To cite the regulations in this volume use title, part and section number. Thus, 5 CFR 1.1 refers to title 5, part 1, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 as of January 1
- Title 17 through Title 27 as of April 1
- Title 28 through Title 41 as of July 1
- Title 42 through Title 50 as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, January 1, 2001), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96–511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

EDITORIAL NOTE: Chapter I—Office of Personnel Management is continued in the volume containing 5 CFR parts 700 to 1199.
SUBCHAPTER A—CIVIL SERVICE RULES

PART 1—COVERAGE AND DEFINITIONS (RULE I)

Sec. 1.1 Positions and employees affected by the rules in this subchapter.
1.2 Extent of the competitive service.
1.3 Definitions.
1.4 Extent of the excepted service.

SOURCE: 28 FR 10022, Sept. 14, 1963, unless otherwise noted.

§ 1.1 Positions and employees affected by the rules in this subchapter.

The rules in this subchapter shall apply to all positions in the competitive service and to all incumbents of such positions. Except as expressly provided in the rule concerned, the rules in this subchapter shall not apply to positions and employees in the excepted service.

§ 1.2 Extent of the competitive service.

The competitive service shall include: (a) All civilian positions in the executive branch of the Government unless specifically excepted therefrom by or pursuant to statute or by the Office of Personnel Management (hereafter referred to in this subchapter as OPM) under §6.1 of this subchapter; and (b) all positions in the legislative and judicial branches of the Federal Government and in the Government of the District of Columbia which are specifically made subject to the civil service laws by statute. OPM is authorized and directed to determine finally whether a position is in the competitive service.

§ 1.3 Definitions.

As used in the rules in this subchapter:
(a) Competitive service shall have the same meaning as the words “classified service”, or “classified (competitive) service”, or “classified civil service” as defined in existing statutes and executive orders.
(b) Competitive position shall mean a position in the competitive service.
(c) Competitive status shall mean basic eligibility to be noncompetitively selected to fill a vacancy in a competitive position. A competitive status shall be acquired by career-conditional or career appointment through open competitive examination upon satisfactory completion of a probationary period, or may be granted by statute, executive order, or the Civil Service Rules without competitive examination. A person with competitive status may be promoted, transferred, reassigned, reinstated, or demoted without taking an open competitive examination, subject to the conditions prescribed by the Civil Service Rules and Regulations.
(d) An employee shall be considered as being in the competitive service when he has a competitive status and occupies a competitive position unless he is serving under a temporary appointment: Provided, that an employee who is in the competitive service at the time his position is first listed under Schedule A, B, or C shall be considered as continuing in the competitive service as long as he continues to occupy such position.
(e) Tenure shall mean the period of time an employee may reasonably expect to serve under his current appointment. Tenure shall be granted and governed by the type of appointment under which an employee is currently serving without regard to whether he has a competitive status or whether his appointment is to a competitive position or an excepted position.

§ 1.4 Extent of the excepted service.

(a) The excepted service shall include all civilian positions in the executive branch of the Government which are specifically excepted from the requirements of the Civil Service Act or from the competitive service by or pursuant to statute or by OPM under §6.1 of this subchapter.
(b) Excepted service shall have the same meaning as the words “unclassified service”, or “unclassified civil service”, or “positions outside the competitive civil service” as used in existing statutes and executive orders.
(c) Excepted position shall have the same meaning as “unclassified position”, or “position excepted by law”, or “position excepted by executive order”, or “position excepted by Civil Service Rule”, or “position outside the competitive service” as used in existing statutes and Executive orders.

PART 2—APPOINTMENT THROUGH THE COMPETITIVE SYSTEM (RULE II)

Sec. 2.1 Competitive examinations and eligible registers.
2.2 Appointments.
2.3 Apportionment.
2.4 Probationary period.

SOURCE: 28 FR 10023, Sept. 14, 1963, unless otherwise noted.

§ 2.1 Competitive examinations and eligible registers.

(a) OPM shall be responsible for open competitive examinations for admission to the competitive service which will fairly test the relative capacity and fitness of the persons examined for the position to be filled. OPM is authorized to establish standards with respect to citizenship, age, education, training and experience, suitability, and physical and mental fitness, and for residence or other requirements which applicants must meet to be admitted to or rated in examinations.

(b) In addition to the names of persons who qualify in competitive examinations, the names of persons who have lost eligibility on a career or career-conditional register because of service in the armed forces, and the names of persons who lost opportunity for certification or who have served under career or career-conditional appointment when OPM determines that they should be given certification, may also be entered at such places on appropriate registers and under such conditions as OPM may prescribe.

(c) Whenever the Office of Personnel Management (1) is unable to certify a sufficient number of names to permit the appointing officer to consider three eligibles for appointment to a fourth-class postmaster position in accordance with the regular procedure, or (2) finds that a particular rate of compensation for fourth-class postmaster positions is too low to warrant regular competitive examinations for such positions, it may authorize appointment to any such position or positions in accordance with such procedure as may be prescribed by OPM. Persons appointed under this paragraph may acquire competitive status subject to satisfactory completion of a probationary period prescribed by OPM.

§ 2.2 Appointments.

(a) OPM shall establish and administer a career-conditional appointment system for positions subject to competitive examinations which will permit adjustment of the career service to necessary fluctuations in Federal employment, and provide an equitable and orderly system for stabilizing the Federal work force. A competitive status shall be acquired by a career-conditional appointee upon satisfactory completion of a probationary period, but the appointee shall have career-conditional tenure for a period of service to be prescribed by regulation of OPM. When an employee has completed the required period of service his appointment shall be converted to a career appointment without time limitation: Provided, That his career-conditional appointment shall not be converted to a career appointment if the limitation on the number of permanent employees in the Federal civil service established under paragraph (b) of this section would be exceeded thereby. Persons selected from competitive civil service registers for other than temporary appointment shall be given career-conditional appointments: Provided, That career appointments shall be given to the following classes of eligibles:

1. Persons whose appointments are required by statute to be made on a permanent basis;

2. Employees serving under career appointments at the time of selection from such registers;

3. Former employees who have eligibility for career appointments upon reinstatement; and

4. To the extent permitted by law, persons appointed to positions in the field service of the U.S. Postal Service for which salary rates are fixed by the
act of July 6, 1945, 59 Stat. 435, as here-tofore or hereafter amended and supplemented.

(b) Under the career-conditional appointment system there shall be a limit on the number of permanent employees in the Federal civil service which shall be the ceiling established by section 1310 of the Supplemental Appropriation Act, 1952 (65 Stat. 757), as amended. In the event section 1310, supra, is repealed, OPM is authorized to fix such limitation on the number of permanent employees in the Federal civil service as it finds necessary to meet the needs of the service.

(c) OPM may determine the types, duration, and conditions of indefinite and temporary appointments, and may prescribe the method for replacing persons holding such appointments.

§ 2.3 Apportionment.

Subject to such modifications as OPM finds to be necessary in the interest of good administration, appointments to positions in agencies' headquarters offices which are located within the metropolitan area of Washington, DC, shall be made so as to maintain the apportionment of appointments among the several States, Territories, and the District of Columbia upon the basis of population.

§ 2.4 Probationary period.

Persons selected from registers of eligibles for career or career-conditional appointment and employees promoted, transferred, or otherwise assigned, for the first time, to supervisory or managerial positions shall be required to serve a probationary period under terms and conditions prescribed by the Office.

[45 FR 4337, Jan. 22, 1980]

PART 3—NONCOMPETITIVE ACQUISITION OF STATUS (RULE III)

Sec.
3.1 Classes of persons who may noncompetitively acquire status.
3.2 Appointments without competitive examination in rare cases.
3.3 Conversion of appointments.

SOURCE: 28 FR 10023, Sept. 14, 1963, unless otherwise noted.

§ 3.1 Classes of persons who may noncompetitively acquire status.

(a) Upon recommendation by the agency concerned, and subject to such noncompetitive examination, time limits, or other requirements as OPM may prescribe the following classes of persons may acquire a competitive status without competitive examination:

(1) A person holding a permanent position when it is placed in the competitive service by statute or executive order or is otherwise made subject to competitive examination.

(2) A disabled veteran who, in a manner satisfactory to OPM, has completed a course of training in the executive branch of the Government prescribed by the Administrator of Veterans' Affairs in accordance with the act of March 24, 1943 (57 Stat. 43).

(3) An employee who has served at least two years in the immediate office of the President or on the White House Staff and who is transferred to a competitive position at the request of an agency.

(4) An employee who was serving when his name was reached for certification on a civil service register appropriate for the position in which he was serving: Provided, That the recommendation for competitive status is made prior to expiration of the register on which his name appears or is made during a period of continuous service since his name was reached: Provided further, That the register was being used for appointments conferring competitive status at the time his name was reached.

(b) Upon recommendation by the employing agency, and subject to such requirements as the Office of Personnel Management may prescribe, the following classes of handicapped employees may acquire competitive status without competitive examination:

(1) A severely physically handicapped employee who completes at least two years of satisfactory service in a position excepted from the competitive service.

(2) A mentally retarded employee who completes at least two years of
§ 3.2
satisfactory service in a position excepted from the competitive service.

(3) An employee with a psychiatric disability who completes at least 2 years of satisfactory service in a position excepted from the competitive service.

§ 3.2 Appointments without competitive examination in rare cases.

Subject to receipt of satisfactory evidence of the qualifications of the person to be appointed, OPM may authorize an appointment in the competitive service without competitive examination whenever it finds that the duties or compensation of the position are such, or that qualified persons are so rare, that, in the interest of good civil service administration, the position cannot be filled through open competitive examination. Any person here-tofore or hereafter appointed under this section shall acquire a competitive status upon completion of at least one year of satisfactory service and compliance with such requirements as OPM may prescribe. Detailed statements of the reasons for the noncompetitive appointments made under this section shall be published in OPM’s annual reports.

§ 3.3 Conversion of appointments.

Any person who acquires a competitive status under this part shall have his appointment converted to career-conditional appointment unless he meets the service requirement for career appointment prescribed under § 2.2(a) of this subchapter.

PART 4—PROHIBITED PRACTICES (RULE IV)

Sec. 4.1 Prohibition against political activity.
4.2 Prohibition against racial, political or religious discrimination.
4.3 Prohibition against securing withdrawal from competition.

§ 4.1 Prohibition against political activity.

No person employed in the executive branch of the Federal Government, or any agency or department thereof, shall use his official authority or influence for the purpose of interfering with an election or affecting the result thereof. No person occupying a position in the competitive service shall take any active part in political management or in political campaigns, except as may be provided by or pursuant to statute. All such persons shall retain the right to vote as they may choose and to express their opinions on all political subjects and candidates.

[28 FR 10024, Sept. 14, 1963]

§ 4.2 Prohibition against racial, political or religious discrimination.

No person employed in the executive branch of the Federal Government who has authority to take or recommend any personnel action with respect to any person who is an employee in the competitive service or any eligible or applicant for a position in the competitive service shall make any inquiry concerning the race, political affiliation, or religious beliefs of any such employee, eligible, or applicant. All disclosures concerning such matters shall be ignored, except as to such membership in political parties or organizations as constitutes by law a disqualification for Government employment. No discrimination shall be exercised, threatened, or promised by any person in the executive branch of the Federal Government against or in favor of any employee in the competitive service, or any eligible or applicant for a position in the competitive service because of his race, political affiliation, or religious beliefs, except as may be authorized or required by law.

[28 FR 10024, Sept. 14, 1963]

§ 4.3 Prohibition against securing withdrawal from competition.

No person shall influence another person to withdraw from competition for any position in the competitive
service for the purpose of either improving or injuring the prospects of any applicant for appointment.

PART 5—REGULATIONS, INVESTIGATION, AND ENFORCEMENT (RULE V)

§ 5.1 Civil Service regulations.

The Director, Office of Personnel Management, shall promulgate and enforce regulations necessary to carry out the provisions of the Civil Service Act and the Veterans' Preference Act, as reenacted in title 5, United States Code, the Civil Service Rules, and all other statutes and Executive orders imposing responsibilities on the Office.

The Director is authorized, whenever there are practical difficulties and unnecessary hardships in complying with the strict letter of the regulation, to grant a variation from the strict letter of the regulation if such a variation is within the spirit of the regulations, and the efficiency of the Government and the integrity of the competitive service are protected and promoted. Whenever a variation is granted the Director shall note the official record to show:

(a) The particular practical difficulty or hardship involved, (b) what is permitted in place of what is required by regulations, (c) the circumstances which protect or promote the efficiency of the Government and the integrity of the competitive service, and (d) a statement limiting the application of the variation to the continuation of the conditions which gave rise to it. Like variations shall be granted whenever like conditions exist. All such decisions and information concerning variations noted in the official record shall be published promptly in a Federal Personnel Manual Letter or Bulletin and in the Director’s next annual report.

§ 5.2 Investigation and evaluations.

The Director may secure effective implementation of the civil service laws, rules, and regulations, and all Executive orders imposing responsibilities on the Office by:

(a) Investigating the qualifications and suitability of applicants for positions in the competitive service. The Director may require appointments to be made subject to investigation to enable the Director to determine, after appointment, that the requirements of law or the civil service rules and regulations have been met.

(b) Evaluating the effectiveness of:

(1) Personnel policies, programs, and operations of Executive and other Federal agencies subject to the jurisdiction of the Office, including their effectiveness with regard to merit selection and employee development; (2) agency compliance with and enforcement of applicable laws, rules, regulations and office directives; and (3) agency personnel management evaluation systems.

(c) Investigating, or directing an agency to investigate and report on, apparent violations of applicable laws, rules, regulations, or directives requiring corrective action, found in the course of an evaluation.

(d) Requiring agencies to report, in a manner and at times as the Director may prescribe, personnel information the Director requests relating to civilian employees in the Executive branch of the Government, as defined by section 311 of the Civil Service Reform Act of 1978, including positions and officers and employees in the competitive, excepted and Senior Executive services, whether permanent, career-conditional, temporary or emergency.

§ 5.3 Enforcement.

(a) The Director is authorized to ensure enforcement of the civil service laws, rules, and regulations, and all applicable Executive orders, by:

(1) Instructing an agency to separate or take other action against an employee serving an appointment subject to investigation when the Director finds that the employee is disqualified.
§ 5.4 Information and testimony.

When required by the Office, the Merit Systems Protection Board, or the Special Counsel of the Merit Systems Protection Board, or by authorized representatives of these bodies, agencies shall make available to them, or to their authorized representatives, employees to testify in regard to matters inquired of under the civil service laws, rules, and regulations, and records pertinent to these matters. All such employees, and all applicants or eligibles for positions covered by these rules, shall give to the Office, the Merit Systems Protection Board, the Special Counsel, or to their authorized representatives, all information, testimony, documents, and material in regard to the above matters, the disclosure of which is not otherwise prohibited by law or regulation. These employees, applicants, and eligibles shall sign testimony given under oath or affirmation before an officer authorized by law to administer oaths. Employees are performing official duty when testifying or providing evidence pursuant to this section.

(b) OPM shall decide whether the duties of any particular position are such that it may be filled as an excepted position under the appropriate schedule.

(c) Notice of OPM’s decision granting authority to make appointments to an excepted position under the appropriate schedule shall be published in the FEDERAL REGISTER.

§ 6.2 Schedules of excepted positions.

OPM shall list positions that it excepts from the competitive service in Schedules A, B, and C, which schedules shall constitute parts of this rule, as follows:

Schedule A. Positions other than those of a confidential or policy-determining character for which it is not practicable to examine shall be listed in Schedule A.

Schedule B. Positions other than those of a confidential or policy-determining character for which it is not practicable to hold a competitive examination shall be listed in Schedule B. Appointments to these positions shall be subject to such noncompetitive examination as may be prescribed by OPM.

Schedule C. Positions of a confidential or policy-determining character shall be listed in Schedule C.

§ 6.3 Method of filing excepted positions and status of incumbents.

(a) The head of an agency may fill excepted positions by the appointment of persons without civil service eligibility or competitive status and such persons shall not acquire competitive status by reason of such appointment: Provided, That OPM, in its discretion, may by regulation prescribe conditions under which excepted positions may be filled in the same manner as competitive positions are filled and conditions under which persons so appointed may acquire a competitive status in accordance with the Civil Service Rules and Regulations.

(b) To the extent permitted by law and the provisions of this part, appointments and position changes in the excepted service shall be made in accordance with such regulations and practices as the head of the agency concerned finds necessary.

§ 6.4 Removal of incumbents of excepted positions.

§ 6.7 Movement of persons between the civil service system and other merit systems.

Whenever OPM and any Federal agency having an established merit system determine it to be in the interest of good administration and consistent with the intent of the civil service laws and any other applicable laws, they may enter into an agreement prescribing conditions under which persons may be moved from one system to the other and defining the status and tenure that the persons affected shall acquire upon such movement.

§ 6.8 Specified exceptions.

(a) Positions in the Department of the Interior and in the Department of Commerce whose incumbents serve as the principal representative of the Secretary in their respective regions shall be listed in Schedule C for grades not

§ 7.1 Discretion in filling vacancies.

In his discretion, an appointing officer may fill any position in the competitive service either by competitive appointment from a civil service register or by noncompetitive selection of a present or former Federal employee, in accordance with the Civil Service Regulations. He shall exercise his discretion in all personnel actions solely on the basis of merit and fitness and without regard to political or religious affiliations, marital status, or race.

§ 7.2 Personnel reports.

Each agency shall report to OPM, in such manner and at such times as OPM may prescribe, such personnel information as it may request relating to positions and officers and employees in the competitive service and in the excepted service, whether permanent or career, career-conditional, indefinite, temporary, emergency, or subject to contract.

§ 7.3 Reemployment rights.

OPM, whenever it determines it to be necessary, shall prescribe regulations governing the release of employees (both within the competitive service and the excepted service) by any agency in the executive branch of the Government for employment in any other agency, and governing the establishment, granting, and exercise of rights to reemployment in the agencies from which employees are released.

§ 7.4 Citizenship.

(a) No person shall be admitted to competitive examination unless such person is a citizen or national of the United States.

(b) No person shall be given any appointment in the competitive service unless such person is a citizen or national of the United States.

PART 8—APPOINTMENTS TO OVERSEAS POSITIONS (RULE VIII)

Sec.

8.1 Additional authority of OPM.

8.2 Appointment of United States citizens.

8.3 Appointment of persons not citizens of the United States.

8.4 Positions excepted from the application of this part.

§ 8.1 Additional authority of OPM.

In addition to authorizing the recruitment and appointment of persons to overseas positions under regulations issued under the preceding Rules, OPM may, by the regulations prescribed by it, authorize the recruitment and appointment of persons to such positions as provided in §8.2. As used in this part, "overseas positions" means positions in foreign countries and in other areas beyond the continental limits of the United States, except as provided in §8.4.

§ 8.2 Appointment of United States citizens.

United States citizens may be recruited overseas for appointment to overseas positions in the competitive service without regard to the competitive requirements of the Civil Service Act. Persons so recruited who meet the qualification standards and other requirements of OPM for overseas positions may be given appointments to be known as "overseas limited appointments." Such appointments shall be of temporary or indefinite duration, and shall not confer the right to acquire a competitive status. OPM may authorize overseas limited appointments for United States citizens recruited within the continental limits of the United States whenever it determines that it is not feasible to appoint from a civil-service register. Persons serving under appointments made pursuant to this section are hereby excluded from the operation of the Civil Service Retirement Act of May 29, 1930, as amended, unless eligible for retirement benefits by continuity of service or otherwise.

§ 8.3 Appointment of persons not citizens of the United States.

Persons who are not citizens of the United States may be recruited overseas and appointed to overseas positions without regard to the Civil Service Act.

§ 8.4 Positions excepted from the application of this part.

This part shall not apply to positions in Hawaii, Puerto Rico, the Virgin Islands, and Alaska, and on the Isthmus of Panama.

PART 9 [RESERVED]
SUBCHAPTER B—CIVIL SERVICE REGULATIONS

PART 110—OPM REGULATIONS AND INFORMATION COLLECTION REQUIREMENTS

Subpart A—Posting Notices of New Regulations

Sec. 110.101 OPM responsibilities.
110.102 Agency responsibilities.

Subpart B—Information Collection Requirements

110.201 OMB control numbers.

AUTHORITY: 5 U.S.C. 1103; Section 110.201 is also issued under 5 U.S.C. 1104, 5 CFR part 5.2(c) and (d); 44 U.S.C. 3507(f); 5 CFR part 1320.

Subpart A—Posting Notices of New Regulations

§ 110.101 OPM responsibilities.

OPM will issue special bulletins to provide notice of its new regulations. Each special bulletin will transmit:

(a) A reprint of the notice of rulemaking which appears in the FEDERAL REGISTER.

(b) A posting notice which briefly explains the nature of the change, and provides a place for the receiving office to indicate where the full text of the FEDERAL REGISTER notice will be available for review locally.

[44 FR 67626, Nov. 27, 1979, as amended at 59 FR 2945, Jan. 20, 1994]

§ 110.102 Agency responsibilities.

(a) Making regulations available for review. Offices receiving the reprints of notices of rulemaking described in §110.101(a) will make them available for review upon request. Each office will complete the posting notice described in §110.101(b) to indicate where and how requests to review these materials should be made.

(b) Posting locations and supplemental announcements. Once completed, posting notices will be displayed in a prominent place. Agencies should choose the posting location which best fits their physical layout. Agencies may, at their discretion, supplement these postings with announcements of new regulations in employee newsletters and use other communication methods to provide notice of regulatory changes. The basic requirement to post the notice continues, however, even if supplemental announcement methods are used.

(c) Posting after the Federal Register comment date passes. The public comment period on proposed regulations begins when a notice of proposed rulemaking is published in the FEDERAL REGISTER, not with the posting of the notice described in §110.101(b). The purpose of the §110.101(b) notice is solely to inform managers and employees of changes. Agencies are required to post the §110.101(b) notice even if the formal deadline for comments shown in the preamble of the FEDERAL REGISTER notice of rulemaking has passed. Agencies should make every reasonable effort to minimize delays in distributing the special bulletins described in §110.101 to their field offices.

(d) No fixed posting period. There are no minimum or maximum time limits on displaying the notice described in §110.101(b) of this section. Each office receiving a notice for posting should choose the posting period which provides the best opportunity to inform managers and employees of regulatory changes based upon office layout, geographic dispersion of employees and other local factors.

[44 FR 67626, Nov. 27, 1979, as amended at 59 FR 2945, Jan. 20, 1994]

(a) Under section 3507(f) of the Paperwork Reduction Act of 1980 (Pub. L. 96–551), control numbers assigned by the Office of Management and Budget must be displayed with agency information collection requirements.

(b) This paragraph displays OMB-assigned control numbers for information collection requirements contained within chapter 1 of this title.

PART 175—OPM MANDATORY REVIEW OF CLASSIFIED DOCUMENTS

Sec.

175.101 Policy.

175.102 Requests for the declassification of documents.

AUTHORITY: E.O. 12065, 43 FR 28949.

§ 175.101  Policy.

[45 FR 955, Jan. 4, 1980]

§ 175.102  Requests for the declassification of documents.

Any Federal agency, Government employee or member of the public has the right to request a mandatory review of any classified document, held by the Office of Personnel Management, which was classified for national security purposes by the Civil Service Commission. The Office of Personnel Management does not have the authority to classify documents.

(a) Requests for mandatory declassification review should be addressed to the Director, Office of Management, or the designee of the Director, who will act on requests within 60 days. Requests need not be made in any special form but shall, as specified in section 3–501 of the Executive order, reasonably describe the information.

(b) Based upon the review, the document, or any reasonably segregable portion thereof that no longer requires protection under the Executive order, shall be declassified and released unless withholding is otherwise warranted under applicable law.

(c) No OPM official will refuse to confirm the existence or non-existence of any document requested under the Freedom of Information Act or the mandatory review provisions of the Executive order, unless the fact of its existence or non-existence would itself be classifiable under the Executive order. OPM Administrative Manual chapter 32, covering OPM policies and procedures relating to classified information or material is available for inspection by the public in the OPM Library, room 5H27, 1900 E. St., NW., Washington, DC, or in one of the 10 OPM regional offices in the following cities:
§ 177.101 Scope of regulations.

The regulations in this part apply only to claims presented or filed with the Office of Personnel Management (OPM) under the Federal Tort Claims Act, as amended, for money damages against the United States for injury to or loss of property or personal injury or death caused by the negligent or wrongful act or omission of an officer or employee of OPM while acting within the scope of his or her office or employment.

§ 177.102 Administrative claim; when presented; appropriate OPM office.

(a) For purposes of the provisions of 28 U.S.C. 2401(b), 2672, and 2673, a claim is deemed to have been presented when OPM receives from a claimant, his or her authorized agent or legal representative, an executed Standard Form 95 (Claim for Damage, Injury or Death), or other written notification of an incident, accompanied by a claim for money damages stating a sum certain (a specific dollar amount) for injury to or loss of property, personal injury, or death alleged to have occurred as a result of the incident.

(b) All claims filed under the Federal Tort Claims Act as a result of alleged negligence or wrongdoing of OPM or its employees will be mailed or delivered to the Office of the General Counsel, United States Office of Personnel Management, 1900 E Street NW, Washington, DC 20415-1300.

(c) A claim must be presented to the Federal agency whose activities gave rise to the claim. A claim that should have been presented to OPM, but was mistakenly addressed to or filed with another Federal agency, is presented to OPM, as required by 28 U.S.C. 2401(b), as of the date the claim is received by OPM. When a claim is mistakenly presented to OPM, OPM will transfer the claim to the appropriate Federal agency, if ascertainable, and advise the claimant of the transfer, or return the claim to the claimant.

(d) A claimant whose claim arises from an incident involving OPM and one or more other Federal agencies, will identify each agency to which the claim has been submitted at the time the claim is presented to OPM. OPM will contact all other affected Federal agencies in order to designate the single agency that will investigate and decide the merits of the claim. In the event a designation cannot be agreed upon by the affected agencies, the Department of Justice will be consulted and will designate an agency to investigate and determine the merits of the claim. The designated agency will notify the claimant that all future correspondence concerning the claim must be directed to that Federal agency. All involved Federal agencies may agree to conduct their own administrative reviews and to coordinate the results, or to have the investigation conducted by the designated Federal agency. But, in either event, the designated agency will be responsible for the final determination of the claim.

(e) A claim presented in compliance with paragraph (a) of this section may be amended by the claimant at any time prior to final agency action or prior to the exercise of the claimant’s option under 28 U.S.C. 2675(a). Amendments must be in writing and signed by the claimant or his or her authorized agent or legal representative. Upon timely filing of an amendment to a pending claim, OPM will have 6 months in which to make a final disposition of
§ 177.103 Administrative claim; who may file.

(a) A claim for injury to or loss of property may be presented by the owner of the property, his or her authorized agent or legal representative.

(b) A claim for personal injury may be presented by the injured person, his or her authorized agent or legal representative.

(c) A claim based on death may be presented by the executor or administrator of the decedent’s estate or by any other person legally entitled to assert a claim under the applicable State law.

(d) A claim for loss totally compensated by an insurer with the rights to subrogate may be presented by the insurer. A claim for loss partially compensated by an insurer with the rights to subrogate may be presented by the insurer or the insured individually, as their respective interests appear, or jointly. When an insurer presents a claim asserting the rights to subrogate, he or she will present with the claim appropriate evidence that he or she has the rights to subrogate.

(e) A claim presented by an agent or legal representative must be presented in the name of the claimant, be signed by the agent or legal representative, show the title or legal capacity of the person signing, and be accompanied by evidence of his or her authority to present a claim on behalf of the claimant as agent, executor, administrator, parent, guardian, or other representative.

§ 177.104 Investigations.

OPM may investigate, or may request any other Federal agency to investigate, a claim filed under this part.

§ 177.105 Administrative claim; evidence and information to be submitted.

3. Full names, addresses, birth date, kinship, and marital status of the decedent’s survivors, including identification of those survivors who were dependent for support from the decedent at the time of death.

4. Degree of support afforded by the decedent to each survivor dependent on him or her for support at the time of death.

5. Decedent’s general physical and mental condition before death.

6. Itemized bills for medical and burial expenses incurred by reason of the incident causing death, or itemized receipts of payment for such expenses.

7. If damages for pain and suffering before death are claimed, a physician’s detailed statement specifying the injuries suffered, duration of pain and suffering, any drugs administered for pain, and the decedent’s physical condition in the interval between injuries and death.

8. Any other evidence or information which may have a bearing on either the responsibility of the United States for the death or the amount of damages claimed.

(b) Personal injury. In support of a claim for personal injury, including pain and suffering, the claimant may be required to submit the following evidence or information:

1. A written report by the attending physician or dentist setting forth the nature and extent of the injury, nature and extent of treatment, any degree of temporary or permanent disability, the prognosis, period of hospitalization, and any diminished earning capacity. In addition, the claimant may be required to submit to a physical or mental examination by a physician employed by OPM or another Federal agency. On written request, OPM will make available to the claimant a copy of the report of the examining physician employed by the United States,
provided the claimant has furnished OPM with the report referred to in the first sentence of this subparagraph. In addition, the claimant must have made or agrees to make available to OPM all other physician's reports previously or thereafter made of the physical or mental condition that is the subject matter of his or her claim.

(2) Itemized bills for medical, dental, and hospital expenses incurred, or itemized receipts of payment for such expenses.

(3) If the prognosis reveals the necessity for future treatment, a statement of expected expenses for such treatment.

(4) If a claim is made for loss of time from employment, a written statement from his or her employer showing actual time lost from employment, whether he or she is a full-or part-time employee, and wages or salary actually lost.

(5) If a claim is made for loss of income and the claimant is self-employed, documentary evidence showing the amount of earnings actually lost.

(6) Any other evidence or information which may have a bearing on either the responsibility of the United States for the personal injury or the damages claimed.

(c) Property damage. In support of a claim for injury to or loss of property, real or personal, the claimant may be required to submit the following evidence or information:

(1) Proof of ownership of the property.

(2) A detailed statement of the amount claimed with respect to each item of property.

(3) An itemized receipt of payment for necessary repairs or itemized written estimates of the cost of such repairs.

(4) A statement listing date of purchase, purchase price, and salvage value, where repair is economical.

(5) Any other evidence or information which may have a bearing on either the responsibility of the United States for the injury to or loss of property or the damages claimed.

§ 177.106 Authority to adjust, determine, compromise, and settle.

(a) The General Counsel of OPM, or his or her designee, is delegated authority to consider, ascertain, adjust, determine, compromise, and settle claims under the provisions of 28 U.S.C. 2672, and this part. The General Counsel, in his or her discretion, has the authority to further delegate the responsibility for adjudicating, considering, adjusting, compromising, and settling any claim submitted under the provisions of 28 U.S.C. 2672, and this part, that is based on the alleged negligence or wrongful act or omission of an OPM employee, with the exception of claims involving personal injury. All claims involving personal injury will be adjudicated, considered, adjusted, compromised and settled by the Office of the General Counsel.

§ 177.107 Limitations on authority.

(a) An award, compromise, or settlement of a claim under 28 U.S.C. 2672, and this part, in excess of $25,000 can be effected only with the prior written approval of the Attorney General or his or her designee. For purposes of this paragraph, a principal claim and any derivative or subrogated claim will be treated as a single claim.

(b) An administrative claim may be adjusted, determined, compromised, or settled under this part, only after consultation with the Department of Justice when, in the opinion of the General Counsel of OPM, or his or her designee:

(1) A new precedent or a new point of law is involved; or

(2) A question of policy is or may be involved; or

(3) The United States is or may be entitled to indemnity or contribution from a third party and OPM is unable to adjust the third party claim; or

(4) The compromise of a particular claim, as a practical matter, will or may control the disposition of a related claim in which the amount to be paid may exceed $25,000.

(c) An administrative claim may be adjusted, determined, compromised, or settled under 28 U.S.C. 2672, and this part, only after consultation with the Department of Justice when OPM is informed or is otherwise aware that
§ 177.108

the United States or an employee, agent, or cost-type contractor of the United States is involved in litigation based on a claim arising out of the same incident or transaction.

§ 177.108 Referral to Department of Justice.

When Department of Justice approval or consultation is required, or the advice of the Department of Justice is otherwise to be requested, under §177.107, the written referral or request will be transmitted to the Department of Justice by the General Counsel of OPM or his or her designee.

§ 177.109 Final denial of claim.

Final denial of an administrative claim must be in writing and sent to the claimant, his or her attorney, or legal representative by certified or registered mail. The notification of final denial may include a statement of the reasons for the denial. But, it must include a statement that, if the claimant is dissatisfied with the OPM action, he or she may file suit in an appropriate United States district court not later than 6 months after the date of mailing of the notification.

§ 177.110 Action on approved claim.

(a) Payment of a claim approved under this part is contingent on claimant’s execution of a Standard Form 95 (Claim for Damage, Injury or Death); a claims settlement agreement; and a Standard Form 1145 (Voucher for Payment), as appropriate. When a claimant is represented by an attorney, the Voucher for Payment will designate both the claimant and his or her attorney as payees, and the check will be delivered to the attorney, whose address is to appear on the Voucher for Payment.

(b) Acceptance by the claimant, his or her agent, or legal representative, of an award, compromise, or settlement made under 28 U.S.C. 2672 or 28 U.S.C. 2677 is final and conclusive on the claimant, his or her agent or legal representative, and any other person on whose behalf or for whose benefit the claim has been presented, and constitutes a complete release of any claim against the United States and against any employee of the Federal Government whose act or omission gave rise to the claim, by reason of the same subject matter.

Subpart A—Administrative Claims—Compensation and Leave, Deceased Employees’ Accounts and Proceeds of Canceled Checks for Veterans’ Benefits Payable to Deceased Beneficiaries

§ 178.101 Scope of subpart.

(a) Claims covered. This subpart prescribes general procedures applicable to claims against the United States that may be settled by the Director of the Office of Personnel Management pursuant to 31 U.S.C. 3702, 5 U.S.C. 5583 and 38 U.S.C. 5122. In general, these claims involve Federal employees’ compensation and leave and claims for
proceeds of canceled checks for veterans’ benefits payable to deceased beneficiaries.

(b) Claims not covered. This subpart does not apply to claims that are under the exclusive jurisdiction of administrative agencies pursuant to specific statutory authority or claims concerning matters that are subject to negotiated grievance procedures under collective bargaining agreements entered into pursuant to 5 U.S.C. 7121(a). Also, these procedures do not apply to claims under the Fair Labor Standards Act (FLSA). Procedures for FLSA claims are set out in part 551 of this chapter.

§ 178.102 Procedures for submitting claims.

(a) Content of claims. Except as provided in paragraph (b) of this section, a claim shall be submitted by the claimant in writing and must be signed by the claimant or by the claimant’s representative. While no specific form is required, the request should describe the basis for the claim and state the amount sought. The claim should also include:

(1) The name, address, telephone number and facsimile machine number, if available, of the claimant;

(2) The name, address, telephone number and facsimile machine number, if available, of the agency employee who denied the claim;

(3) A copy of the denial of the claim; and,

(4) Any other information which the claimant believes OPM should consider.

(b) Agency submissions of claims. At the discretion of the agency, the agency may forward the claim to OPM on the claimant’s behalf. The claimant is responsible for ensuring that OPM receives all the information requested in paragraph (a) of this section.

(c) Administrative report. At OPM’s discretion, OPM may request the agency to provide an administrative report. This report should include:

(1) The agency’s factual findings;

(2) The agency’s conclusions of law with relevant citations;

(3) The agency’s recommendation for disposition of the claim;

(4) A complete copy of any regulation, instruction, memorandum, or policy relied upon by the agency in making its determination;

(5) A statement that the claimant is or is not a member of a collective bargaining unit, and if so, a statement that the claim is or is not covered by a negotiated grievance procedure that specifically excludes the claim from coverage; and

(6) Any other information that the agency believes OPM should consider.

(d) Canceled checks for veterans’ benefits. Claims for the proceeds of canceled checks for veterans’ benefits payable to deceased beneficiaries must be accompanied by evidence that the claimant is the duly appointed representative of the decedent’s estate and that the estate will not escheat.

(e) Where to submit claims. (1) All claims under this section should be sent to the Program Manager, Office of Merit Systems Oversight and Effectiveness, Room 7671, Office of Personnel Management, 1900 E Street NW., Washington, DC 20415. Telephone inquiries regarding these claims may be made to (202) 606-7948.

(2) FLSA claims should be sent to the appropriate OPM Oversight Division as provided in part 551 of this chapter.

§ 178.103 Claim filed by a claimant’s representative.

A claim filed by a claimant’s representative must be supported by a duly executed power of attorney or other documentary evidence of the representative’s right to act for the claimant.

§ 178.104 Statutory limitations on claims.

(a) Statutory limitations relating to claims generally. Except as provided in paragraphs (b) and (c) of this section or as otherwise provided by law, all claims against the United States Government are subject to the 6-year statute of limitations contained in 31 U.S.C. 3702(b). To satisfy the statutory limitation, a claim must be received by the Office of Personnel Management, or by the department or agency out of
§ 178.105 Basis of claim settlements.

The burden is upon the claimant to establish the timeliness of the claim, the liability of the United States, and the claimant’s right to payment. The settlement of claims is based upon the written record only, which will include the submissions by the claimant and the agency. OPM will accept the facts asserted by the agency, absent clear and convincing evidence to the contrary.

§ 178.106 Form of claim settlements.

OPM will send a settlement to the claimant advising whether the claim may be allowed in whole or in part. If OPM requested an agency report or if the agency forwarded the claim on behalf of the claimant, OPM also will send the agency a copy of the settlement.

§ 178.107 Finality of claim settlements.

(a) The OPM settlement is final; no further administrative review is available within OPM.

(b) Nothing in this subpart limits the right of a claimant to bring an action in an appropriate United States court.

Subpart B—Settlement of Accounts for Deceased Civilian Officers and Employees

AUTHORITY: 5 U.S.C. 5581, 5582, 5583.
(7) The amounts of all checks drawn in payment of such compensation which were not delivered by the Government to the officer or employee during his or her lifetime or of any unnegotiated checks returned to the Government because of the death of the officer or employee; and

§ 178.203 Designation of beneficiary.

(a) Agency notification. The employing agency shall notify each employee of his or her right to designate a beneficiary or beneficiaries to receive money due, and of the disposition of money due if a beneficiary is not designated. An employee may change or revoke a designation at any time under regulations promulgated by the Director of the Office of Personnel Management or his or her designee.

(b) Designation Form. Standard Form 1152, Designation of Beneficiary, Unpaid Compensation of Deceased Civilian Employee, is prescribed for use by employees in designating a beneficiary and in changing or revoking a previous designation; each agency will furnish the employee a Standard Form 1152 upon request. In the absence of the prescribed form, however, any designation, change, or cancellation of beneficiary witnessed and filed in accordance with the general requirements of this part will be acceptable.

(c) Who may be designated. An employee may designate any person or persons as beneficiary. The term person or persons as used in this part includes a legal entity or the estate of the deceased employee.

(d) Executing and filing a designation of beneficiary form. The Standard Form 1152 must be executed in duplicate by the employee and filed with the employing agency where the proper officer will sign it and insert the date of receipt in the space provided on each part, file the original, and return the duplicate to the employee. When a designation of beneficiary is changed or revoked, the employing agency should return the earlier designation to the employee, keeping a copy of only the current designation on file.

(e) Effective period of a designation. A properly executed and filed designation of beneficiary will be effective as long as employment by the same agency continues. If an employee resigns and is reemployed, or is transferred to another agency, the employee must execute another designation of beneficiary form in accordance with paragraph (d) of this section. A new designation of beneficiary is not required, however, when an employee’s agency or site, function, records, equipment, and personnel are absorbed by another agency.

§ 178.204 Order of payment precedence.

To facilitate the settlement of the accounts of the deceased employees, money due an employee at the time of the employee’s death shall be paid to the person or persons surviving at the date of death, in the following order of precedence, and the payment bars recovery by another person of amounts so paid:

(a) First, to the beneficiary or beneficiaries designated by the employee in a writing received in the employing agency prior to the employee’s death;

(b) Second, if there is no designated beneficiary, to the surviving spouse of the employee;

(c) Third, if none of the above, to the child or children of the employee and descendants of deceased children by representation;

(d) Fourth, if none of the above, to the parents of the deceased employee or the survivor of them;

(e) Fifth, if none of the above, to the duly appointed legal representative of the estate of the deceased employee; and

(f) Sixth, if none of the above, to the person or persons entitled under the laws of the domicile of the employee at the time of his or her death.

§ 178.205 Procedures upon death of employee.

(a) Claim form. As soon as practicable after the death of an employee, the agency in which the employee was last employed will request, in the order of precedence outlined in §178.204, the appropriate person or persons to execute Standard Form 1153, Claim for Unpaid Compensation of Deceased Civilian Employee.
§ 178.206

(b) Claims involving minors or incompetents. If a guardian or committee has been appointed for a minor or incompetent appearing entitled to unpaid compensation, the claim should be supported by a certificate of the court showing the appointment and qualification of the claimant in such capacity. If no guardian or committee has been or will be appointed, the initial claim should be supported by a statement showing:

(1) Claimant’s relationship to the minor or incompetent, if any;
(2) The name and address of the person having care and custody of the minor or incompetent;
(3) That any moneys received will be applied to the use and benefit of the minor or incompetent; and
(4) That the appointment of a guardian or committee is not contemplated.

§ 178.206 Return of unnegotiated Government checks.

All unnegotiated United States Government checks drawn to the order of a decedent representing money due as defined in §178.202, and in the possession of the claimant, should be returned to the employing agency concerned. Claimants should be instructed to return any other United States Government checks drawn to the order of a decedent, such as veterans benefits, social security benefits, or Federal tax refunds, to the agency from which the checks were received, with a request for further instructions from that agency.

§ 178.207 Claims settlement jurisdiction.

(a) District of Columbia and Government corporations. Claims for unpaid compensation due deceased employees of the government of the District of Columbia shall be paid by the District of Columbia, and those of Government corporations or mixed ownership Government corporations may be paid by the corporations.

(b) Office of Personnel Management. Each agency shall pay undisputed claims for the compensation due a deceased employee. Except as provided in paragraph (a) of this section, disputed claims for money due deceased employees of the Federal Government will be submitted to the Office of Merit Systems Oversight and Effectiveness, in accordance with §178.102 of subpart A. For example:

(1) When doubt exists as to the amount or validity of the claim;
(2) When doubt exists as to the person(s) properly entitled to payment; or
(3) When the claim involves uncurreent checks. Uncurrent checks are unnegotiated and/or undelivered checks for money due the decedent which have not been paid by the end of the fiscal year after the fiscal year in which the checks were issued. The checks, if available, should accompany the claims.

(c) Payment of claim. Claims for money due will be paid by the appropriate agency only after settlement by the Office of Merit Systems Oversight and Effectiveness occurs.

§ 178.208 Applicability of general procedures.

When not in conflict with this subpart, the provisions of subpart A of this part relating to procedures applicable to claims generally are also applicable to the settlement of account of deceased civilian officers and employees.

Office of Personnel Management

§ 179.201 Purpose.

The purpose of the Debt Collection Act of 1982 (Pub. L. 97–365), is to provide a comprehensive statutory approach to the collection of debts due the Federal Government. These regulations implement section 5 of the Act which authorizes the collection of debts owed by Federal employees to the Federal Government by means of salary offset, except that no claim may be collected by such means if outstanding for more than 10 years after the agency’s right to collect the debt first accrued, unless facts material to the Government’s right to collect were not known, and could not reasonably have been known, by the official or officials who were charged with the responsibility for discovery and collection of such debts. These regulations are consistent with the regulations on salary offset published by the Office of Personnel Management (OPM) on July 3, 1984 (49 FR 27470) in 5 CFR part 550, subpart K.

§ 179.202 Delegation of authority.

(a) The Chief Financial Officer and his or her delegates are designated by the Director and authorized to perform all the duties for which the Director is responsible under the Debt Collection Act of 1982 and Office of Personnel Management regulations with the exception of debts arising from the Civil Service Retirement and Disability Fund, the Employees’ Life Insurance Fund, the Retired Federal Employees Health Benefits Act (74 Stat. 849), and the Employees Health Benefits Fund. However, the Chief Financial Officer and his or her delegates will request a review by the General Counsel or his or her designee for all claims processed (in amounts of $2500 or more) for compromise, suspension, and termination of collection action.

(b) The Associate Director for Retirement and Insurance and his or her delegates are designated by the Director and authorized to perform all the duties for which the Director is responsible under the Debt Collection Act of 1982 and Office of Personnel Management regulations on debts caused by payments from the Civil Service Retirement and Disability Fund (subchapter III of chapter 83 or chapter 84), claims under the provisions of the Federal Employees’ Life Insurance Fund (chapter 87), the Retired Federal Employees Health Benefits Act (74 Stat. 849), the Employees Health Benefits Fund (chapter 89), the Panama Canal Construction Annuity Act (58 Stat. 257), and, the Lighthouse Service Widows’ Annuity Act (64 Stat. 465).

[59 FR 35216, July 11, 1994]
§ 179.202 Scope.
(a) These regulations provide procedures for the collection of monies from a Federal employee's pay by salary offset to satisfy certain debts owed the Government.
(b) These regulations apply to all collections by the Director of OPM (except collections involving debts because of payments made from the Civil Service Retirement and Disability Fund, payments made under the Retired Federal Employees Health Benefits Act (74 Stat. 849), the Panama Canal Construction Annuity Act and the Lighthouse Service Widows' Annuity Act and payments or premiums relating to the Federal Employees' Life Insurance Fund or the Federal Employees Health Benefits Fund) from:
(1) Federal employees who owe debts to OPM; and
(2) OPM employees who owe debts to other agencies.
(c) These regulations do not apply to debts or claims arising under the Internal Revenue Code of 1954, as amended (26 U.S.C. 1 et seq.); the Social Security Act (42 U.S.C. 301 et seq.); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).
(d) Section 179.207 does not apply to any adjustment to pay arising from an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.
(e) Nothing in these regulations excludes the compromise, suspension, or termination of collection actions, where appropriate, under the standards implementing the Federal Claims Collection Act (31 U.S.C. 3711 et seq., 4 CFR parts 101–105, 38 CFR 1.900 et seq.).
(f) Nothing in these regulations excludes an employee from requesting a waiver of the debt under applicable statute; under the standards and procedures specified by the Federal Claims Collection Standards (FCCS); or waiver of salary overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, by submitting a subsequent claim to the General Accounting Office in accordance with procedures established by the General Accounting Office.

(2) A military department as defined by section 102 of title 5, United States Code;
(3) An agency or court of the judicial branch including a court as defined in section 610 of title 28, United States Code, the District Court for the Northern Mariana Islands and the Judicial Panel and Multidistrict Litigation;
(4) An agency of the legislative branch, including the U.S. Senate and the U.S. House of Representatives; and
(5) Other independent establishments that are entities of the Federal Government.

Claim See debt.
Creditor agency means an agency of the Federal Government to which the debt is owed. For purposes of this part creditor agency includes OPM, unless otherwise noted.
Debt means money owed by an employee of the Federal Government to an agency of the Federal Government, from sources which include loans insured or guaranteed by the United States and all other amounts due the Government from fees, leases, rents, royalties, services, sales of real or personal property, overpayments, penalties, damages, interests, fines and forfeitures (except those arising under the Uniform Code of Military Justice) and all other similar sources.
Delinquent means the failure to pay an obligation or debt by the date specified in the initial notification or applicable contractual agreement, unless other payment arrangements have been agreed to by OPM and the debtor by that date, or if, at any time thereafter,
the debtor fails to satisfy the obligations under a payment agreement with the creditor agency.

Director means the Director of OPM or his or her designee.

Disposable pay means that part of current basic pay, special pay, incentive pay, retired pay, retainee pay, or, in the case of an employee not entitled to basic pay, other authorized pay remaining after the deduction of any amount required by law to be withheld. OPM shall allow the following deductions, and any others required by law to be withheld, in determining disposable pay subject to salary offset:

1. Federal employment taxes;
2. Amounts mandatorily withheld for the U.S. Soldiers’ and Airmen’s Home;
3. Fines and forfeitures ordered by a court martial or by a commanding officer;
4. Federal, state or local income taxes no greater than would be the case if the employee claimed all dependents to which he or she is entitled and such additional amounts for which the employee presents evidence of a tax obligation supporting the additional withholding;
5. Amounts withheld from benefits payable under title II of the Social Security Act where the withholding is required by law;
6. Amounts deducted for Medicare;
7. Health insurance premiums;
8. Normal retirement contributions as explained in 5 CFR 581.105(e) (e.g., Civil Service Retirement deductions, Survivor Benefit Plan or Retired Serviceman’s Family Protection Plan); and
9. Normal life insurance premiums (e.g., Serviceman’s Group Life Insurance and basic Federal Employee’s Group Life Insurance premiums) exclusive of optional life insurance premiums.

FCCS means the Federal Claims Collection Standards jointly published by the Department of Justice and the General Accounting Office of 4 CFR 101.1 et seq.
§ 179.204 Applicability of regulations.

These regulations are to be followed for all OPM collections (except those involving retirement, life, and health insurance debts for recovery by the Associate Director for Retirement and Insurance) in instances where:

(a) OPM is owed a debt by an individual currently employed by another agency;

(b) OPM is owed a debt by an individual who is a current employee of OPM; or

(c) OPM currently employs an individual who owes a debt to another Federal agency. Upon receipt of proper certification from the creditor agency, OPM will offset the debtor-employee’s salary in accordance with these regulations.

§ 179.205 Waiver requests and claims to the General Accounting Office.

These regulations do not preclude an employee from requesting waiver of an overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, 32 U.S.C. 716, or in any way questioning the amount or validity of a debt by submitting a subsequent claim to the General Accounting Office in accordance with the procedures prescribed by the General Accounting Office. These regulations do not preclude an employee from requesting a waiver pursuant to other statutory provisions pertaining to the particular debt being collected.

§ 179.206 Notice requirements before offset.

(a) Deductions under the authority of 5 U.S.C. 5514 shall not be made unless the creditor agency provides the employee with written notice that he/she owes a debt to the Federal government a minimum of 30 calendar days before salary offset is initiated. When OPM is the creditor agency, this notice of intent to offset an employee’s salary shall be hand-delivered at work, or sent by registered mail, return receipt requested, to the employee’s most current address that is available to the Office and will state:

1. That the creditor agency has reviewed the records relating to the claim and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

2. The creditor agency’s intention to collect the debt by means of deduction from the employee’s current disposable pay account until the debt and all accumulated interest are paid in full;

3. The amount, frequency, beginning date, and duration of the intended deductions;

4. An explanation of OPM’s policy concerning interest, penalties and administrative costs including a statement that such assessments must be made unless excused in accordance with the FCCS, 4 CFR 101.1 et seq. (§ 179.214);

5. The employee’s right to inspect and copy all records of the Office pertaining to the debt claimed, or to request and to receive copies of such records if personal inspection is impractical;

6. If not previously provided, the opportunity to establish a schedule for the voluntary repayment of the debt through offset or to enter into an agreement to establish a schedule for repayment of the debt in lieu of offset (4 CFR 102.2(e)). The agreement must contain terms agreeable to the Office and must be in such form that it is legally enforceable. The agreement must:

(i) Be in writing;

(ii) Be signed by both the employee and the creditor agency;

(iii) Specify all the terms of the arrangement for payment; and

(iv) Contain a provision accelerating the debt in the event of a default by the debtor, but such an increase may not result in a deduction that exceeds 15 percent of the employee’s disposable pay unless the employee has agreed in writing to the deduction of a greater amount (5 CFR 550.1104(i)).

7. The right to a hearing conducted by an impartial hearing official (an administrative law judge, or alternatively, a hearing official not under the supervision or control of the Director) with respect to the existence and amount of the debt claimed, or the repayment schedule (i.e., the percentage of disposable pay to be deducted each pay period), so long as a petition is
filed by the employee as prescribed in §179.207:

(8) The method and time period for requesting a hearing;

(9) The name, address and phone number of an official or employee of the Office who may be contacted concerning procedures for requesting a hearing;

(10) The name and address of the office to which the petition for a hearing should be sent;

(11) That a timely and properly filed petition for hearing will stay the commencement of collection proceedings (a timely filing must be received in the office specified under paragraph (a)(10) of this section within 15 calendar days after receipt of such notice of intent to offset);

(12) That the Office will initiate certification procedures to implement a salary offset (which may not exceed 15 percent of the employee’s disposable pay) not less than 30 days from the date of receipt of the notice of debt, unless the employee files a timely petition for a hearing;

(13) That a final decision on the hearing (if a hearing is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the petition requesting the hearing, unless the employee requests and the hearing official grants a delay in the proceedings;

(14) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(i) Disciplinary procedures appropriate under chapter 75 of title 5, United States code; part 752 of title 5, Code of Federal Regulations; or any other applicable statute or regulations;

(ii) Penalties under the False Claims Act, sections 3729 through 3731 of title 31, United States Code, or any other applicable statutory authority; and

(iii) Criminal penalties under sections 286, 287, 1001, and 1002 of title 18, United States code, or any other applicable statutory authority;

(15) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(16) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt, which are later waived or found not owed to the United States, will be promptly refunded to the employee; and

(17) That proceedings with respect to such debt are governed by section 5 of the Debt Collection Act of 1982 (5 U.S.C. 5514).

(b) The Office is not required to comply with paragraph (a) of this section for any adjustment to pay arising from:

(1) An employee’s selection of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less; or

(2) An employee’s consent to make voluntary withholdings from his or her current pay account.

§ 179.207 Hearing.

(a) Request for hearing. Except as provided in paragraph (b) of this section, an employee who desires a hearing concerning the existence or amount of the debt or the proposed offset schedule must send such a request to the office designated in the notice of intent (§179.207(a)(10)). The request (or petition) for hearing must be received by the designated office not later than 15 calendar days following the employee’s receipt of the notice. The employee’s request (or petition) must:

(1) Be signed by the employee;

(2) Fully identify and explain with reasonable specificity all the facts, evidence and witnesses, if any, that the employee believes support his or her position; and

(3) Specify whether an oral or paper hearing is desired. If an oral hearing is desired, the request should explain why the matter cannot be resolved by review of the documentary evidence alone (4 CFR 102.3(c)).

(b) Failure to timely submit. (1) If the employee files a petition for a hearing after the expiration of the 15 calendar day period provided for in paragraph (a) of this section, the Office may accept the request if the employee can show that the delay was the result of circumstances beyond his or her control or failure to receive actual notice;
§ 179.207 5 CFR Ch. I (1–1–01 Edition)

of the filing deadline (unless the employee had actual notice of the filing deadline).

(2) An employee waives the right to a hearing, and will have his or her disposable pay offset in accordance with the Office offset schedule, if the employee:

(i) Fails to file a timely request for a hearing unless such failure is excused; or

(ii) Fails to appear at an oral hearing of which he or she was notified unless the hearing official determines that failure to appear was due to circumstances beyond the employee’s control.

(c) Representation at the hearing. The creditor agency may be represented by legal counsel. The employee may represent himself or herself or may be represented by an individual of his or her choice and at his or her expense.

(d) Review of Office records related to the debt. (1) An employee who intends to inspect or copy creditor agency records related to the debt, as provided by §179.207(a)(5), must send a letter to the official designated in the notice of intent to offset stating his or her intention. The letter must be received within 15 calendar days after the employee’s receipt of the notice.

(2) In response to a timely request submitted by the debtor, the designated official will notify the employee of the location and time when the employee may inspect and copy records related to the debt.

(3) If personal inspection is impractical, arrangements shall be made to send copies of such records to the employee.

(e) Hearing official. The Office may request an administrative law judge to conduct the hearing, or the Office may obtain a hearing official who is not under the supervision or control of the Director of OPM.

(f) Obtaining the services of a hearing official when OPM is the creditor agency. (1) When the debtor is not an OPM employee and the Office cannot provide a prompt and appropriate hearing before a hearing official furnished pursuant to another lawful arrangement, the Office may contact an agent of the paying agency designated in 5 CFR part 581, appendix A, or other individual designated by the paying agency, and request a hearing official.

(2) When the debtor is an OPM employee, the Office may contact any agent of another agency designated in 5 CFR part 581, appendix A, or otherwise designated by that agency, to request a hearing official.

(g) Procedure—(1) General. After the employee requests a hearing, the hearing official shall notify the employee of the form of the hearing to be provided. If the hearing will be oral, the notice shall set forth the date, time and location of the hearing. If the hearing will be paper, the employee shall be notified that he or she should submit arguments in writing to the hearing official by a specified date after which the record shall be closed. This date shall give the employee reasonable time to submit documentation.

(2) Oral hearing. An employee who requests an oral hearing shall be provided an oral hearing if the hearing official determines that the matter cannot be resolved by review of documentary evidence alone (e.g., when an issue of credibility or veracity is involved). The hearing is not an adversarial adjudication and need not take the form of an evidentiary hearing. Oral hearings may take the form of, but are not limited to:

(i) Informal conferences with the hearing official, in which the employee and agency representative will be given full opportunity to present evidence, witnesses, and argument;

(ii) Informal meetings with an interview of the employee; or

(iii) Formal written submissions with an opportunity for oral presentation.

(3) Paper hearing. If the hearing official determines that an oral hearing is not necessary, he or she will make a determination based upon a review of the available written record (4 CFR 102.3(c)(2) and (3)).

(4) Record. The hearing official must maintain a summary record of any hearing provided by this subpart (4 CFR 102.3(c)(1)(ii)). Witnesses who testify in oral hearings will do so under oath or affirmation.
(h) Date of decision. The hearing official shall issue a written opinion stating his or her decision, based upon documentary evidence and information developed at the hearing, as soon as practicable after the hearing, but not later than 60 days after the date on which the petition was received by the creditor agency, unless the employee requests a delay in the proceedings. In such case the 60-day decision period shall be extended by the number of days by which the hearing was postponed.

(i) Content of decision. The written decision shall include:

1. A statement of the facts presented to support the origin, nature, and amount of the debt;

2. The hearing official’s findings, analysis, and conclusions including a determination whether the debtor’s petition for hearing was baseless and resulted from an intent to delay creditor agency collection activity and whether the Office should pursue other actions against the debtor as provided by 5 CFR 550.1104(d)(11); and

3. The terms of any repayment schedules, if applicable.

(j) Failure to appear. In the absence of good cause shown (e.g., illness), an employee who fails to appear at a hearing shall be deemed, for the purpose of this subpart, to admit the existence and amount of the debt as described in the notice of intent. If the representative of the creditor agency fails to appear, the hearing official shall proceed with the hearing as scheduled and make his/her determination based upon the oral testimony presented and the documentary evidence submitted by both parties. With the agreement of both parties, the hearing official shall schedule a new hearing date. Both parties shall be given reasonable notice of the time and place of the new hearing.

§ 179.208 Certification.

(a) OPM salary offset coordinator shall provide a certification to the paying agency in all cases where:

1. The hearing official determines that a debt exists;

2. The employee fails to contest the existence and amount of the debt by failing to request a hearing; or

3. The employee fails to contest the existence of the debt by failing to appear at a hearing.

(b) The certification must be in writing and must state:

1. That the employee owes the debt;

2. The amount and basis of the debt;

3. The date the Government’s right to collect the debt first accrued;

4. That the Office’s regulations have been approved by OPM pursuant to 5 CFR part 550, subpart K;

5. The date on which payment(s) is due;

6. If the collection is to be made in installments, the number of installments to be collected, the amount of each installment or percentage of disposable pay, and the commencement date of the first installment, if a date other than the next officially established pay period is required; and

7. The date(s) of any action(s) taken under 5 U.S.C. 5514(b).

§ 179.209 Voluntary repayment agreement as alternative to salary offset.

(a)(1) In response to a notice of intent, an employee may propose to repay the debt by making voluntary installment payments as an alternative to salary offset. An employee who wishes to repay a debt without salary offset shall submit in writing a proposed agreement to repay the debt. The proposal shall admit the existence of the debt, and the agreement must be in such form that it is legally enforceable. The agreement must:

(i) Be in writing;

(ii) Be signed by both the employee and the creditor agency;

(iii) Specify all the terms of the arrangement for payment; and

(iv) Contain a provision accelerating the debt in the event of default by the debtor, but such an increase may not result in a deduction that exceeds 15 percent of the employee’s disposable pay unless the employee has agreed in writing to deduction of a greater amount (5 CFR 550.1104(i)).

(2) Any proposal under paragraph (a) of this section must be received by the official designated in the notice of intent within 30 calendar days after receipt of the notice.
§ 179.210 Special review.

(a) An OPM employee subject to salary offset or a voluntary repayment agreement, may, at any time, request a special review by the Office of the amount of the salary offset or voluntary payment, based on materially changed circumstances such as, but not limited to, catastrophic illness, divorce, death, or disability.

(b) In determining whether an offset would prevent the employee from meeting essential subsistence expenses (food, housing, clothing, transportation and medical care), the employee shall submit a detailed statement and supporting documents for the employee, his or her spouse, and dependents indicating:

(1) Income from all sources;
(2) Assets;
(3) Liabilities;
(4) Number of dependents;
(5) Expenses for food, housing, clothing and transportation;
(6) Medical expenses; and
(7) Exceptional expenses, if any.

If an OPM employee requests a special review under this section, the employee shall file an alternative proposed offset or payment schedule and a statement, with supporting documents (§179.210(b)), stating why the current salary offset or payments result in an extreme financial hardship to the employee.

(c) The Director shall evaluate the statement and supporting documents, and determine whether the original offset or repayment schedule imposes an extreme financial hardship on the employee. The Director shall notify the employee in writing of such determination, including, if appropriate, a revised offset or repayment schedule.

(d) If the special review results in a revised offset or repayment schedule, the OPM salary offset coordinator shall provide a new certification to the payroll office.

§ 179.211 Notice of salary offset.

(a) Upon receipt of proper certification from a creditor agency, the OPM payroll office will send the OPM employee, identified in the certification as the debtor, a written notice of salary offset. Such notice shall, at a minimum:

(1) State that OPM has received a properly certified debt claim from a creditor agency;
(2) Contain a copy of the certification received from the creditor agency;
(3) Advise the employee that salary offset will be initiated at the next officially established pay interval; and
(4) State the amount of the claim and amount of deductions.

(b) The payroll office shall provide a copy of the notice to the creditor agency and advise such agency of the dollar amount to be offset and the pay period when the offset will begin.

§ 179.212 Procedures for salary offset.

(a) The Director or his or her designee shall coordinate salary deductions under this subpart.

(b) OPM payroll office shall determine the amount of an employee’s disposable pay and implement the salary offset.

(c) Deductions shall begin effective the pay period following receipt by OPM’s payroll office of proper certification of the debt (§179.208).

(d) Types of collection. (1) Lump-sum payment. A debt will be collected in a lump sum if possible. If an employee is financially unable to pay in one lump sum or the amount of the debt exceeds
§ 179.213 Coordinating salary offset with other agencies.

(a) Responsibility of OPM as the creditor agency. (1) The Director or his or her designee shall coordinate debt collections with other agencies and shall, as appropriate:

(i) Arrange for a hearing or special review upon proper petitioning by a Federal employee; and

(ii) Prescribe, upon consultation with the General Counsel, such additional practices and procedures as may be necessary to carry out the intent of this regulation.

(2) The designated salary offset coordinator will be responsible for:

(i) Ensuring that each notice of intent to offset is consistent with the requirements of §179.206;

(ii) Ensuring that each certification of debt that is sent to a paying agency is consistent with the requirements of §179.208;

(iii) Obtaining hearing officials from other agencies pursuant to §179.207(f);

and

(iv) Ensuring that hearings are properly scheduled.

(3) Requesting recovery from current paying agency. Upon completion of the procedures established in these regulations and pursuant to 5 U.S.C. 5514, the Office must:

(i) Certify, in writing, to the paying agency that the employee owes the debt, the amount or percentage of disposable pay to be collected in each installment and

(ii) Advise the paying agency of the amount or percentage of disposable pay to be collected in each installment.
§ 179.213  
the number and commencing date of the installments (if a date other than the next officially established pay period is required);  
(iii) Advise the paying agency of the action(s) taken under 5 U.S.C. 5514(b) and give the date(s) and action(s) was taken unless the employee has consented to the salary offset in writing or signed a statement acknowledging receipt of the required procedures and the written consent or statement is forwarded to the paying agency;  
(iv) Submit a debt claim certification containing the information specified in paragraphs (a)(3)(i), (a)(3)(ii) and (a)(3)(iii) of this section and an installment agreement (or other instruction on the payment schedule), if applicable, to the employee’s paying agency; and  
(v) Submit the debt claim, as provided in §179.208, to the employee’s paying agency for collection if the employee is in the process of separating, and has not received a final salary check, or other final payment(s) from the paying agency. The paying agency must certify the total amount of its collection on the debt and send a copy of the certification to the employee and another copy to the creditor agency. If the paying agency’s collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund (5 CFR 831.1801 et seq. or 5 CFR 845.401 et seq.) or other similar funds, be administratively offset to collect the debt (31 U.S.C. 3716 and the FCSS).  
(5) Employee transfer. When an employee transfers from one paying agency to another paying agency, the Office is not required to repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Office will submit a properly certified claim to the new paying agency and will subsequently review the debt to make sure the collection is resumed by the new paying agency.  
(b) Responsibility of the Office as the paying agency—(1) Complete claim. When the Office receives a certified claim from a creditor agency, deductions should be scheduled to begin at the next officially established pay interval. Before deductions can begin, the employee must receive written notice from the Office including:  
(i) A statement that the Office has received a certified debt claim from the creditor agency;  
(ii) The amount of the debt claim;  
(iii) The date salary offset deductions will begin, and  
(iv) The amount of such deductions.  
(2) Incomplete claim. When the Office receives an incomplete certification of debt from a creditor agency, the Office must return the debt claim with notice that procedures under 5 U.S.C. 5514 and 5 CFR 550.1101 et seq. must be followed and a properly certified debt claim received before action will be taken to collect from the employee’s current pay account.  
(3) Review. The Office is not authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt certified by the creditor agency.  
(4) Separated employee. If the employee is already separated and all payments due from his or her former paying agency have been paid, the Office may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund (5 CFR 831.1801 et seq. or 5 CFR 845.401 et seq.) or other similar funds, be administratively offset to collect the debt (31 U.S.C. 3716 and the FCSS).

§179.301 Scope of regulations.

These regulations apply to the collection of debts owed to the United States arising from transactions with OPM other than those involving payments

§179.214 Interest, penalties and administrative costs.

The office shall assess interest, penalties and administrative costs on debts owed pursuant to 31 U.S.C. 3717 and 4 CFR part 101.1 et seq. Penalties and administrative costs will be assessed on all delinquent debts.

(a) In cases of default on a previous repayment agreement, the Office reserves the right to set a new interest rate which reflects the current value of funds to the Treasury at the time a new repayment agreement is executed.

(b) The Office, on a case-by-case basis, may waive all interest accrued on debts paid in full within 60 days of the due date if there is no indication of fault or lack of good faith on the part of the debtor.

(c) The Office may waive, in whole or in part, the collection of interest, penalties, and/or administrative costs assessed under this section under the criteria specified in part 103 of 4 CFR, chapter II, relating to the compromise of claims (without regard to the amount of the debt).

(d) The Office may waive, in whole or in part, the collection of interest, penalties, and/or administrative costs assessed under this section if the Office determines that collection of these charges would be against equity and good conscience or not in the best interests of the United States.

(e) The Office shall waive the accrual of interest pending consideration of a request for reconsideration, administrative review, or waiver of the underlying debt under provisions of a permissive statute providing for such review related to the debt.

(f) The Office shall waive interest on repayment agreements when the amount of interest accruing equals or exceeds the amount of installments the debtor can reasonably afford and there is no indication of fault or lack of good faith on the part of the debtor.

§179.215 Refunds.

(a) The Office shall promptly refund any amounts deducted under the authority of 5 U.S.C. 5514 when:

1. The debt is waived or otherwise found not to be owing the United States (unless expressly prohibited by statute or regulation); or
2. An administrative or judicial order directs the Office to make a refund.

(b) Unless required or permitted by law or contract, refunds under this subsection shall not bear interest.

§179.216 Request for the services of a hearing official when the creditor agency is not OPM.

(a) The Office will provide a hearing official upon request of the creditor agency when the debtor is employed by the Office and the creditor agency cannot provide a prompt and appropriate hearing before a hearing official furnished pursuant to another lawful arrangement.

(b) The Office shall secure qualified personnel to serve as hearing officials.

(c) Services rendered under this section will be provided on a fully reimbursable basis pursuant to the Economy Act of 1932, as amended, 31 U.S.C. 1535.

§179.217 Non-waiver of rights by payments.

An employee’s involuntary payment of all or any portion of a debt collected under this subpart must not be construed as a waiver of any rights which the employee may have under 5 U.S.C. 5514 or any other provision of contract or law unless there are statutory or contractual provisions to the contrary.

§179.218 Additional administrative collection action.

Nothing contained in this subpart is intended to preclude the use of any other administrative remedy which may be appropriate.

Subpart C—Administrative Offset

Source: 59 FR 36214, July 11, 1994, unless otherwise noted.

§179.301 Scope of regulations.

These regulations apply to the collection of debts owed to the United States arising from transactions with OPM other than those involving payments
§ 179.302 Definitions.

Administrative offset, as defined in 31 U.S.C. 3701(a)(1), means withholding money payable by the United States Government to, or held by the Government for, a person to satisfy a debt the person owes the Government.

Person, includes a natural person or persons, profit or non-profit corporation, partnership, association, trust, estate, consortium, or other entity which is capable of owing a debt to the United States Government except that agencies of the United States, or of any State or local government, shall be excluded.

§ 179.303 General.

(a) The Director or his or her designee, after attempting to collect a debt from a person under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset subject to the following:

(1) The debt is certain in amount; and

(2) It is in the best interest of the United States to collect the debt by administrative offset because it is less costly and speeds payment of the debt;

(b) The Director, or his or her designee, may initiate administrative offset with regard to debts owed by a person to another agency of the United States Government, upon receipt of a request from the head of another agency, or his or her designee, and a certification that the debt exists and that the person has been afforded the necessary due process rights.

(c) The Director, or his or her designee, may request another agency that holds funds payable to an OPM debtor to offset the debt against the funds held and will provide certification that:

(1) The debt exists; and

(2) The person has been afforded the necessary due process rights.

(d) If the 6-year period for bringing action on a debt provided in 28 U.S.C. 2415 has expired, then administrative offset may be used to collect the debt only if the costs of bringing such action are likely to be less than the amount of the debt.

(e) No collection by administrative offset shall be made on any debt that has been outstanding for more than 10 years unless facts material to the Government’s right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting such debt.

(f) These regulations do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly provided for or prohibited by another statute.

(2) Debts owed to OPM by other agencies of the United States or by any State or local government.

§ 179.304 Notification procedures.

Before collecting any debt through administrative offset, a notice of intent to offset shall be sent to the debtor by certified mail, return receipt requested, at the most current address that is available to OPM. The notice shall provide:

(a) A description of the nature and amount of the debt and the intention of OPM to collect the debt through administrative offset;

(b) An opportunity to inspect and copy the records of OPM with respect to the debt;

(c) An opportunity for review within OPM concerning OPM’s determinations with respect to the debt; and

(d) An opportunity to enter into a written agreement for the repayment of the amount of the debt.

§ 179.305 Agency review.

(a) A debtor may dispute the existence of the debt, the amount of the
Office of Personnel Management

§ 179.307 Administrative offset.

(a) If the debtor does not exercise the right to request a review within the time specified in §179.305 or, if as a result of the review, it is determined that the debt is due and no written agreement is executed, then administrative offset shall be ordered in accordance with these regulations without further notice.

(b) Request for offset to a Federal agency: The Director or his or her designee may request that funds due and payable to a debtor by a Federal agency be administratively offset in order to collect a debt owed to OPM by that debtor. In requesting administrative offset OPM, as creditor, will certify in writing to the Federal agency holding funds of the debtor:

(1) That the debtor owes the debt;
(2) The amount and basis of the debt; and
(3) That OPM has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations, and the applicable provisions of 4 CFR part 102 with respect to providing the debtor with due process.

(c) Request for offset from a Federal agency: When administrative offset is authorized, any Federal creditor agency may request OPM to make an administrative offset from any OPM funds that are due and payable to a creditor agency’s debtor. OPM shall initiate the requested administrative offset only upon:

(1) Receipt of written certification from the creditor agency:
   (i) That the debtor owes the debt;
   (ii) The amount and basis of the debt;
   (iii) That the agency has prescribed regulations for the exercise of administrative offset; and
   (iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of 4 CFR part 102, including providing any required hearing or review.
(2) A determination by OPM that collection by offset against funds payable by OPM would not otherwise be contrary to law.
§ 179.308 Accelerated procedures.

OPM may make an administrative offset against a payment to be made to the debtor prior to the completion of the procedures required by §§179.304 and 179.305 if failure to take the offset would substantially jeopardize OPM's ability to collect the debt, and the time before the payment is to be made does not reasonably permit the completion of those procedures. Such prior offset shall be promptly followed by the completion of those procedures. Amounts recovered by offset but later found not to be owed to OPM shall be promptly refunded.

§ 179.309 Additional administrative procedures.

Nothing contained in this chapter is intended to preclude the use of any other administrative remedy which may be available.

180.102 Claimants.
180.103 Time limitations.
180.104 Allowable claims.
180.105 Claims not allowed.

180.107 Claims procedure.
180.108 Settlement of claims.

SOURCE: 43 FR 47163, Oct. 13, 1978, unless otherwise noted.

§ 180.101 Scope and purpose.

(a) The Military Personnel and Civilian Employees' Claims Act of 1964, 31 U.S.C. 240 to 243, authorizes the Director, Office of Personnel Management to settle and pay (including replacement in kind) claims of officers and employees of OPM, amounting to not more than $15,000, for damage to or loss of personal property incident to their service. Claims are payable only for such types, quantities, or amounts of tangible personal property (including money) as the approving authority shall determine to be reasonable, useful, or proper under the circumstances existing at the time and place of the loss. In determining what is reasonable, useful, or proper, the approving authority will consider the type and quantity of property involved, circumstances attending acquisition and use of the property, and whether possession or use by the claimant at the time of damage or loss was incident to service.

(b) The Government does not underwrite all personal property losses that a claimant may sustain and it does not underwrite individual tastes. While the Government does not attempt to limit possession of property by an individual, payment for damage or loss is made only to the extent that the possession of the property is determined to be reasonable, useful, or proper. If individuals possess excessive quantities of items, or expensive items, they should have such property privately insured.

§ 180.102 Claimants.

(a) The following are proper claimants:

(1) Officers and employees of OPM;
(2) Former officers and employees of OPM whose claims arose out of incidents which occurred before their separation;
(3) The authorized agent or legal representative of persons in §§180.102(a)(1) and 180.102(a)(2);
(4) Survivors of persons in §§180.102(a)(1) and 180.102(a)(2) in the following order of precedence:
   (i) Spouse,
   (ii) Children,
   (iii) Father or mother, or both,
   (iv) Brothers or sisters, or both.

(b) A claim may not be presented by or for the benefit of a subrogee, assignee, conditional vendor, or other third party.

§ 180.103 Time limitations.

A claim must be presented in writing within 2 years after it accrues, except during war or armed conflict. If war or armed conflict occurs within the 2-year period following accrual, when claimant shows good cause, the claim may be presented within 2 years after the cause ceases to exist but not more than 2 years after termination of the war or armed conflict. A claim accrues when loss or damage is or should have been discovered by claimant even though
such loss or damage occurred at a prior time.

§ 180.104 Allowable claims.

(a) A claim may be allowed only if:

(1) The damage or loss was not caused wholly or partly by the negligent or wrongful act of the claimant, claimant’s agent, a member of claimant’s family, or claimant’s private employee (the standard to be applied is that of reasonable care under the circumstances);

(2) The possession of the property damaged or lost and the quantity possessed is determined to have been reasonable, useful, or proper under the circumstances; and

(3) The claim is substantiated by proper and convincing evidence.

(b) Claims which are otherwise allowable under this part shall not be disallowed solely because the property was not in the possession of the claimant at the time of the damage or loss or solely because the claimant was not the legal owner of the property for which the claim is made. For example, borrowed property may be the subject of a claim.

(c) Subject to the conditions in §180.104(a) and the other provisions of this part, any claim for damage to or loss of personal property incident to service with OPM may be considered and allowed. The following are examples of the principal types of claims which may be allowed. These examples are not exclusive and other types of claims may be allowed unless excluded by §180.106:

(1) Property damaged or lost in quarters. Claims may be allowed for damage to or loss of property located at:

(i) Quarters within the 50 States and the District of Columbia that were assigned to the claimant or otherwise provided in kind by the United States;

(ii) Quarters outside the 50 States and the District of Columbia that were occupied by the claimant, whether or not they were assigned or otherwise provided in kind by the United States, except when the claimant is a local inhabitant; or

(iii) Any warehouse, office, working area, or other place (except quarters) authorized or apparently authorized for the reception or storage of property.

(2) Transportation or travel losses. Claims may be allowed for damage to or loss of property incident to transportation or storage pursuant to orders, or in connection with travel under orders, including property in custody of a carrier, an agent or agency of the Government, or the claimant.

(3) Motor vehicles. Claims may be allowed for automobiles and other motor vehicles damaged or lost in overseas shipments provided by the Government. “Shipments provided by the Government” means via Government vessels, charter of commercial vessels, or by Government bills of lading on commercial vessels, and includes storage, unloading, and off-loading incident thereto. Other claims for damage to or loss of automobiles and other motor vehicles may be allowed only when use of the vehicle on a non-reimbursable basis was required by the claimant’s supervisor.

(4) Mobile homes. Claims may be allowed for damage to or loss of mobile homes and their contents under the provisions of §180.104(c)(2). Claims for structural damage to mobile homes, other than that caused by collision, and damage to contents of mobile homes resulting from such structural damage must contain conclusive evidence that the damage was not caused by structural deficiency of the mobile home and that it was not overloaded. Claims for damage to or loss of tires mounted on mobile homes may be allowed only in cases of collision, theft, or vandalism.

(5) Money. Claims for money in an amount that is determined to be reasonable for the claimant to possess at the time of the loss are payable:

(i) Where personal funds were accepted by responsible Government personnel with apparent authority to receive them for safekeeping deposit, transmittal, or other authorized disposition, but were neither applied as directed by the owner nor returned;

(ii) When lost incident to a marine or aircraft disaster;

(iii) When lost by fire, flood, hurricane, or other natural disaster;

(iv) When stolen from the quarters of the claimant where it is conclusively shown that the money was in a locked
§ 180.105 Claims not allowed.
(a) A claim is not allowable if:
(1) The damage or loss was caused wholly or partly by the negligent or wrongful act of the claimant, claimant’s agent, claimant’s employee, or a member of claimant’s family;
(2) The damage or loss occurred in quarters occupied by the claimant within the 50 States and the District of Columbia that were not assigned to the claimant or otherwise provided in kind by the United States;
(3) Possession of the property lost or damaged was not incident to service or not reasonable or proper under the circumstances.
(b) In addition to claims falling within the categories of §180.105(a), the following are examples of claims which are not payable:
(1) Claims not incident to service. Claims which arose during the conduct of personal business are not payable.
(2) Subrogation claims. Claims based upon payment or other consideration to a proper claimant are not payable.
(3) Assigned claims. Claims based upon assignment of a claim by a proper claimant are not payable.
(4) Conditional vendor claims. Claims asserted by or on behalf of a conditional vendor are not payable.
(5) Claims by improper claimants. Claims by persons not designated in §180.102(a) are not payable.
(6) Small items of substantial value. Claims are not payable for money or for small articles of substantial value, such as watches or expensive jewelry, when shipped with household goods or as unaccompanied baggage.
(7) Articles of extraordinary value. Claims are not payable for expensive articles of gold, silver, other precious metals, paintings, antiques other than bulky furnishings, relics, and other articles of extraordinary value when shipped with household goods by ordinary means or as unaccompanied baggage at normal released valuation. Claims for such articles are payable when their loss is incident to shipment by expedited mode in accordance with current joint travel regulations. This prohibition does not apply to articles in the personal custody of the claimant or articles properly checked, provided that reasonable protection or security measures have been taken by the claimant.
§ 180.106

(8) Articles acquired for other persons. Claims are not payable for articles intended directly or indirectly for persons other than the claimant or members of the claimant’s immediate household. This prohibition includes articles acquired at the request of others and articles for sale.

(9) Property used for business. Claims are not payable for property normally used for business or profit.

(10) Unserviceable property. Claims are not payable for wornout or unserviceable property.

(11) Violation of law or directive. Claims are not payable for property acquired, possessed, or transported in violation of law, regulation, or other directive. This does not apply to limitations imposed on the weight of shipments of household goods.

(12) Intangible property. Claims are not payable for intangible property such as bank books, checks, promissory notes, stock certificates, bonds, bills of lading, warehouse receipts, baggage checks, insurance policies, money order, and traveler’s checks.

(13) Government property. Claims are not payable for property owned by the United States unless the claimant is financially responsible for the property to an agency of the Government other than OPM.

(14) Motor vehicles. Claims for motor vehicles, except as provided for §180.104(c)(3), will ordinarily not be paid. However, in exceptional cases, meritorious claims for damage to or loss of motor vehicles may be recommended to the Office of the General Counsel for consideration and approval for payment.

(15) Enemy property. Claims are not payable for enemy property, including war trophies.

(16) Losses recoverable from carrier. Claims are not payable for losses, or any portion thereof, which have been recovered or are recoverable from a carrier, except as permitted under §180.106.

(17) Losses recoverable from insurer. Claims are not payable for losses, or any portion thereof, which have been recovered or are recoverable from an insurer, except as permitted under §180.106.

(18) Losses recoverable from contractor. Claims are not payable for losses, or any portion thereof, which have been recovered or are recoverable under contract, except as permitted under §180.106.

(19) Fees for estimates. Claims are not normally payable for fees paid to obtain estimates of repair in conjunction with submitting a claim under this part. However, where, in the opinion of the approving authority, the claimant could not obtain an estimate without paying a fee, such a claim may be considered in an amount reasonable in relation to the value or the cost of repairs of the articles involved, provided that the evidence furnished clearly indicates that the amount of the fee paid will not be deducted from the cost of repairs if the work is accomplished by the estimator.

(20) Items fraudulently claimed. Claims are not payable for items fraudulently claimed. When investigation discloses that a claimant, claimant’s agent, claimant’s employee, or member of claimant’s family has intentionally misrepresented an item claimed as to cost, condition, cost to repair, etc., the item will be disallowed in its entirety even though some actual damage has been sustained. However, if the remainder of the claim is proper it will be paid. This does not preclude appropriate disciplinary action if warranted.

§ 180.106 Claims involving carriers and insurers.

(a) Claimants must comply with the following before presenting claims involving a carrier or insurer:

(1) Whenever property is damaged or lost while being shipped pursuant to authorized travel orders, the owner must file a written claim for reimbursement with the carrier according to the terms of its bill of lading or contract before submitting a claim against the Government. The claimant may present a claim to the Government immediately after making demand on the carrier.

(2) Whenever property which is damaged or lost incident to the claimant’s service is insured in whole or in part,
§ 180.107 Claims procedure.

(a) Filing a claim. Claims not exceeding $500 shall be filed with the appropriate bureau or regional director. Claims in excess of $500 shall be filed with the Office of the General Counsel, Office of Personnel Management, 1900 E Street NW, Washington, DC 20415. Claims shall be in writing, using G.C. Form 33 when available, and shall contain as a minimum:

(1) Name, address, and place of employment of the claimant;

(2) Place and date of the damage or loss;

(3) A brief statement of the facts and circumstances surrounding the damage or loss;

(4) Cost, date, and place of acquisition of each piece of property damaged or lost;

If this procedure causes a hardship, the claimant may present an initial claim with notice that it is a partial claim, an explanation of the circumstances causing the hardship, and an estimate of the balance of the claim and the date it will be submitted. Payment may be made on a partial claim if the approving authority determines that a genuine hardship exists.

(c) Claims investigator. When a claim is filed, the appropriate associate or regional director, or the General Counsel, shall appoint a claims investigator to evaluate the claim and make a recommendation as to its disposition. Such demand should be made within the time limit provided in the policy and prior to the filing of a claim against the Government. The claimant may present a claim to the Government immediately after making demand on the insurer.

(b) If the claimant fails to make the required demand on the carrier or insurer or make reasonable efforts to collect the amount recoverable, the amount payable under the provisions of these regulations shall be reduced by the maximum amount recoverable. However, no deduction will be made if the circumstances of the claimant's service were such as to preclude timely filing of the claim with the carrier or insurer and it is determined that a demand would have been impracticable or unavailing in any event.

(c) When a claim is paid by OPM, the claimant will assign to the United States, to the extent of any payment on the claim accepted by claimant, all rights, title, and interest in any claim against any carrier, insurer, or other party arising out of the incident on which the claim against the United States is based. On request, the claimant also will furnish such evidence as may be required to enable the United States to enforce the claim.

(d) After payment of a claim by the United States, if the claimant receives any payment from a carrier, contractor, insurer, or other third party, the claimant will pay the proceeds to the United States to the extent of the payment received by the claimant from the United States.

(1) Geographical location;
(2) Whether the quarters were assigned or provided in kind by the Government;

(b) Redeployment. The approving authorities may establish such procedures and make such redeployments as may be required to fulfill the objectives of this part.

(c) Cost or value. The amount awarded on any item of property will not exceed the cost of the item (either the price paid in cash or property) or the value at the time of acquisition if not acquired by purchase or exchange. The amount payable will be determined by applying the principles of depreciation to the adjusted dollar value or other base price of property lost or damaged beyond economical repair; by allowing the cost of repairs when an item is economically repairable, provided the cost of repairs does not exceed the depreciated value of the item; and by deducting salvage value, if appropriate.

(d) Depreciation. Depreciation in value of an item is determined by considering the type of article involved, its cost, condition when damaged beyond economical repair or lost, and the time elapsed between the date of acquisition and the date of damage or loss.

(e) Appreciation. There will be no allowance for appreciation in the value of the property except that the cost of the item may be adjusted to reflect changes in the purchasing power of the dollar before depreciation is computed. Appreciation will not be allowed solely because the loss occurred or the claimant now resides in an area remote from the place of purchase of the property.

(f) Expensive articles. Allowance for expensive items (including heirlooms and antiques) or for items purchased at unreasonably high prices will be based on the fair and reasonable purchase price for substitute articles of a similar nature.

(g) Acquisition. Allowance for articles acquired by barter will not exceed the cost of the articles tendered in barter. No reimbursement will be made for articles acquired in black market or other prohibited activities.

(h) Replacement. Replacement of damaged or lost property may be made in kind whenever appropriate.

(i) Amount allowable. Subject to the limitations of §§180.108(c) through 180.108(h), the amount allowable in settlement of a claim is either:

(1) The depreciated value immediately prior to damage or loss of property damaged beyond economical repair or lost, less any salvage value; or

(2) The reasonable cost of repairs when property is economically repairable, provided that the cost of repairs does not exceed the depreciated value.

(j) Notification. The approving authority shall notify the claimant in writing of the action taken on the claim and, if the claim is disapproved or only partially approved, the reasons therefor.
(k) Carrier or insurer. In the event a claim submitted against a carrier or insurer under §180.106 had not been settled before settlement of a claim against the Government under this part, the approving authority shall notify such carrier or insurer to pay the proceeds of the claim to OPM to the extent OPM has made payment to the claimant.

(l) Review. The action of the approving authority is final; however, the decision may be reconsidered if the claimant so requests and submits a written explanation why reconsideration is appropriate.

(m) Attorney’s fees. No more than 10 per centum of the amount paid in settlement of each individual claim submitted and settled under this subpart shall be paid or delivered to or received by any agent or attorney on account of services rendered in connection with that claim and the same shall be unlawful, any contract to the contrary notwithstanding. Any person violating this or any other provision of sections 240 to 243 of title 31, United States Code, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not exceeding $1000.

§ 185.101 Purpose.

This subpart implements the Program Fraud Civil Remedies Act of 1986, Public Law 99–509, 100 Stat. 1974 (October 21, 1986), codified at 31 U.S.C. 3801–3812. Section 3809 requires each authority head to promulgate regulations necessary to implement the provisions of the statute. The subpart establishes administrative procedures for imposing civil penalties and assessments against persons who make, submit, or present, or cause to be made, submitted, or presented, false, fictitious, or fraudulent claims or written statements to authorities or to their agents, and specifies the hearing and appeal rights of persons subject to allegations of liability for such penalties and assessments. The moneys collected as a result of these procedures are deposited as miscellaneous receipts in the Treasury of the United States.

(c) Nothing in this section shall preclude or limit an investigating official’s discretion to refer allegations directly to the Department of Justice for suit under the False Claims Act or other civil relief, or to defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution.

§ 185.105 Review by the reviewing official.

The reviewing official shall file promptly with the ALJ the complaint, the general answer denying liability, and the request for an extension of time as provided in §185.110. For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section. (d) Except as otherwise provided in this section, by failing to file a timely answer the defendant waives any right to further review of the penalties and assessments imposed under paragraph (c) of this section and the initial decision shall become final and binding upon the parties 30 days after it is issued.

(e) If, before such an initial decision becomes final, the defendant files a motion with the ALJ seeking to reopen on the grounds that extraordinary circumstances prevented the defendant from filing an answer, the initial decision shall be stayed pending the ALJ’s decision on the motion.

(f) If, on such motion, the defendant can demonstrate extraordinary circumstances excusing the failure to file a timely answer, the ALJ shall withdraw the initial decision in paragraph (c) of this section, if such a decision has been issued, and shall grant the defendant an opportunity to answer the complaint.

(g) A decision of the ALJ denying a defendant’s motion under paragraph (e) of this section is not subject to reconsideration under §185.138.

(h) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

(i) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(j) The authority head shall decide expeditiously whether extraordinary circumstances excuse the defendant’s failure to file a timely answer based solely on the record before the ALJ.

(k) If the authority head decides that extraordinary circumstances excused the defendant’s failure to file a timely answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(l) If the authority head decides that the defendant’s failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 185.112 Notice of hearing.

(a) When the ALJ receives the complaint and answer, the ALJ shall promptly serve a notice of hearing upon the defendant in the manner prescribed by §185.108. At the same time, the ALJ shall send a copy of such notice to the reviewing official or his or her designee.

(a) A reviewing official or ALJ in a particular case may disqualify himself or herself at any time.

(b) A party may file with the ALJ a motion for disqualification of a reviewing official or an ALJ. Such motion shall be accompanied by an affidavit alleging personal bias or other reason for disqualification.

(c) Such motion and affidavit shall be filed promptly upon the party’s discovery of reasons requiring disqualification, or such objections shall be deemed waived.

It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.

(c) The notice sent to the Attorney General from the reviewing official as described in §185.105 is not discoverable under any circumstances.

(d) The defendant may file a motion to compel disclosure of the documents subject to the provisions of this section. Such a motion may only be filed with the ALJ following the filing of an answer pursuant to §185.109.

§ 185.122 Discovery.

(a) The following types of discovery are authorized:

(1) Requests for production of documents for inspection and copying;

(2) Requests for admissions of the authenticity of any relevant document or of the truth of any relevant fact;

(4) Depositions.

(b) For the purpose of this section and §185.123, the term documents includes information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence. Nothing contained herein shall be interpreted to require the creation of a document.

(d) Motions for discovery are to be handled according to the following procedures:

(1) A party seeking discovery may file a motion with the ALJ. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition.

(2) Within 10 days of service, a party may file an opposition to the motion and/or a motion for protective order as provided in §185.125.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefor not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ upon a showing of good cause. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(e) The party seeking the subpoena shall serve it in the manner prescribed in §185.108. A subpoena on a party or upon an individual under the control of a party may be served by first class mail.

(f) A party or the individual to whom the subpoena is directed may file with the ALJ a motion to quash the subpoena within 10 days after service or on or before the time specified in the subpoena for compliance if it is less than 10 days after service.

§ 185.125 Protective order.

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

1. That the discovery not be had;
2. That the discovery may be had only on specified terms and conditions, including a designation of the time or place;

A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the authority, a check for witness fees and mileage need not accompany the subpoena.

§ 185.128 Form, filing and service of papers.

(a) Form. Documents filed with the ALJ shall include an original and two copies. Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena). Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

Service upon any party of any document other than those required to be served as prescribed in §185.108 shall be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid and addressed, to the party’s last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(d) Proof of service. A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 185.129 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.

(b) When the period of time allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government shall be excluded from the computation.

(c) Where a document has been served or issued by placing it in the mail, an additional 5 days will be added to the time permitted for any response.

§ 185.130 Motions.

(a) Any application to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose or all outstanding motions prior to the beginning of the hearing.
§ 185.131 Sanctions.

(a) The ALJ may sanction a person including any party or representative for the following reasons:

(1) Failure to comply with an order, rule, or procedure governing the proceeding;

(2) Failure to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the proceeding.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party’s control, or a request for admission, the ALJ may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon, testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 185.132 The hearing and burden of proof.

(a) Where requested in accordance with §185.109 the ALJ shall conduct a hearing on the record in order to determine whether the defendant is liable for a civil penalty or assessment under §185.103 and, if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The authority shall prove defendant’s liability and any aggravating factors by a preponderance of the evidence.

(c) The defendant shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise closed by the ALJ for good cause shown.

§ 185.133 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, double damages and a significant civil penalty ordinarily should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant’s culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government’s actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government’s loss;

(7) The potential or actual impact of the misconduct upon public confidence
in the management of Government programs and operations;
(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;
(9) Whether the defendant attempted to conceal the misconduct;
(10) The degree to which the defendant has involved others in the misconduct or in concealing it;
(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant’s practices fostered or attempted to preclude such misconduct;
(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;
(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;
(14) The complexity of the program or transaction, and the degree of the defendant’s sophistication with respect to it, including the extent of the defendant’s prior participation in the program or in similar transactions;
(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly;
(16) The need to deter the defendant and others from engaging in the same or similar misconduct; and
(17) The potential impact of the misconduct on the rights of others.
(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 185.134 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.
(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in §185.123(a).
(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to—
(1) Make the interrogation and presentation effective for the ascertainment of the truth.
(2) Avoid needless consumption of time, and
(3) Protect witnesses from harassment or undue embarrassment.
(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.
(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceedings without regard to the scope of his or her direct examination. To the extent permitted by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.
(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of the following:
(1) A party who is an individual;
(2) In the case of a party that is not an individual, an officer or employee of the party designated by the party’s representative; or
(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 185.135 The record.

(a) The hearing shall be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication.
§ 185.136 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 185.137 Initial decision.

(a) The ALJ shall issue an initial decision based only on the record, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues:

(1) Whether the claims or statements identified in the complaint, or any portions thereof, violate §185.103.

(2) If the person is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors that he or she finds in the case, such as those described in §185.133.

(c) The ALJ shall promptly serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall at the same time serve all parties with a statement describing the right of any defendant determined to be liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head. If the ALJ fails to meet the deadline contained in this paragraph, he or she shall notify the parties of the reason for the delay and shall set a new deadline.

(d) Unless the initial decision of the ALJ is timely appealed to the authority head, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 185.138 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be 5 days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the authority head and shall be final and binding on all parties 30 days after it is issued, unless the initial decision is timely appealed to the authority head in accordance with §185.139.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the authority head in accordance with §185.139.

§ 185.139 Appeal to authority head.

(a) Any defendant who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal
such decision to the authority head by filing a notice of appeal with the authority head in accordance with this section.

(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under §185.138, consideration of the appeal shall be stayed automatically pending resolution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal shall be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(3) If no motion for reconsideration is timely filed, a notice of appeal must be filed within 30 days after the ALJ issues the initial decision.

(4) The authority head may extend the initial 30-day period for an additional 30 days if the defendant files with the authority head a request for an extension within the initial 30-day period and shows good cause.

(b) If the defendant files a timely notice of appeal with the authority head and the time for filing motions for reconsideration under §185.138 has expired, the ALJ shall forward the record of the proceeding to the authority head.

(c) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(d) The representative for OPM may file a brief in opposition to exceptions within 30 days of receiving the notice of appeal and accompanying brief.

(e) There is no right to appear personally before the authority head.

(f) There is no right to appeal an interlocutory ruling by the ALJ.

(g) In reviewing the initial decision, the authority head shall not consider any objection that was not raised before the ALJ unless the objecting party can demonstrate extraordinary circumstances causing the failure to raise the objection.

(h) If any party demonstrates to the satisfaction of the authority head that additional evidence not presented at such hearing is material and that there were reasonable grounds for the failure to present such evidence at such hear-

(i) The authority head may affirm, reduce, reverse, compromise, remand or settle any penalty or assessment determined by the ALJ in any initial decision.

(j) The authority head shall promptly serve each party to the appeal with a copy of the decision of the authority head and a statement describing the right of any person determined to be liable for a penalty or assessment to seek judicial review.

(k) Unless a petition for review is filed as provided in section 3805 of title 31, United States Code, after a defendant has exhausted all administrative remedies under this part and within 60 days after the date on which the authority head serves the defendant with a copy of the authority head’s decision, a determination that a defendant is liable under §185.103 is final and not subject to judicial review.

§185.140 Stays ordered by the Department of Justice.

If, at any time, the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the authority head a written finding that continuation of the administrative process described in this part with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the authority head shall stay the process immediately. The authority head may order the process resumed only upon receipt of the written authorization of the Attorney General or of the Assistant Attorney General who ordered the stay.

§185.141 Stay pending appeal.

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the authority head.

(b) No administrative stay is available following a final decision of the authority head.
§ 185.142 Judicial review.

Section 3805 of title 31, United States Code, authorizes judicial review by an appropriate United States District Court of a final decision of the authority head imposing penalties and/or assessments under this part and specifies the procedures for such review.

§ 185.143 Collection of civil penalties and assessments.

Sections 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this part and specify the procedures for such actions.

§ 185.144 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under §185.142 or §185.143, or any amount agreed upon in a compromise or settlement under §185.146, may be collected by administrative offset under section 3716 of title 31, United States Code, except that an administrative offset may not be made under section 3716 against a refund of an overpayment of Federal taxes, then or later owing by the United States to the defendant.

§ 185.145 Deposit in Treasury of the United States.

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in section 3806(g) of title 31, United States Code.

§ 185.146 Compromise or settlement.

(a) Parties may make offers of compromise or settlement at any time.

(b) The reviewing official has the exclusive authority to compromise or settle a case under this part at any time after the date on which the reviewing official is permitted to issue a complaint and before the date on which the ALJ issues an initial decision.

(c) The authority head has exclusive authority to compromise or settle a case under this part at any time after the date on which the ALJ issues an initial decision, except during the pendency of any review under §185.142 or during the pendency of any action to collect penalties and assessments under §185.143.

(d) The Attorney General has exclusive authority to compromise or settle a case under this part during the pendency of any review under §185.142 or of any action to recover penalties and assessments under section 3806 to title 31, United States Code.

(e) The investigating official may recommend settlement terms to the reviewing official, the authority head, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the authority head, or the Attorney General, as appropriate.

(b) If the defendant fails to file a timely answer, service of a notice under §185.110(b) shall be deemed a notice of hearing for purposes of this section.

(c) The statute of limitations may be executed by written agreement of the parties.

213.101 Definitions.
213.102 Identification of positions in Schedule A, B, or C.
213.103 Publication of excepted appointing authorities in Schedules A, B, and C.
213.104 Special provisions for temporary, intermittent, or seasonal appointments in Schedule A, B, or C.
§ 213.101 Definitions.

In this chapter:

(a) Excepted service has the meaning given that term by section 2103 of title 5, United States Code, and includes all positions in the executive branch of the Federal Government which are specifically excepted from the competitive service by or pursuant to statute, by the President, or by the Office of Personnel Management, and which are not in the Senior Executive Service.

(b) Excepted position means a position in the excepted service.

(5 U.S.C. 2103)

§ 213.102 Identification of positions in Schedule A, B, or C.

(a) The Office of Personnel Management will decide whether the duties and requirements of any particular position justify exception from the competitive service. Upon favorable determination, OPM will authorize the position to be filled by excepted appointment under Schedule A, B, or C. Unless otherwise specified in a particular appointing authority, an agency may make Schedule A, B, or C appointments on either a permanent or non-permanent basis, with any appropriate work schedule (i.e., full-time, part-time, seasonal, on-call, or intermittent).

(b) When OPM establishes eligibility requirements (e.g., residence, family income) for appointment under particular Schedule A or B exceptions, an individual’s eligibility for appointment must be determined before appointment and without regard to any conditions that will result from the appointment.

[59 FR 46897, Sept. 13, 1994]

§ 213.103 Special provisions for temporary, intermittent, or seasonal appointments in Schedule A, B, or C.

(a) When OPM specifies that appointments under a particular Schedule A, B, or C authority must be temporary, intermittent, or seasonal, those terms have the following meanings:

(1) Temporary appointments, unless otherwise specified in a particular Schedule A, B, or C exception, are made for a specified period not to exceed 1 year and are subject to the time limits in paragraph (b) of this section.

[59 FR 46897, Sept. 13, 1994]
Time-limited appointments made for more than 1 year are not considered to be temporary appointments, and are not subject to these time limits.

(2) Intermittent positions are positions in which work recurs at sporadic or irregular intervals so that an employee’s tour of duty cannot be scheduled in advance of the administrative workweek.

(3) Seasonal positions involve annually recurring periods of employment lasting less than 12 months each year.

(b) Temporary appointments, as defined in paragraph (a)(1) of this section, are subject to the following limits:

(1) Service limits. Agencies may make temporary appointments for a period not to exceed 1 year, unless the applicable Schedule A, B, or C authority specifies a shorter period. Except as provided in paragraph (b)(3) of this section, agencies may extend temporary appointments for no more than 1 additional year (24 months of total service). Appointment to a successor position (i.e., a position that replaces and absorbs the original position) is considered to be an extension of the original appointment. Appointment to a position involving the same basic duties, in the same major subdivision of the agency, and in the same local commuting area is also considered to be an extension of the original appointment.

(2) Restrictions on refilling positions under temporary appointments. Except as provided in paragraph (b)(3) of this section, an agency may not fill any position (or its successor) by a temporary appointment in Schedule A, B, or C if that position had previously been filled by temporary appointment(s) in either the competitive or excepted service for an aggregate of 2 years, or 24 months, within the preceding 3-year period. This limitation does not apply to programs established to provide for systematic exchange between a Federal agency and nonfederal organizations.

(3) Exceptions to the general limits. The service limits and restrictions on refilling positions set out in this section do not apply when:

(i) Positions involve intermittent or seasonal work, and employment in the same or a successor position under one or more appointing authorities totals less than 6 months (1,040 hours), excluding overtime, in a service year. The service year is the calendar year that begins on the date of the employee’s initial appointment in the agency. Should employment in a position filled under this exception total 6 months or more in any service year, the general limits set out in this section will apply to subsequent extension or reappointment unless OPM approves continued exception under this section. An individual may be employed for training for up to 120 days following initial appointment and up to 2 weeks a year thereafter without regard to the service year limitation.

(ii) Positions are filled under an authority established for the purpose of enabling the appointees to continue or enhance their education, or to meet academic or professional qualification requirements. These include the authorities set out in paragraphs (r) and (s) of §213.3102 and paragraph (a) of §213.3202, and authorities granted to individual agencies for use in connection with internship, fellowship, residency, or student programs.

(iii) OPM approves extension of specific temporary appointments beyond 2 years (24 months total service) when necessitated by major reorganizations or base closings or other rare and unusual circumstances. Requests based on major reorganization, base closing, restructuring, or other unusual circumstances that apply agencywide must be made by an official at the headquarters level of the Department or agency. Requests involving extension of appointments to a specific position or project based on other unusual circumstances may be submitted by the employing office to the appropriate OPM service center.

Subpart B [Reserved]
§ 213.3101Positions other than those of a confidential or policy-determining character for which it is impracticable to examine.

Upon specific authorization by OPM, agencies may make appointments under this section to positions which are not of a confidential or policy-determining character, and which are not in the Senior Executive Service, for which it is not practicable to examine. Examining for this purpose means application of the qualification standards and requirements established for the competitive service. Positions filled under this authority are excepted from the competitive service and constitute Schedule A. For each authorization under this section, OPM shall assign an identifying number from 213.3102 through 213.3199 to be used by the appointing agency in recording appointments made under that authorization.

This limitation on compensation includes any premium pay such as for overtime, night, Sunday, or holiday work. It does not, however, include any mandatory within-grade salary increases to which the employee becomes entitled subsequent to appointment under this authority. Appointments under this authority may not be for temporary project employment.

(h) [Reserved]
§ 213.3102

Employees who are entitled to placement under §353.110 will be appointed to a position that OPM determines is equivalent in pay and grade to the one the individual left, unless the individual elects to be placed in a position of lower grade or pay. An initial appointment may be extended for one or more periods not to exceed 1 additional year each upon a finding that the inmate is still in a work-release status and that a local recruiting shortage still exists. No person may serve under this authority longer than 1-year beyond the date of that person’s release from custody.

If the student is enrolled, the student must be taking at least a half-time academic/vocational or technical course load. The definition of half-time is the definition provided by the school in which the student is enrolled. Students need not be in actual physical attendance, so long as all the other requirements are met. An individual who needs to complete less than the equivalent of half an academic/vocational or technical course load in the class enrollment period immediately prior to graduating is still considered a student for purposes of this program.

(3) Schedules. Students may work full-time or part-time schedules at any time during the year. There are no limitations on the number of hours a student can work per week, but the student’s work schedule should not interfere with the student’s academic schedule.

(8) Financial need. There is no requirement for students to meet any specific economic/income criteria to be eligible. However, agencies have the option to establish and use financial need as a criteria to select students, if they wish. OPM does not develop or distribute annual economic guidelines for use in determining financial need. An agency wishing to use the Department of Health and Human Services’ poverty guidelines may call the Department of Health and Human Services, Office of the Assistant Secretary for Planning and Evaluation.

(9) Training expenses: Observing the prohibitions in 5 U.S.C. 4107, agencies may use their training authority in 5 U.S.C. chapter 41 and 5 CFR part 410 to pay all or part of training expenses directly related to students’ official duties.

(10) Appointments. (i) Students are appointed to positions not to exceed 1 year. Appointments under this authority may be extended in one-year increments as long as the individual meets the definition of a student. Agencies may establish minimum academic requirements and on-the-job performance requirements for continuation in the
program. Students under this appointment authority are excepted from the limitations under §213.104.

(ii) The nature of the duties does not have to be related to the student’s academic/career goals.

(11) Classification. Classification of students is based on the occupational series for which they are hired. Grade level is to be set according to the criteria in the appropriate General Schedule (GS) or wage grade (WG) classification standard.

(12) Qualifications. Students may be evaluated either by agency-developed standards or by the OPM qualification requirements for the position to which appointed. Students are eligible for promotions. Promotions should be documented as a conversion to another excepted appointment, citing the same authority used for the original appointment and maintaining the original not-to-exceed (NTE) date.

(13) Benefits. (i) Students under this program are eligible for annual and sick leave and are generally ineligible for retirement coverage. Refer to §831.201 and §842.105 of this chapter for specific information.

(14) Reductions-in-Force (RIF). Students are covered by §351.502 of this chapter for purposes of RIF. Students, provided they have completed at least 1 year of current continuous service, are in excepted service Tenure Group III.

If the student is enrolled, the student must be taking at least a half-time academic/vocational or technical course load. The definition of half-time is the definition provided by the school in which the student is enrolled. Students need not be in actual physical attendance, so long as all the other requirements are met. An individual who needs to complete less than the equivalent of half an academic/vocational or technical course load in the class enrollment period immediately prior to graduating is still considered a student for purposes of this program.

(3) Schedules. Students may work full-time or part-time schedules at any time during the year. There are no limitations on the number of hours a student can work per week, but the student’s work schedule should not interfere with the student’s academic schedule.

(A) The student is lawfully admitted to the United States as a permanent resident or otherwise authorized to be employed; and

(B) The agency is authorized to pay aliens under the annual appropriations act ban and any agency specific enabling and appropriation statutes.

(ii) All students must be United States citizens at the time they are noncompetitively converted to a term, career, or career-conditional appointment.

(7) Employment of relatives. In accordance with part 310 of this chapter, a student may work in the same agency with a relative when there is no direct reporting relationship and the relative is not in a position to influence or control the student’s appointment, employment, promotion or advancement within the agency.

(8) Financial need. There is no requirement for students to meet any specific economic/income criteria to be eligible. However, agencies have the option to establish and use financial need as a criteria to select students, if they wish. OPM does not develop or distribute annual economic guidelines for use in determining financial need. An agency wishing to use the Department of Health and Human Services’ poverty guidelines may call the Department of Health and Human Services, Office of the Assistant Secretary for Planning and Evaluation.

(9) Training expenses: Observing the prohibitions in 5 U.S.C. 4107, agencies may use their training authority in 5 U.S.C. chapter 41 and 5 CFR part 410 to pay all or part of training expenses directly related to students’ official duties.

(10) Appointments. (i) Appointments are subject to all the requirements and conditions governing term, career, or career-conditional employment, including investigation to establish an appointee’s qualifications and suitability.

(ii) Appointments of participants who have met all the requirements of the program may be noncompetitively converted to term, career, or career-conditional appointments at any time within 120 days after satisfactory completion of the requirements for his/her diploma, certificate, or degree.

(11) Program requirements for non-competitive conversion. (i) Students, who are U.S. citizens, may be noncompetitively converted from the Student Career Experience Program to a term, career or career-conditional appointment under Executive Order 12015 (as amended by Executive Order 13024) when students have:

(A) Completed within the preceding 120 days, at an accredited school, course requirements conferring a diploma, certificate, or degree;

(iii) The noncompetitive conversion may be to a position within the same agency or any other agency within the Federal Government.

(iv) Agencies who noncompetitively convert Student Career Experience Program participants to term appointments may also noncompetitively convert them to career or career-conditional appointments before the term appointments expire.

(12) Agreement by all parties. (i) The Student Career Experience Program is a formally structured program and requires a written agreement by all parties (agency, school, student) as to the:

(A) Nature of work assignments;

(B) Schedule of work assignments and class attendance;
(C) Evaluation procedures; and
(D) Requirements for continuation and successful completion of the program.

(ii) The work experience with the agency must be related to his/her academic/career goals.

(13) Schedule. Agencies, participating educational institutions, and students should agree on a formally-arranged schedule of school and work to ensure that:

(iii) The agency is informed and prepared for the student’s periods of employment; and

(iv) Requirements for non-competitive conversion to term, career, or career-conditional employment are understood by all parties.

(iii) Is entitled to be placed in another civil service position under 5 U.S.C. 3594(b).

(2) Appointment in a different agency without a break in service of an individual originally appointed under paragraph (m)(l).

(3) Reassignment, promotion, or demotion within the same agency of an individual appointed under this authority. U.S.C.

(n) Positions when filled by preference eligibles or veterans who have been separated from the armed forces under honorable conditions after 3 years or more of continuous active military service and who, in accordance with the provisions of Pub.L. 105–339, applied for these positions under
merit promotion procedures when applications were being accepted from individuals outside its own workforce. These veterans may be promoted, demoted, or reassigned, as appropriate, to other positions within the agency but would remain employed under this excepted authority as long as there is no break in service. No new appointments may be made under this authority after November 30, 1999.

(o) The Federal Career Intern Program—(i) Appointments. Appointments made under the Federal Career Intern Program may not exceed 2 years, except as described in paragraph (o)(2) of this section. Initial appointments shall be made to a position at the grades GS-5, 7, or 9 (and equivalent) or other trainee levels appropriate for the Program. Agencies must request OPM approval to cover additional grades to meet unique or specialized needs. Agencies will use part 302 of this chapter when making appointments under this Program.

(2) Extensions. (i) Agencies must request, in writing, OPM approval to extend internships for up to 1 additional year beyond the authorized 2 years for additional training and/or developmental activities.

(ii) Agencies are delegated the authority to extend, without prior OPM approval, 2-year internships for up to an additional 120 days to cover rare or unusual circumstances, and where agencies have established criteria for approving extensions.

(3) Qualifications. Candidates will be evaluated using OPM qualification requirements or OPM-approved, agency-specific qualification requirements.

(4) Tenure Group. Career interns are in the excepted service Tenure Group II for purposes of §351.502 of this chapter. Expiration of the internship is not subject to part 351 of this chapter.

(5) Promotions. During the internship period, individuals participating in the program may receive promotions as determined by an agency’s plan. This provision does not confer entitlement to promotion.

(6) Conversion to Competitive Service. Except as provided in paragraph (o)(6)(ii) of this section, service as an intern shall confer no rights to further Federal employment in either the competitive or excepted service upon the expiration of the internship period.

(i) Competitive civil service status may be granted to career interns who successfully complete their internships and meet all qualification, suitability, and performance requirements. These noncompetitive conversions will be effective on the date the 2-year service requirement is met, or at the end of the extended period.

(ii) An employee who held a career or career-conditional appointment in an agency immediately before entering the Career Intern Program in the same agency, and who fails to complete the Career Intern Program for reasons unrelated to misconduct or suitability, shall be placed in a career or career-conditional position in the current agency at no lower grade or pay than the one the employee left to accept the position in the Career Intern Program. For purposes of this paragraph, agency means an Executive Department, Government corporation, or independent establishment as defined in 5 U.S.C. 105. An Executive Department may treat each of its bureaus or components (first major subdivision that is separately organized and clearly distinguished from other bureaus or components in work function and operation) as a separate agency or as part of one agency, but must do so by agency directive in establishing the program.

(iii) Service under the Career Intern Program counts toward career tenure in the competitive service, if the Career Intern is converted to a career-conditional appointment under §315.712 of this chapter.

(7) Terminations. The appointment of a career intern expires at the end of the 2-year internship period, plus any extensions. The employing agency may, with no break in service, convert the intern to a career or career-conditional appointment in accordance with §315.712 of this chapter. If an employee is not converted to a career or career-conditional appointment, the career intern appointment terminates, unless specifically eligible for placement under paragraph (o)(6)(ii) of this section.

(8) Career Development. Agencies will provide the career interns with formal
training and developmental opportunities to acquire the appropriate agency-identified competencies needed for conversion. These activities may include, but are not limited to, formal training classes, rotational or other job assignments, attendance at conferences and seminars, interagency assignments, or other activities approved by the agency.

(9) Agency Responsibilities. Each agency will determine the appropriate use of the Career Intern Program relating to recruitment needs in specific occupational series, grades, and geographical areas, ensuring that programs are developed and implemented in accordance with the merit system principles. Agencies may adapt the program to meet their individual requirements, including, but not limited to such aspects as:

(i) Deciding how to delegate the authority to develop Career Intern Programs (e.g., department-wide versus bureaus and agency components);
(ii) Defining the roles and responsibilities of supervisors and other key officials in career intern program administration, such as human resources staff, budget and finance staff, career counselors, or mentors;
(iii) Designing, implementing, and documenting formal program(s) for the training and development of employees selected under the provisions of this Part, including the type and duration of assignments;
(iv) Deciding how to inform the career interns of what will be expected during the internship, including developmental assignments and performance requirements; and
(v) Planning, coordinating, implementing and monitoring program activities.

§ 213.3302 Temporary transitional Schedule C positions.

(a) An agency may establish temporary transitional Schedule C positions necessary to assist a department or agency head during the 1-year period immediately following a change in presidential administration, when a new department or agency head has entered on duty, or when a new department or agency is created. These positions may be established only to meet legitimate needs of the agency in carrying out its mission during the period of transition associated with such changeovers. They must be of a confidential or policy-determining character and are subject to instructions issued by OPM.

(b) The number of temporary transitional Schedule C positions established by an agency cannot exceed either 50
percent of the highest number of permanent Schedule C positions filled by that agency at any time over the previous 5 years, or three positions, whichever is higher. In the event a new department or agency is created, the number of temporary transitional positions should reasonable in light of the size and program responsibility of that department or agency. OPM may approve an increase in an agency’s quota to meet a critical need or in unusual circumstances.

(c) Individual appointments under this authority may be made for 120 days, with one extension of an additional 120 days. They may be deemed provisional appointments for purposes of the regulations set out in parts 351, 831, 842, 870, and 890 of this chapter if they meet the criteria set out in §§316.401 and 316.403 of this chapter.

(d) An agency shall notify OPM within 5 working days after a temporary transitional Schedule C position has been encumbered and within 3 working days when it has been vacated. The agency must also submit to OPM a statement signed by the agency head certifying that the position was not created solely or primarily for the purpose of detailing the incumbent to the White House.

[35 FR 5173, Mar. 27, 1970]

§ 230.402 Agency authority to make emergency-indefinite appointments in a national emergency.
(a) When a national emergency exists—
(1) Definition. A national emergency must meet all of the following conditions:
(i) It was declared by the President or Congress.
(ii) It involves a danger to the United States’ safety, security, or stability that results from specified circumstances or conditions and that is national in scope.
(iii) It requires a national program specifically intended to combat the threat to national safety, security, or stability.
(2) Termination of a national emergency. A national emergency no longer exists if it is officially terminated by the President or Congress, or if the specific circumstances, conditions, or program cited in the original declaration are terminated or corrected.
(b) Basic authority. Agencies may make emergency-indefinite appointments without OPM approval during any national emergency as defined in paragraph (a) of this section. The head of an agency with a defense-related mission may request OPM’s approval to make emergency-indefinite appointments without a declared national emergency when the President has authorized the call-up of some portion of the military reserves for some military purpose. The request must demonstrate that normal hiring procedures cannot meet surge employment requirements and that use of emergency-indefinite appointments is necessary for economy and efficiency. Except as provided by
paragraphs (c) and (d) of this section, agencies must make emergency-indefinite appointments from appropriate registers of eligibles as long as there are available eligibles.

(c) Appointment outside the register. An agency may make emergency-indefinite appointments under this section outside registers of eligibles when all the following conditions are met:

(1) A number of vacancies must be filled immediately as a result of conditions created by the national emergency;

(2) Either the number of vacancies to be filled exceeds the number of immediately available eligibles or emergency conditions do not allow sufficient time to make this determination; and

(3) Available eligibles on registers are given prior or concurrent consideration for appointment to the extent possible within emergency time considerations.

(d) Appointment noncompetitively. An agency may give emergency-indefinite appointments under this section to the following classes of persons without regard to registers of eligibles and the provisions in §332.102 of this chapter:

(1) Persons who were recruited on a standby basis prior to the national emergency;

(2) Members of the National Defense Executive Reserve, designated in accordance with section 710(e) of the Defense Production Act of 1950, Executive Order 11179 of September 22, 1964, and applications issued by the agency authorized to implement the law and Executive Order; and

(3) Former Federal employees eligible for reinstatement.

(e) Tenure of emergency-indefinite employees. (1) Emergency-indefinite employees do not acquire a competitive status on the basis of their emergency-indefinite appointments.

(2) An emergency-indefinite appointment may be continued for the duration of the emergency for which it is made.

(f) Trial period. (1) The first year of service of an emergency-indefinite employee is a trial period.

(2) The agency may terminate the appointment of an emergency-indefinite employee at any time during the trial period. The employee is entitled to the procedures set forth in §315.804 or §315.805 of this chapter as appropriate.

(g) Eligibility for within-grade increases. An emergency-indefinite employee serving in a position subject to the General Schedule is eligible for within-grade increases in accordance with subpart D of part 551 of this chapter.

(h) Applications of other regulations. (1) The term ‘‘indefinite employee’’ as used in the following includes an emergency-indefinite employee: Section 316.801, part 351, part 353, subpart G of part 550, and part 752 of this chapter.

(2) The selection procedures of part 333 of this chapter apply to emergency-indefinite employees appointed outside the register under paragraph (c) of this section.

(3) Despite the provisions in §831.201(a)(11) of this chapter, an employee serving under an emergency-indefinite appointment under authority of this section is excluded from retirement coverage, except as provided in paragraph (b) of §831.201 of this chapter.

(i) Promotion, demotion, or reassignment. An agency may promote, demote, or reassign an emergency-indefinite employee to any position for which it is making emergency-indefinite appointments.

(j) Trial period. (1) The first year of service of an emergency-indefinite employee is a trial period.

(2) The agency may terminate the appointment of an emergency-indefinite employee at any time during the trial period. The employee is entitled to the procedures set forth in §315.804 or §315.805 of this chapter as appropriate.

(k) Eligibility for within-grade increases. An emergency-indefinite employee serving in a position subject to the General Schedule is eligible for within-grade increases in accordance with subpart D of part 551 of this chapter.

(l) Applications of other regulations. (1) The term ‘‘indefinite employee’’ as used in the following includes an emergency-indefinite employee: Section 316.801, part 351, part 353, subpart G of part 550, and part 752 of this chapter.

(2) The selection procedures of part 333 of this chapter apply to emergency-indefinite employees appointed outside the register under paragraph (c) of this section.

(3) Despite the provisions in §831.201(a)(11) of this chapter, an employee serving under an emergency-indefinite appointment under authority of this section is excluded from retirement coverage, except as provided in paragraph (b) of §831.201 of this chapter.

(i) Promotion, demotion, or reassignment. An agency may promote, demote, or reassign an emergency-indefinite employee to any position for which it is making emergency-indefinite appointments.

[5 U.S.C. 1104; Pub. L. 95–454, sec. 3(5)]

[44 FR 54691, Sept. 21, 1979, as amended at 60 FR 3057, Jan. 13, 1995]
§ 250.101 Standards and requirements for agency personnel actions.

In taking a personnel action authorized by this chapter, each agency shall comply with the qualification standards and regulations issued by the Office of Personnel Management, the instructions published by OPM in the Federal Personnel Manual, and the provisions of any agreement development between OPM and the agency in connection with delegation of a specific authority. When a personnel action is being taken as a result of an order of a Court or a settlement agreement, or a decision or order of or a settlement agreement or an arbitral award reached under the labor arbitration process or the rules and regulations of the Merit Systems Protection Board, the Equal Employment Opportunity Commission, the Federal Labor Relations Authority, or OPM, the agency shall follow the instructions in Federal Personnel Manual Chapter 296, and must comply with all other relevant substantive and documentary requirements, including those applicable to retirement, life insurance, and health benefits.

§ 250.102 Delegation agreements.

In certain circumstances, an agency will receive authorities through a delegation agreement developed between the agency and OPM. The agreement will set forth the conditions for application of the delegated authorities. The agreement will include a description of minimum standards of performance and the system of oversight to be used by the agency and by OPM in monitoring the use of each delegated authority.

§ 250.103 Taking corrective action or suspending or withdrawing agency authority.

If OPM finds that an agency has taken an action contrary to a law, rule, regulation, or standard which OPM administers, it may require the agency to take corrective action. OPM may suspend or withdraw any authority granted under this chapter to an agency, including any authority granted by delegation agreement, when it finds that the agency has not complied with qualification standards issued by OPM, the instructions published by OPM in the Federal Personnel Manual, or the regulations in this chapter; or that the suspension or withdrawal is in the interest of the service for any other reason. OPM may suspend or revoke a delegation agreement established under § 250.102 at any time, if it judges that the agency is not adhering to the provisions of the agreement.
(c) The purposes of consultation and communication are: the improvement of agency operations, personnel management, and employee effectiveness; the exchange of information (e.g., ideas, opinions, and proposals); and the establishment of policies that best serve the public interest in accomplishing the mission of the agency.

(d) An agency’s consultation and communication with organizations representing Federal employees and with other organizations under this part may not take on the character of negotiations or consultations regarding conditions of employment of bargaining unit employees, which is reserved exclusively to labor organizations as provided for in Chapter 71 of title 5 of the U.S. Code or comparable provisions of other laws. The regulations in this part do not authorize any actions inconsistent with Chapter 71 of the U.S. Code or comparable provisions of other laws.

(e) The head of a Federal agency may determine that it is in the interest of the agency to consult, from time to time, with organizations other than labor organizations and associations of management officials and/or supervisors to the extent permitted by law. Under section 7(d)(2) and (3) of Executive Order 11491, as amended, recognition of a labor organization does not preclude an agency from consulting or dealing with a veterans organization, or with a religious, social, fraternal, professional, or other lawful association, not qualified as a labor organization, with respect to matters or policies which involve individual members of the organization or association or are of particular applicability to it or its members.

(f) Federal employees, including management officials and supervisors, may communicate with any Federal agency, officer, or other Federal entity on the employee’s own behalf. However, Federal employees should be aware that 18 U.S.C. 205, in pertinent part, restricts Federal employees from acting, other than in the proper discharge of their official duties, as agents or attorneys for any person or organization other than a labor organization, before any Federal agency or other Federal entity in connection with any matter in which the United States is a party or has a direct and substantial interest. An exception to the prohibition found in 18 U.S.C. 205 permits Federal employees to represent certain nonprofit organizations before the Government except in connection with specified matters. Agency officials and employees are therefore advised to consult with their designated agency ethics officials for guidance regarding any conflicts of interest that may arise.

§ 251.103 Definitions.

(a) Organization representing Federal employees and other organizations means an organization other than a labor organization that can provide information, views, and services which will contribute to improved agency operations, personnel management, and employee effectiveness. Such an organization may be an association of Federal management officials and/or supervisors, a group representing minorities, women or persons with disabilities in connection with the agencies’ EEO programs and action plans, a professional association, a civic or consumer group, and organization concerned with special social interests, and the like.
§ 251.201 Associations of management officials and/or supervisors.

(a) As part of agency management, supervisors and managers should be included in the decision-making process and notified of executive-level decisions on a timely basis. Each agency must establish and maintain a system for intra-management communication and consultation with its supervisors and managers. Agencies must also establish consultative relationships with associations whose membership is primarily composed of Federal supervisory and/or managerial personnel, provided that such associations are not affiliated with any labor organization and that they have sufficient agency membership to assure a worthwhile dialogue with executive management. Consultative relationships with other non-labor organizations representing Federal employees are discretionary.

(b) Consultations should have as their objectives the improvement of managerial effectiveness and the working conditions of supervisors and managers, as well as the identification and resolution of problems affecting agency operations and employees, including supervisors and managers.

(c) The system of communication and consultation should be designed so that individual supervisors and managers are able to participate if they are not affiliated with an association of management officials and/or supervisors. At the same time, the voluntary joining together of supervisory and management personnel in groups of associations shall not be precluded or discouraged.

§ 251.202 Agency support to organizations representing Federal employees and other organizations.

(a) An agency may provide support services to an organization when the agency determines that such action would benefit the agency’s programs or would be warranted as a service to employees who are members of the organization and complies with applicable statutes and regulations. Examples of such support services are as follows:

(1) Permitting employees, in appropriate cases, to use agency equipment or administrative support services for preparing papers to be presented at conferences or symposia or published in journals;

(2) Using the authority under 5 U.S.C. 4109 and 4110, as implemented by 5 CFR part 410, to pay expenses of employees to attend professional organization meetings when such attendance is for the purpose of employee development or directly concerned with agency functions or activities and the agency can derive benefits from employee attendance at such meetings; and

(3) Following a liberal policy in authorizing excused absence for other employees who are willing to pay their own expenses to attend a meeting of a professional association or other organization from which an agency could derive some benefits.

(b) Agencies may provide Government resources support to organizations (such as space in Government facilities for meeting purposes and the use of agency bulletin boards, internal agency mail distribution systems, electronic bulletin boards and other means of informing agency employees about meetings and activities) in accordance with appropriate General Services Administration regulations contained in title 41 of the Code of Federal Regulations. The mere provision of such support to any organization is not to be construed as Federal sponsorship, sanction, or endorsement of the organization or its activities.
Subpart C—Dues Withholding

§ 251.301 Associations of management officials and/or supervisors.

Dues withholding for associations of management officials and/or supervisors is covered in 5 CFR 550.331.

§ 251.302 All other organizations.

Under 5 CFR 550.311(b), an agency may permit an employee to make an allotment for any legal purpose deemed appropriate by the head of the agency. Agencies may provide for the allotment of dues for organizations representing Federal employees under that section.

PART 293—PERSONNEL RECORDS

Subpart A—Basic Policies on Maintenance of Personnel Records

§ 293.101 Purpose and scope.

(a) This subpart sets forth basic policies governing the creation, development, maintenance, processing, use, dissemination, and safeguarding of personnel records which the Office of Personnel Management requires agencies to maintain in the personnel management or personnel policy setting process.

(b) Agencies in the Executive Branch of the Federal Government are subject to specific Office of Personnel Management recordkeeping requirements to varying degrees, pursuant to statute, Office regulation, or formal agreements between the Office and agencies. This subpart applies to any department.
or independent establishment in the Executive Branch of the Federal Government, including a government corporation or Government controlled corporation, except those specifically excluded from Office recordkeeping requirements by statute, Office regulation, or formal agreement between the Office and that agency.

§ 293.102 Definitions.

Maintain includes collect, use, or disseminate;
Office means the Office of Personnel Management;

System of records means a group of records under the control of any agency from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifying particular assigned to the individual.

§ 293.103 Recordkeeping standards.

(a) The head of each agency shall ensure that persons having access to or involved in the creation, development, processing, use, or maintenance of personnel records are informed of pertinent recordkeeping regulations and requirements of the Office of Personnel Management and the agency. Authority to maintain personnel records does not constitute authority to maintain information in the record merely because it may be useful; both Government-wide and internal agency personnel records shall contain only information concerning an individual that is relevant and necessary to accomplish the Federal personnel management purposes required by statute, Executive order, or Office regulation.

(b) The Office is responsible for establishing minimum standards of accuracy, relevancy, necessity, timeliness, and completeness for personnel records it requires agencies to maintain. These standards are discussed in appropriate chapters of the Federal Personnel Manual. Before approval of any agency requests for changes in recordkeeping practices governed by the Federal Personnel Manual, the Office will examine the proposal or request in the context of such standards set forth by the agency in support of the proposal and in light of the personnel program area that requires these records.

§ 293.104 Collection of information.

(a) Any information in personnel records whether or not those records are in a system of records, used in whole or in part in making a determination about an individual’s rights, benefits, or privileges under Federal personnel programs should, to the greatest extent practicable, be collected directly from the individual concerned. Factors to be considered in determining whether to collect the data from the individual concerned or a third party are when:
§ 293.107 Safeguarding information about individuals.

(a) To ensure the security and confidentiality of personnel records, in whatever form, each agency shall establish administrative, technical, and physical controls to protect information in personnel records from unauthorized access, use, modification, destruction, or disclosure. As a minimum, these controls shall require that all persons whose official duties require access to and use of personnel records be responsible and accountable for safeguarding those records and for ensuring that the records are secured whenever they are not in use or under the direct control of authorized persons. Generally, personnel records should be held, processed, or stored only where facilities and conditions are adequate to prevent unauthorized access.

(b) Personnel records must be stored in metal filing cabinets which are locked when the records are not in use, or in a secured room. Alternative storage facilities may be employed provided they furnish an equivalent or greater degree of security than these methods. Except for access by the data subject, only employees whose official duties require access shall be allowed to handle and use personnel records, in whatever form or media the records might appear. To the extent feasible, entry into personnel record storage areas shall be similarly limited. Documentation of the removal of records from storage areas must be kept so that adequate control procedures can be established to assure that removed records are returned on a timely basis.

(c) Disposal and destruction of personnel records shall be in accordance with the General Record Schedule issued by the General Services Administration for the records or, alternatively, with Office or agency records control schedules approved by the National Archives and Records Service of the General Services Administration.

§ 293.106 Safeguarding information about individuals.

(a) First Amendment. Personnel records describing how individuals exercise rights guaranteed by the First Amendment are prohibited unless expressly authorized by statute, or by the individual concerned, or unless pertinent to and within the scope of an authorized law enforcement activity. These rights include, but are not limited to, free exercise of religious and political beliefs, freedom of speech and the press, and freedom to assemble and to petition the government.

(b) Social Security Number.

(1) Agencies may not require individuals to disclose their Social Security Number unless disclosure would be required:

(i) Under Federal statute; or

(ii) Under any statute, Executive order, or regulation that authorizes any Federal, State, or local agency maintaining a system of records that was in existence and operating prior to January 1, 1975, to request the Social Security Number as a necessary means of verifying the identity of an individual.

(2) Individuals asked to voluntarily disclose their Social Security Number shall suffer no penalty or denial of benefits for refusing to provide it.
§ 293.108 Rules of conduct.

(a) Scope. These rules of conduct apply to all Office and agency employees responsible for creation, development, maintenance, processing, use, dissemination, and safeguarding of personnel records. The Office and agencies shall require that such employees are familiar with these and appropriate supplemental agency internal regulations.

(b) Standards of conduct. Office and agency employees whose official duties involve personnel records shall be sensitive to individual rights to personal privacy and shall not disclose information from any personnel record unless disclosure is part of their official duties or required by executive order, regulation, or statute (e.g., required by the Freedom of Information Act, 5 U.S.C. 552).

(c) Improper uses of personnel information. Any Office or agency employee who makes a disclosure of personnel records knowing that such disclosure is unauthorized, or otherwise knowingly violates these regulations, shall be subject to disciplinary action and may also be subject to criminal penalties where the records are subject to the Privacy Act (5 U.S.C. 552a). Employees are prohibited from using personnel information not available to the public, gained through official duties, for commercial solicitation or sale, or for personal gain.

Subpart B—Personnel Records Subject to the Privacy Act

§ 293.201 Purpose.

The purpose of this subpart is to set forth the criteria to be used to determine when personnel records on individuals are subject both to the regulations contained in this part and to Office or agency regulations implementing the Privacy Act of 1974, 5 U.S.C. 552a. When personnel records are maintained within a system of records, the records are deemed to be within the scope of both the regulations in this part and Office or agency regulations implementing the Privacy Act.

§ 293.202 Records subject to Office or agency Privacy Act regulations.

When the Office of Personnel Management publishes in the Federal Register a notice of system of records for personnel records which are maintained by the agencies or by the Office, that system of records will be subject to the regulations in this part and also to the regulations in part 297 of this chapter. When agencies publish a notice of system of records for personnel records required by the Office that are not included in the Office’s notices,
Office of Personnel Management

§ 293.306 Use of existing folders upon transfer or reemployment.

When an agency hires a person who has served on or after April 1, 1947, in a position subject to this part, it shall request the transfer of the OPF pertaining to the person’s employment. The folder so obtained shall be used in lieu of establishing a new OPF. In the event that the prior service occurred wholly before April 1, 1947, the agency shall request any files or records that may be located in the Federal records storage center. The request shall note that because of the dates of service there will likely be no OPF. Any such file or record found for this individual shall be incorporated into the OPF being established for the employee.

(a) When a person for whom an OPF has been established transfers from one agency to another, the last employing (losing) agency shall, on request, transfer the OPF to the new employing agency.

(b) Before transferring the Official Personnel Folder, the losing agency shall:

(1) Remove those records of a temporary nature filed on the left side of
the folder, except for PMRS employees' performance ratings of record including the performance plan on which the most recent rating was based;

(2) Transfer performance ratings of record and the performance plan on which the most recent rating was based from the Employee Performance File of PMRS employees to their Official Personnel Folder, if the ratings and plans are not maintained by the agency in the Official Personnel Folder; and

(3) Ensure that all permanent documents of the folder are complete, correct, and present in the folder in accordance with FPM Supplement 293–31.

§ 293.307 Disposition of folders of former Federal employees.

(a) Folders of persons separated from Federal employment must be retained by the losing agency for 30 working days after separation, and may be retained for additional 60 days (90 days where administratively necessary, e.g., where an appeal or an allegation of discrimination is made or where an employee retires or dies in service). Thereafter, the OPF must be transferred to the General Services Administration, National Personnel Records Center (Civilian Personnel Records), 111 Winnebago Street, St. Louis, Missouri 63118.

(b) When a former Federal employee is reappointed in the Federal service, the National Personnel Records Center (Civilian Personnel Records) shall, upon request, transfer the OPF to the new employing agency.

[50 FR 3309, Jan. 24, 1985; 50 FR 8993, Mar. 6, 1985]

§ 293.308 Removal of temporary records from OPFs.

The employing agency having possession of an OPF shall remove temporary records from the OPF before it is transferred to another agency. For these and also for temporary records of their current employees, maintenance of the records shall be in accordance with General Records Schedule 1, promulgated by the General Services Administration.

§ 293.309 Reconstruction of lost OPFs.

Ages will take necessary precautions to safeguard all OPFs. In the event of a lost or destroyed OPF, the current (or last, in the case of a former Federal employee) employing agency shall take the necessary action to reconstruct the essential portions of the OPF as specified in the Federal Personnel Manual or other Office instructions.

