Table of CFR Titles and Chapters ............................................................ 575
Alphabetical List of Agencies Appearing in the CFR .............................. 593
List of CFR Sections Affected ............................................................... 603
Cite this Code: CFR

To cite the regulations in this volume use title, part and section number. Thus, 32 CFR 806.1 refers to title 32, part 806, section 1.
Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16 ..............................................................as of January 1
Title 17 through Title 27 .................................................................as of April 1
Title 28 through Title 41 .................................................................as of July 1
Title 42 through Title 50.............................................................as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, July 1, 2002), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cutoff date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.
Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

OBSOLETE PROVISIONS

Provisions that become obsolete before the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on a given date in the past by using the appropriate numerical list of sections affected. For the period before January 1, 1986, consult either the List of CFR Sections Affected, 1949–1963, 1964–1972, or 1973–1985, published in seven separate volumes. For the period beginning January 1, 1986, a “List of CFR Sections Affected” is published at the end of each CFR volume.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Statutory Authorities and Agency Rules (Table I). A list of CFR titles, chapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 806.1 Summary of revisions.
This part makes this guidance an Air Force supplement to the DoD regulation at 32 CFR part 286. It transfers responsibility for the Air Force Freedom of Information Act (FOIA) Program from the Office of the Secretary of the Air Force (SAF/AAI) to Headquarters United States Air Force (HQ USAF/SC) and Headquarters Air Force Communications and Information Center/Corporate Information Division (HQ AFCIC/ITC); contains significant changes and additions to implement the Electronic Freedom of Information Act (EFOIA) Amendments of 1996; addresses electronic records; increases time limits to 20 working days; adds procedures for multiple tracking and expedited processing of requests; changes annual report date and content; adds major command (MAJCOM) inspectors general (IG), MAJCOM Directors of Inquiries (IQ), and wing commanders as initial denial authorities (IDAs).

§ 806.2 Applicability.
A list of Air Force MAJCOMs, field operating agencies (FOAs), and Direct Reporting Units (DRUs) is at §806.26.

§ 806.3 Public information.
(a) Functional requests. Air Force elements may receive requests for government information or records from the public that do not refer to the FOIA. Often these requests are sent to a public affairs office (PAO) or a specific unit. All releases of information from Air Force records, whether the requester cites the FOIA or not, must comply with the principles of the FOIA and this part. If the requested material contains personal privacy information that the Air Force must withhold, it is particularly important to handle that "functional" request as a request under the FOIA and coordinate it with the appropriate FOIA office and an Air Force attorney. Regardless of the nature of the functional request, if the responding element denies the release of information from Air Force records, then control the request as a FOIA and follow FOIA denial procedures for records withheld (cite the pertinent FOIA exemption and give the requester FOIA appeal rights).

(b) HQ AFCIC/ITC will make the Air Force handbook and guide for requesting records available on the World Wide Web (WWW) from Air ForceLINK.
§ 806.4 Definitions.

(a) **Electronic reading room (ERR).** Rooms established on Internet websites for public access to FOIA-processed (a)(2)(D) records.

(b) **FOIA request.** This includes FOIA requests made by members of Congress either on their own behalf or on behalf of one of their constituents. Process FOIA requests from members of Congress in accordance with this Air Force supplement. Air Force-affiliated requesters, to include military and civilian employees, should not use government equipment, supplies, stationery, postage, telephones, or official mail channels to make FOIA requests.

1. Simple requests can be processed quickly with limited impact on the responding units. The request clearly identifies the records with no (or few) complicating factors involved. There are few or no responsive records. Only one installation is involved and there are no outside Office of Primary Responsibility (OPRs). There are no classified or nongovernment records. No deliberative process/privileged materials are involved. The responsive records contain no (or limited) personal privacy information and do not come from a Privacy Act system of records. No time extensions are anticipated.

2. Complex requests take substantial time and cause significant impact on responding units. Complications and delays are likely. Records sought are massive in volume. Multiple organizations must review/coordinate on requested records. Records are classified; originated with a nongovernment source; are part of the Air Force’s decision-making process; or are privileged.

(c) **Government Information Locator Service (GILS).** GILS is an automated on-line card catalog of publicly accessible information. The Office of Management and Budget (OMB) Bulletin 95–01, December 7, 1994, and OMB Memorandum, February 6, 1998, mandates that all federal agencies create a GILS record for information available to the public. The DoD GILS resides on DefenseLINK, the official DoD home page, at “http://www.defenselink.mil/locator/index.html.”

(d) **Initial denial authority.** Only approved IDAs may deny all or parts of records. FOIA managers may: initially deny fee category claims, requests for expedited processing, and waiver or reduction of fees; review fee estimates; and sign “no records” responses. IDAs are the deputy chiefs of staff and chiefs of comparable offices or higher at HQ USAF and Secretary of the Air Force (SAF), and MAJCOM commanders. Deputy Chiefs of Staff and chiefs of comparable offices or higher at HQ USAF and SAF may name one additional position as denial authority. MAJCOM commanders may appoint two additional positions at the headquarters and also the wing commander at base level. MAJCOM IGs and MAJCOM Directors of Inquiries (IQ) may act as IDAs for IG records. MAJCOM FOIA managers must notify HQ AFCIC/ITC in writing (by facsimile, e-mail, or regular mail) of IDA position titles. Send position titles only—no names. HQ AFCIC/ITC sends SAF/IGQ a copy of the correspondence designating IDA positions for IG records. When the commander changes the IDA designee position, MAJCOM FOIA managers will advise HQ AFCIC/ITC immediately. In the absence of the designated IDA, the individual filling/assuming that position acts as an IDA, however; all denial documentation must reflect the position title of the approved or designated IDA, even if in an acting capacity (for example, Acting Director of Communications and Information, Headquarters Air Combat Command).

(e) **Office of primary responsibility (OPR).** A DoD element that either prepared, or is responsible for, records identified as responsive to a FOIA request. OPRs coordinate with the office of corollary responsibility (OCR) and FOIA managers to assist IDAs in making decisions on FOIA requests.

(f) **OCR.** A DoD element with an official interest in, and/or collateral responsibility for, the contents of records identified as responsive to a FOIA request, even though those records were either prepared by, or are the primary responsibility of, a different DoD element. OCRs coordinate with OPRs and
Department of the Air Force, DoD

§ 806.5 Responsibilities.

(a) The Director, Communications and Information (HQ USAF/SC) has overall responsibility for the Air Force FOIA Program. The Corporate Information Division (HQ AFCIC/ITC) administers the procedures necessary to implement the Air Force FOIA Program, submits reports to the Director, Freedom of Information and Security Review (DFOISR), and provides guidance and instructions to MAJCOMs. Responsibilities of other Air Force elements follow.

(b) SAF/GCA makes final decisions on FOIA administrative appeals.

(c) Installation commanders will: Comply with FOIA electronic reading room (ERR) requirements by establishing a FOIA site on their installation public web page and making frequently requested records (FOIA-processed (a)(2)(D)) records available through links from that site, with a link to the Air Force FOIA web page at http://www.foia.af.mil. See §806.12(c).

(d) MAJCOM commanders implement this instruction and appoint a FOIA manager, in writing. Send the name, phone number, office symbol, and e-mail address to HQ AFCIC/ITC, 1250 Air Force Pentagon, Washington, DC 20330–1250.

(e) Air Force attorneys review FOIA responses for legal sufficiency, provide legal advice to OPRs, disclosure authorities, IDAs, and FOIA managers, and provide written legal opinions when responsive records (or portions of responsive records) are withheld. Air Force attorneys ensure factual and legal issues raised by appellants are considered by IDAs prior to sending the FOIA appeal files to the Secretary of the Air Force’s designee for final action.

(f) Disclosure authorities and IDAs apply the policies and guidance in this instruction, along with the written recommendations provided by staff elements, when considering what decisions to make on pending FOIA actions. Where any responsive records are denied, the IDA tells the requesters the nature of records or information denied, the FOIA exemption supporting the denial, the reasons the records were not released, and gives the requester the appeal procedures. In addition, on partial releases, IDAs must ensure requesters can see the placement and general length of redactions with the applicable exemption indicated. This procedure applies to all media, including electronic records. Providing placement and general length of redacted information is not required if doing so would harm an interest protected by a FOIA exemption. When working FOIA appeal actions for the appellate authority review:

(1) IDAs grant or recommend continued denial (in full or in part) of the requester’s appeal of the earlier withholding of responsive records, or adverse determination (for example, IDAs may release some or all of the previously denied documents).

(2) IDAs reassess a request for expedited processing due to demonstrated compelling need, overturning or confirming the initial determination made by the FOIA manager.

(3) When an IDA denies any appellate action sought by a FOIA requester, the IDA, or MAJCOM FOIA manager (for no record, fee, fee estimates, or fee category appeals) will indicate in writing that the issues raised in the FOIA appeal were considered and rejected (in full or in part). Include this written statement in the file you send to the Secretary of the Air Force in the course of a FOIA appeal action. Send all appeal actions through the MAJCOM FOIA office.

(g) OPRs:

(1) Coordinate the release or denial of records requested under the FOIA with OCBs, FOIA offices, and with Air Force attorneys on proposed denials.

(2) Provide requested records. Indicate withheld parts of records annotated with FOIA exemption. Ensure requesters can see the placement and general length of redactions. This procedure applies to all media, including
§ 806.6 Prompt action on requests.

(a) Examples of letters to FOIA requesters (e.g., response determinations and interim responses) are included in §806.27.

(b) Multitrack processing. (1) Examples of letters to FOIA requesters (e.g.,
letters to individuals who have had their FOIA request placed in the complex track) are included in §806.27.

(2) Simple requests can be processed quickly, with limited impact on the responding units. The request clearly identifies the records with no (or few) complicating factors involved. There are few or no responsive records, only one installation is involved, there are no outside OPRs, no classified or nongovernment records, no deliberative process/privileged materials are involved, records contain no (or limited) personal privacy information/did not come from Privacy Act systems of records concerning other individuals, or time extensions not anticipated.

(c) Complex requests will take substantial time, will cause significant impact on responding units. Complications and delays are likely. Records sought are massive in volume, multiple organizations must review/coordinate on records, records are classified, records originated with a nongovernment source, records were part of the Air Force’s decision-making process or are privileged.

(d) Expedited processing. Examples of letters to individuals whose FOIA requests and/or appeals were not expedited are included in §806.27.

§806.7 Use of exemptions.

(a) A listing of some AFIs that provide guidance on special disclosure procedures for certain types of records is provided in §806.28. Refer to those instructions for specific disclosure procedures. Remember, the only reason to deny a request is a FOIA exemption.

(b) Refer requests from foreign government officials that do not cite the FOIA to your foreign disclosure office and notify the requester.

(c) If you have a non-U.S. Government request, determine if you need to consult with the record’s originator before releasing it (see §806.9 and §806.15(c)). This includes records created by foreign governments and organizations such as North Atlantic Treaty Organization (NATO) and North American Aerospace Defense (NORAD). You may need to coordinate release of foreign government records with either the U.S. Department of State or with the specific foreign embassy, directly through the MAJCOM FOIA office. Coordinate release or denial of letters of offer and acceptance (LOA) with SAF/IA through 11 CS/SCSR (FOIA), 1000 Air Force Pentagon, Washington DC 20330–1000.

§806.8 Description of requested record.

Air Force elements must make reasonable efforts to find the records described in FOIA requests. Reasonable efforts means searching all activities and locations most likely to have the records, and includes staged or retired records, as well as complete and thorough searches of relevant electronic records, such as databases, word processing, and electronic mail files.

§806.9 Referrals.

(a) Send all referrals through the FOIA office. The receiving FOIA office must agree to accept the referral before transfer. The FOIA office will provide the name, phone number, mailing address, and e-mail address of both the FOIA office point of contact and the record OPR point of contact in their referral letter. Include the requested record. If the requested records are massive, then provide a description of them. Referrals to, or consultations with, DFOISR are accomplished from the MAJCOM level. Section 806.27 has an example of a referral memo.

(b) In some cases, requested records are available from the GPO and NTIS, 5285 Port Royal Road, Springfield VA 22161. These organizations offer certain records for sale to the public. Current standard releasable Air Force publications are available electronically on the WWW at http://afpubs.hq.af.mil/. For requesters without electronic access, NTIS has paper copies for sale. Give requesters the web address or NTIS address when appropriate. However, if the requester prefers to pursue the FOIA process, consult with HQ AFCIC/ITC through the MAJCOM. Refer FOIA requests for Air Force publications that are classified, FOUO, rescinded, or superseded to the OPR through the appropriate FOIA office.
§ 806.10 Records management.

Keep records that were fully released for 2 years and denied records for 6 years. Include in the 6-year record file copies of records or parts of records that were released in response to the same request. Refer to Air Force Manual (AFMAN) 37–139, Records Disposition Schedule (converting to AFMAN 33–339, see §806.9(b)). The functional OPR or FOIA office may keep the records released or denied. The FOIA office keeps the FOIA case file for each request. The FOIA case file consists of: the initial request; tasking to OPRs; OPR’s reply; memoranda for record (MFR) of phone calls or other actions related to the FOIA request; DD Forms 2086, Record of Freedom of Information (FOI) Processing Cost, or 2086–1, Record of Freedom of Information (FOI) Processing Cost for Technical Data; final response; and any of the following, if applicable: extension letter; legal opinions; submitter notification letters and replies; the appeal and required attachments (except for the released or denied records if maintained by the OPR); and all other correspondence to and from the requester.

§ 806.11 FOIA reading rooms.

Each FOIA office will arrange for a reading room where the public may inspect releasable records. You do not need to co-locate the reading room with the FOIA office. The FOIA does not require creation of a reading room dedicated exclusively to this purpose. A “reading room” is any location where a requester may review records. For FOIA-processed (a)(3) records, if requesters meet the criteria for search and review costs, they must be paid before inspecting records. Assess reproduction costs at the time of inspection, if appropriate.

§ 806.12 Record availability.

(a) HQ AFCIC/ITC will make the traditional FOIA-processed (a)(2) material (5 U.S.C. 552(a)(2)(A), (B), and (C)) available to the public. Each Air Force activity must make 5 U.S.C. 552(a)(2)(D) records (“FOIA-processed (a)(2)(D) records”)—records which they determine will, or have become, the subject of frequent or subsequent requests (a)” available in an ERR to potential future FOIA requesters instead of waiting to receive a FOIA request, and reduce the number of multiple FOIA requests for the same records requiring separate responses. In making these determinations, recognize there are some situations in which a certain type of record becomes the subject of simultaneous FOIA requests from all interested parties and then ceases to be of interest. Activities may typically receive a “flurry” of FOIA requests for contract records immediately after a contract is awarded, but do not receive any subsequent requests for such bulky records after that point. In some cases, activities may decide that placing records in the ERR would not serve the statutory purpose of “diverting some potential FOIA requests for previously released records.” The following types of records should be considered for inclusion in the ERR (excluding individuals assigned to overseas, sensitive, and routinely deployable units): organizational charts and limited staff directories; lists of personnel reassigned with gaining base; MAJCOM FOIA supplements; lists of International Merchant Purchase Authority Card (IMPAC) card holders. Do not post lists of e-mail addresses.
§ 806.15  

(c) GILS. Each activity that posts FOIA-processed (a)(2)(D) records (records which they determine will, or have become, the subject of frequent or subsequent requests) must create a GILS record for each FOIA-processed (a)(2)(D) record and post it to DefenseLINK. The OPR prepares the GILS record. You can complete and submit a GILS record on-line using a web browser. Instructions for completing the GILS record, and an on-line form are at http://www.defenselink.mil/locator/index.html. Follow the steps listed on the web page. The GILS site on DefenseLINK will serve as the central index of Air Force FOIA-processed (a)(2)(D) records.

(d) In addition, installations will post a list, or index, of locally produced FOIA-processed (a)(2)(D) records on their web page at their FOIA site. Each listing will point or link to the particular record. In addition, MAJCOMs may choose to post their own index of MAJCOM specific FOIA-processed (a)(2)(D) records to their appropriate web site. Installation web pages will include the following phrase (or similar words) on their FOIA site if they do not have any frequently requested FOIA records: “There are no frequently requested FOIA records to post at this time.” Include the following statement, or a similar one, on the installation web page with the records: “Some records are released to the public under the FOIA, and may therefore reflect deletion of some information in accordance with the FOIA’s nine statutory exemptions. A consolidated list of such records is on DefenseLINK.” Link the word “DefenseLINK” to www.defenselink.mil/locator/fpr_index.html. Qualifying releasable records with exempt information redacted must show on the record the amount of information withheld and the exemption reason (for example, (b)(6)). Activities with such records should provide the public an index and explanation of the FOIA exemptions. All installation FOIA pages will include a link to the Air Force page.

(e) FOIA web pages should be clearly accessed from the main installation page, either by a direct link to “FOIA” or “Freedom of Information Act” from the main page, or found under a logical heading such as “Library” or “Sites.”

The GILS records on DefenseLINK will serve as the index for 5 U.S.C. 552(a)(2)(D) materials.

§ 806.14 Other materials.

HQ AFCIC/ITC makes the appropriate FOIA-processed (a)(1) materials available for the Air Force.

§ 806.15 FOIA exemptions.

(a) Exemption number 1. When a requester seeks records that are classified, or should be classified, only an initial classification authority, or a declassification authority, can make final determinations with respect to classification issues. The fact that a record is marked with a security classification is not enough to support withholding the document; make sure it is “properly and currently classified.” Review the record paragraph by paragraph for releasable information. Review declassified and unclassified parts before release to see if they are exempt by other exemptions. Before releasing a reviewed and declassified document, draw a single black line through all the classification markings so they are still legible and stamp the document unclassified. If the requested records are “properly and currently classified,” and the Air Force withholds from release under FOIA exemption (b)(1), and the requester appeals the withholding, include a written statement from an initial classification authority or declassification authority certifying the data was properly classified originally and that it remains properly classified per Executive Order. Examples of initial classification and declassification authority statements are included in § 806.27. Guidance on document declassification reviews is in AFI 31-401, Managing the Information Security Program, and DoD 5200.1-R, Information Security Program, January 1997.

(b) Exemption number 3. HQ AFCIC/ITC will provide the current FOIA-processed (b)(3) statutes list to the MAJCOMs.

(c) Exemption number 4. The Air Force, in compliance with Executive Order 12600, will advise submitters of
§ 806.15 contractor-submitted records when a FOIA requester seeks the release of such records, regardless of any initial determination of whether FOIA exemption (b)(4) applies. (See §806.20(a) and §806.31). Due to a change to Title 48 CFR, Federal Acquisition Regulations System, submitter notification is not required prior to release of unit prices contained in contracts awarded based upon solicitations issued after January 1, 1998. For solicitations issued before January 1, 1998, conduct a normal submitter notice. Unit prices contained in proposals provided prior to contract award are protected from release, as are all portions of unsuccessful proposals (before and after contract award) (10 U.S.C. 2305(g), Prohibition on Release of Contractor Proposals).

(d) Exemption number 5. (1) Attorney-client records could include, e.g., when a commander expresses concerns in confidence to his or her judge advocate and asks for a legal opinion. The legal opinion and everything the commander tells the judge advocate in confidence qualify under this privilege. Unlike deliberative process privilege, both facts and opinions qualify under the attorney work product or attorney-client privilege. Attorney work product records are records an attorney prepares, or supervises the preparation of, in contemplating or preparing for administrative proceedings or litigation.

(2) Based on court decisions in FOIA litigation, which led to the release of results of personnel surveys, FOIA managers and IDAs should get advice from an Air Force attorney before withholding survey results under FOIA exemption (b)(5).

(e) Exemption number 6. (1) AFI 37–132, Air Force Privacy Act Program (will convert to AFI 33–332) provides guidance on collecting and safeguarding social security numbers (SSN). It states: “SSNs are personal and unique to each individual. Protect them as FOOU. Do not disclose them to anyone without an official need to know.” Before releasing an Air Force record to a FOIA requester, delete SSNs that belong to anyone other than the requester. In any subsequent FOIA release to a different requester of those same records, make sure SSNs are deleted. When feasible, notify Air Force employees when someone submits a FOIA request for information about them. The notification letter should include a brief description of the records requested. Also include a statement that only releasable records will be provided and we will protect personal information as required by the FOIA and Privacy laws.

(2) Personal information may not be posted at publicly accessible DoD web sites unless to do so is clearly authorized by law and implementing regulation and policy. Personal information should not be posted at nonpublicly accessible web sites unless it is mission essential and appropriate safeguards have been established. See also AFI's 33–129 and 35–205.

(3) Withhold names and duty addresses of personnel serving overseas or in sensitive or routinely deployable units. Routinely deployable units normally leave their permanent home stations on a periodic or rotating basis for peacetime operations or for scheduled training exercises conducted outside the United States or United States territories. Units based in the United States for a long time, such as those in extensive training or maintenance activities, do not qualify during that period. Units designated for deployment on contingency plans not yet executed and units that seldom leave the United States or United States territories (e.g., annually or semiannually) are not routinely deployable units. However, units alerted for deployment outside the United States or United States territories during actual execution of a contingency plan or in support of a crisis operation qualify. The way the Air Force deploys units makes it difficult to determine when a unit that has part of its personnel deployed becomes eligible for denial. The Air Force may consider a unit deployed on a routine basis or deployed fully overseas when 30 percent of its personnel have been either alerted or actually deployed. In this context, alerted means that a unit has received an official written warning of an impending operational mission outside the United States or United States territories. Sensitive units are those involved in special activities or classified missions, including, for example,
intelligence-gathering units that collect, handle, dispose of, or store classified information and materials, as well as units that train or advise foreign personnel.

(i) Each MAJCOM and FOA will establish a system and assign OPRs to identify United States-based units in their command qualifying for the "sensitive or routinely deployable unit" designation, under this exemption. Appropriate OPRs could include directors of operations, plans and programs, and personnel.

(ii) MAJCOM FOIA managers will ensure the list of sensitive and routinely deployable units is reviewed in January and July, and will follow that review with a memo to the Air Force Personnel Center (HQ AFPC/MSIMD), 550 C Street West, Suite 48, Randolph AFB, TX 78150–4750, either validating the current list or providing a revised listing based on the current status of deployed units at that time. This listing is in American Standard Code for Information Interchange (ASCII) format on a 3½” (double-sided, high-density) diskette, which contains the unit’s eight-position personnel accounting symbol (PAS) code, with one PAS code per line (record) (8-byte record). The MAJCOM FOIA manager will send an electronic copy of the list of nonreleasable units to HQ AFPC/MSIMD which is included in the personnel data system. The MAJCOM and HQ AFPC FOIA offices will use it to determine releasable lists of names and duty addresses. This reporting requirement is exempt from licensing with a reports control symbol (RCS) in accordance with AFI 37–124, The Information Collections and Reports Management Program; Controlling Internal, Public, and Interagency Air Force Information Collections (will convert to AFI 33–324).

(f) Exemption number 7. Guidance provided in §806.15(e)(1) also applies to SSNs in records compiled for law enforcement purposes. Do not disclose SSNs to anyone without an official need to know.

§ 806.17 Release and processing procedures.

(a) Individuals seeking Air Force information should address requests to an address listed in §806.26. MAJCOM FOIA office phone numbers and mailing addresses are available on the Air Force FOIA Web Page at http://www.foia.af.mil.

(1) A list of Air Force FOIA processing steps, from receipt of the request through the final disposition of an administrative appeal is at §806.29, which also includes guidance on preparing and processing an Air Force FOIA appeal package.

(2) Air Force host tenant relationships. The Air Force host base FOIA manager may log, process, and report FOIA requests for Air Force tenant units. In such cases, the host base FOIA office refers all recommended denials and “no records” appeals to the Air Force tenant MAJCOM FOIA manager. This does not apply to the Air
§ 806.18 Initial determinations.

(a) Disclosure authorities make final decisions on providing releasable records within the time limits and provide recommendations to the IDA on proposed denials and partial denials after coordination with the appropriate FOIA and JA office. Normally, disclosure authorities are division chiefs or higher at Air Staff level. MAJCOMs will designate their disclosure authority levels. The level should be high enough so a responsible authority makes the disclosure according to the policies outlined in this part. At outsourced units or functions, the disclosure authority must be a government official. Contractors who are functional OPRs for official government records are not authorized to make the decision to disclose government records.

(b) On receipt, Air Force FOIA offices will promptly inform Air Force PAOs of all FOIA requests that are potentially newsworthy, or that are submitted by news media requesters. FOIA offices will coordinate final replies for such cases with public affairs.

§ 806.19 Reasonably segregable portions.

Delete information exempt from release under the FOIA from copies of otherwise releasable records. Do not release copies that would permit the requester to “read through the marking.” Examples of records with deletions of exempted data are in §806.30.

§ 806.20 Records of non-U.S. government source.

(a) The Air Force, in compliance with Executive Order 12906, will advise submitters of contractor-submitted records when a FOIA requester seeks the release of such records, regardless of any initial determination as to whether FOIA exemption (b)(4) applies. See §806.15(c) and §806.31. Due to a change to 48 CFR,submitter notification is not required prior to release of unit prices contained in contracts awarded based upon solicitations issued after January 1, 1998. For solicitations issued before January 1, 1998, conduct a normal submitter notice. Unit prices contained in proposals provided prior to contract award are protected from release, as are all portions of unsuccessful proposals (before and after contract award) (10 U.S.C. 2305(g)).

(b) Department of State involvement. Air Force FOIA managers will notify their MAJCOM (or equivalent) FOIA office, in writing, via fax or e-mail when the Department of State becomes involved in any Air Force FOIA actions. The MAJCOM FOIA office will provide 11 CS/SCSR, via fax or e-mail, a summary of the issues involved, and the name, phone number, mailing address and e-mail address of: their own FOIA office point of contact; the Air Force record OPR point of contact, the DoD component FOIA office point of contact (if any), and the Department of State point of contact. 11 CS/SCSR will inform SAF/IA of any State Department involvement in Air Force FOIA actions. (See §806.7(b).) An example of a memo advising 11 CS/SCSR of State Department involvement in an Air Force FOIA action is provided in §806.27.

§ 806.21 Appeals.

(a) FOIA requesters seeking Air Force records must address appeals to the Office of the Secretary of the Air Force, through the FOIA office of the IDA that denied the request. Requesters should attach a copy of the denial letter to their appeal and give reasons for appealing. Air Force IDAs may reconsider any prior denials and may grant all or part of a requester’s appeal. When any appellate action sought by a FOIA requester is denied by an IDA, the IDA will include a statement that the issues raised in the appeal were considered and rejected (in full or in part) in any file sent to the Secretary of the Air Force in the course of a FOIA appeal action. Send all appeals to IDA decisions at the wing level...
Department of the Air Force, DoD

§ 806.25

through the MAJCOM FOIA office for sending to the Secretary of the Air Force’s designated appellate authority, SAF/GCA (and Air Force Legal Services Agency (AFLSA/JACL)). (See §§ 806.4(g), 806.5(b), and § 806.5(k)). Additional steps are required prior to sending an appeal file.

(1) MAJCOM FOIA offices and record OPRs are responsible for ensuring adequate preparation of the FOIA appeal package for reconsideration by the IDA. FOIA offices and records OPRs will coordinate with Air Force attorneys, who will provide written opinions on substantive issues raised in the appeal.

(2) If a requester appeals an Air Force “no records” determination, Air Force elements must search again or verify the adequacy of their first search. The package must include documents that show the Air Force element systematically tried to find responsive records. Tell, for example, what areas or offices were searched and how the search was conducted—manually, by computer, by telephone, and so forth. In the event a requester sues the Air Force to contest a determination that no responsive records exist, formal affidavits are required to support the adequacy of any searches conducted.

(3) FOIA requesters seeking to appeal denials involving Office of Personnel Management’s controlled civilian personnel records must appeal to the Office of the General Counsel, Office of Personnel Management, 1900 E Street NW, Washington, DC 20415.

(4) If a requester appeals a denial of a fee waiver, fee estimate, or fee reduction request, FOIA offices and record OPRs must account for actual and estimated costs of processing a request, and will include copies of the DD Forms 2086 or 2086–1 in the appeal package.

(5) When any appellate action sought by a FOIA requester is denied by an IDA, prepare the FOIA appeal package as specified in §806.29, and then the MAJCOM FOIA office forwards the appeal file to the Secretary of the Air Force’s designated appellate authority, SAF/GCA (through AFLSA/JACL), for a final administrative determination.

(b) Air Force activities will process appeal actions expeditiously to ensure they reach the Office of the Secretary of the Air Force in a timely manner.

§ 806.22 Time limits.

Any FOIA appeals received after the 60-day time limit are not processed, unless the requester provides adequate justification for failing to comply with the time limit. If a late appeal is received, and there is no adequate justification for failing to comply with the time limit, the FOIA office will advise the FOIA requester their appeal has been closed. An example of a closure letter is included in §806.27.

§ 806.23 Delay in responding to an appeal.

For an appeal in process and not yet forwarded to AFLSA/JACL, the MAJCOM FOIA office is responsible for advising the requester of the status of the appeal. For an appeal in process at AFLSA/JACL, that office will advise the requester regarding status of the appeal.

§ 806.24 Fee restrictions.

For FOIA purposes, Air Force activities will consider the cost of collecting a fee to be $15 and will not assess requesters’ fees for any amount less than $15.

§ 806.25 Annual report.

(a) MAJCOM FOIA managers and AFLSA/JACL send a consolidated report for the fiscal year on DD Form 2564, Annual Report Freedom of Information Act, to HQ APCIC/ITC by October 30 via regular mail, e-mail, or facsimile. AFLSA/JACL will prepare the appeals and litigation costs sections of the report. HQ APCIC/ITC will make the Air Force report available on the WWW.

(b) Total requests processed. “Processed” includes responses that give an estimated cost for providing the records, even if the requester has not paid.

(c) Denied in full. Do not report “no record” responses as denials.

(d) Other reasons.

(1) Referrals. Also include referrals within Air Force in this category.

(2) Not an agency record. The “not an agency record” other reason category only applies to requests for: objects or
§ 806.26 Addressing FOIA requests.

(a) FOIA requests concerning Air National Guard Inspector General records should be sent to 11 CS/SCSR (FOIA), 1000 Air Force Pentagon, Washington, DC 20330–1000.

(b) Addressing Air Force Freedom of Information Act requests. The Department of the Air Force, a component of the DoD, includes the Office of the Secretary of the Air Force, the Chief of Staff of the Air Force (who is supported by Headquarters Air Force or “Air Staff” elements), the MAJCOMs, the FOAs, and DRUs. This section lists the FOIA office addresses. A selected subordinate unit is also included in this section. Realignment of Air Force elements is frequent; addresses listed below are subject to change.

(c) The Department of the Air Force does not have a central repository for Air Force records. FOIA requests are addressed to the Air Force element that has custody of the record desired. In answering inquiries regarding FOIA requests, Air Force personnel will assist requesters in determining the correct Air Force element to address their requests. If there is uncertainty as to the ownership of the record desired, refer the requester to the Air Force element that is most likely to have the record. Two organizations that include Air Force elements, and hold some Air Force-related records, are also included in the addresses listed below.

§ 806.27 Samples of Air Force FOIA processing documents.

(a) This section includes suggested language in paragraph format that tracks Air Force and DoD FOIA guidance. The rest of the body of letters and memorandums should comply with Air Force administrative guidance. Each MAJCOM may elect to prepare their own verbiage to meet their specific needs, so long as FOIA processing actions are consistent with guidance in DoD 5400.7-R and this part. In this section, language in parentheses is for explanatory purposes only. Do not include any of the parenthetical language of this section in your FOIA correspondence. When optional language must be selected, the optional language will be presented within parentheses. Use only the portions that apply to the specific request or response.

(b) Initial receipt of Freedom of Information Act request.

We received your Freedom of Information Act (FOIA) request dated ## Month year, for (summarize the request) on ## Month year (date received). We will provide you our release determination by (enter date that is 20 workdays from date you received the request). (Based on our initial review, we believe we cannot process your request within 20 workdays.) (If “cannot” is used, add appropriate explanation; examples follow.) Please contact (name and commercial telephone number) if you have any questions and refer to case number #######.

(c) Interim response:

Your request will be delayed because: all or part of the responsive records are not located at this installation; (and/or) Processing this FOIA request will require us to collect and review a substantial number of records (and/or) Other Air Force activities or other agencies (if applicable) to include the submitter of the information, need to be involved in deciding whether or not to release the responsive records. We expect to reply to your request not later than (give a date that is not more than 30 workdays from the initial receipt of the request); (or) If processing the FOIA request will take more than the allowed time limits to respond. We find we are unable to meet the time limits imposed by the FOIA in this instance because (tell the requester the reason for the delay) (example: the records are classified and must be reviewed for possible declassification by other activities or agencies). We anticipate completing your request by (date).

(When charging fees is appropriate.) The FOIA provides for the collection of fees based on the costs of processing a FOIA request and your fee category. Based on the information in your request, we have determined your fee category is (commercial/educational or noncommercial scientific institution or news media/all others). As a result, you (if commercial category) are required to pay all document search, review and duplication costs over $15.00. (or) As a result, you (if educational or noncommercial scientific institution or news media) will be provided the first 100 pages free of charge; you are required to pay any duplication costs over and above those amounts. (or) As a result, you will be provided the first 2 hours of search time and the first 100 pages free of charge; you are required to pay any search and duplication costs over and above those amounts.

(d) Request for a more specific description:

Your request does not sufficiently describe the desired records. The FOIA applies to existing Air Force records; without more specific information from you, we cannot identify what documents might be responsive to your request. Please give us whatever additional details you may have on the Air Force records you want. Can you tell us when the records were created, and what Air Force element may have created the records? If this request involves an Air Force contract, do you know the contract number and dates it covered? Our address is (include name and complete mailing address), our fax number is (give fax number), our e-mail address is (optional—give complete e-mail address). Based on the original request you sent us, we are unable to respond.

(e) Single letter acknowledging receipt of request and giving final response. (If you can complete a FOIA request within the statutory 20-workday processing period, Air Force elements may elect to send a single letter to the requester, along with responsive
records which are released to the requester in full).

We received your Freedom of Information Act (FOIA) request dated ## Month year, for (summarize the request) on ## Month year (date received). A copy (or) Copies of (describe the record(s) being released) (is/are) releasable and (is/are) attached.

(f) Collection of fees:

The FOIA provides for the collection of fees based on the costs of processing a FOIA request and your fee category. We have placed you in the (enter the fee category) fee category. In your case, we have assessed a charge of $____ for processing your request. The fee was calculated in the following manner: (Give a detailed cost breakdown: for example, 15 pages of reproduction at $0.15 per page; 5 minutes of computer search time at $45.50 per minute, 2 hours of professional level search at $30 per hour.) Please make your check payable to (appropriate payee) and send it to (your complete mailing address) by (date 30 days after the letter is signed). (or) The FOIA provides for the collection of fees based on the costs of processing a FOIA request and your fee category. We have placed you in the (enter the fee category); however, in this case, we have waived collecting fees.

(g) Multitrack processing letters to FOIA requesters. (When using the multitrack FOIA processing system, determine which of the following paragraphs to include in your letters to the requester. To the extent it may apply, include language from paragraph 2 of the sample. If a requester asks for expedited processing, answer carefully if you decide not to provide expedited processing, because requesters may appeal denial of their request for expedited processing. Advise requesters placed into the complex track in writing how they can simplify their request to qualify for the simple track.)

We received your Freedom of Information Act (FOIA) request dated ## Month year, for (summarize the request) on ## Month year (date received). Because our organization has a significant number of pending FOIA requests, which prevents us from making a response determination within 20 workdays, we have instituted multitrack processing of requests. Based on the information you provided, we have placed your request in the (simple or complex) track. We have assigned number ###### to identify your request; should you need to contact us about your request, please write or call (name and telephone) and use this number to assist us in responding more promptly.

Based on our current backlog, we expect to respond to your request not later than (give an estimated date). Our policy is to process requests within their respective tracks in the order in which we receive them. We do process each FOIA request as quickly as we can.

(h) If the request is placed in the complex track:

In your case, processing your request is complex because (give basic reasons this is a complex case: request was vague or complicated; the records sought are voluminous; multiple organizations will have to work on this request; records are classified; responsive records came from another command/another service/a nongovernment source; responsive records were part of the Air Force’s decision-making process, and the prerelease review will require policy determinations from different Air Force elements; records describe law enforcement activities; records involve foreign policy issues; due to the nature of your request and/or the nature of our computer system, responding to your request or providing a response in the electronic format you requested will be technically complex, etc.). Simplifying your request might permit quicker processing in the following ways: (describe ways the search could be narrowed to fewer records, or ways policy issues could be avoided, etc.) Can you tell us when the records were created, and what Air Force element may have created the records? If this request involves an Air Force contract, do you know the contract number? Please give us whatever additional details you may have on the Air Force records you are seeking; so we can attempt to streamline the processing of your request. Our address is (give complete mailing address), our fax number is (give fax number), our e-mail address is (optional—give complete e-mail address).

(i) If the requester asks that you expedite their request:

Because individuals receiving expedited processing may receive a response before other earlier requesters, there are administrative requirements you must meet before we can expedite a request. In your request, you asked that we expedite processing. In order for us to expedite a request, the requester must provide a statement certifying the reasons supporting their request are true and correct to the best of their knowledge.

In the second category, “urgently needed” means the information itself has a particular value that it will lose if it is not disseminated quickly. Ordinarily this means the information concerns a breaking news story of
§ 806.27  

32 CFR Ch. VII (7–1–02 Edition)  

general public interest. Historic information, or information sought for litigation or commercial activities usually would not qualify for expedited processing in the second category. Also, the fact that a news organization has an internal broadcast or publication deadline, so long as the deadline was unrelated to the nature of the information itself (for example, the information was not a breaking news story of general public interest) would not make the information “urgently needed.”

In this case, we have determined your FOIA request (will/will not) receive expedited processing. We came to this conclusion because you (did/did not) demonstrate you need the information because failure to obtain the records on an expedited basis (could/could not) reasonably expect to pose an imminent threat to life or physical safety of an individual (or) the information (is/is not) urgently needed in order to inform the public about actual or alleged Federal Government activity (or) failure to obtain the records on an expedited basis (could/could not) reasonably expect to lead to an imminent loss of substantial due process rights, (or) release (would/would not) serve a humanitarian need by promoting the welfare and interests of mankind (and/or) your request for expedited processing did not meet the statutory requirements of the FOIA; you did not provide enough information to make a determination of compelling need for the information you requested (and/or) you did not properly certify your request.

(j) If you deny a request for expedited processing:

If you consider our decision not to expedite your request incorrect, you may appeal our decision. Include in your appeal letter the reasons for reconsidering your request for expedited processing, and attach a copy of this letter. Address your appeal to Secretary of the Air Force through (address of MAJCOM FOIA office). In the meantime, we will continue to process your request in the (simple/complex) processing track.

(k) Certification, computer systems manager (electronic records or format requested).

(When answering a request for electronic records, based on the configuration of your hardware and/or software, certain factors may make a particular request complex. Have your computer system manager advise you whether or not they can create the new record/format on a ‘‘business as usual’’ basis. If producing the record/format would entail a significant expenditure of resources in time and manpower that would cause significant interference with the operation of the information system and adversely affect mission accomplishment, you do not need to process the request. The FOIA office needs to get a certification from the computer systems manager to document this determination to support their response. Possible language for this certification is provided below.)

I, (rank and grade and name) am the computer systems manager for (organization with electronic records responsive to FOIA request). In consultation with (FOIA office), I have considered the FOIA request of (requester’s name), our ###### (FOIA identifier), which asked for (describe electronic record or format). We (do/do not) have electronic records that are responsive to this request (or) data that we (can/cannot) configure into the requested format. (If there are electronic records) The existing electronic records (do/do not) contain nonreleasable data that we (can/cannot) remove from the electronic record. Because of the way our (computer system/database/software) (use all that apply, specify hardware and/or software nomenclature if possible; for example, IBM #####, Microsoft Excel) is configured, creating the electronic record (or) modifying the existing record/format would entail a significant expenditure of resources in time and manpower that would cause significant interference with the operation of the information system and adversely affect mission accomplishment (describe how responding would interfere and time/manpower resources required, give estimated reprogramming time, if possible). I have applied the DoD “standard of reasonableness” in considering this request. I understand that when the capability exists to respond to a FOIA request that would require only a ‘‘business as usual’’ approach to electronically extract the data and compile an electronic record or reformat data to satisfy a FOIA request, then creation of the electronic record or reformatting the data would be appropriate. In this case, a significant expenditure of resources and manpower would be required to compile the electronic record (or) reformat existing data. This activity would cause a significant interference with the operation of our automated information system. I certify creation of the electronic record (or) reformatting existing data in order to respond to this request would not be reasonable, under the circumstances.

(Note: Some electronic data requests may include a request for software. You may have to release government-developed software that is not otherwise exempt, if requested under the FOIA. Exemptions 1—classified software, 2—testing, evaluation, or similar software, 3—exempt by statute, 5—deliberative process/privileged software, and 7—law enforcement operations software may apply, based on the nature of the requested software. If the software is commercial off-the-
shelf software, as opposed to software developed by the government, the software may qualify to be withheld from release under FOIA exemption 4.

(1) "No (paper or electronic) records" or "requested format not available" letters.

This is in response to your Freedom of Information Act (FOIA) request dated ## Month year, for (summarize the request) on ## Month year (date received), our number ####. A thorough search by (identify the unit(s) that tried to locate responsive records) did not locate any records responsive to your request. (If the requester asked questions, and there are no responsive records that would provide the answers to those questions): The FOIA applies to existing Air Force records; the Air Force need not create a record in order to respond to a request.

(or) A thorough assessment by the OPR and the computer systems manager has determined we cannot provide the (electronic record data) in the format you requested. (If this can be done on a “business as usual basis”): Paper copies American Standard Code for Information Interchange (ASCII) files) of the data you requested are attached.

If you interpret this “no records” response as an adverse action, you may appeal it in writing to the Secretary of the Air Force. Your appeal should be postmarked no later than 60 calendar days from the date of this letter. Address your letter as follows: Secretary of the Air Force, Thru: (MAJCOM FOIA Office), (mailing address).

The FOIA provides for the collection of fees based on the costs of processing a FOIA request and your fee category. We have placed you in the (enter category) fee category; however, in this case, we have waived fees. (If paper copies or ASCII files are provided:) The FOIA provides for the collection of fees based on the costs of processing a FOIA request and your fee category. In your case, as a requester in the fee category of (add appropriate category), we have assessed a charge of $___ for processing your request.

The fee was calculated in the following manner: (Give a detailed cost breakdown: for example, 15 pages of reproduction at $0.15 per page; 5 minutes of computer search time at $43.50 per minute, 2 hours of professional level search at $25 per hour.) Please make your check payable to (appropriate payee) and send it to (give your complete mailing address) by (date 30 days after the letter is signed).

(m) Referral or coordination letters. (These letters are to tell the requester all or part of the request was referred to another Air Force organization, to refer or coordinate the request to another federal government organization, and to advise a nongovernment submitter a FOIA request was received for information they submitted.)

(1) Letter to requester.

(If all or part of a request has been referred, write to the requester:) Your Freedom of Information Act (FOIA) request dated ## Month year, for (summarize the request) received on ## Month year (date received), our number ####, was referred (or) must be coordinated with (give mailing address of the FOIA office to which you are referring all or part of the request, the identity of the federal government organization you are either coordinating with or are referring all or part of the request to, or that you must coordinate with the nongovernment submitter of responsive information). (On referrals:) That office will process (all/part) of your request (describe which part is being referred if the entire request is not being referred) and they will respond directly to you. (On coordination:) That organization has a significant interest in the records (or) created the records that may answer to your request. (Before notifying a requester of a referral to another DoD component or federal agency, consult with them to determine if their association with the material is exempt. If so, protect the association and any exempt information without revealing the identity of the protected activity.) (When a nongovernment submitter is involved:) The nongovernment submitter of information that may answer your request needs time to respond to the possible release of information under the FOIA.

Because we must refer (or) coordinate your request outside our organization, your request will be delayed. We will determine whether any records are available; as soon as is practicable, a decision will be made whether to release or to withhold from disclosure any responsive records under the FOIA, 5 U.S.C. 552. Your request will be processed as expeditiously as circumstances permit.

(2) Letter to another government agency.

(If all or part of a request was referred or requires coordination, write to the government entity:) On ## Month year (date received), our organization received a Freedom of Information Act (FOIA) request from (identity of requester). Attachment 1, dated ## Month year, for (summarize the request). Based on our assessment of that request, our number ####, we need to (refer/coordinate) (all/part) of that request to you (describe which part is being referred or coordinated, if it was not the entire request). (Name and phone number of person who agreed to the...
referral or coordination) accepted this referral (or coordination) action was on (date). We notified the requester of this action (see §806.31).

We (do/do not) hold records responsive to this request. (If do hold is used:) Copies of responsive records located in our files are included at Attachment 3 to assist you in making your assessment on the releasability of your related records. If you need to contact us, our phone number and address is (give name, phone and complete mailing address); our fax number is (give fax number), our e-mail address is (give complete e-mail address).

(3) Letter to submitter of contract-related information.

(If contractor-submitted information is involved, write to the submitter:) On ## Month year (date received), our organization received a Freedom of Information Act (FOIA) request from (identity of requester), our number #####, dated ## Month year, for (summarize the request). Information you submitted to the Air Force was identified as responsive to this request, see copies attached.

To determine the releasability of the information contained in these documents and to give you the maximum protection under the law, please review the attached documents and give us the information outlined in §806.31. If you feel the information is privileged or confidential, consists of proprietary commercial or financial information, and otherwise meets the statutory requirements for withholding the information from release under FOIA exemption 4, 5 U.S.C. 552(b)(4), respond to us in writing not later than ## working days from the date of this letter (usually 30 calendar days). If you object to release of this information under the FOIA, identify the items, lines, columns or portions you believe we should withhold from release.

You will also need to provide a written explanation of how release would adversely impact or cause harm to your competitive position, your commercial standing, or other legally protected interests. An assertion that "we should deny because all of the information was submitted in confidence" or "deny because all of the information was marked as proprietary in nature" would not justify withholding of the requested information under the FOIA. If you need to contact us, call or write (give name), phone number is (give commercial number), our address is (give complete mailing address), our fax number is (give fax number), our e-mail address is (give complete e-mail address).

(4) Letter requesting State Department coordination. (If the State Department is involved in coordinating on a request, fax or e-mail 11 CS/SCSR so they can inform SAF/IA if appropriate).

On ## Month year (date received), our organization received a Freedom of Information Act (FOIA) request from (identity of requester), our number #####, dated ## Month year, for (summarize the request). Because of the nature of this request, we need to coordinate this request with the Department of State. In accordance with 5400.7-R, Air Force Supplement, we are informing you of their involvement in this FOIA request.

(Provide any specifics available.) Air Force records are involved in this action. If you need to contact us, our phone number is (give commercial and DSN numbers), our address is (give complete mailing address), our fax number is (give fax number), our e-mail address is (give complete e-mail address).

(n) Certification of initial classification or declassification authority (When denying a FOIA request, in whole or in part, because the information requested is classified, the initial classification authority, his or her successor, or a declassification authority, needs to determine if the records are "properly and currently classified," and therefore must be withheld from release under FOIA exemption (b)(1); also, you need to determine that you cannot release any reasonably segregable additional portions. Language that certifies such a determination was made on a FOIA request involving classified records follows).

(1) Sample certification format—all information remains classified.

I, (rank/grade and name) am the initial classification authority (or) the successor to the original initial classification authority (or) the declassification authority for (give an unclassified description of the records concerned). In consultation with (FOIA office), I have assessed the FOIA request of (requester’s name), our ###### (FOIA identifier), for records that were properly classified at the time of their creation and currently remain properly classified in accordance with Executive Order (E.O.) 12958, National Security Information, (or) contain information that we have determined is classified in accordance with E.O. 12958 Section 1.5(_ ) (or) in accordance with E.O. 12958 Section 1.5(_ ) and is also exempt from declassification in accordance with Section 1.6(_ ) of the E. O. (or if the record is more than 25
years old) contain information that we have determined is exempt from declassification in accordance with E.O. 12958 Section 3.4(b)(1). Unauthorized release could cause (for TOP SECRET, use exceptionally grave; for SECRET use serious; for CONFIDENTIAL do not add language; should read cause damage) damage to national security. There are no reasonably segregable portions that we can release. Consequently release of this information is denied pursuant to 5 U.S.C. 552(b)(1).

(2) Sample certification format—portions remain classified.

I, (rank/grade and name) am the initial classification authority (or) the successor to the original initial classification authority (or) the declassification authority for (give an unclassified description of the records concerned.) In consultation with (FOIA office), I have assessed the FOIA request of (requester’s name), our ###### (FOIA identifier), that asked for records, (or) portions of which were properly classified at the time of their creation. Portions of the records currently remain properly classified in accordance with E.O. 12958. The bracketed information is currently and properly classified in accordance with Section 1.5 (add appropriate subparagraph), E.O. 12958, and is also exempt from declassification in accordance with Section 1.6( ) of the Executive Order (or if the record is more than 25 years old) contain information that we have determined is exempt from declassification in accordance with E.O. 12958 Section 3.4(b)(1). Unauthorized release could cause (for TOP SECRET use exceptionally grave; for SECRET use serious; for CONFIDENTIAL do not add language; should read cause damage) damage to national security. There are no other reasonably segregable portions that we can release. Consequently this information is denied pursuant to 5 U.S.C. 552(b)(1).

(o) Letter to a requester who has withdrawn their request or appeal. (If a FOIA requester has withdrawn a FOIA request or appeal, sending a final letter to the requester to close the file may be wise. Suggested language to the requester follows):

We received your Freedom of Information Act (FOIA) request (or) appeal dated ## Month year, on ## Month year (date received). After sending us your request (or) appeal, you indicated by (facsimile, letter) that you wished to withdraw your request (or) appeal. We have, therefore, closed your file without further action.

(p) Letter to a requester who has appealed after the 60-day deadline. (We will not process FOIA appeals received after the 60-day time limit, unless the requester provides adequate justification for failing to comply. If you receive a late appeal, and it gives inadequate justification for failing to comply, the FOIA office will advise the requester their appeal was closed; suggested language for a letter to an untimely requester follows.)

We received your Freedom of Information Act (FOIA) appeal dated ## Month year, on ## Month year (date received). You did not appeal within 60 days of the postmarked date of our denial letter as outlined in our agency regulation. Therefore, we are closing our file.

(q) Letter to a requester who has appealed. (There are occasions when, on reconsideration, an IDA grants all or part of an appeal. When sending their appeal to higher headquarters, notify the requester. Suggested language to a requester who has appealed follows):

We received your Freedom of Information Act (FOIA) appeal, our number #####, dated ## Month year (date received). We considered the issues raised in your appeal carefully. We have decided to grant (or) partially grant your appeal. (If you grant all or part of the appeal): Upon reconsideration, we are releasing the requested records (or) granting your request. (If the appeal is only partially granted, describe what portions remain in dispute). (If applicable): We are releasing and attaching all or portions of the responsive records. (If applicable): We will continue processing your appeal for the remaining withheld (records/information).

§ 806.28 Records with special disclosure procedures.

Certain records have special administrative procedures to follow before disclosure. Selected publications that contain such guidance are listed below.

(a) AFI 16–701, Special Access Programs.
(b) AFI 31–206, Security Police Investigations.
(c) AFI 31–501, Personnel Security Program Management.
(d) AFI 31–601, Industrial Security Program Management.
§ 806.29 Administrative processing of Air Force FOIA requests.

(a) This section is a checklist format of processing steps and explanations of Air Force and DoD guidance. Each MAJCOM may elect to prepare its own checklists to tailor FOIA processing actions within its own organizations to meet their specific needs, so long as it remains consistent with guidance contained in DoD 5400.7-R, DoD Freedom of Information Act Program, and this part.

(b) Procedures: FOIA requests.

(1) Note the date the request was received, give the request a unique identifier/number, and log the request.

(2) Assess the request to determine initial processing requirements:

(3) Determine what Air Force elements may hold responsive records.

(4) Determine appropriate processing track (simple/complex/expedited). (Air Force FOIA offices without backlogs do not multitrack FOIA requests.)

Note: Requesters have a right to appeal an adverse tracking decision (for example, when it is determined their request will not be expedited). Also, if their request qualifies for the complex track, tell requesters so they may limit the scope of their request in order to qualify for the simple track. FOIA managers must assess a request before placing it into a specific processing track, and must support their actions should the requester appeal. If a request is determined to be complex, or is not expedited when the requester sought expedited processing, you must advise the requester of the adverse tracking decision in writing. See §806.27 for sample language for this kind of letter to a requester.

(i) Simple. Defines a request that can be processed quickly, with limited impact on the responding units. The request clearly identifies the records, involves no (or few) complicating factors (e.g., there are few or no responsive records, involves only one installation and there are no outside OPRs, involves no classified records (Exemption 1), a law exempts the responsive records from disclosure (Exemption 3), no deliberative process/privileged materials (Exemption 5), records contain no (or limited) personal privacy information/did not come from Privacy Act systems of records concerning other individuals (Exemption 6), release of records would have minimal impact on law enforcement (Exemption 7); no time extensions expected, other than the additional 10-workdays allowed in situations outlined in the FOIA). If the requested data must come from electronic records, response can be completed on a “business-as-usual” basis; requires no (or limited) reprogramming of automated information systems and would cause no significant interference with operation of information systems by processing a simple request providing a...
response in the electronic format requested.

(ii) Complex. Defines a request whose processing will take substantial time, will cause significant impact on responding units. Complications and delays are likely (e.g., the request is vague (poor description of records, unclear who or when records were created), records are massive in volume, multiple organizations will receive tasking, records are classified (Exemption 1), records came from another command/service/a nongovernment source (Exemption 4), records are part of the Air Force’s decision-making process, and not incorporated into a final decision (IG/audit reports, legal opinions, misconduct or mishap investigations etc.) or are attorney-client records (Exemption 5), records are largely personal information on another individual or came from Privacy Act systems of records (Exemption 6), records describe law enforcement activities or information from (and/or identities of) confidential sources (Exemption 7); response cannot be completed on a “business as usual” basis and would require extensive reprogramming or cause significant interference with operation of the automated information systems. (Advise requester, in writing, of right to limit the scope of their request in order to qualify for simple track.)

(iii) An expedited request is when a requester asks for expedited processing and explains the compelling need ( imminent threat to life or physical safety; urgently needed by a person primarily engaged in disseminating information; due process; or humanitarian need) for the requested information. In order to receive expedited processing, requester must provide a statement certifying their “demonstration” (description) of their specific “compelling need” or due process/humanitarian need is true and correct to the best of their knowledge. When a requester seeks expedited processing, FOIA offices must respond in writing to the requester within 10 calendar days after receipt of the request approving or denying their request for expedited processing. Requesters have a right to appeal an adverse decision (e.g., when it is determined their requests will not be expedited). There are four categories of FOIA requests that qualify for expedited processing:

(A) The requester asserts a “compelling need” for the records, because a failure to obtain records quickly could reasonably be expected to pose an imminent threat to the life or physical safety of an individual.

(B) The requester asserts a “compelling need” for the records, because the information is “urgently needed” by an individual engaged in disseminating information to inform the public (primarily news media requesters; and could also include other persons with the ability to disseminate information).

NOTE: “Urgently needed,” in this case, means the information has a particular value that will be lost if it is not disseminated quickly. This normally would apply to a breaking news story of general public interest. Information of historical interest only, or sought for litigation or commercial activities would not qualify, nor would the fact a news media entity had an internal broadcast deadline of its own, which was unrelated to the “news breaking nature” of the information itself, cause the requested information to qualify as “urgently needed.”

(C) Failure to obtain records quickly could cause imminent loss of substantial due process rights or providing the information quickly would serve a “humanitarian need” (i.e., disclosing the information will promote the welfare and interests of mankind). While FOIA requests falling into these third and fourth categories can qualify for expedited processing, process them in the expedited track behind the requests qualifying for expedited processing based on “compelling need” (the first two types of expedited FOIA requests).

(5) Determine fee category of requester (commercial/educational— noncommercial scientific institution—news media/all others) and assess fee issues. When all assessable costs are $15.00 or less, waive fees automatically for all categories of requesters. Assess other fee waiver or reduction requests on a case-by-case basis.

(6) Apply fee waiver/fee reduction criteria in appropriate cases (when requester asks for fee waiver/reduction).

(7) Find the responsive Air Force records (if any).
§ 806.29

(i) Send the request to the appropriate OPRs to search for responsive records and to decide whether to recommend release of any responsive records. Include a DD Form 2086, Record of Freedom of Information (FOI), or a DD Form 2086-1, Record of Freedom of Information (FOI) Processing Cost for Technical Data, in each request. The OPR must complete and return the appropriate forms and statements to the FOIA office.

(ii) If the OPRs find no responsive records, or if the OPRs desire to withhold any responsive records from release to the requester, the OPRs must provide a written certificate detailing either their unsuccessful search, or their reasons why the documents should be withheld from release under the FOIA; the written OPR statements must accompany the copies of the records the OPR desires to withhold as the FOIA action is processed (e.g., include it in any denial or appeal file).

NOTE: If any part of a FOIA request is denied, and the requester appeals that denial, include all forms, certificates and documents prepared by the OPRs in the FOIA appeal package required in paragraph (d)(5) of this section.

(c) Contacts with FOIA requesters and non-Air Force submitters of data.

(1) Contacts with Air Force elements.

A FOIA request is considered “re-ceived” (and therefore ready to process) when the FOIA office responsible for processing the request physically receives it, when the requester states a willingness to pay fees set for the appropriate fee category, or, if applicable, when the requester has paid any past FOIA debts and has reasonably described the requested records. Keep hard/paper copies of all memoranda documenting requester contacts with Air Force elements regarding a pending FOIA request in the requester’s FOIA file. If the requester contacts Air Force elements telephonically about a pending FOIA request, the Air Force member participating in the conversation must prepare notes or memorandums for record (MFR), and keep those notes or MFRs in the requester’s FOIA file. If any part of a FOIA request is denied, and the requester appeals that denial, submit documentation of requester contacts with Air Force elements in chronological order in the FOIA appeal package (see paragraph (d)(1) of this section).

(2) Contacts with the FOIA Requester.

See §806.27 for samples of language to use in various types of Air Force FOIA letters. If any part of a FOIA request is denied, and the requester appeals that denial, submit documents sent by Air Force elements to the requester in the FOIA appeal package in chronological order (see paragraph (d)(5) of this section). Letters that Air Force FOIA offices may need to send to a FOIA requester include:

(i) An initial notification letter that the FOIA request was received. This letter may advise the requester that processing of the FOIA request may be delayed because:

(A) All or part of the requested records are not located at the installation processing the FOIA request (see §806.29(c)(2)(ii)).

(B) An enormous number of records must be collected and reviewed.

(C) Other Air Force activities or other agencies, to include (if applicable) the nongovernment submitter of information, need to be involved in deciding whether or not to release the records.

(D) If you cannot complete processing of a FOIA request within 20 workdays, advise the requester of the reasons for the delay and give a date (within 30 workdays after receiving the request) when the requester can expect a final decision.

(ii) The initial notification letter may advise the requester all/part of the request was referred to another Air Force element or government activity.

(iii) The initial notification letter may advise the requester of the appropriate fee category. In cases where fees are appropriate, and requesters have not agreed to pay for responsive records and fees are likely to be more than $15.00, seek assurances that the requester agrees to pay appropriate fees. If more information is needed to make a fee category determination, or to determine whether fees should be waived/reduced, inform the requester. FOIA offices may determine fee waiver/reduction requests before processing a FOIA request; if a fee waiver/reduction
request is denied, the requester may appeal that denial; he/she may also appeal an adverse fee category determination (e.g., asked for news media fees, but was assessed commercial fees.)

(iv) The initial notification letter may advise the requester the request does not sufficiently describe the desired records. If possible, help the requester identify the requested records by explaining what kind of information would make searching for responsive records easier.

(v) If Air Force elements can complete a FOIA request within the statutory 20-workday processing period, you may elect to send only a single letter to the requester, along with responsive records that are released to the requester in full.

(vi) A letter to the requester that the responding FOIA office uses multitrack processing due to a significant number of pending requests that prevents a response determination from being made within 20 workdays. This letter advises the FOIA requester that track the request is in (simple/complex); in this letter, if expedited processing was requested, the requester is advised if the request will be expedited or not. If the request is found to be complex, you must advise the requester he/she may alter the FOIA request to simplify processing. If it is determined the request will not be expedited, the requester must be told he/she can appeal. (This may be the initial letter to the requester, for Air Force elements with multitrack processing; if that is the case, this letter may include sections discussed in §806.29(c)(2)(i)).

(vii) Subsequent letters to the requester on various subjects (for example, releasing requested records; advising reasons for delays; responding to the letters, facsimiles or calls; advising the requester of referrals to other Air Force units or government activities; involves a non-Air Force submitter, etc.).

(viii) A release letter to the requester, forwarding releasable responsive records with a bill (if appropriate).

(ix) A “no records” response letter to the requester if there are no responsive records, or, a denial letter, if any responsive records are withheld from release. FOIA managers may sign “no records” or “requested format not available” responses; they may also sign a letter that advises a requester the fee category sought was not determined to be appropriate, or that a fee waiver/fee reduction request was disapproved, or that a request for expedited processing has been denied. An IDA must sign any letter or document withholding responsive records. When denying records, you must tell the requester, in writing: the name and title or position of the official who made the denial determination, the basis for the denial in enough detail to permit the requester to make a decision concerning appeal, and the FOIA exemptions on which the denial is based. The denial letter must include a brief statement describing what the exemptions cover. When the initial denial is based (in whole or in part) on a security classification, this explanation should include a summary of the applicable executive order criteria for classification, as well as an explanation of how those criteria apply to the particular record in question. Estimate the volume of the records denied and provide this estimate to the requester, unless providing such an estimate would harm an interest protected by an exemption of the FOIA. This estimate should be in number of pages or, for records in other media, in some other reasonable form of estimation, unless the volume is otherwise indicated through deletions on records disclosed in part. Indicate the size and location of the redactions on the records released. You must also tell the requester how he/she can appeal the denial.

(3) Contacts with non-Air Force submitters of data. Before releasing data (information or records) submitted from outside the Air Force, determine whether you need to write to the submitter of the data for their views on releasability of their data. In many cases, this non-Air Force data may fall under FOIA Exemption 4. If it appears you must contact the submitter of the data, advise the requester in writing that you must give the submitter of the data the opportunity to comment before the Air Force decides whether to release the information. Give the submitter a reasonable period of time (30
calendar days) to object to release and provide justification for withholding the documents. If the submitter does not respond, advise the submitter in writing that you have not received a reply and plan to release the records. Provide the submitter with the reasons the Air Force will release the records, and give the submitter your expected release date (at least 2 weeks from the date of your letter). This permits the submitter time to seek a temporary restraining order (TRO) in federal court, if they can convince the judge to issue such an order. See §806.27 for samples of language to use in Air Force letters to both the FOIA requester and non-government submitters. Remember to include a copy of §806.31 as an attachment to the letter sent to the non-government submitter.

(i) The notice requirements of this section need not be followed if the Air Force determines that the information should not be disclosed, the information has been lawfully published or officially made available to the public, or disclosure of the information is required by law.

(ii) If the submitter objects to release of the records, but the Air Force disclosure authority considers the records releasable, tell the submitter before releasing the data. Include in the letter to the submitter a brief explanation and a specific release date at least 2 weeks from the date of the letter. Advise the submitter once a determination is made that release of the data is required under the FOIA, failure to oppose the proposed release will lead to release of submitted data. Also advise the requester such a release under the FOIA will result in the released information entering the public domain, and that subsequent requests for the same information will be answered without any formal coordination between the Air Force and the submitter, unless the information is later amended, changed, or modified. A person equal to, or higher in rank than, the denial authority makes the final decision to disclose responsive records over the submitter’s objection.

(iii) When a previously released contract document has been modified, the submission of new or updated documents will be treated as responsive to a later FOIA request. See §806.29 that such responsive records will be processed as a first-time FOIA request for those newly created documents. Notify the nongovernment submitter of the pending FOIA action, and give them the same opportunity to respond as is detailed above. Passage of a significant period of time since the prior FOIA release can also require Air Force elements to comply with the notice requirements in this paragraph.

(d) Denying all or part of a request. When responsive records are withheld from release (denied), the appropriate offices must prepare a denial package for the IDA. Air Force elements must send the request, related documents, and responsive records through their IDA’s FOIA office to the IDA for a decision. The denial package must include:

(1) The FOIA request and any modifications by the requester.
(2) A copy of the responsive records, including both records that may be released and records recommended for denial.
(3) Written recommendations from the OPRs and an Air Force attorney.
(4) The exemptions cited and a discussion of how the records qualify for withholding under the FOIA. This discussion should also include the reasons for denial: to deny release of responsive records requested under the FOIA, you must determine that disclosure of the records would result in a foreseeable harm to an interest protected by a FOIA exemption (or exemptions), that the record is exempt from release under one or more of the exemptions of the FOIA, and that a discretionary release is not appropriate.
(5) Any collateral documents that relate to the requested records. For example:

(i) If the requested records came from a non-Air Force or non-U.S. Federal Government submitter, include any documents from the submitter that relate to the release or denial of the requested records. If you are not sure whether or not the non-Air Force or non-U.S. Federal Government submitted information is potentially exempt from release under the FOIA, contact an Air Force attorney. FOIA Exemptions 3, 4, 5, 6, and 7 may apply.
(ii) If the requested records came from Privacy Act systems of records, include a written discussion of any Privacy Act issues.

(iii) If any requested records came from another Air Force element, or release of the requested records would affect another Air Force element, FOIA offices should coordinate with that other element. If the FOIA request is not completely referred to the other element, include documents from that element.

(iv) If any requested records are classified, include a written certification from a classification authority or declassification authority stating the data was properly classified originally, that it remains properly classified (per E.O. 12958), and, if applicable, that no reasonably segregable portions can be released.

(e) FOIA appeal actions.

(1) If an IDA, or a FOIA office responding on behalf of an IDA, withhold s a record from release because they determine the record is exempt under one or more of the exemptions to the FOIA, the requester may appeal that decision, in writing, to the Secretary of the Air Force. The appeal should be accompanied by a copy of the denial letter. FOIA appeals should be postmarked within 60 calendar days after the date of the denial letter, and should contain the reasons the requester disagrees with the initial denial. Late appeals may be rejected, either by the element initially processing the FOIA appeal, or by subsequent denial authorities, if the requester does not provide adequate justification for the delay. Appeal procedures also apply to the denial of a fee category claim by a requester, denial of a request for waiver or reduction of fees, disputes regarding fee estimates, review on an expedited basis of a determination not to grant expedited access to agency records, and for “no record” or “requested format not available” determinations when the requester considers such responses adverse in nature.

(2) Coordinate appeals with an Air Force attorney (and the OPR, if appropriate) so they can consider factual and legal arguments raised in the appeal, and can prepare written assessments of issues raised in the appeal to assist the IDA in considering the appeal. MAJCOM FOIA offices and 11 CS/SCSR (for OPRs at HQ USAF and SAF), send all appeals to the Secretary of the Air Force through AFLSA/JACL for consideration, unless the IDA has reconsidered the initial denial action, and granted the appeal.

(3) If a requester appeals a “no records” determination, organizations must search again or verify the adequacy of their first search (for example, if a second search would be fruitless, the organization may include a signed statement from either the records OPR or the MAJCOM FOIA manager detailing why another search was not practical). The appeal package must include documents (to include a certification from the records OPR) that show how the organization tried to find responsive records. In the event a requester sues the Air Force to contest a determination that no responsive records exist, formal affidavits will be required to support the adequacy of any searches conducted.

(4) General administrative matters. FOIA requesters may ultimately sue the Air Force in federal court if they are dissatisfied with adverse determinations. In these suits, the contents of the administrative appeal file are evaluated to determine whether the Air Force complied with the FOIA and its own guidance. Improper or inadequate appeal files make defending these cases problematic. Include all the documents related to the requester’s FOIA action in the appeal file. If appeal file documents are sensitive, or are classified up to the SECRET level, send them separately to AFLSA/JACL, 1501 Wilson Boulevard, 7th Floor, Arlington, VA 22209-2403. Make separate arrangements with AFLSA/JACL for processing classified appeal file documents TOP SECRET or higher. Cover letters on appeal packages need to list all attachments. If a FOIA action is complicated, a chronology of events helps reviewers understand what happened in the course of the request and appeal. If an appeal file does not include documentation described below, include a blank sheet in proper place and mark as “not applicable,” “NA,” or “not used.” Do not renumber and
move the other items up. If any part of the requester’s appeal is denied, the appeal package must include a signed statement by the IDA, demonstrating the IDA considered and rejected the requester’s arguments, and the basis for that decision. This may be a separate memorandum, an endorsement on a legal opinion or OPR opinion, or the cover letter which forwards the appeal for final determination. Include in the cover letter forwarding the appeal to the Secretary of the Air Force the name, phone number and e-mail address (if any) of the person to contact about the appeal. The order and contents of appeal file attachments follow.

(i) The original appeal letter and envelope.
(ii) The initial FOIA request, any modifications of the request by the requester or any other communications from the requester, in chronological order.
(iii) The denial letter.
(iv) Copies of all records already released. (An index of released documents may be helpful, if there are a number of items. If the records released are “massive” (which means “several cubic feet”) and AFLSA/JACL agrees, an index or description of the records may be provided in place of the denied records. Do not send appeal files without copies of denied records without the express agreement of AFLSA/JACL. Usually AFLSA/JACL requires all the denied records in appeal files. If you do not send the denied records to AFLSA/JACL, when a FOIA requester has appealed a denial, retain a copy of what was denied for 6 years.)
(v) All legal opinions in chronological order. Include a point-by-point discussion of factual and legal arguments in the requester’s appeal (prepared by an Air Force attorney and/or the OPR). If the IDA does not state in the cover letter he/she signed, that he/she considered and rejected the requester’s arguments, asserting the basis for that decision (e.g., the IDA concurs in the legal and/or OPR assessments of the requester’s arguments) include a signed, written statement containing the same information from the IDA, either as a separate document or an endorsement to a legal or OPR assessment. Include any explanation of the decision-making process for intra-agency documents denied under the deliberative process privilege and how the denied material fits into that process (if applicable).

§ 806.30 FOIA exempt information examples.

(a) Certain responsive records may contain parts that are releasable, along with other parts that the Air Force must withhold from release. Carefully delete information exempt from release under the FOIA from copies of otherwise releasable records. Do not release copies that would permit the requester to “read through the marking.” In order to assist FOIA managers in redacting records, selected items appropriate to withhold in commonly requested Air Force records are illustrated below. When providing releasable portions from classified paragraphs, line through and do not delete, the classification marking preceding the paragraph.

(b) Exemption 1. Example used is an extract from a “simulated” contingency plan (all information below is
§ 806.30

(f) Exemption 7. Example used is summary of a law enforcement report on a domestic disturbance at on-base family housing (all information below is fictional and all parenthetical information is used for illustrative purposes only):

At 2140, the law enforcement desk, extension 222-3456, took an anonymous call that reported a disturbance at 1234 Basestreet, quarters allegedly occupied by two military members. SrA Patrolman (names of law enforcement investigators usually are withheld under Exemptions 6 and 7(C)) arrived on the scene at 2155. SrA Patrolman met Nora Neighbor, (names of witnesses usually are withheld under Exemptions 6 and 7(C)) who was very agitated. Because she feared her neighbors would retaliate against her if they knew she reported their fight, she asked that her name not be released before she would talk. After she was promised her identity would remain anonymous, she stated: (Nora Neighbor became a confidential informant; data that could identify her, and in some cases, the information she related, should be withheld from release under Exemptions 6, 7(C) and (D).) ‘I heard cursing and heard furniture and dishes breaking. They fight all the time. I’ve seen Betty Battle (unless Betty is the requester, redact her name Exemptions 6 and 7(C)) with a black eye, and I also saw Bob Battle (unless Bob is the requester, redact his name Exemptions 6 and 7(C)) with bruises the day after they had their last fight, last Saturday night. This time, there was a tremendous crash; I heard a man scream ‘My Lord NO!’ then I saw Betty Battle come out of the house with dark stains on her clothes—she got into her car and drove away. I could see this really well, because the streetlight is right between our houses; I’m the wife of their NCOIC. If only Nick, my husband, was here now, he’d know what to do! I haven’t heard anything from Bob Battle.’ (Exemptions 6 and 7)

(fictional and UNCLASSIFIED; parenthetical information and marking is used for illustrative purposes only).
§ 806.31 Requirements of 5 U.S.C. 552(b)(4) to submitters of non-government contract-related information.

(a) The FOIA requires federal agencies to provide their records, except those specifically exempted, for the public to inspect and copy. Section (b) of the Act lists nine exemptions that are the only basis for withholding records from the public.

(b) In this case, the fourth exemption, 5 U.S.C. 552(b)(4), may apply to records or information the Air Force maintains. Under this exemption, agencies must withhold trade secrets and commercial or financial information they obtained from a person or organization outside the government that is privileged or confidential. This generally includes information provided and received during the contracting process with the understanding that the Air Force will keep it privileged or confidential.

(c) Commercial or financial matter is "confidential" and exempt if its release will probably:

1. Impair the government's ability to obtain necessary information in the future.
2. Substantially harm the source's competitive position or impair some other legitimate government interest such as compliance and program effectiveness.

(d) Applicability of exemption. The exemption may be used to protect information provided by a nongovernment submitter when public disclosure will probably cause substantial harm to its competitive position. Examples of information that may qualify for this exemption include:

1. Commercial or financial information received in confidence with loans, bids, contracts, or proposals, as well as other information received in confidence or privileged, such as trade secrets, inventions, discoveries, or other proprietary data.

Note: Certain proprietary and source selection information may also fall under exemption (b)(3), under the provisions of 10 U.S.C. 2305(g) or 41 U.S.C. 423, if statutory requirements are met.

2. Statistical data and commercial or financial information concerning contract performance, income, profits, losses, and expenditures, offered and received in confidence from a contractor or potential contractor.

3. Personal statements given during inspections, investigations, or audits, received and kept in confidence because they reveal trade secrets or commercial or financial information, normally considered confidential or privileged.

4. Financial data that private employers give in confidence for local wage surveys used to set and adjust pay schedules for the prevailing wage rate of DoD employees.

5. Information about scientific and manufacturing processes or developments that is technical or scientific or other information submitted with a research grant application, or with a report while research is in progress.

6. Technical or scientific data a contractor or subcontractor develops entirely at private expense, and technical or scientific data developed partly with Federal funds and partly with private funds, in which the contractor or subcontractor retains legitimate proprietary interests per 10 U.S.C. 2320 to 2321 and 48 CFR, Chapter 2, 227.71–227.72.

7. Computer software copyrighted under the Copyright Act of 1976 (17 U.S.C. 106), the disclosure of which would adversely impact its potential market value.

(e) Submitter's Written Response. If release of the requested material would prejudice your commercial interests, give detailed written reasons that identify the specific information and the competitive harm public release will cause to you, your organization, or your business. The act requires the Air Force to provide any reasonably segregable part of a record after deleting exempt portions. If deleting key words or phrases would adequately protect your interests, advise us in writing which portions you believe we can safely release, and which portions you believe we need to withhold from release. If you do not provide details on the probability of substantial harm to your competitive position or other commercial interests, which would be caused by releasing your material to the requester, we may be required to release the information. Records qualify for protection on a case by case basis.
Department of the Air Force, DoD

(f) Pricing Information. Generally, the prices a contractor charges the government for goods or services would be released under the FOIA. Examples of releasable data include: bids submitted in response to an invitation for bids (IFB), amounts actually paid by the government under a contract, and line item prices, contract award price, and modifications to a contract. Unit prices contained in a contract award are considered releasable as part of the post award notification procedure prescribed by 48 CFR 15.503, unless they are part of an unsuccessful proposal, then 10 U.S.C. 2305(g) protects everything including unit price.

§ 806b.2 Violation penalties.

An individual may file a civil suit against the Air Force for failing to comply with the Privacy Act. The courts may find an individual offender guilty of a misdemeanor and fine that individual offender not more than $5,000 for:
§ 806b.3  
(a) Willfully maintaining a system of records that does not meet the public notice requirements.
(b) Disclosing information from a system of records to someone not entitled to the information.
(c) Obtaining someone else's records under false pretenses.

§ 806b.3 Personal notes.  
If you keep personal notes on individuals to use as memory aids to supervise or perform other official functions, and do not share them with others, and an Air Force directive does not require their maintenance, the Privacy Act does not apply.

§ 806b.4 Responsibilities.  
(a) The Administrative Assistant to the Secretary of the Air Force (SAF/AA) manages the entire program.
(b) The Office of the General Counsel to the Secretary of the Air Force (SAF/GCA) makes final decisions on appeals.

      (3) Train personnel on Privacy Act requirements.
      (4) Protect records from unauthorized disclosure, alteration, or destruction.
      (5) Prepare system notices and reports.
      (6) Answer Privacy Act requests.
      (7) Keep records of disclosures.
      (8) Evaluate the systems annually.
   (h) Privacy Act Monitors (PAM):
      (1) Are the focal point in their functional area for general Privacy Act questions and correspondence.
      (2) Maintain a list of all systems of records and system managers in their area.
      (3) Act as liaison with the Privacy Act Officer.
      (4) Maintain statistics for the annual Privacy Act report.

Subpart B—Obtaining Law Enforcement Records and Promises of Confidentiality

§ 806b.5 Obtaining law enforcement records.  
The Commander AFOSI; the Chief, Air Force Security Police Agency (AFSPA); MAJCOM, FOA, and base chiefs of security police; AFOSI detachment commanders; and designees of those offices may ask another agency for records for law enforcement under 5 U.S.C. 552a(b)(7). The requesting office must indicate in writing the specific part of the record desired and identify the law enforcement activity asking for the record.

§ 806b.6 Promising confidentiality.  
Record promises of confidentiality to exempt from disclosure any ‘confidential’ information under subsections (k)(2), (k)(5), or (k)(7) of the Privacy Act.
Subpart C—Collecting Personal Information

§ 806b.7 How to collect personal information.

Collect personal information directly from the subject of the record when possible. You may ask third parties when:

(a) You must verify information.
(b) You want opinions or evaluations.
(c) You can’t contact the subject.
(d) The subject asks you.

§ 806b.8 When to give Privacy Act statements (PAS).

(a) Give a PAS orally or in writing:
   (1) To anyone from whom you are collecting personal information that will be put in a system of records.
   (2) Whenever you ask someone for his or her Social Security Number (SSN).

NOTE: Do this regardless of how you collect or record the answers. You may display a sign in areas where people routinely furnish this kind of information. Give a copy of the PAS if asked. Do not ask the person to sign the PAS.

(3) A PAS must include four items:
   (i) Authority: The legal authority, that is, the United States Code or Executive Order authorizing the program the system supports.
   (ii) Purpose: The reason you are collecting the information.
   (iii) Routine Uses: A list of where and why the information will be disclosed outside DoD.
   (iv) Disclosure: Voluntary or Mandatory. (Use Mandatory only when disclosure is required by law and the individual will be penalized for not providing information.) Include any consequences of nondisclosure in non-threatening language.

§ 806b.9 Requesting the social security number (SSN).

(a) Do not deny people a legal right, benefit, or privilege for refusing to give their SSNs unless the law requires disclosure, or a law or regulation adopted before January 1, 1975, required the SSN and the Air Force uses it to verify a person’s identity in a system of records established before that date. When you ask for an SSN to create a record, tell the individual:
   (1) The statute, regulation, or rule authorizing you to ask for the SSN.
   (2) The uses that will be made of the SSN.
   (3) If he or she is legally obligated to provide the SSN.
   (b) The Air Force requests an individual’s SSN and provides the individual information required by law when anyone enters military service or becomes an Air Force civilian employee. The Air Force uses the SSN as a service or employment number to reference the individual’s official records. When you ask someone for an SSN as identification (ID) to retrieve an existing record, you do not have to restate this information.
   (c) Executive Order 9397, November 22, 1943, authorizes using the SSN as a personal identifier. This order is not adequate authority to collect an SSN to create a record. When law does not require disclosing the SSN or when the system of records was created after January 1, 1975, you may ask for the SSN, but the individual does not have to disclose it. If the individual refuses to respond, use alternative means of identifying records.
   (d) SSNs are personal and unique to each individual. Protect them as FOR OFFICIAL USE ONLY (FOUO). Do not disclose them to anyone without an official need to know.

Subpart D—Giving Access to Privacy Act Records

§ 806b.10 Making a request for access.

Persons or their designated representatives may ask for a copy of their records in a system of records. Requesters need not state why they want access to their records. Verify the identity of the requester to avoid unauthorized disclosures. How you verify identity will depend on the sensitivity of the requested records. Persons without access to notary services may use an unsworn declaration in the following format: ‘I declare under penalty of perjury (if outside the United States, add ‘under the laws of the United States of America”) that the foregoing is true and correct. Executed on (date). (Signature).”
§ 806b.11 Processing a request for access.

Consider a request from an individual for his or her own records in a system of records under both the Freedom of Information Act (FOIA) and the Privacy Act regardless of the Act cited. The requester need not cite any Act. Process the request under whichever Act gives the most information. When necessary, tell the requester under which Act you processed the request and why.

(a) Requesters should describe the records they want. They do not have to name a system of records number, but they should at least name a type of record or functional area. For requests that ask for 'all records about me,' ask for more information and tell the person how to review the Air Force systems of records published in the Federal Register or in AFDIR 37–1441, ‘Privacy Act Systems of Record’ (formerly AFR 4–36).

(b) Requesters should not use government equipment, supplies, stationery, postage, telephones, or official mail channels for making Privacy Act requests. Privacy Act Officers and system managers process such requests but tell requesters that using government resources to make Privacy Act requests is not authorized.

(c) Tell the requester if a record exists and how to review the record. If possible, respond to requests within 10 workdays of receiving them. If you cannot answer the request in 10 workdays, send a letter explaining why and give an approximate completion date no more than 20 workdays after the first office received the request.

(d) Show or give a copy of the record to the requester within 30 workdays of receiving the request unless the system is exempt and the Air Force lists the exemption in appendix C of this part; or published as a final rule in the Federal Register. Give information in a form the requester can understand.

(e) If the requester wants another person present during the record review, the system manager may ask for written consent to authorize discussing the record with another person present.

§ 806b.12 Fees.

Give the first 100 pages free, and charge only reproduction costs for the remainder. Copies cost $.15 per page; microfiche costs $.25 per fiche. Charge the fee for the first 100 pages if records show that the Air Force already responded to a request for the same records at no charge. Do not charge fees:

(a) When the requester can get the record without charge under another publication (for example, medical records).

(b) For search.

(c) For reproducing a document for the convenience of the Air Force.

(d) For reproducing a record so the requester can review it.

§ 806b.13 Denying or limiting access.

Process access denials within five workdays after you receive a request for access. When you may not release a record, send a copy of the request, the record, and why you recommend denying access (including the applicable exemption) to the denial authority through the Staff Judge Advocate (SJA) and the Privacy Act officer. The SJA gives a written legal opinion on the denial. The MAJCOM or FOA Privacy Act officer reviews the file, gets written advice from the SJA and the functional office of primary responsibility (OPR), and makes a recommendation to the denial authority. The denial authority sends the requester a letter with the decision. If the denial authority grants access, release the record. If the denial authority refuses access, tell the requester why and explain pertinent appeal rights.

(a) Before you deny a request for access to a record, make sure that:

(1) The system has an SAF approved exemption.

(2) The exemption covers each document.

(3) Nonexempt parts are segregated.

(b) You may refuse to give out medical records if a physician believes that doing so could harm the person’s mental or physical health. You have these options:
(1) Ask the requester to get a letter from a physician to whom you can send the records. Include a letter explaining to the physician that giving the records directly to the individual could be harmful.

(2) Offer the services of a military physician other than one who provided treatment if naming the physician poses a hardship on the individual.

(c) Do not delete third-party information from a record when the subject requests access, except as noted in §806b.13(d), unless the Air Force covers the record with an established exemption (appendix C of this part). Presume that all information in a file pertains to the subject of the file.

(d) Do not release third-party personal data (such as SSN and home address). This action is not a denial.

(e) Withhold records compiled in connection with a civil action or other proceeding including any action where the Air Force expects judicial or administrative adjudicatory proceedings. This exemption does not cover criminal actions. Do not release attorney work products prepared before, during, or after the action or proceeding.

§ 806b.14 Denial authorities.

These officials or a designee may deny access or amendment of records. Send a letter to SAF/AAIA with the position titles of designees. You must get SAF/AA approval before delegating this authority to a lower level. Send requests for waiver with justification to SAF/AAIA. Authorities are:

(a) DCSs and chiefs of comparable offices or higher level at SAF or HQ USAF.

(b) MAJCOM or FOA commanders.

(c) HQ USAF/DPCP, Pentagon, Washington, DC 20330–5060 (for civilian personnel records).

(d) Commander, Air Force Office of Special Investigations (AFOSI), Washington, DC 20332–6001 (for AFOSI records).

Subpart E—Amending the Record

§ 806b.15 Amendment reasons.

Individuals may ask to have their records amended to make them accurate, timely, relevant, or complete. System managers routinely correct a record if the requester can show that it is factually wrong.

§ 806b.16 Responding to amendment requests.

(a) Anyone may request minor corrections orally. Requests for more serious modifications should be in writing.

(b) After verifying the identity of the requester, make the change, notify all known recipients of the record, and inform the individual.

(c) Acknowledge requests within 10 workdays of receipt. Give an expected completion date unless you complete the change within that time. Final decisions must take no longer than 30 workdays.

§ 806b.17 Approving or denying a record amendment.

The Air Force does not usually amend a record when the change is based on opinion, interpretation, or subjective official judgment. This action constitutes a denial, and requesters may appeal. If the system manager decides not to amend or partially amend the record, send a copy of the request, the record, and the recommended denial reasons to the denial authority through the SJA and the Privacy Act officer. SJAs will include a legal opinion.

(a) The MAJCOM or FOA Privacy Act officer reviews the proposed denial, gets a legal opinion from the SJA and written advice from the functional OPR, and makes a recommendation to the denial authority.

(b) The denial authority sends the requester a letter with the decision. If the denial authority approves the request, send a copy of the request, the record, and the recommended denial reasons to the denial authority through the SJA and the Privacy Act officer. SJAs will include a legal opinion.

(b) The denial authority sends the requester a letter with the decision. If the denial authority approves the request, amend the record and notify all previous recipients that it has been changed. If the authority denies the request, give the requester the statutory authority, reason, and pertinent appeal rights.

§ 806b.18 Seeking review of unfavorable agency determinations.

Requesters should pursue record corrections of subjective matters and opinions through proper channels to the Civilian Personnel Office using grievance procedures or the Air Force Board for Correction of Military Records (AFBCMR). Record correction
requests denied by the AFBCMR are not subject to further consideration under this part.

§ 806b.19 Appeal procedures.
(a) Individuals may request a denial review by writing to the Secretary of the Air Force through the denial authority within 60 calendar days after receiving a denial letter. The denial authority promptly sends a complete appeal package to SAF/AAIA, including:
(1) Original appeal letter.
(2) Initial request.
(3) Initial denial.
(4) Copy of the record.
(5) Any internal records or coordination actions relating to the denial.
(6) Denial authority’s comments on the appellant’s arguments.
(7) Legal reviews.
(b) If the denial authority reverses an earlier denial and grants access or amendment, notify the requester immediately.
(c) SAF/AAIA reviews the denial and forwards to SAF/GCA for legal review or staffing to grant or deny the appeal. SAF/GCA tells the requester the final Air Force decision and explains judicial review rights.
(d) The requester may file a concise statement of disagreement with the system manager if SAF/GCA denies the request to amend the record. SAF/GCA explains the requester's rights when they issue the final appeal decision.
1. The records should clearly show that a statement of disagreement is filed with the record or separately.
2. The disputed part of the record must show that the requester filed a statement of disagreement.
3. Give copies of the statement of disagreement to the record's previous recipients. Inform subsequent record users about the dispute and give them a copy of the statement with the record.
4. The system manager may include a brief summary of the reasons for not amending the record. Limit the summary to the reasons SAF/GCA gave to the individual. The summary is part of the individual’s record, but it is not subject to amendment procedures.

§ 806b.20 Contents of Privacy Act case files.
Do not keep copies of disputed records in this file. Use the file solely for statistics and to process requests. Do not use the case files to make any kind of determination about an individual. Document reasons for untimely responses. These files include:
(a) Requests from and replies to individuals on whether a system has records about them.
(b) Requests for access or amendment.
(c) Approvals, denials, appeals, and final review actions.
(d) Coordination actions and related papers.

Subpart F—Privacy Act Notifications

§ 806b.21 When to include a Privacy Act warning statement in publications.
Include a Privacy Act Warning Statement in each Air Force publication that requires collecting or keeping personal information in a system of records. Also include the warning statement when publications direct collection of the SSN from the individual. The warning statement will cite legal authority and the system of records number and title. You can use the following warning statement: ‘This part requires collecting and maintaining information protected by the Privacy Act of 1974 authorized by (U.S.C. citation and or Executive Order number). System of records notice (number and title) applies.’

§ 806b.22 Publishing system notices.
The Air Force must publish notices in the Federal Register of new, amended, and deleted systems to inform the public of what records the Air Force keeps and give them an opportunity to comment. The Privacy Act also requires submission of new or significantly altered systems to the Office of Management and Budget (OMB) and both houses of the Congress before publication in the Federal Register. This includes:
(a) Starting a new system.
(b) Instituting significant changes to an existing system.
§ 806b.23 Timing of notices.
At least 120 days before the effective start date, system managers must send the system notice to SAF/AAIA on a 5 1/4 or 3 1/2-inch disk in Wordstar (ASCII text file) or Microsoft Word, with a paper copy highlighting any changes through the MAJCOM or FOA Privacy Act Officer. See Appendix B of this part for a sample system notice.

Subpart G—Protecting and Disposing of Records

§ 806b.24 Protecting records.
Protect information according to its sensitivity level. Consider the personal sensitivity of the information and the risk of loss or alteration. Most information in systems of records is FOR OFFICIAL USE ONLY (FOUO). Refer to AFI 37–1312, ‘Air Force Freedom of Information Act Program,’ for protection methods.

§ 806b.25 Balancing protection.
Balance additional protection against risk and cost. AF Form 3227, ‘Privacy Act Cover Sheet,’ is available for use with Privacy Act material. For example, a password may be enough protection for an automated system with a log-on protocol. Classified computer systems or those with established audit and password systems are obviously less vulnerable than unprotected files or word processors in offices that are periodically empty. Follow AFI 33–2023, ‘The Air Force Computer Security Program,’ for procedures on safeguarding personal information in automated records.

§ 806b.26 Disposing of records.
You may use the following methods to dispose of records protected by the Privacy Act according to records retention schedules:

(a) Destroy by any method that prevents compromise, such as tearing, burning, or shredding, so long as the personal data is not recognizable and beyond reconstruction.

(b) Degauss or overwrite magnetic tapes or other magnetic medium.

(c) Dispose of paper products through the Defense Reutilization and Marketing Office (DRMO) or through activities who manage a base-wide recycling program. The recycling sales contract must contain a clause requiring the contractor to safeguard privacy material until its destruction and to pulp, macerate, shred, or otherwise completely destroy the records. Originators must safeguard Privacy Act material until it is transferred to the recycling contractor. A federal employee or, if authorized, a contractor employee must witness the destruction. This transfer does not require a disclosure accounting.

Subpart H—Privacy Act Exemptions

§ 806b.27 Requesting an exemption.
A system manager who believes that a system needs an exemption from some or all of the requirements of the Privacy Act should send a request to SAF/AAIA through the MAJCOM or FOA Privacy Act Officer. The request should detail the reasons for the exemption and the section of the Act that allows the exemption. SAF/AAIA gets approval for the request through SAF/AA and the Defense Privacy Office.

§ 806b.28 Exemption types.
(a) A general exemption frees a system from most parts of the Privacy Act.

(b) A specific exemption frees a system from only a few parts of the Privacy Act.

§ 806b.29 Authorizing exemptions.
Only SAF/AA can exempt systems of records from any part of the Privacy Act. Denial authorities can withhold records using these exemptions only if SAF/AA previously approved and published an exemption for the system in the FEDERAL REGISTER. Appendix C of
this part lists the systems of records that have approved exemptions.

§ 806b.30 Approved exemptions.

Approved exemptions exist under 5 U.S.C. 552a for:

(a) Certain systems of records used by activities whose principal function is criminal law enforcement (subsection (j)(2)).

(b) Classified information in any system of records (subsection (k)(1)).

(c) Law enforcement records (other than those covered by subsection (j)(2)). The Air Force must allow an individual access to any record that is used to deny rights, privileges or benefits to which he or she would otherwise be entitled by federal law or for which he or she would otherwise be eligible as a result of the maintenance of the information (unless doing so would reveal a confidential source) (subsection (k)(2)).

(d) Statistical records required by law. Data is for statistical use only and may not be used to decide individuals’ rights, benefits, or entitlements (subsection (k)(4)).

(e) Data to determine suitability, eligibility, or qualifications for federal service or contracts, or access to classified information if access would reveal a confidential source (subsection (k)(5)).

(f) Qualification tests for appointment or promotion in the federal service if access to this information would compromise the objectivity of the tests (subsection (k)(6)).

(g) Information which the Armed Forces uses to evaluate potential for promotion if access to this information would reveal a confidential source (subsection (k)(7)).

Subpart I—Disclosing Records to Third Parties

§ 806b.31 Disclosure considerations.

Before releasing personal information to third parties, consider the consequences, check accuracy, and make sure that no law or directive bans disclosure. You can release personal information to third parties when the subject agrees orally or in writing. Air Force members consent to releasing their home telephone number and address when they sign and check the ‘Do Consent’ block on the AF Form 624, ‘Base/Unit Locator and PSC Directory’ (see AFI 37–1294, ‘Base and Unit Personnel Locators and Postal Directories’).

(a) Before including personal information such as home addresses, home phones, and similar information on social rosters or directories, ask for written consent statements. Otherwise, do not include the information.

(b) You must get written consent before releasing any of these items of information:

(1) Marital status.
(2) Number and sex of dependents.
(3) Gross salary of military personnel (see §806b.32 for releasable pay information).
(4) Civilian educational degrees and major areas of study.
(5) School and year of graduation.
(6) Home of record.
(7) Home address and phone.
(8) Age and date of birth.
(9) Present or future assignments for overseas or for routinely deployable or sensitive units.
(10) Office and unit address and duty phone for overseas or for routinely deployable or sensitive units.

§ 806b.32 Disclosing information for which consent is not required.

You don’t need consent before releasing any of these items:

(a) Information releasable under the FOIA.
(b) Information for use within the Department of Defense by officials or employees with a need to know.
(c) Name.
(d) Rank.
(e) Grade.
(f) Air Force specialty code (AFSC).
(g) Pay (including base pay, special pay, all allowances except Basic Allowance for Quarters (BAQ) and Variable Housing Allowance (VHA)).
(h) Gross salary for civilians.
(i) Past duty assignments.
(j) Present and future approved and announced stateside assignments.
(k) Position title.

4See footnote 1 to section 806b.11, of this part.
§ 806b.34 Agencies or individuals to whom the Air Force may release privacy information.

The Air Force may release information without consent to these individuals or agencies:

(a) Agencies outside the Department of Defense for a Routine Use published in the Federal Register. The purpose of the disclosure must be compatible with the purpose in the Routine Use. When initially collecting the information from the subject, the Routine Uses block in the Privacy Act Statement must name the agencies and reason.

(b) The Bureau of the Census to plan or carry out a census or survey under 13 U.S.C. 8.

(c) A recipient for statistical research or reporting. The recipient must give advanced written assurance that the information is for statistical purposes only.

Note: No one may use any part of the record to decide on individuals' rights, benefits, or entitlements. You must release records in a format that makes it impossible to identify the real subjects.

(d) The Archivist of the United States and the National Archives and Records Administration (NARA) to evaluate records for permanent retention. Records stored in Federal Records Centers remain under Air Force control.

(e) A federal, state, or local agency (other than the Department of Defense) for civil or criminal law enforcement. The head of the agency or a designee must send a written request to the system manager specifying the record or part needed and the law enforcement purpose. The system manager may also disclose a record to a law enforcement agency if the agency suspects a criminal violation. This disclosure is a Routine Use for all Air Force systems of records and is published in the Federal Register.

(f) An individual or agency that needs the information for compelling health or safety reasons. The affected individual need not be the record subject.

(g) The Congress, a congressional committee, or a subcommittee, for matters within their jurisdictions.

(h) A congressional office acting for the record subject. A published, blanket Routine Use permits this disclosure. If the material for release is sensitive, get a release statement.

(i) The Comptroller General or an authorized representative of the General Accounting Office on business.

(j) A court order of a court of competent jurisdiction, signed by a judge.

(k) A consumer credit agency according to the Debt Collections Act when a published system notice lists this disclosure as a Routine Use.

(l) A contractor operating a system of records under an Air Force contract. Records maintained by the contractor for the management of contractor employees are not subject to the Privacy Act.
§ 806b.35 Disclosing the medical records of minors.

Air Force personnel may disclose the medical records of minors to their parents or legal guardians. The laws of each state define the age of majority.

(a) The Air Force must obey state laws protecting medical records of drug or alcohol abuse treatment, abortion, and birth control. If you manage medical records, learn the local laws and coordinate proposed local policies with the servicing SJA.

(b) Outside the United States (overseas), the age of majority is 18. Unless parents or guardians have a court order granting access or the minor's written consent, they will not have access to minor's medical records overseas when the minor sought or consented to treatment between the ages of 15 and 17 in a program where regulation or statute provides confidentiality of records and he or she asked for confidentiality.

§ 806b.36 Disclosure accountings.

System managers must keep an accurate record of all disclosures made from any system of records except disclosures to DoD personnel for official use or disclosures under the FOIA. System managers may use AF Form 771, ‘Accounting of Disclosures’.

(a) System managers may file the accounting record any way they want as long as they give it to the subject on request, send corrected or disputed information to previous record recipients, explain any disclosures, and provide an audit trail for reviews. Include in each accounting:

(1) Release date.
(2) Description of information.
(3) Reason for release.
(4) Name and address of recipient.

(b) Some exempt systems let you withhold the accounting record from the subject.

(c) You may withhold information about disclosure accountings for law enforcement purposes at the law enforcement agency’s request.

§ 806b.37 Computer matching.

Computer matching programs electronically compare records from two or more automated systems which may include the Department of Defense, another federal agency, or a state or other local government. A system manager proposing a match that could result in an adverse action against a federal employee must meet these requirements of the Privacy Act:

(a) Prepare a written agreement between participants.

(1) Secure approval of the Defense Data Integrity Board.

(2) Publish a matching notice in the Federal Register before matching begins.

(3) Ensure full investigation and due process.

(4) Act on the information, as necessary.

(b) The Privacy Act applies to matching programs that use records from:

(1) Federal personnel or payroll systems.

(2) Federal benefit programs where matching:

(i) Determines federal benefit eligibility,

(ii) Checks on compliance with benefit program requirements,

(iii) Recovers improper payments or delinquent debts from current or former beneficiaries.

(c) Matches used for statistics, pilot programs, law enforcement, tax administration, routine administration, background checks and foreign counterintelligence, and internal matching that won't cause any adverse action are exempt from Privacy Act matching requirements.

(d) Any activity that expects to participate in a matching program must contact SAF/AAIA immediately. System managers must prepare a notice for publication in the Federal Register with a Routine Use that allows disclosing the information for use in a matching program. Send the proposed system notice to SAF/AAIA. Allow 180 days for processing requests for a new matching program.

(e) Record subjects must receive prior notice of a match. The best way to do this is to include notice in the Privacy Act Statement on forms used in applying for benefits. Coordinate computer matching statements on forms with SAF/AAIA through the MAJCOM Privacy Act Officer.
Subpart J—Training

§ 806b.38 Who needs training.

The Privacy Act requires training for all persons involved in the design, development, operation and maintenance of any system of records. Some persons may need more specialized training. They include information managers, supervisors, and individuals working with medical, financial, security, and personnel records.

§ 806b.39 Training tools.

Helpful aids include:
(a) AFH 37–146, ‘Privacy Act Training’, a self-paced course.
(c) ‘A Manager’s Overview, What You Need to Know About the Privacy Act’. Contact SAF/AAIA for copies.

NOTE: Formal school training groups that develop or modify blocks of instruction must send the material to SAF/AAIA for coordination.

Subpart K—Privacy Act Reporting

§ 806b.40 Privacy Act report (RCS: DD–DA&M(A))

By March 1, of each year, MAJCOM and FOA Privacy Act officers must send SAF/AAIA a report covering the previous calendar year. The report includes:
(a) Total number of requests granted in whole.
(b) Total number of requests granted in part.
(c) Total number of requests denied and the Privacy Act exemptions used.
(d) Total number of requests for which no record was found.
(e) Total number of amendment requests granted in whole.
(f) Total number of amendment requests granted in part.
(g) Total number of amendment requests wholly denied.
(h) Specific recommendations for changes to the Act or the Privacy Act Program.

v. System notice. The official public notice published in the Federal Register of the existence and content of the system of records.

APPENDIX B TO PART 806b—PREPARING A SYSTEM NOTICE

The following elements comprise a system of records notice for publication in the Federal Register:

a. System identifier. SAF/AAIA assigns the notice number, for example, F011 AFMC A, where 'F' indicates 'Air Force,' the next number represents the series from AFMAN 37-139 regarding records disposition, and the final letter group shows the system manager's command or DCS. The last character 'A' indicates that this is the first notice for this series and system manager.

b. System name. Use a short, specific, plain-language title that identifies the system's general purpose (limited to 55 characters).

c. System location. Specify the address of the primary system and any decentralized elements, including automated data systems with a central computer facility and input or output terminals at separate locations. Use street address, 2-letter state abbreviations and 9-digit ZIP Codes. Spell out office names. Do not use office symbols.

d. Categories of individuals covered by the system. Use nontechnical, specific categories of individuals about whom the Air Force keeps records. Do not use categories like 'all Air Force personnel' unless they are actually true.

e. Categories of records in the system. Describe in clear, nontechnical terms, all categories of records in the system. List only documents actually kept in the system. Do not show source documents that are used to collect data and then destroyed. Do not list form numbers.

f. Authority for maintenance of the system. Cite the specific law or Executive Order that authorizes the program the records support. Cite the DoD directive or instruction or the Air Force or other instruction that authorizes the system of records. Always include titles with the citations.

Note: Executive Order 6697 authorizes using the Social Security Number (SSN). Include this authority whenever the SSN is used to retrieve records.

g. Purpose(s). Describe briefly and specifically what the Air Force does with the information collected.

h. Routine uses of records maintained in the system including categories of users and the purpose of such uses. The Blanket Routine Uses published in the Air Force Directory of System Notices apply to all system notices unless you indicate otherwise. Also list each specific agency or activity outside DoD to whom the records may be released and the purpose for such release.

i. Policies and practices for storing, retrieving, accessing, retaining, and disposing of records in the system.

j. Storage. State the medium in which the Air Force keeps the records, for example, in file folders, card files, microfiche, computer, and so on. Storage does not refer to the storage container.

k. Retrievability. State how the Air Force retrieves the records, for example, by name, SSN, or personal characteristics (such as fingerprints or voiceprints).

l. Safeguards. List the kinds of officials who have immediate access to the system. List those responsible for safeguarding the records. Identify the system safeguards, for example, storage in safes, vaults, locked cabinets or rooms, use of guards, visitor controls, personnel screening, computer systems software, and so on. Describe safeguards fully without compromising system security.

m. Retention and disposal. State how long AFMAN 37-139 requires the activity to maintain the record. Indicate when or if the records may be transferred to a Federal Records Center and how long the record stays there. Specify when the Records Center sends the record to the National Archives or destroys it. Indicate how the records may be destroyed.

n. System manager(s) and address. List the title and duty address of the system manager. For decentralized systems, show the locations and the position or duty title of each category of officials responsible for any segment of the system.

o. Notification procedure. List the title and duty address of the official authorized to tell requesters if their records are in the system. Specify the information a requester must submit, for example, full name, military status, SSN, date of birth, or proof of identity, and so on.

p. Record access procedures. Explain how individuals may arrange to access their records. Include the titles or categories of officials who may assist, for example, the system manager.

q. Contesting records procedures. SAF/AAIA provides this standard caption.

r. Record source categories. Show categories of individuals or other information sources for the system. Do not list confidential sources protected by subsections (k)(2), (k)(5), or (k)(7) of the Act.

s. Exemptions claimed for the system. When a system has no approved exemption, write 'none' under this heading. Specifically list any approved exemption including the subsection in the Act.
APPENDIX C TO PART 806b—GENERAL AND SPECIFIC EXEMPTIONS

(a) General exemption. The following systems of records are exempt under 5 U.S.C. 552a(j)(2):

(ii) Reasons: (A) To protect ongoing investigations and to protect from access criminal investigation information contained in this record system, so as not to jeopardize any subsequent judicial or administrative process taken as a result of information contained in the file.

(B) From subsection (c)(3) because the release of the disclosure accounting, for disclosures pursuant to the routine uses published for this system, would permit the subject of a criminal investigation or matter under investigation to obtain valuable information concerning the nature of that investigation which will present a serious impediment to law enforcement.

(C) From subsection (c)(4) because an exemption is being claimed for subsection (d), this subsection will not be applicable.

(D) From subsection (d) because access to the records contained in this system would inform the subject of an investigation of the existence of that investigation, provide the subject of the investigation with information that might enable him to avoid detection, and would present a serious impediment to law enforcement.

(E) From subsection (e)(4)(H) because this system of records is exempt from individual access pursuant to subsection (j) of the Privacy Act of 1974.

(F) From subsection (f) because this system of records has been exempted from the access provisions of subsection (d).

(G) Consistent with the legislative purpose of the Privacy Act of 1974, the Department of the Air Force will grant access to nonexempt material in the records being maintained. Disclosure will be governed by the Department of the Air Force’s Privacy Instruction, but will be limited to the extent that the identity of confidential sources will not be compromised; subjects of an investigation of an actual or potential violation will not be alerted to the investigation; the physical safety of witnesses, informants and law enforcement personnel will not be endangered, the privacy of third parties will not be violated; and that the disclosure would not otherwise impede effective law enforcement.

(ii) Reasons: (A) To protect ongoing investigations and to protect from access criminal investigation information contained in this record system so as not to jeopardize any subsequent judicial or administrative process taken as a result of information contained in the file.

(B) From subsection (c)(3) because the release of the disclosure accounting, for disclosures pursuant to the routine uses published for this system, would permit the subject of a criminal investigation or matter under investigation to obtain valuable information concerning the nature of that investigation which will present a serious impediment to law enforcement.

(C) From subsection (c)(4) because an exemption is being claimed for subsection (d), this subsection will not be applicable.

(D) From subsection (d) because access to the records contained in this system would inform the subject of an investigation of the existence of that investigation, provide the subject of the investigation with information that might enable him to avoid detection, and would present a serious impediment to law enforcement.

(E) From subsection (e)(4)(H) because this system of records is exempt from individual access pursuant to subsection (j) of the Privacy Act of 1974.

(F) From subsection (f) because this system of records has been exempted from the access provisions of subsection (d).

(G) Consistent with the legislative purpose of the Privacy Act of 1974, the Department of the Air Force will grant access to nonexempt material in the records being maintained. Disclosure will be governed by the Department of the Air Force’s Privacy Instruction, but will be limited to the extent that the identity of confidential sources will not be compromised; subjects of an investigation of an actual or potential violation will not be alerted to the investigation; the physical safety of witnesses, informants and law enforcement personnel will not be endangered, the privacy of third parties will not be violated; and that the disclosure would not otherwise impede effective law enforcement.
going investigation, reveal investigative techniques, and place confidential informants in jeopardy.

(C) From subsection (e)(1) because the nature of the criminal and/or civil investigative function creates unique problems in prescribing a specific parameter in a particular case with respect to what information is relevant or necessary. Also, information may be received which may relate to a case under the investigative jurisdiction of another agency. The maintenance of this information may be necessary to provide leads for appropriate law enforcement purposes and to establish patterns of activity which may relate to the jurisdiction of other cooperating agencies.

(D) From subsection (e)(2) because collecting information to the fullest extent possible directly from the subject individual may or may not be practical in a criminal and/or civil investigation.

(E) From subsection (e)(3) because supplying an individual with a form containing a Privacy Act Statement would tend to inhibit cooperation by many individuals involved in a criminal and/or civil investigation. The effect would be somewhat adverse to established investigative methods and techniques.

(F) From subsections (e)(4)(G), (H), and (I) because this system of records is exempt from the access provisions of subsection (d).

(G) From subsection (e)(5) because the requirement that records be maintained with attention to accuracy, relevance, timeliness, and completeness would unfairly hamper the investigative process. It is the nature of law enforcement for investigations to uncover the commission of illegal acts at diverse stages. It is frequently impossible to determine initially what information is accurate, relevant, timely, and least of all complete. With the passage of time, seemingly irrelevant or untimely information may acquire new significance as further investigation brings new details to light.

(H) From subsection (e)(8) because the notice requirements of this provision could present a serious impediment to law enforcement by revealing investigative techniques, procedures, and existence of confidential investigations.

(I) From subsection (f) because the agency’s rules are inapplicable to those portions of the system that are exempt and would place the burden on the agency of either confirming or denying the existence of a record pertaining to a requesting individual might in itself provide an answer to that individual relating to an on-going investigation. The conduct of a successful investigation leading to the indictment of a criminal offender precludes the applicability of established agency rules relating to verification of record, disclosure of the record to that individual, and record amendment procedures for this record system.

(J) From subsection (g) because this system of records should be exempt to the extent that the civil remedies relate to provisions of 5 U.S.C. 552a from which this rule exempts the system.

IV. Authority: (A) Investigative material compiled for law enforcement purposes, other than material within the scope of subsection 5 U.S.C. 552a(j)(2), may be exempt pursuant to 5 U.S.C. 552a(k)(2). However, if an individual is denied any right, privilege, or benefit for which he would otherwise be entitled by Federal law or for which he would otherwise be eligible, as a result of the maintenance of the information, the individual will be provided access to the information exempt to the extent that disclosure would reveal the identity of a confidential source.

NOTE: When claimed, this exemption allows limited protection of investigative reports maintained in a system of records used in personnel or administrative actions.

(B) Therefore, portions of this system of records may be exempt pursuant to 5 U.S.C. 552a(k)(2) from the following subsections of 5 U.S.C. 552a(c)(3), (d), (e)(1), (e)(4)(G), (H) and (I), and (f).

V. Reasons: (A) From subsection (c)(3) because to grant access to the accounting for each disclosure as required by the Privacy Act, including the date, nature, and purpose of each disclosure and the identity of the recipient, could alert the subject to the existence of the investigation. This could seriously compromise case preparation by prematurely revealing its existence and nature; compromise or interfere with witnesses or make witnesses reluctant to cooperate; and lead to suppression, alteration, or destruction of evidence.

(B) From subsections (d) and (f) because providing access to investigative records and the right to contest the contents of those records and force changes to be made to the information contained therein would seriously interfere with and thwart the orderly and unbiased conduct of the investigation and impede case preparation. Providing access rights normally afforded under the Privacy Act would provide the subject with valuable information that would allow interference with or compromise of witnesses or render witnesses reluctant to cooperate; lead to suppression, alteration, or destruction of evidence; enable individuals to conceal their wrongdoing or mislead the course of the investigation; and result in the secreting of or other disposition of assets that would make them difficult or impossible to reach in order to satisfy any Government claim growing out of the investigation or proceeding.

(C) From subsection (e)(1) because it is not always possible to detect the relevance or necessity of each piece of information in the
early stages of an investigation. In some cases, it is only after the information is evaluated in light of other evidence that its relevance and necessity will be clear.

(D) From subsections (e)(4)(G) and (H) because this system of records is compiled for investigative purposes and is exempt from the access provisions of subsections (d) and (f).

(E) From subsection (e)(4)(I) because to the extent that this provision is construed to require more detailed disclosure than the broad, generic information currently published in the system notice, an exemption from this provision is necessary to protect the confidentiality of sources of information and to protect privacy and physical safety of witnesses and informants.

(F) Consistent with the legislative purpose of the Privacy Act of 1974, the AF will grant access to nonexempt material in the records being maintained. Disclosure will be governed by AF’s Privacy Regulation, but will be limited to the extent that the identity of confidential sources will not be compromised; subjects of an investigation of an actual or potential criminal or civil violation will not be alerted to the investigation; the physical safety of witnesses, informants and law enforcement personnel will not be endangered, the privacy of third parties will not be violated; and that the disclosure would not otherwise impede effective law enforcement. Whenever possible, information of the above nature will be deleted from the requested documents and the balance made available. The controlling principle behind this limited access is to allow disclosures except those indicated above. The decisions to release information from these systems will be made on a case-by-case basis.

