To cite the regulations in this volume use title, part and section number. Thus, 25 CFR 1.2 refers to title 25, part 1, section 2.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

- Title 1 through Title 16 .............................................................. as of January 1
- Title 17 through Title 27 ................................................................. as of April 1
- Title 28 through Title 41 ................................................................. as of July 1
- Title 42 through Title 50 ............................................................. as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, April 1, 2002), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

(b) The successors in interest of a party shall also promptly inform the official specified in paragraph (a) of this section of their interest in the appeal and their address.

SUBCHAPTER B—LAW AND ORDER

PART 10—INDIAN COUNTRY DETENTION FACILITIES AND PROGRAMS

Sec. 10.1 Why are policies and standards needed for Indian country detention programs?

Policies and standards are required to ensure that all Bureau of Indian Affairs (BIA) and tribal entities that receive Federal funding for the operation, maintenance, design and construction or renovation of detention facilities, community residential, or holding facilities are supporting constitutional rights and are complying with the Indian Law Enforcement Reform Act of 1990. Self-governance tribes and tribes with limited jurisdiction are encouraged to follow the regulations in this part, and other BIA manuals and handbooks. The provision for funding tribes for detention programs under the Indian Alcohol and Substance Abuse Prevention and Treatment Act, Public Law 99–570, (25 U.S.C. 2453) requires standards and procedures for such facilities.

§ 10.2 Who is responsible for developing and maintaining the policies and standards for detention and holding facilities in Indian country?

The Director, Office of Law Enforcement Services who reports to the Deputy Commissioner of Indian Affairs, BIA, establishes policies, procedures, and standards for the operations, design, planning, maintenance, renovation, and construction of detention programs in the BIA and by tribal contract under Indian Self-Determination and Education Assistance Act, Public Law 93–638, as amended, 25 U.S.C. 450.

§ 10.3 Who must follow these policies and standards?

You must follow these minimum policies, standards, and guides if you are part of the BIA or tribal detention or rehabilitation program receiving Federal funding. Self-governance tribes and tribes with limited jurisdiction are encouraged to follow the regulations in this part, and other BIA manuals and handbooks. Detention officers, guards, cooks and other staff conducting business in the facilities must meet minimum standards of law enforcement personnel as prescribed in 25 CFR part 12, subpart D, “Qualifications and Training Requirements.” Those tribal programs not receiving Federal funding under the Indian Self-Determination and Education Assistance Act (Public Law 93–638, as amended) who wish to be accredited are encouraged to use the policies and standards in that

17
part since they have been modified and approved for Indian country.

§ 10.4 What happens if the policies and standards are not followed?

The risk for human and civil rights violations due to lack of common standards will subject the operation and/or facility to unnecessary exposure to liability. Lack of employee standards, particularly for training and background checks, will increase the risk of misconduct and vicarious liability of the tribes and the Federal government through tort claims. Funding sources for detention programs may become scarce to nonexistent because of contract noncompliance. The tribes’ opportunity to receive funding from potential resource sharing agreements with other law enforcement agencies may be damaged because the facility may have to be closed for cause due to violation of the life safety codes.

§ 10.5 Where can I find the policies and standards for the administration, operation, services, and physical plant/construction of Indian country detention, community residential, and holding facilities?

The Bureau of Indian Affairs, Department of the Interior, maintains a manual of policies and procedures called the Bureau of Indian Affairs Manual (BIAM). The chapter 69 BIAM titled “Indian Country Detention Facilities and Programs,” contains the BIA’s policies, procedures, and standards for detention and holding programs in Indian country. The standards for the programs within the BIAM are in handbook format for easy field reference and use. Copies of the chapter 69 BIAM and handbooks may be obtained from the Director, Office of Law Enforcement Services.

§ 10.6 How is the BIA assured that the policies and standards are being applied uniformly and facilities are properly accredited?

The tribes and BIA programs will use a phased approach to meeting all non-mandatory detention standards and will document progress on uniform reporting. The BIA Office of Law Enforcement Services will conduct periodic operational evaluations for oversight.

§ 10.7 Where do I find help or receive technical assistance in complying with the policies and standards?

The BIA has a trained Detention Specialist on the staff of the Office of Law Enforcement Services, Albuquerque, New Mexico, who is available to conduct evaluations and provide technical assistance or guidance in all facets of Indian country detention programs.

§ 10.8 What minimum records must be kept and reports made at each detention, community residential, or holding facility in Indian country?

The Director, Office of Law Enforcement Services, BIA, will develop all necessary requirements for maintaining records, reporting data, and archiving information. These requirements will be published in 69 BIAM, “Indian Country Detention Facilities and Programs.”

§ 10.9 If a person is detained or incarcerated in an Indian country detention, community residential, or holding facility, how would they know what their rights, privileges, safety, protection and expected behavior would be?

When an individual is incarcerated in an Indian country detention, community residential, or holding facility, he/she will be given, or in some cases notified of the availability of, an Inmate Handbook. This book of guidelines describes in detail the inmate’s rights, privileges, protection and safety, cleanliness and sanitation, and general health and nutritional standards. The Inmate Handbook describes the emergency evacuation procedures, medical, counseling, rehabilitation services, visitation procedures, and other appropriate information. The Inmate Handbook is published by the Director, Office of Law Enforcement Services and maintained by the detention facility administrator at each facility location.
§ 10.10 What happens if I believe my civil rights have been violated while incarcerated in an Indian country detention or holding facility?

All allegations of civil rights violations must be reported immediately to the Internal Affairs Branch of the Office of Law Enforcement Services. This office will ensure that such allegations are immediately reported to the Civil Rights Division of the U.S. Department of Justice through established procedures. The BIA Internal Affairs Branch may also investigate alleged violations and make recommendations for additional action as necessary. Detailed instructions on the procedure to report violations can be found in the Inmate Handbook.

§ 10.11 How would someone detained or incarcerated, or their representative, get the BIA policies and standards?

At each detention, community residential, or holding facility located in a tribal jurisdiction where federal funds are used for operations or maintenance programs, the BIA’s policies, standards, and procedures will be made available. The Inmate Handbook will be made available to all persons at the time they are incarcerated or detained in a facility. There may be times when this may be delayed due to the physical or mental condition of the person at time of incarceration. In these cases, the Inmate Handbook will be made available when the person is deemed receptive and cognizant by the detention officer in charge. All policies, standards, procedures, and guidelines are available at each facility to the public or by writing to the Director, Office of Law Enforcement Services.

(2) Advise the accused that he or she has the right to remain silent, to be tried by a jury if the offense charged is
punishable by imprisonment, to be represented by counsel (which shall be paid for by the government if the accused is indigent) and that the arraignment will be postponed should he or she desire to consult with counsel.

(d) The magistrate shall call upon the defendant to plead to the charge:

(1) If the accused pleads “not guilty” to the charge, the magistrate shall then inform the accused of the trial date and set conditions for release prior to trial.

(2) If the accused pleads “guilty” to the charge, the magistrate shall accept the plea only if he or she is satisfied that the plea is made voluntarily and that the accused understands the consequences of the plea, including the rights waived by the plea. The magistrate may then impose sentence or defer sentencing for a reasonable time in order to obtain any information he or she deems necessary for the imposition of a just sentence. The accused shall be afforded an opportunity to be heard by the court prior to sentencing.

(3) If the accused refuses to plead, the judge shall enter a plea of “not guilty” on his or her behalf.

(d) The Court of Indian Offenses may revoke its release of the defendant and order him or her committed at any time where it determines that the conditions of release will not reasonably assure the appearance of the defendant, or if any conditions of release have been violated.

§ 11.311 Subpoenas.

(a) Upon request of any party, the court shall issue subpoenas to compel the testimony of witnesses, or the production of books, records, documents or any other physical evidence relevant to the determination of the case and not an undue burden on the person possessing the evidence. (a) In any criminal case punishable by a sentence of six months in jail and in any criminal case in which the prosecutor informs the court before the case comes to trial that a jail sentence will be sought, the defendant has a right, upon demand, to a jury trial. If the prosecutor informs the court that no prison sentence will be sought, the court may not impose a prison sentence for the offense.

(b) A jury shall consist of eight Indian residents of the vicinity in which trial is held, selected from a list of eligible jurors prepared each year by the court. An eligible juror shall be at least 18 years of age, shall not have been convicted of a felony, and shall not otherwise be unqualified according to standards established by the Court of Indian Offenses under its general rulemaking authority. (c) If, solely because of indigence, a convicted offender is unable to pay forthwith a money fine assessed under any applicable section, the court shall allow him or her a reasonable period of time to pay the entire sum or allow him or her to make reasonable installment payments to the clerk of the court at specified intervals until the entire sum is paid. If the offender defaults on such payments the court may find him or her in contempt of court and imprison him or her accordingly.

§ 11.316 Probation.

(a) Where a sentence of imprisonment has been imposed on a convicted offender, the Court of Indian Offenses may, in its discretion, suspend the serving of such sentence and release the person on probation under any reasonable conditions deemed appropriate by the court, provided that the period of probation shall not exceed one year.

(b) Any person who violates the terms of his or her probation may be required by the court to serve the sentence originally imposed or such part of it as the court may determine to be suitable giving consideration to all the circumstances, provided that such revocation of probation shall not be ordered without a hearing before the court at which the offender shall have the opportunity to explain his or her actions.

(b) All the rights listed in §11.906 of this part shall be afforded the parties in the dispositional hearing except the right to free court-appointed counsel. Notice of the hearing shall be given to the parties at least 48 hours before the hearing.

(c) At the dispositional hearing the children’s court shall consider any predisposition report or other study it may have ordered and afford the parties an opportunity to controvert the factual contents and conclusions of the reports. The children’s court shall also consider the alternative predisposition report prepared by the minor and his or her attorney, if any.

(d) The dispositional order constitutes a final order for purposes of appeal.

§ 11.1112 Dispositional alternatives.

(a) If a minor has been adjudged a minor-in-need-of-care, the children’s court may:

(1) Permit the minor to remain with his or her parents, guardian or custodian subject to such limitations and conditions as the court may prescribe; or, if reasonable efforts to have the minor return or remain in his or her own home are unsuccessful, the children’s court may make whichever of the following dispositions is in the best interest of the minor;

(2) Place the minor with a relative within the boundaries of the reservation subject to such limitations and conditions as the court may prescribe;

(3) Place the minor in a foster home within the boundaries of the reservation which has been approved by the tribe subject to such limitations and conditions as the court may prescribe;

(c) The dispositional orders are to be in effect for the time limit set by the children’s court, but no order may continue after the minor reaches 18 years of age, unless the dispositional order was made within six months of the minor’s eighteenth birthday, in which case the disposition may not continue for more than six months.

(d) The dispositional orders are to be reviewed at the children’s court discretion, but at least once every six months to determine the continuing need for and appropriateness of placement, to determine the extent of progress made, and to assess the probability of the minor’s return to his or her home.

(e) A permanency planning hearing must be held within 18 months after the original placement and every six months thereafter to determine the future status of the minor except when the minor is returned to his or her home and court supervision ceases.

§ 11.1113 Modification of dispositional order.

(a) A dispositional order of the children’s court may be modified upon a showing of a change of circumstances.

(b) The children’s court may modify a dispositional order at any time upon motion of the minor or the minor’s parents, guardian or custodian.

(c) If the modification involves a change of custody, the children’s court shall conduct a hearing pursuant to paragraph (d) of this section to review the dispositional order.

(d) A hearing to review a dispositional order shall be conducted as follows:

(1) All the rights listed in §11.906 of this part shall be afforded the parties in the review of the disposition hearing except the right to free court-appointed counsel. Notice of the hearing shall be given the parties at least 48 hours before the hearing.
§ 11.1114  Termination.

(a) Parental rights to a child may be terminated by the children’s court according to the procedures in this section.

(b) Proceedings to terminate parental rights shall be instituted by a petition filed by the presenting officer on behalf of the tribe or by the parents or guardian of the child. The petition shall state:

(1) The name, birth date, and residence of the minor;

(2) The names and residences of the minor’s parents, guardian or custodian;

(3) If the child is in detention or shelter care, the place of detention or shelter care and the time he was taken into custody; and

(4) The reasons for the petition.

(c) Upon receipt of the petition, the children’s court shall set a date for the termination hearing which shall not be more than 15 days after the children’s court receives the petition from the presenting officer. The hearing may be continued:

(1) On motion of the minor’s parents, guardian or custodian; or

(2) Upon motion of the presenting officer by reason of the unavailability of material evidence or witnesses and the children’s court finds the presenting officer has exercised due diligence to obtain the material evidence or witnesses and reasonable grounds exist to believe that the material evidence or witnesses will become available.

(d) Summons:

(1) At least five working days prior to the termination hearing, the children’s court shall issue summons to the minor, the minor’s parents, guardian or custodian, and any other person the court or the minor’s parents, guardian or custodian believes necessary for the proper adjudication of the hearing.

(2) The summons shall contain the name of the court, the title of the proceedings, and the date, time and place of the hearing.

(3) A copy of the petition shall be attached to the summons.

(4) The summons shall be delivered personally by a law enforcement officer or appointee of the children’s court. If the summons cannot be delivered personally, the court may deliver it by certified mail.

(e) The children’s court shall conduct the termination hearing for the sole purpose of determining whether parental rights shall be terminated. The hearing shall be private and closed.

(1) All the rights listed in §11.906 shall be afforded the parties in the termination hearing except the right to a free court-appointed counsel. The minor’s parents may not be compelled to be witnesses against, nor otherwise incriminate themselves.

(2) The children’s court shall hear testimony concerning the circumstances that gave rise to the petition, and the need for termination of parental rights.

(3) The children’s court may terminate parental rights if, following efforts to prevent or eliminate the need to remove the minor, it finds such efforts to have been unsuccessful, and it finds beyond a reasonable doubt that:

(i) The child has been abandoned;

(ii) The minor has suffered physical injuries, willfully and repeatedly inflicted by his or her parent(s) which cause or create a substantial risk of death, disfigurement, or impairment of bodily functions;

(iii) The parent(s) has subjected the minor to willful and repeated acts of sexual abuse;

(iv) The minor has suffered serious emotional or mental harm due to the act of the parent(s); or

(v) The voluntary written consent of both parents has been acknowledged before the court.

(f) Dispositional alternatives:

(1) If parental rights to a child are terminated, the children’s court shall
place the minor in a foster care or shelter care facility which has been approved by the tribe, and follow the adoption procedures of the tribe, or, in their absence, the adoption procedures of the state within which it is located.

(2) If parental rights to a child are not terminated, the children’s court shall make a disposition according to §11.1112 of this part.

(g) The termination order constitutes a final order for purposes of appeal.

(h) No adjudication of termination of parental rights shall affect the minor’s enrollment status as a member of any tribe or the minor’s degree of blood quantum of any tribe.

§11.1115 Information collection.

(a) The information collection requirements contained in §11.600 and §11.606 have been approved by the Office of Management and Budget under 44 U.S.C. 3501 et seq., and assigned approval number 1076–0094. The information is being collected to obtain a marriage license (§11.600) and a divorce decree (§11.606) from the Courts of Indian Offenses, and will be used by the courts to issue a marriage license or divorce decree. Response to this request is required to obtain a benefit.

Subpart G—Support Functions

12.61 Can I be paid for information that helps solve a crime?

12.63 Do Indian country law enforcement officers perform other duties as well?

Source: 62 FR 15611, Apr. 2, 1997, unless otherwise noted.

Subpart A—Responsibilities

§ 12.1 Who is responsible for the Bureau of Indian Affairs law enforcement function?

The Commissioner of Indian Affairs, or in the absence of a Commissioner, the Deputy Commissioner, is responsible for Bureau of Indian Affairs-operated and contracted law enforcement programs, and for overall policy development and implementation of the Indian Law Enforcement Reform Act, Public Law 101–379 (25 U.S.C. 2801 et seq.).

§ 12.2 What is the role of the Bureau of Indian Affairs Director of Law Enforcement Services?

The Director of the Office of Law Enforcement Services for the Bureau of Indian Affairs (Director) has been delegated the responsibility for the development of law enforcement and detention policies, standards, and management of all Bureau of Indian Affairs (BIA) criminal investigations, drug enforcement, training, internal affairs, inspection and evaluation, emergency response forces, and other national level Indian country law enforcement initiatives. The Director publishes these policies and standards in law enforcement manuals and handbooks. The Director is also directly responsible for developing crime prevention and outreach programs within Indian country law enforcement.

§ 12.3 Who supervises Bureau of Indian Affairs criminal investigators?

All BIA criminal investigators are supervised by other criminal investigators within the Office of Law Enforcement Services.

§ 12.4 Who supervises the Bureau of Indian Affairs uniformed police, detention, and conservation enforcement functions?

The agency superintendent is directly responsible for the operation and management of BIA uniformed police operations, detention facilities, and conservation enforcement operations at any agency having these programs. The agency superintendent must also ensure technical support is provided to any agency contracting the law enforcement and/or detention program.

Subpart B—Policies and Standards

§ 12.11 Do I have to follow these regulations?

You must follow the minimum standards outlined in the regulations in this part if you are part of a BIA or tribal law enforcement program receiving Federal funding or operating under a BIA law enforcement commission.

§ 12.12 What about self-determination?

The regulations in this part are not intended to discourage contracting of Indian country law enforcement programs under the Indian Self-determination and Education Assistance Act (Pub. L. 93–638, as amended, 25 U.S.C. 450). The Deputy Commissioner of Indian Affairs will ensure minimum standards are maintained in high risk activities where the Federal government retains liability and the responsibility for settling tort claims arising from contracted law enforcement programs. It is not fair to law abiding citizens of Indian country to have anything less than a professional law enforcement program in their community. Indian country law enforcement programs that receive Federal funding and/or commissioning will be subject to a periodic inspection or evaluation to provide technical assistance, to ensure compliance with minimum Federal standards, and to identify necessary changes or improvements to BIA policies.

§ 12.13 What happens if I do not follow the rules in this part?

Your BIA law enforcement commission may be revoked, your law enforcement contract may be canceled, and
you may no longer be eligible for tribal shares allocated from the law enforcement budget.

§ 12.14 Where can I find specific policies and standards for law enforcement functions in Indian country?

BIA will ensure that all Indian country law enforcement programs are provided a copy of the most current policy manuals and handbooks. Every Indian country law enforcement program covered by the regulations in this part must maintain an effective and efficient law enforcement program meeting minimal qualitative standards and procedures specified in chapter 68 Bureau of Indian Affairs Manual (BIAM) and the Law Enforcement Handbook.

Subpart C—Authority and Jurisdiction

§ 12.21 What authority is given to Indian country law enforcement officers to perform their duties?

BIA law enforcement officers are commissioned under the authority established in 25 U.S.C. 2803. BIA may issue law enforcement commissions to other Federal, State, local, and tribal full-time certified law enforcement officers to obtain active assistance in enforcing applicable Federal criminal statutes, including Federal hunting and fishing regulations, in Indian country.

(a) BIA will issue commissions to other Federal, State, local, and tribal full-time certified law enforcement officers only after the head of the local government or Federal agency completes an agreement with the Commissioner of Indian Affairs asking that BIA issue delegated commissions. The agreement must include language that allows the BIA to evaluate the effectiveness of these special law enforcement commissions and to investigate any allegations of misuse of authority.

(b) Tribal law enforcement officers operating under a BIA contract or compact are not automatically commissioned as Federal officers; however, they may be commissioned on a case-by-case basis.

§ 12.22 Can Bureau of Indian Affairs law enforcement officers enforce tribal laws?

BIA officers will enforce tribal laws only with the permission of the tribe. Local programs are encouraged to make arrangements and agreements with local jurisdictions to facilitate law enforcement objectives.

§ 12.23 What are the jurisdictional limits in Indian country?

The Department of the Interior and the Department of Justice must maintain and periodically review and update a memorandum of understanding describing the relationship between the Federal Bureau of Investigation and the Bureau of Indian Affairs in the investigation and prosecution of major crimes in Indian country. Any law enforcement programs performing duties under the authority of 25 U.S.C. 2803 must follow the guidelines in the memorandum of understanding and any local United States Attorney’s guidelines for the investigation and prosecution of Federal crimes.

Subpart D—Qualifications and Training Requirements

§ 12.31 Are there any minimum employment standards for Indian country law enforcement personnel?

The Director must develop, maintain, and periodically review the qualification standards, including medical qualification standards, for all BIA law enforcement, detention, and conservation enforcement occupational series. The standards will be no less stringent than the minimum standards established by the U.S. Office of Personnel Management (OPM) for these occupational series, and may exceed the OPM standards. BIA standards are available for review at any BIA personnel office. All tribal programs are encouraged to develop standards at least as stringent as those established for BIA officers.

§ 12.32 Do minimum employment standards include a background investigation?

Law enforcement authority is only entrusted to personnel possessing adequate education and/or experience,
§ 12.33 Are Indian country law enforcement officers paid less than other law enforcement officers?

An officer’s pay is determined by his/her grade and classification. The Commissioner of Indian Affairs must ensure that all BIA law enforcement officer positions are established at no lower grade level on the Federal scale than similar Federal law enforcement officer positions in other agencies. No BIA position performing commissioned law enforcement duties will be classified in other than the GS 0883, police officer series, for uniformed officers and the GS 1811, criminal investigating series, for criminal investigators.

§ 12.36 Does other law enforcement training count?

All requests for evaluation of equivalent training must be submitted to the Indian Police Academy for review, with final determination made by the Director. Requests for a waiver of training requirements to use personnel before completing the required courses of instruction must be submitted to the Director and approved or disapproved by the Commissioner of Indian Affairs. In no case will such a waiver allow personnel to be used in any position for more than one year without achieving training standards. Failure to complete basic training requirements will result in removal from a law enforcement position.

Subpart E—Records and Information

§ 12.41 Who keeps statistics for Indian country law enforcement activities?

The Director maintains a criminal justice information system for Indian country. The Director will prescribe the types of data to be collected and the reporting format to be used to collect information and assemble reports on crime reported in Indian country. These reports may be provided to the Department of Justice. Any law enforcement program receiving funding from the BIA must use the same reporting format and submit the same statistical reports to the Office of Law Enforcement Services as prescribed by the Director and as are required of all BIA law enforcement programs.

§ 12.42 Do Indian country law enforcement programs share information with their own communities or other agencies?

At intervals established by the Director, each BIA criminal investigations program, and any investigations program receiving BIA funds will consult with local tribal leaders and managers of local patrol and detention programs. They will discuss the quality of the local investigations program and offer feedback and technical assistance. There will be no requirement to disclose confidential investigative information or to compromise ongoing investigations during this process.
§ 12.51 Must Indian country law enforcement officers follow a code of conduct?

All law enforcement programs receiving Bureau of Indian Affairs funding or commissioning must establish a law enforcement code of conduct which establishes specific guidelines for conduct on and off duty, impartiality, and professional conduct in the performance of duty, and acceptance of gifts or favors. Each officer must acknowledge in writing receiving and understanding of this code of conduct. The acknowledgment will remain on file with the law enforcement program manager as long as the officer is employed there. Training will be conducted on this code of conduct and other ethics issues at least once each year.

§ 12.52 How do I report misconduct?

The Director will develop and maintain a reporting system that allows any resident of or visitor to Indian country to report officer misconduct. Each law enforcement program in Indian country will maintain instructions on how to register a complaint. An overview of these steps must be posted for public viewing at each law enforcement facility in Indian country.

§ 12.53 Who investigates officer misconduct?

The Director, Office of Law Enforcement Services maintains an internal affairs program that investigates all allegations of misconduct by BIA officers, and any officer receiving funding and/or authority from the BIA. All allegations of misconduct must be thoroughly investigated and appropriate action taken when warranted. Any person having knowledge of officer misconduct must report that information to the officer’s supervisor. The supervisor must immediately report allegations to the internal affairs unit. Depending upon the severity of the allegation, the matter may be dealt with locally or it will be investigated by the internal affairs unit. Failure of any BIA employee to report known allegations may be considered misconduct in itself. Citizens may report officer misconduct directly to the internal affairs unit if that is more practical.

§ 12.54 What can I do if I believe my civil rights have been violated?

All allegations of civil rights violations must be reported immediately to the internal affairs unit. That office will ensure that allegations are immediately reported to the Civil Rights Division of the U.S. Department of Justice through established procedures. BIA’s internal affairs unit may also investigate the matter and make recommendations for additional action as necessary.

§ 12.55 Are there any limits on how much force an officer can use when performing law enforcement duties?

The Director will develop and maintain the use of force policy for all BIA law enforcement personnel, and for programs receiving BIA funding or authority. Training in the use of force, to include non-lethal measures, will be provided annually. All officers will successfully complete a course of instruction in firearms, to include judgement pistol shooting, approved by the Indian Police Academy before carrying a firearm on or off duty.

Subpart G—Support Functions

§ 12.561 Can I be paid for information that helps solve a crime?

The Director can spend money to purchase evidence or information, or to offer a reward, in the investigation of a crime. This is subject to the availability of funds. This authority may be delegated in writing to supervisory criminal investigators within the Office of Law Enforcement Services in the BIA. The Director must develop policies and procedures for the expenditure, control, and audit of these funds before their use.

§ 12.562 Who decides what uniform an Indian country law enforcement officer can wear and who pays for it?

Each local law enforcement program must establish its own uniform requirements for patrol and detention
§ 12.63 Personnel. Uniformed BIA police officers may be paid an annual uniform allowance not to exceed $400. Local programs may provide uniforms and related equipment to officers in lieu of this payment. All law enforcement officers must also have their official identification on their person at all times when performing law enforcement duties. Uniforms, when worn, will be plainly distinguishable from the uniforms of any non-law enforcement personnel working on the reservation.

§ 12.63 Do Indian country law enforcement officers perform other duties as well?

Law enforcement commissions will only be issued by the Bureau of Indian Affairs to persons occupying positions as full-time officers. Bureau of Indian Affairs funded or commissioned criminal investigators will not be responsible for supervising or managing any patrol, detention, or other uniformed police programs.

Subpart A—Purpose

§ 13.1 Purpose.

(a) The regulations of this part establish the procedures by which an Indian tribe that occupies a reservation as defined in 25 U.S.C. 1903(10) over which a state asserts any jurisdiction pursuant to the provisions of the Act of August 15, 1953 (67 Stat. 588) Pub. L. 83–280, or pursuant to any other federal law (including any special federal law applicable only to a tribe or tribes in Oklahoma), may reassume jurisdiction over Indian child custody proceedings as authorized by the Indian Child Welfare Act. Pub. L. 95–606, 92 Stat. 3069, 25 U.S.C. 1918.

(b) On some reservations there are disputes concerning whether certain federal statutes have subjected Indian child custody proceedings to state jurisdiction or whether any such jurisdiction conferred on a state is exclusive of tribal jurisdiction. Tribes located on those reservations may wish to exercise exclusive jurisdiction or other jurisdiction currently exercised by the state without the necessity of engaging in protracted litigation. The procedures in this part also permit such tribes to secure unquestioned exclusive, concurrent or partial jurisdiction over Indian child custody matters without relinquishing their claim that no Federal statute had ever deprived them of that jurisdiction.

(c) Some tribes may wish to join together in a consortium to establish a single entity that will exercise jurisdiction over all their members located on the reservations of tribes participating in the consortium. These regulations also provide a procedure by which tribes may reassume jurisdiction through such a consortium.

(d) These regulations also provide for limited reassumptions including jurisdiction restricted to cases transferred from state courts under 25 U.S.C. 1911(b) and jurisdiction over limited geographical areas.

(e) Unless the petition for reassumption specifically states otherwise, where a tribe reassumes jurisdiction over the reservation it occupies, any land or community occupied by that tribe which subsequently acquires the status of reservation as defined in 25 U.S.C. 1903(10) also becomes subject to tribal jurisdiction over Indian child custody matters.

§ 13.2 Information collection.

The information collection requirement contained in §13.11 has been approved by the Office of Management and Budget under 44 U.S.C. 3501 et seq.
and assigned clearance number 1076–0112. The information is being collected when federally recognized tribes request reassumption of jurisdiction over child custody proceedings. The information will be used to determine if reassumption of jurisdiction over Indian child custody proceedings is feasible. Response is required to obtain a benefit.

[53 FR 21994, June 13, 1988]

Subpart B—Reassumption

§ 13.11 Contents of reassumption petitions.

(a) Each petition to reassume jurisdiction over Indian child custody proceedings and the accompanying plan shall contain, where available, the following information in sufficient detail to permit the Secretary to determine whether reassumption is feasible:

1. Full name, address and telephone number of the petitioning tribe or tribes.
2. A resolution by the tribal governing body supporting the petition and plan. If the territory involved is occupied by more than one tribe and jurisdiction is to be reassumed over all Indians residing in the territory, the governing body of each tribe involved must adopt such a resolution. A tribe that shares territory with another tribe or tribes may reassume jurisdiction only over its own members without obtaining the consent of the other tribe or tribes. Where a group of tribes form a consortium to reassume jurisdiction, the governing body of each participating tribe must submit a resolution.
3. The proposed date on which jurisdiction would be reassumed.
4. Estimated total number of members in the petitioning tribe or tribes, together with an explanation of how the number was estimated.
5. Current criteria for membership in the tribe or tribes.
6. Explanation of procedure by which a participant in an Indian child custody proceeding may determine whether a particular individual is a member of a petitioning tribe.
7. Citation to provision in tribal constitution or similar governing document, if any, that authorizes the tribal governing body to exercise jurisdiction over Indian child custody matters.
8. Description of the tribal court as defined in 25 U.S.C. 1903(12) that has been or will be established to exercise jurisdiction over Indian child custody matters. The description shall include an organization chart and budget for the court. The source and amount of non-tribal funds that will be used to fund the court shall be identified. Funds that will become available only when the tribe reassumes jurisdiction may be included.
9. Copy of any tribal ordinances or tribal court rules establishing procedures or rules for the exercise of jurisdiction over child custody matters.
10. Description of child and family support services that will be available to the tribe or tribes when jurisdiction reassumed. Such services include any resource to maintain family stability or provide support for an Indian child in the absence of a family—regardless of whether or not they are the type of services traditionally employed by social services agencies. The description shall include not only those resources of the tribe itself, but also any state or federal resources that will continue to be available after reassumption of jurisdiction.
11. Estimate of the number of child custody cases expected during a year together with an explanation of how the number was estimated.
12. Copy of any tribal agreements with states, other tribes or non-Indian local governments relating to child custody matters.

(b) If the petition is for jurisdiction other than transferral jurisdiction under 25 U.S.C. 1911(b), the following information shall also be included in the petition and plan:

1. Citation of the statute or statutes upon which the state has based its assertion of jurisdiction over Indian child custody matters.
2. Clear and definite description of the territory over which jurisdiction will be reassumed together with a statement of the size of the territory in square miles.
3. If a statute upon which the state bases its assertion of jurisdiction is a surplus land statute, a clear and definite description of the reservation
§ 13.12 Criteria for approval of reassumption petitions.

(a) The Assistant Secretary—Indian Affairs shall approve a tribal petition to reassume jurisdiction over Indian child custody matters if:

(1) Any reservation, as defined in 25 U.S.C. 1903(10), presently affected by the petition is presently occupied by the petitioning tribe or tribes;

(2) The constitution or other governing document, if any, of the petitioning tribe or tribes authorizes the tribal governing body or bodies to exercise jurisdiction over Indian child custody matters;

(3) The information and documents required by §13.11 of this part have been provided;

(4) A tribal court, as defined in 25 U.S.C. 1903(12), has been established or will be established before reassumption and that tribal court will be able to exercise jurisdiction over Indian child custody matters in a manner that meets the requirements of the Indian Civil Rights Act, 25 U.S.C. 1302;

(5) Child care services sufficient to meet the needs of most children the tribal court finds must be removed from parental custody are available or will be available at the time of reassumption of jurisdiction; and

(6) The tribe or tribes have established a procedure for clearly identifying persons who will be subject to the jurisdiction of the tribe or tribes upon reassumption of jurisdiction.

(b) If the technical assistance provided by the Bureau to the tribe to correct any deficiency which the Assistant Secretary—Indian Affairs has identified as a basis for disapproving a petition for reassumption of exclusive jurisdiction has proved unsuccessful in eliminating entirely such problem, the Bureau, at the request of the tribe, shall assist the tribe to assert whatever partial jurisdiction as provided in 25 U.S.C. 1918(b) that is feasible and desired by the tribe. In the alternative, the Bureau, if requested by the concerned tribe, shall assist the tribe to enter into agreements with a state or states regarding the care and custody of Indian children and jurisdiction over Indian child custody proceedings, including agreements which may provide for the orderly transfer of jurisdiction to the tribe on a case-by-case basis or agreements which provide for concurrent jurisdiction between the state and the Indian tribe.

§ 13.13 Technical assistance prior to petitioning.

(a) Upon the request of a tribe desiring to reassume jurisdiction over Indian child custody matters, Bureau agency and Area Offices shall provide technical assistance and make available any pertinent documents, records, maps or reports in the Bureau’s possession to enable the tribe to meet the requirements for Secretarial approval of the petition.

(b) Upon the request of such a tribe, to the extent funds are available, the Bureau may provide funding under the procedures established under 25 CFR 23.22 to assist the tribe in developing the tribal court and child care services that will be needed when jurisdiction is reassumed.

§ 13.14 Secretarial review procedure.

(a) Upon receipt of the petition, the Assistant Secretary—Indian Affairs shall cause to be published in the FEDERAL REGISTER a notice stating that the petition has been received and is under review and that it may be inspected and copied at the Bureau agency office that serves the petitioning tribe or tribes.

(1) No final action shall be taken until 45 days after the petition has been received.

(2) Notice that a petition has been disapproved shall be published in the FEDERAL REGISTER no later than 75 days after the petition has been received.

(3) Notice that a petition has been approved shall be published on a date requested by the petitioning tribe or within 75 days after the petition has been received—whichever is later.

(b) Notice of approval shall include a clear and definite description of the
§ 13.16 Technical assistance after disapproval.

If a petition is disapproved, the Bureau shall immediately offer technical assistance to the tribal governing body for the purpose of overcoming the defect in the petition or plan that resulted in the disapproval.

This payment standard is the amount from which the Bureau subtracts net income and resources to determine General Assistance eligibility and payment levels;
(b) If the state does not have a standard for an adult, we will use either the difference between the standard for a child and the standard for a household of two, or one-half of the standard for a household of two, whichever is greater; and
(c) If the state does not have a TANF program, we will use the AFDC payment standard which was in effect on September 30, 1995, in the State where the applicant or recipient resides.

§ 26.6 Program services and client participation.

(a) When a request is made for employment services, the applicant shall be offered assistance to assess his/her job skills and work experience and to relate these to available employment opportunities. In other cases, applicants may be encouraged to consider further education or training options as a preliminary to permanent employment. Subpart H—National Dormitory Criteria

§ 36.70 Scope of subpart.

This subpart contains the criteria and mandatory requirements for all dormitories. The individual employee responsibilities, based on the terminology used to designate specific employee positions and their assigned responsibilities, may vary depending upon whether the dormitory is a direct Bureau operation or contract operation.

§ 36.71 General provisions.

(a) The Homeliving Specialist is the administrative head of the dormitory who shall have sufficient autonomy and authority to ensure the successful functioning of all phases of the dormitory program, and, in dormitories attached to a school, shall report to the school supervisor.

(b) In situations where a Bureau-funded dormitory is maintained, operated, and administered separately from the academic program, this dormitory will ensure access to or provide a guidance program equal to the standards as those under § 36.42 of this part.

(c) Students who qualify for residential services under the Exceptional
§ 36.72 Elementary level dormitories.

(a) Each dormitory program shall provide or have access to the services of a qualified counselor who holds a valid counselor certificate and has training and experience in dealing with elementary students.

151-225 students: 1 full-time and ½ time counselor
226-300 students: 2 full-time counselors

For dormitories that exceed 300 students (ADM), additional counselor time shall be provided according to the above ratio. Dormitories within an Agency are encouraged to try a variety of approaches to guidance service. In this arrangement, the counselor’s time may be shared between dormitories. As long as one half-time, professionally-trained counselor is provided, the dormitory program may use supportive personnel and teachers to meet the ratio.

(d) Dormitory counselors’ work hours shall be arranged to provide maximum availability of services to students when they are not in academic session.

§ 36.73 Secondary level dormitories.

(a) Each dormitory program shall provide or have access to the services of a qualified counselor who holds a valid counselor certificate and has training and experience dealing with secondary students.

(b) Counselors may be assigned minimal or temporary school supervisory duties. A school supervisor shall not serve in the capacity of a counselor while holding a position as a school supervisor.

Topics to be presented may be determined by a committee comprised of students, staff, administrators, and parents. These topics shall include discussions of problems or needs that exist at the location and/or community.
§ 36.75

(d) Each dormitory facility shall be cleaned daily when in operation to provide a safe and sanitary environment. Minimum requirements of the system shall include an attendance procedure at least four (4) times per normal waking day for grades one through eight and two (2) times for grades nine through 12. However, students in grades seven through 12 may be allowed to have a self check-in system provided that an employee reviews the roster within an hour of each designated check-in time. During sleeping hours, students in grades one through eight shall be checked every two (2) hours. At the start of each school day, residential facilities supervisors shall report to the school office which students will not be in attendance. An intra-school pass system shall be developed and implemented.

(g) Students shall be permitted to be released from the dormitory overnight, on weekends, or during vacation periods only when prior written approval is granted by the parent or guardian and only if the local school board adopts a policy governing the conditions of release. Such policy must adhere to the concept that the dormitory/school is acting in “loco parentis.”

(h) Dormitory facilities shall have a designated room or rooms which shall be utilized as an isolation room(s) for student health care needs. Students isolated in such room(s) shall be checked on a minimum of an hourly basis.

(i) Each dormitory operation shall develop a written procedure for handling emergency situations. Such a procedure shall include names and telephone numbers of the responsible parties to contact in case of emergencies. Situations that shall be considered emergencies include life-threatening medical/health problems, power failures, walkaways, etc.

(j) A tutoring program shall be developed and implemented to assist those students having academic difficulties. Each dormitory operation shall provide a time and place where tutoring, homework, reading, and/or studying can be done for at least one hour daily.

(k) The responsible dormitory supervisor shall be accountable for reporting any hazardous or defective items in the dormitory to the appropriate supervisor and plant manager.

(l) Leisure-time activities shall be provided to dormitory students. These activities may include recreational activities, clubs, arts/crafts, and reading of newspapers and periodicals. Television viewing shall not be considered as structured leisure time unless a scheduled program provides educational benefit.

(m) Lines of communication shall be established with other local social service agencies to assist in the resolution of problems that may extend beyond the confines of the dormitory. These agencies may be State, tribal, or Federal.

(n) Dormitory personnel will receive training in emergency first aid procedures.

§ 36.75 Space and privacy.

The configuration of sleeping space and other living areas will vary according to the grade levels of the occupants; however, sleeping rooms shall provide sufficient space and privacy for the resident students. The following space and privacy requirements shall
§ 36.76 Compliance for the National Criteria for Dormitory Situations.

(a) The education supervisor(s) or peripheral dormitory supervisor shall report to their supervisor(s) within 45 days after the start of each school term with a compliance report to the local school board that attests to whether a dormitory is in compliance or non-compliance; within 15 days, the compliance report shall be submitted to the Agency Superintendent for Education or Area Education Programs Administrator, as appropriate.

(e) In the event a dormitory is not in compliance for two consecutive years due to conditions which can be corrected locally, appropriate personnel actions shall be initiated at all appropriate levels of school/dormitory administration. Noncompliance may be grounds for dismissal.

(f) The Secretary shall submit to the appropriate committees of Congress at the time of the annual budget request a detailed plan to bring all Bureau and contract boarding schools up to the criteria established under section 1122 of Pub. L. 95–561, and 25 U.S.C. 2002. Such plan shall include, but not be limited to, predictions for the relative need for each boarding school in relation to the criteria established under this section and specific cost estimates for meeting such criteria at each school up to the level required by such criteria.
§ 36.77 Waivers and revisions.

(a) The tribal governing body (tribe), or the local school board (LSB), if so designated by the tribe, shall have the local authority to waive or revise in part or in whole, the standard(s) established in this part if the standard(s) are determined to be inappropriate or if they fail to take into account specific needs of the tribe’s children. An individual’s appointment may be finalized only upon receipt of a formal written determination certified by the local school board under such uniform procedures as it may adopt. Written determination by the school board should be received within a reasonable period, but not to exceed 30 days. Failure of the school board to act within this period shall have the effect of approving the proposed appointment. The local school board shall use the same written procedure to disapprove an appointment. The school supervisor may appeal to the ASE, or, where appropriate, to the AEPA, any determination by the local school board concerning an individual’s appointment. A written statement of appeal describing the action and the reasons the supervisor believes such action should be overturned must be filed within 10 days of receipt of the action from the local school board. written appeal and response, the ASE or AEPA may, for cause, overturn the action of the local school board. The ASE or AEPA must transmit the determination of the appeal (in the form of a written opinion) to the board and to the supervisor identifying the reasons for overturning the action within 10 calendar days. (b) School supervisors. School supervisors may be appointed only by the ASE, except the AEPA shall appoint school supervisors for off-reservation boarding schools and those few other schools supervised by the AEPA. The school board shall be consulted before the school supervisor is employed. The appointment may be finalized upon receipt of a formal written determination certified by the school board under any uniform procedures as it may adopt. Written determination by the school board shall be received within a reasonable period, but not to exceed 30 days. The ASE or AEPA, as appropriate, may appeal to the Director by filing a written statement describing the determination and the reasons the supervisor believes the determination should be overturned. A copy of the statement shall be submitted to the local school board and the board shall be afforded an opportunity to respond, within 10 calendar days, in writing, to such an appeal. The Director may reverse the determination for cause set out in writing to the school board. Within 20 calendar days of the school board’s response, the Director shall transmit the determination of the appeal (in the form of a written opinion) to the board and to the ASE or AEPA identifying the reasons for overturning the determination. Failure by the Director to act within the 20 calendar day period shall have the effect of approving the school board’s determination.

(c) Agency office education program employees. Appointments to Agency office education positions may be made only by the ASE. The Agency school board shall be consulted before the agency education employee is employed, and the appointment may be finalized upon receipt of a formal, written determination certified by the Agency school board under any uniform procedures as it may adopt. Written determination by the school board shall be received within a reasonable period, but not to exceed 30 days. Failure of the school board to act within this period shall have the effect of approving the proposed appointment. The Agency school board shall use the same written procedure to disapprove an appointment. Within 20 calendar days of receipt of any determination by the school board concerning an individual’s appointment, the ASE may appeal to the Director by filing a written statement describing the determination and the reasons the supervisor believes the determination should be overturned. A copy of the statement shall be submitted to the Agency school board and the board shall be afforded an opportunity to respond, within 10 calendar days, in writing, to such an appeal. After reviewing the written appeal and response, the Director may, for cause, overturn the determination of the Agency school board. Within 20 days of the board’s response, the Director shall transmit the determination of the appeal (in the form of a written opinion) to the board and to the ASE identifying the reasons for overturning the determination. the official involved shall notify or consult with the Agency school board serving the tribe(s) to which the parents of the Indian children attending that school belong, or, in that absence, the tribal organization(s) of the tribe(s) involved.

(f) Provisional contracts. Provisional certification or other limited certificates from the State are not considered full certification and only a provisional contract may be issued. There may be circumstances when no individual who has met the full certification or experience requirements is available for a professional position or when a status quo employee who does not meet full certification or experience requirements desires to convert to contract. When this situation exists, a provisional contract may be issued in accordance with the following:

1. The contract will be made only:
   (i) After it is determined that an individual already meeting certification or experience requirements is not available; or
   (ii) For conversion of a status quo employee who does not yet meet all established position requirements.

2. Consultation with the appropriate school board is required prior to the contract.

3. The contract may be of 12-month or school-term duration.

4. The employee will be required to make satisfactory progress toward meeting full qualification requirements.

5. If the employee fails to meet the requirements established under §38.7(f)(4), the contract will be terminated. Such termination cannot be grieved or appealed.

(g) Conditional appointment. As provided in section 1131(d)(4), Pub. L. 95–561, if an individual who has applied at both the national and local levels is appointed from a local list of applicants, the appointment shall be conditional for 90 days. During that period, the individual’s application and background shall be examined to determine if there is a more qualified individual for the position. Removal during this period is not subject to discharge, hearing or grievance procedures.

(h) Short-term contracts. (1) There may be circumstances where immediate action is necessary and it is impossible to consult with the local school board. When this situation exists short-term contracts may be made by the school supervisor in accordance with the following:

   i. The length of the contract will not exceed 60 days, or the next regularly scheduled school board meeting, whichever comes first.

   ii. If the board meets and does not take action on the individual in question, the short-term contract may be extended for the duration of the school year.

   iii. It shall be the responsibility of the school supervisor to fully inform the local school board of all such short-term contracts. Failure to do so may be cited as reason to discharge the school supervisor if so requested by the board.

(2) The local school board may authorize the school supervisor to make an emergency short-term contract to classroom, dormitory and other positions directly related to the health and safety of students. When this situation exists, short-term contracts may be made in accordance with the following:

   i. If local and agency lists of qualified applicants are exhausted, short-term contracts may be made without regard to qualifications for the position;

   ii. The pay level will be based on the qualifications of the individual employed rather than the requirements of the position, if the qualifications of the individual are lower than required;

   iii. The short-term contract may not exceed the school term and may not be renewed or extended;

   iv. Every 60 days the school supervisor will determine if qualified individuals have been placed on the local or agency lists. If a qualified individual on the list accepts employment, the school supervisor must terminate the emergency appointment at the time the qualified individual is appointed.

(i) Temporary contracts. There may be circumstances where a specific position is needed for a period of one year or less. Under these conditions a position may be advertised as a temporary position and be filled under a temporary contract. Such contract requires the same school board approval as a school

Where the determination is made that an employee’s contract shall not be renewed for the following year, the following procedure will apply to those employees who have completed three full continuous school terms of service under consecutive contract appointments and satisfactory performance in the same or comparable education positions.

(a) The employee will be given a written notice of the action and the reasons thereof not less than 60 days before the end of the school term.

(b) The employee will be given 10 calendar days to request an informal hearing before the appropriate official or body. Upon request, the employee may be given official time, not to exceed eight hours, to prepare a written response to the reason(s).

(c) If so requested, an informal hearing shall be held within 30 calendar days of receipt of the request.

(d) The appropriate official or body will render a written determination within seven calendar days after the informal hearing.

(e) The employee has a right to request an administrative review by the ASE or AEPA of the determination within 10 calendar days of that determination. The ASE or AEPA then has 20 calendar days to render a final decision. Where the employee is the supervisor of the school or an agency education employee, any appeal of the ASE or AEPA would be addressed to the Director for a decision. If the Director or ASE’s or AEPA’s decision overturns the appropriate official or
§ 38.9 Discharge of educators.

(a) Discharge for cause. Educators covered under the provision of this section are excluded from coverage under 5 U.S.C. 7511 and 4303. In order to provide due process for educators, the Director shall publish in 62 BIAM representative conditions that could result in the discharge of educators for cause and procedures to be followed in discharge cases.

(b) Discharge for inadequate performance. Action to remove educators for inadequate performance will be taken for failure to meet performance standards established under 5 U.S.C. 4302. Performance standards for all educators will include, among others, lack of student achievement. Willful failure to exercise properly assigned supervisory responsibilities by supervisors shall also be cause for discharge.

(c) Other discharge. The Director shall publish in 62 BIAM a description of the budgetary and programmatic conditions that may result in the discharge of educators for other than cause during the school term. The individual’s personnel record will clearly reflect that the action taken is based upon budgetary or programmatic restraints and is not a reflection on the employee’s performance.

(d) Procedures for discharge for cause. The Director shall publish in 62 BIAM the procedural steps to be followed by school supervisors, ASE’s, and AEPA’s in discharge for cause cases. These procedures shall provide (among other things) for the following:

(1) The educator to be discharged shall receive a written notice of the proposal, specifying the causes or complaints upon which the proposal is based, not less than 30 calendar days before the discharge. However, this shall not prohibit the exclusion of the individual from the education facility in cases where exclusion is required for the safety of the students or the orderly operation of the facility.

(2) A reasonable time, but not less than 10 calendar days, will be allotted for the individual to make written and/or oral responses to the charge.

(3) An opportunity will be afforded the individual to review the material relied upon to support the charge.
§ 38.10 Conditions of employment of educators.

(a) Supervision not delegated to school boards. School boards may not direct, control, or interrupt the day-to-day activities of BIA employees carrying out Bureau-operated education programs.

(b) Employee handbook. Employee handbook and recruiting guides shall be developed by each local school or agency to provide specific information regarding:

(1) The working and hiring conditions for various tribal jurisdictions and Bureau locations;

(2) The need for all education personnel to adapt to local situations; and

(3) The requirement of all education personnel to comply with and support duly adopted school board policies, including those relating to tribal culture or language.

(c) Contract renewal notification. Employees will be notified 60 calendar days of receipt of the board’s notice. Within 20 calendar days following the receipt of an appeal, the reviewing official may, for good cause, reverse the school board’s determination by a notice in writing to the board. Failure to act within 20 calendar days shall have the effect of approving the board’s determination.

(f) School board action. (1) The appropriate school board shall be notified as soon as possible, but in no case later than 10 calendar days from the date of issue of the notice of intent to discharge.

(2) The appropriate school board, under any uniform procedure as it may adopt, may issue a formal written certification to the school supervisor, ASE, or AEPA either approving or disapproving the discharge before the expiration of the notice period and before actual discharge. Failure to respond before the expiration of the notice period will have the effect of approving the discharge.

(3) The school supervisor initiating a discharge action may appeal the board’s determination to the ASE or AEPA within 10 calendar days of receipt of the board’s notice. The ASE or AEPA initiating a discharge may appeal the board’s determination to the Director within 10 calendar days of receipt of the board’s notice. Within 20 calendar days following the receipt of a notice of appeal from the board, the reviewing official may, for good cause, reverse the school board’s determination by a notice in writing to the board. Failure to act within 20 calendar days shall have the effect of approving the board’s determination.

(e) School board action. (1) The appropriate school board shall be notified as soon as possible, but in no case later than 10 calendar days from the date of issue of the notice of intent to discharge.

(2) The appropriate school board, under any uniform procedure as it may adopt, may issue a formal written certification to the school supervisor, ASE, or AEPA either approving or disapproving the discharge before the expiration of the notice period and before actual discharge. Failure to respond before the expiration of the notice period will have the effect of approving the discharge.

(3) The school supervisor initiating a discharge action may appeal the board’s determination to the ASE or AEPA within 10 calendar days of receipt of the board’s notice. The ASE or AEPA initiating a discharge may appeal the board’s determination to the Director within 10 calendar days of receipt of the board’s notice. Within 20 calendar days following the receipt of an appeal, the reviewing official may, for good cause, reverse the school board’s determination by a notice in writing to the board. Failure to act within 20 calendar days shall have the effect of approving the board’s determination.

(4) Official time, not to exceed eight hours, will be provided to the individual to prepare a response to the charge.

(5) The educator may elect to have a representative and shall furnish the identity of any representative to the ASE or AEPA. The ASE or AEPA may disallow, as an employee representative, any individual whose activities as a representative would cause a conflict of interest or position, or an employee whose release from his or her official position would give rise to unreasonable costs to the Government, or when priority work assignment precludes his or her release from official duties. The terms of any applicable collective bargaining agreement and 5 U.S.C. 7114(a)(5) shall govern representation of employees in an exclusive bargaining unit.

(6) The individual has a right to a final decision made by the appropriate level of supervision.

(7) The individual has a right to appeal the final decision and have the merits of the case reviewed by a Departmental official not previously involved in the case. This right includes entitlement to a hearing upon request under procedures in accordance with the requirements of due process under section 1131(e)(1)(B) of Pub. L. 95–561.

§ 38.10 Conditions of employment of educators.

(a) Supervision not delegated to school boards. School boards may not direct, control, or interrupt the day-to-day activities of BIA employees carrying out Bureau-operated education programs.

(b) Employee handbook. Employee handbook and recruiting guides shall be developed by each local school or agency to provide specific information regarding:

(1) The working and hiring conditions for various tribal jurisdictions and Bureau locations;

(2) The need for all education personnel to adapt to local situations; and

(3) The requirement of all education personnel to comply with and support duly adopted school board policies, including those relating to tribal culture or language.

(c) Contract renewal notification. Employees will be notified 60 calendar...
days before the end of the school term of the intent to renew or not renew their contract. If an individual’s contract is to be renewed, the individual must agree in writing to serve for the next school term. This agreement must be received within 14 calendar days of the date of the notice in order to complete the contract renewal. If this agreement is not received by the fourteenth day, the employee has voluntarily forfeited his or her right to continuing employment. If an individual agrees to serve for the next school term and fails to report for duty at the beginning of the next school term, the contract will be terminated and the individual’s future appointment will be subject to the restriction in §38.7(k) of this part.

(d) Dual compensation. An employee accepting a renewal of a school term contract may be appointed to another Federal position during the school recess period without regard to the dual compensation regulations in 5 U.S.C. 5533.

(e) Discrimination complaints. Equal Employment Opportunity (EEO) procedures established under 29 CFR part 1613 are applicable to contract employees under this part. It is the policy of the BIA that all employees and applicants for employment shall be treated equally when considered for employment or benefits of employment, regardless of race, color, sex, religion, national origin, age, or mental or physical health (handicap), within the parameters of Indian preference.

(f) Grievance procedures. The Director shall publish in 62 BIAM procedures for the rapid and equitable resolution of grievances. In locations and for positions covered by an exclusive bargaining agreement, the negotiated grievance procedure is the exclusive avenue of redress for all matters within the scope of the negotiated grievance procedure.

(g) Performance evaluation. The minimum number of times a supervisor shall meet with an employee to discuss performance and suggest improvements shall be once every three months for the educator’s first year at a school or Agency, and twice annually thereafter during the school term.

§38.11 Length of the regular school term.

The length of the regular school term shall be at least 180 student instructional days, unless a waiver has been granted under the provisions of 25 CFR 36.61.

§38.12 Leave system for education personnel.

(a) Full-time school-term employees. Employees on a full-time school-term contract are authorized the following types of leave:

(1) Personal leave. A school-term employee will receive 28 hours of personal leave to be used for personal reasons and 12 hours of emergency leave. This leave only accrues provided the length of the contract exceeds 24 weeks.

(i) The school-term employee will request the use of this leave in advance when it is for personal use or personal business (e.g., going to the bank, etc.). When this leave is requested for emergency purposes (e.g., death in immediate family), it will be requested immediately after the emergency is known, if possible, by the employee and before leave is taken or as soon as the supervisor reports to work on the official work day.

(ii) Final approval rests with the supervisor. This leave shall be taken only during the school term. No compensation for or carryover of unused leave is authorized.

(2) Sick leave. Sick leave is an absence approved by the supervisor for incapacity from duty due to injury or illness, not related to or incurred on the job and not covered by the Federal Employee’s Compensation Act Regulations. Medical and dental appointments may be included under this part. However, whenever possible, medical and dental appointments should be scheduled after instructional time.

(i) Sick leave shall accrue at the rate of four hours each biweekly pay period in pay status during the term of the contract, and no precredit or advance of sick leave is authorized.

(ii) Accumulated sick leave at the time of separation will be recredited to an educator who is reemployed within three years of separation.

(3) School vacation. School term employees may receive up to 136 hours of
§ 38.12 25 CFR Ch. I (4–1–02 Edition)

school vacation time for use when school is not in session. School vacations are scheduled on the annual school calendar during the instructional year and may not be scheduled before the first day of student instruction or after the last day of student instruction. School vacations are not a right of the employee and cannot be paid for or carried over if the employee is required to work during the school vacation time or if the program will not permit school term employees to take such vacation time.

(b) Leave for full-time, year-long employees. Employees who are on a full-time, year-long contract are authorized the following types of leave:

(1) Vacation leave. Absence approved in advance by the supervisor for rest and relaxation or other personal reasons is authorized on a per year basis of Federal Government service as follows: years 1 and 2 of employment—120 hours; years 3–5 of employment—160 hours; 6 or more years—200 hours. The supervisor will determine when vacation leave may be used. Vacation leave is to be scheduled and used to the greatest extent possible during periods when school is not in session and the students are not in the dormitories. Vacation leave is credited to an employee on the day following his or her date of employment provided the length of the contract exceeds 24 weeks and may not be accumulated in excess of 104 hours from year to year. An employee may carry over up to 104 hours from one contract year to the next. Leave unused at the time of separation is forfeited.

(2) Sick leave. Sick leave is accumulated on the basis of three hours each biweekly pay period in pay status; no precredit or advance of sick leave is authorized. Accumulated sick leave at the time of separation will be recredited to an educator who is reemployed within three years of separation.

(d) Leave for school term employees on a part-time work schedule in excess of 20 hours per week. (1) Employees on a part-time work schedule in excess of 20 hours per week may receive a maximum of 102 hours of school vacation time; 20 hours of personal/emergency leave; and 63 hours of sick leave accrued at three hours per pay period for the first 21 pay periods of their contracts. Personal/emergency leave only accrues provided the length of the contract exceeds 24 weeks.

(2) The part-time employee will request the use of this leave in writing in advance when it is for personal use or personal business (e.g., going to the bank, etc.). When this leave is requested for emergency purposes (e.g., death in immediate family), it will be requested immediately after the emergency is known, if possible, by the employee and before leave is taken or as soon as the supervisor reports to work on the official work day.

(3) Final approval rests with the supervisor. This leave shall be taken only during the school year. No compensation for or carryover of unused leave is authorized.

(4) Sick leave. Sick leave is an absence approved by the supervisor for incapacity from duty due to injury or illness, not related to or incurred on-the-job and not covered by the Federal Employee’s Compensation Act Regulations. Medical and dental appointments
may be included under this part. However, whenever possible, medical and dental appointments should be scheduled after instructional time.

(i) Sick leave shall accrue at the rate of three hours each biweekly pay period in pay status for the first 21 pay periods of their contract; no precredit or advance for sick leave is authorized.

(ii) Accumulated sick leave at the time of separation will be recredited to an educator who is reemployed within three years of separation.

(5) School vacation time. Part-time employees may receive up to 102 hours of school vacation time for use when school is not in session. Approval for the use of this time will be administratively determined by the school supervisor, ASE or AEPA, and this time may not be scheduled before the start of school or after the end of school.

(i) All school vacation time for part-time employees will be approved at the convenience of the program and not as a right of the employee.

(ii) Vacation time cannot be paid for or carried over for a part-time employee if the employee is required to work during the school vacation time or if the program will not permit part-time employees to take such vacation time.

(e) Accountable absences for all contract employees. The following are considered accountable absences:

(1) Approved absence. If prescheduled and approved by the school supervisor, ASE or AEPA, as appropriate, an employee may be on leave without pay.

(2) Absence without leave. Any absence is not prescheduled or approved in advance or excused by the supervisor is considered absence without leave.

(3) Court and military leave. Employees are entitled to paid absence for jury or witness service and military duty as a member of the National Guard or Reserve under the same terms or conditions as outlined in sections 6322 and 6323 of title 5 U.S.C., and corresponding provisions of the Federal Personnel Manual, when the absence occurs during the regular contract period. Employees may be requested to schedule their military leave at times other than when school is in session.

(4) Administrative leave. Administrative leave is an excused absence from duty administratively authorized without loss of pay or without charge to leave. This leave is not a substitute for other paid or unpaid leave categories. Administrative leave usually is authorized on an individual basis except when a school is closed or a group of employees are excused from work for a particular purpose. The school supervisor, ASE or AEPA will grant administrative leave. A school closing must be approved by the ASE or AEPA.

(f) Educators serving with contracts with work weeks of 20 hours a week or less are not eligible for any type of paid leave.

(g) For school term educators, no paid leave is earned nor may accumulated leave be used during any period of employment with the Bureau between school terms.

(h) Employees issued contracts for intermittent work are not eligible for any type of paid leave.

(i) Leave transferred in. Annual leave credited to an employee’s accrued leave balance immediately before conversion to a contract education position or appointment under this part will be carried over and made available to the employee. Sick leave credited to an employee’s accrued sick leave balance immediately before conversion to a contract education position or appointment under this part shall be credited to the employee’s sick leave account under the system in §38.12(a)(2) and (b)(2).

§ 38.13 Status quo employees in education positions.

(a) Status quo employees. Individuals who were Bureau employees on October 31, 1979, with an appointment in either the competitive or excepted service without time limitation, and who are serving in an education position, shall be continued in their positions under the terms and conditions of that appointment with no change in their status or positions. Such employees are entitled to receive any changes in compensation attached to the position. Although such employees occupy “education positions” as defined in this part, the terms and conditions of their appointment, status, and entitlements are determined by competitive service
§ 38.14 Voluntary services.

(a) Scope. An ASE or AEPA may, subject to the approval of the local school board concerned, accept voluntary services on behalf of Bureau schools from the private sector, including individuals, groups, or students. Voluntary service shall be for all non-hazardous activities where public services, special projects, or school operations are improved and enhanced. Volunteer service is limited to personal services received without compensation (salary or wages) by the Bureau from individuals, groups, and students. Nothing in this section shall be construed to require Federal employees to work without compensation or to allow the use of volunteer services to displace or replace Federal employees.

(b) Volunteer service agreement. An agreement is a written document, jointly completed by the volunteer, the Bureau school supervisor, and the school board, that outlines the responsibilities of each. In the case of students receiving credit for their work (i.e., student teaching) from an education institution, the agreement will be jointly completed by the student, a representative of the institution, and the Bureau school supervisor. In the case of volunteer groups, the agreement shall be signed by an official of the volunteering organization, the Bureau school supervisor, and the school board and a list of signatures and emergency telephone numbers of all participants shall be attached.

(c) Eligibility. Although no minimum age requirement exists for volunteers, schools shall comply with appropriate Federal and State laws and standards on using the services of minors. All volunteers under the age of 18 must obtain written permission from their parents or guardians to perform volunteer activities.

(d) Status. Volunteers participating under this part are not considered Federal employees for any purpose other than:

(1) Title 5 U.S.C. chapter 81, dealing with compensation for injuries sustained during the performance of work assignments.

(3) Department of the Interior Regulations Governing Responsibilities and Conduct.

(e) Travel and other expenses. The decision to reimburse travel and other incidental expenses, as well as the amount of reimbursement, shall be made by the school supervisor, ASE, AEPA, and the respective school board. Payment is made in the same manner as for regular employees. Payment of travel and per diem expenses to a volunteer on a particular assignment must be supported by a specific travel
authorization and cannot exceed the cost of employing a temporary employee of comparable qualification at the school for which a travel authorization is considered.

(f) Annual report. School supervisors shall submit reports on volunteers to the ASE or AEPA by October 31 of each year for the preceding year.

(n) Indian means a person who is a member of an Indian tribe.

(o) Indian Tribe means any Indian tribe, band, nation, rancheria, pueblo, colony or community, including any Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act (85 Stat. 688) which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.

(p) Program means each or any subset of the Indian School Equalization Program (ISEP), but not the ISEP itself, for which a separately computable dollar amount may be generated by a school. Each program classification is a cost account in an accounting system. The following accounting programs are those established by this part:

(1) Instructional costs;

(2) Boarding costs;

(3) Dormitory costs;

(4) Bilingual instruction costs;

(5) Exceptional child education costs;

(6) Intense residential guidance costs;

(7) Student transportation fund costs;

(8) School maintenance and repair fund costs;

(9) School board training fund costs;

(10) Pre-kindergarten costs; and

(11) Previously private contract school operation and maintenance costs.

(q) School means an educational or residential center operated by or under contract with the Bureau of Indian Affairs offering services to Indian students under the authority of a local school board and the direction of a local school supervisor. A school may be located on more than one physical site. The term school, unless otherwise specified, is meant to encompass day schools, boarding schools, previously private schools, cooperative schools, contract schools and dormitories as those terms are commonly used.

(r) Local School Board, (usually referred to as school board) including off-reservation boarding school boards and dormitory school boards, when used with respect to a Bureau school, means a body chosen to exercise the functions of a school board with respect to a particular Bureau operated or funded school, in accordance with the laws of the tribe to be served or, in the absence of such laws, elected for similar purpose by the parents of the Indian children attending the school, except that in schools serving a substantial number of students from different tribes, the members shall be appointed by the governing bodies of the tribes affected; and the number of such members shall be determined by the Director in consultation with the affected tribes.
§ 39.3 General provisions.

(a) All funds appropriated by the Congress for the support and administration of Bureau operated or contracted elementary and secondary educational purposes and programs shall be allocated in accordance with, and be distributed through, the Indian School Equalization Program, unless a specific amount of funds are added or reduced for a particular class of schools through the budget and appropriations process.

(b) Each expenditure of funds authorized in part 39 is without exception subject to the availability of funds.

Subpart B—The Indian School Equalization Formula

§ 39.10 Establishment of the formula.

There is hereby established the Indian School Equalization Formula (ISEF). Funds for the instruction and residential care of Indian children shall be earned as an entitlement by each local school according to a weighted student unit formula. The funds allocated through the formula shall be computed as follows:

(a) The basic instructional average daily membership (ADM) shall be counted at each school location as provided for in subpart C of this part. From the application of ratios or weights as provided in these rules a weighted student unit (WSU) value for each school location is derived by multiplying the student count for each program area by the weights.

(b) If the school is a boarding school or a dormitory, the residential students will produce program units which will, by the application of weights, produce additional WSU's.

(c) The ADM count of eligible small schools or dormitories may generate additional unit supplements.

(d) All Alaskan schools are eligible under the formula to generate supplemental units.

(e) The total weighted student unit count for each school location is then multiplied by a base unit value to derive the estimated dollar entitlement to each school(s).

The total amount is made available to each school(s), under the rules related to administrative provisions provided in subparts C and D of this part.

§ 39.11 Definitions.

Assistance to approved school(s) under this subpart is subject to the definitions established in §39.2 and to the following definitions for determining student counts in the various weighted areas. As used in the subpart, the term:

(a) Base or base unit means both the weight or ratio of 1.0 and the dollar value annually established for that weight or ratio which represents students in grades 4 through 8 in a typical instructional program.

(b) Basic program means the instructional program provided all students at any age level exclusive of any supplemental programs which are not provided to all students in day or boarding schools.

(c) Grade or Grade Level, followed in most cases by K or a number, means a classroom grouping ordinarily determined by student age and successful completion of a criterion number of years of previous schoolwork. The use of this term does not preclude ISEP funding of programs in which instruction is non-graded or individualized, or which otherwise depart from grade-level school structure. For purposes of funding under the ISEP, students in such programs shall be counted as in
the grade level to which they would ordinarily be assigned based on their chronological age and number of years of schooling completed.

(d) Grades 1–3 means a weighted program for a student who is present during the count week (see §39.30(b)) in grades 1 through 3 who is at least 6 years old by December 31 of the fall of the school year during which the count occurs and is a member of an educational program approved by the board which is conducted at least six gross hours daily during at least 180 days per school year. Gross hours means from the start of the school day to the end of the school day including all activities.

(e) Grades 4–8 and grades 9–12 means a weighted program for a student who is present during the count week (see §39.30(b)) in either of the programs encompassing grades 4 through 12 who is a member of an educational program approved by the school(s) at least six gross hours daily during at least 180 days per school year and shall not have achieved the age of 21 nor have received a high school diploma or its equivalent.

(f) Kindergarten means a weighted program for a student who is present during the count week (see §39.30(b)) who is at least 5 years old by December 31 of the fall of the school year during which the count occurs and a member of an educational program approved by the school(s) conducted at least four gross hours daily during at least 180 days per school year. Otherwise eligible students who are in a program conducted less than four hours daily, but at least two gross hours daily are eligible as half-time kindergarten students.

(g) Intense Bilingual means a weighted program for a student who is present during the count week, whose primary language is not English, and who is receiving academic instruction daily through oral and/or written forms of an Indian or Alaskan Native language, as well as specialized instruction in English for non native speakers of English, under resources of the ISEP.

(h) Intensive residential guidance means the weighted program for a resident student that needs special residential services due to one or more of the problems identified below, and that appropriate documentation is in that student’s file as follows:

(1) Presenting problem:

(i) Court of juvenile authority request for placement resulting from a pattern of infractions of the law.

(ii) Expulsion from previous school under due process.

(iii) Referral by a licensed psychologist, psychiatrist or certified psychiatric social worker as an emotionally disturbed student.

(iv) History of truancy more than 50 days in the last school year or a pattern of extreme disruptive behavior.

(2) Documentation required:

(i) Written request signed by officer of court or juvenile authority;

(ii) Certification by expelling school;

(iii) Psychologist, certified psychiatric social worker, or psychiatrist report; or

(iv) Attendance and behavior data from records of prior school, court records, or from social agency records and a written documentation summarizing such data. For all students placed in intensive residential guidance programs, there shall be further documentation of a diagnostic workup, a placement decision by a minimum of three staff members, and a record of an individualized treatment plan for each student that specifies service objectives.

(v) No student shall be classified under Intense residential guidance who is eligible for services at a full-time or part-time service level because of a handicapping condition as defined under Exceptional Child programs in paragraph (i) of this section.

(i) Exceptional Child Program means weighted programs for students who are receiving special education and related services, consistent with the identification, evaluation and provisions of a free appropriate public education required by part B of the Education of the Handicapped Act (20 U.S.C. 1401 et seq.; 45 CFR part 121a) and section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794; 45 CFR part 84) and who have the following diagnosed impairments:

1 45 CFR 121a was redesignated as 34 CFR 300 at 45 FR 77366, Nov. 21, 1980.
§39.11

(1) **Deaf** means a hearing impairment which is so severe that the child is impaired in processing linguistic information through hearing, with or without amplification, which adversely affects educational performance.

(2) **Hard of hearing** means a hearing impairment, whether permanent or fluctuating, which adversely affects a child’s educational performance but which is not included under the definition of deaf in this section.

(3) **Mentally retarded** means significantly subaverage general intellectual functioning existing concurrently with deficits in adaptive behavior and manifested during the developmental period, which adversely affects a child’s educational performance.

(4) **Severely multi-handicapped** means concomitant impairments (such as mentally retarded-blind; mentally retarded-deaf) the combination of which causes such severe educational problems that they cannot be accommodated in regular educational programs or in special education programs solely for one of the impairments. The term includes deaf-blind children.

(5) **Orthopedically impaired** means a severe orthopedic impairment which adversely affects a child’s educational performance. The term includes impairments caused by congenital anomaly (e.g., clubfoot, absence of some member, etc.), impairments caused by disease (e.g., poliomyelitis, bone tuberculosis, etc.), and impairments from other causes (e.g., cerebral palsy, amputations, and fractures or burns which cause contractures).

(6) **Other health impaired** means limited strength, vitality or alertness, due to chronic or acute health problems such as a heart condition, tuberculosis, rheumatic fever, nephritis, asthma, hemophilia, epilepsy, lead poisoning, leukemia, or diabetes or the existence of a physical or mental impairment which substantially limits one or more major life activities, but which is not covered in paragraphs (1) through (12) of this section.

(7) **Emotionally disturbed** means a condition exhibiting one or more of the following characteristics over a long period of time and to a significant degree, which adversely affects educational performance and requires small group instruction, supervision, and group counseling:

(i) An inability to learn which cannot be explained by intellectual, sensory, or health factors;

(ii) An inability to build or maintain satisfactory interpersonal relationships with peers and teachers;

(iii) Inappropriate types of behavior or feelings under normal circumstances;

(iv) A general pervasive mood of unhappiness or depression; or

(v) A tendency to develop physical symptoms or fears associated with personal or school problems.

(8) **Specific learning disability** means a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, which may manifest itself in an inability to listen, think, speak, read, write, spell, or to do mathematical calculations. The term includes such conditions as perceptual handicaps, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia. The term does not include children who have learning problems which are primarily the result of visual, hearing, or motor handicaps, or mental retardation, or of environmental, cultural, or economic disadvantage.

(9) **Speech impaired** means a communication disorder, such as stuttering, impaired articulation, or a voice impairment, which adversely affects a child’s educational performance.

(10) **Visually handicapped** means a visual impairment which, even with correction, adversely affects a child’s educational performance. The term includes partially seeing, but not fully blind, children.

(11) **Severely emotionally disturbed** means a condition such as schizophrenia, autism or the presence of the following characteristics over a prolonged period of time and to a marked degree, which seriously affects educational performance and requires intensive individual therapy (which may be conducted either in or out of the school setting), individual instruction, and supervision:

(i) An inability to learn which cannot be explained by intellectual, sensory, or health factors;

§ 39.14 Entitlement for small schools.

To compensate for the additional costs of operating small schools, qualified schools shall receive the following adjustments:

(a) Instructional programs in day and boarding schools. For each separate small school having an instructional average daily membership count (called x) of less than 100 students, the formula ([100–x] divided by 200) times x shall be used to generate add-on weighted pupil units for each such school.

(b) Boarding school residential programs. For each separate small boarding school having a resident average daily membership count (called y) of less than 100 students, the formula ([100–y] divided by 200) times y shall be used to generate add-on weighted pupil units for each such boarding school.

(c) Dormitory residential programs serving public schools. For each small dormitory program having an average daily membership count (called z) of less than 100 students, the formula ([100–z] divided by 200) times z shall be used to generate add-on weighted pupil units for each dormitory.

§ 39.15 Alaskan school cost supplements.

To meet the statutory requirements for a salary supplement for Alaskan educational staff, and add-on weight of .25 will be used as a factor by which all pupil program-generated weighted students shall be supplemented. Such generated Alaskan cost supplements will be added to the weighted pupil units generated by each school in the same manner as small school units.

§ 39.16 Computation of school entitlements.

The sum of all weighted student units, including any small school and any Alaskan school cost supplements shall be computed for each school under the management of the Director. The total number of units generated by each approved school shall be multiplied by a base dollar value which is equivalent to a base weight of 1.0 in the formula. This base value shall be computed annually by the Director by dividing the total of all weighted students (WSU) generated by all approved schools into the total amount appropriated for distribution through the Indian School Equalization Formula.

§ 39.17 Comparability with public schools.

(a) In no case shall a Bureau or contract school attended by an Indian student receive less under these regulations than the average payment from
the Federal funds received per Indian student, under other provisions of law, by the public school district in which the student resides. Any school which is funded at a lower level per student under the ISEP than either the average daily expenditure per student for instructional costs in the public schools in the State in which it is located, or the amount per Indian student which the local public school district in which it is located receives from all Federal funding sources, shall present documentation of this fact to the Director of the Office of Indian Education Programs.

(b) Upon verification that comparisons in the documentation received cover comparative expenditures, and that the inequity indeed exists, the Director shall adjust the school’s allocation to equal the payment per-Indian student of the public school district or State involved.

(c) Funds for such adjustment shall be taken from the Formula Implementation Set Aside established under §39.78 of these regulations.

§39.18 Recomputations of current year entitlements.

The Director shall continuously monitor the processes by which the final allocation of each school’s entitlement is made. When changes occur either in the total amount of funds available for the operations of schools or in the total number of weighted student units for all schools due to a change in the number of weighted student units reported or altered by auditing, the Director shall consider whether adjustments are necessary in order that the full available appropriations are fairly allocated to the schools, and that all funds are fully allotted to schools.

§39.19 Phase-in provisions.

(a) Limits on excess gains. No school shall receive a percentage increase in its total fund entitlement, below the comparable budget amount in the FY 79 Bureau Education budget, which is greater than the following percentage ratios:

- (1) In FY 80—10%
- (2) In FY 81—30%

(b) Limits on excess losses. No school shall receive a percentage decrease in its total fund entitlement, below the comparable budget amount in the FY 79 Bureau Education budget, which is greater than the following percentage ratios:

- (1) In FY 80—10%
- (2) In FY 81—30%

(c) Effects of limits on losses and gains. Local school gains in excess of the above percentage limits for each of the limited years shall be returned to the common base for all schools and distributed through the formula. Funds to limit losses in excess of the above limits shall be withdrawn from the common base for all schools and distributed to the schools subject to such excess losses.

(d) Transfer of fiscal accountability. To allow time for developing fiscal accountability, knowledge, skill and responsibility at the local school level and in order to support accountability by responsible Fiscal Agents under section 3679 of the Revised Statutes (the Anti-Deficiency Act), a period of one year (FY 1980) shall be used during which the legal allottee for each Bureau-operated school shall be the Education Superintendent of the Agency within which the school is located. In the case of off-reservation boarding schools and other Bureau-operated schools not served by an Agency Education Office, the Area Education Director shall be the legal allottee. Further allocation of funds under this rule shall be fully in accordance with the Indian School Equalization Program and Formula, and expenditures shall be made in accordance with the financial planning provisions of section E of this rule.

(e) Beginning in FY 1981, the allottee shall be as otherwise determined in this rule.

§39.20 Development of uniform, objective and auditable student weighted area placement criteria and guidelines.

The Director shall develop:

(a) Uniform, objective and auditable placement criteria and guidelines for placement of students in dormitories and residential care programs of boarding schools and in special weighted program areas which expand upon the definitions in this part; and
§ 39.21 Future considerations for weighted programs.

(a) Within twelve months of the final publication of this rule, the Director shall review the following factors in depth, and determine whether to incorporate each into the weighted pupil formula:

1. A rural isolation adjustment.
2. A staff cost adjustment.
3. A gifted and talented student program.
4. A vocational education program.
5. A facilities operation and maintenance program.
6. Additional institutional size factors.

(b) The Director may also recommend incorporation of other factors, based upon the Bureau’s experience in the first year’s operation of the ISEP, and upon the Standards to be developed under section 1121 of the Act.

(c) The Director shall also review the adequacy of the weighted factors, procedures, criteria and definitions now in this rule, throughout part 39. On the basis of this review, the Director shall present a comprehensive report of findings, with recommendations for amendment of this rule, to the Secretary, who shall incorporate them in a Notice of Proposed Rulemaking to include a minimum of sixty (60) days for public comment.

§ 39.22 Authorization of new program development, and termination of programs.

(a) Within one year of the final publication of this rule, the Secretary shall develop uniform procedures and criteria for the authorization of new schools where no Bureau funded or operated school program has previously existed, and for authorization of expansions of existing Bureau funded or operated school programs to serve additional age groups not previously served. These procedures and criteria shall be published as amendments to this rule under a new Notice of Proposed Rulemaking, which shall contain provisions for a minimum of sixty (60) days of public review and comment prior to final publication.

(b) Procedures and criteria developed under this section shall be integrated with existing procedures under 25 CFR part 900 for determining contractable functions of the Bureau, in order to produce a coherent system for authorization of Tribally initiated program development under contracting procedures of Pub. L. 93–638, which is compatible with Bureau initiated program development.

(c) Procedures and criteria developed under this rule shall also contain provisions for making decisions regarding closing schools and terminating Bureau programs of education. These shall provide for full consultation with the Indian persons and Tribes served by the programs and schools involved in any such decisions.

§ 39.23 Review of contract schools supplemental funds.

Before the end of formula phase-in, the Director shall consider the impact on equalization of supplemental funds appropriated for aid to schools under the Johnson O’Malley Act and under title IV of the Indian Education Act, which are available to contract schools but not to Bureau schools, and determine appropriate adjustments, if any. Any adjustments in the ISEP which results from this review shall be effected by formal revision of this rule, under a Notice of Intended Rulemaking published in the Federal Register, and shall be subject to public comment for a minimum of sixty (60) days prior to final rulemaking.
§ 39.37 Auditing of student counts.

The Secretary shall provide for auditors as required to assure timeliness and validity in reporting student counts for formula funding.

§ 39.33 Special education unduplicated count provision.

In counting special education ADM with the exception of speech therapy, no child shall be counted or funded twice for participation in more than one special education program.

§ 39.34 Substitution of a count week.

A school may petition the Director to substitute another week in the same month for the specified count week if it can be established that to use the specified count week would result in grossly inaccurate student counts. Where tribal ceremonial days are known in advance, such a petition shall be submitted in advance of the determined count week.

§ 39.35 Computation of average daily membership (ADM) for tentative allotments.

Tentative allotments for each future year’s funding shall be based on the ADM for the September count week of the current year.

§ 39.36 Declining enrollment provision.

If the decline of a school’s average daily membership exceeds ten percent in any given school year, the school may elect to request funding based on the average of the current and previous years’ September ADM count.

§ 39.32 Annual computation of average daily membership.

(a) Average daily membership (ADM) as defined in §39.2(f) shall be determined during the last full school week in September during which all students eligible under the definition shall be counted by student program classification.

(b) The Director shall direct the receipt and management of information necessary to obtain timely ADM reports from schools. Agency education offices and, in the case of off-reservation boarding schools, Area education offices together with each school’s supervisor and school board chairperson where a board exists shall be responsible for certifying the validity of each school’s student counts. September ADM will be used to determine final allotments for the school year.

§ 39.31 Conditions of eligibility for funding.

(a) To be eligible for direct formula funding as established in subpart B of this part, a day school, boarding school, or dormitory must meet minimum standards, or, failing to do so, must include in its financial plan steps acceptable to the Director for taking corrective action to meet the standards to be prescribed pursuant to section 1121 of the Education Amendments of 1978 (Pub. L. 95–561; 25 U.S.C. 2001). Until such standards are prescribed, the Director shall determine eligibility for funding in accordance with established procedures for authorizing Bureau operated schools.

(b) To be eligible for direct formula funding, a tribally operated day or boarding school or dormitory must meet the requirements of part 900 of this chapter (25 CFR part 900) for receipt of Bureau Education funds under contracts for school operation.

§ 39.38 Failure to provide timely and accurate student counts.

(a) Responsible Bureau school, Agency, Area, and Central Office administrators may be dismissed for cause, or otherwise penalized, for submission of invalid or fraudulent annual student ADM counts or willfully inaccurate counts of student participation in weighed program areas. A person who knowingly submits or causes to be submitted to a Federal official or employee false information upon which the expenditure of Federal funds is based, may be subject to criminal prosecution under provisions such as sections 286, 287, 371, or 1001 of title 18, U.S. Code.

(b) Failure of responsible Federal officials to perform administrative operations which are essential to the ISEP, on a timely basis, shall result in swift disciplinary action by Bureau supervisory personnel, under existing procedures. Failure or refusal of Bureau supervisory personnel to take disciplinary action shall result in disciplinary action against them by higher level supervisors.

§ 39.39 Delays in submission of ADM counts.

(a) If a Bureau operated or funded school delays submission of an ADM count, by more than (2) weeks beyond the final count week in November, for that school, the Director shall set aside an amount equal to the tentative allotment for that school out of the funds available for allotment, and shall proceed to compute the initial allotments for all other schools in the Bureau school system, based upon remaining funds available for allotment. The allotment for the school which has failed to submit a timely ADM count shall be computed when the ADM count is received, but shall not exceed the amount set aside therefore. Any amount remaining in the set-aside fund, after computation of the allotment, shall be transferred into the Formula Implementation Set-Aside Fund, and distributed in accordance with provisions of § 39.78 in subpart F.

(b) In no case shall the Director delay the computation of initial allotments for schools which have submitted timely ADM counts while waiting for those schools which have failed to submit.

Subpart D—Direct Allotment of Formula Entitlements

§ 39.50 Definitions.

As used in this subpart, the term:

(a) Apportionment means that part of a school’s allotment received each quarter as an authorization to obligate funds.

(b) Approved apportionment schedules means that approval given for the quarterly obligation of funds for a given appropriation of funds for the Bureau.

(c) Authorization to obligate means that approval given to a school to incur obligations of funds against a given appropriation.

(d) Final allotment means that notice of funds available to schools, based on the September student count as computed through the Indian School Equalization Formula (ISEF) based on full distribution of Indian School Equalization Program (ISEP) funds available for the fiscal year.

(e) Initial allotment means that notice of funds available to schools based on the September student count as computed through the Indian School Equalization Formula prior to any adjustments due to fluctuating student counts.

(f) Responsible fiscal agent means the local school supervisor of a Bureau operated school except where such authority is designated to the Agency Superintendent of Education by a school board decision of record or by a written agreement signed by both parties. For contract schools, the responsible fiscal agent shall be designated in an action of record by the contractor.

(g) Tentative allotment means that notice of funds available to schools based on the September student count as computed through the Indian School Equalization Formula prior to any adjustments due to fluctuating student counts.

§ 39.51 Notice of allotments.

The Director shall notify school administrators and boards of allotments of funds based on the September ADM count established under subpart B of this part according to the following schedule:

(a) Tentative allotments shall be made by March 15 of the prior fiscal year;

(b) Initial allotments shall be made not later than November 15 of the fiscal year; and

(c) Final allotments shall be made not later than January 15 of the fiscal year.

[49 FR 36368, Sept. 17, 1984]

§ 39.52 Initial allotments.

The Assistant Secretary—Indian Affairs, as requested by the Director, shall make initial allotments to Bureau operated schools, Agency Education Offices, and Central and Area Offices. The Assistant Secretary—Indian Affairs shall make initial allotments for tribally operated schools to appropriate Agency Superintendents of Education, or as otherwise provided by the Director.

§ 39.53 Obligation of funds.

(a) Authority to obligate funds in the Bureau operated schools shall be governed by provisions of the Bureau Manual (42 BIAM).

(b) Authority to obligate funds in tribally operated contract schools shall be governed by contracting procedures of 25 CFR part 900.

(c) Authority to obligate funds in all Bureau funded and operated schools shall be based upon the tentative allotment (§ 39.51) for the period beginning October 1 of any fiscal year. The tentative allotment as restricted by a continuing resolution, if applicable, would govern until computation and notification of initial allotments as described in this sub-part, as adjusted by the Director in accordance with §§ 39.75, 39.79, 39.90, 39.102 and 39.111.

§ 39.54 Apportionment of entitlements to schools.

(a) Bureau operated schools. The Director shall make quarterly apportionments directly to the local school supervisor or to the school’s responsible fiscal agent as specifically delegated in accordance with § 39.55 of this part. Such quarterly apportionments will be made as determined in § 39.53 of this part.

(b) Contract schools. The Agency Superintendent of Education, or another agent as designated by the Director, shall be responsible through the contracting officer in accordance with 25 CFR part 900 for effecting and adjusting contracts with tribally operated schools.

§ 39.55 Responsible local fiscal agent.

The responsible fiscal agent shall:

(a) Spend funds solely in accordance with the local educational financial plan, as ratified or amended by the local school board, unless in the case of Bureau operated schools, this plan has been overturned under the appeal process prescribed in these rules, in which case expenditures shall be made in accordance with the local educational financial plan as determined by the Agency Superintendent of Education.

§ 39.72 Continuing and cumulative provisions.

Unobligated funds from the School Disaster Contingency Fund shall be continued over at the end of a fiscal year in the same account for the next year, except when otherwise provided in appropriations acts. New funds shall be added when appropriated but the Fund should not exceed a $1.5 million cumulative total unless otherwise determined by the Assistant Secretary.

§ 39.73 Purposes.

Disbursements from the School Disaster Contingency Fund shall be for the following purposes:

(a) Costs of replacement of items in the following categories including shipment and installation, in the event of their destruction by earthquake, fire, flood, storm, or other “acts of God,” and acts of massive and catastrophic vandalism where such costs are not already covered in an insurance policy in force at the time of destruction and where such destruction could not have been prevented by prudent action by the officials responsible for the care of such items:

5. Personnel costs, except for temporary personnel hired to meet an emergency situation.
6. Start-up costs for new or expanding school programs.
§ 39.77 Transfer of funds from Facilities Engineering for other contingencies.

In order to reimburse schools for the costs of unforeseen and extraordinary procurement costs and for major repairs of reconstruction resulting from the disaster, the Director may request a transfer of funds from funds appropriated for Bureau Facilities Engineering to the School Disaster Contingency Fund for such purposes. When a separate formula is established by regulation for school maintenance and operations, an appropriate separate contingency fund shall be established to cover such costs.

§ 39.78 Establishment of a formula implementation set-aside fund.

There shall be set aside an amount not to exceed $2 million dollars to be used during fiscal year 1980 by the Director to facilitate the implementation of formula funding under this part. The fund is to provide the means of adjusting particular local school entitlements which are allocated in error due to underprojections, data error, misclassification of students, and similar reporting errors, or to provide for the initial funding of new schools under the formula, which have been started after the spring ADM counts, without reducing allotments made for other schools. Payments for such may, however, come from the school’s operational budget, if so designated and approved in the school’s operational budget, if so designated and approved in the school’s local educational finance plan. The maximum amounts of such payments shall be determined in accordance with the laws or regulations of the tribe involved and shall be subject to approval by the Director. In the absence of such tribal laws or regulations, such maximums shall be determined by the Director in consultation with the school board. Payments under this subpart may not be made to any employee of a school served by the school board being trained or assisted.

§ 39.111 Conditions for distribution.

Funds from the Interim Maintenance and Minor Repair Fund shall be distributed to Bureau operated and funded schools and shall be separately earmarked in local school financial plans solely for expenditure at the discretion of the school supervisor for cost of school facility maintenance and minor repair. These funds shall be used to meet immediate minor repair and maintenance needs.

§ 39.112 Allocation.

The formula for calculating the Indian FTE for an academic term is expressed mathematically as 

\[ \text{FTE} = \frac{\text{FT} + \text{PTCR}}{12} \]

where FT is the number of full time Indian students (those carrying 12 or more credit hours at the end of the sixth week of the academic term) and PTCR is the number of credit hours for which part-time Indian students are registered at the end of the sixth week of an academic term.

§41.5 Eligible activities.

Financial assistance under this subpart shall be available to defray only the operating expenses of education programs of Community Colleges. Financial assistance under this subpart shall not be used for religious worship or sectarian instruction, but nothing in this subpart shall be construed as barring instruction in comparative religions or cultures or in languages of Indian tribes.

§41.6 HHS participation.

The Assistant Secretary for Indian Affairs is authorized to enter into an agreement with the Assistant Secretary for Education, Department of Health and Human Services, and to revise such agreement as necessary, to assist the Director of Education in the development of plans, procedures, and criteria for feasibility studies under this subpart, and to provide the Director with technical assistance in conducting such feasibility studies, including determinations as to the reasonable number of students required to support a Community College.

§41.7 Feasibility studies.

(a) Grants under §41.8 of this subpart may be made to a Community College only after a positive determination of feasibility as provided in this section.
(b) Within thirty (30) days of receiving a resolution or other duly authorized request from the governing body of one or more Indian Tribes, the Director of Education shall initiate a feasibility study to determine whether there is justification to encourage and maintain a Community College for such tribe or tribes. The feasibility study shall give consideration to the following factors:
(1) Financial feasibility based upon potential enrollment;
(2) Evidence of low tribal levels of tribal matriculation in and graduation from postsecondary educational institutions;
(3) Tribal, linguistics, or cultural differences;
(4) Isolation;
(5) Presence of alternate education sources;
(6) Proposed curriculum;
(7) The benefits of continued and expanded educational opportunities for Indian students.

(c) The Director of Education will issue detailed guidelines for conducting and analyzing the feasibility studies.

(e) In the case of any feasibility study which results in a negative determination by the Director of Education, a Tribe requesting the study may within thirty (30) days of receipt of the study or of notice of such determination file a notice of appeal with the Assistant Secretary. Following the timely filing of a Tribe’s notice of appeal, the Tribe and Community College shall have a right to a formal review of the feasibility study, including a hearing upon reasonable notice within sixty (60) days before the Assistant Secretary or his/her designee, other than the Director of Education or any federal employee under the Director’s supervision. At the hearing, the appealing Tribe or the Community College (or both) may present additional evidence or arguments to justify feasibility. Within thirty (30) days of the hearing, the Assistant Secretary shall issue a written ruling either confirming, modifying, or reversing the original determination. The ruling, which shall be final for the Department, shall be mailed or otherwise delivered to the appealing Tribe and the Community College within one week of its issuance. In any case where the original negative determination is not reversed, the Assistant Secretary’s ruling shall specify the grounds for the decision and state the manner in which the determination related to each of the factors specified.

(f) A negative determination shall not prevent a Tribe from requesting another feasibility study, but no more than one feasibility study shall be requested for any given Community College per year.

§ 41.8 Grants.

(a) Each Community College which has received a positive feasibility study determination under §41.7 of this subpart shall be entitled to apply for financial assistance under this subpart.

(b) Except with respect to applications for grants for the 1979–1980 academic year, each Community College shall make an application to the Director of Education before January 31, of the year preceding the academic year for which financial assistance is requested. Each application must contain the following information:

1. The name and address of the Community College and the names of the members of the governing board and the number of its members who are Indian;

2. A statement that the Community College has received a positive feasibility determination and the date thereof;

3. A written statement of the goals, philosophy, or proposed plan of operation sufficient to demonstrate that its education program or proposed program is designed to meet the needs of Indians;

4. In the case of a Community College which has been in operation for more than one year, a statement of the total number of FTE Indian students and the total number of all FTE students;

5. If the Community College has not yet begun operations, a statement of expected enrollment, including the total number of FTE students and the number of FTE Indian students;

6. The name and address of the Indian Tribe or Tribes which control or operate and manage, or have established, sanctioned, or chartered the Community College, and a statement as to which of those Tribes have not done so with respect to any other Community College;

7. A curriculum, which may be in the form of a college catalog or like publication;
§41.8

(8) A proposed budget, showing total expected operating expenses of education programs and expected revenues from all sources for the academic year to which the information applies;

(9) An assurance that the Community College will not deny admission to any Indian student because that student is not a member of a specific tribe or because such student is a member of a specific tribe, and will comply with the requirements set forth in §41.11 of this subpart together with any request and justification for a specific waiver of any requirement of 25 CFR part 276 which the Community College believes to be inappropriate;

(10) Certification by the chief executive officer of the Community College that the information on the application is complete and correct and that the application has been filed with the governing body or bodies of the Tribe or Tribes which control or have sanctioned or chartered it.

(c)(1) Within thirty (30) days of receiving an application required under paragraph (b) of this section, the Director of Education shall review the application submitted by the Community College and any comments with respect thereto filed by the Tribe(s) or by any national Indian organization(s) whose assistance has been requested by the Community College, and make a grant award in an amount determined under paragraph (d) of this section to the Community College if the application qualifies the Community College to receive a grant.

(2) In the case of any Community College whose application is not approved, the Director shall promptly send a notice of such action to the Community College. Such notice shall include a statement of the specific reasons for not approving the application and a statement advising the College of its right within thirty (30) days to amend or supplement the application on file to rectify the defect.

(3) Final disapproval of a grant application by the Director after the thirty day period referred to in paragraph (c)(2) of this section, or a failure of the Director of Education to approve an application within thirty (30) days of its receipt may be appealed by a Community College in the same manner as provided in paragraphs (d) and (f) of §41.7.

(4) A Grant award under an approved application shall be evidenced by a grant agreement, signed by the Director of Education, incorporating the application and the provisions required by §41.11.

(d)(1) In fiscal year 1980, each Community College which qualifies for a grant will receive a grant for academic year 1979–80; thereafter each Community College which qualifies for a grant shall receive a grant for the academic year commencing after the date of approval of its application. Except as provided in paragraph (d)(3) of this section grants shall be in an amount equal to $4,000 multiplied by the number of FTE Indian students in attendance at such college during each academic term divided by the number of academic terms in the academic year, except that no such grant shall exceed the annual operating expenses of the education programs provided by the Community College. The mathematical formula for calculating the base grant is 

\[ BG = \frac{\sum_{i=1}^{N} FTE_{TERM_i}}{N} \times 4000 \]

where FTE is the Indian FTE for each of the academic terms during the academic year calculated in conformity with §41.3(g) of this subpart and N is the number of academic terms in the academic year.

(2) For the first Federal fiscal year for which funds are appropriated for grants under this subpart, not less than eight (8) nor more than fifteen (15) grants shall be approved; priority in awarding such grants shall be given to
Community Colleges which are operating on October 17, 1978, and which have a history of service to the Indian people. (If more than fifteen (15) Community Colleges meeting these two (2) conditions submit applications for the first fiscal year, a further priority for awarding grants among them shall be given to those who appear to be in the best position to fulfill the purpose of the Act and to those whose continued existence would be threatened if they did not receive such a grant).

(3) All grants under this section shall be subject to the availability of appropriations and the amount thereof shall be ratably reduced for all Community Colleges if the sums appropriated for any fiscal year for financial assistance under this subpart are not sufficient to pay the full amounts to which the eligible Community Colleges are otherwise entitled under paragraph (d)(1) of this section.

(e) The Director of Education shall authorize payments to each such Community College in advance installments by letter of credit or Treasury check in an amount equal to fifty percent (50%) of the grant amount available for allotment to such Community College for such academic year under paragraph (d) of this section on or before October 1st of such College’s academic year (except for 1979–80) or the first day on which appropriations for the fiscal year beginning on such date are available for obligation by BIA whichever occurs later, based on the number of FTE Indian students calculated on the basis of registrations as in effect at the conclusion of the sixth week of the final academic term of the preceding academic year. On or before January 1st (or such other date that is the first day of the fifth month) of each such academic year, payments shall be made in the form of advance installments to each Community College in an amount equal to seventy-five percent (75%) of the grant amount available for allotment to such Community College for such academic year under paragraph (d) of this section, calculated on the basis of registrations at the conclusion of the sixth week of the academic year, less the amount previously advanced for such academic year. On or before July 1st (or such other date that is the first day of the eleventh month) of each such academic year the balance of the grant amount to which each College is entitled under paragraph (d) of this section shall be paid to such College. In the event that additional sums are appropriated to which such Community Colleges are entitled under section 110(a) of the Act and paragraph (d) of this section, these amounts shall be included in such final payments.

(f) If with respect to any academic year the amounts of financial assistance hereunder have been ratably reduced as provided in paragraph (d)(3) of this section and additional funds have not been appropriated to pay the full amount of such reductions on or before June 1st of such year, the Director of Education shall notify each Community College of such fact in writing, and each Community College shall report in writing to the Director of Education on or before July 1st of such year the amount of unused portion of received funds. The total of such reported unused portions of received funds shall be reallocated by the Director of Education in proportion to the amount of financial assistance to which each Community College is entitled under paragraph (d) of this section and additional funds have not been provided due to the ratable reductions provided for therein, (except that no Community College shall receive more than the total annual cost of the education programs provided by such College) and payments shall be made reflecting such reallocations on or before August 1st of such academic year.

(g) If the Director of Education determines that a Community College has received, through mistake or fraud, payments of financial assistance under this subpart to which it was not entitled, the Director shall promptly notify the college, which may appeal the Director’s determination under the procedures set forth in §41.7, and adjust the amount of payments to the college under this subpart for the same or subsequent academic years to compensate for such overpayments or otherwise attempt to recover such overpayments.

(h) Eligibility for grants under this subpart shall not, by itself, bar a Community College from qualifying for or receiving financial assistance under
§ 41.9 Reports.

Each Community College receiving financial assistance under this subpart shall provide to the Director of Education on or before December 1st of each year a report which shall include an accounting of the amounts and purposes for which such financial assistance was expended during the preceding academic year; the annual cost of education programs of the Community College from all sources for such academic year; and a final report of the performance based upon the criteria set forth in the Community College's stated goals, philosophy or plan of operation. Upon reasonable cause, the Director of Education may extend the period for submitting the annual report. Each Community College shall in addition report to the Director of Education its FTE Indian student enrollment for each academic term of the academic year within three weeks of the date such FTE calculation is made.

§ 41.10 Technical assistance.

The Director of Education shall furnish technical assistance either directly or through contract to any Community College requesting it. Such assistance shall be initiated within thirty (30) days of a Community College’s request in writing. In any case, where the type and source of technical assistance is specified in the request, the Director, to the extent possible or feasible, shall provide the type of technical assistance through the source so specified. Technical assistance may include, but is not limited to, consulting services for the development of programs, plans, and feasibility studies and accounting, and other technical advice. In awarding of contracts for technical assistance, preference shall be given to an organization designated by the Community College to be assisted. Denials of requests for technical assistance under this section shall be made in writing and sent to the applicant within thirty (30) days of the request, together with a statement of the reason for denial. An appeal under this section may be undertaken in the same manner as in the case of negative determinations of feasibility under § 41.7 of this subpart.

§ 41.11 General provisions.

The general requirements for grant administration in this section are applicable to all grants provided under this subpart to Community Colleges:

(a) Services or assistance provided to Indians by Community Colleges aided under this subpart shall be provided in a fair and uniform manner, and admission to any such Community College shall not be denied to any Indian student because such individual is not a member of a specific Indian tribe or because such individual is a member of a specific Indian tribe.

(b) Except as may be otherwise provided in this subpart, any Community College receiving financial assistance under this subpart shall comply with part 276 of this title, subject to any express waiver of specific inappropriate provisions of part 276 that may be granted by the Assistant Secretary after request and justification by the Community College.

(c) A Community College shall have the right to appeal any adverse decision of the Director of Education under a grant agreement to the Assistant Secretary by filing written notice of appeal with the Assistant Secretary within thirty (30) days after the adverse decision. Within thirty (30) days after receiving notice of appeal, the Assistant Secretary shall conduct a formal hearing at which time the College may present evidence and argument to support its appeal. Within thirty (30) days of the hearing, the Assistant Secretary shall issue a written ruling on the appeal confirming, modifying, or reversing the Director of Education’s decision, the Assistant Secretary shall state in detail the basis for his/her ruling. The ruling of the Assistant Secretary on an appeal shall be final for the Department of the Interior.

§ 41.12 Annual budget.

Appropriations under title I of the Tribally Controlled Community College Assistance Act of 1978 shall be separately identified in the Bureau of Indian Affairs Budget Justification. Funds appropriated for grants under this subpart shall not be commingled.
with other funds expended by the Bureau of Indian Affairs.

§ 41.13 Criminal penalties.

Persons submitting or causing to be submitted to the Bureau any false information in connection with any application, report, or other document, upon which the provision of Federal financial assistance or any other payment of Federal funds is based, may be subject to criminal prosecution under provisions such as sections 287, 371, or 1001 of title 18, U.S. Code.

Subpart B—Navajo Community College

§ 41.20 Policy.

It is the policy of this Department to support and encourage the establishment, operation, and improvement of tribally controlled community colleges in order to ensure continued and expanded educational opportunities for Indian students. The regulations in this subpart prescribe procedures for providing financial and technical assistance to this end for the Navajo Community College under the Navajo Community College Act, as amended (25 U.S.C. 640a–c).

§ 41.21 Scope.

The regulations in this subpart are applicable to the provision of financial and technical assistance to Navajo Community College pursuant to the Navajo Community College Act of December 15, 1971 (Pub. L. 92–189, 85 Stat. 646, 25 U.S.C. 640a–c) as amended by the Navajo Community College Assistance Act of 1978, title II of the Tribally Controlled Community College Assistance Act of 1978 (Pub. L. 95–471, title II, 92 Stat. 1329, 25 U.S.C. 640a et seq.). Regulations applicable to Tribally Controlled Community Colleges other than Navajo Community College are found in subpart A of this part 41.

§ 41.22 Definitions.

As used in this subpart:

(a) Academic term means a semester, trimester, or other such period (not less than six (6) weeks in duration) into which the college normally subdivides its academic year, but does not include a summer term.

(b) Academic year means a twelve month period established by the college and approved by the Director of Education as the annual period for the operation of the college’s education programs.

(d) Assistant Secretary means the Assistant Secretary for Indian Affairs of the Department of the Interior or his/her duly authorized representative.

(e) College means the institution known as Navajo Community College established by the Navajo Tribe.

(f) Director of Education means the Director of the Office of Indian Education Programs of the Bureau of Indian Affairs, or his/her duly authorized representative.

(g) Full time equivalent or FTE means the number of Indian students (1) enrolled full-time for an entire academic term at the College, calculated on the basis of registrations as in effect at the conclusion of the sixth week of an academic term, plus (2) the full-time equivalent of the number of other Indian students who are enrolled part-time for an entire academic term at the College (determined on the basis of the quotient of the sum of credit hours for which all such part-time students are registered during such academic term divided by (12)), calculated on the basis of registrations as in effect at the conclusion of the sixth week of an academic term. The formula for calculating the Indian FTE for an academic term is expressed mathematically as $FTE = \frac{FT + PTCR}{12}$ where FT is the number of full time Indian students (those carrying 12 or more credit hours at the end of the sixth week of the academic term) and PTCR is the number of credit hours for which part-time Indian students are registered at the end of the sixth week of an academic term.
§ 41.23 Eligible activities.

Financial assistance under this subpart shall be available to defray only the operating and maintenance expenses of education programs of the College. Financial assistance under this subpart shall not be used for religious worship or sectarian instruction, but nothing in this subpart shall be construed as barring instruction in comparative religions or cultures or in languages of Indian tribes.

§ 41.24 Grants.

(a) Navajo Community College is entitled to annual grants for operation and maintenance of the College in amounts based upon the number of Full-Time Equivalent Indian students in attendance.

(b) Annually, in the manner and within the deadline established by the Director of Education, the Navajo Community College shall submit an application in the form of a statement of its FTE enrollment (total and Indian) for the next academic year. The statement shall include a description of the College’s curriculum, which may be in the form of a College catalog or like publication, and a proposed budget showing total expected operating expenses of educational programs and expected revenue from all sources for the academic year for which the information applies. The statement shall be certified by the chief executive officer of the College and shall certify that a copy of that statement has been submitted to the Navajo Tribe.

(c) Annual budget request for the College shall be separately identified in the Bureau of Indian Affairs Budget Justifications. Funds appropriated for grants under this subpart shall not be commingled with other funds appropriations historically expended by the Bureau of Indian Affairs for programs and projects normally provided on the Navajo Reservation for Navajo beneficiaries.

(d) Within thirty (30) days of submission of the statement required under paragraph (b) of this section, the Director of Education shall make a grant award to the College in an amount determined under paragraph (e) of this section. The grant award shall be evidenced by a grant agreement signed by the Director of Education, incorporating the grant application and including the provisions required by § 41.27 of this subpart.

(e) The College shall be eligible to receive a grant for the fiscal year beginning October 1, 1979, and for each succeeding year, in an amount equal to $4,000 multiplied by the number of FTE Indian students in attendance at the College during each academic term divided by the number of academic terms in the academic year, except that no such grant shall exceed the annual operating expenses of the education programs provided by the College. The mathematical formula for calculating the base grant is: 

\[ BG = \frac{4000 \times \text{FTE Indian Students}}{\text{Academic Terms}} \]
where FTE is the Indian FTE for each of the academic terms during the academic year calculated in conformity with §41.22(g) of this subpart and N is the number of academic terms in the academic year. The amount and payment of such grants shall be subject to the availability of annual appropriations.

(f) The Director of Education shall authorize payments to the College in advance installments by letter of credit or Treasury check in an amount equal to fifty percent (50%) of the grant amount available for allotment to the College for such academic year under paragraph (e) of this section on or before October 1st of such academic year (except 1979–80) or the first day on which appropriations for the fiscal year beginning on such date are available for obligation by BIA, whichever occurs later, based on the number of FTE Indian students calculated on the basis of registrations as in effect at the conclusion of the sixth week of the final academic term of the preceding year. On or before January 1st (or such other date that is the first day of the fifth month) of such academic year, payment shall be made in the form of such advance installments to the College in an amount equal to seventy-five percent (75%) of the grant amount available for allotment to the College for such academic year under paragraph (e) of this section, calculated on the basis of registrations as in effect at the conclusion of the sixth week of the academic year, less the amount previously advanced for such academic year. On or before July 1st (or such other date that is the first day of the eleventh month) of such academic year, the balance of the grant amount to which the College is entitled under paragraph (e) of this section shall be paid to the College. In the event that additional sums are appropriated for the benefit of the College, these sums shall be included in the final payment.

(g) Overpayments of grants under this subpart may be recovered in the manner provided by §41.8(g) of subpart A.

(h) Payments to the Navajo Community College under this subpart shall not disqualify the College from applying for or receiving grants or contracts under any other Federal programs for which it may qualify.

§41.25 Reports.

The Navajo Community College shall provide the Director of Education on or before September 1st of each year a report which shall include an accounting of the amounts and purposes for which financial assistance under this subpart was expended during the preceding academic year, the annual cost of the education programs of the College from all sources for such academic year, and a final report of the performance based upon the criteria set forth in the College’s stated goals, philosophy or plan of operation. Upon reasonable cause, the Director of Education may extend the period for submitting the annual report. The college shall in addition report to the Director of Education its FTE Indian Student enrollment for each academic term of the academic year within three weeks of the date such FTE calculation is made.

§41.26 Technical assistance.

The Director of Education shall furnish technical assistance, either directly or through contract, to the College when requested in writing. Such assistance shall be initiated within thirty (30) days of the College’s request. In any case in which the form and source of technical assistance is specified in the request, the Director of Education shall to the extent possible or feasible provide technical assistance in the form requested and through the source so specified. Technical assistance may include, but is not limited to, consulting services in the development of annual statements and reports required under this subpart and accounting, and other technical advice and assistance.
§ 41.27 General provisions.

The general requirements for grant administration in this section are applicable to all grants provided under this subpart to the Navajo Community College.

(a) Services or assistance provided to Indians by the College with the financial assistance provided under this subpart shall be provided in a fair and uniform manner, and admission to the College shall not be denied any Indian student because such individual is not a member of a specific Indian tribe or because such individual is a member of a specific Indian tribe.

(b) Except as may be otherwise provided in this subpart, the College shall comply with part 276 of this title, subject to express waiver of specific inappropriate provisions of part 276 that may be granted, after request and justification by the College by the Assistant Secretary.

(c) In addition to any other right the college may have under this subpart, the College shall have the right to appeal any adverse decision of the Director of Education under a grant agreement to the Assistant Secretary by filing written notice of appeal with the Assistant Secretary within thirty (30) days of the adverse decision. Within thirty (30) days after receiving notice of appeal, the Assistant Secretary shall conduct a formal hearing at which time the College may present evidence and argument to support its appeal. Within thirty (30) days of the hearing, the Assistant Secretary shall issue a written ruling on the appeal confirming, modifying or reversing the decision of the Director of Education. In the case of a ruling not reversing the Director of Education’s decision, the Assistant Secretary shall state in detail the basis for his/her ruling. The ruling of the Assistant Secretary on an appeal shall be final for the Department of the Interior.

§ 41.28 Criminal penalties.

Persons submitting or causing to be submitted to the Bureau any false information in connection with any application, report, or other document, upon which the provision of the Federal financial assistance or any other payment of Federal funds, is based, may be subject to criminal prosecution under provisions such as sections 287, 371, or 1001 of title 18, U.S. Code.

Subpart A—Purpose, Policy, and Definitions

§ 63.1 Purpose.

The purpose of these regulations is to prescribe minimum standards of character and suitability for employment for individuals whose duties and responsibilities allow them regular contact with or control over Indian children, and to establish the method for distribution of funds to support tribally operated programs to protect Indian children and reduce the incidents of family violence in Indian country as authorized by the Indian Child Protection and Family Violence Prevention Act of 1990, Pub. L. 101–630, 104 Stat. 4544, 25 U.S.C. 3201–3211.

§ 63.2 Policy.

In enacting the Indian Child Protection and Family Violence Prevention Act, the Congress recognized there is no resource more vital to the continued existence and integrity of Indian tribes than their children and that the United States has a direct interest, as trustee, in protecting Indian children who are members of, or are eligible for membership in, an Indian tribe. The minimum standards of character and suitability of employment for individuals ensure that Indian children are protected, and the Indian child protection and family violence prevention programs will emphasize the unique values of Indian culture and community involvement in the prevention and treatment of child abuse, child neglect and family violence.

§ 63.3 Definitions.

Bureau means the Bureau of Indian Affairs of the Department of the Interior;

Child means an individual who is not married, and has not attained 18 years of age.

Child abuse includes but is not limited to any case in which a child is dead, or exhibits evidence of skin bruising, bleeding, malnutrition, failure to thrive, burns, fracture of any bone, subdural hematoma, or soft tissue swelling, and this condition is not justifiably explained or may not be the product of an accidental occurrence;
§63.3 and any case in which a child is subjected to sexual assault, sexual molestation, sexual exploitation, sexual contact, or prostitution.

“Child neglect” includes but is not limited to, negligent treatment or maltreatment of a child by a person, including a person responsible for the child's welfare, under circumstances which indicate that the child's health or welfare is harmed or threatened.

Crimes against persons are defined by local law. Adjudicating officers must contact local law enforcement agencies to determine if the crime for which an applicant or employee was found guilty (or entered a plea of nolo contendere or guilty) is defined as a crime against persons.

Family violence means any act, or threatened act, of violence, including any forceful detention of an individual, which results, or threatens to result, in physical or mental injury, and is committed by an individual against another individual to whom such person is, or was, related by blood or marriage or otherwise legally related, or with whom such person is, or was, residing, or with whom such person has, or had, intimate or continuous social contact and household access.

Indian means any individual who is a member of an Indian tribe.

Indian child means any unmarried person who is under age eighteen and is either a member of an Indian tribe or eligible for membership in an Indian tribe and is the biological child of a member of an Indian tribe.

Indian country means:

(1) All land within the limits of any Indian reservation under the jurisdiction of the United States Government, notwithstanding the issuance of any patent, and, including rights-of-way running through the reservation;

(2) All dependent Indian communities within the borders of the United States whether within the original or subsequently acquired territory thereof; and,

(3) All Indian allotments, the Indian titles to which have not been extinguished, including rights-of-way running through the same. Unless otherwise indicated, the term "Indian country" is used instead of "Indian reservation" for consistency.

Indian reservation means any Indian reservation, public domain Indian allotment, former Indian reservation in Oklahoma, or lands held by incorporated Native groups, regional corporations, or village corporations under the provisions of the Alaska Native Claims Settlement Act (43 U.S.C. 1601 et seq.).

Indian tribe means any Indian tribe, band, nation, or other organized group or community, including any Alaska Native village or regional or village corporation as defined in or established pursuant to the Alaska Native Claims Settlement Act (43 U.S.C. 1601 et seq.) which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians.

Inter-tribal consortium means a partnership between an Indian tribe or tribal organization of an Indian tribe, and one or more Indian tribes or tribal organizations of one or more Indian tribes.

Local child protective services agency is an agency of the Federal Government, state, or Indian tribe that has the primary responsibility for child protection on any Indian reservation, or within any community in Indian country.

Local law enforcement agency is that Federal, tribal, or state law enforcement agency that has primary responsibility for the investigation of an instance of alleged child abuse within the involved Indian jurisdiction.

Must is used in place of shall and indicates a mandatory or imperative act or requirement.

Person responsible for a child's welfare is any person who has legal or other recognized duty for the care and safety of a child, and may include any employee or volunteer of a children's residential facility, and any person providing out-of-home care, education, or services to children.

Related assistance means the counseling and self-help services for abusers, victims, and dependents in family violence situations; referrals for appropriate health-care services (including alcohol and drug abuse treatment); and may include food, clothing, child care, transportation, and emergency services.
§ 63.12 What are minimum standards of character?

Minimum standards of character are established by an employer and refer to identifiable character traits and past conduct. An employer may use character traits and past conduct to determine whether an applicant, volunteer, or employee can effectively perform the duties of a particular position without risk of harm to others. Minimum standards of character ensure that no applicant, volunteer, or employee will be placed in a position with regular contact with or control over Indian children if he/she has been found guilty of or entered a plea of nolo contendere or guilty to any offense.
§ 63.13 What does the Indian Child Protection and Family Violence Prevention Act require of the Bureau of Indian Affairs and Indian tribes or tribal organizations receiving funds under the Indian Self-Determination and Education Assistance Act or the Tribally Controlled Schools Act?

(a) The Bureau of Indian Affairs must compile a list of all authorized positions which involve regular contact with or control over Indian children; investigate the character of each individual who is employed, or is being considered for employment; and, prescribe minimum standards of character which each individual must meet to be appointed to such positions.

(b) All Indian tribes or tribal organizations receiving funds under the authority of the Indian Self-Determination and Education Assistance Act or the Tribally Controlled Schools Act of 1988 must conduct a background investigation for individuals whose duties and responsibilities would allow them regular contact with or control over Indian children, and employ only individuals who meet standards of character that are no less stringent than those prescribed for the Bureau of Indian Affairs.

§ 63.14 What positions require a background investigation and determination of suitability for employment or retention?

All positions that allow an applicant, employee, or volunteer regular contact with or control over Indian children are subject to a background investigation and determination of suitability for employment.

§ 63.15 What questions should an employer ask?

Employment applications must:

(a) Ask whether the applicant, volunteer, or employee has been arrested or convicted of a crime involving a child, violence, sexual assault, sexual molestation, sexual exploitation, sexual contact or prostitution, or crimes against persons;

(b) Ask the disposition of the arrest or charge;

(c) Require that an applicant, volunteer or employee sign, under penalty of perjury, a statement verifying the truth of all information provided in the employment application; and

(d) Inform the applicant, volunteer or employee that a criminal history record check is a condition of employment and require the applicant, volunteer or employee to consent, in writing, to a record check.

§ 63.16 Who conducts the background investigation and prepares the determination of suitability for employment?

(a) The Bureau of Indian Affairs must use the United States Office of Personnel Management (OPM) to conduct background investigations for Federal employees. The BIA must designate qualified security personnel to adjudicate the results of background investigations.

(b) Indian tribes and tribal organizations may conduct their own background investigations, contract with private firms, or request the OPM to conduct an investigation. The investigation should cover the past five years of the individual’s employment, education, etc.

§ 63.17 How does an employer determine suitability for employment and efficiency of service?

(a) Adjudication is the process employers use to determine suitability for employment and efficiency of service. The adjudication process protects the interests of the employer and the rights of applicants and employees. Adjudication requires uniform evaluation to ensure fair and consistent judgment.

(b) Each case is judged on its own merits. All available information, both favorable and unfavorable, must be considered and assessed in terms of accuracy, completeness, relevance, seriousness, overall significance, and how similar cases have been handled in the past.

(c) An adjudicating official conducts the adjudication. Each Federal agency, Indian tribe, or tribal organization must appoint an adjudicating official,
who must first have been the subject of a favorable background investigation.

1. Indian tribes and tribal organizations must ensure that persons charged with the responsibility for adjudicating employee background investigations are well-qualified and trained.

2. Indian tribes and tribal organizations should also ensure that individuals who are not trained to adjudicate these types of investigations are supervised by someone who is experienced and receive the training necessary to perform the task.

(d) Each adjudicating official must be thoroughly familiar with all laws, regulations, and criteria involved in making a determination for suitability.

(e) The adjudicating official must review the background investigation to determine the character, reputation, and trustworthiness of the individual. At a minimum, the adjudicating official must:

1. Review each security investigation form and employment application and compare the information provided;

2. Review the results of written record searches requested from local law enforcement agencies, former employers, former supervisors, employment references, and schools; and

3. Review the results of the fingerprint charts maintained by the Federal Bureau of Investigation or other law enforcement information maintained by other agencies.

(f) Relevancy is a key objective in evaluating investigative data. The adjudicating official must consider prior conduct in light of:

1. The nature and seriousness of the conduct in question;

2. The recency and circumstances surrounding the conduct in question;

3. The age of the individual at the time of the incident;

4. Societal conditions that may have contributed to the nature of the conduct;

5. The probability that the individual will continue the type of behavior in question; and,

6. The individual’s commitment to rehabilitation and a change in the behavior in question.

§63.18 Are the requirements for Bureau of Indian Affairs adjudication different from the requirements for Indian tribes and tribal organizations?

Yes.

(a) In addition to the minimum requirements for background investigations found in §63.12, Bureau of Indian Affairs’ adjudicating officials must review the OPM National Agency Check and Inquiries which includes a search of the OPM Security/Suitability Investigations Index (SII) and the Defense Clearance and Investigations Index (DCII), and any additional standards which may be established by the BIA.

(b) All Bureau of Indian Affairs employees who have regular contact with or control over Indian children must be reinvestigated every five years during their employment in that or any other position which allows regular contact with or control over Indian children.

(c) Indian tribes and tribal organizations may adopt these additional requirements but are not mandated to do so by law.

§63.19 When should an employer deny employment or dismiss an employee?

(a) An employer must deny employment or dismiss an employee when an individual has been found guilty of or entered a plea of guilty or nolo contendere to any Federal, state or tribal offense involving a crime of violence, sexual assault, sexual molestation, child exploitation, sexual contact, prostitution, or crimes against persons.

(b) An employer may deny employment or dismiss an employee when an individual has been convicted of an offense involving a child victim, a sex crime, or a drug felony.

[61 FR 32274, June 21, 1996, as amended at 64 FR 66771, Nov. 30, 1999]

§63.20 What should an employer do if an individual has been charged with an offense but the charge is pending or no disposition has been made by a court?

(a) The employer may deny the applicant employment until the charge has been resolved.
§ 63.21 The employer may deny the employee any on-the-job contact with children until the charge is resolved.
(c) The employer may detail or reassign the employee to other duties that do not involve contact with children.
(d) The employer may place the employee on administrative leave until the court has disposed of the charge.

§ 63.21 Are there other factors that may disqualify an applicant, volunteer or employee from placement in a position which involves regular contact with or control over Indian children?
Yes.
(a) An applicant, volunteer, or employee may be disqualified from consideration or continuing employment if it is found that:
(1) The individual's misconduct or negligence interfered with or affected a current or prior employer's performance of duties and responsibilities.
(2) The individual's criminal or dishonest conduct affected the individual's performance or the performance of others.
(3) The individual made an intentional false statement, deception or fraud on an examination or in obtaining employment.
(4) The individual has refused to furnish testimony or cooperate with an investigation.
(5) The individual's alcohol or substance abuse is of a nature and duration that suggests the individual could not perform the duties of the position or would directly threaten the property or safety of others.
(6) The individual has illegally used narcotics, drugs, or other controlled substances without evidence of substantial rehabilitation.
(7) The individual knowingly and willfully engaged in an act or activities designed to disrupt government programs.
(b) An individual must be disqualified for Federal employment if any statutory or regulatory provision would prevent his/her lawful employment.

§ 63.22 Can an employer certify an individual with a prior conviction or substantiated misconduct as suitable for employment?
(a) The Bureau of Indian Affairs must use Federal adjudicative standards which allow the BIA to certify that an individual is suitable for employment in a position that does not involve regular contact with or control over Indian children. The adjudicating officer must determine that the individual's prior conduct will not interfere with the performance of duties and will not create a potential for risk to the safety and well-being of Indian children.
(b) Indian tribes and tribal organizations must identify those positions which permit contact with or control over Indian children and establish standards to determine suitability for employment. Those standards should then be used to determine whether an individual is suitable for employment in a position that permits contact with or control over Indian children. If not, the individual may only be placed in a position that does not permit contact with or control over Indian children.

§ 63.23 What rights does an applicant, volunteer or employee have during this process?
(a) The applicant, volunteer, or employee must be provided an opportunity to explain, deny, or refute unfavorable and incorrect information gathered in an investigation, before the adjudication is final. The applicant, volunteer, or employee should receive a written summary of all derogatory information and be informed of the process for explaining, denying, or refuting unfavorable information.
(b) Employers and adjudicating officials must not release the actual background investigative report to an applicant, volunteer, or employee. However, they may issue a written summary of the derogatory information.
(c) The applicant, volunteer, or employee who is the subject of a background investigation may obtain a copy of the reports from the originating (Federal, state, or other tribal) agency and challenge the accuracy and completeness of any information maintained by that agency.
The results of an investigation cannot be used for any purpose other than to determine suitability for employment in a position that involves regular contact with or control over Indian children.

(e) Investigative reports contain information of a highly personal nature and should be maintained confidentially and secured in locked files. Investigative reports should be seen only by those officials who in performing their official duties need to know the information contained in the report.

§ 63.24 What protections must employers provide to applicants, volunteers and employees?

(a) Indian tribes and tribal organizations must comply with the privacy requirements of any Federal, state, or other tribal agency providing background investigations. Indian tribes and tribal organizations must establish and comply with personnel policies that safeguard information derived from background investigations.

(b) The Bureau of Indian Affairs must comply with all policies, procedures, criteria, and guidance contained in the Bureau of Indian Affairs Manual or other appropriate guidelines.

(c) Federal agencies exercising authority under this part by delegation from OPM must comply with OPM policies, procedures, criteria, and guidance.

Each area office may reallocate unused Indian child protection and family violence prevention program funds as provided in this section.

(c) Funds may be used as matching shares for other federally funded programs which contribute to and promote prevention of child abuse, child neglect, and family violence on Indian reservations, but may not be used to supplant funds available for the same general purposes.

Where a reservation exists, no voting district may be established beyond its boundaries.

§ 81.10 District Election Boards.

(a) Where voting districts have been established by the tribal constitution, ordinance, resolution, or by the election board, the election board shall appoint district election boards for each district, which shall have the duties prescribed above for the election board except that they shall return to the election board:

1. The ballots (in marked and locked boxes),
2. All unused ballots, and
3. Their certifications of the district election results on the certification forms prescribed by the election board.
(b) The board will compile the election results for the entire reservation and transmit them together with the aforementioned ballots and ballot boxes to the officer in charge.

§ 81.11 Registration.

(a) Only registered voters will be entitled to vote, and all determinations of the sufficiency of the number of ballots cast will be based upon the number of registered voters. Any tribal member who, to the election board’s knowledge, will become 18 years of age within 150 days (180 days for Alaska tribes) from the date of authorization and who is otherwise eligible to vote shall also be notified and shall be eligible to register, provided that such a person shall not be entitled to vote if election day falls before the individual’s 18th birthday. (b) The following records shall be kept for all notices:

1. Names and addresses of persons to whom notices are mailed;
2. Date of mailing; and
3. A copy of each return registration request (including from whom received and date and time of receipt).

§ 81.12 Voting list.

The election board shall compile in alphabetical order an official list of registered voters arranged by voting districts, if any. A copy of this list shall be supplied to any district election board and shall be posted at the headquarters of the local administrative unit of the Bureau of Indian Affairs, the tribal headquarters, and at various other public places designated by the election board at least 20 days prior to the election.

§ 81.13 Eligibility disputes.

The election board shall determine the eligibility of any written claim to vote presented to it by one whose name does not appear on the official list of registered voters as well as any written challenge of the right to vote of anyone whose name is on the list. The election board shall determine whether the notice will be given by television, radio, newspaper, poster, or mail, or by more than one of these methods and whether in an Indian language in addition to English. A copy of any written election notice may be mailed to each registered voter and shall be posted at the local administrative unit of the Bureau of Indian Affairs and elsewhere as directed by the election board. At any time after receiving Secretarial authorization to hold the election, the board shall make available to the adult members of the tribe the text of any amendment or proposed constitution and bylaws, amendment thereto, charter, or charter amendment. The election board may determine the manner and timing of the distribution. However, the text shall be posted at least within the local administrative unit of the Bureau and the tribal headquarters within two days following the giving of notice of the election date by the election board.

§ 81.15 Opening and closing of polls.

If polling places are established, the polls shall remain open from 8 a.m. to 7 p.m., local time, unless different hours are set by the election board and the voters are informed of this in the election notice.

§ 81.16 Interpreters.

Interpreters, where needed, may be provided to explain the manner of voting to any voter who asks for instructions; provided, that all reasonable precautions are taken to ensure that the interpreter does not influence the voter in casting the ballot. The interpreter may accompany the voter into the booth upon the latter’s request.

§ 81.17 Electioneering.

There shall be no electioneering during voting hours within 50 feet of any voting place. Sample ballots will be permitted in the voting booth.

§ 81.18 Manner of voting.

(a) Registered voters may vote by arriving at the appropriate polling place within the prescribed voting hours telling officials their names and addresses, signing their signature or mark on the voting list, and by marking and placing in the ballot box the ballots which will be handed to them. Voting shall be by secret ballot.

(b) Voting may take place at the same time regarding the adoption of a constitution, the ratification of a charter, or the amendment of such documents; provided, that entitlement to vote for the proposal is consistent with §81.6 of this part and, provided further, that no charter shall be considered ratified if the proposed constitution is not adopted and approved.

(c) The election board may choose not to use polling places and provide for the issuance and receipt of ballots entirely through the United States Postal Service. In that event, the election board shall use the appropriate procedures set forth in this part relating to absentee balloting.

§ 81.19 Absentee voting.

(a) Nonresident members who have registered may vote by absentee ballot except as prohibited by §81.6. Also, whenever, due to temporary absence from the reservation, illness, or physical disability, a registered and otherwise eligible voter is not able to vote at the polls and notifies the election board, the voter shall be entitled to vote by absentee ballot. Upon his or her request, the election board shall give or mail absentee ballots to registered voters who may be entitled to receive them pursuant to §81.6. At the same time, such voters will also be provided a copy of the proposal to be voted upon when the full text does not appear
§ 81.20 Ballots.

(a) Ballots are to be prepared clearly and simply so that it is easy for the voters to indicate a choice between no more than two alternatives. For example, if a tribal council or the petitioners propose to reduce the one-half degree blood quantum required to qualify for membership but want the voters to decide whether it should be one-fourth or one-eighth, it would not be appropriate to put those two alternatives on the ballot. Doing so would deny the voters an opportunity to vote for keeping the one-half degree blood quantum. Neither would it be appropriate to include all three blood quantum alternatives. Rather, those proposing the change should decide which blood quantum is to be submitted to the voters. The ballot in the Secretarial election would then give the electors the choice of marking either "yes" or "no." A vote against the proposed change would be in favor of keeping the one-half degree blood quantum in the example.

(b) In preparing ballots for proposed amendments, care should be taken to ensure that:

(1) Each proposed amendment addresses only a single question.

(2) If a proposed amendment conflicts with other provisions of the document being amended, the ballot shall be prepared so that the question includes all changes in those other directly related
provisions in order to avoid contradictions within the document.

(3) When more than one amendment is being submitted to the voters at a given election, the proposals shall be identified with alphabetical designations rather than numerical. The first of the several proposals would be labeled “Proposed Amendment A,” the next would be “Proposed Amendment B,” etc. Those amendments that are adopted and approved would then be assigned consecutive numbers to follow those assigned any earlier amendments that may have been made to that governing document. A statement similar to the following shall appear on each of the proposed amendments and shall be completed following the election:

Having been duly adopted and approved, Proposed Amendment (A,B,C, etc.) is hereby designated as Amendment No.—to the (Constitution, Charter, etc.) of the (name of tribe) Tribe.

§ 81.22 Contesting of election results.

Any qualified voter, within three days following the posting of the results of an election, may challenge the election results by filing with the Secretary through the officer in charge the grounds for the challenge, together with substantiating evidence. If in the opinion of the Secretary, the objections are valid and warrant a recount or new election, the Secretary shall order a recount or a new election. The results of the recount or new election shall be final.

§ 81.23 Posting and certifying election results.

(a) The results of the election shall be posted in the local Bureau of Indian Affairs office, tribal headquarters, and at other appropriate public places determined by the election board.

(b) The election board shall certify the results of the election on the following form and transmit them to the local unit of the Bureau of Indian Affairs:

Certificate of Results of Election

Pursuant to a Secretarial election authorized by the (title of authorizing officer) on (date), the attached Constitution and Bylaws (Amendment, Charter or Charter Amendment) of the (name of tribe) was submitted to the qualified voters of the tribe and on (date), was duly (adopted) (ratified) (rejected) or (revoked) by a vote of (number) for and (number) against and (number) cast ballots found spoiled or mutilated in an election in which at least 30 percent (or such “percentages” as may be required to amend according to the constitution) of the (number) members entitled to vote, cast their ballot in accordance with (appropriate Federal statute). Signed: (By the chairman of the election board and board members.)

Date: __________________

§ 81.24 Approval, disapproval, or rejection action.

(a) Action to approve or disapprove constitutional actions will be taken promptly by the authorizing officer following receipt of the original text of the material voted upon and the original of the Certificate of Results of Election from the officer in charge.
(1) When required and granted, the authorizing officer shall furnish a tribe with written approval of constitutional actions. In the absence of an election challenge, the approval shall be issued promptly following the expiration of the contest period. Copies of his/her written approval, the Certificate of Results of Election, and the text of the material voted upon shall be transmitted to the Commissioner of Indian Affairs, 18th and C Streets, NW., Washington, DC 20245.

(2) When a proposed constitution or charter action is rejected by the voters, the authorizing officer shall indicate in writing to the tribe his/her awareness of the election results and send to the Commissioner of Indian Affairs in Washington, DC, copies of the communication, the Certificate of Results of Election and the text of the material voted upon.

(3) When the authorizing officer disapproves a constitutional action, he/she shall in writing promptly notify the tribe of the determination and furnish the Commissioner of Indian Affairs in Washington, DC, a copy of the communication along with the Certificate of Results of Election and the text of the material voted upon.

(b) Where Secretarial approval of proposed constitutional and charter actions is required in conjunction with authorization of an election, copies of the formal approval shall immediately be furnished the Commissioner of Indian Affairs in Washington, DC, by the authorizing officer and be followed in accordance with paragraph (a)(1) of this section by copies of the Certificate of the Results of Election and the text of the material voted upon as soon as it is available.

(g) Federal Statute means one of the following: (1) The Act of June 18, 1934, 48 Stat. 984, as amended (Indian Reorganization Act), (2) the Act of June 26, 1936, 49 Stat. 1967 (Oklahoma Indian Welfare Act), or (3) the Act of May 1, 1936, 49 Stat. 1250 (Alaska Native Reorganization Act).
(h) Local Bureau Official means the Superintendent, Field Representative, or other line officer of the Bureau of Indian Affairs who has local administrative jurisdiction over the tribe concerned.
(i) Local Bureau unit means the Bureau office having local administrative jurisdiction over the tribe concerned.
§ 82.2 Purpose and scope.

The purpose of this part is to provide uniformity and order in the formulation and submission of petitions requesting the Secretary or the Commissioner to call elections to amend tribal constitutions, to issue charters pursuant to a Federal Statute, and for such other purposes where constitutions and charters provide for petitioning to effect action by the Secretary or Commissioner.

§ 82.3 Applicability to tribal groups.

The regulations in this part apply:

(a) To any tribe which provides in its constitution for petitioning the Secretary or the Commissioner to call elections to amend the tribal constitution;

(b) To any tribe whose constitution or charter provides for petitioning to effect any other action by the Secretary or Commissioner; and

(c) To those tribal members at least 18 years of age who, pursuant to a Federal Statute, may wish to petition the Secretary to issue a charter to their tribe.

§ 82.4 Entitlement to petition.

All members eligible to vote in elections conducted by a tribe shall be entitled to sign petitions to effect actions by the Secretary or Commissioner within the scope of §82.2; provided, that where a tribe is reorganized pursuant to a Federal Statute, only persons eligible to register for Secretarial elections may petition.

§ 82.5 Sufficiency of a petition.

(a) The numerical sufficiency of any petition submitted pursuant to this part shall be based upon a number determined by the local Bureau official:

(1) By consultation with the tribal governing body regarding the current number of tribal voters; or

(2) For reorganized tribes, the number of members considered eligible to register for a Secretarial election and who are at least 18 years of age.

(b) The number shall be made available to the spokesman for the petitioners upon request along with a cut-off date when, for purposes of the petition, no further names will be added.

§ 82.6 Petition format.

Petitions may consist of as many pages as are necessary to accommodate the signatures of the petitioners. However, each sheet of a petition must set forth at least a summary of the objectives of the petitioners and must show the date upon which the petition was signed by each individual as well as the current mailing address of each signer.

§ 82.7 Notarization of petition signatures.

(a) Signatures to a petition must be authenticated in one of the following ways:

(1) Through having each signer subscribe or acknowledge his/her signature before a notary public;

(2) Through having the collector of signatures appeal before a notary and sign, in his/her presence, on each sheet
of the petition, a statement attesting
that the signatures were affixed on the
dates shown and by the individuals
whose names appear thereon, and that
to the best of his/her knowledge the
signatories are eligible, entitled, or
qualified voters.

(b) Only an eligible, entitled, or
qualified tribal voter shall be recog-
nized as a valid collector of petition
signatures.

§ 82.8 Filing of petitions.

All petitions submitted pursuant to
this part must be filed with the local
Bureau official having administrative
jurisdiction over the tribe. No petitions
will be accepted until a spokesman for
the petitioners declares that he/she
wishes to make an official filing. Once
a declaration of the official filing is
made and the petition is given to the
local Bureau official, that official shall
immediately enter on the petition the
date of receipt (this date becomes the
date of official filing) and shall inform
the spokesman for the petitioners that
no additional signatures may be added
and that no withdrawal of signatures
will be permitted. The local Bureau of-
ficial shall also acknowledge, in writ-
ing, receipt of the petition, indicating
the exact number of signatures which
are attached and the official filing
date. Upon this written acknowledg-
ment of the petition, the local Bureau
official shall publicly post at the local
Bureau unit serving the tribe a state-
ment of the matter proposed in the pe-
tition. This statement shall remain
posted for a period of 30 days from the
official filing date.

§ 82.9 Challenges.

(a) Once an official filing has been
made, the local Bureau official shall
immediately have copies made of the
petition and its signatures. The local
Bureau official shall keep these copies
at the Agency or field office for 15 days
following the date of official filing,
during which time they shall be avail-
able for examination by authorized
voters of the tribe upon request. Dur-
ing this 15-day period, challenges of
signatures may be filed with the local
Bureau official.

(b) Challenges will be considered on
the following grounds:
(1) Forgery of signatures; and
(2) Lack of proper qualifications of a
signer.

No challenge will be considered which
is not accompanied by supporting evi-
dence in writing. In the event that an
individual’s name appears on a petition
more than once, all but one of the
names shall be stricken.

§ 82.10 Action on the petition.

(a) Within 30 days after the official
filing date, the local Bureau official
shall forward to the Area Director, or
when the Area Director is the local Bu-
reau official, directly to the Commis-
sioner, the original of the petition and
its accompanying signatures, together
with recommendations concerning
challenges and conclusions concerning:
(1) The validity of the signatures;
(2) The adequacy of the number of
signatures; and
(3) The propriety of the petitioning
procedure.

(b) The Area Director or the Commiss-
ioner, as the case may be, shall within
45 days after the official filing date de-
cide upon each challenge and the suffi-
ciency of the petition and announce
whether the petition shall be acted
upon. If a decision is reached that the
petitioning action is for any reason in-
sufficient, the spokesman for the peti-
tioners and the governing body of the
tribe will be so informed and given the
reasons for the decision. If a peti-
tioning action warrants action by the
Secretary or Commissioner, the
spokesman for the petitioners and the
governing body of the tribe concerned
will be so informed. The decision in
such matters shall be final. The proce-
dures for implementing any action ini-
iated by the acceptance of a petition
will be determined in accordance with
pertinent directives and regulations.

§ 82.11 Duration of petition.

Any petition submitted under this
part, shall be considered only for the
purpose stated therein. Once a petition
has been acted upon, it shall not be
used again.

§ 83.1 Definitions.

As used in this part:

Area Office means a Bureau of Indian Affairs Area Office.

Assistant Secretary means the Assistant Secretary—Indian Affairs, or that officer’s authorized representative.

Autonomous means the exercise of political influence or authority independent of the control of any other Indian governing entity. Autonomous must be understood in the context of the history, geography, culture and social organization of the petitioning group.

Board means the Interior Board of Indian Appeals.

Bureau means the Bureau of Indian Affairs.

Community means any group of people which can demonstrate that consistent interactions and significant social relationships exist within its membership and that its members are differentiated from and identified as distinct from nonmembers. Community must be understood in the context of the history, geography, culture and social organization of the group.

Continental United States means the contiguous 48 states and Alaska.

Continuously or continuous means extending from first sustained contact with non-Indians throughout the group’s history to the present substantially without interruption.

Department means the Department of the Interior.

Documented petition means the detailed arguments made by a petitioner to substantiate its claim to continuous existence as an Indian tribe, together with the factual exposition and all documentary evidence necessary to demonstrate that these arguments address the mandatory criteria in §83.7(a) through (g).

Historically, historical or history means dating from first sustained contact with non-Indians.

Indian group or group means any Indian or Alaska Native aggregation within the continental United States that the Secretary of the Interior does not acknowledge to be an Indian tribe.

Indian tribe, also referred to herein as tribe, means any Indian or Alaska Native tribe, band, pueblo, village, or community within the continental United States that the Secretary of the Interior presently acknowledges to exist as an Indian tribe.

Indigenous means native to the continental United States in that at least part of the petitioner’s territory at the time of sustained contact extended into what is now the continental United States.

Informed party means any person or organization, other than an interested party, who requests an opportunity to submit comments or evidence or to be kept informed of general actions regarding a specific petitioner.

Interested party means any person, organization or other entity who can establish a legal, factual or property interest in an acknowledgment determination and who requests an opportunity to submit comments or evidence or to be kept informed of general actions regarding a specific petitioner. “Interested party” includes the governor and attorney general of the state in which a petitioner is located, and may include, but is not limited to, local governmental units, and any recognized Indian tribes and unrecognized Indian groups that might be affected by an acknowledgment determination.
§ 83.3 Scope.

(a) This part applies only to those American Indian groups indigenous to the continental United States which are not currently acknowledged as Indian tribes by the Department. It is intended to apply to groups that can establish a substantially continuous tribal existence and which have functioned as autonomous entities throughout history until the present.

(b) Indian tribes, organized bands, pueblos, Alaska Native villages, or communities which are already acknowledged as such and are receiving services from the Bureau of Indian Affairs may not be reviewed under the regulations.
§ 83.4  Filing a letter of intent.

(a) Any Indian group in the continental United States that believes it should be acknowledged as an Indian tribe and that it can satisfy the criteria in §83.7 may submit a letter of intent.

(b) Letters of intent requesting acknowledgment that an Indian group exists as an Indian tribe shall be filed with the Assistant Secretary—Indian Affairs, Department of the Interior, 1849 C Street, NW., Washington, DC 20240. Attention: Branch of Acknowledgment and Research, Mail Stop 2611-MIB. A letter of intent may be filed in advance of, or at the same time as, a group’s documented petition.

(c) A letter of intent must be produced, dated and signed by the governing body of an Indian group and submitted to the Assistant Secretary.

§ 83.5  Duties of the Department.

(a) The Department shall publish in the Federal Register, no less frequently than every three years, a list of all Indian tribes entitled to receive services from the Bureau by virtue of their status as Indian tribes. The list may be published more frequently, if the Assistant Secretary deems it necessary.

(b) The Assistant Secretary shall make available revised and expanded guidelines for the preparation of documented petitions by September 23, 1994. These guidelines will include an explanation of the criteria and other provisions of the regulations, a discussion of the types of evidence which may be used to demonstrate particular criteria or other provisions of the regulations, and general suggestions and guidelines on how and where to conduct research. The guidelines may be supplemented or updated as necessary. The Department’s example of a documented petition format, while preferable, shall not preclude the use of any other format.

(c) The Department shall, upon request, provide petitioners with suggestions and advice regarding preparation of the documented petition. The Department shall not be responsible for procedures established by these regulations.

(c) Associations, organizations, corporations or groups of any character that have been formed in recent times may not be acknowledged under these regulations. The fact that a group that meets the criteria in §83.7 (a) through (g) has recently incorporated or otherwise formalized its existing autonomous political process will be viewed as a change in form and have no bearing on the Assistant Secretary’s final decision.

(d) Splinter groups, political factions, communities or groups of any character that separate from the main body of a currently acknowledged tribe may not be acknowledged under these regulations. However, groups that can establish clearly that they have functioned throughout history until the present as an autonomous tribal entity may be acknowledged under this part, even though they have been regarded by some as part of or have been associated in some manner with an acknowledged North American Indian tribe.

(e) Further, groups which are, or the members of which are, subject to congressional legislation terminating or forbidding the Federal relationship may not be acknowledged under this part.

(f) Finally, groups that previously petitioned and were denied Federal acknowledgment under these regulations or under previous regulations in part 83 of this title, may not be acknowledged under these regulations. This includes reorganized or reconstituted petitioners previously denied, or splinter groups, spin-offs, or component groups of any type that were once part of petitioners previously denied.

(g) Indian groups whose documented petitions are under active consideration at the effective date of these revised regulations may choose to complete their petitioning process either under these regulations or under the previous acknowledgment regulations in part 83 of this title. This choice must be made by April 26, 1994. This option shall apply to any petition for which a determination is not final and effective. Such petitioners may request a suspension of consideration under §83.10(g) of not more than 180 days in order to provide additional information or argument.
the actual research on behalf of the petitioner.

(d) Any notice which by the terms of these regulations must be published in the Federal Register, shall also be mailed to the petitioner, the governor of the state where the group is located, and to other interested parties.

(e) After an Indian group has filed a letter of intent requesting Federal acknowledgment as an Indian tribe and until that group has actually submitted a documented petition, the Assistant Secretary may contact the group periodically and request clarification, in writing, of its intent to continue with the petitioning process.

(f) All petitioners under active consideration shall be notified, by April 16, 1994, of the opportunity under §83.3(g) to choose whether to complete their petitioning process under the provisions of these revised regulations or the previous regulations as published, on September 5, 1978, at 43 FR 39361.

(g) All other groups that have submitted documented petitions or letters of intent shall be notified of and provided with a copy of these regulations by July 25, 1994.

§ 83.6 General provisions for the documented petition.

(a) The documented petition may be in any readable form that contains detailed, specific evidence in support of a request to the Secretary to acknowledge tribal existence.

(b) The documented petition must include a certification, signed and dated by members of the group’s governing body, stating that it is the group’s official documented petition.

(c) A petitioner must satisfy all of the criteria in paragraphs (a) through (g) of §83.7 in order for tribal existence to be acknowledged. Therefore, the documented petition must include thorough explanations and supporting documentation in response to all of the criteria. The definitions in §83.1 are an integral part of the regulations, and the criteria should be read carefully together with these definitions.

(d) A petitioner may be denied acknowledgment if the evidence available demonstrates that it does not meet one or more criteria. A petitioner may also be denied if there is insufficient evidence that it meets one or more of the criteria. A criterion shall be considered met if the available evidence establishes a reasonable likelihood of the validity of the facts relating to that criterion. Conclusive proof of the facts relating to a criterion shall not be required in order for the criterion to be considered met.

(e) Evaluation of petitions shall take into account historical situations and time periods for which evidence is demonstrably limited or not available. The limitations inherent in demonstrating the historical existence of community and political influence or authority shall also be taken into account. Existence of community and political influence or authority shall be demonstrated on a substantially continuous basis, but this demonstration does not require meeting these criteria at every point in time. Fluctuations in tribal activity during various years shall not in themselves be a cause for denial of acknowledgment under these criteria.

(f) The criteria in §83.7 (a) through (g) shall be interpreted as applying to tribes or groups that have historically combined and functioned as a single autonomous political entity.

(g) The specific forms of evidence stated in the criteria in §83.7 (a) through (c) and §83.7(e) are not mandatory requirements. The criteria may be met alternatively by any suitable evidence that demonstrates that the petitioner meets the requirements of the criterion statement and related definitions.

§ 83.7 Mandatory criteria for Federal acknowledgment.

The mandatory criteria are:

(a) The petitioner has been identified as an American Indian entity on a substantially continuous basis since 1900. Evidence that the group’s character as an Indian entity has from time to time been denied shall not be considered to be conclusive evidence that this criterion has not been met. Evidence to be relied upon in determining a group’s Indian identity may include one or a combination of the following, as well as other evidence of identification by other than the petitioner itself or its members.
§ 83.7 Identification as an Indian entity by Federal authorities.

(1) Identification as an Indian entity by Federal authorities.

(2) Relationships with State governments based on identification of the group as Indian.

(3) Dealings with a county, parish, or other local government in a relationship based on the group’s Indian identity.

(4) Identification as an Indian entity by anthropologists, historians, and/or other scholars.

(5) Identification as an Indian entity in newspapers and books.

(6) Identification as an Indian entity in relationships with Indian tribes or with national, regional, or state Indian organizations.

(b) A predominant portion of the petitioning group comprises a distinct community and has existed as a community from historical times until the present.

(1) This criterion may be demonstrated by some combination of the following evidence and/or other evidence that the petitioner meets the definition of community set forth in §83.1:

(i) Significant rates of marriage within the group, and/or, as may be culturally required, patterned out-marriages with other Indian populations.

(ii) Significant social relationships connecting individual members.

(iii) Significant rates of informal social interaction which exist broadly among the members of a group.

(iv) A significant degree of shared or cooperative labor or other economic activity among the membership.

(v) Evidence of strong patterns of discrimination or other social distinctions by non-members.

(vi) Shared sacred or secular ritual activity encompassing most of the group.

(vii) Cultural patterns shared among a significant portion of the group that are different from those of the non-Indian populations with whom it interacts. These patterns must function as more than a symbolic identification of the group as Indian. They may include, but are not limited to, language, kinship organization, or religious beliefs and practices.

(viii) The persistence of a named, collective Indian identity continuously over a period of more than 50 years, notwithstanding changes in name.

(ix) A demonstration of historical political influence under the criterion in §83.7(c) shall be evidence for demonstrating historical community.

(2) A petitioner shall be considered to have provided sufficient evidence of community at a given point in time if evidence is provided to demonstrate any one of the following:

(i) More than 50 percent of the members reside in a geographical area exclusively or almost exclusively composed of members of the group, and the balance of the group maintains consistent interaction with some members of the community;

(ii) At least 50 percent of the marriages in the group are between members of the group;

(iii) At least 50 percent of the group members maintain distinct cultural patterns such as, but not limited to, language, kinship organization, or religious beliefs and practices;

(iv) There are distinct community social institutions encompassing most of the members, such as kinship organizations, formal or informal economic cooperation, or religious organizations;

(v) The group has met the criterion in §83.7(c) using evidence described in §83.7(c)(2).

(c) The petitioner has maintained political influence or authority over its members as an autonomous entity from historical times until the present.

(1) This criterion may be demonstrated by some combination of the evidence listed below and/or by other evidence that the petitioner meets the definition of political influence or authority in §83.1.

(i) The group is able to mobilize significant numbers of members and significant resources from its members for group purposes.

(ii) Most of the membership considers issues acted upon or actions taken by group leaders or governing bodies to be of importance.

(iii) There is widespread knowledge, communication and involvement in political processes by most of the group’s members.

(iv) The group meets the criterion in §83.7(b) at more than a minimal level.
§ 83.7

(v) There are internal conflicts which show controversy over valued group goals, properties, policies, processes and/or decisions.

(2) A petitioning group shall be considered to have provided sufficient evidence to demonstrate the exercise of political influence or authority at a given point in time by demonstrating that group leaders and/or other mechanisms exist or existed which:

(i) Allocate group resources such as land, residence rights and the like on a consistent basis.

(ii) Settle disputes between members or subgroups by mediation or other means on a regular basis;

(iii) Exert strong influence on the behavior of individual members, such as the establishment or maintenance of norms and the enforcement of sanctions to direct or control behavior;

(iv) Organize or influence economic subsistence activities among the members, including shared or cooperative labor.

(3) A group that has met the requirements in paragraph 83.7(b)(2) at a given point in time shall be considered to have provided sufficient evidence to meet this criterion at that point in time.

(4) A copy of the group’s present governing document including its membership criteria. In the absence of a written document, the petitioner must provide a statement describing in full its membership criteria and current governing procedures.

(e) The petitioner’s membership consists of individuals who descend from a historical Indian tribe or from historical Indian tribes which combined and functioned as a single autonomous political entity.

(1) Evidence acceptable to the Secretary which can be used for this purpose includes but is not limited to:

(i) Rolls prepared by the Secretary on a descendancy basis for purposes of distributing claims money, providing allotments, or other purposes;

(ii) State, Federal, or other official records or evidence identifying present members or ancestors of present members as being descendants of a historical tribe or tribes that combined and functioned as a single autonomous political entity.

(iii) Church, school, and other similar enrollment records identifying present members or ancestors of present members as being descendants of a historical tribe or tribes that combined and functioned as a single autonomous political entity.

(iv) Affidavits of recognition by tribal elders, leaders, or the tribal governing body identifying present members or ancestors of present members as being descendants of a historical tribe or tribes that combined and functioned as a single autonomous political entity.

