop a program improvement plan. The program improvement plan must:

(i) Be developed jointly by State and Federal staff in consultation with the review team;

(ii) Identify the areas in which the State’s program is not in substantial conformity;

(iii) Set forth the goals, the action steps required to correct each identified weakness or deficiency, and dates by which each action step is to be completed in order to improve the specific areas;

(iv) Set forth the amount of progress the statewide data will make toward meeting the national standards;

(v) Establish benchmarks that will be used to measure the State’s progress in implementing the program improvement plan and describe the methods that will be used to evaluate progress;

(vi) Identify how the action steps in the plan build on and make progress over prior program improvement plans;

(vii) Identify the technical assistance needs and sources of technical assistance, both Federal and non-Federal, which will be used to make the necessary improvements identified in the program improvement plan.

(2) In the event that ACF and the State cannot reach consensus regarding the content of a program improvement plan or the degree of program or data improvement to be achieved, ACF retains the final authority to assign the contents of the plan and/or the degree of improvement required for successful completion of the plan. Under such circumstances, ACF will render a written rationale for assigning such content or degree of improvement.

(d) Availability of review instruments. ACF will make available to the States copies of the review instruments, which will contain the specific standards to be used to determine substantial conformity, on an ongoing basis, whenever significant revisions to the instruments are made.

[65 FR 4078, Jan. 25, 2000]
(b) Voluntary program improvement plan. States found to be operating in substantial conformity may voluntarily develop and implement a program improvement plan in collaboration with the ACF Regional Office, under the following circumstances:

(1) The State and Regional office agree that there are areas of the State’s child and family services programs in need of improvement which can be addressed through the development and implementation of a voluntary program improvement plan;

(2) ACF approval of the voluntary program improvement plan will not be required; and

(3) No penalty will be assessed for the State’s failure to achieve the goals described in the voluntary program improvement plan.

c) Approval of program improvement plans.

(1) A State determined not to be in substantial conformity must submit a program improvement plan to ACF for approval within 90 calendar days from the date the State receives the written notification from ACF that it is not operating in substantial conformity.

(2) Any program improvement plan will be approved by ACF if it meets the provisions of paragraph (a) of this section.

(3) If the program improvement plan does not meet the provisions of paragraph (a) of this section, the State will have 30 calendar days from the date it receives notice from ACF that the plan has not been approved to revise and resubmit the plan for approval.

(4) If the State does not submit a revised program improvement plan according to the provisions of paragraph (c)(3) of this section or if the plan does not meet the provisions of paragraph (a) of this section, withholding of funds pursuant to the provisions of §1355.36 of this part will begin.

d) Duration of program improvement plans.

(1) ACF retains the authority to establish time frames for the program improvement plan consistent with the seriousness and complexity of the remedies required for any areas determined not in substantial conformity, not to exceed two years.

(2) Particularly egregious areas of nonconformity impacting child safety must receive priority in both the content and time frames of the program improvement plans and must be addressed in less than two years.

(3) The Secretary may approve extensions of deadlines in a program improvement plan not to exceed one year. The circumstances under which requests for extensions will be approved are expected to be rare. The State must provide compelling documentation of the need for such an extension. Requests for extensions must be received by ACF at least 60 days prior to the affected completion date.

(4) States must provide quarterly status reports (unless ACF and the State agree upon less frequent reports) to ACF. Such reports must inform ACF of progress in implementing the measures of the plan.

e) Evaluating program improvement plans. Program improvement plans will be evaluated jointly by the State agency and ACF, in collaboration with other members of the review team, as described in the State’s program improvement plan and in accordance with the following criteria:

(1) The methods and information used to measure progress must be sufficient to determine when and whether the State is operating in subsequent substantial conformity or has reached the negotiated standard with respect to statewide data indicators that fail to meet the national standard for that indicator;

(2) The frequency of evaluating progress will be determined jointly by the State and Federal team members, but no less than annually. Evaluation of progress will be performed in conjunction with the annual updates of the State’s CFSP, as described in paragraph (f) of this section;

(3) Action steps may be jointly determined by the State and ACF to be achieved prior to projected completion dates, and will not require any further evaluation at a later date; and

(4) The State and ACF may jointly renegotiate the terms and conditions of the program improvement plan as needed, provided that:
§ 1355.36

(i) The renegotiated plan is designed to correct the areas of the State’s program determined not to be in substantial conformity and/or achieve a standard for the statewide data indicators that is acceptable to ACF;

(ii) The amount of time needed to implement the provisions of the plan does not extend beyond three years from the date the original program improvement plan was approved;

(iii) The terms of the renegotiated plan are approved by ACF; and

(iv) The Secretary approves any extensions beyond the two-year limit.

(f) Integration of program improvement plans with CFSP planning. The elements of the program improvement plan must be incorporated into the goals and objectives of the State’s CFSP. Progress in implementing the program improvement plan must be included in the annual reviews and progress reports related to the CFSP required in 45 CFR 1357.16.

[65 FR 4080, Jan. 25, 2000]

§ 1355.36

Withholding Federal funds due to failure to achieve substantial conformity or failure to successfully complete a program improvement plan.

(a) For the purposes of this section:

(1) The term “title IV–B funds” refers to the State’s combined allocation of title IV–B subpart 1 and subpart 2 funds; and

(2) The term “title IV–E funds” refers to the State’s reimbursement for administrative costs for the foster care program under title IV–E.

(b) Determination of the amount of Federal funds to be withheld. ACF will determine the amount of the State title IV–B and IV–E funds subject to withholding due to a determination that a State is not operating in substantial conformity.

(1) A State will have the opportunity to develop and complete a program improvement plan prior to any withholding of funds.

(2) Title IV–B and IV–E funds will not be withheld from a State if the determination of nonconformity was caused by the State’s correct use of formal written statements of Federal law or policy provided the State by DHHS.

(3) A portion of the State’s title IV–B and IV–E funds will be withheld by ACF for the year under review and for each succeeding year until the State either successfully completes a program improvement plan or is found to be operating in substantial conformity.

(4) The amount of title IV–B and title IV–E funds subject to withholding due to a determination that a State is not operating in substantial conformity is based on a pool of funds defined as follows:

(i) The State’s allotment of title IV–B funds for each of the years to which the withholding applies; and

(ii) An amount equivalent to 10 percent of the State’s Federal claims for title IV–E foster care administrative costs for each of the years to which withholding applies;

(5) The amount of funds to be withheld from the pool in paragraph (b)(4) of this section will be computed as follows:

(i) Except as provided for in paragraphs (b)(7) and (b)(8) of this section, an amount equivalent to one percent of the funds described in paragraph (b)(4) of this section for each of the years to which withholding applies will be withheld for each of the seven outcomes listed in §1355.34(b)(1) of this part that is determined not to be substantially achieved; and

(ii) Except as provided for in paragraphs (b)(7) and (b)(8) of this section, an amount equivalent to one percent of the funds described in paragraph (b)(4) of this section for each of the years to which withholding applies will be withheld for each of the seven systemic factors listed in §1355.34(c) of this part that is determined not to be in substantial conformity.

(6) Except as provided for in paragraphs (b)(7), (b)(8), and (e)(4) of this section, in the event the State is determined to be in nonconformity on each of the seven outcomes and each of the seven systemic factors subject to review, the maximum amount of title IV–B and title IV–E funds to be withheld due to the State’s failure to comply is 14 percent per year of the funds described in paragraph (b)(4) of this section for each year.
(7) States determined not to be in substantial conformity that fail to correct the areas of nonconformity through the successful completion of a program improvement plan, and are determined to be in nonconformity on the second full review following the first full review in which a determination of nonconformity was made will be subject to increased withholding as follows:

(i) The amount of funds described in paragraph (b)(5) of this section will increase to two percent for each of the seven outcomes and each of the seven systemic factors that continues in nonconformity since the immediately preceding child and family services review;

(ii) The increased withholding of funds for areas of continuous nonconformity is subject to the provisions of paragraphs (c), (d), and (e) of this section;

(iii) The maximum amount of title IV–B and title IV–E funds to be withheld due to the State’s failure to comply on the second full review following the first full review in which the determination of nonconformity was made is 42 percent of the funds described in paragraph (b)(4) of this section for each year to which the withholding of funds applies.

(c) Suspension of withholding.

(1) For States determined not to be operating in substantial conformity, ACF will suspend the withholding of the State title IV–B and title IV–E funds during the time that a program improvement plan is in effect, provided that:

(i) The program improvement plan conforms to the provisions of §1355.35 of this part; and

(ii) The State is actively implementing the provisions of the program improvement plan.

(2) Suspension of the withholding of funds is limited to three years following each review, or the amount of time approved for implementation of the program improvement plan, whichever is less.

(d) Terminating the withholding of funds. For States determined not to be in substantial conformity, ACF will terminate the withholding of the State’s title IV–B and title IV–E funds related to the nonconformity upon determination by the State and ACF that the State has achieved substantial conformity or has successfully completed a program improvement plan. ACF will rescind the withholding of the portion of title IV–B and title IV–E funds related to specific goals or action steps as of the date at the end of the quarter in which they were determined to have been achieved.

(e) Withholding of funds.

(1) States determined not to be in substantial conformity that fail to successfully complete a program improvement plan will be notified by ACF of this final determination of nonconformity in writing within 10 business days after the relevant completion date specified in the plan, and advised of the amount of title IV–B and title IV–E funds which are to be withheld.

(2) Title IV–B and title IV–E funds will be withheld based on the following:
(i) If the State fails to submit status reports in accordance with §1355.35(d)(4), or if such reports indicate that the State is not making satisfactory progress toward achieving goals or actions steps, funds will be withheld at that time for a period beginning October 1 of the fiscal year for which the determination of nonconformity was made and ending on the specified completion date for the affected goal or action step.

(ii) Funds related to goals and action steps that have not been achieved by the specified completion date will be withheld at that time for a period beginning October 1 of the fiscal year for which the determination of nonconformity was made and ending on the completion date of the affected goal or action step; and

(iii) The withholding of funds commensurate with the level of nonconformity at the end of the program improvement plan will begin at the latest completion date specified in the program improvement plan and will continue until a subsequent full review determines the State to be in substantial conformity or the State successfully completes a program improvement plan developed as a result of that subsequent full review.

(3) When the date the State is determined to be in substantial conformity or to have successfully completed a program improvement plan falls within a specific quarter, the amount of funds to be withheld will be computed to the end of that quarter.

(4) A State agency that refuses to participate in the development or implementation of a program improvement plan, as required by ACF, will be subject to the maximum increased withholding of 42 percent of its title IV-B and title IV-E funds, as described in paragraph (b)(8) of this section, for each year or portion thereof to which the withholding of funds applies.

(5) The State agency will be liable for interest on the amount of funds withheld by the Department, in accordance with the provisions of 45 CFR 30.13.

§ 1355.38 Enforcement of section 471(a)(18) of the Act regarding the removal of barriers to interethnic adoption.

(a) Determination that a violation has occurred in the absence of a court finding.

(1) If ACF becomes aware of a possible section 471(a)(18) violation, whether in the course of a child and family services review, the filing of a complaint, or through some other mechanism, it will refer such a case to the Department’s Office for Civil Rights (OCR) for investigation.

(2) Based on the findings of the OCR investigation, ACF will determine if a violation of section 471(a)(18) has occurred. A section 471(a)(18) violation occurs if a State or an entity in the State:

(i) Has denied to any person the opportunity to become an adoptive or foster parent on the basis of the race, color, or national origin of the person, or of the child, involved;

(ii) Has delayed or denied the placement of a child for adoption or into foster care on the basis of the race, color, or national origin of the adoptive or foster parent, or the child involved; or,

(iii) With respect to a State, maintains any statute, regulation, policy, procedure, or practice that on its face, is a violation as defined in paragraphs (a)(2)(i) and (2)(ii) of this section.

(3) ACF will provide the State or entity with written notification of its determination.

(4) If there has been no violation, there will be no further action. If ACF determines that there has been a violation of section 471(a)(18), it will take enforcement action as described in this section.

not constitute a violation of section 471(a)(18).

(b) Corrective action and penalties for violations with respect to a person or based on a court finding.

(1) A State found to be in violation of section 471(a)(18) with respect to a person, as described in paragraphs (a)(2)(i) and (a)(2)(ii) of this section, will be penalized in accordance with paragraph (g)(2) of this section. A State determined to be in violation of section 471(a)(18) of the Act as a result of a court finding will be penalized in accordance with paragraph (g)(4) of this section. The State may develop, obtain approval of, and implement a plan of corrective action any time after it receives written notification from ACF that it is in violation of section 471(a)(18) of the Act.

(2) Corrective action plans are subject to ACF approval.

(3) If the corrective action plan does not meet the provisions of paragraph (d) of this section, the State must revise and resubmit the plan for approval until it has an approved plan.

(4) A State found to be in violation of section 471(a)(18) by a court must notify ACF within 30 days from the date of entry of the final judgement once all appeals have been exhausted, declined, or the appeal period has expired.

(c) Corrective action for violations resulting from a State’s statute, regulation, policy, procedure, or practice.

(1) A State found to have committed a violation of the type described in paragraph (a)(2)(iii) of this section must develop and submit a corrective action plan within 30 days of receiving written notification from ACF that it is in violation of section 471(a)(18).

Once the plan is approved the State will have to complete the corrective action and come into compliance. If the State fails to complete the corrective action plan within six months and come into compliance, a penalty will be imposed in accordance with paragraph (g)(3) of this section.

(2) Corrective action plans are subject to ACF approval.

(3) If the corrective action plan does not meet the provisions of paragraph (d) of this section, the State must revise and resubmit the plan within 30 days from the date it receives a written notice from ACF that the plan has not been approved. If the State does not submit a revised corrective action plan according to the provisions of paragraph (d) of this section, withholding of funds pursuant to the provisions of paragraph (g) of this section will apply.

(d) Contents of a corrective action plan. A corrective action plan must:

(1) Identify the issues to be addressed;

(2) Set forth the steps for taking corrective action;

(3) Identify any technical assistance needs and Federal and non-Federal sources of technical assistance which will be used to complete the action steps; and,

(4) Specify the completion date. This date will be no later than 6 months from the date ACF approves the corrective action plan.

(e) Evaluation of corrective action plans. ACF will evaluate corrective action plans and notify the State (in writing) of its success or failure to complete the plan within 30 calendar days. If the State has failed to complete the corrective action plan, ACF will calculate the amount of reduction in the State’s title IV–E payment and include this information in the written notification of failure to complete the plan.

(f) Funds to be withheld. The term ‘‘title IV–E funds’’ refers to the amount of Federal funds advanced or paid to the State for allowable costs incurred by a State for foster care maintenance payments, adoption assistance payments, administrative, and training costs under title IV–E and the State’s allotment for the Independent Living program.

(g) Reduction of title IV–E funds.

(1) Title IV–E funds shall be reduced in specified amounts in accordance with paragraph (h) of this section under the following circumstances:

(i) A determination that a State is in violation of section 471(a)(18) of the Act with respect to a person as described in paragraphs (a)(2)(i) and (a)(2)(ii) of this section, or;

(ii) After a State’s failure to implement and complete a corrective action plan as described in paragraph (c) of this section.
§ 1355.39 Administrative and judicial review.

States determined not to be in substantial conformity with titles IV-B and IV-E State plan requirements, or a State or entity in violation of section 471(a)(18) of the Act:

(a) May appeal, pursuant to 45 CFR part 16, the final determination and

(h) Determination of the amount of reduction of Federal funds. ACF will determine the reduction in title IV-E funds due to a section 471(a)(18) violation in accordance with section 474(d)(1) of the Act.

(1) State agencies that violate section 471(a)(18) with respect to a person or fail to implement or complete a corrective action plan as described in paragraph (c) of this section will be subject to a penalty. The penalty structure will follow section 474(d)(1) of the Act. Penalties will be levied for the quarter of the fiscal year in which the State is notified of its section 471(a)(18) violation, and for each succeeding quarter within that fiscal year until the State comes into compliance with section 471(a)(18). The reduction in title IV-E funds will be computed as follows:

(i) 2 percent of the State’s title IV-E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the first finding of noncompliance in that fiscal year;

(ii) 3 percent of the State’s title IV-E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the second finding of noncompliance in that fiscal year;

(iii) 5 percent of the State’s title IV-E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the third or subsequent finding of noncompliance in that fiscal year.

(2) Any entity (other than the State agency) which violates section 471(a)(18) of the Act during a fiscal quarter with respect to any person must remit to the Secretary all title IV-E funds paid to it by the State during the quarter in which the entity is notified of its violation.

(3) No fiscal year payment to a State will be reduced by more than 5 percent of its title IV-E funds, as defined in paragraph (f) of this section, where the State has been determined to be out of compliance with section 471(a)(18) of the Act.

(4) The State agency or entity, as applicable, will be liable for interest on the amount of funds reduced by the Department, in accordance with the provisions of 45 CFR 30.13.

[65 FR 4082, Jan. 25, 2000]
any subsequent withholding of, or reduction in, funds to the HHS Departmental Appeals Board within 60 days after receipt of a notice of nonconformity described in §1355.36(e)(1) of this part, or receipt of a notice of noncompliance by ACF as described in §1355.38(a)(3) of this part; and

(b) Will have the opportunity to obtain judicial review of an adverse decision of the Departmental Appeals Board within 60 days after the State or entity receives notice of the decision by the Board. Appeals of adverse Department Appeals Board decisions must be made to the district court of the United States for the judicial district in which the principal or headquarters office of the agency responsible for administering the program is located.

(c) The procedure described in paragraphs (a) and (b) of this section will not apply to a finding that a State or entity has been determined to be in violation of section 471(a)(18) which is based on a judicial decision.

§ 1355.40 Foster care and adoption data collection.

(a) Scope of the data collection system.  
(1) Each State which administers or supervises the administration of titles IV–B and IV–E must implement a system that begins to collect data on October 1, 1994. The first transmission must be received in ACF no later than May 15, 1995. The data reporting system must meet the requirements of §1355.40(b) and electronically report certain data regarding children in foster care and adoption. The foster care data elements are listed and defined in Appendix A to this part and the adoption data elements are listed and defined in Appendix B to this part.

(2) For the purposes of adoption reporting, data are required to be transmitted by the State on all adopted children who were placed by the State title IV–B/IV–E agency, and on all adopted children for whom the State agency is providing adoption assistance (either ongoing or for nonrecurring expenses), care or services directly or by contract or agreement with other private or public agencies. Full adoption data as specified in appendix B to this part are required only for children adopted after the implementation date of October 1, 1994. For children adopted prior to October 1, 1994, who are continuing to receive title IV–E subsidies, aggregate data are to be reported. For a child adopted out-of-State, the State which placed the child submits the data.

(3) For the purposes of adoption reporting, data are required to be transmitted by the State on all adopted children who were placed by the State title IV–B/IV–E agency, and on all adopted children for whom the State agency is providing adoption assistance (either ongoing or for nonrecurring expenses), care or services directly or by contract or agreement with other private or public agencies. Full adoption data as specified in appendix B to this part are required only for children adopted after the implementation date of October 1, 1994. For children adopted prior to October 1, 1994, who are continuing to receive title IV–E subsidies, aggregate data are to be reported. For a child adopted out-of-State, the State which placed the child submits the data.

(b) Foster care and adoption reporting requirements. (1) The State agency shall transmit semi-annually, within 45 days of the end of the reporting period (i.e., by May 15 and November 14), information on each child in foster care and each child adopted during the reporting period. The information to be reported consists of the data elements found in appendices A and B to this part. The data must be extracted from the data system as of the last day of the reporting period and must be submitted in electronic form as described in appendix C to this part and in record layouts as delineated in appendix D to this part.

(2) For foster care information, the child-specific data to be transmitted must reflect the data in the information system when the data are extracted. Dates of removal from the home and discharge from foster care must be entered in accordance with paragraph (d)(1) of this section. The date of the most recent periodic review (either administrative or court) must
be entered for children who have been in foster care for more than nine months. Entry of this date constitutes State certification that the data on the child have been reviewed and are current.

(3) Adoption data are to be reported during the reporting period in which the adoption is legalized or, at the State’s option, in the following reporting period if the adoption is legalized within the last 60 days of the reporting period. For a semi-annual period in which no adoptions have been legalized, States must report such an occurrence.

(4) A summary file of the semi-annual data transmission must be submitted and will be used to verify the completeness of the State’s detailed submission for the reporting period.

(5) A variety of internal data consistency checks will be used to judge the submission for the reporting period.

(c) Missing data standards. (1) The term “missing data” refers to instances where no data have been entered, if applicable, for a particular data element. In addition, all data elements which fail a consistency check for a particular case will be converted to missing data. All data which are “out of range” (i.e., the response is beyond the parameters allowed for that particular data element) will also be converted to missing data. Details of the circumstances under which data will be converted to missing data are specified in Appendix E to this part.

(2) For missing data in excess of 10 percent for any one data element, the penalty will be applied.

(3) The penalties for missing data are specified in paragraph (e) of this section.

(d) Timeliness of foster care data reports. (1) For each child, a computer generated transaction date must reflect the actual date of data entry and must accompany the date of latest removal from the home and the date of exit from foster care. Ninety percent of the subject transactions must have been entered into the system within 60 days of the event (removal from home or discharge from foster care).

(2) Penalties shall be invoked as provided in paragraph (e) of this section.

(e) Penalties. (1) Failure by a State to meet any of the standards described in paragraphs (a) through (d) of this section is considered a substantial failure to meet the requirements of the title IV–E State plan. Penalties for substantial noncompliance will be assessed semi-annually against a State’s title IV–E administrative cost reimbursement in an amount that is equal to no more than 10 percent of the State’s annual share of title IV–B funds above the base appropriation of $141 million. The amount of incentive funds, section 427 of the Act, against which a penalty can be assessed will remain the same as the amount promulgated as being available to the States as of June 30, 1993, the date of issuance of the amount available to the States as of June 30, 1993 (see Appendix F to this part). The penalties will be calculated and applied regardless of any determination of compliance with the requirements of section 427, and regardless of whether any State has withdrawn its certification with respect to section 427. Years One through three (October 1, 1994 through September 30, 1997) will be three penalty-free years of operation. Year Four (October 1, 1997 through September 30, 1998) will be at half penalty and Year Five (October 1, 1998 through September 30, 1999) and thereafter will be at full penalty. The maximum annual penalty is 20 percent.

(2) Penalties will be assessed semi-annually against a State’s title IV–E administrative cost reimbursement for the period in which the noncompliance occurred and any subsequent period of noncompliance. Following a decision sustaining ACYF’s proposed action, funds will be recovered until the State demonstrates, by submitting an acceptable report, that it will no longer fail to comply.

(3) Half of the maximum allowable assessed penalty for a given reporting period is applicable to foster care reporting and half to adoption reporting.

(4) The penalty for foster care reporting will be applied for any semi-annual
§ 1355.53 Conditions for approval of funding.

(a) As a condition of funding, the SACWIS must be designed, developed (or an existing system enhanced), and installed in accordance with an approved advance planning document (APD). The APD must provide for a design which, when implemented, will produce a comprehensive system, which is effective and efficient, to improve the program management and administration of the State plans for titles IV-B and IV-E as provided under this section.

(b) At a minimum, the system must provide for effective management, tracking and reporting by providing automated procedures and processes to:

(1) Meet the Adoption and Foster Care reporting requirements through the collection, maintenance, integrity checking and electronic transmission of the data elements specified by the Adoption and Foster Care Analysis and Reporting System (AFCARS) requirements mandated under section 479(b) of the Act and §1355.40 of this part;
§ 1355.54

(2) Provide, for electronic exchanges and referrals, as appropriate, with the following systems within the State, unless the State demonstrates that such interface or integration would not be practicable because of systems limitations or cost constraints:

(i) Systems operated under title IV–A.
(ii) National Child Abuse and Neglect Data Systems (NCANDS).
(iii) Systems operated under title XIX, and
(iv) Systems operated under title IV–D;

(3) Support the provisions of section 422(a) by providing for the automated collection, maintenance, management and reporting of information on all children in foster care under the responsibility of the State, including statewide data from which the demographic characteristics, location, and goals for foster care children can be determined;

(4) Collect and manage information necessary to facilitate the delivery of client services, the acceptance and referral of clients, client registration, and the evaluation of the need for services, including child welfare services under title IV–B Subparts 1 and 2, family preservation and family support services, family reunification and permanent placement;

(5) Collect and manage information necessary to determine eligibility for:

(i) The foster care program,
(ii) The adoption assistance program, and
(iii) The independent living program;

(6) Support necessary case assessment activities;

(7) Monitor case plan development, payment authorization and issuance, review and management, including eligibility determinations and redeterminations; and

(8) Ensure the confidentiality and security of the information and the system.

(c) A system established under paragraph (a) of this section may also provide support in meeting the following program functions:

(1) Resource management, including automated procedures to assist in managing service providers, facilities, contracts and recruitment activities associated with foster care and adoptive families;

(2) Tracking and maintenance of legal and court information, and preparation of appropriate notifications to relevant parties;

(3) Administration and management of staff and workloads;

(4) Licensing verification; and

(5) Risk analysis.

(d) The system may also provide for interface with other automated information systems, including, but not limited to, accounting and licensing systems, court and juvenile justice systems, vital statistics and education, as appropriate.

(e) If the cost benefit analysis submitted as part of the APD indicates that adherence to paragraphs (c) and (d) of this section would not be cost beneficial, final approval of the APD may be withheld until resolution is reached on the level of automation appropriate to meet the State’s needs.

(f) A Statewide automated child welfare information system may be designed, developed and installed on a phased basis, in order to allow States to implement AFCARS requirements expeditiously, in accordance with section 479(b) of the Act, as long as the approved APD includes the State’s plan for full implementation of a comprehensive system which meets all functional and data requirements as specified in paragraphs (a) and (b) of this section, and a system design which will support these enhancements on a phased basis.

(g) The system must perform Quality Assurance functions to provide for the review of case files for accuracy, completeness and compliance with Federal requirements and State standards.

§ 1355.54 Submittal of advance planning documents.

The State title IV–E agency must submit an APD for a statewide automated child welfare information system, signed by the appropriate State official, in accordance with procedures specified by 45 CFR part 95, subpart F.

[58 FR 67946, Dec. 22, 1993]
§ 1355.55 Review and assessment of the system developed with enhanced funds.

(a) ACF will, on a continuing basis, review, assess and inspect the planning, design, development, installation and operation of the SACWIS to determine the extent to which such systems:

(1) Meet §1355.53 of this chapter,
(2) Meet the goals and objectives stated in the approved APD,
(3) Meet the schedule, budget, and other conditions of the approved APD, and
(4) Comply with the automated data processing services and acquisitions procedures and requirements of 45 CFR part 95, subpart F.

(b) [Reserved]

[58 FR 67946, Dec. 22, 1993]

§ 1355.56 Failure to meet the conditions of the approved APD.

(a) If ACF finds that the State fails to meet any of the conditions cited in §1355.53, or to substantially comply with the criteria, requirements and other undertakings prescribed by the approved APD, approval of the APD may be suspended.

(b) If the approval of an APD is suspended during the planning, design, development, installation, or operation of the system:

(1) The State will be given written notice of the suspension. This notice shall state:
   (i) The reason for the suspension,
   (ii) The date of the suspension,
   (iii) Whether the suspended system complies with criteria for 50 percent FFP, and
   (iv) The actions required by the State for future enhanced funding.

(2) The suspension will be effective as of the date the State failed to comply with the approved APD;

(3) The suspension shall remain in effect until ACF determines that such system complies with prescribed criteria, requirements, and other undertakings for future Federal funding.

(4) Should a State cease development of an approved system, either by voluntary withdrawal or as a result of Federal suspension, all Federal incentive funds invested to date that exceed the normal administrative FFP rate (50 percent) will be subject to recoupment.

[58 FR 67946, Dec. 22, 1993]

§ 1355.57 Cost allocation.

(a) All expenditures of a State to plan, design, develop, install, and operate the data collection and information retrieval system described in §1355.53 of this part shall be treated as necessary for the purpose of the SACWIS includes functions, processing, information collection and management, equipment or services that are not directly related to the administration of the programs carried out under the State plan approved under title IV–B or IV–E.

(b) Cost allocation and distribution for the planning, design, development, installation and operation must be in accordance with §95.631 of this title and section 474(e) of the Act, if the SACWIS includes functions, processing, information collection and management, equipment or services that are not directly related to the administration of the programs carried out under the State plan approved under title IV–B or IV–E.

Section II—Definitions of and Instructions for Foster Care Data Elements

Reporting Population. The population to be included in this reporting system includes all children in foster care under the responsibility of the State agency administering or supervising the administration of the title IV-B Child and Family Services State plan and the title IV-E State plan; that is, all children who are required to be provided the assurances of section 422(b)(10) of the Social Security Act.

This population includes all children supervised by or under the responsibility of another public agency with which the title IV-B/IV-E State agency has an agreement under title IV-E and on whose behalf the State makes title IV-E foster care maintenance payments.

Foster care is defined as 24 hour substitute care for children outside their own homes. The reporting system includes all children who have or had been in foster care at least 24 hours. The foster care settings include, but are not limited to:

—Family foster homes
—Relative foster homes (whether payments are being made or not)
—Group homes
—Emergency shelters
—Residential facilities
—Child care institutions
—Pre-adoptive homes

Foster care does not include children who are in their own homes under the responsibility of the State agency. However, children who are at home on a trial basis may be included even though they are not considered to be in foster care. If they are included, element number V. CURRENT PLACEMENT SETTING must be given the value of “8”.

I. General Information

A. State**—U.S. Postal Service two letter abbreviation for the State submitting the report.

B. Report Date**—The last month and the year for the reporting period.

E. Date of Most Recent Periodic Review (If applicable)—For children who have been in care seven months or longer, enter the month, day and year of the most recent administrative or court review, including dispositional hearing. The State must report on all children who are adopted in the State during the reporting period and in whose adoption the State title IV-BIV-E agency has had any involvement.
Office of Human Development Services, HHS

Pt. 1355, App. B

All adoptions which occurred on or after October 1, 1994 and which meet the criteria set forth in this regulation must be reported. Failure to report on these adoptions will result in penalties being assessed. Reports on all other adoptions are encouraged but are voluntary. Therefore, reports on the following are mandated:

(a) All children adopted who had been in foster care under the responsibility and care of the State child welfare agency and who were subsequently adopted whether special needs or not and whether subsidies are provided or not;

(b) All special needs children who were adopted in the State, whether or not they were in the public foster care system prior to their adoption and for whom non-recurring expenses were reimbursed; and

(c) All children adopted for whom an adoption assistance payment or service is being provided based on arrangements made by or through the State agency.

These children must be identified by answering “yes” to data element I.D. Children who are reported by the State, but for whom there has not been any State involvement, and whose reporting, therefore, has not been mandated, are identified by answering “no” to element I.D.

I. General Information

A. State—U.S. Postal Service two letter abbreviation for the State submitting the report.

B. Report Date—The last month and the year for the reporting period.

Pt. 1355, App. C

Non-Relative—Adoptive parent fits into none of the categories above.

VII. Placement Information

A. Child Was Placed From: Indicate the location of the individual or agency that had custody or responsibility for the child at the time of initiation of adoption proceedings.

Within State—Responsibility for the child resided with an individual or agency within the State filing the report.

Another State—Responsibility for the child resided with an individual or agency in another State or territory of the United States.

Another Country—Immediately prior to the adoptive placement, the child was residing in another country and was not a citizen of the United States.

B. Child Was Placed By: Indicate the individual or agency which placed the child for adoption.

Public Agency—A unit of State or local government.

Private Agency—A for-profit or non-profit agency or institution.

Tribal Agency—A unit within one of the Federally recognized Indian Tribes or Indian Tribal Organizations.

Independent Person—A doctor, a lawyer or some other individual.

Birth Parent—The parent(s) placed the child directly with the Adoptive parent(s).

VIII. State/Federal Adoption Support

A. Is The Child Receiving a Monthly Subsidy?

Enter “yes” if this child was adopted with an adoption assistance agreement under which regular subsidies (Federal or State) are paid.

B. Monthly Amount—Indicate the monthly amount of the subsidy. The amount of the subsidy should be rounded to the nearest dollar. Indicate “0” if the subsidy includes only benefits under titles XIX or XX of the Social Security Act.

C. If VIII.A is “Yes,” is Child Receiving Title IV–E Adoption Subsidy?

If VIII.A is “yes,” indicate whether the subsidy is claimed by the State for reimbursement under title IV–E. Do not include title IV–E non-recurring costs in this item.

APPENDIX C TO PART 1355—ELECTRONIC DATA TRANSMISSION FORMAT

All AFCARS data to be sent from State agencies/Indian Tribes to the Department are to be in electronic form. In order to meet this general specification, the Department will offer as much flexibility as possible. Technical assistance will be provided to negotiate a method of transmission best suited to the States’ environment.

There will be four semi-annual electronic data transmissions from the States to the Administration for Children and Families (ACF). The Summary Submission File, one each for Foster Care and Adoption, and the Detail Submission File, one each for Foster Care and Adoption. The Summary File must be transmitted first, followed immediately by the Detail File. See appendix D for Foster Care and Adoption Detail and Summary record layout formats.

There are four methods for electronic data exchange currently operating for other Departmental programs and a similar nature. These methods are: (1) MITRON tape-to-tape transfer, (2) mainframe-to-mainframe data transfer, (3) personal computer (PC) to mainframe data transmission using a data transfer protocol, and (4) a personal computer to personal computer protocol. A general description of these methods is provided below:

1. MITRON, Tape-to-Tape Data Transmission

In order to use the MITRON system, both the sender and receiver must have MITRON equipment (tape drive and main unit) and software. The MITRON system is capable of handling a large volume of data but is limited to one reel of tape per transmission session. (If the data quantity exceeds one tape, a header-trailer record must be placed on each physical tape reel.) These are standard 2400 foot tapes, using standard labels. The tape density is limited to the 1600 bits per inch (bpi) specification.

2. Mainframe-to-Mainframe

The ACF has installed a mainframe-to-mainframe data exchange system using the Sterling Software data transfer package called “SUPERTRACS.” This package will allow data exchange between most computer platforms (both mini and mainframe) and the Department’s mainframe in a dial-up mode. No additional software is needed by the remote computer site beyond what the Department will supply. This method has proven effective for small to moderate amounts (100 to 5,000 records) of data.

3. Electronic File Transfer Between PC and Mainframe

This method uses the SIMPC software package on the personal computer and the host mainframe. The software will be provided by the Department. This method is best suited for small to moderate (100 to 5,000) records transmissions. The advantages of Electronic File Transfer are the elimination of tapes and associated problems and the advantage of automatic record checking during the transmission session. If a State is currently maintaining the AFCARS data on a personal computer and is unable to
download and upload to its mainframe. Electronic File Transfer is an appropriate transmission mechanism.

4. Personal Computer to Personal Computer

This method uses the SIMPC software package on the sending personal computer and the receiving personal computer. The software will be provided by the Department. This method is best suited for small to moderate (100 to 5,000) records transmissions. The advantages of Electronic File Transfer are the elimination of tapes and associated problems and the advantage of automatic record checking during the transmission session. If a State is currently maintaining the AFDCRS data on a personal computer, the personal computer to personal computer transfer is an appropriate transmission mechanism.

In conjunction with Departmental staff, State agencies and Indian Tribes should review their resources and select the system that will best suit their data transmission needs. Over time, State agencies and Indian Tribes can change their transmission methods, provided that proper notification is provided.

Regardless of the electronic data transmission methodology selected, certain criteria must be met by the State agencies and Indian Tribes:

(1) Records must be written using ASCII standard character format.

(2) All elements must be comprised of integer (numeric) value(s). Element character length specifications refer to the maximum number of numeric values permitted for that element. See appendix D.

(3) All records must be a fixed length. The Foster Care Detailed Data Elements Record is 172 characters long. The Adoption Detailed Data Elements Record is 150 characters long and the Foster Care Semi-Annual Detailed Data Elements Record is 72 characters long.

APPENDIX D TO PART 1355—FOSTER CARE AND ADOPTION RECORD LAYOUTS

A. Foster Care

1. Foster Care Semi-Annual Detailed Data Elements Record

   a. The record will consist of 66 data elements.

   b. Data must be supplied for each of the elements in accordance with these instructions:

(1) All data must be numeric. Enter the appropriate value for each element.

(2) Enter date values in year, month and day order (YYYYMMDD), e.g., 19991003 for October 30, 1999, or year and month order (YYYYMM), e.g., 199910 for October 1999. Leave the element value blank if dates are not applicable.

(3) For elements 8, 11–15, 26–40, 52, 54 and 59–65, which are “select all that apply” elements, enter a “1” for each element that applies, enter a zero for non-applicable elements.

(4) Transaction Date—is a computer generated date indicating when the datum (Element 21 or 55) is entered into the State’s automated information system.

(5) Report the status of all children in foster care as of the last day of the reporting period. Also, provide data for all children who were discharged from foster care at any time during the reporting period, or in the previous reporting period, if not previously reported.

### 2. Foster Care Semi-Annual Summary Data Elements Record

**a.** The record will consist of 22 data elements.

The values for these data elements are generated by processing all records in the semi-annual detailed data transmission and computing the summary values for Elements 1 and 3-22. Element 2 is the semi-annual report period ending date. In calculating the age range for the child, the last day of the reporting period is to be used.

2. Adoption Semi-Annual Summary Data Elements Record

The values for these data elements are generated by processing all records in the semi-annual detailed data transmission and computing the summary values for Elements 1 and 3–22. Element 2 is the semi-annual report period ending date.
APPENDIX E TO PART 1355—DATA STANDARDS

All data submissions will be evaluated to determine the completeness and internal consistency of the data. Four types of assessments will be conducted on both the foster care and adoption data submissions. The results of these assessments will determine the applicability of the penalty provisions. (See §1355.40(e) for penalty provision description.) The four types of assessments are:

- Comparisons of the detailed data to summary data;
- Internal consistency checks of the detailed data;
- An assessment of the status of missing data; and
- Timeliness, an assessment of how current the submitted data are.

A. Foster Care

1. Summary Data Elements Submission Standards

A summary file must accompany the Detailed Data Elements submission. Both transmissions must be sent through electronic means (see appendix C for details). This summary will be used to verify basic counts of records on the detailed data received.

a. The summary file must be a discrete file separate from the semi-annual reporting period detailed data file. The record layout for the summary file is included in appendix D. Section A.2.c. All data must be included. If the value for a numeric field is zero, zero must be entered.

b. The Department will develop a second summary file by computing the values from the detailed data file received from the State. The two summary files (the one submitted by the State and the one created during Federal processing) will be compared, field by field. If the two files match, further validation of the detailed data elements will commence. (See Section A.2 below.) If the two summary files do not match, we will assume that there has been an error in transmission and will request a retransmission from the State within 24 hours of the time the State has been notified. In addition, a log of these occurrences will be kept as a
means of cataloging problems and offering suggestions on improved procedures.

2. Detailed Data File Submission Standards
a. Internal Consistency Validations
Internal consistency validations involve evaluating the logical relationships between data elements in a detailed record. For example, a child cannot be discharged from foster care before he or she has been removed from his or her home. Thus, the Date of Latest Removal From Home data element must be a date prior to the Date of Discharge. If this is not the case, an internal inconsistency will be detected and an “error” indicated in the detailed data file.

A number of data elements have “if applicable” contingency relationships with other data elements in the detailed record. For example, if the Foster Family Structure has only a single parent, then the appropriate sex of the Single Female/Male element in the “Year of Birth” and “Race/Origin” elements must be completed and the “non-applicable” fields for these elements are to be filled with zero’s or, for dates, left blank.

The internal consistency validations that will be performed on the foster care detailed data are as follows:

(1) The Local Agency must be the county or a county equivalent unit which has responsibility for the case. The 5 digit Federal Information Processing Standard (FIPS) code must be used.

(2) If Date of Latest Removal From Home (Element 21) is less than nine months prior to the Report Period Ending Date (Element 2) then the Date of Most Recent Periodic Review (Element 5) may be left blank.

(3) If Date of Latest Removal From Home (Element 21) is greater than nine months prior to the Report Date (Element 2), then the Date of Most Recent Periodic Review (Element 5) may be left blank.

(4) If the child is identified as having a disability(ies) (Element 10), at least one Type of Disability Condition (Elements 11–15) must be indicated. Enter a zero (0) for disabilities that do not apply.

(5) If the Total Number of Removals From Home to Date (Element 19) is one (1), the Date Child was Discharged From Last Foster Care Episode (Element 20) must be blank.

(6) If the Total Number of Removals From Home to Date (Element 19) is two or more, then the Date Child was Discharged From Last Foster Care Episode (Element 20) must not be blank.

(7) If the Data Child was Discharged From Last Foster Care Episode (Element 20) exists, then this date must be a date prior to the Date of Latest Removal From Home (Element 21).

(8) The Date of Latest Removal From Home (Element 21) must be prior to the Date of Placement in Current Foster Care Setting (Element 23).

(9) At least one element between elements 26 and 40 must be answered by selecting a “1”. Enter a zero (0) for conditions that do not apply.

(10) If Current Placement Setting (Element 41) is a value that indicates that the child is not in a foster family or a pre-adoptive home, then elements 49-55 must be zero (0).

(11) At least one element between elements 59 and 65 must be answered by selecting a “1”. Enter a zero for sources that do not apply.

(12) If the answer to the question, “Has this child ever been adopted?” (Element 16) is “1” (Yes), then the question, “How old was the child when the adoption was legalized?” (Element 17) must have an answer from “1” to “5.”

(13) If the Date of Most Recent Periodic Review (Element 5) is not blank, then Manner of Removal From Home for Current Placement Episode (Element 25) cannot be option 3, “Not Yet Determined.”

(14) If Reason for Discharge (Element 58) is option 3, “Adoption,” then Parental Rights Termination dates (Elements 46 and 47) must not be blank.

(15) If the Date of Latest Removal From Home (Element 21) is present, the Date of Latest Removal From Home Transaction Date (Element 22) must be present and must be later than or equal to the Date of Latest Removal From Home (Element 21).

(16) If the Date of Discharge From Foster Care (Element 56) is present, the Date of Discharge From Foster Care Transaction Date (Element 57) must be present and must be later than or equal to the Date of Discharge From Foster Care (Element 56).

(17) If the Date of Discharge From Foster Care (Element 56) is present, it must be after the Date of Latest Removal From Home (Element 21).

(18) In Elements 8, 52, and 54, race categories (“a” through “o”) and “f. Unable to Determine” cannot be coded “0,” for it does not apply. If any of the race categories apply and are coded as “1” then “f. Unable to Determine” cannot also apply.

b. Out-of-Range Standards.
Out-of-range standards relate to the occurrence of values in response to data elements that exceed, either positively or negatively, the acceptable range of responses to the question. For example, if the acceptable responses to the element, Sex of the Adoptive Child, is “1” for a male and “2” for a female, but the datum provided in the element is “3,” this represents an out-of-range response situation.

Out-of-range comparisons will be made for all elements. The acceptable values are described in Appendix A, Section I.
3. Missing Data Standards

The term “missing data” refers to instances where data for an element are required but are not present in the submission. Data elements with values of “Unable to Determine,” “Not Yet Determined” or which are not applicable, are not considered missing.

a. In addition, the following situations will result in converting data values to a missing data status:
(1) Data elements whose values fall internal consistency validations as outlined in A.2.a.(1)-(18) above, and,
(2) Data elements whose values are out-of-range.

b. The maximum amount of allowable missing data is dependent on the data elements as described below:
(1) No Missing Data.
   The data for the elements listed below must be present in all records in the submission. If any record contains missing data for any of these elements, the entire submission will be considered missing and processing will not proceed.

(b) If Date of Latest Removal From Home (Element 18) is prior to October 1, 1995, then the following data elements are the only ones to be used in evaluating the missing data provisions for purposes of penalty calculation:

(c) Penalty Processing.

Missing data are a major factor in determining the application of the penalty provisions of this regulation.

(1) Selection Rules.
   All data elements will be used in calculating the missing data provision of the penalty unless one of the following limiting rules applies to the detailed case record:
   (a) If Date of Latest Removal From Home (Element 21) and the Date of Discharge From Foster Care (Element 56) is less than 30 days, then the following date elements are the only ones to be used in evaluating the missing data provisions for purposes of penalty calculation:
   Elements 1 to 4
   6 to 9
   21 and 22
   41 and 42
   56 to 58

   (b) If Date of Latest Removal From Home (Element 18) is prior to October 1, 1995, then the following data elements are the only ones to be used in evaluating the missing data provisions for purposes of penalty calculation:
   Elements 1 to 4
   6 to 9
   21 and 22
   41 and 43
   56 to 58

(2) Penalty Calculations.

The percentage calculation will be performed for each data element. The total number of detailed records that are included by the selection rules in 3.c.(1), will serve as the denominator. The number of missing data occurrences for each element will serve as the numerator. The result will be multiplied by one hundred. The penalty is invoked
when any one element’s missing data percentage is ten percent or greater.

4. Timeliness of Foster Care Data Reports

The semi-annual reporting periods will be as of the end of March and September for each year. The States are required to submit reports within 45 calendar days after the end of the semi-annual reporting period. Computer generated transaction dates indicate the date when key foster care events are entered into the State’s computer system. The intent of these transaction dates is to ensure that information about the status of children in foster care is recorded and, thus, reported in a timely manner:

a. Date of Latest Removal From Home
b. Date of Discharge From Foster Care

The Date of Latest Removal From Home Transaction Date (Element 22) must not be more than 60 days after the Date of Latest Removal From Home (Element 21) event.

The Date of Discharge From Foster Care Transaction Date (Element 57) must not be more than 60 days after the Date of Discharge From Foster Care (Element 56) event.

For purposes of penalty processing, ninety percent of the records in a detailed data submission, must indicate that:

1. The difference between the Date of Latest Removal From Home Transaction Date (Element 22) and the Date of Latest Removal From Home (Element 21) event is 60 days or less;

   and, where applicable,

2. The difference between the Date of Discharge From Foster Care Transaction Date (Element 57), and the Date of Discharge From Foster Care (Element 56) event is 60 days or less.

B. Adoption

1. Summary Data Elements File Submission Standards

A summary file must accompany the detailed Data Elements File submission. Both files must be sent through electronic means (see appendix C for details). This summary will be used to verify the completeness of the Detailed Data File submission received.

a. The summary file should be a discrete file separate from the semi-annual reporting period detailed data file. The record layout for the summary file is included in appendix D, section B.2.c. All data must be included. If the value for a numeric field is zero, zero must be entered.

b. The Department will develop a second summary file by computing the values from the detailed data file received from the State. The two summary files (the one submitted by the State and the one created during Federal processing) will be compared, field by field. If the two files match, further validation of the detailed data elements will commence. (See section B.2 below.) If the two summary files do not match, we will assume that there has been an error in transmission and will request a retransmission from the State within 24 hours of the time the State has been notified. In addition, a log of these occurrences will be kept as a means of cataloging problems and offering suggestions on improved procedures.

2. Detailed Data Elements File Submission Standards

a. Internal Consistency Validations

Internal consistency validations involve evaluating the logical relationships between data elements in a detailed record. For example, an adoption cannot be finalized until parental rights have been terminated. Thus, the dates of Mother/Father Termination of Parental Rights, elements must be present and the dates must be prior to the “Date Adoption Legalized.” If this is not the case, an internal inconsistency will be detected and an “error” indicated in the detailed data file.

A number of data elements have “if applicable” contingency relationships with other data elements in the detailed record. For example, if the Adoptive Parent is single, then the appropriate sex of the single female/male element in the “Family Structure,” “Year of Birth” and “Race/Origin” elements must be completed and the “non-applicable” fields for these elements are to be filled with zeros or left blank.

The internal consistency validations that will be performed on the adoption detailed data are as follows:

1. The Child’s Date of Birth (Element 5) must be later than both the Mother’s and Father’s Year of Birth (Elements 16 and 17) unless either of these is unknown.

2. If the State child welfare agency has determined that the child is a special needs child (Element 9), then “the primary basis for determining that this child has special needs” (Element 10) must be completed. If “the primary basis for determining that this child has special needs” (Element 10) is answered by option “4,” then at least one element between Elements 11–15, “Type of Disability,” must be selected. Enter a zero (0) for disabilities that do not apply.

3. Dates of Parental Rights Termination (Elements 19 and 20) must be completed and must be prior to the Date Adoption Legalized (Element 21).

4. If “is a monthly financial subsidy being paid for this child” (Element 35) is answered negatively, “2,” then Element 36 must be zero (0) and “Is the subsidy paid under Title IV–E adoption assistance” (Element 97) must be a “2.”
Pt. 1355, App. E

45 CFR Ch. XIII (10–1–01 Edition)

(5) If the “Child Was Placed By” (Element 34) is answered with option 1, “Public Agency,” then the question, “Did the State Agency Have any Involvement in This Adoption” (Element 4) must be “1.”

(6) If the “Relationship of Adoptive Parent(s) to Child,” “Foster Parent of Child” (Element 31) is selected, then the question, “Did the State Agency Have any Involvement in This Adoption” (Element 4) must be “1.”

(7) If “Is a monthly financial subsidy being paid for this child?” (Element 35) answered “1,” then the question, “Did the State Agency Have any Involvement in This Adoption” (Element 4) must be “1.”

(8) If the “Family Structure” (Element 22) is option 3, Single Female, then the Mother’s Year of Birth (Element 23), the “Adoptive Mother’s Race” (Element 25) and “Hispanic or Latino Ethnicity” (Element 26) must be completed. Similarly, if the “Family Structure” (Element 22) is option 4, Single Male, then the Father’s Year of Birth (Element 24), the Adoptive Father’s Race (Element 27) and “Hispanic or Latino Ethnicity” (Element 28) must be completed. If the “Family Structure” (Element 22) is option 1 or 2, then both Mother’s and Father’s “Year of Birth,” “Race” and “Hispanic or Latino Ethnicity” must be completed.

(9) In Elements 7, 25, and 27, race categories (“a” through “e”) and “f. Unable to Determine” cannot be coded “0,” for it does not apply. If any of the race categories apply and are coded as “1” then “f. Unable to Determine” cannot also apply.

b. Out-of-Range Standards.

Out-of-range standards relate to the occurrence of values in response to data elements that exceed, either positively or negatively, the acceptable range of responses to the question. For example, if the acceptable response to the element, Sex of the Adoptive Child, is “1” for a male and “2” for a female, but the datum provided in the element is “3,” this represents an out-of-range response situation.

Out-of-range comparisons will be made for all elements. The acceptable values are described in Appendix B, section I.

3. Missing Data Standards

The term “missing data” refers to instances where data for an element are required but are not present in the submission. Data elements with values of “Unable to Determine,” “Other,” or which are not applicable, are not considered missing.

a. In addition, the following situations will result in converting data values to a missing data status:

(1) Data elements whose values fall internal consistency validations as outlined in 2.a.1–9 above, and

(2) Data elements whose values are out-of-range.

b. The maximum amount of allowable missing data is dependent on the data elements as described below.

(1) No Missing Data.

The data for the elements listed below must be present in all records in the submission. If any record contains missing data for any of these elements, the entire submission will be considered missing and processing will not proceed.

The percentage calculation will be performed for each data element. The total number of detailed records will serve as the denominator and the number of missing data occurrences for each element will serve as the numerator. The result will be multiplied by one hundred. The penalty is invoked when any one element’s missing data percentage is ten percent or greater.

### 4. TIMELINESS OF ADOPTION DATA REPORTS

The semi-annual reporting periods will be as of the end of March and September for each year. The States are required to submit reports within 45 calendar days after the end of the semi-annual reporting period.

For penalty assessment purposes, however, no specific timeliness of data standards apply. Data on adoptions should be submitted as promptly after finalization as possible.

The desired approach to reporting adoption data is that adoptions should be reported during the reporting period in which the adoption is legalized. Or, at the State’s option, they can be reported in the following reporting period if the adoption is legalized within the last 60 days of the reporting period.

Negative reports must be submitted for any semi-annual period in which no adoptions have been legalized.

PART 1356—REQUIREMENTS APPLICABLE TO TITLE IV-E

§ 1356.10 Scope.
This part applies to State programs for foster care maintenance payments, adoption assistance payments, related foster care and adoption administrative and training expenditures, and the independent living services program under title IV-E of the Act.

§ 1356.20 State plan document and submission requirements.
(a) To be in compliance with the State plan requirements and to be eligible to receive Federal financial participation (FFP) in the costs of foster care maintenance payments and adoption assistance under this part, a State must have a State plan approved by the Secretary that meets the requirements of this part, part 1355 and section 471(a) of the Act. The title IV-E State plan must be submitted to the appropriate Regional Office, ACYF, in a form determined by the State.

(b) Failure by a State to comply with the requirements and standards for the data reporting system for foster care and adoption (§ 1355.40 of this chapter) shall be considered a substantial failure by the State in complying with the State plan for title IV-E. Penalties as described in § 1355.40(e) of this chapter shall apply.

(c) For purposes of the application of penalties described in § 1355.40 of this chapter, the requirement at § 201.6(e) regarding the withholding of funds until the Secretary "* * * is satisfied that there will no longer be any such failure to comply * * *" will be met by submission of one acceptable regularly scheduled semi-annual data transmission of the type which was the cause of the penalty.

(d) If a State chooses to claim FFP for voluntary foster care placements, the State must meet the requirements of paragraph (a) of this section and section 102 of Pub. L. 96–272, the Adoption Assistance and Child Welfare Act of 1980, as it amends section 472 of the Act.

(e) The following procedures for approval of State plans and amendments apply to the title IV-E program:

(1) The State plan consists of written documents furnished by the State to cover its program under part E of title IV. After approval of the original plan...

by the Commissioner, ACYF, all rel-

levant changes, required by new stat-
utes, rules, regulations, interpreta-
tions, and court decisions, are required
to be submitted currently so that
ACYF may determine whether the plan
continues to meet Federal require-
ments and policies.

(2) Submittal. State plans and revi-
sions of the plans are submitted first to
the State governor or his designee for
review and then to the regional office,
ACYF. The States are encouraged to
obtain consultation of the regional
staff when a plan is in process of prepa-
ration or revision.

(3) Review. Staff in the regional of-

fices are responsible for review of State
plans and amendments. They also ini-
tiate discussion with the State agency
on clarification of significant aspects
of the plan which come to their atten-
tion in the course of this review. State
plan material on which the regional
staff has questions concerning the ap-
lication of Federal policy is referred
with recommendations as required to
the central office for technical assist-
ance. Comments and suggestions, in-
cluding those of consultants in speci-
fied areas, may be prepared by the cen-
tral office for use by the regional staff
in negotiations with the State agency.

(4) Action. Each Regional Adminis-

trator, ACF, has the authority to ap-
prove State plans and amendments
thereto which provide for the adminis-
tration of foster care maintenance pay-
ments and adoption assistance pro-
grams under section 471 of the Act. The
Commissioner, ACYF, retains the au-
thority to determine that proposed
plan material is not approvable, or
that a previously approved plan no
longer meets the requirements for ap-
proval. The Regional Office, ACYF, for-
mally notifies the State agency of the
actions taken on State plans or revi-
sions.

(5) Basis for approval. Determinations
as to whether State plans (including
plan amendments and administrative
practice under the plans) originally
meet or continue to meet, the require-
ments for approval are based on rel-

vant Federal statutes and regulations.

(6) Prompt approval of State plans. The
determination as to whether a State
plan submitted for approval conforms
to the requirements for approval under
the Act and regulations issued pursu-
ant thereto shall be made promptly
and not later than the 45th day fol-
lowing the date on which the plan sub-
mittal is received in the regional of-

cine, unless the Regional Office, ACYF,
has secured from the State agency a
written agreement to extend that pe-

period.

(7) Prompt approval of plan amend-
ments. Any amendment of an approved
State plan may, at the option of the
State, be considered as a submission of
a new State plan. If the State requests
such amendment be so considered
the determination as to its conformity
with the requirements for approval
shall be made promptly and not later
than the 45th day following the date on
which such a request is received in the
regional office with respect to an
amendment that has been received in
such office, unless the Regional Office,
ACYF, has secured from the State
agency a written agreement to extend
that period. In absence of request by a
State that an amendment of an ap-
proved State plan shall be considered
as a submission of a new State plan,
the procedures under §201.6 (a) and (b)
shall be applicable.

(8) Effective date. The effective date
of a new plan may not be earlier than the
first day of the calendar quarter in
which an approvable plan is submitted,
and with respect to expenditures for as-
sistance under such plan, may not be
earlier than the first day on which the
plan is in operation on a statewide
basis. The same applies with respect to
plan amendments.

(f) Once the title IV–E State plan has
been submitted and approved, it shall
remain in effect until amendments are
required. An amendment is required if
there is any significant and relevant
change in the information or assur-
ances in the plan, or the organization,
policies or operations described in the
plan.

the Office of Management and Budget under
OMB Control Number 0980–0141)

(48 FR 23115, May 23, 1983, as amended at 58
FR 57998, Dec. 22, 1993; 65 FR 4088, Jan. 25,
2000)
§ 1356.21 Foster care maintenance payments program implementation requirements.

(a) Statutory and regulatory requirements of the Federal foster care program. To implement the foster care maintenance payments program provisions of the title IV–E State plan and to be eligible to receive Federal financial participation (FFP) for foster care maintenance payments under this part, a State must meet the requirements of this section, 45 CFR 1356.22, 45 CFR 1356.30, and sections 472, 475(1), 475(4), 475(5) and 475(6) of the Act.

(b) Reasonable efforts. The State must make reasonable efforts to maintain the family unit and prevent the unnecessary removal of a child from his/her home, as long as the child’s safety is assured; to effect the safe reunification of the child and family (if temporary out-of-home placement is necessary to ensure the immediate safety of the child); and to make and finalize alternate permanency plans in a timely manner when reunification is not appropriate or possible. In order to satisfy the “reasonable efforts” requirements of section 471(a)(15) (as implemented through section 472(a)(1) of the Act), the State must meet the requirements of paragraphs (b) and (d) of this section. In determining reasonable efforts to be made with respect to a child and in making such reasonable efforts, the child’s health and safety must be the State’s paramount concern.

(1) Judicial determination of reasonable efforts to prevent a child’s removal from the home.

(i) When a child is removed from his/her home, the judicial determination as to whether reasonable efforts were made, or were not required to prevent the removal in accordance with paragraph (b)(3) of this section, must be made no later than 60 days from the date the child is removed from the home pursuant to paragraph (k) of this section.

(ii) If the determination concerning reasonable efforts to prevent the removal is not made as specified in paragraph (b)(1)(i) of this section, the child is not eligible under the title IV–E foster care maintenance payments program for the duration of that stay in foster care.

(2) Judicial determination of reasonable efforts to finalize a permanency plan.

(i) The State agency must obtain a judicial determination that it has made reasonable efforts to finalize the permanency plan that is in effect (whether the plan is reunification, adoption, legal guardianship, placement with a fit and willing relative, or placement in another planned permanent living arrangement) within twelve months of the date the child is considered to have entered foster care in accordance with the definition at §1355.20 of this part, and at least once every twelve months thereafter while the child is in foster care.

(ii) If such a judicial determination regarding reasonable efforts to finalize a permanency plan is not made, the child becomes ineligible under title IV–E from the end of the twelfth month following the date the child is considered to have entered foster care in accordance with the definition at §1355.20 of this part, or the end of the month in which the most recent judicial determination of reasonable efforts to finalize a permanency plan was made, and remains ineligible until such a judicial determination is made.

(3) Circumstances in which reasonable efforts are not required to prevent a child’s removal from home or to reunify the child and family. Reasonable efforts to prevent a child’s removal from home or to reunify the child and family are not required if the State agency obtains a judicial determination that such efforts are not required because:

(i) A court of competent jurisdiction has determined that the parent has subjected the child to aggravated circumstances (as defined in State law, which definition may include but need not be limited to abandonment, torture, chronic abuse, and sexual abuse);

(ii) A court of competent jurisdiction has determined that the parent has been convicted of:

(A) Murder (which would have been an offense under section 1111(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(B) Voluntary manslaughter (which would have been an offense under section 1112(a) of title 18, United States Code, if the offense would have occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;
Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(C) Aiding or abetting, attempting, conspiring, or soliciting to commit such a murder or such a voluntary manslaughter; or

(D) A felony assault that results in serious bodily injury to the child or another child of the parent; or,

(iii) The parental rights of the parent with respect to a sibling have been terminated involuntarily.

(4) Concurrent planning. Reasonable efforts to finalize an alternate permanency plan may be made concurrently with reasonable efforts to reunify the child and family.

(5) Use of the Federal Parent Locator Service. The State agency may seek the services of the Federal Parent Locator Service to search for absent parents at any point in order to facilitate a permanency plan.

(c) Contrary to the welfare determination. Under section 472(a)(1) of the Act, a child’s removal from the home must have been the result of a judicial determination (unless the child was removed pursuant to a voluntary placement agreement) to the effect that continuation of residence in the home would be contrary to the welfare, or that placement would be in the best interest of the child. The contrary to the welfare determination must be made in the first court ruling that sanctions (even temporarily) the removal of a child from home. If the determination regarding contrary to the welfare is not made in the first court ruling pertaining to removal from the home, the child is not eligible for title IV–E foster care maintenance payments for the duration of that stay in foster care.

(d) Documentation of judicial determinations. The judicial determinations regarding contrary to the welfare, reasonable efforts to prevent removal, and reasonable efforts to finalize the permanency plan in effect, including judicial determinations that reasonable efforts are not required, must be explicitly documented and must be made on a case-by-case basis and so stated in the court order.

(i) If the reasonable efforts and contrary to the welfare judicial determinations are not included as required in the court orders identified in paragraphs (b) and (c) of this section, a transcript of the court proceedings is the only other documentation that will be accepted to verify that these required determinations have been made.

(ii) Neither affidavits nor nunc pro tunc orders will be accepted as verification documentation in support of reasonable efforts and contrary to the welfare judicial determinations.

(3) Court orders that reference State law to substantiate judicial determinations are not acceptable, even if State law provides that a removal must be based on a judicial determination that remaining in the home would be contrary to the child’s welfare or that removal can only be ordered after reasonable efforts have been made.

(e) Trial home visits. A trial home visit may not exceed six months in duration, unless a court orders a longer trial home visit. If a trial home visit extends beyond six months and has not been authorized by the court, or exceeds the time period the court has deemed appropriate, and the child is subsequently returned to foster care, that placement must then be considered a new placement and title IV–E eligibility must be newly established. Under these circumstances the judicial determinations regarding contrary to the welfare and reasonable efforts to prevent removal are required.

(f) Case review system. In order to satisfy the case plan requirements of sections 471(a)(16), 475(1) and 475(5) (A) and (D) of the Act, the State agency must promulgate policy materials and instructions for use by State and local staff to determine the appropriateness of and necessity for the foster care placement of the child. The case plan for each child must:

(1) Be a written document, which is a discrete part of the case record, in a format determined by the State, which is developed jointly with the parent(s) or guardian of the child in foster care; and
§ 1356.21

(2) Be developed within a reasonable period, to be established by the State, but in no event later than 60 days from the child’s removal from the home pursuant to paragraph (k) of this section;

(3) Include a discussion of how the case plan is designed to achieve a safe placement for the child in the least restrictive (most family-like) setting available and in close proximity to the home of the parent(s) when the case plan goal is reunification and a discussion of how the placement is consistent with the best interests and special needs of the child. (FFP is not available when a court orders a placement with a specific foster care provider);

(4) Include a description of the services offered and provided to prevent removal of the child from the home and to reunify the family; and

(5) Document the steps to finalize a placement when the case plan goal is or becomes adoption or placement in another permanent home in accordance with sections 475(1)(E) and (5)(E) of the Act. When the case plan goal is adoption, at a minimum, such documentation shall include child-specific recruitment efforts such as the use of State, regional, and national adoption exchanges including electronic exchange systems.

(This requirement has been approved by the Office of Management and Budget (OMB) under OMB control number 0890–0140)

(h) Application of the permanency hearing requirements.

(1) To meet the requirements of the permanency hearing, the State must, among other requirements, comply with section 475(5)(C) of the Act.

(2) In accordance with paragraph (b)(3) of this section, when a court determines that reasonable efforts to return the child home are not required, a permanency hearing must be held within 30 days of that determination, unless the requirements of the permanency hearing are fulfilled at the hearing in which the court determines that reasonable efforts to reunify the child and family are not required.

(3) If the State concludes, after considering reunification, adoption, legal guardianship, or permanent placement with a fit and willing relative, that the most appropriate permanency plan for a child is placement in another planned permanent living arrangement, the State must document to the court the compelling reason for the alternate plan. Examples of a compelling reason for establishing such a permanency plan may include:

(i) The case of an older teen who specifically requests that emancipation be established as his/her permanency plan;

(ii) The case of a parent and child who have a significant bond but the parent is unable to care for the child because of an emotional or physical disability and the child’s foster parents have committed to raising him/her to the age of majority and to facilitate visitation with the disabled parent; or,

(iii) The Tribe has identified another planned permanent living arrangement for the child.

(4) When an administrative body, appointed or approved by the court, conducts the permanency hearing, the procedural safeguards set forth in the definition of permanency hearing must be so extended by the administrative body.

(i) Application of the requirements for filing a petition to terminate parental rights at section 475(5)(E) of the Social Security Act. (1) Subject to the exceptions in paragraph (i)(2) of this section, the State must file a petition (or, if such a petition has been filed by another party, seek to be joined as a party to the petition) to terminate the parental rights of a parent(s):

(A) Whose child has been in foster care under the responsibility of the State for 15 of the most recent 22 months. The petition must be filed by the end of the child’s fifteenth month in foster care. In calculating when to file a petition for termination of parental rights, the State:

(i) Must calculate the 15 out of the most recent 22 month period from the date the child entered foster care as defined at section 475(5)(F) of the Act;

(ii) Must use a cumulative method of calculation when a child experiences multiple exits from and entries into foster care during the 22 month period;

(iii) Must not include trial home visits or runaway episodes in calculating 15 months in foster care; and,

(iv) Need only apply section 475(5)(E) of the Act to a child once if the State does not file a petition because one of
the exceptions at paragraph (i)(2) of this section applies:

(ii) Whose child has been determined by a court of competent jurisdiction to be an abandoned infant (as defined under State law). The petition to terminate parental rights must be filed within 60 days of the judicial determination that the child is an abandoned infant; or,

(iii) Who has been convicted of one of the felonies listed at paragraph (b)(3)(ii) of this section. Under such circumstances, the petition to terminate parental rights must be filed within 60 days of a judicial determination that reasonable efforts to reunify the child and parent are not required.

(2) The State may elect not to file or join a petition to terminate the parental rights of a parent per paragraph (i)(1) of this section if:

(i) At the option of the State, the child is being cared for by a relative;

(ii) The State agency has documented in the case plan (which must be available for court review) a compelling reason for determining that filing such a petition would not be in the best interests of the individual child. Compelling reasons for not filing a petition to terminate parental rights include, but are not limited to:

(A) Adoption is not the appropriate permanency goal for the child; or,

(B) No grounds to file a petition to terminate parental rights exist; or,

(C) The child is an unaccompanied refugee minor as defined in 45 CFR 400.111; or

(D) There are international legal obligations or compelling foreign policy reasons that would preclude terminating parental rights; or

(iii) The State agency has not provided to the family, consistent with the time period in the case plan, services that the State deems necessary for the safe return of the child to the home, when reasonable efforts to reunify the family are required.

(3) When the State files or joins a petition to terminate parental rights in accordance with paragraph (i)(1) of this section, it must concurrently begin to identify, recruit, process, and approve a qualified adoptive family for the child.

(j) Child of a minor parent in foster care. Foster care maintenance payments made on behalf of a child placed in a foster family home or child care institution, who is the parent of a son or daughter in the same home or institution, must include amounts which are necessary to cover costs incurred on behalf of the child’s son or daughter. Said costs must be limited to funds expended on those items described in the definition of foster care maintenance payments.

(k) Removal from the home of a specified relative.

(1) For the purposes of meeting the requirements of section 472(a)(1) of the Act, a removal from the home must occur pursuant to:

(i) A voluntary placement agreement entered into by a parent or relative which leads to a physical or constructive removal (i.e., a non-physical or paper removal of custody) of the child from the home; or

(ii) A judicial order for a physical or constructive removal of the child from a parent or specified relative.

(2) A removal has not occurred in situations where legal custody is removed from the parent or relative and the child remains with the same relative in that home under supervision by the State agency.

(3) A child is considered constructively removed on the date of the first judicial order removing custody, even temporarily, from the appropriate specified relative or the date that the voluntary placement agreement is signed by all relevant parties.

(l) Living with a specified relative. For purposes of meeting the requirements for living with a specified relative prior to removal from the home under section 472(a)(1) of the Act and all of the conditions under section 472(a)(4), one of the two following situations must apply:

(1) The child was living with the parent or specified relative, and was AFDC eligible in that home in the month of the voluntary placement agreement or initiation of court proceedings; or

(2) The child had been living with the parent or specified relative within six months of the month of the voluntary placement agreement or the initiation of court proceedings, and the child
§ 1356.22 Implementation requirements for children voluntarily placed in foster care.

(a) As a condition of receipt of Federal financial participation (FFP) in foster care maintenance payments for a dependent child removed from his home under a voluntary placement agreement, the State must meet the requirements of:

(1) Section 472 of the Act, as amended;

(2) Sections 422(b)(10) and 475(5) of the Act;

(3) 45 CFR 1356.21 (f), (g), (h), and (i); and

(4) The requirements of this section.

(b) Federal financial participation is available only for voluntary foster care maintenance expenditures made within the first 180 days of the child’s placement in foster care unless there has been a judicial determination by a court of competent jurisdiction, within the first 180 days of such placement, to the effect that the continued voluntary placement is in the best interests of the child.

(c) The State agency must establish and maintain a uniform procedure or system, consistent with State law, for revocation by the parent(s) of a voluntary placement agreement and return of the child.

§ 1356.30 Safety requirements for foster care and adoptive home providers.

(a) Unless an election provided for in paragraph (d) of this section is made, the State must provide documentation that criminal records checks have been conducted with respect to prospective foster and adoptive parents.

(b) The State may not approve or license any prospective foster or adoptive parent, nor may the State claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if the State finds that, based on a criminal records check conducted in accordance with paragraph (a) of this section, a court of competent jurisdiction has determined that the prospective foster or adoptive parent has been convicted of a felony involving:

(1) Child abuse or neglect;

(2) Spousal abuse;

(3) A crime against a child or children (including child pornography); or,  
(4) A crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery.

(c) The State may not approve or license any prospective foster or adoptive parent, nor may the State claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if
the State finds, based on a criminal records check conducted in accordance with paragraph (a) of this section, that
a court of competent jurisdiction has
determined that the prospective foster
or adoptive parent has, within the last
five years, been convicted of a felony
involving:

(1) Physical assault;
(2) Battery; or,
(3) A drug-related offense.

d(1) The State may elect not to con-
duct or require criminal records checks
on prospective foster or adoptive par-
ents by:

(i) Notifying the Secretary in a letter
from the Governor; or

(ii) Enacting State legislation.

(2) Such an election also removes the
State’s obligation to comport with
paragraphs (b) and (c) of this section.

(e) In all cases where the State opts
out of the criminal records check re-
quirement, the licensing file for that
foster or adoptive family must contain
documentation which verifies that
safety considerations with respect to
the caretaker(s) have been addressed.

(f) In order for a child care institu-
tion to be eligible for title IV–E fund-
ing, the licensing file for the institu-
tion must contain documentation
which verifies that safety consider-
ations with respect to the staff of the
institution have been addressed.

§ 1356.40 Adoption assistance program:
Administrative requirements to im-
plement section 473 of the Act.

(a) To implement the adoption assis-
tance program provisions of the title
IV–E State plan and to be eligible for
Federal financial participation in adoption
assistance payments under this part, the State must meet the require-
ments of this section and sections
471(a), 473 and 475(3) of the Act.

(b) The adoption assistance agree-
ment for payments pursuant to section
473(a)(2) must meet the requirements of
section 473(3) of the Act and must:

(1) Be signed and in effect at the time
of or prior to the final decree of adop-
tion. A copy of the signed agreement
must be given to each party; and

(2) Specify its duration; and

(3) Specify the nature and amount of
any payment, services and assistance
to be provided under such agreement
and, for purposes of eligibility under
title XIX of the Act, specify that the
child is eligible for Medicaid services;
and

(4) Specify, with respect to agree-
ments entered into on or after October
1, 1983, that the agreement shall re-
main in effect regardless of the State
of which the adoptive parents are resi-
dents at any given time.

(c) There must be no income eligi-
bility requirement (means test) for the
prospective adoptive parent(s) in deter-
mining eligibility for adoption assis-
tance payments.

(d) In the event an adoptive family
moves from one State to another
State, the family may apply for social
services on behalf of the adoptive child
in the new State of residence. However,
for agreements entered into on or after
October 1, 1983, if a needed service(s)
Specified in the adoption assistance
agreement is not available in the new
State of residence, the State making
the original adoption assistance pay-
ment remains financially responsible
for providing the specified service(s).

(e) A State may make an adoption
assistance agreement with adopting
parent(s) who reside in another State.
If so, all provisions of this section
apply.

(f) The State agency must actively
seek ways to promote the adoption as-
sistance program.

FR 50220, Dec. 14, 1988]

§ 1356.41 Nonrecurring expenses of
adoption.

(a) The amount of the payment made
for nonrecurring expenses of adoption
shall be determined through agreement
between the adopting parent(s) and the
State agency administering the pro-
gram. The agreement must indicate
the nature and amount of the non-
recurring expenses to be paid.
(b) The agreement for nonrecurring
expenses may be a separate document
or a part of an agreement for either
State or Federal adoption assistance
payments or services. The agreement
for nonrecurring expenses must be
signed prior to the final decree of adop-
tion, with two exceptions:
§ 1356.41

(1) Cases in which the final decree of adoption was entered into on or after January 1, 1987 and within six months after the effective date of the final rule; or

(2) Cases in which a final decree was entered into before January 1, 1987 but nonrecurring adoption expenses were paid after January 1, 1987.

(c) There must be no income eligibility requirement (means test) for adopting parents in determining whether payments for nonrecurring expenses of adoption shall be made. However, parents cannot be reimbursed for out-of-pocket expenses for which they have otherwise been reimbursed.

(d) For purposes of payment of nonrecurring expenses of adoption, the State must determine that the child is a “child with special needs” as defined in section 473(c) of the Act, and that the child has been placed for adoption in accordance with applicable State and local laws; the child need not meet the categorical eligibility requirements at section 473(a)(2).

(e)(1) The State agency must notify all appropriate courts and all public and licensed private nonprofit adoption agencies of the availability of funds for the nonrecurring expenses of adoption of children with special needs as well as where and how interested persons may apply for these funds. This information should routinely be made available to all persons who inquire about adoption services after the publication date of this final rule.

(2) The State agency must send a notice to all public and private nonprofit adoption agencies directing them to notify all their clients who adopted a special needs child between January 1, 1986 and six months following the effective date of this rule of the availability of reimbursement for nonrecurring expenses paid after January 1, 1987.

(3) For adoptions in which a final decree is entered between January 1, 1987 and six months after the effective date of this rule, or where a final decree was entered before January 1, 1987 but nonrecurring adoption expenses were paid after January 1, 1987, individuals who seek reimbursement must enter into an agreement with the State agency and file a claim with the State agency within two years of the effective date of this rule. For adoptions in which a final decree is entered more than six months after the effective date of this rule, the agreement must be signed at the time of or prior to the final decree of adoption. In such cases, claims must be filed with the State agency within two years of the date of the final decree of adoption.

(f)(1) Funds expended by the State under an adoption assistance agreement, with respect to nonrecurring adoption expenses incurred by or on behalf of parents who adopt a child with special needs, shall be considered an administrative expenditure of the title IV-E Adoption Assistance Program. Federal reimbursement is available at a 50 percent matching rate, for State expenditures up to $2,000, for any adoptive placement.

(2) States may set a reasonable lower maximum which must be based on reasonable charges, consistent with State and local practices, for special needs adoptions within the State. The basis for setting a lower maximum must be documented and available for public inspection.

(3) In cases where siblings are placed and adopted, either separately or as a unit, each child is treated as an individual with separate reimbursement for nonrecurring expenses up to the maximum amount allowable for each child.

(g) Federal financial participation for nonrecurring expenses of adoption is limited to costs incurred by or on behalf of adoptive parents that are not otherwise reimbursed from other sources. Payments for nonrecurring expenses shall be made either directly by the State agency or through another public or licensed nonprofit private agency.

(h) When the adoption of the child involves interstate placement, the State that enters into an adoption assistance agreement under section 473(a)(1)(B)(ii) of the Act or under a State subsidy program will be responsible for paying the nonrecurring adoption expenses of the child. In cases where there is interstate placement but no agreement for other Federal or State adoption assistance, the State in which the final adoption decree is issued will be responsible.
for reimbursement of nonrecurring expenses if the child meets the requirements of section 473(c).

(i) The term “nonrecurring adoption expenses” means reasonable and necessary adoption fees, court costs, attorney fees and other expenses which are directly related to the legal adoption of a child with special needs, which are not incurred in violation of State or Federal law, and which have not been reimbursed from other sources or other funds. “Other expenses which are directly related to the legal adoption of a child with special needs” means the costs of the adoption incurred by or on behalf of the parents and for which parents carry the ultimate liability for payment. Such costs may include the adoption study, including health and psychological examination, supervision of the placement prior to adoption, transportation and the reasonable costs of lodging and food for the child and/or the adoptive parents when necessary to complete the placement or adoption process.

(j) When State statutes must be amended in order to reimburse parents for nonrecurring expenses in the adoption of eligible children, legislation must be enacted before the close of the second general session following publication of the final rule and must apply retroactively to January 1, 1987. Failure to honor all eligible claims will be considered non-compliance by the State with Title IV–E of the Act.

(k) A State expenditure is considered made in the quarter during which the payment was made by a State agency to a private nonprofit agency, individual or vendor payee.

§ 1356.50 Withholding of funds for noncompliance with the approved title IV–E State plan.

(a) To be in compliance with the title IV–E State plan requirements, a State must meet the requirements of the Act and 45 CFR 1356.20, 1356.21, 1356.30, and 1356.40 of this part.

(b) To be in compliance with the title IV–E State plan requirements, a State that chooses to claim FFP for voluntary placements must meet the requirements of the Act, 45 CFR 1356.22 and paragraph (a) of this section; and

(c) For purposes of this section, the provisions of 45 CFR part 213, Practice and Procedure for Hearings to States on Conformity of Public Assistance Plans to Federal Requirements, apply.

§ 1356.60 Fiscal requirements (title IV–E).

(a) Federal matching funds for foster care maintenance and adoption assistance payments. (1) Effective October 1, 1980, Federal financial participation (FFP) is available to States under an approved title IV–E State plan for allowable costs in expenditures for:

(i) Foster care maintenance payments as defined in section 475(4) of the Act, made in accordance with 45 CFR 1356.20 through 1356.30 of this part, section 472 of the Act and section 102(d) of Pub. L. 96–272, the Adoption Assistance and Child Welfare Act of 1980;

(ii) Adoption assistance payments made in accordance with 45 CFR 1356.20 and 1356.40 and sections 473 and 475(3) of the Act.

(2) Federal financial participation is available at the rate of the Federal medical assistance percentage as defined in section 1905(b) of the Act, Definitions, and pertinent regulations as promulgated by the Secretary, or his designee.

(b) Federal matching funds for State and local training for foster care and adoption assistance under title IV–E.

(1) Federal financial participation is available at the rate of seventy-five percent (75%) in the costs of:

(i) Training personnel employed or preparing for employment by the State or local agency administering the plan, and:

(ii) Providing short-term training (including travel and per diem expenses) to current or prospective foster or adoptive parents and the members of the state licensed or approved child care institutions providing care to foster and adopted children receiving title IV–E assistance.

(2) All training activities and costs funded under title IV–E shall be included in the State agency’s training plan for title IV–B.

(3) Short and long term training at educational institutions and in-service
training may be provided in accordance with the provisions of §§235.63 through 235.66(a) of this title.

(c) Federal matching funds for other State and local administrative expenditures for foster care and adoption assistance under title IV–E. Federal financial participation is available at the rate of fifty percent (50%) for administrative expenditures necessary for the proper and efficient administration of the title IV–E State plan. The State’s cost allocation plan shall identify which costs are allocated and claimed under this program.

(1) The determination and redetermination of eligibility, fair hearings and appeals, rate setting and other costs directly related only to the administration of the foster care program under this part are deemed allowable administrative costs under this paragraph. They may not be claimed under any other section or Federal program.