(b) Specific exemptions. The following systems of records are subject to the specific exemptions shown:

(1) Classified records.

(i) All records in any systems of records that are properly classified according to Executive Orders 11652, 12065 or 12958, are exempt from 5 U.S.C. 552a(c)(3); (d); (e)(4)(G), (H), and (f); and (l), regardless of whether the entire system is otherwise exempt or not.

(ii) Authority. 5 U.S.C. 552a(k)(1).

(2) System identifier and name: F035 AFA A, Admissions and Registrar Records.

(i) Exemption. Parts of this system of records (Liaison Officer Evaluation and Selection Panel Candidate Evaluation) are exempt from 5 U.S.C. 552a(d), (e)(4)(H), and (f), but only to the extent that disclosure would reveal the identity of a confidential source.

(ii) Authority. 5 U.S.C. 552a(k)(5).

(iii) Reasons. To ensure the frankness of information used to determine whether cadets are qualified for graduation and commissioning as officers in the Air Force.

(3) System identifier and name: F035 MPC R, Air Force Personnel Test 851, Test Answer Cards.

(i) Exemption. This system is exempt from 5 U.S.C. 552a(c)(3); (d); (e)(4)(G), (H), and (l); and (f).

(ii) Authority. 5 U.S.C. 552a(k)(6).

(iii) Reasons. To protect the objectivity of the promotion testing system by keeping the test questions and answers in confidence.

(4) System identifier and name: F035 AF A, Cadet Personnel Management System.

(i) Exemption. Parts of this system are exempt from 5 U.S.C. 552a(d), (e)(4)(H), and (f), but only insofar as disclosure would reveal the identity of a confidential source.

(ii) Authority. 5 U.S.C. 552a(k)(7).

(iii) Reasons. To maintain the candor and integrity of comments needed to evaluate an Air Force Academy cadet for commissioning in the Air Force.

(5) System identifier and name: F045 AFTC C, Cadet Records.

(i) Exemption. Portions of this system (Detachment Professional Officer Course (POC) Selection Rating Sheets; Air Force Reserve Officer Training Corps (AFROTC) Form 0–24 Disenrollment Review; Memoranda for Record and Staff Papers with Staff Advice, Opinions, or Suggestions) are exempt from 5 U.S.C. 552a(c)(3); (d); (e)(4)(G) and (H), and (f), but only to the extent that disclosure would reveal the identity of a confidential source.

(ii) Authority. 5 U.S.C. 552a(k)(5).

(iii) Reasons. To protect the identity of a confidential source who furnishes information necessary to make determinations about the qualifications, eligibility, and suitability of cadets for graduation and commissioning in the Air Force.

(6) System identifier and name: F44 AF SG Q, Family Advocacy Program Records.

(i) Exemption: (A) Investigative material compiled for law enforcement purposes, other than material within the scope of subsection 5 U.S.C. 552a(j)(2), may be exempt pursuant to 5 U.S.C. 552a(k)(2). However, if an individual is denied any right, privilege, or benefit for which he would otherwise be entitled by Federal law or for which he would otherwise be eligible, as a result of the maintenance of the information, the individual will be provided access to the information exempt to the extent that disclosure would reveal the identity of a confidential source. NOTE: When claimed, this exemption allows limited protection of investigative reports maintained in a system of records used in personnel or administrative actions.

(B) Investigative material compiled solely for the purpose of determining suitability, eligibility, or qualifications for federal civilian employment, military service, federal contracts, or access to classified information may be exempt pursuant to 5 U.S.C. 552a(k)(5), but only to the extent that such
material would reveal the identity of a confidential source.

(C) Therefore, portions of the system of records may be exempt pursuant to 5 U.S.C. 552a(c)(3), (d), (e)(4)(H), and (f), but only to the extent that disclosure would reveal the identity of a confidential source.

(ii) Authority: 5 U.S.C. 552a(k)(2) and (k)(5).

(iii) Reasons: From subsections (c)(3) and (d) because the exemption is needed to encourage those who know of exceptional medical or educational conditions or family maltreatments to come forward by protecting their identities and to protect such sources from embarrassment or recriminations, as well as to protect their right to privacy. It is essential that the identities of all individuals who furnish information under an express promise of confidentiality be protected. Granting individuals access to information relating to criminal and civil law enforcement, as well as the release of certain disclosure accounting, could interfere with ongoing investigations and the orderly administration of justice, in that it could result in the concealment, alteration, destruction, or fabrication of information; could hamper the identification of offenders or alleged offenders and the disposition of charges; and could jeopardize the safety and well-being of parents and their children. Exempted portions of this system also contain information considered relevant and necessary to make a determination as to qualifications, eligibility, or suitability for Federal employment and Federal contracts, and that was obtained by providing an express or implied promise to the source that his or her identity would not be revealed to the subject of the record.

(7) System identifier and name: F035 AF MP A, Effectiveness/Performance Reporting System.

(i) Exemptions—Brigadier General Selectee Effectiveness Reports and Colonel and Lieutenant Colonel Promotion Recommendations with close out dates on or before January 31, 1991, may be exempt from subsections 5 U.S.C. 552a(c)(3); (d); (e)(4)(G), (H), and (I); and (f).

(ii) Authority—5 U.S.C. 552a(k)(7).

(iii) Reasons—To protect the integrity of information used in the Reserve Initial Brigadier General Screening Board, the release of which would compromise the selection process.

(10) System identification and name: F035 AF MP P, General Officer Personnel Data System.

(i) Exemption—Air Force General Officer Promotion and Effectiveness Reports with close out dates on or before January 31, 1991, may be exempt from subsections of 5 U.S.C. 552a(c)(3); (d); (e)(4)(G), (H), and (I); and (f), but only to the extent that disclosure would reveal the identity of a confidential source.

(ii) Authority—5 U.S.C. 552a(k)(17).

(iii) Reasons—To protect the integrity of information used in the Reserve Initial Brigadier General Screening Board, the release of which would compromise the selection process.

(12) System identification and name: F035 APC D, Historical Airman Promotion Master Test File.

(i) Exemption—This system is exempt from 5 U.S.C. 552a(c)(3); (d); (e)(4)(G), (H), and (I); and (f).

(ii) Authority—5 U.S.C. 552a(k)(6).

(iii) Reasons—To protect the integrity, objectivity, and equity of the promotion testing system by keeping test questions and answers in confidence.
(13) System identifier and name: F124 AFOSI B, Investigative Applicant Processing Records.

(i) Exemption. This system is exempt from 5 U.S.C. 552a(c)(3); (d); (e)(4) (G), (H), and (I); and (f), but only to the extent that disclosure would reveal the identity of a confidential source.

(ii) Authority. 5 U.S.C. 552a(k)(5).

(iii) Reasons. To protect the identity of those who give information in confidence for personnel security and related investigations. Fear of harassment could cause sources to refuse to give this information in the frank and open way needed to pinpoint those areas in an investigation that should be expanded to resolve charges of questionable conduct.

(18) System identifier and name: F124 AF AFA, Security and Related Investigative Records.

(i) Exemption. This system is exempt from 5 U.S.C. 552a(c)(3); (d); (e)(4) (G), (H), and (I); and (f), but only to the extent that disclosure would reveal the identity of a confidential source.

(ii) Authority. 5 U.S.C. 552a(k)(5).

(iii) Reasons. To protect the identity of those who give information in confidence for personnel security and related investigations. Fear of harassment could cause sources to refuse to give this information in the frank and open way needed to pinpoint those areas in an investigation that should be expanded to resolve charges of questionable conduct.

(19) System identifier and name: F124 AF, Sensitive Compartmented Information A, Special Security Case Files.

(i) Exemption. Portions of this system of records may be exempt pursuant to 5 U.S.C. 552a(c)(2) from the following subsections of 5 U.S.C. 552a(c)(3), (d), (e)(1), (e)(2), (e)(3), (e)(4)(G), (H) and (I), (e)(5), (e)(6), (f), and (g).

(ii) Authority. 5 U.S.C. 552a(k)(5).

(iii) Reasons. To protect the identity of confidential sources who furnish information necessary to make determinations about the qualifications, eligibility, and suitability of health care professionals who apply for Reserve of the Air Force appointment or interservice transfer to the Air Force.

(20) System identifier and name: F111 AF JA B, Courts-Martial and Article 15 Records.

(i) Exemption. Portions of this system of records may be exempt pursuant to 5 U.S.C. 552a(c)(2) from the following subsections of 5 U.S.C. 552a(c)(3), (d), (e)(1), (e)(4)(G), (H) and (I), and (f).

(ii) Authority. 5 U.S.C. 552a(k)(2).

(iii) Reasons. To protect the identity of those who give information in confidence for personnel security and related investigations. Fear of harassment could cause sources to refuse to give this information in the frank and open way needed to pinpoint those areas in an investigation that should be expanded to resolve charges of questionable conduct.

(21) System identifier and name: F205 AFIS A, Special Security Case Files.

(i) Exemption. This system is exempt from 5 U.S.C. 552a(c)(3); (d); (e)(4) (G), (H), and (I); and (f), but only to the extent that disclosure would reveal the identity of a confidential source.

(ii) Authority. 5 U.S.C. 552a(k)(5).

(iii) Reasons. To protect the identity of those who give information in confidence for personnel security and related investigations. Fear of harassment could cause sources to refuse to give this information in the frank and open way needed to pinpoint those areas in an investigation that should be expanded to resolve charges of questionable conduct.

(22) System identifier and name: F205 AFSP A, Special Security Files.

(i) Exemption. This system is exempt from 5 U.S.C. 552a(c)(3); (d); (e)(4) (G), (H), and (I); and (f), but only to the extent that disclosure would reveal the identity of a confidential source.

(ii) Authority. 5 U.S.C. 552a(k)(5).

(iii) Reasons. To protect the identity of those who give information in confidence for personnel security and related investigations. Fear of harassment could cause sources to refuse to give this information in the frank and open way needed to pinpoint those areas in an investigation that should be expanded to resolve charges of questionable conduct.
(2) From subsection (c)(4) because an exemption is being claimed for subsection (d), this subsection will not be applicable.

(3) From subsection (d) because access to the records contained in this system would inform the subject of a criminal investigation of the existence of that investigation, provide the subject of the investigation with information that might enable him to avoid detection or apprehension, and would present a serious impediment to law enforcement.

(4) From subsection (e)(1) because in the course of criminal investigations information is often obtained concerning the violation of laws or civil obligations of others not relating to an active case or matter. In the interests of effective law enforcement, it is necessary that this information be retained since it can aid in establishing patterns of activity and provide valuable leads for other agencies and future cases that may be brought.

(5) From subsection (e)(2) because in a criminal investigation the requirement that information be collected to the greatest extent possible from the subject individual would present a serious impediment to law enforcement in that the subject of the investigation would be placed on notice of the existence of the investigation and would therefore be able to avoid detection.

(6) From subsection (e)(3) because the requirement that individuals supplying information be provided with a form stating the requirements of subsection (e)(8) would constitute a serious impediment to law enforcement in that it could compromise the existence of a confidential investigation, reveal the identity of confidential sources of information and endanger the life and physical safety of confidential informants.

(7) From subsections (e)(4)(G) and (H) because this system of records is exempt from individual access pursuant to subsections (j) and (k) of the Privacy Act of 1974.

(8) From subsection (e)(4)(l) because the identity of specific sources must be withheld in order to protect the confidentiality of the sources of criminal and other law enforcement information. This exemption is further necessary to protect the privacy and physical safety of witnesses and informants.

(9) From subsection (e)(5) because in the collection of information for law enforcement purposes it is impossible to determine in advance what information is accurate, relevant, timely, and complete. With the passage of time, seemingly irrelevant or untimely information may acquire new significance as further investigation brings new details to light and the accuracy of such information can only be determined in a court of law. The restrictions of subsection (e)(5) would restrict the ability of trained investigators and intelligence analysts to exercise their judgment in reporting on investigations and impede the development of intelligence necessary for effective law enforcement.

(10) From subsection (e)(8) because the individual notice requirements of subsection (e)(8) could present a serious impediment to law enforcement as this could interfere with the ability to issue search authorizations and could reveal investigative techniques and procedures.

(11) From subsection (f) because this system of records has been exempted from the access provisions of subsection (d).

(12) From subsection (g) because this system of records is compiled for law enforcement purposes and has been exempted from the access provisions of subsections (d) and (f).

(13) Consistent with the legislative purpose of the Privacy Act of 1974, the Department of the Air Force will grant access to nonexempt material in the records being maintained. Disclosure will be governed by the Department of the Air Force’s Privacy Regulation, but will be limited to the extent that the identity of confidential sources will not be compromised; subjects of an investigation of an actual or potential criminal violation will not be alerted to the investigation; the physical safety of witnesses, informants and law enforcement personnel will not be endangered; the privacy of third parties will not be violated; and that the disclosure would not otherwise impede effective law enforcement. Whenever possible, information of the above nature will be deleted from the requested documents and the balance made available. The controlling principle behind this limited access is to allow disclosures except those indicated above. The decisions to release information from these systems will be made on a case-by-case basis.

(21) System identifier and name: F036 AF DP G, Military Equal Opportunity and Treatment.

(i) Exemption: Investigatory material compiled for law enforcement purposes may be exempt pursuant to 5 U.S.C. 552a(k)(2). However, if an individual is denied any right, privilege, or benefit for which he would otherwise be entitled by Federal law or for which he would otherwise be eligible, as a result of the maintenance of the information, the individual will be provided access to the information except to the extent that disclosure would reveal the identity of a confidential source. Portions of this system of records may be exempt pursuant to 5 U.S.C. 552a(d), (e)(4)(H), and (f).

(11) Authority: 5 U.S.C. 552a(k)(2)

(iv) Reasons: (1) From subsection (d) because access to the records contained in this system would inform the subject of an investigation of the existence of that investigation, provide the subject of the investigation with information that might enable him to avoid detection, and would present a serious impediment to law enforcement. In addition,
granting individuals access to information collected while an Equal Opportunity and Treatment clarification/investigation is in progress conflicts with the just, thorough, and timely completion of the complaint, and could possibly enable individuals to interfere, obstruct, or mislead those clarifying/investigating the complaint.

(2) From subsection (e)(4)(H) because this system of records is exempt from individual access pursuant to subsection (k) of the Privacy Act of 1974.

(3) From subsection (f) because this system of records has been exempted from the access provisions of subsection (d).

(4) Consistent with the legislative purpose of the Privacy Act of 1974, the Department of the Air Force will grant access to nonexempt material in the records being maintained. Disclosure will be governed by the Department of the Air Force’s Privacy Instruction, but will be limited to the extent that the identity of confidential sources will not be compromised; subjects of an investigation of an actual or potential violation will not be alerted to the investigation; the physical safety of witnesses, informants and law enforcement personnel will not be endangered, the privacy of third parties will not be violated; and that the disclosure would not otherwise impede effective law enforcement. Whenever possible, information of the above nature will be deleted from the requested documents and the balance made available.

PART 807—SALE TO THE PUBLIC

§ 807.1 General requirements.
(a) Unaltered Air Force publications and forms will be made available to the public with or without charge, subject to the requirements of this part. Base Chiefs of Information Management will set up procedures to meet these needs and will make available Master Publications Libraries for public use according to AFR 4–61. They will also advise requesters that these libraries are available, since in many cases this will satisfy their needs and reduce workloads in processing sales requests. If the item is on sale by the Superintendent of Documents, GPO, refer the request to that outlet. Refer general public requests for Air Force administrative publications and forms to the National Technical Information Service (NTIS), Defense Publication Section, US Department of Commerce, 4285 Port Royal Road, Springfield, VA 22161–0001.

(b) The Air Force does not consider these unaltered publications and forms as records, within the meaning of the Freedom of Information Act (FOIA), as outlined in 5 U.S.C. 552 and implemented by part 806 of this chapter. Refer requests that invoke the FOIA to the chief, base information management, for processing.

(c) Units will process requests under the Foreign Military Sales Program (FMS) as specified in AFR 4–71, chapter 11.

(d) Units will send requests from foreign governments, their representatives, or international organizations to the MAJCOM foreign disclosure policy office and to HQ USAF/CVAII, Washington DC 20330–5000. Also send information copies of such requests to the base public affairs office. Commands will supplement this requirement to include policies pertaining to those items for which they have authority to release.

(e) Units will return a request for non-Air Force items to the requester for submission to appropriate agency.

§ 807.2 Charges for publications and forms.
(a) The Air Force applies charges to all requests unless specifically excluded.
(b) The Air Force applies charges according to part 813, Schedule of Fees for Copying, Certifying, and Searching Records and Other Documentary Material. Additional guidance is in part 812, User Charges, including specific exclusion from charges as listed in §812.5. As indicated, the list of exclusions is not all inclusive and recommendations for additional exclusions are sent to the office of primary responsibility for part 812 of this chapter.

(c) When a contractor requires publications and forms to perform a contract, the Air Force furnishes them without charge, if the government contracting officer approves these requirements.

§ 807.3 Requests for classified material, For Official Use Only material, accountable forms, storage safeguard forms, Limited (L) distribution items, and items with restrictive distribution caveats.

(a) Classified material. The unit receiving the requests should tell the requester that the Air Force cannot authorize the material for release because it is currently and properly classified in the interest of national security as authority by Executive Order, and must be protected from unauthorized disclosure.

(b) For Official Use Only (FOUO) material. The office of primary responsibility for the material will review these requests to determine the material’s releasability.

(c) Accountable forms. The unit receiving the request will return it to the requester stating that the Air Force stringently controls these forms and cannot release them to unauthorized personnel since their misuse could jeopardize Department of Defense security or could result in fraudulent financial gain or claims against the government.

(d) Storage safeguard forms. The unit receiving these requests returns them to the requesters stating that the Air Force specially controls these forms and that they are not releasable outside the Department of Defense since they could be put to unauthorized or fraudulent use.

(e) Limited (L) distribution items are not releasable outside the Department of Defense without special review according to APR 700-6. Units receiving these requests should refer them to the SCS manager shown in the index or on the cover of the publications. Advise the requesters of the referral.

(f) Items with restrictive distribution caveats. Some publications have restrictive distribution caveats on the cover. Follow the instructions stated and advise the requesters of the referral.

§ 807.4 Availability and nonavailability of stock.

(a) Limit quantities furnished so that stock levels required for operational Air Force support are not jeopardized.

(b) If the item is not available from publishing distribution office (PDO) stock, obtain it from the Air Force Publishing Distribution Center. If the item is under revision, advise the requester that it is being revised and that no stock is available.

(c) If stocks are not available and the item is being reprinted, advise the requester that stocks are expected to be available in 90 calendar days and to re-submit at that time.

§ 807.5 Processing requests.

Payment is required before shipping the requested material. Payment must be by check or money order.

(a) Upon receipt of the request, determine the cost involved and request the material.

(b) Upon receipt of the item, advise the requester to resubmit the required payment and send the material after payment is received.

(c) If the material cannot be obtained, advise the requester of the reason.

§ 807.6 Depositing payments.

Obtain instructions from the local Accounting and Finance Office regarding how checks or money orders must be prepared and required procedures for depositing them.

PART 809a—INSTALLATION ENTRY POLICY, CIVIL DISTURBANCE INTERVENTION AND DISASTER ASSISTANCE

Sec. 809a.0 Purpose.
§ 809a.0 Purpose.
This part prescribes the commanders’ authority for enforcing order within or near Air Force installations under their jurisdiction and controlling entry to those installations. It provides guidance for use of military personnel in controlling civil disturbances and in supporting disaster relief operations. This part applies to installations in the United States, its territories and possessions, and will be used to the maximum extent possible in the overseas commands. Instructions issued by the appropriate overseas commander, status of forces agreements, and other international agreements provide more definitive guidance for the overseas commands. Nothing in this part should be construed as authorizing or requiring security forces units to collect and maintain information concerning persons or organizations having no affiliation with the Air Force other than a list of persons barred from the installation.

Subpart A—Installation Entry Policy
§ 809a.1 Random installation entry point checks.
The installation commander determines when, where, and how to implement random checks of vehicles or pedestrians. The commander conducts random checks to protect the security of the command or to protect government property.

§ 809a.2 Military responsibility and authority.
(a) Air Force installation commanders are responsible for protecting personnel and property under their jurisdiction and for maintaining order on installations, to ensure the uninterrupted and successful accomplishment of the Air Force mission.
(b) Each commander is authorized to grant or deny access to their installations, and to exclude or remove persons whose presence is unauthorized. In excluding or removing persons from the installation, the installation commander must not act in an arbitrary or capricious manner. Their action must be reasonable in relation to their responsibility to protect and to preserve order on the installation and to safeguard persons and property thereon. As far as practicable, they should prescribe by regulation the rules and conditions governing access to their installation.

§ 809a.3 Unauthorized entry.
Under Section 21 of the Internal Security Act of 1950 (50 U.S.C. 797), any directive issued by the commander of a military installation or facility, which includes the parameters for authorized entry to or exit from a military installation, is legally enforceable against all persons whether or not those persons are subject to the Uniformed Code of Military Justice (UCMJ). Military personnel who reenter an installation after having been properly ordered not to do so may be apprehended. Civilian violators may be detained and either escorted off the installation or turned over to proper civilian authorities. Civilian violators may be prosecuted under 18 U.S.C. 1382.

§ 809a.4 Use of Government facilities.
Commanders are prohibited from authorizing demonstrations for partisan political purposes. Demonstrations on any Air Force installation for other than political purposes may only occur with the prior approval of the installation commander. Demonstrations that
could result in interference with, or prevention of, the orderly accomplishment of the mission of an installation or that present a clear danger to loyalty, discipline or morale of members of the Armed Forces will not be approved.

§ 809a.5 Barment procedures.
Under the authority of 50 U.S.C. 797, installation commanders may deny access to the installation through the use of a barment order. Barment orders should be in writing but may also be oral. Security forces maintain a list of personnel barred from the installation.

Subpart B—Civil Disturbance Intervention and Disaster Assistance

§ 809a.6 Authority.
The authority to intervene during civil disturbances and to provide disaster assistance is bound by directives issued by competent authorities. States must request federal military intervention or aid directly from the President of the United States by the state’s legislature or executive. Installation commanders must immediately report these requests in accordance with AFI 10–802, Military Support to Civil Authorities (Available from National Technical Information Service, 5285 Port Royal Road, Springfield, VA 22161.).

§ 809a.7 Definitions.
The following definitions apply to this part:
(a) Emergencies. These are conditions which affect public welfare and occur as a result of enemy attack, insurrections, civil disturbances, earthquake, fire, flood, or other public disasters which endanger life and property or disrupt the usual process of government. The term “emergency” includes any or all of the conditions explained in this section.
(b) Civil defense emergency. This is a disaster situation resulting from devastation created by an enemy attack and requiring emergency operations during and following attack. It may also be proclaimed by appropriate authority in anticipation of an attack.

(c) Civil disturbances. These are group acts of violence or disorder prejudicial to public law and order including those which follow a major disaster. They include riots, acts of violence, insurrections, unlawful obstructions or assemblages, or other disorders.
(d) Major disaster. Any flood, fire, hurricane, or other catastrophe which, in the determination of the President, is or threatens to be of sufficient severity and magnitude to warrant disaster assistance by the Federal Government to supplement the efforts and available resources of the State and local governments in alleviating the damage, hardship, or suffering caused thereby.

§ 809a.8 Installation policies and laws.
This subpart contains policies on the use of Air Force military personnel in civil disturbances and disasters. The more important laws concerning military aid to civil authorities are also summarized.
(a) The Air Force gives military assistance to civil authorities in civil defense or civil disturbances and disasters only when such assistance is requested or directed. Commanders will not undertake such assistance without authority, unless the overruling demands of humanity compel immediate action to protect life and property and to restore order.
(b) The military service having available resources nearest the affected area is responsible for providing initial assistance to civil authorities in emergencies. Subsequent operations are to be according to the mutual agreement between the senior service commanders concerned.
(c) The protection of life and property and the maintenance of law and order within the territorial jurisdiction of any State is the primary responsibility of State and local authorities. It is well-established U.S. Government policy that intervention with military forces takes place only after State and local authorities have used their own forces and are unable to control the situation, or when they do not take appropriate action.
§ 809a.9 Conditions for use of Air Force resources.

This part is not intended to extend Air Force responsibilities in emergencies to generate additional resources (manpower, materiel, facilities, etc.) requirements, or encourage participation in such operations at the expense of the Air Force primary mission. It is a guide for the employment of Air Force resources when:

(a) A disaster or disturbance occurs in areas in which the U.S. Air Force is the executive agent of the United States.

(b) A disaster or disturbance occurs in areas that are remote from an Army installation but near an Air Force installation, thereby necessitating Air Force assumption of responsibility pending arrival of Army personnel.

(c) The overriding demand of conditions resulting from a natural disaster compels immediate action to protect life and property and to restore order.

§ 809a.10 Military commanders’ responsibilities.

(a) Civilians in the affected area will be informed of the rules of conduct and other restrictive measures to be enforced by the military. These will be announced by local proclamation or order, and will be given the widest publicity by all available media.

(b) Persons not normally subject to military law, who are taken into custody by military forces incident to civil disturbances, will be turned over to the civil authorities as soon as possible.

(c) Military forces will ordinarily exercise police powers previously inoperative in an affected area; restore and maintain order; maintain essential transportation and communication; and provide necessary relief measures.

(d) U.S. Air Force civilian employees may be used, in any assignments in which they are capable and willing to serve. In planning for on-base contingencies of fires, floods, hurricanes, and other natural disasters, arrangements should be made for the identification and voluntary use of individual employees to the extent that the needs for their services are anticipated.

§ 809a.11 Procedures outside the United States.

It is Air Force policy to make every reasonable effort to avoid any confrontation between United States military forces and host nation demonstrators or other dissidents posing a threat to Air Force resources. Intervention by United States military personnel outside the United States is governed by international law, bilateral and other international agreements to which the United States is a party, and host-nation laws. Local plans to counter such situations must include provisions to request and obtain host nation civil or military support as quickly as possible.
§ 811.1 Exceptions.
The regulations in this part do not apply to:
(a) Visual information (VI) materials made for the Air Force Office of Special Investigations for use in an investigation or a counterintelligence report. (See Air Force Instruction (AFI) 90–301, The Inspector General Complaints, which describes who may use these materials.)
(b) VI materials made during Air Force investigations of aircraft or missile mishaps according to AFI 91–204, Safety Investigations and Reports. (See AFI 90–301.)

§ 811.2 Release of visual information materials.
(a) Only the Secretary of the Air Force for Public Affairs (SAF/PA) clears and releases Air Force materials for use outside Department of Defense (DoD), according to AFI 35-205, Air Force Security and Policy Review Program.
(b) The Secretary of the Air Force for Legislative Liaison (SAF/LL) arranges the release of VI material through SAF/PA when a member of Congress asks for them for official use.
(c) The International Affairs Division (HQ USAF/CVII) or, in some cases, the major command (MAJCOM) Foreign Disclosure Office, must authorize release of classified and unclassified materials to foreign governments and international organizations or their representatives.

§ 811.3 Official requests for visual information productions or materials.
(a) Send official Air Force requests for productions or materials from the DoD Central Records Centers by letter or message. Include:
(1) Descriptions of the images needed, including media format, dates, etc.
(2) Visual information record identification number (VIRIN), production, or Research, development, test, and evaluation (RDT&E) identification numbers, if known.
(3) Intended use and purpose of the material.
(4) The date needed and a statement of why products are needed on a specific date.
(b) Send inquiries about motion picture or television materials to the Defense Visual Information Center (DVIC), 1363 Z Street, Building 2730, March ARB, CA 92518–2703.
(c) Send Air Force customer inquiries about still photographic materials to 11 CS/SCUA, Bolling AFB, Washington, DC 20332–0403 (the Air Force accessioning point).
(d) Send non-Air Force customers' inquiries about still photographic materials to the DVIC.

(2) Nonproduction VI motion media to the DVIC. The center may sell other Air Force VI motion picture and television materials, such as historical and stock footage. When it sells VI motion
media, the DVIC assesses charges, unless §811.5 exempts the requesting activity.

(3) VI still media to the DoD Still Media Records Center (SMRC), Attn: SSRC, Washington, DC 20374–1681. When SMRC sells VI still media, the SMRC assesses charges, unless §811.5 exempts the requesting activity.

§811.5 Customers exempt from fees.

Title III of the 1968 Intergovernmental Cooperation Act (42 U.S.C. 4201, 4231, and 4233) exempts some customers from paying for products and loans. This applies if the supplier has sufficient funds and if the exemption does not impair its mission. The requesting agency must certify that the materials are not commercially available. When requests for VI material do not meet exemption criteria, the requesting agency pays the fees. Exempted customers include:

(b) Members of Congress asking for VI materials for official activities.

(c) VI records center materials or services furnished according to law or Executive Order.

(d) Federal, state, territorial, county, municipal governments, or their agencies, for activities contributing to an Air Force or DoD objective.

(e) Nonprofit organizations for public health, education, or welfare purposes.

(f) Armed Forces members with a casualty status, their next of kin, or authorized representative, if VI material requested relates to the member and does not compromise classified information or an accident investigation board’s work.

(g) The general public, to help the Armed Forces recruiting program or enhance public understanding of the Armed Forces, when SAF/PA determines that VI materials or services promote the Air Force’s best interest.

(h) Incidental or occasional requests for VI records center materials or services, including requests from residents of foreign countries, when fees would be inappropriate. AFI 16–101, International Affairs and Security Assistance Management, tells how a foreign government may obtain Air Force VI materials.

(i) Legitimate news organizations working on news productions, documentaries, or print products that inform the public on Air Force activities.

§811.6 Visual information product/material loans.

(1) For unclassified products, use your organization’s letterhead, identify subject title, PIN, format, and quantity.

(2) For classified products, use your organization’s letterhead, identify subject title, personal identification number (PIN), format, and quantity. Also, indicate that either your organization commander or security officer, and MAJCOM VI manager approve the need.

(b) You may request other VI materials, such as, still images and motion media stock footage, from DVIC/OM–PA, 1363 Z Street, Building 2730, March ARB, CA 92518–2703.

§811.7 Collecting and controlling fees.

(a) The DoD records centers usually collect fees in advance. Exceptions are sales where you cannot determine actual cost until work is completed (for example, television and motion picture services with per minute or per footage charges).

(b) Customers pay fees, per AFR 177–108, Paying and Collecting Transactions at Base Level, with cash, treasury check, certified check, cashier’s check, bank draft, or postal money order.

§811.8 Forms prescribed and availability of publications.

Subpart A—General Information

§ 841.0 Purpose.

This regulation prescribes the policies, administrative requirements, procedures, terms, and conditions for licensing of rights in federally owned patents and patent applications vested in the United States of America in the custody of the Department of the Air Force. It is consistent with General Services Administration Licensing of Federally Owned Inventions, 41 CFR 101–4, which implements Pub. L. 96–517. It applies to all requests for a license under an Air Force invention.

§ 841.1 Air Force policy.

Federally owned inventions in the custody of the Department of the Air Force normally will best serve the public interest when they are developed to the point of practical application and made available to the public in the shortest possible time. Nonexclusive, partially exclusive, or exclusive licenses for the practice of these inventions may be granted to applicants who agree to develop and/or market the inventions. All Air Force inventions normally will be made available for the granting of licenses to responsible applicants.

§ 841.2 Execution of licenses.

Nonexclusive, partially exclusive, or exclusive licenses will be executed on behalf of the Department of the Air Force by the Secretary or by anyone to whom this authority is delegated.

§ 841.3 Delegation of authority.

The administration of this part is delegated to The Judge Advocate General, who may delegate the administration of this part to the Chief, Patents Division, Office of The Judge Advocate General. All communications received in any Air Force activity requesting information regarding the licensing of a Government invention will be acknowledged and sent without further action directly to HQ USAF/JACP, Washington DC 20324.

§ 841.4 Definitions.

(a) Air Force invention means an invention, plant, or design which is covered by a patent or patent application in the United States, or a patent, patent application, plant variety protection, or other form of protection in a foreign country, title to which has been assigned to or otherwise vested in the United States Government and in
§ 841.6 Restrictions and conditions.

The following restrictions and conditions apply to all licenses granted under this part:

(a) Restrictions: (1) A license may be granted only if the applicant has supplied the Air Force with a satisfactory plan for development or marketing of the invention, or both, and with information about the applicant’s capability to fulfill the plan.

(2) A license granting rights to use or sell under an Air Force invention in the United States shall normally be granted only to a licensee who agrees that any product embodying the invention or produced through the use of the invention will be manufactured substantially in the United States.

(b) Conditions. Licenses shall contain such terms and conditions as the Air Force determines are appropriate for the protection of the interests of the Federal Government and the public and are not in conflict with law or this part. The following terms and conditions apply to any license:

(1) The duration of the license shall be for a period specified in the license agreement, unless sooner terminated according to provisions therein.

(2) The license may be granted for all or less than all fields of use of the invention or in specified geographical areas, or both.

(3) The license may extend to subsidiaries of the licensee or other parties if provided for in the license but shall be nonassignable without approval of the Air Force, except to the successor of that part of the licensee’s business to which the invention pertains.

(4) The license shall require the licensee to report, at least annually, on the utilization or efforts at obtaining utilization that are made by the licensee, with particular reference to the plan submitted.

(5) Licenses may be royalty-free or for royalties or other consideration.

(6) The license shall provide for the right of the Air Force to terminate the license, in whole or in part, if:
§ 841.7 Nonexclusive licenses.

Each Air Force invention normally will be made available for the granting of nonexclusive licenses, subject to the provisions of any other license, including those in §841.8, and subject to the following condition: the nonexclusive license may also provide that, after termination of a period specified in the license agreement, the Air Force may restrict the license to the fields of use or geographic areas, or both, in which the licensee has brought the invention to practical application and continues to make the benefits of the invention reasonably accessible to the public. However, such restriction shall be made only in order to grant an exclusive or partially exclusive license according to this part.

§ 841.8 Exclusive and partially exclusive licenses.

Each Government invention may be made available for the granting of an exclusive or partially exclusive license subject to the following restrictions and conditions:

(a) Restrictions. Exclusive or partially exclusive licenses may be granted on federally owned inventions as follows:

(1) Three months after notice of the invention’s availability has been announced in the FEDERAL REGISTER; or

(2) Without such notice where the Air Force determines that expeditious granting of such a license will best serve the interest of the Federal Government and the public; and

(3) In either situation specified in paragraph (a) (1) or (2) of this section only if:

(i) Notice of a prospective license, identifying the invention and the prospective licensee, has been published in the FEDERAL REGISTER, providing opportunity for filing written objections within a 60-day period;

(ii) After expiration of the 60-day period and consideration of any written objections received during the period, the Air Force makes the determinations required by §§841.15 favorably to the applicant; and

(iii) The Air Force has given first preference to any small business firms submitting plans that are determined by the agency to be within the capabilities of the firms and as equally likely, if executed, to bring the invention to practical application as any plans submitted by applicants that are not small business firms.

(b) Conditions. In addition to the provisions of §841.6, the following terms and conditions apply to domestic exclusive and partially exclusive licenses:
(1) The license shall be subject to the irrevocable royalty-free right of the Government of the United States to practice and have practiced the invention on behalf of the United States and on behalf of any foreign government or international organization pursuant to any existing or future treaty or agreement with the United States.

(2) The license shall reserve to the Air Force the right to require the licensee to grant sublicenses to responsible applicants, on reasonable terms, when necessary to fulfill health or safety needs.

(3) The license shall be subject to any licenses in force at the time of the grant of the exclusive or partially exclusive license.

(4) The license may grant the licensee the right of enforcement of the licensed patent pursuant to the provisions of 35 U.S.C. 29, as determined appropriate in the public interest.

§ 841.9 Additional licenses.

Nothing in this part will preclude the Air Force from granting licenses for Air Force inventions which are the result of an authorized exchange of rights in the settlement of patent disputes. The following exemplify circumstances wherein such licenses may be granted:

(a) In consideration of the settlement of an interference;

(b) In consideration of a release of a claim of infringement; or

(c) In exchange for or as part of the consideration for a license under adversely held patents.

§ 841.10 Foreign licenses.

(a) Exclusive or partially exclusive licenses may be granted on an Air Force invention covered by a foreign patent, patent application, or other form of protection, provided that:

(1) Notice of a prospective license identifying the invention and prospective licensee has been published in the FEDERAL REGISTER, providing opportunity for filing written objections within a 60-day period and following consideration of such objections;

(2) The Air Force has considered whether the interests of the Federal Government or United States industry in foreign commerce will be enhanced; and

(3) The Air Force has not determined that the grant of such license will tend substantially to lessen competition or result in undue concentration in any section of the United States in any line of commerce to which the technology to be licensed relates, or to create or maintain other situations inconsistent with antitrust laws.

(b) In addition to the provisions of §841.6, the following terms and conditions apply to foreign exclusive and partially exclusive licenses:

(1) The license shall be subject to the irrevocable, royalty-free right of the United States Government to practice and have practiced the invention on behalf of any foreign government or international organization pursuant to any existing or future treaty or agreement with the United States.

(2) The license shall be subject to any licenses in force at the time of the grant of the exclusive license.

(3) The license may grant the licensee the right to take any suitable and necessary action to protect the licensed property on behalf of the United States Government.

Subpart C—Licensing Procedures

§ 841.11 Publication requirements.

The Department of the Air Force will cause to be published in the FEDERAL REGISTER, and at least one other publication that the Air Force deems would best serve the public interest, a list of Government inventions in the custody of the Department of the Air Force available for licensing under the conditions specified in subpart B.

§ 841.12 Request for a license.

Requests for a license under an Air Force invention should be addressed to the Chief, Patents Division, HQ USAF/JACP, Washington DC 20324.

§ 841.13 Contents of a license application.

An application for a license will include:

(a) Identification of the invention for which the license is desired including the patent application serial number or
§ 841.14 Published notices.

A notice that the prospective exclusive or partially exclusive licensee has been selected will be published by the Department of the Air Force in the Federal Register and a copy of the notice will be sent to the Attorney General. The notice will include:

(a) Identification of the invention;
(b) Identification of the selected licensee; and
(c) A statement that the license will be granted unless any written objection is received within 60 days.

§ 841.15 Determination to grant or deny exclusive or partially exclusive licenses.

(a) After the notice is published in the Federal Register that a prospective exclusive or partially exclusive licensee has been selected and the 60 days for filing written objections has expired, a decision will be made whether to grant or deny the license considering all arguments and evidence of record. A memorandum of the decision will be prepared and shall include:

(1) An identification of the invention, type of license desired, and name and address of the party applying for the license;
(2) The name and address of all third parties who objected to the granting of the license, if any;
(3) A brief statement of the reasons for the objections, if any;
(4) A discussion of the relative merits of the license application vs. the objections filed by third parties, if any;
(5) Determinations, and reasons supporting the determinations, whether:
   (i) The interests of the Federal Government and the public will be served by the proposed license, in view of the applicant’s intentions, plans, and ability to bring the invention to practical application or otherwise promote the invention’s utilization by the public;
   (ii) The desired practical application has not been achieved or is not likely expeditiously to be achieved under any nonexclusive license which has been granted on the invention;
   (iii) Exclusive or partially exclusive licensing is a reasonable and necessary
incentive to call forth the investment of risk capital and expenditures to bring the invention to practical application or otherwise promote the invention's utilization by the public;
(iv) The proposed terms and scope of exclusivity are not greater than reasonably necessary to provide the incentive for bringing the invention to practical application or otherwise promote the invention's utilization by the public;
(v) The grant of such license will tend substantially to lessen competition or result in undue concentration in any section of the country in any line of commerce to which the technology to be licensed relates, or to create or maintain other situations inconsistent with the antitrust laws; and
(vi) The interest of the United States Government or industry in foreign commerce will be enhanced, if the license request is under a foreign patent, patent application, or other form of protection.
(6) The signature of the individuals making the determinations.
(b) A record of the determinations to grant or deny an exclusive or a partially exclusive license shall be maintained by the Patents Division.
§ 841.16 Modification and termination.
Before modifying or terminating a license, other than by mutual agreement, the Air Force shall furnish the licensee and any sublicensee of record a written notice of intention to modify or terminate the license, and the licensee and any sublicensee shall be allowed 30 days after such notice to remedy any breach of the license or show cause why the license should not be modified or terminated.
§ 841.17 Appeals.
A party whose application for a license has been denied, a licensee whose license has been modified or terminated, in whole or in part, or a party who timely filed a written objection in response to the notice required in §841.8 and §841.10 and who can demonstrate to the satisfaction of the Air Force that such party may be damaged by the agency action, may appeal to The Judge Advocate General, any decision or determination concerning the grant, denial, interpretation, modification, or termination of a license. The appeal must be in writing and submitted within 60 days from the date the decision or determination was mailed to the party.
Subpart D—Transfer of Custody of Government Inventions and Confidentiality of Information
§ 841.18 Transfer procedure.
Under certain circumstances it may be in the best interest of the Air Force to enter into an agreement to transfer its custody of any invention to another Government agency for purposes of administration including the granting of licenses pursuant to this part. Such transfers will be made on a case-by-case basis.
§ 841.19 Confidentiality of plans and reports.
Title 35 U.S.C. 209 provides that any plan submitted pursuant to §841.13 above and any report required by §841.6 may be treated by the Air Force as commercial and financial information obtained from a person and privileged and confidential and not subject to disclosure under 5 U.S.C. 552.

§ 842.34 Right of subrogation, indemnity, and contribution.

The Air Force becomes subrogated to the rights of the claimant upon settling a claim. The Air Force has the rights of contribution and indemnity permitted by the law of the situs or under contract. The Air Force does not seek contribution or indemnity from US military personnel or civilian employees whose conduct in scope of employment gave rise to government liability.

§ 842.35 Depreciation and maximum allowances.

The military services have jointly established the “Allowance List—Depreciation Guide” to determine values for most items and to limit payment for some categories of items.

Subpart E—Carrier Recovery Claims

§ 842.36 Scope of this subpart.

This subpart explains how to assert and settle claims against carriers, warehousemen, and contractors for loss and damage to personal property.

§ 842.37 Definitions.

(a) Bill of lading. A contract for movement and delivery of goods.

(1) Carriers issue commercial bills of lading.

(2) Transportation officers issue government bills of lading (GBL). GBLs include the terms and conditions of commercial bills of lading with certain exceptions.

(3) The GBL is all of the following:

(i) A receipt for goods tendered to a carrier.

(ii) A contract.

(iii) A document authorizing collection of transportation bills the carrier presents.

(b) Carrier. Any moving company, personal property forwarder, or freight forwarder holding a certificate or permit issued by a federal or state regulatory agency or approved by the Department of Defense for international shipments.

(c) Military Traffic Management Command (MTMC). The Department of Defense management agency for military traffic, land transportation, and common user ocean terminals. Among other responsibilities, MTMC manages the DOD household goods moving and storage program worldwide. The Army has single service responsibility for MTMC.

(d) Regional Storage Management Office (RSMO). The MTMC office responsible for negotiating and administering all storage contracts within a geographical area. The contracting officer of each RSMO makes involuntary collections of nontemporary storage loss and damage claims.

(e) Net weight. The weight of the fully-loaded van or shipping crate (gross weight), less the weight of the empty van or shipping crate (tare weight).

(f) Nontemporary storage (NTS). All authorized storage not in connection with a GBL. NTS usually exceeds 180 days and normally includes packing and shipping of household goods to the warehouse.

(g) Storage in transit (SIT). Storage of a shipment by a carrier at origin, enroute, or at destination. SIT is initially limited to 90 days. The transportation officer may extend it to a maximum of 180 days.

(h) Tender of service. A carrier’s offer to do business with the Department of Defense, including the terms and conditions of the agreement. The Personal Property Traffic Management Regulation (PPTMR), DOD Regulation 4500.34, Appendix A, contains this agreement.
§ 842.38 Delegations of authority.

(a) Settlement authority: (1) These individuals have delegated authority to settle, compromise, suspend, or terminate action on claims for $20,000 or less and to accept full payment on any claim:
   (i) The Judge Advocate General.
   (ii) The Deputy Judge Advocate General.

(b) Redelegation of authority. An individual with settlement authority may redelegate this authority, in writing, to a subordinate judge advocate or civilian attorney.

(c) Authority to reduce, withdraw, or restore settlement authority. Any superior settlement authority may reduce, withdraw, or restore settlement authority.

§ 842.39 Statute of limitations.

(a) International commercial air shipments. The government must file suit within 2 years after the delivery date. The period for notifying these carriers of loss or damage is 3 days for luggage, and 7 days for other goods. Setoff is not possible in these cases. Uncollectible claims are sent to HQ USAF/JACC within 6 months from the date of delivery.

(b) All other CR claims. The government must file suit within 6 years after the cause of action accrues. It accrues when a responsible US official, service member, or employee knew or reasonably should have known the material facts that caused the claimed loss. The requirement to file a claim within 9 months under commercial bills of lading does not apply to GBLs.

Subpart F—Military Claims Act (10 U.S.C. 2733)

§ 842.40 Scope of this subpart.

This subpart explains how to settle claims made against the United States for property damage, personal injury, or death caused by military personnel or civilian employees of the Air Force acting in the scope of their employment or otherwise incident to the Air Force’s noncombat activities.

§ 842.41 Definitions.

(a) Appeal. A request by the claimant or claimant’s authorized agent to reevaluate the final decision. A request for reconsideration and an appeal are the same for the purposes of this subpart.

(b) Final denial. A letter mailed from the settlement authority to the claimant or authorized agent advising the claimant that the Air Force denies the claim.

(c) Noncombat activity. Activity, other than combat, war or armed conflict, that is particularly military in character and has little parallel in the civilian community.

A claim is not payable under this subpart if it:

A prisoner of war or an interned enemy alien is not excluded as to a claim for damage, loss, or destruction of personal property in the custody of the Government otherwise payable. Claims
§ 842.51 Applicable law.

This paragraph provides the existing law governing liability, measurement of liability and the effects of settlement upon awards.

(a) Extent of liability. Where the claim arises is important in determining the extent of liability.

(1) When a claim arises in the United States, the law of the place where the act or omission occurred governs liability. The settlement authority considers the local law on such issues as dangerous instrumentalities, assumption of risk, res ipsa loquitur, last clear chance, discovered peril, and comparative and contributory negligence. Absolute liability is never imposed.

(2) Claims in foreign countries. (i) In claims arising in a foreign country, where the claim is for personal injury, death, or damage to or loss of real or personal property caused by an act or omission alleged to be negligent, wrongful, or otherwise involving fault of military personnel or civilian officers or employees of the United States acting within the scope of their employment, liability or the United States is determined according to general principles of tort law common to the majority of American jurisdictions, as evidenced by Federal case law and standard legal publications, except as to the principle of absolute liability.

(ii) The law of the foreign country governing the legal effect of contributory or comparative negligence by the claimant will be applied in determining the relative merits of the claim. In the unusual situation where foreign law governing contributory or comparative negligence does not exist, use traditional rules of contributory negligence. Foreign rules and regulations governing the operation of motor vehicles (rules of the road) are applied to the extent those rules are not specifically superseded or preempted by United States military traffic regulations.

(3) When adjudicating claims based upon negligence, the principle of absolute liability is not applicable, even though otherwise prescribed by applicable local law.

(4) The meaning and construction of the MCA is a Federal question to be determined by Federal law.

(b) General information: (1) The measure of damages in claims arising in the United States or its possessions is determined according to the law of the place where the act or omission occurred. The measure of damages in claims arising overseas is determined according to general principles of American tort law.

(2) Apportion damages against the United States in the same manner as they are apportioned in suits against private persons if local law applies comparative negligence.

(3) Do not deduct proceeds from private insurance policies except to the extent allowed by local law. However, proceeds are deducted if the policy was paid for by the United States.

(4) Deduct compensation and benefits from the Department of Veterans Affairs, or monetary value received from any U.S. Government associated source from the damages which may be awarded. Deduct sick and annual leave payments if local law allows.

(5) Do not approve:
§ 842.57 Delegations of authority.

(a) Settlement authority: (1) The Secretary of the Air Force has the authority to:
   (i) Settle claims for payment of $100,000 or less.
   (ii) Settle claims for more than $100,000, pay the first $100,000, and report the excess to the General Accounting Office for payment.
   (iii) Deny claims in any amount.

(2) The Judge Advocate General has delegated authority to:
   (i) Settle claims for payment of $100,000 or less.
   (ii) Deny claims in any amount.

(3) The Deputy Judge Advocate General, Director of Civil Law, and the Chief, Deputy Chief and Branch Chiefs, Claims and Tort Litigation Staff are
§ 842.58  Each a foreign claims commission and have delegated authority to:
   (i) Settle claims for payment of $50,000 or less.
   (ii) Deny a claim in any amount.
(4) The SJAs of PACAF, USAFE, 9AF (for CENTCOM) and AFSpaceCOM (for Greenland and Canada) are each a foreign claims commission and have delegated authority to approve claims for payment arising within their geographic area of responsibility for $50,000 or less, or deny claims of $50,000 or less.
(5) The SJAs of Numbered Air Forces in PACAF and USAFE; the SJA of HQ TUSLOG; the SJA of 12AF (for South America); and the SJAs of Lajes AB, Azores, Patrick AFB, FL, and Howard AFB, Panama are each a foreign claims commission and have delegated authority to:
   (i) Recommend payment in any amount.

   (ii) Settle claims for payment of $10,000 or less.
   (iii) Deny claims for $25,000 or less.
(b) Authority to appoint FCCs. (1) The Chief, Claims and Tort Litigation Staff, has the delegated authority to appoint a judge advocate or civilian attorney as a FCC and to redelegate all or a part of his or her settlement authority to that FCC.
(2) A settlement authority appointed as a FCC in paragraph (a) of this section may appoint one or more subordinate judge advocates or civilian attorneys as FCCs, and may redelegate all or part of that settlement authority to those FCCs, in writing. Every FCC must have authority to settle claims for at least $10,000.
(c) Authority to reduce, withdraw, or restore settlement authority. Any superior settlement authority may reduce, withdraw, or restore delegated authority, in writing, except no one may reduce or withdraw the authority of a FCC to settle claims for $10,000 or less.
(d) Settlement negotiations. A settlement authority may settle a claim in any sum within its settlement authority, regardless of the amount claimed. Send uncompromised claims in excess of the delegated authority through claims channels to the level with settlement authority. Unsuccessful negotiations at one level do not bind higher authority.
   (e) Special exceptions. Do not settle claims for medical malpractice without HQ USAF/JACC approval.
§ 842.58  Filing a claim.
   (a) How and when filed. A claim is filed when a federal agency receives from a claimant or authorized agent a properly completed SF 95 or other signed and written demand for money damages in a sum certain. A claim belonging to another agency is promptly transferred to the appropriate agency.
   (b) Amending a claim. A claimant may amend a claim at any time prior to final action. An amendment must be in writing and signed by the claimant or authorized agent.
§ 842.59  Advance payments.
   Subpart Q outlines procedures for advance payments.
§ 842.60  Statute of limitations.
   (a) A claim must be filed in writing within 2 years after it accrues. It accrues when the claimant discovers or reasonably should have discovered the existence of the act that resulted in the claimed loss or injury.
   (b) In computing the statutory time period, the day of the incident is excluded and the day the claim was filed is included.
   (c) War or armed conflict does not toll the statute of limitations.
§ 842.61  Who may file a claim.
   (a) Owners of the property or their authorized agents for property damage.
   (b) Injured persons or other authorized agents for personal injury.
   (c) Executors or administrators of a decedent’s estate, or any other person...

§ 842.65

legally entitled to do so under applicable local law, for an individual’s death.

d) Authorized agents (including the claimant’s attorney) must show their title or legal capacity and present evidence of authority to present the claim.

§ 842.62 Who are proper claimants.

Claimants include inhabitants of a foreign country who are:

(a) Foreign nationals.

(b) US nationals, unless they reside there primarily because they are:

(1) Employed directly by the United States.

(2) Employed by a US civilian contractor to further performance of a contract with the United States.

(3) Sponsored by or accompanying someone employed as described in § 842.62(b) (1) or (2) of this part.

(c) US corporations with a place of business in the country in which the claim arose.

(d) Foreign governments and their political subdivisions, including a municipal and prefectural government.

(e) Foreign companies and business entities.

§ 842.63 Who are not proper claimants.

Persons who are not proper claimants include:

(a) Insurers and other subrogees.

(b) Dependents accompanying US military and US national civilian employees.

(c) Foreign military personnel suffering property damage, personal injury, or death from a joint military mission with the United States or from conduct of a US military member or employee acting in the scope of employment unless an international agreement specifically provides for recovery.

(d) Civilian employees of the United States, including local inhabitants, injured in the scope of their employment.

(e) National governments and their political subdivisions engaging in war or armed conflict with the United States or its allies.

(f) A national or nationally controlled corporation of a country engaging in war or armed conflict with the United States or its allies, unless the FCC or local military commander determines the claimant is friendly with the United States.

§ 842.64 Payment criteria.

The following criteria is considered before determining liability.

(a) The incident causing the damage or injury must occur outside the United States. It must be caused by noncombatant activities of the US Armed Forces or by civilian employees or military members of the Armed Forces.

(b) Negligence is not a prerequisite.

(c) Scope of employment is considered in the following situations.

(1) It is a prerequisite to US responsibility if the employee causing the damage or injury is a local inhabitant, a prisoner of war, or an interned enemy alien. These persons are “employees” within the meaning of the Foreign Claims Act (FCA) only when in the service of the United States. Ordinarily, a slight deviation as to time or place does not constitute a departure from the scope of employment. The purpose of the activity and whether it furthers the general interest of the United States is considered. If the claim arose from the operation or use of a US Armed Forces vehicle or other equipment by such a person, pay it provided local law imposes liability on the owner of the vehicle or other equipment in the circumstances involved.

(2) It is immaterial when the claim arises from the acts or omissions of any US Armed Forces member or employee not listed in § 842.64(c)(1) of this part. The Act imposes responsibility on the United States when it places a US citizen or non-US citizen employee in a position to cause the injury or damage. If the cause is a criminal act clearly outside the scope of employment, ordinarily pay the claim and consider disciplinary action against the offender.

§ 842.65 Claims not payable.

A claim is not payable when it:

(a) Has been paid or denied by a competent tribunal under the North Atlantic Treaty Organization (NATO), Status of Forces Agreement (SOFA), or any similar SOFA or treaty.

(b) Is purely contractual in nature.
§ 842.66  Applicable law.

This paragraph provides guidance to determine the applicable law for assessment of liability.

(a) A claim is settled under the law and standards in effect in the country where the incident occurred. In calculating the amount of any lump sum award, the present value of any periodic payment upon which the award is based, is computed, unless the law of the place of occurrence prohibits it.

(b) Contributory negligence committed by the claimant, claimant’s agent, or employee is not used as a bar to recovery unless local law or custom requires it. If the comparative negligence doctrine is used, the percentage of negligence of each party is reflected in the apportionment of liability. The amount of damage sustained by both parties is apportioned according to local law.

(c) The following principles of the collateral source doctrine are applied while preparing for or going to, or returning from a combat mission.

(n) Based on negligence of a concessionaire or other independent contractor.

(o) Arises out of personal activities of dependents, guests, servants, or pets of members and employees of the US Armed Forces. (This includes situations where local law imposes strict liability or where the head of a household is held vicariously liable for their negligence.)

(p) Is the subject of litigation against the United States or its employees. This restriction does not apply to joint criminal/civil proceedings in a foreign court. Claims settlement may be authorized by HQ USAF/JACC in appropriate cases on request.

(q) Is covered under US admiralty laws, unless authorized by The Judge Advocate General or Chief, Claims and Tort Litigation Staff.

(r) Is one for which a foreign government is responsible under SOFA, treaty, or other agreement. However, HQ USAF/JACC may authorize payment of a claim where the foreign government refuses to recognize its legal responsibilities and the claimant has no other means of compensation.
in settling a claim except where local law provides otherwise:

(1) Any sums the claimant recovers from collateral sources, including proceeds of property insurance the claimant paid for are not deducted from the claim except when those sums are from:

(i) The US Government.
(ii) A US military member or employee.
(iii) A Joint tort-feasor.
(iv) An Insurer of §842.66(c)(1)(i), (ii), or (iii), above.

(2) Do not deduct insurance or any other payments where the US military member or employee would have to make reimbursement.

§842.67 Reconsideration of final denials.
This paragraph provides the procedures used to reconsider a final denial.

(a) An FCC may reopen, reverse, or reconsider, in whole or in part, any claim it previously decided if the request for reconsideration is received in a reasonable time. Sixty days is considered a reasonable time, but the FCC may waive the time limit for good cause.

(b) An FCC reconsider the final action on a claim when there is:

(1) New and material evidence concerning the claim.
(2) Obvious error in facts or calculation of the original settlement.
(3) Fraud or collusion in the original submission of the claim.
(4) The FCC must state the reason for reconsideration in its opinion. A court decision is not in itself sufficient basis for reconsidering a claim, but the facts that resulted in the judgment may warrant reconsideration. The amount of a court judgment is not binding on a FCC’s determination of damage, but the commission may consider the judgment as evidence of the local law on the subject.

§842.68 Right of subrogation, indemnity, and contribution.
The Air Force becomes subrogated to the rights of the claimant upon settling a claim. The Air Force has the rights of indemnity and contribution permitted by the law of the situs or under contract. Contribution or indemnity should not be sought:

(a) From US military personnel or civilian employees whose conduct gave rise to government liability.
(b) Where recovery action would be harmful to international relations.

(f) Sending state. The country sending the force or civilian component to the receiving State.

(g) Third parties. Those other than members of the force and civilian component of the sending or receiving States. Dependents, tourists, and other noninhabitants of a foreign country are third parties unless the agreement specifically excludes them.

   (b) Claims arising in the United States. The claimant files tort claims arising from the act or omission of military or civilian personnel of another contracting party at any US military installation. The installation receiving the claim either:
      (1) Investigates it if the foreign personnel are assigned there.
      (2) Sends it to the installation where the foreign personnel are assigned.

Subpart I—Use of Government Property Claims (10 U.S.C. 2737)

§ 842.73 Scope of this subpart.

This subpart explains how to settle and pay claims against the United States, for property damage, personal injury, or death incident to the use of a government vehicle or any other government property by Air Force military and civilian personnel which are not payable under any other statute.

   (c) Authority to reduce, withdraw, and restore settlement authority. Any superior settlement authority may reduce, withdraw, or restore delegated authority.

§ 842.76 Filing a claim.

(a) How and when filed. A claim has been filed when a federal agency receives from a claimant or the claimant’s duly authorized agent written notification of an incident of property damage, personal injury or death accompanied by a demand for money damages in a sum certain. A claim incorrectly presented to the Air Force will be promptly transferred to the appropriate Federal agency.
   (b) Amending a claim. A claimant may amend a claim at any time prior to
§ 842.77 Statute of limitations.
(a) A claim must be presented in writing within 2 years after it accrues. It accrues at the time the claimant discovers, or in the exercise of reasonable care should have discovered, the existence of the act causing property damage, personal injury or death for which the claim is filed.
(b) In computing time to determine whether the period of limitation has expired, exclude the incident date and include the date the claim was filed.

§ 842.78 Claims payable.
When all of the following are present, payment of a claim in the amount of $1,000 or less is authorized if it:
(a) Is for property damage, personal injury, or death. (Payment for a personal injury or death claim is limited to costs of reasonable medical, hospital, and burial expenses actually incurred and not otherwise furnished or paid by the United States.)
(b) Was caused by a military member or civilian employee of the Air Force, whether acting within or outside the scope of employment.
(c) Arose from the use of a government vehicle at any place or other government property on a government installation, and
(d) Is not payable under any other provision of law except Article 139, UCMJ.

§ 842.79 Claims not payable.
A claim is not payable if it is:
(a) Payable under any other provision of the law.
(b) Caused wholly or partly by a negligent or wrongful act of the claimant, the claimant’s agent, or employee.
(c) A subrogated claim.
(d) Recoverable from other sources such as an insurance policy, or recovered from action under Article 139, UCMJ.

§ 842.80 Reconsideration of final denial.
(a) The statute does not provide for appeals. The original settlement authority may, however, reconsider any decision. There is no set format for a reconsideration but it should be submitted in writing within 60 days of the original decision.
(b) The settlement authority may either grant all or any portion of the requested relief without referral to any other office, or forward the entire file with the reasons for the action and recommendations to the next higher claims settlement authority for independent review and final action.
§ 842.84 Delegations of authority.

(a) The following officials have the authority to settle a claim against the Air Force in the amounts provided:

(1) The Secretary of the Air Force has the authority to:
   (i) Settle a claim for payment of more than $500,000 and to certify it to Congress for payment.
   (ii) Settle and pay a claim for $500,000 or less.
   (iii) Deny a claim in any amount.

(2) The following individuals have delegated authority to settle claims for $100,000 or less:

(2) HQ USAF/JACC refers all claims for damage to property under the jurisdiction of the Air Force for more than $500,000 to the Department of Justice.

(3) The following individuals have delegated authority to settle claims for $100,000 or less and deny them in any amount:
   (i) The Judge Advocate General.
   (ii) The Deputy Judge Advocate General.
   (iii) The Director of Civil Law.
   (iv) The Chief and Deputy Chief, Claims and Tort Litigation Staff.

§ 842.85 Reconsidering claims against the United States.

This section provides the policy and procedures to reconsider any maritime claim made against the United States.

(a) The settlement authority may reconsider any claim previously disapproved in whole or in part when either:

(1) The claimant submits new evidence in support of the claim.
(2) There were errors or irregularities in the submission or settlement of the claim.
(3) The claimant has an interest in the outcome of the original settlement.

(b) There is no right of appeal to higher authority under this subpart.

§ 842.86 Scope of this subpart.

This subpart governs claims against the United States for property damage, personal injury, or death, from the negligent or wrongful act or omission of Air Force military or civilian personnel while acting within the scope of their employment. It also covers similar tort claims generated by Air National Guard (ANG) members performing specified duty under 22 U.S.C. on or after 29 December 1981.

§ 842.87 Definitions.

(a) Compromise. An agreed settlement based upon the facts, the law, and the application of the law to the facts.

(b) Final denial. A letter the settlement authority mails to the claimant or authorized agent advising him or her that the Air Force denies his or her claim.

(c) Reconsideration. A request by the claimant or claimant’s authorized agent to reevaluate a final decision. A request for reconsideration and an appeal are the same thing.

(d) Negligence. A departure from the conduct expected from a reasonably prudent person under similar circumstances.

(e) Proximate cause. The dominant or primary cause involving a natural and continuous sequence unbroken by an effective cause.

§ 842.88 Delegations of authority.

(a) Settlement authority. (1) Subject to the prior written, approval of the United States Attorney General or his designee, the following individuals have delegated authority to settle claims in excess of $25,000, to settle claims for $25,000 or less, and to deny a claim in any amount:
(i) The Judge Advocate General.
(ii) The Deputy Judge Advocate General.
(iii) The Director of Civil Law.

(2) Subject to the prior written approval of the United States Attorney General or his designee, the Chief, Claims and Tort Litigation Staff has delegated authority to settle claims in excess of $25,000 up to a limit of $50,000, to settle claims for $25,000 or less; and to deny a claim in any amount.

(3) The Deputy Chief and Branch Chiefs, Claims and Tort Litigation Staff have delegated authority to settle claims for $25,000 or less and deny a claim in any amount.

(4) The SJA of HQ 9AF for CENTCOM, and SJAs of PACAF and USAFE have delegated authority to settle claims payable, and deny claims filed, for $25,000 or less.

(5) The following individuals have delegated authority to settle claims payable, and deny claims filed, for $15,000 or less:
   (i) SJAs of single base GCMs.
   (ii) SJAs of GCMs in PACAF and USAFE.
   (iii) SJAs of each Air Force base, station, or fixed installation.

(b) Redelegation of authority. A settlement authority may be redelegated, in writing, to a subordinate judge advocate or civilian attorney.

(c) Authority to reduce, withdraw, and restore settlement authority. Any superior settlement authority may reduce, withdraw, or restore delegated authority.

(d) Settlement negotiations. A settlement authority may settle a claim filed in any amount for a sum within the delegated authority. Unsettled claims in excess of the delegated authority will be sent to the next highest level with settlement authority. Unsuccessful negotiations at one level do not bind higher authority.

(e) Special exceptions. Do not settle claims for the following without HQ USAF/JACC approval:
   (1) Legal malpractice.
   (2) On the job personal injury or death of an employee of a government contractor or subcontractor.
   (3) Assault, battery, false imprisonment, false arrest, abuse of process, or malicious prosecution committed by an investigative or law enforcement officer.
   (4) Animal bites.
   (5) Personal injury from asbestos or radon.
   (6) Medical malpractice.

A claim must be presented in writing within 2 years after it accrues.

(a) Federal, not state law, determines the time of accrual. A claim normally accrues at the time of injury when essential operative facts are apparent. However, in other instances, especially in complex medical malpractice cases, a claim accrues when the claimant discovers or reasonably should have discovered the existence of the act that resulted in the claimed loss.

(b) In computing the statutory time period, the day of the incident is excluded and the day the claim was filed is included.

(c) The Air Force has 6 months to consider a properly filed claim, after which the claimant may file suit. The claimant’s right to sue ends 6 months from the date the final denial is mailed.

(d) Properly asserted third party actions, as permitted under the Federal Rules of Civil Procedure, may be brought against the United States without first filing a claim. In such instances those actions may start more than 2 years after the claim has accrued.

A claimant may request a settlement authority who denied a claim to reconsider that claim. If the settlement authority denies the request, the claim file is sent to the next higher claims settlement authority for action.

A request for reconsideration must be filed in writing within 6 months of the final denial and prior to initiation of a suit. A request for reconsideration starts a new 6-month period for the Air Force to consider the claim. The claimant may not sue during that period.
§ 842.91 Settlement agreements.

The claimant must sign a settlement agreement and general release before any payment is made.

Subpart L—Property Damage Tort Claims in Favor of the United States (31 U.S.C. 3701, 3711–3719)

§ 842.94 Assertable claims.

A claim may be asserted in writing for loss of or damage to government property, against a tort-feasor when:

(a) Damage results from negligence and the claim is for:

(1) More than $100.

(2) Less than $100 but collection costs are small.

(b) The claim is based on a contract and the contracting officer does not intend to assert a claim under the contract. The contracting officer’s intention not to assert a claim should be recorded in a memorandum for the record and placed in the claim file.

(c) The claim is for property damage arising from the same incident as a hospital recovery claim. (The two claims should be consolidated and processed under subpart N).

(d) The Tort-feasor or his insurer presents a claim against the government arising from the same incident. (Both claims should be processed together.)

(e) The claim is assertable as a counterclaim under an international agreement. (The claim should be processed under subpart H).

This subpart explains how to settle claims against the United States arising out of the noncombat activities of the Air National Guard (ANG), when its members are acting within the scope of their employment and performing duty under 32 U.S.C. Contact HQ USAF/JACC for guidance on any claim for property damage, injury or death by the ANG which accrued prior to 29 December 1981.

§ 842.99 Compromise, termination, and suspension of collection.

This section establishes the guidelines for compromise, termination, or suspension of a claim.

(a) Compromise of a claim is allowable when:

1. The tort-feasor is unable to pay the full amount within a reasonable time. (A sworn statement showing the debtor’s assets and liabilities, income, expenses, and insurance coverage should be obtained and included in the claim file).

2. The Government is unable to collect a claim in full within a reasonable time even though the enforced collection proceedings are used for collection.

3. The cost to collect does not justify enforced collection of the full amount.

4. The government may have difficulty proving its case in court for the full amount claimed.

(b) Compromise is not allowable when there may be fraud, misrepresentation, or violation of antitrust laws. The Department of Justice must authorize compromise of such claims.

(c) Termination of collection is allowable when:

1. The government is unable to collect the debt after exhausting all collection methods.

2. The government is unable to locate the tort-feasor.

3. The cost to collect will exceed recovery.

4. The claim is legally without merit.

5. The evidence does not substantiate the claim.

(d) Suspension of collection is allowable when:

1. The government is unable to locate tort-feasor.

2. The tort-feasor is presently unable to pay but:

   i. The statute of limitations is tolled or is running anew.

   ii. Future collection may be possible.

Subpart M—Claims Under the National Guard Claims Act (32 U.S.C. 715)

§ 842.100 Scope of this subpart.

This subpart explains how to settle claims against the United States arising out of the noncombat activities of the Air National Guard (ANG), when its members are acting within the scope of their employment and performing duty under 32 U.S.C. Contact HQ USAF/JACC for guidance on any claim for property damage, injury or death by the ANG which accrued prior to 29 December 1981.
§ 842.101 Definitions.

(a) Appeal. An appeal is a request by the claimant or claimant’s authorized agent to reevaluate the final decision made on a claim. A request for reconsideration is considered as an appeal.

(b) Air National Guard (ANG). The federally recognized Air National Guard of each state, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, and Guam.

(c) ANG member. An ANG member is one who is performing duty under 32 U.S.C., section 316, 502, 503, 504, or 505 for which the member is entitled to pay from the United States or for which the member has waived pay from the United States.

(d) ANG duty status—(1) Active federal service. ANG members may serve on active Federal duty under 10 U.S.C. to augment the active Air Force under certain circumstances or for certain types of duty or training (e.g., overseas training exercises and ANG alert duty). Duty under 10 U.S.C. does not fall under this subpart.

(2) Federally funded duty. ANG members perform specified federally funded duty or training under 32 U.S.C. such as weekend drills, annual training, field exercises, range firing, military schooling, full time unit support, or recruiting duties. Duty under 32 U.S.C. falls under this subpart for noncombat activities.

(3) State duty. State duty is duty not authorized by federal law but required by the governor of the state and paid for from state funds. Such duty includes civil emergencies (natural or other disasters), civil disturbances (riots and strikes), and transportation requirements for official state functions, public health, or safety. State duty does not fall under this subpart.

(e) Compromise. A compromise is an agreed settlement based upon the facts, the law, and the application of the law to the facts.

(f) Final denial. A final denial is a letter from the settlement authority to the claimant or authorized agent advising of the decision to deny the claim.

(g) Noncombat activity. Noncombat activity is an act, other than combat, war or armed conflict, which is particularly military in character and has little parallel in the civilian community.

(h) ANG technicians. An ANG technician is a Federal employee employed under 32 U.S.C. 709. Tort claims arising out of his or her activity are settled under the Federal Tort Claims Act (FTCA).

§ 842.102 Delegations of authority.

This paragraph outlines the levels of authority authorized to settle claims brought under the National Guard Claims Act (32 U.S.C. 715).

(iii) Deny a claim in any amount.

(2) The Judge Advocate General has delegated authority to settle a claim for $100,000 or less, and deny a claim in any amount.

(3) The following individuals have delegated authority to settle a claim for $25,000 or less, and deny a claim in any amount:

(i) The Deputy Judge Advocate General.

(ii) The Director of Civil Law.

(c) Appellate authority. Upon appeal a settlement authority has the same authority to settle a claim as that specified above. However, no appellate authority below the Office of the Secretary of the Air Force may deny an appeal of a claim it previously denied.

(d) Authority to reduce, withdraw, and restore settlement authority. Any superior settlement authority may reduce, withdraw, or restore delegated settlement authority.

(e) Settlement negotiations. A settlement authority may settle a claim filed in any amount for a sum within the delegated settlement authority regardless of the amount claimed. Unsettled claims in excess of the delegated settlement authority are sent to the individual with higher settlement authority. Unsuccessful negotiations at one level do not bind higher authority.

(f) Special exceptions. No authority below the level of HQ USAF/JACC may settle claims for:
   (1) Legal malpractice.
   (2) On the job personal injury or death of an employee of a government contractor or subcontractor.
   (3) Assault, battery, false imprisonment, false arrest, abuse of process, or malicious prosecution committed by an investigative or law enforcement officer.

§ 842.103 Filing a claim.

This paragraph explains how to file a claim under the National Guard Claims Act.

(a) How and when filed. A claim is filed when a federal military agency receives from a claimant or duly authorized agent a properly completed SF 95 or other written and signed demand for money damages in a sum certain. Claims belonging to another agency are promptly transferred to the correct agency.

(b) Receipt of claims from State National Guard agencies. The Office of the State Adjutant General promptly sends claims it receives to the appropriate Air Force claims authority in whose geographic area the incident occurred. The report forwarded to the Air Force includes:
   (1) The date, place, and nature of the incident.

   (2) The names and organizations of ANG members involved, and the statutory duty status of the ANG members at the time of the incident (include copies of orders, if applicable).

   (3) A scope of employment statement from the supervisors of the ANG members involved.

   (2) The State Adjutants General designate an official or office as point of contact for Air Force claims personnel and furnish necessary personnel to assist the Air Force investigation, subject to the availability of funds and personnel.

(d) Amending a claim. A claimant may amend a claim at any time prior to final action. To amend a claim the claimant or his or her authorized agent must submit a written, signed demand.

§ 842.104 Advance payments.

Subpart Q of this part sets forth procedures for such payments.

§ 842.105 Statute of limitations.

A claim must be filed in writing within 2 years after it accrues.

(a) Federal, not state law, determines the time of accrual. A claim accrues when the claimant discovers or reasonably should have discovered the existence of the act that resulted in the claimed loss.

(b) In computing the statutory time period, the day of the incident is excluded and the day the claim was filed is included.

(c) A claim filed after the statute has run is considered if the United States is at war or in an armed conflict when the claim accrues; or if the United States enters a war or armed conflict after the claim accrues, and good cause is shown. No claimant may file a claim
more than 2 years after the good cause ceases to exist or the war or armed conflict ends. Congress or the President establishes the beginning and end of war or armed conflict.

§ 842.106 Who may file a claim.

§ 842.107 Who are proper claimants.

(x) Claims caused by the negligent or wrongful acts or omissions of ANG technicians employed under 32 U.S.C. 709.

§ 842.111 Applicable law.

(a) Extent of liability. The following rules apply to determine the extent of liability of a claim.
(1) Claims arising in the United States. The law of the place where the act or omission occurs governs liability. The local law on dangerous instrumentalities, assumption of risk, res ipsa loquitur, last clear chance, discovered peril, and comparative and contributory negligence are considered. Absolute liability is never imposed.

(2) Claims arising in foreign countries. The general principles of tort law common to the majority of American jurisdictions as evidenced by Federal case law and standard legal publications, control liability, except that absolute liability is not imposed. However, the law of the place where the act or omission occurs governs the effect of the claimant's comparative or contributory negligence. Where applicable, rules of the road and similar locally prescribed standards of care are followed to determine fault.

NOTE: ANG personnel ordered to foreign countries proceed under title 10, U.S.C.; consequently, the National Guard Claims Act would not apply. However, there may be cases where ANG personnel are inadvertently in a foreign country while on title 32, U.S.C. orders.

(b) Measure of damages. The following rules apply to the measurement of damages.

(1) Normally, the law of the place where the act or omission occurs is applied. In claims arising in foreign countries, the measure of damages is determined in accordance with general principles of American tort law.

(2) Damages in suits against private persons are apportioned if local law applies comparative negligence.

(3) Proceeds from private insurance policies are not deducted except to the extent the policy was paid by the Government or is allowed by local law.

(4) Compensation and benefits from any U.S. Government associated source are deducted. However, sick and annual leave payments are deducted only if allowed by local law.

(5) The following are not payable:
(i) Punitive damages.
(ii) Cost of medical or hospital services furnished at U.S. expense.
(iii) Cost of burial expenses paid by the United States, any territory or possession, any state, or the District of Columbia.

(c) Settlement by insurer or joint tort-feasor. When settlement is made by an insurer or joint tort-feasor and an additional award is warranted, an award is made if:

(1) The United States is not protected by the release executed by the claimant.

(2) The total amount received from such source is first deducted.

§842.112 Appeal of final denials.

This paragraph explains the steps to take when a denial is appealed.

(a) A claimant may appeal the final denial of the claim. The claimant sends the request, in writing, to the initial settlement authority within a reasonable time following the final denial. Sixty days is considered a reasonable time, but the time limit may be waived for good cause.

(b) The initial settlement authority reviews the appeal.

(c) Where the settlement authority does not reach a final agreement with the claimant on an appealed claim, the entire claim file is sent to the next higher settlement authority, who is the appellate authority for that claim.

(d) The decision of the appellate authority is the final administrative action on the claim.

§842.113 Government's right of subrogation, indemnity, and contribution.

The Air Force becomes subrogated to the rights of the claimant upon settling a claim. The Air Force has the rights of contribution and indemnity permitted by the law of the situs or under contract. Contribution or indemnity is not sought from ANG members whose conduct gave rise to Government liability.

§842.114 Attorney fees.

In the settlement of any claim pursuant to 32 U.S.C. 715 and this subpart, attorney fees will not exceed 20 percent of any award. For the purposes of this paragraph, an award is deemed to be the cost to the United States at the time of purchase of a structured settlement, and not its future value.
§ 842.117 Delegations of authority.

(a) Settlement authority: (1) The following individuals have delegated authority to settle, compromise, or waive claims for $40,000 or less and to accept full payment on any claim:
   (i) The Judge Advocate General.
   (ii) The Deputy Judge Advocate General.
   (iii) The Director of Civil Law.
   (iv) Chief, Deputy Chief, and Branch Chiefs, Claims and Tort Litigation Staff.

   (2) The SJA of HQ 9AF for CENTCOM, and SJAs of PACAF and USAFE have delegated authority to compromise or waive claims for $30,000 or less and to accept full payment on any claim.

   (3) SJAs of single base GCMs, the SJAs of GMCs in PACAF and USAFE, and the SJAs of each Air Force base, station, or fixed installation have delegated authority to compromise or waive claims for $15,000 or less and to accept full payment on any claim.

(b) Authority to assert a claim. Each settlement authority has authority to assert a claim in any amount for the reasonable value of medical care.

(c) Redelegation of authority. A settlement authority may redelegate to a subordinate judge advocate or civilian attorney, in writing, his or her authority to assert, compromise, or waive claims.

(d) Authority to reduce, withdraw, and restore settlement authority. Any superior settlement authority may reduce, withdraw, or restore delegated authority.

(e) Settlement negotiations. A settlement authority may settle a claim filed for an amount within the delegated settlement authority. Claims in excess of the delegated authority must be approved by the next higher settlement authority. Unsuccessful negotiations at one level do not bind higher authority.

Note: Telephonic approvals, in the discretion of the higher settlement authority, are authorized.
§ 842.118 Assertable claims.

A claim should be asserted when the Air Force has furnished or will furnish medical care in military health care facilities or when the Air Force is responsible for reimbursement to a private care provider and either of the following conditions are met:

(a) Third party liability in tort exists for causing an injury or disease.

(b) Local or foreign law permits the United States to recover or the United States is a third party beneficiary under uninsured motorist coverage, medical pay insurance coverage, worker's compensation, no-fault statutes, or other statutes.

A claim should only be asserted if the base SJA determines it merits assertion. Claims for $150 or less need not be asserted; they should be asserted only if the base SJA or designee determines the collection will not exceed the cost to collect, the third party offers payment and demands a release from the United States before paying damages to the injured party, or the United States asserts a property damage claim under subpart L arising out of the same incident.

§ 842.119 Nonassertable claims.

(a) The following are considered nonassertable claims and should not be asserted:

(1) Claims against any department, agency, or instrumentality of the United States. “Agency or instrumentality” includes any self-insured non-appropriated fund activity whether revenue producing, welfare, or sundry. The term does not include private associations.

(2) Claims for care furnished a veteran by the Department of Veterans Affairs (VA) for service connected disability. However, claims may be asserted for the reasonable value of medical care an Air Force member receives prior to his or her discharge and transfer to the VA facility.

(3) Claims for care furnished a merchant seaman under 42 U.S.C. 249. A claim against the seaman’s employer should not be filed.

(b) Claims should not be asserted without HQ USAF/JACC’s approval against:

(1) Government contractors. In claims in which the United States must reimburse the contractor for a claim according to the terms of the contract, an investigation into the claim is sent to HQ USAF/JACC by the base SJA. The file should contain recommendations regarding assertion and include citations to the specific contract clauses involved.

(2) Foreign governments. An investigation is made regarding any claim against foreign governments, their political subdivisions, armed forces members, or civilian employees. The claims files containing the investigation are sent to HQ USAF/JACC along with the base SJA’s recommendations regarding assertion.

(3) US personnel. Claims are not asserted against members of the uniformed services; employees of the US, its agencies or instrumentalities; or an individual who is a dependent of a service member or employee at the time of assertion unless liability insurance will pay the claim.

(4) Manufacturers of products in products liability cases.

§ 842.120 Asserting the claim.

When asserting the claim, the base SJA will:

(a) Assert it against the third parties whose liability is based in tort using an SF 96, Notice of Claim. Mail the original and one copy to each of the third parties and a copy to the third parties’ insurers, if known.

(b) Assert it against third parties or insurers whose liability is not based in tort using a formal letter written on Air Force stationery. The letter will include the facts and legal basis for liability. Bases for liability could include local foreign law, US status as a third party beneficiary under uninsured or underinsured motorist coverage, workers’ compensation laws, and
§ 842.124 Waiver and compromise of United States interest.

Waivers and compromises of government claims can be made. This paragraph lists the basic guidance for each action. (See § 842.117(e) for claims involving waiver and compromise of amounts in excess of settlement authorities’ delegated amounts.)

(a) Waiver for the convenience of the government can be made when the tort-feasor:

(1) Cannot be located.
(2) Is judgment proof.
(3) Has refused to pay and the case is too weak for litigation.

(b) Waiver can be made when collection causes undue hardship to the injured party. Ordinarily, factors such as the following should be considered:

(1) Permanent disability or disfigurement.
(2) Decreased earning power.
(3) Out of pocket losses.
(4) Financial status of injured party.
(5) Pension rights.
(6) Other government benefits to the injured party.

(7) An offer of settlement from a third party which includes virtually all the thirty party’s assets, although the amount is considerably less than the calculation of the injured party’s damages.

(c) A compromise can be made upon written request from the injured party or the injured party’s legal representative when liability is questionable, the
§ 842.125 Reconsideration of a waiver for undue hardship.

A settlement authority may reconsider its disapproval of a waiver or compromise, when either:
(a) The injured party submits new evidence.
(b) Errors exist in claim submission or settlement.

Subpart O—Nonappropriated Fund Claims

§ 842.126 Scope of this subpart.

This subpart describes how to settle claims for and against the United States for property damage, personal injury, or death arising out of the operation of Nonappropriated Fund Instrumentalities (NAFIs).

§ 842.127 Definitions.

(a) Army and Air Force Exchange Service (AAFES). The Army and Air Force Exchange Service is a joint command of the Army and Air Force, under the jurisdiction of the Chiefs of Staff of the Army and Air Force, which provides exchange and motion picture services to authorized patrons.

(b) Morale, welfare, and recreation (MWR) activities. Air Force MWR activities are activities operated directly or by contract which provide programs to promote morale and well-being of the Air Force’s military and civilian personnel and their dependents. They may be funded wholly with appropriated funds, primarily with non-appropriated funds (NAF), or with a combination of appropriated funds and NAFs.

(c) Nonappropriated funds. Non-appropriated funds are funds generated by Department of Defense military and civilian personnel and their dependents and used to augment funds appropriated by the Congress to provide a comprehensive morale-building, welfare, religious, educational, and recreational program, designed to improve the well-being of military and civilian personnel and their dependents.

(d) Nonappropriated funds instrumentality. A nonappropriated fund instrumentality is a Federal government instrumentality established to generate and administer nonappropriated funds for programs and services contributing to the mental and physical well-being of personnel.

§ 842.128 Delegations of authority.

(a) Settlement authority. (1) Each individual has the same delegated authority to settle a claim for which NAFs may be liable as that specified for a similar type claim in each subpart of this part. The decision of the settlement authority is binding upon the NAFI.

(2) The Judge Advocate General, in addition, has delegated authority to settle subparts F, G, and J type claims in any amount without referral to the Secretary of the Air Force or the General Accounting Office.

(3) The Chief, Deputy Chief, and Branch Chiefs, Claims and Tort Litigation Staff, in addition, have delegated authority to settle subparts F, G, and J type claims for $100,000 or less without referral to the Secretary of the Air Force or the General Accounting Office.

(b) Redegulation of authority. A settlement authority may redelegate settlement authority to a subordinate judge advocate or civilian attorney, in writing.

(c) Appellate authority. Upon appeal, a settlement authority has the same authority specified in §842.128(a). The Judge Advocate General is the final appellate authority on subpart F type claims without right of further appeal to the Secretary of the Air Force. However, no appellate authority below The Judge Advocate General may deny an appeal of a claim it had previously denied.

(d) Authority to reduce, withdraw, and restore settlement authority. Any superior settlement authority may reduce,
withdraw, or restore delegated authority.

(e) Settlement negotiations. A settlement authority may settle a claim filed in any amount for a sum within its delegated authority. Send unsettled claims in excess of the delegated authority to the level with settlement authority. Unsuccessful negotiations at one level do not bind higher authority.

§ 842.129 Settlement of claims against NAFIs.

(a) This subpart does not establish legal theories for adjudication of claims. Refer to the appropriate subpart to decide whether a claim is payable (e.g., subpart D for personnel claims; subpart K for tort claims), then use the rules in this subpart to decide the appropriate funds for payment of any approved claim.

(b) Claims arising from property damage to or loss from vehicles or loss of personal items stored in base MWR facilities will be evaluated under the normal rules applied by the appropriate subpart of this part, and paid using the rules in those subparts. Examples include recreational vehicles stored in authorized lots and used cars parked in onbase sales lots. One exception to this rule is the exclusion of personal items stolen from onbase gym lockers (discussed below).

(1) If a NAF fee has been charged in connection with the use of the storage location, a determination must be made on the nature of the fee charged. If the fee does no more than reimburse NAF costs in administering or maintaining the storage location, subpart O of this part applies in addition to other appropriate subparts. If the fee is set to generate a profit for the NAFI involved or if it is collected in accordance with the terms of an agreement, express or implied, under which the NAFI represents that it will provide some degree of security or safeguarding of the property, the claim will be paid with NAF funds.

(2) Normally, theft of items from gym lockers will be paid out of appropriated funds providing there is affirmative evidence of theft. Mysterious loss of property will not be paid and, in no case, will a claim be paid in excess of $250.

§ 842.130 Payment of claims against NAFIs.

Substantiated claims against NAFIs must not be paid solely from appropriated funds. Claims are sent for payment as set out in this subpart. Do not delay paying a claimant because doubt exists whether to use appropriated funds or NAFs. Pay the claim initially from appropriated funds and decide the correct funding source later.

§ 842.131 Tort and tort type claims.

(a) Claims within the scope of this subpart. Claims which are within the scope of this subpart are those arising out of the operation of an MWR activity and are caused by:

(1) Civilian employees paid by a NAFI acting in the scope of their employment.

(2) Military personnel or appropriated fund civilian employees performing part-time duties for a NAFI for which a NAFI is paying.

(3) Negligent operation or condition of premises for which a NAFI is responsible.

(4) Members or authorized users of NAFI property. Such claims are subject to this subpart if the individual is a member of an MWR membership association or an authorized user of NAFI property and the use is in accord with applicable rules.

(b) Claims not within the scope of this subpart. Claims are not payable within the scope of this subpart if they arise out of the operation of an MWR activity supported by a NAFI and are caused by:

(1) Military personnel or appropriated fund civilian employees performing assigned Air Force duties, even though they benefit a NAFI.

(2) Negligent operation or condition of premises for which a NAFI is not responsible.

§ 842.132 Claims by NAFI employees.

Claims made by NAFI employees should be settled within the guidelines of this paragraph.

(a) Personal injury in performance of duty and workers' compensation claims.
§ 842.133 Claims by customers, members, participants, or authorized users.

(a) Customer complaints. Do not automatically adjudicate customer complaint claims until a determination is made that a valid claim exists. Complaints and personal property losses suffered by customers of MWR sales or service operations are normally not within the scope of this subpart. Customer complaints may not be claims at all. They may be no more than expressions of customer dissatisfaction. The activity manager is responsible for adjudicating and satisfying or otherwise disposing of a customer’s complaint according to applicable NAFI regulations. Where possible, the activity manager resolves them by reimbursement, repair, or replacement in kind.

However, if a complaint involving a claim cannot be satisfactorily settled under those procedures or includes a demand for consequential damage (such as for personal injury or property damage to other than the article purchased or serviced), process it as a tort claim.

(b) Claims generated by concessionaires. Most concessionaires must have commercial insurance. Any unresolved claims or complaints against concessionaires or their insurers are sent to the appropriate contracting officers.

§ 842.134 Claims in favor of NAFIs.

(a) Tort claims. Use the procedures set forth in subpart J or L, as appropriate.
(b) Contract claims. See AFR 176–9 or AFR 147–14, as appropriate.
(c) Claims involving dishonored checks and debts to NAFIs. See AFR 176–2 and 176–10 or AFR 147–14, as appropriate.
(d) Third Party Workers’ Compensation Claims. NAF employees are provided workers’ compensation benefits under the Longshore and Harbor Workers’ Compensation Act (LHWCA) (33 U.S.C. 901, et seq.) as extended by the Non-appropriated Fund Instrumentalities Act (5 U.S.C. 8171–8173). For injuries suffered by NAFI employees in the course and scope of their employment where third parties are responsible for the injuries, the employing NAFIs are entitled to recover from the responsible third parties for the compensation and medical benefits paid to the injured employees (33 U.S.C. 933). Third party claims are pursued on behalf of employing NAFIs by the servicing staff judge advocate. A NAFI also has the right of offset against an employee’s pay amounts recovered directly by the employee from third parties as provided in the LHWCA.

§ 842.135 Advance payments.

The procedures set out in subpart Q should be used for advance payments. Do not delay paying a claimant because doubt exists whether to use appropriated funds or NAFIs. Pay the claim initially from appropriated claim funds and decide the correct funding source later.

§ 842.136 Claim payments and deposits.

Unless otherwise specified in this subpart, claims for payment (in two copies), collected funds for deposit, and international agreement bills for reimbursement should be sent as follows:

(a) AAFES: (1) Claims payable for more than $2500: HQ AAFES, Comptroller, Insurance Branch, P.O. Box 660202, Dallas, TX 75266–0202.
(2) Claims payable for $2500 or less: AAFES Operations Center (OSC-AC),
Subpart P—Civil Air Patrol Claims
(5 U.S.C. 8101(1)(B), 8102(c), 8116(c), 8141; 10 U.S.C. 9441, 9442; 36 U.S.C. 201–208)

§ 842.137 Scope of this subpart.

This subpart explains how to process certain administrative claims:
(a) Against the United States for property damage, personal injury, or death, arising out of Air Force noncombat missions performed by the Civil Air Patrol (CAP), as well as certain other Air Force authorized missions performed by the CAP in support of the Federal government.
(b) In favor of the United States for damage to US Government property caused by CAP members or third parties.

§ 842.138 Definitions.

(a) Civil Air Patrol (CAP). A federally chartered, non-profit corporation which was designated by Congress in 1948 as a volunteer civilian auxiliary of the Air Force.
(b) Air Force noncombat mission. Although not defined in any statute, an Air Force noncombat mission is any mission for which the Air Force is tasked, by statute, regulation, or higher authority, which does not involve actual combat, combat operations or combat training. The Air Force, in lieu of using Air Force resources, can use the services of the Civil Air Patrol to fulfill these type missions. When performing an Air Force noncombat mission, the Civil Air Patrol is deemed to be an instrumentality of the United States. In order for a mission to be a noncombat mission of the Air Force under this part, it must either:
(1) Have a special Air Force mission order assigned, and, the Air Force must exercise operational control over the mission.
(2) Involve a peacetime mission the Air Force is tasked to perform by higher authority which requires the expenditure of Air Force resources to accomplish, and the Air Force specifically approves the mission as a noncombat mission, and assigns the mission to the Civil Air Patrol to perform.
(c) CAP members. CAP members are private citizens who volunteer their time, services, and resources to accomplish CAP objectives and purposes. The two primary categories of members are:
(1) Cadets. Youths, 13 years (or having satisfactorily completed the sixth grade) through 17 years of age, who meet such prerequisites as the CAP corporation may establish from time to time. Cadet status may be retained until age 21.
(2) Seniors. Adults, 18 years of age or older (there is no maximum age), who meet such prerequisites as the CAP corporation may establish from time to time, and who have not retained cadet status.
(d) Liaison officers. Active duty Air Force officers assigned to liaison duty at the national, regional, and wing (state) levels of CAP.

§ 842.139 Delegations of authority.

The appropriate subpart of this part under which the claim is being considered prescribes the authority to settle it.

§ 842.140 Proper claimants.

(a) Anyone suffering property damage, personal injury, or death arising from an Air Force noncombat mission or other specified Air Force authorized mission performed by CAP, who is also a proper claimant under the appropriate subpart of this part.
§ 842.141 Improper claimants.
CAP members, 18 years of age or older, whose personal injury or death claim is subject to the Federal Employees’ Compensation Act, are improper claimants. FECA is their exclusive remedy.

§ 842.142 Claims payable.
A claim is payable if all of the following are present:
(a) It is for property damage, personal injury, or death.
(b) It is proximately caused by a CAP member.
(c) It arises from an Air Force noncombat mission performed by the CAP, or arises from an authorized mission performed by the CAP for which specific coverage under this subpart is granted by HQ USAF/JACC.
(d) It is otherwise payable because it meets the provisions of an appropriate subpart of this part.

§ 842.143 Claims not payable.
A claim is not payable if it:
(a) Is for use or depreciation of privately owned property, operated by CAP or its members on an Air Force noncombat mission, or other specified Air Force authorized mission.
(b) Is for personal services or expenses incurred by CAP or its members while engaged in an Air Force noncombat mission, or other specified Air Force authorized mission.
(c) Arises out of a CAP incident based solely on government ownership of property on loan to CAP.
(d) Arises from a CAP activity not performed as a noncombat mission of the Air Force or as a specified Air Force authorized mission. These claims are sent to HQ CAP–USAF/JA for referral to CAP’s private insurer, with a copy of the transmittal letter to HQ USAF/JACC.

§ 842.144 Scope of this subpart.
It tells how to make an advance payment before a claim is filed or finalized under the Military Claims, Foreign Claims and National Guard Claims Acts.

§ 842.145 Delegation of authority.
(a) The Secretary of the Air Force has authority to make an advance payment of $100,000 or less.
(b) The Judge Advocate General has delegated authority to make an advance payment of $100,000 or less.
(c) The following individuals have delegated authority to make an advance payment of $25,000 or less:
(1) The Deputy Judge Advocate General.
(2) The Director of Civil Law.
(3) The Chief, Deputy Chief, and Branch Chiefs, Claims and Tort Litigation Staff.
(4) SJA of 9AF for CENTCOM, and the SJAs of PACAF and USAFE.
(d) This authority may be redelegated either orally or in writing. Oral redelegations should be confirmed in writing as soon as practical.

§ 842.146 Who may request.
A proper claimant or authorized agent may request an advance payment.

§ 842.147 When authorized.
Make advance payments only where all of the following exist:
(a) The potential claimant could file a valid claim for property damage or personal injury under the Military Claims, Foreign Claims, or National Guard Claims Acts.
(b) The potential claimant has an immediate need amounting to a hardship for food, shelter, medical or burial expenses, or other necessities. In the case of a commercial enterprise, severe financial loss or bankruptcy will result if the Air Force does not make an advance payment.
(c) Other resources for such needs are not reasonably available.
§ 845.3 Responsibility.

(a) Requests for provision of counsel, provision of bail, or payment of expenses will ordinarily be made by the defendant or accused through appropriate channels to the officer exercising general court-martial jurisdiction over him. This officer shall determine whether the request meets the criteria prescribed herein and, based upon such determination, shall take final action approving or disapproving the request. Within their geographical areas of responsibility, major commands in the interest of obtaining prompt and effective legal service may appoint as approval authority, instead

845.8 Payment of counsel fees and other expenses.
845.9 Appropriated funds chargeable.
845.10 Reimbursement.

§ 845.4 Criteria for the provision of counsel and payment of expenses in criminal cases.

Requests for the provision of counsel and payment of expenses in criminal cases may be approved in pretrial, trial, appellate and posttrial proceedings in any one of the following criminal cases:

(a) Where the act complained of occurred in the performance of official duty; or

(b) Where the sentence which is normally imposed includes confinement, whether or not such sentence is suspended; or

(c) Where capital punishment might be imposed; or

(d) Where an appeal is made from any proceeding in which there appears to have been a denial of the substantial rights of the accused; or

(e) Where conviction of the offense alleged could later form the basis for administrative discharge proceedings for misconduct as a result of civil court disposition; or

(f) Where the case, although not within the criteria established in paragraphs (a), (b), (c), (d), or (e) of this section, is considered to have significant impact upon the relations of US forces with the host country or is considered to involve any other particular US interest.

§ 845.5 Provision of bail in criminal cases.

Funds for the posting of bail or bond to secure the release of personnel from confinement by foreign authorities before, during, or after trial may be furnished in all criminal cases. Safeguards should be imposed to assure that at the conclusion of the proceedings or on the appearance of the defendant in court, the bail or bond will be refunded to the military authorities. Bail will be provided only to guarantee the presence of the defendant and will not be provided to guarantee the payment of fines or civil damages. Local US military authorities are expected to provide bail, in any case, only after other reasonable efforts have been made to secure release of pretrial custody to the US.

§ 845.6 Criteria for the provision of counsel and payment of expenses in civil cases.

Requests for provision of counsel and payment of expenses in civil cases may be granted in trial and appellate proceedings in either of the following civil cases:

(a) Where the act complained of occurred in the performance of official duty; or

(b) Where the case is considered to have a significant impact upon the relations of US forces with the host country or is considered to involve any other particular US interest. No funds shall be provided under this part in cases where the United States of America is in legal effect the defendant, without prior authorization of the Judge Advocate General.

§ 845.7 Procedures for hiring counsel and obligating funds.

(a) The selection of individual trial or appellate counsel will be made by the defendant. Such counsel shall represent the individual defendant and not the US Government. Selection shall be made from approved lists of attorneys who are qualified, competent and experienced in trial practice, and admitted for full practice, on their own account, before the courts of the foreign country involved. Normally, these lists will be coordinated with the local court or bar association, if any, and the appropriate US Diplomatic or Consular Mission and
§ 845.8 Payment of counsel fees and other expenses.

Payment of bills submitted by the selected counsel and other costs shall be made in accordance with the general provision of AFM 177–102 (Commercial Transactions at Base Level), relating to payment of contractual obligations and pertinent disbursing regulations. All payments under these procedures will be in local currency. Acceptance of services procured under these procedures shall be certified to by the officer responsible under §845.3 (or his designee). Payments of bail may be made when authorized by such officers. Such authorization shall be in the form of a

§845.8 Payment of counsel fees and reasonable expenses and a statement that both fees and expenses will conform to those paid by local nationals under similar circumstances and will not exceed local fee schedules, if any. If this document does not include an agreed estimate of counsel fees and other reasonable expenses, an estimate will be provided by the contracting officer. A copy of the document, together with the estimate, will be furnished the accounting component and will serve as the commitment document for the reservation of funds.

(d) The provision of counsel and payment of expenses under this part is not subject to the provisions of the Defense Acquisition Regulation (subchapter A, chapter I of this title). However, the contract clauses set forth in part 5, section VII, Defense Acquisition Regulation, may be used as a guide in contracting.

(e) Because of the desirability of timely procedural action, it is suggested that there be designated, from among the judge advocates on the staffs of officers responsible under §845.3, contracting officers with contracting authority limited to agreements described in this section. The effect of this designation would be to combine within one office the duties of contracting officer and judge advocate.

(f) Nothing in this part shall be construed as prohibiting the selection of qualified local counsel employed by the United States Government, if the serviceman freely selects such counsel.
§ 845.9 Appropriated funds chargeable.

Authorized expenses incurred incident to implementation of the policies set forth in this part, including transportation and per diem expenses of trial observers, interpreters, and local counsel employees, shall be paid from appropriated funds of the service to which the defendant belongs. Payments shall be made from the appropriation current at time of payment, unless obligations for authorized costs have previously been established. Refunds shall be processed as appropriation refund. Such funds are chargeable to the base for operation and maintenance purposes (O&M or R&D, as applicable).

§ 845.10 Reimbursement.

No reimbursement will ordinarily be required from individuals with respect to payments made in their behalf under this part. However, prior to the posting of bail on behalf of a defendant, a signed agreement shall be secured from him wherein he agrees to remit the amount of such bail or permit the application of so much of his pay as may be necessary to reimburse the Government in the event that he willfully causes forfeiture of bail. In the event of such forfeiture, bail provided under this part shall be recovered from the defendant in accordance with that agreement. The agreement should include a statement that it does not prejudice the defendant’s right to appeal to the Comptroller General of the United States and the courts after such payment or deduction has been made, if he considers the amount erroneous.

§ 845.11 Correspondence.

Judge advocates who advise officers responsible under §845.3 are authorized to correspond directly with each other and with the Judge Advocate General of the service concerned for advice with regard to payment of counsel fees and other expenses.

§ 855.2 Responsibilities.

(a) As the program manager for joint use, the Civil Aviation Branch, Bases and Units Division, Directorate of Operations (HQ USAF/XOOBC), ensures that all impacts have been considered and addressed before forwarding a joint-use proposal or agreement to the Deputy Assistant Secretary for Installations (SAF/MII), who holds decision authority. All decisions are subject to the environmental impact analysis process as directed by the Environmental Planning Division, Directorate of Environment (HQ USAF/CEVP), and the Deputy Assistant Secretary for Environment, Safety, and Occupational Health (SAF/MIQ). The Air Force Real Estate Agency (AFREA/MI) handles the leases for Air Force-owned land or facilities that may be included in an agreement for joint use.

(b) HQ USAF/XOOBC determines the level of decision authority for landing permits. It delegates decision authority for certain types of use to major commands and installation commanders.

(c) HQ USAF/XOOBC makes the decisions on all requests for exceptions or waivers to this part and related Air Force instructions. The decision process includes consultation with other affected functional area managers when required. Potential impacts on current and future Air Force policies and operations strongly influence such decisions.

(d) Major commands, direct reporting units, and field operating agencies may issue supplements to establish command-unique procedures permitted by and consistent with this part.

§ 855.3 Applicability.

This part applies to all regular United States Air Force (USAF), Air National Guard (ANG), and United States Air Force Reserve (USAFR) installations with airfields. This part also applies to civil aircraft use of Air Force ramps at civil airports hosting USAF, ANG, and USAFR units.

Subpart B—Civil Aircraft Landing Permits

§ 855.4 Scope.

Air Force airfields are available for use by civil aircraft so far as such use does not interfere with military operations or jeopardize the military utility of the installation. Access will be granted on an equitable basis. Air Force requirements take precedence over authorized civil aircraft use. This part carries the force of US law, and exceptions are not authorized without prior approval from the Civil Aviation Branch, Bases and Units Division, Directorate of Operations, (HQ USAF/XOOBC), 1480 Air Force Pentagon, Washington DC 20330–1480. Proposed exceptions or waivers are evaluated as to current and future impact on Air Force policy and operations.

§ 855.5 Responsibilities and authorities.

(a) The Air Force:

(1) Determines whether civil aircraft use of Air Force airfields is compatible with current and planned military activities.

(2) Normally authorizes civil aircraft use of Air Force airfields only in support of official Government business. If exceptional circumstances warrant, use for other purposes may be authorized.

(3) Acts as clearing authority for civil aircraft use of Air Force airfields, subject to the laws and regulations of the US, or to applicable international agreements (e.g., status of forces agreements) with the country in which the Air Force installation is located.
(4) Reserves the right to suspend any operation that is inconsistent with national defense interests or deemed not in the best interests of the Air Force. 
(5) Will terminate authority to use an Air Force airfield if the: 
   (i) User’s liability insurance is canceled. 
   (ii) User lands for other than the approved purpose of use or is otherwise in violation of this part or clearances and directives hereunder. 
   (6) Will not authorize use of Air Force airfields: 
      (i) In competition with civil airports by providing services or facilities that are already available in the private sector. 
      (ii) Solely for the convenience of passengers or aircraft operator. 
      (iii) Solely for transient aircraft servicing. 
      (iv) By civil aircraft that do not meet US Department of Transportation operating and airworthiness standards. 
      (v) That selectively promotes, benefits, or favors a specific commercial venture unless equitable consideration is available to all potential users in like circumstances. 
      (vi) For unsolicited proposals in procuring Government business or contracts. 
      (vii) Solely for customs-handling purposes. 
      (viii) When the air traffic control tower and base operations are closed or when a runway is restricted from use by all aircraft. 
   NOTE: Use to conduct business with or for the US Government is not considered as competition with civil airports. 
   (5) Not assume that the landing clearance granted by an air traffic control tower facility is a substitute for either the approved civil aircraft landing permit or approval from the installation commander or a designated representative (normally base operations) at least 24 hours prior to arrival. 
   (2) Ensure that pavement load-bearing capacity will support the aircraft to be operated at the Air Force airfield. 
   (3) Ensure that aircraft to be operated at Air Force airfields are equipped with an operating two-way radio capable of communicating with the air traffic control tower. 
   (4) Obtain final approval for landing from the installation commander or a designated representative (normally base operations) at least 24 hours prior to arrival. 
   (5) Not assume that the landing clearance granted by an air traffic control tower facility is a substitute for either the approved civil aircraft landing permit or approval from the installation commander or a designated representative (normally base operations). 
   (6) Obtain required diplomatic or overflight clearance before operating in foreign airspace. 
   (7) Pay applicable costs and fees. 
   (8) File a flight plan before departing the Air Force airfield. 
   Note: Use to conduct business with or for the US Government is not considered as competition with civil airports. 
   (c) The installation commander or a designated representative: 
      (1) Exercises administrative and security control over both the aircraft and passengers while on the installation. 
      (2) May require civil users to delay, reschedule, or reroute aircraft arrivals or departures to preclude interference with military activities. 
      (3) Cooperates with customs, immigration, health, and other public authorities in connection with civil aircraft arrival and departure. 
   (d) Decision Authority: The authority to grant civil aircraft use of Air Force airfields is vested in: 
      (1) Directorate of Operations, Bases and Units Division, Civil Aviation Branch (HQ USAF/XOOBC). HQ USAF/ XOOBC may act on any request for civil aircraft use of an Air Force airfield. Decision authority for the following will not be delegated below HQ USAF: 
         (i) Use of multiple Air Force airfields except as designated in paragraph (d)(2) of this section.
§ 855.6 Aircraft exempt from the requirement for a civil aircraft landing permit.

(a) Any aircraft owned by:

(1) Any other US Government agency.

Note: This includes aircraft owned by individuals but leased by an Air Force aero club.

(3) Aero clubs of other US military services.

Note: This includes aircraft owned by individuals but leased by Army or Navy aero clubs.

(b) Any civil aircraft under:

(1) Lease or contractual agreement for exclusive US Government use on a

\(^1\)Copies of the publications are available, at cost, from the National Technical Information Service, U.S. Department of Commerce, 5285 Port Royal Road, Springfield, VA 22161.
§ 855.10 Purpose of use.

The purposes of use normally associated with civil aircraft operations at Air Force airfields are listed in Table 1. Requests for use for purposes other than those listed will be considered and may be approved if warranted by unique circumstances. A separate DD Form 2401 is required for each purpose of use. (Users can have multiple DD Forms 2401 that are covered by a single DD Form 2400 and DD Form 2402.)

2See footnote 1 to §855.6.
§ 855.11 Insurance requirements.

Applicants must provide proof of third-party liability insurance on a DD Form 2400, with the amounts stated in US dollars. The policy number, effective date, and expiration date are required. The statement “until canceled” may be used in lieu of a specific expiration date. The geographic coverage must include the area where the Air Force airfield of proposed use is located. If several aircraft or aircraft types are included under the same policy, a statement such as “all aircraft owned,” “all aircraft owned and or operated,” “all non-owned aircraft,” or “all aircraft operated,” may be used in lieu of aircraft registration numbers. To meet the insurance requirements, either split limit coverage for bodily injury (individuals outside the aircraft), property damage, and passengers, or a single limit coverage is required. The coverage will be at the expense of the user with an insurance company acceptable to the Air Force. Coverage must be current during the period the Air Force airfield will be used. The liability required is computed on the basis of aircraft maximum gross takeoff weight (MGTOW) and passenger or cargo configuration. Minimum coverage will not be less than the amount indicated in Table 2 to this part.

(a) Any insurance presented as a single limit of liability or a combination of primary and excess coverage will be an amount equal to or greater than the each accident minimums indicated in Table 2 to this part for bodily injury (individuals outside the aircraft), property damage, and passengers.

(b) The policy will specifically provide that:

(1) The insurer waives any right of subrogation it may have against the US by reason of any payment made under the policy for injury, death, or property damage that might arise, out of or in connection with the insured’s use of any Air Force airfield.

(2) The insurance afforded by the policy applies to the liability assumed by the insured under DD Form 2402.

(3) If the insurer or the insured cancels or reduces the amount of insurance afforded under the listed policy before the expiration date indicated on DD Form 2400, the insurer will send written notice of policy cancellation or coverage reduction to the Air Force approving authority at least 30 days before the effective date of the cancellation or reduction. The policy must state that any cancellation or reduction will not be effective until at least 30 days after such notice is sent.

§ 855.12 Processing a permit application.

Upon receipt of an application (DD Forms 2400, 2401, and 2402) for use of an Air Force airfield, the decision authority:

(a) Determines the availability of the airfield and its capability to accommodate the purpose of use requested.

(b) Determines the validity of the request and ensures all entries on DD Forms 2400, 2401, and 2402 are in conformance with this part.

(c) Approves DD Form 2401 (with conditions or limitations noted) by completing all items in Section II—For Use by Approving Authority as follows:

(1) Period of Use (Block 7): The “From” date will be either the first day of approved use or the first day of insurance coverage. The “From” date cannot precede the first day of insurance coverage shown on the DD Form 2400. The “Thru” date is determined by the insurance expiration date and or the purpose of use. For example, the period of use for participants in an Air Force open house will be determined by both insurance coverage and open house dates. The permit would be issued only for the duration of the open house but must not precede or exceed the dates of insurance coverage. Many insurance policies terminate at noon on the expiration date. Therefore, if the insurance expiration is used to determine the permit expiration date, the landing permit will expire one day before the insurance expiration date shown on the DD Form 2400. If the insurance expiration date either exceeds 2 years or is indefinite (for example, “until canceled”), the landing permit will expire 2 years from the issue date or first day of coverage.

(2) Frequency of Use (Block 8) is normally “as required” but may be more specific, such as “one time.”
(3) Identification Number (Block 9): Installation commanders or a designated representative assign a permit number comprised of the last three letters of the installation’s International Civil Aviation Organization identifier code, the last two digits of the calendar year, a number sequentially assigned, and the letter suffix that indicates the purpose of use (Table 1); for example, ADW 95–01C, MAJCOMs, FOAs, DRUs, and USDAOs use a three position organization abbreviation; such as AMC 95–02K.

(4) DD Form 2400 (Dated and Filed) (Block 11a): This block should contain the date from block 1 (Date Issued) on the DD Form 2400 and the identification of the unit or base where the form was approved; i.e., 30 March 1995, HQ USAF/XOOBC.

(5) DD Form 2402 (Dated and Filed) (Block 11b): This block should contain the date from block 4 (Date Signed) on the DD Form 2402 and the identification of the unit or base where the form was approved; i.e., 30 March 1995, HQ USAF/XOOBC.

(6) SA-ALC/SFR, 1014 Andrews Road, Building 1621, Kelly AFB TX 78241–5603 publishes the list of companies authorized to purchase Air Force fuel on credit. Block 12 should be marked “yes” only if the permit holder’s name appears on the SA-ALC list.

(7) Landing Fees, Block 13, should be marked as indicated in Table 1 to this part.

(8) Permit Amendments: New entries or revisions to an approved DD Form 2401 may be made only by or with the consent of the approving authority.

(d) Provides the applicant with written disapproval if:

(1) Use will interfere with operations, security, or safety.

(2) Adequate civil facilities are collocated.

(3) Purpose of use is not official Government business and adequate civil facilities are available in the proximity of the requested Air Force airfield.

(4) Use will constitute competition with civil airports or air carriers.

(5) Applicant has not fully complied with this part.

(e) Distributes the approved DD Form 2401 before the first intended landing, when possible, as follows:

(1) Retains original.

(2) Returns two copies to the user.

(3) Provides a copy to HQ USAF/XOOBC.

Note: HQ USAF/XOOBC will provide a computer report of current landing permits to the MAJCOMs, FOAs, DRUs, and installations.

§ 855.13 Civil fly-ins.

(a) Civil aircraft operators may be invited to a specified Air Force airfield for:

(1) A base open house to perform or provide a static display.

(2) A flying safety seminar.