(v) Other records or evidence identifying present members or ancestors of present members as being descendants of a historical tribe or tribes that combined and functioned as a single autonomous political entity.

(2) The petitioner must provide an official membership list, separately certified by the group’s governing body, of all known current members of the group. This list must include each member’s full name (including maiden name), date of birth, and current residential address. The petitioner must also provide a copy of each available former list of members based on the group’s own defined criteria, as well as a statement describing the circumstances surrounding the preparation of the current list and, insofar as possible, the circumstances surrounding the preparation of former lists.

(f) The membership of the petitioning group is composed principally of persons who are not members of any acknowledged North American Indian tribe. However, under certain conditions a petitioning group may be acknowledged even if its membership is composed principally of persons whose names have appeared on rolls of, or who have been otherwise associated with, an acknowledged Indian tribe. The conditions are that the group must establish that it has functioned throughout history until the present as a separate and autonomous Indian tribal entity, that its members do not maintain a bilateral political relationship with the acknowledged tribe, and that its members have provided written confirmation of their membership in the petitioning group.
§ 83.8

(g) Neither the petitioner nor its members are the subject of congressional legislation that has expressly terminated or forbidden the Federal relationship.

§ 83.8 Previous Federal acknowledgment.

(a) Unambiguous previous Federal acknowledgment is acceptable evidence of the tribal character of a petitioner to the date of the last such previous acknowledgment. If a petitioner provides substantial evidence of unambiguous Federal acknowledgment, the petitioner will then only be required to demonstrate that it meets the requirements of §83.7 to the extent required by this section.

(b) A determination of the adequacy of the evidence of previous Federal action acknowledging tribal status shall be made during the technical assistance review of the documented petition conducted pursuant to §83.10(b). If a petition is awaiting active consideration at the time of adoption of these regulations, this review will be conducted while the petition is under active consideration unless the petitioner requests in writing that this review be made in advance.

(c) Evidence to demonstrate previous Federal acknowledgment includes, but is not limited to:

(1) Evidence that the group has had treaty relations with the United States.

(2) Evidence that the group has been denominated a tribe by act of Congress or Executive Order.

(3) Evidence that the group has been treated by the Federal Government as having collective rights in tribal lands or funds.

(d) To be acknowledged, a petitioner that can demonstrate previous Federal acknowledgment must show that:

(1) The group meets the requirements of the criterion in §83.7(a), except that such identification shall be demonstrated since the point of last Federal acknowledgment. The group must further have been identified by such sources as the same tribal entity that was previously acknowledged or as a portion that has evolved from that entity.

(2) The group meets the requirements of the criterion in §83.7(b) to demonstrate that it comprises a distinct community at present. However, it need not provide evidence to demonstrate existence as a community historically.

(3) The group meets the requirements of the criterion in §83.7(c) to demonstrate that political influence or authority is exercised within the group at present. Sufficient evidence to meet the criterion in §83.7(c) from the point of last Federal acknowledgment to the present may be provided by demonstration of substantially continuous historical identification, by authoritative, knowledgeable external sources, of leaders and/or a governing body who exercise political influence or authority, together with demonstration of one form of evidence listed in §83.7(c).

(4) The group meets the requirements of the criteria in paragraphs 83.7 (d) through (g).

(5) If a petitioner which has demonstrated previous Federal acknowledgment cannot meet the requirements in paragraphs (d) (1) and (3), the petitioner may demonstrate alternatively that it meets the requirements of the criteria in §83.7 (a) through (c) from last Federal acknowledgment until the present.

§ 83.9 Notice of receipt of a petition.

(a) Within 30 days after receiving a letter of intent, or a documented petition if a letter of intent has not previously been received and noticed, the Assistant Secretary shall acknowledge such receipt in writing and shall have published within 60 days in the FEDERAL REGISTER a notice of such receipt. This notice must include the name, location, and mailing address of the petitioner and such other information as will identify the entity submitting the letter of intent or documented petition and the date it was received. This notice shall also serve to announce the opportunity for interested parties and informed parties to submit factual or legal arguments in support of or in opposition to the petitioner’s request for acknowledgment and/or to request to be kept informed of all general actions affecting the petition. The notice shall also indicate where a copy of the letter
of intent and the documented petition may be examined.

(b) The Assistant Secretary shall notify, in writing, the governor and attorney general of the state in which a petitioner is located. The Assistant Secretary shall also notify any recognized tribe and any other petitioner which appears to have a historical or present relationship with the petitioner or which may otherwise be considered to have a potential interest in the acknowledgment determination.

(c) The Assistant Secretary shall also publish the notice of receipt of the letter of intent, or documented petition if a letter of intent has not been previously received, in a major newspaper or newspapers of general circulation in the town or city nearest to the petitioner. The notice will include all of the information in paragraph (a) of this section.

§ 83.10 Processing of the documented petition.

(a) Upon receipt of a documented petition, the Assistant Secretary shall cause a review to be conducted to determine whether the petitioner is entitled to be acknowledged as an Indian tribe. The review shall include consideration of the documented petition and the factual statements contained therein. The Assistant Secretary may also initiate other research for any purpose relative to analyzing the documented petition and obtaining additional information about the petitioner’s status. The Assistant Secretary may likewise consider any evidence which may be submitted by interested parties or informed parties.

(b) Prior to active consideration of the documented petition, the Assistant Secretary shall conduct a preliminary review of the petition for purposes of technical assistance.

(1) This technical assistance review does not constitute the Assistant Secretary’s review to determine if the petitioner is entitled to be acknowledged as an Indian tribe. It is a preliminary review for the purpose of providing the petitioner an opportunity to supplement or revise the documented petition prior to active consideration. Insofar as possible, technical assistance reviews under this paragraph will be conducted in the order of receipt of documented petitions. However, technical assistance reviews will not have priority over active consideration of documented petitions.

(2) After the technical assistance review, the Assistant Secretary shall notify the petitioner by letter of any obvious deficiencies or significant omissions apparent in the documented petition and provide the petitioner with an opportunity to withdraw the documented petition for further work or to submit additional information and/or clarification.

(3) If a petitioner’s documented petition claims previous Federal acknowledgment and/or includes evidence of previous Federal acknowledgment, the technical assistance review will also include a review to determine whether that evidence is sufficient to meet the requirements of previous Federal acknowledgment as defined in § 83.1.

(c) Petitioners have the option of responding in part or in full to the technical assistance review letter or of requesting, in writing, that the Assistant Secretary proceed with the active consideration of the documented petition using the materials already submitted.

(1) If the petitioner requests that the materials submitted in response to the technical assistance review letter be again reviewed for adequacy, the Assistant Secretary will provide the additional review. However, this additional review will not be automatic and will be conducted only at the request of the petitioner.

(2) If the assertion of previous Federal acknowledgment under § 83.8 cannot be substantiated during the technical assistance review, the petitioner must respond by providing additional evidence. A petitioner claiming previous Federal acknowledgment who fails to respond to a technical assistance review letter under this paragraph, or whose response fails to establish the claim, shall have its documented petition considered on the same basis as documented petitions submitted by groups not claiming previous Federal acknowledgment. Petitioners that fail to demonstrate previous Federal acknowledgment after a
§ 83.10  

Review of materials submitted in response to the technical assistance review shall be so notified. Such petitioners may submit additional materials concerning previous acknowledgment during the course of active consideration.

(d) The order of consideration of documented petitions shall be determined by the date of the Bureau's notification to the petitioner that it considers that the documented petition is ready to be placed on active consideration. The Assistant Secretary shall establish and maintain a numbered register of documented petitions which have been determined ready for active consideration. The Assistant Secretary shall also maintain a numbered register of letters of intent or incomplete petitions based on the original date of filing with the Bureau. In the event that two or more documented petitions are determined ready for active consideration on the same date, the register of letters of intent or incomplete petitions shall determine the order of consideration by the Assistant Secretary.

(e) Prior to active consideration, the Assistant Secretary shall investigate any petitioner whose documented petition and response to the technical assistance review letter indicates that there is little or no evidence that establishes that the group can meet the mandatory criteria in paragraph (e), (f) or (g) of §83.7.

(1) If this review finds that the evidence clearly establishes that the group does not meet the mandatory criteria in paragraph (e), (f) or (g) of §83.7, a full evaluation of the documented petition under all seven of the mandatory criteria shall be undertaken during active consideration of the documented petition pursuant to paragraph (g) of this section.

(f) The petitioner and interested parties shall be notified when the documented petition comes under active consideration.

(1) They shall also be provided with the name, office address, and telephone number of the staff member with primary administrative responsibility for the petition; the names of the researchers conducting the evaluation of the petition; and the name of their supervisor.

(2) The petitioner shall be notified of any substantive comment on its petition received prior to the beginning of active consideration or during the preparation of the proposed finding, and shall be provided an opportunity to respond to such comments.

(g) Once active consideration of the documented petition has begun, the Assistant Secretary shall continue the review and publish proposed findings and a final determination in the Federal Register pursuant to these regulations, notwithstanding any requests by the petitioner or interested parties to cease consideration. The Assistant Secretary has the discretion, however, to suspend active consideration of a documented petition, either conditionally or for a stated period of time, upon a showing to the petitioner that there are technical problems with the documented petition or administrative problems that temporarily preclude continuing active consideration. The Assistant Secretary shall also consider requests by petitioners for suspension of consideration and has the discretion to grant such requests for good cause. Upon resolution of the technical or administrative problems that are the basis for the suspension, the documented petition will have priority on the numbered register of documented petitions submitted in response to the technical assistance review.
petitioners insofar as possible. The Assistant Secretary shall notify the petitioner and interested parties when active consideration of the documented petition is resumed. The timetables in succeeding paragraphs shall begin anew upon the resumption of active consideration.

(b) Within one year after notifying the petitioner that active consideration of the documented petition has begun, the Assistant Secretary shall publish proposed findings in the FEDERAL REGISTER. The Assistant Secretary has the discretion to extend that period up to an additional 180 days. The petitioner and interested parties shall be notified of the time extension. In addition to the proposed findings, the Assistant Secretary shall prepare a report summarizing the evidence, reasoning, and analyses that are the basis for the proposed decision. Copies of the report shall be provided to the petitioner, interested parties, and informed parties and made available to others upon written request.

(i) Upon publication of the proposed findings, the petitioner or any individual or organization wishing to challenge or support the proposed findings shall have 180 days to submit arguments and evidence to the Assistant Secretary to rebut or support the proposed finding. The period for comment on a proposed finding may be extended for up to an additional 180 days at the Assistant Secretary’s discretion upon a finding of good cause. The petitioner and interested parties shall be notified of the time extension. Interested and informed parties who submit arguments and evidence to the Assistant Secretary must provide copies of their submissions to the petitioner.

(j)(1) During the response period, the Assistant Secretary shall provide technical advice concerning the factual basis for the proposed finding, the reasoning used in preparing it, and suggestions regarding the preparation of materials in response to the proposed finding. The Assistant Secretary shall make available to the petitioner in a timely fashion any records used for the proposed finding not already held by the petitioner, to the extent allowable by Federal law.

(2) In addition, the Assistant Secretary shall, if requested by the petitioner or any interested party, hold a formal meeting for the purpose of inquiring into the reasoning, analyses, and factual bases for the proposed finding. The proceedings of this meeting shall be on the record. The meeting record shall be available to any participating party and become part of the record considered by the Assistant Secretary in reaching a final determination.

(k) The petitioner shall have a minimum of 60 days to respond to any submissions by interested and informed parties during the response period. This may be extended at the Assistant Secretary’s discretion if warranted by the extent and nature of the comments. The petitioner and interested parties shall be notified by letter of any extension. No further comments from interested or informed parties will be accepted after the end of the regular response period.

(l) At the end of the period for comment on a proposed finding, the Assistant Secretary shall consult with the petitioner and interested parties to determine an equitable timeframe for consideration of written arguments and evidence submitted during the response period. The petitioner and interested parties shall be notified of the date such consideration begins.

(1) Unsolicited comments submitted after the close of the response period established in §83.10(i) and §83.10(k), will not be considered in preparation of a final determination. The Assistant Secretary has the discretion during the preparation of the proposed finding, however, to request additional explanations and information from the petitioner or from commenting parties to support or supplement their comments on a proposed finding. The Assistant Secretary may also conduct such additional research as is necessary to evaluate and supplement the record. In either case, the additional materials will become part of the petition record.

(2) After consideration of the written arguments and evidence rebutting or supporting the proposed finding and the petitioner’s response to the comments of interested parties and informed parties, the Assistant Secretary
§ 83.11 Independent review, reconsideration and final action.

(a)(1) Upon publication of the Assistant Secretary’s determination in the Federal Register, the petitioner or any interested party may file a request for reconsideration with the Interior Board of Indian Appeals. Petitioners which choose under §83.3(g) to be considered under previously effective acknowledgment regulations may nonetheless request reconsideration under this section.

(2) A petitioner’s or interested party’s request for reconsideration must be received by the Board no later than 90 days after the date of publication of the Assistant Secretary’s determination in the Federal Register. If no request for reconsideration has been received, the Assistant Secretary’s decision shall be final for the Department 90 days after publication of the final determination in the Federal Register.

(b) The petitioner’s or interested party’s request for reconsideration shall contain a detailed statement of the grounds for the request, and shall include any new evidence to be considered.

(1) The detailed statement of grounds for reconsideration filed by a petitioner or interested parties shall be considered the appellant’s opening brief provided for in 43 CFR 4.311(a).

(2) The party or parties requesting the reconsideration shall mail copies of the request to the petitioner and all other interested parties.

(c)(1) The Board shall dismiss a request for reconsideration that is not filed by the deadline specified in paragraph (a) of this section.

(2) If a petitioner’s or interested party’s request for reconsideration is filed on time, the Board shall determine, within 120 days after publication of the Assistant Secretary’s final determination in the Federal Register, whether the request alleges any of the grounds in paragraph (d) of this section and shall notify the petitioner and interested parties of this determination.

(d) The Board shall have the authority to review all requests for reconsideration that are timely and that allege any of the following:
§ 83.11

(1) That there is new evidence that could affect the determination; or
(2) That a substantial portion of the evidence relied upon in the Assistant Secretary's determination was unreliable or was of little probative value; or
(3) That petitioner's or the Bureau's research appears inadequate or incomplete in some material respect; or
(4) That there are reasonable alternative interpretations, not previously considered, of the evidence used for the final determination, that would substantially affect the determination that the petitioner meets or does not meet one or more of the criteria in §83.7 (a) through (g).

(e) The Board shall have administrative authority to review determinations of the Assistant Secretary made pursuant to §83.10(m) to the extent authorized by this section.

(1) The regulations at 43 CFR 4.310—4.318 and 4.331—4.340 shall apply to proceedings before the Board except when they are inconsistent with these regulations.

(2) The Board may establish such procedures as it deems appropriate to provide a full and fair evaluation of a request for reconsideration under this section to the extent they are not inconsistent with these regulations.

(3) The Board, at its discretion, may request experts not associated with the Bureau, the petitioner, or interested parties to provide comments, recommendations, or technical advice concerning the determination, the administrative record, or materials filed by the petitioner or interested parties. The Board may also request, at its discretion, comments or technical assistance from the Assistant Secretary concerning the final determination or, pursuant to paragraph (e)(8) of this section, the record used for the determination.

(4) Pursuant to 43 CFR 4.337(a), the Board may require, at its discretion, a hearing conducted by an administrative law judge of the Office of Hearings and Appeals if the Board determines that further inquiry is necessary to resolve a genuine issue of material fact or to otherwise augment the record before it concerning the grounds for reconsideration.

(5) The detailed statement of grounds for reconsideration filed by a petitioner or interested parties pursuant to paragraph (b)(1) of this section shall be considered the appellant's opening brief provided for in 43 CFR 4.311(a).

(6) An appellant's reply to an opposing party's answer brief, provided for in 43 CFR 4.311(b), shall not apply to proceedings under this section, except that a petitioner shall have the opportunity to reply to an answer brief filed by any party that opposes a petitioner's request for reconsideration.

(7) The opportunity for reconsideration of a Board decision provided for in 43 CFR 4.315 shall not apply to proceedings under this section.

(8) For purposes of review by the Board, the administrative record shall consist of all appropriate documents in the Branch of Acknowledgment and Research relevant to the determination involved in the request for reconsideration. The Assistant Secretary shall designate and transmit to the Board copies of critical documents central to the portions of the determination under a request for reconsideration. The Branch of Acknowledgment and Research shall retain custody of the remainder of the administrative record, to which the Board shall have unrestricted access.

(9) The Board shall affirm the Assistant Secretary's determination if the Board finds that the petitioner or interested party has failed to establish, by a preponderance of the evidence, at least one of the grounds under paragraphs (d)(1)—(d)(4) of this section.

(10) The Board shall vacate the Assistant Secretary's determination and remand it to the Assistant Secretary for further work and reconsideration if the Board finds that the petitioner or an interested party has established, by a preponderance of the evidence, one or more of the grounds under paragraphs (d)(1)—(d)(4) of this section.

(f)(1) The Board, in addition to making its determination to affirm or remand, shall describe in its decision any grounds for reconsideration other than those in paragraphs (d)(1)—(d)(4) of this section alleged by a petitioner's or interested party's request for reconsideration.
§ 83.12 Implementation of decisions.

(a) Upon final determination that the petitioner exists as an Indian tribe, it shall be considered eligible for the services and benefits from the Federal government that are available to other federally recognized tribes. The newly acknowledged tribe shall be considered a historic tribe and shall be entitled to the privileges and immunities available to other federally recognized historic tribes by virtue of their government-to-government relationship with the United States. It shall also have the responsibilities and obligations of such tribes. Newly acknowledged Indian tribes shall likewise be subject to the same authority of Congress and the United States as are other federally acknowledged tribes.

(b) Upon acknowledgment as an Indian tribe, the list of members submitted as part of the petitioners documented petition shall be the tribe’s complete base roll for purposes of Federal funding and other administrative purposes. For Bureau purposes, any additions made to the roll, other than individuals who are descendants of those on the roll and who meet the tribe’s membership criteria, shall be limited to those meeting the requirements of §83.7(e) and maintaining significant social and political ties with the tribe.

All pertinent data, including cultural, political and historical material, and records, including membership, census and other rolls shall be considered. The Area Director shall assist the affected tribe or group in arranging for preliminary sessions or meetings of the tribal governing body, or public meetings. The Area Director shall make a presentation of the results of the research and shall arrange for expertise of the Bureau of Indian Affairs to be available at these meetings to assist the tribe or group in developing a use or distribution proposal, bearing in mind that under the Act not less than twenty (20) per centum of the judgment funds, including investment income thereon, is to be used for tribal programs unless the Secretary determines that the particular circumstances of the affected Indian tribe clearly warrant otherwise.

(c) All testimony at the hearing shall be transcribed and a transcript thereof shall be furnished to the Commissioner and the tribal governing body immediately subsequent to the hearing. Within one hundred and eighty (180) days of the appropriation of the judgment funds the Secretary shall submit a proposed plan, together with the pertinent materials described above, simultaneously to each of the Chairmen of the Congressional Committees, at the same time sending copies of the proposed plan to the governing body of the affected tribe or group. Such proposed legislation shall be developed on the basis of further consultation with the affected tribe or group.

§ 87.7 Submittal of proposed legislation by Secretary.

(a) Within thirty (30) calendar days after the date of a resolution by either House disapproving a plan, the Secretary shall simultaneously submit proposed legislation authorizing the use or distribution of the funds, together with a report thereon, to the Chairmen of both Congressional Committees, at the same time sending copies of the proposed legislation to the governing body of the affected tribe or group. Such proposed legislation shall be developed on the basis of further consultation with the affected tribe or group.

§ 87.9 Programing aspects of plans.

In assessing any tribal programing proposal the Secretary shall consider all pertinent factors, including the following: the percentage of tribal members residing on or near the subject reservation, including former reservation areas in Oklahoma, or Alaska Native villages; the formal educational level and the general level of social and economic adjustment of such reservation residents; the nature of recent programing affecting the subject tribe or group and particularly the reservation
residents; the needs and aspirations of any local Indian communities or districts within the reservation and the nature of organization of such local entities; the feasibility of the participation of tribal members not in residence on the reservation; the availability of funds for programming purposes derived from sources other than the subject judgment; and all other pertinent social and economic data developed to support any proposed program.

§ 87.10 Per capita payment aspects of plans and protection of funds accruing to minors, legal incompetents and deceased beneficiaries.

(a) The per capita shares of living competent adults shall be paid directly to them. The shares of minors, legal incompetents and deceased individual beneficiaries, enhanced by investment earnings, shall be held in individual Indian money (IIM) accounts unless otherwise provided as set out in this section. While held in IIM accounts, said shares shall be invested pursuant to 25 U.S.C. 162a and shall be the property of the minors or legal incompetents or the estates of the deceased individual beneficiaries to whom the per capita payments were made.

(b) (1) Unless otherwise provided in paragraph (b)(2) of this section, minors’ per capita shares, until the minors attain the age of 18 years, shall be retained in individually segregated IIM accounts and handled as provided in § 115.4 of this chapter. Should it be determined that the funds are to be invested pursuant to a trust, minors who will have reached the age of 18 years within six months after the establishment of the trust shall have their funds retained at interest in IIM accounts and paid to them upon attaining their majority.

(2) A private trust for the minors’ per capita shares may be established subject to the approval of the tribal governing body and the Secretary on the following conditions:

(i) The tribal governing body specifically requests the establishment of such trust, and the trust provides for segregated amounts to each individual minor, based on his per capita share, and

(ii) The trust agreement specifically provides that the investment policy to be followed is that of preserving the trust corpus and of obtaining the highest interest rates current money markets can safely provide. The trust agreement must further provide that maturity dates of investments cannot exceed the period of the trust and that only the following types of investment shall be made: United States Treasury obligations; Federal agency obligations; repurchase/resell agreements; United States Treasury bills; Bankers’ acceptance, provided the assets of the issuing bank exceed $1 billion or the issuing bank pledges full collateral; Commercial paper, provided it is rated prime-2 by Moody or A–2 by Standard and Poor or is obligation of a company with outstanding unsecured debt rated Aa by Standard and Poor.

(c) The per capita shares of legal incompetents shall be held in IIM accounts and administered pursuant to the provisions of § 115.5 of this chapter.

(e) All per capita shares, including all interest and investment income accruing thereto, while they are held in trust under the provisions of this section, shall be exempt from Federal and State income taxes and shall not be considered as income or resources when determining the extent of eligibility for assistance under the Social Security Act, as amended.

(f) All per capita shares or portions thereof, including all interest and investment income accruing thereto, which are not paid out but which remain unclaimed with the Federal Government shall be maintained separately and be enhanced by investment, and shall, unless otherwise provided in an effective plan or in enabling legislation, be subject to the provisions of the Act of September 22, 1961, 75 Stat. 584. No per capita share or portion thereof
§ 87.11 Investment of judgment funds.

As soon as possible after the appropriation of judgment funds and pending approval of a plan or the enactment of legislation authorizing the use or distribution of the funds, the Commissioner shall invest such funds pursuant to 25 U.S.C. 162a. Investments of judgment funds and of investment income therefrom will continue to be made by the Commissioner after the approval of a plan or enactment of use or distribution legislation to the extent funds remain available for investment under such plan or legislation, and provided that thereafter investments of judgment funds made available for tribal use are not undertaken by the tribe pursuant to authorizing law. Invested judgment funds, including investment income therefrom, shall be withdrawn from investment only as currently needed under approved plans or legislation authorizing the use or distribution of such funds.

§ 87.12 Insuring the proper performance of approved plans.

A timetable prepared in cooperation with the tribal governing body shall be included in the plan submitted by the Secretary for the implementation of all programing and enrollment aspects of a plan. At any time within one calendar year after the approval date of a plan, the Area Director shall report to the Commissioner on the status of the implementation of the plan, including all enrollment and programing aspects, and thenceforth shall report to the Commissioner on an annual basis regarding any remaining or unfulfilled aspects of a plan. The Area Director shall include in his first and all subsequent annual reports a statement regarding the maintenance of the timetable, a full accounting of any per capita distribution, and the expenditure of all programing funds. The Commissioner shall report the deficient performance of any aspect of a plan to the Secretary, together with the corrective measures he has taken or intends to take.

§ 89.30 Contents and approval of contracts.

All contracts for the services of legal counsel or technical specialists negotiated and executed with the Choctaw, Chickasaw, Cherokee, Creek, or Seminole Tribes or Nations, also known as the Five Civilized Tribes, shall be in strict compliance with the requirements of section 2103 of the Revised Statutes of the United States (25 U.S.C. 81).

PAYMENT OF TRIBAL ATTORNEY FEES WITH APPROPRIATED FUNDS

SOURCE: 48 FR 3969, Jan. 26, 1983, unless otherwise noted.

§ 89.40 General policy.

In ordinary circumstances, legal services with respect to trust resources are provided for Indian tribe(s):

(a) By private counsel employed by tribes when such tribe is financially able and elects to do so, or

(b) By the United States as trustee through the Office of the Solicitor and/or the Department of Justice.

It is the policy of the Department of the Interior not to use federally appropriated funds to pay for private counsel to represent Indian tribes. Exceptions to that policy are listed in §89.41 of this part.

§ 89.41 Exceptions to policy.

The Assistant Secretary—Indian Affairs upon concurrence of the Solicitor and receipt of a recommendation as provided by §89.34 may, in his/her discretion, authorize the direct or indirect expenditure of appropriated funds to pay reasonable attorney’s fees in order to permit an Indian tribe to secure private legal representation in the following circumstances:

(a) When a tribe determines it necessary to bring a court action or to defend itself to protect its trust resources, rights claimed under a treaty, agreement, executive order, or statute, or its governmental powers and the Attorney General refuses assistance or advises that assistance is not otherwise available (Comptroller General’s Opinion B–114868, December 6, 1976).

(b) When a tribe determines it necessary to institute or to defend itself in an administrative proceeding to protect its trust resources, rights claimed under a treaty, agreement, executive order, or statute, or to protect its governmental powers and the Solicitor is unable to provide representation due to a conflict of interest or other reasons.

(c) When a tribe determines legal assistance necessary, other than for litigation, pursuant to a contract executed under Pub. L. 93–638 and the Solicitor has determined that the services of his office are not available.

(d) When a tribe determines it critical, and the Assistant Secretary—Indian Affairs finds the concerns of the tribe to have merit after consultation with and the advice of the Solicitor, to intervene, in a lawsuit being handled by the Justice Department or in an administrative proceeding being handled by the Solicitor because the responsible Government Attorney refuses either to exclude or to include some facet of the suit or proceedings which the tribe claims renders such legal representation completely inadequate to protect or in contravention of the rights and interests of the tribe. Prior to consulting with and advising the Assistant Secretary—Indian Affairs, in a lawsuit being handled by the Justice Department, the Solicitor shall seek the comments and advice of the Attorney General.

280
(e) When a tribe determines, and the Assistant Secretary—Indian Affairs, after consultation with the Solicitor concurs, that a substantial possibility of a negotiated settlement or agreement exists.

(f) Payment of fees will not be allowed if such payment was not authorized before services were performed.

(g) This rule applies to expenditure of appropriated Federal funds and not a tribe's own funds on deposit in the U.S. Treasury.

§ 89.42 Factors to be considered.

The following factors are to be considered in determining whether funds should be paid to provide private legal representation for a tribe:

(a) The merits of the legal position which the tribe asserts. Greater weight will be given to those cases where the tribe's legal argument is deemed particularly meritorious than to those cases where the tribe's position, although not entirely without merit, may be relatively weak;

(b) The ability of the tribe to pay all or a part of its legal expenses out of its own funds. A review of the tribe's financial resources under this subsection will include an examination of the tribe's total expenditures to determine whether its expenditures for other purposes comport with the asserted importance of the case for which it seeks funds;

(c) Whether the question the tribe seeks to litigate is being litigated in another case by another tribe;

(d) Whether, as a matter of strategy, the issues the tribe seeks to litigate could be more satisfactorily resolved in another forum, in a different factual context, or a different time; and

(e) Whether the issue should be litigated at all in preference to a legislative or other solution.

§ 89.43 Procedures.

The information collection requirements contained in this section do not require approval by the Office of Management and Budget under 44 U.S.C. 3501 et seq., because it is anticipated there will be fewer than 10 respondents annually.

(a) A tribe or other organization seeking funds under §89.41 shall submit a written request through the Agency Superintendent and the Area Director, including

(1) A detailed statement describing the nature and scope of the problems for which legal services are sought;

(2) A statement of the terms, including total anticipated costs, of the requested legal services contract;

(3) A current financial statement and a statement that the tribe does not possess sufficient tribal funds or assets to pay for all or a part of the legal services sought; and

(4) A statement of why the matter must be handled by a private attorney as opposed to Department of Justice or Department of Interior attorneys.

All requests shall be considered by a committee consisting of the Deputy Assistant Secretary—Indian Affairs (Policy), or his delegate, the Director of the Office of Trust Responsibilities in BIA or his delegate, and the Associate Solicitor—Indian Affairs or his delegate.

(b) If two of the three committee members recommend approval of a tribe's request, the request, along with the committee's recommendation, shall be submitted to the Assistant Secretary for final determination after consultation with and the advice of the Solicitor. The committee's recommendation shall indicate the amount of funds recommended to assist the tribe, the hourly rate allowed, the maximum amount permitted to be expended in the recommended action and the tribal contributions, if any. The Assistant Secretary shall approve the request only with the concurrence of the Solicitor.

(c) The requirements imposed by this policy are supplementary to those contained in all existing regulations dealing with attorney contracts with Indian tribes and, in particular, those contained in parts 88 and 89 of this title.

If a member of the election board desires to be relieved from duty for any cause, he shall notify the Principal Chief or in his absence the Assistant Principal Chief, in writing to that effect and the Principal Chief, or in his absence the Assistant Principal Chief shall designate someone else to serve as a member of the election board. The judge before handing out a ballot shall remove the detachable portion. A judge shall receive the ballot after the voter has indicated his choice thereon by placing an “X” mark opposite the name of each candidate for whom he desires his vote counted and shall deposit same in the ballot box. The duties of the remaining judges in conjunction with the Supervisor will be to read the names on the ballot when requested so as to identify the candidates or furnish such other information as may be desired in that connection and also to assist prospective voters unable because of language difficulties or physical incapacity to cast votes for candidates of their choice, and to undertake such other duties as may be assigned by the Supervisor.

Each watcher and challenger shall have the right to be present in the polling place but outside the voting booths and to watch the election officials, the balloting, the call, the tally, and the recording of the result of the vote. It shall be the duty of the watcher to watch, listen, and observe the count for all candidates voted for to insist upon an honest and fair count but shall have no further authority than to have the election judges and clerks note or record any objections to the count and to challenge the result thereof. A watcher or challenger shall receive no compensation for his services.

The Superintendent shall furnish copies of the list to the Supervisor of the election board and shall post copies at the headquarters of the Osage Agency at Pawhuska, Okla., and such other places as the election board may determine to be appropriate. A lack of security will not preclude the making of a loan if the proposed use of the funds is sound and the information in the application and supporting papers correctly show that expected income will be adequate to pay all expenses and the loan principal and interest payments, indicating reasonable assurance that the loan will be repaid. The declaration of policy and plan of operation of relending organizations conducting relending programs will include provisions covering the type and amount of security to be taken to secure loans made.

(b) Land purchased by an individual Indian with the proceeds of a loan and land already held in trust or restricted status by the individual Indian may be mortgaged as security for a loan in accordance with 25 CFR 152.34 and the Act of March 29, 1956 (70 Stat. 62; 25 U.S.C. 483a). Mortgages of individually held trust or restricted land will include only an acreage of the borrower’s land which the Commissioner determines is necessary to protect the loan in case of default. On proposed foreclosures which involve the sale of individually held trust or restricted land given as security for a loan, the tribe of the reservation on which the land is located will be notified in writing at least thirty calendar days in advance of the anticipated date of sale. Land purchased by a tribe with the proceeds of a loan from the revolving loan fund with title taken in a trust or restricted status, and land already held in a trust or restricted status by a tribe may not be mortgaged as security for a loan.

(1) Title to any land purchased by a tribe or by an individual Indian with revolving loan funds may be taken in trust or restricted status unless the land is located outside the boundaries of a reservation or a tribal consolidation area approved by the Secretary. Title to any land purchased by a tribe or an individual Indian which is outside the boundaries of a reservation or approved consolidation area may be taken in trust if the purchaser was the owner of trust or restricted interests in the land before the purchase. Otherwise, title shall be taken in the name of the purchaser without any restrictions on alienation, control, or use.

(c) Mortgages of leasehold interests in land held in trust or restricted status by an individual Indian, may be
taken for the purpose of borrowing capital for the development and improvement of the leased premises when permitted in the lease or lease modification agreement. Such mortgages must be approved by the lessor and Commissioner. (70 Stat. 62, (25 U.S.C. 483a)).

(d) Individuals may give assignments of income from trust property as security for loans. Tribes may give assignments of trust income as security for loans provided that the assignment shall be specific as to the source(s) of income being assigned. All assignments of trust income require approval by the Commissioner before becoming effective.

(e) Chattels may be given as security for a loan. A mortgage on chattels, the title to which is known to be in trust, requires Commissioner approval. Non-trust chattels may be mortgaged without approval of any federal official.

(f) Crops grown on lands held in trust or restricted status for the benefit of an individual Indian may be given as security for a loan when approved by the Commissioner. Crops grown on leased, trust or restricted land may be given as security for a loan when permitted by the provisions of a lease or when the owner gives written consent. Approval of the lien document by the Commissioner is required. Crops grown on trust or restricted land held by a tribe which has been assigned to an individual for use may be given as security for a loan, provided the terms of the assignment permit the assignee to give the crops as security for a loan or the tribe’s governing body specifically gives consent. The lien document requires Commissioner approval. Crops grown on non-trust or non-restricted land may be mortgaged without the approval of any federal official.

(g) Title to any personal property purchased with a loan shall be taken in the name of the purchaser and mortgaged to secure the loan unless the loan is otherwise adequately secured. Tribes must adhere to the provisions of their constitutions and bylaws, corporate charters, or other organizational documents when mortgaging tribal property and assigning trust income as security for loans.

(h) Relending organizations receiving a loan from the United States for re-lending shall be required to assign to the United States as security for the loan all securities acquired in connection with loans made to its members, sub-organizations, or associations from funds, unless the Commissioner determines that repayment of the loan to the United States is otherwise reasonably assured. Funds advanced to finance a tribal economic enterprise shall be secured by an assignment of net income and net assets of the economic enterprise, unless the Commissioner determines that it is not feasible to require an assignment or that repayment of the loan to the United States is otherwise reasonably assured.

(i) Securing documents or financing statements shall be filed or recorded in accordance with applicable state or federal laws except for those customarily filed in Bureau of Indian Affairs offices. Mortgages on documented vessels will be filed at the customs house designated as the home port of the vessel as shown on the marine document.

§101.14 Maturity.

The maturity of any United States direct loan shall not exceed thirty years. Loans made will be scheduled for repayment at the earliest possible date consistent with the purpose of the loan and the repayment capacity of the borrower.

§101.15 Penalties on default.

Unless otherwise provided in the loan agreement between the United States and a borrower, failure on the part of a borrower to conform to the terms of the loan agreement will be deemed grounds for the taking of any one or all of the following steps by the Commissioner:

(a) Discontinue any further advance of funds contemplated by the loan agreement.

(b) Take possession of any or all collateral given as security and in the case of individuals, corporation, partnerships or cooperative associations, the property purchased with the borrowed funds.

(c) Prosecute legal action against the borrower or against officers of corporations, tribes, bands, credit associations, cooperative associations, and other organizations.
§ 101.16 Default on loans made by relending organizations.

Relending organizations conducting relending programs using revolving loan funds will follow prudent lending practices in making and servicing loans and take appropriate actions to protect their interests in the security given to secure repayment of loans. Declarations of policy and plans of operation shall include procedures which will be followed in acting to correct a default, such as modification of loan agreement or foreclosure and liquidation of security. Relending organizations employing a general counsel will refer legal questions on foreclosure procedures and sale of security to their counsel.

§ 101.17 Uncollectable loans made by the United States.

If the Secretary determines that a United States direct loan is uncollectable in whole or in part or is collectable only at an unreasonable cost, or when such action would be in the best interest of the United States, the Secretary may cancel, adjust, compromise, or reduce the amount of any loan made from the revolving loan fund. The Commissioner may adjust, compromise, subordinate, or modify the terms of any mortgage, lease, assignment, contract, agreement, or other document taken as security for loans. The cancellation of all or part of a loan shall become effective when signed by the Secretary.

§ 101.18 Uncollectible loans made by relending organizations.

(a) Relending organizations conducting relending programs using revolving loan funds may, when approved by the Commissioner, chargeoff as uncollectible all or part of the balance of principal and interest owing on
§ 101.19 Assignment of loans.

A borrower of a direct loan from the United States may not assign the loan agreement or any interest in it to a third party without the consent of the Commissioner. Relending organizations which are conducting relending programs may not assign the loan agreements of borrowers, or any interest therein, to third parties without the approval of the Commissioner and the borrower.

§ 101.20 Relending by borrower.

(a) A relending organization may relend funds loaned to it by the United States with the approval of the Commissioner. The Commissioner may authorize such lenders to approve applications for particular types of loans up to a specified amount.

(b) Loans shall be secured by such securities as the lender and the Commissioner may require. With the Commissioner’s approval, mortgages of individually held trust or restricted land, leasehold interests, chattels, crops grown on trust or restricted land, and assignments of trust income may all be taken as security for loans.

(c) Title to personal property purchased with loans received from relending organizations using revolving loan funds in its relending program shall be taken in the name of the borrower.

(d) The term of a loan made by a relending organization conducting a relending program shall not extend beyond the maturity date of its loan from the United States, unless an exception is approved by the Commissioner and the organization has funds available from which to make scheduled repayment on its loan from the United States. Loans made will be scheduled for repayment at the earliest possible date consistent with the purpose for which a loan is made and the indicated repayment capacity of the borrower.

(e) Securing documents or financing statements shall be filed or recorded in accordance with federal or state law except those customarily filed in Bureau of Indian Affairs offices. Mortgages on documented vessels will be filed at the custom house designated as the home port of the vessel as shown on the marine document.

§ 101.21 Repayments on United States direct loans.

Repayments on United States direct loans shall be made to the authorized collection officer of the Bureau of Indian Affairs who shall issue an official receipt for the repayment and deposit the collection into the revolving loan fund. Collections will first be applied to pay interest to date of payment and the balance applied on the principal installment due. Collections on loans made by relending organizations which have been declared in default in which the Commissioner has taken control of the assets of the program (including loans made with balances owing) will be made to an authorized collection officer of the Bureau of Indian Affairs who shall issue a receipt to the payor and deposit the collection in the United States revolving loan fund. The relending organization’s loan from the United States will be credited with the amounts collected from its borrowers.
Bureau of Indian Affairs, Interior

§ 101.24 Loans for expert assistance for preparation and trial of Indian claims.

(a) Loans may be made to Indian tribes, bands and other identifiable groups of Indians from funds authorized and appropriated under the provisions of section 1 of the Act of November 4, 1963 (Pub. L. 88–168, 77 Stat. 301; 25 U.S.C. 70n–1), as amended by the Act of September 19, 1966 (Pub. L. 89–952, 80 Stat. 814) and section 2 of the Act of May 24, 1973 (Pub. L. 93–37, 87 Stat. 73). Loan proceeds may only be used for the employment of expert assistance, other than the assistance of counsel, for the preparation and trial of claims pending before the Indian Claims Commission. Applications for loans will be submitted on forms approved by the Commissioner and shall include a justification of the need for a loan. The justification shall include a statement from the applicant’s claims attorney regarding the need for a loan. The application will be accompanied by a statement signed by an authorized officer of the applicant certifying that the applicant does not have adequate funds available to obtain and pay for the expert assistance needed. The Superintendent and the Area Director will attest to the accuracy of the statement or point out any inaccuracies. Loans will be approved by issuance of a commitment order by the Commissioner.

(b) No loan shall be approved if the applicant has funds available on deposit in the United States Treasury or elsewhere in an amount adequate to obtain the expert assistance needed or if, in the opinion of the Commissioner, the fees to be paid the experts are unreasonable on the basis of the services to be performed by them.

(c) Contracts for the employment of experts are subject to the provisions of 25 U.S.C. 81 and require approval by the Commissioner.

(d) Vouchers or claims submitted by experts for payment for services rendered and reimbursement for expenses will be in accordance with the provisions of the expert assistance contract and shall be sufficiently detailed and itemized to permit an audit to determine that the amounts are in accordance with the contract. Vouchers or claims shall be reviewed by the borrower’s claims attorney who will certify on the last page of the voucher or by attachment thereto, that the services have been rendered and payment is due the expert and that expenses and charges for work performed are in accordance with the provisions of the contract.

(e) Requests for advances under the loan agreement shall be accompanied by a certificate signed by an authorized officer of the borrower certifying that the borrower does not have adequate funds available from its own financial resources with which to pay the expert. The Superintendent and Area Director will attest to the accuracy of the statement or point out inaccuracies. A copy of the voucher or claim from the expert...

Subpart A—General Provisions

§ 103.1 What does this part do?
This part explains how to obtain and use a BIA loan guaranty or loan insurance agreement under the Program, and who may do so. It also describes how to obtain and use interest subsidy payments under the Program, and who may do so.

§ 103.2 Who does the Program help?
The purpose of the Program is to encourage eligible borrowers to develop viable Indian businesses through conventional lender financing. The direct function of the Program is to help lenders reduce excessive risks on loans they make. That function in turn helps borrowers secure conventional financing that might otherwise be unavailable.

§ 103.3 Who administers the Program?
Authority for administering the Program ultimately rests with the Secretary, who may exercise that authority directly at any time. Absent a direct exercise of authority, however, the Secretary delegates Program authority to BIA officials through the U.S. Department of Interior Departmental Manual. A lender should submit all applications and correspondence to the BIA office serving the borrower’s location.

§ 103.4 What kinds of loans will BIA guarantee or insure?
In general, BIA may guarantee or insure any loan made by an eligible lender to an eligible borrower to conduct a lawful business organized for profit. There are several important exceptions:
(a) The business must contribute to the economy of an Indian reservation or tribal service area recognized by BIA;
(b) The borrower may not use the loan for relending purposes;
(c) If any portion of the loan is used to refinance an existing loan, the borrower must be current on the existing loan; and
(d) BIA may not guarantee or insure a loan if it believes the lender would be
§ 103.5 What size loan will BIA guarantee or insure?
BIA can guarantee or insure a loan or combination of loans of up to $500,000 for an individual Indian, or more for an acceptable Indian business entity, Tribe, or tribal enterprise involving two or more persons. No individual Indian may have an outstanding principal balance of more than $500,000 in guaranteed or insured loans at any time. BIA can limit the size of loans it will guarantee or insure, depending on the resources BIA has available.

§ 103.6 To what extent will BIA guarantee or insure a loan?
(a) BIA can guarantee up to 90 percent of the unpaid principal and accrued interest due on a loan.
(b) BIA can insure up to the lesser of:
   (1) 90 percent of the unpaid principal and accrued interest due on a loan; or
   (2) 15 percent of the aggregate outstanding principal amount of all loans the lender has insured under the Program as of the date the lender makes a claim under its insurance coverage.
(c) BIA’s guaranty certificate or loan insurance agreement should reflect the lowest guaranty or insurance percentage rate that satisfies the lender’s risk management requirements.
(d) Absent exceptional circumstances, BIA will allow no more than:
   (1) Two simultaneous guarantees under the Program covering outstanding loans from the same lender to the same borrower; or
   (2) One loan guaranty under the Program when the lender simultaneously has one or more outstanding loans insured under the Program to the same borrower.

§ 103.7 Must the borrower have equity in the business being financed?
The borrower must be projected to have at least 20 percent equity in the business being financed, immediately after the loan is funded. If a substantial portion of the loan is for construction or renovation, the borrower’s equity may be calculated based upon the reasonable estimated value of the borrower’s assets after completion of the construction or renovation.

§ 103.8 Is there any cost for a BIA guaranty or insurance coverage?
BIA charges the lender a premium for a guaranty or insurance coverage.
(a) The premium is:
   (1) Two percent of the portion of the original loan principal amount that BIA guarantees; or
   (2) One percent of the portion of the original loan principal amount that BIA insureds, without considering the 15 percent aggregate outstanding principal limitation on the lender’s insured loans.
(b) Lenders may pass the cost of the premium on to the borrower, either by charging a one-time fee or by adding the cost to the principal amount of the borrower’s loan. Adding the premium to the principal amount of the loan will not make any further premium due. BIA will guarantee or insure the additional principal to the same extent as the original approved principal amount.

Subpart B—How a Lender Obtains a Loan Guaranty or Insurance Coverage

§ 103.9 Who applies to BIA under the Program?
The lender is responsible for determining whether it will require a BIA guaranty or insurance coverage, based upon the loan application it receives from an eligible borrower. If the lender requires a BIA guaranty or insurance coverage, the lender is responsible for completing and submitting a guaranty application or complying with a loan insurance agreement under the Program.

§ 103.10 What lenders are eligible under the Program?
(a) Except as specified in paragraph (b) of this section, a lender is eligible under the Program, and may be considered for BIA approval, if the lender is:
   (1) Regularly engaged in the business of making loans;
§ 103.12 How does a lender apply for a loan guaranty?

To apply for a loan guaranty, a BIA-approved lender must submit to BIA a loan guaranty application request form, together with each of the following:

(a) A written explanation from the lender indicating why it needs a BIA guaranty for the loan, and the minimum loan guarantee percentage it will accept;

(b) A copy of the borrower’s complete loan application;

(c) A description of the borrower’s equity in the business being financed;

(d) A copy of the lender’s independent credit analysis of the borrower’s business, repayment ability, and loan collateral (including insurance);

(e) An original report from a nationally-recognized credit bureau, dated within 90 days of the date of the lender’s loan guaranty application package, outlining the credit history of the borrower, and to the extent permitted by law, each co-maker or guarantor of the loan (if any);

(f) A copy of the lender’s loan commitment letter to the borrower, showing at a minimum the proposed loan

(2) Capable of evaluating and servicing loans in accordance with reasonable and prudent industry standards; and

(3) Otherwise reasonably acceptable to BIA.

(b) The following lenders are not qualified to issue loans under the Program:

(1) An agency or instrumentality of the Federal Government;

(2) A lender that borrows money from any Federal Government source, other than the Federal Reserve Bank System, for purposes of relending;

(3) A lender that does not include the interest on loans it makes in gross income, for purposes of chapter 1, title 26 of the United States Code; and

(4) A lender that does not keep any ownership interest in loans it originates.

§ 103.11 How does BIA approve lenders for the Program?

(a) BIA approves each lender by entering into a loan guaranty agreement and/or a loan insurance agreement with it. BIA may provide up to three different levels of approval for a lender making guaranteed loans, depending on factors such as:

(1) The number of loans the lender makes under the Program;

(2) The total principal balance of the lender’s Program loans;

(3) The number of years the lender has been involved with the Program;

(4) The relative benefits and opportunities the lender has given to Indian business efforts through the Program; and

(5) The lender’s historical compliance with Program requirements.

(b) BIA will consider a lender’s loan guaranty agreement and/or loan insurance agreement suspended as of:

(1) The effective date of a change in the lender’s corporate structure;

(2) The effective date of a merger between the lender and any other entity, when the lender is not the surviving entity; or

(3) The start of any legal proceeding in which substantially all of the lender’s assets may be subject to disposition through laws governing bankruptcy, insolvency, or receivership.

(c) A change in a lender’s name, without any other change specified under paragraph (b) of this section, will not cause a suspension of the lender’s loan guaranty agreement and/or loan insurance agreement. The lender should notify BIA of its name change as soon as possible.

(d) If a lender’s loan guaranty agreement and/or loan insurance agreement is suspended under paragraph (b) of this section, the lender, or its successor in interest, must enter into a new loan guaranty agreement and/or loan insurance agreement with BIA in order to secure any new BIA loan guaranties or insurance coverage.

(e) The suspension of a loan guaranty agreement and/or loan insurance agreement does not affect the validity of any guaranty certificate or insurance coverage in effect before the date of the suspension. Any such certificate or insurance coverage will remain governed by applicable terms of the suspended loan guaranty agreement and/or loan insurance agreement.
§ 103.13 How does a lender apply for loan insurance coverage?

BIA-approved lenders can make loans insured under the Program in two ways, depending on the size of the loan:

(a) For loans in an original principal amount of up to $100,000 per borrower, the lender can make each loan in accordance with the lender’s loan insurance agreement, without specific prior approval from BIA.

(b) For loans in an original principal amount of over $100,000, the lender must seek BIA’s specific prior approval in each case. The lender must submit a loan insurance coverage application request form, together with the same information required for a loan guaranty under §103.12, except for the information required by §103.12(a).

(c) The lender must submit a loan insurance application package even for a loan of less than $100,000 if:

(1) The total outstanding balance of all insured loans the lender is extending to the borrower under the Program exceeds $100,000; or
(2) the lender makes a request for interest subsidy, pursuant to §103.21.

§ 103.14 Can BIA request additional information?

BIA may require the lender to provide additional information, whenever BIA believes it needs the information to properly evaluate a new lender, guaranty application, or insurance application. After BIA issues a loan guaranty or insurance coverage, the lender must let BIA inspect the lender’s records at any reasonable time for information concerning the Program.

§ 103.15 Are there any prohibited loan terms?

A loan agreement guaranteed or insured under the Program may not contain:

(a) Charges by the lender styled as “points,” loan origination fees, or any similar fees (however named), except that if authorized in the loan agreement, the lender may charge the borrower a reasonable annual loan servicing fee that:

(1) Is not included as part of the loan principal; and

(2) Does not bear interest;

(b) Charges of any kind by the lender or by any third party except for the reasonable and customary cost of legal and architectural services, broker commissions, surveys, compliance inspections, title inspection and/or insurance, lien searches, appraisals, recording costs, premiums for required hazard, liability, key man life, and other kinds of insurance, and such other charges as BIA may approve in writing;

(c) A loan repayment term of over 30 years;

(d) Payments scheduled less frequently than annually;

(e) A prepayment penalty, unless the terms of the penalty are clearly specified in BIA’s loan guaranty or loan insurance conditions;

(f) An interest rate greater than what BIA considers reasonable, taking into account the range of rates prevailing in the private market for similar loans;

(g) A variable interest rate, unless the rate is tied to a specific prime rate
§ 103.16 How does BIA approve or reject a loan guaranty or insurance application?

(a) BIA reviews each guaranty or insurance application, and may evaluate each loan application independently from the lender. BIA bases its loan guaranty or insurance decisions on many factors, including compliance with this part, and whether there is a reasonable prospect of loan repayment from business cash flow, or if necessary, from liquidating loan collateral. Lenders are expected to obtain a first lien security interest in enough collateral to reasonably secure repayment of each loan guaranteed or insured under the Program, to the extent that collateral is available.

(b) BIA approves applications by issuing an approval letter, followed by the procedures in §103.18. If the guaranty or insurance application is incomplete, BIA may return the application to the lender, or hold the application while the lender submits the missing information. If BIA denies the application, it will provide the lender with a written explanation, with a copy to the borrower.

§ 103.17 Must the lender follow any special procedures to close the loan?

(a) BIA officials or their representatives may attend the closing of any loan or loan modification that BIA agrees to guarantee or insure. For guaranteed loans, and insured loans that BIA must individually review under this part, the lender must give BIA notice of the date of closing at least 5 business days before closing occurs.

(b) At or prior to closing, the lender must obtain appropriate, satisfactory title and lien searches for each asset to be used as loan collateral.

(c) At or prior to closing, the lender must obtain recent appraisals for all real property and improvements to be used as collateral for the loan, to the extent required by law.

(d) At or prior to closing, the lender must document that the lender and borrower have complied with all applicable Federal, State, local, and tribal laws implicated by financing the borrower’s business, for example by securing:

(1) Copies of all permits and licenses required to operate the borrower’s business;

(2) Environmental studies required for construction and/or business operations under NEPA and other environmental laws;

(3) Archeological or historical studies required by law; and

(4) Certification by a registered surveyor or appropriate BIA official indicating that the proposed business will not be located in a special flood hazard area, as defined by applicable law.

(e) The lender must supply BIA with copies of all final, signed loan closing documents within 30 days following closing. To the extent applicable, loan closing documents must include the following:

(1) Promissory notes;

(2) Security agreements, including pledge and similar agreements, and related financing statements (together
with BIA’s written approval of any assignment of specific tribal trust assets under §103.16(l), or of any security interest in an individual Indian money account;

(3) Mortgage instruments or deeds of trust (together with BIA’s written approval, if required by 25 U.S.C. 483a, or if the mortgage is of a leasehold interest in tribal trust property);

(4) Guarantees (other than from BIA);

(5) Construction contracts, and plans and specifications;

(6) Leases related to the business (together with BIA’s written approval, if required under 25 CFR part 162);

(7) Attorney opinion letters;

(8) Resolutions made by a Tribe or business entity;

(9) Waivers or partial waivers of sovereign immunity; and

(10) Similar instruments designed to document the loan, establish the basis for a security interest in loan collateral, and comply with applicable law.

(f) Unless BIA indicates otherwise in writing, the lender must close a guaranteed or insured loan within 90 days of any approval provided under §103.16.

§ 103.18 How does BIA issue a loan guaranty or confirm loan insurance?

(a) A loan is guaranteed under the Program when all of the following occur:

(1) BIA issues a signed loan guaranty certificate bearing a series number, an authorized signature, a guaranty percentage rate, the lender’s name, the borrower’s name, the original principal amount of the loan, and such other terms and conditions as BIA may require;

(2) The loan closes and funds;

(3) The lender pays BIA the applicable loan guaranty premium; and

(4) The lender meets all of the conditions listed in the loan guaranty certificate.

(b) A loan is insured under the Program when all of the following occur:

(1) The loan’s purpose and terms meet the requirements of the Program and the lender’s loan insurance agreement with BIA;

(2) The loan closes and funds;

(3) The lender notifies BIA of the borrower’s identity and organizational structure, the amount of the loan, the interest rate, the payment schedule, and the date on which the loan closing and funding occurred;

(4) The lender pays BIA the applicable loan insurance premium;

(5) If over $100,000 or if the loan requires interest subsidy, BIA approves the loan in writing; and

(6) If over $100,000 or if the loan requires interest subsidy, the lender meets all of the conditions listed in BIA’s written loan approval.

§ 103.19 When must the lender pay BIA the loan guaranty or insurance premium?

The premium is due within 30 calendar days of the loan closing. If not paid on time, BIA will send the lender written notice by certified mail (return receipt requested), or by a nationally-recognized overnight delivery service (signature of recipient required), stating that the premium is due immediately. If the lender fails to make the premium payment within 30 calendar days of the date of BIA’s notice, BIA’s guaranty certificate or insurance coverage with respect to that particular loan is void, without further action.

Subpart C—Interest Subsidy

§ 103.20 What is interest subsidy?

Interest subsidy is a payment BIA makes for the benefit of the borrower, to reimburse part of the interest payments the borrower has made on a loan guaranteed or insured under the Program. It is available to borrowers whose projected or historical earnings before interest and taxes, after adjustment for extraordinary items, is less than the industry norm.

§ 103.21 Who applies for interest subsidy payments, and what is the application procedure?

(a) An eligible lender must request interest subsidy payments on behalf of an eligible borrower, after determining that the borrower qualifies. Typically, the lender should include a request for interest subsidy at the time it applies for a guaranty or insurance coverage under the Program. A request for interest subsidy must be supported by the information required in §§103.12 and
103.13 (relating to loan guaranty and insurance coverage applications). BIA approves, returns, or rejects interest subsidy requests in the same manner indicated in §103.16, based on the factors in §103.20 and BIA’s available resources.

(b) BIA’s approval of interest subsidy for an insured loan may provide for specific limitations on the manner in which the lender and borrower can modify the loan.

§103.22 How does BIA determine the amount of interest subsidy?

Interest subsidy payments should equal the difference between the lender’s rate of interest and the rate determined by the Secretary of the Treasury in accordance with 25 U.S.C. 1464. BIA will fix the amount of interest subsidy as of the date it approves the interest subsidy request.

§103.23 How does BIA make interest subsidy payments?

The lender must send BIA reports at least quarterly on the borrower’s loan payment history, together with a calculation of the interest subsidy then due. The lender’s reports and calculation do not have to be in any specific format, but in addition to the calculation the reports must contain at least the information required by §103.33(a). Based on the lender’s reports and calculation, BIA will send interest subsidy payments to the borrower in care of the lender. The payments belong to the borrower, but the borrower and lender may agree in advance on how the borrower will use interest subsidy payments. BIA may verify and correct interest subsidy calculations and payments at any time.

§103.24 How long will BIA make interest subsidy payments?

(a) BIA will issue interest subsidy payments for the term of the loan, up to 3 years. If interest subsidy payments still are justified, the lender may apply for up to two 1-year extensions of this initial term. BIA will make interest subsidy payments on a single loan for no more than 5 years.

(b) BIA will choose the date from which it calculates interest subsidy years, usually the date the lender first extends the loan funds. Interest subsidy payments will apply to all loan payments made in the calendar years following that date.

(c) Interest subsidy payments will not be due for any loan payment made after the corresponding loan guaranty or insurance coverage stops under the Program, regardless of the circumstances.

Subpart D—Provisions Relating to Borrowers

§103.25 What kind of borrower is eligible under the Program?

(a) A borrower is eligible for a BIA-guaranteed or insured loan if the borrower is:

(1) An Indian individual;

(2) An Indian-owned business entity organized under Federal, State, or tribal law, with an organizational structure reasonably acceptable to BIA;

(3) A tribe; or

(4) A business enterprise established and recognized by a tribe.

(b) To be eligible for a BIA-guaranteed or insured loan, a business entity or tribal enterprise must be at least 51 percent owned by Indians. If at any time a business entity or tribal enterprise becomes less than 51 percent Indian owned, the lender either may declare a default as of the date the borrower stopped being at least 51 percent Indian owned and exercise its remedies under this part, or else continue to extend the loan to the borrower and allow BIA’s guaranty or insurance coverage to become invalid.

§103.26 What must the borrower supply the lender in its loan application?

The lender may use any form of loan application it chooses. However, the borrower must supply the lender the information listed in this section in order for BIA to process a guaranty or insurance coverage application:

(a) The borrower’s precise legal name, address, and tax identification number or social security number;

(b) Proof of the borrower’s eligibility under the Program;
§ 103.27 Can the borrower get help preparing its loan application or putting its loan funds to use?

A borrower may seek BIA’s assistance when preparing a loan application or when planning business operations, including assistance identifying and complying with applicable laws as indicated by §103.17(d). The borrower should contact the BIA field or agency office serving the area in which the borrower’s business is to be located or if there is no separate field or agency office serving the area, then the borrower should contact the BIA regional office serving the area.

Subpart E—Loan Transfers

§ 103.28 What if the lender transfers part of the loan to another person?

(a) A lender may transfer one or more interests in a guaranteed loan to another person or persons, as long as the parties have in place an agreement that designates one person to perform all of the duties required of the lender under the Program and the loan guaranty certificate. Starting on the date of the transfer, only the person designated to perform the duties of the lender will be entitled to exercise the rights conferred by BIA’s loan guaranty certificate, and will from that point forward be considered the lender for purposes of the Program. A lender under the Program must both service the guaranteed loan and own at least a 10 percent interest in the guaranteed loan. BIA will not consider more than one person at any given time to be the lender with respect to any loan guaranty certificate. If the person designated to perform the duties of the lender in an agreement among loan participants is not the original lender, then the provisions of §103.29(a) will apply (relating to sale or assignment of guaranteed loans), and the person designated to perform the duties of the lender must give BIA notice of its interest in the loan. Failure to provide notice in accordance with §103.29(a) will void BIA’s loan guaranty certificate, without further action.
§ 103.30 What standard of care must a lender meet?

Lenders must service all loans guaranteed or insured under the Program in a commercially reasonable manner, in accordance with standards and procedures adopted by prudent lenders in the BIA region in which the borrower’s business is located, and in accordance with this part. If the lender fails to follow any of these standards, BIA may reduce or eliminate entirely the amount payable under its guaranty or insurance coverage to the extent BIA can reasonably attribute the loss to the lender’s failure. BIA also may deny payment completely if the lender gets a loan guaranty or insurance coverage through fraud, or negligently allows a borrower’s fraudulent loan application or use of loan funds to go undetected. In particular, and without limitation, lenders must:

(a) Check and verify information contained in the borrower’s loan application, such as the borrower’s eligibility, the authority of persons acting on behalf of the borrower, and the title status of any proposed collateral;

(b) Take reasonable precautions to assure that loan proceeds are used as specified in BIA’s guaranty certificate or written insurance approval, or if not so specified, then in descending order of importance:

(1) BIA’s written loan guaranty approval;

(2) The loan documents;

(3) The terms of the lender’s final loan commitment to the borrower; or

(4) The borrower’s loan application;

(c) When feasible, require the borrower to use automatic bank account debiting to make loan payments;

(d) Require the borrower to take title to real and personal property purchased with loan proceeds in the borrower’s own name, except for real property to be held in trust by the United States for the benefit of a borrower that is a tribe;

(e) Promptly record all security interests and subsequently keep them in effect. Lenders must record all mortgages and other security interests in accordance with State and local law, including the laws of any tribe that may have jurisdiction. Lenders also must record any leasehold mortgages or assignments of income involving individual Indian or tribal trust land with the BIA office having responsibility for maintaining records on that trust land;

(f) Assure, to the extent reasonably practicable, that the borrower and any guarantor of the loan (other than BIA) keep current on all taxes levied on real...
§ 103.31 What loan servicing requirements apply to BIA?

Once a lender extends a loan that is guaranteed or insured under the Program, BIA has no responsibility for decisions concerning it, except for:

(a) Any approvals required under this part;

(b) Any decisions reserved to BIA under conditions of BIA’s guaranty certificate or insurance coverage; and

(c) Decisions concerning a loan that the lender has assigned to BIA or to which BIA is subrogated by virtue of paying a claim based on a guaranty certificate or insurance coverage.

§ 103.32 What sort of loan documentation does BIA expect the lender to maintain?

For every loan guaranteed or insured under the Program, the lender must maintain:

(a) BIA’s original loan guaranty certificate or insurance coverage approval letter, if applicable;

(b) Original signed and/or certified counterparts of all final loan documents, including those listed in §103.17 (concerning documents required for loan closing), all renewals, modifications, and additions to those documents, and signed settlement statements;

(c) Originals or copies, as appropriate, of all documents gathered by the lender under §§103.12, 103.13 and 103.26 (concerning information submitted by the borrower in its loan application, and information supplied to BIA in the lender’s loan guaranty or insurance coverage application);

(d) Originals or copies, as appropriate, of all applicable insurance binders or certificates, including without limitation hazard, liability, key man life, and title insurance;

(e) A complete and current history of all loan transactions, including dated disbursements, payments, adjustments, and notes describing all contacts with the borrower;

(f) Originals or copies, as appropriate, of all correspondence with the borrower, including default notices and evidence of receipt;

(g) Originals or copies, as appropriate, of all correspondence, notices, news items or other information concerning the borrower, whether gathered by the lender or furnished to it, containing material information about the borrower and its business operations;

(h) Originals or copies, as appropriate, of all advertisements, notices, title instruments, accountings, and
other documentation of efforts to liquidate loan collateral; and
(i) Originals or copies, as appropriate, of all notices, pleadings, motions, orders, and other documents associated with any legal proceeding involving the lender and the borrower or its assets, including without limitation judicial or non-judicial foreclosure proceedings, suits to collect payment, bankruptcy proceedings, probate proceedings, and any settlement associated with threatened or actual litigation.

§ 103.33 Are there reporting requirements?
(a) The lender must periodically report the borrower's loan payment history so that BIA can recalculate the government's contingent liability. Loan payment history reports must be quarterly unless BIA provides otherwise for a particular loan. These reports can be in any format the lender desires, as long as they contain:
   (1) The lender's name;
   (2) The borrower's name;
   (3) A reference to BIA's Loan Guaranty Certificate or Loan Insurance Agreement number;
   (4) The lender's internal loan number; and
   (5) The date and amount of all loan balance activity for the reporting period.

(b) If applicable, the lender must supply a calculation of any interest subsidy payments that are due, as indicated in §103.23.

(c) If there is a transfer of any or all of the lender's ownership interest in the loan, the party receiving the ownership interest may be required to notify BIA, as indicated in §§103.28 and 103.29.

(d) If there is a default on the loan, the lender must notify BIA, as indicated in §§103.35 and 103.36.

(e) If the borrower ceases to qualify for a BIA-guaranteed or insured loan under §103.25(b), the lender must promptly notify BIA even if the lender does not pursue default remedies under §§103.35 and 103.36. This notice allows BIA to eliminate the guaranty or insurance coverage from its active recordkeeping system.

(f) If the loan is prepaid in full, the lender must promptly notify BIA in writing so that BIA can eliminate the guaranty or insurance coverage from its active recordkeeping system.

(g) If a lender changes its name, it should notify BIA in accordance with §103.11(c).

§ 103.34 What if the lender and borrower decide to change the terms of the loan?
(a) The lender must obtain written BIA approval before modifying a loan guaranteed or insured under the Program, if the change will:
   (1) Increase the borrower's outstanding principal amount (if a term loan), or maximum available credit (if a revolving loan).

   (i) BIA will approve or disapprove a loan increase based upon the lender's explanation of the borrower's need for additional funding, and updated information of the sort required under §§103.12, 103.13, and 103.26, as applicable.

   (ii) Upon approval by BIA and payment of an additional guaranty or insurance premium in accordance with §§103.8 and 103.19 and this section, the entire outstanding loan amount, as modified, will be guaranteed or insured (as the case may be) to the extent BIA specifies. The lender must pay the additional premium only on the increase in the outstanding principal amount of the loan (if a term loan) or the increase in the credit limit available to the borrower (if a revolving loan).

   (iii) Lenders may not increase the outstanding principal amount of a loan guaranteed or insured under the Program if a significant purpose of doing so would be to allow the borrower to pay accrued loan interest it otherwise would have difficulty paying.

   (2) Permanently adjust the loan repayment schedule.

   (3) Increase a fixed interest rate, convert a fixed interest rate to an adjustable interest rate, or convert an adjustable interest rate to a fixed interest rate.

   (4) Allow any changes in the identity or organizational structure of the borrower.

   (5) Allow any material change in the use of loan proceeds or the nature of the borrower's business.

   (6) Release any collateral taken as security for the loan, except items sold
in the ordinary course of business and promptly replaced by similar items of collateral, such as inventory.

(7) Allow the borrower to move any significant portion of its business operations to a location that is not on or near an Indian reservation or tribal service area recognized by BIA.

(8) Be likely to materially increase the risk of a claim on BIA’s guaranty or insurance coverage, or materially reduce the aggregate value of the collateral securing the loan.

(9) Cure a default for which BIA is to receive notice under §103.35(b).

(b) In the case of an insured loan, the amount of which will not exceed $100,000 when combined with all other insured loans from the lender to the borrower, the lender need not obtain BIA’s prior approval to make any of the loan modifications indicated in §103.34(a), except as provided in §103.21(b). However, all loan modifications must remain consistent with the lender’s loan insurance agreement with BIA, and in the event of an increase in the borrower’s outstanding principal amount (if a term loan), or maximum available credit (if a revolving loan), the lender must send BIA an additional premium payment in accordance with §§103.8, 103.19 and this section. The lender must pay the additional premium only on the increase in the outstanding principal amount of the loan (if a term loan) or the increase in the credit limit available to the borrower (if a revolving loan). To the extent a loan modification changes any of the information supplied to BIA under §103.18(b)(3), the lender also must promptly notify BIA of the new information.

(c) Subject to any applicable BIA loan guaranty or insurance coverage conditions, a lender may extend additional loans to a borrower without BIA approval, if the additional loans are not to be guaranteed or insured under the Program.

Subpart G—Default and Payment by BIA

§ 103.35 What must the lender do if the borrower defaults on the loan?

(a) The lender must send written notice of the default to the borrower, and otherwise meet the standard of care established for the lender in this part. The lender’s notice to the borrower should be sent as soon as possible after the default, but in any event before the lender’s notice to BIA under paragraph (b) of this section. For purposes of the Program, “default” will mean a default as defined in this part.

(b) The lender also must send written notice of the default to BIA by certified mail (return receipt requested), or by a nationally-recognized overnight delivery service (signature of recipient required) within 60 calendar days of the default, unless the default is fully cured before that deadline. This notice is required even if the lender grants the borrower a forbearance under §103.36(a). One purpose of the notice is to give BIA the opportunity to intervene and seek assistance for the borrower, even though BIA has no duty, either to the lender or the borrower, to do so. Another purpose of the notice is to permit BIA to plan for a possible loss claim from the lender, under §103.36(d). The lender’s notice must clearly indicate:

1. The identity of the borrower;
2. The applicable Program guaranty certificate or insurance agreement number;
3. The date and nature of all bases for default;
4. If a monetary default, the amount of past due principal and interest, the date through which interest has been calculated, and the amount of any late fees, precautionary advances, or other amounts the lender claims;
5. The nature and outcome of any correspondence or other contacts with the borrower concerning the default; and
6. The precise nature of any action the borrower could take to cure the default.

§ 103.36 What options and remedies does the lender have if the borrower defaults on the loan?

(a) The lender may grant the borrower a temporary forbearance, even beyond any default cure periods specified in the loan documents, if doing so
§ 103.36

is likely to result in the borrower curing the default. However, BIA must approve in writing any forbearance or other agreement that:

(1) Permanently modifies the terms of the loan in any manner indicated by §103.34(a);

(2) Would allow the borrower’s default to extend beyond the deadline established in §103.36(d) for the lender to elect a remedy; or

(3) Is not likely to result in the borrower curing the default.

(b) The lender may make precautionary advances on the borrower’s behalf during the default, if doing so is reasonably necessary to ensure that loan recovery prospects do not significantly deteriorate. Items for which the lender may make precautionary advances include, for example:

(1) Hazard, liability, or key man life insurance premiums;

(2) Security measures to safeguard abandoned business assets;

(3) Real or personal property taxes;

(4) Corrective actions required by court or administrative orders; or

(5) Essential maintenance.

(c) BIA will guaranty or insure the amount of precautionary advances from the date of each advance to the same extent as other amounts due under the loan, if:

(1) The borrower has demonstrated its inability or unwillingness to make the payment or perform the duty that jeopardizes loan recovery, including by undue delay in making the payment or performing the duty;

(2) The total expense of all precautionary advances by the lender does not at the time of the advance exceed 10 percent of the outstanding principal balance of the loan;

(3) Where loan document provisions do not require the borrower to repay precautionary advances (however termed) when made by the lender, or where the total expense of all precautionary advances by the lender will exceed 10 percent of the outstanding principal balance of the loan when made, the lender secures BIA’s prior written approval; and

(4) The lender properly claims and documents all precautionary advances, if and when it submits a claim for loss under §103.37.

(d) If the default remains uncured, the lender must send BIA a written notice by certified mail (return receipt requested), or by a nationally-recognized overnight delivery service (signature of recipient required) within 90 calendar days of the default to select one of the following remedies:

(1) In the case of a guaranteed loan, the lender may submit a claim to BIA for its loss;

(2) In the case of either a guaranteed or insured loan, the lender may liquidate all collateral securing the loan, and upon completion, if it has a residual loss on the loan, it may submit a claim to BIA for that loss; or

(3) The lender may negotiate a loan modification agreement with the borrower to permanently change the terms of the loan in a manner that will cure the default. If the lender chooses this remedy, it may take no longer than 45 calendar days from the date BIA receives the notice of remedy selection to finalize a loan modification agreement and secure BIA’s written approval of it, unless BIA specifically extends this deadline in writing. However, the lender may at any time before the expiration of the 45-day period (or any extension thereof) change its choice of remedy by sending BIA a notice otherwise complying with §103.36(d)(1) or (2). If the lender fails to send BIA a notice changing its choice of remedy and does not finalize an approved loan modification agreement within the 45-day period (or any extension thereof), the lender’s only permissible remedy under the Program will be to pursue the procedure specified in §103.36(d)(2).

(e) Failure by the lender to provide BIA with notice of the lender’s election of remedy within 90 calendar days of the default, as indicated in §103.36(d), will invalidate BIA’s loan guaranty certificate or insurance coverage for that particular loan, absent an express waiver of this provision by BIA. BIA may preserve the validity of a loan guaranty certificate or insurance coverage through waiver of this provision only when BIA determines, in its discretion, that:

(1) The lender consistently has acted in good faith, and
§ 103.37 What must the lender do to collect payment under its loan guaranty certificate or loan insurance coverage?

(a) For guaranteed loans, the lender must submit a claim for its loss on a form approved by BIA.

(1) If the lender makes an immediate claim under §103.36(d)(1), it must send BIA the claim for loss within 90 calendar days of the default by certified mail (return receipt requested), or by a nationally-recognized overnight delivery service (signature of recipient required). The lender’s claim for loss may include interest that has accrued on the outstanding principal amount of the loan only through the date it submits the claim.

(2) If the lender elects first to liquidate the collateral securing the loan under §103.36(d)(2), and has a residual loss after doing so, it must send BIA the claim for loss within 30 calendar days of completing all liquidation efforts. The lender must perform collateral liquidation as expeditiously and thoroughly as is reasonably possible, within the standards established by this part. The lender’s claim for loss may include interest that has accrued on the outstanding principal amount of the loan only through the earlier of:

(i) The date it submits the claim;
(ii) The date the lender gets a judgment of foreclosure or sale (or the non-judicial equivalent) on the principal collateral securing the loan; or
(iii) One hundred eighty calendar days after the date of the default.

(b) For insured loans, after liquidating all loan collateral, the lender must submit a claim for its loss (if any) on a form approved by BIA. The lender must perform collateral liquidation as expeditiously and thoroughly as is reasonably possible, within the standards established by this part. The lender’s claim for loss may include interest that has accrued on the outstanding principal amount of the loan through the earlier of:

(1) The date it submits the claim;
(2) The date the lender gets a judgment of foreclosure or sale (or the non-judicial equivalent) on the principal collateral securing the loan; or
(3) One hundred eighty calendar days after the date of the default.

(c) Whenever the lender liquidates loan collateral under §103.36(d)(2), it must vigorously pursue all reasonable methods of collection concerning the loan collateral before submitting a claim for its residual loss (if any) to BIA. Without limiting the generality of the preceding sentence, the lender must:

(1) Foreclose, either judicially or non-judicially, all rights of redemption the borrower or any co-maker or guarantor of the loan (other than BIA) may have in collateral under any mortgage securing the loan;
(2) Gather and dispose of all personal property pledged as collateral under the loan, in accordance with applicable law;
(3) Exercise all set-off rights the lender may have under contract or applicable law;
(4) Make demand for payment on the borrower, all co-makers, and all guarantors of the loan (other than BIA); and
(5) Participate fully in all bankruptcy proceedings that may arise involving the borrower and any co-maker or guarantor of the loan. Full participation might include, for example, filing a proof of claim in the case, attending creditors’ meetings, and seeking a court order releasing the automatic stay of collection efforts so that the lender can liquidate affected loan collateral.

(d) BIA may require further information, including without limitation copies of any documents the lender is to maintain under §103.32 and all documentation of liquidation efforts, to help BIA evaluate the lender’s claim for loss.
§ 103.42 How long must a lender comply with Program requirements?

(a) A lender must comply in general with Program requirements during:

(1) The effective period of its loan guaranty agreement or loan insurance agreement; and

(2) Whatever additional period is necessary to resolve any outstanding loan guaranty or insurance claims or coverage the lender may have.

(b) Except as otherwise required by law, a lender must maintain records with respect to a particular loan for 6 years after either:

(1) The loan is repaid in full; or

(2) The lender accepts payment from BIA for a loss on the loan, pursuant to

§ 103.40 Will BIA make exceptions to its criteria for denying payment?

(a) BIA will not reduce or deny payment solely on the basis of §§103.39(c) or (e) when the lender making the claim for loss:

(1) Is a person to whom a previous lender transferred the loan under §§103.28 or 103.29 before maturity for value;

(2) Notified BIA of its acquisition of the loan interest as required by §§103.28 or 103.29;

(3) Had no involvement in or knowledge of the actions or circumstances that would have allowed BIA to reduce or deny payment to a previous lender; and

(4) Has not itself violated the standards set forth in §§103.39(c) or (e).

(b) If BIA makes payment to a lender under this section, it may seek reimbursement from the previous lender or lenders who contributed to the loss by violating §§103.39(c) or (e).

§ 103.39 When will BIA refuse to pay all or part of a lender’s claim?

BIA may deny all or part of a lender’s claim for loss when:

(a) The loan is not guaranteed or insured as indicated in §103.38;

(b) The guarantee or insurance coverage has become invalid under §§103.28, 103.29, or 103.36(e);

(c) The lender has not met the standard of care indicated in §103.30;

(d) The lender presents a claim for a residual loss after attempting to liquidate loan collateral, and:

(1) The lender has not made a reasonable effort to liquidate all security for the loan;

(2) The lender has taken an unreasonable amount of time to complete its liquidation efforts, the probable consequence of which has been to reduce overall prospects of loss recovery; or

(3) The lender’s loss claim is inflated by unreasonable liquidation expenses or unjustifiable deductions from collateral liquidation proceeds applied to the loan balance; or

(e) The lender has otherwise failed in any material respect to follow the requirements of this part, and BIA can reasonably attribute some or all of the lender’s loss to that failure.

§ 103.38 Is there anything else for BIA or the lender to do after BIA makes payment?

When BIA pays the lender on its claim for loss, the lender must sign and deliver to BIA an assignment of rights to its loan agreement with the borrower, in a document acceptable to BIA. Immediately upon payment, BIA is subrogated to all rights of the lender under the loan agreement with the borrower, and must pursue collection efforts against the borrower and any cosigner and guarantor, as required by law.

§ 103.37 When will BIA refuse to pay all or part of a lender’s claim?

BIA may deny all or part of a lender’s claim for loss when:

(a) The loan is not guaranteed or insured as indicated in §103.38;

(b) The guarantee or insurance coverage has become invalid under §§103.28, 103.29, or 103.36(e);

(c) The lender has not met the standard of care indicated in §103.30;

(d) The lender presents a claim for a residual loss after attempting to liquidate loan collateral, and:

(1) The lender has not made a reasonable effort to liquidate all security for the loan;

(2) The lender has taken an unreasonable amount of time to complete its liquidation efforts, the probable consequence of which has been to reduce overall prospects of loss recovery; or

(3) The lender’s loss claim is inflated by unreasonable liquidation expenses or unjustifiable deductions from collateral liquidation proceeds applied to the loan balance; or

(e) The lender has otherwise failed in any material respect to follow the requirements of this part, and BIA can reasonably attribute some or all of the lender’s loss to that failure.
§ 103.43 What must the lender do after repayment in full?
The lender must completely and promptly release of record all remaining collateral for a guaranteed or insured loan after the loan has been paid in full. The release must be at the lender’s sole cost. In addition, if the loan is prepaid the lender must notify BIA in accordance with §103.33(f).

§ 103.45 Information collection.

(a) The information collection requirements of §§103.11, 103.12, 103.13, 103.14, 103.17, 103.21, 103.23, 103.26, 103.32, 103.33, 103.34, 103.35, 103.36, 103.37, and 103.38 have been approved by the Office of Management and Budget under 44 U.S.C. 3501 et seq., and assigned approval number 1076–0020. 112.7 Pro rata shares of minors.

Cross Reference: For regulations pertaining to the determination of heirs and approval of wills, see part 15 and subpart G of part 11 of this chapter.

§ 112.1 Fee simple patentees.

When the applicant has been granted a patent in fee or certificate of competency, that fact will be accepted as prima facie evidence of his competency, but in forwarding applications of this class the agent will give the date on which the patent was issued, report whether in his judgment the patentee has made proper use of his privileges and would make good use of his share of the tribal funds if paid to him, and make a specific recommendation for approval or disapproval of the application.

§ 112.2 Applicants who have received neither fee simple patents nor certificates of competency.

In the case of an applicant who has received neither a fee simple patent nor a certificate of competency, the application must be accompanied by evidence which will establish the fact that he is capable of managing his own affairs. In forwarding applications of this class the superintendent will report fully, as follows:

(a) Is the applicant living on this allotment? If so, is he making reasonable efforts to cultivate his land and to support himself and family? If he is not living on his allotment, what is his occupation?

(b) Is any part of his allotment leased? If so, to what extent does he depend upon the rent therefrom to support himself and family?

(c) Has the applicant been given the privilege of leasing his own lands; and if so, with what result?

(d) Has he an interest in any inherited land? If he has sold or leased any inherited land, how has he managed the proceeds?

(e) Is the applicant of good moral character?

(f) Is he addicted to the use of intoxicants? And if so, does this habit, in the judgment of the agent, unfit him to make proper use of his share of the tribal funds?

(g) What is his physical condition?

(h) Is the applicant in debt? If so, to what extent and for what purpose was the debt incurred?

(i) Has the applicant the necessary business qualifications to enable him to manage his own affairs?

(j) Give such other information concerning the applicant as will aid the office in determining whether or not to approve his application.
§112.7 Pro rata shares of minors.

The shares of minors will not be withdrawn except when necessary for their own benefit. The application should be signed by the parent or guardian and transmitted to the Bureau by the superintendent with his recommendation as in other cases and a full explanation of the circumstances which justify the withdrawal. Such shares will be deposited to the credit of the minors subject to expenditure at any time, but in view of the Secretary’s decision such applications should be forwarded to the Bureau by the superintendent as soon as they are completed and filed with him. Applications from those who are blind, decrepit, etc., must be made special and forwarded to the Bureau of Indian Affairs, Washington, D.C., as soon as possible.

§112.5 Basis of distribution; pro rata shares.

In estimating the pro rata share of an individual, the last annuity payroll prior to July 1, or January 1 of each year will be taken as a basis of distribution. Where no payment has been made within 1 year, the last census, if taken within the year, will be the basis. If no census has been taken or payment made within a year, the last available record—either census or annuity roll will be used.

§112.6 Disposition of pro rata share in event of applicant’s death.

In the event of the death of an applicant prior to the approval of his application by the Secretary of the Interior, the share to which he would have been entitled, if living, will revert to the tribe. In case of the death of an applicant after approval of his application and the signing by the Secretary of the Interior of an order for the segregation of his share, but before payment is made, his share will descend to his legal heirs and should be deposited to the credit of the estate pending formal determination thereof.

CROSS REFERENCE: For regulations pertaining to the determinations of heirs and approval of wills, see part 15 and §§11.30 through 11.32C of this chapter.

§112.4 Interest in pro rata shares not vested rights unless application approved.

On November 6, 1908, the Secretary of the Interior decided, in effect, that the interest of an Indian in a pro rata share of a tribal fund does not vest in the Indian an inheritable property until after his application has been approved by the Secretary and an order signed by him segregating it from the tribal fund. Applications for shares of funds under this act may be made at any time, but in view of the Secretary’s decision such applications should be forwarded to the Bureau by the superintendent as soon as they are completed and filed with him. Applications from those who are blind, decrepit, etc., must be made special and forwarded to the Bureau of Indian Affairs, Washington, D.C., as soon as possible.

A tribal account is opened when OTFM receives income from the sources described in §115.702.

§ 115.801 How often will a tribe receive information about its trust account(s)?

The OTFM is required to provide each tribe with a statement of performance quarterly, within or no later than 20 business days after the close of every quarterly statement period.

§ 115.802 May a tribe make a request to OTFM to receive information about its trust account more frequently?

Yes, a tribe may contact OTFM at any time to:
(a) Request information about account transactions and balances;
(b) Make arrangements to access account information electronically; or
(c) Receive a monthly statement.

§ 115.803 What information will be provided in a statement of performance?

The statement of performance will identify the source, type, and status of the trust funds deposited and held in a trust account; the beginning balance; the gains and losses; receipts and disbursements; and the ending account balance of the quarterly statement period.

§ 115.804 Will we account to a tribe for those trust funds the tribe receives through direct pay?

No, under the Trust Reform Act we are only responsible for accounting for those trust funds received into, and maintained by, the Department’s trust funds management system.

§ 115.805 If a tribe is paid directly under a contract for the sale or use of trust assets, will we accept those trust funds for deposit into a tribal trust account?

If a contract for the sale or use of trust assets specifies that payments are to be made directly to a tribe, we will not accept these trust funds into a tribal trust account. Where a tribe under 25 U.S.C. 450f et seq. has contracted or compacted with the federal government to operate a federal program and the tribe, operating the federal program on behalf of the Secretary, receives trust funds for the sale or use of trust assets pursuant to a contract that specifies that payments are to be made to the Secretary on behalf of a tribe or an individual [the owner of the trust assets], the tribe must follow §115.708 for the deposit of the trust funds into the trust account.

Investing and Managing Tribal Trust Funds

§ 115.807 Will OTFM consult with tribes about investments of tribal trust funds?

Upon the request of a tribe, OTFM will consult with the tribe annually to develop investment strategies to accommodate the cash flow needs of the tribe.

§ 115.808 Could trust fund investments made by OTFM lose money?

(a) Current interest rates;
(b) Whether the security/investment is held to its maturity; and
(c) Original purchase price.

However, as long as the purchase price of the security/investment is

§ 115.813 Is there a limit to the amount of trust funds OTFM will disburse from a tribal trust account?

OTFM will only disburse the available balance of the trust funds in a tribal trust account in accordance with a use and distribution plan, if applicable, and will not overdraw a tribal trust account. If a tribe’s trust funds are invested in securities that have not matured, OTFM will only sell the asset to make cash available to the tribe if:

§ 115.901 When will the trust funds in a special deposit account be credited or paid out to the owner of the funds?

OTFM will disburse the trust funds from a special deposit account and deposit the trust funds in the owner's trust account following the BIA certification of the ownership of the funds and OTFM's receipt of such certification.

§ 115.902 May administrative or land conveyance fees paid as federal reimbursements be deposited in a special deposit account?

No, administrative or land conveyance fees paid as federal reimbursements may not be deposited with OTFM, which includes special deposit accounts. These fees must be deposited in the Federal Financial System.

In the formulation of the trust agreement and the provisions thereof the superintendent for the Five Civilized Tribes Agency and the other employees under his supervision will upon request assist the Indian to the fullest possible extent to the end that he may understand fully the meaning and the intent of the agreement and make the most satisfactory provision for the formation and consummation of the trust agreement.

§ 116.7 Trust duration.

Under the terms of the statute no trust shall be established to continue for a period of more than 21 years after the death of the last surviving beneficiary named in the trust agreement.

§ 116.8 Trustee’s security.

To secure the faithful performance of the duties imposed by the trust agreement the trustee shall, as required by section 7 of the act (47 Stat. 778), deposit securities of the United States or furnish an acceptable corporate surety bond in an amount equal to the value of the trust as fixed and determined by the Secretary of the Interior. Appraisers will be appointed by the Secretary for the purpose of fixing the value of the trust and of revising such value from time to time as the judgment of the Secretary may dictate. Additional or substitute security may be required at any time when deemed necessary for the protection of the trust estate and the interest of the Indians. Trustees pledging United States bonds or notes as security shall execute on forms prescribed by the Secretary an appropriate resolution and power of attorney authorizing the sale, assignment or transfer of the collateral. Only those corporate sureties who hold certificates of authority from the Secretary of the Treasury to write bonds on which the United States is obligee are acceptable as sureties. The cost to the trustee, if any, of furnishing the required bond, will be regarded as a necessary part of the cost of administering the trust and as such deductible from the gross income accruing therefrom.

§ 116.9 Trustee’s compensation.

As compensation for administering the trust the trustee will be permitted to receive annually not to exceed 5 percent of the gross annual income from such trust estate, and as further compensation will also be permitted to receive not to exceed an amount equal to 1 percent of the corpus of the trust estate, to be paid out of the income first accruing therefrom, and not to exceed an amount equal to 2 percent of the corpus of the estate at the time of final distribution based upon the last valuation made by the Secretary of the Interior prior to such distribution. By final distribution is meant any distribution to a beneficiary of any part of the corpus of the trust estate at any time under the terms of the trust. All fees are to be based on the size of the trust and the nature of the duties to be performed thereunder. The foregoing percentage of fees are maximum and alternative, that is, within such maximum limitations any one or more of said fees may or may not be allowed within the discretion of the Secretary of the Interior.

§ 116.10 Necessary forms.

In addition to the form of application by the Indians under the act of January 27, 1933 (47 Stat. 777), there are skeleton forms of trust agreement and bond which forms are subject to such changes as may be necessary to meet the requirements of each particular case.

§ 116.11 Limit restricted property in trust.

Not more than three million dollars aggregate value of restricted Indian property shall be placed in trust pursuant to the regulations in this part with any one trustee, trust company or other banking institution authorized by law to act as a fiduciary.
§ 116.12 Amendments.

The regulations in this part may be changed, amended, added to, and any part thereof eliminated at any time by the Secretary of the Interior.

PART 117—DEPOSIT AND EXPENDITURE OF INDIVIDUAL FUNDS OF MEMBERS OF THE OSAGE TRIBE OF INDIANS WHO DO NOT HAVE CERTIFICATES OF COMPETENCY

(b) Commissioner means the Commissioner of Indian Affairs or his authorized representative.

(c) Superintendent means the superintendent of the Osage Agency.

(d) Quarterly payment means the payment of not to exceed $1,000 which is made each fiscal quarter to or on behalf of an adult Indian, from the following sources:

(1) The pro rata distribution of tribal mineral income and other tribal revenues.

(2) The interest on segregated trust funds.

(e) Surplus funds means all those moneys and securities readily convertible into cash, except allowance funds and segregated trust funds, which are held to the credit of an Indian at the Osage Agency and which may be disbursed, expended or invested only upon authorization by the Secretary. The term includes:

(2) The interest on segregated trust funds.

(3) Surplus funds in addition to the income from the foregoing sources in the amount necessary to aggregate $1,000 when the income from those sources is less than $1,000 and the Indian has a balance of accumulated surplus funds in excess of $10,000.

Authority: 5 U.S.C. 301.
§ 117.4 Disbursement of allowance funds.

Except as provided in §117.5, all allowance funds shall be disbursed to the Indian owner unless the Indian owner directs otherwise in writing. At the request of the Indian owner, such funds may be retained by the superintendent as voluntary deposits subject to withdrawal or other disposition upon demand or direction of the Indian owner. The superintendent may recognize a power of attorney executed by the Indian and may disburse the allowance funds of the Indian in conformity therewith so long as the power of attorney remains in force and effect.

§ 117.3 Payment of taxes of Indians under 21 years of age.

All taxes assessed against the restricted lands of Indians less than 21 years of age shall be paid by the superintendent direct to the collector from the rents and income derived from such lands, and the balance, if any, of such rents and income shall be paid to the living parents or parent. If the parents are separated, the balance shall be paid to the parent having custody of the Indian under 21 years of age. All other taxes for which an Indian under 21 years of age may be liable shall be paid from his surplus funds.

§ 117.2 Payment of taxes of adult Indians.

The superintendent may cause to be paid out of any money heretofore accrued or hereafter accruing to the credit of any adult Indian all taxes of every kind and character for which such Indian is or may be liable before paying to or for such person any funds as required by law. All checks in payment of taxes shall be made payable to the proper collector. For the purpose of establishing a fund with which to meet the payment of such taxes when due, the Superintendent may cause the funds of an adult Indian to be hypothecated in the following manner:

(a) For the payment of ad valorem taxes, one-fourth of the estimated amount ad valorem taxes from each quarterly payment unless this procedure would cause the obligation of more than 25 percent of such quarterly payments, in which event the necessary additional funds shall be retained from other allowance funds payable to such person under the law. If there be no other allowance funds available, or if the funds from these sources are insufficient, one-fourth of the estimated amount of such ad valorem taxes may be obligated from each quarterly payment. If an Indian who is liable for ad valorem taxes has no allowance funds, or such funds are insufficient for the payment thereof, surplus funds may be used for such payment.

(b)(1) For the payment of income taxes, one-half of the estimated amount of income taxes from each semi-annual payment of interest on deposits, but if such interest payments are insufficient to meet this obligation, additional funds shall be retained from interest on investments, rentals, or other allowance funds.

(2) Whenever funds are withheld for the purpose of establishing a fund to meet the payment of taxes, the Indian shall be notified of the action taken.
§ 117.5 Procedure for hearings to assume supervision of expenditure of allowance funds.

(a) Whenever the superintendent has reason to believe that an adult Indian is wasting or squandering his allowance funds the superintendent may cause an investigation and written report of the facts to be made. If the report indicates that the Indian is wasting or squandering his allowance funds the following notice shall be served upon the Indian, in person or by registered mail, and a copy thereof shall likewise be served upon his guardian if the Indian is under guardianship:

Section 1 of the act of February 27, 1925 (43 Stat. 1008) provides in part as follows:

''All payments to adults not having certificates of competency, including amounts paid for each minor, shall, in case the Secretary of the Interior finds that such adults are wasting or squandering said income, be subject to the supervision of the Superintendent of the Osage Agency: . . .''

Enclosed is a copy of a report which has been made to me concerning your handling and management of the income paid to you through the Osage Agency. This report indicates that you have been wasting and squandering your payments.

You are hereby notified that a hearing will be held in the Osage Indian Agency, Pawhuska, Oklahoma, at ___ m., on the ___ day of ___ , 19___, before the Superintendent, for the purpose of taking testimony and evidence to be submitted to the Commissioner of Indian Affairs for his consideration in determining whether your payments shall be subject to the supervision of the Superintendent.

You are requested to be present at the hearing at the time and place designated above. You may introduce at the hearing such testimony and evidence as you deem appropriate to show that you are not wasting or squandering your payments and that your payments should continue to be made to you without supervision for your unrestricted use.

You are entitled to employ an attorney to assist you in this matter. Upon your request the employees of the Osage Agency will furnish you with any information you desire concerning your accounts at the Osage Agency or any of your transactions handled through the Osage Agency.

Date.
Superintendent.

(b) A hearing shall be held pursuant to the notice, the date of which shall be not less than 30 days after the date of the notice. For good cause shown to exist the superintendent may continue the hearing to a later date.

(c) A record of the proceedings, consisting of the superintendent's preliminary report, the notice and proof of service, all testimony and evidence introduced at the hearing, and all briefs and letters filed by the Indian or his attorney shall be submitted to the Commissioner, together with a recommendation from the superintendent.

§ 117.6 Allowance for minors.

The superintendent may disburse from the surplus funds of an Indian under 21 years of age not to exceed $300 quarterly for the support and maintenance of the minor. Disbursement may be made to the parent, guardian, or other person, school or institution having actual custody of the minor, or, when the minor is 18 years of age or over, disbursement may be made direct to the minor.

§ 117.7 Disbursement or expenditure of surplus funds.

Except as provided in the regulations in this part, no disbursement or expenditure of surplus funds of Indians shall be made without the consent of the Indian owner and until authorization has been obtained from the Commissioner. Application by an Indian or his legal guardian, or if he is a minor, by his parent or legal guardian, for the expenditure of surplus funds shall be presented to the Commissioner, fully justified with the appropriate attachments such as court orders, decrees or other papers. Such application shall contain full information regarding the individual including his cash balance, the sum invested, the number of shares in the Osage mineral estate, total income from all sources including that paid on behalf of minors, the family status and the occupation or industry of the applicant. When request is made for payment to the individual without
supervision, the record of said individual and his ability to handle such funds shall be shown.

In all cases title must be taken by deed containing a clause restricting alienation or encumbrance without the consent of the Secretary of the Interior or his authorized representative.

§ 117.9 Construction and repairs.
Upon written application by an adult Indian, the superintendent may disburse not to exceed $1,000 during any one fiscal year from the surplus funds of such Indian to make repairs and improvements to restricted real property and in addition not to exceed $300 for new construction. When such expenditures are being made on property producing an income, reimbursement shall be required from such income unless otherwise directed by the Commissioner. When an Indian refuses to make application for funds to defray the cost of repairs necessary to preserve restricted property, the superintendent may, when authorized by the Commissioner, expend the surplus funds of the Indian for such repairs.

§ 117.10 Purchase of automotive equipment.
The superintendent may disburse from the surplus funds of an adult Indian not to exceed $2,000 for the purchase of automotive equipment when the Indian agrees in writing to carry property and liability insurance on the automotive equipment and to reimburse his surplus funds account from allowance funds within 24 months. No disbursement of surplus funds for the purchase of automotive equipment shall be made if the fulfillment of the reimbursable agreement will endanger the payment of taxes, insurance or other obligations, or result in the inability of the Indian to meet his current living expenses from allowance funds.

§ 117.11 Insurance.
The superintendent may obtain policies of insurance covering the restricted property, real or personal, of minor Indians and pay the premiums thereon from the funds of the minors. Upon application by an adult Indian the superintendent may procure insurance on any restricted property, real or personal, owned by the applicant and pay the necessary premiums from his surplus or allowance funds. When authorized by the Commissioner, the superintendent may also procure insurance on restricted property, real or personal, of any adult Indian who neglects or refuses to take out such insurance.

Moneys collected from insurance companies for loss or damage to restricted real or personal property shall be deposited to the credit of the Indian owner as surplus funds. Moneys so deposited to the credit of an adult Indian may, upon the written application of the Indian, be disbursed by the superintendent for the purpose of repairing or replacing the property. Moneys collected from insurance companies for loss or damage to unrestricted real or personal property shall be paid to the Indian for his unrestricted use.

§ 117.16 Reimbursement to surplus funds.

When expenditures have been made from surplus funds upon the condition, and with the written agreement of the Indian, that reimbursement or repayment shall be made from future allowance funds, the superintendent is authorized to withhold from succeeding quarterly payments or other allowance funds such amounts as may be necessary to effect reimbursement within a period not exceeding 24 months from date of the first expenditure under the given authority.

§ 117.17 Inactive surplus funds accounts.

When the balance of surplus funds to the credit of an adult Indian is less than $300 and when there is no likelihood of its increase within 90 days, the superintendent may disburse the entire balance to the Indian owner for his unrestricted use.

§ 117.18 Withdrawal and payment of segregated trust funds.

The withdrawal and payment of segregated trust funds will be made only upon application and satisfactory evidence that the withdrawal and payment of such funds would be to the best interest of the Indian in view of all the circumstances shown to exist. The segregated trust funds of an Indian under guardianship or an Indian under 21 years of age shall not be released and paid except to a guardian appointed by a proper court and after the filing of a bond approved by the court conditioned upon the faithful handling of the funds. Applications for the withdrawal and payment of segregated trust funds must be made upon the forms prescribed by the Secretary for that purpose.

§ 117.19 Debts of Indians.

No indebtedness of Indians will be paid from their funds under the control or supervision of the Secretary unless authorized in writing and obligated against their accounts by the superintendent or some other designated employee except in cases of emergency involving the protection or preservation of life or property, which emergency must be clearly shown. With this exception, no authorization or obligation against the account of any Indian for indebtedness incurred by him shall be made by the superintendent unless specifically authorized by the regulations in this part.

Purchase orders may be issued by the superintendent for expenditures authorized by the regulations in this part or for expenditures specifically authorized by the Commissioner. When necessary to prevent hardship or suffering, purchase orders may be issued by the superintendent against the future income of an Indian in an amount not to exceed 80 percent of the anticipated quarterly payment. The payment of purchase orders issued against future income shall be contingent upon the availability of funds.

§ 117.21 Fees and expenses of attorneys.

When payment of an attorney fee for services to an Indian is to be made from his surplus funds, the employment of the attorney by the Indian must be approved in advance. All fees will be determined on a quantum merit

§ 117.28  Payment of claims against estates.

Improvements consisting of buildings, etc., located on property within the Osage villages of Pawhuska, Hominy, and Grayhorse may, upon approval of the superintendent, be disposed of to other Osage Indians. § 117.30 Sale of personal property.

The superintendent may approve the sale of restricted personal property other than livestock. The superintendent may also approve the sale of livestock when authorized so to do by special or general instructions from the Commissioner. The proceeds from the sale of personal property other than livestock shall be deposited to the credit of the Indian as surplus funds unless the surplus funds from which said property was purchased have been reimbursed from allowance funds, in which case the proceeds from such sale shall be disbursement as allowance funds. PART 121—DISTRIBUTION OF JUDGMENT FUNDS AWARDED TO THE OSAGE TRIBE OF INDIANS IN OKLAHOMA

Sec. 121.1 Definitions.
121.2 Purpose.
121.3 Notice of time limit and place for filing claims.
121.4 Issuance of Orders of Distribution.
121.5 Segregation of per capita shares.
121.6 Distribution of share of deceased allottee.
121.7 Notice of orders to claimants and distributees.
121.8 Appeal from an Order of Distribution.
121.9 Disbursement of distributed shares.
121.10 Miscellaneous provisions.

§ 121.1 Definitions.
(a) Act means the act of October 27, 1972 (86 Stat. 1295).
(b) Allottee means a person whose name appears on the roll of the Osage Tribe of Indians approved by the Secretary of the Interior on April 11, 1908, pursuant to the act of June 28, 1906 (34 Stat. 539).
(c) Regional Solicitor, Tulsa means the Regional Solicitor for the Tulsa Region of the Office of the Solicitor, U.S. Department of the Interior, P.O. Box 3156, Tulsa, Oklahoma 74101.
(d) Distributee means one to whom a distribution is ordered pursuant to the regulations in this part.
(e) Secretary means the Secretary of the Interior or his authorized representative.
(f) Superintendent means the Superintendent, Osage Agency, Bureau of Indian Affairs, Pawhuska, Oklahoma 74056.

§ 121.2 Purpose.
The regulations in this part govern the distribution, pursuant to the act, of judgment funds awarded to the Osage Tribe of Indians of Oklahoma. All funds appropriated by the act of January 8, 1971 (84 Stat. 1981), in satisfaction of a judgment in the Indian Claims Commission against the United States in dockets numbered 105, 106, 107, and 108, together with interest thereon, are to be distributed, except the sum of $1 million and any funds that revert to the Osage Tribe and except the amount allowed for attorney fees and expenses and the cost of distribution.

§ 121.3 Notice of time limit and place for filing claims.
The act provides for distribution of funds to allottees and heirs of Osage Indian blood of deceased allottees.

(a) All claims for per capita shares by heirs of Osage Indian blood shall be filed with the Superintendent, Osage Agency, Bureau of Indian Affairs, Pawhuska, Okla. 74056, not later than April 27, 1974. An individual who claims as an heir of Osage Indian blood should make a timely filing of a claim which identifies, by name and allotment number, each allottee in whose share the individual claims an interest, in order that the Superintendent may notify the individual when the order of distribution for each such allottee is made. Failure to file a claim in this manner may prevent an individual from receiving notice of distribution in an instance in which he is an interested party. Failure of an heir of Osage Indian blood to file a claim will not necessarily prevent the distribution to such heir of the portion of the allottee’s share due that heir if sufficient evidence to support such distribution is available to the Superintendent. However, no heir who fails to file a claim within the prescribed period (on or before April 27, 1974) shall after that period have any right to any distribution other than that ordered by the Superintendent based on evidence available to the Superintendent during that period. Unclaimed shares of distributees are required by statute to revert to the Osage Tribe 6 months after determination of their right to share.

(b) Distribution of a living allottee’s own share will be made without the filing of a claim.
§ 121.4 Issuance of Orders of Distribution.

The Superintendent, Osage Agency, Bureau of Indian Affairs, Pawhuska, Okla. 74056, is authorized to issue the Orders of Distribution in accordance with the act and the regulations in this part. The Superintendent’s decisions thereon shall be final unless a timely appeal therefrom is filed in accordance with §121.8.

§ 121.5 Segregation of per capita shares.

The Superintendent shall segregate one per capita share for each allottee for distribution as follows:

(a) One share for distribution to each such allottee who is living on the date the Order for Distribution for that share is issued; and

(b) One share for distribution to the heir or heirs of Osage Indian blood of each allottee who is deceased on the date the Order of Distribution for that share is issued, to be divided among such heirs in such proportions as shall be computed in accordance with §121.6.

§ 121.6 Distribution of share of deceased allottee.

The Superintendent shall issue an Order of Distribution which, except as otherwise provided in this §121.6, divides the share of a deceased allottee leaving heirs of Osage Indian blood in such proportions as the allottee’s heirs of Osage Indian blood would have shared in the estate of the allottee if the allottee had died intestate leaving one or more individuals of Osage Indian blood as the allottee’s only heirs at law under the Oklahoma law of intestate succession. In preparing such an order, the Superintendent shall accept as accurate any unambiguous determination of heirship of an allottee or of the heir of an allottee, either made by the Secretary prior to April 18, 1912, or contained in a final order of an Oklahoma court after that date. When no such unambiguous determination is available, such order shall be based upon all other pertinent heirship evidence available to the Superintendent. When one or more of the immediate heirs of Osage Indian blood of an allottee is deceased, the heirs of Osage Indian blood of such deceased heirs shall be ascertained, successively among all remote heirs of Osage Indian blood of the allottee, in the sequence in which the deaths of the heirs occurred until the identities of all living remote heirs of Osage Indian blood, and the respective proportions of the share to which they are entitled, have been ascertained. To qualify for distribution as an heir, it must be established that the distributee and each heir of the allottee through whom the claim is traced had Osage Indian blood acquired either from an allottee or from a common ancestor of an allottee and the distributee.

§ 121.7 Notice of orders to claimants and distributees.

§ 125.4 Eligibility.

(a) Allotted Sioux Indians. The eligibility of allotted Sioux Indians for Sioux benefits is governed by the Act of March 2, 1889, c. 405, §17, 25 Stat. 888, 895; the Act of June 10, 1896, c. 396, 29 Stat. 321, 334; and the Act of May 21, 1928, c. 662, 45 Stat. 984. The Act of June 18, 1934, c. 576, §14, 48 Stat. 987, 25 U.S.C. 474, applies only to Sioux Indians who, but for the provisions of section 1 of that Act, 25 U.S.C. 461, would have been eligible for an allotment of land under the provisions of the Act of May 29, 1908, c. 216, §19, 35 Stat. 444, 451, or any prior Federal statute, and have not, in fact, been allotted lands under the provisions of such Federal statutes. That Act has current application only to unallotted members of the Cheyenne River Sioux Tribe because of the proviso that the payment of Sioux benefits under that Act would continue only until such time as the lands available for allotment on each reservation as of June 18, 1934, would have been exhausted by the allotment of eighty (80) acres of land to each person receiving Sioux benefits under that Act. Under this statute a member of the Cheyenne River Sioux Tribe is eligible for Sioux benefits if—

(1) He/she would be eligible, but for the provisions of the Act of June 18, 1934, c. 576, §1, 48 Stat. 984, 25 U.S.C. 461, for an allotment of land under the provisions of the Act of May 29, 1908, c. 216, §19, 35 Stat. 444, 451, or any prior Federal statute, and has not been allotted lands under the provisions of such Federal statutes;

(2) He/she is either a single person over the age of eighteen (18) years or a head of a family (as provided in §125.4(c));

(3) He/she has duly made application for Sioux benefits, and such application has been approved during his/her lifetime (as provided in §125.5); and

(4) He/she has not previously been paid Sioux benefits in his/her own right (as provided in §125.4(d)).

(b) Unallotted Sioux Indians. The Act of June 18, 1934, c. 576, §14, 48 Stat. 987, 25 U.S.C. 474, applies only to Sioux Indians who, but for the provisions of section 1 of that Act, 25 U.S.C. 461, would have been eligible for an allotment of land under the provisions of the Act of May 29, 1908, c. 216, §19, 35 Stat. 444, 451, or any prior Federal statute, and have not, in fact, been allotted lands under the provisions of such Federal statutes. That Act has current application only to unallotted members of the Cheyenne River Sioux Tribe because of the proviso that the payment of Sioux benefits under that Act would continue only until such time as the lands available for allotment on each reservation as of June 18, 1934, would have been exhausted by the allotment of eighty (80) acres of land to each person receiving Sioux benefits under that Act. Under this statute a member of the Cheyenne River Sioux Tribe is eligible for Sioux benefits if—

(1) He/she received a valid allotment of land under the provisions of the Act of May 29, 1908, c. 216, §19, 35 Stat. 444, 451, or any prior Federal statute (regardless of whether such allotment is still held by the applicant);
for allotment on the Cheyenne River Indian Reservation as of June 18, 1934, considering the allowance of similar hypothetical allotments to other such Indians previously receiving Sioux benefits under such Act.

(c) Head of a family. The following criteria apply in determining head of family status under both §§125.4(a) and 125.4(b).

(1) Except as provided in §125.4(c)(2), when an applicant for Sioux benefits is married and living with his/her spouse, the applicant will be deemed to be a head of a family if designated as such by both the applicant and his/her spouse.

(2) When an applicant for Sioux benefits is married and living with his/her spouse, but the applicant’s spouse (i) does not concur in the applicant’s designation as head of the family, or (ii) has previously received Sioux benefits as head of the family which includes the applicant, the applicant will be deemed to be a head of a family if the economic contribution to the support of the family attributable to the applicant exceeds the contribution by his/her spouse for the eighteen (18) months period immediately preceding the date of the application for Sioux benefits.

(3) When an applicant for Sioux benefits is (i) unmarried, or (ii) married, but not living with his/her spouse, the applicant will be deemed to be a head of a family if the primary source of economic contribution to the support of the family is attributable to the applicant. Welfare or support payment made to the applicant by the government or his/her spouse shall be deemed attributable to the applicant.

(4) The Bureau shall not presume that a husband is a head of a family for purposes of this part solely because of his status as a husband. The Bureau shall not presume that a wife is not a head of a family for purposes of this part solely because of her status as a wife.

(5) The Bureau shall not presume that a Sioux woman married to a non-Sioux man is a head of a family for purposes of this part solely because of such status. The Bureau shall not presume that a Sioux woman married to a Sioux man is not a head of a family for purposes of this part solely because of such status.

(d) Double benefits. The prohibition against multiple payment of Sioux benefits to a person in his/her own right extends to the payment of Sioux benefits under any Federal statute. However, a person will not be deemed to have received payment of Sioux benefits in his/her own right due to the fact that:

(1) Sioux benefits were paid to such person in his/her capacity as an heir of an Indian who, under prior law, was held to have a vested right to receive such benefits as of the date of death, or

(2) Sioux benefits have previously been paid to that person’s spouse or former spouse. Although the prohibition against double benefits would not preclude both spouses from receiving Sioux benefits during their marriage (assuming they both were otherwise eligible) or preclude a widowed or divorced applicant from receiving Sioux benefits merely because his/her spouse had previously received Sioux benefits, an applicant would not be able to receive Sioux benefits in his/her own right first as a single adult and again as a head of a family, or vice versa.

§125.5 Application procedure.

(a) Agency Superintendent. Application for Sioux benefits must be submitted to the Agency Superintendent for the reservation and shall contain such information as may be prescribed by the Bureau. Applications must be submitted within the lifetime of the applicant. Within thirty (30) days of receipt of a completed application, the Agency Superintendent shall verify the necessary information and forward the application and relevant documentation to the Area Director along with his/her recommendation for approval or disapproval.

(b) Area Director. Within fourteen (14) days of receipt of an application from the Agency Superintendent, the Area Director shall approve or disapprove the application and notify, in writing, the applicant and the Agency Superintendent of such decision and, if denied, the reasons therefor. Failure of the Area Director to act within the specified time shall have the effect of approval of the application.
§ 125.6

(c) Appeal. Approval of an application by the Area Director shall be final and conclusive. Disapproval of an application may be appealed to the Commissioner pursuant to the administrative review procedures of 25 CFR part 2, and the Commissioner’s determination shall be subject to the administrative appeal procedures of 43 CFR part 4, subpart D. Approval of an application on administrative appeal or pursuant to judicial review shall relate back to the date of the Area Director’s decision.

(d) Prior applications. (1) Eligibility for Sioux Benefits will be determined by an applicant’s status as of the date of application, except that where an applicant’s application was disapproved prior to the promulgation of these regulations under the provisions of previous Bureau regulations or policies, the applicant may reapply and, if he/she so requests, have his/her eligibility determined based upon his/her status as of the date of such prior application, which shall be deemed to be the date of the application, but nothing in this subsection shall be construed to allow any application to be made on behalf of a deceased Sioux Indian whose prior application was disapproved.

(2) Unallotted Sioux Indians of the Pine Ridge and Rosebud Reservations whose applications were submitted and disapproved prior to the termination of payment of Sioux benefits on each respective reservation may reapply for benefits under this subsection within one year of the effective date of this part and receive payment if their eligibility under §125.4(b) is established as of the date of such initial application.

(e) Information collection. The information collection requirements contained in this part have been approved by the Office of Management and Budget under 44 U.S.C. 3501 et seq. and assigned clearance number 1076–0004. The information is being collected to solicit information necessary to make a determination of eligibility for payment. Response is required to obtain a benefit.

PART 134—PARTIAL PAYMENT CONSTRUCTION CHARGES ON INDIAN IRRIGATION PROJECTS

Sec.

134.1 Partial reimbursement of irrigation charges; 5 percent per annum of cost of system, June 30, 1920.

134.2 Landowners financially unable to pay.

134.3 Period for payments extended.

134.4 Annual payment reduced.
§ 134.1 Partial reimbursement of irrigation charges; 5 percent per annum of cost of system, June 30, 1920.

In pursuance of the act of February 14, 1920 (41 Stat. 409; 25 U.S.C. 386), regulations governing partial payment of construction charges on Indian irrigation projects, with the exception of certain ones mentioned therein, where approved by the Department June 21, 1920, and require that each owner of irrigable land under any irrigation system constructed for the benefit of Indians under provisions of law requiring reimbursement of the cost of such system and to which land, water for irrigation purposes can be delivered from such system, shall pay, on or before November 15, 1920, a sum equal to 5 percent of the per acre cost, as of June 30, 1920, of the construction of the system under which such land is situated. The per acre cost of a given system as of June 30, 1920, shall be determined by dividing the total amount expended for construction purposes on such system up to that day by the total area of land to which water for irrigation purposes can be delivered on that date; and on November 15 of each year following the year 1920, until further notice, the land owners, as therein prescribed, shall pay 5 percent of the per acre construction cost as of June 30, of the current year, such per acre cost to be determined by dividing the cost of the system to June 30 of that year by the total area of land to which water for irrigation purposes can be delivered from the system on that date. Provision is contained that no payments shall be required under the regulations in behalf of lands still in process of allotment or prior to the issuance of the first or trust patent therefor; nor for lands reserved for school, agency, or other administrative purposes where the legal title still remains in the United States.

§ 134.2 Landowners financially unable to pay.

Considerable difficulty has been encountered in collecting charges under the regulations in this part owing to the fact that Indians have been financially unable to pay the charges, the result being that the construction charges have accrued against the lands and in cases where the land is sold for the benefit of the allottee or his heirs under the regulations, the purchaser is to pay the accrued and future irrigation charges which make it difficult in some instances, to sell the land at as favorable terms as might otherwise be secured.

§ 134.3 Period for payments extended.

Furthermore, in recent legislation dealing with specific projects in the Bureau and also all reclamation projects the policy has been to extend the payment of such charges over a longer period of years.

§ 134.4 Annual payment reduced.

In view of these conditions the regulations governing this matter are hereby modified so as to distribute the unaccrued installments over a period of time so that 2½ percent of the total amount yet due shall be due and payable on November 15 of each year until further notice. You shall accordingly ascertain the per acre cost after deducting the amount of the accrued charges and take 2½ percent of that amount and a like sum each year so that the amount of the annual installments will be the same each year. Superintendents are obligated to submit all proposed lists of sales involving allotments containing irrigable allotments to the project or supervising engineer for checking, as to the irrigable acreage and amounts of unpaid construction, operation, and maintenance charges against such allotments. Each sale forwarded to the Bureau for action shall be accompanied by contract executed on Form 5–462b where irrigable acreage is involved and after approval thereof a copy of contract on said form shall be sent to the project engineer for his records and the charges paid by the
$134.4a Assessment and collection of additional construction costs.

(a) Upon the completion of the construction of an Indian irrigation project, or unit thereof, subsequent to the determination of the partial per acre construction assessment rate which was fixed prior to July 1, 1957, pursuant to §134.4 the Secretary of the Interior or his authorized representative shall determine such additional construction cost and distribute that cost on a per acre basis against all of the irrigable lands of the project, or unit thereof, and $\frac{1}{40}$th of such per acre additional construction cost thus determined shall be assessed and collected annually from the non-Indian landowner of the project, or unit thereof. The first installment shall be due and payable on November 15 of the year following the completion of such additional construction work or, if such additional construction work on the project, or unit thereof, has been completed prior to July 1, 1957, and the per acre annual rate determined, the first installment of the additional construction cost to be repaid by such non-Indian landowners shall be due and payable on November 15, 1958. This annual per acre rate shall be in addition to, and run concurrently with, the per acre construction rate assessed annually under §134.4.

(b) Project lands in Indian ownership are not subject to assessment for their proportionate share of the per acre construction cost of the project, or unit thereof, until after the Indian title to the land has been extinguished. At that time the total annual per acre assessment rate against non-Indian lands of the project, or unit thereof, shall be assessed against the former Indian lands for each and every acre of irrigable land to which water can be delivered through the project works, beginning on November 15 of the year following the extinguishment of the Indian title to the land and on November 15 of each year thereafter over a forty year period. In cases where the Indian title to project land was extinguished prior to July 1, 1957, the assessment rate shall be due and payable on November 15, 1958.

$134.5 Payments to disbursing officer.

Payments under this part shall be made to the disbursing officer for the supervising engineer of the Indian Irrigation Service having jurisdiction over the irrigation system under which the land for which payment is made may lie. The sum so collected will then, after proper credit has been made to the land for which collected, be deposited in the Treasury of the United States to the credit of the respective funds used in constructing irrigation systems toward which reimbursement shall have been made.

$134.6 "Owner" defined.

The word "owner" as used in this part shall be construed to include any person, Indian or white, or any firm, partnership, corporation, association, or other organization to whom title to the land capable of irrigation, as provided in the act of February 14, 1920 (41 Stat. 409; 25 U.S.C. 386), has passed, either by fee or trust patent, or otherwise.

$134.7 Modifications.

The act of July 1, 1932 (47 Stat. 564; 25 U.S.C. 386a), cancelled all irrigation assessments for construction costs against lands in Indian ownership.
which were unpaid at that date and deferred all future assessments for construction costs until the Indian title to the land shall have been extinguished.

Subpart A—Charges Assessed Against Irrigation District Lands

§ 135.1 Contracts.
Under provisions of the act of Congress approved June 28, 1946 (60 Stat. 333-338), contracts were executed June 28, 1951, by the United States with the Lower Little Horn and Lodge Grass Irrigation District and the Upper Little Horn Irrigation District providing for the payment, over a period of 40 years, by each of the Districts of its respective share of the sum of $210,726 expended for the construction of the Willow Creek storage works on account of non-Indian lands within the Districts entitled to share in the storage water, directly or by substitution.

§ 135.2 Annual rate of assessments.
Within the Lower Little Horn and Lodge Grass Irrigation District there are 3,196.8 acres for which the District is obligated by contract to pay its proper share of the total construction costs. There are 1,554.7 acres, for which the District is obligated by contract to pay its proper share of the total construction costs. There are 3,237.6 acres, more or less, covered by contracts with private landowners, obligating such owners to pay their proper share of such construction costs. The total per acre charge against all such lands is $26.38. This amount to an annual per acre rate of $0.6595. For the purpose of this notice the annual per acre rate is hereby fixed at $0.66. This annual per acre rate of assessment will continue for a 40-year period within which the total amount of construction costs of $210,726 is to be repaid without interest. The amount of each annual installment chargeable against each of the Districts for the acreage covered by their respective contracts shall be determined by multiplying the total acreage, under each contract entitled to Willow Creek storage rights, either directly or by substitution, by the per acre annual rate.

§ 135.3 Annual assessments.
Notice is hereby given of an annual assessment of $2,108.05 to be repaid by the Lower Little Horn and Lodge Grass Irrigation District for the 3,196.8 acres of irrigable land of the District, and an annual assessment of $1,025.06 to be repaid by the Upper Little Horn Irrigation District for the 1,554.7 acres of irrigable land of the District. Against the amounts due annually by the Districts under this notice, there shall be allowed any credits due under section 6 of the act of June 28, 1946. Credits due on behalf of any land shall be reflected by the respective Districts when placing against such land the annual assessment on the tax rolls.

§ 135.4 Time of payment.
Annual assessments shall be paid by the Districts to the United States, one-half thereof on or before February 1 and one-half thereof on or before July 1 following, of each year commencing with the calendar year 1952.

§ 135.6 Refusal of water delivery.
The right is reserved to the United States to refuse the delivery of water to each of the said Irrigation Districts in the event of default in the payment of assessments, including penalties on account of delinquencies.

Subpart B—Charges Assessed Against Non-Indian Lands Not Included in an Irrigation District

§ 135.20 Private contract lands; assessments.
In addition to 4,751.5 acres of non-Indian land included within the two Irrigation Districts dealt with in subpart A, there are 3,237.6 acres of land, more or less, in non-Indian ownership under private ditches, covered by repayment contracts executed pursuant to the act of June 28, 1946 (60 Stat. 333–338), obligating such owners to pay their proper share of such construction costs. The total per acre charge against all such lands is $26.38. This amounts to an annual per acre rate of $0.6595. For the purposes of this notice the annual per acre rate is hereby fixed at $0.66. This annual rate of assessment will continue for a 40-year period within which the total amount of construction cost of $210,726 is to be repaid without interest. The amount of each annual installment chargeable against the lands covered by each of the several contracts with individual landowners whose lands are served under private ditches, shall be determined by multiplying the total acreage, under each contract entitled to Willow Creek storage rights, either directly or by substitution, by the per acre annual rate. Against the amounts due annually by the individual landowners whose lands are served by private ditches, under this notice there shall be allowed any credits due under section 6 of the act of June 28, 1946. PART 136—FORT HALL INDIAN IRRIGATION PROJECT, IDAHO

Sec.
136.1 Repayment contracts.
136.2 Construction costs.
136.3 Repayment of construction costs.

AUTHORITY: Sec. 9, 46 Stat. 1063.

§ 136.1 Repayment contracts.
A rehabilitation program was established on the Fort Hall Unit of the Fort Hall Project in 1936. Based upon the estimated construction costs, contracts were signed by all non-Indian landowners within the project, including such landowners within the Little Indian Unit, now a part of the Fort Hall Unit. Under the terms of their contracts, the landowners agreed to repay to the Government their pro rata share, on an acreage basis, of all expenditures for construction and other necessary improvements for carrying out the approved program, payments not to exceed $7.50 per acre, based upon an estimated expenditure of $450,000.00 for a project then considered as covering approximately 60,000 acres.
§ 136.2 Construction costs.

The program of rehabilitation has now been completed at a cost of $419,186.52. This amount, chargeable on an equal per acre basis against 60,000 acres, amounts to a rate of $6.986 per acre, which rate is hereby determined to be the per acre cost to be repaid to the United States under the 1936 contracts.

§ 136.3 Repayment of construction costs.

Under the terms of the contracts, the landowners agreed to repay the construction cost in forty (40) equal annual installments. Therefore, the annual per acre installment is hereby fixed at seventeen and one-half cents (17½ cents) per acre, due and payable on December 1st of each year, the first payment being due on December 1, 1955. Under section 4 of the repayment contracts of the landowners and the act of March 10, 1928 (45 Stat. 210), the charges remain a lien against the lands until paid.

PART 137—REIMBURSEMENT OF CONSTRUCTION COSTS, SAN CARLOS INDIAN IRRIGATION PROJECT, ARIZONA

§ 137.1 Water supply.

The engineering report dealt with in section 1 of the act of June 7, 1924 (43 Stat. 475) and other available records show that the storage capacity of the San Carlos reservoir created by the Coolidge Dam and the water supply thereof over a period of years will provide for the irrigation of only 80,000 acres of lands in Indian and public or private ownership within the San Carlos irrigation project, the balance of the water supply needed for the additional 20,000 acres of the project to be provided for by recaptured and return flow water and by means of pumping the underground supply. The cost of providing the proposed supply and of operating the works for this latter acreage to be equally distributed over the entire 100,000 acres of the project regardless of where the works are placed and operated.

§ 137.2 Availability of water.

Pursuant to section 3 of the act of June 7, 1924 (43 Stat. 475), requiring the Secretary of the Interior by public notice to announce when water is actually available for lands in private ownership under the project and the amount of the construction charges per irrigable acre against the same which charges shall be payable in annual installments as provided for therein, this public notice, of which § 137.1 is made a part hereof, is hereby given:

The date when a reasonable water supply is actually available for lands in private ownership under the San Carlos irrigation project is hereby declared to be the 1st day of December 1932.

§ 137.3 Construction charges.

Each acre of land in private ownership of said project is hereby charged with $95.25 of construction cost assessable thereto at the date hereof (Dec. 1, 1932), which sum is based upon 50,000 acres of such privately owned lands, making a total charge or assessment due from the owners thereof of $4,762,250 on this date (Dec. 1, 1932), excluding the cost of operation and maintenance for the calendar year of 1933 which may be carried into construction cost as provided for by section 3 of the act of June 7, 1924 (43 Stat. 476), and also excluding interest at the rate of 4 percent which is charged against such lands by said act. Of the 50,000 acres constituting the lands in private ownership within the said project only 46,107.49 acres have at this date (Dec. 1, 1932) actually been designated as coming within the project. Should this present designated area be not increased within a reasonable time herefrom and prior to the due date of the first installment of the charge.
§ 137.4  Future charges.

The payment of said construction cost and costs of future operation and maintenance of said project as provided for in said section 3 of the act of June 7, 1924 (43 Stat. 476), as supplemented or amended and such contingent project liabilities which may be incurred in accordance with the provisions of said repayment contract shall be made in accordance with the provisions of said act of June 7, 1924, as supplemented or amended and the repayment contract by and between the San Carlos irrigation and drainage district and the Secretary of the Interior bearing date of June 8, 1931; the said construction cost incurred subsequent to this public notice assessable against the lands in private ownership and costs of operation and maintenance assessed against such privately owned lands within the project for the first year after this public notice to be included in the construction cost and such contingent project liabilities which may be incurred in accordance with provisions of the repayment contract shall also be repaid to the Government pursuant to the terms of said act of June 7, 1924, as supplemented or amended, and the repayment contract and this public notice.

§ 137.5  Construction costs limited.

The repayment contract with the San Carlos irrigation and drainage district, page 13 thereof, contains the following:

In accordance with the foregoing the costs of the San Carlos project as fixed by the public notice to be issued as aforesaid, unless further sums shall be agreed to by the Secretary of the Interior and the district after the execution of this instrument, may amount to but shall not exceed the sum of $9,556,313.77, except that said total may be exceeded by the inclusion of any sums expended to safeguard the project as hereinabove provided for, and any sums expended on account of contingent liabilities as in the next paragraph hereof provided.

The foregoing and subsequent statements of project costs, the district's shares of which are to be repaid hereunder, unless otherwise provided by Congress more favorably to the lands of the project, may be increased by the addition of sums not now fixed as project charges but which possibly constitute contingent project liabilities incurred after the date of the San Carlos Act of June 7, 1924 (43 Stat. 476), or incurred on account of the Florence-casa Grande project, and so may become project charges by the judgment of courts of competent jurisdiction or of other proper authority.

The limitations therein fixed has approximately been reached, there remaining but $32,815.02 yet to be expended on project works before reaching that limitation. Upon the expenditure of this additional sum there shall be no further expenditures of funds for construction, operation and maintenance of the San Carlos project so far as the private lands are concerned until the San Carlos irrigation and drainage district shall, through appropriate action, authorize pursuant to the terms of the said repayment contract such additional expenditures. This limitation does not apply to project expenditures for the extension of the distributing and pumping system regardless of where they may arise. This class of expenditures being excepted from the limitation on expenditures contained in the said repayment contract by section 14, page 19, thereof, which section is known as the "Equalization of Expenditures."

§ 137.6  Power development.

The cost of the power development at the Coolidge Dam is hereby fixed at $735,000. The net revenues derived from the operation of this power development shall be disposed of as required by the terms and conditions of the act of March 7, 1928 (45 Stat. 210) as supplemented or amended.

§ 137.7  Private ownership defined.

The term "private ownership" used in this public notice includes all lands of the San Carlos irrigation project that have or may be designated by the Secretary of the Interior that are situated outside of the boundaries of the Gila River Indian Reservation.

1Contract available at the Bureau of Indian Affairs, Washington, D.C.
§ 137.8 Indian lands excluded.

This public notice, with the exception of that part dealing with payment in advance each year of operation and maintenance charges against lands in Indian ownership operated under lease, does not apply in so far as payments are concerned to Indian lands within the project. The act of July 1, 1932 (47 Stat. 564; 25 U.S.C. 386a) defers the collection of construction costs from Indian owned lands so long as the title to such lands remains in the Indian ownership.

§ 139.5 Assessments after the Indian title has been extinguished.

Indian-owned lands passing to non-Indian ownership shall be assessed for construction costs and the first assessment shall be due on December 31 of the year that the Indian title is extinguished. The construction costs against this land will be established as provided by section 5 of the act of September 26, 1961 (75 Stat. 680). The annual per-acre assessment rate will be determined by dividing the established construction cost per acre into forty equal payments. “B” lands will also be assessed for reservoir construction costs in the annual per-acre rate as established in the Designation Report dated August 1962. Assessments against this land will continue until the entire established construction costs shall have been repaid to the U.S. Treasury. The Secretary shall cause to be turned over to the Indian full ownership and control of such money and property and issue in the case of land such title document as may be appropriate: Provided, That the Secretary may make such provisions as he deems necessary to insure payment of money loaned to any such Indian by the Federal Government or by an Indian tribe; And provided further, That the interest of any lessee or permittee in any lease, contract, or permit that is outstanding when an order removing restrictions becomes effective shall be
preserved as provided in section 2(d) of the Act of August 11, 1955 (69 Stat. 666).

§ 152.17 Sales, exchanges, and conveyances by, or with the consent of the individual Indian owner.

Pursuant to the Act of May 29, 1908 (35 Stat. 444; 25 U.S.C. 404), the Secretary may, with the consent of the natural guardian of a minor, sell trust or restricted land belonging to such minor; and the Secretary may, with the consent of a person designated by him, sell trust or restricted land belonging to Indians who are minor orphans without a natural guardian, and Indians who are non compos mentis or otherwise under legal disability. The authority contained in this act is not applicable to lands in Oklahoma, Minnesota, and South Dakota, nor to lands authorized to be sold by the Act of May 14, 1948 (62 Stat. 236; 25 U.S.C. 483).

§ 152.19 Sale by fiduciaries.

Guardians, conservators, or other fiduciaries appointed by State courts, or by tribal courts operating under approved constitutions or law and order codes, may, upon order of the court, convey with the approval of the Secretary or consent to the conveyance by the Secretary of trust or restricted land belonging to their Indian wards who are minors, non compos mentis or otherwise under legal disability. This section is subject to the exceptions contained in 25 U.S.C. 954(b).

§ 152.20 Sale by Secretary of certain land in multiple ownership.

Pursuant to the Act of June 25, 1910 (36 Stat. 855), as amended (25 U.S.C. 372), if the Secretary decides that one or more of the heirs who have inherited trust land are incapable of managing their own affairs, he may sell any or all interests in that land. This authority is not applicable to lands authorized to be sold by the Act of May 14, 1948 (62 Stat. 236; 25 U.S.C. 483).

§ 152.21 Sale or exchange of tribal land.

§ 152.22 Secretarial approval necessary to convey individual-owned trust or restricted lands or land owned by a tribe.

(a) Individual lands. Trust or restricted lands, except inherited lands of the Five Civilized Tribes, or any interest therein, may not be conveyed without the approval of the Secretary. Moreover, inducing an Indian to execute an instrument purporting to convey any trust land or interest therein, or the offering of any such instrument for record, is prohibited and criminal penalties may be incurred. (See 25 U.S.C. 202 and 348.)
§ 152.23 Tribal lands. Lands held in trust by the United States for an Indian tribe, lands owned by a tribe with Federal restrictions against alienation and any other land owned by an Indian tribe may only be conveyed where specific statutory authority exists and then only with the approval of the Secretary unless the Act of Congress authorizing sale provides that approval is unnecessary. (See 25 U.S.C. 177.)

§ 152.23 Applications for sale, exchange or gift. Applications for the sale, exchange or gift of trust or restricted land shall be filed in the form approved by the Secretary with the agency having immediate jurisdiction over the land. Applications may be approved if, after careful examination of the circumstances in each case, the transaction appears to be clearly justified in the light of the long-range best interest of the owner or owners or as under conditions set out in §152.25(d).

§ 152.24 Appraisal. Except as otherwise provided by the Secretary, an appraisal shall be made indicating the fair market value prior to making or approving a sale, exchange, or other transfer of title of trust or restricted land.

§ 152.25 Negotiated sales, gifts and exchanges of trust or restricted lands. Those sales, exchanges, and gifts of trust or restricted lands specifically described in the following paragraphs (a), (b), (c), and (d) of this section may be negotiated; all other sales shall be by advertised sale, except as may be otherwise provided by the Secretary.

(a) Consideration not less than the appraised fair market value. Indian owners may, with the approval of the Secretary, negotiate a sale of and sell trust or restricted land for not less than the appraised fair market value:

(1) When the sale is to the United States, States, or political subdivisions thereof, or such other sale as may be for a public purpose;

(2) When the sale is to the tribe or another Indian; or

(3) When the Secretary determines it is impractical to advertise.

(b) Exchange at appraised fair market value. With the approval of the Secretary, Indian owners may exchange trust or restricted land, or a combination of such land and other things of value, for other lands or combinations of land and other things of value. The value of the consideration received by the Indian in the exchange must be at least substantially equal to the appraised fair market value of the consideration given by him.

(c) Sale to coowners. With the approval of the Secretary, Indian owners may negotiate a sale of and sell trust or restricted land to a coowner of that land. The consideration may be less than the appraised fair market value, if in the opinion of the Secretary there is a special relationship between the coowners or special circumstances exist.

(d) Gifts and conveyances for less than the appraised fair market value. With the approval of the Secretary, Indian owners may convey trust or restricted land, for less than the appraised fair market value or for no consideration when the prospective grantee is the owner’s spouse, brother, sister, lineal ancestor of Indian blood or lineal descendant, or when some other special relationship exists between the grantor and grantee or special circumstances exist that in the opinion of the Secretary warrant the approval of the conveyance.

§ 152.26 Advertisement.

(a) Upon approval of an application for an advertised sale, notice of the sale will be published not less than 30 days prior to the date fixed for the sale unless for good cause a shorter period is authorized by the Secretary.

(b) The notice of sale will include:

(1) Terms, conditions, place, date, hour, and methods of sale, including explanation of auction procedure as set out in §152.27(b)(2) if applicable;

(2) Where and how bids shall be submitted;

(3) A statement warning all bidders against violation of 18 U.S.C. 1860 prohibiting unlawful combination or intimidation of bidders or potential bidders; and

(4) Description of tracts, all reservations to which title will be subject and any restrictions and encumbrances of
§ 152.27 Procedure of sale.

Advertised sales shall be by sealed bids except as otherwise provided here-in.

(a)(1) Bids, conforming to the requirements set out in the advertisement of sale, along with a certified check, cashier’s check, money order, or U.S. Treasury check, payable to the Bureau of Indian Affairs, for not less than 10 percent of the amount of the bid, must be enclosed in a sealed envelope marked as prescribed in the notice of sale. A cash deposit may be submitted in lieu of the above-specified negotiable instruments at the bidder’s risk. Tribes submitting bids pursuant to this paragraph may guarantee the required 10 percent deposit by an appropriate resolution;

(2) The sealed envelopes containing the bids will be publicly opened at the time fixed for sale. The bids will be announced and will be appropriately recorded.

(b) The policy of the Secretary recognizes that in many instances a tribe or a member thereof has a valid interest in acquiring trust or restricted lands offered for sale.

(1) With the consent of the owner and when the notice of sale so states, the tribe or members of such tribe shall have the right to meet the high bid.

(2) Provided the tribe is not the high bidder and when one or more acceptable sealed bids are received and when so stated in the notice of sale, an oral auction may be held following the bid opening. Bidding in the auction will be limited to the tribe, and to those who submitted sealed bids at 75 percent or more of the appraised value of the land being auctioned. At the conclusion of the auction the highest bidder must increase his deposit to not less than 10 percent of his auction bid.

§ 152.28 Action at close of bidding.

(a) The officer in charge of the sale shall publicly announce the apparent highest acceptable bid. The deposits submitted by the unsuccessful bidders shall be returned immediately. The deposit submitted by the apparent successful bidder shall be held in a special account.

(b) If the highest bid received at an advertised sale is less than the appraised fair market value of the land, the Secretary with the consent of the owner may accept that bid if the amount bid approximates said appraised fair market value and in the Secretary’s judgment is the highest price that may be realized in the circumstances.

(c) The Secretary shall award the bid and notify the apparent successful bidder that the remainder of the purchase price must be submitted within 30 days.

(1) Upon a showing of cause the Secretary may, in his discretion, extend the time of payment of the balance due.

(2) If the remainder of the purchase price is not paid within the time allowed, the bid will be rejected and the apparent successful bidder’s 10 percent deposit will be forfeited to the landowner’s use.

(d) The issuance of the patent or delivery of a deed to the purchaser will not be authorized until the balance of the purchase price has been paid, except that the fee patent may be ordered in cases where the purchaser is obtaining a loan from an agency of the Federal Government and such agency has given the Secretary a commitment that the balance of the purchase price will be paid when the fee patent is issued.

§ 152.29 Rejection of bids; disapproval of sale.

The Secretary reserves the right to reject any and all bids before the award, after the award, or at any time prior to the issuance of a patent or delivery of a deed, when he shall have determined such rejection to be in the best interests of the Indian owner.

§ 152.30 Bidding by employees.

Except as authorized by the provisions of part 140 of this chapter, no person employed in Indian Affairs shall directly or indirectly bid, make, or prepare any bid, or assist any bidder in preparing his bid. Sales between Indians, either of whom is an employee of the U.S. Government, are governed by
§ 152.31 Cost of conveyance; payment.

Pursuant to the Act of February 14, 1920 (41 Stat. 415), as amended by the Act of March 1, 1933 (47 Stat. 1417; 25 U.S.C. 413), the Secretary may in his discretion collect from a purchaser reasonable fees for work performed or expense incurred in the transaction. The amount so collected shall be deposited to the credit of the United States as general fund receipts, except as stated in paragraph (b) of this section.

(a)(1) The amount of the fee shall be $22.50 for each transaction.

(2) The fee may be reduced to a lesser amount or may be waived, if the Secretary determines circumstances justify such action.

(b)(1) If any or all of the costs of the work performed or expenses incurred are paid with tribal funds, an alternate schedule of fees may be established, subject to approval of the Secretary, and that part of such fees deemed appropriate may be credited to the tribe.

(2) When the purchaser is the tribe which bears all or any part of such costs, the collection of the proportionate share from the tribe may be waived.

§ 152.32 Irrigation fee; payment.

Collection of all construction costs against any Indian-owned lands within Indian irrigation projects is deferred as long as Indian title has not been extinguished. (Act of July 1, 1932 (47 Stat. 564; 25 U.S.C. 386a)). This statute is interpreted to apply only where such land is owned by Indians either in trust or restricted status.

(a) When any person whether Indian or non-Indian acquires Indian lands in a fee simple status that are part of an Indian irrigation project he must enter into an agreement,

(1) To pay the pro rata share of the construction of the project chargeable to the land,

(2) To pay all construction costs that accrue in the future, and

(3) To pay all future charges assessable to the land which are based on the annual cost of operation and maintenance of the irrigation system.

(b) Any operation and maintenance charges that are delinquent when Indian land is sold will be deducted from the proceeds of sale unless other acceptable arrangements are made to provide for their payment prior to the approval of the sale.

(c) A lien clause covering all unpaid irrigation construction costs, past and future, will be inserted in the patent or other instrument of conveyance issued to all purchasers of restricted or trust lands that are under an Indian irrigation project.

Cross Reference: See part 159 and part 160 and cross-references thereunder in this chapter for further regulations regarding sale of irrigable lands.

PARTITIONS IN KIND OF INHERITED ALLOTMENTS

§ 152.33 Partition.

(a) Partition without application. If the Secretary of the Interior shall find that any inherited trust allotment or allotments (as distinguished from lands held in a restricted fee status or authorized to be sold under the Act of May 14, 1948 (62 Stat. 236; 25 U.S.C. 483)), are capable of partition in kind to the advantage of the heirs, he may cause such lands to be partitioned among them, regardless of their competency, patents in fee to be issued to the competent heirs for their shares and trust patents to be issued to the incompetent heirs for the lands respectively or jointly set apart to them, the trust period to terminate in accordance with the terms of the original patent or order of extension of the trust period set out in said patent. (Act of May 18, 1916 (39 Stat. 127; 25 U.S.C. 378)). The authority contained in the Act of May 18, 1916, is not applicable to lands authorized to be sold by the Act of May 14, 1948, nor to land held in restricted fee status.

(b) Application for partition. Heirs of a deceased allottee may make written application, in the form approved by the Secretary, for partition of their trust or restricted land. If the Secretary finds the trust lands susceptible of partition, he may issue new patents or deeds to the heirs for the portions set aside to them. If the allotment is

§ 152.33 Approval of mortgages and deeds of trust.

Any individual Indian owner of trust or restricted lands, may with the approval of the Secretary execute a mortgage or deed of trust to his land. Prior to approval of such mortgage or deed of trust, the Secretary shall secure appraisal information as he deems advisable. Such lands shall be subject to foreclosure or sale pursuant to the terms of the mortgage or deed of trust in accordance with the laws of the State in which the lands are located. For the purpose of foreclosure or sale proceedings under this section, the Indian owners shall be regarded as vested with unrestricted fee simple title to the lands (Act of March 29, 1956). (70 Stat. 62; 25 U.S.C. 483a)

§ 152.35 Deferred payment sales.

When the Indian owner and purchaser desire, a sale may be made or approved on the deferred payment plan. The terms of the sale will be incorporated in a memorandum of sale which shall constitute a contract for delivery of title upon payment in full of the amount of the agreed consideration. The deed executed by the grantor or grantors will be held by the Superintendent and will be delivered only upon full compliance with the terms of sale. If conveyance of title is to be made by fee patent, request therefor will be made only upon full compliance with the terms of the sale. The terms of the sale shall require that the purchaser pay not less than 10 percent of the purchase price in advance as required by the Act of June 25, 1910 (36 Stat. 855), as amended (25 U.S.C. 372); terms for the payment of the remaining installments plus interest shall be those acceptable to the Secretary and the Indian owner. If the purchaser on any deferred payment plan makes default in the first or subsequent payments, all payments, including interest, previously made will be forfeited to the Indian owner.

Requests for authority to institute such partition proceedings shall contain a description of the lands involved, the names of the several owners and their respective interests and the reasons for such court action. Authorization may be given for the institution of partition proceedings in a court of competent jurisdiction when it appears to the best interest of the Indians involved to do so and the execution of voluntary exchange deeds is impracticable.

(b) When it appears to the best interest of the Indians to do so, the Secretary's, or his authorized representative's, authorization to institute partition proceedings may require that title to the lands be quieted in the partition action in order that the deeds issued pursuant to the proceedings shall convey good and merchantable title to the grantee therein. (See section 6, 37 Stat. 87.)

§ 158.56 Partition records.

PART 159—SALE OF IRRIGABLE LANDS, SPECIAL WATER CONTRACT REQUIREMENTS

Cross References: For additional regulations pertaining to the payment of fees and charges in connection with the sale of irrigable lands, see part 159 and §§ 134.4 and 152.21 of this chapter. For general regulations pertaining to the issuance of patents in fee, see part 152 of this chapter.
§ 159.1 Conditions of contract.

(a) The form of contract (Form 5–462b) for sale of irrigable lands specifically provides that the purchaser will obligate and pay on a per acre basis all irrigation charges assessed or to be assessed against the land purchased including accrued assessment, which accrued assessment shall be paid prior to the approval of the sale, and for the payment of the construction and operation and maintenance assessments on the due dates of each year. The agreement is to be acknowledged and recorded in the county records in which county the land is situated. The charges incidental to the recording of the instrument shall be paid by the purchaser at the time of executing the agreement.

(b) A strict compliance with the terms of paragraph (a) of this section is absolutely necessary and required.

NOTE: On May 12, 1921, Circular No. 1677, re sale of irrigable lands, was addressed to all superintendents. It was pointed out therein that the collection of irrigation construction charges was required by the terms of an act approved February 14, 1920 (41 Stat. 409; 25 U.S.C. 386), and that in addition to the construction charge there was an operation and maintenance charge assessable annually that must be paid by the landowners benefited; furthermore, that the purpose of this circular was to point out to the superintendents the necessity of advising prospective purchasers that irrigation charges must be paid and that a so-called paid-up water right was not conveyed with the land. A form of agreement to be executed by the prospective purchaser accompanied this circular.

It has been brought to the attention of the Bureau that irrigation construction charges and operation and maintenance charges have accrued against irrigable allotments prior to the time of their being advertised for sale and that the superintendents have failed to provide for payment of the accrued irrigation charges, with the result that no means are apparent for their collection.

With a view of preventing any future misunderstanding the form of contract accompanying Circular No. 1677 has been redrafted and Form 5–462b assigned to it. The circular has been designated “No. 1677a.”

PART 160-INCLUSION OF LIENS IN ALL PATENTS AND INSTRUMENTS EXECUTED

Sec.
160.1 Liens.
160.2 Instructions.
160.3 Leases to include description of lands.
160.4 Prompt payment of irrigation charges by lessees.

§ 160.1 Liens.

The act of March 7, 1928 (45 Stat. 210; 25 U.S.C. 387) creates a first lien against irrigable lands under all Indian irrigation projects where the construction, operation and maintenance costs of such projects remain unpaid and are reimbursable, and directs that such lien shall be recited in any patent or instrument issued for such lands to cover such unpaid charges. Prior to the enactment of this legislation similar liens had been created by legislative authority against irrigable lands of the projects on the Fort Yuma, Colorado River, and Gila River Reservations, in Arizona; Blackfeet, Fort Peck, Flathead, Fort Belknap, and Crow Reservations, Mont.; Wapato project, Yakima Reservation, Wash.; the irrigable lands on the Colville Reservation within the West Okanogan irrigation district, Washington, and the Fort Hall Reservation, Idaho. This legislation, therefore, extends protection similar to that existing in the legislation applicable to the projects on the reservations above mentioned.

CROSS REFERENCES: For operation and maintenance charges and construction costs, see parts 134 and 137 of this chapter.

§ 160.2 Instructions.

All superintendents and other officers are directed to familiarize themselves with this provision of law, and in all cases involving the issuance of patents or deeds direct to the Indian or purchasers of Indian allotments embracing irrigable lands, they will recite in
the papers forwarded to the Department for action the fact that the lands involved are within an irrigation project (giving the name) and accordingly are subject to the provisions of this law. This requirement will be in addition to the existing regulations requiring the superintendents in case of sales of irrigable lands to obtain from the project engineer a written statement relative to the irrigability of the lands to be sold, and whether or not there are any unpaid irrigation charges, together with the estimated per acre construction cost assessable against the land involved in the sale. Each sale will also be accompanied by contract executed in accordance with regulations obligating the purchaser to pay the accrued charges, namely, construction, operation, and maintenance, prior to the approval of the sale and to assume and pay the unassessed irrigation charges in accordance with regulations promulgated by the Secretary of the Interior.

CROSS REFERENCES: For additional regulations pertaining to the payment of fees and charges in connection with the sale of irrigable lands, see part 159 and §§134.4 and 152.21 of this chapter.

§160.3 Leases to include description of lands.

It is important, also, for superintendents in leasing irrigable lands to present to the project engineer lists containing descriptions of the lands involved for his approval of the irrigable acreage and for checking as to whether or not such lands are in fact irrigable under existing works. Strict compliance with this section is required for the purpose of avoiding error.

§160.4 Prompt payment of irrigation charges by lessees.

Superintendents will also see that irrigation charges are promptly paid by lessees, and where such charges are not so paid take appropriate and prompt action for their collection. Such unpaid charges are a lien against the land, and accordingly any failure on the part of the superintendents to collect same increases the obligation against the land.

(b) Where a life estate and remainder interest are both owned in trust or restricted status, the life estate and remainder interest must both be leased under these regulations, unless the lease is for less than one year in duration. Unless otherwise provided by the document creating the life estate or by agreement, rent payable under the lease must be paid to the life tenant under part 179 of this chapter.

(c) In approving a lease under these regulations, we will not lease any fee interest in Indian land, nor will we collect rent on behalf of any fee owners. The leasing of the trust and restricted interests of the Indian landowners will not be conditioned on a lease having been obtained from the owners of any fee interests. Where all of the trust or restricted interests in a tract are subject to a life estate held in fee status, we will approve a lease of the remainder interests only if such action is necessary to preserve the value of the land or protect the interests of the Indian landowners.

§ 162.103 What types of land use agreements are covered by these regulations?

(a) These regulations cover leases that authorize the possession of Indian land. These regulations do not apply to:

(1) Mineral leases, prospecting permits, or mineral development agreements, as covered by parts 211, 212 and 225 of this chapter and similar parts specific to particular tribes;

(2) Grazing permits, as covered by part 166 of this chapter and similar parts specific to particular tribes;

(3) Timber contracts, as covered by part 163 of this chapter;

(4) Management contracts, joint venture agreements, or other encumbrances of tribal land, as covered by 25 U.S.C. §81, as amended;

(5) Leases of water rights associated with Indian land, except to the extent the use of such water rights is incorporated in a lease of the land itself; and

(6) Easements or rights-of-way, as covered by part 169 of this chapter.

(b) Where appropriate, the regulations in this part that specifically refer to leases will apply to permits that authorize the temporary, non-possessory use of Indian land or Government land, not including:

(1) Land assignments and similar instruments authorizing temporary uses by tribal members, in accordance with tribal laws or custom; and

(2) Trader’s licenses issued under part 140 of this chapter.

§ 162.104 When is a lease needed to authorize possession of Indian Land?

(a) An Indian landowner who owns 100% of the trust or restricted interests in a tract may take possession without a lease or any other prior authorization from us.

(b) An Indian landowner of a fractional interest in a tract must obtain a lease of the other trust and restricted interests in the tract, under these regulations, unless the Indian co-owners have given the landowner’s permission to take or continue in possession without a lease.

(c) A parent or guardian of a minor child who owns 100% of the trust interests in the land may take possession without a lease. We may require that the parent or guardian provide evidence of a direct benefit to the minor child. When the child reaches the age of majority, a lease must be obtained under these regulations to authorize continued possession.

(d) Any other person or legal entity, including an independent legal entity owned and operated by a tribe, must obtain a lease under these regulations before taking possession.

§ 162.105 Can tracts with different Indian landowners be unitized for leasing purposes?

(a) A lease negotiated by Indian landowners may cover more than one tract of Indian land, but the minimum consent requirements for leases granted by Indian landowners under subparts B through D of this part will apply to each tract separately. We may combine multiple tracts into a unit for leases negotiated or advertised by us, if we determine that unitization is in the Indian landowners’ best interests and consistent with the efficient administration of the land.

(b) Unless otherwise provided in the lease, the rent or other consideration derived from a unitized lease will be distributed based on the size of each landowner’s interest in proportion to the acreage within the entire unit.
§ 162.106 What will BIA do if possession is taken without an approved lease or other proper authorization?

(a) If a lease is required, and possession is taken without a lease by a party other than an Indian landowner of the tract, we will treat the unauthorized use as a trespass. Unless we have reason to believe that the party in possession is engaged in negotiations with the Indian landowners to obtain a lease, we will take action to recover possession on behalf of the Indian landowners, and pursue any additional remedies available under applicable law.

(b) Where a trespass involves Indian agricultural land, we will also assess civil penalties and costs under part 166, subpart I, of this chapter.

§ 162.107 What are BIA’s objectives in granting or approving leases?

(a) We will assist Indian landowners in leasing their land, either through negotiations or advertisement. In reviewing a negotiated lease for approval, we will defer to the landowners’ determination that the lease is in their best interest, to the maximum extent possible. In granting a lease on the landowners’ behalf, we will obtain a fair annual rental and attempt to ensure (through proper notice) that the use of the land is consistent with the landowners’ wishes. We will also recognize the rights of Indian landowners to use their own land, so long as their Indian co-owners are in agreement and the value of the land is preserved.

(b) We will recognize the governing authority of the tribe having jurisdiction over the land to be leased, preparing and advertising leases in accordance with applicable tribal laws and policies. We will promote tribal control and self-determination over tribal land and other land under the tribe’s jurisdiction, through contracts and self-governance compacts entered into under the Indian Self-Determination and Education Assistance Act, as amended, 25 U.S.C. §450f et seq.

§ 162.108 What are BIA’s responsibilities in administering and enforcing leases?

(a) We will ensure that tenants meet their payment obligations to Indian landowners, through the collection of rent on behalf of the landowners and the prompt initiation of appropriate collection and enforcement actions. We will also assist landowners in the enforcement of payment obligations that run directly to them, and in the exercise of any negotiated remedies that apply in addition to specific remedies made available to us under these or other regulations.

(b) We will ensure that tenants comply with the operating requirements in their leases, through appropriate inspections and enforcement actions as needed to protect the interests of the Indian landowners and respond to concerns expressed by them. We will take immediate action to recover possession from trespassers operating without a lease, and take other emergency action as needed to preserve the value of the land.

§ 162.109 What laws, other than these regulations, will apply to leases granted or approved under this part?

(a) Leases granted or approved under this part will be subject to federal laws of general applicability and any specific federal statutory requirements that are not incorporated in these regulations.

(b) Tribal laws generally apply to land under the jurisdiction of the tribe enacting such laws, except to the extent that those tribal laws are inconsistent with these regulations or other applicable federal law. These regulations may be superseded or modified by tribal laws, however, so long as:

(1) The tribal laws are consistent with the enacting tribe’s governing documents;

(2) The tribe has notified us of the superseding or modifying effect of the tribal laws;

(3) The superseding or modifying of the regulation would not violate a federal statute or judicial decision, or
§ 162.110 Can these regulations be administered by tribes, on the Secretary’s or on BIA’s behalf?

Except insofar as these regulations provide for the granting, approval, or enforcement of leases and permits, the provisions in these regulations that authorize or require us to take certain actions will extend to any tribe or tribal organization that is administering specific programs or providing specific services under a contract or self-governance compact entered into under the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450f et seq.).

§ 162.111 Who owns the records associated with this part?

(a) Records are the property of the United States if they:

(1) Are made or received by a tribe or tribal organization in the conduct of a federal trust function under 25 U.S.C. § 450f et seq., including the operation of a trust program; and

(2) Evidence the organization, functions, policies, decisions, procedures, operations, or other activities undertaken in the performance of a federal trust function under this part.

(b) Records not covered by paragraph (a) of this section that are made or received by a tribe or tribal organization in the conduct of business with the Department of the Interior under this part are the property of the tribe.

§ 162.112 How must records associated with this part be preserved?

(a) Any organization, including tribes and tribal organizations, that have records identified in §162.111(a) must preserve the records in accordance with approved Departmental records retention procedures under the Federal Records Act, 44 U.S.C. Chapters 29, 31 and 33. These records and related records management practices and safeguards required under the Federal Records Act are subject to inspection by the Secretary and the Archivist of the United States.

(b) A tribe or tribal organization should preserve the records identified in §162.111(b) for the period of time authorized by the Archivist of the United States for similar Department of the Interior records in accordance with 44 U.S.C. Chapter 33. If a tribe or tribal organization does not preserve records associated with its conduct of business with the Department of the Interior under this part, it may prevent the tribe or tribal organization from being able to adequately document essential transactions or furnish information necessary to protect its legal and financial rights or those of persons directly affected by its activities.

§ 162.113 May decisions under this part be appealed?

Yes. Except where otherwise provided in this part, appeals from decisions by the BIA under this part may be taken pursuant to 25 CFR part 2.
and completed within three years of
the initiation of the planning activity.
Such a plan must be developed through
public meetings, and be based on the
public meeting records and existing
survey documents, reports, and other
research from federal agencies, tribal
community colleges, and land grant
universities. When completed, the plan
must:

(1) Determine available agricultural
resources;

(2) Identify specific tribal agricul-
tural resource goals and objectives;

(3) Establish management objectives
for the resources;

(4) Define critical values of the In-
dian tribe and its members and identify
holistic management objectives; and

(5) Identify actions to be taken to
reach established objectives.

(c) Where the regulations in this sub-
part are inconsistent with a tribe’s ag-
ricultural resource management plan,
we may waive the regulations under
part 1 of this title, so long as the waiv-
er does not violate a federal statute or
judicial decision or conflict with our
general trust responsibility under federal law.

§ 162.203 When can the regulations in
this subpart be superseded or modified by tribal laws and leasing poli-
cies?

(a) The regulations in this subpart
may be superseded or modified by trib-
al laws, under the circumstances de-
scribed in §162.109(b) of this part.

(b) When specifically authorized by
an appropriate tribal resolution estab-
lishing a general policy for the leasing
of tribal and individually-owned agri-
cultural land, we will:

(1) Waive the general prohibition
against tenant preferences in leases ad-
vertised for bid under §162.212 of this
subpart, by allowing prospective Indian
tenants to match the highest respon-
sible bid (unless the tribal leasing pol-
cy specifiesto some other manner in
which the preference must be afforded);

(2) Waive the requirement that a ten-
ant post a bond under §162.234 of this
subpart;

(3) Modify the requirement that a
tenant post a bond in a form described
in §162.235 of this subpart;

(4) Approve leases of tribal land at
rates established by the tribe, as pro-
vided in §162.222(b) of this subpart.

(c) When specifically authorized by
an appropriate tribal resolution estab-
lishing a general policy for the leasing
of “highly fractionated undivided
heirship lands” (as defined in the tribal
leasing policy), we may waive or mod-
ify the three-month notice requirement
in §162.209(b) of this subpart, so long as:

(1) The tribal law or leasing policy
adopts an alternative plan for pro-
viding notice to Indian landowners, be-
fore an agricultural lease is granted by
us on their behalf; and

(2) A waiver or modification of the
three-month notice requirement is
needed to prevent waste, reduce idle
§ 162.204 Must notice of applicable tribal laws and leasing policies be provided?

(a) A tribe must provide us with an official copy of any tribal law or leasing policy that supersedes or modifies these regulations under §§162.109 or 162.203 of this part. If the tribe has not already done so, we will provide notice of such a tribal law or leasing policy to affected Indian landowners and persons or entities undertaking activities on agricultural land. Such notice will be provided in the manner described in paragraphs (b) through (c) of this section.

(b) We will provide notice to Indian landowners, as to the superseding or modifying effect of any tribal leasing policy and their right to exempt their land from such a policy. Such notice will be provided by:

(1) Written notice included in a notice of our intent to lease the land, issued under §162.209(b) of this subpart; or

(2) Public notice posted at the tribal community building or the United States Post Office, or published in the local newspaper that serves the area in which the Indian owners’ land is located, at the time the tribal leasing policy is adopted.

(c) We will provide notice to persons or entities undertaking activities on agricultural land, as to the general applicability of tribal laws and the superseding or modifying effect of particular tribal laws and leasing policies. Such notice will be provided by:

(1) Written notice included in advertisements for lease, issued under §162.212 of this subpart; or

(2) Public notice posted at the tribal community building or the United States Post Office, or published in a local newspaper of general circulation, at the time the tribal law is enacted or the leasing policy adopted.

§ 162.205 Can individual Indian landowners exempt their agricultural land from certain tribal leasing policies?

(a) Individual Indian landowners may exempt their agricultural land from the application of a tribal leasing policy of a type described in §162.203(b) through (c) of this subpart, if the Indian owners of at least 50% of the trust or restricted interests in the land submit a written objection to us before a lease is granted or approved.

(b) Upon our receipt of a written objection from the Indian landowners that satisfies the requirements of paragraph (a) of this section, we will notify the tribe that the owners’ land has been exempted from a specific tribal leasing policy. If the exempted land is part of a unitized lease tract, such land will be removed from the unit and leased separately, if appropriate.

(c) The procedures described in paragraphs (a) and (b) of this section will also apply to withdrawing an approved exemption.

HOW TO OBTAIN A LEASE

§ 162.206 Can the terms of an agricultural lease be negotiated with the Indian landowners?

An agricultural lease may be obtained through negotiation. We will assist prospective tenants in contacting the Indian landowners or their representatives for the purpose of negotiating a lease, and we will assist the landowners in those negotiations upon request.

§ 162.207 When can the Indian landowners grant an agricultural lease?

(a) Tribes grant leases of tribally-owned agricultural land, including any tribally-owned undivided interest(s) in a fractionated tract, subject to our approval. Where tribal land is subject to a land assignment made to a tribal member or some other individual under tribal law or custom, the individual and the tribe must both grant the lease, subject to our approval.

(b) Adult Indian owners, or emancipated minors, may grant agricultural leases of their land, including undivided interests in fractionated tracts, subject to our approval.
(c) An agricultural lease of a fractionated tract may be granted by the owners of a majority interest in the tract, subject to our approval. Although prior notice to non-consenting individual Indian landowners is generally not needed prior to our approval of such a lease, a right of first refusal must be offered to any non-consenting Indian landowner who is using the entire lease tract at the time the lease is entered into by the owners of a majority interest. Where the owners of a majority interest grant such a lease on behalf of all of the Indian owners of a fractionated tract, the non-consenting Indian landowners must receive a fair annual rental.

(d) As part of the negotiation of a lease, Indian landowners may advertise their land to identify potential tenants with whom to negotiate.

§ 162.208 Who can represent the Indian landowners in negotiating or granting an agricultural lease?

The following individuals or entities may represent an individual Indian landowner:

(a) An adult with custody acting on behalf of his or her minor children;
(b) A guardian, conservator, or other fiduciary appointed by a court of competent jurisdiction to act on behalf of an individual Indian landowner;
(c) An adult or legal entity who has been given a written power of attorney that:
   (1) Meets all of the formal requirements of any applicable tribal or state law;
   (2) Identifies the attorney-in-fact and the land to be leased; and
   (3) Describes the scope of the power granted and any limits thereon.

§ 162.209 When can BIA grant an agricultural lease on behalf of an Indian landowner?

(a) We may grant an agricultural lease on behalf of:
   (1) Individuals who are found to be non compos mentis by a court of competent jurisdiction;
   (2) Orphaned minors;
   (3) The undetermined heirs and devisees of deceased Indian owners;
   (4) Individuals who have given us a written power of attorney to lease their land; and
   (5) Individuals whose whereabouts are unknown to us, after reasonable attempts are made to locate such individuals; and

(b) We may grant an agricultural lease on behalf of all of the individual Indian owners of a fractionated tract, where:
   (1) We have provided the Indian landowners with written notice of our intent to grant a lease on their behalf, but the Indian landowners are unable to agree upon a lease during a three-month negotiation period immediately following such notice, or any other notice period established by a tribe under §162.203(c) of this subpart; and
   (2) The land is not being used by an Indian landowner under §162.104(b) of this part.

§ 162.210 When can BIA grant a permit covering agricultural land?

(a) We may grant a permit covering agricultural land in the same manner as we would grant an agricultural lease under §162.209 of this part. We may also grant a permit on behalf of individual Indian landowners, without prior notice, if it is impractical to provide notice to the owners and no substantial injury to the land will occur.

(b) We may grant a permit covering agricultural land, but not an agricultural lease, on government land.

(c) We will not grant a permit on tribal agricultural land, but a tribe may grant a permit, subject to our approval, in the same manner as it would grant a lease under §162.207(a) of this subpart.

§ 162.211 What type of valuation or evaluation methods will be applied in estimating the fair annual rental of Indian land?

(a) To support the Indian landowners in their negotiations, and to assist in our consideration of whether an agricultural lease is in the Indian landowners’ best interest, we must determine the fair annual rental of the land prior to our grant or approval of the lease, unless the land may be leased at
§ 162.212 The BIA shall advertise Indian land for agricultural leases, less than a fair annual rental under §162.222(b) through (c) of this subpart.

(b) A fair annual rental may be determined by competitive bidding, appraisal, or any other appropriate valuation method. Where an appraisal or other valuation is needed to determine the fair annual rental, the appraisal or valuation must be prepared in accordance with USPAP.

§ 162.213 What supporting documents must be provided prior to BIA’s grant or approval of an agricultural lease?

(a) If the tenant is a corporation, partnership or other legal entity, it must provide organizational and financial documents, as needed to show that the lease will be enforceable against the tenant and the tenant will be able to perform all of its lease obligations.

(b) Where a bond is required under §162.234 of this subpart, the bond must be furnished before we grant or approve the lease.

(c) The tenant must provide environmental and archaeological reports, surveys, and site assessments, as needed to document compliance with NEPA and other applicable federal and tribal land use requirements.

§ 162.214 How and when will BIA decide whether to approve an agricultural lease?

(a) Before we approve a lease, we must determine in writing that the lease is in the best interest of the Indian landowners. In making that determination, we will:

(1) Review the lease and supporting documents;

(2) Identify potential environmental impacts and ensure compliance with all applicable environmental laws, land use laws, and ordinances (including preparation of the appropriate review documents under NEPA);

(3) Assure ourselves that adequate consideration has been given, as appropriate, to:

(i) The relationship between the use of the leased premises and the use of neighboring lands;

(ii) The height, quality, and safety of any structures or other facilities to be constructed on the leased premises;

(iii) The availability of police and fire protection, utilities, and other essential community services;

(iv) The availability of judicial forums for all criminal and civil matters arising on the leased premises; and

(v) The effect on the environment of the proposed land use.

(4) Require any lease modifications or mitigation measures that are needed to satisfy any requirements of this subpart, or any other federal or tribal land use requirements.

(b) Where an agricultural lease is in a form that has previously been accepted or approved by us, and all of the documents needed to support the findings required by paragraph (a) of this section have been received, we will decide whether to approve the lease within 30 days of the date of our receipt of the lease and supporting documents. If we decide to approve or disapprove a lease, we will notify the parties immediately and advise them of their right to appeal the decision under part 2 of this chapter. Copies of agricultural leases that have been approved will be provided to the tenant, and made available to the Indian landowners upon request.
§ 162.215 When will an agricultural lease be effective?

Unless otherwise provided in the lease, an agricultural lease will be effective on the date on which the lease is approved by us. An agricultural lease may be made effective on some past or future date, by agreement, but such a lease may not be approved more than one year prior to the date on which the lease term is to commence.

§ 162.216 When will a BIA decision to approve an agricultural lease be effective?

Our decision to approve an agricultural lease will be effective immediately, notwithstanding any appeal that may be filed under part 2 of this chapter.

§ 162.217 Must an agricultural lease or permit be recorded?

(a) An agricultural lease or permit must be recorded in our Land Titles and Records Office with jurisdiction over the land. We will record the lease or permit immediately following our approval under this subpart.

(b) Agricultural leases of tribal land that do not require our approval, under §162.102 of this part, must be recorded by the tribe in our Land Titles and Records Office with jurisdiction over the land.

LEASE REQUIREMENTS

§ 162.218 Is there a standard agricultural lease form?

Based on the need for flexibility in advertising, negotiating and drafting of appropriate lease terms and conditions, there is no standard agricultural lease form that must be used. We will assist the Indian landowners in drafting lease provisions that conform to the requirements of this part.

§ 162.219 Are there any provisions that must be included in an agricultural lease?

In addition to the other requirements of this part, all agricultural leases must provide that:

(a) The obligations of the tenant and its sureties to the Indian landowners will also be enforceable by the United States, so long as the land remains in trust or restricted status;

(b) Nothing contained in this lease shall operate to delay or prevent a termination of federal trust responsibilities with respect to the land by the issuance of a fee patent or otherwise during the term of the lease; however, such termination shall not serve to abrogate the lease. The owners of the land and the lessee and his surety or sureties shall be notified of any such change in the status of the land;

(c) There must not be any unlawful conduct, creation of a nuisance, illegal activity, or negligent use or waste of the leased premises; and

(d) The tenant must comply with all applicable laws, ordinances, rules, regulations, and other legal requirements, including tribal laws and leasing policies.

§ 162.220 Are there any formal requirements that must be satisfied in the execution of an agricultural lease?

(a) An agricultural lease must identify the Indian landowners and their respective interests in the leased premises, and the lease must be granted by or on behalf of each of the Indian landowners. One who executes a lease in a representative capacity under §162.208 of this subpart must identify the owner being represented and the authority under which such action is being taken.

(b) An agricultural lease must be executed by individuals having the necessary capacity and authority to bind the tenant under applicable law.

(c) An agricultural lease must include a citation of the provisions in this subpart that authorize our approval, along with a citation of the formal documents by which such authority has been delegated to the official taking such action.

§ 162.221 How should the land be described in an agricultural lease?

An agricultural lease should describe the leased premises by reference to a public or private survey, if possible. If the land cannot be so described, the lease must include a legal description or other description that is sufficient to identify the leased premises, subject
§ 162.222 How much rent must be paid under an agricultural lease?

(a) An agricultural lease must provide for the payment of a fair annual rental at the beginning of the lease term, unless a lesser amount is permitted under paragraphs (b) through (d) of this section. The tenant’s rent payments may be:

(1) In fixed amounts; or
(2) Based on a share of the agricultural products generated by the lease, or a percentage of the income to be derived from the sale of such agricultural products.

(b) We will approve an agricultural lease of tribal land at a nominal rent, or at less than a fair annual rental, if such a rent is negotiated or established by the tribe.

(c) We will approve an agricultural lease of individually-owned land at a nominal rent or at less than a fair annual rental, if:

(1) The tenant is a member of the Indian landowner’s immediate family, or a co-owner in the lease tract; or
(2) The tenant is a cooperative or other legal entity in which the Indian landowners directly participate in the revenues or profits generated by the lease.

(d) We will grant or approve a lease at less than a fair annual rental, as previously determined by an appraisal or some other appropriate valuation method, if the land is subsequently advertised and the tenant is the highest responsible bidder.

§ 162.223 Must the rent be adjusted under an agricultural lease?

(a) Except as provided in paragraph (c) of this section, an agricultural lease must provide for one or more rental adjustments if the lease term runs more than five years, unless the lease provides for the payment of:

(1) Less than a fair annual rental, as permitted under §162.222(b) through (c) of this part; or
(2) A rental based primarily on a share of the agricultural products generated by the lease, or a percentage of the income derived from the sale of agricultural products.

(b) If rental adjustments are required, the lease must specify:

(1) How adjustments are made;
(2) Who makes the adjustments;
(3) When the adjustments are effective; and
(4) How disputes about the adjustments are resolved.

(c) An agricultural lease of tribal land may run for a term of more than five years, without providing for a rental adjustment, if the tribe establishes such a policy under §162.203(b)(4) and negotiates such a lease.

§ 162.224 When are rent payments due under an agricultural lease?

An agricultural lease must specify the dates on which all rent payments are due. Unless otherwise provided in the lease, rent payments may not be made or accepted more than one year in advance of the due date. Rent payments are due at the time specified in the lease, regardless of whether the tenant receives an advance billing or other notice that a payment is due.

§ 162.225 Will untimely rent payments made under an agricultural lease be subject to interest charges or late payment penalties?

An agricultural lease must specify the rate at which interest will accrue on any rent payment not made by the due date or any other date specified in the lease. A lease may also identify additional late payment penalties that will apply if a rent payment is not made by a specified date. Unless otherwise provided in the lease, such interest charges and late payment penalties will apply in the absence of any specific notice to the tenant from us or the Indian landowners, and the failure to pay such amounts will be treated as a lease violation under §162.251 of this subpart.

§ 162.226 To whom can rent payments be made under an agricultural lease?

(a) An agricultural lease must specify whether rent payments will be made directly to the Indian landowners or to
§ 162.230 Can an agricultural lease be amended, assigned, sublet, or mortgaged?

(a) An agricultural lease may authorize amendments, assignments, subleases, or mortgages of the leasehold.

§ 162.228 What other types of payments are required under an agricultural lease?

(a) The tenant may be required to pay additional fees, taxes, and/or assessments associated with the use of the land, as determined by the tribe having jurisdiction over the land. The tenant must pay these amounts to the appropriate tribal official.

(b) Except as otherwise provided in part 171 of this chapter, if the leased premises are within an Indian irrigation project or drainage district, the tenant must pay all maintenance charges and operation and maintenance charges that accrue during the lease term. The tenant must pay these amounts to the appropriate official in charge of the irrigation project or drainage district. Failure to make such payments will constitute a violation of the lease under §162.251.

§ 162.229 How long can the term of an agricultural lease run?

(a) An agricultural lease must provide for a definite lease term, specifying the commencement date. The commencement date of the lease may not be more than one year after the date on which the lease is approved.

(b) The lease term must be reasonable, given the purpose of the lease and the level of investment required. Unless otherwise provided by statute, the maximum term may not exceed ten years, unless a substantial investment in the improvement of the land is required. If such a substantial investment is required, the maximum term may be up to 25 years.

(c) Where all of the trust or restricted interests in a tract are owned by a deceased Indian whose heirs and devisees have not yet been determined, the maximum term may not exceed two years.

(d) An agricultural lease may not provide the tenant with an option to renew, and such a lease may not be renewed or extended by holdover.

§ 162.227 What form of rent payment can be accepted under an agricultural lease?

(a) When rent payments are made directly to the Indian landowners, the form of payment must be acceptable to the Indian landowners.

(b) Payments made to us may be delivered in person or by mail. We will not accept cash, foreign currency, or third-party checks. We will accept:

(1) Personal or business checks drawn on the account of the tenant;
(2) Money orders;
(3) Cashier’s checks;
(4) Certified checks; or
(5) Electronic funds transfer payments.

§ 162.228 What other types of payments are required under an agricultural lease?

(a) The tenant may be required to pay additional fees, taxes, and/or assessments associated with the use of the land, as determined by the tribe having jurisdiction over the land. The tenant must pay these amounts to the appropriate tribal official.

(b) Except as otherwise provided in part 171 of this chapter, if the leased premises are within an Indian irrigation project or drainage district, the tenant must pay all operation and maintenance charges that accrue during the lease term. The tenant must pay these amounts to the appropriate official in charge of the irrigation project or drainage district. Failure to make such payments will constitute a violation of the lease under §162.251.

§ 162.229 How long can the term of an agricultural lease run?

(a) An agricultural lease must provide for a definite lease term, specifying the commencement date. The commencement date of the lease may not be more than one year after the date on which the lease is approved.

(b) The lease term must be reasonable, given the purpose of the lease and the level of investment required. Unless otherwise provided by statute, the maximum term may not exceed ten years, unless a substantial investment in the improvement of the land is required. If such a substantial investment is required, the maximum term may be up to 25 years.

(c) Where all of the trust or restricted interests in a tract are owned by a deceased Indian whose heirs and devisees have not yet been determined, the maximum term may not exceed two years.

(d) An agricultural lease may not provide the tenant with an option to renew, and such a lease may not be renewed or extended by holdover.

§ 162.230 Can an agricultural lease be amended, assigned, sublet, or mortgaged?

(a) An agricultural lease may authorize amendments, assignments, subleases, or mortgages of the leasehold.
§ 162.231 How can the land be used under an agricultural lease?

(a) An agricultural lease must describe the authorized uses of the leased premises. Any use of the leased premises for an unauthorized purpose, or a failure by the tenant to maintain continuous operations throughout the lease term, will be treated as a lease violation under §162.251 of this subpart.

(b) An agricultural lease may authorize us, one or more of the Indian landowners, or a designated representative of the Indian landowners, to consent to an amendment, assignment, sublease, mortgage, or other type of agreement, on the landowners’ behalf. A designated landowner or representative may not negotiate or consent to an amendment, assignment, or sublease that would:

1. Reduce the rentals payable to the other Indian landowners; or

2. Terminate or modify the term of the lease.

(c) Where the Indian landowners have not designated a representative for the purpose of consenting to an amendment, assignment, sublease, mortgage, or other type of agreement, such consent may be granted by or on behalf of the landowners in the same manner as a new lease, under §§162.207 through 162.209 of this subpart.

§ 162.232 Can improvements be made under an agricultural lease?

An agricultural lease must generally describe the type and location of any improvements to be constructed by the lessee. Unless otherwise provided in the lease, any specific plans for the construction of those improvements will not require the consent of the Indian owners or our approval.

§ 162.233 Who will own the improvements made under an agricultural lease?

(a) An agricultural lease may specify who will own any improvements constructed by the tenant, during the lease term. The lease must indicate whether any improvements constructed by the tenant will remain on the leased premises upon the expiration or termination of the lease, providing for the improvements to either:

1. Remain on the leased premises, in a condition satisfactory to the Indian landowners and us; or

2. Be removed within a time period specified in the lease, at the tenant’s expense, with the leased premises to be restored as close as possible to their condition prior to construction of such improvements.

(b) If the lease allows the tenant to remove the improvements, it must also provide the Indian landowners with an option to waive the removal requirement and take possession of the improvements if they are not removed within the specified time period. If the Indian landowners choose not to exercise this option, we will take appropriate enforcement action to ensure removal at the tenant’s expense.

§ 162.234 Must a tenant provide a bond under an agricultural lease?

Unless otherwise provided by a tribe under §162.203 of this subpart, or waived by us at the request of the owners of a majority interest in an agricultural lease tract, the tenant must provide a bond to secure:

(a) The payment of one year’s rental; or

(b) The construction of any required improvements; or

(c) The performance of any additional lease obligations, including the payment of operation and maintenance.
§ 162.235 What form of bond can be accepted under an agricultural lease?

(a) Except as provided in paragraph (b) of this section, a bond must be deposited with us and made payable only to us, and such a bond may not be modified or withdrawn without our approval. We will only accept a bond in one of the following forms:

(1) Cash;

(2) Negotiable Treasury securities that:

(i) Have a market value at least equal to the bond amount; and

(ii) Are accompanied by a statement granting full authority to us to sell such securities in case of a violation of the terms of the lease.

(3) Certificates of deposit that indicate on their face that our approval is required prior to redemption by any party;

(4) Irrevocable letters of credit issued by federally-insured financial institutions authorized to do business in the United States. A letter of credit must:

(i) Contain a clause that grants us the authority to demand immediate payment if the tenant violates the lease or fails to replace the letter of credit at least 30 days prior to its expiration date;

(ii) Be payable to us;

(iii) Be irrevocable during its term and have an initial expiration date of not less than one year following the date of issuance; and

(iv) Be automatically renewable for a period of not less than one year, unless the issuing financial institution provides us with written notice that it will not be renewed, at least 90 calendar days before the letter of credit’s expiration date;

(5) A surety bond issued by a company approved by the U.S. Department of the Treasury; or

(6) Any other form of highly liquid, non-volatile security that is easily convertible to cash and for which our approval is required prior to redemption by any party.

(b) A tribe may accept and hold any form of bond described in paragraph (a) of this section, to secure performance under an agricultural lease of tribal land.

§ 162.236 How will a cash bond be administered?

(a) If a cash bond is submitted, we will retain the funds in an account established in the name of the tenant.

(b) We will not pay interest on a cash performance bond.

(c) If the bond is not forfeited under §162.252(a) of this subpart, we will refund the bond to the tenant upon the expiration or termination of the lease.

§ 162.237 What insurance is required under an agricultural lease?

When necessary to protect the interests of the Indian landowners, an agricultural lease must require that a tenant provide insurance. Such insurance may include property, crop, liability and/or casualty insurance. If insurance is required, it must identify both the Indian landowners and the United States as insured parties, and be sufficient to protect all insurable improvements on the leased premises.

§ 162.238 What indemnities are required under an agricultural lease?

(a) An agricultural lease must require that the tenant indemnify and hold the United States and the Indian landowners harmless from any loss, liability, or damages resulting from the tenant’s use or occupation of the leased premises, unless:

(1) The tenant would be prohibited by law from making such an agreement; or

(2) The interests of the Indian landowners are adequately protected by insurance.

(b) Unless the tenant would be prohibited by law from making such an agreement, an agricultural lease must specifically require that the tenant indemnify the United States and the Indian landowners against all liabilities or costs relating to the use, handling, treatment, removal, storage, transportation, or disposal of hazardous materials, or the release or discharge of any hazardous materials from the leased premises that occurs during the lease term, regardless of fault.
§ 162.239 How will payment rights and obligations relating to agricultural land be allocated between the Indian landowners and the tenant?

(a) Unless otherwise provided in an agricultural lease, the Indian landowners will be entitled to receive any settlement funds or other payments arising from certain actions that diminish the value of the land or the improvements thereon. Such payments may include (but are not limited to):

1. Insurance proceeds;
2. Trespass damages; and
3. Condemnation awards.

(b) An agricultural lease may provide for the tenant to assume certain cost-share or other payment obligations that have attached to the land through past farming and grazing operations, so long as those obligations are specified in the lease and considered in any determination of fair annual rental made under this subpart.

§ 162.240 Can an agricultural lease provide for negotiated remedies in the event of a violation?

(a) A lease of tribal agricultural land may provide the tribe with certain negotiated remedies in the event of a lease violation, including the power to terminate the lease. An agricultural lease of individually-owned land may provide the individual Indian landowners with similar remedies, so long as the lease also specifies the manner in which those remedies may be exercised by or on behalf of the landowners.

(b) The negotiated remedies described in paragraph (a) of this section will apply in addition to the cancellation remedy available to us under §162.252(c) of this subpart. If the lease specifically authorizes us to exercise any negotiated remedies on behalf of the Indian landowners, the exercise of such remedies may substitute for cancellation.

(c) An agricultural lease may provide for lease disputes to be resolved in tribal court or any other court of competent jurisdiction, or through arbitration or some other alternative dispute resolution method. We may not be bound by decisions made in such forums, but we will defer to ongoing proceedings, as appropriate, in deciding whether to exercise any of the remedies available to us under §162.252 of this subpart.

LEASE ADMINISTRATION

§ 162.241 Will administrative fees be charged for actions relating to agricultural leases?

(a) We will charge an administrative fee each time we approve an agricultural lease, amendment, assignment, sublease, mortgage, or related document. These fees will be paid by the tenant, assignee, or subtenant, to cover our costs in preparing or processing the documents and administering the lease.

(b) Except as provided in paragraph (c) of this section, we will charge administrative fees based on the rent payable under the lease. The fee will be 3% of the annual rent payable, including any percentage-based rent that can be reasonably estimated.

(c) The minimum administrative fee is $10.00 and the maximum administrative fee is $500.00, and any administrative fees that have been paid will be non-refundable. However, we may waive all or part of these administrative fees, in our discretion.

(d) If all or part of the expenses of the work are paid from tribal funds, the tribe may establish an additional or alternate schedule of fees.

§ 162.242 How will BIA decide whether to approve an amendment to an agricultural lease?

We will approve an agricultural lease amendment if:

(a) The required consents have been obtained from the parties to the lease under §162.230 and any sureties; and

(b) We find the amendment to be in the best interest of the Indian landowners, under the standards set forth in §162.213 of this subpart.

§ 162.243 How will BIA decide whether to approve an assignment or sublease under an agricultural lease?

(a) We will approve an assignment or sublease under an agricultural lease if:

1. The required consents have been obtained from the parties to the lease under §162.230 and the tenant’s sureties;

2. The tenant is not in violation of the lease;
(3) The assignee agrees to be bound by, or the subtenant agrees to be subordinated to, the terms of the lease; and

(4) We find no compelling reason to withhold our approval in order to protect the best interests of the Indian owners.

(b) In making the finding required by paragraph (a)(4) of this section, we will consider whether:

(1) The Indian landowners should receive any income derived by the tenant from the assignment or sublease, under the terms of the lease;

(2) The proposed use by the assignee or subtenant will require an amendment of the lease;

(3) The value of any part of the leased premises not covered by the assignment or sublease would be adversely affected; and

(4) The assignee or subtenant has bonded its performance and provided supporting documents that demonstrate that the lease or sublease will be enforceable against the assignee or subtenant, and that the assignee or subtenant will be able to perform its obligations under the lease or sublease.

§ 162.244 How will BIA decide whether to approve a leasehold mortgage under an agricultural lease?

(a) We will approve a leasehold mortgage under an agricultural lease if:

(1) The required consents have been obtained from the parties to the lease under §162.230 and the tenant’s sureties;

(2) The mortgage covers only the tenant’s interest in the leased premises, and no unrelated collateral;

(3) The loan being secured by the mortgage will be used only in connection with the development or use of the leased premises, and the mortgage does not secure any unrelated debts owed by the tenant to the mortgagee; and

(4) We find no compelling reason to withhold our approval in order to protect the best interests of the Indian landowners.

(b) In making the finding required by paragraph (a)(4) of this section, we will consider whether:

(1) The tenant’s ability to comply with the lease would be adversely affected by any new loan obligations;

(2) Any lease provisions would be modified by the mortgage;

(3) The remedies available to us or to the Indian landowners would be limited (beyond any additional notice and cure rights to be afforded to the mortgagee), in the event of a lease violation; and

(4) Any rights of the Indian landowners would be subordinated or adversely affected in the event of a loan default by the tenant.

§ 162.245 When will a BIA decision to approve an amendment, assignment, sublease, or mortgage under an agricultural lease be effective?

Our decision to approve an amendment, assignment, sublease, or mortgage under an agricultural lease will be effective immediately, notwithstanding any appeal that may be filed under part 2 of this chapter. Copies of approved documents will be provided to the party requesting approval, and made available to the Indian landowners upon request.

§ 162.246 Must an amendment, assignment, sublease, or mortgage approved under an agricultural lease be recorded?

An amendment, assignment, sublease, or mortgage approved under an agricultural lease must be recorded in our Land Titles and Records Office that has jurisdiction over the leased premises. We will record the document immediately following our approval under this subpart.

LEASE ENFORCEMENT

§ 162.247 Will BIA notify a tenant when a rent payment is due under an agricultural lease?

We may issue bills or invoices to a tenant in advance of the dates on which rent payments are due under an agricultural lease, but the tenant’s obligation to make such payments in a timely manner will not be excused if such bills or invoices are not delivered or received.

§ 162.248 What will BIA do if rent payments are not made in the time and manner required by an agricultural lease?

(a) A tenant’s failure to pay rent in the time and manner required by an
§ 162.249 Will any special fees be assessed on delinquent rent payments due under an agricultural lease?

The following special fees will be assessed if rent is not paid in the time and manner required, in addition to any interest or late payment penalties that must be paid to the Indian landowners under an agricultural lease. The following special fees will be assessed to cover administrative costs incurred by the United States in the collection of the debt:

§ 162.250 How will BIA determine whether the activities of a tenant under an agricultural lease are in compliance with the terms of the lease?

(a) Unless an agricultural lease provides otherwise, we may enter the leased premises at any reasonable time, without prior notice, to protect the interests of the Indian landowners and ensure that the tenant is in compliance with the operating requirements of the lease.

(b) If an Indian landowner notifies us that a specific lease violation has occurred, we will initiate an appropriate investigation within five business days of that notification.

§ 162.251 What will BIA do in the event of a violation under an agricultural lease?

(a) If we determine that an agricultural lease has been violated, we will send the tenant and its sureties a notice of violation within five business days of that determination. The notice of violation must be provided by certified mail, return receipt requested.

(b) Within ten business days of the receipt of a notice of violation, the tenant must:

(1) Cure the violation and notify us in writing that the violation has been cured;
(2) Dispute our determination that a violation has occurred and/or explain why we should not cancel the lease; or
(3) Request additional time to cure the violation.

§ 162.252 What will BIA do if a violation of an agricultural lease is not cured within the requisite time period?
(a) If the tenant does not cure a violation of an agricultural lease within the requisite time period, we will consult with the Indian landowners, as appropriate, and determine whether:
   (1) The lease should be canceled by us under paragraph (c) of this section and §§162.253 through 162.254 of this subpart;
   (2) We should invoke any other remedies available to us under the lease, including collecting on any available bond;
   (3) The Indian landowners wish to invoke any remedies available to them under the lease; or
   (4) The tenant should be granted additional time in which to cure the violation.
(b) If we decide to grant a tenant additional time in which to cure a violation, the tenant must proceed diligently to complete the necessary corrective actions within a reasonable or specified time period from the date on which the extension is granted.
(c) If we decide to cancel the lease, we will send the tenant and its sureties a cancellation letter within five business days of that decision. The cancellation letter must be sent to the tenant by certified mail, return receipt requested. We will also provide actual or constructive notice of a cancellation decision to the Indian landowners, as appropriate. The cancellation letter will:
   (1) Explain the grounds for cancellation;
   (2) Notify the tenant of the amount of any unpaid rent, interest charges, or late payment penalties due under the lease;
   (3) Notify the tenant of its right to appeal under part 2 of this chapter, as modified by §162.253 of this subpart, including the amount of any appeal bond that must be posted with an appeal of the cancellation decision; and
   (4) Order the tenant to vacate the property within 30 days of the date of receipt of the cancellation letter, if an appeal is not filed by that time.

§ 162.253 Will BIA’s regulations concerning appeal bonds apply to cancellation decisions involving agricultural leases?
(a) The appeal bond provisions in §2.5 of part 2 of this chapter will not apply to appeals from lease cancellation decisions made under §162.252 of this subpart. Instead, when we decide to cancel an agricultural lease, we may require that the tenant post an appeal bond with an appeal of the cancellation decision. The requirement to post an appeal bond will apply in addition to all of the other requirements in part 2 of this chapter.
(b) An appeal bond should be set in an amount necessary to protect the Indian landowners against financial losses that will likely result from the delay caused by an appeal. Appeal bond requirements will not be separately appealable, but may be contested during the appeal of the lease cancellation decision.

§ 162.254 When will a cancellation of an agricultural lease be effective?
A cancellation decision involving an agricultural lease will not be effective until 30 days after the tenant receives a cancellation letter from us. The cancellation decision will remain ineffective if the tenant files an appeal under §162.253 of this subpart and part 2 of this chapter, unless the decision is made immediately effective under part 2. While a cancellation decision is ineffective, the tenant must continue to pay rent and comply with the other terms of the lease. If an appeal is not filed in accordance with §162.253 of this subpart and part 2 of this chapter, the cancellation decision will be effective on the 31st day after the tenant receives the cancellation letter from us.

§ 162.255 Can BIA take emergency action if the leased premises are threatened with immediate and significant harm?
If a tenant or any other party causes or threatens to cause immediate and significant harm to the leased premises during the term of an agricultural
lease, we will take appropriate emergency action. Emergency action may include trespass proceedings under part 166, subpart I, of this chapter, or judicial action seeking immediate cessation of the activity resulting in or threatening the harm. Reasonable efforts will be made to notify the Indian landowners, either before or after the emergency action is taken.

§ 162.256 What will BIA do if a tenant holds over after the expiration or cancellation of an agricultural lease?

If a tenant remains in possession after the expiration or cancellation of an agricultural lease, we will treat the unauthorized use as a trespass. Unless we have reason to believe that the tenant is engaged in negotiations with the Indian landowners to obtain a new lease, we will take action to recover possession on behalf of the Indian landowners, and pursue any additional remedies available under applicable law, including the assessment of civil penalties and costs under part 166, subpart I, of this chapter.

Subpart C—Residential Leases
[Reserved]

Subpart D—Business Leases
[Reserved]

Subpart E—Special Requirements for Certain Reservations

§ 162.500 Crow Reservation.

(a) Notwithstanding the regulations in other sections of this part 162, Crow Indians classified as competent under the Act of June 4, 1920 (41 Stat. 751), as amended, may lease their trust lands and the trust lands of their minor children for farming or grazing purposes without the approval of the Secretary pursuant to the Act of May 28, 1926 (44 Stat. 658), as amended by the Act of March 15, 1948 (62 Stat. 80). However, at their election Crow Indians classified as competent may authorize the Secretary to lease, or assist in the leasing of such lands, and an appropriate notice of such action shall be made a matter of record. When this prerogative is exercised, the general regulations contained in this part 162 shall be applicable. Approval of the Secretary is required on leases signed by Crow Indians not classified as competent or made on inherited or devised trust lands owned by more than five competent devisees or heirs.

(b) The Act of May 28, 1926 (44 Stat. 658), as amended by the Act of March 15, 1948 (62 Stat. 80), provides that no lease for farming or grazing purposes shall be made for a period longer than five years, except irrigable lands under the Big Horn Canal; which may be leased for periods of ten years. No such lease shall provide the lessee a preference right to future leases which, if exercised, would thereby extend the total period of encumbrance beyond the five or ten years authorized by law.

(c) All leases entered into by Crow Indians classified as competent, under the above-cited special statutes, must be recorded at the Crow Agency. Such recording shall constitute notice to all persons. Under these special statutes, Crow Indians classified as competent are free to lease their property within certain limitations. The five-year (ten-year in the case of lands under the Big Horn Canal) limitation is intended to afford a protection to the Indians. The essence of this protection is the right to deal with the property free, clear, and unencumbered at intervals at least as frequent as those provided by law. If lessees are able to obtain new leases long before the termination of existing leases, they are in a position to set their own terms. In these circumstances lessees could perpetuate their leaseholds and the protection of the statutory limitations as to terms would be destroyed. Therefore, in implementation of the foregoing interpretation, any lease which, on its face, is in violation of statutory limitations or requirements, and any grazing lease executed more than 12 months, and any farming lease executed more than 18 months, prior to the commencement of the term thereof or any lease which purports to cancel an existing lease with the same lessee as of a future date and take effect upon such cancellation will not be recorded. Under a Crow tribal program, approved by the Department of the Interior, competent
Crow Indians may, under certain circumstances, enter into agreements which require that, for a specified term, their leases be approved. Information concerning whether a competent Crow Indian has executed such an instrument is available at the office of the Superintendent of the Crow Agency, Bureau of Indian Affairs, Crow Agency, Montana. Any lease entered into with a competent Crow Indian during the time such instrument is in effect and which is not in accordance with such instrument will be returned without recordation.

(d) Where any of the following conditions are found to exist, leases will be recorded but the lessee and lessor will be notified upon discovery of the condition:

1. The lease in single or counterpart form has not been executed by all owners of the land described in the lease;
2. There is, of record, a lease on the land for all or a part of the same term;
3. The lease does not contain stipulations requiring sound land utilization plans and conservation practices;
4. There are other deficiencies such as, but not limited to, erroneous land descriptions, and alterations which are not clearly endorsed by the lessor.

(e) Any adult Crow Indian classified as competent shall have the full responsibility for obtaining compliance with the terms of any lease made by him pursuant to this section. This shall not preclude action by the Secretary to assure conservation and protection of these trust lands.

(f) Leases made by competent Crow Indians shall be subject to the right to issue permits and leases to prospect for, develop, and mine oil, gas, and other minerals, and to grant rights-of-way and easements, in accordance with applicable law and regulations. In the issuance or granting of such permits, leases, rights-of-way or easements due consideration will be given to the interests of lessees and to the adjustment of any damages to such interests. In the event of a dispute as to the amount of such damage, the matter will be referred to the Secretary whose determination will be final as to the amount of said damage.

§ 162.501 Fort Belknap Reservation.

Not to exceed 20,000 acres of allotted and tribal lands (non-irrigable as well as irrigable) on the Fort Belknap Reservation in Montana may be leased for the culture of sugar beets and other crops in rotation for terms not exceeding ten years.

§ 162.502 Cabazon, Augustine, and Torres-Martinez Reservations, California.

(a) Upon a determination by the Secretary that the owner or owners are not making beneficial use thereof, restricted lands on the Cabazon, Augustine, and Torres-Martinez Indian Reservations which are or may be irrigated from distribution facilities administered by the Coachella Valley County Water District in Riverside County, California, may be leased by the Secretary in accordance with the regulations in this part for the benefit of the owner or owners.

(b) All leases granted or approved on restricted lands of the Cabazon, Augustine, and Torres-Martinez Indian Reservations shall be filed for record in the office of the county recorder of the county in which the land is located, the cost thereof to be paid by the lessee. A copy of each such lease shall be filed by the lessee with the Coachella Valley County Water District or such other irrigation or water district within which the leased lands are located. All such leases shall include a provision that the lessee, in addition to the rentals provided for in the lease, shall pay all irrigation charges properly assessed against the land which became payable during the term of the lease. Act of August 25, 1950 (64 Stat. 470); Act of August 29, 1958 (72 Stat. 988).

§ 162.503 San Xavier and Salt River Pima-Maricopa Reservations.

§ 162.600
162 apply. The purpose of this section is to provide regulations for implementation of the 1966 Act. The 1966 Act does not apply to leases made for purposes that are subject to the laws governing mining leases on Indian lands.

(b) *Duration of leases.* Leases made under the 1966 Act for public, religious, educational, recreational, residential, or business purposes may be made for terms of not to exceed 99 years. The terms of a grazing lease shall not exceed ten years; the term of a farming lease that does not require the making of a substantial investment in the improvement of the land shall not exceed ten years; and the term of a farming lease that requires the making of a substantial investment in the improvement of the land shall not exceed 40 years. No lease shall contain an option to renew which extends the total term beyond the maximum term permitted by this section.

(c) *Required covenant and enforcement thereof.* Every lease under the 1966 Act shall contain a covenant on the part of the lessee that he will not commit or permit on the leased land any act that causes waste or a nuisance or which creates a hazard to health of persons or to property wherever such persons or property may be.

(d) *Notification regarding leasing proposals.* If the Secretary determines that a proposed lease to be made under the 1966 Act for public, religious, educational, recreational, residential, or business purposes will substantially affect the governmental interests of a municipality contiguous to the San Xavier Reservation or the Salt River Pima-Maricopa Reservation, as the case may be, he shall notify the appropriate authority of such municipality of the pendency of the proposed lease. The Secretary may, in his discretion, furnish such municipality with an outline of the major provisions of the lease which affect its governmental interests and shall consider any comments on the terms of the lease affecting the municipality or on the absence of such terms from the lease that the authorities may offer. The notice to the authorities of the municipality shall set forth a reasonable period, not to exceed 30 days, within which any such comments shall be submitted.

(e) *Applicability of other regulations.* The regulations in part 162 of this title shall apply to leases made under the 1966 Act except where such regulations are inconsistent with this section.

(f) *Mission San Xavier del Bac.* Nothing in the 1966 Act authorizes development that would detract from the scenic, historic, and religious values of the Mission San Xavier del Bac owned by the Franciscan Order of Friars Minor and located on the San Xavier Reservation.

Subpart F—Non-Agricultural Leases

§ 162.600 What types of leases are covered by this subpart?

The regulations in this subpart apply to any leases other than agricultural leases, as defined in this part. To the extent that any of the regulations in this subpart conflict with the provisions of the Indian Land Consolidation Act Amendments of 2000, Pub. Law. 106–462, the provisions of that Act will govern.

§ 162.601 Grants of leases by Secretary.

(a) The Secretary may grant leases on individually owned land on behalf of:

1. Persons who are non compos mentis;
2. Orphaned minors;
3. The undetermined heirs of a deceased’s estate;
4. The heirs or devisees to individually owned land who have not been able to agree upon a lease during the three-month period immediately following the date on which a lease may be entered into; provided, that the land is not in use by any of the heirs or devisees; and
5. Indians who have given the Secretary written authority to execute leases on their behalf.

(b) The Secretary may grant leases on the individually owned land of an adult Indian whose whereabouts is unknown, on such terms as are necessary to protect and preserve such property.

(c) The Secretary may grant permits on Government land.
§ 162.602 Grants of leases by owners or their representatives.

The following may grant leases:

(a) Adults, other than those non compos mentis,

(b) Adults, other than those non compos mentis, on behalf of their minor children, and on behalf of minor children to whom they stand in loco parentis when such children do not have a legal representative,

(c) The guardian, conservator or other fiduciary, appointed by a state court or by a tribal court operating under an approved constitution or law and order code, of a minor or persons who are non compos mentis or are otherwise under legal disability,

(d) Tribes or tribal corporations acting through their appropriate officials.

§ 162.603 Use of land of minors.

The natural or legal guardian, or other person standing in loco parentis of minor children who have the care and custody of such children may use the individually owned land of such children during the period of minority without charge for the use of the land if such use will enable such person to engage in a business or other enterprise which will be beneficial to such minor children.

§ 162.604 Special requirements and provisions.

(a) All leases made pursuant to the regulations in this part shall be in the form approved by the Secretary and subject to his written approval.

(b) Except as otherwise provided in this part no lease shall be approved or granted at less than the present fair annual rental.

(1) An adult Indian owner of trust or restricted land may lease his land for religious, educational, recreational or other public purposes to religious organizations or to agencies of the federal, state, or local governments; for purposes of subsidization for the benefit of the tribe; and for homesite purposes to tribal members provided the land is not commercial or industrial in character.

(3) Leases may be granted or approved by the Secretary at less than the fair annual rental when in his judgment such action would be in the best interest of the landowners.

(c) Unless otherwise provided by the Secretary a satisfactory surety bond will be required in an amount that will reasonably assure performance of the contractual obligations under the lease. Such bond may be for the purpose of guaranteeing:

(1) Not less than one year’s rental unless the lease contract provides that the annual rental shall be paid in advance.

(2) The estimated construction cost of any improvement to be placed on the land by the lessee.

(3) An amount estimated to be adequate to insure compliance with any additional contractual obligations.

(d) The lessee may be required to provide insurance in an amount adequate to protect any improvements on the leased premises; the lessee may also be required to furnish appropriate liability insurance, and such other insurance as may be necessary to protect the lessor’s interest.

(e) No lease shall provide the lessee a preference right to future leases nor shall any lease contain provisions for renewal, except as otherwise provided in this part. No lease shall be entered into more than 12 months prior to the commencement of the term of the lease. Except with the approval of the Secretary no lease shall provide for payment of rent in advance of the beginning of the annual use period for which such rent is paid. The lease contract shall contain provisions as to the dates rents shall become due and payable.

(f) Leases granted or approved under this part shall contain provisions as to whether payment of rentals is to be made direct to the owner of the land or his representative or to the official of the Bureau of Indian Affairs having jurisdiction over the leased premises.
§ 162.605 Negotiation of leases.

(a) Leases of individually owned land or tribal land may be negotiated by those owners or their representatives who may execute leases pursuant to §162.602 of this subpart.

(b) Where the owners of a majority interest, or their representatives, who may grant leases under §162.602 of this subpart, have negotiated a lease satisfactory to the Secretary he may join in the execution of the lease and thereby commit the interests of those persons in whose behalf he is authorized to grant leases under §162.601(a)(1), (2), (3), and (5) of this subpart.

(c) Where the Secretary may grant leases under §162.601 of this subpart he may negotiate leases when in his judgment the fair annual rental can thus be obtained.

§ 162.606 Advertisement.

Except as otherwise provided in this part, prior to granting a lease or permit as authorized under §162.601 of this subpart the Secretary shall advertise the land for lease. Advertisements will call for sealed bids and will not offer preference rights.

§ 162.607 Duration of leases.

Leases granted or approved under this part shall be limited to the minimum duration, commensurate with the purpose of the lease, that will allow the highest economic return to the owner consistent with prudent management and conservation practices, and except as otherwise provided in this part shall not exceed the number of years provided for in this section. Except for those leases authorized by §162.601(b)(1) and (2) of this subpart, unless the consideration for the lease is based primarily on percentages of income produced by the land, the lease shall provide for periodic review, at not less than five-year intervals, of the equities involved. Such review shall give consideration to the economic conditions at the time, exclusive of improvements or development required by the contract or the contribution value of such improvements. Any adjustments of rental resulting from such review may be made by the Secretary where he has the authority to grant leases, otherwise the adjustment must be made with the written concurrence of the owners and the approval of the Secretary.

(a) Leases for public, religious, educational, recreational, residential, or business purposes shall not exceed 25 years but may include provisions authorizing a renewal or an extension for one additional term of not to exceed 25 years, except such leases of land on the Hollywood (formerly Dania) Reservation, Fla.; the Navajo Reservation, Ariz., N. Mex., and Utah; the Palm
§ 162.611 Payment of fees and drainage and irrigation charges.

(a) Any lease covering lands within an irrigation project or drainage district shall require the lessee to pay annually on or before the due date, during the term of the lease and in the amounts determined, all charges assessed against such lands. Such charges shall be in addition to the rental payments prescribed in the lease. All payments of such charges and penalties
§ 162.612 Can a lease provide for negotiated remedies in the event of a violation?

(a) A lease of tribal land may provide the tribe with certain negotiated remedies in the event of a lease violation, including the power to terminate the lease. A lease of individually-owned land may provide the individual Indian landowners with similar remedies, so long as the lease also specifies the manner in which those remedies may be exercised by or on behalf of the landowners.

(b) The negotiated remedies described in paragraph (a) of this section will apply in addition to the cancellation remedy available to us under §162.619(c) of this subpart. If the lease specifically authorizes us to exercise any negotiated remedies on behalf of the Indian landowners, the exercise of such remedies may substitute for cancellation.

(c) A lease may provide for lease disputes to be resolved in tribal court or any other court of competent jurisdiction, or through mediation or some other alternative dispute resolution method. We may not be bound by decisions made in such forums, but we will defer to ongoing proceedings, as appropriate, in deciding whether to exercise any of the remedies available to us under §162.619 of this subpart.

§ 162.613 Will BIA notify a tenant when a rent payment is due under a lease?

We may issue bills or invoices to a tenant in advance of the dates on which rent payments are due under a lease, but the tenant’s obligation to make such payments in a timely manner will not be excused if such bills or invoices are not delivered or received.

§ 162.614 Will untimely rent payments made under a lease be subject to interest charges or late payment penalties?

A lease must specify the rate at which interest will accrue on any rent payment not made by the due date or any other date specified in the lease. A lease may also identify additional late payment penalties that will apply if a rent payment is not made by a specified date. Unless otherwise provided in the lease, such interest charges and late payment penalties will apply in the absence of any specific notice to the tenant from us or the Indian landowners, and the failure to pay such amounts will be treated as a lease violation under §162.618 of this subpart.

§ 162.615 What will BIA do if rent payments are not made in the time and manner required by a lease?

(a) A tenant’s failure to pay rent in the time and manner required by a lease will be a violation of the lease, and a notice of violation will be issued under §162.618 of this subpart. If the lease requires that rent payments be made to us, we will send the tenant and its sureties a notice of violation within five business days of the date on which the rent payment was due. If the lease provides for payment directly to the Indian landowners, we will send the tenant and its sureties a notice of violation within five business days of the date on which we receive actual notice of non-payment from the landowners.

(b) If a tenant fails to provide adequate proof of payment or cure the violation within the requisite time period
described in §162.618(b) of this subpart, and the amount due is not in dispute, we may immediately take action to recover the amount of the unpaid rent and any associated interest charges or late payment penalties. We may also cancel the lease under §162.619 of this subpart, or invoke any other remedies available under the lease or applicable law, including collection on any available bond or referral of the debt to the Department of the Treasury for collection. An action to recover any unpaid amounts will not be conditioned on the prior cancellation of the lease or any further notice to the tenant, nor will such an action be precluded by a prior cancellation.

(c) Partial payments and underpayments may be accepted by the Indian landowners or us, but acceptance will not operate as a waiver with respect to any amounts remaining unpaid or any other existing lease violations. Unless otherwise provided in the lease, overpayments may be credited as an advance against future rent payments, or refunded.

(d) If a personal or business check is dishonored, and a rent payment is therefore not made by the due date, the failure to make the payment in a timely manner will be a violation of the lease, and a notice of violation will be issued under §162.618 of this subpart. Any payment made to cure such a violation, and any future payments by the same tenant, must be made by an alternative payment method approved by us.

§162.616 Will any special fees be assessed on delinquent rent payments due under a lease?

The following special fees will be assessed if rent is not paid in the time and manner required, in addition to any interest or late payment penalties that must be paid to the Indian landowners under a lease. The following special fees will be assessed to cover administrative costs incurred by the United States in the collection of the debt:

§162.617 How will BIA determine whether the activities of a tenant under a lease are in compliance with the terms of the lease?

(a) Unless a lease provides otherwise, we may enter the leased premises at any reasonable time, without prior notice, to protect the interests of the Indian landowners and ensure that the tenant is in compliance with the operating requirements of the lease.

(b) If an Indian landowner notifies us that a specific lease violation has occurred, we will initiate an appropriate investigation within five business days of that notification.

§162.618 What will BIA do in the event of a violation under a lease?

(a) If we determine that a lease has been violated, we will send the tenant and its sureties a notice of violation within five business days of that determination. The notice of violation must be provided by certified mail, return receipt requested.

(b) Within ten business days of the receipt of a notice of violation, the tenant must:

1. Cure the violation and notify us in writing that the violation has been cured;
2. Dispute our determination that a violation has occurred and/or explain why we should not cancel the lease; or
3. Request additional time to cure the violation.

§162.619 What will BIA do if a violation of a lease is not cured within the requisite time period?

(a) If the tenant does not cure a violation of a lease within the requisite time period, we will consult with the Indian landowners, as appropriate, and determine whether:

1. The lease should be canceled by us under paragraph (c) of this section and §§162.620 through 162.621 of this subpart;
2. We should invoke any other remedies available to us under the lease,
§ 162.620 Will BIA’s regulations concerning appeal bonds apply to cancellation decisions involving leases?

(a) The appeal bond provisions in §2.5 of part 2 of this chapter will not apply to appeals from lease cancellation decisions made under §162.619 of this subpart. Instead, when we decide to cancel an agricultural lease, we may require that the tenant post an appeal bond with an appeal of the cancellation decision. The requirement to post an appeal bond will apply in addition to all of the other requirements in part 2 of this chapter.

(b) An appeal bond should be set in an amount necessary to protect the Indian landowners against financial losses that will likely result from the delay caused by an appeal. Appeal bond requirements will not be separately appealable, but may be contested during the appeal of the lease cancellation decision.

§ 162.621 When will a cancellation of a lease be effective?

A cancellation decision involving an agricultural lease will not be effective until 30 days after the tenant receives a cancellation letter from us. The cancellation decision will remain ineffective if the tenant files an appeal under §162.620 of this subpart and part 2 of this chapter, unless the decision is made immediately effective under part 2. While a cancellation decision is ineffective, the tenant must continue to pay rent and comply with the other terms of the lease. If an appeal is not filed in accordance with §162.620 of this subpart and part 2 of this chapter, the cancellation decision will be effective on the 31st day after the tenant receives the cancellation letter from us.

§ 163.3 Scope and objectives.

(a) The regulations in this part are applicable to all Indian forest land except as this part may be superseded by legislation.

(b) Indian forest land management activities undertaken by the Secretary shall be designed to achieve the following objectives:

1. The development, maintenance and enhancement of Indian forest land in a perpetually productive state in accordance with the principles of sustained yield and with the standards and objectives set forth in forest management plans by providing effective management and protection through the application of sound silvicultural and economic principles to the harvesting of forest products, forestation, timber stand improvement and other forestry practices;

2. The regulation of Indian forest land through the development and implementation, with the full and active consultation and participation of the appropriate Indian tribe, of forest management plans which are supported by written tribal objectives;

3. The regulation of Indian forest land in a manner that will ensure the use of good method and order in harvesting so as to make possible, on a sustained yield basis, continuous productivity and a perpetual forest business;

4. The development of Indian forest land and associated value-added industries by Indians and Indian tribes to promote self-sustaining communities,
so that Indians may receive from their Indian forest land not only stumpage value, but also the benefit of all the labor and profit that such Indian forest land is capable of yielding;

(5) The retention of Indian forest land in its natural state when an Indian tribe determines that the recreational, cultural, aesthetic, or traditional values of the Indian forest land represents the highest and best use of the land;

(6) The management and protection of forest resources to retain the beneficial effects to Indian forest land of regulating water run-off and minimizing soil erosion; and

(7) The maintenance and improvement of timber productivity, grazing, wildlife, fisheries, recreation, aesthetic, cultural and other traditional values.

§ 163.4 Secretarial recognition of tribal laws.

Subject to the Secretary’s trust responsibilities, and unless otherwise prohibited by Federal statutory law, the Secretary shall comply with tribal laws pertaining to Indian forest land, including laws regulating the environment or historic or cultural preservation, and shall cooperate with the enforcement of such laws on Indian forest land. Such cooperation does not constitute a waiver of United States sovereign immunity and shall include:

(a) Assistance in the enforcement of such laws;

(b) Provision of notice of such laws to persons or entities undertaking activities on Indian forest land; and

(c) Upon the request of an Indian tribe, the appearance in tribal forums.

Subpart B—Forest Management and Operations

§ 163.10 Management of Indian forest land.

(a) The Secretary shall undertake forest land management activities on Indian forest land, either directly or through contracts, cooperative agreements, or grants under the Indian Self-Determination and Education Assistance Act (Pub. L. 93–638, as amended).

(b) Indian forest land management activities undertaken by the Secretary shall be designed to achieve objectives enumerated in §163.3 of this part.

§ 163.11 Forest management planning and sustained yield management.

(a) To further the objectives identified in §163.3 of this part, an appropriate forest management plan shall be prepared and revised as needed for all Indian forest lands. Such documents shall contain a statement describing the manner in which the policies of the tribe and the Secretary will be applied, with a definite plan of silvicultural management, analysis of the short term and long term effects of the plan, and a program of action, including a harvest schedule, for a specified period in the future. Forest management plans shall be based on the principle of sustained yield management and objectives established by the tribe and will require approval of the Secretary.

(b) Forest management planning for Indian forest land shall be carried out through participation in the development and implementation of integrated resource management plans which provide coordination for the comprehensive management of all natural resources on Indian land. If the integrated resource management planning process has not been initiated, or is not ongoing or completed, a standalone forest management plan will be prepared.

(c) The harvest of forest products from Indian forest land will be accomplished under the principles of sustained yield management and will not be authorized until practical methods of harvest based on sound economic and silvicultural and other forest management principles have been prescribed. Harvest schedules will be prepared for a specified period of time and updated annually. Such schedules shall support the objectives of the beneficial land owners and the Secretary and shall be directed toward achieving an approximate balance between net growth and harvest at the earliest practical time.

§ 163.12 Harvesting restrictions.

(a) Harvesting timber on commercial forest land will not be permitted unless provisions for natural and/or artificial
§ 163.13 Reforestation of acceptable tree species is included in harvest plans.

(b) Clearing of large contiguous areas will be permitted only on land that, when cleared, will be devoted to a more beneficial use than growing timber crops. This restriction shall not prohibit clearcutting when it is silviculturally appropriate, based on ecological principles, to harvest a particular stand of timber by such method and it otherwise conforms with objectives in §163.3 of this part.

§ 163.13 Indian tribal forest enterprise operations.

Indian tribal forest enterprises may be initiated and organized with consent of the authorized tribal representatives. Such enterprises may contract for the purchase of non-Indian owned forest products. Subject to approval by the Secretary the following actions may be taken:

(a) Authorized tribal enterprises may enter into formal agreements with tribal representatives for the use of tribal forest products, and with individual beneficial Indian owners for their forest products;

(b) Authorized officials of tribal enterprises, operating under approved agreements for the use of Indian-owned forest products pursuant to this section, may sell the forest products produced according to generally accepted trade practices;

(c) With the consent of the beneficial Indian owners, such enterprises may, without advertisement, contract for the purchase of forest products on Indian land at stumpage rates authorized by the Secretary;

(d) Determination of and payment for stumpage and/or products utilized by such enterprises will be authorized in accordance with §163.22. However, the Secretary may issue special instructions for payment by methods other than those in §163.22 of this part; and

(e) Performance bonds may or may not be required in connection with operations on Indian land by such enterprises as determined by the Secretary.

§ 163.14 Sale of forest products.

(a) Consistent with the economic objectives of the tribe and with the consent of the Secretary and authorized by tribal resolution or resolution of recognized tribal government, open market sales of Indian forest products may be authorized. Such sales require consent of the authorized representatives of the tribe for the sale of tribal forest products, and the owners of a majority Indian interest on individually owned lands. Open market sales of forest products from Indian land located off reservations will be permitted with the consent of the Secretary and majority Indian interest of the beneficial Indian owners.

(b) On individually owned Indian forest land not formally designated for retention in its natural state, the Secretary may, after consultation, sell the forest products without the consent of the owner(s) when in his or her judgment such action is necessary to prevent loss of value resulting from fire, insects, diseases, windthrow or other catastrophes.

(c) Unless otherwise authorized by the Secretary, each sale of forest products having an estimated stumpage value exceeding $15,000 will not be approved until:

(1) An examination of the forest products to be sold has been made by a forest officer; and

(2) A report setting forth all pertinent information has been submitted to the approving officer as provided in §163.20 of this part.

(d) With the approval of the Secretary, authorized beneficial Indian owners who have been duly apprised as to the value of the forest products to be sold, may sell or transfer forest products for less than the appraised value.

(e) Except as provided in §163.14(d) of this part, in all such sales, the forest products shall be appraised and sold at stumpage rates not less than those established by the Secretary.

§ 163.15 Advertisement of sales.

Except as provided in §§163.13, 163.14, 163.16, and 163.26 of this part, sales of forest products shall be made only after advertising.

(a) The advertisement shall be approved by the officer who will approve the instrument of sale. Advertised sales shall be made under sealed bids,
Bureau of Indian Affairs, Interior

§ 163.17 or at public auction, or under a combination thereof. The advertisement may limit sales of Indian forest products to Indian forest enterprises, members of the tribe, or may grant to Indian forest enterprises and/or members of the tribe who submitted bids the right to meet the higher bid of a non-member. If the estimated stumpage value of the forest products offered does not exceed $15,000, the advertisement may be made by posters and circular letters. If the estimated stumpage value exceeds $15,000, the advertisement shall also be made in at least one edition of a newspaper of general circulation in the locality where the forest products are situated. If the estimated stumpage value does not exceed $50,000, the advertisement shall be made for not less than 15 days; if the estimated stumpage value exceeds $50,000 but not $250,000, for not less than 30 days; and if the estimated stumpage value exceeds $250,000, for not less than 60 days.

(b) The approving officer may reduce the advertising period because of emergencies such as fire, insect attack, blowdown, limitation of time, or when there would be no practical advantage in advertising for the prescribed period.

(c) If no instrument of sale is executed after such advertisement, the approving officer may, within one year from the last day on which bids were to be received as defined in the advertisement, permit the sale of such forest products. The sale will be made upon the terms and conditions in the advertisement and at not less than the advertised value or the appraised value at the time of sale, whichever is greater.

§ 163.17 Deposit with bid.

(a) A deposit shall be made with each proposal for the purchase of Indian forest products. Such deposits shall be at least:

(1) Ten (10) percent if the appraised stumpage value is less than $100,000 and in any event not less than $1,000 or full value whichever is less;

(2) Five (5) percent if the appraised stumpage value is $100,000 to $250,000 but in any event not less than $10,000; and

(3) Three (3) percent if the appraised stumpage value exceeds $250,000 but in any event not less than $12,500.

(b) Deposits shall be in the form of either a certified check, cashier's check, bank draft, postal money order, or irrevocable letter-of-credit, drawn payable as specified in the advertisement, or in cash.

(c) The deposit of the apparent high bidder, and of others who submit a written request to have their bids considered for acceptance will be retained pending acceptance or rejection of the bids. All other deposits will be returned following the opening and posting of bids.
§ 163.18 Acceptance and rejection of bids.

(a) The high bid received in accordance with any advertisement issued under authority of this part shall be accepted, except that the approving officer, having set forth the reason(s) in writing, shall have the right to reject the high bid if:

(1) The high bidder is considered unqualified to fulfill the contractual requirement of the advertisement; or

(2) There are reasonable grounds to consider it in the interest of the Indians to reject the high bid.

(b) If the high bid is rejected, the approving officer may authorize:

(1) Rejection of all bids; or

(2) Acceptance of the offer of another bidder who, at bid opening, makes written request that their bid and bid deposit be held pending a bid acceptance.

(c) The officer authorized to accept the bid shall have the discretion to waive minor technical defects in advertisements and proposals, such as typographical errors and misplaced entries.

§ 163.19 Contracts for the sale of forest products.

(a) In sales of forest products with an appraised stumpage value exceeding $15,000, the contract forms approved by the Secretary must be used unless a special form for a particular sale or class of sales is approved by the Secretary.

(b) Unless otherwise directed, the contracts for forest products from individually-owned Indian land will be paid by remittance drawn to the Bureau of Indian Affairs and transmitted to the Superintendent. Upon the request of the tribe, the contracts for tribal forest products may require that the proceeds be paid promptly and directly into a bank depository account designated by such tribe, or by remittance drawn to the Bureau of Indian Affairs and transmitted to the Superintendent.

(c) By mutual agreement of the parties to a contract, contracts may be extended, modified, or assigned subject to approval by the approving officer, and may be terminated by the approving officer upon completion or by mutual agreement.

§ 163.20 Execution and approval of contracts.

(a) All contracts for the sale of tribal forest products shall be executed by the authorized tribal representative(s). There shall be included with the contract an affidavit executed by the authorized tribal representative(s) setting forth the resolution or other authority of the governing body of the tribe. Contracts must be approved by the Secretary to be valid.

(b) Contracts for the sale of individually owned forest products shall be executed by the beneficial Indian owner(s) or the Secretary acting pursuant to a power of attorney from the beneficial Indian owner(s). Contracts must be approved by the Secretary to be valid.

(1) The Secretary may, after consultation with any legally appointed guardian, execute contracts on behalf of minors and beneficial Indian owners who are non compos mentis.

(2) The Secretary may execute contracts for a decedent’s estate where ownership has not been determined or for those persons who cannot be located after a reasonable and diligent search and the giving of notice by publication.

(3) Upon the request of the owner of an undivided but unrestricted interest in land in which there are trust or restricted Indian interests, the Secretary may include such unrestricted interest in a sale of the trust or restricted interests in the timber, pursuant to this
part, and perform any functions required of him/her by the contract of sale for both the restricted and the unrestricted interests, including the collection and disbursement of payments for timber and the forest management deductions from such payments.

(4) When consent of only a majority interest has been obtained, the Secretary may execute the sale on behalf of all owners to fulfill responsibilities to the beneficiaries of the trust. In such event, the contract file must contain evidence of the effort to obtain consent of all owners. When an individual cannot be located, the Secretary, after a reasonable and diligent search and the giving of notice by publication, may sign a power of attorney consenting to the sale for particular interests. For Indian forest land containing undivided restricted and unrestricted interests, only the restricted interests are considered in determining if a majority interest has been obtained.

§ 163.21 Bonds required.

(a) Performance bonds will be required in connection with all sales of forest products, except they may or may not be required, as determined by the approving officer, in connection with the use of forest products by Indian tribal forest enterprises pursuant to this part in §163.13 or in timber cutting permits issued pursuant to §163.26 of this part.

(1) In sales in which the estimated stumpage value, calculated at the appraised stumpage rates, does not exceed $15,000, the bond shall be at least 20 percent of the estimated stumpage value.

(2) In sales in which the estimated stumpage value exceeds $15,000 but is not over $150,000, the bond shall be at least 15 percent of the estimated stumpage value but not less than $3,000.

(3) In sales in which the estimated stumpage value exceeds $150,000, but is not over $350,000, the bond shall be at least 10 percent of the estimated stumpage value but not less than $22,500.

(4) In sales in which the estimated stumpage value exceeds $350,000, the bond shall be at least 5 percent of the estimated stumpage value but not less than $35,000.

(b) Bonds shall be in a form acceptable to the approving officer and may include:

(1) A corporate surety bond by an acceptable surety company;

(2) A cash bond designating the approving officer to act as trustee under terms of an appropriate trust;

(3) Negotiable U.S. Government securities supported by an appropriate trust instrument; or

(4) An irrevocable letter of credit.

§ 163.22 Payment for forest products.

(a) The basis of volume determination for forest products sold shall be the Scribner Decimal C log rules, cubic volume, lineal measurement, piece count, weight, or such other form of measurement as the Secretary may authorize for use. With the exception of Indian tribal forest enterprises pursuant to §163.13 of this part, payment for forest products will be required in advance of cutting for timber, or removal for other forest products.

(b) Upon the request of an Indian tribe, the Secretary may provide that the purchaser of the forest products of such tribe, which are harvested under a timber sale contract, permit, or other harvest sale document to make advance payments, or direct payments of the gross proceeds of such forest products, less any amounts segregated as forest management deductions pursuant to §163.25 of this part, into accounts designated by such Indian tribe. Such accounts may be in one or more of the following formats:

(1) Escrow accounts at a tribally designated financial institution for receiving deposits with bids and advance deposits from which direct disbursements for timber harvested shall be made to tribes and forest management deduction accounts; or

(2) Tribal depository accounts for receiving advance payments, installment payments, payments from Indian tribal forest enterprises, and/or disbursements from advance deposit accounts or escrow accounts.

(c) The format must allow the Secretary to maintain trust responsibility through written verification that all
§ 163.23 Advance payment for timber products.

(a) Unless otherwise authorized by the Secretary, and except in the case of lump sum (predetermined volume) sales, contracts for the sale of timber from allotted, trust or restricted Indian forest land shall provide for an advance payment of up to 25 percent of the stumpage value, calculated at the bid price, within 30 days from the date of approval and before cutting begins. Additional advance payments may be specified in contracts. However, no advance payment will be required that would make the sum of such payment and of advance deposits and advance payments previously applied against timber cut from each ownership in a sale exceed 50 percent of the bid stumpage value. Advance payments shall be credited against the timber of each ownership in the sale as the timber is cut and scaled at stumpage rates governing at the time of scaling. Advance payments are not refundable.

(b) Advance payments may be required on tribal land. When required, advance payments will operate the same as provided for in §163.23(a) of this part.

§ 163.24 Duration of timber contracts.

After the effective date of a forest product contract, unless otherwise authorized by the Secretary, the maximum period which shall be allowed for harvesting the estimated volume of timber purchased, shall be five years.

§ 163.25 Forest management deductions.

(a) Pursuant to the provisions of 25 U.S.C. 413 and 25 U.S.C. 3105, a forest management deduction shall be withheld from the gross proceeds of sales of forest products harvested from Indian forest land as described in this section.

(b) Gross proceeds shall mean the value in money or money’s worth of consideration furnished by the purchaser of forest products purchased under a contract, permit, or other document for the sale of forest products.

(c) Forest management deductions shall not be withheld where the total consideration furnished under a contract, permit or other document for the sale of forest products is less than $5,001.

(d) Except as provided in §163.25(e) of this part, the amount of the forest management deduction shall not exceed the lesser amount of ten percent (10%) of the gross proceeds or, the actual percentage in effect on November 28, 1990.

(e) The Secretary may increase the forest management deduction percentage for Indian forest land upon receipt of a written request from a tribe supported by a resolution executed by the authorized tribal representatives. At the request of the authorized tribal representatives and at the discretion of the Secretary the forest management deduction percentage may be decreased to not less than one percent (1%) or the requirement for collection may be waived.

(f) Forest management deductions are to be utilized to perform forest land management activities in accordance with an approved expenditure plan. Expenditure plans shall describe the forest land management activities anticipated to be undertaken, establish a time period for their completion, summarize anticipated obligations and expenditures, and specify the method through which funds are to be transferred or credited to tribal accounts from special deposit accounts established to hold amounts withheld as forest management deductions. Any forest management deductions that have not been incorporated into an approved expenditure plan by the end of the fiscal year following the fiscal year in which the deductions are withheld, shall be collected into the general funds of the United States Treasury pursuant to 25 U.S.C. 413.

(1) For Indian forest lands located on an Indian reservation, a written expenditure plan for the use of forest management deductions shall be prepared annually and approved by the authorized tribal representative(s) and
the Secretary. The approval of the expenditure plan by the authorized tribal representatives constitutes allocation of tribal funds for Indian forest land management activities. Approval of the expenditure plan by the Secretary shall constitute authority for crediting of forest management deductions to tribal account(s). The full amount of any deduction collected by the Secretary plus any income or interest earned thereon shall be available for expenditure according to the approved expenditure plan for the performance of forest land management activities on the reservation from which the forest management deduction is collected.

(2) Forest management deductions shall be handled in the same manner as described under §163.25(f)(1) of this part if the expenditure plan approved by an Indian tribe and the Secretary provides for the conduct of forest land management activities on Indian forest lands located outside the boundaries of an Indian reservation.

(3) For public domain and Alaska Native allotments held in trust for Indians by the United States, forest management deductions may be utilized to perform forest land management activities on such lands in accordance with an expenditure plan approved by the Secretary.

(g) Forest management deductions withheld pursuant to this section shall not be available to cover the costs that are paid from funds appropriated for fire suppression or pest control or otherwise offset federal appropriations for meeting the Federal trust responsibility for management of Indian forest land.

(h) Within 120 days after the close of the tribal fiscal year, tribes shall submit to the Secretary a written report detailing the actual expenditure of forest management deductions during the past fiscal year. The Secretary shall have the right to inspect accounts, books, or other tribal records supporting the report.

(i) Forest management deductions incorporated into an expenditure plan approved by the Secretary shall remain available until expended.

(j) As provided in §163.25(f) of this part, only forest management deductions that have not been incorporated into an approved expenditure plan may be deposited to a U.S. Treasury miscellaneous receipt account. No amount collected as forest management deductions shall be credited to any Federal appropriation. No other forest management deductions or fees derived from Indian forest land shall be collected to be covered into the general funds of the United States Treasury.

§ 163.26 Forest product harvesting permits.

(a) Except as provided in §§163.13 and 163.27 of this part, removal of forest products that are not under formal contract, pursuant to §163.19, shall be under forest product harvesting permit forms approved by the Secretary. Permits will be issued only with the written consent of the beneficial Indian owner(s) or the Secretary, for harvest of forest products from Indian forest land, as authorized in §163.20 of this part. To be valid, permits must be approved by the Secretary. Minimum stumpage rates at which forest products may be sold will be set at the time consent to issue the permit is obtained. Payment and bonding requirements will be stipulated in the permit document as appropriate.

(b) Free use harvesting permits issued shall specify species and types of forest products to be removed. It may be stipulated that forest products removed under this authority cannot be sold or exchanged for other goods or services. The estimated value which may be harvested in a fiscal year by any individual under this authority shall not exceed $5,000. For the purpose of issuance of free use permits, individual shall mean an individual Indian or any organized group of Indians.

(c) Paid permits subject to forest management deductions, as provided in §163.25 of this part, may be issued. Unless otherwise authorized by the Secretary, the stumpage value which may be harvested under paid permits in a fiscal year by any individual under this authority shall not exceed $25,000. For the purpose of issuance of paid permits, individual shall mean an individual or any operating entity comprised of more than one individual.

(d) A Special Allotment Timber Harvest Permit may be issued to an Indian
§ 163.27 Free-use harvesting without permits.

With the consent of the beneficial Indian owners and the Secretary, Indians may harvest designated types of forest products from Indian forest land without a permit or contract, and without charge. Forest products harvested under this authority shall be for the Indian’s personal use, and shall not be sold or exchanged for other goods or services.

§ 163.28 Fire management measures.

(a) The Secretary is authorized to maintain facilities and staff, hire temporary labor, rent fire fighting equipment, purchase tools and supplies, and pay for their transportation as needed, to maintain an adequate level of readiness to meet normal wildfire protection needs and extinguish forest or range fires on Indian land. No expenses for fighting a fire outside Indian lands may be incurred unless the fire threatens Indian land or unless the expenses are incurred pursuant to an approved cooperative agreement with another protection agency. The rates of pay for fire fighters and for equipment rental shall be the rates for fire fighting services that are currently in use by public and private wildfire protection agencies adjacent to Indian reservations on which a fire occurs, unless there are in effect at the time different rates that have been approved by the Secretary. The Secretary may also enter into reciprocal agreements with any fire organization maintaining protection facilities in the vicinity of Indian reservations or other Indian land for mutual aid in wildfire protection. This section does not apply to the rendering of emergency aid, or agreements for mutual aid in fire protection pursuant to the Act of May 27, 1955 (69 Stat. 66).

(b) The Secretary is authorized to conduct a wildfire prevention program to reduce the number of person-caused fires and prevent damage to natural resources on Indian land.

(c) The Secretary is authorized to expend funds for emergency rehabilitation measures needed to stabilize soil and watershed on Indian land damaged by wildfire.

(d) Upon consultation with the beneficial Indian owners, the Secretary may use fire as a management tool on Indian land to achieve land and/or resource management objectives.

§ 163.29 Trespass.

(a) Trespassers will be liable for civil penalties and damages to the enforcement agency and the beneficial Indian owners, and will be subject to prosecution for acts of trespass.

(1) Cases in Tribal Court. For trespass actions brought in tribal court pursuant to these regulations, the measure of damages, civil penalties, remedies and procedures will be as set forth in this § 163.29 of this part. All other aspects of a tribal trespass prosecution brought under these regulations will be that prescribed by the law of the tribe in whose reservation or within whose jurisdiction the trespass was committed, unless otherwise prescribed under federal law. Absent applicable tribal or federal law, the measure of damages shall be that prescribed by the law of the state in which the trespass was committed.

(2) Cases in Federal Court. For trespass actions brought in Federal court pursuant to these regulations, the measure of damages, civil penalties, remedies and procedures will be as set forth in this § 163.29. In the absence of
applicable federal law, the measure shall be that prescribed by the law of the tribe in whose reservation or within whose jurisdiction the trespass was committed, or in the absence of tribal law, the law of the state in which it was committed.

(3) Civil penalties for trespass include, but are not limited to:
   (i) Treble damages, whenever any person, without lawful authority injures, severs, or carries off from a reservation any forest product as defined in §163.1 of this part. Proof of Indian ownership of the premises and commission of the acts by the trespasser are prima facie evidence sufficient to support liability for treble damages, with no requirement to show willfulness or intent. Treble damages shall be based upon the highest stumpage value obtainable from the raw materials involved in the trespass.
   (ii) Payment of costs associated with damage to Indian forest land includes, but is not limited to, rehabilitation, reforestation, lost future revenue and lost profits, loss of productivity, and damage to other forest resources.
   (iii) Payment of all reasonable costs associated with the enforcement of these trespass regulations beginning with detection and including all processes through the prosecution and collection of damages, including but not limited to field examination and survey, damage appraisal, investigation assistance and reports, witness expenses, demand letters, court costs, and attorney fees.
   (iv) Interest calculated at the statutory rate prescribed by the law of the tribe in whose reservation or within whose jurisdiction the trespass was committed, or in the absence of tribal law in the amount prescribed by federal law. Where tribal law or federal law does not supply a statutory interest rate, the rate of interest shall be statutory rate upon judgments as prescribed by the law of the state in which the trespass was committed. Interest shall be based on treble the highest stumpage value obtainable from the raw materials involved in the trespass, and calculated from the date of the trespass until payment is rendered.

(b) Any cash or other proceeds realized from forfeiture of equipment or other goods or from forest products damaged or taken in the trespass shall be applied to satisfy civil penalties and other damages identified under §163.29(a) of this part. After disposition of real and personal property to pay civil penalties and damages resulting from trespass, any residual funds shall be returned to the trespasser. In the event that collection and forfeiture actions taken against the trespasser result in less than full recovery, civil penalties shall be distributed as follows:
   (1) Collection of damages up to the highest stumpage value of the trespass products shall be distributed pro rata between the Indian beneficial owners and any costs and expenses needed to restore the trespass land; or
   (2) Collections exceeding the highest stumpage value of the trespass product, but less than full recovery, shall be proportionally distributed pro rata between the Indian beneficial owners, the law enforcement agency, and the cost to restore the trespass land. Forest management deductions shall not be withheld where less than the highest stumpage value of the unprocessed forest products taken in trespass has been recovered.

(c) Indian beneficial owners who trespass, or who are involved in trespass upon their own land, or undivided land in which such owners have a partial interest, shall not receive their beneficial share of any civil penalties and damages collected in consequence of the trespass. Any civil penalties and damages defaulted in consequence of this provision instead shall be distributed first toward restoration of the land subject of the trespass and second toward costs of the enforcement agency in consequence of the trespass, with any remainder to the forest management deduction account of the reservation in which the trespass took place.

(d) Civil penalties and other damages collected under these regulations, except for penalties and damages provided for in §§163.29(a)(3) (ii) and (iii) of this part, shall be treated as proceeds from the sale of forest products from the Indian forest land upon which the trespass occurred.

(e) When a federal official or authorized tribal representative pursuant to
§ 163.29(j) of this part has reason to believe that Indian forest products are involved in trespass, such individual may seize and take possession of the forest products involved in the trespass if the products are located on reservation. When forest products are seized, the person seizing the products must at the time of the seizure issue a Notice of Seizure to the possessor or claimant of the forest products. The Notice of Seizure shall indicate the date of the seizure, a description of the forest products seized, the estimated value of forest products seized, an indication of whether the forest products are perishable, and the name and authority of the person seizing the forest products. Where the official initiates seizure under these regulations only, the Notice of Seizure shall further include the statement that any challenge or objection to the seizure shall be exclusively through administrative appeal pursuant to part 2 of title 25, and shall provide the name and address of the official with whom the appeal may be filed. In such case, the Notice of Seizure shall identify the tribal law under which the seizure may be challenged, if any. A copy of a Notice of Seizure shall be given to the possessor or claimant at the time of the seizure. If the claimant or possessor is unknown or unavailable, Notice of Seizure shall be posted on the trespass property, and a copy of the Notice shall be kept with any incident report generated by the official seizing the forest products. Such sale action shall not be stayed by the filing of an administrative appeal nor by a challenge of the seizure action through a tribal forum. All proceeds from the sale of the forest products shall be placed into an escrow account and held until adjudication or other resolution of the underlying trespass. If it is found that the forest products seized were involved in a trespass, the proceeds shall be applied to the amount of civil penalties and damages awarded. If it is found that a trespass has not occurred or the proceeds are in excess of the amount of the judgment awarded, the proceeds or excess proceeds shall be returned to the possessor or claimant.

(f) When there is reason to believe that Indian forest products are involved in trespass and that such products have been removed to land not under federal or tribal government supervision, the federal official or authorized tribal representative pursuant to §163.29(k) of this part responsible for the trespass shall immediately provide the following notice to the owner of the land or the party in possession of the trespass products:

(2) That removal or disposition of the forest products may result in criminal and/or civil action by the United States or tribe.

(g) A representative of the Secretary or authorized tribal representative pursuant to §163.29(j) of this part will promptly determine if a trespass has occurred. The appropriate representative will issue an official Notice of Trespass to the alleged trespasser and, if necessary, the possessor or potential buyer of any trespass products. The Notice is intended to inform the trespasser, buyer, or the processor:

(1) That a determination has been made that a trespass has occurred;

(2) The basis for the determination;

(3) An assessment of the damages, penalties and costs;

(4) Of the seizure of forest products, if applicable; and

(5) That disposition or removal of Indian forest products taken in the trespass may result in civil and/or criminal action by the United States or the tribe.

(h) The Secretary may accept payment of damages in the settlement of civil trespass cases. (2) Where an Indian tribe has acquired concurrent civil jurisdiction over trespass cases as set forth in §163.29(j)(1) of this part, the Secretary and tribe’s authorized representatives will be jointly responsible to coordinate prosecution of trespass actions. The Secretary shall, upon timely request of the tribe, defer prosecution of forest trespasses to the tribe. Where said deferral is not requested, the designated Bureau of Indian Affairs forest trespass official shall coordinate with the authorized forest trespass official of each tribe the exercise of concurrent tribal and Federal trespass jurisdiction as to each trespass. Such officials shall review each case, determine in which forums to recommend bringing an action, and promptly provide their recommendation to the Federal officials responsible for initiating and prosecuting forest trespass cases. Where an Indian tribe has acquired concurrent civil jurisdiction, but does not request deferral of prosecution, the federal officials responsible for initiating and prosecuting such cases may file and prosecute the action in the tribal court or forum.

(3) The Secretary may rescind an Indian tribe’s concurrent civil jurisdiction over trespass cases under this regulation if the Secretary or a court of competent jurisdiction determines that the tribal court has not adhered to the due process or equal protection requirements of the Indian Civil Rights Act. If it is determined that said rescission is justified, the Secretary shall provide written Notice of the rescission, including the findings justifying the rescission and the steps needed to remedy the violations causing the rescission, to the chief judge of the tribal judiciary or other authorized tribal official should there be no chief judge. If said steps are not taken within 60 days, the Secretary’s rescission of concurrent civil jurisdiction shall become final. The affected tribe(s) may appeal a Notice of Rescission under part 2 of title 25.

**Subpart B—Tribal Policies and Laws Pertaining to Permits**

§166.100 What special tribal policies will we apply to permitting on Indian agricultural lands?

(a) When specifically authorized by an appropriate tribal resolution establishing a general policy for permitting of Indian agricultural lands, the BIA will:

(1) Waive the general prohibition against Indian operator preferences in permits advertised for bid under §166.221 of this part, by allowing prospective Indian operators to match the highest responsible bid (unless the tribal law or leasing policy specifies some other manner in which the preference must be afforded);

(2) Waive or modify the requirement that a permittee post a surety or performance bond;

(3) Provide for posting of other collateral or security in lieu of surety or other bonds; and

(4) Approve permits of tribally-owned agricultural lands at rates determined by the tribal governing body.

(b) When specifically authorized by an appropriate tribal resolution establishing a general policy for permitting of Indian agricultural lands, and subject to paragraph (c) of this section, the BIA may:

(1) Waive or modify any general notice requirement of federal law; and

(2) Grant or approve a permit on “highly fractionated undivided heirship lands” as defined by tribal law.

(c) The BIA may take the action specified in paragraph (b) of this section only if:

(1) The tribe defines by resolution what constitutes “highly fractionated undivided heirship lands”;

(2) The tribe adopts an alternative plan for notifying individual Indian landowners; and

(3) The BIA’s action is necessary to prevent waste, reduce idle land acreage and ensure income.

§166.101 May individual Indian landowners exempt their land from certain tribal policies for permitting on Indian agricultural lands?

(a) The individual Indian landowners of Indian land may exempt their land from our application of a tribal policy referred to under §166.100 of this part if:

(1) The Indian landowners have at least a 50% interest in such fractionated tract; and

(2) The Indian landowners submit a written objection to the BIA of all or any part of such tribal policies to the permitting of such parcel of land.

(b) Upon verification of the written objection we will notify the tribe of the Indian landowners’ exemption from the specific tribal policy.

(c) The procedures described in paragraphs (a) and (b) of this section will also apply to withdrawing an approved exemption.
§ 166.102 Do tribal laws apply to permits?

Tribal laws will apply to permits of Indian land under the jurisdiction of the tribe enacting such laws, unless those tribal laws are inconsistent with applicable federal law.

§ 166.103 How will tribal laws be enforced on Indian agricultural land?

(a) Unless prohibited by federal law, we will recognize and comply with tribal laws regulating activities on Indian agricultural land, including tribal laws relating to land use, environmental protection, and historic or cultural preservation.

(b) While the tribe is primarily responsible for enforcing tribal laws pertaining to Indian agricultural land, we will:

1. Assist in the enforcement of tribal laws;
2. Provide notice of tribal laws to persons or entities undertaking activities on Indian agricultural land, under §166.104(b) of this part; and

3. Require appropriate federal officials to appear in tribal forums when requested by the tribe, so long as such an appearance would not:
   (i) Be inconsistent with the restrictions on employee testimony set forth at 43 CFR Part 2, Subpart E;
   (ii) Constitute a waiver of the sovereign immunity of the United States; or
   (iii) Authorize or result in a review of our actions by a tribal court.

(c) Where the regulations in this subpart are inconsistent with a tribal law, but such regulations cannot be superseded or modified by the tribal law under §166.2 of this part, we may waive the regulations under part 1 of this title, so long as the waiver does not violate a federal statute or judicial decision or conflict with our general trust responsibility under federal law.

§ 166.104 What notifications are required that tribal laws apply to permits on Indian agricultural lands?

(a) Tribes must notify us of the content and effective dates of new tribal laws.

(b) We will then notify affected Indian landowners and any persons or entities undertaking activities on Indian agricultural lands of the superseding or modifying effect of the tribal law. We will:

1. Provide individual written notice; or
2. Post public notice. This notice will be posted at the tribal community building, U.S. Post Office, and/or published in the local newspaper nearest to the Indian lands where activities are occurring.

§ 166.201 Must parents or guardians of Indian minors who own Indian land obtain a permit before using land for grazing purposes?

Parents or guardians need not obtain a permit for Indian lands owned by their minor Indian children if:

Yes. An emancipated minor may grant a permit.
§ 166.203 When can the Indian landowners grant a permit?

A permit granted by the tribe must be approved by us, unless the permit is authorized by a charter approved by us under 25 U.S.C. § 477, or unless our approval is not required under other applicable federal law. In order to permit tribal land in which the beneficial interest has been assigned to another party, the assignee and the tribe must both grant the permit, subject to our approval.

(b) Individual Indian landowners may grant a permit of their land, including their undivided interest in a fractionated tract, subject to our approval. Except as otherwise provided in this part, these Indian landowners may include the owner of a life estate holding 100 percent (%) interest in their land.

(c) The owners of a majority interest in the Indian ownership of a fractionated tract may grant a permit, subject to our approval, without giving prior notice to the minority Indian landowners as long as the minority interest owners receive fair annual rental.

§ 166.204 Who may represent an individual Indian landowner in granting a permit?

The following individuals or entities may represent an individual Indian landowner in granting a permit:

(a) An adult with custody acting on behalf of their minor children;

(b) A guardian, conservator, or other fiduciary appointed by a court of competent jurisdiction to act on behalf of an individual Indian landowner;

(2) Identifies the attorney-in-fact and the land to be permitted; and

(3) Describes the scope of the power granted and any limits thereon.

§ 166.205 When can the BIA grant a permit on behalf of Indian landowners?

(a) We may grant a permit on behalf of:

(1) An individual who is adjudicated to be non compos mentis by a court of competent jurisdiction;

(2) An orphaned minor;

(3) An Indian landowner who has granted us written authority to permit his or her land;

(4) The undetermined heirs and devisees of a deceased Indian landowner;

(5) An Indian landowner whose whereabouts are unknown to us after a reasonable attempt is made to locate the Indian landowner;

(6) Indian landowners, where:

(i) We have provided written notice of our intent to grant a permit on their behalf, but the Indian landowners are unable to agree upon a permit during a three-month negotiation period immediately following such notice, or any other notice period established by a tribe under §166.100(c)(2) of this part; and

(ii) The land is not being used by an individual Indian landowner under §166.200 of this part.

(7) The individual Indian owners of fractionated Indian land, when necessary to protect the interests of the individual Indian landowners.

§ 166.206 What requirements apply to a permit on a fractionated tract?

We may grant a permit on behalf of all Indian landowners of a fractionated tract as long as the owners receive fair annual rental. Before granting such a permit, we may offer a preference right to any Indian landowner who:

(a) Is in possession of the entire tract;

(b) Submits a written offer to permit the land, subject to any required or negotiated terms and conditions, prior to our granting a permit to another party; and

(c) Provides any supporting documents needed to demonstrate the ability to perform all of the obligations under the proposed permit.
§ 166.207 What provisions will be contained in a permit?

A permit, at a minimum, must include:

(a) Authorized user(s);
(b) Conservation plan requirements;
(c) Prohibition against creating a nuisance, any illegal activity, and negligent use or waste or resources;
(d) Numbers and types of livestock allowed;
(e) Season(s) of use;
(f) Grazing rental payment, payment schedule, and late payment interest and penalties;
(g) Administrative fees;
(h) Tribal fees, if applicable;
(i) Payment method;
(j) Range unit number or name;
(k) Animal identification requirements;
(l) A description (preferably a legal description) of the permitted area;
(m) Term of permit (including beginning and ending dates of the term allowed, as well as any option to renew, extend or terminate);
(n) Conditions for making improvements, if any;
(o) A right of entry by the BIA for purposes of inspection or enforcement purposes;
(p) A provision concerning the applicability of tribal jurisdiction;
(q) A provision stating how trespass proceeds are to be distributed; and
(r) A provision for the permittee to indemnify the United States and the Indian landowners against all liabilities or costs relating to the use, handling, treatment, removal, storage, transportation, or disposal of hazardous materials or the release or discharge of any hazardous material from the permitted premises that occur during the permit term, regardless of fault.

§ 166.208 How long is a permit term?

(a) The duration must be reasonable given the purpose of the permit and the level of investment required by the permittee to place the property into productive use.

(b) On behalf of the undetermined heirs of an individual Indian decedent owning 100 percent (%) interest in the land, we will grant or approve permits for a maximum term of two years.

(c) Permits granted for agricultural purposes will not usually exceed ten years. A term longer than ten years, but not to exceed 25 years unless authorized by other federal law, may be authorized when a longer term is determined by us to be in the best interest of the Indian landowners and when such permit requires substantial investment in the development of the lands by the permittee.

(d) A tribe may determine the duration of permits composed entirely of its tribal land or in combination with government land, subject to the same limitations provided in paragraph (d) of this section.

(e) A permit will specify the beginning and ending dates of the term allowed, as well as any option to renew, extend, or terminate.

(f) Permits granted by us for protection of the Indian land will be for no more than two years.

§ 166.209 Must a permit be recorded?

A permit must be recorded in our Land Titles and Records Office which has jurisdiction over the land. We will record the permit immediately following our approval under this subpart.

§ 166.210 When is a decision by the BIA regarding a permit effective?

Our decision to approve a permit will be effective immediately, notwithstanding any appeal which may be filed under Part 2 of this title. Copies of the approved permit will be provided to the permittee and made available to the Indian landowners upon request.

§ 166.211 When are permits effective?

Unless otherwise provided in the permit, a permit will be effective on the date on which the permit is approved by us. A permit may be made effective on some past or future date, by agreement, but such a permit may not be granted or approved more than one year prior to the date on which the permit term is to commence.

§ 166.212 When may a permittee take possession of permitted Indian land?

The permittee may take possession of permitted Indian land on the date
§ 166.213 Must I comply with any standards of conduct if I am granted a permit?

Yes. Permittees are expected to:

(a) Conduct grazing operations in accordance with the principles of sustained yield management, agricultural resource management planning, sound conservation practices, and other community goals as expressed in tribal laws, agricultural resource management plans, and similar sources.

(b) Comply with all applicable laws, ordinances, rules, regulations, and other legal requirements. You must also pay all applicable penalties that may be assessed for non-compliance.

(c) Fulfill all financial obligations of your permit owed to the Indian landowners and the United States.

(d) Conduct only those activities authorized by the permit.

§ 166.214 Will the BIA notify the permittee of any change in land title status?

Yes. We will notify the permittee if a fee patent is issued or if restrictions are removed. After we notify the permittee our obligation under § 166.228 of this part ceases.

OBTAINING A PERMIT

§ 166.215 How can I find Indian land available for grazing?

You may contact a local BIA office or tribal office to determine what Indian land may be available for grazing permits.

§ 166.216 Who is responsible for permitting Indian land?

The Indian landowner is primarily responsible for granting permits on their Indian land, with the assistance and approval of the BIA, except where otherwise provided by law. You may contact the local BIA or tribal office for assistance in obtaining a permit for grazing purposes on Indian land.

§ 166.217 In what manner may a permit on Indian land be granted?

(a) A tribe may grant a permit on tribal land through tribal allocation, negotiation, or advertisement in accordance with § 166.203 of this part. We must approve all permits of tribal land in order for the permit to be valid, except where otherwise provided by law.

(b) Individual Indian landowners may grant a permit on their Indian land through negotiation or advertisement in accordance with § 166.203 of this part. We must approve all permits of Individual Indian land in order for the permit to be valid.

(c) We will grant permits through negotiation or advertisement for range units containing, in whole or part, individually-owned Indian land and range units that consist of, or in combination with individually-owned Indian land, tribal or government land, under § 166.205 of this part. We will consult with tribes prior to granting permits for range units that include tribal land.

§ 166.218 How do I acquire a permit through tribal allocation?

(a) A tribe may allocate grazing privileges on range units containing trust or restricted land which is entirely tribally-owned or which contains only tribal and government land under the control of the tribe.

(b) A tribe may allocate grazing privileges to its members and to tribally-authorized entities without competitive bidding on tribal and tribally-controlled government land.

(c) We will implement the tribe’s allocation procedure by authorizing the grazing privileges on individually-owned Indian land and government land, subject to the rental rate provisions in § 166.400(b) and (c) of this part.

(d) A tribe may prescribe the eligibility requirements for allocations 60 days before granting a new permit or before an existing permit expires.

(e) 120 days before the expiration of existing permits, we will notify the tribe of the 60-day period during which the tribe may prescribe eligibility requirements.

(f) We will prescribe the eligibility requirements after the expiration of eligibility requirements after the expiration of the 60-day period in the event satisfactory action is not taken by the tribe.

(g) Grazing rental rates for grazing privileges allocated from an existing permit, in whole or in part, must equal
§ 166.219 How do I acquire a permit through negotiation?

(a) Permits may be negotiated and granted by the Indian landowners with the permittee of their choice. The BIA may negotiate and grant permits on behalf of Indian landowners pursuant to §166.205 of this part.

(b) Upon the conclusion of negotiations with the Indian landowners or their representatives, and the satisfaction of any applicable conditions, you may submit an executed permit and any required supporting documents to us for appropriate action. Where a permit is in a form that has previously been accepted or approved by us, and all of the documents needed to support the findings required by this part have been received, we will decide whether to approve the permit within 30 days of the date of our receipt of the permit and supporting documents. If we decide to approve or disapprove a permit, we will notify the parties immediately and advise them of their right to appeal the decision under part 2 of this title.

(c) In negotiating a permit, the Indian landowners may choose to include their land in the permit in exchange for their receipt of a share of the revenues or profits generated by the permit. Under such an arrangement, the permit may be granted to a joint venture or other legal entity owned, in part, by the Indian landowners.

(d) Receipt of permit payments based upon income received from the land will not, of itself, make the Indian landowner a partner, joint venturer, or associate of the permittees.

(e) We will assist prospective permittees in contacting the Indian landowners or their representatives, for the purpose of negotiating a permit.

§ 166.220 What are the basic steps for acquiring a permit through negotiation?

The basic steps for acquiring a permit by negotiation are as follows:

(a) The BIA or the Indian landowner will:

1. Receive a request to permit from an Indian landowner or the potential permittee;
2. Prepare the permit documents; and
3. Grant the permit.

(b) A potential permittee will complete the requirements for securing a permit, (e.g., bond, insurance, payment of administrative fee, etc.);

(c) We will:

1. Review the permit for proper documentation and compliance with all applicable laws and regulations;
2. Approve the permit after our review;
3. Send the approved permit to the permittee and, upon request, to the Indian landowner; and
4. Record and maintain the approved permit.

§ 166.221 How do I acquire an advertised permit through competitive bidding?

(a) As part of the negotiation of a permit, Indian landowners may advertise their Indian land to identify potential permittees with whom to negotiate.

(b) When the BIA grants and approves a permit on behalf of an individual Indian landowner using an advertisement for bids, we will:

1. Prepare and distribute an advertisement of lands available for permit that identifies the terms and conditions of the permit sale, including, for agricultural permits, any preference rights;
2. Solicit sealed bids and conduct the public permit sale;
3. Determine and accept the highest or best responsible bidder(s), which may require further competitive bidding after the bid opening; and
4. Prepare permits for successful bidders.

(c) After completion of the steps in paragraph (b) of this section, the successful bidder must complete and submit the permit and satisfy all applicable requirements, (e.g., bond, insurance, payment of administrative fee, etc.).

(d) After review of the permit documentation for proper completion and compliance with all applicable laws and regulations, within 30 days we will:
§ 166.227

(1) Grant and approve the permit on behalf of Indian landowners where we are authorized to do so by law;
(2) Distribute the approved permit to the permittee(s) and, upon request, to the Indian landowner(s); and
(3) Record and maintain the approved permit.

§ 166.222 Are there standard permit forms?

Yes. Standard permit forms, including bid forms, permit forms, and permit modification forms are available at our agency offices.

PERMIT (LEASEHOLD) MORTGAGE

§ 166.223 Can I use a permit as collateral for a loan?

We may approve a permit containing a provision that authorizes the permittee to encumber the permit interest, known as a leasehold mortgage, for the development and improvement of the permitted Indian land. We must approve the leasehold mortgage that encumbers the permit interest before it can be effective. We will record the approved leasehold mortgage instrument.

§ 166.224 What factors does the BIA consider when reviewing a leasehold mortgage?

(a) We will approve the leasehold mortgage if:
   (1) All consents required in the permit have been obtained from the Indian landowners and any surety or guarantor;
   (2) The mortgage covers only the permit interest, and no unrelated collateral belonging to the permittee;
   (3) The financing being obtained will be used only in connection with the development or use of the permitted premises, and the mortgage does not secure any unrelated obligations owed by the permittee to the mortgagee; and
   (4) We find no compelling reason to withhold our approval, in order to protect the best interests of the Indian landowner.

(b) In making the finding required by paragraph (a)(4) of this section, we will consider whether:
   (1) The ability to perform the permit obligations would be adversely affected by the cumulative mortgage obligations;
   (2) Any negotiated permit provisions as to the allocation or control of insurance or condemnation proceeds would be modified;
   (3) The remedies available to us or the Indian landowners would be limited (beyond the additional notice and cure rights to be afforded to the mortgagee), if the permittee defaults on the permit;
   (4) Any rights of the Indian landowners would be subordinated or adversely affected in the event of a foreclosure, assignment in lieu of foreclosure, or issuance of a “new permit” to the mortgagee.

(c) We will notify the Indian landowners of our approval of the leasehold mortgage.

§ 166.225 May a permittee voluntarily assign a leasehold interest under an approved encumbrance?

With our approval, under an approved encumbrance, a permittee voluntarily may assign the leasehold interest to someone other than the holder of a leasehold mortgage if the assignee agrees in writing to be bound by the terms of the permit. A permit may provide the Indian landowners with a right of first refusal on the conveyance of the leasehold interest.

§ 166.226 May the holder of a leasehold mortgage assign the leasehold interest after a sale or foreclosure of an approved encumbrance?

Yes. The holder of a leasehold mortgage may assign a leasehold interest obtained by a sale or foreclosure of an approved encumbrance without our approval if the assignee agrees in writing to be bound by the terms of the permit. A permit may provide the Indian landowners with a right of first refusal on the conveyance of the permit interest (leasehold).

MODIFYING A PERMIT

§ 166.227 How can Indian land be removed from an existing permit?

(a) We will remove Indian land from the permit if:
   (1) The trust status of the Indian land terminates;
   (2) The Indian landowners request removal of their interest, with the written approval of the majority interest of the fractionated tract to be removed,
and we determine that the removal is beneficial to such interests;
(3) A tribe allocates grazing privileges for Indian land covered by your permit under §166.218 of this part;
(4) The permittee requests removal of the Indian land, the owners of the majority interest of the Indian land provides written approval of the removal of the Indian land, and we determine that the removal is warranted; or
(5) We determine that removal of the Indian land is appropriate, with the written approval of the owners of the majority interest of the Indian land.
(b) We will revise the grazing capacity to reflect the removal of Indian land and show it on the permit.

§ 166.228 How will the BIA provide notice if Indian land is removed from an existing permit?
If the reason for removal is:
(a) Termination of trust status. We will notify the parties to the permit in writing within 30 days. The removal will be effective on the next anniversary date of the permit.
(b) A request from Indian landowners or the permittee, or our determination. We will notify the parties to the permit in writing within 30 days of such request. The removal will be effective immediately if all sureties, Indian landowners, and permittee agree. Otherwise, the removal will be effective upon the next anniversary date of the permit. If our written notice is within 180 days of the anniversary date of the permit, the removal of Indian land will be effective 180 days after the written notice.
(c) Tribal allocation under §166.218 of this part. We will notify the parties to the permit in writing within 180 days of such action. The removal of tribal land will be effective on the next anniversary date of the permit. If our written notice is within 180 days of the anniversary date of the permit, the removal of Indian land will be effective 180 days after the written notice.

§ 166.229 Other than to remove land, how can a permit be amended, assigned, subpermitted, or mortgaged?
(a) We must approve an amendment, assignment, subpermit, or mortgage with the written consent of the parties to the permit in the same manner that the permit was approved, and the consent of the sureties.
(b) Indian landowners may designate in writing one or more of their co-owners or representatives to negotiate and/or agree to amendments on their behalf.
(1) The designated landowner or representative may:
(i) Negotiate or agree to amendments; and
(ii) Consent to or approve other items as necessary.
(2) The designated landowner or representative may not:
(i) Negotiate or agree to amendments that reduce the grazing rental payments payable to the other Indian landowners; or
(ii) Terminate the permit or modify the term of the permit.
(c) We may approve a permit for tribal land to individual members of a tribe which contains a provision permitting the assignment of the permit by the permittee or the lender without our approval when a lending institution or an agency of the United States:
(1) Accepts the interest in the permit (leasehold) as security for the loan; and
(2) Obtains the interest in the permit (leasehold) through foreclosure or otherwise.
(d) We will revise the grazing capacity and modify the permit.

§ 166.230 When will a BIA decision to approve an amendment, assignment, subpermit, or mortgage under a permit be effective?
Our decision to approve an amendment, assignment, subpermit, or mortgage under a permit will be effective immediately, notwithstanding any appeal which may be filed under Part 2 of this title. Copies of approved documents will be provided to the party requesting approval, and made available to the Indian landowners upon request.

§ 166.231 Must an amendment, assignment, subpermit, or mortgage approved under a permit be recorded?
An amendment, assignment, subpermit, or mortgage approved under a permit must be recorded in our Land Titles and Records Office which has jurisdiction over the Indian land. We will
record the document immediately following our approval.

Subpart D—Land and Operations Management

§ 166.300 How is Indian agricultural land managed?

Tribes, individual Indian landowners, and the BIA will manage Indian agricultural land either directly or through contracts, compacts, cooperative agreements, or grants under the Indian Self-Determination and Education Assistance Act (Public Law 93–638, as amended).

§ 166.301 How is Indian land for grazing purposes described?

Indian land for grazing purposes should be described by legal description (e.g., aliquot parts, metes and bounds) or other acceptable description. Where there are undivided interests owned in fee status, the aggregate portion of trust and restricted interests should be identified in the description of the permitted land.

§ 166.302 How is a range unit created?

We create a range unit after we consult with the Indian landowners of rangeland, by designating units of compatible size, availability, and location.

§ 166.303 Can more than one parcel of Indian land be combined into one permit?

Yes. A permit may include more than one parcel of Indian land. Permits may include tribal land, individually-owned Indian land, or government land, or any combination thereof.

§ 166.304 Can there be more than one permit for each range unit?

Yes. There can be more than one permit for each range unit.

§ 166.305 When is grazing capacity determined?

Before we grant, modify, or approve a permit, in consultation with the Indian landowners, we will establish the total grazing capacity for each range unit based on the summation of each parcel’s productivity. We will also establish the season(s) of use on Indian lands.

§ 166.306 Can the BIA adjust the grazing capacity?

Yes. In consultation with the Indian landowners or in the BIA’s discretion based on good cause, we may adjust the grazing capacity using the best evaluation method(s) relevant to the ecological region.

§ 166.307 Will the grazing capacity be increased if I graze adjacent trust or non-trust rangelands not covered by the permit?

No. You will not receive an increase in grazing capacity in the permit if you graze trust or non-trust rangeland in common with the permitted land. Grazing capacity will be established only for Indian land covered by your permit.

§ 166.308 Can the number of animals and/or season of use be modified on the permitted land if I graze adjacent trust or non-trust rangelands under an on-and-off grazing permit?

Yes. The number of animals and/or season of use may be modified on permitted Indian land with an on-and-off grazing permit only when a conservation plan includes the use of adjacent trust or non-trust rangelands not covered by the permit and when that land is used in common with permitted land.

§ 166.309 Who determines livestock class and livestock ownership requirements on permitted Indian land?

(a) Tribes determine the class of livestock and livestock ownership requirements for livestock that may be grazed on range units composed entirely of tribal land or which include government land, subject to the grazing capacity prescribed by us under §166.305 of this part.

(b) For permits on range units containing, in whole or part, individually-owned Indian land, we will adopt the tribal determination in paragraph (a) of this section.

§ 166.310 What must a permittee do to protect livestock from exposure to disease?

In accordance with applicable law, permittees must:

(a) Vaccinate livestock;
§ 166.311 Is an Indian agricultural resource management plan required?

(a) Indian agricultural land under the jurisdiction of a tribe must be managed in accordance with the goals and objectives in any agricultural resource management plan developed by the tribe, or by us in close consultation with the tribe, under the AIARMA.

(b) The ten-year agricultural resource management and monitoring plan must be developed through public meetings and completed within three years of the initiation of the planning activity. Such a plan must be developed through public meetings, and based on the public meeting records and existing survey documents, reports, and other research from federal agencies, tribal community colleges, and land grant universities. When completed, the plan must:

(1) Determine available agricultural resources;

(2) Identify specific tribal agricultural resource goals and objectives;

(3) Establish management objectives for the resources;

(4) Define critical values of the tribe and its members and provide identified holistic management objectives; and

(5) Identify actions to be taken to reach established objectives.

(c) Where the regulations in this subpart are inconsistent with a tribe’s agricultural resource management plan, we may waive the regulations under part 1 of this title, so long as the waiver does not violate a federal statute or judicial decision or conflict with our general trust responsibility under federal law.

§ 166.312 Is a conservation plan required?

A conservation plan must be developed for each permit with the permittee and approved by us prior to the issuance of the permit. The conservation plan must be consistent with the tribe’s agricultural resource management plan and must address the permittee’s management objectives regarding animal husbandry and resource conservation. The conservation plan must cover the entire permit period and reviewed by us on an annual basis.

§ 166.313 Is environmental compliance required?

Actions taken by the BIA under the regulations in this part must comply with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), applicable regulations of the Council on Environmental Quality (40 CFR part 1500), and applicable tribal laws and regulations.

CONSERVATION PRACTICES AND IMPROVEMENTS

§ 166.314 Can a permittee apply a conservation practice on permitted Indian land?

Yes. A permittee can apply a conservation practice on permitted Indian land as long as the permittee has approval from the BIA and majority interest and the conservation practice is consistent with the conservation plan.

§ 166.315 Who is responsible for the completion and maintenance of a conservation practice if the permit expires or is canceled before the completion of the conservation practice?

Prior to undertaking a conservation practice, the BIA, landowner, and permittee will negotiate who will complete and maintain a conservation practice if the permit expires or is canceled before the completion of the conservation practice. That conservation practice agreement will be reflected in the conservation plan and permit.

§ 166.316 Can a permittee construct improvements on permitted Indian land?

Improvements may be constructed on permitted Indian land if the permit contains a provision allowing improvements.
§ 166.403 Will the BIA ever grant or approve a permit at less than fair annual rental?

(a) We will grant a permit for grazing on individually-owned Indian land at less than fair annual rental if, after competitive bidding of the permit, we determine that such action would be in the best interests of the individual Indian landowners.

(b) We may approve a permit for grazing on individually-owned Indian land at less than fair annual rental if:
§ 166.404 Whose grazing rental rate will be applicable for a permit on tribal land?

The following grazing rental rate schedule will apply for tribal land:

<table>

<tr>
<th>If you are * * *</th>
<th>And if * * *</th>
<th>Then you will pay * * *</th>
</tr>
</thead>
<tbody>
<tr>

§ 166.405 Whose grazing rental rate will be applicable for a permit on individually-owned Indian land?

The following grazing rental rate schedule will apply for individually-owned Indian land:

<th>Then you will pay * * *</th>

<tbody>
<tr>
<td>(a) Grazing livestock on Individually-owned Indian land.</td>

§ 166.406 Whose grazing rental rate will be applicable for a permit on government land?

§ 166.407 If a range unit consists of tribal and individually-owned Indian lands, what is the grazing rental rate?

The grazing rental rate for tribal land will be the rate set by the tribe. The grazing rental rate for individually-owned Indian land will be the grazing rental rate set by us.

§ 166.408 Is the grazing rental rate established by the BIA adjusted periodically?

Yes. To ensure that Indian landowners are receiving the fair annual return, we may adjust the grazing rental rate established by the BIA, based upon an appropriate valuation method, taking into account the value of improvements made under the permit, unless the permit provides otherwise, following the Uniform Standards of Professional Appraisal Practice.

(a) We will:

(1) Review the grazing rental rate prior to each anniversary date or when specified by the permit.

(2) Provide you with written notice of any adjustment of the grazing rental rate 60 days prior to each anniversary date.

(3) Allow the adjusted grazing rental rate to be less than the fair annual rental if we determine that such a rate is in the best interest of the Indian landowner.

(b) If adjusted, the grazing rental rate will become effective on the next anniversary date of the permit.
§ 166.415 What will the BIA do if the permittee fails to make a direct payment to an Indian landowner?

Within five business days of the Indian landowner’s notification to us that a payment has not been received, we will contact the permittee either in

(c) These adjustments will be retroactive, if they are not made at the time specified in the permit.

(d) For permits granted by tribes, we will consult with the granting tribe to determine whether an adjustment of the grazing rental payment should be made. The permit must be modified to document the granting tribe’s waiver of the adjustment. A tribe may grant a permit without providing for a rental adjustment, if the tribe establishes such a policy under §166.100(a)(4) of this part and negotiates such a permit.

RENTAL PAYMENTS

§ 166.409 How is my grazing rental payment determined?

The grazing rental payment is the total of the grazing rental rate multiplied by the number of AUMs or acres covered by the permit.

§ 166.410 When are grazing rental payments due?

The initial grazing rental payment is due and payable as specified in the permit or 15 days after the BIA approves the permit, whichever is later. Subsequent payments are due as specified in the permit.

§ 166.411 Will a permittee be notified when a grazing rental payment is due?

Each permit states the schedule of rental payments agreed to by the parties. We will issue an invoice to the permittee 30 to 60 days prior to the rental payment due date.

§ 166.412 What if the permittee does not receive an invoice that a grazing rental payment is due?

If we fail to send an invoice or if we send an invoice and the permittee does not receive it, the permittee is still responsible for making timely payment of all amounts due under the permit.

§ 166.413 To whom are grazing rental payments made?

(a) A permit must specify whether grazing rental payments will be made directly to the Indian landowners or to us on behalf of the Indian landowners. If the permit provides for payment to be made directly to the Indian landowners, the permit must also require that the permittee retain specific documentation evidencing proof of payment, such as canceled checks, cash receipt vouchers, or copies of money orders or cashier’s checks, consistent with the provisions of §§166.1000 and 166.1001 of this part.

(b) Grazing rental payments made directly to the Indian landowners must be made to the parties specified in the permit, unless the permittee receives a notice of a change of ownership. Unless otherwise provided in the permit, grazing rental payments may not be made payable directly to anyone other than the Indian landowners.

(c) A permit which provides for grazing rental payments to be made directly to the Indian landowners must also provide for such payments to be suspended and rent thereafter paid to us, rather than directly to the Indian landowners, if:

(1) An Indian landowner dies;

(2) An Indian landowner requests that payment be made to us;

(3) An Indian landowner is found by us to be in need of assistance in managing his/her financial affairs; or

(4) We determine, in our discretion and after consultation with the Indian landowner(s), that direct payment should be discontinued.

§ 166.414 What forms of grazing rental payments are acceptable?

(a) When grazing rental payments are made directly to the Indian landowners, the form of payment must be acceptable to the Indian landowners.

(b) Payments made to us may be delivered in person or by mail. We will not accept cash, foreign currency, or third-party checks. We will accept:

(1) Personal or business checks drawn on the account of the permittee;

(2) Money orders;

(3) Cashier’s checks;

(4) Certified checks; or

(5) Electronic funds transfer payments.

§ 166.415 What will the BIA do if the permittee fails to make a direct payment to an Indian landowner?

Within five business days of the Indian landowner’s notification to us that a payment has not been received, we will contact the permittee either in
writing or by telephone requesting that the permittee provide documentation 
(e.g., canceled check, cash receipt 
voucher, copy of a money order or 
cashier’s check) showing that payment 
has been made to the Indian land- 
owner. If the permittee fails to provide 
such documentation, we will follow the 
procedures identified in §166.419 of this 
part to collect the money on behalf of 
the Indian landowner or to cancel the 
permit.

§ 166.416 May a permittee make a graz-
ing rental payment in advance of 
the due date?

Rent may be paid no more than 30 
days in advance, unless otherwise spec-
ified in the permit.

§ 166.417 May an individual Indian 
landowner modify the terms of the 
permit on a fractionated tract for 
advance grazing rental payment?

No. An individual Indian landowner 
of a fractionated tract may not modify 
a permit to allow a grazing rental pay-
ment in advance of the due date speci-
fied in the initial approved permit.

§ 166.418 When is a grazing rental pay-
ment late?

A grazing rental payment is late if it 
is not received on or before the due 
date.

LATE RENTAL PAYMENT COLLECTIONS

§ 166.419 What will the BIA do if graz-
ing rental payments are not made 
in the time and manner required by 
the permit?

(a) A permittee’s failure to pay graz-
ing rental payments in the time and 
manner required by a permit will be a 
violation of the permit, and a notice of 
violation will be issued under §166.703 
of this part. If the permit requires that 
grazing rental payments be made to us, 
we will send the permittee and its sure-
ties a notice of violation within five 
business days of the date on which the 
grazing rental payment was due. If the 
permit provides for payment directly 
to the Indian landowner(s), we will 
send the permittee and its sureties a 
otice of violation within five business 
days of the date on which we receive 
actual notice of non-payment from the 
Indian landowner(s).

(b) If a permittee fails to provide ade-
quate proof of payment or cure the vi-
olation within the requisite time period 
described in §166.704 of this part, and 
the amount due is not in dispute, we 
may immediately take action to re-
cover the amount of the unpaid rent 
and any associated interest charges or 
late payment penalties. We may also 
cancel the permit under §166.705 of this 
part, or invoke any other remedies 
available under the permit or applica-
ble law, including collection on any 
available bond or referral of the debt to 
the Department of the Treasury for 
collection. An action to recover any 
unpaid amounts will not be conditioned 
on the prior cancellation of the permit 
or any further notice to the permittee, 
nor will such an action be precluded by 
a prior cancellation.

(c) Partial payments may be accept-
ed, under special circumstances, by the 
Indian landowners or us, but accept-
ance will not operate as a waiver with 
respect to any amounts remaining un-
paid or any other existing permit viola-
tions. Unless otherwise provided in the 
permit, overpayments may be credited 
as an advance against future grazing 
rental payments.

(d) If a personal or business check is 
dishonored, and a grazing rental pay-
ment is therefore not made by the due 
date, the failure to make the payment 
in a timely manner will be a violation 
of the permit, and a written notice of 
violation will be issued under §166.703 
of this part. Any payment made to cure 
such a default, and any future pay-
ments by the same permittee, must be 
based by one of the alternative pay-
ment methods listed in §166.414(b) of 
this part.

§ 166.420 Will any special fees be as-
sessed on delinquent grazing rental 
payments due under a permit?

The following special fees will be as-
sessed if a grazing rental payment is 
not paid in the time and manner re-
quired, in addition to any interest or 
late payment penalties which must be 
paid to the Indian landowners under a 
permit. The following special fees will 
be assessed to cover administrative 
costs incurred by the United States in 
the collection of the debt:
§ 166.601 How are annual administrative fees determined?
(a) Except as provided in subsection (b), we will charge a three percent (%) administrative fee based on the annual grazing rent.
(b) The minimum administrative fee is $10.00 and the maximum administrative fee is $500.00.
(c) If a tribe performs all or part of the administrative duties for this part, the tribe may establish, collect, and use reasonable fees to cover its costs associated with the performance of administrative duties.

§ 166.502 Are administrative fees refundable?
No. We will not refund administrative fees.

§ 166.503 May the BIA waive administrative fees?
Yes. We may waive the administrative fee for a justifiable reason.

§ 166.504 Are there any other administrative or tribal fees, taxes, or assessments that must be paid?
Yes. The permittee may be required to pay additional fees, taxes, and/or assessments associated with the use of the land as determined by us or by the tribe. Failure to make such payments will constitute a permit violation under subpart H of this part.

Subpart G—Bonding and Insurance Requirements

§ 166.600 Must a permittee provide a bond for a permit?
Yes. A permittee, assignee or subpermittee must provide a bond for each permit interest acquired. Upon request by an Indian landowner, we may waive the bond requirement.

§ 166.601 How is the amount of the bond determined?
(a) The amount of the bond for each permit is based on the:
(1) Value of one year’s grazing rental payment:
§ 166.602 What form of bonds will the BIA accept?

(a) We will only accept bonds in the following forms:

(1) Cash;

(2) Negotiable Treasury securities that:
   (i) Have a market value equal to the bond amount; and
   (ii) Are accompanied by a statement granting full authority to the BIA to sell such securities in case of a violation of the terms of the permit.

(3) Certificates of deposit that indicate on their face that Secretarial approval is required prior to redemption by any party;

(4) Irrevocable letters of credit (LOC) issued by federally-insured financial institutions authorized to do business in the United States. LOC's must:
   (i) Contain a clause that grants the BIA authority to demand immediate payment if the permittee defaults or fails to replace the LOC within 30 calendar days prior to its expiration date;
   (ii) Be payable to the “Department of the Interior, BIA”;
   (iii) Be irrevocable during its term and have an initial expiration date of not less than one year following the date we receive it; and
   (iv) Be automatically renewable for a period of not less than one year, unless the issuing financial institution provides the BIA with written notice at least 90 calendar days before the letter of credit’s expiration date that it will not be renewed;

(5) Surety bond; or

(6) Any other form of highly liquid, non-volatile security subsequently approved by us that is easily convertible to cash by us and for which our approval is required prior to redemption by any party.

(b) Indian landowners may negotiate a permit term that specifies the use of any of the bond forms described in paragraph (a) of this section.

(c) A tribe may accept and hold any form of bond described in paragraph (a) of this section, to secure performance under a permit of tribal land.

§ 166.603 If cash is submitted as a bond, how is it administered?

If cash is submitted as a bond, we will establish an account in the name of the permittee and retain it.

§ 166.604 Is interest paid on a cash performance bond?

No. Interest will not be paid on a cash performance bond.

§ 166.605 Are cash performance bonds refunded?

If the cash performance bond has not been forfeited for cause, the amount deposited will be refunded to the depositor at the end of the permit period.

§ 166.606 What happens to a bond if a violation occurs?

We may apply the bond to remedy the violation, in which case we will require the permittee to submit a replacement bond of an appropriate amount.

§ 166.607 Is insurance required for a permit?

When we determine it to be in the best interest of the Indian landowners, we will require a permittee to provide insurance. If insurance is required, it must:

(a) Be provided in an amount sufficient to:
   (1) Protect any improvements on the permit premises;
   (2) Cover losses such as personal injury or death; and
   (3) Protect the interest of the Indian landowner.

(b) Identify the tribe, individual Indian landowners, and United States as insured parties.

§ 166.608 What types of insurance may be required?

We may require liability or casualty insurance (such as for fire, hazard, or flood), depending upon the activity conducted under the permit.
Subpart H—Permit Violations

§ 166.700 What permit violations are addressed by this subpart?

This subpart addresses violations of permit provisions other than trespass. Trespass is addressed under subpart I of this part.

§ 166.701 How will the BIA determine whether the activities of a permittee under a permit are in compliance with the terms of the permit?

Unless the permit provides otherwise, we may enter the range unit at any reasonable time, without prior notice, to protect the interests of the Indian landowners and ensure that the permittee is in compliance with the operating requirements of the permit.

§ 166.702 Can a permit provide for negotiated remedies in the event of a permit violation?

(a) A permit of tribal land may provide the tribe with certain negotiated remedies in the event of a permit violation, including the power to terminate the permit. A permit of individually-owned Indian land may provide the individual Indian landowners with similar remedies, so long as the permit also specifies the manner in which those remedies may be exercised by or on behalf of the Indian landowners. Any notice of violation must be provided by written notice.

(b) The negotiated remedies described in paragraph (a) of this section will apply in addition to the cancellation remedy available to us under §166.705(c) of this subpart. If the permit specifically authorizes us to exercise any negotiated remedies on behalf of the Indian landowners, the exercise of such remedies may substitute for cancellation.

(c) A permit may provide for permit disputes to be resolved in tribal court or any other court of competent jurisdiction, or through arbitration or some other alternative dispute resolution method. We may not be bound by decisions made in such forums, but we will defer to any ongoing proceedings, as appropriate, in deciding whether to exercise any of the remedies available to us under §166.705 of this subpart.

§ 166.703 What happens if a permit violation occurs?

(a) If an Indian landowner notifies us that a specific permit violation has occurred, we will initiate an appropriate investigation within five business days of that notification.

(b) If we determine that a permit violation has occurred based on facts known to us, we will provide written notice to the permittee and the sureties of the violation within five business days.

§ 166.704 What will a written notice of a permit violation contain?

The written notice of a permit violation will provide the permittee with ten days from the receipt of the written notice to:

(a) Cure the permit violation and notify us that the violation is cured.

(b) Explain why we should not cancel the permit; or

(c) Request in writing additional time to complete corrective actions. If additional time is granted, we may require that certain corrective actions be taken immediately.

§ 166.705 What will the BIA do if a permit violation is not cured within the required time period?

(a) If the permittee does not cure a violation within the required time period, we will consult with the Indian landowners, as appropriate, and determine whether:

(1) The permit should be canceled by us under paragraph (c) of this section and §§166.706 through 166.707 of this subpart;

(2) We should invoke any other remedies available to us under the permit, including collecting on any available bond;

(3) The Indian landowners wish to invoke any remedies available to them under the permit; or

(4) The permittee should be granted additional time in which to cure the violation.

(b) If we decide to grant a permittee additional time in which to cure a violation, the permittee must proceed diligently to complete the necessary corrective actions within a reasonable or specified time period from the date on which the extension is granted.
§ 166.706 Will the BIA’s regulations concerning appeal bonds apply to cancellation decisions involving permits?

(a) The appeal bond provisions in §2.5 of part 2 of this chapter will not apply to appeals from permit cancellation decisions made under §166.705 of this subpart. Instead, when we decide to cancel a permit, we may require the permittee to post an appeal bond with an appeal of the cancellation decision. The requirement to post an appeal bond will apply in addition to all of the other requirements in part 2 of this chapter.

(b) An appeal bond should be set in an amount necessary to protect the Indian landowners against financial losses that will likely result from the delay caused by an appeal. Appeal bond requirements will not be separately appealable, but may be contested during the appeal of the permit cancellation decision.

§ 166.707 When will a cancellation of a permit be effective?

A cancellation decision involving a permit will not be effective for 30 days after the permittee receives a written notice of cancellation from us. The cancellation decision will remain ineffective if the permittee files an appeal under §166.706 of this subpart and part 2 of this chapter, unless the decision is made immediately effective under part 2. While a cancellation decision is ineffective, the permittee must continue to pay rent and comply with the other terms of the permit. If an appeal is not filed in accordance with §166.706 of this subpart and part 2 of this chapter, the cancellation decision will be effective on the 31st day after the permittee receives the written notice of cancellation from us.

§ 166.708 Can the BIA take emergency action if the rangeland is threatened with immediate, significant, and irreparable harm?

Yes. If a permittee or any other party causes or threatens to cause immediate, significant and irreparable harm to the Indian land during the term of a permit, we will take appropriate emergency action. Emergency action may include trespass proceedings under subpart I of this part, or judicial action seeking immediate cessation of the activity resulting in or threatening the harm. Reasonable efforts will be made to notify the Indian landowners, either before or after the emergency action is taken.

§ 166.709 What will the BIA do if a permittee holds over after the expiration or cancellation of a permit?

If a permittee remains in possession of Indian land after the expiration or cancellation of a permit, we will treat the unauthorized use as a trespass. Unless we have reason to believe that the permittee is engaged in negotiations with the Indian landowners to obtain a new permit, we will take action to recover possession of the Indian land on behalf of the Indian landowners, and pursue any additional remedies available under applicable law, including the assessment of civil penalties and costs under subpart I of this part.

Subpart I—Trespass

§ 166.800 What is trespass?

Under this part, trespass is any unauthorized occupancy, use of, or action on Indian agricultural lands. These
provisions also apply to Indian agricultural land managed under an agricultural lease or permit under part 162 of this title.

§ 166.801 What is the BIA's trespass policy?
We will:
(a) Investigate accidental, willful, and/or incidental trespass on Indian agricultural land;
(b) Respond to alleged trespass in a prompt, efficient manner;
(c) Assess trespass penalties for the value of products used or removed, cost of damage to the Indian agricultural land, and enforcement costs incurred as a consequence of the trespass.
(d) Ensure that damage to Indian agricultural lands resulting from trespass is rehabilitated and stabilized at the expense of the trespasser.

§ 166.802 Who can enforce this subpart?
(a) The BIA enforces the provisions of this subpart. If the tribe adopts the provisions of this subpart, the tribe will have concurrent jurisdiction to enforce this subpart. Additionally, if the tribe so requests, we will defer to tribal prosecution of trespass on Indian agricultural lands.
(b) Nothing in this subpart shall be construed to diminish the sovereign authority of Indian tribes with respect to trespass.

§ 166.803 How are trespassers notified of a trespass determination?
(a) Unless otherwise provided under tribal law, when we have reason to believe that a trespass on Indian agricultural land has occurred, within five business days, we or the authorized tribal representative will provide written notice to the alleged trespasser, the possessor of trespass property, any known lien holder, and beneficial Indian landowner, as appropriate. The written notice will include the following:
(1) The basis for the trespass determination;
(2) A legal description of where the trespass occurred;
(3) A verification of ownership of unauthorized property (e.g., brands in the State Brand Book for cases of livestock trespass, if applicable);
(4) Corrective actions that must be taken;
(5) Time frames for taking the corrective actions;
(6) Potential consequences and penalties for failure to take corrective action; and
(7) A statement that unauthorized livestock or other property may not be removed or disposed of unless authorized by us.
(b) If we determine that the alleged trespasser or possessor of trespass property is unknown or refuses delivery of the written notice, a public trespass notice will be posted at the tribal community building, U.S. Post Office, and published in the local newspaper nearest to the Indian agricultural lands where the trespass is occurring.
(c) Trespass notices under this subpart are not subject to appeal under 25 CFR part 2.

§ 166.804 What can I do if I receive a trespass notice?
If you receive a trespass notice, you will within the time frame specified in the notice:
(a) Comply with the ordered corrective actions; or
(b) Contact us in writing to explain why the trespass notice is in error. You may contact us by telephone but any explanation of trespass you wish to provide must be in writing. If we determine that we issued the trespass notice in error, we will withdraw the notice.

§ 166.805 How long will a written trespass notice remain in effect?
A written trespass notice will remain in effect for the same conduct identified in that written notice for a period of one year from the date of receipt of the written notice by the trespasser.

§ 166.806 What actions does the BIA take against trespassers?
If the trespasser fails to take the corrective action specified by us, we may take one or more of the following actions, as appropriate:
(a) Seize, impound, sell or dispose of unauthorized livestock or other property involved in the trespass. We may
§ 166.807 When will we impound unauthorized livestock or other property?

We will impound unauthorized livestock or other property under the following conditions:

(a) Where there is imminent danger of severe injury to growing or harvestable crop or destruction of the range forage.

(b) When the known owner or the owner's representative of the unauthorized livestock or other property refuses to accept delivery of a written notice of trespass and the unauthorized livestock or other property are not removed within the period prescribed in the written notice.

(c) Any time after five days of providing notice of impoundment if you failed to correct the trespass.

§ 166.808 How are trespassers notified if their unauthorized livestock or other property are to be impounded?

(a) If the trespass is not corrected in the time specified in the initial trespass notice, we will send written notice of our intent to impound unauthorized livestock or other property to the unauthorized livestock or property owner or representative, and any known lien holder of the unauthorized livestock or other property.

(b) If we determine that the owner of the unauthorized livestock or other property or the owner's representative is unknown or refuses delivery of the written notice of intent to impound at the tribal community building, U.S. Post Office, and publishing in the local newspaper nearest to the Indian agricultural lands where the trespass is occurring. The public notice will include a description of the impounded property, and the date, time, and place of the public sale. The sale date must be at least five days after the publication and posting of notice.

§ 166.809 What happens after my unauthorized livestock or other property are impounded?

Following the impoundment of unauthorized livestock or other property, we will provide notice that we will sell the impounded property as follows:

(a) We will provide written notice of the sale to the owner, the owner's representative, and any known lien holder. The written notice must include the procedure by which the impounded property may be redeemed prior to the sale.

(b) We will provide public notice of sale of impounded property by posting at the tribal community building, U.S. Post Office, and publishing in the local newspaper nearest to the Indian agricultural lands where the trespass is occurring. The public notice will include a description of the impounded property, and the date, time, and place of the public sale. The sale date must be at least five days after the publication and posting of notice.

§ 166.810 How do I redeem my impounded livestock or other property?

You may redeem impounded livestock or other property by submitting proof of ownership and paying all penalties, damages, and costs under §166.812 of this subpart and completing all corrective actions identified by us under §166.804 of this subpart.

§ 166.811 How will the sale of impounded livestock or other property be conducted?

(a) Unless the owner or known lien holder of the impounded livestock or other property redeems the property prior to the time set by the sale, by submitting proof of ownership and settling all obligations under §166.804 and §166.812 of this subpart, the property will be sold by public sale to the highest bidder.

(b) If a satisfactory bid is not received, the livestock or property may be re-offered for sale, returned to the owner, condemned and destroyed, or otherwise disposed of.

(c) We will give the purchaser a bill of sale or other written receipt evidencing the sale.
§ 166.812 What are the penalties, damages, and costs payable by trespassers on Indian agricultural land?

Trespassers on Indian agricultural land must pay the following penalties and costs:

(a) Collection of the value of the products illegally used or removed plus a penalty of double their values;
(b) Costs associated with any damage to Indian agricultural land and/or property;
(c) The costs associated with enforcement of the regulations, including field examination and survey, damage appraisal, investigation assistance and reports, witness expenses, demand letters, court costs, and attorney fees;
(d) Expenses incurred in gathering, impounding, caring for, and disposal of livestock in cases which necessitate impoundment under §166.807 of this subpart; and
(e) All other penalties authorized by law.

§ 166.813 How will the BIA determine the value of forage or crops consumed or destroyed?

We will determine the value of forage or crops consumed or destroyed based upon the average rate received per month for comparable property or grazing privileges, or the estimated commercial value or replacement costs of such products or property.

§ 166.814 How will the BIA determine the value of the products or property illegally used or removed?

We will determine the value of the products or property illegally used or removed based upon a valuation of similar products or property.

§ 166.815 How will the BIA determine the amount of damages to Indian agricultural land?

We will determine the damages by considering the costs of rehabilitation and revegetation, loss of future revenue, loss of profits, loss of productivity, loss of market value, damage to other resources, and other factors.

§ 166.816 How will the BIA determine the costs associated with enforcement of the trespass?

Costs of enforcement may include detection and all actions taken by us through prosecution and collection of damages. This includes field examination and survey, damage appraisal, investigation assistance and report preparation, witness expenses, demand letters, court costs, attorney fees, and other costs.

§ 166.817 What happens if I do not pay the assessed penalties, damages and costs?

Unless otherwise provided by applicable tribal law:

(a) We will refuse to issue you a permit for use, development, or occupancy of Indian agricultural lands; and
(b) We will forward your case for appropriate legal action.

§ 166.818 How are the proceeds from trespass distributed?

Unless otherwise provided by tribal law:

(a) We will treat any amounts recovered under §166.812 of this subpart as proceeds from the sale of agricultural property from the Indian agricultural land upon which the trespass occurred.
(b) Proceeds recovered under §166.812 of this subpart may be distributed to:
   (1) Repair damages of the Indian agricultural land and property;
   (2) Reimburse the affected parties, including the permittee for loss due to the trespass, as negotiated and provided in the permit; and
   (3) Reimburse for costs associated with the enforcement of this subpart.
(c) If any money is left over after the distribution of the proceeds described in paragraph (b) of this section, we will return it to the trespasser or, where we cannot identify the owner of the impounded property within 180 days, we will deposit the net proceeds of the sale into the accounts of the landowners where the trespass occurred.

§ 166.819 What happens if the BIA does not collect enough money to satisfy the penalty?

We will send written notice to the trespasser demanding immediate settlement and advising the trespasser
that unless settlement is received within five business days from the date of receipt, we will forward the case for appropriate legal action. We may send a copy of the notice to the Indian landowner, permittee, and any known lien holders.

Subpart J—Agriculture Education, Education Assistance, Recruitment, and Training

§ 166.900 How are the Indian agriculture education programs operated?

(a) The purpose of the Indian agriculture education programs is to recruit and develop promising Indian and Alaska Natives who are enrolled in secondary schools, tribal or Alaska Native community colleges, and other post-secondary schools for employment as professional resource managers and other agriculture-related professionals by approved organizations.

(b) We will operate the student educational employment program as part of our Indian agriculture education programs in accordance with the provisions of 5 CFR 213.3202(a) and (b).

(c) We will establish an education committee to coordinate and carry out the agriculture education assistance programs and to select participants for all agriculture education assistance programs. The committee will include at least one Indian professional educator in the field of natural resources or agriculture, a personnel specialist, a representative of the Intertribal Agriculture Council, and a natural resources or agriculture professional from the BIA and a representative from American Indian Higher Education Consortium. The committee’s duties will include the writing of a manual for the Indian and Alaska Native Agriculture Education and Assistance Programs.

(d) We will monitor and evaluate the agriculture education assistance programs to ensure that there are adequate Indian and Alaska Native natural resources and agriculture-related professionals to manage Indian natural resources and agriculture programs by or for tribes and Alaska Native Corporations. We will identify the number of participants in the intern, student educational employment program, scholarship, and outreach programs; the number of participants who completed the requirements to become a natural resources or agriculture-related professional; and the number of participants completing advanced degree requirements.

§ 166.901 How will the BIA select an agriculture intern?

(a) The purpose of the agriculture intern program is to ensure the future participation of trained, professional Indians and Alaska Natives in the management of Indian and Alaska Native agricultural land. In keeping with this purpose, we will work with tribes and Alaska Natives:

(1) To obtain the maximum degree of participation from Indians and Alaska Natives in the agriculture intern program;

(2) To encourage agriculture interns to complete an undergraduate degree program in natural resources or agriculture-related field; and

(3) To create an opportunity for the advancement of natural resources and agriculture-related technicians to professional resource management positions with the BIA, other federal agencies providing an agriculture service to their respective tribe, a tribe, or tribal agriculture enterprise.

(b) Subject to restrictions imposed by agency budgets, we will establish and maintain in the BIA at least 20 positions for the agriculture intern program. All Indians and Alaska Natives who satisfy the qualification criteria may compete for positions.

(c) Applicants for intern positions must meet the following criteria:

(1) Be eligible for Indian preference as defined in 25 CFR part 5;

(2) Possess a high school diploma or its recognized equivalent;

(3) Be able to successfully complete the intern program within a three-year period; and

(4) Possess a letter of acceptance to an accredited post-secondary school or demonstrate that one will be sent within 90 days.

(d) We will advertise vacancies for agriculture intern positions semi-annually, no later than the first day of
April and October, to accommodate entry into school.

(e) In selecting agriculture interns, we will seek to identify candidates who:
   (1) Have the greatest potential for success in the program;
   (2) Will take the shortest time period to complete the intern program; and
   (3) Provide the letter of acceptance required by paragraph (c)(4) of this section.

(f) Agriculture interns must:
   (1) Maintain full-time status in an agriculture-related curriculum at an accredited post-secondary school;
   (2) Maintain good academic standing;
   (3) Enter into an obligated service agreement to serve as a professional resource manager or agriculture-related professional with an approved organization for one year in exchange for each year in the program; and
   (4) Report for service with the approved organization during any break in attendance at school of more than three weeks.

(g) The education committee will evaluate annually the performance of the agriculture intern program participants against requirements to ensure that they are satisfactorily progressing toward completion of program requirements.

(h) We will pay all costs for tuition, books, fees, and living expenses incurred by an agriculture intern while attending an accredited post-secondary school.

§ 166.902 How can I become an agriculture educational employment student?

(a) To be considered for selection, applicants for the student educational employment program must:
   (1) Meet the eligibility requirements in 5 CFR part 308; and
   (2) Be accepted into or enrolled in a course of study at an accredited post-secondary institution which grants degrees in natural resources or agriculture-related curricula.

(b) Student educational employment steering committees established at the field level will select program participants based on eligibility requirements without regard to applicants' financial needs.

(c) A recipient of assistance under the student educational employment program will be required to enter into an obligated service agreement to serve as a natural resources or agriculture-related professional with an approved organization for one year in exchange for each year in the program.

(d) We will pay all costs of tuition, books, fees, and transportation to and from the job site to school, for an Indian or Alaska Native student who is selected for the cooperative education program.

§ 166.903 How can I get an agriculture scholarship?

(a) We may grant agriculture scholarships to Indians and Alaska Natives enrolled as full-time students in accredited post-secondary and graduate programs of study in natural resources and agriculture-related curricula.

(b) The education committee established in §166.900(c) of this subpart will select program participants based on eligibility requirements stipulated in paragraphs (e) through (g) of this section without regard to applicants' financial needs or past scholastic achievements.

(c) Recipients of scholarships must reapply annually to continue to receive funding beyond the initial award period. Students who have received scholarships in past years, are in good academic standing, and have been recommended for continuation by their academic institution will be given priority over new applicants for scholarship assistance.

(d) The amount of scholarship funds an individual is awarded each year will be contingent upon the availability of funds appropriated each fiscal year and is subject to yearly change.

(e) Preparatory scholarships may be available for a maximum of three academic years of general, undergraduate course work leading to a degree in natural resources or agriculture-related curricula and may be awarded to individuals who:
   (1) Possess a high school diploma or its recognized equivalent; and
   (2) Are enrolled and in good academic standing at an acceptable post-secondary school.
§ 166.904 What is agriculture education outreach?

(a) We will establish and maintain an agriculture education outreach program for Indian and Alaska Native youth that will:

(1) Encourage students to acquire academic skills needed to succeed in post-secondary mathematics and science courses;

(2) Promote agriculture career awareness;

(3) Involve students in projects and activities oriented to agriculture-related professions early so students realize the need to complete required pre-college courses; and

(4) Integrate Indian and Alaska Native agriculture program activities into the education of Indian and Alaska Native students.

(b) We will develop and carry out the program in consultation with appropriate community education organizations, tribes, ANCSA Corporations, Alaska Native organizations, and other federal agencies providing agriculture services to Indians.

(c) The education committee established under §166.900(c) of this subpart will coordinate and implement the program nationally.

§ 166.905 Who can get assistance for postgraduate studies?

(a) The purpose of the postgraduate studies program is to enhance the professional and technical knowledge of Indian and Alaska Native natural resource and agriculture-related professionals working for an approved organization so that the best possible service is provided to Indian and Alaska Natives.

serve as a natural resources or agriculture-related professional with an approved organization for one year for each year in the program. We may reduce the obligated service requirement if the employee receives supplemental funding such as research grants, scholarships, or graduate stipends and, as a result, reduces the need for financial assistance under this part. If the obligated service agreement is breached, we will collect the amount owed us in accordance with §166.910 of this subpart.

§ 166.906 What can happen if we recruit you after graduation?

(a) The purpose of the post graduation recruitment program is to recruit Indian and Alaska Native natural resource and trained agriculture technicians into the agriculture programs of approved organizations.

(g) A bonus pay incentive, up to 25 percent (%) of the intern’s base salary, may be provided to intergovernmental interns at the conclusion of the internship period. Bonus pay incentives will be at the discretion of and funded by the host organization and must be conditioned upon the host agency’s documentation of the intern’s superior performance, in accordance with the agency’s performance standards, during the internship period.

§ 166.908 Who can participate in continuing education and training?

(a) The purpose of continuing education and training is to establish a program to provide for the ongoing education and training of natural resources and agriculture personnel employed by approved organizations. This program will emphasize continuing education and training in three areas:

(d) We will maintain an agriculture land-based enterprise and marketing training program to assist with the development and use of Indian and Alaskan Native agriculture resources.

§ 166.909 What are my obligations to the BIA after I participate in an agriculture education program?

(a) Individuals completing agriculture education programs with an obligated service requirement may be offered full time permanent employment with an approved organization to fulfill their obligated service within 90 days of the date all program education requirements have been completed. If employment is not offered within the 90-day period, the student will be relieved of obligated service requirements. If the employer is other than the BIA, the employer must also notify us.

(b) Employment time that can be credited toward obligated service requirement will begin the day after all program education requirements have been completed, with the exception of the agriculture intern program which includes the special provisions outlined in §166.901(f)(4) of this subpart. The minimum service obligation period will be one year of full time employment.

(c) The employer has the right to designate the location of employment for fulfilling the service obligation.

(d) A participant in any of the agriculture education programs with an obligated service requirement may, within 30 days of completing all program education requirements, request a deferment of obligated service to pursue postgraduate or post-doctoral studies. We may grant such a request; however, deferments granted in no way waive or otherwise affect obligated service requirements.

(e) A participant in any of the agriculture education programs with an obligated service requirement may, within 30 days of completing all program education requirements, request a waiver of obligated service based on personal or family hardship. We may grant a full or partial waiver or deny the request for waiver. In such cases, we will issue a decision within 30 days of receiving the request for waiver.

§ 166.1000 Who owns the records associated with this part?

(a) Records are the property of the United States if they:

1. Are made or received by a tribe or tribal organization in the conduct of a federal trust function under 25 U.S.C. §450f et seq., including the operation of a trust program; and

2. Evidence the organization, functions, policies, decisions, procedures, operations, or other activities undertaken in the performance of a federal trust function under this part.

(b) Records not covered by paragraph (a) of this section that are made or received by a tribe or tribal organization in the conduct of business with the Department of the Interior under this part are the property of the tribe.

§ 166.1001 How must a records associated with this part be preserved?

(a) Any organization, including tribes and tribal organizations, that have records identified in §166.1000(a) of this part must preserve the records in accordance with approved Departmental records retention procedures under the Federal Records Act, 44 U.S.C. Chapters 29, 31 and 33. These records and related records management practices and safeguards required under the Federal Records Act are subject to inspection by the Secretary and the Archivist of the United States.

(b) A tribe or tribal organization should preserve the records identified in §166.1000(b) of this part for the period of time authorized by the Archivist of the United States for similar Department of the Interior records in accordance with 44 U.S.C. Chapter 33. If a tribe or tribal organization does not preserve records associated with its conduct of business with the Department of the Interior under this part, it may prevent the tribe or tribal organization from being able to adequately document essential transactions or furnish information necessary to protect its legal and financial rights or those of persons directly affected by its activities.

PART 167—NAVAJO GRAZING REGULATIONS

§ 167.1 Authority.

It is within the authority of the Secretary of the Interior to protect Indian tribal lands against waste. Subject to regulations of this part, the right exists for Indian tribes to authorize the granting of permits upon their tribal lands and to prescribe by appropriate tribal action the conditions under which their lands may be used.

§ 167.2 General regulations.

Part 166 of this subchapter authorizes the Commissioner of Indian Affairs to regulate the grazing of livestock on Indian lands under conditions set forth therein. In accordance with this authority and that of the Navajo Tribal Council, the Central Grazing Committee and the District Grazing Committees, the grazing of livestock on the Navajo Reservation shall be governed by the regulations in this part.
§ 167.3 Objectives.