§ 293.310 Response to requests for information.

The Office, or an agency in physical possession of an OPF in response to a third party Freedom of Information Act (FOIA) request may disclose information as provided in this subpart. A current employee’s request for access to his/her own OPF (also included are employee performance file system folders and files) that cites the FOIA, as with all stated Privacy Act requests made by current employees, shall be processed in accordance with agency Privacy Act procedures consistent with Office regulations in part 297 of this chapter. All requests for their OPFs from former employees, and FOIA requests for former employee OPFs, shall be referred to the Office’s regional or area office nearest to the location of the requester.

§ 293.311 Availability of information.

(a) The following information from both the OPF and employee performance file system folders, their automated equivalent records, and from other personnel record files that constitute an agency record within the meaning of the FOIA and which are under the control of the Office, about most present and former Federal employees, is available to the public:

(1) Name;

(2) Present and past position titles and occupational series;

(3) Present and past grades;

(4) Present and past annual salary rates (including performance awards or bonuses, incentive awards, merit pay amount, Meritorious or Distinguished Executive Ranks, and allowances and differentials);

(5) Present and past duty stations (includes room numbers, shop designations, or other identifying information
regarding buildings or places of employment); and
(6) Position descriptions, identification of job elements, and those performance standards (but not actual performance appraisals) that the release of which would not interfere with law enforcement programs or severely inhibit agency effectiveness. Performance elements and standards (or work expectations) may be withheld when they are so interwoven with performance appraisals that their disclosure would reveal an individual’s performance appraisal.

(b) The Office or agency will generally not disclose information where the data sought is a list of names, present or past position titles, grades, salaries, performance standards, and/or duty stations of Federal employees which, as determined by the official responsible for custody of the information:
(1) Is selected in such a way that would reveal more about the employee on whom information is sought than the six enumerated items, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy; or
(2) Would otherwise be protected from mandatory disclosure under an exemption of the FOIA.

(c) In addition to the information described in paragraph (a) of this section, a Government official may provide other information from these records (or automated equivalents) of an employee, to others outside of the agency, under a summons, warrant, subpoena, or other legal process; as provided by the Privacy Act (5 U.S.C. 552a(b)(4) through (b)(11)), under those Privacy Act routine uses promulgated by the Office, and as required by the FOIA.

Subpart D—Employee Performance File System Records

Source: 47 FR 3080, Jan. 22, 1982, unless otherwise noted.

§ 293.401 Applicability of regulations.
This subpart applies to Executive agencies as defined in sections 105, 3132(a)(1) and 4301(1) of title 5, U.S. Code, including Military Departments (but not non-appropriated fund employees) as defined in section 102 of title 5, U.S. Code, and independent establishments as defined in section 104 of title 5, U.S. Code. Within those agencies, the requirements of this subpart apply to all employees occupying positions subject to civil service rules and regulations, including Senior Executive Service positions as defined in 5 U.S.C. 3132(a)(2).

§ 293.402 Establishment of separate employee performance record system.

(a) Copies of employees’ performance ratings of record, including the performance plans on which the ratings are based, must be placed in either the employee’s Official Personnel Folder (OPF) or in the Employee Performance File (EPF). However, other performance-related documents may be retained in the OPF only when the agency prescribes the use of a separate envelope, temporarily located in the OPF, and removed whenever the OPF, and removed whenever the OPF (except as required in §293.404(b)) is transferred to another agency. Performance ratings of record, including the performance plans on which the ratings are based, shall be retained on the left (temporary) side of the OPF. No other performance-related record shall be retained on the left (temporary) or right (long term) side of the OPF or shall be transferred to the National Personnel Records Center (except as required by §293.404(b)).

(b) Except for performance records maintained in the OPF consistent with paragraph (a) of this section, each agency having employees occupying a position described in §293.401 shall provide for maintenance of performance-related records for such employees in this EPF system. The agency may elect to retain records in a separate file that is located in the same office with the OPF, or in an envelope kept in the OPF itself. If the agency determines that a separate EPF is cost-effective, such a file may be located in another designated agency office (as
specified in the agency’s performance appraisal plan) including with supervisors or managers (hereinafter referred to as rating officials) or with Performance Review Boards. Any supporting documents that the agency may prescribe as necessary for agency officials in performance of their duties shall be kept in these files.

(c)(1) Agencies shall provide their employees access to their performance files (automated and manual). Such a request for access shall be processed in accordance with established agency procedures, consistent with Office of Personnel Management regulations regarding access to records contained in part 297 of this chapter. Such access shall be provided to the employee or to the employee’s designated representative, and such records may also be disclosed to other officials of the agency who have a need for the documents in the performance of their duties.

(2) All other requests for performance documents made to agency officials (e.g., Freedom of Information Act requests or requests made under the “routine use” provisions of the Privacy Act) shall be processed by the responsible agency official in accordance with agency procedures consistent with Office of Personnel Management regulations regarding disclosures of such records contained in parts 293 and 297 of this chapter.

(3) Privacy Act requests for amendment of records maintained in this system shall be processed by the responsible agency official in accordance with agency procedures consistent with Office of Personnel Management regulations regarding amendment of records contained in part 297 of this chapter.

(d) Agencies maintaining the EPF in an automated or microform system shall issue instructions that contain necessary procedures to ensure that the same requirements as in paragraph (c) of this section, relating to all manual records, are met.

§293.403 Contents of employee performance files.

(a) A decision on what constitutes a performance-related document within the meaning of this subpart rests with the agency. Agency implementing instructions, for both incumbents of the Senior Executive Service and other positions, shall provide specific written guidance of the description of what constitutes the agency’s official performance-related forms and documents.

(b) Agency implementing instructions describing such records shall indicate where and for how long they are retained and how and when they are to be destroyed. Such instructions shall also describe what records are considered to be performance-related (as specifically as is feasible) and shall include all performance-related records maintained as a system of records within the meaning of the Privacy Act. Such records would generally include:

(1) Any form or other document which records the performance appraisal, including appraisals leading to merit pay determinations.

(2) Any form or other document used by rating officials to recommend a personnel action affecting an employee (including a request for personnel action document, but only when the action is not effected) when the basis for the action (e.g., removal, reassignment, demotion, promotion, or merit pay or other performance award) is performance-related.

(3) Recommendations for training that are performance-related.

(4) Any form or other document furnished in support of recommended actions such as those listed in paragraph (b)(2) of this section and the agency’s final decision on the matter (e.g., a recommendation for merit pay or an agency decision to grant only one-half the comparability pay adjustment).

(5) Any form or other document which the rating official is required by the agency to keep during an appraisal period (e.g., quality control records, production records, or similar records used to track employee performance during the appraisal period.)

(6) Any form or other document regarding Performance Review Board decisions, including supporting documentation and any transcript of hearings or testimony from witnesses.

(7) Any form or other document regarding decisions or recommendations of agency Executive Resources Boards
related to performance appraisal or actions resulting from performance appraisals.

(8) Appraisals of potential (e.g., in connection with an agency’s merit promotion procedures) if agency implementing instructions specifically require or permit retention of a copy.

(9) Individual development plans.

(10) Copies of licenses, certificates of proficiency, or similar documents required of the position.

(c) General information about the employee, i.e., identification data, information concerning Federal and non-Federal employment experience, and information about any training programs the employee participated in may, if an agency deems it appropriate, be retained in this system.

§ 293.404 Retention schedule.

(a)(1) Except as provided in §293.405(a), performance ratings or documents supporting them are generally not permanent records and shall, except for appointees to the SES and including incumbents of executive positions not covered by SES, be retained as prescribed below:

(i) Performance ratings of record, including the performance plans on which they are based, shall be retained for 4 years;

(ii) Supporting documents shall be retained for as long as the agency deems appropriate (up to 4 years);

(iii) Performance records superseded (e.g., through an administrative or judicial procedure) and performance-related records pertaining to a former employee (except as prescribed in §293.405(a)) need not be retained for a minimum of 4 years. Rather, in the former case they are to be destroyed and in the latter case agencies shall determine the retention schedule; and

(iv) Except where prohibited by law, retention of automated records longer than the maximum prescribed here is permitted for purposes of statistical analysis so long as the data are not used in any action affecting the employee when the manual record has been or should have been destroyed.

(2) When an employee is reassigned within the employing agency, disposition of records in this system, including transfer with the employee who changes positions, shall be as agencies prescribe and consistent with §293.405(a).

(3) Appraisals of unacceptable performance, where a notice of proposed demotion or removal is issued but not effected, and all documents related thereto, manual and automated, pursuant to 5 U.S.C. 4303(d) must be destroyed after the employee completes one year of acceptable performance from the date of the written advance notice of the proposed removal or reduction in grade notice. Under conditions specified by an agency, and earlier destruction date is permitted and destruction must be no later than 30 days after the year is up.

(b) Performance records for Senior Executive Service appointees, including those serving under a Presidential appointment under 5 U.S.C. 3392(c), are to be retained as follows:

(1) Pursuant to 5 U.S.C. 4314(b) (3) and (4), Senior Executive Service appointees shall have their performance-related records maintained for five consecutive years (from the date the appraisal is issued) beginning with the effective date of appointment, including individuals receiving appointments pursuant to 5 U.S.C. 3593(b).

(2) When an appointee of the Senior Executive Service moves to another position in the Service, either with the same or a different agency, all appropriate performance-related documents five years old or less shall be forwarded in the Employee Performance File along with the individual’s OPF.

(3) When an employee in the Senior Executive Service accepts a Presidential appointment pursuant to 5 U.S.C. 3392(c), the employee’s performance file shall be retained as long as the employee remains employed under that Presidential appointment. When the appointment ends, and the individual does not return to the Senior Executive Service, the employee’s performance file shall be destroyed in accordance with agency procedures.

(c) Where any performance-related document is needed in connection with an ongoing administrative, negotiated, quasi-judicial, or judicial proceeding, and it continues to be retained in this
system rather than another system, it may be retained for as long as necessary beyond the retention schedules identified in paragraphs (a) and (b) of this section.

(d) Screening and purging of folders/envelopes and rating official’s work files for the purpose of compliance with these retention schedules shall be through any agency process insuring consistency with the requirements.

§293.405 Disposition of records.

(a) When the OPF of a non-SES employee is sent to another servicing office in the employing agency, to another agency, or to the National Personnel Records Center, the “losing” servicing office shall include in the OPF all performance ratings of record that are 4 years old or less, including the performance plan on which the most recent rating was based, and the summary rating prepared when the employee changes positions, as prescribed in part 430 of this chapter. Also, the “losing” office will purge from the OPF all performance ratings and performance plans that are more than 4 years old, and other performance-related records, according to agency policy established under §293.404(a)(2) and in accordance with FPM Supplement 293–31.

(b) Consistent with transfer instructions pertaining to SES positions contained in this part, employee performance files shall be forwarded to gaining agencies at the same time as the OPF (5 CFR 293.207).

(c) Consistent with retention schedules promulgated in §293.404, destruction of performance-related records shall be in accordance with agency procedures (e.g., by shredding or burning).

(d) If a former employee returns to an agency, a new employee performance file will be created unless the prior file for this employee is still available. The original file may be reactivated provided that, consistent with the retention schedules and destruction requirements promulgated in this subpart, the contents are properly disposed of.

(e)(1) It is the responsibility of the agency Personnel Director to insure the maintenance of employee performance files in accordance with this subpart and subparts A and B of this part, part 297 of this title, and with Office of Personnel Management guidance.

(2) This responsibility may be delegated in writing to other agency officials as appropriate. Implementing guidelines for agency performance appraisal systems shall provide written instructions for compliance with Office rules and procedures as well as descriptions of the documents and where they are retained, and shall ensure that records are retained in accordance with the provisions of §293.402.

§293.406 Disclosure of records.

Disclosure as used here means the furnishing of the record to someone other than the individual to whom the record pertains, his/her designated representative, or to an agency official who needs the information in the performance of official duties. Disclosure of information from this file system shall be made only as permitted by the Privacy Act (5 U.S.C. 552a(b)) and, with regard to the routine use provisions of that section, only under a routine use published by the Office for the system of records covering these records. However, to the extent that this system contains the data identified as being available to the public in §293.311, for most Federal employees and under the same restrictions listed in that section, that information shall also be made available to the public from this system.

Subpart E—Employee Medical File System Records

SOURCE: 51 FR 33235, Sept. 19, 1986, unless otherwise noted.

§293.501 Applicability of regulations.

The applicability of this subpart is identical to that described in §293.301.

§293.502 Definitions.

For the purpose of this Subpart—
Employee is defined at 5 U.S.C. 2105 and excludes student volunteers and contractor employees.

Employee Assistance and Counseling Record means the record created when an employee participates in an agency assistance/counseling program (e.g., drug or alcohol abuse or personal counseling programs under Pub. L. 91-616, 92-255, and 79-658, respectively).

Employee Exposure Record (which is to be interpreted consistent with the term as it is defined at 29 CFR 1910.20(c)(8))) means a record containing any of the following kinds of information concerning employee exposure to toxic substances or harmful physical agents (as defined at 29 CFR 1910.20(c)(11)):

(a) Environmental (workplace) monitoring or measuring, including personal, area, grab, wipe, or other form of sampling, as well as related collection and analytical methodologies, calculations, and other background data relevant to interpretation of the results obtained;

(b) Biological monitoring results which directly assess the absorption of a substance or agent by body systems (e.g., the level of a chemical in the blood, urine, breath, hair, fingernails, etc.) but not including results which assess the biological effect of a substance or agent;

(c) Material safety data sheets; or

(d) Any other record, in the absence of the above, which reveals the identity (e.g., chemical, common, or trade name) of a toxic substance of harmful physical agent.

Employee Medical File System (EMFS) means the agency’s complete system (automated, microformed, and paper records) for employee occupational medical records.

Employee Medical Folder (EMF) means a separate file folder (normally SF 66-D) established to contain all of the occupational medical records (both long-term and short-term records) designated for retention, which will be maintained by the employing agency during the employee’s Federal service.

Epidemiological Record means a record maintained by an agency or subelement thereof as a result of an official medical research study conducted under the authority of the agency.

Implementing instructions means any form of internal agency issuance that provides the guidance required in §293.503 and any other guidance the agency deems appropriate.

Occupational Medical Record means an occupation-related, chronological, cumulative record, regardless of the form or process by which it is maintained (e.g., paper document, microfiche, microfilm, or automatic data processing media), of information about health status developed on an employee, including personal and occupational health histories and the opinions and written evaluations generated in the course of diagnosis and/or employment-related treatment/examination by medical health care professionals and technicians. This definition includes the definition of medical records at 29 CFR 1910.20(c)(6); when the term “Occupational Medical Record” is used in these regulations, it includes “Employee Exposure Records” (as that term is defined in this section) and occupational illness, accident, and injury records.

Non-occupational/Patient Record means a record of treatment or examination, created and maintained by a health care facility, when the person is admitted to or voluntarily seeks treatment at the health care facility for non-job-related reasons. Records maintained by an agency dispensary are patient records for the purposes of these regulations except when such records result as a condition of employment or relate to an on-the-job occurrence. In these cases, the records are “Occupational Medical Records” as defined herein.

Non-personal Record means any agency aggregate or statistical record or report resulting from studies covering employees or resulting from studies or the work-site environment.

§293.503 Implementing instructions.

Agencies must issue written internal instructions describing how their EMFS is to be implemented. These instructions must—

(a) Describe overall operation of the system within the agency including the designation of the agency official who will be responsible for overall system management. When the agency has a
medical officer, that individual must be named the system manager. The system manager may then designate others within the agency to handle the day-to-day management of the records, e.g., the custodian of the records at the site where they are maintained;

(b) Be prepared with joint participation by agency medical, health, and safety, and personnel officers;

c) Describe where and under whose custody employee occupational medical records will be physically maintained;

d) Designate which agency office(s) will be responsible for deciding when and what occupational medical records are to be disclosed either to other agency officials or outside the agency;

e) Ensure proper records retention and security, and preserve confidentiality of doctor/patient relationships;

(f) Provide that when the agency is requesting an EMF from the National Personnel Records Center (NPRC), the request form will show the name, title, and address of that agency’s system manager or designee, who is the only official authorized to receive the EMF;

(g) Be consistent with Office regulations relating to personnel actions when medical evidence is a factor (5 CFR parts 339, 432, 630, 752, and 831);

(h) Provide guidance on how an accounting of any record disclosure, as required by the Privacy Act (5 U.S.C. 552a(c)), will be done in a way that ensures that the accounting will be available for the life of the EMF;

(i) When long-term occupational medical records exist, provide for the creation of an EMF for an employee transferring to another agency or leaving Government service, and whether an EMF is to be established at the time an employee is being reassigned within the agency;

(j) Ensure a right of access (consistent with any special Privacy Act handling procedures invoked) to the records, in whatever format they are maintained, by the employee or a designated representative;

(k) Ensure that a knowledgeable official determines that all appropriate long-term occupational medical records are in an EMF prior to its transfer to another agency, to the NPRC, or to another office within the same employing agency;

(l) Ensure that all long-term occupational medical records an agency receives in an EMF are maintained, whether in that same EMF or by some other agency procedure, and forwarded to a subsequent employing agency or to NPRC;

(m) Ensure that, if occupational medical records are to be physically located in the same office as the Official Personnel Folder (OPF), the records are maintained physically apart from each other;

(n) Sets forth a policy that distinguishes, particularly for purposes of records disclosure, records in the nature of physician treatment records (which are generally not appropriate for disclosure to non-medical officials) from other medical reports properly available to officials making management decisions concerning the employee;

(o) Provide guidance that distinguishes records properly subject to this part from those (e.g., Postal Service or Foreign Service employee medical records) subject to different rules, particularly in Privacy Act and Freedom of Information Act matters;

(p) Ensure that guidance regarding the processing of Privacy Act matters is consistent with Office regulations implementing the Privacy Act at 5 CFR parts 293 and 297; and

(q) Ensure that no security classification is assigned to an EMF by including therein any occupational medical record that has such a classification. In this regard, the agency creating the classified medical record is required to retain it separately from the EMF while placing a notice in the EMF of its existence and describing where requests for this record are to be submitted.
are part of the EMFS. The records maintained in the EMFS are part of a Governmentwide Privacy Act system of records established by the Office. Agencies have the responsibility to ensure that such documents are maintained in accordance with the Office’s Privacy Act regulations in part 297 of this chapter, with the agency’s instructions implementing those regulations, and with the retention schedule for employee medical records stipulated in §293.511. While non-occupational/patient records pertaining to an employee are not required to be included as a record within the EMFS, under certain conditions to be discussed in subsequent FPM guidance, copies of such records are occupationally-related and, in those cases, may be included in the system.

(b) Agencies must provide employees access to their own EMFS records consistent with Office regulations contained in §297.204(c) of this chapter. When unexcepted access can be provided directly to the employee, such unexcepted access must also be provided to any representative specifically designated in writing by the employee to receive the record. Disclosure of an employee’s occupational medical records to agency officials (both medical and non-medical) will be granted only when the specific information sought is needed for the performance of official duties.

(c) Other agencies for employee occupational medical records made to the custodian of the records must be processed in accordance with the disclosure provisions of the Privacy Act (5 U.S.C. 552a(b)) and the Office’s regulations at part 297 of this chapter.

(d) Processing of a Privacy Act request for amendment of any EMFS record must be consistent with the Office’s regulations contained in part 297 of this chapter regarding amendment of records.

§ 293.505 Establishment and protection of Employee Medical Folder.

(a) As required by these rules, agencies must establish an EMF when the employee leaves the employing agency and occupational medical records for that employee exist; agencies may also establish an EMF (if none presently exist) for active employees if the agency chooses. An agency must request the transfer of an existing EMF (and maintain that EMF as received) at the same time it requests the transfer of an employee’s OPF using the procedures contained in §293.306.

(b) Neither the original occupational medical record nor duplicates are to be retained in the OPF. Prior to the establishment of an EMF for a separating employee, when such records are created, they must be maintained physically apart from the OPF, although they may be kept in the same office.

(c) Records in an EMF, whether or not located in an office other than where the OPF is maintained, must be properly safeguarded using procedures ensuring equal or greater levels of protection as those in §293.106. Disclosures must be made only to those authorized to receive them, as described in §293.504(b), and employees must be able to ascertain from agency implementing instructions the location of all of their medical records. An EMF must be under the control of a specifically designated medical, health, safety, or personnel officer as prescribed in the agency’s implementing internal procedures.

§ 293.506 Ownership of the Employee Medical Folder.

The EMF of each employee in a position subject to civil service rules and regulations is part of the records of the Office. When the EMF also contains occupational medical records created during employment in a position not subject to the civil service (e.g., with the Postal Service), the EMF is then part of the records of both the Office and the employing agency.

§ 293.507 Maintenance and content of the Employee Medical Folder.

The agency head must maintain all appropriate employee occupational medical records in the EMFS. When an EMF is established for an employee, as required in §293.504, the agency’s EMFS must be searched to obtain all records designated for retention in the EMF.

§ 293.508 Type of folder to be used.

Each agency must use a folder that

(a) has been specifically identified as
§ 293.509 Use of existing Employee Medical Folders upon transfer or reemployment.

The requirements of §293.306, regarding the use of existing OPFs, apply to the use of existing EMFs upon the employee's transfer to or reemployment in a new employing agency.

§ 293.510 Disposition of Employee Medical Folders.

(a) When an employee transfers to another Federal agency, the EMF must be transferred to the gaining agency at the same time as the employee's OPF. The EMF is to be addressed only to the gaining agency's designated manager (medical, health, safety, or personnel officer, or other designee) of the EMFS.

(b) When an employee is separated from the Federal service, the EMF must be forwarded to the NPRC with the OPF, using the instructions in §293.307 of this part.

(c) When a former Federal employee is re-employed by an agency, and that agency believes that an EMF exists, either at the last employing agency or at the NPRC, the agency will request the EMF, but no sooner than 30 days after the date of the new appointment. No EMFs will be routinely retrieved during the initial review process (as is done with the OPF) except when authority exists for the agency to require a medical evaluation prior to reaching a decision on employability. EMFs are to be transferred by the NPRC only to the agency-designated manager (medical, health, safety, or personnel, or other designee) shown on the request form.

§ 293.511 Retention schedule.

(a) Temporary EMFS records must not be placed in a newly-created EMF for a separating employee and must be removed from an already existing EMF before its transfer to another agency or to the NPRC. Such records must be disposed of in accordance with General Records Schedule (GRS) 1, item 21, issued by the National Archives and Records Administration (NARA).

(b) Occupational Medical Records considered to be long-term records must be maintained for the duration of employment, plus 30 years or for as long as the OPF is maintained, whichever is longer. Therefore, upon separation, the records must be provided to the employee's new agency, or they must be transferred to the NPRC, which will dispose of them in accordance with GRS 1, item 21, issued by NARA.

Subpart A—Procedures for Disclosure of Records Under the Freedom of Information Act

SOURCE: 54 FR 25094, June 13, 1989, unless otherwise noted.

§ 294.101 Purpose.

This subpart contains the regulations of the Office of Personnel Management (OPM) implementing the Freedom of Information Act (FOIA), 5 U.S.C. 552. Except as provided by §294.105, OPM will use the provisions of this subpart to process all requests for records.

§ 294.102 General definitions.

All of the terms defined in the Freedom of Information Act, and the definitions included in the “Uniform Freedom of Information Act Fee Schedule and Guidelines” issued by the Office of Management and Budget apply, regardless of whether they are defined in this subpart.

Direct costs means the expenditures that an agency actually incurs in searching for, duplicating, and reviewing documents to respond to an FOIA request. Overhead expenses (such as the cost of space, and heating or lighting the facility in which the records are stored), are not included in direct costs.

Disclose or disclosure means making records available, on request, for examination and copying, or furnishing a copy of records.

Duplication means the process of making a copy of a document necessary to respond to an FOIA request. Among the forms that such copies can take are paper, microform, audiovisual materials, or machine readable documentation (e.g., magnetic tape or disk).

Records, information, document, and material have the same meaning as the term agency records in section 552 of title 5, United States Code.

Review means the process of initially examining documents located in response to a request to determine whether any portion of any document located may be withheld. It also includes processing documents for disclosure; e.g., doing all that is necessary to excise them and otherwise prepare them for release. Review does not include time spent resolving general legal and policy issues regarding the application of exemptions.

Search means the time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents.

§ 294.103 Definitions of categories and assignment of requests and requesters to categories.

OPM will apply the definitions and procedures contained in this section to assign requesters to categories. The four categories established by 5 U.S.C. 552(a) are requests for commercial use, requests for non-commercial use made by educational or non-commercial scientific institutions, requests for non-commercial use made by representatives of the news media, and all others.

(a) Request for commercial use. A “commercial use request” is from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person or institution on whose behalf the request is made. In determining whether a request properly belongs in this category, OPM will look first to the intended use of the documents being requested.

(b) Request for non-commercial use made by an educational or non-commercial scientific institution. OPM will include requesters in one of the two categories described in paragraphs (b)(1) and (2) of this section when the request is being made as authorized by, and under the auspices of, a qualifying institution; and the records are sought, not for a commercial use, but in furtherance of scholarly or scientific research.

(1) Educational institution refers to any public or private, preschool, elementary, or secondary school; institution of undergraduate or graduate higher education; or institution of professional or vocational education, which operates a program or programs of scholarly or scientific research.

(2) A non-commercial scientific institution refers to an institution that is not...
§ 294.104 Clarifying a requester’s category.

(a) Seeking clarification of a requester’s category. OPM may seek additional clarification before assigning a person to a specific category if—

(1) There is reasonable cause to doubt the requester’s intended use of records; or

(2) The intended use is not clear from the request itself; or

(3) There is any other reasonable doubt about qualifications that may affect the fees applicable or the services rendered under §294.109.

(b) Prompt notification to requester. When OPM seeks clarification as provided by paragraph (a) of this section, it will provide prompt notification either by telephone or in writing of the information or materials needed.

(c) Effect of seeking clarification on time limits for responding. When applying the time limits in section 552 of title 5, United States Code, OPM will not officially consider any request for records as being received until the official who is assigned responsibility for making a decision on releasing the records has received any additional clarification sought under paragraphs (a) and (b) of this section; and has determined that the clarifying information is sufficient to correctly place the requester in one of the categories prescribed in this section. If the requested clarifying information is not received within a reasonable time, OPM will, based on the information available, determine a final category for the request and calculate applicable fees.

[54 FR 25094, June 13, 1989, as amended at 58 FR 32043, June 8, 1993]

§ 294.105 Access to the requester’s own records.

When the subject of a record, or a duly authorized representative of the subject, requests his or her own records from a Privacy Act system of records, as defined by 5 U.S.C. 552a (a)(5), and the record is maintained so that it is retrieved by the subject’s name or other personal identifier, OPM will process the request under the Privacy Act procedures in part 297 of this chapter.

§ 294.106 Handbook of Publications, Periodicals, and FPM Issuances and addendum.

(a)(1) Annually, OPM publishes OPM–AG–PSD–01, “Handbook of Publications, Periodicals, and FPM Issuances, and accompanying addendum.” This handbook and addendum lists material published and offered for sale are available for public inspection or copying. Unless the material is published and offered for sale, OPM makes
available for public inspection and copying:

(i) Final opinions made by OPM in the adjudication of cases;

(ii) OPM policy statements and interpretations adopted by OPM but not published in the \textit{Federal Register}; and

(iii) OPM administrative staff manuals and instructions that affect a member of the public.

(2) To the extent required to prevent a clearly unwarranted invasion of personal privacy, OPM may delete identifying details when it makes available or publishes an opinion, statement of policy, interpretation, or staff manual or instruction.

(b) A copy of this handbook and addendum is available at no cost from the—Publishing Management Branch, Office of Personnel Management, room B464, 1900 E Street, NW., Washington, DC 20415–0001.

(c) OPM indexes material in this handbook and addendum format for the convenience of the public. Indexing does not constitute a determination that all of the material listed is within the category that is required to be indexed by 5 U.S.C. 552(a)(2). Most of OPM’s publications may be found in OPM’s Library in room 5H27 at the address listed in paragraph (b) of this section.

(d) As provided by 5 U.S.C. 552(a)(2), OPM has determined that it is unnecessary and impractical to publish the “Handbook of Publications, Periodicals, and FPM Issuances” and addendum more frequently than annually because of the small number of revisions that occur.

(e) When an organization does not have records in its custody. When an OPM organization receives a Freedom of Information Act request for OPM records that it does not have in its possession, it will normally either—
§ 294.108 Procedures for obtaining records.

(a) Mailing or delivering a request. Any person may ask for records under section 552 of title 5, United States Code, by directing a letter to one of the organizations listed in § 294.107, or by delivering a request in person at the addresses listed in that section during business hours on a regular business day.

(b) Proper marking. Each request for records should have a clear and prominent notation on the first page, such as “Freedom of Information Act Request.” In addition, if sent by mail or otherwise submitted in an envelope or other cover, mark the outside clearly and prominently with “FOIA Request” or “Freedom of Information Act Request.”

(c) Contents of request letter. A request must describe the records sought in sufficient detail to enable OPM personnel to locate the records with a reasonable amount of effort.

(1) OPM will regard a request for a specific category of records as fulfilling the requirements of this paragraph, if it enables responsive records to be identified by a technique or process that is not unreasonably burdensome or disruptive to OPM operations.

(2) Whenever possible, a request should include specific information about each record sought, such as the date, number, title or name, author, recipient, and subject matter of the record.

(3) If an OPM organization determines that a request does not reasonably describe the records sought, it will either provide notice of any additional information needed or otherwise state why the request is insufficient. OPM will also offer the record seeker an opportunity to confer, with the objective of reformulating the request so that it meets the requirements of this section.

(d) Medical records. OPM or another Government agency may disclose the medical records of an applicant, employee, or annuitant to the subject of the record, or to a representative designated in writing. However, medical records may contain information about an individual’s mental or physical condition that a prudent physician would hesitate to give to the individual. Under such circumstances, OPM may disclose the records, including the exact nature and probable outcome of the condition, only to a licensed physician designated in writing for that purpose by the individual or his or her designated representative.

(e) Publications. If the subject matter of a request includes material published and offered for sale (e.g., by the Superintendent of Documents, Government Printing Office), OPM will explain where a person may review and/or purchase the publications.

(f) Responses within 10 working days. Except in unusual circumstances (as
Office of Personnel Management

§ 294.109

Defined in 5 U.S.C. 552(a)(6)(B)), OPM will determine whether to disclose or deny records within 10 working days after receipt of the request (excluding weekends and holidays) and will provide notice immediately of its determination and the reasons therefor, and of the right to appeal any adverse determination.

[54 FR 25094, June 13, 1989, as amended at 58 FR 32044, June 8, 1993]

§ 294.109 Fees.

(a) Applicability of fees. (1) OPM will furnish, without charge, reasonable quantities of material that it has available for free distribution to the public.

(2) OPM may furnish other materials, subject to payment of fees intended to recoup the full allowable direct costs of providing services. Fees for these materials may be waived if the request meets the requirements specified in paragraph (f) of this section.

(3) If a request does not include an acceptable agreement to pay fees and does not otherwise convey a willingness to pay fees, OPM will promptly provide notification of the estimated fees. This notice will offer an opportunity to confer with OPM staff to reformulate the request to meet the requester’s needs at a lower cost. Upon agreement to pay the required fees, OPM will further process the request.

(4) As described in § 294.107, OPM ordinarily responds to FOIA requests in a decentralized manner. Because of this, OPM may at times refer a single request to two or more OPM entities to make separate direct responses. In such cases, each responding entity may assess fees as provided by this section, but only for direct costs associated with any response it has prepared.

(5) If fees for document search are authorized as provided in paragraph (c) of this section, OPM may assess charges for employee time spent searching for documents and other direct costs of a search, even if a search fails to locate records or if records located are determined to be exempt from disclosure. Searches should be conducted in the most efficient and least expensive manner so as to minimize the cost for both the agency and the requester, e.g., personnel should not engage in line-by-line search when photocopying an entire document would be a less expensive and quicker way to comply with a request.

(6) Services requested and performed but not required under the FOIA, such as formal certification of records as true copies, will be subject to charges under the Federal User Charge Statute (31 U.S.C. 483a) or other applicable statutes.

(b) Rates used to compute fees. The following rates form the basis for assessing reasonable, standard charges for document search, duplication, and review as required by 5 U.S.C. 552(a)(4). The listing of rates below should be used in conjunction with the fee components listed in paragraph (c) of this section:

(c) Assessing fees based on requester’s category. Rates are assessed differently for the different categories of requesters as defined in § 294.103. Requests have three cost components for the purpose of assessing fees: the cost of document search, the cost of duplication, and the cost of review. OPM will apply the rates in paragraph (b) of this section to the cost components that apply to the requester’s category as follows:

§ 294.109  Payment of fees.

Fees are payable by check or money order to the Office of Personnel Management.

(1) If the total charge for fulfilling the request will be less than $25, no fee will be assessed (except as provided in paragraph (d)(3) of this section).

(2) If a request may reasonably result in a fee assessment of more than $25, OPM will not release the records unless the requester agrees in advance to pay the anticipated charges.

(3) OPM may aggregate requests and charge fees accordingly, when there is a reasonable belief that a requester, or a group of requesters acting in concert, is attempting to break down a request into a series of requests to evade the assessment of fees.

(i) If multiple requests of this type occur within a 30-day period, OPM may provide notice that it is aggregating the requests and that it will apply the fee provisions of this section, including any required agreement to pay fees and any advance payment.

(ii) Before aggregating requests of this type made over a period longer than 30 days, OPM will assure that it has a solid basis on which to conclude that the requesters are acting in concert and are acting specifically to avoid payment of fees.

(iii) OPM will not aggregate multiple requests on unrelated subjects from one person.

(e) Payment of fees in advance. If OPM estimates or determines that fees are likely to exceed $250, OPM may require the payment of applicable fees in advance.

(1) If an OPM official, who is authorized to make a decision on a particular request, determines that the requester has a history of prompt payment of FOIA fees, OPM will provide notice of the likely cost and obtain satisfactory assurance of full payment.

(2) When a person, or an organization that a person represents, has previously failed to pay assessed fees in a timely manner (i.e., payment was not made within 30 days of the billing date), OPM will require full payment of all fees in advance.

(3) If a person, or an organization that a person represents, has not paid fees previously assessed, OPM will not begin to process any new request for records until the requester has paid the full amount owed plus any applicable interest, and made a full advance payment for the new request.

(f) Waiver or reduction of fees. OPM will furnish documents without any charge, or at a reduced charge, if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, and release of the material is not primarily in the commercial interest of the requester.

(1) In determining whether disclosure is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Government, OPM shall consider the following factors:

(i) The subject of the request: Whether the subject of the requested records concerns "the operations or activities of the Government";

(ii) The information value of the information to be disclosed: Whether the disclosure is "likely to contribute" to an understanding of Government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure: Whether disclosure of the requested information will contribute to "public understanding"; and

(iv) The significance of the contribution to public understanding: Whether the disclosure is likely to contribute "significantly" to public understanding of Government operations or activities.

(2) In determining whether disclosure of the information is or is not primarily in the commercial interest of the requester, OPM shall consider the following factors:

(i) The existence and magnitude of a commercial interest. Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so—
(i) The primary interest in disclosure. Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.”

(3) In all cases the burden of proof shall be on the requester to present evidence or information in support of a request for a waiver or reduction of fees.

(g) Denial of waiver request. (1) An OPM official may deny a request for a full or partial waiver of fees without further consideration if the request does not include:

(i) A clear statement of the requester’s interest in the requested information;

(ii) A clear statement of the use proposed for the information and whether the requester will derive income or other benefit from such use;

(iii) A clear statement of how the public will benefit from OPM’s release of the requested information; and

(iv) If specialized use of the documents is contemplated, a clear statement of the requester’s qualifications that are relevant to the specialized use.

(2) A requester may appeal the denial of a waiver request as provided by §294.110 of this part.

(h) Fees not paid; penalties; debt collection. (1) If a request, which requires the advance payment of fees under the criteria specified in this section, is not accompanied by the required payment, OPM will promptly notify the requester that the required fee must be paid within 30 days, and that OPM will not further process the request until it receives payment.

(2) OPM may begin assessing interest charges on an unpaid bill starting on the 31st day following the date on which the bill was sent. Interest will be charged at the rate prescribed in 31 U.S.C. 3717, and will accrue from the date of the billing.

(3) To encourage the repayment of debts incurred under this subpart, OPM may use the procedures authorized by Public Law 97–365, the Debt Collection Act of 1982. This may include disclosure to consumer reporting agencies and the use of collection agencies.

[58 FR 32044, June 8, 1993]

§ 294.110 Appeals.

(a) When an OPM official denies records or a waiver of fees under the Freedom of Information Act, the requester may appeal to the—

Office of the General Counsel, Office of Personnel Management, Washington, DC 20415

(b) A person may appeal denial of a Freedom of Information Act request for information maintained by OPM’s Office of the General Counsel to the—

Deputy Director, Office of Personnel Management Washington, DC 20415

(c) If an official of another agency denies a Freedom of Information Act request for records in one of OPM’s Government-wide systems of records, the requester should consult that agency’s regulations for any appeal rights that may apply. An agency may, at its discretion, direct these appeals to OPM’s Office of the General Counsel.

(d) An appeal should include a copy of the initial request, a copy of the letter denying the request, and a statement explaining why the appellant believes the denying official erred.

(e) The appeals provided for in this section constitute the final levels of administrative review that are available. If a denial of information or a denial of a fee waiver is affirmed, the requester may seek judicial review in the district court of the United States in the district in which he or she resides, or has his or her principal place of business, or in which the agency records are situated, or in the District of Columbia.

§ 294.111 Custody of records; subpoenas.

(a) The Chief, Plans and Policies Division, Administration Group, OPM, has official custody of OPM records. A subpoena or other judicial order for an official record from OPM should be served on the—

Chief, Plans and Policies Division, Office of Personnel Management, 1900 E Street NW., Washington, DC 20415
§ 294.112 Confidential commercial information.

(a) In general, OPM will not disclose confidential commercial information in response to a Freedom of Information Act request except in accordance with this section.

(b) The following definitions from Executive Order 12600, apply to this section:

(1) Confidential commercial information means records provided to the Government by a submitter that arguably contain material exempt from release under Exemption 4 of the Freedom of Information Act, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(2)Submitter means any person or entity who provides confidential commercial information, directly or indirectly, to OPM. The term includes, but is not limited to, corporations, state governments, and foreign governments.

(c) Submitters of information shall designate by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of their submissions that they consider to be confidential commercial information. Such designations shall expire 10 years after the date of submission unless the submitter requests, and provides reasonable justification for, a designation period of greater duration.

(d) OPM shall, to the extent permitted by law, provide prompt written notice to an information submitter of Freedom of Information requests or administrative appeals if:

(1) The submitter has made a good faith designation that the requested material is confidential commercial information, or

(2) OPM has reason to believe that the requested material may be confidential commercial information.

(e) The written notice required in paragraph (d) of this section shall either describe the confidential commercial material requested or include as an attachment, copies or pertinent portions of the records.

(f) Whenever OPM provides the notification and opportunity to object required by paragraphs (d) and (h) of this section, it will advise the requester that notice and an opportunity to object are being provided to the submitter.

(g) The notice requirements of paragraph (d) of this section shall not apply if:

(1) OPM determines that the information should not be disclosed;

(2) The information has been lawfully published or officially made available to the public;

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552);

(4) The information was submitted on or after August 20, 1992, and has not been designated by the submitter as exempt from disclosure in accordance with paragraph (c) of this section, unless OPM has substantial reason to believe that disclosure of the information would result in competitive harm; or

(5) The designation made by the submitter in accordance with paragraph (c) of this section appears obviously frivolous; except that, in such a case, OPM shall, within a reasonable number of days prior to a specified disclosure date, notify the submitter in writing of any final administrative decision to disclose the information.

(h) The notice described in paragraph (d) of this section shall give a submitter a reasonable period from the date of the notice to provide OPM with a detailed written statement of any objection to disclosure. The statement shall specify all grounds for withholding any of the material under any exemption of the Freedom of Information Act. When Exemption 4 of the FOIA is cited as the grounds for withholding, the specification shall demonstrate the basis for any contention that the material is a trade secret or commercial or financial information that is privileged or confidential. It must also include a specification of any claim of competitive harm, including the degree of such harm, that
would result from disclosure. Information provided in response to this paragraph may itself be subject to disclosure under the FOIA. Information provided in response to this paragraph shall also be subject to the designation requirements of paragraph (c) of this section. Failure to object in a timely manner shall be considered a statement of no objection by OPM, unless OPM extends the time for objection upon timely request from the submitter and for good cause shown. The provisions of this paragraph concerning opportunity to object shall not apply to notices of administrative appeals, when the submitter has previously provided an opportunity to object at the time the request was initially considered.

(i) OPM shall consider carefully a submitter’s objections and specific grounds for nondisclosure, when received within the period of time described in paragraph (h) of this section, prior to determining whether to disclose the information. Whenever OPM decides to disclose the information over the objection of a submitter, OPM shall forward to the submitter a written notice, which shall include:

1. A statement of the reasons why the submitter’s disclosure objections were not sustained;
2. A description of the information to be disclosed; and
3. A specified disclosure date.

(j) OPM will notify both the submitter and the requester of its intent to disclose material a reasonable number of days prior to the specified disclosure date.

(k) Whenever a requester brings suit seeking to compel disclosure of confidential commercial information, OPM shall promptly notify the submitter.

PART 297—PRIVACY PROCEDURES FOR PERSONNEL RECORDS

Subpart A—General Provisions

§297.101 Purpose and scope.
This part sets forth the regulations of the U.S. Office of Personnel Management (the Office) to govern the maintenance, protection, disclosure, and amendment of records within the systems of records as defined by the Privacy Act of 1974 (5 U.S.C. 552a), Public Law 93-579.

§297.102 Definitions.
In this part, the terms agency, individual, maintain, record, statistical records, and systems of records have the same meanings as defined in the Privacy Act, 5 U.S.C. 552a. In addition:
Access means providing a copy of a record to, or allowing review of the original record by, the data subject or the data subject’s authorized representative, parent, or legal guardian;
Agency means any department or independent establishment in the Executive Branch of the Federal Government, including a Government corporation, of Government-controlled corporation, except those specifically excluded from the Office recordkeeping requirements by statute, this title, or formal agreement between the Office and the agency;
Amendment means the correction, addition, deletion, or destruction of a record or specific portions of a record;
Data subject means the individual to whom the information pertains and by whose name or other individual identifier the information is retrieved;
Disclosure means providing personal review of a record, or a copy thereof, to someone other than the data subject or the data subject’s authorized representative, parent, or legal guardian;
Office means the U.S. Office of Personnel Management;
Personnel record means any record concerning an individual which is maintained and used in the personnel management or personnel policy-making process; and System manager means the Office or agency official, designated by the head of the agency, who has the authority to decide Privacy Act matters relative to
each system of records maintained by the Office.

§ 297.103 Designations of authority by system manager.

The responsible Office system manager having jurisdiction over a system of records may designate in writing an Office employee to evaluate and issue the Office’s decision on Privacy Act matters relating to either internal, central, or Governmentwide systems of records.

§ 297.104 Types of records.

The Office manages three generic types of personnel records systems:

(a) Internal systems of records are under the Office’s physical control and are established and maintained by the Office solely on its own employees and, when appropriate, on others in contact with the Office regarding matters within its authority.

(b) Centralized systems of personnel records are physically established and maintained by the Office with regard to most current and former Federal employees and some applicants for Federal employment.

(c) Governmentwide systems of personnel records are maintained by the Office, and through Office delegations of authority, by Federal agencies with regard to their own employees or applicants for employment. Although they are Office records, they are in the physical custody of those agencies. Though in the physical custody of agencies, the Office retains authority under its record management authority and under the Privacy Act to decide appeals of initial agency determinations regarding access to or amendment of material in these systems.

§ 297.105 Agency and Office responsibilities for systems of records and applicability of the regulations.

(a) These regulations apply to processing requests from both current and former Office employees for records contained in internal, central, and Governmentwide systems of records managed by the Office.

(b) Agencies are solely and totally responsible for processing requests regarding records maintained in their internal systems of records. Agency regulations, and not these Office regulations, govern the implementation of the Privacy Act for agency internal systems; there is no right of appeal to the Office from an agency’s determination regarding its internal agency records.

(c) For records maintained in the Office’s central systems of records, the data subject should contact the appropriate Office system manager concerning Privacy Act matters. These regulations will apply to inquiries regarding records located in the central systems of records.

(d) For records maintained within the Office’s Governmentwide systems of records, each agency is responsible, unless specifically excepted by the Office, for responding to initial Privacy Act access and amendment requests from its own current employees. For records in Office Governmentwide systems, including those in Official Personnel Folders, Employee Performance Folders, and Employee Medical Folders, the Office is responsible for responding to initial Privacy Act access and amendment requests from former Federal employees.

(e) The procedures in this part apply to all such requests. The procedures in this part also apply to appeals from an agency initial determination regarding access to or amendment of records contained in the Office’s Governmentwide systems of records.

(f) The Office follows the procedures in this part when—

(1) Processing initial requests regarding access to or amendment of records by its own employees and others that the Office is maintaining information on in its systems of records, including requests from former employees of an agency whose records properly reside in an Office Governmentwide system of records.

(2) Processing Privacy Act appeals regarding access to and amendment of records generated by another Federal agency, but which are contained in the Office’s Governmentwide systems of records, after an agency has issued the initial decision.

(3) Processing initial requests and appeals concerning access to and amendment of records contained in the central systems of records.
§ 297.106 Contact point for Privacy Act matters.

To determine what records the Office maintains in its system of records, requesters must write to the Assistant Director for Workforce Information, Personnel Systems and Oversight Group, Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415. Using the Office’s response, requesters can contact the particular system manager indicated in the Office’s notices of its systems published in the FEDERAL REGISTER for further assistance in determining if the Office maintains information pertaining to them.

Subpart B—Request for Access

§ 297.201 General provisions.

(a) Individual’s requesting access to records pertaining to them that are maintained in a system of records should submit a written request to the appropriate system manager and state that the request is being made pursuant to the Privacy Act of 1974.

(b) The Office or agency will require proof of identity from a requester. The Office or agency reserves the right to determine the adequacy of any such proof. The general identifying items the Office will require a requester to provide when a request is made to the Office are—

(1) Full name, signature, and home address;

(2) Social security number (for systems of records that include this identifier);

(3) Current or last place and dates of Federal employment, when appropriate and,

(4) Date and place of birth.

(c) An individual may be represented by another when requesting access to records.

§ 297.204 Access by the representative of the data subject.

A record may be disclosed to a representative of the individual to whom
the record pertains after the system manager receives written authorization from the individual who is the subject of the record.

§ 297.205 Access to medical records.

When a request for access involves medical or psychological records that the system manager believes requires special handling, the requester should be advised that the material will be provided only to a physician designated by the data subject. Upon receipt of the designation and upon verification of the physician's identity, the records will be made available to the physician, who will have full authority to disclose those records to the data subject when appropriate.

§ 297.206 Fees charged by the Office.

(a) No fees will be charged for search and review time expended by the Office to produce a record, or for making a photostatic copy of the record, or for having it personally reviewed by the data subject, when a record is retrieved from a system of records pertaining to that data subject. Additional copies provided may be charged under the Office's established fee schedule.

(b) When the fees chargeable under this section will amount to more than $25, the requester will be notified and payment of fees may be required before the records are provided.

(c) Remittance should be made by either a personal check, bank draft, or a money order that is made payable to the U.S. Office of Personnel Management and addressed to the appropriate system manager.

§ 297.207 Denials of access and appeals with respect to such denials.

(a) If an access request is denied, the Office or agency response will be in writing and will include a statement of the reasons for the denial and the procedures available to appeal the denial, including the name, position title, and address of the Office official responsible for the review.

(b) Nothing in this part should be construed to entitle a data subject the right to access any information compiled in reasonable anticipation of a civil action or proceeding.

(c) For denials of access made under this subpart, the following procedures apply:

(1) For initial denials made by an agency, when the record is maintained in an Office Governmentwide system of records, a request for administrative review should be made only to the Assistant Director for Workforce Information, Personnel Systems and Oversight Group, U.S. Office of Personnel Management, 1900 E Street NW., Washington, DC 20415.

(2) For denials initially made by an Office official, when a record is maintained in an internal or central system of records, a request for administrative review should be made to the Information and Privacy Appeals Counsel, Office of the General Counsel, U.S. Office of Personnel Management, 1900 E Street NW., Washington, DC 20415.

(3) Any administrative review decision that either partially or fully supports the initial decision and denies access to the material the individual originally sought should state the requester's right to seek judicial review of the final administrative decision.

§ 297.208 Judicial review.

Upon receipt of notification that the denial of access has been upheld on administrative review, the requester has the right to judicial review of the decision for up to 2 years from the date on which the cause of action arose. Judicial review may be sought in the district court of the United States in the district in which—

(a) The requester resides;

(b) The requester has his or her principal place of business; or

(c) The agency records are situated; or it may be sought in the district court of the District of Columbia.

Subpart C—Amendment of Records

§ 297.301 General provisions.

(a) Individuals may request, in writing, the amendment of their records maintained in an Office system of records by contacting the appropriate system manager. The Office or agency will require proof of identity from the requester. The Office or agency reserves the right to determine the adequacy of
§ 297.302 Time limits.

The system manager should acknowledge receipt of an amendment request within 10 working days and issue a determination as soon as practicable. This timeframe begins when the request is received by the proper Office or agency official.

§ 297.303 Applicability of amendment provisions.

(a) The amendment procedures are not intended to allow a challenge to material that records an event that actually occurred nor are they designed to permit a collateral attack upon that which has been or could have been the subject of a judicial, quasi-judicial, or administrative proceeding. The amendment procedures are also not designed to change opinions in records pertaining to the individual.

(b) The amendment procedures apply to situations when an occurrence that is documented was challenged through an established judicial, quasi-judicial, or administrative procedure and found to be inaccurately described; when the document is not identical to the individual’s copy; or when the document is not created in accordance with the applicable recordkeeping requirements. (For example, the amendment provisions are not designed to allow a challenge to the merits of an agency adverse action that is documented in an individual’s Official Personnel Folder.)

§ 297.304 Approval of requests to amend records.

(a) If the system manager determines that amendment of a record is appropriate, the system manager will take the necessary steps to have the necessary changes made and will see that the individual receives a copy of the amended record.

(b) When practicable and appropriate, the system manager will advise all prior recipients of the fact that an amendment of a record has been made.

§ 297.305 Denial of requests to amend records.

(a) If the Office or agency system manager decides not to amend the record in the manner sought, the requester should be notified in writing of the reasons for the denial.

(b) The decision letter should also include the requester’s right to appeal.
the denial and the procedures for appealing the denial to the appropriate official.

§ 297.306 Appeal of a denial of a request to amend a record.

(a) An individual who disagrees with an initial denial to amend a record may file a written appeal of that denial to the appropriate official. In submitting an appeal, the individual should provide a copy of the original request for amendment, a copy of the initial denial decision, and a statement of the specific reasons why the initial denial is believed to be in error. Any appeal should be submitted to the official designated in the initial decision letter. The appeal should include the words “PRIVACY ACT APPEAL” in capital letters on the envelope and at the top of the letter of appeal.

(b) The reviewing official should complete the review and make a final determination in writing no later than 30 working days from the date on which the appeal is received. When circumstances warrant, this timeframe may be extended.

(c) If the Office grants the appeal, it will take the necessary steps either to amend the record itself or to require the originating agency to amend the record. When appropriate and possible, prior recipients of the record should be notified of the Office’s action.

(d) The Office reserves the right to hold in abeyance any Privacy Act appeal concerning a record when an individual is involved in challenging an action involving that record in another administrative, judicial, or quasi-judicial forum. At the conclusion of such a challenge, the individual can resubmit the appeal.

(e) If the Office denies the appeal, it will include in the decision letter notification of the appellant’s right to judicial review.

§ 297.307 Statement of disagreement.

(a) Upon receipt of a final administrative determination denying a request to amend a record, the requester may file a concise statement of disagreement. Such a statement should be filed with the appropriate system manager and should include the reasons why the requester believes the decision to be incorrect.

(b) The statement of disagreement should be maintained with the record to be amended and any disclosure of the record must include a copy of the statement of disagreement.

(c) When practicable and appropriate, the system manager should provide a copy of the statement of disagreement to any individual or agency to whom the record was previously disclosed as noted by the disclosure accounting.

§ 297.308 Judicial review.

Upon receipt of notification that the denial to amend a record has been upheld on administrative review, the requester has the right to judicial review of the decision for up to 2 years from the date the cause of action arose. Judicial review may be sought in the district court of the United States in the district in which—

(a) The requester resides;

(b) The requester has his or her principal place of business; or

(c) The agency records are situated; or it may be sought in the district court of the District of Columbia.

Subpart D—Disclosure of Records

§ 297.401 Conditions of disclosure.

An official or employee of the Office or agency should not disclose a record retrieved from a Governmentwide system of records to any person, another agency, or other entity without the express written consent of the subject individual unless disclosure is—

(a) To officers or employees of the Office who have a need for the information in the performance of their duties.

(b) Required by the provisions of the Freedom of Information Act.

(c) For a routine use as published in the Federal Register.

(d) To the Bureau of the Census for uses pursuant to title 13 of the United States Code.

(e)(1) To a recipient who has provided the agency with advance adequate written assurance that the record will be transferred in a form that is not individually identifiable. The written...
statement should include as a minimum:

(i) A statement of the purpose for requesting the records; and

(ii) Certification that the records will be used only for statistical purposes.

(2) These written statements should be maintained as records. In addition to deleting personal identifying information from records released for statistical purposes, the system manager will reasonably ensure that the identity of the individual cannot be deduced by combining various statistical records.

(f) To the National Archives of the United States as a record that has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Archivist of the United States or his or her designee to determine whether the record has such value.

(g) To another agency or instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of the agency or instrumentality or his designated representative has made a written request to the Office or agency that maintains the record specifying the particular portion desired and the law enforcement activity for which the record is sought.

(h) To a person showing compelling circumstances affecting the health and safety of an individual, not necessarily the individual to whom the record pertains. Upon such disclosure, a notification should be sent to the last known address of the individual and state the name and number of the case or proceeding, and the nature of the information sought.

(i) To another agency or instrumentality of any governmental jurisdiction for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of the agency or instrumentality or his designated representative has made a written request to the Office or agency that maintains the record specifying the particular portion desired and the law enforcement activity for which the record is sought.

(j) To a person showing compelling circumstances affecting the health and safety of an individual, not necessarily the individual to whom the record pertains. Upon such disclosure, a notification should be sent to the last known address of the individual.

(k) To the Congress or to a Congressional committee, subcommittee, or joint committee to the extent that the subject matter falls within its established jurisdiction.

(l) To the Comptroller General or any authorized representatives of the Comptroller General in the course of the performance of the duties of the General Accounting Office.

(m) Pursuant to the order of a court of competent jurisdiction.

(n) To a consumer reporting agency in accordance with section 3711(f) of title 31 of the United States Code.

§ 297.402 Disclosure pursuant to a compulsory legal process served on the Office.

For purposes of this section, the Office considers that a subpoena signed by a judge is equivalent to a court order.

(a) The Office may disclose, without prior consent of the data subject, specified information from a system of records whenever such disclosure is pursuant to an order signed by the appropriate official of a court of competent jurisdiction or quasi-judicial agency. In this subpart, a court of competent jurisdiction includes the judicial system of a state, territory, or possession of the United States.

(b) Notice of the order will be provided to the data subject by the Office as soon as practicable after service of the order. The notice should be mailed to the last known address of the individual and state the name and number of the case or proceeding, and the nature of the information sought.

(c) Before complying or refusing to comply with the order, an official with authority to disclose records under this subpart should consult legal counsel to ensure that the response is appropriate.

(d) Before responding to the order or subpoena signed by a judge, an official with authority to disclose records under this subpart should consult legal counsel to ensure that the response is appropriate.

(e) If an order or subpoena signed by a judge, a consumer reporting agency in accordance with section 3711(f) of title 31 of the United States Code.

§ 297.402 Disclosure pursuant to a compulsory legal process served on the Office.

judge, the Office will return the document to the sender and indicate that no action will be taken to provide records until the subpoena is signed by a judge.

(f) If oral testimony is requested by the order or subpoena signed by a judge, an explanation that sets forth the testimony desired must be furnished to the Office system manager. The individual who has been ordered or subpoenaed to testify should consult with counsel to determine the matters about which the individual may properly testify.

(g) In all situations concerning an order, subpoena signed by a judge, or other demand for an employee of the Office to produce any material or testimony concerning the records that are subject to the order, that are contained in the Office’s systems of records, and that are acquired as part of the employee’s official duties, the employee shall not provide the information without the prior approval of the appropriate Office official.

(h) If it is determined that the information should not be provided, the individual ordered or subpoenaed to do so should respectfully decline to comply with the demand based on the instructions from the appropriate Office official.

(i) Notice of the issuance of the ex parte order or subpoena signed by a judge is not required if the system of records has been exempted from the notice requirement of 5 U.S.C. 552a(e)(8) pursuant to 5 U.S.C. 552a(j) by a Notice of Exemption published in the Federal Register.

§297.403 Accounting of disclosure.

(a) The Office or agency will maintain a record of disclosures in cases where records about the individual are disclosed from an Office system of records except—(1) When the disclosure is made pursuant to the Freedom of Information Act, as amended (5 U.S.C. 552); or (2) When the disclosure is made to those officers and employees of the Office or agency who have a need for the record in the performance of their duties.

(b) This accounting of the disclosures will be retained for at least 5 years or for the life of the record, whichever is longer, and will contain the following information:

(1) A brief description of the record disclosed;

(2) The date, nature, and purpose for the disclosure; and

(3) The name and address of the purpose, agency, or other entity to whom the disclosure is made.

(c) Except for the accounting of disclosure made to agencies, individuals, or entities in law enforcement activities or disclosures made from the Office’s exempt systems of records, the accounting of disclosures will be made available to the data subject upon request in accordance with the access procedures of this part.

§297.501 Exemptions.

(a) Several of the Office’s internal, central, and Governmentwide systems of records contain information for which exemptions appearing at 5 U.S.C. 552a(k) (1), (2), (3), (5), and (6) may be claimed. The systems of records for which the exemptions are claimed, the specific exemptions determined to be necessary and proper with respect to these systems of records, the records exempted, the provisions of the act from which they are exempted, and the justifications for the exemptions are set forth below.

(b) Specific exemptions—(1) Inspector General Investigations Case File Records (OPM/CENTRAL–4). All information in these records that meets the criteria stated in 5 U.S.C. 552a(k) (1), (2), (3), (4), (5), (6), and (7) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (4). These provisions of the Privacy Act relate to making accountings of disclosures available to the data subject and access to and amendment of records. The specific applicability of the exemptions to this system and the reasons for the exemptions are as follows:

(i) Inspector General investigations may contain properly classified information that pertains to national defense and foreign policy obtained from
§ 297.501  

Other systems or another Federal agency. Application of exemption (k)(1) may be necessary to preclude the data subject’s access to and amendment of such classified information under 5 U.S.C. 552a(d).

(ii) Inspector General investigations may contain investigatory material compiled for law enforcement purposes other than material within the scope of 5 U.S.C. 552a(j)(2); e.g., investigations into the administration of the merit system. Application of exemption (k)(2) may be necessary to preclude the data subject’s access to or amendment of such records under 5 U.S.C. 552(a)(3) and (d).

(iii) Inspector General investigations may contain information obtained from another system or Federal agency that relates to providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056. Application of exemption (k)(3) may be necessary to preclude the data subject’s access to and amendment of such records under 5 U.S.C. 552a(d).

(iv) Inspector General case files may contain information that, by statute, is required to be maintained and used solely as a statistical record. Application of exemption (k)(4) may be necessary to preclude the data subject’s access to or amendment of such records under 5 U.S.C. 552a(d).

(v) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). This exemption is claimed because this system contains investigatory material compiled solely for determining suitability, eligibility, and qualifications for Federal civilian employment. To the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence, the application of exemption (k)(5) will be required to honor promises of confidentiality should the data subject request access to the accounting of disclosures of the record, or access to or amendment of the record.

(vi) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d) relating to access to and amendment of records by the data subject. This exemption is claimed because portions of a case file record may relate to testing and examining material used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(vii) Inspector General case files may contain evaluation material used to determine potential for promotion in the armed services. Application of exemption (k)(7) may be necessary, but only to the extent that the disclosure of the data would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence.

(2) Administrative Law Judge Applicant Records (OPM/CENTRAL–6).

(i) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). The exemptions are claimed because this system contains investigatory material compiled solely for determining suitability, eligibility, and qualifications for Federal civilian employment. To the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence, the application of exemption (k)(5) will be required to honor promises of confidentiality should the data subject request access to the accounting of disclosures of the record, or access to or amendment of the record.

(ii) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of the records by the data subject. This exemption is claimed because portions of
this system relate to testing and examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(3) Litigation and Claims Records (OPM/CENTRAL-7). (i) When litigation or claim cases occur, information from other existing systems of records may be incorporated into the case file. This information may be material for which exemptions have been claimed by the Office in this section. To the extent that such exempt material is incorporated into a litigation or claim case file, the appropriate exemption (5 U.S.C. 552a(k)(1), (2), (3), (4), (5), (6), or (7)) shall also apply to the material as it appears in this system. The exemptions will be only from those provisions of the Act that were claimed for the systems from which the records originated.

(ii) During the course of litigation or claims cases, it may be necessary to conduct investigations to develop information and evidence relevant to the case. These investigative records may include material meeting the criteria stated in 5 U.S.C. 552a(k)(1), (2), (3), (4), (5), (6), and (7). Such material is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). These provisions of the Act relate to making accounting of disclosures available to the data subject and access to and amendment of records. The specific applicability of the exemptions to this system and the reasons for the exemptions are:

(A) Such investigations may contain properly classified information that pertains to national defense and foreign policy obtained from another Federal agency. Application of exemption (k)(1) may be necessary to preclude the data subject’s access to and amendment of such classified information under 5 U.S.C. 552a(d).

(B) Such investigations may contain investigatory material compiled for law enforcement purposes other than material within the scope of 5 U.S.C. 552a(j)(2), e.g., administration of the merit system, obtained from another Federal agency. All information about individuals in these records that meets the criteria of 5 U.S.C 552a(k)(2) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). Application of exemption (k)(2) may be necessary to preclude the data subject’s access to or amendment of those records.

(C) Such investigations may contain information obtained from another agency that relates to providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056. All information about individuals in these records that meets the criteria of 5 U.S.C. 552a(k)(3) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to or amendment of records by the data subject. Application of exemption (k)(3) may be necessary to preclude the data subject’s access to and amendment of such records.

(D) Such investigations may contain information that, by statute, is required to be maintained and used solely as a statistical record. Application of exemption (k)(4) may be necessary to ensure compliance with such a statutory mandate.

(E) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). These exemptions are claimed because this system contains investigatory material compiled solely for determining suitability, eligibility, and qualifications for Federal civilian employment. To the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence, the application of exemption (k)(5) will be required to honor such a promise should the data subject request access to the accounting of disclosure, or access to or amendment of the record, that would reveal the identity of a confidential source.

(F) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of the
records by the data subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment by the data subject of this information would compromise the objectivity and fairness of the testing or examining process.

(G) Such investigations may contain evaluation material used to determine potential for promotion in the armed services. Application of exemption (k)(7) may be necessary, but only to the extent that the disclosure of the data would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence.

(4) Privacy Act/Freedom of Information Case Records (OPM/CENTRAL–8). In this subpart, the Office has claimed exemptions for its other systems of records where it felt such exemptions are appropriate and necessary. These exemptions are claimed under 5 U.S.C. 552a(k)(1), (2), (3), (4), (5), (6) and (7). During the processing of a Privacy Act/Freedom of Information Act request (which may include access requests, amendment requests, and requests for review for initial denials of such requests) exempt materials from those other systems may in turn become part of the case record in this system. To the extent that copies of exempt records from those other systems are entered into this system, the Office hereby claims the same exemptions for the records from those other systems that are entered into this system, as claimed for the original primary system of which they are a part.

(5) Personnel Investigations Records (OPM/CENTRAL–9). All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(1), (2), (3), (4), (5), (6), and (7) is exempt from the requirements of 5 U.S.C. 552a (c)(3) and (d). These exemptions are claimed because this system contains investigatory material compiled solely for determining suitability, eligibility, and qualifications for Federal civilian employment. To the extent that the disclosure of material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence, the applicability of exemption (k)(5)
§ 297.501

will be required to honor promises of confidentiality should the data subject request access to or amendment of the record, or access to the accounting of disclosures of the record.

(vi) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of records by the data subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(vii) Personnel Investigations may contain evaluation material used to determine potential for promotion in the armed services. Application of exemption (k)(7) may be necessary, but only to the extent that the disclosure of the data would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence.

(6) Presidential Management Intern Program Records (OPM/CENTRAL–11). All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of records by the data subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine qualifications for appointment or promotion in the Federal service and access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(7) Recruiting, Examining, and Placement Records (OPM/GOVT–5). (i) All information about individuals in these records that meets the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a(c)(3) and (d). These provisions of the Privacy Act relate to making accountings of disclosures available to the data subject and access to and amendment of records. These exemptions are claimed because this system contains investigative material compiled solely for determining the appropriateness of a request for approval of an objection to an eligible’s qualification for employment in the Federal service. To the extent that the disclosure of such material would reveal the identity of a source who furnished information to the Government under an express promise that the identity of the source would be held in confidence, or prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence, the application of exemption (k)(5) will be required to honor promises of confidentiality should the data subject request access to the accounting of disclosures of the record, or access to or amendment of the record.

(ii) All information in these records that meets the criteria stated in 5 U.S.C. 552a(K)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of records by the subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service and access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.

(8) Personnel Research and Test Validation Records (OPM/GOVT–6). (i) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(6) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to and amendment of the records by the data subject. This exemption is claimed because portions of this system relate to testing or examining materials used solely to determine individual qualifications for appointment or promotion in the Federal service. Access to or amendment of this information by the data subject would compromise the objectivity and fairness of the testing or examining process.
(i) All information in these records that meets the criteria stated in 5 U.S.C. 552a(k)(4) is exempt from the requirements of 5 U.S.C. 552a(d), relating to access to or amendment of the records by the data subject. This exemption is claimed because portions of this system relate to records required by statute to be maintained and used solely for statistical purposes. Access to or amendment of this information by the data subject would compromise the confidentiality of these records and their usefulness for statistical research purposes.

(c) The Office also reserves the right to assert exemptions for records received from another agency that could be properly claimed by that agency in responding to a request. The Office may refuse access to information compiled in reasonable anticipation of a civil action or proceeding.

Subpart A—Employment Practices

§ 300.101 Purpose.

The purpose of this subpart is to establish principles to govern, as nearly as is administratively feasible and practical, the employment practices of the Federal Government generally, and of individual agencies, that affect the recruitment, measurement, ranking, and selection of individuals for initial appointment and competitive promotion in the competitive service or in positions in the government of the District of Columbia required to be filled in the same manner that positions in
Office of Personnel Management

the competitive service are filled. For the purpose of this subpart, the term “employment practices” includes the development and use of examinations, qualification standards, tests, and other measurement instruments.

§ 300.102 Policy.

This subpart is directed to implementation of the policy that competitive employment practices:

(a) Be practical in character and as far as possible relate to matters that fairly test the relative capacity and fitness of candidates for the jobs to be filled;

(b) Result in selection from among the best qualified candidates;

(c) Be developed and used without discrimination because of race, color, religion, sex, age, national origin, partisan political affiliation or other nonmerit grounds; and

(d) Insure to the candidate opportunity for appeal or administrative review, as appropriate.

§ 300.103 Basic requirements.

(a) Job analysis. Each employment practice of the Federal Government generally, and of individual agencies, shall be based on a job analysis to identify:

(1) The basic duties and responsibilities;

(2) The knowledge, skills, and abilities required to perform the duties and responsibilities; and

(3) The factors that are important in evaluating candidates. The job analysis may cover a single position or group of positions, or an occupation or group of occupations, having common characteristics.

(b) Relevance. (1) There shall be a rational relationship between performance in the position to be filled (or in the target position in the case of an entry position) and the employment practice used. The demonstration of rational relationship shall include a showing that the employment practice was professionally developed. A minimum educational requirement may not be established except as authorized under section 3308 of title 5, United States Code.

(2) In the case of an entry position the required relevance may be based upon the target position when—

(i) The entry position is a training position or the first of a progressive series of established training and development positions leading to a target position at a higher level; and

(ii) New employees, within a reasonable period of time and in the great majority of cases, can expect to progress to a target position at a higher level.

(c) Equal employment opportunity. An employment practice shall not discriminate on the basis of race, color, religion, sex, age, national origin, partisan political affiliation, or other nonmerit factor. Employee selection procedures shall meet the standards established by the “Uniform Guidelines on Employee Selection Procedures” (1978), 43 FR 38290 (August 25, 1978).

§ 300.104 Appeals, grievances and complaints.

(a) Employment practices. A candidate who believes that an employment practice which was applied to him or her by the Office of Personnel Management violates a basic requirement in §300.103 is entitled to appeal to the Merit Systems Protection Board under the provisions of its regulations.

(b) Examination ratings. A candidate may file an appeal with the Office from his or her examination rating or the rejection of his or her application, except that, where the Office has delegated examining authority to an agency, the candidate should appeal directly to that agency. The appeal and supporting documents shall be filed with the agency office that determined the rating.

(c) Complaints and grievances to an agency. (1) A candidate may file a complaint with an agency when he believes that an employment practice which was applied to him and which is administered or required by the agency discriminates against him on the basis of race, color, religion, sex, or national origin; or age, provided that at the time of the alleged discriminatory action the candidate was at least 40 years.
of age but less than 65 years of age. The complaint shall be filed and processed in accordance with subparts B and E of part 713 of this chapter.

(2) Except as provided in paragraph (c)(1) of this section, an employee may file a grievance with an agency when he or she believes that an employment practice which was applied to him or her and which is administered or required by the agency violates a basic requirement in §300.103. The grievance shall be filed and processed under an agency grievance system, if applicable, or a negotiated grievance system as applicable.

Subpart B—Examinations and Related Subjects

§300.201 Examinations.

(a) The Office makes available information that will assist members of the public in understanding the purpose of, and preparing for, civil service examinations. This includes the types of questions and the categories of knowledge or skill pertinent to a particular examination. The Office does not release the following: (1) Testing and examination materials used solely to determine individual qualifications, and (2) test material, including test plans, item analysis data, criterion instruments, and other material the disclosure of which would compromise the objectivity of the testing process.

(b) The Office maintains control over the security and release of testing and examination materials which it has developed and made available to agencies for initial competitive appointment or inservice use unless the materials were developed specifically for an agency through a reimbursable contractual agreement. These testing and examination materials include, and are subject to the same controls as, those described in paragraphs (a)(1) and (a)(2) of this section.

(c) Each employee entrusted with test material has a positive duty to protect the confidentiality of that material and to assure release only as required to conduct an examination authorized by the Office.

(d) An applicant may review his or her own answers in a written test, but only in the presence of an employee of the Office or, for the convenience of the Office and requester, in the presence of an employee of another agency designated by OPM. The applicant may not review a test booklet in connection with this review.

(e) The Office will release information concerning the results of examinations only to the individual concerned, or to parties explicitly designated by the individual.

(f) The Office will not reveal the names of applicants for civil service positions or eligibles on civil service registers, certificates, employment lists, or other lists of eligibles, or their ratings or relative standings.

Subpart C—Details of Employees

§300.301 Authority.

(a) In accordance with 5 U.S.C. 3341, an agency may detail an employee in the competitive service to a position in either the competitive or excepted service.

(b) In accordance with 5 U.S.C. 3341, an agency may detail an employee in the excepted service to a position in the excepted service and may also detail an excepted service employee serving under Schedule A, Schedule B, or the Veterans Readjustment Act, to a position in the competitive service.

(c) Any other detail of an employee in the excepted service to a position in the competitive service may be made only with the prior approval of the Office of Personnel Management or under a delegated agreement between the agency and OPM.

Subpart D—Use of Commercial Recruiting Firms and Nonprofit Employment Services

SOURCE: 53 FR 51222, Dec. 21, 1988, unless otherwise noted.
§ 300.401 Definitions.

For purposes of this subpart:

(a) A commercial recruiting firm is a profit-making entity which, by contract, supplies individual candidates for consideration for specific Federal vacancies, in accordance with the requirements set by the Federal agency.

(b) A nonprofit employment service is one legally established as nonprofit under State law. It may be operated, for example, by professional societies, organizations of college graduates, social agencies, or a State or local government. Federal agencies may not, however, use a nonprofit employment service sponsored by a partisan political organization. By contract, a nonprofit employment service supplies individual candidates for consideration for specific Federal vacancies, in accordance with the requirements set by the Federal agency.

§ 300.402 Coverage.

This part applies to filling positions in the competitive service; positions in the excepted service under Schedules A, B, and C; and positions in the Senior Executive Service.

§ 300.403 When commercial recruiting firms and nonprofit employment services may be used.

An agency may use a commercial recruiting firm and/or a nonprofit employment service in recruiting for vacancies when:

(a) The agency head or designee determines that such use is likely to provide well-qualified candidates who would otherwise not be available or that well-qualified candidates are in short supply;

(b) The agency has provided vacancy notices to appropriate State Employment Service and OPM offices; and

(c) The agency continues its own recruiting efforts.

§ 300.404 Use of fee-charging firms.

(a) Federal agencies are prohibited from using commercial recruiting firms and nonprofit employment services which charge fees to individuals referred to Federal positions. Federal agencies may not consider a candidate referred by a commercial recruiting firm or nonprofit employment service if the individual has paid or is expected to pay any fee to the firm or service.

(b) The prohibition in paragraph (a) of this section does not apply to registration fees paid by individuals to nonprofit employment services operated by professional organizations when the registration fee is imposed regardless of whether the registrant is referred for employment or placed.

§ 300.405 Requirement for contract.

(a) A written contract awarded in accordance with procedures stipulated in the Federal Acquisition Regulations is required between the Federal agency and a commercial recruiting firm or nonprofit employment service. The contract will satisfy the “written request” required by 18 U.S.C. 211. That statute prohibits the acceptance of payment for aiding an individual to obtain Federal employment except when an employment agency renders services pursuant to the written request of an executive department or agency.

(b) The contract must include the qualifications requirements for the position(s) to be filled and also provide that the firm or service will:

(1) Screen candidates only against the basic qualifications requirements for the position(s) specified by the Federal agency in the contract and refer to the agency all candidates who appear to meet those requirements;

(2) Refer to the Federal agency only those applicants from whom the firm or service has not accepted fees other than those permitted under § 300.404(b) of this part;

(3) Not imply that it is the sole or primary avenue for employment with the Federal Government or a specific Federal agency; and

(4) Recruit and refer candidates in accordance with applicable merit principles and equal opportunity laws.

§ 300.406 Agency responsibilities.

(a) The purpose of a commercial recruiting firm or nonprofit employment service is to serve as an additional source of applicants. Once recruited, applicants must be evaluated and appointed through regular civil service employment procedures.
§ 300.407

(1) For a competitive service position, an individual must be appointed in accordance with the terms of applicable competitive service procedures.

(2) For an excepted service position, an individual must be appointed in accordance with the terms of the applicable appointing authority and the requirements set out in part 302 of this chapter.

(3) For a Senior Executive Service position filled by career appointment, an individual must be appointed in accordance with the competitive process described in 5 U.S.C. 3393.

(b) In order to use commercial recruiting firms or nonprofit employment services, agencies are required to:

(1) Make known that applicants may apply directly to the Government and thus need not apply through the commercial recruiting firm or nonprofit employment service;

(2) Give the same consideration to candidates who have applied directly and candidates referred from the commercial recruiting firm or nonprofit employment service; and

(3) Follow all requirements for appointment, including veterans preference, where applicable.

§ 300.408 Corrective action.

Upon evidence of failure to comply with these regulations, OPM may, pursuant to its authority, order the agency to take appropriate corrective action.

§ 300.501 Definitions.

For purposes of this subpart:

(a) A temporary help service firm is a private sector entity which quickly provides other organizations with specific services performed by its pool of employees, possessing the appropriate work skills, for brief or intermittent periods. The firm is the legally responsible employer and maintains that relationship during the time its employees are assigned to a client. The firm, not the client organization, recruits, tests, hires, trains, assigns, pays, provides benefits and leave to, and as necessary, addresses performance problems, disciplines, and terminates its employees. Among other employer obligations, the firm is responsible for payroll deductions and payment of income taxes, social security (FICA), unemployment insurance, and workers’ compensation, and shall provide required liability insurance and bonding.

(b) Private sector temporaries or outside temporaries are those employees of a temporary help service firm who are supervised and paid by that firm and whom that firm assigns to various client organizations who have contracted for the temporary use of their skills when required.

(c) Parental and family responsibilities are defined in chapter 630 of the Federal Personnel Manual and include situations such as absence for pregnancy, childbirth, child care, and care for elderly or infirm parents or other dependents.

(d) A Federal supervisor of Federal employees is defined in 5 U.S.C. 7103(a)(10) as an individual employed by an agency having authority in the interest of the agency to hire, direct, assign, promote, reward, transfer, furlough, layoff, recall, suspend, discipline, or remove employees, to adjust their grievances, or to effectively recommend such action, if the exercise of the authority is not merely routine or clerical in nature but requires the consistent exercise of independent judgment * * *
§ 300.504 Prohibition on employer-employee relationship

No employer-employee relationship is created by an agency’s use of private sector temporaries under these regulations. Services furnished by temporary help firms shall be performed by their employees who shall not be considered or treated as Federal employees for any purpose, shall not be regarded as performing a personal service, and shall not be eligible for civil service employee benefits, including retirement. Further, to avoid creating any appearance of such a relationship, agencies shall observe the following requirements:

§ 300.504 Prohibition on employer-employee relationship

No employer-employee relationship is created by an agency’s use of private sector temporaries under these regulations. Services furnished by temporary help firms shall be performed by their employees who shall not be considered or treated as Federal employees for any purpose, shall not be regarded as performing a personal service, and shall not be eligible for civil service employee benefits, including retirement. Further, to avoid creating any appearance of such a relationship, agencies shall observe the following requirements:

§ 300.504 Prohibition on employer-employee relationship

No employer-employee relationship is created by an agency’s use of private sector temporaries under these regulations. Services furnished by temporary help firms shall be performed by their employees who shall not be considered or treated as Federal employees for any purpose, shall not be regarded as performing a personal service, and shall not be eligible for civil service employee benefits, including retirement. Further, to avoid creating any appearance of such a relationship, agencies shall observe the following requirements:
§ 300.505 Relationship of civil service procedures.

Agencies continue to have full authority to meet their temporary needs by various means, for example, redistributing work, authorizing overtime, using in-house pools, and making details or time-limited promotions of current employees. In addition, agencies may appoint individuals as civil service employees on various work schedules appropriate for the work to be performed.

[61 FR 19511, May 2, 1996]

§ 300.506 Requirements of procurement.

(a) Agencies must follow the Federal procurement laws and the Federal Acquisition Regulation, as applicable, in procuring services from the private sector.

(b) Agencies should make full use of the provisions of the Federal procurement system to make clear that the firm is the legally responsible employer and to specify the obligations the firm will have to meet to provide effective performance including such matters as the types and levels of skills to be provided, deadlines for providing service, liability insurance, and, when necessary, security requirements. The Federal procurement system also requires contractors to comply with affirmative action requirements to employ and advance in employment qualified disabled and Vietnam era veterans as provided in 41 CFR part 60-250, and with public policy programs including equal employment opportunity, handicapped employment, and small businesses.

§ 300.507 Documentation and oversight.

Agencies are required to maintain records and provide oversight to establish that their use of temporary help service firms is consistent with these regulations. As needed, OPM may require agencies to provide information on their use of temporary help service firms.

Subpart F—Time-In-Grade Restrictions

SOURCE: 56 FR 23002, May 20, 1991, unless otherwise noted.

§ 300.601 Purpose.

The restrictions in this subpart are intended to prevent excessively rapid promotions in competitive service General Schedule positions and to protect
competitive principles. They provide a budgetary control on promotion rates and help assure that appointments are made from appropriate registers. These restrictions are in addition to the eligibility requirements for promotion in part 335 of this chapter.

§ 300.602 Definitions.

In this subpart—

Advancement means a promotion (including a temporary promotion) or any type of appointment resulting in a higher grade or higher rate of basic pay.

Competitive appointment means an appointment based on selection from a competitive examination register of eligibles or under a direct hire authority.

Hardship to an agency involves serious difficulty in filling a position, including when:

(a) The situation to be redressed results from circumstances beyond the organization’s control and otherwise would require extensive corrective action; or

(b) A position at the next lower grade in the normal line of promotion does not exist and the resulting action is not a career ladder promotion; or

(c) There is a shortage of candidates for the position to be filled.

Inequity to an employee involves situations where a position is upgraded without change in the employee’s duties or responsibilities, or where discrimination or administrative error prevented an employee from reaching a higher grade.

Nontemporary appointment means any appointment other than a temporary appointment pending establishment of a register (TAPER) or a temporary or excepted appointment not to exceed 1 year or less.

§ 300.603 Coverage.

(a) Coverage. This subpart applies to advancement to a General Schedule position in the competitive service by any individual who within the previous 52 weeks held a General Schedule position under nontemporary appointment in the competitive or excepted service in the executive branch, unless excluded by paragraph (b) of this section.

(b) Exclusions. The following actions may be taken without regard to this subpart but must be consistent with all other applicable requirements, such as qualification standards:

(1) Appointment based on selection from a competitive examination register of eligibles or under a direct hire authority.

(2) Noncompetitive appointment based on a special authority in law or Executive order (but not including transfer and reinstatement) made in accordance with all requirements applicable to new appointments under that authority.

(3) Advancement in accordance with part 335 of this chapter up to any General Schedule grade the employee previously held under nontemporary appointment in the competitive or excepted service.

(4) Advancement of an employee from a non-General Schedule position to a General Schedule position unless the employee held a General Schedule position under nontemporary appointment in the executive branch within the previous 52 weeks.

(5) Advancement of an individual whose General Schedule service during the previous 52 weeks has been totally under temporary appointment.

(6) Advancement of an employee under a training agreement established in accordance with chapter 338 of the Federal Personnel Manual. However, an employee may not receive more than two promotions in any 52-week period solely on the basis of one or more training agreements. Also, only OPM may approve a training agreement that provides for consecutive promotions at rates that exceed those permitted by §300.604 of this part.

(7) Advancement to avoid hardship to an agency or inequity to an employee in an individual meritorious case but only with the prior approval of the agency head or his or her designee. However, an employee may not be promoted more than three grades during any 52-week period on the basis of this paragraph.

(8) Advancement when OPM authorizes it to avoid hardship to an agency.
§ 300.604 Restrictions.

The following time-in-grade restrictions must be met unless advancement is permitted by §300.603(b) of this part:

(a) Advancement to positions at GS–12 and above. Candidates for advancement to a position at GS–12 and above must have completed a minimum of 52 weeks in positions no more than one grade lower (or equivalent) than the position to be filled.

(b) Advancement to positions at GS–6 through GS–11. Candidates for advancement to a position at GS–6 through GS–11 must have completed a minimum of 52 weeks in positions:

(1) No more than two grades lower (or equivalent) when the position to be filled is in a line of work properly classified at 2-grade intervals; or

(2) No more than one grade lower (or equivalent) when the position to be filled is in a line of work properly classified at 1-grade intervals; or

(3) No more than one or two grades lower (or equivalent), as determined by the agency, when the position to be filled is in a line of work properly classified at 1-grade intervals but has a mixed interval promotion pattern.

(c) Advancement to positions up to GS–5. Candidates may be advanced without time restriction to positions up to GS–5 if the position to be filled is no more than two grades above the lowest grade the employee held within the preceding 52 weeks under his or her latest non-temporary competitive appointment.

§ 300.605 Creditable service.

(a) All service at the required or higher grade (or equivalent) in positions to which appointed in the Federal civilian service is creditable towards the time periods required by §300.604 of this part, except as provided in paragraph (c) of this section. Creditable service includes competitive and excepted service in positions under the General Schedule and other pay systems, including employment with a nonappropriated fund instrumentality. Service while on detail is credited at the grade of the employee’s position of record, not the grade of the position to which detailed. Also creditable is service with the District of Columbia Government prior to January 1, 1980 (or prior to September 26, 1980, for those District employees who were converted to the District personnel system on January 1, 1980).

(b) Service in positions not subject to the General Schedule (GS) is credited at the equivalent GS grade by comparing the candidate’s rate of basic pay with the representative rate (as defined in §351.203 of this chapter) of the GS position in effect when the non-GS service was performed. The equivalent GS grade is the GS grade with a representative rate that equals the candidate’s rate of basic pay. When the candidate’s rate of basic pay falls between the representative rates of two GS grades, the non-GS service is credited at the higher grade.

(c) In applying the restrictions in §300.604 of this part, prior service under temporary appointment at a level above that of a subsequent non-temporary competitive appointment is credited as if the service had been performed at the level of the non-temporary appointment. This provision applies until the employee has served in pay status for 52 weeks under non-temporary competitive appointment; thereafter, the service is credited at its actual grade level (or equivalent).

§ 300.606 Agency authority.

An agency may expand on these restrictions consistent with the intent of this subpart or may adopt similar policies to control promotion rates of employees not covered by this subpart.
Office of Personnel Management

§ 300.704

(a) An executive agency must request a written statement of Selective Service registration status from each covered individual at an appropriate time during the consideration process prior to appointment, and from each covered employee who becomes 18 after appointment. The individual must complete, sign, and date in ink the statement on a form provided by the agency unless the applicant furnishes other documentation as provided by paragraph (c) of this section.

(b) Statement of Selective Service registration status. Agencies should reproduce the following statement, which
§ 300.705 has been approved by the Office of Management and Budget for use through October 31, 1989, under OMB Control No. 3206–0166:

NON-REGISTRANTS AGE 26 OR OVER

If you were born in 1960 or later, are 26 years of age or older, and were required to register but did not do so, you can no longer register under Selective Service law. Accordingly, you are not eligible for appointment to an executive agency unless you can prove to the Office of Personnel Management (OPM) that your failure to register was neither knowing nor willful. You may request an OPM decision through the agency that was considering you for employment by returning this statement with your written request for an OPM determination together with any explanation and documentation you wish to furnish to prove that your failure to register was neither knowing nor willful.

PRIVACY ACT STATEMENT

Because information on your registration status is essential for determining whether you are in compliance with 5 U.S.C. 3328, failure to provide the information requested by this statement will prevent any further consideration of your application for appointment. This information is subject to verification with the Selective Service System and may be furnished to other Federal agencies for law enforcement or other authorized use in implementing this law.

FALSE STATEMENT NOTIFICATION

A false statement may be grounds for not hiring you, or for firing you if you have already begun work. Also, you may be punished by fine or imprisonment. (Section 1001 of title 18, United States Code.)

The individual must sign and date the document and add a note stating it is submitted as proof of Selective Service registration or exemption.

(d) An executive agency will give no further consideration for appointment to individuals who fail to provide the information requested above on registration status.

(e) An agency considering employment of a covered individual who is a current or former Federal employee is not required to request a statement when it determines that the individual’s Official Personnel Folder contains evidence indicating the individual is registered or currently exempt from registration.

§ 300.705 Agency action following statement.

(a) Agencies must resolve conflicts of information and other questions concerning an individual’s registration status prior to appointment. An agency may verify, at its discretion, an individual’s registration status by requesting the individual to provide proof of registration or exemption issued by the Selective Service System and/or by contacting the Selective Service System at 888–655–1825.

§ 300.706 Office of Personnel Management adjudication.

(a) OPM will determine whether failure to register was knowing and willful when an individual has requested a decision and presented a written explanation, as described in §300.705. The Associate Director for Career Entry or his or her designee will make the determination based on the written explanation provided by the individual. The burden of proof will be on the individual to show by a preponderance of the evidence that failure to register was neither knowing nor willful.

(b) OPM may consult with the Selective Service System in making determinations.

(c) The Associate Director for Career Entry or his or her designee will notify the individual and the agency in writing of the determination. The determination is final unless reconsidered at the discretion of the Associate Director. There is no further right to administrative review.

(d) The Director of OPM may reopen and reconsider a determination.

(e) The Director of OPM may, at his or her discretion, delegate to an executive agency the authority to make initial determinations. However, OPM may review any initial determination and make a final adjudication in any case. If a delegation is made under this paragraph, the notice in §300.705(d)(1) will state that the individual may submit a written request that OPM review the agency’s initial determination. The agency will forward to OPM copies of all documents relating to the individual’s failure to register, including the individual’s request for review and his explanation of his failure to register.

§ 300.707 Termination of employment.

A covered individual who is serving under an appointment made on or after November 8, 1985, and is not exempt from registration, will be terminated by his agency under the authority of Office of Personnel Management.

(a) Positions covered. With respect to the application of veteran preference, this part applies to each position in the Executive Branch of the Federal Government that is not in the competitive service and that is subject to the provisions of title 5, United States Code, or subject to a statutory requirement to follow the veteran preference provisions of title 5, With respect to restoration rights that are due to compensable
§ 302.102 Method of filling positions and status of incumbent.

(a) To the extent permitted by statute and this chapter, each appointment, position change, and removal in the excepted service shall be made in accordance with any regulations or practices that the head of the agency concerned finds necessary.

(b) Except as authorized under paragraph (c) of this section, a person appointed to an excepted position does not acquire a competitive status by reason of the appointment. When an employee serving under a non-temporary appointment in the competitive service is selected for an excepted appointment, the agency must—

1. Inform the employee that, because the position is in the excepted service, it may not be filled by a competitive appointment, and that acceptance of the proposed appointment will take him/her out of the competitive service while he/she occupies the position; and

2. Obtain from the employee a written statement that he/she understands he/she is leaving the competitive service voluntarily to accept an appointment in the excepted service.

§ 302.102 Method of filling positions and status of incumbent.

(a) To the extent permitted by statute and this chapter, each appointment, position change, and removal in the excepted service shall be made in accordance with any regulations or practices that the head of the agency concerned finds necessary.

(b) Except as authorized under paragraph (c) of this section, a person appointed to an excepted position does not acquire a competitive status by reason of the appointment. When an employee serving under a non-temporary appointment in the competitive service is selected for an excepted appointment, the agency must—

1. Inform the employee that, because the position is in the excepted service, it may not be filled by a competitive appointment, and that acceptance of the proposed appointment will take him/her out of the competitive service while he/she occupies the position; and

2. Obtain from the employee a written statement that he/she understands he/she is leaving the competitive service voluntarily to accept an appointment in the excepted service.

§ 302.102 Method of filling positions and status of incumbent.

(a) To the extent permitted by statute and this chapter, each appointment, position change, and removal in the excepted service shall be made in accordance with any regulations or practices that the head of the agency concerned finds necessary.

(b) Except as authorized under paragraph (c) of this section, a person appointed to an excepted position does not acquire a competitive status by reason of the appointment. When an employee serving under a non-temporary appointment in the competitive service is selected for an excepted appointment, the agency must—

1. Inform the employee that, because the position is in the excepted service, it may not be filled by a competitive appointment, and that acceptance of the proposed appointment will take him/her out of the competitive service while he/she occupies the position; and

2. Obtain from the employee a written statement that he/she understands he/she is leaving the competitive service voluntarily to accept an appointment in the excepted service.
(c) Upon a finding by OPM that in a particular situation the action will be in the interest of good administration, OPM may authorize an agency to make appointments to specified positions in the excepted service in the same manner as to positions in the competitive service. Persons given career-conditional or career appointments pursuant to a specific authorization by OPM under this paragraph may acquire a competitive status as provided in part 315 of this chapter.

§ 302.104 Applicability of regulations to applicants and employees.

Each agency shall follow the provisions of this part relating to examination, rating, and selection for appointment of an applicant when a qualified preference eligible or person entitled to priority consideration applies for appointment to a position covered by this part. Each agency, in its discretion, may follow these provisions when no preference eligible or person entitled to priority consideration applies.

§ 302.105 Special agency plans.

An agency having a position subject to this part may establish a system which will result in granting to eligible persons the preference or priority consideration referred to in sections 1302(c) or 8151 of title 5, United States Code, but which does not conform to all the procedural requirements set forth in this part. The agency establishing such a system must ensure that all eligible applicants entitled to veteran preference or priority consideration receive at least as much advantage in referral as they would receive under the procedures set forth in this part.

Subpart B—Eligibility Standards

§ 302.201 Persons entitled to veteran preference.

In actions subject to this part, each agency shall grant veteran preference as follows:

(a) When numerical scores are used in the evaluation and referral, the agency shall grant 5 additional points to preference eligibles under section 2108(3)(A) and (B) of title 5, United States Code, and 10 additional points to preference eligibles under section 2108(3)(C) through (G) of that title.

(b) When eligible candidates are referred without ranking, the agency shall note preference as “CP” for preference eligibles under 5 U.S.C. 2108(3)(C), as “XP” for preference eligibles under 5 U.S.C. 2108(3)(D) through (G), and as “TP” for all other preference eligibles under that title.

§ 302.202 Qualification requirements.

Before making an appointment to a position covered by this part, each agency shall establish qualification standards such as those relating to experience and training, citizenship, minimum age, physical condition, etc., which shall relate to the duties to be performed. An agency may delegate the establishment of standards relating to a group of positions or a specific position to the appropriate administrative level or subdivision in accordance with the needs of the locality in which the position is located, but the agency shall determine that each standard established is in conformity with this part. Each agency shall make its standards a matter of record in the appropriate office of the agency, and shall furnish information concerning the standards for a position to an applicant on his/her request. Each agency shall apply the standards for a position uniformly to all applicants, except for such waivers as are provided in this part for a preference eligible. An agency shall not include a minimum educational requirement in qualification standards, except for a scientific, technical, or professional position the duties of which the agency decides cannot
be performed by a person who does not have a prescribed minimum education. An agency shall not establish a maximum age requirement for any position. Each agency shall make a part of its records the reasons for its decision under this section and shall furnish those reasons to an applicant on his/her request. The qualification standards shall include:

(a) A provision for waiver by the agency of requirements as to age, height, and weight for each preference eligible when the requirements are not essential to the performance of the duties of the position; and

(b) A provision for waiver by the agency of physical requirements for each preference eligible when the agency, after giving due consideration to the recommendation of an accredited physician, finds that the applicant is physically able to discharge the duties of the position.

§ 302.203 Disqualifying factors.

(a) The qualification standards established by an agency or by an administrative level or subdivision of an agency may provide that certain reasons disqualify an applicant for appointment. The following, among others, may be included as disqualifying reasons:

(1) Dismissal from employment for delinquency or misconduct;

(2) Criminal, infamous, dishonest, immoral, or notoriously disgraceful conduct;

(3) Intentional false statement or deception or fraud in examination or appointment;

(4) Habitual use of intoxicating beverages to excess;

(5) Reasonable doubt as to the loyalty of the person involved to the Government of the United States;

(6) Any legal or other disqualification which makes the individual unfit for service; or

(7) Lack of United States citizenship.

(b) An agency may not disqualify an applicant solely because of his/her retired status.

Subpart C—Accepting, Rating, and Arranging Applications

§ 302.301 Receipt of applications.

(a) Each agency shall establish definite rules regarding the acceptance of applications for employment in positions covered by this part and shall make these rules a matter of record.

(b) Each agency shall apply its rules uniformly to all applicants who meet the conditions of the rules and shall furnish information concerning the rules to an applicant on his/her request.

§ 302.302 Examination of applicants.

(a) Eligibility. An evaluation of the qualifications of applicants for positions covered by this part may be conducted at any time before an appointment is made. The evaluation may involve only determination of eligibility or ineligibility or may include qualitative rating of candidates. If the evaluation involves only basic eligibility numerical scores will not be assigned and eligible candidates will be referred in accordance with the procedures described in paragraph (b)(5) of § 302.304. If qualitative ranking is desired, numerical scores may be assigned in accordance with paragraph (b) of this section. Each agency shall make a part of the records the reasons for its decision to use ranked or unranked referral and, for ranked actions, the quality ranking factors used. This information shall be made available to an applicant on his/her request.

(b) Rating. Numerical scores will be assigned on a scale of 100. Each applicant who meets the qualification requirements for the position established under § 302.202 will be assigned a rating of 70 or more and will be eligible for appointment. Candidates scoring 70 or more will receive additional points for veteran preference as provided in § 302.201. Numerical ratings are not required when all qualified applicants will be offered immediate appointment. When there is an excessive number of applicants, numerical ratings are required only for a sufficient number of the highest qualified applicants to
meet the anticipated needs of the agency within a reasonable period of time. The agency must, however, adopt procedures to insure the consideration of preference eligibles in the order in which they would have been considered if all applicants had been assigned numerical ratings. An agency shall furnish a notice of the rating assigned to an applicant on his/her request.

(c) Nonpreference applicants for certain positions. An agency may not consider or rate an application for the position of elevator operator, messenger, guard, or custodian submitted by a non-preference eligible as long as at least three qualified preference eligibles are available for the position.

(d) Evaluating experience. When experience is a factor in determining eligibility, an agency shall credit a preference eligible (1) with time spent in the military service of the United States if the position for which he/she is applying is similar to the position which he/she held immediately before his/her entrance into the military service; and (2) with all valuable experience, including experience gained in religious, civic, welfare, service, and organizational activities, regardless of whether pay was received therefor.

§ 302.303 Maintenance of employment lists.

(a) Establishment—(1) Agency’s obligation. An agency must establish a priority reemployment list whenever any applicants rated eligible under §302.302 meet the conditions set out in paragraphs (b)(1) through (b)(3) of this section and must consider candidates from that list in accordance with §302.304(a). All applicants not included on the priority reemployment list will be listed on the regular employment list unless the agency elects to establish a reemployment list as provided in paragraph (c) of this section.

(2) Agency discretion. In establishing its lists, an agency may, but is not required to: Afford priority consideration to non-preference eligibles who meet the conditions set out in paragraph (b)(4) of this section; afford priority consideration under paragraph (b) of this section for a longer time and/or in a broader geographic area than the minimum requirement; and/or provide reemployment consideration after the priority list is exhausted to additional current and former employees in accordance with paragraph (c) of this section. An agency may limit consideration granted at its discretion to applicants for specific positions or applicants who meet specific conditions, but must make those conditions a matter of record and must apply its policy uniformly to all eligible employees. Generally, full-time employees may be considered only for full-time positions and other-than-full-time employees only for other-than-full-time positions. However, full-time employees may be considered for other-than-full-time positions if there are no other-than-full-time employees on the appropriate priority or reemployment list; and other-than-full time employees may be considered for full-time positions if there are no full-time employees on the appropriate list.

(b) Priority reemployment list. Candidates are entered on the priority reemployment list in the geographic areas specified in paragraph (b)(1) of this section and remain on the list for 2 years unless the agency elects to provide a longer period of eligibility. The priority reemployment list includes:

(1) The name of each former employee of the agency who is a preference eligible, has been furloughed or separated from a continuing appointment without delinquency or misconduct, and applies for reemployment. Candidates in this category are considered in the commuting area from which they were separated unless the Board’s decision specifies a broader or different area or the agency elects to afford broader geographic consideration.

(2) The name of each former employee of the agency who is a preference eligible and who, as the result of an appeal under part 752 of this chapter, is found by the Merit Systems Protection Board to have been unjustifiably dismissed from the agency, but who is not entitled to immediate restoration under the Board’s decision. Candidates in this category are considered in the commuting area from which separated unless the Board’s decision specifies a broader or different area or the agency elects to afford broader geographic consideration.
§ 302.304 Order of consideration.

(a) Consideration of priority reemployment candidates. An agency must consider all qualified candidates on its priority reemployment list before it may refer candidates from its reemployment list, if any, or regular employment list. When a qualified candidate is available on the priority list, the agency may appoint an individual who is not on the priority list or who has lower standing than others on that list only when necessary to obtain an employee for duties that cannot be taken over without undue interruption to the agency by an individual who is entitled to reemployment priority or has higher standing on the priority reemployment list than the one appointed. The agency must notify each individual on the priority reemployment list who is adversely affected by an appointment under this paragraph of the reasons for the exception and must further notify each such individual who is a preference eligible of his or her right of appeal to the Merit Systems Protection Board.

(b) Consideration of other candidates. Except as provided in paragraphs (b)(4) and (b)(5) of this section, an agency shall consider applicants on the reemployment and/or regular employment list who have been assigned eligible ratings for a given position in Order A, Order B, or Order C, as described in paragraphs (b)(1) through (b)(3) of this section. Order A must be used when the
agency has not established a reemployment list.

(1) Order A. (i) The name of each qualified preference eligible who has a compensable, service-connected disability of 10 percent or more and is entitled to 10-point preference under section 3309 of title 5, United States Code, in the order of his/her numerical ranking.

(ii) The name of each other qualified applicant in the order of his/her numerical ranking.

(2) Order B. (i) The name of each qualified preference eligible who has a compensable, service-connected disability of 10 percent or more and is entitled to 10-point preference under section 3309 of title 5, United States Code, and whose name appears on the agency’s reemployment list, in the order of his/her numerical ranking.

(ii) The name of each qualified preference eligible who has a compensable, service-connected disability of 10 percent or more and is entitled to 10-point preference under section 3309 of title 5, United States Code, and whose name appears on the agency’s regular employment list, in the order of his/her numerical ranking.

(iii) The name of each other qualified applicant on the agency’s reemployment list, in the order of his/her numerical ranking.

(iv) The name of each other qualified applicant on the agency’s regular employment list, in the order of his/her numerical ranking.

(3) Order C. (i) The name of each qualified preference eligible who has a compensable, service-connected disability of 10 percent or more and is entitled to 10-point preference under section 3309 of title 5, United States Code, and whose name appears on the agency’s reemployment list, in the order of his/her numerical ranking.

(ii) The name of each other qualified applicant on the agency’s reemployment list, in the order of his/her numerical ranking.

(iii) The name of each qualified preference eligible who has a compensable, service-connected disability of 10 percent or more and is entitled to 10-point preference under section 3309 of title 5, United States Code, and whose name appears on the agency’s regular employment list, in the order of his/her numerical ranking.

(iv) The name of each other qualified applicant on the agency’s regular employment list, in the order of his/her numerical ranking.

(4) Professional order. An agency shall consider applicants who have been assigned eligible ratings for professional and scientific positions at the GS-9 level and above, or equivalent, in the following order:

(i) Applicants on the agency’s reemployment list, if any. If numerical scores have been assigned, the applicants will be considered in the order of their augmented scores. If numerical scores have not been assigned, all preference eligibles will be considered together regardless of the type of preference, followed by all other priority reemployment candidates.

(ii) Applicants on the agency’s regular employment list. If numerical scores have been assigned, the applicants will be considered in the order of their augmented scores. If numerical scores have not been assigned, all preference eligibles will be considered together regardless of the type of preference, followed by all other candidates.

(5) Unranked order. When numerical scores are not assigned, the agency may consider applicants who have received eligible ratings for positions not covered by paragraph (b)(4) of this section in either of the following orders:

(i) By preference status. Under this method, preference eligibles having a compensable service-connected disability of 10 percent or more are considered first, followed, second, by other 10-point preference eligibles, third, by 5-point preference eligibles, and, last, by nonpreference eligibles. Within each category, applicants from the reemployment list will be placed ahead of applicants from the regular employment list.

(ii) By reemployment/regular list status. Under this method, all applicants on the reemployment list are considered before applicants on the regular employment list. On each list, preference eligibles having a compensable service-connected disability of 10 percent or more are considered first, followed, second, by other 10-point preference eligibles, third, by 5-point preference eligibles, and, last, by nonpreference eligibles.
§ 302.401 Selection and appointment.

(a) Selection. When making an appointment from a priority reemployment, reemployment, or regular list on which candidates have not received numerical scores, an agency must make its selection from the highest available preference category, as long as at least three candidates remain in that group. When fewer than three candidates remain in the highest category, consideration may be expanded to include the next category. When making an appointment from a list on which candidates have received numerical scores, the agency must make its selection for each vacancy from not more than the highest three names available for appointment in the order provided in §302.304. Under either method, an agency is not required to—

(1) Accord an applicant on its priority reemployment or reemployment list the preference consideration required by §302.304 if the list on which the applicant’s name appears does not contain the names of at least three preference eligibles; or

(2) Consider an applicant who has previously been considered three times or a preference eligible if consideration of his/her name has been discontinued for the position as provided in paragraph (b) of this section.

(b) Passing over a preference applicant. When an agency, in making an appointment as provided in paragraph (a) of this section, passes over the name of a preference eligible who is entitled to priority consideration under §302.304 and selects a nonpreference eligible, it shall record its reasons for so doing, and shall furnish a copy of those reasons to the preference eligible or his/her representative on request. An agency may discontinue consideration of the name of a preference eligible for a position if on three occasions the agency has considered him/her for the position and has passed over his/her name and recorded its reasons for so doing.

§ 302.402 Reappointment.

An agency may reappoint a current or former nontemporary employee of the executive branch of the Federal Government who is a preference eligible to a position covered by this part without regard to the names of qualified applicants on the agency’s priority reemployment, reemployment, or regular employment list.

§ 302.403 Qualifications for promotion.

In determining qualifications for promotion with respect to an employee who is a preference eligible, an agency shall waive:

(a) Requirements as to age, height, and weight unless the requirement is essential to the performance of the duties of the position; and

(b) Physical requirements if, in the opinion of the agency, after considering the recommendation of an accredited physician, the preference eligible is physically able to perform efficiently the duties of the position for which the promotion is proposed.

Subpart E—Appeals

§ 302.501 Entitlement.

An individual who is covered by 5 U.S.C. 8101(1) and is entitled to priority consideration under this part (see §302.103) may appeal a violation of his/her restoration rights to the Merit Systems Protection Board under the provisions of the Board’s regulations by presenting factual information that he or she was denied restoration rights because of the employment of another person.

§ 304.101 Coverage.

These regulations apply to the appointment of experts and consultants as Federal employees under 5 U.S.C. 3109. They do not apply to the appointments of experts and consultants under other employment authorities or to the procurement of services by contracts under the procurement laws.

§ 304.102 Definitions.

For purposes of this part:
(a) An agency is an executive department, a military department, or an independent agency.
(b) A consultant is a person who can provide valuable and pertinent advice generally drawn from a high degree of broad administrative, professional, or technical knowledge or experience. When an agency requires public advisory participation, a consultant also may be a person who is affected by a particular program and can provide useful views from personal experience.
(c) A consultant position is one that requires providing advice, views, opinions, alternatives, or recommendations on a temporary and/or intermittent basis on issues, problems, or questions presented by a Federal official.
(d) An expert is a person who is specially qualified by education and experience to perform difficult and challenging tasks in a particular field beyond the usual range of achievement of competent persons in that field. An expert is regarded by other persons in the field as an authority or practitioner of unusual competence and skill in a professional, scientific, technical or other activity.
(e) An expert position is one that requires the services of a specialist with skills superior to those of others in the same profession, occupation, or activity to perform work on a temporary and/or intermittent basis assigned by a Federal official. For example, a microbial contamination specialist may apply new test methods to identify bacteria on products, a computer scientist may adapt advanced methods to develop a complex software system, or a plate maker may engrave a novel design.
(f) Intermittent employment, as defined in part 340, subpart D, of this chapter, means employment without a regularly scheduled tour of duty.
(g) Temporary employment means employment not to exceed 1 year. An expert or consultant serving under a temporary appointment may have a full-time, part-time, seasonal, or intermittent work schedule.
(h) Employment without compensation means unpaid service that is provided at the agency’s request and is to perform duties that are unclassified. It is not volunteer service.

§ 304.103 Authority.

(a) Basic authority. (1) When authorized by an appropriation or other statute to use 5 U.S.C. 3109, an agency may appoint a qualified expert or consultant to an expert or consultant position that requires only intermittent and/or temporary employment. Such an appointment is excepted from competitive examination, position classification, and the General Schedule pay rates.
(2) An expert or consultant who works on a strictly intermittent basis may be appointed under this authority without time limit or for any period determined by the agency. All other experts and consultants must receive temporary appointments. Temporary experts and consultants may be re-appointed in the same agency only as provided in paragraph (c) of this section.
(b) Inappropriate use. An agency must not use 5 U.S.C. 3109 to appoint an expert or consultant:
(1) To a position requiring Presidential appointment. However, subject to the conditions of this part, an agency may appoint an individual awaiting final action on a Presidential appointment to an expert or consultant position.
(2) To a Senior Executive Service position (including an FBI or DEA Senior Executive Service position).
(3) To perform managerial or supervisory work (although an expert may act as team leader or director of the specific project for which he/she is hired), to make final decisions on substantive policies, or to otherwise function in the agency chain of command (e.g., to approve financial transactions, personnel actions, etc.).
§ 304.104 Determining rate of pay.

(a) The rate of basic pay for experts and consultants is set by administrative action. The head of an agency, or his or her designee, must determine the appropriate rate of basic pay on an hourly or daily basis, subject to the limitations described in section 304.105.

(b) The head of an agency, or his or her designee, shall consider the following factors in setting the initial rate of basic pay for an expert or consultant:

(1) The level and difficulty of the work to be performed;

(2) The qualifications of the expert or consultant;

(3) The pay rates of comparable individuals performing similar work in Federal or non-Federal sectors; and

(4) The availability of qualified candidates.

(c) An expert or consultant appointed under 5 U.S.C. 3109 may be employed without pay, provided the individual agrees in advance in writing to waive any claim for compensation for those services.

§ 304.105 Daily and biweekly basic pay limitations.

(a) Unless specifically authorized by an appropriation or other statute, agencies subject to chapter 51 and subchapter III of chapter 53 of title 5, United States Code, may not pay for any 1 day an aggregate amount of pay (including basic pay, locality pay under subpart F of part 531 of this chapter, and premium pay under subpart A of

...
part 550 of this chapter) that exceeds the daily equivalent of the highest rate payable under 5 U.S.C. 5332—that is, the daily rate for GS-15, step 10, under the General Schedule (excluding locality pay or any other additional pay). The daily rate is computed by dividing the annual GS-15, step 10, rate by 2,087 hours to find the hourly rate of pay and by multiplying the hourly rate of pay by 8 hours.

(b) Unless specifically authorized by an appropriation or other statute, an expert or consultant shall not be paid for any biweekly pay period an aggregate amount of pay (including basic pay, locality pay under subpart F of part 531 of this chapter, and premium pay under subpart A of part 550 of this chapter) in excess of the biweekly rate of pay for GS-15, step 10, under the General Schedule (excluding locality pay or any other additional pay). The biweekly rate is computed by dividing the annual GS-15, step 10, rate by 2,087 hours to find the hourly rate of pay and by multiplying the hourly rate of pay by 80 hours.

§ 304.106 Pay and leave administration.

(a) The employing agency has the authority to adjust the pay of experts and consultants after initial appointment and to establish appropriate policies governing the amount and timing of any such adjustments, subject to the limitations of §304.105. In addition to the factors listed in §304.104(b), the agency may consider factors such as job performance, contributions to agency mission, and the general pay increases granted to other Federal employees. Experts and consultants are not entitled to receive automatic adjustments in their rates of basic pay at the time of general pay increases under 5 U.S.C. 5303 unless specifically provided for in the official appointing document. In the absence of such automatic entitlement, any pay adjustments are at the agency’s discretion.

(b) Experts and consultants paid on a daily rate basis are not entitled to overtime pay under section 5542 of title 5, United States Code. Otherwise, experts and consultants qualify for premium pay under subchapter V of chapter 55 of title 5, United States Code, if they meet the applicable eligibility requirements (including the requirement that an employee have a regularly scheduled tour of duty, where applicable).

(c) Experts and consultants may be entitled to overtime pay under the Fair Labor Standards Act if they are non-exempt under OPM regulations implementing that Act for Federal employees. (See 5 CFR part 551).

(d) An expert or consultant may be paid for service on an intermittent basis in more than one expert or consultant position, provided the pay is not received for the same period of time (5 U.S.C. 5533(d)(1)).

(e) Experts and consultants are subject to the provisions of 5 U.S.C. 5332 on reduction of basic pay by the amount of annuity received.

(f) Experts and consultants are subject to the provisions of 5 U.S.C. 5332 on reduction of military pay.

(g) Experts and consultants with a regularly scheduled tour of duty (i.e., not intermittent) are entitled to sick and annual leave in accordance with chapter 63 of title 5, United States Code, and to pay for any holiday occurring on a workday on which they perform no work, provided that workday is part of the basic workweek. Those employed on an intermittent basis do not earn leave and are not entitled to paid holidays.

§ 304.107 Reports.

As required by 5 U.S.C. 3109(c), each agency shall report to the Office of Personnel Management on an annual basis:

(a) The number of days the agency employed each paid expert or consultant; and

(b) The total amount the agency paid each expert or consultant so employed. (Do not include payments for travel and related expenses.)

§ 304.108 Compliance.

(a) Each agency using 5 U.S.C. 3109 must establish and maintain a system of controls and oversight necessary to assure compliance with 5 U.S.C. 3109 and these regulations. The system must include—

(1) Appropriate training and information procedures to ensure that officials
and employees using the authority understand the statutory and regulatory requirements; and

(2) Appropriate provision for review of expert and consultant appointments.

(b) OPM will, as necessary—

(1) Review agency employment of experts and consultants and agency controls and oversight to determine compliance; and

(2) Issue instructions and guidance to agencies on employing experts and consultants and on reporting procedures.

(ii) A person who was discharged or released from active duty because of a service-connected disability.

(3) Eligible veteran means a person who:

(i) Served on active duty for a period of more than 180 days and was discharged or released therefrom with other than a dishonorable discharge; or

(ii) Was discharged or released from active duty because of a service-connected disability; or

(d) Veterans readjustment appointment (VRA) is an excepted appointment made after April 8, 1970, under this part, to a position otherwise in the competitive service of eligible veterans of the Vietnam era and the post-Vietnam era.

§ 307.102 Coverage and general responsibilities.

(a) Federal agencies have the responsibility to provide the maximum of employment and job advancement opportunities to eligible veterans of the Vietnam era and the post-Vietnam era who are qualified for such employment and advancement.

(a) An agency may appoint any veteran who served on active duty after August 4, 1964, who meets the basic veterans readjustment eligibility provided by law.

a person for appointment in the competitive service also disqualifies a person for a veterans readjustment appointment.

[60 FR 3058, Jan. 13, 1995]

§ 307.104 Appeal rights.

A veterans readjustment appointment (VRA) is an excepted appointment to a position otherwise in the competitive service. Veterans readjustment appointees have the same appeal rights as excepted service employees under parts 432 and 752 of this chapter, except the appointees are also entitled to limited appeal protection during their 1st year of service as set forth in §315.806 of this chapter. This means that a VRA appointee with more than 1 year of current continuous service, who is also a preference eligible, can appeal an adverse action to the Merit Systems Protection Board. Non-preference eligibles serving under VRA appointments do not get such protection until they are converted to the competitive service.

(3) Substantially continuous service. A single break in creditable service of more than 30 calendar days will require the beginning of a new 3-year period, except for:

(i) Breaks incident to entry into or return from military service and return from defense transfer, provided the person is reemployed in Federal service during his or her period of statutory or regulatory restoration or reemployment rights;

(ii) Breaks incident to transfer to and from an international organization, provided the person is reemployed in Federal service under subpart C of part 352 of this chapter;

This provision applies to Peace Corps, VISTA, or other ACTION full-time programs that are potentially creditable in subsequent Federal employment for length of service for leave, reduction in force, and retirement purposes;

(viii) Breaks incident to employment in a nonfederal organization that occurred because a Federal function was transferred to the organization by law, provided the employee moved as a result of the transfer of function without a break in service of more than 3 days to the nonfederal organization and is reemployed by nontemporary appointment in the competitive service without a break in service of more than 30 calendar days after separation from the nonfederal organization;

(ix) Employment with the District of Columbia Government after January 1, 1960 (the date the District implemented an independent merit personnel system not tied to the Federal system), provided the person was a District employee on December 31, 1979, was converted to the District system on January 1, 1980, and is reemployed by nontemporary appointment in the competitive service without a break in service of more than 30 calendar days after separation from District employment; and

(x) Breaks that occur when a career-conditional employee leaves Federal employment to accompany a spouse or parent (if the employee is their unmarried child under 21 years of age) who is a member of the Armed Forces or a Federal civilian employee on official assignment to an overseas post of duty, provided the employee’s separation from employment occurs no more than 90 calendar days prior to going overseas and reinstatement occurs while overseas or within 180 calendar days of return to the United States. Overseas posts of duty are duty locations outside the 50 States of the United States, the District of Columbia, Guam, Puerto Rico, and the Virgin Islands.

(4) Crediting service. An employee’s creditable service must total 3 years, under the following conditions.

(i) Work schedule. (A) Full-time service, and part-time service on or after July 1, 1962, are counted as calendar time from the date of appointment to date of separation.

(B) Intermittent service on or after July 1, 1962 is counted as 1 day for each day an employee is in pay status, regardless of the number of hours for which the employee is actually paid on a given day. For this purpose, 780 days in pay status are equivalent to 3 years’ service, but the service requirement may not be satisfied in less than 3 years of calendar time.

(C) Part-time and intermittent service before July 1, 1962, is counted based on the number of hours actually employed, including any paid leave. For this purpose, 6,240 hours of paid time are equivalent to 3 years’ service, but the service requirement may not be satisfied in less than 3 years of calendar time.

(ii) Nonpay status on the rolls and time off the rolls. No credit is given for periods of nonpay status and time off the rolls, except under the following conditions:

(A) Credit is given for the first 30 calendar days of each period of nonpay status on the rolls during full-time employment, or during part-time employment on or after July 1, 1962. On this
same basis, a seasonal employee receives credit for the first 30 calendar days of each period of nonduty/nonpay status. Nonpay status in excess of 30 days extends the 3-year waiting period by the amount of the excess;

(B) Full credit is given for periods of nonpay status and time off the rolls incident to entry into and return from military service and return from defense transfer, provided the person is reemployed in Federal service during the period of his or her statutory or regulatory restoration or reemployment rights;

(C) Full credit is given for periods of nonpay status and time off the rolls incident to transfer to and return from an international organization, provided the person is reemployed in Federal service under subpart C of part 352 of this chapter;

(D) Full credit is given for periods of nonpay status during which an employee was eligible to receive continuation of pay or injury compensation under the Office of Workers’ Compensation Programs. Full credit also is given for periods of time off the rolls during which an employee was eligible to receive injury compensation under the Office of Workers’ Compensation Programs, provided the person is reemployed under part 353 of this chapter.

(E) Credit is given for up to 30 calendar days for time off the rolls that follows separation by reduction in force of employees who are eligible for entry on the reemployment priority list under subpart B of part 330 of this chapter, provided the person is reemployed in Federal service during the period of his or her reemployment priority; and

(F) Credit is given for up to 30 calendar days for time off the rolls that follow involuntary separation without personal cause of employees who are eligible for a noncompetitive appointment based on an interchange agreement with another merit system under §6.7 of this chapter, provided the person is employed in the competitive service under the agreement during the period of his or her eligibility.

(iii) Restoration based on unwarranted or improper actions. (A) Based on a finding made before March 30, 1966, that a furlough, suspension, or separation was unwarranted or improper, an employee restored to duty receives full calendar time credit for the period of furlough, suspension, or separation if he or she was eligible to receive retroactive pay under 5 U.S.C. 5591–93 (formerly Pub. L. 90–623) or 5 U.S.C. 5594 (formerly Pub. L. 81–733).

(B) Based on a finding made on or after March 30, 1966, that a furlough, suspension, or separation was unwarranted or improper, an employee restored to duty receives full calendar time credit for the period of furlough, suspension, or separation for which he or she is eligible to receive back pay. If the employee is restored to duty at a date later than the original adverse action, credit for intervening periods of nonpay status or breaks in service is given in accordance with other provisions of this subsection. If the employee had been properly separated from the rolls of the agency before a finding was made that the adverse action was unwarranted or improper, the correction and additional service credit given the employee may not extend beyond the date of the proper separation.

(iv) Intervening service. Certain types of service that ordinarily are not creditable are counted when they intervene between two periods of creditable service without a single break in service in excess of 30 calendar days, excepted as provided in subparagraph (H) of this paragraph. Under these conditions, credit is given for periods of service:

(A) In the excepted service of the Federal executive branch, including employment in nonappropriated fund positions in or under any Federal agency;

(B) Under temporary, term, or other nonpermanent employment in the Federal competitive service;

(C) In the Senior Executive Service;

(D) In the Federal legislative branch;

(E) In the Federal judicial branch;

(F) In the armed forces;

(G) In the District of Columbia Government through December 31, 1979. For an employee on the District rolls on December 31, 1979, who converted on January 1, 1980, to the District independent personnel system, credit also is given for service between January 1, 1980, and September 25, 1980. Otherwise, service in the District of Columbia
§ 315.202 Government on or after January 1, 1980, is not creditable as intervening service; and

L. 93–113), or as a full-time community volunteer (including criminal justice volunteer, volunteer in justice, and VET REACH volunteer) under part C of title I of Pub. L. 93–113. To be qualifying under this section VISTA and community volunteer service must total at least 1 year. In addition, a community volunteer must have served prior to October 1, 1976.

(b) Time limit. An agency in the executive branch may make an appointment under this section only within 1 year after the person completes the qualifying service. (For Community volunteers who have completed their service before March 10, 1978, the 1-year period begins on March 10, 1978.) However, an agency may extend the period for 2 more years to a total of 3 years if the person, after the qualifying service, is:

(c) Conditions. Any law, Executive order, or regulation that disqualifies
§ 315.608 Noncompetitive appointment of certain former overseas employees.

(a) Authority. An executive branch agency may noncompetitively appoint, to a competitive service position within the United States (including Guam, Puerto Rico, and the Virgin Islands), an individual who has completed 52 weeks of creditable overseas service as defined in paragraph (b) of this section and is appointed within the time limits in paragraph (d) of this section. Any law, Executive order, or regulation that disqualifies an applicant for appointment in the competitive service,
such as the citizenship requirement, also disqualifies the applicant for appointment under this section. An individual may be appointed to any occupation and grade level for which qualified. An agency may waive any requirement for a written test after determining that the duties and responsibilities of the applicant’s overseas position were similar enough to make the written test unnecessary.

(1) **Tenure.** A person appointed under this section becomes a career-conditioned employee unless he or she has already satisfied the requirements for career tenure or is exempt from the service requirement in 5 CFR 315.201.

(2) **Competitive status.** A person appointed under this section acquires competitive status automatically upon completion of probation.

(b) **Creditable overseas service.** For purposes of this section only, creditable service is service in an appropriated fund position(s) performed by a family member under a local hire appointment(s) overseas during the time the family member was accompanying a sponsor officially assigned to an overseas area and for which the family member received a fully successful or better (or equivalent) performance rating. Creditable overseas service is computed in accordance with the procedures in the OPM Guide to Processing Personnel Actions. Creditable service may have been under more than one appointment and need not be continuous. Leave without pay taken during the time an individual is in the overseas area is credited on the same basis as time worked.

(c) **Service waiver.** Up to 26 weeks of the 52-week service requirement is waived when the head of an agency (or designee) that employed the family member overseas certifies that the family member’s expected 52 weeks of employment were cut short because of a nonpersonal situation that necessitated the relocation of the family member from the overseas area. The certification must include the number of weeks waived. For this purpose, a nonpersonal situation includes disaster, conflict, terrorism or the threat of terrorism, and those situations when a family member is forced to return to the United States because of military deployment, drawdowns, or other management-initiated actions. A nonpersonal situation does not include circumstances that specifically relate to a particular individual, for example, ill health or personal interest in relocating.

(d) **Time limit on eligibility.** An individual is eligible for appointment(s) under this authority for a period of 3 years following the date of returning from overseas to the United States to resume residence or until March 31, 1998, whichever date is later. An agency may extend an individual’s appointment eligibility beyond 3 years for periods equivalent to—

(1) The time the individual was accompanying a sponsor on official assignment to an area of the United States with no significant opportunities for Federal employment; or

(2) The time an individual was incapacitated for employment.

(e) **Definitions.** In this section terms have the following meaning:

(1) **Family member.** An unmarried child under age 23 or a spouse. An individual must have been a family member at the time he or she met the overseas service requirement and other conditions but does not need to be a family member at the time of noncompetitive appointment in the United States.

(ii) **Officially assigned.** Under active orders issued by the United States Government.

(ii) **Federal civilian employee.** An employee of the executive, judicial, or legislative branch of the United States Government who serves in an appropriated fund position.

(4) Conversion is initiated either before the expiration of the register or during a period of continuous service since the employee was reached; and

(1) Complete a total of at least 3 years of service in such a position under one or more such appointments without a break in service of more than 30 calendar days or without an interruption by nonqualifying service of more than 30 calendar days;

§ 315.710 Professional and administrative career employees serving under Schedule B appointments.

serve a new probationary period, but, if separated during probation, is required to complete the probationary period in the new position.

(d) Upon noncompetitive appointment to the competitive service under the Postal Reorganization Act (39 U.S.C. 101 et seq.), an employee of the Postal Career Service (including substitute and part-time flexible) who has not completed 1 year of Postal service, must serve the remainder of a 1-year probationary period in the new agency. 

(e) A person who is appointed to the competitive service either by special appointing authority or by conversion under subparts F or G of this part serves a 1-year probationary period unless specifically exempt from probation by the authority itself.

§ 315.802 Length of probationary period; crediting service.

(a) The probationary period required by §315.801 is 1 year and may not be extended.

(b) Prior Federal civilian service (including nonappropriated fund service) counts toward completion of probation when the prior service:

(1) Is in the same agency, e.g., Department of the Army;

(2) Is in the same line of work (determined by the employee’s actual duties and responsibilities); and

(3) Contains or is followed by no more than a single break in service that does not exceed 30 calendar days.

(c) Periods of absence while in a pay status count toward completion of probation. Absence in nonpay status while on the rolls (other than for compensable injury or military duty) is creditable up to a total of 22 workdays. Absence (whether on or off the rolls) due to compensable injury or military duty is creditable in full upon restoration to Federal service. Nonpay time in excess of 22 workdays extends the probationary period by an equal amount. An employee serving probation who leaves Federal service to become a volunteer with the Peace Corps or the Corporation for National and Community Service serves the remainder of the probationary period upon reinstatement provided the employee is reinstated within 90 days of termination of service as a volunteer or training for such service. 

(d) The probationary period for part-time employees is computed on the basis of calendar time, in the same manner as for full-time employees. For intermittent employees, i.e., those who do not have regularly scheduled tours of duty, each day or part of a day in pay status counts as 1 day of credit toward the 260 days in a pay status required for completion of probation. 

(However, the probationary period cannot be completed in less than 1 year of calendar time.)

[60 FR 53504, Oct. 16, 1995]

§ 315.803 Agency action during probationary period (general).

The agency shall utilize the probationary period as fully as possible to determine the fitness of the employee and shall terminate his services during this period if he fails to demonstrate fully his qualifications for continued employment.

§ 315.804 Termination of probationers for unsatisfactory performance or conduct.

(a) When an agency decides to terminate an employee serving a probationary or trial period because his work performance or conduct during this period fails to demonstrate his fitness or his qualifications for continued employment, it shall terminate his services by notifying him in writing as to why he is being separated and the effective date of the action. The information in the notice as to why the employee is being terminated shall, as a minimum, consist of the agency’s conclusions as to the inadequacies of his performance or conduct.

(b) Probation ends when the employee completes his or her scheduled tour of duty on the day before the anniversary date of the employee’s appointment. For example, when the last workday is a Friday and the anniversary date is the following Monday, the probationer must be separated before the end of the tour of duty on Friday since Friday would be the last day the
employee actually has to demonstrate fitness for further employment.

§ 315.902 Definitions.

Office of Personnel Management

(c) On improper procedure. A probationer whose termination is subject to §315.805 may appeal on the ground that his termination was not effected in accordance with the procedural requirements of that section.

(d) An employee may appeal to the Board under this section a termination which the employee alleges was based on discrimination because of race, color, religion, sex, or national origin; or age (provided that at the time of the alleged discriminatory action the employee was at least 40 years of age); or handicapping condition if the individual meets the definition of “handicapped person” as set forth in regulations of the Equal Employment Opportunity Commission at 29 CFR 1613.702(a). An appeal alleging a discriminatory termination may be filed under this subsection only if such discrimination is raised in addition to one of the issues stated in paragraph (b) or (c) of this section.

Subpart I—Probation on Initial Appointment to a Supervisory or Managerial Position

SOURCE: 44 FR 4811, July 31, 1979, unless otherwise noted.

§ 315.901 Statutory requirement.

5 U.S.C. 3321 provides for “a period of probation . . . before initial appointment as a supervisor or manager becomes final.” It also says that a supervisor or manager “who does not satisfactorily complete the probationary period . . . shall be returned to a position of no lower grade and pay than the position from which the individual was transferred, assigned or promoted.” This subpart contains OPM regulations implementing those requirements of law.

§ 315.902 Definitions.

In this subpart supervisory position and managerial position have the meaning given them by the General Schedule Supervisory Guide.

[60 FR 33505, Oct. 16, 1995]
§ 315.903 Coverage.

This subpart applies to appointments and positions without time limitation in the competitive civil service. Agencies may, at their option, apply these provisions to time-limited appointments and positions. This subpart does not apply to appointments or positions in the Senior Executive Service.

§ 315.904 Basic requirement.

(a) An employee is required to serve a probationary period prescribed by the agency upon initial appointment to a supervisory and/or managerial position.

(b) An employee is required to complete a single probationary period in a supervisory position and a single probationary period in a managerial position, regardless of the number of agencies, occupations, or positions in which the employee serves. However, an agency may by regulation provide for exceptions to the probationary period for managers who have satisfactorily completed a probationary period for supervisors when justified on the basis of performance and experience.

(c) Employees who, as of the date this requirement is effective, are serving or have served in Federal civilian supervisory or managerial positions without time limitation, or in time-limited supervisory or managerial positions under an official assignment exceeding 120 days, are exempt from its provisions, except that supervisors who are assigned to managerial positions may, according to agency regulations, be required to serve a probationary period for managers.

§ 315.905 Length of the probationary period.

The authority to determine the length of the probationary period is delegated to the head of each agency, provided that it be of reasonable fixed duration, appropriate to the position, and uniformly applied. An agency may establish different probationary periods for different occupations or a single one for all agency employees.

§ 315.906 Crediting service toward completion of the probationary period.

(a) An employee who is reassigned, transferred, or promoted to another supervisory or managerial position while serving a probationary period under this subpart is subject to the probationary period prescribed for the new position. Service in the former position counts toward completion of the probationary period in the new position. If the former position was supervisory and the new position managerial, service counts in the manner prescribed by agency regulation.

(b) Service on detail, temporary promotion, or reassignment to another supervisory or managerial position while serving probation is creditable toward completion of probation. Service in a nonsupervisory or nonmanagerial position is not creditable.

(c) Absence in nonpay status while on the rolls (other than for compensable injury or military duty) is creditable up to a total of 22 workdays. Absence (whether on or off the rolls) due to compensable injury or military duty is creditable in full upon restoration to Federal service. Nonpay time in excess of 22 workdays extends the probationary period by an equal amount.

(d) Service during a probationary period from which an employee was separated or demoted for performance or conduct reasons does not count toward completion of probation required under a subsequent appointment. In other situations in which an employee does not complete probation, service is creditable as determined by agency policy.

(e) Temporary service in a supervisory or managerial position under temporary appointment, promotion, or reassignment prior to probation is creditable as determined by agency policy. Prior service under a detail may be credited only when a detail to a supervisory or managerial position is made permanent without a break in service.

[44 FR 44811, July 31, 1979, as amended at 60 FR 53505, Oct. 16, 1995]
§ 315.907 Failure to complete the probationary period.

(a) Satisfactory completion of the prescribed probationary period is a prerequisite to continued service in the position. An employee who, for reasons of supervisory or managerial performance, does not satisfactorily complete the probationary period is entitled to be assigned, except as provided in paragraph (b) of this section, to a position in the agency of no lower grade and pay than the one the employee left to accept the supervisory or managerial position.

(b) A nonsupervisory or nonmanagerial employee who is demoted into a position in which probation under § 315.904 is required and who, for reasons of supervisory or managerial performance, does not satisfactorily complete the probationary period is entitled to be assigned to a position at the same grade and pay as the position in which he or she was serving probation. The employee is eligible for reappointment in accordance with agency promotion policy.

(c) The agency must notify the employee in writing that he or she is being assigned in accordance with this section.

§ 315.908 Appeals.

(a) An employee who, in accordance with the provisions of this subpart, is assigned to a nonmanagerial or non-supervisory position, has no appeal right.

(b) An employee who alleges that an agency action under this subpart was based on partisan political affiliation or marital status, may appeal to the Merit Systems Protection Board.

§ 315.909 Relationship to other actions.

(a) If an employee is required to concurrently serve both a probationary period under this subpart and a probationary period under subpart H of this part, the latter takes precedence and completion of the probationary period for competitive appointment and fulfills the requirements of this subpart.

(b) An action which demotes an employee to a lower grade than the one the employee left to accept the supervisory or managerial position, and an action against an employee for reasons other than supervisory or managerial performance, is governed by part 432 or part 752 procedures, whichever is applicable. If the employee believes an action under this subpart was based on improper discrimination or other prohibited practices under 5 U.S.C. 2302, he or she may appeal to the Merit Systems Protection Board or the Equal Employment Opportunity Commission, as appropriate.

The agency must follow the provisions of part 333 of this chapter when making a TAPER appointment.
(b) Specific authority for Worker-Trainee positions. Agencies may make TAPER appointments to positions at GS–1, WG–1, and WG–2 and may reassign or promote the appointees to other positions through grade GS–4, WG–5, or equivalent grades in the Federal Wage System consistent with § 330.501 of this chapter. (1) Reinstatement under § 315.401 of this chapter;
(2) Veterans readjustment appointment (VRA) under § 307.103 of this chapter. Term appointments under this section are permitted only at the grade levels authorized for VRA appointments. (4) Appointment under 5 U.S.C. 3112 (veterans with compensable service-connected disability of 30% or more). The disability must be documented by a notice of retirement of discharge due to service-connected disability from active military service dated at any

Reappointment must be to a position in the same agency appropriate for filling under term appointment and for which the individual qualifies. Combined service under the original term appointment and reappointment must not exceed the 4-year limit; or

(8) Conversion in the same agency from a current temporary appointment when the employee is or was within reach on a certificate of eligibles for term appointment at any time during service in the temporary position. Within reach means that the person could have been selected for the position under competitive hiring procedures, including veterans’ preference. The certificate must have been actually used for term appointment. The person must have been continuously employed in the position from the date found within reach to the date converted to a term appointment.

(c) Term employees are eligible for an extension of their appointment in accordance with the time limits in §316.301 even if their eligibility for non-competitive appointment expires or is lost during the period they are serving under term employment.

(1) To fill a short-term position (i.e., one that is not expected to last longer than 1 year);

(2) To meet an employment need that is scheduled to be terminated within the timeframe set out in paragraph (c) of this section for such reasons as abolishment, reorganization, or contracting of the function, anticipated reduction in funding, or completion of a specific project or peak workload; or

(3) To fill positions on a temporary basis when the positions are expected to be needed for placement of permanent employees who would otherwise be displaced from other parts of the organization.

(b) Certification of appropriate use. The supervisor of each position filled by temporary appointment must certify that the employment need is truly temporary and that the proposed appointment meets the regulatory time limits. This certification may constitute appropriate documentation of compliance with the limits set out in paragraph (c) of this section. The reason(s) for making a temporary limited appointment must be stated on the form documenting each such appointment.

(c) Time limits—general. (1) An agency may make a temporary appointment for a specified period not to exceed 1
§ 316.402 Procedures for making temporary appointments.

(a) Competitive temporary appointments. In accordance with the time limits in §316.401, an agency may make a temporary appointment under 5 CFR part 332 competitive procedures or under 5 CFR part 333 “outside-the-register” procedures when there are insufficient eligibles on the appropriate register.