(b) Civil fly-in procedures:

(1) The installation commander or a designated representative:

(i) Requests approval from the MAJCOM, FOA, or DRU with an information copy to HQ USAF/XOOBC/XOOO and SAF/PAC.

(ii) Ensures that DD Form 2402 is completed by each user.

Note: DD Forms 2400 and 2401 are not required for fly-in participants if flying activity consists of a single landing and takeoff with no spectators other than flightline or other personnel required to support the aircraft operations.

(2) The MAJCOM, FOA, or DRU ensures HQ USAF/XOOBC/XOOO and SAF/PAC are advised of the approval or disapproval for the fly-in.

(3) Aerial performance by civil aircraft at an Air Force open house requires MAJCOM or FOA approval and an approved landing permit as specified in AFI 35–201, Community Relations³. Regardless of the aircraft’s historic military significance, DD Forms 2400, 2401, and 2402 must be submitted and approved before the performance. The permit can be approved at MAJCOM, FOA, DRU, or installation level. Use will be authorized only for the period of the event. Fly-in procedures do not apply to aircraft transporting passengers (revenue or non-revenue) for the purpose of attending the open house or demonstration flights associated with marketing a product.

§ 855.14 Unauthorized landings.

(a) Unauthorized landing procedures.

The installation commander or a designated representative will identify an
unauthorized landing as either an emergency landing, an inadvertent landing, or an intentional landing. An unauthorized landing may be designated as inadvertent or intentional whether or not the operator has knowledge of the provisions of this part, and whether or not the operator filed a flight plan identifying the installation as a destination. Aircraft must depart the installation as soon as practical. On all unauthorized landings, the installation commander or a designated representative:

(1) Informs the operator of Subpart B procedures and the requirement for notifying the Federal Aviation Administration (FAA) as specified in section 6 of the FAA Airman’s Information Manual.

(2) Notifies the Federal Aviation Flight Standards District Office (FSDO) by telephone or telefax, followed by written notification using FAA Form 8020–9, 8020–11, or 8020–17, as appropriate. A copy of the written notification must be provided to HQ USAF/XOOBC.

(3) Ensures the operator completes a DD Form 2402, and collects applicable charges. (In some instances, it may be necessary to arrange to bill the user for the appropriate charges.) DD Form 2402 need not be completed for commercial carriers if it is known that the form is already on file at HQ USAF/XOOBC.

(4) In a foreign country, notifies the local US Defense Attache Office (USDAO) by telephone or telefax and, where applicable, the appropriate USDAO in the country of aircraft registry, followed by written notification with an information copy to HQ USAF/XOOBC and the civil aviation authority of the country or countries concerned.

(b) Emergency landings. Any aircraft operator who experiences an inflight emergency may land at any Air Force airfield without prior authorization (approved DD Form 2401 and 24 hours prior notice). An inflight emergency is defined as a situation that makes continued flight hazardous.

(1) The Air Force will use any method or means to clear an aircraft or wreckage from the runway to preclude interference with essential military operations after coordinating with the FSDO and National Transportation Safety Board. Removal efforts will minimize damage to the aircraft or wreckage; however, military or other operational factors may be overriding.

(2) An operator making an emergency landing:

(i) Is not charged a landing fee.

(ii) Pays all costs for labor, material, parts, use of equipment and tools, and so forth, to include, but not limited to:

(A) Spreading foam on the runway.

(B) Damage to runway, lighting, and navigation aids.

(C) Rescue, crash, and fire control services.

(D) Movement and storage of aircraft.

(E) Performance of minor maintenance.

(F) Fuel or oil (AFM 67–1, vol 1, part three, chapter 1, Air Force Stock Fund and DPSC Assigned Item Procedures4).

(c) Inadvertent unauthorized landings. (1) The installation commander or a designated representative may determine a landing to be inadvertent if the aircraft operator:

(i) Landed due to flight disorientation.

(ii) Mistook the Air Force airfield for a civil airport.

(2) Normal landing fees must be charged and an unauthorized landing fee may be assessed to compensate the Government for the added time, effort, and risk involved in the inadvertent landing. Only the unauthorized landing fee may be waived by the installation commander or a designated representative if, after interviewing the pilot-in-command and appropriate Government personnel, it is determined that flying safety was not significantly impaired. The pilot-in-command may appeal the imposition of an unauthorized landing fee for an inadvertent landing to the MAJCOM, FOA, or DRU whose decision will be final. A subsequent inadvertent landing will be processed as an intentional unauthorized landing.

(d) Intentional unauthorized landings. (1) The installation commander may categorize an unauthorized landing as intentional when there is unequivocal evidence that the pilot deliberately:

4See footnote 1 to §855.6.
§ 855.17 Fees for landing, parking, and storage.

(a) Landing, parking, and storage fees (Tables 3 and 4 to this part) are determined by aircraft maximum gross takeoff weight (MGTOW). All fees are normally due and collectable at the time of use of the Air Force airfield. DD Form 1131, Cash Collection Voucher, is used to deposit the fees with the base accounting and finance officer. In some instances, it may be necessary to bill the user for charges incurred.

(b) Landing fees are not charged when the aircraft is operating in support of official Government business or for any purpose, the cost of which is subject to reimbursement by the US
§ 855.18 Government. Parking and Storage Fees (Table 4 to this part) are charged if an aircraft must remain beyond the period necessary to conduct official Government business and for all non-official Government business operations.

§ 855.18 Aviation fuel and oil purchases.

When a user qualifies under the provisions of AFM 67–1, vol. 1, part three, chapter 1, Air Force Stock Fund and DPSC Assigned Item Procedures, purchase of Air Force fuel and oil may be made on a cash or credit basis. An application for credit authority can be filed by submitting an Authorized Credit Letter to SA–ALC/SFRL, 1014 Andrews Road, Building 3621, Kelly AFB TX 78241–5603.

§ 855.19 Supply and service charges.

Supplies and services furnished to a user will be charged for as prescribed in AFM 67–1, volume 1, part one, chapter 10, section N, Basic Air Force Supply Procedures, and AFR 177–102, paragraph 28.24, Commercial Transactions at Base Level. A personal check with appropriate identification, cashier’s check, money order, or cash are acceptable means of payment. Charges for handling foreign military sales cargo are prescribed in AFR 170–3, Financial Management and Accounting for Security Assistance and International Programs.

Subpart C—Agreements for Civil Aircraft Use of Air Force Airfields

§ 855.20 Joint-use agreements.

An agreement between the Air Force and a local Government agency is required before a community can establish a public airport on an Air Force airfield.

(a) Joint use of an Air Force airfield will be considered only if there will be no cost to the Air Force and no compromise of mission capability, security, readiness, safety, or quality of life. Further, only proposals submitted by authorized representatives of local Government agencies eligible to sponsor a public airport will be given the comprehensive evaluation required to conclude a joint use agreement. All reviewing levels will consider and evaluate such requests on an individual basis.

(b) Generally, the Air Force is willing to consider joint use at an airfield if it does not have pilot training, nuclear storage, or a primary mission that requires a high level of security. Civil operations must begin within 5 years of the effective date of an agreement. Operational considerations will be based on the premise that military aircraft will receive priority handling (except in emergencies), if traffic must be adjusted or resequenced. The Air Force normally will not consider personnel increases solely to support civil operations but, if accommodated, all costs must be fully reimbursed by the joint-use sponsor. The Air Force will not provide personnel to install, operate, maintain, alter, or relocate navigation equipment or aircraft arresting systems for the sole use of civil aviation. Changes in equipment or systems to support the civil operations must be funded by the joint-use sponsor. The Air Force must approve siting, design, and construction of the civil facilities.

§ 855.21 Procedures for sponsor.

To initiate consideration for joint use of an Air Force airfield, a formal proposal must be submitted to the installation commander by a local Government agency eligible to sponsor a public airport. The proposal must include:

(a) Type of operation.

(b) Type and number of aircraft to be located on or operating at the airfield.

(c) An estimate of the number of annual operations for the first 5 years.

§ 855.22 Air Force procedures.

(a) Upon receipt of a joint-use proposal, the installation commander, without precommitment or comment, will send the documents to the Air Force Representative (AFREP) at the Federal Aviation Administration (FAA) Regional Office within the geographical area where the installation is located. AFI 13–201, Air Force Airspace
Management,8 lists the AFREPs and their addresses. The installation commander must provide an information copy of the proposal to HQ USAF/XOOBC, 1480 Air Force Pentagon, Washington DC 20330–1480.

(b) The AFREP provides comments to the installation commander on airspace, air traffic control, and other related areas, and informs local FAA personnel of the proposal for joint use.

(c) The installation, the numbered Air Force, and the major command (MAJCOM) will then evaluate the proposal. The MAJCOM will send the comments and recommendations from all reviewing officials to HQ USAF/XOOBC.

(d) Factors considered in evaluating joint use include, but are not limited to:

1. Impact on current and programmed military activities at the installation.
2. Compatibility of proposed civil aviation operations with present and planned military operations.
3. Compatibility of communications systems.
4. Instrument capability of crew and aircraft.
5. Runway and taxiway configuration. (Installations with single runways normally will not be considered for joint use.)
6. Security. The possibility for sabotage, terrorism, and vandalism increases with joint use; therefore, joint use will not be considered:
   (i) If military and civil aircraft would be collocated in hangars or on ramps.
   (ii) If access to the civil aviation facilities would require routine transit through the base.
7. Fire, crash, and rescue requirements.
8. Availability of public airports to accommodate the current and future air transportation needs of the community through construction or expansion.

Note: The majority of land required for a terminal and other support facilities must be located outside the installation perimeter or at a site that will allow maximum separation of military and civil activities. If the community does not already own the needed land, it must be acquired at no expense to the Air Force. The Air Force may make real property that is not presently needed, but not excess, available by lease under 10 U.S.C. 2907. An application for lease of Air Force real property must be processed through the chain of command to the Air Force Real Estate Agency, 172 Luke Avenue, Suite 104, Building 368, Rolling AFB DC 20332–3113, as prescribed in AFI 32–9003, Granting Temporary Use of Air Force Real Property9. All real property outleases require payment of fair market consideration and normally are processed through the Corps of Engineers. The General Services Administration must be contacted regarding availability of excess or surplus Federal real property and an application submitted through FAA for an airport use public benefit transfer under 49 U.S.C. §47151–47153.

10. Sponsor’s resources to pay a proportionate share of costs for runway operation and maintenance and other jointly used facilities or otherwise provide compensation that is of direct benefit to the Government.

(e) When the Air Force determines that joint use may be compatible with its defense mission, the environmental impact analysis process must be completed before a final decision can be made. The Air Force will act as lead agency for the preparation of the environmental analysis (32 CFR part 989, Environmental Impact Analysis Process). The local Government agency representatives, working in coordination with Air Force personnel at the installation and other concerned local or Federal officials, must identify the proposed action, develop conceptual alternatives, and provide planning, socio-economic, and environmental information as specified by the appropriate MAJCOM and HQ USAF/CEVP. The information must be complete and accurate in order to serve as a basis for the preparation of the Air Force environmental documents. All costs associated with the environmental studies required to complete the environmental impact analysis process must be paid by the joint use sponsor. Information on environmental analysis requirements is available from HQ USAF/CEVP, 1260 Air Force Pentagon, Washington DC 20330–1260.

8See footnote 1 to §855.6.

9See footnote 1 to §855.6.
§ 855.23

(f) HQ USAF/XOOBC can begin negotiating a joint-use agreement after the environmental impact analysis process is completed. The agreement must be concluded on behalf of the Air Force by SAF/MII as the approval authority for use of Air Force real property for periods exceeding 5 years. The joint-use agreement will state the extent to which the provisions of subpart B of this part, Civil Aircraft Landing Permits, apply to civil aircraft operations.

(1) Joint-use agreements are tailored to accommodate the needs of the community and minimize the impact on the defense mission. Although each agreement is unique, attachment 4 to this part provides basic terms that are frequently included in such agreements.

(2) Agreements for joint use at Air Force airfields on foreign soil are subject to the requirements of AFI 51–701, Negotiating, Concluding, Reporting, and Maintaining International Agreements.

(g) HQ USAF/XOOBC and SAF/MII approval is required to amend existing joint use agreements. The evaluation and decision processes followed in concluding an initial joint-use proposal must be used to amend existing joint-use agreements.

§ 855.23 Other agreements.

(a) Temporary use of Air Force runways occasionally is needed for extended periods when a local civil airport is unavailable or to accommodate special events or projects. Such use requires agreement between the Air Force and the local airport authority or other equivalent responsible entity.

(b) The local proponent and Air Force personnel should draft and submit an agreement to the MAJCOM Director for Operations, or equivalent level, for review and comment. The agreement must address all responsibilities for handling aircraft, cargo, and passengers, and hold the Air Force harmless of all liabilities. The agreement will not exceed 3 years. Although each agreement will be unique, attachment 5 of this part provides one example. The draft agreement, with all comments and recommendations, must be sent to HQ USAF/XOOBC for final approval.

a. Provide minimum official welcoming party.

ATTACHMENT 4 TO PART 855—SAMPLE JOINT-USE AGREEMENT

Joint-Use Agreement Between an Airport Sponsor and the United States Air Force

This Joint Use Agreement is made and entered into this _ day of _ 19___, by and between the Secretary of the Air Force, for and on behalf of the United States of America (“Air Force”) and an airport sponsor (“Sponsor”) a public body eligible to sponsor a public airport.

WHEREAS, the Air Force owns and operates the runways and associated flight facilities (collectively “flying facilities”) located at Warbucks Air Force Base, USA (“WAFB”); and

WHEREAS, Sponsor desires to use the flying facilities at WAFB to permit operations by general aviation aircraft and commercial air carriers (scheduled and nonscheduled) jointly with military aircraft; and

WHEREAS, the Air Force considers that this Agreement will be in the public interest, and is agreeable to joint use of the flying facilities at WAFB; and

WHEREAS, this Agreement neither addresses nor commits any Air Force real property or other facilities that may be required for exclusive use by Sponsor to support either present or future civil aviation operations and activities in connection with joint use; and

WHEREAS, the real property and other facilities needed to support civil aviation operations are either already available to or will be diligently pursued by Sponsor;

NOW, THEREFORE, it is agreed:

1. Joint Use

a. The Air Force hereby authorizes Sponsor to permit aircraft equipped with two-way radios capable of communicating with the WAFB Control Tower to use the flying facilities at WAFB, subject to the terms and conditions set forth in this Agreement and those Federal Aviation Regulations (FAR) applicable to civil aircraft operations. Civil aircraft operations are limited to 20,000 per calendar year. An operation is a landing or a takeoff.

b. Aircraft using the flying facilities of WAFB under the authority granted to Sponsor by this Agreement shall be entitled to use those for landings, takeoffs, and movement of aircraft and will normally park only in the area made available to Sponsor and designated by them for that purpose.

c. Government aircraft taking off and landing at WAFB will have priority over all civil aircraft at all times.

d. All ground and air movements of civil aircraft using the flying facilities of WAFB under this Agreement, and movements of all other vehicles across Air Force taxways, will be controlled by the WAFB Control Tower. Civil aircraft activity will coincide with the WAFB Control Tower hours of operation. Any additional hours of the WAFB Control Tower or other essential airfield management, or operational requirements beyond those needed by the Air Force, shall be arranged and funded (or reimbursed) by Sponsor. These charges, if any, shall be in addition to the annual charge in paragraph 2 and payable not less frequently than quarterly.

e. No civil aircraft may use the flying facilities for training.

f. Air Force-owned airfield pavements made available for use under this Agreement shall be for use on an “as is, where is” basis. The Air Force will be responsible for snow removal only as required for Government mission accomplishment.

g. Dust or any other erosion or nuisance that is created by, or arises out of, activities or operations by civil aircraft using the flying facilities under this Agreement will be corrected by Sponsor at no expense to the Air Force, using standard engineering methods and procedures.
b. All phases of planning and construction of new runways and primary taxiways on Sponsor property must be coordinated with the WAFB Base Civil Engineer. Those intended to be jointly used by Air Force aircraft will be designed to support the type of military aircraft assigned to or commonly transient through WAFB.

1. Coordination with the WAFB Base Civil Engineer is required for planning and construction of new structures or exterior alteration of existing structures that are owned or leased by Sponsor.

j. Sponsor shall comply with the procedural and substantive requirements established by the Air Force, and Federal, State, interstate, and local laws, for the flying facilities of WAFB and any runway and flight facilities on Sponsor property with respect to the control of air and water pollution; noise; hazardous and solid waste management and disposal; and hazardous materials management.

k. Sponsor shall implement civil aircraft noise mitigation plans and controls at no expense to and as directed by the Air Force, pursuant to the requirements of the WAFB Air Installation Compatible Use Zone (AICUZ) study; the FAA Part 150 study; and environmental impact statements and environmental assessments, including supplements, applicable to aircraft operations at WAFB.

l. Sponsor shall comply, at no expense to the Air Force, with all applicable FAA security measures and procedures as described in the Airport Security Program for WAFB.

m. Sponsor shall not post any notices or erect any billboards or signs, nor authorize the posting of any notices or the erection of any billboards or signs at the airfield of any nature whatsoever, other than identification signs attached to buildings, without prior written approval from the WAFB Base Civil Engineer.

n. Sponsor shall neither transfer nor assign this Agreement without the prior written consent of the Air Force.

2. Payment

a. For the purpose of reimbursing the Air Force for Sponsor’s share of the cost of maintaining and operating the flying facilities of WAFB as provided in this Agreement, Sponsor shall pay, with respect to civil aircraft authorized to use those facilities under this Agreement, the sum of (specify sum) annually. Payment shall be made quarterly, in equal installments.

b. All payments due pursuant to this Agreement shall be payable to the order of the Treasurer of the United States of America, and shall be made to the Accounting and Finance Officer, WAFB, within thirty (30) days after each quarter. Quarters are deemed to end on December 31, March 31, June 30, and September 30. Payment shall be made promptly when due, without any deduction or setoff. Interest at the rate prescribed by the Secretary of the Treasury of the United States shall be due and payable on any payment required to be made under this Agreement that is not paid within ten (10) days after the date on which such payment is due and end on the day payment is received by the Air Force.

3. Services

Sponsor shall be responsible for providing services, maintenance, and emergency repairs for civil aircraft authorized to use the flying facilities of WAFB under this Agreement at no cost to the Air Force. If Air Force assistance is required to repair an aircraft, Sponsor shall reimburse the Air Force for all expenses of such services. Any required reimbursement shall be paid not less frequently than quarterly. These charges are in addition to the annual charge specified in paragraph 2.

4. Fire Protection and Crash Rescue

a. The Air Force maintains the level of fire fighting, crash, and rescue capability required to support the military mission at WAFB. The Air Force agrees to respond to fire, crash, and rescue emergencies involving civil aircraft outside the hangars or other structures within the limits of its existing capabilities, equipment, and available personnel, only at the request of Sponsor, and subject to subparagraphs b, c, and d below. Air Force fire fighting, crash, and rescue equipment and personnel shall not be routinely located in the airfield movement area during nonemergency landings by civil aircraft.

b. Sponsor shall be responsible for installing, operating, and maintaining, at no cost to the Air Force, the equipment and safety devices required for all aspects of handling, operating, and maintaining, at no cost to the Air Force, the equipment and personnel required to support the military mission at WAFB.

c. Sponsor agrees to release, acquit, and forever discharge the Air Force, its officers, agents, and employees from all liability arising out of or connected with the use of or failure to supply in individual cases, Air Force fire fighting and crash and rescue equipment or personnel for fire control and crash and rescue activities pursuant to this Agreement. Sponsor further agrees to indemnify, defend, and hold harmless the Air Force, its officers, agents, and employees against any and all claims, of whatever description, arising out of or connected with such use of, or failure to supply Air Force fire fighting and or crash and rescue equipment or personnel.

d. Sponsor will reimburse the Air Force for expenses incurred by the Air Force for fire
fighting and or crash and rescue materials expended in connection with providing such service to civil aircraft. The Air Force may, at its option, with concurrence of the National Transportation Safety Board, remove crashed civil aircraft from Air Force-owned pavements or property and shall follow existing Air Force directives and or instructions in recovering the cost of such removal.

e. Failure to comply with the above conditions upon reasonable notice to cure or termination of this Agreement under the provisions of paragraph 7 may result in termination of fire protection and crash and rescue response by the Air Force.

f. The Air Force commitment to assist Sponsor with fire protection shall continue only so long as a fire fighting and crash and rescue organization is authorized for military operations at WAFB. The Air Force shall have no obligation to maintain or provide a fire fighting, and crash and rescue organization or fire fighting and crash and rescue equipment; or to provide any increase in fire fighting and crash and rescue equipment or personnel; or to conduct training or inspections for purposes of assisting Sponsor with fire protection.

5. Liability and Insurance

a. Sponsor will assume all risk of loss and or damage to property or injury to or death of persons by reason of civil aviation use of the flying facilities of WAFB under this Agreement, including, but not limited to, risks connected with the provision of services or goods by the Air Force to Sponsor or to any user under this Agreement. Sponsor further agrees to indemnify and hold harmless the Air Force against, and to defend at Sponsor expense, all claims for loss, damage, injury, or death sustained by any individual or corporation or other entity and arising out of the use of the flying facilities of WAFB and or the provision of services or goods by the Air Force to Sponsor or to any user, whether the claims be based in whole, or in part, on the negligence or fault of the Air Force or its contractors or any of their officers, agents, and employees, or based on any concept of strict or absolute liability, or otherwise.

b. Sponsor will carry a policy of liability and indemnity insurance satisfactory to the Air Force, naming the United States of America as an additional insured party, to protect the Government against any of the aforesaid losses and or liability, in the sum of not less than (specify sum) bodily injury and property damage combined for any one accident. Sponsor shall provide the Air Force with a certificate of insurance evidencing such coverage. A new certificate must be provided on the occasion of policy renewal or change in coverage. All policies shall provide that: (1) No cancellation, reduction in amount, or material change in coverage thereof shall be effective until at least thirty (30) days after receipt of notice of such cancellation, reduction, or change by the installation commander at WAFB, (2) any losses shall be payable notwithstanding any act or failure to act or negligence of Sponsor or the Air Force or any other person, and (3) the insurer shall have no right of subrogation against the United States.

6. Term of Agreement

This Agreement shall become effective immediately and shall remain in force and effect for a term of 25 years, unless otherwise renegotiated or terminated under the provisions of paragraph 7, but in no event shall the Agreement survive the termination or expiration of Sponsor’s right to use, by license, lease, or transfer of ownership, of the land areas used in connection with joint use of the flying facilities of WAFB.

7. Renegotiation and Termination

a. If significant change in circumstances or conditions relevant to this Agreement should occur, the Air Force and Sponsor may enter into negotiations to revise the provisions of this Agreement, including financial and insurance provisions, upon sixty (60) days written notice to the other party. Any such revision or modification of this Agreement shall require the written mutual agreement and signatures of both parties. Unless such agreement is reached, the existing agreement shall continue in full force and effect, subject to termination or suspension under this section.

b. Notwithstanding any other provision of this Agreement, the Air Force may terminate this Agreement: (1) At any time by the Secretary of the Air Force, giving ninety (90) days written notice to Sponsor, provided that the Secretary of the Air Force determines, in writing, that paramount military necessity requires that joint use be terminated, or (2) at any time during any national emergency, present or future, declared by the President or the Congress of the United States, or (3) in the event that Sponsor ceases operation of the civil activities at WAFB for a period of one (1) year, or (4) in the event Sponsor violates any of the terms and conditions of this Agreement and continues and persists therein for thirty (30) days after written notification to cure such violation. In addition to the above rights, the Air Force may at any time suspend this agreement if violations of its terms and conditions by Sponsor create a significant danger to safety, public health, or the environment at WAFB.

c. The failure of either the Air Force or Sponsor to insist, in any one or more instances, upon the strict performance of any of the terms, conditions, or provisions of this
Agreement shall not be construed as a waiver or relinquishment of the right to the future performance of any such terms, conditions, or provisions. No provision of this Agreement shall be deemed to have been waived by either party unless such waiver be in writing signed by such party.

8. Notices
   a. No notice, order, direction, determination, requirement, consent, or approval under this Agreement shall be of any effect unless it is in writing and addressed as provided herein.
   b. Written communication to Sponsor shall be delivered or mailed to Sponsor addressed: The Sponsor, 9000 Airport Blvd, USA.
   c. Written communication to the Air Force shall be delivered or mailed to the Air Force addressed: Commander, WAFB, USA.

9. Other Agreements not Affected
   This Agreement does not affect the WAFB-Sponsor Fire Mutual Aid Agreement.

ATTACHMENT 5 TO PART 855—SAMPLE TEMPORARY AGREEMENT

Letter of Agreement for Temporary Civil Aircraft Operations at Warbucks AFB, USA

This letter of agreement establishes policies, responsibilities, and procedures for commercial air carrier operations at Warbucks AFB, USA, (WAFB) for the period (date) through (date) Military requirements will take precedence over civil aircraft operations. Should a conflict arise between air carrier and Air Force operational procedures, Air Force procedures will apply.

Authorized Users
The following air carriers are authorized use, provided they have a civil aircraft landing permit approved at HQ USAF/XOOBC for such use:

- Flyaway Airlines
- Recreation Airlines
- Economy Airlines
- PacAir Transport

Schedules
The Bunker International Airport (BIA) manager or air carrier station managers will ensure that the WAFB Airfield Manager is provided current airline schedules during the approved period of use. Every effort will be made to avoid disruption of the air carriers' schedules; however, it is understood that the installation commander will suspend or change flight plans when required to preclude interference with military activities or operations.

Passenger and Luggage Handling
The BIA terminal will be used for passenger loading and unloading. Security checks will be performed at the terminal before loading passengers on buses. Luggage on arriving aircraft will be directly offloaded onto vehicles and delivered to the BIA terminal. Each arriving and departing bus or vehicle caravan will be accompanied by a credentialed representative of the airline or BIA to ensure its integrity enroute. Buses or vehicles transporting passengers to board an aircraft will not depart WAFB until the passengers are airborne. Unless an emergency exists, arriving passengers will not deplane until the buses are available for transportation to the BIA terminal. All checked luggage will be picked up at BIA and delivered directly to the departing aircraft. Buses will proceed directly to the aircraft at WAFB alert ramp. Luggage on arriving aircraft will be directly offloaded onto a vehicle parked on the WAFB alert ramp. WAFB will be notified, in advance, if a local funeral home requires access for pickup or delivery of deceased persons.

AIRCRAFT HANDLING AND GROUND SUPPORT EQUIPMENT

Air Force-owned fuel will not be provided. The air carriers will provide their own ground support equipment. Refueling equipment from BIA will be prepositioned at WAFB on the alert ramp. The Air Force shall not be responsible for any damage or loss to such equipment, and BIA expressly assumes all risks of any such loss or damage and agrees to indemnify and hold the United States harmless against any such damage or loss. No routine aircraft maintenance will be accomplished at WAFB. Emergency repairs and or maintenance are only authorized to avoid extended parking and storage of civil aircraft at WAFB.

CUSTOMS AND SECURITY
The installation commander will exercise administrative and security control over both the aircraft and passengers on WAFB. Customs officials will be transported to and from the base by air carrier representatives. The installation commander will cooperate
with customer, health, and other public officials to expedite arrival and departure of the aircraft. Air carrier representatives will notify the WAFB Airfield Manager, in advance, of armed security or law enforcement officers arriving or departing on a flight. BIA officials and air carrier representatives must provide the WAFB Airfield Manager a list of employees, contractors, and vehicles requiring flightline access. Temporary passes will be issued to authorized individuals and vehicles.

Fire, Crash, and Rescue Services

BIA will provide technical information and training for WAFB Fire Department personnel prior to (date). Fire, Crash, and Rescue Services will be provided in an emergency, but fire trucks will not routinely park on the flightline for aircraft arrivals and departures. BIA will reimburse WAFB for all such services.

Liability and Indemnification

The Air Force shall not be responsible for damages to property or injuries to persons which may arise from or be incident to the use of WAFB by BIA under this Agreement, or for damages to the property of BIA or injuries to the person of BIA’s officers, agents, servants, employees, or invitees. BIA agrees to assume all risks of loss or damage to property and injury or death to persons by reason of or incident to the use of WAFB under this Agreement and expressly waives any and all claims against the United States for any such loss, damage, personal injury, or death caused by or occurring as a consequence of such use. BIA further agrees to indemnify, save, and hold the United States, its officers, agents, and employees harmless from and against all claims, demands, or actions, liabilities, judgments, costs, and attorneys fees, arising out of, claimed on account of, or in any manner predicated upon personal injury, death or property damage resulting from, related to, caused by, or arising out of the use of WAFB under this Agreement.

Fees

Landing and parking fees will be charged in accordance with AFI 10–1001, Civil Aircraft Landing Permits. Charges will be made in accordance with the appropriate Air Force Instructions for any services or supplies required from WAFB. The WAFB Airfield Manager will be responsible for consolidating all charges which will be billed to BIA not later than (date) by the Accounting and Finance Office.

In Witness Whereof, the respective duly authorized representatives of the parties hereto have executed this Agreement on the date set forth below opposite their respective signatures.

PART 861—DEPARTMENT OF DEFENSE COMMERCIAL AIR CARRIER QUALITY AND SAFETY REVIEW PROGRAM

Sec.

861.1 References.

861.2 Purpose.

861.3 DOD commercial air carrier quality and safety requirements.

861.4 DOD Commercial Airlift Review Board procedures.

Source: 57 FR 44683, Sept. 29, 1992, unless otherwise noted.

§ 861.2 Purpose.

Department of Defense Directive 4500.53, Commercial Passenger Airlift Management and Quality Control, charges the Commander, Air Mobility Command (AMC), with establishing safety standards and criteria for commercial passenger airlift service used by the Department of Defense. It also charges the Commander, AMC, jointly with the Commander, Military Traffic Management Command (MTMC), with establishing the Commercial Airlift Review Board and providing policy guidance and direction for its operation. This part establishes Department of Defense (DOD) quality and safety criteria for commercial air carriers providing or seeking to provide airlift services to the DOD. Included are the operating procedures of the Commercial Airlift Review Board (CARB). The CARB has the authority to suspend air carriers from DOD use.
§ 861.3 DOD commercial air carrier quality and safety requirements.

(a) DOD, as a customer of airlift services, expects an air carrier or operator soliciting for or doing business with the DOD to engage in quality programs and business practices that not only ensure good service but enhance the safety, operational, and maintenance standards established by the applicable Civil Aviation Agency Regulations (CARs). Accordingly, and as required by U.S. Public Law 99–661, the DOD has established a set of air carrier quality and safety requirements that reflect the type programs and practices the DOD seeks from air carriers or operators airlifting DOD resources.

(b) A DOD survey team will use the following requirements, the specifics of the applicable DOD contract or agreement, the CARs, and the experienced judgment of DOD personnel to evaluate an air carrier’s capability to perform for the DOD. The survey will also include, with the carrier’s coordination, observation of cockpit crew performance, as well as ramp inspections of selected company aircraft. A satisfactory on-site survey (audit) conducted by DOD personnel is prerequisite to participation in the DOD air transportation program. Surveys are conducted prior to an air carrier’s acceptance into the program; thereafter, surveys will be completed on a biennial basis and when otherwise required to validate adherence to DOD quality and safety requirements. DOD personnel will also assess these quality and safety requirements when conducting periodic commercial air carrier table-top performance evaluations.

(c) The size of an air carrier, along with the type and scope of operations, will be considered during the on-site survey. For example, while an air taxi/FAA part 135 air carrier may not have a formal flight control function, such as a 24-hour dispatch organization, that same air taxi is expected to demonstrate some kind of effective flight following capability. On the other hand, a major carrier/FAA part 121 air carrier is expected to have a formal flight control or dispatch function.

Both, however, will be evaluated based on the effectiveness and quality of whatever flight following function they do maintain.

(d) The air carrier requirements stated in this part provide the criteria against which would-be DOD air carrier contractors may be subjectively evaluated by the DOD. These requirements are neither all-inclusive nor are they inflexible in nature. They are not replacements for the certification criteria and other regulations established by civil aviation agencies; rather, these requirements are customer-developed and describe enhanced air carrier activities sought by the DOD.

Note: The term “Civil Aviation Agency (CAA)” is used throughout this part since these requirements are applicable to U.S. and international air carriers doing business with DOD. CAA includes the United States Federal Aviation Administration.

1. Quality and Safety Requirements—prior experience. Commercial air carriers or operators applying to conduct passenger or cargo business for the United States Department of Defense are required to possess 12 months of continuous service equivalent to the service sought by DoD. The service must have been performed for the 12 continuous months immediately prior to applying for DoD business. Prior experience must be equivalent in difficulty and complexity in regard to distance, weather systems, international or national procedures, similar aircraft, schedule demands, aircrew experience, and management required.

2. Quality and safety requirements—air carrier management. Management has clearly defined safety as the number one company priority, and safety is never sacrificed to satisfy passenger concern, convenience, or cost. Policies, procedures, and goals that enhance the CAA’s minimum operations and maintenance standards have been established and implemented. A cooperative response to CAA inspections, critiques, or comments is demonstrated. Proper support infrastructure, including facilities, equipment, parts, and qualified personnel, is provided at the certificate holder’s primary facility and en route stations. Personnel with aviation credentials and experience fill key management positions. An internal quality audit program or other method capable
of identifying in-house deficiencies and measuring the company’s compliance with their stated policies and standards has been implemented. Audit results are analyzed in order to determine the cause, not just the symptom, of any deficiency. The result of sound fiscal policy is evident throughout the company.

(3) **Quality and safety requirements—operations**—(i) **Flight safety.** Establish policies that promote flight safety. These policies are infused among all aircrew and operational personnel who translate the policies into practice. New or revised safety-related data are promptly disseminated to affected personnel who understand that deviation from any established safety policy is unacceptable. An audit system that detects unsafe practices is in place and a feedback structure informs management of safety policy results including possible safety problems. Management ensures that corrective actions resolve every unsafe condition.

(ii) **Flight operations.** Established flight operations policies and procedures are up-to-date, reflect the current scope of operations, and are clearly defined to aviation department employees. These adhered-to procedures are further supported by a flow of current, management-generated safety and operational communications. Managers are in touch with mission requirements, supervise crew selection, and ensure the risk associated with all flight operations is reduced to the lowest acceptable level. Flight crews are free from undue management pressure and are comfortable with exercising their professional judgment during flight activities, even if such actions do not support the flight schedule. Effective lines of communication permit feedback from line crews to operations managers. Personnel records are maintained and reflect such data as experience, qualifications, and medical status.

(iii) **Flight crew hiring.** Established procedures ensure that applicants are carefully screened, including a review of the individual’s health and suitability to perform flight crew duties. Consideration is given to the applicant’s total aviation background, appropriate experience, and the individual’s potential to perform safely. Freedom from alcohol abuse and illegal drugs is required. If new-hire cockpit crewmembers do not meet industry standards for experience and qualification, then increased training and management attention to properly qualify these personnel are required.

(iv) **Aircrew training.** Training, including recurrent training, that develops and refines skills designed to eliminate mishaps and improve safety is essential to a quality operation. Crew coordination training that facilitates full cockpit crews training and interacting together using standardized procedures and including the principles of Cockpit Resource Management (CRM) is required. Programs involving the use of simulators or other devices that can provide realistic training scenarios are desired. Captain and first officer training objectives cultivate similar levels of proficiency. Appropriate emergency procedures training (e.g., evacuation procedures) is provided to flight deck and flight attendant personnel as a total crew whenever possible; such training focuses on cockpit and cabin crews functioning as a coordinated team during emergencies. Crew training—be it pilot, engineer, or flight attendant—is appropriate to the level of risk and circumstances anticipated for the trainee. Training programs have the flexibility to incorporate and resolve recurring problem areas associated with day-to-day flight operations. Trainers are highly skilled in both subject matter and training techniques. Training received is documented, and that documentation is maintained in a current status.

(v) **Captain upgrade training.** A selection and training process that considers proven experience, decision making, cockpit resource management, and response to unusual situations, including stress and pressure, is required. Also important is emphasis on captain responsibility and authority.

(vi) **Aircrew scheduling.** A closely monitored system that evaluates operational risks, experience levels of crewmembers, and ensures the proper pairing of aircrews on all flights is required. New captains are scheduled with highly experienced first officers, and new or low-time first officers are
§861.3 scheduled with experienced captains. Except for aircraft new to the company, captains and first officers assigned to DOD charter passenger missions possess at least 250 hours combined experience in the type aircraft being operated. The scheduling system involves an established flight duty time program for aircrews, including flight attendants, carefully managed so as to ensure proper crew rest and considers quality-of-life factors. Attention is given to the stress on aircrews during strikes, mergers, or periods of labor-management difficulties.

(vii) In-flight performance. Aircrews, including flight attendants, are fit for flight duties and trained to handle normal, abnormal, and emergency situations. They demonstrate crew discipline and a knowledge of aviation rules; use company-developed standardized procedures; adhere to checklists; and emphasize safety, including security considerations, throughout all preflight, in-flight, and postflight operations. Qualified company personnel evaluate aircrews and analyze results; known performance deficiencies are eliminated. Evaluations ensure aircrews demonstrate aircraft proficiency in accordance with company established standards. Flight crews are able to determine an aircraft’s maintenance condition prior to flight and use standardized methods to accurately report aircraft deficiencies to the maintenance activity.

(viii) Operational control/support. Effective mission control includes communications with aircrews and the capability to respond to irregularities or difficulties. Clear written procedures for mission preparation and flight following aircraft and aircrews are provided. There is access to weather, flight planning, and aircraft maintenance data. There are personnel available who are knowledgeable in aircraft performance and mission requirements and that can correctly respond to emergency situations. There is close interface between operations and maintenance, ensuring a mutual awareness of aircraft operational and maintenance status. Procedures to notify DOD in case of an accident or serious incident have been established. Flight crews involved in such accidents or incidents report the situation to company personnel who, in turn, have procedures to evaluate the flight crew’s capability to continue the mission. Aircraft involved in accidents or incidents are inspected in accordance with Civil Aviation Regulations and a determination made as to whether or not the aircraft is safe from continued operations.

(ix) DOD charter procedures. Detailed procedures addressing military charter requirements are expected. The level of risk associated with DOD charter missions does not exceed the risk inherent in the carrier’s non-DOD daily flight operations. Complete route planning and airport analyses are accomplished, and actual passenger and cargo weights are used in computing aircraft weight and balance.

(4) Quality and safety requirements— maintenance. Maintenance supervisors ensure all personnel understand that in spite of scheduling pressure, peer pressure, supervisory pressure, or other factors, the airplane must be airworthy prior to flight. Passenger and employee safety is a paramount management concern. Quality, completeness, and integrity of work are trademarks of the maintenance manager and maintenance department. Nonconformance to established maintenance practices is not tolerated. Management ensures that contracted maintenance, including repair and overhaul facilities, is performed by maintenance organizations acceptable to the CAA.

(i) Maintenance personnel. Air carriers are expected to hire and train the number of employees required to safely maintain the company aircraft and support the scope of the maintenance operation both at home station (the company’s primary facility) and at en route locations. These personnel ensure that all maintenance tasks, including required inspections and airworthiness directives, are performed; that maintenance actions are properly documented; and that the discrepancies identified between inspections are corrected. Mechanics are fit for duty, properly certificated, the company verifies certification, and these personnel possess the knowledge and the necessary aircraft-specific experience to accomplish the maintenance tasks.
§ 861.3 Maintenance system requirements

Noncertified and inexperienced personnel receive proper supervision. Freedom from alcohol abuse and illegal drugs is required.

(ii) Quality assurance (continuing analysis and surveillance program). A system that continuously analyzes the performance and effectiveness of maintenance activities and maintenance inspection programs is required. This system evaluates such functions as reliability reports, audits, component tear-down reports, inspection procedures and results, tool calibration program, real-time aircraft maintenance actions, warranty programs, and other maintenance functions. The extent of this program is directly related to the air carrier's size and scope of operation. The cause of any recurring discrepancy or negative trend is researched and eliminated. Action is taken to prevent recurrence to these discrepancies and preventive actions are monitored to ensure effectiveness. The results of preventive actions are provided to appropriate maintenance technicians.

(iii) Maintenance inspection activity. A process to ensure required aircraft inspections are completed and the results properly documented is required. Also required is a system to evaluate contract vendors, suppliers, and their products. Inspection personnel are identified, trained (initial and recurrent), and provided guidance regarding inspector responsibility and authority. The inspection activity is normally a separate entity within the maintenance department.

(iv) Maintenance training. Training is conducted commensurate with the size and type of maintenance function being performed. Continuing education and progressive experience are provided for all maintenance personnel. Orientation, familiarization, on-the-job, and appropriate recurrent training for all full- and part-time personnel is expected. The use of such training aids as mockups, simulators, and computer-based training enhances maintenance training efforts and is desired. Training documentation is required; it is current, complete, well-maintained, and correctly identifies any special authorizations such as inspection and airworthiness release. Trainers are fully qualified in the subject matter.

(v) Maintenance control. A method to control maintenance activities and track aircraft status is required. Qualified personnel monitor maintenance preplanning, ensure completion of maintenance actions, and track deferred discrepancies. Deferred maintenance actions are identified to supervisory personnel and corrected in accordance with the criteria provided by the manufacturer or regulatory agency. Constant and effective communications between maintenance and flight operations ensure an exchange of critical information.

(vi) Aircraft maintenance program. Aircraft are properly certified and maintained in a manner that ensures they are airworthy and safe. The program includes the use of manufacturer's and CAA information, as well as company policies and procedures. Airworthiness directives are complied with in the prescribed time frame, and service bulletins are evaluated for applicable action. Approved reliability programs are proactive, providing management with visibility on the effectiveness of the maintenance program; attention is given to initial component and older aircraft inspection intervals and to deferred maintenance actions. Special tools and equipment are calibrated.

(vii) Maintenance records. Maintenance actions are well documented and provide a complete record of maintenance accomplished and, for repetitive actions, maintenance required. Such records as aircraft log books and maintenance documentation are legibly prepared, dated, clean, readily identifiable, and maintained in an orderly fashion. Inspection compliance, airworthiness release, and maintenance release records, etc., are complete and signed by approved personnel.

(viii) Aircraft appearance (in-service aircraft). Aircraft exteriors, including all visible surfaces and components, are clean and well maintained. Interiors are also clean and orderly. Required safety equipment and systems are available and operable.

(ix) Fueling and servicing. Aircraft fuel is free from contamination, and
§ 861.4 DOD Commercial Airlift Review Board procedures.

(a) This part establishes the procedures to be used by the United States Air Force Air Mobility Command (AMC) and the United States Army Military Traffic Management Command (MTMC) when, in accordance with references §861.1 (a) through (d):

(1) A commercial air carrier is subject to review or other action by the DOD Commercial Airlift Review Board (hereinafter referred to as the CARB).

(2) A warning, suspension, temporary nonuse, or reinstatement action is taken against a carrier by the CARB, or

(3) Review or other CARB action is escalated to a higher authority.

These procedures apply to all commercial air carriers providing DOD passenger or cargo airlift through charter, individual ticket movements, contracts, or other transportation agreements. They also apply to carriers providing air transportation purchased by DOD individuals for which government reimbursement will be made in whole or in part.

(b) Safety or airworthiness issues, per reference §861.1(b) must be referred to the CARB. AMC and MTMC may each take independent corrective action in accordance with their respective procedures on standards of service issues when safety and airworthiness issues are not involved. The DOD Air Carrier Survey and Analysis Directorate will be informed of all actions taken independently by AMC or MTMC.

(c) Except as otherwise provided herein, the rights and remedies of the government and commercial air carriers outlined in these procedures are not exclusive and are in addition to any other rights and remedies provided for by law, regulation, contract, or agreement.

(d) Definitions. (1) Letter of warning is a notice to a carrier of a failure to satisfy safety or airworthiness requirements which, if not remedied, may result in temporary nonuse or suspension. The issuance of a letter of warning is not a prerequisite to a suspension or other action.

(2) Temporary nonuse is the immediate exclusion of a carrier from any flight activities in the DOD airlift transportation program, pending a decision on suspension, taken under the conditions outlined in paragraph (h)(1) of this section. By mutual agreement of the CARB and the air carrier involved, a suspension hearing or decision may be delayed and the air carrier...
continued in a temporary nonuse status for an extended period of time.

(3) Suspension is the exclusion of an air carrier from participating in the DOD airlift transportation program. The period of suspension will normally:

(i) Remain in effect until the carrier furnishes satisfactory evidence that the conditions causing the suspension have been remedied or

(ii) Be for a fixed period of time as determined at the discretion of the CARB.

(4) The procedures for commercial airlift safety review include five possible levels with increasing authority:

(i) DOD Air Carrier Survey and Analysis Directorate.

(ii) DOD Commercial Airlift Review Committee.

(iii) DOD Commercial Airlift Review Board.

(iv) Commanders MTMC and AMC.

(v) DOD Commercial Airlift Review Authority.

These levels are described in reference §861.1(b), with the exception of the DOD Commercial Airlift Review Committee, which is described in reference §861.1(c). The Committee provides multifunctional review of the efforts of the DOD Air Carrier Survey and Analysis Directorate, including approval or disapproval of carriers initially seeking DOD business, and offers advice to the higher authorities when appropriate.

(e) Causes and conditions for suspension.

(1) Carrier shall be subject to suspension for good cause, including:

(i) Failing to comply with generally accepted standards of airmanship, training, and maintenance practices and procedures.

(ii) Failing to satisfy DOD quality and safety requirements as described in §861.3.

(iii) Failing to comply with all provisions of applicable statutes, agreements, and contract terms, as such may affect flight safety, as well as with all applicable Federal Aviation Administration regulations, airworthiness directives, orders, rules, and standards promulgated under the Federal Aviation Act of 1958 as amended.

(iv) Involvement of one of the carrier’s aircraft in a serious or fatal accident, incident, or operational occurrence (regardless of whether or not such aircraft is being used in the performance of government procured transportation).

(v) Any other condition which affects the safe operation of the carrier’s flights hereunder.

(vi) Compliance with published standards does not, standing alone, constitute compliance with generally accepted standards or airmanship, training, or maintenance practices.

(f) Reinstatement considerations. In no event shall reinstatement occur unless and until the carrier shows to the satisfaction of the CARB that deficiencies that led to suspension have been corrected and that actions have been implemented to preclude the recurrence of similar deficiencies.

(g) CARB membership. (1) Four voting members will constitute the CARB: two senior, knowledgeable individuals appointed by Commander, AMC; one similarly knowledgeable individual appointed by USCINCNTRANS; and one appointed by Commander, MTMC. At least one of the voting HQ AMC members and the MTMC member will be of general/flag officer or civilian equivalent rank. Other non-voting CARB members will be appointed as necessary to facilitate the CARB deliberative process. A non-voting recorder will also be appointed.

(2) The HQ AMC senior member will act as the CARB chairperson. A voting member who will not be present at any meeting of the CARB, may be represented by a knowledgeable alternate empowered with the voting responsibilities of the voting member. Three voting members (or their alternate) shall constitute a quorum. Decisions shall be by majority vote. In the case of a tie vote, the chairperson will have the deciding vote.

(3) The meeting date, time, and site of the CARB will be determined at the time of the decision to convene the CARB. Teleconferencing, if utilized, will be specified in the notice to the carrier.

(4) Minutes of CARB hearings may be recorded or summarized and will be maintained with all other records pertaining to the CARB proceeding.

(5) The CARB recorder shall ensure that the air carrier and appropriate
DOD agencies are notified of the CARB’s decision and reasons therefor.

(h) CARB operating procedures—(1) Temporary nonuse. (i) In case of a fatal aircraft accident or for other good cause, the two senior members of the CARB (see paragraph (g)(1) of this section) will jointly make an immediate determination whether to place the carrier involved in a temporary nonuse status pending suspension proceedings. Prior notice to the carrier is not required.

(ii) Such determination shall include consideration of the advice of the DOD Commercial Airlift Review Committee, if reasonably available, but will not await such advice.

(iii) The carrier shall be promptly notified of the temporary nonuse determination and the basis therefore.

(iv) Temporary nonuse status terminates automatically if suspension proceedings are not commenced, as set out in paragraph (h)(2)(ii) of this section, within 30 days of inception, unless otherwise agreed to per paragraph (d)(2) of this section.

(2) Suspension: (i) On a recommendation of the DOD Air Carrier Survey and Analysis Directorate, the DOD Commercial Airlift Review Committee, or any individual member of the CARB, the CARB shall consider whether or not to suspend a carrier.

(ii) If the CARB determines that suspension may be appropriate, it shall notify the carrier that suspension action is under consideration and offer the carrier a hearing thereon within 15 days of the date of the notice, or such other period as granted by the CARB, at which the carrier may be present and may offer evidence. The presiding member of the CARB shall establish procedures for such hearing as may be appropriate which shall be as informal as practicable, consistent with administrative due process.

(iii) Types of evidence which may be considered, if appropriate, shall include, but not be limited to, the following:

(A) Information and analysis provided by the DOD Air Carrier Survey and Analysis Directorate.

(B) Carrier’s written/oral evidence.

(C) Corrective actions that may have been taken by the carrier to:

(1) Correct the specific deficiencies that led the CARB to consider suspension, and

(2) Preclude recurring similar deficiencies.

(D) Such other matters as the CARB deems relevant.

(E) The CARB’s decisions on the reception or exclusion of evidence shall be final.

(iv) Carriers shall have the burden of proving their suitability to safely perform DOD airlift services by clear and convincing evidence.

(v) After the conclusion of such hearing, or if no hearing is requested and attended by the carrier within the time specified by the CARB, the CARB shall consider the matter and make a final decision whether or not to suspend the carrier or to impose such lesser sanction as is appropriate. The carrier shall be notified of the CARB’s decision.

(3) Reinstatement: (i) The CARB may consider reinstating a suspended carrier on either CARB motion or carrier motion, unless such carrier has become ineligible in the interim.

(ii) The carrier has the burden of proving by clear and convincing evidence that the reinstatement considerations in paragraph (f) of this section have been satisfied.

(iii) Carrier evidence in support of reinstatement will be provided in a timely manner to the CARB for its review. The CARB may independently corroborate the carrier-provided evidence and may, at its option, convene a hearing and request the participation of the carrier.

(i) Decision by others. In the event the CARB is unable to decide an issue properly before it, or if the issue in the judgment of the CARB requires review at a DOD organizational level higher than the CARB, the issue will be referred to the Commander, AMC, and Commander, MTMC, for appropriate disposition. In such event, the decision will be made upon the written record only, no hearing will be held.

(j) Appeal of a determination. (1) A carrier placed in suspension may administratively appeal this action to the authorities shown in paragraph (j)(3) of this section. An appeal, if any, must be
§ 861.4

filed within 15 work days after receipt of the decision of the CARB or Commander, AMC, and Commander, MTMC. The suspension will not be stayed pending appeal unless for good cause, as determined by the CARB. The decision of the appellate authority designated herein is final and is not subject to further administrative review or appeal.

(2) An appeal will be in writing only and carriers shall not be entitled to a de novo hearing before the administrative appellate authorities.

(3) The following administrative appellate authorities will review and make decisions on appeals:

(i) When the decision being appealed was made by the CARB, the appellate authorities are Commander, AMC, and Commander, MTMC. They will jointly decide the appeal.

(ii) When Commander, AMC, and Commander, MTMC, are unable to jointly agree on an appeal, they shall refer the matter to the DOD Commercial Airlift Review Authority (CARA) for its decision.

(iii) When the decision being appealed was made by Commander, AMC, and Commander, MTMC, the appellate authority is the DOD CARA.

discretion, hold a hearing or call for additional evidence or opinions in any case.

§ 865.3 Application procedures.

(a) Who may apply. (1) In most cases, the applicant is a member or former member of the Air Force, since the request is personal to the applicant and relates to his or her military records.

(2) An applicant with a proper interest may request correction of another person’s military records when that person is incapable of acting on his or her own behalf, is missing, or is deceased. Depending on the circumstances, a child, spouse, parent or other close relative, an heir, or a legal representative (such as a guardian or executor) of the member or former member may be able to show a proper interest. Applicants will send proof of proper interest with the application when requesting correction of another person’s military records.

(b) Getting forms. Applicants may get a DD Form 149, “Application for Correction of Military Record Under the Provisions of Title 10, U.S.C., Section 1552,” and Air Force Pamphlet 36–2607, “Applicants’ Guide to the Air Force Board for Correction of Military Records (AFBCMR),” from:

(1) Any Air Force Military Personnel Flight (MPF) or publications distribution office.

(2) Most veterans’ service organizations.

(4) The AFBCMR, 1535 Command Drive, EE Wing 3rd Floor, Andrews AFB MD 20331–7002.

(c) Preparation. Before applying, applicants should:

(2) Discuss their concerns with MPF, finance office, or other appropriate officials. Errors can often be corrected administratively without resort to the Board.

(3) Exhaust other available administrative remedies (otherwise the Board may return the request without considering it).

(d) Submitting the application. Applicants should complete all applicable sections of the DD Form 149, including at least:

(1) The name under which the member served.

(2) The member’s social security number or Air Force service number.

(3) The applicant’s current mailing address.

(4) The specific records correction being requested.

(5) Proof of proper interest if requesting correction of another person’s records.

(6) The applicant’s signature.

(e) Applicants should mail the original signed DD Form 149 and any supporting documents to the Air Force address on the back of the form.

(f) Meeting time limits. Ordinarily, applicants must file an application within three years after the error or injustice was discovered, or, with due diligence, should have been discovered. An application filed later is untimely and may be denied by the Board on that basis.

(1) The Board may excuse untimely filing in the interest of justice.

(2) If the application is filed late, applicants should explain why it would be in the interest of justice for the Board to waive the time limits.

(g) Stay of other proceedings. Applying to the AFBCMR does not stay other proceedings.

(h) Counsel representation. Applicants may be represented by counsel, at their own expense.

(1) The term “counsel” includes members in good standing of the bar of any state, accredited representatives of veterans’ organizations recognized under 38 U.S.C. 3402, and other persons determined by the Executive Director of the Board to be competent to represent the interests of the applicant.

(2) See Department of Defense Directive (DoDD) 7650.6, Whistleblower Protection Act, 3 September 1992, for special provisions for counsel in cases processed under 10 U.S.C. 1034.

(i) Page limitations on briefs. Briefs in support of applications:

(1) May not exceed twenty-five double-spaced typewritten pages.

Note: Copies of the publication are available, at cost, from the National Technical Information Service, U.S. Department of Commerce, 5285 Port Royal Road, Springfield, VA 22161.
§ 865.4 Board actions.

(a) Board information sources. The applicant has the burden of providing sufficient evidence of probable material error or injustice. However, the Board:

(1) May get additional information and advisory opinions on an application from any Air Force organization or official.

(2) May require the applicant to furnish additional information necessary to decide the case.

(b) Applicants will normally be given an opportunity to review and comment on advisory opinions and additional information obtained by the Board.

(c) Consideration by the Board. A panel consisting of at least three board members considers each application. One panel member serves as its chair. The panel’s actions and decisions constitute the actions and decisions of the Board.

(d) The panel may decide the case in executive session or authorize a hearing. When a hearing is authorized, the procedures in paragraph (f) of this section apply.

(e) Board deliberations.Normally only members of the Board and Board staff will be present during deliberations. The panel chair may permit observers for training purposes or otherwise in furtherance of the functions of the Board.

(f) Board hearings. The Board in its sole discretion determines whether to grant a hearing. Applicants do not have a right to a hearing before the Board.

(g) The Executive Director will notify the applicant or counsel, if any, of the time and place of the hearing. Written notice will be mailed thirty days in advance of the hearing unless the notice period is waived by the applicant. The applicant will respond not later than fifteen days before the hearing date, accepting or declining the offer of a hearing and, if accepting, provide information pertaining to counsel and witnesses. The Board will decide the case in executive session if the applicant declines the hearing or fails to appear.

(h) When granted a hearing, the applicant may appear before the Board in person, represented by counsel, or in person with counsel and may present witnesses. It is the applicant’s responsibility to notify witnesses, arrange for their attendance at the hearing, and pay any associated costs.

(i) The panel chair conducts the hearing, maintains order, and ensures the applicant receives a full and fair opportunity to be heard. Formal rules of evidence do not apply, but the panel observes reasonable bounds of competency, relevancy, and materiality. Witnesses other than the applicant will not be present except when testifying. Witnesses will testify under oath or affirmation. A recorder will record the proceedings verbatim. The chair will normally limit hearings to two hours but may allow more time if necessary to ensure a full and fair hearing.

(j) Additional provisions apply to cases processed under 10 U.S.C. 1034. See DoDD 7050.6.2

(k) The Board will not deny or recommend denial of an application on the sole ground that the issue already has been decided by the Secretary of the Air Force or the President of the United States in another proceeding.

(l) Board decisions. The panel’s majority vote constitutes the action of the Board. The Board’s decision will be in writing and will include determinations on the following issues:

(1) Whether the provisions of the Military Whistleblowers Protection

2See footnote 1.
§ 865.5 Decision of the Secretary of the Air Force.

(a) The Secretary may direct such action as he or she deems appropriate on each case, including returning the case to the Board for further consideration. Cases returned to the Board for further reconsideration will be accompanied by a brief statement of the reasons for such action. If the Secretary does not accept the Board’s recommendation, the decision will be in writing and will include a brief statement of the grounds for denial.

(b) Decisions in cases under the Military Whistleblowers Protection Act. The Secretary will issue decisions on such cases within 180 days after receipt of the record of proceedings.

(m) Record of proceedings. The Board staff will prepare a record of proceedings following deliberations which will include:

(1) The name and vote of each Board member.

(2) The application.

(3) Briefs and written arguments.

(4) Documentary evidence.

(5) A hearing transcript if a hearing was held.

(6) Advisory opinions and the applicant’s related comments.

(7) The findings, conclusions, and recommendations of the Board.

(8) Minority reports, if any.

(9) Other information necessary to show a true and complete history of the proceedings.

(n) Minority reports. A dissenting panel member may prepare a minority report which may address any aspect of the case.

(o) Separate communications. The Board may send comments or recommendations to the Secretary of the Air Force as to administrative or disciplinary action against individuals found to have committed acts of reprisal prohibited by the Military Whistleblowers Protection Act and on other matters arising from an application not directly related to the requested correction of military records. Such comments and recommendations will be separately communicated and will not be included in the record of proceedings or given to the applicant or counsel.

(p) Final action by the Board. The Board acts for the Secretary of the Air Force and its decision is final when it:

(1) Denies any application (except under 10 U.S.C. 1034).

(2) Grants any application in whole or part when the relief was recommended by the official preparing the advisory opinion, was unanimously agreed to by the panel, and does not involve an appointment or promotion requiring confirmation by the Senate.

(q) The Board sends the record of proceedings on all other applications to the Secretary of the Air Force or his or her designee for final decision.
of the case and will, unless the full relief requested is granted, inform applicants of their right to request review of the decision by the Secretary of Defense (SecDef). Applicants will also be informed:

1. Of the name and address of the official to whom the request for review must be submitted.
2. That the request for review must be submitted within ninety days after receipt of the decision by the Secretary of the Air Force.
3. That the request for review must be in writing and include the applicant’s name, address, and telephone number; a copy of the application to the AFBCMR and the final decision of the Secretary of the Air Force; and a statement of the specific reasons the applicant is not satisfied with the decision of the Secretary of the Air Force.
4. That the request must be based on the Board record; requests for review based on factual allegations or evidence not previously presented to the Board will not be considered under this section but may be the basis for reconsideration by the Board under §865.6.

(c) Decisions in cases filed under Section 507, Public Law 103–160. The Secretary will issue a decision within 60 days of receipt of the case of an officer who:

1. Was offered the opportunity to be discharged or separated from active duty under the Voluntary Separation Incentive (VSI) or Special Separation Benefit (SSB) programs,
2. Elected not to accept such discharge or separation,
3. Was thereafter discharged or separated from active duty, after September 30, 1990, as a result of selection by a board convened to select officers for early separation (a “RIF board”),
4. Files an application with the Board within two years of the date of separation or discharge, or one year after March 1, 1996, whichever is later, alleging that the officer was not effectively counseled, before electing not to accept discharge or separation under the VSI/SSB programs, concerning the officer’s vulnerability to selection for involuntary discharge or separation (“RIF”), and
5. Requests expedited consideration under this section.

(d) Upon finding of ineffective counseling, the Secretary will provide the officer with an opportunity to participate, at the officer’s option, in the VSI or SSB programs or, if eligible, in an early retirement program.

(e) In cases under §§865.5(b) and 865.5(c) which involve additional issues not cognizable under those sections, the additional issues may be considered separately by the Board under §§865.3 and 865.4. The special time limits in §§865.5(b) and 865.5(c) do not apply to the decision concerning these additional issues.

§ 865.6 Reconsideration of applications.

The Board may reconsider an application if the applicant submits newly discovered relevant evidence that was not available when the application was previously considered. The Executive Director will screen each request for reconsideration to determine whether it contains new evidence.

(a) If the request contains new evidence, the Executive Director will refer it to a panel of the Board for a decision. The Board will decide the relevance and weight of any new evidence, whether it was reasonably available to the applicant when the application was previously considered, and whether it was submitted in a timely manner. The Board may deny reconsideration if the request does not meet the criteria for reconsideration. Otherwise the Board will reconsider the application and decide the case either on timeliness or merit as appropriate.

(b) If the request does not contain new evidence, the Executive Director will return it to the applicant without referral to the Board.

§ 865.7 Action after final decision.

(a) Action by the Executive Director. The Executive Director will inform the applicant or counsel, if any, of the final decision on the application. If any requested relief was denied, the Executive Director will advise the applicant of reconsideration procedures and, for cases processed under the Military Whistleblowers Protection Act, review by the SecDef. The Executive Director will send decisions requiring corrective
action to the Chief of Staff, U.S. Air Force, for necessary action.

(b) Settlement of claims. The Air Force is authorized, under 10 U.S.C. 1552, to pay claims for amounts due to applicants as a result of correction of military records.

(c) The Executive Director will furnish the Defense Finance and Accounting Service (DFAS) with AFBCMR decisions potentially affecting monetary entitlement or benefits. DFAS will treat such decisions as claims for payment by or on behalf of the applicant.

(d) DFAS settles claims on the basis of the corrected military record. Computation of the amount due, if any, is a function of DFAS. Applicants may be required to furnish additional information to DFAS to establish their status as proper parties to the claim and to aid in deciding amounts due.

(e) Public access to decisions. After deletion of personal information, AFBCMR decisions will be made available for review and copying at a public reading room in the Washington, DC metropolitan area.

§ 865.8 Miscellaneous provisions.

(a) At the request of the Board, all Air Force activities and officials will furnish the Board with:

(1) All available military records pertinent to an application.

(2) An advisory opinion concerning an application. The advisory opinion will include an analysis of the facts of the case and of the applicant’s contentions, a statement of whether or not the requested relief can be done administratively, and a recommendation on the timeliness and merit of the request. Regardless of the recommendation, the advisory opinion will include instructions on specific corrective action to be taken if the Board grants the application.

(b) Access to records. Applicants will have access to all records considered by the Board, except those classified or privileged. To the extent practicable, applicants will be provided uncensored personal information, APBFBMR decisions will be made available for review and copying at a public reading room in the Washington, DC metropolitan area.

§ 865.100 Purpose.

This subpart establishes policies for the review of discharges and dismissals under 32 CFR part 70, “Discharge Review Boards Procedures and Standards,” and explains the jurisdiction, authority, and actions of the Air Force Discharge Review Board. It applies to all Air Force activities. This subpart is affected by the Privacy Act of 1974. The system of records cited in this subpart is authorized by 10 U.S.C. 1553 and 8012.

Each data gathering form or format which is required by this subpart contains a Privacy Act Statement, either incorporated in the body of the document or in a separate statement accompanying such document.

§ 865.101 References.

(b) Title 38 U.S.C., sections 101 and 3103, as amended by Pub. L. 95–126, October 8, 1977.

§ 865.102 Statutory authority.

The Air Force Discharge Review Board (DRB) was established within the Department of the Air Force under section 301 of the Serviceman’s Readjustment Act of 1944, as amended (now 10 U.S.C. 1553) and further amended by Pub. L. 95-126 dated October 8, 1977.

§ 865.103 Definition of terms.

(a) Applicant. A former member of the Armed Forces who has been dismissed or discharged administratively in accordance with Military Department regulations or by sentence of a court-martial (other than a general court-martial) and under statutory regulatory provisions whose application is accepted by the DRB concerned or whose case is heard on the DRB’s own motion. If the former member is deceased or incompetent, the term “applicant” includes the surviving spouse, next-of-kin, or legal representative who is acting on behalf of the former member. When the term “applicant” is used in this subpart, it includes the applicant’s counsel or representative, except that the counsel or representative may not submit an application for review, waive the applicant’s right to be present at a hearing, or terminate a review without providing the DRB an appropriate power of attorney or other written consent of the former member.

(b) Complainant. A former member of the Armed Forces (or the former member’s counsel) who submits a complaint in accordance with § 865.121 of this subpart with respect to the decisional document issued in the former member’s own case; or a former member of the Armed Forces (or the former member’s counsel) who submits a complaint stating that correction of the decisional document will assist the former member in preparing for an administrative or judicial proceeding in which the former member’s own discharge will be at issue.

(c) Counsel or representative. An individual or agency designated by the applicant who agrees to represent the applicant in a case before the DRB. It includes, but is not limited to: a lawyer who is a member of the bar of a federal court or of the highest court of a state; an accredited representative designated by an organization recognized by the Administrator of Veterans Affairs; a representative from a state agency concerned with veterans affairs; and representatives from private organizations or local government agencies.

(d) Discharge. A general term used in this subpart that includes dismissal and separation or release from active or inactive military status, and actions that accomplish a complete severance of all military status. This term also includes the assignment of a reason for such discharge and characterization of service.

(e) Discharge review. The process by which the reason for separation, the procedures followed in accomplishing separation, and characterization of
service are evaluated. This includes determinations made under the provisions of title 38 U.S.C. 3103(e)(2).

(f) **Discharge Review Board (DRB).** An administrative board constituted by the Secretary of the Air Force and vested with discretionary authority to review discharges and dismissals under the provisions of title 10 U.S.C. 1553.

(g) **Regional Discharge Review Board.** A DRB that conducts discharge reviews in a location outside the National Capital Region (NCR).

(h) **DRB President.** The senior line officer of any DRB convened for the purpose of conducting discharge reviews.

(i) **Hearing.** A review involving an appearance before the DRB by the applicant or on the applicant’s behalf by a counsel or representative.

(j) **Record review.** A review of the application, available service records, and additional documents (if any) submitted by the applicant.

(k) **National Capital Region (NCR).** The District of Columbia; Prince Georges and Montgomery Counties in Maryland; Arlington, Fairfax, Loudoun, and Prince William Counties in Virginia; and all cities and towns included within the outer boundaries of the foregoing counties.

(l) **Director, Air Force Personnel Council.** The person designated by the Secretary of the Air Force who is responsible for the supervision of the Discharge Review function.

§ 865.104 Secretarial responsibilities.

The Secretary of the Air Force is responsible for the overall operation of the Discharge Review program within the Department of the Air Force. The following delegation of authority have been made:

(a) To the Office of the Assistant Secretary of the Air Force (Manpower, Reserve Affairs and Installations) to act for the Secretary of the Air Force in all discharge review actions subject to review by the Secretary as specified in §865.113 of this subpart.

(b) To the Director, Air Force Personnel Council, for operation of all phases of the discharge review function and authority to take action in the name of the Secretary of the Air Force in all discharge review actions except those specified in §865.113 of this subpart.

§ 865.105 Jurisdiction and authority.

The DRB has jurisdiction and authority in cases of former military personnel who, at the time of their separation from the Service, were members of the US Army Aviation components (Aviation Section, Signal Corps; Air Service; Air Corps; or Air Forces) prior to September 17, 1947, or the US Air Force. The DRB does not have jurisdiction and authority concerning personnel of other armed services who at the time of their separation, were assigned to duty with the Army Air Forces or the US Air Force.

(a) The DRB’s review is based on the former member’s available military records, issues submitted by the former member, or his counsel and on any other evidence that is presented to the DRB. The DRB determines whether the type of discharge or dismissal the former member received is equitable and proper; if not, the DRB instructs the USAF Manpower and Personnel Center (AFMPC) to change the discharge reason or to issue a new character of discharge according to the DRB’s findings.

(b) The DRB is not authorized to revoke any discharge, to reinstate any person who has been separated from the military service, or to recall any person to active duty.

(c) The DRB, on its own motion, may review a case that appears likely to result in a decision favorable to the former military member, without the member’s knowledge or presence. In this case, if the decision is:

(1) Favorable, the DRB directs AFMPC to notify the former member accordingly at the member’s last known address.

(2) Unfavorable, the DRB returns the case to the files without any record of formal action; the DRB then considers the case without prejudice in accordance with normal procedures.

§ 865.106 Application for review.

(a) **General.** Applications shall be submitted to the Air Force DRB on DD Form 293, Application for Review of Discharge or Dismissal from the Armed
§ 865.106  Forces of the United States (OMB Approval No. 0704-0004) with such other statements, affidavits, or documentation as desired. It is to the applicant’s advantage to submit such documents with the application or within 60 days thereafter in order to permit a thorough screening of the case. The DD Form 293 is available at most DOD installations and regional offices of the Veterans Administration, or by writing to: DA Military Review Boards Agency, Attention: SFBA (Reading Room), Room 1E520, The Pentagon, Washington, DC 20310.

(b) Timing. A motion or request for review must be made within 15 years after the date of discharge or dismissal.

(c) Applicant’s responsibilities. An applicant may request a change in the character of or reason for discharge (or both).

(1) Character of discharge. DD Form 293 provides an applicant an opportunity to request a specific change in character of discharge (for example, General Discharge to Honorable Discharge; Under Other Than Honorable Conditions Discharge to General or Honorable Discharge). Only a person separated on or after 1 October 1982 while in an entry level status may request a change from other than an honorable discharge to Entry Level Separation. A request for review from an applicant who does not have an Honorable Discharge will be treated as a request for a change to an Honorable Discharge unless the applicant requests a specific change to another character of discharge.

(2) Reason for discharge. DD Form 293 provides an applicant an opportunity to request a specific change in the reason for discharge. If an applicant does not request a specific change in the reason for discharge, the DRB will presume that the request for review does not involve a request for change in the reason for discharge. Under its responsibility to examine the propriety and equity of an applicant’s discharge, the DRB will change the reason for discharge if such a change is warranted.

(3) The applicant must ensure that issues submitted to the DRB are consistent with the request for change in discharge set forth in “Board Action Requested” of the DD Form 293. If an ambiguity is created by a difference between an applicant’s issue and the requested action, the DRB will respond to the issue in the context of the action requested in “Board Action Requested.” In the case of a Personal Appearance hearing, the DRB will attempt to resolve the ambiguity.

(d) If the member is deceased or mentally incompetent, the spouse, next-of-kin, or legal representative may, as agent for the member, submit the application for the review along with proof of the member’s death or mental incompetency.

(e) Applicants forward their requests for review to the USAF Manpower and Personnel Center-mailing address: AFMPC/MPDOA1, Randolph AFB TX 78150. AFMPC will obtain all available military records of the former members from the National Personnel Records Center.

(f) Withdrawal of application. An applicant shall be permitted to withdraw an application without prejudice at any time before the scheduled review.

(g) Submission of issues on DD Form 293. Issues must be provided to the DRB on DD Form 293 before the DRB closes the review process for deliberation and should be submitted in accordance with the guidelines of this subpart for submission of issues.

(1) Issues must be clear and specific. An issue must be stated clearly and specifically in order to enable the DRB to understand the nature of the issue and its relationship to the applicant’s discharge.

(2) Separate listing of issues. Each issue submitted by an applicant should be listed separately. Submission of a separate statement for each issue provides the best means of ensuring that the full import of the issue is conveyed to the DRB.

(3) Use of DD Form 293. DD Form 293 provides applicants with a standard format for submitting issues to the DRB, and its use:

(i) Provides a means for an applicant to set forth clearly and specifically those matters that, in the opinion of the applicant, provide a basis for changing the discharge;

(ii) Assists the DRB in focusing on those matters considered to be important by an applicant;
(iii) Assists the DRB in distinguishing between a matter submitted by an applicant in the expectation that it will be treated as a decisional issue under §865.112, and those matters submitted simply as background or supporting materials;

(iv) Provides the applicant with greater rights in the event that the applicant later submits a complaint under §865.121 of this subpart concerning the decisional document.

(v) Reduces the potential for disagreement as to the content of an applicant’s issue.

(4) Incorporation by reference. If the applicant makes an additional written submission, such as a brief, in support of the application, the applicant may incorporate by reference specific issues set forth in the written submission in accordance with the guidance on DD Form 293. The reference shall be specific enough for the DRB to identify clearly the matter being submitted as an issue. At a minimum, it shall identify the page, paragraph, and sentence incorporated. Because it is to the applicant’s benefit to bring such issues to the DRB’s attention as early as possible in the review, applicants who submit a brief are strongly urged to set forth all issues as a separate item at the beginning of the brief. If it reasonably appears that the applicant inadvertently has failed expressly to incorporate an issue which the applicant clearly identifies as an issue to be addressed by the DRB, the DRB shall respond to such an issue in accordance with §§865.111 and 865.112 of this subpart.

(5) Effective date of the new DD Form 293. With respect to applications received before November 27, 1982, the DRB shall consider issues clearly and specifically stated in accordance with the rules in effect at the time of submission. With respect to applications received on or after November 27, 1982, if the applicant submits an obsolete DD Form 293, the application will be returned with a copy of the revised DD Form 293 for reaccomplishment. The DRB will only respond to the issues submitted on the new form in accordance with 32 CFR part 70, 47 FR 37770, August 26, 1982 and this subpart.

(h) Relationship of issues to character of or reason for discharge. If the application applies to both character of and reason for discharge, the applicant is encouraged, but not required, to identify the issue as applying to the character of or reason for discharge (or both). Unless the issue is directed at the reason for discharge expressly or by necessary implication, the DRB will presume that it applies solely to the character of discharge.

(1) Relationship of issues to the standards for discharge review. The DRB reviews discharges on the basis of issues of propriety and equity. The standards used by the DRB are set forth in §865.120 of this subpart. The applicant is encouraged to review those standards before submitting any issue upon which the applicant believes a change in discharge should be based. The applicant is also encouraged, but not required, to identify an issue as pertaining to the propriety or the equity of the discharge. This will assist the DRB in assessing the relationship of the issue to propriety or equity under §865.112(d) of this subpart.

(j) Citation of matter from decisions. The primary function of the DRB involves the exercise of discretion on a case-by-case basis. Applicants are not required to cite prior decisions as the basis for a change in discharge. If the applicant wishes to bring the DRB’s attention to a prior decision as background or illustrative material, the citation should be placed in a brief or other supporting documents. If, however, it is the applicant’s intention to submit an issue that sets forth specific principles and facts from a specific cited decision, the following requirements apply with respect to applications received on or after November 27, 1982.

(1) The issue must be set forth or expressly incorporated in the “Applicant’s Issue” portion of DD Form 293.

(2) If an applicant’s issue cites a prior decision (of the DRB, another Board, an agency, or a court), the applicant shall describe the specific principles and facts that are contained in the prior decision and explain the relevance of cited matter to the applicant’s case.
§ 865.107  DRB composition and meeting location.

(a) The DRB consists of five members, with the senior line officer acting as the presiding officer. The presiding officer convenes, recesses and adjourns the Board.

(b) In addition to holding hearings in Washington, DC, the DRB, as a convenience to applicants, periodically conducts hearings at selected locations throughout the Continental United States. Reviews are conducted at locations central to those areas with the greatest number of applicants. A continuing review and appraisal is conducted to ensure the selected hearing locations are responsive to a majority of applicants. Administrative details

(3) To insure timely consideration of principles cited from unpublished opinions (including decisions maintained by the Armed Forces Discharge Review Board/Correction Board Reading Room), the applicant must provide the DRB with copies of such decisions or of the relevant portion of treatise, manual, or similar source in which the principles were discussed. At the applicant’s request, such materials will be returned.

(4) If the applicant fails to comply with the requirements above, the decisional document shall note the defect, and shall respond to the issue without regard to the citation.

(k) Identification by the DRB of issues submitted by an applicant. The applicant’s issues shall be identified in accordance with this section after a review of all materials and information is made.

(1) Issues on DD Form 293. The DRB shall consider all items submitted as issues by an applicant on DD Form 293 (or incorporated therein) in accordance with this part. With respect to applications submitted before November 27, 1982, the DRB shall consider all issues clearly and specifically stated in accordance with the rules in effect at the time of the submission.

(2) Amendment of issues. The DRB shall not request or instruct an applicant to amend or withdraw any matter submitted by the applicant. Any amendment or withdrawal of an issue by an applicant shall be confirmed in writing by the applicant. This provision does not:

(i) Limit by DRB’s authority to question an applicant as to the meaning of such matter;

(ii) Preclude the DRB from developing decisional issues based upon such questions;

(iii) Prevent the applicant from amending or withdrawing such matter at any time before the DRB closes the review process for deliberation; or

(iv) Prevent the DRB from presenting an applicant with a list of proposed decisional issues and written information concerning the right of the applicant to add to, amend, or withdraw the applicant’s submission. The written information will state that the applicant’s decision to take such action (or decline to do so) will not be used against the applicant in the consideration of the case.

(3) Additional Issues Identified During a Hearing. The following additional procedure shall be used during a hearing in order to promote the DRB’s understanding of an applicant’s presentation. If before closing the hearing for deliberation, the DRB believes that an applicant has presented an issue not listed on DD Form 293, the FRB may so inform the applicant, and the applicant may submit the issue in writing or add additional written issues at that time. This does not preclude the DRB from developing its own decisional issues.

(1) Notification of possible bar to benefits. Written notification shall be made to each applicant whose record indicates a reason for discharge that bars receipt of benefits under 38 U.S.C. 3103(a). This notification will advise the applicant that separate action by the Board for Correction of Military Records or the Veterans Administration may confer eligibility for VA benefits. Regarding the bar to benefits based upon the 180 days consecutive unauthorized absence, the following applies:

(1) Such absence must have been included as part of the basis for the applicant’s discharge under other than honorable conditions.

(2) Such absence is computed without regard to the applicant’s normal or adjusted expiration of term of service.

§ 865.107  DRB composition and meeting location.

(a) The DRB consists of five members, with the senior line officer acting as the presiding officer. The presiding officer convenes, recesses and adjourns the Board.

(b) In addition to holding hearings in Washington, DC, the DRB, as a convenience to applicants, periodically conducts hearings at selected locations throughout the Continental United States. Reviews are conducted at locations central to those areas with the greatest number of applicants. A continuing review and appraisal is conducted to ensure the selected hearing locations are responsive to a majority of applicants. Administrative details
and responsibilities for Regional Boards are outlined in §865.124.

§ 865.108 Availability of records and documents.

(a) Before applying for discharge review, potential applicants or their designated representatives may, and are encouraged to obtain copies of their military personnel records by submitting a General Services Administration Standard Form 180, Request Pertaining to Military Records, to the National Personnel Records Center (NPRC) 9700 Page Boulevard, St. Louis, Mo 63132; thus avoiding any lengthy delays in the processing of the application (DD Form 293) and the scheduling of reviews.

(1) Once the application for discharge review (DD Form 293) is submitted, an applicant’s military records are forwarded to the DRB where they cannot be reproduced. Submission of a request for an applicant’s military records, including a request under the Freedom of Information Act or Privacy Act after the DD Form 293 has been submitted, shall result automatically in the temporary suspension of processing of the application for discharge review until the requested records are sent to an appropriate location for copying, are copied, and returned to the headquarters of the DRB. Processing of the application shall then be resumed at whatever stage of the discharge review process is practicable.

(2) Applicants and their designated representatives also may examine their military personnel records at the site of their scheduled review before the hearing. The DRB shall notify applicants and their designated representatives of the dates the records are available for examination in their standard scheduling information.

(b) The DRB is not authorized to provide copies of documents that are under the cognizance of another government department, office, or activity. Applications for such information must be made by the applicant to the cognizant authority. The DRB shall advise the applicant of the mailing address of the government department, office, or activity to which the request should be submitted.

(c) If the official records relevant to the discharge review are not available at the agency having custody of the records, the applicant shall be so notified and requested to provide such information and documents as may be desired in support of the request for discharge review. A period of not less than 30 days shall be allowed for such documents to be submitted. At the expiration of this period, the review may be conducted with information available to the DRB.

(d) The DRB may take steps to obtain additional evidence that is relevant to the discharge under consideration beyond that found in the official military records or submitted by the applicant, if a review of available evidence suggests that it would be incomplete without the additional information, or when the applicant presents testimony or documents that require additional information to evaluate properly. Such information shall be made available to the applicant, upon request, with appropriate modifications regarding classified material.

(1) In any case heard on the request of an applicant, the DRB shall provide the applicant and counsel or representative, if any, at a reasonable time before initiating the decision process, a notice of the availability of all regulations and documents to be considered in the discharge review, except for documents in the official personnel or medical records and any documents submitted by the applicant. The DRB shall also notify the applicant or counsel or representative (i) of the right to examine such documents or to be provided with copies of documents upon request; (ii) of the date by which such request must be received; and (iii) of the opportunity to respond within a reasonable period of time to be set by the DRB.

(2) When necessary to acquaint the applicant with the substance of a classified document, the classifying authority, on the request of the DRB, shall prepare a summary or an extract from the document, deleting all reference to source of information and other matters, the disclosure of which, in the opinion of the classifying authority, would be detrimental to the national security interest of the United States.
§ 865.109 Procedures for hearings.

(a) The applicant is entitled, by law, to appear in person at his or her request before the DRB in open session and to be represented by counsel of his or her own selection. The applicant also may present such witnesses as he or she may desire.

(b) There are two types of reviews. They are:

1. **Record Review.** A review of the application, available service records, and additional documents (if any) submitted by the applicant.

2. **Hearing.** A personal appearance before the DRB by the applicant with or without counsel, or by the counsel only.

(c) The Government does not compensate or pay the expenses of the applicant, applicant’s witnesses, or counsel.

(d) A summary of the available military records of the applicant is prepared for use by the DRB in the review process. A copy of the summary is available to the applicant and/or his or her counsel, upon request.

(e) When an applicant has requested a personal appearance and/or representation by counsel on the DD Form 293, the DRB sends written notice of the hearing time and place to the applicant and designated counsel. Evidence of such notification will be placed in the applicant’s record.

(f) Personal appearance hearings shall be conducted with recognition of the rights of the individual to privacy. Accordingly, presence at hearings of individuals other than those whose presence is required will be limited to persons authorized by the presiding officer and/or expressly requested by the applicant, subject to reasonable limitations based upon available space.

(g) Formal rules of evidence shall not be applied in DRB proceedings. The presiding officer shall rule on matters of procedure and shall ensure that reasonable bounds of relevancy and materiality are maintained in the taking of evidence and presentation of witnesses. Appellants and witnesses may present evidence to the DRB panel either in person or by affidavit or through counsel. If an applicant or witness testifies under oath or affirmation, he or she is subject to questioning by Board members.

(h) There is a presumption of regularity in the conduct of governmental affairs. This presumption can be applied in any review unless there is substantial credible evidence to rebut the presumption.

1. **Failure to appear at a hearing or respond to scheduling notice.** (1) Except as otherwise authorized by the Secretary of the Air Force, further opportunity for a personal appearance hearing shall not be made available in the following circumstances to an applicant who has requested a hearing.

   (i) When the applicant and/or a designated counsel or representative has been sent a letter containing the date and location of a proposed hearing and fails to make a timely response; or

   (ii) When the applicant and/or a designated representative, after being notified by letter of the time and place of the hearing, fails to appear at the appointed time, either in person or by representative, without having made a prior, timely request for a postponement or withdrawal.

2. **Continuance and postponements.** (1) A continuance of a discharge review hearing may be authorized by the presiding officer of the Board concerned, provided that such continuance is of a...
reasonable duration and is essential to achieving a full and fair hearing. Where a proposal for continuance is indefinite, the pending application shall be returned to the applicant with the option to resubmit when the case is fully ready for review.

(2) Postponements of scheduled reviews normally shall not be permitted other than for demonstrated good and sufficient reason set forth by the applicant in a timely manner, or for the convenience of the government.

(k) Reconsideration. A discharge review shall not be subject to reconsideration except:

(1) Where the only previous consideration of the case was on the motion of the DRB;
(2) When the original discharge review did not involve a personal appearance hearing and a personal appearance is now desired, and the provisions of §865.109(j) do not apply;
(3) Where changes in discharge policy are announced subsequent to an earlier review of an applicant’s discharge, and the new policy is made expressly retroactive;
(4) Where the DRB determines that policies and procedures under which the applicant was discharged differ in material respects from policies and procedures currently applicable on a service-wide basis to discharges of the type under consideration, provided that such changes in policies or procedures represent a substantial enhancement of the rights afforded an applicant in such proceeding;
(5) Where an individual is to be represented by a counsel/representative, and was not so represented in any previous consideration of the case.
(6) Where the case was not previously considered under the uniform standards published pursuant to Pub. L. 95–126 and application is made for such consideration within 15 years after the date of discharge; or
(7) On the basis of presentation of new, substantial, relevant evidence not available to the applicant at the time of the original review. The decision as to whether evidence offered by an applicant in support of a request for reconsideration is in fact new, substantial, relevant, and was not available to the applicant at the time of the original review will be based on a comparison of such evidence with the evidence considered in the previous discharge review. If this comparison shows that the evidence submitted would have had a probable effect on matters concerning the propriety or equity of the discharge, the request for reconsideration shall be granted.

§865.110 Decision process.

(a) The DRB shall meet in plenary session to review discharges and exercise its discretion on a case-by-case basis in applying the standards set forth in this regulation.
(1) The presiding officer is responsible for the conduct of the discharge review. The presiding officer shall convene, recess, and adjourn the DRB as appropriate, and shall maintain an atmosphere of dignity and decorum at all times.
(c) Each board member shall act under oath or affirmation requiring careful, objective consideration of the application. They shall consider all relevant material and competent information presented to them by the applicant. In addition, they shall consider all available military records, together with such other records as may be in the files and relevant to the issues before the DRB.
(d) The DRB shall identify and address issues after a review of the following material obtained and presented in accordance with this subpart and 32 CFR part 70: available official military records, documentary evidence submitted by or on behalf of the applicant, presentation of testimony by or on behalf of the applicant, oral or written arguments presented by or on behalf of the applicant, and any other relevant evidence.
(e) Application of Standards:
(1) When the DRB determines that an applicant’s discharge was improper, the DRB will determine which reason for discharge should have been assigned based upon the facts and circumstances properly before the discharge authority in view of the regulations governing reasons for discharge at the time the applicant was discharged.
(2) When the board determines that an applicant’s discharge was inequitable, any change will be based on the
evaluation of the applicant’s overall record of service and relevant regulations.

(f) Voting shall be conducted in closed session, a majority of the five members’ votes constituting the DRB’s decision.

(g) Details of closed session deliberations of a DRB are privileged information and shall not be divulged.

(h) A formal minority opinion may be submitted in instances of disagreement between members of a board. The opinion must cite findings, conclusions and reasons which are the basis for the opinion. The complete case with the majority and minority recommendations will be submitted to the Director, Air Force Personnel Council.

(i) The DRB may request advisory opinions from staff offices of the Air Force. These opinions are advisory in nature and are not binding on the DRB in its decision making process.

§865.111 Response to items submitted as issues by the applicant.

(a) If an issue submitted by an applicant contains two or more clearly separate issues, the DRB should respond to each issue under the guidance of this section as if it had been set forth separately by the applicant.

(b) If an applicant uses a “building block” approach (that is, setting forth a series of conclusions on issues that lead to a single conclusion purportedly warranting a change in the applicant’s discharge), normally there should be a separate response to each issue.

(c) This section does not preclude the DRB from making a single response to multiple issues when such action would enhance the clarity of the decisional document, but such response must reflect an adequate response to each separate issue.

(d) An item submitted as an issue by an applicant in accordance with this regulation shall be addressed as a decisional issue under §865.112 of this subpart in the following circumstances:

1. When the DRB decides that a change in discharge should be granted, and the DRB bases its decision in whole or in part on the applicant’s issue; or

2. When the DRB does not provide the applicant with the full change in discharge requested, and the decision is based in whole or in part on the DRB’s disagreement with the merits of an issue submitted by the applicant.

(e) If the applicant receives the full change in discharge requested (or a more favorable change), that fact shall be noted and the basis shall be addressed as a decisional issue even if that basis is not addressed as an issue by the applicant. No further response is required to other issues submitted by the applicant.

(f) If the applicant does not receive the full change in discharge requested with respect to either the character of or reason for discharge (or both), the DRB shall address the items submitted by the applicant unless one of the following responses is applicable:

1. Duplicate issues. The DRB may state that there is a full response to the issue submitted by the applicant under a specified decisional issue. This response may be used only when one issue clearly duplicates another or the issue clearly requires discussion in conjunction with another issue.

2. Citations without principles and facts. The DRB may state that any issue, which consists of a citation of a previous decision without setting forth any principles and facts from the decision that the applicant states are relevant to the applicant’s case, does not comply with the requirements of §865.106(g)(1) of this part.

3. Unclear issues. The DRB may state that it cannot respond to an issue submitted by the applicant as an issue because the meaning of the item is unclear. An issue is unclear if it cannot be understood by a reasonable person familiar with the discharge review process after a review of the materials considered under §865.110(d) of this subpart.

4. Nonspecific issues. The DRB may state that it cannot respond to an item submitted by the applicant as an issue because it is not specific. A submission is considered not specific if a reasonable person familiar with the discharge review process after a review of the materials considered under §865.110(d), cannot determine the relationship between the applicant’s submission and the particular circumstances of the case. This response may be used only if
§ 865.112 Decisional issues.

(a) The decisional document shall discuss the issues that provide a basis for the decision whether there should be a change in the character of or reason for discharge. In order to enhance clarity, the DRB should not address matters other than issues relied upon in the decision or raised by the applicant.

(b) Partial Change. When the decision changes a discharge but does not provide the applicant with the full change in discharge requested, the decisional document shall address both the issues upon which change is granted and the issues upon which the DRB denies the full change requested.

(c) Relationship of Issue To Character of or Reason for Discharge. Generally, the decisional document should specify whether a decisional issue applies to the character of or reason for discharge (or both), but it is not required to do so.

(d) Relationship of an Issue To Propriety or Equity. (1) If an applicant identifies an issue as pertaining to both propriety and equity, the DRB will consider it under both standards.

(2) If an applicant identifies an issue as pertaining to the propriety of the discharge (for example, by citing a propriety standard or otherwise claiming that a change in discharge is required as a matter of law), the DRB shall consider the issue solely as a matter of propriety. Except as provided in §865.112(d)(4), the DRB is not required to consider such an issue under the equity standards.

(3) If the applicant’s issue contends that the DRB is required as a matter of law to follow a prior decision by setting forth an issue of propriety from the prior decision and describing its relationship to the applicant’s case, the issue shall be considered under the propriety standards and addressed under §865.112(e) or §865.112(f).

(4) If the applicant’s issue sets forth principles of equity contained in a prior DRB decision, describes the relationship to the applicant’s case, and contends that the DRB is required as a matter of law to follow the prior case, the decisional document shall note that the DRB is not bound by its discretionary decisions in prior cases under the standards in §865.120 of this subpart. However, the principles cited by the applicant, and the description of the relationship of the principles to the applicant’s case, shall be considered under the equity standards and addressed under §865.112(h) or §865.112(i).

(5) If the applicant’s issue cannot be identified as a matter of propriety or equity, the DRB shall address it as an issue of equity.

(e) Change of discharge: Issues of propriety. If a change in the discharge is warranted under the propriety standards the decisional document shall state that conclusion and list the errors or expressly retroactive changes in policy that provide a basis for the conclusion. The decisional document shall cite the facts in the record that demonstrate the relevance of the error or change in policy to the applicant’s case. If the change in discharge does not constitute the full change requested by the applicant, the reasons for not granting the full change shall be addressed.

(f) Denial of the full change requested: Issues of propriety. If the decision rejects the applicant’s position on an issue of propriety, or if it is otherwise decided on the basis of an issue of propriety that the full change in discharge requested by the applicant is not warranted, the decisional document shall note that conclusion. The decisional document shall list reasons for its conclusion on each issue of propriety under the following guidance:
§ 865.112

(1) If a reason is based in whole or in part upon a part, statute, constitutional provision, judicial determination, or other source of law, the DRB shall cite the pertinent source of law and the facts in the record that demonstrate the relevance of the source of law to the particular circumstances in the case.

(2) If a reason is based in whole or in part on a determination as to the occurrence or nonoccurrence of an event or circumstance, including a factor required by applicable Air Force regulations to be considered for determination of the character of and reason for the applicant’s discharge, the DRB shall make a finding of fact for each such event or circumstance.

(i) For each such finding, the decisional document shall list the specific source of the information relied upon. This may include the presumption of regularity in appropriate cases. If the information is listed in the service record section of the decisional document, a citation is not required.

(ii) If a finding of fact is made after consideration of contradictory evidence in the record (including information cited by the applicant or otherwise identified by members of the DRB), the decisional document shall set forth the conflicting evidence, and explain why the information relied upon was more persuasive than the information that was rejected. If the presumption of regularity is cited as the basis for rejecting such information, the decisional document shall explain why the contradictory evidence was insufficient to overcome the presumption. In an appropriate case, the explanation as to why the contradictory evidence was insufficient to overcome the presumption may consist of a statement that the applicant failed to provide sufficient corroborating evidence, or that the DRB did not find the applicant’s testimony to be sufficiently credible to overcome the presumption.

(3) If the DRB disagrees with the position of the applicant on an issue of propriety, the following guidance applies in addition to the guidance in §842.112(f) (1) and (2).

(i) The DRB may reject the applicant’s position by explaining why it disagrees with the principles set forth in the applicant’s issue (including principles derived from cases cited by the applicant).

(ii) The DRB may reject the applicant’s position by explaining why the principles set forth in the applicant’s issue (including principles derived from cases cited by the applicant) are not relevant to the applicant’s case.

(iii) The DRB may reject an applicant’s position by stating that the applicant’s issue of propriety is not a matter upon which the DRB grants a change in discharge, and by providing an explanation for this position. When the applicant indicates that the issue is to be considered in conjunction with one or more other specified issues, the explanation will address all such specified issues.

(iv) The DRB may reject the applicant’s position on the grounds that other specified factors in the case preclude granting relief, regardless of whether the DRB agreed with the applicant’s position.

(v) If the applicant takes the position that the discharge must be changed because of an alleged error in a record associated with the discharge, and the record has not been corrected by the organization with primary responsibility for corrective action, respond that it will presume the validity of the record in the absence of such corrective action. If the organization empowered to correct the record is within the Department of the Air Force, the DRB should provide the applicant with a brief description of the procedures for requesting correction of the record. If the DRB on its own motion cites this issue as a decisional issue on the basis of equity, it shall address the issue as such.

(vi) When an applicant’s issue contains a general allegation that a certain course of action violated his or her constitutional rights, respond in appropriate cases by noting that the action was consistent with statutory or regulatory authority, and by citing the presumption of constitutionality that attaches to statutes and regulations. If, on the other hand, the applicant makes a specific challenge to the constitutionality of the action by challenging
the application of a statute or regulation is a particular set of circumstances, it is not sufficient to respond solely by citing the presumption of constitutionality of the statute or regulation when the applicant is not challenging the constitutionality of the statute or regulation. Instead, the response must address the specific circumstances of the case.

(b) The DRB may reject the applicant’s position on an issue of equity, or if the decision otherwise provides less than the full change in discharge requested by the applicant, the reasons for not giving the full change requested shall be discussed.

(i) Denial of the full change requested: Issues of equity. If the DRB rejects the applicant’s position on an issue of equity, or if the decision otherwise provides less than the full change in discharge requested by the applicant, the decisional document shall note that conclusion. The DRB shall list reasons for its conclusions on each issue of equity in accordance with the following:

(1) If a reason is based in whole or in part upon a part, statute, constitutional provision, judicial determination, or other source of law, the DRB shall cite the pertinent source of law and the facts in the record that demonstrate the relevance of the source of law to the exercise of discretion on the issue of equity in the applicant’s case.

(2) If a reason is based in whole or in part on a determination as to the occurrence or nonoccurrence of an event or circumstance, including a factor required by applicable Air Force regulations to be considered for determination of the character of and reason for the applicant’s discharge, the DRB shall make a finding of fact for each such event or circumstance.

(i) For each such finding, the decisional document shall list the specific source of the information relied upon. This may include the presumption of regularity in appropriate cases. If the information is listed in the service record section of the decisional document, a citation is not required.

(ii) If a finding of fact is made after consideration of contradictory evidence in the record (including information cited by the applicant or otherwise identified by members of the DRB), the decisional document shall explain why the contradictory evidence was insufficient to overcome the presumption. In an appropriate case, the explanation as to why the contradictory evidence was insufficient to overcome the presumption of regularity may consist of a statement that the applicant failed to provide sufficient corroborating evidence, or that the DRB did not find the applicant’s testimony to be sufficiently credible to overcome the presumption.

(3) If the DRB disagrees with the position of the applicant on an issue of equity, the following guidance applies in addition to the guidance in §865.112(1) (1) and (2):

(i) The DRB may reject the applicant’s position by explaining why it disagrees with the principles set forth in the applicant’s issue (including principles derived from cases cited by the applicant).

(ii) The DRB may reject the applicant’s position by explaining why the principles set forth in the applicant’s issue (including principles derived from cases cited by the applicant) are not relevant to the applicant’s case.

(iii) The DRB may reject an applicant’s position by explaining why the applicant’s issue is not a matter upon which the DRB grants a change in discharge as a matter of equity. When the
§ 865.113 Recommendations by the Director of the Personnel Council and Secretarial Review Authority.

(a) The Director of the Personnel Council may forward cases for consideration by the Secretarial Review Authority (SRA) under rules established by the Secretary of the Air Force.

(b) The following categories of discharge review requests are subject to the review of the Secretary of the Air Force or the Secretary's designee.

(1) Cases in which a minority of the DRB panel requests their submitted opinions be forwarded for consideration (refer to §865.110(h)).

(2) Cases when required in order to provide information to the Secretary on specific aspects of the discharge review function which are of interest to the Secretary.

(3) Any case which the Director, Air Force Personnel Council believes is of significant interest to the Secretary.

(c) The Secretarial Reviewing Authority is the Secretary of the Air Force or the official to whom he has delegated this authority. The SRA may review the types of cases described above before issuance of the final notification of a decision. Those cases forwarded for review by the SRA shall be considered under the standards set forth in §865.121 and DOD Directive 1332.28.

(d) There is no requirement that the Director of the Personnel Council submit a recommendation when a case is forwarded to the SRA. If a recommendation is submitted, however, it should be in accordance with the guidelines described below.

(e) Format for Recommendation. If a recommendation is provided, it shall contain the Director’s views whether there should be a change in the character of or reason for discharge (or both). If the Director recommends such a change, the particular change to be made shall be specified. The recommendation shall set forth the Director’s position on decisional issues submitted by the applicant in accordance with the following:

(1) Adoption of the DRB’s Decisional Document. The recommendation may state that the Director has adopted the decisional document prepared by the majority. The Director shall ensure that the decisional document meets the requirements of this regulation.

(2) Adoption of the Specific Statements From the Majority. If the Director adopts the views of the majority only in part, the recommendation shall
cite the specific matter adopted from the majority. If the Director modifies a statement submitted by the majority, the recommendation shall set forth the modification.

(3) Response To Issues Not Included in Matter Adopted From the Majority. The recommendation shall set forth the following if not adopted in whole or in part from the majority:

(i) The issues on which the Director's recommendation is based. Each such decisional issue shall be addressed by the Director in accordance with §865.112 of this subpart.

(ii) The Director's response to items submitted as issues by the applicant under §865.111 of this subpart.

(iii) Reasons for rejecting the conclusions of the majority with respect to decisional issues which, if resolved in the applicant's favor, would have resulted in greater relief for the applicant than that afforded by the Director's recommendation. Each issue shall be addressed in accordance with §865.112 of this subpart.

(f) Copies of the proposed decisional document on cases that have been forwarded to the SRA (except for cases reviewed on the DRB's own motion without the participation of the applicant or the applicant's counsel) shall be provided to the applicant and counsel or representative, if any. The document will include the Director's recommendation to the SRA, if any. Classified information shall be summarized.

(g) The applicant shall be provided with a reasonable period of time, but not less than 25 days, to submit a rebuttal to the SRA. An issue in rebuttal consists of a clear and specific statement by the applicant in support of or in opposition to the statements of the DRB or Director on decisional issues and other clear and specific issues that were submitted by the applicant. The rebuttal shall be based solely on matters in the record when the DRB closed the case for deliberation or in the Director's recommendation.

(h) Review of the Decisional Document. If corrections in the decisional document are required, the decisional document shall be returned to the DRB for corrective action. The corrected decisional document shall be sent to the applicant and counsel or representative, if any, but a further opportunity for rebuttal is not required unless the correction produces a different result or includes a substantial change in the discussion by the DRB or Director of the issues raised by the majority or the applicant.

(i) The Addendum of the SRA. The decision of the SRA shall be in writing and shall be appended as an addendum to the decisional document.

(1) The SRA's Decision. The addendum shall set forth the SRA's decision whether there will be a change in the character of or reason for discharge (or both); if the SRA concludes that a change is warranted, the particular change to be made shall be specified. If the SRA adopts the decision recommended by the DRB or the Director, the decisional document shall contain a reference to the matter adopted.

(2) Discussion of Issues. In support of the SRA's decision, the addendum shall set forth the SRA's position on decisional issues, items submitted by an applicant and issues raised by the DRB and the Director. The addendum will state that:

(i) The SRA has adopted the Director's recommendation.

(ii) The SRA has adopted the proposed decisional document prepared by the DRB.

(iii) If the SRA adopts the views of the DRB or the Director only in part, the addendum shall cite the specific statements adopted. If the SRA modifies a statement submitted by the DRB or the Director, the addendum shall set forth the modification.

(3) Response To Issues Not Included in Matter Adopted From the DRB or the Director. The addendum shall set forth the following if not adopted in whole or in part from the DRB or the Director:

(i) A list of the issues on which the SRA's decision is based. Each such decisional issue shall be addressed by the SRA. This includes reasons for rejecting the conclusion of the DRB or the Director with respect to decisional issues which, if resolved in the applicant's favor, would have resulted in change to the discharge more favorable to the applicant than that afforded by the SRA's decision.
§ 865.114 Decisional document.

(a) A decisional document shall be prepared for each review conducted by the DRB.

(b) At a minimum, the decisional document shall contain:

(7) A list of the items submitted as issues on DD Form 293 or expressly incorporated therein and such other items submitted as issues by the applicant that are identified as inadvertently omitted under § 865.106(g)(4). § 865.118 Availability of Discharge Review Board documents for public inspection and copying.

(a) A copy of the decisional document prepared in accordance with § 865.114 of this subpart, shall be made available for public inspection and copying promptly after a notice of the final decision is sent to the applicant.
§ 865.119 Privacy Act information.

Information protected under the Privacy Act is involved in discharge review functions. The provisions of 32 CFR part 286a will be observed throughout the processing of a request for review of discharge or dismissal.

§ 865.120 Discharge review standards.

(a) Objective of review. The objective of a discharge review is to examine the propriety and equity of the applicant’s discharge and to effect changes, if necessary. The standards of review and the underlying factors which aid in determining whether the standards are met shall be historically consistent with criteria for determining honorable service. No factors shall be established which require automatic change or denial of a change in a discharge. Neither the DRB nor the Secretary of the Air Force shall be bound by any methodology of weighing the factors in reaching a determination. In each case, the DRB or Secretary of the Air Force...
shall give full, fair, and impartial consideration to all applicable factors prior to reaching a decision. An applicant may not receive a less favorable discharge than that issued at the time of separation. This does not preclude correction of clerical errors.

(b) Propriety. A discharge shall be deemed to be proper unless in the course of discharge review, it is determined that:

(1) There exists an error of fact, law, procedures, or discretion associated with the discharge at the time of issuance; and that the rights of the applicant were prejudiced thereby (such error shall constitute prejudicial error, if there is substantial doubt that the discharge would have remained the same if the error had not been made); or

(2) A change in policy by the Air Force made expressly retroactive to the type of discharge under consideration, requires a change in the discharge.

(c) When a record associated with the discharge at the time of issuance involves a matter in which the primary responsibility for corrective action rests with another organization (for example, another Board, agency, or court), the DRB will recognize an error only to the extent that the error has been corrected by the organization with primary responsibility for correcting the record.

(d) The primary function of the DRB is to exercise its discretion on issues of equity by reviewing the individual merits of each application on a case-by-case basis. Prior decisions in which the DRB exercised its discretion to change a discharge based on issues of equity (including the factors cited in such decisions or the weight given to factors in such decisions) do not blind the DRB in its review of subsequent cases because no two cases present the same issues of equity.

(e) The following applies to applicants who received less than fully honorable administrative discharges because of their civilian misconduct while in an inactive reserve component and who were discharged or had their discharge reviewed on or after April 20, 1971: the DRB shall either recharacterize the discharge to honorable without any additional proceedings or additional proceedings shall be conducted in accordance with the Court’s Order of December 3, 1981, in Wood v. Secretary of Defense to determine whether proper grounds exist for the issuance of a less than honorable discharge, taking into account that:

(1) An Under Other Than Honorable (formerly Undesirable) Discharge for an inactive reservist can only be based upon civilian misconduct found to have affected directly the performance of military duties;

(2) A General Discharge for an inactive reservist can only be based upon civilian misconduct found to have had an adverse impact on the overall effectiveness of the military, including military morale and efficiency.

(f) The following applies to applicants who received less than fully honorable administrative discharges (between June 21, 1971 and March 2, 1982) because evidence developed by or as a direct result of compulsory urinalysis testing was introduced in the discharge proceedings. Applicants who believe they are members of the above category will so indicate this by writing “CATEGORY W” in block 7 of their DD Form 293. AFMPC/MPCDOA1 will expedite processing these applications to the designated “CATEGORY W” reviewer. For class members the designated reviewer shall either recharacterize the discharge to honorable without any additional proceedings or complete a review to determine whether proper ground exists for the issuance of a less than honorable discharge. If the applicant is determined not to be a class member, the application is returned to normal review procedure channels. If new administrative proceedings are initiated, the former service member must be notified of:

(1) The basis of separation other than drug abuse or use or possession of drugs based upon compelled urinalysis that was specified in the commander’s report and upon which the Air Force now seeks to base a less than honorable discharge.

(2) The full complement of procedural protections that are required by current regulations.

(3) Name, address and telephone number of an Area Defense Counsel with
§ 865.120

whom the former service member has a right to consult, and

(4) The right to participate in the new proceedings to be conducted at the Air Force base nearest the former service member’s current address, or to elect to maintain his or her present character of discharge.

(g) Equity. A discharge shall be deemed to be equitable unless:

(1) In the course of a discharge review, it is determined that the policies and procedures under which the applicant was discharged differ in material respects from policies and procedures currently applicable on a service-wide basis to discharges of the type under consideration provided that:

(i) Current policies or procedures represent a substantial enhancement of the rights afforded an applicant in such proceedings; and

(ii) There is substantial doubt that the applicant would have received the same discharge if relevant current policies and procedures had been available to the applicant at the time of the discharge proceedings under consideration.

(2) At the time of issuance, the discharge was inconsistent with standards of discipline in the Air Force; or

(3) In the course of a discharge review, it is determined that a change is warranted based upon consideration of the applicant’s military record and other evidence presented to the DRB viewed in conjunction with the factors listed in this section and the regulations under which the applicant was discharged, even though the discharge was determined to have been otherwise equitable and proper at the time of issuance. Areas of consideration include, but are not limited to:

(i) Quality of Service, as evidenced by factors such as:

(A) Service History, including date of enlistment, period of enlistment, highest rank achieved, conduct or efficiency ratings (numerical or narrative).

(B) Awards and decorations.

(C) Letters of commendation or reprimand.

(D) Combat service.

(E) Wounds received in action.

(F) Record of promotions and demotions.

(G) Level of responsibility at which the applicant served.

(H) Other acts of merit that may not have resulted in a formal recognition through an award or commendation.

(I) Length of service during the period which is the subject of the discharge review.

(J) Prior military service and type of discharge received or outstanding post-service conduct to the extent that such matters provide a basis for a more thorough understanding of the performance of the applicant during the period of service which is the subject of the discharge review.

(K) Convictions by court-martial.

(L) Record of non-judicial punishment.

(M) Convictions by civil authorities while a member of the Air Force, reflected in the discharge proceedings or otherwise noted in military records.

(N) Record of periods of unauthorized absence.

(O) Records relating to a discharge in lieu of court-martial.

(ii) Capability to Serve, as evidenced by factors such as:

(A) Total Capabilities. This includes an evaluation of matters such as age, educational level, and aptitude scores. Consideration may also be given to whether the individual met normal military standards of acceptability for military service and similar indicators of an individual’s ability to serve satisfactorily, as well as ability to adjust to the military service.

(B) Family/Personal Problems. This includes matters in extenuation or mitigation of the reason for discharge that may have affected the applicant’s ability to serve satisfactorily.

(C) Arbitrary or Capricious Actions. This includes actions by individuals in authority which constitute a clear abuse of such authority and which, although not amounting to prejudicial error, may have contributed to the decision to discharge or to the characterization of service.

(D) Discrimination. This includes unauthorized acts as documented by records or other evidence.
§ 865.121 Complaints concerning decisional documents and index entries.

Former members of the Air Force or their counsel or representative may submit complaints with respect to the decisional document issued in the former member’s case.

(a) All complaints should be processed in accordance with 32 CFR part 70 and should be forwarded to:

Assistant Secretary of Defense, Manpower, Reserve Affairs and Logistics, The Pentagon, Washington, DC 20331

(b) The Air Force Discharge Review Board will respond to all complaints in accordance with 32 CFR part 70.

§ 865.122 Summary of statistics for Discharge Review Board.

The Air Force Discharge Review Board shall prepare and provide to the Deputy Assistant Secretary of Defense (Military Personnel and Force Management) DASD(MP&FM), Office of the ASD(MRA&L), a semiannual report of discharge review actions in accordance with §865.125.

§ 865.123 Approval of exceptions to directive.

Only the Secretary of the Air Force may authorize or approve a waiver of, or exception to, any part of this subpart.

§ 865.124 Procedures for regional hearings.

Composition of the board for these hearings consists of three members from Washington with augmentation by two members from nearby local Air Force resources. The nearest Air Force installation or Air Force Reserve Unit is tasked to provide two officers to serve as members of the DRB. Active duty members will serve on the board as an additional duty. Reserve members will be on a temporary tour of active duty (TTAD) for the duration of the hearings. Detailed information must be provided to the individuals selected to serve before each hearing date. The administrative staff in Washington processes all cases for regional hearings, establishes hearing dates, and returns the records to the Manpower and Personnel Center at Randolph AFB, Texas, when the case is finalized.

§ 865.125 Report requirement.

Semi-annual reports will be submitted by the 20th day of April and October for the preceding 6-month reporting period (1 October through 31 March and 1 April through 30 September). The reporting period will be inclusive from the first through the last days of each reporting period. The report will contain four parts:

(a) Part 1—Regular Cases are all those that are not included in part 2 below.

(b) Part 2—Other cases include the following:

(2) Special Discharge Review Program cases.

(c) Part 3—Total—combine parts 1 and 2.

(d) Part 4—Cases outstanding include all those eligible cases in which a DD Form 293 has been received but has not been heard by the Discharge Review Board as the reporting date for this report. Reports will be prepared by the Air Force Discharge Review Board and submitted to the Army Discharge Review Board (executive agent for DRB matters).

§ 865.126 Sample report format.

§ 881.9 Form prescribed.

The following form, DD Form 2168, Application for Discharge of Member or Survivor of Member of a Group Certified To Have Performed Active Duty With the Armed Forces of the U.S., is required for processing the stated claims.

APPENDIX A TO PART 881—GLOSSARY OF TERMS

Civilian or Contractual Group—An organization whose members rendered service to the U.S. Air Force or a predecessor organization during a period of armed conflict. In that capacity the members were considered civilian employees with the Armed Forces or contractors with the U.S. Government, providing direct support to the Armed Forces. An example of such a group is the Women's Air Force Service Pilots, who were Federal civilian employees attached to the U.S. Army Air Force during World War II.

Discharge—Complete severance from the active military service. The discharge includes a reason and characterization of service.

Recognized Group—A group whose service the Secretary of the Air Force has determined was "active duty for the purposes of all laws administered by the Department of Veterans' Affairs," such as VA benefits under 38 U.S.C. 106.
§ 884.1 Authority.