It is the purpose of the regulations in this part to aid the Navajo Indians in achievement of the following objectives:

(a) The preservation of the forage, the land, and the water resources on the Navajo Reservation, and the building up of those resources where they have deteriorated.

(b) The protection of the interests of the Navajo Indians from the encroachment of unduly aggressive and anti-social individuals who may or may not be members of the Navajo Tribe.

(c) The adjustment of livestock numbers to the carrying capacity of the range in such a manner that the livestock economy of the Navajo Tribe will be preserved.

(d) To secure increasing responsibility and participation of the Navajo people, including tribal participation in all basic policy decisions, in the sound management of one of the Tribe’s greatest assets, its grazing lands, and to foster a better relationship and a clearer understanding between the Navajo people and the Federal Government in carrying out the grazing regulations.

(e) The improvement of livestock through proper breeding practices and the maintenance of a sound culling policy. Buck and bull pastures may be established and maintained either on or off the reservation through District Grazing Committee and Central Grazing Committee action.

§ 167.4 Regulations; scope; exceptions.

The grazing regulations in this part apply to all lands within the boundaries of the Navajo Reservation held in trust by the United States for the Navajo Tribe and all the trust lands hereafter added to the Navajo Reservation. The regulations in this part do not apply to any of the area described in the Executive order of December 16, 1882, to individually owned allotted lands within the Navajo Reservation nor to tribal purchases, allotted or privately owned Navajo Indian lands outside the exterior boundaries of the Navajo Reservation.

[34 FR 14599, Sept. 19, 1969. Redesignated at 47 FR 13327, Mar. 30, 1982]

§ 167.5 Land management districts.

The Commissioner of Indian Affairs has established and will retain the present land management districts within the Navajo Indian Reservation, based on the social and economic requirements of the Navajo Indians and the necessity of rehabilitating the grazing lands. District boundary changes may be made when deemed necessary and advisable by the District Grazing Committees, Central Grazing Committee and Tribal Council, with approval by the Superintendent, Area Director, and the Commissioner of Indian Affairs.

§ 167.6 Carrying capacities.

(a) The Commissioner of Indian Affairs on June 26, 1943, promulgated the authorized carrying capacity for each land management district of the Navajo Reservation.

(b) Recommended adjustments in carrying capacities shall be referred by the Superintendent to District Grazing Committee, Central Grazing Committee, and the Navajo Tribal Council for review and recommendations prior to presentation to the Area Director and the Commissioner of Indian Affairs for approval.

(c) Upon the request of the District Grazing Committee, Central Grazing Committee and Navajo Tribal Council to the Superintendent; recommendations for future adjustments to the established carrying capacities shall be made by Range Technicians based on the best information available through annual utilization studies and range condition studies analyzed along with numbers of livestock and precipitation data. The recommendations of the Range Technicians shall be submitted to the Superintendent, the Area Director and the Commissioner of Indian Affairs.

(d) Carrying capacities shall be stated in terms of sheep units yearlong, in the ratio of horses, mules, and burros 1 to 5; cattle 1 to 4; goats 1 to 1. The latter figure in each case denotes sheep units. Sheep, goats, cattle, horses, mules, and burros one year of age or older shall be counted against the carrying capacity.
§ 167.7 Records.

The District Grazing Committee, the Superintendent, and his authorized representatives shall keep accurate records of all grazing permits and ownership of all livestock. Master files shall be maintained by the Superintendent or his authorized representatives.

(a) The District Grazing Committee shall be responsible for and assist in organizing the sheep and goat dipping and horse and cattle branding program and obtaining the annual live-stock count.

(b) In order to obtain true records of ownership the permittee shall personally appear at the dipping vat or tallying point designated by the Grazing Committee with his or her sheep and goats and at branding and tallying points for cattle and horses. Should the permittee be unable to appear personally he or she shall designate a representative to act for and in his or her behalf. The sheep and goats will be dipped and the cattle and horses will be branded and recorded in the name of the permittee.

(c) The Superintendent shall prepare and keep current a register containing the names of all permittees using the range, the number of each class of stock by age classes grazed annually and the periods during which grazing shall be permitted in each part thereof. An annual stock census will be taken to insure that the carrying capacity is not exceeded. All classes of livestock twelve months of age or over will be counted against range use and permitted number, except that yearling colts will not be counted against permitted numbers on all permits with less than six horses. (Cross Reference § 167.9.)

§ 167.8 Grazing rights.

(a) The Superintendent shall determine grazing rights of bona fide livestock owners based on recommendations of District Grazing Committees. Grazing rights shall be recognized for those permittees having ownership records as established in accordance with §167.7 or who have acquired grazing rights by marriage, inheritance, purchase or division of permits. Whenever the permitted number of sheep units within a district is less than the carrying capacity, new permits to the carrying capacity limit may be granted as provided in §167.9.

(b) All enrolled members of the Navajo Tribe over 18 years of age are eligible to acquire and hold grazing permits. Minors under 18 years of age can get possession of grazing permits only through inheritance or gift, and in each case Trustees must be appointed by the Tribal Courts to manage the permits and livestock of such minors until they become 18 years of age and can hold grazing permits in their own right.

(c) No person can hold a grazing permit in more than one district on the Navajo Reservation.

(d) Determination of rights to grazing permits involved in cases of divorce, separation, threatened family disruption, and permits of deceased permittees shall be the responsibility of the Navajo Court of Indian Offenses under existing laws, rules, and regulations.

§ 167.9 Grazing permits.

(a) All livestock grazed on the Navajo Reservation must be covered by an authorized grazing permit issued by the Superintendent based upon the recommendations of the District Grazing Committee. All such grazing permits will be automatically renewed annually until terminated. District Grazing Committees shall act on all grazing permit changes resulting from negotiability within their respective Districts. The number of livestock that may be grazed under each permit shall be the number originally permitted plus or minus any changes as indicated by Transfer Agreements and Court Judgment Orders.

(b) Any permittee who has five or more horses on his current permit will be required to apply any acquired sheep units in classes of stock other than horses. If the purchaser wishes more than his present number of horses, he must have his needs evaluated by the District Grazing Committee. Yearling colts will be counted against permitted number on all permits with six or more horses. Yearling colts will not be counted against permitted number on all permits with less than six horses. In
§ 167.10 Grazing Committees were organized in May 1953. These committees have not had ample time to fully acquaint themselves or the stockmen in their respective districts with all of the various items of range administration and range management. Also the drought of several years has not broken. The Navajo Tribe therefore requests that the matter of establishing regulations regarding the adoption of grazing fees be deferred until such a time as a full understanding of the advantages of fees can be had by the majority of the stockmen in all Districts. The assessment of grazing fees will not aid materially in obtaining proper range use. At this time it is more important that other sections of these grazing regulations be adopted and enforced. Resolution of Navajo Tribal Council No. CJ-22-54 of June 9, 1954.

§ 167.10 Special grazing permits.

The problem of special grazing permits shall be settled by the Bureau of Indian Affairs working in cooperation with the Tribal Council, or any Committee designated by it, with a view to terminating these permits at a suitable date and with the least hardship to the Indians concerned.

§ 167.11 Tenure of grazing permits.

(a) All active regular grazing permits shall be for one year and shall be automatically renewed annually until terminated. Any Navajo eligible to hold a grazing permit as defined in §167.8 may become a livestock operator by obtaining an active grazing permit through negotiability or inheritance or both.

(b) In many Districts, and portions of all districts, unused grazing permits or portions of grazing permits are beneficial in aiding range recovery. Each District Grazing Committee will handle each matter of unused grazing permit or portions of grazing permits on individual merits. Where ample forage is available operators will be encouraged to fill their permits with livestock or dispose of their unused permits through negotiability. In those areas where forage is in need of rehabilitation permittees will not be encouraged to stock to their permitted numbers until the range has sufficiently recovered to justify the grazing of additional livestock.

§ 167.12 Grazing fees.

Grazing fees shall not be charged at this time.1

§ 167.13 Trespass.

The owner of any livestock grazing in trespass in Navajo Tribal ranges shall be subject to action by the Navajo Court of Indian Offenses as provided in part 11 of this chapter, however, upon recommendations of the District Grazing Committee, first offenses may be referred to the Central Grazing Committee and the Superintendent or his authorized representative for proper settlement out of court. The following acts are considered as trespass:

(a) Any person who sells an entire permit must dispose of all his livestock or be in trespass. Any person selling a

portion of his permit must not run more stock than covered by his remaining permit, or be subject to immediate trespass.

(b) All persons running livestock in excess of their permitted number must by April 25, 1959, either obtain permits to cover their total livestock numbers or reduce to their permitted number, or be in trespass. Additional time may be granted in unusual individual cases as determined and approved by the District Grazing Committee, General Grazing Committee, and the Superintendent or his authorized representative.

(c) Failure to comply with the provisions in §167.9, shall be considered as trespass.

(d) Any person who willfully allows his livestock to drift from one district to another shall be subject to trespass action. The grazing of livestock in customary use areas extending over District Boundary lines, when such customary use areas are defined and agreed upon by the District Grazing Committees involved, shall not be considered as willful trespass.

(e) The owner of any livestock who violates the customary or established use units of other permittees shall be subject to trespass action.

§ 167.14 Movement of livestock.
Annually, prior to the normal lamb buying season, the Central Grazing Committee after consultation with District Grazing Committees shall issue regulations covering the buying period and the procedures and methods to be used in moving livestock to market. All movements of livestock other than trucking from buying areas to loading or shipping points must be authorized by Trailing Permits issued by the District Grazing Committees on the approved forms. Failure to comply with this section and with annual lamb buying regulations will be considered as trespass.

§ 167.15 Control of livestock disease and introduction of livestock.
(a) The District Grazing Committees with the approval of the Superintendent shall require livestock to be dipped, vaccinated, inspected and be restricted in movement when necessary to prevent the introduction and spread of contagious or infectious disease in the economic interest of the Navajo stock owners. Upon the recommendation of the District Grazing Committee livestock shall be dipped annually when such dipping is necessary to prevent the spread of contagious diseases. These annual dippings shall be completed on or before September 1st each year. Livestock, however, may be dipped at other times when necessary. The Superintendent or his authorized representative and the District Grazing Committee may also require the rounding up of cattle, horses, mules, etc., in each District for the purpose of inspection for disease, vaccinating, branding and other related operations.

(b) No livestock shall be brought onto the Reservation without a permit issued by the Superintendent or his authorized representative following inspection, in order to safeguard Indian livestock from infections and contagious disease and to insure the introduction of good quality sires and breeding stock.

(c) Any unusual disease conditions beyond the control measures provided herein shall be immediately reported by the District Grazing Committee to the Chairman of the Navajo Tribal Council and the Superintendent who shall attempt to obtain specialists and provide emergency funds to control and suppress the disease.

§ 167.16 Fences.
Favorable recommendation from the District Grazing Committee and a written authorization from the Superintendent or his authorized representative must be secured before any fences may be constructed in non-agricultural areas. The District Grazing Committee shall recommend to the Superintendent the removal of unauthorized existing fences, or fences enclosing demonstration areas no longer used as such, if it is determined that such fences interfere with proper range management or an equitable distribution of range privileges. All enclosures fenced
§ 167.17  for the purpose of protecting agricultural land shall be kept to a size commensurate with the needs for protection of agricultural land and must be enclosed by legal four strand barbed wire fence or the equivalent.

§ 167.17 Construction near permanent livestock water developments.

(a) The District Grazing Committee shall regulate the construction of all dwellings, corrals and other structures within one-half mile of Government or Navajo Tribal developed permanent livestock waters such as springs, wells, and charcos or deep reservoirs.

(b) A written authorization from the District Grazing Committee must be secured before any dwellings, corrals, or other structures may be constructed within one-half mile of Government or Navajo Tribal developed springs, wells and charcos or deep reservoirs.

(c) No sewage disposal system shall be authorized to be built which will drain into springs or stream channels in such a manner that it would cause contamination of waters being used for livestock or human consumption.

Navajo Tribal members who have maintained both a permanent residence on Hopi Partitioned lands; a livestock inventory since enumeration; and meet all the criteria listed in §168.1(o), shall be eligible for an interim grazing allocation on Hopi Partitioned Lands under the following terms and conditions:

(1) The Area Director shall first verify that an applicant meets the criteria of the definition in §168.1(o) and will issue all permits.

(2) The permitted number shall not exceed either (i) 10 SUYL (See §168.1(1)) for each eligible family member, or (ii) the grazing applicant’s livestock inventory reduced by voluntary sales as adjusted by reproduction, in accordance with procedures developed by the Project Officer based upon the study by Stubblefield and Camfield, 1975 page 5. The determination of the person to whom permits will be issued and the number of livestock to be permitted will be based on information provided by the permit applicant and an assessment of the number of dependents residing in the immediate household.

(3) The permit shall authorize grazing for a specific number and kind of animal(s) in a specified range unit. Interim grazing permits will not be issued in excess of one-half the authorized carrying capacity of the Hopi Partition area.

(4) Subject to the provisions of §168.9(b), permits shall expire when the person awaiting relocation is relocated pursuant to the Settlement Act. No interim permit will be issued for a term greater than one year. Permits may be reissued upon application and re-determination of eligibility. All interim permits will expire at the end of the period provided for completion of relocation, Pub. L. 99-190. When a Navajo permit holder discontinues grazing livestock or reduces the number being grazed whether by reason of his relocating or for any other reason, his grazing permit will be cancelled or reduced and no permit will be issued in lieu thereof. The total number of authorized animal units grazed by the Navajo permit holders awaiting relocation will be reduced by the number of animal units authorized under the cancelled or reduced permit.

§ 168.7 Kind of livestock.

Unless determined otherwise by the Area Director for conservation purposes, the Hopi Tribe may determine, subject to the authorized carrying capacity, the kind of livestock that may be grazed by their tribal members on the range units within the Hopi Partitioned Land area.

§ 168.8 Grazing fees.

(a) The rental value of all uses of Hopi Partitioned lands by persons who are not members of the Hopi Tribe, including eligible holders of interim permits, will be determined, and assessed by the Area Director and paid in accordance with 25 U.S.C. 640d-15.

(b) The Hopi Tribe has established an annual grazing fee to be assessed all range users on Hopi Partitioned Lands. The annual Hopi grazing fee shall be
§ 168.10 Conservation and land use provisions.

Grazing operations shall be conducted in accordance with recognized principles of good range management. Conservation management plans necessary to accomplish this will be made a part of the grazing permit by stipulation.

§ 168.11 Range improvements; ownership; new construction.

Except as provided by the Relocation Act, range improvements placed on the permitted land shall be considered affixed to the land unless specifically excepted therefrom under the permit terms. Written permission to construct or remove improvements must be obtained from the Hopi Tribe.

§ 168.12 Special permit requirements and provisions.

All grazing permits shall contain the following provisions:

(a) Because the lands covered by the permit are in trust status, all of the permittees’ obligations on the permit and the obligations of his sureties are to the United States as well as to the beneficial owners of the lands.

(b) The permittee agrees he will not use, cause, or allow to be used any part of the permitted area for any unlawful conduct or purpose.

(c) The permit authorizes only the grazing of livestock.

§ 168.13 Fences.

Fencing will be erected by the Federal Government around the perimeter of the 1882 Executive Order Area, Land Management District 6, and on the boundary of the former Joint Use Area partitioned to each tribe by the Judgment of Partition of April 18, 1979. Fencing of other areas in the former Joint Use Area will be required for a range recovery program in accordance with the range units established under §168.4. Such fencing shall be erected at Government expense and ownership shall be clearly identified by appropriate posting on the fencing. Intentional destruction of Federal property will be treated as a violation of 18 U.S.C. 1164.

§ 168.14 Livestock trespass.

The owner of any livestock grazing in trespass on the Hopi Partitioned Lands Area is liable to a civil penalty of $1 per head per day for each animal in trespass, together with the replacement value of the forage consumed and a reasonable value for damages to property injured or destroyed. The Superintendent may take appropriate action to collect all such penalties and damages and seek injunctive relief when appropriate. All payments for such penalties and damages shall be credited to the Tribe. The following acts are prohibited:

(a) The grazing upon or driving across any of the Hopi Partitioned
§ 168.15 Lands of any livestock without an approved grazing or crossing permit; allowing livestock to drift and graze on lands without an approved permit; 
(b) The grazing of livestock upon lands within an area closed to grazing of that class of livestock; 
(c) The grazing of livestock without an approved permit; 
(d) The grazing of livestock by permittees upon any land withdrawn from use for grazing purpose to protect it from damage, after the receipt of notice from the Area Director; and 
(e) Grazing livestock in excess of those numbers and kinds authorized on a livestock grazing permit approved by the Area Director.

§ 168.15 Control of livestock diseases and parasites.
Whenever livestock within the Hopi Partitioned Lands become infected with contagious or infectious diseases or parasites or have been exposed thereto, such livestock must be treated and the movement thereof restricted in accordance with applicable laws.

§ 168.16 Impoundment and disposal of unauthorized livestock.
Unauthorized livestock within any range unit of the Hopi Partitioned Lands which are not removed therefrom within the periods prescribed by the regulation will be impounded and disposed of by the Superintendent as provided herein.
(a) When the Area Director determines that unauthorized livestock use is occurring and has definite knowledge of the kind of unauthorized livestock, and knows the name and address of the owners, such livestock may be impounded any time five days after written notice of intent to impound unauthorized livestock is mailed by certified mail or personally delivered to such owners or their agent.
(b) When the Area Director determines that unauthorized livestock use is occurring but does not have complete knowledge of the number and class of livestock or if the name and address of the owner thereof are unknown, such livestock will be impounded anytime 15 days after the date of a General Notice of Intent to Impound unauthorized livestock is first published in the local newspaper, posted at the nearest chapter house, and in one or more local trading posts.
(c) Unauthorized livestock on the Hopi Partitioned Lands which are owned by persons given notice under paragraph (a) of this section, and any unauthorized livestock in areas for which a notice has been posted and published under paragraph (b) of this section, will be impounded without further notice anytime within the twelve-month period immediately following the effective date of the notice.
(d) Following the impoundment of unauthorized livestock a notice of sale of impounded livestock will be published in the local newspaper, posted at the nearest chapter house, and in one or more local trading posts. The notice will describe the livestock and specify the date, time and place of sale. The date set shall be at least 5 days after the publication and posting of such notice.
(e) The owners or their agent may redeem the livestock anytime before the time set for the sale by submitting proof of ownership and paying for all expenses incurred in gathering, impounding and feeding or pasturing the livestock and any trespass fees and/or damages caused by the animals.
(f) Livestock erroneously impounded shall be returned to the rightful owner and all expenses accruing thereto shall be waived.
(g) If the livestock are not redeemed before the time fixed for their sale, they shall be sold at public sale to the highest bidder, provided his bid is at or above the minimum amount set by the Superintendent based upon U.S.D.A.'s current Agricultural Statistic's Report for Arizona. If a bid at or above the minimum is not received the livestock may be sold at private sale at or above the minimum amount, reoffered at public sale, condemned and destroyed, or otherwise disposed of. When livestock are sold pursuant to this regulation, the superintendent shall furnish the buyer a bill of sale or other written instrument evidencing the sale.
(h) The proceeds of any sale of impounded livestock shall be applied as follows:
(1) To the payment of all expenses incurred by the United States in gathering, impounding, and feeding or pasturing the livestock;

(2) In payment of any penalties or damages assessed pursuant to §168.14 of this part which penalties or damages shall be credited to the Hopi tribe as provided in said section;

(3) Any remaining amount shall be paid over to the owner of said livestock upon his submitting proof of ownership.

Any proceeds remaining after payment of the first and second items noted above not claimed with one year from the date of sale, will be credited to the Hopi Tribe.

§168.17 Concurrence procedures.

(a) Definitions. As used in this section, terms shall have the meaning set forth as follows:

(1) Concurrence means agreement by the Area Director and the Hopi Tribe, speaking through the Chairman of the Tribe (or his designee).

(2) Non-concurrence means disagreement between the Area Director and the Hopi Tribe, speaking through the Chairman of the Hopi Tribe (or his designee), or a failure of the Hopi Tribe to respond to a proposal by the Area Director in a timely manner.

(3) Timely manner means a period of thirty days, unless this period is shortened by the existence of an emergency. Upon request by the Tribal Council, the Area Director may extend the 30 day period. In instances where this period applies to the Area Director, he may extend the period by so notifying the Tribe.

(4) An emergency is a condition that the Area Director finds threatens the rights and property of life tenants and persons awaiting relocation or one that the Area Director finds is causing the condition of the range land to deteriorate.

(5) Conservation practice is a program consisting of a series of acts in conformance with the Bureau's range management policies and procedures which maintains or seeks to achieve the grazing potential of range lands on a continuing basis.

(6) Range restoration activities is a program consisting of a series of range management acts, including but not limited to procedures which increase range forage production, reduce erosion, improve range usability and reduce stocking by issuing grazing permits to persons residing on Hopi partitioned lands at rates which maximize the carrying capacity of the range lands on a continuing basis.

(7) Grazing control is a program consisting of a series of range management acts, including but not limited to procedures by which grazing permits are issued to persons residing on Hopi partitioned lands, which limit the grazing on range lands to its carrying capacity.

(b) The Area Director will seek the participation of the Hopi Tribe in his investigation, formulation and planning of conservation practices for Hopi partitioned lands. The Area Director will submit, in writing, the proposed plan to the Hopi Tribe.

(c) Upon receipt of the Area Director's proposed conservation practices, the Hopi Tribe will deliver, in writing, to the Area Director its concurrence or non-concurrence on all of the proposed conservation practices in a timely manner. The Area Director will continue to seek Hopi Tribal participation during the review process.

(d) Concurrence of the Hopi Tribe will be sought on all conservation practices, range restoration activities, and grazing control programs on the Hopi Partitioned Lands.

(1) If the Area Director and the Hopi Tribe concur on all or part of the proposed conservation practices in writing in a timely manner, those practices concurred upon may be immediately implemented.

(2) If the Hopi Tribe does not concur on all or part of the proposed conservation practices in a timely manner, the Area Director will submit in writing to the Hopi Tribe a declaration of non-concurrence. The Area Director will then notify the Hopi Tribe in writing of a formal hearing to be held not sooner than 15 days from the date of the non-concurrence declaration.

(i) The formal hearing on non-concurrence will permit the submission of written evidence and argument concerning the proposal. Minutes of the hearing will be taken. Following the hearing, the Area Director may amend,
§ 168.18

alter or otherwise change his proposed conservation practices. Except as provided in §168.17(d)(1) of this section, if following the hearing, the Area Director altered or amends portions of his proposed plan of action, he will submit those individual altered or amended portions of the plan to the Tribe in a timely manner for their concurrence.

(ii) In the event the Tribe fails or refuses to give its concurrence to the proposal at the hearing, then the implementation of such proposal may only be undertaken in those situations where the Area Director expressly determines in a written order, based upon findings of fact, that the proposed action is necessary to protect the rights and property of life tenants and/or persons awaiting relocation.

§ 168.18 Appeals.

Appeals from decisions issued under this part will be in accordance with procedures in 25 CFR part 2.

§ 168.19 Information collection.

The information collection requirement(s) contained in this regulation have been approved by the Office of Management and Budget under 44 U.S.C. 3501 et seq. and assigned clearance number 1076–0027. The information is being collected in order to ascertain eligibility for the issuance of a grazing permit. Response is mandatory in order to obtain a permit.

§ 169.2 Purpose and scope of regulations.

(a) Except as otherwise provided in § 1.2 of this chapter, the regulations in this part 169 prescribe the procedures, terms and conditions under which rights-of-way over and across tribal land, individually owned land and Government owned land may be granted.

(b) Appeals from administrative action taken under the regulations in this part 169 shall be made in accordance with part 2 of this chapter.

(c) The regulations contained in this part 169 do not cover the granting of rights-of-way upon tribal lands within a reservation for the purpose of constructing, operating, or maintaining dams, water conduits, reservoirs, powerhouses, transmission lines or other works which shall constitute a part of any project for which a license is required by the Federal Power Act. The Federal Power Act provides that any license which shall be issued to use tribal lands within a reservation shall be subject to and contain such conditions as the Secretary of the Interior shall deem necessary for the adequate protection and utilization of such lands. (16 U.S.C. 797(e)). In the case of tribal lands belonging to a tribe organized under the Act of June 18, 1934 (48 Stat. 984), the Federal Power Act requires that annual charges for the use of such tribal lands under any license issued by the Federal Power Commission shall be subject to the approval of the tribe (16 U.S.C. 803(e)).

§ 169.3 Consent of landowners to grants of right-of-way.

(a) No right-of-way shall be granted over and across any tribal land, nor shall any permission to survey be issued with respect to any such lands, without the prior written consent of the tribe.

(b) Except as provided in paragraph (c) of this section, no right-of-way shall be granted over and across any individually owned lands, nor shall any permission to survey be issued with respect to any such lands, without the prior written consent of the owner or owners of such lands and the approval of the Secretary.

(c) The Secretary may issue permission to survey with respect to, and he may grant rights-of-way over and across individually owned lands without the consent of the individual Indian owners when

(1) The individual owner of the land or of an interest therein is a minor or a person non compos mentis, and the Secretary finds that such grant will cause no substantial injury to the land or the owner, which cannot be adequately compensated for by monetary damages;

(2) The land is owned by more than one person, and the owners or owner of a majority of the interests therein consent to the grant;

(3) The whereabouts of the owner of the land or an interest therein are unknown, and the owners or owner of any interests therein whose whereabouts are known, or a majority thereof, consent to the grant;

(4) The heirs or devisees of a deceased owner of the land or an interest therein have not been determined, and the Secretary finds that the grant will cause no substantial injury to the land or any owner thereof;

(5) The owners of interests in the land are so numerous that the Secretary finds it would be impracticable to obtain their consent, and also finds that the grant will cause no substantial injury to the land or any owner thereof.

§ 169.4 Permission to survey.

Anyone desiring to obtain permission to survey for a right-of-way across individually owned, tribal or Government owned land must file a written application therefor with the Secretary. The application shall adequately describe the proposed project, including the purpose and general location, and it shall be accompanied by the written consents required by §169.3, by satisfactory evidence of the good faith and financial responsibility of the applicant,
§ 169.5 Application for right-of-way.

Written application identifying the specific use requested shall be filed in duplicate with the Secretary. The application shall cite the statute or statutes under which it is filed and the width and length of the desired right-of-way, and shall be accompanied by satisfactory evidence of the good faith and financial responsibility of the applicant. An application filed by a corporation must be accompanied by a copy of its charter or articles of incorporation duly certified by the proper State official of the State where the corporation was organized, and a certified copy of the resolution or bylaws of the corporation authorizing the filing of the application. When the land covered by the application is located in a State other than that in which the applicant was incorporated, it must also submit a certificate of the proper State official that the applicant is authorized to do business in the State where the land is located. An application filed by an unincorporated partnership or association must be accompanied by a certified copy of the articles of partnership or association, or if there be none, this fact must be stated over the signature of each member of the partnership or association. If the applicant has previously filed with the Secretary an application accompanied by the evidence required by this section, a reference to the date and place of such filing will be sufficient. Except as otherwise provided in this section, the application shall be accompanied by a duly executed stipulation, in duplicate, expressly agreeing to the following:

(a) To construct and maintain the right-of-way in a workmanlike manner.
(b) To pay promptly all damages and compensation, in addition to the deposit made pursuant to §169.4, determined by the Secretary to be due the landowners and authorized users and occupants of the land on account of the survey, granting, construction and maintenance of the right-of-way.
§ 169.7

(c) To indemnify the landowners and authorized users and occupants against any liability for loss of life, personal injury and property damage arising from the construction, maintenance, occupancy or use of the lands by the applicant, his employees, contractors and their employees, or subcontractors and their employees.

(d) To restore the lands as nearly as may be possible to their original condition upon the completion of construction to the extent compatible with the purpose for which the right-of-way was granted.

(e) To clear and keep clear the lands within the right-of-way to the extent compatible with the purpose of the right-of-way; and to dispose of all vegetative and other material cut, uprooted, or otherwise accumulated during the construction and maintenance of the project.

(f) To take soil and resource conservation and protection measures, including weed control, on the land covered by the right-of-way.

(g) To do everything reasonably within its power to prevent and suppress fires on or near the lands to be occupied under the right-of-way.

(h) To build and repair such roads, fences, and trails as may be destroyed or injured by construction work and to build and maintain necessary and suitable crossings for all roads and trails that intersect the works constructed, maintained, or operated under the right-of-way.

(i) That upon revocation or termination of the right-of-way, the applicant shall, so far as is reasonably possible, restore the land to its original condition.

(j) To at all times keep the Secretary informed of its address, and in case of corporations, of the address of its principal place of business and of the names and addresses of its principal officers.

(k) That the applicant will not interfere with the use of the lands by or under the authority of the landowners for any purpose not inconsistent with the primary purpose for which the right-of-way is granted.

When the applicant is the U.S. Government or a State Government or an instrumentality thereof and is prohibited by law from executing any of the above stipulations, the Secretary may waive the requirement that the applicant agree to any stipulations so prohibited.

§ 169.6 Maps.

(a) Each application for a right-of-way shall be accompanied by maps of definite location consisting of an original on tracing linen or other permanent and reproducible material and two reproductions thereof. The field notes shall accompany the application, as provided in §169.7. The width of the right-of-way shall be clearly shown on the maps.

(b) A separate map shall be filed for each section of 20 miles of right-of-way, but the map of the last section may include any excess of 10 miles or less.

(c) The scale of maps showing the line of route normally should be 2,000 feet to an inch. The maps may, however, be drawn to a larger scale when necessary and when an increase in scale cannot be avoided through the use of separate field notes, but the scale must not be increased to such extent as to make the maps too cumbersome for convenient handling and filing.

(d) The maps shall show the allotment number of each tract of allotted land, and shall clearly designate each tract of tribal land affected, together with the sections, townships, and ranges in which the lands crossed by the right-of-way are situated.

§ 169.7 Field notes.

Field notes of the survey shall appear along the line indicating the right-of-way on the maps, unless the maps would be too crowded thereby to be easily legible, in which event the field notes may be filed separately on tracing linen in such form that they may be folded readily for filing. Where field notes are placed on separate tracing linen, it will be necessary to place on the maps only a sufficient number of station numbers so as to make it convenient to follow the field notes. The field notes shall be typewritten. Whether endorsed on the maps or filed
§ 169.8 Public survey.

(a) The terminal of the line of route shall be fixed by reference of course and distance to the nearest existing corner of the public survey. The maps, as well as the engineer’s affidavit and the certificate, shall show these connections.

(b) When either terminal of the line of route is upon unsurveyed land, it must be connected by traverse with an established corner of the public survey if not more than 6 miles distant from it, and the single bearing and distance from the terminal point to the corner computed and noted on the maps, in the engineer’s affidavit, and in the certificate. The notes and all data for the computation of the traverse must be given.

§ 169.9 Connection with natural objects.

When the distance to an established corner of the public survey is more than 6 miles, this connection will be made with a natural object or a permanent monument which can be readily found and recognized, and which will fix and perpetuate the position of the terminal point. The maps must show the position of such mark, and course and distance to the terminus. There must be given an accurate description of the mark and full data concerning the traverse, and the engineer’s affidavit and the certificate on the maps must state the connections.

§ 169.10 Township and section lines.

Whenever the line of survey crosses a township or section line of the public survey, the distance to the nearest existing corner shall be noted. The maps shall show these distances and the station numbers at the points of intersections. The field notes shall show these distances and the station numbers.

§ 169.11 Affidavit and certificate.

(a) There shall be subscribed on the maps of definite location an affidavit executed by the engineer who made the survey and a certificate executed by the applicant, both certifying to the accuracy of the survey and maps and both designating by termini and length in miles and decimals, the line of route for which the right-of-way application is made.

(b) Maps covering roads built by the Bureau of Indian Affairs which are to be transferred to a county or State government shall contain an affidavit as to the accuracy of the survey, executed by the Bureau highway engineer in charge of road construction, and a certificate by the State or county engineer or other authorized State or county officer accepting the right-of-way and stating that he is satisfied as to the accuracy of the survey and maps.

§ 169.12 Consideration for right-of-way grants.

Except when waived in writing by the landowners or their representatives as defined in §169.3 and approved by the Secretary, the consideration for any right-of-way granted or renewed under this part 169 shall be not less than but not limited to the fair market value of the rights granted, plus severance damages, if any, to the remaining estate. The Secretary shall obtain and advise the landowners of the appraisal information to assist them (the landowner or landowners) in negotiations for a right-of-way or renewal.

§ 169.13 Other damages.

In addition to the consideration for a grant of right-of-way provided for by the provisions of §169.12, the applicant for a right-of-way will be required to pay all damages incident to the survey of the right-of-way or incident to the construction or maintenance of the facility for which the right-of-way is granted.
§ 169.14 Deposit and disbursement of consideration and damages.
At the time of filing an application for right-of-way, the applicant must deposit with the Secretary the total estimated consideration and damages, which shall include consideration for the right-of-way, severance damages, damages caused during the survey, and estimated damages to result from construction less any deposit previously made under §169.4. In no case shall the amount deposited as consideration for the right-of-way over any parcel be less than the amount specified in the consent covering that parcel. If in reviewing the application, the Secretary determines that the amounts deposited are inadequate to compensate the owners, the applicant shall increase the deposit to an amount determined by the Secretary to be adequate. The amounts so deposited shall be held in a “special deposit” account for distribution to or for the account of the landowners and authorized users and occupants of the land. Amounts deposited to cover damages resulting from survey and construction may be disbursed after the damages have been sustained. Amounts deposited to cover consideration for the right-of-way and severance damages shall be disbursed upon the granting of the right-of-way. Any part of the deposit which is not required for disbursement as aforesaid shall be refunded to the applicant promptly following receipt of the affidavit of completion filed pursuant to §169.16.

§ 169.15 Action on application.
Upon satisfactory compliance with the regulations in this part 169, the Secretary is authorized to grant the right-of-way by issuance of a conveyance instrument in the form approved by the Secretary. Such instrument shall incorporate all conditions or restrictions set out in the consents obtained pursuant to §169.3. A copy of such instrument shall be promptly delivered to the applicant and thereafter the applicant may proceed with the construction work. Maps of definite location may be attached to and incorporated into the conveyance document by reference. In the discretion of the Secretary, one conveyance document may be issued covering all of the tracts of land traversed by the right-of-way, or separate conveyances may be made covering one or several tracts included in the application. A duplicate original copy of the conveyance instrument, permanent and reproducible maps, a copy of the application and stipulations, together with any other pertinent documents shall be transmitted by the Secretary to the office of record for land documents affecting the land covered by the right-of-way, where they will be recorded and filed.

§ 169.16 Affidavit of completion.
Upon the completion of the construction of any right-of-way, the applicant shall promptly file with the Secretary an affidavit of completion, in duplicate, executed by the engineer and certified by the applicant. The Secretary shall transmit one copy of the affidavit to the office of record mentioned in §169.15. Failure to file an affidavit in accordance with this section shall subject the right-of-way to cancellation in accordance with §169.20.

§ 169.17 Change of location.
If any change from the location described in the conveyance instrument is found to be necessary on account of engineering difficulties or otherwise, amended maps and field notes of the new location shall be filed, and a right-of-way for such new route or location shall be subject to consent, approval, the ascertainment of damages, and the payment thereof, in all respects as in the case of the original location. Before a revised conveyance instrument is issued, the applicant shall execute such instruments deemed necessary by the Secretary extinguishing the right-of-way at the original location. Such instruments shall be transmitted by the Secretary to the office of record mentioned in §169.15 for recording and filing.

§ 169.18 Tenure of approved right-of-way grants.
All rights-of-way granted under the regulations in this part 169 shall be in the nature of easements for the periods stated in the conveyance instrument. Except as otherwise determined by the Secretary and stated in the conveyance
§ 169.19 Renewal of right-of-way grants.

On or before the expiration date of any right-of-way herefore or hereafter granted for a limited term of years, an application may be submitted for a renewal of the grant. If the renewal involves no change in the location or status of the original right-of-way grant, the applicant may file with his application a certificate under oath setting out this fact, and the Secretary, with the consent required by §169.3, may thereupon extend the grant for a like term of years, upon the payment of consideration as set forth in §169.12. If any change in the size, type, or location of the right-of-way is involved, the application for renewal shall be treated and handled as in the case of an original application for a right-of-way.

§ 169.20 Termination of right-of-way grants.

All rights-of-way granted under the regulations in this part may be terminated in whole or in part upon 30 days written notice from the Secretary mailed to the grantee at its latest address furnished in accordance with §169.5(j) for any of the following causes:

(a) Failure to comply with any term or condition of the grant or the applicable regulations;

(b) A nonuse of the right-of-way for a consecutive 2-year period for the purpose for which it was granted;

(c) An abandonment of the right-of-way.

If within the 30-day notice period the grantee fails to correct the basis for termination, the Secretary shall issue an appropriate instrument terminating the right-of-way. Such instrument shall be transmitted by the Secretary to the office of record mentioned in §169.15 for recording and filing.

§ 169.21 Condemnation actions involving individually owned lands.

The facts relating to any condemnation action to obtain a right-of-way over individually owned lands shall be reported immediately by officials of the Bureau of Indian Affairs having knowledge of such facts to appropriate officials of the Interior Department so that action may be taken to safeguard the interests of the Indians.

§ 169.22 Service lines.

(a) An agreement shall be executed by and between the landowner or a legally authorized occupant or user of individually owned land and the applicant before any work by the applicant may be undertaken to construct a service line across such land. Such a service line shall be limited in the case of power lines to a voltage of 14.5 kv. or less except lines to serve irrigation pumps and commercial and industrial uses which shall be limited to a voltage not to exceed 34.5 kv. A service line shall be for the sole purpose of supplying the individual owner or authorized occupant or user of land, including schools and churches, with telephone, water, electric power, gas, and other utilities for use by such owner, occupant, or user of the land on the premises.

(b) A similar agreement to that required in paragraph (a) of this section
§ 169.23 Railroads.

Rights-of-way granted under the above acts shall be subject to the provisions of this section as well as other pertinent sections of this part 169. Except when otherwise determined by the Secretary, rights-of-way for the above purposes granted under the Act of February 5, 1948 (62 Stat. 17; 25 U.S.C. 323-328), shall also be subject to the provisions of this section.

(b) Rights-of-way for railroads shall not exceed 50 feet in width on each side of the centerline of the road, except where there are heavy cuts and fills, when they shall not exceed 100 feet in width on each side of the road. The right-of-way may include grounds adjacent to the line for station buildings, depots, machine shops, side tracks, turnouts, and water stations, not to exceed 200 feet in width by a length of 3,000 feet, with no more than one station to be located within any one continuous length of 10 miles of road.

(c) Short spurs and branch lines may be shown on the map of the main line, separately described by termini and length. Longer spurs and branch lines shall be shown on separate maps. Grounds desired for station purposes may be indicated on the map of definite location but separate plats must be filed for such grounds. The maps shall show any other line crossed, or with which connection is made. The station number shall be shown on the survey thereof at the point of intersection. All intersecting roads must be represented in ink of a different color from that used for the line for which application is made.

(d) An executed copy of the agreement, together with a plat or diagram, and in the case of tribal land, an authenticated copy of the tribal authorization, when required, shall be filed with the Secretary within 30 days after the date of its execution. Failure to meet this requirement may result in the removal of improvements placed on the land at the expense of the party responsible for the placing of such improvements and subject such party to the payment of damages caused by his unauthorized act.
§ 169.24 Railroads in Oklahoma.

(a) The Act of February 28, 1902 (32 Stat. 43), authorizes right-of-way grants across tribal and individually owned land in Oklahoma. Rights-of-way granted under that act shall be subject to the provisions of this section as well as other pertinent sections of this part 169. Except when otherwise determined by the Secretary, railroad rights-of-way in Oklahoma granted under the Act of February 5, 1948 (62 Stat. 17; 25 U.S.C. 323-328), shall also be subject to the provisions of this section.

(b) One copy on tracing linen of the map of definite location showing the line of route and all lands included within the right-of-way must be filed with the Secretary. When tribal lands are involved, a copy of the map must also be filed with the tribal council.

(c) Before any railroad may be constructed or any lands taken or condemned for any of the purposes set forth in section 13 of the Act of February 28, 1902 (32 Stat. 47), full damages shall be paid to the Indian owners.

(d) After the maps have been filed, the matter of damages shall be negotiated by the applicant directly with the Indian owners. If an amicable settlement cannot be reached, the amount to be paid as compensation and damages shall be fixed and determined as provided in the statute. If court proceedings are instituted, the facts shall be reported immediately as provided in §169.21.

§ 169.25 Oil and gas pipelines.

(a) The Act of March 11, 1904 (33 Stat. 65), as amended by the Act of March 2, 1917 (39 Stat. 973; 25 U.S.C. 321), authorizes right-of-way grants for oil and gas pipelines across tribal, individually owned and Government-owned land. Rights-of-way granted under that act shall be subject to the provisions of this section as well as other pertinent sections of this part 169. Except when otherwise determined by the Secretary, rights-of-way granted for such purposes under the Act of February 5, 1948 (62 Stat. 17; 25 U.S.C. 323-328) shall also be subject to the provisions of this section.

(b) Rights-of-way, granted under aforesaid Act of March 11, 1904, as amended, for oil and gas pipelines, pumping stations or tank sites shall not extend beyond a term of 20 years and may be extended for another period of not to exceed 20 years following the procedures set out in §169.19 of this part.

(c) All oil or gas pipelines, including connecting lines, shall be buried a sufficient depth below the surface of the land so as not to interfere with cultivation. Whenever the line is laid under a road or highway, the right-of-way for
which has been granted under an approved application pursuant to an act of Congress, its construction shall be in compliance with the applicable Federal and State laws; during the period of construction, at least one-half the width of the road shall be kept open to travel; and, upon completion, the road or highway shall be restored to its original condition and all excavations shall be refilled. Whenever the line crosses a ravine, canyon, or waterway, it shall be laid below the bed thereof or upon such superstructure as will not interfere with the use of the surface.

(d) The size of the proposed pipeline must be shown in the application, on the maps, and in the engineer’s affidavit and applicant’s certificate. The application and maps shall specify whether the pipe is welded, screw-joint, dresser, or other type of coupling. Should the grantee of an approved right-of-way desire at any time to lay additional line or lines of pipe in the same trench, or to replace the original line with larger or smaller pipe, written permission must first be obtained from the Secretary and all damages to be sustained by the owners must be paid in advance in the amount fixed and determined by the Secretary.

(e) Applicants for oil or gas pipeline rights-of-way may apply for additional land for pumping stations or tank sites. The maps shall show clearly the location of all structures and the location of all lines connecting with the main line. Applicants for lands for pumping stations or tank sites shall execute and file a stipulation agreeing as follows:

(1) Upon abandonment of the right-of-way to level all dikes, fire-guards, and excavations and to remove all concrete masonry foundations, bases, and structural works and to restore the land as nearly as may be possible to its original condition.

(2) That a grant for pumping station or tank site purposes shall be subordinated to the owner’s right to remove or authorize the removal of oil, gas, or other mineral deposits; and that the structures for pumping station or tank site will be removed or relocated if necessary to avoid interference with the exploration for or recovery of oil, gas, or other minerals.

(f) Purely lateral lines connecting with oil or gas wells on restricted lands may be constructed upon filing with the Secretary a copy of the written consent of the Indian owners and a blueprint copy of a map showing the location of the lateral. Such lateral lines may be of any diameter or length, but must be limited to those used solely for the transportation of oil or gas from a single tract of tribal or individually owned land to another lateral or to a branch of the main line.

(g) The applicant, by accepting a pipeline right-of-way, thereby agrees that the books and records of the applicant shall be open to inspection by the Secretary at all reasonable times, in order to obtain information pertaining in any way to oil or gas produced from tribal or individually owned lands or other lands under the jurisdiction of the Secretary.

(a) The Act of February 15, 1901 (31 Stat. 790), as amended by the Act of March 4, 1940 (54 Stat. 41; 43 U.S.C. 959); the Act of March 4, 1911 (36 Stat. 1253), as amended by the Act of May 27, 1952 (66 Stat. 95; 43 U.S.C. 961); and the Act of March 3, 1901 (31 Stat. 1083; 25 U.S.C. 323—328), authorize right-of-way grants across tribal, individually owned, and Government-owned land for telephone and telegraph lines and offices, for poles and lines for communication purposes, and for radio, television, and other forms of communication transmitting, relay, and receiving structures and facilities. Rights-of-way granted under these acts shall be subject to the provisions of this section as well as other pertinent sections of this part 169. Except when otherwise determined by the Secretary, rights-of-way granted for such purposes under the Act of February 5, 1948 (62 Stat. 17; 25 U.S.C. 329) shall also be subject to the provisions of this section.

(b) A right-of-way granted under the said Act of March 4, 1911, as amended, shall be limited to a term not exceeding 50 years from the date of the issuance of such grant.

(c) No right-of-way shall be granted for a width in excess of 50 feet on each
§ 169.27 Power projects.

(a) The Act of March 4, 1911 (36 Stat. 1253), as amended by the Act of May 27, 1952 (66 Stat. 95; 43 U.S.C. 961), authorizes right-of-way grants across tribal, individually owned and Government-owned land for electrical poles and lines for the transmission and distribution of electrical power. Rights-of-way granted under that act shall be subject to the provisions of this section as well as other pertinent sections of this part 169. Except when otherwise determined by the Secretary, rights-of-way granted for such purposes under the Act of February 5, 1948 (62 Stat. 17; 25 U.S.C. 322—328) shall also be subject to the provisions of this section.

(b) All applications, other than those made by power-marketing agencies of the Department of the Interior, for authority to survey, locate, or commence construction work on any project for the generation of electric power, or the transmission or distribution of electrical power of 66 kV or higher involving Government-owned lands shall be referred to the Office of the Assistant Secretary of the Interior for Water and Power Resources or such other agency as may be designated for the area involved, for consideration of the relationship of the proposed project to the power development program of the United States. Where the proposed project will not conflict with the program of the United States, the Secretary, upon notification to the effect, may then proceed to act upon the application. In the case of necessary changes respecting the proposed location, construction, or utilization of the project in order to eliminate conflicts with the power development program of the United States, the Secretary shall obtain from the applicant written consent to or compliance with such requirements before taking further action on the application.

(c) A right-of-way granted under the said Act of March 4, 1911, as amended, shall be limited to a term not exceeding 50 years from the date of the issuance of such grant.

(d) Rights-of-way for power lines shall be limited to those widths which can be justified and in no event shall exceed 400 feet by 400 feet.
and file with its application a stipulation agreeing to accept the right-of-way grant subject to the following conditions:

(1) The applicant agrees that, in the event it becomes necessary for the United States to acquire the applicant’s transmission line or facilities constructed on or across such right-of-way, the United States reserves the right to acquire such line or facilities at a sum to be determined upon by a representative of the applicant, a representative of the Secretary of the Interior, and a third representative to be selected by the other two for the purpose of determining the value of such property thus to be acquired by the United States.

(2) To allow the Department of the Interior to utilize for the transmission of electrical power any surplus capacity of the line in excess of the capacity needed by the holder of the grant for the transmission of electrical power in connection with the applicant’s operations, or to increase the capacity of the line at the Department’s expense and to utilize the increased capacity for the transmission of electrical power. Utilization by the Department of surplus or increased capacity shall be subject to the following terms and conditions:

(i) When the Department desires to utilize surplus capacity thought to exist in a line, notification will be given to the applicant and the applicant shall furnish to the Department within 30 days a certificate stating whether the line has any surplus capacity not needed by the applicant for the transmission of electrical power in connection with the applicant’s operations, and, if so, the extent of such surplus capacity.

(ii) In order to utilize any surplus capacity certified by the applicant to be available, or any increased capacity provided by the Department at its own expense, the Department may interconnect its transmission facilities with the applicant’s line in a manner conformable to approved standards of practice for the interconnection of transmission circuits.

(iii) The expense of interconnection will be borne by the Department, and the Department will at all times provide and maintain adequate switching, relaying, and protective equipment so as to insure that the normal and efficient operation of the applicant’s line will not be impaired.

(iv) After any interconnection is completed, the applicant shall operate and maintain its line in good condition; and, except in emergencies, shall maintain in a closed position all connections under the applicant’s control between the applicant’s line and the interconnecting facilities provided by the Department.

(v) The interconnected power systems of the Department and the applicant will be operated in parallel.

(vi) The transmission of electrical power by the Department over the applicant’s line will be effected in such manner and quantity as will not interfere unreasonably with the applicant’s use and operation of the line in accordance with the applicant’s normal operating standards, except that the Department shall have the exclusive right to utilize any increased capacity of the line which has been provided at the Department’s expense.

(vii) The interconnected power systems of the Department and the applicant will be operated in parallel.

(viii) The Department will pay to the applicant an equitable share of the total monthly cost of maintaining and operating the part of the applicant’s line utilized by the Department for the transmission of electrical power, the payment to be an amount in dollars representing the same proportion of the total monthly operation and maintenance cost of such part of the line as the maximum amount in kilowatts of the power transmitted on a scheduled basis by the Department over the applicant’s line during the month bears to the total capacity in kilowatts of that part of the line. The total monthly cost may include interest and amortization, in accordance with the system of accounts prescribed by the Federal Power Commission, on the applicant’s
§ 169.28 Public highways.

(a) The appropriate State or local authorities may apply under the regulations in this part 169 for authority to open public highways across tribal and individually owned lands in accordance with State laws, as authorized by the Act of March 3, 1901 (31 Stat. 1084; 25 U.S.C. 311).

(b) In lieu of making application under the regulations in this part 169, the appropriate State or local authorities in Nebraska or Montana may, upon compliance with the requirements of the Act of March 4, 1915 (38 Stat. 1188), lay out and open public highways in accordance with the respective laws of those States. Under the provisions of that act, the applicant must serve the Secretary with notice of intention to open the proposed road and must submit a map of definite location on tracing linen showing the width of the proposed road for the approval of the Secretary prior to the laying out and opening of the road.

(c) Applications for public highway rights-of-way over and across roadless and wild areas shall be considered in accordance with the regulations contained in part 265 of this chapter.
§ 170.4

(e) Indian and Alaskan Native villages, groups, or communities in which Indian or Alaska Natives reside means villages, groups or communities or portions of villages, groups, or communities in which the majority of the residents are Indians or Alaska Natives.

(f) Federal-Aid Indian Road System means those Indian reservation roads and bridges for which financial aid for construction is available only from specific appropriations of Federal funds therefor and which are designated by the Bureau of Indian Affairs and the Federal Highway Administration. This term does not include roads or bridges on Indian reservations for which financial aid for construction and improvement is available to a State under the Federal-Aid Highway Act. (45 Stat. 750)

(g) Construction means supervising, inspecting, actual building, and all expenses incidental to the construction and improvement of roads and bridges including the elimination of roadway hazards and the acquisition of rights-of-way.

(h) Maintenance means the act of preserving the entire roadway, including surface, shoulders, roadsides, structures, and the necessary traffic control devices as nearly as possible in the as-built condition and to provide services for the satisfactory and safe use of such roads.

§ 170.3 Construction and improvement.

Subject to the availability of appropriations for Indian reservation roads and bridges and any other contribution of State or Indian tribal lands, the Commissioner shall plan, survey, design and construct roads on the Federal-Aid Indian Road System to provide an adequate system of road facilities serving Indian lands.

§ 170.4 Approval of road construction activities.

The Secretary of Transportation or his authorized representative shall approve the location, type, and design of all projects on the Federal-Aid Indian Road System before any construction expenditures are made. All such construction shall be under the general supervision of the Secretary of Transportation or his authorized representative. (23 U.S.C. 208)
§ 170.4a Selection of road construction projects.

The Commissioner, who is responsible for the planning, surveys and design, shall keep the appropriate local tribal officials informed of all technical information relating to the project alternatives of proposed road developments. The Commissioner shall recommend to the tribe those proposed road projects having the greatest need as determined by the comprehensive transportation analysis. Tribes shall then establish annual priorities for road construction projects. Subject to the approval of the Commissioner, the annual selection of road projects for construction shall be performed by tribes. Funds available for the construction of roads on the Federal-Aid Indian Road System shall not be used for the capital improvement to privately-owned property. (39 Stat. 355)

§ 170.4b What formula will BIA use to distribute 75 percent of fiscal year 2002 Indian Reservation Roads funds?

On January 10, 2002, we will distribute 75 percent of fiscal year 2002 IRR Program funds authorized under Section 1115 of the Transportation Equity Act for the 21st Century, Public Law 105-178, 112 Stat. 154. We will distribute the funds to Indian Reservation Roads projects on or near Indian reservations using the relative need formula established and approved in January 1993. We are modifying the formula to account for non-reporting States by inserting the latest data reported for those States in the relative need formula process.

[67 FR 1294, Jan. 10, 2002]

§ 170.5 Right-of-way.

(a) The procedure for obtaining permission to survey and for granting any necessary right-of-way are governed by part 169 of this chapter. Tribal consent as required under §169.3(a) may be made by public dedication where proper tribal authority exists. Before any work is undertaken for the construction of road projects, the Commissioner shall obtain the written consent of the Indian landowners. Where an Indian has an interest in tribal land by virtue of a land use assignment, such consent shall be obtained from both the landholder of the assignment and the Indian tribe. Right-of-way easements are to be on a form approved by the Commissioner.

(b) If it appears that the road might be transferred to the tribe, the county or the State within 10 years, then before such construction is undertaken, right-of-way easements for the project shall be obtained in favor of the United States, its successors and assigns, with the right to construct, maintain, and repair improvements thereon and thereover, for such purposes and with the further right in the United States, its successors and assigns, to transfer the right-of-way easements by assignment, grant or otherwise.

§ 170.5a Employment of Indians.

The Bureau of Indian Affairs road program shall be administered in such a way as to provide training and employment of Indians. The Commissioner may contract with tribes and Indian-owned construction companies, or the Commissioner may purchase materials, obtain equipment and employ Indian labor in the construction and maintenance of roads.

§ 170.6 Maintenance of Indian roads.

The administration and maintenance of Indian reservation roads and bridges is basically a function of the local Government. Subject to the availability of funds, the Commissioner shall maintain, or cause to be maintained, those approved roads on the Federal-Aid Indian Road System. The Commissioner may also maintain roads not on the Federal-Aid Indian Road System if such roads meet the definition of “Indian reservation road and bridges” and are approved for maintenance by the Commissioner. No funds authorized under 23 U.S.C. 208 are available for the maintenance of roads.
§ 170.6a Contributions from tribes.

The Commissioner may enter into agreements with an Indian tribe for a contribution from its tribal funds for the construction or maintenance of roads governed by regulations of this part. However, the tribe must be able to make such contributions without undue impairment of the necessary tribal functions.

§ 170.7 Cooperation with States.

The Commissioner may enter into an agreement with the State for cooperation in the construction and the maintenance of certain Indian reservation roads and bridges, especially at those locations where road projects serve non-Indian land as well as Indian land. (23 U.S.C. 208(d); 23 U.S.C. 308(a))

§ 170.8 Use of roads.

(a) Free public use is required on roads eligible for construction and maintenance with Federal funds under this part. When required for public safety, fire prevention or suppression, or fish or game protection, or to prevent damage to unstable roadbed, the Commissioner may restrict the use of them or may close them to public use.

(b) The Commissioner shall conduct engineering and traffic analysis in accordance with established traffic engineering practices and determine the necessary maximum speed limit, maximum vehicular weight limit and other needed regulatory signs for roads which he maintains. The Commissioner shall make recommendations to local Government officials, who are authorized to enact and enforce ordinances on Indian lands, of his determination of the needed regulatory signs. Such regulatory signs as are authorized by established ordinances shall be erected by the Commissioner. At locations under the jurisdiction of the Court of Indian Offenses the Commissioner shall erect such regulatory signs as he determines are needed.

§ 170.9 Roadless and wild areas.

Roads passable to motor transportation shall not be constructed under the regulations in this part within the boundaries of the roadless and wild areas established in part 265 of this chapter.

§ 170.10 Purpose and objectives.

The regulations in this subpart govern the calling and conducting of public hearings on Bureau of Indian Affairs road projects beginning with road projects scheduled to begin construction in Fiscal Year 1975, and thereafter. In order to promote coordination and comprehensive planning of construction activities on Indian reservations, the objectives for conducting public hearings on proposed road projects are to:

(a) Inform interested persons of the road proposals which affect them and allow such persons to express their views at those stages of a project’s development when the flexibility to respond to these views still exists.

(b) Insure that road locations and designs are consistent with the reservations’ objectives and with applicable Federal regulations.

§ 170.11 Criteria.

A public hearing shall be held for each project that:

(a) Is a new route being constructed,

(b) Would significantly change the layout or function of connecting or related roads or streets,

(c) Would have an adverse effect upon adjacent real property, or

(d) Is expected to be of a controversial nature.

§ 170.12 Need for public hearing determined.

The Superintendent will call a meeting of representatives from the tribe, the Bureau of Indian Affairs, and other appropriate agencies to determine for each road project if a public hearing is needed. The determination will be based on the criteria given in §170.11. More than one public hearing may be held for a project if necessary.
§ 170.13 Notice of road construction projects.
When no public hearing is scheduled for a road construction project, notice of the road construction project must be given at least 90 days before the date construction is scheduled to begin. Such notice should give the project name and location, the type of improvement planned, the date construction is scheduled to start, and the name and address of the office where more information can be obtained. The notice should be posted or published as determined by the Superintendent.

§ 170.14 Notice of public hearing.
Notice will be given to inform the local public of the scheduled hearing. The notice should give the date, time, and place of the scheduled hearing; the project location; the proposed work to be done; the place where the preliminary plans may be reviewed; and the place where more information on the project can be obtained. The notice should be posted or published as determined by the Superintendent. Notice should be given at least 15 days before the scheduled date of the public hearing and again, at least 5 days before the hearing date.

§ 170.15 Record of hearing proceedings.
A record of the hearing shall be made. The record shall include written statements submitted at the hearing or within 5 days following the hearing.

§ 170.16 Conducting the public hearing.
(a) The Superintendent will appoint a tribal or Bureau of Indian Affairs official to preside at the public hearing and to maintain a medium for free and open discussion designed to reach early and amicable resolution of issues.
(b) The Superintendent shall be responsible for maintaining a record of the hearing and shall make arrangements for appropriate officials to be present at the hearing to be responsive to questions which may arise.
(c) The purpose of the hearing and an agenda of items to be discussed should be presented at the beginning of the hearing. It should be made clear at the hearing that the tribal chairman or his designated roads committee are the officials responsible for setting reservation road priorities and considering the merits of one road project over another. Sufficient maps and project plans will be available at the hearing for public review. The hearing audience should be informed of the Bureau’s road construction and right-of-way acquisition procedures on reservations. If the project will require relocating residences or businesses, information on relocation services and authorized payments will be given.

§ 170.17 Written statements.
Written statements may be submitted as well as oral statements made at the public hearing. Written statements may also be submitted during the 5 days following the hearing.

§ 170.18 Hearing statement.
If significant issues develop at the public hearing which remain unresolved, the Superintendent will issue a hearing statement summarizing the results of the public hearing and his determination as to the further action to be taken in connection with the proposed project. The hearing statement shall be issued within 20 days of the date of the public hearing. The hearing statement will be posted at the place where the hearing was held, and shall be sent to interested persons upon request. The hearing statement will outline procedures whereby the determination may be appealed.

§ 170.19 Appeals.
Any determination concerning the proposed road project may be appealed in accordance with the procedures set forth in part 2 of this title.
§ 171.1 Administration.

(a) The Agency Superintendent, Project Engineer or such official as authorized by the Area Director is the Officer-in-Charge of those Indian Irrigation Projects or units operated or subject to administration by the Bureau of Indian Affairs, whether or not each project or unit is specifically mentioned in this part. The Officer-in-Charge is fully authorized to administer, carry out, and enforce these regulations either directly or through employees designated by him. Such enforcement includes the refusal to deliver water.

(b) The Officer-in-Charge is authorized to apply to irrigation subsistence units or garden tracts only those regulations in this part which in his judgment would be applicable in view of the size of the units and the circumstances under which they are operated.

(c) The Officer-in-Charge is responsible for performing such work and taking any action which in his judgment is necessary for the proper operation, maintenance and administration of the irrigation project or unit. In making such judgments, the Officer-in-Charge consults with water users and their representatives, and with tribal council representatives, and seeks advice on matters of program priorities and operational policies. The Officer-in-Charge will be guided by the basic requirement that the operation will be so administered as to provide the maximum possible benefits from the project’s or unit’s constructed facilities. The operations will insure safe, economical, beneficial, and equitable use of the water supply and optimum water conservation.

(d) The Secretary of the Interior reserves the right to exercise at any time all rights, powers, and privileges given him by law, and contracts with irrigation districts within Indian Irrigation Projects. Close cooperation between the Indian tribal councils, the project water users and the Officer-in-Charge is necessary and will be to the advantage of the entire project.

(e) The Area Director, or his delegated representative, is authorized to fix as well as to announce, by notice published in the FEDERAL REGISTER, the annual operation and maintenance assessment rates for the irrigation projects or units within his area of responsibility. In addition to the rates, the notices will include such information as is pertinent to the assessment, payment, and collections of the charges including penalties and duty of water.

(f) The rates will be based on a carefully prepared estimate of the cost of the normal operation and maintenance of the project. Normal operation and maintenance is defined for this purpose as the average per acre cost of all activities involved in delivering irrigation water and maintaining the facilities.

(g) San Carlos Irrigation Project, Arizona. The administration, rights obligations and responsibilities for the operation and maintenance of this project are set forth in the Repayment Contract dated June 8, 1931 as supplemented or amended, between the San Carlos Irrigation and Drainage District and the United States as authorized by the Act of June 7, 1924 (43 Stat. 475–476) and the Secretarial Order of June 15, 1938, title “Order Defining Joint, District and Indian Works of the San Carlos Federal Irrigation Project: Turning over Operation and Maintenance of District Works to the San Carlos Irrigation and Drainage District.”
§ 171.2 Regulations appearing in this subchapter apply only to the Indian lands works and in the San Carlos Irrigation Project unless specified otherwise, and should not be interpreted or construed as amending or modifying the District Contract or the Secretarial Order.

§ 171.2 Irrigation season.

The irrigation season, when water shall be available for irrigation, will be established by the Officer-in-Charge.

§ 171.3 Domestic and stock water.

Domestic or stock water will not be carried in the project’s or unit’s irrigation system when in the judgment of the Officer-in-Charge such practice will:

(a) Interfere with the operation and maintenance of the system.

(b) Be detrimental to or endanger the canal, lateral system and/or related structures.

(c) Adversely affect the stored water supply for irrigation.

§ 171.4 Farm units.

For the purpose of delivery of water and the administration of the project or unit, a farm unit is defined as follows:

(a) For the Blackfeet, Crow, Fort Belknap, and Fort Peck Irrigation Projects, Montana, and the Colville Irrigation Project, Washington:

(1) Forty (40) or more contiguous acres of land in single ownership with the exception that those original Indian allotments containing less than forty (40) acre subdivision of the public land survey shall also be considered farm units.

(2) Forty (40) or more contiguous acres of Indian-owned land under lease to one party.

(3) Forty (40) contiguous acres in multiple ownership.

(b) For the Fort Hall Irrigation Project, Idaho:

(1) Twenty (20) or more contiguous acres of land in single ownership covered by one or more water rights contracts.

(2) Twenty (20) or more contiguous acres of Indian-owned land under lease to one party or being farmed by one Indian.

(3) Ten (10) or more contiguous acres of subdivided land in multiple ownership.

(c) For the Flathead Irrigation Project, Montana: A contiguous area of land in single ownership containing not less than one forty (40) acre subdivision of the public land survey, or the original allotment as established by the Secretary of the Interior and as recorded or amended in the records of the Bureau of Land Management. In the case of leased land, it is defined as a contiguous area under a single lease. For Bureau of Land Management regulations pertaining to Flathead Project, see 43 CFR 2211.8, Flathead Irrigation District, Montana.

(d) For the Wapato Irrigation Project (all units), Washington:

(1) Eighty (80) or more contiguous acres in single ownership at the time of the establishment of the delivery system, or when subsequent changes of ownership result in larger tracts under single ownership and the owner requests that this land be treated as a farm unit, whether covered by one or more water right contracts.

(2) Eighty (80) or more contiguous acres of Indian-owned land under lease to one person or being farmed by one Indian.

(3) Eighty (80) contiguous acres in multiple ownership: Provided, That such acreage shall be within the same eight (80) acre subdivision of the U.S. public land survey.

(4) In all cases where an original Indian allotment consisted of less than eighty (80) contiguous acres, such original Indian allotment, whether (i) under single or multiple ownership and/or covered by one or more water right contracts, (ii) under lease to the same or different lessees, or (iii) farmed by one or more Indians, shall be treated as a farm unit.

(e) For all other projects or units: An original allotment, homestead, an assignment of unallotted tribal lands, or a contiguous, development lease area.
§ 171.5 Delivery points.
(a) Project operators will deliver irrigation water to one point on the boundary of each farm unit within the irrigation project. The Officer-in-Charge may establish additional delivery points when in his judgment it is impractical for the landowner to irrigate his farm unit from the one delivery point for such reasons as topography, isolation, or cost. When irrigation water is supplied from wells, the delivery point may be established at the well head. Where portions of a farm unit lie at an elevation too high to be watered by gravity flow from the normal elevation of water in the project distribution system, no change will be made in the water level elevation of the project system so as to place water on such land. Where such land has been included in the project, the landowner may install and operate pumping equipment at his own expense to raise the water to such included land from a point designated by the Officer-in-Charge and in accordance with his specifications. If the landowner so installs pumping equipment and pays the construction and maintenance charges, the project will deliver the same amount of water per acre for this land as the project delivers at the delivery point for other lands on the project.
(b) If a farm unit for which a project delivery point has been established is subsequently subdivided into smaller units by the owner or owners of the farm unit, the following provisions apply:
(1) A plat or map of the subdivision must be recorded and a copy filed with the Officer-in-Charge. The plat or map must show how the irrigation water is to be delivered to the irrigable acres in the subdivision.
(2) No further extensions or alterations in the project’s system will be provided officials to serve the subdivided units, except as agreed to by the Officer-in-Charge and at the landowner’s expense.
(3) Any additional construction necessary to deliver irrigation water to these units must be mutually worked out between the original owner of the farm units and the new owners of the subdivided unit at their expense.
(4) The project will not bear any responsibility for the operation and maintenance of such internal systems, or the division of irrigation water after it is delivered to the established project delivery points.
(c) Where project points of delivery have been established for farm units which are to be combined under lease or ownership into a singular farm unit to be irrigated by means of a sprinkler of more efficient system, the Officer-in-Charge may approve the removal or relocation of project delivery facilities. Such reorganization shall be at the expense of the landowners or lessees in conformance with established project standards and a time schedule which will not disrupt water delivery service to others on the system.
(d) Where a reorganization has been approved and established as in §171.5(c), any reversion requiring reestablishment of removed or relocated project delivery facilities must be approved by the Officer-in-Charge and conform to established project standards and time schedules which will not disrupt water delivery service to other water users on the system. All expenses incurred shall be the responsibility of the landowners or lessees.

§ 171.6 Distribution and apportionment of water.
(a) The Officer-in-Charge will establish the method of and procedures for the delivery and distribution of the available irrigation water supply. He will endeavor to apportion the water at all times on a fair and equitable basis between all project water users entitled to the receipt of irrigation water.
(b) Any person who interferes with the flow of water in or from the project’s storage, carriage or lateral systems or opens or closes or in any other way changes the position of a headgate or any other water control structure without specific authority from the Officer-in-Charge or his designated representative will be subject to prosecution. Cutting a canal or lateral bank for the purpose of diverting water or placing an obstruction in such facilities in order to change the flow of water through a headgate will be considered a violation of this section.
(c) San Carlos Irrigation Project, Arizona—(1) The portion of the project’s common water supply available for the Indian lands will be distributed subject to beneficial use in equal per acre amounts to each acre under irrigation and cultivation, insofar as possible.

(2) All water users (Indian and non-Indian) will be notified at the beginning of the irrigation season of the amount of stored and pumped water available. An apportionment of this water will be recommended by the Officer-in-Charge of the irrigation project to the approval of the Area Director. Subsequent apportionments may be made if and when additional water is available.

(3) If it is determined by the Officer-in-Charge that there is water in excess of demands and available storage facilities, he will promptly notify all water users that such water is available. This water shall not be charged against the water apportionment of the land on which it is used.

(d) Uintah Irrigation Project, Utah—

(1) Water will be delivered to all lands under the Lakefork, Uintah and Whiterocks Rivers in accordance with the provisions of the decree of the Federal Court in the cases of the “United States v. Dry Gulch Irrigation Company, et al.,” and the “United States v. Cedarview Irrigation Company, et al.” which decrees fix the maximum duty of three (3) acre-feet per acre for the period from March 1 to November 1 of each year. The rate of delivery will be substantially in accordance with the following schedule except that it may be modified by the Officer-in-Charge at such times as changed climatic conditions and the water supply indicate that such modification would be beneficial to the project.

(2) The rotation method will be used in distributing the water diverted from the Lakefork, Uintah and Whiterocks Rivers. Rotation schedules will be prepared under direction of the Officer-in-Charge and will be put into effect each season as soon as it is determined what acreage is to be irrigated. A written copy of the water schedule will be delivered to each water user showing the time that his turn starts on each tract and the duration of each turn.

(3) In the event a rotation system is adopted for lands receiving water from the Duchesne River, the same procedure will be used as for the lands under the Lakefork, Uintah and Whiterocks Rivers. The Officer-in-Charge will advise all water users sufficiently in advance of the time the rotation schedule will go into effect.

(e) Wapato Irrigation Project, Washington—(1) To protect adjoining lands against seepage and erosion by the excess use of water on the bench lands of the Wapato-Satus Unit, the maximum delivery of water to the bench lands shall not exceed 4.5 acre-feet per acre per season.

(2) The rate of delivery to lands of the Satus 2 and Satus 3 subunits shall not exceed one (1) cubic foot per second for each 50 irrigated acres.

(3) The measurement and distribution of water for the lands on the Ahtanum Unit shall take place at the mutually advantageous points on the Ahtanum Main or Lower Canals. The conveyance of the water from these points of distribution to the irrigable acres of the farm units shall be entirely by and at the expense of the individual operators of the farms. However, when several such users join together to use one single channel for the conveyance of their water to the points of final diversion, they shall be jointly responsible for the channel of conveyance.
§ 171.7 Application for and record of deliveries of irrigation water.

(a) Except when rotation schedules have been established and are being followed, water users in requesting the delivery of water will so notify the Officer-in-Charge or his designated representative by such means and with such advance notice as may be required by system operations and as established by the Officer-in-Charge. The request shall indicate the time the water is to be delivered, the period of time it will be used, the rate of flow desired, and where the water will be used.

(b) It is the responsibility of the ditchriders during the irrigation season to maintain records showing the beginning and ending time of each water delivery, the amount of such delivery, and the estimated acreage irrigated. Such records are to be filed at the irrigation project office at the end of the season.

(c) Water users on the Indian portion of the San Carlos Indian Irrigation Project will submit their requests for water to the Superintendent, Pima Agency.

§ 171.8 Surface drainage.

(a) The water users will be responsible for all waste water resulting from their irrigation practices and for its conveyance to project canals, drains, wasteways or natural drainage channels. Any expenses involved in doing this will be borne by the water user. Waste water may be emptied into project constructed ditches only at points designated by and in a manner approved by the Officer-in-Charge. In those situations involving two or more landowners and/or water users, it is their responsibility to work out a satisfactory arrangement among themselves for the conveyance of their waste water to project ditches or natural drainage channels.

(b) Waste water shall not be permitted to flow upon or collect in road or project rights-of-way. Failure to comply with this requirement could result in the Officer-in-Charge refusing the further delivery of water.

§ 171.9 Structures.

(a) All structures, including bridges or other crossings, which are necessary as a part of the project’s irrigation and drainage system will be installed and maintained by the project.

(b) During the construction of a new irrigation project or the extension of an existing project, bridges, crossings or other structures may be built by the Officer-in-Charge for private use where justified by severance agreements or other practical considerations. Title to these structures may or may not be vested in the United States depending upon the agreement with the landowner. Structures built partially or wholly in lieu of severance damages may be required to be maintained by the landowner even though title remains with the United States.

(c) After a project is completed, additional structures crossing or encroaching on project canal, lateral or drain rights-of-way which are needed for private use may be constructed privately in accordance with plans approved by the Officer-in-Charge or by the project. In either case the cost of installing such structures will not be at the project’s expense. Such structures will be constructed and maintained under revocable permits on proper forms issued by the Officer-in-Charge. Structures built partially or wholly in lieu of severance damages may be required to be maintained by the landowner even though title remains with the United States.

(d) If it is determined that a crossing constructed for and by the project is no longer needed for operation and maintenance of the system, it should be removed. However, if a private party, corporation, State, or other Federal entity desires to use the crossing, it may be transferred to such entity by the Officer-in-Charge under a permit which relieves the United States from any further liability or responsibility for the crossing, including its maintenance. The following provisions pertain:

(1) Permits issued in such situations shall stipulate what is granted, and accepted by the permittee on the condition that the repair and maintenance of the structure shall be the duty of the permittee or his successors without cost to the irrigation project.
§ 171.10 Fencing.

Fences across project rights-of-way will not be constructed without the approval of the Officer-in-Charge. The granting of such approval shall be dependent upon proper installation so as not interfere with the flow of water or the passage of project operators and equipment. In case an unauthorized fence is installed, the landowner shall be notified to remove it. If it is not removed within a reasonable period of time or satisfactory arrangements made with the Officer-in-Charge, it may be removed by project personnel at the landowner’s expense.

§ 171.11 Obstructions.

No obstructions of any kind including service or farm ditches, will be permitted upon project rights-of-way. Due notice will be given to an operator or landowner to remove any obstructions. If not removed within a reasonable period of time after notice is given, an obstruction will be removed by project forces at the expense of the operator or landowner.

§ 171.12 Rights-of-way.

(a) Rights-of-way reserved for the project’s irrigation system are of sufficient width to permit passage and use of equipment necessary for construction and proper operation and maintenance of the project’s canals, laterals, and other irrigation works.

(b) In the construction of new irrigation projects or extension of existing projects, rights-of-way which have not been reserved across Indian lands will be obtained in accordance with part 169 of this chapter.

§ 171.13 Crops and statistical reports.

An annual project crops and statistical report shall be prepared by the Officer-in-Charge. The landowner or farm unit operator shall cooperate in furnishing such information as requested.

§ 171.14 Carriage agreements and water right applications.

(a) Pine River Indian Irrigation Project, Colorado. If the Area Director determines that there is sufficient capacity in the project’s carriage and/or distribution system in excess of that required by the project he is authorized to enter into carriage agreements with non-project water users to convey non-project water through project facilities for delivery to non-project lands.

(b) Uintah Indian Irrigation Project, Utah. If the Superintendent determines that there is sufficient capacity in the irrigation project’s carriage and/or distribution system in excess of that required by the project, he is authorized to enter into carriage agreements with non-project water users to convey non-project water through project facilities for delivery to non-project lands. The Superintendent is also authorized to enter into carriage agreements with private irrigation or ditch companies for the conveyance of project water through non-project facilities for delivery to isolated Indian lands that cannot be served from project facilities.

(c) Wapato Irrigation Project, Washington. The Project Engineer is authorized to execute water right applications submitted by landowners in the project on behalf of the Secretary of the Interior. Such applications should be submitted on the approved Departmental form.

§ 171.15 Leaching water.

(a) The Officer-in-Charge is authorized to furnish irrigation water for leaching purposes without the payment of operation and maintenance charges to any Indian trust land, or patent in fee land covered by a repayment contract, as an aid to improve land within the project that is impregnated by alkali or in the development of new project land.
§ 171.17 Delivery of water.

(a) Irrigation water will not be delivered until the annual operation and maintenance assessments are paid in accordance with the established annual rate schedule as set forth in the public notice issued by the Area Director. Under the following special circumstances, this rule may be waived and water delivered to:

(1) Trust and restricted lands farmed by the Indian owner when the Superintendent has certified that the operator is financially unable to pay the assessment and he has made arrangements to pay such assessments from the proceeds received from the sale of crops or from any other source of income. In such cases the unpaid charges will stand as a first lien against the land until paid but without penalty on account of delinquency.

(2) Non-Indian lands on which there is an approved deferred payment contract executed under the provisions of the Act of June 22, 1936 (49 Stat. 1803).

(3) Land on which an adjustment or cancellation of unpaid assessments has been recommended and final action is pending.

(b) Water will not be delivered to Indian trust or restricted land that are under lease approved by the Secretary of the Interior or his authorized representative acting under delegated authority until the lessee has paid the annual assessed operation and maintenance charges.

(c) No water will be delivered to Indian trust land under a lease that has been negotiated by an Indian owner until the owner has paid the annual assessed operation and maintenance charges or has made satisfactory arrangements for their payment with the Superintendent who has so notified the Officer-in-Charge.

(d) Water will not be delivered to any lands within an irrigation district which has executed a repayment contract with the United States until all irrigation charges, as assessed, are paid.
§ 171.18  Service or farm ditches.

The service or farm ditches into which water is delivered from project canals or laterals must have ample capacity and be maintained by the water user in proper condition to receive water and convey it to the place of use with a minimum of loss. Water delivery
§ 171.19 Operation and maintenance assessments.

(a) Operation and maintenance assessments will be levied against the acreage within each allotment, farm unit or tribal unit that is designated as assessable and to which irrigation water can be delivered by the project operators from the constructed works whether water is requested or not, unless specified otherwise in this section.

(1) Colville Indian Irrigation Project, Washington. Operation and maintenance assessments will be levied against all patent in fee and Indian trust lands to which water can be delivered for irrigation and for which an application for water has been made by the water user and approved by the Superintendent.

(2) Wapato Irrigation Project-Toppenish-Sincoe Unit, Washington. Operation and maintenance assessments will be levied against all lands which can be irrigated from the constructed works for which application for water is made annually and approved by the Project Engineer.

(b) Subdivided farm units—(1) General. (i) Where farm units, as defined in § 171.4 have been subdivided into smaller units, the Area Director or such official as he may so delegate may, at his discretion, fix a higher operation and maintenance rate for such subdivided acreage than the rate fixed for the acreage in the original farm unit. In such cases the higher rate will also be announced in the annual public notice.

(ii) In the event higher rates are fixed for a subdivided farm unit, the individual owners thereof may obtain for their lands the same rate as fixed for acreages within farm units not so divided by joining in a written contract with the other owners within the subdivided unit. Under such a contract, the various owners will appoint an agent in whom shall be vested full power and authority to enter into a contract with the Area Director, hereafter referred to as the Contracting Officer, or such official as he may so authorize, covering the water rights for the entire area of the several small acreages: Provided, however, Such contract must not represent less acreage than that included in the original farm unit unless a smaller unit has been established by project regulation as eligible for a subdivision contract; And provided further, That whether the contract involves acreage in one or more farm units, it must represent contiguous acreages.

(iii) The contract between the agent of the owners of the small tracts and the Contracting Officer shall be executed on or before February 1 of the year preceding the next irrigation season. The agent shall at the time of the execution of this contract, on a form approved by the Secretary of the Interior, furnish a certified copy of the contract executed by the several landowners of the subdivided tract appointing the agent to act in their behalf.

(iv) Any owner of a tract within a subdivided unit, with the written consent of the owners of a majority of the acreage, under a contract as set forth in paragraph (b)(1)(iii) of this section, may voluntarily withdraw from the contract by filing a written notice of his intent to withdraw with the Contracting Officer on or before February 1 of the year, such withdrawal is to be effective, together with the consent of the owners of the majority of the acreage endorsed thereon; Provided, That, the remaining acreage is contiguous; such withdrawal does not reduce the remaining acreage under the contract to less than the acreage included in the original farm unit before it was subdivided or less than the minimum acreage established on a project as eligible for a subdivision contract; and all irrigation charges due under said contract have been paid. Upon the receipt of said notice, the Contracting Officer, if the notice meets the requirements as herein provided, shall note his approval thereon and send a copy thereof to the agent of the landowners. Thereafter the land of the withdrawing owner shall no longer be subject to the contract.

(v) If one or more owners under a contract desire to withdraw, and if, by so doing, it would reduce the total remaining contiguous acreage under the contract to less than the total acreage

(a) Water users’ ledgers will be maintained by the Officer-in-Charge on all irrigation projects or units where irrigation assessments are levied and collected. Separate entries shall be made in the ledger for each farm tract, and bills issued to the owner or owners of record. When payment is received, it will be credited to the proper ledger account.

Further appeals may be made to the Commissioner of Indian Affairs pursuant to part 2 of this chapter.

The project engineer may suspend any permit for cause. The project engineer shall, immediately after suspending a permit, submit to the Secretary through the Commissioner of Indian Affairs a detailed report of the case, accompanied by his reasons for the action and his recommendations, for final action by the Secretary.
§ 173.4 Permits subject to existing and future rights-of-way.

Use by the permittee of any land authorized under this part shall be subject to the right of the Secretary to establish trails, roads and other rights-of-way including improvements thereupon or through the premises, and the right to use same by the public. In the case of temporary concession permits, the permittee shall deposit at the time of receiving the permit, a sum equal to twice the rental, which sum shall, upon the expiration of the permit, be refunded to the permittee, if all the terms and conditions of the permit have been met; otherwise, such sum shall be retained as liquidated damages.

§ 173.11 Supervision of permittees' rates.

All rates or charges collected by a permittee for services rendered by the permittee in the operation of the concession granted under a permit, must be submitted through the project engineer to the Secretary for approval. Copies of the approved rate schedule shall be posted in at least two conspicuous places on the premises. Approved rates may not be changed without first obtaining in the same manner a change in the rate schedule. The Secretary shall have the right to readjust rates charged from time to time and to amend or change any permit issued. Failure to comply with the approved rates automatically makes the permit subject to cancellation.

§ 173.12 Services from project.

(a) Permits or leases may be granted after the lands set forth in §173.0 have been classified as to use and then only for the purpose for which the land is classified. Permits for grazing lands suitable for division into range units shall be granted in accordance with part 166 of this chapter; and agricultural lands and all other grazing lands shall be leased in accordance with part 166 of this chapter.

PART 178—RESALE OF LANDS WITHIN THE BADLANDS AIR FORCE GUNNERY RANGE (PIECE RIDGE AERIAL GUNNERY RANGE)

§ 178.1 Purpose.

The regulations in this part govern the reacquisition by former Indian and non-Indian owners of lands, or interests therein, acquired by the United States of America as a part of the Badlands Air Force Gunnery Range, sometimes referred to as the Badlands Air Force Gunnery Range, or as the Pine Ridge Aerial Gunnery Range. The regulations also govern the acquisition by former Indian owners of life estates in national monument lands formerly owned by them and the acquisition of lieu lands when lands formerly owned by them are not available or are not desired by them for reacquisition. The legislative authority for reacquisition of lands or interests therein by former owners is the Act of August 8, 1968 (Pub. L. 90–468; 82 Stat. 663).

§ 178.2 Definitions.

(a) “Secretary” means the Secretary of the Interior or his duly authorized representative.

(b) “Superintendent” means the officer in charge of the Pine Ridge Indian Agency, Pine Ridge, S. Dak.

(d) “Gunnery Range” means the area on the Pine Ridge Indian Reservation in South Dakota that was acquired by the United States for use of the Air Force commonly known as the Pine Ridge Aerial Gunnery Range or the Badlands Air Force Gunnery Range.

(e) “Monument” means the Badlands National Monument as enlarged by section 1 of the Act of August 8, 1968 (Pub. L. 90–468).

(f) “Tribe” means the Oglala Sioux Tribe of Indians of South Dakota.

§ 178.3 Eligibility to purchase.

(a) Any former owner of a tract of land or interest in a tract of land, whether title was held in trust or in fee, which was acquired by the United States as a part of the Gunnery Range may purchase such tract pursuant to the provisions of the Act and the regulations set forth in this part: Provided, Said tract has been declared excess to the needs of the Department of the Air Force, has been transferred to the administrative jurisdiction of the Secretary of the Interior, and is not within the boundaries of the Monument or within that portion of the Gunnery Range retained for use of the Department of the Air Force.

(b) If a former owner is deceased and is survived by a spouse, the spouse may purchase under the same terms and conditions as the former owner except that if the former owner was an Indian whose land was held in trust and his surviving spouse is a non-Indian, the title to said tract shall be conveyed to the non-Indian spouse in a fee simple status.

(c) If the former owner is deceased and the spouse is also deceased, the children of the former owner may repurchase the tract.

(d) If the former owner is not survived by a spouse or children there exist no repurchase rights involving the tract.

§ 178.5 Special notice to former Indian owners.

(a) The Superintendent shall notify the former Indian owners, in writing, at their last known addresses of their right to repurchase the tracts formerly owned by them in those instances where the tracts are outside of the boundaries of the Monument and are outside of the boundaries of the area of the Gunnery Range retained by the Department of the Air Force. Such notice shall include (1) the legal description; (2) the purchase price thereof; (3) the minimum amount of down payment required; (4) a recital that balance of purchase price may be paid in 20 annual installments; (5) the annual rate of interest on unpaid balance; (6) information whether title is to be taken in trust or in fee; and (7) the date by which the executed application to purchase must be received in the office of the Superintendent. A form of application for execution by the former owners shall accompany said notice, said application to include the legal description of the land, purchase price and other pertinent information.

(b) In those instances where the tracts of land or portions thereof are within the boundaries of the area of the Gunnery Range retained by the Department of the Air Force, the Superintendent shall notify the former Indian owners, in writing, at their last known addresses that they may elect to purchase available tracts of land in lieu of the lands formerly owned by them, said lieu lands to be of substantially the same value as the tracts originally owned by them. Such notice shall also advise said former owners that they may, as an alternative, elect to purchase the tracts formerly owned by them at such time as the tracts may be declared excess to the needs of the Department of the Air Force and transferred to the Secretary of the Interior. As to this alternative, no promise or prediction may be made as to when, or whether, the land may eventually become surplus to the needs of the Department of the Air Force, and the notice shall specifically so state. Such notice shall include (1) the legal description of the land formerly owned by them; (2) the purchase price of the lieu land which price shall be computed on the same basis as though the original tract were available; (3) the minimum amount of down payment required; (4) a recital that balance of purchase price may be paid in 20 annual installments; (5) the annual rate of interest on unpaid balance; (6) information whether title is to be taken in trust or in fee.
§ 178.6 Applications by former owners.

(a) Applications by former Indian owners to purchase lands formerly owned by them, or to purchase lieu lands, or to take a life estate in a tract of land within the Monument area should be made on forms furnished by the Superintendent and filed within the period specified in section 3(b) (5) of the Act. Such applications shall be filed in the Office of the Superintendent.

(b) A former non-Indian owner may file application to purchase land pursuant to section 3(b) of the Act within 1 year from the date notice is published in the Federal Register that the land he formerly owned has been declared excess to the needs of the Department of the Air Force and has been transferred to the Secretary. Such application shall be filed in the Office of the Superintendent. The applicant shall furnish proof of his ownership or the ownership of his predecessor in interest at the time of the acquisition of the land by the United States. Upon receipt of an application to purchase and proof of ownership the Superintendent shall cause the land to be appraised and thereafter he shall inform the applicant in writing of the fair market value of the tract which shall be the purchase price, the minimum amount of down payment required, that the balance of the purchase price may be paid in 20 annual installments, and the annual rate of interest on the unpaid balance.

§ 178.7 Conveyance documents.

(a) Where there is an election by a former Indian owner of a tract of land within the monument boundary to acquire a life estate in such tract at no cost the following types of provisions and restrictions shall be applicable to the use thereof:

(2) Construction or reconstruction of any roads to the property, including locations and materials used, are subject to approval by the National Park Service.

§ 178.7 — (a) Dams, wells utilizing surface or subsurface water, and other needed access accessory structures.

(5) The cutting of native trees, except for firewood for the personal use of the grantee, his family or assignee, is prohibited unless determined by the National Park Service to be essential to the permitted use of the tract.

(6) All improvements and structures are subject to removal upon termination of the life estate or they shall be deemed to become the property of the United States. The family or assignee of the grantee shall have a reasonable time to vacate the premises upon termination of the life estate and may harvest annual crops planted during the tenure of the estate.

(7) Water rights owned by the United States in the premises remain vested in the United States, but the grantee has a right to reasonable use of the water.

(8) Grantee must observe and adhere to all applicable Federal, State, and local laws and regulations, including Federal laws and regulations for the protection of the black-footed ferret and other wildlife in the Monument. The United States reserves the right to enter upon the conveyed lands to assure such compliance and for the exercise of any other rights and privileges reserved to it.

(9) The conveyed premises must be kept in a neat and orderly condition and no waste or injury may be committed to the land. Pollution of water on or adjacent to the property is prohibited.

(10) Reasonable precautions must be taken to prevent, suppress, and extinguish forest, brush, grass, and other fires on the property.

(11) Grantee may not claim damages for injury by or against the United States which might be directly attributable to existence of the Monument.

(12) Other provisions deemed necessary by the National Park Service in individual circumstances may be included in the conveyance document.

(b) When title to the land being acquired is to be taken in trust for the purchaser and the purchase is effected by deferred payments as authorized in section 3(b)(2) of the Act, a sale contract shall be executed by the purchaser and the Secretary. The down payment shall not be less than $100 or 20 per centum of the purchase price, whichever is less. The purchaser shall be entitled to a credit of a pro rata share of the grazing fees collected by the United States for use of the land during the grazing year in which the sale contract is executed, which credit shall be applied as all or a part of the down payment for the land being purchased. In the event the proportionate share of the grazing fees credited to the purchaser is less than the required down payment, the purchaser shall pay the balance of the down payment in cash, or by certified check, cashier’s check, money order, or U.S. Treasury check, payable to the Bureau of Indian Affairs at the time the sale contract is executed. Upon execution of the contract by the Secretary, a deed shall be prepared and executed by the Secretary conveying title to the Secretary, a deed shall be prepared and executed by the Secretary conveying title to the land to the United States in trust for the purchaser. When the sale contract and deed are executed, the balance of the proportionate share of the grazing fees, if any, due the purchaser shall be paid to him and the down payment shall be deposited in the U.S. Treasury to the credit of the United States as general fund receipts. All subsequent installment payments shall be deposited in a like manner to the credit of the United States. The sale contract shall include (1) the legal description of the land; (2) the purchase price; (3) the amount of down payment; (4) the amount of annual principal installment payments; (5) the annual rate of interest on unpaid balance; (6) the due dates of annual installments; (7) a recital that the unpaid balance is a lien against the land and against all rents, bonuses and royalties received therefrom; (8) a recital that a delinquency of 90 days in making annual installment payments will subject the contract to foreclosure with loss of all payments theretofore made thereon; and (9) a recital that upon payment being made in full the deed to the United States in trust for the purchaser will be delivered to the purchaser.

(c) If title to the tract is acquired in a trust status and full payment therefore is made by the purchaser at the time the application for purchase is approved, the title shall be conveyed to
§ 178.8 Selection of lieu lands.

(a) Lieu lands which may be selected for purchase by former Indian owners whose lands are within the boundaries of the area retained for use by the Department of the Air Force or are within the boundaries of the Monument are defined as (1) those lands heretofore acquired by the United States for use of the Air Force Gunnery Range which are outside the boundaries of the Monument and outside the boundaries of the area retained for use by the Department of the Air Force which are not selected for repurchase by former owners within 1 year from date of publication of the notice prescribed in section 3(b)(5) of the Act, and (2) all of the submarginal lands acquired by the United States under authority of the National Industrial Recovery Act of 1933 and subsequent relief acts, within the Pine Ridge Indian Reservation, except those submarginal lands within the area retained for use by the Department of the Air Force or within the Monument, administrative jurisdiction over which was transferred to the Secretary of the Interior by Executive Order No. 7368, dated April 15, 1938.

(b) The former Indian owners whose lands are within the boundaries of the area retained for use by the Department of the Air Force or are within the boundaries of the Monument may elect to purchase lieu lands of substantially the same value pursuant to section 4(b) and section 4(c) of the Act. Inasmuch as identification of all of the lands from which lieu selections may be made cannot be determined until the time has expired for former owners of lands outside of the area used by the Department of the Air Force and outside the boundaries of the Monument to purchase the tracts formerly owned by them, former owners who have filed an election to purchase lieu lands within 1 year from the date of publication of the notice prescribed in section 3(b)(5) of the Act, shall be deemed to have filed a timely application to purchase notwithstanding the fact that a specific tract of land has not been designated in said election.

(c) Upon the expiration of 1 year from date of publication of the notice prescribed in section 3(b)(5) of the Act, the Superintendent shall prepare a complete list of all lands available from which selections of lieu lands may be made. The Superintendent shall also
prepare a list of all former owners who elected to purchase lieu lands, numbering them consecutively without regard as to date of receipt of such election. The numbers shall then be placed on separate uniform slips of paper and placed in a bowl. The numbers will then be withdrawn from the bowl and a record made of the order in which they were withdrawn. The owner of the first number withdrawn shall be afforded the first opportunity to select lieu lands. The owners of lands represented by the following numbers will be afforded an opportunity to select lieu lands in the priority in which their numbers were drawn.

(d) When all selections of lieu lands have been made as provided in paragraph (c) of this section, the Secretary shall determine the comparability of the lands originally owned and the lieu selections. If the lieu selections are not substantially the same value as the lands originally owned, the owners shall be afforded an opportunity to make other selections which are substantially the same value.

(e) To determine whether the former Indian owned land and the selected lieu land in each case are of substantially the same value, the consideration paid by the United States for each tract may be accepted as indicative of the value of each tract at the time it was acquired. If information as to the price paid for any specific tract is not available, or if for any reason it is concluded that the consideration paid by the United States for each tract may be accepted as indicative of the value of each tract at the time it was acquired, the Secretaries shall cause the tracts to be appraised to determine their comparability. The appraisals of lands shall be made on the basis of current market values. The lands shall be considered to be substantially the same value if the differences in values do not exceed 10 percent of the greater value.

§178.9 Lands formerly held subject to restrictions against alienation.

Former Indian owners who held title to the lands which were acquired for the gunnery range subject to restrictions against alienation without the approval of the Secretary of the Interior shall be conveyed title to the reacquired lands in a trust status in the same manner as though they had held trust title to the lands taken.

In all cases where the document creating the life estate does not specify a distribution of proceeds; or where the vested remainderman and life tenant have not entered into a written agreement approved by the Secretary providing for the distribution of proceeds; or where, by such document or agreement or by the application of State law, the open mine doctrine does not apply; the Secretary shall:

(a) Distribute all rents and profits, as income, to the life tenant.

(c) In the case of mineral contracts, invest the principal, with interest income to be paid the life tenant during the life estate, except in those instances where the administrative cost of investment is disproportionately high, in which case §179.4(d) shall apply. The principal will be distributed to the remainderman upon termination of the life estate.

(d) In all other instances, distribute the principal immediately according to the formulas set forth in §179.5, investing all proceeds attributable to any contingent remainderman in an account, with disbursement to take place upon determination of the contingent remainderman.

§ 179.5 Value of life estates and remainders.

(a) The value of a life estate shall be determined by the formula: Value of Life Estate = P × L, where P = Value of principal, and L = Life estate factor for the age and sex of the life tenant, as shown in Column 2 on tables A(1) and A(2).

(b) The value of a remainder shall be determined by the formula: Value of Remainder = P × R, where P = Value of principal, and R = Remainder factor for the age and sex of the life tenant, as shown in Column 3 on tables A(1) and A(2).

crashes, reduce impaired driving crashes, increase occupant protection education, provide Emergency Medical Service training, and increase police traffic services.

§ 181.2 Definitions.

Ap eal means a written request for review of an action or the inaction of an official of the BIA that is claimed to adversely affect the interested party making the request.

Applicant means an individual or persons on whose behalf an application for assistance and/or services has been made under this part.

Application means the process through which a request is made for assistance or services.

Grant means a written agreement between the BIA and the governing body of an Indian tribe or Indian organization wherein the BIA provides funds to the grantee to plan, conduct, or administer specific programs, services, or activities and where the administrative and programmatic provisions are specifically delineated.

Grantee means the tribal governing body of an Indian tribe or Board of Directors of an Indian organization responsible for grant administration.

Recipient means an individual or persons who have been determined as eligible and are receiving financial assistance or services under this part.

§ 181.3 Am I eligible to receive a program grant?

The Indian Highway Safety Program grant is available to any federally recognized tribe. Because of the limited financial resources available for the program, the Bureau of Indian Affairs (BIA) is unable to award grants to all applicants. Furthermore, some grant recipients may only be awarded a grant to fund certain aspects of their proposed tribal projects.

§ 181.4 How do I obtain an application?

BIA mails grant application packages for a given fiscal year to all federally recognized tribes by the end of February of the preceding fiscal year. Additional application packages are available from the Program Administrator, Indian Highway Safety Program, P.O. Box 2003, Albuquerque, New Mexico 87103. Each application package contains the necessary information concerning the application process, including format, content, and filing requirements.

§ 181.5 How are applications ranked?

BIA ranks each timely filed application by assigning points based upon four factors.

(a) Factor No. 1—Magnitude of the problem (Up to 50 points available). In awarding points under this factor, BIA will take into account the following:

(1) Whether a highway safety problem exists.

(2) Whether the problem is significant.

(3) Whether the proposed tribal project will contribute to resolution of the identified highway safety problem.

(4) The number of traffic accidents occurring within the applicant’s jurisdiction over the previous 3 years.

(5) The number of alcohol-related traffic accidents occurring within the applicant’s jurisdiction over the previous 3 years.

§ 211.20 Leasing procedures.

(a) Indian mineral owners may, with the approval of the superintendent or area director, lease their land for mining purposes. No oil and gas lease shall be approved unless it has first been offered for bidding at an advertised lease sale in accordance with this section. Leases for minerals other than oil and gas shall be advertised for bids as prescribed in this section unless the Secretary grants the Indian mineral owners written permission to negotiate for lease. Application for leases shall be made to the superintendent having jurisdiction over the lands.

If requested by an applicant interested in acquiring rights to Indian-owned minerals, the Secretary shall promptly notify the Indian mineral owner, and advise the owner in writing of the alternatives available, including the right to decline to lease. If the Indian mineral owner decides to have the leases advertised, the Secretary shall consult with the Indian mineral owner concerning the appropriate royalty rate and rental. The Secretary may then undertake the responsibility to advertise and lease in accordance with the following procedures:

(1) Leases shall be advertised to receive optimum competition for bonus consideration, under sealed bid, oral auction, or a combination of both. Notice of such advertisement shall be published in at least one local newspaper and in one trade publication at least thirty (30) days in advance of sale. If applicable, such notice must identify the reservation within which the tracts to be leased are found. No specific description of the tracts to be leased need be published. Specific description of such tracts shall be available at the office of the superintendent and/or area director upon request. The complete text of the advertisement, including a specific description, shall be mailed to each person listed on the appropriate agency or area mailing list. Surety bonds shall be issued by a qualified company approved by the Department of the Treasury (see Department of the Treasury Circular No. 570).

(b) An operator may file a $75,000 bond for all geothermal, mining, or oil and gas leases, permits, or assignments in any one State, which may also include areas on that part of an Indian reservation extending into any contiguous State. Statewide bonds are subject to approval in the discretion of the Secretary.

(c) An operator may file a $150,000 bond for full nationwide coverage to cover all geothermal or oil and gas leases, permits, or assignments without geographic or acreage limitation to which the operator is or may become a party. Nationwide bonds are subject to approval in the discretion of the Secretary.

(d) Personal bonds shall be accompanied by:

(1) Certificate of deposit issued by a financial institution, the deposits of which are federally insured, explicitly granting the Secretary full authority to demand immediate payment in case of default in the performance of the provisions and conditions of the lease or permit. The certificate shall explicitly indicate on its face that Secretarial approval is required prior to redemption of the certificate of deposit by any party;

(2) Cashier's check;

(3) Certified check;

(4) Negotiable Treasury securities of the United States of a value equal to the amount specified in the bond. Negotiable Treasury securities shall be accompanied by a proper conveyance to the Secretary of full authority to sell such securities in case of default in the performance of the provisions and conditions of a lease or permit;

(5) Letter of credit issued by a financial institution authorized to do business in the United States and whose deposits are federally insured, and identifying the Secretary as sole payee with full authority to demand immediate payment in the case of default in the performance of the provisions and conditions of a lease or permit.

(i) The letter of credit shall be irrevocable during its term.

(ii) The letter of credit shall be payable to the Bureau of Indian Affairs upon demand, in part or in full, upon receipt from the Secretary of a notice of attachment stating the basis thereof (e.g., default in compliance with the lease or permit provisions and conditions or failure to file a replacement in accordance with paragraph (d)(5)(v) of this section).

(iii) The initial expiration date of the letter of credit shall be at least one (1) year following the date it is filed in the proper Bureau of Indian Affairs office.

(iv) The letter of credit shall contain a provision for automatic renewal for periods of not less than one (1) year in the absence of notice to the proper Bureau of Indian Affairs office at least ninety (90) days prior to the originally stated or any extended expiration date.
§ 211.27 Duration of leases.

(a) All leases shall be for a term not to exceed a primary term of lease duration of ten (10) years and, absent specific lease provisions to the contrary, shall continue as long thereafter as the minerals specified in the lease are produced in paying quantities. Absent specific lease provisions to the contrary, all provisions in leases governing their duration shall be measured from the date of approval by the Secretary.

(b) An oil and gas or geothermal resource lease which stipulates that it shall continue in full force and effect beyond the expiration of the primary term of lease duration (“commencement clause”) if drilling operations have commenced during the primary term, shall be valid and shall hold the lease beyond the primary term of lease duration if the lessee or the lessee’s designee has commenced actual drilling by midnight of the last day of the primary term of the lease with a drilling rig designed to reach the total proposed depth, and drilling is continued with reasonable diligence until the well is completed to production or abandoned. However, in no case shall such drilling hold the lease longer than 120 days past the primary term of lease duration without actual production of oil, gas, or geothermal resources. Provided, that this extension does not allow a lease to continue past the 10-year statutory limitation. Drilling which meets the requirements of this section and occurs within a unit or communitization agreement to which the lease is committed shall be considered as if it occurs on the leasehold itself. If there is a conflict between the commencement clause and the habendum clause of a lease, the commencement clause will control.

(c) A solid minerals lease which stipulates that it shall continue in full force and effect beyond the expiration of the primary term of lease duration if mining operations have commenced during the primary term (commencement clause), shall be valid and hold the lease beyond the primary term of lease duration if the lessee or the lessee’s designee has by midnight of the last day of the primary term of the lease commenced actual removal of mineral materials intended for sale and upon which royalties will be paid. If there is a conflict between the commencement clause and the habendum clause of a lease, the commencement clause will control.
§ 211.28 Unitization and communitization agreements, and well spacing.

(a) For the purpose of promoting conservation and efficient utilization of minerals, the Secretary may approve a cooperative unit, drilling or other development plan on any leased area upon a determination that approval is advisable and in the best interest of the Indian mineral owner. For the purposes of this section, a cooperative unit, drilling or other development plan means an agreement for the development or operation of a specifically designated area as a single unit without regard to separate ownership of the land included in the agreement. Such cooperative agreements include, but are not limited to, unit agreements, communitization agreements and other types of agreements that allocate costs and benefits.

(b) The consent of the Indian mineral owner to such unit or cooperative agreement shall not be required unless such consent is specifically required in the lease. However, the Secretary shall consult with the Indian mineral owner prior to making a determination concerning a cooperative agreement or well spacing plan.

(c) Requests for approval of cooperative agreements which comply with the requirements of all applicable rules and regulations shall be filed with the superintendent or area director.

(d) All Indian mineral owners of any right, title or interest in the mineral resources to be included in a cooperative agreement must be notified by the lessee at the time the agreement is submitted to the superintendent or area director. An affidavit from the lessee stating that a notice was mailed to each mineral owner of record for whom the superintendent or area director has an address will satisfy this notice requirement.

(e) A request for approval of a proposed cooperative agreement, and all documents incident to such agreement, must be filed with the superintendent or area director at least ninety (90) days prior to the first expiration date of any of the Indian leases in the area proposed to be covered by the cooperative agreement.

(f) Unless otherwise provided in the cooperative agreement, approval of the agreement commits each lease to the unit in the area covered by the agreement on the date approved by the Secretary or the date of first production, whichever is earlier, as long as the agreement is approved before the lease expiration date.

(g) Any lease committed in part to any such cooperative agreement shall be segregated into a separate lease or leases as to the lands committed and lands not committed to the agreement. Segregation shall be effective on the date the agreement is effective.

(h) Wells shall be drilled in conformity with a well spacing program approved by the authorized officer.

§ 211.29 Exemption of leases and permits made by organized tribes.

The regulations in this part may be superseded by the provisions of any tribal constitution, bylaw or charter issued pursuant to the Indian Reorganization Act of June 18, 1934 (48 Stat. 984; 25 U.S.C. 461–479), the Alaska Act of May 1, 1936 (49 Stat. 1250; 48 U.S.C. 362,258a), or the Oklahoma Indian Welfare Act of June 26, 1936 (49 Stat. 1967; 25 U.S.C., and Sup., 501–509), or by ordinance, resolution, or other action authorized under such constitution, bylaw or charter; Provided, that such tribal law may not supersede the requirements of Federal statutes applicable to Indian mineral leases. The regulations in this part, in so far as they are not so superseded, shall apply to leases and permits made by organized tribes if the validity of the lease or permit depends upon the approval of the Secretary of the Interior.

Subpart C—Rents, Royalties, Cancellations and Appeals

§ 211.40 Manner of payments.

Unless otherwise specifically provided for in a lease, once production has been established, all payments shall be made to the MMS or such other party as may be designated, and shall be made at such time as provided in 30 CFR chapter II, subchapters A and C. Prior to production, all bonus and rental payments, shall be made to the superintendent or area director.
§ 211.41 Rentals and production royalty on oil and gas leases.

(a) A lessee shall pay, in advance, beginning with the effective date of the lease, an annual rental of $2.00 per acre or fraction of an acre or such other greater amount as prescribed in the lease. This rental shall not be credited against production royalty nor shall the rental be prorated or refunded because of surrender or cancellation.

(b) The Secretary shall not approve leases with a royalty rate less than 16\(\frac{2}{3}\) percent of the amount or value of production produced and sold from the lease unless a lower royalty rate is agreed to by the Indian mineral owner and is found to be in the best interest of the Indian mineral owner. Such approval may only be granted by the area director if the approving official is the superintendent and by the Assistant Secretary for Indian Affairs if the approving official is the area director.

(c) Value of lease production for royalty purposes shall be determined in accordance with applicable lease provisions and regulations in 30 CFR chapter II, subchapters A and C. If the valuation provisions in the lease are inconsistent with the regulations in 30 CFR chapter II, subchapters A and C, the lease provisions shall govern.

(d) If the leased premises produce gas in excess of the lessee's requirements for the development and operation of said premises, then the lessor may use sufficient gas, free of charge, for any desired school or other buildings belonging to the tribe, by making his own connections to a regulator installed, connected to the well and maintained by the lessee, and the lessee shall not be required to pay royalty on gas so used. The use of such gas shall be at the lessor's risk at all times.

§ 211.42 Annual rentals and expenditures for development on leases other than oil and gas, and geothermal resources.

(a) Unless otherwise authorized by the Secretary, a lease for minerals other than oil, gas and geothermal resources shall provide for a yearly development expenditure of not less than $20 per acre. All such leases shall provide for a rental payment of not less than $2.00 for each acre or fraction of an acre payable on or before the first day of each lease year.

(b) Within twenty (20) days after the lease year, an itemized statement, in duplicate, of the expenditure for development under a lease for minerals other than oil and gas shall be filed with the superintendent or area director. The lessee must certify the statement under oath.

§ 211.43 Royalty rates for minerals other than oil and gas.

(a) Except as provided in paragraph (b) of this section, the minimum rates for leases of minerals other than oil and gas shall be as follows:

(1) For substances other than coal, the royalty rate shall be 10 percent of the value of production produced and sold from the lease at the nearest shipping point.

(2) For coal to be strip or open pit mined the royalty rate shall be 12\(\frac{1}{2}\) percent of the value of production produced and sold from the lease, and for coal removed from an underground mine, the royalty rate shall be 8 percent of the value of production produced and sold from the lease.

(3) For geothermal resources, the royalty rate shall be 10 percent of the amount or value of steam, or any other form of heat or energy derived from production of geothermal resources under the lease and sold or utilized by the lessee. In addition, the royalty rate shall be 5 percent of the value of any byproduct derived from production of geothermal resources under the lease and sold or utilized or reasonably susceptible of sale or utilization by the lessee, except that the royalty for any mineral byproduct shall be governed by the appropriate paragraph of this section.

(b) A lower royalty rate shall be allowed if it is determined to be in the best interest of the Indian mineral owner. Approval of a lower rate may only be granted by the area director if the approving official is the superintendent or by the Assistant Secretary for Indian Affairs, if the approving official is the area director.
§ 211.44 Suspension of operations.

(a) After the expiration of the primary term of the lease the Secretary may approve suspension of operations for remedial purposes which are necessary for continued production, to protect the resource, the environment, or for other good reasons. Provided, that such remedial operations are conducted in accordance with 43 CFR part 3160, subpart 3165 and under such stipulations and conditions as may be prescribed by the Secretary and are conducted with reasonable diligence. Any suspension shall not relieve the lessee from liability for the payment of rental and other payments as required by lease provisions.

(b) An application for permission to suspend operations or production for economic or marketing reasons on a lease capable of production after the expiration of the primary term of lease duration must be accompanied by the written consent of the Indian mineral owner, an economic analysis, and an executed amendment by the parties to the lease setting forth the provisions pertaining to the suspension of operations and production. Such application shall be treated as a negotiated change to lease provisions, and as such, shall be subject to review and approval by the Secretary.

§ 211.45 [Reserved]

§ 211.46 Inspection of premises, books and accounts.

Lessees shall allow the Indian mineral owner, the Indian mineral owner’s representatives, or any authorized representative of the Secretary to enter all parts of the leased premises for the purpose of inspection and audit. Lessees shall keep a full and correct account of all operations and submit all related reports required by the lease and applicable regulations. Books and records shall be available for inspection during regular business hours.

§ 211.47 Diligence, drainage and prevention of waste.

The lessee shall:

(a) Exercise diligence in mining, drilling and operating wells on the leased lands while minerals production can be secured in paying quantities;

(b) Protect the lease from drainage (if oil and gas or geothermal resources are being drained from the lease premises by a well or wells located on lands not included in the lease, the Secretary reserves the right to impose reasonable and equitable terms and conditions to protect the interest of the Indian mineral owner of the lands, such as payment of compensatory royalty for the drainage);

(c) Carry on operations in a good and workmanlike manner in accordance with approved methods and practices;

(d) Have due regard for the prevention of waste of oil or gas or other minerals, the entrance of water through wells drilled by the lessee to other strata, to the destruction or injury of the oil or gas, other mineral deposits, or fresh water aquifers, the preservation and conservation of the property for future productive operations, and the health and safety of workmen and employees;

(e) Securely plug all wells and effectively shut off all water from the oil or gas-bearing strata before abandoning them;

(f) Not construct any well pad location within 200 feet of any structures or improvements without the Indian surface owner’s written consent;

(g) Carry out, at the lessee’s expense, all reasonable orders and requirements of the authorized officer relative to prevention of waste;

(h) Bury all pipelines crossing tillable lands below plow depth unless other arrangements are made with the Indian surface owner; and

(i) Pay the Indian surface owner all damages, including damages to crops, buildings, and other improvements of the Indian surface owner occasioned by the lessee’s operations as determined by the superintendent.

§ 211.48 Permission to start operations.

(a) No exploration, drilling, or mining operations are permitted on any Indian lands before the Secretary has granted written approval of a mineral lease or permit pursuant to the regulations in this part.

(b) After a lease or permit is approved, written permission must be secured from the Secretary before any
operations are started on the leased premises, in accordance with applicable rules and regulations in 25 CFR part 216; 30 CFR chapter II, subchapters A and C; 30 CFR part 750 (Requirements for Surface Coal Mining and Reclamation Operations on Indian Lands), 43 CFR parts 3160, 3260, 3480, 3590, and Orders or Notices to Lessees (NTLs) issued thereunder.

§ 211.49 Restrictions on operations.

Leases issued under the provisions of the regulations in this part shall be subject to such restrictions as to time or times for well operations and production from any leased premises as the Secretary judges may be necessary or proper for the protection of the natural resources of the leased land and in the interest of the lessor.

§ 211.50 [Reserved]

§ 211.51 Surrender of leases.

A lessee may, with the approval of the Secretary, surrender a lease or any part of it, on the following conditions:

(a) All royalties and rentals due on the date the request for surrender is received must be paid;

(b) The superintendent, after consultation with the authorized officer, must be satisfied that proper provisions have been made for the conservation and protection of the property, and that all operations on the portion of the lease surrendered have been properly reclaimed, abandoned, or conditioned, as required;

(c) If a lease has been recorded, the lessee must submit a release along with the recording information of the original lease so that, after acceptance of the release, it may be recorded;

(d) If a lessee requests to surrender an entire lease or an entire undivided portion of a lease document, the lessee must deliver to the superintendent or area director the original lease documents; Provided, that where the request is made to an assignee to whom no copy of the lease was delivered, the assignee must deliver to the superintendent or area director only its copy of the assignment;

(e) If the lease (or a portion thereof being surrendered) is owned in undivided interests, all lessees owning undivided interests in the lease must join in the request for surrender;

(f) No part of any advance rental shall be refunded to the lessee, nor shall any subsequent surrender or termination of a lease relieve the lessee of the obligation to pay advance rental if advance rental became due prior to the date the request for surrender was received by the superintendent or area director;

(g) If oil, gas, or geothermal resources are being drained from the leased premises by a well or wells located on lands not included in the lease, the Secretary reserves the right, prior to acceptance of the surrender, to impose reasonable and equitable terms and conditions to protect the interests of the Indian mineral owners of the lands surrendered. Such terms and conditions may include payment of compensatory royalty for any drainage; and

(h) Upon expiration or surrender of a solid mineral lease the lessee shall deliver the leased premises in a condition conforming to the approved reclamation plan. Unless otherwise provided in the lease, the machinery necessary to operate the mine is the property of the lessee. However, the machinery may not be removed from the leased premises without the written permission of the Secretary.

§ 211.52 Fees.

Unless otherwise authorized by the Secretary, each permit, lease, sublease, or other contract, or assignment, thereof shall be accompanied by a filing fee of $75.00 at the time of filing.

§ 211.53 Assignments, overriding royalties, and operating agreements.

(a) Approved leases or any interest therein may be assigned or transferred only with the approval of the Secretary. The Indian mineral owner must also consent if approval of the Indian mineral owner is required in the lease. If consent is not required, then the Secretary shall notify the Indian mineral owner of the proposed assignment. To obtain the approval of the Secretary the assignee must be qualified to hold the lease under existing rules and regulations and shall furnish a satisfactory bond conditioned for the
§211.54 Lease or permit cancellation; Bureau of Indian Affairs notice of noncompliance.

(a) If the Secretary determines that a permittee or lessee has failed to comply with the terms of the permit or lease; the regulations in this part; or other applicable laws or regulations; the Secretary may:

(1) Serve a notice of noncompliance specifying in what respect the permittee or lessee has failed to comply with the requirements referenced in this paragraph, and specifying what actions, if any, must be taken to correct the noncompliance; or

(2) Serve a notice of proposed cancellation of the lease or permit. The notice of proposed cancellation shall set forth the reasons why lease or permit cancellation is proposed and shall specify what actions, if any, must be taken to avoid cancellation.

(b) The notice of noncompliance or proposed cancellation shall specify in what respect the permittee or lessee has failed to comply with the requirements referenced in paragraph (a), and shall specify what actions, if any, must be taken to correct the noncompliance.

(c) The notice shall be served upon the permittee or lessee by delivery in person or by certified mail to the permittee or lessee at the permittee’s or lessee’s last known address. When certified mail is used, the date of service shall be deemed to be when the notice is received or five (5) working days after mailing.
§ 211.55 Penalties.

(a) In addition to or in lieu of cancellation under §211.54, violations of the terms and conditions of any lease, or the regulations in this part, or failure to comply with a notice of non-compliance or a cessation order issued by the Secretary, or, in the case of solid minerals the authorized officer, may subject a lessee or permittee to a penalty of not more than $1,000 per day for each day that such a violation or noncompliance continues beyond the time limits prescribed for corrective action.

(b) A notice of a proposed penalty shall be served on the lessee or permittee either personally or by certified mail to the lessee or permittee at the lessee’s or permittee’s last known address. The date of service by certified mail shall be deemed to be the date when received or five (5) working days after the date mailed, whichever is earlier.

(c) The notice shall specify the nature of the violation and the proposed penalty, and shall specifically advise the lessee or permittee of the lessee’s or permittee’s right to either request a hearing within thirty (30) days from receipt of the notice or pay the proposed penalty. Hearings shall be held before the superintendent and/or area director whose findings shall be conclusive, unless an appeal is taken pursuant to 25 CFR part 2.

(d) If the lessee or permittee served with a notice of proposed penalty requests a hearing, penalties shall accrue each day the violations or noncompliance set forth in the notice continue beyond the time limits prescribed for corrective action. The Secretary may issue a written suspension of the requirement to correct the violations pending completion of the hearings provided by this section only upon a determination, at the discretion of the Secretary, that such a suspension will not be detrimental to the lessor and upon submission and acceptance of a bond deemed adequate to indemnify the lessor from loss or damage. The amount of the bond must be sufficient to cover the cost of correcting the violations set forth in the notice or any disputed amounts plus accrued penalties and interest.

(e) Payment in full of penalties more than ten (10) days after a final decision imposing a penalty shall subject the
lessee or permittee to late payment charges. Late payment charges shall be calculated on the basis of a percentage assessment rate of the amount unpaid per month for each month or fraction thereof until payment is received by the Secretary. In the absence of a specific lease provision prescribing a different rate, the interest rate on late payments and underpayments shall be a rate applicable under §6621(a)(2) of the Internal Revenue Code of 1954. Interest shall be charged only on the amount of payment not received and only for the number of days the payment is late.

(f) None of the provisions of this section shall be interpreted as:

(1) Replacing or superseding the independent authority of the authorized officer, the director’s representative or the MMS official to impose penalties for violations of applicable regulations pursuant to 43 CFR part 3160, and 43 CFR Groups 3400 and 3500, 30 CFR part 750, or 30 CFR chapter II, subchapters A and C;

(2) Replacing or superseding any penalty provision in the terms and conditions of a lease or permit approved by the Secretary pursuant to this part; or

(3) Authorizing the imposition of a penalty for violations of lease or permit terms for which the authorized officer, director’s representative or MMS official, have either statutory or regulatory authority to assess a penalty.

§ 211.56 Geological and geophysical permits.

Permits to conduct geological and geophysical operations on Indian lands which do not conflict with any mineral leases entered into pursuant to this part, may be approved by the Secretary with the consent of the Indian mineral owner under the following conditions:

(a) The permit must describe the area to be explored, the duration, and the consideration to be paid the Indian owner;

(b) The permit will not grant the permittee any option or preference rights to a lease or other development contract, or authorize the production of, or removal of oil and gas, geothermal resources, or other minerals, except samples for assay and experimental purposes, unless specifically so stated in the permit; and

(c) Copies of all data collected pursuant to operations conducted under the permit shall be forwarded to the Secretary and the Indian mineral owner, unless otherwise provided in the permit. Data collected under a permit may be held by the Secretary as privileged and proprietary information for the time prescribed in the permit. Where no time period is prescribed in the permit, the Secretary may release such information after six (6) years, with the consent of the Indian mineral owner.

§ 211.57 Forms.

Leases, bonds, permits, assignments, and other instruments relating to mineral leasing shall be on forms, prescribed by the Secretary, that may be obtained from the superintendent or area director. The provisions of a standard lease or permit may be changed, deleted, or added to by written agreement of all parties with the approval of the Secretary.

(b) The regulations in this part shall be subject to amendment at any time by the Secretary of the Interior. No regulation that becomes effective after the date of approval of any lease or permit shall operate to affect the duration of the lease or permit, rate of royalty, rental, or acreage unless agreed to by all parties to the lease or permit.

(c) Nothing in the regulations in this part is intended to prevent Indian tribes from exercising their lawful governmental authority to regulate the conduct of persons, businesses, operations or mining within their territorial jurisdiction.

(d) The regulations of the Bureau of Land Management, the Office of Surface Mining Reclamation and Enforcement, and the Minerals Management Service that are referenced in §§ 212.4, 212.5, and 212.6 of this part are supplemental to these regulations, and apply to parties holding leases or permits for development of Indian mineral resources unless specifically stated otherwise in this part or in such other Federal regulations.

Subpart B—How to Acquire Leases

§ 212.20 Leasing procedures.

(a) Application for leases shall be made to the superintendent having jurisdiction over the lands.

(b) Indian mineral owners may request the Secretary to prepare, advertise and negotiate mineral leases on their behalf. Leases for minerals shall be advertised for bids as prescribed in this section unless one or more of the Indian mineral owners of a tract sought for lease request the Secretary to negotiate for a lease on their behalf without advertising. Unless the Secretary decides that negotiation of a mineral lease is in the best interests of the Indian mineral owners, he shall use the following procedure for leasing:

(1) Leases shall be advertised to receive optimum competition for bonus consideration, under sealed bid, oral auction, or a combination of both. Notice of such advertisement shall be published in at least one local newspaper and in one trade publication at least thirty (30) days in advance of sale. If applicable, such notice must identify the reservation within which the tracts to be leased are found. No specific description of the tracts to be leased need be published. Specific description of such tracts shall be available at the office of the superintendent and/or area director upon request. The complete text of the advertisement, including a specific description, shall be mailed to each person listed on the appropriate agency or area mailing list. Individuals and companies interested in receiving advertisements on lease sales should send their mailing information to the appropriate agency or area office for future reference.

(2) The advertisement shall offer the tracts to a responsible bidder offering the highest bonus. The Secretary shall establish the rental and royalty rates which shall be stated in the advertisement and will not be subject to negotiation. The advertisement shall provide that the Secretary reserves the right to reject any or all bids, and that acceptance of the lease bid by or on behalf of the Indian mineral owner is required. The requirements under §212.21 are applicable to the acceptance of a lease bid.

(3) Each sealed bid must be accompanied by a cashier’s check, certified check or postal money order, or any combination thereof, payable to the payee designated in the advertisement, in an amount not less than 25 percent of the bonus bid, which shall be returned if that bid is not accepted.

(4) A successful oral auction bidder will be allowed five (5) working days to remit the required 25 percent deposit of the bonus bid.

(5) A successful bidder shall, within thirty (30) days after notification of the bid award, remit to the Secretary the balance of the bonus, the first year’s rental, a $75 filing fee, its pro-rated share of the advertising costs as determined by the Bureau of Indian Affairs, and file with the Secretary all required bonds. The successful bidder shall also file the lease in completed form, signed by the Indian mineral owner(s), at that time. However, for good reasons, the Secretary may grant extensions of time in thirty (30) day increments for filing of the lease and all required bonds, provided that additional extension requests are submitted and approved prior to the expiration of the original thirty (30) days or the previously granted extension. Failure on the part of the bidder to take all reasonable actions necessary to comply with the foregoing shall result in forfeiture of the required payment of 25 percent of any bonus bid for the use and benefit of the Indian mineral owner.

(6) If no satisfactory bid is received, or if the accepted bidder fails to complete all requirements necessary for
approval of the lease, or if the Secretary determines that it is not in the best interest of the Indian mineral owner to accept any of the bids the Secretary may re-advertise the tract for sale, or subject to the consent of the Indian mineral owner, a lease may be let through private negotiations.

(c) The Secretary shall advise the Indian mineral owner of the results of the bidding, and shall not approve the lease until the consent of the Indian mineral owner has been obtained. The requirements under §212.21 are applicable to the approval of a mineral lease.

§ 212.21 Execution of leases.
(a) The Secretary shall not execute a mineral lease on behalf of an Indian mineral owner, except when such owner is deceased and the heirs to or devisee of the estate have not been determined, or if determined, some or all of them cannot be located. Leases involving such interests may be executed by the Secretary, provided that the mineral interest shall have been offered for sale under the provisions of section 212.20(b) (1) through (6).

(b) The Secretary may execute leases on behalf of minors and persons who are incompetent by reason of mental incapacity; Provided, that there is no parent, guardian, conservator, or other person who has lawful authority to execute a lease on behalf of the minor or person with mental incapacity.

(c) If an owner is a life tenant, the procedures set forth in 25 CFR part 179 (Life Estates and Future Interests), shall apply.

§ 212.22 Leases for subsurface storage of oil or gas.
The provisions of §211.22 of this subchapter are applicable to leases under this part.

§ 212.23 Corporate qualifications and requests for information.
The provisions of §211.23 of this subchapter are applicable to leases under this part.

§ 212.24 Bonds.
The provisions of §211.24 of this subchapter are applicable to leases under this part.

§ 212.25 Acreage limitation.
The provisions of §211.25 of this subchapter are applicable to leases under this part.

§ 212.26 [Reserved]

§ 212.27 Duration of leases.
The provisions of §211.27 of this subchapter are applicable to leases under this part.

§ 212.28 Unitization and communitization agreements, and well spacing.
(a) For the purpose of promoting conservation and efficient utilization of minerals, the Secretary may approve a cooperative unit, drilling or other development plan on any leased area upon a determination that approval is advisable and in the best interest of the Indian mineral owner. For the purposes of this section, a cooperative unit, drilling or other development plan means an agreement for the development or operation of a specifically designated area as a single unit without regard to separate ownership of the land included in the agreement. Such cooperative agreements include, but are not limited to, unit agreements, communitization agreements and other types of agreements that allocate costs and benefits.

(b) The consent of the Indian mineral owner to such unit or cooperative agreement shall not be required unless such consent is specifically required in the lease.

(c) Requests for approval of cooperative agreements which comply with the requirements of all applicable rules and regulations shall be filed with the superintendent or area director.

(d) All Indian mineral owners of any right, title or interest in the mineral resources to be included in a cooperative agreement must be notified by the lessee at the time the agreement is submitted to the superintendent or area director. An affidavit from the lessee stating that a notice was mailed to each mineral owner of record for whom the superintendent or area director has an address will satisfy this notice requirement.

(e) A request for approval of a proposed cooperative agreement, and all
§ 212.29 Documents incident to such agreement, must be filed with the superintendent or area director at least ninety (90) days prior to the first expiration date of any of the Indian leases in the area proposed to be covered by the cooperative agreement.

(f) Unless otherwise provided in the cooperative agreement, approval of the agreement commits each lease to the unit in the area covered by the agreement on the date approved by the Secretary or the date of first production, whichever is earlier, as long as the agreement is approved before the lease expiration date.

(g) Any lease committed in part to any such cooperative agreement shall be segregated into a separate lease or leases as to the lands committed and lands not committed to the agreement. Segregation shall be effective on the date the agreement is effective.

(h) Wells shall be drilled in conformity with a well spacing program approved by the authorized officer.

§ 212.29 [Reserved]

§ 212.30 Removal of restrictions.

(a) Notwithstanding the provisions of any mineral lease to the contrary, the removal of all restrictions against alienation shall operate to divest the Secretary of all supervisory authority and responsibility with respect to the lease. Thereafter, all payments required to be made under the lease shall be made directly to the owner(s).

(b) In the event restrictions are removed from a part of the land included in any lease approved by the Secretary, the entire lease shall continue to be subject to the supervision of the Secretary until such times as the holder of the lease and the unrestricted Indian owner submits to the Secretary satisfactory evidence that adequate arrangements have been made to account for the mineral resources of the restricted land separately from those of the unrestricted. Thereafter, the unrestricted portion shall be relieved from the supervision of the Secretary, the lease, the regulations of this part, and all other applicable laws and regulations.

§§ 212.31–212.32 [Reserved]

§ 212.33 Terms applying after relinquishment.

All leases for individual Indian lands approved by the Secretary under this part shall contain provisions for the relinquishment of supervision and provide for operations of the lease after such relinquishment. These leases shall contain provisions that address the following issues:

(a) Provisions of relinquishment. If the Secretary relinquishes supervision at any time during the life of the lease instrument as to all or part of the acreage subject to the lease, the Secretary shall give the Indian mineral owner and the lessee thirty (30) days written notice prior to the termination of supervision. After notice of relinquishment has been given to the lessee, the lease shall be subject to the following conditions:

(1) All rentals and royalties thereafter accruing shall be paid directly to the lessor or the lessor’s successors in title, or to a trustee appointed under the provisions of paragraph (b) of this section.

(2) If, at the time supervision is relinquished by the Secretary, the lessee has made all payments then due and has fully performed all obligations on the lessee’s part to be performed up to the time of such relinquishment, the bond given to secure the performance of the lease, on file in the appropriate agency or area office, shall be of no further force or effect.

(3) Should relinquishment affect only part of the lease, then the lessee may continue to conduct operations on the land covered by the lease as an entirety: Provided, that the lessee shall pay, in the manner prescribed by the lease and regulations for the benefit of lessor, the same proportion of all rentals and royalties due under the provisions of this part as the acreage retained under the supervision of the Secretary bears to the entire acreage of the lessee, and shall pay the remainder of the rentals and royalties directly to the remaining lessors or successors in title or said trustee as the case may be, as provided in paragraph (a) (1) of this section.
(b) Division of fee. If, after the execution of the lease and after the Secretary relinquishes supervision thereof, the fee of the leased land is divided into separate parcels held by different owners, or if the rental or royalty interest is divided in ownership, the obligations of the lessee shall not be modified in any manner except as specifically provided by the provisions of the lease. Notwithstanding such separate ownership, the lessee may continue to conduct operations on said premises as an entirety. Each separate owner shall receive such proportion of all rental and royalties accruing after the vesting of its title as the acreage of the fee, or rental or royalty interest, bears to the entire acreage covered by the lease; or to the entire rental or royalty interest as the case may be. If at any time after departmental supervision of the lease is relinquished, in whole or in part, to rentals and royalties, whether said parties are so entitled by virtue of undivided interest or by virtue of ownership of separate parcels of the land covered, the lessee may elect to withhold the payment of further rentals or royalties (except as the portion due the Indian lessor while under restriction), until all of said parties shall agree upon and designate a trustee in writing and in a recordable instrument to receive all payments due thereunder on behalf of said parties and their respective successors in title. Payments to said trustee shall constitute lawful payments, and the sole risk of an improper or unlawful distribution of said funds by said trustee shall rest upon the parties naming said trustee and their said respective successors in title.

(a) Permits to conduct geological and geophysical operations on Indian lands which do not conflict with any mineral lease entered into pursuant to this part may be approved by the Secretary with the consent of the Indian owner under the following conditions:

1. The permit must describe the area to be explored, the duration and the consideration to be paid the Indian owner;

2. The permit may not grant the permittee any option or preference rights to a lease or other development contract, authorize the production of, or removal of oil and gas, or geothermal resources, or other minerals except samples for assay and experimental purposes, unless specifically so stated in the permit; and

3. Copies of all data collected pursuant to operations conducted under the permit shall be forwarded to the Secretary and made available to the Indian mineral owner, unless otherwise provided in the permit. Data collected under a permit shall be held by the Secretary as privileged and proprietary information for the time prescribed in the permit. Where no time period is prescribed in the permit, the Secretary may, in the discretion of the Secretary, release such information after six (6) years.

(b) A permit may be granted by the Secretary without 100 percent consent of the individual mineral owners if:

1. The minerals are owned by more than one person, and the owners of a majority of the interest therein consent to the permit;

2. The whereabouts of one or more owners of the minerals or an interest therein is unknown, and all the remaining owners of the interests consent to the permit;

3. The heirs or devisee of a deceased owner of the land or an interest therein have not been determined, and the Secretary finds that the permit activity will cause no substantial injury to the land or any owner thereof; or

4. The owners of interests in the land are so numerous that the Secretary finds it would be impractical to obtain their consent, and also finds that the permit activity will cause no
substantial injury to the land or any owner thereof. 
(c) A lessee does not need a permit to conduct geological and geophysical operations on Indian lands, if provided for in the lessee’s mineral lease, where the Indian mineral owner is also the surface land owner. In instances where the Indian mineral owner is not the surface owner, the lessee must obtain any additional necessary permits or rights of ingress or egress from the surface occupant.

§ 213.1 Definitions.

Area Director. The term “Area Director” in this part refers to the officer in charge of the Five Civilized Tribes Indian Agency.
§ 213.2 Supervisor. The term ‘‘supervisor’’ in this part refers to a representative of the Secretary of the Interior under direction of the Director of the U.S. Geological Survey, authorized and empowered to supervise and direct operations under oil and gas or other mining leases, to furnish scientific and technical information and advice, to ascertain and record the amount and value of production, and to determine and record rentals and royalties due and paid.

How To Acquire Leases

§ 213.2 Applications for leases.

Applications for leases should be made to the Area Director.

§ 213.3 No Government employee shall acquire leases.

No lease, assignment thereof, or interest therein will be approved to any employee or employees of the U.S. Government, whether connected with the Bureau of Indian Affairs or otherwise, and no employee of the Department of the Interior shall be permitted to acquire any interest in such leases covering restricted Indian lands by ownership of stock in corporations having leases or in any other manner.

(R.S. 2078; 25 U.S.C. 68)

§ 213.4 Sale of oil and gas leases.

(a) At such times and in such manner as he may deem appropriate, the Area Director shall publish notices at least thirty days prior to the sale, unless a shorter period is authorized by the Commissioner of Indian Affairs, that oil and gas leases on specific tracts, each of which shall be in a reasonably compact body, will be offered to the highest responsible bidder for a bonus consideration, in addition to stipulated rentals and royalties. Each bid must be accompanied by a cashier’s check, certified check, or postal money order, payable to the payee designated in the invitation to bid, in an amount not less than 25 percent of the bonus bid. Within 30 days after notification of being the successful bidder, said bidder must remit the balance of the bonus, the first year’s rental, and his share of the advertising costs, and shall file with the Area Director the lease in completed form. The Area Director may, for good and sufficient reasons, extend the time for the completion and submission of the lease form, but no extension shall be granted for remitting the balance of monies due. If the successful bidder fails to pay the full consideration within said period, or fails to file the completed lease within said period or extension thereof, or if the lease is disapproved through no fault of the lessee or the Department of the Interior, 25 percent of the bonus bid will be forfeited for the use and benefit of the Indian lessee.

(b) In cases where any part of the bonus bid for a lease is paid directly to the Indian lessee, upon his signing the lease, the lessee must procure and file with the lease an affidavit of the lessee, sworn to before a U.S. Commissioner, Postmaster, Area Director, local representative of the Area Director, county or district judge, Federal judge or clerk of a Federal court, showing the amount of bonus so paid, and the balance thereof must be paid into the office of the Area Director upon filing the lease. Where possible lessees are requested to take the lessee to the nearest United States field clerk who will render all proper assistance in the execution of leases, and before whom the bonus affidavit may be executed in cases where any part of bonus consideration is paid directly to the lessee. Where leases are executed by guardians, under order of court, the affidavit of lessee may be executed before a notary public.

(c) All notices or advertisements of sales of oil and gas leases shall reserve to the Secretary of the Interior the right to reject all bids when in his judgment the interests of the Indians will be best served by so doing, and that if no satisfactory bid is received, or if the accepted bidder fails to complete the lease or if the Secretary of the Interior shall determine that it is unwise in the interests of the Indians to accept the highest bid, the Secretary may readvertise such lease for sale, or if deemed advisable, with the consent of the Indian owners, a lease may be made by private negotiations. The successful bidder or bidders will be required to pay his or their share of the advertising costs. Amounts received
§ 213.13 Inherited lands.

Except to prevent loss or waste, leases on undivided inherited lands will not be approved until the heirship determination has been approved. If the heirs to undivided inherited lands are undetermined or cannot be located, or if the heirs owning less than one-half interest in the lands refuse to sign a lease and it appears necessary to lease the lands to prevent loss or waste, the Area Director will report the facts to the Commissioner of Indian Affairs and ask for instructions. Minor heirs can lease or joint adult heirs in leasing only through guardians under order of court. Proof of heirship shall be given upon Form F prescribed. If probate or other court proceedings have established the heirship in any case, or the land has been partitioned, certified copy of final order, judgment, or decree.
§ 213.14 Corporations and corporate information.

If the applicant for a lease is a corporation, it shall file evidence of authority of its officers to execute papers; and with its first application it shall also file a certified copy of its articles of incorporation, and, if foreign to the State in which the lands are located, evidence showing compliance with the corporation laws thereof.

Statements of changes in officers and stockholders shall be furnished by a corporation lessee to the Area Director January 1 of each year, and at such other times as may be requested.

Whenever deemed advisable in any case the Area Director may require a corporation applicant or lessee to file:

(a) List of officers, principal stockholders, and directors, with post office addresses and numbers of shares held by each.

(b) A sworn statement of the proper officer showing:

(1) The total number of shares of the capital stock actually issued and the amount of cash paid into the treasury on each share sold; or, if paid in property, the kind of quantity and value of the same paid per share.

(2) Of the stock sold, how much remains unpaid and subject to assessment.

(3) The amount of cash the company has in its treasury and elsewhere.

(4) The property, exclusive of cash, owned by the company and its value.

(5) The total indebtedness of the company and the nature of its obligations.

Whether the applicant or any person controlling, controlled by or under common control with the applicant has filed any registration statement, application for registration, prospectus or offering sheet with the Securities and Exchange Commission pursuant to the Securities Act of 1933 or the Securities Exchange Act of 1934 or said Commission’s rules and regulations under said acts; if so, under what provision of said acts or rules and regulations; and what disposition of any such statement, application, prospectus or offering sheet has been made.

(c) Affidavits of individual stockholders, setting forth in what corporations, or with what persons, firms, or associations such individual stockholders are interested in mining leases on restricted lands within the State, and whether they hold such interest for themselves or in trust.

Cross Reference: For regulations of the Securities and Exchange Commission, see 17 CFR chapter II.

§ 213.15 Bonds.

(a) Lessee shall furnish with each mining lease a bond (Form 5–154b), and an assignee of a lease shall furnish with each assignment a bond (Form 5–154m), with an acceptable company authorized to act as sole surety, or with two or more personal sureties and a deposit as collateral security of any public-debt obligations of the United States guaranteed as to principal and interest by the United States, equal to the full amount of such bonds, or other collateral satisfactory to the Secretary of the Interior, or show ownership of unencumbered real estate of the value equal to twice the amount of the bonds. Lessee may file a bond on Form 5–154a without sureties and a deposit as collateral security of Government bonds equal in value to the full amount of the bond. Lease bonds, except as provided in paragraph (c) of this section, shall not be less than the following amounts:

For less than 80 acres ......................... $1,000
For 80 acres and less than 120 acres .................................................. 1,500
For 120 acres and not more than 160 acres .............................................. 2,000
For each additional 40 acres, or part thereof, above 160 acres ............. 500

Provided, That for leases for minerals other than oil and gas the Secretary of the Interior or his authorized representative with the consent of the Indian landowner may authorize a bond for a lesser amount if, in his opinion, the circumstances warrant and the interests of the Indian landowners are fully protected; Provided further, That a lessee may file a bond (Form 5–154f), in the sum of $15,000 for all leases of minerals up to 10,240 acres under the jurisdiction of the officer in charge of the Five Civilized Tribe Agency.
(b) In lieu of the bonds required under paragraph (a) of this section, a lessee may furnish a bond (Form 5–156) in the sum of $75,000 for full nationwide coverage with an acceptable company authorized to act as sole surety to cover all oil and gas leases and oil and gas prospecting permits without geographic or acreage limitation to which the lessee or permittee is or may become a party.

(c) The right is specifically reserved to increase the amount of bonds and the collateral security prescribed in paragraph (a) of this section in any particular case when the officer in charge deems it proper to do so. The nationwide bond may be increased at any time in the discretion of the Secretary of the Interior.

§ 213.16 Additional information may be requested by Area Director.

The Area Director, or other Government officer having the matter in charge or under investigation, may, at any time, either before or after approval of a lease, call for any additional information desired to carry out the purpose of the regulations in this part, and such information shall be furnished within the time specified in the request therefor. If the lessee fails to furnish the information requested, the lease will be subject to disapproval or cancellation, whichever is appropriate.

§ 213.17 Government reserves right to purchase minerals produced.

In time of war or other public emergency any of the executive departments of the U.S. Government shall have the option to purchase at the prevailing market price on the date of sale all or any part of the minerals produced under any lease.

RENTS AND ROYALTIES

§ 213.18 Manner of payment of rents and royalties.

(a) Except as provided in paragraph (b) of this section, all rents, royalties and other payments due under leases which have been or may be approved in accordance with this part shall be paid by check or bank draft to the order of the Treasurer of the United States and mailed to the Area Director for deposit to the credit of the various lessors. When lessees and purchasers are instructed, in writing, by the Area Director, which instructions shall be complete as to lessors for each lease, separate remittances for each payment due each lessor shall be mailed to the Area Director. Any payments under this paragraph, covering lands or interests therein from which restrictions have been removed by death or otherwise, may continue to be made in the manner provided by this paragraph until ten days after notice of relinquishment of supervision has been mailed to the lessee.

(b) The Area Director may, in his discretion, whenever it appears to be in the best interest of any lessor, authorize and direct the lessee to pay directly to the lessor, or to the legal guardian of any lessor under guardianship, the rents, royalties and other payments (other than bonuses and advance payments for the first year) due under leases which have been or may be approved in accordance with the regulations in this part. Any such authority for direct payment shall be in writing, addressed to the owner or owners of the lease, and shall expressly provide for its revocation or modification at any time, in writing, by the Area Director. Written authorization for direct payment and written revocations or modifications thereof shall become a part of the lease and shall be distributed as in the case of original leases. All such revocations or modifications shall have a 5-day grace period after date of receipt. Rents, royalties, and other payments paid in accordance therewith shall constitute full compliance with the requirements of the lease pertaining to such payments.

(c) Rents and royalties paid pursuant to paragraphs (a) and (b) of this section on producing leases shall be supported by statements, acceptable to the Secretary or his duly authorized representative, to be transmitted to the Supervisor, in duplicate, covering each lease, identified by contract number and lease number. Such statements shall show the specific items of rents or royalties for which remittances are...
made, and shall identify each remittance by the remittance number, date, amount, and name of each payee.

(d) Rents paid on nonproducing leases pursuant to paragraphs (a) and (b) of this section shall be supported by a statement, acceptable to the Area Director, to be transmitted to the Area Director covering each lease, identified by contract number and lease number. Each remittance shall be identified by the remittance number, date, amount, name of each payee, and dates of mailing of remittances. Date of mailing, or, if remittance is sent by registered mail, the date of registration receipts covering remittances mailed, shall be considered as date of payment.

(e) For leases other than oil and gas, all advance rentals and royalties for the first year shall be paid to the Area Director at the time of filing the lease, and the advance royalty and 20 percent of the first year’s rental so paid shall be and become the property of the lessor, if the lease be disapproved because of the lessee’s failure to meet the requirements of the law or of the regulations in this part or because of any other fault or defect chargeable to the lessee.

§ 213.19 Crediting advance annual payments.

In the event of discovery of minerals, all advance rents and advance royalties shall be allowed as credit on stipulated royalties for the year for which such advance payments have been made. No refund of such advance payments made under any lease will be allowed in the event the royalty on production is not sufficient to equal such advance payment; nor will any part of the moneys so paid be refunded to the lessee because of any subsequent surrender or cancellation of the lease.

§ 213.20 [Reserved]

§ 213.21 Rate of rents on leases other than oil and gas.

On all mineral leases of allotted lands other than oil and gas leases, rental shall be paid annually in advance from the date of approval of the lease, as follows: Fifty cents per acre for the first year, 75 cents per acre for the second year, and $1 per acre for the third and each succeeding year of the term of the lease.

§ 213.22 Expenditures under lease other than oil and gas.

(a) On all leases for deposits of minerals other than oil and gas, there shall be expended for each calendar year the lease is in force, and for each fraction of a calendar year greater than 6 months, in actual mining operations, development, or improvements upon the lands leased, or for the benefit thereof, a sum which, with the annual rental, shall amount to not less than $5 per acre.

(b) The expenditures for development required by this section upon application may be waived in writing by the Area Director or other officer in charge of the Five Civilized Tribes Agency either before or after the approval of a lease, such waiver to be subject to termination at any time upon 10 days’ written notice to the holder of the lease by the said Area Director or other officer in charge.

(c) Each lessee, except oil and gas lessees, shall file with the Area Director an itemized statement in duplicate, within 20 days after the close of each calendar year, of the amount and character of said expenditures during such years the statement to be certified under oath by the lessee or his agent having personal knowledge of the facts contained therein.

§ 213.23 Royalty rates for minerals other than oil and gas.

Unless otherwise authorized by the Commissioner of Indian Affairs, the minimum rates for minerals other than oil and gas shall be as follows:

(a) For substances other than gold, silver, copper, lead, zinc, tungsten, coal, asphaltum and allied substances, oil, and gas, the lessee shall pay quarterly or as otherwise provided in the lease, a royalty of not less than 10 percent of the value, at the nearest shipping point, of all ores, metals, or minerals marketed.

(b) For gold and silver the lessee shall pay quarterly or as otherwise provided in the lease, a royalty of not less than 10 percent to be computed on the value of bullion as shown by mint returns after deducting forwarding.
§ 213.26 Rate of royalty on casing-head gas.

(a) On casing-head gas used or sold for the manufacture of casing-head gasoline the minimum rate of royalty shall be 12 1/2 percent of the value of the casing-head gas, which value shall be determined and computed on the basis and in the manner provided in the applicable operating regulations of the Department.
§ 213.27 Rate of rental for nonutilized gas wells.

If the gas from a gas producing well is not marketed or utilized, other than for operation of the lease, then for each such well the lessee shall pay such rental as may be determined by the supervisor and approved by the Secretary of the Interior, calculated from the date of the completion of the well. Payment of annual gas rentals shall be made within 30 days from the date such payment becomes due.

§ 213.28 Royalty payments and production reports.

(a) Royalty payments on all oil and gas or other producing leases shall be made at the rates, and at such time, and in the manner prescribed by the terms of the lease.

(b) Quarterly reports shall be made by each lessee on nonproducing leases other than oil and gas within 25 days after December 31, March 31, June 30, and September 30, of each year, upon forms provided, showing manner of operations and total production during such quarter. A lessee may include within one sworn statement all leases upon which there is no production or upon which dry holes have been drilled. Reports of oil and gas leases where royalty accounting is done in the field of office of the supervisor will be made as required in the operating regulations.

§ 213.29 Division orders.

(a) Lessees may make arrangements with the purchasers of oil and gas for the payment of the royalties as provided for in the lease and the regulations but such arrangement, if made, shall not operate to relieve a lessee from responsibility should the purchaser fail or refuse to pay royalties when due. Where lessees avail themselves of this privilege, division orders should be executed by the lessee and forwarded to the supervisor for approval. Purchasers may be authorized by the supervisor to reimburse lessees out of royalties for advance rents and advance royalties. Copies of written instructions, notices, modifications, revocations, and authorizations, as provided for in § 213.18 (a) and (b), shall be furnished to purchasers. The right is reserved for the supervisor to cancel a division order at any time or require the purchaser to discontinue to run the oil of any lessee who fails to operate the lease properly or otherwise violates the provisions of the lease, of the regulations in this part, or of the operating regulations.

(b) When oil is taken by authority of a division order, the lessee or his representatives shall be actually present when the oil is gauged and records are made of the temperature, gravity, and impurities. The lessee will be held responsible for the correctness and the correct recording and reporting of all the foregoing measurements, which, except lowest gauge, shall be made at the time the oil is turned into the pipeline. Failure of the lessee to perform properly these duties will subject the division order to revocation.

OPERATIONS

§ 213.30 Permission to start operations.

No operations will be permitted on any lease before it is approved. Written permission must be secured from the supervisor before any operations are started under any oil and gas lease. Operations must be in accordance with the operating regulations promulgated by the Secretary of the Interior. Copies of these regulations may be secured from either the supervisor or the Area Director and no operations should be attempted without a study of the operating regulations.

§ 213.31 Restrictions on operations.

(a) Oil and gas leases issued under the provisions of this part shall be subject to imposition by the Secretary of the Interior of such restrictions as to time or times for the drilling of wells and as to the production from any well or wells as in his judgment may be necessary or proper for the protection of the natural resources of the leased land and in the interest of the lessor. In the
exercise of his judgment the Secretary of the Interior may take into consider-
ation, among other things, the Federal laws, State laws, regulations by com-
petent Federal or State authorities, lawful agreements among operators regulat-
ing either drilling or production, or both.

(b) All such leases shall be subject to any cooperative or unit plan of devel-
opment affecting the leased lands that may be required by the Secretary of the Interior, but no lease shall be in-
cluded in any cooperative or unit plan without prior approval of the Secretary of the Interior. If said plan affects a
change in the lease terms, the consent of the lessor or lessors must be ob-
tained before the plan is effective.

§ 213.32 Wells.
The lessee shall agree (a) to drill and produce all wells necessary to offset or protect the leased land from drainage by wells on adjoining lands not the property of the lessor, or in lieu there-
of, compensate the lessor in full each month for the estimated loss of royalty through drainage: Provided, That during the period of supervision by the Secretary of the Interior, the necessity for offset wells shall be determined by the supervisor and payment in lieu of drilling and producing shall be with the consent of, and in an amount deter-
mined by the Secretary of the Interior; (b) at the election of the lessee to drill and produce other wells: Provided, That the right to drill and produce such other wells shall be subject to any sys-
tem of well spacing or production al-
lotments authorized and approved under applicable law or regulations, ap-
proved by the Secretary of the Interior and affecting the field or area in which the leased lands are situated; and (c) if the lessee elects not to drill and produce such other wells for any period the Secretary of the Interior may, within 10 days after due notice in writ-
ing, either require the drilling and pro-
duction of such wells to the number necessary, in his opinion, to insure rea-
sonable diligence in the development and operation of the property, or may in lieu of such additional diligent drill-
ing and production require the pay-
ment on and after the first anniversary date of the lease of not to exceed $1 per

§ 213.33 Diligence and prevention of
waste.
The lessee shall exercise diligence in drilling and operating wells for oil and gas on the leased lands while such products can be secured in paying quantities; carry on all operations in a good and workmanlike manner in ac-
cordance with approved methods and practice, having due regard for the pre-
vention of waste of oil or gas developed on the land, or the entrance of water through wells drilled by the lessee to the productive sands or oil or gas-bear-

strata to the destruction or injury of the oil or gas deposits, the preserva-
tion and conservation of the property for future productive operations, and to the health and safety of workmen and employees; plug securely all wells before abandoning the same and to shut off effectually all water from the oil or gas-bearing strata; not drill any well within 200 feet of any house or barn on the premises without the les-

or’s written consent approved by the Area Director; carry out at his expense all reasonable orders and requirements of the supervisor relative to prevention of waste, and preservation of the prop-
erty and the health and safety of work-
men; bury all pipelines crossing till-
able lands below plow depth unless other arrangements therefor are made with the Area Director; pay the lessor all damages to crops, buildings, and other improvements of the lessor occa-
sioned by the lessee’s operations: Pro-
vided, That the lessee shall not be held responsible for delays or casualties oc-
casioned by causes beyond his control.

§ 213.34 Inspection of premises; books
and accounts.
Lessees shall agree to allow the les-
sors and their agents or any authorized representative of the Interior Depart-
ment to enter, from time to time, upon and into all parts of the leased prem-
ises for the purpose of inspection, and shall further agree to keep a full and correct account of all operations and make reports thereof, as required by the applicable regulations of the De-
partment; and their books and records,
§ 213.35 Showing manner of operations and persons interested, shall be open at all times for examination by such officers of the Department as shall be instructed in writing by the Secretary of the Interior or authorized by regulations to make such examination.