(b) Noncompetitive temporary appointments. In accordance with the time limits in §316.401, an agency may give a noncompetitive temporary appointment, without regard to the requirements of parts 332 and 333 of this chapter, to an individual who is qualified for the position and who is eligible for:

(1) Reinstatement under §315.401 of this chapter;

(2) Veterans readjustment appointment under §307.103 of this chapter.

Temporary limited appointments under this section are permitted only at the grade levels authorized for VRA appointments. Such appointments are not VRA appointments and do not lead to conversion to career-conditional appointment;

(3) Career-conditional appointment under §§315.601, 315.604, 315.605, 315.606, 315.607, 315.608, 315.609, or 315.711 of this chapter;

(4) Appointment under 5 U.S.C. 3112 (veterans with compensable service-connected disability of 30% or more). The disability must be documented by a notice of retirement of discharge due to service-connected disability from active military service dated at any time, or by a notice of compensable disability rating from the Department of Veterans Affairs, dated within the last 12 months;

(5) Appointment under 31 U.S.C. 732(g) for current and former employees of the General Accounting Office;

(6) Appointment under 28 U.S.C. 602 for current and former employees of
the Administrative Office of the U.S. Courts;

(7) Reappointment on the basis of being a former temporary employee of the agency who was originally appointed from a certificate of eligibles or under the provisions of part 333 of this chapter. An agency may not reappoint a former temporary employee if the individual has already served the maximum time allowed in §316.401 or if the position has been filled under temporary appointment for the maximum time allowed in §316.401. Reappointment must be to the same position or another position appropriate for temporary appointment with the same qualification requirements;

(8) Reappointment on the basis of being a former temporary employee who was originally appointed from a certificate of eligibles or under the provisions of part 333 of this chapter and who sustained a compensable injury while serving on the temporary appointment. Reappointment must be to the same position or another position appropriate for temporary appointment with the same qualification requirements. If the compensable injury disqualifies the former individual from performing such a position, reappointment may be to any position for which the individual is qualified. Reappointment must be for a minimum of 120 days.

(c) Extension of temporary appointments. An individual who receives a valid temporary appointment will be eligible for an extension in accordance with §316.401 even if his or her eligibility for noncompetitive appointment expires or is lost during the authorized period of temporary employment.

[63 FR 6784, Nov. 17, 1998]

§316.403 Designation of provisional appointments.

(a) Conditions for designation. An agency may designate a temporary appointment as a provisional appointment only when all of the following conditions are met:

(1) The appointment is made to fill a continuing position by a provisional appointment leading to permanent appointment when the position must be filled more quickly than would be possible under the procedures required for nontemporary appointment or when such a provisional appointment is a requirement of the applicable authority;

(2) The agency must have current budgetary and appointing authority for the nontemporary appointment (assuming satisfactory completion of the required procedures); and

(3) The agency must have a specific intention to convert the appointee to a nontemporary appointment under appropriate authority before the expiration of the temporary appointment, must state this intention in any written offer of employment and document this intention as part of the permanent record of the initial appointment in accordance with instructions issued by OPM in the Federal Personnel Manual.

(b) Authority for provisional appointments. Provisional appointments must be made under an authority established by law, Executive order, or regulation or granted by OPM. Appointments which may be treated as provisional appointments under this paragraph may be made under any appropriate authority, including, but not limited to:

(1) Noncompetitive temporary appointments of disabled veterans under §316.402(b)(5), when the appointments are intended to afford eligibility for conversion in accordance with §315.707 of this chapter and section 3112 of title 5, United States Code;

(2) Temporary appointments of nurses in the Department of Veterans Affairs, when the appointments are made under the provisions of section 4114 of title 38, United States Code, with the intention of converting the appointees to continuing appointments as soon as the appointees obtain required State certification or registration and/or the agency completes necessary verification of references;

(3) Temporary transitional Schedule C appointments made under §213.3302 of this chapter, when the appointees are to be converted to nontemporary Schedule C appointments upon OPM approval and completion of necessary clearances.

(4) Senior Executive Service limited term and limited emergency appointments made under §317.601 of this chapter.
§316.601 Appointment without competitive examination in rare cases.

(a) An agency may make an appointment without competitive examination when:
   (1) The duties and compensation of the position are such, or qualified persons are so rare, that in the interest of good civil service administration the position cannot be filled through open competitive examination;
   (2) The person to be appointed meets all applicable qualification requirements for the position; and
   (3) The appointment is specifically authorized by the Office or is made under an agreement between the agency and the Office providing for such appointments.

(b) A person appointed under paragraph (a) of this section does not acquire a competitive status on the basis of that appointment.

(c) When a position filled under paragraph (a) of this section becomes vacant, the agency may fill the vacancy by another appointment under paragraph (a) of this section only if the conditions of paragraph (a)(3) of this section are again met.

[44 FR 55132, Sept. 25, 1979]
(b)(1) When an agency retains an employee under paragraph (a) of this section who was serving in an excepted position under an indefinite appointment or an appointment without time limit, the agency gives the employee a status quo appointment and may convert that employee’s appointment to career or career-conditional under §315.701 of this chapter.

(2) When the agency decides not to effect conversion under §315.701 of this chapter, or the employee fails to qualify for conversion, the agency, in its discretion, may retain the employee as a status quo employee.

c) An employee who was serving under an excepted appointment limited to 1 year or less may be retained as a temporary employee under paragraph (a) of this section until the scheduled expiration date of the employee’s excepted appointment. Extension of the employee’s temporary appointment beyond that date will be subject to the provisions of §316.402.

d) An employee who was serving under an excepted appointment with a definite time limit longer than 1 year may be retained under a term appointment. The term appointment is subject to all conditions and time limits applicable to term appointments. Service under excepted appointment does not count against the maximum time limit for term appointment in the competitive service.

Subpart E—Career Appointments

SOURCE: 54 FR 9758, Mar. 8, 1989, unless otherwise noted.

§ 317.501 Recruitment and selection for initial SEC career appointment

be achieved from the brightest and most diverse pool possible.

(a) Executive Resources Board (ERB). The head of each agency shall appoint one or more ERBs from among employees of the agency or commissioned officers of the uniformed services serving on active duty in the agency. The ERB shall, in accordance with the requirements of this section, conduct the merit staffing process for initial SES career appointment.

(b) Recruitment. (1) As a minimum, the source of recruitment to fill a SES position by career appointment must include all groups of qualified individuals within the civil service (as defined by 5 U.S.C. 2101). It may also include qualified individuals outside the civil service.

(2) Announcements of SES vacancies to be filled by initial career appointment must be included in the OPM SES vacancy announcement system for at least 14 calendar days, including the date of publication.

(c) Merit staffing requirements. As a minimum, agencies must—

(1) Provide that competition be fair and open, that all candidates compete and be rated and ranked on the same basis, and that selection be based solely on qualifications and not on political or other non-job-related factors. If
§ 317.502 Qualifications Review Board certification.

(a) A Qualification Review Board (QRB) convened by OPM must certify the executive/managerial qualifications of a candidate before initial career appointment may be made to an SES position. More than one-half of the members of a QRB must be SES career appointees.

(b) Agency requests for certification of a candidate by a QRB must contain such information as prescribed by OPM, including evidence that merit staffing procedures were followed and that the appointing authority has certified the candidate’s qualifications for the position.

(c) Qualifications Review Board certification of executive qualifications just be based on demonstrated executive experience; successful completion of an OPM-approved candidate development program; or possession of special or unique qualities that indicate a likelihood of executive success. Any existing time limit on a previously approved certification is removed.

(d) OPM may determine the disposition of agency QRB requests where the QRB has not yet acted if the agency head leaves office or announces an intention to leave office, if the President
has nominated a new agency head, or if there is a Presidential transition.

(e) An action to convert a “noncareer-type” employee to a career SES appointment in the employee’s current position or a successor to that position will not be forwarded to a QRB. A “noncareer-type” employee includes a noncareer SES appointee, a Schedule C appointee, or equivalent.

(f) A new QRB certification is required for an individual to be reappointed as an SES career appointee following separation of the individual from an SES career appointment if:

(1) The individual was removed during the SES probationary period for performance or disciplinary reasons; or

(2) The individual completed an SES probationary period, or did not have to serve one, and was removed for a reason that made the individual ineligible for reinstatement to the SES under subpart G of this part.

§ 317.503 Probationary period.

(a) An individual’s initial appointment as an SES career appointee becomes final only after the individual has served a 1-year probationary period as a career appointee; there has been an assessment of the appointee’s performance during the probationary period; and the appointing authority, or his or her designee, has certified that the appointee performed at the level of excellence expected of a senior executive during the probationary period.

(b) When a career appointee’s executive qualification has been certified by a Qualifications Review Board on the basis of special or unique qualities, as described in §317.502(c), the probationary assessment must address any executive development activities the agency identified in support of the request for QRB certification.

(c) The probationary period begins on the effective date of the personnel action initially appointing the individual to the SES as a career appointee and ends one calendar year later.

(d) The following conditions apply to crediting service towards completion of the probationary period.

(1) Time on leave with pay while in an SES position is credited. Earned leave for which the employee is compensated by lump-sum payment upon separation is not credited.

(2) Time in a nonpay status while in an SES position is credited up to a total of 30 calendar days (or 22 workdays). After 30 calendar days, the probationary period is extended by adding to it time equal to that served in a nonpay status.

(3) Time absent on military duty or due to compensable injury is credited upon restoration to the SES when no other break in SES service has occurred.

(4) Time following transfer to an SES position in another agency is credited, i.e., the individual does not have to start a new probationary period.

(e) Removal of a career appointee during the probationary period is covered by subpart D of part 359 of this chapter.

(f) A career appointee who resigns or is removed from the SES before completion of the probationary period may not receive another SES career appointment unless selected under SES merit staffing procedures. The individual, however, need not be recertified by a QRB unless the individual was removed for performance or disciplinary reasons.

(g) An individual who separated from the SES during the probationary period and who has been out of the SES more than 30 calendar days must serve a new 1-year probationary period upon reappointment and may not credit previous time in a probationary period. In the following situations, however, there is an exception and the individual is only required to complete the remainder of the previously served probationary period.

(1) The individual left the SES without a break in service for a Presidential appointment and is exercising reinstatement rights under 5 U.S.C. 3593(b).

(2) The individual left the SES without a break in service for other civilian employment that provides a statutory or regulatory reemployment right to the SES when no other break in service occurred.
§ 317.504 Agency recertification.

(a) General. (1) Section 3393a of title 5, U.S.C., provides that each career SES appointee shall be subject to recertification by his or her employing agency “to ensure that the performance of career appointees demonstrates the excellence needed to meet the goals of the Senior Executive Service as set forth in section 3131 * * *.”

(2) For purposes of this section, “agency” is an executive agency as defined in 5 U.S.C. 105 or a military department as defined in 5 U.S.C. 102.

(b) Coverage. (1) This section covers SES career appointees who have been continuously employed in the SES for the 156 weeks preceding the end of the recertification period. One or more breaks in SES service of a total of 6 months or less do not interrupt the 156 weeks of continuous employment.

(2) This section does not apply to SES noncareer, limited emergency, or limited term appointees. It also does not apply to former SES career appointees who took Presidential appointments with Senate confirmation and elected to retain SES benefits under subpart H of this part.

(c) When recertification takes place. (1) The initial recertification shall take place in calendar year 1991. Future recertifications shall take place every 3rd calendar year thereafter.

(2) The agency head shall determine when in the calendar year recertification shall take place and shall establish a date for calculating the 156-week employment period. Recertification may take place at different times during the calendar year for different components within the agency. For recertification actions in calendar year 1991, agencies must consider performance during the annual performance appraisal period ending in calendar year 1991 unless an exception is granted by OPM.

(3) If an individual is recertified in one agency and then transfers to another agency during the calendar year, the individual is not subject to recertification in the new agency. If an individual transfers to another agency during the calendar year and no recertification decision was made in the old agency, a recertification decision must be made in the new agency.

(d) Standard for recertification. (1) To be recertified, the career appointee must perform at the level of excellence expected of a senior executive. Excellence means that the executive has demonstrated over the recertification period that he or she has achieved excellence:

(i) Planning for, substantially advancing, and attaining Presidential, agency, or organizational goals and objectives that required a sustained superior effort;

(ii) Taking specific initiatives that advanced a major policy and/or significantly improved delivery of services;

(iii) Taking the necessary actions to ensure the achievement of a quality product in a timely manner;

(iv) Making significant technical, scientific, or professional contributions; and, as appropriate

(v) Achieving substantial savings in the execution of programs under his or her direction;

(vi) Maintaining the high quality and effectiveness of a program under his or her direction with reduced resources; and/or

(vii) Providing strong leadership to enhance the development, utilization and achievements of subordinate personnel, including achievement of equal employment opportunity goals.

(2) Agencies may add other criteria, as appropriate, in their written recertification procedures.

(e) Recommendation by the supervising official. (1) The supervising official of the career appointee shall submit to an agency Performance Review Board established under 5 U.S.C. 4314 a written recommendation whether the career appointee’s performance justifies recertification as a senior executive. The recommendation shall be based on the executive’s overall performance over the 3 preceding years in relation to the
standard for recertification in paragraph (d), including consideration of such factors as the career appointee’s performance ratings, any award or other recognition received by the appointee, any developmental activities of the appointee, or other relevant qualitative factors.

(2) The recommendation shall reflect the official’s view whether the appointee’s overall performance for the preceding 3 years has demonstrated the excellence expected of a senior executive as defined in paragraph (d) of this section in relation to the written performance requirements for the career appointee’s senior executive position.

(3) The appointee shall be given a copy of the recommendation and advised of the right to submit to the Performance Review Board a statement of accomplishments and other documentation giving evidence of the quality of the appointee’s performance in relation to the standards set forth in paragraph (d) of this section.

(4) Recommendation by the Performance Review Board. (1) More than one-half of the members of the Board shall consist of SES career appointees, unless OPM determines that there exists an insufficient number of career appointees available to comply with this requirement. Board members may not take part in any deliberations or actions regarding recommendations on their own recertification.

(2) After receiving the recommendation of the supervising official and any information provided by the career appointee under paragraph (e)(3) of this section, the Board shall submit to the appointing authority a recommendation whether the appointee should be recertified, conditionally recertified, or not recertified for continued employment as a senior executive in the SES.

(3) If the Board proposes to recommend conditional recertification or non-recertification, the appointee shall be notified in writing and shall have the opportunity to appear before the Board prior to the forwarding of the recommendation to the appointing authority.

(4) If the Board recommends recertification, it may also recommend that the appointee’s rate of basic pay be increased to a higher rate under 5 U.S.C. 5382. If the Board recommends conditional recertification, it may also recommend that the appointee’s rate of basic pay be reduced to the next lower rate under 5 U.S.C. 5382.

(5) In addition to its recommendation, the Board shall also provide the appointing authority the recommendation from the supervising official and any information received from the appointee under paragraph (e)(3) or paragraph (f)(3) of this section.

(6) If the appointing authority is also the agency head, the recommendation of the Board shall go directly to the individual as the agency head.

(g) Recommendation by the appointing authority. (1) If the appointing authority determines that the appointee’s performance during the 3 preceding years demonstrates the excellence expected of a senior executive, the appointing authority shall recommend to the agency head that the appointee be recertified as a senior executive.

(2) If the appointing authority determines that the appointee’s performance has not demonstrated the excellence expected of a senior executive, the appointing authority shall recommend to the agency head that the appointee be conditionally recertified or not be recertified.

(h) Determination by the agency head. (1) The agency head shall determine whether the appointee shall be recertified, conditionally recertified, or not recertified as a senior executive. An agency may not prescribe a distribution of how many or what percentage of executives will be recertified, conditionally recertified, or not recertified.

(2) If the agency head determines that the appointee’s performance warrants recertification, the appointee shall continue in the SES. Further, the appointee’s rate of basic pay may not be reduced at the time of recertification.

(3) If the agency head determines that the appointee’s performance warrants conditional recertification, the appointee:

(i) Shall remain a career appointee in the SES;

(ii) Shall be subject to continuing close review of the appointee’s performance by the supervising official in
coordination with an Executive Resources Board established under 5 U.S.C. 3393, in accordance with a performance improvement plan developed by the supervising official and subject to the approval of the Executive Resources Board;

(iii) May, if the agency head so determines, be reduced to the next lower rate of basic pay established under 5 U.S.C. 5382, once 12 months have elapsed since the appointee’s last pay adjustment, in accordance with §534.401(c) of this chapter;

(iv) Shall be removed from the SES if not recertified at the end of the 12-month period following the conditional recertification; and

(v) Shall be retained in the SES if recertified at the end of the 12-month period following the conditional recertification and shall have any reduction in basic pay made under paragraph (h)(3)(iii) of this section restored as of the beginning of the first pay period following recertification when 12 months have elapsed since the pay reduction.

(4) The process for determining whether to recertify at the end of the 12-month period an individual who has been conditionally recertified shall be the same as for the initial recertification decision, including review and recommendation by a Performance Review Board.

(5) If the agency head determines that the appointee’s performance does not warrant recertification or conditional recertification, the appointee shall be removed from the SES in accordance with 5 U.S.C. 3592 and part 330, subpart C, of this chapter.

(6) The decision to recertify a senior executive may be delegated by the agency head, but no lower than the appointing authority. The decision to conditionally recertify, or to not recertify, a senior executive must be made by the agency head, the deputy agency head, or the head of a major operating unit within a department; but the individual designated may not be at a lower level than the appointing authority.

(j) Agency responsibilities. Each agency that has career appointees subject to recertification:

(1) Shall develop written recertification procedures in consultation with its career appointees, shall have the procedures reviewed and approved by OPM before the recertification process is initiated, and shall provide its senior executives and OPM a copy of the final procedures upon issuance and upon any change;

(2) Shall provide for a program, under guidelines issued by OPM, to train its executives who supervise SES career personnel, and members of Performance Review Boards who will be making recertification recommendations, in the objectives and procedures of the recertification process;

(3) Shall maintain such records as OPM may require;

(4) Shall report to OPM such information as OPM may request relating to recertification actions or the training of SES supervisors; and

(5) Shall take such corrective action as may be directed by OPM if OPM finds that the agency’s written procedures, or any actions taken by the agency, are contrary to law or regulation.

Subpart F—Noncareer and Limited Appointments

SOURCE: 45 FR 62414, Sept. 19, 1980, unless otherwise noted.

§ 317.601 Authorization.

(a) An agency may make a noncareer or limited appointment only to a general position.

(b) Each use of a noncareer appointment authority must be approved individually by the Office of Personnel Management, and the authority reverts to the Office upon departure of the incumbent, unless otherwise provided by the Office.

(c) Use of a limited appointment authority is subject to the conditions in this paragraph.

(1) Agencies are provided a pool of limited appointment authorities equal
to 3 percent of their Senior Executive Service (SES) position allocation, or one authority, whichever is greater. An agency may use the pool to make a limited appointment only of an individual who has a career or career-conditional appointment (or an appointment of equivalent tenure) in a permanent civil service position outside the SES. If necessary, the Office of Personnel Management may suspend use of the pool authority.

(2) Each use of a limited appointment authority other than under paragraph (c)(1) of this section must be approved individually by the Office, and the authority reverts to the Office upon departure of the incumbent, unless otherwise provided by the Office.

§ 317.602 Conditions of a limited appointment.

(a) Appointments authorized under this provision may be deemed provisional appointments for purposes of the regulations set out in parts 831, 842, 870, and 890 of this chapter if they meet the criteria set out in §§316.401 and 316.403 of this chapter.

(b) A limited appointment is not renewable. If an agency initially made the appointment for less than the maximum period authorized by the Office of Personnel Management, however, the agency may extend the appointment to the maximum period without the approval of the Office. The Office must be notified of the extension.

(c) A limited term or limited emergency appointee may not be appointed to, or continue to hold, a position under such an appointment if, within the preceding 48 months, the individual has served more than 36 months, in the aggregate, under any combination of limited term and limited emergency appointments.

§ 317.603 Selection.

An agency may make a noncareer or limited appointment without the use of merit staffing procedures. The appointee, however, must meet the qualifications requirements for the position, as determined in writing by the appointing authority.

§ 317.604 Reassignment.

(a) An agency may reassign a noncareer appointee only with the prior approval of the Office unless otherwise provided by the Office.

(b) An agency may make the following reassignments of limited appointees to positions for which qualified without the prior approval of the Office of Personnel Management. The Office must be notified of the reassignment, however.

(1) An agency may reassign a limited emergency appointee to another general position established to meet a bona fide, unanticipated, urgent need, except that the appointee may not serve in one or more positions in the agency under such appointment in excess of 18 months.

(2) An agency may reassign a limited term appointee to another general position the duties of which will expire at the end of 3 years or less except that the appointee may not serve in one or more positions in the agency under such appointment in excess of 3 years.

§ 317.605 Tenure of appointees.

(a) A noncareer or limited appointee does not acquire status within the Senior Executive Service on the basis of the appointment.

(b) An agency may terminate a noncareer or limited appointment at any time, unless a limited appointee is covered under 5 CFR 752.601(c)(2). The agency must give the noncareer or limited appointee a written notice at least 1 day prior to the effective date of the removal.

(c) The employment of a limited appointee ends automatically on the expiration of the appointment if the appointment has not been terminated earlier.

(d) An employee: (1) Who received a limited appointment without a break of service in the same agency as the one in which the employee held a career or career conditional appointment...
(or an appointment of equivalent tenure) in a permanent civil service position outside the Senior Executive Service, and

Subpart G—SES Career Appointment by Reinstatement

Source: 54 FR 9759, Mar. 8, 1989, unless otherwise noted.

§ 317.701 Agency authority.

As provided for in §§317.702 and 317.703, an agency may reinstate a former SES career appointee without regard to the merit staffing requirements established by OPM in §317.501(c).

§ 317.702 General reinstatement: SES career appointees.

(a) Eligibility for general reinstatement. A former SES career appointee who meets the following conditions is eligible for reinstatement under this section:

(1) The individual completed an SES probationary period under a previous SES career appointment or was exempted from that requirement; and

(2) The individual’s separation from his or her last SES career appointment was not a removal under subpart C of part 339 of this chapter for failure to be recertified as a senior executive; or a removal under subpart E of part 339 of this chapter for less than fully successful executive performance; or under 5 U.S.C. 1207 by order of the Merit Systems Protection Board as a result of a disciplinary action initiated by the Special Counsel under 5 U.S.C. 1206; or under 5 U.S.C. 7332 (National Security); or under subpart F of part 752 of this chapter for misconduct, neglect of duty, or malfeasance; or a resignation after receipt of a notice proposing or directing removal under any of the above conditions. Removal for failure to accept a directed reassignment to another commuting area, or to accompany a position in a transfer of function to another commuting area, does not preclude reinstatement to the SES unless the appointment to the original position included acceptance of a written nationwide mobility agreement or policy.

(b) Applying for reinstatement; time limit. Application for reinstatement under this section shall be made directly to the agency in which SES employment is sought. There is no time limit for reinstatement under this section.

(c) Qualifications. The individual must meet the qualification requirements of the position to which reinstated. The agency makes this determination.

(d) Tenure upon reinstatement. An individual who is reinstated under §317.702 becomes an SES career appointee.

§ 317.703 Guaranteed reinstatement: Presidential appointees.

(a) Eligibility for reinstatement. (1) A former SES career appointee who was appointed by the President to a civil service position outside the SES without a break in service, and who left the Presidential appointment for reasons other than misconduct, neglect of duty, or malfeasance, is entitled by law to be reinstated to the SES.

(2) If an individual is serving under a Presidential appointment with reinstatement entitlement and receives another Presidential appointment without a break in service between the two appointments, the individual continues to be entitled to be reinstated to the SES following termination of the second appointment. If there is an interim period between the two Presidential appointments, the individual must be reinstated as an SES career appointee before the effective date of the second appointment to preserve reinstatement entitlement following termination of the second appointment.

(b) Applying for reinstatement; time limit. Except as provided in paragraph (d) of this section, an application in writing for reinstatement under this section must be made to OPM within 90
§ 317.703

(a) Reinstatement upon separation from the Presidential appointment. An application may be submitted as soon as the Presidential appointee’s resignation is requested or submitted.

(c) Directing reinstatement. (1) To the extent practicable, OPM will direct reinstatement within 45 days of the date of receipt by OPM of the application for reinstatement or the date of separation from the Presidential appointment, whichever is later.

(2) OPM will use the following order of precedence in directing reinstatement of a former Presidential appointee:

(i) The agency in which the individual last served as an SES career appointee before accepting the Presidential appointment;

(ii) The successor agency to the one in which the individual last served as an SES career appointee;

(iii) The agency or agencies in which the individual served as a Presidential appointee; or

(iv) Any other agency in the Executive branch with positions under the SES.

(3) The agency being directed to take the reinstatement action is responsible for assigning the individual to a position for which he or she meets the qualifications requirements.

(4) When directing the reinstatement of a Presidential appointee, OPM may, as appropriate, allocate an additional SES space authority to the agency.

(d) Reinstatement following direct negotiations with an agency. (1) A Presidential appointee who qualifies under paragraph (a) of this section may initiate direct negotiations with an agency regarding reinstatement under this section.

(2) An agency may voluntarily reinstate a former Presidential appointee without an order from OPM directing such action.

(3) The agency is responsible for assigning the individual to a position for which he or she meets the qualification requirements.

(4) Direct negotiations with an agency do not extend the time limit stated in paragraph (b) of this section for making application to OPM.

(5) OPM may, when appropriate and upon request by the agency, allocate an additional SES space authority to an agency that voluntarily reinstates a former Presidential appointee under this paragraph.

(6) An individual who is reinstated under this paragraph because of direct negotiations with an agency is not entitled to further assistance by OPM.

(e) Tenure upon reinstatement. (1) An individual reinstated under §317.703 becomes an SES career appointee.

(2) An individual reinstated under §317.703 who was serving an SES probationary period at the time of his or her Presidential appointment is required to complete the 1-year SES probationary period upon reinstatement.

(f) Compliance. (1) An agency must comply with an order to reinstate issued by OPM under this section as promptly as possible, but not more than 30 calendar days from the date of the order.

(2) The agency will notify OPM of a reinstatement action taken under this section within 5 workdays of the effective date of the reinstatement.

(3) An individual who declines a reinstatement ordered by OPM is not entitled to further placement assistance by OPM under this section.

(2) A career appointee in the SES who is not covered under paragraph (a)(1) of this section and who was appointed on or after November 1, 1986, to a civilian position in the executive branch which is covered by the Executive Schedule, or the rate of basic pay for which is fixed by statute at a rate equal to one of the levels of the Executive Schedule.

(b) Election. (1) At the time of appointment, an appointee covered by paragraph (a) of this section may elect to retain some, all, or none of the following SES provisions: Basic pay, performance awards, awarding of ranks, severance pay, leave, and retirement. That election shall remain in effect for no less than one year, unless the appointee leaves the position sooner.

(2) The appointing agency is responsible for advising the appointee of the election opportunity. The election decision must be in writing.

(3) If an appointee elects to retain SES basic pay, the appointee is entitled to receive locality-based comparability payments under 5 CFR, part 531, subpart F, if such pay is applicable to SES employees in the locality pay area, and any applicable special pay adjustment for a law enforcement officer under 5 CFR part 531, subpart C, even though the appointee may be in an Executive Schedule position otherwise excluded from such payments.

(c) Change in election. Except as provided by paragraph (b) of this section, a career appointee is permitted to make an election for purposes of adding or dropping coverage no more than once during any twelve-month period.

(2) Reassignment outside of a commuting area. For reassignment outside of a commuting area, (i) the agency must consult with the appointee on the reasons for, and the appointee’s preferences with respect to, the proposed reassignment; and (ii) following such consultation, the agency must provide the appointee a written notice, including the reasons for the reassignment, at least 60 days before the effective date of the reassignment. This notice requirement may be waived only when the appointee consents in writing.

(c) A career appointee may not be involuntarily reassigned within 120 days after the appointment of the head of an agency, or within 120 days after the appointment of the career appointee’s most immediate supervisor who is a noncareer appointee and who has the authority to make an initial appraisal of the career appointee’s performance under subpart C of part 430 of this chapter.

(1) In this paragraph—

(i) Head of an agency means the head of an executive or military department or the head of an independent establishment.

§ 317.903 Details.

(a) Definition. In this section, detail means the temporary assignment of an SES member to another position (within or outside of the SES) or the temporary assignment of a non-SES member to an SES position, with the expectation that the employee will return to the official position of record upon expiration of the detail. (b) Time limits. (1) Details within an executive agency or military department must be made in no more than 120-day increments.

(2) An agency may not detail an SES employee to unclassified duties for more than 240 days.

(3) An agency must use competitive procedures when detailing a non-SES employee to an SES position for more than 240 days unless the employee is eligible for a noncompetitive career SES appointment.

(4) An agency must obtain OPM approval for a detail of more than 240 days if the detail is of:

Subpart H—Reserved

Subpart J—Prohibited Practices

330.1001 Withdrawal from competition.
§ 330.201 Establishment and maintenance of RPL.

(a) The reemployment priority list (RPL) is the mechanism agencies use to give reemployment consideration to their former competitive service employees separated by reduction in force (RIF) or fully recovered from a compensable injury after more than 1 year. The RPL is a required component of agency positive placement programs. In filling vacancies, the agency must give RPL registrants priority consideration over certain outside job applicants and, if it chooses, also may consider RPL registrants before considering internal candidates.

(b) Each agency is required to establish and maintain a reemployment priority list for each commuting area in which it separates eligible competitive service employees by RIF or when a former employee recovers from a compensable injury after more than 1 year, except as provided in paragraph (c) of this section. For purposes of this subpart, agency means Executive agency as defined in 5 U.S.C. 105. All components of an agency within the commuting area utilize a single RPL and are responsible for giving priority consideration to the RPL registrants.

(c) An agency need not maintain a distinct RPL for employees separated by reduction in force if the agency operates a placement program for its employees and obtains OPM concurrence that the program satisfies the basic requirements of this subpart. The intent of this provision is to allow agencies to adopt different placement strategies that are effective for their particular programs yet satisfy legal entitlements to priority consideration in reemployment.

§ 330.202 Application.

(a)(1) To be entered on the RPL, an eligible employee under §330.203 must complete an application prescribed by the employing agency and inform the

agency of any significant changes in the information provided. This application must provide for the employee to specify the conditions under which he or she will accept employment, including grade, occupation, and minimum hours or work per week, in addition to positions at the same representative rate and type of work schedule (e.g., full-time, part-time, seasonal, intermittent, on-call, etc.) as the position from which the employee was or will be separated. Registration may take place as soon as a specific notice of separation under part 351 of this chapter, or a Certification of Expected Separation as provided in §351.807 of this chapter, has been issued. The employee must submit the application within 30 calendar days after the RIF separation date. An employee who fails to submit a timely application is not entitled to be placed on the RPL. If an agency has components scattered throughout a large commuting area, the agency may allow eligibles to indicate their availability only for certain sub-areas within the commuting area. However, the agency cannot deny consideration throughout the entire commuting area if the eligible wants it.

(2) An eligible employee under §330.204 must request reemployment within 30 calendar days after the date compensation ceases, except that when an appeal for continuation of compensation is filed, the 30-day period begins the day after resolution is reached. No specific format is required.

(b) An agency must enroll an individual on the RPL no later than 10 calendar days after receipt of an application or request.

(c) Agencies should be prepared to assist employees, when requested, in identifying and listing on the reemployment priority list (RPL) application those positions within the agency for which the employee qualifies and is interested.

[53 FR 45067, Nov. 8, 1988, as amended at 60 FR 3059, Jan. 13, 1995]

§ 330.203 Eligibility due to reduction in force.

(a) To apply for the RPL, an employee must meet all the following conditions:

1. Be serving under an appointment in the competitive service in tenure group I or II;
2. Have received a rating above unacceptable (level 1) as the last annual performance rating of record for part 351 purposes (except for employees in positions excluded from a performance appraisal system by law, regulation, or OPM administrative action);
3. Have received a specific notice of separation under part 351 of this chapter, or a Certification of Expected Separation as provided in §351.807 of this chapter; and
4. Have not declined an offer under subpart G of part 351 of this chapter of a position with the same type of work schedule and a representative rate at least as high as that of the position from which the employee was or will be separated.

(b) At the time it gives a specific RIF notice of separation or a Certification of Expected Separation, the agency must give each eligible employee information about the RPL, including appeal rights.

(c) A tenure group I employee is eligible for the RPL for 2 years, and a tenure group II employee is eligible for 1 year, from the date the employee is entered on the RPL.

(d)(1) When an individual declines an offer of career, career-conditional, or excepted appointment without time limit or fails to reply to an inquiry, under this subpart, and the position meets the acceptable conditions shown in his or her application, he or she loses RPL consideration for all positions with a representative rate at or below that grade. However, subject to paragraph (d)(2)(iii) of this section, the individual retains eligibility for positions with a higher representative rate up to the last grade held.

(2) Also, an individual is taken off the RPL before the period of eligibility expires when the individual:

(i) Requests removal;
(ii) Receives a career, career-conditional, or excepted appointment without time limit or fails to reply to an inquiry, under this subpart; and
(iii) Declines an offer of career, career-conditional, or excepted appointment without time limit or fails to reply to an inquiry, under this subpart.
§ 330.204 Eligibility due to compensable injury.

(a) A competitive service employee in tenure group I or II who is separated (or who accepts a lower graded position in lieu of separation) because of a compensable injury of disability (as defined in part 353 of this chapter) who has fully recovered more than 1 year after compensation began is entitled to be placed on the RPL provided the individual applies within the timeframes addressed in §330.202. Part 353 of this chapter contains information on eligibility.

(b) A former tenure group I employee is eligible for the RPL for 2 years, and a former tenure group II employee is eligible for 1 year, from the date the individual is entered on the RPL. An individual is taken off the RPL before the period of eligibility expires when the individual:

(1) Requests removal;
(2) Receives a career, career-conditional, or excepted appointment without time limit in any agency; or

(3) Declines an offer or fails to respond to an inquiry of availability about a specific position that is the same as or equivalent to the position from which separated.

(c) A former employee must request reemployment consideration with the time limits set in paragraph (c) of this section.

§ 330.205 Employment restrictions.

(a) The restrictions in paragraph (b) of this section apply to the filling of all competitive service vacancies, regardless of whether an agency plans to make a temporary, term, or permanent appointment. This means an agency must consider RPL registrants for nonpermanent as well as permanent positions when they have indicated such interest on their RPL application.

(b) When a qualified individual is available on an agency’s RPL, the agency may not make a final commitment to an individual not on the RPL to fill a permanent or temporary competitive service position by:

(1) A new appointment, unless the individual appointed is a qualified 10-point preference eligible; or
(2) Transfer or reemployment, unless the individual appointed is a preference eligible, is exercising restoration rights under part 353 of this chapter based on return from military service or recovery from a compensable injury or disability within 1 year, or is exercising other statutory or regulatory reemployment rights.
(c) Paragraph (b) of this section does not apply to actions involving employees on an agency’s rolls, as authorized in paragraphs (c) (1), (2), and (3) of this section, or in filling a specific position:
(1) When all qualified individuals on the RPL decline an offer of a specific position or fail to respond to an official agency inquiry about their availability for it; or
(2) By a current, qualified employee of the agency through:
   (i) Detail or position change (promotion, demotion, reassignment); or
   (ii) Conversion to competitive appointment of employees currently serving under appointments that carry a noncompetitive conversion eligibility (e.g., Veterans Readjustment Appointee, 30 percent disabled veterans, disabled employees under Schedule A appointment, Presidential Management Interns, cooperative education students under Schedule B appointment, and TAPERS); or
   (iii) Reappointment without a break in service to the same position currently held by an employee serving under a temporary appointment of 1 year or less (only to another temporary appointment not to exceed 1 year or less and not to a permanent appointment); or
   (iv) Extension of an employee’s temporary appointment up to the maximum permitted by the appointment authority or as authorized by OPM.
(3) By a 30-day special needs appointment or 700 hour temporary appointment of a severely disabled or mentally restored individual, when the agency’s staffing policies provide for these exceptions.
(d) An agency must clear the RPL at the grade level at which it fills a position (regardless of the full performance level). Similarly, if an agency advertises a position at multiple grade levels, it must clear the RPL only at the grade level at which the position is ultimately filled.
(e) Once an agency has cleared its RPL and made a final employment commitment to an individual, the later registration of another employee on the RPL does not prevent the fulfillment of the original commitment, regardless of when the individual actually enters on duty.
(f) An agency may make an exception to this section and appoint an individual not on the RPL as authorized by §330.207(d).
(g) When submitting a request for referral of eligibles, an agency is required to indicate that no qualified RPL registrant is available for the vacancy and therefore the agency may make a new appointment. Similarly, an agency must clear its RPL before making appointments under a direct-hire authority, which includes the Outstanding Scholar provision, or delegated examining authority.
[60 FR 3859, Jan. 13, 1995]

§ 330.206 Job consideration.

(a)(1) An eligible employee under §330.203 is entitled to consideration for positions in the commuting area for which qualified and available that are at no higher grade (or equivalent), have no greater promotion potential than the position from which the employee was or will be separated, and have the same type of work schedule. In addition, an employee is entitled to consideration for any higher grade previously held on a noncontemporary basis in the competitive service from which the employee was demoted under part 351 of this chapter.
(2) An employee is considered for positions having the same type of work schedule as the position from which separated except that the agency, at its discretion, may adopt provisions permitting employees to request consideration for other work schedules in addition to that formerly held.
(3) An eligible employee may be entered on the RPL only for the commuting area in which separated and may not apply for the RPL in any other location, except as provided in paragraph (a)(4) of this section.
(4) Each eligible employee in a position in Alaska or overseas is entitled
§ 330.207 Selection from RPL.

(a) Options. An agency must adopt one of the selection methods in paragraphs (b) and (c) of this section for use in operating a single RPL. The agency may adopt the same method for each RPL it establishes or may vary the method by location, but it must adopt a written policy for each RPL it establishes and maintains. After a method is adopted, the agency uses that method in filling all positions. While an agency may not vary the method used by individual vacancy, it may at any time switch selection methods for employees enrolled on the RPL.

(b) Retention standing order. For each vacancy to be filled, the agency shall place qualified individuals in group and subgroup order in accordance with part 351 of this chapter. In making a selection, an agency may not pass over an individual in group I to select from group II and, within a group, may not pass over an individual in a higher subgroup to select from a lower subgroup. Within a subgroup, an agency may select an individual without regard to order of retention standing. A person has no greater priority for the grade or position from which separated than any other person on the list who is qualified for the vacancy. An agency may make an exception to this selection order only in accordance with paragraph (d) of this section.

(c)(1) Rating and ranking. For each vacancy to be filled, the agency rates qualified individuals according to their job experience and education. To do this, an agency shall develop job-related evaluation procedures capable of distinguishing differences in qualifications measured, which shall be applied in a fair and consistent manner. Based on these procedures, the agency shall assign qualified individuals a numerical score of at least 70 on a scale of 100. The agency shall grant 5 additional points to preference eligibles under section 2108(3)(A) and (B) of title 5, United States Code, and 10 additional points to preference eligibles under section 2108(3)(C) through (G) of that title.

(2) Individuals with an eligible numerical score shall be ranked in the following order:

(i) Preference eligibles having a compensable service-connected disability of 10 percent or more in the order of their augmented ratings, unless the position to be filled is a professional position at and above the GS-9 level, or equivalent; and

(ii) All other qualified candidates in the order of their augmented ratings. At each score, qualified candidates eligible for 10-point preference will be entered ahead of all other eligibles, and

§ 330.205 is placed on the RPL for reemployment consideration for his or her former position or an equivalent one. If the individual cannot be placed in such a position in the former commuting area, he or she is entitled to priority consideration for an equivalent position elsewhere in the agency at the time and in a manner as the agency determines will provide the individual with maximum opportunities for consideration.

(2) In lieu of expanded consideration in other locations, an individual who cannot be placed in his or her former or equivalent position in the former commuting area may elect to be considered for the next best available position in the former commuting area.
Office of Personnel Management

§ 330.301 Coverage.

(a) This subpart covers the Interagency Placement Program for employees who will be displaced or who have been separated from their Federal jobs as a result of agency workforce reductions, compensable on-the-job injury, discontinued service retirement, or disability retirement. Agencies have the primary responsibility for providing placement assistance to their surplus and displaced employees, and for administering career transition assistance programs. OPM supplements these agency efforts by administering the Interagency Placement Program which gives surplus or displaced employees priority referral to positions in other agencies.

(b) The operation of this subpart will be suspended from February 29, 1996.

§ 330.208 Qualification requirements.

(a) Subject to applicable requirements of law and this chapter, an individual is considered qualified for a position if he or she:

(1) Meets OPM-established or approved qualification standards and requirements for the position, including any minimum educational requirements, and any selection placement factors established by the agency;

(2) Is physically qualified, with reasonable accommodation where appropriate, to perform the duties of the position; and

(3) Meets any special qualifying condition that OPM has approved for the position.

(4) Meets any other applicable requirement for appointment to the competitive service.

(b) An agency may make an exception to the qualification standard and adopt an alternative standard under the following conditions (this provision does not authorize waiver of the selection order required by § 330.207):

(1) The exception is applied consistently and equitably in filling a position;

(2) The individual meets any minimum educational requirement for the position; and

(3) The agency determines that the individual has the capacity, adaptability, and special skills needed to satisfactorily perform the duties and responsibilities of the position.

(c) The sex of an individual may not be considered in determining qualifications for a position, except positions for which OPM has determined certification of eligibles by sex is justified.

§ 330.209 Appeals.

An individual who believes that his or her reemployment priority rights under this subpart have been violated because of the employment of another person who otherwise could not have been appointed properly may appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations.

§ 330.203 Exceptions.

An agency may make an exception to this subpart and appoint an individual who is not on the RPL or has lower standing than others on the RPL. The exception may be granted only when necessary to obtain an employee for duties that cannot be taken over without undue interruption (as defined in § 331.203 of this chapter) to the agency by an individual who is on the RPL or has higher standing than the one appointed. The agency shall notify, in writing, each individual on the RPL who is adversely affected by an appointment under this paragraph of the reasons for the exception and of the right of appeal to the Merit Systems Protection Board.

§ 330.204 General rules.

(a) Agencies shall give priority to employees whose separation is due to agency reorganizations, consolidation, relocation, or elimination of the position, or due to the curtailment of other separations, and for whom the agency knows it does not have another position for which the employee is qualified.

(b) Agencies shall make an effort to fill all positions in accordance with the order of priority established in this subpart.

§ 330.302 OPM Interagency Placement Program.

OPM operates the Interagency Placement Program (IPP) which provides placement assistance to employees who have received a Certification of Expected Separation or specific notice of separation, or who have been separated.

§ 330.303 Eligibility.

(a) [Reserved]

(b) For the IPP, the registrant must:

(1) Be a present or former career or career-conditional employee, or excepted employee with competitive status and in tenure group I or II as defined in part 351 of this chapter (except that an employee occupying a Schedule C position as defined in part 213 of this chapter is not entitled to placement assistance);

(2) Be serving in or have been separated from a position in an agency whose personnel system is subject to competitive service requirements;

(3) Have a rating above ‘‘unacceptable’’ on his or her most recent performance rating of record as described in §351.203 of this chapter (except individuals qualifying under paragraphs (b)(4)(iii) and (b)(4)(v) of this section or those who are in positions excluded from any performance appraisal system by law, regulation or OPM administrative action);

(4) Must be subject to one of the following:

(i) Has received a specific notice of separation under part 351 of this chapter, or a Certification of Expected Separation as provided in §351.807 of this chapter.

(ii) Has declined a transfer of function to another commuting area or has declined reassignment to another commuting area (as defined in part 351 of this chapter);

(iii) Has fully or partially recovered from a compensable injury in accordance with the provisions of sub-chapter I of chapter 81 of title 5, United States Code, when the agency is unable to restore the employee;

(iv) Has applied for an annuity or has retired under the discontinued service retirement provision in section 8330(d)(1) or 8414(b)(1)(A) of title 5, United States Code; or

(v) Has retired due to disability under section 8337, 8451 or 8457 of title 5, United States Code; and

(5) Must register for the program within time limits specified by OPM.

§ 330.304 Period of eligibility.

Employees registered in the IPP receive 2 years of OPM placement assistance renewable in 6 month increments by the registered employee.

§ 330.305 Placement assistance.

(a) IPP registrants are referred ahead of other candidates when they are qualified and available for vacancies expected to last more than 1 year and that are filled through competitive appointments. No individual may be selected for such a vacancy as long as a qualified IPP registrant is available. Referrals are based on qualifications of registrants.

(b) Placement assistance is nationwide except that registrants who decline transfer or reassignment outside the commuting area may register for placement assistance only within the commuting area of the position from which they will be or were separated. However, these registrants may transfer their eligibility to another commuting area if they later relocate.

(c) A registrant will be referred to vacancies that are at or below the grade level of and have no more promotion potential than the position from which separated. Eligible registrants separated from positions above GS–15 will receive assistance at the GS–15 level and below.
§ 330.307 Agency responsibilities.

(a) Agency programs. (1) Each agency has primary obligation to assist, to the maximum extent practical and in keeping with the requirements set forth in paragraph (a)(2) of this section, in the placement of surplus and displaced employees. OPM’s placement program only supplements these efforts and is not intended to relieve an agency of its responsibility to provide the maximum placement assistance possible.

(2) Each agency is required to operate a positive placement program for its own surplus and displaced employees. The program must, at a minimum, provide for the establishment and maintenance of a reemployment priority list for the commuting area for those employees who have received a specific notice of separation through reduction in force or a Certification of Expected Separation, as provided for in subpart B of this part. Additionally, each agency is expected to supplement this basic requirement with other forms of appropriate assistance to be given to employees prior to actual separation. An agency’s positive placement program should include the following elements:

(i) Criteria of eligibility for assistance;

(ii) The duration of eligibility;

(iii) The types of assistance provided, including counseling, job referral, and training;

(iv) Consideration of the appropriateness of placing restrictions on filling vacancies by any means when qualified surplus or displaced employees are available in the agency’s positive placement program.

(b) Registration of eligible employees. In accordance with subpart H of part 351 of this chapter, agencies must inform affected employees about the Interagency Placement Program at the same time that Certifications of Expected Separation or specific reduction in force notices are distributed. Employees who receive a Certification of Expected Separation may register up to 6 months prior to separation. Agencies are responsible for assisting employees with their registration forms, for completing the information requested on the forms, for ensuring employees meet the minimum qualification requirements for the position(s) registered, and for sending them to the appropriate office as instructed by OPM.

(c) Consideration of individuals referred. Agencies will give full consideration to individuals referred through OPM’s Interagency Placement Program. Full consideration is a careful and open review of the qualifications of the registrant as described in the individual’s application forms, contact to determine interest and availability, and an interview; if possible, to further assess the registrant’s ability to perform the duties of the position within a reasonable period of time. An appointing officer may not pass over an IPP eligible to select a non-IPP eligible unless an objection to the IPP eligible is
§ 330.401 Competitive examination.
In each entrance examination for the positions of custodian, elevator operator, guard, and messenger (referred to in this subpart as restricted positions), OPM shall restrict competition to preference eligibles as long as preference eligibles are available.

§ 330.402 Direct recruitment.
In direct recruitment by an agency under delegated authority, the agency shall fill each restricted position by the appointment of a preference eligible as long as preference eligibles are available.

§ 330.403 Noncompetitive actions.
An agency may fill a restricted position by the appointment by noncompetitive action of a nonpreference eligible only when authorized by OPM.

§ 330.404 Displacement of preference eligibles occupying restricted positions in contracting out situations.
An individual agency and OPM both have additional responsibilities when the agency decides, in accordance with the Office of Management and Budget (OMB) Circular A–76, to contract out the work of a preference eligible who holds a restricted position. These additional responsibilities are applicable if a preference eligible holds a competitive service position that is:
(a) A restricted position as designated in 5 U.S.C. 3310 and §330.401; and
(b) In retention tenure group tenure I or II, as defined in §351.501(b) (1) and (2) of this chapter.

§ 330.405 Agency placement assistance.
An agency that separates a preference eligible from a restricted position by reduction in force under part 351 of this chapter because of a contracting out situation covered in §330.404 must, consistent with §330.602, advise the employee of the opportunity to participate in available career transition programs. The agency is also responsible for:
(a) Applying OMB’s policy directives on the preference eligibles’ right of first refusal for positions that are contracted out to the private sector; and
(b) Cooperating with State units as designated or created under title I of the Workforce Investment Act of 1998, to retrain displaced preference eligibles for other continuing positions.

§ 330.406 OPM placement assistance.
OPM’s responsibilities include:
(a) Assisting agencies in operating positive placement programs, such as the Career Transition Assistance Plan, which is authorized by subpart F of this part;
(b) Providing interagency selection priority through the Intergency Career Transition Assistance Plan, which is authorized by subpart G of this part; and
(c) Encouraging cooperation between local Federal activities to assist these displaced preference eligibles in applying for other Federal positions, including positions with the U.S. Postal Service.

§ 330.407 Eligibility for the Intergency Career Transition Assistance Plan.
(a) A preference eligible who is separated from a restricted position by reduction in force under part 351 of this chapter because of a contracting out situation covered in §330.404 has interagency selection priority under the Interagency Career Transition Assistance Plan, which is authorized by subpart G of this part. Section 330.704 covers the general eligibility requirements for the Interagency Career Transition Assistance Plan.
(b) A preference eligible covered by this subpart is eligible for the Interagency Career Transition Assistance Plan for 2 years following separation.

by reduction in force from a restricted position.

Subpart E—Restrictions To Protect Competitive Principles

§ 330.501 General restriction on movement after competitive appointment.

An agency may promote an employee or reassign him to a different line of work, or to a different geographical area, and it may transfer a present employee or reinstate a former employee of the same or another agency to a higher grade or different line of work, or to a different geographical area, only after 3 months have elapsed since the employee's latest nontemporary competitive appointment. OPM may waive the restriction against movement to a different geographical area when it is satisfied that the waiver is consistent with the principles of open competition.

[37 FR 11965, June 16, 1972]

§ 330.502 [Reserved]

§ 330.503 Assessment of compliance with competitive principles.

As one factor in assessing an agency's compliance with competitive principles, OPM will consider the relationship between appointments from competitive examinations and subsequent position changes. When OPM finds that an agency has not complied with competitive principles, either in an individual case or on a program basis, OPM will require the agency to take appropriate corrective action.

[37 FR 11965, June 16, 1972]

§ 330.504 Special restrictions after appointment under Part-time Direct Hire Program.

(a) A person hired under the Part-time Direct Hire Program may not be changed to full time through:
   (1) Position change;
   (2) Work schedule change;
   (3) Transfer; or
   (4) Reinstatement based on appointment under the Part-time Direct Hire Program until he or she has completed at least 1 calendar year of service in a part-time position under the program.

(b) In the event of a break in service, the service requirement in paragraph (a) of this section is computed on the basis of the employee's total time in a pay status, 365 days equaling 1 calendar year.

(c) Agencies may waive this restriction only in the event of extreme personal hardship to the employee.

[45 FR 5493, Oct. 3, 1980]

§ 330.505 Nonapplicability to persons within reach on registers.

The restrictions in this subpart do not apply to a person who is within reach on a register for competitive appointment to the position to be filled.

Subpart F—Agency Career Transition Assistance Plans (CTAP) for Local Surplus and Displaced Employees

AUTHORITY: Presidential memorandum dated September 12, 1995, entitled "Career Transition Assistance for Federal Employees".

SOURCE: 62 FR 31320, June 9, 1997, unless otherwise noted.

§ 330.601 Purpose.

(a) This subpart implements the President’s memorandum of September 12, 1995, to establish agency Career Transition Assistance Plans for Federal employees during a period of severe Federal downsizing. It is the policy of the United States Government to provide services to help surplus and displaced Federal employees take charge of their own careers and find other job offers, either within the Federal Government or in the private sector.

(b) These regulations set forth minimum criteria for agency Career Transition Assistance Plans. Consistent with the regulations, agencies may supplement these provisions to expand career transition opportunities to their surplus and displaced workers at their discretion.

(c) Sections 330.602(a)(2) and 330.604 through 330.609 do not apply to the Department of Defense Priority Placement Program.
§ 330.602 Agency plans.

(a) Each agency will establish a Career Transition Assistance Plan (CTAP) to actively assist its surplus and displaced employees. A copy of the final plan and any additional modified plans will be sent to OPM as approved by the agency/department head or deputy or under secretary. An agency plan will include:

(1) Policies to provide career transition services to all surplus and displaced agency employees affected by downsizing or restructuring, including employees in the excepted service and the Senior Executive Service, which include the following:
   (i) Types of career transition services to be provided by the agency;
   (ii) Use of excused absence for employees to use the services and facilities;
   (iii) Access to services or facilities after separation;
   (iv) The requirement for a specific orientation session for surplus and displaced employees on the use of career transition services and the eligibility requirements for selection priority under CTAP and ICTAP (if applicable);
   (v) Retraining to be provided to employees;
   (vi) Access by employees, including those with disabilities, to services in headquarters, field offices, and remote site locations;
   (vii) Access to resource information on other forms of Federal, state, and local assistance which are available to support career transition for employees with disabilities;
   (viii) Role of employee assistance programs in providing services; and
   (ix) Designation of agency components, if the agency exercises its discretion under §330.606(d)(24).

(b) Each agency is responsible for assureing that its Career Transition Assistance Plan and the provisions of these subparts are uniformly and consistently applied to all employees.

§ 330.603 Duration.

This subpart will expire on September 30, 2001, unless the Office of Personnel Management extends the program based on its determination that the Federal Government is still experiencing an emergency downsizing situation.

[64 FR 40509, July 27, 1999]

§ 330.604 Definitions.

For purposes of this subpart:

(a) Agency means an Executive Department, a Government corporation, and an independent establishment as cited in 5 U.S.C. 105. For the purposes of this program, the term "agency" includes all components of an organization, including its Office of Inspector General.

(b) Component means the first major subdivision of an agency, that is separately organized and clearly distinguished from other components in work function and operation.

(c) Displaced employee means:

(1) A current career or career conditional competitive service employee in tenure group 1 or 2, at grade levels GS–15 or equivalent and below, who has received a specific reduction in force (RIF) separation notice or notice of proposed removal for declining a directed reassignment or transfer of function outside of the local commuting area; or,

(2) A current Executive Branch agency employee in the excepted service, serving on an appointment without time limit, at grade levels GS–15 or equivalent and below, who has been given noncompetitive appointment eligibility and selection priority by statute for positions in the competitive...
service, and who is in receipt of a reduction in force separation notice or notice of proposed removal for declining a transfer of function or directed reassignment outside of the local commuting area.

(d) **Eligible employee** means a surplus or displaced employee who meets the conditions set forth in §330.605(a).

(e) **Local commuting area** means the geographic area that usually constitutes one area for employment purposes as determined by the agency. It includes any population center (or two or more neighboring ones) and the surrounding localities in which people live and can reasonably be expected to travel back and forth daily to their usual employment.

(f) **Reorganization** means the planned elimination or redistribution of work functions within an agency, normally announced in writing.

(g) **Special selection priority** means that, except as provided by §330.606(d), surplus and/or displaced employees eligible under this subpart must be selected over any other candidate for vacancies in the local commuting area for which they apply and are found well-qualified.

(h) **Suitability** means determinations based on an individual’s character or conduct that may impact the efficiency of the service by jeopardizing an agency’s accomplishment of its duties or responsibilities, or by interfering with or preventing effective service in the competitive, excepted or SES positions applied for or employed in, and determinations that there is a statutory or regulatory bar to employment.

(i) **Surplus employee** means:

(1) A current agency employee serving under an appointment in the competitive service, in tenure group 1 or 2, at grade levels GS–15 or equivalent and below, who has received a certificate of expected separation or other official agency certification indicating that the position is surplus, for example, a notice of position abolishment or a notice stating that the employee is eligible for discontinued service retirement, and who has been conferred noncompetitive appointment eligibility and special selection priority by statute for positions in the competitive service; and

(3) At an agency’s discretion, a current Executive Branch employee serving on a Schedule A or B excepted appointment without time limit, at grade levels GS–15 or equivalent and below, and who is in receipt of a certificate of expected separation or other official agency certification indicating that his or her job is surplus, for example, a notice of position abolishment, or an official notice stating that the employee is eligible for discontinued service retirement; or an employee who has received a RIF notice of separation, or a notice of proposed removal for declining a transfer of function or directed reassignment outside of the local commuting area. Such employee may exercise selection priority for permanent excepted service positions within the agency’s local commuting area, provided the position to which appointed has the same appointing authority, i.e., Schedule A or B, as the position from which being separated.

(j) **Vacancy** means a competitive service position filled for a total of 121 days or more, including all extensions, which the agency is filling, regardless of whether the agency issues a specific vacancy announcement.

(k) **Well-qualified employee** means an eligible employee who possesses the knowledge, skills, and abilities which clearly exceed the minimum qualification requirements for the position. A well-qualified employee will not necessarily meet the agency’s definition of “highly or best qualified,” when evaluated against other candidates who apply for a particular vacancy, but must satisfy the following criteria, as determined and consistently applied by the agency:

(1) Meets the basic qualification standards and eligibility requirements for the position, including any medical
§ 330.605 Qualifications, suitability, and minimum educational and experience requirements; and
(2) Satisfies one of the following qualifications requirements:
   (i) Meets all selective factors where applicable. Meets appropriate quality rating factor levels as determined by the agency. Selective and quality ranking factors cannot be so restrictive that they run counter to the goal of placing displaced employees. In the absence of selective and quality ranking factors, selecting officials will document the job-related reason(s) the eligible employee is or is not considered to be well qualified; or
   (ii) Is rated by the agency to be above minimally qualified in accordance with the agency’s specific rating and ranking process. Generally, this means that the individual may or may not meet the agency’s test for “highly qualified,” but would in fact, exceed the minimum qualifications for the position;
(3) Is physically qualified, with reasonable accommodation where appropriate, to perform the essential duties of the position;
(4) Meets any special qualifying condition(s) that OPM has approved for the position; and
(5) Is able to satisfactorily perform the duties of the position upon entry.

§ 330.606 Order of selection for filling vacancies from within the agency.
(a) To be eligible for the special selection priority, an individual must meet all of the following conditions:
   (1) Is a surplus or displaced employee (still on the agency rolls) as defined in §330.604(c) and (i);
   (2) Has a current performance rating of record of at least fully successful or equivalent;
   (3) Applies for a vacancy that is at or below the grade level from which the employee may be or is being separated, that does not have a greater promotion potential than the position from which the employee may be or is being separated;
   (4) Occupies a position in the same local commuting area of the vacancy; or, at the agency’s discretion, occupies a position beyond the local commuting area. An eligible agency applicant outside of the local commuting area, however, can only exercise selection priority when there are no eligible surplus and displaced agency employees within the local commuting area who apply and are found well-qualified;
   (5) Files an application for a specific vacancy within the time frames established by the agency, and provides proof of eligibility as required under §330.608(a)(2); and
   (6) Is determined by the agency to be well-qualified for the specific vacancy.
(b) Eligibility for special selection priority begins on the date the agency issues the employee a reduction in force separation notice, certificate of expected separation, notice of proposed separation for declining a directed reassignment or transfer of function outside of the local commuting area, or other official agency certification.
(c) Eligibility expires on the earliest of:
   (1) The RIF separation date, the date of the employee’s resignation, retirement, or separation from the agency (including separation under adverse action procedures for declining a directed reassignment or transfer of function or similar relocation to another local commuting area);
   (2) Cancellation of the RIF separation notice, certificate of expected separation, notice of proposed removal for declining a directed reassignment or transfer of function outside of the commuting area, or other official agency certification identifying the employee as surplus; or
   (3) When an eligible employee receives a career, career-conditional, or excepted appointment without time limit in any agency at any grade level; and
   (4) Within an agency, and at the agency’s discretion, when an eligible employee declines a career, career-conditional, or excepted appointment (without time limit), for which the employee has applied and been rated well-qualified.

under §330.605 of this subpart before selecting any other candidate from within or outside the agency, unless the agency can show that another employee would otherwise be separated by reduction in force. In addition, agencies may not procure temporary help services under 5 CFR part 300, subpart E, in lieu of appointing a surplus or displaced Federal employee as required by subparts F and G of this chapter.

(b) Once the agency has met its obligation to select employees eligible under its CTAP, it is free to select any other competitive service tenure group 1 or 2 candidate from within its workforce, under appropriate procedures. An agency may provide selection priority to surplus and displaced agency employees from another commuting area after it has discharged its obligation to eligible surplus and displaced agency employees from within the local commuting area.

(c) When an agency selects a candidate from outside of its workforce, the agency is subject to the order of selection prescribed in §330.705.

(d) The following are not covered under this subpart:

(1) Actions taken under 5 CFR part 335, including reassignments, changes to lower grade, or promotions, when no employees eligible under this subpart apply;

(2) Reemployment of a former agency employee exercising regulatory or statutory reemployment rights, including the reemployment of injured workers who have either been restored to earning capacity by the Office of Workers’ Compensation Programs (OWCP), or who have received a notice that their compensation benefits will cease because of recovery from the disabling injury or illness;

(3) Position changes resulting from disciplinary actions;

(4) Temporary appointments of under 121 days (including all extensions);

(5) Exchange of positions between or among agency employees, when the actions involve no increase in grade or promotion potential, i.e., job swaps;

(6) Conversion of an employee of the same agency who is serving on an excepted appointment which confers eligibility for noncompetitive conversion into the competitive service, e.g., conversion of a veterans’ readjustment appointee to a career conditional appointment under §315.705;

(7) An action taken under part 351 of this chapter;

(8) Non-competitive placement of an employee into a different position as a result of a formal reclassification, when the former position ceases to exist, and no actual vacancy results;

(9) Assignments made under the Intergovernmental Personnel Act (IPA) as provided in part 334 of this chapter;

(10) The filling of a position through an excepted appointment;

(11) Details;

(12) Time-limited promotions of under 121 days, including all extensions;

(13) Noncompetitive movement of surplus or displaced employees within the agency, and within the same local commuting area;

(14) Movement of excepted service employees within an agency;

(15) A placement under 5 U.S.C. 8337 or 8451 to allow continued employment of an employee who has become unable to provide useful and efficient service in his or her current position because of a medical condition;

(16) A placement that is a “reasonable offer” as defined in 5 U.S.C. 8336(d) and 8414(b);

(17) Career ladder promotions or position changes resulting from reclassification actions, e.g., accretion of duties, or application of new position classification standards;

(18) Recall of seasonal or intermittent employees from nonpay status;

(19) The internal placement of an injured or disabled worker whose agency has identified a position for which he or she can be reasonably accommodated;

(20) An action taken by the agency head or his designee pursuant to the settlement of a formal complaint, grievance, appeal, or other litigation;

(21) An action taken to return an employee to his or her original or similar position during a supervisory probationary period;

(22) The retention of individuals whose positions are brought into the competitive service under §316.701 or §316.702 of this chapter and subsequent
§ 330.607 Notification of surplus and displaced employees.

(a) In addition to meeting the requirements of § 330.602(a)(1)(iv), at the time it issues a specific RIF separation notice, certificate of expected separation, or other official agency certification that identifies an employee as being likely to be separated by RIF, or by adverse action procedures for declining a directed reassignment or transfer of function outside of the local commuting area, an agency must give each of its eligible employees information in writing about the special selection priority available to them under the agency’s Career Transition Assistance Plan. Such information must contain guidance to the employee on how to apply for vacancies under the CTAP, and what documentation is generally required as proof of eligibility.

(b) Agencies must take reasonable steps to ensure eligible employees are notified of all vacancies the agency is filling in locations where there are CTAP eligibles, and what is required for them to be determined well-qualified for the vacancies. Vacancy announcements within an agency must contain information on how eligible employees within the agency can apply, what proof of eligibility is required, and the agency’s definition of “well-qualified”. If there are no CTAP eligibles in a local commuting area, the agency may document this fact as an alternative to posting the vacancy under the CTAP program.

(c) Each agency is required to advise, in writing, their surplus and displaced employees who apply for specific vacancies within its local commuting area of the results of their application, and whether or not they were found well-qualified. If they are not found well-qualified, such notice must include information on the results of an independent, second review conducted by the agency. If an applicant is found well-qualified, and another well-qualified surplus or displaced candidate is selected, the applicant must be so advised.

§ 330.608 Application and selection.
(a) Application.
(1) To receive this special selection priority, an eligible employee must apply for a specific agency vacancy in the same local commuting area as the position the employee occupies within the prescribed time frames, attach the appropriate proof of eligibility as described in paragraph (a)(2) of this section, and be determined well-qualified by the agency for the specific vacancy.
(2) Employees may submit the following as proof of eligibility for the special selection priority:
   (i) RIF separation notice or notice of proposed removal for declining a directed reassignment or transfer of function outside the local commuting area;
   (ii) Certificate of expected separation or other official notice from the agency indicating that the employee is surplus or eligible for discontinued service retirement; or
   (iii) Other official agency certification identifying the employee as being in a surplus organization or occupation.
(b) Selection. An agency may decide the specific order of selection of its eligible employees within the provisions set forth in §330.606(a) (e.g., the agency may decide to select displaced employees before surplus employees or may select surplus and/or displaced employees from within a particular component of the agency before selecting surplus and/or displaced employees from another component of the agency).
(c) An agency cannot select any other candidate from within or outside the agency if eligible employees are available for the vacancy or vacancies.
(d) If two or more eligible employees apply for a vacancy and are determined to be well-qualified, any of these eligible employees may be selected.
(e) If no eligible employees apply or none is deemed well-qualified, the agency may select another agency employee without regard to this subpart.

§ 330.609 Qualification reviews.
Agencies will ensure that a documented, independent second review is conducted whenever an otherwise eligible employee is determined to be not well-qualified. The applicant must be advised in writing of the results of the second review.

§ 330.610 Reporting.
(a) Each agency shall submit an annual report covering each fiscal year activity under this subpart to OPM no later than December 31 of each year.
(b) Each report will include the following:
   (1) Number of employees identified by the agency as surplus and displaced during that fiscal year;
   (2) The number of CTAP applicants who were found to be well-qualified;
   (3) The number of CTAP applicants who were found to be not well-qualified;
   (4) Number of selections of eligible employees under the agency’s CTAP, or in the case of the Department of Defense, under its Priority Placement Program;
   (5) The number of second reviews and the results of those reviews;
   (6) The number of CTAP eligibles who declined job offers; and
   (7) The name, title, and telephone number of the agency official responsible for the report.
(c) Reports should be addressed to: U.S. Office of Personnel Management, Workforce Restructuring Office, Employment Service, 1900 E Street, NW., Washington, DC 20415, FAX: 202-606-2329.

§ 330.611 Oversight.
OPM provides advice and assistance to agencies in implementing their Career Transition Assistance Programs. OPM is also responsible for oversight of agency CTAPs and may conduct reviews of the plans at any time.

Subpart G—Interagency Career Transition Assistance Plan for Displaced Employees

AUTHORITATIVE: Presidential memorandum dated September 12, 1995, entitled “Career Transition Assistance for Federal Employees”.

SOURCE: 62 FR 31323, June 9, 1997, unless otherwise noted.
§ 330.701 Purpose.

(a) This subpart implements the President’s memorandum of September 12, 1995, to establish a special inter-agency career transition assistance program for Federal employees during a period of severe Federal downsizing.

(b) This subpart is effective July 9, 1997.

(c) The provisions of the Reemployment Priority List (RPL) set forth in subpart B of this part will remain in effect during the period of severe Federal downsizing. When an agency considers candidates from outside the agency for vacancies, registrants in an agency’s RPL have priority for selection over employees eligible under this subpart in accordance with § 330.705.

(d) This subpart applies only when agencies are making selections from outside their workforce, and does not prohibit movement within an agency, as permitted by subpart F of this part.

§ 330.702 Duration.

This subpart will expire on September 30, 2001, unless the Office of Personnel Management extends the program based on its determination that the Federal Government is still experiencing an emergency downsizing situation.

[64 FR 40509, July 27, 1999]

The original announcement must have stated that an extension was possible without further announcement. This exception includes extensions granted by OPM to
§ 330.707 Reporting vacancies to OPM.

Such information must contain guidance to the employee on how to apply for vacancies under the ICTAP, and what documentation is generally required as proof of eligibility.

(b) Agencies must take reasonable steps to ensure eligible employees are notified of all vacancies the agency is filling and what is required for them to be determined well-qualified for the vacancies.

(c) Each agency is required to advise, in writing, ICTAP candidates who apply for specific vacancies within its local commuting area of the results of their application, and whether or not they were found well-qualified. If they are not found well-qualified, such notice must include information on the results of an independent, second review conducted by the agency. If an applicant is found well-qualified, and another well-qualified surplus or displaced candidate is selected, the applicant must be so advised.
§ 330.708 Application and selection.

(a) Application.

(1) To receive this special selection priority, eligible employees must apply directly to agencies for specific vacancies in the local commuting area within the prescribed time frames, attach the appropriate proof of eligibility as described in paragraph (a)(2) of this section, and be determined well-qualified by the agency for the specific position.

(2) Employees may submit the following as proof of eligibility for the special selection priority:

(i) RIF separation notice, or notice of proposed removal for declining a directed reassignment or transfer of function to another commuting area;

(ii) Documentation, e.g., SF-50, Notification of Personnel Action, showing that they were separated as a result of reduction in force, or for declining a transfer of function or directed reassignment to another commuting area;

(b) Selection. In making selections, an agency will adhere to the overall order of selection set forth in §330.705. In addition, the following apply:

(1) An agency cannot select another candidate from outside the agency if eligible employees are available for the vacancy or vacancies.

(2) If two or more eligible employees apply for a vacancy and are determined to be well-qualified, any of these eligible employees may be selected.

(3) If no eligible employees apply or none is deemed well-qualified, the agency may select another candidate without regard to this subpart. (This flexibility does not apply to selections made from the agency’s Reemployment Priority List as described in subpart B of this part.)

(c) An agency may select a candidate from its Career Transition Assistance Plan or Reemployment Priority List, as described in subparts F and B of this part respectively, or another current agency employee (if no eligible employees are available through its CTAP) at any time.

§ 330.709 Qualification reviews.

Subpart L—Interagency Career Transition Assistance for Displaced Former Panama Canal Zone Employees

SOURCE: 65 FR 52294, Aug. 29, 2000, unless otherwise noted.

§ 330.1201 Purpose.

This subpart implements Section 1232 of Public Law 96–70 (the Panama Canal Act of 1979) and provides eligible displaced employees of the former Panama Canal Zone with interagency special selection priority for continuing
Federal vacant positions in the continental United States.

§ 330.1202 Definitions.

For purposes of this subpart:

(a) Agency means an Executive Department, a Government corporation, and an independent establishment as cited in 5 U.S.C. 105. For the purposes of this program, the term “agency” includes all components of an organization, including its Office of Inspector General.

(b) Canal Zone is the definition set forth in 22 U.S.C. 3602(b)(1), and means the areas and installations in the Republic of Panama made available to the United States pursuant to the Panama Canal Treaty of 1977 and related agreements;

(c) Eligible displaced employee of the former Panama Canal Zone means a citizen of the United States who:

(1) Held a position in the Panama Canal Employment System that is in retention tenure group 1 or 2, as defined in §351.501(a) of this chapter;

(2)(i) Was an employee of the Panama Canal Company or the Canal Zone Government on March 31, 1979, and was continuously employed in the former Panama Canal Zone under the Panama Canal Employment System; or

(3) Held a position that was eliminated as the result of the implementation of the Panama Canal Treaty of 1977 and related agreements;

(4) Was not appointed to another appropriate Federal position located in the Republic of Panama; and

(5) Received a specific notice of separation by reduction in force, and meets the additional eligibility criteria covered in §330.1203.

(d) Special selection priority means that an eligible displaced employee of the former Panama Canal Zone who applies for a competitive service vacancy, and who the hiring agency in the continental United States determines is well-qualified, has the same special selection priority as a current or former displaced Federal employee who is eligible under 5 CFR part 330, subpart G (the Interagency Career Transition Assistance Plan), or under 5 CFR part 330, subpart K (Federal Employment Priority Consideration for Displaced Employees of the District of Columbia Department of Corrections). Eligible displaced employees of the former Panama Canal Zone have special selection priority under this subpart to positions throughout the continental United States.

(ii) Is rated by the agency to be above minimally qualified in accordance with the agency's specific rating and ranking process. Generally, this means that the individual may or may not meet the agency’s test for highly qualified, but would in fact, exceed the minimum qualifications for the position;
(3) Is physically qualified, with reasonable accommodation where appropriate, to perform the essential duties of the position;

(4) Meets any special qualifying condition(s) that OPM has approved for the position;

(5) Is able to satisfactorily perform the duties of the position upon entry; and

(6) Has a last performance rating of at least “Fully Successful” or equivalent.

(2) The date that the employee receives a career, career-conditional, or excepted appointment without time limit in any agency at any grade level; or

(3) The date that the employee is separated involuntarily for cause prior to the effective date of the reduction in force action.

(b) Except as provided in §330.705(c), when filling a position from outside the agency’s workforce, the agency must select:

When there is no register appropriate as a whole for the certification of eligibles for a particular position, OPM may prepare a certificate from the most nearly appropriate existing register by the selective certification of eligibles qualified for the particular position in the order of their ranking on the register. Special overseas selection factors may also be used as a basis for selective certification from a register used for filling overseas positions. When appropriate, OPM may rerate the eligibles on the register on the basis of the particular requirements of the position.
§ 332.404 Order of selection from certificates.

An appointing officer, with sole regard to merit and fitness, shall select an eligible for:

An appointing officer is not required to consider an eligible who has been considered by him for three separate appointments from the same or different certificates for the same position.

§ 332.406 Objections to eligibles.

(a) An appointing officer is not required to consider an eligible to whose certification for the particular position he makes an objection that is sustained by OPM for any of the reasons stated in § 339.101 or § 731.201 of this chapter or for other reasons considered by OPM to be disqualifying for the particular position. OPM may also sustain an objection to certification of an otherwise qualified eligible for an overseas position on the basis of special overseas selection factors.

(b) An appointing officer may not pass over a preference eligible to select a non-preference eligible unless an objection to the preference eligible is sustained by OPM.

(c) Pending OPM action on an agency’s objection to an eligible, the agency may not appoint an eligible who would be within reach only if the objection is sustained.

(d) Paragraphs (b) and (c) of this section, do not apply if the agency has more than one position to fill from the same certificate and holds a position for the individual objected to in the event OPM does not sustain the objection.

(e) Agencies shall follow the procedures for objecting to an eligible published by OPM in the Federal Personnel Manual.

[42 FR 61240, Dec. 2, 1977]

§ 335.101 Effect of position change on status and tenure.

(a) Status. A position change authorized by §335.102 does not change the competitive status of an employee.

(b) Tenure. Except as provided in paragraph (c) of this section and §316.703 of this chapter, a position change authorized by §335.102 does not change the tenure of an employee.

(c) Exceptions. (1) A career-conditional employee who is promoted, demoted, or reassigned to a position paid under chapter 45 of title 39, United States Code, or required by law to be filled on a permanent basis becomes a career employee.

(2) A career employee who is promoted, demoted, or reassigned from a position paid under chapter 45 of title 39, United States Code, or required by law to be filled on a permanent basis to a position under the career-conditional employment system becomes a career-conditional employee unless he has completed the service requirement for career tenure.

[33 FR 12428, Sept. 4, 1968]

§ 335.102 Agency authority to promote, demote, or reassign.

Subject to §335.103 and, when applicable, to part 319 of this chapter, an agency may:

(a) Promote, demote, or reassign a career or career-conditional employee;

(b) Reassign an employee serving under a temporary appointment pending establishment of a register to a position to which his original assignment could have been made by the same appointing officer from the same recruiting list under the same order of consideration;

(c) Promote, demote, or reassign an employee serving under a temporary appointment of indefinite duration or an overseas limited appointment of indefinite duration or an overseas limited term appointment to another position to which an initial appointment under §301.201, §301.202, or §301.203 of this chapter is authorized;

(d) Promote, demote, or reassign (1) a status quo employee and (2) an employee serving under an indefinite appointment in a competitive position, except that this authority may not be used to move an employee:

(i) From a position in which an initial overseas limited appointment is authorized to another position; or

(ii) To a position in which an initial overseas limited appointment is authorized from another position; and

(e) Promote, demote, or reassign a term employee serving under a given project to another position within the project which the agency has been authorized to fill by term appointment;

(f) Make time-limited promotions to fill temporary positions, accomplish project work, fill positions temporarily pending reorganization or downsizing, or meet other temporary needs for a specified period of not more than 5 years, unless OPM authorizes the agency to make and/or extend time-limited promotions for a longer period.

(1) The agency must give the employee advance written notice of the conditions of the time-limited promotion, including the time limit of the promotion; the reason for a time limit; the requirement for competition for promotion beyond 120 days, where applicable; and that the employee may be returned at any time to the position from which temporarily promoted, or to a different position of equivalent grade and pay, and the return is subject to the procedures in parts 351, 432, 752, or 771 of this chapter. When an agency effects a promotion under a nondiscretionary provision and is unable to give advance notice to the employee, it must provide the notice as soon as possible after the promotion is made.

(2) This paragraph applies to a career, career-conditional, status quo, indefinite, or term employee and to an employee serving under an overseas limited appointment of indefinite duration, or an overseas limited term appointment.

§ 335.103 Agency promotion programs.

(a) Merit promotion plans. Except as otherwise specifically authorized by OPM, an agency may make promotions
§ 335.103

under § 335.102 of this part only to positions for which the agency has adopted and is administering a program designed to insure a systematic means of selection for promotion according to merit. These programs shall conform to the requirements of this section.

(b) Merit promotion requirements. (1) Requirement 1. Each agency must establish procedures for promoting employees which are based on merit and are available in writing to candidates. Agencies must list appropriate exceptions, including those required by law or regulation, as specified in paragraph (c) of this section. Actions under a promotion plan—whether identification, qualification, evaluation, or selection of candidates—shall be made without regard to political, religious, or labor organization affiliation or nonaffiliation, marital status, race, color, sex, national origin, nondisqualifying physical handicap, or age, and shall be based solely on job-related criteria.

(2) Requirement 2. Areas of consideration must be sufficiently broad to ensure the availability of high quality candidates, taking into account the nature and level of the positions covered. Agencies must also ensure that employees within the area of consideration who are absent for legitimate reason, e.g., on detail, on leave, at training courses, in the military service, or serving in public international organizations or on Intergovernmental Personnel Act assignments, receive appropriate consideration for promotion.

(3) Requirement 3. To be eligible for promotion or placement, candidates must meet the minimum qualification standards prescribed by the Office of Personnel Management (OPM). Methods of evaluation for promotion and placement, and selection for training which leads to promotion, must be consistent with instructions in part 300, subpart A, of this chapter. Due weight shall be given to performance appraisals and incentive awards.

(4) Requirement 4. Selection procedures will provide for management’s right to select or not select from among a group of best qualified candidates. They will also provide for management’s right to select from other appropriate sources, such as reemployment priority lists, reinstatement, transfer, handicapped, or Veteran Readjustment Act eligibles or those within reach on an appropriate OPM certificate. In deciding which source or sources to use, agencies have an obligation to determine which is most likely to best meet the agency mission objectives, contribute fresh ideas and new viewpoints, and meet the agency’s affirmative action goals.

(5) Requirement 5. Administration of the promotion system will include recordkeeping and the provision of necessary information to employees and the public, ensuring that individuals’ rights to privacy are protected. Each agency must maintain a temporary record of each promotion sufficient to allow reconstruction of the promotion action, including documentation on how candidates were rated and ranked. These records may be destroyed after 2 years or after the program has been formally evaluated by OPM (whichever comes first) if the time limit for grievance has lapsed before the anniversary date.

(c) Covered personnel actions—(1) Competitive actions. Except as provided in paragraphs (c)(2) and (3) of this section, competitive procedures in agency promotion plans apply to all promotions under § 335.102 of this part and to the following actions:

(i) Time-limited promotions under § 335.102(f) of this part for more than 120 days to higher graded positions (prior service during the preceding 12 months under noncompetitive time-limited promotions and noncompetitive details to higher graded positions counts toward the 120-day total). A temporary promotion may be made permanent without further competition provided the temporary promotion was made known to all potential candidates;

(ii) Details for more than 120 days to a higher grade position or to a position with higher promotion potential (prior service during the preceding 12 months under noncompetitive time-limited promotions counts toward the 120-day total);
(iii) Selection for training which is part of an authorized training agreement, part of a promotion program, or required before an employee may be considered for a promotion as specified in §410.302 of this chapter;

(iv) Reassignment or demotion to a position with more promotion potential than a position previously held on a permanent basis in the competitive service (except as permitted by reduction-in-force regulations);

(v) Transfer to a position at a higher grade or with more promotion potential than a position previously held on a permanent basis in the competitive service; and

(vi) Reinstatement to a permanent or temporary position at a higher grade or with more promotion potential than a position previously held on a permanent basis in the competitive service.

(2) Noncompetitive actions. Competitive procedures do not apply to:

(i) A promotion resulting from the upgrading of a position without significant change in the duties and responsibilities due to issuance of a new classification standard or the correction of an initial classification error; and

(ii) A position change permitted by reduction-in-force procedures in part 351 of this chapter.

(3) Discretionary actions. Agencies may at their discretion except the following actions from competitive procedures of this section:

(i) A promotion without current competition of an employee who was appointed in the competitive from a civil service register, by direct hire, by noncompetitive appointment or noncompetitive conversion, or under competitive promotion procedures for an assignment intended to prepare the employee for the position being filled (the intent must be made a matter of record and career ladders must be documented in the promotion plan);

(ii) A promotion resulting from an employee’s position being classified at a higher grade because of additional duties and responsibilities;

(iii) A temporary promotion, or detail to a higher grade position or a position with known promotion potential, of 120 days or less;

(iv) Promotion to a grade previously held on a permanent basis in the competitive service (or in another merit system with which OPM has an interchange agreement approved under $6.7 of this chapter) from which an employee was separated or demoted for other than performance or conduct reasons;

(v) Promotion, reassignment, demotion, transfer, reinstatement, or detail to a position having promotion potential no greater than the potential of a position an employee currently holds or previously held on a permanent basis in the competitive service (or in another merit system with which OPM has an interchange agreement approved under §6.7 of this chapter) and did not lose because of performance or conduct reasons; and

(vi) Consideration of a candidate not given proper consideration in a competitive promotion action.

(vii) Appointments of career SES appointees with competitive service reinstatement eligibility to any position for which they qualify in the competitive service at any grade or salary level, including Senior-Level positions established under 5 CFR Part 319—Employment in Senior-Level and Scientific and Professional positions.

(d) Grievances. Employees have the right to file a complaint relating to a promotion action. Such complaints shall be resolved under appropriate grievance procedures. The standards for adjudicating complaints are set forth in part 300, subpart A, of this chapter. While the procedures used by an agency to identify and rank qualified candidates may be proper subjects for formal complaints or grievances, nonselection from among a group of properly ranked and certified candidates is not an appropriate basis for a formal complaint or grievance. There is no right of appeal of OPM, but OPM may conduct investigations of substantial violations of OPM requirements.

§ 335.104 Eligibility for career ladder promotion.

No employee shall receive a career ladder promotion unless he or her current rating of record under part 330 of this chapter is “Fully Successful”
§ 335.105 Notice of job announcements to OPM.

Under 5 U.S.C. 3330, agencies are required to report job announcements to OPM for vacancies for which an agency will accept applications from outside the agency’s work force. This requirement is implemented through §330.102 of this chapter.

[61 FR 11501, Mar. 21, 1996]

§ 335.106 Special selection procedures for certain veterans under merit promotion.

Preference eligibles or veterans who have been separated under honorable conditions from the armed forces after completing (as determined by the agency) 3 or more years of continuous active military service may compete for vacancies under merit promotion when an agency accepts applications from individuals outside its own workforce. Those veterans selected will be given career or career conditional appointments under §315.611 of this chapter.

PART 337—EXAMINING SYSTEM

Subpart A—General Provisions

Sec.

337.101 Rating applicants.

337.102 Evaluating qualifications for employees who are in a retained grade.

Subpart A—General Provisions

§ 337.101 Rating applicants.

(a) OPM shall prescribe the relative weights to be given subjects in an examination, and shall assign numerical ratings on a scale of 100. Except as provided in §930.203(a) of this chapter, each applicant who meets the minimum requirements for entrance to an examination and is rated 70 or more in the examination is eligible for appointment.

(b) OPM shall add to the earned numerical ratings of applicants who make a passing grade:

(1) Five points for applicants who are preference eligibles under section 2108(3)(A) and (B) of title 5, United States Code; and

(2) Ten points for applicants who are preference eligibles under section 2108(3)(C)–(G) of that title.

(c) When experience is a factor in determining eligibility, OPM shall credit time spent in the military service (i) as an extension of time spent in the position in which he was employed immediately before his entrance into the military service, or (ii) on the basis of actual duties performed in the military service, or (iii) as a combination of both methods. OPM shall credit time spent in the military service according to the method that will be of most benefit to the preference eligible.

PART 338—QUALIFICATION REQUIREMENTS (GENERAL)

Subpart A—Citizenship Requirements

Sec. 338.101 Citizenship.

Subpart B [Reserved]

Subpart C—Consideration for Appointment

338.301 Competitive service appointment.

Subparts D–E [Reserved]

Subpart F—Age Requirements

338.601 Prohibition of maximum-age requirements.

Subpart A—Citizenship Requirements

§ 338.101 Citizenship.

(a) A person may be admitted to competitive examination only if he is a citizen of or owes permanent allegiance to the United States.

(b) A person may be given an appointment in the competitive service only if he or she is a citizen of or owes permanent allegiance to the United States. However, a noncitizen may be given an appointment in rare cases under §316.601 of this chapter, unless the appointment is prohibited by statute.

(c) Paragraph (b) of this section applies to reinstatement and transfer as well as to other noncompetitive appointments, and to conversion to career or career-conditional employment.

Subpart B [Reserved]
§ 339.101 Coverage.

This part applies to all applicants for and employees in competitive service positions; and to excepted service employees when medical issues arise in connection with an OPM regulation which governs a particular personnel decision, for example, removal of a preference eligible employee in the excepted service under part 752.

§ 339.102 Purpose and effect.

(a) This part defines the circumstances under which medical documentation may be acquired and examinations and evaluations conducted to determine the nature of a medical condition which may affect safe and efficient performance.

(b) Personnel decisions based wholly or in part on the review of medical documentation and the results of medical examinations and evaluations shall be made in accordance with appropriate parts of this title.

(c) Failure to meet a properly established medical standard or physical requirement under this part means that the individual is not qualified for the position unless a waiver or reasonable accommodation is indicated, as described in §§339.103 and 339.204. An employee’s refusal to be examined in accordance with a proper agency order authorized under this part is grounds for appropriate disciplinary or adverse action.

(54 FR 9763, Mar. 8, 1989, as amended at 60 FR 3061, Jan. 13, 1995)
§ 339.201 Disqualification by OPM.

Subject to subpart C of part 731 of this chapter, OPM may deny an applicant examination, deny an eligible appointment, and instruct an agency to remove an appointee by reason of physical or mental unfitness for the position for which he or she has applied, or to which he or she has been appointed. An OPM decision under this section is separate and distinct from a determination of disability under §831.502, 841.103, 844.202, or subpart L of part 831 of this title, and does not necessarily entitle the employee to disability retirement under sections 8337 or 8451 of title 5, United States Code.
§ 339.202 Medical standards.

OPM may establish or approve medical standards for a Governmentwide occupation (i.e., an occupation common to more than one agency). An agency may establish medical standards for positions that predominate in that agency (i.e., where the agency has 50 percent or more of the positions in a particular occupation). Such standards must be justified on the basis that the duties of the position are arduous or hazardous, or require a certain level of health status or fitness because the nature of the positions involve a high degree of responsibility toward the public or sensitive national security concerns. The rationale for establishing the standard must be documented. Standards established by OPM or an agency must be:

(a) Established by written directive and uniformly applied,
(b) Directly related to the actual requirements of the position, and
(c) Consistent with OPM instructions published in FPM chapter 339.

§ 339.203 Physical requirements.

Agencies are authorized to establish physical requirements for individual positions without OPM approval when such requirements are considered essential for successful job performance. The requirements must be clearly supported by the actual duties of the position and documented in the position description.

§ 339.204 Waiver of standards and requirements.

Agencies must waive a medical standard or physical requirement established under this part when there is sufficient evidence that an applicant or employee, with or without reasonable accommodation, can perform the essential duties of the position without endangering the health and safety of the individual or others.

§ 339.205 Medical evaluation programs.

Agencies may establish periodic examination or immunization programs by written policies or directives to safeguard the health of employees whose work may subject them or others to significant health or safety risks due to occupational or environmental exposure or demands. The need for a medical evaluation program must be clearly supported by the nature of the work. The specific positions covered must be identified and the applicants or incumbents notified in writing of the reasons for including the positions in the program.

§ 339.206 Disqualification on the basis of medical history.

A candidate may not be disqualified for any position solely on the basis of medical history. For positions with medical standards or physical requirements, or positions subject to medical evaluation programs, a history of a particular medical problem may result in medical disqualification only if the condition at issue is itself disqualifying, recurrence cannot medically be ruled out, and the duties of the position are such that a recurrence would pose a reasonable probability of substantial harm.

Subpart C—Medical Examinations

§ 339.301 Authority to require an examination.

(a) A routine preappointment examination is appropriate only for a position which has specific medical standards, physical requirements, or is covered by a medical evaluation program established under these regulations.
(b) Subject to § 339.103 of this part, an agency may require an individual who has applied for or occupies a position which has medical standards or physical requirements or which is part of an established medical evaluation program, to report for a medical examination:
(1) Prior to appointment or selection (including reemployment on the basis of full or partial recovery from a medical condition);
(2) On a regularly recurring, periodic basis after appointment; or
(3) Whenever there is a direct question about an employee’s continued capacity to meet the physical or medical requirements of a position.
(c) An agency may require an employee who has applied for or is receiving continuation of pay or compensation as a result of an on-the-job injury or disease to report for an examination.
to determine medical limitations that may affect placement decisions.

(d) An agency may require an employee who is released from his or her competitive level in a reduction in force to undergo a relevant medical evaluation if the position to which the employee has reassignment rights has medical standards or specific physical requirements which are different from those required in the employee’s current position.

(e)(1) An agency may order a psychiatric examination (including a psychological assessment) only when:

(i) The result of a current general medical examination which the agency has the authority to order under this section indicates no physical explanation for behavior or actions which may affect the safe and efficient performance of the individual or others, or

(ii) A psychiatric examination is specifically called for in a position having medical standards or subject to a medical evaluation program established under this part.

(2) A psychiatric examination or psychological assessment authorized under (i) or (ii) above must be conducted in accordance with accepted professional standards, by a licensed practitioner or physician authorized to conduct such examinations, and may only be used to make legitimate inquiry into a person’s mental fitness to successfully perform the duties of his or her position without undue hazard to the individual or others.

§ 339.302 Authority to offer examinations.

An agency may, at its option, offer a medical examination (including a psychiatric evaluation) in any situation where the agency needs additional medical documentation to make an informed management decision. This may include situations where an individual requests for medical reasons a change in duty status, assignment, working conditions, or any other benefit or special treatment (including reasonable accommodation or reemployment on the basis of full or partial recovery from a medical condition) or where the individual has a performance or conduct problem which may require agency action. Reasons for offering an examination must be documented. An offer of an examination shall be carried out and used in accordance with 29 CFR 1613.706.

§ 339.303 Examination procedures.

(a) When an agency orders or offers a medical examination under this subpart, it must inform the applicant or employee in writing of its reasons for doing so and the consequences of failure to cooperate. (A single notification is sufficient to cover a series of regularly recurring or periodic examinations ordered under this subpart.)

(b) The agency designates the examining physician or other appropriate practitioner, but must offer the individual an opportunity to submit medical documentation from his or her personal physician or practitioner. The agency must review and consider all such documentation supplied by the individual’s personal physician or practitioner.

§ 339.304 Payment for examination.

Agencies shall pay for all examinations ordered or offered under this subpart, whether conducted by the agency’s physician or the applicant’s or employee’s physician. Applicants and employees must pay for a medical examination conducted by a private physician (or practitioner) where the purpose of the examination is to secure a benefit sought by the applicant or employee.

§ 339.305 Records and reports.

(a) Agencies will receive and maintain all medical documentation and records of examinations obtained under this part in accordance with instructions provided by OPM, under provisions of 5 CFR part 293, subpart E.

(b) The report of an examination conducted under this subpart must be made available to the applicant or employee under the provisions of part 297 of this chapter.

(c) Agencies must forward to the Office of Workers’ Compensation Programs (OWCP), Department of Labor, a copy of all medical documentation and reports of examinations of individuals who are receiving or have applied for injury compensation benefits including continuation of pay. The agency must
also report to the OWCP the failure of such individuals to report for examinations that the agency orders under this subpart. When the individual has applied for disability retirement, this information must be forwarded to OPM.

§ 339.306 Processing medical eligibility determinations on certificates of eligibles.

(a) In accordance with the provisions of this part, agencies are authorized to medically disqualify a nonpreference eligible. A nonpreference eligible so disqualified has a right to a higher level review of the determination within the agency.
(b) OPM must approve the sufficiency of the agency’s reasons to:
(1) Medically disqualify or pass over a preference eligible on a certificate in place of a nonpreference eligible,
(2) Medically disqualify or pass over a 30 percent or more compensably disabled veteran for a position in the U.S. Postal Service in favor of a nonpreference eligible,
(3) Medically disqualify a 30 percent or more compensably disabled veteran for assignment to another position in a reduction in force, or
(4) Medically disqualify a 30 percent or more disabled veteran for noncompetitive appointment.

Subpart B—Regulatory Requirements—Part-Time Employment

SOURCE: 44 FR 57380, Oct. 5, 1979, as amended at 49 FR 17722, Apr. 25, 1984, unless otherwise noted.

§ 340.201 Regulatory requirements.

This subpart contains the regulations of the Office of Personnel Management which implement the above sections of chapter 34 (as set out in § 340.101).

(a) Definitions. Part-time career employment means regularly scheduled work of from 16 to 32 hours per week performed by an employee of an agency as defined in 5 U.S.C. 3401 (a) through (f), who has an appointment in tenure group I or II and who becomes employed on such part-time basis on or after April 8, 1979.

Tenure group I applies to employees in the competitive service under career appointments who are not serving probation and permanent employees in the excepted service whose appointments carry no restrictions or conditions.

Tenure group II applies to employees in the competitive service serving probation, career-conditional employees, and career employees in obligated positions. It also includes employees in the excepted service serving trial periods, whose tenure is indefinite solely because they occupy obligated positions; or whose tenure is equivalent to career-conditional in the competitive service.

(b) Agency Exceptions. As an exception to the general definition of part-time employment in § 340.202(a) and under the authority provided in 5 U.S.C. 3402(a)(3), an agency may permit an employee who has an appointment in tenure group I or II to perform regularly scheduled work of from 1 to 15 hours per week.

(c) Mixed Tours of Duty. The provisions of this subpart and the term “part-time career employment” do not apply to employees with appointments in tenure groups I or II who work under mixed tours of duty. For this purpose, a mixed tour of duty consists of annually recurring periods of full-time, part-time, or intermittent service as long as the employee does not work part-time more than 6 pay periods per calendar year.

§ 340.203 Technical assistance.

(a) The Office of Personnel Management shall provide, within available resources, consultation and technical advice and assistance to agencies to aid them in expanding career part-time employment opportunities. This assistance shall include but not be limited to:

(1) Help in developing part-time career employment programs;

(2) Information on public and private sector part-time employment practices;

(3) Development of special recruitment and selection techniques for filling part-time positions;

(4) Interpretations of part-time employment law, regulations and policy;

(5) Guidance on job sharing and position restructuring.

(b) Request for information and assistance should be directed to the Associate Director for Staffing Services, Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415, or the nearest OPM regional office.

§ 340.204 Agency reporting.

(a) Agency reports required under 5 U.S.C. 3407 shall be based on data as of March 31 and September 30 each year and shall be provided to the Office of Personnel Management no later than May 15 and November 15 respectively.

(b) Each agency shall include with such reports a copy of any agencywide part-time career employment program regulations and instructions issued during the 6-month period preceding the report date.

(c) Reports should be sent to the Associate Director for Staffing Services, Office of Personnel Management, 1900 E Street, NW., Washington, DC 20415.
§ 340.401 Definitions.

(a) Seasonal employment means annually recurring periods of work of less than 12 months each year. Seasonal employees are permanent employees who are placed in nonduty/nonpay status and recalled to duty in accordance with preestablished conditions of employment.

(b) Intermittent employment means employment without a regularly scheduled tour of duty.

§ 340.402 Seasonal employment.

(a) Appropriate use. Seasonal employment allows an agency to develop an experienced cadre of employees under career appointment to perform work which recurs predictably year-to-year. Consistent with the career nature of the appointments, seasonal employees receive the full benefits authorized to attract and retain a stable workforce. As a result, seasonal employment is appropriate when the work is expected to last at least 6 months during a calendar year. Recurring work that lasts less than 6 months each year is normally best performed by temporary employees. Seasonal employment may not be used as a substitute for full-time employment or as a buffer for the full-time workforce.

(b) Length of the season. Agencies determine the length of the season, subject to the condition that it be clearly tied to nature of the work. The season must be defined as closely as practicable so that an employee will have a reasonably clear idea of how much work he or she can expect during the year. To minimize the adverse impact of seasonal layoffs, an agency may assign seasonal employees to other work during the projected layoff period. While in nonpay status, a seasonal employee may accept other work, Federal or non-Federal, subject to the regulations on political activity (part 733 of this title) and on employee responsibilities and conduct (part 735), as well as applicable agency policies. Subject to the limitation on pay from more than one position (5 U.S.C. 5533), a seasonal employee may hold more than one appointment.

(c) Employment agreement. An employment agreement must be executed between the agency and the seasonal employee prior to the employee’s entering on duty. At a minimum, the agreement must inform the employee:

(1) That he or she is subject to periodic release and recall as a condition of employment.

(2) The minimum and maximum period the employee can expect to work.

(3) The basis on which release and recall procedures will be effected, and

(4) The benefits to which the employee will be entitled while in a nonpay status.

(d) Release and recall procedures. A seasonal employee is released to nonpay status at the end of a season and recalled to duty the next season. Release and recall procedures must be established in advance and uniformly applied. They may be based on performance, seniority, veterans’ preference, other appropriate indices, or a combination of factors. A seasonal layoff is not subject to the procedures for furlough prescribed in parts 351 and 752 of this title. Reduction in force or adverse action procedures, as applicable, are required for a seasonal layoff that is not in accordance with the employment agreement, for example, if an agency intends to have an employee work less than the minimum amount of time specified in the employment agreement. However, an agency may develop a new employment agreement to reflect changing circumstances.

(e) Noncompetitive movement. Seasonal employees serving under career appointment may move to other positions in the same way as other regular career employees.

§ 340.403 Intermittent employment.

(a) Appropriate use. An intermittent work schedule is appropriate only when the nature of the work is sporadic and unpredictable so that a tour of duty cannot be regularly scheduled in advance. When an agency is able to schedule work in advance on a regular
basis, it has an obligation to document
the change in work schedule from
intermittent to part-time or full-time
to ensure proper service credit.

(b) Noncompetitive movement. Inter-
mittent employees serving under ca-
reer appointment may move to other
positions in the same way as other reg-
ular career employees.

Subpart A [Reserved]

Subpart B—General Provisions

§ 351.201 Use of regulations.

(a)(1) Each agency is responsible for
determining the categories within
which positions are required, where
they are to be located, and when they
are to be filled, abolished, or vacated.
This includes determining when there
is a surplus of employees at a par-
ticular location in a particular line of
work.

(2) Each agency shall follow this part
when it releases a competing employee
from his or her competitive level by
furlough for more than 30 days, separa-
tion, demotion, or reassignment requir-
ing displacement, when the release is
required because of lack of work; short-
age of funds; insufficient personnel
celling; reorganization; the exercise of
reemployment rights or restoration
rights; or reclassification of an em-
ployee’s position due to erosion of du-
ties when such action will take effect
after an agency has formally an-
nounced a reduction in force in the em-
ployee’s competitive area and when the
reduction in force will take effect with-
in 180 days.
§ 351.202 Coverage.

(a) Employees covered. Except as provided in paragraph (b) of this section, this part applies to each civilian employee in:

(1) The executive branch of the Federal Government; and

(2) Those parts of the Federal Government outside the executive branch which are subject by statute to competitive service requirements or are determined by the appropriate legislative or judicial administrative body to be covered hereunder. Coverage includes administrative law judges except as modified by part 930 of this chapter.

(b) Employees excluded. This part does not apply to an employee:

(1) In a position in the Senior Executive Service; or

(2) Whose appointment is required by Congress to be confirmed by, or made with the advice and consent of, the United States Senate, except a postmaster.

(c) Actions excluded. This part does not apply to:

(1) The termination of a temporary or term promotion or the return of an employee to the position held before the temporary or term promotion or to one of equivalent grade and pay.

(2) A change to lower grade based on the reclassification of an employee’s position due to the application of new classification standards or the correction of a classification error.

(3) A change to lower grade based on reclassification of an employee’s position due to erosion of duties, except that this exclusion does not apply to such reclassification actions that will take effect after an agency has formally announced a reduction in force in the employee’s competitive area and when the reduction in force will take effect within 180 days. This exception ends at the completion of the reduction in force.

(4) The change of an employee from regular to substitute in the same pay level in the U.S. Postal Service field service.

(5) The release from a competitive level of a National Guard technician under section 709 of title 32, United States Code.

(6) Placement of an employee serving on an intermittent, part-time, on-call, or seasonal basis in a nonpay and nonduty status in accordance with conditions established at time of appointment.

(7) A change in an employee’s work schedule from other-than-full-time to full-time. (A change from full-time to other than full-time for a reason covered in §351.201(A)(2) is covered by this part.)

[51 FR 319, Jan. 3, 1986, as amended at 60 FR 3062, Jan. 13, 1995]

§ 351.203 Definitions.

In this part:

Competing employee means an employee in tenure group I, II, or III.

Current rating of record is the rating of record for the most recently completed appraisal period as provided in §351.504(b)(3).

Days means calendar days.

Function means all or a clearly identifiable segment of an agency’s mission (including all integral parts of that mission), regardless of how it is performed.

Furlough under this part means the placement of an employee in a temporary nonduty and nonpay status for
more than 30 consecutive calendar days, or more than 22 workdays if done on a discontinuous basis, but not more than 1 year.

Local commuting area means the geographic area that usually constitutes one area for employment purposes. It includes any population center (or two or more neighboring ones) and the surrounding localities in which people live and can reasonably be expected to travel back and forth daily to their usual employment.

Modal rating is the summary rating level assigned most frequently among the actual ratings of record that are:

1. Assigned under the summary level pattern that applies to the employee’s position of record on the date of the reduction in force;
2. Given within the same competitive area, or at the agency’s option within a larger subdivision of the agency or agencywide; and
3. On record for the most recently completed appraisal period prior to the date of issuance of reduction in force notices or the cutoff date the agency specifies prior to the issuance of reduction in force notices after which no new ratings will be put on record.

Rating of record has the meaning given that term in §430.203 of this chapter. For an employee not subject to 5 U.S.C. Chapter 43, or part 430 of this chapter, it means the officially designated performance rating, as provided for in the agency’s appraisal system, that is considered to be an equivalent rating of record under the provisions of §430.201(c) of this chapter.

Reorganization means the planned elimination, addition, or redistribution of functions or duties in an organization.

Representative rate means the fourth step of the grade for a position subject to the General Schedule, the prevailing rate for a position under a wage-board or similar wage-determining procedure, and for other positions, the rate designated by the agency as representative of the position.

Transfer of function means the transfer of the performance of a continuing function from one competitive area and its addition to one or more other competitive areas, except when the function involved is virtually identical to functions already being performed in the other competitive area(s) affected; or the movement of the competitive area in which the function is performed to another commuting area.

Undue interruption means a degree of interruption that would prevent the completion of required work by the employee 90 days after the employee has been placed in a different position under this part. The 90-day standard should be considered within the allowable limits of time and quality, taking into account the pressures of priorities, deadlines, and other demands. However, a work program would generally not be unduly interrupted even if an employee needed more than 90 days after the reduction in force to perform the optimum quality or quantity of work. The 90-day standard may be extended if placement is made under this part to a low priority program or to a vacant position.

§ 351.204 Responsibility of agency.

Each agency covered by this part is responsible for following and applying the regulations in this part when the agency determines that a reduction in force is necessary.

§ 351.205 Authority of OPM.

The Office of Personnel Management may establish further guidance and instructions for the planning, preparation, conduct, and review of reductions in force through the Federal Personnel Manual system. OPM may examine an agency’s preparations for reduction in force at any stage. When OPM finds that an agency’s preparations are contrary to the express provisions or to the spirit and intent of these regulations or that they would result in violation of employee rights or equities, OPM may require appropriate corrective action.

Subpart C—Transfer of Function

SOURCE: 52 FR 10024, Mar. 30, 1987, unless otherwise noted.
§351.301 Applicability.

(a) This subpart is applicable when the work of one or more employees is moved from one competitive area to another as a transfer of function regardless of whether or not the movement is made under authority of a statute, Executive order, reorganization plan, or other authority.

(b) In a transfer of function, the function must cease in the losing competitive area and continue in an identical form in the gaining competitive area (i.e., in the gaining competitive area, the function continues to be carried out by competing employees rather than by noncompeting employees).

[52 FR 10024, Mar. 30, 1987, as amended at 60 FR 3062, Jan. 13, 1995]

§351.302 Transfer of employees.

(a) Before a reduction in force is made in connection with the transfer of any or all of the functions of a competitive area to another continuing competitive area, each competing employee in a position identified with the transferring function or functions shall be transferred to the continuing competitive area without any change in the tenure of his or her employment.

(b) An employee whose position is transferred under this subpart solely for liquidation, and who is not identified with an operating function specifically authorized at the time of transfer to continue in operation more than 60 days, is not a competing employee for other positions in the competitive area gaining the function.

(c) Regardless of an employee’s personal preference, an employee has no right to transfer with his or her function, unless the alternative in the competitive area losing the function is separation or demotion.

(d) Except as permitted in paragraph (e) of this section, the losing competitive area must use the adverse action procedures found in 5 CFR part 752 if it chooses to separate an employee who declines to transfer with his or her function.

(e) The losing competitive area may, at its discretion, include employees who decline to transfer with their function as part of a concurrent reduction in force.

(f) An agency may not separate an employee who declines to transfer with the function any sooner than it transfers employees who chose to transfer with the function to the gaining competitive area.

(g) Agencies may ask employees in a canvass letter whether the employee wishes to transfer with the function when the function transfers to a different local commuting area. The canvass letter must give the employee information concerning entitlements available to the employee if the employee accepts the offer to transfer, and if the employee declines the offer to transfer. An employee may later change and initial acceptance offer without penalty. However, an employee may not later change an initial declination of the offer to transfer.

[52 FR 10024, Mar. 30, 1987, as amended at 60 FR 3062, Jan. 13, 1995]

§351.303 Identification of positions with a transferring function.

(a) The competitive area losing the function is responsible for identifying the positions of competing employees with the transferring function. A competing employee is identified with the transferring function on the basis of the employee’s official position. Two methods are provided to identify employees with the transferring function: (1) Identification Method One; and (2) Identification Method Two.

(b) Identification Method One must be used to identify each position to which it is applicable. Identification Method Two is used only to identify positions to which Identification Method One is not applicable.

(c) Under Identification Method One, a competing employee is identified with a transferring function if—

(1) The employee performs the function during at least half of his or her work time; or

(2) Regardless of the amount of time the employee performs the function during his or her work time, the function performed by the employee includes the duties controlling his or her grade or rate of pay.

(3) In determining what percentage of time an employee performs a function in the employee’s official position, the agency may supplement the employee’s
§ 351.403 Competitive level.

(a)(1) Each agency shall establish competitive levels consisting of all positions in a competitive area which are in the same grade (or occupational level) and classification series, and which are similar enough in duties, qualification requirements, pay schedules, and working conditions so that an agency may reassign the incumbent of one position to any of the other positions in the level without undue interruption.

(b) Identification Method Two is applicable to employees who perform the function during less than half of their work time and are not otherwise covered by Identification Method One. Under Identification Method Two, the losing competitive area must identify the number of positions it needed to perform the transferring function. To determine which employees are identified for transfer, the losing competitive area must establish a retention register in accordance with this part that includes the name of each competing employee who performed the function. Competing employees listed on the retention register are identified for transfer in the inverse order of their retention standing. If for any retention register this procedure would result in the separation or demotion by reduction in force at the losing competitive area of any employee with higher retention standing, the losing competitive area must identify competing employees on that register for transfer in the order of their retention standing.

(c) The competitive area losing the function may permit other employees to volunteer for transfer with the function in place of employees identified under Identification Method One or Identification Method Two. However, the competitive area may permit these other employees to volunteer for transfer only if no competing employee who is identified for transfer under Identification Method One or Identification Method Two is separated or demoted solely because a volunteer transferred in place of him or her to the competitive area that is gaining the function.

(d) If the total number of employees who volunteer for transfer exceeds the total number of employees required to perform the function in the competitive area that is gaining the function, the losing competitive area may give preference to the volunteers with the highest retention standing, or make selections based on other appropriate criteria.

Subpart D—Scope of Competition

§ 351.401 Determining retention standing.

Each agency shall determine the retention standing of each competing employee on the basis of the factors in this subpart and in subpart E of this part.

§ 351.402 Competitive area.

(a) Each agency shall establish competitive areas in which employees compete for retention under this part.

(b) A competitive area must be defined solely in terms of the agency’s organizational unit(s) and geographical location, and it must include all employees within the competitive area so defined. A competitive area may consist of all or part of an agency. The minimum competitive area is a subdivision of the agency under separate administration within the local commuting area.

(c) When a competitive area will be in effect less than 90 days prior to the effective date of a reduction in force, a description of the competitive area shall be submitted to the OPM for approval in advance of the reduction in force. Descriptions of all competitive areas must be made readily available for review.

(d) Each agency shall establish a separate competitive area for each Inspector General activity established under authority of the Inspector General Act of 1978, Public Law 95–452, as amended, in which only employees of that office shall compete for retention under this part.

§ 351.404

(2) Competitive level determinations are based on each employee’s official position, not the employee’s personal qualifications.

(3) Sex may not be the basis for a competitive level determination, except for a position OPM designates that certification of eligibles by sex is justified.

(4) A probationary period required by subpart I of part 315 of this chapter for initial appointment to a supervisory or managerial position is not a basis for establishing a separate competitive level.

(b) Each agency shall establish separate competitive levels according to the following categories:

(1) By service. Separate levels shall be established for positions in the competitive service and in the excepted service.

(2) By appointment authority. Separate levels shall be established for excepted service positions filled under different appointment authorities.

(3) By pay schedule. Separate levels shall be established for positions under different pay schedules.

(4) By work schedule. Separate levels shall be established for positions filled on a full-time, part-time, intermittent, seasonal, or on-call basis. No distinction may be made among employees in the competitive level on the basis of the number of hours or weeks scheduled to be worked.

(5) By trainee status. Separate levels shall be established for positions filled by an employee in a formally designated trainee or developmental program having all of the characteristics covered in §351.702(e)(1) through (e)(4) of this part.

(c) An agency may not establish a competitive level based solely upon:

(1) A difference in the number of hours or weeks scheduled to be worked by other-than-full-time employees who would otherwise be in the same competitive level;

(2) A requirement to work changing shifts;

(3) The grade promotion potential of the position; or

(4) A difference in the local wage areas in which wage grade positions are located.

§ 351.404 Retention register.

(a) When a competing employee is to be released from a competitive level under this part, the agency shall establish a separate retention register for that competitive level. The retention register is prepared from the current retention records of employees. Upon displacing another employee under this part, an employee retains the same status and tenure in the new position. Except for an employee on military duty with a restoration right, the agency shall enter on the retention register, in the order of retention standing, the name of each competing employee who is:

(1) In the competitive level;

(2) Temporarily promoted from the competitive level by temporary or term promotion; or

(3) Detailed from the competitive level under 5 U.S.C. 3341 or other appropriate authority.

(b)(1) The agency shall list, at the bottom of the list prepared under paragraph (b)(1) of this section, the name of each employee in the competitive level with a written decision of removal under part 432 or 752 of this chapter.

(62 FR 62500, Nov. 24, 1997)

§ 351.405 Demoted employees.

An employee who has received a written decision under part 432 or 752 of this chapter to demote him or her competes under this part from the position to which he or she will be or has been demoted.

Subpart E—Retention Standing

§351.501 Order of retention—competitive service.

(a) Competing employees shall be classified on a retention register on the basis of their tenure of employment, veteran preference, length of service, and performance in descending order as follows:

(1) By tenure group I, group II, group III; and

(2) Within each group by veteran preference subgroup AD, subgroup A, subgroup B; and

(3) Within each subgroup by years of service as augmented by credit for performance under §351.504, beginning with the earliest service date.

(b) Groups are defined as follows:

(1) Group I includes each career employee who is not serving a probationary period. (A supervisory or managerial employee serving a probationary period required by subpart I of part 315 of this title is in group I if the employee is otherwise eligible to be included in this group.) The following employees are in group I as soon as the employee completes any required probationary period for initial appointment:

(i) An employee for whom substantial evidence exists of eligibility to immediately acquire status and career tenure, and whose case is pending final resolution by OPM (including cases under Executive Order 10826 to correct certain administrative errors);

(ii) An employee who acquires competitive status and satisfies the service requirement for career tenure when the employee’s position is brought into the competitive service;

(iii) An administrative law judge;

(iv) An employee appointed under 5 U.S.C. 3104, which provides for the employment of specially qualified scientific or professional personnel, or a similar authority; and

(v) An employee who acquires status under 5 U.S.C. 3304(c) on transfer to the competitive service from the legislative or judicial branches of the Federal Government.

(2) Group II includes each career-conditional employee, and each employee serving a probationary period under subpart H of part 315 of this chapter. (A supervisory or managerial employee serving a probationary period required by subpart I of part 315 of this title is in group II if the employee has not completed a probationary period under subpart H of part 315 of this title.) Group II also includes an employee when substantial evidence exists of the employee’s eligibility to immediately acquire status and career-conditional tenure, and the employee’s case is pending final resolution by OPM (including cases under Executive Order 10826 to correct certain administrative errors).

(3) Group III includes all employees serving under indefinite appointments, temporary appointments pending establishment of a register, status quo appointments, term appointments, and any other nonstatus nontemporary appointments which meet the definition of provisional appointments contained in §§316.401 and 316.403 of this chapter.

(c) Subgroups are defined as follows:

(1) Subgroup AD includes each preference eligible employee who has a compensable service-connected disability of 30 percent or more.

(2) Group A includes each preference eligible employee not included in subgroup AD.

(3) Group B includes each nonpreference eligible employee.

(d) A retired member of a uniformed service is considered a preference eligible under this part only if the member meets at least one of the conditions of the following paragraphs (d)(1), (2), or (3) of this section, except as limited by paragraph (d)(4) or (d)(5):

(1) The employee’s military retirement is based on disability that either:

(i) Resulted from injury or disease received in the line of duty as a direct result of armed conflict; or

(ii) Was caused by an instrumentality of war incurred in the line of duty during a period of war as defined by sections 101 and 301 of title 38, United States Code.

(2) The employee’s retired pay from a uniformed service is not based upon 20 or more years of full-time active service, regardless of when performed but not including periods of active duty for training.

(3) The employee has been continuously employed in a position covered
§ 351.502 Order of retention—excepted service.

(a) Competing employees shall be classified on a retention register in tenure groups on the basis of their tenure of employment, veteran preference, length of service, and performance in descending order as set forth under § 351.501(a) for competing employees in the competitive service.

(b) Groups are defined as follows:

(1) Group I includes each permanent employee whose appointment carries no restriction or condition such as conditional, indefinite, specific time limit, or trial period.

(2) Group II includes each employee:

(i) Serving a trial period; or

(ii) Whose tenure is equivalent to a career-conditional appointment in the competitive service in agencies having such excepted appointments.

(3) Group III includes each employee:

(i) Whose tenure is indefinite (i.e., without specific time limit), but not actually or potentially permanent;

(ii) Whose appointment has a specific time limitation of more than 1 year; or

(iii) Who is currently employed under a temporary appointment limited to 1 year or less, but who has completed 1 year of current continuous service under a temporary appointment with no break in service of 1 workday or more.

[60 FR 3063, Jan. 13, 1995]

§ 351.503 Length of service.

(a) All civilian service as a Federal employee, as defined in 5 U.S.C. 2105(a), is creditable for purposes of this part. Civilian service performed in employment that does not meet the definition of Federal employee set forth in 5 U.S.C. 2105(a) is creditable for purposes of this part only if specifically authorized by statute as creditable for retention purposes.

(b)(1) As authorized by 5 U.S.C. 3502(a)(A), all active duty in a uniformed service, as defined in 5 U.S.C. 2101(3), is creditable for purposes of this part, except as provided in paragraphs (b)(2) and (b)(3) of this section.

(2) As authorized by 5 U.S.C. 3502(a)(B), a retired member of a uniformed service who is covered by § 351.501(d) is entitled to credit under this part only for:

(i) The length of time in active service in the Armed Forces during a war, or in a campaign or expedition for which a campaign or expedition badge has been authorized; or

(ii) The total length of time in active service in the Armed Forces if the employee is considered a preference eligible under 5 U.S.C. 2108 and 5 U.S.C. 3501(a), as implemented in § 351.501(d).

(3) An employee may not receive dual service credit for purposes of this part for service performed on active duty in the Armed Forces that was performed during concurrent civilian employment as a Federal employee, as defined in 5 U.S.C. 2105(a).

(c)(1) The agency is responsible for establishing both the service computation date, and the adjusted service computation date, applicable to each employee competing for retention under this part. If applicable, the agency is also responsible for adjusting the service computation date and the adjusted service computation date to withhold retention service credit for noncreditable service.

(2) The service computation date includes all actual creditable service under paragraph (a) and paragraph (b) of this section.
(3) The adjusted service computation date includes all actual creditable service under paragraph (a) and paragraph (b) of this section, and additional retention service credit for performance authorized by §351.504 (d) and (e).

(d) The service computation date is computed on the following basis:

(1) The effective date of appointment as a Federal employee under 5 U.S.C. 2105(a) when the employee has no previous creditable service under paragraph (a) or (b) of this section; or if applicable,

(2) The date calculated by subtracting the employee’s total previous creditable service under paragraph (a) or (b) of this section from the most recent effective date of appointment as a Federal employee under 5 U.S.C. 2105(a).

(e) The adjusted service computation date is calculated by subtracting from the date in paragraph (d)(1) or (d)(2) of this section the additional service credit for retention authorized by §351.504(d) and (e).

§ 351.504 Credit for performance.

NOTE TO §351.504: Compliance dates: Subject to the requirements of 5 U.S.C. Section 7119(a)(7), agencies may implement revised §351.504 at any time between December 24, 1997 and October 1, 1998. For reduction in force actions effective between December 24, 1997 and September 30, 1998, agencies may use either §351.504 effective December 24, 1997, or the prior §351.504 in 5 CFR part 351 (January 1, 1997 edition).

(a) Ratings used. (1) Only ratings of record as defined in §351.203 shall be used as the basis for granting additional retention service credit in a reduction in force.

(2) For employees who received ratings of record while covered by part 430, subpart B, of this chapter, those ratings of record shall be used to grant additional retention service credit in a reduction in force.

(3) For employees who received performance ratings while not covered by the provisions of 5 U.S.C. Chapter 43 and part 430, subpart B, of this chapter, those performance ratings shall be considered ratings of record for granting additional retention service credit in a reduction in force only when it is determined that those performance ratings are equivalent ratings of record under the provisions of §430.201(c) of this chapter. The agency conducting the reduction in force shall make that determination.

(2) To provide adequate time to determine employee retention standing, an agency may provide for a cutoff date, a specified number of days prior to the issuance of reduction in force notices after which no new ratings of record will be put on record and used for purposes of this subpart. When a cutoff date is used, an employee will receive performance credit for the three most recent ratings of record received during the 4-year period prior to the cutoff date.

(3) To be creditable for purposes of this subpart, a rating of record must have been issued to the employee, with all appropriate reviews and signatures, and must also be on record (i.e., the rating of record is available for use by the office responsible for establishing retention registers).

(4) The awarding of additional retention service credit based on performance for purposes of this subpart must be uniformly and consistently applied within a competitive area, and must be consistent with the agency’s appropriate issuance(s) that implement these policies. Each agency must specify in its appropriate issuance(s):

(i) The conditions under which a rating of record is considered to have been received for purposes of determining whether it is within the 4-year period prior to either the date the agency issues reduction in force notices or the agency-established cutoff date for ratings of record, as appropriate; and

(ii) If the agency elects to use a cutoff date, the number of days prior to the issuance of reduction in force notices after which no new ratings of record will be put on record and used for purposes of this subpart.
(c) **Missing ratings.** Additional retention service credit for employees who do not have three actual ratings of record during the 4-year period prior to the date of issuance of reduction in force notices or the 4-year period prior to the agency-established cutoff date for ratings of record permitted in paragraph (b)(2) of this section shall be determined under paragraphs (d) or (e) of this section, as appropriate, and as follows:

1. An employee who has not received any rating of record during the 4-year period shall receive credit for performance based on the modal rating for the summary level pattern that applies to the employee’s official position of record at the time of the reduction in force.

2. An employee who has received at least one but fewer than three previous ratings of record during the 4-year period shall receive credit for performance based on the modal rating for the summary level pattern that applies to the employee’s official position of record at the time of the reduction in force.

(d) **Single rating pattern.** If all employees in a reduction in force competitive area have received ratings of record under a single pattern of summary levels as set forth in §430.208(d) of this chapter, the additional retention service credit provided to employees shall be expressed in additional years of service and shall consist of the mathematical average (rounded in the case of a fraction to the next higher whole number) of the additional retention service credit provided for summary levels only in full years; the agency shall not establish additional retention service credit for summary levels below Level 3 (Fully Successful or equivalent).

(1) Twenty additional years of service for each rating of record with a Level 5 (Outstanding or equivalent) summary;

(2) Sixteen additional years of service for each rating of record with a Level 4 summary; and

(3) Twelve additional years of service for each rating of record with a Level 3 (Fully Successful or equivalent) summary.

(e) **Multiple rating patterns.** If an agency has employees in a competitive area who have ratings of record under more than one pattern of summary levels, as set forth in §430.208(d) of this chapter, it shall consider the mix of patterns and provide additional retention service credit for performance to employees expressed in additional years of service in accordance with the following:

1. Additional years of service shall consist of the mathematical average (rounded in the case of a fraction to the next higher whole number) of the additional retention service credit that the agency established for the summary levels of the employee’s applicable rating(s) of record.

2. The agency shall establish the amount of additional retention service credit provided for summary levels only in full years; the agency shall not establish additional retention service credit for summary levels below Level 3 (Fully Successful or equivalent).

3. When establishing additional retention service credit for summary levels at Level 3 (Fully Successful or equivalent) and above, the agency shall establish at least 12 years, and no more than 20 years, additional retention service credit for a summary level.

4. The agency may establish the same number of years additional retention service credit for more than one summary level.

5. The agency shall establish the same number of years additional retention service credit for all ratings of record with the same summary level in the same pattern of summary levels as set forth in §430.208(d) of this chapter.

6. The agency may establish a different number of years additional retention service credit for the same summary level in different patterns.

7. In implementing paragraph (e) of this section, the agency shall specify...
§ 351.506 Effective date of retention standing.

Except for applying the performance factor as provided in §351.504:

(a) The retention standing of each employee released from a competitive level in the order prescribed in §351.601 is determined as of the date the employee is so released.

(b) The retention standing of each employee retained in a competitive level as an exception under §351.606(b), §351.607, or §351.608, is determined as of the date the employee would have been released had the exception not been used. The retention standing of each employee retained under any of these provisions remains fixed until completion of the reduction in force action which resulted in the temporary retention.

(c) When an agency discovers an error in the determination of an employee’s retention standing, it shall correct the error and adjust any erroneous reduction-in-force action to accord with the employee’s proper retention standing as of the effective date established by this section.

§ 351.601 Order of release from competitive level.

(a) Each agency shall select competing employees for release from a competitive level under this part in the inverse order of retention standing, beginning with the employee with the lowest retention standing on the retention register. An agency may not release a competing employee from a competitive level while retaining in that level an employee with lower retention standing except:

(1) As required under §351.606 when an employee is retained under a mandatory exception or under §351.806 when an employee is entitled to a new written notice of reduction in force; or

(2) As permitted under §351.607 when an employee is retained under a permissive continuing exception or under §351.608 when an employee is retained under a permissive temporary exception.

(b) When employees in the same retention subgroup have identical service dates and are tied for release from a competitive level, the agency may select any tied employee for release.

§ 351.602 Prohibitions.

An agency may not release a competing employee from a competitive level while retaining in that level an employee with:

(a) A specifically limited temporary appointment;

(b) A specifically limited temporary or term promotion;

(c) A written decision under part 432 or 752 of this chapter of removal or demotion from the competitive level.

§ 351.603 Actions subsequent to release from competitive level.

An employee reached for release from a competitive level shall be offered assignment to another position in accordance with subpart G of this part. If the employee accepts, the employee shall be assigned to the position offered. If the employee has no assignment right or does not accept an offer under subpart G, the employee shall be furloughed or separated.

§ 351.604 Use of furlough.

(a) An agency may furlough a competing employee only when it intends within 1 year to recall the employee to duty in the position from which furloughed.

(b) An agency may not separate a competing employee under this part while an employee with lower retention standing in the same competitive level is on furlough.

(c) An agency may not furlough a competing employee for more than 1 year.

(d) When an agency recalls employees to duty in the competitive level from which furloughed, it shall recall them in the order of their retention standing, beginning with highest standing employee.

§ 351.605 Liquidation provisions.

When an agency will abolish all positions in a competitive area within 180 days, it must release employees in group and subgroup order consistent with §351.601(a). At its discretion, the agency may release the employees in group order without regard to retention standing within a subgroup, except as provided in §351.606. When an agency releases an employee under this section, the notice to the employee must cite this authority and give the date the liquidation will be completed. An agency may also apply §§351.607 and 351.608 in a liquidation.

[60 FR 2678, Jan. 11, 1995]

§ 351.606 Mandatory exceptions.

(a) Armed Forces restoration rights.

When a agency applies §351.601 or §351.605, it shall give retention priorities over other employees in the same subgroup to each group I or II employee entitled under 38 U.S.C. 2021 or 2024 to retention, as applicable, 6 months or 1 year after restoration, as provided in part 353 of this chapter.

(b) Use of annual leave to reach initial eligibility for retirement or continuance of health benefits.

(1) An agency shall make a temporary exception under this section to retain an employee who is being involuntarily separated under...
§ 351.608 Permissive temporary exceptions.

(a) General. (1) In accordance with this section, an agency may make a temporary exception to the order of release in §351.601 and to the action provisions of §351.603, when needed to retain an employee after the effective date of a reduction in force action. Except as otherwise provided in paragraphs (c) and (e) of this section, an agency may not make a temporary exception for more than 90 days.

(2) After the effective date of a reduction in force action, an agency may not amend or cancel the reduction in force notice of an employee retained under a temporary exception so as to avoid completion of the reduction in force action. This does not preclude the employee from receiving or accepting a job offer in the same competitive area in accordance with a Reemployment Priority List established under part 330, subpart B, of this chapter, or under a Career Transition Assistance Plan established under part 330, subpart E, of this chapter, or equivalent programs.

(b) Undue interruption. An agency may make a temporary exception for not more than 90 days when needed to continue an activity without undue interruption.

(c) Government obligation. An agency may make a temporary exception to satisfy a Government obligation to the retained employee without regard to the 90-day limit set forth under paragraph (a)(1) of this section.

(d) Sick leave. An agency may make a temporary exception to retain on sick leave a lower standing employee covered by chapter 63 of title 5, United States Code (or other applicable leave

§ 351.607 Permissive continuing exceptions.

An agency may make exception to the order of release in §351.601 and to the action provisions of §351.603 when needed to retain an employee on duties that cannot be taken over within 90 days and without undue interruption to the activity by an employee with higher retention standing. The agency shall notify in writing each higher-standing employee reached for release from the same competitive level of the reasons for the exception.

§ 351.608 Permissive temporary exceptions.

(a) General. (1) In accordance with this section, an agency may make a temporary exception to the order of release in §351.601, and to the action provisions of §351.603, when needed to retain an employee on duties that cannot be taken over within 90 days and without undue interruption to the activity by an employee with higher retention standing. The agency shall notify in writing each higher-standing employee reached for release from the same competitive level of the reasons for the exception.

(2) An agency shall make a temporary exception under this section to retain an employee who is being involuntarily separated under authority of part 752 of this chapter because of the employee’s decision to decline relocation (including transfer of function), and who elects to use annual leave to remain on the agency’s rolls after the effective date the employee would otherwise have been separated by adverse action, in order to establish initial eligibility for immediate retirement under 5 U.S.C. 8336, 8412, or 8414, and/or to establish initial eligibility under 5 U.S.C. 8905 to continue health benefits coverage into retirement.

(3) An employee retained under paragraph (b) by this section must be covered by chapter 63 of title 5, United States Code.

(4) An agency may not retain an employee under paragraph (b) of this section past the date that the employee first becomes eligible for immediate retirement, or for continuation of health benefits into retirement, except that an employee may be retained long enough to satisfy both retirement and health benefits requirements.

(5) Except as permitted by 5 CFR 351.608(d), an agency may not approve an employee’s use of any other type of leave after the employee has been retained under a temporary exception authorized by paragraph (b) of this section.

(6) Annual leave for purposes of paragraph (b) of this section is described in §630.212 of this chapter.

(c) Documentation. Each agency shall record on the retention register, for inspection by each employee, the reasons for any deviation from the order of release required by §351.601 or §351.605.

[82 FR 10962, Mar. 10, 1997]
system for Federal employees), who is on approved sick leave on the effective date of the reduction in force, for a period not to exceed the date the employee’s sick leave is exhausted. Use of sick leave for this purpose must be in accordance with the requirements in part 630, subpart D, of this chapter (or other applicable leave system for Federal employees). Except as authorized by §351.606(b), an agency may not approve an employee’s use of any other type of leave after the employee has been retained under this paragraph (d).

(e)(1) An agency may make a temporary exception to retain on accrued annual leave a lower standing employee who:
   (i) Is being involuntarily separated under this part;
   (ii) Is covered by a Federal leave system under authority other than chapter 63 of title 5, United States Code; and,
   (iii) Will attain first eligibility for an immediate retirement benefit under 5 U.S.C. 8336, 8412, or 8414 (or other authority), and/or establish eligibility under 5 U.S.C. 8905 (or other authority) to carry health benefits coverage into retirement during the period represented by the amount of the employee’s accrued annual leave.

   (2) An agency may not approve an employee’s use of any other type of leave after the employee has been retained under this paragraph (e).

   (3) This exception may not exceed the date the employee first becomes eligible for immediate retirement or for continuation of health benefits into retirement, except that an employee may be retained long enough to satisfy both retirement and health benefits requirements.

   (4) Accrued annual leave includes all accumulated, accruing, and restored annual leave, as applicable, in addition to annual leave earned and available to the employee after the effective date of the reduction in force. When approving a temporary exception under this provision, an agency may not advance annual leave or consider any annual leave that might be credited to an employee’s account after the effective date of the reduction in force other than annual leave earned while in an annual leave status.

   (f) Other exceptions. An agency may make a temporary exception under this section to extend an employee’s separation date beyond the effective date of the reduction in force when the temporary retention of a lower standing employee does not adversely affect the right of any higher standing employee who is released ahead of the lower standing employee. The agency may establish a maximum number of days, up to 90 days, for which an exception may be approved.

   (g) Notice to employees. When an agency approves an exception for more than 30 days, it must:

   (1) Notify in writing each higher standing employee in the same competitive level reached for release of the reasons for the exception and the date the lower standing employee’s retention will end; and

   (2) List opposite the employee’s name on the retention register the reasons for the exception and the date the employee’s retention will end.

Subpart G—Assignment Rights (Bump and Retreat)

§351.701 Assignment involving displacement.

(a) General. When a group I or II competitive service employee with a current annual performance rating of record of minimally successful (Level 2) or equivalent, or higher, is released from a competitive level, an agency shall offer assignment, rather than furlough or separate, in accordance with paragraphs (b), (c), and (d) of this section to another competitive position which requires no reduction, or where possible reduction, in representative rate. The employee must be qualified for the offered position. The offered position shall be in the same competitive area, last at least 3 months, and have the same type of work schedule (e.g., full-time, part-time, intermittent, or seasonal) as the position from which the employee is released. Upon accepting an offer of assignment, or displacing another employee under this part, an employee retains the same status and tenure in the new position. The promotion potential
of the offered position is not a consideration in determining an employee’s right of assignment.

(b) Lower subgroup—bumping. A released employee shall be assigned in accordance with paragraph (a) of this section and bump to a position that:

(1) Is held by another employee in a lower tenure group or in a lower subgroup within the same tenure group; and

(2) Is no more than three grades (or appropriate grade intervals or equivalent) below the position from which the employee was released.

(c) Same subgroup-retreating. A released employee shall be assigned in accordance with paragraphs (a) and (d) of this section and retreat to a position that:

(1) Is held by another employee with lower retention standing in the same tenure group and subgroup; and

(2) Is not more than three grades (or appropriate grade intervals or equivalent) below the position from which the employee was released, except that for a preference eligible employee with a compensable service-connected disability of 30 percent or more the limit is five grades (or appropriate grade intervals or equivalent). (The agency uses the grade progression of only the released employee’s position of record to determine the applicable grades (or appropriate grade intervals or equivalent) of the employee’s retreat right.

The agency does not consider the grade progression of the position to which the employee has a retreat right.); and

(3) Is the same position, or an essentially identical position, formerly held by the released employee on a permanent basis as a competing employee in a Federal agency (i.e., when held by the released employee in an executive, legislative, or judicial branch agency, the position would have been placed in tenure groups I, II, or III, or equivalent). In determining whether a position is essentially identical, the determination is based on the competitive level criteria found in §351.403, but not necessarily in regard to the respective grade, classification series, type of work schedule, or type of service, of the two positions.

(d) Limitation. An employee with a current annual performance rating of record of minimally successful (Level 2) or equivalent may be assigned under paragraph (c) of this section only to a position held by another employee with a current annual performance rating of record no higher than minimally successful (Level 2) or equivalent.

(e) Pay rates. (1) The determination of equivalent grade intervals shall be based on a comparison of representative rates.

(2) Each employee’s assignment rights shall be determined on the basis of the pay rates in effect on the date of issuance of specific reduction-in-force notices, except that when it is officially known on the date of issuance of notices that new pay rates have been approved and will become effective by the effective date of the reduction in force, assignment rights shall be determined on the basis of the new pay rates.

(f)(1) In determining applicable grades (or grade intervals) under §§351.701(b)(2) and 351.701(c)(2), the agency uses the grade progression of the released employee’s position of record to determine the grade (or interval) limits of the employee’s assignment rights.

(2) For positions covered by the General Schedule, the agency must determine whether a one-grade, two-grade, or mixed grade interval progression is applicable to the position of the released employee.

(3) For positions not covered by the General Schedule, the agency must determine the normal line of progression for each occupational series and grade level to determine the grade (or interval) limits of the released employee’s assignment rights. If the agency determines that there is no normal line of progression for an occupational series and grade level, the agency provides the released employee with assignment rights to positions within three actual grades lower on a one-grade basis. The normal line of progression may include positions in different pay systems.

(4) For positions where no grade structure exists, the agency determines a line of progression for each occupation and pay rate, and provides assignment rights to positions within three grades (or intervals) lower on that basis.
§351.702 Qualifications for assignment.

(a) Except as provided in §351.703, an employee is qualified for assignment under §351.701 if the employee:

(1) Meets the OPM standards and requirements for the position, including any minimum educational requirement, and any selective placement factors established by the agency;

(2) Is physically qualified, with reasonable accommodation where appropriate, to perform the duties of the position;

(3) Meets any special qualifying condition which the OPM has approved for the position; and

(4) Has the capacity, adaptability, and special skills needed to satisfactorily perform the duties of the position without undue interruption. This determination includes recency of experience, when appropriate.

