Subpart 237.1—Service Contracts—General

237.102-70 Prohibition on contracting for firefighting or security-guard functions.

(a) Under 10 U.S.C. 2465, the DoD is prohibited for entering into contracts for the performance of firefighting or security-guard functions at any military installation or facility unless—

(1) The contract is to be carried out at a location outside the United States (to include any U.S. commonwealth, territory, or possession) at which members of the armed forces would have to be used for the performance of firefighting or security-guard functions at the expense of unit readiness;

(2) The contract will be carried out on a Government-owned but privately operated installation; or

(3) The contract (or renewal of a contract) is for the performance of a function under contract on September 24, 1983.

(b) Under Section 2907 of Public Law 103-160, this prohibition does not apply to services at installations being closed (see subpart 237.74).

(c) Under Section 1010 of Public Law 107-56, this prohibition does not apply to any contract that'

(1) Is entered into during the period of time that United States armed forces are engaged in Operation Enduring Freedom or during the period 180 days thereafter;

(2) Is for the performance of security functions at any military installation or facility in the United States;

(3) Is awarded to a proximately located local or State government, or a combination of such governments, whether or not any such government is obligated to provide such services to the general public without compensation; and

(4) Prescribes standards for the training and other qualifications of local government law enforcement personnel who perform security functions under the contract in accordance with criteria established by the Secretary of the department concerned.

[60 FR 61599, Nov. 30, 1995, as amended at 67 FR 11439, Mar. 14, 2002]

237.104 Personal services contracts.

(b)(i) Authorization to acquire the personal services of experts and consultants is included in Public Law 101-165, section 9002. Personal service contracts for expert and consultant services must also be authorized by a determination and findings (D&F) in accordance with department/agency regulations.

(A) Generally, the D&F should authorize one contract at a time; however, an authorizing official may issue a blanket D&F for classes of contracts.

(B) Prepare each D&F in accordance with FAR 1.7 and include a determination that—

(1) The duties are of a temporary or intermittent nature;

(2) Acquisition of the services is advantageous to the national defense;

(3) DoD personnel with necessary skills are not available;

(4) Excepted appointment cannot be obtained;

(5) A nonpersonal services contract is not practicable;

(6) Statutory authority, 5 U.S.C. 3109 and other legislation, apply; and

(7) Any other determination required by statutes has been made.

(ii) Personal services contracts for health care are authorized by 10 U.S.C. 1091.

(A) This authority may be used to acquire—

(1) Direct health care services provided in medical treatment facilities; and

(2) Services of clinical counselors, family advocacy program staff, and victim's services representatives to members of the Armed Forces and covered beneficiaries who require such services, provided in medical treatment facilities or elsewhere. Persons with whom a personal services contract may be entered into under this authority include clinical social workers, psychologists, psychiatrists, and other comparable professionals who have advanced degrees in counseling or related academic disciplines and who meet all requirements for State licensure and board certification requirements, if any, within their fields of specialization.

(B) Sources for personal services contracts with individuals under the au-

thority of 10 U.S.C. 1091 shall be selected through the procedures in this section. These procedures do not apply to contracts awarded to business entities other than individuals. Selections made using the procedures in this section are exempt by statute from FAR part 6 competition requirements (see 206.001(b)).

(C) Approval requirements for—

(1) Direct health care personal service contracts (see 237.104(b)(ii)(A)(1)) and a pay cap are in DoDI 6025.5, Personal Services Contracts for Health Care Providers. Requests to enter into a personal service contract for direct health care services must be approved by the commander of the medical/dental treatment facility where the services will be performed.

(2) Services of clinical counselors, family advocacy program staff, and victim's services representatives (see 237.104(b)(ii)(A)(2)), shall be in accordance with agency procedures.

(D) The contracting officer must ensure that the requiring activity provides a copy of the approval with the purchase request.

(E) The contracting officer must provide adequate advance notice of contracting opportunities to individuals residing in the area of the facility. The notice must include the qualification criteria against which individuals responding will be evaluated. The contracting officer shall solicit applicants through at least one local publication which serves the area of the facility. Acquisitions under this section for personal service contracts are exempt from the posting and synopsis requirements of FAR part 5.

(F) The contracting officer shall provide the qualifications of individuals responding to the notice to the commander of the facility for evaluation and ranking in accordance with agency procedures. Individuals must be considered solely on the basis of the professional qualifications established for the particular personal services being acquired and the Government's estimate of reasonable rates, fees, or other costs. The commander of the facility shall provide the contracting officer with rationale for the ranking of individuals, consistent with the required qualifications.