§ 213.35 Mines to be timbered properly.

In mining operations the lessee shall keep the mine well and sufficiently timbered at all points where necessary, in accordance with good mining practice, and in such manner as may be necessary to the proper preservation of the property leased and safety of workmen.

§ 213.36 Surrender of leased premises in good condition.

On expiration of the term of a lease, or when a lease is surrendered, the lessee shall deliver to the Government the leased ground, with the mine workings in case of leases other than oil and gas, in good order and condition, and the bondsman will be held for such delivery in good order and condition, unless relieved by the Secretary of the Interior for cause. It shall, however, be stipulated that the machinery necessary to operate any mine is the property of the lessee, but that it may be removed by him only after the condition of the property has been ascertained by inspection by the Secretary of the Interior or his authorized agents, to be in satisfactory condition.

§ 213.37 Penalties.

Failure of the lessee to comply with any provisions of the lease, of the operating regulations, of the regulations in this part, orders of the Area Director or his representative, or of the orders of the supervisor or his representative, shall subject the lease to cancellation by the Secretary of the Interior or the lessee to a penalty of not more than $500 per day for each day the terms of the lease, the regulations, or such orders are violated, or to both such penalty and cancellation: Provided, That the lessee shall be entitled to notice and hearing, within 30 days after such notice, with respect to the terms of the lease, regulations, or orders violated, which hearing shall be held by the supervisor, whose findings shall be conclusive unless an appeal be taken to the Secretary of the Interior within 30 days after notice of the supervisor’s decision, and the decision of the Secretary of the Interior upon appeal shall be conclusive.

§ 213.38 Assignments and overriding royalties.

(a) Leases or any interest therein, may be assigned or transferred only with the approval of the Secretary of the Interior, and to procure such approval the assignee must be qualified to hold such lease under existing rules and regulations, and shall furnish a satisfactory bond for the faithful performance of the covenants and conditions thereof. No lease or any interest therein, or the use of such lease, shall be assigned, sublet, or transferred, directly or indirectly, by working or drilling contract, or otherwise, without the consent of the Secretary of the Interior. Assignments of leases shall be filed with the Area Director within 20 days after the date of execution.

(b) An agreement creating overriding royalties or payments out of production on oil and gas leases under this part shall be subject to the provisions of §211.26(d) of this subchapter, or as hereafter amended.

§ 213.39 Stipulations.

The lessee under any lease heretofore approved may by stipulation (Form 5–154i) with the consent of the lessor and the approval of the Secretary of the Interior, make such approved lease subject to all the terms, conditions, and provisions contained in the lease form and regulations currently in use. Stipulations shall be filed with the Area Director within 20 days after the date of execution.

§ 213.40 Cancellations.

(a) When, in the opinion of the Secretary of the Interior, the lessee has violated any of the terms and conditions of a lease or of the applicable regulations, or if mining operations are
conducted wastefully and without regard to good mining practice, the Secretary of the Interior shall have the right at any time after 30 days' notice to the lessee specifying the terms and conditions violated, and after a hearing, if the lessee shall so request within 30 days after issuance of the notice, to declare such lease null and void, and the lessor shall then be entitled and authorized to take immediate possession of the land.

(b) On the following conditions, the lessee may, on approval of the Secretary of the Interior, surrender a lease or any part of it:

1. That he make application for cancellation to the Area Director having jurisdiction over the land.
2. That he pay a surrender fee of $1 at the time the application is made.
3. That he pay all royalties and rentals due to the date of such application.
4. That he make a satisfactory showing that full provision has been made for conservation and protection of the property and that all wells, drilled on the portion of the lease surrendered, have been properly abandoned.
5. If the lease has been recorded, that he file, with his application, a recorded release of the acreage covered by the application.
6. If the application is for the cancellation of the entire lease or the entire undivided portion, that he surrender the lease: Provided, That where the application is made by an assignee to whom no copy of the lease was delivered, he will be required to surrender only his copy of assignment.
7. If the lease (or portion being surrendered or canceled) is owned in undivided interests by more than one party, then all parties shall join in the application for cancellation.
8. That all required fees and papers must be in the mail or received on or before the date upon which rents and royalties become due, in order for the lessee and his surety to be relieved from liability for the payment of such royalties and rentals.
9. If there has been a contest respecting a lease or leases, the approved, the disapproved, or the canceled parts thereof will be held in the office of the Area Director for 5 days after the Department's decision has been promulgated, by mail or delivery, and will not be delivered, if within that period a motion for review and reconsideration be filed, until such motion is passed upon by the Department.

(10) In the event oil or gas is being drained from the leased premises by wells not covered by a lease; the lease, or any part of it, may be surrendered, only on such terms and conditions as the Secretary of the Interior may determine to be reasonable and equitable.

(c) No part of any advance rental shall be refunded to the lessee nor shall he be relieved, by reason of any subsequent surrender or cancellation of the lease, from the obligation to pay said advance rental when it becomes due.

(d) For proper method of terminating departmental leases covering lands from which restrictions have been removed see section 3 of the act of May 27, 1906 (35 Stat. 312).

**REMOVAL OF RESTRICTIONS**

§ 213.41 Leases executed but not approved before restrictions removed from land.

Leases executed before the removal of restrictions against alienation on land from all of which restrictions against alienation shall be removed after such execution, if such leases contain specific provisions for approval by the Secretary of the Interior, whether now filed with the Department or presented for consideration hereafter, will be considered and acted upon by this Department as heretofore but only for the purpose of approving or disapproving the instrument.

§ 213.42 Operations after removal of restrictions from leased lands.

(a) Oil and gas leases heretofore approved and leases for other minerals now or hereafter in force on land from all of which restrictions against alienation have been or shall be removed, even if such leases contain provision authorizing supervision by this Department, shall after such removal of restrictions against alienation, be operated entirely free from such supervision, and the authority and power delegated to the Secretary of the Interior in said leases shall cease and all payments required to be made to the Area Director shall thereafter be made
§ 213.43 Relinquishment of Government supervision.

All oil and gas leases hereafter executed shall contain the following relinquishment of supervision clause and terms operative after such relinquishment, or other provisions similar in substance:

Relinquishment of supervision by the Secretary of the Interior.—Should the Secretary of the Interior, at any time during the life of this instrument, relinquish supervision as to all or part of the acreage covered hereby, such relinquishment shall not bind lessee until said Secretary shall have given 30 days' written notice. Until said requirements are fulfilled, lessee shall continue to make all payments due hereunder as heretofore in section 3(c). After notice of relinquishment has been received by lessee, as herein provided this lease shall be subject to the following further conditions:

(a) All rentals and royalties thereafter accruing shall be paid in the following manner: Rentals and royalties shall be paid to lessee or his successors in title, or to a trustee appointed under the provision of section 9 hereof. Rentals and royalties shall be paid directly to lessee, his successors in title, or to said trustee as the case may be.

(b) If, at the time supervision is relinquished by the Secretary of the Interior, lessee shall have made all payments then due hereunder, and shall have fully performed all obligations on its part to be performed up to the time of such relinquishment, then the bond given to secure the performance hereof, on file in the Indian Office, shall be of no further force or effect.

(c) Should such relinquishment affect only part of the acreage, then lessee may continue to drill and operate the land covered hereby as an entirety: Provided, That lessee shall pay in the manner prescribed by section 3(c), for the benefit of lessor such proportion of all rentals and royalties due hereunder as the acreage retained under the supervision of the Secretary of the Interior bears to the entire acreage of the lease, the remainder of such rentals and royalties to be paid directly to lessee or his successors in title or said trustee as the case may be, as provided in subdivision (a) of this section.

Division of fee. It is covenanted and agreed that should the fee of said land be divided into separate parcels, held by different owners, or should the rental or royalty interests hereunder be so divided in ownership, after the execution of this lease and after the Secretary of the Interior relinquishes supervision hereof, the obligations of lessee hereunder shall not be added to or changed in any manner whatsoever save as specifically provided by the terms of this lease. Notwithstanding such separate ownership, lessee may continue to drill and operate said premises as an entirety: Provided, That each separate owner shall receive such proportion of all rentals and royalties accruing after the vesting of his title as the acreage of the fee, or rental or royalty interest, bears to the entire acreage covered by the lease; or to the entire rental and royalty interest as the case may be: Provided further, That, if at any time after departmental supervision hereof is relinquished, in whole or in part, there shall be four or more parties entitled to rentals or royalties hereunder, whether said parties are so entitled by virtue of undivided interests or by virtue of ownership of separate parcels of the land covered hereby, lessee at his election may withhold the payment of further rentals or royalties (except as to the portion due the Indian lessor while under restriction), until all of said parties shall agree upon and designate in writing and in a recordable instrument a trustee to receive all payments due hereunder on behalf of said parties and their respective successors in title. Payments to said trustee shall constitute lawful payments hereunder, and the sole risk of an improper or unlawful distribution of said funds by said trustee shall rest upon the parties naming said trustee and their respective successors in title. (The above provisions are copied from oil and gas mining lease Form 5–154h, 1 revised April 24, 1935.)

1For information relative to obtaining Form 5–154h, see §211.30.
§ 213.44 Division of royalty to separate fee owners.

Should the removal of restrictions affect only part of the acreage covered by a lease containing provisions to the effect that the royalties accruing under the lease, where the fee is divided into separate parcels, shall be paid to each owner in the proportion which his acreage bears to the entire acreage covered by the lease, the lessee or assignee of such unrestricted portion will be required to make the reports required by the regulations in this part and the operating regulations with respect to the beginning of drilling operations, completion of wells, and production the same as if the restrictions had not been removed. In the event the unrestricted portion of the leased premises is producing, the owner of the lease thereon will be required to pay the portion of the royalties due the Indian lessee at the time and in the manner specified by the regulations in this part.

§ 213.45 Restrictions especially continued as to certain lands.

Restricted lands allotted as either homestead or surplus allotments, designated as tax exempt under section 4 of the act of May 10, 1928, as amended May 24, 1928 (45 Stat. 495, 733), the entire interest in which was acquired by inheritance, gift, devise, or purchase with restricted funds, by persons of one-half or more Indian blood, after the passage of the act of January 27, 1933 (47 Stat. 777), continue to be restricted under the provisions of the last mentioned act and oil and gas leases therefor are subject to the regulations in this part and all such leases to be valid must be approved by the Secretary of the Interior. Lands inherited by or devised to full blood Indians prior to the act of January 27, 1933, are not affected as to restrictions by the provisions of said act and may continue to be leased with the approval of the county court having jurisdiction of the estate of the deceased allottee and without approval of the Secretary of the Interior (54 L.D. 382; 10 F. (2d), 487). Lands acquired prior to the passage of the act of January 27, 1933 by Indians of less than full blood, whether such lands were restricted and tax exempt or restricted and taxable, passed to such persons free of all restrictions. Inherited homesteads restricted prior to April 26, 1931, by section 9, of the act of May 27, 1908 (35 Stat. 312), for the benefit of heirs of one-half or more Indian blood but less than full bloods, born after March 4, 1906, became unrestricted April 26, 1931, or upon the death prior thereto of the heir born subsequent to March 4, 1906, and oil and gas leases thereof are not subject to the regulations in this part nor under the jurisdiction of the Secretary of the Interior.

§ 213.46 Field clerks.

Local representatives known officially as “field clerks” are located in the various districts comprising that part of the State of Oklahoma occupied by the Five Civilized Tribes. Such field clerks shall report to and act under the direction of the Area Director. Any and all counsel and advice desired by allottees concerning deeds, leases, or other instruments or matters relating to lands allotted to them shall be furnished by such field clerks free of charge. Field clerks shall not, during their term of employment, have any personal interest, directly or indirectly, in any transaction concerning leases covering lands of allottees or in the purchase or sale of any such lands regardless of whether the restrictions have or have not been removed. This prohibition, however, shall not apply to lands which such field clerks have legally acquired before their employment in the Bureau of Indian Affairs. Field clerks shall report to the Area Director at the end of each month the work performed during such period and special reports shall be made immediately of any apparently illegal transaction involving the estates or allotments of allottees.

§ 213.47 Forms.

The provisions of §211.30 of this chapter, or as hereafter amended, are applicable to this part.

2Repealed restrictions on inherited homesteads, by sec. 2 of the act of May 10, 1928 (45 Stat. 486).
§ 213.48 Effective date.

The regulations in this part shall become effective and in full force from and after the date of approval (Apr. 27, 1938), and shall be subject to change or alteration at any time by the Secretary of the Interior: Provided, That no regulations made after the approval of any lease shall operate to affect the term of the lease, rate of royalty, rental, or acreage unless agreed to by both parties to the lease. All former regulations governing the leasing of individually owned lands of the Five Civilized Tribes for mining purposes are superseded by the regulations in this part.

§ 213.49 Scope of regulations.

The regulations in this part shall apply in so far as practicable to land purchased for Indians under the Oklahoma Indian Welfare Act of June 26, 1936 (49 Stat. 1967; 25 U.S.C. 501-509), as well as to other lands of individual Indians of the Five Civilized Tribes.

214.1 Definition.

The term “officer in charge” shall refer to the superintendent of the Osage Indian Agency and school or other representative of the Government who may, for the time, be in charge of the Osage Agency and school, or any person who may be detailed by the Secretary of the Interior or the Commissioner of Indian Affairs to take charge of leasing or mining operations under the regulations in this part.

214.2 Sale of leases.

Leases of minerals other than oil and gas may be negotiated with the tribal council after permission to do so has been obtained from the officer in charge. Leases with all papers required, shall be filed with the officer in charge within 30 days from the date of execution by the lessee and the principal chief of the Osage Tribe. The lease will be forwarded to the Commissioner of Indian Affairs for consideration by him and the Secretary of the Interior and will become effective only after approval by the Secretary of the Interior. If any lease should be disapproved through no fault of the lessee, all amounts deposited by him will be promptly refunded.

214.3 Corporate information.

A corporation shall file with its first lease a certified copy of articles of incorporation, and, if a foreign corporation, evidence showing compliance with local corporation laws in duplicate; a list of all stockholders, with their post office addresses, and showing the number of shares of capital stock held by each; together with a sworn statement of its proper officer showing:

(a) The total number of shares of the capital stock actually issued, the number of shares actually sold and the amount of cash paid into the treasury.
§ 214.9 Advance rental.

(a) Lessees shall pay, in addition to other considerations, annual advance rentals as follows: 15 cents per acre for

and intent of the regulations in this part, and such information shall be furnished within the time specified in the request therefor.

§ 214.6 Failure of lessee to complete lease.

Should a lessee fail to furnish, within the time specified after his bid is accepted, the papers necessary to put his lease and bond in proper form for consideration, the officer in charge shall recommend that the sale be disapproved and money paid forfeited to the Osage Tribe.

§ 214.7 Operation not permitted until lease approved; 160 acres maximum for single lease.

No mining or work of any nature will be permitted upon any tract of land until a lease covering such tract shall have been approved by the Secretary of the Interior and delivered to the lessee. All leases shall be made for such period as the title to the minerals remain in the Osage Tribe, which time will expire April 8, 1931, unless otherwise provided by Congress and shall be subject to cancellation or termination as specified in this part. Leases made by corporations shall be accompanied by an affidavit by the secretary or president of the company showing the authority of its officers to execute leases, bonds, and other papers. No lease shall be made covering more than 160 acres.

§ 214.8 Acreage limitation.

No person, firm, or corporation shall hold under lease at any one time without special permission from the Secretary of the Interior in excess of the following areas:

(a) For deposits of the nature of lodes, or veins containing ores of gold, silver, copper, or other useful metals, 640 acres.
(b) For beds of placer gold, gypsum, asphaltum, phosphate, iron ores, and other useful minerals, other than coal, lead, and zinc, 960 acres.
(c) For coal, 4,800 acres.
(d) For lead and zinc, 1,280 acres.

§ 214.9 Advance rental.

(a) Lessees shall pay, in addition to other considerations, annual advance rentals as follows: 15 cents per acre for

and intent of the regulations in this part, and such information shall be furnished within the time specified in the request therefor.

§ 214.6 Failure of lessee to complete lease.

Should a lessee fail to furnish, within the time specified after his bid is accepted, the papers necessary to put his lease and bond in proper form for consideration, the officer in charge shall recommend that the sale be disapproved and money paid forfeited to the Osage Tribe.

§ 214.7 Operation not permitted until lease approved; 160 acres maximum for single lease.

No mining or work of any nature will be permitted upon any tract of land until a lease covering such tract shall have been approved by the Secretary of the Interior and delivered to the lessee. All leases shall be made for such period as the title to the minerals remain in the Osage Tribe, which time will expire April 8, 1931, unless otherwise provided by Congress and shall be subject to cancellation or termination as specified in this part. Leases made by corporations shall be accompanied by an affidavit by the secretary or president of the company showing the authority of its officers to execute leases, bonds, and other papers. No lease shall be made covering more than 160 acres.

§ 214.8 Acreage limitation.

No person, firm, or corporation shall hold under lease at any one time without special permission from the Secretary of the Interior in excess of the following areas:

(a) For deposits of the nature of lodes, or veins containing ores of gold, silver, copper, or other useful metals, 640 acres.
(b) For beds of placer gold, gypsum, asphaltum, phosphate, iron ores, and other useful minerals, other than coal, lead, and zinc, 960 acres.
(c) For coal, 4,800 acres.
(d) For lead and zinc, 1,280 acres.
§ 214.10 Royalty rates.

Royalties will be required as follows, subject to the approval of the President, in accordance with the act of June 28, 1906 (34 Stat. 543):

(a) For gold, silver, or copper lessee shall pay quarterly a royalty of 10 percent to be computed on the gross value of the ores as shown by reduction returns after deducting freight and treatment charges. Duplicate reduction returns shall be filed by the lessee with the officer in charge within 20 days after the reduction of the ores.

(b) For coal the lessee shall pay a royalty of 10 cents per ton of 2,000 pounds on mine run or coal as taken from the mines, including what is commonly called “slack.”

(c) For asphaltum and allied substances, the lessee shall pay quarterly a royalty of 10 cents per ton of 2,000 pounds on crude material, and 60 cents per ton on refined substances.

(d) For substances other than gold, silver, copper, lead, zinc, coal, and asphaltum the lessee shall pay quarterly a royalty of 10 percent of the value at the nearest shipping point of all ores, metals, or minerals marketed.

(e) The royalties to be paid for lead and zinc shall be computed for each mineral at the same rate that the amount of the concentrates of such mineral bears to the total amount of dirt or rock actually mined, except as stipulated in this section. The royalty so determined shall be increased by adding 1 percent for each increase of $10 in the selling price per ton thereof over and above the following, which shall be the agreed base or standard:

For zinc—$50
For lead—$65

but in no case shall the rate of royalty be less than 5 percent or more than 20 percent. The percentage of recovery shall be computed as nearly as practicable upon the ore included in each sale, but where it is impracticable so to do the officer in charge and the lessee shall agree upon some other method of computation which will produce substantially the same result: Provided, That in case of their disagreement the Commissioner of Indian Affairs shall prescribe a rule of computation to be followed in such cases.

NOTE: The royalty would always be determined under this rule by ascertaining the percentage of recovery were it not for two things: (1) the flat rates which are fixed as the minimum and the maximum rates of royalty and (2) variations in the selling price of the ores. Concrete examples coming under the rule are set forth in the following table:

<table>
<thead>
<tr>
<th>Percentage of recovery</th>

A similar table might be constructed for royalties on lead, but in so doing it would be necessary to bear in mind that the base or standard selling price for the lead is to be $65 instead of $50.

§ 214.11 Payment of rents and royalties.

All rentals, royalties, damages, or other amounts which may become due under leases approved in accordance with the regulations in this part shall be paid to the disbursing agent at Pawhuska, Okla. The remittances shall be in St. Louis exchange, except that where such exchanges cannot be procured post office or express money orders will be accepted. All royalties or other payments or claims of the Osage Tribe arising under such leases shall be a lien upon the mining plant machinery, and all minerals mined on the property leased or in which the lessee still retains any right, claim, or interest.
§ 214.12 Time of payment of royalties.

Royalties on all minerals produced in any quarter (January-March, April-June, July-September, October-December) shall be paid on or before the 25th day of the month next succeeding, and the remittance shall be accompanied by sworn reports covering all operations, whether there has been production or not. Annual advance rentals shall be paid within 10 days after the beginning of the lease year.

§ 214.13 Diligence; annual expenditures; mining records.

(a) Lessees shall exercise diligence in the conduct of prospecting and mining operations, and on all leases referred to in §214.8(a) shall expend annually in development work a sum which with the annual rental shall make an amount of not less than $5 per acre. On all leases referred to in §214.8 (b) and (c) there shall be expended annually in development work a sum which inclusive of the annual rental shall make an amount of not less than $1 for each acre or fraction thereof included in the lease. The lands covered by each lease referred to in §214.8 (d) shall be prospected for lead and zinc ores by drilling within 1 year test holes aggregating 2,000 feet unless a sufficient ore body is discovered to justify the sinking of a shaft to the ore body and the erecting of a mill when such tract may be released from further prospecting by the written consent of the superintendent. Provided, That within 90 days after an ore body of sufficient quantity is discovered, and shown by the logs or records of the drill holes, to justify the expenditure, the sinking of a shaft to the ore body, and the erecting of a mill when such tract may be released from further prospecting by the written consent of the superintendent: Lessee shall keep upon the leased premises accurate records of the drilling, redrilling, or deepening of all holes showing the formations, and upon the completion of such holes, copies of such records shall be transmitted to the superintendent by the lessee after the first completion and of any further drilling thereafter, and a failure to so furnish report within the time prescribed shall be considered a violation of the regulations. Lessee shall, before commencing operations, file with the superintendent a plat and preliminary statement of how the openings are to be made and the property developed.

§ 214.14 Use of surface lands.

(a) Lessees may use so much of the surface of the leased land as shall be reasonably necessary for the prospecting and mining operations and buildings required by the lease, and shall also have the right-of-way over and across such land to any point of prospecting or mining operations, but such use of the surface shall be permissible only under condition of least injury and inconvenience to the allottee or owner of the land. Lessees before commencing and during such operations shall pay all reasonable damages for the use of the surface land and to any growing crops thereon, or to improvements on said land, or any damage that during the life of the lease may be occasioned in any manner whatsoever by the use of the surface, to the allottee or his successor in interest or assignee, or to a lessee of the surface of said land or to an oil and gas lessee, damages to be apportioned among the parties interested in the surface, whether as owner, lessee, or otherwise, as the parties in interest may mutually agree or as their interests may appear. If the parties are unable to agree concerning damages the same shall be determined by arbitration.

(b) All agreements (or authenticated copies thereof) providing for the settlement of damages shall be filed in the Osage Agency if the surface owner is a restricted Indian, and all such amounts which may be due and payable to any such Indian shall be paid to the superintendent and by him immediately remitted to the Indian entitled thereto. All sums due as royalty or damages shall be a lien on all equipment on leased premises.

§ 214.15 Homesteads.

Lessees and those acting under them shall not conduct prospecting or mining operations within or upon any homestead selection without written
§ 214.16 Settlement of damages.

Any person, other than a lessee or an allottee or the heirs of a deceased allottee, claiming an interest in any leased tract or in damages thereto must furnish to the officer in charge a statement in writing showing his interest, and failure to furnish such statement shall constitute a waiver of notice and estop said person from claiming any part of such damages after the same shall have been disbursed.

§ 214.17 Use of timber from restricted lands.

Lessees will not be permitted to use any timber from any Osage lands not relieved of restrictions upon alienation except under written agreement with the owner approved by the officer in charge.

§ 214.18 Assignments.

Approved leases or any interest therein may be transferred or assigned with the consent and approval of the Secretary of the Interior and not otherwise. Transfers or assignments, when so approved, shall be subject to the terms and conditions of the original leases and regulations under which such leases were approved as well as to such additional requirements as the Secretary of the Interior may prescribe. The transferee or assignee shall furnish with his transfer or assignment a satisfactory bond as prescribed in § 214.4 in connection with leases. Any attempt to transfer or assign an approved lease or any interest therein without the consent and approval of the Secretary of the Interior shall be absolutely void and shall subject the original lease to cancellation in the discretion of the secretary.

§ 214.19 Cancellation.

When a lessee makes application for the cancellation of a lease in whole or in part, all royalties or rentals due up to and including the date of the application for cancellation must be paid, and that part of the lease delivered to the lessee shall be surrendered before such application will be considered. In the event a lease is surrendered for cancellation in whole or in part, after a new lease year has been entered upon, the lessee and his surety shall be liable for the advance rentals required to be paid under the lease for that year, and no part of such rentals which may have been paid shall be refunded.

§ 214.20 Annual reports by corporate lessees.

Lessees and assignees must submit to the officer in charge on January 1, of each year and at such other times as may be required by the Secretary of the Interior, a statement containing the information called for in § 214.3(a) and (f) and also showing any changes in officers or changes in or additions to stockholders. At any time individual stockholders may be required to show to the satisfaction of the Secretary of the Interior in what companies or with what persons or firms they are interested in mining leases on the Osage Reservation and whether they hold such stock or interest for themselves or in trust.

§ 214.21 Inspection of lessees' books and records.

Lessees shall allow the agents and representatives of the lessor, or any authorized representative of the Interior Department, to enter, from time to time, upon and into all parts of the leased premises for the purpose of inspection, and their books and records showing manner of operations and persons interested, shall be open at all times for the examination of such officers of the department as shall be instructed by the Secretary of the Interior to make such examinations.

§ 214.22 Serving of notices.

Wherever notice is provided for in this part it shall be sufficient if notice has been mailed to the last known place of address of the party, and time shall begin to run with the day next ensuing after the mailing or from the date of delivery of personal notice; but where the party is outside the State of Oklahoma the officer in charge may, in his discretion, increase the time allowed.
§ 214.23 Plat of mine location.

Lessees are required, when so requested, to file a plat of their leases showing exact locations of all mines, proposed locations, power houses, etc.

§ 214.24 Forms.

Applications, leases, and other papers must be upon forms prepared by the department, and the superintendent of the Osage Indian school, Pawhuska, Okla., will furnish prospective lessees with such forms at a cost of $1 per set.

Form M. Application for mining lease, including financial showing.
Form N. Lease (except lead and zinc).
Form O. Bond.
Form P. Authority of officers to execute papers.
Form Q. Assignment.
Form R. Lease for lead and zinc.
Form S. Collective bond.

§ 214.25 Forfeiture of lease.

On the failure of any lessee or assignee to comply with any regulation or any obligation in the lease or assignment, the Secretary of the Interior may cancel and annul such lease without resorting to the courts and without any further proceeding: Provided, That the party or parties charged with such violation shall be first given not less than 30 days’ notice to show cause why such lease should not be canceled and annulled or other order made with reference thereto.

§ 214.26 Fine; notice and hearing.

Violation of any of the terms or conditions of any lease or of the regulations pertaining thereto shall subject the lease to cancellation by the Secretary of the Interior, or the lessee to a fine of not exceeding $500 per day for each and every day the terms of the lease or of the regulations are violated, or the orders of the superintendent in reference thereto are not complied with, or to both such fine and cancellation in the discretion of the Secretary of the Interior: Provided, That the lessee shall be entitled to notice and hearing with respect to the terms of the lease or of the regulations violated, which hearing shall be held by the superintendent, whose findings shall be conclusive unless an appeal be taken to the Secretary of the Interior within 30 days after notice of the superintendent’s decision, and the decision of the Secretary of the Interior upon appeal shall be conclusive.

§ 214.27 Changes in regulations.

The regulations in this part are subject to change or alteration at any time by the Secretary of the Interior.

§ 214.28 Location of sites for mines and buildings.

In event of disagreement between two or more mineral lessees regarding sites for the location of wells, mines, buildings, plants, etc., the same shall be determined by the superintendent after investigation and after due consideration of prior right of any lessee by reason of date of approval of lease.

§ 214.29 Prospecting; abandonment of mines.

All prospecting or mining operations or the abandonment of a well or mine shall be subject to the approval of the superintendent, and any disagreement between lessees of mineral leases regarding operations likely to result in injury to either lessee shall be determined by the superintendent, whose decision shall be final, unless an appeal is filed with the Secretary of the Interior within 30 days after notice of such decision.

§ 214.30 Lessees must appoint local representative.

Before actual drilling or development operations are commenced on leased lands, the lessee or assignee shall appoint a local or resident representative within the State, on whom the superintendent or other authorized representative of the department may serve notice or otherwise communicate with in securing compliance with the regulations in this part and shall notify the superintendent of the name and post office address of the representative so appointed.

(d) Lessee. The term “lessee,” except where otherwise modified or limited in the regulations in this part, shall mean any person, firm, or corporation, their legal representatives, heirs, or assigns, to whom a lead and zinc mining lease has been made by or on behalf of Indians under the provisions of the regulations in this part.

(e) Lessor. § 215.1 No operations until lease approved.

No operations under any lease executed under the regulations in this part shall be permitted upon any restricted or trust lands allotted to or inherited by an Indian unless lease covering such tract shall be approved by the Secretary of the Interior.

§ 215.2 Local representative of lessee.

Before actual drilling or development operations are commenced on the leased lands the lessee shall appoint a local or resident representative within Ottawa County, Oklahoma, on whom the superintendent may serve notice or
§ 215.5 Royalty rates.

(a) In leases offered for sale at public auction under the regulations in this part, the royalty to be paid by the lessee shall be stipulated at a fixed percentage of the gross proceeds of all lead and zinc ores and concentrates extracted from the leased premises, the royalty to be computed and based upon each sale of ore or concentrates separately, the rate of royalty to be determined and fixed by the Secretary of the Interior in the case of each lease prior to the offering of such lease for sale. Subject to the right of the Secretary of the Interior to reject any and all bids, leases offered for sale at public auction shall be awarded in each case to the responsible bidder submitting the highest bonus offer.

(b) In leases not offered for sale at public auction but otherwise made and entered into under the provisions of the regulations in this part the royalty stipulated and fixed therein shall be such as may be determined by the Secretary of the Interior or as may be agreed upon in each case, subject to the approval of the Secretary of the Interior.

(c) It shall be further provided, however, that said sale-price basis for the determination of the rates and amount of royalty shall not be less than the highest and best obtainable market price of the lead and zinc ores and concentrates at the usual and customary place of disposing of such ores and concentrates at the time of sale: Provided, however, That the right is reserved to the Secretary of the Interior to determine and declare such market price if it is deemed necessary for him to do so for the protection of the interests of the Indian lessor: And provided further, That the right is reserved to the Secretary of the Interior on behalf of the Indian lessors to reserve at any time it shall be deemed to be to the best interests of the Indian lessor: And provided further, That the right is reserved to the Secretary of the Interior on behalf of the Indian lessors to reserve at any time it shall be deemed to be to the best interests of the Indian lessors and upon due notice to the lessee, the royalty share of the gross production of the ore and concentrates and upon such notice that the royalty share of such production shall be stored and not sold, the lessee shall be required to store, free of charge to the Indian lessor in the ore bins of said lessee, said royalty shares of the gross production of ore and concentrates, provided that the lessee may not be required to store ore or concentrates for the lessor in amounts
§ 215.6 Applications for leases; consent of Indian owners.

(a) Applications or requests by the Indian owners of restricted or trust land, or by others, that such land be leased or offered for lease for lead and zinc mining purposes should be addressed to the Secretary of the Interior and submitted through the superintendent of the Quapaw Indian Agency. Upon receipt of such applications or requests, the superintendent shall give consideration thereto and forward the same to the Commissioner of Indian Affairs with his report and recommendation.

(b) In no instance will a new lease be executed and delivered (or advertised for sale to the highest bidder) unless the Indian owner thereof, if an adult who has not been specifically found by the Secretary of the Interior to be personally incompetent to transact ordinary business affairs, has agreed to the terms of said lease or the terms under which said lease is advertised for lease, except in cases where the land is owned by several co-tenants, and, in such cases, no such lease shall be given or advertised for sale unless the co-owners or a majority in interest, if adults, and not specifically declared incompetent, have first consented thereto; Provided, That in the event the majority in interest is owned by minors, or adults specifically found to be incompetent, then and in that event, the Secretary of the Interior reserves the right to lease the entire tract if, in his opinion, such leasing will inure to the best interest of the restricted Indian owners.

§ 215.7 Advertisement of sale of leases.

Upon authority being granted by the Secretary of the Interior to the superintendent to offer for sale at public auction a lead and zinc mining lease of any tract or tracts of restricted or trust allotted and inherited Indian lands, the superintendent shall cause a notice to be published once a week for at least 4 weeks in some designated newspaper of general circulation in the county in which the land is located, setting forth that upon a certain day, which shall be not less than 30 days from the first publication of such notice and at a place to be named in the notice, the superintendent or other duly authorized representatives of the Secretary of the Interior will offer for sale at public auction a lead and zinc mining lease of such lands to the highest and best bidder, subject to the rules and regulations prescribed by the Secretary of the Interior, notice to be in such form as may be prescribed by the Secretary of the Interior.

§ 215.8 Submission of bids.

At the time of public auction bidders may submit their bids in person or by authorized agents, but in the latter case the bids must be accompanied by power of attorney duly executed by the real party or person in interest. Sealed bids may be submitted by mail or otherwise to the superintendent at his office at Miami, Okla., or delivered to him at the place set for the sale at any time prior to the hour fixed for offering the lease for sale. At the time and place of the public auction and before receiving the public bids the officer in charge shall announce the amounts and terms of all sealed bids received by him and the names of the bidders. The persons present, including those, if any, who may have theretofore submitted sealed bids, shall then be allowed to offer public bids. Bids must contain the offer of the stipulated and fixed royalty (see §215.5 as to royalty) and, in addition thereto, the offer of a bonus payable as follows: 25 percent at time of sale and the balance before or at time of execution of the lease contract. Bidders shall be required to submit with their bids a draft or certified check payable to the order of the superintendent covering the advance rental for the first year on the proposed leasehold and 25 percent of the amount of the bonus offered. The superintendent shall, in each case, determine the highest and best bid, said determination, however, to be subject to the approval of the Secretary of the Interior. Upon approval by the Secretary of the Interior of the award, the successful bidder shall, within 30 days from notice thereof, enter into and execute the lease contract in accordance with said bid and the regulations in this part.
lease so executed shall be subject to the approval of the Secretary of the Interior and may be accepted or rejected by him when submitted for his approval. The right is reserved to the Secretary of the Interior, in the event of the rejection of such lease, to authorize and instruct the superintendent to accept the offer of some competitive bidder or to readvertise the land for lease. The report of the superintendent to the Commissioner of Indian Affairs relative to the auction sale shall contain full information as to all bids received for the lease rights on the land. If any person or party fails or refuses to execute a lease after being declared the highest bidder or after being awarded such lease, the amount tendered with his bid shall be forfeited to the superintendent for the benefit of the owner of the land.

§ 215.9 Execution of leases.

Whenever a lease award to a proposed lessee has been approved by the Secretary of the Interior, as provided in §§215.7 and 215.8, the lease contract shall be executed by the Indian owner of the land, if he be an adult and not incompetent as defined in §215.0(c). Before any lease is entered into by the Indian owners or is approved by the Secretary of the Interior, all the adult and competent owners or co-owners of the tract of land which it is proposed to lease, shall be furnished by the Bureau such geological reports as may be available or that can be secured from the representative of the Geological Survey showing the estimated mineral reserves on said property, the estimated reasonable value of such property for mining purposes, and such other data as might reasonably be necessary to fully advise the owners of said property of the then present status and mining value of their lands. If the Quapaw or other Indian owner of the land is a minor or an otherwise incompetent or inappropria
§ 215.11 New leases where prior leases have been forfeited or abandoned.

In cases where the lands have heretofore been leased and lead and zinc ores have been discovered but the mines and mining operations have been abandoned and the leases have been canceled or forfeited or have expired, special arrangements in the matter of the leasing and mining of said lands may be made provided the consent thereto of the Secretary of the Interior be first obtained. Applications containing special offers as to the terms and conditions may be considered by the Secretary of the Interior and the leasing of said lands may be made upon such special terms and conditions as the Secretary of the Interior may in each case deem to be for the best interests of the Indian owners of the land.
If, however, in any case, it shall appear to the Secretary of the Interior that the granting of such lease would not be to the best interest of the Indian owners of the land, the Secretary of the Interior may cause the mining lease rights on said land to be offered for sale at public auction to the highest bidder. If the lead and zinc mining lease on said land be offered for sale at public auction, the same procedure shall be followed as provided in §§215.7 through 215.8.

§ 215.12 Advertising costs.  
All advertising costs, publication fees, expenses incurred for abstracts of lease title, and other expenses incurred in connection with the advertising and sale of leases and in connection with the execution of lease contracts shall be borne by the lessee. In the event a lease of the land is offered to the highest bidder and he fails or refuses to execute such lease when duly notified and as required by or under the regulations in this part, and no other bid is accepted, such costs, fees, and expenses shall be paid from such money as he may have paid with his bid. If no bid is tendered after a tract is advertised, or if all bids are refused, said items of expenses shall be charged to the Indian owner of the land and be paid by him or be paid by the superintendent from any funds held by such superintendent to the credit of such Indian owner of the land.

§ 215.13 Bond.  
Every mineral lease made and entered into under the regulations in this part, by an Indian or by the superintendent as his representative or in his behalf, must be accompanied by a surety bond, executed by the lessee and by a responsible surety company or two or more satisfactory sureties, guaranteeing the payment of all deferred installments of bonus and the payment of all specified royalties and rentals and the performance of all covenants and agreements undertaken by the lessee. Such bonds, unless authorized by the Secretary of the Interior or his authorized representative, with the consent of the Indian landowner, shall be not less than the following amounts:

For less than 80 acres—$2,500  
For 80 acres and less than 120 acres—$3,500  
For 120 acres or more—$5,000

Provided, however, That the lessee may, in lieu of such surety bond and upon execution of a proper penal bond to the United States in the sum prescribed and a proper power of attorney to the Secretary of the Interior, submit therewith United States bonds or notes in the aggregate sum prescribed as security for the carrying out of the terms, conditions, and provisions of the lease: Provided further, That a lessee may file in lieu of such individual lease bonds, one bond in a sum to be fixed by the Secretary of the Interior covering all leases to which he is or may become a party. The right is specifically reserved to the Secretary of the Interior to require an increase of the amount of any bond above the sum named in any particular case where he deems it necessary to require such increased bond.

§ 215.14 Payments to be made to superintendent.  
No bonus, rents, royalties, nor other payments accruing under any mineral lease executed in accordance with or subject to the regulations in this part and approved by the Secretary of the Interior shall be paid direct to the Indian lessor; but all such bonus, rents, royalties, and other payments accruing under any such lease shall be paid to the superintendent for the benefit of the Indian lessor, to be deposited by that officer to the credit of the superintendent in some bank designated for the deposit of individual Indian monies.

§ 215.15 Leases to be accompanied by Form D.  
Lead and zinc leases should be accompanied, when filed, with application for approval (Form D) made under oath, and said application shall set forth the information therein required.

1 For further information concerning forms, see §215.19.
§ 215.16 Requirements of corporate lessees.

(a) When the lessee is a corporation, its first application must be accompanied by a sworn statement of its proper officers showing:

(1) The total number of shares of the capital stock actually issued and, specifically, the amount of cash paid into the treasury on each share sold; or, if paid in property, state kind, quantity, and value of the same paid per share.

(2) Of the stock sold how much per share remains unpaid and subject to assessment.

(3) How much cash the company has in its treasury and elsewhere and from what source it was received.

(4) What property, exclusive of cash, is owned by the company and its value.

(5) What the total indebtedness of the company is, and, specifically, the nature of its obligations.

(b) Subsequent applications of the corporation should show briefly the aggregate amounts of assets and liabilities.

§ 215.17 Additional information required.

Corporations, with their first application, must file one certified copy of articles of incorporation and, if a foreign corporation, evidence showing compliance with local corporation laws; also a list showing officers and stockholders, with post-office addresses and number of shares held by each. Statements of any changes of officers or any changes or additions of stockholders must be furnished to the Indian superintendent on January 1 of each year and at any time when requested. The right is reserved to the Secretary of the Interior to require of individual stockholders affidavits setting forth in what companies or with what persons or firms they are interested in lead and zinc mining leases, or land under the jurisdiction of the Quapaw Indian Agency, and whether they hold such stock for themselves or in trust. Evidence must also be given in a single affidavit (Form I) by the Secretary of the company or by the president of said company, showing authority of the officers of the company to execute the lease, bond, and other papers.

§ 215.18 Term of leases.

The term of lead and zinc mining leases executed pursuant to acts of Congress and under the regulations in this part shall be for such period of time as may be determined in each case by the Secretary of the Interior, but in no case shall a lease be made to extend beyond the restriction or trust period on the lands covered by such lease.

§ 215.19 Forms.

Application, leases, and other papers must be upon forms prescribed by the Secretary of the Interior. Except as may be otherwise provided and required by the Secretary of the Interior, the leases and other papers required under the regulations in this part shall be in conformity with the forms designated, respectively, as follows:

Form A. Lease of Quapaw Indian land.
Form B. For lease of Indian land other than Quapaw.
Form C. Application by Indian.
Form D. Application for approval of lease.
Form E. Affidavit of lessor (or of superintendent acting for him) and affidavit of lessee.
Form F. Surety bond.
Form G. Affidavit of surety on personal bond.
Form H. Certificate as to sufficiency of surety on personal bond.
Form I. Affidavit as to authority of officers of corporation to execute lease and other papers.
Form J. Penal bond (in lieu of surety bond), and accompanying power of attorney.
Form K. Assignment of lead and zinc lease.

§ 215.20 Assignment.

Leases granted or approved under the regulations in this part may be assigned and the leased premises may be subleased or sublet, but only with the consent and authority of the Secretary of the Interior subject to his approval as to the terms and conditions of such assignments, sublease, and subletting contracts and not otherwise, and provided also that the proposed assignees, sublessee, or sublettee shall be qualified to hold such lease under the regulations in this part and shall furnish such bond as may be required by...
the Secretary of the Interior, such bond to be with responsible surety to
the satisfaction of the Secretary of the Interior and conditioned for the faith-
ful performance of the covenants and conditions of the lease. Upon the filing
with the Indian agent of such assignment, financial statement, and bond, the
said agent shall at once give notice in writing to all restricted Indian own-
ers of said land, advising them of said proposed assignment, and that if they
have any bona fide objections to same, such objections must be filed in writing
within 10 days from the date of said no-
tice.

§ 215.21 Payment of gross production
tax on lead and zinc.

The superintendent of the Quapaw
Indian Agency is hereby authorized and
directed to pay at the appropriate
times, from the respective individual
Indian funds held under his super-
vision, such gross production tax due
the State on production of lead and
zinc from restricted lands under his ju-
risdiction as may be properly assessed
under provisions of law against the
royalty interests of the respective In-
dian owners in the mineral produced
from their lands.

§ 215.22 Operations.

(a) All shafts shall be securely
cribbed to a point at least 8 inches
above the immediate surrounding sur-
face and cribbing shall be maintained
in good condition during the life of the
mining lease: Provided, however. That
at any time shafts may be permanently
sealed by a reinforced concrete slab
after first obtaining the written ap-
proval of the duly authorized rep-
resentative of the Department of the
Interior. The slab shall be so placed as
to prevent caving of the ground around
the shaft collar.

(b) All shafts, prior to the expiration,
surrender, or upon cancellation of the
mining lease or abandonment of the
property, shall be permanently sealed
so as to prevent the caving of the
ground around the shaft collar: Pro-
vided, however. That this requirement
may be waived after first obtaining the
written consent of the duly authorized
representative of the Department of
the Interior.

(c) All shaft entrances not perma-
nently sealed shall be so fenced, boxed,
or covered as to prevent persons or ani-
mals from falling into the mine when
the shaft is not in actual use, and such
fencing, boxing, or covering shall be
maintained in good condition during
the life of the mining lease.

(d) All shafts where hoisting is done
shall be boxed or fenced on three sides
and the fourth side equipped with a
gate which shall be kept closed when
access to the shaft is not necessary.

(e) All churn drill holes shall be se-
curely plugged to the surface unless
used for ventilation or other mining
purposes, in which case they shall be
cased or otherwise prevented from cav-
ing or becoming a hazard to persons or
animals. If cased, the casing shall ex-
tend 4 feet above the collar of the hole.

§ 215.23 Cooperation between super-
intendent and district mining su-
pervisor.

(a) The district mining supervisor of
the Miami field office, Geological Sur-
vey, directly or through his assistants,
shall receive from lessees for the super-
intendent, all notices, reports, drill
logs, maps, and records, and all other
information relating to mining oper-
ations required by said regulations to
be submitted by lessees, and shall
maintain a file thereof for the super-
intendent.

(b) The files of the Geological Survey
supervisor relating to lead and zinc
leases of Quapaw Indian lands shall be
at all times available for inspection
and use by authorized employees of the
Bureau of Indian Affairs, and the em-
ployees of the Geological Survey as-
signed to work relating to Indian lands
shall furnish to authorized employees
of the Bureau of Indian Affairs such in-
formation and technical advice as may
be necessary or appropriate to the
most efficient cooperation in the con-
duct of the work assigned to the two
bureaus. Likewise, similar facilities
and service shall be provided for the
benefit of the authorized employees of
the Geological Survey by the Bureau of
Indian Affairs.

(c) No orders of any kind will be
issued by Geological Survey represen-
tatives to any Indian, but such rep-
resentatives shall have full authority
§ 215.23a

To issue and amend orders to operators relative to production and operations: i.e., the supervision of all operations, including safety and efficiency, health and sanitation, and prevention of material or economic waste, such orders to be prepared with the advice of the local representative of the Bureau of Indian Affairs.

Cross Reference: For regulations of the Geological Survey, see 30 CFR chapter II.

§ 215.23a Suspension of operations and production on leases for minerals other than oil and gas.

The provisions of § 212.15a of this subchapter are applicable to leases under this part.

§ 215.24 Books and accounts.

(a) The lessee shall maintain books in which shall be kept a correct account of all ore and rock mined on the tract, of all ore put through the mill, of all lead and zinc concentrates produced, and of all ore and concentrates sold and to whom sold, the weight, assay value, moisture content, base price, dates, penalties, and price received, and the percentage of lead and zinc recovered. A correct statement of the same for each month shall be furnished the office of the district mining supervisor pursuant to § 215.23 not later than 15 days after the first of each month for the preceding month, together with a certificate from the smelter showing the unit price paid for the mineral purchased and the amount of ore and concentrates purchased during the month from said land.

(b) An audit of the lessee’s accounts and books shall be made semiannually, or at such other times as may be directed by the Secretary of the Interior, by certified public accountants, approved by the Secretary, and at the expense of the lessee. The lessee shall furnish free of cost a copy of such semiannual or other audit, through the office of the district mining supervisor pursuant to § 215.23, within 30 days after the completion of each auditing.

§ 215.25 Other minerals and deep-lying lead and zinc minerals.

Except as provided in § 215.6(b), leases on Quapaw Indian lands, for mining minerals other than lead and zinc and for lead and zinc and associated minerals below the horizon of the rock stratum known as the Reed Springs Formation, shall be made pursuant to the provisions of part 212 of this subchapter.

§ 216.1 Purpose.

It is the policy of this Department to encourage the development of the mineral resources underlying Indian lands where mining is authorized. However, interest of the Indian owners and the public at large requires that, with respect to the exploration for, and the

§ 216.4 Technical examination of prospective surface exploration and mining operations.

(a)(1) In connection with an application for a permit or lease, the superintendent shall make, or cause to be made, a technical examination of the prospective effects of the proposed exploration or surface mining operations upon the environment. The technical examination shall take into consideration the need for the preservation and protection of other resources, including cultural, recreational, scenic, historic, and ecological values; and control of

(b) Mining supervisor means the Regional Mining Supervisor, or his authorized representative, of the Geological Survey authorized as provided in 30 CFR 211.3 and 231.2 to supervise operations on the land covered by a permit or lease.
erosion, flooding, and pollution of water; the isolation of toxic materials; the prevention of air pollution; the reclamation by revegetation, replacement of soil or by other means, of lands affected by the exploration or mining operations; the prevention of slides; the protection of fish and wildlife and their habitat; and the prevention of hazards to public health and safety.

(2) A technical examination of an area should be made with the recognition that actual potential mining sites and mining operations vary widely with respect to topography, climate, surrounding land uses, proximity to densely used areas, and other environmental influences and that mining and reclamation requirements should provide sufficient flexibility to permit adjustment to local conditions.

(b) Based upon the technical examination, the superintendent shall formulate the general requirements which the applicant must meet for the protection of nonmineral resources during the conduct of exploration or mining operations and for the reclamation of lands or waters affected by exploration or mining operations. The general requirements shall be made known in writing to the applicant before the issuance of a permit or lease and upon acceptance thereof by the applicant, shall be incorporated in the permit or lease.

(c) In each instance in which an application is made the mining supervisor shall participate in the technical examination and in the formulation of the general requirements.

(d) The superintendent may prohibit or otherwise restrict operations on any part of an area whenever it is determined that such part of the area described in an application for a permit or lease is such that previous experience under similar conditions has shown that operations cannot feasibly be conducted by any known methods or measures to avoid—

(1) Rock or landslides which would be a hazard to human lives or endanger or destroy private or public property; or

(2) Substantial deposition of sediment and silt into streams, lakes, reservoirs; or

(3) A lowering of water quality below standards established by the appropriate State water pollution control agency, or by the Secretary of the Interior, or his authorized representative; or

(4) A lowering of the quality of waters whose quality exceeds that required by the established standards—unless and until it has been affirmatively demonstrated to the Secretary of the Interior, or his authorized representative, that such lowering of quality is necessary to economic and social development and will not preclude any assigned uses made of such waters; or

(5) The destruction of key wildlife habitat or important scenic, historical, or other natural or cultural features.

(e) If, on the basis of a technical examination, the superintendent determines that there is a likelihood that there will be a lowering of water quality as described in paragraphs (d) (3) and (4) of this section caused by the operation, no lease or permit shall be issued until after consultation with the Federal Water Pollution Control Administration and a finding by the Administration that the proposed operation would not be in violation of the Federal Water Pollution Control Act, as amended (33 U.S.C. 466, et seq.), or of Executive Order No. 11288 (31 FR 9261). Where a permit or lease is involved the Superintendent’s determination shall be made in consultation with the mining supervisor.

§216.5 Basis for denial of a permit or lease.

An application for a permit or lease to conduct exploratory or mining operations may be denied any applicant who has forfeited a required bond because of failure to comply with a mining plan. However, a permit or lease may not be denied an applicant because of the forfeiture of a bond if the lands disturbed under his previous permit or lease have subsequently been reclaimed without cost to the lessor or the United States.

§216.6 Approval of exploration plan.

(a) Before commencing any surface disturbing operations to explore, test or prospect for minerals, the operator shall file with the mining supervisor a plan for the proposed exploration operations. The mining supervisor shall
consult with the superintendent with respect to the surface protection and reclamation aspects before approving said plan.

(b) Depending upon the size and nature of the operation and the requirements established pursuant to §216.4 the mining supervisor may require that the exploration plan submitted by the operator include any or all of the following:

(1) A description of the area within which exploration is to be conducted;
(2) Two copies of a suitable map or aerial photograph showing topographic, cultural and drainage features;
(3) A statement of proposed exploration methods; i.e., drilling, trenching, etc., and the location of primary support roads and facilities;
(4) A description of measures to be taken to prevent or control fire, soil erosion, pollution of surface and ground water, damage to fish and wildlife or other natural resources, and hazards to public health and safety both during and upon abandonment of exploration activities.

(c) The mining supervisor shall promptly review the exploration plan submitted to him by the operator and shall indicate to the operator any changes, additions, or amendments necessary to meet the requirements formulated pursuant to §216.4, the provisions of these regulations, and the terms of the permit.

(d) The operator shall comply with the provisions of an approved exploration plan. The mining supervisor may, with respect to such a plan, exercise the authority provided by paragraphs (f) and (g) of §216.7 respecting a mining plan.

§ 216.7 Approval of mining plan.

(a) Before surface mining operations may commence under any permit or lease, the operator must file a mining plan with the mining supervisor and obtain his approval of the plan. The mining supervisor shall consult with the superintendent with respect to the surface protection and reclamation aspects before approving said plan.

(b) Depending on the size and nature of the operation and the requirements established pursuant to §216.4 the mining supervisor may require that the mining plan submitted by the operator include any or all of the following:

(1) A description of the location and area to be affected by the operations;
(2) Two copies of a suitable map, or aerial photograph showing the topography, the area covered by the permit or lease, the name and location of major topographic and cultural features, and the drainage plan away from the area affected;
(3) A statement of proposed methods of operating, including a description of proposed roads or vehicular trails; the size and location of structures and facilities to be built;
(4) An estimate of the quantity of water to be used and pollutants that are expected to enter any receiving waters;
(5) A design for the necessary impoundment, treatment or control of all runoff water and drainage from workings so as to reduce soil erosion and sedimentation and to prevent the pollution of receiving waters;
(6) A description of measures to be taken to prevent or control fire, soil erosion, pollution of surface and ground water, damage to fish and wildlife, and hazards to public health and safety; and
(7) A statement of the proposed manner and time of performance of work to reclaim areas disturbed by the holder’s operation.

(c) In those instances in which the permit or lease requires the revegetation of an area of land to be affected, the mining plan shall show:

(1) Proposed methods of preparation and fertilizing the soil prior to replanting;
(2) Types and mixtures of shrubs, trees, or tree seedlings, grasses or legumes to be planted; and
(3) Types and methods of planting, including the amount of grasses or legumes per acre, or the number and spacing of trees, or tree seedlings, or combinations of grasses and trees.

(d) In those instances in which the permit or lease requires regrading and backfilling, the mining plan shall show the proposed methods and the timing of grading and backfilling of areas of land to be affected by the operation.
§ 216.8 Performance bond.

(a) Upon approval of an exploration plan or mining plan, the operator shall be required to file a suitable performance bond of not less than $2,000 with satisfactory surety, payable to the Secretary of the Interior, and the bond shall be conditioned upon the faithful compliance with applicable regulations, the terms and conditions of the permit, lease, or contract, and the exploration or mining plan as approved, amended or supplemented. The bond shall be in an amount sufficient to satisfy the reclamation requirements established pursuant to an approved exploration or mining plan, or an approved partial or supplemental plan. In determining the amount of the bond consideration shall be given to the character and nature of the reclamation requirements and the estimated costs of reclamation in the event that the operator forfeits his performance bond. In lieu of a surety bond an operator may elect to deposit cash or negotiable bonds of the U.S. government. The cash deposit or the market value of such securities shall be equal at least to the required sum of the bond.

(b) In a particular instance where the circumstances are such as to warrant an exception, the amount of the bond for a particular operation may be reduced to less than the required minimum of $2,000.

(c) The superintendent shall set the amount of a bond and take the necessary action for an increase or for a complete or partial release of a bond. He shall take action with respect to bonds for leases or permits only after consultation with the mining supervisor.

§ 216.9 Reports.

(a) Within 30 days after the end of each calendar year, or if operations cease before the end of a calendar year, within 30 days after the cessation of operations, the operator shall submit an operations report to the mining supervisor containing the following information:

(1) An identification of the permit or lease and the location of the operation.

(2) A description of the operations performed during the period of time for which the report is filed.

(3) An identification of the area of land affected by the operations and a description of the manner in which the land has been affected.

(4) A statement as to the number of acres disturbed by the operations and the number of acres which were reclaimed during the period of time.

(5) A description of the method utilized for reclamation and the results thereof.

(6) A statement and description of reclamation work remaining to be done.

(b) Upon completion of such grading and backfilling as may be required by
an approved exploration or mining plan, the operator shall make a report thereon to the mining supervisor and request inspection for approval. Whenever it is determined by such inspection that backfilling and grading have been carried out in accordance with the established requirements and approved exploration or mining plan, the superintendent shall issue a release of an appropriate amount of the performance bond for the area graded and backfilled. Appropriate amounts of the bond shall be retained to assure that satisfactory planting, if required, is carried out.

(c)(1) Whenever planting is required by an approved exploration or mining plan, the operator shall file a report with the superintendent whenever such planting is completed. The report shall—

(i) Identify the permit or lease;

(ii) Show the type of planting or seeding, including mixtures and amounts;

(iii) Show the date of planting or seeding;

(iv) Identify or describe the areas of the lands which have been planted;

(v) Contain such other information as may be relevant.

(2) The superintendent, as soon as possible after the completion of the first full growing season, shall make an inspection and evaluation of the vegetative cover and planting to determine if a satisfactory growth has been established.

(3) If it is determined that a satisfactory vegetative cover has been established and is likely to continue to grow, any remaining portion of the surety bond may be released if all requirements have been met by the operator.

(d)(1) Not less than 30 days prior to cessation or abandonment of operations, the operator shall report to the mining supervisor his intention to cease or abandon operations, together with a statement of the exact number of acres of land affected by his operations, the extent of reclamation accomplished and other relevant information.

(2) Upon receipt of such report an inspection shall be made to determine whether operations have been carried out in accordance with the approved exploration or mining plan.

§216.10 Inspection: Notice of noncompliance: Revocation.

(a) The mining supervisor and superintendent shall have the right to enter upon the lands under a permit or lease, at any reasonable time, for the purpose of inspection or investigation to determine whether the terms and conditions of the permit or lease and the requirements of the exploration or mining plan have been complied with.

(b) If the mining supervisor determines that an operator has failed to comply with the terms and conditions of a permit or lease, or with the requirements of an exploration or mining plan, or with the provisions of applicable regulations, the superintendent shall serve a notice of noncompliance upon the operator by delivery in person to him or his agent or by certified or registered mail addressed to the operator at his last known address.

(c) A notice of noncompliance shall specify in what respects the operator has failed to comply with the terms and conditions of a permit or lease or the requirements of an exploration or mining plan, or the provisions of applicable regulations, and shall specify the action which must be taken to correct the noncompliance and the time limits within which such action must be taken.

(d) Failure of the operator to take action in accordance with the notice of noncompliance shall be grounds for suspension by the mining supervisor of operations or for the initiation of action for the cancellation of the permit or lease and for forfeiture of the surety bond required under §216.8.

§216.11 Appeals.

An applicant, permittee, lessee, or lessor aggrieved by a decision or order of a mining supervisor or superintendent may appeal such decision or order. § 225.35 Inspection of premises; books and accounts.

(a) Operators shall allow Indian mineral owners, their authorized representatives, or any authorized representatives of the Secretary to enter all parts of the minerals agreement area for the purpose of inspection. Operators shall keep a full and correct account of all operations and submit all related reports required by the minerals agreement and applicable regulations. Books and records shall be available for inspection during regular business hours.

(b) Operators shall provide records to the Minerals Management Service (MMS) in accordance with MMS regulations and guidelines. All records pertaining to a minerals agreement shall be maintained by an operator in accordance with 30 CFR part 212.
§ 225.36 Minerals agreement cancellation; Bureau of Indian Affairs notice of noncompliance.

(a) If the Secretary determines that an operator has failed to comply with the regulations in this part; other applicable laws or regulations; the terms of the minerals agreement; the requirements of an approved exploration, drilling or mining plan; Secretarial orders; or the orders of the Authorized Officer, the Director’s Representative, or the MMS Official, the Secretary may:

(1) Serve a notice of noncompliance; or

(2) Serve a notice of proposed cancellation.

(b) The notice of noncompliance shall specify in what respect the operator has failed to comply with the requirements referenced in paragraph (a), and shall specify what actions, if any, must be taken to correct the noncompliance.

(c) The notice of proposed cancellation shall set forth the reasons why cancellation is proposed.

(d) The notice of proposed cancellation or noncompliance shall be served upon the operator by delivery in person or by certified mail to the operator at the operator’s last known address. When certified mail is used, the date of service shall be deemed to be when received or five (5) working days after the date it is mailed, whichever is earlier.

(e) The operator shall have thirty (30) days (or such longer time as specified in the notice) from the date that the Bureau of Indian Affairs notice of proposed cancellation or noncompliance is served to respond, in writing, to the Superintendent or Area Director actually issuing the notice.

(f) If the operator fails to take any action that may be prescribed in the notice of proposed cancellation, fails to file a timely written response to the notice, or files a written response that does not, in the discretion of the Secretary, adequately justify the operator’s failure to comply, then the Secretary may cancel the minerals agreement, specifying the basis for the cancellation. Cancellation of a minerals agreement shall not relieve the operator of any continuing obligation under the minerals agreement.

(g) If an operator fails to take corrective action or to file a timely written response adequately justifying the operator’s actions pursuant to a notice of noncompliance, the Secretary may issue an order of cessation. If the operator fails to comply with the order of cessation, or fails to timely file an appeal of the order of cessation pursuant to paragraph (k) of this section, the Secretary may issue an order of minerals agreement cancellation.

(h) This section does not limit any other remedies of the Indian mineral owner as set forth in the minerals agreement.

(i) Nothing in this section is intended to limit the authority of the Authorized Officer, the Director’s Representative, the MMS Official, and the Superintendent or Area Director to take any enforcement action authorized pursuant to statute or regulation.

(j) The Authorized Officer, the Director’s Representative, the MMS Official, and the Superintendent or Area Director should consult with one another before taking any enforcement actions.

(k) If orders of cessation or minerals agreement cancellation issued pursuant to this section are issued by a designee of the Secretary other than the Assistant Secretary for Indian Affairs, the orders may be appealed under 25 CFR part 2. If the orders are issued by the Secretary or the Assistant Secretary for Indian Affairs, and not one of their delegates or subordinates, the orders are the final orders of the Department.

§ 225.37 Penalties.

(a) In addition to or in lieu of cancellation under § 225.36, violations of the terms and conditions of any minerals agreement, the regulations in this part, other applicable laws or regulations, or failure to comply with a notice of noncompliance or a cessation order issued by the Secretary may subject an operator to a penalty of not more than $1,000 per day for each day
that such a violation or noncompliance continues beyond the time limits prescribed for corrective action.

(b) A notice of a proposed penalty shall be served on the operator either personally or by certified mail to the operator at the operator’s last known address. The date of service by certified mail shall be deemed to be the date received or five (5) working days after the date mailed, whichever is earlier.

(c) The notice shall specify the nature of the violation and the proposed penalty, and shall specifically advise the operator of the operator’s right to either request a hearing within thirty (30) days of receipt of the notice or pay the proposed penalty. Hearings shall be held before the Superintendent or Area Director whose findings shall be conclusive, unless an appeal is taken pursuant to 25 CFR part 2. If within thirty (30) days of receipt of the notice of proposed penalty the operator has not requested a hearing or paid the amount of the proposed penalty, a final notice of penalty shall be served.

(d) If the person served with a notice of proposed penalty requests a hearing, penalties shall accrue each day the violations or noncompliance set forth in the notice continue beyond the time limits presented for corrective action. The Secretary may issue a written suspension of the requirement to correct the violations pending completion of the hearings provided by this section only upon a determination, at the discretion of the Secretary, that such a suspension will not be detrimental to the Indian mineral owner and upon submission and acceptance of a bond deemed adequate to indemnify the Indian mineral owner from loss or damage. The amount of the bond must be sufficient to cover the cost of correcting the violations set forth in the notice or any disputed amounts plus accrued penalties and interest.

(e) Payment of penalties in full more than ten (10) days after a final decision imposing a penalty shall subject the operator to late payment charges. Late payment charges shall be calculated on the basis of a percentage assessment rate of the amount unpaid per month for each month or fraction thereof until payment is received by the Secretary. In the absence of a specific minerals agreement provision prescribing a different rate, the interest rate on late payments and underpayments shall be a rate applicable under section 6621(a)(2) of the Internal Revenue Code of 1954. Interest shall be charged only on the amount of payment not received and only for the number of days the payment is late.

(f) None of the provisions of this section shall be interpreted as:

1. Replacing or superseding the independent authority of the Authorized Officer, the Director’s Representative, or the MMS Official to impose penalties under applicable statutory or regulatory authorities;

2. Replacing, superseding, or replicating any penalty provision in the terms and conditions of a minerals agreement approved by the Secretary pursuant to this part; or

3. Authorizing the imposition of a penalty for violations of minerals agreement provisions for which the Authorized Officer, Director’s Representative, or MMS Official has either statutory or regulatory authority to assess a penalty.

§ 225.38 Appeals.

Appeals from decisions of Officials of the Bureau of Indian Affairs under this part may be taken pursuant to 25 CFR part 2.

§ 225.39 Fees.

(a) Unless otherwise authorized by the Secretary, each minerals agreement or assignment thereof, shall be accompanied by a filing fee of $75.00 at the time of filing.

(b) An Indian mineral owner shall not be required to pay a filing fee if the Indian mineral owner, pursuant to a provision in the existing minerals agreement, acquires an additional interest in that minerals agreement.

§ 225.40 Government employees cannot acquire minerals agreements.

U.S. Government employees are prevented from acquiring any interest(s) in minerals agreements by the provisions of 25 CFR part 140 and 43 CFR part 20 pertaining to conflicts of interest and ownership of an interest in trust land.

(f) Oil and gas lessee means any person, firm, or corporation to whom an oil and gas mining lease is made under the regulations in this part.

(g) Primary term means the basic period of time for which a lease is issued during which the lease contract may be kept in force by payment of rentals.
Section 226.2

(h) Major purchaser means any one of the minimum number of purchasers taking 95 percent of the oil in Osage County, Oklahoma. Any oil purchased by a purchaser from itself, its subsidiaries, partnerships, associations, or other corporations in which it has a financial or management interest shall be excluded from the determination of a major purchaser.

(i) Casinghead gas means gas produced from an oil well as a consequence of oil production from the same formation.

(j) Natural gas means any fluid, either combustible or noncombustible, recovered at the surface in the gaseous phase and/or hydrocarbons recovered at the surface as liquids which are the result of condensation caused by reduction of pressure and temperature of hydrocarbons originally existing in a reservoir in the gaseous phase.

(k) Authorized representative of an oil lessee, gas lessee, or oil and gas lessee means any person, group, or groups of persons, partnership, association, company, corporation, organization or agent employed by or contracted with a lessee or any subcontractor to conduct oil and gas operations or provide facilities to market oil and gas.

(l) Oil well means any well which produces one (1) barrel or more of crude petroleum oil for each 15,000 standard cubic feet of natural gas.

(m) Gas well means any well which:

(2) Produces more than 15,000 standard cubic feet of natural gas to each barrel of crude petroleum oil from the same producing formation.

 § 226.2 Sale of leases.

(a) Written application, together with any nomination fee, for tracts to be offered for lease shall be filed with the Superintendent.

(b) The Superintendent, with the consent of the Osage Tribal Council, shall publish notices for the sale of oil leases, gas leases, and oil and gas leases to the highest responsible bidder on specific tracts of the unleased Osage Mineral Estate. The Superintendent may require any bidder to submit satisfactory evidence of his good faith and ability to comply with all provisions of the notice of sale. Successful bidders must deposit with the Superintendent on day of sale a check or cash in an amount not less than 25 percent of the cash bonus offered as a guaranty of good faith. Any and all bids shall be subject to the acceptance of the Osage Tribal Council and approval of the Superintendent. Within 20 days after notification of being the successful bidder, and said bidder must submit to the Superintendent the balance of the cash bonus, a $10 filing fee, and the lease in completed form. The Superintendent may extend the time for the completion and submission of the lease form, but no extension shall be granted for remitting the balance of moneys due. If the bidder fails to pay the full cash consideration within said period or fails to file the completed lease within said period or extension thereof, or if the lease is rejected through no fault of the Osage Tribal Council or the Superintendent, 25 percent of the cash bonus bid will be forfeited for the use and benefits of the Osage Tribe. The Superintendent may reject a lease made on an accepted bid, upon evidence satisfactory to him of collusion, fraud, or other irregularity in connection with the notice of sale. The Superintendent may approve oil leases, gas leases, and oil and gas leases made by the Osage Tribal Council in conformity with the notice of sale, regulations in this part, bonds, and other instruments required.

(c) Each oil and/or gas lease and activities and installations associated therewith subject to these regulations shall be assessed and evaluated for its environmental impact prior to its approval by the Superintendent.

(d) Lessee shall accept a lease with the understanding that a mineral not covered by his lease may be leased separately.

(e) No lease, assignment thereof, or interest therein will be approved to any employee or employees of the Government and no such employee shall be
§ 226.3 Surrender of lease.

Lessee may, with the approval of the Superintendent and payment of a $10 filing fee, surrender all or any portion of any lease, have the lease cancelled as to the portion surrendered and be relieved from all subsequent obligations and liabilities. If the lease, or portion being surrendered, is owned in undivided interests by more than one party, then all parties shall join in the application for cancellation: Provided, That if this lease has been recorded, Lessee shall execute a release and record the same in the proper office. Such surrender shall not entitle Lessee to a refund of the unused portion of rental paid in lieu of development, nor shall it relieve Lessee and his sureties of any obligation and liability incurred prior to such surrender: Provided further, That when there is a partial surrender of any lease and the acreage to be retained is less than 160 acres or there is a surrender of a separate horizon, such surrender shall become effective only with the consent of the Osage Tribal Council and approval of the Superintendent.

§ 226.4 Form of payment.

Sums due under a lease contract and/or the regulations in this part shall be paid by cash or check made payable to the Bureau of Indian Affairs and delivered to the Osage Agency, Pawhuska, Oklahoma 74056. Such sums shall be a prior lien on all equipment and unsold oil on the leased premises.

§ 226.5 Leases subject to current regulations.

Leases issued pursuant to this part shall be subject to the current regulations of the Secretary, all of which are made a part of such leases: Provided, That no amendment or change of such regulations made after the approval of any lease shall operate to affect the term of the lease, rate of royalty, rental, or acreage unless agreed to by both parties and approved by the Superintendent.

§ 226.6 Bonds.

Lessees shall furnish with each lease a corporate surety bond acceptable to the Superintendent as follows:

(a) A bond on Form D shall be filed with each lease submitted for approval. Such bond shall be in an amount of not less than $5,000 for each quarter section or fractional quarter section covered by said lease: Provided, however, That one bond in the penal sum or not less than $50,000 may be filed on Form G covering all oil, gas and combination oil and gas leases not in excess of 10,240 acres to which Lessee is or may become a party.

(b) In lieu of the bonds required under paragraph (a) of this section, a bond in the penal sum of $150,000 may be filed on Form 5-5438 for full nationwide coverage of all leases, without geographic or acreage limitation, to which the Lessee is or may become a party.

(c) A bond on Form H shall be filed in an amount of not less than $5,000 covering a lease acquired through assignment where the assignee does not have a collective bond on form G or nationwide bond, or the corporate surety does not execute its consent to remain bound under the original bond given to secure the faithful performance of the terms and conditions of the lease.

(d) The right is specifically reserved to increase the amount of bonds prescribed in paragraphs (a) and (c) of this section in any particular case when the Superintendent deems it proper.
§ 226.9 Rental and drilling obligations.

(a) Oil leases, gas leases, and combination oil and gas leases. Unless Lessee shall complete and place on production a well producing and selling oil and/or gas in paying quantities on the land embraced within the lease within 12 months from the date of approval of the lease, or as otherwise provided in the lease terms, or 12 months from the date the Superintendent consents to drilling on any restricted homestead selection, the lease shall terminate unless rental at the rate of not less than $1 per acre for an oil or gas lease, or not less than $2.00 per acre for a combination oil and gas lease, shall be paid before the end of the first year of the lease. The lease may also be held for the remainder of its primary term without drilling upon payment of the specified rental annually in advance, commencing with the second lease year. The lease shall terminate as of the due date of the rental unless such rental shall be received by the Superintendent, or shall have been mailed as indicated by postmark on or before said date. The completion of a well producing in paying quantities shall, for so long as such production continues, relieve Lessee from any further payment of rental, except that should such production cease during the primary term the lease may be continued only during the remaining primary term of the lease by payment of advance rental which shall commence on the next anniversary date of the lease. Rental shall be paid on the basis of a full year and no refund will be made of advance rental paid in compliance with the regulations in this part: Provided, That the Superintendent in his discretion may order further development of any leased acreage or separate horizon if, in his opinion, a prudent operator would conduct further development. If Lessee refuses to comply, the refusal will be considered a violation of the lease terms and said lease shall be subject to cancellation as to the acreage or horizon the further development of which was ordered: Provided further, That the Superintendent may impose restrictions as to time of drilling and rate of production from any well or wells when in his judgment, such action may be necessary or proper for the protection of the natural resources of the leased land and the interests of the Osage Tribe. The superintendent may consider, among other things, Federal and Oklahoma laws regulating either drilling or production. If a lessee holds both an oil lease and a gas lease covering the same acreage, such lessee is subject to the provisions of this section as to both the oil lease and the gas lease.

(b) The Superintendent may, with the consent of and under terms approved by the Osage Tribal Council, grant an extension of the primary term of a lease on which the actual drilling of a well shall have commenced within the term thereof or for the purpose of enabling Lessee to obtain a market for his oil and/or gas production.

§ 226.10 Term of lease.

Leases issued hereunder shall be for a primary term as established by the Osage Tribal Council, approved by the Superintendent, and so stated in the notice of sale of such leases and so long thereafter as the minerals specified are produced in paying quantities.

§ 226.11 Royalty payments.

(a) Royalty on oil—(1) Royalty rate. Lessee shall pay or cause to be paid to the Superintendent, as royalty, the sum of not less than 162/3 percent of the gross proceeds from sales after deducting the oil used by Lessee for development and operation purposes on the lease: Provided, That when the quantity of oil taken from all the producing wells on any quarter-section or fraction thereof, according to the public survey, during any calendar month is sufficient to average one hundred or more barrels per active producing well per day the royalty on such oil shall be not less than 20 percent. The Osage Tribal Council may, upon presentation of justifiable economic evidence by Lessee, agree to a revised royalty rate subject to approval by the Superintendent, applicable to additional oil produced from a lease or leases by enhanced recovery processes, other than gas injection, after deducting the oil used by Lessee for development and operating purposes on the lease or leases.

(2) Unless the Osage Tribal Council, with approval of the Secretary, shall elect to take the royalty in kind, payment is owing at the time of sale or removal of the oil, except where payments are made on division orders, and settlement shall be based on the actual selling price, but at not less than the highest posted price by a major purchaser (as defined in §226.1(h)) in Osage County, Oklahoma, who purchases production from Osage oil leases.

(3) Royalty in kind. Should Lessor, with approval of the Secretary, elect to take the royalty in kind, Lessee shall furnish free storage for royalty oil for a period not to exceed 60 days from date of production after notice of such election.

(b) Royalty on gas—(1) Oil lease. All casinghead gas shall belong to the oil Lessee subject to any rights under existing gas leases. All casinghead gas removed from the lease from which it is produced shall be metered unless otherwise approved by the Superintendent and be subject to a royalty of not less than 16% percent of the market value of the gas and all products extracted therefrom, less a reasonable allowance for manufacture or processing. If an oil Lessee supplies casinghead gas produced from one lease for operation and/or development of other leases, either his/hers or others, a royalty of not less than 16% percent shall be paid on the market value of all casinghead gas so used. All casinghead gas not utilized by the oil Lessee may, with the approval of the Superintendent, be utilized or sold by the gas Lessee, subject to the prescribed royalty of not less than 16% percent of the market value.

(2) Gas lease. Lessee shall pay a royalty of not less than 16 2/3 percent of the market value of all natural gas and products extracted therefrom produced and sold from his lease. Natural gas used in the reasonable and prudent operation and development of said lease shall be exempted from royalty payment.

(3) Combination oil and gas lease. Lessee shall pay royalty as provided in paragraphs (b)(1) and (2) of this section.

(c) Minimum royalty. In no event shall the royalty paid from producing leases during any year be less than an amount equal to the annual rental specified for the lease. Any underpayment of minimum royalty shall be due and payable within 45 days following the end of the lease year. After the primary term, Lessee shall submit with his payment evidence that the lease is producing in paying quantities. The Superintendent is authorized to determine whether the lease is actually producing in paying quantities or has terminated for lack of such production. Payment for any underpayment not made within the time specified shall be subject to a late charge at the rate of not less than 1 1/2%
percent per month for each month or fraction thereof until paid.

§ 226.12 Government reserves right to purchase oil.

Any of the executive departments of the U.S. Government shall have the option to purchase all or any part of the oil produced from any lease at not less than the highest posted price as defined in §226.11.

§ 226.13 Time of royalty payments and reports.

(a) Royalty payments due may be paid by either purchaser or Lessee. Unless otherwise provided by the Osage Tribal Council and approved by the Superintendent, all payments shall be due by the 25th day of each month and shall cover the sales of the preceding month. Failure to make such payments shall subject Lessee or purchaser, whoever is responsible for royalty payment, to a late charge at the rate of not less than 1½ percent per month or fraction thereof until paid. The Osage Tribal Council, subject to the approval of the Superintendent, may waive the late charges.

(b) Lessee shall furnish certified monthly reports by the 25th of each following month covering all operations, whether there has been production or not, indicating therein the total amount of oil, natural gas, casinghead gas, and other products subject to royalty payment.

(c) Failure to remit payments or reports shall subject Lessee to further penalties as provided in §§226.42 and 226.43 and shall subject the division order to cancellation.

§ 226.14 Contracts and division orders.

(a) Lessee may enter into division orders or contracts with the purchasers of oil, gas, or derivatives therefrom which will provide for the purchaser to make payment of royalty in accordance with his lease: Provided, That such division orders or contracts shall not relieve Lessee from responsibility for the payment of the royalty should the purchaser fail to pay. No production shall be removed from the leased premises until a division order and/or contract and its terms are approved by the Superintendent: Provided further, That the Superintendent may grant temporary permission to run oil or gas from a lease pending the approval of a division order or contract. Lessee shall file a certified monthly report and pay royalty on the value of all oil and gas used off the premises for development and operating purposes. Lessee shall be responsible for the correct measurement and reporting of all oil and/or gas taken from the leased premises.

(b) Lessee shall require the purchaser of oil and/or gas from his/her lease or leases to furnish the Superintendent, no later than the 25th day of each month, a statement reporting the gross barrels of oil and/or gross Mcf of gas sold during the preceding month. The Superintendent may authorize an extension of time, not to exceed 10 days, for furnishing this statement.

§ 226.15 Unit leases, assignments and related instruments.

(a) Unitization of leases. The Osage Tribal Council and Lessee or Lessees, may, with the approval of the Superintendent, unitize or merge, two or more oil or oil and gas leases into a unit or cooperative operating plan to promote the greatest ultimate recovery of oil and gas from a common source of supply or portion thereof embracing the lands covered by such lease or leases. The cooperative or unit agreement shall be subject to the regulations in this part and applicable laws governing the leasing of the Osage Mineral Estate. Any agreement between the parties in interest to terminate a unit or cooperative agreement as to all or any portion of the lands included shall be submitted to the Superintendent for his approval. Upon approval the leases included thereunder shall be restored to their original terms: Provided, That for the purpose of preventing waste and to promote the
§226.16 Commencement of operations.

(a) No operations shall be permitted upon any tract of land until a lease covering such tract shall have been approved by the Superintendent: Provided, That the Superintendent may grant authority to any party under such rules, consistent with the regulations in this part that he deems proper, to conduct geophysical and geological exploration work.

(c) Overriding royalty. Agreements creating overriding royalties or payments out of production shall not be considered as an interest in a lease as such term is used in paragraph (b) of this section. Agreements creating overriding royalties or payments out of production are hereby authorized and the approval of the Department of the Interior or any agency thereof shall not be required with respect thereto, but such agreements shall be subject to the condition that nothing in any such agreement shall be construed as modifying any of the obligations of Lessee under his lease and the regulations in this part. All such obligations are to remain in full force and effect, the same as if free of any such royalties or payments. The existence of agreements creating overriding royalties or payments out of production, whether or not actually paid, shall not be considered in justifying the shutdown or abandonment of any well. Agreements creating overriding royalties or payments out of production need not be filed with the Superintendent unless incorporated in assignments or instruments required to be filed pursuant to paragraph (b) of this section. An agreement creating overriding royalties or payment out of production shall be suspended when the working interest income per active producing well is equal to or less than the operational cost of the well, as determined by the Superintendent.

(e) Drilling contracts. The Superintendent is authorized to approve drilling contracts with a stipulation that such approval does not in any way bind the Department to approve subsequent assignments that may be provided for in said contracts. Approval merely authorizes entry on the lease for the purpose of development work.

(e) Combining leases. The lessee owning both an oil lease and gas lease covering the same acreage is authorized to convert such leases to a combination oil and gas lease.

§ 226.19 Use of surface of land.

(a) Lessee or his/her authorized representative shall have the right to use so much of the surface of the land within the Osage Mineral Estate as may be reasonable for operations and marketing. This includes but is not

§ 226.18 Information to be given surface owners prior to commencement of drilling operations.

Except for the surveying and staking of a well, no operations of any kind shall commence until the lessee or his/her authorized representative shall meet with the surface owner or his/her representative, if a resident of and present in Osage County, Oklahoma. Unless waived by the Superintendent or otherwise agreed to between the lessee and surface owner, such meeting shall be held at least 10 days prior to the commencement of any operations, except for the surveying and staking of the well. At such meeting lessee or his/her authorized representative shall comply with the following requirements:

(a) Indicate the location of the well or wells to be drilled.
(b) Arrange for route of ingress and egress. Upon failure to agree on route ingress and egress, said route shall be set by the Superintendent.
(c) Impart to said surface owners the name and address of the party or representative upon whom the surface owner shall serve any claim for damages which he may sustain from mineral development or operations, and as to the procedure for settlement thereof as provided in § 226.21.
(d) Where the drilling is to be on restricted land, lessee or his authorized representative in the manner provided above shall meet with the Superintendent.
(e) When the surface owner or his/her representative is not a resident of, or is not physically present in, Osage County, Oklahoma, or cannot be contacted at the last known address, the Superintendent may authorize lessee to proceed with operations.

§ 226.17 How to acquire permission to begin operations on a restricted homestead allotment.

(a) Lessee may conduct operations within or upon a restricted homestead selection only with the written consent of the Superintendent.
(b) If the allottee is unwilling to permit operations on his homestead, the Superintendent will cause an examination of the premises to be made with the allottee and lessee or his representative. Upon finding that the interests of the Osage Tribe require that the tract be developed, the Superintendent will endeavor to have the parties agree upon the terms under which operations on the homestead may be conducted.
(c) In the event the allottee and lessee cannot reach an agreement, the matter shall be presented by all parties before the Osage Tribal Council, and the Council shall make its recommendations. Such recommendations shall be considered as final and binding upon the allottee and lessee. A guardian may represent the allottee. Where no one is authorized or where no person is deemed by the Superintendent to be a proper party to speak for a person of unsound mind or feeble understanding, the Principal Chief of the Osage Tribe shall represent him.
(d) If the allottee or his representative does not appear before the Osage Tribal Council when notified by the Superintendent, or if the Council fails to act within 10 days after the matter is referred to it, the Superintendent may authorize lessee to proceed with operations in conformity with the provisions of his lease and the regulations in this part.

(b) Lessee shall submit applications on forms to be furnished by the Superintendent and secure his approval before:
(1) Well drilling, treating, or work-over operations are started on the leased premises.
(2) Removing casing from any well.
(c) Lessee shall notify the Superintendent a reasonable time in advance of starting work, of intention to drill, redrill, deepen, plug, or abandon a well.
§ 226.20 Settlement of damages claimed.

(a) Lessee or his authorized representative or geophysical permittee shall pay for all damages to growing crops, any improvements on the lands, and all other surface damages as may be occasioned by operations. Commencement money shall be a credit toward the settlement of the total damages occasioned by the drilling and completion of the well for which it was paid. Since actual damage to the surface from operations cannot necessarily be ascertained prior to the completion of a well as a serviceable well or dry hole, a damage settlement covering the drilling operation need not be made until after completion of drilling operations.

(c) Where the surface is restricted land, commencement money shall be paid to the Superintendent for the landowner. All other surface owners shall be paid or tendered such commencement money direct. Where such surface owners are not residents of Osage County nor have a representative located therein, such payment shall be made or tendered to the last known address of the surface owner at least 5 days before commencing drilling operation on any well: Provided, That should lessee be unable to reach the owner of the surface of the land for the purpose of tendering the commencement money or if the owner of the surface of the land shall refuse to accept the same, lessee shall deposit such amount with the Superintendent by check payable to the Bureau of Indian Affairs. The superintendent shall thereupon advise the owner of the surface of the land by mail at his last known address that the commencement money is being held for payment to him upon his written request.

(d) Lessee shall also pay fees for tank sites not exceeding 50 feet square at the rate of $100 per tank site or other vessel: Provided, That no payment shall be due for a tank temporarily set on a well location site for drilling, completing, or testing. The sum to be paid for a tank occupying more than 50 feet square shall be agreed upon between the surface owner and lessee or, on failure to agree, the same shall be determined by arbitration as provided by § 226.21.

§ 226.20 Settlement of damages claimed.

(a) Lessee or his authorized representative or geophysical permittee shall pay for all damages to growing crops, any improvements on the lands, and all other surface damages as may be occasioned by operations. Commencement money shall be a credit toward the settlement of the total damages occasioned by the drilling and completion of the well for which it was paid. Since actual damage to the surface from operations cannot necessarily be ascertained prior to the completion of a well as a serviceable well or dry hole, a damage settlement covering the drilling operation need not be made until after completion of drilling operations.

§ 226.21 Procedure for settlement of damages claimed.

Where the surface owner or his lessee suffers damage due to the oil and gas operations and/or marketing of oil or gas by lessee or his authorized representative, the procedure for recovery shall be as follows:

(a) The party or parties aggrieved shall, as soon as possible after the discovery of any damages, serve written notice to Lessee or his authorized representative as provided by §226.18. Written notice shall contain the nature and location of the alleged damages, the date of occurrence, the names of the party or parties causing said damages, and the amount of damages. It is not intended by this requirement to limit the time within which action may be brought in the courts to less than the 90-day period allowed by section 2 of the Act of March 2, 1929 (45 Stat. 1478, 1479).

(b) If the alleged damages are not adjusted at the time of such notice, Lessee or his authorized representative shall try to adjust the claim with the party or parties aggrieved within 20 days from receipt of the notice. If the claimant is the owner of restricted property and a settlement results, a copy of the settlement agreement shall be filed with the Superintendent. If the settlement agreement is approved by the Superintendent, payment shall be made to the Superintendent for the benefit of said claimant.

(c) If the parties fail to adjust the claim within the 20 days specified, then within 10 days thereafter each of the interested parties shall appoint an arbitrator who immediately upon their appointment shall agree upon a third arbitrator. If the two arbitrators shall fail to agree upon a third arbitrator within 10 days, they shall immediately notify the parties in interest. If said parties cannot agree upon a third arbitrator within 5 days after receipt of such notice, the Superintendent shall appoint the third arbitrator.

(d) Any person claiming an interest in any leased tract or in damages thereto, must furnish to the Superintendent a statement in writing showing said claimed interest. Failure to furnish such statement shall constitute a waiver of notice and estop said person from claiming any part of such damages after the same shall have been disbursed.

§ 226.22 Prohibition of pollution.

(a) All operators, contractors, drillers, service companies, pipe pulling and salvaging contractors, or other persons, shall at all times conduct their operations and drill, equip, operate, produce, plug and abandon all wells drilled for oil or gas, service wells or exploratory wells (including seismic, core and stratigraphic holes) in a manner that will prevent pollution and the migration of oil, gas, salt water or other substance from one stratum into another, including any fresh water bearing formation.

(b) Pits for drilling mud or deleterious substance used in the drilling, completion, recompletion, or workover of any well shall be constructed and maintained to prevent pollution of surface and subsurface fresh water. These pits shall be enclosed with a fence of at least four strands of barbed wire, or an approved substitute, stretched taut to adequately braced corner posts, unless the surface owner, user, or the Superintendent gives consent to the contrary. Immediately after completion of operations, pits shall be emptied and leveled unless otherwise requested by surface owner or user.

(c) Drilling pits shall be adequate to contain mud and other material extracted from wells and shall have adequate storage to maintain a supply of mud for use in emergencies.

(d) No earthen pit, except those used in the drilling, completion, recompletion or workover of a well, shall be constructed, enlarged, reconstructed or used without approval of the Superintendent. Unlined earthen pits shall not be used for the continued storage of salt water or other deleterious substances.

(e) Deleterious fluids other than fresh water drilling fluids used in drilling or workover operations, which are displaced or produced in well completion or stimulation procedures, including but not limited to fracturing, acidizing, swabbing, and drill stem tests, shall be collected into a pit lined with plastic of at least 30 mil or a metal tank and maintained separately from above-mentioned drilling fluids to allow for separate disposal.

§ 226.23 Easements for wells off leased premises.

The Superintendent, with the consent of the Osage Tribal Council, may grant commercial and noncommercial easements for wells off the leased premises to be used for purposes associated with oil and gas production. Rental payable to the Osage Tribe for such easements shall be an amount agreed to by Grantee and the Osage Tribal Council subject to the approval of the Superintendent. Grantee shall be responsible for all damages resulting from the use of such wells and settlement therefor shall be made as provided in §226.21.

§ 226.24 Lessee’s use of water.

Lessee or his contractor may, with the approval of the Superintendent, use water from streams and natural water courses to the extent that same does not diminish the supply below the requirements of the surface owner from whose land the water is taken. Similarly, Lessee or his contractor may use water from reservoirs formed by the impoundment of water from such
§ 226.25 Gas well drilled by oil lessees and vice versa.

Prior to drilling, the oil or gas lessee shall notify the other lessees of his/her intent to drill. When an oil lessee in drilling a well encounters a formation or zone having indications of possible gas production, or the gas lessee in drilling a well encounters a formation or zone having indication of possible oil production, he/she shall immediately notify the other lessee and the Superintendent. Lessee drilling the well shall obtain all information which a prudent operator utilizes to evaluate the productive capability of such formation or zone.

(a) Gas well to be turned over to gas lessee. If the oil lessee drills a gas well, he/she shall, without removing from the well any of the casing or other equipment, immediately shut the well in and notify the gas lessee and the Superintendent. If the gas lessee does not, within 45 days after receiving notice and cost of drilling, elect to take over the well, he/she shall immediately notify the other lessee and the Superintendent. The disposition of such well and the production therefrom shall then be subject to the approval of the Superintendent. In the event the oil lessee and gas lessee cannot agree on the cost of the well and the production therefrom shall be determined by the Superintendent. In the event the oil lessee and gas lessee cannot agree on the cost of the well, such cost shall be apportioned between the oil and gas lessee by the Superintendent. If such apportionment is not accepted, the well shall be plugged by the oil and gas lessee who drilled the well.

(b) Oil well to be turned over to oil lessee. If the gas lessee drills an oil well, he/she must immediately, without removing from the well any of the casing or other equipment, notify the oil lessee and the superintendent.

(1) If the oil lessee does not, within 45 days after receipt of notice and cost of drilling, elect to take over the well, he/she must immediately notify the gas lessee. From that point, the superintendent must approve the disposition of the well, and any gas produced from it.

(2) If the oil lessee chooses to take over the well, he/she must pay to the gas lessee:

(i) The cost of drilling the well, including all damages paid; and

(ii) The cost in place of casing and other equipment.

(c) Lands not leased. If the gas lessee shall drill an oil well upon lands not leased for oil purposes or vice versa, the Superintendent may, until such time as said lands are leased, permit the lessee who drilled the well to operate and market the production therefrom. When said lands are leased, the lessee who drilled and completed the well shall be reimbursed by the oil or gas lessee, for the cost of drilling said well, including all damages paid and the cost in-place of casing, tubing, and other equipment. If the lessee does not elect to take over said well as provided above, the disposition of such well and the production therefrom shall then be determined by the Superintendent.

(3) If the oil lessee and the gas lessee cannot agree on the cost of the well, the superintendent will apportion the cost between the oil and gas lessees. If the lessees do not accept the apportionment, the oil or gas lessee who drilled the well must plug the well.

§ 226.26 Determining cost of well.

The term “cost of drilling” as applied where one lessee takes over a well drilled by another, shall include all
reasonable, usual, necessary, and proper expenditures. A list of expenses mentioned in this section shall be presented to proposed purchasing lessee within 10 days after the completion of the well. In the event of a disagreement between the parties as to the charges assessed against the well that is to be taken over, such charges shall be determined by the Superintendent.

§ 226.27 Gas for operating purposes and tribal use.

(a) Gas to be furnished oil lessee. Lessee of a producing gas lease shall furnish the oil lessee sufficient gas for operating purposes at a rate to be agreed upon, or on failure to agree the rate shall be determined by the Superintendent: Provided, That the oil lessee shall at his own expense and risk, furnish and install the necessary connections to the gas lessee’s well or pipeline. All such connections shall be reported in writing to the Superintendent.

(b) Use of gas by Osage Tribe. (1) Gas from any well or wells shall be furnished any Tribal-owned building or enterprise at a rate not to exceed the price less royalty being received or offered by a gas purchaser: Provided, That such requirement shall be subject to the determination by the Superintendent that gas in sufficient quantities is available above that needed for lease operation and that no waste would result. In the absence of a gas purchaser the amount to be paid by the Tribal member shall be determined by the Superintendent. Gas to Tribal members is not royalty free. The Tribal member is to furnish all necessary material and labor for such connection to Lessee’s gas system, and shall maintain his own lines. The use of such gas shall be at the risk of the Tribal member at all times.

(3) Gas furnished by Lessee under paragraphs (b) (1) and (2) of this section may be terminated only with the approval of the Superintendent. Written application for termination must be made to the Superintendent showing justification.

CESSATION OF OPERATIONS

§ 226.28 Shutdown, abandonment, and plugging of wells.

No productive well shall be abandoned until its lack for further profitable production of oil and/or gas has been demonstrated to the satisfaction of the Superintendent. Lessee shall not shut down, abandon, or otherwise discontinue the operation or use of any well for any purpose without the written approval of the Superintendent. Applications for such approval shall be submitted to the Superintendent on forms furnished by him/her.

(a) Application for authority to permanently shut down or discontinue use or operation of a well shall set forth justification, probable duration the means by which the well bore is to be protected, and the contemplated eventual disposition of the well. The method of conditioning such well shall be subject to the approval of the Superintendent.

(b) Prior to permanent abandonment of any well, the oil lessee or the gas lessee, as the case may be, shall offer the well to the other for his recompletion or use under such terms as may be mutually agreed upon but not in conflict with the regulations. Failure of the Lessee receiving the offer to reply within 10 days after receipt thereof shall be deemed as rejection of the offer. If, after indicating acceptance, the two parties cannot agree on the terms of the offer within 30 days, the
disposition of such well shall be determined by the Superintendent.

(c) The Superintendent is authorized to shut in a lease when the lessee fails to comply with the terms of the lease, the regulations, and/or orders of the Superintendent.

§ 226.29 Disposition of casings and other improvements.

(a) Upon termination of lease, permanent improvements, unless otherwise provided by written agreement with the surface owner and filed with the Superintendent, shall remain a part of said land and become the property of the surface owner upon termination of the lease, other than by cancellation. Exceptions include personal property not limited to tools, tanks, pipelines, pumping and drilling equipment, derricks, engines, machinery, tubing, and the casings of all wells: Provided, That when any lease terminates, all such personal property shall be removed the word “terminates”; and in the last sentence of the paragraph, within 90 days or such reasonable extension of time as may be granted by the Superintendent. Otherwise, the ownership of all casings shall revert to Lessor and all other personal property and permanent improvements to the surface owner. Nothing herein shall be construed to relieve lessee of responsibility for removing any such personal property or permanent improvements from the premises if required by the Superintendent and restoring the premises as nearly as practicable to the original state.

(b) Upon cancellation of lease. When there has been a cancellation for cause, Lessee shall be entitled and authorized to take immediate possession of the lease premises and all permanent improvements and all other equipment necessary for the operation of the lease.

(c) Wells to be abandoned shall be promptly plugged as prescribed by the Superintendent. Applications to plug shall include a statement affirming compliance with § 226.28(b) and shall set forth reasons for plugging, a detailed statement of the proposed work including kind, location, and length of plugs (by depth), plans for mudding and cementing, testing, parting and removing casing, and any other pertinent information: Provided, That the Superintendent may give oral permission and instructions pending receipt of a written application to plug a newly drilled hole. Lessee shall remit a fee of $15 with each written application for authority to plug a well. This fee will be refunded if permission is not granted.

(d) Lessee shall plug and fill all dry or abandoned wells in a manner to confine the fluid in each formation bearing fresh water, oil, gas, salt water, and other minerals, and to protect it against invasion of fluids from other sources. Mud-laden fluid, cement, and other plugs shall be used to fill the hole from bottom to top: Provided, That if a satisfactory agreement is reached between Lessee and the surface owner, subject to the approval of the Superintendent, Lessee may condition the well for use as a fresh water well and shall so indicate on the plugging record. The manner in which plugging material shall be introduced and the type of material so used shall be subject to the approval of the Superintendent. Within 10 days after plugging, Lessee shall file with the Superintendent a complete report of the plugging of each well. When any well is plugged and abandoned, Lessee shall, within 90 days, clean up the premises around such well to the satisfaction of the Superintendent.

Requirements of Lessees

§ 226.30 Lessees subject to Superintendent’s orders; books and records open to inspection.

Lessees shall comply with all orders or instructions issued by the Superintendent. The Superintendent or his representative may enter upon the leased premises for the purpose of inspection. Lessee shall keep a full and correct account of all operations, receipts, and disbursements and make reports thereof, as required. Lessee’s books and records shall be available to the Superintendent for inspection.
§ 226.31 Lessee’s process agents.

(a) Before actual drilling or development operations are commenced on leased lands, Lessee or Assignee, if not a resident of the State of Oklahoma, shall appoint a local or resident representative within the State of Oklahoma on whom the Superintendent may serve notice or otherwise communicate in securing compliance with the regulations in this part, and shall notify the Superintendent of the name and post office address of the representative appointed.

(b) Where several parties own a lease jointly, one representative or agent shall be designated whose duties shall be to act for all parties concerned. Designation of such representative should be made by the party in charge of operations.

(c) In the event of the incapacity or absence from the State of Oklahoma of such designated local or resident representative, Lessee shall appoint a substitute to serve in his stead. In the absence of such representative or appointed substitute, any employee of Lessee upon the leased premises or person in charge of drilling or related operations thereon shall be considered the representative of Lessee for the purpose of service of orders or notices as herein provided.

§ 226.32 Well records and reports.

(a) Lessee shall keep accurate and complete records of the drilling, re-drilling, deepening, repairing, treating, plugging, or abandonment of all wells. These records shall show all the formations penetrated, the content and character of oil, gas, or water in each formation, and the kind, weight, size, landed depth and cement record of casing used in drilling each well; the record of drill-stem and other bottom hole pressure or fluid sample surveys, temperature surveys, directional surveys, and the like; the materials and procedure used in the treating or plugging of wells or in preparing them for temporary abandonment; and any other information obtained in the course of well operation.

(b) Lessee shall take such samples and make such tests and surveys as may be required by the Superintendent to determine conditions in the well or producing reservoir and to obtain information concerning formations drilled, and shall furnish reports thereof as required by the Superintendent.

(c) Within 10 days after completion of operations on any well, Lessee shall transmit to the Superintendent the applicable information on forms furnished by the Superintendent: a copy of electrical, mechanical or radioactive log, or other types of survey of the well bore; and core analysis obtained from the well. Lessee shall also submit other reports and records of operations as may be required and in the manner and form prescribed by the Superintendent.

(d) Lessee shall measure production of oil, gas, and water from individual wells at reasonably frequent intervals to the satisfaction of the Superintendent.

(e) Upon request and in the manner and form prescribed by the Superintendent, Lessee shall furnish a plat showing the location, designation, and status of all wells on the leased lands, together with such other pertinent information as the Superintendent may require.

§ 226.33 Line drilling.

Lessee shall not drill within 300 feet of boundary line of leased lands, nor locate any well or tank within 200 feet of any public highway, any established watering place, or any building used as a dwelling, granary, or barn, except with the written permission of the Superintendent. Failure to obtain advance written permission from the Superintendent shall subject lessee to cancellation of his/her lease and/or plugging of the well.

§ 226.34 Wells and tank batteries to be marked.

Lessee shall clearly and permanently mark all wells and tank batteries in a conspicuous place with number, legal description, operator, and telephone number, and shall take all necessary precautions to preserve these markings.

[55 FR 33116, Aug. 14, 1990]
§ 226.35 Formations to be protected.
Lessee shall, to the satisfaction of the Superintendent, take all proper precautions and measures to prevent damage or pollution of oil, gas, fresh water, or other mineral bearing formations.

§ 226.36 Control devices.
In drilling operations in fields where high pressures, lost circulation, or other conditions exist which could result in blowouts, lessee shall install an approved gate valve or other controlling device which is in proper working condition for use until the well is completed. At all times preventative measures must be taken in all well operations to maintain proper control of subsurface strata.

§ 226.37 Waste of oil and gas.
Lessee shall conduct all operations in a manner that will prevent waste of oil and gas and shall not wastefully utilize oil or gas. The Superintendent shall have the authority to impose such requirements as he deems necessary to prevent waste of oil and gas and to promote the greatest ultimate recovery of oil and gas. Waste as applied herein includes, but is not limited to, the inefficient excessive or improper use or dissipation of reservoir energy which would reasonably reduce or diminish the quantity of oil or gas that might ultimately be produced, or the unnecessary or excessive surface loss or destruction, without beneficial use, of oil and/or gas.

§ 226.38 Measuring and storing oil.
All production run from the lease shall be measured according to methods and devices approved by the Superintendent. Facilities suitable for containing and measuring accurately all crude oil produced from the wells shall be provided by Lessee and shall be located on the leasehold unless otherwise approved by the Superintendent. Lessee shall furnish to the Superintendent a copy of 100-percent capacity tank table for each tank. Meters and installations for measuring oil must be approved, and tests of their accuracy shall be made when directed by the Superintendent.

§ 226.39 Measurement of gas.
All gas, required to be measured, shall be measured by meter (preferably of the orifice meter type) unless otherwise agreed to by the Superintendent. All gas meters must be approved by the Superintendent and installed at the expense of Lessee or purchaser at such places as may be agreed to by the Superintendent. For computing the volume of all gas produced, sold or subject to royalty, the standard of pressure shall be 14.65 pounds to the square inch, and the standard of temperature shall be 60 degrees F. All measurements of gas shall be adjusted by computation to these standards, regardless of the pressure and temperature at which the gas was actually measured, unless otherwise authorized in writing by the Superintendent.

§ 226.40 Use of gas for lifting oil.
Lessee shall not use natural gas from a distinct or separate stratum for the purpose of flowing or lifting the oil, except where said Lessee has an approved right to both the oil and the gas, and then only with the approval of the Superintendent of such use and of the manner of its use.

§ 226.41 Accidents to be reported.
Lessee shall make a complete report to the Superintendent of all accidents, fires, or acts of theft and vandalism occurring on the leased premises.

§ 226.42 Penalty for violation of lease terms.
Violations of any of the terms or conditions of any lease or of the regulations in this part shall subject the lease to cancellation by the Superintendent, or Lessee to a fine of not more than $500 per day for each day of such violation or noncompliance with the orders of the Superintendent, or to both such fine and cancellation. Fines not received within 10 days after notice of the decision shall be subject to late charges at the rate of not less than 1½ percent per month for each month or fraction thereof until paid. The Osage
§ 226.43 Penalties for violation of certain operating regulations.

In lieu of the penalties provided under §226.42, penalties may be imposed by the Superintendent for violation of certain sections of the regulations of this part as follows:

(f) For failure to notify Superintendent before drilling, redrilling, deepening, plugging, or abandoning any well, as required by §§226.16(c) and 226.25, $200.

(g) For failure to properly care for and dispose of deleterious fluids as provided in §226.22, $500 per day until compliance is met.

(h) For failure to file plugging reports as required by §226.29 and for failure to file reports as required by §226.13, $50 per day for each violation until compliance is met.

(i) For failure to perform or start an operation within 5 days after ordered by the Superintendent in writing under authority provided in this part, if said operation is thereafter performed by or through the Superintendent, the actual cost of performance thereof, plus 25 percent.

(j) Lessee or his/her authorized representative is hereby notified that criminal procedures are hereby provided by 18 U.S.C. 1001 for knowingly filing fraudulent reports and information.

§ 226.44 Appeals.

Any person, firm or corporation aggrieved by any decision or order issued by or under the authority of the Superintendent, by virtue of the regulations in this part, may appeal pursuant to 25 CFR part 2.

[55 FR 33116, Aug. 14, 1990]

§ 226.45 Notices.

Notices and orders issued by the Superintendent to the representative and/or operator shall be binding on the lessee. The Superintendent may in his/her discretion increase the time allowed in his/her orders and notices.

In case a lessee is a successful bidder for two or more tracts of land which are not contiguous, separate leases shall be executed.

§ 227.10 Minerals other than oil and gas.

Unreserved, unwithdrawn, and unallotted lands which have not been leased for oil and gas under the act of August 21, 1916 (39 Stat. 519) and which are not chiefly valuable therefor, are subject to mineral application or mineral entry, for minerals other than oil and gas, under the supervision of the Bureau of Land Management.

§ 227.14 Government reserves right to purchase oil and gas.

In time of war or other public emergency any of the executive departments of the United States Government shall have the option to purchase
§ 227.15 Manner of payment.

All payments due the lessor shall be made to the superintendent for the benefit of the Shoshone Indian Tribe, in accordance with the act of August 21, 1916 (39 Stat. 519), and no credit will be given any lessee for payments made otherwise. Payments of rentals and royalties except the first year's rental, which shall be paid to the superintendent as prescribed in §227.4 shall be transmitted to the superintendent through the supervisor. All such payments shall be accompanied by a statement, in triplicate, by the lessee, showing the specific items of royalty or rental that the remittance is intended to cover, and payment of royalties on production shall be made not later than the last day of the calendar month following the production for which such payment is to be made.

§ 227.16 Crediting advance annual payments.

In the event of discovery of minerals in paying quantities all advance rents and advance royalties shall be allowed as credit on stipulated royalties as they accrue for the year for which such advance payments have been made. No refund of any such advance payment made under any lease will be allowed in the event the royalty on production for the year is not sufficient to equal such advance payment; nor will any part of the moneys so paid be refunded to the lessee because of any subsequent surrender or cancellation of the lease.

§ 227.17 Rates of rents and royalties.

(a) The lessee shall pay, beginning with the date of execution of leases by the Secretary of the Interior, a rental of $1.25 per acre per annum in advance during the continuance thereof, together with a royalty of 12 1/2 percent of the value or amount of all oil, gas, and/or natural gasoline, and/or all other hydrocarbon substances produced and saved from the land leased, save and except oil and/or gas used by the lessee for development and operation purposes on the lease, which oil or gas shall be royalty free. A higher rate of royalty may be fixed by the Secretary of the Interior or his authorized representative, prior to the advertisement of land for oil and gas leases. During the period of supervision, "value" for the purposes of the lease may, in the discretion of the Secretary of the Interior, be calculated on the basis of the highest price paid or offered (whether calculated on the basis of short or actual volume) at the time of production for the major portion of the oil of the same gravity, and gas, and/or natural gasoline, and/or all other hydrocarbon substances produced and sold from the field where the leased lands are situated, and the actual volume of the marketable product less the content of foreign substances as determined by the supervisor. The actual amount realized by the lessee from the sale of said products may, in the discretion of the Secretary of the Interior, be deemed mere evidence of or conclusive evidence of such value. When paid in value, such royalties shall be due and payable monthly at such time as the lease provides; when royalty on oil produced is paid in kind, such royalty oil shall be delivered in tanks provided by the lessee on the premises where produced without cost to the lessee unless otherwise agreed to by the parties thereto, at such time as may be required by the lessee. The lessee shall not be required to hold such royalty oil in storage longer than 30 days after the end of the calendar month in which said oil is produced. The lessee shall be in no manner responsible or held liable for loss or destruction of such oil by causes beyond his control.

(b) The proceeds from all leases shall be taken up in the accounts of the superintendent for appropriate deposit for the benefit of the Indians.

§ 227.18 Free use of gas by lessor.

If the leased premises produce gas in excess of the lessee's requirements for the development and operation of said premises, then the lessee may use sufficient gas, free of charge, for any desired school or other buildings belonging to the tribe, by making his own connections to a regulator installed, connected to the well and maintained.
by the lessee, and the lessee shall not be required to pay royalty on gas so used. The use of such gas shall be at the lessor’s risk at all times.

§ 227.19 Division orders.
(a) Lessees may make arrangements with the purchasers of oil for the payment of the royalties on production to the superintendent by such purchasers, but such arrangements, if made, shall not operate to relieve a lessee from responsibility should the purchaser fail or refuse to pay such royalties when due. Where lessees avail themselves of this privilege, division orders permitting the pipeline companies or other purchasers of the oil to withhold the royalty interest shall be executed and forwarded to the supervisor for approval, as pipeline companies are not permitted to accept or run oil from leased Indian lands until after the approval of a division order showing that the lessee has a lease regularly approved and in effect. When the lessee company runs its own oil, it shall execute an intracompany division order and forward it to the supervisor for his consideration. The right is reserved for the supervisor to cancel a division order at any time or require the pipeline company to discontinue to run the oil of any lessee who fails to operate the lease properly or otherwise violates the provisions of the lease, of the regulations in this part, or of the operating regulations.
(b) When oil is taken by authority of a division order, the lessee or his representatives shall be actually present when the oil is gaged and records are made of the temperature, gravity and impurities. The lessee will be held responsible for the correctness and the correct recording and reporting of all the foregoing measurements, which except lowest gage, shall be made at the time the oil is turned into the pipeline. Failure of the lessee to perform properly these duties will subject the division order to revocation.

$ 227.20 Permission to start operations.
(a) No operations will be permitted on any lease before it is executed by the Secretary of the Interior.
(b) Written permission must be secured from the supervisor or his representative before any operations are started on the leased premises. After such permission is secured the operations must be in accordance with the operating regulations promulgated by the Secretary of the Interior. Copies of the regulations in this part may be secured from either the supervisor or the superintendent, and no operations should be attempted without a study of the operating regulations.

§ 227.21 Restrictions on operations.
(a) All leases issued under the provisions of the regulations in this part shall be subject to imposition by the Secretary of the Interior of such restrictions as to time or times for the drilling of wells and as to the production from any well or wells as in his judgment may be necessary or proper for the protection of the natural resources of the leased land and in the interest of the lessor. In the exercise of his judgment the Secretary of the Interior may take into consideration, among other things, the Federal laws, State laws, regulations by competent Federal or State authorities, lawful agreements among operators regulating either drilling or production, or both, and any regulatory action desired by tribal authorities.
(b) All leases issued pursuant to the regulations in this part shall be subject to a co-operative or unit development plan affecting the leased lands if and when required by the Secretary of the Interior, but no lease shall participate in any cooperative or unit plan without prior approval of the Secretary of the Interior.

§ 227.22 Diligence and prevention of waste.

examination of such officers of the Department as shall be instructed in writing by the Secretary of the Interior or authorized by regulations, to make such examination.

§ 227.26 Assignments and overriding royalties.

(a) Leases, or any interest therein, may be assigned or transferred only with the approval of the Secretary of the Interior, and to procure such approval the assignee must be qualified to hold such lease under existing rules and regulations, and shall furnish a satisfactory bond for the faithful performance of the covenants and conditions thereof. No lease or any interest therein, or the use of such lease, shall be assigned, sublet, or transferred directly or indirectly, by working or drilling contract, or otherwise without the consent of the Secretary of the Interior. Assignments of leases shall be filed with the superintendent within 20 days after the date of execution.

(b) An agreement creating overriding royalties or payments out of production under this part shall be subject to the provisions of §211.26(d) of this chapter, or as hereafter amended.

(e) If the lease has been recorded, that he file, with his application, a recorded release of the acreage covered by the application.

(f) If the application is for the cancellation of the entire lease or the entire undivided portion, that he surrender the lease: Provided, That where the application is made by an assignee to whom no copy of the lease was delivered, he will be required to surrender only his copy of the assignment.

(g) If the lease (or portion being surrendered or canceled) is owned in undivided interests by more than one party, then all parties shall join in the application for cancellation.

(h) That all required fees and papers must be in the mail or received on or before the date upon which rents and royalties become due, in order for the lessee and his surety to be relieved from liability for the payment of such royalties and rentals.

§ 256.3 Policy. 
(a) The Bureau of Indian Affairs housing policy is that every American family should have the opportunity for a decent home and suitable living environment. The Housing Improvement Program will serve the neediest of the needy Indian families who have no other resource for standard housing.
(b) Every Indian who meets the basic eligibility criteria defined in § 256.6 is entitled to participate in the program. Participation is based on priority of need, regardless of tribal affiliation.
(c) Tribal participation in and direct administration of the Housing Improvement Program is encouraged to the maximum extent possible. Tribal involvement is necessary to ensure that the services provided under the program are responsive to the needs of the tribes and the program participants.
(d) Partnerships with complementary improvement programs are encouraged to increase basic benefits derived from the Housing Improvement Program fund. An example is the agreement with Indian Health Services to provide water and sanitation facilities for Housing Improvement Program houses.

§ 256.4 Information Collection. 
The information collection requirements contained in § 256.9 have been approved by the Office of Management and Budget under 44 U.S.C. 3507 et seq. and assigned clearance number 1076-0084. The information is collected to determine applicant eligibility for services and eligibility to participate in the program based on the criteria referenced in §§ 256.9 and 256.10. Response is required to obtain a benefit.

§ 256.6 Am I eligible for the Housing Improvement Program? 
You are eligible for the Housing Improvement Program if:
(a) You are a member of a Federally recognized American Indian tribe or Alaska Native village;
(b) You live in an approved tribal service area;

There are three categories of assistance available under the Housing Improvement Program, as outlined in the following table
§ 256.8 When do I qualify for Category A assistance?
You qualify for interim improvement assistance under Category A if it is not cost effective to renovate the dwelling in which you live and if either of the following is true:
(a) Other resources to meet your housing needs exist but are not immediately available; or
(b) You qualify for replacement housing under Category C, but there are no Housing Improvement Program funds available to replace your house.

§ 256.9 When do I qualify for Category B assistance?
You qualify for repairs and renovation assistance under Category B if you meet the requirements of this section.
(a) Your servicing housing office must determine that it is cost effective to repair and renovate the house.
(b) You must either:
   (1) Own the house; or
   (2) Lease the house with:
       (i) An undivided leasehold (i.e., you are the only lessee); and
       (ii) A leasehold that will last at least 25 years from the date that you receive the assistance.
(c) The servicing housing office must determine that the repairs and improvements will make the house meet applicable building code standards.
(d) You must sign a written agreement stating that, if you sell the house within 5 years of the completion of repairs:
   (1) The assistance grant under this part will be voided; and
   (2) At the time of settlement, you will repay BIA the full cost of all repairs made under this part.

§ 256.10 When do I qualify for Category C assistance?
(a) You qualify for replacement housing assistance under Category C if you meet one of the four sets of requirements in the following table.

| You qualify for Category C assistance if | And * * * | And * * *
|----------------------------------------|----------|----------
| You own the house in which you are living. | The house cannot be brought up to applicable code standards for $35,000 or less. |
| You lease the house in which you are living. | Your leasehold is undivided and for not less than 25 years at the time that you receive assistance. |
| You do not own a house. | The house cannot be brought up to applicable building code standards for $35,000 or less. |
| You have a leasehold on land that is suitable for housing and the leasehold is undivided and for not less than 25 years at the time that you receive assistance. | The land has adequate ingress and egress rights. |

(b) If you qualify for assistance under paragraph (a) of this section, you must sign a written agreement stating that, if you sell the house within 10 years of assuming ownership:
   (1) The grant under this part will be voided; and
   (2) At the time of settlement, you will repay BIA the full cost of the house.
(c) If you sell the house more than 10 years after you assume ownership, the following conditions apply:
§ 256.14 What are the steps that must be taken to process my application for the Housing Improvement Program?

(a) The servicing housing office must review your application for completeness. If your application is incomplete, the office will notify you, in writing, what is needed to complete your application and the date it must be submitted. If you do not complete your application by the deadline date, you will not be eligible for assistance in that program year.

(b) The servicing housing office will use your completed application to determine if you are eligible for the Housing Improvement Program.

(1) If you are found ineligible for the Housing Improvement Program or otherwise do not qualify for the program,
the servicing housing office will advise you in writing within 45 days of receipt of your completed application. (2) If you are found eligible for the Housing Improvement Program, the servicing housing office will assess your application for need, according to the factors and numeric values shown in the following table.

(c) The servicing housing office will develop a list of the applications considered and/or received for the Housing Improvement Program for the current program year. The list will include, at a minimum, sufficient information to determine:

(1) The current program year;
(2) The number of applications considered and/or received;
(3) The eligible applicants, ranked in order of need, from highest to lowest, based on the total numeric value assigned according to the factors shown in Table B. (In the case of a tie, the family with the lower income will be listed first);
(4) The estimated allowable costs of the improvements, repairs or replacement projects for the eligible applicants and the "Priority List," identifying which applicants will be served based on the amount of available funding, starting with the most needy applicant and continuing until the amount of available funding is depleted; and
(5) The applicants not ranked, with an explanation (such as reason for ineligibility or reason for incomplete application).

(d) Your servicing housing office will inform you in writing within 45 days of completion of the listing whether funding is available to provide Housing Improvement Program services to you in that program year.

(1) If funding is available, you will be provided appropriate information concerning the availability of Housing Improvement Program services.
(2) If funding is not available, you will be advised, in writing, and provided appropriate information concerning submission for the next available program year. At the option of
§ 256.17 What will the servicing housing office identify what work is to be done on my dwelling?

(a) First, a trained and qualified representative of your servicing housing office must visit your dwelling to identify what improvements or repairs are to be done under the Housing Improvement Program. The representative must ensure that flood, National Environmental Protection Act (NEPA) and earthquake requirements are met.

(b) Second, based on the list of improvements or repairs to be done, the representative must estimate the total cost of improvements or repairs to your dwelling. Cost estimates must be based on locally available services and product costs, or other regional-based, industry-recognized cost data, such as that provided by the MEANs or MARSHALL SWIFT. If the dwelling is located in Alaska, documented, reasonable, substantiated freight costs, in accordance with Federal Property Management Regulations (FPMR 101–40), not to exceed 100 percent of the cost of materials, can be added to the cost of the project.

(c) Third, the representative must determine which Housing Improvement Program category the improvements to your dwelling meet, based on the estimated cost of improvements or repairs. If the estimated cost to repair your dwelling is more than $35,000, the representative must approve your dwelling for replacement or refer you to another source for housing. The other source does not have to be for a replacement home; it may be for government-subsidized rental units or other sources for standard housing.

(d) Fourth, the representative must develop a detailed, written report, also called “bid specifications” that identifies what and how the improvement, repair, or construction work is to be accomplished at the dwelling.

(1) When the work includes new construction, the “bid specifications” will be supplemented with a set of construction plans. The plans must not exceed the occupancy and square footage criteria identified in §256.7. The plans
must be sufficiently detailed to provide complete instructions to the builder for the purpose of construction.

(2) "Bid Specifications" are also used to inform potential bidders of what work is to be done.

§ 256.18 How will I be advised of what work is to be done?

You will receive written notice from the servicing housing office of what work is being scheduled under the Housing Improvement Program. You will be requested to concur with the scheduled work by signing a copy of the notice and returning it to the servicing housing office. No work will be started until the signed copy is returned to the servicing housing office.

§ 256.19 Who performs the improvements, repairs, or replacement of my dwelling?

Independent or tribal repair or construction trades persons, home building contractors, or construction companies will perform the improvements, repairs, or replacement of your dwelling.

§ 256.20 How are these repairs or construction trades persons, home building contractors, or construction companies selected and paid?

The servicing housing office must follow Federal procurement or other Bureau-approved tribal procurement policy. Generally, your servicing housing office develops a "bid specification" or statement of work, which identifies the work to be performed. The appropriate contracting office uses the "bid specification" to provide information and invite bids on the project to interested parties. The contracting office selects the winning bidder after technical review of the bids by and written recommendation from the servicing housing office, and after determination that the bidder is qualified and capable of completing the project as advertised.

(a) Payments to the winning bidder are negotiated in the contract and based on specified delivery of services.

(1) Partial payments will not exceed 80 percent of the value of the completed work.

(2) Final payment will be made after final inspection and after all provisions of the contract have been met, including punch list items.

§ 256.21 Will I have to vacate my dwelling while repair work or replacement of my dwelling is being done?

(a) You will be notified by the servicing housing office that you must vacate your dwelling only if:

(1) It is scheduled for major repairs requiring that all occupants vacate the dwelling for safety reasons; or

(2) It is scheduled for replacement which requires the demolition of your current dwelling.

(b) If you are required to vacate the premises for the duration of the construction, you are responsible for:

(1) Locating other lodging;

(2) Paying all costs associated with vacating and living away from the dwelling; and

(3) Removing all your belongings and furnishings before the scheduled beginning work date.

§ 256.22 How can I be sure that the work that is being done on my dwelling meets minimum construction standards?

(a) At various stages of construction, a trained and qualified servicing housing office representative or building inspector will review the construction to ensure that it meets applicable minimum construction standards and building codes. Upon completion of each stage, further construction is prohibited until the inspection occurs and approval is granted.

(b) Inspections are, at a minimum, made at the following stages of construction:

(1) Footings;

(2) Closed in, rough wiring and rough plumbing; and

(3) At final completion.

§ 256.23 How will I be advised that the repair work or replacement of my dwelling has been completed?

The servicing housing office will advise you, in writing, that the work has been completed in compliance with the project contract. Also, you will have a final walk-through of the dwelling with your servicing housing office representative. You will be requested to verify that you received the notice of completion of the work by signing a
copy of the notice and returning it to the servicing housing office representative.

§ 256.24 How many times can I receive improvements, repairs, or replacement services under the Housing Improvement Program?

(a) Under Interim Improvements, Category A, you can receive services under the Housing Improvement Program more than one time, for improvements to the dwelling in which you are living to improve the safety or sanitation of the dwelling:

(1) For not more than a total cost of $2,500;

(2) For not more than one dwelling.

(b) Under Repairs and Renovation, Category B, after October 1, 1986, you may receive services one time, for repairs to the dwelling that you own and occupy that requires not more than $35,000 to make the dwelling meet applicable building code standards.

(c) Under Replacement Housing, Category C, after October 1, 1986, you may receive services one time, for a modest replacement home.

§ 256.25 Will I need flood insurance?

You will need flood insurance if your dwelling is located in an area identified as having special flood hazards under the Flood Disaster Protection Act of 1973 (Pub. L. 93–234, 87 Stat. 977). Your servicing housing office will advise you.

§ 256.26 Is my Federal government-assisted dwelling eligible for services under the Housing Improvement Program?

Yes. You may receive services under the Housing Improvement Program if your home was purchased through a Federal government sponsored home program that does not include provision for housing assistance.

§ 256.27 Can I receive Housing Improvement Program services if I am living in a mobile home?

Yes. If you meet the eligibility criteria in §256.6 and there is sufficient funding available, you can receive any of the Housing Improvement Program services identified in §256.7. If you require Category B services and your mobile home has exterior walls of less than three inches, you must be provided Category C services.

§ 256.28 Can Housing Improvement Program resources be supplemented with other available resources?

Yes. Housing Improvement Program resources may be supplemented through other available resources to increase the number of Housing Improvement Program recipients.

§ 256.29 What can I do if I disagree with actions taken under the Housing Improvement Program?

You may appeal action or inaction by an official of the Bureau of Indian Affairs, in accordance with 25 CFR part 2. You may appeal action or inaction by tribal officials through the appeal process established by the servicing tribe.

§ 262.1 Purpose, scope and information collection.

(a) Purpose and scope. The purpose of this part is to implement certain provisions of the Archaeological Resources Protection Act (Act) of 1979 (16 U.S.C. 470aa–11), in accordance with section 10(b) and consistent with uniform regulations promulgated under section 10(a) by the Secretaries of the Interior, Agriculture, and Defense and the Chairman of the Board of the Tennessee Valley Authority (43 CFR part 7, 36 CFR parts 296, 32 CFR parts 229 and 1312) on February 6, 1984. This part shall provide guidance to officials of the Bureau of Indian Affairs (BIA) on the implementation of the Act as it pertains to this agency.

(b) Information collection. The information collection requirements contained in §262.5 do not require approval by the Office of Management and Budget under 44 U.S.C. 3501 et seq.

§ 262.2 Definitions.

As used for purposes of this part:

(a) Funerary objects means objects that, as a part of the death rite or ceremony of a culture, are reasonably believed to have been placed with human remains of Indians either at the time of death or later, or to have been made exclusively for burial purposes or to contain such remains.

(b) Sacred objects means specific ceremonial objects that are needed by traditional Indian religious leaders for the practice of traditional Indian religions by their present day adherents.

(c) Object of cultural patrimony means an object having ongoing historical, traditional, or cultural importance central to an Indian tribe itself and that shall have been considered inalienable by the tribe at the time the object was separated therefrom.

(d) Indian individual means:

(1) Any person who is an enrolled member of a Federally recognized Indian tribe;

(2) Any person who is a descendent of such a member and was, on June 1, 1934, physically residing within the present boundaries of any Indian reservation; or

(3) Any other person of one-half or more Indian blood of tribes indigenous to the United States.

(e) Lands of Indian tribes means land or any interest therein:

(1) The title to which is held in trust by the United States for an Indian tribe; or

(2) The title to which is held by an Indian tribe, but which cannot be alienated or encumbered by the owner without the approval of the Secretary because of limitations contained in the conveyance instrument pursuant to Federal law or because of a Federal law directly imposing such restrictions.

(f) Lands of Indian individuals means land or any interest therein:

(1) The title to which is held in trust by the United States for the benefit of Indian individuals; or

(2) The title to which is held by Indian individuals, but which cannot be alienated or encumbered by the owner without the approval of the Secretary because of limitations contained in the conveyance instrument pursuant to Federal law or because of a Federal law directly imposing such restrictions.
§ 262.3 Consultation to determine need for a permit.

(a) Any person, except as provided in the uniform regulations at 43 CFR 7.5(b) through (d), who proposes to excavate or remove archaeological resources on Indian lands or on properties owned or administered by the BIA must first apply for and secure a permit under the Act. Procedures relating thereto are set forth in §262.5 of this part.

(b) No permit under the Act, nor any other Federally issued license or authorization, is required for archaeological investigations that do not involve the excavation or removal of archaeological resources on these lands, except for BIA consent on properties that it owns or administers. Notwithstanding, persons other than those covered under 43 CFR 7.5(b) through (d) shall, before engaging in such investigations:

(1) Write to the head of each tribal government having jurisdiction over the lands where investigations are to be conducted and request that he or she provide, within 30 days, written information on any permit, license or other form of authorization the tribe might require for the work proposed; and

(2) Provide the BIA Area Director with a copy of the tribe’s written response (or a copy of the request to the tribe if 30 days have elapsed without any response) plus a brief but clear written description of the proposed work and obtain his or her written determination as to whether or not a permit under the Act is required. Area Directors shall provide determinations within 10 working days after receiving such documentation.

§ 262.4 Activities by Indian tribes or individuals that require a permit.

(a) No Indian tribe may, without a permit under the Act, excavate or remove archaeological resources on:

(1) Lands of another Indian tribe; or

(2) Lands of Indian individuals, except those on which the law of that tribe regulates such activity.

(b) No individual Indian may, without a permit under the Act, excavate or remove archaeological resources on any Indian lands (including his or her own) other than those on which the law of the tribe of which he or she is a member regulates such activity.

(c) No person, as an employee, consultant, advisor or in any other capacity as an agent for any Indian tribe, shall be exempt from the permit requirements of the Act, except in the cases listed below:

(1) No permit shall be required if a person is a member of the tribe having jurisdiction over the resources in question and the law of that tribe regulates the excavation or removal of archaeological resources on its lands.

(2) Tribal employees need not submit permit applications to the BIA if:

(i) The proposed excavation or removal of archaeological resources is within the normal scope of their duties or otherwise carried out by direction of the tribal government;

(ii) The work is on Indian lands of the tribe or on which the law of that tribe regulates the excavation or removal of archaeological resources;

(iii) The tribe ensures that the provisions for permit issuance in this part and at 43 CFR part 7 have been met by other documented means; and

(iv) Before beginning the work, the tribe notifies the Area Director about the nature and location of the proposed work and allows 10 working days after mailing a notification or 5 working days after an oral notification (provided this is documented) for the Area Director to respond. The Area Director need only respond when action is required under §262.7 of this part, and may do so either in writing or, if documented, orally.

(3) Consultants, advisors, and others serving by contractual agreement as agents for Indian tribes may use the provisions in §262.5(f) of this part to expedite the process of obtaining a permit.

(4) Persons serving as agents for Indian tribes as employees or by contractual agreement may abbreviate the consultation required in §262.3(b) of this part by disregarding the requirement to consult first with the tribe and, provided the communication is documented, by consulting with the Area Director orally. In these cases, the Area Director need only respond when a permit is deemed necessary and
§ 262.5 Application for permits.

(a) Permits from the BIA shall be issued when an applicant meets the requirements set out in 43 CFR 7.8, and may be conditioned, modified, suspended, or revoked by the Area Director. Area Directors may delegate this authority to Agency Superintendents, but only on a permit-by-permit basis and only to those who have adequate professional support available.

(b) Prospective applicants may obtain details on how to apply for a permit by contacting the Area Director, at BIA Area Offices in: Aberdeen, SD; Albuquerque, NM; Anadarko, OK; Arlington, VA; Billings, MT; Gallup, NM; Juneau, AK; Minneapolis, MN; Muskogee, OK; Phoenix, AZ; Portland, OR; or Sacramento, CA; or by writing to the Deputy Commissioner of Indian Affairs, Department of the Interior, Washington, DC 20240.

(c) Permit applications proposing the excavation or removal of archaeological resources on Indian lands shall include the following consent documents:

1. Written permission from the Indian landowner and from the tribe, if any, having jurisdiction over those lands. This must contain such terms and conditions as the landowner or tribe may request be included in the permit. Where the permission is from a tribe, it should either state that no religious or cultural site will be harmed or destroyed by the proposed work or specify terms and conditions that the permit must include in order to safeguard against such harm or destruction.

   (i) For lands of Indian tribes, permission must be granted by the tribe.

   (ii) For lands of Indian individuals not under tribal jurisdiction, permission must be granted by the owner(s), except as provided in §262.6, and the tribe having such jurisdiction. Where an applicant is the owner, consent must still be obtained from the tribe.

   (iv) Where the ownership of lands of Indian individuals is multiple, permission must be granted by the owners of a majority of interests, except as provided in §262.6. The same shall apply where the applicant is one of the owners.

   (v) Where the terms and conditions a tribe or landowner requests be included in a permit are in conflict with the provisions of this or any other Act, with Federal regulations, or with each other, the Area Director may negotiate with the requestor to eliminate the conflict. If the conflict remains, the permit may not be issued.

2. Copies of any permits required by tribal law for archaeological work on lands under tribal jurisdiction. This may serve as written consent from the tribe for the purposes of §262.5(c)(1).

3. Written agreement by the Indian landowner(s) to release archaeological resources for curation or study, as specified in §262.8(b).

(d) Permits issued by the BIA shall include the following or similar condition: “Human remains of Indians, funerary objects, sacred objects, and objects of cultural patrimony may not be excavated or removed unless the permittee has obtained the written consent of the Area Director. In order to obtain consent, the permittee shall present to the Area Director written evidence of prior consultation with the appropriate Indian tribe. If the lands containing the remains or objects are tribal lands, the permittee shall first obtain the written consent of the tribe having jurisdiction over the lands.” Determination as to which tribe is the appropriate tribe shall be made in accordance with §262.8(a). Area Director consent shall be based on the scientific appropriateness of the research objectives and provisions for recovery, recording, and analysis and may, if documented, be oral. This condition may be omitted from the permit when such excavation or removal is proposed, and the requirements of the condition are met, in the permit application.

(e) Information and assistance in contacting Indian tribes and individual
Indian landowners for the purpose of requesting the consent documents listed under paragraph (c) of this section or of seeking the consultation and consent required under paragraph (d) of this section may be obtained from the BIA office to which the permit application is submitted.

(f) Contractual agreements with the BIA or Indian tribes and permits issued by Indian tribes may be accepted as support documents for permit applications. They may also double as permit documents, if they demonstrate that the provisions for permit issuance in this part and at 43 CFR part 7 have been met and they are attached to a Department of the Interior permit form. This form must be signed by the Area Director, but need only contain the following or similar statement: “This permit is issued to the person(s) named, and in accordance with the terms and conditions in the attached (contractual agreement/tribal permit).”

(g) Area Directors shall respond to permit applications within 15 working days of receipt.

§ 262.6 Landowner consent by the Secretary.

The Secretary of the Interior, or delegate thereof, may, on behalf of the owner(s) of lands of Indian individuals, grant consent for the purposes in §262.5(c)(1) and (3) when the Secretary or his or her delegate finds that such consent will not result in any injury to the land or owner(s) and when one or more of the following conditions exist:

(a) The owner is a minor or a person non compos mentis;

(b) The heirs or devisees of a deceased owner have not been determined;

(c) The whereabouts of the owner are unknown;

(d) Multiple owners are so numerous that the Secretary or his or her delegate finds, after documenting his or her efforts to do so, that it would be impractical to obtain their consent, as prescribed in §262.5(c)(1)(iv) and provided the Secretary or his or her delegate also notifies, in writing, the tribe, if any, having jurisdiction over the land and allows 15 working days from the date of mailing date for response; or

(e) The owner has given the Secretary or his or her delegate written authority to grant such consent on his or her behalf.

§ 262.7 Notice to Indian tribes of possible harm to cultural or religious sites.

When consent by an Indian tribe to proposed excavation or removal of archaeological resources from Indian lands it owns or over which it has jurisdiction contains all of the information written as prescribed and advised in §262.5(c)(1), it may be taken to mean that subject to such terms and conditions as the tribe might specify, issuance of a permit for the proposed work will not result in harm to, or destruction of, any site of religious or cultural importance. No further notification is necessary, unless the Area Director has reason to believe that the proposed work might harm or destroy a site of religious or cultural importance to another tribe or Native American group. He or she shall then follow the notification procedures at 43 CFR 7.7. Those procedures must also be followed when proposed work might affect lands of Indian individuals over which there is no tribal jurisdiction or public lands owned or administered by the BIA.

§ 262.8 Custody of archaeological resources.

(a) Archaeological resources excavated or removed from Indian lands, except for human remains of Indians, funerary objects, sacred objects and objects of cultural patrimony, remain the property of the Indian tribe or individual(s) having rights of ownership over such lands. Ownership and right of control over the disposition of the excepted items shall be in accordance with the order of priority provided in the Native American Graves Protection and Repatriation Act (Pub. L. 101–601), adapted for the purpose of this rule as follows:

1. In the case of human remains of Indians and funerary objects, in the lineal descendants of the Indian; or

2. In any case in which such lineal descendants cannot be ascertained, and in the case of sacred objects and objects of cultural patrimony:
(i) In the Indian tribe on whose tribal lands, or on the individual Indian lands of whose members, such remains or objects are discovered;

(ii) In the Indian tribe recognized as aboriginally occupying the public lands owned or administered by the BIA on which such remains or objects are discovered, if upon notice, that tribe states a claim for those remains or objects;

(iii) Where it can be so demonstrated by a preponderance of evidence, in the tribe other than that in paragraph (a)(2)(i) or (ii) of this section having the strongest cultural relationship with such remains or objects, if, upon notice, that tribe states a claim for those remains or objects.

(iv) The Area Director shall provide the required notice to any Indian tribe identified under paragraph (a)(2)(ii) or (iii) of this section, in writing, within 5 working days after such identification has been documented and confirmed, and shall at the same time submit a copy of the notice for publication in the Federal Register. This notice shall include a description of the remains or objects; of where, how, and why they were excavated or removed; and of the evidence used to identify the tribe being notified. The remains or objects in question shall be considered the property of the pertinent tribe under paragraph (a)(2)(i) of this section or, in the case of paragraph (a)(2)(ii) of this section, held and administered by the BIA until or unless a claim is stated.

(b) No permit for the excavation or removal of archaeological resources on Indian lands may be issued without the written consent of the Indian landowner(s) unless the Area Director finds that the archaeologically resources are to be retained by or returned after study to the landowner(s), and shall at the same time submit a copy of the notice for publication in the Federal Register. This notice shall include a description of the remains or objects; of where, how, and why they were excavated or removed; and of the evidence used to identify the tribe being notified. The remains or objects in question shall be considered the property of the pertinent tribe under paragraph (a)(2)(i) of this section or, in the case of paragraph (a)(2)(ii) of this section, held and administered by the BIA until or unless a claim is stated.

(c) The Area Director may, after notifying the tribe (if any) having jurisdiction over such lands and allowing 15 working days for response, decline to issue a permit for lands of Indian individuals if he or she has any verifiable reason to believe that archaeological resources retained by the landowner(s) after being studied will be sold or exchanged other than to the tribe having jurisdiction or to a curatorial facility that meets the requirements of 36 CFR part 79. The basis for decline shall be that excavation or removal of resources under such circumstances would not be in the public interest and would thus be contrary to the purposes of the Act.

(d) The landowner(s) alone may grant custody of archaeological resources (except for human remains, funerary objects, sacred objects and objects of cultural patrimony) to a curatorial facility that meets the requirements of 36 CFR part 79. The basis for decline shall be that excavation or removal of resources under such circumstances would not be in the public interest and would thus be contrary to the purposes of the Act.

(a) The boundaries of the Wind River Reserve roadless area are as follows:

(5 U.S.C. 301)

§ 265.3 Roads prohibited.

(a) Within the boundaries of this officially designated roadless area it will be the policy of the Interior Department to refuse consent to the construction or establishment of any routes passable to motor transportation, including in this restriction highways, roads, truck trails, work roads, and all other types of ways constructed to make possible the passage of motor vehicles either for transportation of people or for the hauling of supplies and equipment, unless the requirements of fire protection, commercial use for the Indians’ benefit or actual needs of the Indians clearly demand otherwise.

(b) Foot trails and horse trails are not barred. The Superintendent of the Wind River Reservation on which this roadless area has been established will be held strictly accountable for seeing that the area is maintained in a roadless condition. Elimination of this area or any part thereof from the restriction of this order will be made only upon a written showing of an actual and controlling need.

(c) Except as hereinafter provided, the school lunch program of the United States Department of Agriculture (USDA) shall constitute the only federally-funded school lunch program for Indian students in public schools. Contracts with State education agencies or school districts receiving funds under the provisions of this part shall provide educational opportunities to all Indian children within that school district on the same terms and under the same conditions that apply to all other students provided that it will not affect the rights of eligible Indian children to receive benefits from the supplemental programs as provided for in this part. School districts receiving funds under this part must insure that Indian children receive all aid from the State, and other proper sources other than this contract, which other schools in the district and other school districts similarly situated in the State are entitled to receive. In no instance shall there be discrimination against Indians or schools enrolling such Indians.

   (2) Establish any eligibility requirements for cash depositories in which Bureau grant funds are deposited by grantees or their subgrantees.

(b) A separate bank account shall be used when payments under letter of credit are made on a "check-paid" basis in accordance with agreements entered into by a grantee, the Bureau, and the banking institutions involved. § 276.5 Recordkeeping.

(a) The Bureau shall not impose record retention requirements over and above those established by the grantee except that financial records, supporting documents, statistical records, and all other records pertinent to a Bureau grant, or to any subgrant (or negotiated contract exceeding $2500) under a grant, shall be retained for a period of three years, with the following qualifications:

(1) The records shall be retained beyond the three-year period if audit findings have not been resolved.

(2) Records for nonexpendable property which was acquired with Bureau grant funds shall be retained for three years after its final disposition.

(3) When grant records are transferred to or maintained by the Bureau, the three-year retention requirement is not applicable to the grantee.

(b) The retention period starts from the date of submission of the final expenditure report or, for grants which are renewed annually, from the date of the submission of the annual expenditure report.

(c) Grantees are authorized, if they desire, to substitute microfilm copies in lieu of original records.

(d) The Bureau shall request transfer of certain records to its custody from grantees when it determines that the records possess long-term retention value. However, in order to avoid duplicate recordkeeping the Bureau may make arrangements with the grantee for the grantee to retain any records which are continuously needed for joint use.

(e) The Secretary of the Interior and the Comptroller General of the United States, or any of their duly authorized representatives shall have access to any books, documents, papers, and records of the grantees and their subgrantees which are pertinent to a specific grant program for the purpose of making audit, examination, excerpts, transcripts and copies at government expense.

(f) Unless otherwise required by law, the Bureau shall not place restrictions on grantees which will limit public access to the grantee’s records created as part of the grant except when records must remain confidential. Following are some of the reasons for withholding records:

(2) Specifically required by statute or Executive Order to be kept secret;

(3) Commercial or financial information obtained from a person or firm on a privileged or confidential basis.

(c) Royalties received from copyrights and patents produced under the grant during the grant period shall be retained by the grantee and, in accordance with the grant agreement, be either added to the funds already committed to the program or deducted from total allowable project costs for the purpose of determining the net costs on which the Bureau share of costs will be based. After termination or completion of the grant, the Bureau share of royalties in excess of $200 received annually shall be returned to the Bureau in the absence of other specific agreements between the Bureau and the grantee. The Bureau share of royalties shall be computed on the same ratio basis as the Bureau share of the total project cost.

(d) All other program income earned during the grant period shall be retained by the grantee and, in accordance with the grant agreement, shall be either:

(1) Added to funds committed to the project by the Bureau and the grantee and be used to further eligible program objectives, or

(2) Deducted from the total project costs for the purpose of determining the net costs on which the Bureau share of costs will be based.

(e) Grantees shall record the receipt and expenditures of revenues (such as taxes, special assessments, levies, fines, etc.) as a part of grant project transactions when such revenues are specifically earmarked for a grant project in accordance with grant agreements.

§276.7 Standards for grantee financial management systems.

(a) Grantee financial management systems for grants and subgrantee financial management systems for subgrants shall provide for:

(1) Accurate, current, and complete disclosure of the financial results of each grant program in accordance with Federal reporting requirements and for each subgrant in accordance with the grantee’s requirements. Except when specifically required by law, the Bureau will not require financial reporting on the accrual basis from tribal organizations whose records are not maintained on that basis. However, when accrual reporting is required by law, tribal organizations whose records are not maintained on that basis will not be required to convert their accounting systems to the accrual basis; they may develop the accrual information through an analysis of the documentation on hand or on the basis of best estimates.

(2) Records which identify adequately the source and application of funds for grant—or subgrant—supported activities. These records shall contain information pertaining to grant or subgrant awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays, and income.

(4) Comparison of actual with budgeted amounts for each grant or subgrant, and, when specifically required by the performance reporting requirements of the grant or subgrant, relation of financial information with performance or productivity data, including the production of unit cost information.

(5) Procedures to minimize the time elapsing between the transfer of funds from the U.S. Treasury and the disbursement by the grantee, whenever funds are advanced by the Federal Government. When advances are made by a letter-of-credit method, the grantees shall make drawdowns from the U.S. Treasury as close as possible to the time of making the disbursements. Subgrantees shall institute similar procedures when funds are advanced by the grantee.

(6) Procedures for determining the allowability and allocability of costs shall be in accordance with the applicable cost principles prescribed in appendix A of this part.

(7) Accounting records which are supported by source documentation.
§ 276.8 Financial reporting requirements.

Requirements for grantees to report financial information to the Bureau, and to request advances and reimbursement when a letter of credit method is not used, are prescribed in appendix B of this part.

§ 276.9 Monitoring and reporting program performances.

(a) Grantees shall constantly monitor the performance under grant-supported activities to assure that adequate progress is being made toward achieving the goals of the grant. This review shall be made for each program, function, or activity involved:

(1) A comparison of actual accomplishments to the goals established for the period. Where the output of grant programs can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(2) Reasons for slippage in those cases where established goals were not met.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(b) Grantees shall submit a performance report for each grant which briefly presents the following for each program, function, or activity involved:

(1) A comparison of actual accomplishments to the goals established for the period. Where the output of grant programs can be readily quantified, such quantitative data should be related to cost data for computation of unit costs.

(3) Other pertinent information including, when appropriate, analysis and explanation of cost overruns or high unit costs.

(c) Grantees shall submit the performance reports to the Bureau with the Financial Status Reports (prescribed in appendix B of this part) in the frequency established by appendix B. The Bureau shall prescribe the frequency with which the performance reports will be submitted with the Request for Advance or Reimbursement (prescribed in appendix B) when that form is used in lieu of the Financial Status Report. In no case shall the performance reports be required more frequently than quarterly or less frequently than annually.

(d) Between the required performance reporting dates, events may occur which have significant impact upon the project or program. In such cases, the grantee shall inform the Bureau as soon as the following types of conditions become known:

(1) Problems, delays, or adverse conditions which will materially affect the ability to attain program objectives, prevent the meeting of time schedules and goals, or preclude the attainment of project work units by established time periods. This disclosure shall be accomplished by a statement of the action taken, or contemplated, and any Bureau assistance needed to resolve the situation.

(2) Favorable developments or events which enable meeting time schedules and goals sooner than anticipated or producing more work units than originally projected.

(e) If any performance review conducted by the grantee discloses the need for change in the budget estimates in accordance with the criteria established in § 276.14, the grantee shall submit a request for budget revision.

(f) The bureau shall make site visits as frequently as practicable to:

(1) Review program accomplishments and management control systems.

(2) Provide such technical assistance as may be required, or requested.

(1) When there is or will be a continuing relationship between a grantee and the Bureau for at least a 12-month period and the total amount of advances to be received within that period from the Bureau is $120,000, or more, as prescribed by Treasury Circular No. 1075.

(2) When the grantee has established or demonstrated to the Bureau the willingness and ability to establish procedures that will minimize the time...
elapsing between the transfer of funds and their disbursement by the grantee.

(3) When the grantee’s financial management system meets the standards for fund control and accountability prescribed in §276.7.

(b) The method of advancing funds by Treasury check shall be used, in accordance with the provisions of Treasury Circular No. 1075, when the grantee meets all of the requirements specified in paragraphs (a)(2) and (3) of this section.

(c) The reimbursement by Treasury check method shall be the preferred method when the grantee does not meet the requirements specified in either paragraph (a)(2) or (a)(3), or both. This method may also be used when the major portion of the program is accomplished through private market financing or Federal loans, and when the Bureau grant assistance constitutes a minor portion of the program.

(d) Unless otherwise required by law, the Bureau shall not withhold payments for proper charges made by grantees at any time during the grant period unless:

(1) A grantee has failed to comply with the program objectives, grant award conditions, or Bureau reporting requirements; or

(2) The grantee is indebted to the United States and collection of the indebtedness will not impair accomplishment of the objectives of any grant program sponsored by the United States. Under such conditions, the Bureau may, upon reasonable notice, inform the grantee that payments will not be made for obligations incurred after a specified date until the conditions are corrected or the indebtedness to the Federal Government is liquidated.

(e) Appendix B of this part provides the procedures for requesting advances or reimbursements.

[40 FR 51316, Nov. 4, 1975, as amended at 41 FR 5099, Feb. 4, 1976]

§276.11 Property management standards.

(a) Grantees may follow their own property management policies and procedures if they observe the requirements of this section. With respect to property covered by this section, the Bureau may not impose on grantees any requirements (including property reporting requirements) not authorized by this part unless specifically required by Federal law.

(b) Title to real property to be acquired in whole or in part from a Bureau grant under part 900 of this chapter shall vest in one of the following manners:

(1) Title may be taken by the United States in trust for the Indian tribe whenever the acquisition does not meet the criteria in paragraph (b)(1) of this section, unless for other reasons a tribe requests title to be taken in the name of the United States. In the absence of applicable statutory authority governing the disposition of real property acquired by a tribe, the tribe shall use the real property for the authorized purposes and in accordance with the provisions of the original grant. Changes in use compatible to other tribal programs may be authorized by the Bureau. When no longer needed for the authorized purposes, the real property shall be used in accordance with the standards set forth in §276.11(d)(1) for non-expendable personal property. Accordingly, the following priority order for use of such property shall be:

(i) Other grants from the Bureau.

(ii) Grants from other Federal agencies.

(iii) Tribal purposes consistent with those authorized for support by Bureau grants.

(iv) Tribal official activities.

(3) In those instances where the Indian tribe requests, title may be acquired by the United States. Use of these acquired real property interests will be subject to the authorized purposes and in accordance with the provisions of the original grant. Upon a determination that the real property is no longer needed for the authorized purposes, disposition may be made by
§ 276.11 declaring it excess under provisions of the Act of January 2, 1975 (88 Stat. 1954) and title transferred to the Secretary to be held by the United States in trust for the tribe. Where real property does not meet the requirements under the Act of January 2, 1975 (88 Stat. 1954), the tribe may elect to acquire title under applicable enabling statutory authorities, or in the absence of statutory authority, request withholding disposition in aid of legislation, or authorize disposal under the General Services Administration procedures.

(c) The provisions of paragraphs (b)(2) and (3) of this section shall also apply when real property is acquired in whole or in part by a Bureau grant other than that provided under part 900 of this chapter. However, when such property is acquired by a grantee other than an Indian tribe, or a tribal governing body, fee simple title to the property shall vest in the grantee upon acquisition. In the absence of applicable statutory provisions governing the use or disposition of such property, it shall be subject to the following requirements, in addition to any other requirements imposed by the terms and conditions of the grant:

(1) The grantee shall use the real property for the authorized purpose of the original grant as long as needed.

(2) The grantee shall obtain approval by the Bureau for the use of the real property in other projects when the grantee determines that the property is no longer needed for the original grant purposes. Use in other projects shall be limited to those under other Federal grant programs, or programs that have purposes consistent with those authorized for support by the grantor.

(3) When the real property is no longer needed as provided in paragraphs (c)(1) and (2) of this section, the grantee shall return all real property furnished or purchased wholly with Bureau grant funds to the control of the Bureau. In the case of property purchased in part with Bureau grant funds, the grantee may be permitted to take title to the Federal interest therein upon compensating the Federal Government for its fair share of the property. The Federal share of the property shall be the amount computed by applying the percentage of the Federal participation in the total cost of the grant program for which the property was acquired to the current fair market value of the property.

(d) Standards and procedures governing ownership, use, and disposition of nonexpendable personal property furnished by the Bureau or acquired with Bureau funds are set forth below:

(1) Nonexpendable personal property acquired with Bureau funds. When nonexpendable personal property is acquired by a grantee wholly or in part with Bureau funds, title will not be taken by the Bureau except as provided in paragraph (d)(1)(iv) of this section but shall be vested in the grantee subject to the following restrictions on use and disposition of the property:

(i) The grantee shall retain the property acquired with Bureau funds in the grant program as long as there is a need for the property to accomplish the purpose of the grant program whether or not the program continues to be supported by Bureau funds. When there is no longer a need for the property to accomplish the purpose of the grant program, the grantee shall use the property in connection with the other Federal grants it has received in the following order of priority:

(A) Other grants from the Bureau needing the property.

(B) Grants of other Federal agencies needing the property.

(ii) When the grantee no longer has need for the property in any of its Federal grant programs, or programs that have purposes consistent with those authorized for support by the grantor, the property may be used for its own official activities in accordance with the following standards:

(A) Nonexpendable property with an acquisition cost of less than $500 and used four years or more. The grantee may use the property for its own official activities without reimbursement to the Federal government or sell the property and retain the proceeds.