(b) The sex of an employee may not be considered in determining whether an employee is qualified for a position, except for positions which OPM has determined certification of eligibles by sex is justified.

(c) An employee who is released from a competitive level during a leave of absence because of a compensable injury may not be denied an assignment right solely because the employee is not physically qualified for the duties of the position if the physical disqualification resulted from the compensable injury. Such an employee must be afforded appropriate assignment rights subject to recovery as provided by 5 U.S.C. 8151 and part 353 of this chapter.

(d) If an agency determines, on the basis of evidence before it, that a preference eligible employee who has a compensable service-connected disability of 30 percent or more is not able to fulfill the physical requirements of a position to which the employee would otherwise have been assigned under this part, the agency must notify the OPM of this determination. At the same time, the agency must notify the employee of the reasons for the determination and of the right to respond, within 15 days of the notification, to the OPM which will require the agency to demonstrate that the notification was timely sent to the employee’s last known address. The OPM shall make a final determination concerning the physical ability of the employee to perform the duties of the position. This determination must be made before the agency may select any other person for the position. When the OPM has completed its review of the proposed disqualification on the basis of physical disability, it must send its finding to both the agency and the employee. The agency must comply with the findings of the OPM. The functions of the OPM under this paragraph may not be delegated to an agency.

(e) An agency may formally designate as a trainee or developmental position a position in a program with all of the following characteristics:

(1) The program must have been designed to meet the agency’s needs and requirements for the development of skilled personnel;

(2) The program must have been formally designated, with its provisions made known to employees and supervisors;

(3) The program must be developmental by design, offering planned growth in duties and responsibilities, and providing advancement in recognized lines of career progression; and

(4) The program must be fully implemented, with the participants chosen through standard selection procedures. To be considered qualified for assignment under §351.701 to a formally designated trainee or developmental position in a program having all of the characteristics covered in paragraphs (e)(1), (2), (3), and (4) of this section, an
employee must meet all of the conditions required for selection and entry into the program.

[51 FR 319, Jan. 3, 1986, as amended at 60 FR 3063, Jan. 13, 1995]

§ 351.703 Exception to qualifications.

An agency may assign an employee to a vacant position under §351.201(b) or §351.701 of this part without regard to OPM’s standards and requirements for the position if:

(a) The employee meets any minimum education requirement for the position; and

(b) The agency determines that the employee has the capacity, adaptability, and special skills needed to satisfactorily perform the duties and responsibilities of the position.

[56 FR 65417, Dec. 17, 1991]

§ 351.704 Rights and prohibitions.

(a)(1) An agency may satisfy an employee’s right to assignment under §351.701 by assignment to a vacant position under §351.201(b), or by assignment under any applicable administrative assignment provisions of §351.705, to a position having a representative rate equal to that the employee would be entitled under §351.701. An agency may also offer an employee assignment under §351.201(b) to a vacant position in lieu of separation by reduction in force under 5 CFR part 351. Any offer of assignment under §351.201(b) to a vacant position must meet the requirements set forth under §351.701.

(2) An agency may, at its discretion, choose to offer a vacant other-than-full-time position to a full-time employee or to offer a vacant full-time position to an other-than-full-time employee in lieu of separation by reduction in force.

(b) Section 351.701 does not:

(1) Authorize or permit an agency to assign an employee to a position having a higher representative rate;

(2) Authorize or permit an agency to displace a full-time employee by an other-than-full-time employee, or to satisfy an other-than-full-time employee’s right to assignment by assigning the employee to a vacant full-time position.

(3) Authorize or permit an agency to displace an other-than-full-time employee by a full-time employee, or to satisfy a full-time employee’s right to assignment by assigning the employee to a vacant other-than-full-time position.

(4) Authorize or permit an agency to assign a competing employee to a temporary position (i.e., a position under an appointment not to exceed 1 year), except as an offer of assignment in lieu of separation by reduction in force under this part when the employee has no right to a position under §351.701 or §351.704(a)(1) of this part. This option does not preclude an agency from, as an alternative, also using a temporary position to reemploy a competing employee following separation by reduction in force.

(5) Authorize or permit an agency to displace an employee or to satisfy a competing employee’s right to assignment by assigning the employee to a position with a different type of work schedule (e.g., full-time, part-time, intermittent, or seasonal) than the position from which the employee is released.

§ 351.705 Administrative assignment.

(a) An agency may, at its discretion, adopt provisions which:

(1) Permit a competing employee to displace an employee with lower retention standing in the same subgroup consistent with §351.701 when the agency cannot make an equally reasonable assignment by displacing an employee in a lower subgroup;

(2) Permit an employee in subgroup III–AD to displace an employee in subgroup III–A or III–B, or permit an employee in subgroup III–A to displace an employee in subgroup III–B consistent with §351.701; or

(3) Provide competing employees in the excepted service with assignment rights to other positions under the same appointing authority on the same basis as assignment rights provided to competitive service employees under §351.701 and in paragraphs (a)(1) and (2) of this section.
§ 351.801 Notice period.

(a)(1) Each competing employee selected for release from a competitive level under this part is entitled to a specific written notice at least 60 full days before the effective date of release.

(2) At the same time an agency issues a notice to an employee, it must give a written notice to the exclusive representative(a), as defined in 5 U.S.C. 7103(a)(16), of each affected employee at the time of the notice. When a significant number of employees will be separated, an agency must also satisfy the notice requirements of §§351.803(b) and (c).

(b) When a reduction in force is caused by circumstances not reasonably foreseeable, the Director of OPM, at the request of an agency head or designee, may approve a notice period of less than 60 days. The shortened notice period must cover at least 30 full days before the effective date of release. An agency request to OPM shall specify:

(1) The reduction in force to which the request pertains;

(2) The number of days by which the agency requests that the period be shortened;

(3) The reasons for the request; and

(4) Any other additional information that OPM may specify.

(c) The notice period begins the day after the employee receives the notice.

(d) When an agency retains an employee under §351.607 or §351.608, the notice to the employee shall cite the date on which the retention period ends as the effective date of the employee’s release from the competitive level.

§ 351.802 Content of notice.

(a)(1) The action to be taken, the reasons for the action, and its effective date;

(2) The employee’s competitive area, competitive level, subgroup, service date, and three most recent ratings of record received during the last 4 years;

(3) The place where the employee may inspect the regulations and record pertinent to this case;

(4) The reasons for retaining a lower-standing employee in the same competitive level under §351.607 or §351.608;

(5) Information on reemployment rights, except as permitted by §351.803(a); and

(6) The employee’s right, as applicable, to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations or to grieve under a negotiated grievance procedure. The agency shall also comply with §1201.21 of this title.

§ 351.803 Notice of eligibility for reemployment and other placement assistance.

(a) An employee who receives a specific notice of separation under this...
part must be given information concerning the right to reemployment consideration and career transition assistance under subparts B (Reemployment Priority List), F, and G (Career Transition Assistance Programs) of part 330 of this chapter. The employee must also be given a release to authorize, at his or her option, the release of his or her resume and other relevant employment information for employment referral to the State unit or entity established under title I of the Workforce Investment Act of 1998 and potential public or private sector employers. The employee must also be given information concerning how to apply both for unemployment insurance through the appropriate State program and benefits available under the State’s Workforce Investment Act of 1998 programs, and an estimate of severance pay (if eligible).

(b) When 50 or more employees in a competitive area receive separation notices under this part, the agency must provide written notification of the action, at the same time it issues specific notices of separation to employees, to:

(1) The State or the entity designated by the State to carry out rapid response activities under title I of the Workforce Investment Act of 1998;
(2) The chief elected official of local government(s) within which these separations will occur; and
(3) OPM.
(c) The notice required by paragraph (b) of this section must include:
(1) The number of employees to be separated from the agency by reduction in force (broken down by geographic area or other basis specified by OPM);
(2) The effective date of the separations; and
(3) Any other information specified by OPM, including information needs identified from consultation between OPM and the Department of Labor to facilitate delivery of placement and related services.

§ 351.805 New notice required.
(a) An employee is entitled to a written notice of at least 60 full days if the agency decides to take an action more severe than first specified.
(b) An agency must give an employee an amended written notice if the reduction in force is changed to a later date. A reduction in force action taken after the date specified in the notice given to the employee is not invalid for that reason, except when it is challenged by a higher-standing employee in the competitive level who is reached out of order for a reduction in force action as a result of the change in dates.
(c) An agency must give an employee an amended written notice and allow the employee to decide whether to accept a better offer of assignment under subpart G of this part that becomes available before or on the effective date of the reduction in force. The agency must give the employee the amended notice regardless of whether the employee has accepted or rejected a previous offer of assignment, provided that the employee has not voluntarily separated from his or her official position.

§ 351.806 Status during notice period.
When possible, the agency shall retain the employee on active duty status during the notice period. When in an emergency the agency lacks work or funds for all or part of the notice period, it may place the employee on annual leave with or without his or her consent, or leave without pay with his or her consent, or in a nonpay status without his or her consent.
§ 351.807 Certification of Expected Separation.

(a) For the purpose of enabling otherwise eligible employees to be considered for eligibility to participate in dislocated worker programs under the Workforce Investment Act of 1998 administered by the U.S. Department of Labor, an agency may issue a Certificate of Expected Separation to a competing employee who the agency believes, with a reasonable degree of certainty, will be separated from Federal employment by reduction in force procedures under this part. A certification may be issued up to 6 months prior to the effective date of the reduction in force.

(b) This certification may be issued to a competing employee only when the agency determines:

1. There is a good likelihood the employee will be separated under this part;
2. Employment opportunities in the same or similar position in the local commuting area are limited or nonexistent;
3. Placement opportunities within the employee’s own or other Federal agencies in the local commuting area are limited or nonexistent; and
4. If eligible for optional retirement, the employee has not filed a retirement application or otherwise indicated in writing an intent to retire.

(c) A certification is to be addressed to each individual eligible employee and must be signed by an appropriate agency official. A certification must contain the expected date of reduction in force, a statement that each factor in paragraph (b) of this section has been satisfied, and a description of Workforce Investment Act of 1998, title I programs, the Interagency Placement Program, and the Reemployment Priority List.

(d) A certification may not be used to satisfy any of the notice requirements elsewhere in this subpart.

(e) An agency determination of eligibility for certification may not be appealed to OPM or the Merit Systems Protection Board.

(f) An agency may also enroll eligible employees in the Interagency Placement Program and the Reemployment Priority List up to 6 months in advance of a reduction in force. For requirements and criteria for these programs, see subparts B and C of part 330 of this chapter.

Subpart I—Appeals and Corrective Action

§ 351.901 Appeals.

An employee who has been furloughed for more than 30 days, separated, or demoted by a reduction in force action may appeal to the Merit Systems Protection Board.

[52 FR 46051, Dec. 4, 1987]

§ 351.902 Correction by agency.

When an agency decides that an action under this part was unjustified or unwarranted and restores an individual to the former grade or rate of pay held or to an intermediate grade or rate of pay, it shall make the restoration retroactively effective to the date of the improper action.

§ 352.202 Request for Letter of Authority.

When an agency believes that an emergency situation is so critical as to justify offers of reemployment rights, it may request OPM to issue a Letter of Authority. In submitting the request the agency shall present its justification in terms of the standards provided in § 352.203.

§ 352.203 Standards for issuing Letters of Authority.

OPM will determine the standards to be used in issuing Letters of Authority, which shall include the following:

(a) The positions to be filled must be related to emergency situations for which the usual recruiting methods are inadequate.

(b) The positions must be a part of a specific program immediately essential to the national interest.

(c) The positions must be essential to the functioning of the program.

(d) There must be substantial basis for the belief that reemployment rights will be a significant and reasonable aid in meeting the emergency situation.

§ 352.204 Basic eligibility for reemployment rights.

(a) Employees eligible. The following employees in the executive branch of the Government are eligible to be granted reemployment rights when they are hired by another executive agency without break in service of a full workday by transfer or reinstatement, or by excepted appointment, in a position which the agency is currently authorized to fill with reemployment rights:

(1) An employee serving in a competitive position under a career or career-conditional appointment;

(2) An employee serving in an obligated position;

(3) An employee serving with reemployment rights granted under this subpart;

(4) An employee who has received a notice of involuntary separation because of reduction in force or otherwise; or

(5) An employee who has already submitted a resignation.

§ 352.205 Appeal of losing agency.

An appointing officer who intends to employ with reemployment rights an employee of another executive agency shall give the losing agency written notice at least 15 calendar days before the effective date of the proposed action. If the losing agency believes the grant of reemployment rights would be detrimental to the public interest, it may appeal the proposed grant to OPM within 15 calendar days after receipt of the notice. The losing agency, at the same time, shall furnish a copy of the appeal to the prospective appointing officer, who shall withhold the proposed grant pending decision on the appeal. OPM shall determine whether the employee will be given reemployment rights and notify both agencies accordingly. If the losing agency does not appeal within 15 calendar days, the employee shall be granted reemployment rights.

§ 352.205a Authority to return employee to his or her former or successor agency.

The transfer of an employee with a grant of reemployment rights under this subpart authorizes the return of the employee to his or her former or successor agency—

(a) Without a break in service of 1 workday or more in a position at the same or higher grade in the same occupational field and geographical area as the position he or she last held in the former or successor agency—

(1) An employee who is serving a probationary or trial period under an appointment to a position in the excepted or competitive service or the SES.

(2) An employee serving in an obligated position;

(3) An employee serving with reemployment rights granted under this subpart;

(4) An employee who has received a notice of involuntary separation because of reduction in force or otherwise; or

(5) An employee who has already submitted a resignation.

§ 352.205b Authority to return an SES employee to his or her former or successor agency.

The transfer of a career SES appointee with a grant of reemployment rights under this subpart authorizes the return of the employee to his or her former or successor agency when the employee is reemployed in his or her former or successor agency—

(a) Without a break in service of 1 workday or more in any position in the SES for which the employee is qualified; and

(b) At not less than the SES pay level at which the employee was being paid immediately before his or her transfer.

[51 FR 25187, July 11, 1986]

§ 352.206 Expiration of reemployment rights.

Reemployment rights granted under a Letter of Authority expire at the end of 2 years following the date of the personnel action, unless exercised or otherwise terminated before that time, except that the reemployment rights of an employee serving outside the continental United States extend for an additional period of 3 months.

§ 352.207 Exercise or termination of reemployment rights.

(a) Exercise. The time limits for application for reemployment under this subpart are:

(1) Within 30 calendar days before the expiration of the term of reemployment rights;

(2) Within 30 calendar days after receipt of notice of involuntary separation;

(3) At least 30 calendar days in advance of the person’s scheduled entry into active military duty. In this case he shall be reemployed and separated, furloughed, or granted leave of absence for military service by the reemploying agency; or

(4) At any time before the expiration of the term of reemployment rights with the written consent of the current employing agency if application for reemployment is made within 30 days after date of separation, or after receipt of advance notice of proposed demotion by the current employing agency.

(b) Termination. An employee’s reemployment rights terminate if:

(1) He fails to apply within the time limits stated in paragraph (a) of this section;

(2) He resigns without the written consent of the current employing agency; or

(3) Within 10 calendar days, he fails to accept an offer of reemployment made under §352.208 which is determined to be a proper offer of reemployment by the reemploying agency or by the Merit Systems Protection Board on appeal.

§ 352.208 Agency’s obligation to reemploy.

(a) Employee’s right to reemployment. An employee is entitled to be reemployed by the reemploying agency as promptly as possible but not more than 30 calendar days after receipt of his application. Except as provided in paragraph (c) of this section, the employee is entitled to reemployment in the occupational field and at the same grade or level and in the same geographical area as the position which the employee last held in that agency. If the reemployment would cause the separation or demotion of another employee, the applicant shall then be considered an employee for the purpose of applying the reduction-in-force regulations (5 CFR part 351) to determine to what, if any, position, he or she is entitled.

(b) Reemployment in a higher grade. The reemploying agency may reemploy the employee in a position of higher grade than that to which he is entitled, but not if this reemployment would cause the displacement of another employee.

(c) Reemployment in SES. When the employee’s right is to a position in the SES, reemployment or return may be to any position in the SES for which the employee is qualified.

(d) Seniority in postal service. On reemployment in the postal service, the employee is entitled to the seniority he would have attained had he remained in the postal service.
(e) Basis for agency refusal to reemploy. An agency may refuse to reemploy under this section only when the employee was last separated for serious cause evidencing his unsuitability for reemployment. 

§ 352.209 Employee appeals to the Merit Systems Protection Board. 

When an agency denies reemployment to a person claiming reemployment rights under this subpart, the agency shall inform him or her of that denial by a written notice. In the same notice, the agency shall inform him/her of his/her right to appeal to the Merit Systems Protection Board under the provisions of the Board's regulations. The agency shall comply with the provisions of §1201.21 of this title.

Subpart C—Detail and Transfer of Federal Employees to International Organizations

SOURCE: 35 FR 16525, Oct. 23, 1970, unless otherwise noted.

§ 352.301 Purpose.

The purpose of this subpart is to encourage details and transfers of employees for service with international organizations as authorized by sections 3343 and 3581–3584 of title 5, United States Code, and to provide procedures for participation in the program.

§ 352.302 Definitions.

In this subpart:
(a) Agency, employee, international organization, and transfer have the meaning given them by section 3581 of title 5, United States Code;
(b) Detail has the meaning given it by section 3343 of title 5, United States Code; and
(c) Term of employment means not more than (1) 5 consecutive years of employment, except that when the Secretary of State determines it to be in the national interest, the detail or transfer may be extended up to an additional 3 years, or (2) the period of less than 5 years specified at the time of consent to transfer or detail, beginning with entrance on duty in the international organization.

§ 352.303 Effective date of equalization allowance.

Section 352.310 applies to employment with an international organization that occurs after December 29, 1969.

§ 352.304 International organizations covered.

Without prior approval of OPM, an agency may detail or transfer an employee under this subpart to any organization which OPM has designated in the Federal Personnel Manual as an international organization. An agency may detail or transfer an employee under this subpart to any other public international organization or international organization preparatory commission, only when OPM, after consultation with the Department of State, agrees that the organization concerned could be designated in the Federal Personnel Manual as an international organization covered by sections 3343 and 3581 of title 5, United States Code.

§ 352.305 Eligibility for detail.

An employee, including a person serving under a career appointment in the Senior Executive Service (SES), is eligible to be detailed to an international organization with the rights provided for in, and in accordance with, section 3343 of title 5, United States Code, and this subpart. 

[51 FR 25188, July 11, 1986]

§ 352.306 Length of details.

A detail or series of details shall not exceed 5 consecutive years, except that when the Secretary of State, on the recommendation of the head of the agency, determines it to be in the national interest, the 5-year detail may be extended for up to an additional 3 years. A detail or series of details or combination of details and transfers shall not exceed 8 years in the aggregate.
§ 352.307 Eligibility for transfer.

An employee is eligible for transfer to an international organization with the rights provided for in, and in accordance with, sections 3581–3584 of title 5, United States Code, and this subpart, except the following:

(a) A Presidential appointee (other than a postmaster, a Foreign Service officer or a Foreign Service information officer), regardless of whether his appointment was made by and with the advice and consent of the Senate.

(b) A person serving in the executive branch in a confidential or policy-determining position excepted from the competitive service under Schedule C of part 213 of this chapter.

(c) A person serving under a noncareer, limited emergency, or limited term appointment in the SES.

(d) A person serving under a temporary appointment pending establishment of a register.

(e) A person serving under an appointment specifically limited to 1 year or less.

(f) A person serving on a seasonal, intermittent, or part-time basis.

§ 352.308 Effecting employment by transfer.

(a) Authority to approve transfers. On written request by an international organization for the services of an employee, the agency may authorize the transfer of the employee to the organization for any period not to exceed 5 years, except that when the Secretary of State determines it to be in the national interest, a period of employment by transfer may be extended, subject to the approval of the head of the agency, for up to an additional 3 years. A transfer or series of transfers or combination of details and transfers shall not exceed 8 years in the aggregate. Refusal by the head of the agency to authorize the transfer or the extension of the transfer is not reviewable by or appealable to OPM.

(b) Letter of consent. When an agency consents to the transfer of an employee, the agency shall give its consent in writing to the international organization and shall furnish the employee with a copy of the consent.

(c) Effective date. The agency and the international organization shall establish the effective date of transfer by mutual agreement.

(d) Recording requirement. The agency shall furnish the employee with a statement of his leave account when he is separated for transfer. In addition, the agency shall include on the personnel action form effecting the employee’s separation for transfer, (1) identification of the international organization to which he transfers, (2) a clear statement of the period during which he has reemployment rights in the agency under section 3582 of title 5, United States Code, and this subpart, and of the legal and regulatory conditions of his reemployment.

§ 352.309 Retirement, health benefits, and group life insurance.

(a) Agency and employee action. At the time of consent to the transfer of an employee, the agency shall notify the employee in writing that it will make agency contributions and he will retain coverage with resulting rights and benefits under the retirement, health benefits, and group life insurance systems or any of them if employee payments are currently deposited in the respective funds. The employee shall acknowledge, in writing, receipt of the notice and state whether or not he wishes to retain his coverage under the retirement, health benefits, and group life insurance systems or any of them by continuing required employee payments.

(b) Agency responsibility. A transferred employee is deemed to remain an employee of the agency from which transferred for retirement, health benefits, and group life insurance purposes. For retirement and group life insurance purposes, the agency is responsible for determining the applicable rate of pay in accordance with the provisions of section 3583 of title 5, United States Code. The agency is also responsible for collecting, accounting for, and depositing in the respective funds all retirement, health benefits, and group life insurance employee payments required to be made for the purpose of protecting the rights of the employee.
§ 352.310 Equalization allowance.

(a) An employee transferred to an international organization is entitled to be paid in accordance with paragraphs (a)(1) through (4) of this section, an amount equal to the difference between the pay, allowances, post differential, and other monetary benefits paid by the international organizations and the pay, allowances, post differential, and other monetary benefits that would have been paid by the agency had he been detailed to the international organization under section 3343 of title 5, United States Code, (i) on reemployment; or (ii) on his death which occurs during the period of transfer or during the period after separation from an international organization when he is exercising or could exercise his reemployment rights.

1. To determine the difference, the Department of State defines pay (i) for the Federal Government, as the amount paid an employee before the deduction of State and local taxes, but after the deduction of hypothetical U.S. Federal tax using the standard deduction considering the number of exemptions and appropriate tax table prescribed by the Department; (ii) for international organizations following the Common System of Salaries and Allowances of the United Nations and Specialized Agencies, as the amount actually paid to the employee after the deduction of the Staff Assessment; (iii) for other international organizations, as the amount actually paid to the employee. In cases where pay is subject to State and local taxes, this shall be the pay before the deduction of the taxes.

2. Allowances, post differential, and other monetary benefits are defined by the Secretary of State as follows:

(i) Federal Government: The amount that would have been paid under sections 5921–5925 of title 5, United States Code, applicable provisions of chapters 100, 200, and 500 of the Standardized Regulations (Government Civilians Foreign Areas) and implementing agency regulations had the employee been detailed to the international organization under section 3343 of title 5, United States Code;

(ii) International organizations following the Common System of Salaries and Allowances of the United Nations and Specialized Agencies: The amount paid under pertinent provisions of the Staff Regulations and Rules of the United Nations and the Specialized Agencies;

(iii) Other international organizations not under the Common System of Salaries and Allowances of the United Nations and Specialized Agencies: The amount paid under pertinent conditions of service applied by the organizations as determined to be appropriate.
§ 352.311 Reemployment.

(a) A transferred employee is entitled to be reemployed in his or her former position or one of like seniority, status, and pay within 30 days of his or her application for reemployment if he or she meets the following conditions:

(1) He or she is separated, either voluntarily or involuntarily, within his or her term of employment with an international organization; and

(2) He or she applies for reemployment to his or her former agency or its successor no later than 90 days after his or her separation.

(b) When an employee’s right is to a position in the SES, reemployment or return may be to any position in the SES for which the employee is qualified. The employee shall be returned at not less than the SES pay level at which the employee was being paid immediately before his or her transfer, or if pay has been adjusted under §352.314(c), at not less than the adjusted pay level.

§ 352.312 When to apply.

An employee may apply for reemployment either before or after separation by the international organization. If he applies before separation, the 30-day period prescribed in §352.311 begins either within the date of the application or 30 days before the employee’s date of separation, whichever is later.

§ 352.313 Failure to reemploy and right of appeal.

(a) When an agency fails to reemploy an employee within 30 days of his/her application, it shall notify him/her in writing of the reasons and of his/her right to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations. The agency shall comply with the provisions of §1201.21 of this title.

(b) If the agency fails to reach and issue a decision to the employee within 30 days from his/her application for reemployment, the employee is entitled to appeal the failure of the agency to the Merit Systems Protection Board under the provisions of the Board’s regulations.

(c) An appeal alleging that the agency has failed to comply with any of the other provisions of sections 3343 and 3581–3584 of title 5, United States Code, or of this part may be submitted to the Merit Systems Protection Board under the provisions of the Board’s regulations.

§ 352.314 Consideration for promotion and pay increases.

(a) Each agency shall consider each employee detailed or transferred to an international organization for all promotions for which he would be considered were he not absent. A promotion based on this consideration is effective on the date it would have been made if the employee were not absent.

(b) When the position of an employee absent on detail or transfer to an international organization is regraded upward during his absence, his agency
shall place him in the regraded position.

(c) Each agency shall consider each employee detailed or transferred to an international organization from an ungraded pay system for all pay increases for which the employee would be considered were the employee not absent. An increase is effective on the date it would have been made if the employee were not absent.

Subpart D—Employment of Presidential Appointees and Elected Officers by the International Atomic Energy Agency

§ 352.401 Purpose.

The purpose of this subpart is to implement section 6(b) of the International Atomic Energy Agency Participation Act of 1957 and Executive Order 10774 as amended by Executive Order 10804 to protect the civil service rights and privileges, wherever appropriate, of Presidential appointees and elected officers who leave their positions and within 90 days enter employment with the International Atomic Energy Agency.

§ 352.402 Coverage.

This subpart applies to all officers, as defined in §352.403(b), of any branch of the Federal Government.

§ 352.403 Definitions.

In this subpart:

(a) Agency means the International Atomic Energy Agency;

(b) Officer means any Presidential appointee or elected officer who leaves his position after August 27, 1957, and within 90 days enters employment with the agency; and

(c) Term of employment means not more than 3 consecutive years of employment beginning with entrance on duty in the agency.

§ 352.404 Retirement and insurance.

(a) Coverage. (1) To obtain retirement benefits for a term of employment with the agency, an officer covered by subchapter III of chapter 83 of title 5 United States Code, within 90 days after the date he is separated from the agency, shall pay to OPM all necessary employee deductions and agency contributions for coverage under that subchapter for his term of employment with the agency. Interest shall not be charged an officer on any payment of necessary employee deductions and agency contributions. The amount of the employee deductions so paid shall be added to the officer’s lump-sum credit in the Civil Service Retirement and Disability Fund.

(2) To retain coverage under chapter 87 of title 5, United States Code, during his term of employment with the agency, an officer covered by that chapter shall currently pay employee deductions and agency contributions necessary for coverage under that chapter for his term of employment with the agency. Collections may be made under procedures which may be determined in accordance with written agreements reached between accounting representatives of OPM and the agency.

(3) All retirement and insurance benefits and obligations shall be computed in the same manner as if the rate of basic pay the officer was receiving on the last day he was in his Federal position before employment with the agency had continued without change.

(4) An officer not covered by either subchapter III of chapter 83, or chapter 87, of title 5, United States Code, in the Federal position which he last held or from which he separates to enter employment with the agency does not acquire coverage or benefits under these statutes based on employment with the agency.

(b) Death coverage. An officer who dies during his term of employment or within 90 days of his separation therefrom is deemed to have died in the Federal Service.

§ 352.405 Resumption of Federal service.

(a) Pay increase. Except for an employee whose right is to a position in the Senior Executive Service (SES), an
officer who is reemployed in the Federal position which he or she left or one of like seniority, status, and pay within 90 days of his or her separation from the agency following a term of employment, is entitled to the rate of basic pay to which he/she would have been entitled had he or she remained in the Federal service. When the employee’s right is to a position in the SES, this subpart authorizes reemployment to any position in the SES for which the employee is qualified at not less than the SES pay level at which the employee was being paid immediately before his or her transfer.

(b) Sick leave account. An officer shall have any sick leave account which he may have had in his last Federal position reestablished for credit or charge, if he returns to an appropriate leave system within 52 calendar weeks after the date he is separated from his term of employment with the agency.

(c) Service credit for agency employment. An officer who is reemployed in the Federal service within 90 days after completion of his term of employment with the agency is entitled to credit as Federal service for his term of employment with the agency. However, OPM shall give service credit for subchapter III of chapter 83 of title 5, United States Code, purposes only if the officer complies with the requirements of §352.404(a)(1).

§352.502 Coverage.

This subpart applies to any of the following serving in a position in the Federal Government:

(a) A person serving in the competitive service under a career or career-conditional appointment.

(a) Act means the Foreign Assistance Act of 1961, as amended (22 U.S.C. 2151 et seq.); and

(b) Former position means the position that an employee was occupying at the time of his appointment to a position under authority of section 233(d) or section 625(b) of the Act.

§352.504 Basic entitlement.

Subject to the conditions specified in this subpart, an employee who is appointed to a position under authority of section 233(d) or section 625(b) of the Act is entitled, on termination of that appointment for any reason other than his or her own misconduct or delinquency, to be reinstated in his or her former position or in one of like seniority, status, and pay in the same agency. When the employee’s right is to a position in the SES, reinstatement may be to any position in the SES for which the employee is qualified. The employee shall be returned at not less than the SES pay level at which the employee was being paid immediately before his or her transfer. If the functions with which the employee’s former position was identified have been transferred to another agency, the employee’s right to reinstatement is in the gaining agency.
§ 352.505 Proposed termination.

At least 45 days before termination of the appointment of an employee entitled to reinstatement, the agency terminating the employee shall notify the employee and his former agency in writing of the proposed termination. However, notification under this section is not required when:

(b) The employee is reinstated without a break in service under an arrangement made between the agencies concerned.

§ 352.506 Application for reinstatement.

An employee who desires reinstatement shall apply for reinstatement, in writing, no later than 30 days after his appointment under authority of section 233(d) or section 625(b) of the Act is terminated, unless arrangement has been made for his reinstatement without a break in service under § 352.505(b).

An employee eligible for reinstatement is entitled to be reinstated as soon as possible after his application for reinstatement, filed in accordance with § 352.506, is received. In any event, he is entitled to be reinstated (a) within 30 days after his application for reinstatement is received, or (b) on termination of the appointment made under authority of section 233(d) or section 625(b) of the act, whichever is later.

[36 FR 13897, July 28, 1971]

(a) Employees entitled. The following employees of the Bureau of Indian Affairs, Department of the Interior, and the Indian Health Service and the Public Health Service of the Department of Health and Human Services, are granted reemployment rights subject to the conditions of this subpart, to the Bureau of Indian Affairs, the Indian Health Service, or the Public Health Service, as appropriate, if they leave their Federal employment to be employed, with no break in service following separation from their agency, by an Indian tribal organization to work in a function of their respective agency contracted under the Indian Self-Determination Act to be performed by that tribal organization:

(1) An employee serving in a competitive position under a career or career-conditional appointment and who has satisfactorily completed at least 6 months of a probationary period; or

(2) A non-temporary excepted service employee who has satisfactorily completed at least 6 months of a trial period if one is required by the agency.

(3) An employee serving under a career appointment in the Senior Executive Service (SES) who is not serving a probationary period.

(b) Employees not entitled. The following employees are not entitled to reemployment rights under this subpart:

(1) An employee who has received a notice of involuntary separation because of reduction in force, or other cause, not directly related to contracting under the Act to a tribal organization;

(2) An employee whose resignation has been accepted for reasons other than to accept tribal employment under this subpart;

(3) An employee serving under a Schedule C excepted appointment.

(c) Not related to other benefits. Entitlement to reemployment rights does not depend on continuation of Federal employee benefits coverage during service with a tribal organization.

§ 352.704 Duration of reemployment rights.

(a) Termination of authority. Rights are not granted to persons who leave Federal employment for employment with a tribal organization after the date (December 31, 1985, at present) specified in section 105(e) of the Indian Self-Determination Act (88 Stat. 2209).

(b) Maximum period of entitlement. Entitlement to reemployment terminates at the end of 6 years following the date employment commences in the tribal organization unless exercised or otherwise terminated before that time as provided in this subpart.

§ 352.705 Return to Federal employment.

(a) Conditions. Reemployment rights may be exercised only under the following conditions. The individual must apply in writing to the former employing agency for reemployment not later than 30 calendar days after:

(1) Receipt of notice of involuntary separation from tribal employment. For this purpose, involuntary separation means any separation against the will and without consent of the individual.

(2) Reversion of the function to Federal operation, whether reversion is through tribal or Federal action; or

(3) Separation with the joint consent of the tribal organization and the Federal agency for reasons of personal hardship or other special circumstances.

(b) Termination. A former employee’s entitlement to reemployment terminates for:

(1) Failure to apply for reemployment within the time limit stated in paragraph (a) of this section;

(2) Resignation from tribal service without the joint consent, described in paragraph (a)(3) of this section, of the tribal organization and the Federal employer; or

(3) Failure to accept, within 10 calendar days of receipt thereof, an offer of reemployment made under §352.706 which is determined by the employing agency or by the Merit Systems Protection Board on appeal to be a proper offer of reemployment.

§ 352.706 Agency response to reemployment application.

(a) Employee's right to reemployment. An employee is entitled to be reemployed by the reemploying agency as promptly as possible, and, in any event, within 45 calendar days after agency receipt of application.

(1) Within the competitive area the employee is entitled to reemployment in:
   (i) The position held immediately before leaving the agency;
   (ii) One in the same competitive level; or
   (iii) Another position for which qualified and eligible at the same grade or level and in the same competitive area as the position the employee last held in the agency. The employing agency determines the position to which the employee has a right. In applying the reduction-in-force regulations, the applicant shall be considered an employee of the agency.

(2) Extending the area. Responsibility for reemploying an applicant is nationwide within the agency. If the applicant is not placed under paragraph (a)(1) of this section, the agency must extend reemployment rights, based on the employee’s availability, for assignment outside the competitive area. The employee is entitled to a position, for which qualified and eligible, at the same grade or level as the position last held in the agency. Where necessary, reduction-in-force procedures shall be applied in determining the position to which the employee has a right. The applicant shall be considered an employee for the purpose of applying the reduction-in-force regulations.

(b) Employee option. Before the competitive area is extended under paragraph (a)(2) of this section, an employee who cannot be placed under paragraph (a)(1) of this section, in the competitive area at the same grade or level as the position last held is entitled, if the employee elects, to reemployment in a position at a lower grade or level identified under the same conditions and procedures as paragraph (a)(1) of this section.

(c) Agency option. At any stage in the process, the agency has the option to satisfy the employee’s right to reemployment by offering a vacant position which, under reduction-in-force regulations, is in accord with the employee’s rights. Also, with the employee’s consent, right to reemployment can be met by placement in a vacant position, for which the employee is qualified according to agency determination, and available, outside the organizational or geographic area of entitlement, either at the appropriate grade or at a grade other than the one to which entitled.

(d) Reemployment to an SES position. When the employee’s right is to a position in the SES, reemployment or return may be to any position in the SES for which the employee is qualified. The employee shall be returned at not less than the SES pay level at which the employee was being paid immediately before his or her transfer.

(e) Basis for agency refusal to reemploy. An agency may refuse to reemploy when the employee was last separated from tribal employment for serious cause establishing unsuitability for reemployment.

(f) Basis for agency inability to reemploy. An agency may find it is unable to reemploy in the event no position can be found under procedures in this section.

[41 FR 27713, July 6, 1976, as amended at 51 FR 25188, July 11, 1986]

§ 352.707 Employee appeals to the Merit Systems Protection Board.

The agency shall comply with the provisions of §1201.21 of this title.

(b) If an employee considers reemployment to be not in accordance with this subpart, the employee is entitled
to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations.

Competitive area is the same as defined in § 351.402 of this title; Institute means the American Institute in Taiwan.
Specified period of service shall be a period of not more than 6 years.

§ 352.803 Basic entitlement to reemployment rights on leaving Federal employment.

(a) This subpart applies to all executive agencies as defined in section 105 of title 5, United States Code, the U.S. Postal Service, the Postal Rate Commission, and to the employees thereof, and to those positions in the competitive civil service and the employees occupying those positions.

(b) The agency must give employees entitled to reemployment rights under this subpart written notice of these rights at the time of their separation.

(c) Employees entitled. The following employees or former employees are granted reemployment rights subject to the conditions of this subpart, if they leave their Federal employment to be employed (on the date of incorporation of AIT or within 30 calendar days following separation from their agency) by the Institute for a specified period of service.

(1) An employee serving in a competitive position under a career or career-conditional appointment;

(2) A non-temporary excepted service employee; or

(3) An employee serving under a career appointment in the Senior Executive Service.

§ 352.805 Position to which entitled on reemployment.

(a) Basic position entitlement. (1) On reemployment, an employee is entitled to be appointed to a position in the employee’s former or successor agency in the following order:

(i) To the position last held in the former agency:

(A) If that position has been identified for transfer to a different agency, reemployment rights must be exercised with the gaining agency.

(B) If that position has been reclassified, the employee should be placed in the reclassified position;
§ 352.806

(ii) A position in the same competitive level; or
(iii) Another position for which otherwise qualified at the same grade or level and in the same competitive area.

(2) The employing agency determines under paragraph (a)(1) of this section the position to which the employee is entitled. Reduction-in-force procedures shall be applied when necessary in determining the position to which the employee has a right. In applying reduction-in-force procedures, the applicant shall be considered an employee of the agency.

(3) Extending the area. Responsibility for reemploying an applicant is agencywide. If the applicant is not placed under paragraph (a)(1) of this section, the agency must extend reemployment rights, based on the agency’s need, for assignment outside the competitive area. The employee is entitled to a position, for which qualified and eligible, at the same grade or level as the position last held in the agency. Where necessary, reduction-in-force procedures shall be applied in determining the position to which the employee has a right. The applicant shall be considered an employee for the purpose of applying the reduction-in-force procedures.

(b) Employee option. Before the competitive area is extended under paragraph (a)(3) of this section, an employee who cannot be placed under paragraph (a)(1) of this section in the same competitive area at the grade or level as the position last held, is entitled, if the employee elects, to reemployment in a position at a lower grade or level identified under the same conditions and procedures as paragraph (a)(1) of this section.

(c) Agency option. At any stage in the process, the agency has the option to satisfy the employee’s right to reemployment by offering a vacant position which, under reduction-in-force regulations, is in accord with the employee’s rights. Also, with the employee’s consent, right to reemployment can be met by placement in a vacant position, for which the employee is qualified according to agency determination and need, outside the organizational or geographic area of entitlement, either at the appropriate grade or at a grade other than the one to which entitled.

(d) Basic position entitlement in the Senior Executive Service. (1) On reemployment, an employee (who meets the requirements to §352.803(c)(3)) is entitled to be given a career appointment in the Senior Executive Service the employee’s former or successor agency.
(2) The employee may be assigned to any position in the Senior Executive Service for which he/she meets the qualifications requirements.

(a) Authority to approve. The head of an agency may enter into written agreements with the Commission for the detail or voluntary transfer, for set periods of time, of agency employees to the Commission in accordance with section 3643 of title 22, United States Code, and this subpart. Refusal by the head of the agency to agree to a detail or transfer, or extension of detail or transfer, is not reviewable by the Office of Personnel Management or appealable.

(b) Employee not eligible. The following employees are not eligible under this subpart:

(2) An employee who has received a proposed notice of involuntary separation (e.g., separation based on reduction in force, adverse action, or performance);
(3) An employee who is serving in a position excepted from the competitive service under Schedule C of part 213 of this chapter, or under Presidential appointment; or...
(4) An employee whose resignation has been accepted for reasons other than to accept employment with the Commission.

§ 352.905 Employees on detail.

(a) An employee detailed to the Commission is subject to the same conditions of employment at his or her employing agency as if the employee has not been detailed.

(b) The Commission and the employing agency will arrange for the termination of a detail and the agency will return the employee to his or her former position or an equivalent one as provided in §352.908 (b) and (c).

§ 352.906 Termination of transfer.

At the conclusion of a term of employment agreed upon as provided in §352.903, employment with the Commission may be terminated without regard to parts 351, 359, 432, 752, or 771 of this chapter.

§ 352.907 Exercise or termination of reemployment rights.

(a) Exercise. An individual who has been transferred under this subpart to the Commission and wishes to be reemployed must apply in writing to the former employing agency. The time limits for application for reemployment are—

(1) No later than 30 calendar days after the expiration of the term of employment with the Commission;

(2) No later than 30 calendar days after receipt of notice of involuntary separation during the term of employment with the Commission; or

(3) No later than 30 calendar days after resignation with the consent of the Commission.

(b) Termination. Reemployment rights terminate if the individual—

(1) Fails to apply within the time limits stated in paragraph (a) of this section;

(2) Resigns without the written consent of the Commission; or

(3) Within 10 calendar days, fails to accept an offer of reemployment made under §352.908 that is determined to be a proper offer of reemployment by the reemploying agency or by the Merit Systems Protection Board on appeal.

§ 352.908 Agency obligation.

(a) Time limits. An employee is to be reemployed by the reemploying agency as promptly as possible, but not later than 30 calendar days after receipt of the reemployment application or on termination of the term of employment with the Commission, whichever is later.

(b) Conditions. An employee will be reemployed or returned from detail without loss of pay, seniority, or other rights or benefits to which the employee would have been entitled had he or she not been transferred or detailed. An employee in the Senior Executive Service will be reemployed or returned at not less than the rate at which paid immediately before the transfer or detail. An employee who is reemployed is not eligible for grade or pay retention under part 536 of this chapter based on a grade or rate of pay attained while employed by the Commission.

(c) Position to which entitled. (1) If the function with which the employee's former position was identified has been transferred, the employee's right is to a position in the gaining agency or activity.

(2) An employee whose right is to a position in the Senior Executive Service may be reemployed in or returned to any Senior Executive Service position in the former agency for which qualified.

(3) All other employees are entitled to be reemployed in or returned to a position at the same grade or level and in the same competitive area as the position last held in the former agency. If the reemployment would cause the separation or demotion of another employee, the applicant should be considered an employee for the purpose of applying the reduction-in-force regulations to determine to what, if any, position the employee is entitled. If the employee is not placed at the former grade or level, the agency must extend consideration beyond the competitive area. Responsibility for reemployment is agencywide.

(4) Reemployment may be at a higher grade than that to which the employee is entitled if all appropriate standards
and requirements are satisfied and if this will not cause the displacement of another employee.

(5) The reemployment obligation may be satisfied by placement in any position within the agency that is acceptable to the employee.

(d) Agency refusal to reemploy. An agency may refuse to reemploy under this section only when the employee was separated from the Commission for serious cause showing unsuitability for reemployment.

§ 352.909 Appeals.

(a) If an agency denies reemployment to an applicant who claims reemployment rights under this subpart, the agency must notify the applicant in writing of that denial and its reasons. In the same notice, the agency will inform the applicant of the right to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations. The agency must comply with the provisions of §1201.21 of this title.

(b)(1) When an agency has reemployed or returned an employee, it will advise the employee of the right of appeal if he or she considers the reemployment or return not to be in accordance with the Act and this subpart.

(2) An employee in a bargaining unit covered by a negotiated grievance procedure that does not exclude this matter must use the negotiated grievance procedure.

(3) An employee to whom paragraph (b)(2) of this section does not apply is entitled to appeal to the Merit Systems Protection Board under the provisions of the Board’s regulations. The agency must comply with the provisions of §1201.21 of this title.

Subpart A—General Provisions

§ 353.101 Scope.

The rights and obligations of employees and agencies in connection with leaves of absence or restoration to duty following uniformed service under 38 U.S.C. 4301 et. seq., and restoration under 5 U.S.C. 8151 for employees who sustain compensable injuries, are subject to the provisions of this part. Subpart A covers those provisions that are common to both of the above groups of employees. Subpart B deals with provisions that apply just to uniformed service and subpart C covers provisions that pertain just to injured employees.

§ 353.102 Definitions.

In this part:
Agency means.
§ 353.102

(1) With respect to restoration following a compensable injury, any department, independent establishment, agency, or corporation in the executive branch, including the U.S. Postal Service and the Postal Rate Commission, and any agency in the legislative or judicial branch; and

(2) With respect to uniformed service, an executive agency as defined in 5 U.S.C. 105 (other than an intelligence agency referred to in 5 U.S.C. 2302(a)(3)(C)(ii), including the U.S. Postal Service and Postal Rate Commission, a nonappropriated fund instrumentality of the United States, or a military department as defined in 5 U.S.C. 102. In the case of a National Guard technician employed under 32 U.S.C. 709, the employing agency is the adjutant general of the State in which the technician is employed.

Fully recovered means compensation payments have been terminated on the basis that the employee is able to perform all the duties of the position he or she left or an equivalent one.

Injury means a compensable injury sustained under the provisions of 5 U.S.C. chapter 81, subchapter 1, and includes, in addition to accidental injury, a disease proximately caused by the employment.

Leave of absence means military leave, annual leave, without pay (LWOP), furlough, continuation of pay, or any combination of these.

Military leave means paid leave provided to Reservists and members of the National Guard under 5 U.S.C. 6323.

Notice means any written or verbal notification of an obligation or intention to perform service in the uniformed services provided to an agency by the employee performing the service or by the uniformed service in which the service is to be performed.

Partially recovered means an injured employee, though not ready to resume the full range of his or her regular duties, has recovered sufficiently to return to part-time or light duty or to another position with less demanding physical requirements. Ordinarily, it is expected that a partially recovered employee will fully recover eventually.

Physically disqualified means that:

(i) For medical reasons the employee is unable to perform the duties of the position formerly held or an equivalent one, or

(ii) There is a medical reason to restrict the individual from some or all essential duties because of possible incapacitation (for example, a seizure) or because of risk of health impairment (such as further exposure to a toxic substance for an individual who has already shown the effects of such exposure).

(2) The condition is considered permanent with little likelihood for improvement or recovery.

Reasonable efforts in the case of actions required by an agency for a person returning from uniformed service means actions, including training, that do not place an undue hardship on the agency.

Service in the uniformed services means the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training, inactive duty training, full-time National Guard duty, and a period for which a person is absent from employment for the purpose of examination to determine fitness to perform such duty.

Status means the particular attributes of a specific position. This includes the rank or responsibility of the position, its duties, working conditions, pay, tenure, and seniority.

Undue hardship means actions taken by an agency requiring significant difficulty or expense, when considered in light of—

(1) The nature and cost of actions needed under this part;

(2) The overall financial resources of the facility involved in taking the action; the number of persons employed at the facility; the effect on expenses and resources, or the impact otherwise of the action on the operation of the facility; and

(3) The overall size of the agency with respect to the number of employees, the number, type, and location of its facilities and type of operations, including composition, structure, and functions of the work force.

Office of Personnel Management

§ 353.106 Personnel actions during employee's absence.

(a) An employee absent because of service in the uniformed services is to be carried on leave without pay unless the employee elects to use other leave or freely and knowingly provides written notice of intent not to return to a position of employment with the agency, in which case the employee can be separated. (Note: A separation under this provision affects only the employee’s seniority while gone; it does not affect his or her restoration rights.)

(b) An employee absent because of compensable injury may be carried on leave without pay or separated unless the employee elects to use sick or annual leave.

(c) Agency promotion plans must provide a mechanism by which employees who are absent because of compensable injury or uniformed service can be considered for promotion. In addition, agencies have an obligation to consider employees absent on military duty for any incident or advantage of employment that they may have been entitled to had they not been absent. This is determined by:

(1) Considering whether the “incident or advantage” is one generally granted to all employees in that workplace and whether it was denied solely because of absence for military service;

(2) Considering whether the person absent on military duty was treated the same as if the person had remained at work; and

(3) Considering whether it was reasonably certain that the benefit would have accrued to the employee but for the absence for military service.

[60 FR 45652, Sept. 1, 1995, as amended at 64 FR 31487, June 11, 1999]
§ 353.107 Service credit upon reemployment.

Upon reemployment, an employee absent because of uniformed service or compensable injury is generally entitled to be treated as though he or she had never left. This means that a person who is reemployed following uniformed service or full recovery from compensable injury receives credit for the entire period of the absence for purposes of rights and benefits based upon seniority and length of service, including within-grade increases, career tenure, completion of probation, leave rate accrual, and severance pay.

§ 353.108 Effect of performance and conduct on restoration rights.

The laws covered by this part do not permit an agency to circumvent the protections afforded by other laws to employees who face the involuntary loss of their positions. Thus, an employee may not be denied restoration rights because of poor performance or conduct that occurred prior to the employee’s departure for compensable injury or uniformed service. However, separation for cause that is substantially unrelated to the injury or to the performance of uniformed service negates restoration rights. Additionally, if during the period of injury or uniformed service the employee’s conduct is such that it would disqualify him or her for employment under OPM or agency regulations, restoration rights may be denied.

§ 353.109 Transfer of function to another agency.

If the function of an employee absent because of uniformed service or compensable injury is transferred to another agency, and if the employee would have been transferred with the function under part 351 of this chapter had he or she not been absent, the employee is entitled to be placed in a position in the gaining agency that is equivalent to the one he or she left. It shall also assume the obligation to restore the employee in accordance with law and this part.

§ 353.110 OPM placement assistance.

(a) Employee returning from uniformed service. (1) OPM will offer placement in the executive branch to the following categories of employees upon notification by the agency and application by the employee: (Such notification should be sent to the Associate Director for Employment, OPM, 1900 E Street, NW., Washington, DC 20415.)

(i) Executive branch employees (other than an employee of an intelligence agency) when OPM determines that:

(A) their agencies no longer exist and the functions have not been transferred, or;

(B) it is otherwise impossible or unreasonable for their former agencies to place them;

(ii) Legislative and judicial branch employees when their employers determine that it is impossible or unreasonable to reemploy them;

(iii) National Guard technicians when the Adjutant General of a State determines that it is impossible or unreasonable to reemploy a technician otherwise eligible for restoration under 38 U.S.C. 4304 and 4312 (pertaining to character and length of service), and the technician is a noncareer military member who was separated involuntarily from the Guard for reasons beyond his or her control; and

(iv) Employees of the intelligence agencies (defined in 5 U.S.C. 2302(a)(2)(C)(ii)) when their agencies determine that it is impossible or unreasonable to reemploy them.

(2) OPM will determine if a vacant position equivalent (in terms of pay, grade, and status) to the one the individual left exists, for which the individual is qualified, in the commuting area in which he or she was employed immediately before entering the uniformed services. If such a vacancy exists, OPM will order the agency to place the individual. If no such position is available, the individual may elect to be placed in a lesser position in the commuting area, or OPM will attempt to place the individual in an equivalent position in another geographic location determined by OPM. If the individual declines an offer of equivalent employment, he or she has no further restoration rights.

(b) Employee returning from compensable injury. OPM will provide placement assistance to an employee with
restoration rights in the executive, legislative, or judicial branches who cannot be placed in his or her former agency and who either has competitive status or is eligible to acquire it under 5 U.S.C. 3304(C). If the employee’s agency is abolished and its functions are not transferred, or it is not possible for the employee to be restored in his or her former agency, OPM will provide placement assistance by enrolling the employee in OPM’s Interagency Placement Program (or its successor) under part 330 of this chapter. This paragraph does not apply to an employee serving under a temporary appointment pending establishment of a register (TAPER).

Subpart B—Uniformed Service

§ 353.201 Introduction.
The Uniformed Services Employment and Reemployment Rights Act of 1994 revised and strengthened the existing Veterans’ Reemployment Rights law, made the Department of Labor responsible for investigating employee complaints, required OPM to place certain returning employees in other agencies, established a separate restoration rights program for employees of the intelligence agencies, and altered the appeals rights process. The new law applies to persons exercising restoration rights on or after December 12, 1994.

§ 353.202 Discrimination and acts of reprisal prohibited.
A person who seeks or holds a position in the Executive branch may not be denied hiring, retention in employment, or any other incident or advantage of employment because of any application, membership, or service in the uniformed services. Furthermore, an agency may not take any reprisal against an employee for taking any action to enforce a protection, assist or participate in an investigation, or exercise any right provided for under chapter 43 of title 38, United States Code.

§ 353.203 Length of service.
(a) Counting service after the effective date of USERRA (12/12/94). To be entitled to restoration rights under this part, cumulative service in the uniformed services while employed by the Federal Government may not exceed 5 years. However, the 5-year period does not include any service—

(1) That is required beyond 5 years to complete an initial period of obligated service;

(2) During which the individual was unable to obtain orders releasing him or her from service in the uniformed services before expiration of the 5-year period, and such inability was through no fault of the individual;

(3) Performed as required pursuant to 10 U.S.C. 10147, under 32 U.S.C. 502(a) or 503, or to fulfill additional training requirements determined and certified in writing by the Secretary of the military department concerned to be necessary for professional development or for completion of skill training or retraining;

(4) Performed by a member of a uniformed service who is:

(i) Ordered to or retained on active duty under sections 12301(a), 12301(g), 12302, 12304, 12305, or 688 of title 10, United States Code, or under 14 U.S.C. 331, 332, 359, 360, 367, or 712;

(ii) Ordered to or retained on active duty (other than for training) under any provision of law during a war or during a national emergency declared by the President or the Congress, as determined by the Secretary concerned.

(iii) Ordered to active duty (other than for training) in support, as determined by the Secretary of the military department concerned, of an operational mission for which personnel have been ordered to active duty under 10 U.S.C. 12304;

(iv) Ordered to active duty in support, as determined by the Secretary of the military department concerned, of a critical mission or requirement of the uniformed services, or

(v) Called into Federal service as a member of the National Guard under chapter 15 or under section 12306 of title 10, United States Code.

(b) Counting service prior to the effective date of USERRA. In determining the 5-year total that may not be exceeded for purposes of exercising restoration rights, service performed prior to December 12, 1994, is considered only
§ 353.204 Notice to employer.

To be entitled to restoration rights under this part, an employee (or an appropriate officer of the uniformed service in which service is to be performed) must give the employer advance written or verbal notice of the service except that no notice is required if it is precluded by military necessity or, under all relevant circumstances, the giving of notice is otherwise impossible or unreasonable.

§ 353.205 Return to duty and application for reemployment.

To be entitled to restoration rights under this part, an employee (or an appropriate officer of the uniformed service in which service is to be performed) must give the employer advance written or verbal notice of the service except that no notice is required if it is precluded by military necessity or, under all relevant circumstances, the giving of notice is otherwise impossible or unreasonable.
was absent for the purpose of an examination to determine fitness for the uniformed services, is required to report back to work not later than the beginning of the first regularly scheduled work day on the first full calendar day following completion of the period of service and the expiration of 8 hours after a period allowing for the safe transportation of the employee from the place of service to the employee's residence, or as soon as possible after the expiration of the 8-hour period if reporting within the above period is impossible or unreasonable through no fault of the employee.

(b) If the service was for more than 30 but less than 181 days, the employee must submit an application for reemployment with the agency not later than 14 days after completing the period of service. (If submitting the application is impossible or unreasonable through no fault of the individual, it must be submitted the next full calendar day when it becomes possible to do so.)

(c) If the period of service was for more than 180 days, the employee must submit an application for reemployment not later than 90 days after completing the period of service.

(d) An employee who is hospitalized or convalescing from an injury or illness incurred in, or aggravated during uniformed service is required to report for duty at the end of the period that is necessary for the person to recover, based on the length of service as discussed in paragraphs (a), (b), and (c) of this section, except that the period of recovery may not exceed 2 years (extended by the minimum time required to accommodate circumstances beyond the employee's control which make reporting within the period specified impossible or unreasonable).

(e) A person who does not report within the time limits specified does not automatically forfeit restoration rights, but, rather, is subject to whatever policy and disciplinary action the agency would normally apply for a similar absence without authorization.

§ 353.206 Documentation upon return.

Upon request, a returning employee who was absent for more than 30 days, or was hospitalized or convalescing from an injury or illness incurred in or aggravated during the performance of service in the uniformed services, must provide the agency with documentation that establishes the timeliness of the application for reemployment, and length and character of service. If documentation is unavailable, the agency must restore the employee until documentation becomes available.

§ 353.207 Position to which restored.

(a) Timing. An employee returning from the uniformed services following an absence of more than 30 days is entitled to be restored as soon as possible after making application, but in no event later than 30 days after receipt of the application by the agency.

(b) Nondisabled. If the employee’s uniformed service was for less than 91 days, he or she must be employed in the position for which qualified that he or she would have attained if continuously employed. If not qualified for this position after reasonable efforts by the agency to qualify the employee, he or she is entitled to be placed in the position he or she left. For service of 91 days or more, the agency has the option of placing the employee in a position of like seniority, status, and pay. (Note: Upon reemployment, a term employee completes the unexpired portion of his or her original appointment.) If unqualified (for any reason other than disability incurred in or aggravated during service in the uniformed services) after reasonable efforts by the agency to qualify the employee for such position or the position the employee left, he or she must be restored to any other position of lesser status and pay for which qualified, with full seniority.

(c) Disabled. An employee with a disability incurred in or aggravated during uniformed service and who, after reasonable efforts by the agency to accommodate the disability, is entitled to be placed in another position for which qualified that will provide the employee with the same seniority, status, and pay, or the nearest approximation consistent with the circumstances in each case. The agency is not required to reemploy a disabled employee.
§ 353.208 Use of paid leave during uniformed service.

An employee performing service with the uniformed services must be permitted, upon request, to use any accrued annual leave (or sick leave, if appropriate), or military leave during such service. (Note, however, that under 5 U.S.C. 6323, military leave cannot be used for inactive duty, e.g., drill.)

[60 FR 45652, Sept. 1, 1995, as amended at 64 FR 31487, June 11, 1999]

§ 353.209 Retention protections.

(a) During uniformed service. An employee may not be demoted or separated (other than military separation) while performing duty with the uniformed services except for cause. (Reduction in force is not considered "for cause" under this subpart.) He or she is not a "competing employee" under § 351.404 of this chapter. If the employee's position is abolished during such absence, the agency must reassign the employee to another position of like status, and pay.

(b) Upon reemployment. Except in the case of an employee under time-limited appointment who finishes out the unexpired portion of his or her appointment upon reemployment, an employee reemployed under this subpart may not be discharged, except for cause—

(1) If the period of uniformed service was more than 180 days, within 1 year; and

(2) If the period of uniformed service was more than 30 days, but less than 181 days, within 6 months.

§ 353.210 Department of Labor assistance to applicants and employees.

USERRA requires the Department of Labor's Veterans' Employment and Training Service (VETS) to provide employment and reemployment assistance to any Federal employee or applicant who requests it. VETS staff will attempt to resolve employment disputes brought to investigate. If dispute resolution proves unsuccessful, VETS will, at the request of the employee, refer the matter to the Office of the Special Counsel for representation before the Merit Systems Protection Board (MSPB).

[64 FR 31487, June 11, 1999]

§ 353.211 Appeal rights.

An individual who believes an agency has not complied with the provisions of law and this part relating to the employment or reemployment of the person by the agency may—

(a) File a complaint with the Department of Labor, as noted in § 353.210, or

(b) Appeal directly to MSPB if the individual chooses not to file a complaint with the Department of Labor, or is informed by either Labor or the Office of the Special Counsel that they will not pursue the case. However, National Guard technicians do not have the right to appeal to MSPB a denial of reemployment rights by the Adjutant General. Technicians may file complaints with the appropriate district court in accordance with 38 U.S.C. 4323 (USERRA).

[60 FR 45652, Sept. 1, 1995, as amended at 64 FR 31487, June 11, 1999]

Subpart C—Compensable Injury

§ 353.301 Restoration rights.

(a) Fully recovered within 1 year. An employee who fully recovers from a compensable injury within 1 year from the date eligibility for compensation began (or from the time compensable disability recurs if the recurrence begins after the employee resumes regular full-time employment with the
United States), is entitled to be restored immediately and unconditionally to his or her former position or an equivalent one. Although these restoration rights are agencywide, the employee's basic entitlement is to the former position or equivalent in the local commuting area the employee left. If a suitable vacancy does not exist, the employee is entitled to displace an employee occupying a continuing position under temporary appointment or tenure group III. If there is no such position in the local commuting area, the agency must offer the employee a position (as described above) in another location. This paragraph also applies when an injured employee accepts a lower-grade position in lieu of separation and subsequently fully recovers. A fully recovered employee is expected to return to work immediately upon the cessation of compensation.

(b) Fully recovered after 1 year. An employee who separated because of a compensable injury and whose full recovery takes longer than 1 year from the date eligibility for compensation began (or from the time compensable disability recurs if the recurrence begins after the injured employee resumes regular full-time employment with the United States), is entitled to priority consideration, agencywide, for restoration to the position he or she left or an equivalent one provided he or she applies for reappointment within 30 days of the cessation of compensation. Priority consideration is accorded by entering the individual on the agency's reemployment priority list for the competitive service or reemployment list for the excepted service. If the individual cannot be placed in the former commuting area, he or she is entitled to priority consideration for an equivalent position elsewhere in the agency. (See parts 302 and 330 of this chapter for more information on how this may be accomplished for the excepted and competitive services, respectively.) This subpart also applies when an injured employee accepts a lower-graded position in lieu of separation and subsequently fully recovers.

(c) Physically disqualified. An individual who is physically disqualified for the former position or equivalent because of a compensable injury, is entitled to be placed in another position for which qualified that will provide the employee with the same status, and pay, or the nearest approximation thereof, consistent with the circumstances in each case. This right is agencywide and applies for a period of 1 year from the date eligibility for compensation begins. After 1 year, the individual is entitled to the rights accorded individuals who fully or partially recover, as applicable.

(d) Partially recovered. Agencies must make every effort to restore in the local commuting area, according to the circumstances in each case, an individual who has partially recovered from a compensable injury and who is able to return to limited duty. At a minimum, this would mean treating these employees substantially the same as other handicapped individuals under the Rehabilitation Act of 1973, as amended. (See 29 U.S.C. 791(b) and 794.) If the individual fully recovers, he or she is entitled to be considered for the position held at the time of injury, or an equivalent one. A partially recovered employee is expected to seek reemployment as soon as he or she is able.

§ 353.302 Retention protections.

An injured employee enjoys no special protection in a reduction in force. Separation by reduction in force or for cause while on compensation means the individual has no restoration rights.

§ 353.303 Restoration rights of TAPER employees.

An employee serving in the competitive service under a temporary appointment pending establishment of a register (TAPER) under §316.201 of this chapter (other than an employee serving in a position classified above GS-15), is entitled to be restored to the position he or she left or an equivalent one in the same commuting area.

§ 353.304 Appeals to the Merit Systems Protection Board.

(a) Except as provided in paragraphs (b) and (c) of this section, an injured employee or former employee of an
agency in the executive branch (including the U.S. Postal Service and the Postal Rate Commission) may appeal to the MSPB an agency’s failure to restore, improper restoration, or failure to return an employee following a leave of absence. All appeals must be submitted in accordance with MSPB’s regulations.

(b) An individual who fully recovers from a compensable injury more than 1 year after compensation begins may appeal to MSPB as provided for in parts 302 and 330 of this chapter for excepted and competitive service employees, respectively.

(c) An individual who is partially recovered from a compensable injury may appeal to MSPB for a determination of whether the agency is acting arbitrarily and capriciously in denying restoration. Upon reemployment, a partially recovered employee may also appeal the agency’s failure to credit time spent on compensation for purposes of rights and benefits based upon length of service.

Probation and probationary period mean the 1-year probation required by 5 U.S.C. 3393(d) upon initial career appointment to the SES.

Reemployed annuitant means an individual who is receiving an annuity under the Civil Service Retirement System or the Federal Employees' Retirement System on the basis of his or her former Federal service. A reemployed annuitant serves at the pleasure of the appointing authority.

Subpart C—Removal of Career Appointees for Failure To Be Recertified

SOURCE: 56 FR 172, Jan. 3, 1991, unless otherwise noted.

§ 359.301 Coverage.
(a) This subpart covers a career appointee who has failed to be recertified under § 317.504 of this chapter.
(b) This subpart does not cover, however, a career appointee who is serving as a reemployed annuitant. See subpart I of this part for removal of a reemployed annuitant.

§ 359.302 Notice requirements.
(a) The agency shall notify the career appointee in writing before the effective date of the action. If the appointee has completed the SES probationary period, or was not required to serve a probationary period, the notice shall be at least 30 calendar days before the effective date of the removal.
(b) The notice shall advise the appointee of:
   (1) The basis for the action;
   (2) The appointee's placement rights under subpart G of this part—the position to which the appointee will be assigned shall be identified either in the advance notice or in a supplementary notice issued no later than 10 calendar days before the effective date of the action;
   (3) The appointee's right to appeal to the Merit Systems Protection Board, including the time limit for appeal and the office to which an appeal should be sent;
   (4) The effective date of the removal; and
   (5) When applicable, the appointee's eligibility for immediate retirement under 5 U.S.C. 8336(h) or 8414(a).

§ 359.303 Restrictions.
(a) Removal from the SES under this subpart may not be made effective within 120 days after—
   (1) The appointment of a new agency head; or
   (2) The appointment in the agency of the career appointee's most immediate supervisor who—
      (i) Is noncareer appointee; and
      (ii) Has the authority to remove the career appointee.
(b) For purposes of this section, a noncareer appointee includes an SES noncareer or limited appointee, an appointee in a position filled by Schedule C, or an appointee in an Executive Schedule or equivalent position other than a career Executive Schedule or equivalent position.

§ 359.304 Appeals.
Removal under this subpart is appealable to the Merit Systems Protection Board under 5 U.S.C. 7701. Under 5 U.S.C. 7701(c)(1)(A), the decision of the agency shall be sustained if it is supported by substantial evidence, which is defined in the Board's regulations at 5 CFR 1201.56(c). The burden is on the agency to show that there is substantial evidence to support its action. Once such substantial evidence is demonstrated, the burden shifts to the appellant to refute the agency's case that there was substantial evidence or to make a demonstration under 5 U.S.C. 7701(c)(2).

Subpart D—Removal of Career Appointees During Probation

§ 359.401 General exclusions.
This subpart does not apply to the removal of a career appointee during probation when—

(a) **Coverage.** This section covers the removal of a career appointee from the SES during the probationary period for unacceptable performance.

(b) **Basis for action.** A removal under this section need not be based upon a final rating under the agency’s SES performance appraisal system established under subpart C of part 430 of this chapter. Even if a removal is based on such a rating, the removal action is taken under this section.

(c) **Procedures.** The agency shall notify the appointee in writing before the effective date of the action. The notice shall, as a minimum—

1. State the agency’s conclusions as to the inadequacies of the appointee’s performance;
2. State whether the appointee has placement rights under §359.701 and, if so, identify the position to which the appointee will be assigned; and
3. Show the effective date of the action.

§ 359.403 Removal: Conduct.

(a) **Coverage.** (1) This section covers the removal of a career appointee from the SES during the probationary period for misconduct, neglect of duty, malfeasance, or failure to accept a directed reassignment or to accompany a position in a transfer of function.

(2) This section does not apply, however, when the appointee was covered under 5 U.S.C. 7511 immediately before appointment to the SES. In that case, the removal is subject to the provisions of part 752, subpart F, of this chapter.

(b) **Procedures.** The agency shall notify the appointee in writing before the effective date of the action. The notice shall, as a minimum—

1. State the basis for the removal action (including the act(s) of misconduct, neglect of duty, or malfeasance if those factors are involved); and
2. Show the effective date of the action.

§ 359.404 Removal: Conditions arising before appointment.

(a) **Coverage.** (1) This section covers the removal of a career appointee from the SES during the probationary period when the action is based in whole or in part on conditions arising before the appointment.

(2) This section does not apply, however, when the career appointee was covered under 5 U.S.C. 7511 immediately before appointment to the SES. In that case, the removal is subject to the provisions of part 752, subpart F, of this chapter.

(b) **Procedures.** (1) The agency shall give the appointee an advance written notice stating the specific reasons for the proposed removal.

(2) The agency shall give the appointee a written decision showing the reasons for the action and the effective date. The decision shall be given to the appointee at or before the time the action will be made effective.

§ 359.405 Removal: Reduction in force.

(a) **Coverage.** This section covers the removal of a career appointee from the SES during the probationary period under a reduction in force.

(b) **Basis for action.** The appointee must have been identified for removal from the SES under competitive procedures established by the agency in accordance with the requirements of 5 U.S.C. 3595(a). Removal action shall be taken under 5 U.S.C. 3592(a).

(c) **Procedures.** The agency shall notify the appointee in writing before the effective date of the action. The notice shall state, as a minimum—

1. Whether the appointee has placement rights under §359.701 to a position outside the SES and, if so, the position to which the appointee will be assigned;
2. The effective date of the action;
3. The appointee’s appeal rights, including the time limit for appeal and

the location of the Merit System Protection Board office to which an appeal should be sent; and
(4) Such other information as may be required by OPM.

§ 359.406 Restrictions.

(a) Removal from the SES under §§359.402 through 359.404 may not be made effective within 120 days after—
(1) The appointment of a new agency head; or
(2) The appointment in the agency of the career appointee's most immediate supervisor who—
(i) Is a noncareer appointee; and
(ii) Has the authority to remove the career appointee.
(b) For purposes of this section, a noncareer appointee includes an SES noncareer or limited appointee, an appointee in a position filled by Schedule C, or an appointee in an Executive Schedule or equivalent position other than a career Executive Schedule or equivalent position.
(c) The restrictions in paragraph (a) of this section do not apply—

(b) Optional removal from the SES. The agency may remove a career appointee from the SES after the appointee has been given one final rating of unsatisfactory.

(c) Mandatory removal from the SES. The agency must remove a career appointee from the SES after—

(2) This subpart does not cover, however, a career appointee who is serving as a reemployed annuitant. See subpart I of this part for removal of a reemployed annuitant.

(b) Definitions—(1) Probationary period is defined in §359.202 of this part.

(2) Reduction in force is defined in 5 U.S.C. 3595(d) as including “the elimination or modification of a position due to a reorganization, due to a lack of funds or curtailment of work, or due to any other factor.”

(3) Agency in this subpart means an executive department or an independent establishment.

(c) Agency procedures. An agency must have issued written procedures before conducting a reduction in force. A copy of the procedures shall be provided OPM upon issuance.

(2) An agency shall establish competitive procedures in writing to determine who will be removed from the SES in any reduction in force of career appointees within the agency. Such competitive procedures shall be based primarily on performance. When performance ratings are used, they shall be the final ratings under 5 CFR part 430, subpart C.

(3) An appointee who has completed the probationary period must be retained over an appointee who has not completed the probationary period if they both have the same retention standing.

(4) Competitive procedures are not required if an agency is being abolished, without a transfer of functions, and all SES appointees will be separated at the same time or within 3 months of abolishment.

(b) Placement within the agency. (1) This paragraph applies to any SES career appointee who has completed the probationary period, or was not required to serve a probationary period, and who has been identified for reduction in force under paragraph (a) of this section.

(2) The appointee is entitled to be offered any vacant SES position in the agency for which the appointee meets the qualifications requirements. If there is more than one vacancy, the agency has the option of which position to offer the appointee.

This certification may not be delegated below the Assistant Secretary level in a department, or an equivalent level above the director of personnel in other agencies.

(2) The 45-day period during which OPM will attempt to place the appointee begins on the day the certification is acknowledged by OPM.

(3) It is the continuing responsibility of an agency that has a surplus career appointee to place the appointee in any vacant SES position in the agency for which the appointee is qualified, even after the appointee is certified to OPM.

(4) An individual remains a career SES appointee in his or her agency during the OPM placement period.

(b) OPM authority. As provided by §U.S.C. 3595(b)(3), OPM may require an agency to take any action that OPM considers necessary to carry out a placement.

§ 359.604 Removal from the SES and placement rights outside the SES.

(b) If a career appointee who has completed the probationary period, or who did not have to serve one, is identified for reduction in force under §359.602(a) and is not placed elsewhere in the SES under §359.602(b) or §359.603, or declines a placement offer under §359.603, removal action is taken under §359.604(b). Placement rights outside the SES are covered under subpart G of this part.

§ 359.605 Notice requirements.

(a) Each career appointee subject to removal under §359.604(b) is entitled to a specific, written notice at least 45 calendar days before the effective date of the removal. The notice shall state, as a minimum—

1. The action to be taken and its prospective effective date;
2. The nature of the competition, including the appointee’s competitive area, if less than the agency, and standing on the retention register;
3. The place where the appointee may inspect the regulations and records pertinent to the action;
4. Placement rights within the agency and through OPM, including how the employee can apply for OPM placement assistance; and
5. The appointee’s appeal rights, including the time limit for appeal and the location of the Merit Systems Protection Board office to which an appeal should be sent.

(b) A career appointee who has received a notice under paragraph (a) of this section is entitled to a second notice in writing at least 1 day before removal from the SES. The notice shall state, as a minimum—

1. The basis for the removal, i.e., 5 U.S.C. 3595(b)(5) if the basis is expiration of the 45-day OPM placement period, or 5 U.S.C. 3595(b)(4) if the basis is declination of a reasonable offer of placement, in which case identify the position offered and the date on which it was declined;
2. The effective date of the removal;
3. Placement rights outside the SES and, when applicable, the appointee’s
eligibility for discontinued service retirement in lieu of placement; and
(4) Reminder of the appointee’s appeal rights.

A career appointee may appeal to the Merit Systems Protection Board whether the reduction in force complies with the competitive procedures in §359.602(a).

§ 359.607 Records.
Each agency shall maintain current records needed to determine the retention standing of its competing appointees. The agency shall allow the inspection of its retention registers and related records by an appointee to the extent that they have a bearing on the appointee’s situation. The agency shall preserve intact all registers and records relating to a reduction-in-force action for at least 2 years from the effective date of the action.

§ 359.608 Transfer of function.
(a) Transfer of function means the transfer of the performance of a continuing function from one agency to one or more other agencies.
(b) A career appointee is entitled to accompany his or her function to the new agency without any change in tenure if the alternative is removal from the SES in the current agency under reduction in force.

Subpart G—Guaranteed Placement

§ 359.701 Coverage.
This subpart covers career appointees, other than reemployed annuitants, who are removed from the SES under any of the following conditions:
(a) Removal during the probationary period under subpart C of this part or under subpart D of this part for other than misconduct, neglect of duty, malfeasance, or other disciplinary reasons under §359.403, §359.404, or part 752, subpart F, of this chapter, if at the time of appointment to the SES the individual held a career or career-conditional appointment or an appointment of equivalent tenure, as determined by OPM.

An appointment of equivalent tenure is considered to be an appointment in the excepted service other than an appointment—
(1) To a Schedule C position established under part 213 of this chapter;
(2) To a position that meets the same criteria as a Schedule C position; or
(3) To a position where the incumbent is traditionally changed upon a change in Presidential Administrations.
(b) Removal as the result of:
(1) Failure to be recertified under subpart C of this part;
(2) Less than fully successful executive performance under subpart E of this part; or
(3) A reduction in force under subpart F of this part. The appointee must have completed the required probationary period under the SES or was not required to serve a probationary period.

§ 359.702 Placement rights.
(a) An appointee covered by this subpart is entitled to be placed in a vacant civil service position (other than an SES position) in any agency that is—
(1) A continuing position at GS–15 or above, or equivalent, that will last at least three months; and
(2) A position for which the appointee meets the qualifications requirements.
(b) A probationary appointee, or a nonprobationary appointee who at the time of appointment to the SES held a career or career-conditional appointment (or an appointment of equivalent tenure, as defined in §359.701(a)), is entitled to be placed in a position of tenure equivalent to that of the appointment held at the time of appointment to the SES. This tenure requirement does not apply—
(1) If the agency taking the removal action does not have a position of equivalent tenure for which the appointee meets the qualifications requirements; or
(2) If the appointee is willing to accept a position having a different tenure.
§ 359.703 Responsibility for placement.

The agency taking the removal action is responsible for placing the appointee in an appropriate position within the agency, or for arranging a transfer to an appropriate position in another agency. Any transfer must be mutually acceptable to the appointee and the gaining agency.

§ 359.704 Restrictions.

Placement of an appointee under this subpart shall not cause the separation or reduction in grade of any other employee.

§ 359.705 Pay.

(a) An appointee placed under this subpart is entitled to receive basic pay at the highest of—

(1) The rate of basic pay in effect for the position in which the appointee is being placed;

(2) The rate of basic pay currently in effect for the position that the appointee held in the civil service immediately before being appointed to the SES; or

(3) The rate of basic pay in effect for the appointee immediately before removal from the SES.

(b) An employee who is placed under this subpart in a position outside the SES in another agency is entitled to receive basic pay under the provisions of this section.

(c) An employee who is placed under this subpart in a General Schedule position is not subject to the limitation on General Schedule basic pay in 5 U.S.C. 5303(c) of level V of the Executive Schedule. The employee is subject, however, to the limitation on General Schedule basic pay plus locality-based comparability payments in 5 U.S.C. 5304(g)(1) of level IV of the Executive Schedule.

(d) An employee receiving basic pay under paragraph (a)(2) or (a)(3) of this section shall have future pay adjusted in accordance with 5 U.S.C. 3594(c)(2).

(e) Pay received under this section shall terminate if:

(1) The employee has a break in service of 1 workday or more; or

(2) The employee is demoted based on conduct or unacceptable performance or at the employee’s request.

§ 359.804 Length of furlough.

A furlough may not extend more than one year. It may be made only when the agency intends to recall the appointee within one year.

§ 359.805 Appeals.

A career appointee who has been furloughed and who believes this subpart or the agency’s procedures have not been correctly applied may appeal to the Merit Systems Protection Board.
§ 359.806 Notice.
(a) An appointee is entitled to a 30 days’ advance written notice of a furlough. The full notice period may be shortened, or waived, only in the event of unforeseeable circumstances, such as sudden emergencies requiring immediate curtailment of activities.
(b) The written notice shall advise the appointee of:
(1) The reason for the agency decision to take the furlough action.
(2) The expected duration of the furlough and the effective dates;
(3) The basis for selecting the appointee for furlough when some but not all Senior Executive Service appointees in a given organizational unit are being furloughed;
(4) The reason if the notice period is less than 30 days;
(5) The place where the appointee may inspect the regulations and records pertinent to the action; and
(6) The appointee’s appeal rights, including the time limit for the appeal and the location of the Merit Systems Protection Board office to which the appeal should be sent.

§ 359.807 Records.

SOURCE: 62 FR 44199, Aug. 20, 1997, unless otherwise noted.

Subpart A—Purpose and Definitions

§ 362.101 Purpose.
The Presidential Management Intern (PMI) Program is designed to attract to Federal service outstanding men and women from a wide variety of academic disciplines who have a clear interest in, and commitment to, a career in the analysis and management of public policies and programs.

§ 362.102 Definitions.
(a) A Presidential Management Intern is appointed in the excepted service under §213.3102(b)(1) of this chapter, in an executive agency or department. The
individual must have completed a graduate course of study at a qualifying college or university, received the nomination of the dean or academic program director, successfully completed an OPM-administered assessment process, and been selected and appointed by an agency for a 2-year Presidential Management Internship.

(b) A qualifying college or university is an academic institution formally accredited by an accrediting organization recognized by the Secretary of the U.S. Department of Education (34 CFR part 602).

**Subpart B—Program Administration**

§ 362.201 Nomination and selection.

(a) Eligibility. Individuals eligible to be nominated for the Program are graduate students from a variety of academic disciplines completing or expecting to complete, during the current academic year, an advanced degree from a qualifying college or university. These individuals must demonstrate an exceptional ability, a clear interest in, and a commitment to a career in the analysis and management of public policies and programs.

(b) Nomination procedure. (1) The college or university making nominations for the Program shall establish a competitive nomination process to ensure that all eligible students are aware of the PMI Program and how to apply for nomination. The process will also ensure that applicants receive careful and thorough review, and that all receive equal opportunity for nomination.

(2) Students must be nominated by the dean, chairperson, or academic program director.

(3) Students who apply to be nominated must be rated qualified or not qualified for nomination. Nominations are made by school officials through completion of the PMI application form.

(4) Students eligible for veterans’ preference who apply for nomination and are found qualified must be nominated. Based on the documentation provided by the student, the college or university must determine preliminary eligibility for veterans’ preference. Students eligible for veterans’ preference who believe they met the college or university’s nomination qualification requirements, but were not nominated, may request a review by the OPM PMI Program office.

(c) Selection. Selection of Program finalists will be based on an OPM evaluation of the PMI application and a structured assessment center process. Veterans’ preference will be adjudicated by OPM.

§ 362.202 Appointment and extensions.

(a) Appointing authority. The appointing authority for Presidential Management Interns is 5 CFR 213.3102(ii). Appointments cannot exceed 2 years unless extended for up to 1 additional year by the agency with the approval of OPM under §362.203(b).

(b) Completion of degree requirements. Agencies must assure that all graduate degree requirements have been met at the time of appointment. Interns may not be appointed prior to the completion of all graduate degree requirements. Exceptions may be made on an individual basis, but in no case will an intern be allowed to remain in the program if all degree requirements are not completed by August 31 of the year in which the intern was selected as a finalist.

(c) Time period. Agencies may appoint individuals with formal notification of their selection as PMI finalists no later than December 31 of the year in which they were selected as finalists. Exceptions may be granted on a case-by-case basis upon request of the agency to the OPM PMI Program office no later than December 15 of the year in which the interns were finalists.

(d) Grade and pay. Initial appointments must be made at the grade 9, step 1 level of the General Schedule. If an intern has had prior higher level Federal Government service, the individual may be placed at a higher step within the GS-9 rate range consistent with the maximum payable rate rules under 5 CFR 531.203(c). Promotion to the GS-11 level may occur after satisfactory completion of 1 year of continuous service. Under 5 CFR 213.3102(ii), intern positions are authorized only at the GS-9 and GS-11 levels. Therefore, the agency has the option of promoting an intern to the GS-12 level on or after
the date of conversion to the competitive service.

(e) Citizenship. Interns do not need to be United States citizens during their internship. However, if a noncitizen intern is hired, the agency must make sure that:

(1) The intern is lawfully admitted to the United States as a permanent resident or otherwise is authorized to be employed by the U.S. Immigration and Naturalization Service;

(2) The agency is authorized to pay the noncitizen under the annual appropriations act ban or any agency-specific enabling appropriation statute; and

(3) The intern acquires United States citizenship prior to conversion under 5 CFR 315.708.

(f) Extensions. Agencies must request, in writing, OPM approval to extend an internship for up to 1 additional year beyond the authorized 2 years in order to provide the intern with additional training and developmental activities. The request should be submitted no later than 60 days prior to the end of the initial 2-year period.

§ 362.203 Conversion to competitive service.

(a) In accordance with 5 CFR 315.708, employees who are United States citizens and have successfully completed Presidential Management Internships may be converted noncompetitively to career or career-conditional appointments in positions for which they are qualified.

(b) Conversions will be effective on the date the 2-year service requirement is met, unless the internship is extended by the agency, with approval of OPM, for up to one additional year.

(c) Agencies must inform the OPM PMI Program office when an individual will not be converted.

§ 362.204 Resignation, termination, and reduction in force.

(a) Resignation. An employee who resigns during the internship does not have reinstatement eligibility for competitive service positions and cannot be re-interned to the PMI Program.

(b) Termination. The appointment of a Presidential Management Intern expires at the end of the 2-year internship period. At that time, the employing agency may, with no break in service, convert the intern to a career or career-conditional appointment in accordance with 5 CFR 315.708, or extend the internship in accordance with § 362.202(b). If neither action is taken, the PMI appointment terminates.

(c) Reduction in force. Presidential Management Interns are in the excepted service Tenure Group II for purposes of § 331.502 of this chapter.

§ 362.205 Movement of interns between departments or agencies.

To move from one agency to another during the internship, the intern must separate from the current agency and be reappointed under PMI appointment by the new employing agency without a break in service. The intern does not begin a new 2-year internship period; the time previously served under the PMI Program counts toward the completion of the 2-year period. The new employing agency must notify the OPM PMI Program office of the action.

§ 362.206 Career development.

(a) OPM responsibilities. OPM will:

(1) Provide orientation and graduation programs for each intern class; and

(2) Serve as a clearinghouse of available training opportunities.

(b) Agency responsibilities. Each agency will:

(1) Work with the intern to develop a written outline of core competencies and technical skills (called an individual development plan) the intern must gain before conversion to a target position;

(2) Provide at least 80 hours of formal training a year, including training in core competencies targeted to a functional area into which the intern will most likely be converted; and

(3) Provide at least one rotational assignment to another functional area, made at the discretion of the agency.

Subpart C—Establishing and Implementing Training Programs

§ 410.301 Scope and general conduct of training programs.
(a) Authority. The requirements for establishing training programs and plans are found in section 4103(a) of title 5, United States Code, and Executive Order 11348.
(b) Alignment with other human resource functions. Training programs established by agencies under chapter 41 of title 5, United States Code, should be integrated with other personnel management and operating activities, under administrative agreements as appropriate, to the maximum possible extent.

§ 410.302 Responsibilities of the head of an agency.
(a) Specific responsibilities. (1) The head of each agency shall prescribe procedures as are necessary to ensure that the selection of employees for training is made without regard to political preference, race, color, religion, national origin, sex, marital status, age, or handicapping condition, and with proper regard for their privacy and constitutional rights as provided by merit system principles set forth in 5 U.S.C. 2301(b)(2).
(2) The head of each agency shall prescribe procedures as are necessary to ensure that the training facility and curriculum are accessible to employees with disabilities.
§ 410.303 Employee responsibilities.

Employees are responsible for self-development, for successfully completing and applying authorized training, and for fulfilling continued service agreements. In addition, they share with their agencies the responsibility to identify training needed to improve individual and organizational performance and identify methods to meet those needs, effectively and efficiently.

§ 410.304 Funding training programs.

Section 4112 of title 5, United States Code, provides for agencies paying the costs of their training programs and plans from applicable appropriations or from other funds available. Training costs associated with program accomplishment may be funded by appropriations applicable to that program area. In addition, section 4109(a)(2) of title 5, United States Code, provides authority for agencies and employees to share the expenses of training.

§ 410.305 Establishing and using interagency training.

Executive departments, independent establishments, Government corporations subject to chapter 91 of title 31, the Library of Congress, and the Government Printing office may provide or share training programs developed for its employees of other agencies under section 4120 of title 5, United States Code, when this would result in better training, improved service, or savings to the Government. Section 302(d) of Executive Order 11348 allows agencies excluded from section 4102 of title 5, United States Code, to also receive interagency training when this would result in better training, improved service, or savings to the Government. Section 201(e) of Executive Order 11348 provides for the Office of Personnel Management to coordinate interagency training conducted by and for agencies (including agencies and portions of agencies excepted by section 4102(a) of Title 5, United States Code).

§ 410.306 Selecting and assigning employees to training.

(a) Each agency shall establish criteria for the fair and equitable selection and assignment of employees to training consistent with merit system
principles specified in 5 U.S.C. 2301(b)(1) and (2).

(b) Persons on Intergovernmental Personnel Act mobility assignments may be assigned to training if that training is in the interest of the Government.

(1) A State or local government employee given an appointment in a Federal agency under the authority of section 3374(b) of title 5 of the United States Code, is deemed an employee of the Federal agency. The agency may provide training for the State or local government employee as it does for other agency employees.

(2) A State or local government employee on detail to a Federal agency under the authority of section 3374(c) of title 5 of the United States Code, is not deemed an employee of the Federal agency. However, the detailed State or local government employee may be admitted to training programs the agency has established for Federal personnel and may be trained in the rules, practices, procedures and/or systems pertaining to the Federal government.

(c) Subject to the prohibitions of §410.308(a) of this part, an agency may pay all or part of the training expenses of students hired under the Student Career Experience Program (see 5 CFR 213.3202(d)(10)).

§410.307 Training for promotion or placement in other positions.

(a) General. In determining whether to provide training under this section, agencies should take into account:

(1) Agency authority to modify qualification requirements in certain situations as provided in the OPM Operating Manual for Qualification Standards for General Schedule Positions;

(2) Agency authority to establish training programs that provide intensive and directly job-related training to substitute for all or part of the experience (but not education, licensing, certification, or other specific credentials), required by OPM qualification standards. Such training programs may be established to provide employees with the opportunity to acquire the experience and knowledge, skills, and abilities necessary to qualify for another position (including at a higher grade) at an accelerated rate; and

(3) Time-in-grade restrictions on advancement (see 5 CFR 300.603(b)(6)).

(b) Training for promotion. Under the authority of 5 U.S.C. 4103, and consistent with merit system principles set forth in 5 U.S.C. 2301(b)(1) and (2), an agency may provide training to non-temporary employees that in certain instances may lead to promotion. An agency must follow its competitive procedures under part 335 of this chapter when selecting a non-temporary employee for training that permits noncompetitive promotion after successful completion of the training.

(c) Training for placement in other agency positions, in other agencies, or outside Government—(1) Grade or pay retention. Under the authority of 5 U.S.C. 4103 and 5 U.S.C. 5364, an agency may train an employee to meet the qualification requirements of another position in the agency if the new position is at or below the retained grade or the grade of the position the employee held before pay retention.

(2) Training for placement in another agency. Under the authority of 5 U.S.C. 4103(b), and consistent with merit system principles set forth in 5 U.S.C. 2301, an agency may train an employee to meet the qualification requirements of a position in another agency if the head of the agency determines that such training would be in the interest of the Government.

(i) Before undertaking any training under this section, the head of the agency shall determine that there exists a reasonable expectation of placement in another agency.

(ii) When selecting an employee for training under this section, the head of the agency shall consider:

(A) The extent to which the employee’s current skills, knowledge, and abilities may be utilized in the new position;

(B) The employee’s capability to learn skills and acquire knowledge and abilities needed in the new position; and

(C) The benefits to the Government which would result from retaining the employee in the Federal service.

(3) Training displaced or surplus employees. Displaced or surplus employees
§410.308 Training to obtain an academic degree.

(a) Prohibition. (1) Under 5 U.S.C. 4107(a), an agency may not authorize training for an employee to obtain an academic degree, except for shortage occupations as defined in §410.308(b).

(2)(i) The prohibition on academic degree in 5 U.S.C. 4107(a)(2) is not to be construed as limiting the authority of agencies to approve and pay for training expenses to develop knowledge, skills, and abilities directly related to improved individual performance. If, in the accomplishment of such training, an employee receives an academic degree, the degree is an incidental byproduct of the training.

(ii) Paying an additional rate of tuition because a student is a degree candidate is prohibited. An agency is only authorized to pay the tuition and fees charged for a nondegree student, even though the employee is enrolled as a degree candidate. If it is not possible to distinguish between costs associated with the acquisition of knowledge and skills and the costs associated with the acquisition of an academic degree at an institution, an agency is authorized to pay in full the tuition of an employee participating in an authorized program of training at that institution.

(b) Academic degree training to relieve recruitment and retention problems. (1) 5 U.S.C. 4107(b) allows an agency to authorize academic degree training if the training:

(i) Is necessary to assist in recruiting or retaining employees in occupations in which the agency has or anticipates a shortage of qualified personnel, especially in occupations which it has determined involve skills critical to its mission, and

(ii) Meets the conditions of this section.

(2) In reviewing the need to provide training under this section, an agency shall give appropriate consideration to any special salary rate, student loan repayment, retention allowance, or other monetary inducement authorized by law already provided or being provided which contributes to the alleviation of the staffing problem in the occupation targeted by that training.

(3) In exercising the authority in this section, an agency shall, consistent with the merit system principles set forth in 5 U.S.C. 2301(b)(1) and (2), take into consideration the need to maintain a balanced workforce in which women and members of racial and ethnic minority groups are appropriately represented in the agency.

(4) The authority in this section shall not be exercised on behalf of any employee occupying, or seeking to qualify for appointment to, any position which is excepted from the competitive service because of its confidential, policy-determining, policy-making, or policy-advocating character.

(5) An agency’s policies established under §410.201 of this part shall cover decisions to authorize training under this section, to ensure that:

(i) The determination to pay for degree training is made at a sufficiently high level so as to protect the Government’s interest; and

(ii) The authority is used to address the agency’s recruitment and retention problems expeditiously through appropriate delegations of authority.

(c) Determining recruitment and retention problems. For the purposes of this
Office of Personnel Management

§ 410.309

section, a recruitment or retention problem exists if the criteria for a recruitment bonus under 5 CFR 575.104(c)(2) or for a retention allowance under 5 CFR 575.305(c)(3) applies.

(1) Recruitment problem. Before determining that an agency has or anticipates a problem in the recruitment of qualified personnel for a particular position, an agency shall make a reasonable recruitment effort, including factors in 5 CFR 575.104(c)(2). In making a reasonable recruitment effort, an agency will consider the following:

(i) For a position in the competitive service, the results of requests for referral of eligibles from the appropriate competitive examination. For a position in the excepted service, the agency’s objectives and staffing procedures.

(ii) Contacts with State Employment Service office(s) serving the locality concerned.

(iii) Contacts with academic institutions, technical and professional organizations, and other organizations likely to produce qualified candidates for the position, including women’s and minority-group organizations.

(iv) The possibility of relieving the shortage through correspondence and recruitment.

(v) The availability of qualified candidates within the agency’s current workforce.

(vi) The possibility of relieving the shortage through job engineering or training of current employees.

(2) Retention problem. Before determining that an agency has or anticipates a problem in the retention of qualified personnel in a particular occupation, an agency shall consider the factors in 5 CFR 575.305(c)(3) and:

(i) The ease with which an agency could replace the employee with someone of comparable background;

(ii) The current and projected vacancy rates in the occupation;

(iii) The rate of turnover in the occupation; and

(iv) Technological changes affecting the occupation and long-range predictions affecting staffing for the occupation.

(d) Assessing continuing problems. A reassessment of a “continuing” recruitment or retention problem shall be made periodically.

(e) Authorizing training. (1) An agency may authorize full or part-time training to address a recruitment problem if—

(i) The training qualifies an employee for a shortage position identified under paragraph (c)(1) of this section; and

(ii) The agency expects to place the employee in the shortage position after the training.

(2) Training may be authorized under this section for the purpose of retaining an employee in a shortage occupation identified under paragraph (c)(2) of this section, if it involves a course of study selected mainly for its potential contribution to effective performance in that occupation.

(3) Agencies shall select employees for academic degree training according to competitive procedures as specified in § 410.306.

(f) Monitoring training. An agency shall assess the contribution of training assignments under this section to resolving recruitment or retention problems in its shortage occupations.

(g) Documentation. (1) In exercising the authority in this section, an agency shall retain for a reasonable period:

(i) A record of employees assigned to training under this section; and

(ii) A record of findings that the recruitment or retention problem is a continuing one.

(2) As a separate record, the servicing personnel office shall keep the following information for each employee assigned to training under this section:

(i) The nature and justification for the shortage determination;

(ii) Kind of training (e.g., career experience program, continuing professional and technical education, retraining for occupational change); a description of the field of study; and the nature of any degree pursued under the training program; and

(iii) A written continued service agreement, if required.

§ 410.309 Agreements to continue in service.

(a) Authority. Continued service agreements are provided for in section 4108 of title 5, United States Code.
§ 410.310 Computing time in training.

For the purpose of computing time in training for continued service agreements under section 4108 of title 5, United States Code:

(a) An employee on an 8-hour day work schedule assigned to training is counted as being in training for the same number of hours he or she is in pay status during the training assignment. If the employee is not in pay status during the training, the employee is counted as being in training for the number of hours he or she is granted leave without pay for the purpose of the training.

(b) For an employee on an alternative work schedule, the agency is responsible for determining the number of hours the employee is in pay status during the training assignment. If the employee is not in pay status during the training, the employee is counted as being in training for the number of hours he or she is granted leave without pay for the purpose of the training.

(c) An employee on an 8-hour or an alternative work schedule assigned to training on less than a full-time basis is counted as being in training for the number of hours he or she spends in class, in formal computer-based training, in satellite training, in formal self-study programs, or with the training instructor, unless a different method is determined by the agency.

§ 410.311 Records.

Agencies shall retain, in such form and manner as the agency head considers appropriate, a record of training events authorized under this subpart for a reasonable period of time.

Subpart D—Paying for Training Expenses

§ 410.401 Determining necessary training expenses.

(a) The head of an agency determines which expenses constitute necessary training expenses under section 4109 of title 5, United States Code.

(b) An agency may pay, or reimburse an employee, for necessary expenses incurred in connection with approved training as provided in section 4109(a)(2) of title 5, United States Code. Necessary training expenses do not include an employee’s pay or other compensation.

§ 410.402 Paying premium pay.

(a) Prohibitions. Except as provided by paragraph (b) of this section, an agency may not use its funds, appropriated or otherwise available, to pay premium pay to an employee engaged in training by, in, or through Government or non-government facilities.

(b) Exceptions. The following are excepted form the provision in paragraph (a) of this section prohibiting the payment of premium pay:

(1) Continuation of premium pay. An employee given training during a period of duty for which he or she is already receiving premium pay for overtime, night, holiday, or Sunday work shall continue to receive that premium pay. This exception does not apply to an employee assigned to full-time training at institutions of higher learning.
§ 410.403 Payments for temporary duty training assignments.

Section 4109(a)(2) of title 5, United States Code, provides that an agency may pay, or reimburse an employee for, all or a part of the necessary expenses of training, including the necessary costs of travel; per diem expenses; or limited relocation expenses including transportation of the immediate family, household goods and personal effects:

(a) If an agency chooses to pay per diem, or in unusual circumstances the actual subsistence, expenses for an employee on a temporary duty training assignment, payment must be in accordance with 41 CFR part 301–7 or 41 CFR part 301–8 (or, for commissioned officers of the National Oceanic and Atmospheric Administration, in accordance with sections 404 and 405 of title 37, United States Code, and the Joint Federal travel Regulations for the Uniformed Services).

(b) An agency may pay a reduced per diem rate, such as a standardized payment less than the maximum per diem rate for a geographical area. If a reduced or standardized per diem rate was not authorized in advance of the travel and the fees paid to a training institution include lodging or meal costs, an appropriate deduction shall be made from the total per diem rate payable on the travel voucher (see 41 CFR 301–7.12).
§ 410.404 Determining if a conference is a training activity.

Agencies may sponsor an employee’s attendance at a conference as a developmental assignment under section 4110 of title 5, United States Code, when—

(a) The announced purpose of the conference is educational or instructional;
(b) More than half of the time is scheduled for a planned, organized exchange of information between presenters and audience which meets the definition of training in section 4101 of title 5, United States Code;
(c) The content of the conference is germane to improving individual and/or organizational performance; and
(d) Development benefits will be derived through the employee’s attendance.

§ 410.405 Protection of Government interest.

The head of an agency shall establish such procedures as he or she considers necessary to protect the Government’s interest when employees fail to complete, or to successfully complete, training for which the agency pays the expenses.

§ 410.406 Records of training expenses.

Agencies shall retain, in such form and manner as the agency head considers appropriate, a record of payments made for travel, tuition, fees and other necessary training expenses for a reasonable period of time.

Subpart E—Accepting Contributions, Awards, and Payments From Non-Government Organizations

§ 410.501 Scope.

(a) Section 4111 of title 5, United States Code, describes conditions for employee acceptance of contributions, awards, and payments made in connection with non-Government sponsored training or meetings which an employee attends while on duty or when the agency pays the training or meeting attendance expenses, in whole or in part.
(b) This subpart does not limit the authority of an agency head to establish procedures on the acceptance of contributions, awards, and payments in connection with any training and meetings that are outside the scope of this subpart in accordance with laws and regulations governing Government ethics and governing acceptance of travel reimbursements from non-Federal sources.

§ 410.502 Authority of the head of an agency.

(a) In writing, the head of an agency may authorize an agency employee to accept a contribution or award (in cash or in kind) incident to training or to accept payment (in cash or in kind) of travel, subsistence, and other expenses incident to attendance at meetings if:
(i) The conditions specified in section 4111 of title 5, United States Code, are met; and
(ii) In the judgment of the agency head, the following two conditions are met:
A. The contribution, award, or payment is not a reward for services to the
organization prior to the training or meeting; and
(ii) Acceptance of the contribution, award, or payment:
   (A) Would not reflect unfavorably on the employee’s ability to carry out official duties in a fair and objective manner;
   (B) Would not compromise the honesty and integrity of Government programs or of Government employees and their official actions or decisions;
   (C) Would be compatible with the Ethics in Government Act of 1978, as amended;
   (D) Would otherwise be proper and ethical for the employee concerned given the circumstances of the particular case.

(b) Delegation of authority. An agency head may delegate authority to authorize the acceptance of contributions, awards, and payments under this section. The designated official must ensure that—

(1) The policies of the agency head are reflected in each decision; and
(2) The circumstances of each case are fully evaluated under conditions set forth in §410.502(a).

(c) Acceptance of contributions, awards, and payments. An employee may accept a contribution, award, or payment (whether made in cash or in kind) that falls within the scope of this section only when he or she has specific written authorization.

(d) When more than one non-Government organization participates in making a single contribution, award, or payment, the “organization” referred to in this subsection is the one that:

(1) Selects the recipient; and
(2) Administers the funds from which the contribution, award, or payment is made.

§410.503 Records.

An agency shall maintain, in such form and manner as the agency head considers appropriate, the following records in connection with each contribution, award, or payment made and accepted under authority of this section: The recipient’s name; the organization’s name; the amount and nature of the contribution, award, or payment and the purpose for which it is to be used; and a copy of the written authorization required by §410.502(a).

Subpart F—Evaluating Training

§410.601 Responsibility of the head of an agency.

Under provisions of chapter 41 of title 5, United States Code, and Executive Order 11348, the agency head shall evaluate training to determine how well it meets short and long-range program needs by occupations, organizations, or other appropriate groups. The agency head may conduct the evaluation in the manner and frequency he or she considers appropriate.

§410.602 Records.

An agency head shall retain records of these evaluations in such form and manner as he or she considers appropriate.

Subpart G—Reports

§410.701 Reports.

Each agency shall maintain records of its training plans, expenditures and activities as required in §410.302(d), §410.311, §410.406, §410.503, and §410.602 and report its plans, expenditures and activities to the Office of Personnel Management at such times and in such form as the Office prescribes.

§ 412.101 Coverage.

This subpart applies to all incumbents of or candidates for supervisory, managerial, and executive positions in the General Schedule, the Senior Executive Service (SES), or equivalent pay systems who are also covered by part 410 of this chapter.

§ 412.102 Purpose.

(a) This subpart implements for supervisors, managers, and executives the provisions of chapter 41 of title 5 of the United States Code related to training and section 3396 of title 5 related to the criteria for programs of systematic development of candidates for the SES and the continuing development of SES members.

(b) The subpart identifies a continuum of preparation starting with supervisory positions and proceeding through management and executive positions Governmentwide. For this reason, the subpart establishes a comprehensive system that is intended to:

(1) Provide the competencies needed by supervisors, managers, and executives to perform their current functions at the mastery level of proficiency; and

(2) Provide learning through development and training in the context of succession planning and corporate perspective to prepare individuals for advancement, thus supplying the agency and the government with an adequate number of well prepared and qualified candidates for supervisory, managerial, and executive positions Governmentwide.

§ 412.103 Criteria for programs for the systematic training and development of executives, managers, supervisors, and candidates.

Each agency must provide for the initial and continuing development of individuals in executive, managerial, and supervisory positions, and candidates for those positions. The agency must issue a written policy to assure that their development programs:

(a) Are designed as part of the agency’s strategic plan and foster a corporate perspective.

(b) Make assignments to training and development consistent with the merit system principles set forth in 5 U.S.C. 2301(b) (1) and (2).

(c) Provide for:

(1) Initial training as an individual makes critical career transitions to become a new supervisor, a new manager, or a new executive consistent with the results of needs assessments;

(2) Continuing learning experiences, both short- and long-term, throughout an individual’s career in order for the individual to achieve the mastery level of proficiency for his or her current management level and position; and

(3) Systematic development of candidates for advancement to a higher management level. Formal candidate development programs leading to non-competitive placement eligibility represent one, but not the only, type of systematic development.

§ 412.104 Formal candidate development programs for Senior Executive Service positions.

Formal SES candidate development programs permit the certification of the executive qualifications of graduates by a Qualifications Review Board under the criterion of 5 U.S.C. 3393(c)(2)(B) and selection for the SES without further competition. The agency must have a written policy describing how the program will operate. The agency must obtain OPM approval of the program before it is conducted for the first time under these regulations and whenever there are substantive changes to the program. Agency programs must meet the following criteria.

(a) Recruitment. (1) Recruitment for the program is from all groups of qualified individuals within the civil service, or all groups of qualified individuals whether or not within the civil service.

(2) Agencies may request an exception to the provision in paragraph (a) of this section if they can show that during the 5-year period prior to the announcement of a program they have
make at least 15% of their career SES appointments from sources outside the agency. Notwithstanding this exception recruitment must be competitive and be announced at least agencywide. Graduates of these programs who have been certified by a QRB must then compete Governmentwide for entry to the SES, but do not have to obtain a second QRB certification before appointment.

(b) In recruiting, the agency, consistent with the merit system principles in 5 U.S.C. 2301(b) (1) and (2), takes into consideration the goal of achieving a diversified workforce.

(c) All candidates are selected through SES merit staffing procedures. The number selected shall be consistent with the number of expected vacancies.

(d) Each candidate has an SES development plan covering the period of the program. The plan is prepared from a competency-based needs determination. It is approved by the Executive Resources Board.

(e) The minimum program requirements, unless an exception is obtained in advance of the beginning of the candidate’s program, for an SES development plan are as follows:

(1) There is a formal training experience that addresses the executive core qualifications and their application to SES positions Governmentwide. The training experience must include interaction with a wide mix of Federal employees outside the candidate’s department or agency to foster a corporate perspective but may include managers from the private sector and state and local governments. The nature and scope of the training must have Governmentwide or multi-agency applicability. If formal interagency training is used to meet this requirement, it must total at least 80 hours. If an interagency work experience is used, it must be of significantly longer duration than 80 hours.

(2) There are developmental assignments that total at least 4 months of full-time service outside the candidate’s position of record. The purpose of the assignments is to broaden the candidate’s experience and/or increase knowledge of the overall functioning of the agency so that the candidate is prepared for a range of agency positions.

(3) There is a member of the Senior Executive Service as a mentor.

(f) Each candidate’s performance in the program is evaluated periodically, and there is a written policy for discontinuing a candidate’s participation in the program. A candidate can be discontinued or may withdraw from the program without prejudice to his or her ability to apply directly for SES positions.

(g) Each candidate has a documented starting and finishing date in the program.

Subpart B—Senior Executive Service Status and Nonstatus Candidate Development Programs

§412.201 Purpose.

Section 3393 of title 5, United States Code, requires that career appointees to the SES be recruited either from all groups of qualified individuals within the civil service, or from all groups of qualified individuals whether or not within the civil service. This subpart sets forth regulations establishing two types of SES candidate development programs, “status” and “non-status.”

§412.202 “Status” programs.

Only employee serving under career appointments, or under career-type appointments as defined in §317.304(a)(2) of this chapter, may participate in “status” candidate development programs.

§412.203 “Non-status” programs.

(a) Eligibility. Candidates are from outside Government and/or from among employees serving on other than career or career-type appointments within the civil service.

(b) Requirements. (1) Candidates must be appointed using the Schedule B authority authorized by §213.3202(f) of this chapter. The appointment may not exceed or be extended beyond 3 years.

(2) Assignments must be to a full-time position created for developmental purposes connected with the SES candidate development program. Candidates serving under Schedule B

(OPM) to prescribe regulations governing such systems. The regulations in this subpart in combination with statute set forth the requirements for agency performance appraisal system(s) and program(s) for employees covered by subchapter I of chapter 43.

(b) Savings provision. The performance appraisal system portion of an agency’s Performance Management Plan approved by OPM as of September 22, 1995 shall constitute an approved performance appraisal system under the regulations in this subpart until such time changes to the system are approved. No provision of the regulations in this subpart shall be applied in such a way as to affect any administrative proceeding related to any action taken under regulations in this chapter pending on September 22, 1995.

(c) Equivalent ratings of record. (1) If an agency has administratively adopted and applied the procedures of this subpart to evaluate the performance of its employees, the ratings of record resulting from that evaluation are considered ratings of record for reduction in force purposes.

(2) Other performance evaluations given while an employee is not covered by the provisions of this subpart are considered ratings of record for reduction in force purposes when the performance evaluation—

(i) Was issued as an officially designated evaluation under the employing agency’s performance evaluation system,

(ii) Was derived from the appraisal of performance against expectations that are established and communicated in advance and are work related, and

(iii) Identified whether the employee performed acceptably.

(3) When the performance evaluation does not include a summary level designator and pattern comparable to those established at §430.208(d), the agency may identify a level and pattern based on information related to the appraisal process.

§ 430.203 Definitions.

In this subpart, terms are defined as follows:

Additional performance element means a dimension or aspect of individual, team, or organizational performance that is not a critical or non-critical element. Such elements are not used in assigning a summary level but, like critical and non-critical elements, are useful for purposes such as communicating performance expectations and serving as the basis for granting awards. Such elements may include, but are not limited to, objectives, goals, program plans, work plans, and other means of expressing expected performance.

Appraisal means the process under which performance is reviewed and evaluated.

Appraisal period means the established period of time for which performance will be reviewed and a rating of record will be prepared.
§ 430.204  

**Appraisal program** means the specific procedures and requirements established under the policies and parameters of an agency appraisal system.

**Appraisal system** means a framework of policies and parameters established by an agency as defined at 5 U.S.C. 4301(1) for the administration of performance appraisal programs under subchapter I of chapter 43 of title 5, United States Code, and this subpart.

**Critical element** means a work assignment or responsibility of such importance that unacceptable performance on the element would result in a determination that an employee’s overall performance is unacceptable. Such elements shall be used to measure performance only at the individual level.

**Non-critical element** means a dimension or aspect of individual, team, or organizational performance, exclusive of a critical element, that is used in assigning a summary level. Such elements may include, but are not limited to, objectives, goals, program plans, work plans, and other means of expressing expected performance.

**Performance** means accomplishment of work assignments or responsibilities.

**Agency performance appraisal system(s).**

(a) Each agency as defined at section 4301(1) of title 5, United States Code, shall develop one or more performance appraisal systems for employees covered by this subpart.

(b) An agency appraisal system shall establish agencywide policies and parameters for the application and operation of performance appraisal within the agency for the employees covered by the system. At a minimum, an agency system shall—

1. Provide for—
   (i) Establishing employee performance plans, including, but not limited to, critical elements and performance standards;
   (ii) Communicating performance plans to employees at the beginning of an appraisal period;
   (iii) Evaluating each employee during the appraisal period on the employee’s elements and standards;
   (iv) Recognizing and rewarding employees whose performance warrants;
   (v) Assisting employees in improving unacceptable performance; and
   (vi) Reassigning, reducing in grade, or removing employees who continue to have unacceptable performance, but only after an opportunity to demonstrate acceptable performance.

2. Identify employees covered by the system;

3. Specify the flexibilities an agency program established under the system has for setting—

   (i) The length of the appraisal period (as specified in § 430.206(a));
(i) The length of the minimum period (as specified in §430.207(a));

(ii) The number(s) of performance levels at which critical and non-critical elements may be appraised (as specified in §430.206(b)(7)(i)(A) and (ii)(A)); and

(iv) The pattern of summary levels that may be assigned in a rating of record (as specified in §430.208(d));

(4) Include, where applicable, criteria and procedures for establishing separate appraisal programs under an appraisal system; and

(5) Require that an appraisal program shall conform to statute, the regulations of this chapter, and the requirements established by the appraisal system.

§430.205 Agency performance appraisal program(s).

(a) Each agency shall establish at least one appraisal program of specific procedures and requirements to be implemented in accordance with the applicable agency appraisal system. At a minimum, each appraisal program shall specify the employees covered by the program and include the procedures and requirements for planning performance (as specified in §430.206), monitoring performance (as specified in §430.207), and rating performance (as specified in §430.208).

(b) An agency program shall establish criteria and procedures to address employee performance for employees who are on detail, who are transferred, and for other special circumstances as established by the agency.

(c) An agency may permit the development of separate appraisal programs under an appraisal system.

(d) Agencies are encouraged to involve employees in developing and implementing their program(s). When agencies involve employees, the method of involvement shall be in accordance with law.

§430.206 Planning performance.

(a) Appraisal period. (1) An appraisal program shall designate an official appraisal period for which a performance plan shall be prepared, during which performance shall be monitored, and for which a rating of record shall be prepared.

(2) Each program shall specify a single length of time as its appraisal period. The appraisal period generally shall be 12 months so that employees are provided a rating of record on an annual basis. A program’s appraisal period may be longer when work assignments and responsibilities so warrant or performance management objectives can be achieved more effectively.

(b) Performance plan. (1) Agencies shall encourage employee participation in establishing performance plans.

(2) Performance plans shall be provided to employees at the beginning of each appraisal period (normally within 30 days).

(3) An appraisal program shall require that each employee be covered by an appropriate written, or otherwise recorded, performance plan based on work assignments and responsibilities.

(4) Each performance plan shall include all elements which are used in deriving and assigning a summary level, including at least one critical element and any non-critical element(s).

(5) Each performance plan may include one or more additional performance elements, which—

(i) Are not used in deriving and assigning a summary level, and

(ii) Are used to support performance management processes as described at §430.102(b).

(6) A performance plan established under an appraisal program that uses only two summary levels (pattern A as specified in §430.208(d)(1)) shall not include non-critical elements.

(7) An appraisal program shall establish how many and which performance levels may be used to appraise critical and non-critical elements.

(8) Elements and standards shall be established as follows—

(i) For a critical element—

(A) At least two levels for appraisal shall be used with one level being “Fully Successful” or its equivalent
§ 430.207 Monitoring performance.

(a) Minimum period. An appraisal program shall establish a minimum period of performance that must be completed before a performance rating may be prepared.

(b) Ongoing appraisal. An appraisal program shall include methods for appraising each critical and non-critical element during the appraisal period. Performance on each critical and non-critical element shall be appraised against its performance standard(s). Ongoing appraisal methods shall include, but not be limited to, conducting one or more progress reviews during each appraisal period.

(c) Marginal performance. Appraisal programs should provide assistance whenever performance is determined to be below “Fully Successful” or equivalent but above “Unacceptable.”

(d) Unacceptable performance. An appraisal program shall provide for—

(1) Assisting employees in improving unacceptable performance at any time during the appraisal period that performance is determined to be unacceptable in one or more critical elements; and

(2) Taking action based on unacceptable performance.

§ 430.208 Rating performance.

(a) As soon as practicable after the end of the appraisal period, a written, or otherwise recorded, rating of record shall be given to each employee.

(1) A rating of record shall be based only on the evaluation of actual job performance for the designated appraisal period.

(2) An agency shall not issue a rating of record that assumes a level of performance by an employee without an actual evaluation of that employee’s performance.

(3) Except as provided in §430.206(i), a rating of record is final when it is issued to an employee with all appropriate reviews and signatures.

(b) Rating of record procedures for each appraisal program shall include a method for deriving and assigning a summary level as specified in paragraph (d) of this section based on appraisal of performance on critical elements and, as applicable, non-critical elements.

(1) A Level 1 summary (“Unacceptable”) shall be assigned if and only if performance on one or more critical elements is appraised as “Unacceptable.”

(2) Consideration of non-critical elements shall not result in assigning a Level 1 summary (“Unacceptable”).

(c) The method for deriving and assigning a summary level may not limit or require the use of particular summary levels (i.e., establish a forced distribution of summary levels). However, methods used to make distinctions among employees or groups of employees such as comparing, categorizing, and ranking employees or groups on the basis of their performance may be used for purposes other than assigning a summary level including, but not limited to, award determinations and promotion decisions.

(d) Summary levels. (1) An appraisal program shall use one of the following patterns of summary levels:

(b) Transfer the employee’s most recent ratings of record, and any subsequent performance ratings, when an employee transfers to another agency or is assigned to another organization within the agency in compliance with part 293 of this chapter and instructions in the OPM Operating Manual, THE GUIDE TO PERSONNEL RECORDKEEPING, for sale by the U.S.

§430.210 OPM responsibilities.

Subpart C—Managing Senior Executive Performance

§430.302 Coverage.

(a) This subpart applies to all senior executives covered by subchapter II of chapter 31 of title 5, United States Code.

(b) This subpart applies to agencies identified in section 3132(a)(1) of title 5, United States Code.

§430.303 Definitions.

Terms used in this subpart are defined as follows:

Appointing authority means the department or agency head, or other official with authority to make appointments in the Senior Executive Service.

Appraisal period means the established period of time for which a senior executive’s performance will be appraised and rated.

Balanced measures means an approach to performance measurement that balances organizational results with the perspectives of distinct groups, including customers and employees.

Critical element means a key component of an executive’s work that contributes to organizational goals and results and is so important that unsatisfactory performance of the element would make the executive’s overall job performance unsatisfactory.
Other performance elements means components of an executive’s work that do not meet the definition of a critical element, but may be important enough to factor into the executive’s performance appraisal.

Performance means the accomplishment of the work described in the senior executive’s performance plan.

Performance appraisal means the review and evaluation of a senior executive’s performance against performance elements and requirements.

Performance management system means the framework of policies and practices that an agency establishes under subchapter II of chapter 43 of title 5, United States Code, and this subpart, for planning, monitoring, developing, evaluating, and rewarding both individual and organizational performance and for using resulting performance information in making personnel decisions.

Performance requirement means a statement of the performance expected for a critical element.

Progress review means a review of the senior executive’s progress in meeting the performance requirements. A progress review is not a performance rating.

Ratings: (1) Initial summary rating means an overall rating level the supervisor derives from appraising the senior executive’s performance during the appraisal period and forwards to the Performance Review Board.

(2) Annual summary rating means the overall rating level that an appointing authority assigns at the end of the appraisal period after considering a Performance Review Board’s recommendations. This is the official rating.

Senior executive performance plan means the written summary of work the senior executive is expected to accomplish during the appraisal period and the requirements against which performance will be evaluated. The plan addresses all critical elements and any other performance elements established for the senior executive.

Strategic planning initiatives means agency strategic plans, annual performance plans, organizational workplans, and other related initiatives.

§ 430.304 SES performance management systems.

(a) To encourage excellence in senior executive performance, each agency must develop and administer one or more performance management systems for its senior executives.

(b) Performance management systems must provide for:

(1) Planning and communicating performance elements and requirements that are linked with strategic planning initiatives;

(2) Consulting with senior executives on the development of performance elements and requirements;

(3) Monitoring progress in accomplishing elements and requirements;

(4) At least annually, appraising each senior executive’s performance against requirements using measures that balance organizational results with customer and employee perspectives; and

(5) Using performance information to adjust pay, reward, reassign, develop, and remove senior executives or make other personnel decisions.

(c) Additional system requirements.

(1) Appraisal period. Each agency must establish an official performance appraisal period for which an annual summary rating must be prepared.

(i) There must be a minimum appraisal period of at least 90 days.

(ii) An agency may end the appraisal period any time after the minimum appraisal period is completed, if there is an adequate basis on which to appraise and rate the senior executive’s performance.

(iii) An agency may not appraise and rate a career appointee’s performance within 120 days after the beginning of a new President’s term of office.

(2) Summary performance levels. Each performance management system must have at least three summary performance levels: one or more fully successful levels, a minimally satisfactory level, and an unsatisfactory level.

(3) Method for deriving summary ratings. Agencies must develop a method for deriving summary ratings from appraisals of performance against performance requirements. The method must ensure that only those employees whose performance exceeds normal expectations are rated at levels above fully successful. An agency may not
§ 430.305 Prescribe a forced distribution of rating levels for senior executives.

§ 430.305 Planning and communicating performance.

(a) Each senior executive must have a performance plan that describes the individual and organizational expectations for the appraisal period and sets the performance requirements that will be evaluated. Supervisors must develop performance plans in consultation with senior executives and communicate the plans to them on or before the beginning of the appraisal period.

(b) Senior executive performance plan requirements:

(1) Critical elements. At a minimum, plans must describe the critical elements of the senior executive’s work and any other relevant performance elements. Elements must reflect individual and organizational performance.

(2) Performance requirements. At a minimum, plans must describe the level of performance expected for fully successful performance of the executive’s work. These are the standards against which the senior executive’s performance will be appraised.

(3) Link with strategic planning initiatives. Critical elements and performance requirements for each senior executive must be consistent with the goals and performance expectations in the agency’s strategic planning initiatives.

§ 430.306 Monitoring performance.

(a) Supervisors must monitor each senior executive’s performance during the appraisal period and provide feedback to the senior executive on progress in accomplishing the performance elements and requirements described in the performance plan. Supervisors must provide advice and assistance to senior executives on how to improve their performance.

(b) Supervisors must hold a progress review for each senior executive at least once during the appraisal period. At a minimum, senior executives must be informed about how well they are performing against performance requirements.

§ 430.307 Appraising performance.

(a) Annual appraisals. Agencies must appraise each senior executive’s performance in writing and assign an annual summary rating at the end of the appraisal period.

(1) At a minimum, a senior executive must be appraised on the performance of the critical elements in the performance plan.

(2) Appraisals of senior executive performance must be based on both individual and organizational performance, taking into account such factors as—

(i) Results achieved in accordance with the goals of the Government Performance and Results Act of 1993;

(ii) Customer satisfaction;

(iii) Employee perspectives;

(iv) The effectiveness, productivity, and performance quality of the employees for whom the senior executive is responsible; and

(v) Meeting affirmative action, equal employment opportunity, and diversity goals and complying with the merit system principles set forth under section 2301 of title 5, United States Code.

(b) Details and job changes. (1) When a senior executive is detailed or temporarily reassigned for 120 days or longer, the gaining organization must set performance goals and requirements for the detail or temporary assignment. The gaining organization must appraise the senior executive’s performance in writing, and this appraisal must be factored into the initial summary rating.

(2) When a senior executive changes jobs or transfers to another agency after completing the minimum appraisal period, the supervisor must appraise the executive’s performance in writing before the executive leaves.

(3) The annual summary rating and any subsequent appraisals must be transferred to the gaining agency. The gaining supervisor must consider the rating and appraisals when developing the initial summary rating at the end of the appraisal period.

§ 430.308 Rating performance.

(a) Initial summary rating. The supervisor must develop an initial summary rating of the senior executive’s performance, in writing, and share that rating with the senior executive. The
Office of Personnel Management

§ 430.310 Performance Review Boards (PRBs).

Each agency must establish one or more PRBs to make recommendations to the appointing authority on the performance of its senior executives.

(a) Membership. (1) Each PRB must have three or more members who are appointed by the agency head, or by another official or group acting on behalf of the agency head. Agency heads are encouraged to include women, minorities, and people with disabilities on PRBs.

(2) PRB members must be appointed in a way that assures consistency, stability, and objectivity in SES performance appraisal.

(3) When appraising a career appointee’s performance or recommending a career appointee for a performance award, more than one-half of the PRB’s members must be SES career appointees.

(4) The agency must publish notice of PRB appointments in the FEDERAL REGISTER before service begins.

(b) Functions. (1) Each PRB must review and evaluate the initial summary rating, the senior executive’s response, and the higher level official’s comments on the initial summary rating, and conduct any further review needed to make its recommendations.

§ 430.309 Using performance results.

(a) Agencies will use the results of performance appraisals and ratings as a basis for adjusting pay, granting awards, and making other personnel decisions. Performance information will also be a factor in assessing a senior executive’s continuing development needs.

(b) A career executive whose annual summary rating is at least fully successful may be given a performance award under part 534, subpart D, of this chapter.

(c) An executive may be removed from the SES for performance reasons, subject to the provisions of part 359, subpart E, of this chapter.

(1) An executive who receives an unsatisfactory annual summary rating must be reassigned or transferred within the Senior Executive Service, or removed from the Senior Executive Service;

(2) An executive who receives two unsatisfactory annual summary ratings in any 5-year period must be removed from the Senior Executive Service; and

(3) An executive who receives less than a fully successful annual summary rating twice in any 3-year period must be removed from the Senior Executive Service.

§ 430.310 Senior executive may respond in writing.

(b) Higher level review. The senior executive may ask a higher level official to review the initial summary rating before the rating is given to the Performance Review Board (PRB). The senior executive is entitled to one higher level review, unless the agency provides for more than one review level. The higher level official cannot change the supervisor’s initial summary rating, but may recommend a different rating to the PRB and the appointing authority. Copies of the reviewer’s findings and recommendations must be given to the senior executive, the supervisor, and the PRB.

(c) PRB review. The initial summary rating, the senior executive’s response to the initial rating, and the higher level official’s comments must be given to the PRB. The PRB must review the rating and comments from the senior executive and the higher level official, and make recommendations to the appointing authority, as provided in §430.310.

(d) Annual summary rating. The appointing authority must assign the annual summary rating of the senior executive’s performance, in writing, after considering any PRB recommendations. This rating is the official rating.

(e) Extending the appraisal period. When an agency cannot prepare an annual summary rating at the end of the appraisal period because the senior executive has not completed the minimum appraisal period or for other reasons, the agency must extend the executive’s appraisal period. The agency will then prepare the annual summary rating.

(f) Appeals. Senior executive performance appraisals and ratings are not appealable.
§ 430.311 Training and evaluation.

(a) To assure that agency performance management systems are effectively implemented, agencies must provide appropriate information and training to supervisors and senior executives on performance management, including planning and appraising performance.

(b) Agencies must periodically evaluate the effectiveness of their performance management system(s) and implement improvements as needed.

(c) Agencies must maintain all performance-related records for no less than 5 years from the date the annual summary rating is issued, as required in § 293.404(b)(1) of this chapter.

§ 430.312 OPM review of agency systems.

(a) Agencies must submit proposed SES performance management systems to OPM for approval.

(b) OPM will review agency systems for compliance with the requirements of law, OPM regulations, and OPM performance management policy.

(c) If OPM finds that an agency system does not meet the requirements and intent of subchapter II of chapter 43 of title 5, United States Code, or of this subpart, it will direct the agency to take corrective action, and the agency must comply.

§ 432.103 Definitions.

For the purpose of this part—

(a) Acceptable performance means performance that meets an employee’s performance requirement(s) or standard(s) at a level of performance above “unacceptable” in the critical element(s) at issue.

(b) Critical element means a work assignment or responsibility of such importance that unacceptable performance on the element would result in a determination that an employee’s overall performance is unacceptable.

(c) Current continuous employment means a period of employment or service immediately preceding an action under this part in the same or similar positions without a break in Federal civilian employment of a workday.

(d) Opportunity to demonstrate acceptable performance means a reasonable chance for the employee whose performance has been determined to be unacceptable in one or more critical elements to demonstrate acceptable performance in the critical element(s) at issue.

(e) Reduction in grade means the involuntary assignment of an employee to a position at a lower classification or job grading level.

(f) Removal means the involuntary separation of an employee from employment with an agency.

(g) Similar positions mean positions in which the duties performed are similar in nature and character and require substantially the same or similar qualifications, so that the incumbents could be interchanged without significant training or undue interruption to the work.

(h) Unacceptable performance means performance of an employee that fails to meet established performance standards in one or more critical elements of such employee’s position.

§ 432.104 Addressing unacceptable performance.

At any time during the performance appraisal cycle that an employee’s performance is determined to be unacceptable in one or more critical elements, the agency shall notify the employee of the critical element(s) for which performance is unacceptable and inform the employee of the performance requirement(s) or standard(s) that must be attained in order to demonstrate acceptable performance in his or her position. The agency should also inform the employee that unless his or her performance in the critical element(s) improves to and is sustained at an acceptable level, the employee may be reduced in grade or removed. For each critical element in which the employee’s performance is unacceptable, the agency shall afford the employee a reasonable opportunity to demonstrate acceptable performance, commensurate with the duties and responsibilities of the employee’s position. As part of the employee’s opportunity to demonstrate acceptable performance, the agency shall offer assistance to the employee in improving unacceptable performance.

§ 432.105

(2) If an employee has performed acceptably for 1 year from the beginning of an opportunity to demonstrate acceptable performance (in the critical element(s) for which the employee was afforded an opportunity to demonstrate acceptable performance), and the employee’s performance again becomes unacceptable, the agency shall afford the employee an additional opportunity to demonstrate acceptable performance before determining whether to propose a reduction in grade or removal under this part.

(3) A proposed action may be based on instances of unacceptable performance which occur within a 1 year period ending on the date of the notice of proposed action.

(4) An employee whose reduction in grade or removal is proposed under this part is entitled to:

(i) **Advance notice.** (A) The agency shall afford the employee a 30 day advance notice of the proposed action that identifies both the specific instances of unacceptable performance by the employee on which the proposed action is based and the critical element(s) of the employee’s position involved in each instance of unacceptable performance.

(B) An agency may extend this advance notice period for a period not to exceed 30 days under regulations prescribed by the head of the agency. An agency may extend this notice period further without prior OPM approval for the following reasons:

(1) To obtain and/or evaluate medical information when the employee has raised a medical issue in the answer to a proposed reduction in grade or removal;

(2) To arrange for the employee’s travel to make an oral reply to an appropriate agency official, or the travel of an agency official to hear the employee’s oral reply;

(3) To consider the employee’s answer if an extension to the period for an answer has been granted (e.g., because of the employee’s illness or incapacitation);

(4) To consider reasonable accommodation of a handicapping condition;

(5) If agency procedures so require, to consider positions to which the employee might be reassigned or reduced in grade; or

(6) To comply with a stay ordered by a member of the Merit Systems Protection Board under 5 U.S.C. 1208(b).

(C) If an agency believes that an extension of the advance notice period is necessary for another reason, it may request prior approval for such extension from the Chief, Family Programs and Employee Relations Division, Office of Labor Relations and Workforce Performance, Personnel Systems and Oversight Group, Office of Personnel Management, 1900 E Street NW., Washington, DC 20415.

(ii) **Opportunity to answer.** The agency shall afford the employee a reasonable time to answer the agency’s notice of proposed action orally and in writing.

(iii) **Representation.** The agency shall allow the employee to be represented by an attorney or other representative. An agency may disallow as an employee’s representative an individual whose activities as a representative would cause a conflict of interest or position or an employee whose release from his or her official position would give rise to unreasonable costs to the Government or whose priority work assignment precludes his or her release from official duties.

(iv) **Consideration of medical conditions.** The agency shall allow an employee who wishes to raise a medical condition which may have contributed to his or her unacceptable performance to furnish medical documentation (as defined in §339.102 of this chapter of the condition for the agency’s consideration. If the employee offers such documentation after the agency has proposed a reduction in grade or removal, he or she shall supply this information in accordance with §432.105(a)(4)(ii). In considering documentation submitted in connection with the employee’s claim of a medical condition, the agency may require or offer a medical examination in accordance with the criteria and procedures of part 339 of this chapter, and shall be aware of the affirmative obligations of 29 CFR 1613.704. If the
§ 432.106

employee who raises a medical condition has the requisite years of service under the Civil Service Retirement System or the Federal Employees Retirement System, the agency shall provide information concerning application for disability retirement. As provided at §831.501(d) of this chapter, an employee’s application for disability retirement shall not preclude or delay any other appropriate agency decision or personnel action.

(b) Final written decision. The agency shall make its final decision within 30 days after expiration of the advance notice period. Unless proposed by the head of the agency, such written decision shall be concurred in by an employee who is in a higher position than the person who proposed the action. In arriving at its decision, the agency shall consider any answer of the employee and/or his or her representative furnished in response to the agency’s proposal. A decision to reduce in grade or remove an employee for unacceptable performance may be based only on those instances of unacceptable performance that occurred during the 1 year period ending on the date of issuance of the advance notice of proposed action under §432.105(a)(4)(i). The agency shall issue written notice of its decision to the employee at or before the time the action will be effective. Such notice shall specify the instances of unacceptable performance by the employee on which the action is based and shall inform the employee of any applicable appeal and/or grievance rights.

§ 432.106 Appeal and grievance rights.

(a) Appeal rights. An employee covered under §432.102(e) who has been removed or reduced in grade under this part may appeal to the Merit Systems Protection Board if the employee is:

(1) In the competitive service and has completed a probationary or trial period;

(2) In the competitive service serving in an appointment which is not subject to a probationary or trial period, and has completed 1 year of current continuous employment in the same or similar position(s); or

(3) A preference eligible in the excepted service who has completed 1 year of current continuous employment in the same or similar position(s); or

(4) A nonpreference eligible in the excepted service who is covered by subparts C and D of part 752 of this chapter.

(b) Grievance rights. (1) A bargaining unit employee covered under §432.102(e) who has been removed or reduced in grade under this part may file a grievance under an applicable negotiated grievance procedure if the removal or reduction in grade action falls within its coverage (i.e., is not excluded by the parties to the collective bargaining agreement) and the employee is:

(i) In the competitive service and has completed a probationary or trial period.

(ii) In the competitive service, serving in an appointment which is not subject to a probationary or trial period, and has completed 1 year of current continuous employment in the same or similar position(s); or

(iii) A preference eligible in the excepted service who has completed 1 year of current continuous employment in the same or similar position(s); or

(iv) A nonpreference eligible in the excepted service who is covered by subparts C and D of part 752 of the chapter.

(2) 5 U.S.C. 7114(a)(5) and 7121(b)(3), and the terms of an applicable collective bargaining agreement govern representation for employees in an exclusive bargaining unit who grieve a matter under this section through the negotiated grievance process.

(c) Election of forum. As provided at 5 U.S.C. 7114(a)(1), a bargaining unit employee who by law may file an appeal or a grievance, and who has exercised his or her option to appeal an action taken under this part to the Merit Systems Protection Board, may not also file a grievance on the matter under a negotiated grievance procedure. Likewise, a bargaining unit employee who
has exercised his or her option to grieve an action taken under this part may not also file an appeal on the matter with the Merit Systems Protection Board.

§432.107 Agency records.

(a) When the action is effected. The agency shall preserve all relevant documentation concerning a reduction in grade or removal which is based on unacceptable performance and make it available for review by the affected employee or his or her representative. At a minimum, the agency’s records shall consist of a copy of the notice of proposed action, the answer of the employee when it is in writing, a summary thereof when the employee makes an oral reply, the written notice of decision and the reasons therefor, and any supporting material including documentation regarding the opportunity afforded the employee to demonstrate acceptable performance.

(b) When the action is not affected. As provided at 5 U.S.C. 4303(d), if, because of performance improvement by the employee during the notice period, the employee is not reduced in grade or removed, and the employee’s performance continues to be acceptable for 1 year from the date of the advanced written notice provided in accordance with §432.105(a)(4)(i), any entry or other notation of the unacceptable performance for which the action was proposed shall be removed from any agency record relating to the employee.

§451.101 Authority and coverage.

(a) Chapter 45 of title 5, United States Code authorizes agencies to pay a cash award to, grant time-off to, and incur necessary expense for the honorary recognition of, an employee (individually or as a member of a group) and requires the Office of Personnel Management to prescribe regulations governing such authority. Chapter 43 of title 5, United States Code, provides for recognizing and rewarding employees whose performance so warrants. The regulations in this subpart, in combination with chapters 43 and 45 of title 5, United States Code, and any other applicable law, establish the requirements for agency award programs.

(b) Section 4 of E.O. 11438 (Prescribing Procedures Governing Interdepartmental Cash Awards to the Members of the Armed Forces, December 3, 1968) requires the Office of Personnel Management to prescribe procedures for covering the cost of a cash award recommended by more than one agency for a member of the armed forces for the adoption or use of a suggestion, invention, or scientific achievement. Section 1 of E.O. 12828 (Delegation of Certain Personnel Management Authorities, January 5, 1993) delegates to the Office of Personnel Management the authority of the President to permit performance-based cash awards under 5 U.S.C. 4505a to be paid to categories of employees who would not be eligible otherwise.

(c) This subpart applies to employees as defined by section 2105 and agencies as defined by section 4501 of title 5, United States Code, except as provided in §§451.105 and 451.201(b).

§ 451.103 Agency award program(s).

(a) Agencies shall develop one or more award programs for employees covered by this subpart.

(b) Agencies are encouraged to involve employees in developing such programs. When agencies involve employees, the method of involvement shall be in accordance with law.

(c) An agency award program shall provide for—

§ 451.104 Awards.