(2) The following are examples of allowable administrative costs necessary for the administration of the foster care program:
   (i) Referral to services;
   (ii) Preparation for and participation in judicial determinations;
   (iii) Placement of the child;
   (iv) Development of the case plan;
   (v) Case reviews;
   (vi) Case management and supervision;
   (vii) Recruitment and licensing of foster homes and institutions;
   (viii) Rate setting; and
   (ix) A proportionate share of related agency overhead.

(x) Costs related to data collection and reporting.

(3) Allowable administrative costs do not include the costs of social services provided to the child, the child’s family or foster family which provide counseling or treatment to ameliorate or remedy personal problems, behaviors or home conditions.

(d) Cost of the data collection system.

(1) Costs related to data collection system initiation, implementation and operation may be charged as an administrative cost of title IV–E at the 50 percent matching rate subject to the restrictions in paragraph (d) (2) of this section.

(2) For information systems used for purposes other than those specified by section 479 of the Act, costs must be allocated and must bear the same ratio as the foster care and adoption population bears to the total population contained in the information system as verified by reports from all other programs included in the system.

(e) Federal matching funds for SACWIS. All expenditures of a State to plan, design, develop, install and operate the Statewide automated child welfare information system approved under §1355.52 of this chapter, shall be treated as necessary for the proper and efficient administration of the State plan without regard to whether the system may be used with respect to foster or adoptive children other than those on behalf of whom foster care maintenance or adoption assistance payments may be made under this part.

§§ 1356.65–1356.70

§ 1356.65 Federal review of the eligibility of children in foster care and the eligibility of foster care providers in title IV–E programs.

(a) Purpose, scope and overview of the process.

(1) This section sets forth requirements governing Federal reviews of State compliance with the title IV–E eligibility provisions as they apply to children and foster care providers under paragraphs (a) and (b) of section 472 of the Act.

(2) The requirements of this section apply to State agencies that receive Federal payments for foster care under title IV–E of the Act.

(3) The review process begins with a primary review of foster care cases for the title IV–E eligibility requirements. States determined to be in substantial compliance based on the primary review will not be subject to another review for three years. States that are determined not to be in compliance...
§ 1356.71

will develop and implement a program improvement plan designed to correct the areas of non-compliance, and a secondary review will be conducted after completion of the program improvement plan.

(b) Composition of review team and preliminary activities preceding an on-site review.

(1) The review team must be composed of representatives of the State agency, and ACF’s Regional and Central Offices.

(2) The State must provide ACF with the complete payment history for each of the sample and oversample cases prior to the on-site review.

(c) Sampling guidance and conduct of review.

(1) The list of sampling units in the target population (i.e., the sampling frame) will be drawn by ACF statistical staff from the Adoption and Foster Care Analysis and Reporting System (AFCARS) data which are transmitted by the State agency to ACF. The sampling frame will consist of cases of children who were eligible for foster care maintenance payments during the reporting period reflected in a State’s most recent AFCARS data submission. For the initial primary review, if these data are not available or are deficient, an alternative sampling frame, consistent with one AFCARS six-month reporting period, will be selected by ACF in conjunction with the State agency.

(2) A sample of 80 cases (plus a 10 percent oversample of eight cases) from the title IV–E foster care program will be selected for the primary review utilizing probability sampling methodologies. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate. Cases from the oversample will be substituted and reviewed for each of the original sample of 80 cases which is found to be in error.

(3) At the completion of the primary review, the review team will determine the number of ineligible cases. When the total number of ineligible cases does not exceed eight, ACF can conclude with a probability of 88 percent that in a population of 1000 or more cases the population ineligibility case error rate is less than 15 percent and the State will be considered in substantial compliance. For primary reviews held subsequent to the initial primary reviews, the acceptable population ineligibility case error rate threshold will be reduced from less than 15 percent (eight or fewer ineligible cases) to less than 10 percent (four or fewer ineligible cases). A State agency which meets this standard is considered to be in “substantial compliance” (see paragraph (h) of this section). A disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(5) A State which has been determined to be in “noncompliance” (i.e., not in substantial compliance) will be required to develop a program improvement plan according to the specifications discussed in paragraph (i) of this section, as well as undergo a secondary review. For the secondary review, a sample of 150 cases (plus a 10 percent oversample of 15 cases) will be drawn from the most recent AFCARS submission. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate. Cases from the oversample will be substituted and reviewed for each of the original sample of 150 cases which is found to be in error.

(6) At the completion of the secondary review, the review team will calculate both the sample case ineligibility and dollar error rates for the cases determined ineligible during the review. An extrapolated disallowance equal to the lower limit of a 90 percent confidence interval for the population total dollars in error for the amount of time corresponding to the AFCARS reporting period will be assessed if both the child/provider (case) ineligibility and dollar error rates exceed 10 percent. If neither, or only one, of the error rates exceeds 10 percent, a disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(d) Requirements subject to review.

States will be reviewed against the requirements of title IV–E of the Act regarding:
§ 1356.71

(1) The eligibility of the children on whose behalf the foster care maintenance payments are made (section 472(a)(1)-(4) of the Act) to include:
   (i) Judicial determinations regarding “reasonable efforts” and “contrary to the welfare” in accordance with §1356.21(b) and (c), respectively;
   (ii) Voluntary placement agreements in accordance with §1356.22;
   (iii) Responsibility for placement and care vested with the State agency;
   (iv) Placement in a licensed foster family home or child care institution; and,
   (v) eligibility for AFDC under such State plan as it was in effect on July 16, 1996.

(2) Allowable payments made to foster care providers who comport with sections 471(a)(10), 471(a)(20), 472(b) and (c) of the Act and §1356.30.

(e) Review instrument. A title IV–E foster care eligibility review checklist will be used when conducting the eligibility review.

(f) Eligibility determination—child. The case record of the child must contain sufficient documentation to verify a child’s eligibility in accordance with paragraph (d)(1) of this section, in order to substantiate payments made on the child’s behalf.

(g) Eligibility determination—provider.
   (1) For each case being reviewed, the State agency must make available a licensing file which contains the licensing history, including a copy of the certificate of licensure/approval or letter of approval, for each of the providers in the following categories:
      (i) Public child care institutions with 25 children or less in residence;
      (ii) Private child care institutions;
      (iii) Group homes; and
      (iv) Foster family homes, including relative homes.

   (2) The licensing file must contain documentation that the State has complied with the safety requirements for foster and adoptive placements in accordance with §1356.30.

   (3) If the licensing file does not contain sufficient information to support a child’s placement in a licensed facility, the State agency may provide supplemental information from other sources (e.g., a computerized database).

(h) Standards of compliance.

(1) Disallowances will be taken, and plans for program improvement required, based on the extent to which a State is not in substantial compliance with recipient or provider eligibility provisions of title IV–E, or applicable regulations in 45 CFR parts 1355 and 1356.

(2) Substantial compliance and non-compliance are defined as follows:
   (i) Substantial compliance—For the primary review (of the sample of 80 cases), no more than eight of the title IV–E cases reviewed may be determined to be ineligible. (This critical number of allowable “errors,” i.e., ineligible cases, is reduced to four errors or less in primary reviews held subsequent to the initial primary review). For the secondary review (if required), substantial compliance means either the case ineligibility or dollar error rate does not exceed 10 percent.
   (ii) Noncompliance—means not in substantial compliance. For the primary review (of the sample of 80 cases), nine or more of the title IV–E cases reviewed must be determined to be ineligible. (This critical number of allowable “errors,” i.e., ineligible cases, is reduced to five or more in primary reviews subsequent to the initial primary review). For the secondary review (if required), noncompliance means both the case ineligibility and dollar error rates exceed 10 percent.

(3) ACF will notify the State in writing within 30 calendar days after the completion of the review of whether the State is, or is not, operating in substantial compliance.

   (4) States which are determined to be in substantial compliance must undergo a subsequent review after a minimum of three years.

   (i) Program improvement plans.

   (1) States which are determined to be in noncompliance with recipient or provider eligibility provisions of title IV–E, or applicable regulations in 45 CFR Parts 1355 and 1356, will develop a program improvement plan designed to correct the areas determined not to be in substantial compliance. The program improvement plan will:
      (i) Be developed jointly by State and Federal staff;
(ii) Identify the areas in which the State’s program is not in substantial compliance;
(iii) Not extend beyond one year. A State will have a maximum of one year in which to implement and complete the provisions of the program improvement plan unless State legislative action is required. In such instances, an extension may be granted with the State and ACF negotiating the terms and length of such extension that shall not exceed the last day of the first legislative session after the date of the program improvement plan; and
(iv) Include:
(A) Specific goals;
(B) The action steps required to correct each identified weakness or deficiency; and,
(C) a date by which each of the action steps is to be completed.

(2) States determined not to be in substantial compliance as a result of a primary review must submit the program improvement plan to ACF for approval within 90 calendar days from the date the State receives written notification that it is not in substantial compliance. This deadline may be extended an additional 30 calendar days when a State agency submits additional documentation to ACF in support of cases determined to be ineligible as a result of the on-site eligibility review.

(3) The ACF Regional Office will intermittently review, in conjunction with the State agency, the State’s progress in completing the prescribed action steps in the program improvement plan.

(4) If a State agency does not submit an approvable program improvement plan in accordance with the provisions of paragraphs (i)(1) and (2) of this section, ACF will move to a secondary review in accordance with paragraph (c) of this section.

(j) Disallowance of funds. The amount of funds to be disallowed will be determined by the extent to which a State is not in substantial compliance with recipient or provider eligibility provisions of title IV-E, or applicable regulations in 45 CFR parts 1355 and 1356.

(1) States which are in found to be in noncompliance during the primary or secondary review will have disallowances (if any) determined on the basis of individual cases reviewed and found to be in error. The amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time that each case has been ineligible.

(2) States which are found to be in noncompliance during the primary review will have disallowances determined on the basis of individual cases reviewed and found to be in error, and must implement a program improvement plan in accordance with the provisions contained within it. A secondary review will be conducted no later than during the AFCARS reporting period which immediately follows the program improvement plan completion date on a sample of 150 cases drawn from the State’s most recent AFCARS data. If both the case ineligibility and dollar error rates exceed 10 percent the State is in noncompliance and an additional disallowance will be determined based on extrapolation from the sample to the universe of claims paid for the duration of the AFCARS reporting period (i.e., all title IV-E funds expended for a case during the quarter(s) that case is ineligible). If either the case ineligibility or dollar rate does not exceed 10 percent, the amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time the case has been determined to be ineligible.

(3) The State agency will be liable for interest on the amount of funds disallowed by the Department, in accordance with the provisions of 45 CFR 30.13.

(4) States may appeal any disallowance actions taken by ACF to the HHS Departmental Appeals Board in accordance with regulations at 45 CFR Part 16.

[65 FR 4091, Jan. 25, 2000]
submit an annual application for funds under the Independent Living Program (ILP).

(c) **Allotments.** Payments to each State will be made in accordance with section 477(e)(1) of the Act.

(d) **Matching funds.** (1) States are entitled to their share of the basic amount of $45 million of the ILP appropriation with no requirement for matching funds.

(2) States are required to match dollar-for-dollar any of the funds they receive, through additional or reallocated funds, over their share of the $45 million basic amount.

(3) The State’s contribution may be in cash, donated funds, or third-party in-kind contributions.

(4) Matching contributions must be for costs otherwise allowable under section 477 of the Act (e.g., matching contributions for the provision of room and board are not allowable.)

(e) **Reallocation of funds.** Basic funds and additional funds not requested by a State will be available for reallocation to other States under the provisions of section 477(e)(2) of the Act.

(f) **Expenditure of funds.** Section 477(f)(3) of the Act requires that funds must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(g) **Maintenance of effort.** Amounts payable under section 477 of the Act shall supplement and not replace:

(1) Title IV–E foster care funds available for maintenance payments and administrative and training costs; and

(2) Any other State funds available for independent living activities and services.

(h) **Prohibition.** ILP funds may not be used for room and board (section 477(e)(3) of the Act).

*Child and Family Services Plan (CFSP)* means the document, developed through joint planning, which describes the publicly-funded State child and family services continuum (family support and family preservation services; child welfare services, including child abuse and neglect prevention, intervention, and treatment services; services to support reunification, adoption, kinship care, foster care, independent living, or other permanent living arrangements). For Indian Tribes, the document describes the child welfare and/or family preservation and support services to be provided by the Indian Tribe; includes goals and objectives both for improved outcomes for the safety, permanency and well-being of children and families and for service delivery system reform; specifies the services and other implementation activities that will be undertaken to carry out the goals and objectives; and includes plans for program improvement and allocation of resources.

*Child welfare services* means public social services directed to accomplish the following purposes:
§ 1357.10

(1) Protecting and promoting the welfare and safety of all children, including individuals with disabilities; homeless, dependent, or neglected children;

(2) Preventing or remedying, or assisting in the solution of problems which may result in the neglect, abuse, exploitation, or delinquency of children;

(3) Preventing the unnecessary separation of children from their families by identifying family problems and assisting families in resolving their problems and preventing the breakup of the family where the prevention of child removal is desirable and possible;

(4) Restoring to their families children who have been removed and may be safely returned, by the provision of services to the child and the family;

(5) Assuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption; and

(6) Placing children in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate.

Children refers to individuals from birth to the age of 21 (or such age of majority as provided under State law) including infants, children, youth, adolescents, and young adults.

Community-based services refers to programs delivered in accessible settings in the community and responsive to the needs of the community and the individuals and families residing therein. These services may be provided under public or private nonprofit auspices.

Families includes, but is not limited to, biological, adoptive, foster, and extended families.

Family preservation services refers to services for children and families designed to protect children from harm and help families (including foster, adoptive, and extended families) at risk or in crisis, including—

1. Preplacement preventive services programs, such as intensive family preservation programs, designed to help children at risk of foster care placement remain with their families, where possible;

2. Service programs designed to help children, where appropriate, return to families from which they have been removed; or be placed for adoption, with a legal guardian, or, if adoption or legal guardianship is determined not to be appropriate for a child, in some other planned, permanent living arrangement;

3. Service programs designed to provide follow-up care to families to whom a child has been returned after a foster care placement;

4. Respite care of children to provide temporary relief for parents and other caregivers (including foster parents); and

5. Services designed to improve parenting skills (by reinforcing parents’ confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition; and

6. Case management services designed to stabilize families in crisis such as transportation, assistance with housing and utility payments, and access to adequate health care.

Family support services means community-based services to promote the well-being of children and families designed to increase the strength and stability of families (including adoptive, foster, and extended families), to increase parents’ confidence and competence in their parenting abilities, to afford children a stable and supportive family environment, and otherwise to enhance child development. Family support services may include:

1. Services, including in-home visits, parent support groups, and other programs designed to improve parenting skills (by reinforcing parents’ confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition;

2. Respite care of children to provide temporary relief for parents and other caregivers;

3. Structured activities involving parents and children to strengthen the parent-child relationship;

4. Drop-in centers to afford families opportunities for informal interaction.
with other families and with program staff;
(5) Transportation, information and referral services to afford families access to other community services, including child care, health care, nutrition programs, adult education literacy programs, legal services, and counseling and mentoring services; and
(6) Early developmental screening of children to assess the needs of such children, and assistance to families in securing specific services to meet these needs.

Joint planning means an ongoing partnership process between ACF and the State and between ACF and an Indian Tribe in the development, review, analysis, and refinement and/or revision of the State’s and the Indian Tribe’s child and family services plan. Joint planning involves discussions, consultation, and negotiation between ACF and the State or Indian Tribe in all areas of CFSP creation such as, but not limited to, identifying the service needs of children, youth, and families; selecting the unmet service needs that will be addressed; developing goals and objectives that will result in improving outcomes for children and families; developing a plan to meet the matching requirements; and establishing a more comprehensive, coordinated and effective child and family services delivery system. The expectation of joint planning is that both ACF and the State or Indian Tribe will reach agreement on substantive and procedural matters related to the CFSP.

§ 1357.15 Comprehensive child and family services plan requirements.

(a) Scope. (1) The CFSP provides an opportunity to lay the groundwork for a system of coordinated, integrated, culturally relevant family focused services. This section describes the requirements for the development, implementation and phase-in of the five-year comprehensive child and family services plan (CFSP). The State’s CFSP must meet the requirements of both of the following programs. The Indian Tribe’s CFSP must meet the requirements of one or both of the following programs depending on the Tribe’s eligibility:

(i) Child welfare services under title IV–B, subpart 1; and
(ii) Family preservation and family support services under title IV–B, subpart 2.

(2) For States only, the CFSP also must contain information on the following programs:

(i) The independent living program under title IV–E, section 477 of the Act; and
(ii) The Child Abuse and Neglect State grant program (known as the Basic State Grant) under the Child Abuse Prevention and Treatment Act (CAPTA) (42 U.S.C. 5101 et. seq.).

(3) States must meet all requirements of this section except those that apply only to Indian Tribes. Indian Tribes must meet the requirements of this section only as specified.

(4) States and eligible Indian Tribes have the option to phase-in the requirements for a consolidated CFSP. The consolidated CFSP requirements must be in place by June 30, 1997 and meet the requirements of 45 CFR 1357.16.

(b) Eligibility for funds. (1) In order to receive funding under title IV–B, subparts 1 and 2, each State and eligible Indian Tribe must submit and have approved a consolidated, five-year Child and Family Services Plan (CFSP) and a CFS–101, Budget Request and Estimated Expenditure Report that meets the requirements under 45 CFR 1357.16.

(2) States and Indian Tribes that are consolidating the requirements for a CFSP in FY 1995, in accordance with §1357.15(a), must submit the CFSP and a CFS–101 for FY 1995 and 1996 by June 30, 1995.

(4) The CFSP will be approved only if the plan was developed jointly by ACF and the State (or the Indian Tribe), and only after broad consultation by the State (and the Indian Tribe) with a wide range of appropriate public and non-profit private agencies and community-based organizations with experience in administering programs of
services for children and families (including family preservation and support services).

(5) By June 30, 1996, each grantee must submit and have approved the first Annual Progress and Services Report and a CFS 101 for FY 1997 that meets the statutory and regulatory requirements of title IV-B, subparts 1 and 2.

(6) The Annual Progress and Services Report will be approved if it was developed jointly by ACF and the State (or the Indian Tribe) and if it meets the requirements of 45 CFR 1357.16.

(7) The five-year CFSP for FYs 1995–1999 may be submitted in the format of the State’s or the Indian Tribe’s choice and must be submitted no later than June 30, 1995, to the appropriate ACF Regional Office.

(c) Assurances. The following assurances will remain in effect on an ongoing basis and will need to be re-submitted only if a significant change in the State or the Indian Tribe’s program affects an assurance:

(1) The State or Indian Tribe must assure that it will participate in any evaluations the Secretary of HHS may require.

(2) The State or Indian Tribe must assure that it will administer the CFSP in accordance with methods determined by the Secretary to be proper and efficient.

(3) The State or Indian Tribe must assure that it has a plan for the training and use of paid paraprofessional staff, with particular emphasis on the full-time or part-time employment of low-income persons, as community service aides; and a plan for the use of nonpaid or partially paid volunteers in providing services and in assisting any advisory committees established by the State or Tribe.

(4) The State or Indian Tribe must assure that standards and requirements imposed with respect to child care under title XX shall apply with respect to day care services, if provided under the CFSP, except insofar as eligibility for such services is involved.

(d) The child and family services plan (CFSP): general. The State and the Indian Tribe must base the development of the CFSP on a planning process that includes:

(1) broad involvement and consultation with a wide range of appropriate public and non-profit private agencies and community-based organizations, parents, including parents who are involved or have experience with the child welfare system, and others;

(2) coordination of the provision of services under the plan with other Federal and federally assisted programs serving children and families, including youth and adolescents; and

(3) collection of existing or available information to help determine vulnerable or at-risk populations or target areas; assess service needs and resources; identify gaps in services; select priorities for targeting funding and services; formulate goals and objectives; and develop opportunities for bringing about more effective and accessible services for children and families.

(e) State agency administering the programs. (1) The State’s CFSP must identify the name of the State agency that will administer the title IV–B programs under the plan. Except as provided by statute, the same agency is required to administer or supervise the administration of all programs under titles IV–B and IV–E of the Act and the social services block grant program under title XX of the Act. (See the definition of “State agency” in 45 CFR 1355.20.)

(2) The CFSP must include a description of the organization and function of the State agency and organizational charts as appropriate. It also must identify the organizational unit(s) within the State agency responsible for the operation and administration of the CFSP, and include a description of the unit’s organization and function and a copy of the organizational chart(s).

(f) Indian Tribal organization administering the program(s). (1) The Indian Tribe’s CFSP must provide the name of the Indian Tribal organization (ITO) designated to administer funds under title IV–B, subpart 1, child welfare services and/or under subpart 2, family preservation and family support services. If the Indian Tribe receives funds under both subparts, the same agency or organization must administer both programs.
(2) The Indian Tribe’s CFSP must include a description of the organization and function of the office responsible for the operation and administration of the CFSP, an organizational chart of that office, and a description of how that office relates to Tribal and other offices operating or administering services programs within the Indian Tribe’s service area (e.g., Indian Health Service.)

(g) Vision Statement. The CFSP must include a vision statement which articulates the grantee’s philosophy in providing child and family services and developing or improving a coordinated service delivery system. The vision should reflect the service principles at section 1355.25.

(h) Goals. The CFSP must specify the goals, based on the vision statement, that will be accomplished during and by the end of the five-year period of the plan. The goals must be expressed in terms of improved outcomes for and the safety, permanency and well-being of children and families, and in terms of a more comprehensive, coordinated, and effective child and family service delivery system.

(i) Objectives. (1) The CFSP must include the realistic, specific, quantifiable and measurable objectives that will be undertaken to achieve each goal. Each objective should focus on outcomes for children, youth, and/or their families or on elements of service delivery (such as quality) that are linked to outcomes in important ways. Each objective should include both interim benchmarks and a long-term timetable, as appropriate, for achieving the objective.

(2) For States and Indian Tribes administering the title IV–B, subpart 1 program, the CFSP must include objectives to make progress in covering additional political subdivisions, reaching additional children in need of services, expanding and strengthening the range of existing services, and developing new types of services.

(j) Measures of progress. The CFSP must describe the methods to be used in measuring the results, accomplishments, and annual progress toward meeting the goals and objectives, especially the outcomes for children, youth, and families. Processes and procedures assuring the production of valid and reliable data and information must be specified. The data and information must be capable of determining whether or not the interim benchmarks and multiyear timetable for accomplishing CFSP goals and objectives are being met.

(k) Baseline information. (1) For FY 1995, the State and the Indian Tribe must base the development of the CFSP vision, goals, objectives, and funding and service decisions on an analysis of available baseline information and any trends over time on indicators in the following areas: the well-being of children and families; the needs of children and families; the nature, scope, and adequacy of existing child and family and related social services. Additional and updated information on service needs and organizational capacities must be obtained throughout the five-year period to measure progress in accomplishing the goals and objectives cited in the CFSP. A description of how this process will continue to be carried out must be included in the CFSP, and any revisions should be provided in the Annual Progress and Services Report.

(2) The State must collect and analyze State-wide information on family preservation and family support services currently available to families and children, including the nature and scope of existing public and privately funded family support and family preservation services; the extent to which each service is available and being provided in different geographic areas and to different types of families; and important gaps in service, including mismatches between available services and family needs as identified through baseline data and the consultation process. Other services which impact on the ability to preserve and support families may be included in the assessment. The Indian Tribe must collect and analyze information on family preservation and family support services currently available within their service delivery area including the information in this paragraph as appropriate. An Indian Tribe may submit documentation prepared to satisfy the requirements of other Federal child welfare grants, or contracts (such as
the section 638 reporting form), along with a descriptive addendum addressing specifically the family preservation and family support services available.

(3) The CFSP must include a summary of the information used in developing the plan; an explanation of how this information and analysis were used in developing the goals, objectives, and funding and service decisions, including decisions about geographic targeting and service mix; a description of how information will be used to measure progress over the five-year period; and how this information will be used to facilitate the coordination of services.

(1) Consultation. (1) The State’s CFSP must describe the internal and external consultation process used to obtain broad and active involvement of major actors across the entire spectrum of the child and family service delivery system in the development of the plan. The description should explain how this process was coordinated with or was a part of other planning processes in the State; how it led or will lead to improved coordination of services.

(2) The Indian Tribe’s CFSP must describe the consultation process appropriate to its needs and circumstances used to obtain the active involvement of major actors providing child and family services within the Tribe’s area of jurisdiction.

(3) For States and Indian Tribes, the consultation process must involve:

(i) All appropriate offices and agencies within the State agency or within the Indian Tribal service delivery system (e.g., child protective services (CPS), foster care and adoption, the social services block grant, reunification services, independent living, and other services to youth;)

(ii) In a State-supervised, county-administered State, county social services and/or child welfare directors or representatives of the county social services/child welfare administrators’ association;

(iii) A wide array of State, local, Tribal, and community-based agencies and organizations, both public and private nonprofit with experience in administering programs of services for infants, children, youth, adolescents, and families, including family preservation and family support services;

(iv) Parents, including birth and adoptive parents, foster parents, families with a member with a disability, children both in and outside the child welfare system, and consumers of services from diverse groups;

(v) For States, representatives of Indian Tribes within the State;

(vi) For States, representatives of local government (e.g., counties, cities, and other communities, neighborhoods, or areas where needs for services are great;)

(vii) Representatives of professional and advocacy organizations (including, for example foundations and national resource centers with expertise to assist States and Indian Tribes to design, expand, and improve the delivery of services); individual practitioners working with children and families; the courts; representatives or other States or Indian Tribes with experience in administering family preservation and family support services; and academicians, especially those assisting the child and family service agency with management information systems, training curricula, and evaluations;

(viii) Representatives of State and local agencies administering Federal and federally assisted programs which may include: Head Start; the local education agency (school-linked social services, adult education and literacy programs, Part H programs); developmental disabilities; nutrition services (Food Stamps, Special Supplemental Food Program for Women, Infants and Children (WIC)); Title IV–A; runaway youth, youth gang, juvenile justice programs and youth residential and training institutions; child care and development block grant (CCDBG) and respite care programs; domestic and community violence prevention and services programs; housing programs; the health agency (substance abuse, Healthy Start, maternal and child health, Early and Periodic Screening, Diagnosis, and Treatment (EPSDT), mental health, and public health nursing); law enforcement; Children’s Trust Funds; Community-Based Family Resource Programs, and new Federal initiatives such as the Empowerment
Zones and Enterprise Communities Program; and

(ix) Administrators, supervisors and front line workers (direct service providers) of the State child and family services agency.

(4) The CFSP must describe the ongoing consultation process that each grantee will use to ensure the continued involvement of a wide range of major actors in meeting the goals and objectives over the five-year operational period of the plan and developing the Annual Progress and Services Report.

(n) Services coordination. (1) States must include in the ongoing coordination process representatives of the full range of child and family services provided by the State agency as well as other service delivery systems providing social, health, education, and economic services (including mental health, substance abuse, developmental disabilities, and housing) to improve access and deliver a range of services to children and their families.

(2) The State's CFSP must describe how services under the plan will be coordinated over the five-year period with services or benefits under other Federal or federally assisted programs serving the same populations to achieve the goals and objectives in the plan. The description must include the participants in the process and any examples of how the process led or will lead to additional coordination of services.

(o) Family preservation and family support services and linkages to other social and health services. (1) The State's CFSP must explain how the funds under title IV–B, subpart 2 of the Act, will be used to develop or expand family support and family preservation services; how the family support and family preservation services relate to existing family support and family preservation services; and how these family support and preservation services will be linked to other services in the child and family services continuum.

(2) The State's CFSP must explain whether and/or how funds under the
CAPTA and independent living programs are coordinated with and integrated into the child and family services continuum described in the plan.

(3) The State’s CFSP must describe the existing or current linkages and the coordination of services between the child and family services continuum and the services in other public services systems (e.g., health, education, housing, substance abuse, the courts), and other Federal and non-federally funded public and nonprofit private programs (e.g., Children’s Trust Funds, Community-Based Family Resource Programs, private foundations.)

(p) Services in relation to service principles. The CFSP must describe how the child and family services to be provided are designed to assure the safety and protection of children as well as the preservation and support of families, and how they are or will be designed to be consistent with the other service principles in 45 CFR 1355.25.

(q) Services in relation to permanency planning. For States administering both title IV–B programs (subparts 1 and 2), the CFSP must explain how these services will help meet the permanency provisions for children and families in sections 422(b)(9) and 471 of the Act (e.g., preplacement preventive services, reunification services, independent living services.) The CFSP must describe the arrangements, jointly developed with the Indian Tribes within its borders, made for the provision of the child welfare services and protections in section 422(b)(9) to Indian children under both State and Tribal jurisdiction.

(v) Decision-making process: selection of family support programs for funding. The State’s CFSP must include an explanation of how agencies and organizations were selected for funding to provide family support services and how these agencies and organizations meet the requirement that family support services be community-based.

(s) Significant portion of funds used for family support and family preservation services. With each fiscal year’s budget request, each State must indicate the specific percentage of family preservation and family support funds (title IV–B, subpart 2) that the State will expend for community-based family support and for family preservation services, and the rationale for the decision. The State must have an especially strong rationale if the request for either percentage is below 25 percent. It must also include an explanation of how this distribution was reached and why it meets the requirements that a “significant portion” of the service funds must be spent for each service. Examples of important considerations might include the nature of the planning efforts that led to the decision, the level of existing State effort in each area, and the resulting need for new or expanded services.

(u) Staff training, technical assistance, and evaluation. (1) The State’s CFSP must include a staff development and training plan in support of the goals and objectives in the CFSP which addresses both of the title IV–B programs covered by the plan. This training plan also must be combined with the training plan under title IV–E as required by 45 CFR 1356.60(b)(2). Training must be an on-going activity and must include content from various disciplines and knowledge bases relevant to child and family services policies, programs and practices. Training content must also support the cross-system coordination consultation basic to the development of the CFSP.

(2) The State’s CFSP must describe the technical assistance activities that will be undertaken in support of the goals and objectives in the plan.

(3) The State’s CFSP must describe any evaluation and research activities underway or planned with which the State agency is involved or participating and which are related to the goals and objectives in the plan.

(u) Quality assurance. The State must include in the CFSP a description of the quality assurance system it will use to regularly assess the quality of services under the CFSP and assure that there will be measures to address identified problems.

(v) Distribution of the CFSP and the annual progress and services report. The CFSP must include a description of how the State and the Indian Tribe will make available to interested parties the CFSP and the Annual Progress and Services Report. (See 45 CFR 1355.21(c)
§ 1357.16 Annual progress and services reports.

(a) Annual progress and services reports. Annually, each State and each Indian Tribe must conduct an interim review of the progress made in the previous year toward accomplishing the goals and objectives in the plan, based on updated information. In developing paragraphs (a)(2) through (a)(4) of this section, the State and the Indian Tribe must involve the agencies, organizations, and individuals who are a part of the on-going CFSP-related consultation and coordination process. On the basis of this review, each State and Indian Tribe must prepare and submit to ACF, and make available to the public, an Annual Progress and Services Report which must include the following—

(1) A report on the specific accomplishments and progress made in the past fiscal year toward meeting each goal and objective, including improved outcomes for children and families, and a more comprehensive, coordinated, effective child and family services continuum;

(2) Any revisions in the statement of goals and objectives, or to the training plan, if necessary, to reflect changed circumstances;

(3) For Indian Tribes, a description of the child welfare and/or family preservation and family support services to be provided in the upcoming fiscal year highlighting any changes in services or program design and including the information required in 45 CFR 1357.15(n);

(4) For States, a description of the child protective, child welfare, family preservation, family support, and independent living services to be provided in the upcoming fiscal year, highlighting any additions or changes in services or program design and including the information required in 45 CFR 1357.15(n);

(5) Information on activities in the areas of training, technical assistance, research, evaluation, or management information systems that will be carried out in the upcoming fiscal year in support of the goals and objectives in the plan;

(6) For States only, the information required to meet the maintenance of effort (non-supplantation) requirement in section 432(a) (7) and (8) of the Act;

(7) For States and eligible Indian Tribes phasing in requirements for a consolidated CFSP, information on activities and progress directed toward a consolidated plan by June 30, 1996 or 1997. The report must include information that demonstrates States' and eligible Indian Tribes' progress toward the consolidation of a CFSP, including activities that have been accomplished and still need to be accomplished; and

(8) Any other information the State or the Indian Tribe wishes to include.

(b) Submittal of the annual progress and services report and CFS–101. (1) The State and the Indian Tribe must send the Annual Progress and Services Report and the CFS–101 to the appropriate ACF Regional Office no later than June 30 of the year prior to the fiscal year in which the services will be provided (e.g., the report submitted and made public by June 30, 1996 will describe the services to be provided in FY 1997. The report covering FY 1998 services must be submitted by June 30, 1997.)

(2) In order for States and eligible Indian Tribes to receive title IV–B, subparts 1 and 2 allocations a CFS–101 must be submitted for each fiscal year.

(3) States and Indian Tribes which have consolidated the requirements for title IV–B, subparts 1 and 2, must submit the CFS–101 to the appropriate ACF Regional Office no later than June 30 of the year prior to the fiscal year in which the services will be provided (e.g., for FY 1997 allocations, the CFS–101 must be submitted by June 30, 1996; for FY 1998 allocations, the CFS–101 must be submitted by June 30, 1997.)

(4) States and eligible Indian Tribes choosing to phase-in the requirements for a consolidated CFSP must:

(c) Annual progress and services reports on FY 1994 family support and family preservation services. Each State and Indian Tribe that used FY 1994 funds under title IV–B, subpart 2, for services must describe in the CFSP what services were provided, the population(s) served, and the geographic areas where services were available. The CFSP also must include the amount of FY 1994 funds used for planning, for family preservation services, for family support services, and a brief statement on how these services met the service priorities of the State or the Indian Tribe.

(d) Availability of the annual progress and services report. The State and the Indian Tribe must make the Annual Progress and Services Report available to the public including the agencies, organizations, and individuals with which the State or the Indian Tribe is coordinating services or consulting and to other interested members of the public. Each State and eligible Indian Tribe within the State must exchange copies of their Annual Progress and Services Reports.

(e) FY 1999 Final Review. In FY 1999, each State and eligible Indian Tribe must conduct a final review of progress toward accomplishing the goals and objectives in the plan. On the basis of the final review, it must:

1. Prepare a final report on the progress made toward accomplishing the goals and objectives; and

2. Send the final report to the ACF Regional Office and make it available to the public.

(f) FY 2000 Five-Year State Plan. Based on the FY 1999 final review and final Annual Progress and Services Report, and in consultation with a broad range of agencies, organizations, and individuals, the States and eligible Indian Tribes must develop a new five-year CFSP following the requirements of 45 CFR 1357.15.

(d) Matching or cost sharing. Funds used to provide services in FY 1994 and in subsequent years will be federally reimbursed at 75 percent of allowable expenditures. (This is the same Federal financial participation rate as title IV–B, subpart 1.) Federal funds, however, will not exceed the amount of the State’s allotment.

(1) The State’s contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(2) Except as provided by Federal statute, other Federal funds may not be used to meet the matching requirement.

(e) Prohibition against purchase or construction of facilities. Funds awarded under title IV–B may not be used for the purchase or construction of facilities.

(f) Maintenance of effort. States may not use the Federal funds under title IV–B, subpart 2, to supplant Federal or non-Federal funds for existing family preservation and family support services. For the purpose of implementing this requirement, “non-Federal funds” means State funds. ACF will collect information annually from each State on expenditures for family support and family preservation using the State fiscal year 1992 as the base year.

(g) Time limits on expenditures. Funds must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(h) Administrative costs. (1) States claiming Federal financial participation for services provided in FY 1994 and subsequent years may not claim more than 10 percent of expenditures under subpart 2 for administrative costs. There is no limit on the percentage of administrative costs which may be reported as State match.

(2) For the purposes of title IV–B, subpart 2, “administrative costs” are costs of auxiliary functions as identified through an agency’s accounting system which are:

(i) Allocable (in accordance with the agency’s approved cost allocation plan) to the title IV–B, subpart 2 program cost centers;

(ii) necessary to sustain the direct effort involved in administering the State plan for title IV–B, subpart 2, or an activity providing service to the program; and

(iii) centralized in the grantee department or in some other agency, and may include but are not limited to the following: Procurement; payroll; personnel functions; management, maintenance and operation of space and property; data processing and computer services; accounting; budgeting; auditing.

(3) Program costs are costs, other than administrative costs, incurred in connection with developing and implementing the CFSP (e.g., delivery of
§ 1357.40 Direct payments to Indian Tribal Organizations (title IV-B, subpart 1, child welfare services).

(a) Who may apply for direct funding? Any Indian Tribal Organization (ITO) that meets the definitions in section 428(c) of the Act, or any consortium or other group of eligible Tribal organizations authorized by the membership of the Tribes to act for them is eligible to apply for direct funding if the ITO, consortium, or group has a plan for child welfare services that is jointly developed by the ITO and the Department.

(b) Title IV-B Child and Family Services Plan (CFSP). (1) In order to receive funds under title IV-B, subpart 1, beginning in FY 1995, the Indian Tribe or Tribal organization must have in effect an approved five-year child and family services plan that meets the applicable requirements of §1357.15 of this part.

(2) The Indian Tribe or Tribal organization must also comply with section 422(b)(1–8) of the Act; 45 CFR part 1355 (except that the requirements in §1355.30 for a single Tribal agency and Governor’s review of the CFSP do not apply); and other applicable requirements of §§1357.10 and 1357.16.

(c) Information related to the requirements of Section 422(b)(9) of the Act. The following information must be submitted with the assurances required to be eligible for title IV-B, subpart 1 funds:

(1) A description of the arrangements, jointly developed with the State, made for the provision of the child welfare services and protections in section 422(b)(9) to Indian children under both State and Tribal jurisdiction;

(2) A statement of the legal responsibility, if any, for children who are in foster care on the reservation and those awaiting adoption;

(3) A description of Tribal jurisdiction in civil and criminal matters, existence or nonexistence of a Tribal court and the type of court and codes, if any;

(4) An identification of the standards for foster family homes and institutional care and day care;

(5) The Indian Tribal organization’s political subdivisions, if any;

(6) Whether the Tribal organization is controlled, sanctioned or chartered by the governing body of Indians to be served and if so, documentation of that fact;

(7) Any limitations on authorities granted to the Indian Tribal organizations; and

(8) The Tribal resolution(s) authorizing an application for a direct title IV-B, subpart 1 grant under this Part.

(d) Grants: General. (1) Grants may be made to eligible Indian Tribal organizations in a State which has a jointly developed child and family services plan approved and in effect.

(2) Federal funds made available for a direct grant to an eligible ITO shall be paid by the Department, from the title IV-B allotment for the State in which the ITO is located. Should a direct grant be approved, the Department shall promptly notify the State(s) affected.

(3) If an eligible ITO includes population from more than one State, a proportionate amount of the grant will be paid from each State’s allotment.

(4) The receipt of title IV-B funds must be in addition to and not a substitute for funds otherwise previously expended by the ITO for child welfare services.

(5) The following fiscal and administrative requirements apply to Indian Tribal grants under this section:

(i) Enforcement and termination. In the event of an Indian Tribe’s failure to comply with the terms of the grant under title IV-B, subpart 1, the provisions of 45 CFR 92.43 and 92.44 will apply.

(ii) Matching or cost-sharing. Federal financial participation is available only if costs are incurred in implementing sections 422, 423, and 425 of the Act in accordance with the grants administration requirements of 45 CFR part 92 with the following conditions—

(A) The ITO’s contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(B) The total of Federal funds used for the following purposes under title
IV–B, subpart 1 may not exceed an amount equal to the FY 1979 Federal payment under title IV–B:

(1) Child day care necessary solely because of the employment, or training to prepare for employment, of a parent or other relative with whom the child involved is living, plus;

(2) Foster care maintenance payments, plus;

(3) Adoption assistance payments.

(C) Notwithstanding paragraph (d)(5)(ii)(B) of this section, Tribal expenditures required to match the title IV–B, subpart 1 allotment may include foster care maintenance expenditures in any amount.

(iii) Prohibition against purchase or construction of facilities. Funds awarded under title IV–B may not be used for the purchase or construction of facilities.

(iv) Time limit on expenditures. Funds under title IV–B, subpart 1, must be expended by September 30 of the fiscal year in which the funds were awarded.

(6) In order to determine the amount of Federal funds available for a direct grant to an eligible ITO, the Department shall first divide the State’s title IV–B allotment by the number of children in the State, then multiply the resulting amount by a multiplication factor determined by the Secretary, and then multiply that amount by the number of Indian children in the ITO population. The multiplication factor will be set at a level designed to achieve the purposes of the act and revised as appropriate.

[61 FR 58661, Nov. 18, 1996, as amended at 65 FR 4093, Jan. 25, 2000]

§ 1357.50 Direct payments to Indian Tribal organizations (title IV–B, subpart 2, family preservation and support services).

(a) Definitions.

Alaska Native Organization means any organized group of Alaska Natives eligible to operate a Federal program under the Indian Self-Determination Act (Pub. L. 93–638) or such group’s designee as defined in section 482(1)(7)(A) of the Act.

Indian Tribe means any Tribe, band, nation, or other organized group or community of Indians that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians; and for which a reservation (including Indian reservations, public domain Indian allotments, and former Indian reservations in Oklahoma) exists.

Tribal organization means the recognized governing body of the Indian Tribe.

(b) Eligibility for funds: FY 1994. (1) Section 432(b)(2) of the Act provides that the Secretary may not approve a plan of an Indian Tribe whose FY 1995 allotment under subpart 2 would be less than $10,000. Therefore, only those Indian Tribes whose FY 1995 allotment is $10,000 or more are eligible to receive funds beginning in FY 1994.

(2) ACF will pay any amount to which an Indian Tribe is entitled to the Tribal organization of the Indian Tribe.

(c) Eligibility for funds: FY 1995. In order to receive funds under title IV–B, subpart 2, in FY 1995, an Indian Tribe that is eligible for planning funds in FY 1994 must submit a Child and Family Services Plan that meets the applicable requirements in section 1357.15 of this Part.

(d) Eligibility for funds: FY 1996 through FY 1998. (1) ACF will make grants to additional Indian Tribes in Fys 1996 through 1998 in the event that there are increased appropriations.

(2) Allotments will be calculated in Fys 1996, 1997, and 1998 as required in section 433 of the Act. Those Indian Tribes in each year whose allotment is at least $10,000 will be notified of their eligibility to apply.

(3) In order to receive funds, additional Indian Tribes which become eligible for grants in FY 1996, 1997, and 1998 must submit either a five year Child and Family Services Plan (CFSP) that meets the applicable requirements of 45 CFR 1357.15 or an application for planning funds by June 30 of the year in which they first become eligible for grants. Those Indian Tribes which submitted an application for planning funds in their first year of funding must submit a five year CFSP that meets the applicable requirements of 45 CFR 1357.15 by June 30 of the second year they receive funding. For example, in order to receive funds, an Indian
§ 1357.50

Tribe which becomes eligible to receive funding beginning in FY 1996 must submit either an application for planning funds or a CFSP by June 30, 1996. If the Indian Tribe submitted an application for planning funds in FY 1996, they must submit a CFSP by June 30, 1997.

(4) All Indian Tribes will be Federally reimbursed at 75 percent of allowable expenditures. Federal funds without match are available in the first year of receipt of funds for additional Indian Tribes meeting the following criteria:

(i) Submittal of an application for planning funds, and not a five year CFSP;
(ii) Receipt of an initial award in FY 1996 or 1997 or 1998; and
(iii) A proposal to spend the entire grant in the first year on planning.

(e) Allotments. Allotments to Indian Tribes are computed based on section 433 of the Act and are based on a ratio of the number of children in each Indian Tribe with an approved plan compared to the number of children in all Indian Tribes with approved plans, based on the most current and reliable data available.

(i) Exemptions of requirements. (1) ACF has exempted Indian Tribes from three statutory requirements:

(i) The limitation on administrative costs to 10 percent of total Federal and Tribal funds—Indian Tribes may use the indirect cost rate agreement in effect for the Tribe;
(ii) The requirement for maintenance of effort that funds under this program may not be used to supplant other Federal and non-Federal funds; and
(iii) The requirement that a significant portion of funds must be used for both family support and family preservation services.

(2) Specific exemptions from other statutory requirements may be requested by the Tribe in the course of its joint planning. Such a request must contain a compelling reason.

(g) Matching requirement. (1) Funds used to provide services in FY 1994 and in subsequent years will be federally reimbursed at 75 percent of allowable expenditures. (This is the same Federal financial participation rate as title IV–B, subpart 1.) The Indian Tribe’s match must be at least 25 percent of the total project costs or one-third of the Federal share. Federal funds, however, will not exceed the amount of the Indian Tribe’s allotment.

(2) The Indian Tribe’s contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(3) Indian Tribes, by statute, may use the following three Federal sources of funds as matching funds: Indian Child Welfare Act funds, Indian Self-Determination and Education Assistance Act funds, and Community Development Block Grant funds.

(h) Time limits on expenditures. An Indian Tribe must expend all funds by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

The data used to compute allotments are supplied by the U.S. Department of Commerce, for the three most recent consecutive years for which satisfactory data are available.
(b) One-third of the amount appropriated is allotted to each State on the basis of the relative need for services of persons with developmental disabilities. The relative need is determined by the number of persons receiving benefits under the Childled Disability Beneficiary Program (section 202(d)(1)(B)(ii) of the Social Security Act), (42 U.S.C. 402(d)(1)(B)(ii)).

§ 1385.9 Grants administration requirements.

This jurisdiction relates to funds provided under the two formula programs—Part B of the Act—Federal Assistance to State Developmental Disabilities Councils and Part C of the Act—Protection and Advocacy of the Rights of Individuals with Developmental Disabilities. Appeals filed by States shall be decided in accordance with 45 CFR part 16.
(d) In making audits and examinations to any books, documents, papers, and transcripts of records of State Developmental Disabilities Councils, the University Affiliated Programs, and the Projects of National Significance grantees and subgrantees, as provided for in 45 CFR part 74 and part 92, the Department will keep information about individual clients confidential to the maximum extent permitted by law and regulations.
(e) (1) The Department or other authorized Federal officials may access client and case eligibility records or other records of the Protection and Advocacy system for audit purposes and for purposes of monitoring system compliance pursuant to section 104(b) of the Act. However, such information
will be limited pursuant to section 142(j) of the Act. No personal identifying information such as name, address, and social security number will be obtained. (2) Notwithstanding paragraph (e)(1) of this section, if an audit, monitoring review, evaluation, or other investigation by the Department produces evidence that the system has violated the Act or the regulations, the system will bear the burden of proving its compliance. The system's inability to establish compliance because of the confidentiality of records will not relieve it of this responsibility. The system may elect to obtain a release from all individuals requesting or receiving services at the time of intake or application. The release shall state only information directly related to client and case eligibility will be subject to disclosure to officials of the Department.

§ 1386.1 General.

Subpart A—Basic Requirements

§ 1386.2 Obligation of funds.

(a) Funds which the Federal Government allots under this Part during a Federal fiscal year are available for obligation by States for a two year period beginning with the first day of the Federal fiscal year in which the grant is awarded.

(b) (1) A State incurs an obligation for acquisition of personal property or for the performance of work on the date it makes a binding, legally enforceable, written commitment, or when the State Developmental Disabilities Council enters into an Interagency Agreement with an agency of State government for acquisition of personal property or for the performance of work.

(2) A State incurs an obligation for personal services, for services performed by public utilities, for travel or for rental of real or personal property on the date it receives the services, its personnel takes the travel, or it uses the rented property.

(c) (1) The Protection and Advocacy System may elect to treat entry of an appearance in judicial and administrative proceedings on behalf of an individual with a developmental disability as a basis for obligating funds for the litigation costs. The amount of the funds obligated must not exceed a reasonable estimate of the costs, and the way the estimate was calculated must be documented.

(2) For the purpose of this paragraph, litigation costs mean expenses for court costs, depositions, expert witness fees, travel in connection with a case and similar costs and costs resulting from litigation in which the agency has represented an individual with developmental disabilities (e.g. monitoring court orders, consent decrees), but not for salaries of employees of the Protection and Advocacy agency. All funds made available for Federal Assistance to State Developmental Disabilities Councils and to the Protection and Advocacy System obligated under this paragraph are subject to the requirement of paragraph (a) of this section. These funds, if reobligated, may be reobligated only within a two year period beginning with the first day of the Federal fiscal year in which the funds were originally awarded.

§ 1386.3 Liquidation of obligations.

(a) All obligations incurred pursuant to a grant made under the Act for a specific Federal fiscal year, must be liquidated within two years of the close of the Federal fiscal year in which the grant was awarded.

(b) The Commissioner may waive the requirements in paragraph (a) of this section when State law impedes implementation or the amount of obligated funds to be liquidated is in dispute.

(c) Funds attributable to obligations which are not liquidated in accordance with the provisions of this section revert to the Federal Government.

Subpart B—State System for Protection and Advocacy of the Rights of Individuals with Developmental Disabilities

§ 1386.19 Definitions.

As used in §§1386.20, 1386.21, 1386.22 and 1386.25 of this part the following definitions apply:

Abuse means any act or failure to act which was performed, or which was failed to be performed, knowingly, recklessly, or intentionally, and which caused, or may have caused, injury or death to an individual with intentional disability, and includes such acts as: Verbal, nonverbal, mental and emotional harassment; rape or sexual assault; striking; the use of excessive force when placing such an individual in bodily restraints; the use of bodily or chemical restraints which is not in compliance with Federal and State
laws and regulations or any other practice which is likely to cause immediate physical or psychological harm or result in long term harm if such practices continue.

Complaint includes, but is not limited to any report or communication, whether formal or informal, written or oral, received by the system including media accounts, newspaper articles, telephone calls (including anonymous calls), from any source alleging abuse or neglect of an individual with a developmental disability.

Designating Official means the Governor or other State official, who is empowered by the Governor or State legislature to designate the State official or public or private agency to be accountable for the proper use of funds by and conduct of the State Protection and Advocacy agency.

Facility includes any setting that provides care, treatment, services and habilitation, even if only “as needed” or under a contractual arrangement. Facilities include, but are not limited to the following:

Community living arrangements (e.g., group homes, board and care homes, individual residences and apartments), day programs, juvenile detention centers, hospitals, nursing homes, homeless shelters, jails and prisons.

Full Investigation means access to facilities, clients and records authorized under these regulations, that is necessary for a protection and advocacy (P&A) system to make a determination about whether alleged or suspected instances of abuse and neglect are taking place or have taken place. Full investigations may be conducted independently or in cooperation with other agencies authorized to conduct similar investigations.

Legal Guardian, conservator and legal representative all mean an individual appointed and regularly reviewed by a State court or agency empowered under State law to appoint and review such officers and having authority to make all decisions on behalf of individuals with developmental disabilities. It does not include persons acting only as a representative payee, person acting only to handle financial payments, attorneys or other persons acting on behalf of an individual with developmental disabilities only in individual legal matters, or officials responsible for the provision of treatment or habilitation services to an individual with developmental disabilities or their designees.

Neglect means a negligent act or omission by an individual responsible for providing treatment or habilitation services which caused or may have caused injury or death to an individual with developmental disabilities or which placed an individual with developmental disabilities at risk of injury or death, and includes acts or omissions such as failure to: establish or carry out an appropriate individual program plan or treatment plan (including a discharge plan); provide adequate nutrition, clothing, or health care to an individual with developmental disabilities; provide a safe environment which also includes failure to maintain adequate numbers of trained staff.

Probable cause means a reasonable ground for belief that an individual with developmental disabilities has been, or may be, subject to abuse or neglect. The individual making such determination may base the decision on reasonable inferences drawn from his or her experience or training regarding similar incidents, conditions or problems that are usually associated with abuse or neglect.

proper and appropriate expenditure of Federal funds.

(d) (1) Prior to any redesignation of the agency which administers and operates the State Protection and Advocacy (P&A) System, the designating official must give written notice of the intention to make the redesignation to the agency currently administering and operating the State Protection and Advocacy System by registered or certified mail. The notice must indicate that the proposed redesignation is being made for good cause. The designating official must also publish a public notice of the proposed action. The agency and the public shall have a reasonable period of time, but not less than 45 days to respond to the notice.

(2) The public notice must include:

(i) The Federal requirements for the Protection and Advocacy system for individuals with developmental disabilities (section 142 of the Act); and, where applicable, the requirements of other Federal advocacy programs administered by the State Protection and Advocacy System.

(ii) The goals and function of the State’s Protection and Advocacy System including the current Statement of Objectives and Priorities;

(iii) The name and address of the agency currently designated to administer and operate the Protection and Advocacy system; and an indication of whether the agency also operates other Federal advocacy programs;

(iv) A description of the current Protection and Advocacy agency and the system it administers and operates including, as applicable, descriptions of other Federal advocacy programs it operates;

(v) A clear and detailed explanation of the good cause for the proposed redesignation;

(vi) A statement suggesting that interested persons may wish to write the current State Protection and Advocacy agency at the address provided in paragraph (d)(2)(iii) of this section to obtain a copy of its response to the notice required by paragraph (d)(1) of this section. Copies shall be provided in accessible formats to individuals with disabilities upon request;

(vii) The name of the new agency proposed to administer and operate the Protection and Advocacy System under the Developmental Disabilities program. This agency will be eligible to administer other Federal advocacy programs;

(viii) A description of the system which the new agency would administer and operate, including a description of all other Federal advocacy programs the agency would operate;

(ix) The timetable for assumption of operations by the new agency and the estimated costs of any transfer and start-up operations; and

(x) A statement of assurance that the proposed new designated State P&A System will continue to serve existing clients and cases of the current P&A system or refer them to other sources of legal advocacy as appropriate, without disruption.

(3) The public notice as required by paragraph (d)(1) of this section, must be in a format accessible to individuals with developmental disabilities or their representatives, e.g., tape, diskette. The designating official must provide for publication of the notice of the proposed redesignation using the State register, State-wide newspapers, public service announcements on radio and television, or any other legally equivalent process. Copies of the notice must be made generally available to individuals with developmental disabilities and mental illness who live in residential facilities through posting or some other means.

(4) After the expiration of the public comment period required in paragraph (d)(1) of this section, the designating official must conduct a public hearing on the redesignation proposal. After consideration of all public and agency comments, the designating official must give notice of the final decision to the currently designated agency and the public through the same means used under paragraph (d)(3) of this section. This notice must include a clear and detailed explanation of the good cause finding. If the notice to the currently designated agency states that the redesignation will take place, it also must inform the agency of its right to appeal this decision to the Assistant Secretary, Administration for Children and Families and provide a
summary of the public comments received in regard to the notice of intent to redesignate and the results of the public hearing and its responses to those comments. The redesignation shall not be effective until 10 working days after notifying the current Protection and Advocacy agency or, if the agency appeals, until the Assistant Secretary has considered the appeal.

(e) (1) Following notification pursuant to paragraph (d)(4) of this section, the Protection and Advocacy agency which is the subject of such action, may appeal the redesignation to the Assistant Secretary. To do so, the Protection and Advocacy agency must submit an appeal in writing to the Assistant Secretary within 20 days of receiving official notification under paragraph (d)(4) of this section, with a separate copy sent by registered or certified mail to the designating official who made the decision concerning redesignation.

(2) In the event that the agency subject to redesignation does exercise its right to appeal under paragraph (e)(1) of this section, the designating official must give public notice of the Assistant Secretary’s final decision regarding the appeal through the same means utilized under paragraph (d)(3) of this section within 10 working days of receipt of the Assistant Secretary’s final decision under paragraph (e)(6) of this section.

(3) The designating official within 10 working days from the receipt of a copy of the appeal must provide written comments to the Assistant Secretary (with a copy sent by registered or certified mail to the Protection and Advocacy agency appealing under paragraph (e)(1) of this section), or withdraw the redesignation. The comments must include a summary of the public comments received in regard to the notice of intent to redesignate and the results of the public hearing and its responses to those comments.

(4) In the event that the designating official withdraws the redesignation while under appeal pursuant to paragraph (e)(1) of this section, the designating official must notify the Assistant Secretary, and the current agency, and must give public notice of his or her decision through the same means utilized under paragraph (d)(3) of this section.

(5) As part of their submission under paragraph (e)(1) or (e)(3) of this section, either party may request, and the Assistant Secretary may grant, an opportunity for an informal meeting with the Assistant Secretary at which representatives of both parties will present their views on the issues in the appeal. The meeting will be held within 20 working days of the submission of written comments by the designating official under paragraph (e)(2) of this section. The Assistant Secretary will promptly notify the parties of the date and place of the meeting.

(6) Within 30 days of the informal meeting under paragraph (e)(5) of this section, or, if there is no informal meeting under paragraph (e)(5) of this section, within 30 days of the submission under paragraph (e)(3) of this section, the Assistant Secretary will issue to the parties a final written decision on whether the redesignation was for good cause as defined in paragraph (d)(1) of this section. The Assistant Secretary will consult with Federal advocacy programs that will be directly affected by the proposed redesignation in making a final decision on the appeal.

(f) (1) Within 30 days after the redesignation becomes effective under paragraph (d)(4) of this section, the designating official must submit to the Assistant Secretary that the newly designated Protection and Advocacy agency meets the requirements of the statute and the regulations.

(2) In the event that the Protection and Advocacy agency subject to redesignation does not exercise its rights to appeal within the period provided under paragraph (e)(1) of this section, the designating official must provide to the Assistant Secretary documentation that the agency was redesignated for good cause. Such documentation must clearly demonstrate that the Protection and Advocacy agency subject to redesignation was not redesignated for any actions or activities which were carried out under section 142 of the Act, these regulations or any other
§ 1386.21 Requirements and authority of the Protection and Advocacy System.

(a) In order for a State to receive Federal financial participation for Protection and Advocacy activities under this subpart, as well as the State Developmental Disabilities Council activities (subpart C of this part), the Protection and Advocacy System must meet the requirements of section 142 of the Act (42 U.S.C. 6042) and that system must be operational.

(b) Allotments must be used to supplement and not to supplant the level of non-federal funds available in the State for activities under the Act, which shall include activities on behalf of individuals with developmental disabilities to remedy abuse, neglect and violations of rights as well and information and referral activities.

(c) A Protection and Advocacy System shall not implement a policy or practice restricting the remedies which may be sought on the behalf of individuals with developmental disabilities or compromising the authority of the Protection and Advocacy System (P&A) to pursue such remedies through litigation, legal action or other forms of advocacy. However, the above requirement does not prevent the P&A from developing case or client acceptance criteria as part of the annual priorities identified by the P&A system as described in §1386.23(c) of this part. Clients must be informed at the time they apply for services of such criteria.

(d) A P&A system shall be free from hiring freezes, reductions in force, prohibitions on staff travel, or other policies, imposed by the State, to the extent that such policies would impact system program staff or functions funded with Federal funds and would prevent the system from carrying out its mandates under the Act.

(e) A Protection and Advocacy System shall have sufficient staff, qualified by training and experience, to carry out the responsibilities of the system in accordance with the priorities of the system and requirements of the Act, including the investigation of allegations of abuse, neglect and representations of individuals with developmental disabilities regarding rights violations.

(f) A Protection and Advocacy System may exercise its authority under State law where the authority exceeds the authority required by the Developmental Disabilities Assistance and Bill of Rights Act, as amended. However, State law must not diminish the required authority of the Protection and Advocacy System.

(g) Each P&A system that is a public system without a multimember governing or advisory board must establish an advisory council in order to provide a voice for individuals with developmental disabilities. The Advisory Council shall advise the P&A on program policies and priorities and shall be comprised of a majority of individuals with developmental disabilities who are eligible for services, or have received or are receiving services or parents or family members, (including those representing individuals with developmental disabilities who live in institutions and home and community based settings), guardians, advocates, or authorized representatives of such individuals.

(h) Prior to any Federal review of the State program, a 30 day notice and an opportunity for public comment must be provided. Reasonable effort shall be made by the appropriate Regional Office to seek comments through notification to major disability advocacy groups, the State Bar, other disability law resources, the State Developmental Disabilities Council and the University Affiliated Program, for example, through newsletters and publications of those organizations. The findings of public comments may be consolidated if sufficiently similar issues are raised and they shall be included in the report of the onsite visit.

(i) Before the P&A system releases information to individuals not otherwise authorized to receive it, the P&A must obtain written consent from the client requesting assistance, if competent, or his or her guardian.

[61 FR 51157, Sept. 30, 1996]
§ 1386.22 Access to records, facilities and individuals with developmental disabilities.

(a) Access to records—A protection and advocacy (P&A) system shall have access to the records of any of the following individuals with developmental disabilities:

(1) An individual who is a client of the system, including any person who has requested assistance from the system, if authorized by that individual or their legal guardian, conservator or other legal representative.

(2) An individual, including an individual who has died or whose whereabouts is unknown, to whom all of the following conditions apply:

(i) The individual, due to his or her mental or physical condition is unable to authorize the system to have access;

(ii) The individual does not have a legal guardian, conservator or other legal representative, or the individual’s guardian is the State (or one of its political subdivisions); and

(iii) With respect to whom a complaint has been received by the system or the system has probable cause (which can be the result of monitoring or other activities including media reports and newspaper articles) to believe that such individual has been subject to abuse or neglect.

(3) An individual who has a legal guardian, conservator, or other legal representative, with respect to whom a complaint has been received by the system or with respect to whom the system has determined that there is probable cause to believe that the health or safety of the individual is in serious and immediate jeopardy, whenever all the following conditions exist:

(i) The system has made a good faith effort to contact the representative upon receipt of the representative’s name and address;

(ii) The system has offered assistance to the representative to resolve the situation; and

(iii) The representative has failed or refused to act on behalf of the individual.

(b) Individual records to which P&A systems must have access under section 142(A)(2)(I) (whether written or in another medium, draft or final, including handwritten notes, electronic files, photographs or video or audio tape records) shall include, but shall not be limited to:

(1) Records prepared or received in the course of providing intake, assessment, evaluation, education, training and other supportive services, including medical records, financial records, and monitoring and other reports prepared or received by a member of the staff of a facility that is providing care or treatment;

(2) Reports prepared by an agency charged with investigating incidents of abuse or neglect, injury or death occurring at a facility or while the individual with a developmental disability is under the care of a member of the staff of a facility, or by or for such facility, that describe any or all of the following:

(i) Abuse, neglect, injury, death;

(ii) The steps taken to investigate the incidents;

(iii) Reports and records, including personnel records, prepared or maintained by the facility in connection with such reports of incidents; or

(iv) Supporting information that was relied upon in creating a report, including all information and records which describe persons who were interviewed, physical and documentary evidence that was reviewed, and the related investigative findings; and

(3) Discharge planning records.

(c) Information in the possession of a facility which must be available to P&A systems in investigating instances of abuse and neglect under section 142(a)(2)(B) (whether written or in another medium, draft or final, including handwritten notes, electronic files, photographs or video or audio tape records) shall include, but not be limited to:

(1) Information in reports prepared by individuals and entities performing certification or licensure reviews, or by professional accreditation organizations, as well as related assessments prepared for a facility by its staff, contractors or related entities, except that nothing in this section is intended to preempt State law protection records produced by medical care evaluation or peer review committees.

(2) Information in professional, performance, building or other safety
§ 1386.23 Periodic reports: Protection and Advocacy System.

(a) By January 1 of each year the Protection and Advocacy System shall submit an Annual Program Performance Report as required in section 107(b) of the Act, in a format designated by the Secretary.

(b) Financial status reports must be submitted by the Protection and Advocacy Agency according to a frequency interval specified by the Administration for Children and Families. In no case will such reports be required more frequently than quarterly.

(c) By January 1 of each year, the Protection and Advocacy System shall submit an Annual Statement of Objectives and Priorities, (SOP) for the coming fiscal year as required under section 142(a)(2)(C) of the Act.
§ 1386.24 Non-allowable costs for the Protection and Advocacy System.

(a) Federal financial participation is not allowable for:

(1) Costs incurred for activities on behalf of individuals with developmental disabilities to solve problems not directly related to their disabilities and which are faced by the general populace. Such activities include but are not limited to: Preparation of wills, divorce decrees, and real estate proceedings. Allowable costs in such cases would include the Protection and Advocacy System providing disability related technical assistance information and referral to appropriate programs and services; and

(2) Costs not allowed under other applicable statutes. Departmental regulations and issuances of the Office of Management and Budget.

(b) Attorneys fees are considered program income pursuant to Part 74—Administration of Grants and Part 92—Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments and must be added to the funds committed to the program and used to further the objectives of the program. This requirement shall apply to all attorneys fees, including those earned by contractors and those received after the project period in which they were earned.

Subpart C—Federal Assistance to
State Developmental Disabilities
Councils

§ 1386.30 State plan requirements.

(a) In order to receive Federal finan-
cial assistance under this subpart, each
State Developmental Disabilities
Council must prepare and submit to
the Secretary, and have in effect, a
State Plan which meets the require-
ments of sections 122 and 124 of the Act
(42 U.S.C. 6022 and 6024) and these regu-
lations. Development of the State Plan
and applicable annual amendments are
responsibilities of the State Develop-
mental Disabilities Council. The Coun-
cil will provide opportunities for public
input during the planning and develop-
ment of the State Plan and will consult
with the Designated State Agency to
determine that the plan is not in con-
flict with applicable State laws and to
obtain appropriate State Plan assur-
ances.

(b) Failure to comply with State plan
requirements may result in loss of Fed-
eral funds as described in section 127 of
the Act (42 U.S.C. 6027).

(c) The State plan may be submitted
in any format the State selects as long
as the items contained in the Act are
addressed. The plan must:

(1) Identify the program unit(s) with-
in the Designated State Agency respon-
sible for helping the Council to obtain
assurances and fiscal and other support
services.

(2) Identify the priority areas se-
lected by the Council and by the State
in which 65% of Federal allotment will
be expended.

(3) Where applicable, describe activi-
ties in which the State’s Develop-
mental Disabilities Council, Protection
and Advocacy System agency, and Uni-
versity Affiliated Program(s) collabor-
ate to remove barriers or address critical
issues within the State and bring
about broad systems changes to benefit
individuals with developmental disabil-
ities and, as appropriate, individuals
with other disabilities.

(d) The State plan must be reviewed
at least once every three years.

(e) (1) The State Plan may provide
for funding projects to demonstrate
new approaches to direct services
which enhance the independence, pro-
ductivity, and integration and inclu-
sion into the community of individuals
with developmental disabilities. Direct
service demonstrations must be short-
term and include a strategy to locate
on-going funding from other sources.
For each demonstration funded, the
State Plan must include an estimated
period of the project’s duration and a
brief description of how the services
will be continued without Federal de-
velopmental disabilities program
funds. Council funds may not be used
to fund on-going services which should
be paid for by the State or other
sources.

(2) The State plan may provide for
funding of other projects or activities,
including but not limited to, studies,
evaluation, outreach, advocacy, self-
advocacy, training, community sup-
ports, public education, and preven-
tion. Where extended periods of time
are needed to achieve desired results,
these projects and activities need not
be time-limited.

(f) The State Plan must contain as-
surances that:

(1) The State will comply with all ap-
plicable Federal statutes and regula-
tions in effect during the time that the
State is receiving formula grant fund-
ing;

(2) The human rights of individuals
with developmental disabilities will be
protected consistent with section 110 of
the Act (42 U.S.C. 6009).

(3) Buildings used in connection with
activities assisted under the Plan must
meet all applicable provisions of Fed-
eral and State laws pertaining to ac-
cessibility, fire, health and safety
standards.

§ 1386.33 Protection of employee's interests.

(a) Based on section 122(c)(5)(K) of the Act (42 U.S.C. 6022(c)(5)(K), the
§ 1386.34 Designated State Agency.

(a) The Designated State Agency shall provide the required assurances and other support services as requested by and negotiated with the Council. These include:

(1) Provision of financial reporting and other services as provided under section 124(d)(3)(C) of the Act; and

(2) Information and direction, as appropriate, on procedures on the hiring, supervision and assignment of staff in accordance with State law.

(b) If the State Developmental Disabilities Council requests a review by the Governor (or legislature) of the Designated State Agency, the Council must provide documentation of the reason for change and recommend a preferred Designated State Agency.

(c) After the review is completed, a majority of the non-State agency members of the Council may appeal to the Assistant Secretary for a review of the designation of the designated State agency if the Council’s independence as an advocate is not assured because of the actions or inactions of the designated State agency.

(d) The following steps apply to the appeal of the Governor’s (or legislature’s) designation of the Designated State Agency.

(1) Prior to an appeal to the Assistant Secretary, Administration for Children and Families, the State Developmental Disabilities Council, must give a 30 day written notice, by certified mail, to the Governor (or legislature) of the majority of non-State members’ intention to appeal the designation of the Designated State Agency.

(2) The appeal must clearly identify the grounds for the claim that the Council’s independence as an advocate is not assured because of the actions or inactions of the designated State agency.

(3) Upon receipt of the appeal from the State Developmental Disabilities Council, the Assistant Secretary will notify the State Developmental Disabilities Council and the Governor (or legislature), by certified mail, that the appeal has been received and will be acted upon within 60 days. The Governor (or legislature) shall within 10 working days from the receipt of the Assistant Secretary’s notification provide written comments to the Assistant Secretary (with a copy sent by registered or certified mail to the Council) on the claims in the Council’s appeal.

Either party may request, and the Assistant Secretary may grant, an opportunity for an informal meeting with the Assistant Secretary at which representatives of both parties will present their views on the issues in the appeal. The meeting will be held within 20 working days of the submission of written comments by the Governor (or legislature). The Assistant Secretary will promptly notify the parties of the date and place of the meeting.

(4) The Assistant Secretary will review the issue(s) and provide a final written decision within 60 days following receipt of the State Developmental Disabilities Council’s appeal. If the determination is made that the
Designated State Agency should be redesignated, the Governor (or legislature) must provide written assurance of compliance within 45 days from receipt of the decision.

(5) During any time of this appeals process the State Developmental Disabilities Council may withdraw such request if resolution has been reached with the Governor (or legislature) on the designation of the Designated State Agency. The Governor (or legislature) must notify the Assistant Secretary in writing of such an occurrence.

(e) The designated State agency may authorize the Council use or contract with State agencies other than the designated State agency to perform functions of the designated State agency.

[61 FR 51160, Sept. 30, 1996]

§ 1386.35 Allowable and non-allowable costs for Federal Assistance to State Developmental Disabilities Councils.

(a) Under this subpart, Federal financial participation is available in costs resulting from obligations incurred under the approved State plan for the necessary expenses of the approved State plan for the necessary expenses of the State Council, the administration and operation of the State plan, and training of personnel.

(b) Expenditures which are not allowable for Federal financial participation are:

(1) Costs incurred by institutions or other residential or non-residential programs which do not comply with the Congressional findings with respect to the rights of individuals with developmental disabilities in section 110 of the Act (42 U.S.C. 6009).

(2) Costs incurred for activities not provided for in the approved State plan; and

(3) Costs not allowed under other applicable statutes. Departmental regulations or issuances of the Office of Management and Budget.

(c) Expenditure of funds which supplant State and local funds will be disallowed. Supplanting occurs when State or local funds previously used to fund activities in the developmental disabilities State Plan are replaced by Federal funds which are then used for the same purpose. However, supplanting does not occur if State or local funds are replaced with Federal funds for a particular activity or purpose in the approved State Plan if the State or local funds are then used for other activities or purposes in the approved State Plan.

(d) For purposes of determining aggregate minimum State share of expenditures, there are three categories of expenditures:

(1) Expenditures for projects or activities carried out directly by the Council and Council staff, as described in section 125A(a)(2) of the Act, require no non-Federal aggregate participation.

(2) Expenditures for projects with activities or products targeted to urban or rural poverty areas but not carried out directly by the Council and Council staff, as described in section 125A(a)(2) of the Act, shall have non-Federal participation of at least 10% in the aggregate.

(3) All other activities not directly carried out by the Council and Council staff, shall have non-Federal participation of at least 25% in the aggregate.

(e) The Council may vary the non-Federal participation required on a project by project, activity by activity basis (both poverty and non-poverty activities), including requiring no non-Federal participation from particular projects or activities as the Council deems appropriate so long as the requirement for aggregate non-Federal participation is met.

§ 1386.36 Final disapproval of the State plan or plan amendments.

The Department will disapprove any State plan or plan amendment only after the following procedures have been complied with:

(a) The State plan has been submitted to the appropriate HHHS Regional Office, and the Regional Office and State have been unable to resolve their differences.

(b) The Regional Office has prepared a detailed written analysis of its reasons for recommending disapproval and has transmitted its analyses and all
other relevant material to the Commissioner, and has provided the State Council and State agency with copies of the material.

(c) The Commissioner, after review of the records and the recommendation of the Regional Office, has determined whether the State plan, in whole or in part, is not approvable. Notice of this determination has been sent to the State and contains appropriate references to the records, provisions of the statute and regulations, and all relevant interpretations of applicable laws and regulations. The notification of the decision must inform the State of its right to appeal in accordance with 45 CFR part 1386, subpart D.

(d) The Commissioner’s decision has been forwarded to the State Council and agency by certified mail with a return receipt requested.

(e) A State has filed its request for a hearing with the Assistant Secretary within 21 days of the receipt of the decision. The request for a hearing must be sent by certified mail to the Assistant Secretary. The date of mailing the request is considered the date of filing if it is supported by independent evidence of mailing, otherwise the date of receipt shall be considered the date of filing.

§ 1388.1 Definitions.

For purposes of this part:

Accessible means UAPs are characterized by their program and physical accommodation and their demonstrated commitment to the goals of the Americans with Disabilities Act.

Capacity Building means that UAPs utilize a variety of approaches to strengthen their university and their local, State, regional and National communities. These approaches include, but are not limited to such activities as:

(1) Enriching program depth and breadth, for example, recruiting individuals with developmental disabilities and their families, local community leaders, additional faculty and students to participate in the UAP;

(2) Acquiring additional resources, for example, grants, space, and volunteer manpower; and

(3) Carrying out systems changes, for example, promoting inclusive programming for persons with developmental disabilities across all ages.

Collaboration means that the UAP cooperates with a wide range of persons, systems, and agencies, whether they utilize services of the UAP or are involved in UAP planning and programs. These entities include individuals with developmental disabilities and family members, as well as the State Developmental Disabilities Councils, the Protection and Advocacy agencies, other advocacy and disability groups, university components, generic and specialized human service agencies, State agencies and citizen and community groups. An example of this cooperation is the Consumer Advisory Committee, a required element in each UAP.

Cultural Diversity means that UAPs are characterized by their commitment to involve individuals with disabilities, family members and trainees from diverse cultural backgrounds in all levels of their activities. This commitment to cultural diversity means that each UAP must assure that individuals from racial and ethnic minority background are fully included; that efforts are made to recruit individuals from minority backgrounds into the field of developmental disabilities; that specific efforts must be made to ensure that individuals from minority backgrounds have effective and meaningful opportunities for full participation in the developmental disabilities service system; and that recruitment efforts at the levels of preservice training, community training, practice, administration and policymaking must focus on bringing large numbers of racial ethnic minorities into the field in order to provide appropriate skills, knowledge, role models, and sufficient personnel to address the growing needs of an increasingly diverse population.

Culturally competent means provision of services, supports, or other assistance in a manner that is responsive to the beliefs, interpersonal styles, attitudes, language and behaviors of individuals who are receiving services, and that has the greatest likelihood of ensuring their maximum participation in the program.

Diverse Network means that although each UAP has the same mandates under the Act, the expression of these common mandates differs across programs. Each UAP must implement
these mandates within the context of their host university, their location within the university, the needs of the local and State community, the cultural composition of their State, their resources and funding sources, and their institutional history. These factors converge to create a network of unique and distinct programs, bound together by common mandates but enriched by diverse composition.

**Interdisciplinary Training** means the use of individuals from different professional specialties for UAP training and service delivery.

**Lifespan Approach** means that UAP activities address the needs of individuals with disabilities who are of all ages.

**Mandated Core Functions** means the UAP must perform:

1. Interdisciplinary preservice preparation;
2. Community service activities (community training and technical assistance); and
3. Activities related to dissemination of information and research findings.

**Program Criteria** means a statement of the Department’s expectation regarding the direction and desired outcome of the University Affiliated Program’s operation.

**Research and evaluation** means that the UAP refines its activities on the basis of evaluation results. As members of the university community, involvement in program-relevant research and development of new knowledge are important components of UAPs.

**State-of-the-art** means that UAP activities are of high quality (using the latest technology), worthy of replication (consistent with available resources), and systemically evaluated.

§ 1388.2 Program criteria—purpose.

The program criteria will be used to assess the quality of the University Affiliated Program (UAP). The overall purpose of the program criteria is to assure the promotion of independence, productivity, integration and inclusion of individuals with developmental disabilities. Compliance with the program criteria is a prerequisite for a UAP to receive the minimum funding level of a UAP. However, compliance with the program criteria does not, by itself, assure funding. The Program Criteria are one part of the Quality Enhancement System (QES), and provide a structure for self-assessment and peer review of each UAP. (The QES is a holistic approach to enable persons with developmental disabilities and their families to achieve maximum potential. All UAPs use the QES.)

§ 1388.3 Program criteria—mission.

(a) **Introduction to mission:** The UAP is guided by values of independence, productivity, integration and inclusion of individuals with developmental disabilities and their families. The purpose and scope of the activities must be consistent with the Act as amended and include the provision of training, service, research and evaluation, technical assistance and dissemination of information in a culturally competent manner, including the meaningful participation of individuals from diverse racial and ethnic backgrounds. (The concept of “diverse network” as defined in §1388.1 of this part applies to paragraphs (b), (f), (g), and (h) of this section.)

(b) The UAP must develop a written mission statement that reflects its values and promotes the goals of the university in which it is located, including training, the development of new knowledge and service. The UAP’s goals, objectives and activities must be consistent with the mission statement.

(c) The UAP’s mission and programs must reflect a life span approach, incorporate an interdisciplinary approach and include the active participation of individuals with developmental disabilities and their families.

PART 1601 [RESERVED]

PART 1602—PROCEDURES FOR DISCLOSURE OF INFORMATION UNDER THE FREEDOM OF INFORMATION ACT

Sec. 1602.1 Purpose.

1602.2 Definitions.

1602.3 Policy.

1602.4 Records published in the Federal Register.

1602.5 Public reading room.

1602.6 Procedures for use of public reading room.
§ 1602.1 Purpose.

This part contains the rules and procedures the Legal Services Corporation follows in making records available to the public under the Freedom of Information Act.

§ 1602.2 Definitions.

As used in this part—

(a) Commercial use request means a request from or on behalf of one who seeks information for a use purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Corporation will look to the use to which a requester will put the documents requested. When the Corporation has reasonable cause to doubt the requester’s stated use of the records sought, or where the use is not clear from the request itself, it will seek additional clarification before assigning the request to a category.

(b) Duplication means the process of making a copy of a requested record pursuant to this part. Such copies can take the form of paper copy, microform, audio-visual materials, or machine readable electronic documents, among others.

(c) Educational institution means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, or an institution of professional or vocational education which operates a program or programs of scholarly research.

(d) FOIA means the Freedom of Information Act, 5 U.S.C. 552.

(e) Non-commercial scientific institution means an institution that is not operated on a “commercial” basis and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(f) Office of Inspector General records means those records as defined generally in this section which are exclusively in the possession and control of the Office of Inspector General of the Legal Services Corporation.

(g) Records means books, papers, maps, photographs, or other documentary materials, regardless of whether the format is physical or electronic, made or received by the Corporation in connection with the transaction of the Corporation’s business and preserved by the Corporation as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the Corporation, or because of the informational value of data in them. The term does not include, inter alia, books, magazines, or other materials acquired solely for library purposes.

(h) Representative of the news media means any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large and publishers of periodicals (but only in those instances when they can qualify as disseminators of “news”) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of “freelance” journalists, they will be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(i) Review means the process of examining documents located in response to a request to determine whether any
portion of any such document is exempt from disclosure. It also includes processing any such documents for disclosure. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(j) Search means the process of looking for and retrieving records that are responsive to a request for records. It includes page-by-page or line-by-line identification of material within documents and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Searches may be conducted manually or by automated means and will be conducted in the most efficient and least expensive manner.

§ 1602.3 Policy.
The Corporation will make records concerning its operations, activities, and business available to the public to the maximum extent reasonably possible. Records will be withheld from the public only in accordance with the FOIA and this part. Records exempt from disclosure under the FOIA may be made available as a matter of discretion when disclosure is not prohibited by law, and disclosure would not foreseeably harm a legitimate interest of the public, the Corporation, a recipient, or any individual.

§ 1602.4 Records published in the Federal Register.
The Corporation routinely publishes in the Federal Register information on its basic structure and operations necessary to inform the public how to deal effectively with the Corporation. The Corporation will make reasonable efforts to currently update such information, which will include basic information on the Corporation’s location, functions, rules of procedure, substantive rules, statements of general policy, and information regarding how the public may obtain information, make submittals or requests, or obtain decisions.

