included in the original farm unit, or the minimum eligible acreage established on the project, the contract can be terminated. However, before such a termination can be approved, a written notice from the owners of the majority of the acreage must be filed with the Contracting Officer indicating their consent to and requesting his approval of the termination. The notice must be filed on or before February 1 of the year the termination is to become effective, and must include the payment of any irrigation charges then due under the existing contract. Upon the receipt of the written notice, the contracting Officer shall note his approval thereon provided that the requirements set forth herein are satisfied. A copy of the approved notice will be given to the agent of the landowners concerned.

(2) *Fort Hall Irrigation Project.* The Superintendent, Fort Hall Agency, is authorized to approve contracts as set forth in this section as well as withdrawals or termination of such contracts. However, no contracts will be entered into if the total contiguous acreage is less than 10 acres.

(3) *Wapato Irrigation Project.* The Project Engineer is authorized to approve contracts as set forth in paragraph (b) of this section, as well as withdrawals or termination of such contracts. However, no contracts will be entered into if the total contiguous acreage is less than 40 acres.

§ 171.20 Water users' ledgers.

(a) Water users' ledgers will be maintained by the Officer-in-Charge on all irrigation projects or units where irrigation assessments are levied and collected. Separate entries shall be made in the ledger for each farm tract, and bills issued to the owner or owners of record. When payment is received, it will be credited to the proper ledger account.

(b) When Indian trust or restricted land is leased and the Officer-in-Charge has been so advised by the Superintendent, irrigation bills will be submitted to the lessee. Upon receipt of payment, it will be credited to the Indian owner or owners of record in the ledger account.

(c) On those projects where irrigation districts have been formed and have ex-

ecuted repayment contracts, irrigation bills will be rendered to the district. When payment is received, it will be credited to the proper ledger accounts.

§ 171.21 Health and sanitation.

Use of Government storage reservoirs, canals, laterals or drains for disposal of sewage and trash shall not be permitted under any circumstances. If such conditions occur, and project forces are unable to correct them, the Officer-in-Charge shall request the Area Director to arrange for the necessary legal action.

§ 171.22 Complaints.

All complaints must be made in writing to the Project Engineer or the Officer-in-Charge of the project.

§ 171.23 Disputes.

In case of a dispute between a water user and the Project Engineer or Officer-in-Charge of the project concerning the application of the regulations of this part or a decision rendered by such official, the water user within 30 days may appeal to the Area Director. Further appeals may be made to the Commissioner of Indian Affairs pursuant to part 2 of this chapter.
