limes pursuant to this section, and that such applications be accompanied by a certification by the intended purchaser or receiver that the limes will not be used for any purpose not authorized by this section.

[20 FR 4179, June 15, 1955, as amended at 22 FR 2527, Apr. 13, 1957. Redesignated at 26 FR 12751, Dec. 30, 1961, further redesignated and amended at 37 FR 10498, May 24, 1972]

§911.53 Recommendation for volume regulation.

(a) The committee may, during any week, recommend to the Secretary the total quantity of limes which it deems advisable to be handled to destinations within the forty-eight contiguous States of the United States, the District of Columbia and Canada during the next succeeding week: *Provided*, That such volume regulation shall not be recommended for any week except during the 18-week regulatory period beginning with the week preceding the first full week in May: *Provided, further*, That no such regulation shall be recommended after such regulations have been in effect for an aggregate of eight (8) weeks during the aforesaid period.

(b) In making its recommendations, the committee shall give due consideration to the following factors:

- (1) Market prices for limes;
- (2) Supply of limes en route to principal markets;
- (3) Supply, maturity, and condition of limes in the production area;
- (4) Market prices and supplies of fruits from competitive producing areas, including foreign competing areas, and supplies of other competitive fruits;
- (5) Trend and level in consumer income; and
- (6) Other relevant factors.

(c) At any time during a week for which the Secretary, pursuant to §911.54, has fixed the quantity of limes which may be handled, the committee may recommend to the Secretary that such quantity be increased for such week. Each such recommendation, together with the committee's reason for such recommendation, shall be submitted promptly to the Secretary.

§911.54 Issuance of volume regulations.

Whenever the Secretary finds from the recommendation and information submitted by the committee, or from other available information, that to limit the quantity of limes which may be handled to destinations within the 48 contiguous States of the United States, the District of Columbia and Canada during a specified week of a regulatory period will tend to effectuate the declared policy of the act, he shall fix such quantity: *Provided*, That such regulations during a regulatory period shall not in the aggregate limit the volume of lime shipments for more than eight (8) weeks. The quantity so fixed for any week may be increased by the Secretary at any time during such week. Such regulations may, as authorized by the act, be made effective irrespective of whether the season average price of limes is in excess of the parity price. The Secretary may, upon the recommendation of the committee, or upon other available information, terminate or suspend any regulation pursuant to this section at any time.

§911.55 Prorate bases.

(a) Each person who desires to handle limes shall submit to the committee, at such time and in such manner as may be designated by the committee, and upon forms made available by it, a written application for a prorate base and for allotments as provided in this section and §911.56.

(b) Such application shall be substantiated in such manner and shall be supported by such information as the committee may require.

(c) The committee shall determine the accuracy of the information submitted pursuant to this section. Whenever the committee finds that there is an error, omission, or inaccuracy in any such information, it shall correct the same and shall give the person who submitted the information a reasonable opportunity to discuss with the
