purposes of this subpart, when a computer search is required two hours of search time will be considered spent when the hourly costs of operating the central processing unit used to perform the search added to the computer operator's salary cost (hourly rate plus 16 percent) equals two hours of the computer operator's salary costs (hourly rate plus 16 percent).

(b) A fee is not to be charged for any time spent searching for a record requested under subpart C if the records are not for commercial use and the requestor is a representative of the news media, an educational institution whose purpose is scholarly research, or a non-commercial scientific institution whose purpose is scientific research.

(c) A fee is not to be charged for duplication of the first 100 pages (standard paper, not larger than 8.5 x 14 inches) of records provided to any requestor in response to a request under Subpart C unless the records are requested for commercial use.

(d) A fee is not to be charged to any requestor under subpart C to determine whether a record is exempt from mandatory disclosure unless the record is requested for commercial use. A review charge may not be charged except with respect to an initial review to determine the applicability of a particular exemption to a particular record or portion of a record. A review charge may not be assessed for review at the administrative appeal level. When records or portions of records withheld in full under an exemption that is subsequently determined not to apply are reviewed again to determine the applicability of other exemptions not previously considered, this is considered an initial review for purposes of assessing a review charge.

(e) Documents will be furnished without charge or at a reduced charge if the official having initial denial authority determines that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requestor.

(f) Factors to be considered by DOT officials authorized to determine

whether a waiver or reduction of fees will be granted include:

(1) Whether the subject matter of the requested records concerns the operations or activities of the Federal government;

(2) Whether the disclosure is likely to contribute to an understanding of Federal government operations or activities;

(3) Whether disclosure of the requested information will contribute to the understanding of the public at large, as opposed to the individual understanding of the requestor or a narrow segment of interested persons;

(4) Whether the contribution to public understanding of Federal government operations or activities will be significant;

(5) Whether the requestor has a commercial interest that would be furthered by the requested disclosure; and

(6) Whether the magnitude of any identified commercial interest to the requestor is sufficiently large in comparison with the public interest in disclosure that disclosure is primarily in the commercial interest of the requestor.

(g) Documents will be furnished without charge or at a reduced charge if the official having initial denial authority determines that the request concerns records related to the death of an immediate family member who was, at the time of death, a DOT employee or a member of the Coast Guard.

(h) Documents will be furnished without charge or at a reduced charge if the official having initial denial authority determines that the request is by the victim of a crime who seeks the record of the trial or court-martial at which the requestor testified.

### § 7.45 Transcripts.

Transcripts of hearings or oral arguments are available for inspection. Where transcripts are prepared by a nongovernmental contractor, and the contract permits DOT to handle the reproduction of further copies, § 7.43 applies. Where the contract for transcription services reserves the sales privilege to the reporting service, any duplicate copies must be purchased directly from the reporting service.