(a) An agency may grant a cash, honorary, or informal recognition award, or grant time-off without charge to leave or loss of pay consistent with chapter 45 of title 5, United States Code, and this part to an employee, as an individual or member of a group, on the basis of—

(1) A suggestion, invention, superior accomplishment, productivity gain, or other personal effort that contributes to the efficiency, economy, or other improvement of Government operations or achieves a significant reduction in paperwork;

(2) A special act or service in the public interest in connection with or related to official employment; or

(3) Performance as reflected in the employee’s most recent rating of record (as defined in §430.203 of this chapter), except that performance awards may be paid to SES employees only under §534.403 of this chapter and not on the basis of this subpart.

(b) A cash award under this subpart is a lump sum payment and is not basic pay for any purpose.

(c) An award is subject to applicable tax rules, such as withholding.

(d) When an award is approved for—

(1) An employee of another agency, the benefiting agency shall make arrangements to transfer funds to the employing agency to cover the award. If the administrative costs of transferring funds would exceed the amount of the award, the employing agency shall absorb the award costs and pay the award; and

(2) A member of the armed forces for a suggestion, invention, or scientific achievement, arrangements shall be made to transfer funds to the agency having jurisdiction over the member in accordance with E.O. 11438, “Prescribing Procedures Governing Interdepartmental Cash Awards to the Members of the Armed Forces”.

(e) An award may be granted to a separated employee or the legal heir(s) or estate of a deceased employee.

(f) A time-off award granted under this subpart shall not be converted to a cash payment under any circumstances.

(g) When granting an award on the basis of a rating of record that is paid as a percentage of basic pay under 5 U.S.C. 4505a(a)(2)(A), the rate of basic pay used shall be determined without taking into account any locality-based comparability payment under 5 U.S.C.

(3) Establish and maintain a program for the collection and public dissemination of information relating to personnel management research, and for encouraging and facilitating the exchange of information among interested persons and entities; and

(4) Carry out the preceding functions directly or through agreement or contract.

(b) Section 4703, title 5, United States Code, provides OPM with the authority to conduct and evaluate demonstration projects to determine whether a specified change in personnel management policies or procedures would result in improved Federal personnel management.

(c) This part supplements and implements the provisions of chapter 47 of title 5, United States Code, relating to the conduct of personnel research programs and demonstration projects, and must be read together with those provisions of law.

§ 470.103 Definitions.

In this part:

Demonstration Project means a project conducted by the Office of Personnel Management, or under its supervision, to determine whether a specified change in personnel management policies or procedures would result in improved Federal personnel management (5 U.S.C. 4701). The project must require the waiver of a provision of law, rule, or regulation which is eligible for waiver under the demonstration authority contained in 5 U.S.C. 4703. A project which can be undertaken under an agency’s own authority and does not require the waiver of a provision of law, rule, or regulation is not considered a “demonstration project” for purposes of this part.

Research means systematic, intensive study directed toward fuller scientific knowledge or understanding of the subject studied. Activities classified as research are structured experimental or descriptive investigations conducted according to sound methodological principles.

Research Program means a planned study of the manner in which public management policies and systems are operating or have operated, the effects of those policies and systems, the possibilities for change, and comparisons among policies and systems.

§ 470.203 Eligible parties.

§ 470.205 Initiation of research programs.

OPM will announce opportunities for research contracts by issuing Requests for Proposals (RFP’s) in accordance with Federal procurement regulations. Unsolicited proposals may be accepted; however the relevance of the proposed
research to OPM research needs will determine the acceptability of the proposal.

Subpart C—Regulatory Requirements Pertaining to Demonstration Projects

§ 470.301 Program expectations.

(a) Demonstration projects permit the Office of Personnel Management and Federal agencies to test alternative personnel management concepts in controlled situations to determine the likely effects and ramifications of proposed changes before putting them into general effect. OPM will assist agencies, within available resources, in developing projects which demonstrate new or improved personnel methods.

(b) The demonstration project must be proposed in a research context. The project plan must include a research design which contains:

(1) Measurable goals or objectives;
(2) Acceptable expected results or outcomes;
(3) A description of the procedures, methods and techniques to be demonstrated in achieving the desired goals or objectives;
(4) An evaluation section describing the data collection and analysis procedures to be used to assess the success or failure of the project from a qualitative and quantitative standpoint; and

§ 470.303 Eligible parties.

(a) Any Federal agency, or groups of two or more Federal agencies, eligible to propose demonstration projects under 5 U.S.C. 4701(a)(1) and 4701(b) may conduct demonstration projects after approval by the Office of Personnel Management and required Congressional and public review.

(b) While only a Federal agency may propose and conduct a demonstration project, the agency may be assisted in the development and evaluation of the project under contract or agreement with public or private institutions and organizations.

§ 470.305 Submission of proposals for demonstration projects.

(a) OPM will accept project proposals at any time. However, OPM may delay action for a reasonable amount of time on submitted proposals until comparisons can be made with other existing projects or with project proposals of a similar nature not yet received by OPM but known to be under development.

(b) Agencies must submit the project proposal in the form of a project plan to OPM for approval. OPM will prescribe the content of a project plan in its guidance and instructions, which at a minimum will contain the items identified in 5 U.S.C. 4703(b)(1) and 5 CFR 470.301(b).

(c) Agencies will outline, at the time proposed demonstration projects are submitted to OPM for approval, what discussions of the project have been held with labor organizations which have been accorded exclusive recognition for bargaining units containing employees involved in or affected by the proposed demonstration project.

(d) OPM may combine and evaluate similar project proposals received from different agencies as a single project, with the approval of the agencies involved.

§ 470.307 Notification responsibilities.

(a) 5 U.S.C. 4703 requires notification of tentatively approved demonstration project plans to Congress, employees, labor organizations, and the public.

(b) OPM shall:

(2) Publish each tentatively approved project plan as a notice in the FEDERAL REGISTER.

(c) Each agency having a tentatively approved project plan shall:
(1) Notify and make available copies of the project plan to:
   (i) All employees who may be interested in or affected by the activities of the demonstration project; and
   (ii) All labor organizations accorded exclusive recognition for bargaining units which include employees in or affected by the project plan.

(2) Certify to OPM in writing when and how the requirements of §470.307(c)(1) were carried out and document the manner in which it insured that all affected employees were notified.

(3) Observe the consultation and negotiation requirements of 5 U.S.C. 4703 (f) and (g).

§470.309 Public hearing.

(a) Notice of public hearing. OPM shall hold a public hearing no less than 30 days after the date of its notice in the FEDERAL REGISTER during which interested persons or organizations may present their written or oral views concerning the proposed demonstration project. The notice of public hearing shall be published in the FEDERAL REGISTER and shall:
   (1) State the date, time, place and purpose of the hearing;
   (2) Describe briefly the project;
   (3) Indicate where more information and a copy of the project plan may be obtained;
   (4) State the name and address of the person who will receive written comments from those unable to attend the hearing; and
   (5) Indicate the date by which written comments must be received to be considered.

(b) Nature of public hearing. The hearing will be informal to encourage effective oral presentations by interested individuals and organizations. The presiding officer, designated by the Director, OPM, shall in his or her reasonable discretion regulate the course of the proceedings and the conduct of those present at the hearing by appropriate means.

(c) A written summary shall be made of the oral evidence.

(d) The record shall be left open for 2 weeks after the conclusion of the hearing to receive additional written data, views, and arguments from the parties participating in the hearing.

§470.311 Final project approval.

(a) The Office of Personnel Management will consider all timely relevant oral and written views, arguments, and data before final approval or disapproval of a project plan. OPM may request that the agency modify the tentatively approved project plan before final approval because of comments and data received from the Congress, the public, labor organizations, and affected employees. OPM will not permit the agency to implement the project until all required consultation or negotiation has been completed, including the conclusion of impasse resolution and negotiability disputes.

(b) The Office of Personnel Management shall provide a copy of the final version of the project plan to each House of the Congress at least 90 days in advance of the date the project is to take effect.

(c) Agencies involved in the project shall communicate the content of the final project plan to:
   (1) Labor organizations and affected employees; and
   (2) Individuals and groups known to be interested in the project’s activities.

§470.313 Project implementation regulations.

Agencies will prepare demonstration project implementing regulations, as appropriate, to replace Government-wide statutes and regulations waived for the project. Demonstration project implementing regulations issued pursuant to an OPM-approved demonstration project must be approved by OPM and shall have full force and authority pursuant to Title VI of the Civil Service Reform Act of 1978.

§470.315 Project modification and extension.

OPM-approved projects permit the testing of alternative personnel systems and procedures in accordance with the provisions of the project plan. The provisions of approved project plans will not be modified, duplicated in organizations not listed in the project plan, or extended by agencies to individuals or groups of employees.
not included in the project plan without the approval of the Office of Personnel Management. OPM will inform the agency of notification responsibilities under §470.307. The extent of notification requirements will depend on the nature and extent of the requested project modification.

§ 470.317 Project evaluation.

(a) Compliance evaluation. OPM will review the operation of the project periodically to determine its compliance with the requirements of this part and the approved project plan. If OPM determines that an agency is not meeting legal, regulatory, or project plan requirements, it may, as appropriate, direct the agency to take corrective action or terminate the project.

(b) Results evaluation. All approved project plans will contain an evaluation section to measure the impact of the project results in relation to its objectives and to determine whether or not permanent changes in law and/or regulation should be considered or proposed. Where the project plan provides for agency evaluation of project results, OPM will review those project evaluation efforts, may conduct evaluations of its own, on a sample basis, to verify results, and may report its own conclusions. If OPM or the agency determines that an experiment is creating a substantial hardship on, or is not in the best interest of, the public, the Federal Government, employees, or eligibles, even though the experiment is being conducted properly, OPM or the agency may jointly or unilaterally terminate the project.

§ 511.602 **Notification of classification decision.**

An employee whose position is reclassified to a lower grade which is based in whole or in part on a classification decision is entitled to a prompt written notice from the agency. This includes employees who are eligible for retained grade or pay. If the reclassification is due to an Office classification certificate issued under the authority of 5 U.S.C. 5110, the agency will also explain the reasons for the reclassification action to the employee.    (5) The accuracy of grade level criteria contained in an Office classification guide or standard; or
   (6) A classification decision that has been issued by the Office under this subpart when there has been no change in the governing classification standard(s) or the major duties of the position.

§ 511.610 Notification.
The Office shall notify the employee, or a representative if one is designated, and the agency in writing of its decision.

§ 511.612 Finality of decision.
An appellate decision made by the Office is final unless reconsidered by the Office. There is no further right of appeal. The Office may reconsider a decision at its discretion. The decision shall constitute a certificate which is mandatory and binding on all administrative, certifying, payroll, disbursing, and accounting officials of the Government. Agencies shall review their own classification decisions for identical, similar or related positions to insure consistency with the Office’s certificate.

§ 511.613 Classification Appeals Office.
The Office’s Classification Appeals Office may, at its discretion, reopen and reconsider a certificate issued under this subpart.
(a) The Classification Appeals Office may remand to the respective region of the Office any request for reconsideration which requires extensive fact-finding or investigation. Requests which contain new and material information, or disagreements over the significance of information, will be remanded to the regional deciding official for a decision.
(b) The Classification Appeals Office may reopen and reconsider a decision
$511.614 Review by the Director.

The Director may, at his or her discretion, reopen and reconsider any decision when written argument or evidence is submitted which tends to establish that:

(a) The previous decision involves an erroneous interpretation of law or regulation, or a misapplication of established policy;

(b) The previous decision is of a precedential nature involving a new or unreviewed policy consideration that may have effects beyond the actual case at hand, or is otherwise of such an exceptional nature as to merit the personal attention of the Director.

$511.615 Temporary compliance authority.

Agencies may use temporary or conditional compliance action, e.g., a temporary promotion or a temporary reassignment when available, if:

(a) A position has been certified by the Office under either section 5110 or 5112 of title 5, United States Code;

(b) The certificate has not been suspended; and,

(c) The agency or employee has requested reconsideration.

This authority will not be used if the position has been downgraded and the employee is entitled to retained grade under section 5362 of title 5, United States Code.

$511.616 Availability of information.

(a) The Office, upon a request which identifies the individual from whose file the information is sought, shall disclose the following information from an appeal file to a member of the public, except when the disclosure would constitute a clearly unwarranted invasion of personal privacy:

(1) Confirmation of the name of the individual from whose file the information is sought and the names of the other parties concerned;

(2) The status of the appeal;

(3) The results of the appeal (i.e., proper title, pay plan, series, and grade);

(4) the classification requested (i.e., title, pay plan, series, and grade); and

(5) With the consent of the parties concerned, other reasonably identified information from the file.

(b) The Office will disclose to the parties concerned the information contained in an appeal file in proceedings under this part. For the purposes of this section, the parties concerned means the Government employee or former Government employee involved in the proceedings, his or her representative designated in writing, and the representative of the agency or the Office involved in the proceeding.

Subpart G—Effective Dates of Position Classification Actions or Decisions

SOURCE: 46 FR 9915, Jan. 30, 1981, unless otherwise noted.

$511.701 Effective dates generally.

(a) Agency classification actions. (1) A classification action is a determination to establish or change the title, series, grade or pay system of a position based on application of published position classification standards or guides. This is a position action.

(i) The effective date of a position action taken by an agency shall be the date an official with properly delegated authority approves (certifies) the proposed classification. This is accomplished when the authorized official(s) signs the allocation of the position.

(ii) The effective date of a position action may be extended to correspond with the effective date of the personnel action when:

(A) The position is being changed to lower grade or pay; and

(B) The employee occupying the position is eligible for retained grade or pay under 5 U.S.C. 5362–5363.

(2) A position action is implemented by a personnel action. The personnel action must occur within a reasonable period of time following the date of the position action.

(iii) If the position action requires a personnel action which will result in a
loss of grade or pay to the occupant of the position, the agency must advise the employee, in writing, of the position action and the proposed date of the personnel action. This notice shall be issued prior to taking a personnel action.

(4) Except as provided in §511.703, classification actions may not be made retroactive.

(b) Office of Personnel Management's classification decision.

(1) The effective date of a classification decision made by means of a certificate issued under the authority of section 5110, title 5, United States Code is not earlier than the date of the certificate, and not later than the beginning of the fourth pay period following the date of the certificate, unless a subsequent date is specifically stated in the certificate. Except as otherwise provided by this paragraph the filing of an appeal of such a certificate does not delay its effective date.

(2) The implementation of the certificate may be suspended when it is determined before its effective date that a review of the classification decision is warranted and suspension is desirable. The determination to suspend implementation may be made by:

(i) A regional director, or a designee, when the decision is made by the regional office; or,

(ii) The Assistant Director, Agency Compliance and Evaluation, or the Chief, Classification Appeals Office when the appellate decision is made within the central office, by a region or by an agency; or

(iii) The Director with respect to any classification decision.

Suspending the implementation of a certificate does not automatically change the effective date except when the certificate requires that the grade or pay of the position be reduced and the employee is not entitled to retained grade or pay.

(3) When the original decision requires that the grade or pay of the position be reduced and the employee is not entitled to retained grade or pay the reviewing authority shall issue a new certificate if it sustains the original decision. Since demotions cannot be made retroactive, the effective date of the new certificate shall be not earlier than the date of the certificate, and not later than the beginning of the fourth pay period after the date of the certificate unless a subsequent date is specifically stated in the certificate.

§511.702 Agency or Office classification appeal decisions.

(a) Subject to §511.703, the effective date of a change in the classification of a position resulting from a classification appeal decision by either an agency or the Office is not earlier than the date of the decision and not later than the beginning of the fourth pay period following the date of the decision, except when a subsequent date is specifically provided in the decision.

(b) The implementation of the decision may be suspended by the Office when it determines before the effective date that a review of the decision is warranted. The determination to suspend implementation may be made by:

(1) The regional director, or a designee, when the appellate decision is made by an agency under the jurisdiction of the region; or

(2) The Assistant Director, Agency Compliance and Evaluation, or the Chief, Classification Appeals Office when the appellate decision is made within the central office, by a region or by an agency; or

(3) The Director with respect to any appellate decision.

Suspending the implementation does not change the effective date of the decision except when the original decision requires that the grade or pay of the position be reduced and the employee is not entitled to grade or pay retention.

(c) When the original decision requires that the grade or pay position be reduced and the employee is not entitled to grade or pay retention, the reviewing authority, if sustaining the original decision, shall issue a new certificate and the effective date of the new certificate shall be not earlier than the date of the new decision and not later than the beginning of the fourth pay period following the date of the new decision, unless a subsequent date is specifically stated in the new decision.
§511.703 Retroactive effective date.

(a) Applicability. A retroactive effective date may be required only if the employee is wrongfully demoted.

(b) Downgrading. (1) The effective date of a classification appellate certificate or agency appellate decision can be retroactive only if it corrects a classification action which resulted in a loss of grade or pay. In order for the decision to be made retroactive, the employee must file the initial request for review with either the agency or the Office not later than 15 calendar days after the effective date of the reclassification action.

(2) However, if the appellate decision raises the grade of the position above the original grade, retroactivity will apply only to the extent of restoration to the original grade.

(3) The right to a retroactive effective date provided by this section is preserved on subsequent appeals from an agency or Office classification decision when the subsequent appeal is filed not later than 15 calendar days following receipt of written notification of a final agency administrative decision or 15 calendar days after the effective date of the action taken as a result of the classification decision, whichever is later.

(c) Grade change based on new duties and responsibilities. Retroactivity may be based only on duties and responsibilities existing at the time of demotion and cannot be based on duties and responsibilities assigned later.

(d) Retroactivity when time limits are extended. The right to a retroactive effective date provided by this section may be preserved at the discretion of the Office, on a showing by the employee that he or she was not notified of the applicable time limit and was not otherwise aware of it, or that circumstances beyond his or her control prevented filing an appeal within the prescribed time limit.

Subpart A [Reserved]

Subpart B—Aggregate Limitation on Pay

SOURCE: 56 FR 12835, Mar. 28, 1991, unless otherwise noted.

§530.201 Purpose.

This subpart provides regulations to implement 5 U.S.C. 5307, which limits an employee’s aggregate compensation to the rate payable for level I of the Executive Schedule at the end of the calendar year.

§530.202 Definitions.

In this subpart: Agency means an Executive agency, as defined in 5 U.S.C. 105.

Aggregate compensation means the total of—

(1) Basic pay received as an employee of the executive branch or as an employee outside the executive branch to whom chapter 51 of title 5, United States Code, applies;
§ 530.203 Administration of aggregate limitation on pay.

(a) No executive branch employee (or General Schedule employee in the legislative or judicial branch) may receive any allowance, differential, bonus, award, or other similar cash payment under title 5, United States Code, in any calendar year to the extent such payment, in combination with the employee’s basic pay (whether received under title 5 or otherwise), would cause the employee’s aggregate compensation to exceed the rate payable for level I of the Executive Schedule on the last day of that calendar year.

(b) The limitation described in paragraph (a) of this section applies to the total amount of aggregate compensation actually received by an employee during the calendar year without regard to the period of service for which such compensation is received.

(c) Except in the case of a retention allowance, at the time a discretionary payment is authorized for an employee, the employee may not receive any portion of such payment that, when added
§ 530.204 Payment of excess amounts.

(a) Except as provided in paragraph (d) of this section, amounts in excess of the limitations described in or established by §530.203 shall be paid to the employee in a lump-sum at the beginning of the following calendar year. The amount so paid shall be considered part of the employee’s aggregate compensation for the new calendar year.

(b) If a lump-sum payment provided for in paragraph (a) of this section causes an employee’s estimated aggregate compensation to exceed the rate payable for level I of the Executive Schedule at the end of the calendar year, the agency shall consider only the employee’s basic pay in determining the extent to which the lump-sum payment may be paid and shall defer all other payments, as provided in §530.203, in order to pay as much of the excess amount as possible. Any payments deferred under this paragraph, including any portion of the excess amount that was not payable, shall become payable at the beginning of the next calendar year, as provided in paragraph (a) of this section.

(c) If an employee transfers to another agency or leaves the Federal service, the agency responsible for making the payment is the agency that employed the individual when the excess amount was created.

(d) The following conditions permit payment of excess aggregate compensation without regard to the calendar year limitation:

(1) If an employee dies, the excess amount is payable immediately as part of the settlement of accounts, in accordance with 5 U.S.C. 5582.
(2) If an employee separates from the Federal service, the entire excess amount is payable following a 30-day break in service. If the individual is re-employed in the Federal service in the same calendar year as separation, any previous payment of an excess amount shall be considered part of that year’s aggregate compensation for the purpose of applying the limitations described in §530.203 of this part for the remainder of the calendar year.

§530.205 Records.
Each agency shall maintain appropriate records to administer this subpart and shall transfer such records to any agency to which an employee may transfer and make such records available to any agency in which an employee may be reemployed during the same calendar year.

Subpart C—Special Salary Rate Schedules for Recruitment and Retention

Source: 50 FR 32841, Aug. 15, 1985, unless otherwise noted.

§530.301 Applicability.
This subpart applies to agencies having positions paid under—
(a) A statutory pay system; or
(b) Any other pay system established by or under Federal statute for civilian positions within the executive branch.

§530.302 Authority.
In lieu of the pay schedules identified in §530.301 of this part, the Office of Personnel Management (OPM) may establish, and agencies shall pay, special salary rates under section 5305 of title 5, United States Code, Executive Order 12748, and this subpart.

§530.303 Establishing and adjusting special salary rate schedules.
(a) OPM may increase the minimum rates otherwise payable under the pay schedules identified in §530.301 of this part in one or more areas or locations to the extent it considers necessary to overcome existing or likely significant handicaps in the recruitment or retention of well-qualified personnel when these handicaps are due to any of the circumstances described in paragraph (b) of this section. When a minimum rate is increased under this authority, increases may also be made in one or more of the remaining rates of the affected grade or level. In no event may an increased minimum rate exceed the maximum rate prescribed by law for the grade or level by more than 30 percent, and no rate may be established under this section in excess of the rate of basic pay payable for level V of the Executive Schedule.

(b) The circumstances referred to in paragraph (a) of this section are the following:
(1) Rates of pay offered by non-Federal employers are significantly higher than those payable by the Government within the area, location, occupational group, or other class of positions under the pay system involved;
(2) The remoteness of the area or location involved;
(3) The undesirability of the working conditions or the nature of the work involved (including exposure to toxic substances or other occupational hazards); or
(4) Any other circumstances OPM considers appropriate.
(c) An agency may propose to OPM that special salary rates be established or adjusted. The agency initiating such a request and all other agencies wishing to be included are responsible for submitting complete supporting data, as specified by OPM, including, after consulting with OPM, a survey of prevailing non-Federal pay rates in the relevant labor market.

(d) All requests to establish or adjust special salary rate schedules must be transmitted directly to OPM’s central office by the agency’s headquarters. Each request must include a certification by the head of the agency (or another official designated to act on behalf of the head of the agency with respect to the given schedule) that the requested special salary rates are considered necessary to ensure staffing
adequate to the accomplishment of the agency’s mission.

(e) In establishing or adjusting special salary rate schedules, OPM shall consider—

(1) The number of existing or likely vacant positions and the length of time they have been vacant, including evidence to support the likelihood that a recruiting problem will develop if one does not already exist;

(2) The number of employees who have or are likely to quit for comparable positions, including the number quitting for higher paying non-Federal positions and evidence to support the likelihood that employees will quit;

(3) The number of vacancies the agency tried to fill, compared with the number of hires and offers made;

(4) The nature of the existing labor market;

(5) The degree to which the agency has considered and used other pay flexibilities available to the agency to alleviate its staffing problems, including above-minimum entry rates, recruitment and relocation bonuses, and retention allowances;

(6) The degree to which the agency has considered relevant non-pay solutions to the staffing problems, such as conducting an aggressive recruiting program, using appropriate appointment authorities, redesigning jobs, establishing training programs, and improving working conditions;

(7) The impact of the staffing problem on the agency’s mission; and

(8) The level of non-Federal rates paid for comparable positions. (Data on non-Federal salary rates may be supplemented, if appropriate, by data on Federal salary rates for comparable positions established under independent statutory authority.)

(f) In determining at which level to set special salary rates, OPM shall consider—

(1) The level of rates it believes necessary to recruit or retain an adequate number of well-qualified employees;

(2) The dollar costs that will be incurred if special salary rate schedules are not authorized; and

(3) The level of pay for comparable positions.

(g) No one factor or combination of factors specified in paragraph (e) or (f) of this section requires special salary rate schedules to be established at or adjusted to any given level. Each agency request to establish or adjust special salary rate schedules shall be judged on its own merits based on the extent to which it meets these criteria.

(h) For newly established or existing special salary rate authorizations, OPM may establish GS–10 special salary rates for the purpose of computing overtime pay and annual premium pay for standby duty and for the purpose of applying the provisions of 5 U.S.C. 5543 governing compensatory time off. In determining the minimum special rate for grade GS–10 to be established for these purposes, OPM shall consider the following factors, as appropriate in each situation:

(1) The need to provide for a reasonable progression in basic pay rates from lower grade levels to higher grade levels; and

(2) The need to avoid pay alignment problems that would result from applying the two-step promotion rule in 5 U.S.C. 5334(b).

(i) The determination as to whether an employee is covered by a special salary rate schedule must be based on the employee’s position of record and the official duty station for that position. For the purpose of this subpart, the employee’s position of record and corresponding official duty station are the position and station documented on the employee’s most recent notification of personnel action, excluding a notification associated with a new assignment that is followed immediately (i.e., within 3 workdays) by a reduction in force resulting in the employee’s separation before he or she is required to report for duty at the new location. For an employee who is authorized to receive relocation allowances under 5 U.S.C. 5737 in connection with an extended assignment, the position and duty station associated with that assignment are the employee’s position of record and official duty station.

§ 530.304 Annual review.
(a) Prior to an adjustment in the scheduled rates of pay for one or more grades or levels for which special rates have been authorized under 5 U.S.C. 5305, but at least annually, OPM shall review special salary rate schedules to determine whether the factors in § 530.303 of this part and paragraph (b) of this section require those schedules to continue, and, if they are to continue, the extent to which they are to be adjusted, if at all.
(b) In addition to the factors in § 530.303 of this part, OPM shall consider, for the purpose of making the determination required by paragraph (a) of this section—
(1) The former non-special pay rates of the special rate employees to ensure that any adjustment in the special rates of pay would not cause those rates to fall below the non-special rates of pay to which the special rate employees would otherwise have been entitled;
(2) The likelihood that the factors leading to a statutory adjustment in pay will affect special rate employees as well; and
(3) Other special rate pay adjustments that occurred prior to the date of the anticipated statutory pay adjustment.
(c) Any adjustment in the special rates of pay shall be based on the factors in paragraphs (a) and (b) of this section and shall not be made solely for mechanical reasons or for the purposes of providing automatic adjustments. Any adjustment must be based on the pay OPM determines is necessary in a given occupation and area to recruit or retain the special rate employees.
(d) In conducting the annual review, OPM shall designate lead agencies for assistance in coordinating the collection of relevant data. All agencies are responsible for submitting complete supporting data upon request to OPM or the lead agency, as appropriate.
(e) When special rates are adjusted as a result of this review, an employee’s pay shall be fixed in the same manner as provided in § 530.307 of this part.
[57 FR 59276, Dec. 15, 1992]

§ 530.305 Revising or discontinuing special salary rate schedules.
OPM and agencies shall initiate action to discontinue or revise special salary rate schedules when it is determined that these schedules are no longer needed, or no longer needed at existing levels, to ensure satisfactory recruitment or retention. No employee’s pay shall be reduced because of such discontinuation or revision.

§ 530.306 Determining employee rates.
(a) Initial establishment and increases.
(1) Except as otherwise provided in this section, when an employee is in a position to which a special rate schedule becomes initially applicable or for which the special salary rate schedule is increased, the agency shall fix the employee’s rate of basic pay at the step in the new or increased special salary rate schedule that corresponds to the employee’s existing numerical step or rate of the grade or level.
(2) When a special salary rate schedule becomes initially applicable to, or increased for, a position occupied by an employee who is receiving basic pay at a rate in excess of the maximum rate of the applicable rate schedule, the agency shall increase the employee’s rate of basic pay at the step in the new or increased special salary rate schedule that corresponds to the employee’s existing numerical step or rate of the grade or level.
(3) Other special rate pay adjustments that occurred prior to the date of the anticipated statutory pay adjustment.
(c) Any adjustment in the special rates of pay shall be based on the factors in paragraphs (a) and (b) of this section and shall not be made solely for mechanical reasons or for the purposes of providing automatic adjustments. Any adjustment must be based on the pay OPM determines is necessary in a given occupation and area to recruit or retain the special rate employees.
(d) In conducting the annual review, OPM shall designate lead agencies for assistance in coordinating the collection of relevant data. All agencies are responsible for submitting complete supporting data upon request to OPM or the lead agency, as appropriate.
(e) When special rates are adjusted as a result of this review, an employee’s pay shall be fixed in the same manner as provided in § 530.307 of this part.
[57 FR 59276, Dec. 15, 1992]
§ 530.306

(3) When a special salary rate schedule becomes initially applicable to, or increased for, a position occupied by a GM employee (as defined in § 531.202 of this chapter), the employee’s rate of basic pay shall be determined under § 531.205(a)(2) of this chapter.

(b) Decreased and discontinued rates.

(1) Except as provided in paragraph (b)(2) of this section, when the special salary rate schedule for a position is discontinued or decreased, the agency shall determine the rate of basic pay for an employee in the position as follows:

(i) If the employee is receiving a rate of basic pay equal to one of the rates in the regular or decreased special salary rate schedule for the employee’s grade or level, the agency shall fix the employee’s rate of basic pay at that rate.

(ii) If the employee is receiving a rate of basic pay at a rate between two rates in the regular or decreased special salary rate schedule for the employee’s grade or level, the agency shall fix the employee’s rate of basic pay at the higher of the two rates.

(iii) If the employee is receiving a rate of basic pay at a rate in excess of the maximum rate for the regular or decreased special salary rate schedule for the employee’s grade or level, the agency shall fix the employee’s rate of basic pay at his or her existing rate, and the employee shall be entitled to this rate as provided in § 536.104(a)(3).

(2) If the employee is receiving a rate of basic pay applicable to a GM employee (as defined in § 531.202 of this chapter), the employee shall receive his or her existing rate. This rate may be lower than the minimum rate for the regular schedule, as permitted by section 4 of the Performance Management and Recognition System Termination Act of 1993 (Pub. L. 103-89). If the employee’s existing rate exceeds the maximum rate for the regular or decreased special salary rate schedule, the employee shall be entitled to the existing rate, as provided in § 536.104(a)(3) of this chapter.

(c) Initial appointments.

(1) The agency shall determine the rate of basic pay for an individual receiving an initial appointment (including an appointment after a break in service of at least 1 workday) to a position to which a special salary rate schedule applies under the regulations governing the pay system under which the employee is appointed without regard to the special salary rate schedule, and shall use the step or rate thus determined to fix the employee’s rate at the corresponding step or rate in the special salary rate schedule.

(2) A special salary rate may not be considered an employee’s highest previous rate, except as provided in § 531.205(d)(2)(v).

(d) General exception. Except as provided in paragraphs (e), (f), and (g) of this section, all other actions of promotion, reduction in grade, transfer, or reassignment are governed by the pay fixing rules established for the appropriate pay system to which, or in which, the personnel action is taken.

(e) Reassignments and transfers. When an employee is reassigned or transferred within the same pay system to a position to which a special salary rate schedule applies, the agency shall fix the employee’s rate in the special salary rate schedule at the step or rate in the special salary rate schedule for the employee’s grade or level which corresponds to the employee’s existing numerical step or rate in the salary rate schedule for the employee’s grade or level.

(f) Promotions. When an employee in a position to which a special salary rate schedule does not apply is promoted to a position to which a special salary rate schedule applies, the agency shall first determine the employee’s step or rate in the higher grade or level without regard to the special salary rate schedule, and then shall fix the employee’s rate at the corresponding numerical step or rate in the special salary rate schedule for the grade to which promoted.

(g) Reductions in grade. When an employee not entitled to a retained grade or rate under appropriate authority is reduced in grade to a position to which a special salary rate schedule applies, the agency shall first determine the employee’s step or rate in the lower grade without regard to the special salary rate schedule, and then shall fix the employee’s rate at the corresponding numerical step or rate in
§ 530.307 Effect of an adjustment in scheduled rates of pay.

(a) Except as provided in paragraphs (b) and (c) of this section, when an employee was receiving a special rate immediately before the effective date of an adjustment in scheduled rates of pay, the employee shall receive on that effective date the rate of basic pay for the numerical rank in the new special rate range established under §530.304 of this part for the employee’s grade or level that corresponds to the numerical rank of the special rate the employee was receiving immediately before that effective date. However, in the case of an employee who becomes eligible for pay retention because a special rate schedule has been reduced under §530.304 of this part, the employee shall receive a rate of basic pay determined under §536.205(b) of this chapter.

(b) If a special rate range is terminated under §530.304 of this part, an employee who was receiving a special rate immediately before the effective date of an adjustment in scheduled rates of pay shall receive on that effective date the numerical rank in the new statutory pay schedule for the employee’s grade or level that corresponds to the numerical rank of the special rate the employee was receiving immediately before that effective date. However, in the case of an employee who becomes eligible for pay retention because the employee’s pay would otherwise be reduced under §530.304 of this part, the employee shall receive a rate of basic pay determined under §536.205(b) of this chapter.

(c) A GM employee (as defined in §531.202 of this chapter) receiving a special salary rate immediately before the effective date of an adjustment in scheduled rates of pay shall receive on that effective date a rate of basic pay determined under §536.205(a)(2) of this chapter. However, in the case of an employee who becomes eligible for pay retention because the employee’s pay would otherwise be reduced under §530.304, the employee shall receive a rate of basic pay determined under §536.205(b) of this chapter.

Higher grade means a General Schedule grade above the last previous General Schedule grade or its equivalent held by the employee.

Highest previous rate means—
(1) The highest actual rate of basic pay previously received by an individual while employed in a position in a branch of the Federal Government (executive, legislative, or judicial); a Government corporation, as defined in 5 U.S.C. 103; the United States Postal Service or the Postal Rate Commission; or the government of the District of Columbia (except as provided in §531.203(d)(2)(v) of this part); without regard to whether the position was subject to the General Schedule; or
(2) The actual rate of basic pay for the highest grade and step previously held by an individual while employed in a position subject to the General Schedule.

Moved involuntarily means the movement of the incumbent of a position in a nonappropriated fund instrumentality under the jurisdiction of the Department of Defense or the Coast Guard, as described in 5 U.S.C. 2105(c), with the position when it is moved to the civil service employment system of the Department of Defense or the Coast Guard, respectively.

New appointment means the first appointment, regardless of tenure, as an employee of the Federal Government or the Government of the District of Columbia.

Promotion means a change of an employee, while continuously employed, from:
(1) One General Schedule grade to a higher General Schedule grade; or
(2) A lower rate paid under authority other than subchapter III of chapter 53 of title 5, United States Code, to a higher rate within a General Schedule grade.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee before any deductions and exclusive of additional pay of any kind.

Reassignment means a change of an employee, while serving continuously in the same agency, from one position to another without promotion or demotion.

Reemployment means an employment, including reinstatement or another type of appointment, after a break in service of at least 1 full workday.

Transfer means a change of an employee, without a break in service of 1 full workday, from one branch of the Federal Government (executive, legislative, or judicial) to another or from one agency to another.

§531.203 General provisions.
(a) New Appointments. Except as provided by section 5333(a) of title 5, United States Code, and paragraph (b) of this section, a new appointment is made at the minimum rate of the grade, or when the minimum rate of the grade of a position has been set under part 530 of this chapter, a new appointment is made at the minimum rate set under part 530 of this chapter.

(b) Superior qualifications appointments. (1) A “superior qualifications appointment” means an appointment made at a rate above the minimum rate of the appropriate General Schedule grade under authority of section 5333 of title 5, United States Code, because of the superior qualifications of the candidate or a special need of the agency for the candidate’s services.
(2) An agency may make a superior qualifications appointment by new appointment or by reappointment except that when made by reappointment, the candidate must have a break in service of at least 90 calendar days from his or her last period of Federal employment or employment with the District of Columbia (other than—
(i) Employment with the Government of the District of Columbia when the candidate was first appointed by the DC Government on or after October 1, 1987;
(ii) Employment under an appointment as an expert or consultant under section 3109 of title 5, United States Code;
(iii) Employment under a temporary appointment effected primarily in furtherance of a postdoctoral research

program, or effected as part of a predoctoral or postdoctoral training program during which the employee receives a stipend, or employment under a temporary appointment of a graduate student when the work performed by the student is the basis for completing certain academic requirements for an advanced degree;

(iv) Employment in a cooperative work-study program under a Schedule B appointment made in accordance with section 213.3202 of this chapter;

(v) Employment as a member of the Commissioned Corps of the National Oceanic and Atmospheric Administration or the Commissioned Corps of the Public Health Service;

(vi) Employment which is neither full-time employment nor the principal employment of the candidate; or

(vii) Employment under the Intergovernmental Personnel Act).

(3) In determining whether an employee should receive a superior qualifications appointment and, if so, at what level the employee’s pay should be set, the agency must consider the possibility of authorizing a recruitment bonus as provided in part 575 of this chapter.

(4) Each agency that makes superior qualifications appointments must establish documentation and record-keeping procedures sufficient to allow reconstruction of the action taken in each case. Documentation must include—

(i) The superior qualifications of the individual or special need of the agency that justified use of this authority;

(ii) The factors considered in determining the individual’s existing pay and the reason for setting pay at a rate higher than that needed to match existing pay; and

(iii) The reasons for authorizing an advanced rate instead of or in addition to a recruitment bonus.

(5) Each agency using the superior qualifications authority must establish appropriate internal guidelines and evaluation procedures to ensure compliance with the law, these regulations, and agency policies.

(c) Maximum payable rate rules. In determining an employee’s rate of basic pay upon reemployment, transfer, reassignment, promotion, demotion, or change in type of appointment, the following rules apply unless the employee is entitled to a higher rate under the promotion provisions of 5 U.S.C. 5334(b) and §531.204(a) of this part or the grade and pay retention provisions of 5 U.S.C. 5362 and 5363 and part 536 of this chapter:

(1) Except as provided in paragraph (c)(2) of this section, the maximum rate of basic pay that may be paid a General Schedule employee shall be determined as follows:

(i) Compare the employee’s highest previous rate (expressed as an annual rate) with the rates of basic pay in effect at the time the highest previous rate was earned for the grade in which pay is currently being fixed.

(ii) Identify the lowest step of the grade in which pay is currently being fixed, for which the rate of basic pay was equal to or greater than the employee’s highest previous rate at the time the highest previous rate was earned. If the employee’s highest previous rate was greater than the maximum rate for the grade in which pay is being fixed, the maximum rate of basic pay that may be paid to the employee is the maximum rate for that grade.

(iii) Identify the current rate of basic pay for the step identified under paragraph (c)(1)(ii) of this section. This rate is the maximum rate of basic pay that may be paid the employee.

(2) The maximum rate of basic pay that may be paid a GM employee (as defined in §531.202) shall be determined as follows: Compare the employee’s highest previous rate (expressed as an annual rate) with the range of rates of basic pay in effect at the time the highest previous rate was earned for the grade in which pay is currently being fixed.

(i) If the employee’s highest previous rate is less than or equal to the minimum rate for the grade in which pay is being fixed, the maximum rate of basic pay that may be paid the employee is the minimum rate for the grade in which pay is being fixed.

(ii) If the employee’s highest previous rate is equal to or greater than the maximum rate for the grade in which pay is being fixed, the maximum rate of basic pay that may be paid the employee is the maximum rate for that grade.

(c) Maximum payable rate rules. In determining an employee’s rate of basic pay upon reemployment, transfer, reassignment, promotion, demotion, or change in type of appointment, the following rules apply unless the employee is entitled to a higher rate under the promotion provisions of 5 U.S.C. 5334(b) and §531.204(a) of this part or the grade and pay retention provisions of 5 U.S.C. 5362 and 5363 and part 536 of this chapter:

(1) Except as provided in paragraph (c)(2) of this section, the maximum rate of basic pay that may be paid a General Schedule employee shall be determined as follows:

(i) Compare the employee’s highest previous rate (expressed as an annual rate) with the rates of basic pay in effect at the time the highest previous rate was earned for the grade in which pay is currently being fixed.

(ii) Identify the lowest step of the grade in which pay is currently being fixed, for which the rate of basic pay was equal to or greater than the employee’s highest previous rate at the time the highest previous rate was earned. If the employee’s highest previous rate was greater than the maximum rate for the grade in which pay is being fixed, the maximum rate of basic pay that may be paid to the employee is the maximum rate for that grade.

(iii) Identify the current rate of basic pay for the step identified under paragraph (c)(1)(ii) of this section. This rate is the maximum rate of basic pay that may be paid the employee.

(2) The maximum rate of basic pay that may be paid a GM employee (as defined in §531.202) shall be determined as follows: Compare the employee’s highest previous rate (expressed as an annual rate) with the range of rates of basic pay in effect at the time the highest previous rate was earned for the grade in which pay is currently being fixed.

(i) If the employee’s highest previous rate is less than or equal to the minimum rate for the grade in which pay is being fixed, the maximum rate of basic pay that may be paid the employee is the minimum rate for the grade in which pay is being fixed.

(ii) If the employee’s highest previous rate is equal to or greater than the maximum rate for the grade in which pay is being fixed, the maximum rate of basic pay that may be paid the employee is the maximum rate for that grade.
highest previous rate was greater than the minimum rate, but less than the maximum rate for the grade in which pay is being fixed, the maximum payable rate shall be determined as follows:

(i) Using the pay rates in effect at the time the highest previous rate was earned for the grade in which pay is being fixed, find the difference between the employee’s highest previous rate and the minimum rate for that grade—(a) Find the difference between the maximum rate and the minimum rate for the same grade—(b) Divide (a) by (b); carry the result to the seventh decimal place; and truncate, rather than round, the result. This quotient—(c)—is a factor representing the employee’s relative position in the rate range.

(ii) Using current pay rates, find the difference between the maximum rate and the minimum rate for the grade in which pay is being fixed—(d). Multiply (d) times the factor (c). Add the product of this multiplication to the minimum rate for the grade in which pay is being fixed. This figure, rounded to the next higher whole dollar, is the maximum rate of basic pay that may be paid the employee.

(d) Basis for highest previous rate. (1) Except as otherwise provided in this paragraph, the highest previous rate may be based on a regular tour of duty at any rate of basic pay received by an individual while serving under an appointment not limited to 90 days or less, or for a continuous period of not less than 90 days under one or more appointments without a break in service.

(2) The highest previous rate may not be based on the following:

(i) A rate received under an appointment as an expert or consultant under 5 U.S.C. 3109;

(ii) A rate received in a position to which the employee was temporarily promoted for less than 1 year, except upon permanent placement in a position at the same or higher grade;

(iii) A rate received in a position from which the employee was reassigned or reduced in grade for failure to complete satisfactorily a probationary period as a supervisor or manager;

(iv) A rate received under a void appointment or a rate otherwise contrary to applicable law or regulation;

(v) A rate received by an employee of the government of the District of Columbia who was first employed by that government on or after October 1, 1987;

(vi) A rate received solely during a period of interim relief under the interim relief provisions of 5 U.S.C. 7701(b)(2)(A); or

(vii) A special rate established under 5 U.S.C. 5305 and part 530 of this chapter, part 532 of this chapter, or other legal authority (other than section 403 of the Federal Employees Pay Comparability Act of 1990 (FEPCA) (Pub. L. 101–509, 104 Stat. 1465), unless, in a reassignment to another position in the same agency—

(A) The special rate of pay is the employee’s current rate of basic pay; and

(B) An agency official specifically designated to make such determinations finds that the need for the services of the employee, and his or her contribution to the program of the agency, will be greater in the position to which he or she is being reassigned. Such determinations shall be made on a case-by-case basis, and in each case the agency shall make a written record of its positive determination to use the special rate as an employee’s highest previous rate.

(3) In the case of an employee who has received or is receiving a special rate established under 5 U.S.C. 5305 and part 530 of this chapter, part 532 of this chapter, or other legal authority (other than section 403 of FEPCA); who is placed in a position in which a special rate does not apply; and for whom the special rate is not used as the highest previous rate under paragraph (d)(2)(vii) of this section; the highest previous rate may be based on the rate of basic pay for the step (or relative position) in the regular rate range that corresponds to the employee’s existing step (or relative position) in the special rate range for the employee’s current grade or pay level.

(e) Agency classification action. When an agency regrades a position to a grade higher than the one to which the position had been classified by Office action, and when subsequent to the regrading, the Office again classifies the position to the grade which it had originally assigned the position, the rate attained by the employee in the
higher grade may not be used as his or her highest previous rate.

(f) Simultaneous actions. (1) General pay adjustments must be processed before any individual pay action that takes effect at the same time. General pay adjustments include annual adjustments under 5 U.S.C. 5303, adjustments in locality rates of pay under subpart F of this part, adjustments in special law enforcement adjusted rates of pay under subpart C of this part, adjustments in special law enforcement adjusted rates of pay under subpart C of this part, adjustments in special salary rates under 5 U.S.C. 5305 or similar provision of law (including section 403 of FEPCA), increases in retained rates under part 536 of this chapter, and increases in continued rates under subparts C and G of this part.

(2) Pay adjustments (other than general pay adjustments) that take effect at the same time must be processed in the order that gives the employee the maximum benefit. When a position or appointment change and entitlement to a higher rate of pay occur at the same time, the higher rate of pay is deemed to be the employee’s existing rate of basic pay.

(g) Status as a GM employee. (1) An employee retains status as a GM employee (as defined in §531.202) when detailed to any position or when reassigned to another General Schedule position in which the employee continues to be a supervisor or management official (as defined in paragraphs (10) and (11) of section 7103(a) of title 5, United States Code).

(2) An employee permanently loses status as a GM employee if the employee is promoted (including a temporary or term promotion), transferred, reduced in grade, reassigned to a position in which the employee will no longer be a supervisor or management official, or has a break in service of more than 3 calendar days.

§531.204 Special provisions.

(a) Promotions and transfers. (1) The requirements of section 5334(b) of title 5, United States Code, apply only to an employee who is promoted or transferred from a position in one grade of the General Schedule to a position in a higher grade of the General Schedule.

(2) For the purpose of section 5334(b) of title 5, United States Code, an employee’s “existing rate of basic pay” includes any applicable special rate established under section 5305 of title 5, United States Code, or law enforcement special rate established under section 403 of the Federal Employees Pay Comparability Act of 1990 (FEPCA) (Pub. L. 101–509, 104 Stat. 1465).

(3) When an employee at grade GS–1 or grade GS–2 is promoted or transferred to a higher grade, the amount of a step increase above step 10 of the employee’s grade equals the amount of the increment between step 9 and step 10 of the grade from which promoted.

(b) Classification decisions. When a classification decision is made effective retroactively under part 511 of this chapter, the agency shall treat the corrective personnel action affecting the employee concerned as a cancellation or correction, as the case may be, of the original action of demotion, and the employee is entitled to retroactive pay in accordance with the terms of the corrective action.

(c) Expiration or termination of temporary promotions. (1) On expiration or termination of a temporary promotion when an employee is returned to the lower grade, an agency must recompute the employee’s rate of basic pay for the lower grade as if the employee had not been temporarily promoted unless the agency sets pay at a higher rate under §531.203(d).

(2) In the case of an employee whose rate of basic pay would otherwise fall between two steps of General Schedule grade or applicable special rate range, the rate of basic pay of the employee must be increased to the rate for the next higher step of the grade or special rate range.

(d) Rate of basic pay on acquiring status as a GM employee. On acquiring status as a GM employee (as defined in §531.202) on November 1, 1993, an employee shall continue to receive the rate of basic pay that was payable on October 31, 1993.
§ 531.205 Rate of basic pay on loss of status as a GM employee.

On loss of status as a GM employee (as defined in §531.202) under §531.203(g)(2), an employee shall receive (except as provided in paragraph (f) of this section) his or her existing rate of basic pay, plus any of the following adjustments that may be applicable, in the order specified:

(1) The amount of any annual adjustment under section 5303 of title 5, United States Code, to which the employee would otherwise be entitled on that date or, for an employee subject to special pay rates, the amount of any pay adjustment made on that date under section 5305 of title 5, United States Code, and part 530 of this chapter;

(2) The amount of any step increase under section 5335 of title 5, United States Code, and §531.404 to which the employee otherwise would be entitled on that date;

(3) The amount resulting from a promotion effective on that date;

(4) In the case of an employee whose resulting rate of basic pay falls between two steps of a General Schedule grade (or, in the case of an employee whose position is subject to special pay rates, between two steps of the applicable special rate range), the amount of any increase that may be necessary to pay the employee the rate for the next higher step of that grade (or special rate range); and

(5) In the case of an employee whose resulting rate of basic pay falls below the minimum rate of a General Schedule grade (or, in the case of an employee whose position is subject to special pay rates, below the minimum of the applicable special rate range), the amount of any increase that may be necessary to pay the employee the minimum rate for that grade (or special rate range).

(f) Special exceptions. Paragraphs (e)(1) through (e)(4) of this section do not apply to any employee who loses status as a GM employee (as defined in §531.202) under §531.203(g)(2) as a result of—

(1) An action taken for disciplinary or performance related reasons;

(2) The expiration or termination of a temporary promotion; or

(3) A reduction in grade at the employee’s request.

§ 531.205 Pay schedule conversion rules at the time of an annual pay adjustment under 5 U.S.C. 5303.

(a) On the effective date of a pay adjustment under 5 U.S.C. 5303, the rate of basic pay of an employee subject to the General Schedule shall be initially adjusted, except as provided in paragraph (b) of this section, as follows:

(1) If an employee is receiving basic pay immediately before the effective date of his pay adjustment at one of the rates of a grade in the General Schedule, he shall receive the rate of basic pay for the corresponding numerical rate of the grade in effect on and after such date.

(2)(i) Except as provided in paragraphs (a)(2)(ii) through (iv) of this section, an agency shall determine the annual pay adjustment under 5 U.S.C. 5303 for a GM employee (as defined in §531.202) as follows:

(A) Subtract the minimum rate of the range of the employee’s position in effect on the day immediately preceding the pay adjustment from the employee’s rate of basic pay on the day immediately preceding the pay adjustment;

(B) Subtract the minimum rate of the range in effect immediately preceding the pay adjustment from the maximum of that rate range;

(C) Divide the result of paragraph (a)(2)(i)(A) of this section by the result of paragraph (a)(2)(i)(B) of this section, carry the result to the seventh decimal place, and truncate, rather than round, the result;

(D) Subtract the minimum rate of the range in effect immediately preceding the pay adjustment from the maximum of that rate range;

(E) Multiply the result of paragraph (a)(2)(i)(C) of this section by the result of paragraph (a)(2)(i)(D) of this section; and

(F) Add the result of paragraph (a)(2)(i)(E) of this section to the minimum of the new rate range and round
§ 531.206 Setting pay upon movement from nonappropriated fund instrumentalities.

(a) Unless the employee is eligible to receive a higher rate of basic pay under §531.203(c) of this part, the initial rate of basic pay under the General Schedule of an employee of the Department of Defense or the Coast Guard who moves voluntarily, without a break in service of more than 3 days, from a position with substantially the same duties in a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard, respectively, may be set at any rate within the grade of the General Schedule position that does not exceed the highest previous rate of basic pay received by the employee during his or her service in a position in a nonappropriated fund instrumentality, as described in 5 U.S.C. 2105(c).

(b) Unless the employee is eligible to receive a higher rate of basic pay under paragraph (c) of this section, the initial rate of basic pay under the General Schedule of an employee of the Department of Defense or the Coast Guard who is moved involuntarily, without a break in service of more than 3 days, from a position with substantially the same duties in a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard, respectively, shall be set at the rate for the lowest step of the General Schedule grade in which pay is being set, for which the rate of basic pay is equal to or greater than the employee’s rate of basic pay under the nonappropriated
§ 531.301 Definitions.

In this subpart:

Law enforcement officer means a law enforcement officer as defined in §550.103 of this part with respect to whom the provisions of chapter 51 of title 5, United States Code, apply, including members of the Senior Executive Service.

Official duty station means the duty station for an employee’s position of record as indicated on his or her most recent notification of personnel action, excluding a new duty station for an assignment that is followed immediately (i.e., within 3 workdays) by a reduction in force resulting in the employee’s separation before he or she is required to report for duty at the new location. For an employee who is authorized to receive relocation allowances under 5 U.S.C. 5737 in connection with an extended assignment, the temporary duty station associated with that assignment is the employee’s official duty station.

Scheduled annual rate of pay means—

(1) The General Schedule rate of basic pay for the employee’s grade and step (or relative position in the rate range), including a special rate for law enforcement officers under section 403 of the Federal Employees Pay Comparability Act of 1990 (FEPCA) (Pub. L. 101–509), but exclusive of a special salary rate established under 5 U.S.C. 5305 or similar provision of law (other than section 403 of FEPCA), a continued rate of pay under subpart G of this part, a special law enforcement adjusted rate of pay under this subpart (including a rate continued under §531.307), a locality rate of pay under subpart F of this part, or additional pay of any kind;

(2) For a GM employee (as defined in §531.202) who is receiving a special salary rate under 5 U.S.C. 5305 or similar provision of law, the rate of pay resulting from the following computation—

(i) Using the special salary rate schedule established under 5 U.S.C. 5305 or similar provision of law, subtract the dollar amount for step 1 of the employee’s grade on the special salary rate schedule from the dollar amount for the employee’s special salary rate; and

(ii) Add the result of paragraph (2)(i) of this definition to the dollar amount for step 1 of the employee’s grade on the General Schedule; or

(3) A retained rate of pay under part 536 of this chapter, 5 CFR 359.705, or 5 U.S.C. 5334(b)(2), if applicable.

Special law enforcement adjusted rate of pay means an employee’s scheduled annual rate of pay multiplied by the factor listed in §531.302(a) of this part for the special pay adjustment area in which the employee’s official duty station is located, subject to the limitation described in §531.302 (b) or (c) of this part, if applicable.

Special pay adjustment area means any of the following Consolidated Metropolitan Statistical Areas (CMSA’s), Primary Metropolitan Statistical Areas (PMSA’s), or Metropolitan Statistical Areas (MSA’s), as defined by the Office of Management and Budget (OMB):
§ 531.302 Determining special law enforcement adjusted rates of pay.

(a) To determine the special law enforcement adjusted rate of pay, the scheduled annual rate or pay for a law enforcement officer whose official duty station is in one of the special pay adjustment areas listed below shall be multiplied by the factor shown for that area:

(b) Except as provided in paragraph (c) of this section, the special law enforcement adjusted rate of pay may not exceed the rate of basic pay payable for level IV of the Executive Schedule.

(c) The special law enforcement adjusted rate of pay for an employee in a position described in 5 U.S.C. 5304(h)(1)(A)-(E), including members of the Senior Executive Service, may not exceed the rate of basic pay payable for level III of the Executive Schedule.

§ 531.303 Computation of hourly, daily, weekly, and biweekly adjusted rates of pay.

When it is necessary to convert the special law enforcement adjusted rate of pay to an hourly, daily, weekly, or biweekly rate, the following methods apply:

(a) To derive an hourly rate, divide the adjusted annual rate of pay by 2,087 and round to the nearest cent, counting one-half cent and over as a whole cent;

(b) To derive a daily rate, multiply the hourly rate by the number of daily hours of service required by the employee’s basic daily tour of duty;

(c) To derive a weekly or biweekly rate, multiply the hourly rate by 40 or 80, as the case may be.

§ 531.304 Administration of special law enforcement adjusted rates of pay.

(a) A law enforcement officer shall receive the greatest of—

(1) His or her rate of basic pay, including any applicable special salary rate established under 5 U.S.C. 5305 or similar provision of law or special rate for law enforcement officers under section 403 of FEPCA;

(2) A continued rate of pay under subpart G of this part;

(3) A special law enforcement adjusted rate of pay under this subpart, where applicable, including a special law enforcement adjusted rate of pay continued under § 531.307; or

(4) A “locality rate of pay” under subpart F of this part, where applicable.

(b) A special law enforcement adjusted rate of pay and a special law enforcement adjusted rate of pay that is continued under § 531.307(a) are considered basic pay for the purpose of computing—

(1) Retirement deductions and benefits under chapters 83 or 84 of title 5, United States Code;

(2) Life insurance premiums and benefits under parts 870, 871, 872, and 873 of this chapter;

(3) Premium pay under subparts A and I of part 550 of this chapter (including the computation of limitations on premium pay under 5 U.S.C. 5547, overtime pay under 5 U.S.C. 5542(a), and
§ 531.306 Effect of special pay adjustments for law enforcement officers on retention payments under FBI demonstration project.

§ 531.307 Continuation of a special law enforcement adjusted rate of pay.

(a) Except as provided in paragraphs (c) and (d) of this section, the dollar amount of a special law enforcement adjusted rate of pay that was calculated under regulations which included nationwide or worldwide special salary rates established under 5 U.S.C. 5305 in the definition of "scheduled annual rate of pay" shall not be reduced.

(b) At the time of an adjustment in pay under 5 U.S.C. 5303, a special law enforcement adjusted rate of pay continued under paragraph (a) of this section shall be increased by the lesser of—

(1) The dollar amount of the adjustment (including a zero adjustment) made under 5 U.S.C. 5303 in the General Schedule rate of basic pay for the employee's grade and step (or relative position in the rate range); or

(2) The dollar amount of the adjustment (including a zero adjustment) in the special salary rate applicable to the employee as a result of the annual review of special rates required by 5 CFR 530.304.

(c) When an employee who is receiving a special law enforcement adjusted rate of pay continued under paragraph (a) of this section moves to a position in another special pay adjustment area to which a lesser special pay adjustment factor is applicable under §531.302(a), the continued rate shall be reduced. The reduced continued rate shall be derived by—

(1) Determining the special law enforcement adjusted rate of pay to which the employee would have been entitled immediately before the employee's continued rate was first established if the special pay adjustment factor for the new area had been applicable; and

(2) Adjusting that rate as required under paragraph (b) of this section during the intervening period.

(d) A special law enforcement adjusted rate of pay that is continued under this section terminates on the date any of the conditions specified in §531.304(f) is satisfied or on the date an employee is reduced in grade or is no longer in a position covered by a nationwide or worldwide special rate authorization (or, in the event of the conversion of a nationwide or worldwide special rate authorization to a local special rate authorization, a position covered by the new local special rate authorization).

§ 531.401 Principal authorities.

The following are the principal authorities for the regulations in this subpart:

(2) Individuals appointed by the President, by and with the advice and consent of the Senate; and
(3) Employees of the government of the District of Columbia.

§ 531.403 Definitions.
In this subpart:
Acceptable level of competence means performance by an employee that warrants advancement of the employee’s rate of basic pay to the next higher step of the grade or the next higher rate within the grade (as defined in this section) subject to the requirements of § 531.404 of this subpart, as determined by the head of the agency.
Agency means an agency defined in section 5102 of title 5, United States Code.
Calendar week means a period of any seven consecutive calendar days.
Critical element has the meaning given that term in § 430.203 of this chapter.
Employee means an employee of an agency.
Equivalent increase means an increase or increases in an employee’s rate of basic pay equal to or greater than the difference between the employee’s rate of basic pay and the rate of pay for the next higher step of that grade or the next higher rate within the grade (as defined in this section).

Next higher rate within the grade for a GM employee (as defined in § 531.202) means the rate of basic pay which exceeds an employee’s existing rate of basic pay by one-ninth of the difference between the minimum and maximum rates of pay for the applicable General Schedule grade or special salary rate schedule established under section 5305 of title 5, United States Code, not to exceed the maximum rate for the grade.

Permanent position means a position filled by an employee whose appointment is not designated as temporary by law and does not have a definite time limitation of one year or less. “Permanent position” includes a position to which an employee is promoted on a temporary or term basis for at least one year.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee before any deductions and exclusive of additional pay of any kind.

Scheduled tour of duty means any work schedule established for an employee in accordance with the regular procedures for the establishment of workweeks in § 610.111 of this chapter. For a full-time employee this includes the basic 40-hour workweek. For a part-time employee this is any regularly scheduled work of less than 40-hours during the administrative workweek.

Waiting period means the minimum time requirement of creditable service to become eligible for consideration for a within-grade increase.
Within-grade increase is synonymous with the term “step increase” used in section 5335 of title 5, United States Code, and means—
(1) A periodic increase in an employee’s rate of basic pay from one step of the grade of his or her position to the next higher step of that grade in accordance with section 5335 of title 5, United States Code, and this subpart; or
(2) For a GM employee (as defined in § 531.202), a periodic increase in an employee’s rate of basic pay from his or her current rate to the next higher rate...
§ 531.404 Earning within-grade increase.

An employee paid at less than the maximum rate of the grade of his or her position shall earn advancement in pay to the next higher step of the grade or the next higher rate within the grade (as defined in § 531.403) upon meeting the following three requirements established by law:

(a) The employee’s performance must be at an acceptable level of competence, as defined in this subpart. To be determined at an acceptable level of competence, the employee’s most recent rating of record (as defined in § 430.203 of this chapter) shall be at least Level 3 (“Fully Successful” or equivalent).

   (1) When a within-grade increase decision is not consistent with the employee’s most recent rating of record a more current rating of record must be prepared.

   (2) The rating of record used as the basis for an acceptable level of competence determination for a within-grade increase must have been assigned no earlier than the most recently completed appraisal period.

(b) The employee must have completed the required waiting period for advancement to the next higher step of the grade of his or her position.

(c) The employee must not have received an equivalent increase during the waiting period.

§ 531.405 Waiting periods for within-grade increase.

(a) Length of waiting period. (1) For an employee with a scheduled tour of duty, the waiting periods for advancement to the next higher step in all General Schedule grades (or the next higher rate within the grade, as defined in § 531.403) are:

   (i) Rate of basic pay less than the rate of basic pay at step 4—52 calendar weeks of creditable service;

   (ii) Rate of basic pay equal to or greater than the rate of basic pay at step 4 and less than the rate of basic pay at step 7—104 calendar weeks of creditable service; and

   (iii) Rate of basic pay equal to or greater than the rate of basic pay at step 7—156 calendar weeks of creditable service.

(2) For an employee without a scheduled tour of duty, the waiting periods for advancement to the next higher step of all General Schedule grades (or the next higher rate within the grade, as defined in § 531.403) are:

   (i) Rate of basic pay less than the rate of basic pay at step 4—260 days of creditable service in a pay status over a period of not less than 52 calendar weeks;

   (ii) Rate of basic pay equal to or greater than the rate of basic pay at step 4 and less than the rate of basic pay at step 7—520 days of creditable service in a pay status over a period of not less than 104 calendar weeks; and

   (iii) Rate of basic pay equal to or greater than the rate of basic pay at step 7—780 days of creditable service in a pay status over a period of not less than 156 calendar weeks.

(b) Commencement of a waiting period. A waiting period begins:

   (1) On the first appointment as an employee of the Federal Government, regardless of tenure;

   (2) On receiving an equivalent increase; or

   (3) After a period of nonpay status or a break in service (alone or in combination) in excess of 52 calendar weeks, unless the nonpay status or break in service is creditable service under § 531.406 of this subpart.

(c) A waiting period is not interrupted by non-workdays intervening between an employee’s last scheduled workday in one position and his or her first scheduled workday in a new position.

§ 531.406 Creditable service.

(a) General. Civilian employment in any branch of the Federal Government
Office of Personnel Management

§ 531.406

(executive, legislative, or judicial) or with a Government corporation as defined in section 103 of title 5, United States Code, is creditable service in the computation of a waiting period. Service credit is given during this employment for periods of annual, sick, and other leave with pay; advanced annual and sick leave; service under a temporary or term appointment; and service under an interim appointment made under § 772.102 of this chapter. Depending on the specific provision of law or regulation, service may be creditable for the completion of one waiting period or for the completion of successive waiting periods. Paragraph (b) of this section identifies service which is creditable in the computation of a single waiting period. Paragraph (c) identifies service which is creditable in the computation of successive waiting periods.

(b) Service creditable for one within-grade increase. (1) Military service as defined in section 8331(13) of title 5, United States Code, is creditable service in the computation of a waiting period when an employee is reemployed with the Federal Government not later than 52 calendar weeks after separation from such service or hospitalization continuing thereafter for a period of not more than one year.

(2) Time in a nonpay status (based upon the tour of duty from which the time was charged) is creditable service in the computation of a waiting period for an employee with a scheduled tour of duty when it does not exceed an aggregate of:

(i) Two workweeks in the waiting period for an employee whose rate of basic pay is less than the rate of basic pay for step 4 of the applicable grade;

(ii) Four workweeks in the waiting period for an employee whose rate of basic pay is equal to or greater than the rate of basic pay for step 4 of the applicable grade and less than the rate of basic pay for step 7 of the applicable grade; and

(iii) Six workweeks in the waiting period for an employee whose rate of basic pay is equal to or greater than the rate of basic pay for step 7 of the applicable grade.

Except as provided in paragraph (c) of this section, time in a nonpay status in excess of the allowable amount shall extend a waiting period by the excess amount.

(3) Except as provided in paragraph (c) of this section, time in a nonpay status (based upon the tour of duty from which the time was charged) that is in excess of the allowable amount shall extend a waiting period by the excess amount.

(4) Service by an employee of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard, as defined in 5 U.S.C. 2105(c), who moves, within the civil service employment system of the Department of Defense or the Coast Guard, respectively, and without a break in service of more than 3 days, to a position classified and paid under the General Schedule, is creditable service in the computation of a waiting period.

(c) Service creditable for successive within-grade increases. (1) A leave of absence from a position in which an employee is covered by this subpart, whether the employee is on leave without pay or is considered to be on furlough, is creditable service in the computation of waiting periods for successive within-grade increases when:

(i) The employee is absent for the purpose of engaging in military service as defined in section 8331(13) of title 5, United States Code, and returns to a pay status through the exercise of a restoration right provided by law, Executive order, or regulation;

(ii) The employee is receiving injury compensation under subchapter I of chapter 81 of title 5, United States Code;

(iii) The employee is performing service that is creditable under section 8332(b)(5) or (7) of title 5, United States Code;

(iv) The employee is temporarily employed by another agency in a position covered by this subpart; or

(v) The employee is assigned to a State or local government or institution of higher education under sections 3371–3376 of title 5, United States Code.

(2) The period from the date of an employee’s separation from Federal service with a restoration or reemployment right granted by law, Executive order, or regulation to the date of restoration or reemployment with the
§ 531.407 Equivalent increase determinations.

(a) Multiple increases. When an employee receives more than one increase in his or her rate of basic pay during a waiting period, no one of which is an equivalent increase, the first and subsequent increases during the waiting period shall be added together until they amount to an equivalent increase, at which time the employee shall be deemed to have received an equivalent increase.

(b) Position change. When an employee changes positions without receiving an equivalent increase, or when an individual not covered by this subpart moves to a position in which he or she is covered by this subpart without receiving an equivalent increase, he or she shall be deemed to have received his or her last equivalent increase—

(1) At the time of the last equivalent increase in the prior position; or

(2) At the time he or she was deemed to have received an equivalent increase in the prior position under paragraph (a) of this section, if that is later.

(c) Increases in pay not considered equivalent increases. An increase in an employee's rate of basic pay shall not be considered an equivalent increase when it results from the following:

(1) A statutory pay adjustment, including a general pay increase made under section 5403 of title 5, United States Code, but not including a merit increase made under section 5404 of that title;

(2) The periodic adjustment of a wage schedule or the application of a new pay or evaluation plan under the Federal Wage System;

(3) The establishment of higher minimum rates under section 5305 of title 5, United States Code, or an increase in such rates;

(4) A quality step increase under section 5336 of title 5, United States Code, and subpart E of this part;

(5) A temporary or term promotion when returned to the permanent grade and step;

(6) An increase resulting from placement of an employee in a supervisory or managerial position who does not satisfactorily complete a probationary period established under section 3321(a)(2) of title 5, United States Code, and is returned to a position at the same grade and step held by the employee before such placement; and

(7) An interim within-grade increase terminated under § 531.414(c) of this part.

(d) Merit increases. For the purpose of applying section 5335 of title 5, United States Code, and this subpart, all or any portion of a merit increase, or a zero merit increase, authorized under former section 5404 of title 5, United States Code (which was repealed as of November 1, 1993, by Public Law 103–89), is an equivalent increase.

§ 531.408 [Reserved]

§ 531.409 Acceptable level of competence determinations.

(a) Responsibility. The head of the agency or other agency official to whom such authority is delegated shall determine which employees are performing at an acceptable level of competence.

(b) Basis for determination. When applicable, an acceptable level of competence determination shall be based on a current rating of record made under part 430, subpart B, of this chapter. For those agencies not covered by chapter 43 of title 5, United States
Code, and for employees in positions excluded from 5 U.S.C. 4301, an acceptable level of competence determination shall be based on performance appraisal requirements established by the agency. If an employee has been reduced in grade because of unacceptable performance and has served in one position at the lower grade for at least the minimum period established by the agency, a rating of record at the lower grade shall be used as the basis for an acceptable level of competence determination.

(c) Delay in determination. (1) An acceptable level of competence determination shall be delayed when, and only when, either of the following applies:

(i) An employee has not had the minimum period of time established at §430.207(a) of this chapter to demonstrate acceptable performance because he or she has not been informed of the specific requirements for performance at an acceptable level of competence in his or her current position, and the employee has not been given a performance rating in any position within the minimum period of time (as established at §430.207(a) of this chapter) before the end of the waiting period; or

(ii) An employee is reduced in grade because of unacceptable performance to a position in which he or she is eligible for a within-grade increase or will become eligible within the minimum period as established at §430.207(a) of this chapter.

(2) When an acceptable level of competence determination has been delayed under this subpart:

(i) The employee shall be informed that his or her determination is postponed and the appraisal period extended and shall be told of the specific requirements for performance at an acceptable level of competence.

(ii) An acceptable level of competence determination shall then be made based on the employee’s rating of record completed at the end of the extended appraisal period.

(iii) If, following the delay, the employee’s performance is determined to be at an acceptable level of competence, the within-grade increase will be granted retroactively to the beginning of the pay period following completion of the applicable waiting period.

(d) Waiver of requirement for determination. (1) An acceptable level of competence determination shall be waived and a within-grade increase granted when an employee has not served in any position for the minimum period under an applicable agency performance appraisal program during the final 52 calendar weeks of the waiting period for one or more of the following reasons:

(i) Because of absences that are creditable service in the computation of a waiting period or periods under §531.406 of this subpart;

(ii) Because of paid leave;

(iii) Because the employee received service credit under the back pay provisions of subpart H of part 550 of this chapter;

(iv) Because of details to another agency or employer for which no rating has been prepared;

(v) Because the employee has had insufficient time to demonstrate an acceptable level of competence due to authorized activities of official interest to the agency not subject to appraisal under part 430 of this chapter (including, but not limited to, labor-management partnership activities under section 2 of Executive Order 12871 and serving as a representative of a labor organization under chapter 71 of title 5, United States Code); or

(vi) Because of long-term training.

(2) When an acceptable level of competence determination has been waived and a within-grade increase granted under paragraph (d)(1) of this section, there shall be a presumption that the employee performed the duties of his or her position of record for the minimum period under the applicable agency performance appraisal program.

(e) Notice of determination. (1) A level of competence determination shall be communicated to an employee in writing as soon as possible after completion of the waiting period or other period upon which it was based.
§ 531.410

(2) When the head of an agency or his or her designee determines that an employee’s performance is not at an acceptable level of competence, the negative determination shall be communicated to the employee in writing and shall:

(i) Set forth the reasons for any negative determination and the respects in which the employee must improve his or her performance in order to be granted a within-grade increase under § 531.411 of this subpart.

(ii) Inform the employee of his or her right to request that the appropriately designated agency official reconsider the determination.

§ 531.410 Reconsideration of a negative determination.

(a) When an agency head, or his or her designee, issues a negative determination the following procedures are established in accordance with section 5335(c) of title 5, United States Code for reconsideration of the negative determination:

(1) An employee or an employee’s personal representative may request reconsideration of a negative determination by filing, not more than 15 days after receiving notice of determination, a written response to the negative determination setting forth the reasons the agency shall reconsider the determination;

(2) When an employee files a request for reconsideration, the agency shall establish an employee reconsideration file which shall contain all pertinent documents relating to the negative determination and the request for reconsideration, including copies of the following:

(i) The written negative determination and the basis therefore;

(ii) The employee’s written request for reconsideration;

(iii) The report of investigation when an investigation is made;

(iv) The written summary or transcript of any personal presentation made; and

(v) The agency’s decision on the request for reconsideration.

The file shall not contain any document that has not been made available to the employee or his or her personal representative with an opportunity to submit a written exception to any summary of the employee’s personal presentation;

(3) An employee in a duty status shall be granted a reasonable amount of official time to review the material relied upon to support the negative determination and to prepare a response to the determination; and

(4) The agency shall provide the employee with a prompt written final decision.

(b) The time limit to request a reconsideration may be extended when the employee shows he or she was not notified of the time limit and was not otherwise aware of it, or that the employee was prevented by circumstances beyond his or her control from requesting reconsideration within the time limit.

(c) An agency may disallow as an employee’s personal representative an individual whose activities as a representative would cause a conflict of interest of position, an employee whose release from his or her official duties and responsibilities would give rise to unreasonable costs to the Government, or an employee whose priority work assignment precludes his or her release from official duties and responsibilities. Section 7114 of title 5, United States Code, and the terms of any applicable collective bargaining agreement govern representation for employees in an exclusive bargaining unit.

(d) When a negative determination is sustained after reconsideration, an employee shall be informed in writing of the reasons for the decision and of his or her right to appeal the decision to the Merit Systems Protection Board. However, for an employee covered by a collective bargaining agreement a reconsideration decision that sustains a negative determination is only reviewable in accordance with the terms of the agreement.

§ 531.411 Continuing evaluation after withholding a within-grade increase.

When a within-grade increase has been withheld, an agency may, at any time thereafter, prepare a new rating of record for the employee and grant the within-grade increase when it determines that he or she has demonstrated sustained performance at an acceptable level of competence. However, the agency shall determine whether the employee’s performance is at an acceptable level of competence after no more than 52 calendar weeks following the original eligibility date for the within-grade increase and, for as long as the within-grade increase continues to be denied, determinations will be made after no longer than each 52 calendar weeks.

[51 FR 8421, Mar. 11, 1986]

§ 531.412 Effective date of a within-grade increase.

(a) Except as provided in paragraph (b) of this section, a within-grade increase shall be effective on the first day of the first pay period following completion of the required waiting period and in compliance with the conditions of eligibility. Interim within-grade increases shall become effective as provided in §541.414(b).

(b) When an acceptable level of competence is achieved at some time after a negative determination, the effective date is the first day of the first pay period after the acceptable determination has been made.

§ 531.413 Reports and evaluation of within-grade increase authority.

(a) Reports. The Office of Personnel Management may require agencies to maintain records and report on the use of the authority to grant or withhold within-grade increases.

(b) Evaluation. The Office of Personnel Management may evaluate an agency’s use of the authority to grant or withhold within-grade increases. An agency shall take any corrective action required by the Office.

§ 531.414 Interim within-grade increase.

(a) An interim within-grade increase shall be granted to an employee who has:

(1) Appealed a negative within-grade increase determination to the Merit Systems Protection Board under 5 U.S.C 5335(c); and

(2) Been granted a favorable within-grade increase determination under the interim relief provisions of 5 U.S.C. 7701(b)(2).

(b) An interim within-grade increase granted under paragraph (a) of this section shall become effective on the date of the appellate decision ordering interim relief under 5 U.S.C. 7701(b)(2)(A).

(c) If the final decision of the Merit Systems Protection Board upholds the negative within-grade increase determination, an interim within-grade increase granted under this section shall be terminated on the date of the Board’s final decision.

(d) If the final decision of the Merit Systems Protection Board overturns the negative within-grade increase determination, an interim within-grade increase granted under this section shall be made permanent and shall be granted retroactively to the first day of the first pay period beginning on or after completion of the applicable waiting period.

(e) An employee may not appeal the termination of an interim within-grade increase under paragraph (c) of this section.

§ 531.606 Administration of locality rates of pay.

(e) A locality rate of pay shall be adjusted as of the effective date of any change in the applicable scheduled annual rate of pay.

§ 532.203 Structure of regular wage schedules.

(a) Each nonsupervisory and leader regular wage schedule shall have 15 grades, which shall be designated as follows:

(1) WG means an appropriated fund nonsupervisory grade;

(2) WL means an appropriated fund leader grade;

(3) NA means a nonappropriated fund nonsupervisory grade; and

(4) NL means a nonappropriated fund leader grade.

(b) Each supervisory regular wage schedule shall have 19 grades, which shall be designated as follows:

(2) NS means a nonappropriated fund supervisory grade.

(c) The step 2 or payline rate for each grade of a leader regular wage schedule shall be equal to 110 percent of the rate for step 2 of the corresponding grade of the nonsupervisory regular wage schedule for the area.

(d) The step 2 or payline rate for each grade of an appropriated fund supervisory regular wage schedule shall be:

(1) For grades WS–1 through WS–10, equal to the rate for step 2 of the corresponding grade of the nonsupervisory regular wage schedule for the area, plus 30 percent of the rate for step 2 of WG–10;

(2) For grades WS–11 through WS–18, the second rate of WS–10, plus 5, 11.5, 19.6, 29.2, 40.3, 52.9, 67.1, and 82.8 percent, respectively, of the difference between the step 2 rates of WS–10 and WS–19; and

(3) For grade WS–19, the third rate in effect for General Schedule grade GS–14 at the time of the area wage schedule adjustment. The WS–19 rate shall include any cost of living allowance payable for the area under 5 U.S.C. 5941.

(e) The step 2 or payline rate for each grade of a nonappropriated fund supervisory regular wage schedule shall be:

(1) For grades NS–1 through NS–8, equal to the rate for step 2 of the corresponding grade of the nonsupervisory regular wage schedule for the area, plus 20 percent of the rate for step 2 of NA–8;

(2) For grades NS–9 through NS–15, equal to 120 percent of the rate for step 2 of the corresponding grade of the nonappropriated fund supervisory regular wage schedule for the area;

(3) For grades NS–16 through NS–19, the rates will be 25, 30, 35 and 40 percent, respectively, above the step 2 rate of NA–15;

(f) The number of within-grade steps and the differentials between steps for each nonsupervisory grade on a regular wage schedule shall be established in accordance with 5 U.S.C. 5343(e)(1). Each grade on a leader and supervisory regular wage schedule shall have 5 within-grade steps with step 2 set according to paragraphs (c), (d), or (e) of this section, as appropriate, and—

(1) Step 1 set at 96 percent of the step 2 rate;

(2) Step 3 set at 104 percent of the step 2 rate;

(3) Step 4 set at 108 percent of the step 2 rate; and

(4) Step 5 set at 112 percent of the step 2 rate.

§ 532.205 The use of Federal, State, and local minimum wage requirements in determining prevailing rates.

(a) Wage schedules, including special schedules, shall not include any rates of pay less than the higher of:

which is applicable to the private industry counterparts of the single largest Federal industry/occupation in the wage area.

(b) Wage data below the minimum wage rates prescribed by section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended, shall not be used in determining prevailing rates.

(c) Adjustments to regular wage schedules to comply with the minimum wage rate determined to be applicable under paragraph (a) of this section shall be computed as follows:

(1) The step 2 rate of grade 1 of the nonsupervisory wage schedule shall be set at a rate which, upon application of the 4 percent step-rate differential, provides a step 1 rate which is equal to the applicable minimum wage rate.

(2) An intergrade differential shall be determined as 5 percent of the rate established as the step 2 rate of grade 1, rounded to the nearest whole cent. This intergrade differential shall be added to the step 2 rate of each grade, beginning with grade 1, to determine the step 2 rate for the succeeding grade until the grade is reached at which the step 2 rate established through the wage survey process equals or exceeds the rate determined under this procedure. Rates of all grades above that point shall be computed in accordance with §532.221(b) of this subpart.

(3) Steps 1, 3, 4, and 5 of each grade adjusted under paragraph (c) of this section shall be set at 96, 104, 108, and 112 percent of the step 2 rate, respectively.

(4) The leader and supervisory wage schedule grades corresponding to each nonsupervisory grade adjusted under paragraph (c) of this section shall be constructed in accordance with the procedures of §532.203 of this subpart, on the basis of the step 2 rates established under this paragraph for the nonsupervisory wage schedule grades.

(d) All wage schedule adjustments made under this section shall be effective on the effective date of the applicable minimum wage rate.

§ 532.207 Time schedule for wage surveys.

(a) Wage surveys shall be conducted on a 2-year cycle at annual intervals.

(b) A full-scale survey shall be made in the first year of the 2-year cycle and shall include development of a current sample of establishments and the collection of wage data by visits to establishments.

(c) A wage-change survey shall be made every other year using only the same employers, occupations, survey jobs, and establishment weights used in the preceding full-scale survey. Data may be collected by telephone, mail, or personal contact.

(d) Scheduling of surveys shall take into consideration the following criteria:

(1) The best timing in relation to wage adjustments in the principal local private enterprise establishments;

(2) Reasonable distribution of workload of the lead agency;

(3) The timing of surveys for nearby or selected wage areas; and

(4) Scheduling relationships with other pay surveys.

(e) The Office of Personnel Management may authorize adjustments in the normal cycle as requested by the lead agency and based on the criteria in paragraph (d) of this section or to accommodate special studies or adjustments consistent with determining local prevailing rates.

(f) The beginning month of appropriated and nonappropriated fund wage surveys and the fiscal year during which full-scale surveys will be conducted are set out as appendices A and B to this subpart and are incorporated in and made part of this section.

[55 FR 46141, Nov. 1, 1990]

§ 532.209 Lead agency.

(a) The Office of Personnel Management shall select a lead agency for each appropriated and nonappropriated fund wage area based on the number of agency employees covered by the regular wage schedule for that area and the capability of the agency in providing administrative and clerical support at the local level necessary to conduct a wage survey.

(b) OPM may authorize exceptions to these criteria where this will improve the administration of the local wage survey.

(c) The listing in appendix A to this subpart shows the lead agency for each
§ 532.211 Criteria for establishing appropriated fund wage areas.

(a) Each wage area shall consist of one or more survey areas along with nonsurvey areas, if any.

(1) Survey area: A survey area is composed of the counties, parishes, cities, or townships in which survey data are collected. Except in very unusual circumstances, a wage area that includes a Metropolitan Statistical Area shall have the Metropolitan Statistical Area as the survey area or part of the survey area.

(2) Nonsurvey area: Nonsurvey counties, parishes, cities, or townships may be combined with the survey area(s) to form the wage area through consideration of the criteria in paragraph (d)(1) of this section.

(b) Wage areas shall include wherever possible a recognized economic community such as a Metropolitan Statistical Area or a political unit such as a county. Two or more economic communities or political units, or both, may be combined to constitute a single wage area; however, except in unusual circumstances and as an exception to the criteria, an individually defined Metropolitan Statistical Area or county shall not be subdivided for the purpose of defining a wage area.

(c) Except as provided in paragraph (a) of this section, wage areas shall be established when:

(1) There is a minimum of 100 wage employees of one agency subject to the regular schedule and the agency involved indicates that its local installation has the capacity to do the survey; and

(2) There is, within a reasonable commuting distance of the concentration of Federal employment:

(i) A minimum of either 20 establishments having at least 50 employees each; or 10 establishments having at least 50 employees each, with a combined total of 1,500 employees; and

(ii) The total private enterprise employment in the industries surveyed in the survey area is at least twice the Federal wage employment in the survey area.

(d)(1) Adjacent economic communities or political units meeting the separate wage area criteria in paragraphs (b) and (c) of this section may be combined through consideration of:

(i) Distance, transportation facilities, and geographic features;

(ii) Commuting patterns; and

(iii) Similarities in overall population, employment, and the kinds and sizes of private industrial establishments.

(2) Generally, the criteria listed in paragraph (d)(1) of this section are considered in the order listed.

(3) When two wage areas are combined, the survey area of either or both may be used, depending on the concentrations of Federal and private employment and locations of establishments, the proximity of the survey areas to each other, and the extent of economic similarities or differences as indicated by relative levels of wage rates in each of the potential survey areas.

(e) Appropriated fund wage and survey area definitions are set out as appendix C to this subpart and are incorporated in and made part of this section.

§ 532.213 Industries included in regular appropriated fund wage surveys.

(a) Industries in the following Standard Industrial Classifications (SIC) shall be included in all wage surveys for regular wage schedules:

Manufacturing
SIC 20 through 26 All manufacturing classes except SIC 27 (printing, publishing, and allied industries) and SIC 39 (miscellaneous manufacturing industries).

Transportation, Communications, Electric, Gas, and Sanitary Services

§ 532.215 Establishments included in regular appropriated fund surveys.

(a) All establishments having a total employment of 50 or more employees in the prescribed industries within a survey area shall be included within the survey universe. On rare occasions and as an exception to the rule, OPM may authorize lower minimum size levels based on a recommendation of the lead agency for the wage area.

(b) Establishments to be covered in surveys shall be selected under standard probability sample selection procedures. In areas with relatively few establishments, surveys shall cover all establishments within the prescribed industry and size groups.

(c) A lead agency may not delete from a survey an establishment properly included in an establishment list drawn under statistical sampling procedures.

§ 532.219 Criteria for establishing non-appropriated fund wage areas.

(a) Each wage area shall consist of one or more survey areas along with nonsurvey areas, if any, having non-appropriated fund employees.

(1) Survey area: A survey area is composed of the counties, parishes, cities, or townships in which survey data are collected.

(2) Nonsurvey area: Nonsurvey counties, parishes, or townships may be combined with the survey area to form the wage area through consideration of the criteria in paragraph (c) of this section.

(b) Wage areas shall be established when:

(1) There is a minimum of 26 NAF wage employees in the survey area and local activities have the capability to do the survey; and

(2) There is within the survey area a minimum of 1,800 private enterprise wage employees in establishments within survey specifications.

(c) (1) Two or more counties may be combined to constitute a single wage area through consideration of:

(i) Proximity of largest activity in each county;

(ii) Transportation facilities and commuting patterns; and

(iii) Similarities of the counties in:

(A) Overall population;

(B) Private employment in major industry categories; and

(C) Kinds and sizes of private industrial establishments.

(2) Generally, the criteria listed in paragraph (c)(1) of this section are considered in the order listed.

(e) A lead agency must obtain prior approval of OPM to add a job not authorized under paragraph (a), (c), or (d) of this section.

§ 532.221 Industries included in regular nonappropriated fund surveys.

(a) Industries in the following Standard Industrial Classifications (SIC) shall be included in all wage surveys for regular wage schedules:

(b) A lead agency may add other industry classes from within the wholesale, retail, and service industry divisions in an area where these industries account for significant proportions of local private employment of the kinds and levels found in local NAF employment.

§ 532.227 Agency wage committee.

(a) Each lead agency shall establish an agency wage committee for the purpose of considering matters relating to the conduct of wage surveys, the establishment of wage schedules and making recommendations thereon to the lead agency.

(b) The Agency Wage Committee shall consist of five members, with the chairperson and two members designated by the head of the lead agency, and the remaining two members designated as follows:

(1) For the Department of Defense, one member shall be designated by each of the two labor organizations having the largest number of wage employees covered by exclusive recognition in the Department of Defense; and

(2) For other lead agencies, two members shall be designated by the labor organization having the largest number of wage employees by exclusive recognition in the agency.

(c) Recommendations of agency wage committees shall be developed by majority vote. Any member of an agency...
wage committee may submit a minority report to the lead agency along with the recommendations of the committee.

§ 532.229 Local wage survey committee.

(a)(1) A lead agency shall establish a local wage survey committee in each wage area for which it has lead agency responsibility and in which a labor organization represents, by exclusive recognition, wage employees subject to the wage schedules for which the survey is conducted.

(2) The local wage survey committee shall assist the lead agency in the conduct of wage surveys and make recommendations to the lead agency thereon.

(b)(1) Local wage survey committees shall consist of three members, with the chairperson and one member recommended by Federal agencies and designated by the lead agency, and one member recommended by the labor organization having the largest number of wage employees under the regular wage schedule who are under exclusive recognition in the wage area.

(2) All members of local wage survey committees for appropriated fund surveys shall be Federal employees appointed by their employing agencies.

(3) Members for nonappropriated fund surveys shall be nonappropriated fund employees appointed by their employing agencies.

(4) The member recommended by the labor organization must be an employee of a Federal activity for appropriated fund surveys or nonappropriated fund activity for nonappropriated fund surveys who is covered by one of the regular wage schedules in the wage area in which the activity is located.

(5) In selecting and appointing employees recommended by labor organizations and by Federal agencies to serve as committee members, consideration shall be given to the requirement in the prevailing rate law for labor and agency representatives to participate in the wage survey process, the qualifications of the recommended employees, the need of the employees' work units for their presence on the job, and the prudent management of available financial and human resources. Employing agencies and activities shall cooperate and appoint the recommended employees unless exceptional circumstances prohibit their consideration. When the recommended employees cannot be appointed to serve as local wage survey committee members, the responsible lead agency or labor organization shall provide additional recommendations expeditiously to avoid any delay in the survey process.

(6) Employers shall cooperate and release appointed employees for committee proceedings unless the employers can demonstrate that exceptional circumstances directly related to the accomplishment of the work units' missions require their presence on their regular jobs. Employees serving as committee members are considered to be on official assignment to an interagency function, rather than on leave.

(c) A local wage survey committee shall be established before each full-scale wage survey. Responsibility for providing members shall remain with the same agency and the same labor organization until the next full-scale survey.

(d) Recommendations of local wage survey committees shall be developed by majority vote. Any member of a local wage survey committee may submit a minority report to the lead agency relating to any local wage survey committee majority recommendation.

(e) The lead agency shall establish the type of local wage survey organizations to consider in a wage area which does not qualify for a local wage survey committee, under paragraph (a) of this section.

§ 532.231 Responsibilities of participating organizations.

(a) The Office of Personnel Management:

(1) Defines the boundaries of wage and survey areas;

(2) Prescribes the required industries to be surveyed;
Office of Personnel Management

§532.233 Preparation for full-scale wage surveys.

(a) The local wage survey committee, prior to each full-scale survey:

(1) Shall hold a public hearing to receive recommendations from interested parties concerning the area, industries, establishments and jobs to be covered in the wage survey.

(2) Shall prepare a summary of the hearings and submit it to the lead agency together with the committees’ recommendations concerning the survey specifications prescribed in paragraph (c) of this section.

(3) May make any other recommendations concerning the local wage survey which it considers appropriate.

(b) The lead agency shall consider the local wage survey committee’s report if:

(1) The lead agency proposes not to accept the recommendations of the local wage survey committee concerning the specifications of the local wage survey; or

(2) The local wage survey committee’s report is accompanied by a minority report.

(c) The lead agency shall develop survey specifications after taking into consideration the reports and recommendations received from the local...
§ 532.233  

wage survey committee and, if applicable, the agency wage committee. The survey specifications shall include:

1. The counties to be surveyed;
2. The industries to be surveyed;
3. The standard minimum size of establishments to be surveyed;
4. Establishments to be surveyed with certainty; and
5. The survey jobs.

(d) A list of establishments to be surveyed shall be prepared through use of statistical sampling techniques in accordance with the specifications developed by the lead agency. A copy of this list shall be forwarded to the local wage survey committee.

(e) Selection and appointment of data collectors. (1) The local wage survey committee, after consultation with the lead agency, shall determine the number of regular and alternate data collectors needed for the survey based upon the estimated number and location of establishments to be surveyed.

(2) Wage data for appropriated fund surveys shall be collected by teams consisting of one local Federal Wage System employee recommended by the committee member representing the qualifying labor organization and one Federal employee recommended by Federal agencies. The data collectors shall be selected and appointed by their employing agency.

(3) Wage data for nonappropriated fund surveys shall be collected by teams consisting of one local Federal Wage System employee recommended by the committee member representing the qualifying labor organization and one nonappropiated fund employee recommended by nonappropiated fund activities. The data collectors shall be selected and appointed by their employing agency.

(4) The local wage survey committee shall provide employers with the names of employees recommended by labor organizations and by Federal agencies to serve as data collectors and shall indicate the number of regular and alternate data collectors to be selected and appointed by the employers.

(5) In selecting and appointing employees recommended by labor organizations and by Federal agencies to serve as data collectors, consideration shall be given to the requirement in the prevailing rate law for labor and agency representatives to participate in the wage survey process, the qualifications of the recommended employees, the need of the employees’ work units for their presence on the job, and the prudent management of available financial and human resources. Employing agencies and activities shall cooperate and appoint the recommended employees unless exceptional circumstances prohibit their consideration. When the required number of employees cannot be appointed to serve as data collectors from among those recommended, the local wage survey committee shall obtain additional recommendations expeditiously to avoid any delay in the survey process.

(6) Employers shall cooperate and release appointed employees to serve as data collectors throughout the duration of the data collection period unless the employers can demonstrate that exceptional circumstances directly related to the accomplishment of the work units’ missions require their presence on their regular jobs. Employees serving as data collectors are considered to be on official assignment to an interagency function, rather than on leave.

(f) Each member of a local wage survey committee, each data collector, and any other person having access to data collected must retain this information in confidence, and is subject to disciplinary action by the employing agency or activity if the employee violates the confidence of data secured from private employers.

Any violation of the above provision by a Federal employee must be reported to the employing agency and, in the case of a participant designated by a labor organization, to the recognized labor organization and its headquarters, and shall be cause for the lead agency immediately to remove the offending person from participation in the wage survey function.

§ 532.239 Conduct of full-scale wage survey.

(a) Wage survey data shall not be collected before the date the survey is ordered by the lead agency.

(b) Data collection for a full-scale wage survey shall be accomplished by personal visit to the establishment. The following required data shall be collected:

(1) General information about the size, location, and type of product or service of the establishment sufficient to determine whether the establishment is within the scope of the survey and properly weighted, if the survey is a sample survey;

(2) Specific information about each job within the establishment that is similar to one of the jobs covered by the survey, including a brief description of the establishment job, the number of employees in the job, and their rate(s) of pay to the nearest mill (including any cost-of-living adjustments required by contract or that are regular and customary and monetary bonuses that are regular and customary); and

(3) Any other information the lead agency believes is appropriate and useful in determining local prevailing rates.

(c) The data collectors shall submit the data they collect to the local wage survey committee together with their recommendations about the use of the data.

§ 532.237 Review by the local wage survey committee.

(a) The local wage survey committee shall review all establishment information and survey job data collected in the wage survey for completeness and accuracy and forward all of the data collected to the lead agency together with a report of its recommendations concerning the use of the data. The local wage survey committee may make any other recommendations concerning the wage survey which it considers appropriate.

(b) The lead agency shall determine whether the usable data collected in the wage survey are adequate for computing paylines, according to the following criteria:

(1) The wage survey data collected in an appropriated fund wage survey are adequate if the unweighted job matches include at least one survey job in the WG–01 through 04 range, one survey job in the WG–05 through 08 range, and two survey jobs in the WG–09 and above range, each providing at least 20 samples; and at least six other survey jobs, each providing at least 10 samples.

(2) The wage survey data collected in a nonappropriated fund wage survey are adequate if the unweighted job matches include at least two survey jobs in the NA–01 through 04 range providing 10 samples each, one survey job in the NA–01 through 04 range and three survey jobs in the NA–05 through 15 range providing five samples each; two other survey jobs, each providing at least five samples, and at least 100 unweighted samples for all survey jobs combined are used in the computation of the final payline.

(c)(1) If the wage survey data do not meet the adequacy criteria in paragraph (b) of this section, the lead agency shall analyze the data, construct lines and wage schedules, submit them to the agency wage committee for its review and recommendations and issue wage schedules, in accordance with the requirements of this subpart, as if the adequacy criteria were met.

(2) The lead agency may determine such a wage area to be adequate if the quantity of data obtained is large...
§ 532.241

enough to construct paylines even though it was obtained for fewer than the prescribed number of jobs, or at different grade levels, or in different combinations than prescribed in paragraph (b) of this section.

(3) The lead agency may not determine a nonappropriated fund wage area to be adequate if fewer than 100 usable unweighted job matches were used in the final payline computation.

(d) If the lead agency determines a wage area to be inadequate under paragraph (c) of this section, it shall promptly refer the problem to OPM for resolution. OPM shall:

(1) Authorize the lead agency to continue to survey the area if the lead agency believes the survey is likely to be adequate in the next full-scale survey;

(2) Authorize the lead agency to expand the scope of the survey; or

(3) Abolish the wage area and establish it as part of one or more other wage areas.

§ 532.241 Analysis of usable wage survey data.

(a)(1) The lead agency shall compute a weighted average rate for each appropriated fund survey job having at least 10 unweighted matches and for each nonappropriated fund job having at least 5 unweighted matches. The weighted average rates shall be computed using the survey job data collected in accordance with §§ 532.235 and 532.247 and the establishment weight.

(2)(i) Incentive and piece-work rates shall be excluded when computing weighted average rates if, after establishment weights have been applied, 90 percent or more of the total usable wage survey data reflect rates paid on a straight-time basis only.

(ii) When sufficient incentive and piece-work rate data are obtained, the full incentive rate shall be used in computing the job weighted average rate when it is equal to or less than the average nonincentive rate. If the full incentive rate is greater than the average nonincentive rate, the incentive rate shall be discounted by 15 percent. The discounted incentive rate shall be compared with the guaranteed minimum rate and the average nonincentive rate, and the highest rate shall be used in computing the job weighted average rate.

(b) The lead agency shall compute paylines using the weighted average rates computed under paragraph (a) of this section.

(1) The lead agency shall compute unit and frequency paylines using the straight-line, least squares regression formula: \( Y = a + bx \), where \( Y \) is the hourly rate, \( x \) is grade, \( a \) is the intercept of the payline with the Y-axis, and \( b \) is the slope of the payline.

(ii) The frequency payline shall be computed using a weight equal to the number of weighted matches for each of the usable survey jobs and the weighted average rates identified and computed under paragraph (a) of this section.

(2) Either or both of the lines computed according to paragraph (b)(1) of this section may be recomputed after eliminating survey job data that cause distortion in the lines.

(3) The lead agency may compute midpoint paylines using the following formula: \( Y = \frac{a_u + a_f}{2} + \frac{(b_u + b_f)}{2} x \), where \( Y \) is the hourly rate, \( x \) is the grade, \( a_u \) is the intercept of the unit payline, \( a_f \) is the intercept of the frequency payline, \( b_u \) is the slope of the unit payline, and \( b_f \) is the slope of the frequency payline. A midpoint line may be computed using the paylines based on all of the usable survey job data as described in paragraph (b)(1) of this section, and a second midpoint line may be computed using the paylines based on limited survey job data authorized in paragraph (b)(2) of this section.

(4) The lead agency may compute other paylines for the purpose of instituting changes in the scope of the survey.

(c) Usable data obtained from a particular establishment may not be modified or deleted in order to reduce the effect of an establishment's rates
§ 532.243 Consultation with the agency wage committee.
(a) The lead agency shall submit to the agency wage committee:
(1) The data collected in the wage survey;
(2) The report and recommendations of the local wage survey committee concerning the use of data;
(3) The lead agency’s analysis of the data; and
(4) The lines computed from the data.
(b) After considering the information available to it, the agency wage committee shall report to the lead agency its recommendation for a proposed wage schedule derived from the data.

§ 532.245 Selection of payline and issuance of wage schedules.
(a) The lead agency shall select a payline and construct wage schedules therefrom for issuance as the regular wage schedules for the wage area, after considering all of the information, analysis, and recommendations made available to it pursuant to this subpart.

(b) (1) The lead agency shall prepare and maintain a record of all of the analysis and deliberations made under this subpart, documenting fully the basis for its determination under paragraph (a) of this section.

(2) The lead agency shall include in the record all of the wage survey data obtained and the recommendations and reports received from the local wage survey committee and the agency wage committee.

(c) (1) The lead agency shall issue the nonsupervisory, leader, and supervisory regular wage schedules for the local wage area, showing the rates of pay for all grades and steps.

(2) The wage schedules shall have a single effective date for all employees in the wage area, determined by the lead agency in accordance with 5 U.S.C. 5344.

(d) The head of each agency having employees in the local wage area to whom the regular wage schedules apply shall authorize the application of the wage schedules issued under paragraph (c) of this section to those employees, effective on the date specified by the lead agency.

§ 532.247 Wage change surveys.
(a) Wage change surveys shall be conducted in each wage area in years during which full-scale wage surveys are not conducted.

(b) Data shall be collected in wage change surveys only from establishments which participated in the preceding full-scale survey. Information concerning pay adjustments of general application in effect for jobs matched in each establishment which participated in the preceding full-scale survey shall be obtained.

(c) Data may be obtained in wage change surveys by telephone, mail, or personal visit. The chairperson of the local wage survey committee shall determine the manner in which establishments will be contacted for collection of data. Data may be collected by the local wage survey committee members or by data collectors appointed and assigned to two member teams in accordance with § 532.233(e) of this subpart.

(d) Wage change survey data may not be collected before the date ordered by the lead agency.

(e) The local wage survey committee shall review all wage change survey data collected and forward the data to the lead agency. Where appropriate, the committee shall also forward to the lead agency a report of unusual circumstances surrounding the survey.

(f) The lead agency shall review the wage change survey data and, if applicable, the report filed by the local wage survey committee.

(g) (1) The lead agency shall recompute the line selected under § 532.245(a) of this subpart in the preceding full-scale survey using the wage change survey data and shall construct wage schedules therefrom in accordance with
§ 532.249 Minimum rates for hard-to-fill positions.

(a) The lead agency for a wage area may establish the rate of the second, third, fourth, or fifth step of one or more grades of an occupation as the mandatory minimum rate or rates payable by any agency for the occupation at one or more locations within a wage area based on findings that:

1. The hiring rates prevailing for an occupation in private sector establishments in the wage area are higher than the rate of the first step of the grade or grades of the occupation; and

2. Federal installations and activities in the wage area are unable to recruit qualified employees at the rate of the first step of the grade or grades of the occupation.

(b) Any authorizations made under paragraph (a) of this section shall be indicated on the regular wage schedule for the wage area.

(c) Any authorizations made under paragraph (a) of this section shall be terminated with the issuance of a new regular wage schedule unless the conditions that warrant the authorizations continue and the new regular wage schedule continues that authorization.

(d) The lead agency, prior to terminating any authorization made under paragraph (a) of this section, shall require the appropriate official or officials at all installations or activities to which the authorization applies to discuss the termination with the appropriate official or officials of exclusively recognized employee organizations representing employees in the affected occupation. The agency officials shall report the results of these discussions to the lead agency.

(e) No employee shall have his/her pay reduced because of cancellation of an authorization made under paragraph (a) of this section.

§ 532.251 Special rates.

(a) A lead agency, with the approval of OPM, may establish special rates for use within all or part of a wage area for a designated occupation or occupational specialization and grade, in lieu of rates on the regular schedule. OPM may authorize special rates to the extent it considers necessary to overcome existing or likely significant handicaps in the recruitment or retention of well-qualified personnel when these handicaps are due to any of the following circumstances:

1. Rates of pay offered by private sector employers for an occupation or occupational specialization and grade are significantly higher than those paid by the Federal Government within the competitive labor market;

2. The remoteness of the area or location involved; or

3. Any other circumstances that OPM considers appropriate.

(b) In authorizing special rates, OPM shall consider—

1. The number of existing or likely vacant positions and the length of time they have been vacant, including evidence to support the likelihood that a recruitment problem will develop if one does not already exist;

2. The number of positions that have or are likely to be vacated, including the number quitting for higher pay positions and evidence to support the likelihood that employees will quit;

3. The number of vacancies employing agencies tried to fill and the number of hires and offers made;

4. The nature of the existing labor market;

5. The degree to which employing agencies have considered or used increased minimum rates for hard-to-fill positions;

6. The degree to which employing agencies have considered relevant non-pay solutions to the staffing problem, such as conducting an aggressive recruiting program, using appropriate appointment authorities, redesigning
jobs, establishing training programs, and improving working conditions;
(7) The impact of the staffing problem on employers’ missions;
(8) The level of private sector rates paid for comparable positions; and
(9) As appropriate, the extent to which the use of unrestricted rates authorized under §532.801 of this part was considered.

(c) In determining at what level to set special rates, OPM shall consider—
(1) The level of rates it believes necessary to recruit or retain an adequate number of well-qualified persons;
(2) The offsetting costs that will be incurred if special rates are not authorized; and
(3) The level of private sector rates paid for comparable positions.

(d) No one factor or combination of factors specified in paragraphs (b) or (c) of this section requires special rates to be established or to be adjusted to any given level. Each request to establish special rates shall be judged on its own merits, based on the extent to which it meets these factors. Increased minimum rates are not a prerequisite to the establishment of special rates under this section.

(e) Special rates shall be based on private sector wage data, or a percentage thereof, as specified by OPM at the time the special rates are authorized. The private sector data shall be calculated as a weighted average or payline, as appropriate. A single rate shall be used when this represents private sector practice, and five rates shall be used when rate ranges are used by the private sector. When a five-step rate range is used, the differentials between steps shall be set in accordance with §532.203(f) of this subpart.

(f) Once approved by OPM, special rates may be adjusted by the lead agency on the same cycle as the applicable regular schedule to the extent deemed necessary to ensure the continued recruitment or retention of well-qualified personnel. The amount of the special rate adjustment may be up to the percentage (rounded to the nearest one-tenth of 1 percent) by which the market rate has changed since the last adjustment. Special rates may not exceed the percentage of market rates initially approved by OPM unless a request for higher special rates is made and approved under paragraphs (a) through (e) of this section.

(g) Any special rates established under paragraph (a) of this section shall be shown on the regular schedule or published as an amendment to the regular schedule and shall indicate the wage area (or part thereof) and each occupation or occupational specialization and grade for which the rates are authorized. These rates shall be paid by all agencies having such positions in the wage area (or part thereof) specified.

(h) The scheduled special rate payable under this section may not, at any time, be less than the unrestricted (uncapped) rate otherwise payable for such positions under the applicable regular wage schedule.

(i) If a special rate is terminated under paragraph (f) of this section, the lead agency shall provide written notice of such termination to OPM.

(j) Employers using special rates shall maintain current recruitment and retention data for all authorized special rates. Such data shall be made available to the lead agency prior to the wage area regular schedule adjustment date for the purpose of determining whether there is a continuing need for special rates and the amount of special rate adjustment necessary to recruit or retain well-qualified employees.

§ 532.253 Special rates or rate ranges for leader, supervisory, and production facilitating positions.

(a) When special rates or rate ranges are established for nonsupervisory positions, a lead agency also shall establish special rates for leader, supervisory, and production facilitating positions, classified to the same occupational series and title, that lead, supervise, or perform production facilitating work directly relating to the nonsupervisory jobs covered by the special rates.

(b) The step rate structure shall be the same as that of the related nonsupervisory special rate or rate range.

(c) The following formulas shall be used to establish a special rate or rate range:
§ 532.254 Special schedules.

(a) A lead agency, with the approval of OPM, may establish special schedules for use within an area for specific occupations that are critical to the mission of a Federal activity based on findings that—

(1) Unusual prevailing pay practices exist in the private sector that are incompatible with regular schedule practices; and serious recruitment or retention problems exist or will likely develop if employees are paid from the authorized regular schedule; or

(2) Administrative considerations require the establishment of special schedules to address unique agency missions or other unusual circumstances that OPM considers appropriate.

(b) An OPM authorization for a special schedule shall include instructions for its construction, application, and administration.

(c) Unless otherwise specified, positions covered by special schedules shall be subject to the general provisions of this part and to other applicable rules and regulations of OPM.

§ 532.257 Regular nonappropriated fund wage schedules in foreign areas.

(a) The Department of Defense shall establish and issue regular nonappropriated fund wage schedules for U.S. citizens who are wage employees in foreign areas. These schedules shall provide rates of pay for nonsupervisory, leader, supervisory, and production facilitating employees.

(b) Schedules shall be—

(1) Computed on the basis of a simple average of all regular appropriated fund wage area schedules in effect on December 31; and

(2) Effective on the first day of the first pay period that begins on or after January 1 of the succeeding year.

(c) Step 2 rates for each nonsupervisory grade shall be derived by computing a simple average of each step 2 rate for each of the 15 grades of all nonsupervisory wage rate schedules designated in paragraph (b) of this section.

(d) Through the use of the step 2 rates derived under the schedule averaging process, the step rates for each of the 15 grades of the nonsupervisory wage schedule shall be computed in accordance with the table in §532.263(e) of this subpart.

§ 532.255 Regular appropriated fund wage schedules in foreign areas.

(a) The Department of Defense shall establish and issue regular appropriated fund wage schedules for U.S. citizens who are employees in foreign areas. These wage schedules shall provide rates of pay for nonsupervisory, leader, supervisory, and production facilitating employees.

(b) Schedules shall be—

(2) Effective on the first day of the first pay period that begins on or after January 1 of the succeeding year.

(c) Step 2 rates for each nonsupervisory grade shall be derived by computing a simple average of each step 2 rate for each of the 15 grades of all nonsupervisory wage rate schedules designated in paragraph (b) of this section.

(d) Through the use of the step 2 rates derived under the schedule averaging process, the step rates for each of the 15 grades of the nonsupervisory wage schedule shall be computed in accordance with the table in §532.263(e) of this subpart.

(c) The step 2 rate for the supervisory wage schedule shall be:

(1) For grades WS–1 through WS–10, equal to the rate for step 2 of the corresponding grade of the nonsupervisory regular wage schedule for the Puerto Rico wage area, plus 60 percent of the rate for step 2 of WG–10;

(2) For grades WS–11 through WS–18, the second rate of WS–10 plus 5, 11.5, 19.6, 29.2, 40.3, 52.9, 67.1, and 82.8 percent, respectively, of the difference between the step 2 rates of WS–10 and WS–19; and

(3) For grade WS–19, the third rate in effect for General Schedule grade GS–14 at the time of the area wage schedule adjustment. The WS–19 rate shall include any cost of living allowance payable for the area under 5 U.S.C. 5941.

(d) Special production facilitating wage schedules shall be effective on the same date as the regular wage schedules in the FWS wage area.

§ 532.265 Special wage schedules for apprentices and shop trainees.

(a) Agencies may establish special wage schedules for apprentices and shop trainees who are included in:

(1) Formal apprenticeship programs involving training for journeyman level duties in occupations that are recognized as apprenticeable by the Bureau of Apprenticeship and Training, U.S. Department of Labor; or

(2) Formal shop trainee programs involving training for journeyman level duties in nonapprenticeable occupations that require specialized trade or craft skill and knowledge.

(b) Special schedules shall consist of a single wage rate for each training period. Wage rates shall be determined as follows:

(1) Rates shall be based on the current second step rate of the target journeyman grade level on the regular nonsupervisory wage schedule for the area where the apprentice or trainee is employed.

(2) The entrance rate shall be computed at 65 percent of the journeyman level, step 2, rate, or the WG–1, step 1, rate, whichever is greater.

(3) When the WG–1, step 1, rate is used, the apprentice rate shall be increased by a minimum of 5 cents per hour for each succeeding increment interval until the rate obtained by this method equals the rate computed under the formula. No increase shall be less than 5 cents per hour.

(c) Advancement to higher increments shall be at 26-week intervals, regardless of the total length of the training period. Intermediate rates shall be established by subtracting the entrance rate from the journeyman level, step 2, rate, and dividing the difference by the number of 26-week periods of the particular training term. The resulting quotient equals the increment for each succeeding rate.

(d) Agencies may hire at advanced rates or accelerate progression through scheduled wage rates if prescribed by approved agency training standards or programs.

(e) If the employee is promoted to the target job or to a job at the same grade level, the promotion shall be to the second step rate. If the employee is assigned to a job at a grade level that is less than the grade level of the target job, existing pay fixing rules shall be followed.

(b) The special overlap wage schedules in each of the NPS jurisdictions shall be based on a determination concerning which regular nonsupervisory wage schedule in the overlapped FWS wage areas provides the most favorable payline for the employees.

(c) The most favorable payline shall be determined by computing a simple average of the 15 nonsupervisory second step rates on each one of the regular schedules authorized for each wage area overlapped. The highest average obtained by this method will identify the regular schedule that produces the most favorable payline.

(d) Each special schedule shall be effective on the same date as the regular schedule on which it is based.

(d) The data collected in a special printing survey shall be considered adequate for computing paylines if the unweighted job matches for non-supervisory jobs include at least 20 matches in the grade 1 through 5 range, 20 matches in the grade 6 through 8 range, 40 matches in the grade 9 and above range, and 60 additional matches at any grade.

(e) Each survey job used in computing printing schedule paylines must include a minimum of three unweighted matches.

(f) Special printing schedules shall have three step rates with the payline fixed at step 2. Step 1 shall be set at 96 percent of the payline rate, and step 3 shall be set at 104 percent of the payline rate.

(g) No step 3 rate on a special printing schedule shall be less than the maximum rate of the corresponding grade on the regular wage schedule for the wage area. If an adjustment is required under this provision, the payline rate of the special schedule shall be adjusted so as to provide a step 3 special schedule rate equal to the maximum rate of the corresponding regular schedule grade when the formula in paragraph (f) of this section is applied. Step 1 shall be set at 96 percent of the adjustment payline rate.

(h) The waiting period for within-grade increases under special printing schedules is 26 weeks between steps 1 and 2 and 78 weeks between steps 2 and 3.

(i) Special printing schedules shall be effective on the same date as the regular wage schedules for the authorized wage areas.

(j) A special printing schedule is authorized in the Washington, DC, wage area.

§ 532.281 Special wage schedules for divers and tenders.

(a) Agencies are authorized to establish special schedule payments for prevailing rate employees who perform diving and tending duties.

(b) Employees who perform diving duties shall be paid 175 percent of the locality WG–10, step 2, rate for all payable hours of the shift.

(c) Employees who perform tending duties shall be paid at the locality WG–10, step 2, rate for all payable hours of the shift.

(d) Employees whose regular scheduled rate exceeds the diving/tending rate on the day they perform such duties shall retain their regular scheduled rate on that day.

(e) An employee’s diving/tending rate shall be used as the basic rate of pay for computing all premium payments for a shift.

(f) Employees who both dive and tend on the same shift shall receive the higher diving rate as the basic rate for all hours of the shift.

§ 532.283 Special wage schedules for nonappropriated fund tipped employees classified as waiter/waitress.

(a) Tipped employees shall be paid from the regular nonappropriated fund (NAF) schedule applicable to the employee’s duty station.

(b) A tip offset may be authorized for employees classified as Waiter/Waitress. For purposes of this section, a tipped employee is one who is engaged in an occupation in which he or she customarily and regularly receives more than $30 a month in tips, and a tip offset is the amount of money by which an employer, in meeting legal
minimum wage standards, may reduce a tipped employee’s cash wage in consideration of the receipt of tips.

(c) A tip offset may be established, abolished, or adjusted by NAF instrumentalities on an annual basis and at such additional times as new or revised minimum wage statutes require. The amount of any tip offset may vary within a single instrumentality based on location, type of service, or time of service.

(d) If tipped employees are represented by a labor organization holding exclusive recognition, the employing NAF instrumentality shall negotiate with such organization to arrive at a determination as to whether, when, and how much tip offset shall be applied. Changes in tip offset practices may be made more frequently than annually as a result of collective bargaining agreement.

(e) Tip offset practices shall be governed by the Fair Labor Standards Act, as amended, or the applicable statutes of the State, possession or territory where an employee works, whichever provides the greater benefit to the employee. In locations where tip offset is prohibited by law, the requirements of paragraphs (c) and (d) of this section do not apply.

§ 532.285 Special wage schedules for supervisors of negotiated rate Bureau of Reclamation employees.

(a) The Department of the Interior shall establish and issue special wage schedules for wage supervisors of negotiated rate wage employees in the Bureau of Reclamation. These schedules shall be based on annual special wage surveys conducted by the Bureau of Reclamation in each special wage area. Survey jobs representing Bureau of Reclamation positions at up to four levels will be matched to private industry jobs in each special wage area. Special schedule rates for each position will be based on prevailing rates for that particular job in private industry.

(b) Each supervisory job shall be described at one of four levels corresponding to the four supervisory situations described in Factor I and four levels of Subfactor IIIA of the FWS Job Grading Standard for Supervisors. They shall be titled in accordance with regular FWS practices, with the added designation of level I, II, III, or IV. The special survey and wage schedule for a given special wage area includes only those occupations and levels having employees in that area. For each position on the special schedule, there shall be three step rates. Step 2 is the prevailing rate as determined by the survey; step 1 is 96 percent of the prevailing rate; and step 3 is 104 percent of the prevailing rate.

(c) For each special wage area, the Bureau of Reclamation shall designate and appoint a special wage survey committee, including a chairperson and two other members (at least one of whom shall be a supervisor paid from the special wage schedule), and one or more two-person data collection teams (each of which shall include at least one supervisor paid from the special wage schedule). The local wage survey committee shall determine the prevailing rate for each survey job as a weighted average. Survey specifications are as follows for all surveys:

(1) Tailored to the Bureau of Reclamation activities and types of supervisory positions in the special wage area, private industry companies to be surveyed shall be selected from among the following Standard Industrial Classification Major Groups: 12 coal mining; 13 oil and gas extraction; 14 mining and quarrying of nonmetallic minerals, except fuels; 35 manufacturing industrial and commercial machinery and computer equipment; 36 manufacturing electronic and other electrical equipment and components, except computer equipment; 42 motor freight transportation and warehousing; 49 communications; 49 electric, gas, and sanitary services; and 76 miscellaneous repair services. No minimum employment size is required for surveyed establishments.

(2) Each local wage survey committee shall compile lists of all companies in the survey area known to have potential job matches. For the first survey, all companies on the list will be surveyed. Subsequently, companies shall be removed from the survey list if they prove not to have job matches, and new companies will be added if they are expected to have job matches.
Survey data will be shared with other local wage survey committees when the data from any one company is applicable to more than one special wage area.

(3) For each area, survey job descriptions shall be tailored to correspond to the position of each covered supervisor in that area. They will be described at one of four levels (I, II, III, or IV) corresponding to the definitions of the four supervisory situations described in Factor I and four levels of Subfactor IIIA of the FWS Job Grading Standard for Supervisors. A description of the craft, trade, or labor work supervised will be included in each supervisory survey job description.

(d) Special wage area boundaries shall be identical to the survey areas covered by the special wage surveys. The areas of application in which the special schedules will be paid are generally smaller than the survey areas, reflecting actual Bureau of Reclamation worksites and the often scattered location of surveyable private sector jobs. Special wage schedules shall be established in the following areas:

APPENDIX C TO SUBPART B OF PART 532—APPROPRIATED FUND WAGE AND SURVEY AREAS

This appendix lists the wage area definitions for appropriated fund employees. With a few exceptions, each area is defined in terms of county units, independent cities, or, in the New England States, of entire township or city units. Each wage area definition consists of:

(1) Wage area title. Wage areas usually carry the title of the principal city in the area. Sometimes, however, the area title reflects a broader geographic area, such as Wyoming or Eastern Tennessee.

(2) Survey area definition. Lists each county, independent city, or township in the survey area.

(3) Area of application definition. Lists each county, independent city, or township which, in addition to the survey area, is in the area of application.

§ 532.301 Definitions.

For purposes of this subpart:

Nearest similar wage area means the nearest wage area which is most similar to the local wage area in terms of private employment, population, relative numbers of private employers in major industry categories, and kinds and sizes of industry establishments and in which adequate private establishments exist in the survey area whose activities are similar to those in the dominant industry.

Principal types of appropriated or non-appropriated fund positions means those groups of occupations which require work of a specialized nature and which are peculiar to a specific Government industry which is the dominant industry among the total wage employment in the wage area.

Specialized private industry means private industry establishments in those industry groups, comparable to the
specialized Government industries listed in §532.303 of this section, which must be included in a wage survey in order to obtain data comparable to a dominant industry.

§ 532.303 Specialized industry.

(a)(1) Under the appropriated fund wage system, a “specialized industry” is a Federal activity engaged in the production or repair of aircraft, ammunition, artillery and combat vehicles, communication equipment, electronic equipment, guided missiles, heavy duty equipment, shipbuilding, sighting and fire control equipment, or small arms.

(2) Under the nonappropriated fund wage system a “specialized industry” includes only nonappropriated fund operated eating and drinking places. Additional industries may be considered as specialized industries upon approval of the Office of Personnel Management.

§ 532.305 Dominant industry.

(a)(1) A specialized industry is a “dominant industry” if the number of wage employees in the wage area who are subject to the wage schedule for which the survey is made and employed in occupations which comprise the principal types of appropriated or nonappropriated fund positions in the specialized industry comprise:

(i) For appropriated fund activities,

(A) At least 25 percent of the total wage employment or

(B) 1,000 or more employees in a wage area having more than 4,000 wage employees; and

(ii) For nonappropriated fund activities

(A) At least 25 percent of the total wage employment or

(B) 100 or more wage employees in a wage area having 400 or more wage employees.

(2) If two or more specialized industries in a wage area qualify as dominant industries, the two specialized industries having the largest number of wage employees shall be the dominant industries for purposes of applying the requirements of this subpart.

§ 532.307 Determinating whether a dominant industry exists in a wage area.

(a) The chairperson of the local wage survey committee shall, before a full-scale wage survey is scheduled to begin, notify all appropriated or nonappropriated fund activities having employees subject to the wage schedules for which the survey is conducted so that organizations and individuals may submit written recommendations and supporting evidence to the local wage survey committee concerning principal types of appropriated or nonappropriated fund positions in the area. Each appropriated or nonappropriated fund activity shall publicize the opportunity to make such recommendations.

(b)(1) Before conducting a full-scale wage survey an occupational inventory of employees subject to the wage schedules for which the survey is conducted shall be obtained from each appropriated or nonappropriated fund activity in the area having such employees.

(2) After reviewing the occupational inventory and considering the recommendations received pursuant to paragraph (a) of this section, the local wage survey committee shall formulate its recommendations and prepare a written report concerning the existence of specialized industries within the wage area.

(3) The report of the recommendations, the occupational inventory, and the recommendations and supporting evidence received pursuant to paragraph (a) of this section shall be forwarded to the lead agency.

(c) The lead agency shall refer the occupational inventory and the reports received pursuant to paragraph (b) of this section to the agency wage committee for its consideration and recommendation if:

(1) The lead agency proposes not to accept the recommendation of the local wage survey committee concerning the specifications of the local wage survey; or

(2) The local wage survey committee’s report is accompanied by a minority report.
§ 532.309  Determining adequacy of specialized private industry.

(a) Specialized private industry comparable to an appropriated fund dominant industry is adequate when:

1. The survey area is one of the 25 largest Standard Metropolitan Statistical Areas, or the total number of employees of private industry establishments in the specialized private industry located in the survey area is at least equal to the total number of appropriated fund wage employees in occupations which comprise the principal types of appropriated positions in the dominant industry who are subject to the wage schedules for which the survey is made; or

2. For any dominant industry except "ammunition," the job matches obtained from the specialized private industry include one regular survey job in the WG–01 through 04 range, one regular survey job in the WG–05 through 08 range, one regular survey job in the WG–09 and above range, and one special survey job in the WG–09 and above range all providing at least 20 unweighted samples each; and three other regular or special survey jobs, each providing at least 10 unweighted samples.

(b) Specialized private industry comparable to a nonappropriated fund dominant industry is adequate when:

1. The total number of employees of private industry establishments similar to the dominant industry located in the survey are at least equal to the number of nonappropriated fund wage employees in positions which comprise the principal types of nonappropriated fund positions in the dominant industry who are subject to the wage schedules for which the survey is made; and

2. The job matches obtained from all industries surveyed for regular survey jobs related to the dominant industry include one regular survey job in the NA–01 through 04 range providing at least 10 samples; and one regular survey job in the NA–05 through 15 range and one other regular survey job, each providing at least five samples.

§ 532.311  Survey of specialized private industry related to a dominant industry.

If it is determined that there are one or more dominant industries within a wage area, the lead agency shall insure that the survey includes the industries and survey jobs related to the dominant industries. When the related industry within the local wage survey area fails to meet the criteria in §532.309 of this subpart, the lead agency shall obtain data related to the dominant industry from the survey area of the wage area which is determined to be the nearest similar area which will provide adequate data under the criteria in §532.309 of this subpart.

(b) For nonappropriated fund surveys, a lead agency must obtain prior approval of OPM to add a job not listed in §532.223 of this subpart.

§ 532.317 Use of data from the nearest similar area.  
(a)(1) For prevailing rate employees other than those in the Department of
Defense, the lead agency shall, in establishing the regular schedule under the provisions of this subpart, analyze and use the acceptable data from the nearest similar wage area together with the data obtained from inside the local wage survey area. The regular schedule for Department of Defense prevailing rate employees shall be based on local wage data only.

(2) The total number of job matches obtained from the nearest similar wage area shall be equal to the number required for adequacy in §532.309(a) (2) and (3) of this subpart for appropriated fund surveys and §532.309(b)(2) of this subpart for nonappropriated fund surveys.

(3) Data shall be selected for inclusion on the basis of the most populous survey jobs as determined by the weighted job matches found in the dominant industry in the selected reference area. In identifying survey jobs for which reference area samples will be included, the jobs required at limited grade ranges shall be selected before jobs in the unlimited grade range. When there is a tie in the selection procedure, the highest graded job shall be selected first.

(4) If there are two dominant industries for which data are obtained from nearest similar areas, the procedure described in paragraph (a)(2) of this section shall be applied independently for each of the specialized industries.

(b)(1) The wage rates established for a grade by using data from the nearest similar area may not exceed the wage rates for the same grade in the nearest similar area.

(2) If data are obtained from two nearest similar areas for two dominant industries, the wage rates established for a grade by using these data may not exceed the higher of the wage rates for the same grade in the two nearest similar areas.

(c) The wage data obtained from the nearest similar area or areas may not be used to reduce the wage rates for any grade in the local area below the rates that would be established for that grade without the use of the data from the nearest similar area or areas.

§ 532.403 New appointments.

(a) Except as provided in paragraphs (b) and (c) of this section, a new appointment to a position shall be made at the minimum rate of the appropriate grade.

(b) An agency may make a new appointment at a rate above the minimum rate of the appropriate grade in recognition of an appointees' special qualifications.

(c) An agency shall make a new appointment at a step-rate above the minimum rate of a grade if the lead agency for the wage area has designated, in accordance with §532.249, a step-rate above the first step-rate of a grade as the minimum step-rate at which a position may be filled.

§ 532.405 Use of highest previous rate.

(a)(1) Subject to the provisions of §532.407 of this subpart and part 536 of this chapter, when an employee is reemployed, reassigned, transferred, promoted, or changed to a lower grade, the agency may fix the pay at any rate of the new grade which does not exceed the employee’s highest previous rate.

(2) However, if the employee’s highest previous rate falls between two step-rates of the new grade, the agency may fix the pay at the higher of the two.

(b)(1) When an employee's type of appointment is changed in the same job, an agency may continue to pay the existing scheduled rate or may pay any higher rate of the grade which does not exceed the employee's highest previous rate.

(2) However, if the highest previous rate falls between two step-rates of the grade, the agency may pay the higher rate.

(c)(1) The highest previous rate, if earned in a wage job, is the current rate of the grade and step-rate of the former job on the same type of wage schedule in the wage area in which the employee is being employed, or the actual earned rate, whichever is higher.

(2) If earned on a General Schedule or another pay system other than the Federal Wage System, it is the current rate for the same grade and rate of that schedule.

(d) The highest previous rate may be based upon a rate of pay received during a temporary promotion, so long as the temporary promotion is for a period of not less than 1 year. This limitation does not apply upon permanent
§ 532.407 Promotion.

(a) An employee who is promoted is entitled to be paid at the lowest scheduled rate of the grade to which promoted which exceeds the employee’s existing scheduled rate of pay by at least four percent of the representative rate of the grade from which promoted.

(b) If there is no rate in the grade to which an employee is promoted which meets the requirement of paragraph (a) of this section the employee shall be entitled to the higher of: (1) the existing scheduled rate of pay in accordance with part 536 of this chapter; or (2) the maximum scheduled rate of the grade to which promoted.

(c) If the promotion is to a position in a different wage area, the agency shall determine the employee’s pay entitlement as if there were two pay actions—a promotion and a reassignment—and shall process them in the order which gives the employee the maximum benefit.

§ 532.409 Grading or regrading of positions.

Except as provided in § 532.703(b)(10), a change in an employee’s rate of basic pay as a result of the grading or regrading of the employee’s position shall be effective on the date the grading or regrading action is finally approved by the agency or on a subsequent specifically stated date.

§ 532.411 Details.

An appropriated fund employee detailed to a position other than the position to which appointed shall be paid at the rate of the position to which appointed.

§ 532.413 Simultaneous action.

(a) If an employee becomes entitled to more than one pay change at the same time, the employing agency shall process the pay changes in the order which will provide the maximum benefit, except as required by paragraph (b) of this section.

(b) If an employee becomes entitled to an increase in pay and subject to a personnel or appointment change at the same time, the increased rate of pay is deemed to be the employee’s existing scheduled rate of pay when the personnel or appointment change is processed.

§ 532.415 Application of new or revised wage schedules.

(a) The head of each installation or activity in a wage area shall place new or revised wage schedules into effect at the beginning of the first full shift on the date specified on the schedule by the lead agency.

(b) No agency may retroactively change any personnel or pay actions taken between the effective date of a new or revised wage schedule and the date it is actually put into effect if the personnel or pay actions taken during this period of time are more advantageous to an employee than the same personnel or pay action would have been had the new or revised wage schedule been placed into effect on the date specified by the lead agency.

(c) In applying a new or revised wage schedule, the scheduled rate of pay of an employee paid at one of the steps of the employee’s grade on an old wage schedule shall be adjusted upward to the newly adjusted rate for the same numerical step of the grade whenever there is an increase in rates. Except when there is a decrease in wage rates because of a statutory reduction in scheduled rates, the employee is entitled to pay retention as provided in 5 CFR 536.104(a)(3).

§ 532.417 Within-grade increases.

(a) An employee paid under a regular Federal Wage System schedule with a work performance rating of satisfactory or better shall advance automatically to the next higher step within the grade in accordance with section 5343(e)(2) of title 5, United States Code.

(b) Waiting periods for within-grade increases shall begin:

(1) On the first day of a new appointment as an employee subject to this part;

(2) On the first day of a period of service after a break in service or time...
§ 532.417

in a nonpay status in excess of 52 weeks; or

(3) On receipt of an equivalent increase.

(c) Creditable service. The following periods of time shall be considered creditable service for purposes of waiting periods for within-grade increases:

(1) Time during which an employee is in receipt of pay, including periods of leave with pay;

(2) Time during which an employee with a prearranged regular scheduled tour of duty is in a nonpay status to the extent that the time in a nonpay status does not exceed, in the aggregate:

(i) One workweek in the waiting period for step 2;

(ii) Three workweeks in the waiting period for step 3; or

(iii) Four workweeks in the waiting period for steps 4 and 5;

(3) Time during which an employee or former employee is on leave of absence or is separated from Federal service and is entitled to continuation of pay or compensation under subchapter I of chapter 81 of title 5, United States Code. This does not apply to prevailing rate employees within a Department of Defense or Coast Guard non-appropriated fund instrumentality;

(4) A period of military service when:

(i) An employee is on leave of absence to perform such service and returns to pay status through the exercise of a restoration right provided by law, Executive order, or regulation; or

(ii) A former employee is reemployed with the Federal Service not later than 52 calendar weeks after separation from such service or hospitalization continuing thereafter for a period of not more than one year. Military service means honorable active service in the Armed Forces, in the Regular or Reserve Corps of the Public Health Service after June 30, 1960, or as a commissioned officer of the Environmental Science Services Administration after June 30, 1961, but does not include service in the National Guard, except when ordered to active duty in the service of the United States.

(5) The time between an employee’s separation from an earlier position and the date of the employee’s return to a civilian position through the exercise of a reemployment right granted by law, Executive Order, or regulation;

(6) Time during which an employee is performing service, which is creditable under section 8332(b) (5) or (7) of title 5, United States Code;

(7) The time during which an employee is detailed to a non-Federal position under subchapter VI of chapter 33 of title 5, United States Code; and

(8) Nonworkdays intervening between an employee’s last regularly scheduled workday in one position and the first regularly scheduled workday in a new position.

(9) Time during which an employee is temporarily employed by another agency in a position covered by this subpart.

(d) Effective date. A within-grade increase shall be effective at the beginning of the first applicable pay period following the day an employee becomes eligible for the increase.

(e) Equivalent increase. The following shall not be counted as equivalent increases:

(1) Application of a new or revised wage schedule or application of a new pay or evaluation plan;

(2) Payment of additional compensation in the form of nonforeign or foreign post differentials or nonforeign cost-of-living allowances;

(3) Adjustment of the General Schedule;

(4) Premium payment for overtime and holiday duty;

(5) Payment of night shift differential;

(6) Hazard pay differentials;

(7) Payment of rates above the minimum rate of the grade in recognition of specific qualifications, or in jobs in specific hard-to-fill occupations;

(8) Correction of an error in a previous demotion or reduction in pay;

(9) Temporary limited promotion followed by change to lower grade to the former or a different lower grade;

(10) A transfer or reassignment in the same grade and step to another local wage area with a higher wage schedule;

(11) Repromotion to a former or intervening grade of any employee whose earlier change to lower grade was not for cause and was not at the employee’s request; and
§ 532.503 Overtime pay.

(a)(1) Employees who are exempt from the overtime pay provisions of the Fair Labor Standards Act of 1938, as amended, shall be paid overtime pay in accordance with 5 U.S.C. 5544 and this section. Employees who are non-exempt shall be paid overtime pay in accordance with part 551 of this chapter.

(2) Hours of work in excess of eight in a day are not included in computing hours of work in excess of 40 hours in an administrative workweek.

(b) Effect of leave on overtime pay. (1) Hours during which an employee is absent from duty on paid leave during time when the employee otherwise would have been required to be on duty shall be considered hours of work in determining whether the employee is entitled to overtime pay for work performed in excess of eight hours a day or 40 hours a week.

(2) For the purposes of paragraph (b)(1) of this section paid leave includes but is not limited to:

(i) Annual or sick leave;

Premium pay means additional compensation for overtime, or Sunday work, and standby duty.

Sunday work means work performed during a regularly scheduled tour of duty within a basic workweek when any part of that work which is not overtime work is performed on Sunday.

Regular overtime work means overtime work which is a part of the regularly scheduled administrative workweek.

Regularly scheduled administrative workweek means:

(1) For full-time employees, the period within an administrative workweek within which employees are scheduled to be on duty regularly.

(2) For part-time employees, it means the days and hours within an administrative workweek during which these employees are scheduled to be on duty regularly.

Tour of duty means the hours of a day, i.e., a daily tour of duty, and the days of an administrative workweek, i.e., a weekly tour of duty, that are scheduled in advance and during which an employee is required to perform on a regularly recurring basis.
§ 532.504 Compensatory time off.

(a) At the request of an employee, the head of an agency may grant compensatory time off from an employee’s tour of duty instead of payment under §532.503 or the Fair Labor Standards Act of 1938, as amended, for an equal amount of irregular or occasional overtime work.

(b) At the request of an employee, the head of an agency may grant compensatory time off from an employee’s basic work requirement under a flexible work schedule under 5 U.S.C. 6122 instead of payment under §532.503 or the Fair Labor Standards Act of 1938, as amended, for an equal amount of overtime work, whether or not irregular or occasional in nature.

(c) An agency may not require that an employee be compensated for overtime work with an equal amount of compensatory time off from the employee’s tour of duty. An employee may not directly or indirectly intimidate, threaten, or coerce, or attempt to intimidate, threaten, or coerce any other employee for the purpose of interfering with such employee’s rights to request or not to request compensatory time off in lieu of payment for overtime hours.

(d) The head of a department may fix a time limit for an employee to request or take compensatory time off and may provide that an employee who fails to take compensatory time earned under paragraph (a) or (b) of this section before the time limit fixed shall lose the right to compensatory time off in lieu of payment for overtime hours.

§ 532.505 Night shift differentials.

(a) Employees shall be entitled to receive night shift differentials in accordance with section 5543 of title 5, United States Code.

(b) Absence on holidays. An employee regularly assigned to a shift for which
§ 532.511 Environmental differentials.

