

(b) *Back pay awards and other retroactive pay adjustments.* The application of this part 1606, as described in paragraph (a) of this section, includes TSP contributions derived from payments associated with back pay awards or other retroactive pay adjustments that are based on a determination that the employing agency paid a participant less than the full amount of basic pay to which the participant was entitled.

(c) *Timing of errors.* This part 1606 applies regardless of whether the employing agency error that caused the effects described in paragraph (a) of this section occurred prior to, at, or after the inception of the TSP.

(d) *De minimis rules.* Notwithstanding paragraphs (a) through (c) of this section or any other provision of this part 1606:

(1) Lost earnings shall not be payable where the amount of money for a source of contributions in a participant's account that is not invested in the Thrift Savings Fund due to an employing agency error, or that is invested in the wrong investment fund due to an employing agency error, is less than one dollar (\$1.00) for that source of contributions. Where the employing agency error caused delayed or erroneous contributions for more than one pay period, this paragraph shall apply separately to each pay period involved.

(2) Where the employing agency error caused delay in submission of TSP payment records or loan allotments, lost earnings shall not be payable unless the belated contributions or loan allotments were received by the TSP recordkeeper more than 30 days after the pay date associated with the pay period for which the contributions or loan allotments would have been submitted had the employing agency error not occurred.

(3) For employing agency errors not covered by paragraph (d)(2) of this section, lost earnings shall not be payable unless, as the result of an employing agency error, money was not invested in the Thrift Savings Fund for a period extending more than 30 days after the date it would have been invested had the error not occurred.

(4) The 30-day requirements contained in paragraphs (d)(2) and (d)(3) of

this section do not apply where, due to employing agency error, money in a participant's account has been invested in an incorrect investment fund.

(e) *Contributions for pre-1987 service.* This part does not apply to errors involving employing agency delay in submitting contributions required by 5 U.S.C. 8432(c)(3).

(f) *Contributions for service in January through March 1987.* Notwithstanding any other provision of this section, lost earnings shall be payable with respect to contributions made pursuant to 5 U.S.C. 8432(c)(1) (B) or (C) if the payment records containing those contributions were received by the TSP recordkeeper after April 30, 1987.

### **Subpart B—Lost Earnings Attributable to Delayed or Erroneous Contributions**

#### **§ 1606.5 Failure to timely make or deduct TSP contributions when participant received pay.**

(a) If a participant receives pay, but as the result of an employing agency error all or any part of the agency automatic (1%) contribution associated with that pay to which the participant is entitled is not timely received by the TSP record keeper, then the makeup or late contributions will be subject to lost earnings. In such cases:

(1) The employing agency must, for each pay period involved, submit to the TSP record keeper a lost earnings record indicating the pay date for which the contributions would have been made had the error not occurred (i.e., the beginning date), the investment fund to which the contributions would have been deposited had the error not occurred if the beginning date on the record was before May 1, 2001, the amount of the contributions, and the pay date for which the contributions were actually made. If the beginning date on the record was on or after May 1, 2001, the TSP record keeper will use the contribution allocation of record for the beginning date and calculate lost earnings;

(2) The TSP record keeper will compute the amount of lost earnings associated with each lost earnings record submitted by the employing agency

pursuant to paragraph (a)(1) of this section. In performing the computation, the TSP record keeper will not take into consideration any interfund transfers;

(3) Where the lost earnings computed in accordance with paragraph (a)(2) of this section are positive, the TSP record keeper will charge that amount to the appropriate employing agency and will credit the participant's TSP account. If the lost earnings are negative, the amount computed will be removed from the participant's account and used to offset TSP administrative expenses; and

(4) The lost earnings will be posted to the participant's account pro rata to all investment funds within the same source of contributions based on the most recent valued account balance.

(b) If a participant receives pay from which employee contributions were properly deducted, but as a result of an employing agency error all or any part of the associated agency matching contributions to which the participant is entitled were not timely received by the TSP record keeper, then the makeup agency contributions will be subject to lost earnings. In such cases, the procedures described in paragraphs (a)(1) through (a)(4) of this section will apply to the makeup agency matching contributions.

(c) If a participant receives pay from which employee contributions were properly deducted, but as the result of an employing agency error all or any part of those employee contributions were not timely received by the TSP record keeper, or if the employee contributions were received in connection with a FERCCA correction, the makeup employee contributions will be subject to the procedures described in paragraphs (a)(1) through (a)(4) of this section.

(d) Except for employee contributions received in connection with a FERCCA correction, if a participant receives pay from which employee contributions should have been deducted but, as the result of employing agency error, all or any part of those deductions were not made, the makeup employee contributions will not be subject to lost earnings even if the participant makes up the employee contribu-

tions pursuant to part 1605 of this chapter. However, where the participant makes up the employee contributions pursuant to part 1605 of this chapter, the agency matching contributions associated with the makeup employee contributions (which must be made in accordance with part 1605 of this chapter) will be subject to lost earnings. With respect to such makeup agency matching contributions the procedures described in paragraphs (a)(1) through (a)(4) of this section will apply.

### § 1606.6 Agency delay in paying employee.

Where, as the result of an employing agency error, a participant does not timely receive all or any part of the basic pay to which he or she is entitled, and as a result of that delay in receiving pay all or any part of the Employee Contributions, Agency Automatic (1%) Contributions, or Agency Matching Contributions are not submitted when they would have been had the employing agency error not occurred, all such belated Employee Contributions, Agency Automatic (1%) Contributions, and Agency Matching Contributions shall be subject to lost earnings. The procedures described in paragraphs (a)(1) through (a)(4) of § 1606.5 shall apply to all such belated contributions.

### § 1606.7 Contributions to incorrect investment fund made before May 1, 2001.

Where, as the result of an employing agency error, money was deposited to a participant's TSP account in an incorrect investment fund(s), the erroneous contribution will be subject to lost earnings if a claim is submitted within the time limits set forth in § 1605.16(a)(2) of this chapter. In such cases:

(a) The employing agency must submit a lost earnings record indicating the amount of the contributions submitted to the incorrect investment fund(s), the pay date for which it was submitted, the investment fund(s) to which it would have been deposited had the employing agency error not occurred, and the investment fund(s) to which it was actually deposited;