§ 1602.5 Public reading room.
(a) The Corporation will maintain a public reading room at its office at 750 First Street, NE., Washington DC 20002-4250. This room will be supervised and will be open to the public during the regular business hours of the Corporation for inspecting and copying records described in paragraph (b) of this section.

(b) Subject to the limitation stated in paragraph (c) of this section, the following records will be made available in the public reading room:

(1) All final opinions, including concurring and dissenting opinions, and orders issued in the adjudication of cases;

(2) Statements of policy and interpretations adopted by the Corporation that are not published in the Federal Register;

(3) Administrative staff manuals and instructions to the staff that affect the public or recipients;

(4) Copies of records, regardless of form or format, released to any person in response to a public request for records pursuant to §1602.8 which the Corporation has determined are likely to become subject to subsequent requests for substantially the same records, and a general index of such records;

(5) The current index required by §1602.7;

(6) To the extent feasible, other records considered to be of general interest to recipients or members of the public in understanding activities of the Corporation or in dealing with the Corporation in connection with those activities.

(c) Certain records otherwise required by FOIA to be available in the public reading room may be exempt from mandatory disclosure pursuant to section 552(b) of the FOIA and §1602.9. Such records will not be made available in the public reading room. Other records maintained in the public reading room may be edited by the deletion of identifying details concerning individuals to prevent a clearly unwarranted invasion of personal privacy. In such cases, the record shall have attached to it a full explanation of the deletion. The extent of the deletion shall be indicated, unless doing so would harm an interest protected by the exemption under which the deletion is made. If technically feasible,
§ 1602.6

the extent of the deletion shall be indicated at the place in the record where the deletion was made.

(d) Records required by the FOIA to be maintained and made available in the public reading room that are created by the Corporation on or after November 1, 1996, shall be made available electronically. This includes the index of published and reading room records, which shall indicate which records are available electronically.

(e) Most electronic public reading room records will also be made available to the public on the Corporation’s websites at http://www.lsc.gov and http://oig.lsc.gov.

§ 1602.6 Procedures for use of public reading room.

Any member of the public may inspect or copy records described in §1602.5(b) in the public reading room during regular business hours. Because it will sometimes be impossible to produce records or copies of records on short notice, a person who wishes to inspect or copy records is advised to arrange a time in advance, by telephone or letter request made to the Office of the General Counsel. Persons submitting requests by telephone will be notified whether a written request would be advisable to aid in the identification and expeditious processing of the records sought. Written requests should identify the records sought in the manner provided in §1602.8(b) and should request a specific date for inspecting the records. The requester will be advised as promptly as possible if, for any reason, it may not be possible to make the records sought available on the date requested.

§ 1602.7 Index of records.

The Corporation will maintain a current index identifying any matter within the scope of §1602.4 and §1602.5(b) (1) through (5). The index will be maintained and made available for public inspection and copying at the Corporation’s office in Washington, DC. The cost of a copy of the index will not exceed the standard charge for duplication set out in §1602.13(e). The Corporation will also make the index available on its websites.

§ 1602.8 Requests for records.

(a) Except for records required by the FOIA to be published in the Federal Register (§1602.4) or to be made available in the public reading room (§1602.5), Corporation records will be made promptly available, upon request, to any person in accordance with this section, unless it is determined that such records should be withheld and are exempt from mandatory disclosure under the FOIA and §1602.9.

(b) Requests. Requests for records under this section shall be made in writing, with the envelope and the letter or e-mail request clearly marked Freedom of Information Request. All such requests shall be addressed to the Corporation’s Office of the General Counsel. Requests by letter shall use the address given in §1602.5(a). E-mail requests shall be addressed to info@smtp.lsc.gov. Any request not marked and addressed as specified in this paragraph will be so marked by Corporation personnel as soon as it is properly identified, and will be forwarded immediately to the Office of the General Counsel. A request improperly addressed will not be deemed to have been received for purposes of the time period set forth in paragraph (i) of this section until it has been received by the Office of the General Counsel. Upon receipt of an improperly addressed request, the General Counsel or designee shall notify the requester of the date on which the time period began.

(c) A request must reasonably describe the records requested so that employees of the Corporation who are familiar with the subject area of the request are able, with a reasonable amount of effort, to determine which particular records are within the scope of the request. If it is determined that a request does not reasonably describe the records sought, the requester shall be so informed and provided an opportunity to confer with Corporation personnel in order to attempt to formulate the request in a manner that will meet the needs of the requester and the requirements of this paragraph.

(d) To facilitate the location of records by the Corporation, a requester should try to provide the following kinds of information, if known:
(1) The specific event or action to which the record refers;
(2) The unit or program of the Corporation which may be responsible for or may have produced the record;
(3) The date of the record or the date or period to which it refers or relates;
(4) The type of record, such as an application, a grant, a contract, or a report;
(5) Personnel of the Corporation who may have prepared or have knowledge of the record;
(6) Citations to newspapers or publications which have referred to the record.

(e) The Corporation is not required to create a record or to perform research to satisfy a request.

(f) Estimated fees. The Corporation shall advise the requester of any estimated fees as promptly as possible. The Corporation may require that fees be paid in advance, in accordance with §1602.13(i), and the Corporation will advise a requester as promptly as possible if the fees are estimated to exceed $25 or any limit indicated by the requester.

(g) Any request for a waiver or reduction of fees should be included in the FOIA request, and any such request should indicate the grounds for a waiver or reduction of fees, as set out in §1602.13(f). The Corporation shall respond to such request as promptly as possible.

(h) Format. The Corporation will provide records in the form or format indicated by the requester to the extent such records are readily reproducible in the requested form or format.

(i)(1) The General Counsel or designee, upon request for any records made in accordance with this section, except in the case of a request for Office of Inspector General records, shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 working days after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(2) Initial response/delays. If the General Counsel or designee determines that a request or portion thereof is for Office of Inspector General records, the General Counsel or designee shall promptly refer the request or portion thereof to the Office of Inspector General and send notice of such referral to the requester. In such case, the Counsel to the Inspector General or designee shall make an initial determination of whether to comply with or deny such request and dispatch such determination to the requester within 20 working days after receipt of such request, except for unusual circumstances, in which case the time limit may be extended for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which a determination is expected to be dispatched.

(3) Unusual circumstances. As used in this part, “unusual circumstances” are limited to the following, but only to the extent reasonably necessary for the proper processing of the particular request:

(i) The need to search for and collect the requested records from establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request;

(iii) The need for consultation, which shall be conducted with all practicable speed, with another agency or organization, such as a recipient, having a substantial interest in the determination of the request or among two or more components of the Corporation having substantial subject matter interest therein.

(j) If a request is particularly broad or complex so that it cannot be completed within the time periods stated in paragraph (i) of this section, the Corporation may ask the requester to narrow the request or agree to an additional delay.

(k) When no determination can be dispatched within the applicable time limit, the General Counsel or designee or the Counsel to the Inspector General
or designee shall inform the requester of the reason for the delay, the date on which a determination may be expected to be dispatched, and the requester’s right to treat the delay as a denial and to appeal to the Corporation’s President or Inspector General, in accordance with §1602.12. If no determination has been dispatched by the end of the 20-day period, or the last extension thereof, the requester may deem the request denied, and exercise a right of appeal in accordance with §1602.12. The General Counsel or designee or the Counsel to the Inspector General or designee may ask the requester to forego appeal until a determination is made.

(l) After it has been determined that a request will be granted, the Corporation will act with due diligence in providing a substantive response.

(m)(1) Expedited treatment. Requests and appeals will be taken out of order and given expedited treatment whenever the requester demonstrates a compelling need. A compelling need means:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) An urgency to inform the public about an actual or alleged Corporation or Federal government activity and the request is made by a person primarily engaged in disseminating information;

(iii) The loss of substantial due process rights; or

(iv) A matter of widespread and exceptional media interest in which there exist possible questions about the Corporation’s or the Federal government’s integrity which affect public confidence.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing must be properly addressed and marked and received by the Corporation pursuant to paragraphs (b) of this section.

(3) A requester who seeks expedited processing must submit a statement demonstrating a compelling need that is certified by the requester to be true and correct to the best of that person’s knowledge and belief, explaining in detail the basis for requesting expedited processing.

(4) Within ten calendar days of its receipt of a request for expedited processing, the General Counsel or designee or the Inspector General or designee shall decide whether to grant the request and shall notify the requester of the decision. If a request for expedited treatment is granted, the request shall be given priority and shall be processed as soon as practicable. If a request for expedited processing is denied, any appeal of that decision shall be acted on expeditiously by the Corporation.

§1602.9 Exemptions for withholding records.

(a) A requested record of the Corporation may be withheld from public disclosure only if one or more of the following categories exempted by the FOIA apply:

(1) Matter which is related solely to the internal personnel rules and practices of the Corporation;

(2) Matter which is specifically exempted from disclosure by statute (other than the exemptions under FOIA at 5 U.S.C. 552(b)), provided that such statute requires that the matters be withheld from the public in such a manner as to leave no discretion on the issues, or establishes particular criteria for withholding, or refers to particular types of matters to be withheld;

(3) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(4) Inter-agency or intra-agency memoranda or letters which would not be available by law to a party other than an agency in litigation with the Corporation;

(5) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(6) Records or information compiled for law enforcement purposes including enforcing the Legal Services Corporation Act or any other law, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;
(ii) Would deprive a person or a recipient of a right to a fair trial or an impartial adjudication;
(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;
(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and in the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, information furnished by a confidential source;
(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or
(vi) Could reasonably be expected to endanger the life or physical safety of any individual;
(b) In the event that one or more of the exemptions in paragraph (a) of this section apply, any reasonably segregable portion of a record shall be provided to the requester after deletion of the portions that are exempt. The amount of information deleted shall be indicated on the released portion of the record, unless doing so would harm the interest protected by the exemption under which the deletion is made. If technically feasible, the amount of information deleted shall be indicated at the place in the record where the deletion is made. In appropriate circumstances, at the discretion of the Corporation officials authorized to grant or deny a request for records, after appropriate consultation as provided in §1602.10, it may be possible to provide a requester with:
(1) A summary of information in the exempt portion of a record; or
(2) An oral description of the exempt portion of a record.
(c) No requester shall have a right to insist that any or all of the techniques in paragraph (b) of this section should be employed in order to satisfy a request.
(d) Records that may be exempt from disclosure pursuant to paragraph (a) of this section may be made available at the discretion of the Corporation official authorized to grant or deny the request for records, after appropriate consultation as provided in §1602.10. Records may be made available pursuant to this paragraph when disclosure is not prohibited by law, and it does not appear adverse to legitimate interests of the Corporation, the public, a recipient, or any person.

§1602.10 Officials authorized to grant or deny requests for records.
(a) The General Counsel shall furnish necessary advice to Corporation officials and staff as to their obligations under this part and shall take such other actions as may be necessary or appropriate to assure a consistent and equitable application of the provisions of this part by and within the Corporation.
(b) The General Counsel or designee and the Counsel to the Inspector General or designee are authorized to grant or deny requests under this part. In the absence of a Counsel to the Inspector General, the Inspector General shall name a designee who will be authorized to grant or deny requests under this part and who will perform all other functions of the Counsel to the Inspector General under this part. The General Counsel or designee shall consult with the Office of Inspector General prior to granting or denying any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which are maintained by other components of the Corporation. The Counsel to the Inspector General or designee shall consult with the Office of the General Counsel prior to granting or denying any requests for records.

§1602.11 Denials.
(a) A denial of a written request for a record that complies with the requirements of §1602.8 shall be in writing and shall include the following:
(1) A reference to the applicable exemption or exemptions in §1602.9 (a) upon which the denial is based;
(2) An explanation of how the exemption applies to the requested records;
(3) A statement explaining why it is deemed unreasonable to provide segregable portions of the record after deleting the exempt portions;
(4) An estimate of the volume of requested matter denied unless providing such estimate would harm the interest protected by the exemption under which the denial is made;
(5) The name and title of the person or persons responsible for denying the request; and
(6) An explanation of the right to appeal the denial and of the procedures for submitting an appeal, including the address of the official to whom appeals should be submitted.

(b) Whenever the Corporation makes a record available subject to the deletion of a portion of the record, such action shall be deemed a denial of a record for purposes of paragraph (a) of this section.

(c) All denials shall be treated as final opinions under §1602.5(b).

§ 1602.12 Appeals of denials.

(a) Any person whose written request has been denied is entitled to appeal the denial within 90 days by writing to the President of the Corporation or, in the case of a denial of a request for Office of Inspector General records, the Inspector General, at the addresses given in §1602.5(a) and §1602.8(b). The envelope and letter or e-mail appeal should be clearly marked: “Freedom of Information Appeal.” An appeal need not be in any particular form, but should adequately identify the denial, if possible, by describing the requested record, identifying the official who issued the denial, and providing the date on which the denial was issued.

(b) No personal appearance, oral argument, or hearing will ordinarily be permitted on appeal of a denial. Upon request and a showing of special circumstances, however, this limitation may be waived and an informal conference may be arranged with the President or designee, or Inspector General or designee, for this purpose.

(c) The decision of the President or the Inspector General on an appeal shall be in writing and, in the event the denial is in whole or in part upheld, shall contain an explanation responsive to the arguments advanced by the requester, the matters described in §1602.11(a) (1) through (4), and the provisions for judicial review of such decision under section 552(a)(4) of the FOIA. The decision shall be dispatched to the requester within 20 working days after receipt of the appeal, unless an additional period is justified pursuant to §1602.8(i) and such period taken together with any earlier extension does not exceed 10 days. The decision of the President or the Inspector General shall constitute the final action of the Corporation. All such decisions shall be treated as final opinions under §1602.5(b).

(d) On an appeal, the President or designee shall consult with the Office of Inspector General prior to reversing in whole or in part the denial of any request for records or portions of records which originated with the Office of Inspector General, or which contain information which originated with the Office of Inspector General, but which are maintained by other components of the Corporation. The Inspector General or designee shall consult with the President prior to reversing in whole or in part the denial.

§ 1602.13 Fees.

(a) No fees will be charged for information routinely provided in the normal course of doing business.

(b) Fees shall be limited to reasonable standard charges for document search, review, and duplication, when records are requested for commercial use;

(c) Fees shall be limited to reasonable standard charges for document duplication after the first 100 pages, when records are sought by a representative of the news media or by an educational or non-commercial scientific institution; and

(d) For all other requests, fees shall be limited to reasonable standard charges for search time after the first 2 hours and duplication after the first 100 pages.

(e) The schedule of charges for services regarding the production or disclosure of the Corporation’s records is as follows:
(1) Manual search for and review of records will be charged as follows:
   (i) Band 1: $10.26 per hour;
   (ii) Band 2: $16.12 per hour;
   (iii) Band 3: $25.22 per hour;
   (iv) Band 4-5: $42 per hour;
   (v) Charges for search and review time less than a full hour will be billed by quarter-hour segments;
(2) Computer time: actual charges as incurred;
(3) Duplication by paper copy: 10 cents per page;
(4) Duplication by other methods: actual charges as incurred;
(5) Certification of true copies: $1.00 each;
(6) Packing and mailing records: no charge for regular mail;
(7) Special delivery or express mail: actual charges as incurred.

(f) Fee waivers. Fees will be waived or reduced below the fees established under paragraph (e) of this section if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the Corporation or Federal government operations or activities.

(1) In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the Corporation or Federal government operations or activities, the Corporation will consider the following four criteria:
   (i) The subject of the request: Whether the subject of the requested records concerns the operations or activities of the Corporation or Federal government;
   (ii) The informative value of the information to be disclosed: Whether the disclosure is likely to contribute to an understanding of the Operations of the Corporation or the Federal government;
   (iii) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to “public understanding”; and
   (iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute “significantly” to public understanding of the Corporation or Federal government operations or activities.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, the Corporation will consider the following two factors:
   (i) The existence and magnitude of a commercial interest: Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so, (ii) The primary interest in disclosure: Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.”

(3) These fee waiver/reduction provisions will be subject to appeal in the same manner as appeals from denial under §1602.12.

(g) No fee will be charged under this section unless the cost of routine collection and processing of the fee payment is likely to exceed $6.50.

(h) Requesters must agree to pay all fees charged for services associated with their requests. The Corporation will assume that requesters agree to pay all charges for services associated with their requests up to $25 unless otherwise indicated by the requester. For requests estimated to exceed $25, the Corporation will first consult with the requester prior to processing the request, and such requests will not be deemed to have been received by the Corporation until the requester agrees in writing to pay all fees charged for services.

(i) No requester will be required to make an advance payment of any fee unless:
   (1) The requester has previously failed to pay a required fee within 30 days of the date of billing, in which case an advance deposit of the full amount of the anticipated fee together with the fee then due plus interest accrued may be required. (The request will not be deemed to have been received by the Corporation until such payment is made.); or
   (2) The Corporation determines that an estimated fee will exceed $250, in
which case the requester shall be notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. Such notification shall be transmitted as soon as possible, but in any event within 5 working days of receipt by the Corporation, giving the best estimate then available. The notification shall offer the requester the opportunity to confer with appropriate representatives of the Corporation for the purpose of reformulating the request so as to meet the needs of the requester at a reduced cost. The request will not be deemed to have been received by the Corporation for purposes of the initial 20-day response period until the requester makes a deposit on the fee in an amount determined by the Corporation.

(j) Interest may be charged to those requesters who fail to pay the fees charged. Interest will be assessed on the amount billed, starting on the 31st day following the day on which the billing was sent. The rate charged will be as prescribed in 31 U.S.C. 3717.

(k) If the Corporation reasonably believes that a requester or group of requesters is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, the Corporation shall aggregate such requests and charge accordingly. Likewise, the Corporation will aggregate multiple requests for documents received from the same requester within 45 days.

(l) The Corporation reserves the right to limit the number of copies that will be provided of any document to any one requester or to require that special arrangements for duplication be made in the case of bound volumes or other records representing unusual problems of handling or reproduction.

For the purposes of this part:

(c) **Recipient** means any grantee or contractor receiving financial assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.

(d)(1) **Termination** means that a recipient’s level of financial assistance under its grant or contract with the Corporation will be reduced in whole or in part prior to the expiration of the term of a recipient’s current grant or contract. A partial termination will affect only the recipient’s current year’s funding, unless the Corporation provides otherwise in the final termination decision.

(2) A termination does not include:

(i) A reduction of funding required by law, including a reduction in or rescission of the Corporation’s appropriation that is apportioned among all recipients of the same class in proportion to their current level of funding;

(ii) A reduction or deduction of LSC support for a recipient under the Corporation’s fund balance regulation at 45 CFR part 1628;

(a) A grant or contract may be terminated when:

(1) There has been a substantial violation by the recipient of a provision of the LSC Act, the Corporation’s appropriations act or other law applicable to LSC funds, or Corporation rule, regulation, guideline or instruction, or a term or condition of the recipient’s grant or contract, and the violation occurred less than 5 years prior to the date the recipient receives notice of the violation pursuant to §1606.6(a); or

(2) There has been a substantial failure by the recipient to provide high quality, economical, and effective legal assistance, as measured by generally accepted professional standards, the provisions of the LSC Act, or a rule, regulation, including 45 CFR 1634.9(a)(2), or guidance issued by the Corporation.

(b) A determination of whether there has been a substantial violation for the purposes of paragraph (a)(1) of this section will be based on consideration of the following criteria:

(2) Whether the violation represents an instance of noncompliance with a substantive statutory or regulatory restriction or requirement, rather than an instance of noncompliance with a non-substantive technical or procedural requirement;

(3) The extent to which the violation is part of a pattern of noncompliance with LSC requirements or restrictions;

(4) The extent to which the recipient failed to take action to cure the violation when it became aware of the violation; and

(5) Whether the violation was knowing and willful.

(ii) An agreement for professional services with an IPA debarred by the Corporation during the period of debarment if so precluded by the terms of the debarment; or

(5) The filing of a lawsuit by a recipient, provided that the lawsuit:

(i) Was filed on behalf of the recipient as plaintiff, rather than on behalf of a client of the recipient;

(ii) Named the Corporation, or any agency or employee of a Federal, State, or local government as a defendant;

(iii) Seeks judicial review of an action by the Corporation or such government agency that affects the recipient’s status as a recipient of Federal funding, except for a lawsuit that seeks review of whether the Corporation or agency acted outside of its statutory authority or violated the recipient’s constitutional rights; and

(iv) Was initiated after the effective date of this rule.

§ 1606.5 Termination and debarment procedures.

Before a recipient’s grant or contract may be terminated or a recipient may be debarred, the Corporation employee who has been designated by the President as the person to bring such actions (hereinafter referred to as the “designated employee”) shall issue a written notice to the recipient and the Chairperson of the recipient’s governing body. (ii) a hearing under §1606.8; and

(5) Inform the recipient of its right to receive interim funding pursuant to §1606.13.

(b) If the recipient does not request an informal conference or a hearing within the time prescribed in §1606.7(a) or §1606.8(a), the preliminary determination shall become final.

§ 1606.7 Informal conference.

(a) A recipient may submit a request for an informal conference within 30 days of its receipt of the proposed decision.

(b) Within 5 days of receipt of the request, the designated employee shall notify the recipient of the time and place the conference will be held.

(c) The designated employee shall conduct the informal conference.

(d) At the informal conference, the designated employee and the recipient shall both have an opportunity to state their case, seek to narrow the issues, and explore the possibilities of settlement or compromise.

(e) The designated employee may modify, withdraw, or affirm the preliminary determination in writing, a copy of which shall be provided to the recipient within 10 days of the conclusion of the informal conference.

§ 1606.8 Hearing.

(a) The recipient may make written request for a hearing within 30 days of
§ 1606.9 Recommended decision.

(a) Within 20 calendar days after the conclusion of the hearing, the hearing officer shall issue a written recommended decision which may:

(2) Continue the recipient’s current grant or contract, subject to any modification or condition that may be deemed necessary on the basis of information adduced at the hearing; and/or

(3) Debar the recipient from receiving an additional award of financial assistance from the Corporation.

(b) The recommended decision shall contain findings of the significant and relevant facts and shall state the reasons for the decision. Findings of fact shall be based solely on the record of, and the evidence adduced at the hearing or on matters of which official notice was taken.

§ 1606.10 Final decision.

(a) If neither the Corporation nor the recipient requests review by the President, a recommended decision shall become final 10 calendar days after receipt by the recipient.

(b) The recipient or the Corporation may seek review by the President of a recommended decision. A request shall

45 CFR Ch. XVI (10–1–01 Edition)
be made in writing within 10 days after receipt of the recommended decision by the party seeking review and shall state in detail the reasons for seeking review.

(c) The President’s review shall be based solely on the information in the administrative record of the termination or debarment proceedings and any additional submissions, either oral or in writing, that the President may request. A recipient shall be given a copy of and an opportunity to respond to any additional submissions made to the President. All submissions and responses made to the President shall become part of the administrative record.

(d) As soon as practicable after receipt of the request for review of a recommended decision, but not later than 30 days after the request for review, the President may adopt, modify, or reverse the recommended decision, or direct further consideration of the matter. In the event of modification or reversal, the President’s decision shall conform to the requirements of §1606.9(b).

(e) The President’s decision shall become final upon receipt by the recipient.

§1606.12 Time and waiver.

(a) Except for the 6-year time limit for debarments in §1606.11(c), any period of time provided in these rules may, upon good cause shown and determined, be extended:

(1) By the designated employee who issued the preliminary decision until a hearing officer has been appointed;

(2) By the hearing officer, until the recommended decision has been issued;

(3) By the President at any time.
§ 1606.13

(b) Failure by the Corporation to meet a time requirement of this part does not preclude the Corporation from terminating a recipient’s grant or contract with the Corporation.

§ 1606.13 Interim and termination funding; reprogramming.

(a) Pending the completion of termination proceedings under this part, the Corporation shall provide the recipient with the level of financial assistance provided for under its current grant or contract with the Corporation.

(b) After a final decision has been made to terminate a recipient’s grant or contract, the recipient loses all rights to the terminated funds.

(c) After a final decision has been made to terminate a recipient’s grant or contract, the Corporation may authorize termination funding if necessary to enable the recipient to close or transfer current matters in a manner consistent with the recipient’s professional responsibilities to its present clients.

(d) Funds recovered by the Corporation pursuant to a termination shall be used in the same service area from which they were recovered or will be reallocated by the Corporation for basic field purposes.

§ 1606.14 Recompetition.

After a final decision has been issued by the Corporation terminating financial assistance to a recipient in whole for any service area, the Corporation shall implement a new competitive bidding process for the affected service area. Until a new recipient has been awarded a grant pursuant to such process, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in the service area pursuant to §1634.11.

PART 1607—GOVERNING BODIES

§ 1607.1 Purpose.

This part is designed to insure that the governing body of a recipient will be well qualified to guide a recipient in its efforts to provide high-quality legal assistance to those who otherwise would be unable to obtain adequate legal counsel and to insure that the recipient is accountable to its clients.

§ 1607.2 Definitions.

As used in this part,

(a) Attorney member means a board member who is an attorney admitted to practice in a State within the recipient’s service area.

(b) Board member means a member of a recipient’s governing body or policy body.

(c) Eligible client member means a board member who is financially eligible to receive legal assistance under the Act and part 1611 of this chapter at the time of appointment to each term of office to the recipient’s governing body, without regard to whether the person actually has received or is receiving legal assistance at that time. Eligibility of client members shall be determined by the recipient or, if the recipient so chooses, by the appointing organization(s) or group(s) in accordance with written policies adopted by the recipient.

(d) Governing body means the board of directors or other body with authority to govern the activities of a recipient receiving funds under §1006(a)(1)(A) of the Act.

§ 1607.3 Composition.

(a) A recipient shall be incorporated in a State in which it provides legal assistance and shall have a governing body which reasonably reflects the interests of the eligible clients in the
area served and which consists of members, each of whom is supportive of the purposes of the Act and has an interest in, and knowledge of, the delivery of quality legal services to the poor.

(b) At least sixty percent (60%) of a governing body shall be attorney members.

(1) A majority of the members of the governing body shall be attorney members appointed by the governing body(ies) of one or more State, county or municipal bar associations, the membership of which represents a majority of attorneys practicing law in the localities in which the recipient provides legal assistance.

(i) Appointments may be made either by the bar association which represents a majority of attorneys in the recipient’s service area or by bar associations which collectively represent a majority of the attorneys practicing law in the recipient’s service area.

(ii) Recipients that provide legal assistance in more than one State may provide that appointments of attorney members be made by the appropriate bar association(s) in the State(s) or locality(ies) in which the recipient’s principal office is located or in which the recipient provides legal assistance.

(2) Any additional attorney members may be selected by the recipient’s governing body or may be appointed by other organizations designated by the recipient which have an interest in the delivery of legal services to the poor.

(3) Appointments shall be made so as to ensure that the attorney members reasonably reflect the diversity of the legal community and the population of the areas served by the recipient, including race, ethnicity, gender and other similar factors.

(c) At least one-third of the members of a recipient’s governing body shall be eligible clients when appointed. The members who are eligible clients shall be appointed by a variety of appropriate groups designated by the recipient that may include, but are not limited to, client and neighborhood associations and community-based organizations which advocate for or deliver services or resources to the client community served by the recipient. Recipients shall designate groups in a manner that reflects, to the extent possible, the variety of interests within the client community, and eligible client members should be selected so that they reasonably reflect the diversity of the eligible client population served by the recipient, including race, gender, ethnicity and other similar factors.

(d) The remaining members of a governing body may be appointed by the recipient’s governing body or selected in a manner described in the recipient’s bylaws or policies, and the appointment or selection shall be made so that the governing body as a whole reasonably reflects the diversity of the areas served by the recipient, including race, ethnicity, gender and other similar factors.

(e) The nonattorney members of a governing body shall not be dominated by persons serving as the representatives of a single association, group or organization, except that eligible client members may be selected from client organizations that are composed of coalitions of numerous smaller or regionally based client groups.

(f) Members of a governing body may be selected by appointment, election, or other means consistent with this part and with the recipient’s bylaws and applicable State law.

(g) Recipients shall make reasonable and good faith efforts to ensure that governing body vacancies are filled as promptly as possible.

(h) Recipients may recommend candidates for governing body membership to the appropriate bar associations and other appointing groups and should consult with the appointing organizations to ensure that:

(1) Appointees meet the criteria for board membership set out in this part, including financial eligibility for persons appointed as eligible clients, bar admittance requirements for attorney board members, and the general requirements that all members be supportive of the purposes of the Act and have an interest in and knowledge of the delivery of legal services to the poor;

(2) The particular categories of board membership and the board as a whole meet the diversity requirements described in §§1607.3(b)(3), 1607.3(c) and 1607.3(d);
§ 1607.4 Functions of a governing body.

(a) A governing body shall have at least four meetings a year. A recipient shall give timely and reasonable prior public notice of all meetings, and all meetings shall be public except for those concerned with matters properly discussed in executive session in accordance with written policies adopted by the recipient’s governing body.

(b) In addition to other powers and responsibilities that may be provided for by State law, a governing body shall establish and enforce broad policies governing the operation of a recipient, but neither the governing body nor any member thereof shall interfere with any attorney’s professional responsibilities to a client or obligations as a member of the profession or interfere with the conduct of any ongoing representation.

(c) A governing body shall adopt bylaws which are consistent with State law and the requirements of this part. Recipients shall submit a copy of such bylaws to the Corporation and shall give the Corporation notice of any changes in such bylaws within a reasonable time after the change is made.

§ 1607.5 Compensation.

(a) While serving on the governing body of a recipient, no attorney member shall receive compensation from that recipient, but any member may receive a reasonable per diem expense payment or reimbursement for actual expenses for normal travel and other reasonable out-of-pocket expenses in accordance with written policies adopted by the recipient.

(b) Pursuant to a waiver granted under §1607.6(b)(1), a recipient may adopt policies that would permit partners or associates of attorney members to participate in any compensated private attorney involvement activities supported by the recipient.

(c) A recipient may adopt policies that permit attorney members, subject to terms and conditions applicable to other attorneys in the service area:

(1) To accept referrals of fee-generating cases under part 1609 of these regulations;

(2) To participate in any uncompensated private attorney involvement activities supported by the recipient;

(3) To seek and accept attorneys’ fees awarded by a court or administrative body or included in a settlement in cases undertaken pursuant to §§1607.5(c)(1) and (2);

(4) To receive reimbursement from the recipient for out-of-pocket expenses incurred by the attorney member as part of the activities undertaken pursuant to §1607.5(c)(2).

§ 1607.6 Waiver.

(a) Upon application, the president shall waive the requirements of this part to permit a recipient that was funded under §222(a)(3) of the Economic Opportunity Act of 1964 and, on July 25, 1974, had a majority of persons who were not attorneys on its governing body, to continue such nonattorney majority.

(b) Upon application, the president may waive any of the requirements of this part which are not mandated by applicable law if a recipient demonstrates that it cannot comply with them because of:

(1) The nature of the population, legal community or area served; or

(2) Special circumstances, including but not limited to, conflicting requirements of the recipient’s other major funding source(s) or State law.

(c) A recipient seeking a waiver under §1607.6(b)(1) shall demonstrate that it has made diligent efforts to comply with the requirements of this part.

(d) As a condition of granting a waiver under §1607.6(b)(2) of any of the requirements imposed upon governing bodies by §1607.3, the president shall require that a recipient have a policy body with a membership composed and appointed in the manner prescribed by §1607.3. Such policy body shall be subject to the meeting requirements of
§ 1607.4(a) and its attorney members shall be subject to the restrictions on compensation contained in §1607.5. The policy body shall have such specific powers and responsibilities as the President determines are necessary to enable it to formulate and enforce policy with respect to the services provided under the recipient’s LSC grant or contract.

PART 1609—FEE-GENERATING CASES

SOURCE: 62 FR 19399, Apr. 21, 1997, unless otherwise noted.

§ 1609.1 Purpose.
This part is designed:
(a) To ensure that recipients do not use scarce legal services resources when private attorneys are available to provide effective representation and
(b) To assist eligible clients to obtain appropriate and effective legal assistance.

§ 1609.2 Definition.
(a) Fee-generating case means any case or matter which, if undertaken on behalf of an eligible client by an attorney in private practice, reasonably may be expected to result in a fee for legal services from an award to a client, from public funds or from the opposing party.

(b) Fee-generating case does not include a case where:
(1) A court appoints a recipient or an employee of a recipient to provide representation in a case pursuant to a statute or a court rule or practice equally applicable to all attorneys in the jurisdiction, or
(2) A recipient undertakes representation under a contract with a government agency or other entity.

§ 1609.3 General requirements.
(a) Except as provided in paragraph (b) of this section, a recipient may not provide legal assistance in a fee-generating case unless:
(1) The case has been rejected by the local lawyer referral service, or by two private attorneys; or
(2) Neither the referral service nor two private attorneys will consider the case without payment of a consultation fee.

(b) A recipient may provide legal assistance in a fee-generating case without first attempting to refer the case pursuant to paragraph (a) of this section only when:
(2) The recipient, after consultation with appropriate representatives of the private bar, has determined that the type of case is one that private attorneys in the area served by the recipient ordinarily do not accept, or do not accept without prepayment of a fee; or
(3) The director of the recipient, or the director’s designee, has determined that referral of the case to the private bar is not possible because:
(i) Documented attempts to refer similar cases in the past generally have been futile;
(ii) Emergency circumstances compel immediate action before referral can be made, but the client is advised that, if appropriate, and consistent with professional responsibility, referral will be attempted at a later time; or

§ 1609.4 Recipient policies, procedures and recordkeeping:

(g) Transfer means a payment of LSC funds by a recipient to a person or entity for the purpose of conducting programmatic activities that are normally conducted by the recipient, such as the representation of eligible clients, or that provide direct support to the recipient’s legal assistance activities. Transfer does not include any payment of LSC funds to vendors, accountants or other providers of goods and services made by the recipient in the normal course of business.

(h) Tribal funds means funds received from an Indian tribe or from a private nonprofit foundation or organization for the benefit of Indians or Indian tribes.

§ 1610.4 Authorized use of non-LSC funds.

(a) A recipient may receive tribal funds and expend them in accordance with the specific purposes for which the tribal funds were provided.

(b) A recipient may receive public or IOLTA funds and use them in accordance with the specific purposes for which they were provided, if the funds are not used for any activity prohibited by or inconsistent with Section 504.

(d) A recipient may use non-LSC funds to provide legal assistance to an individual who is not financially eligible for services under part 1611 of this chapter, provided that the funds are used for the specific purposes for which those funds were provided and are not used for any activity prohibited by the LSC Act or prohibited by or inconsistent with Section 504.

§ 1610.5 Notification.

(a) Except as provided in paragraph (b) of this section, no recipient may accept funds from any source other than the Corporation, unless the recipient provides to the source of the funds written notification of the prohibitions and conditions which apply to the funds.

(b) A recipient is not required to provide such notification for receipt of contributions of less than $250.

§ 1610.6 Applicability.

Notwithstanding §1610.7(a), the prohibitions referred to in §§1610.2(a)(4) (Criminal proceedings), (a)(5) (Actions challenging criminal convictions), (b)(7) (Aliens) or (b)(11) (Prisoner litigation) of this part will not apply to:

(a) A recipient’s or subrecipient’s separately funded public defender program or project; or

(b) Criminal or related cases accepted by a recipient or subrecipient pursuant to a court appointment.
§ 1610.7 Transfers of LSC funds.

(a) If a recipient transfers LSC funds to another person or entity, the prohibitions and requirements referred to in this part, except as modified by paragraphs (b) and (c) of this section, will apply both to the LSC funds transferred and to the non-LSC funds of the person or entity to whom those funds are transferred.

(b)(1) In regard to the requirement in §1610.2(b)(5) on priorities, persons or entities receiving a transfer of LSC funds shall either:

(i) Use the funds transferred consistent with the recipient's priorities; or

(ii) Establish their own priorities for the use of the funds transferred consistent with 45 CFR part 1620;

(c) For a transfer of LSC funds to bar associations, pro bono programs, private attorneys or law firms, or other entities for the sole purpose of funding private attorney involvement activities (PAI) pursuant to 45 CFR part 1614, the prohibitions or requirements of this part shall apply only to the funds transferred.

§ 1610.8 Program integrity of recipient.

(a) A recipient must have objective integrity and independence from any organization that engages in restricted activities. A recipient will be found to have objective integrity and independence from such an organization if:

(1) The other organization is a legally separate entity;

(2) The other organization receives no transfer of LSC funds, and LSC funds do not subsidize restricted activities; and

(3) The recipient is physically and financially separate from the other organization. Mere bookkeeping separation of LSC funds from other funds is not sufficient. Whether sufficient physical and financial separation exists will be determined on a case-by-case basis and will be based on the totality of the facts. The presence or absence of any one or more factors will not be determinative. Factors relevant to this determination shall include but will not be limited to:

(i) The existence of separate personnel;

(ii) The existence of separate accounting and timekeeping records;

(iii) The degree of separation from facilities in which restricted activities occur, and the extent of such restricted activities; and

(iv) The extent to which signs and other forms of identification which distinguish the recipient from the organization are present.

(b) Each recipient's governing body must certify to the Corporation within 180 days of the effective date of this part that the recipient is in compliance with the requirements of this section. Thereafter, the recipient's governing body must certify such compliance to the Corporation on an annual basis.

§ 1610.9 Accounting.

Funds received by a recipient from a source other than the Corporation shall be accounted for as separate and distinct receipts and disbursements in a manner directed by the Corporation.

PART 1611—ELIGIBILITY

§ 1611.1 Purpose.

This part is designed to ensure that a recipient will determine eligibility according to criteria that give preference to the legal needs of those least able to obtain legal assistance, and afford sufficient latitude for a recipient to consider local circumstances and its own
 resource limitations. The part also seeks to ensure that eligibility is determined in a manner conducive to development of an effective attorney-client relationship.

§ 1611.2 Definitions.

Governmental program for the poor means any Federal, State or local program that provides benefits of any kind to persons whose eligibility is determined on the basis of financial need.

Income means actual current annual total cash receipts before taxes of all persons who are resident members of, and contribute to, the support of a family unit.

Total cash receipts include money wages and salaries before any deduction, but do not include food or rent in lieu of wages; income from self-employment after deductions for business or farm expenses; regular payments from public assistance; social security; unemployment and worker’s compensation; strike benefits from union funds; veterans benefits; training stipends; alimony, child support and military family allotments or other regular support from an absent family member or someone not living in the household; public or private employee pensions, and regular insurance or annuity payments; and income from dividends, interest, rents, royalties or from estates and trusts. They do not include money withdrawn from a bank, tax refunds, gifts, compensation and/or one-time insurance payments for injuries sustained, and non-cash benefits.

§ 1611.3 Maximum income level.

(a) Every recipient shall establish a maximum annual income level for persons to be eligible to receive legal assistance under the Act.

(b) Unless specifically authorized by the Corporation, a recipient shall not establish a maximum annual income level that exceeds one hundred and twenty-five percent (125 percent) of the current official Federal Poverty Income Guidelines. The maximum annual income levels are set forth in Appendix A.

(c) Before establishing its maximum income level, a recipient shall consider relevant factors including:

1. Cost-of-living in the locality;

2. The number of clients who can be served by the resources of the recipient;

3. The population who would be eligible at and below alternative income levels; and

4. The availability and cost of legal services provided by the private bar in the area.

(d) Unless authorized by §1611.4, no person whose income exceeds the maximum income level established by a recipient shall be eligible for legal assistance under the Act.

(e) This part does not prohibit a recipient from providing legal assistance to a client whose annual income exceeds the maximum income level established here, if the assistance provided the client is supported by funds from a source other than the Corporation.

§ 1611.4 Authorized exceptions.

(a) A person whose gross income exceeds the maximum income level established by a recipient but does not exceed 150 percent of the national eligibility level (125% of poverty) may be provided legal assistance under the Act if:

1. The person’s circumstances require that eligibility should be allowed on the basis of one or more of the factors set forth in §1611.5(b)(1); or

2. The person is seeking legal assistance to secure benefits provided by a governmental program for the poor.

(b) In the event that a recipient determines to serve a person whose gross income exceeds 125% of poverty, that decision shall be documented and included in the client’s file. The recipient shall keep such other records as will provide information to the Corporation as to the number of clients served and the factual bases for the decisions made.

§ 1611.5 Determination of eligibility.

(a) The governing body of a recipient shall adopt guidelines, consistent with these regulations, for determining the eligibility of persons seeking legal assistance under the Act. By January 30, 1984, and annually thereafter, guidelines shall be reviewed and appropriate adjustments made.
Legal Services Corporation

§ 1611.6

(b) In addition to gross income, a recipient shall consider the other relevant factors listed in paragraphs (b)(1) and (b)(2) of this section before determining whether a person is eligible to receive legal assistance.

(1) Factors which shall be used in the determination of the eligibility of clients over the maximum income level shall include:

(A) Current income prospects, taking into account seasonal variations in income;

(B) Medical expenses, and in exceptional instances, with the prior, written approval of the project director based on written documentation received by the recipient and available for review by the Corporation, if a person’s gross income is primarily committed to medical or nursing home expenses, a person may be served even if that person’s gross income exceeds 150 percent of the national eligibility level;

(C) Fixed debts and obligations, including unpaid Federal, state and local taxes from prior years;

(D) Child care, transportation, and other expenses necessary for employment;

(E) Expenses associated with age or physical infirmity of resident family members; and

(F) Other significant factors related to financial inability to afford legal assistance.

(2) Factors which shall be used in the determination of the eligibility of clients under the maximum income level shall include:

(A) Current income prospects, taking into account seasonal variations in income;

(B) The availability of private legal representation at a low cost with respect to the particular matter in which assistance is sought;

(C) The consequences for the individual if legal assistance is denied;

(D) The existence of assets, including both liquid and nonliquid, which are available to the applicant and are in excess of the asset ceiling set by the recipient pursuant to §1611.6;

(E) Other significant factors related to financial inability to afford legal assistance, which may include evidence of a prior administrative or judicial determination that the person’s present lack of income results from refusal or unwillingness, without good cause, to seek or accept suitable employment.

(3)(A) If a recipient tentatively determines to serve a client over the maximum income level on the basis of factors listed in §1611.5(b)(1), the factors listed in §1611.5(b)(2) shall also be used before reaching a final determination.

(B) If a recipient tentatively determines not to serve a client under the maximum income level on the basis of factors listed in §1611.5(b)(2), the factors listed in §1611.5(b)(1) must also be used before reaching a final determination.

(c) A recipient may provide legal assistance to a group, corporation, or association if it is primarily composed of persons eligible for legal assistance under the Act and if it provides information showing that it lacks, and has no practical means of obtaining, funds to retain private counsel.

§ 1611.6 Asset ceilings.

(a) By January 30, 1984, and annually thereafter, the governing body of the recipient shall establish and transmit to the Corporation guidelines incorporating specific and reasonable asset ceilings, including both liquid and non-liquid assets, to be utilized in determining eligibility for services. The guidelines shall consider the economy of the service area and the relative cost-of-living of low-income persons so as to ensure the availability of services to those in the greatest economic and legal need.

(b) The guidelines shall be consistent with the recipient’s priorities established in accordance with 45 CFR 1620 and special consideration shall be given to the legal needs of the elderly, institutionalized, and handicapped.

(c) Assets considered shall include all liquid and non-liquid assets of all persons who are resident members of a family unit, except that a recipient may exclude the principal residence of a client. The guidelines shall take into account impediments to an individual’s access to assets of the family unit or household.

(d) Reasonable equity value in work-related equipment which is essential to the employment or self-employment of
an applicant or member of a family unit, shall not be utilized to disqualify an applicant, provided that the owner is attempting to produce income consistent with its fair market value.

(e) The governing body may establish authority for the project director to waive the ceilings on minimum allowable assets in unusual or extremely meritorious situations. In the event that a waiver is granted, that decision shall be documented and included in the client’s file. The recipient shall keep such other records as will provide information to the Corporation as to the number of clients so served and the factual basis for the decisions made.

§ 1611.7 Manner of determining eligibility.

(a) A recipient shall adopt a simple form and procedure to obtain information to determine eligibility in a manner that promotes the development of trust between attorney and client. The form and procedure adopted shall be subject to approval by the Corporation, and the information obtained shall be preserved, in a manner that protects the identity of the client, for audit by the Corporation.

(b) If there is substantial reason to doubt the accuracy of the information, a recipient shall make appropriate inquiry to verify it, in a manner consistent with an attorney-client relationship.

(c) Information furnished to a recipient by a client to establish financial eligibility shall not be disclosed to any person who is not employed by the recipient in a manner that permits identification of the client, without express written consent of the client, except that the recipient shall provide such information to the Corporation when:

(1) The Corporation is investigating allegations that question the financial eligibility of a previously identified client and the recipient’s representation thereof;

(2) The information sought by the Corporation relates solely to the financial eligibility of that particular client;

(3) The information sought by the Corporation is necessary to confirm or deny specific allegations relating to that particular client’s financial eligibility and the recipient’s representation thereof; and

(4) The specific information sought by the Corporation is not protected by the attorney-client privilege.

The information provided to the Corporation by the recipient shall not be disclosed to any person who is not employed by the Corporation. Prior to providing the information to the Corporation, the recipient shall notify the client that the recipient is required to provide to the Corporation the information sought.

§ 1611.8 Retainer agreement.

(a) A recipient shall execute a written retainer agreement, in a form approved by the Corporation, with each client who receives legal services from the recipient. The retainer agreement shall be executed when representation commences (or, if not possible owing to an emergency situation, as soon thereafter as is practicable), and shall clearly identify the relationship between the client and the recipient, the matter in which representation is sought, the nature of the legal services to be provided, and the rights and responsibilities of the client. The recipient shall retain the executed retainer agreement as part of the client’s file, and shall make the agreement available for review by the Corporation in a manner which protects the identity of the client.

(b) A recipient is not required to execute a written retainer agreement when the only service to be provided is brief advice and consultation.

§ 1611.9 Change in circumstances.

If an eligible client becomes ineligible through a change in circumstances, a recipient shall discontinue representation if the change in circumstances is sufficiently likely to continue for the client to afford private legal assistance, and discontinuation is not inconsistent with the attorney’s professional responsibilities.

(c) No employee of the recipient shall solicit or arrange for a request from any official to testify or otherwise provide information in connection with legislation or rulemaking.
(d) Recipients shall maintain copies of all written requests received by the recipient and written responses made in response thereto and make such requests and written responses available to monitors and other representatives of the Corporation upon request.
(e) Recipients may use non-LSC funds to provide oral or written comment to an agency and its staff in a public rulemaking proceeding.
(f) Recipients may use non-LSC funds to contact or communicate with, or respond to a request from, a State or local government agency, a State or local legislative body or committee, or a member thereof, regarding funding for the recipient, including a pending or proposed legislative or agency proposal to fund such recipient.

§ 1612.7 Public demonstrations and activities.
(a) During working hours, while providing legal assistance or representation to the recipient’s clients or while using recipient resources provided by the Corporation or by private entities, no person shall:
(1) Participate in any public demonstration, picketing, boycott, or strike, except as permitted by law in connection with the employee’s own employment situation; or
(2) Encourage, direct, or coerce others to engage in such activities.
(b) No employee of a recipient shall at any time engage in or encourage others to engage in any:
(1) Rioting or civil disturbance;
(2) Activity determined by a court to be in violation of an outstanding injunction of any court of competent jurisdiction; or
(3) Other illegal activity that is inconsistent with an employee’s responsibilities under applicable law, Corporation regulations, or the rules of professional responsibility of the jurisdiction where the recipient is located or the employee practices law.
§1612.8 Training.
(a) A recipient may not support or conduct training programs that:
(1) Advocate particular public policies;
(2) Encourage or facilitate political activities, labor or anti-labor activities, boycotts, picketing, strikes or demonstrations, or the development of strategies to influence legislation or rulemaking;
(3) Disseminate information about such policies or activities; or
(4) Train participants to engage in activities prohibited by the Act, other applicable law, or Corporation regulations, guidelines or instructions.

(b) Nothing in this section shall be construed to prohibit training of any attorneys or paralegals, clients, lay advocates, or others involved in the representation of eligible clients necessary for preparing them:
(1) To provide adequate legal assistance to eligible clients; or
(2) To provide advice to any eligible client as to the legal rights of the client.

(c) Recipients shall submit semi-annual reports describing their legislative activities with non-LSC funds conducted pursuant to §1612.6, together with such supporting documentation as specified by the Corporation.

§1612.11 Recipient policies and procedures.
Each recipient shall adopt written policies and procedures to guide its staff in complying with this part.

PART 1613—RESTRICTIONS ON LEGAL ASSISTANCE WITH RESPECT TO CRIMINAL PROCEEDINGS

Sec. 1613.1 Purpose.
1613.2 Definition.
1613.3 Prohibition.
1613.4 Authorized representation.

AUTHORITY: Sec. 1007(b)(1); 42 U.S.C. 2996f(b)(1).

SOURCE: 43 FR 32775, July 28, 1978, unless otherwise noted.

§1613.1 Purpose.
This part is designed to insure that Corporation funds will not be used to provide legal assistance with respect to criminal proceedings unless such assistance is required as part of an attorney’s responsibilities as a member of the bar.
§ 1613.2 Definition.

Criminal proceeding means the adversary judicial process prosecuted by a public officer and initiated by a formal complaint, information, or indictment charging a person with an offense denominated “criminal” by applicable law and punishable by death, imprisonment, a jail sentence. A misdemeanor or lesser offense tried in an Indian tribal court is not a “criminal proceeding”.

§ 1613.3 Prohibition.

Corporation funds shall not be used to provide legal assistance with respect to a criminal proceeding, unless authorized by this part.

§ 1613.4 Authorized representation.

Legal assistance may be provided with respect to a criminal proceeding. (a) Pursuant to a court appointment made under a statute or a court rule or practice of equal applicability to all attorneys in the jurisdiction, if authorized by the recipient after a determination that it is consistent with the recipient’s primary responsibility to provide legal assistance to eligible clients in civil matters; or (b) When professional responsibility requires representation in a criminal proceeding arising out of a transaction with respect to which the client is being, or has been, represented by a recipient.

PART 1614—PRIVATE ATTORNEY INVOLVEMENT

Sec.
1614.1 Purpose.
1614.2 General policy.
1614.3 Range of activities.
1614.4 Procedure.
1614.5 Prohibition of revolving litigation funds.
1614.6 Waivers.
1614.7 Failure to comply.

AUTHORITY: Sec. 1007(a)(2)(C) and sec. 1007(a)(3); 42 U.S.C. 2996(a)(2)(C) and 42 U.S.C. 2996(a)(3).

SOURCE: 50 FR 48591, Nov. 26, 1985, unless otherwise noted.

§ 1614.1 Purpose.

(a) This part is designed to ensure that recipients of Legal Services Corporation funds involve private attorneys in the delivery of legal assistance to eligible clients. Except as provided hereafter, a recipient of Legal Services Corporation funding shall devote an amount equal to at least twelve and one-half percent (12 1/2%) of the recipient’s LSC annualized basic field award to the involvement of private attorneys in such delivery of legal services; this requirement is hereinafter sometimes referred to as the “PAI requirement”. Funds received from the Corporation as one-time special grants shall not be considered in determining a recipient’s PAI requirement.

(b) Recipients of Native American or migrant funding shall provide opportunity for involvement in the delivery of services by the private bar in a manner which is generally open to broad participation in those activities undertaken with those funds, or shall demonstrate to the satisfaction of the Corporation that such involvement is not feasible.

(c) Because the Corporation’s PAI requirement is based upon an effort to generate the most possible legal services for eligible clients from available, but limited, resources, recipients should attempt to assure that the market value of PAI activities substantially exceeds the direct and indirect costs being allocated to meet the requirements of this Part.

(d) As of January 1, 1986, the term “private attorney” as used in this Part means an attorney who is not a staff attorney as defined in §1600.1 of these regulations.

(e) After the effective date of this regulation, no PAI funds shall be committed for direct payment to any attorney who for any portion of the previous two years has been a staff attorney as defined in §1600.1 of these regulations; provided, however, that, for the remainder of the 1986 fiscal year, recipients may honor contractual arrangements made to such private attorneys if these arrangements were made before the effective date of this regulation; provided, further, however, that this paragraph shall not be construed to restrict the use of PAI funds in a pro bono or judicare project on the same terms that are available to other
§ 1614.2 General policy.

(a) This part implements the policy adopted by the Board of Directors of the Corporation which requires that a substantial amount of funds be made available to encourage the involvement of private attorneys in the delivery of legal assistance to eligible clients through both pro bono and compensated mechanisms, and that such funds be expended in an economic and efficient manner.

(b) In the case of recipients whose service areas are adjacent, coterminous or overlapping, the recipients may enter into joint efforts to involve the private attorneys in the delivery of legal services to eligible clients, subject to the prior approval of the Office of Field Services. In order to be approved the joint venture plan must meet the following conditions:

(1) The recipients involved in the joint venture plan must plan to expend at least twelve and one-half percent (12½%) of the aggregate of their basic field awards on PAI. In the case of recipients with adjacent service areas, 12½% of each recipient’s grant shall be expended to PAI; provided, however, that such expenditure is subject to waiver under §1614.6;

(2) Each recipient in the joint venture must be a bona fide participant in the activities undertaken by the joint venture; and

(3) The joint PAI venture must provide an opportunity for involving private attorneys throughout the entire joint service area(s).

(c) Private attorney involvement shall be an integral part of a total local program undertaken within the established priorities of that program in a manner that furthers the statutory requirement of high quality, economical and effective client-centered legal assistance to eligible clients. Decisions concerning implementation of the substantial involvement requirement rest with the recipient through its governing body, subject to review and evaluation by the Corporation.

§ 1614.3 Range of activities.

(a) Activities undertaken by the recipient to meet the requirements of this part must include the direct delivery of legal assistance to eligible clients through programs such as organized pro bono plans, reduced fee plans, judicare panels, private attorney contracts, or those modified pro bono plans which provide for the payment of nominal fees by eligible clients and/or organized referral systems; except that payment of attorney’s fees through “revolving litigation fund” systems, as described in §1614.5 of this part, shall neither be used nor funded under this part nor funded with any LSC support;

(b) Activities undertaken by recipients to meet the requirements of this part may also include, but are not limited to:

(1) Support provided by private attorneys to the recipient in its delivery of legal assistance to eligible clients on either a reduced fee or pro bono basis through the provision of community legal education, training, technical assistance, research, advice and counsel; co-counseling arrangements; or the use of private law firm facilities, libraries, computer-assisted legal research systems or other resources; and

(2) Support provided by the recipient in furtherance of activities undertaken pursuant to this Section including the provision of training, technical assistance, research, advice and counsel, or the use of recipient facilities, libraries, computer-assisted legal research systems or other resources.

(c) The specific methods to be undertaken by a recipient to involve private attorneys in the provision of legal assistance to eligible clients will be determined by the recipient’s taking into account the following factors:

(1) The priorities established pursuant to part 1620 of these regulations;

(2) The effective and economic delivery of legal assistance to eligible clients;

(3) The linguistic and cultural barriers to effective advocacy.
(4) The actual or potential conflicts of interest between specific participating attorneys and individual eligible clients; and

(5) The substantive and practical expertise, skills, and willingness to undertake new or unique areas of the law of participating attorneys.

(d) Systems designed to provide direct services to eligible clients by private attorneys on either a pro bono or reduced fee basis, shall include at a minimum, the following components:

1. Intake and case acceptance procedures consistent with the recipient's established priorities in meeting the legal needs of eligible clients;

2. Case assignments which ensure the referral of cases according to the nature of the legal problems involved and the skills, expertise, and substantive experience of the participating attorney;

3. Case oversight and follow-up procedures to ensure the timely disposition of cases to achieve, if possible, the result desired by the client and the efficient and economical utilization of recipient resources; and

4. Access by private attorneys to LSC recipient resources, including those of LSC national and state support centers, that provide back-up on substantive and procedural issues of the law.

(e) The recipient shall demonstrate compliance with this part by utilizing financial systems and procedures and maintaining supporting documentation to identify and account separately for costs related to the PAI effort. Such systems and records shall meet the requirements of the Corporation’s Audit and Accounting Guide for Recipients and Auditors and shall have the following characteristics:

1. They shall accurately identify and account for:

   i. The recipient's administrative, overhead, staff, and support costs related to PAI activities. Non-personnel costs shall be allocated on the basis of reasonable operating data. All methods of allocating common costs shall be clearly documented. If any direct or indirect time of staff attorneys or paralegals is to be allocated as a cost to PAI, such costs must be documented by time sheets accounting for the time those employees have spent on PAI activities. The timekeeping requirement does not apply to such employees as receptionists, secretaries, intake personnel or bookkeepers; however, personnel cost allocations for non-attorney or non-paralegal staff should be based on other reasonable operating data which is clearly documented;

   ii. Payments to private attorneys for support or direct client services rendered. The recipient shall maintain contracts on file which set forth payment systems, hourly rates, and maximum allowable fees. Bills and/or invoices from private attorneys shall be submitted before payments are made. Encumbrances shall not be included in calculating whether a recipient has met the requirement of this part;

   iii. Contractual payments to individuals or organizations that undertake administrative, support, and/or direct services to eligible clients on behalf of the recipient consistent with the provisions of this part. Contracts concerning transfer of LSC funds for PAI activities shall require that such funds be accounted for by the recipient in accordance with LSC guidelines, including the requirements of the Audit and Accounting Guide for Recipients and Auditors and 45 CFR part 1627;

   iv. Other such actual costs as may be incurred by the recipient in this regard.

2. Support and expenses relating to the PAI effort must be reported separately in the recipient’s year-end audit. This shall be done by establishing a separate fund or providing a separate schedule in the financial statement to account for the entire PAI allocation. Recipients are not required to establish separate bank accounts to segregate funds allocated to PAI. Auditors are required to perform sufficient audit tests to enable them to render an opinion on the recipient’s compliance with the requirements of this part.

3. In private attorney models, attorneys may be reimbursed for actual costs and expenses. Attorney's fees paid may not exceed 50% of the local prevailing market rate for that type of service.

4. All records pertaining to a recipient's PAI requirements which do not contain client confidences or secrets as
§ 1614.4 Procedure.

(a) The recipient shall develop a plan and budget to meet the requirements of this part which shall be incorporated as a part of the refunding application or initial grant application. The budget shall be modified as necessary to fulfill this part. That plan shall take into consideration:

(1) The legal needs of eligible clients in the geographical area served by the recipient and the relative importance of those needs consistent with the priorities established pursuant to section 1007(a)(2)(C) of the Legal Services Corporation Act (42 U.S.C. 2996f(a)(2)(C)) and part 1620 of the Regulations (45 CFR part 1620) adopted pursuant thereto;

(2) The delivery mechanisms potentially available to provide the opportunity for private attorneys to meet the established priority legal needs of eligible clients in an economical and effective manner; and

(3) The results of the consultation as required below.

(b) The recipient shall consult with significant segments of the client community, private attorneys, and bar associations, including minority and women’s bar associations, in the recipient’s service area in the development of its annual plan to provide for the involvement of private attorneys in the provision of legal assistance to eligible clients and shall document that each year its proposed annual plan has been presented to all local bar associations within the recipient’s service area and shall summarize their response.

§ 1614.5 Prohibition of revolving litigation funds.

(a) A revolving litigation fund system is a system under which a recipient systematically encourages the acceptance of fee-generating cases as defined in §1609.2 of these regulations by advancing funds to private attorneys to enable them to pay costs, expenses, or attorneys fees for representing clients.

(b) No funds received from the Legal Services Corporation shall be used to establish or maintain revolving litigation fund systems.

(c) The prohibition in paragraph (b) of this section does not prevent recipients from reimbursing or paying private attorneys for costs and expenses, provided:

(1) The private attorney is representing an eligible client in a matter in which representation of the eligible client by the recipient would be allowed under the Act and under the Corporation’s Regulations; and

(2) The private attorney has expended such funds in accordance with a schedule previously approved by the recipient’s governing body or, prior to initiating action in the matter, has requested the recipient to advance the funds.

(d) Nothing in this section shall prevent a recipient from recovering from a private attorney the amount advanced for any costs, expenses, or fees from an award to the attorney for representing an eligible client.

§ 1614.6 Waivers.

(a) While it is the expectation and experience of the Corporation that most basic field programs can effectively expend their PAI requirement, there are some circumstances, temporary or permanent, under which the goal of economical and effective use of Corporation funds will be furthered by a partial, or in exceptional circumstances, a complete waiver of the PAI requirement.

(b) A complete waiver shall be granted by the Office of Field Services (OFS) when the recipient shows to the satisfaction of OFS that:

(1) Because of the unavailability of qualified private attorneys, an attempt to carry out a PAI program would be futile; or

(2) All qualified private attorneys in the program’s service area either refuse to participate or have conflicts generated by their practice which render their participation inappropriate.

(c) A partial waiver shall be granted by OFS when the recipient shows to the satisfaction of OFS that:

452
(1) The population of qualified private attorneys available to participate in the program is too small to use the full PAI allocation economically and effectively; or

(2) Despite the recipient’s best efforts too few qualified private attorneys are willing to participate in the program to use the full PAI allocation economically and effectively; or

(3) Despite a recipient’s best efforts—including, but not limited to, communicating its problems expending the required amount to OFS and requesting and availing itself of assistance and/or advice from OFS regarding the problem—expenditures already made during a program year are insufficient to meet the PAI requirement, and there is insufficient time to make economical and efficient expenditures during the remainder of a program year, but in this instance, unless the shortfall resulted from unforeseen and unusual circumstances, the recipient shall accompany the waiver request with a plan to avoid such a shortfall in the future; or

(4) The recipient uses a fee-for-service program whose current encumbrances and projected expenditures for the current fiscal year would meet the requirement, but its actual current expenditures do not meet the requirement, and could not be increased to do so economically and effectively in the remainder of the program year, or could not be increased to do so in a fiscally responsible manner in view of outstanding encumbrances; or

(5) The recipient uses a fee-for-service program and its PAI expenditures in the prior year exceeded the twelve and one-half percent (12½%) requirement but, because of variances in the timing of work performed by the private attorneys and the consequent billing for that work, its PAI expenditures for the current year fail to meet the twelve and one-half percent (12½%) requirement; or

(6) If, in the reasonable judgment of the recipient’s governing body, it would not be economical and efficient for the recipient to expend its full 12½% of Corporation funds on PAI activities, provided that the recipient has handled and expects to continue to handle at least 12½% of cases brought on behalf of eligible clients through its PAI program(s).

(d) (1) A waiver of special accounting and bookkeeping requirements of this part may be granted by the Audit Division with the concurrence of OFS, if the recipient shows to the satisfaction of the Audit Division of OFS that such waiver will advance the purpose of this part as expressed in §§1614.1 and 1614.2.

(2) As provided in 45 CFR 1627.3(c) with respect to subgrants, alternatives to Corporation audit requirements or to the accounting requirements of this part may be approved for subgrants by the Audit Division with the concurrence of OFS; such alternatives for PAI subgrants shall be approved liberally where necessary to foster increased PAI participation.

(e) Waivers of the PAI expenditure requirement may be full or partial, that is, the Corporation may waive all or some of the required expenditure for a fiscal year.

(1) Applications for waivers of any requirement under this part may be for the current, or next fiscal year. All such applications must be in writing. Applications for waivers for the current fiscal year must be received by the Corporation during the current fiscal year.

(2) At the expiration of a waiver a recipient may seek a similar or identical waiver.

(f) All Waiver requests shall be addressed to the Office of Field Services (OFS) or the Audit Division as is appropriate under the preceding provisions of this Part. The Corporation shall make a written response to each such request postmarked not later than thirty (30) days after its receipt. If the request is denied, the Corporation will provide the recipient with an explanation and statement of the grounds for denial. If the waiver is to be denied because the information submitted is insufficient, the Corporation will inform the recipient as soon as possible, both orally and in writing, about what additional information is needed. Should the Corporation fail to so respond, the request shall be deemed to be granted.
§ 1614.7  Failure to comply.

(a) If a recipient fails to comply with the expenditure required by this part and if that recipient fails without good cause to seek a waiver during the term of the grant or contract, the Corporation shall withhold from the recipient’s support payments an amount equal to the difference between the amount expended on PAI and twelve and one-half percent (12½%) of the recipient’s basic field award.

(b) If a recipient fails with good cause to seek a waiver, or applies for but does not receive a waiver, or receives a waiver of part of the PAI requirement and does not expend the amount required to be expended, the PAI expenditure requirement for the ensuing year shall be increased for that recipient by an amount equal to the difference between the amount actually expended and the amount required to be expended.

(c) Any funds withheld by the Corporation pursuant to this section shall be made available by the Corporation for use in providing legal services in the recipient’s service area through PAI programs. Disbursement of these funds shall be made through a competitive solicitation and awarded on the basis of efficiency, quality, creativity, and demonstrated commitment to PAI service delivery to low-income people.

(d) The withholding of funds under this section shall not be construed as a termination of financial assistance under part 1606 of these regulations or a denial of refunding under part 1625 of these regulations.

§ 1622.6 Procedures for closing discussion or withholding information.

(a) No meeting or portion of a meeting shall be closed to public observation, and no information about a meeting shall be withheld from the public, except by a recorded vote of a majority of the Directors with respect to each meeting or portion thereof proposed to be closed to the public, or with respect to any information that is proposed to be withheld.

PART 1623—SUSPENSION PROCEDURES

Sec.
1623.1 Purpose.
1623.2 Definitions.
1623.3 Grounds for suspension.
1623.4 Suspension procedures.
1623.5 Time extensions and waiver.
1623.6 Interim funding.

SOURCE: 63 FR 64648, Nov. 23, 1998, unless otherwise noted.

§ 1623.1 Purpose.

The purpose of this rule is to:

(a) Ensure that the Corporation is able to take prompt action when necessary to safeguard LSC funds or to ensure the compliance of a recipient with applicable provisions of law, or a rule, regulation, guideline or instruction issued by the Corporation, or the terms and conditions of a recipient’s grant or contract with the Corporation; and

(b) Provide procedures for prompt review that will ensure informed deliberation by the Corporation when it has made a proposed determination that financial assistance to a recipient should be suspended.

§ 1623.2 Definitions.

For the purposes of this part:

(a) Knowing and willful means that the recipient had actual knowledge of the fact that its action or lack thereof constituted a violation and despite such knowledge, undertook or failed to undertake the action.

(b) Recipient means any grantee or contractor receiving legal assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.
§ 1623.3 Suspension means an action taken during the term of the recipient's current grant or contract with the Corporation that withholds financial assistance to a recipient, in whole or in part, until the end of the suspension period pending corrective action by the recipient or a decision by the Corporation to initiate termination proceedings.

§ 1623.3 Grounds for suspension.

(a) Financial assistance provided to a recipient may be suspended when the Corporation determines that there has been a substantial violation by the recipient of an applicable provision of law, or a rule, regulation, guideline or instruction issued by the Corporation, or a term or condition of the recipient's current grant or contract with the Corporation; and the Corporation has reason to believe that prompt action is necessary to:

(1) Safeguard LSC funds; or

(2) Ensure immediate corrective action necessary to bring a recipient into compliance with an applicable provision of law, or a rule, regulation, guideline or instruction issued by the Corporation, or the terms and conditions of the recipient's current grant or contract with the Corporation.

(b) A determination of whether there has been a substantial violation for the purposes of paragraph (a) of this section will be based on consideration of the following criteria:

(1) The number of restrictions or requirements violated;

(2) Whether the violation represents an instance of noncompliance with a substantive statutory or regulatory restriction or requirement, rather than an instance of noncompliance with a non-substantive technical or procedural requirement;

(3) The extent to which the violation is part of a pattern of noncompliance with LSC requirements or restrictions;

(4) The extent to which the recipient failed to take action to cure the violation when it became aware of the violation; and

(5) Whether the violation was knowing and willful.

(c) Financial assistance provided to a recipient may also be suspended by the Corporation pursuant to a recommendation by the Office of Inspector General when the recipient has failed to have an acceptable audit in accordance with the guidance promulgated by the Corporation's Office of Inspector General.

§ 1623.4 Suspension procedures.

(a) When the Corporation has made a proposed determination, based on the grounds set out in §1623.3, that financial assistance to a recipient should be suspended, the Corporation shall serve a written proposed determination on the recipient. The proposed determination shall:

(1) State the grounds and effective date for the proposed suspension;

(2) Identify, with reasonable specificity, any facts or documents relied upon as justification for the suspension;

(3) Specify what, if any, corrective action the recipient can take to avoid or end the suspension;

(4) Advise the recipient that it may request, within 5 days of receipt of the proposed determination, an informal meeting with the Corporation at which it may attempt to show that the proposed suspension should not be imposed; and

(5) Advise the recipient that, within 10 days of its receipt of the proposed determination and without regard to whether it requests an informal meeting, it may submit written materials in opposition to the proposed suspension.

(b) If the recipient requests an informal meeting with the Corporation, the Corporation shall designate the time and place for the meeting. The meeting shall occur within 5 days after the recipient's request is received.

(c) The Corporation shall consider any written materials submitted by the recipient in opposition to the proposed suspension and any oral presentation or written materials submitted by the recipient at an informal meeting. If, after considering such materials, the Corporation determines that the recipient has failed to show that the suspension should not become effective, the Corporation may issue a written final determination to suspend financial assistance to the recipient in whole or in part and under such terms
and conditions the Corporation deems appropriate and necessary.
(d) The final determination shall be promptly transmitted to the recipient in a manner that verifies receipt of the determination by the recipient, and the suspension shall become effective when the final determination is received by the recipient or on such later date as is specified therein.
(e) The Corporation may at any time rescind or modify the terms of the final determination to suspend and, on written notice to the recipient, may reinstate the suspension without further proceedings under this part. Except as provided in paragraph (f) of this section, the total time of a suspension shall not exceed 30 days, unless the Corporation and the recipient agree to a continuation of the suspension for up to a total of 60 days without further proceedings under this part.
(f) When the suspension is based on the grounds in §1623.3(c), a recipient’s funds may be suspended until an acceptable audit is completed.

§ 1623.5 Time extensions and waiver.
(a) Except for the time limits in §1623.4(e), any period of time provided in this part may be extended by the Corporation for good cause. Requests for extensions of time shall be considered in light of the overall objective that the procedures prescribed by this part ordinarily shall be concluded within 30 days of the service of the proposed determination.
(b) Any other provision of this part may be waived or modified by agreement of the recipient and the Corporation for good cause.
(c) Failure by the Corporation to meet a time requirement of this part shall not preclude the Corporation from suspending a recipient’s grant or contract with the Corporation.

§ 1623.6 Interim funding.
(a) Pending the completion of suspension proceedings under this part, the Corporation shall provide the recipient with the level of financial assistance provided for under its current grant or contract with the Corporation.
(b) Funds withheld pursuant to a suspension shall be returned to the recipient at the end of the suspension period.
§ 1624.4 Discrimination prohibited.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination by any legal services program, directly or through any contractual or another arrangement.

(b) A legal services program may not deny a qualified handicapped person the opportunity to participate in any of its programs or activities or to receive any of its services provided at a facility on the ground that the program operates a separate or different program, activity or facility that is specifically designed to serve handicapped persons.

(c) In determining the geographic site or location of a facility, a legal services program may not make selections that have the purpose or effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity of the legal services program.

(d)(1) A legal services program that employs a total of fifteen or more persons, regardless of whether such persons are employed at one or more locations, shall provide, when necessary, appropriate auxiliary aids to persons with impaired sensory, manual or speaking skills, in order to afford such persons an equal opportunity to benefit from the legal services program's services. A legal services program is not required to maintain such aids at all times, provided they can be obtained on reasonable notice.

(2) The Corporation may require legal services programs with fewer than fifteen employees to provide auxiliary aids where the provision of such aids would not significantly impair the
ability of the legal services program to provide its services.

(3) For the purpose of §1624.4(d) (1) and (2), auxiliary aids include, but are not limited to, brailled and taped material, interpreters, telecommunications equipment for the deaf, and other aids for persons with impaired hearing, speech or vision.

(e) A legal services program shall take reasonable steps to insure that communications with its applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

(f) A legal services program may not deny handicapped persons the opportunity to participate as members of or in the meetings or activities of any planning or advisory board or process established by or conducted by the legal services program, including but not limited to meetings and activities conducted in response to the requirements of part 1620 of these regulations.

§1624.5 Accessibility of legal services.

(a) No qualified handicapped person shall, because a legal services program’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination by any legal services program.

(b) A legal services program shall conduct its programs and activities so that, when viewed in their entirety, they are readily accessible to and usable by handicapped persons. This paragraph does not necessarily require a legal services program to make each of its existing facilities or every part of an existing facility accessible to and usable by handicapped persons, or require a legal services program to make structural changes in existing facilities when other methods are effective in achieving compliance. In choosing among available methods for meeting the requirements of this paragraph, a legal services program shall give priority to those methods that offer legal services to handicapped persons in the most integrated setting appropriate.

(c) A legal services program shall, to the maximum extent feasible, insure that new facilities that it rents or purchases are accessible to handicapped persons. Prior to entering into any lease or contract for the purchase of a building, a legal services program shall submit a statement to the appropriate Regional Office certifying that the facilities covered by the lease or contract will be accessible to handicapped persons, or if the facilities will not be accessible, a detailed description of the efforts the program made to obtain accessible space, the reasons why the inaccessible facility was nevertheless selected, and the specific steps that will be taken by the legal services program to insure that its services are accessible to handicapped persons who would otherwise use that facility. After a statement certifying facility accessibility has been submitted, additional statements need not be resubmitted with respect to the same facility, unless substantial changes have been made in the facility that affect its accessibility.

(d) A legal services program shall ensure that new facilities designed or constructed for it are readily accessible to and usable by handicapped persons. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to make the altered facilities readily accessible to and usable by handicapped persons.

§1624.6 Employment.

(a) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment by any legal services program.

(b) A legal services program shall make all decisions concerning employment under any program or activity to which this part applies in a manner that insures that discrimination on the basis of handicap does not occur, and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;
§ 1624.7

(3) Rates of pay or any other form of compensation and changes in compensation;
(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;
(5) Leaves of absence, sick leave, or any other leave;
(6) Fringe benefits available by virtue of employment, whether or not administered by the legal services program;
(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;
(8) Employer sponsored activities, including social or recreational programs; and
(9) Any other term, condition, or privilege of employment.

(d) A legal services program may not participate in any contractual or other relationship with persons, agencies, organizations or other entities such as, but not limited to, employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the legal services program, and organizations providing training and apprenticeship programs, if the practices of such person, agency, organization, or other entity have the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this paragraph.

(e) A legal services program shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the accommodation would impose an undue hardship on the operation of the program.

(1) For purposes of this paragraph (e), reasonable accommodation may include (i) making facilities used by employees readily accessible to and usable by handicapped persons, and (ii) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(2) In determining whether an accommodation would impose an undue hardship on the operation of a legal services program, factors to be considered include, but are not limited to, the overall size of the legal services program with respect to number of employees, number and type of facilities, and size of budget, and the nature and costs of the accommodation needed.

(3) A legal services program may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is a need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

(f) A legal services program may not use employment tests or criteria that discriminate against handicapped persons, and shall insure that employment tests are adapted for use by persons who have handicaps that impair sensory, manual, or speaking skills.

(g) A legal services program may not conduct a pre-employment medical examination or make a pre-employment inquiry as to whether an applicant is a handicapped person or as to the nature or severity of a handicap except under the circumstances described in 45 CFR §84.14(a) through (d)(2). The Corporation shall have access to relevant information obtained in accordance with this section to permit investigations of alleged violations of this part.

(h) A legal services program shall post in prominent places in each of its offices a notice stating that the legal services program does not discriminate on the basis of handicap.

(i) Any recruitment materials published or used by a legal services program shall include a statement that the legal services program does not discriminate on the basis of handicap.

§ 1624.7 Self-evaluation.

(a) By January 1, 1980, a legal services program shall evaluate, with the assistance of interested persons including handicapped persons or organizations representing handicapped persons, its current facilities, policies and practices and the effects thereof to determine the extent to which they may or may not comply with the requirements of this part and the cost of structural or other changes that would
be necessary to make each of its facilities accessible to handicapped persons.

(b) The results of the self-evaluation, including steps the legal services program plans to take to correct any deficiencies revealed and the timetable for completing such steps, shall be made available for review by the Corporation and interested members of the public.

§ 1624.8 Enforcement.

The procedures described in part 1618 of these regulations shall apply to any alleged violation of this part by a legal services program.

(e) To provide legal assistance on behalf of an ineligible alien is to render legal assistance to an eligible client which benefits an ineligible alien and does not affect a specific legal right or interest of the eligible client.

(f) Battered or subjected to extreme cruelty includes, but is not limited to, being the victim of any act or threatened act of violence, including any forceful detention, which results or threatens to result in physical or mental injury. Psychological or sexual abuse or exploitation, including rape, molestation, incest (if the victim is a minor), or forced prostitution shall be considered acts of violence. Other abusive actions may also be acts of violence under certain circumstances, including acts that, in and of themselves, may not initially appear violent but that are a part of an overall pattern of violence.

(g) Legal assistance directly related to the prevention of, or obtaining relief from, the battery or cruelty means any legal assistance that will assist victims of abuse in their escape from the abusive situation, ameliorate the current effects of the abuse, or protect against future abuse.

(h) United States, for purposes of this part, has the same meaning given that term in 8 U.S.C. 1101(a)(38) of the INA.

§ 1626.3 Prohibition.

Except as provided in §1626.4, recipients may not provide legal assistance for or on behalf of an ineligible alien. For purposes of this part, legal assistance does not include normal intake and referral services.
§ 1626.4 Applicability.

(a) Except for §1626.12, the requirements of this part do not apply to the use of non-LSC funds by a recipient to provide legal assistance to an alien:

(1) Who has been battered or subjected to extreme cruelty in the United States by a spouse or a parent, or by a member of the spouse’s or parent’s family residing in the same household as the alien and the spouse or parent consented or acquiesced to such battery or cruelty; or

(2) Whose child has been battered or subjected to extreme cruelty in the United States by a spouse or parent of the alien (without the active participation of the alien in the battery or extreme cruelty), or by a member of the spouse’s or parent’s family residing in the same household as the alien and the spouse or parent consented or acquiesced to such battery or cruelty, and the alien did not actively participate in such battery or cruelty; provided that the legal assistance is directly related to the prevention of, or obtaining relief from, the battery or cruelty.

(b) Recipients are not required by §1626.12 to maintain records regarding the immigration status of clients represented pursuant to paragraph (a) of this section.

§ 1626.5 Alien status and eligibility.

Subject to all other eligibility requirements and restrictions of the LSC Act and regulations and other applicable law, a recipient may provide legal assistance to an alien who is present in the United States and who is within one of the following categories:

(a) An alien lawfully admitted for permanent residence as an immigrant as defined by section 1101(a)(20) of the INA (8 U.S.C. 1101(a)(20));

(b) An alien who is either married to a United States citizen or is a parent or an unmarried child under the age of 21 of such a citizen and who has filed an application for adjustment of status to permanent resident under the INA, and such application has not been rejected;

(c) An alien who is lawfully present in the United States pursuant to an admission under section 207 of the INA (8 U.S.C. 1157) (relating to refugee admissions) or who has been granted asylum by the Attorney General under section 208 of the INA (8 U.S.C. 1158).

(d) An alien who is lawfully present in the United States as a result of being granted conditional entry pursuant to section 203(a)(7) of the INA (8 U.S.C. 1153(a)(7), as in effect on March 31, 1980) before April 1, 1980, because of persecution or fear of persecution on account of race, religion, or political opinion or because of being uprooted by catastrophic natural calamity;

(e) An alien who is lawfully present in the United States as a result of the Attorney General’s withholding of deportation pursuant to section 243(h) of the INA (8 U.S.C. 1253(h)); or

(f) An alien who meets the requirements of §1626.10 or 1626.11.

§ 1626.6 Verification of citizenship.

(a) A recipient shall require all applicants for legal assistance who claim to be citizens to attest in writing in a standard form provided by the Corporation that they are citizens, unless the only service provided for a citizen is brief advice and consultation by telephone which does not include continuous representation.

(b) When a recipient has reason to doubt that an applicant is a citizen, the recipient shall require verification of citizenship. A recipient shall not consider factors such as a person’s accent, limited English-speaking ability, appearance, race or national origin as a reason to doubt that the person is a citizen.

(1) If verification is required, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct and authentic of any of the following documents as evidence of citizenship:

(i) United States passport;
(ii) Birth certificate;
(iii) Naturalization certificate;
(iv) United States Citizenship Identification Card (INS Form I–197 or I–197); or
(v) Baptismal certificate showing place of birth within the United States and date of baptism within two months after birth.