(B) All other nonexpendable property. The grantee may retain the property for its own use if a fair compensation is made to the Bureau for the latter's share of the property. The amount of compensation shall be computed by applying the percentage of
Bureau of Indian Affairs, Interior

§ 276.11

Bureau participation in the grant program to the current fair market value of the property.

(iii) If the grantee has no need for the property, disposition of the property shall be made as follows:

(A) Nonexpendable property with an acquisition cost of $1,000 or less. Except for that property which meets the criteria of paragraph (d)(1)(ii)(A) of this section, the grantee shall sell the property and reimburse the Bureau an amount which is computed in accordance with paragraph (d)(1)(iii) of this section.

(B) Nonexpendable property with an acquisition cost of over $1,000. The grantee shall request disposition instructions from the Bureau. The Bureau shall determine whether the property can be used to meet the Bureau’s requirement. If no requirement exists within the Bureau, the availability of the property shall be reported to the General Services Administration (GSA) by the Bureau to determine whether a requirement for the property exists in other Federal agencies. The Bureau shall issue instructions to the grantee within 120 days and the following procedures shall govern:

(1) If the grantee is instructed to ship the property elsewhere, the grantee shall be reimbursed by the benefiting Federal agency with an amount which is computed by applying the percentage of the grantee’s participation in the grant program to the current fair market value of the property, plus any shipping or interim storage costs incurred.

(2) If the grantee is instructed to otherwise dispose of the property, he shall be reimbursed by the Bureau of such costs incurred in its disposition.

(3) If disposition instructions are not issued within 120 days after reporting, the grantee shall sell the property and reimburse the Bureau and amount which is computed by applying the percentage of Bureau participation in the grant program to the sales proceeds. Further, the grantee shall be permitted to retain $100 or 10 percent of the proceeds, whichever is greater, for the grantee’s selling and handling expenses.

(iv) Where the Bureau determines that property with an acquisition cost of $1,000 or more and financed solely with Bureau funds is unique, different, or costly to replace, it may reserve title to such property, subject to the following provisions:

(A) The property shall be appropriately identified in the grant agreement or otherwise made known to the grantee.

(B) The Bureau shall issue disposition instructions within 120 days after the completion of the need for the property under the grant for which it was acquired. If the Bureau fails to issue disposition instructions within 120 days, the grantee shall apply the standards of paragraphs (d)(1)(i), (d)(1)(ii)(B), and (d)(1)(iii)(B) of this section.

(e) Federally owned nonexpendable personal property. Unless statutory authority to transfer title has been granted to an agency, title to Federally owned property (property to which the Federal Government retains title including excess property made available by the Bureau to grantees) remains vested by law in the Federal Government. Upon termination of the grant or need for the property, such property shall be reported to the Bureau for further Bureau use or, if appropriate, for reporting to the General Services Administration for other Federal agency use. Appropriate disposition instructions will be issued to the grantee after completion of Bureau review.

(f) The grantee’s property management standards for nonexpendable personal property shall also include the following procedural requirements:

(1) Property records shall be maintained accurately and provide for a description of the property; manufacturer’s serial number or other identification number; acquisition date and cost; source of the property; percentage of Federal funds used in the purchase of property; location, use, and condition of the property; and ultimate disposition data including sales price or the method used to determine current fair market value if the grantee reimburses the Bureau for its share.

(2) A physical inventory of property shall be taken and the results reconciled with the property records at least once every two years to verify the property.
§276.12 Procurement standards.

(a) The standards contained in this section do not relieve the grantee of the contractual responsibilities arising under its contracts. The grantee is the responsible authority, without recourse to the Bureau regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into, in support of a grant. This includes but is not limited to: disputes, claims, protests of award, source evaluation or other matters of a contractual nature. Matters concerning violation of law are to be referred to the tribal, Federal or other authority which has proper jurisdiction.

(b) Grantees may use their own procurement regulations provided that procurements made with Bureau grant

VerDate May<13>2002 14:24 May 28, 2002 Jkt 197079 PO 00000 Frm 00722 Fmt 8010 Sfmt 8010 Y:\SGML\197079T.XXX pfrm12 PsN: 197079T
funds adhere to the standards set forth as follows:

(1) The grantee shall maintain a code or standards of conduct which shall govern the performance of its officers, employees, or agents in contracting with and expending Bureau grant funds. Grantee's officers, employees or agents, shall neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or potential contractors. To the extent permissible by law, rules or regulations, such standards shall provide for penalties, sanctions, or other disciplinary actions to be applied for violations of such standards by either the grantee officers, employees, or agents, or by contractors or their agents.

(2) All procurement transactions regardless of whether negotiated or advertised and without regard to dollar value shall be conducted in a manner so as to provide maximum open and free competition. The grantee should be alert to organizational conflicts of interest or non-competitive practices among contractors which may restrict or eliminate competition or otherwise restrain trade. However, this provision will apply only after the Indian preference requirements prescribed in §276.13 have been met.

(3) The grantee shall establish procurement procedures which provide for, as a minimum, the following procedural requirements:

(i) Proposed procurement actions shall be reviewed by grantee official to avoid purchasing unnecessary or duplicative items. Where appropriate, an analysis shall be made of lease and purchase alternatives to determine which would be the most economical, practical procurement.

(ii) Invitations for bids or requests for proposals shall be based upon a clear and accurate description of the technical requirements for the material, product, or service to be procured. In competitive procurements, such description shall not contain features which unduly restrict competition. “Brand name or equal” description may be used as a means to define the performance or other salient requirements of a procurement. When so used, the specific features of the named brand which must be met by offerors should be clearly specified.

(iii) Positive efforts shall be made by the grantees to use small business and minority-owned business sources of supplies and services. Such efforts should allow these sources the maximum feasible opportunity to compete for contracts to be performed using Bureau grant funds. However, this provision will apply only after the Indian preference requirements prescribed in §276.13 have been met.

(iv) The type of procuring instruments used (i.e., fixed price contracts, cost reimbursable contracts, etc.) shall be appropriate for the particular procurement and for promoting the best interest of the grant program involved. The “cost-plus-a-percentage-of-cost” method of contracting shall not be used.

(v) Formal advertising, with adequate purchase description, sealed bids, and public openings shall be the required method of procurement unless negotiation pursuant to paragraph (b)(3)(vi) of this section is necessary to accomplish sound procurement. However, procurement of $10,000 or less need not be so advertised. Where such advertised bids are obtained the awards shall be made to the responsible bidder whose bid is responsive to the invitation and is most advantageous to the grantee, price and other factors considered. (Factors such as discounts, transportation costs, taxes may be considered in determining the lowest bid.) Invitations for bids shall clearly set forth all requirements which the bidder must fulfill in order for his bid to be evaluated by the grantee. Any or all bids may be rejected when it is in the grantee's interest to do so.

(vi) Procurements may be negotiated if it is impractical and unfeasible to use formal advertising. Generally, procurements may be negotiated by the grantee if:

(A) The public exigency will not permit the delay incident to advertising;

(B) The material or service to be procured is available from only one person or firm; (all contemplated sole source procurements where the aggregate expenditure is expected to exceed $5,000 shall be referred to the Bureau for prior approval).
§276.12

(C) The total amount involved does not exceed $10,000;

(D) The contract is for personal or professional services, or for any service to be rendered by a university, college, or other educational institutions;

(E) No acceptable bids have been received after formal advertising;

(F) The purchases are for highly perishable materials or medical supplies; for material or services where the prices are established by law; for technical items or equipment requiring standardization and interchangeability of parts with existing equipment; for experimental, developmental or research work; for supplies purchased for authorized resale; and for technical or specialized supplies requiring substantial initial investment for manufacture;

(G) Otherwise authorized by law, rules or regulations. Notwithstanding the existence of circumstances justifying negotiation, competition shall be obtained to the maximum extent practicable.

(vii) Contracts shall be made only with responsible contractors who possess the potential ability to perform successfully under the terms and conditions of a proposed procurement. Consideration shall be given to such matters as contractor integrity, record of past performance, financial and technical resources, or accessibility to other necessary resources.

(viii) Procurement records or files for purchases in amounts over $10,000 shall provide at least the following pertinent information: Justification for the use of negotiation in lieu of advertising, contractor selection, and the basis for the cost or price negotiation.

(ix) A system for contract administration shall be maintained to assure contractor conformance with terms, conditions, and specifications of the contract or order, and to assure adequate and timely followup of all purchases.

(c) In addition to provisions to define a sound and complete agreement, the grantee shall include the following provisions in all contracts and subgrants:

(1) Contracts shall contain such contractual provisions or conditions which will allow for administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as may be appropriate.

(2) All contracts, amounts for which are over $10,000 shall contain suitable provisions for termination by the grantee including the manner by which it will be effected and the basis for settlement. In addition, such contracts shall describe conditions where the contract may be terminated because of circumstances beyond the control of the contractor.

(3) In all contracts for construction or facility improvement awarded over $100,000, grantees shall observe the bonding requirements provided in §276.4.

(4) All construction contracts awarded by recipients and their contractors or subgrantees having a value of more than $10,000, shall contain a provision requiring compliance with Executive Order 11246, entitled “Equal Employment Opportunity,” as amended by Labor Regulations (41 CFR part 87). However, this Equal Employment Opportunity provision will apply only after the Indian preference requirements prescribed in §276.13 have been met.

(5) All contracts and subgrants for construction or repair shall include a provision for compliance with the Copeland “Anti-Kick Back” Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR part 3). This Act provides that each contractor or subgrantee shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. The grantee shall report all suspected or reported violations to the Bureau.

(6) When required by the Federal grant program legislation, all construction contracts awarded by grantees and subgrantees over $2,000 shall include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR part 5). Under this Act, contractors shall be required to pay wages to laborers and
mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less often than once a week. The grantee shall place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation and the award of a contract shall be conditioned upon the acceptance of the wage determination. The grantee shall report all suspected or reported violations to the Bureau.

(7) Where applicable, all contracts awarded by grantees and subgrantees over $2,000 for construction contracts and over $2,500 for other contracts which involve the employment of mechanics or laborers shall include a provision for compliance with sections 103 and 107 of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327–330) as supplemented by Department of Labor regulations (29 CFR part 5). Under section 103 of the Act, each contractor shall be required to compute the wages of every mechanic and laborer on the basis of a standard work day of 8 hours and a standard work week of 40 hours. Work in excess of the standard workday or workweek is permissible if the worker is compensated at a rate of not less than 1½ times the basic rate of pay for all hours worked over 8 hours in any calendar day or 40 hours in the work week. Section 107 of the Act applies to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction, safety, and health standards promulgated by the Secretary of Labor. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(8) Contracts or agreements, the principal purpose of which is to create, develop, or improve products, processes or methods; or for exploration into fields which directly concern public health, safety, or welfare; or constraints in the field of science or technology in which there has been little significant experience outside of work funded by Federal assistance, shall contain a notice to the effect that matters regarding rights to inventions, and materials generated under the contract or agreement are subject to the regulations issued by the Bureau. The contractor shall be advised as to the source of additional information regarding these matters.

(9) All negotiated contracts (except those of $10,000 or less) awarded by grantees shall include a provision to the effect that the grantee, the Bureau, the Comptroller General of the United States, or any of their duly authorized representatives, shall have access to any books, documents, papers, and records of the contractor which are directly pertinent to a specific grant program for the purpose of making audit, examination, excerpts, and transcriptions.

(10) Contracts and subgrants of amounts over $100,000 shall contain a provision which requires the recipient to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act of 1970 (42 U.S.C. 1251 et seq.) as amended. Violations shall be reported to the Bureau and the Regional Office of the Environmental Protection Agency.

§ 276.13 Indian preference in grant administration.

Any grant or subgrant shall require that to the greatest extent feasible:

(a) Preferences and opportunities for training and employment in connection with the administration of such a grant or subgrant shall be given to Indians.

(b) Preference in the award of a subgrant, contract or subcontract in connection with administration of a grant shall be given to Indian organizations and economic enterprises.

(c) A tribal governing body may develop its own Indian preference requirements to the extent that such requirements are not inconsistent with the purpose and intent of paragraphs (a) and (b) of this section for grants executed under this part.
§ 276.14 Budget revision.

Criteria and procedures to be followed by grantees in reporting deviations from grant budgets and requesting approval for budget revisions are as follows:

(a) For nonconstruction grants, grantees shall request prior approvals promptly from the Bureau for budget revisions whenever:

(1) The revision results from changes in the scope or the objective of the grant-supported program.

(2) The revision indicates the need for additional Bureau funding.

(3) The grant budget is over $100,000 and the cumulative amount of transfers among direct cost object class budget categories exceeds or is expected to exceed $10,000, or five percent of the grant budget, whichever is greater. The same criteria apply to the cumulative amount of transfers among programs, functions, and activities when budgeted separately for a grant, except that the Bureau shall permit no transfer which would cause any Federal appropriation, or part thereof, to be used for purposes other than those intended.

(4) The grant budget is $100,000, or less, and the cumulative amount of transfers among direct cost object class budget categories exceeds or is expected to exceed five percent of the grant budget. The same criteria apply to the cumulative amount of transfers among programs, functions, and activities when budgeted separately for a grant, except that the Bureau shall permit no transfer which would cause any Federal appropriation, or part thereof, to be used for purposes other than those intended.

(5) The revisions involve the transfer of amounts budgeted for indirect costs to absorb increases in direct costs.

(6) The revisions pertain to the addition of items requiring approval in accordance with the provisions of appendix A of this part.

(b) All other changes to nonconstruction grant budgets, except for the changes described in paragraph (d) of this section do not require approval. These changes include:

(1) The use of grantee funds in furtherance of program objectives over and above the grantee minimum share included in the approved grant budget and

(2) The transfer of amounts budgeted for direct costs to absorb authorized increases in indirect costs.

(c) For construction grants, grantees shall request prior approval promptly from the Bureau for budget revisions whenever:

(1) The revision results from changes in the scope or the objective of the grant-supported programs.

(2) The revision increases the budgeted amounts of Bureau funds needed to complete the project.

(d) When the Bureau awards a grant which provides support for both construction and nonconstruction work, the Bureau may require, in the grant agreement, the grantee to request prior approval before making any fund or budget transfers between the two types of work supported.

(e) For both construction and nonconstruction grants, the Bureau shall require tribal grantees to notify the Bureau promptly whenever the amount of Bureau authorized funds is expected to exceed the needs of the grantee by more than $5,000 or 5 percent of the Bureau grant, whichever is greater. This notification will not be required when applications for additional funding are submitted for continuing grants.

(f) When requesting approval for budget revisions, grantees shall use the budget forms which were used in the grant application. However, grantees may request by letter the approvals required by the provisions of appendix A of this part.

(g) Within 30 days from the date of receipt of the request for budget revisions, the Bureau shall review the request and notify the grantee whether or not the budget revisions have been approved. If the Bureau does not reach a decision prior to the end of the 30-day period or should the grantee not be notified of the Bureau’s decision by the end of the 30-day period the grantee may appeal directly to the Commissioner.

§ 276.15 Closeout.

(a) In closing out Bureau grants, the following shall be observed:

(1) Upon request, the Bureau shall make prompt payments to a grantee
for allowable reimbursable costs under the grant being closed out.

(2) The grantee shall immediately re-
fund to the Bureau any unencumbered balance of cash advanced to the grantee.

(3) The Bureau shall obtain from the grantee within 90 days after the date of completion of the grant all financial, performance, and other reports required as a condition of the grant. The Bureau may grant extensions when requested by the grantee.

(4) The Bureau shall make a settlement for any upward or downward adjustments to the Federal share of costs after these reports are received.

(5) The grantee shall account for any property acquired with grant funds, or received from the Government in accordance with the provisions of §276.11.

(b) Suspension. When a grantee has materially failed to comply with the terms and conditions of a grant, the Bureau may after reasonable notice to the grantee, suspend the grant. The notice preceding suspension shall include the effective date of the suspension, the reasons for the suspension, the corrective measures necessary for reinstatement of the grant, and, if there is no immediate threat to safety, a reasonable time frame for corrective action prior to actual suspension. No obligations incurred by the grantee during the period of suspension shall be allowable under the suspended grant, except that the Bureau may at its discretion allow necessary and proper costs which the grantee could not reasonably avoid during the period of suspensions if such costs would otherwise be allowable under the applicable cost principles specified in appendix A of this part. Appropriate adjustments to the payments under the suspended grant will be made, either by withholding the payments or by not allowing the grantee credit for disbursements which he may make in liquidation of unauthorized obligations he incurs during the period of suspension. Suspensions shall remain in effect until the grantee has taken corrective action to the satisfaction of the Bureau or given assurances satisfactory to the Bureau that corrective action will be taken, or until the Bureau cancels the grant.

(c)(1) Cancellation for cause. The Bureau may cancel any grant in whole, or in part, at any time before the date of completion, whenever it is determined that the grantee has:

(i) Materially failed to comply with the terms and conditions of the grant;

(ii) Violated the rights or endangered the health, safety, or welfare of any persons;

(iii) Been grossly negligent in or has mismanaged the handling or use of funds provided under the grant.

(2) When it appears that cancellation of a grant shall become necessary, the Bureau shall promptly notify the grantee in writing of this possibility. This written notice shall advise the grantee of the reason for the possible cancellation and the corrective action necessary to avoid cancellation. The Bureau shall also offer, and provide if requested by the grantee, any technical assistance which may be required to effect the corrective action. The grantee shall have 60 days in which to effect this corrective action before the Bureau provides notice of intent to cancel the grant as provided in paragraph (c)(3) of this section.

(3) Upon deciding to cancel for cause, the Bureau shall promptly notify the grantee in writing of that decision, the reasons for the cancellation, and the effective date. The Bureau shall also provide a hearing for the grantee before cancellation, as provided in §272.51. However, the Bureau may immediately cancel the grant, upon notice to the grantee, if the Bureau determines that continuance of the grant poses an immediate threat to safety. In this event, the Bureau shall provide a hearing for the grantee within ten (10) days of cancellation.

(4) Payments made to grantees or recoveries by the Bureau under grants cancelled for cause shall be in accordance with the legal rights and obligations of the parties.

(d)(1) Cancellation on other grounds. Except as provided in paragraph (c) of
§ 276.16 Subgrants and subcontracts to non-profit organizations.

The uniform administrative requirements in this part, including the cost principles in appendix A, to this part, are applicable to all subgrants or subcontracts made by a grantee in accordance with the provisions of this chapter. However, these requirements and cost principles are applicable as minimum standards for subgrants or subcontracts made to nonprofit organizations. Accordingly, the grantee may prescribe additional or more stringent requirements with regard to subgrants or subcontracts made to non-profit organizations.

§ 276.17 Printing.

As permitted by paragraph 36-2(c) in the Government Printing and Binding Regulations (October 1974, No. 23), published by the Joint Committee on Printing (JCP), printing required by a grantee in performing work under a grant is considered “incidental printing” (e.g., material which the grantee needs to use to respond to the terms of the grant). Whenever the incidental printing is likely to exceed the exclusions in paragraphs 36-3 and 36-4 of the Joint Committee on Printing (JCP) Printing and Binding Regulations, specific provisions on printing as may be required shall be included in the grant agreement. Grantees shall be given the option of using sources other than the Government Printing Office for incidental printing.

APPENDIX A TO PART 276—PRINCIPLES FOR DETERMINING COSTS APPLICABLE TO GRANTS

PART I—GENERAL

A. Purpose and scope. 1. Objectives. This attachment sets forth principles for determining the allowable costs of programs administered by grantees under grants from the Bureau. The principles are for the purpose of cost determination and are not intended to identify the circumstances or dictate the extent of Bureau and tribal participation in the financing of a particular grant. They are designed to provide that Bureau assisted programs bear their fair share of costs recognized under these principles, except where restricted or prohibited by law. No provision for profit or other increment above cost is intended.

2. Policy guides. The application of these principles is based on the fundamental premises that:

a. Grantees are responsible for the efficient and effective administration of grant programs through the application of sound management practices.

b. The grantee assumes the responsibility for seeing that Bureau assisted program funds have been expended and accounted for consistent with underlying agreements and program objectives.

c. Each grantee organization, in recognition of its own unique combination of staff facilities and experience, will have the primary responsibility for employing whatever form of organization and management techniques may be necessary to assure proper and efficient administration.

3. Application. These principles will be applied by the Bureau in determining costs incurred by grantees under Bureau grants (including subgrants, contracts by grantees and subcontracts).

B. Definitions. 1. Approval or authorization of the Bureau means documentation evidencing consent prior to incurring specific cost.

2. Cost allocation plan means the documentation identifying, accumulating, and distributing allowable costs under grants and contracts together with the allocation methods used.
Bureau of Indian Affairs, Interior

3. Cost, as used herein, means cost as determined on a cash, accrual, or other basis acceptable to the Bureau as a discharge of the grantee’s accountability for Bureau funds.

4. Cost objective means a pool, center, or area established for the accumulation of cost. Such areas include organizational units, functions, objects or items of expense as well as ultimate cost objectives including specific grants, projects, contracts, and other activities.

5. Federal agency means any department, agency, commission, or instrumentality in the executive branch of the Federal Government which makes grants to grantees.

6. Grant means an agreement between the Bureau and a grantee whereby the Bureau provides funds or aid in kind to carry out specified programs, services, or activities. The principles and policies stated in this appendix as applicable to grants in general also apply to any Federally sponsored cost reimbursement type of agreement performed by a grantee, including contracts, subcontracts and subgrants.

7. Grant program means those activities and operations of the grantee which are necessary to carry out the purposes of the grant, including any portion of the program financed by the grantee.

8. Grantee means the entity which is responsible for administration of the grant.

9. Services, as used herein, means goods and facilities, as well as services.

10. Supporting services means auxiliary functions necessary to sustain the direct effort involved in administering a grant program or an activity providing service to the grant program. These services may be centralized in the grantee department or in some other agency, and include procurement, payroll, personnel functions, maintenance and operation of space, data processing, accounting, budgeting, auditing, mail and messenger service, and the like.

C. Basic guidelines. 1. Factors affecting allowability of costs. To be allowable under a grant program, costs must meet the following general criteria:

a. Be necessary and reasonable for proper and efficient administration of the grant program, be allocable thereto under these principles, and, except as specifically provided herein, not be a general expense required to carry out the overall responsibilities of a grantee.

b. Be authorized or not prohibited under applicable laws or regulations.

c. Conform to any limitations or exclusions set forth in these principles, Federal laws, or other governing limitations as to types or amounts of cost items.

d. Be consistent with policies, regulations, and procedures that apply uniformly to both Federally assisted and other activities of which the grantee is a part.

e. Be accorded consistent treatment through application of generally accepted accounting principles appropriate to the circumstances.

f. Not be allocable to or included as a cost of any other Federally financed program in either the current or a prior period.

g. Be net of all applicable credits.

2. Classification of costs. There is no universal rule for classifying certain costs as either direct or indirect under every accounting system. A cost may be direct with respect to some specific service or function, but indirect with respect to the grant or other ultimate cost objective. It is essential, therefore, that each item of cost be treated consistently either as a direct or an indirect cost. Specific guides for determining direct and indirect costs allocable under grant programs are provided in the sections which follow.

E. Direct costs. 1. General. Direct costs are those that can be identified specifically with a particular cost objective. These costs may be charged directly to grants, contracts, or
to other programs against which costs are finally lodged. Direct costs may also be charged to cost objectives used for the other ultimate cost objective.

2. Allocated indirect costs chargeable to grant programs are:
   a. Compensation of employees for the time and effort devoted specifically to the execution of the grant.
   b. Cost of materials acquired, consumed, or expended specifically for the purpose of the grant.
   c. Equipment and other approved capital expenditures.
   d. Other items of expense incurred specifically to carry out the grant agreement.
   e. Services furnished specifically for the grant program by other agencies, provided such charges are consistent with criteria outlined in section G of these principles.

F. Indirect costs. 1. General. Indirect costs are those (a) incurred for a common or joint purpose benefiting more than one cost objective, and (b) not readily assignable to the cost objectives specifically benefited, without effort disproportionate to the results achieved. The term “indirect costs,” as used herein, applies to costs of this type originating in the grantee department, as well as those incurred by other departments in supplying goods, services, and facilities, to the grantee department. To facilitate equitable distribution of indirect expenses to the cost objectives served, it may be necessary to establish a number of pools of indirect cost within a grantee department or in other agencies providing services to a grantee department. Indirect cost pools should be distributed to benefitting cost objectives on bases which will produce an equitable result in consideration or relative benefits derived.

2. Grantee departmental indirect costs. All grantee departmental indirect costs, including the various levels of supervision, are eligible for allocation to grant programs provided they meet the conditions set forth in this part. In lieu of determining the actual amount of grantee departmental indirect cost allocable to a grant program, the following methods may be used:
   a. Predetermined fixed rates for indirect costs. A predetermined fixed rate for computing indirect costs applicable to a grant may be negotiated annually in situations where the cost experience and other pertinent facts available are deemed sufficient to enable the contracting parties to reach an informed judgment (1) as to the probable level of indirect costs in the grantee department during the period to be covered by the negotiated rate, and (2) that the amount allowable under the predetermined rate would not exceed actual indirect cost.
   b. Negotiated lump sum for overhead. A negotiated fixed amount in lieu of indirect costs may be appropriate under circumstances where the benefits derived from a grantee department’s indirect services cannot be readily determined as in the case of small, self-contained or isolated activity. When this method is used, a determination should be made that the amount negotiated will be approximately the same as the actual indirect cost that may be incurred. Such amounts negotiated in lieu of indirect costs will be treated as an offset to total indirect expenses of the grantee department before allocation to remaining activities. The base on which such remaining expenses are allocated should be appropriately adjusted.

3. Limitation on indirect costs. a. Bureau grants may be subject to laws that limit the amount of indirect costs that may be allowed. In this event, the Bureau will establish procedures which will assure that the amount actually allowed for indirect costs under each such grant does not exceed the maximum allowable under the statutory limitation or the amount otherwise allowable under this appendix, whichever is the smaller.
   b. When the amount allowable under a statutory limitation is less than the amount otherwise allocable as indirect costs under this appendix the amount not recoverable as indirect costs under a grant may not be shifted to another Federally sponsored grant program or contract.

G. Cost incurred by organizations other than the grantee. 1. General. The cost of service provided by other organizations may only include allowable direct costs of the service plus a prorata share of allowable supporting costs and supervision directly required in performing the service, but not supervision of a general nature such as that provided by the head of an organization and its staff assistants not directly involved in operations. However, supervision by the head of an organization whose sole function is providing the service furnished would be an eligible cost. Supporting costs include those furnished by other units of the supplying organizations.

2. Alternative methods of determining indirect cost. In lieu of determining actual indirect cost related to a particular service furnished by another organization, either of the following alternative methods may be used provided only one method is used for a specific service during the fiscal year involved.
   a. Standard indirect rate. An amount equal to ten percent of direct labor cost in providing the service performed by another organization (excluding overtime, shift, or holiday premiums and fringe benefits) may be allowed in lieu of actual allowable indirect cost for that service.
   b. Predetermined fixed rate. A predetermined fixed rate for indirect cost of the unit or activity providing service may be negotiated as set forth in section F.2.a.

H. Cost incurred by grantees for others. 1. General. The principles provided in section G will
also be used in determining the cost of services provided by the grantee to another agency.

I. Cost allocation plan. 1. General. A plan for allocation of costs will be required to support the distribution of any joint costs related to the grant program. All costs included in the plan will be supported by formal accounting records which will substantiate the propriety of eventual charges.

2. Requirements. The allocation plan of the grantee should cover all joint costs of the grantees as well as costs to be allocated under plans of other agencies or organizational units which are to be included in the costs of federally sponsored programs. The cost allocation plan of all the agencies rendering services to the grantee, to the extent feasible, should be presented in a single document. The allocation plan should contain, but not necessarily be limited to, the following:
   a. The nature and extent of services provided and their relevance to the federally sponsored programs.
   b. The items of expense to be included.
   c. The methods to be used in distributing cost.

3. Instructions for preparation of cost allocation plans. The Bureau, in consultation with the other Federal agencies concerned, will be responsible for developing and issuing the instructions for use by grantees in preparation of cost allocation plans.

4. Submission of indirect cost proposal and negotiation of indirect cost rates. a. A grantee should submit its indirect cost proposal to the Federal agency which provides the largest dollar volume of contracts and grants. However, once a Federal agency has handled an indirect cost proposal, that same Federal agency should continue to act upon the proposal even though the preponderance of financial interest may have shifted to another Federal agency, and grantee shall not resubmit its indirect cost proposal to a second Federal agency.
   b. Where the grantee submits its proposal to the Department of Interior, the proposal should be sent by the Bureau of Indian Affairs to the cognizant Regional Office of the Department’s Office of Audit and Investigation. The Office of Audit and Investigation is responsible for the audit and review of the proposals and negotiation of the indirect cost rates.
   c. Grant administrators officers will usually, but are not required to, accept indirect cost rates negotiated by other Federal agencies.
   d. The Bureau of Indian Affairs will provide technical assistance in developing indirect cost proposals, if needed.

PART II—STANDARDS FOR SELECTED ITEMS OF COST

A. Purpose and applicability. 1. Objective. This attachment provides standards for determining the allowable cost of selected items of cost.

2. Application. These standards will apply irrespective of whether a particular item of cost is treated as direct or indirect cost. Failure to mention a particular item of cost in the standards is not intended to imply that it is either allowable or unallowable, rather determination of allowability in each case should be based on the treatment of standards provided for similar or related items of cost. The allowability of the selected items of cost is subject to the general policies and principles stated in part I of this appendix.

B. Allowable costs. 1. Accounting. The cost of establishing and maintaining accounting and other information systems required for the management of grant programs is allowable. This includes cost incurred by central service agencies for these purposes. The cost of maintaining central accounting records required for overall tribal government purposes, such as appropriation and fund accounts by the Treasurer, Comptroller, or similar officials, is considered to be a general expense of government and is not allowable.

2. Advertising. Advertising media includes newspapers, magazines, radio and television programs, direct mail, trade papers, and the like. The advertising costs allowable are those which are solely for:
   a. Recruitment of personnel required for the grant program.
   b. Solicitation of bids for the procurement of goods and services required.
   c. Disposal of scrap or surplus materials acquired in the performance of the grant agreement.
   d. Other purposes specifically provided for in the grant agreement.

3. Advisory councils. Costs incurred by grantee advisory councils or committees established pursuant to Bureau requirements to carry out grant programs are allowable. The cost of like organizations is allowable when provided for in the grant agreement.

4. Audit service. The cost of audits necessary for the administration and management of functions related to grant programs is allowable.

5. Bonding. Costs of premiums on bonds covering employees who handle grantee funds are allowable.

6. Budgeting. Costs incurred for the development, preparation, presentation, and execution of budgets are allowable. Costs for services of a central budget office are generally not allowable since these are costs of general government. However, where employees of the central budget office activity
participate in the grantee budget process, the cost of identifiable services is allowable.

7. Building lease management. The administrative cost for lease management which includes review of lease proposals, maintenance of a list of available property for lease, and related activities is allowable.

8. Central stores. The cost of maintaining and operating a central store’s organization for supplies, equipment, and materials used either directly or indirectly for grant programs is allowable.

9. Communications. Communication costs incurred for telephone calls or service, telegraph, teletype service, wide area telephone service (WATS), centrex, telpak (tie lines), postage, messenger service and similar expenses are allowable.

10. Compensation for personal services. a. General. Compensation for personal services includes all remuneration, paid currently or accrued, for services rendered during the period of performance under the grant agreement, including but not necessarily limited to wages, salaries, and supplementary compensation and benefits. The costs of such compensation are allowable to the extent that total compensation for individual employees: (1) Is responsible for the services rendered; (2) follows an appointment made in accordance with tribal government ordinances and rules and which meets Federal merit system or other requirements, where applicable; and (3) is determined and supported as provided in b., below. Compensation for employees engaged in federally assisted activities will be considered reasonable to the extent that it is comparable to that paid for similar work in other activities of the tribal government. In cases where the kinds of employees required for the federally assisted activities are not found in the other activities of the tribal government, compensation will be considered reasonable to the extent that it is comparable to that paid for similar work in the labor market in which the employing government competes for the kind of employees involved. Compensation surveys providing data representative of the labor market involved will be an acceptable basis for evaluating reasonableness.

b. Payroll and distribution of time. Amounts charged to grant programs for personal services, regardless of whether treated as direct or indirect costs, will be based on payrolls documented and approved in accordance with generally accepted practice of the tribal government. Payrolls must be supported by time and attendance or equivalent records for individual employees. Salaries and wages of employees chargeable to more than one grant program or other cost objective will be supported by appropriate time distribution records. The method used should produce an equitable distribution of time and effort.

11. Depreciation and use allowance. a. Grantee's may be compensated for the use of their own buildings, capital improvements, and equipment through use allowances or depreciation. Use allowances are the means of providing compensation in lieu of depreciation or other equivalent costs. However, a combination of the two methods may not be used in connection with a single class of fixed assets.

b. The computation of depreciation or use allowances will be based on acquisition cost. Where actual cost records have not been maintained, a reasonable estimate of the original acquisition cost may be used in the computation. The computation will exclude the cost or any portion of the cost of buildings and equipment donated or borne directly or indirectly by the Federal Government through charges to Federal grant programs or otherwise, irrespective of whether title was originally vested or where it presently resides. In addition, the computation will also exclude the cost of land. Depreciation or a use allowance on idle or excess facilities is not allowable, except when specifically authorized by the grantor Federal agency.

c. Where the depreciation method is followed, adequate property records must be maintained, and any generally accepted method of computing depreciation must be consistently applied for any specific asset or class of assets for all affected Federally sponsored programs and must result in equitable charges considering the extent of the use of the assets for benefit of such programs.

d. In lieu of depreciation, a use allowance for buildings and improvements may be computed at an annual rate not exceeding two percent of acquisition cost. The use allowance for equipment (excluding items properly capitalized as building cost) will be computed at an annual rate not exceeding six and two-thirds percent of acquisition cost of usable equipment.

e. No depreciation or use charge may be allowed on any assets that would be considered as fully depreciated, provided, however, that reasonable use charges may be negotiated for any such assets if warranted after taking into consideration the cost of the facility or item involved, the estimated useful life remaining at time of negotiation, the effect of any increased maintenance charges or decreased efficiency due to age, and any other factors pertinent to utilization of the facility or item for the purpose contemplated.

12. Disbursing service. The cost of disbursing grant program funds by the Treasurer or other designated officer is allowable. Disbursing services cover the processing of checks or warrants, from preparation to redemption, including the necessary records of accountability and reconciliation of such records with related cash accounts.
13. Employee fringe benefits. Costs identified under a. and b. below are allowable to the extent that total compensation for employees is reasonable as defined in section B.10.

a. Membership, subscriptions and professional activities. The cost of membership in civic, business, technical and professional organizations is allowable provided: (1) The benefit from the membership is related to the grant program, (2) the expenditure is for agency membership, (3) the cost of the membership is reasonably related to the value of the services or benefits received, and (4) the expenditure is not for membership in an organization which devotes a substantial part of its activities to influencing legislation.

b. Reference material. The cost of books, and subscriptions to civic, business, professional, and technical periodicals is allowable when related to the grant program.

c. Meetings and conferences. Costs are allowable when the purpose of the meeting is the dissemination of technical information relating to the grant program and they are consistent with regular practices followed for other activities of the grantee.

Such costs may be charged on an actual basis, on a per diem or mileage basis in lieu of actual costs incurred.
incurred, or on a combination of the two, provided the method used is applied to an entire trip, and results in charges consistent with those normally allowed in like circumstances. The difference in cost between first-class air accommodations and less-than-first-class air accommodations is unallowable except when first-class air accommodations are not reasonably available.

C. Costs allowable with approval of the Bureau. 1. Automatic data processing. The cost of data processing services to grant programs is allowable. This cost may include rental of equipment or depreciation on grantee-owned equipment. The acquisition of equipment, whether by outright purchase, rental-purchase agreement or other method of purchase, is allowable only upon specific prior approval of the Bureau as provided under the selected item for capital expenditures. The Bureau must obtain required Departmental clearances before such approval can be given.

2. Building space and related facilities. The cost of space in privately or publicly owned buildings used for the benefit of the grant program is allowable subject to the conditions stated below. The total cost of space, whether in a privately or publicly owned building, may not exceed the rental cost of comparable space and facilities in a privately owned building in the same locality. The cost of space procured for grant program usage may not be charged to the program for periods of nonoccupancy, without authorization of the Bureau.

a. Rental cost. The rental cost of space in a privately owned building is allowable.

e. Occupancy of space under rental-purchase or a lease with option-to-purchase agreement. The cost of space procured under such arrangement is allowable when specifically approved by the Bureau.

3. Capital expenditures. The cost of facilities, equipment, other capital assets, and repairs which materially increase the value or useful life of capital assets is allowable when such procurement is specifically approved by the Bureau. When assets acquired with Bureau grant funds are (a) sold, (b) no longer available for use in a Federally sponsored program or (c) used for purposes not authorized by the Bureau, the Bureau’s equity in the asset will be refunded in the same proportion as Bureau participation in its cost. In case any assets are traded on new items, only the net cost of the newly acquired assets is allowable.

4. Insurance and indemnification. a. Costs of insurance required, or approved and maintained pursuant to the grant agreement, is allowable.

b. Costs of other insurance in connection with the general conduct of activities is allowable subject to the following limitations: (1) Types and extent of coverage will be in accordance with sound business practice.

(2) Costs of insurance or of contributions to any reserve covering the risk of loss of, or damage to, Federal Government property are unallowable except to the extent that the Bureau has specifically required or approved such costs.

c. Contributions to a reserve for a self-insurance program approved by the Bureau are allowable to the extent that the type of coverage, extent of coverage, and the rates and premiums would have been allowed had insurance been purchased to cover the risks.

d. Actual losses which could have been covered by permissible insurance (through an approved self-insurance program or otherwise) are unallowable unless expressly provided for in the grant agreement. However, costs incurred because of losses not covered under nominal deductible insurance coverage provided in keeping with sound management practice, and minor losses not covered by insurance, such as spoilage, breakage and disappearance of small hand tools which occur in the ordinary course of operations, are allowable.

e. Indemnification includes securing the grantee against liabilities to third persons and other losses not compensated by insurance or otherwise. The Bureau is obligated to indemnify the grantee only to the extent expressly provided for in the grant agreement, except as provided in d. above.

5. Management studies. The cost of management studies to improve the effectiveness and efficiency of grant management for ongoing programs is allowable except that the cost of studies performed by agencies other than the grantee or outside consultants is allowable only when authorized by the Bureau.

APPENDIX B TO PART 276—FINANCIAL REPORTING REQUIREMENTS

A. Purpose and scope. This appendix prescribes requirements for grantee to report financial information to the Bureau and to request advances and reimbursement when a letter-of-credit method is not used.

B. Definitions. 1. Accrued expenditures. Accrued expenditures are the charges incurred by the grantee during a given period requiring the provision of funds for: (1) Goods and other tangible property received; (2) services performed by employees, contractors, subgrantees, and other payees; and (3) amounts becoming owed under programs for which no current services or performance are required.

2. Accrued income. Accrued income is the earnings during a given period which is a source of funds resulting from: (1) Services performed by the grantee; (2) goods and other tangible property delivered to purchasers; and (3) amounts becoming owed to the grantee for which no current services or performance are required by the grantee.

3. Disbursements. Disbursements are payments in cash or by check.

4. Bureau funds authorized. Funds authorized represent the total amount of the Bureau funds authorized for obligations and establish the ceilings for obligation of Bureau funds. This amount may include any authorized carryover of unobligated funds from prior fiscal years.

5. Obligations. Obligations are the amounts of orders placed, contracts and grants awarded, services received, and similar transactions during a given period, which require payment during the same or a future period.

6. Outlays. Outlays represent charges made to the grant project or program. Outlays can be reported on a cash or accrued income basis.

7. Program income. Program income represents earnings by the grantee realized from the grant-supported activities. Such earnings exclude interest income and may include, but will not be limited to, income from service fees, sale of commodities, usage or rental fees, sale of assets purchased with grant funds, and royalties on patents and copyrights. Program income can be reported on a cash or accrued income basis.

8. Unobligated balance. The unobligated balance is the portion of the funds authorized by the Bureau which has not been obligated by the grantee and is determined by deducting the cumulative obligations from the funds authorized.

9. Unpaid obligations. Unpaid obligations represent the amount of obligations incurred by the grantee which have not been paid.

C. Standard forms. 1. Only the following forms will be authorized for obtaining financial information from grantees for grant programs:

a. Financial Status Report. (1) The Bureau shall require grantees to use a standard Financial Status Report to report the status of funds for all nonconstruction grant programs. The Bureau may, however, have the option of not requiring a Federal Status Report when a request for advance or reimbursement (paragraph 2a) is determined to provide adequate information to meet their needs, except that a final Financial Status Report shall be required at the completion of the grant when the Request for Advance or Reimbursement form is used only for advances.

(2) The Bureau shall prescribe whether the report shall be on a cash or accrual basis. If the Bureau requires accrual information and the grantee’s accounting records are not normally kept on the accrual basis, the grantee should develop such information through an
analysis of the documentation on hand or on the basis of best estimates.

(3) The grant agreement shall determine the frequency of the Financial Status Report for each grant program considering the size and complexity of the particular program. However, the report shall not be required more frequently than quarterly or less frequently than annually. Also, a final report shall be required at the completion of the grant.

(4) The original and two copies of the Financial Status Report shall be submitted 30 days after the end of each specified reporting period. In addition, final reports shall be submitted 90 days after the end of the grant period or the completion of the project or program. Extensions to reporting due dates may be approved when requested by the grantee.

b. Report of Federal cash transactions. (1) When funds are advanced to grantees through letters of credit or with Treasury checks, each grantee shall submit a report of Federal Cash Transactions. The Bureau shall use this report to monitor cash advanced to grantees and to obtain disbursement or outlay information for each grant or project from the grantees.

(2) The grant agreement may require forecasts of Federal cash requirement in the Remarks section of the report.

(3) When practical and deemed necessary, the Bureau may require grantees to report in the Remarks section the amount of cash in excess of three days’ requirements in the hands of subgrantees or other secondary recipients and to provide short narrative explanations of actions taken by the grantees to reduce the excess balances.

(4) The Bureau shall accept the identical information from the grantees in a machine-readable format in lieu of the Report of Federal Cash Transactions.

(5) Grantees shall submit the original and two copies of the Report of Federal Cash Transactions no later than 15 working days following the end of each quarter. For those grantees receiving annual grants totalling one million dollars or more, the Bureau shall require a monthly report.

(6) The Bureau shall waive the requirement for submission of a Report of Federal Cash Transactions when monthly advances do not exceed $10,000 per grantee provided that such advances are monitored through other forms contained in this appendix or the grantee’s accounting controls are adequate to minimize excessive Federal advances.

2. Except as noted below, only the following forms will be authorized for the grantees in requesting advances and reimbursements.

a. Request for advance or reimbursement. (1) The “Request for Advance or Reimbursement” form is the standard form for all non-construction grant programs when letters of credit or predetermined automatic advance methods are not used. The Bureau, however, has the option of using this form for construction programs in lieu of an “Outlay Report and Request for Reimbursement for Construction Programs” (paragraph 2b) and shall specify in the grant agreement.

(2) Grantees shall be authorized to submit requests for advances or reimbursement at least monthly when letters of credit are not used. Grantees shall submit the original and two copies of a Request for Advance or Reimbursement.

b. Outlay Report and Request for Reimbursement for Construction Program. (1) The “Outlay Report and Request for Reimbursement for Construction Programs” form is the standard format to be used for requesting reimbursement for construction programs. The Bureau may, however, have the option of substituting a “Request for Advance or Reimbursement” form (paragraph 2a) in lieu of this form when the Bureau determines that the former provides adequate information to meet its needs as stated in the grant agreement.

(2) Grantees shall be authorized to submit requests for reimbursement at least monthly when letters of credit are not used. Grantees shall submit the original and two copies of an “Outlay Report and Request for Reimbursement for Construction Programs” form.

3. When the Bureau needs additional information in using these forms, the following shall be observed:

a. When necessary to comply with future legislative requirements, the Bureau shall issue instructions to require grantees to submit such information under the Remarks section of the reports.

b. When necessary to meet specific program needs, the Bureau shall submit the proposed reporting requirements to the General Services Administration for approval under the exception provision of this appendix.

c. The Bureau, in obtaining information as in paragraphs a and b above, must also comply with report clearance requirements of the Office of Management and Budget Circular No. A-40, as revised.

Applications for grants may be accepted only from individual Indians, Indian tribes, Indian partnerships, corporations or cooperative associations authorized to do business under State, Federal, or Tribal law. These applicants must have a form of organization acceptable to the Assistant Secretary and unable to meet their total financing needs from their own resources and by loans from other sources such as banks, Farmers Home Administration, Small Business Administration, Production Credit Associations, and Federal Land Banks. Associations, corporations or partnerships shall be at least fifty-one percent owned by eligible Indians or an eligible Indian tribe. This Indian ownership must actively participate in the management and operation of the economic enterprise by representation on the board of directors of a corporation or cooperative association proportionate to the Indian ownership which will enable the Indian owner(s) to control management decisions. The legal organization documents will provide for the number of Indians which are to be on the board of directors, how they along with other directors will be elected or appointed and qualifications required as a condition for becoming a member of the board of directors. The legal organization documents shall provide safeguards which will prevent Indian ownership and control from decreasing below fifty-one percent. Evidence of Indian ownership in a cooperative association or corporation will be evidenced by stock ownership, if stock is or has been issued, or by other evidence satisfactory to the Assistant Secretary. Partnerships will be evidenced by written partnership agreements which show the percentage of Indian ownership, role and authority in making management decisions in controlling the operation of the economic enterprise.

§ 286.4 Eligible economic enterprises.

An economic enterprise as defined in §286.1(k) is eligible to receive equity capital through non-reimbursable grants if it is or will be self-sustaining and profit-oriented and will create employment for Indians. In the case of Indian-owned cooperative associations, they must distribute or allocate profits for later distribution, to members who are patrons, unless prohibited from doing so by law.

(3) Generate the most non-Bureau financing.

§ 286.9 Environmental and flood disaster protection.

§ 286.10 Preservation of historical and archeological data.

The Assistant Secretary before approving a grant where the grant funds and/or the loan funds will be used to finance activities involving excavations, road construction, and land development or involving the disturbance of land on known or reported historical or archeological sites, will take appropriate action to assure compliance with applicable provisions of the Act of June 27, 1960 (74 Stat. 220 (16 U.S.C. 469)), as amended by the Act of May 24, 1974 (Pub. L. 93–291, 88 Stat. 174), relating to the preservation of historical and archeological data.

§ 286.11 Management and technical assistance.

(a) Prior to and concurrent with the making of a grant to finance an Indian economic enterprise, the Assistant Secretary—Indian Affairs will insure that competent management and technical assistance is available to the grantee in the preparation of the application for a grant and/or administration of the funds granted, consistent with the grantee’s knowledge and experience and the nature and complexity of the economic enterprise being financed. The competence of the management and technical assistance provided will be determined by the local agency superintendent after consultation with the applicant concerning his business needs.

(b) The lender providing the loan funds under §286.17(b) to finance an economic enterprise will include with the grantee’s application the need for equity capital, the lender’s evaluation of the applicant’s need for management and technical assistance, specific areas of need and whether the lender will provide such assistance to the applicant.

§ 286.12 Content of application.

(c) Capital deficiency, which will be the basis for the amount of grant requested.

(d) Pro forma balance sheets and operating statements showing estimated expenses, income and net profit from operations for three years following receipt of the requested grant.

(e) Annual operating statements and balance sheets, audited if available, for the prior two years or applicable years for enterprises already in operation.

If the enterprise site is near two or more reservations, application is to be made to the Superintendent having administrative jurisdiction over the reservation nearest to the location of the enterprise which the enterprise will benefit economically.

§ 286.16 Grant approval authority.

Applications for grants require approval by the Assistant Secretary.

§ 286.17 Grant limitations and requirements.

(a) Grants will be made to assist in establishing new economic enterprises, or in purchasing or expanding established ones. However, a grant may be made only when in the opinion of the Assistant Secretary the applicant is unable to obtain adequate financing from other sources. Prior to making any grant, the Assistant Secretary shall assure that, to the extent practical, the applicant’s own resources have been invested in the proposed project. The applicant shall not be required to invest own resources to the extent that they are already committed to endeavors deemed by the Assistant Secretary to be essential to the welfare of the applicant. If the information in an application, which must include personal financial statements, indicates that it may be possible for the applicant to obtain financing without a grant, the Assistant Secretary will require the applicant to furnish letters from two customary lenders in the area, if available, who are making loans for similar purpose, showing whether or not they will make a loan to the applicant for the total financing needed without a grant.

(b) A grant may be made only to an applicant who is able to obtain at least 75 percent of the necessary financing from other sources.

(c) No grant in excess of $250,000 may be made to an Indian tribe or in excess of $100,000 to an Indian individual, partnership, corporation, or cooperative association.

(d) Revolving loan funds as prescribed in title I of the Indian Financing Act of 1974 and guaranteed or insured loans as prescribed in title II of said Act may not be used as the sources of the loan portion of the total financing requirement if financing from other governmental or institutional lenders is available on reasonable terms and conditions. If a loan is not available from other sources, guaranteed or insured loans under the provisions of title II of said Act may then be considered. If a guaranteed or insured loan is not available, loans under the provisions of title II of said Act may then be considered. Applicants for a loan from either source must meet the eligibility requirements for such loans.

(e) A grant will not be approved unless there is assurance the applicant can and will be provided with needed competent technical and management
assistance commensurate with the nature of the enterprise to be funded and the knowledge and management skills of the applicant.

(f) Grant funds may not be used for refinancing or debt consolidation unless approval is justified and required due to the applicant's financial position and is clearly to the advantage of the grant applicant.

(g) Ordinarily, not more than one grant will be made for a project. Nevertheless, in certain circumstances a second grant may be made to applicants for a new project or expansion of the original project. An additional grant will not be approved for an economic enterprise previously funded under the provisions of title IV of the Indian Financing Act of 1974 except for expanding a successful enterprise, provided the total of grants made shall not exceed $250,000 to an Indian tribe and $100,000 to an Indian individual, partnership, corporation, or cooperative association.

(h) An application for a second grant will not be approved if the applicant:

1. Has not complied with the reporting requirements in connection with the first grant, or
2. Has not followed the plan of operation, if any, developed for the management and operation of the economic enterprise, or
3. Did not follow and use the management and technical assistance furnished, or
4. Is in violation of one or more provisions of the loan agreement entered into between the applicant and the lender who furnished the loan portion of the financing in connection with the first grant.

(i) An applicant for an expansion grant must meet the same eligibility requirements as an original applicant.

(j) A grantee will be required to return all or a portion of the grant if the business or enterprise for which the grant was approved is not initiated, i.e., lease obtained, if needed, construction started, equipment purchased or other, within the time stated in the grant agreement. The grantee shall refund the lesser of the grant amount or a pro rata portion of sales proceeds. The pro rata portion of sales proceeds shall be based on the ratio of grant amount to its corresponding matching financing. The new business or business expansion utilizing such sale proceeds must meet the same criteria for eligibility as an original grant.

§ 286.18 Written notice.

The applicant for a grant which is disapproved will be notified by letter, stating the reasons for disapproval and the right of appeal pursuant to 25 CFR 2. A copy of the letter will be sent to the prospective lender.

§ 286.19 [Reserved]

§ 286.20 Disbursement of grant funds.

Unless otherwise provided by an agreement between a lender and the grantee, the Assistant Secretary may in his discretion advance grant funds directly to a grantee. He may require the funds to be deposited in a special account at the appropriate Agency headquarters office or deposited in a joint account in a bank and disbursed as needed by the grantee. The terms of a lender’s loan agreement may require the lender’s approval before disbursement of the funds. Grant funds will not be disbursed to a grantee until the Assistant Secretary has been informed by the lender that a loan has been approved for the grantee in the amount of the loan financing needed.

§ 286.21 Return of unused funds.

Grantees will be required to return unused grant funds to the Assistant Secretary if the economic enterprise for which the grant was approved is not initiated, i.e., lease obtained, if needed, construction started, equipment purchased or other, within the time stated in the grant agreement. The Assistant Secretary may, if warranted by circumstances beyond the control of the grantee, extend the time to allow for
§ 286.22 Initiation of the enterprise, provided there is assurance the enterprise will be initiated forthwith within the extended time period. The Assistant Secretary will notify the lender in writing of a proposed action to require the return of grant funds or of a proposal to extend the time.

§ 286.22 Reports.

(a) Grantees are required to furnish the Assistant Secretary comparative balance sheets and profit and loss statements semi-annually for the first two years of operation following receipt of the grant, and annually thereafter for the succeeding three years. These may be copied of financial statements required by and furnished to the lender which provided the loan portion of the total financing required. If the lender does not require financial statements, the grantee must prepare and furnish copies of comparative balance sheets and profit and loss statements to the Assistant Secretary.

(b) The Assistant Secretary will establish accounting and reporting systems which will appropriately show the status of the Indian Business Development Program at all times.

(b) After giving the Indian tribe and the State an opportunity to be heard and present information supporting their respective positions, the mediator must select from the two proposals the one that best comports with the terms of IGRA and any other applicable Federal law. The mediator must submit the proposal selected to the Indian tribe, the State, and the Secretary.

§ 291.9 What must the Secretary do at the end of the 60-day comment period if the State offers an alternative proposal for Class III gaming procedures?

Within 30 days of receiving the State's alternative proposal, the Secretary must appoint a mediator who:

(a) Has no official, financial, or personal conflict of interest with respect to the issues in controversy; and

(b) Must convene a process to resolve differences between the two proposals.

(4) Whether the proposal is consistent with relevant provisions of the laws of the State;

(5) Whether the proposal is consistent with the trust obligations of the United States to the Indian tribe;

(6) Whether the proposal is consistent with all applicable provisions of IGRA; and

(7) Whether the proposal is consistent with provisions of other applicable Federal laws.

(b) Within 60 days of the expiration of the 60-day comment period in §291.7, the Secretary must notify the Indian tribe, the Governor, and the Attorney General of the State in writing that he/she has:

(1) Approved the proposal if the Secretary determines that there are no objections to the Indian tribe's proposal; or

(2) Identified unresolved issues and areas of disagreements in the proposal, and invite the Indian tribe, the Governor and the Attorney General to participate in an informal conference, within 30 days of notification unless the parties agree otherwise, to resolve identified unresolved issues and areas of disagreement.

(c) Within 30 days of the informal conference, the Secretary must prepare and mail to the Indian tribe, the Governor and the Attorney General:

(1) A written report that summarizes the results of the informal conference; and

(2) A final decision either setting forth the Secretary's proposed Class III gaming procedures for the Indian tribe, or disapproving the proposal for any of the reasons in paragraph (a) of this section.
place that comport with the mediator’s selected proposal as much as possible, the provisions of IGRA, and the relevant provisions of the laws of the State.

§ 291.12 Who will monitor and enforce tribal compliance with the Class III gaming procedures?

The Indian tribe and the State may have an agreement regarding monitoring and enforcement of tribal compliance with the Indian tribe’s Class III gaming procedures. In addition, under existing law, the NIGC will monitor and enforce tribal compliance with the Indian tribe’s Class III gaming procedures.

§ 291.13 When do Class III gaming procedures for an Indian tribe become effective?

Upon approval of Class III gaming procedures for the Indian tribe under either § 291.8(b), § 291.8(c), or § 291.11(a), the Indian tribe shall have 90 days in which to approve and execute the Secretarial procedures and forward its approval and execution to the Secretary, who shall publish notice of their approval in the Federal Register. The procedures take effect upon their publication in the Federal Register.

§ 291.14 How can Class III gaming procedures approved by the Secretary be amended?

An Indian tribe may ask the Secretary to amend approved Class III gaming procedures by submitting an amendment proposal to the Secretary. The Secretary must review the proposal by following the approval process for initial tribal proposals, except that the requirements of § 291.3 are not applicable and he/she may waive the requirements of § 291.4 to the extent they do not apply to the amendment request.

§ 291.15 How long do Class III gaming procedures remain in effect?

Class III gaming procedures remain in effect for the duration specified in the procedures or until amended pursuant to § 291.14.

SUBCHAPTER O—MISCELLANEOUS [RESERVED]

APPENDIX TO CHAPTER I—EXTENSION OF THE TRUST OR RESTRICTED STATUS OF CERTAIN INDIAN LANDS

This appendix contains citations of Executive orders and acts of Congress continuing the trust or restricted period of Indian land, which would have expired otherwise, within the several Indian reservations in the States named. The asterisk to the left of the name of a reservation indicates that the reservation is subject to the benefits of the Indian Reorganization Act of June 18, 1934 (48 Stat. 984; 25 U.S.C. 461-479), as amended, and as therein provided the trust or restricted period of the land is extended indefinitely. Where the name of a reservation is not preceded by an asterisk, such reservation is not subject to the Reorganization Act and is not subject to the benefits of such indefinite trust or restricted period extension, but such reservation is dependent upon acts of Congress or Executive orders for extension of the trust or restricted period of the land.

For the purpose of insuring the continuation of the trust or restricted status of Indian allotments within Indian reservations not subject to the Reorganization Act, Congress by the act of June 15, 1935 (49 Stat. 378) reimposed such restrictions as may have been expired between the dates of June 18, 1934, and December 31, 1936.

§ 301.1 Eligibility for use of Government stamp.

Subect to the detailed requirements that follow, the Government stamp shall be affixed only to work individually produced and to work entirely hand-made. No object produced under conditions resembling a bench work system, and no object in whose manufacture any power-driven machinery has been used, shall be eligible for the use of the Government stamp.

§ 301.2 Specifications of material.

Silver slugs of 1 ounce weight or other silver objects may be used, provided their fineness is at least 900, and provided further that no silver sheet shall be used. Unless cast, the slug or other object is to be hand hammered to thickness and shape desired. The only exceptions here are pins on brooches or similar objects; ear screws for earrings; backs for tie clasps and chains which may be of silver of different fineness and mechanically made.

§ 301.3 Specifications of dies.

Dies used are to be entirely hand-made, with no tools more mechanical than hand tools and vise. Dies shall contain only a single element of the design.

§ 301.4 Application of dies.

Dies are to be applied to the object with the aid of nothing except hand tools.

§ 301.5 Applique elements in design.

All such parts of the ornament are to be hand-made. If wire is used, it is to be hand-made with no tool other than a hand-made draw plate. These requirements apply to the boxes for stone used in the design.

All dies will be numbered, and each wholesaler or dealer will be held responsible for any violation of standards in silver that bears his mark. Until such time as the Board relinquishes its sole right to mark silver, the responsibility of the dealer for whom silver is marked will be confined to misrepresentations as to quality of silver and of stones used for ornament and to methods of production.

PART 308—REGULATIONS FOR USE OF CERTIFICATES OF THE INDIAN ARTS AND CRAFTS BOARD TO BE ATTACHED TO THEIR TRADE-MARKS BY INDIAN ENTERPRISES CONCERNED WITH THE PRODUCTION AND SALE OF GENUINE HANDICRAFTS

Sec.
308.1  Penalties.
308.2  Certificates of genuineness to be attached to trade-marks.
308.3  Conditions of eligibility to attach certificates.
308.4  Revocation of privilege of attaching certificates.

SOURCE: 8 FR 8736, June 26, 1943, unless otherwise noted.

§ 308.1  Penalties.

The use of Government trade-marks in an unauthorized manner, or the colorable imitation of such marks, is subject to the criminal penalties imposed by section 5 of the said act (49 Stat. 892; 25 U.S.C. 305d), which provides:

Any person who shall counterfeit or colorably imitate any Government trade-mark used or devised by the Board as provided in section 305a of this chapter, or shall, except as authorized by the Board, affix any such Government trade-mark, or shall knowingly, willfully, and corruptly affix any reproduction, counterfeit, copy, or colorable imitation thereof upon any products Indian or otherwise, or to any labels, signs, prints, packages, wrappers, or receptacles intended to be used upon or in connection with the sale of such products, or any person who shall knowingly make any false statement for the purpose of obtaining the use of any such Government trade-mark, shall be guilty of a misdemeanor, and upon conviction thereof shall be enjoined from further carrying on the act or acts complained of and shall be subject to a fine not exceeding $2,000, or imprisonment not exceeding six months, or both such fine and imprisonment.
§ 308.2 Certificates of genuineness to be attached to trade-marks.

(a) To insure the widest distribution of genuine Indian handicraft products, and to protect the various enterprises organized by individual Indian craftsmen, or by groups of Indian craftsmen, for the purpose of the production and sale of such handicraft products, the Indian Arts and Crafts Board offers each such enterprise the privilege of attaching to its trademark a certificate declaring that it is recognized by the Indian Arts and Crafts Board as an Indian enterprise dealing in genuine Indian-made handicraft products, and that its trade-mark has the approval of the Board.

(b) The certificate shall consist of a border around the trade-mark bearing the words “Certified Indian Enterprise Genuine Handicrafts, U.S. Indian Arts and Crafts Board, Department of the Interior,” and these words may be used wherever the trade-mark appears.

§ 308.3 Conditions of eligibility to attach certificates.

To be eligible to attach the certificate, an enterprise must meet the following conditions:

(a) It must offer for sale only Indian-made genuine handicraft products, i.e., objects produced by Indian craftsmen with the help of only such devices as allow the manual skill of the maker to condition the shape and design of each individual product.

(b) It must be entirely Indian owned and organized either by individual Indians or by groups of Indians.

(c) It must agree to apply certificates of genuineness only to such products as meet the standards of quality prescribed by the Indian Arts and Crafts Board at the time of the application of the enterprise for the privilege of attaching the certificate.

(d) It must agree to obtain the approval of the Indian Arts and Crafts Board as to the manner of production of the certificates.

§ 308.4 Revocation of privilege of attaching certificates.

If an enterprise, after securing the privilege of attaching the certificates, should fail to meet the above-named conditions, the Board reserves the right to revoke the privilege.
§ 309.3 Indian product—(1) In general. Indian product means any art or craft product made by an Indian.
(2) Illustrations. The term “Indian product” includes, but is not limited to:
   (i) Art works that are in a traditional or non-traditional Indian style or medium;
   (ii) Crafts that are in a traditional or non-traditional Indian style or medium;
   (iii) Handcrafts, i.e., objects created with the help of only such devices as allow the manual skill of the maker to condition the shape and design of each individual product.
   (3) Exclusion for products made before 1935. The provisions of this part shall not apply to any art or craft products made before 1935.

§ 309.4 Product of a particular Indian tribe or Indian arts and crafts organization means that the origin of a product is identified as a named Indian tribe or named Indian arts and crafts organization.

§ 309.3 How will statements about Indian origin of art or craft products be interpreted?
(a) In general. The unqualified use of the term “Indian” or of the term “Native American” or the unqualified use of the name of an Indian tribe, in connection with an art or craft product, is interpreted to mean for purposes of this part that—
   (1) The maker is a member of an Indian tribe, is certified by an Indian tribe as a non-member Indian artisan, or is a member of the particular Indian tribe named; and

(b) Products of Indians of foreign tribes—(1) In general. The unqualified use of the term “Indian” or of the term “Native American” or the unqualified use of the name of a foreign tribe, in connection with an art or craft product, regardless of where it is produced and regardless of any country-of-origin marking on the product, is interpreted to mean for purposes of this part that—
   (i) The maker is a member of an Indian tribe, is certified by an Indian tribe as a non-member Indian artisan, or is a member of the particular Indian tribe named;
   (ii) The tribe is resident in the United States; and
   (iii) The art or craft product is an Indian product.
   (2) Exception where country of origin is disclosed. Paragraph (b) of this section does not apply to any art or craft for which the name of the foreign country of tribal ancestry is clearly disclosed in conjunction with marketing of the product.

Example. X is a lineal descendant of a member of Indian Tribe A. However, X is not a member of Indian Tribe A, nor is X certified by Indian Tribe A as a non-member Indian artisan. X may not be described in connection with the marketing of an art or craft product made by X as an Indian, a Native American, a member of an Indian tribe, a member of Tribe A, or as a non-member Indian artisan of an Indian tribe. However, the true statement may be used that X is of Indian descent, Native American descent, or Tribe A descent.

§ 309.4 How can an individual be certified as an Indian artisan?
(a) In order for an individual to be certified by an Indian tribe as a non-member Indian artisan for purposes of this part—
   (1) The individual must be of Indian lineage of one or more members of such Indian tribe; and
   (2) The certification must be documented in writing by the governing body of an Indian tribe or by a certifying body delegated this function by the governing body of the Indian tribe.
(b) As provided in section 107 of the Indian Arts and Crafts Act of 1990, Public Law 101–644, a tribe may not impose a fee for certifying an Indian artisan.

§ 309.5 What penalties apply?

A person who offers or displays for sale or sells a good, with or without a Government trademark, in a manner that falsely suggests it is Indian produced, an Indian product, or the product of a particular Indian or Indian tribe or Indian arts and crafts organization, resident within the United States:

(a) Is subject to the criminal penalties specified in section 1159, title 18, United States Code; and

(b) Is subject to the civil penalties specified in section 305e, title 25, United States Code.

§ 309.6 How are complaints filed?

Complaints about protected products alleged to be offered or displayed for sale or sold in a manner that falsely suggests they are Indian products should be made in writing and addressed to the Director, Indian Arts and Crafts Board, Room 4004–MIB, U.S. Department of the Interior, 1849 C Street, NW, Washington, DC 20240.

PARTS 504–512 [RESERVED]

PART 513—DEBT COLLECTION

Subpart A—General Provisions

Sec. 513.37 What will the Commission do as the paying agency?

Subpart D—Administrative Wage Garnishment

513.40 How will the Commission handle debt collection through administrative wage garnishment?

SOURCE: 66 FR 58057, Nov. 20, 2001, unless otherwise noted.

Subpart A—General Provisions

513.1 What definitions apply to the regulations in this part?

As used in this part:

(a) Administrative offset means the withholding of funds payable by the United States (including funds payable by the United States on behalf of a State government) to any person, or the withholding of funds held by the United States for any person, in order to satisfy a debt owed to the United States.

(b) Agency means a department, agency, court, court administrative office, or instrumentality in the executive, judicial, or legislative branch of government, including a government corporation.

(c) Chairman means the Chairman of the Commission, or his or her designee.

(d) Commission means the National Indian Gaming Commission.

(e) Creditor agency means a Federal agency that is owed a debt.

(f) Day means calendar day. To count days, include the last day of the period unless it is a Saturday, Sunday, or Federal legal holiday.

(g) Debt and claim are synonymous and interchangeable. They refer to, among other things, fines, fees, and penalties that a Federal agency has determined are due the United States from any person, organization, or entity, except another Federal agency. For the purposes of administrative offset
§513.2 What is the Commission's authority to issue these regulations?

(b) The Commission hereby adopts the provisions of the FCCS (31 CFR parts 900–904). The Commission's regulations supplement the FCCS as necessary.

§513.3 What happens to delinquent debts owed to the Commission?

(a) The Commission will collect debts in accordance with these regulations in this part.

(b) The Commission will transfer to the Department of the Treasury any past due, legally enforceable nontax debt that has been delinquent for 180 days or more so that Treasury may take appropriate action to collect the debt or terminate collection action in accordance with 5 U.S.C. 5514, 26 U.S.C. 6402, 31 U.S.C. 3711 and 3716, the FCCS, 5 CFR 550.1108, and 31 CFR part 285.

(c) The Commission may transfer any past due, legally enforceable nontax debt that has been delinquent for fewer than 180 days to the Department of Treasury for collection in accordance with 5 U.S.C. 5514, 26 U.S.C. 6402, 31 U.S.C. 3711 and 3716, the FCCS, 5 CFR 550.1108, and 31 CFR part 285.

§513.4 What notice will the Commission give to a debtor of the Commission's intent to collect debts?

(a) When the Chairman determines that a debt is owed to the Commission, the Chairman will send a written notice (Notice), also known as a demand
letter. The Notice will be sent by facsimile or mail to the most current address known to the Commission. The Notice will inform the debtor of the following:

(1) The amount, nature, and basis of the debt;
(2) The methods of offset that may be employed;
(3) The debtor’s opportunity to inspect and copy agency records related to the debt;
(4) The debtor’s opportunity to enter into a written agreement with the Commission to repay the debt;
(5) The Commission’s policy concerning interest, penalty charges, and administrative costs, as set out in §513.5, including a statement that such assessments must be made against the debtor unless excused in accordance with the FCCS and this part;
(6) The date by which payment should be made to avoid late charges and enforced collection;
(7) The name, address, and telephone number of a contact person or office at the Commission that is available to discuss the debt; and
(8) The debtor’s opportunity for review.

(b) A debtor whose debt arises from a notice of violation and/or civil fine assessment that has become a final order and that was subject to the Commission’s appeal procedures at 25 CFR part 577 may not re-litigate matters that were the subject of the final order.

§513.5 What is the Commission’s policy on interest, penalty charges, and administrative costs?

(a) Interest.

(1) The Commission will assess interest on all delinquent debts unless prohibited by statute, regulation, or contract.

(2) Interest begins to accrue on all debts from the date that the debt becomes delinquent. The Commission will assess interest at the rate established annually by the Secretary of the Treasury under 31 U.S.C. 3717.

(b) Penalties. The Commission will assess a penalty charge of 6 percent a year on any portion of a delinquent debt.

(c) Administrative costs. The Commission will assess charges to cover administrative costs incurred as a result of the debtor’s failure to pay a debt before it becomes delinquent. Administrative costs include the cost of providing a copy of the file to the debtor and costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Commission.

(d) Interest, penalties, and administrative costs will continue to accrue throughout any appeal process.

(e) Allocation of payments. A partial or installment payment by a debtor will be applied first to outstanding penalty assessments, second to administrative costs, third to accrued interest, and fourth to the outstanding debt principal.

(f) Additional authority. The Commission may assess interest, penalty charges, and administrative costs on debts that are not subject to 31 U.S.C. 3717 to the extent authorized under common law or other applicable statutory authority.

(g) Waiver. (1) Regardless of the amount of the debt, the Chairman may decide to waive collection of all or part of the accrued interest, penalty charges, or administrative costs if collection of these charges would be against equity and good conscience or not in the Commission’s best interest.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, when charges have been collected before the waiver decision, they will not be refunded. The Chairman’s decision whether to waive collection of these charges is final and not subject to further review.

§513.6 What are the requirements for offset review?

(a) The Commission will provide the debtor with a reasonable opportunity for an oral hearing when the debtor requests reconsideration of the debt and the Commission determines that the question of indebtedness cannot be resolved by review of the documentary evidence.
§ 513.7

(b) Unless otherwise required by law, an oral hearing is not required to be a formal evidentiary hearing, although the Commission will carefully document all significant matters discussed at the hearing.

(c) When an oral hearing is not required, the Commission will review the request for reconsideration based on the written record.

§ 513.7 What is the Commission’s policy revoking a debtor’s ability to engage in Indian gaming for failure to pay a debt?

The Chairman of the Commission may revoke a debtor’s ability to operate, manage, or otherwise participate in the operation of an Indian gaming facility if the debtor inexcusably or willfully fails to pay a debt. The revocation of ability to engage in gaming may last only as long as the debtor’s indebtedness.

Subpart B—Administrative and Tax Refund Offset

§ 513.20 What debts can the Commission refer to Treasury for collection by administrative and tax refund offset?

(a) The Commission may refer any past due, legally enforceable nonjudgment debt of a person to the Treasury for administrative and tax refund offset if the debt:

1. Has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;

2. Is at least $25.00 or another amount established by Treasury.

(b) Debts reduced to judgment may be referred to Treasury for tax refund offset at any time.

§ 513.21 What notice will a debtor be given of the Commission’s intent to collect a debt through administrative and tax refund offset?

(a) The Commission will give the debtor written notice of its intent to offset before initiating the offset. Notice will be mailed to the debtor at the debtor’s last known address as determined by the Commission.

(b) The notice will state the amount of the debt and notify the debtor that:

1. The debt is past due and, unless repaid within 60 days after the date of the notice, the Commission will refer the debt to Treasury for administrative and tax refund offset;

2. The debtor has 60 calendar days to present evidence that all or part of the debt is not past-due or legally enforceable; and

3. The debtor has an opportunity to make a written agreement to repay the debt.

Subpart C—Salary Offset

§ 513.30 When may the Commission use salary offset to collect debts?

(a) The Commission collects debts owed by employees to the Federal Government by means of salary offset under the authority of: 5 U.S.C. 5514; 31 U.S.C. 3716; 5 CFR part 550, subpart K; 31 CFR 285.7; and this subpart. Salary offset is applicable when the Commission is attempting to collect a debt owed by an individual employed by the Commission or another agency.

(b) Nothing in the regulations in this subpart precludes the compromise, suspension, or termination of collection actions under the Federal Claims Collection Act of 1966, as amended, or the Federal Claims Collection Standards.

(c) A levy pursuant to the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d) and 31 U.S.C. 3716.

(d) The regulations in this subpart do not apply to any case where collection of a debt by salary offset is explicitly prohibited by another statute.

(e) This subpart’s regulations covering notice, hearing, written responses, and final decisions do not apply to:

1. Any routine intra-agency adjustment in pay that is attributable to clerical or administrative error or delay in processing pay documents that have occurred within the four pay periods preceding the adjustment, or any adjustment to collect a debt amounting to $50 or less. However, at the time of any adjustment, or as soon thereafter as possible, the Commission’s payroll agency will provide the employee with a written notice of the nature and amount of the adjustment and
§ 513.31 What notice will the Commission, as the creditor agency, give a debtor that salary offset will occur?

(a) Deductions from a debtor's salary will not be made unless the Commission sends the debtor a written Notice of Intent at least 30 calendar days before the salary offset is initiated.

(b) The Notice of Intent will include the following:

(1) Notice that the Commission has reviewed the records relating to the debt and has determined that the employee owes the debt;

(2) Notice that, after a 30-day period, the Commission will begin to collect the debt by deductions from the employee's current disposable pay account and the date on which deductions from salary will start;

(3) The amount of the debt and the facts giving rise to it;

(4) The frequency and the amount of the intended deduction stated as a fixed dollar amount or as a percentage of pay not to exceed 15 percent of the disposable pay, and the intention to continue the deductions until the debt and all accumulated interest are paid in full or resolved;

(5) The name, address, and telephone number of the person to whom the debtor may propose a written alternative schedule for voluntary repayment in lieu of salary offset. The debt-
or must include a justification for the alternative schedule in the proposal;

(6) The Commission's policy concerning interest, penalties, and administrative costs, set out at §513.5, and a statement that assessments will be made unless excused in accordance with the FCFS;

(7) Notice of the employee's right to inspect and copy all Commission records pertaining to the debt and the name, address, and telephone number of the Commission employee to whom requests for access must be made;

(8) Notice of the employee's opportunity to a hearing conducted by an individual who does not work for the Commission on the Commission's determination of the existence or amount of the debt and the terms of the repayment schedule;

(9) Notice that filing a request for a hearing on or before the 15th calendar day following the debtor's receiving the Notice of Intent will stay collection proceedings and that a final decision will be issued at the earliest practical date, but not later than 60 days after the filing of the petition for hearing, unless the employee requests, and a hearing official grants, a delay in proceedings;

(10) An explanation of the effect of submitting knowingly false or frivolous statements; and

(11) Notice that amounts paid on or deducted from debts that are later waived or found not to be owed will be promptly refunded to the employee.

§ 513.32 What are the hearing procedures when the Commission is the creditor agency?

(a) To request a hearing, the debtor must file, within 15 days of receiving the Commission's notice of intent to offset, a written petition signed by the debtor and addressed to the Commission stating why the debtor believes the Commission's determination of the existence or amount of the debt is in error. The Commission may waive the 15-day time limit for filing a request for hearing if the employee shows that the delay was due to circumstances beyond his or her control or because the employee did not receive notice of the 15-day time limit. A debtor who has

§ 513.33 Will the Commission issue a certification when the Commission is the creditor agency?

Yes. Upon completion of the procedures established in this subpart and pursuant to 5 U.S.C. 5514, the Commission will submit a certification to Treasury or to a paying agency in the form prescribed by the paying agency.

§ 513.34 What opportunity is there for a voluntary repayment agreement when the Commission is the creditor agency?

(a) In response to a Notice of Intent, an employee may propose to repay the debt voluntarily in lieu of salary offset by submitting a written proposed repayment schedule to the Commission. A proposal must be received by the Commission within 15 calendar days after the employee is sent the Notice of Intent.

(b) The Commission will notify the employee whether, within the Commission’s discretion, the proposed repayment schedule is acceptable.

(c) If the proposed repayment schedule is unacceptable, the employee will have 15 calendar days from the date the notice of the decision is received in which to file a request for a hearing.

(d) If the proposed repayment schedule is acceptable or the employee agrees to a modification proposed by the Commission, the agreement will be put in writing and signed by the employee and the Commission.

§ 513.35 What special review is available when the Commission is the creditor agency?

(a)(1) An employee subject to salary offset or a voluntary repayment agreement may, at any time, request a special review by the Commission of the amount of the salary offset or voluntary repayment, based on materially changed circumstances, including, but not limited to, catastrophic illness, divorce, death, or disability.

(2) The request for special review must include an alternative proposed offset or payment schedule and a detailed statement, with supporting documents, that shows why the current salary offset or payment results in extreme financial hardship to the employee, spouse, or dependents. The statement must indicate:

(i) Income from all sources;
(ii) Assets;
(iii) Liabilities;
(iv) Number of dependents;
(v) Expenses for food, housing, clothing, and transportation;
(vi) Medical expenses; and
(vii) Exceptional expenses, if any.
§ 513.37 What will the Commission do as the paying agency?

(a) When the Commission receives a certification from a creditor agency that has complied with the Office of Personnel Management’s requirements set out at 5 CFR 550.1109, the Commission will send the employee a written notice of salary offset.

(b) If the Commission receives an incomplete certification from a creditor agency, the Commission will return the certification with notice that the procedures under 5 U.S.C. 5514 and 5 CFR 550.1104 must be followed and a properly certified claim submitted before the Commission will take action to collect the debt from the employee’s current pay account.

(c) Notice to a debtor will include:

(1) The Commission’s receipt of a certification from a creditor agency;

(2) The amount of the debt and the deductions to be made, which may be stated as a percentage of disposable pay; and

(3) The date and pay period when the salary offset will begin.

(d) The Commission will provide a copy of the notice of salary offset to a creditor agency.

(e) The Commission will coordinate salary deductions under this subpart as appropriate.

(f) The Commission’s payroll officer will determine the amount of the debtor’s disposable pay and will implement the salary offset.

(g) The Commission may use the following types of salary debt collection:

(1) Lump sum offset. If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump sum offset.

(2) Installment deductions. The amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless the debtor has agreed in writing to the deduction of a greater amount. If possible, installment payments will liquidate the debt in three years or less.

(3) Deductions from final check. A deduction exceeding the 15 percent of disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the Federal Claims Collection Standards, in order to liquidate the debt, whether the employee is leaving voluntarily or involuntarily.

(4) Deductions from other sources. If an employee subject to salary offset is leaving the Commission and the balance of the debt cannot be liquidated by offset of the final salary check, then the Commission may offset later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the Federal Claims Collection Standards.

(b) When two or more creditor agencies are seeking salary offsets, the Commission’s payroll office may, in its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

(i) The Commission is not authorized to review the merits of the creditor agency’s determination with respect to the amount or validity of the debt certified by the creditor agency.
Subpart D—Administrative Wage Garnishment

§ 513.40 How will the Commission handle debt collection through administrative wage garnishment?

This part adopts all the provisions of the administrative wage garnishment regulations contained in 31 CFR 285.11, promulgated by Treasury, which allow Federal agencies to collect debts from a debtor’s non-Federal pay by means of administrative wage garnishment authorized by 31 U.S.C. 3720D, and in 5 CFR parts 581 and 582, promulgated by the Office of Personnel Management, which provides for garnishment orders for child support and/or alimony and commercial garnishment of federal employees’ pay.

PART 514—FEES

§ 514.1 Annual fees.

(a) Each gaming operation under the jurisdiction of the Commission shall pay to the Commission annual fees as established by the Commission. The Commission, by a vote of not less than two of its members, shall adopt the rates of fees to be paid.

(1) The Commission shall adopt preliminary rates for each calendar year during the first quarter of that year (or as soon thereafter as possible), and, if considered necessary, shall modify those rates during the second and third quarters of the calendar year.

(2) The Commission shall adopt final rates of fees for each calendar year during the fourth quarter of that year.

(3) The Commission shall publish the rates of fees in a notice in the FEDERAL REGISTER.

(4) The rates of fees imposed shall be—

(i) No more than 2.5 percent of the first $1,500,000 (1st tier), and

(ii) No more than 5 percent of amounts in excess of the first $1,500,000 (2nd tier) of the assessable gross revenues from each gaming operation subject to the jurisdiction of the Commission.

(5) If a tribe has a certificate of self-regulation, the rate of fees imposed shall be no more than .25 percent of assessable gross revenues from self-regulated class II gaming operations.

(6) If a tribe is determined to be self-regulated pursuant to the provisions of 25 U.S.C. 2717(a)(2)(C), no fees shall be imposed.

(b) For purposes of computing fees, assessable gross revenues for each gaming operation are the annual total amount of money wagered on class II and III games, admission fees (including table or card fees), less any amounts paid out as prizes or paid for prizes awarded, and less any allowance for amortization of capital expenditures for structures.

(1) Unless otherwise provided by the regulations, generally accepted accounting principles shall be used.

(2) The allowance for amortization of capital expenditures for structures shall not exceed 5% of the cost of structures in use throughout the year and 2½% of the cost of structures in use during only a part of the year.

(3) Example:

Gross gaming revenues:
Money wagered .......... $1,000,000
Admission fees .......... 5,000

1,005,000

Less:
Prizes paid in cash .... $500,000
Cost of other prizes awarded ................. 10,000

510,000

Gross gaming profit .......... 495,000

Less allowance for amortization of:
Capital expenditures for structures:
Prior years .......... 750,000
Current year .......... 50,000

800,000

Maximum allowance:
$750,000 × .05 = .......... 37,500
50,000 × .025 = .......... 1,250

38,750

Assessable gross revenues .......... $456,250

(4) All class II and III revenues from gaming operations are to be included.
(c) Each gaming operation subject to the jurisdiction of the Commission and not exempt from paying fees pursuant to the self-regulation provisions shall file with the Commission quarterly a statement showing its assessable gross revenues for the previous calendar year:

(1) These quarterly statements shall show the amounts derived from each type of game, the amounts deducted for prizes, and the amounts deducted for the amortization of structures;

(2) These quarterly statements shall be filed no later than—March 31, June 30, September 30, and December 31, of each calendar year the gaming operation is subject to the jurisdiction of the Commission, beginning in September 1991. For calendar year 1998, the quarterly statement for the first quarter shall be filed no later than April 15, 1998. Any changes or adjustments to the previous year’s assessable gross revenue amounts from one quarter to the next shall be explained.

(3) The quarterly statements shall identify an individual or individuals to be contacted should the Commission need to communicate further with the gaming operation. The telephone numbers of the individual(s) shall be included.

(4) The quarterly statements shall be transmitted to the Commission no later than the due date.

(5) Each gaming operation shall determine the amount of fees to be paid and remit them with the statement required in paragraph (c) of this section. The fees payable shall be computed using—

(i) The most recent rates of fees adopted by the Commission pursuant to paragraph (a)(1) or (a)(2) of this section,

(ii) The assessable gross revenues for the previous calendar year as reported pursuant to this paragraph, and

(iii) The amounts paid and credits received during previous quarters.

(6) Each quarterly statement shall include the computation of the fees payable, showing all amounts used in the calculations. The required calculations are as follows:

(i) Multiply the previous calendar year’s 1st tier assessable gross revenues by the rate for those revenues adopted by the Commission.

(ii) Multiply the previous calendar year’s 2nd tier assessable gross revenues by the rate for those revenues adopted by the Commission.

(iii) Add (total) the results (products) obtained in paragraphs (c)(6)(i) and (ii) of this section.

(iv) Multiply the total obtained in paragraph (c)(6)(ii) of this section by the fraction representing the quarter for which the computation is being made: 1st quarter—\(\frac{1}{4}\); 2nd quarter—\(\frac{1}{2}\); 3rd quarter—\(\frac{3}{4}\); and 4th quarter—\(\frac{3}{4}\). For the purpose of making these computations in 1991 only, the third calendar quarter is the first quarter and the fourth calendar quarter is the second quarter. There will be no third or fourth quarter in 1991.

(v) Subtract the amounts already remitted by the operation for the current year and credits, if any, which are due for any previous year’s overpayment from the amount determined in paragraph (c)(6)(iv) of this section.

(vi) The amount computed in paragraph (c)(6)(v) of this section is the amount to be remitted.

(7) Examples of fee computations follow:

(i) Example 1: Where a filing is made for the first quarter of the calendar year, the previous year’s assessable gross revenues are $2,000,000, the fee rates adopted by the Commission are 1% on the first $1,500,000 and 2% on the remainder, and a credit of $2,000 is due from the previous year, the amounts to be used and the computations to be made are as follows:

\[
\text{1st tier revenues} = \$1,500,000 \times 1\% = \$15,000 \\
\text{2nd tier revenues} = \$500,000 \times 2\% = \$10,000 \\
\text{Annual fees} = 50,000 \\
\text{Multiply for fraction of year—} \frac{1}{4} \text{ or } \frac{1}{4} = 0.25 \\
\text{Fees for first quarter} = 12,500 \\
\text{Deduct credit due} = 2,000 \\
\text{Amount to be remitted} = 10,500
\]
Annual fees ................................... 67,500
Multiply for fraction of year—\(\frac{3}{4}\) or .75
Fees for first three quarters ........... 50,625
Deduct amounts already remitted ... 135,000
Amount to be remitted ................... $15,625

1 This amount may be other than $33,750 ($67,500 \times .50) because the assessable gross revenues may have been adjusted, the fee rate may have changed, a credit for the previous year's overpayment may have been received, or a clerical error may have been discovered.

(iii) Example 3: Where a filing is being made for the third quarter of 1991, the previous year's assessable gross revenues are $5,000,000, the fee rates adopted by the Commission are 1% on the first $1,500,000 and 1% on the remainder, and nothing has already been remitted, the amounts to be used and the computations to be made are as follows:

1st tier revenues—$1,500,000 x 1% = ... $15,000
2nd tier revenues—$3,500,000 x 1% = ... 35,000

Annual fees ............................. 50,000
Multiply for fraction of year—\(\frac{1}{4}\) or .25
Fees for first quarter .............. 12,500
Deduct amounts already remitted ... -0-
Amount to be remitted ........... $12,500

(8) Quarterly statements, remittances and communications about fees shall be transmitted to the Commission at the following address: Office of Finance, National Indian Gaming Commission, 1441 L Street, N.W., Suite 9100, Washington, DC 20005. Checks should be made payable to the National Indian Gaming Commission (do not remit cash).

(9) The Commission may assess a penalty for failure to file timely a quarterly statement.

(10) Interest shall be assessed at rates established from time to time by the Secretary of the Treasury on amounts remaining unpaid after their due date (31 U.S.C. 3717).

(d) The total amount of all fees imposed during any fiscal year shall not exceed $8,000,000. The Commission shall credit pro-rata any fees collected in excess of this amount against amounts otherwise due at the end of the quarter following the quarter during which the Commission makes such determination.

(1) The Commission will notify each gaming operation as to the amount of overpayment, if any, and therefore the amount of credit to be taken against the next quarterly payment otherwise due.

(2) The notification required in paragraph (d)(1) of this section shall be made in writing addressed to the gaming operation.

(e) Failure to pay fees, any applicable penalties, and interest related thereto may be grounds for:

(1) Closure, or

(2) Disapproving or revoking the approval of the Chairman of any license, ordinance, or resolution required under this Act for the operation of gaming.

(1) To the extent that revenue derived from fees imposed under the schedule established under this paragraph are not expended or committed at the close of any fiscal year, such funds shall remain available until expended (Pub. L. 101–121; 103 Stat. 718; 25 U.S.C. 2717a) to defray the costs of operations of the Commission.

and amend records concerning themselves.

(b) This part carries out the requirements of the Privacy Act of 1974 (Pub. L. 93–579) codified at 5 U.S.C. 552a.

(c) The regulation applies only to records disclosed or requested under the Privacy Act of 1974, and not to requests for information made pursuant to 5 U.S.C. 552, the Freedom of Information Act.

§ 515.2 Definitions.

As defined in the Privacy Act of 1974 and for the purposes of this part, unless otherwise required by the context, the following terms shall have these meanings:

(a) Individual means a citizen of the United States or an alien lawfully admitted for permanent residence.

(b) Maintain means maintain, collect, use, or disseminate.

(c) Record means any item, collection, or grouping of information about an individual that is maintained by the Commission, including education, financial transactions, medical history, and criminal or employment history, and that contains the individual’s name, or the identifying number, symbol, or other identifier assigned to the individual, such as social security number, fingerprint or voice print, or a photograph.

(d) System of records means a group of any records under the control of the Commission from which information is retrieved by the name of the individual or by some identifying number, symbol, or other identifier assigned to the individual.

(e) Routine use means, with respect to the disclosure of a record, the use of such record for a purpose that is compatible with the purpose for which it was collected.

§ 515.3 Identification of individuals making requests.

(a) Any individual may request that the Commission inform him or her whether a particular record system named by the individual contains a record pertaining to him or her and the contents of such record. Such requests shall conform to the requirements of § 515.4 of this part. The request may be made in person or in writing at the NIGC, suite 250, 1850 M Street, NW., Washington, DC 20036–5803 during the hours of 9 a.m. to 12 noon and 2 p.m. to 5 p.m. Monday through Friday.

(b)(1) Requests made in writing shall include a statement, signed by the individual and either notarized or witnessed by two persons (including witnesses’ addresses). If the individual appears before a notary, the individual shall submit adequate proof of identity in the form of a driver’s license, birth certificate, passport, or other identification acceptable to the notary. If the statement is witnessed, it shall include a statement above the witnesses’ signatures that they personally know the individual or that the individual has submitted proof of his or her identity to their satisfaction. In any case in which, because of the extreme sensitivity of the record sought to be seen or copied, the Commission determines that the identification is not adequate, it may request the individual to submit additional proof of identity.

(2) If the request is made in person, the requester shall submit proof of identity similar to that described in paragraph (b)(1) of this section, and that is acceptable to the Commission. The individual may have a person of his or her own choosing accompany him or her when the record is disclosed.

(c) Requests made by an agent, parent, or guardian shall be in accordance with the procedures described in paragraph (b) of this section.

§ 515.4 Procedures for requests and disclosures.

(a) Requests for a determination under § 515.3(a) of this part shall be acknowledged by the Commission within ten (10) days (excluding Saturdays, Sundays and Federal holidays) after the date on which the Commission receives the request. If the Commission is unable to locate the information requested, it shall so notify the individual within ten (10) days (excluding Saturdays, Sundays and Federal holidays) after receipt of the request. Such acknowledgement may request additional information to assist the Commission in locating the record, or it may advise the individual that no record exists about that individual.
§ 515.5 Request for amendment to record.

(a) Any individual who has reviewed a record pertaining to him or her that was furnished under this part, may request that the Commission amend all or any part of that record.

(b) Each individual requesting an amendment shall send the request to the Records Manager.

(c) Each request for an amendment of a record shall contain the following information:

(1) The name of the individual requesting the amendment;

(2) The name of the system of records in which the record sought to be amended is maintained;

(3) The location of the system of records from which the individual record was obtained;

(4) A copy of the record sought to be amended or a sufficiently detailed description of that record;

(5) A statement of the material in the record that the individual desires to amend;

(6) A statement of the basis for the requested amendment, including any material that the individual can furnish to substantiate the reasons for the amendment sought.

§ 515.6 Review of request for amendment of record by the Records Manager.

(a) The Records Manager shall, not later than ten (10) days after receipt of the request for an amendment of a record under § 515.5 of this part, acknowledge receipt of the request and inform the individual whether more information is required before the amendment can be considered.

(b) If more information is not required, within ten (10) days after receipt of the request (excluding Saturdays, Sundays and Federal holidays), the Records Manager shall either make the requested amendment or notify the individual of the Commission’s refusal to do so, including in the notification the reasons for the refusal, and the appeal procedures provided in § 515.7 of this part.

(c) The Records Manager shall make each requested amendment to a record if such amendment will tend to negate inaccurate, irrelevant, untimely, or incomplete material in the record.

(d) The Records Manager shall inform prior recipients of any amendment or notation of dispute of such individual’s record. The individual may request a list of prior recipients if there exists an accounting of the disclosures.

§ 515.7 Appeal to the Commission of initial adverse agency determination on access or amendment to records.

(a) Any individual whose request for access or an amendment has been denied in whole or in part, may appeal the decision to the Commission not later than one hundred eighty (180) days after the adverse decision is rendered.

(b) The appeal shall be in writing and shall contain all of the following information:

(1) The name of the individual making the appeal;

(2) Identification of the record sought to be amended;

(3) The record system in which such record is contained;
§ 515.12 Specific exemptions.

(a) The following system of records is exempt from 5 U.S.C. 552a(c)(3), (d), (e)(1) and (f):

Indian Gaming Individuals Records System

(b) The exemptions under paragraph (a) of this section apply only to the extent that information in this system is subject to exemption under 5 U.S.C. 552a(k)(2). When compliance would not appear to interfere with or adversely affect the overall responsibilities of the Commission with respect to licensing
of key employees and primary management officials for employment in an Indian gaming operation, the applicable exemption may be waived by the Commission.

(c) Exemptions from the particular sections are justified for the following reasons:

(1) From 5 U.S.C. 552a(c)(3), because making available the accounting of disclosures to an individual who is the subject of a record could reveal investigative interest. This would permit the individual to take measures to destroy evidence, intimidate potential witnesses, or flee the area to avoid the investigation.

(2) From 5 U.S.C. 552a(d), (e)(1), and (f) concerning individual access to records, when such access could compromise classified information related to national security, interfere with a pending investigation or internal inquiry, constitute an unwarranted invasion of privacy, reveal a sensitive investigative technique, or pose a potential threat to the Commission or its employees or to law enforcement personnel. Additionally, access could reveal the identity of a source who provided information under an express promise of confidentiality.

(3) From 5 U.S.C. 552a(d)(2), because to require the Commission to amend information thought to be incorrect, irrelevant, or untimely, because of the nature of the information collected and the length of time it is maintained, would create an impossible administrative and investigative burden by continually forcing the Commission to resolve questions of accuracy, relevance, timeliness, and completeness.

(4) From 5 U.S.C. 552a(e)(1) because:
(i) It is not always possible to determine relevance or necessity of specific information in the early stages of an investigation.
(ii) Relevance and necessity are matters of judgment and timing in that what appears relevant and necessary when collected may be deemed unnecessary later. Only after information is assessed can its relevance and necessity be established.
(iii) In any investigation the Commission may receive information concerning violations of law under the jurisdiction of another agency. In the interest of effective law enforcement and under 25 U.S.C. 2716(b), the information could be relevant to an investigation by the Commission.

(iv) In the interviewing of individuals or obtaining evidence in other ways during an investigation, the Commission could obtain information that may or may not appear relevant at any given time; however, the information could be relevant to another investigation by the Commission.

PART 516—TESTIMONY OF COMMISSIONERS AND EMPLOYEES AND FORMER COMMISSIONERS AND FORMER EMPLOYEES RESPECTING OFFICIAL DUTIES; RESPONSE TO SUBPOENA

Sec. 516.1 What is the purpose of this part and to whom does it apply?
516.2 When may a person to whom this part applies give testimony, make a statement or submit to interview?
516.3 When may a person to whom this part applies produce records?
516.4 How are records certified or authenticated?

SOURCE: 64 FR 54542, Oct. 7, 1999, unless otherwise noted.

§ 516.1 What is the purpose of this part and to whom does it apply?

(a) The purpose of this part is to promulgate regulations regarding the release of official National Indian Gaming Commission information and provision of testimony by National Indian Gaming Commission personnel with respect to litigation or potential litigation and to prescribe conduct on the part of National Indian Gaming Commission personnel in response to a litigation-related request or demand.

(b) This part applies to requests or demands that are litigation-related or otherwise arise out of judicial, administrative or other legal proceedings (including subpoena, order or other demand) for interview, testimony (including by deposition) or other statement, or for production of documents relating to the business of the National Indian Gaming Commission, whether or not the National Indian Gaming
Commission or the United States is a party to the litigation. It does not, however, apply to document requests covered by 25 CFR parts 515 and 517.

(c) To the extent the request or demand seeks official information or documents, the provisions of this part are applicable to Commissioners, employees, and former Commissioners and former employees, of the National Indian Gaming Commission.

§ 516.2 When may a person to whom this part applies give testimony, make a statement or submit to interview?

(a) No person to whom this part applies, except as authorized by the Chairman or the General Counsel pursuant to this regulation, shall provide testimony, make a statement or submit to interview.

(b) Whenever a subpoena commanding the giving of any testimony has been lawfully served upon a person to whom this part applies, such individual shall, unless otherwise authorized by the Chairman or the General Counsel, appear in response thereto and respectfully decline to testify on the grounds that it is prohibited by this regulation.

(c) A person who desires testimony or other statement from any person to whom this part applies may make written request therefor, verified by oath, directed to the Chairman setting forth his or her interest in the matter to be disclosed and designating the use to which such statement or testimony will be put in the event of compliance with such request; provided, that a written request therefor by an official of any federal, state or tribal entity, acting in his or her official capacity need not be verified by oath. If it is determined by the Chairman or the General Counsel that such statement or testimony will be in the public interest, the request may be granted. Where a request for a statement or testimony is granted, one or more persons to whom this part applies may be authorized or designated to appear and testify or give a statement with respect thereto.

§ 516.3 When may a person to whom this part applies produce records?

(a) Any request for records of the National Indian Gaming Commission shall be handled pursuant to the procedures established in 25 CFR parts 515 and 517 and shall comply with the rules governing public disclosure as provided in 25 CFR parts 515 and 517.

(b) Whenever a subpoena duces tecum commanding the production of any record has been lawfully served upon a person to whom this part applies, such person shall forward the subpoena to the General Counsel. If commanded to appear in response to any such subpoena, a person to whom this part applies shall respectfully decline to produce the record on the ground that production is prohibited by this part and state that the production of the record(s) of the National Indian Gaming Commission is a matter to be determined by the Chairman or the General Counsel.

§ 516.4 How are records certified or authenticated?

(a) Upon request, the person having custody and responsibility for maintenance of records which are to be released under this part or 25 CFR parts 515 or 517 may certify the authenticity of copies of records that are requested to be provided in such format.

(b) A request for certified copies of records or for authentication of copies of records shall be sent to the National Indian Gaming Commission, 1441 L Street NW., Suite 9100, Washington, DC 20005, Attention: Freedom of Information Act Officer.
§ 517.1 Purpose and scope.
This part contains the regulations of the National Indian Gaming Commission implementing the Freedom of Information Act (FOIA). These regulations provide procedures by which members of the public may obtain access to records compiled, created, and maintained by the Commission, along with procedures the Commission must follow in response to such requests for records.

§ 517.2 Definitions.
(a) Commercial-use requester means requesters seeking information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, the Commission shall determine the use to which a requester will put the documents requested. Where the Commission has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the Commission shall seek additional clarification before assigning the request to a specific category.

(b) Confidential commercial information means records provided to the government by a submitter that arguably contain material exempt from disclosure under Exemption 4 of the FOIA, because disclosure could reasonably be expected to cause substantial competitive harm.

(c) Direct costs means those expenditures by the Commission actually incurred in searching for and duplicating records to respond to a FOIA request. Direct costs include the salary of the employee or employees performing the work (the basic rate of pay for the employee plus a percentage of that rate to cover benefits) and the cost of operating duplicating machinery. Direct costs do not include overhead expenses, such as the cost of and heating or lighting of the facility in which the records are stored.

(d) Duplication refers to the process of making a copy of a document necessary to fulfill a FOIA request. Such copies can take the form of, among other things, paper copy, microform, audio-visual materials, or machine-readable documentation. The copies provided shall be in a form that is reasonably usable by requesters.

(e) Educational institution refers to a preschool, a public or private elementary school, an institution of undergraduate higher education, an institution of graduate higher education, an institution of professional education, and an institution of vocational education, which operates a program of scholarly research.

(f) Freedom of Information Act Officer means the person designated by the Chairman to administer the FOIA.

(g) Non-commercial scientific institution refers to an institution that is not operated on a “commercial” basis as that term is used in §517.2(a), commercial-use requester, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(h) Representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term “news” means information that is about current events or that would be of current interest to the public.

(i) Requester means any person, including an individual, Indian tribe, partnership, corporation, association, or public or private organization other than a Federal agency, that requests access to records in the possession of the Commission.

(j) Review refers to the process of examining a record, in response to a FOIA request, to determine whether any portion of that record may be withheld under one or more of the FOIA Exemptions. It also includes processing of any record for disclosure, for example, redacting information that is exempt from disclosure under the FOIA. Review does not include time spent resolving general legal or policy issues regarding the use of FOIA Exemptions.

(k) Search refers to the time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within a document. The Commission
§ 517.4 Disclosure of requested records.

(a) The FOIA Officer shall make requested records available to the public to the greatest extent possible in keeping with the FOIA, except that the following records are exempt from the disclosure requirements:

(1) Records specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and which are, in fact, properly classified pursuant to such Executive order:

(2) Records related solely to the internal personnel rules and practices of the Commission;

(3) Records specifically exempted from disclosure by statute (other than 5 U.S.C. §552(b)) provided that such statute requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue or that the statute establishes particular criteria for withholding information or refers to particular types of matters to be withheld;

(4) Records containing trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Interagency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the Commission;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local or foreign agency or authority or any private institution which furnished information on a confidential basis, and in the case of a recorded or information compiled by criminal law enforcement authority in the course of a criminal
§ 517.5 Confidential commercial information.

(a) Notice to submitters. The Commission shall, to the extent permitted by law, provide a submitter who provides confidential commercial information to the Commission, with prompt notice of a FOIA request or administrative appeal encompassing the confidential commercial information if the Commission may be required to disclose the information under the FOIA. Such notice shall either describe the exact nature of the information requested or provide copies of the records or portions thereof containing the confidential commercial information. The Commission shall also notify the requester that notice and an opportunity to object has been given to the submitter.

(b) When notice is required. Notice shall be given to a submitter when:

(1) The information has been designated by the submitter as confidential commercial information protected from disclosure. Submitters of confidential commercial information shall use good faith efforts to designate, either at the time of submission or a reasonable time thereafter, those portions of their submissions they deem protected from disclosure under Exemption 4 of the FOIA because disclosure could reasonably be expected to cause substantial competitive harm. Such designation shall be deemed to have expired ten years after the date of submission, unless the requester provides reasonable justification for a designation period of greater duration; or

(2) The FOIA Officer has reason to believe that the information may be protected from disclosure under Exemption 4 of the FOIA.

(c) Opportunity to object to disclosure. The Commission shall afford a submitter a reasonable period of time to provide the Commission with a detailed written statement of any objections to disclosure. The statement shall specify all grounds for withholding any of the information under any exemption of the FOIA, and if Exemption 4 applies, shall demonstrate the reasons the submitter believes the information to be confidential commercial information that is exempt from disclosure. Whenever possible, the submitters claim of confidentiality shall be supported by a statement or certification by an officer or authorized representative of the submitter. Information provided by a submitter pursuant to this paragraph may itself be subject to disclosure under the FOIA.

(d) Notice of intent to disclose. The FOIA Officer shall carefully consider a submitter's objections and specific grounds for nondisclosure prior to determining whether to disclose the information requested. Whenever the FOIA Officer determines that disclosure is appropriate, the FOIA Officer shall, within a reasonable number of days prior to disclosure, provide the submitter with written notice of the intent to disclose which shall include a
§ 517.6 Response to requests for records.

(a) Initial determinations. (1) The FOIA Officer shall make an initial determination regarding access to the requested information and shall so notify the requester within ten (10) working days after receipt of the request. This 10-day period may be extended ten (10) additional working days if unusual circumstances arise. If an extension is necessary, the FOIA Officer shall promptly notify the requester of the extension, briefly stating the reasons for the extension, and estimating when the FOIA Officer will respond. Unusual circumstances warranting extension are:

(i) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of records which are demanded in a single request; or

(iii) The need for consultation with another agency having a substantial interest in the determination of the request, which consultation shall be conducted with all practicable speed.

(2) If the FOIA Officer decides that an initial determination cannot be reached within the time limits specified in paragraph (a)(1) of this section, he or she shall notify the requester of the reasons for the delay and include an estimate of when a determination will be made.

(3) If no initial determination has been made at the end of the 10-day period provided in paragraph (a)(1) of this section, including any extension, the requester may appeal the action to the FOIA Appeals Officer.

(4) If the FOIA Officer determines that another agency is responsible for responding to a request or part thereof, the FOIA Officer shall refer such request to the appropriate agency. The FOIA Officer shall inform the requester of the referral and of the name and address of the agency or agencies to which the request has been referred.

(b) Granting of requests. When the FOIA Officer determines that the requested records shall be made available, he or she shall:

(1) Provide copies of the requested records; or

(2) Notify the requester of his or her decision, including a brief statement of when and how the records will be provided. Requested records shall then be promptly made available.

(c) Denial of requests. When the FOIA Officer determines that access to requested records should be denied, he or
§ 517.7 Appeals.

(a) Right of appeal. A requester may appeal to the FOIA Appeals Officer any adverse determination.

(b) Notice of appeal.

(1) Time for appeal. An appeal must be received no later than thirty (30) working days after notification of denial of access or after the time limit for response by the FOIA Officer has expired.

(2) Form of appeal. An appeal shall be initiated by filing a written notice of appeal. The notice shall be accompanied by copies of the original request and the initial denial. To expedite the appellate process and give the requester an opportunity to present his or her arguments, the notice should contain a brief statement of the reasons why the requester believes the initial denial to have been in error. The appeal shall be addressed to the Freedom of Information Act Appeals Officer, National Indian Gaming Commission, 1850 M St., NW., suite 250, Washington, DC 20036.

(c) Final agency determinations. The FOIA Appeals Officer shall issue a final written determination, stating the basis for its decision, within twenty (20) working days after receipt of a notice of appeal. If the determination is to provide access to the requested records, the FOIA Officer shall make those records immediately available to the requester. If the determination upholds the denial of access to the requested records, the FOIA Appeals Officer shall notify the requester of the determination and the right of the requester to obtain judicial review in the appropriate federal district court.

§ 517.8 Fees.

(a) In general. Fees pursuant to the FOIA shall be assessed according to the schedule contained in paragraph (b) of this section for services rendered by the Commission in response to requests for records under this part. All fees shall be charged to the requester, except where the charging of fees is limited under paragraph (d) of this section or where a waiver or reduction of fees is granted under paragraph (c) of this section. Requesters shall pay fees by check or money order made payable to the Treasury of the United States.

(b) Charges for responding to FOIA requests. The following fees shall be assessed in responding to requests for records submitted under this part, unless a waiver or reduction of fees has been granted pursuant to paragraph (c) of this section:

(1) Copies. The Commission shall charge $0.10 per page for copies of documents up to $1\frac{1}{2}$ x 14". For copies prepared by computer, the Commission will charge actual costs of production of the computer printouts, including operator time. For other methods of reproduction, the Commission shall charge the actual costs of producing the documents.

(2) Searches. (i) Manual searches. Whenever feasible, the Commission will charge at the salary rate (basic pay plus a percent for benefits) of the employee or employees performing the search. However, where a homogenous class of personnel is used exclusively in a search (e.g. all administrative/clerical or all professional/executive), the Commission shall charge $12.50 per hour for clerical time and $30.00 per hour for professional time. Charges for search time less than a full hour will be in increments of quarter hours.

(ii) Computer searches. The Commission will charge the actual direct costs of conducting computer searches. These direct costs shall include the cost of operating the central processing unit for that portion of operating time that is directly attributable to searching for requested records, as well as the costs of operator/programmer salary apportionable to the search. The Commission is not required to alter or develop programming to conduct searches.

(3) Review fees. Review fees shall be assessed only with respect to those requesters who seek records for a commercial use under paragraph (d)(1) of this section. Review fees shall be assessed at the same rates as those listed under paragraph (b)(2)(i) of this section. Review fees shall be assessed only for the initial record review, for example, review undertaken when the Commission analyzes the applicability of a
particular exemption to a particular record or portion thereof at the initial request level. No charge shall be assessed at the administrative appeal level of an exemption already applied.

(c) Statutory waiver. Documents shall be furnished without charge or at a charge below that listed in paragraphs (b) of this section where it is determined, based upon information provided by a requester or otherwise made known to the FOIA Officer, that disclosure of the requested information is in the public interest. Disclosure is in the public interest if it is likely to contribute significantly to public understanding of government operations and is not primarily for commercial purposes. Requests for a waiver or reduction of fees shall be considered on a case by case basis. In order to determine whether the fee waiver requirement is met, the FOIA Officer shall consider the following six factors:

(1) The subject of the request. Whether the subject of the requested records concerns the operations or activities of the government;

(2) The informative value of the information to be disclosed. Whether the disclosure is likely to contribute to an understanding of government operations or activities;

(3) The contribution to an understanding of the subject by the general public likely to result from disclosure. Whether disclosure of the requested information will contribute to public understanding;

(4) The significance of the contribution to public understanding. Whether the disclosure is likely to contribute significantly to public understanding of government operations or activities;

(5) The existence and magnitude of commercial interest. Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so

(6) The primary interest in disclosure. Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(d) Types of requesters. There are four categories of FOIA requesters: commercial use requesters, educational and non-commercial scientific institutional requesters, representatives of the news media, and all other requesters. These terms are defined in §517.2. Specific levels of fees are prescribed below for each of these categories.

(1) Commercial-use requesters. The FOIA Officer shall charge commercial use requesters the full direct costs of searching for, reviewing, and duplicating requested records.

(2) Educational and non-commercial scientific institution requesters. The FOIA Officer shall charge educational and non-commercial scientific institution requesters for document duplication only, except that the first 100 pages of copies shall be provided without charge.

(3) News media requesters. The FOIA Officer shall charge news media requesters for document duplication costs only, except that the first 100 pages of paper copies shall be provided without charge.

(4) All other requesters. The FOIA Officer shall charge requesters who do not fall into any of the above categories fees which recover the full reasonable direct costs incurred for searching for and reproducing records if that total cost exceeds $15.00, except that the first 100 pages and the first two hours of manual search time shall not be charged. To apply this term to computer searches, the FOIA Officer will determine the total hourly cost of operating the central processing unit and the operator’s salary (plus 16 percent for benefits). When the cost of the search equals the equivalent dollar amount of two hours of the salary of the person performing the search, the FOIA Officer will begin assessing charges for the computer search.

(e) Charges for unsuccessful searches. Ordinarily, no charge will be assessed when requested records are not found or when the records located are withheld as exempt. However, if the requester has been notified of the estimated cost of the search time and has been advised specifically that the requested records may not exist or may be withheld as exempt, fees may be charged.

(f) Charges for interest. The FOIA Officer may assess interest charges on an
unpaid bill, accrued under previous FOIA request(s), starting on the 31st day following the day on which the bill was sent to the requester. A fee received by the FOIA Officer, even if not processed, will result in a stay of the accrual of interest. The Commission shall follow the provisions of the Debt Collection Act of 1982 and the implementing procedures to recover any indebtedness owed to the Commission.

(g) Aggregating requests. A requester or a group of requesters may not submit multiple requests at the same time, each seeking portions of a document or documents solely in order to avoid payment of fees. When the Commission reasonably believes that a requester is attempting to divide a request into a series of requests to evade an assessment of fees, the Commission may aggregate such request and charge accordingly.

(h) Advance payment of fees. Fees may be paid upon provision of the requested records, except that payment may be required prior to that time if the requester has previously failed to pay fees or if the FOIA Officer determines the total fee will exceed $250. When payment is required in advance of the processing of a request, the time limits prescribed in §517.6 shall not be deemed to begin until the FOIA Officer has received payment of the assessed fee.

(i) Payment of fees. Where it is anticipated that the cost of providing the requested record will exceed $25.00 after the free duplication and search time has been calculated, and the requester has not indicated in advance a willingness to pay a fee greater than $25.00, the FOIA Officer shall promptly notify the requester of the amount of the anticipated fee or a portion thereof, which can readily be estimated. The notification shall offer the requesting party an opportunity to confer with agency representatives for the purpose of reformulating the request so as to meet the requester’s needs at a reduced cost.

The Commission shall be allowed to inspect and photocopy any relevant materials. The tribe shall take no action to prohibit the Commission from soliciting information from any current or former employees of the tribe, the tribal regulatory body, or the gaming operation. Failure to adhere to this paragraph may be grounds for denial of a petition for self-regulation.

§ 518.5 What process will the Commission use to review petitions?

(a) The Chairman shall appoint one Commissioner to administer the Office of Self Regulation. The Office of Self Regulation shall undertake an initial review of the petition to determine whether the tribe meets all of the eligibility criteria of §518.2. If the tribe fails to meet any of the eligibility criteria, the Office of Self Regulation shall deny the petition and so notify the tribe. If the tribe meets all of the eligibility criteria, the Office of Self Regulation shall review the petition and accompanying documents for completeness. If the Office of Self Regulation finds the petition incomplete, it shall immediately notify the tribe by letter, certified mail, return receipt requested, of any obvious deficiencies or significant omissions apparent in the petition and provide the tribe with an opportunity to submit additional information and/or clarification.

(b) The Office of Self Regulation shall notify a tribe, by letter, when it considers a petition to be complete.

(c) Upon receipt of a complete petition, the Office of Self Regulation shall conduct a review and investigation to determine whether the tribe meets the approval criteria under §518.4. The tribe shall provide all information requested by the Office of Self Regulation in a timely manner. § 518.7 If a tribe holds a certificate of self-regulation, is it required to report information to the Commission to maintain its self-regulatory status?

Yes. Each tribe that holds a certificate of self-regulation shall be required to submit a self-regulation report annually to the Commission in order to maintain its self-regulatory status. Such report shall set forth information to establish that the tribe has continuously met the eligibility requirements of § 518.2 and the approval requirements of § 518.4 and shall include a report, with supporting documentation, including a sworn statement signed by an authorized tribal official, which explains how tribal net gaming revenues were used in accordance with the requirements of 25 U.S.C. 2710(b)(2)(B)'.

The annual report shall be filed with the Commission on April 15th of each year following the first year of self-regulation. Failure to file such report shall be grounds for the removal of a certificate under § 518.8.

§ 518.8 Does a tribe that holds a certificate of self-regulation have a continuing duty to advise the Commission of any information?

Yes. A tribe that holds a certificate of self-regulation has a continuing duty to advise immediately the Commission of any circumstances that may reasonably cause the Commission to review the tribe’s certificate of self-regulation. Failure to do so is grounds for removal of a certificate of self-regulation. Such circumstances may include, but are not limited to: a change in management contractor; financial instability; or any other factors that are material to the decision to grant a certificate of self regulation.

§ 518.9 Are any of the investigative or enforcement powers of the Commission limited by the issuance of a certificate of self-regulation?

No. Subject to the provisions of 25 U.S.C. 2710(c)(5)(A) the Commission retains its investigative and enforcement powers over all class II gaming tribes notwithstanding the issuance of a certificate of self-regulation. The Commission shall retain its powers to investigate and bring enforcement actions for violations of the Indian Gaming Regulatory Act, accompanying regulations, and violations of tribal gaming ordinances.

§ 518.10 Under what circumstances may the Commission remove a certificate of self-regulation?

The Commission may, after an opportunity for a hearing, remove a certificate of self-regulation by a majority vote of its members if it determines that the tribe no longer meets the eligibility criteria of § 518.2, the approval criteria of § 518.4, the requirements of § 518.7 or the requirements of § 518.8. The Commission shall provide the tribe with prompt notice of the Commission’s intent to remove a certificate of self-regulation under this Part. Such notice shall state the reasons for the Commission’s action and shall advise the tribe of its right to a hearing under § 518.11. The decision to remove a certificate is appealable to Federal District Court pursuant to 25 U.S.C. 2714.

§ 518.11 May a tribe request a hearing on the Commission’s proposal to remove its certificate?

Yes. A tribe may request a hearing regarding the Commission’s proposal to remove a certificate of self regulation under § 518.10. Such a request shall be filed with the Commission within thirty (30) days after the tribe receives notice of the Commission’s action. Failure to request a hearing within the time provided by this section shall constitute a waiver of the right to a hearing.
§ 518.12 May a tribe request reconsideration by the Commission of a denial of a petition or a removal of a certificate of self-regulation?

Yes. A tribe may file a request for reconsideration of a denial of a petition or a removal of a certificate of self-regulation within 30 days of receipt of the denial or removal. Such request shall set forth the basis for the request, specifically identifying those Commission findings which the tribe believes to be erroneous. The Commission shall issue a final decision within 30 days of receipt of the request. If the Commission fails to issue a decision within 30 days, the request shall be considered to be disapproved.

(g) For any computer applications utilized, alternate documentation and/or procedures which provide at least the level of control described by the standards in this section will be acceptable.
§ 542.11 What are the minimum internal control standards for table games?

(a) Where a standard in this section requires a minimum of three employees to perform a function or be present during one, Tier A and B gaming operations may require only two employees to be present.

(b) If a gaming operation allows marker credit play (exclusive of rim credit and call bets), the following standards shall apply:

1. A marker system shall allow for credit to be both issued and repaid in the pit. A name credit system shall allow for the issuance of credit without using markers.

2. Prior to the issuance of gaming credit to a player, the employee extending the credit shall contact the cashier or other independent source to determine if the player’s credit limit has been properly established and there is sufficient remaining credit available for the advance.

3. Proper authorization of credit extension in excess of the previously established limit shall be documented.

4. The amount of credit extended shall be communicated to the cage or another independent source and the amount documented within a reasonable time subsequent to each issuance.

5. The marker form shall be prepared in at least triplicate form (triplicate form being defined as three parts performing the functions delineated in the standard in paragraph (b)(6) of this section), with a preprinted or concurrently-printed marker number, and utilized in numerical sequence (This requirement shall not preclude the distribution of batches of markers to various pits.).

6. At least three parts of each separately numbered marker form shall be utilized as follows:

(i) Original shall be maintained in the pit until settled or transferred to the cage;

(ii) Payment slip shall be maintained in the pit until the marker is settled or transferred to the cage. If paid in the pit, the slip shall be inserted in the table drop box. If not paid, the slip shall be transferred to the cage with the original;

(iii) Issue slip shall be inserted into the appropriate table drop box when credit is extended or when the player has signed the original.

7. When marker documentation (e.g., issue slip and payment slip) is inserted in the drop box, such action shall be performed by the dealer or boxman at the table.

8. A record shall be maintained which details the following (e.g., master credit record retained at the pit podium):

(i) The signature or initials of the individual(s) approving the extension of credit (unless such information is contained elsewhere for each issuance);

(ii) The legible name of the individual receiving the credit;

(iii) The date and shift of granting the credit;

(iv) The table on which the credit was extended;

(v) The amount of credit issued;

(vi) The marker number;

(vii) The amount of credit remaining after each issuance or the total credit available for all issuances;

(viii) The amount of payment received and nature of settlement (e.g., credit slip number, cash, chips, etc.);

and

(ix) The signature or initials of the individual receiving payment/settlement.

9. The forms required in paragraphs (b)(5), (6), and (8) of this section shall be safeguarded, and adequate procedures shall be employed to control the distribution, use, and access to these forms.

10. All credit extensions shall be initially evidenced by lammer buttons which shall be displayed on the table in public view and placed there by supervisory personnel.

11. Marker preparation shall be initiated and other records updated within approximately one hand of play following the initial issuance of credit to the player.

12. Lammer buttons shall be removed only by the dealer or boxman employed at the table upon completion of a marker transaction.

13. The original marker shall contain at least the following information:
marker number, player’s name and signature, date, and amount of credit issued.

(14) The issue slip or stub shall include the same marker number as the original, the table number, date and time of issuance, and amount of credit issued. The issue slip or stub shall also include the signature of the individual extending the credit, and the signature or initials of the dealer or boxman at the applicable table, unless this information is included on another document verifying the issued marker.

(15) The payment slip shall include the same marker number as the original. When the marker is paid in full in the pit, it shall also include the table number where paid, date and time of payment, nature of settlement (cash, chips, etc.) and amount of payment. The payment slip shall also include the signature of a pit supervisor acknowledging payment, and the signature or initials of the dealer or boxman receiving payment, unless this information is included on another document verifying the payment of the marker.

(16) When partial payments are made in the pit, a new marker shall be completed reflecting the remaining balance and the marker number of the marker originally issued.

(17) When partial payments are made in the pit, the payment slip of the marker which was originally issued shall be properly cross-referenced to the new marker number, completed with all information required by paragraph (b) (16) of this section, and inserted into the drop box.

(18) The cashier’s cage or another independent source shall be notified when payments (full or partial) are made in the pit so that cage records can be updated for such transactions. Notification shall be made no later than when the patron’s play is completed or at shift end, whichever is earlier.

(19) The Tribe shall implement appropriate controls for purpose of security and integrity. The Tribe shall establish and comply with procedures for collecting and recording checks returned to the gaming operation after deposit which include re-deposit procedures. These procedures shall provide for notification of cage/credit departments and custodianship of returned checks.

(20) All portions of markers, both issued and unissued, shall be safeguarded and procedures shall be employed to control the distribution, use and access to the forms.

(21) An investigation shall be performed to determine the cause and responsibility for loss whenever marker forms, or any part thereof, are missing. The result of the investigation shall be documented and maintained for inspection.

(22) When markers are transferred to the cage, marker transfer forms or marker credit slips (or similar documentation) shall be utilized and such documents shall include, at a minimum, the date, time, shift, marker number(s), table number(s), amount of each marker, the total amount transferred, signature of pit supervisor releasing instruments from the pit, and the signature of cashier verifying receipt of instruments at the cage.

(23) All markers shall be transferred to the cage within 24 hours of issuance.

(24) Markers shall be transported to the cashier’s cage by an individual who is independent of the marker issuance and payment functions (pit clerks may perform this function).

(c) The following standards shall apply if personal checks or other name credit instruments are accepted in the pit:

(1) Prior to accepting a name credit instrument, the employee extending the credit shall contact the cashier or another independent source to determine if the player’s credit limit has been properly established and the remaining credit available is sufficient for the advance.

(2) All name credit instruments shall be transferred to the cashier’s cage (utilizing a two-part order for credit) immediately following the acceptance of the instrument and issuance of chips. (If name credit instruments are transported accompanied by a credit slip, an order for credit is not required).

(3) The order for credit (if applicable) and the credit slip shall include the patron’s name, amount of the credit instrument, the date, time, shift, table number, signature of pit supervisor releasing instrument from pit, and the
§ 542.11

Signature of cashier verifying receipt of instrument at the cage.

(4) The procedures for transacting table credits at standards in paragraphs (b)(16) through (f)(23) of this section shall be strictly adhered to.

(5) The acceptance of payments in the pit for name credit instruments shall be prohibited.

(d) The following standards shall apply if call bets are accepted in the pit:

(1) A call bet shall be evidenced by the placement of a lammer button, chips, or other identifiable designation in an amount equal to that of the wager in a specific location on the table.

(2) The placement of the lammer button, chips, or other identifiable designation shall be performed by supervisory/boxmen personnel. The placement may be performed by a dealer only if the supervisor physically observes and gives specific authorization.

(3) The call bet shall be settled at the end of each hand of play by the preparation of a marker, repayment of the credit extended, or the payoff of the winning wager. Call bets extending beyond one hand of play shall be prohibited.

(4) The removal of the lammer button, chips, or other identifiable designation shall be performed by the dealer/boxman upon completion of the call bet transaction.

(e) The following standards shall apply if rim credit is extended in the pit:

(1) Rim credit shall be evidenced by the issuance of chips to be placed in a neutral zone on the table and then extended to the patron for the patron to wager, or to the dealer to wager for the patron, and by the placement of a lammer button or other identifiable designation in an amount equal to that of the chips extended.

(2) Rim credit shall be recorded on player cards, or similarly used documents, which shall be:

(i) Prenumbered or concurrently numbered and accounted for by a department independent of the pit;

(ii) For all extensions and subsequent repayments, evidenced by the initials or signatures of a supervisor and the dealer attesting to the validity of each credit extension and repayment;

(iii) An indication of the settlement method (e.g., serial number of marker issued, chips, cash);

(iv) Settled no later than when the patron leaves the table at which the card is prepared;

(v) Transferred to the accounting department on a daily basis;

(vi) Reconciled with other forms utilized to control the issuance of pit credit (e.g., master credit records, table cards).

(f) If foreign currency is accepted in the pit, the following standards shall apply:

(1) Foreign currency transactions shall be authorized by a pit supervisor/boxman who completes a foreign currency exchange form prior to the exchange for chips or tokens;

(2) Foreign currency exchange forms include the country of origin, total face value, amount of chips/token extended (i.e., conversion amount), signature of supervisor/boxman, and the dealer completing the transaction;

(3) Foreign currency exchange forms and the foreign currency shall be inserted in the drop box by the dealer.

(g) Fill and credit standards. (1) Fill slips and credit slips shall be in at least triplicate form, in a continuous numerical series, and prenumbered and concurrently numbered in a form utilizing the alphabet and only in one series at a time. The alphabet need not be used if the numerical series is not repeated during the business year.

(2) Unissued and issued fill/credit slips shall be safeguarded and adequate procedures shall be employed in the distribution, use and control of same. Personnel from the cashier or pit departments shall have no access to the locked box copies of the fill, credit slips.

(3) When a fill/credit slip is voided, the cashier shall clearly mark "void" across the face of the original and first copy, the cashier and one other person independent of the transactions shall sign both the original and first copy, and shall submit them to the accounting department for retention and accountability.

(4) Fill transactions shall be authorized by a pit supervisor prior to the
issuance of fill slips and transfer of chips, tokens, or monetary equivalents. The fill request shall be communicated to the cage where the fill slip is printed.

(5) At least three parts of each fill slip shall be utilized as follows:
   (i) One part shall be transported to the pit with the fill and, after the appropriate signatures are obtained, deposited in table drop box;
   (ii) One part shall be retained in the cage for reconciliation of cashier bank; and
   (iii) One part shall be retained intact by the locked machine in a continuous unbroken form.

(6) For Tier C gaming operations, the part of the fill slip that is placed in the drop box shall be of a different color for fills than for credits, unless the type of transaction is clearly distinguishable in another manner (the checking of a box on the form shall not be a clearly distinguishable indicator).

(7) The table number, shift, and amount of fill by denomination and in total shall be noted on all copies of the fill slip. The correct date and time shall be indicated on at least two copies.

(8) All fills shall be carried from the cashier’s cage by an individual who is independent of the cage or pit.

(9) The fill slip shall be signed by at least the following individuals (as an indication that each has counted the amount of the fill and the amount agrees with the fill slip):
   (i) Cashier who prepared the fill slip and issued the chips, tokens, or monetary equivalent;
   (ii) Runner who carried the chips, tokens, or monetary equivalents from the cage to the pit;
   (iii) Dealer who received the chips, tokens, or monetary equivalents at the gaming table; and
   (iv) Pit supervisor who supervised the fill transaction.

(10) Fills shall be either broken down or verified by the dealer in public view before the dealer places the fill in the table tray.

(11) All fill slips requesting chips or money shall be prepared at the time a fill is made.

(12) A copy of the fill slip shall then be deposited into the drop box on the table by the dealer, where it shall appear in the soft count room with the cash receipts for the shift.

(13) When table credits are transacted, a two-part order for credit shall be prepared by the pit supervisor for transferring chips, tokens, or monetary equivalents from the pit to the cashier area or other secure area of accountability.

(14) The duplicate copy of an order for credit shall be retained in the pit to check the credit slip for proper entries and to document the total amount of chips, tokens, and monetary equivalents removed from the table.

(15) At least three parts of each credit slip shall be utilized as follows:
   (i) One part shall be retained in the cage for reconciliation of the cashier bank;
   (ii) One part shall be transported to the pit by the runner who transports chips, tokens, markers, or monetary equivalents from the pit to the cage, and after the appropriate signatures are obtained, deposited in the table drop box;
   (iii) One part shall be retained by the locked machine intact in a continuous unbroken form.

(16) However, if chips, tokens and monetary equivalents are transported accompanied by a credit slip, an order for credit shall not be required.

(17) Chips, tokens and/or monetary equivalents shall be removed from the table tray by the dealer and shall be broken down or verified by the dealer in public view prior to placing them in racks for transfer to the cage.

(18) All chips, tokens, and monetary equivalents removed from the tables and markers removed from the pit shall be carried to the cashier’s cage by an individual who is independent of the cage or pit.

(19) The credit slip shall be signed by at least the following individuals (as an indication that each has counted or, in the case of markers, reviewed the items transferred):
§ 542.11

(21) Chips, tokens, or other monetary equivalents shall be deposited on or removed from gaming tables only when accompanied by the appropriate fill/credit or marker transfer forms.

(h) Drop procedures standards. (1) At the close of each shift:
(i) Each table’s chip, token, coin, and marker inventory shall be counted and recorded on a table inventory form; or
(ii) If the table banks are maintained on an imprest basis, a final fill or credit shall be made to bring the bank back to par.

(2) If final fills are not made, beginning and ending inventories shall be recorded on the master game sheet for shift win calculation purposes.

(3) The accuracy of inventory forms prepared at shift end shall be verified by the outgoing pit supervisor and a dealer, another pit supervisor, or another supervisor from another gaming department. Verifications shall be evidenced by signature on the inventory form.

(4) If inventory forms are placed in the drop box, such action shall be performed by someone other than a pit supervisor.

(5) The setting out of empty drop boxes and the drop shall be a continuous process.

(6) Procedures shall be developed and implemented to insure that unauthorized access to empty drop boxes shall not occur from the time the boxes leave the storage racks until they are placed on the tables.

(7) At the end of each shift:
(i) All locked drop boxes shall be removed from the tables by an individual independent of the pit shift being dropped;
(ii) A separate drop box shall be placed on each table each shift or a gaming operation operator may utilize a single drop box with separate openings and compartments for each shift; and
(iii) Upon removal from the tables, drop boxes shall be transported directly to the count room or other secure place and locked in a secure manner until the count takes place.

(8) If drop boxes are not placed on all tables, then the pit department shall document which tables were open during the shift.

(9) The transporting of drop boxes shall be performed by a minimum of two individuals, at least one of whom shall be independent of the pit shift being dropped. This standard does not apply to Tier A gaming operations.

(10) All drop boxes shall be posted with a number corresponding to a permanent number on the gaming table and marked to indicate game, table number and shift.

(1) Soft count standards. (1) If counts from various revenue centers occur simultaneously in the count room, procedures shall be in effect which prevent the commingling of funds from different revenue centers.

(2) The soft count shall be performed by a minimum of three employees. A second count shall be performed by an employee on the count team who did not perform the initial count.

(3) At no time during the count shall there be fewer than three employees in the count room until the monies have been accepted into cage/vault accountability.

(4) Count team members shall be rotated on a routine basis (rotation is such that the count team is not consistently the same three individuals more than four days per week). This standard shall not apply to Tier A gaming operations.

(5) The count team shall be independent of transactions being reviewed and counted and the subsequent accountability of soft drop proceeds. A dealer or a cage cashier may be used if this person is not allowed to perform the recording function. An accounting representative may be used if there is an independent audit of all soft count documentation.

(6) The drop boxes shall be individually emptied and counted in such a
manner to prevent the commingling of funds between boxes until the count of the box has been recorded.

(7) The count of each box shall be recorded in ink or other permanent form of recordation.

(8) If currency counters are utilized and the count room table is used only to empty boxes and sort stack contents, a count team member shall be able to observe the loading and unloading of all currency at the currency counter, including rejected currency.

(9) Drop boxes, when empty, shall be shown to another member of the count team, to another person who is observing the count, or to recorded or live surveillance, provided the count is monitored in its entirety by someone independent to the count.

(10) Orders for fill/credit (if applicable) shall be matched to the fill/credit slips.

(11) Fills and credits shall be traced to or recorded on the count sheet and examined for correctness.

(12) Pit marker issue and payment slips removed from the drop boxes shall either be:

(i) Traced to or recorded on the count sheet by the count team; or

(ii) Totalized by shift and traced to the totals documented by the computerized system. Accounting personnel shall verify the issue/payment slip for each table is accurate.

(13) Foreign currency exchange forms removed from the drop boxes shall be reviewed for the proper daily exchange rate and the conversion amount shall be recomputed by the count team. Alternatively, this may be performed by accounting/auditing employees.

(14) The opening/closing table and marker inventory forms (if applicable) shall either be:

(i) Examined and traced to or recorded on the count sheet; or

(ii) If a computerized system is used, accounting personnel can trace the opening/closing table and marker inventory forms (if applicable) to the count sheet. Discrepancies shall be investigated with the findings documented and maintained for inspection.

(15) Corrections to information originally recorded by the count team on soft count documentation shall be made by drawing a single line through the error, writing the correct figure above the original figure, and then obtaining the initials of at least two count team members who verified the change.

(16) The count sheet shall be reconciled to the drop by a count team member who shall not function as the sole recorder.

(17) All members of the count team shall attest by signature to their participation in the games drop. The count team supervisor shall attest to the accuracy of the games drop.

(18) All monies and monetary equivalents that were counted shall be turned over to the cage or vault cashier (who shall be independent of the count team) or to an authorized person independent of the revenue generation and the count process for verification.

(19) The individual mentioned in paragraph (i)(18) shall certify by signature as to the accuracy of the monies delivered and received.

(20) Access to stored drop boxes, full or empty, shall be restricted to authorized members of the drop and count teams.

(21) Access to the count room during the count shall be restricted to members of the drop and count teams, excluding authorized observers, supervisors for resolution of problems, and authorized maintenance personnel.

(22) The count sheet, with all supporting documents, shall be promptly delivered to the accounting department by a count team member or someone other than the cashier’s department. Alternatively, it may be adequately secured (e.g., locked container to which only accounting personnel can gain access) until retrieved by the accounting department.

(j) Key control standards. (1) The involvement of at least two individuals independent of the cage department shall be required to access stored empty drop boxes.

(2) Drop box release keys standards. (i) The keys shall be maintained by a department independent of the pit department;

(ii) Only the person authorized to remove drop boxes from the tables shall be allowed access to the release keys; however, the count team members may have access to the release keys during
§ 542.11

25 CFR Ch. III (4–1–02 Edition)

the soft count in order to reset the drop boxes; and
(iii) Persons authorized to drop the table games drop boxes shall be precluded from having access to drop box contents keys.

(3) Storage rack keys standards. (i) Someone independent of the pit department shall be required to accompany such keys and observe each time drop boxes are removed from or placed in storage racks. This paragraph shall not apply to Tier A and Tier B gaming operations;

(ii) Persons authorized to obtain drop box storage rack keys shall be precluded from having access to drop box contents keys with the exception of the count team.

(4) Drop box contents keys standards. (i) The physical custody of the keys needed for accessing stored full drop box contents shall require the involvement of persons from at least two separate departments.

(ii) Access to the contents key at other than scheduled count times shall require the involvement of at least three persons from separate departments, including management, and the reason for access shall be documented with the signatures of all participants and observers.

(iii) Only count team members shall be allowed access to drop box content keys during the soft count process.

(5) At least three (two for three tables or less) count team members are required to be present at the time count room and other soft count keys are issued for the soft count.

(6) All duplicate keys shall be maintained in a manner which provides the same degree of control over drop boxes as is required for the original keys. Records shall be maintained for each key duplicated which indicate the number of keys made and destroyed.

(7) Logs are maintained by the custodian of sensitive keys to document authorization of personnel accessing keys.

(k) Table games computer generated documentation standards. (1) The computer system shall be capable of generating adequate documentation of all information recorded on the source documents and transaction detail (e.g., fill/credit slips, markers, etc.).

(2) This documentation shall be restricted to authorized personnel.

(3) The documentation shall include, at a minimum, system exception information (e.g., appropriate system parameter information, corrections, voids, etc.).

(4) Personnel access listing which includes, at a minimum:

(i) Employee name;

(ii) Employee identification number (if applicable); and

(iii) Listing of functions employees can perform or equivalent means of identifying the same.

(5) For any authorized computer applications utilized, alternate documentation and/or procedures which provide at least the level of control described by the standards in this section will be acceptable.

(i) Playing cards and dice, not yet issued to the pit, shall be maintained in a secure location to prevent unauthorized access and reduce the possibility of tampering. Used cards and dice shall be maintained in a secure location until “marked”, “scored” or “destroyed” to prevent unauthorized access and reduce the possibility of tampering. Used playing cards and dice shall be canceled or destroyed in a timely manner not to exceed seven days. However, this standard shall not apply where playing cards or dice are retained for an investigation.

(m) Pit supervisory personnel (with authority equal to or greater than those being supervised) shall provide supervision of all table games.

(n) Analysis of table game performance standards. (1) Records shall be maintained by day and shift indicating any single-deck blackjack games which were dealt for an entire shift.

(2) Records reflecting hold percentage by table and type of game shall be maintained by shift, by day, cumulative month-to-date, and cumulative year-to-date.

(3) This information shall be presented to and reviewed by management independent of the pit department on at least a monthly basis.

(4) The management in paragraph (n)(3) of this section shall investigate any unusual fluctuations in hold percentage with pit supervisory personnel.
(5) The results of such investigations shall be documented in writing and maintained.

(o) Table games accounting/auditing procedures.

(1) The accounting and auditing procedures shall be performed by personnel who are independent of the transactions being audited/accounted for.

(2) If a table game has the capability to determine drop (e.g., bill-in/coin-drop meters, bill validator, computerized record, etc.) the dollar amount of the drop shall be reconciled to the actual drop by shift.

(3) Accounting/auditing employees shall review exception reports for all computerized table games systems at least monthly for propriety of transactions and unusual occurrences.

(4) All noted improper transactions or unusual occurrences shall be investigated with the results documented.

(5) Evidence of table games auditing procedures and any follow-up performed shall be maintained and be available upon request by the Commission.

(6) A daily recap shall be prepared for the day and month-to-date which shall include the following information:

(i) Pit credit issues;
(ii) Pit credit payments in chips;
(iii) Pit credit payments in cash;
(iv) Drop;
(v) Win; and
(vi) Gross revenue.

(p) For any computer applications utilized, alternate documentation and/or procedures which provide at least the level of control described by the standards in this section will be acceptable.

§ 542.12 What are the minimum internal control standards for gaming machines?

(a) When a standard in this section requires a minimum of three employees to perform a function or be present during one, Tier A and Tier B gaming operations may require only two employees to be present.

(b) For this section only, credit or customer credit means a unit of value equivalent to cash or cash equivalents deposited, wagered, won, lost or redeemed by a patron.

(c) Coins shall include tokens.

(d) Coin drop standards. (1) A minimum of three employees shall be involved in the removal of the gaming machine drop, at least one of whom is independent of the gaming machine department.

(2) Count room personnel shall not be allowed to exit or enter the count room during the count except for emergencies or scheduled breaks. At no time when uncounted funds are present shall there be less than three (3) persons in the count room.

(3) Each gaming operation shall maintain on file the time when the drop buckets and bill acceptor canisters will be removed and the time when the contents are to be counted.

(4) All drop buckets or canisters shall be removed only at the time previously designated except for emergency drops.

(5) The gaming machine drop supervisor shall notify surveillance when the drop is to begin in order that surveillance may monitor the activities.

(6) Surveillance shall record in a proper log or journal in a legible manner any exceptions or variations to established procedures observed during the drop. Such log or journal shall be made available for review to authorized persons only.

(7) Security shall be provided over the buckets removed from the gaming machine drop cabinets prior to being transported to the count room.

(8) As each machine is opened, the contents shall be tagged with its respective machine number if the bucket is not permanently marked with the machine number. The contents shall be transported directly to the area designated for the counting of such monies. If more than one trip is required to remove the contents of the machines, the filled carts of coins shall be securely locked in the room designed for counting. There shall be a locked covering on any carts in which the drop route includes passage out of doors.

(9) Each drop bucket in use shall be:

(i) Housed in a locked compartment separate from any other compartment of the gaming machine and keyed differently than other gaming machine compartments; and

(ii) Identifiable to the gaming machine from which it is removed (i.e.,
§ 542.12

permanently marked with the gaming machine I.D. number, or bar coded labels, printed tags, etc.). If the gaming machine is identified with a removable tag which is placed in the bucket, the tag shall be placed on top of the bucket when it is collected.

(10) Each gaming machine shall have drop buckets into which coins or tokens that are retained by the gaming machine are collected. Drop bucket contents shall not be used to make change or pay hand-paid payouts.

(e) Equipment standards. (1) A weigh scale calibration module shall be secured so as to prevent unauthorized access (e.g., prenumbered seal, lock and key, etc.).

(2) Someone independent of the cage, vault, gaming machine, and count team functions shall be required to be present whenever the calibration module is accessed.

(3) Such access shall be documented and maintained.

(4) If a weigh scale interface is used, it shall be adequately restricted so as to prevent unauthorized access (passwords, keys, etc.).

(5) If the weigh scale has a zero adjustment mechanism, it shall be physically limited to minor adjustments (e.g., weight of a bucket) or physically situated such that any unnecessary adjustments to it during the weigh process would be observed by other count team members.

(6) The weigh scale and weigh scale interface (if applicable) shall be tested by someone who is independent of the cage, vault and gaming machine departments and count team at least quarterly. At least semi-annually, this test shall be performed by internal audit in accordance with the internal audit standards. The result of these tests shall be documented and signed by the person(s) performing the test.

(7) During the gaming machine count, at least two employees shall verify the accuracy of the weigh scale with varying weights or with varying amounts of previously counted coin for each denomination to ensure the scale is properly calibrated (varying weights/coin from drop to drop is acceptable).

(8) If a mechanical coin counter is used (instead of a weigh scale), the gaming operation shall establish and comply with procedures that are equivalent to those described in paragraphs (c)(7), (c)(8), and (c)(9) of this section.

(9) If a coin meter count machine is used, the count team member shall record the machine number denomination and number of coins in ink on a source document, unless the meter machine automatically records such information.

(f) Gaming machine count and wrap standards.

(1) The weigh/count shall be performed by a minimum of three employees.

(2) At no time during the weigh/count shall there be fewer than three employees in the count room.

(3) The gaming machine count team shall be independent of the gaming machine department and the subsequent accountability of gaming machine count proceeds, unless they are non-supervisory gaming machine employees and perform the laborer function only. (A non-supervisory gaming machine employee is defined as a person below the level of gaming machine shift supervisor.)

(4) The following functions shall be performed in the counting of the gaming machine drop:

(i) Recorder function which involves the recording of the gaming machine count;

(ii) Count team supervisor function which involves the control of the gaming machine weigh and wrap process.

(5) The amount of the gaming machine drop from each machine shall be recorded in ink on a gaming machine count document by the recorder or mechanically printed by the weigh scale. If a weigh scale interface is used, the gaming machine drop figures are transferred via direct line or computer storage media.

(6) The recorder and at least one other count team member shall sign the weigh tape and the gaming machine count document attesting to the accuracy of the weigh/count.

(7) At least three employees who participate in the weigh/count and/or wrap
§ 542.12

process shall sign the gaming machine count document or a summary report to attest to their presence. If all other count team members do not sign the gaming machine count document or a summary report, they shall sign a supplemental document evidencing their participation in the weigh/count and/or wrap.

(8) The coins shall be wrapped and reconciled in a manner which precludes the commingling of gaming machine drop coin with coin (for each denomination) from the next gaming machine drop.

(9) At least two employees shall be present throughout the wrapping of the gaming machine drop.

(10) If the gaming machine count is conducted with a continuous mechanical count meter which is not reset during the count and is verified in writing by at least three employees at the start and end of each nomination count, then one employee may perform the wrap.

(11) The coins shall be wrapped immediately after being weighed or counted. As the coin is being wrapped, it shall be maintained in such a manner so as to be able to obtain an accurate count when the wrap is completed. At the completion of the wrap, a count team member shall independently count the wrap and reconcile it with the weigh/meter count.

(12) If the coins are transported off the property, a second (alternative) count procedure shall be performed before the coins leave the property. Any variances shall be documented.

(13) Transfers out of the count room during the gaming machine count and wrap process shall be strictly prohibited, or if transfers are permitted during the count and wrap, each transfer shall be recorded on a separate multi-part form with a preprinted or concurrently-printed form number (used solely for gaming machine count transfers) which shall be subsequently reconciled by the accounting department to ensure the accuracy of the reconciled wrapped gaming machine drop. If transfers are permitted, they must be counted and signed for by at least two members of the count team and by someone independent of the count team who is responsible for authorizing the transfer.

(14) If the count room serves as a coin room and coin room inventory is not secured so as to preclude access by the count team, then the following two standards shall apply:

(i) At the commencement of the gaming machine count the following requirements shall be met:

(A) The coin room inventory shall be counted by at least two employees, one of whom is a member of the count team and the other is independent of the weigh/count and wrap procedures;

(B) The count in paragraph (f)(14)(ii)(A) of this section shall be recorded on an appropriate inventory form;

(ii) Upon completion of the wrap of the gaming machine drop:

(A) At least two members of the count team (wrap team), independently from each other, shall count the ending coin room inventory;

(B) The counts in paragraph (f)(14)(ii)(A) of this section shall be recorded on a summary report(s) which evidences the calculation of the final wrap by subtracting the beginning inventory from the sum of the ending inventory and transfers in and out of the coin room;

(C) The same count team members shall compare the calculated wrap to the weigh/count, recording the comparison and noting any variances on the summary report;

(D) A member of the cage/vault department shall count the ending coin room inventory by denomination and shall reconcile it to the beginning inventory, wrap, transfers and weigh/count; and

(E) At the conclusion of the reconciliation, at least two count/wrap team members and the verifying employee shall sign the summary report(s) attesting to its accuracy.

(15) For Tier A and B gaming operations the functions described in paragraph (f)(14)(ii)(A) and (C) of this section may be performed by only one count team member. That count team member must then sign the summary report, along with the verifying employee, as required under paragraph (f)(14)(ii)(E).

(16) If the count room is segregated from the coin room, or if the coin room...
§ 542.12

is used as a count room and the coin room inventory is secured to preclude access by the count team, all of the following requirements shall be completed, at the conclusion of the count:

(i) At least two members of the count/wrap team shall count the final wrapped gaming machine drop independently from each other;

(ii) The counts shall be recorded on a summary report;

(iii) The same count team members (or the accounting department) shall compare the final wrap to the weigh/count, recording the comparison and noting any variances on the summary report;

(iv) A member of the cage/vault department shall count the wrapped gaming machine drop by denomination and reconcile it to the weigh/count;

(v) At the conclusion of the reconciliation, at least two count team members and the cage/vault employee shall sign the summary report attesting to its accuracy; and

(vi) The wrapped coins (exclusive of proper transfers) shall be transported to the cage, vault or coin vault after the reconciliation of the weigh/count.

(17) Large (by denomination, either $1,000 or 2% of the drop, whichever is less) or unusual (e.g., zero for weigh count or patterned for all counts) variances between the weigh/count and wrap shall be investigated by management personnel independent of the gaming machine department, count team and the cage/vault functions on a timely basis.

(18) The results of such investigation shall be documented and maintained.

(19) All gaming machine count and wrap documentation, including any applicable computer storage media, shall be immediately delivered to the accounting department by other than the cashier’s department. Alternatively, it may be adequately secured (e.g., locked container to which only accounting personnel can gain access) until retrieved by the accounting department.

(20) If applicable, the weight shall be converted to dollar amounts prior to the reconciliation of the weigh to the wrap.

(21) A count team member shall test the metered count machine (if used) prior to the actual count to ascertain if the metering device is functioning properly with a predetermined number of coins for each denomination.

(22) If a coin meter is used, a count team member shall convert the coin count for each denomination into dollars and shall enter the results on a summary sheet.

(23) Immediately upon receiving the funds, an independent person shall count the gaming machine drop by denomination and shall sign the count sheet attesting to the accuracy of the total and the denominations of the funds received.

(24) After the weigh/wrap count has been completed, the count/wrap amount shall be posted to cage accountability.

(25) Gaming machine analysis reports, which compare actual hold to theoretical hold by gaming machine shall be prepared on at least a monthly basis.

(26) Such reports shall provide all data on both month-to-date and year-to-date bases.

(27) The gaming machine hopper loads and coin in the drop cabinet shall be secured and accounted for during the removal and maintenance of gaming machines.

(28) Cashier/change banks shall be counted and reconciled for each shift.

(29) Corrections on gaming machine count documentation shall be made by crossing out the error, entering the correct figure, and then obtaining the initials of at least two count team employees. If a weigh scale interface is used, corrections to gaming machine count data shall be made using either of the following:

(i) Crossing out the error on the gaming machine document, entering the correct figure, and then obtaining the initials of at least two count team employees. If this procedure is used, an employee independent of the gaming machine department and count team shall enter the correct figure into the computer system prior to the generation of related gaming machine reports; or

(ii) During the count process, correct the error in the computer system and enter the passwords of at least two
count team employees. If this procedure is used, an exception report shall be generated by the computer system identifying the gaming machine number, the error, the correction and the count team employees attesting to the correction.

(g) Currency acceptor drop and count standards. (1) Tier A gaming operations may be exempt from compliance with this section if the gaming operations develop and comply with procedures that shall protect the integrity of the drop and count.

(2) The currency acceptor drop boxes shall be removed by an employee independent of the gaming machine department then transported directly to the soft count room or other similarly restricted location and locked in a secure manner until the count takes place.

(3) The transporting of currency acceptor drop boxes shall be performed by a minimum of two employees at least one of whom is independent of the gaming machine department.

(4) The currency acceptor count shall be performed in a soft count room or equivalently secure area with comparable controls.

(5) The currency acceptor count shall be performed by a minimum of three employees.

(6) Currency acceptor count team members shall be rotated on a routine basis such that the count team is not consistently the same three individuals more than four days per week.

(7) For Tier B gaming operations a minimum of two persons may perform the count provided the count is viewed either live or on videotape within seven days by an employee independent of the count.

(8) The currency acceptor count team shall be independent of transactions being reviewed and counted and the subsequent accountability of currency drop proceeds.

(9) A cage cashier may be used if this person is not allowed to perform the recording function. An accounting representative may be used if there is an independent audit of all currency acceptor count documentation.

(10) The currency acceptor drop boxes shall be individually emptied and counted in such a manner as to prevent the commingling of funds between boxes until the count of the box has been recorded.

(11) The count of each box shall be recorded in ink or other permanent form of recordation.

(12) If currency counters are utilized and the count room table is used only to empty boxes and sort/stack contents, a count team member shall be able to witness the loading and unloading of all currency at the currency counter, including rejected currency.

(13) Drop boxes, when empty, shall be shown to another member of the count team, to another person who is observing the count, or to recorded or live surveillance, provided the count is monitored in its entirety by someone independent of the count.

(14) Corrections to information originally recorded by the count team on currency acceptor count documentation shall be made by crossing out the error, entering the correct figure, and then obtaining the initials of at least two count team members who verified the change.

(15) The count sheet shall be reconciled to the total drop by a count team member who shall not function as the sole recorder.

(16) All members of the count team shall attest by signature to the accuracy of the currency acceptor drop count. Three verifying signatures on the count sheet shall be adequate if all additional count team employees sign a supplemental document evidencing their involvement in the count process.

(17) All monies that were counted shall be turned over to the cage cashier (who is independent of the count team) or to an employee independent of the revenue generation and the count process for verification.

(18) The employee shall certify by signature as to the accuracy of the currency delivered and received.

(19) Access to stored full drop boxes shall be restricted to authorized members of the drop and count teams.

