(1) Requests for protection or advance notices of reimbursement requests shall be made to: Assistant Secretary (Enforcement and Operations), Department of the Treasury, Washington, DC 20220. Each government requesting the protection authorized pursuant to section 202 of Title 3, U.S. Code, as amended by Pub. Applications made pursuant to this section shall be submitted to the Assistant Secretary 14 days before the extraordinary protective need arises. In association with a visit, the application shall include the name and title of the visiting foreign official or dignitary, the country he represents, and the name and location of the international organization or mission he will be visiting. The application shall also include, if available, the temporary domicile of the visiting official or dignitary and his schedule, including dates and times of arrival and departure from the United States. If the extraordinary protective need occurs at a permanent mission to an international organization of which the United States is a member or an observer mission invited to participate in the work of such organization, or if another foreign diplomatic mission of the country qualifies under §13.3 (b) or (d), the application shall include the name and location of the mission.

(b) State and local governments shall also indicate on the application whether they are requesting the use of the United States Secret Service Uniformed Division or whether they are giving advance notice of their intention to provide, on a reimbursable basis, all or part of the protection themselves. In order to assist the Assistant Secretary in determining whether to utilize the United States Secret Service Uniformed Division to meet all or part of the extraordinary protective need, or to utilize, with their consent, the services, personnel, equipment, and facilities of the State

§13.6 Reimbursement of State and local governments.

(a) State and local governments providing services, personnel, equipment, or facilities to the affected metropolitan area pursuant to §13.5 may forward to the Assistant Secretary a bill for reimbursement for the personnel, equipment, facilities, and services utilized in meeting the extraordinary protective need. The bill shall be in accordance with the format in Appendix II of this part. The Assistant Secretary will reimburse only those costs directly related to the extraordinary protective need including personnel and equipment costs resulting from assignments made to assist in providing security at an otherwise qualified location in connection with the arrival, departure, or during the visit of a foreign dignitary. Reimbursable costs will also include the costs for establishing both fixed posts at a qualified location and protective perimeters outside of a qualified location when it is clearly established to the satisfaction of the Assistant Secretary that such assignments were necessary to assure the safety of the qualified location. Overhead and administrative costs associated with an extraordinary protective need are reimbursable as either a flat 18 percent of the total extraordinary protective need costs, or, if such costs can be clearly segregated from routine police costs, on a dollar-for-dollar basis. The jurisdiction seeking such reimbursement may select either method but may not use both. For the purposes of reimbursement the Assistant Secretary will, in all cases, determine when the extraordinary protective need began and terminated.