(2) A recipient may also accept any other authoritative document such as a document issued by INS, by a court or
by another governmental agency, that provides evidence of citizenship.

(3) If a person is unable to produce any of the above documents, the person may submit a notarized statement signed by a third party, who shall not be an employee of the recipient and who can produce proof of that party’s own United States citizenship, that the person seeking legal assistance is a United States citizen.

§ 1626.7 Verification of eligible alien status.

(a) An alien seeking representation shall submit appropriate documents to verify eligibility, unless the only service provided for an eligible alien is brief advice and consultation by telephone which does not include continuous representation of a client.

(1) As proof of eligibility, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct and authentic, of any of the documents found in the appendix to this part.

(2) A recipient may also accept any other authoritative document issued by the INS, by a court or by another governmental agency, that provides evidence of alien status.

(b) A recipient shall upon request furnish each person seeking legal assistance with a list of the documents in the appendix to this part.

§ 1626.8 Emergencies.

In an emergency, legal services may be provided prior to compliance with §§1626.6 and §1626.7 if:

(a) An applicant cannot feasibly come to the recipient’s office or otherwise transmit written documentation to the recipient before commencement of the representation required by the emergency, and the applicant provides oral information to establish eligibility which the recipient records, and the applicant submits the necessary documentation as soon as possible; or

(b) An applicant is able to come to the recipient’s office but cannot produce the required documentation before commencement of the representation, and the applicant signs a statement of eligibility and submits the necessary documentation as soon as possible; and

(c) The recipient informs clients accepted under paragraph (a) or (b) of this section that only limited emergency legal assistance may be provided without satisfactory documentation and that, if the client fails to produce timely and satisfactory written documentation, the recipient will be required to discontinue representation consistent with the recipient’s professional responsibilities.

§ 1626.9 Change in circumstances.

If, to the knowledge of the recipient, a client who was an eligible alien becomes ineligible through a change in circumstances, continued representation is prohibited by this part and a recipient must discontinue representation consistent with applicable rules of professional responsibility.

§ 1626.10 Special eligibility questions.

(a) This part is not applicable to recipients providing services in the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, or the Republic of the Marshall Islands.

(b) All Canadian-born American Indians at least 50% Indian by blood are eligible to receive legal assistance provided they are otherwise eligible under the Act.

(c) Members of the Texas Band of Kickapoo are eligible to receive legal assistance provided they are otherwise eligible under the Act.

(d) An alien who qualified as a special agricultural worker and whose status is adjusted to that of temporary resident alien under the provisions of the Immigration Reform and Control Act (“IRCA”) is considered a permanent resident alien for all purposes except immigration under the provisions of section 302 of 100 Stat. 3422, 8 U.S.C. 1160(g). Since the status of these aliens is that of permanent resident alien under section 1101(a)(20) of Title 8, these workers may be provided legal assistance. These workers are ineligible for legal assistance in order to obtain the adjustment of status of temporary resident under IRCA, but are eligible for legal assistance after the application for adjustment of status to that of temporary resident has been...
§ 1626.11

filed, and the application has not been rejected.

(e) A recipient may provide legal assistance to indigent foreign nationals who seek assistance pursuant to the Hague Convention on the Civil Aspects of International Child abduction and the Federal implementing statute, the International Child Abduction Remedies Act, 42 U.S.C. 11607(b), provided that they are otherwise financially eligible.

§ 1626.11  H–2 agricultural workers.

(a) Nonimmigrant agricultural workers admitted under the provisions of 8 U.S.C. 1101(a)(15)(h)(ii), commonly called H–2 workers, may be provided legal assistance regarding the matters specified in paragraph (b) of this section.

§ 1626.12  Recipient policies, procedures and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this part.

## PART 1627—SUBGRANTS AND MEMBERSHIP FEES OR DUES

### § 1627.2 Definitions.

(a) **Recipient** as used in this part means any recipient as defined in section 1002(6) of the Act and any grantee or contractor receiving funds from the Corporation under section 1006(a)(1)(B) or 1006(a)(3) of the Act.

(b) **Subrecipient** shall mean any entity that accepts Corporation funds from a recipient under a grant contract, or agreement to conduct certain activities specified by or supported by the recipient related to the recipient’s programmatic activities. Such activities would normally include those that might otherwise be expected to be conducted directly by the recipient itself, such as representation of eligible clients, or which provide direct support to a recipient’s legal assistance activities or such activities as client involvement, training or state support activities. Such activities would not normally include those that are covered by a fee-for-service arrangement, such as those provided by a private law firm or attorney representing a recipient’s clients on a contract or judicare basis, except that any such arrangement involving more than $25,000 shall be included. Subrecipient activities would normally also not include the provision of goods or services by vendors or consultants in the normal course of business if such goods or services would not...
be expected to be provided directly by the recipient itself, such as auditing or business machine purchase and/or maintenance. A single entity could be a subrecipient with respect to some activities it conducts for a recipient while not being a subrecipient with respect to other activities it conducts for a recipient.

(2) **Subgrant** shall mean any transfer of Corporation funds from a recipient which qualifies the organization receiving such funds as a subrecipient under the definition set forth in paragraph (b)(1) of this section.

(c) **Membership fees or dues** as used in this part means payments to an organization on behalf of a program or individual to be a member thereof, or to acquire voting or participatory rights therein.

§ 1627.3 Requirements for all subgrants.

(a)(1) All subgrants must be submitted in writing to the Corporation for prior, written approval. The submission shall include the terms and conditions of the subgrant and the amount of funds intended to be transferred.

(2) The Corporation shall have 45 days to approve, disapprove, or suggest modifications to the subgrant. A subgrant which is disapproved or to which modifications are suggested may be resubmitted for approval. Should the Corporation fail to take action within 45 days, the recipient shall notify the Corporation of this failure and, unless the Corporation responds within 7 days of the receipt of such notification, the subgrant shall be deemed to have been approved.

(3) Any subgrant not approved according to the procedures of paragraph (a)(2) of this section shall be subject to audit disallowance and recovery of all the funds expended pursuant thereto.

(4) Any subgrant which is a continuation of a previous subgrant and which expires before March 1, 1984 may be extended until March 1, 1984, if a new subgrant agreement is submitted for approval to the Corporation by January 15, 1984. In the event the Corporation refuses to allow the renewal of any such submitted agreement, the recipient shall be permitted to allow the subrecipient 60 days’ funding to close out the subgrant activities.

(b)(1) A subgrant may not be for a period longer than one year, and all funds remaining at the end of the grant period shall be considered part of the recipient’s fund balance.

(2) All subgrants shall contain a provision providing for their orderly termination in the event that the recipient’s funding is terminated or the recipient is not refunded and for suspension of activities if the recipient’s funding is suspended.

(3) A substantial change in the work program of a subgrant or an increase or decrease in funding of more than 10% shall require Corporation approval pursuant to the provisions of section 1627.3(a). Minor changes of work program or changes in funding of less than 10% shall not require prior Corporation approval, but the Corporation shall be informed in writing thereof.

(c) Recipients shall be responsible for ensuring that subrecipients comply with the financial and audit provisions of the Corporation. The recipient is responsible for ensuring the proper expenditure, accounting for, and audit of delegated funds. Any funds delegated by a recipient to a subrecipient shall be subject to the audit and financial requirements of the Audit and Accounting Guide for Recipients and Auditors. The delegated funds may be separately disclosed and accounted for, and reported upon in the audited financial statements of a recipient; or such funds may be included in a separate audit report of the subrecipient. The relationship between the recipient and subrecipient will determine the proper method of financial reporting in accordance with generally accepted accounting principles. A subgrant agreement may provide for alternative means of assuring the propriety of subrecipient expenditures, especially in instances where a large organization receives a small subgrant. If such an alternate means is approved by the Audit Division of the Corporation, the information provided thereby shall satisfy...
§ 1627.4 Subgrants.  

The recipient’s annual audit requirement with regard to the subgrant funds.

(d) The recipient shall be responsible for repaying the Corporation for any disallowed expenditures by a subrecipient, irrespective of whether the recipient is able to recover such expenditures from the subrecipient.

(e) To assure subrecipient compliance with the Act, Congressional restrictions having the force of law, Corporation Regulations (45 CFR chapter XVI), and Corporation Guidelines or Instructions, contracts between a recipient and a subrecipient shall provide for the same oversight rights for the Corporation with respect to subrecipients as apply to recipients.

§ 1627.4 Membership fees or dues.

(a) LSC funds may not be used to pay membership fees or dues to any private or nonprofit organization, whether on behalf of a recipient or an individual.

(b) Paragraph (a) of this section does not apply to the payment of membership fees or dues mandated by a governmental organization to engage in a profession, or to the payment of membership fees or dues from non-LSC funds.

§ 1627.5 Contributions.

Any contributions or gifts of Corporation funds to another organization or to an individual are prohibited.

§ 1627.6 Transfers to other recipients.

(a) The requirements of §1627.3 shall apply to all subgrants by one recipient to another recipient.

(b) The subrecipient shall audit any funds subgranted to it in its annual audit and supply a copy of this audit to the recipient. The recipient shall either submit the relevant part of this audit with its next annual audit or, if an audit has been recently submitted, submit it as an addendum to that recently submitted audit.

(c) In addition to the provisions of §1627.3(d), the Corporation may hold the subrecipient directly responsible for any disallowed expenditures of subgrant funds. Thus, the Corporation may recover all of the disallowed costs from either recipient or subrecipient or may divide the recovery between the two; the Corporation’s total recovery may not exceed the amount of expenditures disallowed.

(d) Funds received by a recipient from other recipients in the form of fees and dues shall be accounted for and included in the annual audit of the recipient receiving these funds as Corporation funds.

§ 1627.7 Tax sheltered annuities, retirement accounts and pensions.

No provision contained in this part shall be construed to affect any payment by a recipient on behalf of its employees for the purpose of contributing to or funding a tax sheltered annuity, retirement account, or pension fund.

§ 1627.8 Recipient policies, procedures and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this part.

§ 1628.2 Definitions.

(a) Excess fund balance means a recipient’s LSC fund balance that exceeds the amount a recipient is permitted to retain under this part.

(b) LSC support means the sum of:

(1) The amount of financial assistance awarded by the Corporation to the recipient for the fiscal year included in the recipient’s annual audited financial statement, not including one-time and special purpose grants; and

(2) Any LSC derivative income, as defined in §1630.2(c), earned by the recipient for the fiscal year included in the recipient’s annual audited financial statement, not including derivative income from one-time and special purpose grants.

(c) The LSC fund balance is the excess of LSC support plus the prior year carryover amount over expenditures of LSC funds (including capital acquisitions), as each is reported in the recipient’s annual financial statements.

(d) The fund balance percentage is the amount of the LSC fund balance expressed as a percentage of the recipient’s LSC support.

(e) Recipient, as used in this part, means any grantee or contractor receiving financial assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.

§ 1628.3 Policy.

(a) Recipients are permitted to retain from one fiscal year to the next LSC fund balances up to 10% of their LSC support.

(b) Recipients may request a waiver to retain a fund balance up to a maximum of 25% of their LSC support for special circumstances.

(c) Recipients may request a waiver to retain a fund balance in excess of 25% of a recipient’s LSC support only for the following extraordinary and compelling circumstances when the recipient receives an insurance reimbursement, the proceeds from the sale of property, or a payment from a lawsuit in which the recipient was a party.

(d) A waiver pursuant to paragraph (b) or (c) of this section may be granted at the discretion of the Corporation pursuant to the criteria set out in §1628.4(d).

(e) In the absence of a waiver, a fund balance in excess of 10% of LSC support shall be repaid to the Corporation. If a waiver of the 10% ceiling is granted, any fund balance in excess of the amount permitted to be retained shall be repaid to the Corporation.

(f) A recovery of an excess fund balance pursuant to this part does not constitute a termination under 45 CFR part 1606. See §1606.2(c)(2)(ii).

(g) One-time and special purpose grants awarded by the Corporation are not subject to the fund balance policy set forth in this part. Revenue and expenses relating to such grants shall be reflected separately in the audit report submitted to the Corporation. This may be done by establishing a separate fund or by providing a separate supplemental schedule of revenue and expenses related to such grants as a part of the audit report. No funds provided under a one-time or special purpose grant may be expended subsequent to the expiration date of the grant without the prior written approval of the Corporation. Absent approval from the Corporation, all unexpended funds under such grants shall be returned to the Corporation.

§ 1628.4 Procedures.

(a) Within 30 days of the submission to LSC of its annual audited financial statements, a recipient may request a waiver of the 10% ceiling on LSC fund balances. The request shall specify:

(1) The LSC fund balance as reported in the recipient’s annual audited financial statements; and

(2) The reason(s) the excess fund balance resulted;

(3) The recipient’s plan for disposition of the excess fund balance during the current fiscal year;

(4) The amount of fund balance projected to be carried forward at the close of the recipient’s current fiscal year; and

(5) The special circumstances justifying the retention of the excess fund balance up to 25%, or the extraordinary and compelling circumstances set out in §1628.3(c) justifying a fund balance in excess of 25%.

(b) Within 45 days of receipt of the recipient’s waiver request submitted pursuant to paragraph (a) of this section,
§ 1628.5 Fund balance deficits.

(a) Sound financial management practices such as those set out in Chapter 3 of the Corporation’s Accounting Guide for LSC Recipients should preclude deficit spending. Use of current year LSC grant funds to liquidate deficit balances in the LSC fund from a preceding period requires the prior written approval of the Corporation.

(b) Within 30 days of the submission of the recipient’s annual audit, the recipient may apply to the Corporation for approval of the expenses associated with the liquidation of the deficit balance in the LSC fund.

(c) In the absence of approval by the Corporation, expenditures of current year LSC grant funds to liquidate a deficit from a prior year shall be identified as questioned costs under 45 CFR part 1630.

(d) The recipient’s request must specify the same information relative to the deficit LSC fund balance as that set forth in §1628.4(a)(1) and (2). Additionally, the recipient must develop and submit a plan approved by its governing body describing the measures which will be implemented to prevent a recurrence of a deficit balance in the LSC fund. The Corporation reserves the right to require changes in the submitted plan.

(e) The decision of the Corporation regarding acceptance of these deficit-related costs shall be guided by the statutory mandate requiring the recipient to provide high quality legal services performed in an effective and economical manner. Special consideration will be given for emergencies, unusual occurrences, or other special circumstances giving rise to a deficit balance.

PART 1629—BONDING OF RECIPIENTS

Sec. 1629.1 General.
§ 1629.1 General.

(a) If any program which receives Corporation funds is not a government, or an agency or instrumentality thereof, such program shall carry fidelity bond coverage at a minimum level of at least ten (10) percent of the program’s annualized LSC funding level for the previous fiscal year, or of the initial grant or contract, if the program is a new grantees or contractor. No coverage carried pursuant to this part shall be at a level less than $50,000.

(b) A fidelity bond is a bond indemnifying such program against losses resulting from the fraud or lack of integrity, honesty or fidelity of one or more employees, officers, agents, directors or other persons holding a position of trust with the program.

§ 1629.2 Persons required to be bonded.

(a) Every director, officer, employee and agent of a program who handles funds or property of the program shall be bonded as provided in this part.

(b) Such bond shall provide protection to the program against loss by reason of acts of fraud or dishonesty on the part of such director, officer, employee or agent directly or through connivance with others.

§ 1629.3 Criteria for determining handling.

(a) The term “handles” shall be deemed to encompass any relationship of a director, officer, employee or agent with respect to funds or other property which can give rise to a risk of loss through fraud or dishonesty. This shall include relationships such as those which involve access to funds or other property or decision-making powers with respect to funds or property which can give rise to such risk of loss.

(b) Subject to the application of the basic standard of risk of loss to each situation, the criteria for determining whether there is “handling” so as to require bonding are:

1. Physical contact with cash, checks or similar property;
2. The power to secure physical possession of cash, checks or similar property such as through access to a safe deposit box or similar depository, access to cash or negotiable instruments and assets, power of custody or safekeeping, or the power to borrow or withdraw funds from a bank or other account whether or not physical contact actually takes place;
3. The power to transfer or cause to be transferred property such as mortgages, title to land and buildings, or securities, through actual or apparent authority, to oneself or to a third party, or to be negotiated for value.
4. Persons who actually disburse funds or other property, such as officers authorized to sign checks or other negotiable instruments, or persons who make cash disbursements, shall be considered to be “handling” such funds or property.
5. In connection with disbursements, any persons with the power to sign or endorse checks or similar instruments or otherwise render them transferable, whether individually or as cosigners with one or more persons, shall each be considered to be “handling” such funds or other property.
6. To the extent a person’s supervisory or decision-making responsibility involves factors in relationship to funds discussed in paragraphs (b) (1), (2), (3), or paragraphs (c) and (d) of this section, such persons shall be considered to be “handling” in the same manner as any person to whom the criteria of those subparagraphs apply.

§ 1629.4 Meaning of fraud or dishonesty.

The term “fraud or dishonesty” shall be deemed to encompass all those risks of loss that might arise through dishonest or fraudulent acts in the handling of funds as delineated in §1629.3. As such, the bond must provide recovery for loss occasioned by such acts even though no personal gain accrues to the person committing the act and
the act is not subject to punishment as a crime or misdemeanor, provided that within the law of the state in which the act is committed, a court could afford recovery under a bond providing protection against fraud or dishonesty. As applied under state laws, the term “fraud or dishonesty” encompasses such matters as larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, wrongful conversion, willful misapplication or any other fraudulent or dishonest acts.

§ 1629.5 Form of bonds.

Any form of bond which may be described as individual, schedule or blanket, or any combination of such forms of bonds, shall be acceptable to meet the requirements of this part. The basic types of bonds in general usage are:

(a) An individual bond which covers a named individual in a stated penalty;
(b) A name schedule bond which covers a number of named individuals in the respective amounts set opposite their names;
(c) A position schedule bond which covers all of the occupants of positions listed in the schedule in the respective amounts set opposite such positions;
(d) A blanket bond which covers all the insured’s directors, officers, employees and agents with no schedule or list of those covered being necessary and with all new directors, officers, employees and agents bonded automatically, in a blanket penalty.

§ 1629.6 Effective date.

(a) Each program shall certify in its Application for Refunding, beginning with the application for FY 1985 funds, that it has obtained a bond or bonds which satisfy the requirements of this part.
(b) A copy of such bond or bonds shall be provided to the Corporation at its request.

PART 1630—COST STANDARDS AND PROCEDURES

Sec.
1630.1 Purpose.
1630.2 Definitions.
(e) Final action means the completion of all actions that Corporation management, in a management decision, has concluded are necessary with respect to the findings and recommendations in an audit or other report. In the event that Corporation management concludes no corrective action is necessary, final action occurs when a management decision has been made.

(f) Management decision means the evaluation by Corporation management of findings and recommendations in an audit or other report and the recipient’s response to the report, and the issuance of a final, written decision by management concerning its response to such findings and recommendations, including any corrective actions which Corporation management has concluded are necessary to address the findings and recommendations.

(g) Questioned cost means a cost that a recipient has charged to Corporation funds which Corporation management, the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has questioned because of an audit or other finding that:

1. There may have been a violation of a provision of a law, regulation, contract, grant, or other agreement or document governing the use of Corporation funds;
2. The cost is not supported by adequate documentation; or
3. The cost incurred appears unnecessary or unreasonable and does not reflect the actions a prudent person would take in the circumstances.

(h) Recipient as used in this part means an grantee or contractor receiving funds from the Corporation under sections 1006(a)(1) or 1006(a)(3) of the Act.

§ 1630.3 Standards governing allowability of costs under Corporation grants or contracts.

(a) General criteria. Expenditures by a recipient are allowable under the recipient’s grant or contract only if the recipient can demonstrate that the cost was:

1. Actually incurred in the performance of the grant or contract and the recipient was liable for payment;
2. Reasonable and necessary for the performance of the grant or contract as approved by the Corporation;
3. Allocable to the grant or contract;
4. In compliance with the Act, applicable appropriations law, Corporation rules, regulations, guidelines, and instructions, the Accounting Guide for LSC Recipients, the terms and conditions of the grant or contract, and other applicable law;
5. Consistent with accounting policies and procedures that apply uniformly to both Corporation-financed and other activities of the recipient;
6. Acceded consistent treatment over time;
7. Determined in accordance with generally accepted accounting principles;
8. Not included as a cost or used to meet cost sharing or matching requirements of any other federally financed program, unless the agency whose funds are being matched determines in writing that Corporation funds may be used for federal matching purposes; and
9. Adequately and contemporaneously documented in business records accessible during normal business hours to Corporation management, the Office of Inspector General, the General Accounting Office, and independent auditors or other audit organizations authorized to conduct audits of recipients.

(b) Reasonable costs. A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under the same or similar circumstances prevailing at the time the decision was made to incur the cost. If a questioned cost is disallowed solely on the ground that it is excessive, only the amount that is larger than reasonable shall be disallowed. In determining the reasonableness of a given cost, consideration shall be given to:

1. Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the recipient or the performance of the grant or contract;
2. The restraints or requirements imposed by such factors as generally
§ 1630.3

accepted sound business practices, arms-length bargaining, Federal and State laws and regulations, and the terms and conditions of the grant or contract;

(3) Whether the recipient acted with prudence under the circumstances, considering its responsibilities to its clients and employees, the public at large, the Corporation, and the Federal government; and

(4) Significant deviations from the established practices of the recipient which may unjustifiably increase the grant or contract costs.

(c) Allocable costs. A cost is allocable to a particular cost objective, such as a grant, project, service, or other activity, in accordance with the relative benefits received. Costs may be allocated to Corporation funds either as direct or indirect costs according to the provisions of this section. A cost is allocable to a Corporation grant or contract if it is treated consistently with other costs incurred for the same purpose in like circumstances and if it:

(1) Is incurred specifically for the grant or contract;

(2) Benefits both the grant or contract and other work and can be distributed in reasonable proportion to the benefits received; or

(3) Is necessary to the overall operation of the recipient, although a direct relationship to any particular cost objective cannot be shown.

(d) Direct costs. Direct costs are those that can be identified specifically with a particular final cost objective, i.e., a particular grant award, project, service, or other direct activity of an organization. Costs identified specifically with grant awards are direct costs of the awards and are to be assigned directly thereto. Direct costs include, but are not limited to, the salaries and wages of recipient staff who are working on cases or matters that are identified with specific grants or contracts. Salary and wages charged directly to Corporation grants and contracts must be supported by personnel activity reports.

(e) Indirect costs. Indirect costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. Any direct cost of a minor amount may be treated as an indirect cost for reasons of practicality where the accounting treatment for such cost is consistently applied to all final cost objectives. Indirect costs include, but are not limited to, the costs of operating and maintaining facilities, and the costs of general program administration, such as the salaries and wages of program staff whose time is not directly attributable to a particular grant or contract. Such staff may include, but are not limited to, executive officers and personnel, accounting, secretarial and clerical staff.

(f) Allocation of indirect costs. Where a recipient has only one major function, i.e., the delivery of legal services to low-income clients, allocation of indirect costs may be by a simplified allocation method, whereby total allowable indirect costs (net of applicable credits) are divided by an equitable distribution base and distributed to individual grant awards accordingly. The distribution base may be total direct costs, direct salaries and wages, attorney hours, numbers of cases, numbers of employees, or another base which results in an equitable distribution of indirect costs among funding sources.

(g) Exception for certain indirect costs. Some funding sources may refuse to allow the allocation of certain indirect costs to an award. In such instances, a recipient may allocate a proportional share of another funding source’s share of an indirect cost to Corporation funds, provided that the activity associated with the indirect cost is permissible under the LSC Act and regulations.

(h) Applicable credits. Applicable credits are those receipts or reductions of expenditures which operate to offset or reduce expense items that are allocable to grant awards as direct or indirect costs. Applicable credits include, but are not limited to, purchase discounts, rebates or allowances, recoveries or indemnities on losses, insurance refunds, and adjustments of overpayments or erroneous charges. To the extent that such credits relate to allowable costs, they shall be credited as a cost reduction or cash refund in the same fund to which the related costs are charged.

(i) Guidance. The Circulars of the Office of Management and Budget shall
provide guidance for all allowable cost questions arising under this part when relevant policies or criteria therein are not inconsistent with the provisions of the Act, applicable appropriations law, this part, the Accounting Guide for LSC Recipients, Corporation rules, regulations, guidelines, instructions, and other applicable law.

§ 1630.4 Burden of proof.
The recipient shall have the burden of proof under this part.

§ 1630.5 Costs requiring Corporation prior approval.

(a) Advance understandings. Under any given grant award, the reasonableness and allocability of certain cost items may be difficult to determine. In order to avoid subsequent disallowance or dispute based on unreasonableness or nonallocability, recipients may seek a written understanding from the Corporation in advance of incurring special or unusual costs. If a recipient elects not to seek an advance understanding from the Corporation, the absence of an advance understanding on any element of a cost does not affect the reasonableness or allocability of the cost.

(b) Prior approvals. Without prior written approval of the Corporation, no cost attributable to any of the following may be charged to Corporation funds:

(1) Pre-award costs and costs incurred after the cessation of funding;

(2) Purchases and leases of equipment, furniture, or other personal, non-expendable property, if the current purchase price of any individual item of property exceeds $10,000;

(3) Purchases of real property; and

(4) Capital expenditures exceeding $10,000 to improve real property.

(c) Duration. The Corporation’s approval or advance understanding shall be valid for one year, or for a greater period of time which the Corporation may specify in its approval or understanding.

§ 1630.6 Timetable and basis for granting prior approval.

(a) The Corporation shall grant prior approval of a cost if the recipient has provided sufficient written information to demonstrate that the cost would be consistent with the standards and policies of this part. If the Corporation denies a request for approval, it shall provide to the recipient a written explanation of the grounds for denying the request.

(b) Except as provided in paragraphs (c) and (d) of this section, the Corporation may not assert the absence of prior approval as a basis for disallowing a questioned cost, if the Corporation has not responded to a written request for approval within sixty (60) days of receiving the request.

(c) If additional information is necessary to enable the Corporation to respond to a request for prior approval, the Corporation may make a written request for additional information within forty-five (45) days of receiving the request for approval.

(d) If the Corporation has made a written request for additional information about a cost as provided by paragraph (c) of this section, and if the Corporation has not responded within thirty (30) days of receiving in writing all additional, requested information, the Corporation may not assert the absence of prior approval as a basis for disallowing the cost.

§ 1630.7 Review of questioned costs and appeal of disallowed costs.

(a) When the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has identified and referred a questioned cost to the Corporation, Corporation management shall review the findings of the Office of Inspector General, General Accounting Office, or independent auditor or other authorized audit organization, as well as the recipient’s written response to the findings, in order to determine accurately the amount of the questioned cost, the factual circumstances giving rise to the cost, and the legal basis for disallowing the cost. Corporation management may also identify
§ 1630.8 Recovery of disallowed costs and other corrective action.

(a) The Corporation shall recover any disallowed costs from the recipient within the time limits and conditions
§ 1630.13 Time.

(a) Computation. Time limits specified in this part shall be computed in accordance with Rules 6(a) and 6(e) of the Federal Rules of Civil Procedure.
(b) Extensions. The Corporation may, on a recipient’s written request for good cause, grant an extension of time and shall so notify the recipient in writing.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this part.

PART 1634—COMPETITIVE BIDDING FOR GRANTS AND CONTRACTS

§ 1634.1 Purpose.
This part is designed to improve the delivery of legal assistance to eligible clients through the use of a competitive system to award grants and contracts for the delivery of legal services. The purposes of such a competitive system are to:
(a) Encourage the effective and economical delivery of high quality legal services to eligible clients that is consistent with the Corporation’s Performance Criteria and the American Bar Association’s Standards for Providers of Civil Legal Services to the Poor through an integrated system of legal services providers;

§ 1634.2

§ 1634.2 Definitions.

§ 1634.3 Competition for grants and contracts.

(a) After the effective date of this part, all grants and contracts for legal assistance awarded by the Corporation under Section 1006(a)(1)(A) of the LSC Act shall be subject to the competitive bidding process described in this part. (d) Wherever possible, the Corporation shall award no more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area. (5) Substate regional planning and coordination agencies which are composed of substate areas and whose governing boards are controlled by locally elected officials.

(b) All persons, groups and entities listed in paragraph (a) of this section must have a governing or policy body consistent with the requirements of part 1607 of this chapter or other law that sets out requirements for recipients’ governing bodies, unless such governing body requirements are inconsistent with applicable law.

§ 1634.6 Notice of intent to compete.
(a) In order to participate in the competitive bidding process, an applicant must submit a notice of intent to compete on or before the date designated by the Corporation in the RFP. The Corporation may extend the date if necessary to take account of special circumstances or to permit the Corporation to solicit additional notices of intent to compete.

(1) Names and resumes of principals and key staff;
(2) Names and resumes of current and proposed governing board or policy
§ 1634.7 Application process.

(a) The Corporation shall set a date for receipt of applications and shall announce the date in the RFP. The Corporation may extend the application date if necessary to take account of special circumstances.

(b) The application shall be submitted in a form to be determined by the Corporation.

(c) A completed application shall include all of the information requested by the RFP. § 1634.8 Selection process.

(a) After receipt of all applications for a particular service area, Corporation staff shall:

(2) Request from an applicant and review any additional information that the Corporation determines is appropriate to evaluate the application fully;

(3) Conduct one or more on-site visits to an applicant if the Corporation determines that such visits are appropriate to evaluate the application fully;

(4) Summarize in writing information regarding the applicant that is not contained in the application if appropriate for the review process; and

(5) Convene a review panel unless there is only one applicant for a particular service area and the Corporation determines that use of a review panel is not appropriate. The review panel shall:

(i) Review the applications and the summaries prepared by the Corporation staff. The review panel may request other information identified by the Corporation as necessary to evaluate the applications fully; and

(ii) Make a written recommendation to the Corporation regarding the award of grants or contracts from the Corporation for a particular service area.

(b) After reviewing the written recommendations, the President shall select the applicants to be awarded grants or contracts from the Corporation and the Corporation shall notify each applicant in writing of the President's decision regarding each applicant's application.

(c) In the event that there are no applicants for a service area or that the Corporation determines that no applicant meets the criteria and therefore determines not to award a grant or contract for a particular service area, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.
§ 1634.9 Selection criteria.

(a) The criteria to be used to select among qualified applicants shall include the following:

(1) Whether the applicant has a full understanding of the basic legal needs of the eligible clients in the area to be served;

(2) The quality, feasibility and cost-effectiveness of the applicant’s legal services delivery and delivery approach in relation to the Corporation’s Performance Criteria and the American Bar Association’s Standards for Providers of Civil Legal Services to the Poor, as evidenced by, among other things, the applicant’s experience with the delivery of the type of legal assistance contemplated under the proposal;

(3) Whether the applicant’s governing or policy body meets or will meet all applicable requirements of the LSC Act, regulations, guidelines, instructions and any other requirements of law in accordance with a time schedule set out by the Corporation;

(4) The applicant’s capacity to comply with all other applicable provisions of the LSC Act, rules, regulations, guidelines and instructions, as well as with ethical requirements and any other requirements imposed by law. Evidence of the applicant’s capacity to comply with this criterion may include, among other things, the applicant’s experience with the Corporation or other funding sources or regulatory agencies, including but not limited to Federal or State agencies, bar associations or foundations, courts, IOLTA programs, and private foundations;

(5) The reputations of the applicant’s principals and key staff;

(b) In selecting recipients of awards for grants or contracts under this part, the Corporation shall not grant any preference to current or previous recipients of funds from the Corporation.

§ 1634.10 Transition provisions.

(a) When the competitive bidding process results in the award of a grant or contract to an applicant, other than the current recipient, to serve the area currently served by that recipient, the Corporation—

(1) may provide, if the law permits, continued funding to the current recipient, for a period of time and at a level to be determined by the Corporation after consultation with the recipient, to ensure the prompt and orderly completion of or withdrawal from pending cases or matters or the transfer of such cases or matters to the new recipient or to other appropriate legal service providers in a manner consistent with the rules of ethics or professional responsibility for the jurisdiction in which those services are being provided; and

(2) shall ensure, after consultation with the recipient, the appropriate disposition of real and personal property purchased by the current recipient in whole or in part with Corporation funds consistent with the Corporation’s policies.

(b) Awards of grants or contracts for legal assistance to any applicant that is not a current recipient may, in the Corporation’s discretion, provide for incremental increases in funding up to the annualized level of the grant or
§ 1634.11 Contract award in order to ensure that the applicant has the capacity to utilize Corporation funds in an effective and economical manner.

§ 1634.11 Replacement of recipient that does not complete grant term.

In the event that a recipient is unable or unwilling to continue to perform the duties required under the terms of its grant or contract, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.

§ 1634.12 Emergency procedures and waivers.

The President of the Corporation may waive the requirements of §§1634.6 and 1634.8(a) (3) and (5) when necessary to comply with requirements imposed by law on the awards of grants and contracts for a particular fiscal year.

§ 1635.1 Purpose.

This part is intended to improve accountability for the use of all funds of a recipient by:

(a) Assuring that allocations of expenditures of LSC funds pursuant to 45 CFR part 1630 are supported by accurate and contemporaneous records of the cases, matters, and supporting activities for which the funds have been expended;

(b) Enhancing the ability of the recipient to determine the cost of specific functions; and

(c) Increasing the information available to LSC for assuring recipient compliance with Federal law and LSC rules and regulations.

§ 1635.2 Definitions.

As used in this part—

(a) A case is a form of program service in which an attorney or paralegal of a recipient provides legal services to one or more specific clients, including, without limitation, providing representation in litigation, administrative proceedings, and negotiations, and such actions as advice, providing brief services and transactional assistance, and assistance with individual PAI cases.

(b) A matter is an action which contributes to the overall delivery of program services but does not involve direct legal advice to or legal representation of one or more specific clients. Examples of matters include both direct services, such as but not limited to, community education presentations, operating pro se clinics, providing information about the availability of legal assistance, and developing written materials explaining legal rights and responsibilities; and indirect services, such as training, continuing legal education, general supervision of program services, preparing and disseminating desk manuals, PAI recruitment, referral, intake when no case is undertaken, and tracking substantive law developments.

(c) Restricted activities means those activities that recipients may not undertake as set out in 45 CFR part 1610.

(d) A supporting activity is any action that is not a case or matter, including management in general, and fund-raising.

§ 1635.3 Timekeeping requirement.

(a) All expenditures of funds for recipient actions are, by definition, for cases, matters, or supporting activities. The allocation of all expenditures must be carried out in accordance with 45 CFR part 1630.
§ 1636.2

(b) Time spent by attorneys and paralegals must be documented by time records which record the amount of time spent on each case, matter, or supporting activity.

(1) Time records must be created contemporaneously and account for time by date and in increments not greater than one-quarter of an hour which comprise all of the efforts of the attorneys and paralegals for which compensation is paid by the recipient.

(2) Each record of time spent must contain: for a case, a unique client name or case number; for matters or supporting activities, an identification of the category of action on which the time was spent.

(c) The timekeeping system must be able to aggregate time record information on both closed and pending cases by legal problem type.

(d) Recipients shall require any attorney or paralegal who works part-time for the recipient and part-time for an organization that engages in restricted activities to certify in writing that the attorney or paralegal has not engaged in restricted activity during any time for which the attorney or paralegal was compensated by the recipient or has not used recipient resources for restricted activities. The certification requirement does not apply to a de minimis action related to a restricted activity. Actions consistent with the de minimis standard are those that meet all or most of the following criteria: actions that are of little substance; require little time; are not initiated by the part-time employee; and, for the most part, are unavoidable. Certifications shall be made on a quarterly basis and shall be made on a form determined by LSC.

§ 1635.4 Administrative provisions.

Time records required by this section shall be available for examination by auditors and representatives of LSC, and by any other person or entity statutorily entitled to access to such records. LSC shall not disclose any time record except to a Federal, State or local law enforcement official or to an official of an appropriate bar association for the purpose of enabling such bar association official to conduct an investigation of an alleged violation of the rules of professional conduct.

§ 1636.1 Purpose.

The purpose of this rule is to ensure that, when an LSC recipient files a complaint in a court of law or otherwise initiates or participates in litigation against a defendant or engages in pre-complaint settlement negotiations, the recipient identifies the plaintiff it represents to the defendant and ensures that the plaintiff has a colorable claim.

§ 1636.2 Requirements.

(a) When a recipient files a complaint in a court of law or otherwise initiates or participates in litigation against a defendant, or before a recipient engages in pre-complaint settlement negotiations with a prospective defendant on behalf of a client who has authorized it to file suit in the event that the settlement negotiations are unsuccessful, it shall:

(1) Identify each plaintiff it represents by name in any complaint it files, or in a separate notice provided to the defendant against whom the complaint is filed where disclosure in the complaint would be contrary to law or court rules or practice, and identify each plaintiff it represents to prospective defendants in pre-litigation settlement negotiations, unless a court of competent jurisdiction has entered an order protecting the client from such disclosure based on a finding, after notice and an opportunity for a hearing on the matter, of probable, serious harm to the plaintiff if the disclosure is not prevented; and
§ 1636.3

(2) Prepare a dated written statement signed by each plaintiff it represents, enumerating the particular facts supporting the complaint, insofar as they are known to the plaintiff when the statement is signed.

(b) The statement of facts must be written in English and, if necessary, in a language other than English that the plaintiff understands.

(c) In the event of an emergency, where the recipient reasonably believes that delay is likely to cause harm to a significant safety, property or liberty interest of the client, the recipient may proceed with the litigation or negotiation without a signed statement of facts, provided that the statement is prepared and signed as soon as possible thereafter.

§ 1636.3 Access to written statements.

(a) Written statements of facts prepared in accordance with this part are to be kept on file by the recipient and made available to the Corporation or to any Federal department or agency auditing or monitoring the activities of the recipient or to any auditor or monitor receiving Federal funds to audit or monitor on behalf of a Federal department or agency or on behalf of the Corporation.

(b) This part does not give any person or party other than those listed in paragraph (a) of this section any right of access to the plaintiff’s written statement of facts, either in the lawsuit or through any other procedure. Access to the statement of facts by such other persons or parties is governed by applicable law and the discovery rules of the court in which the action is brought.

§ 1636.4 Applicability.

This part applies to cases for which private attorneys are compensated by the recipient as well as to those cases initiated by the recipient’s staff.

§ 1636.5 Recipient policies, procedures and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient’s compliance with this part.

(b) A recipient may represent an otherwise eligible individual seeking legal assistance from the recipient as a result of information provided as described in §1638.3(a), provided that the request has not resulted from in-person unsolicited advice.

(c) This part does not prohibit representation or referral of clients by recipients pursuant to a statutory or private ombudsman program that provides investigatory and referral services and/or legal assistance on behalf of persons who are unable to seek assistance on their own, including those who are institutionalized or are physically or mentally disabled.

§ 1639.1 Purpose.

The purpose of this rule is to ensure that LSC recipients do not initiate litigation involving, or challenge or participate in, efforts to reform a Federal or State welfare system. The rule also clarifies when recipients may engage in representation on behalf of an individual client seeking specific relief from a welfare agency and under what circumstances recipients may use funds from sources other than the Corporation to comment on public rulemaking or respond to requests from legislative or administrative officials.
§ 1639.2 Definitions.

(a) An effort to reform a Federal or State welfare system includes all of the provisions, except for the Child Support Enforcement provisions of Title III, of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Personal Responsibility Act), 110 Stat. 2105 (1996), and subsequent legislation enacted by Congress or the States to implement, replace or modify key components of the provisions of the Personal Responsibility Act or by States to replace or modify key components of their General Assistance or similar means-tested programs conducted by States or by counties with State funding or under State mandates.

(b) Existing law as used in this part means Federal, State or local statutory laws or ordinances which are enacted as an effort to reform a Federal or State welfare system and regulations issued pursuant thereto that have been formally promulgated pursuant to public notice and comment procedures.

§ 1639.3 Prohibition.

Except as provided in §§1639.4 and 1639.5, recipients may not initiate legal representation, or participate in any other way in litigation, lobbying or rulemaking, involving an effort to reform a Federal or State welfare system. Prohibited activities include participation in:

§ 1639.5 Exceptions for public rulemaking and responding to requests with non-LSC funds.

Consistent with the provisions of 45 CFR 1612.6 (a) through (e), recipients may use non-LSC funds to comment in a public rulemaking proceeding or respond to a written request for information or testimony from a Federal, State or local agency, legislative body, or committee, or a member thereof, regarding an effort to reform a Federal or State welfare system.

§ 1639.6 Recipient policies and procedures.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part.

PART 1640—APPLICATION OF FEDERAL LAW TO LSC RECIPIENTS

§ 1640.1 Purpose.

The purpose of this part is to ensure that recipients use their LSC funds in accordance with Federal law related to the proper use of Federal funds. This part also identifies the Federal laws which apply, and it provides notice of the consequences to a recipient of a violation of such Federal laws by a recipient, its employees or board members.

§ 1640.2 Definitions.

(a)(1) Federal law relating to the proper use of Federal funds means:

(i) 18 U.S.C. 201 (Bribery of Public Officials and Witnesses);

(v) 18 U.S.C. 641 (Public Money, Property or Records);
(vi) 18 U.S.C. 1001 (Statements or Entries Generally);
(vii) 18 U.S.C. 1002 (Possession of False Papers to Defraud the United States);
(viii) 18 U.S.C. 1516 (Obstruction of Federal Audit);
(ix) 31 U.S.C. 3729 (False Claims);
(x) 31 U.S.C. 3730 (Civil Actions for False Claims), except that actions that are authorized by 31 U.S.C. 3730(b) to be brought by persons may not be brought against the Corporation, any recipient, subrecipient, grantee, or contractor of the Corporation, or any employee thereof;
(xi) 31 U.S.C. 3731 (False Claims Procedure);
(xii) 31 U.S.C. 3732 (False Claims Jurisdiction); and
(xiii) 31 U.S.C. 3733 (Civil Investigative Demands).

(2) For the purposes of the laws listed in paragraph (a)(1) of this section, LSC shall be considered a Federal agency and a recipient’s LSC funds shall be considered to be Federal funds provided by grant or contract.

(b) A violation of the agreement means:

(1) That the recipient has been convicted of, or judgment has been entered against the recipient for, a violation of any of the laws listed in paragraph (a)(1) of this section, with respect to its LSC grant or contract, by the court having jurisdiction of the matter, and any appeals of the conviction or judgment have been exhausted or the time for the appeal has expired; or

(2) An employee or board member of the recipient has been convicted of, or judgment has been entered against the employee or board member for, a violation of any of the laws listed in paragraph (a)(1) of this section with respect to a recipient’s grant or contract with LSC by the court having jurisdiction of the matter, and any appeals of the conviction or judgment have been exhausted or the time for appeal has expired, and the Corporation finds that the recipient has knowingly or through gross negligence allowed the employee or board member to engage in such activities.

§ 1640.3 Contractual agreement.
As a condition of receiving LSC funds, a recipient must enter into a written contractual agreement with the Corporation that, with respect to its LSC funds, it will be subject to the Federal laws listed in §1640.2(a)(1). The agreement shall include a statement that all of the recipient’s employees and board members have been informed of such Federal law and of the consequences of a violation of such law, both to the recipient and to themselves as individuals.

§ 1640.4 Violation of agreement.
(a) A violation of the agreement under §1640.2(b)(1) shall result in the recipient’s LSC grant or contract being terminated by the Corporation without need for a termination hearing. During the pendency of any appeal of a conviction or judgment, the Corporation may take such steps as it determines necessary to safeguard its funds.

(b) A violation of the agreement under §1640.2(b)(2) shall result in the recipient’s LSC grant or contract being terminated by the Corporation. Prior to such termination, the Corporation shall provide notice and an opportunity to be heard for the sole purpose of determining whether the recipient knowingly or through gross negligence allowed the employee or board member to engage in the activities which led to the conviction or judgment. During the pendency of any appeal of a conviction or judgment or during the pendency of a hearing, the Corporation may take such steps as it determines necessary to safeguard its funds.

PART 1641—DEBARMENT, SUSPENSION AND REMOVAL OF RECIPIENT AUDITORS

Subpart A—General

Sec.
1641.1 Purpose/Applicability.
1641.2 Definitions.
1641.3 Scope of debarment, suspension and removal.
1641.4 Duration of debarment, suspension and removal.
§ 1641.1 Purpose/Applicability.

In order to assist in ensuring that recipients receive acceptable audits, this part sets out the authority of the Legal Services Corporation ("LSC") Office of Inspector General ("OIG") to debar, suspend or remove independent public accountants ("IPAs") from performing audit services for recipients. This rule informs IPAs of their rights to notice and an opportunity to be heard on actions involving debarment, suspension or removal, and the standards upon which such actions will be taken. This part applies to IPAs performing audit services for recipients, subrecipients or other entities which receive LSC funds and are required to have an audit performed in accordance with guidance promulgated by the OIG.

§ 1641.2 Definitions.

Adequate evidence means information sufficient to support the reasonable belief that a particular act or omission has occurred. Audit services means the annual financial statement audit of a recipient, including an audit of the recipient’s financial statements, systems of internal control, and compliance with laws and regulations. Contract means an agreement between a recipient and an IPA for an IPA to provide audit services to the recipient. Conviction means a judgment or conviction of a criminal offense by any court, whether entered upon a verdict or plea, including but not limited to, pleas of nolo contendere. Debarment means a decision by the debarring official to prohibit an IPA from soliciting or entering into new contracts to perform audit services for recipient(s) based upon a finding by a preponderance of the evidence that any of the causes for debarment set out in §1641.7 exist. Debarment may cover an IPA’s contracts with all recipients or with one or more specific recipients. Debarring official is the official responsible for debarment, suspension or removal actions under this part. The OIG legal counsel is the debarring official. In the absence of an OIG legal counsel or in the discretion of the Inspector General, the debarring official shall be the OIG staff person or other individual designated by the Inspector General. Indictment means a charge by a grand jury that the person named therein has committed a criminal offense. An information, presentment, or other filing by competent authority charging a criminal offense shall be given the same effect as an indictment. Known law means an independent public accountant or firm of accountants. Knowingly means that an act was done voluntarily and intentionally and not because of mistake or accident. Material fact means one which is necessary to determine the outcome of an issue or case and without which the case could not be supported.
Person means an individual or a firm, partnership, corporation, association, or other legal entity.

Preponderance of the evidence means proof by information that, compared with that opposing it, leads to the conclusion that the fact at issue is more probably true than not.

Removal means a decision by the debarring official to prohibit an IPA from performing audit services in subsequent years of an existing contract with one or more specific recipients based upon a finding by a preponderance of the evidence that any of the causes set out in §1641.18 exist.

Suspension means a decision by the debarring official, in anticipation of a debarment, to prohibit an IPA from soliciting or entering into new contracts to perform audit services for recipient(s) or with one or more specific recipients.

§1641.3 Scope of debarment, suspension and removal.

An IPA may be debarred, suspended or removed under this part only if the IPA is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

(a) Actions against individual IPAs. Debarment, suspension or removal of an individual IPA, debars, suspends or removes that individual from performing audit services as an individual or as an employee, independent contractor, agent or other representative of an IPA firm.

(b) Actions against IPA firms. (1) Debarment, suspension or removal shall affect only those divisions or other organizational elements materially involved in the relevant engagement and is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

(3) The debarment, suspension or removal action contemplated in paragraph (b)(1) of this section may include an individual officer, director, or partner responsible for the engagement, or an individual employee, independent contractor, agent, representative or other individual associated with an IPA firm only if such individual is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

§1641.4 Duration of debarment, suspension and removal.

A debarment, suspension or removal is effective as set out in the debarring official’s decision to debar, suspend or remove, issued pursuant to §1641.22.

(a) Debarment. (1) Debarment generally should not exceed three years, but may be for a shorter period based on a consideration of the evidence presented by the IPA. Debarment may exceed three years in extraordinary circumstances.

(2) If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(3) The debarring official may extend an existing debarment for an additional period if the debarring official determines, based on additional facts not previously in the record, that an extension is necessary to protect LSC funds. The standards and procedures in this part shall be applied in any proceeding to extend a debarment.

(b) Suspension. (1) The debarring official may determine that a cause for suspension exists, but that an investigation or other legal or debarment proceeding should be completed before proceeding to a debarment. Suspension shall be for a temporary period pending the completion of an investigation or other legal or debarment proceedings, including a proceeding conducted by the OIG, a law enforcement or other government agency, an investigative or audit official from another OIG, a court, or a state licensing body or other organization with authority over IPAs.
§ 1641.5

(2) If debarment proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an official or organization conducting a proceeding referred to in paragraph (b)(1) of this section requests its extension in writing. In such cases, the suspension may be extended up to an additional six months. In no event may a suspension be imposed for more than 18 months, unless debarment proceedings have been initiated within that period.

(3) The OIG shall notify the appropriate official or organization conducting a proceeding referred to in paragraph (b)(1) of this section, if any, of the suspension within 10 days of its implementation, and shall notify such official or organization of an impending termination of a suspension at least 30 days before the 12-month period expires to allow an opportunity to request an extension.

(4) The limit on the duration of a suspension in paragraph (b)(2) of this section may be waived by the affected IPA.

(c) Removal. Removal shall be effective for the years remaining on the existing contract(s) between the IPA and the recipient(s).

Subpart B—Debarment

§ 1641.5 Debarment.

(a) IPAs debarred from providing audit services for all recipients are prohibited from soliciting or entering into any new contracts for audit services with recipients for the duration of the specified period of debarment. Recipients shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Debarred IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Debarred IPAs also must provide prior written notice of the debarment to any recipient for which the IPA provides audit services.

§ 1641.6 Procedures for debarment.

Before debarring an IPA, the OIG shall provide the IPA with a hearing in accordance with the procedures set out in §§1641.7 through 1641.9. Such hearing shall be held entirely by written submissions, except:

(a) Additional proceedings shall be held under §1641.10 if the debarring official finds there is a genuine dispute of material fact; and/or

(b) A meeting may be held under §1641.9(c).

§ 1641.7 Causes for debarment.

The debarring official may debar an IPA from performing audit services in accordance with the procedures set forth in this part upon a finding by a preponderance of the evidence that:

(a) The IPA has failed significantly to comply with government auditing standards established by the Comptroller General of the United States, generally accepted auditing standards and/or OIG audit guidance as stated in the OIG Audit Guide for Recipients and Auditors, including the Compliance Supplement for Audits of LSC Recipients, and in OIG Audit Bulletins;

(b) The IPA is currently debarred from contracting with any Federal agency or entity receiving Federal funds, including when the IPA has stipulated to such debarment;

(c) The IPA’s license to practice accounting has been revoked, terminated or suspended by a state licensing body or other organization with authority over IPAs;

(d) The IPA has been convicted of any offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to commit such an offense, and the conviction is final; or
§1641.11 Suspension.

(a) IPAs suspended from providing audit services for all recipients are prohibited from soliciting or entering into any new contracts for audit services with recipients for the duration of the suspension. Recipients shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Suspended IPAs also are prohibited from providing audit services to recipients.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for debarment set forth in the notice and an acceptance of the period of debarment. In such circumstances, without further proceedings, the debarring official may enter a final decision stating the period of debarment.

§1641.10 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under §1641.7 (d) or (e), if the debarring official finds that the IPA’s submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA’s submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under §1641.9(c).

(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.

(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost.

(d) The debarring official may refer disputed material facts to a fact finder, who need not be a member of the OIG staff, for fact finding, analysis and recommendation.
§ 1641.12 Procedures for suspension.

Before suspending an IPA, the OIG shall provide the IPA with a show cause hearing in accordance with the procedures set out in §§1641.13 through 1641.15. Such hearing shall be held entirely by written submissions, except that a meeting may be held under §1641.15(c).

§ 1641.13 Causes for suspension.

The debarring official may suspend an IPA in accordance with the procedures set forth in this part upon adequate evidence that:

(a) A cause for debarment under §1641.7 may exist;
(b) The IPA has been indicted for or convicted of any offense described in §1641.7;
(c) The IPA has been found subject to a civil judgment described in §1641.7(e), whether the judgment is final or not.
(d) The IPA has been suspended from contracting with a Federal agency or entity receiving Federal funds including when the IPA has stipulated to the suspension.

§ 1641.14 Notice of proposed suspension.

(a) Before suspending an IPA, OIG shall send it written notice of cause to suspend. Such notice shall:

(1) Include a directive to show cause, signed by the debarring official, which shall inform the IPA that unless the IPA responds within 10 days as provided in §1641.15, a suspension will be imposed;
(2) Identify the reasons for the proposed suspension sufficient to put the IPA on notice of the conduct or transaction(s) upon which a suspension proceeding is based;
(3) Identify the regulatory provisions governing the suspension proceeding; and
(4) State that, if imposed, the suspension shall be for a temporary period pending the completion of a investigation or other legal or debarment proceeding.

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, who may comment on the proposed action in the time frame set out in §1641.15.
the pending legal proceedings referenced by the law enforcement official.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for suspension set forth in the notice and an acceptance of the period of suspension. In such circumstances, the OIG may proceed to a final decision without further proceedings.

Subpart D—Removal

§ 1641.16 Removal.

Removed IPAs are prohibited from performing audit services in subsequent years under an existing contract(s) with one or more specific recipients. The affected recipient(s) shall not extend existing contracts with such IPAs. Removed IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Removed IPAs also must provide prior written notice of the removal to any such recipient.

§ 1641.17 Procedures for removal.

(a) Before removing an IPA, the OIG shall provide the IPA with a hearing in accordance with the procedures set out in §§ 1641.18 through 1641.21. Such hearing shall be held entirely by written submissions, except:

(1) Additional proceedings shall be held under § 1641.21 if the debarring official finds there is a genuine dispute of material fact; and/or

(2) A meeting may be held under § 1641.20(c).

(b) A Notice of Proposed Removal normally will be accompanied by a Notice of Proposed Debarment, and the proceedings may be consolidated.

§ 1641.18 Causes for removal.

The debarring official may remove an IPA from performing audit services in accordance with the procedures set forth in this part upon a finding by a preponderance of the evidence that:

(a) The IPA has failed significantly to comply with government auditing standards established by the Comptroller General of the United States, generally accepted auditing standards and/or OIG audit guidance as stated in the OIG Audit Guide for Recipients and Auditors, including the Compliance Supplement for Audits of LSC Recipients, and in OIG Audit Bulletins;

(b) The IPA is currently debarred from contracting with any Federal agency or entity receiving Federal funds, including when the IPA has stipulated to such debarment;

(c) The IPA’s license to practice accounting has been revoked, terminated or suspended by a state licensing body or other organization with authority over IPAs;

(d) The IPA has been convicted of any offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to commit such an offense, and the conviction is final; or

(e) The IPA has been found subject to a civil judgment for any action indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to take such action, and the judgment is final.

§ 1641.19 Notice of proposed removal.

(a) Before removing an IPA, the OIG shall send the IPA written notice of the proposed removal. The notice shall be sent in a manner that provides evidence of its receipt and shall:

(1) State that removal is being considered;

(2) Identify the reasons for the proposed removal sufficient to put the IPA on notice of the conduct or transgression(s) upon which a removal proceeding is based;

(3) Identify the regulatory provisions governing the removal proceeding; and

(4) State that removal shall be for the years remaining on the existing contract(s) between the IPA and the recipient(s).

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, which may comment on the proposed action in the time frame set out in § 1641.20.

§ 1641.20 Response to notice of proposed removal.

(a) The IPA shall have 30 days from receipt of the notice within which to respond.
§ 1641.21 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under §1641.18(d) or (e), if the debarring official finds that the IPA’s submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA’s submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under §1641.20(c).

(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.

(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost.

(b) The administrative record consists of any information, reports, documents or other evidence identified and relied upon in the Notice of Proposed Debarment, the Notice of Proposed Suspension, or the Notice of Proposed Removal, together with any relevant material contained in the IPA’s response or submitted by an affected recipient. In the case of debarment or removal, when additional proceedings are necessary to determine disputed material facts, the administrative record also shall consist of any relevant material submitted or presented at such proceedings.

(c) Failure of the OIG to meet a time requirement of this part does not preclude the OIG from debarring, suspending or removing an IPA. In extraordinary circumstances, the OIG may grant an IPA an extension of the time requirements set out in this part.

(d) Notice of decisions. IPAs shall be given prompt notice of the debarring official’s decision. A copy of the decision shall:

1. Set forth the finding(s) upon which the decision is based;
2. Set forth the effect of the debarment, suspension or removal action and the effective dates of the action;

The Inspector General may except a contract from the effects of debarment, suspension or removal upon a written determination that a compelling reason exists for using the IPA in the particular instance.

§ 1641.24 Appeal and reconsideration of debarring official decisions.

(a) Appeal and reconsideration generally. A debarred, suspended or removed IPA may submit the debarring official’s decision for appeal or reconsideration in accordance with this section. Within 60 days, IPAs shall be given notice of decisions on appeal and reconsideration. The relief, if any, granted upon appeal or reconsideration shall be limited to the relief stated in the decision on the appeal or reconsideration.

(ii) By a suspended IPA, within 15 days of receipt of the decision.

(3) The Inspector General, at his or her discretion and after determining that a compelling reason exists, may stay the effect of the debarment, suspension or removal pending conclusion of his or her review of the matter.

(c) Reconsideration. (1) A debarred, suspended or removed IPA may submit a request to the debarring official to reconsider the debarment, suspension or removal decision, reduce the period of debarment or removal, or terminate the suspension.

(2) Such requests shall be in writing and supported by documentation that the requested action is justified by:

(a) A member of the public may request records from the National Commission on Libraries and Information Science by writing to the Associate Director, National Commission on Libraries and Information Science, Suite 601, 1717 K Street, NW, Washington, DC 20036.

(b) A request for access to records should reasonably describe the records requested such that Commission personnel will be able to locate them with a reasonable amount of effort. Where possible, specific information regarding dates, titles, file designations, and other information which may help identify the records should be supplied by the requester.

(c) Records or materials will be available for inspection and copying at the offices of the Commission during the normal business hours of regular business days or they may be obtained by mail.

§ 1701.4 Fees.

(a) A fee may be charged for direct costs of document search and duplication at the rate of $0.10 per page for copying and $5.00 per hour for time expended in identifying and locating records.

(c) The Commission may limit the number of copies of any document provided to any person.

§ 1701.5 Prompt response.

(a) Within ten days (excluding Saturdays, Sundays and legal public holidays) of the receipt of a request, the Associate Director shall determine whether to comply with or deny such request and shall dispatch such determination to the requester, unless an extension is made under paragraph (c) of this section.

(b) Only the Associate Director may deny a request and is the "person responsible for the denial" within the meaning of 5 U.S.C. 552(a). (c) In unusual circumstances as specified in this paragraph, the Associate Director may extend the time for the initial determination of a request up to a total of ten days (excluding Saturdays, Sundays and legal public holidays). Extensions shall be made by written notice to the requester setting forth the reason for the extension and the date upon which a determination is expected to be dispatched. As used in this paragraph "unusual circumstances" means, but only to the extent necessary to the proper processing of the request—

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the Commission;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request.

(d) If no determination has been dispatched at the end of the ten-day period, or the last extension thereof, the requester may deem his request denied, and exercise a right of appeal in accordance with §1701.7. When no determination can be dispatched within the applicable time limit, the Associate Director shall nevertheless continue to
§ 1701.6 Process the request. On expiration of the time limit he shall inform the requester of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his rights to treat the delay as a denial and appeal to the Executive Director in accordance with §1701.7. He may also ask the requester to forgo appeal until a determination is made.

[40 FR 7653, Feb. 21, 1975]

§ 1701.6 Form of denial.

A reply denying a request shall be in writing, signed by the Associate Director, and shall include: (a) A specific reference to the exemption or exemptions under the Freedom of Information Act authorizing the withholding of the record, (b) brief explanation of how the exemption(s) applies to the record(s) withheld, (c) a statement that the denial may be appealed under §1701.7 within thirty days by writing to the Executive Director, National Commission on Libraries and Information Science, Suite 601, 1717 K Street NW., Washington, DC 20036, and (d) that judicial review will thereafter be available in the district in which the requester resides or has his principal place of business, the district in which the agency records are situated, or in the District of Columbia.

[40 FR 7653, Feb. 21, 1975]

§ 1701.7 Appeals.

(a) When the Associate Director has denied a request for records in whole or in part, the requester may, within thirty days of receipt of the letter notifying him of the denial, appeal to the Commission. Appeals to the Commission shall be in writing, addressed to the Executive Director, National Commission on Libraries and Information Science, 1717 K Street NW., Washington, DC 20036.

(b) The Commission will act upon an appeal within twenty days (excluding Saturdays, Sundays or legal public holidays) of its receipt, unless an extension is made under paragraph (c) of this section.

(c) In unusual circumstances as specified in this paragraph, the time for action on an appeal may be extended up to ten days (excluding Saturdays, Sundays, and legal public holidays) minus any extension granted at the initial request level pursuant to §1701.5(c). Such extension shall be made by written notice to the requester setting forth the reason for the extension and the date on which a determination is expected to be dispatched. As used in this paragraph “unusual circumstances” means, but only to the extent necessary to the proper processing of the appeal—

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the Commission;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request.

(d) If no determination of the appeal has been dispatched at the end of the twenty-day period or the last extension thereof, the requester is deemed to have exhausted his administrative remedies, giving rise to a right of review in a district court of the United States as specified in 5 U.S.C. 552(a)(4). When no determination can be dispatched within the applicable time limit, the appeal will nevertheless continue to be processed. On expiration of the time limit the requester shall be informed of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his right to seek judicial review in the United States district court in the district in which he resides or has his principal place of business, the district in which the records are situated, or the District of Columbia. The requester may be asked to forgo judicial review until determination of the appeal.

(e) The Commission’s determination on appeal shall be in writing. An affirmation in whole or in part of a denial on appeal shall include: (1) A reference to the specific exemption or exemptions under the Freedom of Information Act authorizing the withholding of the record,

The public is entitled to the fullest practicable information regarding the decision-making processes of the Commission. Commission meetings involving deliberations which determine or result in the joint conduct or disposition of official Commission business...
are presumptively open to the public. It is the intent of these regulations to open such meetings to public observation while protecting individuals' rights and the Commission's ability to carry out its responsibilities. Meetings or portions of meetings may be closed to public observation only if closure can be justified under one of the provisions set forth in §1703.202.

Subpart B—Procedures Governing Decisions About Meetings

§1703.201 Decision to hold meeting.

When Commission members make a decision to hold a meeting, the proposed meeting will ordinarily be scheduled for a date no earlier than eight days after the decision to allow sufficient time to give appropriate public notice. At the time a decision is made to hold a meeting, the time, place, and subject matter of the meeting will be determined, as well as whether the meeting is to be open or closed to the public.

§1703.202 Provisions under which a meeting may be closed.

(a) A meeting or portion thereof may be closed to public observation, and information pertaining to such meeting may be withheld from the public, where the Commission determines that such portion or portions of its meeting or disclosure of such information is likely to:

1. Disclose matters that are: (i) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and
2. In fact properly classified pursuant to such Executive order;
3. Relate solely to the internal personnel rules and practices of an agency;
4. Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;
5. Involve accusing any person of a crime, or formally censuring any person;
6. Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;
7. Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would: (i) Interfere with enforcement proceedings,
   (ii) Deprive a person of a right to a fair trial or an impartial adjudication,
   (iii) Constitute an unwarranted invasion of personal privacy,
   (iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source,
   (v) Disclose investigative techniques and procedures, or
   (vi) Endanger the life or physical safety of law enforcement personnel;
8. Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;
9. Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action, except this subparagraph shall not apply in any instance where the agency has already disclosed to the public the content or nature of its proposed action, or where the agency is required by law to make such disclosure on its own initiative prior to taking final agency action on such proposal; or
10. Specifically concern the agency's issuance of a subpoena, or the agency's participation in a civil action or proceeding, an action in a foreign court or...
§ 1703.205

international tribunal, or an arbitration, or the initiation, conduct, or disposition by the agency of a particular case of formal agency adjudication pursuant to the procedures in section 554 of this title or otherwise involving a determination on the record after opportunity for a hearing.

(b) The Commission may exercise its authority to open to public observation a meeting which could be closed under one of the provisions of §1703.202(a), if it would be in the public interest to do so. The Commission will determine whether the discussion comes within one of the specific exemptions. If the discussion is determined to be exempt, the Commission will consider and determine whether the public interest nevertheless requires that the meeting be open.

§ 1703.203 Decision to close meeting.

(a) Commission members may decide before the meeting to close to public observation a meeting or portion or portions thereof, or to withhold information pertaining to such meeting, only if a majority of the members vote on the record to take such action. No proxy votes on this action shall be allowed. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series. If a decision is made to close a portion or portions of a meeting or a series of meetings, the Commission shall prepare a full written explanation of the closure action together with a list naming all persons expected to attend the meeting and identifying their affiliation.

(b) For every meeting or portion thereof which Commission members have voted to close, the Chairman of NCLIS shall certify that, in his or her opinion, the meeting may properly be closed to the public. In addition, the Chairman shall state each relevant exemptive provision as set forth in § 1703.205(a). A copy of the Chairman’s certification, together with a statement from the Chairman setting forth the time and place of the meeting and listing the persons present, shall be retained by the Commission.

(c) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Commission close such portion to the public for any of the reasons referred to in §1703.202 (a) (5), (6), or (7), the Commission members, upon request of any of the Commissioners, shall decide by recorded vote whether to close such portion. If a closure decision is made, the Commission shall prepare a full written explanation of the closure action together with a list naming all persons expected to attend the meeting and identifying their affiliation.

§ 1703.204 Public availability of recorded vote to close meeting.

Within one day of any vote taken on a proposal to close a meeting, the Commission shall make publicly available a record reflecting the vote of each member on the question. In addition, within one day of any vote which closes a portion or portions of a meeting to the public, the Commission shall make publicly available a full written explanation of its closure action together with a list naming all persons expected to attend and identifying their affiliation, unless such disclosure would reveal the information that the meeting itself was closed to protect.

§ 1703.205 Public announcement of meeting.

(a) Except as provided in §§1703.207 and 1703.208, the Commission shall make a public announcement at least one week before the scheduled meeting, to include the following:

(1) Time, place, and subject matter of the meeting;
(2) Whether the meeting is to be open or closed; and
(3) Name and telephone number of agency official who will respond to requests for information about the meeting.

(b) If announcement of the subject matter of a closed meeting would reveal the information that the meeting was closed to protect, the subject matter shall not be announced.
§ 1703.206 Providing information to the public.

Individuals or organizations interested in obtaining copies of information available in accordance with §1703.204 may request same under provisions set forth in §§1703.402 and 1704.404. Individuals or organizations having a special interest in activities of the Commission may request the Executive Director to the Commissioners to place them on a mailing list for receipt of information available under §1703.205. The Commission shall provide information to publications whose readers are likely to have a special interest in the work of the Commission.

§ 1703.207 Change in meeting plans after public announcement.

(a) Following public announcement of a meeting, the time or place of a meeting may be changed only if the change is announced publicly at the earliest practicable time.

§ 1703.208 Meetings for extraordinary agency business.

Where agency business so requires, Commission members may decide by majority, recorded vote to schedule a meeting for a date earlier than eight days after the decision. Such a decision would obviate the general requirement for a public announcement at least one week before the scheduled meeting. At the earliest practicable time, however, the Commission will announce publicly the time, place, and subject matter of the meeting, whether the meeting is to be open or closed, and the name and telephone number of an agency official who will respond to requests for information about the meeting.

§ 1703.209 Notice of meeting in Federal Register.

Immediately following each public announcement required by this subpart, the following information, as applicable, shall be submitted for publication in the Federal Register:

(a) Notice of the time, place, and subject matter of a meeting;

(b) Whether the meeting is open or closed;

(c) Any change in one of the preceding; and

(d) The name and telephone number of an agency official who will respond to requests for information about the meeting.

Subpart C—Conduct of Meetings

§ 1703.301 Meeting place.

Meetings will be held in meeting rooms designated in the public announcement. Whenever the number of observers is greater than can be accommodated in the meeting room designated, every reasonable effort will be made to provide alternative facilities.

§ 1703.302 Role of observers.

The public may attend open meetings for the sole purpose of observation and may not record any of the discussions by means of electronic or other devices or cameras unless approved in advance by the Executive Committee of the Commission. Observers may not participate in meetings unless expressly invited or create distractions to interfere with the conduct and disposition of Commission business. Such participation or attempted participation shall be cause for removal of any person so engaged at the discretion of the presiding member of the Commission. When meetings are partially closed, observers will leave the meeting room promptly upon request so that discussion of matters exempt under provisions of subpart B of this part, §1703.202, may take place expeditiously.

Subpart D—Maintenance of Meeting Records

§ 1703.401 Requirements for maintaining records of closed meetings.

(a) A record of each meeting or portion thereof which is closed to the public must be made and retained for two years or for one year after the conclusion of the Commission proceeding involved in the meeting. The record of any portion of a meeting closed to the public shall be a transcript or electronic recording.

(b) When minutes are produced, such minutes shall fully and clearly describe all matters discussed, and will provide a full and accurate summary of any actions taken and the reasons expressed
§ 1703.601 Therefor. The minutes must also reflect the vote of each member on any roll call vote taken during the proceedings and identify all documents produced at the meeting.

(c) The following documents produced under provisions of paragraph (b) of this section shall be retained by the agency as part of the minutes of the meeting:

(1) Certification by the Chairman that the meeting may properly be closed; and

(2) Statement from the presiding officer of the meeting setting forth the date, time and place of the meeting and listing the persons present.

§ 1703.402 Availability of records to the public.

(a) The Commission shall make promptly available to the public the minutes maintained as a record of a closed meeting, except for such information as may be withheld under one of the provisions of §1703.202(a) of this report. Copies of such minutes, disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription.

(b) The nonexempt part of the minutes shall be in the official custody of the Executive Director of the Commission. Appropriate facilities will be made available to any persons who make a request to review these records.

(c) Requests for copies of nonexempt parts of minutes, shall be directed to the Executive Director of the Commission. Such requests shall identify the records being sought and include a statement that whatever costs are involved in furnishing the records will be acceptable or, alternatively, that costs will be acceptable up to a specified amount.

§ 1703.403 Requests for records under Freedom of Information and Privacy Acts.

Requests to review or obtain copies of records other than the minutes of a meeting will be processed under the Freedom of Information Act (5 U.S.C. 552) or, where applicable, the Privacy Act (5 U.S.C. 552a).

§ 1703.404 Copying and transcription charges.

(a) The Commission will charge fees for furnishing records at the rate of ten cents per page for photocopies and at the actual cost of transcription. When the anticipated charges exceed $50, a deposit of 20 percent of the amount anticipated must be made within 30 days. Requested information will not be released until the deposit is received. Fees shall be paid by check or money order made payable to the National Commission on Libraries and Information Science.

(b) The Executive Director of the Commission has the discretion to waive charges whenever release of the copies is determined to be in the public interest.

Subpart E—Administrative Review

§ 1703.501 Administrative Review.

Any person who believes a Commission action governed by this part to be contrary to the provisions of this part may file an objection in writing with the Executive Director to the Commissioners. Wherever possible, the Executive Director will respond within two working days to objections concerning decisions to close meetings or portions thereof. Responses to objections concerning matters other than closed meetings will be made within ten working days.

Subpart F—Judicial Review

§ 1703.601 Judicial review.

Any person may bring an action in a United States District Court to challenge or enforce the provisions of this part or the manner of their implementation. Such action may be brought prior to or within sixty days after the meeting in question, except that if proper public announcement of the meeting is not made, the action may be instituted at any time within sixty days after such announcement is made. An action may be brought where the Commission meeting was or is to be held or in the District of Columbia.

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

§§ 1706.131—1706.139 [Reserved]

§ 1706.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity
Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1706.141—1706.148 [Reserved]

§ 1706.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1706.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1706.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1706.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) Methods. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1706.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

(2) A description of a remedy for each violation found;

(b) The seven-day period for the public announcement required by paragraph (a) of this section may be reduced if a majority of the members of the Board or committee, as applicable, determine by a recorded vote that Board or committee business requires that such expedited meeting be called at an earlier date. The Board or committee shall make public announcement of the time, place, and subject matter of such meeting, and whether open or closed to the public, at the earliest practicable time.
(c) The time or place of a meeting may be changed following the public announcement required by paragraph (a) only if the Executive Secretary, acting at the direction of the Board, publicly announces such change at the earliest practicable time. Such change need not be voted on by the members.
(d) The subject matter of a meeting, or the determination of the Board or committee, as applicable, to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement required by paragraph (a) of this section only if: (1) A majority of the entire voting membership of the Board or a majority of the entire voting membership of a committee, determines by a recorded vote that Board or committee business so requires and that no earlier announcement of the change was possible, and
   (2) The Board or committee publicly announces such change and the vote of each member upon such change at the earliest practicable time.

of the preceding, and the name and
phone number of the person designated
by the Board or committee to respond
to requests for information about the
meeting, shall be submitted for publi-

§ 1802.6 Procedure for closing meet-

(a) Action to close a meeting or a
portion thereof, pursuant to the ex-
ceptions set forth in §1802.4, shall be
taken only when a majority of the en-
tire voting membership of the Board or
a majority of the entire voting mem-
ership of a committee, as applicable,
vote to take such action. Any such ac-
tion shall include a specific finding by
the Board that an open meeting is not
required by the public interest.

(b) A separate vote of the Board or
committee members shall be taken
with respect to each Board or com-
mittee meeting, a portion or portions
of which are proposed to be closed to
the public pursuant to §1802.4 or with
respect to any information which is
proposed to be withheld under §1802.4.

(c) A single vote of the Board or com-
mittee may be taken with respect to a

held no more than 30 days after the ini-
tial meeting in such series.

(d) The vote of each member shall be
recorded, and may be by notation vot-
ing, telephone polling or similar con-
sideration.

ests may be directly affected by a por-
tion of a meeting requests that the
Board or a committee close such por-
tion to the public under any of the ex-
ceptions relating to personal privacy,
criminal accusation, or law enforce-
ment information referred to in para-

§ 1802.7 Transcripts, recordings, min-
utes of meetings.

(a) The Board of Trustees shall main-
tain a complete transcript or elec-
tronic recording adequate to record
fully the proceedings of each meeting,
or portion of a meeting, closed to the public, except that in the case of a meeting closed to the public pursuant to paragraph (j) of §1802.4, the Board shall maintain either such a transcript or recording, or a set of minutes.

(b) Where minutes are maintained they shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons for such actions, including a description of each of the views expressed on any item and the record of any roll call vote (reflecting the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(c) The Board shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each meeting or portion of a meeting, closed to the public, for a period of at least two years after such meeting, or until one year after the conclusion of any Board proceeding with respect to which the meeting or portion was held, whichever occurs later.

(d) Public availability of records shall be as follows:

(1) Within ten days of receipt of a request for information (excluding Saturdays, Sundays, and legal public holidays), the Foundation shall make available to the public, in the offices of the Harry S. Truman Scholarship Foundation, 712 Jackson Place NW., Washington, DC, the transcript, electronic recording, or minutes of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting except for such item or items of such discussion or testimony as the General Counsel determines to contain information which may be withheld under §1802.4.

(2) Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be available at the actual cost of duplication or transcription.

(3) The determination of the General Counsel to withhold information pursuant to paragraph (d)(1) of this section may be appealed to the Board. The appeal shall be circulated to individual Board members. The Board shall make a determination to withhold or release the requested information within twenty days from the date of receipt of a written request for review (excluding Saturdays, Sundays, and legal public holidays).

(4) A written request for review shall be deemed received by the Board when it has arrived at the offices of the Board in a form that describes in reasonable detail the material sought.

(b) Private buildings bordering certain public areas in Washington, D.C. (Shipstead-Luce Act). For buildings to be erected or altered in locations which border the Capitol, the White House, the intermediate portion of Pennsylvania Avenue, the Mall Park System, Lafayette Park, the Zoological Park, Rock Creek Park or Parkway, or Potomac Park or Parkway, or are otherwise within areas defined by the official plats prepared pursuant to Sec. 2 of the Shipstead-Luce Act, the Commission reviews the plans as they relate to height and appearance, color and materials of the exteriors, and makes recommendations to the Government of the District of Columbia which, in the judgement of the Commission, are necessary to prevent reasonably avoidable impairment of the public values represented by the areas along which the buildings border.

(c) Georgetown buildings (Old Georgetown Act). For buildings to be constructed, altered, reconstructed, or razed within the area of the District of Columbia known as “Old Georgetown”, the Commission reviews and reports to the District of Columbia Government on proposed exterior architectural features, height, appearance, color, and texture of exterior materials as would be seen from public space; and the Commission makes recommendations

§ 2101.2 Relationships of Commission's functions to responsibilities of other government units.

(b) Other Federal government projects. Officers and departments of the federal government responsible for finally approving or acting upon proposed projects within the purview of the Commission's functions as described in §2101.1 (a) are required first to submit plans or designs for such projects to the Commission for its advice and comments.

(c) Projects within the jurisdiction of the District of Columbia government. The District of Columbia seeks Commission advice on exterior alteration or new construction of public buildings or major public works within its boundaries. The District of Columbia government also shall seek Commission advice on certain private construction requiring building or demolition permits from the D.C. Permit Branch (D.C. Law 5–422). These include certain actions by the District of Columbia government pursuant to either D.C. Law 5–422 or D.C. Alterations of buildings, demolition, or new construction at individually designated landmarks or within historic districts are further subject to the permit requirements of the Historic Landmark and Historic District Protection Act of 1978 (D.C. Law 2–144). Upon request, advice will be given on the subject of lot subdivisions.

2Provisions of the Shipstead-Luce Act (§2101.1 (b)) do not include full demolition, though partial demolition is viewed as an alteration.
Subpart B—General Organization

§ 2101.10 The Commission.

The Commission is composed of seven members, each of whom is appointed by the President and serves for a period of four years or until his or her successor is appointed and qualified. Washington, D.C. 20001, except that by action of the Commission a regular meeting in any particular month may be omitted or it may be held on another day or at a different time or place. A special meeting, open to the public, may be held in the interval between regular meetings upon call of the Chairman and five days’ written notice of the time and place mailed to each member who does not in writing waive such notice. On all matters of official business, the Commission shall conduct its deliberations and reach its conclusions at such open meetings except as stated in §2101.12 provided, however, the Commission members may receive staff briefings or may have informal background discussions among themselves and the staff outside of such meetings.

§ 2102.2 Actions outside of meetings.

Between meetings in situations of emergency, the Commission may act through a canvass by the Secretary of individual members, provided that any action so taken is brought up and ratified at the next meeting. In addition, the Commission members may convene away from the Commission’s offices to
make inspections at the site of a proposed project or at the location of a mock-up for the project and may then and there reach its conclusions respecting such project which shall be recorded in the minutes of the meeting held on the same day or, if none was then held, in the minutes of the next meeting.

§ 2102.4 Public attendance and participation.

A decision of the Chairman as to the order of appearances and as to compliance with these regulations by any person shall be final unless the Commission determines otherwise.

§ 2102.5 Records and minutes; public inspection.
A detailed record of each meeting shall be made and kept which shall contain copies of all written, printed, or graphic materials presented. The Secretary shall have prepared minutes of each meeting which shall state the time and place it was held and attendance by Commission members and staff and which shall contain a complete summary of matters discussed and conclusions reached and an explanation of the extent of public participation, including names of persons who presented oral or written statements; and he shall send a copy to all members of the Commission for their approval. Subsequent to such approval, the minutes shall be certified by the Secretary. The minutes and any completed reports, studies, agenda or other documents made available to, or prepared for or by, the Commission shall be available for public inspection and, at the requesting party’s expense, for copying at the offices of the Commission.

Subpart B—Procedures on Submissions of Plans or Designs

§ 2102.10 Timing, scope and content of submissions for proposed projects involving land, buildings, or other structures.
(a) A party proposing a project which is within the purview of the Commission’s functions under §2101.1 (a), (b), or (c) should make a submission when concept plans for the project are ready but before detailed plans and specifications or working drawings are prepared. In order to assure that a submission will be considered at the next scheduled meeting of the Commission, it should be delivered to the Commission offices not later than ten (10) working days before the meeting; if it is a project subject to review first by the Georgetown Board, not later than ten (10) working days before the Georgetown Board meeting. The Commission will attempt to consider a submission which is not made in conformity with this schedule, but it reserves the right to postpone consideration until its next subsequent meeting.

(b) (1) Each submission should state or disclose:
(i) The nature, location, and justification of the project, including any relevant historical information about the building or other structure to be altered or razed;
(ii) The identity of the owner or developer (or for public buildings, the governmental unit with authority to approve or act upon the plans) and of the architect;
(iii) The functions, uses, and purpose of the project; and
(iv) Other information to the extent it is relevant, such as area studies, site plans, building and landscape schematics, renderings, models, depictions or samples of exterior materials and components, and photographs of existing conditions to be affected by the project.
§ 2102.12 Responses of Commission to submissions.