(20) Access to the count room shall be restricted to members of the drop and count teams, excluding authorized observers, supervisors for resolution of problems, and authorized maintenance personnel.

(21) The count sheet, with all supporting documents, shall be promptly
§ 542.12

delivered to the accounting department by a count team member or someone other than the cashiers department. Alternatively, it may be adequately secured (e.g., locked container to which only accounting personnel can gain access) until retrieved by the accounting department.

(h) Jackpot payouts, gaming machines fills, short pays and accumulated credit payouts standards.

(1) For jackpot payouts and gaming machine fills, documentation shall include the following information:

(i) Date and time;

(ii) Machine number;

(iii) Dollar amount of cash payout or gaming machine fill (both alpha and numeric), or description of personal property awarded; alpha is optional if another unalterable method is used for evidencing the amount of the payout;

(iv) Game outcome (including reel symbols, card values and suits, etc.) for jackpot payouts;

(v) Signatures of at least two employees verifying and witnessing the payout or gaming machine fill; however, on graveyard shifts (eight-hour maximum) payouts/fills less than $100 can be made without the payout/fill being witnessed if the second person signing can reasonably verify that a payout/fill is justified; and

(vi) Preprinted or concurrently-printed sequential number.

(2) Jackpot payouts over a predetermined amount shall require the signature and verification of a supervisory or management employee independent of the gaming machine department. This predetermined amount shall be authorized by management, documented, and maintained.

(3) For short pays of $10.00 or more, the jackpot payout form includes:

(i) Date and time;

(ii) Machine number;

(iii) Dollar amount of payout (both alpha and numeric); and

(iv) Signatures of at least two employees verifying and witnessing the payout.

(4) Short pays involving a single token in a denomination higher than $10.00 may be handled without the documentation required in paragraph (h) (3) of this section.

(5) Computerized jackpot/fill systems shall be restricted so as to prevent unauthorized access and fraudulent payouts by one individual.

(6) Payout forms shall be controlled and routed in a manner that precludes any one individual from producing a fraudulent payout by forging signatures or by altering the amount paid out subsequent to the payout and misappropriating the funds.

(1) If a gaming operation offers promotional payouts and awards, the payout form/documentation includes the following information:

(1) Date and time;

(2) Machine number and denomination;

(3) Dollar amount of payout or description of personal property (e.g., jacket, toaster, car, etc.);

(4) Type of promotion (e.g., double jackpots, four-of-a-kind bonus, etc.); and

(5) Signature of at least one employee authorizing and completing the transaction.

(j) Gaming machine department funds standards.

(1) The gaming machine booths and change banks, which are active during the shift, shall be counted down and reconciled each shift utilizing appropriate accountability documentation.

(2) The wrapping of loose gaming machine booth and cage cashier coin shall be performed at a time or location that does not interfere with the hard count/wrap process or the accountability of that process.

(3) A record shall be maintained evidencing the transfers of wrapped and unwrapped coins and retained for 7 days.

(k) EPROM standards. (1) At least annually, procedures shall be performed to insure the integrity of a sample of gaming machine game program EPROMs by personnel independent of the gaming operation or the machines being tested.

(2) EPROM control standards.

(i) Procedures shall be developed and implemented for the following:

(A) Removal of EPROMs from devices, the verification of the existence of errors as applicable, and the correction via duplication from the master game program EPROM;
(B) Copying one gaming device program to another approved program;
(C) Verification of duplicated EPROMs prior to being offered for play;
(D) Destruction, as needed, of EPROMs with electrical failures; and
(E) Securing the EPROM duplicator and master game EPROMs from unrestricted access.

(ii) The master game program number, par percentage, and the pay table shall be verified to the par sheet when initially received from the manufacturer.

(iii) Gaming machines with potential jackpots in excess of $100,000 shall have the circuit boards locked or physically sealed. The lock or seal shall necessitate the presence of an individual independent of the gaming machine department to access the device game program EPROM. If a seal is used to secure the board to the frame of the gaming device, it shall be pre-numbered.

(iv) Records which document the procedures in paragraph (k) (2) (i) of this section shall include the following information:
(A) Date;
(B) Machine number (source and destination);
(C) Manufacturer;
(D) Program number;
(E) Personnel involved;
(F) Reason for duplication;
(G) Disposition of any permanently removed EPROM;
(H) Seal numbers, if applicable; and
(I) Approved testing lab approval numbers, if available.

(3) EPROMs returned to gaming devices shall be labeled and shall include the date program number, information identical to that shown on the manufacturer's label, and initials of the individual replacing the EPROM.

(i) Standards for evaluating theoretical and actual hold percentages.

(1) Accurate and current theoretical hold worksheets shall be maintained for each gaming machine.

(2) For those gaming machines or groups of identical machines (excluding multi-game machines) with differences in theoretical payback percentage exceeding a 4% spread between the minimum and maximum theoretical payback, an employee or department independent from the gaming machine department shall:

(i) On a quarterly basis, record the meters that contain the number of plays by wager (i.e., one coin, two coins, etc.);

(ii) On an annual basis, calculate the theoretical hold percentage based on the distribution of plays by wager type;

(iii) On an annual basis, adjust the machine(s) theoretical hold percentage in the gaming machine statistical report to reflect this revised percentage.

(3) For multi-game machines, an employee or department independent of the gaming machine department shall:

(i) Weekly record the total coin-in meter;

(ii) Quarterly record the coin-in meters for each game contained in the machine;

(iii) On an annual basis adjust the theoretical hold percentage to a weighted average based upon the ratio of coin-in for each game.

(4) The adjusted theoretical hold percentage for multi-game machines may be combined for machines with exactly the same game mix throughout the year.

(5) The theoretical hold percentages used in the slot analysis reports should be within the performance standards set by the manufacturer.

(6) Records shall be maintained for each machine which indicate the dates and type of changes made and the recalculation of theoretical hold as a result of the changes.

(7) Records shall be maintained for each machine which indicate the date the machine was placed into service, the date the machine was removed from operation, the date the machine was placed back into operation, and any changes in machine numbers and designations.

(8) All of the gaming machines shall contain functioning meters which shall record coin-in or credit-in.

(9) All gaming machines with currency acceptors shall contain functioning bill-in meters which record the dollar amounts or number of bills accepted by denomination.

(10) Gaming machine in-meter readings shall be recorded at least weekly...
(monthly for Tier A gaming operations) immediately prior to or subsequent to a gaming machine drop. However, the time between readings may extend beyond one week in order for a reading to coincide with the end of an accounting period only if such extension is for no longer than six days. In-meter readings should be retained for at least five years.

(11) The employee who records the in-meter reading shall either be independent of the hard count team or shall be assigned on a rotating basis, unless the in-meter readings are randomly verified quarterly for all gaming machines and currency acceptors by someone other than the regular in-meter reader.

(12) Upon receipt of the meter reading summary, the accounting department shall review all meter readings for reasonableness using pre-established parameters.

(13) Prior to final preparation of statistical reports, meter readings which do not appear reasonable shall be reviewed with gaming machine department employees, and exceptions documented, so that meters can be repaired or clerical errors in the recording of meter readings can be corrected.

(14) A report shall be produced at least monthly showing month-to-date, year-to-date, and if practicable, life-to-date actual hold percentage computations for individual machines and a comparison to each machine’s theoretical hold percentage previously discussed.

(15) Each change to a gaming machine’s theoretical hold percentage, including progressive percentage contributions, shall result in that machine being treated as a new machine in the statistical reports (i.e., not commingling various hold percentages).

(16) If promotional payouts and awards are included on the gaming machine statistical reports, it shall be in a manner which prevents distorting the actual hold percentages of the affected machines.

(17) A report shall be produced at least monthly showing year-to-date combined gaming machine performance, by denomination. The report shall include the following for each denomination:

(i) Floor par;
(ii) Combined actual hold percentage;
(iii) Percentage variance; and
(iv) Projected dollar variance (i.e., coin-in times the percentage variance).

(18) The statistical reports shall be reviewed by both gaming machine department management and management employees independent of the gaming machine department on at least a monthly basis.

(19) Large variances between theoretical hold and actual hold shall be investigated and resolved with the findings documented in a timely manner.

(20) For purposes of analyzing large variances between actual hold and theoretical hold percentages, information to create floor par reports by machine type shall be maintained.

(21) Maintenance of the computerized gaming machine monitoring system data files shall be performed by a department independent of the gaming machine department. Alternatively, maintenance may be performed by gaming machine supervisory employees if sufficient documentation is generated and it is randomly verified on a monthly basis by employees independent of the gaming machine department.

(22) Updates to the computerized gaming machine monitoring system to reflect additions, deletions, or movements of gaming machines shall be made at least weekly prior to in-meter readings and the weigh process.

(m) Gaming machine hopper contents standards.

(1) When machines are temporarily removed from the floor, gaming machine drop and hopper contents shall be protected to preclude the misappropriation of stored funds.

(2) When machines are permanently removed from the floor, the gaming machine drop and hopper contents shall be counted and recorded by at least two employees with appropriate documentation being routed to the accounting department for proper recording and accounting for initial hopper loads.

(n) Gaming machine drop keys standards.

(1) The physical custody of the keys needed to access gaming machine coin drop cabinets, including duplicates,
§ 542.12

shall require the involvement of two persons, one of whom is independent of the gaming machine department.

(2) Gaming machine coin drop cabinet keys, including duplicates, shall be maintained by a department independent of the gaming machine department.

(3) Two employees (separate from key custodian) shall be required to accompany such keys while checked out and observe each time gaming machine drop cabinets are accessed, unless surveillance is notified each time keys are checked out and surveillance observes the person throughout the period the keys are checked out.

(o) Currency acceptor key control standards. (1) Tier A gaming operations shall not be subject to the requirements of this paragraph (o), provided that the gaming operation develops and complies with procedures that maintain adequate key control and restricts access to the keys.

(2) The physical custody of the keys needed for accessing stored full currency acceptor drop box contents shall require involvement of persons from two separate departments, with the exception of the count team.

(3) Only the employees authorized to remove the currency acceptor drop boxes shall be allowed access to the release keys. For situations that require access to the currency acceptor drop box at other than scheduled drop time, the date, time, and signature of employee signing out/in the release key must be documented. The currency acceptor drop box release keys are separately keyed from the currency acceptor contents keys.

(4) The count team members may have access to the release keys during the count only in order to reset the drop boxes if necessary.

(5) Employees authorized to drop the currency acceptor drop boxes shall be precluded from having access to drop box contents keys.

(6) Someone independent of the gaming machine department shall be required to accompany currency acceptor drop box storage rack keys and observe each time drop boxes are removed from or placed in storage racks.

(7) Employees authorized to obtain drop box storage rack keys shall be precluded from having access to drop box contents keys (with the exception of the count team).

(8) Access to the currency acceptor contents key at other than scheduled count times shall require the involvement of at least three employees from separate departments, including management. The reason for access shall be documented with the signatures of all participants and observers. Only the count team members shall be allowed access to drop box contents.

(9) At least three count team members shall be required to be present at the time currency acceptor count room keys and other count keys are issued for the count.

(10) Duplicate keys shall be maintained in such a manner as to provide the same degree of control over drop boxes as is required for the original keys. Records shall be maintained for each key duplicated which indicate the number of keys made and destroyed.

(p) Player tracking standards. (1) The player tracking system shall be secured so as to prevent unauthorized access (e.g., changing passwords at least quarterly and physical access to computer hardware, etc.).

(2) The addition of points to members’ accounts other than through actual gaming machine play shall be sufficiently documented (including substantiation of reasons for increases) and shall be authorized by a department independent of the player tracking and gaming machines. Alternatively, addition of points to members’ accounts may be authorized by gaming machine supervisory employees if sufficient documentation is generated and it is randomly verified by employees independent of the gaming machine department on a quarterly basis.

(3) Booth employees who redeem points for members shall not have access to lost cards.

(4) Changes to the player tracking system parameters, such as point structures and employee access, shall be performed by supervisory employees independent of the gaming machine department. Alternatively, changes to player tracking system parameters may be performed by gaming machine
§ 542.12  

supervisory employees if sufficient documentation is generated and it is randomly verified by supervisory employees independent of the gaming machine department on a monthly basis.

(5) All other changes to the player tracking system shall be appropriately documented.

(q) Progressive gaming machines standards. (1) A meter that shows the amount of the progressive jackpot shall be conspicuously displayed at or near the machines to which the jackpot applies. This standard does not apply to wide area progressive machines.

(i) At least once each day, each gaming operation shall record the amount shown on each progressive jackpot meter at the licensee’s establishment except for those jackpots that can be paid directly from the machine’s hopper;

(ii) Explanations for meter reading decreases shall be maintained with the progressive meter reading sheets, and where the payment of a jackpot is the explanation for a decrease, the gaming operation shall record the jackpot payout number on the sheet or have the number reasonably available; and

(iii) Each gaming operation shall record the base amount of each progressive jackpot the licensee offers.

(2) The wide area progressive gaming machines system shall be adequately restricted to prevent unauthorized access (e.g., changing passwords at least quarterly, restrict access to EPROMs, and restrict physical access to computer hardware, etc.).

(3) For the wide area progressive system, procedures shall be developed, implemented, and documented for:

(i) Reconciliation of meters and jackpot payouts;

(ii) Collection/drop of gaming machine funds;

(iii) Jackpot verification and payment and billing to gaming operations on pro-rata basis;

(iv) System maintenance;

(v) System accuracy; and

(vi) System security.

(4) Reports adequately documenting the procedures required in paragraph (q)(3) of this section shall be generated and retained.

(r) Gaming machine accounting/auditing procedures standards. (1) Gaming machine accounting/auditing procedures shall be performed by employees who are independent of the transactions being reviewed.

(2) For computerized player tracking systems, an accounting/auditing employee shall perform the following procedures at least one day per month:

(i) Foot all jackpot and fill slips and trace totals to those produced by the system;

(ii) Review all slips written (from the restricted copy) for continuous sequencing;

(iii) Foot all points-redeemed documentation and trace to the system-generated totals; and

(iv) Review all points-redeemed documentation for propriety.

(1) A violation cited by the Chairman shall not be considered unless the associated notice of violation is the subject of a final order of the Commission and has not been vacated; and

(2) Each violation shall be considered whether or not it led to a civil fine.

(d) Negligence or willfulness. The Chairman may adjust the amount of a civil fine based on the degree of fault of the respondent in causing or failing to correct the violation, either through act or omission.

(e) Good faith. The Chairman may reduce the amount of a civil fine based on the degree of good faith of the respondent in attempting to achieve rapid compliance after notification of the violation.

The Chairman shall consider any information so submitted in determining the facts surrounding the violation and the amount of the civil fine.

(b) The Chairman shall serve a copy of the proposed assessment on the respondent within thirty (30) days after the notice of violation was issued, when practicable.

(c) The Chairman may review and reassess any civil fine if necessary to consider facts that were not reasonably available on the date of issuance of the proposed assessment.

§ 575.6 Settlement, reduction, or waiver of civil fine.

(a) Reduction or waiver. (1) Upon written request of a respondent received at any time prior to the filing of a notice of appeal under part 577 of this chapter, the Chairman may reduce or waive a civil fine if he or she determines that, taking into account exceptional factors present in a particular case, the fine is demonstrably unjust.

(2) All petitions for reduction or waiver shall contain:

(i) A detailed description of the violation that is the subject of the fine;

(ii) A detailed recitation of the facts that support a finding that the fine is demonstrably unjust, accompanied by underlying documentation, if any; and

(3) The Chairman shall serve the respondent with written notice of his or her determination under paragraph (a) of this section, including a statement of the grounds for the Chairman’s decision.

(b) Settlement. At any time prior to the filing of a notice of appeal under part 577 of this chapter, the Chairman and the respondent may agree to settle an enforcement action, including the amount of the associated civil fine. In the event a settlement is reached, a settlement agreement shall be prepared and executed by the Chairman and the respondent. If a settlement agreement is executed, the respondent shall be deemed to have waived all rights to further review of the violation or civil fine in question, except as otherwise provided expressly in the settlement agreement. In the absence of a settlement of the issues under this paragraph, the respondent may contest the assessed civil fine before the Commission in accordance with part 577 of this chapter.

§ 575.9 Final assessment.

(a) If the respondent fails to request a hearing as provided in part 577 of this chapter, the proposed civil fine assessment shall become a final order of the Commission.

(a) A respondent who initiates an appeal under this part shall serve copies of the initiating documents on the Commission at the address indicated in the notice or order that is the subject of the appeal. All filings shall be made with the Commission until a presiding official is designated and the parties are so notified, after which all filings shall be made with the presiding official. Any party or other person who subsequently files any other document with the Commission or the presiding officer shall simultaneously serve copies of that document on any other parties to the proceeding, except to that extent §577.8 of this part may govern the disclosure of confidential information contained in a filing.

(b) Copies of documents by which a proceeding is initiated shall be served on all known parties personally, by facsimile, or by registered or certified
mail, return receipt requested. All subsequent documents shall be served personally, by facsimile, or by first class mail.

(c) Service of copies of all documents is complete at the time of personal service or, if service is made by mail or facsimile, upon transmittal.

(d) Whenever a representative (including an attorney) has entered an appearance for a party in a proceeding initiated under this part, service thereafter shall be made upon the representative.

(e) In computing any period of time prescribed for filing and serving a document, the first day of the period so computed shall not be included. The last day shall be included unless it is a Saturday, Sunday, or federal legal holiday, in which case the period shall run until the end of the next business day.

(f) (1) The presiding official may extend the time for filing or serving any document except a notice of appeal.

(2) A request for an extension of time must be filed within the time originally allowed for filing.

(3) For good cause the presiding official may grant an extension of time on his or her own initiative.

§ 577.7 Conduct of hearing.

(a) Once designated by the Commission, the presiding official shall set the case for hearing. The respondent may appear at the hearing personally, through counsel, or personally with counsel. The respondent shall have the right to introduce relevant written materials and to present an oral argument. At the discretion of the presiding official, a hearing under this section may include an opportunity to submit oral and documentary evidence and cross-examine witnesses.

(b) When holding a hearing under this part, the presiding official shall:

(1) Administer oaths and affirmations;

(2) Issue subpoenas authorized by the Commission;

(3) Rule on offers of proof and receive relevant evidence;

(4) Authorize exchanges of information (including depositions and interrogatories in accordance with 25 CFR part 571, subpart C) among the parties when to do so would expedite the proceeding;

(5) Regulate the course of the hearing;

(6) When appropriate, hold conferences for the settlement or simplification of the issues by consent of the parties;

(7) At any conference held pursuant to paragraph (b)(6) of this section, require the attendance of at least one representative of each party who has authority to negotiate the resolution of issues in controversy;

(8) Dispose of procedural requests or similar matters;

(9) Recommend decisions in accordance with § 577.14 of this part; and

(10) Take other actions authorized by the Commission consistent with this part.

(c) The presiding official may order the record to be kept open for a reasonable period following the hearing (normally five days), during which time the parties may make additional submissions to the record. Thereafter, the record shall be closed and the hearing shall be deemed concluded. Within 30 days after the record closes, the presiding official shall issue a recommended decision in accordance with § 577.14 of this part.

§ 577.8 Request to limit disclosure of confidential information.

(a) If any person submitting a document in a proceeding that involves more than two parties claims that some or all of the information contained in that document is exempt from the mandatory public disclosure requirements under the Freedom of Information Act (5 U.S.C. 552), is information referred to in 18 U.S.C. 1905 (disclosure of confidential information), or is otherwise exempt by law from public disclosure, the person shall:

(1) Indicate that the document in its entirety is exempt from disclosure or identify and segregate information within the document that is exempt from disclosure; and

(2) Request that the presiding official not disclose such information to the parties to the proceeding (other than the Chairman, whose actions regarding
the disclosure of confidential information are governed by §571.3 of this chapter) except pursuant to paragraph (b) of this section, and shall serve the request upon the parties to the proceeding. The request to the presiding official shall include:

(i) A copy of the document, group of documents, or segregable portions of the documents marked “Confidential Treatment Requested”; and

(ii) A statement explaining why the information is confidential.

(b) A party to a proceeding may request that the presiding official direct a person submitting information under paragraph (a) of this section to provide that information to the party. The presiding official shall so direct if the party requesting the information agrees under oath and in writing:

(1) Not to use or disclose the information except directly in connection with the hearing; and

(2) To return all copies of the information at the conclusion of the proceeding to the person submitting the information under paragraph (a) of this section.

(c) If a person submitting documents in a proceeding under this part does not claim confidentiality under paragraph (a) of this section, the presiding official may assume that there is no objection to disclosure of the document in its entirety.

(d) If the presiding official determines that confidential treatment is not warranted with respect to all or any part of the information in question, the presiding official shall so inform all parties by telephone, if possible, and by facsimile or express mail letter directed to the parties’ last known addresses. The person requesting confidential treatment then shall be given an opportunity to withdraw the document before it is considered by the presiding official, or to disclose the information voluntarily to all parties.

(e) If the presiding official determines that confidential treatment is warranted, the presiding official shall so inform all parties by facsimile or express mail directed to the parties’ last known address.

(f) When a decision by a presiding official is based in whole or in part on evidence not included in the public record, the decision shall so state, specifying the nature of the evidence and the provision of law under which disclosure was denied, and the evidence so considered shall be retained under seal as part of the official record.

§577.9 Consent order or settlement.

(a) General. At any time after the commencement of a proceeding, but at least five (5) days before the date set for hearing under §577.7 of this part, the parties jointly may move to defer the hearing for a reasonable time to permit negotiation of a settlement or an agreement containing findings and an order disposing of the whole or any part of the proceeding.

(b) Content. Any agreement containing consent findings and an order disposing of the whole or any part of a proceeding shall also provide:

(1) A waiver of any further procedural steps before the Commission;

(2) A waiver of any right to challenge or contest the validity of the order and decision entered into in accordance with the agreement; and

(3) That the presiding official’s certification of the findings and agreement shall constitute dismissal of the appeal and final agency action.

(c) Submission. Before the expiration of the time granted for negotiations, the parties or their authorized representatives may:

(1) Submit to the presiding official a proposed agreement containing consent findings and an order;

(2) Notify the presiding official that the parties have reached a full settlement and have agreed to dismissal of the action, subject to compliance with the terms of the settlement; or

(3) Inform the presiding official that agreement cannot be reached.

(d) Disposition. In the event a settlement agreement containing consent findings and an order is submitted within the time granted, the presiding official shall certify such findings and agreement within thirty (30) days after his or her receipt of the submission. Such certification shall constitute dismissal of the appeal and final agency action.
§ 577.12 Intervention.

(a) Persons other than the respondent may be permitted to participate as parties if the presiding official finds that:

(1) The final decision could directly and adversely affect them or the class they represent;

(2) They may contribute materially to the disposition of the proceedings;

(3) Their interest is not adequately represented by existing parties; and

(4) Intervention would not unfairly prejudice existing parties or delay resolution of the proceeding.

(b) If a tribe has jurisdiction over lands on which there is a gaming operation that is the subject of a proceeding under this part, and the tribe is not already a named party, such tribe may intervene as a matter of right.

(c) A person not named as a party and who wishes to participate as a party under this section shall submit a petition to the presiding official within ten (10) days after the person knew or should have known about the proceeding. The petition shall be filed with the presiding official and served on each person who has been made a party at the time of filing. The petition shall state concisely:

(2) How his or her participation as a party will contribute materially to the disposition of the proceeding;

(3) Who will appear for petitioner;

(4) The issues on which petitioner wishes to participate; and

(5) Whether petitioner wishes to present witnesses.

(d) Objections to the petition may be filed by any party within ten (10) days after the date on which the petition is filed.

(e) When petitions to participate as parties are made by individuals or groups with common interests, the presiding official may request all such petitioners to designate a single representative, or he or she may recognize one or more petitioners.

(f) The presiding official shall give each petitioner, as well as the parties, written notice of the presiding official’s decision on the petition. For each petition granted, the presiding official shall provide a brief statement of the basis of the decision. If the petition is denied, the presiding official shall briefly state the grounds for denial and may then treat the petition as a request for participation as amicus curiae (that is, “friend of the court”).

§ 577.13 Transcript of hearing.

Hearings under this part that involve oral presentations shall be recorded verbatim and transcripts thereof shall be provided to parties upon request. Fees for transcripts shall be at the actual cost of duplication.

§ 577.14 Recommended decision of presiding official.

The recommended decision of the presiding official shall be based upon the whole record and shall include findings of fact and conclusions of law upon each material issue of fact or law presented on the record.

(b) Filing of objections. Within ten (10) days after the date of service of the presiding official’s recommended decision, the parties may file with the Commission objections to any aspect of the decision, and the reasons therefor.

The Commission shall provide a notice and order to all parties stating the reasons for its action. In the absence of a majority vote by the Commission within the time provided by this section, the recommended decision of the presiding official shall be deemed affirmed except that, if the subject of the appeal is an order of temporary closure issued under §573.6 of this chapter, the order of temporary closure shall be dissolved.

Subpart A—General Policies and Instructions

§ 700.1 Purpose.

The purpose of this part is to implement provisions of the Act of December 22, 1974 (Pub. L. 93–531, 88 Stat. 1712 as amended by Pub. L. 96–305, 94 Stat. 929), hereinafter referred to as the Act, in accordance with the following objectives—

(a) To insure that persons displaced as a result of the Act are treated fairly, consistently, and equitably so that these persons will not suffer the disproportionate adverse, social, economic, cultural and other impacts of relocation.

(b) To set forth the regulations and procedures by which the Commission...
§ 700.3 ASSURANCES WITH RESPECT TO ACQUISITION AND DISPLACEMENT.

The Commission will not approve any programs or projects which may result in the acquisition of habitations and/or improvements, or in the displacement of any person, until such time as written assurances are submitted to the Commission that such projects or programs are in accordance with the Act. It will—

(a) Assure that, within a reasonable period of time prior to displacement, adequate, decent, safe and sanitary replacement dwellings (defined at § 700.55) will be available to all certified eligible heads of households.

(b) Carry out relocation services in a manner that will promote maximum quality in housing.

(c) Inform affected persons of their rights under the policies and procedures set forth under the regulations in this part.

§ 700.5 SUPERSEDURE OF REGULATIONS.

These regulations supersede the regulations formerly appearing in this part. However, any acquisition of property or displacement of a person occurring prior to the effective date of these regulations shall continue to be governed by the regulations at 25 CFR part 700 in effect at the time of the acquisition or displacement.

§ 700.11 MANNER OF NOTICE.

(a) Any time limit specified for the filing of a claim or an appeal under the regulations in this part may, on a case by case basis, be extended by the Commission.

(b) The Commission may waive any requirement of these regulations in this part if such requirement is not required by law and if the Commission finds such waiver or exception to be in the best interest of individual Indian applicants, the Commission, and the United States. Any request for a Commission waiver shall be submitted in writing to the Commission and shall be justified on a case by case basis.

§ 700.15 WAIVER OF RIGHTS BY OWNER.

Nothing in these regulations shall prevent a fully informed applicant from voluntarily waiving any of his/her rights under the regulations in this part. A waiver of rights shall in no way constitute an exemption from the requirement to relocate pursuant to the Act.

(d) If the condition of the property indicates the need for a new appraisal or if a significant delay has occurred since the time of the latest appraisal of the property, the Commission shall have the appraisal updated or obtain a new appraisal. If a new appraisal is for a lesser value than the previous appraisal and said lesser value is due to damage done to the property during the time between the two appraisals, and such damage was not caused by the owner of the improvement, the owner shall be entitled to the higher appraisal value.

(e) [Reserved]

(f) Objection to determination of fair market value. If the owner objects to the Commission’s determination of fair market value, the owner may request a hearing pursuant to the Commission’s Hearing and Administrative Review procedures;

(c) A recital of the amount of the offer and a declaration that such amount—

(1) Is the full amount believed by the Commission to be just compensation for the property and is not less than the fair market value of the property as determined on the basis of the appraisal(s);

(2) Does not reflect any relocation payments or other relocation assistance which the owner is entitled to receive.

(d) If only a portion of a habitation and/or improvement is to be acquired, an apportionment of the total estimated just compensation for the partial acquisition will be made. In the event that the Commission determines that partial acquisitions are necessary, all portions so acquired will be acquired simultaneously.

(b) The Commission may transfer the property acquired by gratuitous conveyance to the tribe exercising jurisdiction over the area. Notice of such transfer shall be in writing and shall be completed within sixty (60) days from the finalization of all property acquisition procedures, unless the tribe notifies the Commission in writing within that time that the property transfer is refused. In the event of a refusal by the tribe, the Commission shall remove the property.

§ 700.127 Payments for acquisition of improvements.

Payments for acquisition of improvements shall be made in the following situations:

(a) To individuals who have been denied benefits under these rules and who can prove ownership of habitations and improvements on land partitioned to the tribe of which they are not members. § 700.131 Purpose and applicability.
This subpart prescribes general requirements governing the provision of relocation payments and other relocation assistance under the regulations in this part. The relocation requirements of the regulations in this part apply to the relocation of any displaced person.

§ 700.133 Notice of displacement.
After the Commission’s Relocation Report and Plan is in effect pursuant to the Act, the Commission shall issue a preliminary relocation notice to each person identified by the Commission as potentially subject to relocation. This notice shall—

(a) Be published in a newspaper of general circulation in the area of the former Joint Use Area at least two times, and shall be sent to each Chapter House on the former Joint Use Area for posting.

(b) Inform the person that he/she will be required to relocate permanently in the future unless the person has applied for and is determined to be eligible for a Life Estate.

(c) Generally describe the relocation assistance program for which the person may become eligible, including the maximum allowable dollar amounts and basic conditions of eligibility for the payments.

§ 700.135 Relocation assistance advisory services.

(a) General. The Commission may carry out a relocation assistance advisory program which offers the services described in paragraph (b) of this section. If the Commission determines that a person occupying habitations and/or improvements adjacent to the habitations and/or improvements acquired pursuant to the Act is caused substantial social, economic cultural or other injury because of such acquisition, it may offer such services to such person.

(b) Services to be provided. The advisory program will include such measures, facilities, and services as may be necessary or appropriate in order to—

(1) Personally interview where possible each certified eligible head of household to determine his/her relocation needs and preferences, and explain to him/her the relocation payments and other assistance for which he/she may be eligible, the related eligibility requirements, and the procedures for obtaining such payments and assistance;

(2) Provide current and continuing information on the availability, purchase prices, and rental costs of replacement dwellings and commercial and farm properties and locations, as the case may be.

(3) Assure that replacement dwellings are available to all certified eligible heads of households.

(4) Assist any persons displaced from a business or farm operation to obtain and become established in a suitable replacement location;

(5) Supply persons to be displaced with appropriate information concerning Tribal, Federal, State or local housing programs, disaster loans and other programs administered by the Small Business Administration, and other Federal or State programs offering assistance to persons to be displaced;

(6) Endeavor to minimize the adverse social, economic, cultural and other hardships and impacts of relocation on persons involved in adjusting to such relocation.

(c) Coordination of relocation activities. The Commission shall, to the maximum extent feasible, coordinate its relocation assistance advisory services activities with existing local, state, federal and Tribal agencies to the extent necessary to enable it to carry out its program. Referrals of displaced persons for services to existing services providers will be utilized whenever possible.

(d) Policy. The Commission shall continue to provide assistance to a family, individual, business concern, non-profit organization, or farm operation until relocation has been achieved unless section §700.139 becomes applicable.

(e) Reasons for terminating assistance. In general, the circumstances under which the Commission’s relocation obligations cease are the following:
§ 700.137 Final date for voluntary relocation application.

(a) In order to be considered for voluntary relocation assistance benefits, an applicant must have filed a completed application form with the Commission by the close of business on July 7, 1986.

(b) To qualify for relocation assistance, individuals must meet the eligibility requirements as of July 7, 1986.

[51 FR 19170, May 28, 1986]

§ 700.138 Persons who have not applied for voluntary relocation by July 7, 1986.

(a) Pursuant to 25 U.S.C. 640d–14 (d)(3) heads-of-household who do not make timely arrangements for relocation by filing an application by July 7, 1986, shall be provided a replacement home by the Commission. To be eligible for benefits (Housing and Moving Expenses), such persons must be, as of July 7, 1986, physically residing full time on land partitioned to a tribe of which they are not members and they must also otherwise meet all other current eligibility criteria.

(b) The Commission shall utilize amounts payable with respect to such households pursuant to 25 U.S.C. 640d–14(b)(2) and 25 U.S.C. 640d–34(a) for the construction or acquisition of a home and related facilities for such households.

(c) Persons identified by the Commission as potentially subject to relocation who have not applied for relocation assistance shall be contacted by the Commission as soon as practicable after July 7, 1986. At such time, the Commission shall—

1. Request that the head-of-household choose an available area for relocation, and contract with the Commission for relocation; and

2. Offer the relocatee suitable housing; and

3. Offer to purchase from the head-of-household the habitation and improvements; and

4. Offer provisions for the head-of-household and his family to be moved (e.g., moving expenses, etc.).

(d) If a person so identified fails to agree to move after the actions outlined in this section are taken by the Commission and suitable housing is available (or sufficient funds are available to assure the relocation assistance to which the relocatee may be entitled), the Commission will issue a ninety-day notice stating the date by which the person will be required to vacate the area partitioned to the Tribe of which he is not a member.

[51 FR 19170, May 28, 1986]

§ 700.139 Referral for action.

Upon the expiration of all notice periods and upon the failure or refusal of any relocatees to make timely arrangements to move, the Commission shall forward the names and addresses of such relocatees to the Secretary of the Interior and to the U.S. Attorney for the District of Arizona for such action as they deem appropriate. The Commission will assure the availability of relocation assistance to which the relocatees may be entitled.

§ 700.141 General requirements—claims for relocation payments.

(a) Documentation. Any claim for a relocation payment under subpart D, E, F, G, or H of this part shall be submitted to the Commission on the appropriate Commission form and supported by such documentation as may reasonably be required by the Commission to demonstrate expenses incurred, such as bills and receipts.
(b) **Time for filing.** All claims for a relocation payment shall be filed with the Commission within sixty (60) days after the family occupies the replacement home unless this time period is extended by the Commission.

(c) **Direct payment of claim.** Relocation payments shall be made in accordance with the terms of the Relocation Contracts and are not subject to claims of creditors or assignments.

§ 700.143 Payments for divorced or separated relocatees.

*General.* The following considerations apply to certified eligible heads of household who are legally separated or divorced and intend to establish separate eligibility.

(a) **Determination of benefits.** Eligibility for relocation benefits is determined as of the time that the Relocation Contract is signed.

(1) If the divorce or separation took place before benefits were first applied for, the spouse who vacated the habitation will not be eligible for benefits and all relocation benefits will accrue to the spouse remaining in occupancy as head of the household remaining to be relocated.

(2) If both husband and wife are in possession of the habitation at the time that benefits are first applied for, and are divorced or separated prior to signing of a Relocation Contract, both husband and wife may qualify separately for benefits if each meets the requirements of eligibility under these regulations.

(3) If both husband and wife are in possession of the habitation at the time a Relocation Contract is signed but are divorced or separated prior to occupancy of the replacement dwelling, only one benefit will be paid to the household. Such benefits (including the assistance payment, moving expenses and replacement dwelling benefit) and the purchase price of the habitation and improvements may be prorated between husband and wife in such manner as they may agree in writing so long as such proration is consistent with the terms of the Relocation Contract. Such proration may also be made by a court of competent jurisdiction between the parties or a court order, any necessary prorations shall be made by the Commission.

(b) For purposes of this section, a head of household shall be considered as married even though living apart from his or her spouse unless legally separated under a decree or separate maintenance.

[47 FR 17988, Apr. 27, 1982]

§ 700.145 Payments to estates.

(a) **Relocation benefits can be paid to the estate of a deceased Certified Eligible Head of Household under the following circumstances:**

(1) If there is no household requiring relocation pursuant to the Act surviving the deceased head of household:

(i) Compensation for the habitation and other improvements owned by the deceased head of household and the cost of removing personal property from the acquired habitation and other improvements shall be paid to the estate of a deceased head of household, or as otherwise directed by a court of competent jurisdiction.

(ii) No replacement housing benefit or assistance payment (bonus) shall be paid under this circumstance.

(2) Replacement housing benefits may be paid to an estate only when a certified eligible head of household was qualified for such a housing payment pursuant to the Act and signed a Relocation Contract but died before the replacement housing was occupied. The estate of a certified eligible head of household who had not signed a Relocation Contract at the time of his/her death is not eligible for payment of a replacement housing benefit.

(b) If one of a married couple who was a certified eligible head of household dies, the surviving spouse may be paid the same relocation assistance benefits, including replacement housing payments, which the couple would have received had death not occurred. If there is no surviving spouse, a court of competent jurisdiction may appoint a guardian to act for minor members of the household. The Commission shall deal with such guardian and any members of the household who have attained their majority in a manner to

(a) General. All certified eligible heads of household are eligible for moving and related expenses as prescribed in this subpart. A certified eligible head of household who lives on his/her business or farm property may be eligible for both a payment as a dwelling occupant and a payment with respect to the business or farm operation.
(b) Least costly approach. The amount of payment for an eligible expense under this subpart shall not exceed the least costly method, as determined by the Commission, of accomplishing the objective of the payment without causing undue hardship to the certified eligible heads of household.
(c) Prior approval. Written approval of the Commission must be obtained for all moving and search expenses in this subpart. Such approval shall be obtained by each certified eligible head of household prior to incurring any expense from the real estate specialist to whom the case is assigned. If prior approval and the amount thereof is not obtained from the Commission, the Commission thereafter will determine:
(1) Whether the travel was required and the expenses reasonable and;
(2) The amount of reimbursement to be paid, if any.

5. Insurance of personal property in connection with the move and necessary storage;

§700.159 Payment for direct loss of personal property—nonresidential moves.

(a) General. A certified eligible business is entitled to payment for actual direct loss of an item of tangible personal property incurred as a result of moving or discontinuing his business, farm operation, or nonprofit organization. The payment shall consist of the reasonable costs incurred in attempting to sell the item plus the less of—

1. The fair market value of the item for continued use at the acquired site, less the proceeds from its sale. (When payment for property loss is claimed for goods held for sale, the fair market value shall be based on the cost of the goods to the business, not the potential selling price); or
2. The estimated cost of moving the item, but with no allowance for storage. (If the business, farm operation or nonprofit organization is discontinued, the estimated cost shall be based on a moving distance of 50 (fifty) miles.)

(b) Advertising sign. The amount of a payment for direct loss of an advertising sign, which is personal property, shall be the lesser of—

§ 700.161 Substitute personal property—nonresidential moves.

(a) General. If an item of personal property, which is used as part of a business, farm operation or nonprofit organization, is not moved but is promptly replaced with a comparable substitute item at the replacement site, the displaced person is entitled to payment of the lesser of—

(1) The cost of the substitute item, including installation cost at the replacement site, minus any proceeds from the sale or trade-in of the replaced item, if any; or

(2) The estimated cost of moving the replaced item, based on the lowest acceptable bid or estimate obtained by the Commission for eligible moving and related expenses, but with no allowance for storage.

(b) Transfer of ownership. To be eligible for a payment under this section, the claimant shall transfer to the Commission ownership of the personal property that has not been sold or traded in.

§ 700.163 Expenses in searching for replacement location—nonresidential moves.

A displaced business, farm or nonprofit organization is entitled to an amount not to exceed $500 (five-hundred dollars), as determined by the Commission, for actual reasonable expenses incurred in searching for a replacement location, including—

(a) Transportation computed at prevailing federal per diem and mileage allowance schedules; meals and lodging away from home;

A displaced person (other than an outdoor advertising display business who is eligible for a payment for his actual moving and related expenses under subpart D of these regulations) is entitled to receive a fixed payment in lieu of a payment for such actual moving and related expenses.

§ 700.169 Fixed payment for moving expenses—residential moves.

The fixed payment for moving and related expenses of a certified eligible head of household from a dwelling consists of—

(a) A moving expense allowance not to exceed $300 (three hundred dollars); and

(b) A dislocation allowance of $200 (two hundred dollars).

§ 700.171 Fixed payment for moving expenses—nonresidential moves.

(a) General. The fixed payment for moving and related expenses of a displaced business or farm operation that meets applicable requirements under this section is an amount equal to its average annual net earnings as computed in accordance with §700.173, but not less than $2,500 nor more than $10,000. A nonprofit organization which meets the applicable requirements under this section is entitled to a payment of $2,500.

(b) Business. A business qualifies for payment under this section if the Commission determines that—

(1) The business cannot be relocated without a substantial loss of its existing patronage.
(2) The business is not part of a commercial enterprise having another establishment, which is not being acquired by the Commission, and which is under the same ownership and engaged in the same or similar business activities. For purposes of this rule, no remaining business facility which had average annual gross receipts of less than $1,000 and average annual net earnings of less than $500, during the two taxable years prior to displacement, shall be considered "another establishment"; and

(3) The business had (i) average annual gross receipts of at least $1,000 during the two taxable years prior to displacement, or (ii) average annual net earnings of at least $500 as determined in accordance with § 700.173. However, the Commission may waive this test in any case in which it determines that its use would cause a substantial hardship.

(c) Determining number of businesses acquired. In determining whether two or more legal entities, all of which have been acquired, constitute a single business, which is entitled to only one fixed payment, all pertinent factors shall be considered, including the extent to which—

(1) The same premises and equipment are shared;

(2) Substantially identical or interrelated business functions are carried out and business and financial affairs are commingled;

(3) The entities are held out to the public, and to those customarily dealing with them, as one business, and

(4) The same person or closely related persons own, control or manage the affairs of the entities.

(d) Farm operation. A farm operation qualifies for a payment under this section if the Commission determines that it meets the criteria set forth in § 700.171(b)(3). In the case of a partial acquisition, the fixed payment shall be made only if the Commission determines that—

(1) The part acquired was a farm operation before the acquisition; or

(2) The partial acquisition caused the operator to be displaced from the farm operation; or

(3) The partial acquisition caused a substantial change in the nature of the farm operation.

(e) Nonprofit organization. A nonprofit organization qualifies for a $2,500 payment under this section, if the Commission determines that it—

(1) Cannot be relocated without a substantial loss of existing patronage (membership and clientele). A nonprofit organization is assumed to meet this test, unless the Commission demonstrates otherwise; and

(2) Is not part of an enterprise having at least one other establishment engaged in the same or similar activity which is not being acquired by the Commission.

§ 700.173 Average net earnings of business or farm.

(a) Computing net earnings. For purposes of this subpart, the average annual net earnings of a business or farm operation is one-half of its net earnings before Federal, State and local income taxes, during the two taxable years immediately prior to the taxable year in which it was displaced. However, if the business or farm was not in operation for the full two taxable years prior to displacement, net earnings shall be computed on the basis of the actual period of operation on the acquired site, projected to an annual rate. Also, average annual net earnings may be based upon a different period of time when the Commission determines it to be more equitable. Net earnings include any compensation obtained from the business or farm operation by its owner, his spouse, or dependents.

(b) Documentation. A displaced person who elects to receive a fixed payment in lieu of actual expenses incurred in moving his business or farm shall furnish the Commission proof of his net earnings through income tax returns, certified financial statements or other reasonable evidence.

§ 700.175 Temporary emergency moves.

(a) General. An eligible household may be granted temporary relocation resources, at the Commission’s discretion, provided:
§ 700.175

(1) That the move is for a limited time period not to exceed 12 months unless extended by the Commission.

(2) That permanent relocation resources are not available at the time of displacement.

(3) Prior approval of the Commission is obtained.

(4) That a Relocation Contract providing for permanent relocation has been executed.

(5) The head of household actually remained domiciled on lands partitioned to the tribe of which he is not a member as of December 22, 1974, and continuously thereafter.

(6) The head of household shall vacate all improvements owned by him on lands partitioned to the tribe of which he is not a member and shall transfer title to said improvements to the Commission.

Temporary relocation shall in no way diminish the responsibility of the Commission to offer relocation assistance and services designed to achieve permanent and suitable facilities.

(b) Conditions under which move to temporary housing accommodations may be approved. The move of a family or individual into temporary housing accommodations may be approved by the Commission only if the following conditions are met:

(1) The move will be undertaken because:
   (i) It is necessary because of an emergency as determined by the Commission; or
   (ii) The individual or family is subject to conditions hazardous to his or his family’s health or safety.

(2) The temporary housing is decent, safe, and sanitary.

(3) The Commission shall have determined that within twelve (12) months of the date of the temporary move, replacement housing meeting Commission-approved standards will be available for occupancy by the persons temporarily rehoused.

(4) Prior to the move, the Commission shall provide in writing assurance to each head of household that:
   (i) Replacement housing will be available at the earliest possible time but in any event no later than twelve (12) months from the date of the move to temporary housing.
   (ii) Replacement housing will be made available on a priority basis, to the individual or family who has been temporarily rehoused.
   (iii) The move to temporary rehousing will not, in any way, affect a claimant’s eligibility for a replacement housing payment nor deprive him of the same choice or replacement housing units that would have been made available had the temporary move not been made.
   (iv) The Commission will pay all costs in connection with the move to temporary housing, including any increased housing costs.

(c) Agency documentation. To request Commission approval for a temporary move of a family, the following information shall be submitted to the Commission (additional information may be required on a case-by-case basis):

(1) An explanation of the necessity for the temporary move, based upon the criteria set forth by the Commission.

(2) The estimated duration of the temporary occupancy.

(3) In the case of the family or individual, (i) a copy of the written assurance which will be provided to the person explaining his rights and the continuing obligation of the agency to provide relocation assistance, and (ii) evidence that the family or individual agrees to make the temporary move.

(d) Costs in connection with temporary move—(1) Costs included. Costs included in a temporary move may cover the following:

   (i) Actual reasonable moving costs and related expenses for the move to temporary accommodations.
   (ii) For the family or individual moved from a rental unit the difference, if any, between the rental cost of the dwelling vacated and the rental cost of the temporary unit.
   (iii) For a homeowner who retains ownership of his dwelling the reasonable cost of renting the temporary dwelling.
   (iv) For a homeowner whose dwelling has been acquired the difference, if any, between his housing costs for the acquired dwelling and the rental cost of the temporary unit.

(2) Costs not a replacement home benefit. Costs in connection with a move to
temporary accommodations are not to be considered as relocation payments under the Act. (See paragraph (e) of this section.)

(e) Distinguishing between cost of temporary move and relocation payment. The costs of a temporary move, as described in the foregoing subparagraphs, are not to be considered as all or a part of the relocation payment to which a displaced person is entitled under the Act. Thus, when a family is moved to temporary accommodations, a relocation payment is not made and the election or choice of type of payments that would ordinarily be made upon displacement must be delayed until the final move is made. When the move out of temporary accommodations is made, the displaced person shall receive the full relocation payments to which he/she is entitled pursuant to Commission regulations.

Subpart E—Replacement Housing Payments

§ 700.181 Eligibility.

(a) Basic eligibility requirements. A certified eligible head of household who established his/her residency requirements in the area partitioned to the tribe of which he/she is not a member, is eligible for the replacement housing payment specified at §700.183(a).

(b) Other rules and requirements. A payment under this subpart E is subject to the other applicable rules and requirements of these regulations.

§ 700.183 Determination of replacement housing benefit.

(a) Amount of benefit. The replacement housing benefit for a certified eligible head-of-household is an amount not to exceed fifty-five thousand dollars ($55,000) for a household of three or less and not to exceed sixty-six thousand dollars ($66,000) for a household of four or more. Subject to such other requirements of these regulations as may apply, the replacement housing benefit shall be calculated as follows:

(1) The amount of the fair market value of the habitation and improvements purchased from an eligible head-of-household pursuant to subpart B of this part shall be applied first toward the cost of a replacement dwelling.

(2) An additional amount shall be added to the value of the habitation and improvements to equal the cost of a decent, safe, and sanitary replacement dwelling.

(3) The total value of the replacement dwelling shall not exceed the amount of the replacement housing benefit specified in paragraph (a) of this section.

(4) In the event the cost of providing a decent, safe, and sanitary replacement dwelling is less than the fair market value of the habitation and improvements purchased from an eligible head-of-household pursuant to subpart B of this part, the difference shall be paid to that head-of-household.

(b) The Commission shall, on or before the first Friday in April of each fiscal year, after consultation with the Secretary of the Department of Housing and Urban Development, annually increase, decrease or leave unadjusted the above limitations on replacement housing benefits to reflect changes in housing or development and construction costs, other than costs of land, during the preceding year. In determining whether to increase or decrease the replacement housing benefit limitations set forth above, the Commission shall consider the following:

(1) The most recent percentage rate of increase or decrease in single family housing construction costs reported by HUD. (General Prototype Housing Costs For One to Four Family Dwelling Units).

(2) The most recent Boecht Building Cost Modifier.

(3) The experience of relocatee families in obtaining replacement housing within the current benefits.

(4) The cost of available replacement housing which meets Commission standards as set forth in these regulations.

(5) Such other available information which the Commission deems appropriate and which is relevant to a determination of whether replacement housing benefits should be increased or decreased to reflect change in housing or development and construction costs during the preceding year.
§ 700.187 Utilization of replacement home benefits.

The Commission shall assure that all eligible heads of household receive a decent, safe and sanitary replacement dwelling in the following manner:

(a) If the eligible head of household owns no dwelling other than that on the area from which he or she must move pursuant to the Act, the Commission will make funds available to the head of household as provided in these regulations for the acquisition of a replacement home in one of the following manners:

(1) Purchase of an existing home, by the head of household,

(2) Construction of a home by the head of household,

(3) Participation or purchase by the head of household in a mutual help housing or other home ownership project under the U.S. Housing Act of 1937 (50 Stat. 888, as amended; 42 U.S.C. 1401) or in any other federally assisted housing program.

(b) If the eligible head of household owns or is buying or building a home in an area other than the area from which he or she must move pursuant to the Act, the Commission will expend relocation benefits in one of the following manners:

(1) Expend replacement home benefits for improvements to assure the home meets decent, safe, and sanitary standards, and to accelerate to the maximum extent possible the achievement of debt-free home ownership.

(2) Expend replacement home benefits for improvements to assure the home meets decent, safe, and sanitary standards, or

(i) Expend replacement home benefits for improvements to assure the home meets decent, safe, and sanitary standards, or

(ii) Expend replacement home benefits for the acquisition of a replacement dwelling as if the eligible head of household or spouse did not own a home as in paragraph (a) of this section.

(c) Home improvements shall include the following: General repairs, painting and texturing, fencing—including corrals, landscaping, grading, room additions, re-modeling, roofing, insulating, repair or improvements to the water, sewerage, cooling, heating, or electrical systems, storage buildings, energy conservation measures, and other home improvements as determined and defined by the Commission.

(d) In implementing these regulations the Commission will encourage the use of innovative energy or other technologies in order to achieve the minimum monthly housing cost feasible for each replacement house.
§ 700.189 Expenditure of replacement home benefits.

Replacement home benefits shall be expended or obligated in full at or before the time of original acquisition except as stated below. It is not anticipated that such exceptions would be common and each such instance shall be reviewed and a determination will be made by the Certification Officer.

(a) Under unusual circumstances such as: Unknown (latent) defects in the replacement dwellings, significant change of circumstances and extreme hardship, benefits may be expended after the time of original acquisition up to the existing maximum replacement home benefit.

(b) All replacement home benefits shall be expended not later than one (1) year after the date of payment of the incentive bonus, except under unusual circumstances as stated above, up to the statutory maximum.

(c) Replacement home benefits shall not be expended for maintenance except under unusual circumstances as stated above, up to the statutory maximum.

(d) For purposes of this paragraph, the time of original acquisition shall be defined as the date of execution of the Commission’s Relocation Contract.

Subpart F—Incidental Expenses

§ 700.195 General.

Incidental expenses are those reasonable expenses, as determined by the Commission, to be incidental to the purchase of the replacement dwelling, but not prepaid.

A certified eligible head of household is eligible for reimbursement of expenses that are incidental to the purchase of a replacement dwelling, as provided in § 700.199 hereof.

§ 700.199 Incidental expenses.

(a) Eligible costs. Subject to the limitations in paragraphs (b) and (c) of this section, the incidental expenses to be paid are those actually incurred by the displaced person incident to the purchase of the replacement dwelling, including—

(11) Cost related to fee inspector’s inspections of the replacement dwelling.

(12) Such other costs as the Commission determines to be incidental to the purchase.

(b) Truth in lending charge. Any expense, which is determined to be part of the debt service or finance charge under 15 U.S.C. 131–1641 and Regulation Z (12 CFR part 226) issued thereunder by the Board of Governors of the Federal Reserve System, is not eligible for reimbursement as an incidental expense.

Subpart G—Assistance Payments (Incentive Bonus)

§ 700.205 Eligibility requirements.

A certified eligible head of household is eligible for the assistance payment pursuant to section 14(b) of the Act.

(a) Amount of payment. The amount of payment shall be computed in accordance with the schedule provided for in section 14(b) of the Act.

(b) Date for determination of amount of assistance payment. The date of completion and filing with the Commission of the Application for Relocation Assistance and Agreement to Relocate shall
§ 700.209

be the date used for determination of the amount of the assistance payment.

(c) Time of payment. Assistance payments provided for in this section shall only be paid upon actual occupancy of the replacement dwelling and vacation of the acquired habitation and/or improvement, if any, in the area partitioned to the Tribe of which he/she is not a member.

Subpart H—Last Resort Replacement Housing

§ 700.209 Applicability.

The provisions of this subpart apply only when the Commission determines that, unless it acts under the provisions of this subpart, there is a reasonable likelihood that replacement dwelling(s) will not be available on a timely basis to person(s) to be displaced.

§ 700.211 Basic rights and rules.

The provisions of this subpart do not deprive any displaced person of any rights described elsewhere in these regulations. The Commission may meet its obligation to provide persons with reasonable opportunities to relocate to a replacement dwelling by offering such opportunities developed or to be developed under this subpart.

§ 700.213 Methods of providing last resort replacement housing.

(a) General. The methods of providing last resort housing include, but are not limited to—

(1) Rehabilitation of, and/or additions to, an existing replacement dwelling;

(2) A replacement housing payment in excess of the limits set forth in subparts E and F of this part or the provision of direct Commission mortgage financing;

(3) The construction of a new replacement dwelling;

(4) The relocation and, if necessary, rehabilitation of a replacement dwelling;

(5) The purchase of land and/or a replacement dwelling by the Commission and subsequent sale or lease to, or exchange with, a displaced person; and

(6) The removal of barriers to the handicapped as may be necessary.

Subpart I—Commission Operations

§ 700.219 General.

(a) The operation of the Commission shall be governed by a Management Manual passed, amended or repealed by a majority of the Commission at any regular or special meeting. The Management Manual is the prescribed medium for publication of policies, procedures and instructions which are necessary to facilitate the day-to-day operations and administration of the Commission.

(b) Meetings. The Commission shall hold a regular monthly meeting on the first Friday of each month at a time and place designated by public notice unless said Friday falls on a legal holiday, in that event, the meeting shall begin on the next regular workday. The monthly meeting may continue for as many days thereafter as is necessary to complete the regular affairs of the Commission, and may be recessed from time to time and reconvened at times designated by the Chairperson.

(c) Special public meetings. May be called by any Commissioner with ten (10) working days written notice given to the other Commissioners. Written notice may be waived by a release bearing the signatures of all three Commissioners.

(d) Executive Session. During a regular or special meeting, any Commissioner may request an Executive Session for purposes of personnel and administrative matters.

(e) Compliance with other laws and regulations. As a federal agency, the Commission will conduct its activities in conformance with applicable federal statutes and administrative procedures.

Subpart J—Inspection of Records

§ 700.235 Purpose and scope.

(a) This subpart contains the regulations of the Commission implementing the requirement of subsection (a)(3) of the Freedom of Information Act, 5 U.S.C. 552(a)(3), which provides that the Commission “upon any request for records which (1) Reasonably describes
such records and (2) is made in accordance with published rules stating the time, place, fees (if any), and procedures to be followed, shall make the records promptly available to any person. This subpart describes the procedures by which records may be obtained from the Commission. The procedures in this subpart are not applicable to requests for records published in the Federal Register or opinions in the adjudication of cases, statements of policy and interpretations and administrative staff manuals which have been published or made available under subpart A of this part.

§ 700.237 Definitions.

§ 700.239 Records available.

(a) Commission policy. It is the policy of the Commission to make the records of the Commission available to the public to the greatest extent possible, in keeping with the spirit of the Freedom of Information Act.

(b) Statutory disclosure requirement. The Freedom of Information Act requires that the Commission, on a request from a member of the public to inspect or copy records made in accordance with the procedures in this subpart, shall promptly make the records available.

(c) Statutory exemptions. The Act exempts nine categories of records from this disclosure requirement. The Act provides that disclosure is not required of matters that are:

(1) Specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and in fact properly classified pursuant to such Executive Order;

(2) Related solely to the internal personnel rules and practices of an agency;

(3) Specifically exempt from disclosure by statute;

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Inter-agency or intra-agency memorandums or letters which would not be available by law to a party other than an agency in litigation with the agency;

(6) Personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Investigatory records compiled for law enforcement purposes, but only to the extent that production of such records would

(i) Interfere with enforcement proceedings;

(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy;

(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source,

(v) Disclose investigative techniques and procedures, or

(vi) Endanger the life or physical safety of law enforcement personnel;

(8) Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(9) Geological and geophysical information and data, including maps, concerning wells.

(d) Decisions on requests. It is the policy of the Commission to withhold information falling within an exemption only if (1) disclosure is prohibited by statute or Executive Order or (2) sound grounds exist for invocation of the exemption.

(e) Deletion of portions of records. If a requested record contains material within an exemption together with material not within an exemption and it is determined under the regulations in this subpart to withhold the exempt material, any reasonably segregable nonexempt material shall be separated from the exempt material.

(f) Creation of records. This subpart applies only to records which exist at the time a request for records is made. Records are not required to be created in response to a request by combining
§ 700.241 Request for records.

(a) Submission of requests. A request to inspect or copy records shall be made to the installation where the records are located. If the records are located at more than one installation or if the specific location of the records is not known to the person wishing to inspect or copy the records, he may direct his request to the head of the appropriate bureau, or the bureau’s chief public information officer, if any.

(b) Form of request. (1) Requests invoking the Freedom of Information Act shall be in writing.

(2)(i) A request must reasonably describe the records requested. A request reasonably describes the records requested if it will enable an employee of the Commission familiar with the subject area of the request to locate the record with a reasonable amount of effort. If such information is available, the request should identify the subject matter of the record, the date when it was made, the place where it was made, and the person or office that made it, the present custodian of the record, and any other information which will assist in location of the requested records. If the request involves a matter known by the requester to be in litigation, the request should also state the case name and court hearing the case.

(ii) If the description of a record sought is insufficient to allow identification and location of the record, the response denying the request on this ground shall so state and, to the extent possible, indicate what additional descriptive information, if any, would assist in location of the record.

(3) A request shall state the maximum amount of fees which the requester is willing to pay. Requesters are notified that under §700.251, the failure to state willingness to pay fees as high as are anticipated by the Commission will delay running of the time limit and delay processing of the request, if the responsible official anticipates that the fees chargeable may exceed $25.00.

(4)(i) To insure expeditious handling, requests shall be prominently marked, both on the envelope and on the face of the request, with the legend “FREE- DOM OF INFORMATION REQUEST.” The failure of a request to bear such a legend will not disqualify a request from processing under the procedures in this subpart if the request otherwise meets the requirements of this section. A request not bearing the legend “FREEDOM OF INFORMATION REQUEST” will not, however, be deemed to have been received for purposes of the running of the time limit set out in §700.245 until it has been identified by bureau personnel as a Freedom of Information request and marked by them with this legend.
(ii) Commission personnel identifying a communication from the public not bearing the legend “FREEDOM OF INFORMATION REQUEST” as a request otherwise meeting the requirements of this section shall immediately (A) mark the communication with the legend “FREEDOM OF INFORMATION REQUEST.” (B) date the request to reflect the date on which it was identified, and (C) take steps to assure proper processing of the request under the procedures in this subpart.

(d) Categorical requests. (1) A request for all records falling within a reasonably specific category shall be regarded as conforming to the statutory requirement that records be reasonably described if (i) it can be determined which particular records are covered by the request and (ii) the records can be searched for, collected and produced without unduly burdening or interfering with Commission operations because of the staff time consumed or the resulting disruption of the files.

(2) If a categorical request is determined under paragraph (d)(1) of this section not to reasonably describe the records requested, the response denying the request on that ground shall specify the reasons why and shall extend to the requester an opportunity to confer with knowledgeable Commission personnel in an attempt to reduce the request to manageable proportions by reformulation and by agreeing on an orderly procedure for the production of the records.

§ 700.243 Action on initial requests.

(a) Granting of requests. (1) A requested record shall be made available if (i) the record is not exempt from disclosure or (ii) the record is exempt from disclosure, but its withholding is neither required by statute or Executive order nor supported by sound grounds.

(b) Form of grant. (1) When a requested record has been determined to be available, the official processing the request shall immediately notify the person requesting the record as to where and when the record is available for inspection or as the case may be, where and when copies will be available. If fees are due under §700.251, the responsible official shall also state the amount or, if the exact amount cannot be determined, the approximate amount of fees due.

(2) If the record was obtained by the Commission from a person or entity outside of the Government, the responsible official shall, when it is administratively feasible to do so, notify that person or entity that the record has been made available.

(c) Denial of requests. (1) A request for a record may be denied only if it is determined that (i) the record is exempt from disclosure and (ii) that withholding of the record is required by statute or Executive order or supported by sound grounds.

(2) A request to inspect or copy a record shall be denied only by the Freedom of Information Act Officer or by an official whom the Executive Director has in writing designated.

(d) Form of denial. A reply denying a request shall be in writing and shall include:

(1) A reference to the specific exemption or exemptions under the Freedom of Information Act authorizing the withholding of the record;

(2) The sound ground for withholding;

(3) A listing of the names and titles or positions of each person responsible for the denial;

(4) A statement that the denial may be appealed to the Commission pursuant to §700.247 and that such appeal must be in writing and be received by this official within twenty (20) days (Saturdays, Sundays, and public legal holidays excepted) after the date of the denial, in the case of the denial of an entire request, or within twenty (20) days (Saturdays, Sundays, and public legal holidays excepted) of records being made available, in the case of a partial denial, by writing to the Freedom of Information Act Officer, Navajo-Hopi Indian Relocation Commission, P.O. Box KK, Flagstaff, Arizona 86002.

(e) Exception. The requirements of paragraphs (c), (d), and (e) of this section do not apply to requests denied under §2.14 on the ground that the request did not reasonably describe the records requested or to requests for records which do not exist.
§ 700.245 Filing of denials. Copies of all replies denying, in whole or part, a request for a record which are issued under this section of § 700.243 shall be promptly submitted by the Freedom of Information Act Officer, denials to the Executive Director and the Commission's legal counsel.

§ 700.245 Time limits on processing of initial requests.

(a) Basic limit. Requests for records shall be processed promptly. A determination whether to grant or deny a request shall be made within no more than ten (10) days (excepting Saturdays, Sundays, and legal public holidays) after receipt of a request. This determination shall be communicated immediately to the requester.

(b) Running of basic time limit. For purposes of paragraph (a) of this section, the time limit commences to run when a request is received at the Commission's office in Flagstaff, Arizona.

(c) Extensions of time. In the following unusual circumstances, the time limit for acting upon an initial request may be extended to the extent reasonably necessary to the proper processing of the particular request, but in no case may the time limit be extended for more than ten (10) working days:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject-matter interest therein.

(d) Authority to make extensions. (1) An extension of time under paragraph (c) of this section may be made only by the Freedom of Information Act Officer or such higher authority as the Commission has in writing designated.

(2) The person requesting the records shall be notified in writing of the extension. The written notice shall state the reason for the extension and the date on which a determination on the request is expected to be dispatched.

(3) The Freedom of Information Act Officer shall be responsible for promptly furnishing copies of such notices to the Executive Director and the Commission's legal counsel.

(e) Treatment of delay as denial. (1) If no determination has been reached at the end of the ten (10) day period for deciding an initial request, or the last extension thereof, the requester may deem his request denied and may exercise a right of appeal in accordance with the provisions of § 700.247.

(2) When no determination can be reached within the applicable time limit, the responsible official shall inform the requester of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his right to treat the delay as a denial for purposes of appeal to the Commission in accordance with § 700.247. The requester may be asked to consider delaying use of his right to appeal until the date on which the determination is expected to be dispatched. If the requester so agrees, he is deemed not to have treated the failure to respond within the applicable time limit as a denial for purposes of the running of the twenty (20) working-day appeal period set out in § 700.247. If a determination of the request is not issued by the new agreed upon date, or if the request is denied in whole or part, the requester will have available his full right of appeal under § 700.247, including the entire twenty (20) working-day period for filing of the appeal.

§ 700.247 Appeals.

(a) Right of appeal. Where a request for records has been denied, in whole or part, the person submitting the request may appeal the denial to the Commission.

(b) Time for appeal. An appeal must be received no later than twenty (20) days (Saturdays, Sundays, and public legal holidays excepted) after the date of the initial denial, in the case of a denial of an entire request, or twenty (20) days
The Office of Navajo and Hopi Indian Relocation

§ 700.249

(Saturdays, Sundays, and public legal holidays excepted) after records have been made available, in the case of a partial denial.

(c) Form of appeal. (1) An appeal shall be initiated by filing a written notice of appeal. The notice shall be accompanied by copies of the original request and the initial denial and should, in order to expedite the appellate process and give the requester an opportunity to present his arguments, contain a brief statement of the reasons why the requester believes the initial denial to have been in error.

(2) The appeal shall be addressed to Freedom of Information Act Officer, Navajo-Hopi Indian Relocation Commission, F.O. Box KK, Flagstaff, Arizona 86002.

(3)(i) Both the envelope containing the notice of appeal and the face of the notice shall bear the legend “FREEDOM OF INFORMATION APPEAL”. The failure of an appeal to bear such a legend will not disqualify an appeal from processing under §2.18 if the appeal otherwise meets the requirements of this section. An appeal not bearing the legend “FREEDOM OF INFORMATION APPEAL” will not, however, be deemed to have been received for purposes of the running of the time limit set out in §700.249 until it has been identified by Commission personnel as a Freedom of Information appeal and marked by them with this legend.

(ii) Commission personnel identifying a communication from the public not bearing the legend “FREEDOM OF INFORMATION APPEAL” as an appeal otherwise meeting the requirements of this section shall immediately (A) mark the communication with the legend “FREEDOM OF INFORMATION APPEAL,” (B) date the appeal to reflect the date on which it was identified, and (C) take steps to assure proper processing of the appeal under the procedures in this subpart.

(4) The Freedom of Information Act Officer shall be responsible for promptly furnishing copies of such notices to the Executive Director and the Commission’s legal counsel.

§ 700.249 Action on appeals.

(a) Authority. Appeals from initial denials of requests for records shall be decided for the Commission by the Executive Director after consultation with the Commission’s legal counsel.

(b) Time limit. A final determination on any appeal shall be made within twenty (20) days (excepting Saturdays, Sundays, and public legal holidays) after receipt of the appeal.

(c) Extensions of time. (1) If the time limit for responding to the initial request for a record was not extended under the provisions of §700.245 or was extended for fewer than ten (10) working days, the time for processing of the appeal may be extended by the Executive Director to the extent reasonably necessary to the proper processing of the appeal, but in no event may the extension, when taken together with any extension made during processing of the initial request, result in an aggregate extension with respect to any one request of more than ten (10) working days. The time for processing of an appeal may be extended only if one or more of the unusual circumstances listed in §700.245(c) requires an extension.

(2) The Executive Director shall, in writing, advise the appellant of the reasons for the extension and the date on which a final determination of the appeal is expected to be dispatched.

(3) If no determination on the appeal has been reached at the end of the twenty (20) working-day period for deciding an appeal, or the last extension thereof, the requester is deemed to have exhausted his administrative remedies, giving rise to a right of review in a district court of the United States as specified in 5 U.S.C. 552(a)(4).

When no determination can be reached within the applicable time limit, the appeal will nevertheless continue to be processed. On expiration of the time limit, the requester shall be informed of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his right to seek judicial review. The requester may be asked to consider delaying resort to his right to judicial review until the date on which the determination on his appeal is expected to be dispatched.
§ 700.251 Fees.

(a) Services for which fees may be charged. (1) Unless waived pursuant to the provisions of paragraph (c) of this section, user fees shall be charged for document search and duplication costs incurred in responding to requests for records. User fees also shall be charged for the formal certification of verification attached to authenticated copies of records under the seal of the Commission.

(2) Unless waived or reduced pursuant to paragraph (c) of this section, user fees shall be charged in accordance with the schedule of charges contained in the Commission's Management Manual.

(b) Services for which fees may not be charged. No fee may be charged for any services required by the Freedom of Information Act to be performed in responding to a request for records other than those services for which fees may be charged under paragraph (a) of this section. Services for which no fees may be charged include, but are not limited to:

(1) Examining requested records to determine whether they are exempt from mandatory disclosure or whether, even if exempt, they should nevertheless be made available in whole or part.

(2) Deleting exempt matter from records so that the remaining portions of the records may be made available,

(3) Monitoring a requester's inspection of agency records made available to him for inspection, and

(4) Resolving legal and policy issues affecting access to requested records.

(c) Waiver or reduction of fees. (1) Fees otherwise chargeable for document search and duplication costs incurred in responding to requests for records may be waived or reduced, as appropriate, if the official making the records available determines that furnishing the records can be considered as primarily benefiting the public as opposed to the requester.

(2) Fees otherwise applicable for document research and duplication costs incurred in responding to requests may be waived and not charged if the request involves:

(i) Furnishing unauthenticated copies of any documents reproduced for gratuitous distribution;

(ii) Furnishing one copy of a personal document (e.g., a birth certificate) to a person who has been required to furnish it for retention by the Commission;

(iii) Furnishing one copy of the transcript of a hearing before a hearing officer in a grievance or similar proceeding to the employee for whom the hearing was held.

(3) Fees otherwise chargeable for document search and duplication costs incurred in responding to requests may be waived or reduced if the cost of collecting the fee would exceed the amount of the fee or if the request involves:

(ii) Furnishing records to donors with respect to their gifts;

(iii) Furnishing records to individuals or private non-profit organizations having an official voluntary or cooperative relationship with the Commission to assist the individual or organization in its work with the Commission;

the Commission and to do so will help to accomplish the work of the Commis-

(v) Furnishing records when to do so saves costs and yields income equal to
the direct cost of providing the records (e.g., where the Commission’s fee for
the service would be included in a billing against the Commission);

employers of former Commission em-

(d) Notice of anticipated fees and pre-
payment. (1) Where it is anticipated
that fees chargeable under this section
may amount to more than $25.00 and
the requester has not indicated in ad-

high as are anticipated, the request
shall be deemed not to have been re-

established by §700.245 until the re-

anticipated and has agreed to pay these
fees. Advice to requesters with respect
to anticipated fees shall be provided
promptly.
(2) The appropriate cases, advance
payment of fees may be required before
requested records are made available
to the requester.
(3) A notice of anticipated fees or no-

shall extend an offer to the requester
to confer with appropriate personnel in
an attempt to reformulate the request
in a manner which will reduce the an-

requester.
(e) Form of payment. Payment of fees
shall be made by check or money order
payable to the Navajo-Hopi Indian Re-
location Commission. The term United
States or the initials “U.S.” shall not

(4) If the requester seeks to have copies of the requested records made, the request shall state the maximum amount of copying fees which the requester is willing to pay. A request which does not state the amount of fees the requester is willing to pay will be treated as a request to inspect the requested records. (5) The request shall supply such identifying information, if any, as is called for in the system notice describing the system.

(3) Where it is anticipated that fees chargeable in connection with a request will exceed the amount the person submitting the request has indicated he/she is willing to pay, the official processing the request shall notify the requester and shall not complete processing of the request until the requester has agreed, in writing, to pay fees as high as are anticipated.

§ 700.305 Availability of hearings.

Issues and problems which cannot be resolved through the discussion process inherent in the supervisor-employee relationship shall be referred to the Designated Agency Ethics Official. Managers and supervisors shall ensure that disciplinary or remedial action is taken with all agency personnel who violate these regulations, and against subordinate supervisors who fail to carry out their responsibilities for effecting or recommending disciplinary or remedial action in these cases.
(c) Employees. All Commission personnel shall be familiar with the standards of conduct governed in this directive and the laws governing conflicts of interest and post employment restrictions, and shall comply with them. When in doubt as to the permissibility of an action under the terms of this directive, the employee shall not act without first consulting the immediate supervisor and as appropriate seeking the advice of the Designated Agency Ethics Official.

(d) Office of Management Operations. (1) The Office of Management Operations shall give each employee a copy of these regulations and shall conduct an oral briefing on their contents, within 30 days of approval. New personnel shall receive a copy and oral briefing promptly upon assuming their duties. Additions and amendments shall be similarly communicated upon approval.

(2) The Office shall conduct annual review sessions of these standards for all personnel.

§ 700.509 Duties of the designated agency ethics official.

The Designated Agency Ethics Official shall coordinate and manage the agency’s ethics program. The Deputy Ethics Official shall serve as alternate Agency Ethics Official in the absence of the Designated Agency Ethics Official, or upon his or her express delegation. Specific duties of the Officer include:

(a) Liaison with Office of Government Ethics (OGE). The Designated Agency Ethics Official shall establish and maintain close working relations with the OGE, and shall coordinate communications between the Commission and OGE through the Agency Liaison Division and Office of Ethics of the General Services Administration. Requests for advisory opinions shall be submitted as specified in 5 CFR 738.304. The Designated Agency Ethics Official shall provide the OGE with records, reports and any other information which may be required under the Ethics in Government Act (Pub. (b) Review of statements. The Designated Agency Ethics Official shall review the statements of employment and financial interest submitted by agency personnel assessing the application of conflict of interest laws and regulations to the information reported. When the review discloses a conflict, or the appearance of a conflict, between the private interests of an employee and the performance of his or her duties as a Commission employee, the Designated Agency Ethics Official shall bring the conflict to the attention of the employee, grant the individual an opportunity to explain the conflict, and attempt to resolve it. If the conflict is not resolved at this point, the Designated Agency Ethics Official shall forward a written report on the conflict to the Chairman of the Commission recommending appropriate action. In developing the recommendation the Designated Agency Ethics Official may consult, as appropriate, with the agency General Counsel and the GSA Ethics Office.

(c) Education and counseling program. The Designated Agency Ethics Official shall design and conduct an education and counseling program for supervisors and employees on all ethics and standards of conduct matters, including post-employment matters. Records shall be kept as appropriate on the advice rendered.

(5) Special Government Employees shall file NHIRC Form 738.2F with the Designated Agency Ethics Official prior to beginning employment or service with the Commission. The Designated Agency Ethics Official may waive this requirement if the duties of the position held by the special Government employee are of a nature or at such a level of responsibility that the submission of the statement by the incumbent is not necessary to protect the integrity of the Commission or the Government.

(b) Criteria for selection of positions subject to filing requirements. The following criteria govern selection of employees who must also file statements of Employment and Financial Interest (NHIRC Form 738.1F) with the Designated Agency Ethics Official.

(1) Statements of Employment and Financial Interest shall be required of employees holding positions which are responsible for:
   (i) Contracting or procurement.
   (ii) Administering or monitoring grants and subcontracts.
   (iii) Other activities where the decision or action has an economic impact on the interests of any person or non-Federal enterprise.

(2) When a new position is established or the duties of an existing position are materially changed, the position shall be evaluated pursuant to the criteria of this section to determine whether or not it should be designated as one requiring the incumbent to submit a Statement of Employment and Financial Interests.

(c) Interests of relatives. The interest of a spouse, minor child, or other member of an employee’s immediate household is considered to be an interest of the employee. Reports must include but are not limited to identification of such an individual’s employer, financial holdings and debts. These provisions also apply to special Government employees.

(d) Employee complaint against filing requirements. An employee who believes that his or her position has been improperly included among those requiring the submission of a Statement of Employment and Financial Interests may obtain review through the Commission’s administrative grievance procedure.

(e) Procedures for obtaining statements. Following approval of these regulations, the Designated Agency Ethics Official shall give each employee and special Government employee required to file under this part, a copy of the appropriate NHIRC form. An enclosure with the form shall advise that:

(4) No later than June 1 of each year all employees and special Government employees required to file under paragraph (a)(3) of this section shall file an annual supplementary statement to update the information previously filed.

(5) New employees required to file under paragraph (a)(3) of this section shall submit a statement within 30 days of beginning employment with the Commission.

(e) Confidentiality of statements. Statements of employment and financial interest shall be held in confidence. Access to information from the statements shall not be disclosed except to carry out the purpose of this directive.

(f) Resolving conflicts of interest. When the Designated Agency Ethics Official determines from review of the statement that a conflict of interest may exist, the submitter shall have the opportunity to provide additional information, which shall become part of the record. The Designated Agency Ethics Official and the concerned employee shall make every effort to resolve the conflict in a manner that is mutually acceptable. If these efforts are not successful the Designated Agency Ethics Official shall forward a report and recommendation to the Chairman of the Commission for final action. Remedial action directed by the Chairman may include but is not limited to:

(1) Disqualification for a particular assignment.
(2) Change in assigned duties.
(3) Divestment of the employee or special Government employee of the conflicting interests.
(4) Disciplinary action, including removal.

§ 700.513 Business dealings on behalf of the government.

(a) All employees shall conduct themselves on the job so as to efficiently discharge the work of the Commission. Employees shall observe courtesy, consideration and promptness in dealing with clients, other governmental agencies, and members of the public.

(b) Commission personnel conducting business with contractors, realtors, vendors, service providers and other public and private agencies, organizations, business and individuals shall maintain strict impartiality in their business dealings. Commission employees shall not allow themselves to be placed in a position in which a conflict of interest might arise or might justifiably be suspected. Such a conflict may arise or appear to arise by the acceptance of gratuities or by any action which could reasonably be interpreted as influencing the strict impartiality that must prevail in all business relationships involving the Commission. However, this requirement of impartiality is not intended to prohibit advocacy of client interests, as is required as a stated duty of certain agency positions. Such advocacy may occur for example during warrantee representation or during technical representation with builders.

§ 700.515 Conflicts of interest.

(a) A conflict of interest may exist when an employee uses, or appears to use, his or her official position to obtain benefits for himself or herself, close friends, relatives, or business associates. A conflict of interest may also exist if an employee’s private activities interfere with the proper discharge of his or her official duties. If an employee has any doubt about whether or not a particular situation is, or gives the appearance of being a conflict of interest, the situation should be discussed with the immediate supervisor. Should further review be required, the Designated Agency Ethics Official shall be consulted.

(b) Principal situations where conflict of interest may develop are regulated by the sections which follow. However, these regulations do not preclude other conflict of interest situations which may arise in connection with the work of the Commission.

(c) These prohibitions apply to all Commission employees, whether or not they are required to file financial and employment disclosure statements.
§ 700.517 Affiliations and financial interests.

(a) Commission personnel shall not engage in any personal, business, or professional activity, or receive or retain any direct or indirect financial interest, which places them in a position of conflict or apparent conflict between their private interests and the public interests of the United States as related to the duties of their Commission positions.

(b) Employees are prohibited from accepting money, goods or services other than official compensation for any act performed by the employee as part of his or her official duties.

(c) Commission personnel shall not use, directly or indirectly, inside information for private gain for themselves, family members, or others if that information is not generally available to the public and was obtained as a result of Commission employment.

(d) Commission personnel are prohibited from using their official positions to induce, coerce, or in any manner influence any person, including subordinates, to provide any improper benefit, financial or otherwise, to themselves or others.

(e) Employees may not have any personal interest in transactions which are directed, regulated, or effected by the Commission pursuant to the authorities vested in the agency by Pub. L. 93–531 and Pub. L. 96–395. Specifically:

1. No Commission employee shall have a personal interest in a contract, subcontract, memorandum of understanding or agreement, or other arrangement resulting in payment for the delivery of goods, services, or supplies to the Commission, to the Navajo or Hopi tribal governments, or to individual relocatees or groups of relocatees.

2. No Commission employee shall have or seek an interest in real or personal property acquired for transfer to the Navajo or Hopi Tribes.

3. No Commission employee shall have or seek an interest in any activity supported financially by the Commission through the award of Discretionary Funds.

4. During the process of acquiring replacement housing for relocatees no employee may have a personal interest in the activities of a contractor, realtor, or other business entity selected by the relocatee to furnish replacement housing; nor may the employee influence the relocatee to select any realtor, contractor or other business entity with which the employee has personal or business affiliations.

5. Nothing in this section shall restrict a relocatee’s right to exercise free and independent judgment in selecting a realtor, contractor, or other vendor or service provider; regardless of any personal or business relationship of that entity to a Commission employee, provided the employee has not influenced the choice of the relocatee in any manner.

6. Nothing in this section shall restrict a Commission employee who is eligible for relocation benefits from applying for and obtaining such benefits according to published criteria; nor to prevent the Commission from employing a member of the Hopi or Navajo Tribe who has been, or is in the process, of being relocated pursuant to the law.

7. Commission employees shall disqualify themselves from investigating and preparing recommendations regarding eligibility determination for applicants to whom they are closely related by blood or marriage.

§ 700.519 Gifts, entertainment and favors.

(a) Acceptance of gratuities, including gifts, entertainment and favors, (no matter how innocently tendered or received) from those who have or seek business dealings with the Commission, is prohibited as it may be a source of embarrassment to the recipient, and may impair public confidence in the integrity of the conduct of the Government’s business. It is emphasized that prohibited conflicts and apparent conflicts of interest can sometimes arise even from relationships and transactions that the persons concerned perceive as inconsequential.

(b) Except as provided in paragraphs (c) and (d) of this section, Commission personnel and their spouses, minor children and members of their households shall not solicit nor accept, either directly or indirectly, any gift,
§ 700.521 Gratuity, favor, entertainment loan or any other thing of monetary value
from any person who:
(1) Has, or is seeking to obtain, contractual or other business or financial
relations with the Commission,
(2) Conducts operations or activities that are regulated by the Commission or significantly affected by Commis-
sion decisions, or
(3) Has interests that may be substantially affected by the performance
or non-performance of the employee’s official duty.
(c) Employees are specifically prohib-
ited from accepting gifts or favors from
vendors, contractors, builders, realtors,
tribal officials or other individuals
with whom Commission employees do
business. This prohibition extends to
the acceptance of meals and refresh-
ments offered by individuals con-
ducting or seeking business with the
Commission whether during duty or non-duty hours.
(d) The following circumstances are
excepted from the prohibitions listed
above:
(1) An employee may accept unsolic-
tited advertising or promotional mate-
rial with the name of the company im-
printed, such as pencils, calendars and similar items of nominal intrinsic
value.
(2) An employee may accept trans-
portation and meals provided by a con-
tractor in connection with official
business when arrangements for Gov-
ernment or commercial transportation
or meals are clearly impracticable and
the supervisor has granted prior ap-
proval.
(3) An employee may accept an invi-
tation extended by a relocatee to at-
tend a housewarming, potluck, accept
a meal and refreshments while trav-
eling on the reservation, or similar so-
cial activity when circumstances would
make it rude for the employee to
refuse.
(4) Other circumstances may arise in
which it would be to the Commission’s advantage for an employee to partici-
pate in activities ordinarily prohibited.
In such cases, the employee shall con-
sult with his or her supervisor about
the course of action to be followed. If
prior consultation is not possible, the
employee shall exercise prudent judge-
ment and promptly inform the super-
visor of the activity.
§ 700.521 Outside work and interests.
Commission employees may engage
in outside work or other activity which
does not create a conflict between the
employee’s private interests and offi-
cial duties nor prevent employees from
devoting their talents and energies to
the Commission. An employee’s outside work shall not reflect discredit upon
the Commission.
(a) Employees engaged in or consid-
ering outside employment shall inform
their supervisor of the work, and sup-
ply such additional details as may be
required to determine whether the em-
ployment is compatible with the full
and proper discharge of the employee’s
official duties.
(b) Similarly, employees shall inform
the supervisor and request approval of
other types of outside activities which
may present an actual or apparent con-
flict of interest between the employees’
official duties and their private lives.
The supervisor shall determine if the
outside employment or activity is pro-
hibited by these regulations, and so in-
form the employee. The Designated
Agency Ethics Official is available to
assist supervisors in making such de-
terminations.
(c) Guidelines and limitations. Outside
employment or other outside activity
is incompatible with the full and prop-
er discharge of an employee’s duties
and responsibilities and hence is pro-
hibited if:
(1) It would involve the violation of a
 Federal or State statute, a local ordi-
nance, Executive Order, or regulation
to which the employee is subject.
(2) It would be of such extent or na-
ture as to interfere with the efficient
performance of the employee’s Govern-
ment duties, or impair the employee’s
mental or physical capacity to perform
them in an acceptable manner.
(3) It would tend to influence the ex-
rercise or impartial judgement on any
matters coming before the employee in
the course of his or her duties;
(4) It would involve work for contrac-
tors, subcontractors, realtors, tribal of-
ices, clients or other entities and indi-
viduals which have business with or re-
ceive services from the Commission or
conduct activities which are regulated by the Commission.

(5) Involves a person or enterprise that may be substantially affected by the performance or nonperformance of the employee’s official duties.

(6) It involves the use of the employee’s time during official working hours.

(7) It involves the receipt of salary or anything of monetary value from a private source as compensation for services to the Government.

(8) It involves acceptance of a fee, compensation, gift, payment of expense, or any other thing of monetary value under circumstances in which acceptance might result in, or create the appearance of, a conflict of interest.

(9) It would be of a nature which might be construed by the general public to be an official act of the Commission, or would give the impression that a business or product which is involved in the relocation project is officially endorsed or approved by the Commission.

(10) It would involve use by the employee of official facilities, e.g., office space, office machines, or supplies, or the services of other employees during duty hours.

(11) It might bring discredit upon, or cause unfavorable criticism of, the Government or the Commission or lead to relationships which might impair public confidence in the integrity of the Government or the Commission.

(12) It would involve the use of information obtained as a result of Government employment that is not freely available to the general public in that it either has not been made available to the general public or would not be made available upon request.

§ 700.523 Business relationships among employees.

Business relationships among Commission employees which take place after working hours and away from Commission premises are not matters for regulation, unless they violate the restrictions listed above.

§ 700.525 Use of government information or expertise.

(a) Commission personnel may engage in teaching, lecturing and writing about the relocation program, provided the Information which they present is public knowledge or would be made available to the public upon request.

(b) Employees shall inform their supervisors in advance of any teaching, writing, or lecturing activity which relates to the Commission operations. The Commissioners may at their discretion exercise the right of review and approval of materials to be presented.

(c) Employees must obtain supervisory approval for release of information considered confidential, and release of information not previously published as public information.

(d) Disclosure of information from records shall conform with the provisions of the Freedom of information and the Privacy Acts (5 U.S.C. 552). An employee may not release confidential information maintained by the Commission and available to the employee because of his position as an employee of the Commission. Violation of this prohibition may result in prosecution under the terms of the Privacy Act in addition to any disciplinary penalties levied by the employee’s supervisor.

(e) Commission personnel may not accept compensation for an article, speech, consultant service, or other activity if it involves the use of information obtained as the result of Government employment which is not available to the general public as described in paragraph (a) of this section, or results in an actual or appearance of conflict of interest.

(f) Unless there is a definite Commission position on a matter which is the subject of an employee’s writing or speech, and the individual has been authorized by the Commissioners to present that position officially, the employee shall expressly present his or her views on the matter as his or her own and not as those of the Commission.

(g) The right of an employee to express personal opinions is respected. However, once the Commission has established policy and procedure, every employee is obligated to carry out all lawful regulations, orders, and assignments, and to support the programs of the Commission as long as they are part of recognized public policy.

(h) In dealing with the public and with relocatees, employees should
avoid issuing opinions or decisions contrary to Commission policy which can be mistaken as official Commission policy.

**§ 700.527 Endorsements.**

Employees are prohibited from endorsing in an official capacity business products or processes or the services of commercial firms for advertising public or sale purposes. Use of materials, products or services, by the Commission does not constitute official endorsement. Employees may not recommend for or against any particular builder, supplier, realtor, contractor or other person or business seeking to sell any product or service to relocatees.

**§ 700.529 Negotiations for employment.**

An employee shall inform the supervisor and seek the advice of the Designated Agency Ethics Official if he or she wishes to negotiate for future non-Federal employment with persons or organizations having business with the Commission if the employee is involved in making recommendations or decisions affecting those persons or organizations.

(c) An employee may accept accommodations and expense reimbursement for attending meetings, functions, etc. in his or her private capacity and on his or her own time, provided that such acceptance does not produce an actual or apparent conflict of interest. This restriction prohibits an employee from accepting accommodations or reimbursement from anyone having or seeking business with the Commission.

(d) Commission employees traveling on official business, as well as employees traveling on personal business, may not accept the use of private airplanes, cars, or other means of transportation offered at no expense by individuals conducting or seeking business dealings with the Commission, nor from clients of the Commission.

Exception: An employee may accept transportation and meals of modest value provided by a contractor or client in connection with official business when it is not practical to make arrangements for Government or commercial accommodations. The employee must receive prior approval of the supervisor in such case. This might occur, for example, if an employee were traveling to a remote area where no Government vehicle were available, or where there are no nearby restaurants or eating places. There is no prohibition against a contractor or private citizen traveling as a passenger in a Government vehicle driven by a Commission employee on official business, provided administrative procedures have been followed in making the travel arrangements.

The Commission management will assist any employee who has such a problem to obtain professional help and will make reasonable allowance as permitted by work schedules to allow an employee approved leave for professional treatment. Anyone who seeks such assistance will be guaranteed confidential handling of his or her case. Disciplinary action will be considered if an employee rejects or ignores treatment or other appropriate assistance.

(c) Pursuant to provisions of the regulations cited, employees may take part in certain local elections. However, Commission employees are restricted from taking an active role in political elections of the Navajo and Hopi tribal governments, even though such elections are not partisan in the usual meaning of the word. With respect to tribal elections, employees may not:

A restriction similar to the one summarized above prevents a former employee for two years from representational activities on all particular matters which were actually pending under the former employee’s “official responsibility” during the one-year period prior to the termination of such responsibility.

(b) Restrictions applicable only to “senior employees.” (1) Members of the Senior Executive Service are considered senior employees.

(7) The applicant has certified that, not later than 90 days after the date the final report is submitted to the Federal Land Manager, the following will be delivered to the appropriate official of the approved university, museum, or other scientific or educational institution, which shall be named in the permit:
(i) All artifacts, samples, collections, and copies of records, data, photographs, and other documents resulting from work conducted under the requested permit.
(b) When the area of the proposed work would cross jurisdictional boundaries, so that permit applications must be submitted to more than one Federal land manager, the Federal land managers shall coordinate the review and evaluation of applications and the issuance of permits.
§ 700.817 Terms and conditions of permits.

(a) In all permits issued, the Federal Land Manager shall specify:

(1) The nature and extent of work allowed and required under the permit, including the time, duration, scope, location and purpose of the work;

(2) The name of the individual(s) responsible for conducting the work and, if different, the name of the individual(s) responsible for carrying out the terms and conditions of the permit;

(3) The name of any university, museum, or other scientific or educational institution in which any collected materials and data shall be deposited; and

(4) Reporting requirements.

(b) The Federal Land Manager may specify such terms and conditions as deemed necessary, consistent with this part, to protect public safety and other values and/or resources, to secure work areas to safeguard other legitimate land uses, and to limit activities incidental to work authorized under a permit.

(c) The Federal Land Manager shall include in permits issued for archaeological work on the New Lands such terms and conditions as may be requested by the Indian landowner and the Navajo Nation.

(d) Initiation of work or other activities under the authority of a permit signifies the permittee’s acceptance of the terms and conditions of the permit.

(e) The permittee shall not be released from requirements of a permit until all outstanding obligations have been satisfied, whether or not the term of the permit has expired.

(f) The permittee may request that the Federal Land Manager extend or modify a permit.

(g) The permittee’s performance under any permit issued for a period greater than 1 year shall be subject to review by the Federal Land Manager, at least annually.

§ 700.819 Suspension and revocation of permits.

(a) Suspension or revocation for cause.

(1) The Federal Land Manager may suspend a permit issued pursuant to this part upon determining that the permittee has failed to meet any of the terms and conditions of the permit or has violated any prohibition of the Act or §700.807. The Federal Land Manager shall provide written notice to the permittee of suspension, the cause thereof, and the requirements which must be met before the suspension will be removed.

(2) The Federal Land Manager may revoke a permit upon assessment of a civil penalty under §700.831 upon the permittee’s conviction under section 6 of the Act, or upon determining that the permittee has failed after notice under this section to correct the situation which led to suspension of the permit.

(b) Suspension or revocation for management purposes. The Federal Land Manager may suspend or revoke a permit without liability to the United States, its agents, or employees when continuation of work under the permit would be in conflict with management requirements not in effect when the permit was issued. The Federal Land Manager shall provide written notice to the permittee stating the nature of and basis for the suspension or revocation.

§ 700.821 Appeals relating to permits.

Any affected person may appeal permit issuance, denial of permit issuance, suspension, revocation, and terms and conditions of a permit through existing administrative appeal procedures, or through procedures which may be established by the Federal Land Manager pursuant to section 10(b) of the Act and this part.

§ 700.823 Permit reviews and disputes.

(a) Any affected person disputing the decision of the Federal Land Manager with respect to the issuance or denial of a permit, the inclusion of specific terms and conditions in a permit, or the modification, suspension, or revocation of a permit may request the Federal Land Manager to review the disputed decision and may request a conference to discuss the decision and its basis.

(b) Any disputant unsatisfied with the higher level review, and desiring to appeal the decision, pursuant to §700.821 of this part, should consult with the Federal Land Manager regarding the existence of published appeal
procedures. In the absence of published appeal procedures, the review by the head of the Office will constitute the final decision.

(c) Any affected person may request a review by the Department of Interior Consulting Archaeologist of any professional issues involved in a permitting decision, such as professional qualifications, research design, or other professional archaeological matters. The Departmental Consulting Archaeologist shall make a final professional recommendation to the head of the Office. The head of the Office will consider the recommendation, but may reject it, in whole or in part, for good cause. This request should be in writing and should state the reasons for the request.

§ 700.825 Relationship to section 106 of the National Historic Preservation Act.

Issuance of a permit in accordance with the Act and this part does not constitute an undertaking requiring compliance with section 106 of the Act of October 15, 1996 (16 U.S.C. 470f). However, the mere issuance of such a permit does not excuse the Federal Land Manager from compliance with section 106 where otherwise required.

§ 700.827 Custody of Archaeological resources.

(a) Archaeological resources excavated or removed from the New Lands remain the property of the Navajo Nation.

(b) [Reserved]

§ 700.829 Determination of archaeological or commercial value and cost of restoration and repair.

(a) Archaeological value. For purposes of this part, the archaeological value of any archaeological resource involved in a violation of the prohibitions in §700.807 of this part or conditions of a permit issued pursuant to this part shall be the value of the information associated with the archaeological resource. This value shall be appraised in terms of the costs of the retrieval of the scientific information which would have been obtained prior to the violation. These costs may include, but need not be limited to, the cost of preparing a research design, conducting field work, carrying out laboratory analysis, and preparing reports as would be necessary to realize the information potential.

(b) Commercial value. For purposes of this part, the commercial value of any archaeological resource involved in a violation of the prohibitions in §700.807 of this part or conditions of a permit issued pursuant to this part shall be for its fair market value. Where the violation has resulted in damage to the archaeological resource, the fair market value should be determined using the condition of the archaeological resource prior to the violation to the extent that its prior condition can be ascertained.

(c) Cost of restoration and repair. For purposes of this part, the cost of restoration and repair of archaeological resources damaged as a result of a violation or prohibitions or conditions pursuant to this part, shall be the sum of the costs already incurred for emergency restoration or repair work, plus those costs projected to be necessary to complete restoration and repair, which may include, but need not be limited to, the costs of the following:

(1) Reconstruction of the archaeological resource;
(2) Stabilization of the archaeological resource;
(3) Ground contour reconstruction and surface stabilization;
(4) Research necessary to carry out reconstruction or stabilization;
(5) Physical barriers or other protective devices, necessitated by the disturbance of the archaeological resource, to protect it from further disturbance;
(6) Examination and analysis of the archaeological resource including recording remaining archaeological information, where necessitated by disturbance, in order to salvage remaining values which cannot be otherwise conserved;
(8) Preparation of reports relating to any of the above activities.
§ 700.831 Assessment of civil penalties. 

(a) The Federal Land Manager may assess a civil penalty against any person who has violated any prohibition contained in § 700.807 or who has violated any term or condition included in a permit issued in accordance with the Act and this part.

(b) Notice of violation. The Federal Land Manager shall serve a notice of violation upon any person believed to be subject to a civil penalty, either in person or by registered or certified mail (return receipt requested). The Federal Land Manager shall include in the notice:

1. A concise statement of the facts believed to show a violation;
2. A specific reference to the provision(s) of this part or to a permit issued pursuant to this part allegedly violated;
3. The amount of penalty proposed to be assessed, including any initial proposal to mitigate or remit where appropriate, or a statement that notice of the proposed penalty amount will be served after the damages associated with the alleged violation have been ascertained;
4. Notification of the right to file a petition for relief pursuant to paragraph (d) of this section, or to await the Federal Land Manager’s notice of assessment, and to request a hearing in accordance with paragraph (g) of this section. The notice shall also inform the person of the right to seek judicial review of any final administrative decision assessing a civil penalty.

(c) The person served with a notice of violation shall have 45 calendar days from the date of its service (or of a proposed penalty amount, if later) in which to respond. During this time the person may:

1. Seek informal discussions with the Federal Land Manager;
2. File a petition for relief in accordance with paragraph (d) of this section;
3. Take no action and await the Federal Land Manager’s notice of assessment;
4. Accept in writing or by payment the proposed penalty, or any mitigation or remission offered in the notice. Acceptance of the proposed penalty or mitigation or remission shall be deemed a waiver of the notice of assessment and of the right to request a hearing under paragraph (g) of this section.

(d) Petition for relief. The person served with a notice of violation may request that no penalty be assessed or that the amount be reduced, by filing a petition for relief with the Federal Land Manager within 45 calendar days of the date of service of the notice of violation (or of a proposed penalty amount, if later.) The petition shall be in writing and signed by the person served with the notice of violation. If the person is a corporation, the petition must be signed by an officer authorized to sign such documents. The petition shall set forth in full the legal or factual basis for the requested relief.

(e) Assessment of penalty. (1) The Federal Land Manager shall assess a civil penalty upon expiration of the period for filing a petition for relief, upon completion of review of any petition filed, or upon completion or informal discussions, whichever is later.

2. The Federal Land Manager shall take into consideration all available information, including information provided pursuant to paragraphs (c) and (d) of this section or furnished upon further request by the Federal Land Manager.

3. If the facts warrant a conclusion that no violation has occurred, the Federal Land Manager shall so notify the person served with a notice of violation, and no penalty shall be assessed.

4. Where the facts warrant a conclusion that a violation has occurred, the Federal Land Manager shall determine a penalty amount in accordance with § 700.831.

(f) Notice of assessment. The Federal Land Manager shall notify the person served with a notice of violation of the penalty amount assessed by serving a written notice of assessment, either in person or by registered or certified mail (return receipt requested). The Federal Land Manager shall include the following in the notice of assessment:

1. The facts and conclusions from which it was determined that a violation did occur;
2. The basis in §700.831 for determining the penalty amount assessed.
§ 700.833 and/or any offer to mitigate or remit
the penalty; and

(3) Notification of the right to request a hearing, including the procedures to be followed, and to seek judicial review of any final administrative decision assessing a civil penalty.

(g) Hearings. (1) Except where the right to request a hearing is deemed to have been waived as provided in paragraph (c)(4) of this section, the person served with a notice of assessment may file a written request for a hearing with the adjudicatory body specified in the notice. The person shall enclose with the request for hearing a copy of the notice of assessment, and shall deliver the request, as specified in the notice of assessment, personally or by registered or certified mail (return receipt requested).

(2) Failure to deliver a written request for a hearing within 45 days of the date of service of the notice of assessment shall be deemed a waiver of the right to a hearing.

(3) Any hearing conducted pursuant to this section shall be held in accordance with 5 U.S.C. 554. In any such hearing, the amount of civil penalty assessed shall be determined in accordance with this part, and shall not be limited by the amount assessed by the Federal Land Manager under paragraph (f) of this section or of any offer of mitigation or remission made by the Federal Land Manager.

(h) Final administrative decision. (1) Where the person served with a notice of violation has accepted the penalty pursuant to paragraph (c)(4) of this section, the notice of violation shall constitute the final administrative decision;

(2) Where the person served with a notice of assessment has not filed a timely request for a hearing pursuant to paragraph (g)(1) of this section, the notice of assessment shall constitute the final administrative decision;

(3) Where the person served with a notice of assessment has filed a timely request for hearing pursuant to paragraph (g)(1) of this section, the decision resulting from the hearing or any applicable administrative appeal therefrom shall constitute the final administrative decision.

(i) Payment of penalty. (1) The person assessed a civil penalty shall have 45 calendar days from the date of issuance of the final administrative decision in which to make full payment of the penalty assessed, unless a timely request for appeal has been filed with a U.S. District Court, as provided in section 7(b)(1) of the Act.

(2) Upon failure to pay the penalty, the Federal Land Manager may request the Attorney General to institute a civil action to collect the penalty in a U.S. District Court for any district in which the person assessed a civil penalty is found, resides, or transacts business. Where the Federal Land Manager is not represented by the Attorney General, a civil action may be initiated directly by the Federal Land Manager.

(j) Other remedies not waived. Assessment of a penalty under this section shall not be deemed a waiver of the right to pursue other available legal or administrative remedies.

§ 700.833 Civil penalty amounts.

(a) Maximum amount of penalty. (1) Where the person being assessed a civil penalty has not committed any previous violation of any prohibition in §700.807 or of any term or condition included in a permit issued pursuant to this part, the maximum amount of the penalty shall be the full cost of restoration and repair of archaeological resources damaged plus the commercial value of archaeological resources destroyed or not recovered.

(2) Where the person being assessed a civil penalty has committed any previous violation of any prohibition in §700.807 or of any term or condition included in a permit issued pursuant to this part, the maximum amount of the penalty shall be double the cost of restoration and repair plus double the commercial value of archaeological resources destroyed or not recovered.

(3) Violations limited to the removal of arrowheads located on the surface of the ground shall not be subject to the penalties prescribed in this section.

(b) Determination of penalty amount, mitigation, and remission. The Federal Land Manager may assess a penalty amount less than the maximum amount of penalty and may offer to mitigate or remit the penalty.
(1) Determination of penalty amount and/or a proposal to mitigate or remit the penalty may be based upon any of the following factors.

(i) Agreement by the person being assessed a civil penalty to return to the Federal Land Manager and ultimately to the Navajo Nation archaeological resources removed from the New Lands.

(ii) Agreement by the person being assessed a civil penalty to assist the Federal Land Manager in activity to preserve, restore, or otherwise contribute to the protection and study of archaeological resources on the New Lands.

(iii) Agreement by the person being assessed a civil penalty to provide information which will assist in the detection, prevention, or prosecution of violations of the Act or this part;

(iv) Demonstration of hardship or inability to pay, provided that this factor shall only be considered when the person being assessed a civil penalty has not been found to have previously violated the regulations in this part;

(v) Determination that the person being assessed a civil penalty did not willfully commit the violation.

(vi) Determination that the proposed penalty would constitute excessive punishment under the circumstances.

(vii) Determination of other mitigating circumstances appropriate to consideration in reaching a fair and expeditious assessment.

(2) The Federal Land Manager shall consult with and consider the interests of the Navajo Nation prior to proposing to mitigate or remit the penalty.

§ 700.835 Other penalties and rewards.

(a) Section 6 of the Act contains criminal prohibitions and provisions for criminal penalties. Section 8(b) of the Act provides that archaeological resources, vehicles, or equipment involved in a violation may be subject to forfeiture.

(b) Section 8(a) of the Act provides for rewards to be made to persons who furnish information which leads to conviction for a criminal violation or to assessment of a civil penalty. The Federal Land Manager may certify to the Secretary of the Treasury that a person is eligible to receive payment. Officers and employees of Federal, State, or tribal government who furnish information or render services in the performance of their official duties, and persons who have provided information under §700.833(b)(1)(iii) shall not be certified eligible to receive payment of rewards.

(c) All civil penalty monies and any item forfeited under the provisions of this section shall be transferred to the Navajo Nation.

§ 700.837 Confidentiality of archaeological resource information.

The Federal Land Manager shall not make available to the public under subchapter II of chapter 5 of title 5 of the United States Code or any other provisions of law, information concerning the nature and location of any archaeological resource, with the following exceptions:

(a) The Federal Land Manager may make information available, provided that the disclosure will further the purposes of the Act and this part, or the Act of June 27, 1960, as amended (16 U.S.C. 469–469c) without risking harm to the archaeological resource or to the site in which it is located.

(b) With the concurrence of the Navajo Nation, the Federal Land Manager shall make information available, when the Governor of any State has submitted to the Federal Land Manager a written request for information concerning the archaeological resources within the requesting Governor’s state; provided that the request includes:

(1) The specific archaeological resource or area about which information is sought.

(2) The purpose for which the information is sought; and

(3) The Governor’s written commitment to adequately protect the confidentiality of the information.

§ 700.839 Report.

Each Federal Land Manager, when requested by the Secretary of the Interior, shall submit such information as is necessary to enable the Secretary to comply with section 13 of the Act.
§ 700.841 Determination of loss or absence of archaeological interest.

(a) Under certain circumstances, a Federal land manager may determine, pursuant to §700.805(a)(5) of this part, that certain material remains are not or are no longer of archaeological interest, and therefore not to be considered archaeological resources under this part.

(b) The Federal land manager may make such a determination if he/she finds that the material remains are not capable of providing scientific or humanistic understandings of past human behavior, cultural adaptation, and related topics.

(c) Prior to making a determination that material remains are not or are no longer archaeological resources, the Federal land manager shall ensure that the following procedures are completed.

(1) A professional archaeological evaluation of material remains and similar materials within the area under consideration shall be completed, consistent with the Secretary of Interior’s Standards and Guidelines for Archaeology and Historic Preservation and with the 36 CFR parts 60, 63, and 65.

(2) The principal Office archaeologist or, in the absence of a principal Office archaeologist, the Office Consulting Archaeologist, shall establish whether the material remains under consideration contribute to scientific or humanistic understandings of past human behavior, cultural adaptation and related topics. The principal Office archaeologist or the Office Consulting Archaeologist, as appropriate, shall make a recommendation to the Federal land manager concerning these material remains.

(d) The Federal land manager shall make the determination based upon the facts established by and the recommendation of the principal Office archaeologist or the Office Consulting Archaeologist, as appropriate, and shall fully document the basis therefor, including consultation with Indian tribes for determinations regarding sites of religious or cultural importance.

(e) The Federal land manager shall make public notice of the determination and its limitations, including any permitting requirements, for activities associated with the materials determined not to be archaeological resources for the purposes of this part.

(f) Any interested individual may request in writing that the Office Consulting Archaeologist review any final determination by the Federal land manager that certain remains are not, or are no longer, archaeological resources. Two (2) copies of the request should be sent to the Office Consulting Archaeologist, care of Land Use Manager, Office of Navajo and Hopi Indian Relocation, PO Box KK, Flagstaff, AZ 86002, and should document why the requester disagrees with the determination of the Federal land manager. The Office Consulting Archaeologist shall review the request, and, if appropriate, shall review the Federal land manager’s determination and its supporting documentation. Based upon this review, the Departmental Consulting Archaeologist shall prepare a final professional recommendation, and shall transmit the recommendation and the basis therefor to the head of the bureau for further consideration within 60 days of the receipt of the request.

(g) Any determination made pursuant to this section shall in no way affect the Federal land manager’s obligations under other applicable laws or regulations.

§ 700.843 Permitting procedures for Navajo Nation Lands.

(a) Pursuant to the Act and this subpart, the written consent of the Navajo Nation is required. Written consent shall consist of a Navajo Nation permit issued in accordance with the Navajo Nation Code or a resolution of the Navajo Nation Council or delegated committee of that Council.

(b) When Indian tribal lands are involved in an application for a permit or a request for extension or modification of a permit, the consent of the Indian tribal government must be obtained. For Indian allotted lands outside reservation boundaries, consent from only the individual landowner is needed. When multiple-owner allotted lands are involved, consent by more than 50 percent of the ownership interest is
sufficient. For Indian allotted lands within reservation boundaries, consent must be obtained from the Navajo Nation and the individual landowner(s).

(c) The applicant should consult with the Office concerning procedures for obtaining consent from the appropriate Indian tribal authorities and submit the permit application to the Office. The Office shall ensure that consultation with the Navajo Nation or individual Indian landowner regarding terms and conditions of the permit occurs prior to detailed evaluation of the application. Permits shall include terms and conditions requested by the Navajo Nation or Indian landowner pursuant to §700.817 of this part.

(d) The issuance of a permit under this part does not remove the requirement for any other permit by Indian tribal law.

The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

The agency, in making alterations to existing buildings, shall meet accessibility requirements.
to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In cases where a physical alteration to an historic property is not required because of §720.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987 a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). (c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §720.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

Subpart A—General Provisions

§ 900.1 Authority.

These regulations are prepared, issued, and maintained jointly by the Secretary of Health and Human Services and the Secretary of the Interior, with the active participation and representation of Indian tribes, tribal organizations, and individual tribal members pursuant to the guidance of the Negotiated Rulemaking procedures required by section 107 of the Indian Self-Determination and Education Assistance Act.

§ 900.2 Purpose and scope.

(a) General. These regulations codify uniform and consistent rules for contracts by the Department of Health and Human Services (DHHS) and the Department of the Interior (DOI) in implementing title I of the Indian Self-Determination and Education Assistance Act, Public Law 93–638, 25 U.S.C. 450 et seq., as amended and sections 1 through 9 preceding that title.

(b) Programs funded by other Departments and agencies. Included under this part are programs administered (under current or future law or interagency agreement) by the DHHS and the DOI for the benefit of Indians for which appropriations are made to other Federal agencies.

(c) This part included in contracts by reference. Each contract, including grants and cooperative agreements in lieu of contracts awarded under section 9 of the Act, shall include by reference the provisions of this part, and any amendment thereto, and they are binding on the Secretary and the contractor except as otherwise specifically authorized by a waiver under section 107(e) of the Act.

(d) Freedom of Information. Access to records maintained by the Secretary is governed by the Freedom of Information Act (5 U.S.C. 552) and other applicable Federal law. Except for previously provided copies of tribal records that the Secretary demonstrates are clearly required to be maintained as part of the record keeping systems of the DHHS or the DOI, or both, records of the contractors (including archived records) shall not be considered Federal records for the purpose of the Freedom of Information Act. The Freedom of Information Act does not apply to records maintained solely by Indian tribes and tribal organizations.

(e) Privacy Act. Section 108(b) of the Indian Self-Determination Act states that records of the tribal government or tribal organizations shall not be considered Federal records for the purposes of the Privacy Act.

(f) Information collection. The Office of Management and Budget has approved, under 44 U.S.C. chapter 35, the information collection requirements in part 900 under assigned control number 1076–0136. The information for part 900 is being collected and used by the Departments to determine applicant eligibility, evaluate applicant capabilities, protect the service population, safeguard Federal funds and other resources, and permit the Departments to administer and evaluate contract programs.

§ 900.3 Policy statements.

(a) Congressional policy. (1) Congress has recognized the obligation of the United States to respond to the strong expression of the Indian people for self-determination by assuring maximum Indian participation in the direction, planning, conduct and administration of educational as well as other Federal programs and services to Indian communities so as to render such programs and services more responsive to the needs and desires of those communities.

(2) Congress has declared its commitment to the maintenance of the Federal Government’s unique and continuing relationship with, and responsibility to, individual Indian tribes and to the Indian people as a whole through
§ 900.3 25 CFR Ch. V (4–1–02 Edition)

the establishment of a meaningful Indian self-determination policy which will permit an orderly transition from the Federal domination of programs for, and services to, Indians to effective and meaningful participation by the Indian people in the planning, conduct, and administration of those programs and services. In accordance with this policy, the United States is committed to supporting and assisting Indian tribes in the development of strong and stable tribal governments, capable of administering quality programs and developing the economies of their respective communities.

(3) Congress has declared that a major national goal of the United States is to provide the quantity and quality of educational services and opportunities which will permit Indian children to compete and excel in the life areas of their choice, and to achieve the measure of self-determination essential to their social and economic well-being.

(4) Congress has declared that the programs, functions, services, or activities that are contracted and funded under this Act shall include administrative functions of the Department of the Interior and the Department of Health and Human Services (whichever is applicable) that support the delivery of services to Indians, including those administrative activities supportive of, but not included as part of, the service delivery programs described in this paragraph that are otherwise contractible. The administrative functions referred to in the preceding sentence shall be contractible without regard to the organizational level within the Department that carries out such functions. Contracting of the administrative functions described herein shall not be construed to limit or reduce in any way the funding for any program, function, service, or activity serving any other tribe under the Act or any other law. The Secretary is not required to reduce funding for programs, projects, or activities serving a tribe to make funds available to another Indian tribe or tribal organization under this Act.

(5) Congress has further declared that each provision of contracts entered into thereunder shall be liberally construed for the benefit of the tribes or tribal organizations to transfer the funding and the related functions, services, activities, and programs (or portions thereof), that are otherwise contractible under the Act, including all related administrative functions, from the Federal government to the contractor.

(6) Congress has declared that one of the primary goals of the 1994 amendments to the Act was to minimize the reporting requirements applicable to tribal contractors and to eliminate excessive and burdensome reporting requirements. Reporting requirements over and above the annual audit report are to be negotiated with disagreements subject to the declination procedures of section 102 of the Act.

(7) Congress has declared that there not be any threshold issues which would avoid the declination, contract review, approval, and appeal process.

(8) Congress has declared that all self-determination contract proposals must be supported by the resolution of an Indian tribe(s).

(9) Congress has declared that to the extent that programs, functions, services, and activities carried out by tribes and tribal organizations pursuant to contracts entered into under this Act reduce the administrative or other responsibilities of the Secretary with respect to the operation of Indian programs and result in savings that have not otherwise been included in the amount of contract funds determined under section 106(a) of the Act, the Secretary shall make such savings available for the provision of additional services to program beneficiaries, either directly or through contractors, in a manner equitable to both direct and contracted programs.

(b) Secretarial policy. (1) It is the policy of the Secretary to facilitate the efforts of Indian tribes and tribal organizations to plan, conduct and administer programs, functions, services and activities, or portions thereof, which the Departments are authorized to administer for the benefit of Indians because of their status as Indians. The Secretary shall make best efforts to remove any obstacles which might hinder Indian tribes and tribal organizations including obstacles that hinder tribal
autonomy and flexibility in the administration of such programs.

(2) It is the policy of the Secretary to encourage Indian tribes and tribal organizations to become increasingly knowledgeable about the Departments’ programs administered for the benefit of Indians by providing information on such programs, functions and activities and the opportunities Indian tribes have regarding them.

(3) It is the policy of the Secretary to provide a uniform and consistent set of rules for contracts under the Act. The rules contained herein are designed to facilitate and encourage Indian tribes to participate in the planning, conduct, and administration of those Federal programs serving Indian people. The Secretary shall afford Indian tribes and tribal organizations the flexibility, information, and discretion necessary to design contractible programs to meet the needs of their communities consistent with their diverse demographic, geographic, economic, cultural, health, social, religious and institutional needs.

(4) The Secretary recognizes that contracting under the Act is an exercise by Indian tribes of the government-to-government relationship between the United States and the Indian tribes. When an Indian tribe contracts, there is a transfer of the responsibility with the associated funding. The tribal contractor is accountable for managing the day-to-day operations of the contracted Federal programs, functions, services, and activities. The contracting tribe thereby accepts the responsibility and accountability to the beneficiaries under the contract with respect to use of the funds and the satisfactory performance of the programs, functions, services and activities funded under the contract. The Secretary will continue to discharge the trust responsibilities to protect and conserve the trust resources of Indian tribes and the trust resources of individual Indians.

(5) The Secretary recognizes that tribal decisions to contract or not to contract are equal expressions of self-determination.

(6) The Secretary shall maintain consultation with tribal governments and tribal organizations in the Secretary’s budget process relating to programs, functions, services and activities subject to the Act. In addition, on an annual basis, the Secretary shall consult with, and solicit the participation of, Indian tribes and tribal organizations in the development of the budget for the Indian Health Service and the Bureau of Indian Affairs (including participation of Indian tribes and tribal organizations in formulating annual budget requests that the Secretary submits to the President for submission to Congress pursuant to section 1105 of title 31, United States Code).

(7) The Secretary is committed to implementing and fully supporting the policy of Indian self-determination by recognizing and supporting the many positive and successful efforts and directions of tribal governments and extending the applicability of this policy to all operational components within the Department. By fully extending Indian self-determination contracting to all operational components within the Department having programs or portions of programs for the benefit of Indians under section 102(a)(1) (A) through (D) and for the benefit of Indians because of their status as Indians under section 102(a)(1)(E), it is the Secretary’s intent to support and assist Indian tribes in the development of strong and stable tribal governments capable of administering quality programs that meet the tribally determined needs and directions of their respective communities. It is also the policy of the Secretary to have all other operational components within the Department work cooperatively with tribal governments on a government-to-government basis so as to expedite the transition away from Federal domination of Indian programs and make the ideals of Indian self-government and self-determination a reality.

(8) It is the policy of the Secretary that the contractibility of programs under this Act should be encouraged. In this regard, Federal laws and regulations should be interpreted in a manner that will facilitate the inclusion of those programs or portions of those programs that are for the benefit of Indians under section 102(a)(1) (A) through (D) of the Act, and that are for...
§ 900.4 Effect on existing tribal rights.

Nothing in these regulations shall be construed as:

(a) Affecting, modifying, diminishing, or otherwise impairing the sovereign immunity from suit enjoyed by Indian tribes;

(b) Terminating, waiving, modifying, or reducing the trust responsibility of the United States to the Indian tribe(s) or individual Indians. The Secretary shall act in good faith in upholding this trust responsibility;

(c) Mandating an Indian tribe to apply for a contract(s) or grant(s) as described in the Act; or

(d) Impeding awards by other Departments and agencies of the United States to Indian tribes to administer Indian programs under any other applicable law.

§ 900.5 Effect of these regulations on Federal program guidelines, manual, or policy directives.

This subpart explains how and under what circumstances the Secretary may decline a proposal to contract, to amend an existing contract, to renew an existing contract, to redesign a program, or to waive any provisions of these regulations. For annual funding agreements, see § 900.32.

§ 900.21 When can a proposal be declined?
As explained in §§ 900.16 and 900.17, a proposal can only be declined within 90 days after the Secretary receives the proposal, unless that period is extended with the voluntary and express written consent of the Indian tribe or tribal organization.

The Secretary may only decline to approve a proposal for one of five specific reasons:
(a) The service to be rendered to the Indian beneficiaries of the particular program or function to be contracted will not be satisfactory;

(c) The proposed project or function to be contracted for cannot be properly completed or maintained by the proposed contract;
(d) The amount of funds proposed under the contract is in excess of the applicable funding level for the contract, as determined under section 106(a) of the Act; or

No. The Secretary may only decline a proposal based upon one or more of the five reasons listed above. If a contract affects the preexisting level of services to any other tribe, the Secretary shall address that effect in the Secretary’s annual report to Congress under section 106(c)(6) of the Act.

§ 900.25 What if only a portion of a proposal raises one of the five declination criteria?

The Secretary must approve any severable portion of a proposal that does not support a declination finding described in § 900.20, subject to any alteration in the scope of the proposal that the Secretary and the Indian tribe or tribal organization approve.

§ 900.26 What happens if the Secretary declines a part of a proposal on the ground that the proposal proposes in part to plan, conduct, or administer a program, function, service or activity that is beyond the scope of programs covered under section 102(a) of the Act, or proposes a level of funding that is in excess of the applicable level determined under section 106(a) of the Act?

In those situations the Secretary is required, as appropriate, to approve the portion of the program, function, service, or activity that is authorized under section 102(a) of the Act, or approve a level of funding that is authorized under section 106(a) of the Act. As noted in § 900.25, the approval is subject to any alteration in the scope of the proposal that the Secretary and the Indian tribe or tribal organization approve.

§ 900.27 If an Indian tribe or tribal organization elects to contract for a severable portion of a proposal, does the Indian tribe or tribal organization lose its appeal rights to challenge the portion of the proposal that was declined?

No, but the hearing and appeal procedures contained in these regulations only apply to the portion of the proposal that was declined.

§ 900.28 Is technical assistance available to an Indian tribe or tribal organization to avoid declination of a proposal?

(b) To advise the Indian tribe or tribal organization in writing of the rights described in § 900.31.
§ 900.30 When the Secretary declines all or a portion of a proposal, is the Secretary required to provide an Indian tribe or tribal organization with technical assistance?

§ 900.31 When the Secretary declines all or a portion of a proposal, is an Indian tribe or tribal organization entitled to any appeal?

The Indian tribe or tribal organization is entitled to an appeal on the objections raised by the Secretary, with an agency hearing on the record, and the right to engage in full discovery relevant to any issue raised in the matter. The procedures for appeals are in subpart L of these regulations. Alternatively, at its option the Indian tribe or tribal organization has the right to sue in Federal district court to challenge the Secretary’s decision.

§ 900.32 Can the Secretary decline an Indian tribe or tribal organization’s proposed successor annual funding agreement?

No. If it is substantially the same as the prior annual funding agreement (except for funding increases included in appropriations acts or funding reductions as provided in section 106(b) of the Act) and the contract is with DHHS or the BIA, the Secretary shall approve and add to the contract the full amount of funds to which the contractor is entitled, and may not decline, any portion of a successor annual funding agreement. Any portion of an annual funding agreement proposal which is not substantially the same as that which was funded previously (e.g., a redesign proposal; waiver proposal; different proposed funding amount; or different program, service, function, or activity), or any annual funding agreement proposal which pertains to a contract with an agency of DOI other than the BIA, is subject to the declination criteria and procedures in subpart E. If there is a disagreement over the availability of appropriations, the Secretary may decline the proposal in part under the procedure in subpart E.

§ 900.33 Are all proposals to renew term contracts subject to the declination criteria?

Department of Health and Human Services and the Bureau of Indian Affairs will not review the renewal of a term contract for declination issues where no material and substantial change to the scope or funding of a program, functions, services, or activities has been proposed by the Indian tribe or tribal organization. Proposals to renew term contracts with DOI agencies other than the Bureau of Indian Affairs may be reviewed under the declination criteria.

§ 900.36 What requirements are imposed upon Indian tribes or tribal organizations by this subpart?

When carrying out self-determination contracts, Indian tribes and tribal organizations shall develop, implement, and maintain systems that meet these minimum standards, unless one or more of the standards have been waived, in whole or in part, under section 107(e) of the Act and subpart K.

(b) Systems are the procedural mechanisms and processes for the day-to-day conduct of an activity. Systems are "how" the activity will be accomplished.

§ 900.40 When are Indian tribe or tribal organization management standards and management systems evaluated?

(a) Management standards are evaluated by the Secretary when the Indian tribe or tribal organization submits an initial contract proposal.

(b) Management systems are evaluated by an independent auditor through the annual single agency audit report that is required by the Act and OMB Circular A-128.

Indian tribes and tribal organizations shall have standards that conform to the standards in this subpart. If the Indian tribe or tribal organization relies upon standards different than those described below, it shall identify the standards it will use as a proposed waiver in the initial contract proposal or as a waiver request to an existing contract.

§ 900.48 If the Indian tribe or tribal organization does not propose different standards, what basic standards shall the Indian tribe or tribal organization follow?

The Indian tribe or tribal organization may exempt a financial interest that is not substantial or a gift that is an unsolicited item of nominal value.

(3) These standards shall also provide for penalties, sanctions, or other disciplinary actions for violations of the standards.

(c) The Indian tribe or tribal organization shall review proposed procurements to avoid buying unnecessary or duplicative items and ensure the reasonableness of the price. The Indian tribe or tribal organization should consider consolidating or breaking out procurement to obtain more economical purchases. Where appropriate, the Indian tribe or tribal organization shall compare leasing and purchasing alternatives to determine which is more economical.

(d) State the process for making any claim, the payments to be made, and the terms of the contract, which shall be fixed; and
(e) Be subject to sections 7 (b) and (c) of the Act.

§ 900.50 What Federal laws, regulations, and Executive Orders apply to subcontractors?

Certain provisions of the Act as well as other applicable Federal laws, regulations, and Executive Orders apply to subcontracts awarded under self-determination contracts. As a result, subcontracts should contain a provision informing the recipient that their award is funded with Indian Self-Determination Act funds and that the recipient is responsible for identifying and ensuring compliance with applicable Federal laws, regulations, and Executive Orders. The Secretary and the Indian tribe or tribal organization may, through negotiation, identify all or a portion of such requirements in the self-determination contract and, if so identified, these requirements should be identified in subcontracts.

§ 900.51 What is an Indian tribe or tribal organization’s property management system expected to do?

An Indian tribe or tribal organization’s property management system shall account for all property furnished or transferred by the Secretary for use under a self-determination contract or acquired with contract funds. The property management system shall contain requirements for the use, care, maintenance, and disposition of Federally-owned and other property as follows:

§ 900.52 What type of property is the property management system required to track?

The property management system of the Indian tribe or tribal organization shall track:
(a) Personal property with an acquisition value in excess of $5,000 per item;

(c) Real property provided by the Secretary for use under the contract.

§ 900.53 What kind of records shall the property management system maintain?

The property management system shall maintain records that accurately describe the property, including any serial number or other identification number. These records should contain information such as the source, titleholder, acquisition date, cost, share of Federal participation in the cost, location, use and condition of the property, and the date of disposal and sale price, if any.
§ 900.54 Should the property management system prescribe internal controls?

Yes. Effective internal controls should include procedures:
(a) For the conduct of periodic inventories;
(b) To prevent loss or damage to property; and
(c) To ensure that property is used for an Indian tribe or tribal organization's self-determination contract(s) until the property is declared excess to the needs of the contract consistent with the Indian tribe or tribal organization's property management system.

§ 900.55 What are the standards for inventories?

A physical inventory should be conducted at least once every 2 years. The results of the inventory shall be reconciled with the Indian tribe or tribal organization's internal property and accounting records.

§ 900.56 What maintenance is required for property?

Required maintenance includes the performance of actions necessary to keep the property in good working condition, the procedures recommended by equipment manufacturers, and steps necessary to protect the interests of the contractor and the Secretary in any express warranties or guarantees covering the property.

§ 900.57 What if the Indian tribe or tribal organization chooses not to take title to property furnished or acquired under the contract?

If the Indian tribe or tribal organization chooses not to take title to property furnished by the government or acquired with contract funds, title to the property remains vested in the Secretary. A list of Federally-owned property to be used under the contract shall be included in the contract.

§ 900.58 Do the same accountability and control procedures described above apply to Federal property?

Yes, except that requirements for the inventory and disposal of Federal property are different.

§ 900.59 How are the inventory requirements for Federal property different than for tribal property?

There are three additional requirements:
(a) The Indian tribe or tribal organization shall conduct a physical inventory of the Federally-owned property and reconcile the results with the Indian tribe or tribal organization's property records annually, rather than every 2 years;
(b) Within 90 days following the end of an annual funding agreement, the Indian tribe or tribal organization shall certify and submit to the Secretary an annual inventory of all Federally-owned real and personal property used in the contracted program; and
(c) The inventory shall report any increase or decrease of $5,000 or more in the value of any item of real property.

§ 900.60 How does an Indian tribe or tribal organization dispose of Federal personal property?

The Indian tribe or tribal organization shall report to the Secretary in writing any Federally-owned personal property that is worn out, lost, stolen, damaged beyond repair, or no longer needed for the performance of the contract.
(a) The Indian tribe or tribal organization shall state whether the Indian tribe or tribal organization wants to dispose of or return the property.
(b) If the Secretary does not respond within 60 days, the Indian tribe or tribal organization may return the property to the Secretary, who shall accept transfer, custody, control, and responsibility for the property (together with all associated costs).

Subpart G—Programmatic Reports and Data Requirements

§ 900.65 What programmatic reports and data shall the Indian tribe or tribal organization provide?

Unless required by statute, there are no mandatory reporting requirements. Each Indian tribe or tribal organization shall negotiate with the Secretary the type and frequency of program narrative and program data report(s)
which respond to the needs of the contracting parties and that are appropriate for the purposes of the contract. The extent of available resources will be a consideration in the negotiations.

§ 900.66 What happens if the Indian tribe or tribal organization and the Secretary cannot come to an agreement concerning the type and/or frequency of program narrative and/or program data report(s)?

Any disagreements over reporting requirements are subject to the declination criteria and procedures in section 102 of the Act and subpart E.

§ 900.67 Will there be a uniform data set for all IHS programs?

IHS will work with Indian tribe or tribal organization representatives to develop a mutually defined uniform subset of data that is consistent with Congressional intent, imposes a minimal reporting burden, and which responds to the needs of the contracting parties.

§ 900.68 Will this uniform data set be required of all Indian tribe or tribal organizations contracting with the IHS under the Act?

No. The uniform data set, applicable to the services to be performed, will serve as the target for the Secretary and the Indian tribes or tribal organizations during individual negotiations on program data reporting requirements.

Government-furnished property, contractor-purchased property and excess BIA and IHS property donated to an Indian tribe or tribal organization to which an Indian tribe or tribal organization holds title shall remain eligible for replacement funding to the same extent as if title to that property were held by the United States.

Subpart J—Construction

§ 900.110 What does this subpart cover?

(a) This subpart establishes requirements for issuing fixed-price or cost-reimbursable contracts to provide: design, construction, repair, improvement, expansion, replacement, erection of new space, or demolition and other related work for one or more Federal facilities. It applies to tribal facilities where the Secretary is authorized by law to design, construct and/or renovate, or make improvements to such tribal facilities.

(b) Activities covered by construction contracts under this subpart are: design and architectural/engineering services, construction project management, and the actual construction of the building or facility in accordance with the construction documents, including all labor, materials, equipment, and services necessary to complete the work defined in the construction documents.

(1) Such contracts may include the provision of movable equipment, telecommunications and data processing equipment, furnishings (including works of art), and special purpose equipment, when part of a construction contract let under this subpart.

(2) While planning services and construction management services as defined in §900.113 may be included in a construction contract under this subpart, they may also be contracted separately using the model agreement in section 108 of the Act.

§ 900.111 What activities of construction programs are contractible?

The Secretary shall, upon the request of any Indian tribe or tribal organization authorized by tribal resolution, enter into a self-determination contract to plan, conduct, and administer construction programs or portions thereof.
§ 900.112 What are construction phases?

(a) Construction programs generally include the following activities in phases which can vary by funding source (an Indian tribe or tribal organization should contact its funding source for more information regarding the conduct of its program):

1. The preplanning phase. The phase during which an initial assessment and determination of project need is made and supporting information collected for presentation in a project application. This project application process is explained in more detail in § 900.122;

2. The planning phase. The phase during which planning services are provided. This phase can include conducting and preparing a detailed needs assessment, developing justification documents, completing and/or verifying master plans, conducting predesign site investigations and selection, developing budget cost estimates, conducting feasibility studies, and developing a Project Program of Requirements (POR);

3. The design phase. The phase during which licensed design professional(s) using the POR as the basis for design of the project, prepare project plans, specifications, and other documents that are a part of the construction documents used to build the project. Site investigation and selection activities are completed in this phase if not conducted as part of the planning phase.

4. The construction phase. The phase during which the project is constructed. The construction phase includes providing the labor, materials, equipment, and services necessary to complete the work in accordance with the construction documents prepared as part of the design phase.

(b) The following activities may be part of phases described in paragraphs (a)(2), (a)(3), and (a)(4) of this section:

1. Management; and

2. Environmental, archeological, cultural resource, historic preservation, and similar assessments and associated activities.

§ 900.113 Definitions.

(a) Construction contract means a fixed-price or cost-reimbursement self-determination contract for a construction project, except that such term does not include any contract:

1. That is limited to providing planning services and construction management services (or a combination of such services);

2. For the Housing Improvement Program or roads maintenance program of the Bureau of Indian Affairs administered by the Secretary of the Interior; or

3. For the health facility maintenance and improvement program administered by the Secretary of Health and Human Services.

(b) Construction management services (CMS) means activities limited to administrative support services; coordination; and monitoring oversight of the planning, design, and construction process. An Indian tribe or tribal organization’s employee or construction management services consultant (typically an engineer or architect) performs such activities as:

1. Coordination and information exchange between the Indian tribe or tribal organization and the Federal government;

2. Preparation of Indian tribe or tribal organization’s construction contract proposals;

3. Indian tribe or tribal organization subcontract scope of work identification and subcontract preparation, and competitive selection of Indian tribe or tribal organization construction contract subcontractors (see § 900.110);

4. Review of work to ensure compliance with the POR and/or the construction contract. This does not involve construction project management as defined in paragraph (d) of this section.

(c) Construction programs include programs for the planning, design, construction, repair, improvement, and expansion of buildings or facilities, including but not limited to, housing, law enforcement and detention facilities, sanitation and water systems, roads, schools, administration and health facilities, irrigation and agricultural work, water conservation, flood control, and port facilities, and environmental, archeological, cultural resource, historic preservation, and conduct of similar assessments.
§ 900.114 Construction project management means direct responsibility for the construction project through day-to-day on-site management and administration of the project. Activities may include cost management, project budgeting, project scheduling, procurement services.

(e) Design means services performed by licensed design professionals related to preparing drawings, specifications, and other design submissions specified in the contract, as well as services provided by or for licensed design professionals during the bidding/negotiating, construction, and operational phases of the project.

(f) Planning services means activities undertaken to support agency and/or Congressional funding of a construction project. Planning services may include performing a needs assessment, completing and/or verifying master plans, developing justification documents, conducting pre-design site investigations, developing budget cost estimates, conducting feasibility studies as needed and completion of approved justification documents and a program of requirements (POR) for the project.

(g) Program of Requirements (POR) is a planning document developed during the planning phase for an individual project. It provides background about the project: site information; programmatic needs; and, for facilities projects, a detailed room-by-room listing of spaces, including net and gross sizes, finish materials to be used, furnishings and equipment, and other information and design criteria on which to base the construction project documents.

(h) Scope of work means the description of the work to be provided through a contract issued under this subpart and the methods and processes to be used to accomplish that work. A scope of work is typically developed based on criteria provided in a POR during the design phase, and project construction documents (plans and specifications) during the construction phase.

§ 900.115 Why is there a separate subpart in these regulations for construction contracts and grants?

There is a separate subpart because the Act differentiates between construction contracts and the model agreement in section 108 of the Act which is required for contracting other activities. Construction contracts are separately defined in the Act and are subject to a separate proposal and review process.

§ 900.115 How do self-determination construction contracts relate to ordinary Federal procurement contracts?

(a) A self-determination construction contract is a government-to-government agreement that transfers control of the construction project, including administrative functions, to the contracting Indian tribe or tribal organization to facilitate effective and meaningful participation by the Indian tribe or tribal organization in planning, conducting, and administering the construction project, and so that the construction project is responsive to the true needs of the Indian community. The Secretary’s role in the conduct of a contracted construction project is limited to the Secretary’s responsibilities set out in §900.131.

(b) Self-determination construction contracts are not traditional “procurement” contracts.

(1) With respect to a construction contract (or a subcontract of such a construction contract), the provisions of the Office of Federal Procurement Policy Act (41 U.S.C. 401 et seq.) and the regulations promulgated under that Act, shall apply to a construction contract or subcontract only to the extent that application of the provision is:

(i) Necessary to ensure that the contract may be carried out in a satisfactory manner;

(ii) Directly related to the construction activity; and

(iii) Not inconsistent with the Act.

(2) A list of the Federal requirements that meet the requirements of this
§ 900.116 Are negotiated fixed-price contracts treated the same as cost-reimbursable contracts?

Yes, except that in negotiated fixed-price construction contracts, appropriate clauses shall be negotiated to allocate properly the contract risks between the government and the contractor.

§ 900.117 Do these “construction contract” regulations apply to planning services?

(a) These regulations apply to planning services contracts only as provided in this section.

(1) The Indian tribe or tribal organization shall submit to the Secretary for review and approval the POR documents produced as a part of a model contract under section 108 of the Act or under a construction contract under this subpart.

(i) Within 60 days after receipt of the POR from the Indian tribe or tribal organization for a project that has achieved priority ranking or that is funded, the Secretary shall:

(A) Approve the POR;

(B) Notify the Indian tribe or tribal organization of and make available any objections to the POR that the Secretary may have; or

(C) Notify the Indian tribe or tribal organization of the reasons why the Secretary will be unable either to approve the POR or to notify the Indian tribe or tribal organization of any objections within 60 days, and state the time within which the notification will be made, provided that the extended time shall not exceed 60 additional days.

(ii) Within a maximum of 180 days after receipt of a POR from an Indian tribe or tribal organization for a project that is not funded and is not described in paragraph (a)(1)(i) of this section, the Secretary shall:

(A) Approve the POR; or

(B) Notify the Indian tribe or tribal organization of and make available any objections to the POR; or

(C) Notify the Indian tribe or tribal organization of the reasons why the Secretary will be unable either to approve the POR or to notify the Indian tribe or tribal organization of any objections within 180 days, and state the time within which the notification will be made, provided that the extended time shall not exceed 60 additional days.

(2) Any failure of the Secretary to act on a POR within the applicable period required in paragraph (a)(1) of this section will be deemed a rejection of the POR and will authorize the commencement of any appeal as provided in section 110 of the Act, or, if a model agreement under section 108 of the Act is used, the disputes provision of that agreement.

(3) If an Indian tribe or tribal organization elects to provide planning services as part of a construction contract rather than under a model agreement as set out in section 108 of the Act, the regulations in this subpart shall apply.

(b) The parties to the contract are encouraged to consult during the development of the POR and following submission of the POR to the Secretary.

§ 900.118 Do these “construction contract” regulations apply to construction management services?

No. Construction management services may be contracted separately under section 108 of the Act. Construction management services consultants and/or Indian tribe or tribal organization employees assist and advise the Indian tribe or tribal organization to implement construction contracts, but have no contractual relationship with or authority to direct construction contract subcontractors.
§ 900.119 To what extent shall the Secretary consult with affected Indian tribes before spending funds for any construction project?

Before spending any funds for a planning, design, construction, or renovation project, whether subject to a competitive application and ranking process or not, the Secretary shall consult with any Indian tribe or tribal organization(s) that would be significantly affected by the expenditure to determine and to follow tribal preferences to the greatest extent feasible concerning: size, location, type, and other characteristics of the project.

§ 900.120 How does an Indian tribe or tribal organization find out about a construction project?

Within 30 days after the Secretary’s allocation of funds for planning phase, design phase, or construction phase activities for a specific project, the Secretary shall notify, by registered mail with return receipt in order to document mailing, the Indian tribe or tribal organization(s) to be benefitted by the availability of the funds for each phase of a project. The Secretarial notice of fund allocation shall offer technical assistance in the preparation of a contract proposal.

(a) The Secretary shall, within 30 days after receiving a request from an Indian tribe or tribal organization, furnish the Indian tribe or tribal organization with all information available to the Secretary about the project including, but not limited to: construction drawings, maps, engineering reports, plans of requirements, cost estimates, environmental assessments, or environmental impact reports and archeological reports.

(b) An Indian tribe or tribal organization is not required to request this information prior to submitting a notification of intent to contract or a contract proposal.

(c) The Secretary shall have a continuing responsibility to furnish information.

§ 900.121 What happens during the preplanning phase and can an Indian tribe or tribal organization perform any of the activities involved in this process?

(a) The application and ranking process for developing a priority listing of projects varies between agencies. There are, however, steps in the selection process that are common to most selection processes. An Indian tribe or tribal organization that wishes to secure a construction project should contact the appropriate agency to determine the specific steps involved in the application and selection process used to fund specific types of projects. When a priority process is used in the selection of construction projects, the steps involved in the application and ranking process are as follows:
§ 900.122 Application.

The agency solicits applications from Indian tribes or tribal organizations. In the request for applications, the Secretary provides specific information regarding the type of project to be funded, the objective criteria that will be used to evaluate applications, the points or weight that each criterion will be assigned, and the time when applications are due. An Indian tribe or tribal organization may prepare the application (technical assistance from the agency, within resources available, shall be provided upon request from an Indian tribe or tribal organization) or may rely upon the agency to prepare the application.

(2) Ranking/Prioritization. The Secretary evaluates the applications based on the criteria provided as part of the application preparation process. The Secretary applies only criteria and weights assigned to each criterion that were disclosed to the Indian tribe or tribal organization during the application stage. The applications are then ranked in order from the application that best meets application criteria to the application that least meet the application criteria.

(3) Validation. Before final acceptance of a ranked application, the information, such as demographic information, deficiency levels reported in application, the condition of existing facilities, and program housing needs, is validated. During this process, additional information may be developed by the Indian tribe or tribal organization in support of the original information or the Secretary may designate a representative of the Department to conduct an on-site review of the information contained in the application.

(b) [Reserved]

§ 900.122 What does an Indian tribe or tribal organization do if it wants to secure a construction contract?

(a) The Act establishes a special process for review and negotiation of proposals for construction contracts which is different than that for other self-determination contract proposals. The Indian tribe or tribal organization should notify the Secretary of its intent to contract. After notification, the Indian tribe or tribal organization should prepare its contract proposal in accordance with the sections of this subpart. While developing its construction contract proposal, the Indian tribe or tribal organization can request technical assistance from the Secretary. Not later than 30 days after receiving a request from an Indian tribe or tribal organization, the Secretary shall provide to the Indian tribe or tribal organization all information available about the construction project, including construction drawings, maps, engineering reports, design reports, plans of requirements, cost estimates, environmental assessments, or environmental impact reports, and archaeological reports. The responsibility of the Secretary to furnish this information shall be a continuing one.

(b) At the request of the Indian tribe or tribal organization and before finalizing its construction contract proposal, the Secretary shall provide for a precontract negotiation phase during the development of a contract proposal. Within 30 days the Secretary shall acknowledge receipt of the proposal and, if requested by the Indian tribe or tribal organization, shall confer with the Indian tribe or tribal organization to develop a negotiation schedule. The negotiation phase shall include, at a minimum:

(1) The provision of technical assistance under section 103 of the Act and paragraph (a) of this section;

(2) A joint scoping session between the Secretary and the Indian tribe or tribal organization to review all plans, specifications, engineering reports, cost estimates, and other information available to the parties, for the purpose of identifying all areas of agreement and disagreement;

(3) An opportunity for the Secretary to revise plans, designs, or cost estimates of the Secretary in response to concerns raised, or information provided by, the Indian tribe or tribal organization;

(4) A negotiation session during which the Secretary and the Indian tribe or tribal organization shall seek to develop a mutually agreeable contract proposal; and

(5) Upon the request of the Indian tribe or tribal organization, the use of alternative dispute resolution to resolve remaining areas of disagreement.
§ 900.123 What happens if the Indian tribe or tribal organization and the Secretary cannot develop a mutually agreeable contract proposal?

(a) If the Secretary and the Indian tribe or tribal organization are unable to develop a mutually agreeable construction contract proposal under the procedures in §900.122, the Indian tribe or tribal organization may submit a final contract proposal to the Secretary. Not later than 30 days after receiving the final contract proposal, the Secretary shall approve the contract proposal and award the contract, unless, during the period the Secretary declines the proposal under sections 102(a)(2) and 102(b) of the Act (including providing opportunity for an appeal under section 102(b)).

(b) Whenever the Secretary declines to enter into a self-determination contract or contracts under section 102(a)(2) of the Act, the Secretary shall:

(1) State any objections to the contract proposal (as submitted by the Indian tribe or tribal organization) in writing and provide all documents relied on in making the declination decision within 20 days of such decision to the Indian tribe or tribal organization;

(2) Provide assistance to the Indian tribe or tribal organization to overcome the stated objections;

(3) Provide the Indian tribe or tribal organization with a hearing on the record with the right to engage in full discovery relevant to any issue raised in the matter and the opportunity for appeal on the objections raised, under the regulations set forth in subpart L, except that the Indian tribe or tribal organization may, in lieu of filing the appeal, initiate an action in a Federal district court and proceed directly under section 110(a) of the Act.

§ 900.124 May the Indian tribe or tribal organization elect to use a grant in lieu of a contract?

Yes. A grant agreement or a cooperative agreement may be used in lieu of a contract under sections 102 and 103 of the Act when agreed to by the Secretary and the Indian tribe or tribal organization. Under the grant concept, the grantee will assume full responsibility and accountability for design and construction performance within the funding limitations. The grantee will manage and administer the work with minimal involvement by the government. The grantee will be expected to have acceptable management systems for finance, procurement, and property. The Secretary may issue Federal construction guidelines and manuals applicable to its construction programs, and the government shall accept tribal proposals for alternatives which are consistent with or exceed Federal guidelines or manuals applicable to construction programs.

§ 900.125 What shall a construction contract proposal contain?

(a) In addition to the full name, address, and telephone number of the Indian tribe or tribal organization submitting the construction proposal, a construction contract proposal shall contain descriptions of the following standards under which they propose to operate the contract:

(1) The use of licensed and qualified architects;

(2) Applicable health and safety standards;

(3) Adherence to applicable Federal, State, local, or tribal building codes and engineering standards;

(4) Structural integrity;

(5) Accountability of funds;

(6) Adequate competition for subcontracting under tribal or other applicable law;

(7) The commencement, performance, and completion of the contract;

(8) Adherence to project plans and specifications (including any applicable Federal construction guidelines and manuals and the Secretary shall accept tribal proposals for alternatives which are consistent with or exceed Federal guidelines or manuals applicable to construction programs); 

(9) The use of proper materials and workmanship;

(10) Necessary inspection and testing;

(11) With respect to the self-determination contract between the Indian tribe or tribal organization and Federal government, a process for changes, modifications, stop work, and termination of the work when warranted;
In addition to provisions regarding the program standards listed in paragraph (a) of this section or the assurances listed in paragraph (c) of this section, the Indian tribe or tribal organization shall also include in its construction contract proposal the following:

(1) In the case of a contract for design activities, this statement, “Construction documents produced as part of this contract will be produced in accordance with the Program of Requirements and/or Scope of Work,” and the POR and/or Scope of Work shall be attached to the contract proposal. If tribal construction procedures, standards and methods (including national, regional, state, or tribal building codes or construction industry standards) are consistent with or exceed applicable Federal standards then the Secretary shall accept the tribally proposed standards; and

(2) In the case of a contract for construction activities, this statement, “The facility will be built in accordance with the construction documents produced as a part of design activities. The project documents, including plans and specifications, are hereby incorporated into this contract through this reference.” If tribal construction procedures, standards and methods (including national, regional, state, or tribal building codes or construction industry standards) are consistent with or exceed applicable Federal standards then the Secretary shall accept the tribally proposed standards; and

(3) Proposed methods to accommodate the responsibilities of the Secretary provided in §900.131; and

(4) Proposed methods to accommodate the responsibilities of the Indian tribe or tribal organization provided in §900.130 unless otherwise addressed in paragraph (a) of this section and minimum staff qualifications proposed by the Indian tribe or tribal organization, if any;

(5) A contract budget as described in §900.127; and

(6) A period of performance for the conduct of all activities to be contracted;

(7) A payment schedule as described in §900.132;

(8) A statement indicating whether or not the Indian tribe or tribal organization has a CMS contract related to this project;

(9) Current (unrevoked) authorizing resolutions in accordance with §900.5(d) from all Indian tribes benefitting from the contract proposal; and

(10) Any responsibilities, in addition to the Federal responsibilities listed in §900.131, which the Indian tribe or tribal organization proposes the Federal government perform to assist with the completion of the scope of work;

(c) The Indian tribe or tribal organization will provide the following assurances in its contract proposal:

(1) If the Indian tribe or tribal organization elects not to take title (pursuant to subpart I) to Federal property used in carrying out the contract, “The Indian tribe or tribal organization will not dispose of, modify the use of, or change the terms of the real property title, or other interest in the site and facilities without permission and instructions from the awarding agency. The Indian tribe or tribal organization will record the Federal interest in the title of real property in accordance with awarding agency directives and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure nondiscrimination during the useful life of the project”; and

(2) “The Indian tribe or tribal organization will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. 4801 et seq.)” which prohibits the use of lead based paint in construction or rehabilitation of residential structures;

(3) “The Indian tribe or tribal organization will comply, or has already complied, with the requirements of titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Pub. L. 91–646),” which provides for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal participation in purchases; and

(4) “Except for work performed by tribal or tribal organization employees, the Indian tribe or tribal organization will comply, as applicable, with the provisions of the Davis-Bacon Act (40
§ 900.126 Shall a construction contract proposal incorporate provisions of Federal construction guidelines and manuals?

Each agency may provide or the Indian tribe or tribal organization may request Federal construction guidelines and manuals for consideration by the Indian tribe or tribal organization in the preparation of its contract proposal. If tribal construction procedures, standards and methods (including national, regional, State, or tribal building codes or construction industry standards) are consistent with or exceed applicable Federal standards, the Secretary shall accept the tribally proposed standards.

§ 900.127 What can be included in the Indian tribe or tribal organization’s contract budget?

(a) The costs incurred will vary depending on which phase (see §900.112) of the construction process the Indian tribe or tribal organization is conducting and the type of contract that will be used. The total amount awarded under a construction contract shall reflect an overall fair and reasonable price to the parties (see §900.129).

(b) Costs for activities under this subpart that have not been billed, allocated, or recovered under a contract issued under section 108 of the Act should be included.

(c) The Indian tribe or tribal organization’s budget should include the cost elements that reflect an overall fair and reasonable price. These costs include:

(1) The reasonable costs to the Indian tribe or tribal organization of performing the contract, taking into consideration the terms of the contract and any other applicable law;

(2) The costs of preparing the contract proposal and supporting cost data;

(3) The costs associated with auditing the general and administrative costs of the Indian tribe or tribal organization associated with the management of the construction contract; and

(4) In cases where the Indian tribe or tribal organization is submitting a fixed-price construction contract:

(i) The reasonable costs to the Indian tribe or tribal organization for general administration incurred in connection with the project that is the subject of the contract;

(ii) The ability of the contractor that carries out the construction contract to make a reasonable profit, taking into consideration the risks associated with carrying out the contract, local market conditions, and other relevant considerations.
§ 900.128 What funding shall the Secretary provide in a construction contract?

The Secretary shall provide an amount under a construction contract that reflects an overall fair and reasonable price to the parties. These costs include:

(a) The reasonable costs to the Indian tribe or tribal organization of performing the contract, taking into consideration the terms of the contract and the requirements of the Act and any other applicable laws;

(b) The costs of preparing the contract proposal and supporting cost data; and

(c) The costs associated with auditing the general and administrative costs of the tribal organization associated with the management of the construction contract; and

(d) If the Indian tribe or tribal organization is submitting a fixed-price construction contract:

(1) The reasonable costs to the Indian tribe or tribal organization for general administration incurred in connection
§ 900.129 How do the Secretary and Indian tribe or tribal organization arrive at an overall fair and reasonable price for the performance of a construction contract?

(a) Throughout the contract award process, the Secretary and Indian tribe or tribal organization shall share all construction project cost information available to them in order to facilitate reaching agreement on an overall fair and reasonable price for the project or part thereof. In order to enhance this communication, the government’s estimate of an overall fair and reasonable price shall:

(1) Contain a level of detail appropriate to the nature and phase of the work and sufficient to allow comparisons to the Indian tribe or tribal organization’s estimate;

(2) Be prepared in a format coordinated with the Indian tribe or tribal organization; and

(3) Include the cost elements contained in section 105(m)(4) of the Act.

