several resource areas, which are not required to be reexamined as part of the planning process.

(2) Analysis requirements, planning procedures and other written information and instructions required to be considered in the planning process.

(3) Guidance developed at the State Director level, with necessary and appropriate governmental coordination as prescribed by §1610.3 of this title. Such guidance shall be reconsidered by the State Director at any time during the planning process that the State Director level guidance is found, through public involvement or other means, to be inappropriate when applied to a specific area being planned.

(b) A resource management plan shall be prepared and maintained on a resource area basis, unless the State Director authorizes a more appropriate area.

(c) An interdisciplinary approach shall be used in the preparation, amendment and revision of resource management plans as provided in 40 CFR 1502.6. The disciplines of the preparers shall be appropriate to the values involved and the issues identified during the issue identification and environmental impact statement scoping stage of the planning process. The District or Area Manager may use any necessary combination of Bureau of Land Management staff, consultants, contractors, other governmental personnel, and advisors to achieve an interdisciplinary approach.

§ 1610.2 Public participation.

(a) The public shall be provided opportunities to meaningfully participate in and comment on the preparation of plans, amendments and related guidance and be given early notice of planning activities. Public involvement in the resource management planning process shall conform to the requirements of the National Environmental Policy Act and associated implementing regulations.

(b) The Director shall, early in each fiscal year, publish a planning schedule advising the public of the status of each plan in process of preparation or to be started during that fiscal year, the major action on each plan during that fiscal year and projected new

planning starts for the 3 succeeding fiscal years. The notice shall call for public comments on projected new planning starts so that such comments can be considered in refining priorities for those years.

(c) Upon starting the preparation, amendment or revision of resource management plans, public participation shall be initiated by a notice published in the FEDERAL REGISTER and appropriate media, including newspapers of general circulation in the State, adjoining States where the District Manager deems it appropriate, and the District. This notice may also constitute the scoping notice required by regulation for the National Environmental Policy Act (40 CFR 1501.7). This notice shall include the following:

(1) Description of the proposed planning action;

(2) Identification of the geographic area for which the plan is to be prepared;

(3) The general types of issues anticipated;

(4) The disciplines to be represented and used to prepare the plan;

(5) The kind and extent of public participation opportunities to be provided;

(6) The times, dates and locations scheduled or anticipated for any public meetings, hearings, conferences or other gatherings, as known at the time;

(7) The name, title, address and telephone number of the Bureau of Land Management official who may be contacted for further information; and

(8) The location and availability of documents relevant to the planning process.

(d) A list of individuals and groups known to be interested in or affected by a resource management plan shall be maintained by the District Manager and those on the list shall be notified of public participation activities. Individuals or groups may ask to be placed on this list. Public participation activities conducted by the Bureau of Land Management shall be documented by a record or summary of the principal issues discussed and comments made.

The documentation together with a list of attendees shall be available to the

public and open for 30 days to any participant who wishes to clarify the views he/she expressed.

(e) At least 15 days' public notice shall be given for public participation activities where the public is invited to attend. Any notice requesting written comments shall provide for at least 30 calendar days for response. Ninety days shall be provided for review of the draft plan and draft environmental impact statement. The 90-day period shall begin when the Environmental Protection Agency publishes a notice of the filing of the draft environmental impact statement in the FEDERAL REGISTER.

(f) Public notice and opportunity for participation in resource management plan preparation shall be appropriate to the areas and people involved and shall be provided at the following specific points in the planning process:

(1) General notice at the outset of the process inviting participation in the identification of issues (See §§ 1610.2(c) and 1610.4-1);

(2) Review of the proposed planning criteria (See § 1610.4-2);

(3) Publication of the draft resource management plan and draft environmental impact statement (See § 1610.4-7);

(4) Publication of the proposed resource management plan and final environmental impact statement which triggers the opportunity for protest (See §§ 1610.4-8 and 1610.5-1(b)); and

(5) Public notice and comment on any significant change made to the plan as a result of action on a protest (See § 1610.5-1(b)).

(g) Copies of an approved resource management plan and amendments shall be reasonably available for public review. This includes copies at the State Office for the District, the District Manager's Office, the Area Office for lands directly involved and additional locations determined by the District Manager. Plans, amendments and revisions shall be published and single copies shall be available to the public upon request during the public participation process. After approval, a fee may be charged for additional copies at a rate established by the Director.

(h) Supporting documents to a resource management plan shall be avail-

able for public review at the office where the plan was prepared.

(i) Fees for reproducing requested documents beyond those used as part of the public participation activities and other than single copies of the printed plan amendment or revision may be charged according to the Department of the Interior schedule for Freedom of Information Act requests in 43 CFR part 2.

(j) When resource management plans involve areas of potential mining for coal by means other than underground mining, and the surface is privately owned, the Bureau of Land Management shall consult with all surface owners who meet the criteria in § 3400.0-5 of this title. Contact shall be made in accordance with subpart 3427 of this title and shall provide time to fully consider surface owner views. This contact may be made by mail or in person by the District or Area Manager or his/her appropriate representative. A period of at least 30 days from the time of contact shall be provided for surface owners to convey their preference to the Area or District Manager.

(k) If the plan involves potential for coal leasing, a public hearing shall be provided prior to the approval of the plan, if requested by any person having an interest which is, or may be, adversely affected by implementation of such plan. The hearing shall be conducted as prescribed in § 3420.1-5 of this title and may be combined with a regularly scheduled public meeting. The authorized officer conducting the hearing shall:

(1) Publish a notice of the hearing in a newspaper of general circulation in the affected geographical area at least once a week for 2 consecutive weeks;

(2) Provide an opportunity for testimony by anyone who so desires; and

(3) Prepare a record of the proceedings of the hearing.
