(i) The Commission may at any time, after appropriate notice and opportunity for hearing, withdraw its approval of any plan or part of one established under this section, if such plan or part of one ceases to effectuate adequately the purposes of section 4(f)(b) of the Act or of this section.

(j) Whenever a registered futures commission merchant or a registered introducing broker holding membership in a self-regulatory organization ceases to be a member in good standing of that self-regulatory organization, such self-regulatory organization must, on the same day that event takes place, give telegraphic notice of that event to the principal office of the Commission in Washington, DC and send a copy of that notification to such futures commission merchant or such introducing broker.

(k) Nothing in this section shall preclude the Commission from examining any futures commission merchant or introducing broker for compliance with the minimum financial and related reporting requirements to which such futures commission merchant or introducing broker is subject.

(l) In the event a plan is not filed and/or approved for each registered futures commission merchant or for each registered introducing broker which is a member of more than one self-regulatory organization, the Commission may design and, after notice and opportunity for comment, approve a plan for those futures commission merchants or introducing brokers which are not the subject of an approved plan (under paragraph (g) of this section), delegating to a designated self-regulatory organization the responsibilities described in paragraph (c) of this section.