(b) The government’s cost estimate shall be an independent cost estimate based on such information as the following:

(1) Prior costs to the government for similar projects adjusted for comparison to the target location, typically in unit costs, such as dollars per pound, square meter cost of building, or other unit cost that can be used to make a comparison;

(2) Actual costs previously incurred by the Indian tribe or tribal organization for similar projects;

(3) Published price lists, to include regional adjustment factors, for materials, equipment, and labor; and

(4) Projections of inflation and cost trends, including projected changes such as labor, material, and transportation costs.

(c) The Secretary shall provide the initial government cost estimate to the Indian tribe or tribal organization and make appropriate revisions based on concerns raised or information provided by the Indian tribe or tribal organization. The Secretary and the Indian tribe or tribal organization shall continue to revise, as appropriate, their respective cost estimates based on changed or additional information such as the following:

(1) Actual subcontract bids;

(2) Changes in inflation rates and market conditions, including local market conditions;

(3) Cost and price analyses conducted by the Secretary and the Indian tribe or tribal organization during negotiations;

(4) Agreed-upon changes in the size, scope and schedule of the construction project; and

(5) Agreed-upon changes in project plans and specifications.

(d) Considering all of the information available, the Secretary and the Indian tribe or tribal organization shall negotiate the amount of the construction contract. The objective of the negotiations is to arrive at an amount that is fair under current market conditions and reasonable to both the government and the Indian tribe or tribal organization. As a result, the agreement does not necessarily have to be in strict conformance with either party’s cost estimate nor does agreement have to be reached on every element of cost, but only on the overall fair and reasonable price of each phase of the work included in the contract.

(e) If the fair and reasonable price arrived at under paragraph (d) of this section would exceed the amount available to the Secretary, then:

(1) If the Indian tribe or tribal organization elects to submit a final proposal, the Secretary may decline the proposal under section 105(m)(4)(C)(v) of the Act or if the contract has been awarded, dispute the matter under the Contract Disputes Act; or

(2) If requested by the Indian tribe or tribal organization:
§ 900.130 What role does the Indian tribe or tribal organization play during the performance of a self-determination construction contract?

(a) The Indian tribe or tribal organization is responsible for the successful completion of the project in accordance with the approved contract documents.

(b) If the Indian tribe or tribal organization is contracting to perform design phase activities, the Indian tribe or tribal organization shall have the following responsibilities:

(1) The Indian tribe or tribal organization shall subcontract with or provide the services of licensed and qualified architects and other consultants needed to accomplish the self-determination construction contract.

(2) The Indian tribe or tribal organization shall administer and disburse funds provided through the contract in accordance with subpart F, §900.42 through §900.45 and implement a property management system in accordance with subpart F, §900.51 through §900.60.

(3) The Indian tribe or tribal organization shall direct the activities of project architects, engineers, and other project consultants, facilitate the flow of information between the Indian tribe or tribal organization and its subcontractors, resolve disputes between the Indian tribe or tribal organization and its subcontractors or between its subcontractors, and monitor the work produced by its subcontractors to ensure compliance with the POR.

(4) The Indian tribe or tribal organization shall direct the work of its subcontractors so that work produced is provided in accordance with the contract budget and contract performance period as negotiated between and agreed to by the parties.

(5) The Indian tribe or tribal organization shall provide the Secretary with an opportunity to review and provide written comments on the project plans and specifications only at the concept phase, the schematic phase (or the preliminary design), the design development phase, and the final construction documents phase and approve the project plans and specifications for general compliance with contract requirements only at the schematic phase (or the preliminary design) and the final construction documents phase or as otherwise negotiated.

(6) The Indian tribe or tribal organization shall provide the Secretary with the plans and specifications after their final review so, if needed, the Secretary may obtain an independent government cost estimate in accordance with §900.131(b)(4) for the construction of the project.

(7) The Indian tribe or tribal organization shall retain project records and design documents for a minimum of 3 years following completion of the contract.

(8) The Indian tribe or tribal organization shall provide progress reports and financial status reports quarterly, or as negotiated, that contain a narrative of the work accomplished, including but not limited to descriptions of contracts, major subcontracts, and modifications implemented during the report period and A/E service deliverables, the percentage of the work completed, a report of funds expended during the reporting period, and total funds expended for the project. The Indian tribe or tribal organization shall also provide copies, for the information of the Secretary, of an initial work and payment schedule and updates as they may occur.

(c) If the Indian tribe or tribal organization is contracting to perform project construction phase activities, the Indian tribe or tribal organization shall have the following responsibilities:
§ 900.130  25 CFR Ch. V (4–1–02 Edition)

(1) The Indian tribe or tribal organization shall subcontract with or provide the services of licensed and qualified architects and other consultants as needed to accomplish the self-determination construction contract.

(2) The Indian tribe or tribal organization shall administer and dispense funds provided through the contract in accordance with subpart F, §900.42 through §900.45 and implement a property management system in accordance with subpart F, §900.51 through §900.60.

(3) The Indian tribe or tribal organization shall subcontract with or provide the services of construction contractors or provide its own forces to conduct construction activities in accordance with the project construction documents or as otherwise negotiated between and agreed to by the parties.

(4) The Indian tribe or tribal organization shall direct the activities of project architects, engineers, construction contractors, and other project consultants, facilitate the flow of information between the Indian tribe or tribal organization and its subcontractors, resolve disputes between itself and its subcontractors or between its subcontractors, and monitor the work produced by its subcontractors to assure compliance with the project plans and specifications.

(5) The Indian tribe or tribal organization shall manage or provide for the management of day-to-day activities of the contract including the issuance of construction change orders to subcontractors except that, unless the Secretary agrees:

(i) The Indian tribe or tribal organization may not issue a change order to a construction subcontractor that will cause the Indian tribe or tribal organization to exceed its self-determination contract budget;

(ii) The Indian tribe or tribal organization may not issue a change order to a construction subcontractor that will cause the Indian tribe or tribal organization to exceed the performance period in its self-determination contract budget; or

(iii) The Indian tribe or tribal organization may not issue a change order that is a significant departure from the scope or objective of the project.

(6) The Indian tribe or tribal organization shall direct the work of its subcontractors so that work produced is provided in accordance with the contract budget and performance period as negotiated between and agreed to by the parties.

(7) The Indian tribe or tribal organization shall provide to the Secretary progress and financial status reports.

(i) The reports shall be provided quarterly, or as negotiated, and shall contain a narrative of the work accomplished, the percentage of the work completed, a report of funds expended during the reporting period, and total funds expended for the project.

The time allowed for Secretarial review, comment, and approval shall be no more than 21 days unless a different time period is negotiated and specified in individual contracts. 1. A briefing and discovery schedule;
2. A schedule for the exchange of information, including, but not limited to witness and exhibit lists, if an evidentiary hearing is to be held;
3. The simplification or clarification of issues;

A number of other statutes and regulations apply to FTCA coverage, including the Federal Tort Claims Act (28 U.S.C. 1346(h), 2401, 2671-2680) and related Department of Justice regulations in 28 CFR part 14.

§ 900.183 Do Indian tribes and tribal organizations need to be aware of areas which FTCA does not cover?

Yes. There are claims against self-determination contractors which are not covered by FTCA, claims which may not be pursued under FTCA, and remedies that are excluded by FTCA. General guidance is provided below as to these matters but is not intended as a definitive description of coverage, which is subject to review by the Department of Justice and the courts on a case-by-case basis.

(a) What claims are expressly barred by FTCA and therefore may not be made against the United States, an Indian tribe or tribal organization? Any claim under 28 U.S.C. 2680, including claims arising out of assault, battery, false imprisonment, false arrest, malicious prosecution, abuse of process, libel, slander, misrepresentation, deceit, or interference with contract rights, unless otherwise authorized by 28 U.S.C. 2680(h).

Six months.

§ 900.186 Is it necessary for a self-determination contract to include any clauses about Federal Tort Claims Act coverage?

No, it is optional. At the request of Indian tribes and tribal organizations, self-determination contracts shall include the following clauses to clarify the scope of FTCA coverage:

(a) The following clause may be used for all contracts:

For purposes of Federal Tort Claims Act coverage, the contractor and its employees (including individuals performing personal services contracts with the contractor to provide health care services) are deemed to be employees of the Federal government while performing work under this contract. This status is not changed by the source of
the funds used by the contractor to pay the employee’s salary and benefits unless the employee receives additional compensation for performing covered services from anyone other than the contractor.

(b) The following clause is for IHS contracts only:

Under this contract, the contractor’s employee may be required as a condition of employment to provide health services to non-IHS beneficiaries in order to meet contractual obligations. These services may be provided in either contractor or non-contractor facilities. The employee’s status for Federal Tort Claims Act purposes is not affected.

§ 900.187 Does FTCA apply to a self-determination contract if FTCA is not referenced in the contract?
Yes.

§ 900.188 To what extent shall the contractor cooperate with the Federal government in connection with tort claims arising out of the contractor’s performance?

(c) The contractor, through its designated tort claims liaison, shall assist the appropriate Federal agency in preparing a comprehensive, accurate, and unbiased report of the incident so that the claim may be properly evaluated. This report should be completed within 60 days of notification of the filing of the tort claim. The report should be complete in every significant detail and include as appropriate:

(1) The date, time and exact place of the accident or incident;
(2) A concise and complete statement of the circumstances of the accident or incident;
(3) The names and addresses of tribal and/or Federal employees involved as participants or witnesses;
(4) The names and addresses of all other eyewitnesses;
(5) An accurate description of all government and other privately-owned property involved and the nature and amount of damage, if any;
(6) A statement as to whether any person involved was cited for violating a Federal, State or tribal law, ordinance, or regulation;

(d) The contractor shall cooperate with and provide assistance to the U.S. Department of Justice attorneys assigned to defend the tort claim, including, but not limited to, case preparation, discovery, and trial.

(e) If requested by the Secretary, the contractor shall make an assignment and subrogation of all the contractor’s rights and claims (except those against the Federal government) arising out of a tort claim against the contractor.

(f) If requested by the Secretary, the contractor shall authorize representatives of the Secretary to settle or defend any claim and to represent the contractor in or take charge of any action. If the Federal government undertakes the settlement or defense of any claim or action the contractor shall provide all reasonable additional assistance in reaching a settlement or asserting a defense.

§ 900.189 Does this coverage extend to subcontractors of self-determination contracts?
No. Subcontractors or subgrantees providing services to a Public Law 93–638 contractor or grantee are generally not covered. The only exceptions are Indian contractors such as those under
subcontract with the California Rural Indian Health Board to carry out IHS programs in geographically defined service areas in California and personal services contracts under §900.193 (for §900.183(b)(1)) or §900.183(b) (for §900.190).

Yes. The coverage extends to individual personal services contractors providing health services in such a facility, including a facility owned by an Indian tribe or tribal organization but operated under a self-determination contract with IHS.

§900.194 Does FTCA coverage extend to services provided under a staff privileges agreement with a non-IHS facility where the agreement requires a health care practitioner to provide reciprocal services to the general population?

Yes. Those services are covered, as long as the contractor’s health care practitioners do not receive additional compensation from a third party for the performance of these services and they are acting within the scope of their employment under a self-determination contract. Reciprocal services include:

(a) Cross-covering other medical personnel who temporarily cannot attend their patients;
(b) Assisting other personnel with surgeries or other medical procedures;
(c) Assisting with unstable patients or at deliveries; or

§ 900.200 May persons who are not Indians or Alaska Natives assert claims under FTCA?

Yes. Non-Indian individuals served under the contract whether or not on a fee-for-service basis, may assert claims under this subpart.

§ 900.201 How should claims arising out of the performance of medical-related functions be filed?

Claims should be filed on Standard Form 95 (Claim for Damage, Injury or Death) or by submitting comparable written information (including a definite amount of monetary damage claimed) with the Chief, PHS Claims Branch, Room 18-20, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, or at such other address as shall have been provided to the contractor in writing.

§ 900.217 Is filing a claim under the CDA our only option for resolving post-award contract disputes?
No. The Federal government attempts to resolve all contract disputes by agreement at the awarding official's level. These are alternatives to filing a claim under the CDA:
(a) Before issuing a decision on a claim, the awarding official should consider using informal discussions between the parties, assisted by individuals who have not substantially participated in the matter, to aid in resolving differences.
(b) In addition to filing a CDA claim, or instead of filing a CDA claim, the parties may choose to use an alternative dispute resolution mechanism, pursuant to the provisions of the Administrative Dispute Resolution Act, Public Law 101–552, as amended, 5 U.S.C. 581 et seq., or the options listed in section 108(1)(b)(12) of the Indian Self-Determination Act, as applicable.

(3) Any other claim relating to the contract.
(b) However, an undisputed voucher, invoice, or other routing request for payment is not a claim under the CDA. A voucher, invoice, or routing request for payment may be converted into a CDA claim if:
(1) It is disputed as to liability or amount; or
(2) It is not acted upon in a reasonable time and written notice of the claim is given to the awarding official by the senior official designated in the contract.

§ 900.219 How does an Indian tribe, tribal organization, or Federal agency submit a claim?
(a) An Indian tribe or tribal organization shall submit its claim in writing to the awarding official. The awarding official shall document the contract file with evidence of the date the claim was received.
(b) A Federal agency shall submit its claim in writing to the contractor's senior official, as designated in the contract.

§ 900.220 Does it make a difference whether the claim is large or small?
Yes. The Contract Disputes Act requires that an Indian tribe or tribal organization making a claim for more than $100,000 shall certify that:
(a) The claim is made in good faith,
(b) Supporting documents or data are accurate and complete to the best of the Indian tribe or tribal organization’s knowledge and belief;
(c) The amount claimed accurately reflects the amount believed to be owed by the Federal government; and
(d) The person making the certification is authorized to do so on behalf of the Indian tribe or tribal organization.
§ 900.221 What happens next?

(a) If the parties do not agree on a settlement, the awarding official will issue a written decision on the claim.

(b) The awarding official shall always give a copy of the decision to the Indian tribe or tribal organization by certified mail, return receipt requested, or by any other method which provides a receipt.

§ 900.222 What goes into a decision?

A decision shall:

(a) Describe the claim or dispute;
(b) Refer to the relevant terms of the contract;
(c) Set out the factual areas of agreement and disagreement;
(d) Set out the actual decision, based on the facts, and outline the reasoning which supports the decision; and
(e) Contain the following language:

This is a final decision. You may appeal this decision to the Interior Board of Contract Appeals (IBCA), U.S. Department of the Interior, 4015 Wilson Boulevard, Arlington, VA 22203. If you decide to appeal, you shall, within 90 days from the date you receive this decision, mail or otherwise furnish written notice to the IBCA and provide a copy to the individual from whose decision the appeal is taken. The notice shall indicate that an appeal is intended, and refer to the decision and contract number. Instead of appealing to the IBCA, you may bring an action in the U.S. Court of Federal Claims or in the United States District Court within 12 months of the date you receive this notice.

§ 900.223 When does an Indian tribe or tribal organization get the decision?

(a) If the claim is for more than $100,000, the awarding official shall issue the decision within 60 days of the day he or she receives the claim. If the awarding official cannot issue a decision that quickly, he or she shall tell you when the decision will be issued.

(b) If the claim is for $100,000 or less, and you want a decision within 60 days, you shall advise the awarding official in writing that you want a decision within that period. If you advise the awarding official in writing that you do want a decision within 60 days, the awarding official shall issue the decision within 60 days of the day he or she receives your written notice.

(c) If your claim is for $100,000 or less and you do not advise the awarding official that you want a decision within 60 days, or if your claim exceeds $100,000 and the awarding official has notified you of the time within which a decision will be issued, the awarding official shall issue a decision within a reasonable time. What is “reasonable” depends upon the size and complexity of your claim, and upon the adequacy of the information you have given to the awarding official in support of your claim.

§ 900.224 What happens if the decision does not come within that time?

If the awarding official does not issue a decision within the time required under §900.223, the Indian tribe or tribal organization may treat the delay as though the awarding official has denied the claim, and proceed according to §900.222(e).

§ 900.225 Does an Indian tribe or tribal organization get paid immediately if the awarding official decides in its favor?

Yes. Once the awarding official decides that money should be paid under the contract, the amount due, minus any portion already paid, should be paid as promptly as possible, without waiting for either party to file an appeal. Any payment which is made under this subsection will not affect any other rights either party might have. In addition, it will not create a binding legal precedent as to any future payments.

§ 900.226 What rules govern appeals of cost disallowances?

In any appeal involving a disallowance of costs, the Board of Contract Appeals will give due consideration to the factual circumstances giving rise to the disallowed costs, and shall seek to determine a fair result without rigid adherence to strict accounting principles. The determination of allowability shall assure fair compensation for the work or service performed, using cost and accounting data as guides, but not rigid measures, for ascertaining fair compensation.
§ 900.227 Can the awarding official change the decision after it has been made?

(a) The decision of the awarding official is final and conclusive, and not subject to review by any forum, tribunal or government agency, unless an appeal or suit is timely commenced as authorized by the Contract Disputes Act. Once the decision has been made, the awarding official may not change it, except by agreement of the parties, or under the following limited circumstances:

(1) If evidence is discovered which could not have been discovered through due diligence before the awarding official issued the decision;

(2) If the awarding official learns that there has been fraud, misrepresentation, or other misconduct by a party;

(3) If the decision is beyond the scope of the awarding official’s authority;

(4) If the claim has been satisfied, released or discharged; or

(5) For any other reason justifying relief from the decision.

(b) Nothing in this subpart shall be interpreted to discourage settlement discussions or prevent settlement of the dispute at any time.

(c) If a decision is withdrawn and a new decision is issued that is not acceptable to the contractor, the contractor may proceed with the appeal based on the new decision. If no new decision is issued, the contractor may proceed under § 900.224.

(d) If an appeal or suit is filed, the awarding official may modify or withdraw his or her final decision.

§ 900.228 Is an Indian tribe or tribal organization entitled to interest if it wins its claim?

Yes. If an Indian tribe or tribal organization wins the claim, it will be entitled to interest on the amount of the award. The interest rate will be the rate which the Secretary of the Treasury sets for the Renegotiation Board under the Renegotiation Act of 1951, Public Law 92–41, 26 U.S.C. 1212 and 26 U.S.C. 7447.

§ 900.229 What role will the awarding official play during an appeal?

(a) The awarding official shall provide any data, documentation, information or support required by the IBCA for use in deciding a pending appeal.

(b) Within 30 days of receiving an appeal or learning that an appeal has been filed, the awarding official shall assemble a file which contains all the documents which are pertinent to the appeal, including:

(1) The decision and findings of fact from which the appeal is taken;

(2) The contract, including specifications and pertinent modifications, plans and drawings;

(3) All correspondence between the parties which relates to the appeal, including the letter or letters of claims in response to which the decision was issued;

(4) Transcripts of any testimony taken during the course of the proceedings, and affidavits or statements of any witnesses on the matter in dispute, which were made before the filing of the notice of appeal with the IBCA; and

(5) Any additional information which may be relevant.

§ 900.230 What is the effect of a pending appeal?

(a) Indian tribes and tribal organizations shall continue performance of a contract during the appeal of any claims to the same extent they would had there been no dispute.

(b) A pending dispute will not affect or bar the negotiation or award of any subsequent contract or negotiation between the parties.

Subpart O—Conflicts of Interest

§ 900.231 What is an organizational conflict of interest?

An organizational conflict of interest arises when there is a direct conflict between the financial interests of the contracting Indian tribe or tribal organization and:

(a) The financial interests of beneficial owners of Indian trust resources;

(b) The financial interests of the United States relating to trust resources, trust acquisitions, or lands
§ 900.232 What must an Indian tribe or tribal organization do if an organizational conflict of interest arises under a contract?

This section only applies if the conflict was not addressed when the contract was first negotiated. When an Indian tribe or tribal organization becomes aware of an organizational conflict of interest, the Indian tribe or tribal organization must immediately disclose the conflict to the Secretary.

§ 900.233 When must an Indian tribe or tribal organization regulate its employees or subcontractors to avoid a personal conflict of interest?

An Indian tribe or tribal organization must maintain written standards of conduct to govern officers, employees, and agents (including subcontractors) engaged in functions related to the management of trust assets.

§ 900.234 What types of personal conflicts of interest involving tribal officers, employees or subcontractors would have to be regulated by an Indian tribe?

The Indian tribe or tribal organization would need a tribally-approved mechanism to ensure that no officer, employee, or agent (including a subcontractor) of the Indian tribe or tribal organization reviews a trust transaction in which that person has a direct financial or employment interest that conflicts with that of the trust beneficiary, whether the tribe or an allottee. Interests arising from membership in, or employment by, an Indian tribe or rights to share in a tribal claim need not be regulated.

§ 900.235 What personal conflicts of interest must the standards of conduct regulate?

The standards must prohibit an officer, employee, or agent (including a subcontractor) from participating in the review, analysis, or inspection of trust transactions involving an entity in which such persons have a direct financial interest or an employment relationship. It must also prohibit such officers, employees, or agents from accepting any gratuity, favor, or anything of more than nominal value, from a party (other than the Indian tribe) with an interest in the trust transactions under review. Such standards must also provide for sanctions or remedies for violation of the standards.

§ 900.236 May an Indian tribe elect to negotiate contract provisions on conflict of interest to take the place of this regulation?

Yes. An Indian tribe and the Secretary may agree to contract provisions, concerning either personal or organizational conflicts, that address the issues specific to the program and activities contracted in a manner that provides equivalent protection against conflicts of interest to these regulations. Agreed-upon contract provisions shall be followed, rather than the related provisions of this regulation. For example, the Indian tribe and the Secretary may agree that using the Indian tribe’s own written code of ethics satisfies the objectives of the personal conflicts provisions of this regulation, in whole or in part.

Subpart P—Retrocession and Reassumption Procedures

§ 900.240 What does retrocession mean?

A retrocession means the return to the Secretary of a contracted program, in whole or in part, for any reason, before the expiration of the term of the contract.

§ 900.241 Who may retrocede a contract, in whole or in part?

An Indian tribe or tribal organization authorized by an Indian tribe may retrocede a contract.
§ 900.242 What is the effective date of retrocession?

The retrocession is effective on the date which is the earliest date among:
(a) One year from the date of the Indian tribe or tribal organization’s request;
(b) The date the contract expires; or
(c) A mutually agreed-upon date.

§ 900.243 What effect will an Indian tribe or tribal organization’s retrocession have on its rights to contract?

An Indian tribe or tribal organization’s retrocession shall not negatively affect:
(a) Any other contract to which it is a party;
(b) Any other contracts it may request; and
(c) Any future request by the Indian tribe or tribal organization to contract for the same program.

§ 900.244 Will an Indian tribe or tribal organization’s retrocession adversely affect funding available for the retroceded program?

No. The Secretary shall provide not less than the same level of funding that would have been available if there had been no retrocession.

§ 900.245 What obligation does the Indian tribe or tribal organization have with respect to returning property that was used in the operation of the retroceded program?

On the effective date of any retrocession, the Indian tribe or tribal organization shall, at the request of the Secretary, deliver to the Secretary all requested property and equipment provided under the contract which have a per item current fair market value, less the cost of improvements borne by the Indian tribe or tribal organization, in excess of $5,000 at the time of the retrocession.

§ 900.246 What does reassumption mean?

Reassumption means rescission, in whole or in part, of a contract and assuming or resuming control or operation of the contracted program by the Secretary without consent of the Indian tribe or tribal organization. There are two types of reassumption: emergency and non-emergency.

§ 900.247 Under what circumstances is a reassumption considered an emergency instead of non-emergency reassumption?

(a) A reassumption is considered an emergency reassumption if an Indian tribe or tribal organization fails to fulfill the requirements of the contract and this failure poses:
(1) An immediate threat of imminent harm to the safety of any person; or
(2) Imminent substantial and irreparable harm to trust funds, trust lands, or interest in such lands.

(b) A reassumption is considered a non-emergency reassumption if there has been:
(1) A violation of the rights or endangerment of the health, safety, or welfare of any person; or
(2) Gross negligence or mismanagement in the handling or use of:
(i) Contract funds;
(ii) Trust funds;
(iii) Trust lands; or
(iv) Interests in trust lands under the contract.

§ 900.248 In a non-emergency reassumption, what is the Secretary required to do?

The Secretary must:
(a) Notify the Indian tribes or tribal organizations served by the contract and the contractor in writing by certified mail of the details of the deficiencies in contract performance;
(b) Request specified corrective action to be taken within a reasonable period of time, which in no case may be less than 45 days; and
(c) Offer and provide, if requested, the necessary technical assistance and advice to assist the contractor to overcome the deficiencies in contract performance. The Secretary may also make a grant for the purpose of obtaining such technical assistance as provided in section 103 of the Act.

§ 900.249 What happens if the contractor fails to take corrective action to remedy the contract deficiencies identified in the notice?

The Secretary shall provide a second written notice by certified mail to the Indian tribes or tribal organizations
served by the contract and the contractor that the contract will be rescinded, in whole or in part.

§ 900.250 What shall the second written notice include?

The second written notice shall include:

(a) The intended effective date of the reassumption;

(b) The details and facts supporting the intended reassumption; and

(c) Instructions that explain the Indian tribe or tribal organization’s right to a formal hearing within 30 days of receipt of the notice.

§ 900.251 What is the earliest date on which the contract will be rescinded in a non-emergency reassumption?

The contract will not be rescinded by the Secretary before the issuance of a final decision in any administrative hearing or appeal.

§ 900.252 In an emergency reassumption, what is the Secretary required to do?

(a) Immediately rescind, in whole or in part, the contract;

(b) Assume control or operation of all or part of the program; and

(c) Give written notice to the contractor and the Indian tribes or tribal organizations served.

§ 900.253 What shall the written notice include?

The written notice shall include the following:

(a) A detailed statement of the findings which support the Secretary’s determination;

(b) A statement explaining the contractor’s right to a hearing on the record under §900.160 and §900.161 within 10 days of the emergency reassumption or such later date as the contractor may approve;

(c) An explanation that the contractor may be reimbursed for actual and reasonable “wind up costs” incurred after the effective date of the rescission; and

(d) A request for the return of property, if any.

§ 900.254 May the contractor be reimbursed for actual and reasonable “wind up costs” incurred after the effective date of rescission?

Yes.

§ 900.255 What obligation does the Indian tribe or tribal organization have with respect to returning property that was used in the operation of the rescinded contract?

On the effective date of any rescission, the Indian tribe or tribal organization shall, at the request of the Secretary, deliver to the Secretary all property and equipment provided under the contract which has a per item current fair market value, less the cost of improvements borne by the Indian tribe or tribal organization, in excess of $5,000 at the time of the retrocession.

§ 900.256 Will a reassumption adversely affect funding available for the reassumed program?

No. The Secretary shall provide at least the same level of funding that would have been provided if there had been no reassumption.

§ 1000.4 Policy statement.

(a) Congressional findings. In the Tribal Self-Governance Act of 1994, the Congress found that:

(1) The Tribal right of self-governance flows from the inherent sovereignty of Indian Tribes and nations;

(2) The United States recognizes a special government-to-government relationship with Indian Tribes, including the right of the Tribes to self-governance, as reflected in the Constitution, treaties, Federal statues, and the course of dealings of the United States with Indian Tribes;
§ 1000.4

(3) Although progress had been made, the Federal bureaucracy, with its centralized rules and regulations, had eroded Tribal self-governance and dominated Tribal affairs;

(4) The Tribal Self-Governance Demonstration Project was designed to improve and perpetuate the government-to-government relationship between Indian Tribes and the United States and to strengthen Tribal control over Federal funding and program management; and

(5) Congress has reviewed the results of the Tribal Self-Governance Demonstration project and finds that:

(i) Transferring control over funding and decision making to Tribal governments, upon Tribal request, for Federal programs is an effective way to implement the Federal policy of government-to-government relations with Indian Tribes; and

(ii) Transferring control over funding and decision making to Tribal governments, upon request, for Federal programs strengthens the Federal policy of Indian self-determination.

(b) Congressional declaration of policy. It is the policy of the Tribal Self-Governance Act to permanently establish and implement self-governance:

(1) To enable the United States to maintain and improve its unique and continuing relationship with, and responsibility to, Indian Tribes;

(2) To permit each Tribe to choose the extent of its participation in self-governance;

(3) To coexist with the provisions of the Indian Self-Determination and Education Assistance Act relating to the provision of Indian services by designated Federal agencies;

(4) To ensure the continuation of the trust responsibility of the United States to Indian Tribes and Indian individuals;

(5) To permit an orderly transition from Federal domination of programs and services to provide Indian Tribes with meaningful authority to plan, conduct, redesign, and administer programs, services, functions, and activities that meet the needs of the individual Tribal communities; and

(6) To provide for an orderly transition through a planned and measurable parallel reduction in the Federal bureaucracy.

(c) Secretarial self-governance policies. (1) It is the policy of the Secretary to fully support and implement the foregoing policies to the full extent of the Secretary’s authority.

(2) It is the policy of the Secretary to recognize and respect the unique government-to-government relationship between Tribes, as sovereign governments, and the United States.

(3) It is the policy of the Secretary to have all bureaus of the Department work cooperatively and pro-actively with Tribes and Tribal Consortia to encourage Tribes and Tribal Consortia to become knowledgeable about the Department's programs and the opportunities to include them in an annual funding agreement.

(4) It is the policy of the Secretary to have all bureaus of the Department actively share information with Tribes and Tribal Consortia to encourage Tribes and Tribal Consortia to become knowledgeable about the Department's programs and the opportunities to include them in an annual funding agreement.

(5) It is the policy of the Secretary that all bureaus of the Department will negotiate in good faith, interpret each applicable Federal law and regulation in a manner that will facilitate the inclusion of programs in each annual funding agreement authorized, and enter into such annual funding agreements under Title IV, whenever possible.

(6) It is the policy of the Secretary to afford Tribes and Tribal Consortia the maximum flexibility and discretion necessary to meet the needs of their communities consistent with their diverse demographic, geographic, economic, cultural, health, social, religious, and institutional needs. These policies are designed to facilitate and encourage Tribes and Tribal Consortia to participate in the planning, conduct, and administration of those Federal programs, included, or eligible for inclusion in an annual funding agreement.

(7) It is the policy of the Secretary, to the extent of the Secretary's authority, to maintain active communication with Tribal governments regarding
§ 1000.17
budgetary matters applicable to programs subject to the Act, and that are included in an individual self-governance annual funding agreement.
(8) It is the policy of the Secretary to implement policies, procedures, and practices at the Department to ensure that the letter, spirit, and goals of the Tribal Self-Governance Act are fully and successfully implemented.
(9) Executive Order 13084 on Consultation and Coordination with Indian Tribal Governments and any subsequent Executive Orders regarding consultation will apply to the implementation of these regulations.

Subpart B—Selection of Additional Tribes for Participation in Tribal Self-Governance

PURPOSE AND DEFINITIONS
§ 1000.10 What is the purpose of this subpart?
This subpart describes the selection process and eligibility criteria that the Secretary uses to decide that Indian Tribes may participate in Tribal self-governance as authorized by section 402 of the Tribal Self-Governance Act of 1994.

§ 1000.11 What is the "applicant pool"?
The applicant pool is the pool of Tribes/Consortia that the Director of the Office of Self-Governance has determined are eligible to participate in self-governance.

§ 1000.12 What is a "signatory"?
A signatory is a Tribe or Consortium that meets the eligibility criteria in §1000.16 and directly signs the agreements. A signatory may exercise all of the rights and responsibilities outlined in the compact and annual funding agreement and is legally responsible for all financial and administrative decisions made by the signatory.

§ 1000.13 What is a "nonsignatory Tribe"?
(a) A nonsignatory Tribe is a Tribe that either:
(1) Does not meet the eligibility criteria in §1000.16 and, by resolution of its governing body, authorizes a Consortium to participate in self-governance on its behalf.
(2) Meets the eligibility criteria in §1000.16 but chooses to be a member of a Consortium and have a representative of the Consortium sign the compact and AFA on its behalf.
(b) A non-signatory tribe under paragraph (a)(1) of this section:
(1) May not sign the compact and AFA. A representative of the Consortium must sign both documents on behalf of the Tribe.
(2) May only become a "signatory Tribe" if it independently meets the eligibility criteria in §1000.16.

ELIGIBILITY
§ 1000.14 Who is eligible to participate in Tribal self-governance?
Two types of entities are eligible to participate in Tribal self-governance:
(a) Indian Tribes; and
(b) Consortia of Indian Tribes.

§ 1000.15 How many additional Tribes/Consortia may participate in self-governance per year?
(a) Sections 402(b) and (c) of the Act authorize the Director to select up to 50 additional Indian Tribes per year from an "applicant pool". A Consortium of Indian Tribes counts as one Tribe for purposes of calculating the 50 additional Tribes per year.
(b) Any signatory Tribe that signed a compact and AFA under the Tribal Self-Governance Demonstration project may negotiate its own compact and AFA in accordance with this subpart without being counted against the 50-Tribe limitation in any given year.

§ 1000.16 What criteria must a Tribe/Consortium satisfy to be eligible for admission to the "applicant pool"?
To be admitted into the applicant pool, a Tribe/Consortium must either be an Indian Tribe or a Consortium of Indian Tribes and comply with §1000.17.

§ 1000.17 What documents must a Tribe/Consortium submit to OSG to apply for admission to the applicant pool?
In addition to the application required by §1000.23, the Tribe/Consortium must submit to OSG documentation that shows all of the following:
§ 1000.18 Successful completion of a planning phase and a planning report. The requirements for both of these are described in §1000.19 and §1000.20. A Consortium’s planning activities satisfy this requirement for all its member Tribes for the purpose of the Consortium meeting this requirement;

(b) A request for participation in self-governance by a Tribal resolution and/or a final official action by the Tribal governing body. For a Consortium, the governing body of each Tribe must authorize its participation by a Tribal resolution and/or a final official action by the Tribal governing body that specifies the scope of the Consortium’s authority to act on behalf of the Tribe.

(c) A demonstration of financial stability and financial management capability for the previous 3 fiscal years. This will be done by providing, as part of the application, an audit report prepared in accordance with procedures promulgated under the Single Audit Act Amendments of 1996, 31 U.S.C. 7501, et seq., for the previous 3 years of the self-determination contracts. These audits must not contain material audit exceptions as defined in §1000.21.

§ 1000.19 May a Consortium member Tribe withdraw from the Consortium and become a member of the applicant pool?

In accordance with the expressed terms of the compact or written agreement of the Consortium, a Consortium member Tribe (either a signatory or nonsignatory Tribe) may withdraw from the Consortium to directly negotiate a compact and AFA. The withdrawing Tribe must do the following:

(a) Independently meet all of the eligibility criteria in §§1000.14 through 1000.20. If a Consortium’s planning activities and report specifically consider self-governance activities for a member Tribe, that planning activity and report may be used to satisfy the planning requirements for the member Tribe if it applies for self-governance status on its own.

(b) Submit a notice of withdrawal to OSG and the Consortium as evidenced by a resolution of the Tribal governing body.

§ 1000.20 What is required in a planning report?

As evidence that the Tribe/Consortium has completed the planning phase, the Tribe/Consortium must prepare and submit to the Secretary a final planning report.

(a) The planning report must:

(1) Identify BIA and non-BIA programs that the Tribe/Consortium may wish to subsequently negotiate for inclusion in a compact and AFA;

(2) Describe the Tribe’s/Consortium’s planning activities for both BIA and non-BIA programs that may be negotiated;

(3) Identify the major benefits derived from the planning activities;

(4) Identify the process that the Tribe/Consortium will use to resolve any complaints by service recipients;

(5) Identify any organizational planning that the Tribe/Consortium has completed in anticipation of implementing Tribal self-governance; and

(6) Indicate if the Tribe’s/Consortium’s planning efforts have revealed that its current organization is adequate to assume programs under Tribal self-governance.

(b) In supplying the information required by paragraph (a)(5) of this section:

(1) For BIA programs, a Tribe/Consortium should describe the process that it will use to debate and decide the setting of priorities for the funds it will receive from its AFA.

(2) For non-BIA programs that the Tribe/Consortium may wish to negotiate, the report should describe how the Tribe/Consortium proposes to perform the programs.
§ 1000.21 When does a Tribe/Consortium have a "material audit exception"?

A Tribe/Consortium has a material audit exception if any of the audits that it submitted under §1000.17(c) identifies:

(a) A material weakness, that is a condition in which the design or operation of one or more of the internal control components does reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions;

(b) a single finding of known questioned costs subsequently disallowed by a contracting officer or awarding official that exceeds $10,000. If the audits submitted under §1000.17(c) identify any of the conditions described in this section, the Tribe/Consortium must also submit copies of the contracting officer’s findings and determinations.

§ 1000.22 What are the consequences of having a material audit exception?

If a Tribe/Consortium has a material audit exception, the Tribe/Consortium is ineligible to participate in self-governance until the Tribe/Consortium meets the eligibility criteria in §1000.16.

ADMISSION INTO THE APPLICANT POOL

§ 1000.23 How is a Tribe/Consortium admitted to the applicant pool?

To be considered for admission in the applicant pool, a Tribe/Consortium must submit an application to the Director, Office of Self-Governance, 1849 C Street NW; MS 2542-MIB; Department of the Interior; Washington, DC 20240. The application must contain the documentation required in §1000.17.

§ 1000.24 When does OSG accept applications to become a member of the applicant pool?

OSG accepts applications to become a member of the applicant pool at any time.

§ 1000.25 What are the deadlines for a Tribe/Consortium in the applicant pool to negotiate a compact and annual funding agreement (AFA)?

(a) To be considered for negotiations in any year, a Tribe/Consortium must be a member of the applicant pool on March 1 of the year in which the negotiations are to take place.

(b) An applicant may be admitted into the applicant pool during one year and selected to negotiate a compact and AFA in a subsequent year. In this case, the applicant must, before March 1 of the negotiation year, submit to OSG updated documentation that permits OSG to evaluate whether the Tribe/Consortium still satisfies the application criteria in 1000.17.

§ 1000.26 Under what circumstances will a Tribe/Consortium be removed from the applicant pool?

Once admitted into the applicant pool, a Tribe/Consortium will only be removed if it:

(a) Fails to satisfy the audit criteria in §1000.17(c); or

(b) Submits to OSG a Tribal resolution and/or official action by the Tribal governing body requesting removal.

§ 1000.27 How does the Director select which Tribes in the applicant pool become self-governance Tribes?

The Director selects up to the first 50 Tribes from the applicant pool in any given year ranked according to the earliest postmark date of complete applications. If multiple complete applications have the same postmark date and there are insufficient slots available for that year, the Director will determine priority through random selection. A representative of each Tribe/Consortium that has submitted an application subject to random selection may, at the option of the Tribe/Consortium, be present when the selection is made.

§ 1000.28 What happens if an application is not complete?

(a) If OSG determines that a Tribe’s/Consortium’s application is deficient, OSG will immediately notify the Tribe/Consortium of the deficiency by letter, certified mail, return receipt requested. The letter will explain what
§ 1000.29 What happens if a Tribe/Consortium is selected from the applicant pool but does not execute a compact and an annual funding agreement during the calendar year?

(a) The Tribe/Consortium remains eligible to negotiate a compact and an annual funding agreement at any time unless:

(1) It notifies the Director in writing that it no longer wishes to be eligible to participate in the Tribal Self-Governance Program;

(2) Fails to satisfy the audit requirements of §1000.17(c); or

(3) Submits documentation evidencing a Tribal resolution requesting removal from the application pool.

(b) The failure of the Tribe/Consortium to execute an agreement has no effect on the selection of up to 50 additional Tribes/Consortia in a subsequent year.

§ 1000.30 May a Tribe/Consortium be selected to negotiate an AFA under section 403(b)(2) without having or negotiating an AFA under section 403(b)(1)?

Yes, a Tribe/Consortium may be selected to negotiate an AFA under section 403(b)(2) without having or negotiating an AFA under section 403(b)(1).

§ 1000.31 May a Tribe/Consortium be selected to negotiate an AFA under section 403(c) without negotiating an AFA under section 403(b)(1) and/or section 403(b)(2)?

No, section 403(c) of the Act states that any programs of special geographic, cultural, or historical significance to the Tribe/Consortium must be included in AFAs negotiated under section 403(a) and/or section 403(b). A Tribe may be selected to negotiate an AFA under section 403(c) at the same time that it negotiates an AFA under section 403(b)(1) and/or section 403(b)(2).

WITHDRAWAL FROM A CONSORTIUM ANNUAL FUNDING AGREEMENT

§ 1000.32 What happens when a Tribe wishes to withdraw from a Consortium annual funding agreement?

(a) A Tribe wishing to withdraw from a Consortium’s AFA must notify the Consortium, bureau, and OSG of the intent to withdraw. The notice must be:

(1) In the form of a Tribal resolution or other official action by the Tribal governing body; and

(2) Received no later than 180 days before the effective date of the next AFA.

(b) The resolution referred to in paragraph (a)(1) of this section must indicate whether the Tribe wishes the withdrawn programs to be administered under a Title IV AFA, Title I contract, or directly by the bureau.

(c) The effective date of the withdrawal will be the date on which the current agreement expires, unless the Consortium, the Tribe, OSG, and the appropriate bureau agree otherwise.

§ 1000.33 What amount of funding is to be removed from the Consortium’s AFA for the withdrawing Tribe?

When a Tribe withdraws from a Consortium, the Consortium’s AFA must be reduced by the portion of funds attributable to the withdrawing Tribe. The Consortium must reduce the AFA on the same basis or methodology upon which the funds were included in the Consortium’s AFA.

(a) If there is not a clear identifiable methodology upon which to base the reduction for a particular program, the
§ 1000.41 What types of grants are available?

Three categories of grants may be available:

(a) Negotiation grants may be awarded to the Tribes/Consortia that have withdrawn from a Consortium, is the Secretary required to award to the withdrawing Tribe a portion of funds associated with a construction project if the withdrawing Tribe so requests?

Under §1000.32 of this part, a Tribe may withdraw from a Consortium and request that the Secretary award the Tribe its portion of a construction project’s funds. The Secretary may decide not to award these funds if the Secretary determines that the award of the withdrawing Tribe’s portion of funds would affect the ability of the remaining members of the Consortium to complete a severable or non-severable phase of the project within available funding.

(a) An example of a non-severable phase of a project would be the construction of a single building to serve all members of a Consortium.

(b) An example of a severable phase of a project would be the funding of a road in one village where the Consortium would be able to complete the roads in other villages that were part of the project approved initially in the AFA.

(c) The Secretary’s decision under this section may be appealed under §1000.428 of these regulations.

Subpart C—Section 402(d) Planning and Negotiation Grants

§ 1000.40 What is the purpose of this subpart?

This subpart describes the availability and process of applying for planning and negotiation grants authorized by section 402(d) of the Act to help Tribes meet costs incurred in:

(a) Meeting the planning phase requirement of the Act, including planning to negotiate for non-BIA programs; and

(b) Conducting negotiations.

§ 1000.41 What types of grants are available?

Three categories of grants may be available:

(a) Negotiation grants may be awarded to the Tribes/Consortia that have
§ 1000.42 Will grants always be made available to meet the planning phase requirement as described in section 402(d) of the Act?

No, grants to cover some or all of the planning costs that a Tribe/Consortium may incur, depend upon the availability of funds appropriated by Congress. Notice of availability of grants will be published in the FEDERAL REGISTER as described in §1000.45.

§ 1000.43 May a Tribe/Consortium use its own resources to meet its self-governance planning and negotiation expenses?

Yes, a Tribe/Consortium may use its own resources to meet these costs. Receiving a grant is not necessary to meet the planning phase requirement of the Act or to negotiate a compact and an AFA.

§ 1000.44 What happens if there are insufficient funds to meet the Tribal requests for planning/negotiation grants in any given year?

If appropriated funds are available but insufficient to meet the total requests from Tribes/Consortia:

(a) First priority will be given to Tribes/Consoritia that have been selected from the applicant pool to negotiate an AFA; and
(b) Second priority will be given to Tribes/Consortia that require advance funds to meet the planning requirement for entry into the self-governance program.

§ 1000.45 How many grants will the Department make each year and what funding will be available?

The number and size of grants awarded each year will depend on Congressional appropriations and Tribal interest. By no later than January 1 of each year, the Director will publish a notice in the FEDERAL REGISTER that provides relevant details about the application process, including the funds available, timeframes, and requirements for negotiation grants, advance planning grants, and financial assistance as described in subpart D of this part.

SELECTION CRITERIA

§ 1000.46 Which Tribes/Consortia may be selected to receive a negotiation grant?

Any Tribe/Consortium that has been accepted into the applicant pool and has been accepted to negotiate a self-governance AFA may apply for a negotiation grant. By March 15 of each year, the Director will publish a list of additional Tribes/Consortia that have been selected for negotiation along with information on how to apply for negotiation grants.

§ 1000.47 What must a Tribe/Consortium do to receive a negotiation grant?

If funds are available, a grant will be awarded to help cover the costs of preparing for and negotiating a compact and an AFA. To receive a negotiation grant, a Tribe/Consortium must:

(a) Be selected from the applicant pool to negotiate an AFA;
(b) Be qualified as eligible to receive a negotiation grant in the FEDERAL REGISTER notice discussed in §1000.45;
(c) Not have received a negotiation grant within the 3 years preceding the date of the latest FEDERAL REGISTER announcement;
(d) Submit a letter affirming its readiness to negotiate; and
(e) Formally request a negotiation grant to prepare for and negotiate an AFA.

§ 1000.48 What must a Tribe do if it does not wish to receive a negotiation grant?

A selected Tribe/Consortium may elect to negotiate without applying for a negotiation grant. In such a case, the Tribe/Consortium should notify OSG in writing so that funds can be reallocated for other grants.
Office of the Assistant Secretary, Interior

§ 1000.49 Who can apply for an advance planning grant?

Any Tribe/Consortium that is not a self-governance Tribe and needs advance funding to complete the planning phase requirement may apply. Tribes/Consortia that have received a planning grant within 3 years preceding the date of the latest Federal Register announcement are not eligible.

§ 1000.50 What must a Tribe/Consortium seeking a planning grant submit in order to meet the planning phase requirements?

A Tribe/Consortium must submit the following material:

(a) A Tribal resolution or other final action of the Tribal governing body indicating a desire to plan for Tribal self-governance.

(b) Audits from the last 3 years that document that the Tribe/Consortium is free from material audit exceptions. In order to meet this requirement, a Tribe/Consortium may use the audit currently being conducted on its operations if this audit is submitted before the Tribe/Consortium completes the planning activity.

(c) A proposal that includes:

(1) The Tribe’s/Consortium’s plans for conducting legal and budgetary research;

(2) The Tribe’s/Consortium’s plans for conducting internal Tribal government and organizational planning;

(3) A timeline indicating when planning will start and end, and;

(4) Evidence that the Tribe/Consortium can perform the tasks associated with its proposal (i.e., resumes and position descriptions of key staff or consultants to be used).

§ 1000.51 How will Tribes/Consortia know when and how to apply for planning grants?

The number and size of grants awarded each year will depend on Congressional appropriations. By no later than January 1 of each year, the Director will publish in the Federal Register a notice concerning the availability of planning grants for additional Tribes. This notice must identify the specific details for applying.

§ 1000.52 What criteria will the Director use to award advance planning grants?

Advance planning grants are discretionary and based on need. The Director will use the following criteria to determine whether or not to award a planning grant to a Tribe/Consortium before the Tribe/Consortium is selected into the applicant pool.

(a) Completeness of application as described in §1000.50.

(b) Financial need. The Director will rank applications according to the percent of Tribal resources that comprise total resources covered by the latest A-133 audit. Priority will be given to applications that have a lower level of Tribal resources as a percent of total resources.

(c) Other factors that the Tribe may identify as documenting its previous efforts to participate in self-governance and demonstrating its readiness to enter into a self-governance agreement.

§ 1000.53 Can Tribes/Consortia that receive advance planning grants also apply for a negotiation grant?

Yes, Tribes/Consortia that successfully complete the planning activity and are selected may apply to be included in the applicant pool. Once approved for inclusion in the applicant pool, the Tribe/Consortium may apply for a negotiation grant according to the process in §§1000.46–1000.48.

§ 1000.54 How will a Tribe/Consortium know whether or not it has been selected to receive an advance planning grant?

No later than June 1, the Director will notify the Tribe/Consortium by letter whether it has been selected to receive an advance planning grant.

§ 1000.55 Can a Tribe/Consortium appeal within DOI the Director’s decision not to award a grant under this subpart?

No, the Director’s decision to award or not to award a grant under this subpart is final for the Department.
§ 1000.60  What is the purpose of this subpart?

This subpart describes the availability and process of applying for other financial assistance that may be available for planning and negotiating for a non-BIA program.

§ 1000.61  Are other funds available to self-governance Tribes/Consortia for planning and negotiating with non-BIA bureaus?

Yes, Tribes/Consortia may contact OSG to determine if OSG has funds available for the purpose of planning and negotiating with non-BIA bureaus under this subpart. A Tribe/Consortium may also ask a non-BIA bureau for information on any funds that may be available from that bureau.

§ 1000.62  Who can apply to OSG for grants to plan and negotiate non-BIA programs?

Any Tribe/Consortium that is in the applicant pool, or has been selected from the applicant pool or that has an existing AFA.

§ 1000.63  Under what circumstances may planning and negotiation grants be awarded to Tribes/Consortia?

At the discretion of the Director, grants may be awarded when requested by the Tribe. Tribes/Consortia may submit only one application per year for a grant under this section.

§ 1000.64  How does the Tribe/Consortium know when and how to apply to OSG for a planning and negotiation grant?

When funds are available, the Director will publish a notice in the Federal Register announcing their availability and a deadline for submitting an application.

§ 1000.65  What kinds of activities do planning and negotiation grants support?

The planning and negotiation grants support activities such as, but not limited to, the following:

(a) Information gathering and analysis; 
(b) Planning activities, that may include notification and consultation with the appropriate non-BIA bureau and identification and/or analysis of activities, resources, and capabilities that may be needed for the Tribe/Consortium to assume non-BIA programs; and
(c) Negotiation activities.

§ 1000.66  What must be included in the application?

The application for a planning and negotiation grant must include:

(a) Written notification by the governing body or its authorized representative of the Tribe’s/Consortium’s intent to engage in planning/negotiation activities like those described in §1000.65;
(b) Written description of the planning and/or negotiation activities that the Tribe/Consortium intends to undertake, including, if appropriate, documentation of the relationship between the proposed activities and the Tribe/Consortium;
(c) The proposed timeline for completion of the planning and/or negotiation activities to be undertaken; and
(d) The amount requested from OSG.

§ 1000.67  How will the Director award planning and negotiation grants?

The Director must review all grant applications received by the date specified in the announcement to determine whether or not the applications include the required elements outlined in the announcement. OSG must rank the complete applications submitted by the deadline using the criteria in §1000.70.

§ 1000.68  May non-BIA bureaus provide technical assistance to a Tribe/Consortium in drafting its planning grant application?

Yes, upon request from the Tribe/Consortium, a non-BIA bureau may provide technical assistance to the
Subpart E—Annual Funding Agreements for Bureau of Indian Affairs Programs

§ 1000.80 What is the purpose of this subpart?
This subpart describes the components of annual funding agreements for BIA programs.

§ 1000.81 What is an annual funding agreement (AFA)?
Annual funding agreements are legally binding and mutually enforceable written agreements negotiated and entered into annually between a self-governance Tribe/Consortium and BIA.

CONTENTS AND SCOPE OF ANNUAL FUNDING AGREEMENTS

§ 1000.82 What types of provisions must be included in a BIA AFA?
Each AFA must specify the programs and it must also specify the applicable funding:
(a) Retained by BIA for “inherently Federal functions” identified as “residuals” (See §1000.94);
(b) Transferred or to be transferred to the Tribe/Consortium (See §1000.91); and
(c) Retained by BIA to carry out functions that the Tribe/Consortium could have assumed but elected to leave with BIA. (See §1000.101).

§ 1000.83 Can additional provisions be included in an AFA?
Yes, any provision that the parties mutually agreed upon may be included in an AFA.

§ 1000.84 Does a Tribe/Consortium have the right to include provisions of Title I of Pub. L. 93-638 in an AFA?
Yes, under Pub. L. 104-109, a Tribe/Consortium has the right to include any provision of Title I of Pub. L. 93-638 in an AFA.

§ 1000.85 Can a Tribe/Consortium negotiate an AFA with a term that exceeds one year?
Yes, at the option of the Tribe/Consortium, and subject to the availability of Congressional appropriations, a Tribe/Consortium may negotiate an
§ 1000.86 AFA with a term that exceeds one year in accordance with section 105(c)(1) of Title I of Pub. L. 93–638.

DETERMINING WHAT PROGRAMS MAY BE INCLUDED IN AN AFA

§ 1000.86 What types of programs may be included in an AFA?

A Tribe/Consortium may include in its AFA programs administered by BIA, without regard to the BIA agency or office that administers the program, including any program identified in section 403(b)(1) of the Act.

§ 1000.87 How does the AFA specify the services provided, functions performed, and responsibilities assumed by the Tribe/Consortium and those retained by the Secretary?

(a) The AFA must specify in writing the services, functions, and responsibilities to be assumed by the Tribe/Consortium and the functions, services, and responsibilities to be retained by the Secretary.

(b) Any division of responsibilities between the Tribe/Consortium and BIA should be clearly stated in writing as part of the AFA. Similarly, when there is a relationship between the program and BIA’s residual responsibility, the relationship should be in writing.

§ 1000.88 Do Tribes/Consortia need Secretarial approval to redesign BIA programs that the Tribe/Consortium administers under an AFA?

No, the Secretary does not have to approve a redesign of a program under the AFA, except when the redesign involves a waiver of a regulation.

(a) The Secretary must approve any waiver, in accordance with subpart J of this part, before redesign takes place.

(b) This section does not authorize redesign of programs where other prohibitions exist.

(c) Redesign shall not result in the Tribe/Consortium being entitled to receive more or less funding for the program from BIA.

(d) Redesign of construction project(s) included in an AFA must be done in accordance with subpart K of this part.

§ 1000.89 Can the terms and conditions in an AFA be amended during the year it is in effect?

Yes, terms and conditions in an AFA may be amended during the year it is in effect as agreed to by both the Tribe/Consortium and the Secretary.

§ 1000.90 What happens if an AFA expires before the effective date of the successor AFA?

If the effective date of the successor AFA is not on or before the expiration of the current AFA, subject to terms mutually agreed upon by the Tribe/Consortium and the Department at the time the current AFA was negotiated or in a subsequent amendment, the Tribe/Consortium may continue to carry out the program authorized under the AFA to the extent adequate resources are available. During this extension period, the current AFA shall remain in effect, including coverage of the Tribe/Consortium under the Federal Tort Claims Act (FTCA) 28 U.S.C. 2671–2680 (1994), and the Tribe/Consortium may use any funds remaining under the AFA, savings from other programs or Tribal funds to carry out the program. Nothing in this section authorizes an AFA to be continued beyond the completion of the program authorized under the AFA or the amended AFA. This section also does not entitle a Tribe/Consortium to receive, nor does it prevent a Tribe from receiving, additional funding under any successor AFA. The successor AFA must provide funding to the Tribe/Consortium at a level necessary for the Tribe/Consortium to perform the programs, functions, services, and activities or portions thereof (PFSAs) for the full period it was or will be performed.

DETERMINING AFA AMOUNTS

§ 1000.91 What funds must be transferred to a Tribe/Consortium under an AFA?

(a) At the option of the Tribe/Consortium, the Secretary must provide the following program funds to the Tribe/Consortium through an AFA:

(1) An amount equal to the amount that the Tribe/Consortium would have been eligible to receive under contracts and grants for direct programs and
contract support under Title I of Pub. L. 93-638, as amended;
(2) Any funds that are specifically or functionally related to providing services and benefits to the Tribe/Consortium or its members by the Secretary without regard to the organizational level within BIA where such functions are carried out; and
(3) Any funds otherwise available to Indian Tribes or Indians for which appropriations are made to agencies other than the Department of the Interior;
(b) Examples of the funds referred to in paragraphs (a)(1) and (a)(2) of this section are:
(1) A Tribe’s/Consortium’s Pub. L. 93-638 contract amounts;
(2) Negotiated amounts of agency, regional and central office funds, including previously undistributed funds or new programs on the same basis as they are made available to other Tribes;
(3) Other recurring funding;
(4) Non-recurring funding;
(5) Special projects, if applicable;
(6) Construction;
(7) Wildland firefighting accounts;
(8) Competitive grants; and
(9) Congressional earmarked funding.
(c) An example of the funds referred to in paragraph (a)(3) of this section is Federal Highway Administration funds.

§ 1000.92 What funds may not be included in an AFA?
Funds associated with programs prohibited from inclusion under section 403(b)(4) of the Act may not be included in an AFA.

§ 1000.93 May the Secretary place any requirements on programs and funds that are otherwise available to Tribes/Consortia or Indians for which appropriations are made to agencies other than DOI?
No, unless the Secretary is required to develop terms and conditions that are required by law or that are required by the agency to which the appropriation is made.

§ 1000.94 What are BIA residual funds?
BIA residual funds are the funds necessary to carry out BIA residual functions. BIA residual functions are those functions that only BIA employees could perform if all Tribes were to assume responsibilities for all BIA programs that the Act permits.

§ 1000.95 How is BIA’s residual determined?
(a) Generally, residual information will be determined through a process that is consistent with the overall process used by the BIA. Residual information will consist of residual functions performed by the BIA, brief justification why the function is not compactible, and the estimated funding level for each residual function. Each regional office and the central office will compile a single document for distribution each year that contains all the residual information of that respective office. The development of the residual information will be based on the following principles. The BIA will:
(1) Develop uniform residual information to be used to negotiate residuals;
(2) Ensure functional consistency throughout BIA in the determination of residuals;
(3) Make the determination of residuals based upon the functions actually being performed by BIA at the respective office;
(4) Annually consult with Tribes on a region-by-region basis as requested by Tribes/Consortia; and
(5) Notify Tribal leaders each year by March 1 of the availability of residual information.
(b) BIA shall use the residual information determined under subparagraph (a) as the basis for negotiating with individual Tribes.
(c) In accordance with the appeals procedures in subpart R of this part, if BIA and a participating Tribe/Consortium disagree over the content of residual functions or amounts, Tribe/Consortium can appeal as shown in the following table.

<table>
<thead>
<tr>

<td>the Deputy Commissioner must make a written determination within 30 days of receiving the request.</td>

§ 1000.96 May a Tribe/Consortium continue to negotiate an AFA pending an appeal of residual functions or amounts?

Yes, pending appeal of a residual function or amount, any Tribe/Consortium may continue to negotiate an AFA using the residual information that is being appealed. The residual information will be subject to later adjustment based on the final determination of a Tribe’s/Consortium’s appeal.

§ 1000.97 What is a Tribal share?

A Tribal share is the amount determined for a particular Tribe/Consortium for a particular program at BIA regional, agency and central office levels under section 403(g)(3) and 405(d) of the Act.

§ 1000.98 How does BIA determine a Tribe’s/Consortium’s share of funds to be included in an AFA?

There are typically two methods for determining the amount of funds to be included in the AFA:

(a) Formula-driven. For formula-driven programs, a Tribe’s/Consortium’s amount is determined by first identifying the residual funds to be retained by BIA and second, by applying the distribution formula to the remaining eligible funding for each program involved.

(1) Distribution formulas must be reasonably related to the function or service performed by an office, and must be consistently applied to all Tribes within each regional and agency office.

(2) The process in paragraph (a) of this section for calculating a Tribe’s funding under self-governance must be consistent with the process used for calculating funds available to non-self-governance Tribes.

(b) Tribal-specific. For programs whose funds are not distributed on a formula basis as described in paragraph (a) of this section, a Tribe’s funding amount will be determined on a Tribe-by-Tribe basis and may differ between Tribes. Examples of these funds may include special project funding, awarded competitive grants, earmarked funding, and construction or other one-time or non-recurring funding for which a Tribe is eligible.

§ 1000.99 Can a Tribe/Consortium negotiate a Tribal share for programs outside its region/agency?

Yes, where BIA services for a particular Tribe/Consortium are provided from a location outside its immediate agency or region, the Tribe may negotiate its share from BIA location where the service is actually provided.

§ 1000.100 May a Tribe/Consortium obtain discretionary or competitive funding that is distributed on a discretionary or competitive basis?

Funds provided for Indian services/programs that have not been mandated by Congress to be distributed on a competitive/discretionary basis may be distributed to a Tribe/Consortium under a formula-driven method. In order to receive such funds, a Tribe/Consortium must be eligible and qualified to receive such funds. A Tribe/Consortium that receives such funds under a formula-driven methodology would no longer be eligible to compete for these funds.

§ 1000.101 Are all funds identified as Tribal shares always paid to the Tribe/Consortium under an AFA?

No, at the discretion of the Tribe/Consortium, Tribal shares may be left,
§ 1000.10106 Establishing Self-Governance Base Budgets

§ 1000.105 What are self-governance base budgets?

(a) A Tribe/Consortium self-governance base budget is the amount of recurring funding identified in the President’s annual budget request to Congress. This amount must be adjusted to reflect subsequent Congressional action. It includes amounts that are eligible to be base transferred or have been base transferred from BIA budget accounts to self-governance budget accounts. As allowed by Congress, self-governance base budgets are derived from:

(1) A Tribe’s/Consortium’s Pub. L. 93–638 contract amounts;
(2) Negotiated agency, regional, and central office amounts;
(3) Other recurring funding;
(4) Special projects, if applicable;
(5) Programmatic shortfall;
(6) Tribal priority allocation increases and decreases;
(7) Pay costs and retirement cost adjustments; and
(8) Any other inflationary cost adjustments.

(b) Self-governance base budgets must not include any non-recurring program funds, construction and wildland firefighting accounts, Congressional earmarks, or other funds specifically excluded by Congress. These funds are negotiated annually and may be included in the AFA but must not be included in the self-governance base budget.

(c) Self-governance base budgets may not include other recurring type programs that are currently in Tribal priority allocations (TPA) such as general assistance, housing improvement program (HIP), road maintenance and contract support. Should these later four programs ever become base transferred to Tribes, then they may be included in a self-governance Tribe’s base budget.

§ 1000.106 Once a Tribe/Consortium establishes a base budget, are funding amounts renegotiated each year?

No, unless otherwise requested by the Tribe/Consortium, these amounts are not renegotiated each year. If a Tribe/
§ 1000.107

Consortium renegotiates funding levels:
(a) It must negotiate all funding levels in the AFA using the process for determining residuals and funding amounts on the same basis as other Tribes; and
(b) It is eligible for funding amounts of new programs or available programs not previously included in the AFA on the same basis as other Tribes.

§ 1000.107 Must a Tribe/Consortium with a base budget or base budget-eligible program amounts negotiated before January 16, 2001 negotiate new Tribal shares and residual amounts?

No, if a Tribe/Consortium negotiated amounts before January 16, 2001, it does not need to renegotiate new Tribal shares and residual amounts.
(a) At Tribal option, a Tribe/Consortium may retain funding amounts that:
(1) Were either base eligible or in the Tribe’s base; and
(2) Were negotiated before this part is promulgated.
(b) If a Tribe/Consortium desires to renegotiate the amounts referred to in paragraph (a) of this section, the Tribe/Consortium must:
(1) Negotiate all funding included in the AFA; and
(2) Use the process for determining residuals and funding amounts on the same basis as other Tribes.
(c) Self-governance Tribes/Consortia are eligible for funding amounts for new or available programs not previously included in the AFA on the same basis as other Tribes/Consortia.

§ 1000.108 How are self-governance base budgets established?
At the request of the Tribe/Consortium, a self-governance base budget identifying each Tribe’s funding amount is included in BIA’s budget justification for the following year, subject to Congressional appropriation.

§ 1000.109 How are self-governance base budgets adjusted?
Self-governance base budgets must be adjusted as follows:
(a) Congressional action. (1) Increases/ decreases as a result of Congressional appropriations and/or a directive in the statement of managers accompanying a conference report on an appropriations bill or continuing resolution.
(2) General decreases due to Congressional action must be applied consistently to BIA, self-governance Tribes/Consortia, and Tribes/Consortia not participating in self-governance.
(3) General increases due to Congressional appropriations must be applied consistently, except where used to achieve equitable distribution among regions and Tribes.
(b) Mistakes. If the Tribe/Consortium or the Secretary can identify and document substantive errors in calculations, the parties will renegotiate such amounts and make every effort to correct the errors.
(c) Mutual agreement. Both the Tribe/Consortium and the Secretary may agree to renegotiate amounts at any time.

Subpart F—Non-BIA Annual Self Governance Compacts and Funding Agreements

PURPOSE

§ 1000.120 What is the purpose of this subpart?
This subpart describes program eligibility, funding, terms, and conditions of AFAs for non-BIA programs.

§ 1000.121 What is an annual funding agreement for a non-BIA program?
Annual funding agreements for non-BIA programs are legally binding and mutually enforceable agreements between a bureau and a Tribe/Consortium participating in the self-governance program that contain:
(a) A description of that portion or portions of a bureau program that are to be performed by the Tribe/Consortium; and
(b) Associated funding, terms and conditions under which the Tribe/Consortium will assume a program, or portion of a program.
Office of the Assistant Secretary, Interior

ELIGIBILITY

§ 1000.122 What non-BIA programs are eligible for inclusion in an annual funding agreement?

Programs authorized by sections 403(b)(2) and 403(c) of the Act are eligible for inclusion in AFAs. The Secretary will publish annually a list of these programs in accordance with section 405(c)(4).

§ 1000.123 Are there non-BIA programs for which the Secretary must negotiate for inclusion in an AFA subject to such terms as the parties may negotiate?

Yes, those programs, or portions thereof, that are eligible for contracting under Pub. L. 93–638.

§ 1000.124 What programs are included under Section 403(b)(2) of the Act?

Those programs, or portions thereof, that are eligible for contracting under Pub. L. 93–638.

§ 1000.125 What programs are included under Section 403(c)?

Department of the Interior programs of special geographic, historical, or cultural significance to participating Tribes, individually or as members of a Consortium, are eligible for inclusion in AFAs under section 403(c).

§ 1000.126 What does “special geographic, historical or cultural” mean?

(a) Geographic generally refers to all lands presently “on or near” an Indian reservation, and all other lands within “Indian country,” as defined by 18 U.S.C. 1151. In addition, “geographic” includes:

(1) Lands of former reservations;
(2) Lands on or near those conveyed or to be conveyed under the Alaska Native Claims Settlement Act (ANCSA);
(3) Judicially established aboriginal lands of a Tribe or a Consortium member or as verified by the Secretary; and
(4) Lands and waters pertaining to Indian rights in natural resources, hunting, fishing, gathering, and subsistence activities, provided or protected by treaty or other applicable law.

(b) Historical generally refers to programs or lands having a particular history that is relevant to the Tribe. For example, particular trails, forts, significant sites, or educational activities that relate to the history of a particular Tribe.

(c) Cultural refers to programs, sites, or activities as defined by individual Tribal traditions and may include, for example:

(1) Sacred and medicinal sites;
(2) Gathering of medicines or materials such as grasses for basket weaving; or
(3) Other traditional activities, including, but not limited to, subsistence hunting, fishing, and gathering.

§ 1000.127 Under Section 403(b)(2), when must programs be awarded non-competitively?

Programs eligible for contracts under Pub. L. 93–638 must be awarded non-competitively.

§ 1000.128 Is there a contracting preference for programs of special geographic, historical, or cultural significance?

Yes, if there is a special geographic, historical, or cultural significance to the program or activity administered by the bureau, the law affords the bureau the discretion to include the programs or activities in an AFA on a non-competitive basis.

§ 1000.129 Are there any programs that may not be included in an AFA?

Yes, section 403(k) of the Act excludes from the program:

(a) Inherently Federal functions; and
(b) Programs where the statute establishing the existing program does not authorize the type of participation sought by the Tribe/Consortium, except as provided in §1000.134.

§ 1000.130 Does a Tribe/Consortium need to be identified in an authorizing statute in order for a program or element of a program to be included in a non-BIA AFA?

No, the Act favors the inclusion of a wide range of programs.
§ 1000.131 Will Tribes/Consortia participate in the Secretary’s determination of what is to be included on the annual list of available programs?

Yes, the Secretary must consult each year with Tribes/Consortia participating in self-governance programs regarding which bureau programs are eligible for inclusion in AFAs.

§ 1000.132 How will the Secretary consult with Tribes/Consortia in developing the list of available programs?

(a) On, or as near as possible to, October 1 of each year, the Secretary must distribute to each participating self-governance Tribe/Consortium the previous year’s list of available programs in accordance with section 405(c)(4) of the Act. The list must include:

(1) All of the Secretary’s proposed additions and revisions for the coming year with an explanation; and

(2) Programmatic targets and an initial point of contact for each bureau.

(b) The Tribes/Consortia receiving the proposed list will have 30 days from receipt to comment in writing on the Secretary’s proposed revisions and to provide additions and revisions of their own for the Secretary to consider.

(c) The Secretary will carefully consider these comments before publishing the list as required by section 405(c)(4) of the Act.

(d) If the Secretary does not plan to include a Tribal suggestion or revision in the final published list, he/she must provide an explanation of his/her reasons if requested by a Tribe.

§ 1000.133 What else is on the list in addition to eligible programs?

The list will also include programmatic targets and an initial point of contact for each bureau. Programmatic targets will be established as part of the consultation process described in §1000.132.

§ 1000.134 May a bureau negotiate with a Tribe/Consortium for programs not specifically included on the annual section 403(c) list?

Yes, the annual list will specify that bureaus will negotiate for other programs eligible under section 403(b)(2) when requested by a Tribe/Consortium.

§ 1000.135 How will a bureau negotiate an annual funding agreement for a program of special geographic, historical, or cultural significance to more than one Tribe?

(a) If a program is of special geographic, historical, or cultural significance to more than one Tribe, the bureau may allocate the program among the several Tribes/Consortia or select one Tribe/Consortium with whom to negotiate an AFA.

(b) In making a determination under paragraph (a) of this section, the bureau will, in consultation with the affected Tribes, consider:

(1) The special significance of each Tribe’s or Consortium member’s interest; and

(2) The statutory objectives being served by the bureau program.

(c) The bureau’s decision will be final for the Department.

§ 1000.136 When will this determination be made?

It will occur during the pre-negotiation process, subject to the timeframes in §1000.171 and §1000.172.

FUNDING

§ 1000.137 What funds are included in an AFA?

Bureaus determine the amount of funding to be included in the AFA using the following principles:

(a) 403(b)(2) programs. In general, funds are provided in an AFA to the Tribe/Consortium in an amount equal to the amount that it is eligible to receive under section 106 of Pub. L. 93–638.

(b) 403(c) programs. (1) The AFA will include:

(i) Amounts equal to the direct costs the bureau would have incurred were it to operate that program at the level of work mutually agreed to in the AFA; and

(ii) Allowable indirect costs.

(2) A bureau is not required to include management and support funds from the regional or central office level in an AFA, unless:
(i) The Tribe/Consortium will perform work previously performed at the regional or central office level;
(ii) The work is not compensated in the indirect cost rate; and
(iii) Including management and support costs in the AFA does not result in the Tribe/Consortium being paid twice for the same work when negotiated indirect cost rate is applied.

(c) Funding Limitations. The amount of funding must be subject to the availability and level of Congressional appropriations to the bureau for that program or activity. As the various bureaus use somewhat differing budgeting practices, determining the amount of funds available for inclusion in the AFA for a particular program or activity is likely to vary among bureaus or programs.

(1) The AFA may not exceed the amount of funding the bureau would have spent for direct operations and indirect support and management of that program in that year.

(2) The AFA must not include funding for programs still performed by the bureau.

§ 1000.138 How are indirect cost rates determined?
The Department’s Office of the Inspector General (OIG) or other cognizant Federal agency and the Tribe/Consortium negotiate indirect cost rates. These rates are based on the provisions of the Office of Management and Budget (OMB) Circular A–87 or other applicable OMB cost circular and the provisions of Title I of Pub. L. 93–638 (See §1000.142). These rates are used generally by all Federal agencies for contracts and grants with the Tribe/Consortium, including self-governance agreements.

§ 1000.139 Will the established indirect cost rates always apply to new AFAs?
No, the established indirect cost rates will not always apply to new AFAs.

(a) A Tribe’s/Consortium’s existing indirect cost rate should be reviewed and renegotiated with the inspector general or other cognizant agency if:
(1) Using the previously negotiated rate would include the recovery of indirect costs that are not reasonable, allocable, or allowable to the relevant program; or
(2) The previously negotiated rate would result in an under-recovery by the Tribe/Consortium.

(b) If a Tribe/Consortium has a fixed amount indirect cost agreement under OMB Circular A–87, then:
(1) Renegotiation is not required and the duration of the fixed amount agreement will be that provided for in the fixed amount agreement; or
(2) The Tribe/Consortium and bureau may negotiate an indirect cost amount or rate for use only in that AFA without the involvement of the inspector general or other cognizant agency.

§ 1000.140 How does the Secretary determine the amount of indirect contract support costs?
The Secretary determines the amount of indirect contract support costs by:
(a) Applying the negotiated indirect cost rate to the appropriate direct cost base;
(b) Using the provisional rate; or
(c) Negotiating the amount of indirect contract support.

§ 1000.141 Is there a predetermined cap or limit on indirect cost rates or a fixed formula for calculating indirect cost rates?
No, indirect cost rates vary from Tribe to Tribe. The Secretary should refer to the appropriate negotiated indirect cost rates for individual Tribes, that apply government-wide. Although this cost rate is not capped, the amount of funds available for inclusion is capped at the level available under the relevant appropriation.

§ 1000.142 Instead of the negotiated indirect cost rate, is it possible to establish a fixed amount or another negotiated rate for indirect costs where funds are limited?
Yes, OMB Circular A–87 encourages agencies to test fee-for-service alternatives. If the parties agree to a fixed price, fee-for-service agreement, then they must use OMB Circular A–87 as a guide in determining the appropriate price (OMB circulars are available at http://www.whitehouse.gov/omb/ or see.
§ 1000.143 May the bureaus negotiate terms to be included in an AFA for non-Indian programs?

Yes, as provided for by section 403(b)(2) and 403(c) and as necessary to meet program mandates.

REALLOCATION, DURATION, AND AMENDMENTS

§ 1000.144 Can a Tribe reallocate funds for a non-BIA non-Indian program?

Yes, section 403(b) permits such reallocation upon joint agreement of the Secretary and the Tribe/Consortium.

§ 1000.145 Do Tribes/Consortia need Secretarial approval to reallocate funds between Title-I eligible programs that the Tribe/Consortium administers under a non-BIA AFA?

No, unless otherwise required by law, the Secretary does not have to approve the reallocation of funds with the exception of construction projects.

§ 1000.146 Can a Tribe/Consortium negotiate an AFA with a non-BIA bureau for which the performance period exceeds one year?

Yes, subject to the terms of the AFA, a Tribe/Consortium and a non-BIA bureau may agree to provide for the performance under the AFA to extend beyond the fiscal year. However, the Department may not obligate funds in excess and advance of available appropriations.

§ 1000.147 Can the terms and conditions in a non-BIA AFA be amended during the year it is in effect?

Yes, terms and conditions in a non-BIA AFA may be amended during the year it is in effect as agreed to by both the Tribe/Consortium and the Secretary.

§ 1000.148 What happens if an AFA expires before the effective date of the successor AFA?

If the effective date of a successor AFA is not on or before the expiration of the current AFA, subject to terms mutually agreed upon by the Tribe/Consortium and the Department at the time the current AFA was negotiated or in a subsequent amendment, the Tribe/Consortium may continue to carry out the program authorized under the AFA to the extent resources permit. During this extension period, the current AFA shall remain in effect, including coverage of the Tribe/Consortium under the Federal Tort Claims Act (FTCA) 28 U.S.C. 2671–2680 (1994); and the Tribe/Consortium may use any funds remaining under the AFA, savings from other programs or Tribal funds to carry out the program. Nothing in this section authorizes an AFA to be continued beyond the completion of the program authorized under the AFA or the amended AFA. This section also does not entitle a Tribe/Consortium to receive, nor does it prevent a Tribe from receiving, additional funding under any successor AFA. The successor AFA must provide funding to the Tribe/Consortium at a level necessary for the Tribe/Consortium to perform the programs, functions, services, and activities (PFSA) or portions thereof for the full period they were or will be performed.

Subpart G—Negotiation Process for Annual Funding Agreements

PURPOSE

§ 1000.160 What is the purpose of this subpart?

This subpart provides the process and timelines for negotiating a self-governance compact with the Department and an AFA with any bureau.

(a) For a newly selected or currently participating Tribe/Consortium negotiating an initial AFA with any bureau, see §§1000.173 through 1000.179.

(b) For a participating Tribe/Consortium negotiating a successor AFA with any bureau, see §§1000.180 through 1000.182.
NEGOTIATING A SELF-GOVERNANCE COMPACT

§ 1000.161 What is a self-governance compact?
A self-governance compact is an executed document that affirms the government-to-government relationship between a self-governance Tribe and the United States. The compact differs from an AFA in that parts of the compact apply to all bureaus within the Department of the Interior rather than a single bureau.

§ 1000.162 What is included in a self-governance compact?
A model format for self-governance compacts appears in appendix A. A self-governance compact should generally include the following:
(a) The authority and purpose;
(b) Terms, provisions, and conditions of the compact;
(c) Obligations of the Tribe and the United States; and
(d) Other provisions.

§ 1000.163 Can a Tribe/Consortium negotiate other terms and conditions not contained in the model compact?
Yes, the Secretary and a self-governance Tribe/Consortium may negotiate into the model compact contained in appendix A additional terms relating to the government-to-government relationship between the Tribe(s) and the United States. For BIA programs, a Tribe/Consortium and the Secretary may agree to include any term in a contract and funding agreement under Title I in the model compact contained in appendix A to this part.

§ 1000.164 Can a Tribe/Consortium have an AFA without entering into a compact?
Yes, at the Tribe’s/Consortium’s option.

§ 1000.165 Are provisions in compacts negotiated before January 16, 2001, effective after implementation?
(a) Yes, all provisions in compacts that were negotiated with BIA before January 16, 2001, shall remain in effect for BIA programs only after January 16, 2001, provided that each compact contains provisions:
(1) That are authorized by the Tribal Self-Governance Act of 1994;
(2) Are in compliance with other applicable Federal laws; and,
(3) Are consistent with this part.
(b) BIA will notify the Tribe/Consortium in writing when BIA asserts that a provision or provisions of that Tribe’s/Consortium’s previously negotiated compact is not in compliance with the terms and conditions of this part. BIA and the Tribe/Consortium will renegotiate the provision within 60 days of the Tribe’s/Consortium’s receipt of the notification.
(c) If renegotiation is not successful within 60 days of the notice being provided, BIA’s determination is final for the bureau and enforceability of the provisions shall be subject to the appeals process described in subpart R of this part. Pending a final appeal through the appeals process, BIA’s determination shall be stayed.

NEGOTIATION OF INITIAL ANNUAL FUNDING AGREEMENTS

§ 1000.166 What are the phases of the negotiation process?
There are two phases of the negotiation process:
(a) The information phase; and
(b) The negotiation phase.

§ 1000.167 Who may initiate the information phase?
Any Tribe/Consortium that has been admitted to the program or to the applicant pool may initiate the information phase.

§ 1000.168 Is it mandatory to go through the information phase before initiating the negotiation phase?
No, a Tribe/Consortium may go directly to the negotiation phase.

§ 1000.169 How does a Tribe/Consortium initiate the information phase?
A Tribe/Consortium initiates the information phase by submitting a letter of interest to the bureau administering a program that the Tribe/Consortium may want to include in its AFA. A letter of interest may be mailed, telefaxed, or hand-delivered to:
§ 1000.170 What is the letter of interest?

A letter of interest is the initial indication of interest submitted by the Tribe/Consortium informing the bureau of the Tribe’s/Consortium’s interest in seeking information for the possible negotiation of one or more bureau programs. For non-BIA bureaus, the program and budget information request should relate to the program and activities identified in the Secretary’s section 405(c) listing in the FEDERAL REGISTER or a section 403(c) request. A letter of interest should identify the following:

(a) As specifically as possible, the program a Tribe/Consortium is interested in negotiating under an AFA;
(b) A preliminary brief explanation of the cultural, historical, or geographic significance to the Tribe/Consortium of the program, if applicable;
(c) The scope of activity that a Tribe/Consortium is interested in including in an AFA;
(d) Other information that may assist the bureau in identifying the programs that are included or related to the Tribe’s/Consortium’s request;
(e) A request for information that indicates the type and/or description of information that will assist the Tribe/Consortium in pursuing the negotiation process;
(f) A designated Tribal contact;
(g) A request for information on any funds that may be available within the bureau or other known possible sources of funding for planning and negotiating an AFA;
(h) A request for information on any funds available within the bureau or from other sources of funding that the Tribe/Consortium may include in the AFA for planning or performing programs or activities;
(i) Any requests for technical assistance to be provided by the bureau in preparing documents of materials that may be required for the Tribe/Consortium in the negotiation process.

§ 1000.171 When should a Tribe/Consortium submit a letter of interest?

A letter of interest may be submitted at any time. To meet the negotiation deadlines below, letters should be submitted to the appropriate non-BIA bureaus by March 1; letters should be submitted to BIA by April 1 for fiscal year Tribes/Consortia or May 1 for calendar year Tribes/Consortia.

§ 1000.172 What steps does the bureau take after a letter of interest is submitted by a Tribe/Consortium?

(a) Within 15 calendar days of receipt of a Tribe’s/Consortium’s letter of interest, the bureau will notify the Tribe/Consortium about who will be designated as the bureau’s representative to be responsible for responding to the Tribal requests for information. The bureau representative shall act in good faith in fulfilling the following responsibilities:
(1) Providing all budget and program information identified in paragraph (b) of this section, from each organizational level of the bureau(s); and
(2) Notifying any other bureau requiring notification and participation under this part.

(b) Within 30 calendar days of receipt of the Tribe’s/Consortium’s letter of interest:
(1) To the extent that such reasonably related information is available, the bureau representative is to provide the information listed in paragraph (c) of this section, if available and consistent with the bureau’s budgetary process;
(2) A written explanation of why the program is unavailable for negotiation.

(c) Information to be made available to the Tribe’s/Consortium’s contact, subject to the conditions of paragraph (b) of this section, includes:
(1) Information regarding program, budget, staffing, and locations of the
§ 1000.174 How and when does the bureau respond to a request to negotiate?

(a) Within 15 days of receiving a Tribe’s/Consortium’s request to negotiate, the bureau will take the steps in this section. If more than one bureau is involved, a lead bureau must be designated to conduct negotiations.

(b) If the program is contained on the section 405(c) list, the bureau will identify the lead negotiator(s) and awarding official(s) for executing the AFA.

(c) If the program is potentially of a special geographic, cultural, or historic significance to a Tribe/Consortium, the bureau will schedule a pre-negotiation meeting with the Tribe/Consortium as soon as possible. The purpose of the meeting is to assist the bureau in determining if the program is available for negotiation.

(d) Within 10 days after convening a meeting under paragraph (c) of this section:

(1) If the program is available for negotiation, the bureau will identify the lead negotiator(s) and awarding official(s); or

(2) If the program is unavailable for negotiation, the bureau will give to the Tribe/Consortium a written explanation of why the program is unavailable for negotiation.
§ 1000.175 What is the process for conducting the negotiation phase?

(a) Within 30 days of receiving a written request to negotiate, the bureau and the Tribe/Consortium will agree to a date to conduct an initial negotiation meeting. Subsequent meetings will be held with reasonable frequency at reasonable times.

(b) Tribe/Consortium and bureau lead negotiators must:
   (1) Be authorized to negotiate on behalf of their government; and
   (2) Involve all necessary persons in the negotiation process.

(c) Once negotiations have been successfully completed, the bureau and Tribe/Consortium will prepare and either execute or disapprove an AFA within 30 days or by a mutually agreed upon date.

§ 1000.176 What issues must the bureau and the Tribe/Consortium address at negotiation meetings?

The negotiation meetings referred to in §1000.175 must address at a minimum the following:

(a) The specific Tribe/Consortium proposal(s) and intentions;

(b) Legal or program issues that the bureau or the Tribe/Consortium identify as concerns;

(c) Options for negotiating programs and related budget amounts, including mutually agreeable options for developing alternative formats for presenting budget information to the Tribe/Consortium;

(d) Dates for conducting and concluding negotiations;

(e) Protocols for conducting negotiations;

(f) Responsibility for preparation of a written summary of the discussions; and

(g) Who will prepare an initial draft of the AFA.

§ 1000.177 What happens when the AFA is signed?

(a) After all parties have signed the AFA, a copy is sent to the Tribe/Consortium.

(b) The Secretary forwards copies of the AFA to:
   (1) The House Subcommittee on Native Americans and Insular Affairs; and
   (2) The Senate Committee on Indian Affairs;

(c) For BIA programs, the AFA is also forwarded to each Indian Tribe/Consortium served by the BIA Agency that serves any Tribe/Consortium that is a party to the AFA.

§ 1000.178 When does the AFA become effective?

The effective date is not earlier than 90 days after the AFA is submitted to the Congressional committees under §1000.177(b).

§ 1000.179 What happens if the Tribe/Consortium and bureau negotiators fail to reach an agreement?

(a) If the Tribe/Consortium and bureau representatives do not reach agreement during the negotiation phase by the mutually agreed to date for completing negotiations, the Tribe/Consortium and the bureau may each make a last and best offer to the other party.

(b) If a last and best offer is not accepted within 15 days, the bureau will provide a written explanation to the Tribe/Consortium explaining its reasons for not entering into an AFA for the requested program, together with the applicable statement prescribed in subpart R of this part, concerning appeal or review rights.

(c) The Tribe/Consortium has 30 days from receipt of the bureau’s written explanation to file an appeal. Appeals are handled in accordance with subpart R of this part.

NEGOITIATION PROCESS FOR SUCCESSOR ANNUAL FUNDING AGREEMENTS

§ 1000.180 What is a successor AFA?

A successor AFA is a funding agreement negotiated after a Tribe’s/Consortium’s initial agreement with a bureau for continuing to perform a particular program. The parties to the AFA should generally use the terms of the existing AFA to expedite and simplify the exchange of information and the negotiation process.

§ 1000.181 How does the Tribe/Consortium initiate the negotiation of a successor AFA?

Although a written request is desirable to document the precise request
and date of the request, a written request is not mandatory. If either party anticipates a significant change in an existing program in the AFA, it should notify the other party of the change at the earliest possible date so that the other party may plan accordingly.

§ 1000.182 What is the process for negotiating a successor AFA?

The Tribe/Consortium and the bureau use the procedures in §§ 1000.173—1000.179.

Subpart H—Limitation and/or Reduction of BIA Services, Contracts, and Funds

§ 1000.190 What is the purpose of this subpart?

This subpart prescribes the process that the Secretary uses to determine whether a BIA self-governance funding agreement causes a limitation or reduction in the services, contracts, or funds that any other Tribe/Consortium or Tribal organization is eligible to receive under self-determination contracts, other self-governance compacts, or direct services from BIA. This type of limitation is prohibited by section 406(a) of Pub. L. 93–638. For the purposes of this subpart, Tribal organization means an organization eligible to receive services, contracts, or funds under section 102 of Pub. L. 93–638.

§ 1000.191 To whom does this subpart apply?

Participating and non-participating Tribes/Consortia and Tribal organizations are subject to this subpart. It does not apply to the general public and non-Indians.

§ 1000.192 What services, contracts, or funds are protected under section 406(a)?

Section 406(a) protects against the actual reduction or limitations of services, contracts, or funds.

§ 1000.193 Who may raise the issue of limitation or reduction of services, contracts, or funding?

BIA or any affected Tribe/Consortium or Tribal organization may raise the issue that a BIA self-governance AFA limits or reduces particular services, contracts, or funding for which it is eligible.

§ 1000.194 When must BIA raise the issue of limitation or reduction of services, contracts, or funding?

(a) From the beginning of the negotiation period until the end of the first year of implementation of an AFA, BIA may raise the issue of limitation or reduction of services, contracts, or funding. If BIA and a participating Tribe/Consortium disagree over the residual information, a participating Tribe/Consortium may ask the Deputy Commissioner—Indian Affairs to reconsider residual levels for particular programs. [See §1000.95(d)]

(b) After the AFA is signed, BIA must raise the issue of any undetermined funding amounts within 30 days after the final funding level is determined. BIA may not raise this issue after this period has elapsed.

§ 1000.195 When must an affected Tribe/Consortium or Tribal organization raise the issue of a limitation or reduction of services, contracts, or funding for which it is eligible?

(a) A Tribe/Consortium or Tribal organization may raise the issue of limitation or reduction of services, contracts, or funding for which it is eligible during:

(1) Region-wide Tribal shares meetings occurring before the first year of implementation of an AFA;

(2) Within the 90-day review period before the effective date of the AFA; and

(3) The first year of implementation of an AFA.

(b) Any Tribe/Consortium or Tribal organization claiming a limitation or reduction of contracts, services, or funding for which it is eligible must notify, in writing, both the Department and negotiating Tribe/Consortium. Claims may only be filed within the periods specified in paragraph (a) of this section.
§ 1000.196 What must be included in a finding by BIA or in a claim by an affected Tribe/Consortium or Tribal organization regarding the issue of a limitation or reduction of services?

(a) To set up a meeting, the Tribe/Consortium should contact:

(1) For BIA programs, the Director, OSG; or

(2) For non-BIA programs, the designated representative of the bureau.

(b) The meeting or discussion is intended to provide:

(1) A clear understanding of the nature of the request;

(2) Necessary background and information; and

(3) An opportunity for the bureau to offer appropriate technical assistance.

§ 1000.225 Are meetings or discussions mandatory?

No, a meeting with the bureau officials is not necessary to submit a waiver request.

(d) When it would result in a reduction of the level of trust services that would have been provided by the Secretary to individual Indians (section 403(g)(4));
(e) When it would limit or reduce the services, contracts, or funds to any other Indian Tribe or Tribal organization (section 406(a));

The Tribe/Consortium and bureau officials must negotiate to develop a suggested substitution.

§ 1000.230 How is a waiver approval documented for the record?

An example of a non-severable phase of a project would be the construction of a single building serving all members of the Consortium. An example of a severable phase of a project would be the funding for a road in one village where the Consortium would be able to complete the roads in the other villages that were part of the project approved initially in the AFA. (f) The amount of funds, if any, that the Secretary believes the Tribe/Consortium should refund to the Department for operation of the reassumed program. This amount cannot exceed the amount provided for that program under the AFA and must be based on such factors as the time or functions remaining in the funding cycle.

§ 1000.309 How much time will a Tribe/Consortium have to respond to a notice of imminent jeopardy?

The Tribe/Consortium will have 5 days to respond to a notice of imminent jeopardy. The response must be written and may be mailed, telefaxed, or sent by electronic mail. If sent by mail, it must be sent by certified mail, return receipt requested; the postmark date will be considered the date of response.

§ 1000.310 What information must the Tribe’s/Consortium’s response contain?

(a) The Tribe’s/Consortium’s response must indicate the specific measures that the Tribe/Consortium will take to eliminate the finding of imminent jeopardy.
(b) If the Tribe/Consortium proposes mitigating actions different from those prescribed in the Secretary’s notice of imminent jeopardy, the response must explain the reasons for deviating from the Secretary’s recommendations and how the proposed actions will eliminate imminent jeopardy.

§ 1000.311 How will the Secretary reply to the Tribe’s/Consortium’s response?

The Secretary will make a written determination within 10 days of the Tribe’s/Consortium’s written response as to whether the proposed measures will eliminate the finding of imminent jeopardy.
§ 1000.312 What happens if the Secretary accepts the Tribe's/Consortium's proposed measures?

The Secretary must notify the Tribe/Consortium in writing of the acceptance and suspend the reassumption process.

§ 1000.313 What happens if the Secretary does not accept the Tribe's/Consortium's proposed measures?

(a) If the Secretary finds that the Tribes/Consortium proposed measures will not mitigate imminent jeopardy, he/she will notify the Tribe/Consortium in writing of this determination and of the Tribe's/Consortium's right to appeal.

(b) After the reassumption, the Secretary is responsible for the reassumed program, and will take appropriate corrective action to eliminate the imminent jeopardy which may include sending Department employees to the site.

§ 1000.314 What must a Tribe/Consortium do when a program is reassumed?

On the effective date of reassumption, the Tribe/Consortium must, at the request of the Secretary, deliver all property and equipment, and title thereto:

(a) That the Tribe/Consortium received for the program under the AFA; and

(b) That has a per item value in excess of $5,000, or as otherwise provided in the AFA.

§ 1000.315 When must the Tribe/Consortium return funds to the Department?

The Tribe/Consortium must repay funds to the Department as soon as practical after the effective date of the reassumption.

§ 1000.316 May the Tribe/Consortium be reimbursed for actual and reasonable "wind up costs" incurred after the effective date of retrocession?

Yes, the Tribe/Consortium may be reimbursed for actual and reasonable "wind up costs" to the extent that funds are available.

§ 1000.317 Is a Tribe's/Consortium's general right to negotiate an AFA adversely affected by a reassumption action?

A reassumption action taken by the Secretary does not affect the Tribe's/Consortium's ability to negotiate an AFA for programs not affected by the reassumption.

§ 1000.318 When will the Secretary return management of a reassumed program?

A reassumed program may be included in future AFAs, but the Secretary may include conditions in the terms of the AFA to ensure that the circumstances that caused jeopardy to attach do not reoccur.

Subpart N—Retrocession

§ 1000.330 What is the purpose of this subpart?

This subpart explains what happens when a Tribe/Consortium voluntarily returns a program to a bureau.

§ 1000.331 Is a decision by a Tribe/Consortium not to include a program in a successor agreement considered a retrocession?

No, a decision by a Tribe/Consortium not to include a program in a successor agreement is not a retrocession because the Tribe/Consortium is under no obligation beyond an existing AFA.

§ 1000.332 Who may retrocede a program in an AFA?

A Tribe/Consortium may retrocede a program. However, the right of a Consortium member to retrocede may be subject to the terms of the agreement among the members of the Consortium.

§ 1000.333 How does a Tribe/Consortium retrocede a program?

The Tribe/Consortium must submit:

(a) A written notice to:

(1) The Office of Self-Governance for BIA programs; or

(2) The appropriate bureau for non-BIA programs; and

(b) A Tribal resolution or other official action of its governing body.
§ 1000.334 When will the retrocession become effective?

Unless subsequently rescinded by the Tribe/Consortium, a retrocession is only effective on a date mutually agreed upon by the Tribe/Consortium and the Secretary, or as provided in the AFA.

§ 1000.335 How will retrocession affect the Tribe's/Consortium's existing and future AFAs?

Retrocession does not affect other parts of the AFA or funding agreements with other bureaus. A Tribe/Consortium may request to negotiate for and include retroceded programs in future AFAs or through a self-determination contract.

§ 1000.336 Does the Tribe/Consortium have to return funds used in the operation of a retroceded program?

The Tribe/Consortium and the Secretary must negotiate the amount of funding to be returned to the Secretary for the operation of the retroceded program. This amount must be based on such factors as the time remaining or functions remaining in the funding cycle or as provided in the AFA.

§ 1000.337 Does the Tribe/Consortium have to return property used in the operation of a retroceded program?

On the effective date of any retrocession, the Tribe/Consortium must return all property and equipment, and title thereto:

(a) That was acquired under the AFA for the program being retroceded; and

(b) That has a per item value in excess of $5,000 at the time of the retrocession, or as otherwise provided in the AFA.

§ 1000.338 What happens to a Tribe's/Consortium's mature contract status if it has retroceded a program that is also available for self-determination contracting?

Retrocession has no effect on mature contract status, provided that the 3 most recent audits covering activities administered by the Tribe have no unresolved material audit exceptions.

§ 1000.339 How does retrocession affect a bureau's operation of the retroceded program?

The level of operation of the program will depend upon the amount of funding that is returned with the retrocession.

Subpart O—Trust Evaluation Review

§ 1000.350 What is the purpose of this subpart?

This subpart describes how the trust responsibility of the United States is legally maintained through a system of trust evaluations when Tribes/Consortia perform trust functions through AFAs under the Tribal Self-Governance Act of 1994. It describes the principles and processes upon which trust evaluations will be based.

§ 1000.351 Does the Tribal Self-Governance Act of 1994 alter the trust responsibility of the United States to Indian Tribes and individuals under self-governance?

No, the Act does, however, permit a Tribe/Consortium to assume management responsibilities for trust assets and resources on its own behalf and on behalf of individual Indians. Under the Act, the Secretary has a trust responsibility to conduct annual trust evaluations of Tribal performance of trust functions to ensure that Tribal and individual trust assets and resources are managed in accordance with the legal principles and standards governing the performance of trust functions if trust assets or resources are found to be in imminent jeopardy.

§ 1000.352 What are “trust resources” for the purposes of the trust evaluation process?

(a) Trust resources include property and interests in property:

(1) That are held in trust by the United States for the benefit of a Tribe or individual Indians; or

(2) That are subject to restrictions upon alienation.

(b) Trust assets include:

(1) Other assets, trust revenue, royalties, or rental, including natural resources, land, water, minerals, funds,
§ 1000.353 What are “trust functions” for the purposes of the trust evaluation process?

Trust functions are those programs necessary to the management of assets held in trust by the United States for an Indian Tribe or individual Indian.

ANNUAL TRUST EVALUATIONS

§ 1000.354 What is a trust evaluation?

A trust evaluation is an annual review and evaluation of trust functions performed by a Tribe/Consortium to ensure that the functions are performed in accordance with trust standards as defined by Federal law. Trust evaluations address trust functions performed by the Tribe/Consortium for the benefit of individual Indians or Alaska Natives.

§ 1000.355 How are trust evaluations conducted?

(a) Each year the Secretary’s designated representative(s) will conduct trust evaluations for each self-governance AFA. The Secretary’s designated representative(s) will coordinate with the designated Tribe’s/Consortium’s representative(s) throughout the review process, including the written report required by §1000.365.

(b) This section describes the general framework for trust reviews. However, each Tribe/Consortium may develop, with the appropriate bureau, an individualized trust evaluation process to allow for the Tribe’s/Consortium’s unique history and circumstances and the terms and conditions of its AFA. An individualized trust evaluation process must, at a minimum, contain the measures in paragraph (d) of this section.

(c) To facilitate the review process so as to mitigate costs and maximize efficiency, each Tribe/Consortium must provide access to all records, plans, and other pertinent documents relevant to the program(s) under review not otherwise available to the Department.

(d) The Secretary’s designated representative(s) will:

1. Review trust transactions;
2. Conduct on-site inspections of trust resources, as appropriate;
3. Review compliance with applicable statutory and regulatory requirements;
4. Review compliance with the trust provisions of the AFA;
5. Ensure that the same level of trust services is provided to individual Indians as would have been provided by the Secretary;
6. Document deficiencies in the performance of trust functions discovered during the review process; and
7. Ensure the fulfillment of the Secretary’s trust responsibility to Tribes and individual Indians by documenting the existence of:
   (i) Systems of internal controls;
   (ii) Trust standards; and
   (iii) Safeguards against conflicts of interest in the performance of trust functions.

(e) At the request of a Tribe/Consortium, at the time the AFA is negotiated, the standards will be negotiated, except where standards are otherwise provided for by law.

§ 1000.356 May the trust evaluation process be used for additional reviews?

Yes, if the parties agree.

§ 1000.357 May the parties negotiate standards of review for purposes of the trust evaluation?

Yes, unless standards are otherwise provided by Federal treaties, statutes, case law or regulations not waived, the Secretary’s designated representative will negotiate standards of review at the request of the Tribe/Consortium.

1082
§ 1000.358 Can an initial review of the status of the trust asset be conducted?

If the parties agree and it is practical, the Secretary may determine the status of the trust resource at the time of the transfer of the function or at a later time.

§ 1000.359 What are the responsibilities of the Secretary’s designated representative(s) after the annual trust evaluation?

The Secretary’s representative(s) must prepare a written report documenting the results of the trust evaluation.

(a) Upon Tribal/Consortium request, the representative(s) will provide the Tribal/Consortium representative(s) with a copy of the report for review and comment before finalization.

(b) The representative(s) will attach to the report any Tribal/Consortium comments that the representative does not accept.

§ 1000.360 Is the trust evaluation standard or process different when the trust asset is held in trust for an individual Indian or Indian allottee?

No, Tribes/Consortia are under the same obligation as the Secretary to perform trust functions and related activities in accordance with trust protection standards and principles whether managing Tribally or individually owned trust assets. The process for conducting annual trust evaluations of Tribal performance of trust functions on behalf of individual Indians is the same as that used in evaluating performance of Tribal trust functions.

§ 1000.361 Will the annual review include a review of the Secretary’s residual trust functions?

Yes, if the annual evaluation reveals that deficient performance of a trust function is due to the action or inaction of a bureau, the evaluation report will note the deficiency and the appropriate Department official will be notified of the need for corrective action. The review of the Secretary’s trust functions shall be based on the standards in this subpart, other applicable law, and other Federal law.

§ 1000.362 What are the consequences of a finding of imminent jeopardy in the annual trust evaluation?

(a) A finding of imminent jeopardy triggers the Federal reassumption process (see subpart M of this part), unless the conditions in paragraph (b) of this section are met.

(b) The reassumption process will not be triggered if the Secretary’s designated representative determines that the Tribe/Consortium:

(1) Can cure the conditions causing jeopardy within 60 days; and

(2) Will not cause significant loss, harm, or devaluation of a trust asset, natural resources, or the public health and safety.

§ 1000.363 What if the trust evaluation reveals problems that do not rise to the level of imminent jeopardy?

Where problems not rising to the level of imminent jeopardy are caused by Tribal action or inaction, the conditions must be:

(a) Documented in the annual trust evaluation report;

(b) Reported to the Secretary; and

(c) Reported in writing to:

(1) The governing body of the Tribe; and

(2) In the case of a Consortium, to the governing body of each Tribe on whose behalf the Consortium is performing the trust functions.

§ 1000.364 Who is responsible for corrective action?

The Tribe/Consortium is primarily responsible for identifying and implementing corrective actions for matters contained in the AFA, but the Department may also suggest possible corrective measures for Tribal consideration.

§ 1000.365 What are the requirements of the review team report?

A report summarizing the results of the trust evaluation will be prepared and copies provided to the Tribe/Consortium. The report must:

(a) Be written objectively, concisely, and clearly; and

(b) Present information accurately and fairly, including only relevant and adequately supported information, findings, and conclusions.
§ 1000.366 Can the Department conduct more than one trust evaluation per Tribe per year?

Trust evaluations are normally conducted annually. When the Department receives information of a threat of imminent jeopardy to a trust asset, natural resource, or the public health and safety, the Secretary, as trustee, may conduct a preliminary investigation. If the preliminary investigation shows that appropriate, sufficient data are present to indicate there may be imminent jeopardy, the Secretary’s designated representative:

(a) Will notify the Tribe/Consortium in writing; and

(b) May conduct an on-site inspection upon 2 days’ advance written notice to the Tribe/Consortium.

§ 1000.367 Will the Department evaluate a Tribe’s/Consortium’s performance of non-trust related programs?

This depends on the terms contained in the AFA.

Subpart P—Reports

§ 1000.380 What is the purpose of this subpart?

This subpart describes what reports are developed under self-governance.

§ 1000.381 How is information about self-governance developed and reported?

Annually, the Secretary will compile a report on self-governance for submission to the Congress. The report will be based on:

(a) Audit reports routinely submitted by Tribes/Consortia;

(b) The number of retrocessions requested by Tribes/Consortia in the reporting year;

(c) The number of reassumptions that occurred in the reporting year;

(d) Federal reductions-in-force and reorganizations resulting from self-governance activity;

(e) The type of residual functions and amount of residual funding retained by BIA; and

(f) An annual report submitted to the Secretary by each Tribe/Consortium as described in

§ 1000.382 What may the Tribe’s/Consortium’s annual report on self-governance address?

(a) The Tribe’s/Consortium’s annual self-governance report may address:

(1) A list of unmet Tribal needs in order of priority;

(2) The approved, year-end Tribal budget for the programs and services funded under self-governance, summarized and annotated as the Tribe may deem appropriate;

(3) Identification of any reallocation of trust programs;

(4) Program and service delivery highlights, which may include a narrative of specific program redesign or other accomplishments or benefits attributed to self-governance; and

(5) At the Tribe’s/Consortium’s option, a summary of the highlights of the report referred to in paragraph (a)(2) of this section and other pertinent information the Tribes may wish to report.

(b) The report submitted under this section is intended to provide the Department with information necessary to meet its Congressional reporting responsibilities and to fulfill its responsibility as an advocate for self-governance. The Tribal reporting requirement is not intended to be burdensome, and Tribes are encouraged to design and present the report in a brief and concise manner.

Subpart Q—Miscellaneous Provisions

§ 1000.421 What is the purpose of this subpart?

This subpart prescribes the process Tribes/Consortia may use to resolve disputes with the Department arising before or after execution of an AFA or compact and certain other disputes related to self-governance. It also describes the administrative process for reviewing disputes related to compact provisions. This subpart describes the process for administrative appeals to:

(a) The Interior Board of Indian Appeals (IBIA) for certain pre-AFA disputes;
(b) The Interior Board of Contract Appeals (IBCA) for certain post-AFA disputes;
(c) The Assistant Secretary for the bureau responsible for certain disputed decisions;

(e) The agency head for certain pre-award AFA disputes.

§ 1000.422 How must disputes be handled?

(a) The Department encourages its Bureaus to seek all means of dispute resolution before the Tribe/Consortium files a formal appeal(s).

(b) Disputes shall be addressed through government-to-government discourse. This discourse must be respectful of government-to-government relationships and relevant Federal-Tribal agreements, treaties, judicial decisions, and policies pertaining to Indian Tribes.

(c) Title I-eligible program disputes may use an informal conference as set forth in 25 CFR 900.153–157.

Yes, the following types of decisions are not administratively appealable under this subpart but may be appealable under other substantive provisions of the Code of Federal Regulations:

(a) Decisions relating to planning and negotiation grants (subparts C and D of this part) and certain discretionary grants not awarded under Title IV (25 CFR part 2);

(d) Decisions regarding construction (subpart K of this part) addressed in §1000.251(b); and

(e) Decisions under any other statute, such as the Freedom of Information Act and the Privacy Act (see 43 CFR part 2).

§ 1000.424 Does a Tribe/Consortium have a right to an informal conference to resolve any disputes?

Yes, the Tribe/Consortium may request an informal conference (a non-binding alternative dispute resolution process). An informal conference is a way to resolve both Title I-eligible program and other disputes as quickly as possible, without the need for a formal appeal.

§ 1000.425 How does a Tribe/Consortium request an informal conference?

The Tribe/Consortium shall file its request for an informal conference with the office of the person whose decision it is appealing, within 30 days of the day it receives the decision.

(a) The Tribe/Consortium may either hand-deliver the request for an informal conference to that person’s office, fax the request with confirmation or mail it by certified mail, return receipt requested.

(b) If the Tribe/Consortium mails the request, it will be considered filed on the date the Tribe/Consortium mailed it by certified mail.

§ 1000.426 How is an informal conference held?

For all purposes relating to these informal conference procedures, the parties are the designated representatives of the Tribe/Consortium and the bureau.

(a) The informal conference shall be held within 30 days of the date the request was received, unless the parties agree on another date.

(b) Where practicable, at the option of the Tribe/Consortium, the informal conference will be held at the Tribe’s/Consortium’s office. If the meeting cannot be held at the Tribe’s/Consortium’s office, the parties must agree on an alternative meeting place.

(c) The informal conference shall be conducted by a designated representative of the Secretary.

(d) Only the parties may make presentations at the informal conference.

(e) The informal conference is not a hearing on the record. Nothing said during an informal conference may be used by either party in litigation.

§ 1000.427 What happens after the informal conference?

(a) Within 10 business days of the informal conference, the person who conducted the informal conference shall mail to the Tribe/Consortium a brief summary of the informal conference. The summary must include any agreements reached or changes from the initial position of the bureau or the Tribe/Consortium.

(b) If in its judgment no agreement was reached, the Tribe/Consortium may choose to appeal the initial decision, as modified by any changes made as a result of the informal conference, under §1000.421 of this subpart to the IBIA, bureau head/Assistant Secretary, or IBCA.

§ 1000.428 How may a Tribe/Consortium appeal a decision made after the AFA or compact or amendment to an AFA or compact has been signed?

With the exception of certain decisions concerning reassignment for imminent jeopardy (see §1000.408 of this subpart), the Tribe/Consortium may appeal post-award administrative decisions to the IBCA.
§ 1000.429 What statutes and regulations govern resolution of disputes concerning signed AFAs or compacts that are appealed to IBCA?

Section 110 of Pub. L. 93–638 (25 U.S.C. 450m–1) and the regulations at 25 CFR 900.216–900.230 apply to disputes concerning signed AFAs and compacts that are appealed to the IBCA, except that any references to the Department of Health and Human Services are inapplicable. For the purposes of such appeals:

(a) The terms “contract” and “self-determination contract” mean compacts and AFAs under the Tribal Self-Governance Act; and

(b) The term “Tribe” means “Tribe/Consortium”.

§ 1000.430 To whom are appeals directed regarding reassumption for imminent jeopardy?

Appeals regarding reassumption of Title I-eligible PFSAs are handled by the IBIA under those procedures set out in 25 CFR 900.171 through 900.176. Appeals regarding reassumption of PFSAs that are not Title I-eligible are handled by the IBCA under those procedures set out in 43 CFR part 4.

§ 1000.431 Does the Equal Access to Justice Act (EAJA) apply to appeals under this subpart?

Yes, EAJA claims against the DOI will be heard by IBIA or IBCA, as appropriate, under 43 CFR 4.601 through 4.619, Equal Access to Justice Act (Pub. L. No. 96–481, 92 Stat. 2325, as amended), section 504 of Title 5 U.S.C. and Section 2412 of Title 28 U.S.C.

§ 1000.432 To whom may a Tribe appeal a decision made before the AFA or an amendment to the AFA or compact is signed?

(a) Title I-eligible PFSAs. Appeals for Title I-eligible PFSAs are handled by the IBIA under those procedures set out in 25 CFR 900.150(a) through (h), 900.152 through 900.169.

(b) Other pre-award disputes. For all other pre-award disputes, including those involving PFSAs that are not Title I-eligible, appeals may be filed with the bureau head/Assistant Secretary or IBIA as noted below. However, the Tribe/Consortium may not avail itself of both paths for the same dispute.

(1) Bureau head/Assistant Secretary appeal. Unless the initial decision being appealed is one that was made by the bureau head (those appeals are forwarded to the appropriate Assistant Secretary—see §1000.433(c) of this subpart), the bureau head will decide appeals relating to these pre-award matters, that include but are not limited to disputes regarding:

(i) PFSAs that are not Title I-eligible;

(ii) Eligibility for the applicant pool of self-governance Tribes;

(iii) BIA residual functions;

(iv) Decisions declining to provide requested information as addressed in §1000.172 of this part;

(v) Allocations of program funds when a dispute arises between a Consortium and a withdrawing Tribe; and

(vi) Inherently Federal functions.

(2) IBIA appeal. The Tribe/Consortium may choose to forego the administrative appeal through the bureau or the Assistant Secretary, as described in the paragraph (b)(1) of this section, and instead appeal directly to IBIA. The standard of review for such IBIA appeals will be an “abuse of discretion” standard.

§ 1000.433 When and how must a Tribe/Consortium appeal an adverse pre-award decision?

(a) If a Tribe/Consortium wishes to exercise its appeal rights under §1000.432(b)(1), it must make a written request for review to the appropriate bureau head within 30 days of receiving the initial adverse decision. In addition, the Tribe/Consortium may request the opportunity to have a meeting with appropriate bureau personnel in an effort to clarify the matter under dispute before a formal decision by the bureau head.

(b) The written request for review should include a statement describing its reasons for a review, with any supporting documentation, or indicate that such a statement or documentation will be submitted within 30 days. A copy of the request must also be sent to the Director of the Office of Self-Governance.
§ 1000.434 When must the bureau head (or appropriate Assistant Secretary) issue a final decision in the pre-award appeal?

Within 30 days of receiving the request for review and the statement of reasons described in §1000.433, the bureau head or, where applicable, the appropriate Assistant Secretary must:

(a) Issue a written final decision stating the reasons for the decision; and

(b) Send the decision to the Tribe/Consortium.

§ 1000.435 When and how will the Assistant Secretary respond to an appeal by a Tribe/Consortium?

The appropriate Assistant Secretary will decide an appeal of any initial decision made by a bureau head (see §1000.433). If the Tribe/Consortium has appealed the bureau’s initial adverse decision of the bureau to the bureau head and the bureau head’s decision on initial appeal is contrary to the Tribe’s/Consortium’s request for relief, or the bureau head fails to make a decision within 30 days of receipt of the Tribe’s/Consortium’s initial request for review and any accompanying statement and documentation, the Tribe’s/Consortium’s appeal will be sent automatically to the appropriate Assistant Secretary for decision. The Assistant Secretary must either concur with the bureau head’s decision or issue a separate decision within 60 days of receipt by the bureau of the Tribe’s/Consortium’s initial request for review and any accompanying statement and documentation. The decision of the Assistant Secretary is final for the Department.

§ 1000.436 How may a Tribe/Consortium seek reconsideration of the Secretary’s decision involving a self-governance compact?

A Tribe/Consortium may request reconsideration of the Secretary’s decision involving a self-governance compact by sending a written request for reconsideration to the Secretary within 30 days of receipt of the decision. A copy of this request must also be sent to the Director of the Office of Self-Governance.

§ 1000.437 When will the Secretary respond to a request for reconsideration of a decision involving a self-governance compact?

The Secretary must respond in writing to the Tribe/Consortium within 30 days of receipt of the Tribe’s/Consortium’s request for reconsideration.

§ 1000.438 May Tribes/Consortia appeal Department decisions to a Federal court?

Yes, Tribes/Consortia may appeal decisions of Department officials relating to the self-governance program to an appropriate Federal court, as authorized by section 110 of Pub. L. 93–638 (25 U.S.C. 405m–1), or any other applicable law.

Subpart S—Conflicts of Interest

§ 1000.460 What is an organizational conflict of interest?

(a) An organizational conflict of interest arises when there is a direct conflict between the financial interests of the self-governance Tribe/Consortium and:

1. The financial interests of beneficial owners of Indian trust resources;

2. The financial interests of the United States relating to trust resources, trust acquisitions, or lands conveyed or to be conveyed under the Alaska Native Claims Settlement Act 43 U.S.C. 1601 et seq.; or

3. An express statutory obligation of the United States to third parties. This section only applies if the conflict was not addressed when the AFA was first negotiated.

(b) This section only applies where the financial interests of the Tribe/Consortium are significant enough to impair the Tribe’s/Consortium’s objectivity in carrying out the AFA, or a portion of the AFA.
§ 1000.461 What must a Tribe/Consortium do if an organizational conflict of interest arises under an AFA?

This section only applies if the conflict was not addressed when the AFA was first negotiated. When a Tribe/Consortium becomes aware of an organizational conflict of interest, the Tribe/Consortium must immediately disclose the conflict to the Secretary.

§ 1000.462 When must a Tribe/Consortium regulate its employees or subcontractors to avoid a personal conflict of interest?

A Tribe/Consortium must maintain written standards of conduct to govern officers, employees, and agents (including subcontractors) engaged in functions related to the management of trust assets.

§ 1000.463 What types of personal conflicts of interest involving tribal officers, employees or subcontractors would have to be regulated by a Tribe/Consortium?

The Tribe/Consortium would need a tribally-approved mechanism to ensure that no officer, employee, or agent (including a subcontractor) of the Tribe/Consortium reviews a trust transaction in which that person has a financial or employment interest that conflicts with that of the trust beneficiary, whether the tribe/consortium or an allottee. Interests arising from membership in, or employment by, a Tribe/Consortium or rights to share in a tribal claim need not be regulated.

§ 1000.464 What personal conflicts of interest must the standards of conduct regulate?

The personal conflicts of interest standards must:
(a) Prohibit an officer, employee, or agent (including a subcontractor) from participating in the review, analysis, or inspection of trust transactions involving an entity in which such persons have a direct financial interest or an employment relationship;
(b) Prohibit such officers, employees, or agents from accepting any gratuity, favor, or anything of more than nominal value, from a party (other than the Tribe/Consortium) with an interest in the trust transactions under review; and
(c) Provide for sanctions or remedies for violation of the standards.

§ 1000.465 May a Tribe/Consortium negotiate AFA provisions on conflicts of interest to take the place of this subpart?

(a) A Tribe/Consortium and the Secretary may agree to AFA provisions, concerning either personal or organizational conflicts, that:
(1) Address the issues specific to the program and activities contracted; and
(2) Provide equivalent protection against conflicts of interest to these regulations.
(b) Agreed-upon AFA provisions shall be followed, rather than the related provisions of this subpart. For example, the Tribe/Consortium and the Secretary may agree that using the Tribe’s/Consortium’s own written code of ethics satisfies the objectives of the personal conflicts provisions of subpart, in whole or in part.

APPENDIX A TO PART 1000—MODEL COMPACT OF SELF-GOVERNANCE BETWEEN THE TRIBE AND THE DEPARTMENT OF THE INTERIOR

ARTICLE I—AUTHORITY AND PURPOSE

Section 1—Authority

This agreement, denoted a compact of Self-Governance (hereinafter referred to as the “compact”), is entered into by the Secretary of the Interior (hereinafter referred to as the “Secretary”), for and on behalf of the United States of America under the authority granted by Title IV of the Indian Self Determination and Education Assistance Act, Pub. L. 93–638, as amended, that built upon the Self Governance Demonstration Project, and transfer control to Tribal governments, upon Tribal request and through negotiation with the United States government, over funding and decision-making of certain Federal programs as an effective way to implement the Federal policy of government-to-government relations with Indian Tribes.
(b) This compact is to enable the United States to maintain and improve its unique
§ 1000.465

and continuing relationship with and responsibility to the Tribe through Tribal self-governance, so that the Tribe may take its rightful place in the family of governments; remove Federal obstacles to effective self-governance; reorganize Tribal government programs and services; achieve efficiencies in service delivery; and provide a documented example for the development of future Federal Indian policy. This policy of Tribal self-governance shall permit an orderly transition from Federal domination of Indian programs and services to allow Indian Tribes meaningful authority to plan, conduct, and administer those programs and services to meet the needs of their people. In implementing Self-Governance, the Bureau of Indian Affairs is expected to provide the same level of service to other Tribal governments and to demonstrate new policies and methods to improve service delivery and address Tribal needs. In fulfilling its responsibilities under the compact, the Secretary hereby pledges that the Department will conduct all relations with the Tribe on a government-to-government basis.

ARTICLE II—TERMS, PROVISIONS AND CONDITIONS

Section 1—Term

This compact shall be effective when signed by the Secretary or an authorized representative and the authorized representative of the Tribe. The term of this compact shall commence [negotiated effective date] and must remain in effect as provided by Federal law or agreement of the parties.

Section 2—Funding Amount

In accordance with Section 403(c) of Title IV of Pub. L. 93–638, as amended, and subject to the availability of appropriations, the Secretary shall provide to the Tribe the total amount specified in each annual funding agreement.

Section 3—Reports to Congress

To implement Section 405 of Pub. L. 93–638, as amended, on each January 1 throughout the period of the compact, the Secretary shall make a written report to the Congress that shall include the views of the Tribe concerning the matters encompassed by Section 405(b) and (d).

The Tribe shall abide by all Federal regulations as published in the Federal Register unless waived in accordance with Section 403(1)(2) of Pub. L. 93–638, as amended.

Section 5—Tribal Administrative Procedure

The Tribe shall provide administrative due process right under the Indian Civil Rights Act of 1968, 25 U.S.C. 1301, et seg., to protect all rights and interests that Indians, or groups of Indians, may have with respect to services, activities, programs, and functions that are provided under the compact.

ARTICLE III—OBLIGATIONS OF THE TRIBE

Section 1—AFA Programs

The Tribe will perform the programs as provided in the specific AFA negotiated under the Act. The Tribe pledges to practice utmost good faith in upholding its responsibility to provide such programs, under the Act.

Section 2—Trust Services for Individual Indians

To the extent that the AFAs have provisions for trust services to individual Indians that were formerly provided by the Secretary, the Tribe will maintain at least the same level of service as was previously provided by the Secretary. The Tribe pledges to practice utmost good faith in upholding their responsibility to provide such service.

ARTICLE IV—OBLIGATIONS OF THE UNITED STATES

Section 1—Trust Responsibility

The United States reaffirms the trust responsibility of the United States to the Tribe(s) to protect and conserve the trust resources of the Tribe(s) and the trust resources of individual Indians associated with this compact and any annual funding agreement negotiated under the Tribal Self-Governance Act.

Section 2—Trust Evaluations

Under Section 403(d) of Pub. L. 93–638, as amended, annual funding agreements negotiated between the Secretary and an Indian Tribe shall include provisions to monitor the performance of trust functions by the Tribe through the annual trust evaluation.

ARTICLE V—OTHER PROVISIONS

Section 1—Facilitation

Nothing in this compact may be construed to terminate, waive, modify, or reduce the trust responsibility of the United States to the Tribe(s) or individual Indians. The Secretary shall act in good faith in upholding such trust responsibility.

Section 2—Officials Not To Benefit

No Member of Congress, or resident commissioner, shall be admitted to any share or part of any annual funding agreement or contract thereunder executed under this compact, or to any benefit that may arise from such compact. This paragraph may not be construed to apply to any contract with a third party entered into under an annual funding agreement under this compact if
such contract is made with a corporation for
the general benefit of the corporation.

Section 3—Covenant Against Contingent Fees

The parties warrant that no person or selling agency has been employed or retained to solicit or secure any contract executed under this compact upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the contractor for the purpose of securing business.

Section 4—Sovereign Immunity

Nothing in this compact or any AFA shall be construed as—

1) affecting, modifying, diminishing, or otherwise impairing the sovereign immunity from suit enjoyed by the Tribe; or

SOURCE: 60 FR 8554, Feb. 15, 1995, unless otherwise noted.

§ 1001.1 Purpose.
The purpose of this rule is to establish the process for tribes to apply for entry into the Self-Governance program and to establish the selection criteria by which the Department will identify eligible tribes and select tribes to begin the negotiations process.

§ 1001.2 Applicant eligibility.
Any tribe or consortium of tribes seeking inclusion in the applicant pool must meet the following eligibility criteria:
(a) Be a federally recognized tribe or a consortium of federally recognized tribes as defined in Public Law 93–638.
(b) Document, with an official action of the tribal governing body, a formal request to enter negotiations with the Department of Interior (Department) under the Tribal Self-Governance Act authority. In the case of a consortium of tribes, the governing body of each participating tribe must authorize participation by an official action by the tribal governing body.
(c) Demonstrate financial stability and financial management capability by furnishing organization-wide single audit reports as prescribed by Public Law 96–502, the Single Audit Act of 1984, for the previous three years. These audits must not contain material audit exceptions. In the case of tribal consortiums, each signatory to the agreement must meet this requirement. Non-signatory tribes participating in the consortium do not have to meet this requirement.
(d) Successfully complete the planning phase for self-governance. A final planning report must be submitted which demonstrates that the tribe has conducted—
(1) Legal and budgetary research; and
(2) Internal tribal government and organizational planning.
(e) To be included in the applicant pool, tribes or tribal consortiums may submit their applications at any time. The application should state which year the tribe desires to enter negotiations.

§ 1001.3 Priority ranking for negotiations.
In addition to the eligibility criteria identified above, a tribe or consortium of tribes seeking priority ranking for negotiations must submit a description of the efforts of the tribe or consortium to seek to enter negotiations and/or prepare for operations under the self-governance option. This narrative should identify any activities that the tribe has pursued, carefully identifying and documenting the dates involved, including, but not limited to, the following:
(a) Prior planning activities related to self-governance, noting the source of funding for the planning activity and whether or not it was sanctioned by the Office of Self-Governance (OSG), including documentation as applicable.
(b) Prior efforts to secure planning and/or negotiation grants.
(c) Meetings with the OSG or other Departmental offices in which the tribe expressed an interest in participating in the Self-Governance Project.
(d) Correspondence between the tribe and the Department in which the tribe has expressed an interest in participating in the Self-Governance Project.
(e) All actions of the tribal governing body related to participating in the self-governance option.

§ 1001.4 Application review and approval.
Upon receipt of an application, the OSG will review the package and determine whether or not it is complete.
Upon determination that it is complete, the name of the tribe or consortium will be included in the official applicant pool. Incomplete submissions will be returned with the deficiencies identified. Revised applications may be resubmitted for consideration at any time.

§ 1001.5 Application review and selection process for negotiations for funding agreements.

Upon acceptance into the applicant pool, the OSG will assign to each tribe or consortium a ranking relative to other applicants based upon the date the OSG receives the complete application package. This ranking will constitute a master list that will be maintained and updated on a continuous basis from year to year. When receipt dates are the same for two or more applications, several other factors will be considered in determining the placement of the tribe or consortium on the list. These factors are identified in priority order as follows:

(a) Designation by the Congress through report language that a tribe should be considered for participation. These designations will be considered based upon the actual language of the report.

(b) Documentation of OSG sanctioning of the tribe’s self-governance planning and subsequent evidence of actual planning by the tribe.

(c) Submission of a completed planning or negotiation grant application in the previous year.

(d) A signed agreement pursuant to the Indian Health Service (IHS) self-governance project.

(e) Receipt of a planning grant awarded by the IHS.

§ 1001.6 Submitting applications.

(a) Applications for inclusion in the applicant pool will be accepted on an on-going basis.

(b) Applications may be mailed or hand-delivered.

(c) Applications for negotiations in 1996 that are mailed must be postmarked no later than May 16, 1995.

(d) Applications must be sent to: Director, Office of Self Governance, Department of the Interior, 1849 C Street, NW., MIB RM/MS–2548, Washington, DC 20240.

§ 1001.7 Availability, amount, and number of planning and negotiation grants.

(a) What is the purpose of this section? This section describes how to apply for planning and negotiation grants authorized by section 402(d) of the Act to help meet tribal costs incurred:

(1) In meeting the planning phase requirement of Pub. L. 103–413, including planning to negotiate non-BIA programs, services, functions and activities; and

(2) In conducting negotiations.

(b) What types of grants are available? Three categories of grants may be available:

(1) Negotiation grants for tribes/consortia selected from the applicant pool as described in §1001.5 of these regulations;

(2) Planning grants for tribes/consortia requiring advance funding to meet the planning phase requirement of Pub. L. 103–413; and

(3) Financial assistance for tribes/consortia to plan for negotiating for non-BIA programs, services, functions and activities, as described in §1001.10.

(c) Will grants always be made available to meet the planning phase requirement as described in section 402(d) of Pub. L. 103–413? No. Grants to cover some or all of the planning costs that a tribe/consortium may incur may be made available depending upon the availability of funds appropriated by Congress. We will publish notice of availability of grants in the FEDERAL REGISTER as described in this section.

(d) May a tribe use its own resources to meet its planning and negotiation expenses in preparation for entering into self-governance? Yes. A tribe/consortium may use its own resources to meet these costs. Receiving a grant is not necessary to meet the planning phase requirement of the Act or to negotiate a compact and annual funding agreement.

(e) What happens if there are insufficient funds to meet the anticipated
tribal requests for planning and negotiation grants in any given year? If appropriated funds are available but insufficient to meet the total requests from tribes/consortia, we will give first priority to those that have been selected from the applicant pool to negotiate an annual funding agreement. We will give second priority to tribes/consortia that require advance funds to meet the planning requirement for entry into the self-governance program. We will give third priority to tribes/consortia that require negotiation/planning funds to negotiate for DOI non-BIA programs.

(f) How many grants will the Department make each year and what funding will be available? The number and size of grants awarded each year will depend on Congressional appropriations and tribal interest. Each year, we will publish a notice in the Federal Register which provides relevant details about the application process, including: The funds available, timeframes, and requirements for negotiation and advance planning specified in this part.

[61 FR 17831, Apr. 23, 1996]

§ 1001.8 Selection criteria for tribes/consortia to receive a negotiation grant.

(a) Who may be selected to receive a negotiation grant? Any tribe/consortium that has been accepted into the applicant pool in accordance with §1001.5 and has been selected to negotiate a self-governance annual funding agreement is eligible to apply for a negotiation grant. Each year, we will publish a notice in the Federal Register with all relevant details as to how tribes/consortia which have been selected can apply for negotiation grants.

(b) What must a tribe/consortium do to receive a negotiation grant?

(1) To receive a negotiation grant, a tribe/consortium must:

(i) Be selected from the applicant pool to negotiate an annual funding agreement;

(ii) Be identified as eligible to receive a negotiation grant; and

(iii) Not have received a negotiation grant within the 3 years preceding the date of the latest Federal Register announcement described in §1001.7.

(2) The tribe/consortium must submit a letter affirming its readiness to negotiate and formally request a negotiation grant to prepare for and negotiate a self-governance agreement. These grants are not competitive.

(c) May a selected tribe negotiate without applying for a negotiation grant? Yes. In this case, the tribe should notify us in writing so that funds can be reallocated for other grants.

[61 FR 17832, Apr. 23, 1996]

§ 1001.9 Selection criteria for tribes/consortia seeking advance planning grant funding.

(a) Who is eligible to apply for a planning grant that will be awarded before a tribe/consortium is admitted into the applicant pool? Any tribe/consortium that is not a self-governance tribe and needs advance funding in order to complete the planning phase requirement may apply. Tribes/consortia that have received a planning grant within 3 years preceding the date of the latest Federal Register announcement described in §1001.7 are not eligible.

(b) What must a tribe/consortium seeking a planning grant submit in order to meet the planning phase requirements? A tribe/consortium must submit the following material:

(1) A tribal resolution or other final action of the tribal governing body indicating a desire to plan for tribal self-governance;

(2) Audits from the last 3 years which document that the tribe meets the requirement of being free from any material audit exception;

(3) A proposal that describes the tribe’s/consortium’s plans to conduct:

(i) Legal and budgetary research, and

(ii) Internal tribal government and organization planning;

(4) A timeline indicating when planning will start and end; and

(5) Evidence that the tribe/consortium can perform the tasks associated with its proposal (i.e., submit resumes and position descriptions of key staff or consultants to be used).

(c) How will tribes/consortia know when and how to apply for planning grants? Each year, we will publish in the Federal Register a notice of the
availability of planning grants for additional tribes as described in §1001.7. This notice will identify the specific details for applying.

(d) What criteria will be used to award planning grants to those tribes/consortia requiring advance funding to meet the planning phase requirement of Public Law 103–413? Advance planning grants are discretionary and based on need. The following criteria will be used to determine whether to award a planning grant to a tribe/consortium before the tribe is being selected into the applicant pool:

(1) A complete application as described in §§1001.9(b) and 1001.9(c);

(2) A demonstration of financial need. We will rank applications according to the percentage of tribal resources to total resources as indicated in the latest A–128 audit. We will give priority to applications that demonstrate financial need by having a lower level of tribal resources as a percent of total resources; and

(3) Other factors that demonstrate the readiness of the tribe/consortium to enter into a self-governance agreement, including previous efforts of the tribe/consortium to participate in self-governance.

(e) Can tribes/consortia that receive advance planning grants also apply for a negotiation grant? Yes. Tribes/consortia that receive advance planning grants may submit a completed application to be included in the applicant pool. Once approved for inclusion in the applicant pool, the tribe/consortium may apply for a negotiation grant according to the process identified in §1001.7 above.

(f) When and how will a tribe/consortium know whether it has been selected to receive an advance planning grant? Within 30 days of the deadline for submitting applications we will notify the tribe/consortium by letter whether it has been selected to receive an advance planning grant.

[61 FR 17832, Apr. 23, 1996]

§1001.10 Selection criteria for other planning and negotiating financial assistance.

(a) What is the purpose of this section? This section describes how to apply for other financial assistance for planning and negotiating of a DOI non-BIA program, service, function or activity that may be available, as well as the selection process.

(b) Are there other funds that may be available to self-governance tribes/consortia for planning and negotiating with DOI non-BIA bureaus? Yes. Tribes/consortia may contact the Director, Office of Self-Governance to determine if funds are available for the purpose of planning and negotiating with DOI non-BIA bureaus under this section. A tribe/consortium may also request information from a DOI non-BIA bureau on any funds which may be available from that bureau.

(c) Who is eligible to apply for financial assistance to plan and negotiate for a DOI non-BIA program? Any existing self-governance tribe/consortium is eligible.

(d) Under what circumstances may planning and negotiation financial assistance be made available to tribes/consortia? At the discretion of the Director, grants may be awarded when requested by the tribe and coordinated with the DOI non-BIA agency involved.

(e) How does the tribe/consortium apply for a grant to plan and negotiate for a DOI non-BIA program? When such funds are available, we will publish a notice of their availability and a deadline for submitting applications for such grants in the FEDERAL REGISTER as indicated in §1001.7.

(f) What must be included in the application? The application must include the following:

(1) The tribal resolution or other final action of the tribal governing body indicating that the tribe/consortium intends to negotiate for a DOI non-BIA program;

(2) A copy of the proposal or summary that was submitted to the DOI non-BIA bureau;

(3) A time line indicating when planning will begin and end;

(4) The planning resources from all other sources that are approved and/or anticipated for the planning activity; and

(5) The amount requested and a justification of why it is needed by the tribe/consortium.
(g) What criteria will we use to award grants to those tribes/consortia requesting financial assistance to plan and negotiate for a DOI non-BIA program? The award of such grants is discretionary. After consulting with the requesting tribe/consortium and the appropriate DOI non-BIA bureau, the Director will determine whether to award a grant to plan and negotiate for a DOI non-BIA program. The determination will be based upon the complexity of the project, the availability of resources from all other sources, and the relative need of the tribe/consortium to receive such funds for the successful completion of the planning and negotiating activity, as determined by the percentage of tribal resources to total resources as indicated in the latest A-128 audit. All decisions to award or not to award grants as described in paragraphs (e) and (f) of this section are final for the Department.

1200.33 How can funds be returned?

1200.34 Can a tribe withdraw redeposited funds?

Subpart D—Technical Assistance

1200.40 How will the Department provide technical assistance for tribes?
§ 1200.3 What is the Department's policy on tribal management of trust funds?

(a) We will give tribes as much responsibility as they desire for the management of their tribal funds that we currently hold in trust.

(b) Title II of the American Indian Trust Fund Management Reform Act, implemented by these regulations, offers tribes one approach for assuming increased management of their funds that we now hold in trust. Under title II, a tribe may completely remove its funds from Federal trust status and manage them as it wishes, subject to the requirements and conditions in this part. When a tribe withdraws its funds under this part, it may invest those funds in equities or other investment vehicles that are statutorily unavailable to us.

§ 1200.4 May tribes exercise increased direction over their trust funds and retain the protections of Federal trust status?

Yes. The Tribal Self-Governance Act (25 U.S.C. 458) and the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.) provide other options for trust funds management. A tribe may choose to manage its trust funds under the provisions of these Acts if it wishes. These options are covered by 25 CFR part 900 (the “Indian Self-Determination and Education Assistance Act Program”) and 25 CFR part 1000 (the “Self-Governance Program”).

§ 1200.5 What are the advantages and disadvantages of managing trust funds under the options in § 1200.4?

Under these other options, the funds remain in Federal trust status and the tribe can exercise a range of control over their management. However, the tribe has fewer investment options than it has when it withdraws its funds completely from trust status. If a tribe chooses to keep its funds in trust status, the tribe is subject to the same statutory investment restrictions that bind us. That means that the tribe’s investments are limited to bank deposits and securities guaranteed by the United States. (See 25 U.S.C. 162a for specific statutory investment restrictions.)

§ 1200.6 Do these regulations tell tribes how to receive future income directly rather than have the government continue to collect it?

No. These regulations apply only to the withdrawal of funds which are in trust. Some of these funds come from the sale or lease of trust resources. Even if a tribe withdraws its funds, we will collect and manage future income. If a tribe wishes to receive future income directly, it should contact the OST/OTFM staff at its agency or area office to find out how to do this.

§ 1200.7 Information collection.

The information collection requirements contained in subpart B of this part, Application to Withdraw Tribal Funds from Trust Status and subpart D
of this part, Application to Withdraw Tribal Funds from Trust Status-Gener-
al and Specific Budget Technical As-
stance, have been approved by the Of-
fice of Management and Budget under
44 U.S.C. 3507 et seq. and assigned clear-
cance numbers 1035–001 (subpart B), and
1035–002 and 1035–003 (subpart D). Infor-
mation collected in §1200.13 (How does
a tribe apply to withdraw funds?) will
be used to determine the eligibility of
applicants, and the capability of tribes
or their contractors to manage and in-
vest large blocks of funds. Information
collected in §1200.43, (How can a tribe
apply for technical assistance?) will be
used to determine the eligibility of ap-
plicants, as well as the level of need for
technical assistance, in order for tribes
to develop Management Plans and to
complete the application for with-
drawal process.

Subpart B—Withdrawing Tribal
Funds From Trust

§1200.10 Who is eligible to withdraw
their tribal funds from trust?
Any tribe for whom we manage funds
in trust.

§1200.11 What funds may be with-
drawn?
A tribe may withdraw some or all
funds that we hold in trust if we ap-
prove a plan that it submits under this
part.

§1200.12 What limitations and restric-
tions apply to withdrawn funds?
(a) A tribe may withdraw funds ap-
propriated to satisfy judgments of the
Indian Claims Commission (ICC) and
the Court of Federal Claims and that
we hold under the Indian Judgment
Funds Use and Distributions Act (25
U.S.C. 1401) or another act of Congress
if:
(1) The tribe uses the funds as speci-
fied in the previously approved judg-
ment fund plan, and;
(2) The tribe withdraws only funds
held for Indian tribes and does not in-
clude any funds held for individual
tribal members.
(b) A tribe may withdraw funds ap-
propriated to satisfy settlement agree-
ments relating to certain tribal claims
and that we hold and manage for the
tribe pursuant to an act of Congress if:
(1) The tribe uses the funds as speci-
fied in the previously approved settle-
ment act plan;
(2) The tribe withdraws only funds
held for Indian tribes and does not in-
clude any funds held for individual
tribal members; and
(3) It is determined that there is no
provision in the act or settlement
agreement requiring that the funds re-
main in trust to implement the act or
agreement that cannot be waived.
(c) Tribal funds commonly known as
"Proceeds of Labor" funds, usually in-
come to trust resources, are generally
withdrawn under normal tribal budg-
eting procedures, but may also be with-
drawn from trust under this part.
These funds may be returned to trust
under the provisions of subpart C of
this part.

§1200.13 How does a tribe apply to
withdraw funds?
The tribe must submit four copies of
its application and the attachments
listed below to: Director, Office of
Trust Funds Management, Department
of the Interior, 505 Marquette NW,
Suite 1000, Albuquerque, NM 87102. We
will notify the tribe if the application
is incomplete and will help the tribe
complete the application if requested.
When we determine that the applica-
tion is complete, we will send copies to
the appropriate agency superintendent
and area director, the Special Trustee
and the Solicitor. Each application
package must contain the items listed
below.
(a) Proof that the tribe has notified
its members of its intent to remove
funds from trust and that, when the re-
quest is approved, the tribe and not the
United States Government will be lia-
ble for funds management. Notification
must be by the method(s) that the
tribe customarily uses to notify its
members of significant tribal actions.
The notification must identify the spe-
cific funds to be withdrawn.
(b) A tribal resolution that:
(1) Expressly authorizes the with-
drawal of the funds and indicates the
(approximate) dollar amount of the
funds to be withdrawn;
§ 1200.14 What must the Tribal Management Plan contain?

The Tribal Management Plan required by §1200.13 must include each of the following:

(a) Tribal investment goals and the strategy for achieving them.

(b) A description of the protection against the substantial loss of principal, as set forth in §1200.16.

(c) A copy of the tribe’s ordinances and procedures for managing or overseeing the management of the funds to be withdrawn. These must include adequate protections against fraud, abuse, and violations of the management plan.

(d) A description of the tribe’s previous experience managing or overseeing the management of invested funds. This should include factual data of past performance of tribally-managed funds (i.e., audited reports) and the identity and qualifications of the tribe’s investment officer.

(e) A description of the capability of all of the individuals or investment institutions that will be involved in managing and investing the funds for the tribe. Provide copies of State or Federal security applications for account executive(s).

(f) If the funds to be withdrawn are judgment or settlement funds, a copy of the act and/or plan that sets out the conditions for the uses of the funds or income from them.

(g) A management plan as provided for in §1200.14.

§ 1200.14 What must the Tribal Management Plan contain?

The Tribal Management Plan required by §1200.13 must include each of the following:

(a) Tribal investment goals and the strategy for achieving them.

(b) A description of the protection against the substantial loss of principal, as set forth in §1200.16.

(c) A copy of the tribe’s ordinances and procedures for managing or overseeing the management of the funds to be withdrawn. These must include adequate protections against fraud, abuse, and violations of the management plan.

(d) A description of the tribe’s previous experience managing or overseeing the management of invested funds. This should include factual data of past performance of tribally-managed funds (i.e., audited reports) and the identity and qualifications of the tribe’s investment officer.

(e) A description of the capability of all of the individuals or investment institutions that will be involved in managing and investing the funds for the tribe. Provide copies of State or Federal security applications for account executive(s).

(f) If the funds to be withdrawn are judgment or settlement funds, a copy of the act and/or plan that sets out the conditions for the uses of the funds or income from them.

(g) A management plan as provided for in §1200.14.
(iv) Recent changes in active portfolio managers; and
(v) Any other information necessary to make an adequate evaluation of the proposed plan.

(f) A description of how the plan will ensure that the fund manager will comply with any conditions established in judgment fund plans or settlement acts.

(g) Proof of liability insurance of the investment firm.

(h) Proof of liability insurance that protects against fraud for those Tribal Council members with authority to disburse funds. In many tribes the chairperson, and the comptroller and/or the tribal treasurer, for example, would be the positions having this authority.

(i) A plan for custodianship of investment securities that includes:
   (1) Name of persons in the tribe who can direct the custodian;
   (2) Name of the custodian;
   (3) Copy of intended custodian agreement;
   (4) Size of custodian operation;
   (5) Disclosure of any security lending provisions; and
   (6) Insurance coverage.

(j) A tribal council agreement to provide an annual audit and report on performance of withdrawn funds to the tribal membership, with a copy to: Office of the Special Trustee for American Indians, Department of the Interior, MS 1849 C Street NW, Washington, DC, 20240. This agreement must include:
   (1) A statement that the copy to the Special Trustee is for information only, and infers no liability on our part regarding the audit results, nor does it infer a requirement for us to take any action whatsoever; and
   (2) A description of the steps (including audit performance and reporting) the tribe will take to ensure its membership that the tribe is continuing to comply with the terms of the plan submitted and approved pursuant to judgment fund limitations (if any) and/or the terms of the Act.

(k) The proposed date for transfer of funds.

(l) A statement as to whether the tribe chooses to receive the withdrawal as a cash balance transfer, as a transfer of marketable investments that we own for the tribe, or as a combination of the two.

(1) A cash balance transfer may require us to sell bonds, notes, or other investments that we purchased when investing the tribe’s monies.

(2) We cannot transfer non-marketable securities to a tribe. We can only purchase and hold them and must sell them back to the U.S. Treasury.

(3) If we sell a tribe’s security at a loss (i.e., when market value is less than book value or carrying value) we will first notify the tribe. The tribe must instruct us to proceed with the sale and must agree not to hold us responsible for the loss before we will make the sale.

(4) If the tribe asks us to transfer marketable securities, upon proper instructions from the new tribal custodian, we will order our custodian to physically transfer the proper security to the new custodian on the agreed upon date.

(m) Agreement that judgment award funds will have segregated accounts.

(n) A description of the procedures for amending or revising the plan.

§ 1200.15 What is the approval process for management plans?

The Secretary will approve or disapprove each management plan, based in part upon our recommendation.

(a) We will determine the completeness of the application, provide for adequate professional review of the application and the management plan, and provide technical assistance as necessary to make an application complete.

(b) We will coordinate with area directors in confirming authority of tribal governments to make requests.

(c) We will approve or disapprove a request within 90 calendar days of receiving a completed application. This 90-day period does not include time that we spend awaiting a response from the tribe for additional information that we have requested. All determinations will be in writing, and all responses will be by certified mail.

(d) If we find that a plan does not meet the criteria in §1200.16, we will notify the tribe of shortcomings of the request, and allow the tribe to respond...
§ 1200.16 What criteria will be used in evaluating the management plan?

Each plan must be approved by the appropriate tribal governing body, and must be accompanied by a resolution approving the plan. The plan must be reasonable in light of the trust responsibility and the principles of Indian self-determination, and other appropriate factors, including, but not limited to, the factors listed below:

(a) We will evaluate the individuals or entities that will manage the funds to be withdrawn, or that will advise the tribe on investing the funds to be withdrawn in order to determine if they have the capability and experience to manage the funds. Among the elements we will evaluate are: the number of years in business, the performance record for funds management, and the ability to compensate the tribe if the entity is found liable for failing to comply with the tribe’s management plan (i.e., its assets, bonding, and insurance).

(b) We will review the tribe’s experience in managing investments. We will compare this experience to the complexity of the proposed management plan to determine whether the tribe has the experience to manage its proposed plan or whether it should begin with a less complex approach.

(c) We will evaluate the tribe’s internal audit and control systems for overseeing or monitoring its investment activity.

(d) We will evaluate the adequacy of protection against substantial loss of principal. Our determination will include a thorough evaluation of the tribe’s investment plan including:

1. The goals and objectives;
2. The proposed uses of the fund in order to meet business objectives;
3. The size and diversity of the investment portfolio (for example, the class of stocks and the mixture of types of investments);
4. The financial condition of the tribe;
5. The inherent riskiness of the proposed investments; and
6. The tribe’s projected need and proposed timeframes to draw down the funds being invested or the income from them.

(e) We will determine the likelihood that the plan will be followed. We will base this determination on the contents of the agreement between the tribe and the fund manager and other appropriate factors.

§ 1200.17 What special criteria will be used to evaluate management plans for judgment or settlement funds?

For judgment or settlement funds, in addition to the criteria in §1200.16, we will determine if the plan adequately provides for compliance with any conditions, uses of funds, or other requirements established by the appropriate judgment fund plan or settlement act.

§ 1200.18 When does the Department’s trust responsibility end?

Our trust responsibility for funds withdrawn under this part ends on the date that the funds are withdrawn. However at the time of withdrawal neither we nor the tribe may be deemed to have accepted the account balance at the time of withdrawal as accurate; or waived any rights regarding the balance and our ability to seek compensation.

§ 1200.19 How can the plan be revised?

Once a tribe has withdrawn its funds, the tribe may revise its plan without our approval. All revisions should conform to the procedures outlined in the approved management plan. The tribe should inform its members of all revisions to a plan through normal tribal procedures before the revisions are implemented.

§ 1200.20 How can a tribe withdraw additional funds?

(a) If a tribe has withdrawn funds under an approved tribal management plan and wishes to withdraw additional funds that will be managed under the
Office of Special Trustee for American Indians, Interior § 1200.40

same plan, it need not submit a complete new application. The tribe must:

(1) Notify us of the additional amount it intends to withdraw and whether the funds to be withdrawn are in kind or cash. (Written notification should be provided to our address in §1200.13);

(2) Send us a tribal resolution approving the new withdrawal and certifying that the funds are being withdrawn subject to the same conditions and that they will be managed under the plan in the original approved application;

(3) Send us a copy of the most recent compliance audit or investment report.

(b) After we finish our review we will release the additional funds, unless the compliance audit or investment report indicates that the tribe is not complying with its management plan. In this case, we will not release the additional funds until the tribe demonstrates that it is complying with the management plan.

§ 1200.21 How may a tribe appeal denials under this part?

If we deny a request or do not approve an application within 90 days of a request, the tribe may address any problems that we identify and resubmit a revised request, seek technical assistance, or appeal the denial under 43 CFR part 4.

Subpart C—Returning Tribal Funds to Trust

§ 1200.30 How does a tribe notify the Department if it wishes to return withdrawn funds to Federal trust status?

If a tribe elects to return some or all of the funds it has withdrawn from Federal trust status pursuant to this Act, it must first notify us in writing at our address in §1200.13. This notification must provide a proposed date for the return of the funds, as well as the amount of funds to be returned, or actual securities to be delivered to the appropriate custodian.

§ 1200.31 What part of withdrawn funds can be returned to trust?

A tribe may return all or a portion of the principal which was removed from trust under this Act along with earnings and profits. We will verify the amount declared for earnings before we accept a return. We will accept any amount less than the original principal amount as a principal amount.

§ 1200.32 How often can funds be returned?

Tribes may return all or part of withdrawn funds no more than twice a year, beginning no sooner than six months after date of withdrawal, except with approval of the Secretary.

§ 1200.33 How can funds be returned?

Funds may be returned either as cash or securities, which meet the requirements for investments in 25 U.S.C. 162a. Cash can be transferred to the US Treasury by Electronic Funds Transfers (EFT), or the Automated Clearing House (ACH) process. Tribes must coordinate the transfer of ownership in securities with us to ensure proper credit to the tribe. The securities must meet investment restrictions contained in 25 U.S.C. 162a.

§ 1200.34 Can a tribe withdraw redeposited funds?

Yes. If a tribe wishes to withdraw redeposited funds from Federal trust status, it must submit a written request to do so, accompanied by a new resolution and any revisions it wishes to make in its original management plan.

Subpart D—Technical Assistance

§ 1200.40 How will the Department provide technical assistance for tribes?

(a) We will provide direct or contract technical assistance, in accordance with appropriations availability to tribes for developing, implementing, and managing Indian trust fund investment plans. We will ensure that our legal, financial and other expertise is made fully available to advise tribes in developing, implementing, and managing investment plans.

(b) We may award grants to tribes for developing and implementing plans for investing Indian tribal trust funds.

(c) Tribes may also obtain technical assistance on their own.
§ 1200.41 What types of technical assistance are available?

The types of technical assistance include: investment planning; accounting; selection of investment managers; monitoring of investments; asset management; or other assistance appropriate to support funds withdrawal.

§ 1200.42 Who can provide technical assistance?

A sample of competent providers includes any of the following entities with the appropriate skills and capabilities: available DOI or OST staff; intertribal organizations; public agencies; and contracted private investment firms.

§ 1200.43 How can a tribe apply for technical assistance?

(a) Tribes wishing technical assistance may request it by sending us a letter along with a tribal resolution outlining the technical assistance required, tribal resources which may be applied to the need, and suggested provider, if known. The resolution must state clearly that the assistance is needed for developing, implementing, or managing an investment plan under the provisions of this authority.

(b) Tribes requesting funds for technical assistance must send a completed SF–424, APPLICATION FOR FEDERAL ASSISTANCE, and SF–424A, BUDGET INFORMATION, along with a tribal resolution, detailing the assistance specifically requested, and the suggested provider to our address in §1200.13.

(c) We will make grants subject to funds availability. We will publish a notice in the FEDERAL REGISTER concerning the availability of funding, deadlines for grants, the application process, and approval criteria. If funding is limited, grants will be awarded based on criteria that we feel will best meet the intent of the Act. We will consult with tribes in determining annual criteria. Unsolicited grant requests will not be accepted.

§ 1200.44 What action will the Department take on requests for technical assistance?

We will respond in writing to all requests for technical assistance and grants, advising of decision, availability of appropriate expertise and funding, and anticipated delivery of the service.