A general court martial convening authority (GCMCA) may authorize delivery of a member of that command to Federal or state civil authorities. The GCMCA may delegate this authority to an installation or equivalent commander. See AFPD 51–10, Making Military Personnel, Employees, and Dependents Available to Civilian authorities, paragraphs 8 and 9 for sources of authority.

§ 884.2 Assigned responsibilities.

(a) The Under Secretary of Defense (USD), Personnel & Readiness (P&R), is the denial authority for all requests for return of members to the United States for delivery to civilian authorities when the request falls under §884.9(e).

(b) The Air Force Judge Advocate General (TJAG) may approve requests that fall under §884.9(e) or recommend denial of such requests. TJAG or a designee may approve or deny:

(1) Requests for return of members to the United States for delivery to civilian authorities when the request falls under §884.9(f).

(2) Requests for delays of up to 90 days completing action on requests for return of members to the United States for delivery to civilian authorities.

(c) The Air Force Legal Services Agency’s Military Justice Division (HQ AFLSA/JAJM), 172 Luke Avenue, Suite 343, Bolling AFB, DC 20332–5113, processes requests for return of members to the United States for delivery to civilian authorities and notifies requesting authorities of decisions on requests. HQ AFLSA/JAJM completes action on requests within 30 days after receipt of the request, unless a delay is granted; they send all reports and notifications to USD/P&R and to the DoD General Counsel (DoD/GC), as required by this part; and they handle all communications with requesters.

§ 884.3 Placing member under restraint pending delivery.

Continue restraint only as long as is reasonably necessary to deliver the member to civilian authorities. See AFPD 51–10, paragraph 5. To determine whether probable cause exists and whether a reasonable belief exists that restraint is necessary, the commander should refer to the Manual for Courts-Martial (MCM), 1984, specifically, Rules for Courts-Martial (RCM) 305(h)(2)(B), and the discussion following it. The requirement for the formal review of restraint found in MCM 1984, RCM 305, and AFI 51–201, Military Justice Guide, does not apply.

§ 884.4 Release on bail or recognizance.

(a) Before delivering an Air Force member to a civilian authority, the commander or designee directs the member in writing to report to a designated Air Force unit, activity, or recruiting office for further instructions in the event the civilian authority releases the member (see §884.17). The commander designates the member’s unit, if the civilian authority is in the immediate vicinity of the member’s base. The commander advises the designated Air Force unit, activity, or recruiting office of the situation. Once the member has been released and has reported to the designated authority, it immediately sends the member’s name, rank, Social Security number (SSN), organization, and other pertinent information to the member’s commander, who then provides further instructions.

(b) The member’s commander notifies the military personnel flight (MPF) of the situation. In turn, the MPF provides an information copy to the Air Force Personnel Center (AFPC) assignment office responsible for the member’s Air Force specialty code (AFSC), as listed in AFMAN 36–2105, Officer Classification, or AFMAN 36–2108, Airman Classification. If contact cannot be made with the member’s commander, the Air Force unit, activity, or recruiting office previously designated by the commander obtains instructions from HQ AFPC/DPMARS or DPMRFP2.

1 Air Force publications may be obtained through NTIS, 5285 Port Royal Road, Springfield, VA 22161, if not available online at http://afpubs.hq.af.mil.

2 See footnote in §884.1.

3 See footnote in §884.1.
§ 884.5 Requests under the interstate agreement on Detainer’s Act.

When either the prisoner or state authorities make a request under the Detainer’s Act, follow the procedures in Title 18 U.S.C. App. Section 1, et seq. The Act applies only to a person who has entered upon a term of imprisonment in a penal or correctional institution and is, therefore, inapplicable to members in pretrial confinement.

§ 884.6 Requests by Federal authorities for military personnel stationed within the United States and its possessions.

(a) When Federal authorities request the delivery of service members, the Air Force will normally deliver service members when the request is accompanied by a warrant issued pursuant to the Federal Rules of Criminal Procedure, rule 4, or when a properly identified Federal officer represents that such a warrant has been issued.

(b) A U.S. marshal, deputy marshal, or other officer authorized by law will call for and take into custody persons desired by Federal authorities for trial. The officer taking custody must execute a statement in substantially the form set out in § 884.18.

§ 884.7 Requests by state and local authorities when the requested member is located in that state.

(a) The Air Force normally will turn over to the civilian authorities of the state, upon their request, Air Force members charged with an offense against state or local law. Each request by such civilian authorities for the surrender of a member of the Air Force should normally be accompanied by a copy of an indictment, information, or other document used in the state to prefer charges, or a warrant that reflects the charges and is issued by a court of competent jurisdiction.

(b) Before making delivery to civilian authorities of a state, the commander having authority to deliver will obtain a written agreement, substantially in the form of § 884.18, from a duly authorized officer of the state.

(c) Where the state authority cannot agree to one or more of the conditions set out in the form, the commander may authorize modification. The requirements of the agreement are substantially met when the state authority informs the accused’s commander of the accused’s prospective release for return to military authorities and when the state furnishes the accused transportation back to his or her station, together with necessary funds to cover incidental expenses en route. The accused’s commander provides copies of the statement or agreement of this section and in § 884.6(b) to the civilian authority to whom the member was delivered and to the Air Force unit, activity, or recruiting office nearest to the place of trial designated in the agreement as the point of contact in the event of release on bail or on recognizance (see § 884.4). The accused’s commander immediately notifies the civilian authority if the member has been discharged from the Air Force.

§ 884.8 Request for delivery by state authorities when the member is located in a different state.

(a) This part applies to members who are located in the United States. With respect to the extradition process, Air Force personnel have the same status as persons not in the Armed Forces. Accordingly, if a state other than the state in which the member is located requests the delivery of a military member, in the absence of a waiver of extradition process by the member concerned, that state must use its normal extradition procedures to make arrangements to take the individual into custody in the state where he or she is located.

(b) The Air Force will not transfer a military member from a base within one state to a base within another state for the purpose of making the member amenable to prosecution by civilian authorities.

§ 884.9 Requests for custody of members stationed outside the United States.

(a) Authority. This section implements Pub. L. 100–456, section 721(a), and DoD Directive 5525.9, December 27, 1988.

(b) The Air Force expects members to comply with orders issued by Federal or state court of competent jurisdiction, unless noncompliance is legally
§ 884.10 Returning members, employees, and family members from overseas.

The Air Force expects persons overseas wanted by Federal or state authorities to make themselves available to those authorities for disposition. If they do not, DoD Directive 5525.9, Compliance of DoD Members, Employees, and Family Members Outside the United States With Court Orders, 10 U.S.C. 814, and Pub. L. 100–456, section 721(a), authorize and require commanders to respond promptly to requests from civilian authorities for assistance in returning members, civilian employees, and family members from overseas.

§ 884.11 Procedures for return of an Air Force member to the United States.

(a) Include the following information in a request for return of an Air Force member to the United States for delivery to civilian authorities.

(1) Fully identify the member sought by providing the member’s name, grade, SSN, and unit of assignment, to the extent the information is known.

(2) Specify the offense for which the member is sought. If the member is charged with a crime, specify the maximum punishment under the laws of the requesting jurisdiction. Specify whether the member is sought in connection with the unlawful or contemptuous taking of a child from the jurisdiction of a court or from the lawful custody of another person, the member’s commander will normally expeditiously return the member to the United States for delivery to the requesting authorities.

(1) A serious offense is defined as one punishable by confinement for more than 1 year under the laws of the requesting jurisdiction.

(2) Delivery of the member is not required if the controversy can be resolved without returning the member to the United States or if the request for delivery of the member is denied in accordance with this instruction.

(f) Ordinarily, do not return an Air Force member stationed outside the United States to the United States for delivery to civilian authorities if the offense is not specified in paragraph (e) of this section. TJAG may direct return when deemed appropriate under the facts and circumstances of the particular case.

(g) Before taking action under this section, give the member the opportunity to provide evidence of legal efforts to resist the court order or process sought to be enforced or otherwise to show legitimate cause for noncompliance.4

§ 884.13

process directing or authorizing the requesting authorities to take the member into custody. Also, include reports of investigation and other materials concerning the background of the case if reasonably available.

(4) Indicate whether the requesting authorities will secure the member’s lawful delivery or extradition from the port of entry to the requesting jurisdiction, whether they will do so at their own expense, and whether they will notify HQ AFLSA/JAJM of the member’s release from custody and of the ultimate disposition of the matter.

(5) Any U.S. attorney or assistant U.S. attorney, governor or other duly authorized officer of a requesting state or local jurisdiction, or the judge, magistrate, or clerk of a court of competent jurisdiction must sign the request.

(b) Civilian authorities making requests for return of members to the United States for delivery to them should direct their request to HQ AFLSA/JAJM. If another Air Force agency or official receives the request, immediately send it to HQ AFLSA/JAJM.

(c) Upon receipt of a request, HQ AFLSA/JAJM promptly notifies the member’s commander, who consults with the servicing staff judge advocate. The commander provides a report of relevant facts and circumstances and recommended disposition of the request through command channels to HQ AFLSA/JAJM. If the commander recommends denial of the request or a delay in processing or approving it, the commander provides the information specified in § 884.12(a)(1) through (a)(4) or § 884.13(a)(1) through (a)(4).

(d) After proper authority has approved a request for return of a member to the United States for delivery to civilian authorities, HQ AFLSA/JAJM notifies AFPC of the decision to return the member to the United States. AFPC issues permanent change of station (PCS) orders, assigning the member to an installation as close to the requesting jurisdiction as possible, considering the needs of the Air Force for personnel in the member’s rank and AFSC.

(e) HQ AFLSA/JAJM notifies requesting authorities of the member’s new assignment, port of entry into the United States and estimated time of arrival. Except during unusual circumstances, HQ AFLSA/JAJM notifies requesting authorities at least 10 days before the member’s return.

§ 884.12 Delays in returning members to the United States.

(a) On a request to return a member to the United States for delivery to civilian authorities, TJAG may grant a delay of not more than 90 days in completing action when one or more of the following are present:

1. Efforts are in progress to resolve the controversy to the satisfaction of the requesting authorities without the member’s return to the United States.

2. Additional time is required to permit the member to provide satisfactory evidence of legal efforts to resist the request or to show legitimate cause for noncompliance.

(3) Additional time is required to permit the commander to determine the specific effect of the loss of the member on command mission and readiness or to determine pertinent facts and circumstances relating to any international agreement, foreign judicial proceeding, DoD, Air Force, or other military department investigation or court-martial affecting the member.

(4) Other unusual facts or circumstances warrant delay.

(b) AFLSA/JAJM promptly reports all delays in cases falling under AFPD 51–10, paragraph 3, through SAF/GC and SAF/MI or USD/P&R and to DoD/GC.

(c) Delays in excess of 90 days are not authorized in cases falling under AFPD 51–10, paragraph 3, unless approved by USD/P&R.

§ 884.13 Denials of a request for return of a member to the United States.

(a) A request for return of a member to the United States for delivery to civilian authorities may be denied when:

1. The member’s return would have an adverse impact on operational readiness or mission requirements.

2. An international agreement precludes the member’s return.

See footnote in §884.1.
§ 884.14 Compliance with court orders by civilian employees and family members.

(a) The Air Force expects civilian employees and family members to comply with orders issued by Federal or state court of competent jurisdiction, unless noncompliance is legally justified. Air Force civilian employees who persist in noncompliance are subject to adverse administrative action, including separation for cause as provided in AFI 36–704, Discipline and Adverse Actions (PA).6

(b) Air Force officials ensure that civilian personnel and family members do not use assignments or officially sponsored residence outside the United States to avoid compliance with valid orders of Federal or state court of competent jurisdiction.

§ 884.15 Procedures involving a request by Federal or state authorities for custody of an overseas civilian employee or a command-sponsored family member.

(a) The procedures of this section apply to civilian employees, including nonappropriated fund instrumentality (NAFI) employees, who are assigned outside the United States, and to command-sponsored family members residing outside the United States.

(b) This section applies only when Air Force authorities receive a request for assistance from Federal, state, or local authorities involving noncompliance with a court order and when noncompliance is the subject of any of the following: An arrest warrant; indictment, information, or other document used in the jurisdiction to prefer charges; or a contempt citation involving the unlawful or contemptuous removal of a child from the jurisdiction of the court or the lawful custody of a parent or third party.

(c) To the maximum extent possible, consistent with provisions of international agreements and foreign court orders, DoD and military department investigations, and judicial proceedings, commanders comply with requests for assistance. After exhausting all reasonable efforts to resolve the matter without the employee or family member returning to the United States, the commander shall strongly encourage the individual to comply. The commander shall consider imposing disciplinary action (including removal) against the employee or withdrawing command sponsorship of the family member, as appropriate, for failure to comply.

§ 884.16 Reporting requests for assistance and action.

The commander or designee promptly reports each request for assistance and intended action by message. Send reports to HQ AFLSA/JAJM, which submits required reports, through channels, to USD/P&R. HQ AFLSA/JAJM conducts all communications with requesters.

§ 887.0 Purpose.

§ 887.1 Explanation of terms.

(a) Certificate in lieu (CIL). A certificate issued in lieu of a lost or destroyed certificate of separation.

(b) Service person. One who:

1. Is currently serving as a member of the Air Force; or

2. Formerly served in the active military service as a member of the Air Force and all military affiliation was terminated after September 25, 1947.

(c) Surviving spouse. A survivor who was legally married to a member of the service at the time of the member’s death.
§ 887.2 Guardian. A person or group of persons legally placed in charge of the affairs of a service member adjudicated mentally incompetent.

§ 887.2 Safeguarding certificates.

Certificates of separation are important personal documents. Processing applications for CILs is costly to the Air Force. To keep requests for CILs at a minimum:

(a) Personnel officers will tell members of the importance of safeguarding the original certificates.

(b) Persons who issue CILs will type or stamp across the lower margin "THIS IS AN IMPORTANT RECORD—SAFEGUARD IT" (if it is not printed on the certificate).

Note: Do not show this legend on DD Form 363AF, Certificate of Retirement.

§ 887.3 Persons authorized CILs.

CILs may be issued only to:

(a) A service member whose character of service was honorable or under honorable conditions.

(b) A surviving spouse.

(c) A guardian, when a duly certified or otherwise authenticated copy of the court order of appointment is sent with the application.

§ 887.4 Requesting CILs.

(a) Standard Form 180 (SF 180), Request Pertaining to Military Records, should be used by persons who had service as shown in § 887.3(a). However, a letter request, with sufficient identifying data and proof that the original certificate of separation was lost or destroyed, may be used. Members on active duty will forward their applications through their unit commander.

(b) SF 180, or any similar form used by agencies outside the Department of Defense, will be used by persons shown in § 887.3(b), (c), and § 887.7.

Note: Persons authorized CILs may be assisted in their request by the Customer Service Unit (DPMAC) in the consolidated base personnel office.

§ 887.5 Issuing CILs.

The issuing authority makes sure that the proper CIL form is issued, particularly if the service member has had service in both the Army and Air Force. The assignment status as of September 26, 1947 determines if the person was in the Army or Air Force at the time of discharge or release from active duty. Separations that took place on or before September 25, 1947 are considered Army separations. Those that took place on or after September 26, 1947 are considered Air Force separations, unless the records clearly show the person actually served as a member of the Army during the period of service for which the CIL is requested. Individuals indicated in § 887.3 may be issued CILs prepared on one of the following forms:

(a) DD Form 303AF, Certificate in Lieu of Lost or Destroyed Discharge, is used to replace any lost or destroyed certificate of discharge from the Air Force.

(b) DD Form 363AF, Certificate of Retirement, is used to replace any lost or destroyed certificate of discharge from the Air Force (issued only to service members).

(c) AF Form 386, Certificate in Lieu of Lost or Destroyed Discharge (AUS), is used to replace any lost or destroyed certificate of discharge from the Army.

(d) AF Form 681, Certificate in Lieu of Lost or Destroyed Certificate of Service (AUS), is used to replace any lost or destroyed certificate of service, or like form, issued on release from extended active duty (EAD) in the Army.

(e) AF Form 682, Certificate in Lieu of Lost or Destroyed Certificate of Service (USAF), is used to replace any lost or destroyed certificate of service, or like form, issued on release from EAD in the Air Force.

§ 887.6 Who must sign CILs.

(a) DD Form 363AF must be signed by a general officer or colonel.

(b) All other CILs must be signed by a commissioned officer, NCO in grade of master sergeant or above, or a civilian in grade GS-7 or above.

§ 887.7 Persons separated under other than honorable conditions (undesirable or bad conduct) or dishonorable discharge.

Those persons whose character of service was under other than honorable conditions or dishonorable are not eligible for CILs. However, an official photocopy of the report of separation...
or certificate of discharge (DD Form 214, Certificate of Release or Discharge From Active Duty, or equivalent form), if available, may be sent on written request of the member.

(a) On the DD Forms 214 issued before October 1, 1979, the following items will be masked out before a photocopy is sent out:

1. Specific authority for separation.
2. Narrative reason for separation.
3. Reenlistment eligibility code.
4. SPD or separation designation number (SDN).

(b) For DD Forms 214 issued after October 1, 1979, send one copy with the Special Additional Information Section, and one copy without it.

(c) If a report of separation is not available, furnish a brief official statement of military service. Use the letterhead stationery of the issuing records custodian. File copy of the statement in the master personnel record (MPerR).

(d) If (obsolete form) DD Form 258AF, Undesirable Discharge Certificate, has been issued, it may be replaced with DD Form 794AF, Discharge Under Other Than Honorable Conditions.

(e) A $4.25 fee may be charged for issuing a document under this section, with the exception of paragraph (d) of this section.

§ 887.9 Furnishing photocopies of documents.

This part does not prohibit authorities (see §887.8) from supplying photocopies of certificates of service, reports of separation, or similar documents. Agencies that provide copies of DD Form 214 (or their equivalent) will conspicuously affix an "official" seal or stamp on them to indicate that these documents are copies made from official United States Air Force military personnel records.

(b) The principal competitive-alternate method. The nominating authority designates his or her principal nominee and names up to nine other nominees who are evaluated by the Academy and ranked behind the principal nominee in order of merit. If the principal nominee is fully qualified, that individual is offered the appointment; otherwise, the fully qualified nominee ranked the highest by the Academy is offered the appointment.

(c) The competitive method. At the request of the nominating authority, the Academy evaluates the records of all
the nominees and ranks them in order of merit. The fully qualified nominee ranked the highest by the Academy is offered the appointment.

§ 901.19 Qualified alternate selection.

Fully qualified candidates not offered appointments in their nominating category are placed in a nationwide pool of qualified alternates. To bring the Cadet Wing up to full strength, additional appointments are selected from this pool in order of merit. The first 150 additional appointments are of individuals having nominations from Members of Congress. Thereafter, three of every four additional appointments are of individuals having nominations from the Vice President, Members of Congress, Delegates to Congress (from the District of Columbia, Virgin Islands, and Guam), Governor of Puerto Rico, Resident Commissioner of Puerto Rico, or Administrator of Panama Canal Commission.

§ 901.20 Notice of nomination.

The Director of Admissions (USAFA/RR) acknowledges receipt of all applicants’ nominations. If not previously received, USAFA/RR forwards a precandidate questionnaire for completion. If the precandidate questionnaire indicates the potential to qualify for admission to the Academy or the Preparatory School, USAFA/RR sends the individual a candidate kit which includes: USAFA Form 146, AFA Candidate Personal Data Record; USAFA Form 147, AFA Candidate Activities Record; and USAFA Form 148, AFA Request for Secondary School Transcript; AF Form 2030, Drug Abuse Certificate; and complete processing instructions.

§ 901.21 Notification of selection or nonselection.

(a) Notification of candidates selected for appointment are furnished by USAFA/RRS to HQ USAF/DPPA. HQ USAF/DPPA notifies Members of Congress and the Vice President of offers of appointment. After HQ USAF/DPPA notifies the nominating sources and advises USAFA/RRS that notification has been completed, USAFA/RRS notifies each appointee (civilian, Regular or Reserve service member) by letter, enclosing an acceptance or declination statement form. On receipt of an acceptance statement for each unconditional offer of appointment, USAFA/RRS forwards the completed candidate file to Cadet Examinations and Records (USAFA/RR). Conditional offers of appointment that have been accepted are held by USAFA/RRS until the conditional factor is resolved—medical status cleared, satisfactory preparatory school or college transcript received, proof of citizenship provided, etc. HQ USAF/DPPA is notified of removal of conditional status from offer of appointment in order to notify nominating sources as stated above. USAFA/RR completes admissions in-processing by:

(1) Forwarding an appointment kit which includes detailed reporting instructions to each appointee.

(2) Issuing invitation to travel orders.

(3) Notifying the Directorate of Cadet Personnel (USAFA/DPYC) of Regular airman appointees. Regular airmen in technical school completes all phases of training, if time permits, before reporting to the Academy. On graduation, the airmen remain at the technical school in casual status (unless otherwise directed by HQ AFMPC/MPCRAC1) until earliest reporting date for the Academy.

(b) The Department of Defense Medical Examination Review Board (DODMERB) notifies applicants of their medical status. USAFA/RRS informs HQ USAF/DPPA of changes in medical status of candidates offered conditional appointments.

(c) USAFA/RRS notifies each unsuccessful candidate by May 1. For active duty Air Force personnel, the servicing CBPO also is notified and cancels the airman’s Assignment Availability Code 05.

§ 901.22 Notification of change of address or station assignment.

The applicant or nominee is personally responsible for notifying USAFA/RRS, USAF Academy, Colorado Springs, CO 80840–5651, of every change of address or station assignment. Notifications from military personnel must include complete name, grade, SSN, and new organization or unit to which assigned.
§ 901.23 Filling Presidential and airman nominating categories.

If any of the annual quotas of cadets authorized in the Regular airman, Reserve airman, or Presidential nomination categories are not filled, then candidates from the other two categories may fill the vacancies on a best-qualified basis.

§ 901.24 Supply of forms.

USAFA Forms 146, 147, 148 and 149 are stocked and issued by USAFA/RRS, USAF Academy, Colorado Springs, CO 80840–5651. DD Form 1870 is stocked and issued by the Air Force Academy Activities Group, HQ USAF/DPPA, Washington, DC 20330–5060.

§ 901.25 Obligation of cadet appointment.

(a) A cadet who enters the Air Force Academy directly from civilian status and takes an oath of allegiance as a cadet normally assumes a military service obligation of not less than 6 years nor more than 8 years under 10 U.S.C. 651.

(b) A cadet who enters the Air Force Academy from the Regular or Reserve component of the Air Force and fails to complete the Academy course of instruction reverts to enlisted status to complete any prior service obligation under 10 U.S.C. 516.

(c) If they are minors, cadets are required to sign an agreement with the parent’s or guardian’s consent that they will fulfill the following obligations:

1. Complete the Academy course of instruction unless disenrolled from the Academy by competent authority.

2. Accept an appointment and on graduation serve as a commissioned officer in a Regular component of one of the armed services for 5 years.

3. Serve as a commissioned officer in the Reserve component until the 8th anniversary if authorized to resign from the Regular component before the 8th anniversary of their graduation.

4. Be subject to the separation policies in AFR 53–3 and, perhaps, be required to serve on active duty in enlisted status if disenrolled from the Academy before graduation.

5. Reimburse the U.S. Air Force under regulations prescribed by the Secretary of the Air Force for the costs of Academy education if the recipient, voluntarily or because of misconduct, fails to complete the period of active duty incurred.

§ 901.26 Cadet’s oath of allegiance.

On admission, each appointee (except foreign cadets) will be required to take the following oath of allegiance:

I (name), having been appointed an Air Force cadet in the United States Air Force, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States against all enemies, foreign and domestic; that I will bear true faith and allegiance to the same; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties of the office of which I am about to enter. So Help Me God.

If an appointee refuses to take and subscribe to the oath, the appointment is terminated.

§ 901.27 Charging of appointees.

Appointment of candidates is according to §901.18. Selecting of the charged cadets from the nominees for each vacancy is accomplished as follows:

(a) Principal nominee, numbered-alternate method. Principal, if meeting the admission criteria, is appointed and charged. Otherwise the 1st alternate, if meeting the admission criteria, is appointed and charged or the next succeeding numbered alternate who meets the admission criteria is appointed and charged. In instances where a candidate received two principal nominations from two Congressional sources, the principal normally is charged to the Member of Congress submitting the principal nomination first.

(b) Principal nominee, competitive-alternate method. Principal, if meeting the admission criteria, is appointed and charged. All alternates are ranked according to merit. If the principal does not meet admission criteria, the highest-ranking alternate is appointed and charged.

(c) Competitive nominee method. The group of competitive nominees are evaluated, ranked according to merit, and the highest-ranked nominee, if meeting the admission criteria, is appointed and charged.
(d) **Multiple Congressional nominations.** For candidates receiving numerous nominations, normally the candidate is charged to the congressional source. If the candidate is nominated by several congressional sources, the candidate normally is charged to the slate of the congressional member where the candidate ranks the highest, unless the candidate is the principal nominee or a numbered alternate.

(e) **Other sources of nomination.** All other candidates not nominated by congressional, Vice-Presidential, or U.S. Possessions who are appointed are charged to that nominating source (Presidential, AFJROTC, AFROTC, CODDV, Medal of Honor, etc.).

(f) **Qualified alternates.** To bring the Cadet Wing up to strength, the qualified alternate appointed according to §901.19 is charged to the Secretary of the Air Force as a qualified alternate. Those candidates having congressional, Vice-Presidential, or U.S. Possessions nominations appear as a qualified alternate for that nominating source.

(g) **Multiple congressional and other sources of nominations.** For appointees who have multiple nominations, USAFA/RRS determines the appointment category to which they are assigned. Normally a cadet with both congressional and non-congressional nominations is assigned to a congressional authority. Designation of “charged” cadets (those filling a Vice-Presidential, congressional, or U.S. Possessions quota) also is accomplished by USAFA/RRS according to §901.18. USAFA/RRS notifies HQ USAF/DPPA of these assignments which are audited and verified by HQ USAF/DPPA. The Vice Presidential and nominating authorities in Congress and U.S. Possessions are notified of their charged appointees and other nominees who win appointments by HQ USAF/DPPA.

§ 901.28 **OMB approval of information collection requirements.**

The information collection requirements in this part 901 have been approved by the Office of Management and Budget under control numbers 0701-0026, 0701-0063, 0701-0064, 0701-0066 and 0701-0087.

If the defendant fails to appear for arraignment, trial or sentence, or otherwise breaches any condition of bail, the Court may direct a forfeiture of the whole or part of the bail and may on motion after notice to the surety or sureties, if any, enter a judgment for the amount of the forfeiture.

(b) The Chief Judge of the Wake Island Court may prescribe a schedule of bail for any offense under this part which the defendant may elect to post and forfeit without trial, in which case the Court shall enter a verdict of guilty and direct forfeiture of the bail.

(c) Bail will be deposited in cash with the Clerk of the Court.

§ 935.101 Seizure of property.

Any property seized in connection with an alleged offense (unless the property is perishable) is retained pending trial in accordance with the orders of the Court. The property must be produced in Court, if practicable. At the termination of the trial, the Court shall restore the property or the funds resulting from the sale of the property to the owner, or make such other proper order as may be required and incorporate its order in the record of the case. Any item used in the commission of the offense, may, upon order of the Court, be forfeited to the United States. All contraband, which includes any item that is illegal for the owner to possess, shall be forfeited to the United States; such forfeiture shall not relieve the owner from whom the item was taken from any costs or liability for the proper disposal of such item.

§ 935.102 Information.

(a) Any offense may be prosecuted by a written information signed by the Island Attorney. However, if the offense is one for which issue of a citation is authorized by this part and a citation for the offense has been issued, the citation serves as an information.

(b) A copy of the information shall be delivered to the accused, or his counsel, as soon as practicable after it is filed.

(c) Each count of an information may charge one offense only and must be particularized sufficiently to identify the place, the time, and the subject matter of the alleged offense. It shall refer to the provision of law under which the offense is charged, but any error in this reference or its omission may be corrected by leave of Court at any time before sentence and is not grounds for reversal of a conviction if the error or omission did not mislead the accused to his prejudice.

§ 935.103 Motions and pleas.

(a) Upon motion of the accused at any time after filing of the information or copy of citation, the Court may order the prosecutor to allow the accused to inspect and copy or photograph designated books, papers, documents, or tangible objects obtained from or belonging to the accused, or obtained from others by seizure or process, upon a showing that the items sought may be material to the preparation of his defense and that the request is reasonable.

(b) When the Court is satisfied that it has jurisdiction to try the accused as charged, it shall require the accused to identify himself and state whether or not he has counsel. If he has no counsel, but desires counsel, the Court shall give him a reasonable opportunity to procure counsel.

(c) When both sides are ready for arraignment, or when the Court determines that both sides have had adequate opportunities to prepare for arraignment, the Court shall read the charges to the accused, explain them (if necessary), and, after the reading or stating of each charge in Court, ask the accused whether he pleads “guilty” or “not guilty”. The Court shall enter
in the record of the case the plea made to each charge.
(d) The accused may plead “guilty” to any or all of the charges against him, except that the Court may in its discretion refuse to accept a plea of guilty, and may not accept a plea without first determining that the plea is made voluntarily with understanding of the nature of the charge.
(e) The accused may plead “not guilty” to any or all of the charges against him. The Court shall enter a plea of not guilty if the answer of the accused to any charge is such that it does not clearly amount to a plea of guilty or not guilty.
(f) The accused may, at any stage of the trial, with the consent of the Court, change a plea of not guilty to one of guilty. The Court shall then proceed as if the accused had originally pleaded guilty.
§ 935.104 Sentence after a plea of guilty.
If the Court accepts a plea of guilty to any charge or charges, it shall make a finding of guilty on that charge. Before imposing sentence, the Court shall hear such statements for the prosecution and defense, if any, as it requires to enable it to determine the sentence to be imposed. The accused or his counsel may make any reasonable statement he wishes in mitigation or of previous good character. The prosecution may introduce evidence in aggravation, or of bad character if the accused has introduced evidence of good character. The Court shall then impose any lawful sentence that it considers proper.
§ 935.105 Trial.
(a) If the accused pleads not guilty, he is entitled to a trial on the charges in accordance with procedures prescribed in the Rules of Criminal Procedure for the U.S. District Courts (18 U.S.C.), except as otherwise provided for in this part, to the extent the Court considers practicable and necessary to the ends of justice. There is no trial by jury.
(b) All persons shall give their testimony under oath or affirmation. The Chief Judge shall prescribe the oath and affirmation that may be administered by any Judge or the Clerk of the Court.
(c) Upon completion of the trial, the Court shall enter a judgment consisting of a finding or findings and sentence or sentences, or discharge of the accused.

Judgment is stayed while the appeal is pending.
(b) Upon receiving a notice of appeal with proof of service on the opposing party, the Clerk shall forward the record of the action to the Wake Island Court of Appeals.
(c) The appellant shall serve on the opposing party and file a memorandum setting forth his grounds of appeal with the Wake Island Court of Appeals within 15 days after the date of the judgment. An appeal and the reply shall be deemed to be filed when deposited in the U.S. mail with proper postage affixed, addressed to the Clerk, Wake Island Court of Appeals, at his address in Washington, DC. The period for filing an appeal may be waived by the Court of Appeals when the interests of justice so require.
(d) The Court of Appeals may proceed to judgment on the record, or, if the Court considers that the interests of justice so require, grant a hearing.
(e) The decision of the Court of Appeals shall be in writing and based on the record prepared by the Wake Island Court, on the proceedings before the Court of Appeals, if any be had, and on any memoranda that are filed. If the
Court of Appeals considers the record incomplete, the case may be remanded to the Wake Island Court for further proceedings.

(f) The decision of the Court of Appeals is final.

§ 935.111 New trial.

§ 935.133 Right-of-way.

(a) A pedestrian has the right-of-way over vehicular traffic when in the vicinity of a building, school, or residential area.
(b) In any case in which two motor vehicles have arrived at an uncontrolled intersection at the same time, the vehicle on the right has the right-of-way.
(c) If the driver of a motor vehicle enters an intersection with the intent of making a left turn, he shall yield the right-of-way to any other motor vehicle that has previously entered the intersection or is within hazardous proximity.
(d) When being overtaken by another motor vehicle, the driver of the slower vehicle shall move it to the right to allow safe passing.
(e) The driver of a motor vehicle shall yield the right-of-way to emergency vehicles on an emergency run.

§ 935.134 Arm signals.

(a) Any person operating a motor vehicle and making a turn or coming to a stop shall signal the turn or stop in accordance with this section.

(b) A signal for a turn or stop is made by fully extending the left arm as follows:

(1) Left turn—extend left arm horizontally.

(2) Right turn—extend left arm upward.

(c) No person may make a U-turn in a motor vehicle if he cannot be seen by the driver of any approaching vehicle within a distance of 500 feet.

(d) No person may place a vehicle in motion from a stopped position, or change from or merge into a lane of traffic, until he can safely make that movement.

INTRODUCTION

This part implements the Air Force Environmental Impact Analysis Process (EIAP) and provides procedures for environmental impact analysis both within the United States and abroad. Because the authority for, and rules governing, each aspect of the EIAP differ depending on whether the action takes place in the United States or outside the United States, this part provides largely separate procedures for each type of action. Consequently, the main body of this part deals primarily with environmental impact analysis under the authority of the National Environmental Policy Act of 1969 (NEPA) (Public Law 91–190, 42 United States Code (U.S.C.) Sections 4321 through 4347), while the primary procedures for environmental impact analysis of actions outside the United States in accordance with Executive Order (E.O.) 12114, Environmental Effects Abroad of Major Federal Actions, are contained in §§ 989.37 and 989.38.

(a) The procedures in this part are essential to achieve and maintain compliance with NEPA and the Council on Environmental Quality (CEQ) Regulations for Implementing the Procedural Provisions of the NEPA (40 CFR Parts 1500 through 1508, referred to as the “CEQ Regulations”). Further requirements are contained in Department of Defense Directive (DoDD) 4715.1, Environmental Security, Department of Defense Instruction (DoDI) 4715.9, Environmental Planning and Analysis, DoDD 5000.1, Defense Acquisition, and Department of Defense Regulation 5000.2–R, Mandatory Procedures for Major Defense Acquisition Programs.1 To comply with NEPA and complete the EIAP, the

§ 989.3 Responsibilities.

(a) Office of the Secretary of the Air Force:

(1) The Deputy Assistant Secretary of the Air Force for Environment, Safety and Occupational Health (SAF/MIQ):

(i) Develops environmental planning policy and provides oversight of the EIAP program.

(ii) Determines the level of environmental analysis required for especially important, visible, or controversial Air Force proposals and approves selected Environmental Assessments (EAs) and all Environmental Impact Statements (EISs) prepared for Air Force actions, whether classified or unclassified, except as specified in paragraph (c)(3) of this section.

(iii) Is the liaison on environmental matters with Federal agencies and national level public interest organizations.

(iv) Ensures appropriate offices in the Office of the Secretary of Defense are kept informed on EIAP matters of Defense-wide interest.

(2) The General Counsel (SAF/GC). Provides final legal advice to SAF/MI, HQ USAF, and HQ USAF Environment, Safety and Occupational Health Committee (ESOHC) on EIAP issues.

(3) Office of Legislative Liaison (SAF/LL):

(i) Assists with narrowing and defining key issues by arranging consultations with congressional delegations on potentially sensitive actions.

(ii) Distributes draft and final EISs to congressional delegations.

(iii) Reviews and provides the Office of the Secretary of Defense (OSD) with analyses of the Air Force position on proposed and enrolled legislation and executive department testimony dealing with EIAP issues.

(4) Office of Public Affairs (SAF/PA):

(i) Reviews and clears environmental documents in accordance with Air Force Instruction (AFI) 35-101, Public Affairs Policies and Procedures, prior to public release.

(ii) Assists the environmental planning function and the Air Force Legal Services Agency, Trial Judiciary Division (AFLSA/JAJT), in planning and conducting public scoping meetings and hearings.

(iii) Ensures that public affairs aspects of all EIAP actions are conducted in accordance with this part and AFI 35-101.

(iv) The National Guard Bureau, Office of Public Affairs (NGB-PA), will assume the responsibilities of SAF/PA for the EIAP involving the National Guard Bureau, Air Directorate.

(b) Headquarters U.S. Air Force (HQ USAF). The Civil Engineer (HQ USAF/ILE) is responsible for execution of the EIAP program. The National Guard

4 See footnote 1 to §989.1.
§ 989.3  Bureau Air Directorate (NGB-CF) oversees the EIAP for Air National Guard actions.

(c) MAJCOMs, the Air National Guard, Field Operating Agencies (FOAs), and Single Manager Programs. These organizations establish procedures that comply with this part wherever they are the host unit for preparing and using required environmental documentation in making decisions about proposed actions and programs within their commands or areas of responsibility.

(1) Air Force Center for Environmental Excellence (AFCEE). The AFCEE Environmental Conservation and Planning Directorate (AFCEE/EC) is available to provide technical assistance and has the capability to provide contract support to the proponent, EPF, and MAJCOMs in developing EIAP documents.

(2) Air Force Regional Environmental Offices (REOs). REOs review non-Air Force environmental documents that may have an impact on the Air Force. Requests for review of such documents should be directed to the proper REO (Atlanta, Dallas, or San Francisco) along with any relevant comments. The REO:

(i) Notifies the proponent, after receipt, that the REO is the single point of contact for the Air Force review of the document.

(ii) Requests comments from potentially affected installations, MAJCOMs, the ANG, and HQ USAF, as appropriate.

(iii) Consolidates comments into the Air Force official response and submits the final response to the proponent.

(iv) Provides to HQ USAF/IPEB and the appropriate MAJCOMs and installations a copy of the final response and a complete set of all review comments.

(3) Single Manager Acquisition Programs (system-related NEPA). The proponent Single Manager (i.e., System Program Director, Materiel Group Managers, and Product Group Managers) for all programs, regardless of acquisition category, shall comply with DoD Regulation 5000.2-R. SAF/AQR, as the Air Force Acquisition Executive Office, is the final approval authority for all system-related NEPA documents. SAF/AQR is responsible for accomplishing appropriate Headquarters EPC/ESOHC review. The Single Manager will obtain appropriate Product Center EPC approval prior to forwarding necessary EIAP documents (i.e., Notices of Intent (NOIs) and preliminary draft and final EAs and ELIs) to SAF/AQR. The Single Manager will allow for concurrent review of EIAP documents by HQ APMC/CEV and the Operational Command (HQ ACC, HQ AMC, HQ AFSPC, etc.) The Single Manager is responsible for budgeting and funding EIAP efforts, including EIAP for research, development, testing, and evaluation activities.

(4) Key Air Force environmental participants. The EIAP must be approached as an integrated team effort including key participants within the Air Force and also involving outside federal agencies, state, Tribal, and local governments, interested outside parties, citizens groups, and the general public. Key Air Force participants may include the following functional areas, as well as others:

Proponent
Civil Engineers/Environmental Planning Function
Staff Judge Advocate
Public Affairs
Medical Service (Bioenvironmental Engineer)
Safety Office
Range and Airspace Managers
Bases and Units
Plans and Programs
Logistics
Personnel
Legislative Liaison

(d) Proponent. Each office, unit, single manager, or activity at any level that initiates Air Force actions is responsible for:

(1) Complying with the EIAP and shall ensure integration of the EIAP during the initial planning stages of proposed actions so that planning and decisions reflect environmental values, delays are avoided later in the process, and potential conflicts are precluded.

(2) Notifying the EPF of a pending action and completing Section I of AF Form 813, Request for Environmental Impact Analysis. Prepare the Description of Proposed Action and Alternatives (DOPAA) through an interdisciplinary team approach including
§ 989.3

The EPF and other key Air Force participants.

(3) Identifying key decision points and coordinating with the EPF on EIAP phasing to ensure that environmental documents are available to the decision-maker before the final decision is made and ensuring that, until the EIAP is complete, resources are not committed prejudging the selection of alternatives nor actions taken having an adverse environmental impact or limiting the choice of reasonable alternatives.

(4) Determining, with the EPF, as early as possible whether to prepare an EIS. The proponent and the EPF will conduct an early internal scoping process as part of the EIAP process. The internal scoping process should involve key Air Force environmental participants (see §989.3(c)(4)) and other Air Force offices as needed and conclude with preparation of a DOPAA. For complex or detailed EAs or EISs, an outside facilitator trained in EIAP may be used to focus and guide the discussion. Department of the Air Force personnel, rather than contractors, should generally be used to prepare the DOPAA.

(5) Presenting the DOPAA to the EPC for review and comment.

(6) Coordinating with the EPF, Public Affairs, and Staff Judge Advocate prior to organizing public or inter-agency meetings which deal with EIAP elements of a proposed action and involving persons or agencies outside the Air Force.

(7) Subsequent to the decision to prepare an EIS, assisting the EPF and Public Affairs Office in preparing a draft NOI to prepare an EIS. All NOIs must be forwarded through the MAJCOM EPF to HQ USAF/ILEB for review and publication in the Federal Register. Publication in the Federal Register is accomplished in accordance with AFI 37-120, Federal Register.4 (See §989.17.)

(8) Ensuring that proposed actions are implemented as described in the final EIAP decision documents.

(e) Environmental Planning Function (EPF). At every level of command, the EPF is one of the key Air Force participants responsible for the EIAP. The EPF can be the environmental flight within a civil engineer squadron, a separate environmental management office at an installation, the CEV at MAJCOMs, or an equivalent environmental function located with a program office. The EPF:

(1) Supports the EIAP by bringing key participants in at the beginning of a proposed action and involving them throughout the EIAP. Key participants play an important role in defining and focusing key issues at the initial stage.

(2) At the request of the proponent, prepares environmental documents using an interdisciplinary approach, or obtains technical assistance through Air Force channels or contract support. Assists the proponent in obtaining review of environmental documents.

(3) Assists the proponent in preparing a DOPAA and actively supports the proponent during all phases of the EIAP.

(4) Evaluates proposed actions and completes Sections II and III of AF Form 813, subsequent to submission by the proponent and determines whether a Categorical Exclusion (CATEX) applies. The responsible EPF member signs the AF Form 813 certification.

(5) Identifies and documents, with technical advice from the Bioenvironmental Engineer and other staff members, environmental quality standards that relate to the action under evaluation.

(6) Supports the proponent in preparing environmental documents, or obtains technical assistance through Air Force channels or contract support and adopts the documents as official Air Force papers when completed and approved.

(7) Ensures the EIAP is conducted on base-level and MAJCOM-level plans, including contingency plans for the training, movement, and operations of Air Force personnel and equipment.

(8) Prepares the NOI to prepare an EIS with assistance from the proponent and the Public Affairs Office.

(9) Prepares applicable portions of the Certificate of Compliance for each

5 See footnote 1 to §989.1.
§ 989.4 Initial considerations.

Air Force personnel will:

(a) Consider and document environmental effects of proposed Air Force actions through AF Forms 813, EAs, FONSI, EISs, RODs, and documents prepared according to E.O. 12114.

(b) Evaluate proposed actions for possible CATEX from environmental impact analysis (appendix B).

(c) Make environmental documents, comments, and responses, including those of other federal agencies, state, Tribal, and local governments, and the public, part of the record available for review and use at all levels of decision-making.

(d) Review the specific alternatives analyzed in the EIAP when evaluating the proposal prior to decisionmaking.

(e) Ensure that alternatives to be considered by the decisionmaker are both reasonable and within the range of alternatives analyzed in the environmental documents.
(f) Pursue the objective of furthering foreign policy and national security interests while at the same time considering important environmental factors.

(g) Consider the environmental effects of actions that affect the global commons.

(h) Determine whether any foreign government should be informed of the availability of environmental documents. Formal arrangements with foreign governments concerning environmental matters and communications with foreign governments concerning environmental agreements will be coordinated with the Department of State by the Deputy Assistant Secretary of the Air Force for Environment, Safety, and Occupational Health (SAF/MIQ) through the Deputy Under Secretary of Defense (Environmental Security). This coordination requirement does not apply to informal working-level communications and arrangements.

§ 989.5 Organizational relationships.

(a) The host EPF manages the EIAP using an interdisciplinary team approach. This is especially important for tenant-proposed actions, because the host command is responsible for the EIAP for actions related to the host command’s installations.

(b) The host command prepares environmental documents internally or directs the host base to prepare the environmental documents. Environmental document preparation may be by contract (requiring the tenant to fund the EIAP), by the tenant unit, or by the host. Regardless of the preparation method, the host command will ensure the required environmental analysis is accomplished before a decision is made on the proposal and an action is undertaken. Support agreements should provide specific procedures to ensure host oversight of tenant compliance, tenant funding or reimbursement of host EIAP costs, and tenant compliance with the EIAP regardless of the tenant not being an Air Force organization.

(c) For aircraft beddown and unit realignment actions, program elements are identified in the Program Objective Memorandum. Subsequent Program Change Requests must include AP Form 813.

(d) To ensure timely initiation of the EIAP, SAF/AQ forwards information copies of all Mission Need Statements and System Operational Requirements Documents to SAF/MIQ, HQ USAF/ILEB (or ANGRC/CEV), the Air Force Medical Operations Agency, Aerospace Medicine Office (AFMOA/SG), and the affected MAJCOM EPFs.

(e) The MAJCOM of the scheduling unit managing affected airspace is responsible for preparing and approving environmental analyses.

[64 FR 38129, July 15, 1999; 66 FR 16868, Mar. 28, 2001]

§ 989.6 Budgeting and funding.

Contract EIAP efforts are proponent MAJCOM responsibilities. Each year, the EPF programs for anticipated out-year EIAP workloads based on inputs from command proponents. If proponent offices exceed the budget in a given year or identify unforeseen requirements, the proponent offices must provide the remaining funding.

§ 989.7 Requests from Non-Air Force agencies or entities.

(a) Non-Air Force agencies or entities may request the Air Force to undertake an action, such as issuing a permit or outleasing Air Force property, that may primarily benefit the requester or an agency other than the Air Force. The EPF and other Air Force staff elements must identify such requests and coordinate with the proponent of the non-Air Force proposal, as well as with concerned state, Tribal, and local governments.

(b) Air Force decisions on such proposals must take into consideration the potential environmental impacts of the applicant’s proposed activity (as described in an Air Force environmental document), insofar as the proposed action involves Air Force property or programs, or requires Air Force approval.

(c) The Air Force may require the requester to prepare, at the requester’s expense, an analysis of environmental impacts (40 CFR 1506.5), or the requester may be required to pay for an EA or EIS to be prepared by a contractor selected and supervised by the Air Force. The EPF may permit requesters to submit draft EAs for their
§ 989.8 Analysis of alternatives.

(a) The Air Force must analyze reasonable alternatives to the proposed action and the ‘‘no action’’ alternative in all EAs and EISs, as fully as the proposed action alternative.

(b) ‘‘Reasonable’’ alternatives are those that meet the underlying purpose and need for the proposed action and that would cause a reasonable person to inquire further before choosing a particular course of action. Reasonable alternatives are not limited to those directly within the power of the Air Force to implement. They may involve another government agency or military service to assist in the project or even to become the lead agency. The Air Force must also consider reasonable alternatives raised during the scoping process (see §989.18) or suggested by others, as well as combinations of alternatives. The Air Force need not analyze highly speculative alternatives, such as those requiring a major, unlikely change in law or governmental policy. If the Air Force identifies a large number of reasonable alternatives, it may limit alternatives selected for detailed environmental analysis to a reasonable range or to a reasonable number of examples covering the full spectrum of alternatives.

(c) The Air Force may expressly eliminate alternatives from detailed analysis, based on reasonable selection standards (for example, operational, technical, or environmental standards suitable to a particular project). In consultation with the EPF, the appropriate Air Force organization may develop written selection standards to firmly establish what is a ‘‘reasonable’’ alternative for a particular project, but they must not so narrowly define these standards that they unnecessarily limit consideration to the proposal initially favored by proponents. This discussion of reasonable alternatives applies equally to EAs and EISs.

(d) Except in those rare instances where excused by law, the Air Force must always consider and assess the environmental impacts of the ‘‘no action’’ alternative. ‘‘No action’’ may mean either that current management practice will not change or that the proposed action will not take place. If no action would result in other predictable actions, those actions should be discussed within the no action alternative section. The discussion of the no action alternative and the other alternatives should be comparable in detail to that of the proposed action.

§ 989.9 Cooperation and adoption.

(a) Lead and cooperating agency (40 CFR 1501.5 and 1501.6). When the Air Force is a cooperating agency in the preparation of an EIS, the Air Force reviews and approves principal environmental documents within the EIAP as if they were prepared by the Air Force. The Air Force executes a ROD for its program decisions that are based on an EIS for which the Air Force is a cooperating agency. The Air Force may also be a lead or cooperating agency on an EA using similar procedures, but the MAJCOM EPC retains approval authority unless otherwise directed by HQ USAF. Before invoking provisions of 40 CFR 1501.5(e), the lowest authority level possible resolves disputes concerning which agency is the lead agency.
(b) Adoption of EA or EIS. The Air Force, even though not a cooperating agency, may adopt an EA or EIS prepared by another entity where the proposed action is substantially the same as the action described in the EA or EIS. In this case, the EA or EIS must be recirculated as a final EA or EIS but the Air Force must independently review the EA or EIS and determine that it is current and that it satisfies the requirements of this part. The Air Force then prepares its own FONSI or ROD, as the case may be. In the situation where the proposed action is not substantially the same as that described in the EA or the EIS, the Air Force may adopt the EA or EIS, or a portion thereof, by circulating the EA or EIS as a draft and then preparing the final EA or EIS.

§ 989.10 Tiering.

The Air Force should use tiered (40 CFR 1502.20) environmental documents, and environmental documents prepared by other agencies, to eliminate repetitive discussions of the same issues and to focus on the issues relating to specific actions. If the Air Force adopts another Federal agency's environmental document, subsequent Air Force environmental documents may also be tiered.

§ 989.11 Combining EIAP with other documentation.

(a) The EPF combines environmental analysis with other related documentation when practicable (40 CFR 1506.4) following the procedures prescribed by the CEQ regulations and this part.

(b) The EPF must integrate comprehensive planning (AFI 32–7062, Air Force Comprehensive Planning9) with the requirements of the EIAP. Prior to making a decision to proceed, the EPF must analyze the environmental impacts that could result from implementation of a proposal identified in the comprehensive plan.

§ 989.12 AF Form 813, Request for Environmental Impact Analysis.

The Air Force uses AF Form 813 to document the need for environmental analysis or for certain CATEX determinations for proposed actions. The form helps narrow and focus the issues to potential environmental impacts. AF Form 813 must be retained with the EA or EIS to record the focusing of environmental issues.

[64 FR 38129, July 15, 1999; 66 FR 16868, Mar. 28, 2001]

§ 989.13 Categorical exclusion.

(a) CATEXs define those categories of actions that do not individually or cumulatively have potential for significant effect on the environment and do not, therefore, require further environmental analysis in an EA or an EIS. The list of Air Force-approved CATEXs is in Appendix B. Supplements to this part may not add CATEXs or expand the scope of the CATEXs in Appendix B.

(b) Characteristics of categories of actions that usually do not require either an EIS or an EA (in the absence of extraordinary circumstances) include:

1. Minimal adverse effect on environmental quality.
2. No significant change to existing environmental conditions.
3. No significant cumulative environmental impact.
4. Socioeconomic effects only.
5. Similarity to actions previously assessed and found to have no significant environmental impacts.

(c) CATEXs apply to actions in the United States and abroad. General exemptions specific to actions abroad are in 32 CFR part 187. The EPF or other decision-maker forwards requests for additional exemption determinations for actions abroad to HQ USAF/ILEB with a justification letter.

(d) Normally, any decision-making level may determine the applicability of a CATEX and need not formally record the determination on AF Form 813 or elsewhere, except as noted in the CATEX list.

(e) Application of a CATEX to an action does not eliminate the need to meet air conformity requirements (see §989.30).

[64 FR 38129, July 15, 1999; 66 FR 16868, Mar. 28, 2001]
§ 989.14 Environmental assessment.

(a) When a proposed action is one not usually requiring an EIS but is not categorically excluded, the EPF supports the proponent in preparing an EA (40 CFR 1508.9). Every EA must lead to either a FONSI, a decision to prepare an EIS, or no action on the proposal.

(b) Whenever a proposed action usually requires an EIS, the EPF responsible for the EIAP may prepare an EA to definitively determine if an EIS is required based on the analysis of environmental impacts. Alternatively, the EPF may choose to bypass the EA and proceed with preparation of an EIS.

(c) An EA is a written analysis that:

1. Provides analysis sufficient to determine whether to prepare an EIS or a FONSI.
2. Aids the Air Force in complying with the NEPA when no EIS is required.

(d) The length of an EA should be as short and concise as possible, while matching the magnitude of the proposal. An EA briefly discusses the need for the proposed action, reasonable alternatives to the proposed action, the affected environment, the environmental impacts of the proposed action and alternatives (including the “no action” alternative), and a listing of agencies and persons consulted during preparation. The EA should not contain long descriptions or lengthy, detailed data. Rather, incorporate by reference background data to support the concise discussion of the proposal and relevant issues.

(e) The format for the EA may be the same as the EIS. The alternatives section of an EA and an EIS are similar and should follow the alternatives analysis guidance outlined in §989.8.

(f) The EPF should design the EA to facilitate rapidly transforming the document into an EIS if the environmental analysis reveals a significant impact.

(g) As a finding contained in the draft FONSI, a Finding of No Practicable Alternative (FONPA) must be submitted (five hard copies and an electronic version) to the MAJCOM EPF when the alternative selected could be located in wetlands or floodplains, and must discuss why no other practicable alternative exists to avoid impacts. See AFI 32-7064, Integrated Natural Resources Management.

(h) EAs and accompanying FONSIs that require the Air Force to make Clean Air Act General Conformity Determinations shall be submitted (five hard copies and an electronic version) through the MAJCOM EPF to HQ USAF/ILEB for SAF/MIQ approval. SAF/MIQ signs all General Conformity Determinations and will also sign the companion FONSIs, when requested by the MAJCOM (see §989.30).

(i) In cases potentially involving a high degree of controversy or Air Force-wide concern, the MAJCOM, after consultation with HQ USAF/ILEB, may request HQ USAF/ESOH sign the installation EPF to forward an EA (five hard copies and an electronic version) for HQ USAF ESOHC review and approval. SAF/MIQ signs all General Conformity Determinations and will also sign the companion FONSIs, when requested by the MAJCOM (see §989.30).

(j) As a minimum, the following EAs require MAJCOM approval because they involve topics of special importance or interest. Unless directed otherwise by HQ USAF/ESOH, the installation EPF must forward the following types of EAs to the MAJCOM EPF, along with an unsign FONSI.

MAJCOMs can require other EAs to receive MAJCOM approval in addition to those types specified here.)

1. All EAs on non-Air Force proposals that require an Air Force decision, such as use of Air Force property for highways, space ports, and joint-use proposals.
2. EAs where mitigation to insignificance is accomplished in lieu of initiating an EIS (§989.22(c)).

(k) A few examples of actions that normally require preparation of an EA (except as indicated in the CATEX list) include:

1. Public land withdrawals of less than 5,000 acres.
2. Minor mission realignments and aircraft beddowns.
3. New building construction on base within developed areas.
4. Minor modifications to Military Operating Areas (MOAs), air-to-ground weapons ranges, and military training routes.

(l) The Air Force will involve other federal agencies, state, Tribal, and local governments, and the public in
the preparation of EAs (40 CFR 1501.4(b) and 1506.6). The extent of involvement usually coincides with the magnitude and complexity of the proposed action and its potential environmental effect on the area. For proposed actions described in §989.15(e)(2), use either the scoping process described in §989.18 or the public notice process in §989.24.

[64 FR 38129, July 15, 1999; 66 FR 16868, Mar. 23, 2001]

§ 989.15 Finding of no significant impact.

(a) The FONSI (40 CFR 1508.13) briefly describes why an action would not have a significant effect on the environment and thus will not be the subject of an EIS. The FONSI must summarize the EA or, preferably, have it attached and incorporated by reference, and must note any other environmental documents related to the action.

(b) If the EA is not incorporated by reference, the FONSI must include:

(1) Name of the action.

(2) Brief description of the action (including alternatives considered and the chosen alternative).

(3) Brief discussion of anticipated environmental effects.

(4) Conclusions leading to the FONSI.

(5) All mitigation actions that will be adopted with implementation of the proposal (see §989.22).

(c) Keep FONSIs as brief as possible. Only rarely should FONSIs exceed two typewritten pages. Stand-alone FONSIs without an attached EA may be longer.

(d) For actions of regional or local interest, disseminate the FONSI according to §989.24. The MAJCOM and NGB are responsible for release of FONSIs to regional offices of Federal agencies, the state single point of contact (SPOC), and state agencies concurrent with local release by the installations.

(e) The EPF must make the EA and unsigned FONSI available to the affected public and provide the EA and unsigned FONSI to organizations and individuals requesting them and to whomever the proponent or the EPF has reason to believe is interested in the action, unless disclosure is precluded for security classification reasons. Draft EAs and unsigned draft FONSIs will be clearly identified as drafts and distributed via cover letter which will explain their purpose and need. The EPF provides a copy of the documents without cost to organizations and individuals requesting them. The FONSI transmittal date (date of letter of transmittal) to the state SPOC or other equivalent agency is the official notification date.

(1) Before the FONSI is signed and the action is implemented, the EPF should allow sufficient time to receive comments from the public. The time period will reflect the magnitude of the proposed action and its potential for controversy. The greater the magnitude of the proposed action or its potential for controversy, the longer the time that must be allowed for public review. Mandatory review periods for certain defined actions are contained in §989.15(e)(2). These are not all inclusive but merely specific examples. In every case where an EA and FONSI are prepared, the proponent and EPF must determine how much time will be allowed for public review. In all cases, other than classified actions, a public review period should be the norm unless clearly unnecessary due to the lack of potential controversy.

(2) In the following circumstances, the EA and unsigned FONSI are made available for public review for at least 30 days before FONSI approval and implementing the action (40 CFR 1501.4(e)(2)):

(i) When the proposed action is, or is closely similar to, one that usually requires preparation of an EIS (see §989.16).

(ii) If it is an unusual case, a new kind of action, or a precedent-setting case in terms of its potential environmental impacts.

(iii) If the proposed action would be located in a floodplain or wetland.

(iv) If the action is mitigated to insignificance in the FONSI, in lieu of an EIS (§989.22(c)).

(v) If the proposed action is a change to airspace use or designation.

(vi) If the proposed action would have a disproportionately high and adverse environmental effect on minority populations and low-income populations.

(f) As a general rule, the same organizational level that prepares the EA also reviews and recommends the
§ 989.16 Environmental impact statement.

(a) Certain classes of environmental impacts normally require preparation of an EIS (40 CFR 1501.4). These include, but are not limited to:

(1) Potential for significant degradation of the environment.

(2) Potential for significant threat or hazard to public health or safety.

(3) Substantial environmental controversy concerning the significance or nature of the environmental impact of a proposed action.

(b) Certain other actions normally, but not always, require an EIS. These include, but are not limited to:

(1) Public land withdrawals of over 5,000 acres (Engle Act, 43 U.S.C. 155 through 158).

(2) Establishment of new air-to-ground weapons ranges.

(3) Site selection of new airfields.

(4) Site selection of major installations.

(5) Development of major new weapons systems (at decision points that involve demonstration, validation, production, deployment, and area or site selection for deployment).

(6) Establishing or expanding supersonic training areas over land below 30,000 feet MSL (mean sea level).

(7) Disposal and reuse of closing installations.

§ 989.17 Notice of intent.

The EPF must furnish, through the MAJCOM, to HQ USAF/ILEB the NOI (40 CFR 1508.22) describing the proposed action for congressional notification and publication in the Federal Register. The EPF, through the host base public affairs office, will also provide the approved NOI to newspapers and other media in the area potentially affected by the proposed action. The EPF must provide copies of the notice to the SPOC and must also distribute it to requesting agencies, organizations, and individuals. Along with the draft NOI, the EPF must also forward the completed DOPAA, through the MAJCOM, to HQ USAF for information.

[64 FR 38129, July 15, 1999; 66 FR 16868, Mar. 28, 2001]

§ 989.18 Scoping.

(a) After publication of the NOI for an EIS, the EPF must initiate the public scoping process (40 CFR 1501.7) to determine the scope of issues to be addressed and to help identify significant environmental issues to be analyzed in depth. Methods of scoping range from soliciting written comments to conducting public scoping meetings (see 40 CFR 1501.7 and 1506.6(e)). The scoping process is an iterative, pro-active process of communicating with individual citizens, neighborhood, community, and local leaders, public interest groups, congressional delegations, state, Tribal, and local governments, and federal agencies. The scoping process must start prior to official public scoping meetings and continue through to preparation of the draft EIS. The purpose of this process is to de-emphasize insignificant issues and focus the scope of the environmental analysis on significant issues (40 CFR 1508.25). Additionally, scoping allows early and more meaningful participation by the public. The result of scoping is that the proponent and EPF determine the range of actions, alternatives, and impacts to be considered in the EIS (40 CFR 1508.25). The EPF must send scripts for scoping meetings to USAF/ILEV (or ANGR/C EV) no later than 30 days before the first scoping meeting. Scoping meeting plans are similar in content to public hearing plans (see Appendix C). Public scoping meetings should generally be held at locations not on the installation.

(b) Where it is anticipated the proposed action and its alternatives will have disproportionately high and adverse human health or environmental effects on minority populations or low-income populations, special efforts shall be made to reach these populations. This might include special informational meetings or notices in minority and low-income areas concerning the regular scoping process.

§ 989.19 Draft EIS.

(a) Preliminary draft. The EPF supports the proponent in preparation of a preliminary draft EIS (PDEIS) (40 CFR 1502.9) based on the scope of issues decided on during the scoping process. The format of the EIS must be in accordance with the format recommended in the CEQ regulations (40 CFR 1502.10 and 1502.11). The CEQ regulations indicate that EISs normally contain fewer than 150 pages (300 pages for proposals of unusual complexity). The EPF provides a sufficient number of copies of the PDEIS to HQ USAF/ILEB for HQ USAF ESOHC security and policy review in each member's area of responsibility and to AFCEE/EC for technical review.

(b) Review of draft EIS. After the HQ USAF ESOHC review, the EPF assists the appropriate Air Force organization in making any necessary revisions to the PDEIS and forwards it to HQ USAF/ILEB as a draft EIS to ensure completion of all security and policy reviews and to certify releasability. Once the draft EIS is approved, HQ USAF/ILEB notifies the EPF to print sufficient copies of the draft EIS for distribution to congressional delegations and interested agencies at least 7 calendar days prior to publication of the Notice of Availability (NOA) in the FEDERAL REGISTER. After congressional distribution, the EPF sends the draft EIS to all others on the distribution list. HQ USAF/ILEB then files the document with the U.S. Environmental Protection Agency (USEPA) and provides a copy to the Deputy Under Secretary of Defense for Environmental Security.

(c) Public review of draft EIS (40 CFR 1502.19 and 1506.6): (1) The public comment period for the draft EIS is at least 45 days starting from the publication date of the NOA of the draft EIS in the FEDERAL REGISTER. USEPA publishes in the FEDERAL REGISTER NOAs of EISs filed during the preceding week. This public comment period may be extended by the EPF. If the draft EIS is unusually long, the EPF may distribute a summary to the public with an attached list of locations (such as public libraries) where the entire draft EIS may be reviewed. The EPF must distribute the full draft EIS to certain entities, for example, agencies with jurisdiction by law or agencies with special expertise in evaluating the environmental impacts, and anyone else requesting the entire draft EIS (40 CFR 1502.19 and 1506.6).

(2) The EPF sponsors public hearings on the draft EIS according to the procedures in Appendix C to this part. Hearings take place no sooner than 15 days after the FEDERAL REGISTER publication of the NOA and at least 15 days before the end of the comment period. Scheduling hearings toward the end of the comment period is encouraged to allow the public to obtain and more thoroughly review the draft EIS. The EPF must provide hearing scripts to HQ USAF/ILEB (or ANGRC/CEV) no later than 30 days prior to the first public hearing. Public hearings should generally be held at off-base locations. Submit requests to deviate from procedures in Appendix C to this part to HQ USAF/ILEB for SAF/MIQ approval.

(3) Where analyses indicate that a proposed action will potentially have disproportionately high and adverse human health or environmental effects on minority populations or low-income populations, the EPF should make special efforts to ensure that these potentially impacted populations are brought into the review process.

(d) Response to comments (40 CFR 1503.4). The EPF must incorporate in the Final EIS its responses to comments on the Draft EIS by modifying the text and referring in the appendix to where the comment is addressed or providing a written explanation in the comments section, or both. The EPF may group comments of a similar nature together to allow a common response and may also respond to individuals separately.

(e) Seeking additional comments. The EPF may, at any time during the EIS process, seek additional public comments, such as when there has been a significant change in circumstances, development of significant new information of a relevant nature, or where there is substantial environmental controversy concerning the proposed action. Significant new information leading to public controversy regarding the scope after the scoping process is such a changed circumstance. An additional
§ 989.20 Final EIS.

(a) If changes in the draft EIS are minor or limited to factual corrections and responses to comments, the proponent and EPF may, with the prior approval of HQ USAF/ILEB and SAF/MIQ, prepare a document containing only comments on the Draft EIS, Air Force responses, and errata sheets of changes staffed to the HQ USAF ESOHC for coordination. However, the EPF must submit the Draft EIS and all of the above documents, with a new cover sheet indicating that it is a final EIS (40 CFR 1503.4(c)), to HQ USAF/ILEB for filing with the EPA (40 CFR 1506.9). If more extensive modifications are required, the EPF must prepare a preliminary final EIS incorporating these modifications for coordination within the Air Force. Regardless of which procedure is followed, the final EIS must be processed in the same way as the draft EIS, including receipt of copies of the EIS by SAF/LLP, except that the public need not be invited to comment during the 30-day post-filing waiting period. The Final EIS should be furnished to every person, organization, or agency that made substantive comments on the Draft EIS or requested a copy. Although the EPF is not required to respond to public comments received during this period, comments received must be considered in determining final decisions such as identifying the preferred alternative, appropriate mitigations, or if a supplemental analysis is required.

(b) The EPF processes all necessary supplements to EISs (40 CFR 1502.9) in the same way as the original Draft and Final EIS, except that a new scoping process is not required.

(c) If major steps to advance the proposal have not occurred within 5 years from the date of the Final EIS approval, reevaluation of the documentation should be accomplished to ensure its continued validity.

[64 FR 38129, July 15, 1999; 66 FR 16868, Mar. 28, 2001]

§ 989.21 Record of decision (ROD).

(a) The proponent and the EPF prepare a draft ROD, formally staff it through the MAJCOM EPC, to HQ USAF/ILEB for verification of adequacy, and forwards it to either SAF/MIQ or SAF/AQR, as the case may be, for approval and designation of the signator. A ROD (40 CFR 1505.2) is a concise public document stating what an agency’s decision is on a specific action. The ROD may be integrated into any other document required to implement the agency’s decision. A decision on a course of action may not be made until the later of the following dates:

1. 90 days after publication of the DEIS; or
2. 30 days after publication of the NOA of the Final EIS in the Federal Register.

(b) The Air Force must announce the ROD to the affected public as specified in §989.24, except for classified portions. The ROD should be concise and should explain the conclusion, the reason for the selection, and the alternatives considered. The ROD must identify the course of action, whether it is the proposed action or an alternative, that is considered environmentally preferable regardless of whether it is the alternative selected for implementation. The ROD should summarize all the major factors the agency weighed in making its decision, including essential considerations of national policy.

(c) The ROD must state whether the selected alternative employs all practicable means to avoid, minimize, or mitigate environmental impacts and, if not, explain why.

[64 FR 38129, July 15, 1999; 66 FR 16868, Mar. 28, 2001]

§ 989.22 Mitigation.

(a) When preparing EIAP documents, indicate clearly whether mitigation measures (40 CFR 1508.20) must be implemented for the alternative selected. If using Best Management Practices (BMPs), identify the specific BMPs
being used and include those BMPs in the mitigation plan. Discuss mitigation measures in terms of “will” and “would” when such measures have already been incorporated into the proposal. Use terms like “may” and “could” when proposing or suggesting mitigation measures. Both the public and the Air Force community need to know what commitments are being considered and selected, and who will be responsible for implementing, funding, and monitoring the mitigation measures.

(b) The proponent funds and implements mitigation measures in the mitigation plan that is approved by the decision-maker. Where possible and appropriate because of amount, the proponent should include the cost of mitigation as a line item in the budget for a proposed project. The proponent must ensure compliance with mitigation requirements, monitoring their effectiveness, and must keep the EPF informed of the mitigation status. The EPF reports its status, through the MAJCOM, to HQ USAF/ILEB when requested. Upon request, the EPF must also provide the results of relevant mitigation monitoring to the public.

(c) The proponent may “mitigate to insignificance” potentially significant environmental impacts found during preparation of an EA, in lieu of preparing an EIS. The FONSI for the EA must include these mitigation measures. Such mitigations are legally binding and must be carried out as the proponent implements the project. If, for any reason, the project proponent later abandons or revises in environmentally adverse ways the mitigation commitments made in the FONSI, the proponent must prepare a supplemental EIAP document before continuing the project. If potentially significant environmental impacts would result from any project revisions, the proponent must prepare an EIS.

(d) For each FONSI or ROD containing mitigation measures, the proponent prepares a plan specifically identifying each mitigation, discussing how the proponent will execute the mitigations, identifying who will fund and implement the mitigations, and stating when the proponent will complete the mitigation. The mitigation plan will be forwarded, through the MAJCOM EPF to HQ USAF/ILEB for review within 90 days from the date of signature of the FONSI or ROD.

[64 FR 38129, July 15, 1999; 66 FR 16868, Mar. 28, 2001]

§ 989.24 Public notification.

(a) Except as provided in §989.26, public notification is required for various aspects of the EIAP.

(b) Activities that require public notification include:

(1) An EA and FONSI.
(2) An EIS NOI.
(3) Public scoping meetings.
(4) Availability of the draft EIS.
(5) Public hearings on the draft EIS (which should be included in the NOA for the draft EIS).
(6) Availability of the final EIS.
(7) The ROD for an EIS.

(c) For actions of local concern, the list of possible notification methods in 40 CFR 1506.6(b)(3) is only illustrative. The EPF may use other equally effective means of notification as a substitute for any of the methods listed. Because many Air Force actions are of limited interest to persons or organizations outside the Air Force, the EPF may limit local notification to the SPOC, local government representatives, and local news media. For all actions covered under §989.15(e)(2), and for all EIS notices, the public affairs office must purchase with EPF funds an advertisement in a prominent section of the local newspaper(s) of general circulation (not “legal” newspapers or “legal section” of general newspapers).
§ 989.25 Base closure and realignment.

Base closure or realignment may entail special requirements for environmental analysis. The permanent base closure and realignment law, 10 U.S.C. 2687, requires a report to the Congress when an installation where at least 300 DoD civilian personnel are authorized to be employed is closed, or when a realignment reduces such an installation by at least 50 percent or 1,000 of such personnel, whichever is less. In addition, other base closure laws may be in effect during particular periods. Such nonpermanent closure laws frequently contain provisions limiting the extent of environmental analysis required for actions taken under them. Such provisions may also add requirements for studies not necessarily required by NEPA.

§ 989.26 Classified actions (40 CFR 1507.3(c)).

(a) Classification of an action for national defense or foreign policy purposes does not relieve the requirement of complying with NEPA. In classified matters, the Air Force must prepare and make available normal NEPA environmental analysis documents to aid in the decision-making process; however, Air Force staff must prepare, safeguard, and disseminate these documents according to established procedures for protecting classified documents. If an EIAP document must be classified, the Air Force may modify or eliminate associated requirements for public notice (including publication in the Federal Register) or public involvement in the EIAP. However, the Air Force should obtain comments on classified proposed actions or classified aspects of generally unclassified actions, from public agencies having jurisdiction by law or special expertise, to the extent that such review and comment is consistent with security requirements. Where feasible, the EPF may need to help appropriate personnel from these agencies obtain necessary security clearances to gain access to documents so they can comment on scoping or review the documents.

(b) Where the proposed action is classified and unavailable to the public, the Air Force may keep the entire NEPA process classified and protected under the applicable procedures for the classification level pertinent to the particular information. At times (for example, during weapons system development and base closures and realignments), certain but not all aspects of NEPA documents may later be declassified. In those cases, the EPF should organize the EIAP documents, to the extent practicable, in a way that keeps the most sensitive classified information (which is not expected to be released at any early date) in a separate annex that can remain classified; the rest of the EIAP documents, when declassified, will then be comprehensible as a unit and suitable for release to the public. Thus, the documents will reflect, as much as possible, the nature of the action and its environmental impacts, as well as Air Force compliance with NEPA requirements.

(c) Where the proposed action is not classified, but certain aspects of it need to be protected by security classification, the EPF should tailor the EIAP for a proposed action to permit as normal a level of public involvement as possible, but also fully protect the classified part of the action and environmental analysis. In some instances, the EPF can do this by keeping the classified sections of the EIAP documents in a separate, classified annex.

(d) For §989.26(b) actions, an NOI or NOA will not be published in the Federal Register until the proposed action is declassified. For §989.26(c) actions, the Federal Register will run an unclassified NOA which will advise the public that at some time in the future the Air Force may or will publicly release a declassified document.

(e) The EPF similarly protects classified aspects of FONSI, RODs, or other environmental documents that are part of the EIAP for a proposed action, such as by preparing separate classified annexes to unclassified documents, as necessary.

(f) Whenever a proponent believes that EIAP documents should be kept classified, the EPF must make a report.
of the matter to SAF/MIQ, including proposed modifications of the normal EIAP to protect classified information. The EPF may make such submissions at whatever level of security classification is needed to provide a comprehensive understanding of the issues, SAF/MIQ, with support from SAF/GC and other staff elements as necessary, makes final decisions on EIAP procedures for classified actions.

§ 989.27 Occupational safety and health.
Assess direct and indirect impacts of proposed actions on the safety and health of Air Force employees and others at a work site. The EIAP document does not need to specify compliance procedures. However, the EIAP documents should discuss impacts that require a change in work practices to achieve an adequate level of health and safety.

§ 989.28 Airspace and range proposals.
(a) EIAP Review. Airspace and range proposals require review by HQ USAF/XOO prior to public announcement and preparation of the DOPAA. Unless directed otherwise, the airspace proponent will forward the DOPAA as an attachment to the proposal sent to HQ USAF/XOO.
(b) Federal Aviation Administration. The DoD and the Federal Aviation Administration (FAA) have entered into a Memorandum of Understanding (MOU) that outlines various airspace responsibilities. For purposes of compliance with NEPA, the DoD is the "lead agency" for all proposals initiated by DoD, with the FAA acting as the "cooperating agency." Where airspace proposals initiated by the FAA affect military use, the roles are reversed. The proponent’s action officers (civil engineering and local airspace management) must ensure that the FAA is fully integrated into the airspace proposal and related EIAP from the very beginning and that the action officers review the FAA’s responsibilities as a cooperating agency. The proponent’s airspace manager develops the preliminary airspace proposal per appropriate FAA handbooks and the FAA-DoD MOU. The preliminary airspace proposal is the basis for initial dialogue between DoD and the FAA on the proposed action. A close working relationship between DoD and the FAA, through the FAA regional Air Force representative, greatly facilitates the airspace proposal process and helps resolve many NEPA issues during the EIAP.

§ 989.29 Force structure and unit move proposals.
Unless directed otherwise, the MAJCOM plans and programs proponent will forward a copy of all EAs for force structure and unit moves to HQ USAF/ILEB for information only at the preliminary draft and preliminary final stages.

§ 989.30 Air quality.
Section 176(c) of the Clean Air Act Amendments of 1990, 42 U.S.C. 7506(c), establishes a conformity requirement for Federal agencies which has been implemented by regulation, 40 CFR 93, Subpart B. All EIAP documents must address applicable conformity requirements and the status of compliance. Conformity applicability analyses and determinations are developed in parallel with EIAP documents, but are separate and distinct requirements and should be documented separately. To increase the utility of a conformity determination in performing the EIAP, the conformity determination should be completed prior to the completion of the EIAP so as to allow incorporation of the information from the conformity determination into the EIAP. See AFI 32–7040, Air Quality Compliance.10

§ 989.31 Pollution prevention.
The Pollution Prevention Act of 1990, 42 U.S.C. 13101(b), established a national policy to prevent or reduce pollution at the source, whenever feasible. Pollution prevention approaches should be applied to all pollution-generating activities. The environmental document should analyze potential pollution that may result from the proposed action and alternatives and must discuss potential pollution prevention approaches.

10See footnote 1 to § 989.1.
§ 989.32 Noise.

Aircraft noise data files used for analysis during EIAP will be submitted to HQ AFCEE for review and validation prior to public release, and upon completion of the EIAP for database entry. Utilize the current NOISEMAP computer program for air installations and the Assessment System for Aircraft Noise for military training routes and military operating areas. Guidance on standardized Air Force noise data development and analysis procedures is available from HQ AFCEE/EC. Develop EIAP land use analysis relating to aircraft noise impacts originating from air installations following procedures in API 32-7063, Air Installation Compatible Use Zone (AICUZ) Program. Draft EIAP aircraft noise/land use analysis associated with air installations will be coordinated with the MAJCOM AICUZ program manager.

§ 989.33 Environmental justice.

During the preparation of environmental analyses under this instruction, the EPF should ensure compliance with the provisions of E.O. 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, and Executive Memorandum of February 11, 1994, regarding E.O. 12898.

§ 989.34 Special and emergency procedures.

(a) Special procedures. During the EIAP, unique situations may arise that require EIAP strategies different than those set forth in this part. These situations may warrant modification of the procedures in this part. EPFs should only consider procedural deviations when the resulting process would benefit the Air Force and still comply with NEPA and CEQ regulations. EPFs must forward all requests for procedural deviations to HQ USAF/ILEB (or ANGRC/CEV) for review and approval by SAF/MIQ.

(b) Emergency procedures (40 CFR 1506.11). Emergency situations do not exempt the Air Force from complying with NEPA, but do allow emergency response while completing the EIAP. Certain emergency situations may make it necessary to take immediate action having significant environmental impact, without observing all the provisions of the CEQ regulations or this part. If possible, promptly notify HQ USAF/ILEB, for SAF/MIQ coordination and CEQ consultation, before undertaking emergency actions that would otherwise not comply with NEPA or this part. The immediate notification requirement does not apply where emergency action must be taken without delay. Coordination in this instance must take place as soon as practicable.

§ 989.35 Reporting requirements.

(a) EAs, EISs, and mitigation measures will be tracked at bases and MAJCOMs through an appropriate environmental management system.

(b) Proponents, EPFs, and public affairs offices may utilize the World Wide Web, in addition to more traditional means, to notify the public of availability of EAs and EISs. When possible, allow distribution of documents electronically. Public review comments should be required in writing, rather than by electronic mail.

(c) All documentation will be disposed of according to AFMAN 37–139, Records Disposition Schedule.

In order to deal with unusual circumstances and to allow growth in the NEPA process, SAF/MIQ may grant waivers to those procedures contained

§ 989.37 Procedures for analysis abroad.

Procedures for analysis of environmental actions abroad are contained in 32 CFR Part 187. That directive provides comprehensive policies, definitions, and procedures for implementing E.O. 12114. For analysis of Air Force actions abroad, 32 CFR Part 187 will be followed.

§ 989.38 Requirements for analysis abroad.

(a) The EPF will generally perform the same functions for analysis of actions abroad that it performs in the United States. In addition to the requirements of 32 CFR Part 187, the following Air Force specific rules apply:

(b) For EAs dealing with global commons (geographic areas beyond the jurisdiction of the United States or any foreign nation), HQ USAF/ILEB will review actions that are above the MAJCOM approval authority. In this instance, approval authority refers to the same approval authority that would apply to an EA in the United States. The EPF documents a decision not to do an EIS.

(c) For EISs dealing with the global commons, the EPF provides sufficient copies to HQ USAF/ILEB for the HQ USAF ESOHC review and AFCCEE/EC technical review. After ESOHC review, the EPF makes a recommendation as to whether the proposed draft EIS will be released as a draft EIS.

(d) For environmental studies and environmental reviews, forward, when appropriate, environmental studies and reviews to HQ USAF/ILEB for coordination among appropriate federal agencies. HQ USAF/ILEB makes environmental studies and reviews available to the Department of State and other interested federal agencies, and, on request, to the United States public, in accordance with 32 CFR Part 187. HQ USAF/ILEB also may inform interested foreign governments or furnish copies of studies, in accordance with 32 CFR Part 187.

NOTE: All definitions in the CEQ Regulations, 40 CFR part 1508, apply to this part. In addition, the following definitions apply:

Best Management Practices (BMPs)—Under the EIAP, BMPs should be applied in furtherance of 40 CFR 1508.22, Mitigations or to fulfill permit requirements (see also E.O. 12088, ‘Federal Compliance with Pollution Control Standards’).

Description of Proposed Action and Alternatives (DOPAA)—An Air Force document that is the framework for assessing the environmental impact of a proposal. It describes the purpose and need for the action, the alternatives to be considered, and the rationale used to arrive at the proposed action. The DOPAA often unfolds as writing progresses. The DOPAA can change during the internal scoping and public scoping process, especially as ideas and issues become clearer, and as new information makes changes necessary.

Environmental Impact Analysis Process (EIAP)—The Air Force program that implements the requirements of NEPA and requirements for analysis of environmental effects abroad under E.O. 12114.

Finding of No Practicable Alternative (FONPA)—Finding contained in a FONSI or ROD, according to Executive Orders 11988 and 11990, that explains why there are no practicable alternatives to an action affecting a wetland or floodplain, based on appropriate EIAP analysis or other documentation.

Interdisciplinary—An approach to environmental analysis involving more than one discipline or branch of learning.

Pollution Prevention—‘‘Source reduction,’’ as defined under the Pollution Prevention Act, and other practices that reduce or eliminate pollutants through increased efficiency in the use of raw materials, energy, water, or other resources, or in the protection of natural resources by conservation.

Proponent—Any office, unit, or activity that proposes to initiate an action.

Scoping—A process for proposing alternatives to be addressed and for identifying the significant issues related to a proposed action. Scoping includes affirmative efforts to communicate with other federal agencies, state, Tribal, and local governments, and the public.

Single Manager—Any one of the Air Force designated weapon system program managers, that include System Program Directors (SPDs), Product Group Managers (PGMs), and Materiel Group Managers (MGMs).

United States—All states, commonwealths, the District of Columbia, territories and possessions of the United States, and all waters and airspace subject to the territorial jurisdiction of the United States. The territories and possessions of the United States include American Samoa, Guam, Johnston Atoll, Kingman Reef, Midway Island, Navassa Island, Palmyra Island, the Virgin Islands, and Wake Island.

APPENDIX B TO PART 989—CATHERGICAL EXCLUSIONS

A2.1. Proponent/EPF Responsibility

Although a proposed action may qualify for a categorical exclusion from the requirements for environmental impact analysis under NEPA, this exclusion does not relieve the EPF or the proponent of responsibility for complying with all other environmental requirements related to the proposal, including requirements for permits, and state regulatory agency review of plans.

A2.2. Additional Analysis

Circumstances may arise in which usually categorically excluded actions may have a significant environmental impact and, therefore, may generate a requirement for further environmental analysis. Examples of situations where such unique circumstances may be present include:

A2.2.1. Actions of greater scope or size than generally experienced for a particular category of action.

A2.2.2. Potential for degradation (even though slight) of already marginal or poor environmental conditions.

A2.2.3. Initiating a degrading influence, activity, or effect in areas not already significantly modified from their natural condition.

A2.2.4. Use of unproved technology.

A2.2.5. Use of hazardous or toxic substances that may come in contact with the surrounding environment.
A2.2.6. Presence of threatened or endangered species, archaeological remains, historical sites, or other protected resources.

A2.2.7. Proposals adversely affecting areas of critical environmental concern, such as prime or unique agricultural lands, wetlands, coastal zones, wilderness areas, floodplains, or wild and scenic river areas.

A2.2.8. Proposals with disproportionately high and adverse human health or environmental effects on minority populations or low-income populations.

A2.3. CATEX List

Actions that are categorically excluded in the absence of unique circumstances are:

A2.3.1. Routine procurement of goods and services.

A2.3.2. Routine Commissary and Exchange operations.

A2.3.3. Routine recreational and welfare activities.

A2.3.4. Normal personnel, fiscal or budgeting, and administrative activities and decisions including those involving military and civilian personnel (for example, recruiting, processing, paying, and records keeping).

A2.3.5. Preparing, revising, or adopting regulations, instructions, directives, or guidance documents that do not, themselves, result in an action being taken.

A2.3.6. Preparing, revising, or adopting regulations, instructions, directives, or guidance documents that implement (without substantial change) the regulations, instructions, directives, or guidance documents from higher headquarters or other Federal agencies with superior subject matter jurisdiction.

A2.3.7. Continuation or resumption of pre-existing actions, where there is no substantial change in existing conditions or existing land uses and where the actions were originally evaluated in accordance with applicable law and regulations, and surrounding circumstances have not changed.

A2.3.8. Performing interior and exterior construction within the 5-foot line of a building without changing the land use of the existing building.

A2.3.9. Repairing and replacing real property installed equipment.

A2.3.10. Routine facility maintenance and repair that does not involve disturbing significant quantities of hazardous materials such as asbestos and lead-based paint.

A2.3.11. Actions similar to other actions which have been determined to have an insignificant impact in a similar setting as established in an EIS or an EA resulting in a FONSI. The EPF must document application of this CATEX on AF Form 813, specifically identifying the previous Air Force approved environmental document which provides the basis for this determination.

A2.3.12. Installing, operating, modifying, and routinely repairing and replacing utility and communications systems, data processing cable, and similar electronic equipment that use existing rights of way, easements, distribution systems, or facilities.

A2.3.13. Installing or modifying airfield operational equipment (such as runway visual range equipment, visual glide path systems, and remote transmitter or receiver facilities) on airfield property and usually accessible only to maintenance personnel.

A2.3.14. Installing on previously developed land, equipment that does not substantially alter land use (i.e., land use of more than one acre). This includes outgrants to private lessees for similar construction. The EPF must document application of this CATEX on AF Form 813.

A2.3.15. Laying-away or mothballing a production facility or adopting a reduced maintenance level at a closing installation when (1) agreement on any required historic preservation effort has been reached with the state historic preservation officer and the Advisory Council on Historic Preservation, and (2) no degradation in the environmental restoration program will occur.

A2.3.16. Acquiring land and ingrants (50 acres or less) for activities otherwise subject to CATEX. The EPF must document application of this CATEX on AF Form 813.

A2.3.17. Transferring land, facilities, and personal property for which the General Services Administration (GSA) is the action agency. Such transfers are excluded only if there is no change in land use and GSA complies with its NEPA requirements.

A2.3.18. Transferring administrative control of real property within the Air Force or to another military department or to another Federal agency, not including GSA, including returning public domain lands to the Department of the Interior.

A2.3.19. Granting easements, leases, licenses, rights of entry, and permits to use Air Force controlled property for activities that, if conducted by the Air Force, could be categorically excluded in accordance with this Appendix. The EPF must document application of this CATEX on AF Form 813.

A2.3.20. Converting in-house services to contract services.

A2.3.21. Routine personnel decreases and increases, including work force conversion to either on-base contractor operation or to military operation from contractor operation (excluding base closure and realignment actions which are subject to congresional reporting under 10 U.S.C. 2687).

A2.3.22. Routine, temporary movement of personnel, including deployments of personnel on a TDY basis where existing facilities are used.

A2.3.23. Personnel reductions resulting from workload adjustments, reduced personnel funding levels, skill imbalances, or other similar causes.
A2.3.24. Study efforts that involve no commitment of resources other than personnel and funding allocations.

A2.3.25. The analysis and assessment of the natural environment without altering it (inspections, audits, surveys, investigations). This CATEX includes the granting of any permits necessary for such surveys, provided that the technology or procedure involved is well understood and there are no adverse environmental impacts anticipated from it. The EPF must document application of this CATEX on AF Form 813.

A2.3.26. Undertaking specific investigatory activities to support remedial action activities for purposes of cleanup of Environmental Restoration Account (ERA)—Air Force and Resource Conservation and Recovery Act (RCRA) corrective action sites. These activities include soil borings and sampling, installation, and operation of test or monitoring wells. This CATEX applies to studies that assist in determining final cleanup actions when they are conducted in accordance with legal agreements, administrative orders, or work plans previously agreed to by EPA or state regulators.

A2.3.27. Normal or routine basic and applied scientific research confined to the laboratory and in compliance with all applicable safety, environmental, and natural resource conservation laws.

A2.3.28. Routine transporting of hazardous materials and wastes in accordance with applicable Federal, state, interstate, and local laws.

A2.3.29. Emergency handling and transporting of small quantities of chemical survey material or suspected chemical survey material, whether or not classified as hazardous or toxic waste, from a discovery site to a permitted storage, treatment, or disposal facility.

A2.3.30. Immediate responses to the release or discharge of oil or hazardous materials in accordance with an approved Spill Prevention and Response Plan or Spill Contingency Plan or that are otherwise consistent with the requirements of the National Contingency Plan.

A2.3.31. Relocating a small number of aircraft to an installation with similar aircraft that does not result in a significant increase of total flying hours or the total number of aircraft operations, a change in flight tracks, or an increase in permanent personnel or logistics support requirements at the receiving installation. Repetitive use of this CATEX at an installation requires further analysis to determine there are no cumulative impacts. The EPF must document application of this CATEX on AF Form 813.

A2.3.32. Undertaking specific investigatory activities to support remedial action activities for purposes of cleanup of Environmental Restoration Account (ERA)—Air Force and Resource Conservation and Recovery Act (RCRA) corrective action sites. These activities include soil borings and sampling, installation, and operation of test or monitoring wells. This CATEX applies to studies that assist in determining final cleanup actions when they are conducted in accordance with legal agreements, administrative orders, or work plans previously agreed to by EPA or state regulators.

A2.3.33. Flying activities that comply with the Federal aviation regulations, that are excluded from air traffic patterns at or above 10,000 feet MSL and more than 15 nautical miles from land, and are not covered under special use airspace (for example, restricted areas, warning areas, military operating areas) and military training routes for subsonic operations that have a base altitude of 3,000 feet above ground level or higher. The EPF must document application of this CATEX on AF Form 813, which must accompany the request to the FAA.

A2.3.34. Supersonic flying operations over land and above 9,000 feet MSL, or over water and above 10,000 feet MSL and more than 15 nautical miles from land.

A2.3.35. Formal requests to the FAA, or host-nation equivalent agency, to establish or modify special use airspace (for example, restricted areas, warning areas, military operating areas) and military training routes for subsonic operations that have a base altitude of 3,000 feet above ground level or higher. The EPF must document application of this CATEX on AF Form 813, which must accompany the request to the FAA.

A2.3.36. Adopting airfield approach, departure, and en route procedures that are less than 3,000 feet above ground level, and that also do not route air traffic over noise-sensitive areas, including residential neighborhoods or cultural, historical, and outdoor recreational areas. The EPF may categorically exclude such air traffic patterns at or greater than 3,000 feet above ground level regardless of underlying land use.

A2.3.37. Participating in “air shows” and fly-overs by Air Force aircraft at non-Air Force public events after obtaining FAA coordination and approval.

A2.3.38. Conducting Air Force “open houses” and similar events, including air shows, golf tournaments, home shows, and the like, where crowds gather at an Air Force installation, so long as crowd and traffic control, etc., have not in the past presented significant safety or environmental impacts.
costs for the hearing officer, makes logistical arrangements (for example, publishing notices, arranging for press coverage, obtaining tables and chairs, etc.).

A3.1.3. The procedures outlined below have proven themselves through many prior applications. However, there may be rare instances when circumstances warrant conducting public hearings under a different format, e.g., public-town meeting, information booths, third party moderator, etc. In these cases, forward a request with justification to deviate from these procedures to HQ USAF/IILEVP for SAF/MIQ approval.

A3.2. Notice of Hearing (40 CFR 1506.6)

A3.2.1. Public Affairs officers:

A3.2.1.1. Announce public hearings and assemble a mailing list of individuals to be invited.

A3.2.1.2. Distribute announcements of a hearing to all interested individuals and agencies, including the print and electronic media.

A3.2.1.3. Place a newspaper display advertisement announcing the time and place of the hearing as well as other pertinent particulars.

A3.2.1.4. Distribute the notice in a timely manner so it will reach recipients or be published at least 15 days before the hearing date. Distribute notices fewer than 15 days before the hearing date when you have substantial justification and if the justification for a shortened notice period appears in the notice.

A3.2.1.5. Develop and distribute news release.

A3.2.2. If an action has effects of national concern, publish notices in the Federal Register and mail notices to national organizations that have an interest in the matter.

A3.2.2.1. Because of the longer lead time required by the Federal Register, send out notices for publication in the Federal Register to arrive at HQ USAF/IILEBV no later than 30 days before the hearing date.

A3.2.3. The notice should include:

A3.2.3.1. Date, time, place, and subject of the hearing.

A3.2.3.2. A description of the general format of the hearing.

A3.2.3.3. The name and telephone number of a person to contact for more information.

A3.2.3.4. A suggestion that speakers submit (in writing or by return call) their intention to participate, with an indication of which environmental impact (or impacts) they wish to address.

A3.2.3.5. Any limitation on the length of oral statements.

A3.2.3.6. A suggestion that speakers submit statements of considerable length in writing.

A3.2.3.7. A summary of the proposed action.

A3.2.3.8. The location where the draft EIS and any appendices are available for examination.

A3.3. Availability of the Draft EIS to the Public.

The EPF makes copies of the Draft EIS available to the public at an Air Force installation and other reasonably accessible place in the vicinity of the proposed action and public hearing (e.g., public library).

A3.4. Place of the Hearing

The EPF arranges to hold the hearing at a time and place and in an area readily accessible to military and civilian organizations and individuals interested in the proposed action. Generally, the EPF should arrange to hold the hearing in an off-base civilian facility, which is more accessible to the public.

A3.5. Hearing Officer

A3.5.1. The AFLSA/JAJT selects a military trial judge to preside over hearings. The hearing officer does not need to have personal knowledge of the project, other than familiarity with the Draft EIS. In no event should the hearing officer be a judge advocate from the proponent or subordinate command, be assigned to the same installation with which the hearing is concerned, or have participated personally in the development of the project, or have rendered legal advice or assistance with respect to it (or be expected to do so in the future). The principal qualification of the hearing officer should be the ability to conduct a hearing as an impartial participant.

A3.5.2. The primary duties of the hearing officer are to make sure that the hearing is orderly, is recorded, and that interested parties have a reasonable opportunity to speak. The presiding officer should direct the speakers’ attention to the purpose of the hearing, which is to consider the environmental impacts of the proposed project. Speakers should have a time limit to ensure maximum public input to the decision-maker.

A3.6. Record of the Hearing

The EIS preparation team must make sure a verbatim transcribed record of the hearing is prepared, including all stated positions, all questions, and all responses. The EIS preparation team should append all written submissions that parties provide to the hearing officer during the hearing to the record as attachments. The EIS preparation team should also append a list of persons who spoke at the hearing and submitted written comments and a list of the organizations or interests they represent with addresses. The EIS preparation team must make sure a verbatim transcript of the hearing is provided to the EPF for inclusion as an appendix to
A3.7. Hearing Format

Use the format outlined below as a general guideline for conducting a hearing. Hearing officers should tailor the format to meet the hearing objectives. These objectives provide information to the public, record opinions of interested persons on environmental impacts of the proposed action, and set out alternatives for improving the EIS and for later consideration.

A3.7.1. Record of Attendees. The hearing officer should make a list of all persons who wish to speak at the hearing to help the hearing officer in calling on these individuals. To ensure an accurate transcript, the hearing officer should assign assistants to the entrance of the hearing room to provide cards on which individuals can voluntarily write their names, addresses, telephone numbers, organizations they represent, and titles; whether they desire to make a statement at the hearing; and information about the environmental area(s) they wish to address. The hearing officer can then use the cards to call on individuals who are present, and have already indicated a desire to speak, when the hearing has culled a representative view of public opinion, or when the speakers become repetitive, or for other good cause. In any such case, the hearing officer must make a statement for the record on the reasons for terminating the hearing. The hearing officer may also extend the extension to a later date or time during the hearing and prior to the hearing if possible.

A3.7.5. Statement of Attendees. The hearing officer must give the persons attending the hearing a chance to present oral or written statements. The hearing officer should be sure the recorder has the name and address of each person who submits an oral or written statement. The officer should also permit the attendees to submit written statements within a reasonable time, usually two weeks, following the hearing. The officer should allot a reasonable length of time at the hearing for receiving oral statements. The officer may waive any announced time limit at his or her discretion. The hearing officer may also extend the hearing beyond the originally announced date and time. The officer should announce the extension to a later date or time during the hearing if the hearing becomes disorderly, if the speakers become repetitive, or for other good cause. The officer may also extend the extension to a later date or time during the hearing if the hearing becomes disorderly, if the speakers become repetitive, or for other good cause.

A3.7.6. Ending or Extending a Hearing. The hearing officer has the power to end the hearing if the hearing becomes disorderly, if the speakers become repetitive, or for other good cause. The hearing officer may also extend the extension to a later date or time during the hearing if the hearing becomes disorderly, if the speakers become repetitive, or for other good cause.

A3.8. Adjourning the Hearing

After all persons have had a chance to speak, when the hearing has culled a representative view of public opinion, or when the time set for the hearing and any reasonable extension of time has ended, the hearing officer adjourns the hearing. In certain circumstances (for example, if the hearing officer believes it is likely that some participants will introduce new and relevant information), the hearing officer may justify scheduling an additional, separate hearing session. If the hearing officer makes the decision to hold another hearing while presiding over the original hearing he or she should announce that another public hearing will be scheduled or is under consideration.
Pt. 989, App. C

directs notices to interested parties in coordination with the hearing officer. Because of lead-time constraints, SAF/MIQ may waive Federal Register notice requirements or advertisements in local publications. At the conclusion of the hearing, the hearing officer should inform the attendees of the deadline (usually 2 weeks) to submit additional written remarks in the hearing record. The officer should also notify attendees of the deadline for the commenting period of the Draft EIS.

(2) The Commander, DLA Administrative Support Center (DLASC) is responsible for designating a qualified individual, preferably one experienced in the conduct of investigations, as the Claims Investigating Officer for DLASC and HQ DLA.

(3) Claims Investigating Officers are responsible for the expeditious conduct of all investigations and the processing of reports in accordance with appropriate Departmental regulations as prescribed by this part 1280. To ensure prompt investigation of every incident while witnesses are available, and before damage has been repaired, the duties of personnel as Claims Investigating Officers will ordinarily have priority over any other assignments they may have.

(4) The Counsel, DLA Field Activities are responsible for:
(i) Receiving claims reports and information about related litigation, and processing these reports and information in accordance with this part 1280 and appropriate Departmental regulations.

(ii) Providing directions and guidance to Claims Investigating Officers in the investigation and processing of claims.

(b) The Counsel, DLA (DLAH–G) is responsible for:

(1) Providing guidance to Counsel at DLA field activities on all claims and litigation matters within the purview of this part 1280.

(2) Receiving claims reports and information on related litigation forwarded to HQ DLA, Attention: DLAH–G, and processing these in accordance with this part 1280 and appropriate Departmental regulations.

(3) Maintaining this part 1280 in a current status and reviewing it annually.

§ 1280.5 Procedures.¹

(a) Claims by military and civilian personnel of DLA for property lost or damaged incident to service (31 U.S.C. 240 through 243). (1) The Claims Investigating Officer will conduct his investigation and prepare all necessary forms and reports in accordance with the appropriate portions of AR 27–20 where the claimant is a member of the Army or a DLA civilian employee; JAGINST 5800.7A where the claimant is a member of the Navy or Marine Corps; or AFM 112–1 where the claimant is a member of the Air Force.

(2) The completed report will be forwarded by the Claims Investigating Officer to the Counsel for his activity or, if the activity has no Counsel, to the next higher echelon having such a position.

(3) The activity Counsel receiving the Claims Investigating Officer’s report will review the report, and take all necessary action to assure that it is complete and in accordance with the appropriate regulation. He will forward the report together with his comments and recommendations to one of the following activities for settlement. Where the incident giving rise to the claim was occasioned by an act or omission of:

(i) DLA civilian personnel. Counsel, DLA.

(ii) A member of the Army. The Staff Judge Advocate designated in AR 27–20, appendix F, as the Area Claims Authority where the claim arose.

(iii) A member of the Navy or Marine Corps. The Director of the Navy Law Center in the Naval District in which the incident giving rise to the claim occurred.

(iv) A member of the Air Force. The Base Staff Judge Advocate of the Air Force Base nearest the place where the incident giving rise to the claim occurred.

(c) Claims under the Federal Tort Claims Act arising from negligence of DLA military or civilian personnel. (1) The Claims Investigating Officer will conduct his investigation and prepare all necessary forms and reports in accordance with the appropriate portions of AR 27–20 where the claim involves a member of the Army or a DLA civilian employee; JAGINST 5800.7A where the claim involves a member of the Navy or Marine Corps; or AFM 112–1 where the
the claim involves a member of the Air Force.

(2) The completed report of investigation will be forwarded by the Claims Investigating Officer to one of the following activities for settlement. Where the incident giving rise to the claim was occasioned by an act or omission of:

(i) DLA civilian personnel or a member of the Army. The Staff Judge Advocate designated in AR 27–20, appendix F, as the Area Claims Authority where the incident giving rise to the claim occurred.

(ii) A member of the Navy or Marine Corps. The Director of the Navy Law Center in the Naval District in which the incident giving rise to the claim occurred.

(iii) A member of the Air Force. The Base Staff Judge Advocate of the Air Force Base nearest the place where the incident giving rise to the claim occurred.

(d) Tort claims in favor of the United States for damage to or loss or destruction of DLA property, or property in its custody or control. (1) These claims will be investigated and processed in accordance with the provisions of AR 27–40, Chapter 5, except:

(i) The duties of the claims officer will be performed by the Claims Investigating Officer.

(ii) The duties of the Staff Judge Advocate will be performed by Counsel, except where the property is a GSA motor pool system vehicle (see paragraph (e) of this section).

(iii) The reports of the Claims Investigating Officer will be furnished direct to Counsel for his activity or, if his activity has no Counsel, to the next higher echelon having such a position.

(iv) With respect to reports referred to them, Counsel are authorized to give receipts for any payments received and to execute releases where payment in full is received, except where the property is a GSA motor pool system vehicle (see paragraph (e) of this section). Offers of compromise will be processed pursuant to DSAM 7000.1, chapter 12, section V, paragraph 120502.

(v) Where payment in full is not received after reasonable efforts have been made to collect the claim administratively, Counsel will refer the case directly to the U.S. Attorney unless:

(a) The amount of the claim exceeds $10,000, in which event the case will be referred to Counsel, DLA.

(b) The amount of the debt is less than $250; or the record clearly shows that the debtor is unable to pay; or the debtor cannot be located; in which event the file may be closed and the debt treated as an uncollectable which does not have to be referred to the General Accounting Office.

(2) If, at any stage of the processing of a claim under this paragraph (d), a claim is filed against the Government arising out of the same incident, or it becomes apparent that one will be filed, the claim under this paragraph (d) will be treated as a counterclaim, and included under the report filed in accordance with the applicable paragraph of this part 1280.

(e) Claims involving GSA motor pool system vehicles. (1) Where a motor pool system vehicle issued to a DLA activity is involved in an accident giving rise to a claim under the Federal Tort Claims Act, the claim will be handled pursuant to paragraph (c) of this section.

(2) In the event of damage to a motor pool system vehicle which is not due to the fault of the operator, Counsel receiving the report will submit the report to GSA’s Regional Counsel for the region that issued the vehicle pursuant to the Federal Property Management Regulation, §101–39.805. Damages to motor pool system vehicles caused by the negligence of vehicle operator employed by DLA or caused by the negligence or misconduct of any other officer or employee of DLA are reimbursed to General Services Administration (GSA). Determination affixing responsibility will be made by the Counsel to which the report is referred, after considering the views of GSA.

(f) Reporting legal proceedings. (1) All process and pleadings served on any personnel or activity of DLA, and related to a claim covered by this part 1280 or involving an incident which may give rise to a claim covered by this part 1280, together with other immediately available data concerning the commencement of legal proceedings, will be promptly referred to
Counsel for the activity involved, or, if the activity has no Counsel, to the next higher echelon having such a position.

(2) Any Military Service member or civilian employee of DLA (or his personal representative) against whom a domestic civil action or proceeding is brought for damage to property, or for personal injury or death, on account of his operation of a motor vehicle (Government- or privately-owned) in the scope of his employment (28 U.S.C. 2679) will:

(i) Upon receipt of process and pleadings or any other information regarding the commencement of such action or proceeding, immediately inform the Head of his activity and Counsel as specified in paragraph (f)(1) of this section.

(ii) Promptly deliver all process and pleadings served upon him, or an attested true copy thereof, to Counsel.

(3) Upon receipt of information or process and pleadings pursuant to paragraph (f)(1) or (2) of this section, Counsel will promptly prepare and process reports in accordance with the appropriate portions of AR 27–40 except that:

(i) If the incident giving rise to the litigation was occasioned by an act or omission of a member of the Navy or Marine Corps, or a member of the Air Force, information and reports required to be furnished to The Judge Advocate General of the Army will be furnished instead to The Judge Advocate General of the Navy and Air Force respectively.

(ii) If the litigation is under the Federal Tort Claims Act and no administrative claim has been filed, Counsel will immediately advise the U.S. Attorney and furnish him a report of all information the activity has with respect to the claim and an affidavit by the Claims Investigating Officer to the effect that no administrative claim has been filed. Two copies of the foregoing will be provided to the appropriate Military Service Judge Advocate General. If an administrative claim has been filed and has been referred to a Military Service, a copy of the process and pleadings and any information not previously furnished will be sent to the appropriate Military Service Judge Advocate General.
media representatives should be encouraged to eliminate the need for these requesters to invoke the provisions of the FOIA and thereby assist in providing timely information to the public. Similarly, requests from other members of the public for information should continue to be honored through appropriate means even though the request does not qualify under FOIA requirements.

(b) Control system. A request for records that invokes the FOIA shall enter a formal control system designed to ensure compliance with the FOIA. A release determination must be made and the requester informed within the time limits specified in this rule. Any request for DLA records that either explicitly or implicitly cites the FOIA shall be processed under the provisions of this rule, unless otherwise required by paragraph (m) of this section.

(c) Compliance with the FOIA. DLA personnel are expected to comply with the FOIA and this rule in both letter and spirit. This strict adherence is necessary to provide uniformity in the implementation of the DLA FOIA program and to create conditions that will promote public trust. To promote a positive attitude among DLA personnel, each DLA Primary Level Field Activity (PLFA) will establish education and training programs described in part 286, subpart H, of this title. Training materials, including supplements, will be coordinated with DLA–XAM prior to publication or issuance.

(d) Openness with the public. DLA shall conduct its activities in an open manner consistent with the need for security and adherence to other requirements of law and regulation. Records not exempt from disclosure under the Act shall, upon request, be made readily accessible to the public in accordance with rules promulgated herein, whether or not the Act is invoked.

(e) Avoidance of procedural obstacles. DLA activities shall ensure that procedural matters do not unnecessarily impede a requester from obtaining DLA records promptly. DLA activities shall provide assistance to requesters to help them understand and comply with procedures established by this rule and any rules published by the DLA PLFA’s.

(f) Prompt action on requests. When a member of the public complies with the procedures established in this rule for obtaining DLA records, the request shall receive prompt attention; a reply shall be dispatched within 10 working days unless a delay is authorized. When a DLA activity has a significant number of requests, e.g., 10 or more, the requests shall be processed in order of receipt. However, this does not preclude an activity from completing action on a request which can be easily answered, regardless of its ranking within the order of receipt. A DLA activity may expedite action on a request regardless of its ranking within the order of receipt upon a showing of exceptional need or urgency. Exceptional need or urgency is determined at the discretion of the activity processing the request.

(g) Public domain. Nonexempt records released under the authority of this rule are considered to be in the public domain. Such records may also be made available in reading rooms to facilitate public access. Exempt records released pursuant to this rule or other statutory or regulatory authority, however, may be considered to be in the public domain only when their release constitutes a waiver of the FOIA exemption. When the release does not constitute such a waiver, such as when disclosure is made to a properly constituted advisory committee or to a Congressional committee, the released records do not lose their exempt status. Also, while authority may exist to disclose records to individuals in their official capacity, the provisions of this rule apply if the same individual seeks the records in a private or personal capacity.

(h) Creating a record. (1) There is no obligation to create nor compile a record to satisfy an FOIA request. A DLA activity, however, may compile a new record when doing so would result in a more useful response to the requester or be less burdensome to the activity provided the requester does not object. The cost of creating or compiling such a record may not be charged to the requester unless the fee for creating the record is equal to or less than the fee which would be charged for providing the existing

record. Fee assessments shall be in accordance with §1285.6 of this part and part 286, subpart F, of this title.

(2) With respect to electronic data, the issue of whether records are actually created or merely extracted from an existing database is not always readily apparent. Consequently, when responding to FOIA requests for electronic data where creation of a record, programming, or particular format are questionable, DLA activities should apply a standard of reasonableness. In other words, if the capability exists to respond to the request and the effort would be a business-as-usual approach, then the request should be processed. However, the request need not be processed where the capability to respond does not exist without a significant expenditure of resources, thus not being a normal business-as-usual approach.

(i) Description of the requested record.

(1) Identification of the record desired is the responsibility of the member of the public who requests a record. The requester must provide a description of the desired record that enables DLA to locate the record with a reasonable amount of effort. When a DLA activity receives a request that does not reasonably describe the requested record, it shall notify the requester of the defect. The requester may be asked to provide the type of information outlined in paragraph (ii)(2) of this section. Activities are not obligated to act on the request until the requester responds to the specificity letter. When practicable, DLA activities shall offer assistance to the requester in identifying the records sought and in reformulating the request to reduce the burden on the agency in complying with the Act.

(ii) The following guidelines are provided to deal with "fishing expedition" requests and are based on the principle of reasonable effort. Descriptive information about a record may be divided into two broad categories.

(i) Category I is file-related and includes information such as type of record (for example, memorandum), title, index citation, subject area, date the record was created, and originator.

(ii) Category II is event-related and includes the circumstances that resulted in the record being created or the date and circumstances surrounding the event the record covers.

(3) Generally, a record is not reasonably described unless the description contains sufficient Category I information to permit the conduct of an organized, nonrandom search based on the activity’s filing arrangements and existing retrieval systems, or unless the record contains sufficient Category II information to permit inference of the Category I elements needed to conduct such a search. The decision of the DLA activity concerning reasonableness of description must be based on knowledge of its files. If the description enables DLA activity personnel to locate the record with reasonable effort, the description is adequate.

(4) The following guidelines deal with requests for personal records. Ordinarily, when only personal identifiers are provided in connection with a request for records concerning the requester, then only records retrievable by personal identifiers need be searched. The search for such records may be conducted under Privacy Act procedures contained in DLAR 5400.21.2

No record may be denied that is releasable under the FOIA.

(j) Possession and control. A record must exist and be in the possession and control of DLA at the time of the search to be considered subject to this rule and the FOIA. Mere possession of a record does not presume Agency control. Information created or originated by another activity shall be referred to that activity for release determination and direct response to the requester.

(1) Referring requests. A DLA activity having no responsive records to an FOIA request may refer the request to another DLA activity, DoD component, or Federal agency if, after consultation with such activity, component, or agency, the intended recipient confirms that it has the requested record. In cases where the DLA activity receiving the request has reason to believe that the existence or nonexistence or the record may in itself be classified, that activity shall consult the DoD component having cognizance over the

Defense Logistics Agency

§ 1285.2

record in question before referring the request. If the DoD component that is consulted determines that the existence or nonexistence of the record is in itself classified, the requester shall be so notified by the DLA activity originally receiving the request, and no referral shall take place. Otherwise, the request shall be referred to the other DoD component, and the requester shall be notified of any such referral. Any DLA activity receiving a request that has been misaddressed shall refer the request to the proper address and advise the requester.

(2) Referring records. (i) Whenever a record or a portion of a record is, after prior consultation, referred to another DLA activity, DoD component, or to a Government agency outside of the DoD for a release determination and direct response, the requester shall be informed of the referral. Referred records shall only be identified to the extent consistent with security requirements.

(ii) A DLA activity shall refer an FOIA request for a classified record that it holds to another DoD component or agency outside the Department of Defense if the record originated in the other DoD component or outside agency or if the classification is derivative. In this situation, provide the record and a release recommendation on the record with the referral action.

