§ 274.5 [Reserved]

§ 274.6 Replacement issuances to households.

(a) *Providing replacement issuance.* (1) Subject to the restrictions in paragraph (b) of this section, State agencies shall provide replacement issuances to a household when the household reports that:

(i) Its authorization document was not received in the mail or was stolen from the mail, was stolen after receipt, was destroyed in a household misfortune, or was improperly manufactured or mutilated;

(ii) Its coupons were not received in the mail, were stolen from the mail, were destroyed in a household misfortune, or were improperly manufactured or mutilated;

(iii) Food purchased with food stamps was destroyed in a household misfortune; or

(iv) It received a partial coupon allotment.

(2) State agencies shall not provide replacement issuances to households when coupons are lost, stolen or misplaced after receipt, authorization documents are lost or misplaced after receipt, when authorization documents or coupons are totally destroyed after receipt in other than a disaster or misfortune, or when coupons sent by registered or certified mail are signed for by anyone residing with or visiting the household. In addition, replacement issuances shall not be made if the household or its authorized representative has not signed and returned the household statement required in paragraph (c) of this section, where applicable.

(3) Where FNS has issued a disaster declaration and the household is eligible for disaster food stamp benefits under the provisions of part 280, the household shall not receive both the disaster allotment and a replacement allotment for a misfortune.

(4) In order for a replacement to be considered non-countable, the replace-

ment must not result in a loss to the Program.

(b) *Replacement restrictions.* (1) Replacement issuances shall be provided only if a household timely reports a loss orally or in writing, and provides a statement of nonreceipt if the original authorization document or allotment has not been returned to the State agency at the time of the request for replacement. The report will be considered timely if it is made to the State agency within 10 days of the date an authorization document is stolen from the household, or an authorization document, coupons, or food purchased with food stamps is destroyed in a household misfortune. In mail issuance (ATPs or coupons), the report must be made within the period of intended use, unless the original issuance was made after the 20th of the month, in which case the period of intended use is 20 days from original issuance, or the last day of the next month (State agency option).

(2) The number of replacement issuances which a household may receive shall be limited as follows:

(i) State agencies shall limit replacement issuances to a total of two countable replacements in six months for authorization documents or coupons not received in, or stolen from, the mail; authorization documents stolen after receipt; and partial coupon allotments. However, no limit shall be put on the number of replacements of partial allotments if the partial allotments were due to State agency error. Separate limits shall not apply for each of these types of loss.

(ii) State agencies shall limit replacement issuances per household to two countable replacements in six months for authorization documents or coupons reported as destroyed in a household misfortune. This limit is in addition to the limit in paragraph (b)(2)(i) of this section.

(iii) No limit on the number of replacements shall be placed on the replacement of authorization documents or coupons which were improperly manufactured or mutilated or food purchased with food stamp benefits which was destroyed in a household misfortune.