(G) Upon receipt from the facility of the ranked listing of applicants, the contracting officer shall either—

(1) Enter into negotiations with the highest ranked applicant. If a mutually satisfactory contract cannot be negotiated, the contracting officer shall terminate negotiations with the highest ranked applicant and enter into negotiations with the next highest.

(2) Enter into negotiations with all qualified applicants and select on the basis of qualifications and rates, fees, or other costs.

(H) In the event only one individual responds to an advertised requirement, the contracting officer is authorized to negotiate the contract award. In this case, the individual must still meet the minimum qualifications of the requirement and the contracting officer must be able to make a determination that the price is fair and reasonable.

(I) If a fair and reasonable price cannot be obtained from a qualified individual, the requirement should be canceled and acquired using procedures other than those set forth in this section.

(f)(i) Payment to each expert or consultant for personal services under 5 U.S.C. 3109 shall not exceed the highest rate fixed by the Classification Act Schedules for grade GS-15 (see 5 CFR 304.105(a)).

(ii) The contract may provide for the same per diem and travel expenses authorized for a Government employee, including actual transportation and per diem in lieu of subsistence for travel between home or place of business and official duty station.

(iii) Coordinate with the civilian personnel office on benefits, taxes, personnel ceilings, and maintenance of records.

237.106 Funding and term of service contracts.

(1) Personal service contracts for expert or consultant services shall not exceed 1 year. The nature of the duties must be—

(i) Temporary (not more than 1 year); or

(ii) Intermittent (not cumulatively more than 130 days in 1 year).

(2) The contracting officer may enter into a contract, exercise an option, or place an order under a contract for severable services for a period that begins in one fiscal year and ends in the next fiscal year if the period of the contract awarded, option exercised, or order placed does not exceed 1 year (10 U.S.C. 2410a).

(b) Educational service agreements provide for ordering educational services when—

237.7202

(1) The Government pays normal tuition and fees for educational services provided to a student by the institution under its normal schedule of tuition and fees applicable to all students generally; and

(2) Enrollment is at the institution under the institution's normal rules and in courses and curricula which the institution offers to all students meeting admission requirements.

237.7202 Limitations.

(a) Make no agreement under this subpart which will result in payment of Government funds for tuition or other expenses for training in any legal profession, except in connection with the detailing of commissioned officers to law schools under 10 U.S.C. 2004.

(b) Educational service agreements are not used to provide special courses or special fees for Government students.

237.7203 Duration.

(a) Educational service agreements are for an indefinite duration and remain in effect until terminated.

(b) The issuing activity must establish procedures to review each educational service agreement at least once each year. Review dates should consider the institution's academic calendar and occur at least 30 days before the beginning of a term. The purpose of the review is to incorporate changes to reflect requirements of any statute, Executive Order, FAR, or DFARS.

(c) If the contracting officer and the institution do not agree on required changes, terminate the agreement.

(e) The Contractor shall not furnish any instruction or other services to any student under this agreement before the effective date of a request for services in the form specified in paragraph (b) of this schedule.

2. *Change in curriculum.* The Contracting Officer may vary the curriculum for any student enrolled under this agreement but shall not require or make any change in any course without the Contractor's consent.

3. *Payment.* (a) The Government shall pay the Contractor the normal tuition and fees which the Contractor charges any students pursuing the same or similar curricula, except for any tuition and fees which this agreement excludes. The Contractor may change any tuition and fees, provided—

(1) The Contractor publishes the revisions in a catalog or otherwise publicly announces the revisions;

(2) Applies the revisions uniformly to all students studying the same or similar curricula;

(3) Provides the Contracting Officer notice of changes before their effective date.

(b) The Contractor shall not establish any tuition or fees which apply solely to students under this agreement.

(c) If the Contractor regularly charges higher tuition and fees for nonresident students, the Contractor may charge the Government the normal nonresident tuition and fees for students under this agreement who are nonresidents. The Government shall not claim resident tuition and fees for any student solely on the basis of the student residing in the State as a consequence of enrollment under this agreement.

(d) The Contractor shall charge the Government only the tuition and fees which relate directly to enrollment as a student. Tuition and fees may include—

(i) Penalty fees for late registration or change of course caused by the Government;

(ii) Mandatory health fees and health insurance charges; and

(iii) Any flat rate charge applicable to all students registered for research that appears in the Contractor's publicly announced fee schedule.

