records, the review procedures in § 4.25(g)(3)(ii) shall apply; or,

(B) If the individual challenges the validity of the exemption itself, the individual must file a petition for the issuance, amendment, or repeal of a rule under 5 U.S.C. 553(e). If the exemption was determined by the Department, such petition shall be filed with the Assistant Secretary for Administration. If the exemption was determined by another agency (as described in § 4.23(f)), the Department will provide the individual with the name and address of the other agency and any relief sought by the individual shall be that provided by the regulations of the other agency. Within the Department, no such denial is administratively final until such a petition has been filed by the individual and disposed of on the merits by the Assistant Secretary for Administration.

(ii) As to denial under paragraphs (g)(1)(ii) of this section, (g)(1)(iv) of this section or (to the limited extent provided in paragraph (g)(3)(i)(A) of this section) paragraph (g)(1)(i) of this section, the individual may file for review with the Assistant General Counsel for Administration, as indicated in the Privacy Officer's initial denial notification. The individual and the Department shall follow the procedures in § 4.28 to the maximum extent practicable.

(iii) As to denial under paragraph (g)(1)(iii) of this section, no further administrative consideration within the Department is available because the denial is not administratively final until expiration of the time period indicated in § 4.26(a).

(h) If a request is partially granted and partially denied, the Privacy Officer shall follow the appropriate procedures of this section as to the records within the grant and the records within the denial.

§ 4.26 Special procedures: Medical records.

(a) No response to any request for access to medical records from an individual will be issued by the Privacy Officer for a period of seven working days (i.e., excluding Saturdays, Sundays and legal public holidays) from the date of receipt.

(b) For every request from an individual for access to medical records, the Privacy Officer shall:

(1) Inform the individual of the waiting period prescribed in paragraph (a) of this section;

(2) Seek from the individual the name and address of the individual's physician and/or psychologist;

(3) Seek from the individual written consent for the Department to consult the individual's physician and/or psychologist, if the Department believes such consultation is advisable;

(4) Seek written consent from the individual for the Department to provide the medical records to the individual's physician or psychologist, if the Department believes access to the record by the individual is best effected under the guidance of the individual's physician or psychologist; and,

(5) Forward the individual's medical record to the Department's medical officer for review and a determination on whether consultation with or transmittal of the medical records to the individual's physician or psychologist is warranted. If consultation with or transmittal of such records to the individual's physician or psychologist is determined to be warranted, the Department's medical officer shall so consult or transmit. Whether or not such a consultation or transmittal occurs, the Department's medical officer shall provide instruction to the Privacy Officer regarding the conditions of access by the individual to his or her medical records.

(c) If an individual refuses in writing to give the names and consents set forth in paragraphs (c)(2) through (c)(4) of this section, the Department shall give the individual access to said records by means of a copy, provided without cost to the requester, sent registered mail, return receipt requested.

§ 4.27 Procedures for making requests for correction or amendment.

(a) Any individual, regardless of age, who is a citizen of the United States or an alien lawfully admitted for permanent residence into the United States may submit a request for correction or amendment to the Department. The request should be made either in person

§ 4.28

or by mail addressed to the Privacy Officer who processed the individual's request for access to the record, and to whom is delegated authority to make initial determinations on requests for correction or amendment. The offices of Privacy Officers are open to the public between the hours of 9 a.m. and 4 p.m. Monday through Friday (excluding Saturdays, Sundays, and legal public holidays).

(b) Requests submitted by mail should include the words "PRIVACY ACT REQUEST" in capital letters at the top of the letter and on the face of the envelope. Any request that is not addressed as specified in paragraph (a) of this section or that is not marked as specified in this paragraph will be so addressed and marked by Department personnel and forwarded immediately to the responsible Privacy Officer. A request that is not properly addressed by the individual will not be deemed to have been "received" for purposes of measuring the time period for response until actual receipt by the Privacy Officer. In each instance when a request so forwarded is received, the Privacy Officer shall notify the individual that his or her request was improperly addressed and the date the request was received at the proper address.

(c) Since the request, in all cases, will follow a request for access under § 4.25, the individual's identity will be established by his or her signature on the request and use of the Department control number assigned to the request.

(d) A request for correction or amendment should include the following:

(1) Specific identification of the record sought to be corrected or amended (for example, description, title, date, paragraph, sentence, line and words);

(2) The specific wording to be deleted, if any;

(3) The specific wording to be inserted or added, if any, and the exact place at which it is to be inserted or added; and,

(4) A statement of the basis for the requested correction or amendment, with all available supporting documents and materials that substantiate the statement. The statement should

15 CFR Subtitle A (1-1-02 Edition)

identify the criterion of the Act being invoked, that is, whether the information in the record is unnecessary, inaccurate, irrelevant, untimely or incomplete.

§ 4.28 Agency review of requests for correction or amendment.

(a)(1)(i) Not later than ten working days (i.e., excluding Saturdays, Sundays and legal public holidays) after receipt of a request to correct or amend a record, the Privacy Officer shall send an acknowledgment providing an estimate of time within which action will be taken on the request and asking for such further information as may be necessary to process the request. The estimate of time may take into account unusual circumstances as described in § 4.25(a). No acknowledgment will be sent if the request can be reviewed, processed and the individual notified of the results of review (either compliance or denial) within the ten working days. Requests filed in person will be acknowledged in writing at the time submitted.

(ii) If the Privacy Officer fails to send the acknowledgment within ten working days, as provided in paragraph (a)(1)(i) of this section, the requester may ask the Assistant General Counsel for Administration to take corrective action. No failure of a Privacy Officer to send an acknowledgment shall confer administrative finality for purposes of judicial review.

(2) Promptly after acknowledging receipt of a request, or after receiving such further information as might have been requested, or after arriving at a decision within the ten working days, the Privacy Officer shall either:

(i) Make the requested correction or amendment and advise the individual in writing of such action, providing either a copy of the corrected or amended record or, in cases in which a copy cannot be provided (for example, erasure of information from a record maintained only in magnetically-recorded computer files), a statement as to the means by which the correction or amendment was effected; or,

(ii) Inform the individual in writing that his or her request is denied and provide the following information:
