§ 4.8 Preliminary entry.

(a) *Generally.* Preliminary entry allows a U.S. or foreign vessel arriving under circumstances that require it to formally enter, to commence lading and unloading operations prior to making formal entry. Preliminary entry may be accomplished electronically pursuant to an authorized electronic data interchange system, or by any other means of communication approved by the Customs Service.

(b) *Requirements and conditions.* Preliminary entry must be made in compliance with § 4.30, and may be granted prior to, at, or subsequent to arrival of

the vessel. The granting of preliminary vessel entry by Customs at or subsequent to arrival of the vessel, is conditioned upon the presentation to and acceptance by Customs of all forms, electronically or otherwise, comprising a complete manifest as provided in § 4.7. Vessels seeking preliminary entry in advance of arrival may do so by presenting to Customs a complete Customs Form 1302 (Cargo Declaration) showing all cargo on board the vessel and Customs Form 3171, electronically or otherwise, no less than 48 hours prior to vessel arrival. The CF 3171 will also serve as notice of intended date of arrival. The port director may allow for the presentation of the CF 1302 and CF 3171 less than 48 hours prior to arrival in order to grant advanced preliminary entry if a vessel voyage takes less than 48 hours to complete from the last foreign port to the first U.S. port, or if other reasonable circumstances warrant. Preliminary entry granted in advance of arrival will become effective upon arrival at the port granting preliminary entry. Additionally, Customs must receive confirmation of a vessel's estimated time of arrival in a manner acceptable to the port director.

§ 4.9 Formal entry.

(a) *General.* Section 4.3 provides which vessels are subject to formal entry and where and when entry must be made. The formal entry of an American vessel is governed by section 434, Tariff Act of 1930 (19 U.S.C. 1434). The term "American vessel" means a vessel of the United States (see § 4.0(b)) as well as, when arriving by sea, a vessel entitled to be documented except for its size (see § 4.0(c)). The formal entry of a foreign vessel arriving within the limits of any Customs port is also governed by section 434, Tariff Act of 1930 (19 U.S.C. 1434). Alternatively, information necessary for formal entry may be transmitted electronically pursuant to a system authorized by Customs.

(b) *Procedures for American vessels.* Under certain circumstances, American vessels arriving in ports of the United States directly from other United States ports must make entry. Entry of such vessels is required when they have merchandise aboard which is

being transported in-bond, or when they have unentered foreign merchandise aboard. For the purposes of the vessel entry requirements, merchandise transported in-bond does not include bonded ship's stores or supplies. While American vessels transporting unentered foreign merchandise must fully comply with the usual formal entry procedures, American vessels carrying no unentered foreign merchandise but which have in-bond merchandise aboard may satisfy vessel entry requirements by making a required report of arrival, and presenting a completed Customs Form 1300 (Vessel Entrance or Clearance Statement). Report of arrival as provided in § 4.2 of this part, together with presenting a completed Customs Form 1300 (Vessel Entrance or Clearance Statement), satisfies all entry requirements for the subject vessels.

(c) *Delivery of foreign vessel document.* The master of any foreign vessel will exhibit the vessel's document to the port director on or before the entry of the vessel. After the net tonnage has been noted, the document may be delivered to the consul of the nation to which such vessel belongs, in which event the vessel master will certify to the port director the fact of such delivery (see section 434, Tariff Act of 1930, as amended (19 U.S.C. 1434), as applied through section 438, Tariff Act of 1930, as amended (19 U.S.C. 1438)). If not delivered to the consul, the document will be deposited in the customhouse. Whether delivered to the foreign consul or deposited at the customhouse, the document will not be delivered to the master of the foreign vessel until clearance is granted under § 4.61. It will not be lawful for any foreign consul to deliver to the master of any foreign vessel the register, or document in lieu thereof, deposited with him in accordance with the provisions of 19 U.S.C. 1434 until such master will produce to him a clearance in due form from the director of the port where such vessel has been entered. Any consul violating the provisions of this section is liable to a fine of not more than \$5,000 (section 438, Tariff Act of 1930, as amended; 19 U.S.C. 1438).

(d) *Failure to make required entry; penalties.* Any master who fails to make

entry as required by this section or who presents or transmits electronically any document required by this section that is forged, altered, or false, may be liable for certain civil penalties as provided under 19 U.S.C. 1436, in addition to penalties applicable under other provisions of law. Further, any vessel used in connection with any such violation is subject to seizure and forfeiture.

§ 4.10 Request for overtime services.

Request for overtime services in connection with entry or clearance of a vessel, including the boarding of a vessel in accordance with § 4.1 shall be made on Customs Form 3171. (See § 24.16 of this chapter regarding pleasure vessels.) Such request for overtime services must specify the nature of the services desired and the exact times when they will be needed, unless a term special license (unlimited or limited to the service requested) has been issued (see § 4.30(g)) and arrangements are made locally so that the proper Customs officer will be notified during official hours in advance of the rendering of the services as to the nature of the services desired and the exact times they will be needed. Such request shall not be approved (previously issued term special licenses shall be revoked) unless the carrier complies with the provisions of paragraphs (l) and (m) of § 4.30 regarding terminal facilities and employee lists, respectively, and the required cash deposit or bond, on Customs Form 301, containing the bond conditions set forth in § 113.64 of this chapter, has been received. Separate bonds shall be required if overtime services are requested by different principals.