(iii) A DLA activity may refer a request for a record that it originated to another DoD component or agency when the record was created for the use of the other DoD component or agency. The DoD component or agency for which the record was created may have an equally valid interest in withholding the record as the DLA activity that created the record. In such situations, provide the record and a release recommendation on the record with the referral action.

(iv) Within DLA, an activity shall ordinarily refer an FOIA request for a record that it holds but that was originated by another activity or that contains substantial information obtained from another activity to that activity for direct response after coordination and obtaining concurrence from the activity. The requester shall then be notified of such referral. DLA activities shall not, in any case, release or deny such records without prior consultation with the other activity.

(3) On-loan documents. A DLA activity shall refer to the agency that provided the record any FOIA request for investigative, intelligence, or any other type of records that are on loan to DLA for a specific purpose if the records are restricted from further release and so marked. However if, for investigative or intelligence purposes, the outside agency desires anonymity, a DLA activity may only respond directly to the requester after coordination with the outside agency.

(4) General Accounting Office (GAO) documents. On occasion, the DoD receives FOIA requests for GAO documents containing DoD information. Even though the GAO is outside the executive branch and not subject to the FOIA, all FOIA requests from GAO documents containing DoD information received either from the public or on referral from GAO will be processed under the provisions of the FOIA.

(5) Agencies not subject to the FOIA. A DLA activity may refer an FOIA request for any record that originated in an agency outside the DoD or that is based on information obtained from an outside agency to the agency for direct response to the requester after coordination with the outside agency, if that agency is subject to FOIA. Otherwise, the DLA activity must respond to the request.

(6) Time to respond. DLA activities that receive referred requests shall answer them in accordance with the time limits established by the FOIA and this rule. Those time limits shall begin to run upon proper receipt of the referral by the PLFA FOIA manager to respond.

(7) Accumulating fees. Requesters receiving the first two hours of search and the first 100 pages of duplication without charge (see part 286, subpart F, of this title) are entitled to such only once per request. Consequently, if a DLA activity, after completing its portion of a request, finds it necessary to refer the request to another DLA activity or another DoD component to action their portion of the request, the referring activity shall inform the recipient of the expended amount of
§ 1285.2

search time and duplication cost to date.

(k) Requests for authentication of records. FOIA requests for authentication of records shall be authenticated with an appropriate seal, whenever necessary, to fulfill an official Government or other legal function according to DLA Regulation 5105.5. This service, however, is in addition to that required under the FOIA and is not included in the FOIA fee schedule. DLA activities may charge for the service at a rate of $5.20 for each authentication.

(l) Records management. FOIA records shall be maintained and disposed of in accordance with DLA Manual 5015.1.4

(m) Relationship between the FOIA and the Privacy Act. Not all requesters are knowledgeable of the appropriate statutory authority to cite when requesting records. In some instances, they may cite neither Act but will imply one or both Acts. For these reasons, the following guidelines are provided to ensure that requesters receive the greatest amount of access rights under both Acts:

1. Requesters who seek records about themselves contained in a Privacy Act system of records and who cite or imply the Privacy Act, will have their requests processed under the provisions of the Privacy Act, 5 U.S.C. 552a.

2. Requesters who seek records about themselves which are not contained in a Privacy Act system of records and who cite or imply the Privacy Act, will have their requests processed under the provisions of the FOIA, since they have no access rights under the Privacy Act.

3. Requesters who seek records about themselves which are contained in a Privacy Act system of records and who cite or imply the FOIA, or both Acts will have their requests processed under the time limits of the FOIA and the exemption and fee provisions of the Privacy Act.

4. Requesters who seek access to Agency records and who cite or imply the Privacy Act, the FOIA, or both will have their requests processed under the FOIA.

5. Requesters should be advised in final responses why their request was processed under a particular act.

(n) Reading rooms. (1) DLA activities may provide a facility or room where the public may inspect and copy or have copied the so-called “(a)(2)” material (see §1285.3(o) of this part). At those activities where it is impractical to set up a formal reading room, the FOIA manager will arrange for a review of “(a)(2)” material at a suitable time and location. Identifying details that, if revealed, would create a clearly unwarranted invasion of personal privacy may be deleted from “(a)(2)” materials prior to placement in reading rooms. However, in every case, justification for the deletion must be fully explained in writing. The public’s right to inspect first and then decide what is to be copied applies only to “(a)(2)” material. Activities may elect to place other documents in their reading room, including so-called “(a)(1)” material (see §1285.3(a) of this part), as a means to provide public access to such documents and allow the public to first inspect them before copying. When appropriate, the cost of copying may be imposed on the person requesting the material in accordance with §1285.6 of this part and part 286, subpart F, of this title.

2. “(a)(2)” materials index. Each activity maintaining a reading room shall maintain an index of the “(a)(2)” materials that are issued, adopted, or promulgated after 4 July 1967. No “(a)(2)” materials issued, promulgated, or adopted after 4 July 1967 that are not indexed and either made available or published may be relied upon or used or cited as precedent against any individual unless such individual has actual and timely notice of the contents of such materials. Each index shall be arranged topically or by descriptive words rather than by case name or numbering system so that members of the public can readily locate material. Case name and numbering arrangements, however, may also be included for the convenience of the DLA activity. Such materials issued, promulgated, or adopted before 4 July 1967 need not be indexed but must be made available upon request if not exempted under part 286, subpart C, of this title.
Defense Logistics Agency § 1285.2

(3) DLA publications and PLFA supplements may, at the discretion of the DLA activity, be regarded as “(a)(2)” material and placed in reading rooms subject to the restrictions in paragraph (o)(2) of this section. Otherwise, requests for publications will be handled according to paragraph (o)(1) of this section.

(o) Publications of DLA regulations, manuals, handbooks, and uncontrolled forms. (1) Since most DLA publications are available to the public through the publications distribution sales outlet, the requester may be referred to that outlet.

(2) Requests for DLA publications which are classified, marked “FOR OFFICIAL USE ONLY,” or have limited distribution statements will be referred to the issuing activity for release determination and, if appropriate, formal denial. Such publications will not be placed in reading rooms. However, where a public reading room also serves as an activity’s library, restricted publications may be maintained provided they are appropriately safeguarded and not commingled with other non-sensitive regulations.

(3) For DoD regulations, manuals, directives, handbooks and similar issuances, the FOIA manager may refer the requester to the National Technical Information Service (NTIS), 5285 Port Royal Road, Springfield, VA 22161–2171.

(p) Exemptions. The types of records described in part 286, subpart C, of this title may be withheld in whole or in part from disclosure under the FOIA unless otherwise prescribed by law.

(q) Requests for the examination of DLA records. Only those materials described as “(a)(2)” (and “(a)(1)” at the discretion of the PLFA head) are subject to the examination clause of the FOIA. Such requests will be submitted directly to the appropriate DLA activity listed in appendix A. FOIA managers will inform requesters of the location and time the requested record may be examined. Requesters may be charged for the cost to reproduce copies subject to the guidelines §1285.6 of this part and part 286, subpart F, of this title.

(r) Requests for copies of records. Individuals seeking copies of DLA records should address their FOIA requests to the FOIA manager of the appropriate activity. Addresses and brief descriptions of functions are included in appendix A to this part.

(s) Requests from private parties. The provisions of the FOIA are reserved for persons with private interests as opposed to Federal Governments seeking official information. Requests from private persons will be made in writing and will clearly show all other addresses within the Federal Government to whom the request was also sent. This procedure will reduce processing time requirements and ensure better inter- and intra-agency coordination. DLA activities are under no obligation to establish procedures to receive hand delivered requests. Release for records to individuals under the FOIA is considered public release of information, except as provided for in paragraph (g) of this section and §286.13(a) of this title.

(t) Requests from government officials. Requests from Members of Congress for records on behalf for a Congressional Committee, Subcommittee, or either House sitting as a whole will be processed according to DLA Regulation 5400.12.5 Requests from officials of foreign governments which do not invoke the FOIA shall be referred to HQ DLA–I or the appropriate foreign disclosure channel for processing and the requester so notified. Requests invoking the FOIA from the following government officials will be considered the same as any other requested and processed according to this rule:

(1) Officials of State or local governments.

(2) Members of Congress seeking records on behalf of their constituents.

(3) Officials of foreign governments.

(u) Privileged release to U.S. Government officials. (1) Records determined to be exempt from public disclosure under one or more of FOIA exemptions may be authenticated and released to U.S. Government officials requesting them on behalf of Federal governmental bodies, whether legislative, executive, administrative, or judicial, as follows:

(i) To a Committee or Subcommittee of Congress or to either House sitting

5 See Footnote 2 to §1285.2(1)(4).
§ 1285.3 Definitions.

The following terms and meanings shall be applicable:

(a) "(a)(1) material". Material described in 5 U.S.C. 552(a)(1) consisting of descriptions of central and field organizations and, to the extent that they affect the public, rules of procedures, descriptions of forms available, instruction as to the scope and contents of papers, reports, or examinations, and any amendment, revision, or report of the aforementioned.

(b) "(a)(2) material". Material described in 5 U.S.C. 552(a)(2) encompassing:

(1) Final opinions, including concurring and dissenting opinions, and orders made in the adjudication of cases, as defined in 5 U.S.C. 551, that may be cited, used, or relied upon as precedents in future adjudications.

(2) Statements of policy and interpretations that have been adopted by the agency and are not published in the Federal Register.

(3) Administrative staff manuals and instructions, or portions thereof, that establish DLA policy or interpretations of policy that affect a member of the public. This provision does not apply to instructions for employees on tactics and techniques to be used in performing their duties or to instructions relating only to the internal management of the DLA activities. Examples of manuals and instructions not normally made available include but are not limited to the following:

(i) Those issued for audit, investigation, and inspection purposes or those that prescribe operational tactics, standards of performance, or criteria for defense, prosecution, or settlement of cases.

(ii) Operations and maintenance manuals and technical information concerning munitions, equipment, systems, and foreign intelligence operations.

(c) Administrative appeal. A request made under the FOIA by a member of the general public asking the appellate authority to reverse an initial denial authority’s decision to withhold all or part of a requested record, to review a “no record found” determination, to reverse a decision to deny a request for waiver or reduction of fees, or to review a category determination for fee assessment purposes.

(d) Agency record. (1) The products of data compilation, such as all books, papers, maps and photographs, machine readable materials, or other documentary materials, regardless of physical form or characteristics, made or received by an agency of the United States Government under Federal law in connection with the transaction of public business and in DLA’s possession and control at the time the FOIA request is made.

(2) The following are not included within the definition of the word “record”:

6See Footnote 1 to §1285.1.
(i) Objects or articles, such as structures, furniture, vehicles and equipment, whatever their historical value or value as evidence.

(ii) Administrative tools by which records are created, stored, and retrieved, if not created or used as sources of information about organizations, policies, functions, decisions, or procedures of a DLA activity. Normally, computer software, including source code, object code, and listings of source and object codes, regardless of medium, are not agency records. (This does not include the underlying data which is processed and produced by such software and which may in some instances be stored with the software.) Exceptions to this position are outlined in paragraph (d)(3) of this section.

(iii) Anything that is not a tangible or documentary record, such as an individual’s memory or oral communication.

(iv) Personal records of an individual not subject to agency creation or retention requirements, created and maintained primarily for the convenience of an agency employee and not distributed to other agency employees for their official use.

(v) Information stored within a computer for which there is no existing computer program for retrieval of the requested information.

(3) In some instances, computer software may have to be treated as an agency record and processed under the FOIA. These situations are rare and shall be treated on a case-by-case basis. Examples of when computer software may have to be treated as an agency record are:

   (i) When the data is embedded within the software and cannot be extracted without the software. In this situation, both the data and the software must be reviewed for release or denial under the FOIA.

   (ii) Where the software itself reveals information about organizations, policies, functions, decisions, or procedures of a DLA activity, such as computer models used to forecast budget outlays, calculate retirement system costs, or optimization models on travel costs.

   (iii) See part 266, subpart C, of this title for guidance on release determinations of computer software.

(4) A record must exist and be in the possession and control of DLA at the time of the request to be considered subject to this rule and the FOIA. There is no obligation to create, compile, or obtain a record to satisfy an FOIA request.

(5) If unaltered publications and processed documents, such as regulations, manuals, maps, charts, and related geophysical materials are available to the public through an established distribution system with or without charge, the provisions of 5 U.S.C. 552(a)(3) normally do not apply, and requests for such need not be processed under the FOIA. Normally, documents disclosed to the public by publication in the Federal Register also require no processing under the FOIA. In such cases, DLA activities should direct the requester to the appropriate source to obtain the record.

(e) Appellate authority. The Director, DLA, or his designee, except for fee waivers and category determinations. The appellate authority for such appeals is the Staff Director, Office of Administration, HQ DLA.

(f) DLA activity. An element of DLA authorized to receive and act independently on FOIA requests. A DLA activity has its own FOIA manager, initial denial authority, and office of counsel.

(g) Electronic data. Those records and information which are created, stored, and retrievable by electronic means. This does not include computer software, which is the tool by which to create, store, or retrieve electronic data. See paragraphs (d)(2)(ii) and (d)(3) of this section for a discussion of computer software.

(h) FOIA request. A written request for records made by any person, including a member of the public (U.S. or foreign citizen), an organization, or a business, but not including a Federal agency or a fugitive from the law, that either explicitly or implicitly invokes the FOIA, DoD 5400.7–R, DLAR 5400.14, this rule, or DLA activity supplementing regulations or instructions.

(i) Initial denial authority (IDA). An official who has been granted authority by the Director, DLA, to withhold records requested under the FOIA for one or more of the nine categories of
records exempt from mandatory disclosure or to issue a “no record” determination. These include the Directors (or equivalent) of HQ DLA Primary Staff Elements (PSE’s) and the Commanders (or equivalent) of PLFA’s. For fee waiver and requester category determinations, the initial denial authority is the FOIA manager or head of the FOIA unit.

(j) Public interest disclosures. Those disclosures which shed light on DLA performance of its statutory duties and thus inform citizens about what their government is doing. The “public interest”, however, is not fostered by disclosure of information about private citizens that is accumulated in various governmental files that reveals little or nothing about an agency’s or official’s own conduct. The public interest is one of several factors considered in determining if a fee waiver is appropriate (see part 286, subpart F, of this title).

(k) Releasing official. Any individual with sufficient knowledge of a requested record or program to allow him or her to determine if harm would come through release. Releasing officials are at all levels and may be selected to review a particular document because of their expertise in the subject area. The level must be high enough to make sure that releases are made according to the policies outlined here. The authority to release records of a routine nature, such as fact sheets or local directories, may be delegated to any individual at the discretion of the denial authority. In doubtful cases, releasing officials may consult with the FOIA staff or servicing counsel prior to release.

§ 1285.4 Responsibilities.

(a) The Staff Director, Administration, HQ DLA–X: (1) Has overall responsibility for establishment and implementation of the DLA FOIA program, providing guidance and instructions to PLFA’s and PSE’s.

(2) Designates a FOIA manager to administer the DLA FOIA program.

(3) Serves as the point of contact for referring members of the public to the proper DLA source for Agency records.

(4) Serves as appellate authority on fee waivers and category determinations.

(5) Serve as initial denial authority for record denials where more than one PSE is involved or where a PSE has made a determination that the requested record cannot be found.

(6) Submits required reports to the Office of the Assistant Secretary of Defense, Public Affairs.

(7) Collects and deposits fees for FOIA services performed at HQ DLA and DASC.

(b) The General counsel, HQ DLA–G: (1) Provides legal advice and assistance to HQ DLA PSE’s and, where appropriate, PLFA’s in determining decisions to withhold records.

(2) Processes appeals to the Director, DLA, of denials to provide records or “no record” determinations.

(3) Coordinates denial actions with Office of the General Counsel, DoD, and the Department of Justice, as appropriate.

(4) Ensures that case files of FOIA appeals are maintained for 6 years after final agency decision.

(c) The Staff Director, Office of Public Affairs, HQ DLA–B, serves as a coordinating office for the release of information to the news media where potential for controversy exists.

(d) The Staff Director, Office of Congressional Affairs, HQ DLA–Y, serves as a coordinating office on final responses to FOIA requests from members of the Congress.

(e) The heads of the DLA principal staff elements (PSE’s): (1) Appoint an individual to serve as FOIA monitor. Letters of appointment will be forwarded to DLA–XAM.

(2) Forward to DLA–XAM any FOIA request received directly from the public so that the request may be administratively controlled.

(3) Ensures that provisions of this regulation are followed in processing requests for records from the public.

(4) Coordinate requests with other HQ DLA staff elements to the extent considered necessary.

(5) Coordinate any proposed denial with the General Counsel.

(6) Serve as initial denial authority.

(7) Ensure that FOIA case files of denials are maintained for 6 years and
that full releases are maintained for 2 years.

(8) Make initial determinations to release records or designate individuals to make such determinations.

(f) The PSE FOIA monitors: (1) Process and control all FOIA requests received from DLA–XAM.

(2) Make sure established suspenses are met.

(3) Request extensions of time from DLA–XAM when necessary and within the limits of §1285.5(j) of this part.

(4) Gather cost estimates when requested.

(5) Ensure costs for processing each Freedom of Information Act request are properly recorded.

(6) Coordinate proposed full and partial denials with DLA–XAM prior to signature by the PSE director. Forward a copy of the final response and cost information to DLA–XAM.

(g) The heads of DLA primary level field activities (PLFA’s): (1) Designate a FOIA manager to administer the DLA FOIA program within the PLFA. Forward the name, address, and telephone number of the manager to DLA–XAM.

(2) Ensure that the provisions of this regulation are followed in processing requests for records from members of the public.

(3) Provide facilities where members of the public may examine and copy the following documents:

(i) DLAH 5805.17, DLA Organization Directory.

(ii) DLAH 5025.18, DLA Index of Publications.

(iii) DLAM 5015.1, Files Maintenance and Disposition.

(iv) Copies of local directories or indexes.

(v) Any other available “(a)(1)” or “(a)(2)” material.

(4) Sign letters of denial and “no record” determinations after coordination with Counsel.

(5) Refer cases of significance to DLA–XAM for review and evaluation when the issues raised are unusual, precedent setting, or otherwise require special guidance.

(6) Establish safeguards to ensure that FOUO material is protected.

(7) Establish procedures to ensure that a record is maintained of all FOIA requests for logistical data (data on magnetic tape extracted from any of the DLA automated data processing (ADP) systems). The record will contain the requester’s name and address, the date of the request, what information was requested, and what information was furnished. This record will be kept for five years.

(8) Inform Public Affairs offices in advance when they intend to withhold or partially withhold a record if it appears that the withholding action may be challenged in the media.

(h) Freedom of Information Act managers at all levels: (1) Establish procedures to receive, control, process, and screen FOIA requests. To provide for rapid retrieval of information, FOIA managers will maintain a central log of all incoming FOIA requests.

(2) Review requests to determine if they meet the requirements of 5 U.S.C. 552. Determine category of the requester before assigning the request for search. Provide instructions to the searching office on fees and time limits for response.

(3) Consult with requesters, where necessary, to determine requester category and to resolve fee issues.

(4) Establish training and education program for those personnel who may be involved in responding to FOIA requests.

(5) Approve requests for formal extensions of time and notify requesters in writing of the extension.

(6) Grant or deny requests for fee waivers or requester category determinations and provide DLA–XAM with a copy of each such denial.

(7) Establish procedures to ensure that §1285.5(1) of this part regarding consultation with submitters of information is complied with.

(8) Establish procedures for the collection and deposit of fees for FOIA services.

(9) Ensure that cost data is maintained for each case file.

(10) Establish procedures to ensure that record denials and “no record” determinations are signed by the PLFA initial denial authority and a copy forwarded to DLA–XAM.
§ 1285.5 Procedures.

(a) FOIA channels. If DLA personnel receive a FOIA request directly from the public that has not been logged in and processed through the FOIA office, they will immediately forward it to the local FOIA manager.

(b) Central log system. Each FOIA manager will maintain a central log of FOIA requests received within the activity to ensure compliance with the time limits and accurate cost accounting, fee assessment, and reporting.

(c) Time limit. FOIA requests must be responded to within 10 business days after proper receipt, except in unusual circumstances outlined in paragraph (j) of this section. A request is considered properly received on the date the FOIA manager receives it where provided the request has been reasonably described and the requester has either agreed to pay assessable fees or has provided sufficient justification for a fee waiver.

(d) Screening requests. (1) Before assigning a request for search, the FOIA manager will screen the request for defects in the description, the requester category, and the issue of fees. FOIA managers will notify requesters of any such defects and, wherever possible, offer assistance to help remedy the defects. If the FOIA manager must consult with the requester on any of the following issues, then the request is not considered to be properly received and the 10-day time limit does not begin or resume until the requester has satisfactorily addressed the issue.

(i) Payments in arrears. If a requester has failed to pay fees for a previous request, then the FOIA manager need not process the current request until the requester pays the delinquent amount. In such situations, the FOIA manager will notify the requester of the defect and provide an opportunity to forward payment along with any assessable interest. At that time, the FOIA manager may, at his or her discretion, demand that the requester also pay an estimated fee for the current request.

(ii) Faulty description. If the request is not reasonably described, the FOIA manager will notify the requester of the defect and advise that a search cannot be initiated without more specific information. In making such determinations, FOIA managers may consult with offices of primary interest to determine the details that are needed to conduct a search. See also paragraph (f)(2) of this section and §1285.2(i) of this part.

(iii) Requester category and fees. The FOIA manager will analyze the request to determine the category of the requester. If the category of the requester is different than that claimed by the requester, the FOIA manager will:

(A) Notify the requester that he or she should provide additional justification to warrant the category claimed and that a search for responsive records will not be initiated until agreement has been attained relative to the category of the requester. Absent further category justification from the requester and within a reasonable period of time (i.e., 30 calendar days), the FOIA manager shall render a final category determination, and notify the requester of such determination, to include normal administrative appeal rights.

(B) Advise the requester that, notwithstanding any appeal, a search for
Defense Logistics Agency § 1285.5

responsive records will not be initiated until the requester indicates a willingness to pay assessable costs appropriate for the category determined by the FOIA manager. Requesters must submit a fee declaration appropriate for the following categories:

(1) Commercial. Requesters must indicate a willingness to pay all search, review, and duplication costs.

(2) Educational or noncommercial scientific institution or news media. Requesters must indicate a willingness to pay duplication charges in excess of 100 pages if more than 100 pages of records are desired.

(3) All others. Requesters must indicate a willingness to pay assessable search and duplication costs if more than two hours of search effort or 100 pages of records are desired.

(iv) Justification for fee waivers. If the requester has asked for a fee waiver but failed to provide a justification, FOIA managers will ask requesters to address the fee waiver criteria in part 286, subpart F, of this title before further processing the request. FOIA managers are reminded that with some types of records, a final decision cannot be made on waiver until after the records have been surfaced, reviewed, and the public benefit and previous public availability assessed.

(2) In cases where there is disagreement on the category of the requester or there is lack of justification for fee waiver, the FOIA manager may process the request without further contacting the requester if he or she believes it can be processed within the automatic $15 waiver limit.

(e) Providing estimates. In the situations described by paragraphs (d)(1)(iii) and (d)(1)(iv) of this section, DLA activities must be prepared to provide an estimate of assessable fees if desired by the requester. While it is recognized that search situations will vary among DLA activities and that an estimate is often difficult to obtain prior to an actual search, requesters who desire estimates are entitled to such before committing to a willingness to pay. Should actual costs exceed the estimate of the amount or the amount agreed to by the requester, the amount in excess of the estimate or the requester’s agreed amount shall not be charged without the requester’s agreement.

(f) Internal processing. (1) Upon making a determination that the request is reasonably described, that the fee issue has been settled, and that the requester does not owe for a prior request, the FOIA manager will assign the request to the appropriate office of primary interest (OPI) for handling and provide instructions on the category of the requester, the fees to be charged or waived, and what actions the OPI is to take.

(2) After reviewing a request, the OPI may determine, based on knowledge of the files and programs, that a request is, in fact, not reasonably described. OPI’s will notify FOIA managers of such defects immediately so that further details may be sought from the requester. Any delays on the requester’s part in receiving more detailed information will not count toward the 10-day time limit.

(g) Initial determinations—(1) Reasons for not releasing a record. There are seven reasons for not complying with a request for a record:

(i) The request is transferred to another DLA activity, DOD component, or to another Federal agency.

(ii) The DLA activity determines through knowledge of its files and reasonable search efforts that it neither controls nor otherwise possesses the requested record. Responding officials will advise requesters of the right to appeal such determinations. See paragraph (i)(5) of this section for details on processing “no record” responses.

(iii) A record has not been described with sufficient particularity to enable the DLA activity to locate it by conducting a reasonable search.

(iv) The requester has failed unreasonably to comply with procedural requirements, including payment of fees, imposed by this rule.

(v) The request is withdrawn by the requester.

(vi) The information requested is not a record within the meaning of the FOIA and this rule.

(vii) The record is denied in accordance with procedures set forth in the FOIA and this rule.

(2) Reasonably segregable portions. Although portions of some records may
be denied, the remaining reasonably segregable portions must be released to the requester when it reasonably can be assumed that a skillful and knowledgeable person could not reconstruct the excised information. When a record is denied in whole, the response advising the requester of that determination will specifically state that it is not reasonable to segregate portions of the record for release.

(h) Preparing documents for public release—(1) Material containing For Official Use Only marks. When a determination has been made that a FOUO document may be fully released to a requester under any public information program, the FOUO markings will be removed from the requester’s copy prior to release. In cases where a person seeks access to his or her own record and the record is marked FOUO to protect that person’s personal or proprietary interests, the FOUO marks will be deleted from the requester’s copy prior to release, even though the FOUO status has not been terminated. In such cases, the official file copy will retain the FOUO warning. If only portions of a document marked as FOUO are to be released to the public under the FOIA, then the exempt portions will be taped out, blackened out, whitened out, or cut out and a copy reproduced for the requester from the marked up copy. Initial denial authorities will ensure that the deleted portion cannot be read and that the FOUO marks have been lined through prior to release.

(2) Material containing classification markings. The procedures in paragraph (h)(1) of this section apply to classified documents with the exception that the classified portions will be cut out rather than blackened, taped, or whitened out. The classification markings on the requester’s copy will be deleted prior to release.

(i) Response to requester—(1) Time limits. Initial determinations to release or deny a record normally shall be made and the decision reported to the requester within 10 working days after receipt of the request by the FOIA manager. When a decision is made to release a record, a copy should be made available promptly to the requester once he has complied with procedural requirements.

(2) Acknowledging date of receipt. When the time for response becomes an issue, the official responsible for replying shall acknowledge to the requester the date of the receipt of the request.

(3) Billing. When fees are being levied, the response to the requester will contain a billing paragraph. Responding officials will advise requesters to make checks or money orders payable to the United States Treasury and forward them to the FOIA manager of the PLFA that incurred the expense. FOIA managers will notify DLA–XAM of names and addresses of requesters who have failed to pay after a second billing has been mailed and 30 days have elapsed without payment.

(4) Full and partial denials. (i) When a request for a record is denied in whole or in part on the basis of one or more of the exemptions in part 286, subpart C, of this title the initial denial authority shall inform the requester in writing and shall explain to the requester the basis for the determination in sufficient detail to permit the requester to make a decision concerning appeal. The requester specifically shall be informed of the exemption(s) on which the denial is based. When the initial denial is based in whole or in part on a security classification, the explanation should include a summary of the applicable Executive Order criteria for classification, as well as an explanation, to the extent reasonably feasible, of how those criteria apply to the particular record in question. The requester shall also be advised of the opportunity and procedures for appealing an unfavorable determination to the Director, DLA.

(ii) FOIA managers shall forward a copy of each letter of denial to DLA–XAM, Cameron Station, Alexandria, Virginia 22304–6100. Do not include attachments, the incoming request, or any backup material.

(5) Providing “no record” responses. (i) If no documents can be located in response to a FOIA request, the initial denial authority will so advise the requester. Requesters will also be advised that, if they consider the response to be adverse, they may file an appeal within 60 calendar days from the date
of the response. Requesters are to be advised to address appeals to the local DLA activity and include the case number and reasons why they believe the DLA activity should have records on the subject matter.

(ii) Before a formal "no record" response is issued, OPI will verify that the requester has adequately described the record. If additional details will aid the search, then the requester will be asked to provide those details. See paragraph (d)(1)(i)(A) of this section and §1285.2(i) of this part for procedures for resolving inadequate descriptions.

(iii) In cases where the requested record has been destroyed, the initial denial authority will confirm that the record was retained for the period authorized in DLAM 5015.1 before issuing a formal response. In responding to requesters in these cases, advise the requester that the records were properly destroyed according to Agency rules for record disposition and give the right to appeal as outlined in paragraph (i)(5)(i) of this section. However, do not ask the requester to provide reasons why the activity should have the records.

(iv) Upon receipt of an appeal, the FOIA manager will direct that a second search be conducted using any information supplied by the requester. If the second search produces no documents, the appeal will be forwarded to HQ DLA–G, Cameron Station, Alexandria, Virginia 22304–6100, along with a copy of the case file. The FOIA manager will include the cost information and an explanation of the method of search and the types of offices searched. In cases where the “no record” response was issued because the records have been destroyed, the FOIA manager will verify that the records were destroyed as provided for in DLAM 5015.1 and provide a statement to that effect.

(v) FOIA managers will ensure that a copy of each “no record” response letter is forwarded to DLA–XAM, Cameron Station, Alexandria, Virginia 22304–6100. Do not include attachments, the incoming request, or any backup material.

(6) Coordination. OPI’s will ensure that the proposed response is fully coordinated with offices having an interest in the request. Proposed responses to FOIA requests from members of the Congress will be coordinated with DLA–Y or the local Congressional Affairs focal point.

(j) Extensions of time—(1) Formal extensions. In unusual circumstances, when additional time is needed to respond, the FOIA manager will acknowledge the request in writing within the 10-day period, describe the circumstances requiring the delay, and indicate the anticipated date for substantive response that may not exceed 10 additional working days. Such extensions will be approved on a case-by-case basis. In these unusual cases where the statutory time limits cannot be met and no informal extension of time has been agreed to, the inability to process any part of the request within the specified time should be explained to the requester with a request that he agree to await a substantive response by an anticipated date. It should be made clear that any such agreement does not prejudice the right of the requester to appeal the initial decision after it is made. Since the requester still retains the right to treat this delay as a de facto denial with full administrative remedies, such extensions should be issued only when essential. The unusual circumstances that may be cited to justify delay are:

(i) Location. The requested record is located in whole or in part at places other than the office processing the request.

(ii) Volume. The request requires the collection and evaluation of a substantial number of records.

(iii) Consultation. Consultation is required with other DoD components or agencies having substantial interest in the subject matter to determine whether the records requested are exempt from disclosure in whole or in part under provisions of this rule or should be released as a matter of discretion.

(ii) Informal extensions. Where practical and expedient, the FOIA manager or official designated to respond may negotiate with the requester and arrange for an informal extension. Such extensions may be appropriate in instances where the records have to be ordered from a record repository where the record has been sent out for
§ 1285.5 32 CFR Ch. XII (7–1–02 Edition)

commercial printing and is not expected back before the 10-day time has elapsed; and similar circumstances.

(k) Misdirected requests. Misdirected requests shall be forwarded promptly to the FOIA manager of the DLA activity, DoD component, or Federal agency with the responsibility for the records requested. The period allowed for responding to the request misdirected by the requester shall not begin until the request is received by the FOIA manager of the PLFA that controls the records requested.

(l) Records of contractors and other non-U.S. government sources. (1) Executive Order 12600 of 23 June 1987 (52 FR 23781) establishes predisclosure notification procedures for confidential commercial information. When a request is received for a record that was obtained from a contractor or other non-U.S. Government source or for a record containing information clearly identified as having been provided by a contractor or other non-U.S. Government source, the source of the record or information (also known as “the submitter” for matters pertaining to proprietary data under 5 U.S.C. 552(b)(4)) (see §286.13(a)(4) of this title) shall be notified promptly of that request and afforded reasonable time (e.g., 30 calendar days) to present any objections concerning the release, unless it is clear that there can be no valid basis for objection. The following procedures will be followed:

(i) The person designated to respond will provide the source with a copy of the incoming request, a copy of the documents responsive to the request, and a letter of instruction. The notification letter will be addressed to the president of the entity or the entity’s counsel and sent by return receipt mail.

(ii) When a substantial issue has been raised, the DLA activity may seek additional information from the source and afford the source and requester reasonable opportunities to present their arguments on the legal and substantive issues involved.

(iii) Any objections to release will be evaluated and the source provided with a copy of the activity’s final decision. Where a decision is made to release information claimed to be exempt, the source will be notified that the information will be released on a specified date unless the source seeks a restraining order or takes court action to prevent disclosure. Evaluators are cautioned that any decision to disclose information claimed to be exempt under 5 U.S.C. 552(b)(4) must be made by an official equivalent in rank to the initial denial authority.

(iv) When the source advises it will seek a restraining order or take court action to prevent release of the record or information, the FOIA manager will notify the requester and suspend action on the request until after the outcome of that court action is known. When the requester brings court action to compel disclosure, the FOIA manager shall promptly notify the submitter of this action.

(2) These procedures are required for those FOIA requests for data not deemed clearly exempt from disclosure under exemption (b)(4). If, for example, the record or information was provided with actual or presumptive knowledge of the non-U.S. Government source and established that it would be made available to the public upon request, there is no obligation to notify the source.

(3) These coordination provisions also apply to any non-U.S. Government record in the possession and control of DLA from multi-national organizations, such as North Atlantic Treaty Organization (NATO) and North American Aerospace Defense Command (NORAD), or foreign governments. Coordination with foreign governments under the provisions of this paragraph shall be made through the Department of State.

(m) File of initial denials. Copies of all initial denials shall be maintained by each DLA activity in a form suitable for rapid retrieval, periodic statistical compilation, and management evaluation.

(n) Appeals—(1) General—(i) Appeals to record denials. Requesters denied access to records under the provisions of part 286, subpart C, of this title may appeal such determinations to the Director, DLA. The appeal should be accompanied by a copy of the letter denying the initial request and contain the
basis for disagreement with the initial refusal.

(ii) Appeals to a “no record” finding. Requesters have the right to appeal any “no record” finding to the FOIA manager of the activity that issued the finding. The letter of appeal should include the case number and, where appropriate, reasons why the requester believes the activity should have records on the subject matter. Using the information supplied by the requester, the FOIA manager will direct that a second search be conducted. If the second search produces no documents, the appeal will be forwarded to HQ DLA–G, Cameron Station, Alexandria, Virginia 22304–6100, along with a copy of the case file. The FOIA manager will include information on the amount of time spent on the request and provide an explanation of the method of search and the types of offices searched.

(iii) Appeals to fee waiver denials or requester category decisions. Requesters may appeal an initial determination regarding placement in a certain fee assessment category or waiver or reduction of fees when disclosure serves the public interest. Requesters will include a basis for disagreement and submit the appeal to the Staff Director, Office of Administration (Attn: DLA–XAM), Cameron Station, Alexandria, Virginia 22304–6100.

(2) Time limits—(i) Time limits to file appeals. The requester shall be advised to file an appeal so that it reaches the appellate authority no later than 60 calendar days after the date of the initial denial letter. At the conclusion of this period, the case may be considered closed; however, such closure does not preclude the requester from filing litigation. In cases where the requester is provided several incremental determinations for a single request, the time for the appeal shall not begin until the requester receives the last such notification.

(ii) Time of receipt. An FOIA appeal is considered received by DLA when it reaches DLA–G or, in the case of fee or requester category appeals, when it reaches DLA–XAM. Misdirected appeals should be referred expeditiously to the appropriate office.

(iii) Time limits to decide appeals. Final determinations on appeals normally shall be made within 20 working days after receipt.

(iv) Delay in responding to an appeal. (A) If additional time is needed due to the unusual circumstances described in paragraph (j) of this section, the final decision may be delayed for the number of working days (not to exceed 10), that were not used as additional time for responding to the initial request.

(B) If a determination cannot be made and the requester notified within 20 working days, the appellate authority shall acknowledge to the requester, in writing, the date of receipt of the appeal, the circumstances surrounding the delay, and the anticipated date for substantive response. Requesters shall be advised that if the delay exceeds the statutory extension provision or is for reasons other than the unusual circumstances identified in paragraph (j) of this section, they may consider their administrative remedies exhausted. They may, however, without prejudicing their right of judicial remedy, await a substantive response. DLA shall continue to process the case expeditiously, whether or not the requester seeks a court order for release of the records, but a copy of any response provided subsequent to filing of a complaint shall be forwarded to the Department of Justice.

(C) When the appellate authority or the authority’s representative must consult with the requester over an issue not previously settled, such as agreement to pay fees for documents previously denied, then any delays on the requester’s part will not count toward the 20-day time limit.

(3) Response to the requester. (i) When an appellate authority makes a determination to release all or a portion of records withheld by an IDA, a copy of the records so released shall be forwarded promptly to the requester after compliance with any preliminary procedural requirements, such as payment of fees.

(ii) Final refusal to provide a requested record must be made in writing by the DLA Director or his designee. In the case of fee appeals, final refusal to waive or reduce fees must be made in
writing by the Staff Director of Administration. Record denial responses, at a minimum, shall conform to the following:

(A) The basis for the refusal shall be explained to the requester with regard to the applicable statutory exemption or exemptions invoked.

(B) When the final refusal is based in whole or in part on a security classification, the explanation shall include a determination that the record meets the cited criteria and rationale of the governing Executive Order, and that this determination is based on a declassification review, with the explanation of how that review confirmed the continuing validity of the security classification.

(C) The response shall advise the requester that the material being denied does not contain meaningful portions that are reasonably segregable.

(D) The response shall advise the requester of the right to judicial review.

§ 1285.6 Fees and fee waivers.

The rules and rates published in part 286, subpart F of this title apply to this rule. For purposes of computer search, DLA has established rates of $20 per minute of central processing unit time for mainframe computer use and $20 per hour of wall clock time for personal computer use. These rates represent average operational costs and may be used when the actual computer cost cannot be determined.

§ 1285.7 Reports.

The reporting requirement outlined in this rule is assigned Report Control Symbol DD–PA(A)1365 and will be prepared according to part 286, subpart G, of this title.

APPENDIX A TO PART 1285—GAINING ACCESS TO DLA RECORDS

I. General

The Defense Logistics Agency was established pursuant to authority vested in the Secretary of Defense and is an agency of DoD under the direction, authority, and control of the Assistant Secretary of Defense (Production and Logistics) and is subject to DoD policies, directives, and instructions. DLA is made up of a headquarters and 22 Primary Level Field Activities (PLFA’s). DLA does not have a central repository for its records. FOIA requests, therefore, should be addressed to the FOIA Office of the DLA activity that has custody of the record desired. In answering inquiries regarding FOIA requests, DLA personnel will assist requesters in determining the correct DLA activity to address their requests. If there is uncertainty as to the ownership of the DLA record desired, the requester may be referred to the FOIA manager of the DLA activity most likely to have the record or to HQ DLA–XAM.

PART 1288—REGISTRATION OF PRIVATELY OWNED MOTOR VEHICLES

§ 1288.1 Purpose and scope.

To prescribe policy and procedures for the registration, inspection, and marking of privately owned vehicles (POV) on Defense Logistics Agency (DLA) activities. This regulation is applicable to individuals serving in or employed by the Defense Logistics Agency, and to all other individuals subject to motor vehicle registration requirements set forth in this part 1288 and DLAR 5720.1/AR 190–5/OPNAVINST 11200.5B/AFR 125–14/MCO 5110.1B, Military Police Motor Vehicle Traffic Supervision.

§ 1288.2 Policy.

(a) The operation of a POV on a DLA activity constitutes a conditional privilege extended by the Head of the activity. The Heads of DLA primary level field activities (PLFA’s) have the authority to supplement this regulation to implement additional controls and restraints warranted by existing conditions at a PLFA. For example, commanders of depots and supply centers may impose searches of vehicles as warranted to reduce pilferage, and protect Government interests.

(b) POV’s permanently registered for operation on a DLA activity will be identified by use of one of the decals prescribed in this part 1288 (appendices A and B).

(c) The DLA vehicle decal will be valid for a period of 3 years from the year and month of issue.

(d) Activities will use DLA Form 1454, Vehicle Registration/Driver Record, as the basic vehicle registration and driver record.

(e) DLA tenant activities will comply with host installation policies and procedures for registering POV’s.

§ 1288.3 Definitions.

Terms used in this part 1288 are contained in DLAR 5720.1.

§ 1288.4 Responsibilities.

(a) HQ DLA. (1) The command security officer, DLA (DLA–T) will provide staff supervision and assistance to DLA activities on matters concerning this part 1288.

(2) The inspector general, DLA (DLA–I) will procure, issue, and control inspector general (IG) vehicle decals in accordance with §1288.6 of this part, with the exception of the 3-year validation requirement. (Vehicles bearing such decals will be permitted entry to all DLA activities.)

(b) The heads of DLA primary level field activities will:

(1) Insure that personnel adhere to the provisions of this part 1288 when implemented.

(2) Procure, issue, and control vehicle decals in accordance with this DLAR.

(3) Periodically inform personnel of the requirements of this DLAR, DLAR 5720.1, and local requirements concerning the motor vehicle registration program.

(4) Activity/tenant employees are not considered visitors and will not be issued visitor passes. Employees operating loaner/rental vehicles may be temporarily registered in accordance with DLAR 5720.1, paragraph 3–2c.

§ 1288.5 Procedures.

(a) Issuance of DLA POV decal and 3-year validation sticker. (1) One decal will be affixed to the left front bumper (operator’s side) of a four-wheel vehicle. An additional decal may be placed on the rear bumper of the vehicle. For vehicles not equipped with bumpers and two-wheeled vehicles, the placement of decals will be determined locally.

(2) A 3-year validation sticker indicating the decal expiration will be issued at the same time the DLA decal is issued. Every 3 years, or following a significant change, registrants will be required to update their registration.
informa 3-3¢.

(3) The validation sticker will be placed next to the DLA decal affixed to the front bumper of the vehicle. This sticker will reflect the month and year of the decal expiration, e.g., vehicles registered during the month of June 1978 will have affixed a validation sticker with the numbers “6-78”, indicating expiration of the decal at the end of June 1981. The specifications for the validation sticker will be determined locally.

(4) Decals or other media used to identify vehicles of temporary registrants or visitors will be locally prescribed.

(5) Decals will be removed from POV’s by the registrant when activity registration is terminated. See DLAR 5720.1, chapter 3, for information on termination of registration.

(6) Vehicle decals will be purchased with appropriated funds for issuance at no cost to authorized users.

(b) Proof of insurance. (1) Individuals registering vehicles will certify possession of insurance per DLAR 5720.1, paragraph 3-3¢.

(2) The certification contained on DLA form 1454 will, as indicated thereon, be witnessed and manifested by a signature.

(c) Vehicle inspection. (1) DLA activities located in States or jurisdictions having mandatory vehicle safety inspections will reflect the provisions of DLAR 5720.1, paragraph 3-3d, in the supplementation of this DLAR.

(2) Vehicle safety inspections are not mandatory for DLA activities located in States not requiring such inspections.

(d) Registrant. Registrant must inform the vehicle registration office within 72 hours as information on DLA form 1454 becomes invalid.

§ 1288.6 Forms and reports.

(a) DLA form 1454 will be prepared at the time of initial registration of the vehicle and will remain valid for as long as the registrant retains ownership of the vehicle and complies with registration requirements. A Privacy Act statement for use in conjunction with DLA form 1454 will be made available to the individual supplying data on the form.

(b) Data blocks 3, 4, and 14 on DLA form 1454 will be entered in ink; remaining entries will be in pencil.

(c) One copy of DLA form 1454 will also serve as the driver record of the registrant.

(d) Upon permanent change of station of the military service registrant, activity clearance procedures will provide for DLA form 1454 to be included in the registrant’s military personnel folder for transmittal to the gaining activity. DLA forms 1454 for transferring civilian personnel will be forwarded to the security officer of the gaining activity.

(e) The DLA form 1454 for military personnel being discharged or separated will be forwarded to the appropriate personnel office for inclusion in the records folder for subsequent retirement.

(d) Rules of procedures for the Trial of Minor Offenses before United States Magistrates.

§ 1290.2  Purpose and scope.
(a) This part 1290 implements DoD Instruction 6055.4, Department of Defense Traffic Safety Program, and sets forth basic objectives and procedures applicable to implementation of the Federal Magistrate System by DLA. This part 1290 is applicable to HQ DLA, Defense Supply Centers (DSC’s), less Defense Fuel Supply Center and Defense Industrial Supply Center, and to Defense Depots, less Defense Depot Mechanicsburg. DLA activities/personnel tenant on other DoD activities will abide by the requirements of the host.
(b) This part 1290 provides Heads of DLA primary level field activities (PLFAs) with a means of exercising effective control over violators who are not otherwise under their jurisdiction.

§ 1290.3  Policy.
(a) It is the policy of HQ DLA that the Heads of DLA PLFAs will take such steps as are necessary to prevent offenses. Emphasis will be placed on prevention rather than apprehension and prosecution of offenders.
(b) The procedures outlined in this part 1290 may, at the discretion of the Head of the activity concerned, be invoked in lieu of the provisions of the Uniform Code of Military Justice (UCMJ) to deal with minor offenses of a civil nature, other than violations of state traffic laws, committed by military personnel. These procedures may also be invoked to deal with nontraffic minor offenses committed by civilian personnel.

§ 1290.4  Definitions.
For the purpose of this part 1290 the following definitions apply:
This part 1290 supersedes part 1290 April 26, 1972.

(a) Law Enforcement Personnel. Persons authorized by the Head of the PLFA to direct, regulate, control traffic; to make apprehensions or arrests for violations of traffic regulations; or to issue citations or tickets. Personnel so designated will include the Command Security Officer and all other personnel in 080, 083, 085, or 1800 series positions.

(b) Minor Federal Offenses. Those offenses for which the authorized penalty does not exceed imprisonment for a period of 1 year, or a fine of not more than $1000, or both (18 U.S.C. 3401f).

(c) Petty Federal Offenses. Those offenses for which the authorized penalty does not exceed imprisonment for a period of 6 months or a fine of not more than $500, or both (18 U.S.C. 163).

Note: A petty offense is a type of minor offense.

(d) Violation Notice. DD Form 1805, Violation Notice, which will be used to refer all petty offenses to the U.S. Magistrate/District Courts for disposition.

Note: A complaint, made under oath on forms provided by the magistrate, is the prescribed form for charging minor offenses other than petty offenses.

§ 1290.5  Background.
(a) DoD Instruction 6055.4 requires that all traffic violations occurring on DoD installations be referred to the appropriate United States Magistrate, or State or local system magistrate, in the interest of impartial judicial determination and effective law enforcement. Exceptions will be made only for those rare violations in which military discipline is the paramount consideration, or where the Federal court system having jurisdiction has notified the PLFA commander it will not accept certain offenses for disposition.
(b) Generally, the Federal Magistrate System applies state traffic laws and appropriate Federal laws to all personnel while on Federal property (section 13, title 18 U.S.C., Assimilative Crimes Act).

§ 1290.6  Significant changes.
This revision incorporates the DoD requirement for referral of traffic violations occurring on military installations to the Federal or local magistrate.
§ 1290.7 Responsibilities.

(a) HQ DLA. (1) The Command Security Officer, DLA (DLA–T) will:

(i) Exercise staff supervision over the Magistrate system within DLA.

(ii) Provide guidance and assistance to DLA activities concerning administrative and procedural aspects of this part 1290.

(2) The Counsel, DLA (DLA–G) will provide guidance and assistance to DLA activities concerning legal aspects of this part 1290.

(b) The Heads of DLA Primary Level Field Activities will:

(1) Develop and put into effect the necessary regulatory and supervisory procedures to implement this part 1290.

(2) Ensure implementing directives authorize law enforcement/security force (080, 083, 085 and 1800 series) personnel to issue DD Form 1805.

(3) Periodically publish in the PLFA Daily or Weekly Bulletin, a listing of offenses for which mail-in procedures apply, with the amount of the fine for each, and a listing of offenses requiring mandatory appearance of the violator before the U.S. Magistrate. The listings will indicate that they are not necessarily all inclusive and that they are subject to change. A copy of the listings will be provided to the local Union representatives.

§ 1290.8 Procedures.

(a) The U.S. Magistrate Court Provides DLA with:

(1) The means to process and dispose of certain categories of minor offenses by mail. Under this system, U.S. Magistrate and District Courts will, by local court rule, preset fines for the bulk of petty violations (Federal or As-similated) and permit persons charged with such violations, who do not contest the charge nor wish to have a court hearing, to pay their fines by using mail-in procedures which centralize the collection of fines, the scheduling of mandatory hearings or hearings where violators request them, and the keeping of violator records.

(2) Efficient, minimal commitment of judicial and clerical time by using uniform procedures which centralize the collection of fines, the scheduling of mandatory hearings or hearings where violators request them, and the keeping of violator records.

(b) Court Appearances—(1) Mandatory Appearances.

(i) As required by the Administrative Office of the United States Courts, each District Court will determine, by local court rule, those offenses requiring mandatory appearance of violators. PLFA Counsels will coordinate with local magistrates or district courts and secure a court approved list of offenses requiring mandatory appearance of violators before the local U.S. Magistrate.

(ii) Mandatory appearance offense categories normally include:

(A) Indictable offenses.

(B) Offenses resulting in accidents.

(C) Operation of motor vehicle while under the influence of intoxicating alcohol or a narcotic or habit producing or other mind altering drug, or permitting another person who is under the influence of intoxicating alcohol, or a narcotic or habit producing or mind altering drug to operate a motor vehicle owned by the defendant or in his/her custody or control.

(D) Reckless driving or speeding.

(2) Voluntary Appearances—(1) Requested by violators at the time DD Form 1805 is issued. (A) Personnel issuing DD Form 1805 will refer violator for hearings before U.S. Magistrates in each instance where a hearing is requested by the violator.

(B) Command security officers will provide security force personnel with necessary information to facilitate scheduling violators to appear before U.S. Magistrates. Box B of the DD Form 1805 will be marked by the issuing official for each violator requesting a hearing. Additionally procedures set forth in appendix A will be accomplished by the official issuing violation notice.

(ii) Requested by violators by mail. (A) Voluntary appearance procedures are also available for violators who are not present at the time a DD Form 1805 is issued (i.e., parking violations) or who subsequently decide to voluntarily appear before a U.S. Magistrate rather than pay the fine indicated in the DD Form 1805.
§ 1290.9 Forms and reports.

(a) General information on preparation and issue of DD Form 1805. (1) The U.S. Magistrate system is based on use of a four-ply ticket designed to provide legal notice to violators and records required by the court, law enforcement authorities, and, if appropriate, the state motor vehicle departments. The DD Form 1805 is printed on chemically carbonized paper and prenumbered in series for accounting control. Heads of DLA primary level field activities are responsible for maintaining accountability for each ticket issued and stocks on hand.

(2) DLA field activity Counsels will coordinate with the U.S. Magistrate of the judicial district in which the activity is located and maintain the information listed below:

(i) List of petty offenses for which mail-in procedure is authorized and the amount of the fine for each specific offense. The District Court address will be prestamped on the violator’s copy of the DD Form 1805 by the applicable issuing authority.

(ii) List of minor offenses requiring mandatory appearance of the violator before the magistrate. The name and location of the magistrate before whom violators will appear. Schedule will be coordinated with nearest Military Service activity and appearance will be conducted jointly whenever possible.

(b) Issue procedures for DD Form 1805. (1) Information entered on the DD Form 1805 is dependent upon two considerations:

(i) The type of violation, i.e., parking, (such as blocking a fire lane) moving traffic violation, or nontraffic offenses.

(ii) Whether the offense cited requires the mandatory appearance of the violator before a U.S. Magistrate.

(2) Preparation and disposition of DD Form 1805:

(i) See illustration in appendix B for petty offenses where the mail-in fine procedures are authorized.

(A) The amount of the fine for a specific offense must be recorded in the lower right corner of the DD Form 1805. This amount will always be predetermined by the U.S. Magistrate and provided to on duty enforcement personnel by the activity security officer or equivalent authority. When violation notices are issued for an offense (e.g., parking violation) and the offender is absent, all entries concerning the violator will be left blank.

(B) Disposition of DD Form 1805 will be as follows:

(1) The fourth copy (envelope) will be issued to the violator or placed on the vehicle of the violator.

(2) Copies one (white copy), two (yellow copy), and three (pink copy) will be returned to the Security Officer’s office. The Security Officer will forward copies one and two, by letter of transmittal, to the appropriate U.S. District Court.

(3) Copy three will be filed at the Security Office or equivalent issuing authority. DLA Form 1454, Vehicle Registration/Driver Record, will be annotated with each traffic offense.

(ii) When DD Form 1805 is used to cite personnel for mail-in type violations, the appropriate supervisor will be provided an information copy of DLA Form 635, Security/Criminal Incident Report, denoting the date, time, place, and type of violation, and the amount of fine assessed.

(iii) Heads of DLA primary level field activities or their representative will not accept or otherwise collect any fines or keep records of fines paid or not paid. They also will take no action concerning nonpayment delinquencies except where warrants are subsequently issued for the violator concerned by the appropriate court authorities.

(iv) See illustrations in appendices C and D for minor offenses requiring the mandatory appearance of violators before the U.S. Magistrate.

(A) Mail-in fine procedures will not apply in mandatory appearance cases. The law enforcement authority issuing

However, separate security regulations and orders should not be issued when the host has issued security regulations and orders that afford protection to the DLA activity.

(d) Detailed physical security and emergency plans developed in conjunction with these security regulations and orders will be as prescribed by DLAM 5710.1, Physical Security Manual, and DLA War and Emergency Support Plan (WESP), part II, Annex A.

§ 1292.3 Background.

Section 21 of the Internal Security Act of 1950 (appendix A) authorizes the Secretary of Defense to designate military commanders to promulgate or approve regulations and orders for the protection of property and places under their command. (c) Signs used as the sole vehicle for issuing a security regulation or order must contain a recitation of the authority under which issued and the title of the authorized official who issued the regulation or order. DLAM 5710.1, chapter 3, contains instructions on the exact wording of such signs.

(d) Oral orders will include a statement which clearly indicates the authority for issuance similar to the provisions of paragraph (b) of this section.

(e) Written security orders and regulations will be posted in conspicuous and appropriate places to ensure widest dissemination. The posting of a general security regulation/order, or a listing of applicable directives, will suffice provided it cites the authority to issue such directive. The posting of voluminous, individual security regulations and orders will be avoided.

§ 1293.2 Purpose and scope.
(a) Part 1293 prescribes standards of conduct required of all DLA personnel, military and civilian, regardless of grade or assignment. It also establishes criteria and procedures for reports required of certain individuals who have left Federal service and of former employees of defense contractors presently employed by DLA.
(b) Close adherence to the standards of conduct will ensure compliance with the high ethical standards demanded of all public employees. Violations of the standards prescribed in this regulation, or by Federal laws, including the laws described in enclosure 1, may result in criminal and/or administrative sanctions. Accordingly, all DLA personnel should become familiar with these standards.
(c) The reporting procedures for defense related employment are applicable to former military officers and civilian employees of DLA and to former employees of defense contractors presently employed by DLA.
(d) All retired regular officers are also required to file a statement of employment with the Military Department in which they hold a retired status.
(e) This DLAR is applicable to HQ DLA and all DLA field activities and implements DoD Directive 5500.7, Standards of Conduct.

§ 1293.3 Policy.
(a) General requirements. (1) Government employment is a public trust which requires that loyalty to country, ethical principles, and the law be placed above private gain and other interests. All DLA personnel must conduct themselves, both on and off the job, in such a manner as to avoid the existence or appearance of a conflict of interest between their official responsibilities and their personal affairs.
(2) DLA personnel shall become familiar with the scope of, authority for, and limitations on the activities for which they are responsible. DLA personnel also shall acquire a general knowledge of the statutory standards of conduct prohibitions and restrictions. The most commonly encountered of these provisions are summarized in appendix A, and are laws dealing generally with conflicts of interest and postemployment activities.
(3) If DLA personnel are unsure whether a proposed action or decision is proper because it may be contrary to law or regulation, they shall consult the Designated Agency Ethics Official, or Deputy Ethics Official, for guidance. The individuals are identified in §1293.4.
(4) DLA personnel shall not take or recommend any action or make or recommend any expenditure of funds known or believed to be in violation of Federal laws, Executive Orders, or applicable directives, instructions, or regulations.
(5) Practices that may be accepted in the private business world may not be acceptable for DLA personnel. As public employees, all DLA personnel are accountable for the manner in which they perform their official responsibilities.
(6) DLA personnel shall strictly adhere to the DLA program of equal opportunity regardless of race, color, religion, sex, age, national origin, or handicap.
(7) DLA personnel shall avoid any action, whether or not specifically prohibited by part 1293, which might result in or reasonably be expected to create the appearance of:
(i) Using public office for private gain.
(ii) Giving preferential treatment to any person or entity.
(iii) Impeding Government efficiency or economy.
(iv) Losing complete independence or impartiality.
§ 1293.3 32 CFR Ch. XII (7–1–02 Edition)

(v) Making a Government decision outside official channels.
(vi) Affecting adversely the confidence of the public in the integrity of the Government.

(b) Information to personnel. (1) All new civilian employees and military personnel newly assigned to DLA will be provided a copy of part 1293 upon their entrance to duty.

(2) DLA personnel shall be reminded at least semiannually of their duty to comply with the required standards of conduct. Appropriate means of accomplishing these reminders include notices, circulation of part 1293 to employees, briefings, or any other means which serve to remind employees of their ethical responsibilities.

(3) Copies of the Code of Ethics for Government Service (appendix B) shall be displayed in appropriate areas of DLA occupied buildings in which 20 or more persons are regularly employed. (Code of Ethics posters are self-service supply items and may be obtained under NSN 7690–01–099–8167.)

(4) All DLA employees (military and civilian) who leave Federal service shall be informed of the restrictions on the postemployment activities of former Federal employees.

(c) Conflicts of interest—(1) Affiliations and Outside Associations. (i) DLA personnel shall not engage in any personal, business, or professional activity which conflicts with the interests of the Government they serve through the duties and responsibilities of their DLA positions. This prohibition applies to all DLA employees, regardless of whether they are required to file a financial disclosure report. In the event a conflict or potential conflict of interest arises, it shall be promptly reported and resolved in accordance with §1293.7(b).

(ii) Membership or activity of DLA personnel in non-Governmental associations or organizations must not be incompatible with their official Government positions (see DLAR 5509.4).¹

(iii) DLA personnel shall not knowingly deal, on behalf of the Government, with present or former Government personnel, military or civilian, whose participation in the transaction would be in violation of a statute, regulation, or policy set forth in part 1293.

(2) Financial interests. DLA personnel shall not receive or retain any direct or indirect financial interest which conflicts with the interests of the Government they serve through the duties and responsibilities of their DLA positions. Matters concerning outside employment by DLA personnel are discussed in paragraph (i) of this section. For the purpose of this prohibition, the financial interests of a spouse, minor child, or any household member are considered financial interests of the DLA employee. Thus, not only stocks and other similar holdings, but also the wages, salaries, dividends, or any other income of a spouse, minor child, or household member are considered financial interests of the DLA employee. Particular care must be given in situations involving former DoD contractor employees as they may be entitled to benefits from their former employer (such as pensions, company discounts or concessions, etc.) which could create a criminal conflict of interest situation under 18 U.S.C. 208 if DLA assigns the employee duties and responsibilities involving the former employer. (For reporting requirements unique to former DoD contractor employees see §1293.7(e). These prohibitions apply to all DLA employees, regardless of whether they are required to file a financial disclosure report. In the event a conflict or potential conflict of interest arises, it shall be promptly reported and resolved in accordance with §1293.7(b).

(3) Avoiding Actual or the Appearance of Conflicts of Interest. Direct or indirect financial interests in a defense related contractor, in any amount and in any form (stocks, bonds, options, employment of spouse, minor child, or any other household member) may be a prohibited conflict or appearance of a conflict of interest. Outside employment or other outside activity, with or without compensation, regarding possible future employment may also create a conflict or the appearance of a conflict of interest. Discussions with a defense contractor regarding possible

future employment may require reporting and disqualification under the procedures set forth in paragraph (k) of this section. In these situations, DLA personnel are encouraged to seek advice from the Designated Agency Ethics Official or Deputy Ethics Official to protect not only themselves, but also be avoid embarrassment to DLA.

(4) Assignment of Reserves for training. DLA personnel who assign Reserves for training shall not assign them to duties in which they will obtain information that could be used by them or their private sector employers to gain unfair advantage over civilian competitors. Prior to entering active duty, reservists must disclose to superiors or assignment personnel, sufficient information to ensure that no conflict exists between their duty assignments and their private interests.

(d) Use of DLA Position, Property, Resources, and Information—(1) Using DLA position. DLA personnel are prohibited from using their DLA position to induce, coerce, or in any manner influence any person to provide any benefit, financial or otherwise, to themselves or others.

(ii) Retired military personnel, and members of Reserve components not on active duty, may use their military titles in connection with commercial enterprises provided that they indicate their Retired or Reserve status. However, if the use of military titles in any way casts discredit on the Military Departments or DoD, or gives the appearance of sponsorship, sanction, endorsement, or approval by a Military Department or DoD, it is prohibited. In addition, a Military Department may further restrict the use of titles, including use by retired military personnel and members of reserve compo

use information obtained as a result of their DLA position to further a private gain for themselves or others if that information is not generally available to the public. This prohibition continues even after a DLA employee leaves Federal service.

(5) Release of acquisition information. All releases of acquisition information shall be in accordance with authorized procedures. DLA personnel are prohibited from making an unauthorized disclosure of any information concerning proposed acquisitions or purchases by DLA, or the identity of any contractor, unless the contractor’s identity has been made public under established procedures.

(6) Unauthorized statements or commitments with respect to award of contracts. Only contracting officers and their duly authorized representatives acting within their authority are authorized to commit the Government to the award of contracts. Unauthorized DLA personnel are prohibited from making any commitment or promise relating to the award of a contract or from making any representation that reasonably can be construed as such a commitment.

(e) Commercial and charitable solicitations. (1) Commercial Soliciting by DLA Personnel. To eliminate the appearance of coercion, intimidation, or pressure from rank, grade, or position, full-time DLA personnel are prohibited from making personal commercial solicitations or sales to DLA personnel (including their family members) who are junior in rank or grade, or who are under any level of supervision by them, at any time, on or off duty.

(ii) This prohibition does not include the solicitation and sale of insurance, stocks, mutual funds, real estate, and any other commodities, goods, or services.

(ii) This prohibition does not include the sale or lease by individuals of their own personal property or privately-owned residence or to the off-duty employment of DLA personnel as employees in retail stores or other situations not involving solicited sales.

(f) Other prohibitions. (1) Gambling, betting, and lotteries. While on Government-owned, leased, or controlled property, or otherwise while on duty for the Government, DLA personnel shall not participate in any gambling activity, including a lottery or pool, a game for money or property, and the sale or purchase of a number slip or ticket. The only exceptions are:

(i) Where authorized by law, such as vending stands licensed in accordance with 20 U.S.C. 107(a)(5) to sell chances for any lottery authorized by state law and conducted by an agency of a state.

(ii) Activities which have been specifically approved by the Director, DLA.

(2) Indebtedness. DLA personnel shall pay their just financial obligations in a
timely manner, particularly those imposed by law, such as Federal, state, and local taxes. DLA activities are not required to determine the validity or amount of disputed debts.

(g) Gratuities, reimbursements, and other benefits from outside sources—(1) Policy. No matter how innocently tendered and received, the acceptance of gratuities, reimbursements, or other benefits by DLA personnel (including their spouse, minor child, or any household member) from those who have or seek business with the Department of Defense or from whom whose business interests are affected by Department of Defense functions, may be a source of embarrassment to the Department of Defense, may affect the objective judgment of the DLA personnel involved, and may impair public confidence in the integrity of the Government.

(2) Bribery and graft. DLA personnel may be subject to criminal penalties if they solicit, accept, or agree to accept anything of value in return for performing or refraining from performing an official act.

(3) General prohibition. Except in the limited circumstances set forth in appendix C, DLA personnel (including their spouse, minor child, or any household member) shall not solicit, accept, or agree to accept any gratuity, reimbursement, or other benefit for themselves, or others, either directly or indirectly from or on behalf of any source that:

(i) Is engaged in or seeks business or financial relations of any sort with any DoD Component.

(ii) Conducts operations or activities that are either regulated by a DoD Component or substantially affected by DoD decisions.

(iii) Has interests that may be substantially affected by the performance or nonperformance of the official duties of DLA personnel.

(iv) Is a foreign government or representative of a foreign government that is engaged in selling to the DoD, where the gratuity is tendered in the context of the foreign government’s commercial activities. (See also paragraph (h)(1) of this section.)

(4) Employees who receive gratuities which may not be accepted under the limited circumstances set forth in appendix C shall promptly report the matter to the Designated Agency Ethics Official or Deputy Ethics Official.

(h) Gifts and donations. (1) Procedures with respect to gifts from foreign governments are set forth in DLAR 1005.1.3

(2) Prohibition of Contributions or Presents to Superiors. DLA personnel shall not solicit a contribution from other DLA personnel for a gift to a superior, make a donation as a gift to a superior, give a gift to a superior, or accept a gift from other DLA personnel subordinate to themselves. This prohibition also applies to gifts, contributions, or donations to immediate family members of a superior. However, this paragraph does not prohibit voluntary gifts of reasonable value or contributions of nominal amounts (or the acceptance thereof) on special occasions such as marriage, illness, transfer, or retirement, provided that any gifts acquired with such contributions will be reasonable in value in view of the occasion.

(i) Outside employment of DLA personnel. (1) DLA personnel shall not engage in outside employment or other outside activity, with or without compensation, that:

(1) Interferes with, or is not compatible with, the performance of their Government duties.

(ii) May reasonably be expected to bring discredit on the Government.

(iii) Is otherwise inconsistent with the requirements of part 1293, including the requirements to avoid actions and situations which reasonably can be expected to create the appearance of conflicts of interests.

(2) Enlisted military personnel on active duty may not be ordered or authorized to leave their post to engage in a civilian pursuit, business, or professional activity if it interferes with the customary or regular employment of local civilians in their art, trade, or profession.

(3) Off-duty employment of military personnel by an entity involved in a strike is permissible if the person was on the payroll of the entity prior to the commencement of the strike, and if the

See footnote 1, to § 1293.3(c)(1)(ii).
employment is otherwise in conformance with the provisions of part 1293. After a strike begins and while it continues, no military personnel may accept employment by that involved entity at the strike location.

4) DLA personnel are encouraged to engage in teaching, lecturing, and writing. However:

(i) DLA personnel shall not, either for or without compensation, engage in activities that are dependent on information obtained as a result of their Government employment, except when: The information has been published or is generally available to the public; or it will be made generally available to the public, and the Director, DLA gives written authorization for the use of nonpublic information on the basis that the use is in the public interest.

(ii) Employment by a DoD contractor is prohibited unless the circumstances are presented to and approval is obtained from the Designated Agency Ethics Official or Deputy Ethics Official stating that such employment does not constitute either a conflict or the appearance of a conflict of interest between the employee’s duties and the outside employment.

(j) Honoraria. DLA personnel may not accept honoraria for official activities, nor may they suggest charitable contributions in place of honoraria. Even when acting in a personal, rather than official, capacity:

(1) DLA personnel are prohibited from accepting an honorarium of more than $2,000 (excluding travel and subsistence expenses, agent’s fees or commissions) for any appearance, speech, or article;

(2) The acceptance of honoraria from groups doing, or seeking to do business with DLA, presents the potential for a conflict of interest or the appearance of a conflict. Before accepting any honorarium, DLA personnel shall consult the Designated Agency Ethics Official, or Deputy Ethics Official.

(k) Pursuit of outside employment. (1) When a military officer assigned to DLA or a civilian DLA employee leaves Federal service and begins working for a business with which the officer or employee conducted official business, or one which might have been affected by the officer or employee’s performance of official duties, the public may perceive that the public’s interest has been compromised. There is the concern that the former officer or employee may have been more interested in future employment than the diligent performance of official duties and protecting the Government’s interests. Officers and employees must be sensitive to this public perception when considering future employment opportunities and avoid any action which would cause loss of public confidence in their performance of official duties.

(2) DLA personnel shall not perform any official duties, or otherwise participate in any official matter dealing with any organization with which the DLA employee is pursuing employment, has any arrangement concerning future employment, or has a financial interest. Pursuing employment is not limited to firm offers of employment; it includes any action which could reasonably be construed as an indication of interest in future employment, including sending letters or resumes, telephone discussions, or the consideration of unsolicited proposals from a business entity regarding possible future employment.

(3) All DLA personnel who have contact (regardless of who initiated the contact) regarding possible future employment, or have any arrangement concerning future employment with any organization that may be affected by the performance of their official duties shall immediately report the contact to the Designated Agency Ethics Official or Deputy Ethics Official. So long as the decision on future employment with the organization remains open, DLA personnel must disqualify themselves from participating in any manner in any official action involving that organization. Thus, if a DLA employee mails resumes to multiple organizations, that may be affected by the performance of official duties, the DLA employee must report the sending of resumes, disqualify himself/herself from participating in matters involving those organizations until either the organization or the employee specifically terminates the employment possibilities. Disqualification procedures are set forth in §1293.7(c).

Violation of some of the laws and regulations may result in criminal prosecution. It is the obligation of each military officer assigned to DLA and each civilian employee, upon ending Federal service, to review the post employment restrictions in making decisions regarding their post employment activities. Appendix A contains a summary of the laws and regulations which deal with the conduct of DLA officers and employees and the restrictions on the activities of former officers and employees.

(c) Disqualification or Divestiture Procedures—(1) Affiliations and Financial Interests. (i) Any DLA employee who has affiliations or financial interests (which includes those of their spouse, minor children, or members of their households) which create conflicts of interest or the appearance of conflict of interest with their official duties, must immediately disqualify themselves from any official activities that are related to those affiliations or interests of the entities involved. 1. This law prohibits military officers or civilian employees from directly or indirectly receiving or seeking compensation for services rendered or to be rendered before any department or agency in connection with any contract, claim, controversy or services rendered by the person.

2. Subsection (a) prohibits military officers or civilian employees from acting as an agent or attorney for anyone else before a department, agency, or court in connection with

3. Subsection (b) makes it unlawful for anyone to offer or to pay the compensation prohibited by subsection (a).
any particular matter in which the United States is a party or has a direct and substantial interest. The law does not apply to enlisted military personnel.

2. The following exemptions are allowed:
   a. The law does not prohibit military officers or civilian employees from giving testimony under oath; from making statements required to be made under the penalty of perjury or contempt; or, from representing another person, without compensation, in a personnel matter such as a discrimination complaint or disciplinary action.
   b. The law also authorizes a limited waiver of its restrictions and those of section 203 for an officer or employee, including a special Government employee, who represents his or her parents, spouse, or child, or a person or estate he or she serves as a fiduciary. The waiver is available only if approved by the official making appointments to the position. However, the waiver does not allow the officer or employee to represent any person in matters in which the officer or employee has participated personally and substantially or which are the subject of the officer or employee’s official responsibility.
   c. Finally, section 205 gives the head of a department or agency the authority to allow a special Government employee to represent his or her regular employer or other outside organization in the performance of work under a Government grant or contract if the department or agency head certifies and publishes in the Federal Register that the national interest requires such representation.

C. 18 U.S.C. 208

1. Subsection (a) prohibits military officers and civilian personnel from their personal and substantial participation as Government personnel in any particular matter in which they, their spouse, their minor children, their partners, their employers, their prospective employers, or their organizations have a financial interest. “Personal and substantial participation” includes such things as decision, approval, disapproval, recommendation, the rendering of advice, or investigation. A “particular matter” may be less concrete than an actual contract, but is something more specific than rule making or abstract scientific principles. If the individual can reasonably anticipate that his/her Government action, or the decision in which he/she participates or with respect to which he/she advises, will have a direct and predictable effect upon financial interests, then a “particular matter” is involved.

2. Subsection (b) permits a written exemption from subsection (a) if the outside financial interest is deemed in advance not substantial enough to affect the integrity of Government services. Categories of financial interests may also be made nondisqualifying by a regulation published in the Federal Register. Shares of a widely held, diversified mutual fund or regulated investment company have been exempted as being too remote or inconsequential to affect the integrity of the services of Government personnel.

D. 18 U.S.C. 209

Subsection (a) prohibits military officers and civilian employees from receiving, and prohibits anyone from paying them, any money as additional compensation for their Government service. The law does not apply to enlisted military personnel. Subsection (b) permits military officers and civilian employees to participate in a bona fide pension plan or other employee welfare or benefit plan maintained by a former employer. Subsection (c) exempts special Government employees and anyone serving the Government without compensation. Subsection (d) exempts contributions, awards, or other expenses under the Government Employees Training Act. See 5 U.S.C. 411(a).

E. 10 U.S.C. 2397a

This law applies to DoD employees at pay rates of GS-11 or higher (GS-10, Step 4) and to military officers in pay grades O-4 or higher. These employees must report any contact they have had, or will have, with defense contractors related to the defense contractor. The penalty for violation is a bar from employment with the defense contractor for up to 10 years after Government service and up to a $10,000 penalty.

III. Restriction on Former Military Officers and Civilian Employees

A. Former Officers and Employees Include the Following Personnel:
   1. Full-time civilian employees who have left Federal service.
   2. Special Government employees who have left Federal service.
   3. Retired military officers released from active duty.
   4. Reserve military officers released from active duty. The term does not include enlisted personnel; however, enlisted personnel are subject to the restrictions applicable to retired members of the Armed Forces set forth in subparagraph G.

B. Senior employees are those individuals who have been specifically advised by the Designated Agency Ethics Official that they hold senior employee positions. In general, senior employees within DLA include military officers in pay grades O-7 and above, and most Senior Executive Service (SES) positions.

C. General:
1. Laws and regulations restrict the activities of former officers and employees, establish certain reporting requirements, and, in some cases, restrict employment by former officers and employees with DoD contractors. Violation of some of the laws and regulations may result in criminal prosecution, or civil fines.  

2. The purpose of the post employment restrictions is to preclude the actual or apparent use of public office for private gain, and to ensure that the administration of Government is conducted honestly and in an impartial manner.  

3. The restrictions are divided into five parts; those applicable to all former officers and employees, those applicable to former senior employees, those applicable to retired military officers, and those applicable to all retired members of the Armed Forces. In addition, the special restrictions applicable to personnel who were engaged in “procurement functions” are set out. Because of the expansive definition of the term “procurement function,” all civilian employees whose grade was GS-12, step 7 or higher, and all military personnel in grades O-4 and above should review the definition of “procurement function” set forth in subparagraph 6i below.  

4. In addition to the information contained herein, retired military personnel are encouraged to review parallel regulations of their Military Service:  

a. Army—AR 600-50.  
b. Navy—SECNAVINST 5370.2H.  
d. Marine Corps—MCO 5330.3C.  

5. General professional knowledge acquired while in Federal service generally may be used while employed in the private sector. Laws and regulations do, however, restrict activities of former officers and employees which give the appearance of making unfair use of prior Federal employment and affiliations, or are detrimental to public confidence in the Government. In addition, certain former employees who dealt with DoD contractors may be prohibited from working for those contractors.  

D. Restrictions Applicable to all Former Officers and Employees:  

1. Permanent bar on representation. (18 U.S.C. 207(a)) Former officers and employees (not including former enlisted personnel) may never represent anyone except the United States or communicate with any Government agency with the intent to influence the United States in any matter with which the former officer or employee was personally and substantially involved while a Government employee, and which involves specific parties where the United States either is a party or has an interest.  

a. This provision is aimed at your activities representing anyone, whether or not you make a personal appearance before the Government. The intent of the provision is to prevent you from “switching sides,” so that information, influence, and access you acquired during Federal service is not subsequently used for improper or unfair advantage in post-employment dealings with the Government.  

b. The matters to which this bar applies are those in which you were involved as a Federal employee. Your involvement as a Federal employee must have been of significance to the matter, or must form the basis for a reasonable appearance that it was significant, and may include involvement by any of your subordinates.  

c. Matters of general application such as general policy or program design are not included in this bar.  

d. The concept of representation is broadly construed and includes any type of communication whose intent is to influence the United States. Representation includes not only acting as another’s attorney or agent, but promotional and contract representations as well. Communications include both oral and written communications.  

2. Two-year bar on representation. (18 U.S.C. 207(b)(1).) Former officers and employees (not including enlisted personnel) may not, for a 2-year period after departing from Federal service, represent anyone except the United States in any matter which was pending under the former employee’s official responsibility during the final year of Federal service. The bar includes communicating with any Government agency with intent to influence the United States on the matter.  

a. The only substantive difference between this 2-year bar and the permanent bar described in subparagraph 1. above is the degree of your closeness to, or involvement in, the matter.  

b. The term “official responsibility” refers to the direct administrative or operating authority, whether intermediate or final, either personally or through subordinates, to approve, disapprove, or otherwise direct Government action.  

3. Exception for Scientific or Technological Information. The permanent bar and 2-year bar do not apply to communications made solely for the purpose of furnishing scientific or technological information if approved by the head of the agency to which the communication is directed.  

E. Additional Restrictions Applicable to Former Senior Employees:  

1. Two-year bar. (18 U.S.C. 207(b)(2).) For 2 years after leaving a senior employee position, you may not represent or assist in representing another person by personally appearing at any proceeding before the Government where the matter that is the subject of the proceeding, is one in which you participated personally and substantially while in Federal service.
Defense Logistics Agency

Pt. 1293, App. A

a. The matters to which this bar applies are those in which you were involved as a Federal employee. Your involvement as a Federal employee must have been of significance to the matter, or must form the basis for a reasonable appearance that it was significant, and may include involvement by any of your subordinates.

b. This restriction does not bar all forms of behind-the-scenes assistance by you, but only assistance in representing or assisting in representing another person while personally present at any type of proceeding.

2. One-year bar. (18 U.S.C. 207(c).) For one year after leaving a senior employee position, you may not represent anyone before your former agency, or have any communication with your former agency on any matter which is pending before or of substantial interest to the agency. This restriction, sometimes called the "no contract" bar, is intended to provide a "cooling-off" period between you and your former agency.

a. This bar applies regardless of the degree of your involvement with the matter.

b. The bar applies to all matters, whether or not specific parties are involved, and includes matters of general application such as general policy or program design.

c. The bar also extends to matters in which your agency has a substantial interest even though the matter may be pending before another agency.

d. The bar is limited to contracts with your former agency and does not apply Government-wide.

e. Your former agency is specifically defined. As it pertains to former DLA senior employees, the term includes DLA and the DoD leases.

(1) The Military Departments.
(2) Defense Mapping Agency.
(3) Defense Communications Agency.
(4) Defense Intelligence Agency.
(5) Defense Nuclear Agency.
(6) National Security Agency.

f. There are several exemptions to this one-year bar. The bar does not cover a former senior employee who is: An elected official of a state or local government; an employee of an accredited degree-granting institution of higher education; or, an employee of a non-profit hospital or medical research organization provided that the communication, appearance, or representation is on behalf of such government, institution, hospital, or organization. The bar also does not cover purely social or informational communications, the transmission or filing of documents not requiring governmental action, personal matters, representing oneself in any administrative or judicial proceeding, any expression of personal view where the former senior employee has no monetary interest, responses to the former agency's request for information, or participation as the principal researcher or investigator under Government grants.

F. Additional Restrictions Applicable to Retired Regular Military Officers:

1. Claims against the United States (18 U.S.C. 281)

a. A retired officer of the Armed Forces may not, for two years after release from active duty, act as an agent or attorney for prosecuting or assisting in the prosecution of a claim against the United States:

(1) Which involves the Military Department in which the officer is retired, or

(2) Which involves any subject matter with which the officer was directly connected while on active duty.

b. The penalty for violating this restriction includes civil and criminal sanctions.

2. Selling to the United States (18 U.S.C. 281)

a. A retired officer of the Armed Forces may not, for two years after release from active duty, receive (or agree to receive), either directly or indirectly, any compensation for representing any person in the sale of anything to the United States through the Military Department in which the officer is retired.

b. The penalty for violating this restriction includes civil and criminal sanctions.

3. Retired Regular Officers

For 3 years after retirement, a retired Regular officer may not, either for himself/herself or for others, sell, contract, or negotiate to sell, any supplies or war materials to the Government. The bar is directed only to those activities related to selling which include:

(1) Signing a bid, proposal, or contract.

(2) Negotiating a contract.

(3) Contracting an officer or employee of any of the agencies listed in subparagraph 2.b. above for the purpose of:

(a) Obtaining or negotiating contracts,

(b) Negotiating or discussing changes in specifications, price, cost allowance, or other terms of a contract, or

(c) Settling disputes concerning performance of a contract, or

(d) Any other liaison activity with a view toward the ultimate consummation of a sale although the actual contract therefore is subsequently negotiated by another person.

b. Violations of this bar are punishable by loss of retirement pay for that period of time during which the prohibited activity occurs.

G. Additional Restrictions Applicable to all Retired members of the Armed Forces:
1. DoD civilian employment. A retired member of the Armed Forces may not be appointed to a DoD civilian position within 180 days after retirement unless:
   a. The position is one which an advance hiring pay rate has been authorized by the Office of Personnel Management under 5 U.S.C. 5305, or
   b. The position is for that major defense system through contact with the contractor.
   c. A state of national emergency exists.

2. Foreign employment. A retired member of the Armed Forces may not accept any present, emolument, office, title, or employment from any foreign government unless approved by the Secretary of the Military Department concerned and the Secretary of State. The penalty for a violation is loss of retirement pay.

3. Use of military titles. Retired members of the Armed Forces may not use their military title in such a way as to give rise to the appearance of sponsorship, sanction, endorsement, or approval of the Military Service or the DoD in connection with any commercial enterprise. Overseas commanders may further restrict the use of military titles by retired personnel in overseas areas.

H. Special Restrictions on the Activities of Former Employees Who Were Engaged in Procurement Functions:

1. Pursuant to 10 U.S.C. 2397b, certain former military officers and civilian employees may not receive compensation from a major defense contractor for a 2-year period, beginning on the date the former officer or employee separated from Federal service. This restriction prohibits the acceptance of compensation from a particular major defense contractor only if the former officer or employee performed the duties listed in subparagraph 2, below, relating to that same defense contractor.

2. Personnel to whom restrictions apply. Individuals in the following categories are subject to the restrictions:
   a. Civilian employees whose rate of pay was greater than or equal to that for a GS-13, Step 1 (GS-12, Step 7) and military officers in pay grades of O-7 or higher, if such individuals:
      (1) Spent more than 2 years of DoD service performing a procurement function relating to a DoD contract, at a site or plant that was owned or operated by a contractor, and which was the principal location of the performance of that procurement function; or
      (2) Performed, on a majority of their working days during the last two years of DoD service, a procurement function relating to a major defense system and, in the performance of such a function, participated on any occasion personally and substantially in a manner involving decision-making responsibilities with respect to a contract for that major defense system through contact with the contractor.
   b. Civilian employees who served in a Senior Executive Service position or higher, and military officers who served in the pay grade of O-7 or higher, if such individuals during the last 2 years of DoD service:
      (1) Acted as a primary representative of the United States in the negotiation with a defense contractor of a defense contract in an amount in excess of $10,000,000 (the actual contractual action taken by the individual must have been in an amount in excess of $10,000,000), or
      (2) Acted as a primary representative of the United States in the negotiation of a settlement of an unresolved claim of such a defense contractor in an amount in excess of $10,000,000. An unresolved claim shall be, for purposes of part 1293 valued by the greater of the amount of the claim or the amount of the settlement.
   c. If the PLFA Counsel or General Counsel, DLA receives a request for advice, he shall issue a written opinion in response thereto not later than 30 days after receipt of all relevant information.
   d. If the advice rendered by the PLFA Counsel or General Counsel, DLA states that the law and part 1293 are inapplicable, and that the individual may accept the compensation from the contractor, then there shall be a conclusive presumption that the acceptance of the compensation is not a violation of 10 U.S.C. 2397b.

3. Apparent violations. Apparent violations of these prohibitions shall be referred to the General Counsel, DLA who will review the matter for referral to the DoD Inspector General or the Inspector General of the appropriate Military Department for investigation.

4. Penalties. Pursuant to 10 U.S.C 2397b(b)(1), individuals who knowingly violate the prohibition of this section are subject to a civil fine of not more than $250,000.

6. Special definitions. For the purpose of subparagraph H of this Appendix, terms used shall have the following meanings:
   a. Armed Forces. The term “Armed Forces” does not include the United States Coast Guard.
   b. Compensation. Includes any payment, gift, benefit, reward, favor, or gratuity which is provided directly or indirectly for services rendered by the person accepting such payment and which has a fair market value in
excess of $250. Compensation shall be deemed indirectly received if it is paid to an entity or person other than the individual, in exchange for services performed by the individual.

c. Contractor-operated facility. Includes any facility leased or loaned by the United States to the contractor by written agreement. It does not include facilities located on a military installation where contractor personnel may work, but which is not either leased or loaned by the United States to the contractor by written agreement.

d. Defense contractor. An entity that: Contracts directly with the Department of Defense to supply the Department of Defense with goods or services; or, controls or is controlled by an entity that contracts directly with the Department of Defense to supply the Department of Defense with goods or services; or, is under common control with an entity that contracts directly with the Department of Defense to supply the Department of Defense with goods or services. The term does not include an affiliate or subsidiary of an entity that contracts directly with the Department of Defense to supply the Department of Defense with goods or services if the affiliate or subsidiary is clearly not engaged in the performance of a defense contract, nor does it include a state or local government.

e. DoD component. The Office of the Secretary of Defense (OSD), the Military Departments, the Organization of the Joint Chiefs of Staff (OJCS), the Unified and Specified Commands, the Inspector General, and the Defense Agencies, including non-appropriated fund activities.

f. Employee. This term does not include a part-time employee, or a Special Government Employee.

g. Major defense contract. Any business entity which, during the fiscal year preceding the fiscal year in which compensation was received, was a defense contractor that received defense contracts in a total amount equal to or greater than $10,000,000.

h. Major defense system. A combination of elements that will function together to produce the capability required to fulfill a mission need. Elements may include hardware, equipment, software, or any combination thereof, but excludes construction or other improvements to real property. A system shall be considered a major defense system if: the Department of Defense is responsible for the system and the total expenditures for research, development, test and evaluation for the system are estimated to exceed $75,000,000 (based on fiscal year 1980 constant dollars) or the eventual total expenditure for procurement exceeds $300,000,000 (based on fiscal year 1980 constant dollars); or, the system is designated a “major system” by the head of the agency responsible for the system.

i. Majority of working days. The majority of days actually worked during the period, excluding weekends, holidays, days of leave or sick days when the employee did not actually work. A work day on which an individual performed a procurement function includes any day on which the individual worked on that procurement function for any amount of time during that day.

j. Negotiation and settlement. Exchange of views between representatives of the Government and a contractor regarding respective liabilities and responsibilities of the parties on a particular contract or claim. It includes deliberations regarding contract specifications, terms of delivery, allowability of costs, pricing of change orders, etc.

k. Primary Government representative. If more than one Government representative is involved in any particular transaction, it is the Government employee who supervised the Government’s effort in that matter. To act as a “representative” requires personal and substantial participation in the transaction, by personal presence, telephone conversation, or similar involvement with representatives of a contractor.

l. Procurement related function. Any function relating to: The negotiation, award, administration, or approval of a contract; the selection of a contractor; the approval of a change in a contract; the performance of quality assurance, operational and developmental testing, the approval of payment, or auditing under a contract; or, the management of a procurement program.

m. Separation of a member of the Armed Forces. A person who is a retired or former member of the Armed Forces shall be considered to have been separated from service in the Department of Defense on the effective date of the person’s discharge or release from active duty.

IV. Other Laws Applicable to DoD Personnel

Engaging in the following activities may subject present and former DLA personnel to criminal or other penalties:

A. Aiding, abetting, counseling, commanding, inducing, or procuring another to commit a crime under any criminal statute (18 U.S.C. 201).

B. Concealing or failing to report to proper authorities the commission of felony under any criminal statute if the person knew of the actual commission of the crime (18 U.S.C. 4).

C. Conspiring with one or more persons to commit a crime under any criminal statute or to defraud the United States, if any party to the conspiracy does any act to effect the object of the conspiracy (18 U.S.C. 371).

Any person in Government service should:

I. Put loyalty to the highest moral principles and to country above loyalty to persons, party, or Government department.

II. Uphold the Constitution, laws, and regulations of the United States and of all governments therein and never be a party to their evasion.

III. Give a full day’s labor for a full day’s pay; giving earnest effort and best thought to the performance of duties.

IV. Seek to find and employ more efficient and economical ways of getting tasks accomplished.

V. Never discriminate unfairly by the dispensing of special favors or privileges to anyone, whether for remuneration or not; and never accept, for himself or herself or for family members, favors and benefits under circumstances which might be construed by reasonable persons as influencing the performance of governmental duties.

VI. Make no private promises of any kind binding upon the duties of office, since a Government employee has no private word of a party, or Government department.

VII. Engage in no business with the Government, either directly or indirectly, which is inconsistent with the conscientious performance of governmental duties.

VIII. Never use any information gained confidentially in the performance of Government duties as a means for making private profit.

IX. Expose corruption wherever discovered.

X. Uphold these principles, ever conscious that public office is a public trust.

5 See footnote 1, to §1293.3(c)(1)(i).
GUIDANCE ON GRATUITIES, REIMBURSEMENTS, AND OTHER BENEFITS FROM OUTSIDE SOURCES

I. General

The general prohibition against accepting gratuities, reimbursements, and other benefits from outside sources does not apply to the following. These exceptions shall be applied narrowly in keeping with the prohibition in §1293.3(g).

A. The continued participation in employee welfare or benefit plans of a former employee when permitted by law and approved by the General Counsel, DLA, or PLFA Counsel.

B. The acceptance of unsolicited advertising or promotional items that are less than $10 in retail value.

C. The acceptance of trophies, entertainment, prizes, or awards for public service or achievement in an individual, unofficial capacity or given in games or contests that do not relate to official duties and are clearly open to the public generally, or are officially approved for DLA personnel participation.

D. The acceptance of benefits available to the public, such as university scholarships covered by DoD Directive 1322.6, Fellowships, Scholarships, and Grants for Members of the Armed Forces, and free exhibitions by DoD contractors at public trade fairs.

E. The acceptance of discounts or concessions realistically available to all DLA personnel, provided that such discounts or concessions are not used to obtain any item for purpose of resale at a profit.

F. Participation by DLA personnel in civic and community activities that also involve a DoD contractor, when any relationship between DLA personnel and the contractor is indirect; for example participation in a Little League or Combined Federal Campaign luncheon that is subsidized by a defense contractor.

G. Activities engaged in by DLA personnel with local civic or military leaders as part of authorized community relations programs of DLA.

H. The participation of DLA personnel in widely attended gatherings of mutual interest to Government and industry, sponsored or hosted by industrial, technical, and professional associations (not by individual contractors), provided that they have been approved in accordance with DoD Instruction 5410.20, Public Affairs Relations with Business and Nongovernmental Organizations Representing Business.

I. Situations in which participation by DLA personnel at public ceremonial activities of mutual interest to industry, local communities, and DLA serves the interest of the Government, and acceptance of the invitation is approved by the General Counsel, DLA or PLFA Counsel.

J. When on official Government business and when the DLA personnel reports the circumstances in writing to the immediate supervisor and to the General Counsel, DLA or the PLFA Counsel, as soon as possible:

1. Space available use of previously scheduled ground transportation to or from a DoD contractor’s place of business provided by the contractor for its own employees, and

2. Contractor-provided transportation, meals, or overnight accommodations when arrangements for Government or commercial transportation, meals, or accommodations are clearly impracticable.

K. Attendance or participation of DLA personnel in gatherings, including social events such as receptions, which are hosted by foreign governments (when not acting in their DoD contractor capacity) or international organizations, provided that the acceptance of the invitation is approved by the General Counsel, DLA or PLFA Counsel.

L. Customary exchanges of gratuities between DLA personnel and their friends and relatives or the friends and relatives of their spouse, minor children and members of their household, when the circumstances clearly indicate that it is the relationship, rather than the business of the person concerned, that is the motivating factor for the gratuity and it is clear that the gratuity is not paid for by the United States Government or any DoD contractor.

M. Acceptance of coffee, doughnuts, and similar refreshments of nominal value offered as a normal courtesy incidental to the performance of duty. This exception applies to acceptance on an occasional basis and does not authorize acceptance on a recurring basis.

N. The acceptance of benefits resulting from the business activities of a spouse where it is clear that the benefits are given to the spouse in the normal course of the spouse’s employment or business and have not been given or made more attractive because of the DLA employee’s status. This exception does not, however, alter the requirement for disqualification under §1293.7(c)(1).

O. Acceptance of transportation and related travel expenses from a potential employer in connection with a job interview, provided that prior to departing on the trip:

1. The DLA employee receiving the gratuity notifies his or her immediate supervisor of the travel arrangements.

2. The DLA employee files a written disqualification statement concerning any possible official actions involving the potential employer.

3. The DLA employee submits some evidence that the potential employer offers the same benefits to all similarly situated individuals, not only those employed in the Department of Defense.
II. Defense Contracting Training

The guidance in subparagraphs A through C of this section applies whenever defense contractors provide training, orientation, or refresher courses to DLA personnel. These courses range from executive orientation courses in which all expenses are borne by the contractor to seminars devoted to technical developments in which the only “gratuity” may be lectures given free of charge.

A. Attendance by DLA employees at training sessions provided by defense contractors is permitted when the contractor’s products or systems are provided under contract to DoD and the training is to facilitate the utilization of those products or systems by DLA personnel.

B. When a defense contractor provides training pursuant to a contract, the training itself is not a gratuity. Likewise, meals, lodging, and transportation would not be considered a gratuity if the defense contractor was required to furnish them under the terms of the contract, but would result in reductions to the travel and other expenses normally payable to the employee under the Joint Federal Travel Regulation. However, if the defense contractor, without charge, provides something to DLA personnel which is not required by the contract, the contractor is giving a gratuity to the DLA employee.

C. Attendance at tuition-free training, refresher courses, or other educational meetings offered by a defense contractor (although not required to do so by the terms of a contract) may be authorized when attendance is clearly in the best interests of the Government and meets the following criteria of DLAR 1430.12, Civilian Employee Development and Training:6

1. Selection of the DLA employees attending the contractor training will be made by the Government.

2. The unavailability of alternative training sources, and confidence that the contractor provided training will not adversely affect the objectivity of the DLA employee.

3. Approval of the training is at a sufficiently high level to assure the need cannot otherwise reasonably be met and has the concurrence of the General Counsel, DLA or PLFA Counsel.

4. No appreciable cost is incurred by the contractor in order to accommodate attendance by DLA employees.

5. An understanding that the contractor will receive no special consideration or benefit because of the Government’s participation.

III. Reimbursements

DLA personnel may not accept either personal reimbursement or in kind accommodations, subsistence, transportation, or services for expenses incident to official travel, from any source outside the Government except as indicated in subparagraphs A through F of this section. In cases where acceptance is authorized, appropriate deductions will be made in the travel, per diem, or other allowances payable to the employee. In no event will DLA personnel accept benefits which are excessive.

A. A DLA employee who is to be a speaker, panelist, project officer, or other bona fide participant in the activity attended, may accept accommodations, subsistence, transportation, or other services furnished in-kind in connection with official travel when such attendance and acceptance are authorized by the order-issuing authority as being in the overall Government interest. Under these circumstances, an employee may not accept personal reimbursement.

B. When a DLA employee is summoned to testify in an official capacity on behalf of a private party at a judicial proceeding, the appearance will be on official time and travel expenses may be accepted from the court, agency and Government travel orders issued or the employee may use the funds to defray costs directly. Any excess funds must be returned to the party or paid into the U.S. Treasury as miscellaneous receipts. Any employee appearing on behalf of a private party not in an official capacity must use leave to do so and may retain any fees or expenses.

C. Except as indicated in subparagraphs A and B of this section, DLA personnel may not accept personal reimbursement from any source for expenses incident to official travel, unless authorized by their supervisor consistent with guidance provided by the Designated Agency Ethics Official or Deputy Ethics Official pursuant to 5 U.S.C. 4111 or other statutory authority. Rather reimbursement must be made to the Government by check payable to DLA.

D. DLA personnel may accept travel, or reimbursement for travel expenses from a foreign government as provided in DLAR 1006.1, Decorations and Gifts from Foreign Governments.

6See footnote 1 to §1283.3(c)(1)(I).
Defense Logistics Agency

E. When accommodations, subsistence, or services in kind are furnished to DLA personnel by non-U.S. Government sources, consistent with this paragraph, appropriate deductions shall be reported and made in the travel, per diem, or other allowance payable.

F. DLA personnel who receive gratuities, or have gratuities received on their behalf, in circumstances not in conformance with the standards of part 1293, shall promptly report the circumstances to the Designated Agency Ethics Official or Deputy Ethics Official for disposition determination.

IV. Ship Launch and Similar Ceremonies

The following guidance applies to ceremonies and gifts associated with the launch or commissioning of a naval vessel, an aircraft or other vehicle, and all similar events:

A. Attendance at Ceremonies

Acceptance of an invitation to attend a ceremony shall be approved by the Head of the PSE or PLFA. Attendance is permitted at appropriate functions incident to the ceremony, such as a dinner preceding the ceremony and the reception following it, as long as the function is not lavish, excessive, or extravagant.

B. Acceptance of Gifts

DLA personnel, their spouses, and their dependent children, who are official participants may accept a tangible thing of value as a gift or memento in connection with the ceremony as long as its retail value does not exceed $100 per family and the cost is not borne by the Government. When a gift exceeds the $100 limit the recipient shall pursue one of the following alternatives:

1. Return the gift to the donor.
2. Retain the gift after reimbursing the donor the full value of the gift.
3. Forward the gift to the Staff Director, Administration (DLA-X) for disposition as a gift to the Government in accordance with statute.

A. DLA personnel required to file a Financial Disclosure Report (SF 278) are listed at §1293.7(d)(1). These personnel occupy “covered positions.”

B. A person who is nominated to or assumes a covered position is not required to file an SF 278 if the Secretary of Defense or the General Counsel, DLA determines that the person is not reasonably expected to perform the duties of the position for more than 60 days in the calendar year. However, if the person performs the duties of the office or position for more than 60 days in the calendar year, an SF 278 shall be filed within 15 days after the 61st day of duty.

C. A person otherwise required to file an SF 278, but who is expected to perform the duties of the position for less than 130 days in the calendar year, may request a waiver of any or all reporting requirements from the Director, Office of Government Ethics, if the person is not a full-time employee of the Government, is able to provide specially needed services, and does not have outside employment or financial interests likely to create a conflict of interest. A request for a waiver shall be initially submitted to the General Counsel, DLA.

II. Time of Filing

An SF 278 shall be submitted under the circumstances described below.

A. Assumption Report

DLA personnel shall submit a SF 278 to the General Counsel, DLA before assuming a covered position. This requirement does not apply if the individual has left another covered position within 30 days before assuming a new position, or already has filed with respect to nomination for the new position.

B. Annual Report

DLA personnel, including special Government employees, occupying a covered position for more than 60 days during a calendar year shall submit an SF 278 annually. The annual report must be filed with the General Counsel, DLA not later than 15 May unless a written extension is granted.

C. Termination Report

DLA personnel occupying a covered position shall submit an SF 278 to the General Counsel, DLA no sooner than 15 days before and no later than 30 days after the date of departure from that position unless they accept another covered position. The termination report will cover the portion of the present calendar year up to the date of termination and, if the annual report has not yet been filed, the preceding calendar year.

III. Contents of Reports

Instructions for completing SFs 278 are included as part of the report forms. Additional guidance for personnel in covered positions is available from the General Counsel, DLA.

IV. Submission and Review of Reports

A. Reports will be submitted to the General Counsel, DLA. After final review, copies of the reports of military officers assigned to DLA will be forwarded by the General Counsel, DLA to the appropriate Military Department official.

B. Final review of an SF 278 is completed when the General Counsel, DLA has signed
the SF 278, indicating that each item is completed and that the report discloses no unresolved conflict or appearance of a conflict of interest under applicable laws and regulations.

A. Action Within the DoD Component

1. If the General Counsel, DLA, after reviewing an SF 278, believes additional information is required, the reporting individual shall be notified of the additional information required and the date by which it must be submitted. The reporting individual shall submit the required information directly to the General Counsel, DLA.

2. If the General Counsel, DLA, after reviewing the SF 278, is of the opinion, on the basis of information submitted, that the reporting person is not in compliance with applicable laws and regulations, the following steps shall be taken:

a. The person shall be notified in writing of the preliminary determination.

b. After an opportunity for personal consultation, if practicable, the General Counsel, DLA shall notify the person in writing of the remedial measures that should be taken to bring the person into compliance. The notification shall specify a date by which such measures must be taken, which, except in unusual circumstances, must be taken within 90 days.

(1) When the General Counsel, DLA determines that a reporting person has fully complied with the remedial measures, a notation to that effect shall be made in the comment section of the SF 378. The General Counsel, DLA shall then sign and date the SF 278 and send written notice of that action to the person.

(2) If steps assuring compliance with applicable laws and regulations are not taken by the date established, the General Counsel, DLA shall report the matter to the Director, DLA for appropriate action. The Office of Government Ethics and the Attorney General shall also be notified.

3. Remedial action may include the following measures:

a. Disqualification.

b. Limitation of duties.

c. Divestiture.

d. Transfer or reassignment.

e. Resignation.

g. Establishment of a qualified blind trust.

V. Public Availability of SFs 278

A. SFs 278 must be made available for public examination upon request 15 days after the report is filed unless otherwise exempted pursuant to law. Receipt of the report by the General Counsel, DLA for final review constitutes official filing and establishes the date from which the 15 days shall run. In most cases, this means the reports are available to the public before final review is completed. Reporting persons are personally responsible for ensuring that their reports are accurate, complete, and timely.

B. Any request for an SF 278 must be in writing and state:

1. The person’s name, occupation, and address.

2. The name and address of any other person or organization on whose behalf the inspection or copy is requested.

3. That the person is aware that it is unlawful to obtain or use the report for:

Compliance with the financial disclosure provisions shall be enforced by administrative, civil, or criminal remedies, which include:

A. Action Within the DoD Component

The Director, DLA may take appropriate action, including a change in assigned duties or adverse action, in accordance with applicable law or regulation, against any person who fails to file an SF 278, or who falsifies or fails to report required information.

B. Action by the Attorney General

The General Counsel, DLA is required to refer to the Attorney General the name of any person whom he or she has reasonable cause to believe has failed willfully to file an SF 278 on time or has falsified or failed willfully to file information required to be reported. Such referral does not bar additional administrative or judicial enforcement. The Attorney General may bring a civil action in the U.S. District Courts against any person who knowingly and willfully falsifies or fails to file or report any required information. The court may assess a civil penalty not to exceed $5,000. Knowing or willful falsification of information required to be filed also may result in criminal prosecution under 18 U.S.C. 1001, leading to a fine of not more than $10,000, or imprisonment for not more than 5 years, or both.

C. Misuse of Reports

1. The Attorney General may bring a civil action against a person who obtains or uses an SF 278 filed under the Ethics in Government Act for any of the following reasons:

6. DLA personnel shall request submission on their behalf of required information known only to other persons; for example, holdings of spouse or other members of the household, executor of any estate, or trustee. The submissions may be made with a request for confidentiality that will be honored even if it includes a limitation on disclosure to the DLA employee concerned.

D. Confidentiality of DD Forms 1555 of DLA personnel. Each DD Form 1555 shall be held in confidence. Information from a DD Form 1555 may not be disclosed except as the Designated Agency Ethics Official or the Office of Government Ethics may determine for good cause.       (4) Any other related statute or regulation applicable to the employees of the agency.
   3. The supervisor need not audit the report to ascertain whether the disclosures are correct; disclosures are to be taken at “face value” unless there is a patent omission or ambiguity or the official has independent knowledge of matters outside the report. The supervisor’s signature shall signify that he or she has found that the information in the report discloses no conflict of interest under applicable laws and regulations and that the report fulfills the requirements set out in IIIF2.30 above.
   4. If the supervisor believes that additional information is required, the reporting individual shall be notified of the additional information required and the date by which it must be submitted.
   5. Whenever the supervisor’s review of a DD Form 1555 discloses a conflict or an apparent conflict of interest, the employee concerned will be given an opportunity to explain the conflict or apparent conflict to the immediate supervisor. (d) The age 19 selection group for each calendar year consists of registrants who have attained the age of 19 in that year.

(e) The age 18 selection group shall consist of registrants who have attained the age of 18 years and six months and who have not attained the age of 19 years in the order of their dates of birth with the oldest being selected first.

When necessary, the Director may grant one further postponement, but the total postponement shall not exceed 90 days from the reporting date on the induction order.

(c)(1) Any registrant who is satisfactorily pursuing a full-time course of instruction at a high school or similar institution of learning and is issued an order to report for induction shall, upon presentation of appropriate facts in the manner prescribed by the Director of Selective Service, have his induction postponed:

(g) The Director of Selective Service shall issue to each registrant whose induction is postponed a written notice thereof.

(h) No registrant whose induction has been postponed shall be inducted into the Armed Forces during the period of any such postponement. A postponement of induction shall not render invalid the Order to Report for Induction which has been issued to the registrant, but shall operate only to postpone the reporting date, and the registrant shall report on the new date scheduled without having issued to him a new Order to Report for Induction.

(i) Any registrant receiving a postponement under the provisions of this section, shall, after the expiration of such postponement, be rescheduled to report for induction at the place to which he was originally ordered.

(j) The initial determination of claims for all postponements is made by area office compensated personnel. After a denial of a claim for a student postponement, the registrant may request the local board to consider the claim. Such registrant shall be afforded an opportunity to appeal before

§ 1633.7 General principles of classification.

(a) Each classified registrant in a selection group is available for unrestricted military service until his eligibility for noncombatant service, alternative service, or deferment or exemption from service has been determined by a classifying authority.

(b) The classifying authority in considering a registrant’s claim for classification shall not discriminate for or against him because of his race, creed, color or ethnic background and shall not discriminate for or against him because of his membership or activity in any labor, political, religious, or other organization.

[47 FR 4654, Feb. 1, 1982, as amended at 52 FR 24457, July 1, 1987]

§ 1633.8 Basis of classification.

The registrant’s classification shall be determined on the basis of the official forms of the Selective Service System and other written information in his file, oral statements, if made by the registrant at his personal appearance before the board, and oral statements, if made by the registrant’s witnesses at his personal appearance. Any information in any written summary of the oral information presented at a registrant’s personal appearance that was prepared by an official of the Selective Service System or by the registrant will be placed in the registrant’s file. The file shall be subject to review by the registrant during normal business hours.

§ 1633.9 Explanation of classification action.

Whenever a classifying authority denies the request of a registrant for classification into a particular class or classifies a registrant in a class other than that which he requested, it shall record the reasons therefor in the registrant’s file.

§ 1633.10 Notification to registrant of classification action.

The Director will notify the registrant of any classification action.

[52 FR 24457, July 1, 1987]

§ 1633.11 Assignment of registrant to a local board.

(a) A registrant is assigned to the local board that has jurisdiction over his permanent address that he last furnished the Selective Service System prior to the issuance of his induction order.

(b) The Director may change a registrant’s assignment when he deems it necessary to assure the fair and equitable administration of the Selective Service Law.

[52 FR 24457, July 1, 1987]

§ 1633.12 Reconsideration of classification.

No classification is permanent. The Director of Selective Service may order the reconsideration of any classification action when the facts, upon which the classification is based, change or when he finds that the registrant made a misrepresentation of any material fact related to his claim for classification. No action may be taken under the preceding sentence of this paragraph unless the registrant is notified in writing of the impending action and the reasons thereof, and is given an opportunity to respond in writing within 10 days of the mailing of the notice. If the Director orders a reconsideration of a classification in accord with this paragraph, the claim will be treated in all respects as if it were the original claim for that classification.

PART 1636—CLASSIFICATION OF CONSCIENTIOUS OBJECTORS

§ 1636.1 Purpose; definitions.
§ 1636.2 The claim of conscientious objection.
§ 1636.3 Basis for classification in Class 1–A–0.
§ 1636.4 Basis for classification in Class 1–0.
§ 1636.5 Exclusion from Class 1–A–0 and Class 1–0.
§ 1636.6 Analysis of belief.
§ 1636.7 Impartiality.
§ 1636.8 Considerations relevant to granting or denying a claim for classification as a conscientious objector.
§ 1636.9 Types of decisions.
§ 1636.10 Statement of reasons for denial.

§ 1636.1 Purpose; definitions.

(a) The provisions of this part govern the consideration of a claim by a registrant for classification in Class 1–A–0 (§1630.11 of this chapter), or Class 1–0 (§1630.17 of this chapter).

(b) The definitions of this paragraph shall apply in the interpretation of the provisions of this part:

(1) Crystallization of a Registrant’s Beliefs. The registrant’s becoming conscious of the fact that he is opposed to participation in war in any form.

(2) Noncombatant Service. Service in any unit of the Armed Forces which is unarmed at all times; any other military assignment not requiring the bearing of arms or the use of arms in combat or training in the use of arms.

(3) Noncombatant Training. Any training which is not concerned with the study, use, or handling of arms or other implements of warfare designed to destroy human life.

§ 1636.2 The claim of conscientious objection.

A claim to classification in Class 1–A–0 or Class 1–0, must be made by the registrant in writing. Claims and documents in support of claims may only be submitted after the registrant has received an order to report for induction or after the Director has made a specific request for submission of such documents. All claims or documents in support of claims received prior to a registrant being ordered to report for induction or prior to the Director’s specific request for such documentation will be returned to the registrant and no file or record of such submission will be established.

§ 1636.3 Basis for classification in Class 1–A–0.

(a) A registrant must be conscientiously opposed to participation in combatant training and service in the Armed Forces.

(b) A registrant’s objection may be founded on religious training and belief; it may be based on strictly religious beliefs, or on personal beliefs that are purely ethical or moral in source or content and occupy in the life of a registrant a place parallel to that filled by belief in a Supreme Being for those holding more traditionally religious views.

(c) A registrant’s objection must be sincere.

§ 1636.4 Basis for classification in Class 1–0.

(a) A registrant must be conscientiously opposed to participation in war in any form and conscientiously opposed to participation in both combatant and noncombatant training and service in the Armed Forces.

(b) A registrant’s objection may be founded on religious training and belief; it may be based on strictly religious beliefs, or on personal beliefs that are purely ethical or moral in source or content and occupy in the life of a registrant a place parallel to that filled by belief in a Supreme Being for those holding more traditionally religious views.

(c) A registrant’s objection must be sincere.

§ 1636.5 Exclusion from Class 1–A–0 and Class 1–0.

A registrant shall be excluded from Class 1–A–0 or Class 1–0:

(a) Who asserts beliefs which are of a religious, moral or ethical nature, but who is found not to be sincere in his assertions; or

(b) Whose stated objection to participation in war does not rest at all upon moral, ethical, or religious principle, but instead rests solely upon considerations of policy, pragmatism, expediency, or his own self-interest or well-being; or

(c) Whose objection to participation in war is directed against a particular war rather than against war in any form (a selective objection). If a registrant objects to war in any form, but also believes in a theocratic, spiritual war between the forces of good and evil, he may not by reason of that belief alone be considered a selective conscientious objector.

§ 1636.6 Analysis of belief.

(a) A registrant claiming conscientious objection is not required to be a
§ 1636.7

member of a peace church or any other church, religious organization, or religious sect to qualify for a 1–A–0 or 1–0 classification; nor is it necessary that he be affiliated with any particular group opposed to participation in war in any form.

(b) The registrant who identifies his beliefs with those of a traditional church or religious organization must show that he basically adheres to beliefs of that church or religious organization whether or not he is actually affiliated with the institution whose teachings he claims as the basis of his conscientious objection. He need not adhere to all beliefs of that church or religious organization.

(c) A registrant whose beliefs are not religious in the traditional sense, but are based primarily on moral or ethical principle should hold such beliefs with the same strength or conviction as the belief in a Supreme Being is held by a person who is religious in the traditional sense. Beliefs may be mixed; they may be a combination of traditional religious beliefs and nontraditional religious, moral or ethical beliefs. The registrant’s beliefs must play a significant role in his life but should be evaluated only insofar as they pertain to his stated objection to his participation in war.

(d) Where the registrant is or has been a member of a church, religious organization, or religious sect, and where his claim of a conscientious objection is related to such membership, the board may properly inquire as to the registrant’s membership, the religious teachings of the church, religious organization, or religious sect, and the registrant’s religious activity, insofar as each relates to his objection to participation in war. The fact that the registrant may disagree with or not subscribe to some of the tenets of his church or religious sect does not necessarily discredit his claim.