(a) Entitlements to environmental differential pay.

(1) In accordance with section 5343(c)(4) of title 5, United States Code, an employee shall be paid an environmental differential when exposed to a working condition or hazard that falls within one of the categories approved by the Office of Personnel Management.

(2) Each installation or activity must evaluate its situations against the guidelines issued by the Office of Personnel Management to determine whether the local situation is covered by one or more of the defined categories.

(b) Amount of environmental differential payable.

(1) An employee entitled to an environmental differential shall be paid an amount equal to the percentage rate authorized by the Office of Personnel Management for the category in which the working condition or hazard falls, multiplied by the rate for the second shift differential for the last shift worked preceding leave with pay.

§ 532.507 Pay for holiday work.

(a) An employee who is entitled to holiday premium pay and who performs work on a holiday which is not overtime work shall be paid the employee’s rate of basic pay plus premium pay at a rate equal to the rate of basic pay.

(b) An employee shall be paid for overtime work performed on a holiday at the same rate as for overtime on other workdays.

(c) An employee who is entitled to holiday premium pay and who is required to report for work on a holiday shall be paid at least two hours of holiday pay whether or not work is actually performed.

§ 532.509 Pay for Sunday work.

A wage employee whose regular work schedule includes an 8-hour period of service which is not overtime work, a part of which is on Sunday, is entitled to additional pay under the provisions of section 5544 of title 5, United States Code.

[46 FR 21344, Apr. 10, 1981, as amended by 58 FR 3201, Jan. 8, 1993]
§532.513 Flexible and compressed work schedules.

Federal Wage System employees who are authorized to work flexible and compressed work schedules under sections 6122 and 6127 of title 5, United States Code, shall be paid premium pay in accordance with subchapter II of chapter 61 of title 5, United States Code. Subpart D of part 610 of this chapter supplements subchapter II and must be read together with it.

3. Explosives and incendiary material—low degree hazard

a. Working with or in close proximity to explosives and incendiary material which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation and possible adjacent employees; minor irritation of the skin; minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used.

b. Working with or in close proximity to explosives and incendiary material which involves potential injury such as laceration of hands, face, or arms of the employee engaged in the operation and possible adjacent employees; minor irritation of the skin; minor burns and the like; minimal damage to immediate or adjacent work area or equipment being used and wherein protective device and/or safety measures have not practically eliminated the potential for such injury.

**Examples**
- All operations involving loading, unloading, storage and hauling of explosive and incendiary ordnance material other than small arms ammunition. (Distribution of raw nitroglycerine is covered under high degree hazard—see category 2 above.)
- Duties such as weighing, scooping, consolidating and crimping operations incident to the manufacture of stab, percussion, and low energy electric detonators (initiators) utilizing sensitive primary explosives compositions where initiation would be kept to a low order of propagation due to the limited amounts permitted to be present or handled during the operations.
- Load, assembly and packing of primers, fuses, propellant charges, lead cups, boosters, and time-train rings.
- Weighing, scooping, loading in bags and sewing of ignitor charges and propellant zone charges.
- Loading, assembly, and packing of hand-held signals, smoke signals, and colored marker signals.
- Proof-testing weapons with a known overload of powder or charges.
- Arming/disarming or the installation/removal of any squib, explosive device, or component thereof, connected to or part of a solid propulsion system, including work situations involving removal, inspection, test and installation of aerospace vehicle egress and jettison systems and other cartridge actuated devices and rocket assisted systems or components thereof, when accidental or inadvertent operation of the system or a component might occur.

8. Poisons (toxic chemicals)—high degree hazard

Working with or in close proximity to poisons (toxic chemicals), other than tear gas or similar irritants, which involves potential serious personal injury such as permanent or temporary, partial or complete loss of faculties and/or loss of life including exposure of an unusual degree to toxic chemicals, dust, or fumes of equal toxicity generated in work situations by processes required to perform work assignments wherein protective devices and/or safety measures have been developed but have not practically eliminated the potential for such personal injury.

**Examples**
- Handling and storing toxic chemical agents including monitoring of areas to detect presence of vapor or liquid chemical agents; examining of material for signs of leakage or deteriorated material; decontaminating equipment and work sites; work relating to disposal of deteriorated material (exposure to conjunctivitis, pulmonary edema, blood infection, impairment of the nervous system, possible death).
- Renovation, maintenance, and modification of toxic chemicals, guided missiles, and selected munitions.
- Operating various types of chemical engineering equipment in a restricted area such as reactors, filters, stripping units, fractioning columns, blenders, mixers, pumps, and the like utilized in the development, manufacturing, and processing of toxic or experimental chemical warfare agents.
- Demilitarizing and neutralizing toxic chemical munitions and chemical agents.
- Handling or working with toxic chemicals in restricted areas during production operations.
- Preparing analytical reagents, carrying out colorimetric and photometric techniques, injecting laboratory animals with compounds having toxic, incapacitating or other effects.
- Recording analytical and biological tests results where subject to above types of exposure.
- Visually examining chemical agents to determine conditions or detect leaks in storage containers.
- Transferring chemical agents between containers.
- Salvaging and disposing of chemical agents.

| 5. Poisons (toxic chemicals)—low egress hazard.  
  a. Working with or in close proximity to poisons (toxic chemicals other than tear gas or similar irritating substances) in situations for which the nature of the work does not require the individual to be in direct contact with, or exposure to, the more toxic agents as in the case with the work described under high hazard for this class of hazardous agents.  
  b. Working with or in close proximity to poisons (toxic chemicals other than tear gas or similar irritating substances) in situations for which the nature of the work does not require the individual to be in direct contact with, or exposure to, the more toxic agents as in the case with the work described under high hazard for this class of hazardous agents and wherein protective devices and/or safety measures have not practically eliminated the potential for personal injury  
  Example  
  —Handling for shipping, marking, labeling, hauling and storing loaded containers of toxic chemical agents that have been monitored  
  Working with or in close proximity to micro-organisms which involves potential personal injury such as death, or temporary, partial, or complete loss of faculties or ability to work due to acute, prolonged, or chronic disease.  
  These are work situations wherein the use of safety devices and equipment, medical prophylactic procedures such as vaccines and antisemins and other safety measures do not exist or have been developed but have not practically eliminated the potential for such personal injury.  
  Examples  
  —Direct contact with primary containers of organisms pathogenic for man such as culture flasks, culture test tubes, hypodermic syringes and similar instruments, and biopsy and autopsy material.  
  —Operating or maintaining equipment in biological experimentation or production  
  —Cultivating virulent organisms on artificial media, including embryonated hen's eggs and tissue cultures where inoculation or harvesting of living organisms is involved for production of vaccines, toxides, etc., or for sources of material for research investigations such as antigenic analysis and chemical analysis  
  a. Working with or in close proximity to micro-organisms in situations for which the nature of the work does not require the individual to be in direct contact with primary containers of organisms pathogenic for man, such as culture flasks, culture test tubes, hypodermic syringes and similar instruments, and biopsy and autopsy material  
  b. Working with or in close proximity to micro-organisms in situations for which the nature of the work does not require the individual to be in direct contact with primary containers of organisms pathogenic for man, such as culture flasks, culture test tubes, hypodermic syringes and similar instruments, and biopsy and autopsy material and wherein the use of safety devices and equipment and other safety measures have not practically eliminated the potential for personal injury

  8. Pressure chamber and centrifugal stress.  
  Exposure in pressure chamber which subjects employee to physical stresses or where there is potential danger to participants by reason of equipment failure or reaction to the test conditions; or exposure which subjects an employee to a high degree of centrifugal force which causes an unusual degree of discomfort  
  Examples  
  —Participating as a subject in diving research tests which seek to establish limits for safe pressure profiles by working in a pressure chamber simulating diving or, as an observer to the test or as a technician assembling underwater mock-up components for the test, when the observer or technician is exposed to high pressure gas piping systems, gas cylinders, and pumping devices which are susceptible to explosive ruptures  
  —Participating in altitude chamber studies ranging from 5500 to 45,700 meters (18,000 to 150,000 feet) either as subject or as observer exposed to the same conditions as the subject  
  —Participating as subject in centrifuge studies involving elevated G forces above the level of 49 meters per second² (5 G's) whether or not at reduced atmospheric pressure  
  —Participating as a subject in a rotational flight simulator in studies involving continuous rotation in one axis through 360° at rotation rates greater than 15 r.p.m. for periods exceeding three minutes  
  When inspecting, cleaning or repairing fuel storage tanks where there is no ready access to an exit, under conditions requiring a breathing apparatus because all or part of the oxygen in the atmosphere has been displaced by toxic vapors or gas, and failure of the breathing apparatus would result in serious injury or death within the time required to leave the tank  
  10. Firefighting.  
  Participating or assisting in firefighting operations on the immediate fire scene and in direct exposure to the hazards inherent in containing or extinguishing fires

Subpart F—Job Grading System

§ 532.601 General.

The Office of Personnel Management shall establish a job grading system in accordance with section 5346 of title 5, United States Code. Appropriate instructions to agencies on the application of the job grading system shall be published by the Office of Personnel Management. Agencies are required to grade all jobs subject to this part in accordance with such instructions.

Subpart G—Job Grading Reviews and Appeals

§ 532.701 General.

A prevailing rate employee may at any time appeal the occupational series, grade, or title to which the employee's job is assigned, but may not appeal under this subpart the standards established for the job, nor other matters such as the accuracy of the job description, the rate of pay, or the propriety of a wage schedule rate. The filing of a job-grading appeal does not negate any other appeal or grievance rights which may be available under applicable law, rule, regulation, or negotiated agreement.

§ 532.703 Agency review.

(a) Each agency shall establish a system processing an employee's application for review of the correctness of the series, grade or title of the employee's job.

NOTE: Application for review will be hereafter referred to as an “application”.

(b) In establishing the system required by this subpart, an agency, as a minimum, shall provide that the following requisites be met.
(1) The provisions of the system shall be published and the agency's employees shall be informed where a published copy is available for review.

(2) An application shall be in writing and contain the reasons the employee believes the position is erroneously graded.

(3) An application may be filed at any time. However, when the application involves a downgrading or other job-grading action which resulted in a reduction in grade or loss or pay, in order to be entitled to retroactive corrective action, an employee must request a review under the provisions of this subpart within 15 calendar days of the effective date of the change to lower grade.

(4) An employee may select a representative, and the employee and the representative, when the representative is also employed by the same agency, shall be granted a reasonable time in presenting the application and shall be assured freedom from restraint, interference, coercion, or reprisal in presenting the application.

(5) An employee shall promptly furnish such facts as may be requested by the agency.

(6) An application shall be canceled and the employee so notified in the following circumstances:
   (i) On receipt of a written request by the employee;
   (ii) Failure of the employee to furnish required information or otherwise fail to proceed with the advancement of his application in a timely manner; however, instead of cancellation for failure by the employee to prosecute, the application may be adjudicated by the agency if the information is sufficient for that purpose; or
   (iii) On notice that the employee has left the job, except when the employee would be entitled to the retroactive benefits including benefits allowable after the death of an employee appellant.

(7) The application shall be processed and decided promptly. No more than one level of review may be established within an agency before a final decision is issued, and that level of review, when possible, must be above the level of classification authority which classified the position.

(8) When an employee applies for a review of a downgrading or other job-grading action that resulted in a reduction of pay, and the decision of an agency reverses in whole or in part the downgrading or other job-grading action, the effective date of that decision shall be retroactive to the effective date of the action being reviewed when the initial application to the agency was submitted in accordance with paragraph (b)(3) of this section. However, when the agency decision raises the grade or level of the job above its grade or level immediately preceding the downgrading, retroactivity shall apply only to the extent of restoration to the grade or level immediately preceding the downgrading.

(9) The right to a retroactive effective date is preserved when an agency finds that an employee was not notified of the applicable time limit for review and was not otherwise aware of the limit or that circumstances beyond the employee's control prevented filing the application within the prescribed time limit.

(10) The effective date of a change in the series, title or grade of a job shall be specified in the agency decision and, unless otherwise required by this subpart, may not be earlier than the date of the decision. However, in no case may it be later than the beginning of the first pay period which begins after the 60th calendar day from the date the application was filed. However, when the agency decision will result in a downgrading or other job-grading action that will reduce the pay of the incumbent of the job, the effective date may not be set earlier than the date on which the decision can be effected in accordance with procedures required by applicable law and regulation. The retroactive reclassification may be based only on duties and responsibilities existing at the time of downgrading or loss of pay and not on duties and responsibilities later assigned.

(11) When an application has been properly filed and the employee dies before the application has been processed, if a favorable decision would entitle the employee to retroactive corrective action, the application will be
§ 532.705 Appeal to the Office of Personnel Management.

(a)(1) An employee may appeal the occupation series, grade or title of the job to the appropriate office of the Office of Personnel Management only (i) after the agency has issued a decision under the system established under §532.703; and (ii) if the employee files the appeal with the Office of Personnel Management within 15 calendar days after receipt of the decision of the agency.

(2) The Office of Personnel Management may extend this time limit if it is shown that the employee was not notified of the applicable time limit and was not otherwise aware of the limit, or that circumstances beyond the employee’s control prevented filing an appeal within the prescribed time limit.

(b) An employee shall make the appeal in writing and shall identify specifically the portions of the decision or job analysis of the agency with which the employee disagrees.

(c) The Office of Personnel Management shall base its decision on the record established in the agency, except that when the Office of Personnel Management investigates or audits the job it may take the results of the investigation or audit into consideration. In the event the Office of Personnel Management audits the job, the employee’s representative may not be present.

(d) The Office of Personnel Management shall notify the employee and the agency in writing of its decision. The effective date of a change in the series, title and grade of a job directed by the Office of Personnel Management shall be specified in the decision of the Office of Personnel Management, computed from the date the employee filed the application with the agency, and determined under §532.703(b)(10). However, when the decision will result in a downgrading or other job-grading action that will reduce the pay of the incumbent of the job, the effective date may not be set earlier than the date on which the decision can be effected in accordance with procedures required by applicable law and regulation.

(e) The appeal of an employee shall be canceled and the employee so notified in the following circumstances:

(1) On receipt of the employee’s written request;

(2) On failure to prosecute, when the employee does not furnish requested information and duly proceed with the advancement of the appeal; however, instead of cancellation for failure to prosecute, an appeal may be adjudicated if the information is sufficient for that purpose. The Office of Personnel Management may reopen a canceled appeal on a showing that circumstances beyond the control of the employee prevented the employee from prosecuting the appeal; or

(3) On notice that the employee has left the job, except when entitled to retroactive benefits, including benefits allowable after the death of an appellant.

(f) The Office of Personnel Management may, at its discretion, reopen and reconsider any job-grading decision made by a regional office when requested by an employee or an agency. This authority may be used under circumstances such as the following:

(1) An employee or an agency presents material facts not previously
considered by the regional office involved;
(2) There is room for reasonable doubt as to the appropriateness of a regional office decision; or
(3) The potential impact of a regional office decision on similar jobs under other regional offices is sufficiently significant to make central office review of the decision desirable.

(g) The Director of the Office of Personnel Management may, at his or her discretion, reopen and reconsider any previous decision when the party requesting reopening submits written argument or evidence which tends to establish that:

(1) New and material evidence is available that was not readily available when the previous decision was issued;
(2) The previous decision involves an erroneous interpretation of law or regulation or a misapplication of established policy; or
(3) The previous decision is of a precedential nature involving a new or unreviewed policy consideration that may have effects beyond the actual case at hand, or is otherwise of such an exceptional nature as to merit the personal attention of the Director of the Office of Personnel Management.

(h) A final decision by the Office of Personnel Management constitutes a certificate which is mandatory and binding on all administrative, certifying, payroll, disbursing, and accounting officials of the Government.

Subpart H—Payment of Unrestricted Rates for Recruitment or Retention Purposes

§ 532.801 Payment of unrestricted rates for recruitment or retention purposes.

(a) When authorized by specific statutory authority providing for exceptions to pay limitations imposed by statute, the Office of Personnel Management (OPM) may approve exceptions to the pay limitations if OPM determines that such exceptions are necessary to ensure the recruitment or retention of qualified employees.

(b) Requests for payment of unrestricted rates under this subpart shall be submitted by employing agencies' headquarters to the appropriate lead agency. The lead agency shall coordinate each request with other agencies, as necessary, and submit a consolidated request to OPM. The consolidated request shall include any available supporting wage survey data and a formal recommendation by the lead agency to approve or disapprove the request.

(c) Rates authorized under paragraph (a) of this section shall be equal to the regular or special schedule unrestricted (uncapped) rates and may be authorized for use within all or part of a wage area for a designated occupation or occupational specialization and grade.

(d) In approving rates under this subpart, OPM shall consider the factors specified in § 532.251(b) of this part.

§ 532.707 Availability of information.

(a) The Office, upon a request which identifies the individual from whose file the information is sought, shall disclose the following information from an appeal file to a member of the public, except when the disclosure would constitute a clearly unwarranted invasion of personal privacy:

(1) Confirmation of the name of the individual from whose file the information is sought and the names of the other parties concerned;
(2) The status of the appeal;
(3) The results of the appeal (i.e., proper title, pay plan, series, and grade);
(4) The classification requested (i.e., title, pay plan, series, and grade); and
(5) With the consent of the parties concerned, other reasonably identified information from the file.

(b) The Office will disclose to the parties concerned the information contained in an appeal file in proceedings under this part. For the purposes of this section, the parties concerned means the Government employee or former Government employee involved in the proceedings, his or her representative designated in writing, and the representative of the agency or the Office involved in the proceeding.

[50 FR 3313, Jan. 24, 1985]
§ 534.201 General.

Under subchapter V of chapter 53 of title 5, United States Code (U.S.C. 5351–5356), agencies may pay stipends and provide certain services to certain student-employees assigned or attached to hospitals, clinics, or medical or dental laboratories operated by agencies. Student-employees covered under the program are excluded from certain provisions of law relating to classification, General Schedule pay, premium pay, leave, and hours of duty. This subpart authorizes the coverage of certain positions under this program and establishes maximum stipends for student-employees in the program.

§ 534.202 Coverage.

In addition to the student-employees specified in 5 U.S.C. 5351(2)(A), the following student-employees are covered under this program, provided they are assigned or attached principally for training purposes to a hospital, clinic, or medical or dental laboratory operated by an agency:

1. Any student-employee whom an agency finds is properly covered under this program, provided that the student-employee is a registered student at an accredited academic institution and that the assignment or attachment for training purposes to the hospital, clinic, or medical or dental laboratory is a part of a medical or dental training program accredited by an appropriate accrediting body;

2. Any student-employee whom an agency finds is properly covered under this program, provided that the student-employee is a registered student at an accredited academic institution and that the assignment or attachment for training purposes to the hospital, clinic, or medical or dental laboratory is a part of a medical or dental training program accredited by an appropriate accrediting body;

3. Any student-employee not otherwise covered under this program whom the Office of Personnel Management approves for coverage as a student-employee under this program.

(b) An agency may pay a student-employee a stipend in excess of the amount prescribed under paragraph (a) of this section only if the Office of Personnel Management has determined that a higher maximum stipend is warranted for the student-employee.

(c) Maximum stipends for positions in the Public Health Service in which duty requires intimate contact with persons afflicted with leprosy are increased above the rates prescribed in paragraph (a) of this section to the same extent that additional pay is provided by Public Health Service Regulations (42 CFR 22.1) for employees subject to the General Schedule (part 531 of this chapter).

(d) Overtime pay, maintenance allowances, and other payments in money or kind for a student-employee must be considered as part of the student-employee’s stipend for the purposes of this section, and therefore, may not be used to cause the stipend to exceed the maximum stipend established under this section.

(e) A trainee at a non-Federal hospital, clinic, or medical or dental laboratory as an affiliate for a part of his or her training may not receive a stipend from the Federal agency other than any maintenance allowance that is provided.

§ 534.204 Previous authorizations.

The provisions of this subpart do not terminate any authorization approved by the Civil Service Commission or the Office of Personnel Management before February 15, 1979, and such authorizations remain in effect until modified or terminated by an agency or the Office of Personnel Management in accordance with the provisions of this subpart.

Subpart C [Reserved]

Subpart D—Pay and Performance Awards Under the Senior Executive Service

SOURCE: 54 FR 2987, Jan. 23, 1989, unless otherwise noted.

§ 534.401 Definitions and setting individual basic pay.

(a) Definitions. In this subpart—
§ 534.401  Agency means an executive agency or military department, as defined by 5 U.S.C. 105 and 102.

ES rate means one of the five or more rates of basic pay established by the President under 5 U.S.C. 5382 for the Senior Executive Service.

Senior executive means a member of the Senior Executive Service (SES).

(b) Setting pay upon initial appointment. (1) An appointing authority may set the rate of pay of an individual at any ES rate upon initial appointment to the SES except under the conditions described in paragraph (b)(2) of this section.

(2) Subject to paragraph (b)(4) of this section, if an individual who receives an initial career appointment in the SES—

(i) Has at least 5 years of current continuous service in one or more positions in the competitive service and is appointed without any break in service, the initial rate of pay may not be less than the rate of basic pay last payable to that individual immediately before the appointment.

(ii) Holds a position that is converted from the competitive service to a career reserved position in the SES and as of the conversion date the individual has at least 5 years of current continuous service in one or more positions in the competitive service, the initial rate of pay may not be less than the rate of basic pay last payable to that individual immediately before the conversion of the position.

(3) For the purpose of paragraph (b)(2) of this section, rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee or, in the case of an employee entitled to grade or pay retention, the employee’s retained rate of pay, before any deductions and exclusive of additional pay of any other kind, such as locality-based comparability payments under 5 U.S.C. 5304 or special pay adjustments for law enforcement officers under section 404 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509).

(4) If pay setting is subject to paragraph (b)(2) of this section and the rate of basic pay in the individual’s current position exceeds the maximum ES rate, then the initial rate of pay shall be set at the maximum ES rate.

(c) Adjusting pay while in the SES. (1) The pay of a senior executive may not be adjusted by an agency more than once in any 12-month period. A pay adjustment includes:

(i) The assignment of an ES rate upon initial appointment to the SES;

(ii) The change from one ES rate to another while employed in the SES; or

(iii) The assignment of an ES rate upon reappointment to the SES following a break in SES service if the new ES rate is different from the executive’s former rate or if the break in service exceeds 12 months.

(2) An appointing authority may raise the pay for a senior executive any number of ES rates at the time of an adjustment.

(3) An appointing authority may lower the pay for a senior executive only one rate at the time of an adjustment. Restrictions on reducing pay of career senior executives are in paragraph (f) of this section.

(d) Setting pay upon transfer. An appointing authority may set the pay of a senior executive transferring from another agency at any ES rate. If the pay is set at the same rate the executive had in his or her former agency, the action is not considered a pay adjustment for purposes of paragraph (c) of this section.

(e) Setting pay following a break in SES service. (1) General.

(i) An appointing authority may set the pay of a former senior executive at any ES rate upon reappointment to the SES if:

(A) There has been a break in SES service of more than 30 days;

(B) There has been a break in SES service of 30 days or less, but the executive’s last ES pay adjustment was more than 12 months earlier; or

(C) The reappointment is in a different agency.

(ii) Otherwise, pay must be set at the executive’s former ES rate and may not be adjusted until 12 months from the last SES pay adjustment, in accordance with paragraph (c) of this section.

(2) Reinstatement from a Presidential appointment requiring Senate confirmation. These provisions apply...
§ 534.402 Aggregate compensation.

Senior executives are subject to the aggregate compensation limitations in subpart B of part 530 of this chapter.

[56 FR 18662, Apr. 23, 1991]

§ 534.403 Performance awards.

(a) This section covers the payment of performance awards to career appointees in the Senior Executive Service (SES).

(1) To be eligible for an award, the individual must have been an SES career appointee as of the end of the performance appraisal period; and the individual’s most recent performance rating of record under part 430, subpart C, of this chapter for the appraisal period must have been “Fully Successful” or higher.

(2) Individuals eligible for a performance award include:

(i) A former SES career appointee who elected to retain award eligibility under 5 CFR part 317, subpart H. If the salary of the individual is above the ES–6 pay rate, the ES–6 rate is used for crediting the agency award pool under paragraph (b) of this section and the amount the individual may receive under paragraph (c) of this section.

(ii) A reemployed annuitant with an SES career appointment.

(iii) An SES career appointee who is on detail. If the detail is to another agency, eligibility is in the individual’s official employing agency, i.e., the agency from which detailed. If the appointee is on a reimbursable detail, the agency to which the appointee is detailed may reimburse the employing agency for some or all of any award, as agreed upon by the two agencies; but the reimbursement does not affect the award pool for either agency as calculated under paragraph (b) or this section.

(b) If a reemployed annuitant is an SES career appointee and is on a reimbursable detail, the amount of any award may be reduced to equal the aggregate compensation of the other annuitant unless the annuitant is an ES–6 employee.

(3) When making recommendations on performance awards, more than one-half of the membership of a Performance Review Board must be career SES appointees. The only exception is if OPM has determined under § 430.307(d) of this chapter that the Board does not have to have a majority of career members when making recommendations on...
§ 534.404 Pay computation for members of the Senior Executive Service.

(a) Except as provided in paragraph (b), pay for members of the senior executive service shall be computed in accordance with 5 U.S.C. 5504(b).

(b) From the first day of the first pay period beginning on or after January 1, 1984, to derive an hourly rate divide the annual rate by 2,087.

[49 FR 28389, July 12, 1984]

§ 534.405 Restrictions on premium pay and compensatory time.

(a) Under 5 U.S.C. 5541(2)(xvi) and 5 CFR 550.101(b)(18), members of the Senior Executive Service (SES) are excluded from premium pay, including overtime pay.

(b) Since SES members are not eligible for overtime pay, they also are not eligible for compensatory time in lieu of overtime pay for work performed as an SES member. SES members are eligible, however, for compensatory time off for religious purposes under 5 U.S.C. 5550a and 5 CFR part 550, subject J.

(3) Pay of an SL or ST employee transferring from another agency, or a military department, may be set at any rate. If the pay does not exceed the employee’s former rate, the pay action does not start a new 12-month period.
(d) Any reduction in the basic pay of an individual is subject to the provisions of subparts C and D of part 752 of this chapter.

§ 534.504 Annual adjustment in pay.
Effective at the beginning of the first applicable pay period commencing on or after the first day of the month in which an adjustment takes effect under 5 U.S.C. 5303 in the rates of pay under the General Schedule, each rate of pay established under this subchapter shall be adjusted by such amount as the head of the agency considers appropriate, in accordance with the provisions of §534.503 of this part.

§ 534.505 Pay related matters.
(a) Aggregate compensation. Limits on aggregate compensation, including basic pay, are in 5 U.S.C. 5307 and part 530, subpart B, of this chapter.

(c) If there is an increase in an individual’s rate of basic pay upon conversion, other than to the minimum rate under 5 U.S.C. 5376, the increase must be approved by the head of the agency or his or her designee.

request, except that a voluntary demotion in response to a management action directly related to personal cause is considered to be at the employee’s request.

Demotion for personal cause means a reduction in grade based on the conduct, character, or unacceptable performance of an employee.

Employee means an employee as defined in 5 U.S.C. 5361 and also an individual who is moved from a position which is not under a covered pay schedule to a position which is under a covered pay schedule provided that the individual’s employment immediately prior to the move was on other than a temporary or term basis.

Employment on a temporary or term basis means employment under an appointment having a definite time limitation or designated as temporary or term.

Rate of basic pay means, for any pay system, the rate of pay fixed by law or administrative action for the position held by an employee before any deductions and exclusive of additional pay of any kind such as night or environmental differentials in the case of a prevailing rate employee.

Rate schedule means a specific set of rates within a pay schedule.

Temporary reassignment means a reassignment with a definite time limitation, and one which the individual is informed in advance is temporary and would normally require that the individual return to his or her permanent position at the expiration of that reassignment.

§ 536.103 Coverage and applicability of grade retention.

(a) Grade retention shall apply to an employee who moves to a position in a covered pay schedule which is lower graded than the position held immediately prior to the demotion in the following circumstances:
(1) As a result of reduction-in-force procedures; or
(2) As a result of a reclassification process.

(b) Except as otherwise covered in paragraph (a) of this section, the head of the agency may offer grade retention to eligible employees who are or might be reduced in grade as the result of a reorganization or reclassification decision announced by management in writing. When an employee is offered a position with grade retention in anticipation of a reduction in grade, the agency shall inform the employee in writing that acceptance of the position is not required and that declination of the offer has no effect on the employee’s entitlement to grade retention under paragraph (a) of this section if he or she is actually moved to a lower graded position.

(c)(1) An employee who, immediately before being placed in a lower graded position as a result of reduction-in-force procedures, is in a position under a covered pay schedule, is eligible for grade retention only if the employee has served for 52 consecutive weeks or more in a position(s) under a covered
pay schedule at a grade(s) higher than the position in which the employee is placed, including service performed by an employee of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard, as defined in 5 U.S.C. 2105(c), who is moved to a position in the civil service employment system of the Department of Defense or the Coast Guard, respectively, without a break in service of more than 3 days.

(2) An employee is eligible for grade retention if he or she has been reclassified at a lower grade only if the position which he or she entered had been classified at a higher grade(s) for a continuous period of at least 1 year immediately before the reduction.

(3) In situations other than those covered in paragraphs (c)(1) and (c)(2) of this section, an employee is eligible for grade retention if he or she, immediately prior to being placed in the lower grade, has served in a position in any pay schedule for 52 consecutive weeks or more, provided the service was in an agency as defined in 5 U.S.C. 5102 at a grade(s) higher than the position in which the employee is placed, including service performed by an employee of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard, as defined in 5 U.S.C. 2105(c), who is moved to a position in the civil service employment system of the Department of Defense or the Coast Guard, respectively, without a break in service of more than 3 days.

§ 536.104 Coverage and applicability of pay retention.

(a) Pay retention shall apply to any employee whose rate of basic pay would otherwise be reduced:

(1) As the result of the expiration of the 2-year period of grade retention; or

(2) As a result of reduction-in-force or reclassification when the employee does not meet the eligibility requirement for grade retention; or

(3) As a result of a reduction or elimination of scheduled rates, special schedules, or special rates, but not as a result of—

(i) A statutory reduction in scheduled rates of pay under the General Schedule, including a reduction authorized under section 5305(c) of title 5, United States Code; or

(ii) A statutory reduction in a prevailing rate schedule established under subchapter IV of chapter 53 of title 5, United States Code, and part 532 of this chapter.

(4) As a result of the placement of an employee into a non-special rate position or into a lower special rate position from a special rate position; or

(5) As a result of the placement of an employee in a position in a lower wage area or in a position in a different pay schedule; or

(6) As a result of the placement of the employee in a formal employee development program generally utilized Governmentwide: Upward Mobility, Apprenticeship, and Career Intern Programs.

(b) Except as otherwise covered in paragraph (a) of this section, the head of the agency may provide pay retention to eligible employees whose rates of basic pay would otherwise be reduced as the result of a management action.

(c) The head of the agency may grant pay retention to an employee whose pay is reduced as the result of the movement of his or her position from a nonappropriated fund instrumentality under the jurisdiction of the Department of Defense or the Coast Guard to the civil service employment system of the Department of Defense or the Coast Guard, respectively.

§ 536.105 Exclusions.

(a) Grade and pay retention shall not apply to an employee who—

(1) Moves from a position that is not in an agency as defined in 5 U.S.C. 5102;

(2) Is identified under 5 U.S.C. 2105(c), except prevailing rate employees included under 5 U.S.C. 5361;

(3) Is reduced in grade or pay for personal cause or at the employee’s request;

(4) Does not satisfactorily complete the probationary period prescribed by 5
§ 536.201 Comparison of grades in different pay schedules or pay systems.

For the purpose of determining whether the grade of a position is equal to, higher than, or lower than the grade of another position in movements between pay schedules or pay systems, the representative rates of the positions will be compared.

§ 536.202 Period of grade retention.

(a) An employee entitled to grade retention is entitled to retain that grade for 2 years beginning on the date the employee is placed in the lower graded position.

(b) If, during a 2-year period of grade retention, an employee is further reduced in grade under circumstances also entitling the employee to grade retention, the employee shall continue to retain the previous retained grade for the remainder of the previous 2-year retention period. At the end of that period, the employee shall be entitled to retain the grade of the position from which the further reduction in grade was made, until 2 years have passed from the date of the further reduction in grade.

(c) Notwithstanding §536.207(a)(1) of this part, grade retention shall continue to apply to an employee serving under an interim appointment made under §772.102 of this chapter for the duration of the original 2-year period if the employee’s grade was retained under this part in the appointment immediately preceding the interim appointment.

§ 536.203 Determination of retained grade.

(a) An employee who is in a position under a covered pay schedule immediately prior to the action which gives entitlement to grade retention shall retain the grade held immediately prior to the action.

(b) An employee who is in a position not under a covered pay schedule immediately prior to the action which gives entitlement to grade retention shall retain:

(1) The lowest grade of the covered pay schedule in which placed which has a representative rate equal to or higher than the representative rate of the grade held immediately prior to that placement; or

(2) The highest grade of the covered pay schedule in which placed, if there is no grade in the covered pay schedule with a representative rate equal to or higher than the representative rate held immediately prior to that placement.

§ 536.204 Determination of applicable rate schedule.

(a) When an employee entitled to grade retention is placed in a position in a different geographical area, the rate schedule which applies to the employee is the rate schedule in the new geographical area.
§ 536.205 Determination of rate of basic pay.

(a) When an employee becomes entitled to grade retention, or moves to another position during a period of grade retention under conditions which permit continuation of the grade retention entitlement, the employee is entitled to the greatest of:

(1) His or her rate of basic pay before the movement, or
(2) The rate of basic pay from the applicable rate schedule for the grade and step (except as provided by §531.204(e)(4) of this chapter) held by the employee before the movement, or
(3) The lowest rate of basic pay from the applicable rate schedule for the retained grade which equals or exceeds the employee’s rate of basic pay before the movement.

(b) (1) When an employee becomes entitled to pay retention, or moves to another position while receiving pay retention, the employee’s rate of basic pay immediately prior to eligibility or movement shall be compared with the range of rates of basic pay for the position to be occupied by the employee upon this eligibility or movement.

(2) The employee is entitled to the lowest rate of basic pay in the position to be occupied by the employee upon this eligibility or movement which equals or exceeds the employee’s rate of basic pay before the movement.

(3) If the employee’s rate of basic pay immediately prior to the pay retention exceeds the maximum rate of the position to be occupied when he or she becomes entitled to pay retention, the employee is entitled to the lower of:

(i) The rate of basic pay payable to the employee immediately before the reduction in pay; or
(ii) 150 percent of the maximum rate of basic pay payable for the new grade.

(4) If an employee moves to another position at the same grade while entitled to pay retention, the employee’s rate of basic pay after movement may not be less than the maximum rate of basic pay for the newly applicable rate range.

(c) When an increase in the scheduled rates of the grade of the employee’s position occurs while the employee is under pay retention, the employee’s retained rate of basic pay becomes equal to or lower than the maximum rate of that grade, the employee is entitled to the maximum rate of that grade and pay retention ceases.

(e) An employee who is serving on a temporary promotion at the time he or she becomes eligible for pay retention is entitled to retain the rate of basic pay which he or she would have been receiving at that time had the temporary promotion not occurred.

(f) Notwithstanding §536.209(a)(1) of this part, pay retention shall continue to apply to an employee serving under an interim appointment made under §772.102 of this chapter if the employee’s pay was retained under this part in the appointment immediately preceding the interim appointment.

§ 536.205 (b) When an employee entitled to grade retention is placed in a position in, or his or her position is changed to, a different occupational series, the rate schedule which applies to the individual is the rate schedule for the new occupational series.

§ 536.205 (c) When an increase in the scheduled rates of the grade of the employee’s position occurs while the employee is under pay retention, the employee’s retained rate of basic pay becomes equal to or lower than the maximum rate of that grade, the employee is entitled to the maximum rate of that grade and pay retention ceases.

§ 536.205 (e) An employee who is serving on a temporary promotion at the time he or she becomes eligible for pay retention is entitled to retain the rate of basic pay which he or she would have been receiving at that time had the temporary promotion not occurred.
§ 536.206 Criteria for a “reasonable offer”.

For the purposes of this part, an offer of a position, in order to be considered a reasonable one, must fulfill the following conditions:

1. The offer must be in writing, and must include an official position description of the offered position; and
2. The offer must inform the employee that an entitlement to grade or pay retention will be terminated if the offer is declined and that the employee may appeal the reasonableness of the offer as provided in § 536.302; and
3. The offered position must be of tenure equal to or greater than that of the position creating the grade or pay retention entitlement; and
4. The offered position must be in an agency, as defined in 5 U.S.C. 5102, although not necessarily in the same agency in which the employee is serving at the time of the offer; and
5. The offered position must be full-time, unless the employee’s position immediately before the change creating entitlement to grade or pay retention was less than full-time, in which case the offered position must have a work schedule of no less time than that of the position held before the change; and
6. The offered position must be in the same commuting area as the employee’s position immediately before the offer, unless the employee is subject to a mobility agreement or a published agency policy which requires employee mobility.

§ 536.207 Loss of eligibility for grade retention.

(a) Eligibility for grade retention as a result of entitlement under § 536.103(a) of this part ceases if any of the following conditions occurs at any time after the employee receives written notice of the reduction in grade action, but before the commencement of the 2-year period of grade retention:

1. The employee has a break in service of 1 workday or more; or
2. The employee is demoted for personal cause or at the employee’s request; or
3. The employee is placed in, or declines a reasonable offer of, a position the grade of which is equal to or higher than the retained grade; or
4. The employee elects in writing to terminate the benefits of grade retention.

(i) An employee shall be compensated for every minute of regular overtime work.

(ii) A quarter of an hour shall be the largest fraction of an hour used for crediting irregular or occasional overtime work. When irregular or occasional overtime work is performed in other than the full fraction, odd minutes shall be rounded up or rounded down to the nearest full fraction of an hour used to credit overtime work.
activities. Such activities are not principal activities as defined in paragraph (a) of this section.

(1) If the head of a department reasonably determines that a preshift or postshift activity is closely related to an employee’s principal activities, and is indispensable to the performance of the principal activities, and that the total time spent in that activity is more than 10 minutes per daily tour of duty, he or she shall credit all of the time spent in that activity, including the 10 minutes, as hours of work.

(ii) If the time spent in a preshift or postshift activity is compensable as hours of work, the head of the department shall schedule the time period for the employee to perform that activity. An employee shall be credited with the actual time spent in that activity during the time period scheduled by the head of the department. In no case shall the time credited for the performance of an activity exceed the time scheduled by the head of the department. If the time period scheduled by the head of the department for the performance of a preshift or postshift activity is outside the employee’s daily tour of duty, the employee shall be credited with the time spent performing that activity in accordance with paragraph (a)(2) of this section.

(2) A preshift or postshift activity that is not closely related to the performance of the principal activities is considered a preliminary or postliminary activity. Time spent in preliminary or postliminary activities is excluded from hours of work and is not compensable, even if it occurs between periods of activity that are compensable as hours of work.

Leaves with pay. An employee’s absence from duty on authorized leave with pay under subchapter I of chapter 61 of title 5, United States Code, during the time when he would otherwise have been required to be on duty during a basic workweek (including authorized absence on a legal holiday, on a non-workday established by Executive or administrative order, and on compensatory time off as provided in §550.114) is deemed employment and does not reduce the amount of overtime pay to which the employee is entitled during an administrative workweek. Leave of absence with pay under subchapter I of chapter 61 of title 5, United States Code, is charged only for an absence that occurs during a basic workweek.

(d) Leave without pay. (1) For a period of leave without pay in an employee’s basic workweek, an equal period of service performed outside the basic workweek, but in the same administrative workweek, shall be substituted and paid for at the rate applicable to his basic workweek before any remaining period of service may be paid for at the overtime rate on the basis of exceeding 40 hours in a workweek.

(2) For a period of leave without pay in an employee’s daily tour of duty, an equal period of service performed outside the daily tour, but in the same workday, shall be substituted and paid for at the rate applicable to his daily tour of duty before any remaining period of service may be paid for at the overtime rate on the basis of exceeding 8 hours in a workday.

(e) Absence during overtime periods. Except as provided by paragraph (a) of this section, as expressly authorized by statute, or to the extent authorized while the employee is in a travel status, a period is counted as overtime work only when the employee actually performs work during the period or is taking compensatory time off as provided in §550.114.

(f) Night, Sunday, or holiday work. Hours of night, Sunday, or holiday work are included in determining for overtime pay purposes the total number of hours of work in an administrative workweek.

(g) Time in travel status. Time in travel status away from the official duty-station of an employee is deemed employment only when:

(1) It is within his regularly scheduled administrative workweek, including regular overtime work; or

(2) The travel—

(i) involves the performance of actual work while traveling;

(ii) is incident to travel that involves the performance of work while traveling;

(iii) is carried out under such arduous and unusual conditions that the travel is inseparable from work; or

(iv) results from an event which could not be scheduled or controlled

administratively, including travel by an employee to such an event and the return of the employee to his or her official-duty station.

(h) Call-back overtime work. Irregular or occasional overtime work performed by an employee on a day when work was not scheduled for him, or for which he is required to return to his place of employment, is deemed at least 2 hours in duration for the purpose of premium pay, either in money or compensatory time off.

(i) Periods of duty that are compensated by annual premium pay under 5 U.S.C. 5545(c) (1) or (2) shall not be credited for the purpose of determining hours of work in excess of 8 hours in a day.

(j) Official duty station. An agency may prescribe a mileage radius of not greater than 50 miles to determine whether an employee’s travel is within or outside the limits of the employee’s official duty station for determining entitlement to overtime pay for travel under paragraph (g) of this section except that—

(1) An agency’s definition of an employee’s official duty station for determining overtime pay for travel may not be smaller than the definition of “official station and post of duty” under the Federal Travel Regulation issued by the General Services Administration (41 CFR 301–1.3(c)(4)); and

(2) Travel from home to work and vice versa is not hours of work. When an employee travels directly from home to a temporary duty location outside the limits of his or her official duty station, the time the employee would have spent in normal home to work travel shall be deducted from hours of work.

(k) Standby duty. (1) An employee is on duty, and time spent on standby duty is hours of work if, for work-related reasons, the employee is restricted by official order to a designated post of duty and is assigned to be in a state of readiness to perform work with limitations on the employee’s activities so substantial that the employee cannot use the time effectively for his or her own purposes. A finding that an employee’s activities are substantially limited may not be based on the fact that an employee is subject to restrictions necessary to ensure that the employee will be able to perform his or her duties and responsibilities, such as restrictions on alcohol consumption or use of certain medications.

(2) An employee is not considered restricted for “work-related reasons” if, for example, the employee remains at the post of duty voluntarily, or if the restriction is a natural result of geographic isolation or the fact that the employee resides on the agency’s premises. For example, in the case of an employee assigned to work in a remote wildland area or on a ship, the fact that the employee has limited mobility when relieved from duty would not be a basis for finding that the employee is restricted for work-related reasons.

(l) On-call status. An employee is off duty, and time spent in an on-call status is not hours of work if—

(1) The employee is allowed to leave a telephone number or carry an electronic device for the purpose of being contacted, even though the employee is required to remain within a reasonable call-back radius; or

(2) The employee is allowed to make arrangements for another person to perform any work that may arise during the on-call period.

(m) Sleep and meal time. (1) Bona fide sleep and meal periods may not be considered hours of work, except as provided in paragraphs (m)(2), (m)(3), and (m)(4) of this section. If a sleep or meal period is interrupted by a call to duty, the time spent on duty is hours of work.

(2) Sleep and meal periods during regularly scheduled tours of duty are hours of work for employees who receive annual premium pay for regularly scheduled standby duty under 5 U.S.C. 5545(c)(1).

(3) When employees are assigned to work shifts of 24 hours or more during which they must remain within the confines of their duty station in a standby status, and for which they do not receive annual premium pay for regularly scheduled standby duty under 5 U.S.C. 5545(c)(1), the amount of bona fide sleep and meal time excluded from hours of work may not exceed 8 hours in any 24-hour period. No sleep
time may be excluded unless the employee had the opportunity to have an uninterrupted period of at least 5 hours of sleep during the applicable sleep period. For work shifts of less than 24 hours, agencies may not exclude on-duty sleep periods from hours of work, but must exclude bona fide meal periods during which the employee is completely relieved from duty.

(4) For firefighters compensated under 5 U.S.C. 5545b, on-duty sleep and meal time may not be excluded from hours of work.

§ 550.113 Computation of overtime pay.

(a) For each employee whose rate of basic pay does not exceed the minimum rate for GS–10 (including any applicable special rate of pay for law enforcement officers or special pay adjustment for law enforcement officers under section 403 or 404 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509), respectively; a locality-based comparability payment under 5 U.S.C. 5304; and any applicable special rate of pay under 5 U.S.C. 5305 or similar provision of law), the overtime hourly rate is 1 1⁄2 times his or her hourly rate of basic pay.

(b) For each employee whose rate of basic pay exceeds the minimum rate for GS–10 (as determined under paragraph (a) of this section), the overtime hourly rate is 1 1⁄2 times the hourly rate of basic pay at the minimum rate for GS–10 (as determined under paragraph (a) of this section), except as provided in 5 U.S.C. 5542(a)(3) and (4).

(c) An employee is paid for overtime work performed on a Sunday or a holiday at the same rate as for overtime work performed on another day.

(d) An employee whose rate of basic pay is fixed on an annual or monthly basis and adjusted from time to time in accordance with prevailing rates by a wage board or similar administrative authority serving the same purpose is entitled to overtime pay in accordance with the provisions of section 5544 of title 5, United States Code. The rate of pay for each hour of overtime work of such an employee is computed as follows:

1. If the rate of basic pay of the employee is fixed on an annual basis, divide the rate of basic pay by 2,087 and multiply the quotient by one and one-half; and
2. If the rate of basic pay of the employee is fixed on a monthly basis, multiply the rate of basic pay by 12 to derive an annual rate of basic pay, divide the annual rate of basic pay by 2,087, and multiply the quotient by one and one-half.

Rates are computed in full cents, counting a fraction of a cent as the next higher cent.

(e)(1) For firefighters compensated under subpart M of this part, the overtime hourly rate for all overtime hours is 1 1⁄2 times the firefighter’s hourly rate of basic pay under § 550.1303(a) or (b)(2), as applicable, except as provided in paragraph (e)(2) of this section.

(2) For firefighters compensated under subpart M of this part who are exempt from the overtime provisions of the Fair Labor Standards Act and whose hourly rate of basic pay under §550.1303(a) or (b)(2), as applicable, exceeds the applicable minimum hourly rate of basic pay for GS–10 (as computed under paragraph (a) of this section by dividing the annual rate of basic pay by 2087 hours), the overtime hourly rate is equal to the greater of—

(i) One and one-half times the applicable minimum hourly rate of basic pay for GS–10 (as computed under paragraph (a) of this section by dividing the annual rate of basic pay by 2087 hours); or

(ii) The individual’s own firefighter hourly rate of basic pay under §550.1303(a) and (b)(2), as applicable.

§ 550.114 Compensatory time off.

(a) At the request of an employee, the head of an agency (or designee) may grant compensatory time off from an employee’s tour of duty instead of payment under §550.113 for an equal amount of irregular or occasional overtime work.
§ 550.122 Computation of night pay differential.

(a) Absence on holidays or in travel status. An employee is entitled to a night pay differential for a period when he is excused from nightwork on a holiday or other nonworkday and for night hours of his tour of duty while he is in an official travel status, whether performing actual duty or not.

(b) Absence on leave. An employee is entitled to a night pay differential for a period of paid leave only when the total amount of that leave in a pay period, including both night and day hours, is less than 8 hours.

(c) Relation to overtime, Sunday, and holiday pay. Night pay differential is in
§ 550.131 Addition to overtime, Sunday, or holiday pay payable under this subpart and it is not included in the rate of basic pay used to compute the overtime, Sunday, or holiday pay.

(d) Temporary assignment to a different daily tour of duty. An employee is entitled to a night pay differential when he or she is temporarily assigned during the administrative workweek to a daily tour of duty that includes nightwork. This temporary change in a daily tour of duty within the employee’s regularly scheduled administrative workweek is distinguished from a period of irregular or occasional overtime work in addition to the employee’s regularly scheduled administrative workweek.

§ 550.132 Relation to overtime, night, and Sunday pay.

(a) Premium pay for holiday work is in addition to overtime pay or night pay differential, or premium pay for Sunday work payable under this subpart and is not included in the rate of basic pay used to compute the overtime pay or night pay differential or premium pay for Sunday work.

(b) Notwithstanding premium pay for holiday work, the number of hours of holiday work are included in determining for overtime pay purposes the total number of hours of work performed in the administrative workweek in which the holiday occurs.

(c) The number of regularly scheduled hours of duty on a holiday that fall within an employee’s basic workweek on which the employee is excused from duty are part of the basic workweek for overtime pay computation purposes.

Regularly Scheduled Standby Duty Pay

§ 550.141 Authorization of premium pay on an annual basis.

An agency may pay premium pay on an annual basis, instead of the premium pay prescribed in this subpart for regularly scheduled overtime, night, holiday, and Sunday work, to an employee in a position requiring him or her regularly to remain at, or within the confines of, his or her station during longer than ordinary periods of duty, a substantial part of which consists of remaining in a standby status rather than performing work. Premium pay under this section is determined as an appropriate percentage, not in excess of 25 percent, of that part of the employee’s rate of basic pay which does not exceed the minimum rate of basic pay for GS–10 (including any applicable locality-based comparability payment under 5 U.S.C. 5304 or special rate of pay under 5 U.S.C. 5305 or similar provision of law).

§ 550.142 General restrictions.

An agency may pay premium pay under §550.141 only if that premium pay, over a period appropriate to reflect the full cycle of the employee’s duties and the full range of conditions in his position, would be:

(a) More than the premium pay which would otherwise be payable under this subpart for the hours of actual work customarily required in his position, excluding standby time during which he performs no work; and

(b) Less than the premium pay which would otherwise be payable under this subpart for the hours of duty required

§ 550.141 Authorization of premium pay on an annual basis.

An agency may pay premium pay on an annual basis, instead of the premium pay prescribed in this subpart for regularly scheduled overtime, night, holiday, and Sunday work, to an employee in a position requiring him or her regularly to remain at, or within the confines of, his or her station during longer than ordinary periods of duty, a substantial part of which consists of remaining in a standby status rather than performing work. Premium pay under this section is determined as an appropriate percentage, not in excess of 25 percent, of that part of the employee’s rate of basic pay which does not exceed the minimum rate of basic pay for GS–10 (including any applicable locality-based comparability payment under 5 U.S.C. 5304 or special rate of pay under 5 U.S.C. 5305 or similar provision of law).

§ 550.142 General restrictions.

An agency may pay premium pay under §550.141 only if that premium pay, over a period appropriate to reflect the full cycle of the employee’s duties and the full range of conditions in his position, would be:

(a) More than the premium pay which would otherwise be payable under this subpart for the hours of actual work customarily required in his position, excluding standby time during which he performs no work; and

(b) Less than the premium pay which would otherwise be payable under this subpart for the hours of duty required
in his position, including standby time during which he performs no work.

§ 550.143 Bases for determining positions for which premium pay under § 550.141 is authorized.

(a) The requirement for the type of position referred to in §550.141 that an employee regularly remain at, or within the confines of, his station must meet all the following conditions:

(1) The requirement must be definite and the employee must be officially ordered to remain at his station. The employee’s remaining at his station must not be merely voluntary, desirable, or a result of geographic isolation, or solely because the employee lives on the grounds.

(2) The hours during which the requirement is operative must be included in the employee’s tour of duty. This tour of duty must be established on a regularly recurring basis over a substantial period of time, generally at least a few months. The requirement must not be occasional, irregular, or for a brief period.

(3) The requirement must be associated with the regularly assigned duties of the employee’s job, either as a continuation of his regular work which includes standby time, or as a requirement to stand by at his post to perform his regularly assigned duties if the necessity arises.

(b) The words “at, or within the confines, of his station”, in §550.141 mean one of the following:

(1) At an employee’s regular duty station.

(2) In quarters provided by an agency, which are not the employee’s ordinary living quarters, and which are specifically provided for use of personnel required to stand by in readiness to perform actual work when the need arises or when called.

(3) In an employee’s living quarters, when designated by the agency as his duty station and when his whereabouts is narrowly limited and his activities are substantially restricted. This condition exists only during periods when an employee is required to remain at his quarters and is required to hold himself in a state of readiness to answer calls for his services. This limitation on an employee’s whereabouts and activities is distinguished from the limitation placed on an employee who is subject to call outside his tour of duty but may leave his quarters provided he arranges for someone else to respond to calls or leaves a telephone number by which he can be reached should his services be required.

(c) The words “longer than ordinary periods of duty” in §550.141 mean more than 40 hours a week.

(d) The words “a substantial part of which consists of remaining in a standby status rather than performing work” in §550.141 refer to the entire tour of duty. This requirement is met:

(1) When a substantial part of the entire tour of duty, at least 25 percent, is spent in a standby status which occurs throughout the entire tour;

(2) If certain hours of the tour of duty are regularly devoted to actual work and others are spent in a standby status, that part of the tour of duty devoted to standing by is at least 25 percent of the entire tour of duty; or

(3) When an employee has a basic workweek requiring full-time performance of actual work and is required, in addition, to perform standby duty on certain days not included in his basic workweek.

(e) An employee is in a standby status, as referred to in §550.141, only at times when he is not required to perform actual work and is free to eat, sleep, read, listen to the radio, or engage in other similar pursuits. An employee is performing actual work, rather than being in a standby status, when his full attention is devoted to his work, even though the nature of his work does not require constant activity (for example, a guard on duty at his post and a technician continuously observing instruments are engaged in the actual work of their positions). Actual work includes both work performed during regular work periods and work performed when called out during periods ordinarily spent in a standby status.

§ 550.144 Rates of premium pay payable under § 550.141.

(a) An agency may pay the premium pay on an annual basis referred to in §550.141 to an employee who meets the...
§ 550.151 Authorization of premium pay on an annual basis.

An agency may pay premium pay on an annual basis, instead of other premium pay prescribed in this subpart (except premium pay for regular overtime work, and work at night, on Sundays, and on holidays), to an employee in a position in which the hours of duty cannot be controlled administratively and which requires substantial amounts of irregular or occasional overtime work, with the employee generally being responsible for recognizing, without supervision, circumstances which require the employee to remain on duty. Premium
pay under this section is determined as an appropriate percentage, not less than 10 percent nor more than 25 percent, of the employee’s rate of basic pay (as defined in §550.103).

§ 550.152 [Reserved]

§ 550.153 Bases for determining positions for which premium pay under §550.151 is authorized.

(a) The requirement in §550.151 that a position be one in which the hours of duty cannot be controlled administratively is inherent in the nature of such a position. A typical example of a position which meets this requirement is that of an investigator of criminal activities whose hours of duty are governed by what criminals do and when they do it. He is often required to perform such duties as shadowing suspects, working incognito among those under suspicion, searching for evidence, meeting informers, making arrests, and interviewing persons having knowledge of criminal or alleged criminal activities. His hours on duty and place of work depend on the behavior of the criminals or suspected criminals and cannot be controlled administratively. In such a situation, the hours of duty cannot be controlled by such administrative devices as hiring additional personnel; rescheduling the hours of duty (which can be done when, for example, a type of work occurs primarily at certain times of the day); or granting compensatory time off duty to offset overtime hours required.

(b) In order to satisfactorily discharge the duties of a position referred to in §550.151, an employee is required to perform substantial amounts of irregular or occasional overtime work. In regard to this requirement:

(1) A substantial amount of irregular or occasional overtime work means an average of at least 3 hours a week of that overtime work.

(2) The irregular or occasional overtime work is a continual requirement, generally averaging more than once a week.

(3) There must be a definite basis for anticipating that the irregular or occasional overtime work will continue over an appropriate period with a duration and frequency sufficient to meet the minimum requirements under paragraphs (b)(1) and (2) of this section.

(c) The words in §550.151 that an employee is generally “responsible for recognizing, without supervision, circumstances which require him to remain on duty” mean that:

(1) The responsibility for an employee remaining on duty when required by circumstances must be a definite, official, and special requirement of his position.

(2) The employee must remain on duty not merely because it is desirable, but because of compelling reasons inherently related to continuance of his duties, and of such a nature that failure to carry on would constitute negligence.

(3) The requirement that the employee is responsible for recognizing circumstances does not include such clear-cut instances as, for example, when an employee must continue working because a relief fails to report as scheduled.

(d) The words “circumstances which require him to remain on duty” as used in §550.151 mean that:

(1) The employee is required to continue on duty in continuation of a full daily tour of duty or that after the end of his regular workday, the employee resumes duty in accordance with a pre-arranged plan or an awaited event. Performance of only call-back overtime work referred to in §550.112(h) does not meet this requirement.

(2) The employee has no choice as to when or where he may perform the work when he remains on duty in continuation of a full daily tour of duty. This differs from a situation in which an employee has the option of taking work home or doing it at the office; or doing it in continuation of his regular hours of duty or later in the evening. It also differs from a situation in which an employee has such latitude in his working hours, as when in a travel status, that he may decide to begin work later in the morning and continue working later at night to better accomplish a given objective.

§ 550.154 Rates of premium pay payable under § 550.151.

(a) An agency may pay the premium pay on an annual basis referred to in § 550.151 to an employee who meets the requirements of that section, at one of the following percentages of the employee’s rate of basic pay (as defined in § 550.103):

1. A position which requires an average of at least 3 but not more than 5 hours a week of irregular or occasional overtime work—10 percent;
2. A position which requires an average of over five but not more than 7 hours a week of irregular or occasional overtime work—15 percent;
3. A position which requires an average of over seven but not more than 9 hours a week or irregular or occasional overtime work—20 percent;
4. A position which requires an average of over 9 hours a week of irregular or occasional overtime work—25 percent.

(b) If an agency proposes to pay an employee premium pay on an annual basis under § 550.151 but unusual conditions seem to make the applicable rate in paragraph (a) of this section unsuitable, the agency may propose a rate of premium pay on an annual basis for OPM approval. The proposal shall include full information bearing on the frequency and duration of the irregular or occasional overtime work required; the nature of the work which prevents hours of duty from being controlled administratively; the necessity for the employee being generally responsible for recognizing, without supervision, circumstances which require him to remain on duty; and any other pertinent conditions.

GENERAL RULES GOVERNING PAYMENTS OF PREMIUM PAY ON AN ANNUAL BASIS

§ 550.161 Responsibilities of the agencies.

The head of each agency, or an official who has been delegated authority to act for the head of an agency in the matter concerned, is responsible for:

(a) Fixing tours of duty; ordering employees to remain at their stations in a standby status; and placing responsibility on employees for remaining on duty when required by circumstances.

(b) Determining, in accordance with section 5545(c) of title 5, United States Code, and this subpart, which employees shall receive premium pay on an annual basis under § 550.141 or § 550.151. These determinations may not be retroactive.

(c) Determining the number of hours of actual work to be customarily required in positions involving longer than ordinary periods of duty, a substantial part of which consists of standby duty. This determination shall be based on consideration of the time required by regular, repetitive operations, available records of the time required in the past by other activities, and any other information bearing on the number of hours of actual work which may reasonably be expected to be required in the future.

(d) Determining the number of hours of irregular or occasional overtime work to be customarily required in positions which require substantial amounts of irregular or occasional overtime work with the employee generally being responsible for recognizing, without supervision, circumstances which require him to remain on duty. This determination shall be based on consideration of available records of the hours of irregular or occasional overtime work required in the past, and any other information bearing on the number of hours of duty which may reasonably be expected to be required in the future.

(e) Determining the rate of premium pay fixed by OPM under § 550.144 or § 550.154 which is applicable to each employee paid under § 550.141 or § 550.151; or, if no rate fixed under § 550.144 or § 550.154 is considered applicable, proposing a rate of premium pay on an annual basis to OPM.

(f) Reviewing determinations under paragraphs (b), (c), (d) and (e) of this section at appropriate intervals, and discontinuing payments or revising rates of premium pay on an annual basis in each instance when that action is necessary to meet the requirements.
§ 550.162 Payment provisions.

(a) Except as otherwise provided in this section, an employee’s premium pay on an annual basis under § 550.141 or § 550.151 begins on the date that he enters on duty in the position concerned for purposes of basic pay, and ceases on the date that he ceases to be paid basic pay in the position.

(b) When an employee is in a position in which conditions warranting premium pay on an annual basis under § 550.141 or § 550.151 exist only during a certain period of the year, such as during a given season, an agency may pay the employee premium pay on an annual basis only during the period he is subject to these conditions.

(c) An agency may continue to pay an employee premium pay on an annual basis under § 550.141 or § 550.151:

(1) For a period of not more than 10 consecutive prescribed workdays on temporary assignment to other duties in which conditions do not warrant payment of premium pay on an annual basis, and for a total of not more than 30 workdays in a calendar year while on such a temporary assignment.

(2) For an aggregate period of not more than 60 prescribed workdays on temporary assignment to a formally approved program for advanced training duty directly related to duties for which premium pay on an annual basis is payable.

An agency may not continue to pay an employee premium pay on an annual basis under this paragraph for more than 60 workdays in a calendar year.

(d) When an employee is not entitled to premium pay on an annual basis under § 550.141, he is entitled to be paid for overtime, night, holiday, and Sunday work in accordance with other sections of this subpart.

(e) An agency shall continue to pay an employee premium pay on an annual basis under § 550.141 or § 550.151 while he is on leave with pay during a period in which premium pay on an annual basis is payable under paragraphs (a), (b), and (c) of this section.

(f) Unless an agency discontinues authorization of premium pay under § 550.141 or § 550.151 for all similar positions, it may not discontinue authorization of such premium pay for an individual employee’s position—

(1) During a period of paid leave elected by the employee and approved by the agency in lieu of benefits under the Federal Employees’ Compensation Act, as amended (5 U.S.C. 8101 et seq.), following a job-related injury;

(2) During a period of continuation of pay under the Federal Employees’ Compensation Act, as amended (5 U.S.C. 8101 et seq.);

(3) During a period of leave without pay, if the employee is in receipt of benefits under the Federal Employees’ Compensation Act, as amended (5 U.S.C. 8101 et seq.). (Note: No premium pay is payable during leave without pay; however, the continued authorization may prevent a reduction in an employee’s retirement benefits if the leave without pay period occurs during the employee’s high-3 average salary period.)

§ 550.163 Relationship to other payments.

(a) An employee receiving premium pay on an annual basis under § 550.141 may not receive premium pay for regular overtime work or work at night or on a holiday or on Sunday under any other section of this subpart. An agency shall pay the employee in accordance with §§ 550.113 and 550.114 for irregular or occasional overtime work.

(b) An employee receiving premium pay on an annual basis under § 550.151 may not receive premium pay for irregular or occasional overtime work under any other section of this subpart. An agency shall pay the employee in accordance with other sections of this subpart for regular overtime work, and work at night, on Sundays, and on holidays.

(c) Overtime, night, holiday, or Sunday work paid under any statute other than subchapter V of chapter 55 of title 5, United States Code, is not a basis for payment of premium pay on an annual basis under § 550.141 or § 550.151.
§ 550.164 Construction and computation of existing aggregate rates.

(a) Pursuant to section 208(b) of the act of September 1, 1954 (68 Stat. 1111), nothing in this subpart relating to the payment of premium pay on an annual basis may be construed to decrease the existing aggregate rate of pay of an employee on the rolls of an agency immediately before the date section 5545(c) of title 5, United States Code, is made applicable to him by administrative action.

(b) When it is necessary to determine an employee’s existing aggregate rate of pay (referred to in this section as existing aggregate rate), an agency shall determine it on the basis of the earnings the employee would have received over an appropriate period (generally 1 year) if his tour of duty immediately before the date section 5545(c) of title 5, United States Code, is made applicable to him had remained the same. In making this determination, basic pay and premium pay for overtime, night, holiday, and Sunday work are included in the earnings the employee would have received. Premium pay for irregular or occasional overtime work may be included only if it was of a significant amount in the past and the conditions which required it are expected to continue.

(c) An agency shall recompute an employee’s rate of pay based on premium pay on an annual basis when he received subsequent increases in his rate of basic pay in order to determine whether or not the employee should continue to receive an existing aggregate rate or be paid premium pay on an annual basis.

(d) Except as otherwise provided by statute, an agency may not use subsequent increases in an employee’s rate of basic pay to redetermine or increase the employee’s existing aggregate rate. However, these increases shall be used for other pay purposes, such as the computation of retirement deductions and annuities, payment of overseas allowances and post differentials, and determination of the highest previous rate under part 531 of this chapter.

(e) When an agency elects to pay an employee premium pay on an annual basis, he is entitled to continue to receive hourly premium pay properly payable under sections 5542, 5543, 5545 (a) and (b), and 5546 of title 5, United States Code, until his base pay plus premium pay on an annual basis equals or exceeds his existing aggregate rate. When this occurs, the agency shall pay the employee his base pay plus premium pay on an annual basis.

(f) Except when terminated under paragraph (e) of this section, an agency shall continue to pay an employee an existing aggregate rate so long as:

(1) He remains in a position to which §550.141, §550.151, or §550.162(c) is applicable;

(2) His tour of duty does not decrease in length; and

(3) He continues to perform equivalent night, holiday, and irregular or occasional overtime work.

(g) If an employee who is entitled to an existing aggregate rate moves from one position to another in the same agency, both of which are within the scope of section 5545(c) of title 5, United States Code, he is entitled to be paid an existing aggregate rate in the new position such as he would have received had he occupied that position when the agency elected to make section 5545(c) applicable to it.

§ 550.182 Pay for Sunday Work

(a) A full-time employee is entitled to pay at his or her rate of basic pay plus premium pay at a rate equal to 25 percent of his or her rate of basic pay for each hour of Sunday work (as defined in § 550.103) and each hour that would be Sunday work but for the placement of the employee in paid leave or excused absence status.

(b) An employee is not entitled to Sunday premium pay while engaged in training, except as provided in § 410.402 of this chapter.

§ 550.182 Unscheduled duty.

(a) Unscheduled Duty Hours. For the purpose of availability pay, unscheduled duty hours are those hours during which a criminal investigator performs work, or (except for a special agent in the Diplomatic Security Service) is determined by the employing agency to be available for work, that are not—

(1) Part of the 40-hour basic workweek of the investigator; or

(2) Regularly scheduled overtime hours compensated under 5 U.S.C. 5542 and § 550.111.

(b) Regularly Scheduled Overtime Hours. For criminal investigators receiving availability pay, regularly scheduled overtime hours compensated under 5 U.S.C. 5542 and § 550.111 are those overtime hours scheduled in advance of the investigator’s administrative workweek, excluding—

(1) The first 2 hours of overtime work on any day containing a part of the investigator’s basic 40-hour workweek, as required by § 550.111(f)(1); or

(2) The first 2 hours of overtime work performing protective duties authorized by section 3056(a) of title 18, United States Code, or section 2709(a)(3) of title 22, United States Code, on any day containing a part of the investigator’s basic 40-hour workweek, unless the investigator performs 2 or more consecutive hours of unscheduled overtime work on that same day.

(c) Actual work hours. To be considered to be performing work under paragraph (a) of this section, a criminal investigator must be performing work as officially ordered or approved, including work performed without specific supervisory preapproval, if circumstances require the criminal investigator to perform the duty to meet the needs of the employing agency, subject to agency policies and procedures (including any requirements for after-the-fact validation or approval).

(d) Availability Hours. To be considered available for work under paragraph (a) of this section, a criminal investigator must be determined by the employing agency to be generally and reasonably accessible to perform unscheduled duty based on the needs of the agency. Generally, the agency will place the investigator in availability status by directing the investigator to be available during designated periods to meet agency needs, as provided by

agency policies and procedures. Placing the investigator in availability status is not considered scheduling the investigator for overtime hours compensated under 5 U.S.C. 5542 and §550.111. Availability hours may include hours during which the investigator places himself or herself in availability status to meet the needs of the agency, subject to agency policies and procedures (including any requirements for after-the-fact validation or approval). A special agent in the Diplomatic Security Service may not be credited with availability hours and will be credited with only hours actually worked.

(e) Ensuring availability. Except as provided in paragraphs (e) and (f) of this section, an employing agency shall ensure that each criminal investigator’s hours of unscheduled duty are sufficient to enable the investigator to meet the substantial hours requirement in §550.183 and make the certification required under §550.184.

(f) Voluntary opt-out. Notwithstanding paragraph (d) of this section, an employing agency may, at its discretion, approve a criminal investigator’s voluntary request that the investigator generally be assigned no overtime work (including unscheduled duty) for a designated period of time because of a personal or family hardship situation. The investigator must sign a written statement documenting this request and his or her understanding that availability pay will not be payable during the designated period.

(g) When availability pay is suspended. The employing agency is not subject to the requirement of paragraph (d) of this section in the case of a criminal investigator for whom availability pay is suspended in accordance with §550.184(d) due to denial or cancellation of the required certification based on—

(1) Failure to perform unscheduled duty as assigned or reported; or

(2) Inability to perform unscheduled duty for an extended period because of a physical or health condition.

§ 550.183 Substantial hours requirement.

(a) A criminal investigator shall be eligible for availability pay only if the annual average number of hours of unscheduled duty per regular workday is 2 hours or more, as certified in accordance with §550.184. This average is computed by dividing the total unscheduled duty hours for the annual period (numerator) by the number of regular workdays (denominator).

(b) For the purpose of this section, regular workday means each day in the criminal investigator’s basic workweek during which the investigator works at least 4 hours, excluding—

(1) Overtime hours compensated under 5 U.S.C. 5542 and §550.111;

(2) Unscheduled duty hours compensated by availability pay under 5 U.S.C. 5545a and this subpart; and

(3) Hours during which an investigator is engaged in agency-approved training, is traveling under official travel orders, is on approved leave, or is on excused absence with pay (including paid holidays).

(c) In computing average hours under paragraph (a) of this section, the total unscheduled duty hours in the numerator shall include—

(1) Any unscheduled duty hours on a regular workday; and

(2) Any unscheduled duty hours actually worked by an investigator on days that are not regular workdays.

§ 550.184 Annual certification.

(a) Each newly hired criminal investigator who will receive availability pay and the appropriate supervisory officer (as designated by the head of the agency or authorized designee) shall make an initial certification to the head of the agency attesting that the investigator is expected to meet the substantial hours requirement in §550.183 during the upcoming 1-year period. A similar certification shall be made for a criminal investigator who will begin receiving availability pay after a period of nonreceipt (e.g., a designated voluntary opt-out period under §550.182(e)).
§ 550.186 Relationship to other payments.

(a) Standby duty pay under § 550.141 and administratively uncontrollable overtime pay under § 550.151 may not be
paid to a criminal investigator receiving availability pay. Receipt of availability pay does not affect an investigator’s entitlement to other types of premium pay (including overtime pay under §550.111) based on hours other than unscheduled duty hours. However, a criminal investigator receiving availability pay may not be paid any other premium pay based on unscheduled duty hours.

(b) Availability pay is treated as part of basic pay or basic salary only for the following purposes:

(1) 5 U.S.C. 5524a, pertaining to advances in pay;
(2) 5 U.S.C. 5595(c), pertaining to severance pay;

(3) 5 U.S.C. 8114(e), pertaining to workers’ compensation;
(4) 5 U.S.C. 8331(3) and 5 U.S.C. 8401(4), pertaining to retirement benefits;
(5) Subchapter III of chapter 84 of title 5, United States Code, pertaining to the Thrift Savings Plan;
(6) 5 U.S.C. 8704(c), pertaining to life insurance;
(7) Sections 609(b)(1), 805, 806, and 856 of the Foreign Service Act of 1980, as amended (Pub. L. 96–465), pertaining to Foreign Service retirement benefits; and

(8) For any other purposes explicitly provided for by law or as the Office of Personnel Management or the Secretary of State (for matters exclusively within the jurisdiction of the Secretary) may prescribe by regulation.

(c) The minimum wage and the hours of work and overtime pay provisions of the Fair Labor Standards Act do not apply to criminal investigators receiving availability pay.

§ 550.187 Transitional provisions.

(a) Except as provided in paragraph (b) of this section, not later than the first day of the first pay period beginning on or after October 30, 1994, each criminal investigator qualified to receive availability pay and the appropriate supervisory officer (as designated by the agency head or authorized designee) shall make an initial certification to the head of the agency that the investigator is expected to meet the substantial hours requirement in §550.183. The head of an agency may prescribe procedures necessary to administer this paragraph.

(b)(1) In the case of criminal investigators who are employed in offices of Inspectors General and who, immediately prior to September 30, 1994, were not receiving administratively uncontrollable overtime pay, or were receiving such pay at a rate of less than 25 percent, the employing office may delay implementation of availability pay; however, availability pay shall be implemented (in accordance with §§550.181 through 550.186) no later than—

(i) September 30, 1995, for investigators who are not receiving administratively uncontrollable overtime pay; or

(ii) The first day of the last pay period ending on or before September 30, 1995, for investigators who were receiving administratively uncontrollable overtime pay at a rate of less than 25 percent immediately prior to September 30, 1994.

(2) A criminal investigator who is employed in an Inspector General office and was receiving administratively uncontrollable overtime pay at a rate of less than 25 percent immediately prior to September 30, 1994, shall continue to receive at least that rate or a higher rate, if increased by the employing agency, until the availability pay provision is implemented for the position (no later than as provided in paragraph (b)(1)(ii) of this section).

(3) Implementation of availability pay for criminal investigators under paragraph (b)(1) of this section shall be in accordance with the requirements and conditions set forth in §§550.181 through 550.186. For qualified investigators, an initial certification shall be made, consistent with paragraph (a) of this section.

§ 550.201 Purpose.
This subpart provides regulations to implement 5 U.S.C. 5524a which provides that the head of each agency may make advance payments of basic pay, covering not more than 2 pay periods, to any individual who is newly appointed to a position in the agency.

§ 550.202 Definitions.
In this subpart: Agency means an Executive agency, as defined in 5 U.S.C. 105.
Employee means an individual employed in or under an agency who is appointed to a position with a scheduled tour of duty.
Head of agency means the head of an agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.
Newly appointed means—
(a) The first appointment, regardless of tenure, as an employee of the Federal Government;
(b) A new appointment following a break in service of at least 90 days; or
(c) A permanent appointment in the competitive service following termination of employment under the Student Educational Employment Program (as described in §213.3202 of this chapter), provided such employee—
(1) Was separated from the service, in a nonpay status, or a combination of both during the entire 90-day period immediately before the permanent appointment; and
(2) Has fully repaid any former advance in pay under §550.205.
Offset or setoff means repayment in installments of an advance in pay by payroll deductions or an administrative offset under subpart K of this part to collect a debt under 5 U.S.C. 5514 from an indebted Government employee.
Pay period means the pay period established by an agency for an employee under 5 U.S.C. 5504.

L. 101–509) or locality-based comparability payment under 5 U.S.C. 5394, but not including additional pay of any kind.

§ 550.203 Advances in pay.
(a) The head of an agency may provide for the advance payment of basic pay, in one or more installments covering not more than 2 pay periods, to an employee who is newly appointed to a position in the agency.
(b) The maximum amount of pay that may be advanced to an employee shall be based on the rate of basic pay to which the employee is entitled on the date of his or her new appointment with the agency, reduced by the amount of any allotments or deductions that would normally be deducted from the employee’s first regular paycheck.
(c) An advance in pay may be made to an employee no earlier than the date of appointment with the agency and no later than 60 days after the date of appointment.
(d) An advance in pay under this subpart may not be made to any employee when an agency expects to make an advance in pay to the same employee under 5 U.S.C. 5927 within 2 pay periods after the employee’s appointment.
(e) An advance in pay may not be made to the head of an agency or to an employee appointed to a position in the expectation of receiving an appointment as the head of an agency.

§ 550.204 Agency procedures.
(a) Each agency shall establish written procedures governing advance payments. These procedures shall include—
§ 550.205 Recovery of advances in pay.

(a) Unless repayment is waived in whole or in part under §550.206 of this part, an agency shall recover an advance in pay by installments under agency procedures for payroll deductions or by salary offset procedures established under subpart K of this part. An employee may prepay all or part of the remaining balance of an advance in pay at any time before payments are due.

(b) An agency shall establish a recovery period for each employee to repay an advance in pay, but no agency may establish a recovery period of longer than 14 pay periods beginning on the date the advance in pay is made to the employee under §550.203 of this part. If a longer period for recovery is necessary to avoid exceeding the limitation on deductions described in §550.1104(i) of this part, recovery may be accomplished under salary offset procedures established under subpart K of this part. Upon written request, an employee may elect a recovery period of less than 14 pay periods.

(c) If an employee transfers to another agency or employment with an agency is terminated for any reason, the remaining balance of an advance in pay not yet repaid is due and must be repaid to the Federal Government unless repayment is waived in whole or in part under §550.206 of this part.

(d) Any remaining balance of an advance in pay that has not been waived under §550.206 of this part or repaid by an employee upon transfer or termination of employment must be recovered by an agency using procedures for salary offset under subpart K of this part and/or by such other method as is provided by law.

§ 550.206 Waiver of repayment.

The head of an agency may waive in whole or in part a right of recovery of

(2) An allotment for dues to an association of management officials and/or supervisors under §550.331;

(3) An allotment for charitable contributions to a Combined Federal Campaign under §§550.341 and 550.342;

(4) An allotment for income tax withholding under §550.351;

(5) Up to two allotments for savings under Department of Treasury regulations as codified at part 209 of title 31, Code of Federal Regulations;

(6) An allotment for savings for an employee assigned to a post of duty outside the continental United States under §550.361;

(7) An allotment for child support and/or alimony payments under §550.371;

(8) An allotment to the employing Federal agency to pay an employee's share of Federal Employees Health Benefits premiums, consistent with part 892 of this chapter.

(b) In addition to those allotments provided for in paragraph (a) of this section, an agency may permit an employee to make an allotment for any legal purpose deemed appropriate by the head of the agency. This authority does not extend to allotments to the paying agency for the purpose of reducing taxable income, except where there is an authority specific to Federal employees (statute, Executive order, Presidential directive, or OPM regulations).
§ 550.312 General limitations.

(a) The allotter must specifically designate the allottee and the amount of the allotment.

(b) The total amount of allotments may not exceed the pay due the allottee for a particular period.

(c) The allotter must personally authorize a change or cancellation of an allotment.

(d) The agency has no liability in connection with any authorized allotment disbursed by the agency in accordance with the allotter's request.

(e) Any disputes regarding any authorized allotment are a matter between the allotter and the allottee.

(f) Notwithstanding the requirements in paragraphs (a) and (c) of this section, an agency may make an allotment for an employee's share of health benefits premiums under § 550.311(a)(8) without specific authorization from the employee, unless the employee specifically waives such allotment. Agency procedures for processing employee waivers must be consistent with procedures established by the Office of Personnel Management. (See part 892 of this chapter.)

§ 550.313 Order of precedence when there is insufficient pay to cover all deductions.

(a) Except as provided in paragraph (b) of this section, an agency must deduct allotments from any net pay remaining after applying all deductions authorized by law, including any deductions for retirement and other benefits, Social Security and income tax withholdings, collection of a debt to the Government via levy or salary offset, and garnishment. If there is insufficient net pay to cover all of the employee’s allotments, the agency must deduct allotments in the order specified under its established rules of precedence.

(b) An agency must deduct an allotment for an employee’s share of health benefits premiums under § 550.311(a)(8) before deducting any type of tax withholding.

§ 550.321 Authority.

Section 7115, title 5, United States Code, authorizes an employee to make an allotment for dues to a labor organization as defined in subchapter 1 of chapter 71 of title 5, United States Code. Such an allotment shall be effected in accordance with such rules and regulations as may be prescribed by the Federal Labor Relations Authority.

§ 550.322 Saving provision.

An agency shall permit a supervisor who so desires, to continue an allotment of dues to a labor organization as defined in section 2(e) of Executive Order 11491, as amended, which was permissible when the supervisor was excluded from a formal or exclusive unit by reason of the requirements of former section 24(d) of this Order.

§ 550.331 Scope.

An agency shall permit an employee to make an allotment for dues to an association of management officials and/or supervisors when the employee is a supervisor or management official, and the employee is a member of an association of management officials and/or supervisors with which the agency has agreed in writing to deduct allotments for the payment of dues to the association.

§ 550.341 Scope.

An agency must permit an employee to make an allotment for charitable
§ 550.401 Purpose, applicability, authority, and administration.

(a) Purpose. This subpart provides regulations to administer subchapter III (except sections 5524a and 5525) of chapter 55 of title 5, United States
§550.402 Code. The regulations provide for Governmentwide uniformity in making payments during an evacuation to employees or their dependents, or both, who are evacuated in the United States because of natural disasters or for military or other reasons that create imminent danger to their lives.

(b) Applicability. This subpart applies to—

(1) Executive agencies, as defined in section 105 of title 5, United States Code.
(2) Employees of an agency who are U.S. citizens or who are U.S. nationals;
(3) Employees of an agency who are not citizens or nationals of the United States, but who were recruited with a transportation agreement that provides return transportation to the area from which recruited; and
(4) Alien employees of an agency hired within the United States.

(c) Authority. The head of an agency may make advance payments and evacuation payments and pay special allowances as provided by this subpart. If the head of an agency proposes to issue regulations that deviate from the provisions of this subpart, prior approval of the agency regulations, as required by section 4(b) of Executive Order 10982 of December 25, 1961, must be secured from the Office of Personnel Management.

(d) Administration. The head of an agency having employees subject to this subpart is responsible for the proper administration of this subpart. Payment of advance payments and evacuation payments and any required adjustments shall be made in accordance with procedures established by the agency.

§550.403 Advance payments; evacuation payments; special allowances.

(a) An advance payment of pay, allowances, and differentials may be made to an employee who has received an order to evacuate, provided that, in the opinion of the agency head or designated official, payment in advance of the date on which an employee otherwise would be entitled to be paid is required to help the employee defray immediate expenses incidental to the evacuation.

(b) Evacuation payments of pay, allowances, and differentials may be made to an employee during an evacuation and shall be paid on the employee’s regular pay days when feasible.

(c) Special allowances, including travel expenses and per diem, may be paid to evacuated employees to offset any direct added expenses that are incurred by the employee as a result of his or her evacuation or the evacuation of his or her dependents.

(d) An advance payment or an evacuation payment may be paid to the employee, a dependent 16 years of age or over, or a designated representative. When payment is made to someone other than the employee, prior written authorization by the employee must have been provided to the authorizing agency official.

(e) Any agency may make payments in an evacuation situation to an employee of another Federal agency (or...

his or her dependent(s) or personal representative) who has received an order to evacuate. When a payment is made under this subpart by an agency other than the employee’s agency, the agency making the payment shall immediately report the amount and date of the payment to the employee’s agency in order that prompt reimbursement may be made.

§ 550.404 Computation of advance payments and evacuation payments; time periods.

(a) Payments shall be based on the rate of pay (including allowances, differentials, or other authorized payments) to which the employee was entitled immediately before the issuance of the order of evacuation. All deductions authorized by law, such as retirement or social security deductions, authorized allotments, Federal withholding taxes, and others, when applicable, shall be made before advance payments or evacuation payments are made.

(b)(1) The amount of advance payments shall cover a time period not to exceed 30 days or a lesser number of days, as determined by the authorizing agency official.

(2) Evacuation payments shall cover the period of time during which the order to evacuate remains in effect, unless terminated earlier, but shall not exceed 180 days. When feasible, evacuation payments shall be paid on the employee’s regular pay days.

(c) When an advance payment has been made to or for the account of an employee, the amount of the advance payment shall not diminish the amount of the evacuation payments that would otherwise be due the employee.

(d)(1) For full-time and part-time employees, the amount of an advance payment or an evacuation payment shall be computed on the basis of the number of regularly scheduled workdays for the time period covered.

(2) For intermittent employees, the amount of an advance payment or evacuation payment shall be computed on the basis of the number of days on which the employee would be expected to work during the time period covered. The number of days shall be determined, whenever possible, by approximating the number of days per week normally worked by the employee during an average 6-week period, as determined by the agency.

§ 550.405 Determination of special allowances.

In determining the direct added expenses that may be payable as special allowances, the following shall be considered:

(a) An agency must determine the travel expenses and per diem for an evacuated employee and the travel expenses for his or her dependents in accordance with the Federal Travel Regulation (FTR) and any applicable implementing agency regulations, whether or not the employee or dependents are actually covered by or subject to the FTR. In addition, an agency may authorize per diem for dependents of an evacuated employee at a rate equal to the rate payable to the employee, as determined in accordance with the FTR (except that the rate for dependents under 12 years of age is one-half this rate), whether or not the employee or dependents are actually covered by or subject to the FTR. Per diem for an employee and his or her dependents is payable from the date of departure from the evacuated area through the date of arrival at the safe haven, including any period of delay en route that is beyond an evacuee’s control or that may result from evacuation travel arrangements.

(b) Subsistence expenses for an evacuated employee or his or her dependents shall be determined at applicable per diem rates for the safe haven or for a station other than the safe haven that has been approved by appropriate authority. Such subsistence expenses shall begin to be paid on the date following arrival and may continue until terminated. The subsistence expenses shall be computed on a daily rate basis, as follows:

(1) An agency must compute the applicable maximum per diem rate by using the “lodgings-plus per diem system,” as defined in the FTR, for the employee and each dependent who is 12
§ 550.406 Work assignments during evacuation; return to duty.

(a) Evacuated employees at safe havens may be assigned to perform any work considered necessary or required to be performed during the period of the evacuation without regard to the grades or titles of the employees. Failure or refusal to perform assigned work may be a basis for terminating further evacuation payments.

(b) When part-time employees are given assigned work at the safe haven, records of the number of hours worked shall be maintained so that payment may be made for any hours of work that are greater than the number of hours on which evacuation payments are computed.

(c) Not later than 180 days after the effective date of the order to evacuate, or when the emergency or evacuation situation is terminated, whichever is earlier, an employee must be returned to his or her regular duty station, or appropriate action must be taken to reassign him or her to another duty station.

§ 550.407 Termination of payments during evacuation.

Advance payments or evacuation payments terminate when the agency determines that—

(a) The employee is assigned to another duty station outside the evacuation area;

(b) The employee abandons or is otherwise separated from his or her position;

(c) The employee’s employment is terminated by his or her transfer to retirement rolls or other type of annuity based on cessation of civilian employment;

(d) The employee resumes his or her duties at the duty station from which he or she was evacuated;

(e) The agency determines that payments are no longer warranted; or

(f) The date the employee is determined to be covered by the Missing Persons Act (50 App. U.S.C. 1001 et seq.), unless payment is earlier terminated under these regulations.

§ 550.408 Review of accounts; service credit.

(a) The payroll office having jurisdiction over the employee’s account shall review each employee’s account for the purpose of making adjustments at the earliest possible date after the evacuation is terminated (or earlier if the circumstances justify), after the employee returns to his or her assigned duty station, or when the employee is reassigned officially.

(b) The employee’s pay shall be adjusted on the basis of the rates of pay, allowances, or differentials, if any, to which he or she would otherwise have been entitled under all applicable statutes other than section 5527 of title 5, United States Code. Any adjustments in the employee’s account shall also reflect advance payments made to the employee under § 550.403(a) of this subpart.

(c)(1) After an employee’s account is reviewed as required by paragraph (a) of this section, if it is found that the
employee is indebted for any part of
the advance payment made to him or
her or his or her dependent(s) or des-
ignated representative, recovery of the
indebtedness shall be effected by the
payroll office having jurisdiction over
the employee’s account, unless a waiv-
er of recovery has been approved. Re-
payment of the indebtedness may be
made either in full or in partial pay-
ments, as determined by the head of
the agency or designated official.
(2) Recovery of indebtedness for ad-
vance payment shall not be required
when it is determined by the head of
the agency or designated official that
the recovery would be against equity
or good conscience or against the pub-
lic interest. Findings that formed the
basis for waiver of recovery shall be
filed in the employee’s personnel folder
on the permanent side.
(d) For the period or periods covered
by any payments made under this sub-
part, the employee shall be considered
as performing active Federal service in
his or her position without a break in
service.

Subpart E—Pay From More Than
One Position

§ 550.501 Scope.

(a) Applicability. (1) This subpart and
section 5533 of title 5, United States
Code, apply in determining an employ-
ee’s entitlement to receive pay from
more than one position.
(2) This subpart and section 5533(a) of

Subpart F  [Reserved]
§ 550.701  Subpart G—Severance Pay

SOURCE: 55 FR 6593, Feb. 26, 1990, unless otherwise noted.

§ 550.701  Introduction.

This subpart contains regulations of the Office of Personnel Management to implement the provisions of 5 U.S.C. 5595. These regulations authorize severance pay for employees who are involuntarily separated from Federal service and who meet other conditions of eligibility.

§ 550.702  Coverage.

Except as provided in 5 U.S.C. 5595(a)(2)(i) through (viii), this subpart applies to each full-time or part-time employee; that is, an employee with a regularly scheduled tour of duty who is serving under a qualifying appointment, as defined in §550.703.

§ 550.703  Definitions.

In this subpart:

Agency means an agency as defined in 5 U.S.C. 5595(a)(1), except the government of the District of Columbia.

Commuting area means the geographic area surrounding a work site that encompasses the localities where people live and reasonably can be expected to travel back and forth daily to work, as established by the employing agency based on the generally held expectations of the local community. When an employee’s residence is within the standard commuting area for a work site, the work site is within the employee’s commuting area. When an employee’s residence is outside the standard commuting area for a proposed new work site, the employee’s commuting area is deemed to include the expanded area surrounding the employee’s residence and including all destinations that can be reached via a commuting trip that is not significantly more burdensome than the current commuting trip. This excludes a commuting trip from a residence where the employee planned to stay only temporarily until he or she could find a more permanent residence closer to his or her work site. For this purpose, a commuting trip to a new work site is considered significantly more burdensome if it would compel the employee to change his or her place of residence in order to continue employment, taking into account commuting time and distance, availability of public transportation, cost, and any other relevant factors.

Employed by the Government of the United States means employment by any part of the Government of the United States, including the United States Postal Service and similar independent entities, but excluding enlistment or activation in the armed forces (as defined in 5 U.S.C. 2101).

Employee (for the purpose of establishing initial entitlement to severance pay upon separation) means an employee as defined in 5 U.S.C. 5595(a)(2), excluding an individual employed by the government of the District of Columbia.

(Note to definition of “employee”: The term “individual employed” in 5 U.S.C. 5595(a)(2) refers to an “employee” as defined in 5 U.S.C. 2105.)

Immediate annuity means—

(a) A recurring benefit payable under a retirement system applicable to Federal civilian employees or members of the uniformed services that the individual is eligible to receive (disregarding any offset described in §550.704(b)(5)) at the time of the involuntary separation from civilian service or that begins to accrue within 1 month after such separation, excluding any Social Security retirement benefit; or

(b) A benefit that meets the conditions in paragraph (a) of this definition, except that the benefit begins to accrue more than 1 month after separation solely because the employee elected a later commencing date (such as allowed under §842.204 of this chapter).

Inefficiency means unacceptable performance or conduct that leads to a separation under part 432 or 752 of this chapter or an equivalent procedure.

Involuntary separation means a separation initiated by an agency against the employee’s will and without his or her consent for reasons other than inefficiency, including a separation resulting from the expiration of a time-limited appointment effective within 3 calendar days after separation from a
qualifying appointment. In addition, when an employee is separated because
he or she declines to accept reassignment outside his or her commuting
area, the separation is “involuntary” if the employee’s position description or
other written agreement does not provide for such a reassignment. However,
an employee’s separation is not “involuntary” if, after such a written mobility
agreement is added, the employee accepts one reassignment outside his or
her commuting area, but subsequently declines another such reassignment.

Nonqualifying appointment means an appointment that does not convey eli-
gibility for severance pay under this subpart, including—
(a) An appointment at a noncovered agency;
(b) An appointment in which the employee has an intermittent work sched-
ule;
(c) A Presidential appointment;
(d) An emergency appointment;
(e) An excepted appointment under Schedule C: a noncareer appointment in
the Senior Executive Service, as defined in 5 U.S.C. 3132(a); or an equivalent
appointment made for similar purposes; and
(f) A time-limited appointment (except for a time-limited appointment that
is qualifying because it is made effective within 3 calendar days after separation from a qualifying appoint-
ment), including—
(1) A term appointment;
(2) A temporary appointment pending establishment of a register (TAPER);
(3) An overseas limited appointment with a time limitation;
(4) A limited term or limited emerge-
cy appointment in the Senior Exec-
utive Service, as defined in 5 U.S.C.
3132(a), or an equivalent appointment
made for similar purposes;
(5) A Veterans Readjustment Ap-
pointment under part 307 of this chap-
ter; and
(6) A Presidential Management In-
tern appointment under part 362 of this chapter.

Qualifying appointment means—
(a) A career or career-conditional ap-
pointment in the competitive service or
the equivalent in the excepted service;
(b) A career appointment in the Sen-
ior Executive Service;
(c) An excepted appointment without
time limitation, except under Schedule
C or an equivalent appointment made
for similar purposes;
(d) An overseas limited appointment
without time limitation;
(e) A status quo appointment, includ-
ing one that becomes indefinite when the employee is promoted, demoted, or
reassigned;
(f) A time-limited appointment in the Foreign Service, when the employee
was assigned under a statutory author-
ity that carried entitlement to reem-
ployment in the same agency, but this
right of reemployment has expired; and
(g) A time-limited appointment (in-
cluding a series of time-limited ap-
pointments by the same agency with-
out any intervening break in service) for full-time employment that takes
effect within 3 calendar days after the
end of one of the qualifying appoint-
ments listed in paragraphs (a) through
(f) of this definition, provided the time-
limited appointment is not nonquali-
fiying on grounds other than the time-
limited nature of the appointment.

Rate of basic pay means the rate of
pay fixed by law or administrative ac-
tion for the position held by an em-
ployee, including, as applicable, annual
premium pay for standby duty under 5
U.S.C. 5545(c)(1), availability pay under 5
U.S.C. 5545a, straight-time pay for regular
overtime hours for firefighters
under 5 U.S.C. 5545b (as provided in
§550.1305(b)), night differential for prev-
vailing rate employees under 5 U.S.C.
5343(f), and any continued rate adjust-
ment under subpart G of part 531 of
this chapter, special pay adjustment
for law enforcement officers under sec-
tion 404 of the Federal Employees Pay
Comparability Act of 1990 (Pub. L. 101–
509), or locality-based comparability
payment under 5 U.S.C. 5304, but not
including additional pay of any kind.

Reasonable offer means the offer of a
position that meets all the following
conditions:
(a) The offer is in writing;
(b) The employee meets established qualification requirements; and
(c) The offered position is—
(1) In the employee’s agency, includ-
ing an agency to which the employee is
§ 550.704 Eligibility for severance pay.

(a) To be eligible for severance pay, an employee must:

(1) Be serving under a qualifying appointment;

(2) Have completed at least 12 months of continuous service, as described in §550.705; and

(3) Be removed from Federal service by involuntary separation.

(b) An employee is not eligible for severance pay if he or she:

(1) Is serving under a nonqualifying appointment;

(2) Declines a reasonable offer;

(3) Is serving under a qualifying appointment in an agency scheduled by law or Executive order to be terminated within 1 year after the date of the appointment, unless on the date of separation, the agency’s termination has been postponed to a date more than 1 year after the date of the appointment, or the appointment is effected within 3 calendar days after separation from a qualifying appointment;

(4) Is receiving injury compensation under subchapter I of chapter 81 of title 5, United States Code, unless the compensation is being received concurrently with pay or is the result of someone else’s death; or

(5) Is eligible upon separation for an immediate annuity from a Federal civil service retirement system or from the uniformed services. Such an employee is ineligible even if all or part of the annuity is offset by payments from a non-Federal retirement system. The employee elected instead of Federal civil service retirement benefits or disability benefits received from the Department of Veterans Affairs.

§ 550.705 Criteria for meeting the requirement for 12 months of continuous employment.

(a) The requirement for 12 months of continuous employment is met if, on the date of separation, an employee has held one or more civilian Federal positions over a period of 12 months without a single break in service of more than 3 calendar days. The positions held must have been under:

(1) One or more qualifying appointments;

(2) One or more nonqualifying temporary appointments that precede the current qualifying appointment; or

(3) An appointment to a position in a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard that precedes the current qualifying appointment in the Department of Defense or the Coast Guard, respectively.

(b) When a break in service that is covered by severance pay interrupts otherwise continuous Federal employment, the entire period is considered continuous service.

(c) The period during which an employee receives continuation of pay or compensation for an injury on the job under chapter 81 of title 5, United
§ 550.706 Criteria for meeting the requirement for involuntary separation.

(a) An employee who resigns because he or she expects to be involuntarily separated is considered to have been involuntarily separated if the employee resigns after receiving—

(1) Specific written notice that he or she will be involuntarily separated by a particular action effective on a particular date; or

(2) A general written notice of reduction in force or transfer of functions which—

   (i) Is issued by a properly authorized agency official;

   (ii) Announces that the agency has decided to abolish, or transfer to another commuting area, all positions in the competitive area (as defined in §351.402 of this chapter) by a particular date (no more than 1 year after the date of the notice); and

   (iii) States that, for all employees in that competitive area, a resignation following receipt of the notice constitutes an involuntary separation for severance pay purposes.

(b) Except for resignations under the conditions described in paragraph (a) of this section, all resignations are voluntary separations and do not carry entitlement to severance pay.

(c) A resignation is not considered an involuntary separation if the specific or general written notice is canceled before the separation (based on that resignation) takes effect.

§ 550.707 Computation of severance pay fund.

(a) Basic severance pay allowance. Except as provided in paragraph (b) of this section, the basic severance pay allowance consists of the following:

(1) One week of pay at the rate of basic pay for the position held by the employee at the time of separation for each full year of creditable service through 10 years;

(2) Two weeks of pay at the rate of basic pay for the position held by the employee at the time of separation for each full year of creditable service beyond 10 years; and

(3) Twenty-five percent of the otherwise applicable amount for each full 3 months of creditable service beyond the final full year.

(b) Basic severance pay allowance for employees with variable work schedules or rates of basic pay. In the following circumstances, the weekly rate of basic pay used in computing the basic severance pay allowance must be determined based on the weekly average for the last position held by the employee during the 26 biweekly pay periods immediately preceding separation, as follows:

(1) For positions in which the number of hours in the employee's basic work schedule (excluding overtime hours) varies during the year because of part-time work requirements, compute the weekly average of those hours and multiply that average by the hourly rate of basic pay in effect at separation.

(2) For positions in which the rate of annual premium pay for standby duty regularly varies throughout the year, compute the average standby duty premium pay percentage and multiply that percentage by the weekly rate of basic pay (as defined in §550.103) in effect at separation.

(3) For prevailing rate positions in which the amount of night shift differential pay under 5 U.S.C. 5343(f) varies from week to week under a regularly recurring cycle of work schedules, determine for each week in the averaging period the value of night shift differential pay expressed as a percentage of each week's scheduled rate of pay (as defined in §532.401 of this chapter), compute the weekly average percentage, and multiply that percentage by the weekly scheduled rate of pay in effect at separation.

(4) For positions with seasonal work requirements, compute the weekly average of hours in a pay status (excluding overtime hours) and multiply that average by the hourly rate of basic pay in effect at separation.

(5) For positions held by firefighters compensated under subpart M of this
§ 550.708 Creditable service.

The following types of service are creditable for computing an employee’s severance pay under §550.707:

(a) Civilian service as an employee (as defined in 5 U.S.C. 2105), excluding time during a period of nonpay status that is not creditable for annual leave accrual purposes under 5 U.S.C. 6303(a);

(b) Service performed with the United States Postal Service or the Postal Rate Commission;

(c) Military service, including active or inactive training with the National Guard, when performed by an employee who returns to civilian service through the exercise of a restoration right provided by law, Executive order, or regulation;

(d) Service performed by an employee of a nonappropriated fund instrumentality of the Department of Defense or the Coast Guard, as defined in 5 U.S.C. 2105(c), who moves to a position within the civil service employment system of the Department of Defense or the Coast Guard, respectively, without a break in service of more than 3 days; and

(e) Service performed with the government of the District of Columbia by an individual first employed by that government before October 1, 1987, excluding service as a teacher or librarian of the public schools of the District of Columbia.

§ 550.709 Accrual and payment of severance pay.

(a) Severance pay accrues on a day-to-day basis following the recipient’s separation from Federal employment. If severance pay begins in the middle of a pay period, 1 day of severance pay accrues for each workday or applicable holiday left in the pay period at the same rate at which basic pay would have accrued if the recipient were still employed. Thereafter, accrual is based on days from Monday through Friday, with each day worth one-fifth of 1 week’s severance pay. Accrual ceases when the severance pay entitlement is suspended or terminated, as provided in §§550.710 and 550.711. If severance pay is suspended during a nonqualifying time-limited appointment as provided in §550.710, accrual will resume following separation from that appointment.

(b) Severance payments must be made at the same pay period intervals that salary payments would be made if the recipient were still employed. The amount of the severance payment is computed using the recipient’s rate of basic pay in effect immediately before separation, with credit for each day of severance pay accrual during the pay period corresponding to the payment date. A severance payment is subject to appropriate deductions for income and Social Security taxes. Severance payments are the responsibility of the agency employing the recipient at the time of the involuntary separation that triggered the current entitlement to severance pay.

(c) When an individual receives severance pay as the result of an involuntary separation from a qualifying time-limited appointment, the severance payment is based on the rate of basic pay received at the time of that separation. Severance payments are the responsibility of the agency that employed the individual under the qualifying time-limited appointment.

(d) When an individual is in a nonpay status immediately before separation,
§ 550.710 Suspension of severance pay.

When an individual entitled to severance pay is employed by the Government of the United States or the government of the District of Columbia under a nonqualifying time-limited appointment, severance pay must be suspended during the life of the appointment. Severance pay resumes, without any recomputation, when the employee separates from the nonqualifying time-limited appointment. The resumed severance payments are the responsibility of the agency that originally triggered the individual’s severance pay entitlement by separating the individual while he or she was serving under a qualifying appointment.

[64 FR 69177, Dec. 10, 1999]

§ 550.711 Termination of severance pay entitlement.

Entitlement to severance pay ends when—

(a) The individual entitled to severance pay is employed by the Government of the United States or the government of the District of Columbia, unless employed under a nonqualifying time-limited appointment as described in §550.710; or

(b) The severance pay fund is exhausted.

[64 FR 69178, Dec. 10, 1999]

§ 550.712 Reemployment; recredit of service.

(a) When a former employee is reemployed, the employing agency shall record on the appointment document the number of weeks of severance pay received (including partial weeks).

(b) If an employee again becomes entitled to severance pay, the agency in which entitlement arises shall recompute the severance pay allowance on the basis of all creditable service and current age and deduct from the number of weeks it would take to exhaust the allowance the number of weeks for which severance pay previously was received.

[64 FR 69178, Dec. 10, 1999]

§ 550.713 Records.

Agencies shall maintain records, by fiscal year, of the number of employees who receive severance pay and the total amount of severance pay paid. The Office of Personnel Management may require agencies to report such information to the Office.

§ 550.714 Panama Canal Commission employees.

(a) Notwithstanding any other provisions of this subpart, an employee separated from employment with the Panama Canal Commission as a result of the implementation of any provision of the Panama Canal Treaty of 1977 and related agreements shall not be entitled to severance pay if he or she—

(1) Receives a written offer of reasonably comparable employment when such offer is made before separation from Commission employment;

(2) Accepts reasonably comparable employment within 30 days after separation from Commission employment; or
(3) Was hired by the Commission on or after December 18, 1997.

(b) The term reasonably comparable employment means a position that meets all the following conditions:

(1) The position is with the Panamanian public entity that assumes the functions of managing, operating, and maintaining the Panama Canal as a result of the Panama Canal Treaty of 1977;

(2) The rate of basic pay of the position is not more than 10 percent below the employee's rate of basic pay as a Panama Canal Commission employee;

(3) The position is within the employee's commuting area;

(4) The position carries no fixed time limitation as to length of appointment; and

(5) The work schedule (that is, part-time or full-time) of the position is the same as that of the position held by the employee at the Panama Canal Commission.

(c) A Panama Canal Commission employee who resigns prior to receiving an official written notice that he or she will not be offered reasonably comparable employment shall be considered to be voluntarily separated. Section 550.706(a) shall be applied, as appropriate, to any employee who resigns after receiving such notice.

(d) Except as otherwise provided by paragraphs (a) through (c) of this section, the provisions of this subpart remain applicable to Panama Canal Commission employees.

Subpart H—Back Pay

§ 550.801 Applicability.

(a) This subpart contains regulations of the Office of Personnel Management to carry out section 5596 of title 5, United States Code, which authorizes the payment of back pay, interest, and reasonable attorney fees for the purpose of making an employee financially whole (to the extent possible) when, on the basis of a timely appeal or an administrative determination (including a decision relating to an unfair labor practice or a grievance), the employee is found by an appropriate authority to have been affected by an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due to the employee. This subpart should be read together with this section of law.

(b) This subpart does not apply to any reclassification action.

§ 550.802 Coverage.

(a) Except as provided in paragraph (b) of this section, this subpart applies to employees, as defined in §550.803 of this subpart.

(b) This subpart does not apply to—

(1) Employees of the government of the District of Columbia; and

(2) Employees of the Tennessee Valley Authority.

§ 550.803 Definitions.

In this subpart:

Agency has the meaning given that term in section 5596(a) of title 5, United States Code.

Appropriate authority means an entity having authority in the case at hand to correct or direct the correction of an unjustified or unwarranted personnel action, including (a) a court, (b) the Comptroller General of the United States, (c) the Office of Personnel Management, (d) the Merit Systems Protection Board, (e) the Equal Employment Opportunity Commission, (f) the Federal Labor Relations Authority and its General Counsel, (g) the Foreign Service Labor Relations Board, (h) the Beginning Arbitration, (i) the Foreign Service Grievance Board, (j) an arbitrator in a binding arbitration case, and (k) the head of the employing agency or another official of the employing agency to whom such authority is delegated.

Collective bargaining agreement has the meaning given that term in section 7103(a)(8) of title 5, United States Code, and (with respect to members of the Foreign Service) in section 1002 of the Foreign Service Act of 1980 (22 U.S.C. 4102(4)).
Office of Personnel Management

§ 550.804 Determining entitlement to back pay.

(a) When an appropriate authority has determined that an employee was affected by an unjustified or unwarranted personnel action, the employee shall be entitled to back pay under section 5596 of title 5, United States Code, and this subpart only if the appropriate authority finds that the unjustified or unwarranted personnel action resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(b) The requirement for a “timely appeal” is met when—

(1) An employee or an employee’s personal representative initiates an appeal or grievance under an appeal or grievance system, including appeal or grievance procedures included in a collective bargaining agreement; a claim against the Government of the United States; a discrimination complaint; or an unfair labor practice charge; and

(2) An appropriate authority accepts that appeal, grievance, claim, complaint, or charge as timely filed.

(c) The requirement for an “administrative determination” is met when an appropriate authority determines, in writing, that an employee has been affected by an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(d) The requirement for “correction of the personnel action” is met when an appropriate authority, consistent with law, Executive order, rule, regulation, or mandatory personnel policy established by an agency or through a collective bargaining agreement, after a review, corrects or directs the correction of an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(e)(1) The pay, allowances, and differentials paid as back pay under this subpart (including payments made under any grievance or arbitration decision or any settlement agreement) may not exceed that authorized by any applicable law, rule, regulation, or collective bargaining agreement, after a review, corrects or directs the correction of an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee.

(2) An agency may not authorize pay, allowances, and differentials under this

§ 550.805 Back pay computations.

(a) When an appropriate authority corrects or directs the correction of an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due an employee—

(1) The employee shall be deemed to have performed service for the agency during the period covered by the corrective action; and

(2) The agency shall compute for the period covered by the corrective action the pay, allowances, and differentials the employee would have received if the unjustified or unwarranted personnel action had not occurred.

(b) No employee shall be granted more pay, allowances, and differentials under section 5596 of title 5, United States Code, and this subpart than he or she would have been entitled to receive if the unjustified or unwarranted personnel action had not occurred.

(c) Except as provided in paragraph (d) of this section, in computing the amount of back pay under section 5596 of title 5, United States Code, and this subpart, an agency may not include—

(1) Any period during which an employee was not ready, willing, and able to perform his or her duties because of an incapacitating illness or injury; or

(2) Any period during which an employee was unavailable for the performance of his or her duties for reasons other than those related to, or caused by, the unjustified or unwarranted personnel action.

(d) In computing the amount of back pay under section 5596 of title 5, United States Code, and this subpart, an agency shall grant, upon request of an employee, any sick or annual leave available to the employee for a period of incapacity if the employee can establish that the period of incapacity was the result of illness or injury.

(e) In computing the net amount of back pay payable under section 5596 of title 5, United States Code, and this subpart, an agency must make the following offsets and deductions (in the order shown) from the gross back pay award:

(1) Any outside earnings (gross earnings less any associated business losses and ordinary and necessary business expenses) received by an employee for other employment (including a business enterprise) undertaken to replace the employment from which the employee was separated by the unjustified or unwarranted personnel action during the interim period covered by the corrective action. Do not count earnings from additional or “moonlight” employment the employee may have engaged in while Federally employed (before separation) and while erroneously separated.

(2) Any erroneous payments received from the Government as a result of the unjustified or unwarranted personnel action, which, in the case of erroneous payments received from a Federal employee retirement system, must be returned to the appropriate system. Such payments must be recovered from the back pay award in the following order:

(i) Retirement annuity payments (i.e., gross annuity less deductions for life insurance and health benefits premiums, if those premiums can be recovered by the affected retirement system from the insurance carrier);

(ii) Refunds of retirement contributions (i.e., gross refund before any deductions);

(iii) Severance pay (i.e., gross payments before any deductions); and

(iv) A lump-sum payment for annual leave (i.e., gross payment before any deductions).

(3) Authorized deductions of the type that would have been made from the employee’s pay (if paid when properly due) in accordance with the normal
order of precedence for deductions from pay established by the agency, subject to any applicable law or regulation, including, but not limited to, the following types of deductions, as applicable:

(i) Mandatory employee retirement contributions toward a defined benefit plan, such as the Civil Service Retirement System or the defined benefit component of the Federal Employees Retirement System;

(ii) Social Security taxes and Medicare taxes;

(iii) Health benefits premiums, if coverage continued during a period of erroneous retirement (with paid premiums recoverable by the retirement system) or is retroactively reinstated at the employee’s election under 5 U.S.C. 8908(a);

(iv) Life insurance premiums if—

(A) Coverage continued during a period of erroneous retirement;

(B) Coverage was stopped during an erroneous suspension or separation and the employee suffered death or accidental dismemberment during that period (consistent with 5 U.S.C. 8706(d)); or

(C) Additional premiums are owed because of a retroactive increase in basic pay; and

(v) Federal income tax withholdings.

(Note to paragraph (e)(3): See appendix A to this subpart for additional information on computing certain deductions.)

(4) Administrative offsets under 31 U.S.C. 3716 to recover any other outstanding debt(s) owed to the Federal Government by the employee, as appropriate.

(f) For the purpose of computing the amount of back pay under paragraph (e) of this section, interest shall be included in the amount from which deductions for erroneous payments are made, as required by §550.805(e)(2) of this part.

(g) An agency shall credit annual leave restored to an employee as a result of the correction of an unjustified or unwarranted personnel action in excess of the maximum leave accumulation authorized by law to a separate leave account for use by the employee. The employee shall schedule and use annual leave in such a separate leave account as follows:

(1) A full-time employee shall schedule and use excess annual leave of 416 hours or less by the end of the leave year in progress 2 years after the date on which the annual leave is credited to the separate account. The agency shall extend this period by 1 leave year for each additional 208 hours of excess annual leave or any portion thereof.

(2) A part-time employee shall schedule and use excess annual leave in an amount equal to or less than 20 percent of the employee’s scheduled tour of duty over a period of 52 calendar weeks by the end of the leave year in progress 2 years after the date on which the annual leave is credited to the separate account. The agency shall extend this period by 1 leave year for each additional number of hours of excess annual leave, or any portion thereof, equal to 10 percent of the employee’s scheduled tour of duty over a period of 52 calendar weeks.

(h) Agencies must correct errors that affect an employee’s Thrift Savings Plan account consistent with regulations prescribed by the Federal Retirement Thrift Investment Board. (See parts 1605 and 1606 of this title.)

§550.806 Interest computations.

(a) (1) Interest begins to accrue on the date or dates (usually one or more pay dates) on which the employee would have received the pay, allowances, and differentials if the unjustified or unwarranted personnel action had not occurred.

(2) Interest accrual ends at a time selected by the agency that is no more than 30 days before the date of the back pay interest payment. No interest is payable if a complete back pay payment is made within 30 days after any erroneous withdrawal, reduction, or denial of a payment, and the interest accrual ending date is set to coincide with the interest accrual starting date.

(b) In computing the amount of interest due under section 5506 of title 5, United States Code, the agency shall reduce the amount of pay, allowances,
§ 550.807 Payment of reasonable attorney fees.

(a) An employee or an employee’s personal representative may request payment of reasonable attorney fees related to an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due the employee. Such a request may be presented only to the appropriate authority that corrected or directed the correction of the unjustified or unwarranted personnel action. However, if the finding that provides the basis for a request for payment of reasonable attorney fees is made on appeal from a decision by an appropriate authority other than the employing agency, the employee or the employee’s personal representative shall present the request to the appropriate authority from which the appeal was taken.

(b) The appropriate authority to which such a request is presented shall provide an opportunity for the employing agency to respond to a request for payment of reasonable attorney fees.

(c) Except as provided in paragraph (e) of this section, when an appropriate authority corrects or directs the correction of an unjustified or unwarranted personnel action that resulted in the withdrawal, reduction, or denial of all or part of the pay, allowances, and differentials otherwise due an employee, the payment of reasonable attorney fees shall be deemed to be warranted only if—

(1) Such payment is in the interest of justice, as determined by the appropriate authority in accordance with standards established by the Merit Systems Protection Board under section 7701(g) of title 5, United States Code; and

(2) There is a specific finding by the appropriate authority setting forth the reasons such payment is in the interest of justice.

(d) When an appropriate authority determines that such payment is warranted, it shall require payment of attorney fees in an amount determined to be reasonable by the appropriate authority. When an appropriate authority determines that such payment is not

§ 550.807 and differentials due for each date described in paragraph (a) of this section by an amount determined as follows:

(1) Divide the employee’s earnings from other employment during the period covered by the corrective action, as described in §550.805(e)(1) of this part, by the total amount of back pay prior to any deductions;

(2) Multiply the ratio obtained in paragraph (b)(1) of this section by the amount of pay, allowances, and differentials due for each date described in paragraph (a) of this section.

(c) The agency shall compute interest on the amount of back pay computed under section 5596 of title 5, United States Code, and this subpart before making deductions for erroneous payments, as required by §550.805(e)(2) of this part.

(d) The rate or rates used to compute the interest payment shall be the annual percentage rate or rates established by the Secretary of the Treasury as the overpayment rate under section 6621(a)(1) of title 26, United States Code (or its predecessor statute), for the period or periods of time for which interest is payable.

(e) On each day for which interest accrues, the agency shall compound interest by dividing the applicable interest rate (expressed as a decimal) by 365 (366 in a leap year).

(f) The agency shall compute the amount of interest due, and shall issue the interest payment within 30 days of the date on which accrual of interest ends.

(g) To the extent administratively feasible, the agency shall issue payments of back pay and interest simultaneously. If all or part of the payment of back pay is issued on or before the date on which accrual of interest ends and the interest payment is issued after the payment of back pay is issued, the amount of the payment of back pay shall be such as to subtract from the accrued amount of back pay and interest, effective with the date the payment of back pay was issued. Interest shall continue to accrue on the remaining unpaid amount of back pay (if any) and interest until the date on which accrual of interest ends.

§ 550.808 Prohibition against setting aside proper promotions.

Nothing in section 5596 of title 5, United States Code, or this subpart shall be construed as authorizing the setting aside of an otherwise proper promotion by a selecting official from a group of properly ranked and certified candidates.

APPENDIX A TO SUBPART H OF PART 550—INFORMATION ON COMPUTING CERTAIN COMMON DEDUCTIONS FROM BACK PAY AWARDS

To determine the net back payment owed an employee, an agency must make certain required deductions. (See §550.805(e)(3).) To compute these deductions, an agency must determine the appropriate base or follow other rules, consistent with applicable law. Some deductions, such as tax deductions, are not subject to OPM regulation. To assist agencies, this appendix summarizes the rules for certain common deductions. For further information on Federal tax deductions from back pay awards, please contact the Internal Revenue Service directly or review relevant IRS publications.

§ 550.901 Purpose.
This subpart prescribes the regulations required by sections 5545(d) and 5548(b) of title 5, United States Code, for the payment of differentials for duty involving unusual physical hardship or hazard to employees.
[56 FR 20344, May 3, 1991]

§ 550.902 Definitions.
In this subpart: Agency has the meaning given that term in 5 U.S.C. 5102(a)(1).
Duty involving physical hardship means duty that may not in itself be hazardous, but causes extreme physical discomfort or distress and is not adequately alleviated by protective or mechanical devices, such as duty involving exposure to extreme temperatures for a long period of time, arduous physical exertion, or exposure to fumes, dust, or noise that causes nausea, skin, eye, ear, or nose irritation.
Employee means an employee covered by the General Schedule (i.e., covered by chapter 51 and subchapter III of chapter 53 of title 5, United States Code).
Hazardous duty means duty performed under circumstances in which an accident could result in serious injury or death, such as duty performed on a high structure where protective facilities are not used or on an open structure where adverse conditions such as darkness, lightning, steady rain, or high wind velocity exist.

§ 550.903 Establishment of hazard pay differentials.
(a) A schedule of hazard pay differentials, the hazardous duties or duties involving physical hardship for which they are payable, and the period during which they are payable is set out as appendix A to this subpart and incorporated in and made a part of this section.
(b) Amendments to appendix A of this subpart may be made by OPM on its own motion or at the request of the head of an agency (or authorized designee). The head of an agency (or authorized designee) may recommend the rate of hazard pay differential to be established and must submit, with its request for an amendment, information about the hazardous duty or duty involving physical hardship showing—
1. The nature of the duty;
(2) The degree to which the employee is exposed to hazard or physical hardship;
(3) The length of time during which the duty will continue to exist;
(4) The degree to which control may be exercised over the physical hardship or hazard; and
(5) The estimated annual cost to the agency if the request is approved.

§ 550.904 Authorization of hazard pay differential.

(a) An agency shall pay the hazard pay differential listed in appendix A of this subpart to an employee who is assigned to and performs any duty specified in appendix A of this subpart. However, hazard pay differential may not be paid to an employee when the hazardous duty or physical hardship has been taken into account in the classification of his or her position, without regard to whether the hazardous duty or physical hardship is grade controlling, unless payment of a differential has been approved under paragraph (b) of this section.
(b) The head of an agency may approve payment of a hazard pay differential when—
(1) The actual circumstances of the specific hazard or physical hardship have changed from that taken into account and described in the position description; and
(2) Using the knowledge, skills, and abilities that are described in the position description, the employee cannot control the hazard or physical hardship; thus, the risk is not reduced to a less than significant level.
(c) For the purpose of this section, the phrase “has been taken into account in the classification of his or her position” means that the duty constitutes an element considered in establishing the grade of the position—i.e., the knowledge, skills, and abilities required to perform that duty are considered in the classification of the position.
(d) The head of the agency shall maintain records on the use of the authority described in paragraph (b) of this section, including the specific hazardous duty or duty involving physical hardship; the authorized position description(s); the number of employees paid the differential; documentation of the conditions described in paragraph (b) of this section; and the annual cost to the agency.

§ 550.905 Payment of hazard pay differential.

(a) When an employee performs duty for which a hazard pay differential is authorized, the agency must pay the hazard pay differential for the hours in a pay status on the day (a calendar day or a 24-hour period, when designated by the agency) on which the duty is performed, except as provided in paragraph (b) of this section. Hours in a pay status for work performed during a continuous period extending over 2 days must be considered to have been performed on the day on which the work began, and the allowable differential must be charged to that day.
(b) Employees may not be paid a hazardous duty differential for hours for which they receive annual premium pay for regularly scheduled standby duty under § 550.141, annual premium pay for administratively uncontrollable overtime work under § 550.151, or availability pay for criminal investigators under § 550.181.

§ 550.906 Termination of hazard pay differential.

An agency shall discontinue payment of hazard pay differential to an employee when—
(a) One or more of the conditions requisite for such payment ceases to exist;
(b) Safety precautions have reduced the element of hazard to a less than significant level of risk, consistent with generally accepted standards that may be applicable, such as those published by the Occupational Safety and Health Administration, Department of Labor; or
§ 550.907 Protective or mechanical devices have adequately alleviated physical discomfort or distress.

§ 550.907 Relationship to additional pay payable under other statutes.

Hazard pay differential is in addition to any additional pay or allowances payable under other statutes. It shall not be considered part of the employee’s rate of basic pay in computing additional pay or allowances payable under other statutes.

Subpart J—Adjustment of Work Schedules for Religious Observances

§ 550.1001 Coverage.

This subpart applies to each employee in or under an executive agency as defined by section 105 of title 5, United States Code.

§ 550.1002 Compensatory time off for religious observances.

(a) These regulations are issued pursuant to title IV of Public Law 95–390, enacted September 29, 1978. Under the law and these regulations, an employee whose personal religious beliefs require the abstinence from work during certain periods of time may elect to engage in overtime work for time lost for meeting those religious requirements.

(b) To the extent that such modifications in work schedules do not interfere with the efficient accomplishment of an agency’s mission, the agency shall in each instance afford the employee the opportunity to work compensatory overtime and shall in each instance grant compensatory time off to an employee requesting such time off for religious observances when the employee’s personal religious beliefs require that the employee abstain from work during certain periods of the workday or workweek.

(c) For the purpose stated in paragraph (b) of this section, the employee may work such compensatory overtime before or after the grant of compensatory time off. A grant of advanced compensatory time off should be repaid.
by the appropriate amount of compensatory overtime work within a reasonable amount of time. Compensatory overtime shall be credited to an employee on an hour for hour basis or authorized fractions thereof. Appropriate records will be kept of compensatory overtime earned and used.

(d) The premium pay provisions for overtime work in subpart A of part 550 of title 5, Code of Federal Regulations, and section 7 of the Fair Labor Standards Act of 1938, as amended, do not apply to compensatory overtime work performed by an employee for this purpose.

Subpart K—Collection by Offset From Indebted Government Employees

AUTHORITY: 5 U.S.C. 5514; sec. 8(1) of E.O. 11609; redesignated in sec. 2–1 of E.O. 12107.

SOURCE: 49 FR 27472, July 3, 1984, unless otherwise noted.

§ 550.1101 Purpose.

This subpart provides the standards to be used by Federal agencies to prepare regulations implementing 5 U.S.C. 5514 and by OPM to review and approve such agency regulations, and establishes procedural guidelines to recover debts from the current pay account of an employee when the employee’s creditor and paying agencies are not the same.

§ 550.1102 Scope.

(a) Coverage. This subpart applies to agencies and employees defined by §550.1103.

(b) Applicability. This subpart and 5 U.S.C. 5514 apply in recovering certain debts by administrative offset, except where the employee consents to the recovery, from the current pay account of the employee. Because salary offset is a type of administrative offset, debt collection procedures for salary offset which are not specified in 5 U.S.C. 5514 and these regulations should be consistent with the provisions of the Federal Claims Collections Standards (FCCS) (dealing with centralized administrative offset under 31 U.S.C. 3716). Section 550.1108 addresses the use of centralized administrative offset procedures to effect salary offset. Generally, the procedures under §550.1109 should apply only when centralized administrative offset cannot be accomplished.

(1) Excluded debts. The procedures contained in this subpart do not apply to debts arising under the Internal Revenue Code (26 U.S.C. 1 et seq.) or the tariff laws of the United States or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute (e.g., travel advances in 5 U.S.C. 5705 and employee training expenses in 5 U.S.C. 4108).

(2) Waiver requests. This subpart does not preclude an employee from requesting waiver of an erroneous payment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716, or in any way questioning the amount or validity of a debt, in the manner prescribed by the head of the responsible agency. Similarly, this subpart does not preclude an employee from requesting waiver of the collection of a debt under any other applicable statutory authority.

§ 550.1103 Definitions.

For purposes of this subpart—

Agency means an executive department or agency: a military department; the United States Postal Service; the Postal Rate Commission; the United States Senate; the United States House of Representatives; any court, court administrative office, or instrumentality in the judicial or legislative branches of the Government; or a Government corporation.

Creditor Agency means the agency to which the debt is owed, including a debt collection center when acting in behalf of a creditor agency in matters pertaining to the collection of a debt (as provided in §550.1110).

Debt means an amount owed to the United States from sources which include loans insured or guaranteed by the United States and all other amounts due the United States from fees, leases, rents, royalties, services,
sales of real or personal property, over-

by the Secretary of the Treasury with
authority to collect debts on behalf of
creditor agencies in accordance with 31
U.S.C. 3711(g).

Disposable pay means that part of
current basic pay, special pay, incen-
tive pay, retired pay, retainer pay, or
in the case of an employee not entitled
to basic pay, other authorized pay re-
mainin after the deduction of any
amount required by law to be withheld
(other than deductions to execute gar-
nishment orders in accordance with
parts 581 and 582 of this chapter).
Among the legally required deductions
that must be applied first to determine
disposable pay are levies pursuant to
the Internal Revenue Code (title 26,
United States Code) and deductions de-
scribed in §581.105(b) through (f) of this
chapter.

Employee means a current employee
of an agency, including a current mem-
ber of the Armed Forces or a Reserve of
the Armed Forces (Reserves).

FCCS means the Federal Claims Col-
lection Standards published in 4 CFR
parts 101 through 105.

Paying agency means the agency em-
ploying the individual and authorizing
the payment of his or her current pay.

Salary offset means an administrative
offset to collect a debt under 5 U.S.C.
5514 by deduction(s) at one or more of-
ficially established pay intervals from
the current pay account of an em-
ployee without his or her consent.

Waiver means the cancellation, re-
mission, forgiveness, or non-recovery
of a debt allegedly owed by an em-
ployee to an agency as permitted or re-
quired by 5 U.S.C. 5594, 10 U.S.C. 2774,
or 32 U.S.C. 716, 5 U.S.C. 8346(b), or any
other law.

§ 550.1104 Agency regulations.
Under this subpart and 5 U.S.C. 5514,
each creditor agency must issue regu-
lations, subject to approval by the Of-
face of Personnel Management (OPM),
governing the collection of a debt by
salary offset. Each agency is respon-
sible for assuring that the regulations
governing collection of internal debts
are uniformly and consistently applied
to all its employees. Agency regula-
tions issued under authority of 5 U.S.C.
5514 must contain the following min-
um provisions:
(a) Applicability or scope. Indicate
whether regulations cover internal or
Government-wide collections under 5
U.S.C. 5514, or both.

(b) Entitlement to notice, hearing, writ-
ten responses and decisions. Identify
when the employee is entitled to no-
tice, when hearings will be offered,
when the employee is entitled to a re-
response or decision after exercising his
or her rights under §5514 and this sub-
part, and if the hearing official’s deci-
sion is not in the employee’s favor or
the employee chooses not to request a
hearing, what other rights and rem-
edies are available under the statutes
or regulations governing the program
that requires the collection to be made.
Except as provided in paragraph (c) of
this section, each employee from whom
the creditor agency proposes to collect
a debt under this subpart is entitled to
receive from the creditor agency—
(1) A written notice as described in
paragraph (d) of this section;
(2) The opportunity to petition for a
hearing and, if a hearing is given, to re-
ceive a written decision from the offi-
cial holding the hearing on the fol-
lowing issues:
(i) The determination of the creditor
agency concerning the existence or
amount of the debt; and
(ii) The repayment schedule, if it was
not established by written agreement
between the employee and the creditor
agency.

(c) Exception to entitlement to notice,
hearing, written responses, and final deci-
sions. In regulations covering internal
collections, an agency must except

not established by written agreement

agency.

(c) Exception to entitlement to notice,
hearing, written responses, and final deci-
sions. In regulations covering internal
collections, an agency must except
from the provisions of paragraph (b) of
this section—
(1) Any adjustment to pay arising out
of an employee’s election of coverage
or a change in coverage under a Fed-
eral benefits program requiring peri-
odic deductions from pay, if the
amount to be recovered was accumulated over 4 pay periods or less;

(2) A routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the 4 pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amounting to $50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

(d) Notification before deductions begin. Provide for notification before deductions begin. Except as provided in paragraph (c) of this section, deductions under the authority of 5 U.S.C. 5514 must not be made unless the head of the creditor agency (or authorized designee) provides the employee at least 30 days before any deduction, written notice stating at a minimum:

(1) The creditor agency’s determination that a debt is owed, including the origin, nature, and amount of that debt;

(2) The creditor agency’s intention to collect the debt by means of deduction from the employee’s current disposable pay account;

(3) The frequency and amount of the intended deduction (stated as a fixed dollar amount or as a percentage of pay, not to exceed 15 percent of disposable pay) and the intention to continue the deductions until the debt is paid in full or otherwise resolved;

(4) An explanation of the creditor agency’s policy concerning interest, penalties, and administrative costs, including a statement that such assessments must be made unless excused in accordance with the FCCS as defined in §550.1103;

(5) The employee’s right to inspect and copy Government records relating to the debt or, if employee or his or her representative cannot personally inspect the records, to request and receive a copy of such records;

(6) If not previously provided, the opportunity (under terms agreeable to the creditor agency) to establish a schedule for the voluntary repayment of the debt or to enter into a written agreement to establish a schedule for repayment of the debt in lieu of offset. The agreement must be in writing, signed by both the employee and the creditor agency; and documented in the creditor agency’s files (see the FCCS);

(7) The employee’s right to a hearing conducted by an official arranged by the creditor agency (an administrative law judge, or alternatively, a hearing official not under the control of the head of the agency) if a petition is filed as prescribed by the creditor agency;

(8) The method and time period for petitioning for a hearing;

(9) That the timely filing of a petition for hearing will stay the commencement of collection proceedings;

(10) That a final decision on the hearing (if one is requested) will be issued at the earliest practical date, but not later than 60 days after the filing of the petition requesting the hearing unless the employee requests and the hearing official grants a delay in the proceedings;

(11) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(i) Disciplinary procedures appropriate under chapter 75 of title 5, United States Code, part 752 of title 5, Code of Federal Regulations, or any other applicable statutes or regulations;

(ii) Penalties under the False Claims Act, §§3729–3731 of title 31, United States Code, or any other applicable statutory authority; or

(iii) Criminal penalties under §§286, 287, 1001, and 1002 of title 18, United States Code or any other applicable statutory authority.

(12) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made; and

(13) Unless there are applicable contractual or statutory provisions to the contrary, that amounts paid on or deducted for the debt which are later
waived or found not owed to the United States will be promptly refunded to the employee.

(e) Petitions for hearing. (1) Prescribe the method and time period for petitioning for a hearing. Ordinarily, a hearing may be requested by filing a written petition addressed to the appropriate creditor agency official stating why the employee believes the determination of the creditor agency concerning the existence or amount of the debt is in error.

(2) The employee’s petition or statement must be signed by the employee and fully identify and explain with reasonable specificity all the facts, evidence and witnesses, if any, which the employee believes support his or her position.

(f) Petitions for hearing made after time expires. Prescribe the action to be taken on a petition for hearing made after the expiration of the period provided in the notice described in paragraph (d) of this section. Ordinarily a creditor agency should accept requests if the employee can show that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the time limit (unless otherwise aware of it).

(g) Form of hearings, written responses, and final decisions. (1) Define the form and content of hearings, written responses, and written decisions to be provided when the employee exercises his or her rights under §5514 and this subpart.

(2) The form and content of hearings granted under this subpart will depend on the nature of the transactions giving rise to the debts included within each debt collection program. Agencies should refer to the FCCS for information on hearing form and content.

(3) Written decisions provided after a request for hearing must, at a minimum, state the facts purported to evidence the nature and origin of the alleged debt; the hearing official’s analysis, findings and conclusions, in light of the hearing, as to the employee’s and/or creditor agency’s grounds, the amount and validity of the alleged debt and, where applicable, the repayment schedule.

(h) Method and source of deductions. Identify the method and source of deductions. At a minimum, agency regulations must identify the method of collection as salary offset and the source of deductions as current disposable pay, except as provided in paragraphs (l) and (m) of this section.

(i) Limitation on amount of deductions. Prescribe the limitations on the amount of the deduction. Ordinarily, the size of installment deductions must bear a reasonable relationship to the size of the debt and the employee’s ability to pay (see the FCCS). However, the amount deducted for any period must not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has agreed in writing to the deduction of a greater amount.

(j) Duration of deductions. Prescribe the duration of deductions. Ordinarily, debts must be collected in one lump-sum where possible. However, if the employee is financially unable to pay in one lump-sum or the amount of the debt exceeds 15 percent of disposable pay for an officially established pay interval, collection must be made in installments. Such installment deductions must be made over a period not greater than the anticipated period of active duty or employment, as the case may be, except as provided in paragraphs (l) and (m) of this section.

(k) When deductions may begin. Prescribe when deductions will be scheduled to begin in internal agency collections.

(l) Liquidation from final check. Provide for offset under 31 U.S.C. 3716, if the employee retires or resigns or if his or her employment or period of active duty ends before collection of the debt is completed, from subsequent payments of any nature (e.g., final salary payment, lump-sum leave, etc.) due the employee from the paying agency as of the date of separation to the extent necessary to liquidate the debt.

(m) Recovery from other payments due a separated employee. Provide for offset under 31 U.S.C. 3716 from later payments of any kind due the former employee from the United States, where appropriate, if the debt cannot be liquidated by offset from any final payment due the former employee as of the date of separation. (See the FCCS.)
§ 550.1107

(a) Initial OPM review of agency regulations. (1) Creditor agencies must submit regulations to the Office of Personnel Management (OPM) for review in accordance with 5 U.S.C. 5514 and this subpart prior to publication of final regulations or prior to implementation, if intragency collection procedures are not published. Submissions must be for agency-wide and/or Government-wide collections.

(2) Creditor agency regulations must contain all provisions specified in § 550.1104. If agency regulations are incomplete, OPM will return them with information as to what must be done to obtain approval.

(b) Proposed changes in salary offset regulations. If a creditor agency proposes significant changes in the regulations covering provisions specified in § 550.1104, the proposed revisions must be submitted to OPM for review and approval prior to implementation.

(c) Supplemental regulations. When a creditor agency has issued approved regulations covering the provisions specified in § 550.1104, the agency may issue any supplemental regulations or instructions, consistent with its approved regulations, which are necessary for solely internal operations, without prior OPM approval.

§ 550.1106 Time limit on collection of debts.

Under the FCCS as defined in § 550.1103, agencies may not initiate offset to collect a debt more than 10 years after the Government’s right to collect the debt first accrued, with certain exceptions explained in that paragraph.

[51 FR 21325, June 12, 1986, as amended at 63 FR 72100, Dec. 31, 1998]

§ 550.1107 Obtaining the services of a hearing official.

(a) When the debtor does not work for the creditor agency and the creditor agency cannot provide a prompt and appropriate hearing before an administrative law judge or before a hearing official furnished pursuant to another lawful arrangement, the creditor agency may contact an agent of the paying agency designated in appendix A of part 581 of this chapter to arrange for a hearing official. Agencies must then cooperate as provided by the FCCS and provide a hearing official.

(b) When the debtor works for the creditor agency, the creditor agency may contact any agent (of another agency) designated in appendix A of part 581 of this chapter to arrange for a hearing official. Agencies must then cooperate as required by the FCCS and provide a hearing official.

(c) The determination of a hearing official designated under this section is considered to be an official certification regarding the existence and amount of the debt for purposes of executing salary offset under 5 U.S.C. 5514. A creditor agency may make a certification to the Secretary of the Treasury under § 550.1108 or a paying agency under § 550.1109 regarding the existence and amount of the debt based on the
§ 550.1108 Certification of a hearing official. If a hearing official determines that a debt may not be collected via salary offset, but the creditor agency finds that the debt is still valid, the creditor agency may still seek collection of the debt through other means, such as offset of other Federal payments, litigation, etc.