(a) The Commission before disposing of any project presented to it may ask for the proposed plans or designs to be changed in certain particulars and resubmitted, or for the opportunity to review plans, designs, and specifications in certain particulars at a later stage in their development, and to see samples or mock-ups of materials or components; and when appropriate in the matter of a statue or other object of art, the Commission may ask for the opportunity to see a larger or full-scale model. All conclusions, advice, or comments of the Commission which lead to further development of plans, designs, and specifications or to actual carrying out of the project are made in contemplation that such steps will conform in all substantial respects with the plans or designs submitted to the Commission, including only such changes as the Commission may have recommended; any other changes in plans or designs require further submission to the Commission.

(b) In the case of plans for a project subject to the Old Georgetown Act (§ 2101.1 (c)), if the Commission does not respond with a report on such plans within forty-five days after their receipt by the Commission, its approval...
shall be assumed and a permit may be issued by the government of the District of Columbia.

(c) In the case of plans for a project subject to the Shipstead-Luce Act (§2101.1(b)), if the Commission does not respond with a report on such plans within thirty days after their receipt by the Commission, its approval shall be assumed and a permit may be issued by the government of the District of Columbia.

(d) In the event that any project or item within the Commission’s purview under 2101.1 has not progressed to a substantial start of construction or production within four years following the Commission meeting date on which the final design was approved, the Commission’s approval is suspended. The plans or designs previously approved or alternative plans or designs, may thereupon be resubmitted for Commission review. The Commission’s subsequent approval, if granted, shall remain in effect for four years.

PART 2103—STATEMENTS OF POLICY

§ 2103.1 General approaches to review of plans by the Commission.

The Commission functions relate to the appearance of proposed projects within its purview as specified herein. These functions are to serve the purpose of conserving and enhancing the visual assets which contribute significantly to the character and quality of Washington as the nation’s capital and which appropriately reflect the history and features of its development over two centuries. Where existing conditions detract from the overall appearance of official Washington or historic Georgetown—such as conditions caused by temporary, deteriorated, or abandoned buildings of little or no historical or architectural value, by interrupted developments, or by vacant lots not devoted to public use as parks or squares—the Commission will favor suitable corrections to these conditions. When changes or additions are proposed in other circumstances, the Commission may consider whether the public need or value of the project or the private interests to be served thereby justify making any change or addition, and it will consider whether the project can be accomplished in reasonable harmony with the nearby area, with a minimum loss of attractive features of the existing building or site, with due deference to the historical and architectural values affected, and without creating an anomalous disturbing element in the public view of the city.

   (vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.
(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissible separate or different programs or activities.
(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—
   (i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or
   (ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.
(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.
(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

§§ 2104.131—2104.139 [Reserved]
§ 2104.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall
§§ 2104.141—2104.148 apply to employment in federally conducted programs or activities.

§§ 2104.141—2104.148 [Reserved]

§ 2104.149 Program accessibility: Discrimination prohibited.
Except as otherwise provided in § 2104.150, no qualified handicapped person shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2104.150 Program accessibility: Existing facilities.
(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—
(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;
(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or
(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 2104.150(a) would result in such alteration or burdens. The decision that compliance would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.
(b) Methods—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.
(2) Historic preservation programs. In meeting the requirements of § 2104.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of § 2104.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—
(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;
(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or
(iii) Adopting other innovative methods.
(c) Time period for compliance. The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987 a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 2104.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 2104.152—2104.159 [Reserved]

§ 2104.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD’s) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2104.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must
be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§ 2104.161—2104.169 [Reserved]

§ 2104.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Secretary, Commission of Fine Arts, shall be responsible for coordinating implementation of this section. Complaints may be sent to Secretary, Commission of Fine Arts, 708 Jackson Place NW., Washington, DC 20006.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §2104.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

The written inquiry should contain a specific reference to the system of records maintained by CFA listed in the CFA Notices of Systems of Records or it should describe the type of record in sufficient detail to reasonably identify the system of records. Notice of CFA Systems of Records will be made in the FEDERAL REGISTER and copies of the notices will be available upon request to the Secretary when so published. A compilation of such notices will also be made and published by the Office of the Federal Register in accordance with section 5 U.S.C. 552a(f).

(b) At a minimum, the request should contain sufficient identifying information to allow CFA to determine if there is a record pertaining to the individual making the request in a particular system of records. In instances where identification is insufficient to insure disclosure to the individual to whom the information pertains in view of the sensitivity of the information, CFA reserves the right to solicit from the requester additional identifying information.

(c) Ordinarily the requester will be informed whether the named system of records contains a record pertaining to the requester within 10 days of the receipt of such a request (excluding Saturdays, Sundays, and legal Federal holidays). Such a response will also contain or reference the procedures which must be followed by the individual making the request in order to gain access to the record.

(d) Whenever a response cannot be made within 10 days, the Secretary will inform the requester of the reasons for the delay and the date by which a response may be anticipated.

§ 2106.2 Requests for access.

(a) Requirement for written requests. Individuals desiring to gain access to a record pertaining to them in a system of records maintained by CFA must submit their request in writing in accordance with the procedures set forth in paragraph (b) of this section.

(b) Procedures. (1) Content of the request. The request for access to a record in a system of records shall be addressed to the Secretary, at the address cited above; and shall name the system of records or contain a description (as concise as possible) of such system of records. The request should state that the request is pursuant to the Privacy Act of 1974. In the absence of such a statement, if the request is for a record pertaining to the requester maintained by CFA in a system of records, the request will be presumed to be made under the Privacy Act of 1974. The requester should include any other information which may assist in the rapid identification of the record for which access is being requested (e.g., maiden name, dates of employment, etc.).

(2) Requirements for identification will normally be limited to the presentation of any standard picture and signature or signature identification card, such as driver’s license, so that a comparison of the signature and the signature on the original request may be made. The appearing individual will be read paragraph (3), subsection (i) to title 5 U.S.C. 552a which specifies the penalty for knowingly or willfully requesting or obtaining a record concerning an individual from an agency under false pretenses and asked to sign a statement attesting to the fact that he or she understands the paragraph and that he or she is, in fact, the individual who made the request (or the individual authorized to receive the disclosure by the requesting individual). This signature will be compared with the other two. If the appearing individual is other than the requesting individual, then he or she must also present a letter of introduction signed by the requesting individual so that the comparison of signature may be made.
§ 2106.3 Access to the accounting of disclosures from records.

Rules governing the granting of access to the accounting of disclosures are the same as those for granting access to the records outlined in §2106.2 of this part.

§ 2106.4 Requests for copies of records.

Rules governing requests for copies of records are the same as those for the granting of access to the records outlined in §2106.2 of this part (see also §2106.7 for rules regarding fees).

§ 2106.5 Requests to amend records.

(a) Requirements for written requests. Individuals desiring to amend a record that pertains to them in a system of records maintained by CFA must submit their request in writing in accordance with the procedures set forth herein unless the requirement is waived by the official having responsibility for the system of records. Records not subject to the Privacy Act of

[document continues with more text]
1974 will not be amended in accordance with these provisions; however, individuals who believe that such records are inaccurate may bring this to the attention of the CFA.

(b) Procedures. (1)(i) The request to amend a record in a system of records shall be addressed to the Secretary. Included in the request shall be the name of the system and a brief description of the record proposed for amendment. In the event the request to amend the record is the result of the individual’s having gained access to the record as set forth above, copies of previous correspondence between the requester and CFA will serve in lieu of a separate description of the record.

(ii) Individuals desiring assistance in the preparation of a request to amend a record should contact the Secretary at the address cited above.

(iii) The exact portion of the record the individual seeks to have amended should be clearly indicated. If possible, the proposed alternative language should also be set forth, or, at a minimum, the facts which the individual believes are not accurate, relevant, timely, or complete, should be set forth with such particularity as to permit CFA not only to understand the individual’s basis for the request, but also to make an appropriate amendment to the record.

(iv) The request must also set forth the reasons why the individual believes his record is not accurate, relevant, timely, or complete. In order to avoid the retention by CFA of personal information merely to permit the verification of records, the burden of persuading CFA to amend a record will be upon the individual. The individual must furnish sufficient facts to persuade the official in charge of the system of the inaccuracy, irrelevancy, timeliness, or incompleteness of the record.

(2) CFA action on the request. To the extent possible, a decision upon a request to amend a record will be made within 10 days (excluding Saturdays, Sundays, and legal Federal holidays). In the event that a decision cannot be made within this time frame, the individual making the request will be informed within the 10 days of the expected date for a decision. The decision upon a request for amendment will include the following:

(i) The decision of the Commission of Fine Arts whether to grant in full, or deny any part of the request to amend the record;

(ii) The reasons for the determination for any part of the request which is denied;

(iii) The name and address of the official with whom an appeal of the denial may be lodged;

(iv) The name and address of the official designated to assist, as necessary, and upon the request of, the individual making the request in preparation of the appeal;

(v) A description of the review of the decision of the appeal within CFA (see §2106.6); and

(vi) A description of any other procedures which may be required of the individual in order to process an appeal.

§ 2106.6 Request for review.

(a) Individuals wishing to request a review of the decision by CFA with regard to an initial request to amend a record in accordance with the provisions of §2106.5 of this part, should submit the request for review in writing and, to the extent possible, include the information specified in paragraph (a) of this section. Individuals desiring assistance in the preparation of their request for review should contact the Secretary at the address provided here-in.

(b) The request for review should contain a brief description of the record involved or in lieu thereof, copies of the correspondence from CFA in which the request to amend was denied and also the reasons why the requester believes that the disputed information should be amended. The request for review should make reference to the information furnished by the individual in support of his claim and the reasons as required by §2106.5 of this part set forth by CFA in its decision denying the amendment. Appeals filed without a complete statement by the requester setting forth the reasons for the review will, of course, be processed. However, in order to make the appellate process as meaningful as possible, the requester’s disagreement should be understandably set forth. In order to avoid the unnecessary retention of personal
§ 2106.7

Information, CFA reserves the right to dispose of the material concerning the request to amend a record if no request for review in accordance with this section is received by CFA within 180 days of the mailing by CFA of its decision upon an initial request. A request for review received after the 180-day period may, at the discretion of the Secretary, be treated as an initial request to amend a record.

(c) The request for review should be addressed to the Secretary.

(d) Upon receipt of a request for review, the Secretary will convene a review group composed of the Secretary and the Chairman. This group will review the basis for the requested review and will develop a recommended course of action to the office’s Committee on Freedom of Information and Privacy (hereinafter referred to as the Committee). If at any time additional information is required from the requestee, the Secretary is authorized to acquire it or authorize its acquisition from the requestee.

(e) The Committee is composed of:
(1) The Chairman;
(2) The Secretary;
(3) The Assistant Secretary;
(4) The Administrative Assistant.

(f) The Committee will review the request for review and the recommended course of action and will recommend a decision on the request for review to the Chairman, who has the final authority regarding appeals.

(g) The Chairman will inform the requester in writing of the decision on the request for review within 30 days (excluding Saturdays, Sundays, and legal Federal holidays) from the date of receipt by CFA of the individual’s request for review unless the Chairman extends the 30-day period for good cause. The extension of and the reasons therefor will be sent by CFA to the requester within the initial 30-day period. Included in the notice of a decision being reviewed, if the decision does not grant in full the request for review, will be a description of the steps the individual may take to obtain judicial review of such a decision, and a statement that the individual may file a concise statement with CFA setting forth the individual’s reasons for his disagreement with the decision upon the request for review. The Secretary has the authority to determine the “conciseness” of the statement, taking into account the scope of the disagreement and the complexity of the issues. Upon the filing of a proper concise statement by the individual, any subsequent disclosure of the information in dispute will have the information in dispute clearly noted and a copy of the concise statement furnished, as well as a concise statement by CFA setting forth its reasons for not making the requested changes, if CFA chooses to file such a statement. A copy of the individual’s statement, and, if it chooses, CFA’s statement will be sent to any prior transfereree of the disputed information who is listed on the accounting required by 5 U.S.C. 552a(c).

§ 2106.7 Schedule of fees.

No fees will be charged for search, review, or copies of the record.

This part (§§ 2301.101–2301.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

(1) With respect to preschool, elementary, or secondary education services provided by the agency, an individual with handicaps who is a member of a class of persons otherwise entitled by statute, regulation, or agency policy to receive education services from the agency;

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

§§ 2301.112—2301.129 [Reserved]

§ 2301.130 General prohibitions against discrimination.

(b) (1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency;

(ii) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency;

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency;

(ii) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency;

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 2301.131—2301.139 [Reserved]

§ 2301.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 2301.141—2301.148 [Reserved]

§ 2301.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §2301.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2301.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2301.150(a) would result in such alteration or burdens. The decision that compliance would result in such an alteration or such burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods.—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings,
shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §2301.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §2301.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§2301.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§2301.152—2301.159 [Reserved]

§2301.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices...
§§ 2301.161—2301.169

45 CFR Ch. XXIII (10–1–01 Edition)

for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2301.160 would result in such alteration or burdens.

The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 2301.161—2301.169 [Reserved]

§ 2301.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to Executive Director, United States Arctic Research Commission, ICC Building, room 6333, 12th & Constitution Avenue, NW., Washington, DC 20423.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

1. Findings of fact and conclusions of law;
2. A description of a remedy for each violation found; and
3. A notice of the right to appeal.

(b) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §2301.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.
(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. Subpart A—General

§ 2400.1 Purposes.

(a) The purposes of the James Madison Memorial Fellowship Program are to:

(1) Provide incentives for master’s degree level graduate study of the history, principles, and development of the United States Constitution by outstanding in-service teachers of American history, American government, social studies, and political science in grades 7–12 and by outstanding college graduates who plan to become teachers of the same subjects; and

(2) Strengthen teaching in the nation’s secondary schools about the principles, framing, ratification, and subsequent history of the United States Constitution.

(b) The Foundation may from time to time operate its own programs and undertake other closely-related activities to fulfill these goals.

§ 2400.2 Annual competition.

To achieve its principal purposes, the Foundation holds an annual national competition to select teachers in grades 7–12, college seniors, and college graduates to be James Madison Fellows.

§ 2400.3 Eligibility.

Individuals eligible to apply for and hold James Madison Fellowships are United States citizens, United States nationals, or permanent residents of the Northern Mariana Islands who are:

(a) Teachers of American history, American government, social studies, or political science in grades 7–12 who:

(1) Are teaching full time during the year in which they apply for a fellowship;

(2) Are under contract, or can provide evidence of being under prospective contract, to teach full time as teachers of American history, American government, social studies, or political science in grades 7–12;

(3) Have demonstrated records of willingness to devote themselves to
§ 2400.3

(1) Civic responsibilities and to professional and collegial activities within their schools and school districts;
(4) Are highly recommended by their department heads, school heads, school district superintendents, or other supervisors;
(5) Qualify for admission with graduate standing at accredited universities of their choice that offer master’s degree programs allowing at least 12 semester hours or their equivalent of study of the origins, principles, and development of the Constitution of the United States and of its comparison with the constitutions of other forms of government;
(6) Are able to complete their proposed courses of graduate study within five calendar years from the commencement of study under their fellowships, normally through part-time study during summers or in evening or weekend programs;
(7) Agree to attend the Foundation’s four-week Summer Institute on the Constitution, normally during the summer following the commencement of study under their fellowships, and
(8) Sign agreements that, after completing the education for which the fellowship is awarded, they will teach American history, American government, social studies, or political science full time and will receive those degrees no later than August 31st of the year of the fellowship competition in which they apply or prior recipients of baccalaureate degrees;
(2) Plan to begin graduate study on a full-time basis;
(3) Have demonstrated records of willingness to devote themselves to civic responsibilities;

(5) Qualify for admission with graduate standing at accredited universities of their choice that offer master’s degree programs that allow at least 12 semester hours or their equivalent of study of the origins, principles, and development of the Constitution of the United States and of its comparison with the constitutions and history of other forms of government;

For the purposes of this provision, a full academic year of study is the number of credit hours determined by each university at which Fellows are studying as constituting a full year to determine Fellows’ total teaching obligations.
(b) Those who aspire to become full-time teachers of American history, American government, social studies, or political science in grades 7–12 who:
(1) Are matriculated college seniors pursuing their baccalaureate degrees full time and will receive those degrees no later than August 31st of the year of the fellowship competition in which they apply or prior recipients of baccalaureate degrees;

(8) Sign agreements that, after completing the education for which the fellowship is awarded, they will teach American history, American government, social studies, or political science full time in secondary schools for a period of not less than one year for each full academic year of study for which assistance was received, preferably in the state listed as their legal residence at the time of their fellowship award. For the purposes of this provision, a full academic year of study is the number of credit hours determined by each university at which Fellows are studying as constituting a full year to determine Fellows’ total teaching obligations.
§ 2400.4 Definitions.

Resident means a person who has legal residence in the state, recognized under state law. If a question arises concerning a Fellow’s state of residence, the Foundation determines, for the purposes of this program, of which state the person is a resident, taking into account the Fellow’s place of registration to vote, his or her parent’s place of residence, and the Fellow’s eligibility for in-state tuition rates at public institutions of higher education.

Satisfactory progress for a Junior Fellow means the completion of the number of required courses normally expected of full-time master’s degree candidates at the university that the Fellow attends, with grades acceptable to that university, in not more than two calendar years from the commencement of that study. Satisfactory
§ 2400.10 Application.

Eligible applicants for fellowships must apply directly to the Foundation.

§ 2400.11 Faculty representatives.

Each college and university that chooses to do so may annually appoint or reappoint a faculty representative who will be asked to identify and recruit fellowship applicants on campus, publicize the annual competition on campus, and otherwise assist eligible candidates in preparation for applying. In order to elicit the appointment of faculty representatives, the Foundation will each year request the head of each college and university campus to appoint or reappoint a faculty representative and to provide the Foundation with the name, business address, and business telephone number of a member of its faculty representative on forms provided for that purpose.

Subpart C—Application Process

§ 2400.20 Preparation of application.

Applications, on forms mailed directly by the Foundation to those who request applications, must be completed by all fellowship candidates in order that they be considered for an award.

§ 2400.21 Contents of application.

Applications must include for
(a) Senior Fellowships:
(1) Supporting information which affirms an applicant’s wish to be considered for a fellowship; provides information about his or her background, interests, goals, and the school in which he or she teaches; and includes a statement about the applicant’s educational plans and specifies how those plans will

progress for a Senior Fellow means the completion each year of a specific number of required courses in the Fellow’s master’s degree program, as agreed upon each year with the Foundation and outlined on the Plan of Study form, with grades acceptable to the Fellow’s university, in not more than five calendar years from the commencement of that study.

Secondary school means grades 7 through 12.

Senior means a student at the academic level recognized by an institution of higher education as being the last year of study before receiving the baccalaureate degree.

State means each of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, and, considered as a single entity, Guam, the United States Virgin Islands, American Samoa, the Commonwealth of the Northern Mariana Islands, and, until adoption of its Compact of Free Association, the Republic of Palau.

Teaching Obligation means that a Fellow, upon receiving a master’s degree, must teach American history, American government, social studies, or political science on a full-time basis to students in secondary school for a period of not less than one year for each year for which financial assistance was received.

Term means the period—semester, trimester, or quarter—used by an institution of higher education to divide its academic year.

Termination means the non-voluntary ending of a fellowship by the Foundation when the Fellow has not complied with the rules and regulations of the fellowship or has not made satisfactory progress in his or her program of study.

University means an institution of higher education that offers post-baccalaureate degrees.

Withdrawal means the voluntary relinquishment or surrender of a Fellowship by the Fellow.

Subpart B—Application
§ 2400.31 Selection process.

(a) An independent Fellow Selection Committee will evaluate all valid applications and recommend to the Foundation the most outstanding applicants from each state for James Madison Fellowships.

(b) From among candidates recommended for fellowships by the Fellow Selection Committee, the Foundation will name James Madison Fellows. The selection procedure will assure that at least one James Madison Fellow, junior or senior, is selected from each state in which there are at least two legally resident applicants who meet the eligibility requirements set forth in §2400.3 and are judged favorably against the selection criteria in §2400.30.
§ 2400.40

(c) The Foundation may name, from among those applicants recommended by the Fellow Selection Committee, an alternate or alternates for each fellowship. An alternate will receive a fellowship if the person named as a James Madison Fellow declines the award or is not able to pursue graduate study as contemplated at the time the fellowship was accepted. An alternate may be named to replace a Fellow who declines or relinquishes an award until, but no later than, March 1st following the competition in which the alternate has been selected.

(d) Funds permitting, the Foundation may also select, from among those recommended by the Fellow Selection Committee, Fellows at large.

Subpart E—Graduate Study

§ 2400.40 Institutions of graduate study.

Fellowship recipients may attend any accredited university in the United States with a master’s degree program offering courses or training that emphasize the origins, principles, and development of the Constitution of the United States and its comparison with the constitutions and history of other forms of government.

§ 2400.41 Degree programs.

(a) Fellows may pursue a master’s degree in history or political science (including government or politics), the degree of Master of Arts in Teaching in history or political science (including government or politics), or a related master’s degree in education that permits a concentration in American history, American government, social studies, or political science.

(b) A master’s degree pursued under a James Madison Fellowship may entail either one or two years or their equivalent of study, according to the requirements of the university at which a Fellow is enrolled.

§ 2400.42 Approval of Plan of Study.

The Foundation must approve each Fellow’s Plan of Study. To be approved, the plan must:

(a) On a part-time or full-time basis lead to a master’s degree in history or political science, the degree of Master of Arts in Teaching in history or political science, or a related master’s degree in education that permits a concentration in American history, American government, social studies, or political science;

(b) Include courses, graduate seminars, or opportunities for independent study in topics directly related to the framing and history of the constitution of the United States;

(c) Be pursued at a university that assures a willingness to accept up to 6 semester hours of accredited transfer credits from another graduate institution for a Fellow’s satisfactory completion of the Foundation’s Summer Institute on the Constitution. For the Foundation’s purposes, these 6 semester hours may be included in the required minimum of 12 semester hours or their equivalent of study of the United States Constitution; and

(d) Be pursued at a university that encourages the Fellow to enhance his or her capacities as a teacher of American history, American government, social studies, or political science and to continue his or her career as a secondary school teacher. The Foundation reserves the right to refuse to approve a Fellow’s Plan of Study at a university that will not accept on transfer the 6 credits for the Institute.

§ 2400.43 Required courses of graduate study.

(a) To be acceptable to the Foundation, those courses related to the Constitution referred to in §2400.43(b) must amount to at least 12 semester or 18 quarter hours or their credit hour equivalent of study of topics directly related to the United States Constitution. More than 12 semester hours or their credit hour equivalent of such study is strongly encouraged.

(b) The courses that fulfill the required minimum of 12 semester hours or their credit hour equivalent of study of the United States Constitution must cover one or more of the following subject areas:

(1) The history of colonial America leading up to the framing of the Constitution;
(2) The Constitution itself, its framing, the history and principles upon which it is based, its ratification, the *Federalist Papers*, Anti-Federalist writings, and the Bill of Rights;

(3) The historical development of political theory, constitutional law, and civil liberties as related to the Constitution;

(4) Interpretations of the Constitution by the Supreme Court and other branches of the federal government;

(5) Debates about the Constitution in other forums and about the effects of constitutional norms and decisions upon American society and culture; and

(6) Any other subject clearly related to the framing, history, and principles of the Constitution.

(c) If a master’s degree program in which a Fellow is enrolled requires a master’s thesis in place of a course or courses, the Fellow will have the option of writing the thesis based on the degree requirements. The preparation of a master’s thesis should not add additional required credits to the minimum number of credits required for the master’s degree. If a Fellow must write a thesis, the topic of the thesis must relate to subjects concerning the framing, principles, or history of the United States Constitution. If the Fellow can choose between two degree tracks, a thesis track or a non-thesis track, the Foundation strongly encourages the non-thesis track.

§ 2400.44 Commencement of graduate study.

(a) Fellows may commence study under their fellowships as early as the summer following the announcement of their award. Fellows are normally expected to commence study under their fellowships in the fall term of the academic year following the date on which their award is announced. However, as indicated in §2400.6, they may seek to postpone the commencement of fellowship study under extenuating circumstances.

(b) In determining the two- and five-year fellowship periods of Junior and Senior Fellows respectively, the Foundation will consider the commencement of the fellowship period to be the date on which each Fellow commences study under a fellowship.

§ 2400.45 Special consideration: Junior Fellows’ Plan of Study.

Applicants for Junior Fellowships who seek or hold baccalaureate degrees in education are strongly encouraged to pursue master’s degrees in history or political science. Those applicants who hold undergraduate degrees in history, political science, government, or any other subjects may take some teaching methods and related courses, although the Foundation will not pay for them unless they are required for the degree for which the Fellow is matriculated. The Foundation will review each proposed Plan of Study for an appropriate balance of subject matter and other courses based on the Fellow’s goals, background, and degree requirements.

§ 2400.46 Special consideration: second master’s degree.

The Foundation may award Senior Fellowships to applicants who are seeking their second master’s degrees providing that the applicants’ first master’s degree was obtained at least five years prior to the year in which the applicants would normally commence study under a fellowship. In evaluating applications from individuals intending to pursue a second master’s degree, the Fellow Selection Committee will favor those applicants who are planning to become American history, American government, social studies, or political science teachers after having taught another subject and applicants whose initial master’s degree was in a subject different from that sought under the second master’s degree.

§ 2400.47 Summer Institute’s relationship to fellowship.

Each year, the Foundation offers, normally during July, a four-week graduate-level Institute on the principles, framing, ratification, and implementation of the United States Constitution at an accredited university in the Washington, DC area. The Institute is an integral part of each fellowship.
§ 2400.48 Fellows' participation in the Summer Institute.

Each Fellow is required as part of his or her fellowship to attend the Institute, normally during the summer following the Fellow's commencement of graduate study under a fellowship.

§ 2400.49 Contents of the Summer Institute.

The principal element of the Institute is a graduate history course, “Foundations of American Constitutionalism.” Other components of the Institute include study visits to sites associated with the lives and careers of members of the founding generation.

§ 2400.50 Allowances and Summer Institute costs.

For their participation in the Institute, Fellows are paid an allowance to help offset income foregone by their required attendance. The Foundation also funds the costs of the Institute and Fellows' round-trip transportation to and from the Institute site. The costs of tuition, required fees, books, room, and board entailed by the Institute will be paid for by the Foundation directly but may be offset against fellowship award limits if the credits earned for the Institute are included within the Fellows' degree requirements.

§ 2400.51 Summer Institute accreditation.

The Institute is accredited for six graduate semester credits by the university at which it is held. It is expected that the universities at which Fellows are pursuing their graduate study will, upon Fellows' satisfactory completion of the Institute, accept these credits or their credit-hour equivalent upon transfer from the university at which the Institute is held in fulfillment of the minimum number of credits required for Fellows' graduate degrees. Satisfactory completion of the Institute will fulfill 6 of the Foundation's 12 semester credits required in graduate study of the history and development of the Constitution. Fellows, with the Foundation's assistance, are strongly encouraged to make good faith efforts to have their universities incorporate the Institute into their Plan of Study and accept the 6 Institute credits toward the minimum number of credits required for their master's degrees.

Subpart F—Fellowship Stipend

§ 2400.52 Amount of stipend.

Junior and Senior Fellowships carry a stipend of up to a maximum of $24,000 pro-rated over the period of Fellows' graduate study. In no case shall the stipend for a fellowship exceed $12,000 per academic year. Within this limit, stipends will be pro-rated over the period of Fellows' graduate study as follows: a maximum of $6,000 per academic semester or trimester of full-time study, and a maximum of $4,000 per academic quarter of full-time study. Stipends for part-time study will be pro rata shares of those allowable for full-time study.

§ 2400.53 Duration of stipend.

Stipends for Junior Fellowships may be payable over a period up to 2 calendar years of full-time graduate study, and those for Senior Fellowships may be payable over a period of not more than 5 calendar years of part-time graduate study, beginning with the dates under which Fellows commence their graduate study under their fellowships. However, the duration of stipend payments will be subject to the maximum payment limits, the length of award time limits, and the completion of the minimum degree requirements, whichever occurs first.

§ 2400.54 Use of stipend.

Stipends shall be used only to pay the costs of tuition, required fees, books, room, and board associated with graduate study under a fellowship. The costs allowed for a Fellow's room and board will be the amount the Fellow's university reports to the Foundation as the cost of room and board for a graduate student at that university. If no shared graduate housing exists, then costs for regular shared student housing will be used. If no campus housing exists, the equivalent room and board costs at neighboring universities will be used. Stipends for room, board, and books will be pro-
rated for Fellows enrolled in study less than full time. The Foundation will not reimburse Fellows for any portion of their master’s degree study, that Fellows may have completed prior to the commencement of their fellowships. Nor will the Foundation reimburse Fellows for any credits acquired above the minimum number of credits required for the degree. If a Fellow has already taken and paid for courses that can be credited toward the Fellow’s graduate degree under a fellowship, those must be credited to the degree; the remaining required courses will be paid for by the Foundation.

§ 2400.55 Certification for stipend.  
In order to receive a fellowship stipend, a Fellow must submit the following nine items in writing:  
(a) An acceptance of the terms and conditions of the fellowship including a completed certificate of compliance form;  
(b) Evidence of admission to an approved graduate program;  
(c) Certified copies of undergraduate and, if any, graduate transcripts;  
(d) A certified payment request form indicating the estimated costs for tuition, required fees, books, room, and board;  
(e) A photo copy of the university’s bulletin of cost information;  
(f) The amount of income from any other grants or awards;  
(g) Information about the Fellow’s degree requirements, including the number of required credits to fulfill the degree;  
(h) A statement of the university’s willingness to accept the transfer of 6 credits toward the Fellow’s degree requirements for the Fellow’s satisfactory completion of the Summer Institute (see § 2400.51); and  
(i) A full Plan of Study over the duration of the fellowship, including information on the contents of required courses. Senior Fellows must provide evidence of their continued full-time employment as teachers in grades 7–12.

§ 2400.56 Payment of stipend.  
Payment for tuition, required fees, books, room, and board subject to the limitations in § 2400.52 through § 2400.55 and § 2400.59 through § 2400.60 will be paid to each Fellow at the beginning of each term of enrollment upon the Fellow’s submission of a completed Payment Request Form and the University Bulletin of cost information.

§ 2400.57 Termination of stipend.  
(a) The Foundation may suspend or terminate the payment of a stipend if a Fellow fails to meet the criteria set forth in § 2400.40 through § 2400.44 and § 2400.60, except as provided for in § 2400.61. Before it suspends or terminates a fellowship under these circumstances, the Foundation will give notice to the Fellow, as well as the opportunity to be heard with respect to the grounds for suspension or termination.  
(b) The Foundation will normally suspend the payment of a stipend if a Fellow has more than one grade of “Incomplete” in courses for which the Foundation has made payment to the Fellow.

§ 2400.58 Repayment of stipend.  
(a) If a Fellow fails to secure a master’s degree, fails to teach American history, American government, social studies, or political science on a full-time basis in a secondary school for at least one school year for each academic year for which assistance was provided under a fellowship, fails to secure fewer than 12 semester hours or their credit hour equivalent for study of the Constitution as indicated in § 2400.43(b), or fails to attend the Foundation’s Summer Institute on the Constitution, the Fellow must repay all of the fellowship funds received plus interest at the rate of 6% per annum or as otherwise authorized and, if applicable, reasonable collection fees, as prescribed in Section 807 of the Act (20 U.S.C. 4506(b)).  
(b) If a Fellow withdraws from the fellowship or has a fellowship terminated by the Foundation, the Foundation will seek to recover all fellowship funds which have been remitted to the Fellow or on his or her behalf under a fellowship.
§ 2400.59

Subpart G—Special Conditions

§ 2400.59 Other awards.

Fellows may accept grants from other foundations, institutions, corporations, or government agencies to support their graduate study or to replace any income foregone for study. However, the stipend paid by the Foundation for allowable costs indicated in § 2400.52 will be reduced to the extent these costs are paid from other sources, and in no case will fellowship funds be paid to Fellows to provide support in excess of their actual total costs of tuition, required fees, books, room, and board. The Foundation may also reduce a Fellow’s stipend if the Fellow is remunerated for the costs of tuition under a research or teaching assistantship or a work-study program. In such a case, the Foundation will require information from a Fellow’s university about the intended use of assistantship or work-study support before remitting fellowship payments.

§ 2400.60 Renewal of award.

(a) Provided that Fellows have submitted all required documentation and are making satisfactory academic progress, it is the intent of the Foundation to renew Junior Fellowship awards annually for a period not to exceed two calendar years or the completion of their graduate degrees, whichever comes first, and Senior Fellowships for a period not to exceed 5 calendar years (except when those periods have been altered because of changes in Fellows’ Plan of Study as provided for in §2400.64), or until a Fellow has completed all requirements for a master’s degree, whichever comes first. In no case, however, will the Foundation continue payments under a fellowship to a Fellow who has reached the maximum payments under a fellowship as indicated in §2400.52, or completed the minimum number of credits required for the degree. Although Fellows are not discouraged in taking courses in addition to those required for the degree or required to maintain full-time status, the Foundation will not in such cases pay for those additional courses unless they are credited to the minimum number of credits required for the degree.

(b) Fellowship renewal will be subject to an annual review by the Foundation and certification by an authorized official of the university at which a Fellow is registered that the Fellow is making satisfactory progress toward the degree and is in good academic standing according to the standards of each university.

(c) As a condition of renewal of awards, each Fellow must submit an annual activity report to the Foundation by July 15th. That report must indicate, through submission of a copy of the Fellow’s most recent transcript, courses taken and grades achieved; courses planned for the coming year; changes in academic or professional plans or situations; any awards, recognitions, or special achievements in the Fellow’s academic study or school employment; and such other information as may relate to the fellowship and its holder.

§ 2400.61 Postponement of award.

Upon application to the Foundation, a Fellow may seek postponement of his or her fellowship because of ill health or other mitigating circumstances, such as military duty, temporary disability, necessary care of an immediate family member, or unemployment as a teacher. Substantiation of the reasons for the requested postponement of study will be required.

§ 2400.62 Evidence of master’s degree.

At the conclusion of graduate studies, each Fellow must provide a certified transcript which indicates that he or she has secured an approved master’s degree as set forth in the Fellow’s original Plan of Study or approved modifications thereto.

§ 2400.63 Excluded graduate study.

James Madison Fellowships do not provide support for study toward doctoral degrees, for the degree of master of arts in public affairs or public administration, or toward the award of teaching certificates. Nor do fellowships support practice teaching required for professional certification or other courses related to teaching unless those courses are required for the degree. In those cases, however, the
Foundation will provide reimbursement only toward those courses related to teaching that fall within the minimum number of courses required for the degree, not in addition to that minimum.

§ 2400.64 Alterations to Plan of Study.

Although Junior Fellows are expected to pursue full-time study and Senior Fellows to pursue part-time study, the Foundation may permit Junior Fellows with an established need (such as the need to accept a teaching position) to study part time and Senior Fellows with established need (such as great distance between the Fellow’s residence and the nearest university, thus necessitating a full-time leave of absence from employment in order to study) to study full time.

§ 2400.65 Teaching obligation.

Upon receiving a Master’s degree, each Fellow must teach American history, American government, social studies, or political science on a full-time basis to students in secondary school for a period of not less than one year for each academic year for which financial assistance was received. Each Fellow will be required to provide the Foundation with an annual certification from an official of the secondary school where the Fellow is employed indicating the teaching activities of the Fellow during the past year. This same certification will be required each year until the Fellow’s teaching obligation is completed. Any teaching done by the Fellow prior to or during graduate studies does not count towards meeting this teaching obligation.

§ 2400.66 Completion of fellowship.

A Fellow will be deemed to have satisfied all terms of a fellowship and all obligations under it when the Fellow has completed no fewer than 12 graduate semester hours or the equivalent of study of the Constitution, formally secured the masters degree, attended the Foundation’s Summer Institute on the Constitution, completed teaching for the number of years and fractions thereof required as a condition of accepting Foundation support for study, and submitted all required reports.

§ 2490.101 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 2490.102 Application.

This part (§§ 2490.101–2490.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.
§ 2490.103 Definitions.

For purposes of this part, the term—

Assistant Attorney General means the Assistant Attorney General, Civil Rights Division, United States Department of Justice.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the agency. For example, auxiliary aids useful for persons with impaired vision include Braille, magnifiers, and audio recordings. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, and other similar services and devices. Auxiliary aids useful for persons with impaired speech include interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant’s name and address and describes the agency’s alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Historic preservation programs means programs conducted by the agency that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase:

(1) Physical or mental impairment includes—
   (i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or
   (ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, HIV disease (whether symptomatic or asymptomatic), and drug addiction and alcoholism.

(2) Major life activities include functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) Has a record of such an impairment means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) Is regarded as having an impairment means—
   (i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;
   (ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or
   (iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to preschool, elementary, or secondary education services provided by the agency, an individual with handicaps who is a member of a
class of persons otherwise entitled by statute, regulation, or agency policy to receive education services from the agency;

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) Qualified handicapped person as that term is defined for purposes of employment in 29 CFR 1614.203(a)(6), which is made applicable to this part by §2490.140.

Section 504 means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93–112, 87 Stat. 394 (29 U.S.C. 794)), as amended. As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§2490.104—2490.109 [Reserved]

§ 2490.110 Self-evaluation.

(a) The agency shall, by November 28, 1994, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified; and

(2) A description of any modifications made.

§ 2490.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

§§2490.112—2490.129 [Reserved]

§ 2490.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not as effective in accordance with equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with
handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.  

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 2490.131—2490.139 [Reserved]

§ 2490.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 2490.141—2490.148 [Reserved]

§ 2490.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §2490.150, no qualified individual with handicaps shall, because the agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2490.150 Program accessibility: Existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and
usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2490.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods.—(1) General. The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) Historic preservation programs. In meeting the requirements of §2490.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §2490.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) Time period for compliance. The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan
§ 2490.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 2490.152—2490.159 [Reserved]

§ 2490.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2490.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.
§ 2490.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Director of Administration and Finance shall be responsible for coordinating implementation of this section. Complaints may be sent to James Madison Memorial Fellowship Foundation, 2000 K Street, NW., suite 303, Washington, DC 20006.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

1. Findings of fact and conclusions of law;

2. A description of a remedy for each violation found; and

3. A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §2490.170(g). The agency may extend this time for good cause.

1. Timely appeals shall be accepted and processed by the head of the agency.

2. The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

3. The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(k) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

The Board shall conduct meetings, as defined in §2505.2, in accordance with this part. Except as provided in §2505.4, the Board’s meetings shall be open to the public. The public is invited to attend all meetings of the Board that are open to the public but may not participate in the Board’s deliberations at such meetings or record any meeting by means of electronic, photographic, or other device.

§ 2505.4 On what grounds may the Board close a meeting or withhold information?

The Board may close a meeting or withhold information that otherwise would be required to be disclosed under §§2505.5, 2505.6 and 2505.7 if it properly determines that an open meeting or disclosure is likely to—

(a) Disclose matters that are—

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy; and

(2) In fact properly classified pursuant to such Executive order;

(b) Relate solely to the internal personnel rules and practices of the Corporation;

(c) Disclose matters specifically exempted from disclosure by statute (other than 5 U.S.C. 552), provided that such statute—

(1) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

(2) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(d) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(e) Involve accusing any person of a crime, or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which, if written, would be contained in such records, but only to the extent that the production of such records or information would—

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to a fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source;

(h) Disclose information contained in or related to examination, operating or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(i) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed action of the Corporation, except that this provision shall not apply in any instance where the Corporation has already disclosed to the public the content or nature of its proposed action, or where the Corporation is required by law to make such disclosure on its own initiative prior to taking final action; or

(j) Specifically concerning the Corporation’s issuance of a subpoena or
§ 2505.5 What are the procedures for closing a meeting, withholding information, and responding to requests by affected persons to close a meeting?

(a) The Board may vote to close a meeting or withhold information pertaining to a meeting. Such action may be taken only when a majority of the entire membership of the Board votes to take such action. A separate vote shall be taken with respect to each action under §2505.4. The Board may act by taking a single vote with respect to a series of meetings which are proposed to be closed to the public, or with respect to any information concerning a series of meetings, so long as each meeting in the series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in the series. Each Member's vote under this paragraph shall be recorded and no proxies shall be allowed.

(b) If your interests may be directly affected if a meeting is open you may request that the Board close the meeting on one of the grounds referred to in §2505.4(e), (f), or (g). You should submit your request to the Office of the General Counsel, Corporation for National and Community Service, 1301 New York Avenue NW, Washington, D.C. 20525. The Board shall, upon the request of any one of its members, determine by recorded vote whether to grant your request.

(c) Within one working day of any vote taken pursuant to this section, the Board shall make publicly available a written copy of such vote reflecting the vote of each Member on the question. If a meeting is to be closed to the public, the Board shall, within one working day, make available a full written explanation of its action closing the meeting and a list of all persons expected to attend the meeting and their affiliation.

(d) For each closed meeting, the General Counsel shall publicly certify that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemption relied upon. A copy of the certification shall be available for public inspection.

(e) For each closed meeting, the Board shall issue a statement setting forth the time, place, and persons present. A copy of such statement shall be available for public inspection.

(f)(1) For each closed meeting, with the exception of a meeting closed pursuant to §2505.4(h) or (j), the Board shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting.

(2) For meetings that are closed pursuant to §2505.4(h) or (j), the Board may maintain a set of minutes in lieu of a transcript or recording. Such minutes shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any vote. All documents considered in connection with any action shall be identified in such minutes.

(3) The Corporation shall make promptly available to the public, in a place easily accessible to the public, the transcript, electronic recording, or minutes of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting, except for such item or items of such discussion or testimony as the Corporation determines to contain information which may be properly withheld. Copies of such transcript, minutes, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription. The Corporation shall maintain the transcript, recording, or minutes for each closed meeting for at least two years or at least one year after the conclusion of any Corporation business acted upon at the meeting, whichever occurs later.
§ 2505.6 What are the procedures for making a public announcement of a meeting?

(a) For each meeting, the Board shall make a public announcement, at least one week before the meeting, of—
   (1) The meeting’s time and place;
   (2) The matters to be considered;
   (3) Whether the meeting is to be open or closed; and
   (4) The name and business telephone number of the official designated by the Board to respond to requests for information about the meeting.

(b) The one week advance notice required by paragraph (a) of this section may be reduced only if—
   (1) The Board determines by recorded vote that Board business requires that the meeting be scheduled in less than seven days; and
   (2) The public announcement required by paragraph (a) of this section is made at the earliest practicable time and posted on the Corporation’s home page.

(c) Immediately following a public announcement required by paragraph (a) of this section, the Corporation will submit for publication in the FEDERAL REGISTER a notice of the time, place, and subject matter of the meeting, whether the meeting is open or closed, any change in one of the preceding, and the name and phone number of the official designated by the agency to respond to requests for information about the meeting.

§ 2505.7 What are the procedures for changing the time or place of a meeting following the public announcement?

(a) After there has been a public announcement of a meeting, the time or place of the meeting may be changed only if the Board publicly announces the change and the vote of each Member at the earliest practicable time.

(b) After there has been a public announcement of a meeting, the subject-matter of the meeting, or the determination of the Board to open or to close a meeting may be changed only when—
   (1) The Board determines, by recorded vote, that Board business so requires and that no earlier announcement of the change was possible; and
   (2) The Board publicly announces the change and the vote of each Member at the earliest practicable time.

(c) The deletion of any subject-matter previously announced for a meeting is not a change requiring the approval of the Board under paragraph (b) of this section.

§ 2506.4 Do these regulations apply to claims involving fraud or misrepresentation?

The Federal Claims Collection Standards and this part do not apply to any claim as to which there is an indication of fraud or misrepresentation, as described in the Federal Claims Collection Standards, unless returned to the Corporation by the DOJ to the Corporation for handling.

§ 2506.5 What is the extent of the Chief Executive Officer's authority to compromise debts owed to the Corporation?

The Chief Executive Officer may exercise his or her compromise authority for those debts not exceeding $100,000, excluding interest, in conformity with the Federal Claims Collection Act of 1966, as amended; the Federal Claims Collection Standards issued thereunder; and this part, except where standards are established by other statutes or authorized regulations issued pursuant to them.

§ 2506.6 What notice will I be provided if I owe a debt to the Corporation?

(a) When the Chief Executive Officer determines that you owe a debt to the Corporation, he or she will send you a written notice. The notice will be hand-delivered or sent to you by certified mail, return receipt requested at the most current address known to the Corporation. The notice will inform you of the following:

(1) The amount, nature, and basis of the debt, and that a designated Corporation official has reviewed the claim and has determined that the debt is valid;

(2) That payment of your debt is due as of the date of the notice, and that the debt will be considered delinquent if you do not pay it within 30 days of the date the notice is mailed or hand-delivered;

(3) The Corporation’s policy concerning interest, penalties, and administrative costs, including a statement that such assessments must be made against you unless excused in accordance with the Federal Claims Collection Standards and this part;

(4) That you have the right to inspect and copy Corporation records pertaining to your debt, or to receive copies of those records if personal inspection is impractical;

(5) That you have the opportunity to enter into an agreement, in writing and signed by both you and the Chief Executive Officer, for voluntary repayment of the debt; and

(6) The address, telephone number, and name of the Corporation official available to discuss the debt.

(b) Notice of possible collection actions.

The notice provided by the Chief Executive Officer under paragraph (a) of this section will also advise you of the following:

(1) Referral to a credit reporting agency (See §2506.10), a collection agency (See §2506.11), or the DOJ (See §2506.12);

(2) If you are a Corporation employee, by deducting money from your disposable pay account (in the amount and with the frequency, approximate beginning date and duration specified by the Corporation) until the debt (and all accumulated interest, penalties, and administrative costs) is paid in full, and that such proceedings with respect to the debt are governed by 5 U.S.C. 5514;

(3) If you are an employee of a federal agency other than the Corporation, by initiating certification procedures to implement a salary offset by the federal agency, as appropriate (which may not exceed 15 percent of the employee’s disposable pay), and that such proceedings with respect to the debt are governed by 5 U.S.C. 5514;

(4) By referring the debt to the U.S. Department of the Treasury (Treasury) for offset against any refund of overpayment of tax (see Subpart C of this part); or

(5) By administrative offset (see Subpart D of this part).

(c) Notice of opportunity for review.

The notice provided by the Chief Executive Officer under paragraph (a) of this section will also advise you of the opportunity to obtain a review within the Corporation concerning the existence or amount of the debt, the proposed schedule for offset of federal employee salary payments, or whether the debt is past due or legally enforceable. The notice shall also advise you:

(1) Of the name, address, and telephone number of an officer or employee of the Corporation who may be contacted concerning procedures for requesting a review;

(2) Of the method and time period for requesting a review;

(3) That the timely filing of a request for a review on or before the 60th calendar day following the date of the notice to the debtor will stay the commencement of collection proceedings;

(4) Of the name and address of the officer or employee of the Corporation to whom you should send the request for a review;

(5) That a final decision on the review (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the receipt of
§ 2506.7  What interest, penalty, and administrative costs will I have to pay on a debt owed to the Corporation?

(a) Interest. (1) The Corporation will assess interest on all delinquent debts unless prohibited by statute, regulation, or contract.

(2) Interest begins to accrue on all debts from the date that the debt becomes delinquent. The Corporation will not recover interest if you pay the debt within 30 days of the date on which interest begins to accrue. Unless otherwise established in a contract, repayment agreement, or by statute, the Corporation shall assess interest at the rate established annually by the Secretary of the Treasury under 31 U.S.C. 3717, unless a different rate is necessary to protect the interests of the Corporation.

(b) Penalty. The Corporation will assess a penalty charge, not to exceed six percent a year, on any portion of a debt that is delinquent for more than 90 days.

(c) Administrative costs. The Corporation will assess charges to cover administrative costs incurred as a result of your failure to pay a debt before it becomes delinquent. Administrative costs include the additional costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report, or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Corporation.

(d) Allocation of payments. A partial payment by a debtor will be applied first to outstanding administrative costs, second to penalty assessments, third to accrued interest, and then to the outstanding debt principal.

(e) Waiver. (1) The Chief Executive Officer may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty, or administrative costs, if he or she determines that collection of these charges would be against equity and good conscience or not in the best interest of the Corporation.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, where these charges have been collected before the waiver decision, they will not be refunded. The Chief Executive Officer’s decision to waive or not waive collection of these charges is final and is not subject to further review.

§ 2506.8  What opportunity do I have to obtain a review of my debt within the Corporation.

(a) Request for review. If you desire a review within the Corporation concerning the existence or amount of the debt, the proposed schedule for offset of federal employee salary payments, or whether the debt is past due or legally

mines that such action is in the best interest of the Corporation. A decision to extend or not to extend the payment period is final and is not subject to further review.
enforceable, you must send such a request to the Corporation office designated in the notice to debtor. (See § 2506.6(c)).

(1) Your request for review must be signed by you and fully identify and explain with reasonable specificity all the facts and evidence that support your position.

(2) The request for review must be received by the designated office on or before the 60th calendar day following the date of the notice. Timely filing will stay the commencement of collection procedures. If you file a request for a review after the expiration of the 60 day period provided for in this section, the Corporation will accept the request if you can show that the delay was the result of circumstances beyond his or her control or because you did not receive notice of the filing deadline (unless you had actual notice of the filing deadline).

(b) Review of Corporation records related to the debt. (1) In accordance with §2506.6, if you want to inspect or copy Corporation records related to the debt, you must send a letter to the official designated in the notice to the debtor stating his or her intention. Your letter must be received within 30 calendar days after the date of the notice to debtor.

(2) In response to a timely request submitted by the debtor, the designated official will notify you of the location and time when you may inspect and copy records related to the debt.

(3) If personal inspection is impractical, reasonable arrangements will be made to send you copies of those records.

(c) Review official. The Chief Executive Officer shall designate an officer or employee of the Corporation (who was not involved in the determination of the debt) as the review official. When required by law or regulation, the Corporation may request an administrative law judge to conduct the review, or may obtain a review official who is an official, employee, or agent of the United States (but who is not under the supervision or control of the Chief Executive Officer). However, unless the review is conducted by an official or employee of the Corporation, any unresolved dispute you have regarding whether all or part of the debt is past due or legally enforceable (for purposes of collection by tax refund offset under §2506.31), must be referred to the Chief Executive Officer for ultimate administrative disposition, and the Chief Executive Officer must directly notify you of his or her determination.

(d) Review procedure. After you request a review, the reviewing official will notify you of the form of the review to be provided. The reviewing official shall determine the type of review to be conducted (i.e. whether an oral hearing is required), and shall conduct the review in accordance with the standards included in 4 CFR 102.3(c). If the review will include an oral hearing, the notice will set forth the date, time, and location of the hearing. If the review will be on a written record, you will be notified that you should submit arguments and evidence in writing to the review official by a specified date after which the record will be closed. This date will give you reasonable time to submit documentation.

(e) Date of decision. The reviewing official will issue a written decision, based upon either the written record or documentary evidence and information developed at an oral hearing, as soon as practical, but not later than 60 days after the date on which the Corporation received your request for a review, unless you request and the review official grants a delay in the proceedings.

(f) Content of review decision. The review official shall prepare a written decision that will include:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The reviewing official’s findings, analysis, and conclusions; and

(3) The terms of any repayment schedules, if applicable.

(g) Interest, penalty, and administrative cost accrual during review period. During the review period, interest, penalties, and administrative costs authorized by law will continue to accrue.
§ 2506.9 How can I resolve the Corporation's claim through a voluntary repayment agreement?

In response to a notice of a debt owed to the Corporation, you may propose to the Corporation you be allowed to repay a debt through a voluntary payment agreement in lieu of the Corporation taking other collection actions under this part.

(a) Your request to enter into a voluntary repayment must:
   (1) Admit the existence of the debt; and
   (2) Either propose payment of the debt (together with interest, penalties, and administrative costs) in a lump sum, or set forth a proposed repayment schedule.

(b) The Corporation will consider a request to enter into a voluntary repayment agreement consistent with the standards in 4 CFR 102.11. The Chief Executive Officer may request additional information from you in order to make a determination of whether to accept a voluntary repayment agreement, including requesting financial statements if you request to make payments in installments. It is within the Chief Executive Officer’s discretion to accept a repayment agreement instead of proceeding with other debt collection actions under this part, and to set the necessary terms of any voluntary repayment agreement. At the Corporation’s option, you may be required to enter into a confess-judgment note or bond of indemnity with surety as part of an agreement to make payments in installments. Notwithstanding the provisions of this section, any reduction or compromise of a claim will be governed by 31 U.S.C. 3711.

§ 2506.10 How will the Corporation use credit reporting agencies to collect its claims?

(a) The Corporation may report delinquent debts to appropriate credit reporting agencies by providing the following information:
   (1) A statement that the debt is valid and is overdue;
   (2) The name, address, taxpayer identification number, and any other information necessary to establish the identity of the debtor;
   (3) The amount, status, and history of the debt; and
   (4) The program or pertinent activity under which the debt arose.

(b) Before disclosing debt information to a credit reporting agency, the Corporation will:
   (1) Take reasonable action to locate the debtor if a current address is not available; and
   (2) If a current address is available, provide the notice required under §2506.6.

(c) At the time debt information is submitted to a credit reporting agency, the Corporation will provide a written statement to the reporting agency that all required actions have been taken. In addition, the Corporation will, thereafter, ensure that the credit reporting agency is promptly informed of any substantive change in the conditions or amount of the debt, and promptly verify or correct information relevant to the claim.

(d) If a debtor disputes the validity of the debt, the credit reporting agency will refer the matter to the appropriate Corporation official. The credit reporting agency will exclude the debt from its reports until the Corporation certifies in writing that the debt is valid.

§ 2506.11 How will the Corporation contract for collection services?

The Corporation will use the services of a private collection contractor where it determines that such use is in the best interest of the Corporation. When the Corporation determines that there is a need to contract for collection services, it will—

(a) Retain sole authority to:
   (1) Resolve any dispute with the debtor or regarding the validity of the debt;
   (2) Compromise the debt;
   (3) Suspend or terminate collection action;
   (4) Refer the debt to the DOJ for litigation; and
   (5) Take any other action under this part which does not result in full collection of the debt;

(b) Require the contractor to comply with the Privacy Act of 1974, as amended, to the extent specified in 5 U.S.C. 552a(m), with applicable Federal and
§ 2506.22
State laws pertaining to debt collection practices (e.g., the Fair Debt Collection Practices Act (15 U.S.C. 1692-1692o)), and with applicable regulations of the Corporation in this chapter;
(c) Require the contractor to account accurately and fully for all amounts collected; and
(d) Require the contractor to provide to the Corporation, upon request, all data and reports contained in its files relating to its collection actions on a debt.

§ 2506.12 When will the Corporation refer claims to the DOJ?
The Chief Executive Officer will refer to the DOJ for litigation all claims on which aggressive collection actions have been taken but which could not be collected, compromised, suspended, or terminated. Referrals will be made as early as possible, consistent with aggressive Corporation collection action, and within the period for bringing a timely suit against the debtor.

§ 2506.13 Will the Corporation use a cross-servicing agreement with the Treasury to collect its claims?
Yes. The Corporation will enter into a cross-servicing agreement with the Treasury which will authorize the Treasury to take all of the debt collection actions described in this part. These debt collection services will be provided to the Corporation in accordance with 31 U.S.C. Chapter 37.

Subpart B—Salary Offset
§ 2506.20 What debts are included or excluded from coverage of these regulations on salary offset?
(a) The regulations in this subpart provide Corporation procedures for the collection by salary offset of a federal employee’s pay to satisfy certain debts owed to the Corporation or to other federal agencies.
(b) The regulations in this subpart apply to collections by the Chief Executive Officer, from:
(1) Federal employees who owe debts to the Corporation; and
(2) Employees of the Corporation who owe debts to other federal agencies.
(c) The regulations in subpart A and this subpart do not apply to debts arising under the Internal Revenue Code of 1986, as amended (title 26, United States Code); the Social Security Act (42 U.S.C. 301 et seq.); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).
(e) A levy pursuant to the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d).
(f) This subpart does not apply to any adjustment to pay arising out of an employee’s election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four or fewer pay periods.

§ 2506.21 May I ask the Corporation to waive an overpayment that would otherwise be collected by offsetting my salary as a federal employee?
Yes, the regulations in this subpart do not preclude an employee from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or under other statutory provisions pertaining to the particular debts being collected.

§ 2506.22 What are the Corporation’s procedures for salary offset?
(a) The Corporation will coordinate salary deductions under this subpart as appropriate.
(b) The Corporation’s payroll office will determine the amount of an employee’s disposable pay and will implement the salary offset.
(c) Deductions will begin within three official pay periods following receipt by the Corporation’s payroll office of certification of debt from the creditor agency.
(d) Types of collection—
§ 2506.23 How will the Corporation coordinate salary offsets with other agencies?

(a) Responsibilities of the Corporation as the creditor agency. Upon completion of the procedures established in the regulations in this subpart and pursuant to 5 U.S.C. 5514, the Corporation must submit a debt claim to a paying agency.

(1) The Corporation must include in its claim a certification, in writing, that:

(i) The employee owes the debt;

(ii) The amount and basis of the debt;

(iii) The date the Corporation’s right to collect the debt first accrued;

(iv) That the Corporation’s regulations in this subpart have been approved by the Office of Personnel Management under 5 CFR part 550, subpart K;

(2) If the collection must be made in installments, the Corporation’s claim will also advise the paying agency of the amount or percentage of disposable pay to be collected in each installment. The Corporation may also advise the paying agency of the number of installments to be collected, and the date of the first installment if that date is other than the next officially established pay period.

(3) The Corporation shall also include in its claim either:

(i) The employee’s written consent to the salary offset;

(ii) The employee’s signed statement acknowledging receipt of the procedures required by 5 U.S.C. 5514; or

(iii) Information regarding the completion of procedures required by 5 U.S.C. 5514, including the actions taken and the dates of those actions.

(4) If the employee is in the process of separating and has not received a final salary check or other final payment(s) from the paying agency, the Corporation must submit its debt claim to the paying agency for collection under 31 U.S.C. 3716. The paying agency will (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), certify the total amount of its collection on the debt and notify the employee and the Corporation. If the paying agency’s collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal Government sources, then (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), the paying agency will provide written notice of the outstanding debt to the agency responsible for collecting from the debtor’s Federal Government sources.

(1) Lump-sum offset. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

(2) Installment deductions. Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee’s ability to pay. However, the amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless the employee has agreed in writing to the deduction of a greater amount.

(3) Deductions from final check. A deduction exceeding the 15 percent disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the Federal Claims Collection Standards, in order to liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) Deductions from other sources. If an employee subject to salary offset is separated from the Corporation, and the balance of the debt cannot be liquidated by offset of the final salary check, the Corporation may offset any later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the Federal Claims Collection Standards.

(e) Multiple debts. In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the Corporation’s payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.
for making the other payments to the debtor employee. The written notice will state that the employee owes a debt, the amount of the debt, and that the provisions of this section have been fully complied with. However, the Corporation must submit a properly certified claim under this paragraph (a)(4) to the agency responsible for making the payments before the collection can be made.

(5) Separated employee. If the employee is already separated and all payments due from his or her former paying agency have been paid, the Corporation may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR part 831, subpart R, or 5 CFR part 845, subpart D) or other similar funds, be administratively offset to collect the debt.

(6) Employee transfer. When an employee transfers from one paying agency to another paying agency, the Corporation will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Corporation will submit a properly certified claim to the new paying agency and will subsequently review the debt to make sure the collection is resumed by the new paying agency.

(b) Responsibility of the Corporation as the paying agency. (1) Complete claim. When the Corporation receives a certified claim from a creditor agency (under the creditor agency’s regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), deductions should be scheduled to begin within three officially established pay intervals. Before deductions can begin, the employee will receive a written notice from the Corporation including:

(i) A statement that the Corporation has received a certified debt claim from the creditor agency;
(ii) The amount of the debt claim;
(iii) The date salary offset deductions will begin; and
(iv) The amount of such deductions.

(2) Incomplete claim. When the Corporation receives an incomplete certification of debt from a creditor agency, the Corporation will return the debt claim with a notice that the creditor agency must comply with the procedures required under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, and must properly certify a debt claim to the Corporation before the Corporation will take action to collect from the employee’s current pay account.

(3) Review. The Corporation is not authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) Employees who transfer from the Corporation to another paying agency. If, after the creditor agency has submitted the debt claim to the Corporation, the employee transfers from the Corporation to a different paying agency before the debt is collected in full, the Corporation will certify the total amount collected on the debt and notify the employee and the creditor agency in writing. The notification to the creditor agency will include information on the employee’s transfer.

§ 2506.24 Under what conditions will the Corporation make a refund of amounts collected by salary offset?

If the Corporation is the creditor agency, it will promptly refund any amount deducted under the authority of 5 U.S.C. 5514, when:

(a) The debt is waived or all or part of the funds deducted are otherwise found not to be owed (unless expressly prohibited by statute or regulation); or
(b) An administrative or judicial order directs the Corporation to make a refund.

(c) Unless required or permitted by law or contract, refunds under this section will not bear interest.

§ 2506.25 Will the collection of a claim by salary offset act as a waiver of my rights to dispute the claimed debt?

Your involuntary payment of all or any portion of a debt being collected under this subpart will not be construed as a waiver of any rights which you may have under 5 U.S.C. 5514 or any other provisions of a written contract or law, unless there are statutory or contractual provisions to the contrary.
§ 2506.30 Subpart C—Tax Refund Offset

§ 2506.30 Which debts can the Corporation refer to the Department of the Treasury for collection by offsetting tax refunds?

(a) The regulations in this subpart implement 31 U.S.C. 3720A which authorizes the Treasury to reduce a tax refund by the amount of a past-due legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due legally enforceable debt referable to the Treasury for tax refund offset is a debt that is owed to the Corporation; and:

(1) Is at least $25.00 dollars;
(2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;
(3) Cannot be currently collected under the salary offset provisions of 5 U.S.C. 5514;
(4) Is ineligible for administrative offset under 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2) or cannot be collected by administrative offset under 31 U.S.C. 3716(a) by the Corporation against amounts payable to the debtor by the Corporation;
(5) With respect to which the Corporation has given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable, has considered evidence presented by the debtor, and has determined that an amount of the debt is past due and legally enforceable;
(6) Which has been disclosed by the Corporation to a credit reporting agency as authorized by 31 U.S.C. 3716(a) by reason of 31 U.S.C. 3716(c)(2) or cannot be collected by administrative offset under 31 U.S.C. 3716(a) by the Corporation against amounts payable to the debtor by the Corporation;
(7) With respect to which the Corporation has given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable, has considered evidence presented by the debtor, and has determined that an amount of the debt is past due and legally enforceable;
(8) Which has been disclosed by the Corporation to a credit reporting agency as authorized by 31 U.S.C. 3716(e), unless the credit reporting agency would be prohibited from reporting information concerning the debt by reason of 15 U.S.C. 1681c;
(9) With respect to which the Corporation has not notified or has not made a reasonable attempt to notify the debtor that:
   (i) The debt is past due, and
   (ii) Unless repaid within 60 days thereafter, the debt will be referred to the Treasury for offset against any refund of overpayment of tax; and
(10) All other requirements of 31 U.S.C. 3720A and the Treasury regulations relating to the eligibility of a debt for tax return offset have been satisfied (31 CFR 285.2).

§ 2506.31 What are the Corporation's procedures for collecting debts by tax refund offset?

(a) The Chief Executive Officer will be the point of contact with the Treasury for administrative matters regarding the offset program.

(b) The Corporation will ensure that the procedures prescribed by the Treasury are followed in developing information about past-due debts and submitting the debts to the Treasury.

(c) The Corporation will submit a notification of a taxpayer's liability for past-due legally enforceable debt to the Treasury which will contain:

(1) The name and taxpayer identifying number (as defined in section 6109 of the Internal Revenue Code, 26 U.S.C. 6109) of the person who is responsible for the debt;
(2) The dollar amount of the past-due and legally enforceable debt;
(3) The date on which the original debt became past due;
(4) A statement certifying that, with respect to each debt reported, all of the requirements of eligibility of the debt for referral for the refund offset have been satisfied. (See §2506.30(b)). For purposes of this section, notice that collection of the debt is affected by a bankruptcy proceeding involving the individual will bar referral of the debt to the Treasury.

(d) The Corporation shall promptly notify the Treasury to correct Corporation data submitted when it:

(1) Determines that an error has been made with respect to a debt that has been referred;
(2) Receives or credits a payment on the debt; or
(3) Receives notice that the person owing the debt has filed for bankruptcy under Title 11 of the United States Code or has been adjudicated bankrupt and the debt has been discharged.

(e) When advising debtors of an intent to refer a debt to the Treasury for offset, the Corporation will also advise the debtors of remedial actions available to defer or prevent the offset from taking place.
Corporation for National and Community Service

§ 2506.40 Under what circumstances will the Corporation collect amounts that I owe to the Corporation (or some other federal agency) by offsetting the debt against payments that the Corporation (or some other federal agency) owes me?

(a) The regulations in this subpart apply to the collection of any debts you owe to the Corporation, or to any request from another federal agency that the Corporation collect a debt you owe by offsetting your debt against a payment the Corporation owes you. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3716). The Corporation shall carry out administrative offset in accordance with the provisions of the Federal Claims Collection Standards; the regulations in this subpart are intended only to supplement the provisions of the Federal Claims Collection Standards.

(b) The Chief Executive Officer, after attempting to collect a debt you owe to the Corporation under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset, subject to the following:

(1) The debt you owe is certain in amount; and

(2) It is in the best interest of the Corporation to collect your debt by administrative offset because of the decreased costs of collection and acceleration in the payment of the debt.

(c) The Chief Executive Officer may initiate administrative offset with regard to debts you owe to another federal agency. The head of the creditor agency, or his or her designee, must submit a written request for the offset with a certification that the debt exists and that you have been afforded the necessary due process rights.

(d) The Chief Executive Officer may request another federal agency that holds funds payable to you to instead pay those funds to the Corporation in settlement of your debt. The Corporation will provide certification that:

(1) The debt exists; and

(2) You have been afforded the necessary due process rights.

(e) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years unless facts material to the Corporation or a federal agency’s right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(f) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute; or

(2) Debts owed to the Corporation by federal agencies or by any State or local government.

§ 2506.41 How will the Corporation request that my debt to the Corporation be collected by offsetting against some payment that another federal agency owes me?

The Chief Executive Officer may request that funds due and payable to you by another federal agency instead be paid to the Corporation in payment of a debt you owe to the Corporation. In requesting administrative offset, the Corporation, as creditor, will certify in writing to the federal agency that is holding funds for you:

(a) That you owe the debt;

(b) The amount and basis of the debt; and

(c) That the Corporation has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, and the applicable provisions of the Federal Claims Collection Standards with respect to providing the debtor with due process.

§ 2506.42 What procedures will the Corporation use to collect amounts I owe to a federal agency by offsetting a payment that the Corporation would otherwise make to me?

Any federal agency may request that the Corporation administratively offset funds due and payable to you in order to collect a debt you owe to that agency. The Corporation will initiate the requested offset only:

(a) Upon receipt of written certification from the creditor agency stating:

(1) That you owe the debt;
§ 2506.43 When may the Corporation make an offset in an expedited manner?

The Corporation may effect an administrative offset against a payment to be made to you before completion of the procedures required by §§ 2506.41 and 2506.42 if failure to take the offset would substantially jeopardize the Corporation’s ability to collect the debt and the time before the payment is to be made does not reasonably permit the completion of those procedures. An expedited offset will be promptly followed by the completion of those procedures. Amounts recovered by offset, but later found not to be owed to the Corporation, will be promptly refunded.

APPENDIX B TO PART 2507—FREEDOM OF INFORMATION ACT APPEAL FOR RELEASE OF INFORMATION (SAMPLE)

AUTHORITY: 42 U.S.C. 12501 et seq.

SOURCE: 63 FR 26489, May 13, 1998, unless otherwise noted.

§ 2507.1 Definitions.

As used in this part, the following definitions shall apply:

(b) Agency means any executive department, military department, government corporation, or other establishment in the executive branch of the Federal Government, or any independent regulatory agency. Thus, the Corporation is a Federal agency.

(c) Commercial use request means a request from, or on behalf of, a person who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. The use to which the requester will put the records sought will be considered in determining whether the request is a commercial use request.

(d) Corporation means the Corporation for National and Community Service.

(e) Educational institution means a pre-school, elementary or secondary school, institution of undergraduate or graduate higher education, or institution of professional or vocational education, which operates a program of scholarly research.

(f) Electronic data means records and information (including e-mail) which
Corporation for National and Community Service

§ 2507.1

are created, stored, and retrievable by electronic means.

(g) Freedom of Information Act Officer (FOIA Officer) means the Corporation official who has been delegated the authority to make the initial determination on whether to release or withhold records, and to assess, waive, or reduce fees in response to FOIA requests.

(h) Non-commercial scientific institution means an institution that is not operated substantially for purposes of furthering its own or someone else’s business trade, or profit interests, and that is operated for purposes of conducting scientific research whose results are not intended to promote any particular product or industry.

(i) Public interest means the interest in obtaining official information that sheds light on an agency’s performance of its statutory duties because the information falls within the statutory purpose of the FOIA to inform citizens about what their government is doing.

(j) Record includes books, brochures, electronic mail messages, punch cards, magnetic tapes, cards, discs, paper tapes, audio or video recordings, maps, pamphlets, photographs, slides, microfilm, and motion pictures, or other documentary materials, regardless of physical form or characteristics, made or received by the Corporation pursuant to Federal law or in connection with the transaction of public business and preserved by the Corporation as evidence of the organization, functions, policies, decisions, procedures, operations, programs, or other activities. Record does not include objects or articles such as tangible exhibits, models, equipment, or processing materials; or formulas, designs, drawings, or other items of valuable property. Record does not include books, magazines, pamphlets or other materials acquired solely for reference purposes. Record does not include personal records of an individual not subject to agency creation or retention requirements, created and maintained primarily for the convenience of an agency employee, and not distributed to other agency employees for their official use. Record does not include information stored within a computer for which there is no existing computer program for retrieval of the requested information. A record must exist and be in the possession and control of the Corporation at the time of the request to be considered subject to this part and the FOIA. There is no obligation to create, compile, or obtain a record to satisfy a FOIA request. See §2507.3(d) with respect to creating a record in the electronic environment.

(k) Representative of the news media means a person who is actively gathering information for an entity organized to publish, broadcast or otherwise disseminate news to the public. News media entities include television and radio broadcasters, publishers of periodicals who distribute their products to the general public or who make their products available for purchase or subscription by the general public, and entities that may disseminate news through other media (e.g., electronic dissemination of text). Freelance journalists will be treated as representatives of a new media entity if they can show a likelihood of publication through such an entity. A publication contract would be the clearest proof, but the Corporation may also look to the past publication record of a requester in making this determination.

(l) FOIA request means a written request for Corporation records, made by any person, including a member of the public (U.S. or foreign citizen), an organization, or a business, but not including a Federal agency, an order from a court, or a fugitive from the law, that either explicitly or implicitly involves the FOIA, or this part. Written requests may be received by postal service or by facsimile.

(m) Review means the process of examining records located in response to a request to determine whether any record or portion of a record is permitted to be withheld. It also includes processing records for disclosure (i.e., excising portions not subject to disclosure under the Act and otherwise preparing them for release). Review does not include time spent resolving legal or policy issues regarding the application of exemptions under the Act.

(n) Search means looking for records or portions of records responsive to a request. It includes reading and interpreting a request, and also page-by-page and line-by-line examination to
identify responsive portions of a document. However, it does not include line-by-line examination where merely duplicating the entire page would be a less expensive and quicker way to comply with the request.

§ 2507.2 What is the purpose of this part?

The purpose of this part is to prescribe rules for the inspection and release of records of the Corporation for National and Community Service pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. 552, as amended. Information customarily furnished to the public in the regular course of the Corporation’s official business, whether hard copy or electronic records which are available to the public through an established distribution system, or through the Federal Register, the National Technical Information Service, or the Internet, may continue to be furnished without processing under the provisions of the FOIA or complying with this part.

§ 2507.3 What types of records are available for disclosure to the public?

(a) (1) The Corporation will make available to any member of the public who requests them, the following Corporation records:

(i) All publications and other documents provided by the Corporation to the public in the normal course of agency business will continue to be made available upon request to the Corporation;

(ii) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of administrative cases;

(iii) Statements of policy and interpretation adopted by the agency and not published in the Federal Register;

(iv) Administrative staff manuals and instructions to the staff that affect a member of the public; and

(v) Copies of all records, regardless of form or format, which, because of the nature of their subject matter, the agency determines have become or are likely to become the subject of subsequent requests for substantially the same records.

(2) Copies of a current index of the materials in paragraphs (a)(1)(i) through (v) of this section that are maintained by the Corporation, or any portion thereof, will be furnished or made available for inspection upon request.

(b) To the extent necessary to prevent a clearly unwarranted invasion of personal privacy, the Corporation may delete identifying details from materials furnished under this part.

(c) Brochures, leaflets, and other similar published materials shall be furnished to the public on request to the extent they are available. Copies of any such materials which are out of print shall be furnished to the public at the cost of duplication, provided however, that, in the event no copy exists, the Corporation shall not be responsible for reprinting the document.

(d) All records of the Corporation which are requested by a member of the public in accordance with the procedures established in this part shall be duplicated for the requester, except to the extent that the Corporation determines that such records are exempt from disclosure under the Act.

(e) The Corporation will not be required to create new records, compile lists of selected items from its files, or provide a requester with statistical or other data (unless such data has been compiled previously and is available in the form of a record.)

(f) These records will be made available for public inspection and copying in the Corporation’s reading room located at the Corporation for National and Community Service, 1201 New York Avenue, NW., Room 2200, Washington, D.C. 20525, during the hours of 9:30 a.m. to 4:00 p.m., Monday through Friday except on official holidays.

(g) Corporation records will be made available to the public unless it is determined that such records should be withheld from disclosure under subsection 552(b) of the Act and or in accordance with this part.

§ 2507.4 How are requests for records made?

(a) How made and addressed. (1) Requests for Corporation records under the Act must be made in writing, and
can be mailed, hand-delivered, or received by facsimile, to the FOIA Officer, Corporation for National and Community Service, Office of the General Counsel, 1201 New York Avenue, N.W., Room 8200, Washington, D.C. 20525. (See Appendix A for an example of a FOIA request.) All such requests, and the envelopes in which they are sent, must be plainly marked “FOIA Request”. Hand-delivered requests will be received between 9 a.m. and 4 p.m., Monday through Friday, except on official holidays. Although the Corporation maintains offices throughout the continental United States, all FOIA requests must be submitted to the Corporation's Headquarters office in Washington, DC.

(2) Corporation records that are available in the Corporation’s reading room will also be made available for public access through the Corporation’s “electronic reading room” Internet site under “Resource Links”. The following address is the Corporation’s Internet Web site: http://www.nationalservice.org.

(b) Request must adequately describe the records sought. A request must describe the records sought in sufficient detail to enable Corporation personnel to locate the records with reasonable effort, and without unreasonable burden to or disruption of Corporation operations. Among the kinds of identifying information which a requester may provide are the following:

(1) The name of the specific program within the Corporation which may have produced or may have custody of the record (e.g., AmeriCorps*State/National Direct, AmeriCorps*NCCC (National Civilian Community Corps), AmeriCorps*VISTA (Volunteers In Service To America), Learn and Serve America, National Senior Service Corps (NSSC), Retired and Senior Volunteer Program (RSVP), Foster Grandparent Program (FGP), Senior Companion Program (SCP), and HUD Hope VI);

(2) The specific event or action, if any, to which the record pertains;

(3) The date of the record, or an approximate time period to which it refers or relates;

(4) The type of record (e.g. contract, grant or report);

(5) The name(s) of Corporation personnel who may have prepared or been referenced in the record; and

(6) Citation to newspapers or other publications which refer to the record.

(c) Agreement to pay fees. The filing of a request under this section shall be deemed to constitute an agreement by the requester to pay all applicable fees, up to $25.00, unless a waiver of fees is sought in the request letter. When filing a request, a requester may agree to pay a greater amount, if applicable. (See §2507.8 for further information on fees.)

§ 2507.5 How does the Corporation process requests for records?

(a) Initial processing. Upon receipt of a request for agency records, the FOIA Officer will make an initial determination as to whether the requester has reasonably described the records being sought with sufficient specificity to determine which Corporation office may have possession of the requested records. The office head or his or her designee shall determine whether the description of the record(s) requested is sufficient to permit a determination as to existence, identification, and location. It is the responsibility of the FOIA Officer to provide guidance and assistance to the Corporation staff regarding all FOIA policies and procedures. All requests for records under the control and jurisdiction of the Office of the Inspector General will be forwarded to the Inspector General, through the FOIA Officer, for the Corporation’s initial determination and reply to the requester.

(b) Insufficiently identified records. On making a determination that the description contained in the request does not reasonably describe the records being sought, the FOIA Officer shall promptly advise the requester in writing or by telephone if possible. The FOIA Officer shall provide the requester with appropriate assistance to help the requester provide any additional information which would better identify the record. The requester may submit an amended request providing the necessary additional identifying information. Receipt of an amended request shall start a new 20 day period in
§ 2507.5 which the Corporation will respond to
the request.

(c) Furnishing records. The Corporation is required to furnish only copies of
what it has or can retrieve. It is not
compelled to create new records or do
statistical computations. For example,
the Corporation is not required to
write a new program so that a com-
puter will print information in a spe-
cial format. However, if the requested
information is maintained in com-
puterized form, and it is possible, without
inconvenience or unreasonable burden,
to produce the information on paper,
the Corporation will do this if this is
the only feasible way to respond to a
request. The Corporation is not
required to perform any research for the
requester. The Corporation reserves
the right to make a decision to con-
serve government resources and at the
same time supply the records requested
by consolidating information from var-
ious records rather than duplicating all
of them. For example, if it requires less
time and expense to provide a com-
puter record as a paper printout rather
than in an electronic medium, the Cor-
poration will provide the printout. The
Corporation is only required to furnish
one copy of a record.

(d) Format of the disclosure of a record.
The requester, not the Corporation,
will be entitled to choose the form of
disclosure when multiple forms of a
record already exist. Any further re-
quest for a record to be disclosed in a
new form or format will have to be con-
sidered by the Corporation, on a case-
by-case basis, to determine whether
the records are “readily reproducible”
in that form or format with “reason-
able efforts” on the part of the Cor-
poration. The Corporation shall make
reasonable efforts to maintain its
records in forms or formats that are re-
producible for purposes of replying to a
FOIA request.

(e) Release of record. Upon receipt of a
request specifically identifying exist-
ing Corporation records, the Corpora-
tion shall, within 20 days (excepting
Saturdays, Sundays, and legal public
holidays), either grant or deny the re-
quest in whole or in part, as provided
in this section. Any notice of denial in
whole or in part shall require the FOIA
Officer to inform the requester of his/
her right to appeal the denial, in ac-
cordance with the procedures set forth
in §2507.7. If the FOIA Officer deter-
nines that a request describes a re-
quested record sufficiently to permit
its identification, he/she shall make it
available unless he/she determines, as
appropriate, to withhold the record as
being exempt from mandatory disclo-
sure under the Act.

(f) Form and content of notice granting
a request. The Corporation shall provide
written notice of a determination to
grant access within 20 days (excepting
Saturdays, Sundays, and legal public
holidays) of receipt of the request. This
will be done either by providing a copy
of the record to the requester or by
making the record available for inspec-
tion at a reasonable time and place. If
the record cannot be provided at the
time of the initial response, the Cor-
poration shall make such records avail-
able promptly. Records disclosed in
part shall be marked or annotated to
show both the amount and the location
of the information deleted wherever
practicable.

(g) Form and content of notice denying
request. The Corporation shall notify
the requester in writing of the denial of
access within 20 days (excepting Satur-
days, Sundays, and legal public holi-
days) of receipt of the request. Such
notice shall include:

(1) The name and title or position of
the person responsible for the denial;

(2) A brief statement of the reason(s)
for denial, including the specific ex-
emption(s) under the Act on which the
Corporation has relied in denying each
document that was requested;

(3) A statement that the denial may
be appealed under §2507.7, and a de-
scription of the requirements of that
§2507.7;

(4) An estimate of the volume of
records or information withheld, in
number of pages or in some other rea-
sonable form of estimation. This esti-
mate does not need to be provided if
the volume is otherwise indicated
through deletions on records disclosed
in part, or if providing an estimate
would harm an interest protected by an
applicable exemption.
§ 2507.8 Under what circumstances may the Corporation extend the time limits for an initial response?