(e) (1) The history of the process by which the registrant acquired his beliefs, whether founded on religious, moral, or ethical principle is relevant to the determination whether his stated opposition to participation in war in any form is sincere.

(2) The registrant must demonstrate that his religious, ethical, or moral convictions were acquired through training, study, contemplation, or other activity comparable to the processes by which traditional religious convictions are formulated. He must show that these religious, moral, or ethical convictions, once acquired, have directed his life in the way traditional religious convictions of equal strength, depth, and duration have directed the lives of those whose beliefs are clearly founded in traditional religious conviction.

(f) The registrant need not use formal or traditional language in describing the religious, moral, or ethical nature of his beliefs. Board members are not free to reject beliefs because they find them incomprehensible or inconsistent with their own beliefs.

(g) Conscientious objection to participation in war in any form, if based on moral, ethical, or religious beliefs, may not be deemed disqualifying simply because those beliefs may influence the registrant concerning the Nation’s domestic or foreign policy.

§ 1636.7 Impartiality.

Boards may not give preferential treatment to one religion over another, and all beliefs whether of a religious, ethical, or moral nature are to be given equal consideration.

§ 1636.8 Considerations relevant to granting or denying a claim for classification as a conscientious objector.

(a) After the registrant has submitted a claim for classification as a conscientious objector and his file is complete, a determination of his sincerity will be made based on:

(1) All documents in the registrant’s file folder; and

(2) The oral statements of the registrant at his personal appearance(s) before the local and/or appeal board; and

(3) The oral statements of the registrant’s witnesses, if any, at his personal appearance(s) before the local board; and

(4) The registrant’s general demeanor during his personal appearance(s).
(b) The registrant’s stated convictions should be a matter of conscience.

(c) The board should be convinced that the registrant’s personal history since the crystallization of his conscientious objection is not inconsistent with his claim and demonstrates that the registrant’s objection is not solely a matter of expediency. A recent crystallization of beliefs does not in itself indicate expediency.

(d) The information presented by the registrant should reflect a pattern of behavior in response to war and weapons which is consistent with his stated beliefs. Instances of violent acts or conviction for crimes of violence, or employment in the development or manufacturing of weapons of war, if the claim is based upon or supported by a life of nonviolence, may be indicative of inconsistent conduct.

(e) The development of a registrant’s opposition to war in any form may bear on his sincerity. If the registrant claims a recent crystallization of beliefs, his claim should be supported by evidence of a religious or educational experience, a traumatic event, an historical occasion, or some other special situation which explains when and how his objection to participation in war crystallized.

(f) In the event that a registrant has previously worked in the development of or manufacturing of weapons of war or has served as a member of a military reserve unit, it should be determined whether such activity was prior to the stated crystallization of the registrant’s conscientious objector beliefs. Inconsistent conduct prior to the actual crystallization of conscientious objector beliefs is not necessarily indicative of insincerity. But, inconsistent conduct subsequent to such crystallization may indicate that registrant’s stated objection is not sincere.

(g) A registrant’s behavior during his personal appearance before a board may be relevant to the sincerity of his claim.

(i) The registrant may submit letters of reference and other supporting statements of friends, relatives and acquaintances to corroborate the sincerity of his claim, although such supplemental documentation is not essential to approval of his claim. A finding of insincerity based on these letters or supporting statements must be carefully explained in the board’s decision, specific mention being made of the particular material relied upon for denial of classification in Class 1–A–0 or Class 1–0.

§ 1636.9 Types of decisions.

The following are the types of decisions which may be made by a board when a claim for classification in Class 1–A–0 or Class 1–0 has been considered.

(a) Decision to grant a claim for classification in Class 1–A–0 or Class 1–0, as requested, based on a determination that the truth or sincerity of the registrant’s claim is not refuted by any information contained in the registrant’s file or obtained during his personal appearance.

(b) Decision to deny a claim for classification in Class 1–A–0 or Class 1–0 based on all information before the board, and a finding that such information fails to meet the tests specified in...
§ 1636.10 Statement of reasons for denial.

(a) Denial of a conscientious objector claim by a board must be accompanied by a statement specifying the reason(s) for such denial as prescribed in §§1633.9, 1651.4 and 1653.3 of this chapter. The reason(s) must, in turn, be supported by evidence in the registrant’s file.

(b) If a board’s denial is based on statements by the registrant or on a determination that the claim is inconsistent or insincere, this should be fully explained in the statement of reasons accompanying the denial.

§ 1639.1 Purpose; definitions.

(a) The provisions of this part shall govern the consideration of a claim by a registrant for classification in Class 2-D (§1630.26 of this chapter).

(b) The definitions of this paragraph shall apply to the interpretation of the provisions of this part:

(1) The term ministry refers to the vocation of a duly ordained minister of religion or regular minister of religion as defined in part 1645 of this chapter.

(2) The term recognized church or religious organization refers to a church or religious organization established on the basis of a community of faith and belief, doctrines and practices of a religious character, and which engages primarily in religious activities.

(3) The term recognized theological or divinity school refers to a theological or divinity school whose graduates are acceptable for ministerial duties either as an ordained or regular minister by the church or religious organization sponsoring a registrant as a ministerial student.

(4) The term graduate program refers to a program in which the registrant's studies are officially approved by his church or religious organization for entry into service as a regular or duly ordained minister of religion.

(5) The term full-time intern applies to a program that must run simultaneous with or immediately follow the completion of the theological or divinity training and is required by a recognized church or religious organization for entry into the ministry.

(6) The term satisfactorily pursuing a full-time course of instruction means maintaining a satisfactory academic record as determined by the institution while receiving full-time instructions in a structured learning situation. A full-time course of instruction does not include instructions received pursuant to a mail order program.

§ 1639.2 The claim for Class 2-D.

A claim to classification in Class 2-D must be made by the registrant in writing, such document being placed in his file folder.

§ 1639.3 Basis for classification in Class 2-D.

(a) In Class 2-D shall be placed any registrant who is preparing for the ministry under the direction of a recognized church or religious organization; and

(1) Who is satisfactorily pursuing a full-time course of instruction required for entrance into a recognized theological or divinity school in which he has been pre-enrolled or accepted for admission; or

(2) Who is satisfactorily pursuing a full-time course of instruction in a recognized theological or divinity school; or
(3) Who, having completed theological or divinity school, is a student in a full-time graduate program or is a full-time intern, and whose studies are related to and lead toward entry into service as a regular or duly ordained minister of religion. Satisfactory progress in these studies as determined by the school in which the registrant is enrolled, must be maintained for qualification for the deferment.

(b) The registrant’s classification shall be determined on the basis of the written information in his file folder, oral statements, if made by the registrant at his personal appearance before a board, and oral statements, if made by the registrant’s witnesses at his personal appearance.

§ 1639.4 Exclusion from Class 2-D.

A registrant shall be excluded from Class 2-D when:

(a) He fails to establish that the theological or divinity school is a recognized school; or

(b) He fails to establish that the church or religious organization which is sponsoring him is so recognized; or

(c) He ceases to be a full-time student; or

(d) He fails to maintain satisfactory academic progress.

§ 1639.5 Impartiality.

Boards may not give precedence to any religious organization or school over another, and all are to be given equal consideration.

§ 1639.6 Considerations relevant to granting or denying claims for Class 2-D.

(a) The registrant’s claim for Class 2-D must include the following:

1. A statement from a church or religious organization that the registrant is preparing for the ministry under its direction; and

2. Current certification to the effect that the registrant is satisfactorily pursuing a full-time course of instruction required for entrance into a recognized theological or divinity school in which he has been pre-enrolled; or

(b) A board may require the registrant to obtain from the church, religious organization, or school detailed information in order to determine whether or not the theological or divinity school is in fact a recognized school or whether or not the church or religious organization which is sponsoring the registrant is recognized.

§ 1639.7 Types of decisions.

(a) A board may grant a classification into Class 2-D until the end of the academic school year.

(b) Upon the expiration of a 2-D classification, a board shall review any request for extension of the classification in the same manner as the first request for Class 2-D. This section does not relieve a registrant of his duties under §1621.1 of this chapter.

(c) The board may deny a claim for Class 2-D when the evidence fails to merit any of the criteria established in this section.

§ 1639.8 Statement of reason for denial.

(a) Denial of a claim for a ministerial student deferment by a board must be accompanied by a statement specifying the reason(s) for such denial as prescribed in §§1633.9, 1651.4 and 1653.3 of this chapter. The reason(s) must in turn, be supported by evidence in the registrant’s file.

(b) If a board’s denial is based on statements by the registrant or his witnesses at a personal appearance, this must be fully explained in the statement of reasons accompanying the denial.

§1642.1 Purpose; definitions.

(a) The provisions of this part govern the consideration of a claim by a registrant for classification in Class 3–A (§1630.30 of this chapter).

(b) The following definitions apply to the interpretation of the provisions of this part:

1. The term dependent shall apply to the wife, child, parent, grandparent, brother or sister of a registrant.

2. The term child includes an unborn child, a stepchild, a foster child or a legally adopted child, who is legitimate or illegitimate, but shall not include any person 18 years of age or older unless he or she is physically or mentally handicapped.

3. The term parent shall include any person who has stood in the place of a parent to the registrant for at least 5 years preceding the 18th anniversary of the registrant’s date of birth and is now supported in good faith by the registrant.

4. The term brother or sister shall include a person having one or both parents in common with the registrant, who is either under 18 years of age or is physically or mentally handicapped.

5. The term support includes but is not limited to financial assistance.

6. Hardship is the unreasonable deprivation of a dependent of the financial assistance, personal care or companionship furnished by the registrant when that deprivation would be caused by the registrant’s induction.

§1642.2 The claim for classification in Class 3–A.

A claim for classification in Class 3–A must be made by the registrant in writing. Prior to the consideration of the claim, the registrant shall submit supporting documentation, such documents being placed in his file folder.

§1642.3 Basis for classification in Class 3–A.

(a) In Class 3–A shall be placed any registrant:

1. Whose induction would result in extreme hardship to his wife when she alone is dependent upon him for support; or

2. Whose deferment is advisable because his child(ren), parent(s), grandparent(s), brother(s), or sister(s) is dependent upon him for support; or

3. Whose deferment is advisable because his wife and child(ren), parent(s), grandparent(s), brother(s), or sister(s) are dependent upon him for support.

(b) In its consideration of a claim by a registrant for classification in Class 3–A, the board will first determine whether the registrant’s wife, child(ren), parent(s), grandparent(s), brother(s), or sister(s) is dependent upon him for support. Support may be financial assistance, personal care or companionship. If financial assistance is the basis of support, the registrant’s contribution must be a substantial portion of the necessities of the dependent. Under most circumstances 40 to 50% of the cost of the necessities may be considered substantial. If that determination is affirmative, the board will determine whether the registrant’s induction would result in extreme hardship to his wife when she is the only dependent, or whether the registrant’s deferment is advisable because his child(ren), parent(s), grandparent(s), brother(s), or sister(s) is dependent upon him for support, or because his wife and his child(ren), parent(s), grandparent(s), brother(s), or sister(s) are dependent upon him for support. A deferment is advisable whenever the registrant’s induction would result in hardship to his dependents.

(c) The registrant’s classification shall be determined on the basis of the written information in his file, oral
Selective Service System

§ 1642.8 Considerations relevant to granting or denying claims for Class 3-A.

(a) The registrant’s claim for Class 3-A must include the following, with documentation, as applicable:
   (1) Registrant’s and his dependent’s marital status;
   (2) Physician’s statement concerning any dependent who is physically or mentally handicapped;
   (3) Employment status of registrant and his dependents; and
   (b) Each case must be weighed carefully and decided on its own merits.

§ 1642.7 Types of decisions.

(a) A board may grant a classification into Class 3-A for such period of time it deems appropriate but in no event the period exceed one year.
   (b) Upon the expiration of a 3-A classification a board shall review any request for an extension of the classification as if it were the first request for that classification, and the fact that the registrant was placed in Class 3-A under apparently similar circumstances will not be a factor in the decision of the board. This section does not relieve a registrant from his duties under §1621.1 of this chapter.
   (c) [Reserved]
   (d) A board shall deny a claim for Class 3-A when the evidence fails to meet the criteria established in this part.

§ 1642.8 Statement of reason for denial.

(a) Denial of a claim for Class 3-A by a board must be accompanied by a statement specifying the reason(s) for such denial as prescribed in §§1633.9, 1651.4 and 1653.3 of this chapter. The reason must in turn, be supported by evidence in the registrant’s file.
   (b) If a board’s denial is based on statements by the registrant or his witnesses at a personal appearance, this must be fully explained in the statement of reasons accompanying the denial.

PART 1645—CLASSIFICATION OF MINISTERS OF RELIGION

§ 1645.1 Purpose; definitions.

(a) The provisions of this part govern the consideration of a claim by a registrant for classification in Class 4–D (§1630.43 of this chapter).

(b) The definitions of this paragraph shall apply in the interpretation of the provisions of this part:

1. The term duly ordained minister of religion means a person:
   (i) Who has been ordained in accordance with the ceremonial rite or discipline of a church, religious sect, or organization established on the basis of a community of faith and belief, doctrines and practices of a religious character; and
   (ii) Who preaches and teaches the principles of religion of such church, sect, or organization; and
   (iii) Who administers the rites and ceremonies thereof in public worship; and
   (iv) Who, as his regular and customary vocation, preaches and teaches the principles of religious worship as embodied in the creed or principles of such church, sect, or organization.

2. The term regular minister of religion means one who has a customary vocation and teaches the principles of religion of a church, religious sect, or organization.

3. The term regular or duly ordained minister of religion does not include:
   (i) A person who irregularly or incidentally preaches and teaches the principles of religion of a church, religious sect, or organization; or
   (ii) Any person who has been duly ordained a minister in accordance with the ceremonial rite or discipline of a church, religious sect or organization, but who does not regularly, as a bona fide vocation, teach and preach the principles of religion and administer the ordinances of public worship, as embodied in the creed or principles of his church, sect, or organization.

4. The term vocation denotes one’s regular calling or full-time profession.

§ 1645.2 The claim for minister of religion classification.

A claim to classification in Class 4–D must be made by the registrant in writing, such document being placed in his file folder.

§ 1645.3 Basis for classification in Class 4–D.

In accordance with part 1630 of this chapter any registrant shall be placed in Class 4–D who is a:

(a) Duly ordained minister of religion; or

(b) Regular minister of religion.

§ 1645.4 Exclusion from Class 4–D.

A registrant is excluded from Class 4–D when his claim clearly shows that:

(a) He is not a regular minister or a duly ordained minister; or

(b) He is a duly ordained minister of religion in accordance with the ceremonial rite or discipline of a church, religious sect or organization, but who does not regularly, as his bona fide vocation, teach and preach the principles of religion and administer the ordinances of public worship, as embodied in the creed or principles of his church, sect, or organization; or

(c) He is a regular minister of religion, but does not regularly, as his bona fide vocation, teach and preach the principles of religion; or

(d) He is not recognized by the church, sect, or organization as a regular minister of religion; or
(e) He is a duly ordained minister of religion but does not administer the ordinances of public worship, as embodied in the creed of his church, sect, or organization.

§ 1645.5 Impartiality.
Boards may not give preferential treatment to one religion or sect over another and no preferential treatment will be given a duly ordained minister over a regular minister.

§ 1645.6 Considerations relevant to granting or denying a claim for Class 4-D.
(a) The board shall first determine whether the registrant is requesting classification in Class 4-D because he is a regular minister of religion or because he is a duly ordained minister of religion.
(b) If the registrant claims to be a duly ordained minister of religion, the board will:
(1) Determine whether the registrant has been ordained, in accordance with the ceremonial ritual or discipline of a church, religious sect, or organization established on the basis of a community of faith and belief, doctrines and practices of religious character, to preach and teach the doctrines of such church, sect, or organization and to administer the rites and ceremonies thereof in public worship; and
(2) Determine whether the registrant as his regular, customary, and bona fide vocation, preaches and teaches the principles of religion and administers the ordinances of public worship, as embodied in the creed or principles of the church, sect, or organization by which the registrant was ordained.
(c) If the registrant claims to be a regular minister of religion, the board will:
(1) Determine whether the registrant as his customary and regular calling or profession, preaches and teaches the principles of religion of a church, a religious sect, or organization of which he is a member, without having been formally ordained as a minister of religion; and
(2) Determine whether the registrant is recognized by such church, sect, or organization as a regular minister.
(d) If the board determines that the registrant is a regular minister of religion or duly ordained minister of religion he shall be classified in Class 4-D.

§ 1645.7 Evaluation of claim.
(a) In evaluating a claim for classification in Class 4-D, the board will not consider:
(1) The training or abilities of the registrant for duty as a minister; or
(2) The motive or sincerity of the registrant in serving as a minister.
(b) The board should be careful to ascertain the actual duties and functions of registrants seeking classification in Class 4-D, such classification being appropriate only for leaders of the various religious groups, not granted to members of such groups generally.
(c) Preaching and teaching the principles of one's sect, if performed part-time or half-time, occasionally or irregularly, are insufficient to establish eligibility for Class 4-D. These activities must be regularly performed and must comprise the registrant's regular calling or full-time profession. The mere fact of some secular employment on the part of a registrant requesting classification in Class 4-D does not in itself make him ineligible for that class.
(d) The board should request the registrant to furnish any additional information that it believes will be of assistance in the consideration of the registrant's claim for classification in Class 4-D.

§ 1645.8 Types of decisions.
(a) If the board determines that the registrant is a regular minister of religion or a duly ordained minister of religion, he shall be classified in Class 4-D.
(b) The board will deny a claim for Class 4-D when the evidence fails to meet the criteria established in this part.

§ 1645.9 Statement of reason for denial.
(a) Denial of a 4-D claim by a board must be accompanied by a statement specifying the reason(s) for such denial as prescribed in §§1633.9, 1651.4 and 1653.3 of this chapter. The reason(s)
must in turn, be supported by evidence in the registrant’s file.

(b) If the board’s denial is based on statements by the registrant or his witnesses at a personal appearance or on documentation in the registrant’s file, such basis will be fully explained in the statement of reasons accompanying the denial.

PART 1648—CLASSIFICATION BY LOCAL BOARD

Sec.
1648.1 Authority of local board.
1648.3 Opportunity for personal appearances.
1648.4 Appointment for personal appearances.
1648.5 Procedures during personal appearance before the local board.
1648.6 Registrants transferred for classification.
1648.7 Procedures upon transfer for classification.

§ 1648.1 Authority of local board.

A local board shall consider and determine all claims which it receives in accord with §1633.2 or §1648.6 of this chapter. No action shall be taken by the board in the absence of a quorum of its prescribed membership.

[52 FR 24458, July 1, 1987]

§ 1648.3 Opportunity for personal appearances.

(a) A registrant who has filed a claim for classification in Class 1–A–O or Class 1–O shall be scheduled for a personal appearance in accord with §1648.4 before his claim is considered.

(b) A registrant who has filed a claim for classification in Class 2–D, Class 3–A, or Class 4–D, shall, upon his written request, be afforded an opportunity to appear in person before the board before his claim for classification is considered.

(c) Any registrant who has filed a claim for classification in an administrative class and whose claim has been denied, shall be afforded an opportunity to appear before the board if he requests that the denial of such claim be reviewed by the board.

[47 FR 4661, Feb. 1, 1982, as amended at 52 FR 24458, July 1, 1987]

§ 1648.4 Appointment for personal appearances.

(a) Not less than 10 days (unless the registrant requests an earlier appointment) in advance of the meeting at which he may appear, the registrant shall be informed of the time and place of such meeting and that he may present evidence, including witnesses, bearing on his classification.

(b) Should the registrant who has filed a claim for classification in Class 1–A–O or Class 1–O fail to appear at his scheduled personal appearance, the board will not consider his claim for classification in Class 1–A–O or Class 1–O. The board shall consider any written explanation of such failure that has been filed within 5 days (or extension thereof granted by the board) after such failure to appear. If the board determines that the registrant’s failure to appear was for good cause it shall reschedule the registrant’s personal appearance. If the board does not receive a timely written explanation of the registrant’s failure to appear for his scheduled personal appearance or if the board determines that the registrant’s failure to appear was not for good cause, the registrant will be deemed to have abandoned his claim for Class 1–A–O or 1–O and will be notified that his claim will not be considered. The board will notify the registrant in writing of its action under this paragraph.

(c) Whenever a registrant who has filed a claim for a class other than Class 1–A–O or Class 1–O for whom a personal appearance has been scheduled, fails to appear in accord with such schedule, the board shall consider any written explanation of such failure that has been filed within 5 days (or extension thereof granted by the board) after such failure to appear. If the board determines that the registrant’s failure to appear was for good cause it shall reschedule the registrant’s personal appearance. If the board does not receive a timely written explanation of the registrant’s failure to appear for his scheduled personal appearance or if
the board determines that the registrant's failure to appear was not for good cause, the registrant will be deemed to have abandoned his request for personal appearance and the board will proceed to classify him on the basis of the material in his file. The board will notify the registrant in writing of its action under this paragraph.

[47 FR 4661, Feb. 1, 1982, as amended at 52 FR 24458, July 1, 1987]

§ 1648.5 Procedures during personal appearance before the local board.

(a) A quorum of the prescribed membership of a board shall be present during all personal appearances. Only those members of the board before whom the registrant appears shall classify him.

(b) At any such appearance, the registrant may present evidence, including witnesses; discuss his classification; direct attention to any information in his file; and present such further information as he believes will assist the board in determining his proper classification. The information furnished should be as concise as possible.

(c) The registrant may present the testimony of not more than three witnesses unless it is the judgment of the board that the testimony of additional witnesses is warranted. The registrant may summarize in writing, the oral information that he or his witnesses presented. Such summary shall be placed in the registrant's file.

(d) A summary will be made of all oral testimony given by the registrant and his witnesses at his personal appearance and such summary shall be placed in the registrant's file.

(e) If the registrant does not speak English adequately he may appear with a person to act as interpreter for him. The interpreter shall be sworn in accordance with §1605.81(b). Such interpreter will not be deemed to be a witness unless he testifies in behalf of the registrant.

(f) During the personal appearance only the registrant or his witnesses may address the board or respond to questions of the board and only the registrant and the board will be allowed to address questions to witnesses. A registrant may, however, be accompanied by an advisor of his choosing and may confer with the advisor before responding to an inquiry or statement by the board: Provided, That, those conferences do not substantially interfere with or unreasonably delay the orderly process of the personal appearance.

(g) If, in the opinion of the board, the informal, administrative nature of the personal appearance is unduly disrupted by the presence of an advisor, the board chairman may require the advisor to leave the hearing room. In such case, the board chairman shall put a statement of reasons for his action in the registrant's file.

(h) The making of verbatim transcripts, and the using of cameras or other recording devices are prohibited in proceedings before the board. This does not prevent the registrant or Selective Service from making a written summary of all testimony presented.

(i) Proceedings before the local boards shall be open to the public only upon the request of or with the permission of the registrant. The board chairman may limit the number of persons attending the hearing in order to maintain order. If during the hearing the presence of nonparticipants in the proceeding becomes disruptive, the chairman may close the hearing.

§ 1648.6 Registrants transferred for classification.

(a) Before a board of jurisdiction has undertaken the classification of a registrant, the file may, at his request, be transferred for classification to a local board nearer to his current address than is the local board of jurisdiction.

(b) The Director of Selective Service may transfer a registrant to another board for classification at any time when:

(1) A board cannot act on the registrant's claim because of disqualification under the provisions of §1605.55 of this chapter; or

(2) He deems such transfer to be necessary in order to assure equitable administration of the Selective Service Law.

§ 1648.7 Procedures upon transfer for classification.

A board to which a registrant is transferred for classification shall classify the registrant in the same manner it would classify a registrant assigned to it. When the classification has been decided by the transfer board, the file will be returned to the local board of jurisdiction in the manner prescribed by the Director.

PART 1651—CLASSIFICATION BY DISTRICT APPEAL BOARD

Sec.
1651.1 Who may appeal to a district appeal board.
1651.2 Time within which registrants may appeal.
1651.3 Procedures for taking an appeal.
1651.4 Review by district appeal board.
1651.5 File to be returned after appeal to the district appeal board is decided.

§ 1651.1 Who may appeal to a district appeal board.

(a) The Director of Selective Service may appeal from any determination of a local board when he deems it necessary to assure the fair and equitable administration of the Selective Service Law: Provided, That, no such appeal will be taken after the expiration of the appeal period prescribed in §1651.2.

(b) The registrant may appeal the classification action of the local board by filing with it a written notice of appeal. The registrant’s notice of appeal need not be in a particular form but must include the name of the registrant and his request. Any notice shall be liberally construed so as to permit the appeal.

(c) The registrant may also request an opportunity to appear in person before the district appeal board and such appeal will be considered by the board having jurisdiction over the local board which last classified him.

(d) The registrant may attach to his appeal a statement specifying the reasons he believes the classification action that he is appealing is inappropriate, directing attention to any information in his file, and setting out any information relevant to his claim.

§ 1651.2 Time within which registrants may appeal.

The registrant who wishes to appeal must file the appeal with his local board within 15 days after the date he is mailed a notice of classification action. The registrant who wishes a personal appearance before the district appeal board must file the request at the same time he files the appeal.

§ 1651.3 Procedures for taking an appeal.

(a) When the Director of Selective Service appeals to a district appeal board he shall place in the registrant’s file a written statement of his reasons for taking such appeal. When an appeal is taken by the Director, the registrant will be notified that the appeal has been taken, the reason therefor, and that the registrant may appear in person before the appeal board in accord with §1651.4(e).

(b) The registrant may appeal the classification action of the local board by filing with it a written notice of appeal. The registrant’s notice of appeal need not be in a particular form but must include the name of the registrant and his request. Any notice shall be liberally construed so as to permit the appeal.

(c) The registrant may also request an opportunity to appear in person before the district appeal board and such appeal will be considered by the board having jurisdiction over the local board which last classified him.

(d) The registrant may attach to his appeal a statement specifying the reasons he believes the classification action that he is appealing is inappropriate, directing attention to any information in his file, and setting out any information relevant to his claim.

§ 1651.4 Review by district appeal board.

(a) An appeal to the district appeal board is determined by the classification of the registrant in a class other than 1-A or by its refusal to take such action. No action shall be taken by the board in the absence of a quorum of its prescribed membership.

(b) Prior to the adjudication of an appeal, the clerk of the appeal board or any compensated employee authorized to perform the administrative duties of the board shall review the file to insure that no procedural errors have occurred during the history of the current claim. Files containing procedural errors will be returned to the local

board that classified the registrant for any additional processing necessary to correct such errors.

(c) Files containing procedural errors that were not detected during the initial screening but which subsequently surfaced during processing by the appeal board, will be acted on and the board will take such action necessary to correct the errors and process the appeal to completion.

(d) A board shall consider appeals in the order of their having been filed.

(e) Upon receipt of the registrant’s file, a board shall ascertain whether the registrant has requested a personal appearance before the board. If no such request has been made, the board may classify the registrant on the bases of the material in his file.

(f) Not less than 10 days (unless the registrant requests an earlier appointment) in advance of the meeting at which his classification will be considered, the board shall inform any registrant with respect to whom the Director of Selective Service has appealed or who has requested a personal appearance that he may appear at such meeting and present written evidence bearing on his classification.

(g) During the personal appearance, only the registrant may address the board or respond to questions of the board. The registrant will not be permitted to present witnesses at the personal appearance before the district appeal board. A registrant may, however, be accompanied by an advisor of his choosing and may confer with the advisor before responding to an inquiry or statement by the board: Provided, That, those conferences do not substantially interfere with or unreasonably delay the orderly process of the personal appearance.

(h) If, in the opinion of the board, the informal, administrative nature of the hearing is unduly disrupted by the presence of an advisor during the personal appearance, the board chairman may require the advisor to leave the hearing room. In such case, the board chairman shall put a statement of reasons for his action in the registrant’s file.

(i) Whenever a registrant who has filed a claim for whom a personal appearance has been scheduled, fails to appear in accord with such schedule, the board shall consider any written explanation of such failure that has been filed within 5 days (or an extension thereof granted by the board) after such failure to appear. If the board determines that the registrant’s failure to appear was for good cause it shall reschedule the registrant’s personal appearance. If the board does not receive a timely written explanation of the registrant’s failure to appear for his scheduled personal appearance or if the board determines that the registrant’s failure to appear was not for good cause, the registrant will be deemed to have abandoned his request for personal appearance and he will be classified on the basis of the material in his file. The board will notify the registrant in writing of its action under this paragraph.

(j) A quorum of the prescribed membership of a board shall be present during all personal appearances. Only those members of the board before whom the registrant appears shall classify him.

(k) At any personal appearance, the registrant may: Present his oral testimony; point out the class or classes in which he thinks he should have been placed; and direct attention to any information in his file. The registrant may present any additional written information he believes will assist the board in determining his proper classification. The information furnished should be as concise as possible.

(l) The registrant may summarize in writing the oral information that he presented. Such summary shall be placed in the registrant’s file.

(m) A summary will be made of oral testimony given by the registrant at his personal appearance and such summary shall be placed in the registrant’s file.

(n) A district appeal board shall classify a registrant who has requested a personal appearance after he:

(1) Has appeared before the board; or
(2) Has withdrawn his request to appear; or
(3) Has abandoned his right to an opportunity to appear; or
(4) Has failed to appear.
§ 1651.5

(o) In considering a registrant’s appeal, a board shall not receive or consider any information other than the following:

(1) Information contained in the registrant’s file; and
(2) Oral statements by the registrant during the registrant’s personal appearance; and
(3) Written evidence submitted by the registrant to the board during the registrant’s personal appearance.

(p) In the event a board classifies the registrant in a class other than that which he requested, it shall record its reasons therefor in the file.

(q) The making of verbatim transcripts, and the using of cameras or other recording devices are prohibited in proceedings before the board. This does not prevent the registrant or Selective Service from making a written summary of his testimony.

(r) Proceedings before the appeal boards shall be open to the public only upon the request of or with the permission of the registrant. The board chairman may limit the number of persons attending the hearing in order to maintain order. If during the hearing the presence of non-participants in the proceedings becomes disruptive the chairman may close the hearing.

PART 1653—APPEAL TO THE PRESIDENT

§ 1653.1 Who may appeal to the President.

(a) The Director of Selective Service may appeal to the President from any non-unanimous determination of a district appeal board when he deems it necessary to assure the fair and equitable administration of the Selective Service Law: Provided, That, no such appeal will be taken after the expiration of the appeal period prescribed in paragraph (b) of this section.

(b) When a registrant has been classified by a district appeal board and one or more members of the board dissented from that classification, he may within 15 days after a notice thereof has been mailed, appeal to the President and may request a personal appearance before the National Selective Service Appeal Board.

§ 1653.2 Procedures for taking an appeal to the President.

(a) When the Director of Selective Service appeals to the President he shall place in the registrant’s file a written statement of his reasons for taking such appeal. When an appeal is taken by the Director the registrant will be notified that the appeal has been taken, the reasons therefor, and that the registrant may appear in person before the National Board in accord with §1653.1(b).

(b) An appeal to the President by the registrant shall be taken by filing a written notice of appeal with the local board that classified him. He may at the same time file a written request to appear before the National Selective Service Appeal Board. Such notice need not be in any particular form but must state the name of the registrant and the fact that he wishes the President to review the determination.

§ 1653.3 Review by the National Appeal Board.

(a) An appeal to the President is determined by the National Appeal Board by its classification of the registrant in a class other than 1-A or by its refusal to take such action. No action shall be taken by the board in the absence of a quorum of its prescribed membership.

(b) Prior to the adjudication of an appeal, the clerk of the appeal board or any compensated employee authorized
Selective Service System § 1653.3

to perform the administrative duties of the board shall review the file to insure that no procedural errors have occurred during the history of the current claim. Files containing procedural errors will be returned to the board where the errors occurred for any additional processing necessary to correct such errors.

(c) Files containing procedural errors that were not detected during the initial screening but which subsequently surfaced during processing by the appeal board, will be acted on and the board will take such action necessary to correct the errors and process the appeal to completion.

(d) The board shall consider appeals in the order of their having been filed.

(e) Upon receipt of the registrant’s file, the board shall ascertain whether the registrant has requested a personal appearance before the board. If no such request has been made, the board may classify the registrant on the basis of the material in his file.

(f) The board shall proceed to classify any registrant who has not requested a personal appearance after the specified time in which to request a personal appearance has elapsed.

(g) Not less than 10 days in advance of the meeting at which his claim will be considered, the board shall inform any registrant with respect to whom the Director of Selective Service has appealed or who has requested a personal appearance that he may appear at such meeting and present written evidence bearing on his classification.

(h) During the personal appearance only the registrant may address the board or respond to questions of the board. The registrant will not be permitted to present witnesses at the personal appearance before the National Appeal Board. A registrant may, however, be accompanied by an advisor of his choosing and may confer with the advisor before responding to an inquiry or statement by the board: Provided, That, those conferences do not substantially interfere with or unreasonably delay the orderly process of the personal appearance.

(i) If, in the opinion of the board, the informal, administrative nature of the personal appearance is unduly disrupted by the presence of an advisor, the board chairman may require the advisor to leave the hearing room. In such a case, the board chairman shall put a statement of reasons for his action in the registrant’s file.

(j) Whenever a registrant who has filed a claim for whom a personal appearance has been scheduled fails to appear in accord with such schedule, the board shall consider any written explanation of such failure that has been filed within five days (or extension thereof granted by the board) after such failure to appear. If the board determines that the registrant’s failure to appear was for good cause it shall reschedule the registrant’s personal appearance. If the board does not receive a timely written explanation of the registrant’s failure to appear for his scheduled personal appearance or if the board determines that the registrant’s failure to appear was not for good cause, the registrant will be deemed to have abandoned his request for personal appearance and the board will proceed to classify him on the basis of the material in his file. The registrant will be notified in writing of its action under this paragraph.

(k) A quorum of the prescribed membership of a board shall be present during all personal appearances. Only those members of the board before whom the registrant appears shall classify him.

(l) At any such appearance, the registrant may: Present oral testimony; point out the class or classes in which he thinks he should have been placed; and direct attention to any information in his file. The registrant may present such further written information as he believes will assist the board in determining his proper classification. The information furnished should be as concise as possible.

(m) The registrant may summarize in writing the oral information that he presented and any such summary shall be placed in his file.

(n) A summary will be made of the oral testimony given by the registrant at his personal appearance and such summary shall be placed in the registrant’s file.

(o) The board shall classify a registrant who has requested a personal appearance after he:
§ 1653.4

(1) Has appeared before the National Board; or
(2) Has withdrawn his request to appear; or
(3) Has waived his right to an opportunity to appear; or
(4) Has failed to appear.

(p) Whenever the National Board or the panel thereof to which a case has been assigned cannot act on the case of a registrant, and there is no other panel of the National Board to which the case may be transferred, the decision of the District Appeal Board will be final.

(q) In considering a registrant’s appeal, the board shall not receive or consider any information other than the following:
   (1) Information contained in the registrant’s file; and
   (2) Oral statements by the registrant at the registrant’s personal appearance; and
   (3) Written evidence submitted by the registrant to the board during his personal appearance.

(r) In the event that the board classifies the registrant in a class other than that which he requested, it shall record its reasons therefor in his file.

(s) The making of verbatim transcripts, and the using of cameras or other recording devices are prohibited in proceedings before the board. This does not prevent the registrant or Selective Service from making a written summary of his testimony.

(t) Proceedings before the National Appeal Board are closed to the public.

§ 1653.4 File to be returned after appeal to the President is decided.

When the appeal to the President has been decided, the file shall be returned as prescribed by the Director of Selective Service.

(1) In the case of the death of a member of the registrant’s immediate family, extreme emergency involving a member of the registrant’s immediate family, serious illness or injury of the registrant, or other emergency beyond the registrant’s control. The period of postponement shall not exceed 60 days.
§ 1656.3 Responsibility for administration.

(a) The Director in the administration of the Alternative Service Program shall establish and implement appropriate procedures to:

[52 FR 8891, Mar. 20, 1987]

§ 1656.4 Alternative Service Office: jurisdiction and authority.

(a) Jurisdiction over the ASW will be transferred from the area office immediately after his classification in Class 1–W to the ASO that administers the Alternative Service Program in the area in which he is assigned to perform alternative service.

(1) Employers which are considered appropriate for Alternative Service assignments are limited to:
   (i) The U.S. Government or a state, territory or possession of the United States or a political subdivision thereof, the District of Columbia or the Commonwealth of Puerto Rico;
   (ii) Organizations, associations or corporations primarily engaged either in a charitable activity conducted for the benefit of the general public or in carrying out a program for the improvement of the public health, welfare or environment, including educational and scientific activities in support thereof, when such activity or program is not principally for the benefit of the members of such organization, association or corporation or for increasing the membership thereof.

(b) An organization desiring to employ ASWs is encouraged to submit a request in writing to the Director or an ASOM for approval. Such requests will be considered at any time.

(c) Selective Service shall negotiate employment agreements with prospective employers with the objective of obtaining an adequate number of agreements to assure the timely placement of all ASWs. Participating employers will provide prospective job listings to Selective Service.

(d) Selective Service shall also negotiate employment agreements with eligible employers wherein the employer will agree to hire a specified number of ASWs for open placement positions.

(e) A registrant classified in Class 1–O or Class 1–O–S may seek his own alternative service work by identifying a job with an employer he believes would be appropriate for Alternative Service assignments and by having the employer advise the ASO in writing that he desires to employ the ASW. The acceptability of the job and employer so identified will be evaluated in accordance with §1656.5(a).

§ 1656.6 Overseas assignments.

Alternative Service job assignments outside the United States, its territories or possessions or the Commonwealth of Puerto Rico, will be allowed when:

(a) The employer is deemed eligible to employ ASWs and is based in the United States, its territories or possessions, or the Commonwealth of Puerto Rico;

(b) The job meets the criteria listed in §1656.5(a);

(c) The ASW and the employer submit a joint application to Selective Service for the ASW to be employed in a specific job;

(d) The employer satisfies Selective Service that the employer has the capability to supervise and monitor the overseas work of the ASW; and

(e) International travel is provided without expense to Selective Service.

§ 1656.7 Employer responsibilities.

Employers participating in the Alternative Service Program are responsible for:

(a) Complying with the employment agreement with Selective Service;

(b) Providing a clear statement of duties, responsibilities, compensation and employee benefits to the ASW;

(c) Providing full-time employment for ASWs;

(d) Assuring that wages, hours and working conditions of ASWs conform with Federal, state and local laws;

(e) Providing adequate supervision of ASWs in their employ; and

(f) Providing nondiscriminatory treatment of ASWs in their employ.

§ 1656.8 Employment agreements.

(a) Nature of Agreement. Before any ASW is placed with an employer, Selective Service and the employer shall enter into an employment agreement that specifies their respective duties and responsibilities under the Alternative Service Program.

(b) Restrictions on Selective Service. The Selective Service System shall not act in any controversy involving ASW’s wages, hours and working conditions except to the extent any of these subjects is specifically covered in §1656.7, §1656.9, or the employment agreement between Selective Service and the employer.

(c) Investigating and Negotiating. Whenever there is evidence that an employer appears to be in violation of §1656.7, Selective Service will investigate the matter. If the investigation produces substantial evidence of violations of §1656.7, Selective Service will resolve the matter.

(d) Termination of Employment Agreement. If a resolution of a dispute cannot be reached by negotiation within a reasonable time, the Selective Service System shall terminate the employment agreement and shall reassign the ASW.

§ 1656.9 Alternative service worker’s responsibilities.

(a) A registrant classified in Class 1–W is required to comply with all orders issued under this part.

(b) A registrant classified in Class 1–W is liable to perform 24 months of creditable time toward completion of Alternative Service, unless released earlier by the Director.

§ 1656.10 Job placement.

(a) Selective Service will maintain a job bank for the exclusive purpose of placing ASWs in alternative service jobs.

(b) An ASW who has identified his own job in accordance with §1656.5(e) of this part may be assigned by the ASO in that job pending review of the job by Selective Service. If the job is not approved he will not receive creditable time and will be placed by Selective Service in a position approved for Alternative Service Work. Selective Service must review the job within 30 calendar days of the time it assigned the ASW to begin work. If the elapsed time from date of placement to the date of Selective Service review exceeds 30 days, the ASW will receive creditable time from the date of placement regardless of the final determination of employer eligibility made by Selective Service. If the placement is
ultimately determined to be inappropriate for Alternative Service the ASW will be reassigned in accordance with §1656.12.

(c) In making job interview referrals and in making assignments of ASWs to jobs, Selective Service will consider the compatibility of the ASW’s skills, work experience, and preferences with the qualification criteria for the job.

(d) When an ASW is hired, the ASO will issue a Job Placement Order specifying the employer, the time, date and place to report for his alternative service work.

(e) The ASO will normally place the ASW in an alternative service job within 30 calendar days after classification in Class 1-W.

§1656.11 Job performance standards and sanctions.

(a) Standards of Performance. An ASW is responsible for adhering to the standards of conduct, attitude, appearance and performance demanded by the employer of his other employees in similar jobs. If there are no other employees, the standards shall conform to those that are reasonable and customary in a similar job.

(b) Failure to Perform. An ASW will be deemed to have failed to perform satisfactorily whenever:

(1) He refuses to comply with an order of the Director issued under this part;

(2) He refuses employment by an approved employer who agrees to hire him;

(3) His employer terminates the ASW’s employment because his conduct, attitude, appearance or performance violates reasonable employer standards; or

(4) He quits or leaves his job without reasonable justification, and has not submitted an appeal of his job assignment to the Civil Review Board.

(c) Sanctions for ASW’s Failure to Perform. (1) The sanctions for failure to meet his Alternative Service obligation are job reassignment, loss of creditable time during such period and referral to the Department of Justice for failure to comply with the Military Selective Service Act.

(2) Prior to invoking any of the sanctions discussed herein, the ASO will conduct a review as prescribed in §1656.17 of all allegations that an ASW has failed to perform pursuant to any of the provisions of §1656.11(b).

§1656.12 Job reassignment.

(a) Grounds for Reassignment. The Director may reassign an ASW whenever the Director determines that:

(1) The job assignment violates the ASW’s religious, moral or ethical beliefs or convictions as to participation in a war that led to his classification as a conscientious objector or violates §1656.5(a) of this part.

(2) An ASW experiences a change in his mental or physical condition which renders him unfit or unable to continue performing satisfactorily in his assigned job;

(3) An ASW’s dependents incur a hardship which is not so severe as to justify a suspension of the Order to Perform Alternative Service under §1656.15;

(4) The ASW’s employer ceases to operate an approved program or activity;

(5) The ASW’s employer fails to comply with terms and conditions of these regulations or:

(6) Continual and severe differences between the ASW’s employer and ASW remain unresolved.

(7) The sanctions authorized in §1656.11 should be applied.

(b) Who May Request Reassignment. Any ASW may request reassignment to another job. An employer may request job reassignment of an ASW who is in his employ.

(c) Method for Obtaining a Reassignment. All requests for reassignment must be in writing with the reasons specified. The request may be filed with the ASO of jurisdiction at any time during an ASW’s alternative service employment. An ASW must continue in his assigned job, if available, until the request for assignment is approved.

§1656.13 Review of alternative service job assignments.

(a) Review of ASW job assignments will be accomplished in accordance with the provisions of this subsection.
§ 1656.14

(b) Whenever the ASW believes that his job assignment violates his religious, moral or ethical beliefs or convictions as to participation in war that led to his classification as a conscientious objector or is in violation of the provisions of this part he may request a reassignment from the ASOM, as provided for in §1656.12.

(c) The ASOM shall reassign the ASW if the ASOM concludes that the ASW's work assignment violates his religious, moral or ethical beliefs or convictions as to participation in war which led to his classification as a CO or is in violation of the provisions of this part.

(d) If the ASOM does not reassign the ASW, the ASW may, within 15 days after the date of mailing of the decision of the ASOM, request a review of his job assignment by a Civilian Review Board.

(e) The Director shall establish a Civilian Review Board for each ASO in whose area ASW's are working. The Civilian Review Board shall consist of not less than three members who will serve without compensation. The Director may establish panels. No person will be appointed to a Civilian Review Board who would be ineligible for appointment to a District Appeal Board. A member of a Civilian Review Board would be disqualified in any case that a member of a District Appeal Board would be disqualified under the provisions of §1656.25(a), (b) of this chapter. Each Board, or panel thereof, shall elect a chairman and a vice-chairman at least every two years. A majority of the members present at any meeting shall constitute a quorum for the transaction of business. A majority of the members present at any meeting at which a quorum is present shall decide any question. Every member, unless disqualified, shall vote on every question. In case of a tie vote on a question, the Board shall postpone action until the next meeting. If the question remains unresolved at the next meeting, the Director will transfer the case to another board. If, through death, resignation, or other causes, the membership of the Board falls below the prescribed number of members, the Board or panel shall continue to function, provided a quorum of the prescribed membership is present at each official meeting.

(f) It shall be the function of the Civilian Review Board to determine whether or not an ASW's job assignment violates the ASW's religious, moral, or ethical beliefs of convictions as to participation in war which led to his classification as a conscientious objector or is in violation of the provisions §1656.5(a) of this part. In making the former determination, the Review Board must be convinced by the ASW that if the ASW performed the job, his convictions as to participation in war would be violated in a similar way as if the ASW had participated in war.

(g) The Civilian Review Board may affirm the assignment or order the reassignment of the ASW in any matter considered by it.

(h) Procedures of the Civilian Review Board are:

1. Appeals to the Board shall be in writing, stating as clearly as possible the ground for the appeal.

2. The ASW may appear before the Board at his request. He may not be represented by counsel or present witnesses. The ASOM or his representative may represent the Selective Service System at the hearing and present evidence.

3. The Board's determination will be based on all documents in the ASW's file folder and statements made at the hearing.

4. The decision of the Board will be binding only in the case before it. A decision of a Board will not be relied upon by a Board in any other case.

5. A decision of the Board is not subject to review within the Selective Service System.

§ 1656.14 Postponement of reporting date.

(a) General. The reporting date in any of the following orders may be postponed in accord with this section.

1. Report for Job Placement;

2. Report for a Job Interview; or

(b) Requests for Postponement. A request for postponement of a reporting date specified in an order listed in paragraph (a) must be made in writing and filed prior to the reporting date
with the office which issued the order. Such requests must include a statement of the nature of the emergency and the expected period of its duration.

(c) **Grounds for Postponement.** An ASW may, upon presentation of the appropriate facts in his request, be granted a postponement based on one or more of the following conditions:

1. The death of a member of his immediate family;
2. An extreme emergency involving a member of his immediate family;
3. His serious illness or injury; or
4. An emergency condition directly affecting him which is beyond his control.

(d) **Basis for Considering Request.** The ASW’s eligibility for a postponement shall be determined by the office of jurisdiction based upon official documents and other written information contained in his file. Oral statements made by the ASW or made by another person in support of the ASW shall be reduced to writing and placed in the ASW’s file.

(e) **Duration of Postponement.** The initial postponement shall not exceed 60 days from the reporting date in the order. When necessary, the Director may grant one further postponement, but the total postponement period shall not exceed 90 days from the reporting date in the order involved.

(f) **Termination of Postponement.** (1) A postponement may be terminated by the Director for cause upon no less than ten days written notice to the ASW.

2. Any postponement shall be terminated when the basis for the postponement has ceased to exist.

3. It is the responsibility of the ASW promptly to notify in writing the office that granted the postponement whenever the basis for which his postponement was granted ceases to exist.

(g) **Effect of Postponement.** A postponement of the reporting date in an order shall not render the order invalid, but shall only serve to postpone the date on which the ASW is to report. The ASW shall report at the expiration or termination of the postponement.

(h) **Religious Holiday.** The Director may authorize a delay of reporting under any of the orders specified for an ASW whose date to report conflicts with a religious holiday historically observed by a recognized church, religious sect or religious organization of which he is a member. Any ASW so delayed shall report on the next business day following the religious holiday.

§ 1656.15 **Suspension of order to perform alternative service because of hardship to dependents.**

(a) Whenever, after an ASW has begun work, a condition develops that results in hardship to his dependent as contemplated by §1630.30(a) of this chapter which cannot be alleviated by his reassignment under §1656.12(a)(3) of this part, the ASW may request a suspension of Order to Perform Alternative Service. If the local board that ordered the ASW to report for Alternative Service determines he would be entitled to classification in Class 3-A, assuming that the ASW were eligible to file a claim for that class, further compliance with his order shall be suspended for a period not to exceed 365 days, as the local board specifies. Extensions of not more than 365 days each may be granted by the local board so long as the hardship continues until the ASW’s liability for training and service under the Military Selective Service Act terminates.

(b) An ASW may file a request for the suspension of his Order to Perform Alternative Service with the ASO. This request must be in writing, state as clearly as possible the basis for the request, and be signed and dated by the ASW. The ASW must continue working in his assigned job until his request for the suspension of his Order to Perform Alternative Service has been approved.

(c) Local boards shall follow the procedures established in parts 1642 and 1648 of this chapter to the extent they are applicable in considering a request for the suspension of an Order to Perform Alternative Service.

§ 1656.16 **Early release—grounds and procedures.**

(a) **General Rule of Service Completion.** An ASW will not be released from alternative service prior to completion of 24 months of creditable service unless granted an early release.
§ 1656.17 - Responsibilities of ASO.

(b) Reasons For Early Release. The Director may authorize the early release of an ASW whenever the ASO determines that the ASW:

(1) Has failed to meet the performance standards of available alternative service employment because of physical, mental or moral reasons;
(2) No longer meets the physical, mental or moral standards that are required for retention in the Armed Forces based on a physical or mental examination at a MEPS or other location designated by Selective Service;
(3) Is planning to return to school and has been accepted by such school and scheduled to enter within 30 days prior to the scheduled completion of his alternative service obligation;
(4) Has been accepted for employment and that such employment will not be available if he remains in alternative service the full 24 months. Such early release shall not occur more than 30 days before the scheduled completion of his alternative service obligation; or
(5) Has enlisted in or has been inducted into the Armed Forces of the United States.

(c) Reclassification and Records. Upon granting an early release to an ASW, the Director will reclassify the ASW and transfer his records in accordance with §1656.19 of this part.

§ 1656.17 Administrative complaint process.

(a) Whenever the ASOM learns that the ASW may have failed to perform satisfactorily his work (see §1656.11(b)) or he receives a complaint by an employer or an ASW involving the ASW's work other than matters described in §1656.8(b) of this part, he shall take necessary action to:

(1) Interview, as appropriate, all parties concerned to obtain information relevant to the problems or complaints;
(2) Place a written summary of each interview in the ASW's file and employer's file;
(3) Inform the persons interviewed that they may prepare and submit to him within ten days after the interview their personal written statements concerning the problem;
(4) Place such statements in the ASW's file; and
(5) Resolve the matter.

(b) The employer or ASW may seek a review of the decision pursuant to §1656.17(a)(5). Such request must be filed in writing with the ASO, for action by the State Director of Selective Service, within ten days after the date of the notice of the decision is transmitted to the ASW and employer.

§ 1656.18 Computation of creditable time.

(a) Creditable time starts when the ASW begins work pursuant to an Order to Perform Alternative Service or 30 days after the issuance of such order, whichever occurs first. Creditable time will accumulate except for periods of:

(1) Work of less than 35 hours a week or an employer's full-time work week whichever is greater;
(2) Leaves of absence in a calendar year of more than 5 days in the aggregate granted by the employer to the ASW to attend to his personal affairs unless such absence is approved by the ASOM;
(3) Time during which an ASW fails or neglects to perform satisfactorily his assigned Alternative Service;
(4) Time during which the ASOM determines that work of the ASW is unsatisfactory because of his failure to comply with reasonable requirements of his employer;
(5) Time during which the ASW is not employed in an approved job because of his own fault; or
(6) Time during which the ASW is in a postponement period or his Order to Perform Alternative Service has been suspended.

(b) Creditable time will be awarded for periods of travel, job placement and job interviews performed under orders issued by Selective Service. Creditable time may be awarded for normal employer leave periods.

(c) Creditable time will be awarded to an ASW for the time lost after he leaves his job assignment following his request for reassignment on the basis of §1656.13(b) of this part until he is re-assigned pursuant to §1656.13 (c) or (g) of this part. Creditable time for the corresponding period will be lost if neither the ASOM nor the Civilian Review
Selective Service System

§ 1657.2 Board orders the ASW’s reassignment on the basis of §1656.12(a)(1) of this part.

§ 1656.19 Completion of alternative service.

Upon completion of 24 months of creditable time served in alternative service or when released early in accordance with §1656.16(b) (3) or (4):

(a) The ASW shall be released from the Alternative Service Program; and

(b) The Director shall issue to the ASW a Certificate of Completion and the registrant shall be reclassified in Class 4–W in accordance with §1630.47 of this chapter, and

(c) The ASW’s records shall be returned to the area office of jurisdiction after the ASW has completed his obligation or has been separated from the Alternative Service Program for any reason.

§ 1656.20 Expenses for emergency medical care.

(a) Claims for payment of actual and reasonable expenses for emergency medical care, including hospitalization, of ASWs who suffer illness or injury, and the transportation and burial of the remains of ASWs who suffer death as a direct result of such illness or injury will be paid in accordance with the provisions of this section.

(b) The term “emergency medical care, including hospitalization”, as used in this section, means such medical care or hospitalization that normally must be rendered promptly after occurrence of the illness or injury necessitating such treatment. Discharge by a physician or facility subsequent to such medical care or hospitalization shall terminate the period of emergency.

(c) Claims will be considered only for expenses:

(1) For which only the ASW is liable and for which there is no legal liability for his reimbursement except in accord with the provisions of this section; and

(2) That are incurred as a result of illness or injury that occurs while the ASW is acting in accord with orders of Selective Service to engage in travel or perform work for his Alternative Service employer.

(d) No claim shall be allowed in any case in which the Director determines that the injury, illness, or death occurred because of the negligence or misconduct of the ASW.

(e) No claim shall be paid unless it is presented to the Director within one year after the date on which the expense was incurred.

(f) Cost of emergency medical care including hospitalization greater than usual and customary fees for service established by the Social Security Administration, will prima facie be considered unreasonable. Payment for burial expenses shall not exceed the maximum that the Administrator of Veterans’ Affairs may pay under the provisions of 38 U.S.C. 902(a) in any one case.

(g) Payment of claims when allowed shall be made only directly to the ASW or his estate unless written authorization of the ASW or the personal representative of his estate has been received to pay another person.

PART 1657—OVERSEAS REGISTRANT PROCESSING

§ 1657.1 Purpose; definition.

(a) The provisions of this part apply to the processing of overseas registrants, and, where applicable, they supersede inconsistent provisions in this chapter.

(b) An overseas registrant is a registrant whose bona fide current address most recently provided by him to the Selective Service System is outside the United States, its territories or possessions, Commonwealth of Puerto Rico, Canada and Mexico.

§ 1657.2 Local boards.

The Director shall establish local boards with jurisdiction to determine claims of overseas registrants. Such
§ 1657.3 District appeal boards.

The Director shall establish district appeal boards with jurisdiction to determine appeals of claims of overseas registrants. Such boards shall consist of three or more members appointed by the President. The Director shall prescribe the geographic jurisdiction of each board.

§ 1657.4 Consideration of claims.

An overseas registrant’s claim shall be determined by a local board (or its supporting area office) or appeal board as may be established in accord with this part or, upon the request of the registrant filed no later than the filing of his claim for reclassification, by the board having geographic jurisdiction over his permanent address within the United States last reported by him to the Selective Service System prior to issuance of his induction order.

§ 1657.5 Place of induction.

The Director may order an overseas registrant to any place in the world for induction.

§ 1657.6 Transportation.

(a) The Director shall furnish transportation for an overseas registrant from the place at which the registrant’s order to report for induction was sent to the place he is required to report for induction. If such registrant is not inducted, the Director shall furnish him transportation from the place he reported for induction to the place to which his order to report for induction was sent.

(b) In the event the personal appearance before a local board or appeal board of an overseas registrant is required or permitted by regulation, travel expenses incurred in personally appearing before the board shall be at the registrant’s own expense.

PART 1659—EXTRAORDINARY EXPENSES OF REGISTRANTS

§ 1659.1 Claims.

(a) Claims for payment of actual and reasonable expenses of:

(1) Emergency medical care, including hospitalization of registrants who suffer illness or injury; and

(2) The transportation and burial of the remains of registrants who suffer death while acting under orders issued by or under the authority of the Director of Selective Service will be paid in accordance with the provisions of this section.

(b) Claims for payment of expenses incurred for the purposes set forth in paragraph (a) of this section shall be presented to the Director of Selective Service.

(c)(1) The term emergency medical care, including hospitalization, as used in this section, shall be construed to mean such medical care or hospitalization that normally must be rendered promptly after an occurrence of illness or injury. Discharge by a physician or facility subsequent to such medical care or hospitalization shall be justification to terminate the period of emergency.

(2) The death of a registrant shall be deemed to have occurred while acting under orders issued by or under the authority of the Director of Selective Service if it results directly from an illness or injury suffered by the registrant while so acting and occurs prior to the completion of an emergency medical care, including hospitalization, occasioned by such illness or injury.

(d) No such claim shall be paid unless it is presented within the period of one year from the date on which the expenses were incurred.

(e) No such claim shall be allowed in case it is determined that the cause of injury, illness, or death was due to negligence or misconduct of the registrant.

(f) Burial expenses shall not exceed the maximum prescribed in Section 11
Selective Service System

§ 1662.6

of the Military Selective Service Act in any one case.

(g) Payment of such claims when allowed shall be made only:

(1) Directly to the person or facility with which the expenses were incurred; or

(2) By reimbursement to the registrant, a relative of the registrant, or the legal representative of the registrant’s estate, for original payment of such expenses.

PART 1662—FREEDOM OF INFORMATION ACT (FOIA) PROCEDURES

Sec. 1662.1 Applicability of this part.

1662.2 Procedure for requesting information.

1662.3 Identification of information requested.

1662.4 Consideration of requests for information.

1662.5 Inspection, copying, and obtaining copies.

1662.6 Fee schedule; waiver of fees.

AUTHORITY: 5 U.S.C. 552, as amended.

SOURCE: 47 FR 7223, Feb. 18, 1982, unless otherwise noted.

§ 1662.1 Applicability of this part.

The provisions of this part prescribe the procedures for requests for information under 5 U.S.C. 552, as amended (Freedom of Information Act).

§ 1662.2 Procedure for requesting information.

Requests for information under the Freedom of Information Act (FOIA) shall be in writing and should be addressed to the Director, Selective Service System, ATTN: Records Manager, Washington, DC 20435.

§ 1662.3 Identification of information requested.

Any person who requests information under FOIA shall provide a reasonably specific description of the information sought so that it may be located without undue search. If the description is not sufficient, the records manager will notify the requester and, to the extent possible, indicate the additional information required. Every reasonable effort shall be made to assist a requester in the identification and location of the record or records sought.

§ 1662.4 Consideration of requests for information.

(a) Upon receipt of any request for information or records, the records manager will determine within 10 days (excluding Saturdays, Sundays, and legal federal holidays) whether it is appropriate to grant the request and will immediately provide written notification to the person making the request. If the request is denied, the written notification to the person making the request will include the reasons therefor and a notice that an appeal may be lodged with the Director of Selective Service.

(b) Appeals shall be in writing and addressed to the Director of Selective Service at the address specified in § 1662.2 of this part. The appeal shall include a statement explaining the basis for the appeal. Determinations of appeals will be in writing and signed by the Director, or his designee, within 20 days (excluding Saturdays, Sundays, and legal federal holidays). If, on appeal, the denial is in whole or in part upheld, the written determination will include the reasons therefor and also contain a notification of the provisions for judicial review.

§ 1662.5 Inspection, copying, and obtaining copies.

When a request for information has been approved in accord with §1662.4, the person making the request may make an appointment to inspect or copy the materials requested during regular business hours by writing or telephoning the records manager at the address listed in §1662.2. Such materials may be copied manually without charge, and reasonable facilities will be made available for that purpose. Also, copies of individual pages of such materials will be made available as specified in §1662.6; however, the right is reserved to limit to a reasonable quantity the copies of such materials which may be made available in this manner.

§ 1662.6 Fee schedule; waiver of fees.

(a) Definitions. For the purposes of this section:

VerDate Aug<1,>2002 08:21 Aug 12, 2002 Jkt 197122 PO 00000 Frm 00365 Fmt 8010 Sfmt 8010 Y:\SGML\197122T.XXX pfrm15 PsN: 197122T
§ 1662.6  32 CFR Ch. XVI (7–1–02 Edition)

(1) Direct costs mean those expenditures which the Selective Service System (SSS) actually incurs in searching for and duplicating (and in the case of commercial requesters, reviewing) documents to respond to a FOIA request. Direct costs include, for example, the salary of the employee performing work (the basic rate of pay for the employee plus 16 percent of the rate to cover benefits) and the cost of operating duplicating machinery. Not included in direct costs are overhead expenses such as costs of space, and heating or lighting the facility in which the records are stored.

(2) The term search includes all time spent looking for material that is responsive to a request, including page-by-page or line-by-line identification of material within documents. Search should be distinguished from review of material in order to determine whether the material is exempt from disclosure (see paragraph (a)(4) of this section). Searches may be done manually or by computer using existing programming.

(3) Duplication refers to the process of making a copy of a document necessary to respond to an FOIA request. Such copies may take the form of paper copy, microform, audio-visual materials, or machine readable documentation (e.g., magnetic tape or disk), among others.

(4) Review refers to the process of examining documents located in response to a commercial use request to determine whether any portion of any document located is permitted to be withheld. It also includes processing any documents for disclosure, e.g., doing all that is necessary to excise them and otherwise to prepare them for release. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(5) The term 'commercial use' request refers to a request from or on behalf of one who seeks information for the use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a request properly belongs in this category the agency must determine the use to which a requester will put the documents requested. Moreover where there is reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the agency may seek additional clarification before assigning the request to a specific category.

(6) The term educational institution refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(7) The term non-commercial scientific institution refers to an institution that is not operated on a commercial basis as that term is referenced in paragraph (a)(5) of this section, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(8) The term representative of the news media refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public. The term news means information that is about current events or that would be of current interest to the public. Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals (but only in those instances when they can qualify as disseminators of news) who make their products available for purchase or subscription by the general public. These examples are not intended to be all-inclusive. Moreover, as traditional methods of news delivery evolve (e.g., electronic dissemination of newspapers through telecommunications services), such alternative media would be included in this category. In the case of freelance journalists, they may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it. A publication contract would be the clearest proof, but the agency may also look to the past publication record of a requester in making this determination.
(b) Fees to be charged—categories of requesters. There are four categories of FOIA requesters: Commercial use requesters; education and non-commercial scientific institutions; representatives of the news media; and other requesters. The FOI Reform Act prescribes specific levels of fees for each of these categories:

(1) Commercial use requesters. A request for documents for commercial use will be assessed charges which recover the full direct costs of searching for, reviewing for release, and duplicating the records sought. Requesters must reasonably describe the record sought. Commercial use requesters are not entitled to two hours of free search time nor 100 free pages of reproduction of documents. The cost of searching for and reviewing records will be recovered even if there is ultimately no disclosure of records (see paragraph (c)(5) of this section).

(2) Educational and non-commercial scientific institution requesters. Documents to requesters in this category will be provided for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must show that the request is being made as authorized by and under the auspices of a qualifying institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly (if the request is from an educational institution) or scientific (if the request is from a non-commercial scientific institution) research. Requesters must reasonably describe the records sought.

(3) Requesters who are representatives of the news media. Documents will be provided to requesters in this category for the cost of reproduction alone, excluding charges for the first 100 pages. To be eligible for inclusion in this category, a requester must meet the criteria in paragraph (a)(8) of this section, and his or her request must not be made for a commercial use. A request for records supporting the news dissemination function of the requester shall not be considered to be a request that is for a commercial use. Requesters must reasonably describe the records sought.

(4) All other requesters. The agency will charge requesters who do not fit into any of the categories above fees which recover the full reasonable direct cost of searching for and reproducing records that are responsive to the request, except that the first 100 pages of reproduction and the first two hours of search time shall be furnished without charge. Moreover, requests from record subjects for records about themselves filed in the agency’s systems of records will continue to be treated under the fee provisions of the Privacy Act of 1974 which permit fees only for reproduction.

(c) Assessment and collection of fees—

(1) Aggregated requests. If the Records Manager reasonably believes that a requester or group of requesters is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the Records Manager may aggregate any such requests accordingly.

(2) Payment procedures—(i) Fee payment. The Records Manager may assume that a person requesting records pursuant to this part will pay the applicable fees, unless a request includes a limitation on fees to be paid or seeks a waiver or reduction of fees pursuant to paragraph (c)(4) of this section. Unless applicable fees are paid, the agency may use the authorities of the Debt Collection Act (Pub. L. 97–365), including disclosure to consumer reporting agencies and use of collection agencies, where appropriate, to encourage payment.

(ii) Advance payment. (A) The Records Manager may require advance payment of any fee estimated to exceed $250. The Records Manager may also require full payment in advance where a requester has previously failed to pay fees in a timely fashion.

(B) If the Records Manager estimates that the fees will likely exceed $25, he will notify the requester of the estimated amount of fees, unless the requester has indicated in advance his willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the object of reformulating the request to meet his or her needs at a lower cost.
§ 1662.6

(3) Late charges. The Records Manager may assess interest charges when fee payment is not made within 30 days of the date on which the billing was sent. Interest will be at the rate prescribed in section 3717 of title 31 U.S.C.A.

(4) Waiver or reduction of fees—(i) Standards for determining waiver or reduction. The Records Manager shall grant a waiver or reduction of fees chargeable under this section where it is determined that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the Selective Service System and is not primarily in the commercial interest of the requester. The Records Manager shall also waive fees that are less than the average cost of collecting fees. In determining whether disclosure is in the public interest, the following factors may be considered:

(A) The relation of the records to the operations or activities of the System;
(B) The information value of the information to be disclosed;
(C) Any contribution to an understanding of the subject by the general public likely to result from disclosure;
(D) The significance of that contribution to the public understanding of the subject;
(E) The nature of the requester’s personal interest, if any, in the disclosure requested; and
(F) Whether the disclosure would be primarily in the requester’s commercial interest.

(ii) Contents of request for waiver. The Records Manager will normally deny a request for a waiver of fees that does not include:

(A) A clear statement of the requester’s interest in the requested documents;
(B) The use proposed for the documents and whether the requester will derive income or other benefit from such use;
(C) A statement of how the public will benefit from such use and from the release of the requested documents; and
(D) If specialized use of the documents or information is contemplated, a statement of the requester’s qualifications that are relevant to the specialized use.

(iii) Burden of proof. In all cases the burden shall be on the requester to present evidence or information in support of a request for a waiver of fees.

(5) Fees for nonproductive search. Fees for record searches and review may be charged even if not responsive documents are located or if the request is denied, particularly if the requester insists upon a search after being informed that it is likely to be nonproductive or that any records found are likely to be exempt from disclosure. The Records Manager shall apply the standards set out in paragraph (c)(4) of this section in determining whether to waive or reduce fees.

§ 1665.2 Requests for access.

(a) Requirement for written requests. Individuals desiring to gain access to a record pertaining to them in a system of records maintained by SSS must submit their request in writing in accord with the procedures set forth in paragraph (b) below.

(b) Procedures—(1) Content of the request. (i) The request for access to a record in a system of records shall be addressed to the records manager, at the address cited above, and shall name the system of records or contain a description of such system of records. The request should state that the request is pursuant to the Privacy Act of 1974. In the absence of specifying solely the Privacy Act of 1974 and, if the request may be processed under both the Freedom of Information Act and the Privacy Act and the request specifies both or neither act, the procedures under the Privacy Act of 1974 will be

Federal Register, in accord with section 5 U.S.C. 552a(f).

(b) At a minimum, the request should also contain sufficient information to identify the requester in order to allow SSS to determine if there is a record pertaining to that individual in a particular system of records. In instances when the information is insufficient to insure that disclosure will be to the individual to whom the information pertains, in view of the sensitivity of the information, SSS reserves the right to ask the requester for additional identifying information.

(c) Ordinarily the requester will be informed whether the named system of records contains a record pertaining to the requester within 10 days of receipt of such a request (excluding Saturdays, Sundays, and legal federal holidays). Such a response will also contain or reference the procedures which must be followed by the individual making the request in order to gain access to the record.

(d) Whenever a response cannot be made within the 10 days, the records manager will inform the requester of the reason for the delay and the date by which a response may be anticipated.

§ 1665.2 Requests for access.

(a) Requirement for written requests. Individuals desiring to gain access to a record pertaining to them in a system of records maintained by SSS must submit their request in writing in accord with the procedures set forth in paragraph (b) below.

(b) Procedures—(1) Content of the request. (i) The request for access to a record in a system of records shall be addressed to the records manager, at the address cited above, and shall name the system of records or contain a description of such system of records. The request should state that the request is pursuant to the Privacy Act of 1974. In the absence of specifying solely the Privacy Act of 1974 and, if the request may be processed under both the Freedom of Information Act and the Privacy Act and the request specifies both or neither act, the procedures under the Privacy Act of 1974 will be
§ 1665.2

employed. The individual will be advised that the procedures of the Privacy Act will be utilized, of the existence and the general effect of the Freedom of Information Act, and the difference between procedures under the two acts (e.g., fees, time limits, access). The request should contain necessary information to verify the identity of the requester (see §1665.2(b)(2)(vi)). In addition, the requester should include any other information which may assist in the rapid identification of the record for which access is being requested (e.g., maiden name, dates of employment, etc.) as well as any other identifying information contained in and required by SSS Notice of Systems of Records.

(ii) If the request for access follows a prior request under §1665.1, the same identifying information need not be included in the request for access if a reference is made to that prior correspondence, or a copy of the SSS response to that request is attached.

(iii) If the individual specifically desires a copy of the record, the request should so specify.

(2) SSS action on request. A request for access will ordinarily be answered within 10 days, except when the records manager determines that access cannot be afforded in that time, in which case the requester will be informed of the reason for the delay and an estimated date by which the request will be answered. Normally access will be granted within 30 days from the date the request was received by the Selective Service System. At a minimum, the answer to the request for access shall include the following:

(i) A statement that there is a record as requested or a statement that there is not a record in the system of records maintained by SSS;

(ii) A statement as to whether access will be granted only by providing copy of the record through the mail; or the address of the location and the date and time at which the record may be examined. In the event the requester is unable to meet the specified date and time, alternative arrangements may be made with the official specified in §1665.2(b)(1);

(iii) A statement, when appropriate, that examination in person will be the sole means of granting access only when the records manager has determined that it would not unduly impede the requester’s right of access;

(iv) The amount of fees charged, if any (see §1665.6) (Fees are applicable only to requests for copies);

(v) The name, title, and telephone number of the SSS official having operational control over the record; and

(vi) The documentation required by SSS to verify the identity of the requester. At a minimum, SSS’s verification standards include the following:

(A) Current or former SSS employees. Current or former SSS employees requesting access to a record pertaining to them in a system of records maintained by SSS may, in addition to the other requirements of this section, and at the sole discretion of the official having operational control over the record, have his or her identity verified by visual observation. If the current or former SSS employee cannot be so identified by the official having operational control over the records, identification documentation will be required. Employee identification cards, annuitant identification, drivers licenses, or the employee copy of any official personnel document in the record are examples of acceptable identification validation.

(B) Other than current or former SSS employees. Individuals other than current or former SSS employees requesting access to a record pertaining to them in a system of records maintained by SSS must produce identification documentation of the type described herein, prior to being granted access. The extent of the identification documentation required will depend on the type of record to be accessed. In most cases, identification verification will be accomplished by the presentation of two forms of identification. Any additional requirements are specified in the system notices published pursuant to 5 U.S.C. 552a(e)(4).

(C) Access granted by mail. For records to be accessed by mail, the records manager shall, to the extent possible, establish identity by a comparison of signatures in situations where the data in the record is not so sensitive that unauthorized access

§ 1665.3 Access to the accounting of disclosures from records.

Rules governing the granting of access to the accounting of disclosure are the same as those for granting accesses.
§ 1665.4 Requests to amend records.

(a) Requirement for written requests. Individuals desiring to amend a record that pertains to them in a system of records maintained by SSS must submit their request in writing in accord with the procedures set forth herein. Records not subject to the Privacy Act of 1974 will not be amended in accord with these provisions. However, individuals who believe that such records are inaccurate may bring this to the attention of SSS.

(b) Procedures. (1)(i) The requests to amend a record in a system of records shall be addressed to the records manager. Included in the request shall be the name of the system and a brief description of the record proposed for amendment. In the event the request to amend the record is the result of the individual’s having gained access to the record in accordance with the provisions concerning access to records as set forth above, copies of previous correspondence between the requester and SSS will serve in lieu of a separate description of the record.

(ii) When the individual’s identity has been previously verified pursuant to §1665.2(b)(2)(vi), further verification of identity is not required as long as the communication does not suggest that a need for verification is present. If the individual’s identity has not been previously verified, SSS may require identification validation as described in §1665.2(b)(2)(vi). Individuals desiring assistance in the preparation of a request to amend a record should contact the records manager at the address cited above.

(iii) The exact portion of the record the individual seeks to have amended should be clearly indicated. If possible, the proposed alternative language should also be set forth, or at a minimum, the facts which the individual believes are not accurate, relevant, timely, or complete should be set forth with such particularity as to permit SSS not only to understand the individual’s basis for the request, but also to make an appropriate amendment to the record.

(iv) The request must also set forth the reasons why the individual believes his record is not accurate, relevant, timely, or complete. In order to avoid the retention by SSS of personal information merely to permit verification of records, the burden of persuading SSS to amend a record will be upon the individual. The individual must furnish sufficient facts to persuade the official in charge of the system of the inaccuracy, irrelevancy, timeliness or incompleteness of the record.

(v) Incomplete or inaccurate requests will not be rejected categorically. The individual will be asked to clarify the request as needed.

(2) SSS action on the request. To the extent possible, a decision, upon a request to amend a record will be made within 10 days, (excluding Saturdays, Sundays, and legal Federal holidays). The response reflecting the decisions upon a request for amendment will include the following:

(i) The decision of the Selective Service System whether to grant in whole, or deny any part of the request to amend the record.

(ii) The reasons for determination for any portion of the request which is denied.

(iii) The name and address of the official with whom an appeal of the denial may be lodged.

(iv) The name and address of the official designated to assist, as necessary and upon request of, the individual making the request in preparation of the appeal.

(v) A description of the review of the appeal with SSS (see §1665.5).

(vi) A description of any other procedures which may be required of the individual in order to process the appeal.

(3) If the nature of the request for the correction of the system of records precludes a decision within 10 days, the individual making the request will be informed within 10 days of the extended date for a decision. Such a decision will be issued as soon as it is reasonably possible, normally within 30 days from the receipt of the request (excluding Saturdays, Sundays, and legal Federal holidays) unless unusual circumstances preclude completing action within that time. If the expected completion date for the decision indicated cannot be

§ 1665.5 Request for review.

(a) Individuals wishing to request a review of the decision by SSS with regard to any initial request to access or amend a record in accord with the provisions of §§1665.2 and 1665.4, should submit the request for review in writing and, to the extent possible, include the information specified in §1665.5(b). Individuals desiring assistance in the preparation of their request for review should contact the records manager at the address provided herein.

(b) The request for review should contain a brief description of the record involved or in lieu thereof, copies of the correspondence from SSS in which the request to access or to amend was denied and also the reasons why the requester believes that access should be granted or the disputed information amended. The request for review should make reference to the information furnished by the individual in support of his claim and the reasons as required by §§1665.2 and 1665.4 set forth by SSS in its decision denying access or amendment. Appeals filed without a complete statement by the requester setting forth the reasons for review will, of course, be processed. However, in order to make the appellate process as meaningful as possible, the requester’s disagreement should be set forth in an understandable manner. In order to avoid the unnecessary retention of personal information, SSS reserves the right to dispose of the material concerning the request to access or amend a record if no request for review in accord with this section is received by SSS within 180 days of the mailing by SSS of its decision upon an initial request. A request for review received after the 180 day period may, at the discretion of the records manager, be treated as an initial request to access or amend a record.

(c) The request for review should be addressed to the Director of Selective Service.

(d) The Director of Selective Service will inform the requester in writing of the decision on the request for review within 20 days (excluding Saturdays, Sundays, and legal federal holidays) from the date of receipt by SSS of the individual’s request for review unless the Director extends the 20 days period for good cause. The extension and the reasons therefor will be sent by SSS to the requester within the initial 20 day period. Such extensions should not be routine and should not normally exceed an additional thirty days. If the decision does not grant in full the request for amendment, the notice of the decision will provide a description of the steps the individual may take to obtain judicial review of such a decision, a statement that the individual may file a concise statement with SSS setting forth the individual’s reasons for his disagreement with the decision and the procedures for filing such a statement of disagreement. The Director of Selective Service has the authority to determine the conciseness of the statement, taking into account the scope of the disagreement and the complexity of the issues. Upon the filing of a proper, concise statement by the individual, any subsequent disclosure of the information in dispute will be clearly noted so that the fact that the record is disputed is apparent, a copy of the concise statement furnished and a concise statement by SSS setting forth its reasons for not making the requested changes, if SSS chooses to file such a statement. A notation of a dispute is required to be made only if an individual informs the agency of his disagreement with SSS’s determination in accord with §1665.5(a), (b) and (c). A copy of the individual’s statement, and if it chooses, SSS’s statement will be sent to any prior transferee of the disputed information who is listed on the accounting required by 5 U.S.C. 552a(c). If the reviewing official determines that the record should be amended in accord with the individual’s request, SSS will promptly correct the record, advise the individual, and inform previous recipients if an accounting of the disclosure was made pursuant to 5 U.S.C. 552a(c). The notification of correction pertains to information actually disclosed.
§ 1665.6 Schedule of fees.
(a) Prohibitions against charging fees. Individuals will not be charged for:
(1) The search and review of the record.
(2) Any copies of the record produced as a necessary part of the process of making the record available for access, or
(3) Any copies of the requested record when it has been determined that access can only be accomplished by providing a copy of the record through the mail.
(4) Where a registrant has been charged under the Military Selective Service Act and must defend himself in a criminal prosecution, or where a registrant submits to induction and thereafter brings habeas corpus proceedings to test the validity of his induction, the Selective Service System will furnish to him, or to any person he may designate, one copy of his Selective Service file free of charge.
(b) Waiver. The Director of Selective Service may at no charge, provide copies of a record if it is determined the production of the copies is in the interest of the Government.
(c) Fee schedule and method of payment. Fees will be charged as provided below except as provided in paragraphs (a) and (b) of this section.
(1) Duplication of records. Records will be duplicated at a rate of $.25 per page.
(2) Fees should be paid in full prior to issuance of requested copies. In the event the requester is in arrears for previous requests, copies will not be provided for any subsequent request until the arrears have been paid in full.
(3) Remittance shall be in the form of cash, a personal check or bank draft drawn on a bank in the United States, or postal money order. Remittances shall be made payable to the order of the Selective Service System and mailed or delivered to the records manager, Selective Service System, Washington, DC 20435.
(4) A receipt of fees paid will be given upon request.

§ 1665.7 Information available to the public or to former employers of registrants.
(a) Each area office maintains a classification record which contains the name, Selective Service number, and the current and past classifications for each person assigned to that board. Information in this record may be inspected at the area office at which it is maintained.
(b) Any compensated employee of the Selective Service System may disclose to the former employer of a registrant who is serving in or who has been discharged from the Armed Forces whether the registrant has or has not been discharged and, if discharged, the date thereof, upon reasonable proof that the registrant left a position in the employ of the person requesting such information in order to serve in the Armed Forces.
(c) Whenever an office referred to in this section is closed, the request for information that otherwise would be submitted to it should be submitted to the National Headquarters, Selective Service System, Washington, DC 20435.

§ 1665.8 Systems of records exempted from certain provisions of this act.
Pursuant to 5 U.S.C. 552a(k)(2), the Selective Service System will not reveal to the suspected violator the informant’s name or other identifying information relating to the informant.

The deduction for the pay intervals for any period must not exceed 15% of disposable pay unless the employee has agreed in writing to a deduction of a greater amount.

(c) Unless required by law, refunds under this subsection shall not bear interest.

§ 1697.10  Statute of Limitations.

If a debt has been outstanding for more than 10 years after the agency's right to collect the debt first accrued, the agency may not collect by salary offset unless facts material to the government's right to collect were not known and could not reasonably have been known by the official or officials who were charged with the responsibility for discovery and collection of such debts.

§ 1697.11  Non-waiver of rights.

An employee's involuntary payment of all or any part of a debt collected under these regulations will not be construed as a waiver of any rights that employee may have under 5 U.S.C. 5514 or any other provision of contract or law unless there are statutes or contract(s) to the contrary.

§ 1697.12  Interest, penalties, and administrative costs.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the agency head finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and its regulation.

§§ 1699.112–1699.129 [Reserved]

§ 1699.130 General prohibitions against discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency. (ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons than is provided to others unless such action is necessary to provide qualified handicapped persons with aids, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

§§ 1699.112–1699.129 [Reserved]
(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap. However, the definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§ 1699.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1699.141–1699.148 [Reserved]

§ 1699.149 Program accessibility: discrimination prohibited.

Except as otherwise provided in §1699.150, no qualified handicapped persons shall, because the agency’s facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subject to discrimination under any program or activity conducted by the agency.

§ 1699.150 Program accessibility: existing facilities.

(a) General. The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where

§ 1699.151 Program accessibility: new construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151 through 4157), as established in 41 CFR 101–19.600 to 14–19.607, apply to buildings covered by this section.

(c) Time period for compliance. The agency shall comply with the obligations established under this section within sixty days of the effective date of this part except that where structural changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency’s facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, at the time, identify steps that will be taken during each year of the transition period; and

(4) Indicate the officials responsible for implementation of the plan.

§ 1699.151 Program accessibility: new construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151 through 4157), as established in 41 CFR 101–19.600 to 14–19.607, apply to buildings covered by this section.
§§ 1699.152–1699.159 [Reserved]

§ 1699.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aid where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunications devices for deaf persons (TDD’s), or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signs at a primary entrance to each of its accessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §1699.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1699.161–1699.169 [Reserved]

§ 1699.170 Compliance procedure.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Associate Director for Administration.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151 through 4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible and usable to handicapped persons.
(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—
   (1) Findings of fact and conclusion of law;
   (2) A description of a remedy of each violation found; and
   (3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §1699.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Director of Selective Service.

(j) The agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the agency determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated.

(1) Books, newspapers, magazines, journals, magnetic or printed transcripts of electronic broadcasts, or similar public sector materials acquired generally and/or maintained for library or reference purposes; to the extent that such materials are incorporated into any form of analysis or otherwise distributed or published by NACIC, they are fully subject to the disclosure provisions of the FOIA;

For general information on this part, to inquire about the FOIA program at NACIC, or to file a FOIA request (or expression of interest), please direct your communication in writing to the Information and Privacy Coordinator, Executive Secretariat Office, National Counterintelligence Center, 3W01 NHB, Washington, DC 20505. Such inquiries will also be accepted by facsimile at (703)874–5844. For general information or status information on pending cases only, the telephone number is (703)874–4121. Collect calls cannot be accepted.

§ 1800.4 Suggestions and complaints.

NACIC welcomes suggestions or complaints with regard to its administration of the Freedom of Information Act. Letters of suggestion or complaint should identify the specific purpose and the issues for consideration. NACIC will respond to all substantive communications and take such actions as determined feasible and appropriate.

Subpart B—Filing of FOIA Requests

§ 1800.11 Preliminary information.

Members of the public shall address all communications to the NACIC Coordinator as specified at §1800.03 and clearly delineate the communication as a request under the Freedom of Information Act and this regulation. NACIC employees receiving a communication in the nature of a FOIA request shall expeditiously forward same to the Coordinator. Requests and appeals on requests, referrals, or coordinations received from members of the public who owe outstanding fees for information services at this or other federal agencies will not be accepted and action on all pending requests shall be terminated in such circumstances.

§ 1800.12 Requirements as to form and content.

(a) Required information. No particular form is required. A request need only reasonably describe the records of interest. This means that documents must be described sufficiently to enable a professional employee familiar with the subject to locate the documents with a reasonable effort. Commonly this equates to a requirement that the documents must be locatable through the indexing of our various systems. Extremely broad or vague requests or requests requiring research do not satisfy this requirement.

(b) Additional information for fee determination. In addition, a requester should provide sufficient personal identifying information to allow us to determine the appropriate fee category. A requester should also provide an agreement to pay all applicable fees or fees not to exceed a certain amount or request a fee waiver.

(c) Otherwise. Communications which do not meet these requirements will be considered an expression of interest and NACIC will work with and offer suggestions to, the potential requester in order to define a request properly.

§ 1800.13 Fees for record services.

(a) In general. Search, review, and reproduction fees will be charged in accordance with the provisions below relating to schedule, limitations, and category of requester. Applicable fees will be due even if our search locates no responsive records or some or all of the responsive records must be denied under one or more of the exemptions of the Freedom of Information Act.
§ 1800.13

(b) Fee waiver requests. Records will be furnished without charge or at a reduced rate whenever NACIC determines:

(1) That, as a matter of administrative discretion, the interest of the United States Government would be served, or

(2) That it is in the public interest because it is likely to contribute significantly to the public understanding of the operations or activities of the United States Government and is not primarily in the commercial interest of the requester. NACIC shall consider the following factors when making this determination:

(i) Whether the subject of the request concerns the operations or activities of the United States Government; and, if so,

(ii) Whether the disclosure of the requested documents will contribute to an understanding of United States Government operations or activities; and, if so,

(iii) Whether the disclosure of the requested documents will contribute to public understanding of United States Government operations and activities; and

(iv) Whether the disclosure of the requested documents is likely to contribute significantly to public understanding of United States Government operations or activities; and

(v) Whether the disclosure of the requested documents is likely to contribute to an understanding of United States Government operations or activities; and

(vi) Whether the disclosure is primarily in the commercial interest of the requester.

(c) Fee waiver appeals. Denials of requests for fee waivers or reductions may be appealed to the Director, NACIC via the Coordinator. A requester is encouraged to provide any explanation or argument as to how his or her request satisfies the statutory requirement set forth in paragraph (b) of this section.

(d) Time for fee waiver requests and appeals. It is suggested that such requests and appeals be made and resolved prior to the initiation of processing and the incurring of costs. However, fee waiver requests will be accepted at any time prior to the completion of a case, and fee waiver appeals within forty-five (45) days of our initial decision subject to the following condition: if processing has been initiated, then the requester must agree to be responsible for costs in the event of an adverse administrative or judicial decision.

(e) Agreement to pay fees. In order to protect requesters from large and/or unanticipated charges, NACIC will request specific commitment when it estimates that fees will exceed $100.00. NACIC will hold in abeyance for forty-five (45) days requests requiring such agreement and will thereafter deem the request closed. This action, of course, would not prevent an individual from refiling his or her FOIA request with a fee commitment at a subsequent date.

(f) Deposits. NACIC may require an advance deposit of up to 100 percent of the estimated fees when fees may exceed $250.00 and the requester has no history of payment, or when, for fees of any amount, there is evidence that the requester may not pay the fees which would be accrued by processing the request. NACIC will hold in abeyance for forty-five (45) days those requests where deposits have been requested.

(g) Schedule of fees. The schedule of fees for services performed in responding to requests for records is established as follows:

(i) Personnel Search and Review

(ii) Paper Production

Photocopy (standard or legal) Per page $._0 Microfiche Per frame $._0 Pre-printed (if available) Per 100 pages $._0 Published (if available) Per item NTIS $._0

(2) Application of schedule. Personnel search time includes time expended in either manual paper records searches, indices searches, review of computer search results for relevance, personal computer system searches, and various reproduction services. In any event where the actual cost to NACIC of a particular item is less than the above schedule (e.g., a large production run of a document resulted in a cost less than $5.00 per hundred pages), then the actual lesser cost will be charged.

(3) Other services. For all other types of output, production, or reproduction (e.g., photographs, maps, or published reports), actual cost or amounts authorized by statute. Determinations of actual cost shall include the commercial cost of the media, the personnel time expended in making the item to be released, and an allocated cost of the equipment used in making the item, or, if the production is effected by a commercial service, then that charge shall be deemed the actual cost for purposes of this part.

(h) Limitations on collection of fees—(1) In general. No fees will be charged if the cost of collecting the fee is equal to or greater than the fee itself. That cost includes the administrative costs to NACIC of billing, receiving, recording, and processing the fee for deposit to the Treasury Department and, as of the date of these regulations, is deemed to be $10.00.

(2) Requests for personal information. No fees will be charged for requester seeking records about themselves under the FOIA; such requests are processed in accordance with both the FOIA and the Privacy Act in order to ensure the maximum disclosure without charge.

(i) Fee categories. There are four categories of FOIA requesters for fee purposes: “commercial use” requesters, “educational and non-commercial scientific institution” requesters, “representatives of the news media” requesters, and “all other” requesters. The categories are defined in §1800.2, and applicable fees, which are the same in two of the categories, will be assessed as follows:

(1) “Commercial use” requesters: Charges which recover the full direct costs of searching for, reviewing, and duplicating responsive records (if any):

(2) “Educational and non-commercial scientific institution” requesters as well as “representatives of the news media” requesters: Only charges for reproduction beyond the first 100 pages;

(3) “All other” requesters: Charges which recover the full direct cost of searching for and reproducing responsive records (if any) beyond the first 100 pages of reproduction and the first two hours of search time which will be furnished without charge.

(j) Associated requests. A requester or associated requesters may not file a series of multiple requests, which are merely discrete subdivisions of the information actually sought for the purpose of avoiding or reducing applicable fees. In such instances, NACIC may aggregate the requests and charge the applicable fees.

§1800.14 Fee estimates (pre-request option).

In order to avoid unanticipated or potentially large fees, a requester may submit a request for a fee estimate. Pursuant to the Electronic Freedom of Information Act Amendments of 1996, NACIC will endeavor within twenty (20) days to provide an accurate estimate, and, if a request is thereafter submitted, NACIC will not accrue or charge fees in excess of our estimate without the specific permission of the requester.

Subpart C—NACIC Action On FOIA Requests

§1800.21 Processing of requests for records.

(a) In general. Requests meeting the requirements of §§1800.11 through
§ 1800.22 Action and determination(s) by originator(s) or any interested party.

(a) Initial action for access. (1) NACIC components tasked pursuant to a FOIA request shall search all relevant record systems within their cognizance. They shall:
   (i) Determine whether a record exists;
   (ii) Determine whether and to what extent any FOIA exemptions apply;
   (iii) Approve the disclosure of all non-exempt records or portions of records for which they are the originator; and
   (iv) Forward to the Coordinator all records approved for release or necessary for coordination with or referral to another originator or interested party.

(2) In making these decisions, the NACIC component officers shall be guided by the applicable law as well as the procedures specified at §1800.31 and §1800.32 regarding confidential commercial information and personal information (about persons other than the requester).

(b) Referrals and coordinations. As applicable and within twenty (20) days, pursuant to the Electronic Freedom of Information Act Amendments of 1996, of receipt by the Coordinator, any NACIC records containing information originated by other NACIC components shall be forwarded to those entities for action in accordance with paragraph (a) of this section and return. Records originated by other federal agencies or NACIC records containing other federal agency information shall be forwarded to such agencies within twenty (20) days of our completion of initial action in the case for action under their regulations and direct response to the requester (for other agency records) or return to NACIC (for NACIC records).

§ 1800.23 Payment of fees, notification of decision, and right of appeal.

(a) Fees in general. Fees collected under this part do not accrue to the
§ 1800.31 Procedures for business information.

(a) In general. Business information obtained by NACIC by a submitter shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section. For purposes of this section, the following definitions apply:

Business information means commercial or financial information in which a legal entity has a recognized property interest;

Confidential commercial information means such business information provided to the United States Government by a submitter which is reasonably believed to contain information exempt from release under exemption (b)(4) of the Freedom of Information Act, 5 U.S.C. 552, because disclosure could reasonably be expected to cause substantial competitive harm;

Submitter means any person or entity who provides confidential commercial information to the United States Government; it includes, but is not limited to, corporations, businesses (however organized), state governments, and foreign governments; and

(b) Designation of confidential commercial information. A submitter of business information will use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of its submission that it considers to be confidential commercial information and hence protected from required disclosure pursuant to exemption (b)(4). Such designations shall expire ten (10) years after the date of the submission unless the submitter requests and provides justification for a longer designation period.

(c) Process in event of FOIA request.—

(1) Notice to submitters. NACIC shall provide a submitter with prompt written notice of receipt of a Freedom of Information Act request encompassing business information whenever:

(i) The submitter has in good faith designated the information as confidential commercial information, or

(ii) NACIC believes that disclosure of the information could reasonably be expected to cause substantial competitive harm, and

(iii) The information was submitted within the last ten (10) years unless the submitter requested and provided acceptable justification for a specific notice period of greater duration.

(2) Form of notice. This notice shall either describe the exact nature of the confidential commercial information at issue or provide copies of the responsive records containing such information.

(3) Response by submitter. (i) Within seven (7) days of the above notice, all claims of confidentiality by a submitter must be supported by a detailed
§ 1800.32 Procedures for information concerning other persons.

(a) In general. Personal information concerning individuals other than the requester shall not be disclosed under the Freedom of Information Act if the proposed release would constitute a clearly unwarranted invasion of personal privacy. See 5 U.S.C. 552(b)(6). For purposes of this section, the following definitions apply:

Personal information means any information about an individual that is not a matter of public record, or easily discernible to the public, or protected from disclosure because of the implications that arise from Government possession of such information.

Public interest means the public interest in understanding the operations and activities of the United States Government and not simply any matter which might be of general interest to the requester or members of the public.

(b) Determination to be made. In making the required determination under this section and pursuant to exemption (b)(6) of the FOIA, NACIC will balance the privacy interests that would be compromised by disclosure against the public interest in release of the requested information.

(c) Otherwise. A requester seeking information on a third person is encouraged to provide a signed affidavit or declaration from the third person waiving all or some of their privacy rights. However, all such waivers shall be

(i) The information should not be disclosed in light of other FOIA exemptions;

(ii) The information has been published lawfully or has been officially made available to the public;

(iii) The disclosure of the information is otherwise required by law or federal regulation; or

(iv) The designation made by the submitter under this section appears frivolous, except that, in such a case, NACIC will, within a reasonable time prior to the specified disclosure date, give the submitter written notice of any final decision to disclose the information.

be narrowly construed and the Coordin-
ator, in the exercise of his discretion
and administrative authority, may
seek clarification from the third party
prior to any or all releases.

§ 1800.33 Allocation of resources;
agreed extensions of time.

(a) In general. NACIC components
shall devote such personnel and other
resources to the responsibilities im-
posed by the Freedom of Information
Act as may be appropriate and reason-
able considering:
(1) The totality of resources available
to the component,
(2) The business demands imposed on
the component by the Director of
NACIC or otherwise by law,
(3) The information review and re-
lease demands imposed by the Congress
or other governmental authority, and
(4) The rights of all members of the
public under the various information
review and disclosure laws.

(b) Discharge of FOIA responsibilities.
Components shall exercise due dili-
genue in their responsibilities under
the FOIA and must allocate a reason-
able level of resources to requests
under the Act in a strictly “first-in,
first-out” basis and utilizing two or
more processing queues to ensure that
smaller as well as larger (i.e., project)
cases receive equitable attention. The
Information and Privacy Coordinator
is responsible for management of the
NACIC-wide program defined by this
part and for establishing priorities for
cases consistent with established law.
The Director, NACIC shall provide pol-
icy and resource direction as necessary
and render decisions on administrative
appeals.

(c) Requests for extension of time. When
NACIC is unable to meet the statutory
time requirements of the FOIA, it will
inform the requester that the request
cannot be processed within the statu-
tory time limits, provide an oppor-
tunity for the requester to limit the
scope of the request so that it can be
processed within the statutory time
limits, or arrange with the requester
an agreed upon time frame for proc-
essing the request, or determine that
exceptional circumstances mandate ad-
ditional time in accordance with the
definition of “exceptional cir-
cumstances” per section 552(a)(6)(C)
of the Freedom of Information Act, as
amended, effective October 2, 1997. In
such instances NACIC will, however,
inform a requester of his or her right
to decline our request and proceed with
an administrative appeal or judicial re-
view as appropriate.

§ 1800.34 Requests for expedited proc-
essing.

(a) In general. All requests will be
handled in the order received on a
strictly “first-in, first-out” basis. Ex-
ceptions to this section will only be
made in accordance with the following
procedures. In all circumstances, how-
ever, and consistent with established
judicial precedent, requests more prop-
erly the scope of requests under the
Federal Rules of Civil or Criminal Pro-
cedure (or other federal, state, or for-
poply provide expedited pro-
cessing under this or related (e.g., Pri-

(b) Procedure. Requests for expedited
processing will be approved only when
a compelling need is established to the
satisfaction of NACIC. A requester may
make such a request with a certifi-
cation of “compelling need” and, with-
in ten (10) days of receipt, NACIC will
decide whether to grant expedited pro-
cessing and will notify the requester of
its decision. The certification shall set
forth with specificity the relevant facts
upon which the requester relies and it
appears to NACIC that substantive
records relevant to the stated needs
may exist and be deemed releasable. A
“compelling need” is deemed to exist:
(1) When the matter involves an im-
minent threat to the life or physical
safety of an individual; or
(2) When the request is made by a
person primarily engaged in dissemi-
nating information and the informa-
tion is relevant to a subject of public
urgency concerning an actual or al-
leged Federal government activity.
§ 1800.41 Appeal authority.

The Director, NACIC will make final NACIC decisions from appeals of initial adverse decisions under the Freedom of Information Act and such other information release decisions made under parts 1801, 1802, and 1803 of this chapter. Matters decided by the Director, NACIC will be deemed a final decision by NACIC.

§ 1800.42 Right of appeal and appeal procedures.

(a) Right of Appeal. A right of administrative appeal exists whenever access to any requested record or any portion thereof is denied, no records are located in response to a request, or a request for a fee waiver is denied. NACIC will apprise all requesters in writing of their right to appeal such decisions to the Director, NACIC through the Coordinator.

(b) Requirements as to time and form. Appeals of decisions must be received by the Coordinator within forty-five (45) days of the date of NACIC’s initial decision. NACIC may, for good cause and as a matter of administrative discretion, permit an additional thirty (30) days for the submission of an appeal. All appeals shall be in writing and addressed as specified in §1800.3. All appeals must identify the documents or portions of documents at issue with specificity and may present such information, data, and argument in support as the requester may desire.

(c) Exceptions. No appeal shall be accepted if the requester has outstanding fees for information services at this or another federal agency. In addition, no appeal shall be accepted if the information in question has been the subject of a review within the previous two (2) years or is the subject of pending litigation in the federal courts.

(d) Receipt, recording, and tasking. NACIC shall promptly record each request received under this part, acknowledge receipt to the requester in writing, and thereafter effect the necessary taskings to the office(s) which originated or has an interest in the record(s) subject to the appeal.

(e) Time for response. NACIC shall attempt to complete action on an appeal within twenty (20) days of the date of receipt. The volume of requests, however, may require that NACIC request additional time from the requester pursuant to §1800.33. In such event, NACIC will inform the requester of the right to judicial review.

§ 1800.43 Determination(s) by Office Chief(s).

Each Office Chief in charge of an office which originated or has an interest in any of the records subject to the appeal, or designee, is a required party to any appeal; other interested parties may become involved through the request of the Coordinator when it is determined that some or all of the information is also within their official cognizance. These parties shall respond in writing to the Coordinator with a finding as to the exempt status of the information. This response shall be provided expeditiously on a “first-in, first-out” basis taking into account the business requirements of the parties and consistent with the information rights of members of the general public under the various information review and release laws.

§ 1800.44 Action by appeals authority.

(a) Preparation of docket. The Coordinator shall provide a summation memorandum for consideration of the Director, NACIC; the complete record of the request consisting of the request, the document(s) (sanitized and full text) at issue, and the findings of concerned Office Chiefs or designee(s).

(b) Decision by the Director, NACIC. The Director, NACIC shall personally decide each case; no personal appearances shall be permitted without the express permission of the Director, NACIC.

§ 1800.45 Notification of decision and right of judicial review.

The Coordinator shall promptly prepare and communicate the decision of the Director, NACIC to the requester. With respect to any decision to deny information, that correspondence shall state the reasons for the decision, identify the officer responsible, and include a notice of a right to judicial review.

§ 1801.3 Contact for general information and requests.

For general information on this part, to inquire about the Privacy Act program at NACIC, or to file a Privacy Act request, please direct your communication in writing to the Information and Privacy Coordinator, Executive Secretariat Office, National Counterintelligence Center, 3W01 NHB, Washington, DC 20505. Requests with the required identification statement pursuant to §1801.13 must be filed in original form by mail. Subsequent communications and any inquiries will be accepted by mail or facsimile at (703) 874–5844 or by telephone at (703) 874–4121. Collect calls cannot be accepted.

§ 1801.4 Suggestions and complaints.

NACIC welcomes suggestions or complaints with regard to its administration of the Privacy Act. Letters of suggestion or complaint should identify the specific purpose and the issues for consideration. NACIC will respond to all substantive communications and take such actions as determined feasible and appropriate.

Subpart B—Filing of Privacy Act Requests

§ 1801.11 Preliminary information.

Members of the public shall address all communications to the contact specified at §1801.3 and clearly delineate the communication as a request under the Privacy Act and this regulation. Requests and administrative appeals on requests, referrals, and coordinations received from members of the public who owe outstanding fees for information services at this or other federal agencies will not be accepted and action on existing requests and appeals will be terminated in such circumstances.

§ 1801.12 Requirements as to form.

(a) In general. No particular form is required. All requests must contain the identification information required at §1801.13.

(b) For access. For requests seeking access, a requester should, to the extent possible, describe the nature of the record sought and the record system(s) in which it is thought to be included. Requesters may find assistance from information described in the Privacy Act Issuances Compilation which is published biennially by the Federal Register. In lieu of this, a requester may simply describe why and under what circumstances it is believed that
NACIC maintains responsive records; NACIC will undertake the appropriate searches.

(c) For amendment. For requests seeking amendment, a requester should identify the particular record or portion subject to the request, state a justification for such amendment, and provide the desired amending language.

§ 1801.13 Requirements as to identification of requester.

(a) In general. Individuals seeking access to or amendment of records concerning themselves shall provide their full (legal) name, address, date and place of birth, and current citizenship status together with a statement that such information is true under penalty of perjury or a notarized statement swearing to or affirming identity. If NACIC determines that this information is not sufficient, NACIC may request additional or clarifying information.

(b) Requirement for aliens. Only aliens lawfully admitted for permanent residence (PRAs) may file a request pursuant to the Privacy Act and this part. Such individuals shall provide, in addition to the information required under paragraph (a) of this section, their Alien Registration Number and the date that status was acquired.

(c) Requirement for representatives. The parent or guardian of a minor individual, the guardian of an individual under judicial disability, or an attorney retained to represent an individual shall provide, in addition to establishing the identity of the minor or individual represented as required in paragraph (a) or (b) of this section, evidence of such representation by submission of a certified copy of the minor’s birth certificate, court order, or representational agreement which establishes the relationship and the requester’s identity.

(d) Procedure otherwise. If a requester or representative fails to provide the information in paragraph (a), (b), or (c) of this section within forty-five (45) days of the date of our request, NACIC will deem the request closed. This action, of course, would not prevent an individual from refiling his or her Privacy Act request at a subsequent date with the required information.

§ 1801.14 Fees.

No fees will be charged for any action under the authority of the Privacy Act, 5 U.S.C. 552a, irrespective of the fact that a request is or may be processed under the authority of both the Privacy Act and the Freedom of Information Act.

Subpart C—Action On Privacy Act Requests

§ 1801.21 Processing requests for access to or amendment of records.

(a) In general. Requests meeting the requirements of §§1801.11 through 1801.13 shall be processed under both the Freedom of Information Act, 5 U.S.C. 552, and the Privacy Act, 5 U.S.C. 552a, and the applicable regulations, unless the requester demands otherwise in writing. Such requests will be processed under both Acts regardless of whether the requester cites one Act in the request, both, or neither. This action is taken in order to ensure the maximum possible disclosure to the requester.

(b) Receipt, recording and tasking. Upon receipt of a request meeting the requirements of §§1801.11 through 1801.13, NACIC shall within ten (10) days record each request, acknowledge receipt to the requester, and thereafter effect the necessary taskings to the office(s) reasonably believed to hold responsive records.

(c) Effect of certain exemptions. In processing a request, NACIC shall decline to confirm or deny the existence or nonexistence of any responsive records whenever the fact of their existence or nonexistence is itself classified under Executive Order 12958 and that confirmation of the existence of a record may jeopardize intelligence sources and methods protected pursuant to section 103(c)(6) of the National Security Act of 1947. In such circumstances, NACIC, in the form of a final written response, shall so inform the requester and advise of his or her right to an administrative appeal.

(d) Time for response. Although the Privacy Act does not mandate a time for response, our joint treatment of requests under both the Privacy Act and the FOIA means that the NACIC should
provide a response within the FOIA statutory guideline of ten (10) days on initial requests and twenty (20) days on administrative appeals. However, the volume of requests may require that NACIC seek additional time from a requester pursuant to §1801.33. In such event, NACIC will inform the requester in writing and further advise of his or her right to file an administrative appeal.

§ 1801.22 Action and determination(s) by originator(s) or any interested party.

(a) Initial action for access. NACIC offices tasked pursuant to a Privacy Act access request shall search all relevant record systems within their cognizance. They shall:
(1) Determine whether responsive records exist;
(2) Determine whether access must be denied in whole or part and on what legal basis under both Acts in each such case;
(3) Approve the disclosure of records for which they are the originator; and
(4) Forward to the Coordinator all records approved for release or necessary for coordination with or referral to another originator or interested party as well as the specific determinations with respect to denials (if any).

(b) Initial action for amendment. NACIC offices tasked pursuant to a Privacy Act amendment request shall review the official records alleged to be inaccurate and the proposed amendment submitted by the requester. If they determine that NACIC's records are not accurate, relevant, timely or complete, they shall promptly:
(1) Make the amendment as requested;
(2) Write to all other identified persons or agencies to whom the record has been disclosed (if an accounting of the disclosure was made) and inform of the amendment; and
(3) Inform the Coordinator of such decisions.

(c) Action otherwise on amendment request. If the NACIC office records manager declines to make the requested amendment (or declines to make the requested amendment) but agrees to augment the official records, that manager shall promptly:
(1) Set forth the reasons for refusal; and
(2) Inform the Coordinator of such decision and the reasons therefore.

(d) Referrals and coordinations. As applicable and within ten (10) days of receipt by the Coordinator, any NACIC records containing information originated by other NACIC offices shall be forwarded to those entities for action in accordance with paragraphs (a), (b), or (c) of this section and return. Records originated by other federal agencies or NACIC records containing other federal information shall be forwarded to such agencies within ten (10) days of our completion of initial action in the case for action under their regulations and direct response to the requester (for other NACIC records) or return to NACIC (for NACIC records).

(e) Effect of certain exemptions. This section shall not be construed to allow access to systems of records exempted by the Director, NACIC pursuant to subsections (j) and (k) of the Privacy Act or where those exemptions require that NACIC can neither confirm nor deny the existence or nonexistence of responsive records.

§ 1801.23 Notification of decision and right of appeal.

Within ten (10) days of receipt of responses to all initial taskings and subsequent coordinations (if any), and dispatch of referrals (if any), NACIC will provide disclosable records to the requester. If a determination has been made not to provide access to requested records (in light of specific exemptions) or that no records are found, NACIC shall so inform the requester, identify the denying official, and advise of the right to administrative appeal.

Subpart D—Additional Administrative Matters

§ 1801.31 Special procedures for medical and psychological records.

(a) In general. When a request for access or amendment involves medical or psychological records and when the originator determines that such records are not exempt from disclosure, NACIC will, after consultation with the
§ 1801.33 Allocation of resources; agreed extensions of time.

(a) In general. NACIC components shall devote such personnel and other resources to the responsibilities imposed by the Privacy Act as may be appropriate and reasonable considering:

1. The totality of resources available to the component,
2. The business demands imposed on the component by the Director, NACIC or otherwise by law,
3. The information review and release demands imposed by the Congress or other governmental authority, and
4. The rights of all members of the public under the various information review and disclosure laws.

(b) Discharge of Privacy Act responsibilities. Offices shall exercise due diligence in their responsibilities under the Privacy Act and must allocate a reasonable level of resources to requests under the Act in a strictly “first-in, first-out” basis and utilizing two or more processing queues to ensure that smaller as well as larger (i.e., project) cases receive equitable attention. The Information and Privacy Coordinator is responsible for management of the NACIC-wide program defined by this part and for establishing priorities for cases consistent with established law. The Director, NACIC
shall provide policy and resource direction as necessary and shall render decisions on administrative appeals.

(c) Requests for extension of time. While the Privacy Act does not specify time requirements, our joint treatment of requests under the FOIA means that when NACIC is unable to meet the statutory time requirements of the FOIA, NACIC may request additional time from a requester. In such instances NACIC will inform a requester of his or her right to decline our request and proceed with an administrative appeal or judicial review as appropriate.

Subpart E—Action On Privacy Act Administrative Appeals

§ 1801.41 Appeal authority.

The Director, NACIC will make final NACIC decisions from appeals of initial adverse decisions under the Privacy Act and such other information release decisions made under 32 CFR parts 1800, 1802, and 1803 of this chapter. Matters decided by the Director, NACIC will be deemed a final decision by NACIC.

§ 1801.42 Right of appeal and appeal procedures.

(a) Right of Appeal. A right of administrative appeal exists whenever access to any requested record or any portion thereof is denied, no records are located in response to a request, or a request for amendment is denied. NACIC will apprise all requesters in writing of their right to appeal such decisions to the Director, NACIC through the Coordinator.

(b) Requirements as to time and form. Appeals of decisions must be received by the Coordinator within forty-five (45) days of the date of NACIC’s initial decision. NACIC may, for good cause and as a matter of administrative discretion, permit an additional thirty (30) days for the submission of an appeal. All appeals to the Director, NACIC shall be in writing and addressed as specified in §1801.3. All appeals must identify the documents or portions of documents at issue with specificity, provide the desired amending language (if applicable), and may present such information, data, and argument in support as the requester may desire.

(c) Exceptions. No appeal shall be accepted if the requester has outstanding fees for information services at this or another federal agency. In addition, no appeal shall be accepted if the information in question has been the subject of an administrative review within the previous two (2) years or is the subject of pending litigation in the federal courts.

(d) Receipt, recording, and tasking. NACIC shall promptly record each administrative appeal, acknowledge receipt to the requester in writing, and thereafter effect the necessary taskings to the office chief in charge of the office(s) which originated or has an interest in the record(s) subject to the appeal.

§ 1801.43 Determination(s) by Office Chiefs.

Each Office Chief in charge of an office which originated or has an interest in any of the records subject to the appeal, or designee, is a required party to any appeal; other interested parties may become involved through the request of the Coordinator when it is determined that some or all of the information is also within their official cognizance. These parties shall respond in writing to the Coordinator with a finding as to the exempt or non-exempt status of the information including citations to the applicable exemption and/or their agreement or disagreement as to the requested amendment and the reasons therefore. Each response shall be provided expeditiously on a “first-in, first-out” basis taking into account the business requirements of the parties and consistent with the information rights of members of the general public under the various information review and release laws.

§ 1801.44 Action by appeals authority.

(a) Preparation of docket. The Coordinator shall provide a summation memorandum for consideration of the Director, NACIC; the complete record of the request consisting of the request, the document(s) (sanitized and full text) at issue, and the findings of any concerned office chiefs or designee(s).
(b) Decision by the Director, NACIC. The Director, NACIC shall personally decide each case; no personal appearances shall be permitted without the express permission of the Director, NACIC.

§ 1801.45 Notification of decision and right of judicial review.

(a) In general. The Coordinator shall promptly prepare and communicate the decision of the Director, NACIC to the requester. With respect to any decision to deny information or deny amendment, that correspondence shall state the reasons for the decision, identify the officer responsible, and include a notice of the right to judicial review.

(b) For amendment requests. With further respect to any decision to deny an amendment, that correspondence shall also inform the requester of the right to submit within forty-five (45) days a statement of his or her choice which shall be included in the official records of NACIC. In such cases, the applicable record system manager shall clearly note any portion of the official record which is disputed, append the requester’s statement, and provide copies of the statement to previous recipients (if any are known) and to any future recipients when and if the disputed information is disseminated in accordance with a routine use.

Subpart F—Prohibitions

§ 1801.51 Limitations on disclosure.