(e) The Contractor shall not charge the Government for—

(i) Permit charges, such as vehicle registration or parking fees, unless specifically authorized in the request for service; and

(ii) Any equipment, refundable deposits, or any items or services (such as computer time) related to student research.

(f) Normally, the Contractor shall not directly charge individual students for application fees or any other fee chargeable to this agreement. However, if the Contractor's standard procedures require payment of any fee before the student is enrolled under this agreement, the Contractor may charge the student. When the Contractor receives payment from the Government, the Contractor shall fully reimburse the student.

(g) For each term the Contractor enrolls students under this agreement, the Contractor shall submit _____ copies of an invoice listing charges for each student separately. The Contractor shall submit invoices within _____ days after the start of the term and shall include—

(i) Agreement number and inclusive dates of the term;

(ii) Name of each student;

(iii) A list showing each course for each student if the school charges by credit hour;

(iv) The resident or nonresident status of each student (if applicable to the Contractor's school); and

(v) A breakdown of charges for each student, including credit hours, tuition, application fee, and other fees. Provide a total for each student and a grand total for all students listed on the invoice.

(h) If unforeseen events require additional charges that are otherwise payable under the Contractor's normal tuition and fee schedule, the Contractor may submit a supplemental invoice or make the adjustment on the next regular invoice under this agreement. The Contractor shall clearly identify and explain the supplemental invoice or the adjustment.

(i) The Contractor shall apply any credits resulting from withdrawal of students, or from any other cause under its standard procedures, to subsequent invoices submitted under this agreement. Credits should appear on the first invoice submitted after the action resulting in the credits. If no subsequent invoice is submitted, the Contractor shall deliver to the Contracting Officer a check drawn to the order of the office designated for contract administration. The Contractor shall identify the reason for the credit and the applicable term dates in all cases.

4. *Withdrawal of students.* (a) The Government may, at its option and at any time, withdraw financial support for any student by issuing official orders. The Government will furnish _____ copies of the orders to the Contractor within a reasonable time after publication.

(b) The Contractor may request withdrawal by the Government of any student for academic or disciplinary reasons.

(c) If withdrawal occurs before the end of a term, the Government will pay any tuition and fees due for the current term. The Contractor shall credit the Government with any charges eligible for refund under the Contractor's standard procedures for any students in effect on the date of withdrawal.

(d) Withdrawal of students by the Government will not be the basis for any special charge or claim by the Contractor other than charges under the Contractor's standard procedures.

5. *Transcripts.* Within a reasonable time after withdrawal of a student for any reason, or after graduation, the Contractor shall send to the Contracting Officer (or to an address supplied by the Contracting Officer) one copy of an official transcript showing all work by the student at the institution until such withdrawal or graduation.

6. *Student teaching.* The Government does not anticipate the Contractor awarding fellowships and assistantships to students attending school under this agreement. However, for graduate students, should both the student and the Contractor decide it to be in the student's best interests to assist in the institution's teaching program, the Contractor may provide nominal compensation for part-time service. Base the compensation on the Contractor's practices and procedures for other students of similar accomplishment in that department or field. The Contractor shall apply the compensation as a credit against any invoices presented for payment for any period in which the student performed the part-time teaching service.

7. *Termination of agreement.* (a) Either party may terminate this agreement by giving 30 days advance written notice of the effective date of termination. In the event of termination, the Government shall have the right, at its option, to continue to receive educational services for those students already enrolled in the contractor's institution under this agreement until such time that the students complete their courses or curricula or the Government withdraws them from the Contractor's institution. The terms and conditions of this agreement in effect on the effective date of the termination shall continue to apply to such students remaining in the Contractor's institution.

(b) Withdrawal of students under Schedule provision 4 shall not be considered a termination within the meaning of this provision 7.

(c) Termination by either party shall not be the basis for any special charge or claim by the Contractor, other than as provided by the Contractor's standard procedures.

237.7302 General.

Generally, agencies will acquire services of students at institutions of higher learning by contract between a nonprofit organization employing the student and the Government. When it is in the best interest of the Government, contracts may be made directly with students. These services are not subject to the requirements of FAR part 19, FAR 13.003(b)(1), or DFARS part 219. Award authority for these contracts is 10 U.S.C. 2304(a)(1) and 10 U.S.C. 2360.
