(ii) A savings association eligible to be acquired under section 13 of the Federal Deposit Insurance Act (12 U.S.C. 1823); and

(iii) Any other equity investment that may be authorized by statute after February 12, 1990, if not covered by other applicable OCC regulation.

(2) The written notice required by paragraph (c)(1) of this section must include a description, and the amount, of the bank's investment.

(3) The OCC reserves the right to require additional information as necessary.

(e) *Non-controlling investments.* A national bank may make a non-controlling investment, directly or through its operating subsidiary, in an enterprise that engages in the activities described in paragraph (e)(2) of this section by filing a written notice. The written notice must be filed with the appropriate district office no later than 10 days after making the investment and must:

(1) Describe the structure of the investment and the activity or activities conducted by the enterprise in which the bank is investing. To the extent the notice relates to the initial affiliation of the bank with a company engaged in insurance activities, the bank should describe the type of insurance activity that the company is engaged in and has present plans to conduct. The bank must also list for each state the lines of business for which the company holds, or will hold, an insurance license, indicating the state where the company holds a resident license or charter, as applicable;

(2) State which paragraphs of § 5.34(e)(5)(v) describe the activity or activities, or state that, and describe how, the activity is substantively the same as that contained in published OCC precedent approving a non-controlling investment by a national bank or its operating subsidiary, state that the activity will be conducted in accordance with the same terms and conditions applicable to the activity covered by the precedent, and provide the citation to the applicable precedent;

(3) Certify that the bank is well managed and well capitalized at the time of the investment;

(4) Describe how the bank has the ability to prevent the enterprise from engaging in activities that are not set forth in § 5.34(e)(5)(v) or not contained in published OCC precedent approving a non-controlling investment by a national bank or its operating subsidiary, or how the bank otherwise has the ability to withdraw its investment;

(5) Certify that the bank will account for its investment under this section under the equity or cost method of accounting;

(6) Describe how the investment is convenient and useful to the bank in carrying out its business and not a mere passive investment unrelated to the bank's banking business;

(7) Certify that the bank's loss exposure is limited, as a legal and accounting matter, and the bank does not have open-ended liability for the obligations of the enterprise; and

(8) Certify that the enterprise in which the bank is investing agrees to be subject to OCC supervision and examination, subject to the limitations and requirements of section 45 of the Federal Deposit Insurance Act (12 U.S.C. 1831v) and section 115 of the Gramm-Leach-Bliley Act (12 U.S.C. 1820a).

(f) *Exceptions to rules of general applicability.* Sections 5.8, 5.9, 5.10, and 5.11 of this part do not apply to filings for other equity investments.

(i) A national bank shall submit an application to the appropriate supervisory office to invest in bank premises, or in the stock, bonds, debentures, or other such obligations of any corporation holding the premises of the bank, or to make loans to or upon the security of the stock of such corporation, if the aggregate of all such investments and loans, together with the indebtedness incurred by any such corporation that is an affiliate of the bank, as defined in 12 U.S.C. 221a, will exceed the amount of the capital stock of the bank.

(ii) The application must include:

(A) A description of the bank's present investment in bank premises;

An approval for a specified amount under this section remains valid up to that amount until the OCC notifies the bank otherwise.

(3) *Notice process*. Notwithstanding paragraph (d)(1)(i) of this section, a bank that is rated 1 or 2 under the Uniform Financial Institutions Rating System (CAMELS) may make an aggregate investment in bank premises

up to 150 percent of the bank's capital and surplus without the OCC's prior approval, provided that the bank is well capitalized as defined in 12 CFR part 6 and will continue to be well capitalized after the investment or loan is made. However, the bank shall notify the appropriate supervisory office in writing of the investment within 30 days after the investment or loan is made. The written notice must include a description of the bank's investment.

(4) *Exceptions to rules of general applicability*. Sections 5.8, 5.10, and 5.11 do not apply to this section. However, if the OCC concludes that an application presents significant and novel policy, supervisory, or legal issues, the OCC may determine that any or all parts of §§ 5.8, 5.10, and 5.11 apply.