No record which is within a system of records shall be disclosed by any means of communication to any individual or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless disclosure of the record would be:

(a) To those officers and employees of NACIC which maintains the record who have a need for the record in the performance of their duties;

(b) Required under the Freedom of Information Act, 5 U.S.C. 552;

(c) For a routine use as defined in § 1801.02(m), as contained in the Privacy Act Issuances Compilation which is published biennially in the Federal Register, and as described in sections (a)(7) and (e)(4)(D) of the Act;

(d) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of U.S.C. Title 13;

(e) To a recipient who has provided NACIC with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(f) To the National Archives and Records Administration as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Archivist of the United States or designee to determine whether the record has such value;

(g) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of that agency or instrumentality has made a written request to NACIC specifying the particular information desired and the law enforcement activity for which the record is sought;

(h) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;

(i) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee;

(j) To the Comptroller General or any of his authorized representatives in the course of the performance of the duties of the General Accounting Office; or

(k) To any agency, government instrumentality, or other person or entity pursuant to the order of a court of competent jurisdiction of the United States or constituent states.

§ 1801.52 Criminal penalties.

(a) Unauthorized disclosure. Criminal penalties may be imposed against any officer or employee of NACIC who, by
§ 1801.63

virtue of employment, has possession of or access to NACIC records which contain information identifiable with an individual, the disclosure of which is prohibited by the Privacy Act or by these rules, and who, knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive same.

(b) Unauthorized maintenance. (b) Information relating to or based upon material contained in the files of NACIC.

(c) Information acquired by any person while such person is an employee of NACIC as part of the performance of that person’s official duties or because of that person’s association with NACIC.

§ 1805.2 Definitions.

For the purpose of this part:

NACIC means the National Counterintelligence Center and includes all staff elements of the NACIC.

Demand means any subpoena, order or other legal summons (except garnishment orders) that is issued by a federal, state or local government entity of competent jurisdiction with the authority to require a response on a particular matter, or a request for appearance of an individual where a demand could issue.

Employee means any officer, any staff, contract or other employee of NACIC, any person including independent contractors associated with or acting on behalf of NACIC; and any person formerly having such relationships with NACIC.

Production or produce means the disclosure of:

(1) Any material contained in the files of NACIC; or

(2) Any information relating to material contained in the files of NACIC, including but not limited to summaries of such information or material, or opinions based on such information or material; or

(3) Any information acquired by persons while such persons were employees of NACIC as a part of the performance of their official duties or because of their official status or association with NACIC; in response to a demand upon an employee of NACIC.

NACIC Counsel is the NACIC employee designated to manage legal matters and regulatory compliance.
§ 1805.3 General.

(a) No employee shall produce any materials or information in response to a demand without prior authorization as set forth in this part. This part also applies to former employees to the extent consistent with applicable non-disclosure agreements.

(b) This part is intended only to provide procedures for responding to demands for production of documents or information, and is not intended to, does not, and may not be relied upon to, create any right or benefit, substantive or procedural, enforceable by any party against the United States.

§ 1805.4 Procedure for production.

(a) Whenever a demand for production is made upon an employee, the employee shall immediately notify NACIC Counsel, who will follow the procedures set forth in this section.

(b) NACIC Counsel and the Office Chiefs with responsibility for the information sought in the demand shall determine whether any information or materials may properly be produced in response to the demand, except that NACIC Counsel may assert any and all legal defenses and objections to the demand available to NACIC prior to the start of any search for information responsive to the demand. NACIC may, in its sole discretion, decline to begin any search for information responsive to the demand until a final and non-appealable disposition of any such defenses and objections raised by NACIC has been made by the entity or person that issued the demand.

(c) NACIC officials shall consider the following factors, among others, in reaching a decision:

1. Whether production is appropriate in light of any relevant privilege;
2. Whether production is appropriate under the applicable rules of discovery or the procedures governing the case or matter in which the demand arose; and
3. Whether any of the following circumstances apply:
   (i) Disclosure would violate a statute, including but not limited to the Privacy Act of 1974, as amended, 5 U.S.C. 552a;
   (ii) Disclosure would reveal classified information;
   (iii) Disclosure would improperly reveal trade secrets or proprietary confidential information without the owner’s consent; or
   (iv) Disclosure would interfere with the orderly conduct of NACIC’s functions.

(d) If oral or written testimony is sought by a demand in a case or matter in which the NACIC is not a party, a reasonably detailed description of the testimony sought, in the form of an affidavit or, if that is not feasible, a written statement, by the party seeking the testimony or by the party’s attorney must be furnished to the NACIC Counsel.

(e) The NACIC Counsel shall be responsible for notifying the appropriate employees and other persons of all decisions regarding responses to demands and providing advice and counsel as to the implementation of such decisions.

(f) If response to a demand is required before a decision is made whether to provide the documents or information sought by the demand, NACIC Counsel, after consultation with the Department of Justice, shall appear before and furnish the court or other competent authority with a copy of this part and state that the demand has been made by the entity or person that issued the demand.

(g) If the court or any other authority declines to stay the demand pending receipt of instructions in response to a request made in accordance with §1805.4(g) or rules that the demand must be complied with regardless of instructions rendered in accordance with this Part not to produce the material or disclose the information sought, the employee upon whom the demand has been made shall, if so directed by NACIC Counsel, respectfully decline to comply with the demand under the authority of United States ex. rel. Touhy v. Ragen, 340 U.S. 462 (1951), and this part.

(h) With respect to any function granted to NACIC officials in this part, such officials are authorized to delegate in writing their authority in any
case or matter or category thereof to subordinate officials.

(i) Any non-employee who receives a demand for the production or disclosure of NACIC information acquired because of that person’s association or contacts with NACIC should notify NACIC Counsel, (703) 874–4121, for guidance and assistance. In such cases, the provisions of this part shall be applicable.

(v) Deny a qualified individual with disabilities the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified individual with disabilities in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The NACIC may not deny a qualified individual with disabilities the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissible separate or different programs or activities.

(3) The NACIC may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would:

(i) Subject qualified individuals with disabilities to discrimination on the basis of disability; or

§§ 1807.131–1807.139

(4) The NACIC may not, in determining the site or location of a facility, make selections the purpose or effect of which would:
   (i) Exclude individuals with disabilities from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity conducted by the NACIC; or

However, the programs or activities of entities that are licensed or certified by the NACIC are not, themselves, covered by this part.

(c) The exclusion of persons without disabilities from the benefits of a program limited by Federal statute or Executive Order to individuals with disabilities or the exclusion of a specific class of individuals with disabilities from a program limited by Federal statute or Executive Order to a different class of individuals with disabilities is not prohibited by this part.

§§ 1807.140–1807.149

§ 1807.140 Employment.

No qualified individual with disabilities shall, solely on the basis of disability, be subjected to discrimination in employment under any program or activity conducted by the NACIC. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 1807.141–1807.148 [Reserved]

§ 1807.149 Program accessibility: discrimination prohibited.

Except as otherwise provided in §1807.150, no qualified individual with disabilities shall, because the NACIC's facilities are inaccessible to or unusable by individuals with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the NACIC.

§ 1807.150 Program accessibility: existing facilities.

(a) General. The NACIC shall operate each program or activity so that the program or activity, viewed in its entirety, is readily accessible to and usable by individuals with disabilities. This program does not:

(1) Necessarily require the NACIC to make each of its existing facilities accessible to and usable by individuals with disabilities;

(2)(i) Require the NACIC to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

   (ii) The NACIC has the burden of proving that compliance with §1807.150(a) would result in that alteration or those burdens.

   (iii) The decision that compliance would result in that alteration of those burdens must be made by the Director after considering all of the NACIC's resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion.

   (iv) If an action would result in that alteration or those burdens, the NACIC shall take any other action that would not result in the alteration of burdens but would nevertheless ensure that individuals with disabilities receive the benefits of, or otherwise be subjected to, any program or activity conducted by the NACIC.

§§ 1807.131–1807.139 [Reserved]

§ 1807.140 Employment.

No qualified individual with disabilities shall, solely on the basis of disability, be subjected to discrimination in employment under any program or activity conducted by the NACIC. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 1807.141–1807.148 [Reserved]

§ 1807.149 Program accessibility: discrimination prohibited.

Except as otherwise provided in §1807.150, no qualified individual with disabilities shall, because the NACIC's facilities are inaccessible to or unusable by individuals with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the NACIC.

§ 1807.150 Program accessibility: existing facilities.

(a) General. The NACIC shall operate each program or activity so that the program or activity, viewed in its entirety, is readily accessible to and usable by individuals with disabilities. This program does not:

(1) Necessarily require the NACIC to make each of its existing facilities accessible to and usable by individuals with disabilities;

(2)(i) Require the NACIC to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

   (ii) The NACIC has the burden of proving that compliance with §1807.150(a) would result in that alteration or those burdens.

   (iii) The decision that compliance would result in that alteration of those burdens must be made by the Director after considering all of the NACIC's resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion.

   (iv) If an action would result in that alteration or those burdens, the NACIC shall take any other action that would not result in the alteration of burdens but would nevertheless ensure that individuals with disabilities receive the benefits of, or otherwise be subjected to, any program or activity conducted by the NACIC.
benefits and services of the program or activity.

(b) Methods. (1) The NACIC may comply with the requirements of this section through such means as redesign of equipment, delivery of services at alternate accessible sites, alteration of existing facilities, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with disabilities.

(2) The NACIC is not required to make structural changes in existing facilities if other methods are effective in achieving compliance with this section.

(3) In choosing among available methods for meeting the requirements of this section, the NACIC shall give priority to those methods that offer programs and activities to qualified individuals with disabilities in the most integrated setting appropriate.

§ 1807.151 Program accessibility: new construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of, the NACIC shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with disabilities in compliance with the definitions, requirements, and standards of the Americans with Disabilities Act Accessibility Guidelines, 36 CFR part 1191.

§§ 1807.152–1807.159 [Reserved]

§ 1807.160 Communications.

(a) The NACIC shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public as follows:

(1)(i) The NACIC shall furnish appropriate auxiliary aids if necessary to afford an individual with disabilities an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the NACIC.

(ii) In determining what type of auxiliary aid is necessary, the NACIC shall give primary consideration to the requests of the individual with disabilities.

(2) Where the NACIC communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The NACIC shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) This section does not require the NACIC to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where NACIC personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the NACIC has the burden of proving that compliance with § 1807.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the NACIC head or his or her designee after considering all NACIC resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the NACIC shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with disabilities receive the benefits and services of the program or activity.

§§ 1807.161–1807.169 [Reserved]

§ 1807.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of disability in programs and activities conducted by the NACIC.

(b) The NACIC shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission.
§ 1807.170

(c) The Director, Office of Equal Employment Opportunity, is responsible for coordinating implementation of this section. Complaints may be sent to NACIC, Director, Washington, DC 20505.

(d) The NACIC shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The NACIC may extend this time period for good cause.

(e) If the NACIC receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The NACIC shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Americans with Disabilities Act Accessibility Guidelines is not readily accessible to and usable by individuals with disabilities.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, The NACIC shall notify the complainant of the results of the investigation in a letter containing:

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the NACIC of the letter required by paragraph (g) of this section. The NACIC may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Director.

(j) The NACIC shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the NACIC determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The Director may delegate the authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated.

(h) Fees means those direct costs which may be assessed a requester considering the categories established by the FOIA: requesters should submit information to assist the Agency in determining the proper fee category and the Agency may draw reasonable inferences from the identity and activities of the requester in making such determinations; the fee categories include:

(1) Commercial means a request in which the disclosure sought is primarily in the commercial interest of the requester and which furthers such commercial, trade, income or profit interests;

(2) Non-commercial educational or scientific institution means a request from an accredited United States educational institution at any academic level or institution engaged in research concerning the social, biological, or physical sciences or an instructor or researcher or member of such institutions; it also means that the information will be used in a specific scholarly or analytical work, will contribute to the advancement of public knowledge, and will be disseminated to the general public;

(3) Representative of the news media means a request from an individual actively gathering news for an entity that is organized and operated to publish and broadcast news to the American public and pursuant to their news dissemination function and not their commercial interests; the term news means information which concerns current events, would be of current interest to the general public, would enhance the public understanding of the operations or activities of the U.S. Government, and is in fact disseminated to a significant element of the public at minimal cost; freelance journalists are included in this definition if they can demonstrate a solid basis for expecting publication through such an organization, even though not actually employed by it; a publication contract or prior publication record is relevant to such status;

(4) All other means a request from an individual not within paragraph (h)(1), (2), or (3) of this section;

(i) Freedom of Information Act or “FOIA” means the statutes as codified at 5 U.S.C. 552;

(j) Interested party means any official in the executive, military, congressional, or judicial branches of government, United States or foreign, or U.S. Government contractor who, in the sole discretion of the CIA, has a subject matter or physical interest in the documents or information at issue;

(k) Originator means the U.S. Government official who originated the document at issue or successor in office or such official who has been delegated release or declassification authority pursuant to law;

(l) Potential requester means a person, organization, or other entity who submits an expression of interest;

(m) Reasonably described records means a description of a document (record) by unique identification number or descriptive terms which permit an Agency employee to locate documents with reasonable effort given existing indices and finding aids;

(n) Records or agency records means all documents, irrespective of physical or electronic form, made or received by the CIA in pursuance of federal law or in connection with the transaction of public business and appropriate for preservation by the CIA as evidence of the organization, functions, policies, decisions, procedures, operations, or other activities of the CIA or because
of the informational value of the data contained therein; it does not include:

1. Books, newspapers, magazines, journals, magnetic or printed transcripts of electronic broadcasts, or similar public sector materials acquired generally and/or maintained for library or reference purposes; to the extent that such materials are incorporated into any form of analysis or otherwise distributed or published by the Agency, they are fully subject to the disclosure provisions of the FOIA;

2. Index, filing, or museum documents made or acquired and preserved solely for reference, indexing, filing, or exhibition purposes; and

3. Routing and transmittal sheets and notes and filing or destruction notes which do not also include information, comment, or statements of substance;

(o) Responsive records means those documents (i.e., records) which the Agency has determined to be within the scope of a FOIA request.

§ 1900.03 Contact for general information and requests.

For general information on this part, to inquire about the FOIA program at CIA, or to file a FOIA request (or expression of interest), please direct your communication in writing to the Information and Privacy Coordinator, Central Intelligence Agency, Washington, DC 20505. Such inquiries will also be accepted by facsimile at (703) 613–3007. For general information or status information on pending cases only, the telephone number is (703) 613–1287. Collect calls cannot be accepted.

§ 1900.04 Suggestions and complaints.

The Agency welcomes suggestions or complaints with regard to its administration of the Freedom of Information Act. Many requesters will receive prepaid, customer satisfaction survey cards. Letters of suggestion or complaint should identify the specific purpose and the issues for consideration. The Agency will respond to all substantive communications and take such actions as determined feasible and appropriate.

§ 1900.12 Requirements as to form and content.

(a) Required information. No particular form is required. A request need only reasonably describe the records of interest. This means that documents must be described sufficiently to enable a professional employee familiar with the subject to locate the documents with a reasonable effort. Commonly this equates to a requirement that the documents be locatable through the indexing of our various systems. Extremely broad or vague requests or requests requiring research do not satisfy this requirement.

(b) Additional information for fee determination. In addition, a requester should provide sufficient personal identifying information to allow us to determine the appropriate fee category. A requester should also provide an agreement to pay all applicable fees or fees not to exceed a certain amount or request a fee waiver.

(c) Otherwise. Communications which do not meet these requirements will be considered an expression of interest and the Agency will work with, and offer suggestions to, the potential requester in order to define a request properly.
§ 1900.13 Fees for record services.

(a) In general. Search, review, and reproduction fees will be charged in accordance with the provisions below relating to schedule, limitations, and category of requester. Applicable fees will be due even if our search locates no responsive records or some or all of the responsive records must be denied under one or more of the exemptions of the Freedom of Information Act.

(b) Fee waiver requests. Records will be furnished without charge or at a reduced rate whenever the Agency determines:

(1) That, as a matter of administrative discretion, the interest of the United States Government would be served, or

(2) That it is in the public interest because it is likely to contribute significantly to the public understanding of the operations or activities of the United States Government and is not primarily in the commercial interest of the requester; the Agency shall consider the following factors when making this determination:

(i) Whether the subject of the request concerns the operations or activities of the United States Government; and, if so,

(ii) Whether the disclosure of the requested documents is likely to contribute to an understanding of United States Government operations or activities; and, if so,

(iii) Whether the disclosure of the requested documents will contribute to public understanding of United States Government operations or activities; and, if so,

(iv) Whether the disclosure of the requested documents is likely to contribute significantly to public understanding of United States Government operations and activities; and

(v) Whether the requester has a commercial interest that would be furthered by the requested disclosure; and, if so,

(vi) Whether the disclosure is primarily in the commercial interest of the requester.

(c) Fee waiver appeals. Denials of requests for fee waivers or reductions may be appealed to the Chair of the Agency Release Panel via the Coordinator. A requester is encouraged to provide any explanation or argument as to how his or her request satisfies the statutory requirement set forth above.

(d) Time for fee waiver requests and appeals. It is suggested that such requests and appeals be made and resolved prior to the initiation of processing and the incurring of costs. However, fee waiver requests will be accepted at any time prior to the release of documents or the completion of a case, and fee waiver appeals within forty-five (45) days of our initial decision subject to the following condition: If processing has been initiated, then the requester must agree to be responsible for costs in the event of an adverse administrative or judicial decision.

(e) Agreement to pay fees. In order to protect requesters from large and/or unanticipated charges, the Agency will request specific commitment when it estimates that fees will exceed $100.00. The Agency will hold in abeyance for forty-five (45) days requests requiring such agreement and will thereafter deem the request closed. This action, of course, would not prevent an individual from refiling his or her FOIA request with a fee commitment at a subsequent date.

(f) Deposit. The Agency may require an advance deposit of up to 100 percent of the estimated fees when fees may exceed $250.00 and the requester has no history of payment, or when, for fees of any amount, there is evidence that the requester may not pay the fees which would be accrued by processing the request. The Agency will hold in abeyance for forty-five (45) days those requests where deposits have been requested.

(g) Schedule of fees—(1) In general. The schedule of fees for services performed in responding to requests for records is established as follows:

(2) Application of schedule. Personnel search time includes time expended in either manual paper records searches, indices searches, review of computer search results for relevance, personal computer system searches, and various reproduction services. In any event where the actual cost to the Agency of a particular item is less than the above schedule (e.g., a large production run of a document resulted in a cost less than $5.00 per hundred pages), then the actual lesser cost will be charged. Items published and available from CIA pursuant to this part at the NTIS price as authorized by statute.

(3) Other services. For all other types of output, production, or reproduction (e.g., photographs, maps, or published reports), actual cost or amounts authorized by statute. Determinations of actual cost shall include the commercial cost of the media, the personnel time expended in making the item to be released, and an allocated cost of the equipment used in making the item, or, if the production is effected by a commercial service, then that charge shall be deemed the actual cost for purposes of this part.

(h) Limitations on collection of fees—(1) In general. No fees will be charged if the cost of collecting the fee is equal to or greater than the fee itself. That cost includes the administrative costs to the Agency of billing, receiving, recording, and processing the fee for deposit to the Treasury Department and, as of the date of these regulations, is deemed to be $10.00.

(2) Requests for personal information. No fees will be charged for requesters seeking records about themselves under the FOIA; such requests are processed in accordance with both the FOIA and the Privacy Act in order to ensure the maximum disclosure without charge.

(i) Fee categories. There are four categories of FOIA requesters for fee purposes: Commercial use requesters, educational and non-commercial scientific institution requesters, representatives of the news media requesters, and all other requesters. The categories are defined in §1900.02, and applicable fees, which are the same in two of the categories, will be assessed as follows:

(1) Commercial use requesters: Charges which recover the full direct costs of searching for, reviewing, and duplicating responsive records (if any);

(2) Educational and non-commercial scientific institution requesters as well as ‘‘representatives of the news media’’ requesters: Only charges for reproduction beyond the first 100 pages;

(3) All other requesters: Charges which recover the full direct cost of searching for and reproducing responsive records (if any) beyond the first 100 pages of reproduction and the first two hours of search time which will be furnished without charge.

(j) Associated requests. A requester or associated requesters may not file a series of multiple requests, which are merely discrete subdivisions of the information actually sought for the purpose of avoiding or reducing applicable fees. In such instances, the Agency
§ 1900.14 Fee estimates (pre-request option).

In order to avoid unanticipated or potentially large fees, a requester may submit a request for a fee estimate. The Agency will endeavor within ten (10) days to provide an accurate estimate, and, if a request is thereafter submitted, the Agency will not accrue or charge fees in excess of our estimate without the specific permission of the requester. Effective October 2, 1997, the ten (10) day provision is modified to twenty (20) days pursuant to the Electronic Freedom of Information Act Amendments of 1996.

CIA ACTION ON FOIA REQUESTS

§ 1900.21 Processing of requests for records.

(a) In general. Requests meeting the requirements of §§1900.11 through 1900.13 shall be accepted as formal requests and processed under the Freedom of Information Act, 5 U.S.C. 552, and these regulations. Upon receipt, the Agency shall within ten (10) days record each request, acknowledge receipt to the requester in writing, and thereafter effect the necessary taskings to the CIA components reasonably believed to hold responsive records. Effective October 2, 1997, the ten (10) day provision is modified to twenty (20) days pursuant to the Electronic Freedom of Information Act Amendments of 1996.

(b) Database of “officially released information.” As an alternative to extensive tasking and as an accommodation to many requesters, the Agency maintains a database of “officially released information” which contains copies of documents released by this Agency. Searches of this database, containing currently in excess of 500,000 pages, can be accomplished expeditiously. Moreover, requests that are specific and well-focused will often incur minimal, if any, costs. Requesters interested in this means of access should so indicate in their correspondence. Effective November 1, 1997 and consistent with the mandate of the Electronic Freedom of Information Act Amendments of 1996, on-the-public. Detailed information regarding such access will line electronic access to these records will be available to be available at that time from the point of contact specified in §1900.03.

(c) Effect of certain exemptions. In processing a request, the Agency shall decline to confirm or deny the existence or nonexistence of any responsive records whenever the fact of their existence or nonexistence is itself classified under Executive Order 12958 or revealing of intelligence sources and methods protected pursuant to section 103(c)(5) of the National Security Act of 1947. In such circumstances, the Agency, in the form of a final written response, shall so inform the requester and advise of his or her right to an administrative appeal.

(d) Time for response. The Agency will utilize every effort to determine within the statutory guideline of ten (10) days after receipt of an initial request whether to comply with such a request. However, the current volume of requests require that the Agency seek additional time from a requester pursuant to 32 CFR 1900.33. In such event, the Agency will inform the requester in writing and further advise of his or her right to file an administrative appeal of any adverse determination. Effective October 2, 1997, the ten (10) day provision is modified to twenty (20) days pursuant to the Electronic Freedom of Information Act Amendments of 1996.
to another originator or interested party. In making these decisions, the CIA component officers shall be guided by the applicable law as well as the procedures specified at 32 CFR 1900.31 and 32 CFR 1900.32 regarding confidential commercial information and personal information (about persons other than the requester).

(b) Referrals and coordinations. As applicable and within ten (10) days of receipt by the Coordinator, any CIA records containing information originated by other CIA components shall be forwarded to those entities for action in accordance with paragraph (a) of this section and return. Records originated by other federal agencies or CIA records containing other federal agency information shall be forwarded to such agencies within ten (10) days of our completion of initial action in the case for action under their regulations and direct response to the requester (for other agency records) or return to the CIA (for CIA records). Effective October 2, 1997, the ten (10) day provision is modified to twenty (20) days pursuant to 32 CFR 1900.03. The records will be available at such times as mutually agreed but not less than three (3) days from our receipt of a request. The requester will be responsible for reproduction charges for any copies of records desired.

§ 1900.31 Procedures for business information.

(a) In general. Business information obtained by the Central Intelligence Agency by a submitter shall not be disclosed pursuant to a Freedom of Information Act request except in accordance with this section. For purposes of this section, the following definitions apply:

(1) Business information means commercial or financial information in which a legal entity has a recognized property interest;

(2) Confidential commercial information means such business information provided to the United States Government by a submitter which is reasonably believed to contain information exempt from release under exemption (b)(4) of the Freedom of Information Act, 5 U.S.C. 552, because disclosure could reasonably be expected to cause substantial competitive harm;

(3) Submitter means any person or entity who provides confidential commercial information to the United States Government; it includes, but is not limited to, corporations, businesses (however organized), state governments, and foreign governments; and

(b) Designation of confidential commercial information. A submitter of business information will use good-faith efforts to designate, by appropriate markings, either at the time of submission or at a reasonable time thereafter, any portions of its submission that it

(c) Process in event of FOIA request—

(1) Notice to submitters. The Agency shall provide a submitter with prompt written notice of receipt of a Freedom of Information Act request encompassing business information whenever:

(i) The submitter has in good faith designated the information as confidential commercial information, or

(ii) The Agency believes that disclosure of the information could reasonably be expected to cause substantial competitive harm, and

(iii) The information was submitted within the last ten (10) years unless the submitter requested and provided acceptable justification for a longer notice period.

(2) Form of notice. This notice shall either describe the exact nature of the confidential commercial information at issue or provide copies of the responsive records containing such information.

(3) Response by submitter. (i) Within seven (7) days of the above notice, all claims of confidentiality by a submitter must be supported by a detailed statement of any objection to disclosure. Such statement shall:

If the Agency decides to disclose a document over the objection of a submitter, the Agency shall provide the submitter a written notice which shall include:

(A) A statement of the reasons for which the submitter’s disclosure objections were not sustained;

(C) A specified disclosure date which is seven (7) days after the date of the instant notice.

The submitter, as specified above, shall provide such litigation assistance as required by the Agency and the Department of Justice.

(6) Exceptions to notice requirement. The notice requirements of this section shall not apply if the Agency determines that:

(i) The information should not be disclosed in light of other FOIA exemptions;

(ii) The information has been published lawfully or has been officially made available to the public;

(iii) The disclosure of the information is otherwise required by law or federal regulation; or

(iv) The designation made by the submitter under this section appears frivolous, except that, in such a case, the Agency will, within a reasonable time prior to the specified disclosure date, give the submitter written notice of any final decision to disclose the information.

(ii) The Agency believes that disclosure of the information could reasonably be expected to cause substantial competitive harm, and

(iii) The information was submitted within the last ten (10) years unless the submitter requested and provided acceptable justification for a longer notice period.

(2) Form of notice. This notice shall either describe the exact nature of the confidential commercial information at issue or provide copies of the responsive records containing such information.

(3) Response by submitter. (i) Within seven (7) days of the above notice, all claims of confidentiality by a submitter must be supported by a detailed statement of any objection to disclosure. Such statement shall:

(4) Decision and notice of intent to disclose. (i) The Agency shall consider carefully a submitter’s objections and specific grounds for nondisclosure prior to its final determination. If the Agency decides to disclose a document over the objection of a submitter, the Agency shall provide the submitter a written notice which shall include:

Central Intelligence Agency

§ 1900.34

(b) Discharge of FOIA responsibilities.

Components shall exercise due diligence in their responsibilities under the FOIA and must allocate a reasonable level of resources to requests under the Act in a strictly “first-in, first-out” basis and utilizing two or more processing queues to ensure that smaller as well as larger (i.e., project) cases receive equitable attention. The Information and Privacy Coordinator is responsible for management of the Agency-wide program defined by this part and for establishing priorities for cases consistent with established law. The Director, Information Management through the Agency Release Panel shall provide policy and resource direction as necessary and render decisions on administrative appeals.

(c) Requests for extension of time. When the Agency is unable to meet the statutory time requirements of the FOIA, it will inform the requester that the request cannot be processed within the statutory time limits, provide an opportunity for the requester to limit the scope of the request so that it can be processed within the statutory time limits, or arrange with the requester an agreed upon time frame for processing the request, or determine that exceptional circumstances mandate additional time. In such instances the Agency will, however, inform a requester of his or her right to decline our request and proceed with an administrative appeal or judicial review as appropriate. Effective October 2, 1997, the definition of exceptional circumstances is modified per section 552(a)(6)(C) of the Freedom of Information Act, as amended.

§ 1900.34 Requests for expedited processing.

(a) In general. All requests will be handled in the order received on a strictly “first-in, first-out” basis. Exceptions to this rule will only be made in accordance with the following procedures. In all circumstances, however, and consistent with established judicial precedent, requests more properly the scope of requests under the Federal Rules of Civil or Criminal Procedure (or other federal, state, or foreign judicial or quasi-judicial rules) will not be granted expedited processing under
this or related (e.g., Privacy Act) provisions unless expressly ordered by a federal court of competent jurisdiction.

(b) Procedure prior to October 2, 1997. Requests for expedited processing shall be granted only in circumstances that the Agency deems to be exceptional. In making this determination, the Agency shall consider and must decide in the affirmative on all of the following factors:

(i) That there is a genuine need for the specific requested records; and

(ii) That the personal need is exceptional; and

(iii) That there are no alternative forums for the records or information sought; and

(iv) That it is reasonably believed that substantive records relevant to the stated needs may exist and be deemed releasable.

(2) In sum, requests shall be considered for expedited processing only when health, humanitarian, or due process considerations involving possible deprivation of life or liberty create circumstances of exceptional urgency and extraordinary need.

(c) Procedure on or after October 2, 1997. Requests for expedited processing will be approved only when a compelling need is established to the satisfaction of the Agency. A requester may make such a request with a certification of “compelling need” and, within ten (10) days of receipt, the Agency will decide whether to grant expedited processing and will notify the requester of its decision. The certification shall set forth with specificity the relevant facts upon which the requester relies and it appears to the Agency that substantive records relevant to the stated needs may exist and be deemed releasable. A “compelling need” is deemed to exist:

(1) When the matter involves an imminent threat to the life or physical safety of an individual; or

(2) When the request is made by a person primarily engaged in disseminating information and the information is relevant to a subject of public urgency concerning an actual or alleged Federal government activity.

CIA ACTION ON FOIA ADMINISTRATIVE APPEALS

§ 1900.41 Establishment of appeals structure.

(a) In general. Two administrative entities have been established by the Director of Central Intelligence to facilitate the processing of administrative appeals under the Freedom of Information Act. Their membership, authority, and rules of procedure are as follows.

(b) Historical Records Policy Board (“HRPB” or “Board”). This Board, the successor to the CIA Information Review Committee, acts as the senior corporate board in the CIA on all matters of information review and release.

(1) Membership. The HRPB is composed of the Executive Director, who serves as its Chair, the Deputy Director for Administration, the Deputy Director for Intelligence, the Deputy Director for Operations, the Deputy Director for Science and Technology, the General Counsel, the Director of Congressional Affairs, the Director of the Public Affairs Staff, the Director, Center for the Study of Intelligence, and the Associate Deputy Director for Administration/Information Services, or their designees.

(2) Authorities and activities. The HRPB, by majority vote, may delegate to one or more of its members the authority to act on any appeal or other matter or authorize the Chair to delegate such authority, as long as such delegation is not to the same individual or body who made the initial denial. The Executive Secretary of the HRPB is the Director, Information Management. The Chair may request interested parties to participate when special equities or expertise are involved.

(c) Agency Release Panel (“ARP” or “Panel”). The HRPB, pursuant to its delegation of authority, has established a subordinate Agency Release Panel.

(1) Membership. The ARP is composed of the Director, Information Management, who serves as its Chair; the Information Review Officers from the Directorates of Administration, Intelligence, Operations, Science and Technology, and the Director of Central Intelligence Area; the CIA Information

§ 1900.43 Determination(s) by Deputy Director(s).

Each Deputy Director in charge of a directorate which originated or has an interest in any of the records subject to the appeal, or designee, is a required party to any appeal; other interested parties may become involved through the request of the Coordinator when it is determined that some or all of the information is also within their official cognizance. These parties shall respond (45) days of the date of the Agency’s initial decision. The Agency may, for good cause and as a matter of administrative discretion, permit an additional thirty (30) days for the submission of an appeal. All appeals shall be in writing and addressed as specified in 32 CFR 1900.03. All appeals must identify the documents or portions of documents at issue with specificity and may present such information, data, and argument in support as the requester may desire.

§ 1900.42 Right of appeal and appeal procedures.

(a) Right of Appeal. A right of administrative appeal exists whenever access to any requested record or any portion thereof is denied, no records are located in response to a request, or a request for a fee waiver is denied. The Agency will apprise all requesters in writing of their right to appeal such decisions to the CIA Agency Release Panel through the Coordinator.

(b) Requirements as to time and form. Appeals of decisions must be received by the Coordinator within forty-five (45) days of the date of the Agency’s initial decision. The Agency may, for good cause and as a matter of administrative discretion, permit an additional thirty (30) days for the submission of an appeal. All appeals shall be in writing and addressed as specified in 32 CFR 1900.03. All appeals must identify the documents or portions of documents at issue with specificity and may present such information, data, and argument in support as the requester may desire.

(c) Exceptions. No appeal shall be accepted if the requester has outstanding fees for information services at this or another federal agency. In addition, no appeal shall be accepted if the information in question has been the subject of a review within the previous two (2) years or is the subject of pending litigation in the federal courts.

(d) Receipt, recording, and tasking. The Agency shall promptly record each request received under this part, acknowledge receipt to the requester in writing, and thereafter effect the necessary taskings to the Deputy Director(s) in charge of the directorate(s) which originated or has an interest in the record(s) subject to the appeal. As used herein, the term Deputy Director includes an equivalent senior official in the DCI-area as well as a designee known as the Information Review Officer for a directorate or area.

(e) Time for response. The Agency shall attempt to complete action on an appeal within twenty (20) days of the date of receipt. The current volume of requests, however, often requires that the Agency request additional time from the requester pursuant to 32 CFR 1900.33. In such event, the Agency will inform the requester of the right to judicial review.
in writing to the Coordinator with a finding as to the exempt status of the information. This response shall be provided expeditiously on a “first-in, first-out” basis taking into account the business requirements of the parties and consistent with the information rights of members of the general public under the various information review and release laws.

§ 1900.44 Action by appeals authority.

(a) Preparation of docket. The Coordinator, acting in the capacity of Executive Secretary of the Agency Release Panel, shall place administrative appeals of FOIA requests ready for adjudication on the agenda at the next occurring meeting of that Panel. The Executive Secretary shall provide a summation memorandum for consideration of the members; the complete record of the request consisting of the request, the document(s) (sanitized and full text) at issue, and the findings of the concerned Deputy Director(s) or designee(s).

(b) Decision by the Agency Release Panel. The Agency Release Panel shall meet and decide requests sitting as a committee of the whole. Decisions are by majority vote of those present at a meeting and shall be based on the written record and their deliberations; no personal appearances shall be permitted without the express permission of the Panel.

(c) Decision by the Historical Records Policy Board. In any cases of divided vote by the ARP, any member of that body is authorized to refer the request to the CIA Historical Records Policy Board which acts as the senior corporate board for the Agency. The record compiled (the request, the memoranda filed by the originator and interested parties, and the previous decision(s)) as well as any memorandum of law or policy the referent desires to be considered, shall be certified by the Executive Secretary of the Agency Release Panel and shall constitute the official record of the proceedings and must be included in any subsequent filings.

§ 1900.45 Notification of decision and right of judicial review.

The Executive Secretary of the Agency Release Panel shall promptly prepare and communicate the decision of the Panel or Board to the requester. With respect to any decision to deny information, that correspondence shall state the reasons for the decision, identify the officer responsible, and include a notice of a right to judicial review.

Central Intelligence Agency from which records are retrieved by the name of an individual or by some identifying number, symbol, or other identifying particular assigned to that individual.

§ 1901.03 Contact for general information and requests.

For general information on this part, to inquire about the Privacy Act program at CIA, or to file a Privacy Act request, please direct your communication in writing to the Information and Privacy Coordinator, Central Intelligence Agency, Washington, DC. 20505. Requests with the required identification statement pursuant to 32 CFR 1901.13 must be filed in original form by mail. Subsequent communications and any inquiries will be accepted by mail or facsimile at (703) 613–3007 or by telephone at (703) 613–1287. Collect calls cannot be accepted.

§ 1901.04 Suggestions and complaints.

The Agency welcomes suggestions or complaints with regard to its administration of the Privacy Act. Many requesters will receive pre-paid, customer satisfaction survey cards. Letters of suggestion or complaint should identify the specific purpose and the issues for consideration. The Agency will respond to all substantive communications and take such actions as determined feasible and appropriate.

FILING OF PRIVACY ACT REQUESTS

§ 1901.11 Preliminary information.

Members of the public shall address all communications to the contact specified at §1901.03 and clearly delineate the communication as a request under the Privacy Act and this regulation. Requests and administrative appeals on requests, referrals, and coordinations received from members of the public who owe outstanding fees for information services at this or other federal agencies will not be accepted and action on existing requests and appeals will be terminated in such circumstances.

§ 1901.12 Requirements as to form.

(a) In general. No particular form is required. All requests must contain the identification information required at §1901.13.

(b) For access. For requests seeking access, a requester should, to the extent possible, describe the nature of the record sought and the record system(s) in which it is thought to be included. Requesters may find assistance from information described in the Privacy Act Issuances Compilation which is published biannually by the FEDERAL REGISTER. In lieu of this, a requester may simply describe why and under what circumstances it is believed that this Agency maintains responsive records; the Agency will undertake the appropriate searches.

(c) For amendment. For requests seeking amendment, a requester should identify the particular record or portion subject to the request, state a justification for such amendment, and provide the desired amending language.

§ 1901.13 Requirements as to identification of requester.

(a) In general. Individuals seeking access to or amendment of records concerning themselves shall provide their full (legal) name, address, date and place of birth, and current citizenship status together with a statement that such information is true under penalty of perjury or a notarized statement swearing to or affirming identity. If the Agency determines that this information is not sufficient, the Agency may request additional or clarifying information.

(b) Requirement for aliens. Only aliens lawfully admitted for permanent residence (PRAs) may file a request pursuant to the Privacy Act and this part. Such individuals shall provide, in addition to the information required under paragraph (a) of this section, their Alien Registration Number and the date that status was acquired.

(c) Requirement for representatives. The parent or guardian of a minor individual, the guardian of an individual under judicial disability, or an attorney retained to represent an individual shall provide, in addition to establishing the identity of the minor or individual represented as required in
paragraph (a) or (b) of this section, evidence of such representation by submission of a certified copy of the minor’s birth certificate, court order, or representational agreement which establishes the relationship and the requester’s identity.

(d) Procedure otherwise. If a requester or representative fails to provide the information in paragraph (a), (b), or (c) of this section within forty-five (45) days of the date of our request, the Agency will deem the request closed. This action, of course, would not prevent an individual from refiling his or her Privacy Act request at a subsequent date with the required information.

§ 1901.14 Fees.

No fees will be charged for any action under the authority of the Privacy Act, 5 U.S.C. 552a, irrespective of the fact that a request is or may be processed under the authority of both the Privacy Act and the Freedom of Information Act.

ACTION ON PRIVACY ACT REQUESTS

§ 1901.21 Processing requests for access to or amendment of records.

(a) In general. Requests meeting the requirements of 32 CFR 1901.11 through 1901.13 shall be processed under both the Freedom of Information Act, 5 U.S.C. 552, and the Privacy Act, 5 U.S.C. 552a, and the applicable regulations, unless the requester demands otherwise in writing. Such requests will be processed under both Acts regardless of whether the requester cites one Act in the request, both, or neither. This action is taken in order to ensure the maximum possible disclosure to the requester.

(b) Receipt, recording and tasking. Upon receipt of a request meeting the requirements of §§ 1901.11 through 1901.13, the Agency shall within ten (10) days record each request, acknowledge receipt to the requester, and thereafter effect the necessary taskings to the components reasonably believed to hold responsive records.

(c) Effect of certain exemptions. In processing a request, the Agency shall decline to confirm or deny the existence or nonexistence of any responsive records whenever the fact of their existence or nonexistence is itself classified under Executive Order 12958 or revealing of intelligence sources and methods protected pursuant to section 103(c)(5) of the National Security Act of 1947. In such circumstances, the Agency, in the form of a final written response, shall so inform the requester and advise of his or her right to an administrative appeal.

(d) Time for response. Although the Privacy Act does not mandate a time for response, our joint treatment of requests under both the Privacy Act and the FOIA means that the Agency should provide a response within the FOIA statutory guideline of ten (10) days on initial requests and twenty (20) days on administrative appeals. However, the current volume of requests require that the Agency often seek additional time from a requester pursuant to 32 CFR 1901.33. In such event, the Agency will inform the requester in writing and further advise of his or her right to file an administrative appeal.

§ 1901.22 Action and determination(s) by originator(s) or any interested party.

(a) Initial action for access. CIA components tasked pursuant to a Privacy Act access request shall search all relevant record systems within their cognizance. They shall:

(1) Determine whether responsive records exist;

(2) Determine whether access must be denied in whole or part and on what legal basis under both Acts in each such case;

(3) Approve the disclosure of records for which they are the originator; and

(4) Forward to the Coordinator all records approved for release or necessary for coordination with or referral to another originator or interested party as well as the specific determinations with respect to denials (if any).

(b) Initial action for amendment. CIA components tasked pursuant to a Privacy Act amendment request shall review the official records alleged to be inaccurate and the proposed amendment submitted by the requester. If they determine that the Agency’s records are not accurate, relevant,
§ 1901.23 Timely or complete, they shall promptly:

(1) Make the amendment as requested;
(2) Write to all other identified persons or agencies to whom the record has been disclosed (if an accounting of the disclosure was made) and inform of the amendment; and
(3) Inform the Coordinator of such decisions.

(c) Action otherwise on amendment request. If the CIA component records manager declines to make the requested amendment or declines to make the requested amendment but agrees to augment the official records, that manager shall promptly:

(1) Set forth the reasons for refusal; and
(2) Inform the Coordinator of such decision and the reasons therefore.

(d) Referrals and coordinations. As applicable and within ten (10) days of receipt by the Coordinator, any CIA records containing information originated by other CIA components shall be forwarded to those entities for action in accordance with paragraphs (a), (b), or (c) of this section and return. Records originated by other federal agencies or CIA records containing other federal agency information shall be forwarded to such agencies within ten (10) days of our completion of initial action in the case for action under their regulations and direct response to the requester (for other agency records) or return to the CIA (for CIA records).

(e) Effect of certain exemptions. This section shall not be construed to allow access to systems of records exempted by the Director of Central Intelligence pursuant to subsections (j) and (k) of the Privacy Act or where those exemptions require that the CIA can neither confirm nor deny the existence or non-existence of responsive records.

§ 1901.23 Notification of decision and right of appeal.

Within ten (10) days of receipt of responses to all initial taskings and subsequent coordinations (if any), the Agency will provide disclosable records to the requester. If a determination has been made not to provide access to requested records (in light of specific exemptions) or that no records are found, the Agency shall so inform the requester, identify the denying official, and advise of the right to administrative appeal.

ADDITIONAL ADMINISTRATIVE MATTERS

§ 1901.31 Special procedures for medical and psychological records.

(a) In general. When a request for access or amendment involves medical or psychological records and when the originator determines that such records are not exempt from disclosure, the Agency will, after consultation with the Director of Medical Services, determine:

(1) Which records may be sent directly to the requester and
(2) Which records should not be sent directly to the requester because of possible medical or psychological harm to the requester or another person.

(b) Procedure for records to be sent to physician. In the event that the Agency determines, in accordance with paragraph (a)(2) of this section, that records should not be sent directly to the requester, the Agency will notify the requester in writing and advise that the records at issue can be made available only to a physician of the requester’s designation. Upon receipt of such designation, verification of the identity of the physician, and agreement by the physician:

(1) To review the documents with the requesting individual,
(2) To explain the meaning of the documents, and
(3) To offer counseling designed to temper any adverse reaction, the Agency will forward such records to the designated physician.

(c) Procedure if physician option not available. If within sixty (60) days of the paragraph (a)(2) of this section, the requester has failed to respond or designate a physician, or the physician fails to agree to the release conditions, the Agency will hold the documents in abeyance and advise the requester that
this action may be construed as a technical denial. The Agency will also advise the requester of the responsible official and of his or her rights to administrative appeal and thereafter judicial review.

§ 1901.32 Requests for expedited processing.

(a) All requests will be handled in the order received on a strictly “first-in, first-out” basis. Exceptions to this rule will only be made in circumstances that the Agency deems to be exceptional. In making this determination, the Agency shall consider and must decide in the affirmative on all of the following factors:

(1) That there is a genuine need for the records; and
(2) That the personal need is exceptional; and
(3) That there are no alternative forums for the records sought; and
(4) That it is reasonably believed that substantive records relevant to the stated needs may exist and be deemed releasable.

(b) In sum, requests shall be considered for expedited processing only when health, humanitarian, or due process considerations involving possible deprivation of life or liberty create circumstances of exceptional urgency and extraordinary need. In accordance with established judicial precedent, requests more properly the scope of requests under the Federal Rules of Civil or Criminal Procedure (or equivalent state rules) will not be granted expedited processing under this or related (e.g., Freedom of Information Act) provisions unless expressly ordered by a federal court of competent jurisdiction.

§ 1901.33 Allocation of resources; agreed extensions of time.

(a) In general. Agency components shall devote such personnel and other resources to the responsibilities imposed by the Privacy Act as may be appropriate and reasonable considering:

(1) The totality of resources available to the component,
(2) The business demands imposed on the component by the Director of Central Intelligence or otherwise by law,
(3) The information review and release demands imposed by the Congress or other governmental authority, and
(4) The rights of all members of the public under the various information review and disclosure laws.

(b) Discharge of Privacy Act responsibilities. Components shall exercise due diligence in their responsibilities under the Privacy Act and must allocate a reasonable level of resources to requests under the Act in a strictly “first-in, first-out” basis and utilizing two or more processing queues to ensure that smaller as well as larger (i.e., project) cases receive equitable attention. The Information and Privacy Coordinator is responsible for management of the Agency-wide program defined by this Part and for establishing priorities for cases consistent with established law. The Director, Information Management through the Agency Release Panel shall provide policy and resource direction as necessary and shall make determinations on administrative appeals.

(c) Requests for extension of time. While the Privacy Act does not specify time requirements, our joint treatment of requests under the FOIA means that when the Agency is unable to meet the statutory time requirements of the FOIA, the Agency may request additional time from a requester. In such instances the Agency will inform a requester of his or her right to decline our request and proceed with an administrative appeal or judicial review as appropriate.

ACTION ON PRIVACY ACT ADMINISTRATIVE APPEALS

§ 1901.41 Establishment of appeals structure.

(a) In general. Two administrative entities have been established by the Director of Central Intelligence to facilitate the processing of administrative appeals under the Freedom of Information Act. Their membership, authority, and rules of procedure are as follows.

(b) Historical Records Policy Board (“HRPB” or “Board”). This Board, the successor to the CIA Information Review Committee, acts as the senior corporate board in the CIA on all matters of information review and release.
§ 1901.42 Right of appeal and appeal procedures.

(a) Right of Appeal. A right of administrative appeal exists whenever access to any requested record or any portion thereof is denied, no records are located in response to a request, or a request for amendment is denied. The Agency will apprise all requesters in writing of their right to appeal such decisions to the CIA Agency Release Panel through the Coordinator.

(b) Requirements as to time and form. Appeals of decisions must be received by the Coordinator within forty-five (45) days of the date of the Agency’s initial decision. The Agency may, for good cause and as a matter of administrative discretion, permit an additional thirty (30) days for the submission of an appeal. All appeals to the Panel shall be in writing and addressed as specified in 32 CFR 1901.03. All appeals must identify the documents or portions of documents at issue with specificity, provide the desired amending language (if applicable), and may present such information, data, and argument in support as the requester may desire.

(c) Exceptions. No appeal shall be accepted if the requester has outstanding fees for information services at this or
another federal agency. In addition, no appeal shall be accepted if the information in question has been the subject of an administrative review within the previous two (2) years or is the subject of pending litigation in the federal courts.

(d) Receipt, recording, and tasking. The Agency shall promptly record each administrative appeal, acknowledge receipt to the requester in writing, and thereafter effect the necessary taskings to the Deputy Director(s) in charge of the directorate(s) which originated or has an interest in the record(s) subject to the appeal. As used herein, the term Deputy Director includes an equivalent senior official within the DCI-area as well as a designee known as the Information Review Officer for a directorate or area.

§ 1901.43 Determination(s) by Deputy Director(s).

Each Deputy Director in charge of a directorate which originated or has an interest in any of the records subject to the appeal, or designee, is a required party to any appeal; other interested parties may become involved through the request of the Coordinator when it is determined that some or all of the information is also within their official cognizance. These parties shall respond in writing to the Coordinator with a finding as to the exempt or non-exempt status of the information including citations to the applicable exemption and/or their agreement or disagreement as to the requested amendment and the reasons therefore. Each response shall be provided expeditiously on a “first-in, first-out” basis taking into account the business requirements of the parties and consistent with the information rights of members of the general public under the various information review and release laws.

§ 1901.44 Action by appeals authority.

(a) Preparation of docket. The Coordinator, acting as the Executive Secretary of the Agency Release Panel, shall place administrative appeals of Privacy Act requests ready for adjudication on the agenda at the next occurring meeting of that Panel. The Executive Secretary shall provide a summation memorandum for consideration of the members; the complete record of the request consisting of the request, the document(s) (sanitized and full text) at issue, and the findings of the concerned Deputy Director(s) or designee(s).

(b) Decision by the Agency Release Panel. The Agency Release Panel shall meet and decide requests sitting as a committee of the whole. Decisions are by majority vote of those present at a meeting and shall be based on the written record and their deliberations; no personal appearances shall be permitted without the express permission of the Panel.

(c) Decision by the Historical Records Policy Board. In any cases of divided vote by the ARP, any member of that body is authorized to refer the request to the CIA Historical Records Policy Board which acts as the senior corporate board for the Agency. The record compiled (the request, the memoranda filed by the originator and interested parties, and the previous decision(s)) as well as any memorandum of law or policy the referent desires to be considered, shall be certified by the Executive Secretary of the Agency Release Panel and shall constitute the official record of the proceedings and must be included in any subsequent filings.

§ 1901.45 Notification of decision and right of judicial review.

(a) In general. The Executive Secretary of the Agency Release Panel shall promptly prepare and communicate the decision of the Panel or Board to the requester. With respect to any decision to deny information or deny amendment, that correspondence shall state the reasons for the decision, identify the officer responsible, and include a notice of the right to judicial review.

(b) For amendment requests. With further respect to any decision to deny an amendment, that correspondence shall also inform the requester of the right to submit within forty-five (45) days a statement of his or her choice which shall be included in the official records of the CIA. In such cases, the applicable record system manager shall clearly note any portion of the official record which is disputed, append the
requester’s statement, and provide copies of the statement to previous recipients (if any are known) and to any future recipients when and if the disputed information is disseminated in accordance with a routine use.

**PROHIBITIONS**

§ 1901.51 Limitations on disclosure.

No record which is within a system of records shall be disclosed by any means of communication to any individual or to another agency, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless disclosure of the record would be:

(a) To those officers and employees of this Agency which maintains the record who have a need for the record in the performance of their duties;

(b) Required under the Freedom of Information Act, 5 U.S.C. 552;

(c) For a routine use as defined in §1901.02(m), as contained in the Privacy Act Issuances Compilation which is published biennially in the FEDERAL REGISTER, and as described in §§(a)(7) and (e)(4)(D) of the Act;

(d) To the Bureau of the Census for purposes of planning or carrying out a census or survey or related activity pursuant to the provisions of U.S.C. Title 13;

(e) To a recipient who has provided the Agency with advance adequate written assurance that the record will be used solely as a statistical research or reporting record, and the record is to be transferred in a form that is not individually identifiable;

(f) To the National Archives and Records Administration as a record which has sufficient historical or other value to warrant its continued preservation by the United States Government, or for evaluation by the Archivist of the United States or designee to determine whether the record has such value;

(g) To another agency or to an instrumentality of any governmental jurisdiction within or under the control of the United States for a civil or criminal law enforcement activity if the activity is authorized by law, and if the head of that agency or instrumentality has made a written request to the CIA specifying the particular information desired and the law enforcement activity for which the record is sought;

(h) To a person pursuant to a showing of compelling circumstances affecting the health or safety of an individual if upon such disclosure notification is transmitted to the last known address of such individual;

(i) To either House of Congress, or, to the extent of matter within its jurisdiction, any committee or subcommittee thereof, any joint committee of Congress or subcommittee of any such joint committee;

(j) To the Comptroller General or any of his authorized representatives in the course of the performance of the duties of the General Accounting Office; or

(k) To any agency, government instrumentality, or other person or entity pursuant to the order of a court of competent jurisdiction of the United States or constituent states.

§ 1901.52 Criminal penalties.

(a) Unauthorized disclosure. Criminal penalties may be imposed against any officer or employee of the CIA who, by virtue of employment, has possession of or access to Agency records which contain information identifiable with an individual, the disclosure of which is prohibited by the Privacy Act or by these rules, and who, knowing that disclosure of the specific material is so prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive same.

(b) Unauthorized maintenance. Criminal penalties may be imposed against any officer or employee of the CIA who willfully maintains a system of records without meeting the requirements of section (e)(4) of the Privacy Act, 5 U.S.C.552a. The Coordinator and the Inspector General are authorized independently to conduct such surveys and inspect such records as necessary from time to time to ensure that these requirements are met.

(c) Unauthorized requests. Criminal penalties may be imposed upon any person who knowingly and willfully requests or obtains any record concerning an individual from the CIA under false pretenses.
§ 1901.61 Purpose and authority.

Pursuant to authority granted to the Director of Central Intelligence under the Privacy Act, the Director of Central Intelligence has determined to exempt from all sections of the Act—except sections 552a(b); (c) (1) and (2); (e) (1), (4) (A)-(D), (5), (6), (7), (9), (10), and (11); and (f)—the following systems of records or portions of records in a system of record:

(1) Polygraph records.

(2) [Reserved]

§ 1901.62 General exemptions.

(a) Pursuant to authority granted in section (j) of the Privacy Act, the Director of Central Intelligence has determined to exempt from all sections of the Act—except sections 552a(b); (c) (1) and (2); (e) (1), (4) (A)-(D), (5), (6), (7), (9), (10), and (11); and (f)—the following systems of records or portions of records in a system of record:

(1) Polygraph records.

(2) [Reserved]
§ 1901.63 Specific exemptions.

Pursuant to authority granted in section (k) of the Privacy Act, the Director of Central Intelligence has determined to exempt from section (d) of the Privacy Act those portions and only those portions of all systems of records maintained by the CIA that would consist of, pertain to, or otherwise reveal information that is:

(a) Classified pursuant to Executive Order 12958 (or successor or prior Order) and thus subject to the provisions of 5 U.S.C. 552(b)(1) and 5 U.S.C. 552a(k)(1); and

(b) Investigatory in nature and compiled for law enforcement purposes, other than material within the scope of section (j)(2) of the Act; provided however, that if an individual is denied any right, privilege, or benefit to which they are otherwise eligible, as a result of the maintenance of such material, then such material shall be provided to that individual except to the extent that the disclosure would reveal the identity of a source who furnished the information to the United States Government under an express promise of confidentiality, or, prior to the effective date of this section, under an implied promise of confidentiality;

(c) Maintained in connection with providing protective services to the President of the United States or other individuals pursuant to 18 U.S.C. 3056; and

(d) Required by statute to be maintained and used solely as statistical records;

(e) Investigatory in nature and compiled solely for the purpose of determining suitability, eligibility, or qualifications for federal civilian employment, military service, federal contracts, or access to classified information, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the United States Government under an express promise of confidentiality, or, prior to the effective date of this section, under an implied promise of confidentiality;
(f) Testing or examination material used solely to determine individual qualifications for appointment or promotion in the federal service the disclosure of which would compromise the objectivity or fairness of the testing or examination process; or

(g) Evaluation material used to determine potential for promotion in the armed services, but only to the extent that the disclosure of such material would reveal the identity of a source who furnished information to the United States Government under an express promise of confidentiality, or, prior to the effective date of this section, under an implied promise of confidentiality.

PART 1902—INFORMATION SECURITY REGULATIONS

Subparts A–E [Reserved]

Subpart F—Declassification and Downgrading

AUTHORITY: Sec. 5–402 of Executive Order 12065.

§ 1902.13 Declassification and downgrading policy.

(a)–(b) [Reserved]

(c) The Executive Order provides that in some cases the need to protect properly classified information “may be outweighed by the public interest in disclosure of the information,” and that “when such questions arise” the competing interests in protection and disclosure are to be balanced. The Order further provides that the information is to be declassified in such cases if the balance is struck in favor of disclosure. The drafters of the Order recognized that such cases would be rare and that declassification decisions in such cases would remain the responsibility of the Executive Branch. For purposes of these provisions, a question as to whether the public interest favoring the continued protection of properly classified information is outweighed by a public interest in the disclosure of that information will be deemed to exist only in circumstances where, in the judgment of the agency, nondisclosure could reasonably be expected to:

1. Place a person’s life in jeopardy.
2. Adversely affect the public health and safety.
3. Impede legitimate law enforcement functions.
4. Impede the investigative or oversight functions of the Congress.
5. Obstruct the fair administration of justice.
6. Deprive the public of information indispensable to public decisions on issues of critical national importance (effective for declassification reviews conducted on or after 1 February 1980).

(d) When a case arises that requires a balancing of interests under paragraph (c) above, the reviewing official shall refer the matter to an Agency official having Top Secret classification authority, who shall balance. If it appears that the public interest in disclosure of the information may outweigh any continuing need for its protection, the case shall be referred with a recommendation for decision to the appropriate Deputy Director or Head of Independent Office. If those officials believe disclosure may be warranted, they, in coordination with OGC, as appropriate, shall refer the matter and a recommendation to the DDCI. If the DDCI determines that the public interest in disclosure of the information outweighs any damage to national security that might reasonably be expected to result from disclosure, the information shall be declassified.

(e) The Office of General Counsel shall be responsible for notifying the appropriate employees and other persons of all decisions regarding responses to demands and providing advice and counsel as to the implementation of such decisions.

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless that action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The Agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The Agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The Agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity conducted by the Agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The Agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The Agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the Agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the Agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits or a program limited by Federal statute or Executive Order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive Order to a different class of individuals with handicaps is not prohibited by this part.

§§ 1906.131–1906.139 [Reserved]

§ 1906.140 Employment.

No qualified individual with handicaps shall, solely on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1979 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1906.141–1906.148 [Reserved]

§ 1906.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §1906.150, no qualified individual with handicaps shall, because the Agency’s facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Agency.

§ 1906.150 Program accessibility: Existing facilities.

(a) General. The Agency shall operate each program or activity so that the program or activity, viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This program does not—

(1) Necessarily require the Agency to make each of its existing facilities accessible to and usable by individuals with handicaps.

(2)(i) Require the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

(ii) The Agency has the burden of proving that compliance with §1906.150(a) would result in that alteration or those burdens.

(iii) The decision that compliance would result in that alteration or those burdens must be made by the Director after considering all of the Agency’s resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion.

(iv) If an action would result in that alteration or those burdens, the Agency shall take any other action that would not result in the alteration or burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) Methods. (1) The Agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps.

(2) The Agency is not required to make structural changes in existing facilities if other methods are effective in achieving compliance with this section.

(3) The Agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing that Act.

(4) In choosing among available methods for meeting the requirements of this section, the Agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) Time period for compliance. The Agency shall comply with the obligations established under this section within 60 days of the effective date of this part except that if structural changes in facilities are undertaken, the changes shall be made within 3 years of the effective date of this part, but in any event as expeditiously as possible.

(d) Transition plan. (1) In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Agency shall develop,
within 6 months of the effective date of this part, a transition plan setting forth the steps necessary to complete those changes.

(2) The Agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan must be made available for public inspection.

(3) The plan must, at a minimum—
   (i) Identify physical obstacles in the Agency’s facilities that limit the accessibility of its programs or activities to individuals with handicaps;
   (ii) Describe in detail the methods that will be used to make the facilities accessible;
   (iii) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and
   (iv) Indicate the official responsible for implementation of the plan.

§ 1906.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of, the Agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act of 1968 (42 U.S.C. 4151–4175), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 1906.152–1906.159 [Reserved]

§ 1906.160 Communications.

(a) The Agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public as follows:
   (1)(i) The Agency shall furnish appropriate auxiliary aids if necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Agency.
   (ii) In determining what type of auxiliary aid is necessary, the Agency shall give primary consideration to the requests of the individual with handicaps.
   (2) Where the Agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD’s) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.
   (b) The Agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.
   (c) The Agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.
   (d) This section does not require the Agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the Agency has the burden of proving that compliance with §1906.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Agency head or his or her designee after considering all Agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such alteration or such burdens, the Agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum
§§ 1906.161–1906.169

extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1906.161–1906.169 [Reserved]

§ 1906.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the Agency.

(b) The Agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Director, Office of Equal Employment Opportunity, is responsible for coordinating implementation of this section. Complaints may be sent to Central Intelligence Agency, Director, Office of Equal Employment Opportunity, Washington, DC 20505.

(d) The Agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The Agency may extend this time period for good cause.

(e) If the Agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The Agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157) is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, The Agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Agency of the letter required by §1906.170(g). The Agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Director.

(j) The Agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the Agency determines that it needs additional information from the complainant, it shall have 60 days from the date it receives the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The Director may delegate the authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated.

The Agency welcomes suggestions or complaints with regard to its administration of the Executive Order. Letters of suggestion or complaint should identify the specific purpose and the issues for consideration. The Agency will respond to all substantive communications and take such actions as determined feasible and appropriate.

FILING OF CHALLENGES

§ 1907.11 Prerequisites.
The Central Intelligence Agency has established liaison and procedures with many agencies for declassification issues. Prior to reliance on this Part, authorized holders are required to first exhaust such established administrative procedures for the review of classified information. Further information on these procedures is available from the point of contact, see 32 CFR 1907.03.

§ 1907.12 Requirements as to form.
The challenge shall include identification of the challenger by full name and title of position, verification of security clearance or other basis of authority, and an identification of the documents or portions of documents or information at issue. The challenge shall also, in detailed and factual terms, identify and describe the reasons why it is believed that the information is not protected by one or more of the §1.5 provisions, that the release of the information would not cause damage to the national security, or that the information should be declassified due to the passage of time. The challenge must be properly classified; in this regard, until the challenge is decided, the authorized holder must treat the challenge, the information being challenged, and any related or explanatory information as classified at the same level as the current classification of the information in dispute.

§ 1907.13 Identification of material at issue.
Authorized holders shall append the documents at issue and clearly mark those portions subject to the challenge. If information not in documentary form is in issue, the challenge shall state so clearly and present or other-wise refer with specificity to that information in the body of the challenge.

§ 1907.14 Transmission.
Authorized holders must direct challenge requests to the CIA as specified in §1907.03. The classified nature of the challenge, as well as the appended documents, require that the holder transmit same in full accordance with established security procedures. In general, registered U.S. mail is approved for SECRET, non-compartmented material; higher classifications require use of approved Top Secret facsimile machines or CIA-approved couriers. Further information is available from the CIA as well as corporate or other federal agency security departments.

ACTION ON CHALLENGES

§ 1907.21 Receipt, recording, and tasking.
The Executive Secretary of the Agency Release Panel shall within ten (10) days record each challenge received under this Part, acknowledge receipt to the authorized holder, and task the originator and other interested parties. Additional taskings, as required during the review process, shall be accomplished within five (5) days of notification.

§ 1907.22 Challenges barred by res judicata.
The Executive Secretary of the Agency Release Panel shall respond on behalf of the Panel and deny any challenge where the information in question has been the subject of a classification review within the previous two (2) years or is the subject of pending litigation in the federal courts.

§ 1907.23 Response by originator(s) and/or any interested party.
(a) In general. The originator of the classified information (document) is a required party to any challenge; other interested parties may become involved through the request of the Executive Secretary or the originator when it is determined that some or all of the information is also within their official cognizance.

(b) Determination. These parties shall respond in writing to the Executive
Secretary of the Agency Release Panel with a mandatory unclassified finding, to the greatest extent possible, and an optional classified addendum. This finding shall agree to a declassification or, in specific and factual terms, explain the basis for continued classification including identification of the category of information, the harm to national security which could be expected to result from disclosure, and, if older than ten (10) years, the basis for the extension of classification time under §§1.6 and 3.4 of this Order. These parties shall also provide a statement as to whether or not there is any other statutory, common law, or Constitutional basis for withholding as required by §6.1(c) of this Order.

(c) Time. The determination(s) shall be provided on a “first-in, first-out” basis with respect to all challenges pending under this section and shall be accomplished expeditiously taking into account the requirements of the authorized holder as well as the business requirements of the originator including their responsibilities under the Freedom of Information Act, the Privacy Act, or the mandatory declassification review provisions of this Order.

§1907.24 Designation of authority to hear challenges.

The Deputy Director for Administration has designated the Agency Release Panel and the Historical Records Policy Board, established pursuant to 32 CFR 1900.41, as the Agency authority to hear and decide challenges under these regulations.

§1907.25 Action on challenge.

(a) Action by Agency Release Panel. The Executive Secretary shall place challenges ready for adjudication on the agenda at the next occurring meeting of the Agency Release Panel. The Executive Secretary shall provide a summation memorandum for consideration of the members; the complete package consisting of the challenge, the information at issue, and the findings of the originator and interested parties shall also be provided. The Agency Release Panel shall meet and decide challenges sitting as a committee of the whole. Decisions are by majority vote of those present at a meeting and shall be based on the written record and their deliberations; no personal appearances shall be permitted without the express permission of the Panel.

(b) Action by Historical Records Policy Board. In any cases of divided vote by the ARP, any member of that body is authorized to refer the request to the CIA Historical Records Policy Board which acts as the senior corporate board for the Agency. The record compiled (the request, the memoranda filed by the originator and interested parties, and the previous decision(s)) as well as any memorandum of law or policy the referent desires to be considered, shall be certified by the Executive Secretary of the Agency Release Panel and shall constitute the official record of the proceedings and must be included in any subsequent filings.

§1907.26 Notification of decision and prohibition on adverse action.

The Executive Secretary of the Agency Release Panel shall communicate the decision of the Agency to the authorized holder, the originator, and other interested parties within ten (10) days of the decision by the Panel or Board. That correspondence shall include a notice that no adverse action or retribution can be taken in regard to the challenge and that an appeal of the decision may be made to the Interagency Security Classification Appeals Panel (ISCAP) established pursuant to §5.4 of this Order.

RIGHT OF APPEAL

§1907.31 Right of appeal.

A right of appeal is available to the ISCAP established pursuant to §5.4 of this Order. Action by that body will be the subject of rules to be promulgated by the Information Security Oversight Office (ISOO).

The Agency will respond to all substantive communications and take such actions as determined feasible and appropriate.

§ 1908.11 Preliminary information.

Members of the public shall address all communications to the point of contact specified above and clearly delineate the communication as a request under this regulation. Requests and appeals on requests received from members of the public who owe outstanding fees for information services under this Order or the Freedom of Information Act at this or another federal agency will not be accepted until such debts are resolved.

§ 1908.12 Requirements as to form.

The request shall identify the document(s) or material(s) with sufficient specificity (e.g., National Archives and Records Administration (NARA) Document Accession Number or other applicable, unique document identifying number) to enable the Agency to locate it with reasonable effort. Broad or topical requests for records on a particular subject may not be accepted under this provision. The Information and Privacy Coordinator shall within ten (10) days record each mandatory declassification review
§ 1908.22 Requests barred by res judicata.

The Coordinator shall respond to the requester and deny any request where the information in question has been the subject of a classification review within the previous two (2) years or is the subject of pending litigation in the federal courts.

§ 1908.23 Determination by originator or interested party.

(a) In general. The originator of the classified information (document) is a required party to any mandatory declassification review request; other interested parties may become involved through a referral by the Coordinator when it is determined that some or all of the information is also within their official cognizance.

(b) Required determinations. These parties shall respond in writing to the Coordinator with a finding as to the classified status of the information including the category of protected information as set forth in §1.5 of this Order, and, if older than ten (10) years, the basis for the extension of classification time under §§1.6 and 3.4 of this Order. These parties shall also provide a statement as to whether or not there is any other statutory, common law, or Constitutional basis for withholding as required by §6.1(c) of this Order.

(c) Time. This response shall be provided expeditiously on a “first-in, first-out” basis taking into account the business requirements of the originator or interested parties and consistent with the information rights of members of the general public under the Freedom of Information Act and the Privacy Act.

§ 1908.24 Notification of decision and right of appeal.

The Coordinator shall communicate the decision of the Agency to the requester within ten (10) days of completion of all review action. That correspondence shall include a notice of a right of administrative appeal to the Agency Release Panel pursuant to §3.6(d) of this Order.

AGENCY ACTION ON MDR APPEALS

§ 1908.31 Requirements as to time and form.

Appeals of decisions must be received by the Coordinator within forty-five (45) days of the date of mailing of the Agency’s initial decision. It shall identify with specificity the documents or information to be considered on appeal and it may, but need not, provide a factual or legal basis for the appeal.

§ 1908.32 Receipt, recording, and tasking.

The Coordinator shall promptly record each appeal received under this part, acknowledge receipt to the requester, and task the originator and other interested parties. Additional taskings, as required during the review process, shall be accomplished within ten (10) days of notification.

§ 1908.33 Determination by Deputy Director(s).

Each Deputy Director in charge of a directorate which originated or has an interest in any of the records subject to the appeal, or designee, is a required party to any appeal; other interested parties may become involved through the request of the Coordinator when it is determined that some or all of the information is also within their official cognizance. These parties shall also provide a statement as to whether or not there is any other statutory, common law, or Constitutional basis for withholding as required by §6.1(c) of this Order. This response shall be provided expeditiously on a “first-in, first-out” basis.
taking into account the business requirements of the parties and consistent with the information rights of members of the general public under the Freedom of Information Act and the Privacy Act.

§ 1908.34 Establishment of appeals structure.

(a) In general. Two administrative entities have been established by the Director of Central Intelligence to facilitate the processing of administrative appeals under the mandatory declassification review provisions of this Order. Their membership, authority, and rules of procedure are as follows.

(b) Historical Records Policy Board ("HRPB" or "Board"). This Board, the successor to the CIA Information Review Committee, acts as the senior corporate board in the CIA on all matters of information review and release. It is composed of the Executive Director, who serves as its Chair, the Deputy Director for Administration, the Deputy Director for Intelligence, the Deputy Director for Operations, the Deputy Director for Science and Technology, the General Counsel, the Director of Congressional Affairs, the Director of the Public Affairs Staff, the Director for the Study of Intelligence, and the Associate Deputy Director for Administration/Information Services, or their designees. The Board, by majority vote, may delegate to one or more of its members the authority to act on any appeal or other matter or authorize the Chair to delegate such authority, as long as such delegation is not to the same individual or body who made the initial denial. The Executive Secretary of the HRPB is the Director, Information Management. The Chair may request interested parties to participate when special equities or expertise are involved. The Panel, functioning as a committee of the whole or through individual members, will make final Agency decisions from appeals of initial denial decisions under E.O. 12958. Issues not resolved by the Panel will be referred by the Panel to the HRPB. Matters decided by the Panel or Board will be deemed a final decision by the Agency.

§ 1908.35 Action by appeals authority.

(a) Action by Agency Release Panel. The Coordinator, in his or her capacity as Executive Secretary of the Agency Release Panel, shall place appeals of mandatory declassification review requests ready for adjudication on the agenda at the next occurring meeting of the Agency Release Panel. The Executive Secretary shall provide a summation memorandum for consideration of the members, the complete record of the request consisting of the request, the document(s) (sanitized and full text) at issue, and the findings of the originator and interested parties. The Panel shall meet and decide requests sitting as a committee of the whole. Decisions are by majority vote of those present at a meeting and shall be based on the written record and their deliberations; no personal appearances shall be permitted without the express permission of the Panel.

(b) Action by Historical Records Policy Board. In any cases of divided vote by
the ARP, any member of that body is authorized to refer the request to the CIA Historical Records Policy Board which acts as the senior corporate board for the Agency. The record compiled (the request, the memoranda filed by the originator and interested parties, and the previous decision(s)) as well as any memorandum of law or policy the referent desires to be considered, shall be certified by the Executive Secretary of the Agency Release Panel and shall constitute the official record of the proceedings and must be included in any subsequent filings.

§ 1908.36 Notification of decision and right of further appeal.

The Coordinator shall communicate the decision of the Panel or Board to the requester, NARA, or the particular Presidential Library within ten (10) days of such decision. That correspondence shall include a notice that an appeal of the decision may be made to the Interagency Security Classification Appeals Panel (ISCAP) established pursuant to §5.4 of this Order.

FURTHER APPEALS

§ 1908.41 Right of further appeal.

A right of further appeal is available to the ISCAP established pursuant to §5.4 of this Order. Action by that Panel will be the subject of rules to be promulgated by the Information Security Oversight Office (ISOO).

REQUESTS FOR HISTORICAL ACCESS

§ 1909.11 Requirements as to who may apply.

(a) Historical researchers—(1) In general. Any historian engaged in a historical research project as defined above may submit a request in writing to the Coordinator to be given access to classified information for purposes of that research. Any such request shall indicate the nature, purpose, and scope of the research project.

(2) Additional considerations. In light of the very limited resources for the Agency’s various historical programs,
§ 1909.12 Designations of authority to hear requests.

The Deputy Director for Administration has designated the Coordinator, the Agency Release Panel, and the Historical Records Policy Board, established pursuant to 32 CFR 1900.41, as the Agency authorities to decide requests for historical and former Presidential appointee access under Executive Order 12958 (or successor Orders) and these regulations.

§ 1909.13 Receipt, recording, and tasking.

The Information and Privacy Coordinator shall within ten (10) days record each request for historical access received under this Part, acknowledge receipt to the requester in writing and take the following action:

(a) Compliance with general requirements. The Coordinator shall review each request under this part and determine whether it meets the general requirements as set forth in 32 CFR 1909.11; if it does not, the Coordinator shall so notify the requester and explain the legal basis for this decision.

(b) Action on requests meeting general requirements. (4) That a pre-publication agreement has been or will be executed by the requester (or research associate, if any) which provides for a review of notes and any resulting manuscript (by Director of Personnel Security and representative of the Office of General Counsel);

§ 1909.18 Termination of access.

The Coordinator shall cancel any authorization whenever the Director of Personnel Security cancels the security clearance of a requester (or research associate, if any) or whenever the Agency Release Panel determines that continued access would not be in compliance with one or more of the requirements of 32 CFR 1909.14(a).

AUTHORITY: Section 5.2 (a) and (b), and section 5.4., E.O. 12958, 60 FR 19825, April 20, 1995.

SOURCE: 60 FR 53492, Oct. 13, 1995, unless otherwise noted.

Subpart A—Classification

§ 2001.10 Classification definitions and standards [1.1 and 1.2].

(a) Definitions. (1) An original classification authority with jurisdiction over the information includes:
   (i) The official who authorized the original classification, if that official is still serving in the same position;
   (ii) The originator’s current successor in function;
   (iii) A supervisory official of either; or
   (iv) The senior agency official under Executive Order 12958 (“the Order”).

(2) Permanently valuable information or permanent historical value refers to information contained in:
   (i) Records that have been accessioned into the National Archives of the United States;
   (ii) Records that have been scheduled as permanent under a records retention schedule approved by the National Archives and Records Administration (NARA); and
   (iii) Presidential historical materials, presidential records or donated historical materials located in the National Archives of the United States, a presidential library, or any other approved repository.

(b) Identifying or describing damage to the national security. Section 1.2(a) of the Order sets forth the conditions for classifying information in the first instance. One of these conditions, the ability to identify or describe the damage to the national security, is critical to the process of making an original classification decision. There is no requirement, at the time of the decision, for the original classification authority to prepare a written description of such damage. However, the original classification authority must be able to support the decision in writing, including identifying or describing the damage, should the classification decision become the subject of a challenge or access demand.

§ 2001.11 Classification authority [1.4].

(a) General. Agencies with original classification authority shall establish a training program for original classifiers in accordance with subpart D of this part.

1Bracketed references pertain to related sections of Executive Order 12958.
§ 2001.12 Requests for original classification authority. Agencies not possessing such authority shall forward requests to the Director of the Information Security Oversight Office (ISOO). The agency head must make the request and shall provide a specific justification of the need for this authority. The Director of ISOO shall forward the request, along with the Director’s recommendation, to the President through the Director of the Office of Management and Budget within 30 days. Agencies wishing to increase their assigned level of original classification authority shall forward requests in accordance with the procedures of this section.

§ 2001.12 Duration of classification [1.6].

(a) Determining duration of classification for information originally classified under the Order—(1) Establishing duration of classification. When determining the duration of classification for information originally classified under this Order, an original classification authority shall follow the sequence listed in paragraphs (a)(1)(i), (ii), and (iii) of this section.

(i) The original classification authority shall attempt to determine a date or event that is less than 10 years from the date of original classification and which coincides with the lapse of the information’s national security sensitivity, and shall assign such date or event as the declassification instruction.

(ii) If unable to determine a date or event of less than 10 years, the original classification authority shall ordinarily assign a declassification date that is 10 years from the date of the original classification decision.

(iii) The original classification authority may assign an exemption designation to the information only if the information qualifies for exemption from automatic declassification as described in section 1.6(d) of the Order. Unless declassified earlier, such information contained in records determined by the Archivist of the United States to be permanently valuable shall remain classified for 25 years from the date of its origin, at which time it will be subject to section 3.4 of the Order.

(2) Extending duration of classification for information originally classified under the Order. Extensions of classification are not automatic. If an original classification authority with jurisdiction over the information does not extend the classification of information assigned a date or event for declassification, the information is automatically declassified upon the occurrence of the date or event. If an original classification authority has assigned a date or event for declassification that is 10 years or less from the date of classification, an original classification authority with jurisdiction over the information may extend the classification duration of such information for additional periods not to exceed 10 years at a time.

(i) For information in records determined to have permanent historical value, successive extensions may not exceed a total of 25 years from the date of the information’s origin. Continued classification of this information beyond 25 years is governed by section 3.4 of the Order.

(ii) For information in records not determined to have permanent historical value, successive extensions may exceed 25 years from the date of the information’s origin.

(3) Conditions for extending classification. When extending the duration of classification, the original classification authority must:

(i) Be an original classification authority with jurisdiction over the information;

(ii) Ensure that the information continues to meet the standards for classification under the Order; and

(iii) Make reasonable attempts to notify all known holders of the information.

(b) Information classified under prior orders—(1) Specific date or event. Unless declassified earlier, information marked with a specific date or event for declassification under a prior order is automatically declassified upon that date or event. However, if the information is contained in records determined by the Archivist of the United States to be permanently valuable, and the prescribed date or event will take place more than 25 years from the information’s origin, the declassification of the
information will instead be subject to section 3.4 of the Order.

(2) Indefinite duration of classification. For information marked “Originating Agency’s Determination Required,” its acronym “OADR,” or with some other marking indicating an indefinite duration of classification under a prior order:

(i) A declassification authority, as defined in section 3.1 of the Order, may declassify it;

(ii) An authorized original classification authority with jurisdiction over the information may re-mark the information to establish a duration of classification consistent with the requirements for information originally classified under the Order, as provided in paragraph (a) of this section; or

(iii) Unless declassified earlier, such information contained in records determined by the Archivist of the United States to be permanently valuable shall remain classified for 25 years from the date of its origin, at which time it will be subject to section 3.4 of the Order.

(c) Foreign government information. The declassifying agency is the agency that initially received or classified the information. When foreign government information is being considered for declassification or appears to be subject to automatic declassification, the declassifying agency shall determine whether the information is subject to a treaty or international agreement that would prevent its declassification at that time. Depending on the age of the information and whether it is contained in permanently valuable records, the declassifying agency shall also determine if another exemption under section 1.6(d) (other than section 1.6(d)(5)) or 3.4(b) of the Order, such as the exemptions that pertain to United States foreign relations, may apply to the information. If the declassifying agency believes such an exemption may apply, it should consult with any other concerned agencies in making its declassification determination. The declassifying agency or the Department of State, as appropriate, should consult with the foreign government prior to declassification.

(d) Determining when information is subject to automatic declassification. The “date of the information’s origin” or “the information’s origin,” as used in the Order and this part, pertains to the date that specific information, which is contemporaneously or subsequently classified, is first recorded in an agency’s records, or in presidential historical materials, presidential records or donated historical materials. The following examples illustrate this process:

Example 1. An agency first issues a classification guide on the F–99 aircraft on October 20, 1995. The guide states that the fact that the F–99 aircraft has a maximum velocity of 500 m.p.h. shall be classified at the “Secret” level for a period of ten years. A document dated July 10, 1999, is classified because it includes the maximum velocity of the F–99. The document should be marked for declassification on October 20, 2005, ten years after the specific information was first recorded in the guide, not on July 10, 2009, ten years after the derivatively classified document was created.

Example 2. An agency classification guide issued on October 20, 1995, states that the maximum velocity of any fighter aircraft shall be classified at the “Secret” level for a period of ten years. The agency first records the specific maximum velocity of the new F–99 aircraft on July 10, 1999. The document should be marked for declassification on July 10, 2009, ten years after the specific information is first recorded, and not on October 20, 2005, ten years after the date of the guide’s generic instruction.

\section{Classification challenges [13].}  

(a) Challenging classification. Authorized holders wishing to challenge the classification status of information shall present such challenges to an original classification authority with jurisdiction over the information. An authorized holder is any individual, including an individual external to the agency, who has been granted access to specific classified information in accordance with section 4.2(g) of the Order. A formal challenge under this provision must be in writing, but need not be any more specific than to question why information is or is not classified, or is classified at a certain level.

(b) Agency procedures. (1) Because the Order encourages authorized holders to challenge classification as a means for promoting proper and thoughtful classification actions, agencies shall ensure that no retribution is taken
§ 2001.14 Classification guides [2.3].

(a) Preparation of classification guides. Originators of classification guides are encouraged to consult users of guides for input when developing or updating guides. When possible, originators of classification guides are encouraged to communicate within their agencies and with other agencies that are developing guidelines for similar activities to ensure the consistency and uniformity of classification decisions. Each agency shall maintain a list of its classification guides in use.

(b) General content of classification guides. Classification guides shall, at a minimum:

1. Identify the subject matter of the classification guide;
2. Identify the original classification authority by name or personal identifier, and position;
3. Identify an agency point-of-contact or points-of-contact for questions regarding the classification guide;
4. Provide the date of issuance or last review;
5. State precisely the elements of information to be protected;
6. State which classification level applies to each element of information, and, when useful, specify the elements of information that are unclassified;
7. State, when applicable, special handling caveats;
8. Prescribe declassification instructions or the exemption category from automatic declassification for each element of information;
9. Specify, when citing the exemption category listed in section 1.6(d)(8) of the Order, the applicable statute, treaty or international agreement; and
10. State a concise reason for classification which, at a minimum, cites the applicable classification category or categories in section 1.5 of the Order.

(c) Dissemination of classification guides. Classification guides shall be disseminated as widely as necessary to ensure the proper and uniform derivative classification of information.
Information Security Oversight Office, NARA § 2001.21

(d) Reviewing and updating classification guides. (1) Classification guides, including guides created under prior orders, shall be reviewed and updated as circumstances require, but, in any event, at least once every five years. Updated instructions for guides first created under prior orders shall comply with the requirements of the Order and this part.

(2) Originators of classification guides are encouraged to consult the users of guides for input when reviewing or updating guides. Also, users of classification guides are encouraged to notify the originator of the guide when they acquire information that suggests the need for change in the instructions contained in the guide.

Subpart B—Identification and Markings

§ 2001.20 General [1.7].

A uniform security classification system requires that standard markings be applied to classified information. Except in extraordinary circumstances, or as approved by the Director of ISOO, the marking of classified information created after October 14, 1995, shall not deviate from the following prescribed formats. If markings cannot be affixed to specific classified information or materials, the originator shall provide holders or recipients of the information with written instructions for protecting the information. Markings shall be uniformly and conspicuously applied to leave no doubt about the classified status of the information, the level of protection required, and the duration of classification.

§ 2001.21 Original classification [1.7(a)].

(a) Primary markings. On the face of each originally classified document, including electronic media, the classifier shall apply the following markings.

(1) Classification authority. The name or personal identifier, and position title of the original classifier shall appear on the “Classified By” line. An example might appear as:

Classified By: David Smith, Chief, Division 5

(2) Agency and office of origin. If not otherwise evident, the agency and office of origin shall be identified and placed below the name on the “Classified By” line. An example might appear as:

Classified By: David Smith, Chief, Division 5
Department of Good Works, Office of Administration

(3) Reason for classification. The original classifier shall identify the reason(s) for the decision to classify. The classifier shall include, at a minimum, a brief reference to the pertinent classification category(ies), or the number 1.5 plus the letter(s) that corresponds to that classification category in section 1.5 of the Order.

(i) These categories, as they appear in the Order, are as follows:

(a) military plans, weapons, or operations;
(b) foreign government information;
(c) intelligence activities (including special activities), intelligence sources or methods, or cryptology;
(d) foreign relations or foreign activities of the United States, including confidential sources;
(e) scientific, technological, or economic matters relating to the national security;
(f) United States Government programs for safeguarding nuclear materials or facilities; or
(g) vulnerabilities or capabilities of systems, installations, projects or plans relating to the national security.

(ii) An example might appear as:

Classified By: David Smith, Chief, Division 5, Department of Good Works, Office of Administration

Reason: Vulnerabilities or capabilities of plans relating to the national security or
Reason: 1.5(g)

(iii) When the reason for classification is not apparent from the content of the information, e.g., classification by compilation, the classifier shall provide a more detailed explanation of the reason for classification.

(4) Declassification instructions. The duration of the original classification decision shall be placed on the “Declassify On” line. The classifier will apply one of the following instructions.

(i) The classifier will apply a date or event for declassification that corresponds to the lapse of the information’s national security sensitivity, which may not exceed 10 years from
§ 2001.21 the date of the original decision. When linking the duration of classification to a specific date or event, mark that date or event as:

Classified By: David Smith, Chief, Division 5, Department of Good Works, Office of Administration
Reason: 1.5(g)
Declassify On: October 14, 2004 or
Declassify On: Completion of Operation

(ii) When a specific date or event within 10 years cannot be established, the classifier will apply the date that is 10 years from the date of the original decision. For example, on a document that contains information classified on October 14, 1995, mark the “Declassify On” line as:

Classified By: David Smith, Chief, Division 5, Department of Good Works, Office of Administration
Reason: 1.5(g)
Declassify On: October 14, 2005

(iii) Upon the determination that the information must remain classified beyond 10 years, the classifier will apply the letter “X” plus a brief recitation of the exemption category(ies), or the letter “X” plus the number that corresponds to that exemption category(ies) in section 1.6(d) of the Order.

(A) Exemption categories in E.O. 12958.

X1: reveal an intelligence source, method, or activity, or a cryptologic system or activity;
X2: reveal information that would assist in the development or use of weapons of mass destruction;
X3: reveal information that would impair the development or use of technology within a United States weapons system;
X4: reveal United States military plans, or national security emergency preparedness plans;
X5: reveal foreign government information;
X6: damage relations between the United States and a foreign government, reveal a confidential source, or seriously undermine diplomatic activities that are reasonably expected to be ongoing for a period greater than that provided in paragraph (b) above, [section 1.6(b) of the Order];
X7: impair the ability of responsible United States Government officials to protect the President, the Vice President, and other individuals for whom protection services, in the interest of national security, are authorized; or
X8: violate a statute, treaty, or international agreement.

(B) Example. A document containing information exempted from automatic declassification may appear as:

Classified By: David Smith, Chief, Division 5, Department of Good Works, Office of Administration
Reason: 1.5(g)
Declassify On: X-U.S. military plans or
Declassify On: X4

(b) Overall marking. The highest level of classified information contained in a document shall appear in a way that will distinguish it clearly from the informational text.

(1) Conspicuously place the overall classification at the top and bottom of the outside of the front cover (if any), on the title page (if any), on the first page, and on the outside of the back cover (if any).

(2) For documents containing information classified at more than one level, the overall marking shall be the highest level. For example, if a document contains some information marked “Secret” and other information marked “Confidential,” the overall marking would be “Secret.”

(3) Each interior page of a classified document shall be marked at the top and bottom either with the highest level of classification of information contained on that page, including the designation “Unclassified” when it is applicable, or with the highest overall classification of the document.

(c) Portion marking. Each portion of a document, ordinarily a paragraph, but including subjects, titles, graphics and the like, shall be marked to indicate its classification level by placing a parenthetical symbol immediately preceding or following the portion to which it applies.

(1) To indicate the appropriate classification level, the symbols “(TS)” for Top Secret, “(S)” for Secret, “(C)” for Confidential, and “(U)” for Unclassified shall be used.

(2) Unless the original classification authority indicates otherwise on the document, each classified portion of a document exempted from automatic declassification shall be presumed to be exempted from automatic declassification also.
(3) An agency head or senior agency official may request a waiver from the portion marking requirement for a specific category of information. Such a request shall be submitted to the Director of ISOO and should include the reasons that the benefits of portion marking are outweighed by other factors. Statements citing administrative burden alone will ordinarily not be viewed as sufficient grounds to support a waiver.

(d) Classification extensions. (1) An original classification authority may extend the duration of classification for successive periods not to exceed 10 years at a time. For information contained in records determined to be permanently valuable, multiple extensions shall not exceed 25 years from the date of the information’s origin.

(2) The “Declassify On” line shall be revised to include the new declassification instructions, and shall include the identity of the person authorizing the extension and the date of the action.

(3) The office of origin shall make reasonable attempts to notify all holders of such information. Classification guides shall be updated to reflect such revisions.

(4) An example of an extended duration of classification may appear as:

Classified By: David Smith, Chief, Division 5,
Department of Good Works, Office of Administration
Reason: 1.5(g)
Declassify On: Classification extended on December 1, 2000, until December 1, 2010, by David Jones, Chief, Division 5

(e) Marking information exempted from automatic declassification at 25 years. (1) When an agency head or senior agency official exempts permanently valuable information from automatic declassification at 25 years, the “Declassify On” line shall be revised to include the symbol “25X” plus a brief reference to the pertinent exemption category(ies) or the number(s) that corresponds to that category(ies) in section 3.4(b) of the Order. Other than when the exemption pertains to the identity of a confidential human source, or a human intelligence source, the revised “Declassify On” line shall also include the new date or event for declassification.

(2) The pertinent exemptions, using the language of section 3.4(b) of the Order, are:

25X1: reveal the identity of a confidential human source, or reveal information about the application of an intelligence source or method, or reveal the identity of a human intelligence source when the unauthorized disclosure of that source would clearly and demonstrably damage the national security interests of the United States;

25X2: reveal information that would assist in the development or use of weapons of mass destruction;

25X3: reveal information that would impair U.S. cryptologic systems or activities;

25X4: reveal information that would impair the application of state-of-the-art technology within a U.S. weapon system;

25X5: reveal actual U.S. military war plans that remain in effect;

25X6: reveal information that would seriously and demonstrably impair relations between the United States and a foreign government, or seriously and demonstrably undermine ongoing diplomatic activities of the United States;

25X7: reveal information that would clearly and demonstrably impair the current ability of United States Government officials to protect the President, Vice President, and other officials for whom protection services, in the interest of national security, are authorized;

25X8: reveal information that would seriously and demonstrably impair current national security emergency preparedness plans; or

25X9: violate a statute, treaty, or international agreement.

(3) The pertinent portion of the marking would appear as:

Declassify On: 25X-State-of-the-art technology within U.S. weapon system, October 1, 2010
Declassify On: 25X4, October 1, 2010

(4) Documents should not be marked with a “25X” marking until the agency has been informed that the President or the Interagency Security Classification Appeals Panel concurs with the proposed exemption.

(5) Agencies need not apply a “25X” marking to individual documents contained in a file series exempted from automatic declassification under section 3.4(c) of the Order until the individual document is removed from the file.
§ 2001.22 Derivative classification [2.2].

(a) General. Information classified derivatively on the basis of source documents or classification guides shall bear all markings prescribed in §2001.20 and §2001.21, except as provided in this section. Information for these markings shall be carried forward from the source document or taken from instructions in the appropriate classification guide.

(b) Source of derivative classification.
(1) The derivative classifier shall concisely identify the source document or the classification guide on the “Derived From” line, including the agency and, where available, the office of origin, and the date of the source or guide. An example might appear as:

Derived From: Memo, “Funding Problems,” October 20, 1995, Ofc. of Admin., Department of Good Works or

Derived From: CG No. 1, Department of Good Works, dated October 20, 1995

(i) When a document is classified derivatively on the basis of more than one source document or classification guide, the “Derived From” line shall appear as:

Derived From: Multiple Sources

(ii) The derivative classifier shall maintain the identification of each source with the file or record copy of the derivatively classified document. When practicable, this list should be included in or with all copies of the derivatively classified document.

(2) A document derivatively classified on the basis of a source document that is itself marked “Multiple Sources” shall cite the source document on its “Derived From” line rather than the term “Multiple Sources.” An example might appear as:

Derived From: Report entitled, “New Weapons,” dated October 20, 1995, Department of Good Works, Office of Administration

(c) Reason for classification. The reason for the original classification decision, as reflected in the source document(s) or classification guide, is not required to be transferred in a derivative classification action. If included, however, it shall conform to the standards in §2001.21(a)(3).

(d) Declassification instructions. (1) The derivative classifier shall carry forward the instructions on the “Declassify On” line from the source document to the derivative document, or the duration instruction from the classification guide.

(2) When a document is classified derivatively on the basis of more than one source document or more than one element of a classification guide, the “Declassify On” line shall reflect the longest duration of any of its sources.

(i) When a document is classified derivatively from a source document(s) or classification guide that contains the declassification instruction, “Originating Agency’s Determination Required,” or “OADR,” unless otherwise instructed by the original classifier, the derivative classifier shall carry:

(A) The fact that the source document(s) was marked with this instruction; and

(B) The date of origin of the most recent source document(s), classification guide, or specific information, as appropriate to the circumstances.

(ii) An example might appear as:

Declassify On: Source marked “OADR”, Date of source: October 20, 1990

(iii) This marking will permit the determination of when the classified information is 25 years old and, if permanently valuable, subject to automatic declassification under section 3.4 of the Order.

(e) Overall marking. The derivative classifier shall conspicuously mark the classified document with the highest level of classification of information included in the document, as provided in §2001.21(b).

(f) Portion marking. Each portion of a derivatively classified document shall be marked in accordance with its source, and as provided in §2001.21(c).

§ 2001.23 Additional requirements [1.7].

(a) Marking prohibitions. Markings other than “Top Secret,” “Secret,” and “Confidential,” such as “For Official Use Only,” or “Limited Official Use,” shall not be used to identify classified national security information. No other term or phrase shall be used in conjunction with these markings, such as “Secret Sensitive” or “Agency
Confidential,” to identify classified national security information. The terms “Top Secret,” “Secret,” and “Confidential” should not be used to identify non-classified executive branch information.

(b) **Agency prescribed special markings.** Agencies shall refrain from the use of special markings when they merely restate or emphasize the principles and standards of the Order and this part. Upon request, the senior agency official shall provide the Director of ISOO with a written explanation for the use of agency special markings.

(c) **Transmittal documents.** A transmittal document shall indicate on its face the highest classification level of any classified information attached or enclosed. The transmittal shall also include conspicuously on its face the following or similar instructions, as appropriate:

Unclassified When Classified Enclosure Removed or Upon Removal of Attachments, This Document is (Classification Level)

(d) **Foreign government information.** Documents that contain foreign government information shall include the marking, “This Document Contains (indicate country of origin) Information.” The portions of the document that contain the foreign government information shall be marked to indicate the government and classification level, e.g., “(UK–C).” If the identity of the specific government must be concealed, the document shall be marked, “This Document Contains Foreign Government Information” and pertinent portions shall be marked “FGI” together with the classification level, e.g., “(FGI–C).” In such cases, a separate record that identifies the foreign government shall be maintained in order to facilitate subsequent declassification actions. When classified records are transferred to the National Archives and Records Administration for storage or archival purposes, the accompanying documentation shall, at a minimum, identify the boxes that contain foreign government information. If the fact that information is foreign government information must be concealed, the markings described in this paragraph shall not be used and the document shall be marked as if it were wholly of U.S. origin.

(e) **Working papers.** A working paper is defined as documents or materials, regardless of the media, which are expected to be revised prior to the preparation of a finished product for dissemination or retention. Working papers containing classified information shall be dated when created, marked with the highest classification of any information contained in them, protected at that level, and destroyed when no longer needed. When any of the following conditions applies, working papers shall be controlled and marked in the same manner prescribed for a finished document at the same classification level:

(1) Released by the originator outside the originating activity;

(2) Retained more than 180 days from the date of origin; or

(3)Filed permanently.

(f) **Other material.** Bulky material, equipment and facilities, etc., shall be clearly identified in a manner that leaves no doubt about the classification status of the material, the level of protection required, and the duration of classification. Upon a finding that identification would itself reveal classified information, such identification is not required. Supporting documentation for such a finding must be maintained in the appropriate security facility and in any applicable classification guide.

(g) **Unmarked materials.** Information contained in unmarked records, or presidential or related materials, and which pertains to the national defense or foreign relations of the United States and has been maintained and protected as classified information under prior orders shall continue to be treated as classified information under the Order, and is subject to its provisions regarding declassification.

§ 2001.24 Declassification markings. [Reserved]

Subpart C—Self-Inspections

§ 2001.30 General [5.6].

(a) **Purpose.** This subpart sets standards for establishing and maintaining an ongoing agency self-inspection program, which shall include the periodic review and assessment of the agency’s
classified product. “Self-inspection” means the internal review and evaluation of individual agency activities and the agency as a whole with respect to the implementation of the program established under the Order.

(b) Applicability. These standards are binding on all executive branch agencies that create or handle classified information. Pursuant to Executive Order 12829, the National Industrial Security Program Operating Manual (NISPOM) prescribes the security requirements, restrictions and safeguards applicable to industry, including the conduct of contractor self-inspections. The standards established in the NISPOM should be consistent with the standards prescribed in Executive Order 12958 and this part.

(c) Responsibility. The senior agency official is responsible for the agency’s self-inspection program. The senior agency official shall designate agency personnel to assist in carrying out this responsibility.

(d) Approach. The official(s) responsible for the program shall determine the means and methods for the conduct of self-inspections. These may include:

1. A review of relevant security directives, guides and instructions;
2. Interviews with producers and users of classified information;
3. A review of access and control records and procedures; and
4. A review of a sample of classified documents generated by agency activities.

(e) Frequency. The official(s) responsible for the program shall set the frequency of self-inspections on the basis of program needs and the degree of classification activity. Activities that originate significant amounts of classified information should conduct at least one document review per year.

(f) Reporting. The format for documenting findings shall be set by the official(s) responsible for the program.

§ 2001.31 Coverage [5.6(c)(4)].

(a) General. These standards are not all-inclusive. Each agency may expand upon the coverage according to program and policy needs. Each self-inspection of an agency activity need not include all the elements covered in this section. Agencies without original classification authority need not include in their self-inspections those elements of coverage pertaining to original classification.

(b) Elements of coverage—(1) Original classification. (i) Evaluate original classifiers’ general understanding of the process of original classification, including the:

A. Applicable standards for classification;
B. Levels of classification and the damage criteria associated with each; and
C. Required classification markings.

(ii) Determine if delegations of original classification authority conform with the requirements of the Order, including whether:

A. Delegations are limited to the minimum required to administer the program;
B. Designated original classifiers have a demonstrable and continuing need to exercise this authority;
C. Delegations are in writing and identify the official by name or position title; and
D. New requests for delegation of classification authority are justified.

(iii) Assess original classifiers’ familiarity with the duration of classification, including:

A. Assigning a specific date or event for declassification when possible;
B. Establishing ordinarily a maximum 10-year duration of classification when an earlier date or event cannot be determined;
C. Limiting extensions of classification for specific information for successive periods not to exceed 10 years at a time; and
D. Exempting from declassification within 10 years specific information as provided in section 1.6 of the Order.

(iv) Conduct a review of a sample of classified information generated by the inspected activity to determine the propriety of classification and the application of proper and full markings.

(v) Evaluate classifiers’ actions to comply with the standards specified in §§2001.14 and 2001.53 of this part, relating to classification and declassification guides, respectively.

(vi) Verify observance with the prohibitions on classification and limitations on reclassification.
(vii) Assess whether the agency’s classification challenges program meets the requirements of the Order and this part.

(2) Derivative classification. Assess the general familiarity of individuals who classify derivatively with the:
   (i) Conditions for derivative classification;
   (ii) Requirement to consult with the originator of the information when questions concerning classification arise;
   (iii) Proper use of classification guides; and
   (iv) Proper and complete application of classification markings to derivatively classified documents.

(3) Declassification. (i) Verify whether the agency has established, to the extent practical, a system of records management to facilitate public release of declassified documents.
   (ii) Evaluate the status of the agency declassification program, including the requirement to:
      (A) Comply with the automatic declassification provisions regarding historically valuable records over 25 years old;
      (B) Declassify, when possible, historically valuable records prior to accession into the National Archives;
      (C) Provide the Archivist with adequate and current declassification guides;
      (D) Ascertain that the agency’s mandatory review program conforms to established requirements; and
      (E) Determine whether responsible agency officials are cooperating with the Archivist in the development and maintenance of a Government-wide database of information that has been declassified.

(4) Safeguarding. (i) Monitor agency adherence to established safeguarding standards.
   (ii) Assess compliance with controls for access to classified information.
   (iii) Evaluate the effectiveness of the agency’s program in detecting and processing security violations and preventing recurrences.
   (iv) Assess compliance with the procedures for identifying, reporting and processing unauthorized disclosures of classified information.

(v) Evaluate the effectiveness of procedures to ensure that:
   (A) The originating agency exercises control over the classified information it generates;
   (B) Holders of classified information do not disclose information originated by another agency without that agency’s authorization; and
   (C) Departing or transferred officials return all classified information in their possession to authorized agency personnel.

(5) Security education and training. Evaluate the effectiveness of the agency’s security education and training program in familiarizing appropriate personnel with classification procedures; and determine whether the program meets the standards specified in subpart D of this part.

(6) Management and oversight. (i) Determine whether original classifiers have received prescribed training.
   (ii) Verify whether the agency’s special access programs:
      (A) Adhere to specified criteria in the creation of these programs;
      (B) Are kept to a minimum;
      (C) Provide for the conduct of internal oversight; and
      (D) Include an annual review of each program to determine whether it continues to meet the requirements of the Order.
   (iii) Assess whether:
      (A) Senior management demonstrates commitment to the success of the program, including providing the necessary resources for effective implementation;
      (B) Producers and users of classified information receive guidance with respect to security responsibilities and requirements;
      (C) Controls to prevent unauthorized access to classified information are effective;
      (D) Contingency plans are in place for safeguarding classified information used in or near hostile areas;
      (E) The performance contract or other system used to rate civilian or military personnel includes the management of classified information as a critical element or item to be evaluated in the rating of: Original classifiers; security managers; classification
management officers; and security specialists; and other employees significantly involved with classified information; and

(F) A method is in place for collecting information on the costs associated with the implementation of the Order.

Subpart D—Security Education and Training

§ 2001.40 General [5.6].

(a) Purpose. This subpart sets standards for agency security education and training programs. Implementation of these standards should:

(1) Ensure that all executive branch employees who create, process or handle classified information have a satisfactory knowledge and understanding about classification, safeguarding, and declassification policies and procedures;

(2) Increase uniformity in the conduct of agency security education and training programs; and

(3) Reduce improper classification, safeguarding and declassification practices.

(b) Applicability. These standards are binding on all executive branch departments and agencies that create or handle classified information. Pursuant to Executive Order 12829, the NISPOM prescribes the security requirements, restrictions, and safeguards applicable to industry, including the conduct of contractor security education and training. The standards established in the NISPOM should be consistent with the standards prescribed in Executive Order 12958 and of this part.

(c) Responsibility. The senior agency official is responsible for the agency’s security education and training program. The senior agency official shall designate agency personnel to assist in carrying out this responsibility.

(d) Approach. Security education and training should be tailored to meet the specific needs of the agency’s security program, and the specific roles employees are expected to play in that program. The agency official(s) responsible for the program shall determine the means and methods for providing security education and training. Training methods may include briefings, interactive videos, dissemination of instructional materials, and other media and methods. Agencies shall maintain records about the programs it has offered and employee participation in them.

(e) Frequency. The frequency of agency security education and training will vary in accordance with the needs of the agency’s security classification program. Each agency shall provide some form of refresher security education and training at least annually.

§ 2001.41 Coverage [5.6(c)(3)].

(a) General. Each department or agency shall establish and maintain a formal security education and training program which provides for initial and refresher training, and termination briefings. This subpart establishes security education and training standards for original classifiers, declassification authorities, security managers, classification management officers, security specialists, and all other personnel whose duties significantly involve the creation or handling of classified information. These standards are not intended to be all-inclusive. The official responsible for the security education and training program may expand or modify the coverage provided in this part according to the agency’s program and policy needs.

(b) Elements of initial coverage. All cleared agency personnel shall receive initial training on basic security policies, principles and practices. Such training must be provided in conjunction with the granting of a security clearance, and prior to granting access to classified information. The following areas should be considered for inclusion in initial briefings.

(1) Roles and responsibilities. (i) What are the responsibilities of the senior agency official, classification management officers, the security manager and the security specialist?

(ii) What are the responsibilities of agency employees who create or handle classified information?

(iii) Who should be contacted in case of questions or concerns about classification matters?

(x) What are the requirements for oversight of the security classification program, including agency self-inspections?
§ 2001.50 Refresher security education and training. Agencies shall provide refresher training to employees who create, process or handle classified information. Refresher training should reinforce the policies, principles and procedures covered in initial and specialized training. Refresher training should also address the threat and the techniques employed by foreign intelligence activities attempting to obtain classified information, and advise personnel of penalties for engaging in espionage activities. Refresher training should also address issues or concerns identified during agency self-inspections. When other methods are impractical, agencies may satisfy the requirement for refresher training by means of audiovisual products or written materials.

(e) Termination briefings. Each agency shall ensure that each employee granted access to classified information who leaves the service of the agency receives a termination briefing. Also, each agency employee whose clearance is withdrawn must receive such a briefing. At a minimum, termination briefings must impress upon each employee: The continuing responsibility not to disclose any classified information to which the employee had access and the potential penalties for non-compliance; and the obligation to return to the appropriate agency official all classified documents and materials in the employee’s possession.

(f) Other security education and training. Agencies are encouraged to develop additional security education and training according to program and policy needs. Such security education and training could include:

(1) Practices applicable to U.S. officials traveling overseas;

(2) Procedures for protecting classified information processed and stored in automated information systems;

(3) Methods for dealing with un cleared personnel who work in proximity to classified information;

(4) Responsibilities of personnel serving as couriers of classified information; and

(5) Security requirements that govern participation in international programs.

Subpart E—Declassification

§ 2001.50 Definition [3.1].

A file series is a body of related records created or maintained by an agency, activity, office or individual. The records may be related by subject, topic, form, function, or filing scheme. An agency, activity, office, or individual may create or maintain several different file series, each serving a different function. Examples may include a subject file, alphabetical name index, chronological file, or a record set of agency publications. File series frequently correspond to items on a NARA-approved agency records schedule. Some very large series may contain several identifiable sub-series, and it may be appropriate to treat sub-series as discrete series for the purposes of the Order.

§ 2001.51 Automatic declassification [3.4].

(a) General. All departments and agencies that have original classification authority, or previously had original classification authority, and maintain records appraised as having permanent historical value that contain information classified by that agency shall comply with the automatic declassification provisions of the Order. All agencies with original classification authority shall cooperate with NARA in carrying out an automatic declassification program involving accessioned Federal records, presidential papers and records, and donated historical materials under the control of the Archivist of the United States. The Archivist will not declassify information created by another agency without the prior consent of that agency.

(b) Presidential records. The Archivist of the United States shall establish procedures for the declassification of presidential or White House materials accessioned into the National Archives of the United States or maintained in the presidential libraries.

(c) Transferred information. In the case of classified information transferred in conjunction with a transfer of functions, and not merely for storage or archival purposes, the receiving
agency shall be deemed to be the originating agency.

(d) Unofficially transferred information. In the case of classified information that is not officially transferred as described in paragraph (c), of this section, but that originated in an agency that has ceased to exist and for which there is no successor agency, the Director of ISOO will designate an agency or agencies to act on provisions of the Order.

(e) Processing records originated by another agency. When an agency uncovers classified records originated by another agency that appear to meet the criteria for the application of the automatic declassification provisions of the Order, the finding agency should alert the originating agency and seek instruction regarding the handling and disposition of pertinent records.

(f) Unscheduled records. Classified information in records that have not been scheduled for disposal or retention by NARA is not subject to section 3.4 of the Order. Classified information in records that are scheduled as permanently valuable when that information is already more than 20 years old shall be subject to the automatic declassification provisions of section 3.4 of the Order five years from the date the records are scheduled. Classified information in records that are scheduled as permanently valuable when that information is less than 20 years old shall be subject to the automatic declassification provisions of section 3.4 of the Order when the information is 25 years old.

(g) Foreign government information. The declassifying agency is the agency that initially received or classified the information. When foreign government information appears to be subject to automatic declassification, the declassifying agency shall determine whether the information is subject to a treaty or international agreement that would prevent its declassification at that time. The declassifying agency shall also determine if another exemption under section 3.4(b) of the Order, such as the exemption that pertains to United States foreign relations, may apply to the information. If the declassifying agency believes such an exemption may apply, it should consult with any other concerned agencies in making its declassification determination. The declassifying agency or the Department of State, as appropriate, should consult with the foreign government prior to declassification.

(h) Assistance to the Archivist of the United States. Agencies shall consult with NARA before establishing automatic declassification programs. Agencies shall cooperate with NARA in developing schedules for the declassification of records in the National Archives of the United States and the presidential libraries to ensure that declassification is accomplished in a timely manner. NARA will provide information about the records proposed for automatic declassification. Agencies shall consult with NARA before reviewing records in their holdings to ensure that appropriate procedures are established for maintaining the integrity of the records and that NARA receives accurate information about agency declassification actions when records are transferred to NARA. NARA will provide guidance to the agencies about the requirements for notification of declassification actions on transferred records, box labeling, and identifying exempt information in the records.

(i) Use of approved declassification guides. Approved declassification guides may be used as a tool to assist in the exemption from automatic declassification of specific information as provided in section 3.4(d) of the Order. These guides must include additional pertinent detail relating to the exemptions described in section 3.4(b) of the Order, and follow the format required of declassification guides for systematic review as described in §2001.53 of this part. In order for such guides to be used in place of the identification of specific information within individual documents, the information to be exempted must be narrowly defined, with sufficient specificity to allow the user to identify the information with precision. Exemptions for general categories of information will not be acceptable. The actual items to be exempted are specific documents. All such declassification guides used in conjunction with section 3.4(d) of the Order must be submitted to the Director of ISOO.
serving as Executive Secretary of the Interagency Security Classification Appeals Panel, for approval by the Panel.

(j) **Automatic declassification date.** No later than April 17, 2000, information over 25 years old in unreviewed permanently valuable records in non-exempt file series will be automatically declassified.

(k) **Redaction standard.** Agencies are encouraged but are not required to redact documents that contain information that is exempt from automatic declassification under section 3.4 of the Order, especially if the information that must remain classified comprises a relatively small portion of the document.

(l) **Restricted Data and Formerly Restricted Data.**

1. **Restricted Data (RD) and Formerly Restricted Data (FRD)** are exempt from the automatic declassification requirements in section 3.4 of the Order because they are classified under the Atomic Energy Act of 1954, as amended. Restricted Data concerns:

   (i) The design, manufacture, or utilization of atomic weapons;

   (ii) The production of special nuclear material, e.g., enriched uranium or plutonium; or

   (iii) The use of special nuclear material in the production of energy.

2. Formerly Restricted Data is information that is still classified but which has been removed from the Restricted Data category because it is related primarily to the military utilization of atomic weapons.

3. Any document marked as containing Restricted Data or Formerly Restricted Data shall remain classified indefinitely or shall be referred to the Department of Energy or the Department of Defense for a classification review.

§ 2001.53 Declassification guides [3.5(b)].

(a) **Preparation of declassification guides.** Declassification guides shall be prepared to facilitate the declassification of information contained in records determined to be of permanent historical value. When it is sufficiently detailed and understandable, and identified for both purposes, a classification guide may also be used as a declassification guide.

(b) **General content of declassification guides.** Declassification guides shall, at a minimum:

   (1) Identify the subject matter of the declassification guide;

   (2) Identify the original declassification authority by name or personal identifier, and position;

   (3) Provide the date of issuance or last review;

   (4) State precisely the categories or elements of information:

      (i) To be declassified;

      (ii) To be downgraded; or

      (iii) Not to be declassified.

