All or a specified portion of the unsold anticipated production or unfilled anticipated requirements described in these statements shall not be considered as offsetting positions for bona fide hedging transactions and positions if such person is so notified by the Commission within ten days after the Commission is furnished with the information required under paragraphs (b) or (c) of this section. The Commission may request the person notified to file specific additional information with the Commission to support a determination that the statement filed accurately reflects unsold anticipated production or unfilled anticipated requirements for manufacturing, processing or feeding. In such cases, the Commission shall consider all additional information so filed and, by notice to such person, shall specify its determination as to what portion of the production or requirements described constitutes unsold anticipated production or unfilled anticipated requirements for the purposes of bona fide hedging. In no case shall such transactions and positions which offset unsold anticipated

production or unfilled anticipated requirements be considered bona fide hedging if they exceed the levels specified in paragraph (d) of this section of the regulations.

(iv) Unfilled anticipated requirements of such commodity for processing or manufacturing or feedings for a specified operating period not in excess of one year.

(3) Additional information: Persons hedging unsold anticipated production or unfilled anticipated requirements which are not the same quantity or are not the same commodity as the commodity to be sold or purchased for future delivery shall furnish this information both in terms of the actual commodity produced or used and in terms of the commodity to be sold or purchased for future delivery. In addition, such persons shall explain the method for determining the ratio of conversion between the amount of the actual unsold anticipated production or unfilled anticipated requirements and the amount of commodity to be sold or purchased for future delivery. Persons hedging unfilled annual feeding requirements for livestock and poultry shall provide the number of cattle, hogs, sheep, or poultry expected to be fed during the specified period, not to exceed one year, and the derivation of their annual requirements based upon these numbers. Persons filing as an agent shall furnish this information on the basis of the fiscal or operating year of the person on whose behalf the filing is made.

(c) *Supplemental reports.* Whenever the sales or purchases which a person wishes to consider as bona fide hedging of unsold anticipated production or unfilled anticipated requirements shall exceed the amounts described by the figures for requirements furnished in the most recent filing pursuant to this section or the amounts determined by the Commission to constitute unsold anticipated production or unfilled anticipated requirements pursuant to paragraph (a) of this section, such person shall file with the Commission a statement which updates the information provided in the person's most recent filing and supplies the reason for this change at least ten days in advance of the date that person wishes to exceed these amounts.