The time limits specified for the Corporation's initial response in §2507.5, and for its determination on an appeal in §2507.7, may be extended by the Corporation upon written notice to the requester which sets forth the reasons for such extension and the date upon which the Corporation will respond to the request. Such extension may be applied at either the initial response stage or the appeal stage, or both, provided the aggregate of such extensions shall not exceed ten working days. Circumstances justifying an extension under this section may include the following:

(a) Time necessary to search for and collect requested records from field offices of the Corporation;
(b) Time necessary to locate, collect and review voluminous records;
(c) Time necessary for consultation with another agency having an interest in the request; or among two or more offices of the Corporation which have an interest in the request; or with a submitter of business information having an interest in the request.

§ 2507.7 How does one appeal the Corporation's denial of access to records?

(a) Right of appeal. A requester has the right to appeal a partial or full denial of an FOIA request. The appeal must be in writing and sent to the reviewing official identified in the denial letter. The requester must send the appeal within 60 days of the letter denying the appeal.

(b) Contents of appeal. The written appeal may include as much or as little information as the requester wishes for the basis of the appeal.

(c) Review process. The Chief Operating Officer (COO) is the designated official to act on all FOIA appeals. The COO's determination of an appeal constitutes the Corporation's final action. If the appeal is granted, in whole or in part, the records will be made available for inspection or sent to the requester, promptly, unless a reasonable delay is justified. If the appeal is denied, in whole or in part, the COO will state the reasons for the decision in writing, providing notice of the right to judicial review. A decision will be made on the appeal within 20 days (excluding Saturdays, Sundays, and legal public holidays), from the date the appeal was received by the COO.

(d) When appeal is required. If a requester wishes to seek review by a court of an unfavorable determination, an appeal must first be submitted under this section.

§ 2507.8 How are fees determined?

(a) Policy. It is the policy of the Corporation to provide the widest possible access to releasable Corporation records at the least possible cost. The purpose of the request is relevant to the fees charged.

(b) Types of request. Fees will be determined by category of requests as follows:

(1) Commercial use requests. When a request for records is made for commercial use, charges will be assessed to cover the costs of searching for, reviewing for release, and reproducing the records sought.

(2) Requests for educational and non-commercial scientific institutions. When a request for records is made by an educational or non-commercial scientific institution in furtherance of scholarly or scientific research, respectively, charges may be assessed to cover the cost of reproduction alone, excluding charges for reproduction of the first 100 pages. Whenever the total fee calculated is $18.00 or less, no fee shall be charged.

(3) Requests from representatives of the news media. When a request for records is made by a representative of the news media for the purpose of news dissemination, charges may be assessed to cover the cost of reproduction alone, excluding charges for reproduction of the first 100 pages. Whenever the total fee calculated is $18.00 or less, no fee shall be charged.

(4) Other requests. When other requests for records are made which do not fit the three preceding categories, charges will be assessed to cover the costs of searching for and reproducing the records sought, excluding charges for the first two hours of search time and for reproduction of the first 100 pages.
§ 2507.8 45 CFR Ch. XXV (10–1–01 Edition)

pages. (However, requests from individuals for records about themselves contained in the Agency’s systems of records will be treated under the fee provisions of the Privacy Act of 1974 (5 U.S.C. 552a) which permit the assessment of fees for reproduction costs only, regardless of the requester’s characterization of the request.) Whenever the total fee calculated is $18.00 or less, no fee shall be charged to the requester.

(c) Direct costs. Fees assessed shall provide only for recovery of the Corporation’s direct costs of search, review, and reproduction. Review costs shall include only the direct costs incurred during the initial examination of a record for the purposes of determining whether a record must be disclosed under this part and whether any portion of a record is exempt from disclosure under this part. Review costs shall not include any costs incurred in resolving legal or policy issues raised in the course of processing a request or an appeal under this part.

(d) Charging of fees. The following charges may be assessed for copies of records provided to a requester:

(1) Copies made by photostat shall be charged at the rate of $0.10 per page.

(2) Searches for requested records performed by clerical/administrative personnel shall be charged at the rate of $4.00 per quarter hour.

(3) Where a search for requested records cannot be performed by clerical/administrative personnel (for example, where the tasks of identifying and compiling records responsive to a request must be performed by a skilled technician or professional), such search shall be charged at the rate of $7.00 per quarter hour.

(4) Where the time of managerial personnel is required, the fee shall be $10.25 for each quarter hour of time spent by such managerial personnel.

(5) Computer searches for requested records shall be charged at a rate commensurate with the combined cost of computer operation and operator’s salary attributable to the search.

(6) Charges for non-release. Charges may be assessed for search and review time, even if the Corporation fails to locate records responsive to a request or if records located are determined to be exempt from disclosure.

(e) Consent to pay fees. In the event that a request for records does not state that the requester will pay all reasonable costs, or costs up to a specified dollar amount, and the FOIA Officer determines that the anticipated assessable costs for search, review and reproduction of requested records will exceed $25.00, or will exceed the limit specified in the request, the requester shall be promptly notified in writing. Such notification shall state the anticipated assessable costs for search, review and reproduction of records requested. The requester shall be afforded an opportunity to amend the request to narrow the scope of the request, or, alternatively, may agree to be responsible for paying the anticipated costs. Such a request shall be deemed to have been received by the Corporation upon the date of receipt of the amended request.

(f) Advance payment. (1) Advance payment of assessable fees are not required from a requester unless:

(i) The Corporation estimates or determines that assessable charges are likely to exceed $250.00, and the requester has no history of payment of FOIA fees. (Where the requester has a history of prompt payment of fees, the Corporation shall notify the requester of the likely cost and obtain written assurance of full payment.)

(ii) A requester has previously failed to pay a FOIA fee charged in a timely fashion (i.e., within 30 days of the date of the billing).

(2) When the Corporation acts under paragraphs (f)(1)(i) or (ii) of this section, the administrative time limits prescribed in § 2507.5(a) and (b) will begin to run only after the Corporation has received fee payments or assurances.

(g) Interest on non-payment. Interest charges on an unpaid bill may be assessed starting on the 31st day following the day on which the billing was sent. Interest will be assessed at the rate prescribed in 31 U.S.C. 3717 and will accrue from the date of the billing. The Corporation may use the authorization of the Debt Collection Act of 1982 (Pub. L. 97–365, 96 Stat. 1749), as
amended, and its administrative procedures, including disclosure to consumer reporting agencies and the use of collection agencies, to encourage payment of delinquent fees.

(h) Aggregating requests. Where the Corporation reasonably believes that a requester or a group of requesters acting together is attempting to divide a request into a series of requests for the purpose of avoiding fees, the Corporation may aggregate those requests and charge accordingly. The Corporation may presume that multiple requests of this type made within a 30-day period have been made in order to avoid fees. Where requests are separated by a longer period, the Corporation will aggregate them only where there exists a solid basis for determining that aggregation is warranted under the circumstances involved. Multiple requests involving unrelated matters will not be aggregated.

(i) Making payment. Payment of fees shall be forwarded to the FOIA Officer by check or money order payable to “Corporation for National and Community Service”. A receipt for any fees paid will be provided upon written request.

(j) Fee processing. No fee shall be charged if the administrative costs of collection and processing of such fees are equal to or do not exceed the amount of the fee.

(k) Waiver or reduction of fees. A requester may, in the original request, or subsequently, apply for a waiver or reduction of document search, review and reproduction fees. Such application shall be in writing, and shall set forth in detail the reason(s) a fee waiver or reduction should be granted. The amount of any reduction requested shall be specified in the request. Upon receipt of such a request, the FOIA Officer will determine whether a fee waiver or reduction should be granted.

(l) A waiver or reduction of fees shall be granted only if release of the requested information to the requester is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Corporation, and it is not primarily in the commercial interest of the requester. The Corporation shall consider the following factors in determining whether a waiver or reduction of fees will be granted:

(i) Does the requested information concern the operations or activities of the Corporation?
(ii) If so, will disclosure of the information be likely to contribute to public understanding of the Corporation’s operations and activities?
(iii) If so, would such a contribution be significant?
(iv) Does the requester have a commercial interest that would be furthered by disclosure of the information?
(v) If so, is the magnitude of the identified commercial interest of the requester sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester?

(2) In applying the criteria in paragraph (k)(1) of this section, the Corporation will weigh the requester’s commercial interest against any public interest in disclosure. Where there is a public interest in disclosure, and that interest can fairly be regarded as being of greater magnitude than the requester’s commercial interest, a fee waiver or reduction may be granted.

(3) When a fee waiver application has been included in a request for records, the request shall not be considered officially received until a determination is made regarding the fee waiver application. Such determination shall be made within five working days from the date any such request is received in writing by the Corporation.

§ 2507.9 What records will be denied disclosure under this part?

Since the policy of the Corporation is to make the maximum amount of information available to the public consistent with its other responsibilities, written requests for a Corporation record made under the provisions of the FOIA may be denied when:

(a) The record is subject to one or more of the exemptions of the FOIA.
(b) The record has not been described clearly enough to enable the Corporation staff to locate it within a reasonable amount of effort by an employee familiar with the files.
(c) The requester has failed to comply with the procedural requirements,
§ 2507.10

What records are specifically exempt from disclosure?

Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of portions which are exempt under this section. The following categories are examples of records maintained by the Corporation which, under the provision of 5 U.S.C. 552(b), are exempted from disclosure:

(a) Records required to be withheld under criteria established by an Executive Order in the interest of national defense and policy and which are in fact properly classified pursuant to any such Executive Order. Included in this category are records required by Executive Order No. 12958 (3 CFR, 1995 Comp., p. 333), as amended, to be classified in the interest of national defense or foreign policy.

(b) Records related solely to internal personnel rules and practices. Included in this category are internal rules and regulations relating to personnel management operations which cannot be disclosed to the public without substantial prejudice to the effective performance of significant functions of the Corporation.

(c) Records specifically exempted from disclosure by statute.

(d) Information of a commercial or financial nature including trade secrets given in confidence. Included in this category are records containing commercial or financial information obtained from any person and customarily regarded as privileged and confidential by the person from whom they were obtained.

(e) Interagency or intra-agency memorandum or letters which would not be available by law to a party other than a party in litigation with the Corporation. Included in this category are memoranda, letters, inter-agency and intra-agency communications and internal drafts, opinions and interpretations prepared by staff or consultants and records meant to be used as part of deliberations by staff, or ordinarily used in arriving at policy determinations and decisions.

(f) Personnel, medical and similar files. Included in this category are personnel and medical information files of staff, individual national service applicants and participants, lists of names and home addresses, and other files or material containing private or personal information, the public disclosure of which would amount to a clearly unwarranted invasion of the privacy of any person to whom the information pertains.

(g) Investigatory files. Included in this category are files compiled for the enforcement of all laws, or prepared in connection with government litigation and adjudicative proceedings, provided however, that such records shall be made available to the extent that their production will not:

(1) Interfere with enforcement proceedings;

(2) Deprive a person of a right to a fair trial or an impartial adjudication;

(3) Constitute an unwarranted invasion of personal privacy;

(4) Disclose the identity of a confidential source, and in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful security intelligence investigation, confidential information furnished by confidential source;

(5) Disclose investigative techniques and procedures; or

(6) Endanger the life or physical safety of law enforcement personnel.

§ 2507.11

What are the procedures for the release of commercial business information?

(a) Notification of business submitter. The Corporation shall promptly notify a business submitter of any request for Corporation records containing business information. The notice shall either specifically describe the nature of the business information requested or provide copies of the records, or portions thereof containing the business information.

(b) Business submitter reply. The Corporation shall afford a business submitter 10 working days to object to disclosure, and to provide the Corporation...
with a written statement specifying the grounds and arguments why the information should be withheld under Exemption (b)(4) of the Act.

(c) Considering and balancing respective interests. (1) The Corporation shall carefully consider and balance the business submitter’s objections and specific grounds for nondisclosure against such factors as:
   (i) The general custom or usage in the occupation or business to which the information relates that it be held confidential; and
   (ii) The number and situation of the individuals who have access to such information; and
   (iii) The type and degree of risk of financial injury to be expected if disclosure occurs; and
   (iv) The length of time such information should be regarded as retaining the characteristics noted in paragraphs (c)(1) (i) through (iii) of this section in determining whether to release the requested business information.

(2)(i) Whenever the Corporation decides to disclose business information over the objection of a business submitter, the Corporation shall forward to the business submitter a written notice of such decision, which shall include:
   (A) The name, and title or position, of the person responsible for denying the submitter’s objection;
   (B) A statement of the reasons why the business submitter’s objection was not sustained;
   (C) A description of the business information to be disclosed; and
   (D) A specific disclosure date.
   (ii) The notice of intent to disclose business information shall be mailed by the Corporation not less than six working days prior to the date upon which disclosure will occur, with a copy of such notice to the requester.

(d) When notice to business submitter is not required. The notice to business submitter shall not apply if:
   (1) The Corporation determines that the information shall not be disclosed;
   (2) The information has previously been published or otherwise lawfully been made available to the public; or
   (3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

(e) Notice of suit for release. Whenever a requester brings suit to compel disclosure of business information, the Corporation shall promptly notify the business submitter.

§ 2507.12 Authority.

The Corporation receives authority to change its governing regulations from the National and Community Service Act of 1990, as amended (42 U.S.C. 12501 et seq.).

§ 2508.8 Who is responsible for establishing the Corporation’s rules of conduct for Privacy Act compliance?

(a) The Chief Executive Officer shall ensure that all persons involved in the design, development, operation or maintenance of any system of records as defined herein are informed of all requirements necessary to protect the privacy of individuals who are the subject of such records. All employees shall be informed of all implications of the Act in this area including the civil remedies provided under 5 U.S.C. 552a(g)(1) and the fact that the Corporation may be subject to civil remedies for failure to comply with the provisions of the Privacy Act and this regulation.

§ 2508.9 What officials are responsible for the security, management and control of Corporation record keeping systems?

§ 2508.10 Who has the responsibility for maintaining adequate technical, physical, and security safeguards to prevent unauthorized disclosure or destruction of manual and automatic record systems?

The Chief Executive Officer has the responsibility of maintaining adequate technical, physical, and security safeguards to prevent unauthorized disclosure or destruction of manual and automatic record systems. These security safeguards shall apply to all systems in which identifiable personal data are processed or maintained, including all reports and outputs from such systems that contain identifiable personal information. Such safeguards must be sufficient to prevent negligent, accidental, or unintentional disclosure, modification or destruction of any personal records or data, and must furthermore minimize, to the extent practicable, the risk that skilled technicians or knowledgeable persons could improperly obtain access to modify or destroy such records or data and shall further insure against such casual entry by unskilled persons without official reasons for access to such records or data.

(a) Manual systems. (1) Records contained in a system of records as defined herein may be used, held or stored only where facilities are adequate to prevent unauthorized access by persons within or outside the Corporation.

(2) All records, when not under the personal control of the employees authorized to use the records, must be stored in a locked metal filing cabinet. Some systems of records are not of such confidential nature that their disclosure would constitute a harm to an individual who is the subject of such record. However, records in this category shall also be maintained in locked metal filing cabinets or maintained in a secured room with a locking door.

(3) Access to and use of a system of records shall be permitted only to persons whose duties require such access within the Corporation, for routine uses as defined in §2508.4 as to any given system, or for such other uses as may be provided herein.
§ 2508.11 How shall offices maintaining a system of records be accountable for those records to prevent unauthorized disclosure of information?

(a) Each office maintaining a system of records shall account for all records within such system by maintaining a written log in the form prescribed by the Director, Administration and Management Services, containing the following information:

(1) The date, nature, and purpose of each disclosure of a record to any person or to another agency. Disclosures made to employees of the Corporation in the normal course of their duties, or pursuant to the provisions of the Freedom of Information Act, need not be accounted for.

(2) Such accounting shall contain the name and address of the person or agency to whom the disclosure was made.

(3) The accounting shall be maintained in accordance with a system of records approved by the Director, Administration and Management Services, as sufficient for the purpose but in any event sufficient to permit the construction of a listing of all disclosures at appropriate periodic intervals.

(4) The accounting shall reference any justification or basis upon which any release was made including any written documentation required when records are released for statistical or law enforcement purposes under the provisions of subsection (b) of the Privacy Act of 1974 (5 U.S.C. 552a).

(5) For the purpose of this part, the system of accounting for disclosures is not a system of records under the definitions hereof, and need not be maintained within a system of records.

§ 2508.11 Other than for access within the Corporation to persons needing such records in the performance of their official duties or routine uses as defined in §2508.4, or such other uses as provided herein, access to records within a system of records shall be permitted only to the individual to whom the record pertains or upon his or her written request to the Director, Administration and Management Services.

(5) Access to areas where a system of records is stored will be limited to those persons whose duties require work in such areas. There shall be an accounting of the removal of any records from such storage areas utilizing a written log, as directed by the Director, Administration and Management Services. The written log shall be maintained at all times.

(6) The Corporation shall ensure that all persons whose duties require access to and use of records contained in a system of records are adequately trained to protect the security and privacy of such records.

(ii) From 37.5 percent of the remainder, the Corporation will allot to each State an amount that bears the same ratio to 37.5 percent of the remainder as the allocation to the State for the previous fiscal year under Chapter 1 of Title I of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2711 et seq.) bears to the allocations to all States.

(iii) Notwithstanding other provisions of paragraph (b)(2) of this section, if less than $20,000,000 is available in a fiscal year to make those allotments, the Corporation may allocate additional funds available from the 25 percent described in paragraph (b)(1) of this section for that fiscal year to make those allotments.

(b) In providing for the remaining share of the cost of carrying out a program, each recipient of assistance must provide for that share through a payment in cash or in kind, fairly evaluated, including facilities, equipment, or services, and may provide for that share through State sources, local sources, or Federal sources (other than funds made available under the national service laws).

(c) However, the Corporation may waive the requirements of paragraph (b) of this section in whole or in part with respect to any program in any fiscal year if the Corporation determines that the waiver would be equitable due to a lack of available financial resources at the local level.

§2516.710 Are there limits on the use of funds?

Yes. The following limits apply to funds available under this part:

(a) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

(b) (1) An SEA or Indian tribe must spend between ten and 15 percent of the grant to build capacity through training, technical assistance, curriculum development, and coordination activities.

(2) The Corporation may waive this requirement in order to permit an SEA or a tribe to use between ten percent and 20 percent of the grant funds to build capacity. To be eligible to receive the waiver, the SEA or tribe must submit an application to the Corporation.

(c) Funds made available under this part may not be used to pay any stipend, allowance, or other financial support to any participant in a service-learning program under this part except reimbursement for transportation, meals, and other reasonable out-of-pocket expenses directly related to participation in a program assisted under this part.

Every evaluation effort should serve to improve program quality, examine benefits of service, or fulfill legislative requirements.

§ 2516.810 What types of evaluations are grantees and subgrantees required to perform?

All grantees and subgrantees are required to perform internal evaluations which are ongoing efforts to assess performance and improve quality. Grantees and subgrantees may, but are not required to, arrange for independent evaluations which are assessments of program effectiveness by individuals who are not directly involved in the administration of the program. The cost of independent evaluations is allowable.

§ 2516.820 What types of internal evaluation activities are required of programs?

Programs are required to: (a) Continuously assess management effectiveness, the quality of services provided, and the satisfaction of both participants and service recipients. Internal evaluations should seek frequent feedback and provide for quick correction of weakness. The Corporation encourages programs to use internal evaluation methods, such as community advisory councils, participant advisory councils, peer reviews, quality control inspections, and service recipient and participant surveys.

(b) Track progress toward pre-established objectives. Objectives must be established by programs and approved by the Corporation. Programs must submit to the Corporation (or the Corporation grantee as applicable) periodic performance reports.

(c) Collect and submit to the Corporation (through the Corporation grantee as applicable) the following data:

(d) Cooperate fully with all Corporation evaluation activities.

The Corporation will evaluate programs based on the following:

(a) The extent to which the program meets the objectives established and agreed to by the grantee and the Corporation before the grant award.
§ 2516.850 What will the Corporation do to evaluate the overall success of the service-learning program?

(a) The Corporation will conduct independent evaluations. These evaluations will consider the opinions of participants and members of the communities where services are delivered. If appropriate, these evaluations will compare participants with individuals who have not participated in service-learning programs. These evaluations will—

(1) Study the extent to which service-learning programs as a whole affect the involved communities;
(2) Determine the extent to which service-learning programs as a whole increase academic learning of participants, enhance civic education, and foster continued community involvement; and
(3) Determine the effectiveness of different program models.

(b) The Corporation will also determine by June 30, 1995, whether outcomes of service-learning programs are defined and measured appropriately, and the implications of the results from such a study for authorized funding levels.

§ 2516.860 Will information on individual participants be kept confidential?

(a) Yes. The Corporation will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in §2516.840. § 2517.700 Are matching funds required?

(a) Yes. The Corporation share of the cost of carrying out a program funded under this part may not exceed—

(1) Ninety percent of the total cost for the first year for which the program receives assistance;

(2) Eighty percent of the total cost for the second year;

(3) Seventy percent of the total cost for the third year; and

(4) Fifty percent of the total cost for the fourth year and any subsequent year.

(b) In providing for the remaining share of the cost of carrying out a program, each recipient of assistance must provide for that share through a payment in cash or in kind, fairly evaluated, including facilities, equipment, or services, and may provide for that share through State sources, local sources, or Federal sources (other than funds made available under the national service laws).

(c) However, the Corporation may waive the requirements of paragraph (b) of this section in whole or in part with respect to any program in any fiscal year if the Corporation determines that the waiver would be equitable due to lack of available financial resources at the local level.

§ 2517.710 Are there limits on the use of funds?

Yes. The following limits apply to funds available under this part:

(a) (1) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(2) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(i) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(A) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation’s award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

(b) (1) An SEA or Indian tribe must spend between ten and 15 percent of the grant to build capacity through training, technical assistance, curriculum development, and coordination activities.

(2) The Corporation may waive this requirement in order to permit an SEA or a tribe to use between ten percent and 20 percent of the grant funds to build capacity. To be eligible to receive the waiver, the SEA or tribe must submit an application to the Corporation.

(c) Funds made available under this part may not be used to pay any stipend, allowance, or other financial support to any participant in a service-learning program under this part except reimbursement for transportation, meals, and other reasonable out-of-pocket expenses directly related to participation in a program assisted under this part.

[63 FR 18137, Apr. 14, 1998]

§ 2517.720 What is the length of a grant?

A grant under this part is for a period of up to three years, subject to satisfactory performance and annual appropriations.
§ 2517.730 May an applicant submit more than one application to the Corporation for the same project at the same time?

(c) However, the Corporation may waive the requirements of paragraph (b) of this section in whole or in part with respect to any program in any fiscal year if the Corporation determines that the waiver would be equitable due to lack of available financial resources at the local level.

§ 2519.710 Are there limits on the use of funds?

Yes. The following limits apply to funds available under this part:

(a) (1) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in § 2510.20 of this chapter.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

Moreover, the approved AmeriCorps activities must result in a specific identifiable service or improvement that otherwise would not be provided with existing funds or volunteers and that does not duplicate the routine functions of workers or displace paid employees. Programs must develop service opportunities that are appropriate to the skill levels of participants and that provide a demonstrable, identifiable benefit that is valued by the community.

(b) In certain circumstances, some activities may not provide a direct benefit to the communities in which service is performed. Such activities may
include, but are not limited to, clerical work and research. However, a participant may engage in such activities if the performance of the activity is incidental to the participant’s provision of service that does provide a direct benefit to the community in which the service is performed.

§ 2520.30 Are there any activities that are prohibited?

Yes. Some activities are prohibited altogether. Although all prohibited activities may be performed voluntarily by participants on their own time, they may not be performed by participants in the course of their duties, at the request of program staff, or in a manner that would associate the activities with the AmeriCorps program or the Corporation. These activities include:

(a) Any effort to influence legislation, as prohibited under section 501(c) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c));

(2) A labor union;
(3) A partisan political organization;
(4) A nonprofit organization that fails to comply with the restrictions contained in section 501(c) of the Internal Revenue Code of 1986 except that nothing in this section shall be construed to prevent participants from engaging in advocacy activities undertaken at their own initiative; and
(h) Such other activities as the Corporation may prohibit.

§ 2521.10 Who may apply to receive an AmeriCorps grant?

(a) States (including Territories), subdivisions of States, Indian tribes, public or private nonprofit organizations (including labor organizations), and institutions of higher education are eligible to apply for AmeriCorps grants. However, the fifty States, the District of Columbia and Puerto Rico must first receive Corporation authorization for the use of a State Commission or alternative administrative or transitional entity pursuant to part 2550 of this chapter in order to be eligible for an AmeriCorps grant.

(b) The Corporation may also enter into contracts or cooperative agreements for AmeriCorps assistance with Federal agencies that are Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies may only receive assistance pursuant to a contract or agreement with the central department or agency. The requirements relating to Federal agencies are described in part 2523 of this chapter.
§ 2521.30 What types of AmeriCorps program grants are available for award?

The Corporation may make the following types of grants to eligible applicants. The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) Planning grants.—(1) Purpose. The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) Eligibility. (i) States may apply directly to the Corporation for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) Duration. A planning grant will be negotiated for a term not to exceed one year.

(b) Operational grants.—(1) Purpose. The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. An operational grant may include AmeriCorps educational awards. An operational grant may also include a short planning period of up to six months, if necessary, to implement a program.

(2) Eligibility. (i) States may apply directly to the Corporation for operational grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including labor organizations), and institutions of higher education may apply either to a State or directly to the Corporation for planning grants.

(3) Duration. A planning grant will be negotiated for a term not to exceed one year.

(c) AmeriCorps Educational Awards Only.—(1) Purpose. The purpose of these awards is to provide AmeriCorps educational awards to programs that are not receiving or applying to the Corporation for program assistance but that meet the criteria for approved AmeriCorps positions, and desire to provide an AmeriCorps educational award to participants serving in approved positions.

(2) Eligibility. States, subdivisions of States, Indian Tribes, Federal agencies, public or private nonprofit organizations (including labor organizations), and institutions of higher education may apply directly to the Corporation for AmeriCorps educational awards only.

(d) Replication Grants. The Corporation may provide assistance for the replication of an existing national service program to another geographical location.

(e) Training, technical assistance and other special grants.—(1) Purpose. The purpose of these grants is to ensure broad access to AmeriCorps programs for all Americans, including those with disabilities; support disaster relief efforts; assist efforts to secure private support for programs through challenge grants; and ensure program quality by supporting technical assistance and training programs.

(2) Eligibility. Eligibility varies and is detailed under 45 CFR part 2524, “Technical Assistance and Other Special Grants.”

(3) Duration. Grants will be negotiated for a renewable term of up to three years.

§ 2521.30 How will AmeriCorps program grants be awarded?

In any fiscal year, the Corporation will award AmeriCorps program grants as follows:

(a) Grants to State Applicants. (1) For the purposes of this section, the term “State” means the fifty States, Puerto Rico, and the District of Columbia.

(2) One-third of the funds available under this part and a corresponding allotment of AmeriCorps educational
§2521.30

awards, as specified by the Corporation, will be distributed according to a population-based formula to the 50 States, Puerto Rico and the District of Columbia if they have applications approved by the Corporation.

(3) At least one-third of funds available under this part and an appropriate number of AmeriCorps awards, as determined by the Corporation, will be awarded to States on a competitive basis. In order to receive these funds, a State must receive funds under paragraphs (a)(2) or (b)(1) of this section in the same fiscal year.

(4) In making subgrants with funds awarded by formula or competition under paragraphs (a) (2) or (3) of this section, a State must: (i) Provide a description of the process used to select programs for funding including a certification that the State or other entity used a competitive process and criteria that were consistent with the selection criteria in §2522.410 of this chapter. In making such competitive selections, the State must ensure the equitable allocation within the State of assistance and approved AmeriCorps positions provided under this subtitle to the State taking into consideration such factors as the location of the programs applying to the State, population density, and economic distress; (ii) Provide a written assurance that not less than 60 percent of the assistance provided to the State will be used to make grants in support of AmeriCorps programs other than AmeriCorps programs carried out by the State or a State agency. The Corporation may permit a State to deviate from this percentage if the State demonstrates that it did not receive a sufficient number of acceptable applications; and (iii) Ensure that a minimum of 50 percent of funds going to States will be used for programs that operate in the areas of need or on Federal or other public lands, and that place a priority on recruiting participants who are residents in high need areas, or on Federal or other public lands. The Corporation may waive this requirement for an individual State if at least 50 percent of the total amount of assistance to all States will be used for such programs.

(b) Grants to Applicants other than States. (1) One percent of available funds will be distributed to the U.S. Territories\(^1\) that have applications approved by the Corporation according to a population-based formula.\(^2\)

(2) One percent of available funds will be reserved for distribution to Indian tribes on a competitive basis.

(3) The Corporation will use any funds available under this part remaining after the award of the grants described in paragraphs (a) and (b)(1) and (2) of this section to make direct competitive grants to subdivisions of States, Indian tribes, public or private nonprofit organizations (including labor organizations), institutions of higher education, and Federal agencies. No more than one-third of the these remaining funds may be awarded to Federal agencies.

(c) Allocation of AmeriCorps educational awards only. The Corporation will determine on an annual basis the appropriate number of educational awards to make available for eligible applicants who have not applied for program assistance.

(d) Effect of States’ or Territories’ failure to apply. If a State or U.S. Territory does not apply for or fails to give adequate notice of its intent to apply for a formula-based grant as announced by the Corporation and published in applications and the Notice of Funds Availability, the Corporation will use the amount of that State’s allotment to make grants to eligible entities to carry out AmeriCorps programs in that State or Territory. Any funds remaining from that State’s allotment after making such grants will be reallocated to the States, Territories, and Indian tribes with approved AmeriCorps applications at the Corporation’s discretion.

\(^1\)The United States Virgin Islands, Guam, American Samoa, the Commonwealth of the Northern Mariana Islands, and Palau (until such time as the Compact of Free Association with Palau is ratified).

\(^2\)The amount allotted as a grant to each such territory or possession is equal to the ratio of each such Territory’s population to the population of all such territories multiplied by the amount of the one percent set-aside.
Corporation for National and Community Service

Pt. 2522

(e) Effect of rejection of State application. If a State’s application for a formula-based grant is ultimately rejected by the Corporation pursuant to §2522.320 of this chapter, the State’s allotment will be available for redistribution by the Corporation to the States, Territories, and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

(f) The Corporation will make grants for training, technical assistance and other special programs described in part 2524 of this chapter at the Corporation’s discretion.

(g) Matching funds.—(1) Requirements.
(i) The matching requirements for participant benefits are specified in §2522.240(b)(5) of this chapter.
(ii) The Corporation share of other AmeriCorps program costs may not exceed 75 percent, whether the assistance is provided directly or as a subgrant from the original recipient of the assistance.
(iii) These matching requirements apply only to programs receiving assistance under parts 2521 through 2524 of this chapter.

(2) Calculation. In providing for the remaining share of other AmeriCorps program costs, the program—
(i) Must provide for its share through a payment in cash or in kind, fairly evaluated, including facilities, equipment, or services; and
(ii) May provide for its share through State sources, local sources, or other Federal sources (other than funds made available by the Corporation).

(3) Limitation on cost of health care. A program may not count more than 85 percent of a cash payment for the cost of providing a health care policy toward its 15 percent remaining share under paragraph (g)(2)(i) of this section.

(4) Waiver. The Corporation reserves the right to waive, in whole or in part, the requirements of paragraph (g)(1) of this section if the Corporation determines that a waiver would be equitable due to a lack of available financial resources at the local level.

(h)(1) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in §2510.20 of this chapter.

(2) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:
(i) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—
(A) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and
(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation’s award;
(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or
(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

The Corporation may also specify a minimum percentage of participants to be selected from the national leadership pool established under §2522.210(c). The Corporation may vary either percentage for different types of AmeriCorps programs;

(h) Provide reasonable accommodation, including auxiliary aids and services (as defined in section 3(1) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12102(1)) based on the individualized need of a participant who is a qualified individual with a disability (as defined in section 101(8) of such Act (42 U.S.C. 12111(8))). For the purpose of complying with this provision, AmeriCorps programs may apply for additional financial assistance from the Corporation pursuant to §2524.40 of this chapter;

(i) Use service experiences to help participants achieve the skills and education needed for productive, active citizenship, including the provision, if appropriate, of structured opportunities for participants to reflect on their service experiences. In addition, all programs must encourage every participant who is eligible to vote to register prior to completing a term of service;

(j) Provide participants in the program with the training, skills, and knowledge necessary to perform the tasks required in their respective projects, including, if appropriate, specific training in a particular field and background information on the community, including why the service projects are needed;

(k) Provide support services—

(1) To participants who are completing a term of service and making the transition to other educational and career opportunities; and

(2) To those participants who are school dropouts in order to assist them in earning the equivalent of a high school diploma;
(l) Ensure that participants serving in approved AmeriCorps positions receive the living allowance and other benefits described in §§2522.240 through 2522.250 of this chapter;

(m) Describe the manner in which the AmeriCorps educational awards will be apportioned among individuals serving in the program. If a program proposes to provide such benefits to less than 100 percent of the participants in the program, the program must provide a compelling rationale for determining which participants will receive the benefits and which participants will not. AmeriCorps programs are strongly encouraged to offer alternative post-service benefits to participants who will not receive AmeriCorps educational awards, however AmeriCorps grant funds may not be used to provide such benefits;

(n) Agree to identify the program, through the use of logos, common application materials, and other means (to be specified by the Corporation), as part of a larger national effort and to participate in other activities such as common opening ceremonies (including the administration of a national oath or affirmation), service days, and conferences designed to promote a national identity for all AmeriCorps programs and participants, including those participants not receiving AmeriCorps educational awards. This provision does not preclude an AmeriCorps program from continuing to use its own name as the primary identification, or from using its name, logo, or other identifying materials on uniforms or other items;

(o) Agree to begin terms of service at such times as the Corporation may reasonably require and to comply with any restrictions the Corporation may establish as to when the program may take to fill an approved AmeriCorps position left vacant due to attrition;

(p) Comply with all evaluation procedures specified by the Corporation, as explained in §§2522.500 through 2522.560;

(q) In the case of a program receiving funding directly from the Corporation, meet and consult with the State Commission for the State in which the program operates, if possible, and submit a copy of the program application to the State Commission; and

(r) Address any other requirements as specified by the Corporation.

Subpart B—Participant Eligibility, Requirements, and Benefits

§ 2522.200 What are the eligibility requirements for an AmeriCorps participant?

(a) Eligibility. An AmeriCorps participant must—

1. Be at least 17 years of age at the commencement of service; or (ii) Be an out-of-school youth 16 years of age at the commencement of service participating in a program described in §2522.110(b)(3) or (g);
2. Have a high school diploma or its equivalent; or (ii) Have not dropped out of elementary or secondary school to enroll as an AmeriCorps participant and must agree to obtain a high school diploma or its equivalent prior to using the education award; or

(3) A passport indicating that the INS has approved it as temporary evidence of lawful admission for permanent residence; or
(4) A Departure Record (INS Form I–94) indicating that the INS has approved it as temporary evidence of lawful admission for permanent residence.

(d) Secondary documentation. If primary documentation is not available, the program must obtain written approval from the Corporation that other documentation is sufficient to demonstrate the individual’s status as a U.S. citizen, U.S. national, or lawful permanent resident alien.

§ 2522.210 How are AmeriCorps participants recruited and selected?

(a) Local recruitment and selection. In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection criteria will vary widely among the different programs. Nevertheless, AmeriCorps programs must select their participants in a fair and non-discriminatory manner which complies with part 2540 of this chapter. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) National and State recruitment and selection. The Corporation and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.). The national and state recruitment and placement system will be designed and operated according to Corporation guidelines.

(2) Dissemination of information. The Corporation and State Commissions will disseminate information regarding available approved AmeriCorps positions through cooperation with secondary schools, institutions of higher education, employment service offices, community-based organizations, State vocational rehabilitation agencies within the meaning of the Rehabilitation Act of 1973 (29 U.S.C. 701 et seq.) and other State agencies that primarily serve qualified individuals with disabilities, and other appropriate entities, particularly those organizations that provide outreach to disadvantaged youths and youths who are qualified individuals with disabilities.

(c) National leadership pool—(1) Selection and training. From among individuals recruited under paragraph (b) of this section or nominated by service programs, the Corporation may select individuals with significant leadership potential, as determined by the Corporation, to receive special training to enhance their leadership ability. The leadership training will be provided by the Corporation directly or through a grant, contract, or cooperative agreement as the Corporation determines.

(2) Emphasis on certain individuals. In selecting individuals to receive leadership training under this provision, the Corporation will make special efforts to select individuals who have served—
(i) In the Peace Corps;
(ii) As VISTA volunteers;
(iii) As participants in AmeriCorps programs receiving assistance under parts 2520 through 2524 of this chapter;
(iv) As participants in National Service Demonstration programs that received assistance from the Commission on National and Community Service; or
(v) As members of the Armed Forces of the United States and who were honorably discharged from such service.

(3) Assignment. At the request of a program that receives leadership training under paragraph (c)(1) of this section to work with the program in a leadership position and carry out assignments not otherwise performed by regular participants. An individual assigned to a program will be considered to be a participant of the program.
§ 2522.220 What are the required terms of service for AmeriCorps participants, and may they serve for more than one term?

(a) Term of service. In order to be eligible for the educational award described in §2522.240(a), participants serving in approved AmeriCorps positions must complete a term of service as defined in this section:

(1) Full-time service. 1,700 hours of service during a period of not less than nine months and not more than one year;

(2) Part-time service. 900 hours of service during a period of not more than two years, or, if the individual is enrolled in an institution of higher education while performing all or a portion of the service, not more than three years.

(3) Reduced part-time term of service. The Corporation may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-case, individual basis as determined by the Corporation.

(b) Restriction on multiple terms. An AmeriCorps participant may only receive the benefits described in §§2522.240 through 2522.250 for the first two successfully-completed terms of service, regardless of whether those terms were served on a full-, part-, or reduced part-time basis.

(c) Eligibility for second term. A participant will only be eligible to serve a second or additional term of service if that individual has received satisfactory performance review(s) for any previous term(s) of service in accordance with the requirements of paragraph (d) of this section. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(d) Participant performance review. For the purposes of determining a participant’s eligibility for a second or additional term of service and/or for an AmeriCorps educational award, each AmeriCorps program will evaluate the performance of a participant mid-term and upon completion of a participant’s term of service. The end-of-term performance evaluation will assess the following: (1) Whether the participant has completed the required number of hours described in paragraph (a) of this section;

(2) Whether the participant has satisfactorily completed assignments, tasks or projects; and

(3) Whether the participant has met any other performance criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

(e) Limitation. The Corporation may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1), (a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities

(f) Grievance procedure. Any AmeriCorps participant wishing to contest a program’s ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

§ 2522.230 Under what circumstances may AmeriCorps participants be released from completing a term of service, and what are the consequences?

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances as demonstrated by the participant, or for cause.

(a) Release for compelling personal circumstances. (1) An AmeriCorps program may release a participant upon a determination by the program, consistent with the criteria listed in paragraphs (a)(5) through (a)(6) of this section,
that the participant is unable to complete the term of service because of compelling personal circumstances.

(2) A participant who is released for compelling personal circumstances and who completes at least 15 percent of the required term of service is eligible for a pro-rated education award.

(3) The participant has the primary responsibility for demonstrating that compelling personal circumstances prevent the participant from completing the term of service.

(4) The program must document the basis for any determination that compelling personal circumstances prevent a participant from completing a term of service.

(5) Compelling personal circumstances include:

   (i) Those that are beyond the participant’s control, such as, but not limited to:
       (A) A participant’s disability or serious illness;
       (B) Disability, serious illness, or death of a participant’s family member if this makes completing a term unreasonably difficult or impossible; or
       (C) Conditions attributable to the program or otherwise unforeseeable and beyond the participant’s control, such as a natural disaster, a strike, relocation of a spouse, or the nonrenewal or premature closing of a project or program, that make completing a term unreasonably difficult or impossible;
   
   (ii) Those that the Corporation, for public policy reasons, determined as such, including:
       (A) Military service obligations;
       (B) Acceptance by a participant of an opportunity to make the transition from welfare to work; or
       (C) Acceptance of an employment opportunity by a participant serving in a program that includes in its approved objectives the promotion of employment among its participants.

(6) Compelling personal circumstances do not include leaving a program:

   (i) To enroll in school;
   
   (ii) To obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants; or

   (iii) Because of dissatisfaction with the program.

(7) As an alternative to releasing a participant, an AmeriCorps*State/National program may, after determining that compelling personal circumstances exist, suspend the participant’s term of service for up to two years (or longer if approved by the Corporation based on extenuating circumstances) to allow the participant to complete service with the same or similar AmeriCorps program at a later time.

(b) Release for cause.

(1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual’s release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps*State/National participant released for cause may contest the program’s decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual’s service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(c) Suspended service.

(1) A program must suspend the service of an individual who faces an official charge of a

§ 2522.240 What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) AmeriCorps educational awards. An individual serving in an approved AmeriCorps position will receive an educational award from the National Service Trust upon successful completion of each of up to two terms of service as defined in §2522.220.

(b) Living allowances—(1) Amount. Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided pursuant to §2521.30 of this chapter, including an AmeriCorps program that receives educational awards only pursuant to §2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance provided to VISTA volunteers under §105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) Maximum living allowance. With the exception of a professional corps described in §2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the maximum, subject to the following conditions: (i) Corporation assistance may not be used to pay for any portion of the allowance; and (ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application directly to the Corporation, and may not be included in a State’s application for the AmeriCorps program funds distributed by formula, or competition described in §§2521.30(a)(2) and (a)(3) of this chapter.

(3) Living allowances for part-time participants. Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under §2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) Waiver or reduction of living allowance. The Corporation may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of the Corporation that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of living (including food, housing, and transportation) in the area in which the program is located.

(5) Limitation on Federal share. The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows: (i) In no case may
the Federal share exceed 85% of the minimum required living allowance enumerated in paragraph (b)(1) of this section.

(ii) For professional corps described in paragraph (b)(2)(i) of this section, Corporation and other Federal funds may be used to pay for no portion of the living allowance.

(iii) If the minimum living allowance requirements have been waived or reduced pursuant to paragraph (b)(4) of this section and the amount of the living allowance provided to a participant has been reduced correspondingly—

(A) In general, the Federal share may not exceed 85% of the reduced living allowance; however,

(B) If a participant is serving in a program that provides room or board, the Corporation will consider on a case-by-case basis allowing the portion of that living allowance that may be paid using Corporation and other Federal funds to be between 85% and 100%.

§ 2522.250 What other benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) Child Care. Grantees must provide child care through an eligible provider or a child care allowance in an amount determined by the Corporation to those full-time participants who need child care in order to participate.

(1) Need. A participant is considered to need child care in order to participate in the program if he or she: (i) Is the parent or legal guardian of, or is acting in loco parentis for, a child under 13 who resides with the participant;

(ii) Has a family income that does not exceed 75 percent of the State’s median income for a family of the same size;

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian, which would continue to be provided while the participant serves in the program; and

(iv) Certifies that he or she needs child care in order to participate in the program.

(2) Provider eligibility. Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858a(5)).

(3) Child care allowance. The amount of the child care allowance will be determined by the Corporation based on payment rates for the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

(4) Corporation share. The Corporation will pay 10 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less.

(b) Health care. (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by the Corporation;

(ii) Provides the alternative minimum benefits determined by the Corporation; or

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits.

(2) Participant eligibility. A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by the Corporation at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits.

(3) Corporation share. (i) Except as provided in paragraph (b)(3)(ii) of this section, the Corporation will pay up to 85% of the cost of health care coverage that includes the minimum or alternative minimum benefits and is not excessive in cost.

(ii) The Corporation will pay no share of the cost of a policy that does not provide the minimum or alternative...
minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

Subpart C—Application Requirements

§ 2522.300 What are the application requirements for AmeriCorps program grants?

All eligible applicants seeking AmeriCorps program grants must—

(a) Provide a description of the specific program(s) being proposed, including the type of program and of how it meets the minimum program requirements described in §2522.100; and

(b) Comply with any additional requirements as specified by the Corporation in the application package.

§ 2522.310 What are the application requirements for AmeriCorps educational awards only?

(a) Eligible applicants may apply for AmeriCorps educational awards only for one of the following eligible service positions: (1) A position for a participant in an AmeriCorps program that:

(i) Is carried out by an entity eligible to receive support under part 2521 of this chapter;

(ii) Would be eligible to receive assistance under this part, based on criteria established by the Corporation, but has not applied for such assistance;

(2) A position facilitating service-learning in a program described in parts 2515 through 2519 of this chapter;

(3) A position involving service as a crew leader in a youth corps program or a similar position supporting an AmeriCorps program; and

(4) Such other AmeriCorps positions as the Corporation considers to be appropriate.

(b) Because programs applying only for AmeriCorps educational awards must, by definition, meet the same basic requirements as other approved AmeriCorps programs, applicants must comply with the same application requirements specified in §2522.300.

§ 2522.320 May an applicant submit more than one application to the Corporation for the same project at the same time?

No. The Corporation will reject an application for a project if an application for funding or educational awards for the same project is already pending before the Corporation.

Subpart D—Selection of AmeriCorps Programs

§ 2522.400 How will the basic selection criteria be applied?

From among the eligible programs that meet the minimum program requirements and that have submitted applications to the Corporation, the Corporation must select the best ones to receive funding. Although there is a wide range of factors that must be taken into account during the selection process, there are certain fundamental selection criteria that apply to all programs in each grant competition, regardless of whether they receive funding or educational awards directly or through subgrants. States and other subgranting applicants are required to use these criteria during the competitive selection of subgrantees. The Corporation may adjust the relative weight given to each criterion. (Additional and more specific criteria will be published in the applications).

§ 2522.410 What are the basic selection criteria for AmeriCorps programs?

The Corporation will consider how well the program will be able to achieve the three impacts mentioned in paragraph (a) of this section as demonstrated by the program design, the capacity of the organization to carry it out and other factors relating to need. The Corporation will also consider the extent to which the program contributes to the overall diversity of programs desired by the Corporation. These criteria are discussed in this section. Additional detail relating to these criteria may be published in any notice of availability of funding.

(a) Program impacts. The Corporation will consider the extent to which the
Corporation for National and Community Service §2522.410

program: (1) Achieves direct and demonstrable results;
(2) Strengthens communities; and
(3) Promotes citizenship and increases educational opportunities for participants.

(b) Program Criteria.—(1) Program design. The Corporation will consider four factors relating to the program design:
(i) The quality of the program proposed to be carried out directly by the applicant or supported by a grant from the applicant;
(ii) The innovative aspects of the AmeriCorps program;
(iii) The feasibility of replicating the program; and
(iv) The sustainability of the program, based on evidence such as the existence of strong and broad-based community support for the program and of multiple funding sources or private funding.

(2) Organizational capacity. The Corporation will also consider an organization’s capacity to carry out the program based on—
(i) The quality of the leadership of the AmeriCorps program;
(ii) The past performance of the organization or program; and
(iii) The extent to which the program builds on existing programs.

(c) Need criteria. In selecting programs, the Corporation will take into consideration the extent to which projects address State-identified issue priorities (if the program will be funded out of formula funds) or national priorities (if the program will be funded out of competitive funds), and whether projects would be conducted in areas of need.

(1) Issue priorities. In order to concentrate national efforts on meeting certain educational, public safety, human, or environmental needs, and to achieve the other purposes of this Act, the Corporation will establish, and after review of the strategic plan approved by the Board, periodically alter priorities regarding the AmeriCorps programs that will receive assistance (funding or approved AmeriCorps positions) provided on a formula basis as described in §2521.30(a)(2) of this chapter. The State priorities will be subject to Corporation review as part of the application process under part 2521 of this chapter.

(ii) The Corporation will provide advance notice to potential applicants of any AmeriCorps priorities to be in effect for a fiscal year. The notice will describe any alternation made in the priorities since the previous notice. If a program receives multi-year funding based on conformance to national or state priorities and such priorities are altered after the first year of funding, the program will not be adversely affected due to the change in priorities until the term of the grant is ended.

(2) Areas of need. Areas of need are: (i) Communities designated by the Federal government or States as empowerment zones or redevelopment areas, targeted for special economic incentives, or otherwise identifiable as having high concentrations of low-income people;
(ii) Areas that are environmentally distressed;

(iv) Areas adversely affected by reductions in defense spending or the closure or realignment of military installations; and
(v) Areas that have an unemployment rate greater than the national average unemployment rate for the most recent 12 months for which satisfactory data are available.

(d) Contribution to overall diversity of programs funded by the Corporation. The Corporation will select programs that will help to achieve participant, program type, and geographic diversity across programs.

(e) Additional considerations. The Corporation may publish in any notice of
availability of funding additional factors that it may take into consideration in selecting programs, including any additional priorities applicable to any or all funds.

§ 2522.420 Can a State’s application for formula funds be rejected?

Yes. Formula funds are not an entitlement.

(a) Notification. If the Corporation rejects an application submitted by a State Commission under part 2550 of this chapter for funds described in § 2521.30 of this chapter, the Corporation will promptly notify the State Commission of the reasons for the rejection of the application.

(b) Revision. The Corporation will provide a State Commission notified under paragraph (a) of this section with a reasonable opportunity to revise and resubmit the application. At the request of the State Commission, the Corporation will provide technical assistance to the State Commission as part of the resubmission process. The Corporation will promptly reconsider an application resubmitted under this paragraph.

(c) Redistribution. The amount of any State’s allotment under § 2521.30(a) of this chapter for a fiscal year that the Corporation determines will not be provided for that fiscal year will be available for redistribution by the Corporation to the States, Territories and Indian Tribes with approved AmeriCorps applications as the Corporation deems appropriate.

The cost of independent evaluations is allowable.

§ 2522.520 What types of internal evaluation activities are required of programs?

Programs are required to: (a) Continuously assess management effectiveness, the quality of services provided, and the satisfaction of both participants and persons served. Internal evaluation activities should seek frequent feedback and provide for quick correction of weaknesses. The Corporation encourages programs to use internal evaluation methods such as community advisory councils, participant advisory councils, peer reviews, quality control inspections, and customer and participant surveys;

(b) Track progress toward objectives. Objectives will be established by programs and approved by the Corporation. Programs must submit to the Corporation (or State or grantmaking entity as applicable) periodic performance reports and, as part of an annual report, an annual performance report;

§ 2522.550 What will the Corporation do to evaluate the overall success of the AmeriCorps programs?

(a) The Corporation will conduct independent evaluations of programs, including in-depth studies of selected programs. § 2523.10 Are Federal agencies eligible to apply for AmeriCorps program funds?

The Corporation may transfer funds available to it to other Federal agencies.

§ 2523.20 Which Federal agencies may apply for such funds?
The Corporation will consider applications only from Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies can only apply through the central department or agency; however, it is possible for the department or agency to submit an application proposing more than one program.

§ 2523.40 For what purposes should Federal agencies use AmeriCorps program funds?
AmeriCorps funds should enable Federal agencies to establish programs that leverage agencies’ existing resources and grant-making powers toward the goal of integrating service more fully into agencies’ programs and activities. Agencies should plan to ultimately support new service initiatives out of their own budgets and appropriations.

§ 2523.50 What types of funds are Federal agencies eligible to receive?
Federal agencies may apply for planning and operating funds subject to the terms established by the Corporation in §2521.20 of this chapter, except that operating grants will be awarded with the expectation that the Federal agencies will support the proposed programs from their own budgets once the Corporation grant(s) expire.

§ 2523.70 Will the Corporation give special consideration to Federal agency applications that address certain needs?
Yes. The Corporation will give special consideration to those applications that address the national priorities established by the Corporation. The Corporation may also give special consideration to those applications that demonstrate the agency’s intent to leverage its own funds through a Corporation-approved partnership or consortium, by raising other funds from Federal or non-Federal sources, by giving grantees incentives to build service opportunities into their programs, by committing appropriate in-kind resources, or by other means.

§ 2523.80 Are there restrictions on the use of Corporation funds?
Yes. The supplantation and non-displacement provisions specified in part 2540 of this chapter apply to the Federal AmeriCorps programs supported with such assistance.
§ 2523.90 Is there a matching requirement for Federal agencies?

No. A Federal agency is not required to match funds in programs that receive support under this chapter. However, Federal agency subgrantees are required to match funds in accordance with the requirements of §2521.30(g) and §2522.240(b)(5) of this chapter.

§ 2523.100 Are participants in programs operated by Federal agencies Federal employees?

§ 2523.110 Can Federal agencies submit multiple applications?

No. The Corporation will only consider one application from a Federal agency for each AmeriCorps competition. The application may propose more than one program, however, and the Corporation may choose to fund any or all of those programs.

§ 2523.120 Must Federal agencies consult with State Commissions?

Yes. Federal agencies must provide a description of the manner in which the proposed AmeriCorps program(s) is coordinated with the application of the State in which the projects will be conducted. Agencies must also describe proposed efforts to coordinate AmeriCorps activities with State Commissions and other funded AmeriCorps programs within the State in order to build upon existing programs and not duplicate efforts.

(1) For conviction of the possession of a controlled substance, the ineligibility periods are—

(d) Contracts or collective bargaining agreements. Corporation assistance may not be used to impair existing contracts for services or collective bargaining agreements.

(e) Nonduplication. Corporation assistance may not be used to duplicate an activity that is already available in the locality of a program. And, unless the requirements of paragraph (f) of this section are met, Corporation assistance will not be provided to a private nonprofit entity to conduct activities that are the same or substantially equivalent to activities provided by a State or local government agency in which such entity resides.

(f) Nondisplacement. (1) An employer may not displace an employee or position, including partial displacement such as reduction in hours, wages, or employment benefits, as a result of the use by such employer of a participant in a program receiving Corporation assistance.

§ 2540.200 Under what circumstances may participants be engaged?

A State may not engage a participant to serve in any program that receives Corporation assistance unless and until amounts have been appropriated under section 501 of the Act (42 U.S.C. 12681) for the provision of AmeriCorps educational awards and for the payment of other necessary expenses and costs associated with such participant.

(2) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.

(3) In applying the limitation on administrative costs the Corporation will approve one of the following methods in the award document:

(i) Limit the amount or rate of indirect costs that may be paid with Corporation funds under a grant or subgrant to five percent of total Corporation funds expended, provided that—

(A) Organizations that have an established indirect cost rate for Federal awards will be limited to this method; and

(B) Unreimbursed indirect costs may be applied to meeting operational matching requirements under the Corporation's award;

(ii) Specify that a fixed rate of five percent or less (not subject to supporting cost documentation) of total Corporation funds expended may be used to pay for administrative costs, provided that the fixed rate is in conjunction with an overall 15 percent administrative cost factor to be used for organizations that do not have established indirect cost rates; or

(iii) Utilize such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

(b) Costs attributable to administrative functions as well as program functions should be prorated between administrative costs and program costs.

[63 FR 18138, Apr. 14, 1998]
§ 2540.210 What provisions exist to ensure that Corporation-supported programs do not discriminate in the selection of participants and staff?

(a) An individual with responsibility for the operation of a project that receives Corporation assistance must not discriminate against a participant in, or member of the staff of, such project on the basis of race, color, national origin, sex, age, or political affiliation of such participant or member, or on the basis of disability, if the participant or member is a qualified individual with a disability.

(c) An individual with responsibility for the operation of a project that receives Corporation assistance may not discriminate on the basis of religion against a participant in such project or a member of the staff of such project who is paid with Corporation funds. § 2540.220 Under what circumstances and subject to what conditions are participants in Corporation-assisted programs eligible for family and medical leave?

(a) Participants in State, local, or private nonprofits programs. A participant in a State, local, or private nonprofit program receiving support from the Corporation is considered an eligible employee of the program’s project sponsor under the Family and Medical Leave Act of 1993 (29 CFR part 825) if—

(2) The program’s project sponsors engages in commerce or any industry or activity affecting commerce, and employs at least 50 employees for each working day during 20 or more calendar workweeks in the current or preceding calendar year.

(b) Participants in Federal programs. (c) General terms and conditions. Participants that qualify as eligible employees under paragraphs (a) or (b) of this section are entitled to take up to 12 weeks of unpaid leave during a 12 month period for any of the following reasons (in the cases of both paragraphs (c)(1) and (2) of this section the entitlement to leave expires 12 months after the birth or placement of such child): (1) The birth of a child to a participant;

(2) The placement of a child with a participant for adoption or foster care;

(3) The serious illness of a participant’s spouse, child or parent; or

(4) A participant’s serious health condition that makes that participant unable to perform his or her essential service duties (a serious health condition is an illness or condition that requires either inpatient care or continuing treatment by a health care provider).

(d) Intermittent leave or reduced service. The program, serving as the project sponsor, may allow a participant to take intermittent leave or reduce his or her service hours due to the birth of or placement of a child for adoption or foster care. The participant may also take leave to care for a seriously ill immediate family member or may take leave due to his or her own serious illness whenever it is medically necessary.
Corporation for National and Community Service § 2540.230

(e) Alternate placement. If a participant requests intermittent leave or a reduced service hours due to a serious illness or a family member’s sickness, and the need for leave is foreseeable based on planned medical treatment, the program, or project sponsor may temporarily transfer the participant to an alternative service position if the participant: (1) Is qualified for the position; and

(2) Receives the same benefits such as stipend or living allowance and the position better accommodates the participant’s recurring periods of leave.

(f) Certification of cause. A program, or project sponsor may require that the participant support a leave request with a certification from the health care provider of the participant or the participant’s family member. If a program sponsor requests a certification, the participant must provide it in a timely manner.

(g) Continuance of coverage. (1) If a State, local or private program provides for health insurance for the full-time participant, the sponsor must continue to provide comparable health coverage at the same level and conditions that coverage would have been provided for the duration of the participant’s leave.

(2) If the Federal program provides health insurance coverage for the full-time participant, the sponsor must also continue to provide the same health care coverage for the duration of the participant’s leave.

(h) Failure to return. If the participant fails to return to the program at the end of leave for any reason other than continuation, recurrence or onset of a serious health condition or other circumstances beyond his or her control, the program may recover the premium that he or she paid during any period of unpaid leave.

(i) Applicability to term of service. Any absence, due to family and medical leave, will not be counted towards the participant’s term of service.

§ 2540.230 What grievance procedures must recipients of Corporation assistance establish?

State and local applicants that receive assistance from the Corporation must establish and maintain a procedure for the filing and adjudication of grievances from participants, labor organizations, and other interested individuals concerning programs that receive assistance from the Corporation. A grievance procedure may include dispute resolution programs such as mediation, facilitation, assisted negotiation and neutral evaluation. If the grievance alleges fraud or criminal activity, it must immediately be brought to the attention of the Corporation’s inspector general.

(a) Alternative dispute resolution. (1) The aggrieved party may seek resolution through alternative means of dispute resolution such as mediation or facilitation. Dispute resolution proceedings must be initiated within 45 calendar days from the date of the alleged occurrence. At the initial session of the dispute resolution proceedings, the party must be advised in writing of his or her right to file a grievance and right to arbitration. If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a grievance in the matter under consideration.

(2) If mediation, facilitation, or other dispute resolution processes are selected, the process must be aided by a neutral party who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed upon dispute resolution agreement, the proceeding must be confidential.

(b) Grievance procedure for unresolved complaints. If the matter is not resolved within 30 calendar days from the date the informal dispute resolution process began, the neutral party must again inform the aggrieving party of his or her right to file a formal grievance. In the event an aggrieving party files a grievance, the neutral may not participate in the formal complaint process. In addition, no communication or proceedings of the informal dispute resolution process may be referred to or introduced into evidence at the grievance and arbitration hearing. Any decision...
§2540.300 by the neutral party is advisory and is
not binding unless both parties agree.

c) Time limitations. Except for a
grievance that alleges fraud or crimi-
nal activity, a grievance must be made
no later than one year after the date of
the alleged occurrence. If a hearing is
held on a grievance, it must be con-
ducted no later than 30 calendar days
after the filing of such grievance. A de-
cision on any such grievance must be
made no later than 60 calendar days
after the filing of the grievance.

d) Arbitration—(1) Arbitrator—(i) Joint
selection by parties. If there is an ad-
verse decision against the party who
filed the grievance, or 60 calendar days
after the filing of a grievance no deci-
sion has been reached, the filing party
may submit the grievance to binding
arbitration before a qualified arbi-
trator who is jointly selected and inde-
pendent of the interested parties.

(ii) Appointment by Corporation. If the
parties cannot agree on an arbitrator
within 15 calendar days after receiving
a request from one of the grievance
parties, the Corporation’s Chief Execu-
tive Officer will appoint an arbitrator
from a list of qualified arbitrators.

(2) Time Limits—(1) Proceedings. An ar-
bitration proceeding must be held no
later than 45 calendar days after the
request for arbitration, or, if the arbi-
trator is appointed by the Chief Execu-
tive Officer, the proceeding must occur
no later than 30 calendar days after the
arbitrator’s appointment.

(ii) Decision. A decision must be made
by the arbitrator no later than 30 cal-
endar days after the date the arbitra-
tion proceeding begins.

(3) The cost. The cost of the arbitra-
tion proceeding must be divided evenly
between the parties to the arbitration.
If, however, a participant, labor organi-
zation, or other interested individual
prevails under a binding arbitration
proceeding, the State or local appli-
cant that is a party to the grievance
must pay the total cost of the pro-
ceeding and the attorney’s fees of the
prevailing party.

e) Suspension of placement. If a griev-
ance is filed regarding a proposed
placement of a participant in a pro-
gram that receives assistance under
this chapter, such placement must not
be made unless the placement is con-
sistent with the resolution of the griev-
ance.

(f) Remedies. Remedies for a grievance
filed under a procedure established by a
recipient of Corporation assistance
may include—

(1) Prohibition of a placement of a
participant; and

(2) In grievance cases where there is
a violation of nonduplication or non-
displacement requirements and the em-
ployer of the displaced employee is the
recipient of Corporation assistance—

(i) Reinstatement of the employee to
the position he or she held prior to the
displacement;

(ii) Payment of lost wages and bene-
fits;

(iii) Re-establishment of other rele-
vant terms, conditions and privileges
of employment; and

(iv) Any other equitable relief that is
necessary to correct any violation of
the nonduplication or nondisplacement
requirements or to make the displaced
employee whole.

(g) Suspension or termination of assist-
ance. The Corporation may suspend or
terminate payments for assistance
under this chapter.

(h) Effect of noncompliance with arbi-
tration. A suit to enforce arbitration
awards may be brought in any Federal
district court having jurisdiction over
the parties without regard to the
amount in controversy or the parties’
citizenship.

Subpart C—Other Requirements
for Recipients of Corporation
Assistance

§2540.300 What must be included in
annual State reports to the Cor-
poration?

(a) In general. Each State receiving
assistance under this title must pre-
pare and submit, to the Corporation,
an annual report concerning the use of
assistance provided under this chapter
and the status of the national and com-

694

munity service programs in the State
that receive assistance under this
chapter. A State’s annual report must
include information that demonstrates
the State’s compliance with the re-

requirements of this chapter.
Corporation for National and Community Service

§ 2540.310 Must programs that receive Corporation assistance establish standards of conduct?
Yes. Programs that receive assistance under this title must establish and stringently enforce standards of conduct at the program site to promote proper moral and disciplinary conditions.

§ 2540.320 How are participant benefits treated?
Section 142(b) of the Job Training Partnership Act (29 U.S.C. 1552(b)) shall apply to the programs conducted under this chapter as if such programs were conducted under the Job Training Partnership Act (29 U.S.C. 1501 et seq.).

Subpart D—Suspension and Termination of Corporation Assistance

§ 2540.400 Under what circumstances will the Corporation suspend or terminate a grant or contract?
(a) Suspension of a grant or contract. In emergency situations, the Corporation may suspend a grant or contract for not more than calendar 30 days. Examples of such situations may include, but are not limited to: (1) Serious risk to persons or property; (2) Violations of Federal, State or local criminal statutes; and (3) Material violation(s) of the grant or contract that are sufficiently serious that they outweigh the general policy in favor of advance notice and opportunity to show cause.

(b) Termination of a grant or contract. The Corporation may terminate or revoke assistance for failure to comply with applicable terms and conditions of this chapter. However, the Corporation must provide the recipient reasonable notice and opportunity for a full and fair hearing, subject to the following conditions: (1) The Corporation will notify a recipient of assistance by letter or telegram that the Corporation intends to terminate or revoke assistance, either in whole or in part, unless the recipient shows good cause why such assistance should not be terminated or revoked. In this communication, the grounds and the effective date for the proposed termination or revocation will be described. The notice will be given at least 7 calendar days to submit written material in opposition to the proposed action.

(2) The recipient may request a hearing on a proposed termination or revocation. Providing five days notice to the recipient, the Corporation may authorize the conduct of a hearing or other meetings at a location convenient to the recipient to consider the proposed suspension or termination. A transcript or recording must be made of a hearing conducted under this section and be available for inspection by any individual.
§ 2541.10 Purpose and scope of this part.

This part establishes uniform administrative rules for Federal grants and cooperative agreements and subawards to State, local and Indian tribal governments.

§ 2541.20 Scope of subpart.

This subpart contains general rules pertaining to this part and procedures for control of exceptions from this part.

§ 2541.30 Definitions.

The following definitions apply to terms used in this part and part 2542 of this chapter.

Accrued expenditures. The term accrued expenditures means the charges incurred by the grantee during a given period requiring the provision of funds for:

1. Goods and other tangible property received;
2. Services performed by employees, contractors, subgrantees, subcontractors, and other payees; and
3. Other amounts becoming owed under programs for which no current services or performance is required, such as annuities, insurance claims, and other benefit payments.

Accrued income. The term accrued income means the sum of:

1. Earnings during a given period from services performed by the grantee and goods and other tangible property delivered to purchasers; and
2. Amounts becoming owed to the grantee for which no current services or performance is required by the grantee.

Acquisition cost. The term acquisition cost of an item of purchased equipment means the net invoice unit price of the property including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the grantee’s regular accounting practices.

Administrative requirements. The term administrative requirements means those matters common to grants in general, such as financial management, kinds and frequency of reports, and retention of records. These are distinguished from “programmatic” requirements, which concern matters that can be treated only on a program-by-program or grant-by-grant basis, such as kinds of activities that can be supported by grants under a particular program.

Awarding agency. The term awarding agency means:

1. With respect to a grant, the Federal agency; and
(2) With respect to a subgrant, the party that awarded the subgrant.

Cash contributions. The term cash contributions means the grantee’s cash outlay, including the outlay of money contributed to the grantee or subgrantee by other public agencies and institutions, and private organizations and individuals. When authorized by Federal legislation, Federal funds received from other assistance agreements may be considered as grantee or subgrantee cash contributions.

Contract. The term contract means (except as used in the definitions for “grant” and “subgrant” in this section and except where qualified by “Federal”) a procurement contract under a grant or subgrant, and means a procurement subcontract under a contract.

Cost sharing (or matching). The term cost sharing (or matching) means the value of the third party in-kind contributions and the portion of the costs of a federally assisted project or program not borne by the Federal Government.

Cost-type contract. The term cost-type contract means a contract or subcontract under a grant in which the contractor or subcontractor is paid on the basis of the costs it incurs, with or without a fee.

Equipment. The term equipment means tangible, nonexpendable, personal property having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. A grantee may use its own definition of equipment provided that such definition would at least include all equipment mentioned in this definition.

Expenditure report. The term expenditure report means:

(1) For nonconstruction grants, the SF–269 “Financial Status Report” (or other equivalent report);

(2) for construction grants, the SF–271 “Outlay Report and Request for Reimbursement” (or other equivalent report).

Federally recognized Indian tribal government. The term federally recognized Indian tribal government means the governing body or a governmental agency of any Indian tribe, band, nation, or other organized group or community (including any Native village as defined in section 3 of the Alaska Native Claims Settlement Act, 85 Stat. 688) certified by the Secretary of the Interior as eligible for the special programs and services provided by him through the Bureau of Indian Affairs.

Government. The term government means a State or local government or a federally recognized Indian tribal government.

Grant. The term grant means an award of financial assistance, including cooperative agreements, in the form of money, or property in lieu of money, by the Federal Government to an eligible grantee. The term does not include technical assistance which provides services instead of money, or other assistance in the form of revenue sharing, loans, loan guarantees, interest subsidies, insurance, or direct appropriations. Also, the term does not include assistance, such as a fellowship or other lump sum award, which the grantee is not required to account for.

Grantee. The term grantee means the government to which a grant is awarded and which is accountable for the use of the funds provided. The grantee is the entire legal entity even if only a particular component of the entity is designated in the grant award document.

Local government. The term local government means a county, municipality, city, town, township, local public authority (including any public and Indian housing agency under the United States Housing Act of 1937 (42 U.S.C. 1401 et seq.) school district, special district, intrastate district, council of governments (whether or not incorporated as a nonprofit corporation under state law), any other regional or interstate government entity, or any agency or instrumentality of a local government.

Obligations. The term obligations means the amounts of orders placed, contracts and subgrants awarded, goods and services received, and similar transactions during a given period that will require payment by the grantee during the same or a future period.

OMB. The term OMB means the United States Office of Management and Budget.
§2541.30  

Outlays (expenditures). The term outlays (expenditures) means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of actual cash disbursement for direct charges for goods and services, the amount of indirect expense incurred, the value of in-kind contributions applied, and the amount of cash advances and payments made to contractors and subgrantees. For reports prepared on an accrued expenditure basis, outlays are the sum of actual cash disbursements, the amount of indirect expense incurred, the value of in-kind contributions applied, and the new increase (or decrease) in the amounts owed by the grantee for goods and other property received, for services performed by employees, contractors, subgrantees, subcontractors, and other payees, and other amounts becoming owed under programs for which no current services or performance are required, such as annuities, insurance claims, and other benefit payments.

Percentage of completion method. The term percentage of completion method refers to a system under which payments are made for construction work according to the percentage of completion of the work, rather than to the grantee’s cost incurred.

Prior approval. The term prior approval means documentation evidencing consent prior to incurring specific cost.

Real property. The term real property means land, including land improvements, structures and appurtenances thereto, excluding movable machinery and equipment.

Share. The term share, when referring to the awarding agency’s portion of real property, equipment or supplies, means the same percentage as the awarding agency’s portion of the acquiring party’s total costs under the grant to which the acquisition costs under the grant to which the acquisition cost of the property was charged. Only costs are to be counted—not the value of third-party in-kind contributions.

State. The term State means any of the several States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency or instrumentality of a State exclusive of local governments. The term does not include any public and Indian housing agency under the United States Housing Act of 1937.

Subgrant. The term subgrant means an award of financial assistance in the form of money, or property in lieu of money, made under a grant by a grantee to an eligible sub.grantee. The term includes financial assistance when provided by contractual legal agreement, but does not include procurement purchases, nor does it include any form of assistance which is excluded from the definition of “grant” in this part.

Subgrantee. The term subgrantee means the government or other legal entity to which a subgrant is awarded and which is accountable to the grantee for the use of the funds provided.

Supplies. The term supplies means all tangible personal property other than “equipment” as defined in this part.

Suspension. The term suspension means, depending on the context, either—

(1) Temporary withdrawal of the authority to obligate grant funds pending corrective action by the grantee or subgrantee or a decision to terminate the grant; or

(2) An action taken by a suspending official in accordance with agency regulations implementing E.O. 12549 (3 CFR, 1986 Comp., p. 189) to immediately exclude a person from participating in grant transactions for a period, pending completion of an investigation and such legal or debarment proceedings as may ensue.

Termination. The term termination means permanent withdrawal of the authority to obligate previously-awarded grant funds before that authority would otherwise expire. It also means the voluntary relinquishment of that authority by the grantee or subgrantee. Termination does not include—

(1) Withdrawal of funds awarded on the basis of the grantee’s underestimate of the unobligated balance in a prior period;

(2) Withdrawal of the unobligated balance as of the expiration of a grant;
(3) Refusal to extend a grant or award additional funds, to make a competing or noncompeting continuation, renewal, extension, or supplemental award; or

(4) Voiding of a grant upon determination that the award was obtained fraudulently, or was otherwise illegal or invalid from inception.

Terms of a grant or subgrant mean all requirements of the grant or subgrant, whether in statute, regulations, or the award document.

Third party in-kind contributions. The term third party in-kind contributions means property or services which benefit a federally assisted project or program and which are contributed by non-Federal third parties without charge to the grantee, or a cost-type contractor under the grant agreement.

Unliquidated obligations for reports prepared on a cash basis. The term unliquidated obligations for reports prepared on a cash basis means the amount of obligations incurred by the grantee that has not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the grantee for which an outlay has not been recorded.

Unobligated balance. The term unobligated balance means the portion of the funds authorized by the Federal agency that has not been obligated by the grantee and is determined by deducting the cumulative obligations from the cumulative funds authorized.

§ 2541.40 Applicability.

(a) General. Subparts A through D of this part apply to all grants and subgrants to governments, except where inconsistent with Federal statutes or with regulations authorized in accordance with the exception provision of §2541.60, or:

(1) Grants and subgrants to State and local institutions of higher education or State and local hospitals.

(2) The block grants authorized by the Omnibus Budget Reconciliation Act of 1981 (Pub. (3) Entitlement grants to carry out the following programs of the Social Security Act (42 U.S.C. 301 et seq.):

(iii) Foster Care and Adoption Assistance (title IV–E of the Act);

(iv) Aid to the Aged, Blind, and Disabled (titles I, X, XIV, and XVI–AABD of the Act); and

(v) Medical Assistance (Medicaid) (title XIX of the Act) not including the State Medicaid Fraud Control program authorized by section 1903(a)(6)(B).

§ 2541.50 Effect on other issuances.

All other grants administration provisions of codified program regulations, program manuals, handbooks and other nonregulatory materials which are inconsistent with this part are superseded, except to the extent they are required by statute, or authorized in accordance with the exception provision in § 2541.60.

§ 2541.60 Additions and exceptions.

(a) For classes of grants and grantees subject to this part, Federal agencies may not impose additional administrative requirements except in codified regulations published in the Federal Register.

(b) Exceptions for classes of grants or grantees may be authorized only by OMB.

(c) Exceptions on a case-by-case basis and for subgrantees may be authorized by the affected Federal agencies.
§ 2541.110 State plans.

(a) Scope. The statutes for some programs require States to submit plans before receiving grants. Under regulations implementing Executive Order 12372 (3 CFR, 1982 Comp., p. 197), “Inter-governmental Review of Federal Programs,” States are allowed to simplify, consolidate and substitute plans. This section contains additional provisions for plans that are subject to regulations implementing the Executive order.

(b) Requirements. A State need meet only Federal administrative or programmatic requirements for a plan that are in statutes or codified regulations.

(c) Assurances. In each plan the State will include an assurance that the State shall comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. For this assurance and other assurances required in the plan, the State may:

(1) Cite by number the statutory or regulatory provisions requiring the assurances and affirm that it gives the assurances required by those provisions;

(2) Repeat the assurance language in the statutes or regulations; or

(3) Develop its own language to the extent permitted by law.

(d) Amendments. A State will amend a plan whenever necessary to reflect:

New or revised Federal statutes or regulations; or a material change in any State law, organization, policy, or State agency operation. The State will obtain approval for the amendment and its effective date but need submit for approval only the amended portions of the plan.

§ 2541.120 Special grant or subgrant conditions for “high-risk” grantees.

(a) A grantee or subgrantee may be considered “high risk” if an awarding agency determines that a grantee or subgrantee:

(1) Has a history of unsatisfactory performance; or

(2) Is not financially stable; or

(3) Has a management system which does not meet the management standards set forth in this part; or

(4) Has not conformed to terms and conditions of previous awards; or

(5) Is otherwise not responsible; and if the awarding agency determines that an award will be made, special conditions and/or restrictions shall correspond to the high risk condition and shall be included in the award.

(b) Special conditions or restrictions may include:

(1) Payment on a reimbursement basis;

(2) Withholding authority to proceed to the next phase until receipt of evidence of acceptable performance within a given funding period;

(3) Requiring additional, more detailed financial reports;

(4) Additional project monitoring;

(5) Requiring the grantee or subgrantee to obtain technical or management assistance; or

(6) Establishing additional prior approvals.

(c) If an awarding agency decides to impose such conditions, the awarding official will notify the grantee or subgrantee as early as possible, in writing, of:

(1) The nature of the special conditions/restrictions;

(2) The reason(s) for imposing them;

(3) The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions; and

(4) The method of requesting reconsideration of the conditions/restrictions imposed.

Subpart C—Post-Award Requirements

§ 2541.200 Standards for financial management systems.

(a) A State must expand and account for grant funds in accordance with State laws and procedures for expending and accounting for its own funds. Fiscal control and accounting procedures of the State, as well as its subgrantees and cost-type contractors, must be sufficient to—

(1) Permit preparation of reports required by this part and the statutes authorizing the grant; and

(2) Permit the tracing of funds to a level of expenditures adequate to establish that such funds have not been
§2541.210 Payment

(a) Scope. This section prescribes the basic standard and the methods under which a Federal agency will make payments to grantees, and grantees will make payments to subgrantees and contractors.

(b) Basic standard. Methods and procedures for payment shall minimize the time elapsing between the transfer of funds and disbursement by the grantee or subgrantee, in accordance with Treasury regulations at 31 CFR part 205.

(c) Advances. Grantees and subgrantees shall be paid in advance, provided they maintain or demonstrate the willingness and ability to maintain procedures to minimize the time elapsing between the transfer of the funds and their disbursement by the grantee or subgrantee.

(d) Reimbursement. Reimbursement shall be the preferred method when the requirements in paragraph (c) of this section are not met. Grantees and subgrantees may also be paid by reimbursement for any construction grant. Except as otherwise specified in regulation, Federal agencies shall not use the percentage of completion method to pay construction grants. The grantee or subgrantee may use that method to pay its construction contractor, and if

§2541.220  Allowable costs.

(a) Limitation on use of funds. Grant funds may be used only for—

(1) The allowable costs of the grantees, subgrantees and cost-type contractors, including allowable costs in the form of payments to fixed-price contractors; and

(2) Reasonable fees or profit to cost-type contractors but not any fee or profit (or other increment above allowable costs) to the grantee or subgrantee.

(b) Applicable cost principles. For each kind of organization, there is a set of Federal principles for determining allowable costs. Allowable costs will be determined in accordance with the cost principles.

¶ 2541.230

Period of availability of funds.

(a) General. Where a funding period is specified, a grantee may charge to the award only costs resulting from obligations of the funding period unless carryover of unobligated balances is permitted, in which case the carryover balances may be charged for costs resulting from obligations of the subsequent funding period.

(b) Liquidation of obligations. A grantee must liquidate all obligations incurred under the award not later than 90 days after the end of the funding period (or as specified in a program regulation) to coincide with the submission of the annual Financial Status Report (SF–269). The Federal agency may extend this deadline at the request of the grantee.

¶ 2541.240

Matching or cost sharing.

(a) Basic rule; costs and contributions acceptable. With the qualifications and exceptions listed in paragraph (b) of this section, a matching or cost sharing requirement may be satisfied by either or both of the following:

(1) Allowable costs incurred by the grantee, subgrantee or a cost-type contractor under the assistance agreement. This includes allowable costs borne by non-Federal grants or by other cash donations from non-Federal third parties.

(2) The value of third party in-kind contributions applicable to the period to which the cost sharing or matching requirements applies.

(b) Qualifications and exceptions—(1) Costs borne by other Federal grant agreements. Except as provided by Federal statute, a cost sharing or matching requirement may not be met by costs borne by another Federal grant. This prohibition does not apply to income earned by a grantee or subgrantee from a contract awarded under another Federal grant.

(2) General revenue sharing. For the purpose of this section, general revenue sharing funds distributed under 31 U.S.C. 6702 are not considered Federal grant funds.

(3) Costs or contributions counted towards other Federal costs-sharing requirements. Neither costs nor the values of third party in-kind contributions may count towards satisfying a cost sharing or matching requirement of a grant agreement if they have been or will be counted towards satisfying a cost sharing or matching requirement of another Federal grant agreement, a Federal procurement contract, or any other award of Federal funds.

(4) Costs financed by program income. Costs financed by program income, as defined in §2541.250, shall not count towards satisfying a cost sharing or matching requirement unless they are expressly permitted in the terms of the assistance agreement. (This use of general program income is described in §2541.250(g).)

(5) Services or property financed by income earned by contractors. Contractors under a grant may earn income from the activities carried out under the contract in addition to the amounts earned from the party awarding the contract. No costs of services or property supported by this income may count toward satisfying a cost sharing or matching requirement unless other provisions of the grant agreement expressly permit this kind of income to be used to meet the requirement.

