

§ 11.14

(b) An appellant may not seek judicial review of any agency adverse decision appealable under this part without receiving a final determination from the Division pursuant to the procedures of this part.

§ 11.14 Filing of appeals and computation of time.

(a) An appeal, a request for Director Review, or any other document will be considered "filed" when delivered in writing to the Division, when post-marked, or when a complete facsimile copy is received by the Division.

(b) Whenever the final date for any requirement of this part falls on a Saturday, Sunday, Federal holiday, or other day on which the Division is not open for the transaction of business during normal working hours, the time for filing will be extended to the close of business on the next working day.

(c) The time for filing an appeal, a request for Director review, or any other document expires at 5:00 p.m. local time at the office of the Division to which the filing is submitted on the last day on which such filing may be made.

§ 11.15 Participation of third parties and interested parties in Division proceedings.

In two situations, parties other than the appellant or the agency may be interested in participating in Division proceedings. In the first situation, a Division proceeding may in fact result in the adjudication of the rights of a third party, e.g., an appeal of a tenant involving a payment shared with a landlord, an appeal by one recipient of a portion of a payment shared by multiple parties, an appeal by one heir of an estate. In the second situation, a party may desire to receive notice of and perhaps participate in an appeal because of the derivative impact the appeal determination will have on that party, e.g., guaranteed lenders and reinsurance companies. The provisions in this section set forth rules for the participation of such third and interested parties.

(a) *Third parties.* When an appeal is filed, the Division shall notify any potential third party whose rights may be adjudicated of its right to partici-

pate as an appellant in the appeal. This includes the right to seek Director review of the Hearing Officer determination. Such third parties may be identified by the Division itself, by an agency, or by the original appellant. The Division shall issue one notice to the third party of its right to participate, and if such party declines to participate, the Division determination will be binding as to that third party as if it had participated. For purposes of this part, a third party includes any party for which a determination of the Division could lead to an agency action on implementation that would be adverse to the party thus giving such party a right to a Division appeal.

(b) *Interested parties.* With respect to a participant who is a borrower under a guaranteed loan or an insured under a crop insurance program, the respective guaranteed lender or reinsurance company having an interest in a participant's appeal under this part may participate in the appeal as an interested party, but such participation does not confer the status of an appellant upon the guaranteed lender or reinsurance company such that it may request Director review of a final determination of the Division.

§ 11.30 General statement.

This subpart implements the regulations of the Secretary of Agriculture at 7 CFR 1.1 through 1.16 concerning FOIA (5 U.S.C. 552). The Secretary's regulations, as implemented by the regulations in this part, govern the availability of the records of NAD to the public.

(a) Requests for NAD records should be in writing and addressed to the NAD official having custody of the records desired as indicated in § 11.22(d). Addresses are found in Appendix A of this subpart. In his or her petition, the requester may ask for a fee waiver if there is likely to be a charge for the requested information. The criteria for waiver of fees are found in section 6 of appendix A, subpart A of part 1 of this title. All requests for records shall be deemed to have been made pursuant to FOIA, regardless of whether FOIA is specifically mentioned. To facilitate processing of a request, the phrase "FOIA REQUEST" should be placed in capital letters on the front of the envelope.

(b) A request must reasonably describe records to enable NAD personnel to locate them with reasonable effort. Where possible, a requester should supply specific information, such as dates, titles, appellant name or appeal number, that may help identify the records. If the request relates to a matter in pending litigation, the court and its location should be identified.

(c) If NAD determines that a request does not reasonably describe the records, it shall inform the requester of this fact and extend the requester an opportunity to clarify the request or to confer promptly with knowledgeable NAD personnel to attempt to identify the records he or she is seeking. The
