assessment of independent trust banks will include a managed asset component, in addition to the assessment calculated according to §8.2 of this part, as follows:

(i) *Minimum fee.* All independent trust banks will pay a minimum fee, to be provided in the Notice of Comptroller of the Currency Fees.

(ii) *Additional amount for independent trust banks with managed assets in excess of \$1 billion.* Independent trust banks with managed assets in excess of \$1 billion will pay an amount that exceeds the minimum fee. The amount to be paid will be calculated by multiplying the amount of trust assets under management by a rate or rates provided by the OCC in the Notice of Comptroller of the Currency Fees.

(iii) *Surcharge based on the condition of the bank.* Subject to any limit that the OCC prescribes in the Notice of the Comptroller of the Currency Fees, the OCC shall adjust the semiannual assessment computed in accordance with paragraphs (c)(1)(i) and (ii) of this section by multiplying that figure by 1.5 for each independent trust bank that receives a composite rating of 3 under the Uniform Financial Institutions Rating System (UFIRS) at its most recent examination and by 2.0 for each bank that receives a composite UFIRS rating of 4 or 5 at such examination.

(2) *Trust banks affiliated with full-service national banks.* The OCC will assess a trust bank in accordance with paragraph (c)(1) of this section, notwithstanding that the bank is affiliated with a full-service national bank, if the OCC concludes that the affiliation is intended to evade the assessment regulation.

(3) *Definitions.* For purposes of this paragraph (c) of this section, the following definitions apply:

(i) *Affiliate* has the same meaning as this term has in 12 U.S.C. 221a(b);

(ii) *Full-service national bank* is a national bank that generates more than 50% of its interest and non-interest income from activities other than credit card operations or trust activities and is authorized according to its charter to engage in all types of permissible banking activities.

(iii) *Independent trust bank* is a national bank that has trust powers, does

not primarily offer full-service banking, and is not affiliated with a full-service national bank; and

(iv) *Trust assets* are those assets reported on Schedule A, Line 18 of the Annual Report of Trust Assets (FFIEC Form 001). The form is available by mail from the Office of the Comptroller of the Currency, Asset Management Division, 250 E Street, SW., Washington, DC 20219.

§8.7 Payment of interest on delinquent assessments and examination and investigation fees.

(a) Each national bank, each district bank, each Federal branch, and each Federal agency shall pay to the Comptroller of the currency interest on its delinquent payments of semiannual assessments. In addition, each national bank and each entity with a trust department examined by the Comptroller of the Currency and each institution that is the subject of a special examination or investigation conducted by the Comptroller of the Currency shall pay to the Comptroller of the Currency interest on its delinquent payments of examination and investigation fees. Semiannual assessment payments will be considered delinquent payments of examination and investigation fees. Semiannual assessment payments will be considered delinquent if they are received after the time for payment specified in §8.2. Examination and investigation fees will be considered delinquent if not received by the Comptroller of the Currency within 30 calendar days of the invoice date.

(b) Where an entity which is required to make semiannual assessment payments or trust examination fee payments determines that it has made any such payment in an amount exceeding that required by the Comptroller of the Currency, that entity shall provide the Office of Financial Operations, Comptroller of the Currency, with written notice of the overpayment. Within 30 calendar days of receipt of such notice, the Comptroller of the Currency shall either—

(1) Refund the amount of the overpayment or

(2) Provide notice of its unwillingness to accept the calculation of overpayment. In the latter instance, the Comptroller of the Currency and the entity claiming the overpayment shall thereafter attempt to reach agreement on the amount, if any, to be refunded; the Comptroller of the Currency shall refund this amount within 30 calendar days of such agreement.

The Comptroller of the Currency shall be considered delinquent if it fails to return an overpayment in accordance with the time limitations specified in this paragraph (b). The Comptroller of the Currency shall pay interest on any such delinquent payments.

(c) Interest on delinquent payments, as described in paragraphs (a) and (b) of this section, will be assessed beginning the first calendar day on which payment is considered delinquent, and on each calendar day thereafter up to and including the day payment is received. Interest will be simple interest, calculated for each day payment is delinquent by multiplying the daily equivalent of the applicable interest rate by the amount delinquent. The rate of interest will be the United States Treasury Department's current value of funds rate (the "TFRM rate"); that rate is issued under the Treasury Fiscal Requirements Manual and is published quarterly in the FEDERAL REGISTER. The interest rates applicable to a delinquent payment will be determined as follows:

(1) For delinquent days occurring from January 1 to March 31, the rate will be the TFRM rate that is published the preceding December for the first quarter of the ensuing year.

(2) For delinquent days occurring from April 1 to June 30, the rate will be the TFRM rate that is published the preceding March for the second quarter of that year.

(3) For delinquent days occurring from July 1 to September 30, the rate will be the TFRM rate that is published the preceding June for the third quarter of that year.

(4) For delinquent days occurring from October 1 to December 31, the rate will be the TFRM rate that is pub-

lished the preceding September for the fourth quarter of that year.