(6) Records. Costs and third party in-kind contributions counting towards satisfying a cost sharing or matching requirement must be verifiable from the records of grantees and subgrantee or cost-type contractors. These records must show how the value placed on third party in-kind contributions was
Corporation for National and Community Service § 2541.240
derived. To the extent feasible, volunteer services will be supported by the same methods that the organization uses to support the allocability of regular personnel costs.

(7) Special standards for third party in-kind contributions. (i) Third party in-kind contributions count towards satisfying a cost sharing or matching requirement only where, if the party receiving the contributions were to pay for them, the payments would be allowable costs.

(ii) Some third party in-kind contributions are goods and services that, if the grantee, subgrantee, or contractor receiving the contribution had to pay for them, the payments would have been an indirect costs. Costs sharing or matching credit for such contributions shall be given only if the grantee, subgrantee, or contractor has established, along with its regular indirect cost rate, a special rate for allocating to individual projects or programs the value of the contributions.

(iii) A third party in-kind contribution to a fixed-price contract may count towards satisfying a cost sharing or matching requirement only if it results in:

(A) An increase in the services or property provided under the contract (without additional cost to the grantee or subgrantee); or

(B) A cost savings to the grantee or subgrantee.

(iv) The values placed on third party in-kind contributions for cost sharing or matching purposes will conform to the rules in the succeeding sections of this part. If a third party in-kind contribution is a type not treated in those sections, the value placed upon it shall be fair and reasonable.

(c) Valuation of donated services—(1) Volunteer services. Unpaid services provided to a grantee or subgrantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the grantee’s or subgrantee’s organization. If the grantee or subgrantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. In either case, a reasonable amount for fringe benefits may be included in the valuation.

(2) Employees of other organizations. When an employer other than a grantee, subgrantee, or cost-type contractor furnishes free of charge the services of an employee in the employee’s normal line of work, the services will be valued at the employee’s regular rate of pay exclusive of the employee’s fringe benefits and overhead costs. If the services are in a different line of work, paragraph (c)(1) of this section applies.

(d) Valuation of third party donated supplies and loaned equipment or space. (1) If a third party donates supplies, the contribution will be valued at the market value of the supplies at the time of donation.

(2) If a third party donates the use of equipment or space in a building but retains title, the contribution will be valued at the fair rental rate of the equipment or space.

(e) Valuation of third party donated equipment, buildings, and land. If a third party donates equipment, buildings, or land, and title passes to a grantee or subgrantee, the treatment of the donated property will depend upon the purpose of the grant or subgrant, as follows:

(1) Awards for capital expenditures. If the purpose of the grant or subgrant is to assist the grantee or subgrantee in the acquisition of property, the market value of that property at the time of donation may be counted as cost sharing or matching.

(2) Other awards. If assisting in the acquisition of property is not the purpose of the grant or subgrant, paragraphs (e)(2)(i) and (ii) of this section apply:

(i) If approval is obtained from the awarding agency, the market value at the time of donation of the donated equipment or buildings and the fair rental rate of the donated land may be counted as cost sharing or matching.

(ii) If any part of the donated property was acquired
§2541.250 Program income.

(a) General. Grantees are encouraged to earn income to defray program costs. Program income includes income from fees for services performed, from the use or rental of real or personal property acquired with grant funds, from the sale of commodities or items fabricated under a grant agreement, and from payments of principal and interest on loans made with grant funds. Except as otherwise provided in regulations of the Federal agency, program income does not include interest on grant funds, rebates, credits, discounts, refunds, etc. and interest earned on any of them.

(b) Definition of program income. Program income means gross income received by the grantee or subgrantee directly generated by a grant supported activity, or earned only as a result of the grant agreement during the grant period. “During the grant period” is the time between the effective date of the award and the ending date of the award reflected in the final financial report.

(c) Cost of generating program income. If authorized by Federal regulations or the grant agreement, costs incident to the generation of program income may be deducted from gross income to determine program income.

(d) Governmental revenues. Taxes, special assessments, levies, fines, and other such revenues raised by a grantee or subgrantee are not program income unless the revenues are specifically identified in the grant agreement or Federal agency regulations as program income.

(e) Royalties. Income from royalties and license fees for copyrighted material, patents, and inventions developed by a grantee or subgrantee is program income only if the revenues are specifically identified in the grant agreement or Federal agency regulations as program income. (See §2541.340)

(f) Property. Proceeds from the sale of real property or equipment will be handled in accordance with the requirements of §§2541.310 and 2541.320.

(g) Use of program income. Program income shall be deducted from outlays which may be both Federal and non-Federal as described in paragraphs (g)(1) and (2) of this section, unless the Federal agency regulations or the grant agreement specify another alternative (or a combination of the alternatives). In specifying alternatives, the Federal agency may distinguish between income earned by the grantee and income earned by subgrantees and between the sources, kinds, or amounts of income. When Federal agencies authorize the alternatives in paragraphs
(g) (2) and (3) of this section, program income in excess of any limits stipulated shall also be deducted from outlays.

(1) Deduction. Ordinarily program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless the Federal agency authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the Federal agency and grantee contributions rather than to increase the funds committed to the project.

(2) Addition. When authorized, program income may be added to the funds committed to the grant agreement by the Federal agency and the grantee. The program income shall be used for the purposes and under the conditions of the grant agreement.

(3) Cost sharing or matching. When authorized, program income may be used to meet the cost sharing or matching requirement of the grant agreement. The amount of the Federal grant award remains the same.

(h) Income after the award period. There are no Federal requirements governing the disposition of program income earned after the end of the award period (i.e., until the ending date of the final financial report, see paragraph (a) of this section), unless the terms of the agreement or the Federal agency regulations provide otherwise.

§ 2541.260 Non-Federal audit.

(a) Basic rule. Grantees and subgrantees are responsible for obtaining audits in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A–133, “Audits of States, Local Governments, and Non-Profit Organizations.” The audits shall be made by an independent auditor in accordance with generally accepted government auditing standards covering financial audits.

(b) Subgrantees. State or local governments, as those terms are defined for purposes of the Single Audit Act Amendments of 1996, that provide Federal awards to a subgrantee, which expends $300,000 or more (or other amount as specified by OMB) in Federal awards in a fiscal year, shall:

1. Determine whether State or local subgrantees have met the audit requirements of the Act and whether subgrantees covered by OMB Circular A–110, “Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations,” have met the audit requirements of the Act. Commercial contractors (private for-profit and private and governmental organizations) providing goods and services to State and local governments are not required to have a single audit performed. State and local governments should use their own procedures to ensure that the contractor has complied with laws and regulations affecting the expenditure of Federal funds;

2. Determine whether the subgrantee spent Federal assistance funds provided in accordance with applicable laws and regulations. This may be accomplished by reviewing an audit of the subgrantee made in accordance with the Act, Circular A–110, or through other means (e.g., program reviews) if the subgrantee has not had such an audit;

3. Ensure that appropriate corrective action is taken within six months after receipt of the audit report in instance of noncompliance with Federal laws and regulations;

4. Consider whether subgrantee audits necessitate adjustment of the grantee’s own records; and

5. Require each subgrantee to permit independent auditors to have access to the records and financial statements.

(c) Auditor selection. In arranging for audit services, §2541.360 shall be followed.

§ 2541.310 Real property.

(a) Title. Subject to the obligations and conditions set forth in this section, title to real property acquired under a

approved project. However, unless waived by the awarding agency, certain types of post-award changes in budgets and projects shall require the prior written approval of the awarding agency.

(b) Relation to cost principles. The applicable cost principles (see §2541.220) contain requirements for prior approval of certain types of costs. Except where waived, those requirements apply to all grants and subgrants even if paragraphs (c) through (f) of this section do not.

(c) Budget changes.—(1) Nonconstruction projects. Except as stated in other regulations or an award document, grantees or subgrantees shall obtain the prior approval of the awarding agency whenever any of the following changes is anticipated under a nonconstruction award:

(i) Any revision which would result in the need for additional funding.

(ii) Unless waived by the awarding agency, cumulative transfers among direct cost categories, or, if applicable, among separately budgeted programs, projects, functions, or activities which exceed or are expected to exceed ten percent of the current total approved budget, whenever the awarding agency’s share exceeds $100,000.

(iii) Transfer of funds allotted for training allowances (i.e., from direct payments to trainees to other expense categories).

(2) Construction projects. Grantees and subgrantees shall obtain prior written approval for any budget revision which would result in the need for additional funds.

(3) Combined construction and nonconstruction projects. When a grant or subgrant provides funding for both construction and nonconstruction activities, the grantee or subgrantee must obtain prior written approval from the awarding agency before making any fund or budget transfer from nonconstruction to construction or vice versa.

(d) Programmatic changes. Grantees or subgrantees must obtain the prior approval of the awarding agency whenever any of the following actions is anticipated:

(1) Any revision of the scope or objectives of the project (regardless of whether there is an associated budget revision requiring prior approval).

(2) Need to extend the period of availability of funds.

(3) Changes in key persons in cases where specified in an application or a grant award. In research projects, a change in the project director or principal investigator shall always require approval unless waived by the awarding agency.

(4) Under nonconstruction projects, contracting out, subgranting (if authorized by law) or otherwise obtaining the services of a third party to perform activities which are central to the purposes of the award. This approval requirement is in addition to the approval requirements of §2541.360 but does not apply to the procurement of equipment, supplies, and general support services.

(e) Additional prior approval requirements. The awarding agency may not require prior approval for any budget revision which is not described in paragraph (c) of this section.

(f) Requesting prior approval. (1) A request for prior approval of any budget revision will be in the same budget formal the grantee used in its application and shall be accompanied by a narrative justification for the proposed revision.

(2) A request for a prior approval under the applicable Federal cost principles (see §2541.220) may be made by letter.

(3) A request by a subgrantee for prior approval will be addressed in writing to the grantee. The grantee will promptly review such request and shall approve or disapprove the request in writing. A grantee will not approve any budget or project revision which is inconsistent with the purpose or terms and conditions of the Federal grant to the grantee. If the revision, requested by the subgrantee would result in a change to the grantee’s approved project which requires Federal prior approval, the grantee will obtain the Federal agency’s approval before approving the subgrantee’s request.

§ 2541.310 Real property.

(a) Title. Subject to the obligations and conditions set forth in this section, title to real property acquired under a
grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) Use. Except as otherwise provided by Federal statutes, real property will be used for the originally authorized purposes as long as needed for that purpose, and the grantee or subgrantee shall not dispose of or encumber its title or other interests.

(c) Disposition. When real property is no longer needed for the originally authorized purpose, the grantee or subgrantee will request disposition instructions from the awarding agency. The instructions will provide for one of the following alternatives:

(1) Retention of title. Retain title after compensating the awarding agency. The amount paid to the awarding agency will be computed by applying the awarding agency’s percentage of participation in the cost of the original purchase to the fair market value of the property. However, in those situations where a grantee or subgrantee is disposing of real property acquired with grant funds and acquiring replacement real property under the same program, the net proceeds from the disposition may be used as an offset to the cost of the replacement property.

(2) Sale of property. Sell the property and compensate the awarding agency. The amount due to the awarding agency will be calculated by applying the awarding agency’s percentage of participation in the cost of the original purchase to the proceeds of the sale after deduction of any actual and reasonable selling and fixing-up expenses. If the grant is still active, the net proceeds from sale may be offset against the original cost of the property. When a grantee or subgrantee is directed to sell property, sales procedures shall be followed that provide for competition to the extent practicable and result in the highest possible return.

(3) Transfer of title. Transfer title to the awarding agency or to a third-party designated/approved by the awarding agency. The grantee or subgrantee shall be paid an amount calculated by applying the grantee or subgrantee’s percentage of participation in the purchase of the real property to the current fair market value of the property.

§ 2541.320 Equipment.

(a) Title. Subject to the obligations and conditions set forth in this section, title to equipment acquired under a grant or subgrant will vest upon acquisition in the grantee or subgrantee respectively.

(b) States. A State will use, manage, and dispose of equipment acquired under a grant by the State in accordance with State laws and procedures. Other grantees and subgrantees will follow paragraphs (c) through (e) of this section.

(c) Use. (1) Equipment shall be used by the grantee or subgrantee in the program or project for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds. When no longer needed for the original program or project, the equipment may be used in other activities currently or previously supported by a Federal agency.

(2) The grantee or subgrantee shall also make equipment available for use on other projects or programs currently or previously supported by the Federal Government, providing such use will not interfere with the work on the projects or program for which it was originally acquired. First preference for other use shall be given to other programs or projects supported by the awarding agency. User fees should be considered if appropriate.

(3) Notwithstanding the encouragement in §2541.250(a) to earn program income, the grantee or subgrantee must not use equipment acquired with grant funds to provide services for a fee to compete unfairly with private companies that provide equivalent services, unless specifically permitted or contemplated by Federal statute.

(4) When acquiring replacement equipment, the grantee or subgrantee may use the equipment to be replaced as a trade-in or sell the property and use the proceeds to offset the cost of the replacement property, subject to the approval of the awarding agency.

(d) Management requirements. Procedures for managing equipment (including replacement equipment), whether acquired in whole or in part with grant funds, until disposition takes place.
will, as a minimum, meet the following requirements:

(1) Property records must be maintained that include a description of the property, a serial number or other identification number, the source of property, who holds title, the acquisition date, and cost of the property, percentage of Federal participation in the cost of the property, the location, use and condition of the property, and any ultimate disposition data including the date of disposal and sale price of the property.

(2) A physical inventory of the property must be taken and the results reconciled with the property records at least once every two years.

(3) A control system must be developed to ensure adequate safeguards to prevent loss, damage, or theft of the property. Any loss, damage, or theft shall be investigated.

(4) Adequate maintenance procedures must be developed to keep the property in good condition.

(5) If the grantee or subgrantee is authorized or required to sell the property, proper sales procedures must be established to ensure the highest possible return.

(e) Disposition. When original or replacement equipment acquired under a grant or subgrant is no longer needed for the original project or program or for other activities currently or previously supported by a Federal agency, disposition of the equipment will be made as follows:

(1) Items of equipment with a current per-unit fair market value of less than $5,000 may be retained, sold or otherwise disposed of with no further obligation to the awarding agency.

(2) Items of equipment with a current per unit fair market value in excess of $5,000 may be retained or sold and the awarding agency shall have a right to an amount calculated by multiplying the current market value or proceeds from sale by the awarding agency’s share of the equipment.

(3) In cases where a grantee or subgrantee fails to take appropriate disposition actions, the awarding agency may direct the grantee or subgrantee to take excess and disposition actions.

(f) Federal equipment. In the event a grantee or subgrantee is provided federally-owned equipment:

(1) Title will remain vested in the Federal Government.

(2) Grantees or subgrantees will manage the equipment in accordance with Federal agency rules and procedures, and submit an annual inventory listing.

(3) When the equipment is no longer needed, the grantee or subgrantee will request disposition instructions from the Federal agency.

(g) Right to transfer title. The Federal awarding agency may reserve the right to transfer title to the Federal Government or a third party named by the awarding agency when such a third party is otherwise eligible under existing statutes. Such transfers shall be subject to the following standards:

(1) The property shall be identified in the grant or otherwise made known to the grantee in writing.

(2) The Federal awarding agency shall issue disposition instruction within 120 calendar days after the end of the Federal support of the project for which it was acquired. If the Federal awarding agency fails to issue disposition instructions within the 120 calendar-day period the grantee shall follow paragraph (e) of this section.

(3) When title to equipment is transferred, the grantee shall be paid an amount calculated by applying the percentage of participation in the purchase to the current fair market value of the property.

§ 2541.330 Supplies.

(a) Title. Title to supplies acquired under a grant or subgrant will vest, upon acquisition, in the grantee or subgrantee respectively.

(b) Disposition. If there is a residual inventory of unused supplies exceeding $5,000 in total aggregate fair market value upon termination or completion of the award, and if the supplies are not needed for any other federally sponsored programs or projects, the grantee or subgrantee shall compensate the awarding agency for its share.
§ 2541.340 Copyrights.

The Federal awarding agency reserves a royalty-free, non-exclusive, and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for Federal Government purposes:

(a) The copyright in any work developed under a grant, subgrant, or contract under a grant or subgrant; and

(b) Any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

§ 2541.350 Subawards to debarred and suspended parties.

Grantees and subgrantees must not make any award or permit any award (subgrant or contract) at any tier to any party which is debarred or suspended or is otherwise excluded from or ineligible for participation in Federal assistance programs under Executive Order 12549, “Debarment and Suspension.”

§ 2541.360 Procurement.

(a) States. When procuring property and services under a grant, a State will follow the same policies and procedures it uses for procurements from its non-Federal funds. The State will ensure that every purchase order or other contract includes any clauses required by Federal statutes and executive orders and their implementing regulations. Other grantees and subgrantees will follow paragraphs (b) through (i) of this section.

(b) Procurement standards. (1) Grantees and subgrantees will use their own procurement procedures which reflect applicable State and local laws and regulations, provided that the procurements conform to applicable Federal law and the standards identified in this section.

(2) Grantees and subgrantees will maintain a contract administration system which ensures that contractors perform in accordance with the terms, conditions, and specifications of their contracts or purchase orders.

(3) Grantees and subgrantees will maintain a written code of standards of conduct governing the performance of their employees engaged in the award and administration of contracts. No employee, officer or agent of the grantee or subgrantee shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved. Such a conflict would arise when—

(i) The employee, officer or agent;

(ii) Any member of his immediate family;

(iii) His or her partner; or

(iv) An organization which employs, or is about to employ, any of the above, has a financial or other interest in the firm selected for award. The grantee’s or subgrantee’s officers, employees or agents will neither solicit nor accept gratuities, favors or anything of monetary value from contractors, potential contractors, or parties to subagreements. Grantee and subgrantees may set minimum rules where the financial interest is not substantial or the gift is an unsolicited item of nominal intrinsic value. To the extent permitted by State or local law or regulations, such standards or conduct will provide for penalties, sanctions, or other disciplinary actions for violations of such standards by the grantee’s and subgrantee’s officers, employees, or agents, or by contractors or their agents. The awarding agency may in regulation provide additional prohibitions relative to real, apparent, or potential conflicts of interest.

(4) Grantee and subgrantee procedures will provide for a review of proposed procurements to avoid purchase of unnecessary or duplicative items. Consideration should be given to consolidating or breaking out procurements to obtain a more economical purchase. Where appropriate, an analysis will be made of lease versus purchase alternatives, and any other appropriate analysis to determine the most economical approach.

(5) To foster greater economy and efficiency, grantees and subgrantees are encouraged to enter into State and local intergovernmental agreements for procurement or use of common goods and services.

(6) Grantees and subgrantees are encouraged to use Federal excess and surplus property in lieu of purchasing new equipment and property whenever such
use is feasible and reduces project costs.

(7) Grantees and subgrantees are encouraged to use value engineering clauses in contracts for construction projects of sufficient size to offer reasonable opportunities for cost reductions. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost.

(8) Grantees and subgrantees will make awards only to responsible contractors possessing the ability to perform successfully under the terms and conditions of a proposed procurement. Consideration will be given to such matters as contractor integrity, compliance with public policy, record of past performance, and financial and technical resources.

(9) Grantees and subgrantees will maintain records sufficient to detail the significant history of a procurement. These records will include, but are not necessarily limited to the following: Rationale for the method of procurement, selection of contract type, contractor selection or rejection, and the basis for the contract price.

(10) Grantees and subgrantees will use time and material type contracts only—

(i) After a determination that no other contract is suitable; and

(ii) If the contract includes a ceiling price that the contractor exceeds at its own risk.

(11) Grantees and subgrantees alone will be responsible, in accordance with good administrative practice and sound business judgment, for the settlement of all contractual and administrative issues arising out of procurements. These issues include, but are not limited to source evaluation, protests, disputes, and claims. These standards do not relieve the grantee or subgrantee of any contractual responsibilities under its contracts. Federal agencies will not substitute their judgment for that of the grantee or subgrantee unless the matter is primarily a Federal concern. Violations of law will be referred to the local, State, or Federal authority having proper jurisdiction.

(12) Grantees and subgrantees will have protest procedures to handle and resolve disputes relating to their procurements and shall in all instances disclose information regarding the protest to the awarding agency. A protester must exhaust all administrative remedies with the grantee and subgrantee before pursuing a protest with the Federal agency. Reviews of protests by the Federal agency will be limited to:

(i) Violations of Federal law or regulations and the standards of this section (violations of State or local law will be under the jurisdiction of State or local authorities); and

(ii) Violations of the grantee’s or subgrantee’s protest procedures for failure to review a complaint or protest. Protests received by the Federal agency other than those specified in this paragraph (b)(12)(ii) will be referred to the grantee or subgrantee.

(c) Competition. (1) All procurement transactions will be conducted in a manner providing full and open competition consistent with the standards of this section. Some of the situations considered to be restrictive of competition include but are not limited to:

(i) Placing unreasonable requirements on firms in order for them to qualify to do business;

(ii) Requiring unnecessary experience and excessive bonding;

(iii) Noncompetitive pricing practices between firms or between affiliated companies;

(iv) Noncompetitive awards to consultants that are on retainer contracts;

(v) Organizational conflicts of interest;

(vi) Specifying only a “brand name” product instead of allowing “an equal” product to be offered and describing the performance of other relevant requirements of the procurement; and

(vii) Any arbitrary action in the procurement process.

(2) Grantees and subgrantees will conduct procurements in a manner that prohibits the use of statutory or administratively imposed in-State or local geographical preferences in the evaluation of bids or proposals, except in those cases where applicable Federal statutes expressly mandate or encourage geographic preference. Nothing in this section preempts State licensing
laws. When contracting for architectural and engineering (A/E) services, geographic location may be a selection criteria provided it leaves an appropriate number of qualified firms, given the nature and size of the project, to compete for the contract.

(3) Grantees will have written selection procedures for procurement transactions. These procedures will ensure that all solicitations:

(i) Incorporate a clear and accurate description of the technical requirements for the material, product, or service to be procured. Such description shall not, in competitive procurements, contain features which unduly restrict competition. The description may include a statement of the qualitative nature of the material, product or service to be procured, and when necessary, shall set forth those minimum essential characteristics and standards to which it must conform if it is to satisfy its intended use. Detailed product specifications should be avoided if at all possible. When it is impractical or uneconomical to make a clear and accurate description of the technical requirements, a “brand name or equal” description may be used as a means to define the performance or other salient requirements of a procurement. The specific features of the named brand which must be met by offerors shall be clearly stated; and

(ii) Identify all requirements which the offerors must fulfill and all other factors to be used in evaluating bids or proposals.

(4) Grantees and subgrantees will ensure that all prequalified lists of persons, firms, or products which are used in acquiring goods and services are current and include enough qualified sources to ensure maximum open and free competition. Also, grantees and subgrantees will not preclude potential bidders from qualifying during the solicitation period.

(d) Methods of procurement to be followed—(1) Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the simplified acquisition threshold fixed at 41 U.S.C. 403(11) (currently set at $100,000). If small purchase procedures are used, price or rate quotations shall be obtained from an adequate number of qualified sources.

(2) Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm-fixed-price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction if the conditions in §2541.36(d)(2)(i) apply.

(i) In order for sealed bidding to be feasible, the following conditions should be present:

(A) A complete, adequate, and realistic specification or purchase description is available;

(B) Two or more responsible bidders are willing and able to compete effectively and for the business; and

(C) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price. (ii) If sealed bids are used, the following requirements apply:

(A) The invitation for bids will be publicly advertised and bids shall be solicited from an adequate number of known suppliers, providing them sufficient time prior to the date set for opening the bids;

(B) The invitation for bids, which will include any specifications and pertinent attachments, shall define the items or services in order for the bidder to properly respond;

(C) All bids will be publicly opened at the time and place prescribed in the invitation for bids;

(D) A firm fixed-price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs shall be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and

(E) Any or all bids may be rejected if there is a sound documented reason.
§ 2541.360

(3) Procurement by competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

(i) Requests for proposals will be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals shall be honored to the maximum extent practical;
(ii) Proposals will be solicited from an adequate number of qualified sources;
(iii) Grantees and subgrantees will have a method for conducting technical evaluations of the proposals received and for selecting awardees;
(iv) Awards will be made to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
(v) Grantees and subgrantees may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(4) Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source, or after solicitation of a number of sources, competition is determined inadequate.

(i) Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids or competitive proposals and one of the following circumstances applies:
(A) The item is available only from a single source;
(B) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
(C) The awarding agency authorizes noncompetitive proposals; or
(D) After solicitation of a number of sources, competition is determined inadequate.

(ii) Cost analysis, i.e., verifying the proposed cost data, the projections of the data, and the evaluation of the specific elements of costs and profits, is required.

(iii) Grantees and subgrantees may be required to submit the proposed procurement to the awarding agency for pre-award review in accordance with paragraph (g) of this section.

(e) Contracting with small and minority firms, women's business enterprise and labor surplus area firms. (1) The grantee and subgrantee will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

(2) Affirmative steps shall include:
(i) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
(ii) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
(iii) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises;
(iv) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises;
(v) Using the services and assistance of the Small Business Administration, and the Minority Business Development Agency of the Department of Commerce; and
(vi) Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (e)(2) (i) through (v) of this section.

(f) Contract cost and price. (1) Grantees and subgrantees must perform a cost or price analysis in connection
with every procurement action including contract modifications. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, grantees must make independent estimates before receiving bids or proposals. A cost analysis must be performed when the offeror is required to submit the elements of his estimated cost, e.g., under professional, consulting, and architectural engineering services contracts. A cost analysis will be necessary when adequate price competition is lacking, and for sole source procurements, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. A price analysis will be used in all other instances to determine the reasonableness of the proposed contract price.

(2) Grantees and subgrantees will negotiate profit as a separate element of the price for each contract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit, consideration will be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor’s investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.

(3) Costs or prices based on estimated costs for contracts under grants will be allowable only to the extent that costs incurred or cost estimates included in negotiated prices are consistent with Federal cost principles (see §2541.220). Grantees may reference their own cost principles that comply with the applicable Federal cost principles.

(4) The cost plus a percentage of cost and percentage of construction cost methods of contracting shall not be used.

(g) Awarding agency review. (1) Grantees and subgrantees must make available, upon request of the awarding agency, technical specifications on proposed procurements where the awarding agency believes such review is needed to ensure that the item and or service specified is the one being proposed for purchase. This review generally will take place prior to the time the specification is incorporated into a solicitation document. However, if the grantee or subgrantee desires to have the review accomplished after a solicitation has been developed, the awarding agency may still review the specifications, with such review usually limited to the technical aspects of the proposed purchase.

(2) Grantees and subgrantees must on request make available for awarding agency pre-award review procurement documents, such as requests for proposals or invitations for bids, independent cost estimates, etc. when:

(i) A grantee’s or subgrantee’s procurement procedures or operation fails to comply with the procurement standards in this section; or

(ii) The procurement is expected to exceed the simplified acquisition threshold and is to be awarded without competition or only one bid or offer is received in response to a solicitation; or

(iii) The procurement, which is expected to exceed the simplified acquisition threshold, specifies a “brand name” product; or

(iv) The proposed award is more than the simplified acquisition threshold and is to be awarded to other than the apparent low bidder under a sealed bid procurement; or

(v) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the simplified acquisition threshold.

(3) A grantee or subgrantee will be exempt from the pre-award review in paragraph (g)(2) of this section if the awarding agency determines that its procurement systems comply with the standards of this section.

(i) A grantee or subgrantee may request that its procurement system be reviewed by the awarding agency to determine whether its system meets these standards in order for its system to be certified. Generally, these reviews shall occur where there is a continuous high-dollar funding, and third-
party contracts are awarded on a regular basis.

(ii) A grantee or subgrantee may self-certify its procurement system. Such self-certification shall not limit the awarding agency’s right to survey the system. Under a self-certification procedure, awarding agencies may wish to rely on written assurances from the grantee or subgrantee that it is complying with these standards. A grantee or subgrantee will cite specific procedures, regulations, standards, etc., as being in compliance with these requirements and have its system available for review.

(h) Bonding requirements. For construction or facility improvement contracts or subcontracts exceeding the simplified acquisition threshold, the awarding agency may accept the bonding policy and requirements of the grantee or subgrantee provided the awarding agency has made a determination that the awarding agency’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows:

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

(i) Contract provisions. A grantee’s and subgrantee’s contracts must contain provisions in paragraph (i) of this section. Federal agencies are permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy.

(1) Administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate. (Contracts more than the simplified acquisition threshold)

(2) Termination for cause and for convenience by the grantee or subgrantee including the manner by which it will be effected and the basis for settlement. (All contracts in excess of $10,000)

(3) Compliance with Executive Order 11246 of September 24, 1965, entitled “Equal Employment Opportunity,” as amended by Executive Order 11375 of October 13, 1967, and as supplemented in Department of Labor regulations (41 CFR chapter 60). (All construction contracts awarded in excess of $10,000 by grantees and their contractors or subgrantees)

(4) Compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3). (All contracts and subgrants for construction or repair)

(5) Compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276a-7) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts in excess of $2000 awarded by grantees and subgrantees when required by Federal grant program legislation)

(6) Compliance with Sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–330) as supplemented by Department of Labor regulations (29 CFR Part 5). (Construction contracts awarded by grantees and subgrantees in excess of $2000, and in excess of $2500 for other contracts which involve the employment of mechanics or laborers)

(7) Notice of awarding agency requirements and regulations pertaining to reporting.

(8) Notice of awarding agency requirements and regulations pertaining to patent rights with respect to any discovery or invention which arises or
is developed in the course of or under such contract.

(9) Awarding agency requirements and regulations pertaining to copyrights and rights in data.

(10) Access by the grantee, the subgrantee, the Federal grantor agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to that specific contract for the purpose of making audit, examination, excerpts, and transcriptions.

(11) Retention of all required records for three years after grantees or subgrantees make final payments and all other pending matters are closed.

(12) Compliance with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. 1857(h)), section 508 of the Clean Water Act (33 U.S.C. 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 CFR part 15). (Contracts, subcontracts, and subgrants of amounts in excess of $100,000)

(13) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94–163, 89 Stat. 871).

§2541.370 Subgrants.

(a) States. States shall follow State law and procedures when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. States shall:

(1) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations;

(2) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations;

(3) Ensure that a provision for compliance with this part is placed in every cost reimbursement subgrant; and

(4) Conform any advances of grant funds to subgrantees substantially to the same standards of timing and amount that apply to cash advances by Federal agencies.

(b) All other grantees. All other grantees shall follow the provisions of this part which are applicable to awarding agencies when awarding and administering subgrants (whether on a cost reimbursement or fixed amount basis) of financial assistance to local and Indian tribal governments. (2) Ensure that every subgrant includes any clauses required by Federal statute and executive orders and their implementing regulations; and

(3) Ensure that subgrantees are aware of requirements imposed upon them by Federal statutes and regulations.

(c) Exceptions. By their own terms, certain provisions of this part do not apply to the award and administration of subgrants:

(1) §2541.100;

(2) §2541.110;

Subpart E—Reports, Records, Retention and Enforcement

§2541.400 Monitoring and reporting program performance.

(a) Monitoring by grantees. Grantees are responsible for managing the day-to-day operations of grant and subgrant supported activities. Grantees must monitor grant and subgrant supported activities to assure compliance with applicable Federal requirements and that performance goals are being achieved. Grantee monitoring must cover each program, function or activity.

(b) Nonconstruction performance reports. The Federal agency may, if it decides that performance information available from subsequent applications contains sufficient information to meet its programmatic needs, require the grantee to submit a performance report only upon expiration or termination of grant support. Unless waived
§ 2541.410 Financial reporting.

(a) General.—(1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies;

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in

subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Site visits. Federal agencies may make site visits as warranted by program needs.

(f) Waivers, extensions. (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 2541.410 Financial reporting.

(a) General.—(1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in

subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Site visits. Federal agencies may make site visits as warranted by program needs.

(f) Waivers, extensions. (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.

§ 2541.410 Financial reporting.

(a) General.—(1) Except as provided in paragraphs (a) (2) and (5) of this section, grantees will use only the forms specified in paragraphs (a) through (e) of this section, and such supplementary or other forms as may from time to time be authorized by OMB, for:

(i) Submitting financial reports to Federal agencies;

(ii) Requesting advances or reimbursements when letters of credit are not used.

(2) Grantees need not apply the forms prescribed in this section in dealing with their subgrantees. However, grantees shall not impose more burdensome requirements on subgrantees.

(3) Grantees shall follow all applicable standard and supplemental Federal agency instructions approved by OMB to the extent required under the Paperwork Reduction Act of 1980 for use in connection with forms specified in

subgrant supported activity. In such cases, the grantee must inform the Federal agency as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objective of the award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.

(2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or producing more beneficial results than originally planned.

(e) Site visits. Federal agencies may make site visits as warranted by program needs.

(f) Waivers, extensions. (1) Federal agencies may waive any performance report required by this part if not needed.

(2) The grantee may waive any performance report from a subgrantee when not needed. The grantee may extend the due date for any performance report from a subgrantee if the grantee will still be able to meet its performance reporting obligations to the Federal agency.
paragraphs (b) through (e) of this section. Federal agencies may issue substantive supplementary instructions only with the approval of OMB. Federal agencies may shade out or instruct the grantee to disregard any line item that the Federal agency finds unnecessary for its decision making purposes.

(4) Grantees will not be required to submit more than the original and two copies of forms required under this part.

(5) Federal agencies may provide computer outputs to grantees to expedite or contribute to the accuracy of reporting. Federal agencies may accept the required information from grantees in machine usable format or computer printouts instead of prescribed forms.

(6) Federal agencies may waive any report required by this section if not needed.

(7) Federal agencies may extend the due date of any financial report upon receiving a justified request from a grantee.

(b) Financial Status Report.—(1) Form. Grantees will use Standard Form 269 or 269A, Financial Status Report, to report the status of funds for all non-construction grants and for construction grants when required in accordance with paragraph (e)(2)(iii) of this section.

(2) Accounting basis. Each grantee will report program outlays and program income on a cash or accrual basis as prescribed by the awarding agency. If the Federal agency requires accrual information and the grantee’s accounting records are not normally kept on the accrual basis, the grantee shall not be required to convert its accounting system but shall develop such accrual information through an analysis of the documentation on hand.

(3) Frequency. The Federal agency may prescribe the frequency of the report for each project or program. However, the report will not be required more frequently than quarterly. If the Federal agency does not specify the frequency of the report, it will be submitted annually. A final report will be required upon expiration or termination of grant support.

(4) Due date. When reports are required on a quarterly or semiannual basis, they will be due 30 days after the reporting period. When required on an annual basis, they will be due 90 days after the grant year. Final reports will be due 90 days after the expiration or termination of grant support.

(c) Federal Cash Transactions Report.—

(1) Form. (i) For grants paid by letter or credit, Treasury check advances or electronic transfer of funds, the grantee will submit the Standard Form 272, Federal Cash Transactions Report, and when necessary, its continuation sheet, Standard Form 272a, unless the terms of the award exempt the grantee from this requirement.

(ii) These reports will be used by the Federal agency to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant from grantees. The format of the report may be adapted as appropriate when reporting is to be accomplished with the assistance of automatic data processing equipment provided that the information to be submitted is not changed in substance.

(2) Forecasts of Federal cash requirements. Forecasts of Federal cash requirements may be required in the “Remarks” section of the report.

(3) Cash in hands of subgrantees. When considered necessary and feasible by the Federal agency, grantees may be required to report the amount of cash advances in excess of three days’ needs in the hands of their subgrantees or contractors and to provide short narrative explanations of actions taken by the grantee to reduce the excess balances.

(4) Frequency and due date. Grantees must submit the report no later than 15 working days following the end of each quarter. However, where an advance either by letter of credit or electronic transfer of funds is authorized at an annualized rate of one million dollars or more, the Federal agency may require the report to be submitted within 15 working days following the end of each month.

(d) Request for advance or reimbursement.—(1) Advance payments. Requests for Treasury check advance payments will be submitted on Standard Form 270, Request for Advance or Reimbursement. (This form will not be used for drawdowns under a letter of credit, electronic funds transfer or when...
§ 2541.420 Treasury check advance payments are made to the grantee automatically on a predetermined basis.

(2) Reimbursements. Requests for reimbursement under nonconstruction grants will also be submitted on Standard Form 270. For reimbursement requests under construction grants, see paragraph (e)(1) of this section.

(3) The frequency for submitting payment requests is treated in paragraph (b)(3) of this section.

(e) Outlay report and request for reimbursement for construction programs.—(1) Grants that support construction activities paid by reimbursement method. (i) Requests for reimbursement under construction grants will be submitted on Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. Federal agencies may, however, prescribe the Request for Advance or Reimbursement form, specified in paragraph (d) of this section, instead of this form.

(ii) The frequency for submitting reimbursement requests is treated in paragraph (b)(3) of this section.

(2) Grants that support construction activities paid by letter of credit, electronic funds transfer or Treasury check advance. (i) When a construction grant is paid by letter of credit, electronic funds transfer or Treasury check advances, the grantee will report its outlays to the Federal agency using Standard Form 271, Outlay Report and Request for Reimbursement for Construction Programs. The Federal agency may provide any necessary special instruction. However, frequency and due date shall be governed by paragraphs (b) (3) and (4) of this section.

(ii) When a construction grant is paid by Treasury check advances based on periodic requests from the grantee, the advances will be requested on the form specified in paragraph (d) of this section.

(iii) The Federal agency may substitute the Financial Status Report specified in paragraph (b) of this section for the Outlay Report and Request for Reimbursement for Construction Programs.

(3) Accounting basis. The accounting basis for the Outlay Report and Request for Reimbursement for Construction Programs shall be governed by paragraph (b)(2) of this section.

§ 2541.420 Retention and access requirements for records.

(a) Applicability. (1) This section applies to all financial and programmatic records, supporting documents, statistical records, and other records of grantees or subgrantees which are:

(i) Required to be maintained by the terms of this part, program regulations or the grant agreement; or

(ii) Otherwise reasonably considered as pertinent to program regulations or the grant agreement.

(2) This section does not apply to records maintained by contractors or subcontractors. For a requirement to place a provision concerning records in certain kinds of contracts, see §2541.360(i)(10).

(b) Length of retention period. (1) Except as otherwise provided, records must be retained for three years from the starting date specified in paragraph (c) of this section.

(2) If any litigation, claim, negotiation, audit or other action involving the records has been started before the expiration of the 3-year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular 3-year period, whichever is later.

(3) To avoid duplicate recordkeeping, awarding agencies may make special arrangements with grantees and subgrantees to retain any records which are continuously needed for joint use. The awarding agency will request transfer of records to its custody when it determines that the records possess long-term retention value. When the records are transferred to or maintained by the Federal agency, the 3-year retention requirement is not applicable to the grantee or subgrantee.

(c) Starting date of retention period.—

(1) General. When grant support is continued or renewed at annual or other intervals, the retention period for the records of each funding period starts on the day the grantee or subgrantee submits to the awarding agency its single
Corporation for National and Community Service

§2541.430

or last expenditure report for that period. However, if grant support is continued or renewed quarterly, the retention period for each year’s records starts on the day the grantee submits its expenditure report for the last quarter of the Federal fiscal year. In all other cases, the retention period starts on the day the grantee submits its final expenditure report. If an expenditure report has been waived, the retention period starts on the day the report would have been due.

(2) Real property and equipment records. The retention period for real property and equipment records starts from the date of the disposition or replacement or transfer at the direction of the awarding agency.

(3) Records for income transactions after grant or subgrant support. In some cases grantees must report income after the period of grant support. Where there is such a requirement, the retention period for the records pertaining to the earning of the income starts from the end of the grantee’s fiscal year in which the income is earned.

(4) Indirect cost rate proposals, cost allocations plans, etc. This paragraph applies to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage charge back rates or composite fringe benefit rates).

(i) If submitted for negotiation. If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the grantee) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission.

(ii) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the grantee) for negotiation purposes, then the 3-year retention period for the proposal plan, or computation and its supporting records starts from end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(d) Substitution of microfilm. Copies made by microfilming, photocopying, or similar methods may be substituted for the original records.

(e) Access to records.—(1) Records of grantees and subgrantees. The awarding agency and the Comptroller General of the United States, or any of their authorized representatives, shall have the right of access to any pertinent books, documents, papers, or other records of grantees and subgrantees which are pertinent to the grant, in order to make audits, examinations, excerpts, and transcripts.

(2) Expiration of right of access. The rights of access in this section must not be limited to the required retention period but shall last as long as the records are retained.

(f) Restrictions on public access. The Federal Freedom of Information Act (5 U.S.C. 552) does not apply to records. Unless required by Federal, State, or local law, grantees and subgrantees are not required to permit public access to their records.

§2541.430 Enforcement.

(a) Remedies for noncompliance. If a grantee or subgrantee materially fails to comply with any term of an award, whether stated in a Federal statute or regulation, an assurance, in a State plan or application, a notice of award, or elsewhere, the awarding agency may take one or more of the following actions, as appropriate in the circumstances:

(1) Temporarily withhold cash payments pending correction of the deficiency by the grantee or subgrantee or more severe enforcement action by the awarding agency;

(2) Disallow (that is, deny both use of funds and matching credit for) all or part of the cost of the activity or action not in compliance;

(3) Wholly or partly suspend or terminate the current award for the grantee’s or subgrantee’s program;

(4) Withhold further awards for the program; or

(5) Take other remedies that may be legally available.

(b) Hearings, appeals. In taking an enforcement action, the awarding agency will provide the grantee or subgrantee
§ 2541.440 Termination for convenience.

Except as provided in §2541.430 awards may be terminated in whole or in part only as follows:

(a) By the awarding agency with the consent of the grantee or subgrantee in which case the two parties shall agree upon the termination conditions, including the effective date and in the case of partial termination, the portion to be terminated; or

(b) By the grantee or subgrantee upon written notification to the awarding agency, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of a partial termination, the awarding agency determines that the remaining portion of the award will not accomplish the purposes for which the award was made, the awarding agency may terminate the award in its entirety under either §2541.430 or paragraph (a) of this section.

Subpart F—After the Grant Requirement

§ 2541.500 Closeout.

(a) General. The Federal agency will close out the award when it determines that all applicable administrative actions and all required work of the grant has been completed.

(b) Reports. Within 90 days after the expiration or termination of the grant, the grantee must submit all financial, performance, and other reports required as a condition of the grant. Upon request by the grantee, Federal agencies may extend this time frame. These may include but are not limited to:

(1) Final performance or progress report;

(2) Financial Status Report (SF 269) or Outlay Report and Request for Reimbursement for Construction Programs (SF–271) (as applicable);

(3) Final request for payment (SF–270) (if applicable);

(4) Invention disclosure (if applicable);

(5) Federally-owned property report. In accordance with §2541.320(f), a grantee must submit an inventory of all federally owned property (as distinct from property acquired with grant funds) for which it is accountable and request disposition instructions from the Federal agency of property no longer needed.

(c) Cost adjustment. The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(d) Cash adjustments. (1) The Federal agency will make prompt payment to the grantee for allowable reimbursable costs.

(2) The grantee must immediately refund to the Federal agency any balance of unobligated (unencumbered) cash advanced that is not authorized to be retained for use on other grants.
§ 2541.510 Later disallowances and adjustments.

The closeout of a grant does not affect:
(a) The Federal agency’s right to disallow costs and recover funds on the basis of a later audit or other review;
(b) The grantee’s obligation to return any funds due as a result of later refunds, corrections, or other transactions;
(c) Records retention as required in §2541.420;
(d) Property management requirements in §§2541.3120 and 2541.320; and
(e) Audit requirements in §2541.410.

§ 2541.520 Collection of amounts due.

(a) Any funds paid to a grantee in excess of the amount to which the grantee is finally determined to be entitled under the terms of the award constitute a debt to the Federal Government. If not paid within a reasonable period after demand, the Federal agency may reduce the debt by:
(1) Making an administrative offset against other requests for reimbursements;
(2) Withholding advance payments otherwise due to the grantee; or
(3) Other action permitted by law.
(b) Except where otherwise provided by statutes or regulations, the Federal agency will charge interest on an overdue debt in accordance with the Federal Claims Collection Standards (4 CFR Ch. II). The date from which interest is computed is not extended by litigation or the filing of any form of appeal.

Principal. The term principal means an officer, director, owner, partner, key employee, or other person within a participant with primary management or supervisory responsibilities; or a person who has a critical influence on or substantive control over a covered transaction, whether or not employed by the participant. Persons who have a critical influence on or substantive control over a covered transaction are principal investigators.
Proposal. The term proposal means a solicited or unsolicited bid, application, request, invitation to consider or similar communication by or on behalf of a person seeking to participate or to receive a benefit, directly or indirectly, in or under a covered transaction.

Respondent. The term respondent means a person against whom a debarment or suspension action has been initiated.

State. The term state means any of the States of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any agency of a State, exclusive of institutions of higher education, hospitals, and units of local government. A State instrumentality will be considered part of the State government if it has a written determination from a State government that such State considers that instrumentality to be an agency of the State government.

Suspending official. The term suspending official means an official authorized to impose suspension. The suspending official is either:

(1) The agency head; or
(2) An official designated by the agency head.

Suspension. The term suspension means an action taken by a suspending official in accordance with these regulations that immediately excludes a person from participating in covered transactions for a temporary period, pending completion of an investigation and such legal, debarment, or Program Fraud Civil Remedies Act proceedings as may ensue. A person so excluded is "suspended."

Voluntary exclusion. The term voluntary exclusion means a status of nonparticipation or limited participation in covered transactions assumed by a person pursuant to the terms of a settlement.

§ 2542.30 Coverage.

(a) The regulations in this part apply to all persons who have participated, are currently participating or may reasonably be expected to participate in transactions under Federal non-procurement programs. For purposes of the regulations in this part such transactions will be referred to as "covered transactions."

(1) Covered transaction. For purposes of the regulations in this part, a covered transaction is a primary covered transaction or a lower tier covered transaction. Covered transactions at any tier need not involve the transfer of Federal funds.

(i) Primary covered transaction. Except as noted in paragraph (a)(2) of this section, a primary covered transaction is any nonprocurement transaction between an agency and a person, regardless of type, including: Grants, cooperative agreements, scholarships, fellowships, contracts of assistance, loans, loan guarantees, subsidies, insurance, payments for specified use, donation agreements and any other nonprocurement transactions between a Federal agency and a person. Primary covered transactions also include those transactions specially designated by the U.S. Department of Housing and Urban Development in such agency's regulations governing debarment and suspension.

(ii) Lower tier covered transaction. A lower tier covered transaction is:

(A) Any transaction between a participant and a person other than a procurement contract for goods or services, regardless of type, under a primary covered transaction.

(B) Any procurement contract for goods or services between a participant and a person, regardless of type, expected to equal or exceed the Federal procurement small purchase threshold fixed at 10 U.S.C. 2304(g) and 41 U.S.C. 253(g) (currently $25,000) under a primary covered transaction.

(C) Any procurement contract for goods or services between a participant and a person under a covered action, regardless of amount, under which that person will have a critical influence on or substantive control over that covered transaction. Such persons are:

(1) Principal investigators.

(2) Providers of federally-required audit services.

(3) Exceptions. The following transactions are not covered:
Corporation for National and Community Service

§2542.100

(i) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(ii) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, entities consisting wholly or partially of foreign governments or foreign governmental entities;

(iii) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual's business capacity are not excepted);

(iv) Federal employment;

(v) Transactions pursuant to national or agency-recognized emergencies or disasters;

(vi) Incidental benefits derived from ordinary governmental operations; and

(vii) Other transactions where the application of these regulations would be prohibited by law.

(b) Relationship to other sections. This section describes the types of transactions to which a debarment or suspension under this part will apply. Subpart B, “Effect of Action,” §2542.50, “Debarment or suspension,” sets forth the consequences of a debarment or suspension. Those consequences would obtain only with respect to participants and principals in the covered transactions and activities described in §2542.30(a). Sections 2542.200 “Scope of debarment,” and 2542.280, “Scope of suspension,” govern the extent to which a specific participant or organizational elements of a participant would be automatically included within a debarment or suspension action, and the conditions under which affiliates or persons associated with a participant may also be brought within the scope of the action.

(c) Relationship to Federal procurement activities. In accordance with E.O. 12689 and section 2455 of Public Law 103–355, any debarment, suspension, proposed debarment or other governmentwide exclusion initiated under the Federal Acquisition Regulation (FAR) on or after August 25, 1995 shall be recognized by and effective for those agencies as a debarment or suspension under the FAR.

§2542.40 Policy.

(a) In order to protect the public interest, it is the policy of the Federal Government to conduct business only with responsible persons. Debarment and suspension are discretionary actions that, taken in accordance with Executive Order 12549 and this part, are appropriate means to implement this policy.

(b) Debarment and suspension are serious actions which shall be used only in the public interest and for the Federal Government’s protection and not for purposes of punishment. Agencies may impose debarment or suspension for the causes and in accordance with the procedures set forth in this part.

(c) When more than one agency has an interest in the proposed debarment or suspension of a person, consideration shall be given to designating one agency as the lead agency for making the decision. Agencies are encouraged to establish methods and procedures for coordinating their debarment or suspension actions.

Subpart B—Effect of Action

§2542.100 Debarment or suspension.

(a) Primary covered transactions. Except to the extent prohibited by law, persons who are debarred or suspended shall be excluded from primary covered transactions as either participants or principals throughout the Executive Branch of the Federal Government for the period of their debarment, suspension, or the period they are proposed for debarment under 48 CFR part 9, subpart 9.4. Accordingly, no agency shall enter into primary covered transactions with such excluded persons during such period, except as permitted pursuant to §2542.130.

§ 2542.110 Lower tier covered transactions.

(b) Lower tier covered transactions. Except to the extent prohibited by law, persons who have been proposed for debarment under 48 CFR part 9, subpart 9.4, debarred or suspended shall be excluded from participating as either participants or principals in all lower tier covered transactions (see §2542.30(a)(1)(ii)) for the period of their exclusion.

(c) Exceptions. Debarment or suspension does not affect a person’s eligibility for—

(1) Statutory entitlements or mandatory awards (but not subtier awards thereunder which are not themselves mandatory), including deposited funds insured by the Federal Government;

(2) Direct awards to foreign governments or public international organizations, or transactions with foreign governments or foreign governmental entities, public international organizations, foreign government owned (in whole or in part) or controlled entities, and entities consisting wholly or partially of foreign governments or foreign governmental entities;

(3) Benefits to an individual as a personal entitlement without regard to the individual’s present responsibility (but benefits received in an individual’s business capacity are not excepted);

(4) Federal employment;

(5) Transactions pursuant to national or agency-recognized emergencies or disasters;

(6) Incidental benefits derived from ordinary governmental operations; and

(7) Other transactions where the application of these regulations would be prohibited by law.

§ 2542.120 Voluntary exclusion.

Persons who accept voluntary exclusions under §2542.270 are excluded in accordance with the applicable statutory, executive order, or regulatory authority.

§ 2542.130 Exception provision.

The Corporation may grant an exception permitting a debarred, suspended, or voluntarily excluded person, or a person proposed for debarment under 48 CFR part 9, subpart 9.4, to participate in a particular covered transaction upon a written determination by the agency head or an authorized designee stating the reason(s) for deviation from the Presidential policy established by Executive Order 12549 and §2542.100. However, in accordance with the President’s stated intention in the Executive Order, exceptions shall be granted only infrequently. Exceptions shall be reported in accordance with §2542.410(a).

[60 FR 33041, 33063, June 26, 1995]

§ 2542.140 Continuation of covered transactions.

(a) Notwithstanding the debarment, suspension, proposed debarment under 48 CFR part 9, subpart 9.4, determination of ineligibility, or voluntary exclusion of any person by an agency, agencies and participants may continue covered transactions in existence at the time the person was debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, declared ineligible, or voluntarily excluded. A decision as to the type of termination action, if any, to be taken should be made only after thorough review to ensure the propriety of the proposed action.

(b) Agencies and participants shall not renew or extend covered transactions (other than no-cost time extensions) with any person who is debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible or voluntarily excluded, except as provided in §2542.130.

[60 FR 33041, 33063, June 26, 1995]

§ 2542.150 Failure to adhere to restrictions.

(a) Except as permitted under §2542.130 or §2542.140, a participant shall not knowingly do business under a covered transaction with a person who is—

(1) Debarred or suspended;

(2) Proposed for debarment under 48 CFR part 9, subpart 9.4; or
(3) Ineligible for or voluntarily excluded from the covered transaction.

(b) Violation of the restriction under paragraph (a) of this section may result in disallowance of costs, annulment or termination of award, issuance of a stop work order, debarment or suspension, or other remedies as appropriate.

(c) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, proposed for debarment under 48 CFR part 9, subpart 9.4, ineligible, or voluntarily excluded from the covered transaction (See Appendix B of these regulations), unless it knows that the certification is erroneous. An agency has the burden of proof that a participant did knowingly do business with a person that filed an erroneous certification.

Subpart C—Debarment

§ 2542.200 General.

The debarring official may debar a person for any of the causes in § 2542.210, using procedures established in §§ 2542.220 through 2542.260. The existence of a cause for debarment, however, does not necessarily require that the person be debarred; the seriousness of the person’s acts or omissions and any mitigating factors shall be considered in making any debarment decision.

§ 2542.210 Causes for debarment.

Debarment may be imposed in accordance with the provisions of §§ 2542.220 through 2542.260 for:

(a) Conviction of or civil judgment for:

(1) Commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction;

(2) Violation of Federal or State antitrust statutes, including those prescribing price fixing between competitors, allocation of customers between competitors, and bid rigging;

(3) Commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, making false claims, or obstruction of justice; or

(4) Commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects the present responsibility of a person.

(b) Violation of the terms of a public agreement or transaction so serious as to affect the integrity of an agency program, such as:

(1) A willful failure to perform in accordance with the terms of one or more public agreements or transactions;

(2) A history of failure to perform or of unsatisfactory performance of one or more public agreements or transactions;

(3) A willful violation of a statutory or regulatory provision or requirement applicable to a public agreement or transaction.

(c) Any of the following causes:

(1) A nonprocurement debarment by any Federal agency taken before October 1, 1988, the effective date of the Governmentwide debarment and suspension (nonprocurement) regulations, or a procurement debarment by any Federal agency taken pursuant to 48 CFR part 9, subpart 9.4;

(2) Knowingly doing business with a debarred, suspended, ineligible, or voluntarily excluded person, in connection with a covered transaction, except as permitted in § 2542.130 or § 2542.140;

(3) Failure to pay a single substantial debt, or a number of outstanding debts (including disallowed costs and overpayments, but not including sums owed the Federal Government under the Internal Revenue Code) owed to any Federal agency or instrumentality, provided the debt is uncontested by the debtor or, if contested, provided that the debtor’s legal and administrative remedies have been exhausted;

(4) Violation of a material provision of a voluntary exclusion agreement entered into under § 2542.270 or of any settlement of a debarment or suspension action; or

(5) Violation of any requirement of subpart F of this part, relating to providing a drug-free workplace, as set forth in § 2542.530 of this part.
§ 2542.220

(d) Any other cause of so serious or compelling a nature that it affects the present responsibility of a person.

§ 2542.220 Procedures.

The Corporation shall process debarment actions as informally as practicable, consistent with the principles of fundamental fairness, using the procedures in §§ 2542.230 through 2542.260.

§ 2542.230 Investigation and referral.

Information concerning the existence of a cause for debarment from any source shall be promptly reported, investigated, and referred, when appropriate, to the debarring official for consideration. After consideration, the debarring official may issue a notice of proposed debarment.

§ 2542.240 Notice of proposed debarment.

A debarment proceeding shall be initiated by notice to the respondent advising:

(a) That debarment is being considered;

(b) Of the reasons for the proposed debarment in terms sufficient to put the respondent on notice of the conduct or transaction(s) upon which it is based;

(c) Of the cause(s) relied upon under § 2452.210 for proposing debarment;

(d) Of the provisions of §§ 2542.230 through 2542.260, and any other Corporation procedures, if applicable, governing debarment decision making; and

(e) Of the potential effect of a debarment.

§ 2542.250 Opportunity to contest proposed debarment.

(a) Submission in opposition. Within 30 days after receipt of the notice of proposed debarment, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the proposed debarment.

(b) Additional proceedings as to disputed material facts. (1) In actions not based upon a conviction or civil judgment, the debarring official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the debarring official extends this period for good cause.

2. (2) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The debarring official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

2. (3) The debarring official may refer disputed material facts to another official for findings of fact. The debarring official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary and capricious or clearly erroneous.

3. (3) The debarring official’s decision shall be made after the conclusion of the proceedings with respect to disputed facts.

(c) (1) Standard of proof. In any debarment action, the cause for debarment must be established by a preponderance of the evidence. Where the proposed debarment is based upon a conviction or civil judgment, the standard shall be deemed to have been met.

2. (2) Burden of proof. The burden of proof is on the agency proposing debarment.
(d) **Notice of debarring official’s decision.** (1) If the debarring official decides to impose debarment, the respondent shall be given prompt notice:
   (i) Referring to the notice of proposed debarment;
   (ii) Specifying the reasons for debarment;
   (iii) Stating the period of debarment, including effective dates; and
   (iv) Advising that the debarment is effective for covered transactions throughout the executive branch of the Federal Government unless an agency head or an authorized designee makes the determination referred to in §2542.130.

(2) If the debarring official decides not to impose debarment, the respondent shall be given prompt notice of that decision. A decision not to impose debarment shall be without prejudice to a subsequent imposition of debarment by any other agency.

§2542.270 Settlement and voluntary exclusion.

(a) When in the best interest of the Government, the Corporation may, at any time, settle a debarment or suspension action.

(b) If a participant and the agency agree to a voluntary exclusion of the participant, such voluntary exclusion shall be entered on the Nonprocurement List (see subpart E of this part).

§2542.280 Period of debarment.

(a) Debarment shall be for a period commensurate with the seriousness of the cause(s). If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(1) Debarment for causes other than those related to a violation of the requirements of subpart F of this part generally should not exceed three years. Where circumstances warrant, a longer period of debarment may be imposed.

(2) In the case of a debarment for a violation of the requirements of subpart F of this part (see §2542.210(c)(5)), the period of debarment shall not exceed five years.

(b) The debarring official may extend an existing debarment for an additional period, if that official determines that an extension is necessary to protect the public interest. However, a debarment may not be extended solely on the basis of the facts and circumstances upon which the initial debarment action was based. If debarment for an additional period is determined to be necessary, the procedures of §§2542.230 through 2542.260 shall be followed to extend the debarment.

(c) The respondent may request the debarring official to reverse the debarment decision or to reduce the period or scope of debarment. Such a request shall be in writing and supported by documentation. The debarring official may grant such a request for reasons including, but not limited to:
   (1) Newly discovered material evidence;
   (2) Reversal of the conviction or civil judgment upon which the debarment was based;
   (3) Bona fide change in ownership or management;
   (4) Elimination of other causes for which the debarment was imposed; or
   (5) Other reasons the debarring official deems appropriate.

§2542.290 Scope of debarment.

(a) Scope in general. (1) Debarment of a person under this part constitutes debarment of all its divisions and other organizational elements from all covered transactions, unless the debarment decision is limited by its terms to one or more specifically identified individuals, divisions or other organizational elements or to specific types of transactions.

(2) The debarment action may include any affiliate of the participant that is specifically named and given notice of the proposed debarment and an opportunity to respond (see §§2542.230 through 2542.260).

(b) **Imputing conduct.** For purposes of determining the scope of debarment, conduct may be imputed as follows:
   (1) Conduct imputed to participant. The fraudulent, criminal or other seriously improper conduct of any officer, director, shareholder, partner, employee, or other individual associated with a participant may be imputed to the participant when the conduct occurred in connection with the individual’s performance of duties for or on behalf of the
participant, or with the participant’s knowledge, approval, or acquiescence. The participant’s acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

(2) Conduct imputed to individuals associated with participant. The fraudulent, criminal, or other seriously improper conduct of a participant may be imputed to any officer, director, shareholder, partner, employee, or other individual associated with the participant who participated in, knew of, or had reason to know of the participant’s conduct.

(3) Conduct of one participant imputed to other participants in a joint venture. The fraudulent, criminal, or other seriously improper conduct of one participant in a joint venture, grant pursuant to a joint application, or similar arrangement may be imputed to other participants if the conduct occurred for or on behalf of the joint venture, grant pursuant to a joint application, or similar arrangement or with the knowledge, approval, or acquiescence of these participants. Acceptance of the benefits derived from the conduct shall be evidence of such knowledge, approval, or acquiescence.

Subpart D—Suspension

§ 2542.300 General.

(a) The suspending official may suspend a person for any of the causes in §2542.310 using procedures established in §§2542.320 through 2542.350.

(b) Suspension is a serious action to be imposed only when:

(1) There exists adequate evidence of one or more of the causes set out in §2542.320; and

(2) Immediate action is necessary to protect the public interest.

(c) In assessing the adequacy of the evidence, the agency should consider how much information is available, how credible it is given the circumstances, whether or not important allegations are corroborated, and what inferences can reasonably be drawn as a result. This assessment should include an examination of basic documents such as grants, cooperative agreements, loan authorizations, and contracts.

§ 2542.310 Causes for suspension.

(a) Suspension may be imposed in accordance with the provisions of §§2542.300 through 2542.350 upon adequate evidence:

(1) To suspect the commission of an offense listed in §2542.300(a); or

(2) That a cause for debarment under §2542.300 may exist.

(b) Indictment shall constitute adequate evidence for purposes of suspension actions.

§ 2542.320 Procedures.

(a) Investigation and referral. Information concerning the existence of a cause for suspension from any source shall be promptly reported, investigated, and referred, when appropriate, to the suspending official for consideration. After consideration, the suspending official may issue a notice of suspension.

(b) Decisionmaking process. The Corporation shall process suspension actions as informally as practicable, consistent with principles of fundamental fairness, using the procedures in §§2541.330 through 2542.350.

§ 2542.330 Notice of suspension.

When a respondent is suspended, notice shall immediately be given:

(a) That suspension has been imposed;

(b) That the suspension is based on an indictment, conviction, or other adequate evidence that the respondent has committed irregularities seriously reflecting on the propriety of further Federal Government dealings with the respondent;

(c) Describing any such irregularities in terms sufficient to put the respondent on notice without disclosing the Federal Government’s evidence;

(d) Of the cause(s) relied upon under §2542.310 for imposing suspension;

(e) That the suspension is for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings;

(f) Of the provisions of §§2542.330 through 2542.350 and any other Corporation procedures, if applicable, governing suspension decisionmaking and

(g) Of the effect of the suspension.
§ 2542.340 Opportunity to contest suspension.

(a) Submission in opposition. Within 30 days after receipt of the notice of suspension, the respondent may submit, in person, in writing, or through a representative, information and argument in opposition to the suspension.

(b) Additional proceedings as to disputed material facts. (1) If the suspending official finds that the respondent’s submission in opposition raises a genuine dispute over facts material to the suspension, respondent(s) shall be afforded an opportunity to appear with a representative, submit documentary evidence, present witnesses, and confront any witness the agency presents, unless:

(i) The action is based on an indictment, conviction or civil judgment; or

(ii) A determination is made, on the basis of Department of Justice advice, that the substantial interests of the Federal Government in pending or contemplated legal proceedings based on the same facts as the suspension would be prejudiced.

(2) A transcribed record of any additional proceedings shall be prepared and made available at cost to the respondent, upon request, unless the respondent and the agency, by mutual agreement, waive the requirement for a transcript.

§ 2542.350 Suspending official’s decision.

The suspending official may modify or terminate the suspension (for example, see §2542.280(c) for reasons for reducing the period or scope of debatement or may leave it in force. However, a decision to modify or terminate the suspension shall be without prejudice to the subsequent imposition of suspension by any agency. The decision shall be rendered in accordance with the following provisions.

(a) No additional proceedings necessary. In actions: Based on an indictment, conviction, or civil judgment; in which there is no genuine dispute over material facts; or in which additional proceedings to determine disputed material facts have been denied on the basis of Department of Justice advice, the suspending official shall make a decision on the basis of all the information in the administrative record, including any submission made by the respondent. The decision shall be made within 45 days after receipt of any information and argument submitted by the respondent, unless the suspending official extends this period for good cause.

(b) Additional proceedings necessary. (1) In actions in which additional proceedings are necessary to determine disputed material facts, written findings of fact shall be prepared. The suspending official shall base the decision on the facts as found, together with any information and argument submitted by the respondent and any other information in the administrative record.

(2) The suspending official may refer matters involving disputed material facts to another official for findings of fact. The suspending official may reject any such findings, in whole or in part, only after specifically determining them to be arbitrary or capricious or clearly erroneous.

(c) Notice of suspending official’s decision. Prompt written notice of the suspending official’s decision shall be sent to the respondent.

§ 2542.360 Period of suspension.

(a) Suspension shall be for a temporary period pending the completion of an investigation or ensuing legal, debarment, or Program Fraud Civil Remedies Act proceedings, unless terminated sooner by the suspending official or as provided in paragraph (b) of this section.

(b) If legal or administrative proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an Assistant Attorney General or United States Attorney requests its extension in writing, in which case it may be extended for an additional six months. In no event may a suspension extend beyond 18 months, unless such proceedings have been initiated within that period.

(c) The suspending official shall notify the Department of Justice of an impending termination of a suspension, at least 30 days before the 12-month period expires, to give that Department an opportunity to request an extension.
§ 2542.370 Scope of suspension.

The scope of a suspension is the same as the scope of a debarment (see § 2542.290) except that the procedures of §§ 2542.320 through 2542.350 shall be used in imposing a suspension.

Subpart E—Responsibilities of GSA, Agency and Participants

§ 2542.400 GSA responsibilities.

(a) In accordance with the OMB guidelines, GSA shall compile, maintain, and distribute a list of all persons who have been debarred, suspended, or voluntarily excluded by agencies under Executive Order 12549 and this part, and those who have been determined to be ineligible.

(b) At a minimum, this list shall indicate:

(1) The names and addresses of all debarred, suspended, ineligible, and voluntarily excluded persons, in alphabetical order, with cross-references when more than one name is involved in a single action;

(2) The type of action;

(3) The cause for the action;

(4) The scope of the action;

(5) Any termination date for each listing; and

(6) The agency and name and telephone number of the agency point of contact for the action.

§ 2542.410 Corporation responsibilities.

(a) The agency shall provide GSA with current information concerning debarments, suspension, determinations of ineligibility, and voluntary exclusions it has taken. Until February 18, 1989, the agency shall also provide GSA and OMB with information concerning all transactions in which the Corporation has granted exceptions under § 2542.130 permitting participation by debarred, suspended, or voluntarily excluded persons.

(b) Unless an alternative schedule is agreed to by GSA, the agency shall advise GSA of the information set forth in § 2542.400(b) and of the exceptions granted under § 2542.130 within five working days after taking such actions.

(c) The agency shall direct inquiries concerning listed persons to the agency that took the action.

(d) Agency officials shall check the Nonprocurement List before entering covered transactions to determine whether a participant in a primary transaction is debarred, suspended, ineligible, or voluntarily excluded.

(e) Agency officials shall check the Nonprocurement List before approving principals or lower tier participants where agency approval of the principal or lower tier participant is required under the terms of the transaction, to determine whether such principals or participants are debarred, suspended, ineligible, or voluntarily excluded.

§ 2542.420 Participants’ responsibilities.

(a) Certification by participants in primary covered transactions. Each participant shall submit the certification in Appendix A of this part for it and its principals at the time the participant submits its proposal in connection with a primary covered transaction, except that States need only complete such certification as to their principals. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, each participant may, but is not required to, check the Nonprocurement List for its principals. Adverse information on the certification will not necessarily result in denial of participation. However, the certification, and any additional information pertaining to the certification submitted by the participant, shall be considered in the administration of covered transactions.

(b) Certification by participants in lower tier covered transactions. (1) Each participant shall require participants in lower tier covered transactions to include the certification in Appendix B of this part for it and its principals in any proposal submitted in connection with such lower tier covered transactions.

(2) A participant may rely upon the certification of a prospective participant in a lower tier covered transaction that it and its principals are not debarred, suspended, ineligible, or voluntarily excluded from the covered transactions.
Corporation for National and Community Service

§2542.510

transaction by any Federal agency, unless it knows that the certification is erroneous. Participants may decide the method and frequency by which they determine the eligibility of their principals. In addition, a participant may, but is not required to, check the Nonprocurement List for its principals and for participants.

(c) Changed circumstances regarding certification. A participant shall provide immediate written notice to Corporation if at any time the participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. Participants in lower tier covered transactions shall provide the same updated notice to the participant to which it submitted its proposal.

Subpart F—Drug-Free Workplace Requirements (Grants)

§2542.500 Purpose.

(a) The purpose of this subpart is to carry out the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 et seq.) by requiring that—

1. A grantee, other than an individual, shall certify to the agency that it will provide a drug-free workplace;

(b) Requirements implementing the Drug-Free Workplace Act of 1988 for contractors with the agency are found at 48 CFR part 9, subpart 9.4, part 23, subpart 23.5, and part 52, subpart 52.2.

(A) All direct charge employees;
(B) All indirect charge employees, unless their impact or involvement is insignificant to the performance of the grant; and
(C) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll;

(ii) This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the payroll; or employees of subrecipients or subcontractors in covered workplaces);

§2542.520 Coverage.

(a) This subpart applies to any grantee of the agency.

(b) This subpart applies to any grant, except where application of this subpart would be inconsistent with the international obligations of the United States or the laws or regulations of a foreign government. A determination of such inconsistency may be made only by the agency head or his/her designee.

(c) The provisions of subparts A, B, C, D and E of this part apply to matters covered by this subpart, except where specifically modified by this subpart. In the event of any conflict between provisions of this subpart and other provisions of this part, the provisions of this subpart are deemed to control with respect to the implementation of drug-free workplace requirements concerning grants.

§2542.530 Grounds for suspension of payments, suspension or termination of grants, or suspension or debarment.

A grantee shall be deemed in violation of the requirements of this subpart if the agency head or his or her official designee determines, in writing, that—

(a) The grantee has made a false certification under §2542.560;

(b) With respect to a grantee other than an individual—

(1) The grantee has violated the certification by failing to carry out the requirements of paragraphs (A) (a)-(g) and/or (B) of the certification (Alternate I in Appendix C of this part); or

(2) Such a number of employees of the grantee have been convicted of violations of criminal drug statutes for violations occurring in the workplace as to indicate that the grantee has failed to make a good faith effort to provide a drug-free workplace; or

(c) With respect to a grantee who is an individual—

(1) The grantee has violated the certification by failing to carry out its requirements (Alternate II of Appendix C of this part); or

(2) The grantee is convicted of a criminal drug offense resulting from a violation occurring during the conduct of any grant activity.

§2542.540 Effect of violation.

(a) In the event of a violation of this subpart as provided in §2542.520, and in accordance with applicable law, the grantee shall be subject to one or more of the following actions:

(1) Suspension of payments under the grant;

(2) Suspension or termination of the grant; and

(3) Suspension or debarment of the grantee under the provisions of this part.

(b) Upon issuance of any final decision under this part requiring debarment of a grantee, the debarred grantee shall be ineligible for award of any grant from any Federal agency for a period specified in the decision, not to exceed five years (see §2542.280(a)(2)).
§ 2542.550 Exception provision.

The agency head may waive with respect to a particular grant, in writing, a suspension of payments under a grant, suspension or termination of a grant, or suspension or debarment of a grantee if the agency head determines that such a waiver would be in the public interest. This exception authority cannot be delegated to any other official.

§ 2542.560 Certification requirements and procedures.

(a) (1) As a prior condition of being awarded a grant, each grantee shall make the appropriate certification to the Federal agency providing the grant, as provided in Appendix C of this part.

(2) Grantees are not required to make a certification in order to continue receiving funds under a grant awarded before March 18, 1989, or under a no-cost time extension of such a grant. However, the grantee shall make a one-time drug-free workplace certification for a non-automatic continuation of such a grant made on or after March 18, 1989.

(b) Except as provided in this section, all grantees shall make the required certification for each grant. For mandatory formula grants and entitlements that have no application process, grantees shall submit a one-time certification in order to continue receiving awards.

(c) A grantee that is a State may elect to make one certification in each Federal fiscal year. States that previously submitted an annual certification are not required to make a certification for each grant. For mandatory formula grants and entitlements that have no application process, States shall make a one-time certification in order to continue receiving awards.

§ 2542.570 Reporting of and employee sanctions for convictions of criminal drug offenses.

(a) When a grantee other than an individual is notified that an employee has been convicted for a violation of a criminal drug statute occurring in the workplace, it shall take the following actions:

(1) Within 10 calendar days of receiving notice of the conviction, the grantee shall provide written notice, including the convicted employee’s position...
Instructions for Certification

1. By signing and submitting this proposal, the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out below. The certification or explanation shall be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the department or agency to which this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded, as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.

6. The prospective primary participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to,

check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification Regarding Debarment, Suspension, and Other Responsibility Matters—Primary Covered Transactions

APPENDIX C TO PART 2542

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, ELIGIBILITY AND NONPROCUREMENT PROGRAMS

Instructions for Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

2. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. For grantees other than individuals, Alternate I applies.

4. For grantees who are individuals, Alternate II applies.

5. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee’s drug-free workplace requirements.

6. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).

7. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplace in question (see paragraph five).

8. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees’ attention is called, in particular, to the following definitions from these rules:

   Controlled substance means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. § 801) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

   Criminal drug statute means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

   Employee means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) All direct charge employees; (ii) All indirect charge employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee’s payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used in their own workplace).

Subpart A—General

§ 2543.1 Purpose.

This Circular establishes uniform administrative requirements for Federal grants and agreements awarded to institutions of higher education, hospitals, and other non-profit organizations. Federal awarding agencies shall not impose additional or inconsistent requirements, except as provided in Sections 2543.4, and 2543.14 or unless specifically required by Federal statute or executive order. Non-profit organizations that implement Federal programs for the States are also subject to State requirements.

§ 2543.2 Definitions.

(a) Accrued expenditures means the charges incurred by the recipient during a given period requiring the provision of funds for:
   (1) Goods and other tangible property received;
   (2) Services performed by employees, contractors, subrecipients, and other payees; and,
   (3) Other amounts becoming owed under programs for which no current services or performance is required.
(b) Accrued income means the sum of:
   (1) Earnings during a given period from
      (i) Services performed by the recipient, and
      (ii) Goods and other tangible property delivered to purchasers, and
   (2) Amounts becoming owed to the recipient for which no current services or performance is required by the recipient.
§ 2543.2

(c) Acquisition cost of equipment means the net invoice price of the equipment, including the cost of modifications, attachments, accessories, or auxiliary apparatus necessary to make the property usable for the purpose for which it was acquired. Other charges, such as the cost of installation, transportation, taxes, duty or protective in-transit insurance, shall be included or excluded from the unit acquisition cost in accordance with the recipient’s regular accounting practices.

(d) Advance means a payment made by Treasury check or other appropriate payment mechanism to a recipient upon its request either before outlays are made by the recipient or through the use of predetermined payment schedules.

(e) Award means financial assistance that provides support or stimulation to accomplish a public purpose. Awards include grants and other agreements in the form of money or property in lieu of money, by the Federal Government to an eligible recipient. The term does not include: technical assistance, which provides services instead of money; other assistance in the form of loans, loan guarantees, interest subsidies, or insurance; direct payments of any kind to individuals; and, contracts which are required to be entered into and administered under procurement laws and regulations.

(f) Cash contributions means the recipient’s cash outlay, including the outlay of money contributed to the recipient by third parties.

(g) Closeout means the process by which a Federal awarding agency determines that all applicable administrative actions and all required work of the award have been completed by the recipient and Federal awarding agency.

(h) Contract means a procurement contract under an award or subaward, and a procurement subcontract under a recipient’s or subrecipient’s contract.

(i) Cost sharing or matching means that portion of project or program costs not borne by the Federal Government.

(j) Date of completion means the date on which all work under an award is completed or the date on the award document, or any supplement or amendment thereto, on which Federal sponsorship ends.

(k) Disallowed costs means those charges to an award that the Federal awarding agency determines to be unallowable, in accordance with the applicable Federal cost principles or other terms and conditions contained in the award.

(l) Equipment means tangible non-expendable personal property including exempt property charged directly to the award having a useful life of more than one year and an acquisition cost of $5,000 or more per unit. However, consistent with recipient policy, lower limits may be established.

(m) Excess property means property under the control of any Federal awarding agency that, as determined by the head thereof, is no longer required for its needs or the discharge of its responsibilities.

(n) Exempt property means tangible personal property acquired in whole or in part with Federal funds, where the Federal awarding agency has statutory authority to vest title in the recipient without further obligation to the Federal Government. An example of exempt property authority is contained in the Federal Grant and Cooperative Agreement Act (31 U.S.C. 6306), for property acquired under an award to conduct basic or applied research by a non-profit institution of higher education or non-profit organization whose principal purpose is conducting scientific research.

(o) Federal awarding agency means the Federal agency that provides an award to the recipient.

(p) Federal funds authorized means the total amount of Federal funds obligated by the Federal Government for use by the recipient. This amount may include any authorized carryover of unobligated funds from prior funding periods when permitted by agency regulations or agency implementing instructions.

(q) Federal share of real property, equipment, or supplies means that percentage of the property’s acquisition costs and any improvement expenditures paid with Federal funds.

(r) Funding period means the period of time when Federal funding is available for obligation by the recipient.
(s) Intangible property and debt instruments means, but is not limited to, trademarks, copyrights, patents and patent applications and such property as loans, notes and other debt instruments, lease agreements, stock and other instruments of property ownership, whether considered tangible or intangible.

(t) Obligations means the amounts of orders placed, contracts and grants awarded, services received and similar transactions during a given period that require payment by the recipient during the same or a future period.

(u) Outlays or expenditures means charges made to the project or program. They may be reported on a cash or accrual basis. For reports prepared on a cash basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense charged, the value of third party in-kind contributions applied and the amount of cash advances and payments made to subrecipients. For reports prepared on an accrual basis, outlays are the sum of cash disbursements for direct charges for goods and services, the amount of indirect expense incurred, the net increase (or decrease) in the amounts owed by the recipient for goods and other property received, for services performed by employees, contractors, subrecipients and other payees and other amounts becoming owed under programs for which no current services or performance are required.

(v) Personal property means property of any kind except real property. It may be tangible, having physical existence, or intangible, having no physical existence, such as copyrights, patents, or securities.

(w) Prior approval means written approval by an authorized official evidencing prior consent.

(x) Program income means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the award (see exclusions in paragraphs §2543.24(e) and (h)). Program income includes, but is not limited to, income from fees for services performed, the use or rental of real or personal property acquired under federally-funded projects, the sale of commodities or items fabricated under an award, license fees and royalties on patents and copyrights, and interest on loans made with award funds. Interest earned on advances of Federal funds is not program income. Except as otherwise provided in Federal awarding agency regulations or the terms and conditions of the award, program income does not include the receipt of principal on loans, rebates, credits, discounts, etc., or interest earned on any of them.

(y) Project costs means all allowable costs, as set forth in the applicable Federal cost principles, incurred by a recipient and the value of the contributions made by third parties in accomplishing the objectives of the award during the project period.

(z) Project period means the period established in the award document during which Federal sponsorship begins and ends.

(aa) Property means, unless otherwise stated, real property, equipment, intangible property and debt instruments.

(bb) Real property means land, including land improvements, structures and appurtenances thereto, but excludes movable machinery and equipment.

(cc) Recipient means an organization receiving financial assistance directly from Federal awarding agencies to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations such as, but not limited to, community action agencies, research institutes, educational associations, and health centers. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients at the discretion of the Federal awarding agency. The term does not include government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are government-owned or controlled, or are designated as federally-funded research and development centers.
(dd) **Research and development** means all research activities, both basic and applied, and all development activities that are supported at universities, colleges, and other non-profit institutions. “Research” is defined as a systematic study directed toward fuller scientific knowledge or understanding of the subject studied. “Development” is the systematic use of knowledge and understanding gained from research directed toward the production of useful materials, devices, systems, or methods, including design and development of prototypes and processes. The term research also includes activities involving the training of individuals in research techniques where such activities utilize the same facilities as other research and development activities and where such activities are not included in the instruction function.

(ff) **Subaward** means an award of financial assistance in the form of money, or property in lieu of money, made under an award by a recipient to an eligible subrecipient or by a subrecipient to a lower tier subrecipient. The term includes financial assistance when provided by any legal agreement, even if the agreement is called a contract, but does not include procurement of goods and services nor does it include any form of assistance which is excluded from the definition of “award” in paragraph (e).

(gg) **Subrecipient** means the legal entity to which a subaward is made and which is accountable to the recipient for the use of the funds provided. The term may include foreign or international organizations (such as agencies of the United Nations) at the discretion of the Federal awarding agency.