§ 550.1108 Requesting recovery through centralized administrative offset.

Under 31 U.S.C. 3716, creditor agencies must notify the Secretary of the Treasury of all debts that are delinquent as defined in the FCCS (over 180 days) so that recovery may be made by centralized administrative offset. This includes those debts the agency seeks to recover from the pay account of an employee of another agency via salary offset. The Secretary of the Treasury and other Federal disbursing officials will match payments, including Federal salary payments, against these debts. Where a match occurs, and all the requirements for offset have been met, the payments will be offset to collect the debt. Prior to offset of the pay account of an employee, an agency must comply with the requirements of 5 U.S.C. 5514, this subpart, and agency regulations issued thereunder. Specific procedures for notifying the Secretary of the Treasury of a debt for purposes of collection by centralized administrative offset are contained in 31 CFR part 285 and the FCCS. At its discretion, a creditor agency may notify the Secretary of the Treasury of debts that have been delinquent for 180 days or less, including debts the agency seeks to recover from the pay account of an employee via salary offset.

[83 FR 72101, Dec. 31, 1998]

§ 550.1109 Requesting recovery when the current paying agency is not the creditor agency.

When possible, salary offset through the centralized administrative offset procedures in §550.1108 should be attempted before applying the procedures in this section.

(a) **Responsibilities of creditor agency.** Upon completion of the procedures established by the creditor agency under 5 U.S.C. 5514, the creditor agency must do the following:

(1) The creditor agency must certify, in writing, that the employee owes the debt, the amount and basis of the debt, the date on which payment(s) is due, the date the Government’s right to collect the debt first accrued, and that the creditor agency’s regulations implementing 5 U.S.C. 5514 have been approved by OPM.

(2) If the collection must be made in installments, the creditor agency also must advise the paying agency of the amount or percentage of disposable pay to be collected in each installment, and if the creditor agency wishes, the number and the commencing date of the installments (if a date other than the next officially established pay period is required).

(3) Unless the employee has consented to the salary offset in writing or signed a statement acknowledging receipt of the required procedures and the written consent or statement is forwarded to the paying agency, the creditor agency also must advise the paying agency of the action(s) taken under 5 U.S.C. 5514 and give the date(s) the action(s) was taken.

(4) Except as otherwise provided in this paragraph, the creditor agency must submit a debt claim containing the information specified in paragraphs (a) (1) through (3) of this section and an installment agreement (or other instruction on the payment schedule), if applicable, to the employee’s paying agency.

(5) If the employee is in the process of separating, the creditor agency must submit its debt claim to the employee’s paying agency for collection as provided in §550.1104(1). The paying agency must certify the total amount of its collection and notify the creditor agency and the employee as provided in paragraph (c)(1) of this section. If the paying agency is aware that the employee is entitled to payments from the Civil Service Retirement and Disability Fund, or other similar payments, it must provide written notification to the agency responsible for making such payments that the debtor owes a debt (including the amount) and that the provisions of this section have
§ 550.1101 Debt collection centers.

A debt collection center may act in behalf of a creditor agency to collect claims via salary offset consistent with this section, subject to any limitations on its authority established by the creditor agency it represents or by the U.S. Department of the Treasury.

(a) A debt collection center may be authorized to enter into a written agreement with the indebted employee regarding the repayment schedule or, in the absence of such agreement, to establish the terms of the repayment schedule.

(b) A debt collection center may make certifications to the Secretary of the Treasury under § 550.1108 or to a paying agency under § 550.1109 based on the certifications it has received from the creditor agency or a hearing official.

(c) A debt collection center responsible for collecting a particular debt may not act in behalf of a creditor agency for the purpose of making determinations regarding the existence or amount of that debt.

(d) A debt collection center responsible for collecting a particular debt may arrange for a hearing on the existence or amount of the debt or the repayment schedule by an administrative law judge or, alternatively, another hearing official not under the supervision or control of the head of the creditor agency or the debt collection center.
§ 550.1201 Purpose, applicability, and administration.

(a) Purpose. This subpart provides regulations to implement sections 5551, 5552, and 6306 of title 5, United States Code, and must be read together with those sections. Sections 5551 and 5552 provide for the payment of a lump-sum payment for accumulated and accrued annual leave when an employee:

(1) Separates from Federal service; or
(2) Enters on active duty in the armed forces and elects to receive a lump-sum payment for accumulated and accrued annual leave when an employee:

(b) Applicability. This subpart applies to—

(1) Any employee who separates, dies, or transfers under the conditions prescribed in §550.1203; and
(2) Any employee or individual employed by a territory or possession of the United States who enters on active duty in the armed forces and who elects to receive a lump-sum payment for accumulated and accrued annual leave.

(c) Administration. The head of an agency having employees subject to this subpart is responsible for the proper administration of this subpart.

§ 550.1202 Definitions.

In this subpart—Accumulated and accrued annual leave means any annual leave accumulated and accrued, as these terms are defined in §630.201 of this chapter, plus any annual leave credited to an employee under 5 U.S.C. 6304(c) and §630.301(d) of this chapter and any annual leave restored under 5 U.S.C. 6304(d). Accumulated and accrued annual leave does not include annual leave received by a leave recipient under the voluntary leave transfer or leave bank programs established under subchapters III and IV of chapter 63 of title 5, United States Code, or annual leave advanced to an employee under 5 U.S.C. 6302(d).

Administrative workweek has the meaning given that term in §610.102 of this chapter.

Agency means—(1) An executive agency and a military department as defined in sections 105 and 102 of title 5, United States Code, respectively; and

(2) A legislative or judicial agency or a unit of the legislative or judicial branch of the Federal Government that has positions in the competitive service.

Employee has the meaning given that term in 5 U.S.C. 2105.

Lump-sum payment means a final payment to an employee for accumulated and accrued annual leave.

Mixed tour of duty means a condition of employment for positions in which a fluctuating workload requires an employee to work full-time or part-time for a limited portion of the year and on an intermittent basis for the remainder of the year.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee before any deductions and exclusive of additional pay of any kind.

Transfer means the movement of an employee to another position without a break in service of 1 workday or more.

§ 550.1203 Eligibility.

(a) An agency must make a lump-sum payment for accumulated and accrued annual leave when an employee—

(1) Separates or retires from the Federal service;
(2) Dies; or
(3) Transfers to a position that is not covered by subchapter I of chapter 63 of title 5, United States Code, and his or her accumulated and accrued annual leave cannot be transferred, except as provided in paragraphs (c), (d), and (e) of this section.

(b) The Department of Defense (DOD) must make a lump-sum payment to an employee who has unused annual leave that was restored under 5 U.S.C.
§ 550.1203

6304(d)(3) when he or she transfers from a DOD installation undergoing closure or realignment to a position in any other department or agency of the Federal Government or moves to a position within DOD not located at an installation undergoing closure or realignment.

(c) An employee who enters on active duty in the armed forces may elect to receive a lump-sum payment for accumulated and accrued annual leave or may request to have the annual leave remain to his or her credit until return from active duty. However, an agency must make a lump-sum payment for any annual leave previously restored under 5 U.S.C. 6304(d) when the employee enters active duty. The agency may not recredit the restored leave when the employee returns to Federal service.

(d) An employee who transfers to a position in a public international organization under 5 U.S.C. 3582 may elect to retain accumulated and accrued annual leave to his or her credit at the time of transfer or receive a lump-sum payment for such annual leave under 5 U.S.C. 3582(a)(4). However, the agency must make a lump-sum payment for any annual leave previously restored under 5 U.S.C. 6304(d) when the employee transfers to the public international organization. The agency may not recredit the leave under these circumstances.

(e) An agency must make a lump-sum payment to an employee who transfers to a position excepted from subchapter I of chapter 63 of title 5, United States Code, by 5 U.S.C. 6301(2)(x)–(xiii) for any annual leave restored under 5 U.S.C. 6304(d) when the employee transfers to an excepted position. However, the agency may not make a lump-sum payment for any annual leave in the employee’s regular leave account upon transfer to the excepted position. The agency must hold such annual leave in abeyance for recredit if the employee is subsequently reemployed without a break in service in a position to which his or her accumulated and accrued annual leave may be transferred. If the employee later becomes eligible for a lump-sum payment under the conditions specified in this section, the current employing agency must make a lump-sum payment for the annual leave held in abeyance. The agency must compute the lump-sum payment under §550.1205(b) based on the pay the employee was receiving immediately before the date of the transfer to the position excepted by 5 U.S.C. 6301(2)(x)–(xiii). An employee who elects to retain his or her leave benefits upon accepting a Presidential appointment, as permitted by 5 U.S.C. 3392(c), is not entitled to receive a lump-sum payment.

(f) In the case of an employee who transfers to a position that is not covered by subchapter I of chapter 63 of title 5, United States Code, and to which only a portion of his or her accumulated and accrued annual leave may be transferred, the agency must make a lump-sum payment for any remaining annual leave that cannot be transferred. The agency must compute the lump-sum payment under §550.1205(b) based on the pay the employee was receiving immediately before the date of the transfer to the position not covered by subchapter I of chapter 63 of title 5, United States Code. This does not apply to an employee transferring to an excepted position covered by paragraph (e) of this section.

(g) An agency must make a lump-sum payment for accumulated and accrued annual leave to an employee in a missing status (as defined in 5 U.S.C. 5561(5)) on or after January 1, 1965, or the employee may elect to have such leave restored in a separate leave account under 5 U.S.C. 6304(d)(2) upon his or her return to Federal service. The agency must compute the lump sum payment under §550.1205(b) based on the rate of pay in effect at the time the annual leave became subject to forfeiture under 5 U.S.C. 6304(a), (b), or (c).

(h) An agency may not make a lump-sum payment for accumulated or accrued annual leave to—(1) An employee who transfers between positions covered by subchapter I of chapter 63 of title 5, United States Code;

(2) An employee who transfers to a position not covered by subchapter I of chapter 63 of title 5, United States Code, but to which all of his or her accumulated and accrued annual leave may be transferred;
§ 550.1204 Projecting the lump-sum leave period.

(a) A lump-sum payment must equal the pay an employee would have received had he or she remained in the Federal service until the expiration of the accumulated and accrued annual leave to the employee’s credit. The agency must project the lump-sum period leave beginning on the first workday (counting any holiday) occurring after the date the employee becomes eligible for a lump-sum payment under §550.1203 and counting all subsequent workdays and holidays until the expiration of the period of annual leave. The period of leave used for calculating the lump-sum payment must not be extended by any holidays under 5 U.S.C. 6103 (or applicable Executive or administrative order) which occur immediately after the date the employee becomes eligible for a lump-sum payment under §550.1203; annual leave donated to an employee under the leave transfer or leave bank programs under subparts I and J of part 630 of this chapter; compensatory time off earned under 5 U.S.C. 5543 and §550.114(d) or §551.531(d) of this chapter; or credit hours accumulated under an alternative work schedule established under 5 U.S.C. 6126.

(b) For employees whose annual leave was held in abeyance immediately prior to becoming eligible for a lump-sum payment, the agency must project the lump-sum payment beginning on the first workday occurring immediately after the date the employee becomes eligible for a lump-sum payment under §550.1203, consistent with paragraph (a) of this section.

§ 550.1205 Calculating a lump-sum payment.

(a) An agency must compute a lump-sum payment based on the types of pay listed in paragraph (b) of this section, as in effect at the time the affected employee becomes eligible for a lump-sum payment under §550.1203 and any adjustments in pay included in paragraphs (b)(2), (3), and (4) of this section. The agency must calculate a lump-sum payment by multiplying the number of

(3) An employee who transfers to the government of the District of Columbia or the U.S. Postal Service;

(4) A nonappropriated fund employee of the Department of Defense or the Coast Guard who moves without a break in service of more than 3 days to an appropriated fund position within the Department of Defense or the Coast Guard, respectively, under 5 U.S.C. 6308(b); or

(5) An employee who is concurrently employed in more than one part-time position and who separates from one of the part-time positions. Instead, the former employing agency must transfer the employee’s accumulated and accrued annual leave to the current agency (if the part-time positions are in different agencies) or credit the employee’s annual leave account in the current position (if the part-time positions are in the same agency).

(6) An employee who elects to retain his or her leave benefits upon accepting a Presidential appointment, as permitted by 5 U.S.C. 3392(c).

(i) An agency must establish a policy for determining when an employee in a continuing employment program with a mixed tour of duty will receive a lump-sum payment for annual leave. The agency may choose to pay an employee a lump-sum payment when he or she is assigned intermittent duty or hold the employee’s annual leave in abeyance during intermittent duty and recredit it when the employee returns without a break in service to full-time or part-time employment. If the agency decides to hold the employee’s annual leave in abeyance, it must also hold in abeyance the credit for any fractional pay period earned and recredit the annual leave on a pro rata basis, as provided in §630.204 of this chapter, when the employee returns to full-time or part-time employment. In developing its policy, each agency must consider the likelihood that the employee will return to work, as well as the agency’s mission requirements and staffing needs. The agency’s policy must ensure that employees are treated in a fair and equitable manner.
hours of accumulated and accrued annual leave by the applicable hourly rate of pay, including other applicable types of pay listed in paragraph (b) of this section, or by using a mathematically equivalent method, such as multiplying weeks of annual leave by the applicable weekly rate of pay. If the agency calculates a lump-sum payment using weekly rates, the number of weeks of annual leave must be rounded to the fourth decimal place (e.g., 0.4444). The agency must convert an annual rate of pay to an hourly rate of pay by dividing the annual rate of pay by 2,087 (or 2,756 for firefighters, if applicable) and rounding it to the nearest cent, counting one-half cent and over as the next higher cent.

(b) The agency must compute a lump-sum payment using the following types of pay and pay adjustments, as applicable:

(1) The greatest of the following rates of pay:

(i) An employee’s rate of basic pay, including any applicable special salary rate established under 5 U.S.C. 5305 or similar provision of law or a special rate for law enforcement officers under section 403 of the Federal Employees Pay Comparability Act of 1990 (FEPCA), Pub. L. 101–509, 104 Stat. 1465, or a retained rate of pay under subpart B of part 536 of this chapter;

(ii) A locality rate of pay under subpart F of part 531 of this chapter or similar provision or law, where applicable;

(iii) A special law enforcement adjusted rate of pay under subpart C of part 531 of this chapter, where applicable, including a rate continued under §531.307 of this chapter; or

(iv) A continued rate of pay under subpart G of part 531 of this chapter.

(2) Any statutory adjustments in pay or any general system-wide increases in pay, such as adjustments under sections 5303, 5304, 5305, 5318, 5362, 5363, 5372, 5372a, 5376, 5382, or 5392 of title 5, United States Code, that become effective during the lump-sum leave period. The agency must adjust the lump-sum payment to reflect the increased rate on and after the effective date of the pay adjustment.

(3) In the case of a prevailing rate employee, the agency must include in the lump-sum payment the scheduled rate of pay under 5 U.S.C. 5343, 5348, or 5349 and any applicable adjustments in rates that are determined under 5 U.S.C. 5343, 5348, or 5349 that become effective during the lump-sum leave period. The agency must adjust the lump-sum payment to reflect the increased prevailing rate on and after the effective date of the rate adjustment.

(4) A within-grade increase under 5 U.S.C. 5335 or 5343(e)(2) if the employee has met the requirements of §531.404 or §532.417 of this chapter prior to the date the employee becomes eligible for a lump-sum payment under §550.1203.

(5) The following types of premium pay (to the extent such premium pay was actually payable to the employee):

(i) Night differential under 5 U.S.C. 5343(f) for nonovertime hours at the percentage rate received by a prevailing rate employee for the last full workweek immediately prior to separation, death, or transfer;

(ii) Premium pay under 5 U.S.C. 5545(c) or 5545a if the employee was receiving premium pay for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. The agency must base the lump-sum payment on the percentage rate received by the employee for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. In cases where the amount of premium pay actually payable in the final pay period was limited by a statutory cap, the agency must base the lump-sum payment on a reduced percentage rate that reflects the actual amount of premium pay the employee received in that pay period; and

(iii) Overtime pay under 5 U.S.C. 5545b and §550.1304 of this chapter for overtime hours in an employee’s uncommon tour of duty (as defined in §630.201 of this chapter), established in accordance with §630.210 of this chapter. The uncommon tour of duty must be applicable to the employee for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. The agency must calculate overtime pay using the same methodology it
used to calculate the employee’s entitlement to overtime pay as provided in §550.1304 of this chapter in the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. An agency may not change an employee’s work schedule for the sole purpose of avoiding or providing payment of premium pay under §550.1205(b)(5)(i)–(iv) in a lump-sum payment.

(6) Overtime pay under the Fair Labor Standards Act of 1938, as amended (FLSA), for overtime work that is regularly scheduled during an employee’s established uncommon tour of duty, as defined in §630.201(b)(1) of this chapter and established under §630.210(a) of this chapter, for which the employee receives standby duty pay under 5 U.S.C. 5545(c)(1). The agency must include FLSA overtime pay in a lump-sum payment if an uncommon tour of duty was applicable to the employee for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. An agency may not change an employee’s work schedule for the sole purpose of avoiding or providing payment of FLSA overtime pay in a lump-sum payment.

(7) A supervisory differential under 5 U.S.C. 5755 based on the percentage rate (or dollar amount) received by the employee for the pay period immediately prior to the date the employee became eligible for a lump-sum payment under §550.1203. An agency may not change an employee’s work schedule for the sole purpose of avoiding or providing payment of FLSA overtime pay in a lump-sum payment.

(8) A cost-of-living allowance and/or post differential in a nonforeign area under 5 U.S.C. 5941 if the employee’s official duty station is in the nonforeign area when he or she becomes eligible for a lump-sum payment under §550.1203.

(9) A post allowance in a foreign area under 5 U.S.C. 5924(1) and the Standardized Regulations (Government Civilians, Foreign Areas) if the employee’s official duty station is in the foreign area when he or she becomes eligible for a lump-sum payment under §550.1203.

(c) The head of an agency must prescribe regulations or standards for the inclusion of any other kinds of pay authorized in statutes other than title 5, United States Code, in a lump-sum payment. Such regulations or standards must be consistent with 5 U.S.C. 5551, 5552, 6306, and other applicable provisions of law.

(d) A lump-sum payment may not include any other pay not specifically listed in paragraph (b) of this section, except as provided in paragraph (c) of this section.

(e) An employee may not earn leave for the period covered by a lump-sum payment.

(f) A lump-sum payment is subject to deductions for retirement under the Civil Service Retirement System or the Federal Employees’ Retirement System established by chapters 83 and 84 of title 5, United States Code, respectively; health benefits under the Federal Employees Health Benefits program established by chapter 89 of title 5, United States Code; life insurance under the Federal Employees’ Group Life Insurance program established by chapter 87 of title 5, United States Code; and savings under the Thrift Savings Plan established by subchapter III of chapter 84 of title 5, United States Code.

(g) For a reemployed annuitant who becomes eligible for a lump-sum payment under §550.1203, the agency must compute the lump-sum payment using the annuitant’s pay before any reductions required under §831.802 of this chapter.

(h) A lump-sum payment is subject to garnishment under parts 561 and 562 of this chapter and to administrative offset (for recovery of debts to the Federal Government) under 31 U.S.C. chapter 37.

§550.1206 Refunding a lump-sum payment.

(a) When an employee who received a lump-sum payment for accumulated and accrued annual leave under 5 U.S.C. 5551 is reemployed in the Federal service prior to the end of the period covered by the lump-sum payment, the employee must refund to the
employing agency an amount equal to the pay included in the lump-sum payment under §550.1205(b) that covers the period between the date of reemployment and the expiration of the lump-sum leave period, except as provided in paragraphs (b) and (c) of this section. The agency must compute the refund based on the pay used to compute the lump-sum payment under §550.1205(b). However, annual leave restored under 5 U.S.C. 6304(d) that was included in a lump-sum payment is not subject to refund if an agency reemploys the employee prior to the expiration of the lump-sum leave period. The agency must subtract such restored annual leave from the lump-sum leave period before calculating the refund. An agency may permit an employee to refund the lump-sum payment for annual leave in installments, but may not waive collection. If an agency permits the lump-sum refund to be paid in installments, the employee must refund the lump-sum payment in full within 1 year after the date of reemployment.

(b) An employee who is reemployed in a position listed in 5 U.S.C. 6301(2)(ii), (iii), (vi), or (vii) is not required to refund a lump-sum payment under paragraph (a) of this section.

(c) An employee who is reemployed in a position that has no leave system to which annual leave can be recredited is not required to refund a lump-sum payment under paragraph (a) of this section, except that individuals reemployed as Presidential appointees must refund a lump-sum payment and the annual leave will be held in abeyance, as provided in §550.1207(e).

(d) An individual first hired by the District of Columbia government on or after October 1, 1987, who received a lump-sum payment upon separation from the District of Columbia government and who is employed by the Federal Government prior to the expiration of the lump-sum leave period must refund the lump-sum payment, and the agency must recredit the annual leave under §550.1207.

(e) An employee who retired from the Federal Government and received a lump-sum payment under §550.1203 of this chapter, and who is reemployed under a temporary appointment of less than 90 days prior to the expiration of the lump-sum leave period, is required to refund the lump-sum payment, and the agency must recredit the annual leave under §550.1207. The employee may use the recrated annual leave during the temporary appointment.

§550.1207 Recrediting annual leave.

(a) When an employee pays a full refund to an agency under §550.1206(a), the agency must recredit to the employee an amount of annual leave equal to the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period. The recrated annual leave is available for use by the employee on and after the date the annual leave is recrated. The agency must recredit annual leave as follows:

1. When an employee is reemployed in the Federal service in a position covered by subchapter I of chapter 63 of title 5, United States Code, the employing agency must recredit an amount of annual leave equal to the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period.

2. When an employee is reemployed in the Federal service in a position that is not covered by subchapter I of chapter 63 of title 5, United States Code, but is covered by a different leave system, the employing agency must recredit to the employee an amount of annual leave representing the days or hours of work (including holidays) remaining between the date of reemployment and the expiration of the lump-sum period, as determined under §630.501(b) of this chapter. If the unexpired period of leave covers a larger amount of leave than can be reccredited under the different leave system, the employee must refund only the amount that represents the leave that can be reccredited.

3. When an employee is reemployed prior to the expiration of the lump-sum leave period, the agency may not recredit to the employee the annual leave restored under 5 U.S.C. 6304(d) that was included in a lump-sum payment. The agency must subtract such restored annual leave from the lump-sum leave period before it determines the amount of annual leave to recredit under paragraph (a)(1) of this section.
§ 550.1301 Purpose, applicability, and administration.

(a) Purpose. This subpart provides regulations governing the pay of covered Federal firefighters. It implements sections 5542(f) and 5545b of title 5, United States Code, as added by section 628 of section 101(h) of Pub. L. 105–277, and must be read together with those sections of law.

(b) Applicability. This subpart applies to any firefighter as defined in § 550.1302.

(c) Administration. The head of an agency having employees subject to this subpart is responsible for the proper administration of this subpart.

§ 550.1302 Definitions.

In this subpart:

Annual rate of basic pay (except as otherwise provided in §§ 550.1305 and 550.1308) means the annual rate fixed under the rate schedule applicable to
the position held by the firefighter, including a locality rate schedule established under 5 U.S.C. 5304 or a special rate schedule established under 5 U.S.C. 5305, before any deductions and exclusive of additional pay of any other kind.

Basic 40-hour workweek means—
(1) A standard 40-hour workweek consisting of five 8-hour workdays that is part of the firefighter’s regular tour of duty; or
(2) A designated block of hours within a firefighter’s regular tour of duty that, on a fixed and recurring basis, consists of 40 hours of actual work during each administrative week (or 80 hours of actual work in each biweekly pay period), excluding sleep and standby duty hours, provided the regular tour of duty does not consist primarily of 24-hour shifts.

Firefighter means an employee—
(1) Who is in a position covered by the General Schedule and classified in the GS–081 Fire Protection and Prevention classification series, consistent with standards published by the Office of Personnel Management; and
(2) Whose regular tour of duty, as in effect throughout the year, averages at least 106 hours per biweekly pay period.

Firefighter hourly rate of basic pay means an hourly rate computed by dividing the applicable annual rate of basic pay by 2756 hours, as described in §550.1303.

Irregular hours means hours of work that are outside a firefighter’s regular tour of duty.

Overtime hours means hours of work in excess of 106 hours in a biweekly pay period, or, if the agency establishes a weekly basis for overtime pay computations, hours of work in excess of 33 hours in an administrative workweek.

Overtime pay means pay for overtime hours.

Regular tour of duty means a firefighter’s official work schedule, as established by the employing agency on a regular and recurring basis (or on a temporary basis in cases where a temporary change in schedules results in a reduction in regular work hours or a change in the pay computation method used under §550.1303). The tour of duty may consist of a fixed number of hours each week or a fixed recurring cycle of work schedules in which the number of hours per week varies in a repeating pattern. The regular tour of duty includes only those overtime hours that are part of the fixed recurring work schedule. However, irregular hours are deemed to be included in a firefighter’s regular tour of duty if those hours are substituted for hours in the regular tour of duty for which leave without pay is taken, as provided in §550.1303(d).

§ 550.1303 Hourly rates of basic pay.
(a) For firefighters with a regular tour of duty that does not include a basic 40-hour workweek (e.g., firefighters whose schedules generally consist of 24-hour shifts with a significant amount of designated standby and sleep time), the hourly rate of basic pay is computed by dividing the applicable annual rate of basic pay by 2756 hours. The resulting firefighter hourly rate of basic pay is multiplied by all nonovertime hours to determine the pay for those hours.
(b) For firefighters with a regular tour of duty that includes a basic 40-hour workweek, the hourly rate of basic pay is computed by dividing the applicable annual rate of basic pay by—
(1) 2087 hours, for hours within the basic 40-hour workweek (or 80-hour biweekly pay period); and
(2) 2756 hours, for any additional nonovertime hours.
(c) A firefighter’s daily, weekly, or biweekly rate of basic pay must be computed using the applicable rates, as derived under paragraphs (a) and (b) of this section.
(d) If a firefighter takes leave without pay during his or her regular tour of duty, the agency must substitute any irregular hours worked in the same biweekly pay period for those hours of leave without pay. (If the firefighter’s overtime pay is computed on a weekly basis, the irregular hours must be worked in the same administrative workweek.) For firefighters whose regular tour of duty includes a basic 40-hour workweek, irregular hours must be substituted first for hours of leave without pay in the basic 40-hour workweek. Each substituted hour will be paid at the rate applicable to the hour.
§ 550.1304 Overtime hourly rates of pay.
(a) For a firefighter who is covered by (i.e., nonexempt from) the overtime provisions of the Fair Labor Standards Act (FLSA), the overtime hourly rate of pay equals 1 1/2 times the firefighter hourly rate of basic pay for that firefighter, as established under § 550.1303(a) and (b)(2).
(b) For a firefighter who is exempt from the FLSA, the overtime hourly rate is computed as provided in § 550.113(e).
(c) For any firefighter, overtime pay for any pay period is derived by multiplying the applicable overtime hourly rate by all overtime hours within that period.

§ 550.1305 Treatment as basic pay.
(a) The sum of pay for nonovertime hours that are part of a firefighter’s regular tour of duty (as computed under § 550.1303) and the straight-time portion of overtime pay for hours in a firefighter’s regular tour of duty is treated as basic pay for the following purposes:

(1) Retirement deductions and benefits under chapters 83 and 84 of title 5, United States Code;
(2) Life insurance premiums and benefits under chapter 87 of title 5, United States Code;
(3) Severance pay under section 5595 of title 5, United States Code;
(4) Cost-of-living allowances and post differentials under section 5941 of title 5, United States Code; and
(5) Advances in pay under section 5524a of title 5, United States Code.

(b) The straight-time portion of overtime pay for hours in a firefighter’s regular tour of duty is derived by multiplying the applicable firefighter hourly rate of basic pay computed under § 550.1303(a) and (b)(2) by the number of overtime hours in the firefighter’s regular tour of duty.

(c) Pay for any nonovertime hours outside a firefighter’s regular tour of duty is computed using the firefighter hourly rate of basic pay as provided in § 550.1303(a) and (b)(2), but that pay is not considered basic pay for any purpose.

(d) For firefighters compensated under § 550.1303(b), pay for nonovertime hours within the regular tour of duty, but outside the basic 40-hour workweek, is basic pay only for the purposes listed in paragraph (a) of this section.

(e) Locality pay under 5 U.S.C. 5304 is basic pay for firefighters only to the extent provided in this subpart, § 531.606(b) of this chapter, or other specific provision of law.

§ 550.1306 Relationship to other entitlements.
(a) A firefighter who is subject to section 7(k) of the Fair Labor Standards Act (FLSA) and who is subject to this subpart is deemed to be appropriately compensated under section 7(k) of the FLSA if the requirements of § 550.1304(a) are satisfied.

(b) In computing a lump-sum payment for accumulated annual leave under 5 U.S.C. 5551 and 5552 for firefighters with an uncommon tour of duty established under § 631.210 of this chapter for leave purposes, an agency must use the rates of pay for the position held by the firefighter that apply to hours in that uncommon tour of duty, including regular overtime pay for such hours.

§ 550.1307 Authority to regularize paychecks.
Upon a written request from the head of an agency (or designee), the Office of Personnel Management may approve an agency’s plan to reduce or eliminate variation in the amount of firefighters’ biweekly paychecks caused by work scheduling cycles that result in varying hours in the firefighters’ tours of duty from pay period to pay period. Such a plan must provide that the total pay any firefighter would otherwise receive for regular tours of duty over the firefighter’s entire work...
scheduling cycle must, to the extent practicable, remain the same.

§ 550.1308 Transitional provisions.

(a)(1) Effective on the first day of the first pay period beginning on or after October 1, 1998, a firefighter subject to this subpart who has a regular tour of duty that averages 60 hours or less per week during a year, and that does not include a basic 40-hour workweek, must be granted an increase in basic pay equal to two within-grade increases for the General Schedule grade applicable to the firefighter.

(2) An increase granted under paragraph (a)(1) of this section is not considered an equivalent increase in pay for within-grade increase purposes under 5 U.S.C. 5335 and subpart D of part 531 of this chapter.

(3) If an increase granted under paragraph (a)(1) of this section results in a longer waiting period for the firefighter’s next within-grade increase, the firefighter must be credited with 52 weeks of service for the purpose of that waiting period.

(4) If an increase granted under paragraph (a)(1) of this section results in a rate of basic pay that is above the maximum rate of basic pay for the applicable grade, that resulting pay rate must be treated as a retained rate of basic pay consistent with 5 U.S.C. 5363 and part 536 of this chapter.

(b)(1) Effective on the first day of the first pay period beginning on or after October 1, 1998, an employing agency must temporarily establish a protected annual rate of basic pay that exceeds a firefighter’s actual annual rate of basic pay (including any adjustment under paragraph (a) of this section), if necessary to ensure that the firefighter’s actual annual rate of basic pay does not exceed the annualized regular pay of basic pay for purposes of computing locality payments under 5 U.S.C. 5304 and part 531, subpart F of this chapter.

(2) The protected rate of basic pay is fixed and not subject to further adjustments. The protected rate is a scheduled rate of basic pay for purposes of computing locality payments under 5 U.S.C. 5304 and part 531, subpart F of this chapter.

(3) The protected rate of basic pay is terminated when it is equal to or less than the firefighter’s actual rate of basic pay or when the employee is no longer covered by this subpart.

(c) For purposes of this section, the term basic pay excludes locality pay under 5 U.S.C. 5304 and part 531, subpart F, of this chapter.

General Provisions

551.401 Basic principles.
§ 551.101 General.

(a) The Fair Labor Standards Act of 1938, as amended (referred to as “the Act” or “FLSA”), provides for minimum standards for both wages and overtime entitlement, and delineates administrative procedures by which covered worktime must be compensated. Included in the Act are provisions related to child labor, equal pay, and portal-to-portal activities. In addition, the Act exempts specified employees or groups of employees from the application of certain of its provisions. It prescribes penalties for the commission of specifically prohibited acts.

(b) This part contains the regulations, criteria, and conditions that the Office of Personnel Management has prescribed for the administration of the Act. This part supplements and implements the Act, and must be read in conjunction with it.

§ 551.102 Authority and administration.

(a) Office of Personnel Management. Section 3(e)(2) of the Act authorizes the application of the provisions of the Act to any person employed by the Government of the United States, as specified in that section. Section 4(f) of the Act authorizes the Office of Personnel Management (OPM) to administer the provisions of the Act. OPM is the administrator of the provisions of the Act with respect to any person employed by an agency, except as specified in paragraphs (b), (c), and (d) of this section.

(b) The Equal Employment Opportunity Commission administers the equal pay provisions contained in section 6(d) of the Act.
§ 551.104 Definitions.

In this part—

Act or FLSA means the Fair Labor Standards Act of 1938, as amended (29 U.S.C. 201 et seq.).

Administrative employee means an employee who meets the criteria in § 551.206.

Agency, for purposes of OPM's administration of the Act, means any instrumentality of the United States Government, or any constituent element thereof acting directly or indirectly as an employer, as this term is defined in section 3(d) of the Act and in this section, but does not include the entities of the United States Government listed in § 551.102(c) for which the Department of Labor administers the Act or § 551.102(d)(1) through (8), whose employees are covered by the Congressional Accountability Act of 1995, as amended, which makes applicable the rights and protections of the FLSA and assigns certain administrative responsibilities to the Office of Compliance.

Claim means a written allegation from a current or former employee concerning his or her FLSA exemption status determination or entitlement to minimum wage or overtime pay for work performed under the Act. The term "claim" is used generically in subpart G of this part to include complaints under the child labor provisions of the Act.

Claim period means the time during which the cause or basis of the claim occurred.

Claimant means a current or former employee who files an FLSA claim.

Customarily and regularly means a frequency which must be greater than occasional but which may be less than constant. For example, the requirement in § 551.205(a)(2) will be met by an employee who normally and recurrently exercises discretion and independent judgment in the day-to-day performance of duties.

Discretion and independent judgment means work that involves comparing and evaluating possible courses of conduct, interpreting results or implications, and independently taking action or making a decision after considering the various possibilities. However, firm commitments or final decisions are not necessary to support exemption. The "decisions" made as a result of the exercise of independent judgment may consist of recommendations for action rather than the actual taking of action. The fact that an employee's decisions are subject to review, and that on occasion the decisions are revised or reversed after review, does not mean
§ 551.104

that the employee is not exercising discretion and independent judgment of the level required for exemption. Work reflective of discretion and independent judgment must meet the three following criteria:

(1) The work must be sufficiently complex and varied so as to customarily and regularly require discretion and independent judgment in determining the approaches and techniques to be used, and in evaluating results. This precludes exempting an employee who performs work primarily requiring skill in applying standardized techniques or knowledge of established procedures, precedents, or other guidelines which specifically govern the employee’s action.

(2) The employee must have the authority to make such determinations during the course of assignments. This precludes exempting trainees who are in a line of work which requires discretion but who have not been given authority to decide discretionary matters independently.

(3) The decisions made independently must be significant. The term “significant” is not so restrictive as to include only the kinds of decisions made by employees who formulate policies or exercise broad commitment authority. However, the term does not extend to the kinds of decisions that affect only the procedural details of the employee’s own work, or to such matters as deciding whether a situation does or does not conform to clearly applicable criteria.

Emergency means a temporary condition that poses a direct threat to human life or safety, serious damage to property, or serious disruption to the operations of an activity, as determined by the employing agency.

Employ means to engage a person in an activity that is for the benefit of an agency, and includes any hours of work that are suffered or permitted.

Employee means a person who is employed—

(1) As a civilian in an executive agency as defined in section 105 of title 5, United States Code;

(2) As a civilian in a military department as defined in section 102 of title 5, United States Code;

(3) In a nonappropriated fund instrumentality of an executive agency or a military department;

(4) In a unit of the judicial branch of the Government that has positions in the competitive service; or

Employer, as defined in section 3(d) of the Act, means any person acting directly or indirectly in the interest of an employer in relation to an employee and includes a public agency, but does not include any labor organization (other than when acting as an employer) or anyone acting in the capacity of officer or agent of such labor organization.

Essential part of administrative or professional functions means work that is included as an integral part of administrative or professional exempt work. This work is identified by examining the processes involved in performing the exempt function. For example, the processes involved in evaluating a body of information include collecting and organizing information; analyzing, evaluating, and developing conclusions; and frequently, preparing a record of findings and conclusions. Often collecting or compiling information and preparing reports or other records, if divorced from the evaluative function, are nonexempt tasks. When an employee who performs the evaluative functions also performs some or all of these related steps, all such work (for example, collecting background information, recording test results, tabulating data, or typing reports) is included in the employee’s exempt duties.

Executive employee means an employee who meets the criteria in §551.205.

Exempt area means any foreign country, or any territory under the jurisdiction of the United States other than the following locations:

(1) A State of the United States;

(2) The District of Columbia;

(3) Puerto Rico;

(4) The U.S. Virgin Islands;

(5) Outer Continental Shelf Lands as defined in the Outer Continental Shelf Lands Act (67 Stat. 462);

(6) American Samoa;

(7) Guam;

(8) Midway Atoll;
(9) Wake Island;
(10) Johnston Island; and
(11) Palmyra.

FLSA exempt means not covered by the minimum wage and overtime provisions of the Act.

FLSA exemption status means an employee’s designation by the employing agency as either FLSA exempt or FLSA nonexempt from the minimum wage and overtime provisions of the Act.

FLSA exemption status determination claim means a claim from a current or former employee challenging the correctness of his or her FLSA exemption status determination.

FLSA nonexempt means covered by the minimum wage and overtime provisions of the Act.

FLSA overtime pay, for the purpose of §551.208, means overtime pay under this part.

FLSA pay claim means a claim from a current or former employee concerning his or her entitlement to minimum wage or overtime pay for work performed under the Act.

Foreign exemption means a provision of the Act under which the minimum wage, overtime, and child labor provisions of the Act do not apply to any employee who spends all hours of work in a given workweek in an exempt area.

Formulation or execution of management programs or policies means work that involves management programs and policies which range from broad national goals expressed in statutes or Executive orders to specific objectives of a small field office. Employees make policy decisions or participate indirectly, through developing or recommending proposals that are acted on by others. Employees significantly affect the execution of management programs or policies typically when the work involves obtaining compliance with such policies by other individuals or organizations, within or outside of the Federal Government, or making significant determinations furthering the operation of programs and accomplishment of program objectives. Administrative employees engaged in such work typically perform one or more phases of program management (that is, planning, developing, promoting, coordinating, controlling, or evaluating operating programs of the employing organization or of other organizations subject to regulation or other controls).

Hours of work means all time spent by an employee performing an activity for the benefit of an agency and under the control or direction of the agency. Hours of work are creditable for the purposes of determining overtime pay under subpart D of this subpart. Section 551.401 of subpart D further explains this term. However, whether time is credited as hours of work is determined by considering many factors, such as the rules in subparts D and E of this subpart, provisions of law, Comptroller General decisions, OPM policy guidance, agency policy and regulations, negotiated agreements, the rules in part 550 of this chapter (for hours of work for travel), and the rules in part 410 of this chapter (for hours of work for training).

Management or general business function or supporting service, as distinguished from production functions, means the work of employees who provide support to line managers.

(1) These employees furnish such support by—
   (i) Providing expert advice in specialized subject matter fields, such as that provided by management consultants or systems analysts;
   (ii) Assuming facets of the overall management function, such as safety management, personnel management, or budgeting and financial management;
   (iii) Representing management in such business functions as negotiating and administering contracts, determining acceptability of goods or services, or authorizing payments; or
   (iv) Providing supporting services, such as automated data processing, communications, or procurement and distribution of supplies.

(2) Neither the organizational location nor the number of employees performing identical or similar work changes management or general business functions or supporting services into production functions. The work, however, must involve substantial discretion on matters of enough importance that the employee’s actions and
decisions have a noticeable impact on the effectiveness of the organization advised, represented, or serviced. Nonexempt area means any of the following locations: (1) A State of the United States; (2) The District of Columbia; (3) Puerto Rico; (4) The U.S. Virgin Islands; (5) Outer Continental Shelf Lands as defined in the Outer Continental Shelf Lands Act (67 Stat. 462); (6) American Samoa; (7) Guam; (8) Midway Atoll; (9) Wake Island; (10) Johnston Island; and (11) Palmyra. Participation in the executive or administrative functions of a management official means the participation of employees, variously identified as secretaries, administrative or executive assistants, aides, etc., in portions of the managerial or administrative functions of a supervisor whose scope of responsibility precludes personally attending to all aspects of the work. To support exemption, such employees must be delegated and exercise substantial authority to act for the supervisor in the absence of specific instructions or procedures, and take actions which significantly affect the supervisor’s effectiveness. Perform work in connection with an emergency means to perform work that is directly related to resolving or coping with an emergency, or its immediate aftermath, as determined by the employing agency. Preserve the claim period means to establish the period of possible entitlement to back pay by filing a written claim with either the agency employing the claimant during the claim period or with OPM. The date the agency or OPM receives the claim is the date that determines the period of possible entitlement to back pay. Primary duty typically means the duty that constitutes the major part (over 50 percent) of an employee’s work. A duty constituting less than 50 percent of the work may be credited as the primary duty for exemption purposes provided that duty— (1) Constitutes a substantial, regular part of a position; (2) Governs the classification and qualification requirements of the position; and (3) Is clearly exempt work in terms of the basic nature of the work, the frequency with which the employee must exercise discretion and independent judgment, and the significance of the decisions made. Professional employee means an employee who meets the criteria in §551.207. Reckless disregard of the requirements of the Act means failure to make adequate inquiry into whether conduct is in compliance with the Act. Recognized organizational unit means an established and defined organizational entity which has regularly assigned employees and for which a supervisor is responsible for planning and accomplishing a continuing workload. This distinguishes supervisors from leaders who head temporary groups formed to perform assignments of limited duration. Situations 1 through 4 means the four basic situations described under Factor I, Nature of Supervisory Responsibility, in the Federal Wage System Job Grading Standard for Supervisors. The situations depict successively higher levels of supervisory responsibility and authority for scheduling work operations, planning use of resources to accomplish work, directing subordinates in performing work assignments, and carrying out administrative duties. Statute of limitations means the time frame within which an FLSA pay claim must be filed, starting from the date the right accrued. All FLSA pay claims filed on or after June 30, 1994, are subject to a 2-year statute of limitations, except in cases of willful violation where the statute of limitations is 3 years. Suffered or permitted work means any work performed by an employee for the benefit of an agency, whether requested or not, provided the employee’s supervisor knows or has reason to believe that the work is being performed and has an opportunity to prevent the work from being performed. Supervisory and closely related work means work that is included in the calculation of exempt work for supervisory positions.
(1) Work is considered closely related to exempt supervisory work if it contributes to the effective supervision of subordinate workers, or the smooth functioning of the unit supervised, or both. Examples of closely related work include the following:

(i) Maintaining various records pertaining to workload or employee performance;

(ii) Performing setup work that requires special skills, typically is not performed by production employees in the occupation, and does not approach the volume that would justify hiring a specially trained employee to perform; and

(iii) Performing infrequently recurring or one-time tasks which are impractical to delegate because they would disrupt normal operations or take longer to explain than to perform.

(2) Activities in which both workers and supervisors are required to engage themselves are considered to be closely related to the primary duty of the position, for example, physical training during tours of duty for firefighting and law enforcement personnel.

Temporary work or duties means work or duties an employee must temporarily perform that are not consistent with the primary or grade-controlling duty of the employee’s official position description. The period of temporary work or duties may or may not involve a different geographic duty location.

Title 5 overtime pay, for the purpose of §551.208, means overtime pay under part 550 of this chapter.

Trainee means a person who does not meet the definition of employee in this section and who is assigned or attached to a Federal activity primarily for training. A person who attends a training program under the following conditions is considered a trainee and, therefore, is not an employee of the Government of the United States for purposes of the Act:

(1) The training, even though it includes actual operation of the facilities of the Federal activity, is similar to that given in a vocational school or other institution of learning;

(2) The training is for the benefit of the individual;

(3) The trainee does not displace regular employees, but, rather, is supervised by them;

(4) The Federal activity which provides the training derives no immediate advantage from the activities of the trainee; on occasion its operations may actually be impeded;

(5) The trainee is not necessarily entitled to a job with the Federal activity at the completion of the training period; and

(6) The agency and the trainee understand that the trainee is not entitled to the payment of wages from the agency for the time spent in training.

Volunteer means a person who does not meet the definition of employee in this section and who volunteers or donates his or her service, the primary benefit of which accrues to the performer of the service or to someone other than the agency. Under such circumstances there is neither an expressed nor an implied compensation agreement. Services performed by such a volunteer include personal services that, if left unperformed, would not necessitate the assignment of an employee to perform them.

Willful violation means a violation in circumstances where the agency knew that its conduct was prohibited by the Act or showed reckless disregard of the requirements of the Act. All of the facts and circumstances surrounding the violation are taken into account in determining whether a violation was willful.

Work of an intellectual nature means work requiring general intellectual abilities, such as perceptiveness, analytical reasoning, perspective, and judgment applied to a variety of subject matter fields, or work requiring mental processes which involve substantial judgment based on considering, selecting, adapting, and applying principles to numerous variables. The employee cannot rely on standardized application of established procedures or precedents, but must recognize and evaluate the effect of a continual variety of conditions or requirements in selecting, adapting, or innovating techniques and procedures, interpreting findings, and selecting and recommending the best alternative from
§551.201

among a broad range of possible actions.

Work of a specialized or technical nature means work which requires substantial specialized knowledge of a complex subject matter and of the principles, techniques, practices, and procedures associated with that subject matter field. This knowledge characteristically is acquired through considerable on-the-job training and experience in the specialized subject matter field, as distinguished from professional knowledge characteristically acquired through specialized academic education.

Workday means the period between the commencement of the principal activities that an employee is engaged to perform on a given day and the cessation of the principal activities for that day. The term is further explained in §551.411.

Worktime, for the purpose of determining FLSA exemption status, means time spent actually performing work. This excludes periods of time during which an employee performs no work, such as standby time, sleep time, meal periods, and paid leave.

Worktime in a representative workweek means the average percentages of worktime over a period long enough to even out normal fluctuations in workloads and be representative of the job as a whole.

Workweek means a fixed and recurring period of 168 hours—seven consecutive 24-hour periods. It need not coincide with the calendar week but may begin on any day and at any hour of a day. For employees subject to part 810 of this chapter, the workweek shall be the same as the administrative workweek defined in §810.102 of this chapter.

Workweek basis means the unit of time used as the basis for applying overtime standards under the Act and, for employees under flexible or compressed work schedules, under 5 U.S.C. 6121(6) or (7). The Act takes a single workweek as its standard and does not permit averaging of hours over two or more weeks, except for employees engaged in fire protection or law enforce-
(2) Nonsupervisory General Schedule employees performing technician work in positions properly classified below GS–9 (or the equivalent level in other comparable white-collar pay systems) and many, but not all, of those positions properly classified at GS–9 or above (or the equivalent level in other comparable white-collar pay systems); and

(3) Nonsupervisory General Schedule employees at any grade level in occupations requiring highly specialized technical skills and knowledges that can be acquired only through prolonged job training and experience, such as the Air Traffic Control series, GS–2152, or the Aircraft Operations series, GS–2181, unless such employees are performing predominantly administrative functions rather than the technical work of the occupation.

(f) Although separate criteria are provided for the exemption of executive, administrative, and professional employees, those categories are not mutually exclusive. All exempt work, regardless of category, must be considered. The only restriction is that, when the requirements of one category are more stringent, the combination of exempt work must meet the more stringent requirements.

(g) Failure to meet the criteria for exemption under what might appear to be the most appropriate criteria does not preclude exemption under another category. For example, an engineering technician who fails to meet the professional exemption criteria may be performing exempt administrative work, or an administrative officer who fails to meet the administrative criteria may be performing exempt executive work.

(h) Although it is normally feasible and more convenient to identify the exemption category, this is not essential. An exemption may be based on a combination of functions, no one of which constitutes the primary duty, or the employee’s primary duty may involve two categories which are intermingled and difficult to segregate. This does not preclude designating an employee FLSA exempt, provided the work as a whole clearly meets the other exemption criteria.

(i) The designation of an employee as FLSA exempt or nonexempt ultimately rests on the duties actually performed by the employee.

§ 551.203 Exemption of General Schedule employees.

(a) GS–4 or below. Any employee in a position properly classified at GS–4 or below (or the equivalent level in other comparable white-collar pay systems) is nonexempt, unless the employee is subject to the foreign exemption in § 551.209.

(b) GS–5 or above. Any employee in a position properly classified at GS–5 or above (or the equivalent level in other comparable white-collar pay systems) is exempt only if the employee is an executive, administrative, or professional employee as defined in this subpart, unless the employee is subject to § 551.208 (the effect of performing temporary work or duties on FLSA exemption status) or § 551.209 (the foreign exemption).

§ 551.204 Exemption of Federal Wage System employees.

(a) Nonsupervisory. A nonsupervisory employee in the Federal Wage System or in other comparable wage systems is nonexempt, unless the employee is subject to § 551.208 (the effect of performing temporary work or duties on FLSA exemption status) or § 551.209 (the foreign exemption).

(b) Supervisory. A supervisory employee in the Federal Wage System or in other comparable wage systems is exempt only if the employee is an executive employee as defined in § 551.205, unless the employee is subject to § 551.208 (the effect of performing temporary work or duties on FLSA exemption status) or § 551.209 (the foreign exemption).

§ 551.205 Executive exemption criteria.

An executive employee is a supervisor or manager who manages a Federal agency or any subdivision thereof (including the lowest recognized organizational unit with a continuing function) and customarily and regularly directs the work of subordinate employees and meets both of the following criteria:

(a) Primary duty test. The primary duty test is met if the employee—
§ 551.206 Administrative exemption criteria.

An administrative employee is an advisor or assistant to management, a representative of management, or a specialist in a management or general business function or supporting service and meets all four of the following criteria:

(a) Primary duty test. The primary duty test is met if the employee's work—

(1) Significantly affects the formulation or execution of management programs or policies; or

(2) Involves management or general business functions or supporting services of substantial importance to the organization serviced; or

(3) Involves substantial participation in the executive or administrative functions of a management official.

(b) Nonmanual work test. The employee performs office or other predominantly nonmanual work which is—

(1) Intellectual and varied in nature; or

(2) Of a specialized or technical nature that requires considerable special training, experience, and knowledge.

(c) Discretion and independent judgment test. The employee frequently exercises discretion and independent judgment, under only general supervision, in performing the normal day-to-day work.

(d) 80-percent test. In addition to the primary duty test that applies to all employees, General Schedule employees in positions properly classified at GS-5 or GS-6 (or the equivalent level in other comparable white-collar pay systems) must spend 80 percent or more of the worktime in a representative workweek on administrative functions and work that is an essential part of those functions to meet the 80-percent test.

§ 551.207 Professional exemption criteria.

A professional employee is an employee who meets all of the following criteria, or any teacher who is engaged in the imparting of knowledge or in the administration of an academic program in a school system or educational establishment.

(a) Primary duty test. The primary duty test is met if the employee's work consists of—

(1) Work that requires knowledge in a field of science or learning customarily and characteristically acquired through education or training that meets the requirements for a bachelor's or higher degree, with major study in or pertinent to the specialized
Office of Personnel Management

§ 551.208

field as distinguished from general education; or is performing work, comparable to that performed by professional employees, on the basis of specialized education or training and experience which has provided both theoretical and practical knowledge of the specialty, including knowledge of related disciplines and of new developments in the field; or

(2) Work in a recognized field of artistic endeavor that is original or creative in nature (as distinguished from work which can be produced by a person endowed with general manual or intellectual ability and training) and the result of which depends on the invention, imagination, or talent of the employee; or

(3) Work that requires theoretical and practical application of highly-specialized knowledge in computer systems analysis, programming, and software engineering or other similar work in the computer software field. The work must consist of one or more of the following:

(i) The application of systems analysis techniques and procedures, including consulting with users, to determine hardware, software, or system functional specifications; or

(ii) The design, development, documentation, analysis, creation, testing, or modification of computer systems or programs, including prototypes, based on and related to user or system design specifications; or

(iii) The design, documentation, testing, creation, or modification of computer programs related to machine operating systems; or

(iv) A combination of the duties described in paragraphs (a)(3)(i), (a)(3)(ii), and (a)(3)(iii) of this section, the performance of which requires the same level of skills.

(b) Intellectual and varied work test.

The employee’s work is predominantly intellectual and varied in nature, requiring creative, analytical, evaluative, or interpretative thought processes for satisfactory performance.

(c) Discretion and independent judgment test.

The employee frequently exercises discretion and independent judgment, under only general supervision, in performing the normal day-to-day work.

(d) 80-percent test.

In addition to the primary duty test that applies to all employees, General Schedule employees in positions properly classified at GS-5 or GS-6 (or the equivalent level in other comparable white-collar pay systems), must spend 80 percent or more of the worktime in a representative workweek on professional functions and work that is an essential part of those functions to meet the 80-percent test.

§ 551.208 Effect of performing temporary work or duties on FLSA exemption status.

(a) Applicability.

(1) When applicable. This section applies only when an employee must temporarily perform work or duties that are not consistent with the primary or grade-controlling duty of the employee’s official position description. The period of temporary work or duties may or may not involve a different geographic duty location. The FLSA exemption status of employees during a period of temporary work or duties must be determined as described in this section.

(2) When not applicable. This section does not apply when an employee is detailed to an identical additional position as the employee’s position or to a position of the same grade, series code, basic duties, and FLSA exemption status as the employee’s position.

(b) Effect on nonexempt employees.

(1) A nonexempt employee who must temporarily perform work or duties that are not consistent with the primary or grade-controlling duty of the employee’s official position description remains nonexempt for the entire period of temporary work or duties unless all three of the following conditions are met:

(i) 30-day test. The period of temporary work or duties exceeds 30 calendar days; and

(ii) Exempt work or duty. The employee’s primary duty for the period of temporary work or duties is exempt work or duty as defined in this part; and

(iii) Positions at GS-7 or above, or at situation 3 or 4. The employee’s position (including a position to which the employee is temporarily promoted) is
§ 551.208

properly classified in the General Schedule at GS–7 or above (or the equivalent level in other comparable white-collar pay systems) or properly classified in the Federal Wage System as a supervisor at situation 3 or 4 of Factor I of the Federal Wage System Job Grading Standard for Supervisors (or the equivalent level in other comparable wage systems).

(2) If an exempt employee becomes nonexempt under the criteria in paragraph (c)(1) of this section—

(i) The employee must be considered nonexempt for the entire period of temporary work or duties; and

(ii) If the employee received FLSA overtime pay for work performed during the first 30 calendar days of the temporary work or duties, the agency must recalculate the employee’s total pay retroactive to the beginning of that period because the employee may now not be entitled to some or all of the title 5 overtime pay received but may be owed FLSA overtime pay.

(c) Effect on exempt employees.

(1) An exempt employee not covered by the special provision of paragraph (c)(3) of this section who must temporarily perform work or duties that are not consistent with the primary or grade-controlling duty of the employee’s official position description remains exempt for the entire period of temporary work or duties unless all three of the following conditions are met:

(i) 30-day test. The period of temporary work or duties exceeds 30 calendar days; and

(ii) Not exempt work or duty. The employee’s primary duty for the period of temporary work or duties is not exempt work or duty as defined in this part; and

(iii) Positions at GS–7 or above, or at situation 3 or 4. The employee’s position (including a position to which the employee is temporarily promoted) is properly classified in the General Schedule at GS–7 or above (or the equivalent level in other comparable white-collar pay systems) or properly classified in the Federal Wage System as a supervisor at situation 3 or 4 of Factor I of the Federal Wage System Job Grading Standard for Supervisors (or the equivalent level in other comparable wage systems).

(2) If a nonexempt employee becomes exempt under the criteria in paragraph (b)(1) of this section—

(i) The employee must be considered exempt for the entire period of temporary work or duties; and

(ii) If the employee received FLSA overtime pay for work performed during the first 30 calendar days of the temporary work or duties, the agency must recalculate the employee’s total pay retroactive to the beginning of that period because the employee may now not be entitled to some or all of the title 5 overtime pay received but may be owed FLSA overtime pay.

(3) Special provision for exempt employees at GS–5 or GS–6, or below situation 3. The exemption status of certain exempt employees who must temporarily perform work or duties that are not consistent with the primary or grade-controlling duty of their official position description must be determined on a workweek basis for the period of temporary work or duties. Such employees are exempt employees whose positions (including a position to which the employee is temporarily promoted) are properly classified in the General Schedule at GS–5 or GS–6 (or the equivalent level in other comparable white-collar pay systems), or are properly classified in the Federal Wage System below situation 3 of Factor I of the Federal Wage System Job Grading Standard for Supervisors (or the equivalent level in other comparable wage systems). The exemption status determination of these employees will result in the employee either remaining exempt or becoming nonexempt for that workweek, as described in paragraphs (c)(3)(i) and (c)(3)(ii) of this section.

(i) Remain exempt. An exempt employee remains exempt for a given workweek only if the employee performs exempt work or duties for 80 percent or more of the worktime in that workweek.

(ii) Become nonexempt. An exempt employee becomes nonexempt for a given workweek only if the employee performs nonexempt work or duties for more than 20 percent of the worktime in that workweek.
(d) Emergency situation. Notwithstanding any other provisions of this section, and regardless of an employee’s grade level, the agency may determine that an emergency situation exists that directly threatens human life or safety, serious damage to property, or serious disruption to the operations of an activity, and there is no recourse other than to assign qualified employees to temporarily perform work or duties in connection with the emergency. In such a designated emergency—

(1) Nonexempt employee. The exemption status of a nonexempt employee remains nonexempt whether the employee performs nonexempt work or exempt work during the emergency; and

(2) Exempt employee. The exemption status of an exempt employee must be determined on a workweek basis. The exemption status determination of exempt employees will result in the employee either remaining exempt or becoming nonexempt for that workweek, as described in paragraphs (d)(2)(i) and (d)(2)(ii) of this section.

(i) Remain exempt. An exempt employee remains exempt for any workweek in which the employee performs exempt work or duties for 80 percent or more of the worktime in a given workweek.

(ii) Become nonexempt. An exempt employee becomes nonexempt for any workweek in which the employee performs nonexempt work or duties for more than 20 percent of the worktime in a given workweek.

§ 551.209 Foreign exemption criteria.

(a) Application. When the foreign exemption applies, the minimum wage, overtime, and child labor provisions of the Act do not apply:

(1) The employee is permanently stationed in an exempt area and spends all hours of work in a given workweek in one or more exempt areas; or

(2) The employee is not permanently stationed in an exempt area, but spends all hours of work in a given workweek in one or more exempt areas.

(c) Foreign exemption does not apply. For any given workweek, the minimum wage, overtime, and child labor provisions of the Act apply to an employee who spends any hours of work in any nonexempt area. For that workweek, the employee is subject to the foreign exemption, and the agency must determine the exemption status of such an employee as described paragraphs (c)(1) and (c)(2) of this section. The foreign exemption does not resume until the employee again meets one of the criteria in paragraph (b) of this section.

(1) Same duties. If the duties performed during that workweek are consistent with the primary or grade-controlling duties of the employee’s official position description, the agency must designate the employee the same FLSA exemption status as if the employee were permanently stationed in any nonexempt area.

(2) Different duties. If the duties performed during that workweek are not consistent with the primary or grade-controlling duties of the employee’s official position description—

(i) The agency must first designate the employee the same FLSA exemption status as the employee would have been designated based on the duties included in the employee’s official position description if the employee were permanently stationed in any non-exempt area; and

(ii) The agency must determine the employee’s exemption status for that workweek by applying §551.102.

(d) Resumption of foreign exemption. When an employee returns to any exempt area from performing any hours of work in any nonexempt area, the employee is not subject to the foreign exemption until the employee meets
§ 551.210 Exemption of employees receiving availability pay.

The following employees are exempt from the hours of work and overtime pay provisions of the Act:

(a) A criminal investigator receiving availability pay under § 550.181 of this chapter; and

(b) A pilot employed by the United States Customs Service who is a law enforcement officer as defined in section 5541(3) of title 5, United States Code, and who receives availability pay under section 5545a(i) of title 5, United States Code.

§ 551.211 Statutory exclusion.

A customs officer who receives overtime pay under subsection (a) or premium pay under subsection (b) of section 267 of title 19, United States Code, for time worked may not receive pay or other compensation for that work under any other provision of law. As used in section 5, the term “customs officer” means a United States Customs Service supervisory or nonsupervisory customs inspector or a supervisory or nonsupervisory canine enforcement officer.

Subpart C—Minimum Wage Provisions

§ 551.301 Minimum wage.

(a)(1) Except as provided in paragraph (a)(2) of this section and § 551.311, an agency shall pay each of its employees wages at rates not less than the minimum wage specified in section 6(a)(1) of the Act for all hours of work as defined in subpart D of this part.

(2) The minimum wage provisions of the Act do not apply to a criminal investigator receiving availability pay under § 550.181.

(b) An employee has been paid in compliance with the minimum wage provisions of this subpart if the employee’s hourly regular rate of pay, as defined in § 551.511(a) of this part, for the workweek is equal to or in excess of the rate specified in section 6(a)(1) of the Act.

Subminimum Wage

§ 551.311 Subminimum wage.

An agency may, if it meets certain criteria published by the Office of Personnel Management, employ certain groups of less than fully productive employees (e.g., handicapped patient workers) at rates less than the minimum wage specified in section 6(a)(1) of the Act.

Subpart D—Hours of Work

Source: 45 FR 85664, Dec. 30, 1980, unless otherwise noted.

General Provisions

§ 551.401 Basic principles.

(a) All time spent by an employee performing an activity for the benefit of an agency and under the control or direction of the agency is “hours of work.” Such time includes:

(1) Time during which an employee is required to be on duty;

(2) Time during which an employee is suffered or permitted to work; and

(3) Waiting time or idle time which is under the control of an agency and which is for the benefit of an agency.

(b) For an employee, as defined in 5 U.S.C. 5541(2), hours in a paid nonwork status (e.g., paid leave, holidays, compensatory time off, or excused absences) are “hours of work” under this part.

(c) Hours in an unpaid nonwork status (e.g., leave without pay, furlough, absence without leave) are not “hours of work” under this part.

(d) Time that is considered hours of work under this part shall be used only to determine an employee’s entitlement to minimum wages or overtime pay under the Act, and shall not be used to determine hours of work for pay administration under title 5, United States Code, or any other authority.
(e) Irregular or occasional overtime work performed by an employee on a day on which work was not scheduled for that employee or for which the employee is required to return to his or her place of employment is deemed at least 2 hours in duration for the purpose of determining whether the employee may be entitled to overtime pay under this part, either in money or compensatory time off.

(f) For the purpose of determining hours of work in excess of 8 hours in a day under this part, agencies shall credit hours of work under §410.402 of this chapter, part 532 of this chapter and 5 U.S.C. 5544, and part 550 of this chapter, as applicable.

(g) For the purpose of determining hours of work in excess of 40 hours in a week or in excess of another applicable overtime work standard under section 7(k) of the Fair Labor Standards Act, agencies shall credit hours of work under §410.402 of this chapter, part 532 of this chapter and 5 U.S.C. 5544, and part 550 of this chapter, as applicable, that will not be compensated as hours of work in excess of 8 hours in a day, as well as any additional hours of work under this part.

(h) For the purpose of determining overtime pay for work in excess of 40 hours in a workweek under this part, time spent in a travel status is hours of work as provided in §551.422 of this part and §550.112(g) of this chapter or 5 U.S.C. 5544, as applicable.

§ 551.412 Preparatory or concluding activities.

(a) (1) If an agency reasonably determines that a preparatory or concluding activity is closely related to an employee’s principal activities, and is indispensable to the performance of the principal activities, and that the total time spent in that activity is more than 10 minutes per workday, the agency shall credit all of the time spent in that activity, including the 10 minutes, as hours of work.

(b) An agency may compensate an employee for time spent in a preparatory or concluding activity if the time spent in that activity is not considered hours of work.

§ 551.402 Agency responsibility.

(a) An agency is responsible for exercising appropriate controls to assure that only that work for which it intends to make payment is performed.

(b) An agency shall keep complete and accurate records of all hours worked by its employees.

APPLICATION OF PRINCIPLES IN RELATION TO NORMAL WORKDAY

§ 551.411 Workday.

(a) For the purposes of this part, workday means the period between the commencement of the principal activities that an employee is engaged to perform on a given day, and the cessation of the principal activities for that day. All time spent by an employee in the performance of such activities is hours of work. The workday is not limited to a calendar day or any other 24-hour period.

(b) Any rest period authorized by an agency that does not exceed 20 minutes and that is within the workday shall be considered hours of work.

(c) Bona fide meal periods shall not be considered hours of work, except for employees engaged in fire protection or law enforcement activities who receive compensation for overtime hours of work under 5 U.S.C. 5545(c) (1) or (2). However, for employees engaged in fire protection or law enforcement activities who have periods of duty of more than 24 hours, meal periods may be excluded from hours of work by agreement between the employer and the employee.

§ 551.412 Preparatory or concluding activities.

(a) (1) If an agency reasonably determines that a preparatory or concluding activity is closely related to an employee’s principal activities, and is indispensable to the performance of the principal activities, and that the total time spent in that activity is more than 10 minutes per workday, the agency shall credit all of the time spent in that activity, including the 10 minutes, as hours of work.

(b) If the time spent in a preparatory or concluding activity is compensated as hours of work, the agency shall schedule the time period for the employee to perform that activity. An employee shall be credited with the actual time spent in that activity during the time period scheduled by the agency. In no case shall the time credited for the performance of an activity exceed the time scheduled by the agency. The employee shall be credited for the time spent performing preparatory or concluding activities in accordance with paragraph (b) of §551.521 of this part.
§ 551.421 Regular working hours.

(a) Under the Act there is no requirement that a Federal employee have a regularly scheduled administrative workweek. However, under title 5 United States Code, and part 610 of this chapter, the head of an agency is required to establish work schedules for his or her employees. In determining what activities constitute hours of work under the Act, there is generally a distinction based on whether the activity is performed by an employee during regular working hours or outside regular working hours. For purposes of this part, “regular working hours” means the days and hours of an employee’s regularly scheduled administrative workweek established under part 610 of this chapter.

§ 551.422 Time spent traveling.

(a) Time spent traveling shall be considered hours of work if:

(1) An employee is required to travel during regular working hours;

(2) An employee is required to drive a vehicle or perform other work while traveling;

(3) An employee is required to travel as a passenger on a one-day assignment away from the official duty station; or

(4) An employee is required to travel as a passenger on an overnight assignment away from the official duty station during hours on nonworkdays that correspond to the employee’s regular working hours.

(b) An employee who travels from home before the regular workday begins and returns home at the end of the workday is engaged in normal “home to work” travel; such travel is not hours of work. When an employee travels directly from home to a temporary duty location outside the limits of his or her official duty station, the time the employee would have spent in normal home to work travel shall be deducted from hours of work as specified in paragraphs (a)(2) and (a)(3) of this section.

(c) An employee who is offered one mode of transportation, and who is permitted to use an alternative mode of transportation, or an employee who travels at a time other than that selected by the agency, shall be credited with the lesser of:

(1) The actual travel time which is hours of work under this section; or

(2) The estimated travel time which would have been considered hours of work under this section had the employee used the mode of transportation offered by the agency, or traveled at the time selected by the agency.

(d) Except as provided in paragraph (b) of this section, an agency may prescribe a mileage radius of not greater than 50 miles to determine whether an employee’s travel is within or outside the limits of the employee’s official duty station for determining entitlement to overtime pay for travel under this part. However, an agency’s definition of an employee’s official duty station for determining overtime pay for travel may not be smaller than the definition of “official station and post of duty” under the Federal Travel Regulation issued by the General Services Administration (41 CFR 301–1.3(c)(4)).

(i) The employee is directed to participate in the training by his or her employing agency; and
(ii) The purpose of the training is to improve the employee’s performance of the duties and responsibilities of his or her current position.

(3) Time spent in apprenticeship or other entry level training, or internship or other career related work study training, or training under the Veterans Readjustment Act (5 CFR part 307) outside regular working hours shall not be considered hours of work, provided no productive work is performed during such periods, except as provided by §410.402(b) of this chapter and paragraphs (f) and (g) of §551.401.

(4) Time spent by an employee performing work for the agency during a period of training shall be considered hours of work.

(b) The following phrases contained in paragraph (a) of this section, are further clarified:

(1) Directed to participate means that the training is required by the agency and the employee’s performance or continued retention in his or her current position will be adversely affected by nonenrollment in such training. The fact that an agency pays for all or part of the expenses of training does not create an entitlement to overtime hours of work unless participation in the training is directed by the agency.

(2) Training “to improve the employee’s performance * * * of his or her current position” is distinguished from upward mobility training or developmental training to provide an employee the knowledge or skills needed for a subsequent position in the same career field.

(c) Time spent by an employee within an agency’s allowance of preparatory time for attendance at training shall be considered hours of work if such preparatory time is:

(1) During an employee’s regular working hours; or
(2) Outside the employee’s regular working hours, and
(i) The employee is directed by an agency to attend such an event; or
(ii) The employee performs work for the benefit of the agency during such attendance.

§551.424 Time spent adjusting grievances or performing representational functions.

(a) Time spent by an employee adjusting his or her grievance (or any appealable action) with an agency during the time the employee is required to be on the agency’s premises shall be considered hours of work.

(b) “Official time” granted an employee by an agency to perform representational functions during those hours when the employee is otherwise in a duty status shall be considered hours of work. This includes time spent by an employee performing such functions during regular working hours (including regularly scheduled overtime hours), or during a period of irregular, unscheduled overtime work, provided an event arises incident to representational functions that must be dealt with during the irregular, unscheduled overtime period.

§551.425 Time spent receiving medical attention.

(a) Time spent waiting for and receiving medical attention for illness or injury shall be considered hours of work if:

(1) The medical attention is required on a workday an employee reported for duty and subsequently became ill or was injured;
(2) The time spent receiving medical attention occurs during the employee’s regular working hours; and
(3) The employee receives the medical attention on the agency’s premises, or at the direction of the agency at a medical facility away from the agency’s premises.

(b) Time spent taking a physical examination that is required for the employee’s continued employment with
§ 551.426 Time spent in charitable activities.

Time spent working for public or charitable purposes at an agency's request, or under an agency's direction or control, shall be considered hours of work. However, time spent voluntarily in such activities outside an employee's regular working hours is not hours of work.

§ 551.431 Time spent on standby duty or in an on-call status.

(a)(1) An employee is on duty, and time spent on standby duty is hours of work if, for work-related reasons, the employee is restricted by official order to a designated post of duty and is assigned to be in a state of readiness to perform work with limitations on the employee's activities so substantial that the employee cannot use the time effectively for his or her own purposes. A finding that an employee's activities are substantially limited may not be based on the fact that an employee is subject to restrictions necessary to ensure that the employee will be able to perform his or her duties and responsibilities, such as restrictions on alcohol consumption or use of certain medications.

(2) An employee is not considered restricted for "work-related reasons" if, for example, the employee remains at the post of duty voluntarily, or if the restriction is a natural result of geographic isolation or the fact that the employee resides on the agency's premises. For example, in the case of an employee assigned to work in a remote wilderness area or on a ship, the fact that the employee has limited mobility when relieved from duty would not be a basis for finding that the employee is restricted for work-related reasons.

(b) An employee will be considered off duty and time spent in an on-call status shall not be considered hours of work if:

(1) The employee is allowed to leave a telephone number or to carry an electronic device for the purpose of being contacted, even though the employee is required to remain within a reasonable call-back radius; or

(2) The employee is allowed to make arrangements such that any work which may arise during the on-call period will be performed by another person.

§ 551.432 Sleep time.

(a) Except as provided in paragraph (b) of this section, bona fide sleep time that fulfills the following conditions shall not be considered hours of work if:

(1) The work shift is 24 hours or more;

(2) During such time there are adequate facilities such that an employee may usually enjoy an uninterrupted period of sleep;

(3) There are at least 5 hours available for such time during the sleep period.

(b) For employees engaged in law enforcement or fire protection activities who receive annual premium pay under 5 U.S.C. 5545(c)(1) or (2), the requirements of paragraph (a) of this section apply, except that on-duty sleep time may be excluded from hours of work only if the work shift is more than 24 hours.

(c) The total amount of bona fide sleep and meal time that may be excluded from hours of work may not exceed 8 hours in a 24-hour period.

(d) If sleep time is interrupted by a call to duty, the time spent on duty is considered hours of work.

(e) On-duty sleep and meal time during regularly scheduled hours for which standby duty premium pay under 5 U.S.C. 5545(c)(1) is payable may not be excluded from hours of work.

(f) For firefighters compensated under 5 U.S.C. 5545b, on-duty sleep and meal time may not be excluded from hours of work.

§ 551.462 Time spent in charitable activities.

The agency shall be considered hours of work.

§ 551.464 Time spent in charitable activities.

Time spent working for public or charitable purposes at an agency's request, or under an agency's direction or control, shall be considered hours of work. However, time spent voluntarily in such activities outside an employee's regular working hours is not hours of work.

§ 551.467 Time spent in charitable activities.

The agency shall be considered hours of work.

Subpart E—Overtime Pay Provisions

SOURCE: 45 FR 85665, Dec. 30, 1980, unless otherwise noted.
§ 551.511 Overtime pay.
(a) An agency shall compensate an employee who is not exempt under subpart B of this part for all hours of work in excess of 8 in a day or 40 in a workweek at a rate equal to one and one-half times the employee’s hourly regular rate of pay, except that an employee shall not receive overtime compensation under this part—
(1) On the basis of periods of duty in excess of 8 hours in a day when the employee receives compensation for that duty under 5 U.S.C. 5545(c)(1) or (2) or 5545b;
(2) On the basis of hours of work in excess of 8 hours in a day that are not overtime hours of work under § 410.402 of this chapter, part 532 of this chapter and 5 U.S.C. 5544, or part 550 of this chapter;
(3) On the basis of hours of work in excess of 8 hours in a day for an employee covered by 5 U.S.C. 5544 for any hours in a standby or on-call status or while sleeping or eating;
(4) On the basis of hours of work in excess of 8 hours in a day for an individual who is not an employee, as defined in 5 U.S.C. 5541(2), for purposes of 5 U.S.C. 5542, 5543, and 5544;
(5) On the basis of hours of work in excess of 40 hours in a workweek for an employee engaged in fire protection or law enforcement activities when the employee is receiving compensation under 5 U.S.C. 5545(c)(1) or (2) or 5545b, or is not an employee (as defined in 5 U.S.C. 5541(2)) for the purposes of 5 U.S.C. 5542, 5543, and 5544;
(6) For hours of work that are not “overtime hours,” as defined in 5 U.S.C. 6121, for employees under flexible or compressed work schedules;
(7) For hours of work compensated by compensatory time off under § 551.531 of this part; and
(8) For fractional hours of work, except as provided in § 551.521 of this part.
(b) An employee’s “workweek” is a fixed and recurring period of 168 hours—seven consecutive 24-hour periods. It need not coincide with the calendar week but may begin on any day and at any hour of a day. For employees subject to part 610 of this chapter, the workweek shall be the same as the administrative workweek defined in § 610.102 of this chapter.
(c) In this subpart, “irregular or occasional overtime work” is overtime work that is not scheduled in advance of the employee’s workweek.
(d) The maximum earnings limitations described in §§ 550.105, 550.106, and 550.107 of this chapter do not apply to overtime pay due the employee under this subpart.

OVERTIME PAY COMPUTATIONS

§ 551.511 Hourly regular rate of pay.
(a) An employee’s “hourly regular rate” is computed by dividing the total remuneration paid to an employee in the workweek by the total number of hours of work in the workweek for which such compensation was paid.
(b) “Total remuneration” includes all remuneration for employment paid to, or on behalf of, an employee except:
(1) Payments as rewards for service the amount of which is not measured by or dependent on hours of work, production, or efficiency (e.g., a cash award for a suggestion made by an employee and adopted by an agency);
(2) Reimbursements for travel expenses, or other similar expenses, incurred by an employee in furtherance of an agency’s interest, which are not related to hours of work;
(3) Payments made in recognition of services performed during a given period, if both the fact that payment is to be made and the amount of the payment are determined at the sole discretion of the agency (i.e., discretionary cash awards or bonuses);
(4) Contributions by an agency to a fund for retirement, insurance, or similar benefits;
(5) Extra compensation provided by a premium rate paid for hours of work performed by an employee in excess of eight in a day, or in excess of the normal workweek applicable to the employee;
(6) Extra compensation provided by a premium rate paid for hours of work performed by an employee on a Sunday or a holiday where such premium rate
§ 551.512 Overtime pay entitlement.

(a) An employee’s overtime entitlement under this subpart includes:

(1) The straight time rate of pay times all overtime hours worked; plus

(2) One-half times the employee’s hourly regular rate of pay times all overtime hours worked.

(b) An employee’s “straight time rate of pay” is equal to the employee’s rate of pay for his or her position (exclusive of any premiums, differentials, or cash awards or bonuses) except for an employee who is authorized annual premium pay under §§ 550.141 or 550.151 of this chapter. For an employee who is authorized annual premium pay, straight time rate of pay is equal to basic pay plus annual premium pay divided by the hours for which the basic pay plus annual premium pay are intended.

(c) An employee has been paid in compliance with the overtime pay provisions of this subpart only if the employee has received pay at a rate at least equal to the employee’s straight time rate of pay for all nonovertime hours of work in the workweek.

§ 551.513 Entitlement to other forms of pay.

Overtime pay under this subpart shall be paid in addition to all pay, other than overtime pay, to which the employee is entitled under title 5, United States Code, or any other authority. An employee entitled to overtime pay under this subpart and overtime pay under any authority outside of title 5, United States Code, shall be paid under whichever authority provides the greater overtime pay entitlement in the workweek.

[57 FR 59280, Dec. 15, 1992]

§ 551.514 Nondiscretionary bonuses.

(a) When an employee earns a nondiscretionary cash award or bonus (as opposed to discretionary cash awards or bonuses as described in §551.511(b)(3)), the bonus must be taken into account in determining overtime pay for the period of time during which the bonus was earned. An agency may meet the overtime pay requirements for the bonus period by using one of the procedures described in paragraphs (b) and (c) of this section. The procedures in paragraphs (b)(1) and (b)(2) of this section calculate the additional overtime pay the employee is due. The procedures in paragraphs (b)(3), (c)(2), and (c)(3) of this section describe methods where the overtime pay requirements are met in the calculation or distribution of the bonus itself.

(b) Individual computation methods.

(1) Week-by-week recomputation method. The agency may compute the additional overtime pay owed an employee by allocating the nondiscretionary bonus payable under the agency bonus plan to the weeks or hours during which it was earned and recomputing the employee’s total remuneration, hourly regular rate, and overtime pay for each applicable workweek in the bonus period.

(2) Bonus hourly rate method. The agency may assume that an equal amount of the nondiscretionary bonus applies to each hour worked during the bonus period and divide the employee’s total remuneration, hourly regular rate, and overtime pay for each applicable workweek in the bonus period.

(3) Percentage bonus method. An agency may establish a nondiscretionary bonus as a fixed percentage of total pay (i.e., pre-bonus total remuneration, including straight time pay for any overtime hours, plus any half-rate overtime
pay under §551.512(a)(2)) to be earned by the employee during a future period of service. This method may not be used to circumvent any bonus limitations that might otherwise apply. At the agency’s discretion, the portion of the bonus attributable to the employee’s half-rate overtime pay under §551.512(a)(2) may be excluded in applying bonus limitations, since it can be viewed as constituting additional FLSA overtime pay. (This method does not apply to nondiscretionary bonuses established as a percentage of a segment of pay, such as ratings-based cash awards under §451.104(g) of this chapter that are expressed as a percentage of basic pay, excluding locality adjustments. To meet overtime pay requirements for these types of bonuses, use one of the methods described in paragraphs (b)(1) or (b)(2) of this section.)

(c) Group-based bonus distribution methods. (1) For employees who have earned nondiscretionary group cash awards or bonuses, payment of a bonus under one of the methods of distribution described in paragraphs (c)(2) and (c)(3) of this section is considered to be in full compliance with the overtime pay requirements of this subpart. These methods may not be used to circumvent any bonus limitations that might otherwise apply.

(2) Percentage method. (i) Identify the amount of the group bonus under the agency’s bonus plan and the period of time during which it was earned;

(ii) Establish the group bonus as a percentage of the total pay (i.e., total remuneration before considering the group bonus, including straight time pay for any overtime hours, plus any half-rate overtime pay under §551.512(a)(2)) earned by employees in the group during the bonus period; and

(iii) Divide the amount of the group bonus by the total number of boosted hours for all employees under the group bonus plan to determine the hourly bonus amount by the number of boosted hours credited to each individual employee in the bonus period to determine each employee’s share of the group bonus.

[64 FR 69181, Dec. 10, 1999]

Fractional Hours of Work

§551.521 Fractional hours of work.

(a) An employee shall be compensated for every minute of regular overtime work.

(b) A quarter of an hour shall be the largest fraction of an hour used for crediting irregular or occasional overtime work under this subpart. When irregular or occasional overtime work is performed in other than the full fraction, odd minutes shall be rounded up or rounded down to the nearest full fraction of an hour used to credit overtime work.

[48 FR 36806, Aug. 15, 1983]

Compensatory Time Off

§551.531 Compensatory time off.

(a) At the request of an employee who is not exempt under subpart B of this part, the head of an agency (or designee) may grant compensatory time off from an employee’s tour of duty instead of payment under §551.501 for an equal amount of irregular or occasional overtime work.

(b) At the request of an employee, as defined in 5 U.S.C. 2105, the head of an agency may grant compensatory time off from an employee’s basic work requirement under a flexible work schedule under 5 U.S.C. 6122 instead of payment under §551.501 of this part for an equal amount of overtime work, whether or not irregular or occasional in nature.
§ 551.541 Employees engaged in fire protection activities or law enforcement activities.

(a) An employee engaged in fire protection activities or law enforcement activities shall be paid at a rate equal to one and one-half times the employee’s hourly regular rate of pay for those hours in a tour of duty which exceed the overtime standard for a work period specified in section 7(k) of the Act or which are in excess of 40 hours in a workweek for such an employee who does not receive compensation for those hours of work under 5 U.S.C. 5545 (c)(1) or (c)(2) or 5545b.

(b) The “tour of duty” of an employee engaged in these activities shall include all time the employee is on duty. Meal periods and sleep periods are included in the tour of duty except as otherwise provided in §§551.411(c) and 551.422(b) of this part.

(c) An agency may not require that an employee be compensated for overtime work under this subpart with an equivalent amount of compensatory time off from the employee’s tour of duty. An employee may not directly or indirectly intimidate, threaten, or coerce, or attempt to intimidate, threaten, or coerce any other employee for the purpose of interfering with such employee’s rights to request or not to request compensatory time off in lieu of payment for overtime hours.

(d) The head of an agency may fix time limits for an employee to request and take compensatory time off under this section. If compensatory time off is not requested or taken within the established time limits, the employee must be paid for overtime work at the overtime rate in effect for the work period in which it was earned under this subpart.

(e) The dollar value of compensatory time off when it is liquidated, or for the purpose of applying pay limitations, is the amount of overtime pay the employee would otherwise have received for the hours of the pay period during which compensatory time off was earned by performing overtime work.

§ 551.601 Minimum age standards.

(a) 16-year minimum age. The Act, in section 3(l), sets a general 16-year minimum age, which applies to all employment subject to its child labor provisions, with certain exceptions not applicable here.

(b) 18-year minimum age. The Act, in section 3(l), also sets an 18-year minimum age with respect to employment in any occupation found and declared by the Secretary of Labor to be particularly hazardous for the employment of minors of such age or detrimental to their health or well-being.

§ 551.602 Responsibilities.

(a) Agencies must remain cognizant of and abide by regulations and orders published in part 570 of title 29, Code of Federal Regulations, by the Secretary of Labor regarding the employment of individuals under the age of 18 years. These regulations and orders govern the minimum age at which persons under the age of 18 years may be employed and the occupations in which they may be employed. Persons under the age of 18 years must not be employed in occupations or engage in work deemed hazardous by the Secretary of Labor.

(b) OPM will decide complaints concerning the employment of persons
under the age of 18 years. Complaints must be filed following the procedures set forth in subpart G of this part.

Subpart G—FLSA Claims and Compliance

Source: 62 FR 67251, Dec. 23, 1997, unless otherwise noted.

§ 551.701 Applicability.

(a) Applicable. This subpart applies to FLSA exemption status determination claims, FLSA pay claims for minimum wage or overtime pay for work performed under the Act, and complaints arising under the child labor provisions of the Act.

(b) Not applicable. This subpart does not apply to claims or complaints arising under the equal pay provisions of the Act. The equal pay provisions of the Act are administered by the Equal Employment Opportunity Commission.

§ 551.702 Time limits.

(a) Claims. A claimant may at any time file a complaint under the child labor provisions of the Act or an FLSA claim challenging the correctness of his or her FLSA exemption status determination. A claimant may also file an FLSA claim concerning his or her entitlement to minimum wage or overtime pay for work performed under the Act; however, time limits apply to FLSA pay claims. All FLSA pay claims filed on or after June 30, 1994, are subject to a 2-year statute of limitations.

(b) Statute of limitations. An FLSA pay claim filed on or after June 30, 1994, is subject to the statute of limitations contained in the Portal-to-Portal Act of 1947, as amended (section 255a of title 29, United States Code), which imposes a 2-year statute of limitations, except in cases of a willful violation where the statute of limitations is 3 years. In deciding a claim, a determination must be made as to whether the cause or basis of the claim was the result of a willful violation on the part of the agency.

(c) Preserving the claim period. A claimant or a claimant’s designated representative may preserve the claim period by submitting a written claim either to the agency employing the claimant during the claim period or to OPM. The date the agency or OPM receives the claim is the date that determines the period of possible entitlement to back pay. The claimant is responsible for proving when the claim was received by the agency or OPM. The claimant should retain documentation to establish when the claim was received by the agency or OPM, such as by filing the claim using certified, return receipt mail, or by requesting that the agency or OPM provide written acknowledgment of receipt of the claim. If a claim for back pay is established, the claimant will be entitled to pay for a period of up to 2 years (3 years for a willful violation) back from the date the claim was received.

§ 551.703 Avenues of review.

(a) Negotiated grievance procedure (NGP) as exclusive administrative remedy. If at any time during the claim period, a claimant was a member of a bargaining unit covered by a collective bargaining agreement that did not specifically exclude matters under the Act from the scope of the negotiated grievance procedure, the claimant must use that negotiated grievance procedure as the exclusive administrative remedy for all claims under the Act. There is no right to further administrative review by the agency or by OPM. The remaining sections in this subpart (that is, §§ 551.704 through 551.710) do not apply to such employees.

(b) Non-NGP administrative review by agency or OPM. A claimant may file a claim with the agency employing the claimant during the claim period or with OPM, but not both simultaneously, regarding matters arising under the Act if, during the entire claim period, the claimant—

(1) Was not a member of a bargaining unit, or

(2) Was a member of a bargaining unit not covered by a collective bargaining agreement, or

(3) Was a member of a bargaining unit covered by a collective bargaining agreement that specifically excluded matters under the Act from the scope of the negotiated grievance procedure.

(c) Judicial review. Nothing in this subpart limits the right of a claimant to bring an action in an appropriate
§ 551.704 Claimant’s representative.

A claimant may designate a representative to assist in preparing or presenting a claim. The claimant must designate the representative in writing. A representative may not participate in OPM interviews unless specifically requested to do so by OPM. An agency may disallow a claimant’s representative who is a Federal employee in any of the following circumstances:

(a) When the individual’s activities as a representative would cause a conflict of interest or position;
(b) When the designated representative cannot be released from his or her official duties because of the priority needs of the Government; or
(c) When the release of the designated representative would give rise to unreasonable costs to the Government.

§ 551.705 Filing an FLSA claim.

(a) Filing an FLSA claim. A claimant may file an FLSA claim with either the agency employing the claimant during the claim period or with OPM, but a claimant cannot pursue the same claim with both at the same time. OPM encourages a claimant to obtain a decision on the claim from the agency before filing the claim with OPM. However, a claimant is not required to do this. This a matter of personal discretion and a claimant may use either avenue. A claimant who receives an unfavorable decision on a claim from the agency may still file the claim with OPM. However, a claimant may not file the claim with the agency after receiving an unfavorable decision from OPM. An OPM decision on a claim is final and is not subject to further administrative review.

(b) FLSA claim filed with agency. An FLSA claim filed with an agency should be made according to appropriate agency procedures. At the request of the claimant, the agency may forward the claim to OPM on the claimant’s behalf. The claimant is responsible for ensuring that OPM receives all the information requested in paragraph (b) of this section.

(c) FLSA claim filed with OPM. An FLSA claim filed with OPM must be made in writing and must be signed by the claimant or the claimant’s representative. Relevant information may be submitted to OPM at any time following the initial submission of a claim to OPM and prior to OPM’s decision on the claim. The claim must include the following:

1. The identity of the claimant (see §551.706(a)(2) regarding requesting confidentiality) and any designated representative, the agency employing the claimant during the claim period, the position (job title, series, and grade) occupied by the claimant during the claim period, and the current mailing address, commercial telephone number, and facsimile machine number, if available, of the claimant and any designated representative;
2. A description of the nature of the claim and the specific issues or incidents giving rise to the claim, including the time period covered by the claim;
3. A description of actions taken by the claimant to resolve the claim within the agency and the results of any actions taken;
4. A copy of any relevant decision or written response by the agency;
5. Evidence available to the claimant or the claimant’s designated representative which supports the claim, including the identity, commercial telephone number, and location of other individuals who may be able to provide information relating to the claim;
6. The remedy sought by the claimant;
7. Evidence, if available, that the claim period was preserved in accordance with §551.702. The date the claim is received by the agency or OPM becomes the date on which the claim period is preserved;
8. A statement from the claimant that he or she was or was not a member of a collective bargaining unit at any time during the claim period;
9. If the claimant was a member of a bargaining unit, a statement from the claimant that he or she was or was not
covered by a negotiated grievance procedure at any time during the claim period, and if covered, whether that procedure specifically excluded the claim from the scope of the negotiated grievance procedure;

(10) A statement from the claimant that he or she has or has not filed an action in an appropriate United States court; and

(11) Any other information that the claimant believes OPM should consider.

§ 551.706 Responsibilities.

(a) Claimant.

(1) Providing information to OPM. For all FLSA claims, the claimant or claimant’s designated representative must provide any additional information requested by OPM within 15 workdays after the date of the request, unless the claimant or the claimant’s representative requests additional time and OPM grants a longer period of time in which to provide the requested information. The disclosure of information by a claimant is voluntary. However, OPM may be unable to render a decision on a claim without the information requested. In such a case, the claim will be cancelled without further action being taken by OPM. In the case of an FLSA pay claim, it is the claimant’s responsibility to provide evidence that the claim period was preserved in accordance with §551.702 and of the liability of the agency and the claimant’s right to payment.

(2) Requesting confidentiality. If the claimant wishes the claim to be treated confidentially, the claim must specifically request that the identity of the claimant not be revealed to the agency. Witnesses or other sources may also request confidentiality. OPM will make every effort to conduct its investigation in a way to maintain confidentiality. If OPM is unable to obtain sufficient information to render a decision and preserve the requested confidentiality, OPM will notify the claimant that the claim will be cancelled with no further action by OPM unless the claimant voluntarily provides written authorization for his or her name to be revealed.

(b) Agency.

(1) In FLSA exemption status determination claims, the burden of proof rests with the agency that asserts the FLSA exemption.

(2) The agency must provide the claimant with a written acknowledgment of the date the claim was received.

(3) Upon a claimant’s request, and subject to any Privacy Act requirements, an agency must provide a claimant with information relevant to the claim.

(4) The agency must provide any information requested by OPM within 15 workdays after the date of the request, unless the agency requests additional time and OPM grants a longer period of time in which to provide the requested information.

§ 551.707 Withdrawal or cancellation of an FLSA claim.

(a) Withdrawal. A claimant or the claimant’s representative may withdraw a claim at any time prior to the issuance of an OPM FLSA claim decision by providing written notice to the OPM office where the claim was filed.

(b) Cancellation. OPM may, at its discretion, cancel an FLSA claim if the claimant or the claimant’s designated representative fails to provide requested information within 15 workdays after the date of the request, unless the claimant or the claimant’s representative requests additional time and OPM grants a longer period of time in which to provide the requested information. OPM may, at its discretion, reconsider a cancelled claim on a showing that circumstances beyond the claimant’s control prevented pursuit of the claim.

§ 551.708 Finality and effect of OPM FLSA claim decision.

OPM will send an FLSA claim decision to the claimant or the claimant’s representative and the agency. An FLSA claim decision made by OPM is final. There is no further right of administrative appeal. At its discretion, OPM may reconsider a decision upon a showing that material information was not considered or there was a material error of law, regulation, or fact in the original decision. A decision by OPM
§ 551.709 Availability of information.

(a) Except when the claimant has requested confidentiality, the agency and the claimant must provide to each other a copy of all information submitted with respect to the claim.

(b) When a claimant has not requested confidentiality, OPM will disclose to the parties concerned the information contained in an FLSA claim file. When a claimant has requested confidentiality, OPM will delete any information identifying the claimant before disclosing the information in an FLSA claim file to the parties concerned. For the purposes of this subpart, the parties concerned means the claimant, any representative designated in writing, and any representative of the agency or OPM involved in the proceeding.

(c) Except when the claimant has requested confidentiality or the disclosure would constitute a clearly unwarranted invasion of personal privacy, OPM, upon a request which identifies the individual from whose file the information is sought, will disclose the following information from a claim file to a member of the public:

1. Confirmation of the name of the individual from whose file the information is sought and the names of the other parties concerned;
2. The remedy sought;
3. The status of the claim;
4. The decision on the claim; and
5. With the consent of the parties concerned, other reasonably identified information from the file.

**PART 553—REEMPLOYMENT OF MILITARY AND CIVILIAN RETIREES TO MEET EXCEPTIONAL EMPLOYMENT NEEDS**

Subpart A—General Provisions

§ 553.101 Applicability.

This part applies to employment of civilian annuitants who would be subject to termination of annuity or annuity offset under 5 U.S.C. 8344 or 5 U.S.C. 8468. Agencies may request exceptions as provided in subpart B of this part from the reemployed annuitant provisions of 5 U.S.C. 8344 (for Civil Service Retirement System annuitants) or 8468 (for Federal Employees’ Retirement System annuitants), as appropriate.

[65 FR 19644, Apr. 12, 2000]

§ 553.102 Definitions.

(a) Agency, as used in this part, means an executive agency as defined in 5 U.S.C. 105.

(b) Annuitant, as used in this part, refers to a current or former civilian employee who is receiving, or meets the legal requirements and is applying or has announced intention to apply for, an annuity under subchapter III of chapter 83 or chapter 84 of title 5, United States Code, based on his or her service.

(c) Retiree, as used in this part refers to an annuitant as defined in paragraph (b) of this section.

§ 553.103 General policy.

(a) Agency discretion and responsibility. The decision to request an exception, or to grant an exception under delegated authority, for any individual under any of the provisions of this part will be at the discretion of the employing agency. A determination made in connection with one position does not require a like determination in connection with any other position. In deciding whether to request an exception or grant an exception under delegated authority, each agency is expected to weigh fiscal responsibility and employee equity and should consider such factors as availability of funds as well as the criteria set out in this part.

(b) Application of exceptions. An exception to the salary offset provisions of 5 U.S.C. 8344 or 8468 authorized by OPM or an agency under this part applies only to the particular individual for whom it was authorized and only while that individual continues to serve in the same or a successor position. The exception terminates upon the individual’s assignment to a different position unless a new exception is authorized under the provisions of this part.

Subpart B—Special Provisions for Reemployment Without Penalty To Meet Exceptional Recruiting or Retention Needs

§ 553.201 Requesting OPM approval for reemployment without reduction in individual cases.

(a) Request by agency head. The head of an agency may request OPM to approve individual exceptions on a case-by-case basis to meet temporary emergency hiring needs or when the agency has encountered exceptional difficulty in recruiting or retaining a qualified candidate for a particular position. Authority to submit such a request may
§ 553.201  

not be redelegated to an official below the agency’s headquarters level (or, in the case of the Department of Defense, to an official below the headquarters level of the military department or Defense agency).

(b) Requirements for all requests. (1) Each request must identify the individual for whom the exception is requested, the appointing authority to be used, and the position to which he or she will be appointed.

(2) The request must be submitted in accordance with the criteria set out in paragraph (c), paragraph (d), or paragraph (e) of this section.

(3) Unless the request is submitted in accordance with paragraph (c) of this section, the individual must be off the agency’s rolls before submission.

(4) Unless the request is submitted in accordance with paragraph (c) of this section, or involves employment that is excluded from retirement coverage, a request for continuation of an annuity that would otherwise be terminated under 5 U.S.C. 8344 or 8468 must show that continuation of the annuity would be within the spirit of the applicable law.

(c) Requests based on an emergency hiring need. An agency may request reemployment without penalty for an individual whose services are needed on a temporary basis to respond to an emergency involving a direct threat to life or property or other unusual circumstances. Requests submitted on this basis must meet the following criteria:

(1) Nature of emergency. Describe the military threat, natural disaster, or other unforeseen occurrence, the date it occurred, and the expected duration of the emergency response effort.

(2) Need for the individual’s services. The agency must show either that the individual is uniquely qualified for the emergency response work to be done or that the number of positions to be filled and/or urgency of response justifies making the particular appointment without further delay. OPM will not approve reemployment without penalty under 5 U.S.C. 8344, or 8468 solely to meet normal seasonal workload fluctuations.

(d) Requests based on severe recruiting difficulty. Generally, requests for exception will be based on exceptional difficulty in recruiting a qualified candidate for a particular position. Requests submitted on this basis must include a description of the length, breadth, and results of the agency’s recruiting efforts for the position and any other factors demonstrating that a legitimate recruiting need cannot be met without the requested waiver. These factors may include, but are not limited to, unusual qualification requirements or working conditions, possibility of job reengineering or contracting, or a need to fill the position without further delay.

(e) Exceptions based on need to retain a particular individual. In very rare cases, an exception may be appropriate when an agency needs to retain the services of a particular individual who is uniquely qualified for an ongoing project. Requests submitted on this basis must meet the following criteria:

(1) Critical nature of project. The agency must describe the importance of the project to the agency’s mission, the potential costs of project failure or delay, legislative or Presidential deadlines, if any, and any other factors demonstrating that the project is unusually critical. Exceptions will not be approved under this paragraph merely to avoid delay in scheduled completion of ongoing work.

(2) Candidate’s unique qualifications. The agency must describe the knowledges, skills, and abilities possessed by the individual that are essential for successful completion of the project and that could not be acquired by another appointee within a reasonable time.

(3) Need for retention. The agency must show good cause to believe that the employee will retire (or, in the case of an individual currently reemployed without an exception, will resign from that position) and that the agency will lose his or her services if the exception is not granted.

(4) Other staffing options. While an agency in this situation is not required to conduct outside recruiting, the request for exception must address why the work could not be assigned to other employees involved with the same project.
§ 572.101 Agency authority.

(a) An agency may determine which positions qualify for the payment of a new appointee’s travel expenses to the first post of duty. Payment of travel and transportation expenses will be in accordance with the Federal Travel Regulation (FTR) (41 CFR chapters 301–304).

(b) An agency may determine which interviewees are eligible for payment with the law, the regulations, and the agreement itself.

§ 572.102  Agency discretion.

Payment of travel expenses for any individual candidate or appointee will be at the discretion of the employing agency. A decision by one agency that payment is appropriate for a particular position does not require a like determination by any other agency filling similar positions. A decision made in connection with one specific vacancy does not require a like decision in connection with future vacancies. In deciding to pay travel and transportation or interview expenses in filling any position, the agency should consider such factors as availability of funds as well as the desirability of conducting interviews for a particular job or offering a recruiting incentive to a particular candidate.

§ 572.103  Recordkeeping.

Each agency will maintain records of payments made under this authority and will make those records available to OPM on request.

Subpart A—Recruitment Bonuses

§ 575.101  Purpose.

This subpart provides regulations to implement 5 U.S.C. 5753, which authorizes payment of a recruitment bonus of up to 25 percent of the annual rate of basic pay to a newly appointed employee, provided there is a determination that, in the absence of such a bonus, difficulty would be encountered in filling the position.

[60 FR 33325, June 28, 1995]

§ 575.102  Delegation of authority.

(a) Except as provided in paragraph (b) of this section, the head of an agency (or, with respect to positions not under the General Schedule, the head
of an Executive agency) may pay a recruitment bonus to an employee who is newly appointed to—

(1) A General Schedule position paid under 5 U.S.C. 5332;

(2) A senior-level or scientific or professional position paid under 5 U.S.C. 5376;

(3) A Senior Executive Service position paid under 5 U.S.C. 5383 or a Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service position paid under 5 U.S.C. 3151;

(4) A position as a law enforcement officer, as defined in §550.103 of this chapter.

(5) A position under the Executive Schedule established under subchapter II of chapter 53 of title 5, United States Code, or a position the rate of pay for which is fixed by law at a rate equal to a rate for the Executive Schedule; or

(6) An executive branch position filled by Presidential appointment (with or without the advice and consent of the Senate).

(b) The delegation of authority under paragraph (a) of this section shall not apply to the payment of a recruitment bonus to—

(1) The head of an agency, including an agency headed by a collegial body composed of two or more individual members; or

(2) An employee appointed to a position in the expectation of receiving an appointment as the head of an agency.

(c) The head of an Executive agency may request that OPM authorize the payment of a recruitment bonus to one or more categories of employees of his or her agency not otherwise covered by 5 U.S.C. 5753 or this subpart.

(d) When OPM finds that an agency is not paying recruitment bonuses in conformance with the agency’s recruitment bonus plan and the criteria established under §575.104 of this part or otherwise determines that the agency is not using this authority selectively and judiciously, it may—

(1) Direct the agency to revoke or suspend the authority granted to any organizational component of the agency and with respect to any category or categories of employees and require that prior approval be secured at headquarters level before paying a recruitment bonus to such employees; or

(2) Revoke or suspend the authority granted to the head of the agency by paragraph (a) of this section for all or any part of the agency and with respect to any category or categories of employees and require that prior OPM approval be secured before paying a recruitment bonus to such employees.

§575.103 Definitions.

In this subpart: Agency has the meaning given that term in 5 U.S.C. 5102.

Commuting area has the meaning given that term in §575.203.

Employee means—

(a) An employee in or under an agency who is newly appointed; or

(b) An individual not yet employed who has received a written offer to be newly appointed and has signed a written service agreement in accordance with §575.106 prior to payment of the recruitment bonus.

Head of agency means the head of an agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.

Involuntarily separated refers to a separation initiated by an agency against the employee’s will and without his or her consent for reasons other than cause on charges of misconduct or delinquency. An involuntary separation includes a separation resulting from the employee’s actual inability to do the work following genuine efforts to do so, but does not include a separation under part 752 of this chapter or an equivalent procedure for reasons that involve culpable wrongdoing on the part of the employee. In addition, when an employee is separated because he or she declines to accept reassignment outside his or her commuting area, the separation is involuntary if the employee’s position description or other written agreement does not provide for such reassignment. However, an employee’s separation is not involuntary if, after such a written mobility agreement is added, the employee accepts one reassignment outside his or her
§575.104 Agency recruitment bonus plans; higher level review and approval; and criteria for payment.

(a) Agency recruitment bonus plans. (1) Before paying a recruitment bonus under this subpart, the head of an agency shall establish a recruitment bonus plan.

(2) A recruitment bonus plan shall include the following elements:

(i) The designation of officials with authority to review and approve payment of recruitment bonuses;

(ii) Criteria that must be met or considered in authorizing bonuses, including criteria for determining the amount of a bonus;

(iii) Procedures for paying bonuses;

(iv) Requirements for service agreements; and

(v) Documentation and record-keeping requirements sufficient to allow reconstruction of the action.

(b) Higher level review and approval.

(1) Except as provided in paragraph (b)(2) of this section, each determination to pay a recruitment bonus, including the amount of such bonus, shall be reviewed and approved by an official of the agency who is at a higher level than the official who made the initial decision, unless there is no official at a higher level in the agency.

(2) When necessary to make a timely offer of employment, a higher level official may establish criteria for offering recruitment bonuses in advance and authorize the recommending official to offer a recruitment bonus (in any amount within a pre-established range) to any candidate without further review or approval.

(c) Criteria for payment.

(1) Each bonus paid under this subpart shall be based on a written determination that, in the absence of such a bonus, the agency would encounter difficulty in filling the position. Such a determination shall be made before the employee actually enters on duty in the position for which he or she was recruited. An agency may target groups of positions that have been difficult to fill in the past or that may be difficult to fill in the future and may make the required written determination to offer a recruitment bonus on a group basis.

(2) In determining whether a recruitment bonus should be paid and in determining the amount of any such payment, an agency shall consider the following factors, as applicable in the case at hand:

(i) The success of recent efforts to recruit candidates for similar positions,
§ 575.109 Records and reports.

(a) Each agency shall keep a record of each determination required by §575.104(c) of this part and make such records available for review upon request by OPM. Each agency shall promptly submit a report of each such determination as a part of its regular submission to OPM’s Central Personnel Data File.

(b) So that OPM can evaluate agencies’ use of this authority and provide the Congress and others with information regarding the use of recruitment bonuses, each agency shall maintain such other records and submit to OPM such other reports and data as OPM shall require.
§ 575.201 Purpose.

This subpart provides regulations to implement 5 U.S.C. 5753, which authorizes payment of a relocation bonus of up to 25 percent of the annual rate of basic pay to an employee who must relocate to accept a position in a different commuting area, provided there is a determination that, in the absence of such a bonus, difficulty would be encountered in filling the position.

(60 FR 33326, June 28, 1995)

§ 575.202 Delegation of authority.

(a) Except as provided in paragraph (b) of this section, the head of an agency (or, with respect to positions not under the General Schedule, the head of an Executive agency) may pay a relocation bonus to an employee appointed to—

(1) A General Schedule position paid under 5 U.S.C. 5332;

(2) A senior-level or scientific or professional position paid under 5 U.S.C. 5376;

(3) A Senior Executive Service position paid under 5 U.S.C. 5383 or a Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service position paid under 5 U.S.C. 3151;

(4) A position as a law enforcement officer, as defined in §550.103 of this chapter;

(5) A position under the Executive Schedule established under subchapter II of chapter 53 of title 5, United States Code, or a position the rate of pay for which is fixed by law at a rate equal to a rate for the Executive Schedule; or

(6) An executive branch position filled by Presidential appointment (with or without the advice and consent of the Senate).

(b) The delegation of authority under paragraph (a) of this section shall not apply to the payment of a relocation bonus to—

(1) The head of an agency, including an agency headed by a collegial body composed of two or more individual members; or

(2) An employee appointed to a position in the expectation of receiving an appointment as the head of an agency.

(c) The head of an Executive agency may request that OPM authorize the payment of a relocation bonus to one or more categories of employees of his or her agency not otherwise covered by 5 U.S.C. 5753 or this subpart.

(d) When OPM finds that an agency is not paying relocation bonuses in conformance with the agency’s relocation bonus plan and the criteria established under §575.204 of this part or otherwise determines that the agency is not using this authority selectively and judiciously, it may—

(1) Direct the agency to revoke or suspend the authority granted to any organizational component of the agency and with respect to any category or categories of employees and require that prior approval be secured at headquarters level before paying a relocation bonus to such employees; or

(2) Revoke or suspend the authority granted to the head of the agency by paragraph (a) of this section for all or any part of the agency and with respect to any category or categories of employees and require that prior OPM approval be secured before paying a relocation bonus to such employees.

§ 575.203 Definitions.

In this subpart: Agency has the meaning given that term in 5 U.S.C. 5102.

Commuting area means the geographic area surrounding a work site that encompasses the localities where people live and reasonably can be expected to travel back and forth daily to work, as established by the employing agency based on the generally held expectations of the local community. When an employee’s residence is within the standard commuting area for a work site, the work site is within the employee’s commuting area. When an employee’s residence is outside the standard commuting area for a proposed new work site, the employee’s commuting area is deemed to include the expanded area surrounding the employee’s residence and including all destinations that can be reached via a commuting trip that is not significantly more burdensome than the current commuting

590
trip. This excludes a commuting trip from a residence where the employee planned to stay only temporarily until he or she could find a more permanent residence closer to his or her work site. For this purpose, a commuting trip to a new work site is considered significantly more burdensome if it would compel the employee to change his or her place of residence in order to continue employment, taking into account commuting time and distance, availability of public transportation, cost, and any other relevant factors.

Employee means—
(a) An individual in the civil service (as defined in 5 U.S.C. 2101) who is relocated without a break in service upon appointment to a position in or under an agency in a different commuting area; or
(b) An employee in or under an agency whose duty station is changed permanently or temporarily to a different commuting area.

Head of agency means the head of an agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.

Involuntarily separated refers to a separation initiated by an agency against the employee’s will and without his or her consent for reasons other than cause on charges of misconduct or delinquency. An involuntary separation includes a separation resulting from the employee’s actual inability to do the work following genuine efforts to do so, but does not include a separation under part 752 of this chapter or an equivalent procedure for reasons that involve culpable wrongdoing on the part of the employee. In addition, when an employee is separated because he or she declines to accept assignment outside his or her commuting area, the separation is involuntary if the employee’s position description or other written agreement does not provide for such reassignment. However, an employee’s separation is not involuntary if, after such a written mobility agreement is added, the employee accepts one reassignment outside his or her commuting area, but subsequently declines another such reassignment.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position to which the employee is being relocated or, in the case of an employee who is entitled to grade or pay retention, the employee’s retained rate of pay, before deductions and exclusive of additional pay of any kind, such as locality-based comparability payments under 5 U.S.C. 5304 or special pay adjustments for law enforcement officers under section 404 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509).

Service agreement means a written agreement between an agency and an employee under which the employee agrees to a specified period of employment with the agency at the new duty station to which relocated in return for payment of a relocation bonus.

§575.204 Agency relocation bonus plans; higher level review and approval; criteria for payment; and exceptions to case-by-case approval.

(a) Agency relocation bonus plans. (1) Before paying a relocation bonus under this subpart, the head of an agency shall establish a relocation bonus plan.
(2) A relocation bonus plan shall include the following elements:
(i) The designation of officials with authority to review and approve payment of relocation bonuses;
(ii) Criteria that must be met or considered in authorizing bonuses, including criteria for determining the size of a bonus;
(iii) Procedures for paying bonuses;
(iv) Requirements for service agreements; and
(v) Documentation and recordkeeping requirements sufficient to allow reconstruction of the action.

(b) Higher level review and approval. Except as provided in paragraph (d) of this section, each determination to pay a relocation bonus, including the amount of such bonus, shall be reviewed and approved by an official of an agency who is at a higher level than the official who made the initial decision, unless there is no official at a higher level in the agency.

(c) Criteria for payment. (1) Each bonus paid under this subpart shall be
§ 575.205 Payment of relocation bonus.

(a) A relocation bonus shall be calculated as a percentage of the employee’s annual rate of basic pay and paid as a lump sum. Except as provided in paragraph (b) of this section, the amount of a relocation bonus may not exceed 25 percent of the employee’s annual rate of basic pay. It shall not be considered part of an employee’s rate of basic pay for any purpose.

(b) The amount of a relocation bonus may not exceed the greater of $15,000 or 25 percent of a law enforcement officer’s annual rate of basic pay in the case of—

(1) A law enforcement officer, as defined in §550.103 of this chapter, with respect to whom the provisions of chapter 51 of title 5, United States Code, apply;

(2) A member of the United States Secret Service Uniformed Division;

(3) A member of the United States Park Police;

(4) A special agent within the Diplomatic Security Service;

(5) A probation officer (referred to in section 3672 of title 18, United States Code); and

(6) A pretrial services officer (referred to in section 3153 of title 18, United States Code).

(c) Before a relocation bonus may be paid to an employee, the employee must establish a residence in the new commuting area.

§ 575.206 Service agreement.

Before a relocation bonus may be paid, an agency shall require that the employee sign a written service agreement to complete a specified period of employment with the appointing agency (or the successor agency in the event of a transfer of function) at the new duty station.

§ 575.207 Repayment of relocation bonus.

(a) Except as provided in paragraph (d) of this section, an employee who fails to complete the period of employment established under a service agreement shall be indebted to the Federal Government and shall repay the relocation bonus on a pro rata basis. The amount to be repaid shall be determined by providing credit for each full month of employment completed by the employee under the service agreement.

(b) Failure to complete the period of employment established under a service agreement occurs when the employee's service with the agency at the new duty station terminates before the employee completes the period of employment specified in the service agreement.

(c) Amounts owed by an employee under paragraph (a) of this section shall be recovered from the employee under the agency’s regulations for collection by offset from an indebted Government employee under 5 U.S.C. 5514 and subpart K of part 550 of this chapter.

(d) Paragraph (a) of this section does not apply when an employee fails to complete the period of employment established under a service agreement because the employee is involuntarily separated or because of a written determination by the head of the agency that it is necessary to relocate the employee to a position in a different commuting area.

(e) A right of recovery of an employee’s debt under 5 U.S.C. 5514 may be waived in whole or in part by the head of the agency if he or she determines that recovery would be against equity and good conscience or against the public interest.

§ 575.208 Internal monitoring.

Each agency shall monitor the use of relocation bonuses to ensure that its relocation bonus plan conforms to the requirements established under this subpart and that the payment of relocation bonuses conforms to the criteria established under this subpart.

[60 FR 33327, June 28, 1995]

§ 575.209 Records and reports.

(a) Each agency shall keep a record of each determination required by § 575.204(c) of this part and make such records available for review upon request by OPM. Each agency shall promptly submit a report of each such determination as a part of its regular submission to OPM’s Central Personnel Data File.

(b) So that OPM can evaluate agencies’ use of this authority and provide the Congress and others with information regarding the use of relocation bonuses, each agency shall maintain such other records and submit to OPM such other reports and data as OPM shall require.

Subpart C—Retention Allowances

§ 575.301 Purpose.

This subpart provides regulations to implement 5 U.S.C. 5754, which authorizes payment of a retention allowance of up to 25 percent of basic pay to a current employee if the unusually high or unique qualifications of the employee or a special need of the agency for the employee's services makes it essential to retain the employee, and the agency determines that the employee would be likely to leave in the absence of a retention allowance.

§ 575.302 Delegation of authority.

(a) Except as provided in paragraph (b) of this section, the head of an agency (or, with respect to positions not under the General Schedule, the head of an Executive agency) may pay a retention allowance to an employee who holds—

(1) A General Schedule position paid under 5 U.S.C. 5332;

(2) A senior-level or scientific or professional position paid under 5 U.S.C. 5376;

(3) A Senior Executive Service position paid under 5 U.S.C. 5383 or a Federal Bureau of Investigation and Drug Enforcement Administration Senior Executive Service position paid under 5 U.S.C. 3151;

(4) A position as a law enforcement officer, as defined in § 550.103 of this chapter;

[60 FR 33327, June 28, 1995]
§ 575.303 Definitions.

In this subpart: Agency has the meaning given that term in 5 U.S.C. 5102.

Employee means an employee in or under an agency.

Head of agency means the head of an agency or an official who has been delegated the authority to act for the head of the agency in the matter concerned.

Rate of basic pay means the rate of pay fixed by law or administrative action for the position held by an employee or, in the case of an employee who is entitled to grade or pay reten-
tion, the employee’s retained rate of pay, before deductions and exclusive of additional pay of any kind, such as locality-based comparability payments under 5 U.S.C. 5304 or special pay adjustments for law enforcement officers under section 404 of the Federal Em-

§ 575.304 Conditions for payment.

(a) An agency may not begin payment of a retention allowance during a period of employment established under any service agreement required for payment of a recruitment bonus under subpart A of this part or reloca-
tion bonus under subpart B of this part. After retention allowance payments have commenced, a relocation bonus may be paid without affecting the payment of a retention allowance.

(b) An agency may pay a retention allowance to an employee if the em-
ployee is likely to leave the Federal service for any reason.

(c) An agency may not pay a reten-
tion allowance to an employee who is likely to leave his or her position for employment in the executive, legisla-
tive, or judicial branch of the Federal Government, whether in the same or a different agency.

(d) An agency may not offer a reten-
tion allowance to an individual (or au-
thorize the payment of such an allow-
ance) prior to the individual’s employ-
ment with the agency.
§ 575.305 Agency retention allowance plans; higher level review and approval; and criteria for payment.

(a) Agency retention allowance plans. (1) Before paying a retention allowance under this subpart, the head of an agency shall establish a retention allowance plan.

(2) A retention allowance plan shall include the following elements:

(i) The designation of officials with authority to review and approve payment of retention allowances;

(ii) Criteria that must be met or considered in authorizing allowances, including criteria for determining the size of an allowance;

(iii) Procedures for paying allowance; and

(iv) Documentation and record-keeping requirements sufficient to allow reconstruction of the action.

(b) Higher level review and approval. Each determination to pay a retention allowance, including the amount of such allowance, shall be reviewed and approved by an official of an agency who is at a higher level than the official who made the initial decision, unless there is no official at a higher level in the agency.

(c) Criteria for payment. (1) Each allowance paid under this subpart shall be based on a written determination that the unusually high or unique qualifications of the employee or a special need of the agency for the employee’s services makes it essential to retain the employee and that, in the absence of such an allowance, the employee would be likely to leave the Federal service.

(2) The determination required by paragraph (c)(1) of this section shall be based on a written description of the extent to which the employee’s departure would affect the agency’s ability to carry out an activity or perform a function that is deemed essential to the agency’s mission.

(3) In determining whether a retention allowance should be paid and in determining the amount of any such payment, an agency shall consider the following factors, as applicable in the case at hand:

(i) The success of recent efforts to recruit candidates and retain employees with qualifications similar to those possessed by the employee for positions similar to the position held by the employee; and

(ii) The availability in the labor market of candidates for employment who, with minimal training or disruption of service to the public, could perform the full range of duties and responsibilities assigned to the position held by the employee.

(d) Approval of retention allowances for groups or categories of employees. (1)(i) An agency may authorize a retention allowance of up to 10 percent of an employee’s rate of basic pay for a group or category of employees (excluding individuals covered by §575.302(a) (2), (3), (5), or (6) or those in similar positions with respect to which the authority to approve retention allowances has been delegated to agency heads by OPM under §575.302(c)) based on a written determination that the category of employees has unusually high or unique qualifications, or that the agency has a special need for the employees’ services that makes it essential to retain the employees in that category, and that it is reasonable to presume that there is a high risk that a significant number of employees in the targeted category are likely to leave Federal service in the absence of the allowance.

(ii) The determination that there is a high risk that a significant number of employees in the targeted category are likely to leave may be based on evidence of extreme labor market conditions, high demand in the private sector for the knowledge and skills possessed by the employees, significant disparities between Federal and private sector salaries, or other similar conditions.

(iii) The targeted category should be narrowly defined using factors that relate to the conditions described in paragraph (d)(1)(i) of this section. Factors that may be appropriate include the following: occupational series, grade level, distinctive job duties, unique qualifications, assignment to a special project, minimum agency service requirements, organization or team designation, geographic location, and performance level.

(While performance level may be a factor used in defining the targeted category, performance level by itself is...
§ 575.306 Payment of retention allowance.

(a) A retention allowance shall be calculated as a percentage of the employee’s rate of basic pay (not to exceed 25 percent) and paid in the same manner and at the same time as basic pay—i.e., the allowance shall be paid at an hourly rate for each hour during which the employee receives basic pay. It shall not be considered part of an employee’s rate of basic pay for any purpose.

(b) The head of an agency may not authorize a retention allowance for an employee if or to the extent that such an allowance, when added to the employee’s estimated aggregate compensation, as defined in $530.202 of this chapter, would cause the aggregate compensation actually received by the employee during the calendar year to exceed the rate payable for level I of the Executive Schedule at the end of the calendar year.

(c) Except as provided in §575.307(a) of this part, an agency may continue payment of a retention allowance as long as the conditions giving rise to the original determination to pay the allowance still exist. However, at least annually, each determination to pay an allowance shall be reviewed by the agency to determine whether the payment is still warranted, and this determination shall be certified in writing by the approving official.

(d) A retention allowance is not payable for purposes of a lump-sum payment for annual leave under 5 U.S.C. 5551 or 5552.

§ 575.307 Reduction or termination of retention allowance.

(a) The agency must reduce or terminate the authorized amount of a retention allowance to the extent necessary to ensure that the employee’s estimated aggregate compensation, as defined in $530.202 of this chapter, does not exceed the rate for level I of the Executive Schedule at the end of the calendar year.

(b) The head of an agency may reduce or terminate payment of a retention allowance when it determines that—

(1) A lesser amount (or none at all) would be sufficient to retain the employee (or group or category of employees);

(2) Labor-market factors make it more likely (or reasonably likely) to recruit a candidate with qualifications similar to those possessed by the employee (or group or category of employees);

(3) The agency’s need for the services of the employee (or group or category of employees) has been reduced to a
level that makes it unnecessary to continue payment at the level originally approved (or at all); or

(4) Budgetary considerations make it difficult to continue payment at the level originally approved (or at all).

(c) The reduction or termination of a retention allowance may not be appealed. However, the preceding sentence shall not be construed to extinguish or lessen any right or remedy under subchapter II of chapter 12 of Title 5, United States Code, or any of the laws referred to in 5 U.S.C. 2302(d).

§ 575.309 Records and reports.

(a) Each agency shall keep a record of each determination required by §575.305(c) of this part and make such records available for review upon request by OPM. Each agency shall promptly submit a report of each such determination as a part of its regular submission to OPM’s Central Personnel Data File.

(b) So that OPM can evaluate agencies’ use of this authority and provide the Congress and others with information regarding the use of retention allowances, each agency shall maintain such other records and submit to OPM such other reports and data as OPM shall require.

Subpart D—Supervisory Differentials

§ 575.401 Purpose.

This subpart provides regulations to implement 5 U.S.C. 5755, which authorizes payment of a supervisory differential to an employee under the General Schedule who has supervisory responsibility for one or more civilian employees not under the General Schedule if one or more of the subordinate civilian employees would, in the absence of such a differential, be paid more than the supervisory employee.

§ 575.402 Delegation of authority.

(a) The head of an agency may pay a supervisory differential to a supervisor who is—

(1) In a General Schedule position paid under 5 U.S.C. 5332; and

(2) Responsible for providing direct, technical supervision over the work of one or more civilian employees whose positions are not under the General Schedule if the continuing pay (as determined under §575.405(d) of this part) of one or more of the subordinates would, in the absence of such a differential, be more than the continuing pay (as determined under §575.405(c) of this part) of the supervisor.

(b) A supervisory differential may not be paid on the basis of supervising a civilian employee whose rate of basic pay exceeds the maximum rate of basic pay established for grade GS–15 on the pay schedule applicable to the GS supervisor, including a schedule for any applicable locality rate of pay under 5 U.S.C. 5304, a special law enforcement adjusted rate of pay under section 404 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509), or any applicable special rate of pay under 5 U.S.C. 5305.

§ 575.403 Definitions.

In this subpart:

Agency has the meaning given that term in 5 U.S.C. 5102.

Continuing pay means the aggregate of all continuing payments and annual premium pay received by an employee at any one time.

Continuing payment means basic pay and any other form of pay that is paid in the same manner and at the same time as basic pay—i.e., for periods during which an employee receives basic pay.

Employee has the meaning given that term in 5 U.S.C. 5102.
§ 575.404 Use of authority.

(a) Each determination to pay a supervisory differential shall be made in writing under procedures established by each agency.  
(b) The procedures established by each agency under paragraph (a) of this section shall provide that—

(1) Each determination to pay a supervisory differential, including the amount of such differential, shall be reviewed and approved by an official of the agency who is at higher level than the official who made the initial decision, unless there is no official at a higher level in the agency; and

(2) In determining whether to use the authority under 5 U.S.C. 5755 and this subpart and in determining the amount of such differential, the relationship in pay among supervisors under the General Schedule in the same organizational component of the agency shall be considered, as well as the relationship in pay between the supervisor and his or her subordinate(s).

(3) Each determination to pay a supervisory differential shall be documented.

§ 575.405 Calculation and payment of supervisory differential.

(a) A supervisory differential shall be calculated as a percentage of the supervisor’s rate of basic pay or as a dollar amount and shall be paid in the same manner and at the same time as the supervisor’s basic pay—i.e., the differential shall be paid at an hourly rate for each hour during which the supervisor receives basic pay.

(b) The amount of a supervisory differential shall not cause the supervisor’s continuing pay, as determined under paragraph (c) of this section, to exceed the continuing pay of the highest paid subordinate not under the General Schedule, as determined under paragraph (d) of this section, by more than 3 percent.

(c) For purposes of comparing the continuing pay of a supervisor whose position is under the General Schedule with the continuing pay of a subordinate whose position is not under the General Schedule, the following payments shall be included in determining the amount of continuing pay received by the supervisor:

(1) Basic pay, including a retained rate of pay under 5 U.S.C. 5363 and part 536 of this chapter or other similar authority;

(2) A locality-based comparability payment under 5 U.S.C. 5304, a continued rate adjustment under subpart G of part 531 of this chapter, or a special pay adjustment for law enforcement officers under section 404 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509);  

(3) A staffing differential under section 209 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509);

(4) A retention allowance under 5 U.S.C. 5754;

(5) Any other continuing payment, except night, Sunday, or holiday premium pay or a hazardous duty differential under chapter 55 of title 5, United States Code;

(6) Premium pay paid on an annual basis under 5 U.S.C. 5545(c); and

(d) For purposes of comparing the continuing pay of a supervisor whose position is under the General Schedule with the continuing pay of a subordinate whose position is not under the General Schedule, the following payments shall be included in determining the amount of continuing pay received by the subordinate:

(1) Basic pay, excluding a night or environmental differential under 5 U.S.C.
§ 575.406 Adjustment or termination of supervisory differential.

(a) An agency may establish procedures that allow for adjusting or terminating a supervisory differential at any time the agency determines it is appropriate to do so.

(b) A supervisory differential shall be terminated when the continuing pay of the supervisor (not including the supervisory differential) exceeds the continuing pay of the highest paid subordinate whose position is not under the General Schedule.

(c) A supervisory differential shall be reduced or terminated, as appropriate, when the continuing pay of the supervisor (including the supervisory differential) exceeds the continuing pay of the highest paid subordinate whose position is not under the General Schedule by more than 3 percent.

(d) The effective date of a reduction or termination of a supervisory differential under paragraph (b) or (c) of this section shall be not later than 30 calendar days after the date on which the event that necessitates the reduction or termination occurs.

(e) Each determination to adjust a supervisory differential shall be made in writing under procedures established by each agency similar to those established under §575.404 of this part.

(f) The reduction or termination of a supervisory differential may not be appealed. However, the preceding sentence shall not be construed to extinguish or lessen any right or remedy under subchapter II of chapter 12 of title 5, United States Code, or under any of the laws referred to in 5 U.S.C. 2302(d).

§ 575.407 Records.

(a) Each agency shall keep a record of each determination required by §§575.404(a) and 575.406(e) of this part. Each record shall contain sufficient information to allow reconstruction of the action, including the basis for determining the amount of the differential and the comparison of continuing pay required by §575.405(b) of this part.

(b) Each agency shall promptly submit a report of each determination made to establish, adjust, or terminate a supervisory differential as a part of its regular submission to OPM’s Central Personnel Data File.

PART 576—WAIVER OF REPAYMENT OF VOLUNTARY SEPARATION INCENTIVE PAYMENTS

Subpart A—Reemployment and Waiver of Repayment

Sec.

576.101 Repayment requirement.

576.102 Requesting Office of Personnel Management approval for waiver of repayment.
§ 576.101 Repayment requirement.
(a) Who is covered. This subpart covers any executive agency employee who received a voluntary separation incentive payment on or after March 30, 1994, including employees of the Department of Defense and Central Intelligence Agency.
(b) What is covered. This subpart covers reemployment of any duration, under any authority, in the Federal Government of the United States, within 5 years of the date of the separation on which payment of an incentive is based.
(c) What is required. The employee must repay the entire amount of the voluntary separation incentive payment, including all deductions for taxes, etc., to the agency that made the payment. Repayment will be made as provided in 5 U.S.C. 5514, as implemented in part 550, subpart K, of this chapter, or other appropriate authority.
(d) Exception to the repayment requirement. If the individual accepts reemployment with an Executive agency, the Office of Personnel Management may waive repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position. Each waiver must be approved individually, as provided in § 576.102 of this part. Waivers of repayment are not required for individuals who work as unpaid volunteers for the Federal Government.

§ 576.102 Requesting Office of Personnel Management approval for waiver of repayment.
(a) Request by agency head. The head of an Executive agency may request the Office of Personnel Management to approve a waiver of repayment for an individual when the agency has determined that the individual involved possesses unique abilities and is the only qualified applicant available for the position. Authority to submit such a request may not be redelegated to an official below the agency’s headquarters level (or, in the case of the Department of Defense, to an official below the headquarters level of the military department or Defense agency).
(b) Content of requests. Each request must:
1. Identify the individual for whom the exception is requested, the appointing authority to be used, and the position to which he or she will be appointed.
2. Describe how the position is essential to accomplishing the agency’s mission and how the individual is uniquely qualified for the position.
3. Describe the length, breadth, and results of the agency’s recruiting efforts for the position and any other factors demonstrating that the individual is the only qualified applicant available for the position.
4. If the individual is being reemployed in the agency that paid the separation incentive, demonstrate why the recruiting need could not be foreseen at the time of separation.
(c) Application of exceptions. A waiver of repayment of a separation incentive approved by the Office of Personnel Management under this part applies only while the individual for whom it was approved continues to serve in the same or a successor position. The waiver terminates if the individual is assigned to a different position during the 5-year period in which repayment is required, unless OPM approves a new waiver.

Where the legal process is directed to, and the purpose of the legal process is to compel a governmental entity which holds moneys which are otherwise payable to an individual, to make a payment from such moneys in order to satisfy a legal obligation of such individual to provide child support or make alimony payments, the legal process need not expressly name the governmental entity as a garnishee.

(d) Governmental entities affected by legal process served under this part shall not be required to vary their normal pay or disbursement cycles to comply with the legal process. However, legal process, valid at the time of service, which is received too late to be honored during the disbursement cycle in which it is received, shall be honored to the extent that the legal process may be satisfied during the next disbursement cycle within the limits set forth in § 581.402. The fact that the legal process may have expired during this period would not relieve the governmental entity of its obligation to honor legal process which was valid at the time of service. If, in the next disbursement cycle, no further payment will be due from the entity to the obligor, the entity shall follow the procedures set forth in § 581.306.

(e) Neither the United States, any disbursing officer, nor any governmental entity shall be liable for any payment made from moneys due from, or payable by, the United States to any individual pursuant to legal process regular on its face, if such payment is made in accordance with this part.

(f) Governmental entities affected by legal process served under this part shall not be required to vary their normal pay or disbursement cycles to comply with the legal process. However, legal process, valid at the time of service, which is received too late to be honored during the disbursement cycle in which it is received, shall be honored to the extent that the legal process may be satisfied during the next disbursement cycle within the limits set forth in § 581.402. The fact that the legal process may have expired during this period would not relieve the governmental entity of its obligation to honor legal process which was valid at the time of service. If, in the next disbursement cycle, no further payment will be due from the entity to the obligor, the entity shall follow the procedures set forth in § 581.306.

§ 581.306 Lack of moneys due from, or payable by, a governmental entity served with legal process.

(a) When legal process is served on a governmental entity, and the individual identified in the legal process as the obligor is found not to be entitled to moneys (the entitlement to which is based upon remuneration for employment) due from, or payable by, the governmental entity, the entity shall follow the procedures set forth in the legal process for that contingency or, if no procedures are set forth therein, shall return the legal process to the court, or other authority from which it was issued, and advise the court, or other authority, that no moneys, the
§ 581.307 Compliance with legal process requiring the payment of attorney fees, interest, and/or court costs.

Before complying with legal process that requires withholding for the payment of attorney fees, interest, and/or court costs, the governmental entity must determine that the legal process meets both of the following requirements:

(a) The legal process must expressly provide for inclusion of attorney fees, interest, and/or court costs as (rather than in addition to) child support and/or alimony payments;

(b) The awarding of attorney fees, interest, and/or court costs as child support and/or alimony must be within the authority of the court, authorized official, or authorized State agency that issued the legal process. It will be deemed to be within the authority of the court, authorized official, or authorized State agency to award attorney fees as child support and/or alimony if such order is not in violation of or inconsistent with State or local law, even if State or local law does not expressly provide for such an award.

which is 12 weeks prior to that workweek. An obligor shall be considered to be supporting a spouse, dependent child, or both, only if the obligor provides over half of the support for a spouse, dependent child or both.

(2) Sixty percent of the obligor’s aggregate disposable earnings for any workweek, where the obligor fails to assert by affidavit or establishes by other acceptable evidence, that he or she is supporting a spouse, dependent child, or both, other than a former spouse, child, or both, with respect to whose support such order is issued, except that an additional five percent will apply if it appears on the face of the legal process, or from other evidence submitted in accordance with § 581.202(d), that such earnings are to enforce a support order for a period which is 12 weeks prior to that workweek.

(3) Where, under § 581.302(a)(2), an obligor submits evidence that he or she is supporting a second spouse, child, or both a second spouse and dependent child, copies of the evidence shall be sent by the governmental entity to the garnishor, or the garnishor’s representative, as well as to the court, or other authority as specified in § 581.102(f)(1), together with notification that the obligor’s support claim will be honored. If the garnishor disagrees with the obligor’s support claim, the garnishor should immediately refer the matter to the court, or other authority, for resolution.

(b) In instances where an obligor is receiving remuneration from more than one governmental entity, an authority described in § 581.102(f)(1) may apply the limitations described in paragraph (a) of this section to the total remuneration, i.e., to the combined aggregate disposable earnings received by the obligor.

SOURCE: 60 FR 13030, Mar. 10, 1995, unless otherwise noted.

Subpart A—Purpose, Definitions, and Exclusions

§ 582.101 Purpose.

Section 5520a of title 5 of the United States Code provides that with certain exceptions set forth in this part, pay from an agency to an employee is subject to legal process in the same manner and to the same extent as if the agency were a private person. The purpose of this part is to implement the objectives of section 5520a as they pertain to each executive agency of the United States Government, except with regard to employees of the United States Postal Service, the Postal Rate Commission, and the General Accounting Office.

§ 582.102 Definitions.

In this part—(1) Agency means each agency of the executive branch of the Federal Government, excluding the United States Postal Service, the Postal Rate Commission, and the General Accounting Office; agency does not include the government of the District of Columbia or the territories and possessions of the United States. (Section 5520a(j)(1) of title 5 of the United States Code provides that separate implementing regulations shall be promulgated by the legislative branch and the
judicial branch; section 5520a(k) provides that separate implementing regulations shall be promulgated with regard to members of the uniformed services; and Executive Order 12897 provides that separate implementing regulations shall be promulgated with regard to employees of the United States Postal Service. The regulations promulgated for employees of the United States Postal Service also apply to employees of the Postal Rate Commission.

(2) Employee or employee-obligor means an individual who is employed by an agency as defined in this section, including reemployed annuitants and retired members of the uniformed services who are employed by an agency. Employee does not include a retired employee, member of the uniformed services, a retired member of the uniformed services, or an individual whose service is based on a contract, including individuals who provide personal services based on a contract with an agency.

(3) Legal process means any writ, order, summons, or other similar process in the nature of garnishment, which may include an attachment, writ of execution, court ordered wage assignment, or tax levy from a State or local government, which—

(i) Is issued by:

(A) A court of competent jurisdiction, including Indian tribal courts, within any State, territory, or possession of the United States, or the District of Columbia. As stated in §582.101, pay is subject to legal process in the same manner and to the same extent as if the agency were a private person. There is, therefore, no requirement in this part that, for example, legal process be signed by a Judge; or

(B) An authorized official pursuant to an order of a court of competent jurisdiction or pursuant to State or local law; or

(2) A State agency authorized to issue income withholding notices pursuant to State or local law; and

(ii) Orders an agency to withhold an amount from the pay of an employee-obligor and to make a payment of such withholding to a person, for a specifically described satisfaction of a legal debt of the employee-obligor, or recovery of attorney fees, interest, or court costs;

(4) Person may include an individual, partnership, corporation, association, joint venture, private organization or other legal entity, and includes the plural of that term; person may include any of the entities that may issue legal process as set forth in §582.102(3)(1) (A), (B), and (C), and a State or local government as well as a foreign entity or a foreign governmental unit, but does not include the United States or an agency of the United States.

