- (2) Voluntary or involuntary call-up for emergency augmentation of the regular Coast Guard during time of serious natural or man-made disaster under 14 U.S.C. 712; and
- (3) Augmentation of the regular Coast Guard during active duty or inactive duty for training.

(b) The Director of Reserve and Training is responsible for the overall administration and supervision of the Reserve.

(c) In Atlantic Area, Integrated Support Commands have responsibility for local Reserve issues; however, in Pacific Area, responsibility for local Reserve issues remains with District Commanders.

(d) Most Coast Guard Reservists are fully integrated into active duty Coast Guard units. There, Reservists perform the same duties and have the same responsibilities as their active duty counterparts. Their integrated work prepares Reservists to perform the duties of their mobilization assignments while at the same time providing assistance to the active service. Some Reservists are assigned to dedicated Reserve units where they train and mobilize in support of national defense operations.