(hh) **Supplies** means all personal property excluding equipment, intangible property, and debt instruments as defined in this section, and inventions of a contractor conceived or first actually reduced to practice in the performance of work under a funding agreement (“subject inventions”), as defined in 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts, and Cooperative Agreements.”

(ii) **Suspension** means an action by a Federal awarding agency that temporarily withdraws Federal sponsorship under an award, pending corrective action by the recipient or pending a decision to terminate the award by the Federal awarding agency. Suspension of an award is a separate action from suspension under Federal agency regulations implementing E.O.s 12549 and 12689, “Debarment and Suspension.”

(jj) **Termination** means the cancellation of Federal sponsorship, in whole or in part, under an agreement at any time prior to the date of completion.

(kk) **Third party in-kind contributions** means the value of non-cash contributions provided by non-Federal third parties. Third party in-kind contributions may be in the form of real property, equipment, supplies and other expendable property, and the value of goods and services directly benefiting and specifically identifiable to the project or program.

(ll) **Unliquidated obligations**, for financial reports prepared on a cash basis, means the amount of obligations incurred by the recipient that have not been paid. For reports prepared on an accrued expenditure basis, they represent the amount of obligations incurred by the recipient for which an outlay has not been recorded.

(oo) **Working capital advance** means a procedure where by funds are advanced to the recipient to cover its estimated disbursement needs for a given initial period.

§ 2543.3 Effect on other issuances.

For awards subject to this Circular, all administrative requirements of
§ 2543.4 Deviations.

The Office of Management and Budget (OMB) may grant exceptions for classes of grants or recipients subject to the requirements of this Circular when exceptions are not prohibited by statute. However, in the interest of maximum uniformity, exceptions from the requirements of this Circular shall be permitted only in unusual circumstances. Federal awarding agencies may apply more restrictive requirements to a class of recipients when approved by OMB. Federal awarding agencies may apply less restrictive requirements when awarding small awards, except for those requirements which are statutory. Exceptions on a case-by-case basis may also be made by Federal awarding agencies.

§ 2543.5 Subawards.

Unless sections of this Circular specifically exclude subrecipients from coverage, the provisions of this Circular shall be applied to subrecipients performing work under awards if such subrecipients are institutions of higher education, hospitals or other non-profit organizations. State and local government subrecipients are subject to the provisions of regulations implementing the grants management common rule, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” published at 53 FR 8034.

Subpart B—Pre-Award Requirements

§ 2543.10 Purpose.

Sections §2543.11 through §2543.17 prescribes forms and instructions and other pre-award matters to be used in applying for Federal awards.

§ 2543.11 Pre-award policies.

(a) Use of Grants and Cooperative Agreements, and Contracts. In each instance, the Federal awarding agency shall decide on the appropriate award instrument (i.e., grant, cooperative agreement, or contract). The Federal Grant and Cooperative Agreement Act (31 U.S.C. 6301–6320) governs the use of grants, cooperative agreements and contracts. A grant or cooperative agreement shall be used only when the principal purpose of a transaction is to accomplish a public purpose of support or stimulation authorized by Federal statute. The statutory criterion for choosing between grants and cooperative agreements is that for the latter, “substantial involvement is expected between the executive agency and the State, local government, or other recipient when carrying out the activity contemplated in the agreement.” Contracts shall be used when the principal purpose is acquisition of property or services for the direct benefit or use of the Federal Government.

(b) Public Notice and Priority Setting. Federal awarding agencies shall notify the public of its intended funding priorities for discretionary grant programs, unless funding priorities are established by Federal statute.

§ 2543.12 Forms for applying for Federal assistance.

(a) Federal awarding agencies shall comply with the applicable report clearance requirements of 5 CFR part 1320, “Controlling Paperwork Burdens on the Public,” with regard to all forms used by the Federal awarding agency in place of or as a supplement to the Standard Form 424 (SF–424) series. Applicants shall use the SF–424 series or those forms and instructions prescribed by the Federal awarding agency.

(c) For Federal programs covered by E.O. 12372, “Intergovernmental Review of Federal Programs,” the applicant shall complete the appropriate sections of the SF–424 (Application for Federal Assistance) indicating whether the application was subject to review by the State Single Point of Contact (SPOC). The name and address of the SPOC for a particular State can be obtained from
§ 2543.17 Certifications and representations.

Unless prohibited by statute or codified regulation, each Federal awarding agency is authorized and encouraged to allow recipients to submit certifications and representations required by statute, executive order, or regulation on an annual basis, if the recipients have ongoing and continuing relationships with the agency. Annual certifications and representations shall be signed by responsible officials with the authority to ensure recipients’ compliance with the pertinent requirements.
§ 2543.20 Purpose of financial and program management.

Sections 2543.21 through 2543.25 prescribe standards for financial management systems, methods for making payments and rules for: satisfying cost sharing and matching requirements, accounting for program income, budget revision approvals, making audits, determining allowability of cost, and establishing fund availability.

§ 2543.21 Standards for financial management systems.

(a) Federal awarding agencies shall require recipients to relate financial data to performance data and develop unit cost information whenever practical.

(b) Recipients’ financial management systems shall provide for the following:

(1) Accurate, current and complete disclosure of the financial results of each federally-sponsored project or program in accordance with the reporting requirements set forth in §2543.51. If a Federal awarding agency requires reporting on an accrual basis from a recipient that maintains its records on other than an accrual basis, the recipient shall not be required to establish an accrual accounting system. These recipients may develop such accrual data for its reports on the basis of an analysis of the documentation on hand.

(2) Records that identify adequately the source and application of funds for federally-sponsored activities. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(3) Effective control over and accountability for all funds, property and other assets. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(4) Comparison of outlays with budget amounts for each award. Whenever appropriate, financial information should be related to performance and unit cost data.

(5) Written procedures to minimize the time elapsing between the transfer of funds to the recipient from the U.S. Treasury and the issuance or redemption of checks, warrants or payments by other means for program purposes by the recipient. To the extent that the provisions of the Cash Management Improvement Act (CMIA) (Pub. L. 101–453) govern, payment methods of State agencies, instrumentalities, and fiscal agents shall be consistent with CMIA Treasury-State Agreements or the CMIA default procedures codified at 31 CFR part 205, “Withdrawal of Cash from the Treasury for Advances under Federal Grant and Other Programs.”

(6) Written procedures for determining the reasonableness, allocability and allowability of costs in accordance with the provisions of the applicable Federal cost principles and the terms and conditions of the award.

(7) Accounting records including cost accounting records that are supported by source documentation.

(c) Where the Federal Government guarantees or insures the repayment of money borrowed by the recipient, the Federal awarding agency, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(d) The Federal awarding agency may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government’s interest.

(e) Where bonds are required in the situations described above, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties, as prescribed in 31 CFR part 223, “Surety Companies Doing Business With the United States.”

§ 2543.22 Payment.

(a) Payment methods shall minimize the time elapsing between the transfer of funds from the United States Treasury and the issuance or redemption of checks, warrants, or payment by other means by the recipients. Payment methods of State agencies or instrumentalities shall be consistent with Treasury-State CMIA agreements or
default procedures codified at 31 CFR part 205.

(b) Recipients are to be paid in advance, provided they maintain or demonstrate the willingness to maintain:

(1) Written procedures that minimize the time elapsing between the transfer of funds and disbursement by the recipient, and

(2) Financial management systems that meet the standards for fund control and accountability as established in §2543.21. Cash advances to a recipient organization shall be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the recipient organization in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by the recipient organization for direct program or project costs and the proportionate share of any allowable indirect costs.

(c) Whenever possible, advances shall be consolidated to cover anticipated cash needs for all awards made by the Federal awarding agency to the recipient.

(1) Advance payment mechanisms include, but are not limited to, Treasury check and electronic funds transfer.

(2) Advance payment mechanisms are subject to 31 CFR part 205.

(3) Recipients shall be authorized to submit requests for advances and reimbursements at least monthly when electronic fund transfers are not used.

(d) Requests for Treasury check advance payment shall be submitted on SF–270, “Request for Advance or Reimbursement,” or other forms as may be authorized by OMB. This form is not to be used when Treasury check advance payments are made to the recipient automatically through the use of a predetermined payment schedule or if precluded by special Federal awarding agency instructions for electronic funds transfer.

(e) Reimbursement is the preferred method when the requirements in paragraph (b) cannot be met. Federal awarding agencies may also use this method on any construction agreement, or if the major portion of the construction project is accomplished through private market financing or Federal loans, and the Federal assistance constitutes a minor portion of the project.

(1) When the reimbursement method is used, the Federal awarding agency shall make payment within 30 days after receipt of the billing, unless the billing is improper.

(2) Recipients shall be authorized to submit request for reimbursement at least monthly when electronic funds transfers are not used.

(f) If a recipient cannot meet the criteria for advance payments and the Federal awarding agency has determined that reimbursement is not feasible because the recipient lacks sufficient working capital, the Federal awarding agency may provide cash on a working capital advance basis. Under this procedure, the Federal awarding agency shall advance cash to the recipient to cover its estimated disbursement needs for an initial period generally geared to the awardee’s disbursing cycle. Thereafter, the Federal awarding agency shall reimburse the recipient for its actual cash disbursements. The working capital advance method of payment shall not be used for recipients unwilling or unable to provide timely advances to their subrecipient to meet the subrecipient’s actual cash disbursements.

(g) To the extent available, recipients shall disburse funds available from repayments to and interest earned on a revolving fund, program income, rebates, refunds, contract settlements, audit recoveries and interest earned on such funds before requesting additional cash payments.

(h) Unless otherwise required by statute, Federal awarding agencies shall not withhold payments for proper charges made by recipients at any time during the project period unless:

(1) A recipient has failed to comply with the project objectives, the terms and conditions of the award, or Federal reporting requirements, or

(2) The recipient or subrecipient is delinquent in a debt to the United States as defined in OMB Circular A–129, “Managing Federal Credit Programs.” Under such conditions, the Federal awarding agency may, upon reasonable notice, inform the recipient
§ 2543.23 Cost sharing or matching.

(a) All contributions, including cash and third party in-kind, shall be accepted as part of the recipient’s cost sharing or matching when such contributions meet all of the following criteria.

(1) Are verifiable from the recipient’s records.

(2) Are not included as contributions for any other federally-assisted project or program.

(3) Are necessary and reasonable for proper and efficient accomplishment of project or program objectives.

(4) Are allowable under the applicable cost principles.

(5) Are not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.

(6) Are provided for in the approved budget when required by the Federal awarding agency.

(m) Except as noted elsewhere in this Circular, only the following forms shall be authorized for the recipients in requesting advances and reimbursements. Federal agencies shall not require more than an original and two copies of these forms.

(1) SF-270, Request for Advance or Reimbursement. Each Federal awarding agency shall adopt the SF-270 as a standard form for all nonconstruction programs when electronic funds transfer or predetermined advance methods are not used. Federal awarding agencies, however, have the option of using this form for construction programs in lieu of the SF-271, “Outlay Report and Request for Reimbursement for Construction Programs.”

(2) SF-271, Outlay Report and Request for Reimbursement for Construction Programs. Each Federal awarding agency shall adopt the SF-271 as the standard form to be used for requesting reimbursement for construction programs. However, a Federal awarding agency may substitute the SF-270 when the Federal awarding agency determines that it provides adequate information to meet Federal needs.

(6) For those entities where CMIA and its implementing regulations do not apply, interest earned on Federal advances deposited in interest bearing accounts shall be remitted annually to Department of Health and Human Services, Payment Management System, Rockville, MD 20852. Interest amounts up to $250 per year may be retained by the recipient for administrative expense. State universities and hospitals shall comply with CMIA, as it pertains to interest. If an entity subject to CMIA uses its own funds to pay pre-award costs for discretionary awards without prior written approval from the Federal awarding agency, it waives its right to recover the interest under CMIA.
(7) Conform to other provisions of this Circular, as applicable.

(b) Unrecovered indirect costs may be included as part of cost sharing or matching only with the prior approval of the Federal awarding agency.

(c) Values for recipient contributions of services and property shall be established in accordance with the applicable cost principles. If a Federal awarding agency authorizes recipients to donate buildings or land for construction/facilities acquisition projects or long-term use, the value of the donated property for cost sharing or matching shall be the lesser of:

(1) The certified value of the remaining life of the property recorded in the recipient’s accounting records at the time of donation, or.

(2) The current fair market value. However, when there is sufficient justification, the Federal awarding agency may approve the use of the current fair market value of the donated property, even if it exceeds the certified value at the time of donation to the project.

(d) Volunteer services furnished by professional and technical personnel, consultants, and other skilled and unskilled labor may be counted as cost sharing or matching if the service is an integral and necessary part of an approved project or program. Rates for volunteer services shall be consistent with those paid for similar work in the recipient’s organization. In those instances in which the required skills are not found in the recipient organization, rates shall be consistent with those paid for similar work in the labor market in which the recipient competes for the kind of services involved. In either case, paid fringe benefits that are reasonable, allowable, and allocable may be included in the valuation.

(e) When an employer other than the recipient furnishes the services of an employee, these services shall be valued at the employee’s regular rate of pay (plus an amount of fringe benefits that are reasonable, allowable, and allocable, but exclusive of overhead costs), provided these services are in the same skill for which the employee is normally paid.

(f) Donated supplies may include such items as expendable equipment, office supplies, laboratory supplies or workshop and classroom supplies. Value assessed to donated supplies included in the cost sharing or matching share shall be reasonable and shall not exceed the fair market value of the property at the time of the donation.

(g) The method used for determining cost sharing or matching for donated equipment, buildings and land for which title passes to the recipient may differ according to the purpose of the award:

(1) If the purpose of the award is to assist the recipient in the acquisition of equipment, buildings or land, the total value of the donated property may be claimed as cost sharing or matching; or.

(2) If the purpose of the award is to support activities that require the use of equipment, buildings or land, normally only depreciation or use charges for equipment and buildings may be made. However, the full value of equipment or other capital assets and fair rental charges for land may be allowed, provided that the Federal awarding agency has approved the charges.

(h) The value of donated property shall be determined in accordance with the usual accounting policies of the recipient, with the following qualifications.

(1) The value of donated land and buildings shall not exceed its fair market value at the time of donation to the recipient as established by an independent appraiser (e.g., certified real property appraiser or General Services Administration representative) and certified by a responsible official of the recipient.

(2) The value of donated equipment shall not exceed the fair market value of equipment of the same age and condition at the time of donation.

(3) The value of donated space shall not exceed the fair rental value of comparable space as established by an independent appraisal of comparable space and facilities in a privately-owned building in the same locality.

(4) The value of loaned equipment shall not exceed its fair rental value.

(5) The following requirements pertain to the recipient’s supporting records for in-kind contributions from third parties.
§ 2543.24 Program income.

(a) Federal awarding agencies shall apply the standards set forth in this section in requiring recipient organizations to account for program income related to projects financed in whole or in part with Federal funds.

(b) Except as provided in paragraph (h) below, program income earned during the project period shall be retained by the recipient and, in accordance with Federal awarding agency regulations or the terms and conditions of the award, shall be used in one or more of the ways listed in the following:

(1) Added to funds committed to the project by the Federal awarding agency and recipient and used to further eligible project or program objectives.

(2) Used to finance the non-Federal share of the project or program.

(3) Deducted from the total project or program allowable cost in determining the net allowable costs on which the Federal share of costs is based.

(c) When an agency authorizes the disposition of program income as described in paragraph (b)(1) or (b)(2), program income in excess of any limits stipulated shall be used in accordance with paragraph (b)(3).

(d) In the event that the Federal awarding agency does not specify in its regulations or the terms and conditions of the award how program income is to be used, paragraph (b)(3) shall apply automatically to all projects or programs except research. For awards that support research, paragraph (b)(1) shall apply automatically unless the awarding agency indicates in the terms and conditions another alternative on the award or the recipient is subject to special award conditions, as indicated in §2543.14.

(e) Unless Federal awarding agency regulations or the terms and conditions of the award provide otherwise, recipients shall have no obligation to the Federal Government regarding program income earned after the end of the project period.

(f) If authorized by Federal awarding agency regulations or the terms and conditions of the award, costs incident to the generation of program income may be deducted from gross income to determine program income, provided these costs have not been charged to the award.

(g) Proceeds from the sale of property shall be handled in accordance with the requirements of the Property Standards. (See §2543.28 through §2543.36.)

(h) Unless Federal awarding agency regulations or the terms and condition of the award provide otherwise, recipients shall have no obligation to the Federal Government with respect to program income earned from license fees and royalties for copyrighted material, patents, patent applications, trademarks, and inventions produced under an award. However, Patent and Trademark Amendments (35 U.S.C. 18) apply to inventions made under an experimental, developmental, or research award.

§ 2543.25 Revision of budget and program plans.

(a) The budget plan is the financial expression of the project or program as approved during the award process. It may include either the Federal and non-Federal share, or only the Federal share, depending upon Federal awarding agency requirements. It shall be related to performance for program evaluation purposes whenever appropriate.

(b) Recipients are required to report deviations from budget and program plans, and request prior approvals for budget and program plan revisions, in accordance with this section.

(c) For nonconstruction awards, recipients shall request prior approvals from Federal awarding agencies for one or more of the following program or budget related reasons:

(1) Change in the scope or the objective of the project or program (even if there is no associated budget revision requiring prior written approval).

(2) Change in a key person specified in the application or award document.

(3) The absence for more than three months, or a 25 percent reduction in
time devoted to the project, by the approved project director or principal investigator.

(4) The need for additional Federal funding.

(5) The transfer of amounts budgeted for indirect costs to absorb increases in direct costs, or vice versa, if approval is required by the Federal awarding agency.

(6) The inclusion, unless waived by the Federal awarding agency, of costs that require prior approval in accordance with OMB Circular A–21, ‘‘Cost Principles for Institutions of Higher Education,’’ OMB Circular A–122, ‘‘Cost Principles for Non-Profit Organizations,’’ or 45 CFR part 74 Appendix E, ‘‘Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts With Hospitals,’’ or 48 CFR part 31, ‘‘Contract Cost Principles and Procedures,’’ as applicable.

(7) The transfer of funds allotted for training allowances (direct payment to trainees) to other categories of expense.

(8) Unless described in the application and funded in the approved awards, the subaward, transfer or contracting out of any work under an award. This provision does not apply to the purchase of supplies, material, equipment or general support services.

(d) No other prior approval requirements for specific items may be imposed unless a deviation has been approved by OMB.

(e) Except for requirements listed in paragraphs (c)(1) and (c)(4) of this section, Federal awarding agencies are authorized, at their option, to waive cost-related and administrative prior written approvals required by this Circular and OMB Circulars A–21 and A–122. Such waivers may include authorizing recipients to do any one or more of the following:

(1) Incur pre-award costs 90 calendar days prior to award or more than 90 calendar days with the prior approval of the Federal awarding agency. All pre-award costs are incurred at the recipient’s risk (i.e., the Federal awarding agency is under no obligation to reimburse such costs if for any reason the recipient does not receive an award or if the award is less than anticipated and inadequate to cover such costs).

(2) Initiate a one-time extension of the expiration date of the award of up to 12 months unless one or more of the following conditions apply. For one-time extensions, the recipient must notify the Federal awarding agency in writing with the supporting reasons and revised expiration date at least 10 days before the expiration date specified in the award. This one-time extension may not be exercised merely for the purpose of using unobligated balances.

(i) The terms and conditions of award prohibit the extension.

(ii) The extension requires additional Federal funds.

(iii) The extension involves any change in the approved objectives or scope of the project.

(3) Carry forward unobligated balances to subsequent funding periods.

(4) For awards that support research, unless the Federal awarding agency provides otherwise in the award or in the agency’s regulations, the prior approval requirements described in paragraph (e) are automatically waived (i.e., recipients need not obtain such prior approvals) unless one of the conditions included in paragraph (e)(2) applies.

(f) The Federal awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for awards in which the Federal share of the project exceeds $100,000 and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent of the total budget as last approved by the Federal awarding agency. No Federal awarding agency shall permit a transfer that would cause any Federal appropriation or part thereof to be used for purposes other than those consistent with the original intent of the appropriation.

(g) All other changes to nonconstruction budgets, except for the changes described in paragraph (j), do not require prior approval.

(h) For construction awards, recipients shall request prior written approval promptly from Federal awarding agencies for budget revisions whenever (1), (2) or (3) apply.
§ 2543.26 Non-Federal audits.

(a) Recipients and subrecipients that are institutions of higher education or other non-profit organizations (including hospitals) shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(b) State and local governments shall be subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 U.S.C. 7501-7507) and revised OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations.”

(c) For-profit hospitals not covered by the audit provisions of revised OMB Circular A-133 shall be subject to the audit requirements of the Federal awarding agencies.

(d) Commercial organizations shall be subject to the audit requirements of the Federal awarding agency or the prime recipient as incorporated into the award document.

§ 2543.27 Allowable costs.

For each kind of recipient, there is a set of Federal principles for determining allowable costs. Allowability of costs shall be determined in accordance with the cost principles applicable to the entity incurring the costs. Thus, allowability of costs incurred by State, local or federally-recognized Indian tribal governments is determined in accordance with the provisions of OMB Circular A-87, “Cost Principles for State and Local Governments.” The allowability of costs incurred by non-profit organizations is determined in accordance with the provisions of OMB Circular A-122, “Cost Principles for Non-Profit Organizations.” The allowability of costs incurred by institutions of higher education is determined in accordance with the provisions of OMB Circular A-21, “Cost Principles for Educational Institutions.” The allowability of costs incurred by hospitals is determined in accordance with the provisions of Appendix E of 45 CFR part 74, “Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals.” The allowability of costs incurred by commercial organizations...
Corporation for National and Community Service § 2543.32

§ 2543.28 Period of availability of funds.

Where a funding period is specified, a recipient may charge to the grant only allowable costs resulting from obligations incurred during the funding period and any pre-award costs authorized by the Federal awarding agency.

PROPERTY STANDARDS

§ 2543.30 Purpose of property standards.

Sections 2543.31 through 2543.37 set forth uniform standards governing management and disposition of property furnished by the Federal Government whose cost was charged to a project supported by a Federal award. Federal awarding agencies shall require recipients to observe these standards under awards and shall not impose additional requirements, unless specifically required by Federal statute. The recipient may use its own property management standards and procedures provided it observes the provisions of § 2543.31 through § 2543.37.

§ 2543.31 Insurance coverage.

Recipients shall, at a minimum, provide the equivalent insurance coverage for real property and equipment acquired with Federal funds as provided to property owned by the recipient. Federally-owned property need not be insured unless required by the terms and conditions of the award.

§ 2543.32 Real property.

Each Federal awarding agency shall prescribe requirements for recipients concerning the use and disposition of real property acquired in whole or in part under awards. Unless otherwise provided by statute, such requirements, at a minimum, shall contain the following:

(a) Title to real property shall vest in the recipient subject to the condition that the recipient shall use the real property for the authorized purpose of the project as long as it is needed and shall not encumber the property without approval of the Federal awarding agency.

(b) The recipient shall obtain written approval by the Federal awarding agency for the use of real property in other federally-sponsored projects when the recipient determines that the property is no longer needed for the purpose of the original project. Use in other projects shall be limited to those under federally-sponsored projects (i.e., awards) or programs that have purposes consistent with those authorized for support by the Federal awarding agency.

(c) When the real property is no longer needed as provided in paragraphs (a) and (b), the recipient shall request disposition instructions from the Federal awarding agency or its successor Federal awarding agency. The Federal awarding agency shall observe one or more of the following disposition instructions.

(1) The recipient may be permitted to retain title without further obligation to the Federal Government after it compensates the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project.

(2) The recipient may be directed to sell the property under guidelines provided by the Federal awarding agency and pay the Federal Government for that percentage of the current fair market value of the property attributable to the Federal participation in the project (after deducting actual and reasonable selling and fix-up expenses, if any, from the sales proceeds). When the recipient is authorized or required to sell the property, proper sales procedures shall be established that provide for competition to the extent practicable and result in the highest possible return.

(3) The recipient may be directed to transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient shall be entitled to compensation for its attributable percentage of the current fair market value of the property.
§ 2543.33 Federally-owned and exempt property.

(a) Federally-owned property.

(1) Title to federally-owned property remains vested in the Federal Government. Recipients shall submit annually an inventory listing of federally-owned property in their custody to the Federal awarding agency. Upon completion of the award or when the property is no longer needed, the recipient shall report the property to the Federal awarding agency for further Federal agency utilization.

(2) If the Federal awarding agency has no further need for the property, it shall be declared excess and reported to the General Services Administration, unless the Federal awarding agency has statutory authority to dispose of the property by alternative methods (e.g., the authority provided by the Federal Technology Transfer Act (15 U.S.C. 3710(I)) to donate research equipment to educational and non-profit organizations in accordance with E.O. 12821, "Improving Mathematics and Science Education in Support of the National Education Goals"). Appropriate instructions shall be issued to the recipient by the Federal awarding agency.

(b) Exempt property. When statutory authority exists, the Federal awarding agency has the option to vest title to property acquired with Federal funds in the recipient without further obligation to the Federal Government and under conditions the Federal awarding agency considers appropriate. Such property is "exempt property." Should a Federal awarding agency not establish conditions, title to exempt property upon acquisition shall vest in the recipient without further obligation to the Federal Government.

§ 2543.34 Equipment.

(a) Title to equipment acquired by a recipient with Federal funds shall vest in the recipient, subject to conditions of this section.

(b) The recipient shall not use equipment acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute, for as long as the Federal Government retains an interest in the equipment.

(c) The recipient shall use the equipment in the project or program for which it was acquired as long as needed, whether or not the project or program continues to be supported by Federal funds and shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the original project or program, the recipient shall use the equipment in connection with its other federally-sponsored activities, in the following order of priority:

(1) Activities sponsored by the Federal awarding agency which funded the original project; then

(2) activities sponsored by other Federal awarding agencies.

(d) During the time that equipment is used on the project or program for which it was acquired, the recipient shall make it available for use on other projects or programs if such other use will not interfere with the work on the project or program for which the equipment was originally acquired. First preference for such other use shall be given to other projects or programs sponsored by the Federal awarding agency that financed the equipment; second preference shall be given to projects or programs sponsored by other Federal awarding agencies. If the equipment is owned by the Federal Government, use on other activities not sponsored by the Federal Government shall be permissible if authorized by the Federal awarding agency. User charges shall be treated as program income.

(e) When acquiring replacement equipment, the recipient may use the equipment to be replaced as trade-in or sell the equipment and use the proceeds to offset the costs of the replacement equipment subject to the approval of the Federal awarding agency.

(f) The recipient's property management standards for equipment acquired with Federal funds and federally-owned equipment shall include all of the following:

(1) Equipment records shall be maintained accurately and shall include the following information.

(i) A description of the equipment.
(ii) Manufacturer's serial number, model number, Federal stock number, national stock number, or other identification number.

(iii) Source of the equipment, including the award number.

(iv) Whether title vests in the recipient or the Federal Government.

(v) Acquisition date (or date received, if the equipment was furnished by the Federal Government) and cost.

(vi) Information from which one can calculate the percentage of Federal participation in the cost of the equipment (not applicable to equipment furnished by the Federal Government).

(vii) Location and condition of the equipment and the date the information was reported.

(viii) Unit acquisition cost.

(ix) Ultimate disposition data, including date of disposal and sales price or the method used to determine current fair market value where a recipient compensates the Federal awarding agency for its share.

(2) Equipment owned by the Federal Government shall be identified to indicate Federal ownership.

(3) A physical inventory of equipment shall be taken and the results reconciled with the equipment records at least once every two years. Any differences between quantities determined by the physical inspection and those shown in the accounting records shall be investigated to determine the causes of the difference. The recipient shall, in connection with the inventory, verify the existence, current utilization, and continued need for the equipment.

(4) A control system shall be in effect to insure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented; if the equipment was owned by the Federal Government, the recipient shall promptly notify the Federal awarding agency.

(5) Adequate maintenance procedures shall be implemented to keep the equipment in good condition.

(6) Where the recipient is authorized or required to sell the equipment, proper sales procedures shall be established which provide for competition to the extent practicable and result in the highest possible return.

(g) When the recipient no longer needs the equipment, the equipment may be used for other activities in accordance with the following standards. For equipment with a current per unit fair market value of $5,000 or more, the recipient may retain the equipment for other uses provided that compensation is made to the original Federal awarding agency or its successor. The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original project or program to the current fair market value of the equipment. If the recipient has no need for the equipment, the recipient shall request disposition instructions from the Federal awarding agency. The Federal awarding agency shall determine whether the equipment can be used to meet the agency's requirements. If no requirement exists within that agency, the availability of the equipment shall be reported to the General Services Administration by the Federal awarding agency to determine whether a requirement for the equipment exists in other Federal agencies. The Federal awarding agency shall issue instructions to the recipient no later than 120 calendar days after the recipient's request and the following procedures shall govern.

(1) If so instructed or if disposition instructions are not issued within 120 calendar days after the recipient's request, the recipient shall sell the equipment and reimburse the Federal awarding agency an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the recipient shall be permitted to deduct and retain from the Federal share $500 or ten percent of the proceeds, whichever is less, for the recipient's selling and handling expenses.

(2) If the recipient is instructed to ship the equipment elsewhere, the recipient shall be reimbursed by the Federal Government by an amount which is computed by applying the percentage of the recipient's participation in the cost of the original project or program to the current fair market value of the equipment, plus any reasonable
§ 2543.35 Supplies and other expendable property.

(a) Title to supplies and other expendable property shall vest in the recipient upon acquisition. If there is a residual inventory of unused supplies exceeding $5,000 in total aggregate value upon termination or completion of the project or program and the supplies are not needed for any other federally-sponsored project or program, the recipient shall retain the supplies for use on non-Federal sponsored activities or sell them, but shall, in either case, compensate the Federal Government for its share. The amount of compensation shall be computed in the same manner as for equipment.

(b) The recipient shall not use supplies acquired with Federal funds to provide services to non-Federal outside organizations for a fee that is less than private companies charge for equivalent services, unless specifically authorized by Federal statute as long as the Federal Government retains an interest in the supplies.

§ 2543.36 Intangible property.

(a) The recipient may copyright any work that is subject to copyright and was developed, or for which ownership was purchased, under an award. The Federal awarding agency(ies) reserve a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the work for Federal purposes, and to authorize others to do so.

(b) Recipients are subject to applicable regulations governing patents and inventions, including government-wide regulations issued by the Department of Commerce at 37 CFR part 401, "Rights to Inventions Made by Non-profit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements."

(c) The Federal Government has the right to:

(1) Obtain, reproduce, publish or otherwise use the data first produced under an award; and

(2) Authorize others to receive, reproduce, publish, or otherwise use such data for Federal purposes.

(d)(1) In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under an award that were used by the Federal Government in developing an agency action that has the force and effect of law, the Federal awarding agency shall request, and the recipient shall provide, within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA. If the Federal awarding agency obtains the research data solely in response to a FOIA request, the agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by the agency, the recipient, and applicable subrecipients. This fee is in addition to any fees the agency may assess under the FOIA (5 U.S.C. 552(a)(4)(A)).
(2) The following definitions apply for purposes of this paragraph (d):

(i) **Research data** is defined as the recorded factual material commonly accepted in the scientific community as necessary to validate research findings, but not any of the following: preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. This “recorded” material excludes physical objects (e.g., laboratory samples). **Research data** also do not include:

   (A) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and

   (B) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

(ii) **Published** is defined as either when:

   (A) Research findings are published in a peer-reviewed scientific or technical journal; or

   (B) A Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(iii) Used by the Federal Government in developing an agency action that has the force and effect of law is defined as when an agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

(3) The requirements set forth in paragraph (d)(1) of this section do not apply to commercial organizations.

(e) Title to intangible property and debt instruments acquired under an award or subaward vests upon acquisition in the recipient. The recipient shall use that property for the originally-authorized purpose, and the recipient shall not encumber the property without approval of the Federal awarding agency. When no longer needed for the originally authorized purpose, disposition of the intangible property shall occur in accordance with the provisions of paragraph §2543.34 (g).

[60 FR 13055, Mar. 10, 1995, as amended at 65 FR 53609, Sept. 5, 2000]

§ 2543.37 Property trust relationship.

Real property, equipment, intangible property and debt instruments that are acquired or improved with Federal funds shall be held in trust by the recipient as trustee for the beneficiaries of the project or program under which the property was acquired or improved. Agencies may require recipients to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with Federal funds and that use and disposition conditions apply to the property.

**Procurement Standards**

§ 2543.40 Purpose of procurement standards.

Sections §2543.41 through §2543.48 set forth standards for use by recipients in establishing procedures for the procurement of supplies and other expendable property, equipment, real property and other services with Federal funds. These standards are furnished to ensure that such materials and services are obtained in an effective manner and in compliance with the provisions of applicable Federal statutes and executive orders. No additional procurement standards or requirements shall be imposed by the Federal awarding agencies upon recipients, unless specifically required by Federal statute or executive order or approved by OMB.

§ 2543.41 Recipient responsibilities.

The standards contained in this section do not relieve the recipient of the contractual responsibilities arising under its contract(s). The recipient is the responsible authority, without recourse to the Federal awarding agency, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in support of an award or other agreement. This includes disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of statute are to be referred
§ 2543.42 Codes of conduct.

The recipient shall maintain written standards of conduct governing the performance of its employees engaged in the award and administration of contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a contract supported by Federal funds if a real or apparent conflict of interest would be involved. Such a conflict would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in the firm selected for an award. The officers, employees, and agents of the recipient shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors, or parties to subagreements. However, recipients may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value. The standards of conduct shall provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the recipient.

§ 2543.43 Competition.

All procurement transactions shall be conducted in a manner to provide, to the maximum extent practical, open and free competition. The recipient shall be alert to organizational conflicts of interest as well as noncompetitive practices among contractors that may restrict or eliminate competition or otherwise restrain trade. In order to ensure objective contractor performance and eliminate unfair competitive advantage, contractors that develop or draft specifications, requirements, statements of work, invitations for bids and/or requests for proposals shall be excluded from competing for such procurements. Awards shall be made to the bidder or offeror whose bid or offer is responsive to the solicitation and is most advantageous to the recipient, price, quality and other factors considered. Solicitations shall clearly set forth all requirements that the bidder or offeror shall fulfill in order for the bid or offer to be evaluated by the recipient. Any and all bids or offers may be rejected when it is in the recipient’s interest to do so.

§ 2543.44 Procurement procedures.

(a) All recipients shall establish written procurement procedures. These procedures shall provide for, at a minimum, that:
(1) Recipients avoid purchasing unnecessary items.
(2) Where appropriate, an analysis is made of lease and purchase alternatives to determine which would be the most economical and practical procurement for the Federal Government, and
(3) Solicitations for goods and services provide for all of the following:
   (i) A clear and accurate description of the technical requirements for the material, product or service to be procured. In competitive procurements, such a description shall not contain features which unduly restrict competition.
   (ii) Requirements which the bidder/offeror must fulfill and all other factors to be used in evaluating bids or proposals.
   (iii) A description, whenever practicable, of technical requirements in terms of functions to be performed or performance required, including the range of acceptable characteristics or minimum acceptable standards.
   (iv) The specific features of ‘brand name or equal’ descriptions that bidders are required to meet when such items are included in the solicitation.
   (v) The acceptance, to the extent practicable and economically feasible, of products and services dimensioned in the metric system of measurement.
   (vi) Preference, to the extent practicable and economically feasible, for products and services that conserve natural resources and protect the environment and are energy efficient.
(b) Positive efforts shall be made by recipients to utilize small businesses, minority-owned firms, and women’s business enterprises, whenever possible. Recipients of Federal awards shall take all of the following steps to further this goal.
(1) Ensure that small businesses, minority-owned firms, and women’s business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women’s business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women’s business enterprises.

(4) Encourage contracting with consortia of small businesses, minority-owned firms and women’s business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Department of Commerce’s Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women’s business enterprises.

(c) The type of procuring instruments used (e.g., fixed price contracts, cost reimbursable contracts, purchase orders, and incentive contracts) shall be determined by the recipient but shall be appropriate for the particular procurement and for promoting the best interest of the program or project involved. The “cost-plus-a-percentage-of-cost” or “percentage of construction cost” methods of contracting shall not be used.

(d) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of the proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources or accessibility to other necessary resources. In certain circumstances, contracts with certain parties are restricted by agencies’ implementation of E.O.s 12549 and 12689, “Debarment and Suspension.”

(e) Recipients shall, on request, make available for the Federal awarding agency, pre-award review and procurement documents, such as request for proposals or invitations for bids, independent cost estimates, etc., when any of the following conditions apply.

(1) A recipient’s procurement procedures or operation fails to comply with the procurement standards in the Federal awarding agency’s implementation of this Circular.

(2) The procurement is expected to exceed the small purchase threshold fixed at 41 U.S.C. 403 (11) (currently $25,000) and is to be awarded without competition or only one bid or offer is received in response to a solicitation.

(3) The procurement, which is expected to exceed the small purchase threshold, specifies a “brand name” product.

(4) The proposed award over the small purchase threshold is to be awarded to other than the apparent low bidder under a sealed bid procurement.

(5) A proposed contract modification changes the scope of a contract or increases the contract amount by more than the amount of the small purchase threshold.

§ 2543.45 Cost and price analysis.

Some form of cost or price analysis shall be made and documented in the procurement files in connection with every procurement action. Price analysis may be accomplished in various ways, including the comparison of price quotations submitted, market prices and similar indicia, together with discounts. Cost analysis is the review and evaluation of each element of cost to determine reasonableness, allocability and allowability.

§ 2543.46 Procurement records.

Procurement records and files for purchases in excess of the small purchase threshold shall include the following at a minimum:

(a) Basis for contractor selection;

(b) Justification for lack of competition when competitive bids or offers are not obtained; and

(c) Basis for award cost or price.
§ 2543.47 Contract administration.

A system for contract administration shall be maintained to ensure contractor conformance with the terms, conditions and specifications of the contract and to ensure adequate and timely follow up of all purchases. Recipients shall evaluate contractor performance and document, as appropriate, whether contractors have met the terms, conditions and specifications of the contract.

§ 2543.48 Contract provisions.

The recipient shall include, in addition to provisions to define a sound and complete agreement, the following provisions in all contracts. The following provisions shall also be applied to subcontracts.

(a) Contracts in excess of the small purchase threshold shall contain contractual provisions or conditions that allow for administrative, contractual, or legal remedies in instances in which a contractor violates or breaches the contract terms, and provide for such remedial actions as may be appropriate.

(b) All contracts in excess of the small purchase threshold shall contain suitable provisions for termination by the recipient, including the manner by which termination shall be effected and the basis for settlement. In addition, such contracts shall describe conditions under which the contract may be terminated for default as well as conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(c) Except as otherwise required by statute, an award that requires the contracting (or subcontracting) for construction or facility improvements shall provide for the recipient to follow its own requirements relating to bid guarantees, performance bonds, and payment bonds unless the construction contract or subcontract exceeds $100,000. For those contracts or subcontracts exceeding $100,000, the Federal awarding agency may accept the bonding policy and requirements of the recipient, provided the Federal awarding agency has made a determination that the Federal Government’s interest is adequately protected. If such a determination has not been made, the minimum requirements shall be as follows.

(1) A bid guarantee from each bidder equivalent to five percent of the bid price. The “bid guarantee” shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder shall, upon acceptance of his bid, execute such contractual documents as may be required within the time specified.

(2) A performance bond on the part of the contractor for 100 percent of the contract price. A “performance bond” is one executed in connection with a contract to secure fulfillment of all the contractor’s obligations under such contract.

(3) A payment bond on the part of the contractor for 100 percent of the contract price. A “payment bond” is one executed in connection with a contract to assure payment as required by statute of all persons supplying labor and material in the execution of the work provided for in the contract.

(4) Where bonds are required in the situations described herein, the bonds shall be obtained from companies holding certificates of authority as acceptable sureties pursuant to 31 CFR part 223, “Surety Companies Doing Business with the United States.”

(d) All negotiated contracts (except those for less than the small purchase threshold) awarded by recipients shall include a provision to the effect that the recipient, the Federal awarding agency, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers and records of the contractor which are directly pertinent to a specific program for the purpose of making audits, examinations, excerpts and transcriptions.

(e) All contracts, including small purchases, awarded by recipients and their contractors shall contain the procurement provisions of Appendix A to this Circular, as applicable.
Corporation for National and Community Service

§ 2543.50 Purpose of reports and records.

Sections §2543.51 through §2543.53 set forth the procedures for monitoring and reporting on the recipient’s financial and program performance and the necessary standard reporting forms. They also set forth record retention requirements.

§ 2543.51 Monitoring and reporting program performance.

(a) Recipients are responsible for managing and monitoring each project, program, subaward, function or activity supported by the award. Recipients shall monitor subawards to ensure subrecipients have met the audit requirements as delineated in Section §2543.26.

(b) The Federal awarding agency shall prescribe the frequency with which the performance reports shall be submitted. Except as provided in paragraph §2543.51(f), performance reports shall not be required more frequently than quarterly or, less frequently than annually. Annual reports shall be due 90 calendar days after the grant year; quarterly or semi-annual reports shall be due 30 days after the reporting period. The Federal awarding agency may require annual reports before the anniversary dates of multiple year awards in lieu of these requirements. The final performance reports are due 90 calendar days after the expiration or termination of the award.

(c) If inappropriate, a final technical or performance report shall not be required after completion of the project.

(d) When required, performance reports shall generally contain, for each award, brief information on each of the following.

(1) A comparison of actual accomplishments with the goals and objectives established for the period, the findings of the investigator, or both. Whenever appropriate and the output of programs or projects can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons why established goals were not met, if appropriate.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(e) Recipients shall not be required to submit more than the original and two copies of performance reports.

(f) Recipients shall immediately notify the Federal awarding agency of developments that have a significant impact on the award-supported activities. Also, notification shall be given in the case of problems, delays, or adverse conditions which materially impair the ability to meet the objectives of the award. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

(g) Federal awarding agencies may make site visits, as needed.

(h) Federal awarding agencies shall comply with clearance requirements of 5 CFR part 1320 when requesting performance data from recipients.

§ 2543.52 Financial reporting.

(a) The following forms or such other forms as may be approved by OMB are authorized for obtaining financial information from recipients.

(1) SF–269 or SF–269A, Financial Status Report.

(i) Each Federal awarding agency shall require recipients to use the SF–269 or SF–269A to report the status of funds for all nonconstruction projects or programs. A Federal awarding agency may, however, have the option of not requiring the SF–269 or SF–269A when the SF–270, Request for Advance or Reimbursement, or SF–272, Report of Federal Cash Transactions, is determined to provide adequate information to meet its needs, except that a final SF–269 or SF–269A shall be required at the completion of the project when the SF–270 is used only for advances.

(ii) The Federal awarding agency shall prescribe whether the report shall be on a cash or accrual basis. If the Federal awarding agency requires accrual information and the recipient’s accounting records are not normally kept on the accrual basis, the recipient shall not be required to convert its accounting system, but shall develop such accrual information through best estimates based on an analysis of the documentation on hand.
§ 2543.53

(iii) The Federal awarding agency shall determine the frequency of the Financial Status Report for each project or program, considering the size and complexity of the particular project or program. However, the report shall not be required more frequently than quarterly or less frequently than annually. A final report shall be required at the completion of the agreement.

(iv) The Federal awarding agency shall require recipients to submit the SF–269 or SF–269A (an original and no more than two copies) no later than 30 days after the end of each specified reporting period for quarterly and semiannual reports, and 90 calendar days for annual and final reports. Extensions of reporting due dates may be approved by the Federal awarding agency upon request of the recipient.

(i) When funds are advanced to recipients the Federal awarding agency shall require each recipient to submit the SF–272 and, when necessary, its continuation sheet, SF–272a. The Federal awarding agency shall use this report to monitor cash advanced to recipients and to obtain disbursement information for each agreement with the recipients.

(ii) Federal awarding agencies may require forecasts of Federal cash requirements in the “Remarks” section of the report.

(iii) When practical and deemed necessary, Federal awarding agencies may require recipients to report in the “Remarks” section the amount of cash advances received in excess of three days. Recipients shall provide short narrative explanations of actions taken to reduce the excess balances.

(iv) Recipients shall be required to submit not more than the original and two copies of the SF–272 15 calendar days following the end of each quarter. The Federal awarding agencies may require a monthly report from those recipients receiving advances totaling $1 million or more per year.

(v) Federal awarding agencies may waive the requirement for submission of the SF–272 for any one of the following reasons:

(A) When monthly advances do not exceed $25,000 per recipient, provided that such advances are monitored through other forms contained in this section;

(B) If, in the Federal awarding agency’s opinion, the recipient’s accounting controls are adequate to minimize excessive Federal advances; or,

(C) When the electronic payment mechanisms provide adequate data.

(b) When the Federal awarding agency needs additional information or more frequent reports, the following shall be observed.

(1) When additional information is needed to comply with legislative requirements, Federal awarding agencies shall issue instructions to require recipients to submit such information under the “Remarks” section of the reports.

(2) When a Federal awarding agency determines that a recipient’s accounting system does not meet the standards in Section § 2543.21, additional pertinent information to further monitor awards may be obtained upon written notice to the recipient until such time as the system is brought up to standard. The Federal awarding agency, in obtaining this information, shall comply with report clearance requirements of 5 CFR part 1320.

(3) Federal awarding agencies are encouraged to shade out any line item on any report if not necessary.

(4) Federal awarding agencies may accept the identical information from the recipients in machine readable format or computer printouts or electronic outputs in lieu of prescribed formats.

(5) Federal awarding agencies may provide computer or electronic outputs to recipients when such expedites or contributes to the accuracy of reporting.

§ 2543.53 Retention and access requirements for records.

(a) This section sets forth requirements for record retention and access to records for awards to recipients. Federal awarding agencies shall not impose any other record retention or access requirements upon recipients.

(b) Financial records, supporting documents, statistical records, and all
other records pertinent to an award shall be retained for a period of three years from the date of submission of the final expenditure report or, for awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, as authorized by the Federal awarding agency. The only exceptions are the following:

(1) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings involving the records have been resolved and final action taken.

(2) Records for real property and equipment acquired with Federal funds shall be retained for 3 years after final disposition.

(3) When records are transferred to or maintained by the Federal awarding agency, the 3-year retention requirement is not applicable to the recipient.

(4) Indirect cost rate proposals, cost allocations plans, etc. as specified in paragraph (g) of this section.

(c) Copies of original records may be substituted for the original records if authorized by the Federal awarding agency.

(d) The Federal awarding agency shall request transfer of certain records to its custody from recipients when it determines that the records possess long term retention value. However, in order to avoid duplicate record keeping, a Federal awarding agency may make arrangements for recipients to retain any records that are continuously needed for joint use.

(e) The Federal awarding agency, the Inspector General, Comptroller General of the United States, or any of their duly authorized representatives, have the right of timely and unrestricted access to any books, documents, papers, or other records of recipients that are pertinent to the awards, in order to make audits, examinations, excerpts, transcripts and copies of such documents. This right also includes timely and reasonable access to a recipient’s personnel for the purpose of interview and discussion related to such documents. The rights of access in this paragraph are not limited to the required retention period, but shall last as long as records are retained.

(f) Unless required by statute, no Federal awarding agency shall place restrictions on recipients that limit public access to the records of recipients that are pertinent to an award, except when the Federal awarding agency can demonstrate that such records shall be kept confidential and would have been exempted from disclosure pursuant to the Freedom of Information Act (5 U.S.C. 552) if the records had belonged to the Federal awarding agency.

(g) Indirect cost rate proposals, cost allocations plans, etc. Paragraphs (g)(1) and (g)(2) apply to the following types of documents, and their supporting records: indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates).

(1) If submitted for negotiation. If the recipient submits to the Federal awarding agency or the subrecipient submits to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for its supporting records starts on the date of such submission.

(2) If not submitted for negotiation. If the recipient is not required to submit to the Federal awarding agency or the subrecipient is not required to submit to the recipient the proposal, plan, or other computation for negotiation purposes, then the 3-year retention period for the proposal, plan, or other computation and its supporting records starts at the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

§ 2543.60 Purpose of termination and enforcement.

Sections §2543.61 and §2543.62 set forth uniform suspension, termination and enforcement procedures.
§ 2543.61 Termination.
(a) Awards may be terminated in whole or in part only if:
(1) By the Federal awarding agency, if a recipient materially fails to comply with the terms and conditions of an award,
(2) By the Federal awarding agency with the consent of the recipient, in which case the two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated, or
(3) By the recipient upon sending to the Federal awarding agency written notification setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if the Federal awarding agency determines in the case of partial termination that the reduced or modified portion of the grant will not accomplish the purposes for which the grant was made, it may terminate the grant in its entirety under either paragraphs (a)(1) or (2) of this section.
(b) If costs are allowed under an award, the responsibilities of the recipient referred to in paragraph § 2543.71(a), including those for property management as applicable, shall be considered in the termination of the award, and provision shall be made for continuing responsibilities of the recipient after termination, as appropriate.

§ 2543.62 Enforcement.
(a) Remedies for noncompliance. If a recipient materially fails to comply with the terms and conditions of an award, whether stated in a Federal statute, regulation, assurance, application, or notice of award, the Federal awarding agency may, in addition to imposing any of the special conditions outlined in Section § 2543.14, take one or more of the following actions, as appropriate in the circumstances.
(1) Temporarily withhold cash payments pending correction of the deficiency by the recipient or more severe enforcement action by the Federal awarding agency.
(2) Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
(3) Wholly or partly suspend or terminate the current award.
(4) Withhold further awards for the project or program.
(5) Take other remedies that may be legally available.
(b) Hearings and appeals. In taking an enforcement action, the awarding agency shall provide the recipient an opportunity for hearing, appeal, or other administrative proceeding to which the recipient is entitled under any statute or regulation applicable to the action involved.
(c) Effects of suspension and termination. Costs of a recipient resulting from obligations incurred by the recipient during a suspension or after termination of an award are not allowable unless the awarding agency expressly authorizes them in the notice of suspension or termination or subsequently. Other recipient costs during suspension or after termination which are necessary and not reasonably avoidable are allowable if:
(1) The costs result from obligations which were properly incurred by the recipient before the effective date of suspension or termination, are not in anticipation of it, and in the case of a termination, are noncancellable, and
(2) The costs would be allowable if the award were not suspended or expired normally at the end of the funding period in which the termination takes effect.
(d) Relationship to debarment and suspension. The enforcement remedies identified in this section, including suspension and termination, do not preclude a recipient from being subject to debarment and suspension under E.O.s 12549 and 12689 and the Federal awarding agency implementing regulations (see Section § 2543.13).

Subpart D—After-the-Award Requirements
§ 2543.70 Purpose.
Sections § 2543.71 through § 2543.73 contain closeout procedures and other procedures for subsequent disallowances and adjustments.
§ 2543.71 Closeout procedures.

(a) Recipients shall submit, within 90 calendar days after the date of completion of the award, all financial, performance, and other reports as required by the terms and conditions of the award. The Federal awarding agency may approve extensions when requested by the recipient.

(b) Unless the Federal awarding agency authorizes an extension, a recipient shall liquidate all obligations incurred under the award not later than 90 calendar days after the funding period or the date of completion as specified in the terms and conditions of the award or in agency implementing instructions.

(c) The Federal awarding agency shall make prompt payments to a recipient for allowable reimbursable costs under the award being closed out.

(d) The recipient shall promptly refund any balances of unobligated cash that the Federal awarding agency has advanced or paid and that is not authorized to be retained by the recipient for use in other projects. OMB Circular A-129 governs unreturned amounts that become delinquent debts.

(e) When authorized by the terms and conditions of the award, the Federal awarding agency shall make a settlement for any upward or downward adjustments to the Federal share of costs after closeout reports are received.

(f) The recipient shall account for any real and personal property acquired with Federal funds or received from the Federal Government in accordance with Sections §2543.31 through §2543.37.

(g) In the event a final audit has not been performed prior to the closeout of an award, the Federal awarding agency shall retain the right to recover an appropriate amount after fully considering the recommendations on disallowed costs resulting from the final audit.

§ 2543.72 Subsequent adjustments and continuing responsibilities.

(a) The closeout of an award does not affect any of the following:

(1) The right of the Federal awarding agency to disallow costs and recover funds on the basis of a later audit or other review.

(2) The obligation of the recipient to return any funds due as a result of later refunds, corrections, or other transactions.

(3) Audit requirements in Section §2543.26.

(4) Property management requirements in Sections §2543.31 through §2543.37.

(b) After closeout of an award, a relationship created under an award may be modified or ended in whole or in part with the consent of the Federal awarding agency and the recipient, provided the responsibilities of the recipient referred to in paragraph §2543.73(a), including those for property management as applicable, are considered and provisions made for continuing responsibilities of the recipient, as appropriate.

§ 2543.73 Collection of amounts due.

(a) Any funds paid to a recipient in excess of the amount to which the recipient is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by:

(1) Making an administrative offset against other requests for reimbursements,

(2) Withholding advance payments otherwise due to the recipient,

(3) Taking other action permitted by statute, or

(b) Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR Chapter II, “Federal Claims Collection Standards.”

Subpart E—Statutory Compliance

§ 2543.80 Contract provisions.

All contracts, awarded by a recipient including small purchases, shall contain the following provisions as applicable:
§ 2543.81 Equal employment opportunity.

§ 2543.82 Copeland “Anti-Kickback” Act.

All contracts and subgrants in excess of $2000 for construction or repair awarded by recipients and subrecipients shall include a provision for compliance with the Copeland “Anti-Kickback” Act (18 U.S.C. 874), as supplemented by Department of Labor regulations (29 CFR part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The recipient shall report all suspected or reported violations to the Federal awarding agency.

§ 2543.83 Davis-Bacon Act.

When required by Federal program legislation, all construction contracts awarded by the recipients and subrecipients of more than $2000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to 276m) and as supplemented by Department of Labor regulations (29 CFR part 5, “Labor Standards Provisions Applicable to Contracts Governing Federally Financed and Assisted Construction”). Under this Act, contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less than once a week to each laborer. The recipient shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The recipient shall report all suspected or reported violations to the Federal awarding agency.

§ 2543.84 Contract Work Hours and Safety Standards Act.

Where applicable, all contracts awarded by recipients in excess of $2000 for construction contracts and in excess of $2500 for other contracts that involve the employment of mechanics or laborers shall include a provision for compliance with Sections 102 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–333), as supplemented by Department of Labor regulations (29 CFR part 5). Under Section 102 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than 1 1/2 times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

§ 2543.85 Rights to inventions made under a contract or agreement.

Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
§ 2543.86 Clean Air Act and the Federal Water Pollution Control Act.

Contracts and subgrants of amounts in excess of $100,000 shall contain a provision that requires the recipient to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401 et seq.) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et seq.). Violations shall be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

§ 2543.87 Byrd anti-lobbying amendment.

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

§ 2543.88 Debarment and suspension.

No contract shall be made to parties listed on the General Services Administration’s List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O.s 12549 and 12689, “Debarment and Suspension.” This list contains the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible under statutory or regulatory authority other than E.O. 12549. Contractors with awards that exceed the small purchase threshold shall provide the required certification regarding its exclusion status and that of its principal employees.
§ 2544.115 Who may offer a donation?

Anyone, including an individual, group of individuals, organization, corporation, or association may offer a donation to the Corporation.

§ 2544.120 What personal services from a volunteer may be solicited and accepted?

A donation in the form of personal services from a volunteer may be solicited and accepted to assist the Corporation in carrying out its duties. However, volunteers may not perform an inherently governmental function.

§ 2544.125 Who has the authority to solicit and accept or reject a donation?

The Chief Executive Officer (CEO) of the Corporation has the authority to solicit, accept, or reject a donation offered to the Corporation and to make the determinations described in §2544.130 (c) and (d). The CEO may delegate this authority in writing to other officials of the Corporation.

§ 2544.130 How will the Corporation determine whether to solicit or accept a donation?

(a) The Corporation will solicit and accept a donation only for the purpose of furthering the mission and goals of the Corporation.

(b) In order to be accepted, the donation must be economically advantageous to the Corporation, considering foreseeable expenditures for matters such as storage, transportation, maintenance, and distribution.

(c) An official or employee of the Corporation will not solicit or accept a donation if the solicitation or acceptance would present a real or apparent conflict of interest. An apparent conflict of interest is presented if the solicitation or acceptance would raise a question in the mind of a reasonable person, with knowledge of the relevant facts, about the integrity of the Corporation’s programs or operations.

(d) The Corporation will determine whether a conflict of interest exists by considering any business relationship, financial interest, litigation, or other factors that may indicate such a conflict. Donations of property or voluntary services may not be solicited or accepted from a source which:

(1) Is a party to a grant or contract with the Corporation or is seeking to do business with the Corporation;

(2) Has pecuniary interests that may be substantially affected by performance or nonperformance of the Corporation; or

(3) Is an organization a majority of whose members are described in paragraphs (d)(1) and (2) of this section.

(e) Any solicitation or offer of a donation that raises a question or concern of a potential, real, or apparent conflict of interest will be forwarded to

770
§ 2544.135 How should an offer of a donation be made?

(a) In general, an offer of donation should be made by providing a letter of tender that offers a donation. The letter should be directed to an official authorized to accept donations, describe the property or service offered, and specify any purpose for, or condition on, the use of the donation.

(b) If an offer is made orally, the Corporation will send a letter of acknowledgment to the offeror. If the donor is anonymous, the Corporation will prepare a memorandum to the file acknowledging receipt of a tendered donation and describing the donation including any special terms or conditions.

(c) Only those employees or officials with expressed notice of authority may accept donations on behalf of the Corporation. If an offer is directed to an unauthorized employee or official of the Corporation, that person must immediately forward the offer to an appropriate official for disposition.

§ 2544.140 How will the Corporation accept or reject an offer?

(a) In general, the Corporation will respond to an offer of a donation in writing and include in the response:

1. An acknowledgment of receipt of the offer;
2. A brief description of the offer and any purpose or condition that the offeror specified for the use of the donation;
3. A statement either accepting or rejecting the donation; and
4. A statement informing the donor that any acceptance of services or property can not be used in any manner, directly or indirectly, that endorses the donor’s products or services or appears to benefit the financial interests or business goals of the donor.

(b) If a purpose or condition for the use of the donation specified by the offeror can not be accommodated, the Corporation may request the offeror to modify the terms of the donation.

§ 2544.145 What will be done with property that is not accepted?

In general, property offered to the Corporation but not accepted will be returned to the offeror. If the offeror is unknown or the donation would spoil if returned, the property will either be disposed of in accordance with Federal Property Management regulations (41 CFR chapter 101) or given to local charities determined by the Corporation.

§ 2544.150 How will accepted donations be recorded and used?

(a) All accepted donations of money and other property will be reported to the Chief Financial Officer (CFO) of the Corporation for recording and appropriate disposition.

(b) All donations of personal services of a volunteer will be reported to the CFO and to the Personnel Division of the Corporation for processing and documentation.

(c) Donations not designated for a particular purpose will be used for an authorized purpose described in § 2544.125.

(d) Property will be used as nearly as possible in accordance with the terms of the donation. If no terms are specified, or the property can no longer be used for its original purpose, the property will be converted to another authorized use or sold in accordance with Federal regulations. The proceeds of the sale will be used for an authorized purpose described in § 2544.125.

PART 2550—REQUIREMENTS AND GENERAL PROVISION FOR STATE COMMISSIONS, ALTERNATIVE ADMINISTRATIVE ENTITIES AND TRANSITIONAL ENTITIES

Sec. 2550.10 What is the purpose of this part?
2550.20 Definitions.
2550.30 How does a State decide which of the three entities to establish?
2550.40 How does a State get Corporation authorization and approval for the entity it has chosen?
2550.50 What are the composition requirements and other requirements, restrictions or guidelines for State Commissions?
2550.60 From which of the State Commission requirements is an Alternative Administrative Entity exempt?
§ 2550.10 What is the purpose of this part?

(a) The Corporation for National and Community Service (the Corporation) seeks to meet the Nation’s pressing human, educational, environmental and public safety needs through service and to reinvigorate the ethic of civic responsibility across the Nation. If the Corporation is to meet these goals, it is critical for each of the States to be actively involved.

(b) The Corporation will distribute nearly $200 million in grants under sub-title C of the Act (hereinafter, “sub-title C”) to help establish, operate and expand national service programs. At least two-thirds of these funds will go to the States, which will in turn subgrant to State agencies or local programs. However, in order to be eligible to apply for program funding and/or approved national service positions with an educational award, each State is required to establish a State Commission on National and Community Service to administer the State program grantmaking process and to develop a State plan. The Corporation may, in some instances approve Alternative Administrative Entities (AAEs) or allow a State agency to perform the duties of the State Commission. (For the purposes of this part, a State agency which has been authorized by the Corporation to perform State Commission duties is called a “Transitional Entity”.)

(c) The Corporation recognizes that establishing and operating State Commissions involves significant effort and cost. Therefore, grants of between $125,000 and $750,000 will be distributed to the States to cover the Federal share of operating the State Commissions, AAEs, or Transitional Entities. (For the purposes of this part, notwithstanding the definition of “State” that appears in the National and Community Service Act of 1990, as amended (the Act), “State” means the 50 States, the District of Columbia, and Puerto Rico.) In order to receive any Corporation grant, however, a State must commit to establishing a State Commission or AAE as soon as possible.

(d) The purpose of this part is to provide States with the basic information essential to participate in the sub-title C programs. Of equal importance, this part gives an explanation of the preliminary steps States must take in order to receive money from the Corporation. This part also offers guidance on which of the three State entities States should seek to establish, and it explains the composition requirements, duties, responsibilities, restrictions, and other relevant information regarding State Commissions, AAEs, and approved Transitional Entities.

§ 2550.20 Definitions.

(a) AAE. Alternative Administrative Entity.

(b) Administrative costs. As used in this part, those costs incurred by a State in the establishing and operating a State entity; the specific administrative costs for which a Corporation administrative grant may be used as defined in the Uniform Administrative Requirements for Grants and Agreements to State and Local Governments.

(c) Alternative Administrative Entity (AAE). A State entity approved by the Corporation to perform the duties of a State Commission, including developing a three-year comprehensive national service plan, preparing applications to the Corporation for funding and approved national service positions, and administering service program grants; in general, an AAE must meet the same composition and other requirements as a State Commission, but may receive waivers from the Corporation to accommodate State laws.
that prohibit inquiring as to the political affiliation of members, to have more than 25 voting members (the maximum for a State Commission), and/or to select members in a manner other than selection by the chief executive officer of the State.

(d) Approved National Service Position. A national service program position for which the Corporation has approved the provision of a national service educational award as one of the benefits to be provided for successful completion of a term of service.

(e) Corporation. As used in this part, the Corporation for National and Community Service established pursuant to the National and Community Service Trust Act of 1993 (42 U.S.C. 12651).

(f) Corporation representative. Each of the individuals employed by the Corporation for National and Community Service to assist the States in carrying out national and community service activities; the Corporation representative must be included as a member of the State Commission or AAE.

(g) Indian tribe. (1) An Indian tribe, band, nation, or other organized group or community, including—

(i) Any Native village, as defined in section 3(c) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602(c)), whether organized traditionally or pursuant to the Act of June 18, 1934 (commonly known as the "Indian Reorganization Act"; 48 Stat. 984, chapter 576, 25 U.S.C. 461 et seq.); and

(ii) Any Regional Corporation or Village Corporation as defined in the Alaska Native Claims Settlement Act (43 U.S.C. 1602 (g) or (j)), that is recognized as eligible for the special programs and services provided by the United States under Federal law to Indians because of their status as Indians; and

(2) Any tribal organization controlled, sanctioned, or chartered by an entity described in paragraph (g)(1) of this section.

(h) Older adult. An individual 55 years of age or older.

(i) Service-learning. A method under which students or participants learn and develop through active participation in thoughtfully organized service that is conducted in and meets the needs of a community and that is coordinated with an elementary school, secondary school, institution of higher education, or community service program, and with the community; service-learning is integrated into and enhances the academic curriculum of the students, or the educational components of the community service program in which the participants are enrolled, and it provides time for the students or participants to reflect on the service experience.

(j) Service learning programs. The totality of the service learning programs receiving assistance from the Corporation under subtitle B of the Act, either directly or through a grant-making entity; this includes school-based, community-based, and higher education-based service-learning programs.

(k) State. As used in this part, the term State refers to each of the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico.

(l) State Commission. A bipartisan or nonpartisan State entity, approved by the Corporation, consisting of 15–25 members (appointed by the chief executive officer of the State), that is responsible for developing a comprehensive national service plan, assembling applications for funding and approved national service positions, and administering national and community service programs in the State.

(m) State Educational Agency. The same meaning given to such term in section 1471(23) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2891(23)).

(n) State entity. A State Commission, AAE, or Transitional Entity that has been authorized by the Corporation to perform the duties of a State Commission.

(o) Transitional Entity. An existing State agency which has been authorized by the Corporation to perform the duties of a State Commission; the Corporation will not authorize the use of a Transitional Entity unless a State is demonstrably unable to establish a State Commission or AAE.

§ 2550.30 How does a State decide which of the three entities to establish?

(a) Although each State's chief executive officer has the authority to select
§ 2550.40 How does a State obtain Corporation authorization and approval for the entity it has chosen?

(a) To receive approval of a State Commission or AAE, a State must formally establish an entity that meets the corresponding composition, membership, authority, and duty requirements of this part. (For the AAE, a State must demonstrate why it is impossible or unreasonable to establish a State Commission; an approved AAE, however, has the same rights and responsibilities as a State Commission.) Once the entity is established, the State must provide written notice—in a format to be prescribed by the Corporation—to the chief executive officer of the Corporation of the composition, membership, and authorities of the State Commission or AAE and explain how the entity will perform its duties and functions. Further, the State must agree to, first, request approval from the Corporation for any subsequent changes in the composition or duties of a State Commission or AAE the State may wish to make, and, second, to comply with any future changes in Corporation requirements with regard to the composition or duties of a State Commission or AAE. If a State meets the applicable requirements, the Corporation will approve the State Commission or AAE.

(b) If the Corporation rejects a State application for approval of a State Commission or AAE because that application does not meet one or more of the requirements of §§ 2550.50 or 2550.60, it will notify the State of the reasons for rejection and offer assistance to make any necessary changes. The Corporation will reconsider revised applications within 14 working days of resubmission.

(c) To receive approval to use an existing State agency as a Transitional Entity, a State must, first, satisfactorily demonstrate why it is unable to establish a State Commission or AAE, and, second, explain how it will carry out the duties of the State Commission and conduct a broad-based, open and inclusive planning process in a non-political manner. In addition, in order to receive any administrative funds from the Corporation, a State must commit to establish a State Commission or AAE as soon as possible, and prior to the expiration of the 27-month transition period ending on December 21, 1995. Administrative grants will only be given for up to 12-month periods. If a Transitional Entity wishes to receive an additional administrative grant subsequent to the expiration of an initial 12-month administrative grant, that
State entity must demonstrate satisfactory progress toward establishment of a State Commission or AAE.

§ 2550.50 What are the composition requirements and other requirements, restrictions or guidelines for State Commissions?

The following provisions apply to both State Commissions and AAEs, except that AAEs may obtain waivers from certain provisions as explained in § 2550.60.

(a) Size of the State Commission and terms of State Commission members. The chief executive officer of a State must appoint 15–25 voting members to the State Commission (in addition to any non-voting members he or she may appoint). Voting members of a State Commission must be appointed to renewable three-year terms, except that initially a chief executive officer must appoint a third of the members to one-year terms and another third of the members to two-year terms.

(b) Required voting members on a State Commission. A member may represent none, one, or more than one category, but each of the following categories must be represented:

(1) A representative of a community-based agency or organization in the State;
(2) The head of the State education agency or his or her designee;
(3) A representative of local government in the State;
(4) A representative of local labor organizations in the State;
(5) A representative of business;
(6) An individual between the ages of 16 and 25, inclusive, who is a participant or supervisor of a service program for school-age youth, or of a campus-based or national service program;
(7) A representative of a national service program;
(8) An individual with expertise in the educational, training, and development needs of youth, particularly disadvantaged youth; and
(9) An individual with experience in promoting the involvement of older adults (age 55 and older) in service and volunteerism.

(c) Appointment of other voting members of a State Commission. Any remaining voting members of a State Commission are appointed at the discretion of the chief executive officer of the State; however, although this list should not be construed as exhaustive, the Corporation suggests the following types of individuals:

(1) Educators, including representatives from institutions of higher education and local education agencies;
(2) Experts in the delivery of human, educational, environmental, or public safety services to communities and persons;
(3) Representatives of Indian tribes;
(4) Out-of-school or at-risk youth; and
(5) Representatives of programs that are administered or receive assistance under the Domestic Volunteer Service Act of 1973, as amended (DVSA) (42 U.S.C. 4950 et seq.).

(d) Appointment of ex officio, non-voting members of a State Commission. The chief executive officer of a State may appoint as ex officio, non-voting members of the State Commission officers or employees of State agencies operating community service, youth service, education, social service, senior service, or job training programs.

(e) Other composition requirements. To the extent possible, the chief executive officer of a State shall ensure that the membership of the State Commission is balanced with respect to race, ethnicity, age, gender, and disability characteristics. Not more than 50% plus one of the members of a State Commission may be from the same political party. In addition, the number of voting members of a State Commission who are officers or employees of the State may not exceed 25% of the total membership of that State Commission.

(f) Selection of Chairperson. The chairperson is elected by the voting members of a State Commission. To be eligible to serve as chairperson, an individual must be an appointed, voting member of a State Commission.

(g) Vacancies. If a vacancy occurs on a State Commission, a new member must be appointed by the chief executive officer of the State to serve for the remainder of the term for which the predecessor of such member was appointed. The vacancy will not affect the power of the remaining members to execute the duties of the Commission.
§ 2550.60 Compensation of State Commission members. A member of a State Commission may not receive compensation for his or her services, but may be reimbursed (at the discretion of the State) for travel and daily expenses in the same manner as employees intermittently serving the State.

(i) The role of the Corporation representative. The Corporation will designate one of its employees to serve as a representative to each State or group of States. This individual must be included as an ex officio member on the State Commission, and may be designated as a voting member by the chief executive officer of a State. However, because the Corporation wishes to encourage State autonomy in the design and development of the State plan and in State national service programs, States are discouraged from allowing the Corporation representative to vote. In general, the Corporation representative will be responsible for assisting States in carrying out national service activities.

§ 2550.60 From which of the State Commission requirements is an Alternative Administrative Entity exempt?

(a) An AAE is not automatically exempt from any of the requirements that govern State Commissions. However, there are three specific State Commission requirements which the Corporation may waive if a State can demonstrate that one or more of them is impossible or unreasonable to meet. If the Corporation waives a State Commission requirement for a State entity, that entity becomes an AAE; in all other respects an AAE is the same as a State Commission, having the same requirements, rights, duties and responsibilities.

(3) The requirement that not more than 50% plus one of the State Commission’s voting members be from the same political party. This requirement was established to prevent State Commissions from being politically motivated or controlled; however, in some States it is illegal to require prospective members to provide information about political party affiliation. For this or another compelling reason, the Corporation may grant a waiver.

(b) Again, any time the Corporation grants one or more of these waivers for a State entity, that entity becomes an AAE; in all other respects an AAE is the same as a State Commission, having the same requirements, rights, duties and responsibilities.

§ 2550.70 What are the composition or other requirements for Transitional Entities?

Because a Transitional Entity is by definition contained within a State agency, there are no membership or composition requirements. If a State takes the necessary steps to obtain approval for a Transitional Entity (listed in §2550.40(c)), it meets the requirements of a Transitional Entity.

§ 2550.80 What are the duties of the State entities?

The duties of each of the three eligible State entities—States Commissions, AAEs and Transitional Entities—are precisely the same. The duties listed in this section apply to all three, and they are jointly referred to as “State entities.” Functions described in paragraphs (a) through (d) of this section require policymaking and may not be delegated to another State agency or nonprofit organization. Functions described in paragraphs (e) through (j) of this section are non-policymaking and may be delegated to another State agency or nonprofit organization. The duties are as follows:

(a) Development of a three-year comprehensive national and community service plan and establishment of State priorities. The State entity must develop and annually update a Statewide plan for national service that is consistent with the Corporation’s broad goals of meeting human, educational, environmental and public safety needs and
Corporation for National and Community Service

§ 2250.80

that meets the following minimum requirements:

(1) The plan must be developed through an open and public process (such as through regional forums or hearings) that provides for maximum participation and input from national service programs within the State, and from other interested members of the public.

(2) The outreach process must, to the maximum extent practicable, include input from representatives of established State service programs, representatives of diverse, broad-based community organizations that serve underserved populations, and other interested individuals, including young people; the State entity should do so by creating State networks and registries or by utilizing existing ones.

(3) The plan may contain such other information as the State Commission considers appropriate and must contain such other information as the Corporation may require.

(b) Pre-selection of subtitle C programs and preparation of application to the Corporation. Each State must:

(1) Administer a competitive process to select national service programs to be included in any application to the Corporation for funding; and

(2) Prepare an application to the Corporation to receive funding and/or educational awards for the programs selected pursuant to paragraph (b)(1) of this section.

(c) Preparation of Service Learning applications. (1) The State entity is required to assist the State education agency in preparing the application for subtitle B school-based service learning programs.

(2) The State entity may apply to the Corporation to receive funding for community-based subtitle programs after coordination with the State Educational Agency.

(d) Administration of the grants program. After subtitle C and community-based subtitle B funds are awarded, States entities will be responsible for administering the grants and overseeing and monitoring the performance and progress of funded programs.

(e) Evaluation and monitoring. State entities, in concert with the Corporation, shall be responsible for implementing comprehensive, non-duplicative evaluation and monitoring systems.

(f) Technical assistance. The State entity will be responsible for providing technical assistance to local nonprofit organizations and other entities in planning programs, applying for funds, and in implementing and operating high quality programs. States should encourage proposals from underserved communities.

(g) Program development assistance and training. The State entity must assist in the development of subtitle C programs; such development might include staff training, curriculum materials, and other relevant materials and activities. A description of such proposed assistance must be included in the State comprehensive plan referred to in paragraph (a) of this section. A State may apply for additional subtitle C programs training and technical assistance funds to perform these functions. The Corporation will issue notices of availability of funds with respect to training and technical assistance.

(h) Recruitment and placement. The State entity, as well as the Corporation, will develop mechanisms for recruitment and placement of people interested in participating in national service programs.

(i) Benefits. The State entity shall assist in the provision of health and child care benefits to subtitle C program participants, as will be specified in the regulations implementing the subtitle C programs.

(j) Activity ineligible for assistance. A State Commission or AAE may not directly operate or run any national service program receiving financial assistance, in any form, from the Corporation.

(k) Make recommendations to the Corporation with respect to priorities within the State for programs receiving assistance under DVSA.

(l) Coordination. (1) Coordination with other State agencies.—A State entity must coordinate its activities with the activities of other State agencies that administer Federal financial assistance programs under the Community Services Block Grant Act (42 U.S.C. 9901 et
§ 2550.90 Are there any restrictions on the activities of the members of State Commissions or Alternative Administrative Entities?

To avoid a conflict of interest (or the appearance of a conflict of interest) regarding the provision of assistance or approved national service positions, members of a State Commission or AAE must adhere to the following provisions:

(a) General restriction. Members of State Commissions and AAEs are restricted in several ways from the grant approval and administration process for any grant application submitted by an organization for which they are currently, or were within one year of the submission of the application, officers, directors, trustees, full-time volunteers or employees. The restrictions for such individuals are as follows:

(1) They cannot assist the applying organization in preparing the grant application;

(2) They must recuse themselves from the discussions or decisions regarding the grant application and any other grant applications submitted to the Commission or AAE under the same program (e.g., subtitle B programs or subtitle C programs); and

(3) They cannot participate in the oversight, evaluation, continuation, suspension or termination of the grant award.

(b) Exception to achieve a quorum. If this general restriction creates a situation in which a Commission or AAE does not have enough eligible voting members to achieve a quorum, the Commission or AAE may involve some normally-excluded members subject to the following conditions:

(1) A Commission or AAE may randomly and in a non-discretionary manner select the number of refused members necessary to achieve a quorum;

(2) Notwithstanding paragraph (b)(1) of this section, no Commission or AAE member may, under any circumstance, participate in any discussions or decisions regarding a grant application submitted by an organization with which he or she is or was affiliated according to the definitions in paragraph (a) of this section; and

(3) If recused members are included so as to achieve a quorum, the State Commission or AAE must document the event and report to the Corporation within 30 days of the vote.

(c) Rule of construction. Paragraph (a) of this section shall not be construed to limit the authority of any voting member of the State Commission or AAE to participate in—

(1) Discussion of, and hearings and forums on, the general duties, policies and operations of the Commission or AAE, or general program administration; or

(2) Similar general matters relating to the Commission or AAE.

§ 2550.100 Do State entities or their members incur any risk of liability?

(a) State liability. Except as provided in paragraph (b) of this section, a State must agree to assume liability with respect to any claim arising out of or resulting from any act or omission by a member of the State Commission or AAE, within the scope of the service of that member.

(b) Individual liability. A member of the State Commission or AAE shall have no personal liability with respect to any claim arising out of or resulting from any act or omission by that member, within the scope of the service of
that member. This does not, however, limit personal liability for criminal acts or omissions, willful or malicious misconduct, acts or omissions for private gain, or any other act or omission outside the scope of the service of that member. Similarly, this part does not limit or alter in any way any other immunities that are available under applicable law for State officials and employees not described in this section; nor does this part affect any other right or remedy against the State or any person other than a member of a State Commission or AAE.

§ 2550.110 What money will be available from the Corporation to assist in establishing and operating a State Commission, Alternative Administrative Entity, or Transitional Entity?

(a) Range of grants. The Corporation may make administrative grants to States of between $125,000 and $750,000 (inclusive) for the purpose of establishing or operating a State Commission or AAE, these grants will be available to States which have Corporation-approved Transitional Entities only if those States commit to establishing a Corporation-approved State Commission or AAE prior to the expiration of the transitional period.

(b) Limitation on Federal share. Notwithstanding the amounts specified in this section, the amount of a grant that may be provided to a State under this subsection, together with other Federal funds available to establish or operate the State Commission or AAE, may not exceed 85 percent of the total cost to establish or operate the State Commission or AAE for the first year for which the State Commission or AAE receives an administrative grant under this section.¹ In subsequent years, the Corporation will establish larger matching requirements for States so that by the fifth and subsequent years of assistance, the Federal share does not exceed 50 percent.

§ 2551.113 What financial obligation does the Corporation incur for non-Corporation funded projects?

Entry into a Memorandum of Agreement with, or issuance of an NGA to a sponsor of a non-Corporation funded project, does not create a financial obligation on the part of the Corporation for any costs associated with the project, including increases in required payments to Senior Companion’s that may result from changes in the Act or in program regulations.

§ 2551.114 What happens if a non-Corporation funded sponsor does not comply with the Memorandum of Agreement?

A non-Corporation funded project sponsor’s noncompliance with the Memorandum of Agreement may result in suspension or termination of the Corporation’s agreement and all benefits specified in §2551.112.
§2551.121 What legal limitations apply to the operation of the Senior Companion Program and to the expenditure of grant funds?

(a) Political activities. (1) No part of any grant shall be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity.

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(3) A Senior Companion volunteer station may contribute to the financial support of the Senior Companion Program. However, this support shall not be a required precondition for a potential station to obtain Senior Companion service.

(4) If a volunteer station agrees to provide funds to support additional Senior Companions or pay for other Senior Companion support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station’s inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project’s financial capabilities to fulfill its obligations.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) Disproportion in classes. Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student’s sex.

§ 2555.440 Health and insurance benefits and services.

Subject to §2555.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§2555.500 through 2555.550 if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. (b) Pregnancy and related conditions. (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student’s pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient’s educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student’s physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 2555.450 Athletics.

(a) General. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) Equal opportunity. (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. (2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant’s or employee’s employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§2555.500 through 2555.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and
(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 2555.510 Recruitment.
(a) Nondiscriminatory recruitment and hiring. A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated against so as to overcome the effects of such past or present discrimination.

(b) Recruitment patterns. A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§2555.500 through 2555.550.

§ 2555.515 Compensation.
A recipient shall not make or enforce any policy or practice that, on the basis of sex:
(a) Makes distinctions in rates of pay or other compensation;

§ 2555.525 Fringe benefits.
(a) “Fringe benefits” defined. For purposes of these Title IX regulations, fringe benefits means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of §2555.515.

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or
(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.
§ 2555.530 Marital or parental status.

(a) General. A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or

In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 2555.535 Effect of state or local law or other requirements.

(a) Prohibitory requirements. The obligation to comply with §§2555.500 through 2555.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee’s sex in relation