   (5) Identify any related file series that have been exempted from automatic declassification pursuant to section 3.4(c) of the Order;

   (6) To the extent a guide is used in conjunction with the automatic declassification provisions in section 3.4 of the Order, state precisely the elements of information to be exempted from declassification to include:

      (i) The appropriate exemption category listed in section 3.4(b) of the Order, and, when citing the exemption category listed in section 3.4(b)(9) of the Order, specify the applicable statute, treaty or international agreement; and

      (ii) A date or event for declassification.

(c) **External review.** Agencies shall submit declassification guides for review to the Director of ISOO. To the extent such guides are used in conjunction with the automatic declassification provisions in section 3.4 of the Order, the Director shall submit them
§ 2001.54 Mandatory review for declassification [3.6, 3.7].

(a) U.S. originated information—(1) Receipt of requests. Each agency shall publish in the FEDERAL REGISTER the identity of the person(s) or office(s) to which mandatory declassification review requests should be addressed.

(2) Processing. (i) Requests for classified records in the custody of the originating agency. A valid mandatory declassification review request need not identify the requested information by date or title of the responsive records, but must be of sufficient specificity to allow agency personnel to locate the records containing the information sought with a reasonable amount of effort. In responding to mandatory declassification review requests, agencies shall either make a prompt declassification determination and notify the requester accordingly, or inform the requester of the additional time needed to process the request. Agencies shall ordinarily make a final determination within 180 days from the date of receipt. When information cannot be declassified in its entirety, agencies will make reasonable efforts to release, consistent with other applicable law, those declassified portions of the requested information that constitute a coherent segment. Upon denial of an initial request, the agency shall also notify the requester of the right of an administrative appeal, which must be filed within 60 days of receipt of the denial.

(ii) Requests for classified records in the custody of an agency other than the originating agency. When an agency receives a mandatory declassification review request for records in its possession that were originated by another agency, it shall refer the request and the pertinent records to the originating agency. However, if the originating agency has previously agreed that the custodial agency may review its records, the custodial agency shall review the requested records in accordance with declassification guides or guidelines provided by the originating agency. Upon receipt of a request from the referring agency, the originating agency shall process the request in accordance with this section. The originating agency shall communicate its declassification determination to the referring agency.

(iii) Appeals of denials of mandatory declassification review requests. The agency appellate authority shall normally make a determination within 60 working days following the receipt of an appeal. If additional time is required to make a determination, the agency appellate authority shall notify the requester of the additional time needed and provide the requester with the reason for the extension. The agency appellate authority shall notify the requester in writing of the final determination and of the reasons for any denial.

(iv) Appeals to the Interagency Security Classification Appeals Panel. In accordance with section 5.4 of the Order, the Interagency Security Classification Appeals Panel shall publish in the FEDERAL REGISTER no later than February 12, 1996, the rules and procedures for bringing mandatory declassification appeals before it.

(b) Foreign government information. Except as provided in this paragraph, agency heads shall process mandatory declassification review requests for classified records containing foreign government information in accordance with this section. The declassifying agency is the agency that initially received or classified the information. When foreign government information is being considered for declassification, the declassifying agency shall determine whether the information is subject to a treaty or international agreement that would prevent its declassification at that time. The declassifying agency shall also determine if another exemption under section 1.6(d) of the Order (other than section 1.6(b)(5)), such as the exemption that pertains to United States foreign relations, may apply to the information. If the declassifying agency believes such

(a) Purpose. Under E.O. 12958, agencies reviewing records for declassification must facilitate the review of equities of other agencies contained in their records. Because agencies have a variety of processes for review and referral, common language and standards are needed to ensure clear, concise communication and coordinated action among all agencies involved in the referral process. Common language and standards are needed for declassification, exemption from automatic declassification, and proper marking of information subject to the automatic declassification provision of the Order. Consistent declassification of information through standardized procedures should result in lower cost and greater process efficiency, review accuracy, and the protection of the equities of all executive branch agencies.

(b) Applicability. These standards are binding on all executive branch agencies that create or handle classified information and are applicable to records covered under Section 3.4 of the Order. With respect to records reviewed prior to the issuance of these standards, deviations are acceptable as long as prior practice does not completely obstruct record referral.

(c) Responsibility. The senior agency official is responsible for the agency’s referral program. The senior agency official shall designate agency personnel to assist in carrying out this responsibility.

(d) Definitions. For the purpose of this section:

Declassified or Declassification means the authorized change in the status of information from classified information to unclassified information.

Equity means information originally classified by or under the control of an agency, as control is defined in section 1.1(b) of E.O. 12958.

Exempted means nomenclature and marking indicating information has been determined to fall within an enumerated exemption from automatic declassification under E.O. 12958.
Pass/fail (P/F) means a declassification technique that regards information at the full document level. Any exemptible portion of a document may result in exemption (failure) of the entire document. Documents that contain no exemptible information are passed and therefore declassified. Declassified documents may be subject to other FOIA exemptions other than the security exemption ((b)(1)), and the requirements placed by legal authorities governing Presidential holdings.

Record means the statutory definition as provided under title 44 U.S.C. 3301 and 44 U.S.C. 2111, 2111 note, and 2201.

Redaction means a sanitization technique that involves removal (editing out) of exempted information from a document.

Tab means a narrow paper sleeve placed around a document or group of documents in such a way that it would be readily visible.

Approaches to declassification. The exchange of information between agencies and the final disposition of documents are affected by differences in the approaches to declassification. Agencies conducting pass/fail reviews may refer documents to agencies that redact. Actions taken by the sender and the recipient may differ as noted below:

1. When referral is from a pass/fail agency to a pass/fail agency, both agencies conduct pass/fail reviews and annotate the classification or declassification decisions on the tabs and/or documents in accordance with NARA guidelines. The receiving agency should also notify the referring agency that the review has been completed.

2. When referral is from a pass/fail agency to a redaction agency, the redaction agency is only required to conduct pass/fail reviews of documents referred by a pass/fail agency. If the redaction agency wishes to redact the document, it must do so on a copy of the referred document, then file the redacted version with the original. The redaction agency should also notify the pass/fail referring agency that the review has been completed.

3. Referrals from redaction agencies to pass/fail agencies will be in the form of document copies. In the course of review the pass/fail agency may either pass or fail the document or its equities. Failed documents will be reviewed and redacted when practicable.

4. Referrals between redaction agencies may result in redaction of any exemptible equities.

Referral decisions. When agencies review documents only to the point at which exemptible information is identified, they must take one of the following actions to protect any other unidentified equities that may be in the unreviewed portions of the document:

1. Complete a review of the document to identify other agency equities and notify those agencies; or

2. Exempt the document and assign a Date/Event for automatic declassification, before which time they must provide timely notification to any equity agencies. Agencies reviewing previously exempted documents may apply a different exemption and new Date/Event for automatic declassification based upon the content of previously unreviewed equities.

Unmarked or improperly marked documents. Agencies that find other agency information in unmarked or improperly marked documents that have been maintained and protected as classified information must afford those documents appropriate protection and tab or refer the documents as described in paragraph (h) of this section. Agencies must provide other pertinent information, if available, regarding additional copies or possible public disclosure.

Means of Referral. The reviewing agency must communicate referrals to equity agencies. They may use either of the methods below:

1. Full text referral. Agencies will make referrals on media and in a format mutually agreed to by the referring and receiving agencies. Each referral request will clearly identify the referring agency and may identify the sections or areas of the document containing the receiving agency’s equities and the requested action.

2. Tab and notify.

(i) Agencies will use NARA-approved tabs and will clearly indicate on them the agency or agencies having equities in the document(s) held within the
§ 2001.55

tabs. Successive documents with identical equity(ies) may be grouped within a single tab. Documents with differing equities, or non-successive documents, must be tabbed individually. In general, document order may not be changed to facilitate tabbing. In cases where there are so many tabbed documents in a box that tabbing documents individually would seriously overfill the box, the reviewer may group documents under a single tab for each agency equity at the back of each file folder, or back of the box if there are no file folders.

(ii) Agency notification must include, at a minimum, the following information: the approximate volume of equity, the highest classification of documents, the exact location (to box level) of the documents so marked, and instructions related to access to the boxes containing the documents.

(iii) Agencies will acknowledge receipt of referral notifications. They should notify the agency that placed the tabs that the review is complete. Any additional equities noted in the review must be annotated on the tab and brought to the attention of the agency that tabbed the document so the tabbing agency can notify those newly identified agencies.

(i) [Reserved]

(j) Reviewed document marking. Consistency in marking is essential in the referral of significant numbers of documents under the Executive Order. Decisions made during review must be communicated clearly to all subsequent reviewers.

(1) Redactions must never be indicated on original documents, only on copies. Redaction agencies need a means of tracking the results of review (at the document level) by all reviewing agencies and a reason for each redaction.

(2) If only one exemption from declassification applies to all redacted portions of a document, the applicable exemption may be indicated on the front page of the redacted copy. If more than one exemption applies to a document, each redacted portion for which an exemption is asserted must be marked on the redacted copy.

(3) Redacted portions must be marked to indicate the agency and the number of the applicable exemption, for example, DIA25X1.

(4) Agencies reviewing a referred document must indicate on the tab, folder, or box the result of the review (i.e., exemption or declassification). The original document should be marked with the final action only by the agency responsible for the final declassification decision. Options include marking a copy of the document, marking the tab, notification as part of a transmittal, or marking the box or folder according to NARA guidelines. Automated agencies may forgo marking documents, provided the required information is maintained in an agency database and is accessible to other agencies. Exempt documents may be marked.

(i) Sample Exempted Document Stamp. Exempt documents may be stamped as shown in the following example:
(A) Normally, only one stamp should be placed on the document with any subsequent reviewing agencies adding their information to the stamp on the document, if possible. The stamp should not cover any writing on the document.

(B) Specific fields in the stamp must be completed as follows:

(1) Exemption Code: Agency(ies) ID and 25X plus exemption code(s).
(2) Date/Event: A specific date or event for declassification.
(3) Other Agency Equity: This line is used to track other agency equities and their review. The declassification authority enters "NONE" if no other agency equities are present, the identifiers of agencies with equity, or "TBD" (To be determined) if equities are unknown. Agency identifiers are crossed off as the reviews are completed and names may be added if additional equities are found.
(4) Reviewed by: Optional. If used, enter name or other personal identifier.
(5) Date: Enter date the action was taken.

(ii) Sample Stamp for Document Declassification. (A) When agencies mark declassified documents, the stamp must, at a minimum, include the information shown in the following example:

(1) Agency: Name of the agency.
(2) By: Name or personal identifier of the reviewer. (Optional)
(3) Date: Date the action was taken.

[64 FR 49389, Sept. 13, 1999; 64 FR 62113, Nov. 16, 1999; 65 FR 16320, Mar. 28, 2000]
§ 2001.60  Statistical reporting [5.3].
Each agency that creates or handles classified information shall report annually to the Director of ISOO statistics related to its security classification program. The Director shall solicit recommendations from the member agencies of the Security Policy Forum regarding the reporting requirements. The Director will instruct agencies what data elements are required, and how and when they are to be reported.

§ 2001.61  Accounting for costs [5.6(c)(8)].
(a) Information on the costs associated with the implementation of the Order will be collected from the agencies by the Office of Management and Budget (OMB). OMB will provide data to ISOO on the cost estimates for classification-related activities. ISOO will include these cost estimates in its annual report to the President. The agency senior official should work closely with the agency comptroller to ensure that the best estimates are collected.
(b) The Secretary of Defense, acting as the executive agent for the National Industrial Security Program under Executive Order 12829, and consistent with agreements entered into under section 202 of E.O. 12829, will collect cost estimates for classification-related activities of contractors, licensees, certificate holders, and grantees, and report them to ISOO annually. ISOO will include these cost estimates in its annual report to the President.

§ 2001.62  Effective date [6.2].
Part 2001 shall become effective October 14, 1995.

APPENDIX A TO PART 2001—INTERAGENCY SECURITY CLASSIFICATION APPEALS PANEL BYLAWS

ARTICLE I. PURPOSE
The purpose of the Interagency Security Classification Appeals Panel (ISCAP) and these bylaws is to fulfill the functions assigned to the ISCAP by Executive Order 12958, “Classified National Security Information,” and its implementing directives.

ARTICLE II. AUTHORITY

ARTICLE VI. FIRST FUNCTION: APPEALS OF
AGENCY DECISIONS REGARDING CLASSIFICA-
CHALLENGES
In accordance with section 5.4(b) of the
Order, the ISCAP shall decide on appeals by
authorized persons who have filed classifica-
tion challenges under section 1.9 of the
Order.

A. Jurisdiction. The ISCAP will consider
appeals from classification challenges that
otherwise meet the standards of the Order if:
1. The appeal is filed in accordance with
these bylaws;
2. The appellant has previously challenged
the classification action at the agency that
originated or is otherwise responsible for the
information in question in accordance with
the agency’s procedures or, if the agency has
failed to establish procedures for classification
challenges, by filing a written challenge
directly with the agency head or designated
senior agency official, as defined in section
1.1(j) of the Order;
3. The appellant has
(a) Received a final agency decision deny-
ing his or her challenge; or
(b) Not received (i) an initial written re-
ponse to the classification challenge from the
agency within 120 days of its filing, or
(ii) a written response to an internal agency
appeal within 90 days of the filing of the ap-
peal;
4. There is no action pending in the federal
courts regarding the information in ques-
tion; and
5. The information in question has not
been the subject of review by the federal
courts or the ISCAP within the past two
years.

B. Addressing of Appeals. Appeals should
be addressed to: Executive Secretary, Inter-
agency Security Classification Appeals Panel,
Attn: Classification Challenge Appeals,
c/o Information Security Oversight Of-
fice, National Archives and Records Admin-
istration, 7th and Pennsylvania Avenue,
NW., Room 5W, Washington, DC 20408.
The appeal must contain enough informa-
tion for the Executive Secretary to be able
to obtain all pertinent documents about the
classification challenge from the affected
agency. No classified information should be
submitted with the appeal. The Executive
Secretary will arrange for the transmittal of
classified information from the agency to the
Executive Secretary.
The appeal must contain enough informa-
tion for the Executive Secretary to be able
to obtain all pertinent documents about the
classification challenge from the affected
agency. No classified information should be
submitted with the appeal. The Executive
Secretary will arrange for the transmittal of
classified information from the agency to the
Executive Secretary.

C. Timeliness of Appeals. An appeal to the
ISCAP must be filed within 60 days of:
1. The date of the final agency decision; or
2. The agency’s failure to meet the time
frames established in paragraph (A)(3)(b) of
this Article.

D. Rejection of Appeal. If the Executive
Secretary determines that the appeal does
not meet the requirements of the Order or
these bylaws, the Executive Secretary shall
notify the appellant in writing that the ap-
peal will not be considered by the ISCAP.
The notification shall include an explanation
of why the appeal is deficient.
E. Preparation. The Executive Secretary shall notify the Chair and the designated senior agency official(s) of the affected agency(ies) when an appeal is lodged. Under the direction of the ISCAP, the Executive Secretary shall supervise the preparation of an appeal file, pertinent portions of which will be presented to the members of the ISCAP for their review prior to a vote on the appeal. The appeal file will eventually include all records pertaining to the appeal.

F. Resolution of Appeals. The ISCAP may vote to affirm the agency’s decision, to reverse the agency’s decision in whole or in part, or to remand the matter to the agency for further consideration. A decision to reverse an agency’s decision requires the affirmative vote of at least a majority of the members present.

G. Notification. The Executive Secretary shall promptly notify in writing the appellant, the agency head, and designated senior agency official of the ISCAP’s decision.

H. Agency Appeals. Within 60 days of receipt of an ISCAP decision that reverses a final agency decision, the agency head may petition the President through the Assistant to the President for National Security Affairs to overrule the decision of the ISCAP.

I. Protection of Classified Information. All persons involved in the appeal shall make every effort to minimize the inclusion of classified information in the appeal file. Any classified information contained in the appeal file shall be handled and protected in accordance with the Order and its implementing directives. Information being challenged for classification shall remain classified unless and until a final decision is made to declassify it. In no instance will the ISCAP declassify properly classified information solely because of an agency’s failure to prescribe or follow appropriate procedures for handling classification challenges.

J. Maintenance of File. The Executive Secretary shall maintain the appeal file among the records of the ISCAP.

ARTICLE VII. SECOND FUNCTION: REVIEW OF AGENCY EXEMPTIONS FROM AUTOMATIC DECLASSIFICATION

In accordance with section 5.4(b) of the Order, the ISCAP shall decide on appeals by parties whose requests for declassification under section 3.6 of the Order have been denied.

A. Jurisdiction. The ISCAP will consider appeals from denials of mandatory review for declassification requests that otherwise meet the standards of the Order if:

1. The appeal is filed in accordance with these bylaws;

2. The appellant has previously filed a request for mandatory declassification review at the agency that originated or is otherwise responsible for the information in question in accordance with the agency’s procedures or, if the agency has failed to establish procedures for mandatory review, by filing a
written request directly with the agency head or designated senior agency official;  
3. The appellant has  
(a) Received a final agency decision denying his or her request; or  
(b) Not received (i) an initial decision on the request for mandatory declassification review from the agency within one year of its filing, or (ii) a final decision on an internal agency appeal within 180 days of the filing of the appeal;  
4. There is no action pending in the federal courts regarding the information in question; and  
5. The information in question has not been the subject of review by the federal courts or the ISCAP within the past two years.  

B. Addressing of Appeals. Appeals should be addressed to: Executive Secretary, Interagency Security Classification Appeals Panel, Attn: Mandatory Review Appeals, c/o Information Security Oversight Office, National Archives and Records Administration, 7th and Pennsylvania Avenue, NW., Room SW 5W, Washington, DC 20408.  
The appeal must contain enough information for the Executive Secretary to be able to obtain all pertinent documents about the request for mandatory declassification review from the affected agency.  

C. Timeliness of Appeals. An appeal to the ISCAP must be filed within 60 days of:  
1. The date of the final agency decision; or  
2. The agency’s failure to meet the time frames established in paragraph (A)(3)(b) of this Article.  

D. Rejection of Appeal. If the Executive Secretary determines that the appeal does not meet the requirements of the Order or these bylaws, the Executive Secretary shall notify the appellant in writing that the appeal will not be considered by the ISCAP. The notification shall include an explanation of why the appeal is deficient.  

E. Preparation. The Executive Secretary shall notify the Chair and the designated senior agency official(s) when an appeal is lodged. Under the direction of the ISCAP, the Executive Secretary shall supervise the preparation of an appeal file, pertinent portions of which will be presented to the members of the ISCAP for their review prior to a vote on the appeal. The appeal file will eventually include all records pertaining to the appeal.  

F. Narrowing Appeals. To expedite the resolution of appeals and minimize backlogs, the Executive Secretary is authorized to consult with appellants with the objective of narrowing or prioritizing the information subject to the appeal.  

G. Resolution of Appeals. The ISCAP may vote to affirm the agency’s decision, to reverse the agency’s decision in whole or in part, or to remand the matter to the agency for further consideration. A decision to reverse an agency’s decision requires the affirmative vote of at least a majority of the members present.  

H. Notification. The Executive Secretary shall promptly notify in writing the appellant, the agency head, and designated senior agency official of the ISCAP’s decision.  

I. Agency Appeals. Within 60 days of receipt of an ISCAP decision that reverses a final agency decision, the agency head may petition the President through the Assistant to the President for National Security Affairs to overrule the decision of the ISCAP.  

J. Protection of Classified Information. All persons involved in the appeal shall make every effort to minimize the inclusion of classified information in the appeal file. Any classified information contained in the appeal file shall be handled and protected in accordance with the Order and its implementing directives. Information that is subject to an appeal from an agency decision denying declassification under the mandatory review provisions of the Order shall remain classified unless and until a final decision is made to declassify it. In no instance will the ISCAP declassify properly classified information solely because of an agency’s failure to prescribe or follow appropriate procedures for handling mandatory review for declassification requests and appeals.  

K. Maintenance of File. The Executive Secretary shall maintain the appeal file among the records of the ISCAP. All information declassified as a result of ISCAP action shall be available for inclusion within the database established by the Archivist of the United States in accordance with section 3.8 of the Order.  

ARTICLE IX. ADDITIONAL FUNCTIONS  
In its consideration of the matters before it, the ISCAP shall perform such additional advisory functions as are consistent with and supportive of the successful implementation of the Order.  

ARTICLE X. SUPPORT STAFF  
As provided in section 5.4(a) of the Order, the Director of the Information Security Oversight Office will serve as Executive Secretary to the ISCAP, and the staff of the Information Security Oversight Office will provide program and administrative support for the ISCAP. The Executive Secretary will supervise the staff in this function pursuant to the direction of the Chair and ISCAP. On an as needed basis, the ISCAP may seek detailees from its member agencies to augment the staff of the Information Security Oversight Office in support of the ISCAP.  

ARTICLE XI. RECORDS  
A. Integrity of ISCAP Records. The Executive Secretary shall maintain separately documentary materials, regardless of their
physical form or characteristics, that are produced by or presented to the ISCAP or its staff in the performance of the ISCAP’s functions, consistent with applicable federal law.

B. Referrals. Any Freedom of Information Act request or other access request for a document that originated within an agency other than the ISCAP shall be referred to that agency for processing.

ARTICLE XII. ANNUAL REPORTS TO THE PRESIDENT

The ISCAP has been established for the sole purpose of advising and assisting the President in the discharge of his constitutional and discretionary authority to protect the national security of the United States (section 5.4(e) of the Order). As provided in section 5.4(a) of the Order, pertinent information and data about the activities of the ISCAP shall be included in the Reports to the President issued by the Information Security Oversight Office. The Chair, in coordination with the other members of the ISCAP and the Executive Secretary, shall determine what information and data to include in each Report.

ARTICLE XIII. APPROVAL, AMENDMENT, AND PUBLICATION OF BYLAWS

The approval and amendment of these bylaws shall require the affirmative vote of at least four of the ISCAP’s members. In accordance with the Order, the Executive Secretary shall submit the approved bylaws and their amendments for publication in the Federal Register.

AUTHORITY: Sec. 3.3, E.O. 12356, 47 FR 14874, April 6, 1982.

SOURCE: 48 FR 4402, Jan. 31, 1983, unless otherwise noted.

§ 2002.1 Purpose.

These general guidelines for the systematic declassification review of foreign government information have been developed in accordance with the provisions of section 3.3 of Executive Order 12356, “National Security Information,” and §2001.31 of Information Security Oversight Office Directive No. 1. All foreign government information that has been incorporated into the permanently valuable records of the United States Government and that has been accessioned into the National Archives of the United States shall be systematically reviewed for declassification by the Archivist of the United States. Declassification reviews shall be conducted in accordance with the provisions of these general guidelines or, if available, in accordance with specific systematic review guidelines for foreign government information provided by the agency heads who have declassification authority over that information. All foreign government information—
(a) Not identified in §2002.6 of these general guidelines or in specific agency guidelines as requiring item-by-item declassification review and final determination by an agency declassification authority, and
(b) For which a prior declassification date has not been established, shall be declassified as that information becomes thirty years old.

§ 2002.2 Definition.

Foreign government information as used in these guidelines means:
(a) Information provided by a foreign government or governments, an international organization of governments, or any element thereof with the expectation, expressed or implied, that the information, the source of the information, or both, are to be held in confidence; or
(b) Information produced by the United States pursuant to or as a result of a joint arrangement with a foreign government or governments or an international organization of governments, or any element thereof, requiring that the information, the arrangement, or both, are to be held in confidence.

§ 2002.3 Scope.

(a) These guidelines apply to foreign government information that has been received or classified by the United
States Government or its agents, and has been incorporated into records determined by the Archivist of the United States to have permanent value.

(b) Atomic energy information (including information originated prior to 1947 and not marked as such; information received from the United Kingdom or Canada marked “Atomic,” or information received from NATO marked “Atoma”) that is defined and identified as “Restricted Data” or “Formerly Restricted Data” in Sections 11y and 142d of the Atomic Energy Act of 1954, as amended, is outside the scope of these guidelines. Such information is not subject to systematic review and may not be automatically downgraded or declassified. Any document containing information within the definition of “Restricted Data” or “Formerly Restricted Data” that is not so marked shall be referred to the Department of Energy Office of Classification for review and appropriate marking, except for licensing and related regulatory matters which shall be referred to the Division of Security, U.S. Nuclear Regulatory Commission.

§ 2002.4 Responsibilities.

(a) Foreign government information transferred to the General Services Administration for accession into the National Archives of the United States shall be reviewed by the Archivist of the United States for declassification in accordance with Executive Order 12356, the directives of the Information Security Oversight Office, these general guidelines, and any specific systematic declassification guidelines provided by the agency with declassification authority over the information.

(b) Accessioned foreign government information in file series concerning intelligence activities (including special activities), or intelligence sources or methods created after 1945, and cryptology records created after 1945, shall be subject to review by the Archivist for declassification as it becomes 50 years old. All other accessioned foreign government information shall be subject to review by the Archivist for declassification as it becomes 30 years old.

(c) Agency heads who have declassification jurisdiction over permanently valuable foreign government information in agency records not yet accessioned into the National Archives of the United States are encouraged to conduct systematic declassification reviews of it in accordance with the time limits specified in paragraph (b) of this section. These reviews shall comply with the provisions of Executive Order 12356, the directives of the Information Security Oversight Office, these general guidelines, and specific agency systematic review guidelines that have been issued in consultation with the Archivist of the United States and the ISOO Director.

(d) Foreign government information falling within any of the categories listed in §2002.6 of these guidelines shall be declassified or downgraded only upon specific authorization of the agency that has declassification authority over it. Such information shall be referred to the responsible agency(ies) for review. Information so referred shall remain classified until the responsible agency(ies) has declassified it. If the responsible agency cannot be readily identified from the document or material, referral shall be made in accordance with §2002.7 of these guidelines.

(e) When required, the agency having declassification authority over the information shall consult with foreign governments concerning its proposed declassification.

§ 2002.5 Effect of publication.

(a) Foreign government information shall be considered declassified when published in an unclassified United States Government executive branch publication (e.g., the Foreign Relations of the United States series) or when cleared for publication by United States Government executive branch officials authorized to declassify the information; or if officially published as unclassified by the foreign government(s) or international organization(s) of governments that furnished the information unless the fact of the U.S. Government’s possession of the information requires continued protection.

(a) Information exempted from declassification under any joint arrangement evidenced by an exchange of letters, memorandum of understanding, or other written record, with the foreign government or international organization of governments, or element(s) thereof, that furnished the information. [50 FR 51826, Dec. 19, 1985]
§ 2003.20

Subpart B—Prescribed Forms

(a) SF 312, SF 189, and SF 189-A are nondisclosure agreements between the United States and an individual. The prior execution of at least one of these agreements, as appropriate, by an individual is necessary before the United States Government may grant that individual access to classified information. From the effective date of this rule, September 29, 1988, the SF 312 shall be used in lieu of both the SF 189 and the SF 189-A for this purpose. In any instance in which the language in the SF 312 differs from the language in either the SF 189 or SF 189-A, agency heads shall interpret and enforce the SF 189 or SF 189-A in a manner that is fully consistent with the interpretation and enforcement of the SF 312.

(b) All employees of executive branch departments, and independent agencies or offices, who have not previously signed the SF 189, must sign the SF 312 before being granted access to classified information. An employee who has previously signed the SF 189 is permitted, at his or her own choosing, to substitute a signed SF 312 for the SF 189. In these instances, agencies shall take all reasonable steps to dispose of the superseded nondisclosure agreement or to indicate on it that it has been superseded.

(c) All Government contractor, licensee, grantee, or other non-Government organization, acting as a designated agent of the United States, may witness the execution of the SF 312 by another non-Government employee, and may accept it on behalf of the United States. Also, an employee of a United States agency may witness the execution of the SF 312 by an employee, contractor, licensee or grantee of another United States agency, provided that an authorized United States Government official or, for non-Government employees only, a designated agent of the United States subsequently accepts by signature the SF 312 on behalf of the United States.

(d) Agencies may require other persons, who are not included under paragraphs (b) or (c) of this section, and who have not previously signed either the SF 189 or the SF 189-A, to execute SF 312 before receiving access to classified information. A person in such circumstances who has previously signed either the SF 189 or the SF 189-A is permitted, at his or her own choosing, to substitute a signed SF 312 for either the SF 189 or the SF 189-A. In these instances, agencies shall take all reasonable steps to dispose of the superseded nondisclosure agreement or to indicate on it that it has been superseded.

(e) The use of the “Security Debriefing Acknowledgement” portion of the SF 312 is optional at the discretion of the implementing agency.

(f) An authorized representative of a contractor, licensee, grantee, or other non-Government organization, acting as a designated agent of the United States, may witness the execution of the SF 312 by another non-Government employee, and may accept it on behalf of the United States. Also, an employee of a United States agency may witness the execution of the SF 312 by an employee, contractor, licensee or grantee of another United States agency, provided that an authorized United States Government official or, for non-Government employees only, a designated agent of the United States subsequently accepts by signature the SF 312 on behalf of the United States.

(g) The provisions of the SF 312, the SF 189, and the SF 189-A do not supersede the provisions of section 2002, title 5, United States Code, which pertain to the protected disclosure of information by Government employees, or any other laws of the United States.

(h)(1) Modification of the SF 189. The second sentence of paragraph 1 of every executed copy of the SF 189 is clarified to read:

As used in this Agreement, classified information is marked or unmarked classified information, including oral communications, that is classified under the standards of Executive Order 12958, or under any other Executive order or statute that prohibits the unauthorized disclosure of information in the interest of national security; and unclassified information that meets the standards.

510
for classification and is in the process of a classification determination as provided in sections 1.1(c) and 1.2(e) of Executive Order 12356, or under any other Executive order or statute that requires protection for such information in the interest of national security.

(2) Scope of “classified information”. As used in the SF 312, the SF 189, and the SF 189–A, “classified information” is marked or unmarked classified information, including oral communications; and unclassified information that meets the standards for classification and is in the process of a classification determination, as provided in sections 1.1(c) and 1.2(e) of Executive Order 12356 or any other statute or Executive order that requires interim protection for certain information while a classification determination is pending. “Classified information” does not include unclassified information that may be subject to possible classification and is in the process of a classification determination.

(3) Basis for liability. A party to the SF 312, SF 189 or SF 189–A may be liable for disclosing “classified information” only if he or she knows or reasonably should know that: (i) The marked or unmarked information is classified, or meets the standards for classification and is in the process of a classification determination; and (ii) his or her action will result, or reasonably could result in the unauthorized disclosure of that information.

In no instance may a party to the SF 312, SF 189 or SF 189–A be liable for violating its nondisclosure provisions by disclosing information when, at the time of the disclosure, there is no basis to suggest, other than pure speculation, that the information is classified or in the process of a classification determination.

(4) Modification of the SF 312, SF 189 and SF 189–A.

(i) Each executed copy of the SF 312, SF 189 and SF 189–A, whether executed prior to or after the publication of this rule, is amended to include the following paragraphs 10 and 11.

10. These restrictions are consistent with and do not supersede, conflict with or otherwise alter the employee obligations, rights or liabilities created by Executive Order 12356; section 7211 of title 5 U.S.C. (governing disclosures to Congress); section 1034 of title 10 U.S.C., as amended by the Military Whistleblower Protection Act (governing disclosure to Congress by members of the military); section 2302(b)(8) of title 5 U.S.C., as amended by the Whistleblower Protection Act (governing disclosures of illegality, waste, fraud, abuse or public health or safety threats); the Intelligence Identities Protection Act of 1982 (50 U.S.C. 421 et seq.) (governing disclosures that could expose confidential Government agents), and the statutes which protect against disclosure that may compromise the national security, including sections 641, 793, 794, 798, and 852 of title 18 U.S.C., and section 4(b) of the Subversive Activities Act of 1950 (50 U.S.C. section 783(b)). The definitions, requirements, obligations, rights, sanctions and liabilities created by said Executive Order and listed statutes are incorporated into this Agreement and are controlling.

11. I have read this Agreement carefully and my questions, if any, have been answered. I acknowledge that the briefing officer has made available to me the Executive Order and statutes referenced in this Agreement and its implementing regulation (32 CFR 2003.20) so that I may read them at this time, if I so choose.

(ii) The first sentence of paragraph 7 of each executed copy of the SF 312, SF 189 and SF 189–A, whether executed prior to or after the publication of this rule, is amended to read:

I understand that all classified information to which I have access or may obtain access by signing this Agreement is now and will remain the property of, or under the control of the United States Government unless and until otherwise determined by an authorized official or final ruling of a court of law.

The second sentence of paragraph 7 of each executed copy of the SF 312 (September 1988 version), SF 189 and SF 189–A, which reads, “I do not now, nor will I ever, possess any right, interest, title or claim whatsoever to such information,” and whether executed prior to or after the publication of this rule, is deleted.

(1) Points of clarification. (1) As used in paragraph 3 of SF 189 and SF 189–A, the word “indirect” refers to any situation in which the knowing, willful or negligent action of a party to the agreement results in the unauthorized disclosure of classified information even though the party to the agreement does not directly communicate, deliver or transmit classified information to a

(a) SF 700 provides the names, addresses and telephone numbers of employees who are to be contacted if the security container to which the form pertains is found open and unattended. The form also includes the means to maintain a current record of the security container’s combination and provides the envelope to be used to forward this information to the appropriate agency activity or official.

(b) SF 700 shall be used in all situations that call for the use of a security container information form. Agency-wide use of SF 700 shall begin when supplies of existing forms are exhausted or September 30, 1986, whichever occurs earlier.

(c) Parts 2 and 2A of each completed copy of SF 700 shall be classified at the highest level of classification of the information authorized for storage in the security container. A new SF 700 must be completed each time the combination to the security container is changed as required by applicable executive order(s), statute(s) or implementing security regulations.

(d) Only the Director of the Information Security Oversight Office (ISOO) may grant an agency’s request for a waiver from the use of SF 700. To apply for a waiver, an agency must submit its proposed alternative nondisclosure agreement to the Director of ISOO, along with a justification for its use. The Director of ISOO will request a determination about the alternative agreement’s enforceability from the Department of Justice and make a recommendation to the National Security Council. An agency that has previously received a waiver from the use of the SF 189 or the SF 189–A need not seek a waiver from the use of the SF 312.

(j) Each agency must retain its executed copies of the SF 312, SF 189, and SF 189–A in file systems from which an agreement can be expeditiously retrieved in the event that the United States must seek its enforcement or a subsequent employer must confirm its prior execution. The original, or a legally enforceable facsimile that is retained in lieu of the original, such as microfiche, microfilm, computer disk, or electronic storage medium, must be retained for 50 years following its date of execution. For agreements executed by civilian employees of the United States Government, an agency may store the executed copy of the SF 312 and SF 189 in the United States Office of Personnel Management’s Official Personnel Folder (OPF) as a long-term (right side) document for that employee. An agency may permit its contractors, licensees and grantees to retain the executed agreements of their employees during the time of employment. Upon the termination of employment, the contractors, licensees or grantee shall deliver the original or legally enforceable facsimile of the executed SF 312, SF 189 or SF 189–A of that employee to the Government agency primarily responsible for his or her classified work. A contractor, licensee or grantee of an agency participating in the Defense Industrial Security Program shall deliver the copy or legally enforceable facsimile of the executed SF 312, SF 189 or SF 189–A of a terminated employee to the Defense Industrial Security Clearance Office. Each agency shall inform ISOO of the file systems that it uses to store these agreements for each category of affected individuals.

PART 2004—DIRECTIVE ON SAFE-GUARDING CLASSIFIED NATIONAL SECURITY INFORMATION

§ 2004.1 Authority.

This Directive is issued pursuant to Section 5.2 (c) of Executive Order (E.O.) 12958, "Classified National Security Information." The E.O. and this Directive set forth the requirements for the safeguarding of classified national security information (hereinafter classified information) and are applicable to all U.S. Government agencies.

§ 2004.2 General.

(a) Classified information, regardless of its form, shall be afforded a level of protection against loss or unauthorized disclosure commensurate with its level of classification.

(b) Except for NATO and other foreign government information, agency heads or their designee(s) (hereinafter referred to as agency heads) may adopt alternative measures, using risk management principles, to protect against loss or unauthorized disclosure when necessary to meet operational requirements. When alternative measures are used for other than temporary, unique situations, the alternative measures shall be documented and provided to the Director, Information Security Oversight Office (ISOO), to facilitate that office's oversight responsibility. Upon request, the description shall be provided to any other agency with which classified information or secure facilities are shared. In all cases, the alternative measures shall provide protection sufficient to reasonably deter and detect loss or unauthorized disclosure. Risk management factors considered will include sensitivity, value and crucial nature of the information; analysis of known and anticipated threats; vulnerability; and countermeasures benefits versus cost.

(c) NATO classified information shall be safeguarded in compliance with U.S.
Information Security Oversight Office, NARA

§ 2004.5

Security Authority for NATO Instructions I–69 and I–70. Other foreign government information shall be safeguarded as described herein for U.S. information except as required by an existing treaty, agreement or other obligation (hereinafter, obligation). When the information is to be safeguarded pursuant to an existing obligation, the additional requirements at Appendix B may apply to the extent they were required in the obligation as originally negotiated or are agreed upon during amendment. Negotiations on new obligations or amendments to existing obligations shall strive to bring provisions for safeguarding foreign government information into accord with standards for safeguarding U.S. information as described in this Directive.

(d) An agency head who originates or handles classified information shall refer any matter pertaining to the implementation of this Directive that he or she cannot resolve to the Director, ISOO for resolution.

§ 2004.3 Definitions.

(a) Open storage area. An area, constructed in accordance with Appendix A and authorized by the agency head for open storage of classified information.

(b) Authorized person. A person who has a favorable determination of eligibility for access to classified information, has signed an approved nondisclosure agreement, and has a need-to-know for the specific classified information in the performance of official duties.

(c) Cleared commercial carrier. A carrier that is authorized by law, regulatory body, or regulation, to transport SECRET and CONFIDENTIAL material and has been granted a SECRET facility clearance in accordance with the National Industrial Security Program.

(d) Security-in-depth. A determination by the agency head that a facility’s security program consists of layered and complementary security controls sufficient to deter and detect unauthorized entry and movement within the facility. Examples include, but are not limited to, use of perimeter fences, employee and visitor access controls, use of an Intrusion Detection System (IDS), random guard patrols through-out the facility during non-working hours, closed circuit video monitoring or other safeguards that mitigate the vulnerability of open storage areas without alarms and security storage cabinets during non-working hours.

(e) Vault. An area approved by the agency head which is designed and constructed of masonry units or steel lined construction to provide protection against forced entry. A modular vault approved by the General Services Administration (GSA) may be used in lieu of a vault as prescribed in the first sentence of this paragraph (e). Vaults shall be equipped with a GSA-approved vault door and lock.

§ 2004.4 Responsibilities of holders.

Authorized persons who have access to classified information are responsible for:

(a) Protecting it from persons without authorized access to that information, to include securing it in approved equipment or facilities whenever it is not under the direct control of an authorized person;

(b) Meeting safeguarding requirements prescribed by the agency head; and

(c) Ensuring that classified information is not communicated over unsecured voice or data circuits, in public conveyances or places, or in any other manner that permits interception by unauthorized persons.

§ 2004.5 Standards for security equipment.

The Administrator of General Services shall, in coordination with agency heads originating classified information, establish and publish uniform standards, specifications and supply schedules for security equipment designed to provide secure storage for and destruction of classified information. Whenever new security equipment is procured, it shall be in conformance with the standards and specifications established by the Administrator of General Services, and shall, to the maximum extent possible, be of the type available through the Federal Supply System.
§ 2004.6 Storage.

(a) General. Classified information shall be stored only under conditions designed to deter and detect unauthorized access to the information. Storage at overseas locations shall be at U.S. Government controlled facilities unless otherwise stipulated in treaties or international agreements. Overseas storage standards for facilities under a Chief of Mission are promulgated under the authority of the Overseas Security Policy Board.

(b) Requirements for physical protection. (1) Top Secret. Top Secret information shall be stored by one of the following methods:

(i) In a GSA-approved security container with one of the following supplemental controls:

(A) Continuous protection by cleared guard or duty personnel;

(B) Inspection of the security container every two hours by cleared guard or duty personnel;

(C) An Intrusion Detection System (IDS) with the personnel responding to the alarm arriving within 15 minutes of the alarm annunciation; or

(D) Security-In-Depth conditions, provided the GSA-approved container is equipped with a lock meeting Federal Specification FF-L-274D.

(ii) In a GSA-approved security container or vault without supplemental controls; or

(iii) In either of the following:

(A) Until October 1, 2012, in a non-GSA-approved container having a built-in combination lock or in a non-GSA approved container secured with a rigid metal lockbar and an agency head approved padlock; or

(B) An open storage area. In either case, one of the following supplemental controls is required:

(1) The location that houses the container or open storage area shall be subject to continuous protection by cleared guard or duty personnel;

(2) Cleared guard or duty personnel shall inspect the security container or open storage area once every four hours; or

(3) An IDS (per paragraph (b)(1)(i)(C) of this section) with the personnel responding to the alarm arriving within 30 minutes of the alarm annunciation. [In addition to one of these supplemental controls specified in paragraphs (b)(2)(iii)(B)(1) through (3), security-in-depth as determined by the agency head is required as part of the supplemental controls for a non-GSA approved container or open storage area storing Secret information.]

(2) Secret. Secret information shall be stored in the same manner as prescribed for Top Secret information except that supplemental controls are not required.

(c) Combinations. Use and maintenance of dial-type locks and other changeable combination locks.

(1) Equipment in service. The classification of the combination shall be the same as the highest level of classified information that is protected by the lock. Combinations to dial-type locks shall be changed only by persons having a favorable determination of eligibility for access to classified information and authorized access to the level of information protected unless other sufficient controls exist to prevent access to the lock or knowledge of the combination. Combinations shall be changed under the following conditions:

(i) Whenever such equipment is placed into use;
§ 2004.8

(2) Equipment out of service. When security equipment is taken out of service, it shall be inspected to ensure that no classified information remains and the built-in combination lock shall be reset to a standard combination.

(d) Key operated locks. When special circumstances exist, an agency head may approve the use of key operated locks for the storage of Secret and Confidential information. Whenever such locks are used, administrative procedures for the control and accounting of keys and locks shall be established.

§ 2004.7 Information controls.

(a) General. Agency heads shall establish a system of control measures which assure that access to classified information is limited to authorized persons. The control measures shall be appropriate to the environment in which the access occurs and the nature and volume of the information. The system shall include technical, physical, and personnel control measures. Administrative control measures which may include records of internal distribution, access, generation, inventory, reproduction, and disposition of classified information shall be required when technical, physical and personnel control measures are insufficient to deter and detect access by unauthorized persons.

(b) Reproduction. Reproduction of classified information shall be held to the minimum consistent with operational requirements. The following additional control measures shall be taken:

(1) Reproduction shall be accomplished by authorized persons knowledgeable of the procedures for classified reproduction;

(2) Unless restricted by the originating Agency, Top Secret, Secret, and Confidential information may be reproduced to the extent required by operational needs, or to facilitate review for declassification;

(3) Copies of classified information shall be subject to the same controls as the original information; and

(4) The use of technology that prevents, discourages, or detects the unauthorized reproduction of classified information is encouraged.

§ 2004.8 Transmission.

(a) General. Classified information shall be transmitted and received in an authorized manner which ensures that evidence of tampering can be detected, that inadvertent access can be precluded, and that provides a method which assures timely delivery to the intended recipient. Persons transmitting classified information are responsible for ensuring that intended recipients are authorized persons with the capability to store classified information in accordance with this Directive.

(b) Dispatch. Agency heads shall establish procedures which ensure that:

(1) All classified information physically transmitted outside facilities shall be enclosed in two layers, both of which provide reasonable evidence of tampering and which conceal the contents. The inner enclosure shall clearly identify the address of both the sender and the intended recipient, the highest classification level of the contents, and any appropriate warning notices. The outer enclosure shall be the same except that no markings to indicate that the contents are classified shall be visible. Intended recipients shall be identified by name only as part of an attention line. The following exceptions apply:

(i) If the classified information is an internal component of a packable item of equipment, the outside shell or body may be considered as the inner enclosure provided it does not reveal classified information;

(ii) If the classified information is an inaccessible internal component of a bulky item of equipment, the outside or body of the item may be considered to be a sufficient enclosure provided observation of it does not reveal classified information;

(iii) If the classified information is an item of equipment that is not reasonably packable and the shell or body is classified, it shall be concealed with
an opaque enclosure that will hide all classified features;

(iv) Specialized shipping containers, including closed cargo transporters or diplomatic pouch, may be considered the outer enclosure when used; and

(v) When classified information is hand-carried outside a facility, a locked briefcase may serve as the outer enclosure.

(2) Couriers and authorized persons designated to hand-carry classified information shall ensure that the information remains under their constant and continuous protection and that direct point-to-point delivery is made. As an exception, agency heads may approve, as a substitute for a courier on direct flights, the use of specialized shipping containers that are of sufficient construction to provide evidence of forced entry, are secured with a high security padlock, are equipped with an electronic seal that would provide evidence of surreptitious entry and are handled by the carrier in a manner to ensure that the container is protected until its delivery is completed.

(c) Transmission methods within and between the U.S., Puerto Rico, or a U.S. possession or trust territory.

(1) Top Secret. Top Secret information shall be transmitted by direct contact between authorized persons; the Defense Courier Service or an authorized government agency courier service; a designated courier or escort with Top Secret clearance; electronic means over approved communications systems. Under no circumstances will Top Secret information be transmitted via the U.S. Postal Service.

(2) Secret. Secret information shall be transmitted by:

(i) Any of the methods established for Top Secret: U.S. Postal Service Express Mail and U.S. Postal Service Registered Mail, as long as the Waiver of Signature and Indemnity block, item 11-B, on the U.S. Postal Service Express Mail Label shall not be completed; and cleared commercial carriers or cleared commercial messenger services. The use of street-side mail collection boxes is strictly prohibited; and

(ii) Agency heads may, on an exceptional basis and when an urgent requirement exists for overnight delivery within the U.S. and its Territories, authorize the use of the current holder of the General Services Administration contract for overnight delivery of information for the Executive Branch as long as applicable postal regulations (39 CFR chapter 1) are met. Any such delivery service shall be U.S. owned and operated, provide automated in-transit tracking of the classified information, and ensure package integrity during transit. The contract shall require cooperation with government inquiries in the event of a loss, theft, or possible unauthorized disclosure of classified information. The sender is responsible for ensuring that an authorized person will be available to receive the delivery and verification of the correct mailing address. The package may be addressed to the recipient by name. The release signature block on the receipt label shall not be executed under any circumstances. The use of external (street side) collection boxes is prohibited. Classified Communications Security Information, NATO, and foreign government information shall not be transmitted in this manner.

(3) Confidential. Confidential information shall be transmitted by any of the methods established for Secret information or U.S. Postal Service Certified Mail. In addition, when the recipient is a U.S. Government facility, the confidential information may be transmitted via U.S. First Class Mail. However, confidential information shall not be transmitted to government contractor facilities via first class mail. When first class mail is used, the envelope or outer wrapper shall be marked to indicate that the information is not to be forwarded, but is to be returned to sender. The use of street-side mail collection boxes is prohibited.

(d) Transmission methods to a U.S. Government facility located outside the U.S. The transmission of classified information to a U.S. Government facility located outside the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, or a U.S. possession or trust territory, shall be by methods specified above for Top Secret information or by the Department of State Courier Service. U.S. Registered Mail through Military Postal Service facilities may be used to transmit Secret
and Confidential information provided that the information does not at any time pass out of U.S. citizen control nor pass through a foreign postal system.

(e) Transmission of U.S. classified information to foreign governments. Such transmission shall take place between designated government representatives using the transmission methods described in paragraph (d) of this section. When classified information is transferred to a foreign government or its representative a signed receipt is required.

(f) Receipt of classified information. Agency heads shall establish procedures which ensure that classified information is received in a manner which precludes unauthorized access, provides for inspection of all classified information received for evidence of tampering and confirmation of contents, and ensures timely acknowledgment of the receipt of Top Secret and Secret information by an authorized recipient. As noted in paragraph (e) of this section, a receipt acknowledgment of all classified material transmitted to a foreign government or its representative is required.

§ 2004.9 Destruction.

(a) General. Classified information identified for destruction shall be destroyed completely to preclude recognition or reconstruction of the classified information in accordance with procedures and methods prescribed by agency heads. The methods and equipment used to routinely destroy classified information include burning, cross-cut shredding, wet-pulping, melting, mutilation, chemical decomposition or pulverizing.

(b) Technical guidance. Technical guidance concerning appropriate methods, equipment, and standards for the destruction of classified electronic media and processing equipment components may be obtained by submitting all pertinent information to the National Security Agency/Central Security Service, Directorate for Information Systems Security, Fort Meade, MD 20755. Specifications concerning appropriate equipment and standards for the destruction of other storage media may be obtained from the GSA.

§ 2004.10 Loss, possible compromise or unauthorized disclosure.

(a) General. Any person who has knowledge that classified information has been or may have been lost, possibly compromised or disclosed to an unauthorized person(s) shall immediately report the circumstances to an official designated for this purpose.

(b) Cases involving information originated by a foreign government or another U.S. government agency. Whenever a loss or possible unauthorized disclosure involves the classified information or interests of a foreign government agency, or another government agency, the department or agency in which the compromise occurred shall advise the other government agency or foreign government of the circumstances and findings that affect their information or interests. However, foreign governments normally will not be advised of any security system vulnerabilities that contributed to the compromise.

(c) Inquiry/investigation and corrective actions. Agency heads shall establish appropriate procedures to conduct an inquiry/investigation of a loss, possible compromise or unauthorized disclosure of classified information, in order to implement appropriate corrective actions, which may include disciplinary sanctions, and to ascertain the degree of damage to national security.

(d) Department of Justice and legal counsel coordination. Agency heads shall establish procedures to ensure coordination with legal counsel whenever a formal action, beyond a reprimand, is contemplated against any person believed responsible for the unauthorized disclosure of classified information. Whenever a criminal violation appears to have occurred and a criminal prosecution is contemplated, agency heads shall use established procedures to ensure coordination with—

(1) The Department of Justice, and

(2) The legal counsel of the agency where the individual responsible is assigned or employed.

§ 2004.11 Special access programs.

(a) General. The safeguarding requirements of this Directive may be enhanced for information in Special Access Programs (SAP), established under the provisions of Section 4.4 of E.O.
§ 2004.12 Telecommunications, automated information systems and network security.

Each agency head shall ensure that classified information electronically accessed, processed, stored or transmitted is protected in accordance with applicable national policy issuances identified in the Index of National Security Telecommunications and Information Systems Security Issuances (NSTISSI) and Director of Central Intelligence Directive (DCID) 6/3.

Based upon the risk management factors referenced in § 2004.2 of this directive agency heads shall determine the requirement for technical countermeasures such as Technical Surveillance Countermeasures (TSCM) and TEMPEST necessary to detect or deter exploitation of classified information through technical collection methods and may apply countermeasures in accordance with NSTISSI 7000, entitled Tempest Countermeasures for Facilities, and SPB Issuance 6-97, entitled National Policy on Technical Surveillance Countermeasures.

Agency heads may prescribe special provisions for the dissemination, transmittal, destruction, and safeguarding of classified information during military operations or other emergency situations.

APPENDIX A TO PART 2004—OPEN STORAGE AREAS

This Appendix describes the construction standards for open storage areas.

1. Construction. The perimeter walls, floors, and ceiling will be permanently constructed and attached to each other. All construction must be done in a manner as to provide visual evidence of unauthorized penetration.

2. Doors. Doors shall be constructed of wood, metal, or other solid material. Entrance doors shall be secured with a built-in GSA-approved three-position combination lock. When special circumstances exist, the agency head may authorize other locks on entrance doors for Secret and Confidential storage. Doors other than those secured with the aforementioned locks shall be secured from the inside with either deadbolt emergency egress hardware, a deadbolt, or a rigid wood or metal bar which extends across the width of the door, or by other means approved by the agency head.

3. Vents, ducts, and miscellaneous openings. All vents, ducts, and similar openings in excess of 96 square inches (and over 6 inches in its smallest dimension) that enter or pass through an open storage area shall be protected with either bars, expanded metal grills, commercial metal sound baffles, or an intrusion detection system.

   a. All windows which might reasonably afford visual observation of classified activities within the facility shall be made opaque or equipped with blinds, drapes, or other coverings.
   b. Windows at ground level will be constructed from or covered with materials which provide protection from forced entry. The protection provided to the windows need be no stronger than the strength of the contiguous walls. Open storage areas which are located within a controlled compound or equivalent may eliminate the requirement for forced entry protection if the windows are made inoperable either by permanently sealing them or equipping them on the inside with a locking mechanism and they are covered by an IDS (either independently or by the motion detection sensors within the area.)

APPENDIX B TO PART 2004—FOREIGN GOVERNMENT INFORMATION

The requirements described below are additional baseline safeguarding standards that may be necessary for foreign government information, other than NATO information, that requires protection pursuant to an existing treaty, agreement, or other obligation. NATO classified information shall be safeguarded in compliance with United
Information Security Oversight Office, NARA

States Security Authority for NATO Instructions I-69 and I-70. To the extent practical, and to facilitate its control, foreign government information should be stored separately from other classified information. To avoid additional costs, separate storage may be accomplished by methods such as separate drawers of a container. The safeguarding standards described below may be modified if required or permitted by treaties or agreements, or for other obligations, with the prior written consent of the National Security Authority of the originating government.

1. **Top Secret.** Records shall be maintained of the receipt, internal distribution, destruction, access, reproduction, and transmittal of foreign government Top Secret information. Reproduction requires the consent of the originating government. Destruction will be witnessed.

2. **Secret.** Records shall be maintained of the receipt, external dispatch and destruction of foreign government Secret information. Other records may be necessary if required by the originator. Secret foreign government information may be reproduced to meet mission requirements unless prohibited by the originator. Reproduction shall be recorded unless this requirement is waived by the originator.

3. **Confidential.** Records need not be maintained for foreign government Confidential information unless required by the originator.

4. **Restricted and other foreign government information provided in confidence.** In order to assure the protection of other foreign government information provided in confidence (e.g., foreign government “Restricted,” “Designated,” or unclassified provided in confidence), such information must be classified under E.O. 12958. The receiving agency, or a receiving U.S. contractor, licensee, grantee, or certificate holder acting in accordance with instructions received from the U.S. Government, shall provide a degree of protection to the foreign government information at least equivalent to that required by the government or international organization that provided the information. When adequate to achieve equivalency, these standards may be less restrictive than the safeguarding standards that ordinarily apply to US CONFIDENTIAL information. If the foreign protection requirement is lower than the protection required for US CONFIDENTIAL information, the following requirements shall be met:
   a. Documents may retain their original foreign markings if the responsible agency determines that these markings are adequate to meet the purposes served by U.S. classification markings. Otherwise, documents shall be marked, “This document contains (insert name of country) (insert classification level) information to be treated as US (insert classification level).” The notation, “Modified Handling Authorized,” may be added to either the foreign or U.S. markings authorized for foreign government information. If remarking foreign originated documents or matter is impractical, an approved cover sheet is an authorized option;
   b. Documents shall be provided only to those who have an established need-to-know, and where access is required by official duties;
   c. Individuals being given access shall be notified of applicable handling instructions. This may be accomplished by a briefing, written instructions, or by applying specific handling requirements to an approved cover sheet;
   d. Documents shall be stored in such a manner so as to prevent unauthorized access;
   e. Documents shall be transmitted in a method approved for classified information, unless this method is waived by the originating government.

5. **Third-country transfers.** The release or disclosure of foreign government information to any third-country entity must have the prior consent of the originating government if required by a treaty, agreement, bilateral exchange, or other obligation.

AUXORITY: 5 U.S.C. 552a (f) and (k).
SOURCE: 40 FR 47746, Oct. 9, 1975, unless otherwise noted.

§ 2102.1 Introduction.
(a) Insofar as the Privacy Act of 1974 (5 U.S.C. 552a) applies to the National Security Council (hereafter NSC), it provides the American public with expanded opportunities to gain access to records maintained by the NSC Staff which may pertain to them as individuals. These regulations are the exclusive means by which individuals may request personally identifiable records and information from the National Security Council.

(b) The NSC Staff, in addition to performing the functions prescribed in the National Security Act of 1947, as amended (50 U.S.C. 401), also serves as the supporting staff to the President in the conduct of foreign affairs. In doing so the NSC Staff is acting not as an agency but as an extension of the White House Office. In that the White House Office is not considered an agency for the purposes of this Act, the materials which are used by NSC Staff personnel in their role as supporting staff to the President are not subject to the provisions of the Privacy Act of 1974. A description of these White House Office files is, nevertheless, appended to the NSC notices of systems of files and will be published annually in the Federal Register.

(c) In general, Records in NSC files pertain to individual members of the public only if these individuals have been (1) employed by the NSC, (2) have corresponded on a foreign policy matter with a member of the NSC or its staff, or (3) have, as a U.S. Government official, participated in an NSC meeting or in the preparation of foreign policy-related documents for the NSC.

§ 2102.2 Purpose and scope.
(a) The following regulations set forth procedures whereby individuals may seek and gain access to records concerning themselves and will guide the NSC Staff response to requests under the Privacy Act. In addition, they outline the requirements applicable to the personnel maintaining NSC systems of records.

(b) These regulations, published pursuant to the Privacy Act of 1974, Pub. L. 93–579, Section 552a (f) and (k), 5 U.S.C. (hereinafter the Act), advise of procedures whereby an individual can:
(1) Request notification of whether the NSC Staff maintains or has disclosed a record pertaining to him or her in any non-exempt system of records;
(2) Request a copy of such record or an accounting of that disclosure;
(3) Request an amendment to a record; and,
(4) Appeal any initial adverse determination of any request under the Act.

(c) These regulations also specify those systems of records which the NSC has determined to be exempt from certain provisions of the Act and thus not subject to procedures established by this regulation.

§ 2102.3 Definitions.
As used in these regulations:
(a) Individual. A citizen of the United States or an alien lawfully admitted for permanent residence.

(b) Maintain. Includes maintain, collect, use or disseminate. Under the Act it is also used to connote control over, and, therefore, responsibility for, systems of records in support of the NSC statutory function (50 U.S.C. 401, et seq.).

(c) Systems of Records. A grouping of any records maintained by the NSC from which information is retrieved by
§2102.4 Procedures for determining if an individual is the subject of a record.

(a) Individuals desiring to determine if they are the subject of a record or system of records maintained by the NSC Staff should address their inquiries, marking them plainly as a PRIVACY ACT REQUEST, to:

Staff Secretary, National Security Council,
Room 374, Old Executive Office Building,
Washington, DC 20506.

All requests must be made in writing and should contain:

(1) A specific reference to the system of records maintained by the NSC as listed in the NSC Notices of Systems and Records (copies available upon request); or

(2) A description of the record or systems of records in sufficient detail to allow the NSC to determine whether the record does, in fact, exist in an NSC system of records.

(b) All requests must contain the printed or typewritten name of the individual to whom the record pertains, the signature of the individual making the request, and the address to which the reply should be sent. In instances when the identification is insufficient to insure disclosure to the individual to whom the information pertains in view of the sensitivity of the information, NSC reserves the right to solicit from the requestor additional identifying information.

(c) Responses to all requests under the Act will be made by the Staff Secretary, or by another designated member of the NSC Staff authorized to act in the name of the Staff Secretary in responding to a request under this Act. Every effort will be made to inform the requestor if he or she is the subject of a specific record or system of records within ten working days (excluding Saturdays, Sundays and legal Federal Holidays) of receipt of the request. Such a response will also contain the procedures to be followed in order to gain access to any record which may exist and a copy of the most recent NSC notice, as published in the FEDERAL REGISTER, on the system of records in which the record is contained.

(d) Whenever it is not possible to respond in the time period specified above, the NSC Staff Secretary or a designated alternate will, within ten working days (excluding Saturdays, Sundays, and legal Federal Holidays), inform the requestor of the reasons for the delay (e.g., insufficient requestor information, difficulties in record location, etc.), steps that need to be taken in order to expedite the request, and the date by which a response is anticipated.

§2102.13 Requirements for access to a record.

(a) Individuals requesting access to a record or system of records in which there is information concerning them must address a request in writing to the Staff Secretary of the NSC (see §2102.1). Due to restricted access to NSC offices in the Old Executive Office Building where the files are located, requests cannot be made in person.

(b) All written requests should contain a concise description of the records to which access is requested. In addition, the requestor should include any other information which he or she feels would assist in the timely identification of the record. Verification of the requestor’s identity will be determined under the same procedures used in requests for learning of the existence of a record.

(c) To the extent possible, any request for access will be answered by the Staff Secretary or a designated alternate within ten working days (excluding Saturdays, Sundays, and legal Federal holidays) of the receipt of the request.
request. In the event that a response cannot be made within this time, the requestor will be notified by mail of the reasons for the delay and the date upon which a reply can be expected.

(d) The NSC response will forward a copy of the requested materials unless further identification or clarification of the request is required. In the event access is denied, the requestor shall be informed of the reasons therefore and the name and address of the individual to whom an appeal should be directed.

§ 2102.15 Requirements for requests to amend records.

(a) Individuals wishing to amend a record contained in the NSC systems of records pertaining to them must submit a request in writing to the Staff Secretary of the NSC in accordance with the procedures set forth herein.

(b) All requests for amendment or correction of a record must state concisely the reason for requesting the amendment. Such requests should include a brief statement which describes the information the requestor believes to be inaccurate, incomplete, or unnecessary and the amendment or correction desired.

(c) To the extent possible, every request for amendment of a record will be answered within ten working days (excluding Saturdays, Sundays, and legal Federal holidays) of the receipt of the request. In the event that a response cannot be made within this time, the requestor will be notified by mail of the reasons for the delay and the date upon which a reply can be expected. A final response to a request for amendment will include the NSC Staff determination on whether to grant or deny the request. If the request is denied, the response will include:

(1) The reasons for the decision;
(2) The name and address of the individual to whom an appeal should be directed;
(3) A description of the process for review of the appeal within the NSC; and
(4) A description of any other procedures which may be required of the individual in order to process the appeal.

§ 2102.21 Procedures for appeal of determination to deny access to or amendment of requested records.

(a) Individuals wishing to appeal an NSC Staff denial of a request for access or to amend a record concerning them must address a letter of appeal to the Staff Secretary of the NSC. The letter must be received within thirty days from the date of the Staff Secretary’s notice of denial and, at a minimum, should identify the following:

(1) The records involved;
(2) The dates of the initial request and subsequent NSC determination; and
(3) A brief statement of the reasons supporting the request for reversal of the adverse determination.

(b) Within thirty working days (excluding Saturdays, Sundays and legal Federal holidays) of the date of receipt of the letter of appeal, the Assistant to the President for National Security Affairs (hereinafter the “Assistant”), or the Deputy Assistant to the President for National Security Affairs (hereinafter the “Deputy Assistant”), acting in his name, shall issue a determination on the appeal. In the event that a final determination cannot be made within this time period, the requestor will be informed of the delay, the reasons therefor and the date on which a final response is expected.

(c) If the original request was for access and the initial determination is reversed, a copy of the records sought will be sent to the individual. If the initial determination is upheld, the requestor will be so advised and informed of the right to judicial review pursuant to 5 U.S.C. 552a(g).

(d) If the initial denial of a request to amend a record is reversed, the records will be corrected and a copy of the amended record will be sent to the individual. If the initial determination is upheld by the Assistant to the President, the requestor will be so advised in writing of his or her right to seek judicial review of the final agency determination, pursuant to section 552a(g) of title 5, U.S.C. In addition, the requestor will be advised of his right to have a concise statement of the reasons for disagreeing with the final determination appended to the disputed records. This statement
§ 2102.31 Disclosure of a record to persons other than the individual to whom it pertains.

(a) Except as provided by the Privacy Act, 5 U.S.C. 552a(b), the NSC will not disclose a record concerning an individual to another person or agency without the prior written consent of the individual to whom the record pertains.

§ 2102.41 Fees.

(a) Individuals will not be charged for:

(1) The first copy of any record provided in response to a request for access or amendment;
(2) The search for, or review of, records in NSC files;
(3) Any copies reproduced as a necessary part of making a record or portion thereof available to the individual.

(b) After the first copy has been provided, records will be reproduced at the rate of twenty-five cents per page for all copying of four pages or more.

(c) The Staff Secretary may provide copies of a record at no charge if it is determined to be in the interest of the Government.

(d) The Staff Secretary may require that all fees be paid in full prior to the issuance of the requested copies.

(e) Remittances shall be in the form of a personal check or bank draft drawn on a bank in the United States, or a postal money order. Remittances shall be made payable to the “United States Treasury” and mailed to the Staff Secretary, National Security Council, Washington, DC 20506.

(f) A receipt for fees paid will be given only upon request. Refund of fees paid for services actually rendered will not be made.

§ 2102.51 Penalties.

Title 18, U.S.C. section 1001, Crimes and Criminal Procedures, makes it a criminal offense, subject to a maximum fine of $10,000 or imprisonment for not more than five years or both, to knowingly and willfully make or cause to be made any false or fraudulent statements or representations in any matter within the jurisdiction of any agency of the United States. Section (i)(3) of the Privacy Act (5 U.S.C. 552a) makes it a misdemeanor, subject to a maximum fine of $5,000, to knowingly and willfully request or obtain any record concerning an individual under false pretenses. Sections (i)(1) and (2) of 5 U.S.C. 552a provide penalties for violations by agency employees, of the Privacy Act or regulations established thereunder.

§ 2102.61 Exemptions.

Pursuant to subsection (k) of the Privacy Act (5 U.S.C. 552a), the Staff Secretary has determined that certain NSC systems of records may be exempt in part from sections 553(c)(3), (d), (e)(1), (e)(4), (G), (H), (I), and (f) of title 5, and from the provisions of these regulations. These systems of records may contain information which is classified pursuant to Executive Order 11652. To the extent that this occurs, records in the following systems would be exempt under the provision of 5 U.S.C. 552a(k)(1):

Subpart A—Introduction

§ 2103.1 References.

§ 2103.2 Purpose.
The purpose of this regulation is to ensure, consistent with the authorities listed in §2103.1, that national security information processed by the National Security Council Staff is protected from unauthorized disclosure, but only to the extent, and for such period, as is necessary to safeguard the national security.

§ 2103.3 Applicability.
This regulation governs the National Security Council Staff Information Security Program. In consonance with the authorities listed in §2103.1, it establishes the policy and procedures for the security classification, downgrading, declassification, and safeguarding of information that is owned by, is produced for or by, or is under the control of the National Security Council Staff.

§ 2103.13 Duration of original classification.

Subpart B—Original Classification

§ 2103.11 Basic policy.
It is the policy of the National Security Council Staff to make available to the public as much information concerning its activities as is possible, consistent with its responsibility to protect the national security.

§ 2103.12 Level of original classification.
Unnecessary classification, and classification at a level higher than is necessary, shall be avoided. If there is reasonable doubt as to which designation in section 1–1 of Executive Order 12065 is appropriate, or whether information should be classified at all, the less restrictive designation should be used, or the information should not be classified.

§ 2103.13 Duration of original classification.
Original classification may be extended beyond six years only by officials with Top Secret classification authority. This extension authority shall be used only when these officials determine that the basis for original classification will continue throughout the entire period that the classification will be in effect and only for the following reasons:
(a) The information is “foreign government information” as defined by the authorities in §2301.1;
(b) The information reveals intelligence sources and methods;
(c) The information pertains to communication security;
(d) The information reveals vulnerability or capability data, the unauthorized disclosure of which can reasonably be expected to render ineffective a system, installation, or project important to the national security;
(e) The information concerns plans important to the national security, the unauthorized disclosure of which reasonably can be expected to nullify the effectiveness of the plan;
(f) The information concerns specific foreign relations matters, the continued protection of which is essential to the national security;
§ 2103.14 Challenges to classification.

If holders of classified information believe that the information is improperly or unnecessarily classified, or that original classification has been extended for too long a period, they should discuss the matter with their immediate superiors or the classifier of the information. If these discussions do not satisfy the concerns of the challenger, the matter should be brought to the attention of the chairperson of the NSC Information Security Oversight Committee (see §2103.51 of this part).

Subpart C—Derivative Classification

§ 2103.21 Definition and application.

Derivative classification is the act of assigning a level of classification to information that is determined to be the same in substance as information that is currently classified. Thus, derivative classification may be accomplished by any person cleared for access to that level of information, regardless of whether the person has original classification authority at that level.

Subpart D—Declassification and Downgrading

§ 2103.31 Declassification authority.

The Staff Secretary, Staff Counsel, and Director of Freedom of Information of the National Security Council Staff are authorized to declassify NSC documents after consultation with the appropriate NSC Staff members.

§ 2103.32 Mandatory review for declassification.

(a) Receipt. (1) Requests for mandatory review for declassification under section 3-501 of Executive Order 12065 must be in writing and should be addressed to:

National Security Council, ATTN: Staff Secretary (Mandatory Review Request), Old Executive Office Building, Washington, DC 20506.

(2) The requestor shall be informed of the date of receipt of the request. This date will be the basis for the time limits specified in paragraph (b) of this section.

(3) If the request does not reasonably describe the information sought, the requestor shall be notified that, unless additional information is provided or the request is made more specific, no further action will be taken.

(b) Review. (1) The requestor shall be informed of the National Security Council Staff determination within sixty days of receipt of the initial request.

(2) If the determination is to withhold some or all of the material requested, the requestor may appeal the determination. The requestor shall be informed that such an appeal must be made in writing within sixty days of receipt of the denial and should be addressed to the chairperson of the National Security Council Classification Review Committee.

(3) The requestor shall be informed of the appellate determination within thirty days of receipt of the appeal.

(c) Fees. (1) Fees for the location and reproduction of information that is the subject of a mandatory review request shall be assessed according to the following schedule:

(i) Search for records. $5.00 per hour when the search is conducted by a clerical employee; $8.00 per hour when the search is conducted by a professional employee. No fee shall be assessed for searches of less than one hour.

(ii) Reproduction of documents. Documents will be reproduced at a rate of $.25 per page for all copying of four pages or more. No fee shall be assessed for reproducing documents that are three pages or less, or for the first three pages of longer documents.
National Security Council

§ 2103.52

Subpart E—Safeguarding

§ 2103.41 Reproduction controls.

The Staff Secretary shall maintain records to show the number and distribution of all Top Secret documents, of all documents covered by special access programs distributed outside the originating agency, and of all Secret and Confidential documents that are marked with special dissemination or reproduction limitations.

Subpart F—Implementation and Review

§ 2103.51 Information Security Oversight Committee.

The NCS Information Security Oversight Committee shall be chaired by the Staff Counsel of the National Security Council Staff. The Committee shall be responsible for acting on all suggestions and complaints concerning the administration of the National Security Council information security program. The chairperson, who shall represent the NSC Staff on the Interagency Information Security Committee shall also be responsible for conducting an active oversight program to ensure effective implementation of Executive Order 12065.

§ 2103.52 Classification Review Committee.

The NSC Classification Review Committee shall be chaired by the Staff Secretary of the National Security Council. The Committee shall decide appeals from denials of declassification requests submitted pursuant to section 3-5 of Executive Order 12065. The Committee shall consist of the chairperson, the NSC Director of Freedom of Information, and the NSC Staff member with primary subject matter responsibility for the material under review.

Subpart A—General Provisions

§ 2400.1 Authority.

§ 2400.2 Purpose.

The purpose of this Regulation is to ensure, consistent with the authorities of §2400.1 that information of the Office of Science and Technology Policy (OSTP) relating to national security is protected from unauthorized disclosure, but only to the extent and for such period as is necessary to safeguard the national security.
§ 2400.3 Applicability.

This Regulation governs the Office of Science and Technology Policy Information Security Program. In accordance with the provisions of Executive Order 12356 and Directive No. 1 it establishes, for uniform application throughout the Office of Science and Technology Policy, the policies and procedures for the security classification, downgrading, declassification and safeguarding of information that is owned by, produced for or by, or under the control of the Office of Science and Technology Policy.

§ 2400.4 Atomic Energy Material.

Nothing in this Regulation supersedes any requirement made by or under the Atomic Energy Act of 1954, as amended. “Restricted Data” and information designated as “Formerly Restricted Data” shall be handled, protected, classified, downgraded, and declassified in conformity with the provisions of the Atomic Energy Act of 1954, as amended, and regulations issued pursuant thereto by the Department of Energy.

Subpart B—Original Classification

§ 2400.5 Basic policy.

Except as provided in the Atomic Energy Act of 1954, as amended, Executive Order 12356, as implemented by Directive No. 1 and this Regulation, provides the only basis for classifying information. The policy of the Office of Science and Technology Policy is to make available to the public as much information concerning its activities as is possible, consistent with its responsibility to protect the national security. Information may not be classified unless its disclosure reasonably could be expected to cause damage to the national security.

§ 2400.6 Classification levels.

(a) National security information (hereinafter “classified information”) shall be classified at one of the following three levels:

(1) “Top Secret” shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause exceptionally grave damage to the national security.

(2) “Secret” shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause serious damage to the national security.

(3) “Confidential” shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause damage to the national security.

(b) Except as otherwise provided by statute, no other terms shall be used to identify classified information. Markings other than “Top Secret,” “Secret,” and “Confidential,” such as “For Official Use Only,” shall not be used to identify national security information. In addition, no other term or phrase shall be used in conjunction with one of the three authorized classification levels, such as “Secret Sensitive” or “Agency Confidential.” The terms “Top Secret,” “Secret,” and “Confidential” should not be used to identify nonclassified executive branch information.

(c) Unnecessary classification, and classification at a level higher than is necessary shall be scrupulously avoided.

(d) If there is reasonable doubt about the need to classify information, it shall be safeguarded as if it were classified “Confidential” pending a determination by an original classification authority, who shall make this determination within thirty (30) days. If there is reasonable doubt about the appropriate level of classification the originator of the information shall safeguard it at the higher level of classification pending a determination by an original classification authority, who shall make this determination within thirty (30) days. Upon the determination of a need for classification and/or the proper classification level, the information that is classified shall be marked as provided in §2400.12 of this part.

§ 2400.7 Original classification authority.

(a) Authority for original classification of information as Top Secret shall be exercised within OSTP only by the
Office of Science and Technology Policy

§ 2400.9 Classification requirements.

(a) Information may be classified only if it concerns one or more of the categories cited in Executive Order 12356, as subcategorized below, and an official having original classification authority determines that its unauthorized disclosure, either by itself or in the context of other information, reasonably could be expected to cause damage to the national security.

(1) Military plans, weapons or operations;

(2) The vulnerabilities or capabilities of systems, installations, projects, or plans relating to the national security;

(3) Foreign government information;

(4) Intelligence activities (including special activities), or intelligence sources or methods;

(5) Foreign relations or foreign activities of the United States;

(6) Scientific, technological, or economic matters relating to the national security;

(7) United States Government programs for safeguarding nuclear materials or facilities;

(8) Cryptology;

(9) A confidential source; or

(10) Other categories of information which are related to national security and that require protection against unauthorized disclosure as determined by the Director, Office of Science and Technology Policy. Each such determination shall be reported promptly to the official in OSTP who has appropriate subject matter interest and classification authority with respect to this information. That official shall decide within thirty (30) days whether to classify this information. If the information is not within OSTP’s area of classification responsibility, OSTP shall promptly transmit the information to the responsible agency. If it is not clear which agency has classification responsibility for this information, it shall be sent to the Director of the Information Security Oversight Office. The Director shall determine the agency having primary subject matter interest and forward the information, with appropriate recommendations, to that agency for a classification determination.

§ 2400.8 Limitations on delegation of original classification authority.

(a) The Director, OSTP is the only official authorized to delegate original classification authority.

(b) Delegations of original classification authority shall be held to an absolute minimum.

(c) Delegations of original classification authority shall be limited to the level of classification required.

(d) Original classification authority shall not be delegated to OSTP personnel who only quote, restate, extract or paraphrase, or summarize classified information or who only apply classification markings derived from source material or as directed by a classification guide.

(e) The Executive Director, OSTP, shall maintain a current listing of persons or positions receiving any delegation of original classification authority. If possible, this listing shall be unclassified.

(f) Original classification authority may not be redelegated.

(g) Exceptional Cases. When an employee, contractor, licensee, or grantee of OSTP that does not have original classification authority originates information believed by that person to require classification, the information shall be protected in a manner consistent with these Regulations as provided in §2400.6(d) of this part. The information shall be transmitted promptly as provided in these Regulations to

539
§ 2400.10

the Director of the Information Security Oversight Office.

(b) Foreign government information need not fall within any other classification category listed in paragraph (a) of this section to be classified.

(c) Certain information which would otherwise be unclassified may require classification when combined or associated with other unclassified or classified information. Classification on this basis shall be fully supported by a written explanation that, at a minimum, shall be maintained with the file or referenced on the record copy of the information.

(d) Information classified in accordance with this section shall not be declassified automatically as a result of any unofficial publication or inadvertent or unauthorized disclosure in the United States or abroad of identical or similar information. Following an inadvertent or unauthorized publication or disclosure of information identical or similar to information that has been classified in accordance with Executive Order 12356 or predecessor orders, OSTP, if the agency of primary interest, shall determine the degree of damage to the national security, the need for continued classification, and in coordination with the agency in which the disclosure occurred, what action must be taken to prevent similar occurrences. If the agency of primary interest is other than OSTP, the matter shall be referred to that agency.

§ 2400.11 Duration of classification.

(a) Information shall be classified as long as required by national security considerations. When it can be determined, a specific date or event for declassification shall be set by the original classification authority at the time the information is originally classified.

(b) Automatic declassification determinations under predecessor Executive Orders shall remain valid unless the classification is extended by an authorized official of the originating agency. These extensions may be by individual documents or categories of information. The originating agency shall be responsible for notifying holders of the information of such extensions.

(c) Information classified under predecessor Executive Orders and marked for declassification review shall remain classified until reviewed for declassification under the provisions of Executive Order 12356.

(d) Information classified under predecessor Executive Orders that does not bear a specific date or event for declassification shall remain classified until reviewed for declassification. The authority to extend the classification of information subject to automatic declassification under predecessor Orders is limited to those officials who have classification authority over the information and are designated in writing to have original classification authority at the level of the information to remain classified. Any decision to extend this classification on other than a document-by-document basis shall be reported to the Director of the Information Security Oversight Office.

§ 2400.12 Identification and markings.

(a) At the time of original classification, the following information shall be shown on the face of all classified documents, or clearly associated with other forms of classified information in a manner appropriate to the medium involved, unless this information itself would reveal a confidential source or relationship not otherwise evident in the document or information:

(1) One of the three classification levels defined in §2400.6 of this part;

(2) The identity of the original classification authority if other than OSTP; the matter shall be referred to that agency.

(3) The agency and office of origin;

(4) The date or event for declassification, or the notation “Originating Agency’s Determination Required.”

(b) Each classified document shall, by marking or other means, indicate which portions are classified, with the applicable classification level, and which portions are not classified. The

Subpart C—Derivative Classification

§ 2400.14 Use of derivative classification.

(a) Derivative classification is (1) the determination that information is in substance the same as information currently classified, and (2) the application of the same classification markings. Persons who only reproduce, extract, or summarize classified information, or who only apply classification markings derived from source material or as directed by a classification guide, need not possess original classification authority. If a person who applies derivative classification markings believes that the paraphrasing, restating, or summarizing of classified information has changed the level of or removed the basis for classification, that person must consult an appropriate official of the originating agency or office of origin who has the authority to declassify, downgrade or upgrade the information.

(b) Persons who apply derivative classification markings shall:

(1) Observe and respect original classification decisions; and

(2) Carry forward to any newly created documents any assigned authorized markings. The declassification date or event that provides the longest period of classification shall be used for documents classified on the basis of multiple sources.

§ 2400.15 Classification guides.

(a) OSTP shall issue and maintain classification guides to facilitate the proper and uniform derivative classification of information. These guides shall be used to direct derivative classification.

(b) The classification guides shall be approved, in writing, by the Director or by officials having Top Secret original
classification authority. Such approval constitutes an original classification decision.

(c) Each classification guide shall specify the information subject to classification in sufficient detail to permit its ready and uniform identification and categorization and shall set forth the classification level and duration in each instance. Additionally, each classification guide shall prescribe declassification instructions for each element of information in terms of (1) a period of time, (2) the occurrence of an event, or (3) a notation that the information shall not be automatically declassified without the approval of OSTP.

(d) The classification guides shall be kept current and shall be fully reviewed at least every two years. The Executive Director, OSTP shall maintain a list of all OSTP classification guides in current use.

(e) The Executive Director, OSTP shall receive and maintain the record copy of all approved classification guides and changes thereto. He will assist the originator in determining the required distribution.

(f) The Director may, for good cause, grant and revoke waivers of the requirement to prepare classification guides for specified classes of documents or information. The Director of the Information Security Oversight Office shall be notified of any waivers. The Director’s decision to waive the requirement to issue classification guides for specific classes of documents or information will be based, at a minimum, on an evaluation of the following factors:

(1) The ability to segregate and describe the elements of information;

(2) The practicality of producing or disseminating the guide because of the nature of the information;

(3) The anticipated usage of the guide as a basis for derivative classification; and

(4) The availability of alternative sources for derivatively classifying the information in a uniform manner.

§ 2400.16 Derivative classification markings.

(a) Documents classified derivatively on the basis of source documents or classification guides shall bear all markings prescribed in §2400.12 of this part and Directive No. 1 as are applicable. Information for these markings shall be taken from the source document or instructions in the appropriate classification guide. When markings are omitted because they may reveal a confidential source or relationship not otherwise evident, as described in §2400.12 of this part, the information may not be used as a basis for derivative classification.

(b) The authority for classification shall be shown as directed in Directive No. 1.

Subpart D—Declassification and Downgrading

§ 2400.17 Policy.

Declassification of information shall be given emphasis comparable to that accorded classification. Information classified pursuant to Executive Order 12356 and prior orders shall be declassified or downgraded as soon as national security considerations permit. Decisions concerning declassification shall be based on the loss of sensitivity of the information with the passage of time or on the occurrence of an event which permits declassification. When information is reviewed for declassification pursuant to this regulation, that information shall be declassified unless the designated declassification authority determines that the information continues to meet the classification requirements prescribed in §2400.9 of this part despite the passage of time. The Office of Science and Technology Policy officials shall coordinate their review of classified information with other agencies that have a direct interest in the subject matter.

§ 2400.18 Declassification and downgrading authority.

Information shall be declassified or downgraded by the official who authorized the original classification, if that official is still serving the same position; the originator’s successor; a supervisory official of either; or officials delegated such authority in writing by the Director, OSTP. The Executive Director, OSTP shall maintain a current listing of persons or positions receiving
those delegations. If possible, these listings shall be unclassified.

§ 2400.19 Declassification by the Director of the Information Security Oversight Office.

If the Director of the Information Security Oversight Office (ISOO) determines that information is classified in violation of Executive Order 12356, the Director, ISOO may require the information to be declassified by the agency that originated the classification. Any such decision by the Director ISOO may be appealed by the Director, OSTP to the National Security Council. The information shall remain classified, pending a prompt decision on the appeal.

§ 2400.20 Systematic review for declassification.

(a) Permanent records. Systematic review is applicable only to those classified records, and presidential papers or records that the Archivist of the United States, acting under the Federal Records Act, has determined to be of sufficient historical or other value to warrant permanent retention.

(b) Non-permanent records. Non-permanent classified records shall be disposed of in accordance with schedules approved by the Administrator of General Services under the Records Disposal Act. These schedules shall provide for the continued retention of records subject to an ongoing mandatory review for declassification request.

(c) Office of Science and Technology Policy Responsibility. The Director, OSTP, shall:

(1) Issue guidelines for systematic declassification review and, if applicable, for downgrading. These guidelines shall be developed in consultation with the Archivist and the Director of the Information Security Oversight Office and designated to assist the Archivist in the conduct of systematic reviews;

(2) Designate experienced personnel to provide timely assistance to the Archivist in the systematic review process;

(3) Review and update guidelines for systematic declassification review and downgrading at least every five years unless earlier review is requested by the Archivist.

(d) Foreign Government Information. Systematic declassification review of foreign government information shall be in accordance with guidelines issued by the Director of the Information Security Oversight Office.

(e) Special procedures. The Office of Science and Technology Policy shall be bound by the special procedures for systematic review of classified cryptologic records and classified records pertaining to intelligence activities (including special activities) or intelligence sources or methods issued by the Secretary of Defense and the Director of Central Intelligence, respectively.

§ 2400.21 Mandatory review for declassification.

(a) Except as provided in paragraph (d) of this section, all information classified under Executive Order 12356 or predecessor orders shall be subject to a review for declassification by the Office of Science and Technology Policy, if:

(1) The request is made by a United States citizen or permanent resident, a federal agency, or a State or local government; and

(2) The request is made in writing and describes the document or material containing the information with sufficient specificity to enable the Office of Science and Technology Policy to locate it with a reasonable amount of effort.

(b) Requests should be addressed to: Executive Director, Office of Science and Technology Policy, Executive Office of the President, Washington, DC 20506.

(c) If the request does not reasonably describe the information sought to allow identification of documents containing such information, the requester shall be notified that unless additional information is provided or the request is made more specific, no further action will be taken.

(d) Information originated by a President, the White House Staff, by committees, commissions, or boards appointed by the President, or others specifically providing advice and counsel to a President or acting on behalf of a
§ 2400.21

President is exempted from the mandatory review provisions of § 2400.24(a) of this part. The Archivist of the United States shall have the authority to review, downgrade and declassify information under the control of the Administrator of General Services or the Archivist pursuant to sections 2107, 2107 note, or 2203 of title 44, United States Code. Review procedures developed by the Archivist shall provide for consultation with agencies having primary subject matters interest and shall be consistent with the provisions of applicable laws or lawful agreements that pertain to the respective presidential papers or records. Any decision by the Archivist may be appealed to the Director of the Information Security Oversight Office. Agencies with primary subject matter interest shall be notified promptly of the Director’s decision on the appeal and may further appeal to the National Security Council. The information shall remain classified pending a prompt decision on the appeal.

(e) Office of Science and Technology Policy officials conducting a mandatory review for declassification shall declassify information no longer requiring protection under Executive Order 12356. They shall release this information unless withholding is otherwise authorized under applicable law.

(f) Office of Science and Technology Policy responses to mandatory review requests shall be governed by the amount of search and review time required to process the request. Normally the requester shall be informed of the Office of Science and Technology Policy determination within thirty days of receipt of the original request or within thirty days of the receipt of the required amplifying information in accordance with paragraph (c) of this section. In the event that a determination cannot be made within thirty days, the requester shall be informed of the additional time needed to process the request. However, OSTP, shall make a final determination within one year from the date of receipt of the request except in unusual circumstances.

(g) When information cannot be declassified in its entirety, OSTP will make a reasonable effort to release, consistent with other applicable law, those declassified portions of that requested information the constitute a coherent segment.

(h) If the information may not be released in whole or in part, the requester shall be given a brief statement as to the reason for denial, and notice of the right to appeal the determination in writing within sixty days of receipt of the denial to the chairperson of the Office of Science and Technology Policy Review Committee. If appealed, the requester shall be informed in writing of the appellate determination within thirty days of receipt of the appeal.

(i) When a request is received for information originated by another agency, the Executive Director, Office of Science and Technology Policy, shall:

1. Forward the request to such agency for review together with a copy of the document containing the information requested, where practicable, and where appropriate, with the Office of Science and Technology Policy recommendation to withhold or declassify and release any of the information;

2. Notify the requester of the referral unless the agency to which the request is referred objects to such notice on grounds that its association with the information requires protection; and

3. Request, when appropriate, that the agency notify the Office of Science and Technology Policy of its determination.

(j) If the request requires the rendering of services for which fees may be charged under title 5 of the Independent Offices Appropriation Act, 31 U.S.C. 483a, the Executive Director, Office of Science and Technology Policy, may calculate the anticipated amount of fees to be charged.

1. Search for records. $5.00 per hour when the search is conducted by a clerical employee; $8.00 per hour when the search is conducted by a professional employee. No fee shall be assessed for searches of less than one hour.

2. Reproduction of documents. Documents will be reproduced at a rate of
§ 2400.25 Access.

(a) A person is eligible for access to classified information provided that a determination of trustworthiness has
been made by agency heads or designated officials and provided that such access is essential to the accomplishment of lawful and authorized Government purposes. A personnel security clearance is an indication that the trustworthiness decision has been made. Procedures shall be established by the head of each office to prevent access to classified information before a personnel security clearance has been granted. The number of people cleared and granted access to classified information shall be maintained at the minimum number that is consistent with operational requirements and needs. No one has a right to have access to classified information solely by virtue of rank or position. The final responsibility for determining whether an individual’s official duties require possession of or access to any element or item of classified information, and whether the individual has been granted the appropriate security clearance by proper authority, rests with the individual who has authorized possession, knowledge, or control of the information and not with the prospective recipient. These principles are equally applicable if the prospective recipient is an organizational entity, other Federal agencies, contractors, foreign governments, and others.

(b) When access to a specific classification category is no longer required for the performance of an individual’s assigned duties, the security clearance will be administratively adjusted, without prejudice to the individual, to the classification category, if any, required.

(c) The Director, Office of Science and Technology Policy may create special access programs to control access, distribution, and protection of particularly sensitive information classified pursuant to Executive Order 12356 or predecessor orders if:

1. Normal management and safeguarding procedures do not limit access sufficiently;
2. The number of persons with access is limited to the minimum necessary to meet the objective of providing extra protection for the information;
3. The special access program is established in writing; and
4. A system of accounting for the program is established and maintained.

§ 2400.26 Access by historical researchers and former Presidential appointees.

(a) The requirement in Section 4.1(a) of Executive Order 12356 that access to classified information may be granted only as is essential to the accomplishment of authorized and lawful Government purposes may be waived as provided in paragraph (b) of this section for persons who:

1. Are engaged in historical research projects, or
2. Previously have occupied policy-making positions to which they were appointed by the President.

(b) Waivers under paragraph (a) of this section may be granted only if the Director, Office of Science and Technology Policy:

1. Determines in writing that access is consistent with the interest of national security;
2. Takes appropriate steps to protect classified information from unauthorized disclosure or compromise, and ensures that the information is safeguarded in a manner consistent with Executive Order 12356;
3. Limits the access granted to former presidential appointees to items that the person originated, reviewed, signed, or received while serving as a presidential appointee; and
4. Has received a written agreement from the researcher or former presidential appointee that his notes can be reviewed by OSTP for a determination that no classified material is contained therein.

§ 2400.27 Storage of classification information.

Whenever classified information is not under the personal control and observation of an authorized person, it will be guarded or stored in a locked security container approved for the storage and protection of the appropriate level of classified information as prescribed in § 2001.43 of Directive No. 1.
§ 2400.28 Dissemination of classified information.

Heads of OSTP offices shall establish procedures consistent with this Regulation for dissemination of classified material. The originating official may prescribe specific restrictions on dissemination of classified information when necessary.

(a) Classified information shall not be disseminated outside the executive branch except under conditions that ensure that the information will be given protection equivalent to that afforded within the executive branch.

(b) Except as provided by directives issued by the President through the National Security Council, classified information originating in one agency may not be disseminated outside any other agency to which it has been made available without the consent of the originating agency. For purposes of this Section, the Department of Defense shall be considered one agency.

§ 2400.29 Accountability and control.

(a) Each item of Top Secret, Secret, and Confidential information is subject to control and accountability requirements.

(b) The Security Officer will serve as Top Secret Control Officer (TSCO) for the Office of Science and Technology Policy and will be responsible for the supervision of the Top Secret control program. He/she will be assisted by an Assistant Top Secret Control Officer (ATSCO) to effect the controls prescribed herein for all Top Secret material.

(c) The TSCO shall receive, transmit, and maintain current access and accountability records for Top Secret information. The records shall show the number and distribution of all Top Secret documents, including any reproduced copies.

(d) Top Secret documents and material will be accounted for by a continuous chain of receipts.

(e) An inventory of Top Secret documents shall be made at least annually.

(f) Destruction of Top Secret documents shall be accomplished only by the TSCO or the ATSCO.

(g) Records shall be maintained to show the number and distribution of all classified documents covered by special access programs, and of all Secret and Confidential documents which are marked with special dissemination and reproduction limitations.

(h) The Security Officer will develop procedures for the accountability and control of Secret and Confidential information. These procedures shall require all Secret and Confidential material originated or received by OSTP to be controlled. Control shall be accomplished by the ATSCO.

§ 2400.30 Reproduction of classified information.

Documents or portions of documents and materials that contain Top Secret information shall not be reproduced without the consent of the originator or higher authority. Any stated prohibition against reproduction shall be strictly observed. Copying of documents containing classified information at any level shall be minimized. Specific reproduction equipment shall be designated for the reproduction of classified information and rules for reproduction of classified information shall be posted on or near the designated equipment. Notices prohibiting reproduction of classified information shall be posted on equipment used only for the reproduction of unclassified information. All copies of classified documents reproduced for any purpose including those incorporated in a working paper are subject to the same controls prescribed for the document from which the reproduction is made.

§ 2400.31 Destruction of classified information.

(a) Classified information no longer needed in current working files or for reference or record purposes shall be processed for appropriate disposition in accordance with the provisions of chapters 21 and 33 of title 44, U.S.C., which governs disposition of classified records. Classified information approved for destruction shall be destroyed in accordance with procedures and methods prescribed by the Director, OSTP, as implemented by the Security Officer. These procedures and methods must provide adequate protection to prevent access by unauthorized persons and must preclude recognition
§ 2400.32 Transmittal of classified information.

The transmittal of classified information outside of the Office of Science and Technology Policy shall be in accordance with procedures of §2001.44 of Directive No. 1. The Security Officer shall be responsible for resolving any questions relative to such transmittal.

§ 2400.33 Loss or possible compromise.

(a) Any person who has knowledge of the loss or possible compromise of classified information shall immediately report the circumstances to the Security Officer. The Security Officer shall notify the Director and the agency that originated the information as soon as possible so that a damage assessment may be conducted and appropriate measures taken to negate or minimize any adverse effect of the compromise.

(b) The Security Officer shall initiate an inquiry to:

(1) Determine cause,
(2) Place responsibility, and
(3) Take corrective measures and appropriate administrative, disciplinary, or legal action.

(c) The Security Officer shall keep the Director advised on the details of the inquiry.

Subpart F—Foreign Government Information

§ 2400.34 Classification.

(a) Foreign government information classified by a foreign government or international organization of governments shall retain its original classification designation or be assigned a United States classification designation that will ensure a degree of protection equivalent to that required by the government or organization that furnished the information. Original classification authority is not required for this purpose.

(b) Foreign government information that was not classified by a foreign entity but was provided with the expectation, expressed or implied, that it be held in confidence must be classified because Executive Order 12356 states a presumption of damage to the national security in the event of unauthorized disclosure of such information.

§ 2400.35 Duration of classification.

Foreign government information shall not be assigned a date or event for automatic declassification unless specified or agreed to by the foreign entity.

§ 2400.36 Declassification.

Officials shall respect the intent of this Regulation to protect foreign government information and confidential foreign sources.

§ 2400.37 Mandatory review.

Except as provided in this paragraph, OSTP shall process mandatory review requests for classified records containing foreign government information in accordance with §2400.21. The agency that initially received or classified the foreign government information shall be responsible for making a declassification determination after consultation with concerned agencies. If OSTP receives a request for mandatory review and is not the agency that received or classified the foreign government information, it shall refer the request to the appropriate agency for action. Consultation with the foreign originator through appropriate channels may be necessary prior to final action on the request.

§ 2400.38 Protection of foreign government information.

Classified foreign government information shall be protected as is prescribed by this regulation for United States classified information of a comparable level.
Subpart G—Security Education

§ 2400.39 Responsibility and objectives.

The OSTP Security Officer shall establish a security education program for OSTP personnel. The program shall be sufficient to familiarize all OSTP personnel with the provisions of Executive Order 12356 and Directive No. 1, and this regulation. It shall be designed to provide initial, refresher, and termination briefings to impress upon them their individual security responsibilities.

Subpart H—Office of Science and Technology Policy Information Security Program Management

§ 2400.40 Responsibility.

The Director, OSTP is the senior OSTP official having authority and responsibility to ensure effective and uniform compliance with and implementation of Executive Order 12356 and its implementing Directive No. 1. As such, the Director, OSTP, shall have primary responsibility for providing guidance, oversight and approval of policy and procedures governing the OSTP Information Security Program. The Director, OSTP, may approve waivers or exceptions to the provisions of this regulation to the extent such action is consistent with Executive Order 12356 and Directive No. 1.

§ 2400.41 Office Review Committee.

The Office of Science and Technology Policy Review Committee (hereinafter referred to as the Office Review Committee) is hereby established and will be responsible for the continuing review of the administration of this Regulation with respect to the classification and declassification of information or material originated or held by the Office of Science and Technology Policy. (b) Maintain the record copy of all approved OSTP classification guides.
(c) Maintain a current listing of OSTP officials designated in writing to have declassification and downgrading authority.
(d) Develop and maintain systematic review guidelines.

§ 2400.43 Heads of offices.

The Head of each unit is responsible for the administration of this regulation within his area. These responsibilities include:
(a) Insuring that national security information is properly classified and protected;
(b) Exercising a continuing records review to reduce classified holdings through retirement, destruction, downgrading or declassification;
(c) Insuring that reproduction of classified information is kept to the absolute minimum;
(d) Issuing appropriate internal security instructions and maintaining the prescribed control and accountability records on classified information under their jurisdiction.

§ 2400.44 Custodians.

Custodians of classified material shall be responsible for providing protection and accountability for such material at all times and particularly for locking classified material in approved security equipment whenever it is not in use or under direct supervision of authorized persons. Custodians shall follow procedures which insure that unauthorized persons
§ 2400.45 Information Security Program Review.

(a) The Director, OSTP, shall require an annual formal review of the OSTP Information Security Program to ensure compliance with the provisions of Executive Order 12356 and Directive No. 1, and this regulation.

PART 2700—SECURITY INFORMATION REGULATIONS

Subpart A—Introduction

§ 2700.1 References.

§ 2700.2 Purpose.

The purpose of this Regulation is to ensure, consistent with the authorities listed in §2700.1, that national security information originated and/or held by the Office for Micronesian Status Negotiations (OMSN), which includes the Status Liaison Office, Saipan, Northern Mariana Islands (SLNO), is protected. To ensure that such information is protected, but only to the extent and for such period as is necessary, this regulation identifies the information to be protected and prescribes certain classification, declassification and safeguarding procedures to be followed.

§ 2700.3 Applicability.

This Regulation supplements E.O. 12065 within OMSN with regard to National Security Information. In consonance with the authorities listed in §2700.1, it establishes general policies and certain procedures for the classification, declassification and safeguarding of information which is owned by, is produced for or by, or is under the control of OMSN.

Subpart B—Original Classification

§ 2700.11 Basic policy.
(a) General. It is the policy of OMSN to make available to the public as much information concerning its activities as is possible, consistent with its responsibility to protect the national security.
(b) Safeguarding national security information. Within the Federal Government there is some information which because it bears directly on the effectiveness of our national defense and the conduct of our foreign relations, must be subject to some constraints for the security of our nation.
(c) Balancing test. To balance the public’s interest in access to government information with the need to protect certain national security information from disclosure, these regulations indentify the information to be protected, prescribe classification, downgrading, declassification, and safeguarding procedures to be followed, and establish education, monitoring and
§ 2700.12 Sanctioning systems to insure their effectiveness. When questions arise as whether the need to protect information may be outweighed by the public interest in disclosure of the information, they shall be referred to OMSN pursuant to §2700.32(b) for a determination whether the public interest in disclosure outweighs the damage to national security that might reasonably be expected from disclosure.

§ 2700.12 Criteria for and level of original classification.

(a) General Policy. Documents or other material are to be classified only when protecting the national security requires that the information they contain be withheld from public disclosure. Information may not be classified to conceal violations of law, inefficiency, or administrative error, or to prevent embarrassment to a person, organization or agency, or to restrain competition. No material may be classified to limit dissemination, or to prevent or delay public release, unless its classification is consistent with E.O. 12065.

(b) Criteria. To be eligible for classification, information must meet two requirements:

1. First, it must deal with one of the criteria set forth in section 1–301 of E.O. 12065;

2. Second, the President’s Personal Representative for Micronesian Status Negotiations or his delegate who has original classification authority must determine that unauthorized disclosure of the information or material can reasonably be expected to cause at least identifiable harm to the national security.

(c) Classification designations. Only three designations of classification are authorized—“Top Secret,” “Secret,” “Confidential.” No other classification designation is authorized or shall have force.

(d) Unnecessary classification, and classification at a level higher than is necessary, shall be avoided. If there is reasonable doubt as to which designation in section 1–1 of E.O. 12065 is appropriate, or whether information should be classified at all, the less restrictive designation should be used, or the information should not be classified.

§ 2700.13 Duration of original classification.

(a) Information or material which is classified after December 1, 1978, shall be marked at the time of classification with the date or event for declassification or a date for review for declassification. This date or event shall be as early as national security permits and shall be no more than six years after original classification except as provided in paragraph (b) of this section.

(b) Only the President’s Personal Representative for Micronesian Status Negotiations may authorize a classification period exceeding six years. Originally classified information that is so designated shall be identified with the authority and reason for extension. This authority shall be used sparingly. In those cases where extension of classification is warranted, a declassification date or event, or a date for review shall be set. This date or event shall be early as national security permits and shall be no more than twenty years after original classification except that for foreign information the date or event may be up to thirty years after original classification.

§ 2700.14 Challenges to classification.

If holders of classified information believe the information is improperly or unnecessarily classified, or that original classification has been extended for too long a period, they should discuss the matter with their immediate superiors or the classifier of the information. If these discussions do not satisfy the concerns of the challenger, the matter should be brought to the attention of the chairman of the OMSN Information Security Oversight Committee, established pursuant to §2700.51. Action on such challenges shall be taken within 30 days from date of receipt and the challenger shall be notified of the results. When requested, anonymity of the challenger shall be preserved.
Subpart C—Derivative Classification

§ 2700.21 Definition and application.

Derivative classification is the act of assigning a level of classification to information which is determined to be the same in substance as information which is currently classified. Thus, derivative classification may be accomplished by any person cleared for access to that level of information, regardless of whether the person has original classification authority at that level.

§ 2700.22 Classification guides.

OMSN shall issue classification guides pursuant to section 2–2 of E.O. 12065. These guides, which shall be used to direct derivative classification, shall identify the information to be protected in specific and uniform terms so that the information involved can be readily identified. The classification guides shall be approved in writing by the President’s Personal Representative for Micronesian Status Negotiations. Such approval constitutes an original classification decision. The classification guides shall be kept current and shall be reviewed at least every two years.

Subpart D—Declassification and Downgrading

§ 2700.31 Declassification authority.

The Director, OMSN, is authorized to declassify OMSN originated documents after consultation with the appropriate OMSN staff members.

§ 2700.32 Declassification general.

Declassification of classified information shall be given emphasis comparable to that accorded to classification. The determination to declassify information shall not be made on the basis of the level of classification assigned, but on the loss of the sensitivity of the information with the passage of time, and with due regard for the public interest in access to official information. At the time of review, any determination not to declassify shall be based on a determination that despite the passage of time since classification, release of information reasonably could still be expected to cause at least identifiable damage to the national security.

§ 2700.33 Mandatory review for declassification.

(a) General. All information classified under the Order or prior orders, except as provided for in section 3–503 of E.O. 12065 shall be subject to review for declassification upon request of a member of the public, a government employee, or an agency.

(b) Receipt. (1) Requests for mandatory review for declassification under section 3–501 of E.O. 12065 must be in writing and should be addressed to: Office for Micronesian Status Negotiations, ATTN: Security Officer (Mandatory Review Request), Room 3356, Department of the Interior, Washington, DC 20240.

(2) The requestor shall be informed of the date of receipt of the request at OMSN. This date will be the basis for the time limits specified in paragraph (c) of this section.

(3) If the request does not reasonably describe the information sought, the requestor shall be notified that, unless additional information is provided or the request is made more specific, no further action will be taken.

(4) Subject to paragraph (b)(7) of this section, if the information requested is in the custody of and under the exclusive declassification authority of OMSN, OMSN shall determine whether the information or any reasonably segregable portion of it no longer requires protection. If so, OMSN shall promptly make such information available to the requester, unless withholding it is otherwise warranted under applicable law. If the information may not be released, in whole or in part, OMSN shall give the requester a brief statement of the reasons, a notice of the right to appeal the determination to the agency review committee, and notice that such an appeal must be filed with the review committee within 60 days.

(5) When OMSN receives a request for information in a document which is in its custody, but which was classified by
§2700.33

another agency, it shall refer the request to the appropriate agency for review, together with a copy of the document containing the information requested, where practicable. OMSN shall also notify the requester of the referral, unless the association of the reviewing agency with the information requires protection. The reviewing agency shall review a document in coordination with any other agency involved with the classification or having a direct interest in the subject matter. The reviewing agency shall respond directly to the requester in accordance with the pertinent procedures described above and, if requested, shall notify OMSN of its determination.

(6) Requests for declassification of classified documents originated by OMSN or another agency but in the possession and control of the Administrator of General Services, pursuant to 44 U.S.C 2107 or 2107 Note, shall be referred by the Archivist to the agency of origin for processing and for direct response to the requests. The Archivist will inform requesters of such referrals.

(7) In the case of requests for documents containing foreign government information, OMSN, if it is also the agency which initially received the foreign government information, shall determine whether the foreign government information in the document may be declassified and released in accordance with agency policies or guidelines, consulting with other agencies of subject matter interest as necessary. If OMSN is not the agency which received the foreign government information, it shall refer the request to the latter agency, which shall take action on the request. In those cases where available agency policies or guidelines do not apply, consultation with the foreign originator through appropriate channels may be advisable prior to final action on the request.

(8) If any agency makes a request on behalf of a member of the public, the request shall be considered as a request by that member of the public and handled accordingly.

(c) Review. (1) Within sixty days from its receipt, OMSN shall inform the requester of the determination of the mandatory review for declassification.

(2) If the determination is to withhold some or all of the material requested, the requester may appeal the determination. The requester shall be informed that an appeal must be made in writing within sixty days of receipt of the denial and should be addressed to the chairperson of the OMSN Classification Review Committee established pursuant to §2700.52.

(3) No agency in possession of a classified document may, in response to a request for the document made under the Freedom of Information Act (5 U.S.C. 552) or under section 3-5 of E.O. 12065, refuse to confirm the existence or non-existence of the document, unless the fact of its existence or non-existence would itself be classifiable.

(4) The requester shall be informed of the appellate determination within thirty days of receipt of the appeal.

(5) In considering requests for mandatory review, OMSN may decline to review again any request for material which has been recently reviewed and denied, except insofar as the request constitutes an appeal under paragraph (f) of this section.

(d) Processing of Requests. The processing of requests by OMSN shall be as follows:

(1) The Security Officer or his designee shall record the request, and arrange for search and review of the documents. The documents will be reviewed for declassification in accordance with these regulations or any applicable guidelines. If the documents remain classified and are not to be released, in whole or in part, the reviewing office will also prepare a letter informing the requester as described in paragraph (b)(4) of this section. The letter to the requester shall be signed by the President's Personal Representative for Micronesian Status Negotiations, his Deputy or the Status Liaison Officer. The Security Officer or his designee shall record disposition of the case and forward the letter of denial to the requester.

(2) If any request requires obtaining the views of other agencies, the receiving office shall arrange coordination of review with such other agencies.

(3) When all documents involved in the request are declassified and released, the receiving office will send a
release statement, to the requester, and shall inform the requester of any fees due before releasing documents.

(4) In the case of documents of agency origin requested by a Presidential Library on behalf of a member of the public, if there is a partial denial, the letter will advise the requester as described in paragraph (b)(4) of this section, but the requester will be referred to the Archivist for copies of the released document, with portions excised. The receiving office will transmit such documents, with portions marked to be excised, to Archives which will transmit them with portions excised to the Presidential Library for its records and for use in the case of further similar requests.

(5) The Security Officer or his designee shall also coordinate requests from other agencies seeking the views of OMSN as to declassification of documents originated by such other agencies but involving information of primary subject matter interest to OMSN. The Security Officer or his designee will transmit the documents to the reviewing individual for a determination as to declassification and will coordinate the reply of OMSN to the requesting agency.

(e) Appeals. (1) The President’s Personal Representative for Micronesian Status Negotiations shall receive appeals for denial of documents by OMSN. Such appeals shall be addressed to Personal Representative for Micronesian Status Negotiations, Suite 3356, Interior Department Building, Washington, DC 20240. The appeal must be received in OMSN within 60 days of the date of the original denial letter or the final release of documents, whichever is later.

(2) Appeals shall be decided within 30 days of their receipt.

(f) Fees. (1) Fees for the location and reproduction of information which is the subject of a mandatory review request shall be assessed according to the following schedule:

(i) Search for records: $5.00 per hour when the search is conducted by a clerical employee; $8.00 per hour when the search is conducted by a professional employee. No fee shall be assessed for searches of less than one hour.

(ii) Reproduction of documents: Documents will be reproduced at a rate of $.25 per page for all copying of four pages or more. No fee shall be assessed for reproducing documents which are three pages or less, or for the first three pages of longer documents.

(2) Where it is anticipated that the fees chargeable under this section will amount to more than $25.00, and the requester has not indicated in advance a willingness to pay fees as high as are anticipated, the requester shall be promptly notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. In instances where the estimated fees will greatly exceed $25.00, an advance deposit may be required. Dispatch of such a notice or request shall suspend the running of the period for response by OMSN until a reply is received from the requester.

(3) Remittance shall be in the form either of a personal check or bank draft on a bank in the United States, or a postal money order. Remittance shall be made payable to Treasurer of the United States and mailed to the address noted in paragraph (b)(1) of this section.

(4) A receipt for fees paid will be provided only upon request. Refund of fees for services actually rendered will not be made.

(5) OMSN may waive all or part of any fee provided for in this section when it is deemed to be in either the interest of OMSN or of the general public.

§ 2700.34 Downgrading authority.

The Security Officer, OMSN is authorized to downgrade OMSN originated documents after consultation with the staff member who is charged with functional responsibility for the subject matter under question.

After being debriefed, the individual will sign a Security Termination Statement acknowledging his responsibilities (Attachment 2).

(2) Satisfactory completion of a background investigation does not in itself grant an individual access to classified information. Individual clearances for access to classified information or material will be controlled by the Staff Security Office and certified in writing on an individual basis.

(f) Access to Classified Material. Each member of the staff who has custody or possession of classified information is responsible for providing the required degree of protection from unauthorized disclosure at all times.

(iii) Accountability of reproduced classified material will be maintained by informing the Staff Security Office of the reproduction of SECRET and TOP SECRET material, the number of copies reproduced and their disposition.

(iv) Reproduction machines can retain the imagery of material passed through them. Therefore, to avoid inadvertent disclosure of classified information through subsequent use of machines, staff members will always run machines through four cycles (four blank pages) after the last page of the classified material has been reproduced. These pages will be destroyed in the same manner as classified material.

(8) Destruction of Classified Material.

(i) SECRET and TOP SECRET material will be given to the Staff Security Office for destruction to insure destruction is properly recorded and destroyed material is removed from the classified control system.

§ 2800.5 **Policies.**

(a) **Basic policy.** Except as provided in the Atomic Energy Act of 1943, as amended, Executive Order 12065, as implemented by ISOO Directive No. 1, provides the only basis for classifying information. It is the policy of this office to make available to the public as much information concerning its activities as possible consistent with the need to protect the national security. Accordingly, security classification shall be applied only to protect the national security.

(b) **Duration of classification.** Classification shall not be continued longer than necessary for the protection of national security. Each decision to classify requires a simultaneous determination of the duration such classification must remain in effect. For further guidance, refer to sections 1–401 and 1–402, E.O. 12065.

(c) **Declassification.** Declassification of information shall be given emphasis comparable to that accorded to classification. Decisions concerning declassification shall be based on the loss of the information’s sensitivity with the passage of time or upon the occurrence of a declassification event. For further guidance, refer to sections 3–102, 3–103 and 3–104 of E.O. 12065.

(d) **Systematic review for declassification.** Systematic review for declassification will be in accordance with sections 3–201, 3–401 and 3–503 of E.O. 12065.

(f) **Classification guides.** The Chief Counsel, National Security Council, has determined that, in view of the limited amount of material originally classified by this office, the preparation and publication of classification guides is not required.

(g) **Access to Classified Information by historical researchers and former Presidential appointees.** Access may be granted under the provisions of section 4–3 of E.O. 12065; however, access is permissive and not mandatory.
