

§ 8.9 Intimidatory or retaliatory acts prohibited.

(a) No recipient or other party subject to this part shall intimidate, threaten, coerce, or discriminate against, any person for the purpose of interfering with any right or privilege secured by section 601 of the Act of this part, or because the person has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part.

(b) The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial or other proceeding arising thereunder.

§ 8.10 Investigations.

(a) *Making the investigation.* The responsible Department official or his designee will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation shall include, where appropriate, a review of the pertinent practices and policies of the recipient or other party subject to this part, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether there has been a failure to comply with this part.

(b) *Resolution of matters.* (1) If an investigation pursuant to paragraph (a) of this section indicates a failure to comply with this part, the responsible Department official will so inform the recipient or other party subject to this part and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 8.11.

(2) If an investigation does not warrant action pursuant to paragraph (b)(1) of this section, the responsible Department official will so inform the recipient or other party subject to this part and the complainant, if any, in writing.

§ 8.11 Procedures for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 8.5.* If a recipient or other party subject to this part fails or refuses to furnish an assurance required under § 8.5 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under said paragraph except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application or contract therefor approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the recipient or other party subject to this part of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by such recipient or other party to comply with a requirement imposed by or pursuant to this part, (3) the action

has been approved by the Secretary pursuant to § 8.13(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other recipient or other party as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary means, (2) the recipient or other party has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other party. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other party to comply with this part and to take such corrective action as may be appropriate.

§ 8.12 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 8.11(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected recipient or other party subject to this part. This notice shall advise the recipient or other party of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the recipient or other party may request of the responsible Department official that the matter be scheduled for hearing, or (2) advise the recipient or other party that the matter in question has been set down for hearing at a

stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. A recipient or other party may waive a hearing and submit written information and argument for the record. The failure of a recipient or other party to request a hearing under this paragraph of this section or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 8.11(c) and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Department in Washington, D.C., at a time fixed by the responsible Department official or hearing officer unless he determines that the convenience of the recipient or other party or of the Department requires that another place be selected. Hearings shall be held before the responsible Department official, or at his discretion, before a hearing officer.

(c) *Right to counsel.* In all proceedings under this section, the recipient or other party and the Department shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554-557 (sections 5-8 of the Administrative Procedures Act), and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the recipient or other party shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the