(5) In conformance with 5 U.S.C. 5520a, pay means basic pay; premium pay paid under chapter 55, subchapter V, of title 5 of the United States Code; any payment received under chapter 55, subchapters VI, VII, and VIII, of title 5 of the United States Code; severance pay and back pay under chapter 55, subchapter IX, of title 5 of the United States Code; sick pay, and any other paid leave; incentive pay; locality pay (including special pay adjustments for law enforcement officers and locality-based comparability payments); back pay awards; and any other compensation paid or payable for personal services, whether such compensation is denominated as pay, wages, salary, lump-sum leave payments, commission, bonus, award, or otherwise; but does not include amounts received under any Federal program for compensation for work injuries; awards for making suggestions, reimbursement for expenses incurred by an individual in connection with employment, or allowances in lieu of thereof as determined by the employing agency.

§582.103 Exclusions.

In determining the amount of pay subject to garnishment under this part, there shall be excluded amounts which:

(a) Are owed by the employee-obligor to the United States;

(b) Are required by law to be deducted from the employee-obligor’s pay, including, but not limited to amounts deducted in compliance with the Federal Insurance and Contributions Act (FICA), including amounts deducted for Medicare and for Old Age,
Survivor, and Disability Insurance (OASDI);
(c) Are properly withheld for Federal, State, or local income tax purposes, if the withholding of the amounts is authorized or required by law and if amounts withheld are not greater than would be the case if the employee-obligor claimed all dependents to which the employee-obligor were entitled. The withholding of additional amounts pursuant to section 3402(i) of title 26 of the United States Code may be permitted only when the employee-obligor presents evidence of a tax obligation which supports the additional withholding;
(d) Are deducted as health insurance premiums;
(e) Are deducted as normal retirement contributions, not including amounts deducted for supplementary coverage. For purposes of this section, all amounts contributed under sections 8351 and 8432(a) of title 5 of the United States Code to the Thrift Savings Fund are deemed to be normal retirement contributions. Except as provided in this paragraph, amounts voluntarily contributed toward additional retirement benefits are considered to be supplementary;
(f) Are deducted as normal life insurance premiums from salary or other remuneration for employment, not including amounts deducted for supplementary coverage. Federal Employees' Group Life Insurance premiums for "Basic Life" coverage are considered to be normal life insurance premiums; all optional Federal Employees' Group Life Insurance premiums and any life insurance premiums paid for by allotment are considered to be supplementary.
(g) Amounts withheld in compliance with legal process based on child support and/or alimony indebtedness are not exclusions.

Subpart B—Service of Legal Process

§ 582.201 Agent to receive process.
(a) Except as provided in appendix A to this part, appendix A to 5 CFR part 581 lists agents designated to accept service of process under part 581 and this part.

(b) United States Attorneys are not considered appropriate agents to accept service of process.

§ 582.202 Service of legal process.
(a) A person using this part shall serve interrogatories and legal process on the agent to receive process as explained in §582.201. Where the legal process is directed to an agency, and the purpose of the legal process is to compel an agency to garnish an employee's pay, the legal process need not expressly name the agency as a garnishee.
(b) Service of legal process may be accomplished by certified or registered mail, return receipt requested, or by personal service only upon the agent to receive process as explained in §582.201, or if no agent has been designated, then upon the head of the employee-obligor's employing agency. The designated agent shall note the date and time of receipt on the legal process.
(c) Parties bringing garnishment actions shall comply with the service of process provisions in this section. Service will not be effective where parties fail to comply with the service of process provisions of this section, notwithstanding whether the person bringing the garnishment action has complied with the service of process requirements of the jurisdiction issuing the legal process.

§ 582.203 Information minimally required to accompany legal process.
(a) Sufficient identifying information must accompany the legal process in order to enable processing by the agency. Parties seeking garnishment actions, therefore, should provide as many of the following identifying pieces of information concerning the employee-obligor as possible:
   (1) Full name;
   (2) Date of birth;
   (3) Employment number or social security number;
   (4) Component of the agency for which the employee-obligor works;
   (5) Official duty station or worksite; and
   (6) Home address or current mailing address.
(b) If the information submitted is not sufficient to identify the employee-
obligor, the legal process shall be returned directly to the court, or other authority, with an explanation of the deficiency. However, prior to returning the legal process, if there is sufficient time prior to the time limits imposed in §582.303, an attempt should be made to inform the person who caused the legal process to be served, or the person’s representative, that it will not be honored unless adequate identifying information is supplied.

§ 582.204 Electronic disbursement.

The party designated to receive the garnished funds may forward a written request to the garnishing agency to have the funds remitted by electronic funds transfer, rather than by paper check. The request shall include the designated party’s name, address, and deposit account number, and the name, address, and 9-digit routing transit number of the designated party’s financial institution. Written requests accompanying service of process will be honored beginning with the first remission of garnished funds. Written requests received by the agency subsequent to service of process will be honored in as timely a manner as the agency deems feasible.

Subpart C—Compliance With Legal Process

§ 582.301 Suspension of payment.

Upon proper service of legal process as specified in §§582.202 and 582.203, the agency shall suspend, i.e., withhold, payment of such moneys for the amount necessary to permit compliance with the legal process in accordance with this part.

§ 582.302 Notification of employee-obligor.

(a) As soon as possible, but not later than 15 calendar days after the date of valid service of legal process, the agent designated to accept legal process shall send to the employee-obligor, at his or her duty station or last known home address, written notice that such process has been served, including a copy of the legal process;

(b) The agency may provide the employee-obligor with the following additional information:

(1) Copies of any other documents submitted in support of or in addition to the legal process;

(2) Notice that the United States does not represent the interests of the employee-obligor in the pending legal proceedings; and

(3) Advice that the employee-obligor may wish to consult legal counsel regarding defenses to the legal process that he or she may wish to assert.

§ 582.303 Response to legal process or interrogatories.

(a) Whenever the designated agent is validly served with legal process, the agent shall respond within 30 calendar days after receipt, or within such longer period as may be prescribed by applicable State or local law. The agent shall also respond within this time period to interrogatories which accompany legal process. Notwithstanding State law, an agent need only respond once to legal process.

(b) If State or local law authorizes the issuance of interrogatories prior to or after the issuance of legal process, the agent shall respond to the interrogatories within 30 calendar days after being validly served, or within such longer period as may be prescribed by applicable State or local law.

§ 582.304 Nonliability for disclosure.

(a) No agency employee whose duties include responding to interrogatories pursuant to §582.303(b), shall be subject to any disciplinary action or civil or criminal liability or penalty for any disclosure of information made in connection with the carrying out of any duties pertaining directly or indirectly to answering such interrogatories.

(b) However, an agency would not be precluded from taking disciplinary action against an employee who consistently or purposely failed to provide correct information requested by interrogatories.

§ 582.305 Honoring legal process.

(a) The agency shall comply with legal process, except where the process cannot be complied with because:

(1) It is not regular on its face.

(2) The legal process would require the withholding of funds not deemed pay as described in §582.102(a)(5).
§ 582.305

(3) It does not comply with section 5520a of title 5 of the United States Code or with the mandatory provisions of this part; or

(4) An order of a court of competent jurisdiction enjoining or suspending the operation of the legal process has been served on the agency.

(b) While an agency will not comply with legal process which, on its face, indicates that it has expired or is otherwise no longer valid, legal process will be deemed valid notwithstanding the fact that the underlying debt and/or the underlying judgment arose prior to the effective date of section 5520a of title 5 of the United States Code.

(c)(1) The filing of an appeal by an employee-obligor will not generally delay the processing of a garnishment action. If the employee-obligor establishes to the satisfaction of the employee-obligor’s agency that the law of the jurisdiction which issued the legal process provides that the processing of the garnishment action shall be suspended during an appeal, and if the employee-obligor establishes that he or she has filed an appeal, the employing agency shall comply with the applicable law of the jurisdiction and delay or suspend the processing of the garnishment action.

(2) Notwithstanding paragraph (c)(1) of this section, the employing agency shall not be required to establish an escrow account to comply with the legal process even if the applicable law of the jurisdiction requires private employers to do so.

(d) Under the circumstances set forth in §582.305(a) or (b), or where the agency is directed by the Justice Department not to comply with the legal process, the agency shall respond directly to the court, or other authority, setting forth its reasons for non-compliance with the legal process. In addition, the agency shall inform the person who caused the legal process to be served, or the person’s representative, that the legal process will not be honored. Thereafter, if litigation is initiated or appears imminent, the agency shall immediately refer the matter to the United States Attorney for the district from which the legal process issued. To ensure uniformity in the executive branch, agencies which have statutory authority to represent themselves in court shall coordinate their representation with the United States Attorney.

(e) In the event that an agency is served with more than one legal process or garnishment order with respect to the same payments due or payable to the same employee, the agency shall satisfy such processes in priority based on the time of service: Provided, That in no event will the total amount garnished for any pay or disbursement cycle exceed the applicable limitation set forth in §582.402. Provided further, That processes which are not limited in time shall preserve their priority based on time of service until fully satisfied. Generally, a modified order will retain its original priority while a time limited order will lose its priority after it has expired.

(f) Legal process to which an agency is subject under sections 459, 461, and 462 of the Social Security Act (42 U.S.C. 659, 661, and 662) for the enforcement of an employee’s legal obligation to provide child support or to make alimony payments, including child support or alimony arrearages, shall have priority over any legal process to which an agency is subject under this part. In addition to having priority, compliance with legal process to which an agency is subject under sections 459, 461, and 462 of the Social Security Act may exhaust the moneys available for compliance with legal process under this part. See §582.402(a).

(g)(1) Neither the United States, and executive agency, nor any disbursing officer shall be liable for any payment made from moneys due from, or payable by, the United States to any individual pursuant to legal process regular on its face, if such payment is made in accordance with this part.

(2) Neither the United States, an executive agency, nor any disbursing officer shall be liable under this part to pay money damages for failure to comply with the legal process.

(h) Agencies affected by legal process served under this part shall not be required to vary their normal pay or disbursement cycles to comply with the legal process. However, legal process, valid at the time of service, which is received too late to be honored during
the disbursement cycle in which it is received, shall be honored, to the extent that the legal process may be satisfied, during the next disbursement cycle within the limits set forth in \$ 582.402. The fact that the legal process may have expired during this period would not relieve the agency of its obligation to honor legal process which was valid at the time of service. If, in the next disbursement cycle, no further payment will be due from the agency to the employee-obligor, the agency shall follow the procedures set forth in \$ 582.306.

(i) Agencies need not establish escrow accounts in order to comply with legal process. Therefore, even if the amount garnished by an agency in one disbursement cycle is not sufficient to satisfy the entire indebtedness, the agency need not retain those funds until the amount retained would satisfy the entire indebtedness. On the contrary, agencies will, in most instances, remit the garnished amount after each disbursement cycle. Agencies need not pro-rate payments for less than a full disbursement cycle.

(j) If an agency receives legal process which is regular on its face, the agency shall not be required to ascertain whether the authority which issued the legal process had obtained personal jurisdiction over the employee-obligor.

(k) At the discretion of the executive agency, the agency's administrative costs in executing a garnishment may be added to the garnishment amount and the agency may retain costs recovered as offsetting collections. To facilitate recovery of these administrative costs, an administrative fee may be assessed for each legal process that is received and processed by an agency, provided that the fee constitutes the agency's administrative costs in executing the garnishment action.

(l) Where an employee-obligor has filed a bankruptcy petition under section 301 or 302 of title 11 of the United States Code, or is the debtor named in an involuntary petition filed under section 303 of title 11, the agency must cease garnishment proceedings affected by the automatic stay provision, section 362(a) of title 11. Upon filing a petition in bankruptcy or upon learning that he or she is the debtor named in an involuntary petition, the employee-obligor should immediately notify the agency. To enable the agency to determine if the automatic stay applies, the employee-obligor should provide the agency with a copy of the filing or a letter from counsel stating that the petition was filed and indicating the court and the case number, the chapter under which the petition was filed, whether State or federal exemptions were elected, and the nature of the claim underlying the garnishment order.

(m) Within 30 days following the collection of the amount required in the garnishment order, the creditor may submit a final statement of interest that accrued during the garnishment process, and the employing agency shall process the statement for payment, provided the garnishment order authorizes the collection of such interest. This final statement of interest should be accompanied by a statement of account showing how the interest was computed.

\$ 582.306 Lack of entitlement by the employee-obligor to pay from the agency served with legal process.

(a) When legal process is served on an agency and the individual identified in the legal process as the employee-obligor is found not to be entitled to pay from the agency, the agency shall follow the procedures set forth in the legal process for that contingency or, if no procedures are set forth therein, the agency shall return the legal process to the court, or other authority from which it was issued, and advise the court, or other authority, that the identified employee-obligor is not entitled to any pay from the agency.

(b) Where it appears that the employee-obligor is only temporarily not entitled to pay from the agency, the court, or other authority, shall be fully advised as to why, and for how long, the employee-obligor's pay will not be garnished, if that information is known by the agency and if disclosure of that information would not be prohibited.

(c) In instances where an employee-obligor separates from employment with an agency that had been honoring
§ 582.401 Aggregate disposable earnings.

In accordance with the Consumer Credit Protection Act, the aggregate disposable earnings under this part are the employee-obligor’s pay less those amounts excluded in accordance with §582.103.

§ 582.402 Maximum garnishment limitations.

Pursuant to section 1673(a)(1) of title 15 of the United States Code (the Consumer Credit Protection Act, as amended) and the Department of Labor regulations to title 29, Code of Federal Regulations, part 870, the following limitations are applicable:

(a) Unless a lower maximum limitation is provided by applicable State or local law, the maximum part of an employee-obligor’s aggregate disposable earnings subject to garnishment to enforce any legal debt other than an order for child support or alimony, including any amounts withheld to offset administrative costs as provided for in §582.305(k), shall not exceed 25 percent of the employee-obligor’s aggregate disposable earnings for any workweek. As appropriate, State or local law should be construed as providing a lower maximum limitation where legal process may only be processed on a one at a time basis. Where an agency is garnishing 25 percent or more of an employee-obligor’s aggregate disposable earnings for any workweek in compliance with legal process to which an agency is subject under sections 459, 461, and 462 of the Social Security Act, no additional amount may be garnished in compliance with legal process under this part. Furthermore, the following dollar limitations, which are contained in title 29 of the Code of Federal Regulations, part 870, must be applied in determining the garnishable amount of the employee’s aggregate disposable earnings:

(1) If the employee-obligor’s aggregate disposable earnings for the workweek are in excess of 40 times the Fair Labor Standards Act (FLSA) minimum hourly wage, 25 percent of the employee-obligor’s aggregate disposable earnings may be garnished. For example, effective September 1, 1997, when the FLSA minimum wage rate is $5.15 per hour, this rate multiplied by 40 equals $206.00 and thus, if an employee-obligor’s disposable earnings are in excess of $206.00 for a workweek, 25 percent of the employee-obligor’s disposable earnings are subject to garnishment.

(2) If the employee-obligor’s aggregate disposable earnings for a workweek are less than 40 times the FLSA minimum hourly wage, garnishment may not exceed the amount by which the employee-obligor’s aggregate disposable earnings exceed 30 times the current minimum wage rate. For example, at an FLSA minimum wage rate of $5.15 per hour, the amount of aggregate disposable earnings which may not be garnished is $154.50 ($5.15 \times 30). Only the amount above $154.50 is garnishable.

(3) If the employee-obligor’s aggregate disposable earnings in a workweek are equal to or less than 30 times the FLSA minimum hourly wage, the employee-obligor’s earnings may not be garnished in any amount.

(b) There is no limit on the percentage of an employee-obligor’s aggregate disposable earnings that may be garnished for a Federal, State or local tax obligation or in compliance with an order of any court of the United States having jurisdiction over bankruptcy cases under Chapter 13 of title 11 of the United States Code. Orders from courts having jurisdiction over bankruptcy cases under Chapter 7 or Chapter 11 of the United States Code are subject to...

head of the agency in the matter concerned.

Uniform means a specified article or articles of clothing that may include, but is not limited to, such items as shoes, boots, hats, shirts, slacks, skirts, or outerwear an employee is required by an agency to wear to provide a distinctive and easily identifiable appearance in performing his or her job. A “uniform” does not include protective equipment required for the employee’s safety under 5 U.S.C. 7903 or normal business or work attire purchased at the discretion of the employee.

Year means any period of 12 consecutive months designated by an agency as the basis for applying the maximum uniform allowance rates established under this part.

§ 591.103 Governmentwide maximum uniform allowance rate.

Unless a higher initial maximum uniform allowance rate is payable under § 591.104 to an employee who is required by statute, regulation, or an agency’s written administrative procedures to wear a uniform, the head of each agency, out of funds available, shall—

(a) Pay an allowance for a uniform not to exceed $400 a year; or

(b) Furnish a uniform at a cost not to exceed $400 a year.

§ 591.104 Higher initial maximum uniform allowance rate.

(a) The head of an agency may establish one or more initial maximum uniform allowance rates greater than the Governmentwide maximum uniform allowance rate established under § 591.103.

(b) A higher initial maximum uniform allowance rate established under this section may not exceed the average total uniform cost for the minimum basic uniform for the affected employees and, except as provided in paragraph (c) of this section, applies only to the year in which the employee becomes subject to a requirement to wear the uniform.

(c) An agency that establishes one or more higher initial maximum uniform allowance rates under this section may divide the cost of the minimum basic uniform and continue a higher initial maximum uniform allowance for the year following the year the employee first becomes subject to the requirement to wear the uniform, provided the agency publishes a notice of its intention to continue such payments in the Federal Register for notice and comment.

(d) Before establishing a higher initial maximum uniform allowance rate under this section, an agency shall publish in the Federal Register for notice and comment—

(1) A description and justification of the circumstances requiring a higher initial maximum uniform allowance rate;

(2) An estimate of the number of employees affected;

(3) The specific items required for the basic uniform and the average total uniform cost for the affected employees;

(4) The amount of the proposed higher initial maximum uniform allowance rate to be paid during the year the employee first becomes subject to the uniform requirement;

(5) The proposed effective date of the higher initial maximum uniform allowance rate; and,

(6) The intent of the agency (if any) to divide the cost of the minimum basic uniform and continue to make higher initial maximum basic uniform allowance payments in the year following the year the employee first becomes subject to the uniform requirement.

(e) So that OPM can evaluate agencies’ use of this authority and provide the Congress and others with information regarding the use of a higher initial maximum uniform allowance rate, each agency concerned shall maintain such other records and submit to OPM such other reports and data as OPM shall require.

(f) When OPM determines that an agency is using this authority inappropriately, OPM may require its prior approval before that agency establishes any future higher initial maximum uniform allowance rate.

(g) An agency may increase a higher initial maximum uniform allowance rate only as a result of an increase in the average total uniform cost for the affected employees. Before effecting an
§591.201 Definitions.

In this subpart—

Allowance area means a geographic area for which an allowance has been authorized. There may be more than one allowance area within a nonforeign area. Allowance areas are listed in §591.204 of this part.

Day or calendar day means any day of the year. Fractional days are considered whole days.

Differential area means a geographic area for which a post differential has been authorized. Differential areas are listed in §591.208 of this part.

Nonforeign areas are listed in §591.202 of this part.

Nonforeign differential or differential means a post differential established by the Office of Personnel Management and payable under section 5941 of title 5, United States Code, at a location in a nonforeign area if conditions of environment differ substantially from conditions of environment in the contiguous United States and warrant its payment as a recruitment incentive.

(2) Veterans Health Services and Research Administration (Department of Veterans Affairs).

(3) Foreign Service (including the Senior Foreign Service).

(7) Senior-level and scientific and professional positions paid under 5 U.S.C. 5376.

(b) This subpart may be applied, at the sole discretion of the employing agency, to civilian employees in other positions authorized by specific law applicable to such positions, consistent with the intent of 5 U.S.C. 5941.

§ 591.204 Establishment of allowance areas.

(a) The Office of Personnel Management (OPM) designates within nonforeign areas allowance areas where employees are eligible to receive a cost-of-living allowance by virtue of living costs that are substantially higher than those in the Washington, DC, area. In establishing the limits of allowance areas, OPM considers:

(1) The existence of a well defined economic community;

(2) The availability of consumer goods and services;

(3) The concentration of Federal employees covered by this supart; and

(4) Unique circumstances related to a specific location.

(b) The following allowance areas have been established where an allowance is authorized to be paid:

(1) State of Hawaii. (i) City and County of Honolulu.

(ii) County of Kauai.

(iii) County of Maui (including Kalawao County).

(iv) County of Hawaii.

(2) State of Alaska. (i) City of Anchorage and 80-kilometer (50-mile) radius by road.

(ii) City of Fairbanks and 80-kilometer (50-mile) radius by road.

(iii) City of Juneau and 80-kilometer (50-mile) radius by road.

(3) Commonwealth of Puerto Rico. The entire Commonwealth.

(4) The U.S. Virgin Islands.

(5) Territory of Guam and Commonwealth of the Northern Marianas Islands.

(c) The head of a department or agency will submit requests in writing to
§ 591.205  Comparative cost index.

(a) OPM calculates allowance rates for each area by comparing costs of four categories of expenses in the area to those in the Washington, DC area. Two allowance rates are calculated for each area; Local Retail and Commissary/Exchange (see §591.207 of this part). The four categories of expenses are:

1. Consumption goods and services.
2. Transportation.
3. Housing.
4. Miscellaneous expenses.

(b) Costs are determined for several income levels and home occupancy types (renter or owner), and averaged.

1. The cost of consumption goods and services (excluding transportation and housing) will be estimated from appropriate consumer expenditure data at several income levels for a standard family size. The cost of goods and services in the Washington, DC area will be adjusted by a price index reflecting the estimated price difference between the allowance area and the Washington, DC area.

   (i) Goods and services surveyed. The types and amounts of consumption goods and services to be surveyed at each income level will be derived from appropriate consumer expenditure surveys. Whenever possible, exact brands and models are priced in each location. Price data are obtained from appropriate retail outlets in each area. Price data from military facilities are provided by the Department of Defense where needed. Individual items are grouped into categories according to common functions or uses.

   (ii) The item and category weights are derived from consumer expenditure surveys. The category weights vary by income.

2. Transportation costs for each income level and area are estimated using data collected by or for OPM on automobile operating expenses and other factors affecting transportation costs.

3. Housing costs for renters and owners are estimated based on similar housing units. Standard shelter specifications (e.g., type, size, age) are selected for each income level. Appropriate living communities to survey based on the income level and housing type specified are selected for each survey location. Housing data on units within the selected communities meeting the specifications are then collected for newly purchased and previously purchased units. Mortgage interest rate and payment data are collected from lending institutions in the area, utility companies and other sources provide information about utility rates, and local governments provide information on real estate tax rates. These data are then combined to estimate dollar expenditures within each survey area for the specified shelter in the selected community.

4. Miscellaneous expenses. Miscellaneous expenses, including expenses for health care, gifts, contributions, savings and investments, retirement, life insurance, and education, are estimated from consumer expenditure surveys and other data appropriate for Federal employees for each income level.

(c) The dollar amounts estimated for consumption, transportation, housing, and miscellaneous expenses are combined to produce a total dollar amount for renters and a total dollar amount for home owners at each income level. The dollar amounts for renters are combined with the dollar amounts for home owners for each income level by using weights, derived from appropriate consumer expenditure or census data, representing the proportion of renters and owners at each income level. The dollar amounts for each income level are weighted into one average amount to reflect the GS grade distribution for the allowance area. The average allowance area dollar amount is divided by the average Washington, DC, area dollar amount to generate a comparative cost index. The allowance rate for the area is based upon the index.

(d) OPM will describe in detail the calculation of each allowance rate at
§ 591.206 Establishment of allowance rates.

(a) OPM uses the comparative cost indexes for each allowance area to determine the allowance rates for that area. The range of values within which the index value falls determines the appropriate allowance rate, expressed as a percentage of the rate of basic pay for that category of eligible employee.
(b) The following table shows the comparative index range and corresponding allowance rate to be established for an allowance category under § 591.207 of this part:

(c) Allowance area survey summaries, category indexes, and allowance rates are published as notices in the Federal Register.

§ 591.207 Allowance categories, eligibility, and adjustments.

(a) Section 205(b) of Executive Order 10,000, as amended, requires adjustments to allowance payments where warranted because of Federal quarters or special purchasing privileges. These adjustments occur only when the quarters or purchasing privileges are made available as a result of Federal civilian employment and result in substantially lower costs when compared to local area costs.

(b) The places at which differentials are paid are—

(1) American Samoa (including the island of Tutuila, the Manua Islands, and all other islands of the Samoa group east of longitude 171 degrees west of Greenwich, together with Swains Island);
(2) Guam;
(3) The Commonwealth of the Northern Mariana Islands;
(4) Johnston Island and Sand Island; and
(5) Midway Islands and Wake Island.

(2) Federal quarters. If the rent charged an employee by an agency for quarters is less than the net reasonable value rent, after appropriate adjustments, established as prescribed by the Office of Management and Budget, the difference between the rent charged and the reasonable value rent will be deducted from the allowance paid by the employing agency up to, but not exceeding, the amount of the allowance.

(b) The allowance categories that are established in each area are—

(1) “Local Retail,” which applies to those Federal employees who purchase goods and services from private retail establishments.

(2) “Commissary/Exchange,” which applies to those Federal employees who shop at private retail establishments, but who, as a result of their Federal civilian employment, also have unlimited access to commissary and exchange facilities. This category is established only in those allowance areas that have these facilities.

(c) Eligibility for access to commissary and exchange facilities is determined by the appropriate military department. Agencies shall obtain the information needed from employees to determine the applicable allowance category.

§ 591.208 Post differential.

(a) The post differential is based on:

(1) Extraordinarily difficult living conditions;
(2) Excessive physical hardship; or
(3) Notably unhealthful conditions.

(b) The places at which differentials are paid are—

(1) American Samoa (including the island of Tutuila, the Manua Islands, and all other islands of the Samoa group east of longitude 171 degrees west of Greenwich, together with Swains Island);
(2) Guam;
(3) The Commonwealth of the Northern Mariana Islands;
(4) Johnston Island and Sand Island; and
(5) Midway Islands and Wake Island.
§ 591.209 Eligibility for a differential.

A department or agency will determine employee eligibility to receive a differential as follows:

(a) To be eligible to receive a differential:

(1) The employee must be a citizen or national of the United States;

(2) The employee’s residence in the area where the differential applies must be attributable to employment by the United States; and

(3) Any prior residence in the area must be because of employment by the United States or by U.S. firms, interests, or organizations.

(b) Subject to paragraph (a) of this section, the classes of persons eligible to receive differentials include, but are not limited to—

(1) Those recruited or transferred from outside the area where the differential applies.

(2) Those employed in the area where the differential applies but who—

(i) Were originally recruited from outside the area and have been in substantially continuous employment by other Federal agencies, contractors of Federal agencies, or international organizations in which the U.S. Government participates, and whose conditions of employment provide for their return transportation to places outside the differential area concerned; or

(ii) Were at the time of employment temporarily present in the differential area concerned for travel or formal study and maintained residence outside the area during that period.

(3) Those who are not normally residents of the area where the differential applies and who are discharged from the military service of the United States in the area to accept employment there with an agency of the Federal Government.

§ 591.210 Payment of allowances and differentials.

(a) Allowances and differentials under this subpart are payable to an employee whose official duty station is in a nonforeign area for which an allowance or differential is authorized.

(b) Payment of an allowance or differential will begin on the effective date of the change in the employee’s official duty station to a duty station within the allowance or differential area or on the effective date of the appointment in the case of local recruitment. An employee who is detailed for temporary duty in a nonforeign area (i.e., the employee’s official duty station is outside the nonforeign area) is eligible for a differential, but not an allowance, except that payment of a differential shall not begin until after 42 consecutive calendar days of temporary duty in the differential area. Payment of an allowance or differential will cease—

(1) On separation;

(2) On the effective date of assignment or transfer to a new official duty station outside the allowance or differential area; or

(3) On the ending date of a detail, in the case of an employee on detail to temporary duty in a differential area.

(c)(1) Except as provided in paragraph (b)(2) of this section, allowances and differentials shall be calculated and paid as a percentage of an employee’s hourly rate of basic pay, including a retained rate of pay under 5 U.S.C. 3594(c) or 5363, for those hours for which the employee receives basic pay, including all periods of paid leave, detail, or travel status outside the allowance or differential area.

(2) Payment of a differential during periods of paid leave or travel outside the differential area continues for the first 42 consecutive calendar days of the absence. Payment of allowances and differentials while absent from the post continues only if the employee returns to duty status in the area, unless the agency determines that—

(i) It is in the public interest not to return the employee to the duty station; or

(ii) The employee’s failure to return to the duty station was due to compelling personal reasons or to circumstances over which the employee had no control.
(d) An employee assigned to an official duty station for which both an allowance and a differential are authorized under this subpart and eligible for both will receive the full amount of the allowance, plus so much of the differential as will not cause the combined total of allowance and differential to exceed 25 percent of the hourly rate of basic pay.

(e)(1) An allowance or a differential is not part of an employee’s rate of basic pay for the purpose of computing entitlements to overtime pay, retirement, life insurance, or any other additional pay, allowance, or differential under title 5, United States Code.

(2) An allowance or differential is included in an employee’s regular rate of pay for computing overtime pay entitlement under the Fair Labor Standards Act of 1938, as amended.

(f) Payment of an allowance or a differential is not an equivalent increase in pay within the meaning of 5 U.S.C. 5335.

§ 591.211 Periodic review.

In accordance with Executive Order 10,000, OPM reviews from time to time, but at least annually, the places designated, the rates fixed, and the regulations in this subpart that are prescribed for payment of allowances and differentials. This review is to make warranted changes to ensure that payments under this subpart will continue only during the continuance of conditions justifying payment of allowances and differentials and will not in any instance exceed the amount justified. However, if program or methodology revisions would substantially reduce an established differential or allowance rate, then the rate of such additional compensation may be reduced gradually.

§ 591.212 COLA Partnership Pilot Project.

(a) Purpose and duration of COLA Partnership Pilot Project. The COLA Partnership Pilot Project is designed to assess the efficacy of a plan to increase agency and employee involvement in the allowance program. The pilot project shall be in effect for a period not to exceed 2 years from November 21, 1996.

(b) Purpose and establishment of committees. To assist OPM in reviewing and improving the allowance program and to help OPM, affected agencies, and their employees better understand issues relating to the compensation of Federal employees in the allowance areas, OPM may establish one or more COLA partnership committees in the allowance areas and in the Washington, DC area. Committees established under this section function at the discretion of OPM and may be disestablished at any time. A committee may represent agencies and employees in more than one allowance area and will meet from time to time as requested by OPM.

(c) Composition of committees. Each committee shall be composed of one or more representatives of Federal agencies and labor organizations. All committee members shall be current full-time Federal employees performing official business of the Federal Government and will serve at their agencies’ and OPM’s discretion. All non-OPM committee members shall be from the area represented by the committee. The representatives shall be selected as follows:

(1) Agency representatives. (i) OPM will identify the largest agencies (in terms of allowance recipients) in the area represented by the committee. For the Washington, DC area committee, if established, OPM will identify the largest agencies in terms of allowance recipients in all of the allowance areas. OPM will invite up to four agencies each to designate a representative to serve on the committee. In areas where a Federal Executive Association (FEA) or Federal Executive Board (FEB) is located, OPM will invite the FEA or FEB to nominate an FEA or FEB member employed by an agency not otherwise represented on the committee, and OPM will select the nominee in consultation with the nominee’s employing agency. In areas where there is no FEA or FEB, or where an FEA or EB declines to participate, OPM will invite one additional agency selected from among the
§591.212

other agencies in each committee area to designate a representative to serve on the committee on a 1-year rotational basis. To select this agency, OPM will use sampling with probability proportional to the size of the agency. If mutually agreeable among the agencies, they may select representatives using other means and may rotate committee positions among agencies on other than a 1-year rotational basis.

(ii) OPM will appoint one or more of its employees to serve on each COLA partnership committee.

(2) Employee representatives. OPM will identify the largest labor organizations (in terms of allowance recipients) in the area represented by the committee. For the Washington, DC, area committee, if established, OPM will identify the largest labor organizations in terms of allowance recipients in all of the allowance areas. OPM will invite up to four labor organizations each to nominate a representative to serve on the committee. OPM will further invite one additional labor organization selected from among the other labor organizations in each committee area to nominate a representative to serve on the committee. OPM will select committee members from among the nominees in consultation with the nominees’ employing agencies.

(3) Postal Service. No committee shall have a representative from the United States Postal Service (USPS) unless USPS labor organizations have the opportunity to participate as provided by paragraph (g) of this section. No committee shall have more than one employee representative from USPS labor organizations.

(4) Other members. In consultation with the committee members, OPM may invite other current full-time Federal employees to serve on the committees. OPM will coordinate such invitations with the employing agencies.

(d) Functions of committees. COLA partnership committees may—

(1) Advise and assist OPM in planning living-cost surveys;

(2) Provide or arrange for observers for data collection during living-cost surveys;

(3) Advise and assist OPM in the review of survey data;

(4) Advise OPM on its administration of the COLA program, including survey methodology and other issues relating to the compensation of Federal employees in the allowance areas; and

(5) Assist OPM in the dissemination of information to affected employees about the living-cost surveys and the COLA program.

(e) Data collection observers. In consultation with the committees, OPM will determine the number of observers required to accompany OPM officials during the collection of living-cost data. All observers shall be from the local area and shall be full-time Federal employees performing official business of the Federal Government. The committees will nominate observers, and OPM will select from among these nominations in consultation with the nominees’ employing agencies.

(f) Subcommittees. In consultation with the committees, OPM may establish one or more subcommittees to advise the committee on issues relating to the allowance areas and survey areas within the geographic area represented by the committee. If such subcommittees are established, they shall be composed of up to two agency representatives and two employee representatives from the local area, as well as one or more OPM representatives. OPM may, in consultation with the committee and subcommittee, invite additional Federal employees to serve on the subcommittee. Subcommittee agency and employee representatives shall be nominated and appointed in the same manner as committee members. All subcommittee members shall be current full-time Federal employees performing official business of the Federal Government.

(g) Agency release of employees for committee/subcommittee activities. Employers shall cooperate and release nominated
Office of Personnel Management

employees for committee/subcommittee proceedings and activities unless the employers can demonstrate that exceptional circumstances directly related to the accomplishment of the work units’ missions require their presence on their regular jobs. Employees serving as committee or subcommittee members are considered to be on official assignment to an interagency function, rather than on leave.

DEFINITIONS OF ALLOWANCE CATEGORIES

The following are definitions of the allowance categories used in the tables in this appendix.

All Employees: This category covers all Federal employees eligible for an allowance under 5 U.S.C. 5941.

Local Retail: This category covers all Federal employees eligible for an allowance who do not have unlimited access to commissary and exchange facilities by virtue of their Federal civilian employment.

Commissary/Exchange: This category covers all Federal employees eligible for an allowance who have unlimited access to commissary and exchange facilities by virtue of their Federal civilian employment.

NOTE: The appropriate military department determines eligibility for access to military commissary and exchange facilities. If an employee is furnished with these privileges for reasons associated with his or her Federal civilian employment, he or she will receive an identification card that authorizes access to such facilities. Possession of such an identification card is sufficient evidence that the employee uses the facilities.

APPENDIX B OF SUBPART B—PLACES AND RATES AT WHICH DIFFERENTIALS SHALL BE PAID

This appendix lists the places approved for a cost-of-living allowance and shows the allowance rate and any special eligibility requirements for the allowance payment. The allowance percentage rate shown is paid as a percentage of an employee’s rate of basic pay.

Subpart C—Allowance Based on Duty at Remote Worksites

SOURCE: 44 FR 55134, Sept. 25, 1979, unless otherwise noted.

§591.301 Purpose.

This subpart prescribes the regulations required by section 5942 of title 5, United States Code, for the payment of an allowance based on duty at remote worksites.

§591.302 Coverage.

(a) Agencies. This subpart applies to executive departments as defined in section 101 of title 5, United States Code, and to independent establishments as defined in section 104 of title 5, United States Code, but does not apply to Government corporations as defined in section 103 of title 5, United States Code.

(b) Employee. This subpart applies to each employee assigned to a permanent duty station at or within a designated remote duty post, except an employee who is a permanent or temporary resident at the remote duty post, and except foreign nationals employed at remote duty posts in foreign countries.

§591.303 Responsibilities of agencies and the Office of Personnel Management.

(a) Each agency is responsible for:

(1) Establishing and subsequently adjusting, in accordance with the provisions of this subpart, an allowance for each remote duty post at which the agency has employees and which meets the criteria in paragraph (a)(1) of §591.304, as restricted by paragraph (b) of §591.304;

(2) Advising the Office of Personnel Management of each establishment or adjustment of an allowance under paragraph (a)(1) of this section, and of the basis for such establishment or adjustment;

(3) Submitting a recommendation to the Office of Personnel Management to establish or adjust an allowance for each remote duty post at which the agency has employees and which meets the criteria in paragraph (a)(2) or (a)(3) or paragraph (c) of §591.304; and

(4) Advising the Office of Personnel Management in a timely manner of any changes in a duty post or commuting conditions or other factors that may affect an allowance that has been authorized by the Office of Personnel Management under paragraph (b) of this section.

(b) The Office of Personnel Management is responsible for:

(1) Establishing and subsequently adjusting, in accordance with the provisions of this subpart, an allowance for each remote duty post which does not meet the criteria in paragraph (a)(1) of §591.304, but does meet the criteria in paragraph (a)(2) or (a)(3) or paragraph (c) of §591.304;

(2) Reviewing each establishment or adjustment of an allowance by an agency under paragraph (a)(1) of this section to determine if such establishment or adjustment is in accordance with the provisions of this subpart; and

(3) Directing the termination or adjustment of any allowance determined by the Office to be not in accordance with the provisions of this subpart, which termination or adjustment shall be implemented by the agency without delay.

(c) Each allowance which has been authorized by the Office of Personnel Management or the Civil Service Commission on or before February 1, 1979, and which is authorized for a remote duty post which meets the criteria in paragraph (a)(1) of §591.304, shall be subject to further adjustment by the agency under paragraph (a)(1) of this section as if such allowance had been initially authorized by the agency under that paragraph.
§ 591.304 Criteria for determining remoteness.

(a) Except as provided by paragraphs (b) and (c) of this section, a duty post shall be determined to be a remote duty post for basic allowance eligibility purposes when:

(1) Normal ground transportation (e.g., automobile, train, bus) is available on a daily basis and the duty post is 80 kilometers (50 miles), or more, one way from the nearest established community or suitable place of residence. Distance shall be computed in road or rail kilometers (miles) over the most direct route traveled from the center of the city, or other appropriate point for large cities or areas; or

(2) Daily commuting is impractical because the location of the duty post and available transportation are such that agency management requires employees to remain at the duty post for their workweek as a normal and continuing part of the conditions of employment; or

(3) Transportation may be accomplished only by boat, aircraft, or unusual conveyance, or under extraordinary conditions, and the distance, time, and commuting conditions result in expense, inconvenience, or hardship significantly greater than that encountered in metropolitan area commuting. A determination may only be made on an individual location basis.

(b) Except when the criteria in paragraph (a)(2) or (3) of this section are met, the criteria in paragraph (a)(1) of this section are not met:

(1) When the duty post is within the boundary of a metropolitan area, a developed urban area, or community of sufficient size to provide adequate consumer facilities; and

(2) When the duty post is within 80 kilometers (50 miles) of the center of, or other appropriate point for large cities or areas, a metropolitan area, a developed urban area, or community of sufficient size to provide adequate consumer facilities. This generally excludes a post of duty within 80 kilometers (50 miles) of any city of 5,000 or more population.

(c) A determination of remoteness for a duty post outside the 50 United States will be made on an individual location basis, taking into consideration the distance, time, and commuting conditions, and the extent to which these factors result in significant expense, inconvenience, or hardship.

[44 FR 55134, Sept. 25, 1979, as amended by 58 FR 32278, June 9, 1993]

§ 591.305 Allowance rates.

(a) General. An allowance rate may not exceed $10 a day. An allowance rate shall be established for each post of duty determined to be remote under § 591.304, and shall be terminated or adjusted as warranted. In determining the amount of the allowance rate, the following shall be considered:

(1) Transportation expenses incurred in commuting to the remote post of duty as compared to transportation expenses (including cost of public transportation service) representative of those incurred in metropolitan areas within the United States or overseas as appropriate as periodically determined by the Office of Personnel Management.

(2) Expenses incurred for lodging, meals, other services, and miscellaneous expenses when it is not feasible for an employee to commute daily as at duty posts determined under §591.304(a)(2).

(3) Inconvenience or hardship associated with commuting to the remote duty post taking into account such factors as travel time, road conditions and terrain, type and quality of vehicle, and climate conditions, and conditions that exist at those duty posts determined by the Office of Personnel Management to meet the criteria in §591.304(a)(2).

(4) Operational or workload demands, weather conditions, or other situations which require an employee to report to or remain at this post of duty substantially beyond his or her normal arrival or departure time with respect to those duty posts meeting the criteria in §591.304(a)(2).

(b) Authorized allowance rates. Each authorized allowance rate for each duty post may consist of up to three parts, separately stated as appropriate, and the authorized allowance rate shall be paid as provided in §591.306, but no employee may be paid more than $10 a
§ 591.306 Employee eligibility for an allowance.

(a) An authorized allowance rate shall be paid to each employee with a permanent duty station at or within a remote post of duty approved under § 591.304, regardless of type of appointment or work schedule, only (1) when the employee travels the prescribed minimum distance and time, or is subject to prescribed minimum inconvenience or hardship factors, while commuting from the nearest established community or suitable place of residence and the remote duty post, or (2) the employee remains at the worksite at the direction of management because daily commuting is impractical.

(b) An employee shall be paid an authorized allowance rate for those days on which he or she incurs unusual expense in commuting to a remote post of duty or for those days on which he or she is subject to extraordinary inconvenience or hardship during the commuting.

(c) An employee who resides permanently, or temporarily for his or her own convenience at a remote duty post is not eligible for an authorized allowance rate during his or her period of residence.

§ 591.307 Payment of allowance rate.

(a) An authorized allowance rate is earned on a daily basis; however, where appropriate for administrative convenience, the rate may be averaged taking into consideration the number of non-commuting days over a period of time, and paid for each workday, excluding days in a nonpay status and period of extended absence.

(b) The transportation allowance is paid only when expense is incurred and at the lowest rate consistent with available transportation.
Office of Personnel Management

§ 591.308 Relationship to additional pay payable under other statutes.

An allowance authorized under this subpart is in addition to any additional pay or allowances payable under other statutes. It shall not be considered part of the employee’s rate of basic pay in computing additional pay or allowances payable under other statutes.

§ 591.309 Effective date for payment of allowances.

When an allowance is authorized for a remote duty post, the authorization shall specify the effective date that an agency shall begin paying the allowance to its employees, except that a date earlier than January 8, 1971, may not be specified.

§ 591.310 Effect of regulations in this subpart on allowances established under previous statutes.

Regulations in this subpart do not require a reduction in the allowance rates authorized under previous statutes unless an adjustment is determined to be warranted on the basis of a change in facts and circumstances on which that previous allowance was established.

Subpart D—Separate Maintenance Allowance for Duty at Johnston Island

AUTHORITY: 5 U.S.C. 5942a(b); E.O. 12822, 3 CFR, 1992 Comp., p. 325

SOURCE: 58 FR 51566, Oct. 4, 1993, unless otherwise noted.

§591.401 Purpose and applicability.

(a) Purpose. This subpart prescribes the regulations required by section 5942a of title 5, United States Code, to authorize payment of a separate maintenance allowance to assist an employee assigned to Johnston Island to meet the additional expenses of maintaining family members elsewhere who would normally reside with him or her because they cannot accompany the employee to Johnston Island. This subpart provides rules for determining which employees are eligible to receive the separate maintenance allowance, who qualifies as family members under the program, the method of payment, and payment amounts.

(b) Applicability. This subpart applies to an employee (as defined in 5 U.S.C. 2105) in an executive department (as defined in section 101 of title 5, United States Code) or an independent establishment (as defined in section 104 of title 5, United States Code) who is assigned to a post of duty at Johnston Island.

§591.402 Definitions.

Adult, a term used in the Department of State Standardized Regulations (Government Civilians, Foreign Areas), means a family member who is 21 years of age or older.

Family member means one or more of the following relatives of an employee who would normally reside with the employee except for circumstances warranting the granting of a separate maintenance allowance, but who does not receive from the Government an allowance similar to that granted to the employee and who is not deemed to be a family member of another employee for the purpose of determining the amount of a separate maintenance allowance or similar allowance:

1. Children who are unmarried and under 21 years of age or, regardless of age, are incapable of self-support, including natural children, step and adopted children, and those under legal guardianship or custody of the employee or the spouse when they are expected to be under such legal guardianship or custody at least until they reach 21 years of age and when dependent upon and normally residing with the guardian;

2. Parents (including step and legally adoptive parents) of the employee or of the spouse when such parents are at least 51 percent dependent on the employee for support;

3. Sisters and brothers (including step or adoptive sisters and brothers) of the employee or of the spouse, when such sisters and brothers are at least 51 percent dependent on the employee for support, unmarried and under 21 years of age, or regardless of age, are incapable of self-support; or

4. Spouse, excluding a spouse independently entitled to and receiving a similar allowance.

Johnston Island, also called Johnston Atoll, is a possession of the United States located 717 nautical miles southwest of Honolulu, Hawaii.

Separate maintenance allowance means an allowance to assist an employee assigned to Johnston Island who is compelled by reason of dangerous, notably unhealthful, or excessively adverse living conditions at Johnston Island, or for the convenience of the Government, to meet the additional expense of maintaining family members at a location other than Johnston Island.

[61 FR 27234, May 31, 1996]
§ 591.403 Amount of payment.

(a) The annual rate of the separate maintenance allowance paid to an employee shall be determined by the number of individuals, including a spouse and/or one or more other family members, that are maintained at a location other than Johnston Island.

(b) The annual rates for the separate maintenance allowance paid to employees assigned to Johnston Island shall be the same as the annual rates for the separate maintenance allowance established by the Department of State in its Standardized Regulations (Government Civilians, Foreign Areas). The annual rates shall not vary by location of the separate household.

(c) The annual rates of the separate maintenance allowance shall be adjusted on the first day of the first pay period beginning on or after July 1, 1996 and, subsequently, on the first day of the first pay period beginning on or after the effective date established for adjustment of annual rates for the separate maintenance allowance in the Standardized Regulations (Government Civilians, Foreign Areas).

[61 FR 27244, May 31, 1996]

§ 591.404 Method of payment.

(a) Separate maintenance allowance rates are paid from the employee’s date of arrival at Johnston Island to the employee’s date of departure from Johnston Island. No deductions are necessary for details away from Johnston Island or for partial days. The separate maintenance allowance shall be computed and paid at daily rates as follows:

1. Divide the annual rate of payment by the number of days in the applicable calendar year to obtain a daily rate (counting one half-cent and over as a whole cent);

2. Multiply the daily rate by 14 to obtain a biweekly rate; and

3. Multiply the daily rate by the number of days involved to obtain the rate for any period.

(b) A separate maintenance allowance is not part of an employee’s rate of basic pay for any purpose.

(c) The rate for any pay period shall be computed at the daily rate applicable on the first day of that pay period.

§ 591.405 Responsibilities of agencies.

Agencies with employees stationed at Johnston Island may require reasonable verification of relationship and dependency.

[61 FR 27244, May 31, 1996]

§ 591.406 Records and reports.

So that the Office of Personnel Management can evaluate agencies’ use of this authority and provide the Congress and others with information regarding the use of a nonforeign separate maintenance allowance, each agency shall maintain such records and submit to the Office of Personnel Management reports and data as requested.

§ 595.101 General.

Section 5948 of title 5, United States Code, authorizes the payment of allowances to certain eligible Federal physicians who enter into service agreements with their agencies. These allowances are paid only in the case of categories of physicians for which the agency is experiencing recruitment and retention problems, and are fixed at the minimum amounts necessary to deal with such problems. The President has delegated regulatory responsibility for this program to the Director of the Office of Personnel Management, acting in consultation with the Director of the Office of Management and Budget. This part contains the regulations,
Office of Personnel Management

§ 595.102 Coverage and exclusions.
(a) Subsection (g)(1) of 5 U.S.C. 5948 defines those covered by the physicians’ comparability allowance program as individuals employed as physicians under certain Federal pay systems listed in that subsection. For the purposes of this part, an individual is “employed as a physician” only if he or she is serving in a position the duties and responsibilities of which could not be satisfactorily performed by an incumbent who is not a physician.
(b) Subsection (b) of 5 U.S.C. 5948 prohibits the payment of physicians’ comparability allowances to certain physicians, including physicians who are reemployed annuitants. For the purpose of that subsection, a “reemployed annuitant” means an individual who is receiving or has title to and has applied for an annuity under any retirement program of the Government of the United States, or the government of the District of Columbia, on the basis of service as a civilian employee in the civil service.
(c) Physicians employed and paid under title 38, United States Code, and Commissioned Corps officers of the Public Health Service under title 42, United States Code, are not eligible for physicians’ comparability allowances.

§ 595.103 Establishment of categories of physicians.
(a) Under subsection (c) of 5 U.S.C. 5948, the head of each agency employing physicians is required to determine categories of physician positions for which there is a significant recruitment and retention problem, and physicians’ comparability allowances may be paid only to physicians serving in positions in such categories.
(b) In determining categories of physician positions, the head of each agency must, as a minimum, establish as separate categories the following types of positions:
(1) Positions primarily involving the practice of medicine or direct service to patients, involving the performance of diagnostic, preventive, or therapeutic services to patients in hospitals, clinics, public health programs, diagnostic centers, and similar settings, but not including positions described in paragraph (b)(3) of this section;
(2) Positions primarily involving the conduct of medical research and experimental work, including the conduct of medical work pertaining to food, drugs, cosmetics, and devices (or the review or evaluation of such medical research and experimental work), or the identification of causes or sources of disease or disease outbreaks;
(3) Positions primarily involving the evaluation of physical fitness, or the provision of initial treatment of on-the-job illness or injury, or the performance of preemployment examinations, preventive health screenings, or fitness-for-duty examinations; and
(4) Positions not described by paragraph (b) (1), (2), or (3) of this section, including positions involving disability evaluation and rating, the performance of medicolegal autopsies, training activities, or the administration of medical and health programs, including the administration of patient care or medical research and experimental programs.
(c) The agency head may establish as separate categories any additional subdivisions of these four categories of positions, based on any factors the agency head determines relevant. These may include such factors as the location, grade or level, and medical specialization of the positions, and the level of qualifications sought by the agency for physicians in the category.

§ 595.104 Determination of recruitment and retention problem.
A significant recruitment and retention problem shall be considered to exist for each category of physician position established under § 595.103 of this
part only if the four following conditions are met with respect to the category:

(a) Such evidence as vacant positions, an unacceptably high turnover rate, or other positive evidence indicates that the agency is unable to recruit and retain physicians for the category;

(b) The qualification requirements being used as a basis for considering candidates for the vacant positions in the category do not exceed the qualifications that are actually necessary for successful performance of the work of the positions in the category;

(c) The agency has made efforts to recruit qualified candidates for any vacant positions in the category and to retain physicians presently employed in positions in the category; and

(d) A sufficient number of qualified candidates is not available to fill the existing vacancies in the category at the rate of pay the agency may offer if no comparability allowance is paid.

§595.105 Determination of amount of comparability allowance.

(a) The amount of the comparability allowance payable for each category of physician position established under §595.103 of this part must be the minimum amount necessary to deal with the recruitment and retention problem identified under §595.104 of this part for that category of position. In determining this amount, the agency head shall consider the relative earnings, responsibilities, expenses, workload, working conditions, conditions of employment, and personnel benefits for physicians in each category and for comparable physicians inside and outside the Federal Government.

(b) A physician with 24 months or less of service as a Government physician may not be paid a physicians' comparability allowance in excess of $14,000 per annum. A physician with more than 24 months of service as a Government physician may not be paid a physicians' comparability allowance in excess of $30,000 per annum.

(c) In determining length of service as a Government physician, agencies must exclude periods of leave without pay. However, agencies may credit any prior service as a Government physician, including—

(1) Prior service as a physician under sections 7401 and 7405 of title 38, United States Code; and

(2) Prior active service as a medical officer in the Commissioned Corps of the Public Health Service under title II of the Public Health Service Act (42 U.S.C. chapter 6A).

(d) Under subsection (b)(1) of 5 U.S.C. 5948, a physician who is employed on less than a half-time or intermittent basis is excluded from the physicians' comparability allowance program altogether. A physician who is employed on a regularly scheduled part-time basis of half-time or more is eligible to receive an allowance in accordance with this part, but any such allowance shall be prorated according to the proportion of the physicians' work schedule to full-time employment.

(e) A physician who is serving with the Government under a loan repayment program shall have the amount of loan being repaid deducted from any allowance for which he or she is eligible in accordance with this part, and may receive only that portion of such allowance which exceeds the amount of loan being repaid by service during the period in question.

§595.106 Termination of service agreement.

(a) Under subsection (f) of 5 U.S.C. 5948, each service agreement entered into by an agency and a physician under the comparability allowance program may prescribe the terms under which the agreement may be terminated and the amount of allowance, if any, required to be refunded by the physician for each reason for termination. In the case of each service agreement covering a period of service of more than one year, the service agreement must include a provision that, if the physician completes more than one year of service pursuant to the agreement, but fails to complete the full period of service specified in the agreement either voluntarily or because of misconduct by the physician,
§ 595.107 Approval of agency plans.

(a) An agency may not enter into any service agreement under 5 U.S.C. 5948 until the agency’s plan for implementing the physicians’ comparability allowance program has been submitted to and approved by the Office of Management and Budget in accordance with this section and such instructions as the Office of Management and Budget may prescribe.

(b) The agency shall submit to the Office of Management and Budget a complete description of its plan for implementing the physicians’ comparability allowance program, including the following:

1. An identification of the categories of physician positions that the agency has established under §595.103 of this part, and of the basis for such categories;

2. An explanation of the determination that a recruitment and retention problem exists for each such category, in accordance with the criteria in §595.104 of this part; and

3. An explanation of the basis for the amount of comparability allowance determined necessary for each category of physician position under §595.105 of this part.

(c) The Office of Management and Budget shall review each agency’s description of its plan for implementing the physicians’ comparability allowance program and determine if the plan is consistent with the provisions of 5 U.S.C. 5948 and the requirements of this part, and shall advise the agency within 45 calendar days of receipt of the agency’s plan by the Office of Management and Budget whether the plan is so consistent or what changes need to be made in the agency’s plan to make it so consistent.

§ 595.108 Reports.

(a) Because of the experimental and temporary nature of the physicians’ comparability allowance program, it will be necessary for the Office of Personnel Management to collect information on the administration of the program by the agencies, and on the effects the program has on the recruitment and retention of Government physicians. The Office of Personnel Management will prescribe the number, contents, timing, and format of the reports necessary to collect this information, and every agency using the physicians’ comparability allowance program is required to submit such reports as the Office may prescribe. These reports must include, among other things, the following:

1. A listing of the amount of allowance actually paid to the agency’s physicians; and

2. An assessment of the effect of the physicians’ comparability allowance program on the agency’s recruitment and retention of physicians.

(b) The Central Intelligence Agency and the National Security Agency are not subject to the requirements of this section.

(a) The head of each agency, with respect to each full-time employee to whom this subpart applies, shall establish by a written agency policy statement:

(1) A basic workweek of 40 hours which does not extend over more than 6 of any 7 consecutive days. Except as provided in paragraphs (b), (c), and (d) of this section, the written agency policy statement shall specify the days and hours within the administrative workweek that constitute the basic workweek.

(2) A regularly scheduled administrative workweek that consists of the 40-hour basic workweek established in accordance with paragraph (a)(1) of this section, plus the period of regular overtime work, if any, required of each employee. Except as provided in paragraphs (b), (c), and (d) of this section, the written agency policy statement, for purposes of leave and overtime pay administration, shall specify by days and hours of each day the periods included in the regularly scheduled administrative workweek that do not
§ 610.121 Establishment of work schedules.

(a) Except when the head of an agency determines that the agency would be seriously handicapped in carrying out its functions or that costs would be substantially increased, he or she shall provide that—

(1) Assignments to tours of duty are scheduled in advance of the administrative workweek over periods of not less than 1 week;

(2) The basic 40-hour workweek is scheduled on 5 days, Monday through Friday when possible, and the 2 days outside the basic workweek are consecutive;

(3) The working hours in each day in the basic workweek are the same;

(4) The basic nonovertime workday may not exceed 8 hours;

(5) The occurrence of holidays may not affect the designation of the basic workweek; and

(6) Breaks in working hours of more than 1 hour may not be scheduled in a basic workday.

(b)(1) The head of an agency shall schedule the work of his or her employees to accomplish the mission of the agency. The head of an agency shall schedule an employee’s regularly scheduled administrative workweek so that it corresponds with the employee’s actual work requirements.

(2) When the head of an agency knows in advance of an administrative workweek that the specific days and/or hours of a day actually required of an employee in that administrative workweek will differ from those required in the current administrative workweek, he or she shall reschedule the employee’s regularly scheduled administrative workweek to correspond with those specific days and hours. The head of the agency shall inform the employee of the change, and he or she shall record the change on the employee’s time card or other agency document for recording work.

(3) If it is determined that the head of an agency should have scheduled a period of work as part of the employee’s regularly scheduled administrative workweek and failed to do so in accordance with paragraphs (b) (1) and (2) of...
this section, the employee shall be entitled to the payment of premium pay for that period of work as regularly scheduled work under subpart A of part 550 of this chapter. In this regard, it must be determined that the head of the agency: (i) Had knowledge of the specific days and hours of the work requirement in advance of the administrative workweek, and (ii) had the opportunity to determine which employee had to be scheduled, or rescheduled, to meet the specific days and hours of that work requirement.

§ 610.122 Variations in work schedules for educational purposes.

(a) Notwithstanding §610.121, the head of an agency may authorize a special tour of duty of not less than 40 hours to permit an employee to take one or more courses in a college, university, or other educational institution when it is determined that:

(1) The courses being taken are not training under chapter 41 of title 5, United States Code;

(2) The rearrangement of the employee’s tour of duty will not appreciably interfere with the accomplishment of the work required to be performed;

(3) Additional costs for personal services will not be incurred; and

(4) Completion of the courses will equip the employee for more effective work in the agency.

(b) The agency may not pay to the employee any premium pay solely because the special tour of duty authorized under this section causes the employee to work on a day, or at a time during the day, for which premium pay would otherwise be payable.

(c) OPM may from time to time request an agency to report on the use of this authority.

§ 610.123 Travel on official time.

Insofar as practicable travel during nonduty hours shall not be required of an employee. When it is essential that this be required and the employee may not be paid overtime under §550.112(e) of this chapter the official concerned shall record his reasons for ordering travel at those hours and shall, upon request, furnish a copy of his statement to the employee concerned.

Subpart B—Holidays

§ 610.201 Identification of holidays.

[65 FR 48135, Aug. 7, 2000]

§ 610.202 Determining the holiday.

For purposes of pay and leave, the day to be treated as a holiday is determined as follows:

(a) Except when employees are entitled to a different holiday under 5 U.S.C. 6103(b)(3), an employee’s holiday is the day designated by 5 U.S.C. 6103(a) whenever part of the employee’s basic workweek (as defined in §610.102) or basic work requirement (as defined in 5 U.S.C. 6121(3)) is scheduled on that day.

(b) When a holiday falls on a nonworkday outside an employee’s basic workweek, the day to be treated as his or her holiday is determined in accordance with sections 6103 (b) and (d) of title 5, United States Code, and Executive Order 11582.

(c) When an agency determines the holiday in accordance with section 6103(d) of title 5, United States Code, for an employee under a compressed work schedule, the agency shall select a workday for the holiday that is in the same biweekly pay period immediately preceding or following that pay period.

(d) The provisions of section 6103(b)(3) of title 5, United States Code, on determining holidays for certain employees at duty posts outside the United States apply to covered employees who are working outside the United States at a permanent or temporary station or under travel orders. § 610.405 Holiday for part-time employees on flexible work schedules.
If a part-time employee is relieved or prevented from working on a day within the employee’s scheduled tour of duty that is designated as a holiday by Federal statute or Executive order, the employee is entitled to basic pay for the number of hours of the compressed work schedule on that day.

(b) If a part-time employee is relieved or prevented from working on a day within the employee’s scheduled tour of duty that is designated as a holiday by Federal statute or Executive order, the employee is entitled to basic pay for the number of hours of the compressed work schedule on that day. Leave year means the period beginning with the first day of the first complete pay period in a calendar year and ending with the day immediately before the first day of the first complete pay period in the following calendar year.

Medical certificate means a written statement signed by a registered practicing physician or other practitioner certifying to the incapacitation, examination, or treatment, or to the period of disability while the patient was receiving professional treatment.

Serious health condition has the meaning given that term in §630.1202.

Uncommon tour of duty means an established tour of duty that exceeds 80 hours of work in a biweekly pay period, provided the tour—
(1) Includes hours for which the employee is compensated by standby duty pay under 5 U.S.C. 5545(c)(1) and §550.141 of this chapter;
(2) Is a regular tour of duty (as defined in §550.1302 of this chapter) established for firefighters compensated under 5 U.S.C. 5545b and part 550, subpart M, of this chapter; or
(3) Is authorized for a category of employees by the Office of Personnel Management.

United States means the several States and the District of Columbia.

§630.202 Full biweekly pay period; leave earnings.

(a) Full-time employees. A full-time employee earns leave during each full biweekly pay period while in a pay status or in a combination of a pay status and a nonpay status.

(b) Part-time employees. Hours in a pay status in excess of an agency’s basic working hours in a pay period are disregarded in computing the leave earnings of a part-time employee.

§630.203 Pay periods other than biweekly.

An employee paid on other than a biweekly pay period basis earns leave on a pro rata basis for a full pay period.

§630.204 Fractional pay periods.

When an employee’s service is interrupted by a non-leave-earning period, he earns leave on a pro rata basis for each fractional pay period that occurs within the continuity of his employment.

§630.205 [Reserved]

§630.206 Minimum charge.

(a) Unless an agency establishes a minimum charge of less than one hour, or establishes a different minimum charge through negotiations, the minimum charge for leave is one hour, and additional charges are in multiples thereof. If an employee is unavoidably or necessarily absent for less than one hour, or tardy, the agency, for adequate reason, may excuse him without charge to leave.

(b) When an employee is charged with leave for an unauthorized absence or tardiness, the agency may not require him to perform work for any part of the leave period charged against his account.

§630.207 Travel time.

The travel time granted an employee under section 6303(d) of title 5, United States Code, is inclusive of the time necessarily occupied in traveling to and from his post of duty and (a) the United States, or (b) his place of residence, which is outside the area of employment, in the Commonwealth of Puerto Rico or the territories or possessions of the United States. The employee shall designate his place of residence in his request for leave under section 6303(d) of title 5, United States Code.
§ 630.208 Reduction in leave credits.

(a) When the number of hours in a nonpay status in a full-time employee's leave year equals the number of basepay hours in a pay period, the agency shall reduce his credits for leave by an amount equal to the amount of leave the employee earns during the pay period. When the employee's number of hours of nonpay status does not require a reduction of leave credits, the agency shall drop those hours at the end of the employee's leave year. For the purpose of determining the reduction of leave credits under this paragraph when an employee has one or more breaks in service during a leave year, the agency shall include all hours in a nonpay status (other than nonpay status during a fractional pay period when no leave accrues) for each period of service during the leave year in which annual leave accrued.

(b) An employee who is in a nonpay status for his entire leave year does not earn leave.

(c) When a reduction in leave credits results in a debit to an employee's annual leave account at the end of a leave year, the agency shall:

(1) Carry the debit forward as a charge against the annual leave to be earned by the employee in the next leave year; or

(2) Require the employee to refund the amount paid him for the period covering the excess leave that resulted in the debit.

(d) A period covered by an employee's refund for unearned advanced leave is deemed not a nonpay status under this section.

§ 630.209 Refund for unearned leave.

(a) When an employee who is indebted for unearned leave is separated, the agency shall:

(1) Require him to refund the amount paid him for the period covering the leave for which he is indebted; or

(2) Deduct that amount from any pay due him.

An employee who enters active military service with a right of restoration is deemed not separated for the purpose of this paragraph.

(b) This section does not apply when an employee:

(1) Dies;

(2) Retires for disability; or

(3) Resigns or is separated because of disability which prevents him from returning to duty or continuing in the service, and which is the basis of the separation as determined by his agency on medical evidence acceptable to it.

§ 630.210 Uncommon tours of duty.

(a) An agency may require that an employee with an uncommon tour of duty accrue and use leave on the basis of that uncommon tour of duty. The leave accrual rates for such employees shall be directly proportional (based on the number of hours in the biweekly tour of duty and the accrual rate of the corresponding leave category) to the standard leave accrual rates for employees who accrue and use leave on the basis of an 80-hour biweekly tour of duty. One hour (or appropriate fraction thereof) of leave shall be charged for each hour (or appropriate fraction thereof) of absence from the uncommon tour of duty.

(b) When an employee is converted to a different tour of duty for leave purposes, his or her leave balances shall be converted to the proper number of hours based on the proportion of hours in the new tour of duty compared to the former tour of duty.

(c) An agency must require that firefighters compensated under § 550.1303(a) of this chapter accrue and use leave on the basis of the applicable uncommon tour of duty.

§ 630.211 Exclusion of Presidential appointees.

(a) Authority. (1) Section 6301(2)(xi) of title 5, United States Code, authorizes the President to exclude certain Presidential appointees in the executive branch or the government of the District of Columbia from the annual and sick leave provisions of subchapter I of chapter 63 of title 5, United States Code, and from the related provisions of this part.

(2) The President, by Executive Order 10540, as amended, has delegated to the Office of Personnel Management the...
responsibility for making exclusions under section 6301(2)(xi), and the Office of Personnel Management has delegated responsibility to the head of each agency consistent with the provisions of this section.

(3) Presidential appointees in positions where the rate of basic pay is equal to or exceeds the rate for level V of the Executive Schedule are already excluded from the annual and sick leave provisions by 5 U.S.C. 6301(2)(x). Therefore, no further action by an agency is necessary to exclude these appointees.

(b) Criteria for exclusions. The head of an agency may exclude an officer in the agency from the annual and sick leave provisions only if the officer meets all of the following criteria:

(1) The officer is a Presidential appointee;
(2) The officer is not a United States attorney or United States marshal; and
(3) The officer’s responsibilities for carrying out the duties of the position continue outside normal duty hours and while away from the normal duty post.

(c) Revocation of exclusion. The head of an agency may revoke an exclusion from the annual and sick leave provisions which was made under this section.

(d) Reports. The head of an agency must report any exclusion, or revocation of an exclusion, authorized under this section to the Office of Personnel Management.

(e) Continuation of previous authorizations. Any officer in an agency who was excluded by action of the President or the Civil Service Commission prior to February 15, 1979, from the annual and sick leave provisions under the authority of 5 U.S.C. 6301(2)(xi) shall continue to be excluded from annual and sick leave unless the exclusion is revoked by the agency under the provisions of this section.

§ 630.212 Use of annual leave to establish initial eligibility for retirement or continuation of health benefits.

(a) An employee may elect to use annual leave and remain on the agency’s rolls in order to establish initial eligibility for immediate retirement under 5 U.S.C. 8336, 8412, or 8414, and/or to establish initial eligibility under 5 U.S.C. 8905 to continue health benefits coverage into retirement, as provided in:

(1) Section 351.606(b)(1) for an employee who would otherwise have been separated by reduction in force procedures under part 351 of this chapter; or

(2) Section 351.606(b)(2) of this chapter for an employee who would otherwise have been separated by adverse action procedures under authority of part 752 of this chapter because of the employee’s decision to decline relocation (including transfer of function).

(b)(1) Annual leave that may be used for the purposes described in paragraph (a) of this section includes all accumulated, accrued, and restored annual leave to the employee’s credit prior to the effective date of the reduction in force or relocation (including transfer of function) and annual leave earned by an employee while in a paid leave status after the effective date of the reduction in force or relocation (including transfer of function).

(2) Annual leave that is advanced to an employee under 5 U.S.C. 6302(d), including any advance annual leave that may be credited to an employee’s leave account after the effective date of the reduction in force or relocation (including transfer of function), may not be used for purpose of this section.

(3) For purposes of this section, the employing agency may approve the use of any or all annual leave donated to an employee under part 630, subpart I, of this chapter (Voluntary Leave Transfer Program), or made available to the employee under part 630, subpart J, of this chapter (Voluntary Leave Bank Program), as of the effective date of the reduction in force or relocation.

§ 630.302 Maximum annual leave accumulation—forty-five day limitation.

(a) The effective date on which an employee (otherwise eligible thereunder) becomes subject to section 6304(b) of title 5, United States Code, is the:

(1) Date of his entry on duty when he is employed locally;
(2) Date of his arrival at a post of regular assignment for duty; or

more than 90 days (720 hours) at the beginning of the first full biweekly pay period (or corresponding period for an employee who is not paid on the basis of biweekly pay periods) occurring in a calendar year.

(b) When an employee in a position outside of the Senior Executive Service moves to a position in the Senior Executive Service, any annual leave accumulated prior to movement shall remain to the employee’s credit.

(1) Annual leave accumulated prior to movement to the Senior Executive Service that is in excess of the amount allowed for the former position by 5 U.S.C. 6304 (a), (b), or (c) and that is not used by the beginning of the first full biweekly pay period in the next leave year shall be subject to forfeiture.

(2) If an employee serves less than a full pay period under an appointment in the Senior Executive Service, only that portion of accrued annual leave that is attributable to service in the Senior Executive Service shall be subject to the 90-day (720-hour) limitation on accumulation of annual leave provided in paragraph (a) of this section. (e) Agencies shall notify affected employees and maintain records on the accumulated annual leave credited to each employee under paragraph (d) of this section and on any reductions in the credited annual leave made under 5 U.S.C. 6304(c). (2) The date on which final administrative approval is given to effect a change in the employee's duty station when he is on detail or leave in the United States, or in an area (the Commonwealth of Puerto Rico or a territory or possession of the United States) from which he was recruited or transferred.

§ 630.303 Part-time employees; earnings.

Before annual leave may be restored under 5 U.S.C. 6304, the determination that an exigency is of major importance and that therefore annual leave may not be used by employees to avoid forfeiture must be made by the head of the agency or someone designated to act for him or her on this matter. Except where made by the head of the agency, the determination may not be
§ 630.306 Time limit for use of restored annual leave.

(a) Except as otherwise authorized under paragraphs (b) and (c) of this section or other regulation, annual leave restored under 5 U.S.C. 6304(d) must be scheduled and used not later than the end of the leave year ending 2 years after:

(1) The date of restoration of the annual leave forfeited because of administrative error; or

(2) The date fixed by the agency head, or his or her designee, as the termination date of the exigency of the public business that resulted in forfeiture of the annual leave; or,

(3) The date the employee is determined to be recovered and able to return to duty if the leave was forfeited because of sickness.

(b) Annual leave restored to an employee under 5 U.S.C. 6304(d)(3) must be scheduled and used within the time limits prescribed in paragraphs (b)(1) and (b)(2) of this section:

(1) A full-time employee shall schedule and use excess annual leave of 416 hours or less by the end of the leave year in progress 2 years after the date the employee is no longer subject to 5 U.S.C. 6304(d)(3). The agency shall extend this period by 1 leave year for each additional 208 hours of excess annual leave or any portion thereof.

(2) A part-time employee shall schedule and use excess annual leave in an amount equal to or less than 20 percent of the number of hours in the employee’s scheduled annual tour of duty by the end of the leave year in progress 2 years after the date the employee is no longer subject to 5 U.S.C. 6304(d)(3). The agency shall extend this period by 1 leave year for each additional number of hours of excess annual leave, or any portion thereof, equal to 10 percent of the number of hours in the employee’s scheduled annual tour of duty.

(c) The time limits established under paragraphs (a) and (b) of this section for using restored annual leave accounts shall not apply for the entire period during which an employee is subject to 5 U.S.C. 6304(d)(3). When coverage under 5 U.S.C. 6304(d)(3) ends, a new time limit shall be established under paragraph (b) of this section for all annual leave restored to an employee under 5 U.S.C. 6304(d).

§ 630.307 Time limit for use of restored annual leave—former missing employees.

Annual leave restored under section 5562 of title 5, United States Code, shall be used within a time limit to be prescribed by the Office of Personnel Management in each case taking into consideration the amount of the restored leave and other relevant factors.

§ 630.308 Scheduling of annual leave.

(a) Except as provided in paragraph (b) of this section and §630.310, before annual leave forfeited under section 6304 of title 5, United States Code, may be considered for restoration under that section, use of the annual leave must have been scheduled in writing before the start of the third biweekly pay period prior to the end of the leave year.

(b) The requirement for advance scheduling of annual leave in paragraph (a) of this section and §630.310, before annual leave forfeited under section 6304 of title 5, United States Code, may be considered for restoration under that section, use of the annual leave must have been scheduled in writing before the start of the third biweekly pay period prior to the end of the leave year.

(b) The requirement for advance scheduling of annual leave in paragraph (a) of this section shall not apply to an employee who is covered by 5 U.S.C. 6304(d)(3). When coverage under 5 U.S.C. 6304(d)(3) terminates during a leave year, the employee shall make a reasonable effort to comply with the scheduling requirement in paragraph (a) of this section. The head of the agency or his or her designee may exempt employees from the advance scheduling requirement in paragraph (a) of this section if coverage under 6304(d)(3) terminated during the leave year and the employee was unable to comply with the advance scheduling requirement due to circumstances beyond his or her control.
§ 630.309 Time limit for use of restored annual leave—extended exigency of the public business.

(a) Annual leave restored under 5 U.S.C. 6304(d)(1)(B) because of an extended exigency, as defined in paragraph (b) of this section, must be scheduled and used within a time period that equals twice the number of full calendar years, or parts thereof, that the exigency existed. This time period begins at the beginning of the leave year following the leave year in which the exigency is declared to be ended.

(b) An extended exigency means an exigency of such significance as to—

(1) Threaten the national security, safety, or welfare;
(2) Last more than 3 calendar years;
(3) Affect a segment of an agency or occupational class; and
(4) Preclude subsequent use of both restored and accrued annual leave within the time limit specified in §630.306.

§ 630.310 Scheduling of annual leave by employees determined necessary for Year 2000 computer conversion efforts.

(a) Year 2000 computer conversion efforts are deemed to be an exigency of the public business for the purpose of restoring annual leave forfeited under 5 U.S.C. 6304. This exigency terminates on January 31, 2000.

(b) For any employee who forfeits annual leave under 5 U.S.C. 6304 at the beginning of leave year 2000 because the agency determined the employee’s services were required during the Year 2000 computer conversion exigency, the forfeited annual leave is deemed to have been scheduled in advance for the purpose of 5 U.S.C. 6304(d)(1)(B) and §630.306.

(c) Annual leave restored under 5 U.S.C. 6304(d) because of the Year 2000 computer conversion exigency must be scheduled and used not later than the end of leave year 2002.

(d) The time limits established under paragraphs (a) and (b) of §630.306 for using previously restored annual leave do not apply for the period during which an employee’s services were determined necessary for the completion of Year 2000 computer conversion efforts. On January 31, 2000, a new time limit will be established under paragraph (c) of this section for all annual leave restored to such an employee.

(e) An employee whose services were determined necessary during the Year 2000 computer conversion exigency for a portion of leave year 1999, but who subsequently moves to a position not involving Year 2000 computer conversion efforts, must make a reasonable effort to comply with the scheduling requirement in §630.308(a). The head of the agency or his or her designee may exempt such an employee from the advance scheduling requirement in §630.308(a) if coverage under paragraphs (a) and (b) of this section terminated during leave year 1999 and the employee can demonstrate that he or she was unable to comply with the advance scheduling requirement due to circumstances beyond his or her control.

(b) The amount of sick leave granted to an employee during any leave year for the purposes described in paragraphs (a)(3)(i) and (4) of this section may not exceed a total of 104 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, the number of hours of sick leave normally accrued by that employee during a leave year).

(c)(1) An employee who is caring for a family member with a serious health condition under paragraph (a)(3)(ii) of this section may use not more than a total of up to 480 hours of sick leave (or, in the case of a part-time employee or an employee with an uncommon tour of duty, an amount of sick leave equal to 12 times the average number of hours in his or her scheduled tour of duty each week) during a leave year, subject to the limitation found in paragraph (c)(2) of this section.

(2) If, at the time an employee uses sick leave to care for a family member with a serious health condition under paragraph (c)(1) of this section, he or she has used any portion of the sick leave authorized under paragraph (b) of this section during that leave year, the agency must subtract that amount from the maximum number of hours authorized under paragraph (c)(1) of this section to determine the total amount of sick leave that may be used during the remainder of the leave year to care for a family member with a serious health condition. If the employee previously has used the maximum amount of sick leave permitted under paragraph (c)(1) of this section in a leave year, he or she is not entitled to use additional sick leave under paragraph (b).

(d) For family care purposes as described in paragraphs (a)(3) and (4) of this section—

(1) A full-time employee may use a total of up to 40 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, the average number of hours in his or her regularly scheduled administrative workweek) of accrued and accumulated sick leave without further regard to his or her sick leave balance.

(2) A full-time employee may use more than 40 hours of his or her accrued and accumulated sick leave up to the maximum provided by paragraphs (b) and (c)(1) of this section only if he or she maintains a sick leave balance of at least 80 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, two times the average number of hours in his or her regularly scheduled administrative workweek). An employee must maintain this balance during any period of time during which the employee is using more than his or her basic entitlement to sick leave under paragraph (d)(1) of this section.

(3) An agency may advance only the initial 40 hours of sick leave under paragraph (d)(1) of this section, or a proportional amount for an employee with a part-time or uncommon tour of duty. An agency may not advance sick leave for the purpose of meeting the requirement to retain a minimum sick leave balance under paragraph (d)(2) of this section or, if the employee has the required minimum sick leave balance, for using additional sick leave as provided in paragraphs (b) and (c) of this section.

(e) To be granted any sick leave for the purposes described in paragraphs (a)(3) or (4) of this section during any leave year in an amount exceeding a total of 40 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, the average number of hours in the employee’s scheduled tour of duty each week), the employee concerned shall retain in his or her sick leave account a balance of at least 80 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, the average number of hours in the employee’s scheduled tour of duty each week).

§ 630.606 Grant of home leave.

(a) Entitlement. Except as otherwise authorized by statute, an employee is entitled to home leave only when he has completed a basic service period of 24 months of continuous service abroad. This basic service period is terminated by (1) a break in service of 1 or more workdays, or (2) an assignment (other than a detail) to a position in which an employee is no longer subject to section 6305(a) of title 5, United States Code.

(b) Agency authority. A grant of home leave is at the discretion of an agency. An agency may grant home leave in combination with other leaves of absence in accordance with established agency policy.

(c) Limitations. An agency may grant home leave only:

1. For use in the United States, the Commonwealth of Puerto Rico, or a territory or possession of the United States; and
2. During an employee’s period of service abroad, or within a reasonable period after his return from service abroad when it is contemplated that he will return to service abroad immediately or on completion of an assignment in the United States.

Home leave not granted during a period named in paragraph (c)(2) of this section may be granted only when the employee has completed a further substantial period of service abroad. This further substantial period of service abroad may not be less than the tour of duty prescribed for the employee’s post of assignment, except when the agency determines that an earlier grant of home leave is warranted in an individual case.

(d) Charging of home leave. The minimum charge for home leave is 1 day and additional charges are in multiples thereof.

(e) Refund for home leave. An employee is indebted for the home leave used by him when he fails to return to service abroad after the period of home leave, or after the completion of an assignment in the United States. However, a refund for this indebtedness is not required when (1) the employee has completed not less than 6 months’ service in an assignment in the United States following the period of home leave; (2) the agency determines that the employee’s failure to return was due to compelling personal reasons of a humanitarian or compassionate nature, such as may involve physical or mental health or circumstances over which the employee has no control; or (3) the agency which granted the home leave determines that it is in the public interest not to return the employee to his overseas assignment.

§ 630.607 Transfer and recredit of home leave.

An employee is entitled to have his home leave account transferred or recredited to his account when he moves between agencies or is reemployed without a break in service of more than 90 days.

Subpart G—Shore Leave

Authority: 5 U.S.C. 6305.

§ 630.701 Coverage.

This subpart applies to an employee as defined in section 6301 of title 5, United States Code, who is regularly assigned to duties aboard an oceangoing vessel. An employee is considered to be regularly assigned when his continuing duties are such that all or a significant part of them require that he serve aboard an oceangoing vessel. Temporary assignments of a shore-based employee, such as for limited work projects or for training, do not constitute a regular assignment.
§ 630.702 Definitions.

Extended voyage means a voyage of not less than 7 consecutive calendar days duration.

Oceangoing vessel means a vessel in use on the high seas or the Great Lakes; but does not include a vessel which operates primarily on rivers, other lakes, bays, sounds or within the 3-nautical-mile limit of the coastal area of the 48 contiguous States, except when used in mapping, charting, or surveying operations or when in or sailing to or from foreign, territorial, Hawaiian, or Alaskan waters, or waters outside its normal area of operations or outside the 3-nautical-mile limit.

Shore leave means leave authorized by section 6305(c) of title 5, United States Code, and this subpart.

Voyage means the sailing of an oceangoing vessel from one port and its return to that port or the final port of discharge.

[33 FR 12475, Sept. 4, 1968, as amended at 60 FR 67287, Dec. 29, 1995]

§ 630.703 Computation of shore leave.

(a) An employee earns shore leave at the rate of 1 day of shore leave for each 15 calendar days of absence on one or more extended voyages.

(b) (1) For an employee who is an officer or crewmember, a voyage begins either on the date he assumes his duties aboard an oceangoing vessel to begin preparation for a voyage or on the date he comes aboard when a voyage is in progress. The voyage terminates on the date he ceases to be an officer or crewmember of the oceangoing vessel or on the date on which he is released from assignment of his duties relating to that voyage aboard the oceangoing vessel at the port of origin or port of final discharge, whichever is earlier.

(2) For an employee other than an officer or crewmember, a voyage begins on the date of sailing and terminates on the date the oceangoing vessel returns to a port at which the employee will disembark in completion of his assignment aboard the vessel, or on the date he is released from his assignment aboard the vessel, whichever is earlier.

(c) In computing days of absence, an agency shall include (1) the beginning date of a voyage and the termination date of a voyage; (2) the days an employee spends traveling to join an oceangoing vessel to which assigned when the vessel is at a place other than the port of origin; (3) the days an employee spends traveling between oceangoing vessels when the employee is assigned from one vessel to another; (4) the period representing the number of days within which an employee is reasonably expected to return to the port of origin when his oceangoing vessel’s voyage is terminated, or his employment as an officer or crewmember is terminated, at a port other than the port of origin; (5) for an employee who is an officer or crewmember, the days on which he is on sick leave when he becomes sick during a voyage (whether or not continued as a member of the crew) but not beyond the termination date of the voyage of the oceangoing vessel or his repatriation to the port of origin, whichever is earlier; (6) for an employee other than an officer or crewmember, the days on which he is carried on sick leave but not beyond the date on which he returns to the port of origin or the termination date of the voyage, whichever is earlier; and (7) the days of approved leave from a vessel (paid or unpaid) during a voyage.

§ 630.704 Granting shore leave.

(a) Authority. (1) An employee has an absolute right to use shore leave, subject to the right of the head of the agency to fix the time at which shore leave may be used.

(2) Shore leave may be granted during a voyage only when requested by an employee.

(3) An employee shall submit his request for shore leave in writing and whenever an employee’s request for shore leave is denied, the denial shall be in writing.

(b) Accumulation. Shore leave is in addition to annual leave and may be accumulated for future use without limitation.

(c) Charge for shore leave. The minimum charge for shore leave is one day and additional charges are in multiples thereof.

(d) Lump-sum payment. Shore leave may not be the basis for lump-sum payment on separation from the service.
(e) Terminal leave. (1) Except as provided by paragraph (e)(2) of this section, an agency shall not grant shore leave to an employee as terminal leave. For the purpose of this paragraph terminal leave is approved absence immediately before an employee’s separation when an agency knows the employee will not return to duty before the date of his separation.

(2) An agency shall grant shore leave as terminal leave when the employee’s inability to use shore leave was due to circumstances beyond his control and not due to his own act or omission.

(f) Forfeiture of shore leave. Shore leave not granted before (1) separation from the service, or (2) official assignment (other than by temporary detail) to a position in which the employee does not earn shore leave, is forfeited. When an official assignment will result in forfeiture of shore leave, the agency to the extent administratively practicable shall give an employee an opportunity to use the shore leave he has to his credit either before the reassignment or not later than 6 months after the date of his reassignment when the agency is unable to grant the shore leave before the reassignment.

(a) The potential leave recipient’s employing agency shall review an application to become a leave recipient under procedures established by the employing agency for the purpose of determining that the potential leave recipient is or has been affected by a medical emergency.

(b) Before approving an application to become a leave recipient, the potential leave recipient’s employing agency shall determine that the absence from duty without available paid leave because of the medical emergency is (or is expected to be) at least 24 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, at least 30 percent of the average number of hours in the employee’s biweekly scheduled tour of duty).

(c) In making a determination as to whether a medical emergency is likely to result in a substantial loss of income, an agency shall not consider factors other than whether the absence from duty without available paid leave is (or is expected to be) at least 24 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, at least 30 percent of the average number of hours in the employee’s biweekly scheduled tour of duty).

(d) If the application is approved, the employing agency shall notify the leave recipient (or the personal representative who made application on behalf of the leave recipient), within 10 calendar days (excluding Saturdays, Sundays, and legal public holidays) after the date the application was received (or the date the employing agency established its administrative procedures, if that date is later), that—

leave account of a specified leave recipient. Except as provided in paragraph (f) of this section, annual leave may be transferred only to a leave recipient employed by the leave donor’s employing agency.

(b) Except as provided in paragraph (d) of this section and subject to the limitations on the amount of annual leave that may be donated by a leave donor under §630.908, all or any portion of the annual leave requested under paragraph (a) of this section may be transferred to the annual leave account of the specified leave recipient under procedures established by the leave recipient’s employing agency.

(c) An agency having employees who earn and use annual leave on the basis of an uncommon tour of duty shall establish procedures for administering the transfer of annual leave to or from such employees under this subpart.

(d) A leave recipient’s employing agency shall not transfer annual leave to a leave donor’s immediate supervisor.

(e) Annual leave transferred under this section may be substituted retroactively for period of leave without pay (LWOP) or used to liquidate an indebtedness for advanced annual or sick leave granted on or after a date fixed by the leave recipient’s employing agency as the beginning of the period of medical emergency for which LWOP or advanced annual or sick leave was granted.

(f) A leave recipient’s employing agency shall accept the transfer of annual leave from leave donors employed by one or more other agencies when—

1. A family member of a leave recipient is employed by another agency and requests the transfer of annual leave to the leave recipient;

2. In the judgment of the leave recipient’s employing agency, the amount of annual leave transferred from leave donors employed by the leave recipient’s employing agency may not be sufficient to meet the needs of the leave recipient; or

3. In the judgment of the leave recipient’s employing agency, acceptance of leave transferred from another agency would further the purpose of the voluntary leave transfer program.

(g) The employing agency of a leave donor who wishes to donate annual leave to a leave recipient in another agency shall verify the availability of annual leave in the leave donor’s annual leave account, determine that the amount of annual leave to be donated does not exceed the limitations in §630.908, and ascertain that the leave recipient’s employing agency has made any determination that may be required under paragraph (f) of this section. Upon satisfying these requirements, the leave donor’s employing agency shall—

1. Reduce the amount of annual leave credited to the leave donor’s annual leave account, as appropriate; and

2. Notify the leave recipient’s employing agency in writing of the amount of annual leave to be credited to the leave recipient’s annual leave account.

(a) In any one leave year, a leave donor may donate no more than a total of one-half of the amount of annual leave he or she would be entitled to accrue during the leave year in which the donation is made.

(b) In the case of a leave donor who is projected to have annual leave that otherwise would be subject to forfeiture at the end of the leave year under 5 U.S.C. 6304(a), the maximum amount of annual leave that may be donated during the leave year shall be the lesser of—

(1) One-half of the amount of annual leave he or she would be entitled to accrue during the leave year in which the donation is made; or

(2) The number of hours remaining in the leave year (as of the date of the transfer) for which the leave donor is scheduled to work and receive pay.

(c) Each agency shall establish written criteria for waiving the limitations on donating annual leave under paragraphs (a) and (b) of this section. Any such waiver shall be documented in writing.

(d) The limitations in this section shall apply to the total amount of annual leave donated or contributed under subparts I and J of this part.

§ 630.909 Use of transferred annual leave.

(a) A leave recipient may use annual leave transferred to his or her annual leave account under § 630.906 only for the purpose of a medical emergency for which the leave recipient was approved.

(b) Except as provided in §630.907, during each biweekly pay period that a leave recipient is affected by a medical emergency, he or she shall use any accrued annual leave (and sick leave, if applicable) before using transferred annual leave.

(c) The approval and use of transferred annual leave shall be subject to all of the conditions and requirements under subparts I and J of this part.
imposed by chapter 63 of title 5, United States Code, part 630 of this chapter, and the employing agency on the approval and use of annual leave accrued under 5 U.S.C. 6303, except that transferred annual leave may accumulate without regard to the limitation imposed by 5 U.S.C. 6304(a).

(d) Transferred annual leave may be substituted retroactively for any period of leave without pay or used to liquidate an indebtedness for any period of advance leave that began on or after the date fixed by the agency as the beginning of the medical emergency.

(e) Transferred annual leave may not be—

1. Transferred to another leave recipient under this subpart, except as provided in §630.911(e)(3);

2. Included in a lump-sum payment under 5 U.S.C. 5551 or 5552; or

2. At the end of the biweekly pay period in which the leave recipient’s employing agency receives written notice from the leave recipient or from a personal representative of the leave recipient that the leave recipient is no longer affected by a medical emergency;

3. At the end of the biweekly pay period in which the leave recipient’s employing agency determines, after written notice from the agency and an opportunity for the leave recipient (or, if appropriate, a personal representative of the leave recipient) to answer orally or in writing, that the leave recipient is no longer affected by a medical emergency; or

4. At the end of the biweekly pay period in which the leave recipient’s employing agency receives notice that the Office of Personnel Management has approved an application for disability retirement for the leave recipient under the Civil Service Retirement System or the Federal Employees’ Retirement System.

(b) The leave recipient’s employing agency shall continuously monitor the status of the medical emergency affecting the leave recipient to ensure that the leave recipient continues to be affected by a medical emergency.

(c) When the medical emergency affecting a leave recipient terminates, no further requests for transfer of annual leave to the leave recipient may be granted, and any unused transferred annual leave remaining to the credit of the leave recipient shall be restored to the leave donors under §630.911.

(d) An agency may deem a medical emergency to continue for the purpose of providing a leave recipient an adequate period of time within which to receive donations of annual leave.

§630.911 Restoration of transferred annual leave.

(a) Under procedures established by the leave recipient’s employing agency, any transferred annual leave remaining to the credit of a leave recipient when the medical emergency terminates shall be restored, as provided in paragraphs (b) and (c) of this section and to the extent administratively feasible, by transfer to the annual leave accounts of leave donors who, on the date leave restoration is made, are employed by a Federal agency and subject to chapter 63 of title 5, United States Code.

(b) The amount of unused transferred annual leave to be restored to each leave donor shall be determined as follows:

1. Divide the number of hours of unused transferred annual leave by the total number of hours of annual leave transferred to the leave recipient;

2. Multiply the ratio obtained in paragraph (b)(1) of this section by the number of hours of annual leave transferred by each leave donor eligible for restoration under paragraph (a) of this section; and

3. Round the result obtained in paragraph (b)(2) of this section to the nearest increment of time established by the leave donor’s employing agency to account for annual leave.

(c) If the total number of eligible leave donors exceeds the total number

§ 630.1006 Application to become a leave recipient.

(a) A leave bank member may make written application to the leave bank board to become a leave recipient. If a leave bank member is not capable of making application on his or her own behalf, a personal representative may make written application on his or her behalf.

(b) The leave bank board may require leave bank members to submit applications under this section within a prescribed period of time following the termination of a medical emergency.

(c) An application by a leave bank member to become a leave recipient shall be accompanied by the following information concerning the potential leave recipient:

(1) The leave bank member’s name, position title, and grade or pay level;

(2) The reasons leave is needed, including a brief description of the nature, severity, anticipated duration, and if it is a recurring one, the approximate frequency of the medical emergency affecting the leave bank member;

(3) Certification from one or more physicians, or other appropriate experts, with respect to the medical emergency, if the leave bank board so requires; and

(4) Any additional information that may be required by the leave bank board.

(d) If the leave bank board requires a leave bank member to submit certification from two or more sources under paragraph (b)(3) of this section, the agency shall ensure, either by direct payment to the expert involved or by reimbursement, that the leave bank member is not required to pay for the expenses associated with obtaining certification from more than one source.

§ 630.1007 Approval of application to become a leave recipient.

(a) The leave bank board shall review an employee’s application to become a leave recipient under procedures established by the agency for the purpose of determining whether the employee is a leave bank member who is or has been affected by a medical emergency.

(b) Before approving an application to become a leave recipient, the leave bank board shall determine that the absence from duty without available paid leave because of the medical emergency is (or is expected to be) at least 24 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, at least 30 percent of the average number of hours in the employee’s biweekly scheduled tour of duty).

(c) In making a determination as to whether a medical emergency is likely to result in a substantial loss of income, the leave bank board shall not consider factors other than whether the absence from duty without available paid leave is (or is expected to be) at least 24 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, at least 30 percent of the average number of hours in the employee’s biweekly scheduled tour of duty).

(d) The leave bank board shall provide timely written notification to the applicant of the action taken on the application. If the leave bank board disapproves the application, notification shall include the reasons for disapproval.

(e) The leave bank board may establish written policies limiting the amount of annual leave that may be granted to a leave recipient.

(c) The approval and use of annual leave withdrawn from a leave bank shall be subject to all of the conditions and requirements imposed by chapter 63 of title 5, United States Code, part 630 of this chapter, and the agency on the approval and use of annual leave accrued under 5 U.S.C. 6303, except that annual leave withdrawn from a leave bank may accumulate without regard to any limitation imposed by 5 U.S.C. 6304(a).

(d) If the leave recipient’s employing agency advances at the beginning of the leave year the amount of annual leave the employee normally would accrue during the entire leave year under 5 U.S.C. 6302(d)—

(1) The leave recipient’s employing agency shall establish procedures to ensure that 40 hours (or, in the case of a part-time employee or an employee with an uncommon tour of duty, the average number of hours in the employee’s weekly scheduled tour of duty) of annual leave are placed in a separate annual leave account and made available for use by the employee as described in paragraph (c) of this section; and

(2) The employee shall continue to accrue annual leave while using annual leave withdrawn from a leave bank to the extent necessary for the purpose of reducing an indebtedness caused by the use of annual leave advanced at the beginning of the leave year.

(e) If the leave recipient’s medical emergency terminates as described in §630.1010(a)(1), no leave shall be credited to the employee under this section.

[59 FR 67125, Dec. 29, 1994, as amended at 60 FR 26979, May 22, 1995]
§ 630.1012

(d) Annual leave withdrawn from a leave bank may be substituted retroactively for any period of leave without pay or used to liquidate an indebtedness for any period of advanced leave that began on or after the date fixed by the leave bank board as the beginning of the medical emergency.

(e) Annual leave withdrawn from a leave bank may not be—

(1) Included in a lump-sum payment under 5 U.S.C. 5551 or 5552; or

(2) Made available for recredit under 5 U.S.C. 6306 upon reemployment by a Federal agency.

(f) An agency having employees who earn and use annual leave on the basis of an uncommon tour of duty shall establish procedures for administering the contribution and withdrawal of annual leave by such employees under this subpart.

§ 630.1010 Termination of medical emergency.

(a) The medical emergency affecting a leave recipient shall terminate—

(1) When the leave recipient’s Federal service terminates;

(2) When the leave recipient leaves the agency or participating organizational subunit, if the bank board so determines;

(3) At the end of the biweekly pay period in which the leave bank board receives written notice from the leave recipient or from a personal representative of the leave recipient that the leave recipient is no longer affected by a medical emergency;

(4) At the end of the biweekly pay period in which the leave bank board determines, after written notice from the bank board and an opportunity for the leave recipient (or, if appropriate, a personal representative of the leave recipient) to answer orally or in writing, that the leave recipient is no longer affected by a medical emergency; or

(5) At the end of the biweekly pay period in which the agency receives notice that the Office of Personnel Management has approved an application for disability retirement for the leave recipient under the Civil Service Retirement System or the Federal Employees Retirement System.

(b) The leave bank board may deem a medical emergency to continue for the purpose of providing a leave recipient an adequate period of time within which to receive contributions of annual leave.

(c) If a leave recipient elects to buy back annual leave as a result of a claim for an employment-related injury approved by the Office of Workers’ Compensation Programs under 20 CFR 10.202 and 10.310, the amount of annual leave withdrawn from the leave bank that is bought back by the leave recipient shall be restored to the leave bank.

§ 630.1011 Prohibition of coercion.

(a) An employee may not directly or indirectly intimidate, threaten, or coerce, or attempt to intimidate, threaten, or coerce, any other employee for the purpose of interfering with any right such employee may have with respect to contributing, withdrawing, or using annual leave under this subpart.

(b) For the purpose of paragraph (a) of this section—

(1) The term “employee” has the meaning given that term in 5 U.S.C. 6301(2), excluding an individual employed by the District of Columbia; and

(2) The term “intimidate, threaten, or coerce” includes promising to confer or conferring any benefit (such as an appointment or promotion or compensation) or effecting or threatening to effect any reprisal (such as deprivation of appointment, promotion, or compensation).

(a) If an agency or organizational subunit establishes a voluntary leave bank program under this subpart—

(1) A covered employee may also participate in a voluntary leave transfer program under subpart I of this part;

(2) Except as provided in paragraphs (b) and (c) of this section, any annual leave previously transferred to an employee under the voluntary leave transfer program shall remain to the credit of the employee who later becomes a leave recipient in a leave bank and shall become subject to the agency’s policies and procedures for administering this subpart; and

(3) The agency or organizational subunit shall establish policies or procedures governing the use of donated or transferred leave for any leave recipient who receives leave under both a voluntary leave transfer program and a voluntary leave bank program for the same medical emergency.

(b) Upon termination of a leave recipient’s medical emergency, any annual leave previously transferred under the voluntary leave transfer program and remaining to the credit of a leave recipient shall be restored under § 630.911(a) through (d).

(c) Transferred annual leave restored to the account of a leave donor under paragraph (b) of this section shall be subject to the limitation imposed by 5 U.S.C. 6304(a) at the end of the leave year in which the annual leave is restored.

§ 630.1014 Movement between voluntary leave bank programs.

If an employee moves between an agency or organizational subunit operating a leave bank to an agency or organizational subunit operating a different leave bank, the following procedures shall apply:

(a) On the date of the employee’s move, he or she shall become subject to the policies and procedures of the voluntary leave bank program of the new agency or organizational subunit; and

(b) Nothing in § 630.1010(a)(2) or (b) shall interfere with the employee’s right to submit an application to become a leave contributor or leave recipient in accordance with the policies and procedures of the voluntary leave bank program of the new agency or organizational subunit.

§ 630.1015 Movement between voluntary leave bank and leave transfer programs.

If an employee moves between an agency or organizational subunit covered by a voluntary leave bank program under this subpart and an agency or organizational subunit covered by a voluntary leave transfer program under subpart I of this part, the following procedures shall apply:

(a) On the date of the employee’s move, he or she shall become subject to the policies and procedures of the voluntary leave transfer and voluntary leave bank program (if applicable) of the new agency or organizational subunit; and

(b) Nothing in § 630.1010(a)(2) or (b) shall interfere with the employee’s right to submit an application to become a leave donor (or leave contributor, as applicable) or leave recipient under the voluntary leave transfer or voluntary leave bank program (as applicable) of the new agency or organizational subunit.

§ 630.1016 Termination of a voluntary leave bank program.

(a) An agency may terminate a voluntary leave bank program only after...
It gives at least 30 calendar days advance written notice to current leave bank members.

(c) An agency that terminates a voluntary leave bank program shall make provisions for the timely and equitable distribution of any leave remaining in the leave bank. The agency may allocate the leave to current leave recipients, recredit the leave to the accounts of the voluntary leave bank members, or a combination of both. The agency may distribute the leave immediately or may delay the distribution, in whole or part, until the beginning of the following leave year.

Subpart K—Emergency Leave Transfer Program

SOURCE: 64 FR 72253, Dec. 27, 1999, unless otherwise noted.

§ 630.1102 Definitions.

In this subpart—

Disaster or emergency means a major disaster or emergency, as declared by the President, that results in severe adverse effects for a substantial number of employees (e.g., loss of life or property, serious injury, or mental illness as a result of a direct threat to life or health).

Emergency leave donor means a current employee whose voluntary written request for transfer of annual leave to an emergency leave transfer program is approved by his or her employing agency.

Emergency leave transfer program means a program established by OPM that permits Federal employees to transfer their unused annual leave to other Federal employees adversely affected by a disaster or emergency, as declared by the President.

Emergency leave recipient means a current employee for whom the employing agency has approved an application to receive annual leave from an emergency leave transfer program.

Employee has the meaning given that term in 5 U.S.C. 6331(1).

Family member has the meaning given that term in § 630.902.

Leave year has the meaning given that term in § 630.902.

Paid leave status under subchapter I has the meaning given that term in § 630.902.

§ 630.1103 Establishment of an emergency leave transfer program.

(a) When directed by the President, OPM will establish an emergency leave transfer program that permits an employee to donate his or her accrued annual leave to employees of the same or other Executive agencies who are adversely affected by such disaster or emergency.

(b) OPM will notify agencies of the establishment of an emergency leave transfer program for a specific disaster.
or emergency, as declared by the President. Once notified, each agency affected by the disaster or emergency is authorized to do the following:

(1) Determine whether, and how much, donated annual leave is needed by affected employees;

(2) Approve leave donors and/or leave recipients in their agencies, as appropriate;

(3) Facilitate the distribution of donated annual leave from approved leave donors to approved leave recipients within their agencies; and

(4) Determine the period of time for which donated annual leave may be accepted for distribution to approved leave recipients.

(c) A leave bank established under subchapter IV of chapter 63 of title 5, United States Code, and subpart J of part 630 may, with the concurrence of the leave bank board established under §630.1003, donate annual leave to an emergency leave transfer program administered by the leave bank’s employing agency.

§ 630.1104 Application to become an emergency leave recipient.

(a) An employee who has been adversely affected by a disaster or emergency may make written application to his or her employing agency to become an emergency leave recipient. If an employee is not capable of making written application, a personal representative of the potential leave recipient may make written application on his or her behalf.

(b) An employee who has a family member who has been adversely affected by a disaster or emergency may also make written application to his or her employing agency to become an emergency leave recipient. An emergency leave recipient may use donated annual leave to assist an affected family member, provided such family member has no reasonable access to other forms of assistance.

(c) For the purpose of this subpart, an employee will be considered to be adversely affected by a major disaster or emergency if the disaster or emergency has caused severe hardship to the employee or a family member of the employee to such a degree that the employee’s absence from work is required.

(d) The employee’s application must be accompanied by the following information concerning each potential leave recipient:

(1) The name, position title, and grade or pay level of the potential emergency leave recipient;

(2) A statement describing his or her need for leave from the emergency leave transfer program;

(3) Any additional information that may be required by the potential leave recipient’s employing agency.

(e) Agencies may administratively determine a time period by which employees must apply to become an emergency leave recipient after the occurrence of a major disaster or emergency.

§ 630.1105 Approval of application to become an emergency leave recipient.

(a) The potential emergency leave recipient’s employing agency will review the application to become a leave recipient under procedures established by the employing agency for the purpose of determining that the potential leave recipient is or has been affected by the major disaster or emergency.

(b) If the application is approved, the employing agency must notify the leave recipient (or his or her personal representative) within 10 calendar days (excluding Saturdays, Sundays, and legal public holidays) after the date the application was received (or the date the employing agency established its administrative procedures, if that date is later).

(c) If the application is not approved, the employing agency must notify the applicant (or the personal representative who made application on behalf of the potential emergency leave recipient) within 10 calendar days (excluding Saturdays, Sundays, and legal public holidays) after the date the application was received (or the date the employing agency establishes its administrative procedures, if that date is later). The agency must give the reasons for its disapproval.

(d) An approved emergency leave recipient is not required to exhaust his or her accrued annual and sick leave
before receiving donated leave under the emergency leave transfer program.

§ 630.1106 Limitations on donation and use of annual leave.

(a) An employee may voluntarily submit a written request to his or her employing agency that a specified number of hours of his or her accrued annual leave, consistent with the limitations in paragraph (b) of this section, be transferred from his or her annual leave account to an emergency leave transfer program established under §630.1103(b). An emergency leave donor may not donate annual leave for transfer to a specific emergency leave recipient under this subpart.

(b) An emergency leave donor may not contribute less than 1 hour nor more than 104 hours of annual leave in a leave year. Each agency may establish written criteria for waiving the 104-hour limitation on donating annual leave in a leave year.

(c) Annual leave donated under this subpart may not be applied against the limitations on the donation of annual leave under the voluntary leave transfer or leave bank programs established under 5 U.S.C. 6332 and 6362, respectively.

(d) An emergency leave recipient may receive a maximum of 240 hours of donated annual leave at any one time from an emergency leave transfer program for each disaster or emergency.

(e) Each emergency leave recipient must use the donated annual leave for purposes related to the disaster or emergency for which the emergency leave recipient was approved.

(f) Annual leave transferred under this subpart may be—

(1) Substituted retroactively for any period of leave without pay used because of the adverse effects of the disaster or emergency; or

(2) Used to liquidate an indebtedness incurred by the emergency leave recipient for advance annual or sick leave used due to the adverse effects of the disaster or emergency. An agency may advance an emergency leave recipient annual or sick leave, as appropriate (even if the employee has available annual and sick leave), so that the emergency leave recipient is not forced to use his or her accrued leave before donated annual leave becomes available.

(g) While an emergency leave recipient is using donated annual leave from an emergency leave transfer program, annual and sick leave will accrue to the credit of the employee at the same rate as if the employee were in a paid leave status under subchapter I of chapter 63 of title 5, United States Code, and will be subject to the limitations imposed by 5 U.S.C. 6304(a), (b), (c), and (f) at the end of the leave year in which the transferred annual leave is received.

(h) Annual leave transferred under this subpart may not be—

(1) Included in a lump-sum payment under 5 U.S.C. 5551 or 5552;

(2) Made available for recredit under 5 U.S.C. 6306 upon reemployment by a Federal agency; or

(3) Used to establish initial eligibility for immediate retirement or acquire eligibility to continue health benefits into retirement under 5 U.S.C. 6302(g).

(i) Agencies are responsible for ensuring that annual leave donated under the emergency leave transfer program is used appropriately.

§ 630.1107 Governmentwide transfer of emergency leave.

(a) If an agency does not receive sufficient amounts of donated annual leave to meet the needs of approved emergency leave recipients within the agency, the agency may contact OPM for assistance. The agency must notify OPM of the total amount of donated annual leave needed for transfer to its approved emergency leave recipients. OPM will solicit and coordinate the transfer of donated annual leave from other Federal agencies to affected agencies who may have a shortfall of donated annual leave. OPM will determine the period of time for which donations of accrued annual leave may be accepted for transfer to affected agencies.

(b) Each Federal agency contacted by OPM for the purpose of providing donated annual leave to an agency in need will—

(1) Approve leave donors under the conditions specified in §630.1106(a) and (b) and determine how much donated
annual leave is available for transfer to an affected agency;

(2) Maintain records on the amount of leave donated by each emergency leave donor to the emergency leave transfer program (for the purpose of restoring unused transferred annual leave under §630.1108(c));

(3) Report the total amount of annual leave donated to the emergency leave transfer program to OPM; and

(4) When OPM has accepted the donated annual leave, debit the amount of annual leave donated to the emergency leave transfer program from each emergency leave donor’s annual leave account.

(c) OPM will notify each affected agency of the aggregate amount of donated annual leave that will be credited to the agency for transfer by the agency to its approved emergency leave recipient(s). The affected agency will determine the amount of donated annual leave to be transferred to each emergency leave recipient (an amount that may vary according to individual needs).

(d) The affected agency must credit the annual leave account of each approved emergency leave recipient as soon as possible after the date OPM notifies the agency of the amount of donated annual leave that will be credited to the agency under paragraph (b) of this section.

(e) Any annual leave donated to an emergency leave transfer program that is not used by the approved emergency leave recipients will be returned by OPM to the donating agencies for restoring to their emergency leave donors under §630.1108(b). The donating agencies must determine the amount of donated annual leave to be returned to each of their emergency leave donors consistent with the provisions in §630.1108(c).

§630.1108 Termination of disaster or emergency.

(a) The disaster or emergency affecting an emergency leave recipient terminates—

(1) When the employing agency or OPM determines that the disaster or emergency has terminated;

(2) When the emergency leave recipient’s Federal service terminates;

(3) At the end of the biweekly pay period in which the emergency leave recipient, or his or her personal representative, notifies the employing agency that he or she is no longer affected by such disaster or emergency;

(4) At the end of the biweekly pay period in which the employing agency determines, after written notice from the agency and an opportunity for the emergency leave recipient or his or her personal representative to answer orally or in writing, that the emergency leave recipient is no longer affected by such disaster or emergency; or

(5) At the end of the biweekly pay period in which the emergency leave recipient’s employing agency receives notice that OPM has approved an application for disability retirement for the emergency leave recipient under the Civil Service Retirement System or the Federal Employees’ Retirement System, as appropriate.

(b) When a disaster or emergency affecting an emergency leave recipient is terminated, any annual leave donated to an emergency leave transfer program that is not used by an approved emergency leave recipient must be returned to the emergency leave donors. The amount of remaining annual leave to be returned to each emergency leave donor must be proportional to the amount of annual leave donated by the employee to the emergency leave transfer program for such disaster or emergency. Annual leave donated to an emergency leave transfer program for a specific disaster or emergency may not be transferred to another emergency leave transfer program established for a different disaster or emergency.

(c) Under procedures established by the donating agency, the agency will determine the amount of annual leave returned under paragraph (b) of this section to be restored to each of the emergency leave donors who, on the date leave restoration is made, is employed by a Federal agency. At the election of the emergency leave donor, unused transferred annual leave restored to the emergency leave donor may be restored by—

(1) Crediting the restored annual leave to the emergency leave donor’s annual leave account in the current leave year; or

Although foster care may be with relatives of the child, State action is involved in the removal of the child from parental custody.

Incapacity means the inability to work, attend school, or perform other regular daily activities because of a serious health condition or treatment for or recovery from a serious health condition.

Intermittent leave or leave taken intermittently means leave taken in separate blocks of time, rather than for one continuous period of time, and may include leave periods of 1 hour to several
weeks. Leave may be taken for a period of less than 1 hour if agency policy provides for a minimum charge for leave of less than 1 hour under §630.206(a).

(1) Treatment two or more times by a health care provider, by a health care provider under the direct supervision of the affected individual’s health care provider, or by a provider of health care services under orders of, or on referral by, a health care provider; or

(2) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider (e.g., a course of prescription medication or therapy requiring special equipment to resolve or alleviate the health condition).

(B) Any period of incapacity due to pregnancy or childbirth, or for prenatal care, even if the affected individual does not receive active treatment from a health care provider during the period of incapacity or the period of incapacity does not last more than 3 consecutive calendar days.

(C) Any period of incapacity or treatment for such incapacity due to a chronic serious health condition that—

(1) Requires periodic visits for treatment by a health care provider or by a health care provider under the direct supervision of the affected individual’s health care provider,

(2) Continues over an extended period of time (including recurring episodes of a single underlying condition); and

(3) May cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.). The condition is covered even if the affected individual does not receive active treatment from a health care provider during the period of incapacity or the period of incapacity does not last more than 3 consecutive calendar days.

(D) A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective. The affected individual must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider (e.g., Alzheimer’s, severe stroke, or terminal stages of a disease).

(E) Any period of absence to receive multiple treatments (including any period of recovery) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity or more than 3 consecutive calendar days in the absence of medical care.
§ 630.1203 Leave entitlement.

(a) An employee shall be entitled to a total of 12 administrative workweeks of unpaid leave during any 12-month period for one or more of the following reasons:

(1) The birth of a son or daughter of the employee and the care of such son or daughter;

(2) The placement of a son or daughter with the employee for adoption or foster care;

(3) The care of a spouse, son, daughter, or parent of the employee, if such spouse, son, daughter, or parent has a serious health condition; or

(4) A serious health condition of the employee that makes the employee unable to perform any one or more of the essential functions of his or her position.

(b) An employee must invoke his or her entitlement to family and medical leave under paragraph (a) of this section, subject to the notification and medical certification requirements in §§ 630.1206 and 630.1207. An employee may not retroactively invoke his or her entitlement to family and medical leave. However, if an employee and his or her personal representative are physically or mentally incapable of invoking the employee’s entitlement to FMLA leave during the entire period in which the employee is absent from work for an FMLA-qualifying purpose under paragraph (a) of this section, the employee may retroactively invoke his or her entitlement to FMLA leave within 2 workdays after returning to work. In such cases, the incapacity of the employee must be documented by a physical or mental impairment that substantially limits one or more of the major life activities of an individual as defined in 29 CFR 1630.2 (h), (i) and (j).

Spouse means an individual who is a husband or wife pursuant to a marriage that is a legal union between one man and one woman, including common law marriage between one man and one woman in States where it is recognized.

Tour of duty has the meaning given that term in § 610.102 of this chapter.

written medical certification from a health care provider. In addition, the employee must provide documentation acceptable to the agency explaining the inability of his or her personal representative to contact the agency and invoke the employee’s entitlement to FMLA leave during the entire period in which the employee was absent from work for an FMLA-qualifying purpose. An employee may take only the amount of family and medical leave that is necessary to manage the circumstances that prompted the need for leave under paragraph (a) of this section.

(c) The 12-month period referred to in paragraph (a) of this section begins on the date an employee first takes leave for a family or medical need specified in paragraph (a) of this section and continues for 12 months. An employee is not entitled to 12 additional workweeks of leave until the previous 12-month period ends and an event or situation occurs that entitles the employee to another period of family or medical leave. (This may include a continuation of a previous situation or circumstance.)

(d) The entitlement to leave under paragraphs (a)(1) and (2) of this section shall expire at the end of the 12-month period beginning on the date of birth or placement. Leave for a birth or placement must be concluded within this 12-month period. Leave taken under paragraphs (a)(1) and (2) of this section, may begin prior to or on the actual date of birth or placement for adoption or foster care, and the 12-month period, referred to in paragraph (a) of this section begins on that date.

(e) Leave under paragraph (a) of this section is available to full-time and part-time employees. A total of 12 administrative workweeks will be made available equally for a full-time or part-time employee in direct proportion to the number of hours in the employee’s regularly scheduled administrative workweek. The 12 administrative workweeks of leave will be calculated on an hourly basis and will equal 12 times the average number of hours in the employee’s regularly scheduled administrative workweek. If the number of hours in an employee’s workweek varies from week to week, a weekly average of the hours scheduled over the 12 weeks prior to the date leave commences shall be used as the basis for this calculation. Any holidays authorized under 5 U.S.C. 6103 or by Executive order and nonworkdays established by Federal statute, Executive order, or administrative order that occur during the period in which the employee is on family and medical leave may not be counted toward the 12-week entitlement to family and medical leave.

(f) If the number of hours in an employee’s regularly scheduled administrative workweek is changed during the 12-month period of family and medical leave, the employee’s entitlement to any remaining family and medical leave will be recalculated based on the number of hours in the employee’s current regularly scheduled administrative workweek.

(g) Each agency shall inform its employees of their entitlements and responsibilities under this subpart, including the requirements and obligations of employees.

(h) An agency may not put an employee on family and medical leave and may not subtract leave from an employee’s entitlement to leave under paragraph (a) of this section unless the agency has obtained confirmation from the employee of his or her intent to invoke entitlement to leave under paragraph (b) of this section. An employee’s notice of his or her intent to take leave under §630.1206 may suffice as the employee’s confirmation.

§630.1204 Intermittent leave or reduced leave schedule.

(a) Leave under §630.1203(a) (1) or (2) of this part shall not be taken intermittently or on a reduced leave schedule unless the employee and the agency agree to do so.

(b) Leave under §630.1203(a) (3) or (4) of this part may be taken intermittently or on a reduced leave schedule when medically necessary, subject to §§630.1206 and 630.1207(b)(6) of this part.
§ 630.1205 Substitution of paid leave.

(a) Except as provided in paragraph (b) of this section, leave taken under §630.1203(a) of this part shall be leave without pay.

(b) An employee may elect to substitute the following paid leave for any or all of the period of leave without pay to be taken under §630.1203(a)—

(1) Accrued or accumulated annual or sick leave under subchapter I of chapter 63 of title 5, United States Code, consistent with current law and regulations governing the granting and use of annual or sick leave;

(2) Advanced annual or sick leave approved under the same terms and conditions that apply to any other agency employee who requests advanced annual or sick leave; and

(3) Leave made available to an employee under the Voluntary Leave Transfer Program or the Voluntary Leave Bank Program consistent with subparts I and J of part 630 of this chapter.

(c) An agency may not deny an employee's right to substitute paid leave under paragraph (b) of this section for any or all of the period of leave without pay to be taken under §630.1203(a), consistent with current law and regulations.

(d) An agency may not require an employee to substitute paid leave under paragraph (b) of this section for any or all of the period of leave without pay to be taken under §630.1203(a).

(e) An employee shall notify the agency of his or her intent to substitute paid leave under paragraph (b) of this section for the period of leave without pay to be taken under §630.1203(a) prior to the date such paid leave commences. An employee may not retroactively substitute paid leave for leave without pay previously taken under §630.1203(a).

§ 630.1206 Notice of leave.

(a) If leave taken under §630.1203(a) of this part is foreseeable based on an expected birth, placement for adoption or foster care, or planned medical treatment, the employee shall provide notice to the agency of his or her intention to take leave not less than 30 calendar days before the date the leave is
Office of Personnel Management

§ 630.1207 Medical certification.

(a) An agency may require that a request for leave under §630.1203(a)(3) or (4) be supported by written medical certification issued by the health care provider of the employee or the health care provider of the spouse, son, daughter, or parent of the employee, as appropriate. An agency may waive the requirement for an initial medical certificate in a subsequent 12-month period if the leave under §630.1203(a)(3) or (4) is for the same chronic or continuing condition.

(b) The written medical certification shall include—

1. The date the serious health condition commenced;

2. The probable duration of the serious health condition or specify that the serious health condition is a chronic or continuing condition with an unknown duration and whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity;

3. The appropriate medical facts within the knowledge of the health care provider regarding the serious health condition, including a general statement as to the incapacitation, examination, or treatment that may be required by a health care provider;

4. For the purpose of leave taken under §630.1203(a)(3) of this part—

   (i) A statement from the health care provider that the spouse, son, daughter, or parent of the employee requires psychological comfort and/or physical care; needs assistance for basic medical, hygienic, nutritional, safety, or transportation needs or in making arrangements to meet such needs; and would benefit from the employee’s care or presence; and

   (ii) A statement from the employee on the care he or she will provide and an estimate of the amount of time

(f) An agency may require that a request for leave under §630.1203(a) (1) and (2) be supported by evidence that is administratively acceptable to the agency.

§ 630.1207

(5) For the purpose of leave taken under §630.1203(a)(4), a statement that the employee is unable to perform one or more of the essential functions of his or her position or requires medical treatment for a serious health condition, based on written information provided by the agency on the essential functions of the employee’s position or, if not provided, discussion with the employee about the essential functions of his or her position; and

(6) In the case of certification for intermittent leave or leave on a reduced leave schedule under §630.1203(a)(3) or (4) for planned medical treatment, the dates (actual or estimates) on which such treatment is expected to be given, the duration of such treatment, and the period of recovery, if any, or specify that the serious health condition is a chronic or continuing condition with an unknown duration and whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity.

(c) The information on the medical certification shall relate only to the serious health condition for which the current need for family and medical leave exists. The agency may not require any personal or confidential information in the written medical certification other than that required by paragraph (b) of this section. If an employee submits a completed medical certification signed by the health care provider, the agency may not request new information from the health care provider. However, a health care provider representing the agency, including a health care provider employed by the agency or under administrative oversight of the agency, may contact the health care provider who completed the medical certification, with the employee’s permission, for purposes of clarifying the medical certification.

(d) If the agency doubts the validity of the original certification provided under paragraph (a) of this section, the agency may require, at the agency’s expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by the agency and the employee concerning the information certified under paragraph (b) of this section. The opinion of the third health care provider shall be binding on the agency and the employee.

(e) If the opinion of the second health care provider differs from the original certification provided under paragraph (a) of this section, the agency may require, at the agency’s expense, that the employee obtain the opinion of a third health care provider designated or approved jointly by the agency and the employee concerning the information certified under paragraph (b) of this section. The opinion of the third health care provider shall be binding on the agency and the employee.

(f) To remain entitled to family and medical leave under §630.1203(a)(3) or (4) of this part, an employee or the employee’s spouse, son, daughter, or parent must comply with any requirement from an agency that he or she submit to examination (though not treatment) to obtain a second or third medical certification from a health care provider other than the individual’s health care provider.

(g) If the employee is unable to provide the requested medical certification before leave begins, or if the agency questions the validity of the original certification provided by the employee and the medical treatment requires the leave to begin, the agency shall grant provisional leave pending final written medical certification.

(h) An employee must provide the written medical certification required by paragraphs (a), (d), (e), and (g) of this section, signed by the health care provider, no later than 15 calendar days after the date requested by the agency despite the employee’s
diligent, good faith efforts, the employee must provide the medical certification within a reasonable period of time under the circumstances involved, but no later than 30 calendar days after the date the agency requests such medical certification.

(1) If, after the leave has commenced, the employee fails to provide the requested medical certification, the agency may—

(1) Charge the employee as absent without leave (AWOL); or
(2) Allow the employee to request that the provisional leave be charged as leave without pay or charged to the employee’s annual and/or sick leave account, as appropriate.

(j) At its own expense, an agency may require subsequent medical recertification on a periodic basis, but not more than once every 30 calendar days, for leave taken for purposes relating to pregnancy, chronic conditions, or long-term conditions, as these terms are used in the definition of serious health condition in §630.1202. For leave taken for all other serious health conditions and including leave taken on an intermittent or reduced leave schedule, if the health care provider has specified on the medical certification a minimum duration of the period of incapacity, the agency may not request recertification until that period has passed. An agency may require subsequent medical recertification more frequently than every 30 calendar days, or more frequently than the minimum duration of the period of incapacity specified on the medical certification if the employee requests that the original leave period be extended, the circumstances described in the original medical certification have changed significantly, or the agency receives information that casts doubt upon the continuing validity of the medical certification.

(k) To ensure the security and confidentiality of any written medical certification under §§630.1207 or 630.1208(b) of this part, the medical certification shall be subject to the provisions for safeguarding information about individuals under subpart A or part 293 of this chapter.

§630.1208 Protection of employment and benefits.

(a) Any employee who takes leave under §630.1203(a) of this part shall be entitled, upon return to the agency, to—

(1) The same position held by the employee when the leave commenced; or
(2) An equivalent position with equivalent benefits, pay, status, and other terms and conditions of employment.

(b) For the purpose of applying paragraph (a)(2) of this section, an equivalent position must be in the same commuting area and must carry or provide at a minimum—

(1) The same or substantially similar duties and responsibilities, which must entail substantially equivalent skill, effort, responsibility, and authority;
(2) An equivalent grade or pay level, including any applicable locality-based comparability payment under 5 U.S.C. 5304; special rate of pay for law enforcement officers or special pay adjustment for law enforcement officers under section 403 or 404 of the Federal Employees Pay Comparability Act of 1990 (Pub. L. 101–509), respectively; continued rate of pay under subpart G of part 531 of this chapter; or special salary rate under 5 U.S.C. 5305 or similar provision of law;
(3) The same type of appointment, work schedule, status, and tenure;
(4) The same employment benefits made available to the employee in his or her previous position (e.g., life insurance, health benefits, retirement coverage, and leave accrual);
(5) The same or equivalent opportunity for a within-grade increase, performance award, incentive award, or other similar discretionary and non-discretionary payments, consistent with applicable laws and regulations; however, the entitlement to be returned to an equivalent position does not extend to intangible or unmeasurable aspects of the job;
(6) The same or equivalent opportunity for premium pay consistent
with applicable law and regulations under 5 CFR part 550, subpart A, or 5 CFR part 551, subpart E; and
(7) The same or equivalent opportunity for training or education benefits consistent with applicable laws and regulations, including any training that an employee may be required to complete to qualify for his or her previous position.
(c) As a result of taking leave under §630.1203(a) of this part, an employee shall not suffer the loss of any employment benefit accrued prior to the date on which the leave commenced.
(d) Except as otherwise provided by or under law, a restored employee shall not be entitled to—
(1) The accrual of any employment benefits during any period of leave; or
(2) Any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled had the employee not taken the leave.
(e) For the purpose of applying paragraph (d) of this section, the same entitlements and limitations in law and regulations that apply to the position, pay, benefits, status, and other terms and conditions of employment of an employee in a leave without pay status shall apply to any employee taking leave without pay under this part, except where different entitlements and limitations are specifically provided in this subpart.
(f) An employee is not entitled to be returned to the same or equivalent position under paragraph (a) of this section if the employee would not otherwise have been employed in that position at the time the employee returns from leave.
(g) An agency may not return an employee to an equivalent position where written notification has been provided by or under law that the equivalent position will be affected by a reduction in force if the employee’s previous position is not affected by a reduction in force.
(h) As a condition to returning an employee who takes leave under §630.1203(a)(4), an agency may establish a uniformly applied practice or policy that requires all similarly-situated employees (i.e., same occupation, same serious health condition) to obtain written medical certification from the health care provider of the employee that the employee is able to perform the essential functions of his or her position. An agency may delay the return of an employee until the medical certification is provided. The same conditions for verifying the adequacy of a medical certification in §630.1207(c) shall apply to the medical certification to return to work. No second or third opinion on the medical certification to return to work may be required. An agency may not require a medical certification to return to work during the period the employee takes leave intermittently or under a reduced leave schedule under §630.1204.
(i) If an agency requires an employee to obtain written medical certification under paragraph (h) of this section before he or she returns to work, the agency shall notify the employee of this requirement before leave commences, or to the extent practicable in emergency medical situations, and pay the expenses for obtaining the written medical certification. An employee’s refusal or failure to provide written medical certification under paragraph (h) of this section may be grounds for appropriate disciplinary or adverse action, as provided in part 752 of this chapter.
(j) An agency may require an employee to report periodically to the agency on his or her status and intention to return to work. An agency’s policy requiring such reports must take into account all of the relevant facts and circumstances of the employee’s situation.
(k) An employee’s decision to invoke FMLA leave under §630.1203(a) does not prohibit an agency from proceeding with appropriate actions under part 432 or part 752 of this chapter.
(l) An employee who does not comply with the notification requirements in §630.1206 and does not provide medical certification signed by the health care provider that includes all of the information required in §630.1207(b) is not entitled to family and medical leave.

§ 630.1209 Health benefits.

An employee enrolled in a health benefits plan under the Federal Employees Health Benefits Program (established under chapter 89 of title 5, United States Code) who is placed in a leave without pay status as a result of entitlement to leave under §630.1203(a) of this part may continue his or her health benefits enrollment while in the leave without pay status and arrange to pay the appropriate employee contributions into the Employees Health Benefits Fund (established under section 8909 of title 5, United States Code). The employee shall make such contributions consistent with 5 CFR 890.502.

§ 630.1210 Greater leave entitlements.

(a) An agency shall comply with any collective bargaining agreement or any agency employment benefit program or plan that provides greater family or medical leave entitlements to employees than those provided under this subpart. Nothing in this subpart prevents an agency from amending such policies, provided the policies comply with the requirements of this subpart.

(b) The entitlements established for employees under this subpart may not be diminished by any collective bargaining agreement or any employment benefit program or plan.

(c) An agency may adopt leave policies more generous than those provided in this subpart, except that such policies may not provide entitlement to paid time off in an amount greater than that otherwise authorized by law or provide sick leave in any situation in which sick leave would not normally be allowed by law or regulation.

(d) The entitlements under sections 6381 through 6387 of title 5, United States Code, and this subpart do not modify or affect any Federal law prohibiting discrimination. If the entitlements under sections 6381 through 6387 of title 5, United States Code, and this subpart conflict with any Federal law prohibiting discrimination, an agency must comply with whichever statute provides greater entitlements to employees.

§ 630.1211 Records and reports.

(a) So that OPM can evaluate the use of family and medical leave by Federal employees and provide the Congress and others with information about the use of this entitlement, each agency shall maintain records on employees who take leave under this subpart and submit to OPM such records and reports as OPM may require.

(b) At a minimum, each agency shall maintain the following information concerning each employee who takes leave under this subpart:

(1) The employee’s rate of basic pay, as defined in 5 CFR 550.103;

(2) The occupational series for the employee’s position;

(3) The number of hours of leave taken under §630.1203(a), including any paid leave substituted for leave without pay under §630.1205(b); and

(4) Whether leave was taken—

(i) Under §630.1203(a) (1), (2) or (3) of this part; or

(ii) Under §630.1203(a)(4) of this part.

(c) When an employee transfers to a different agency, the losing agency shall provide the gaining agency with information on leave taken under §630.1203(a) of the part during the employee’s 12-month period prior to the date of transfer. The losing agency shall provide the following information:

(1) The beginning and ending dates of the employee’s 12-month period, as determined under §630.1203(c) of this part; and

(2) The number of hours of leave taken under §630.1203(a) of the part during the employee’s 12-month period, as determined under §630.1203(c) of this part.

Subpart M—Reservist Leave Bank Program

§ 630.1301 Purpose and applicability.

(a) Purpose. The purpose of this subpart is to establish procedures and requirements for a reservist leave bank program in Executive agencies under which an employee may contribute unused accrued annual leave to a leave bank established by the Office of Personnel Management (OPM) for use by eligible returnees who have been members of the Armed Forces of the United States serving on active duty during the Persian Gulf War and who return to civilian employment with their agencies.

(b) Applicability. This subject applies to officers and employees—

(1) To whom subchapter IV of chapter 63 of title 5, United States Code, applies; and

(2) Who are employed in Executive agencies.

§ 630.1302 Definitions.

In this subpart:

Contribution period means a period of at least 6 weeks beginning on a date to be established by OPM. The Director of OPM may extend the contribution period, if necessary, to meet the requirements of the legislation.

Eligible returnee means an employee who has been a member of the U.S. Armed Forces serving on orders issued under 10 U.S.C. 672(a), 672(g), 673, 673b, 674, 675, or 688 during the Persian Gulf War, and who has returned to, or will return to Federal employment with his or her agency. An employee who, after completing his or her active duty military service, does not return to Federal employment for any reason is not eligible to receive leave contributed to the reservist leave bank.

Employee has the meaning given that term in 5 U.S.C. 6361(1).

Persian Gulf War means the period beginning on August 2, 1990, and ending on a date thereafter prescribed by Presidential proclamation or by law. OPM will advise agencies of the ending date for eligibility to receive leave under this program.

Reservist leave bank means the leave bank established by OPM for the purpose of this subpart.

§ 630.1303 Identifying eligible returnees.

(a) Each agency shall identify and list all eligible returnees within the agency.

(b) Each agency shall report the number of eligible returnees identified to OPM. Negative reports are required.

§ 630.1304 Receipt, processing, and transfer of leave.

(a) Each agency shall accept annual leave contributed to the reservist leave bank by leave contributors during the contribution period (open season).

(b) Each agency shall determine the procedures under which to collect, process, and transfer leave contributed under this subpart. Leave contributed to the reservist leave bank must be debited from the contributor’s annual leave account during the pay period in which it is contributed.

(c) Each agency shall report the aggregate amount of annual leave contributed to the reservist leave bank to OPM. (See § 630.1309(b)(1) of this subpart.)

§ 630.1305 Limitations on contribution of annual leave.

(a) A leave contributor may not contribute leave for the use of a specific eligible returnee.

(b) A leave contributor may contribute only accrued unused annual leave to the reservist leave bank.

(c) A leave contributor may not contribute less than 1 hour of annual leave, nor more than the lesser of—

(1) One-half the amount of annual leave he or she would be entitled to accrue during the leave year in which the contribution is made; or

(2) One-half his or her annual leave balance at the time the contribution is made.

(d) Annual leave contributed to the reservist leave bank shall not be applied against the limitations on annual leave that may be donated under the
voluntary leave transfer and leave bank programs established under 5 U.S.C. 6332 and 6362, respectively.

§ 630.1306 Prohibition of coercion.

(a) An employee may not directly or indirectly intimidate, threaten, or coerce, or attempt to intimidate, threaten, or coerce, any other employee for the purpose of interfering with any rights such employee may have with respect to contributing, or not contributing, annual leave under this subpart.

(b) For the purpose of paragraph (a) of this section, the term “intimidate, threaten, or coerce” includes promising to confer or conferring any benefit (such as an appointment or promotion or compensation) or effecting or threatening to effect any reprisal (such as deprivation of appointment, promotion, or compensation).

§ 630.1307 Crediting annual leave accounts of eligible returnees.

(a) OPM shall divide the contributed annual leave equally among eligible returnees without regard to any factor (e.g., full- or part-time status, duty station during the Persian Gulf War, or time spent on active duty) other than each employee’s status as an eligible returnee.

(b) The amount of annual leave each eligible returnee receives shall be rounded to the next higher quarter-hour. An employing agency may not reduce the amount of leave credited to an eligible returnee by any fraction of an hour, but may grant leave recipients excused absence for the remainder of the hour or charge leave by the quarter-hour for the purpose of this program.

(c) OPM shall notify each agency of the amount of annual leave that shall be credited to each eligible returnee.

(d) Each agency shall credit the annual leave accounts of eligible returnees who have returned to Federal employment as soon as possible, but not later than the end of the second pay period beginning on or after the date the agency is notified of the amount of leave each eligible returnee is to receive.

§ 630.1308 Use of annual leave contributed under this program.

(a) The annual leave credited to the account of an eligible returnee may be used in the same manner and for the purposes as if the leave had accrued under 5 U.S.C. 6303.

(b) An eligible returnee who has returned to Federal employment may use the leave credited under §630.1307 of this subpart immediately, subject to supervisory approval.

(c) Annual leave creditable to an eligible returnee who has not yet returned to Federal employment shall be held in abeyance by the employing agency that identified such employee until his or her return.

(d) Annual leave held in abeyance for an eligible returnee who does not return to Federal employment shall be forfeited.

§ 630.1309 Records and reports.

(a) Each agency shall maintain records and report pertinent information concerning the administration of the reservist leave bank program.

(b) Each agency shall maintain the following information:

1. The grade or pay level of each leave contributor and the amount of leave contributed by leave contributors at each grade or pay level (Each agency is required to report to OPM the aggregate amount of annual leave contributed to the reservist leave bank under §630.1304(c) of this subpart.);

2. The grade or pay level of each eligible returnee;

3. The number of eligible returnees to whom the contributed annual leave was credited immediately;

4. The number of eligible returnees for whom the contributed annual leave was held in abeyance;

5. The estimated direct and indirect costs of administering the reservist leave bank program; and

6. Any additional information OPM may require.

(c) Each agency shall report the information specified in paragraph (b) of this section to OPM.

(d) OPM shall identify the dates by which each agency shall report the information gathered pursuant to
§ 630.1309

§§ 630.1303(b) and 630.1304(c) of this subpart and paragraph (b) of this section.
