(h) *Definitions.* The terms *U.S. Extra No. 1, U.S. No. 1, U.S. No. 2, Size B, fairly clean, moderately skinned, and slightly skinned* shall have the same meaning as when used in the United States Standards for Potatoes (7 CFR 51.1540–51.1566), including the tolerances set forth therein. The term *prepeeling* means the commercial preparation in a prepeeling plant of clean, sound, fresh potatoes by washing, peeling, or otherwise removing the outer skin, trimming, sorting, and properly treating to prevent discoloration preparatory to sale in one or more of the styles of peeled potatoes described in §52.2422 of the United States Standards for Peeled Potatoes (7 CFR 52.2421–52.2433). The term *other processing* has the same meaning as the term appearing in the act and includes, but is not restricted to, potatoes for dehydration, chips, shoestrings, starch, and flour. It includes only that preparation of potatoes for market which involves the application of heat or cold to such an extent that the natural form or stability of the commodity undergoes a substantial change. The act of peeling, cooling, slicing, dicing, or applying material to prevent oxidation does not constitute “other processing.” The terms *Idaho Utility* grade and *Oregon Utility* grade shall have the same meaning as when used in the standards for potatoes for the respective State. Other terms used in this section shall have the same meaning as when used in Marketing

EXPENSES AND ASSESSMENTS

§ 946.40 Expenses.

The committee is authorized to incur such expenses as the Secretary finds are reasonable and likely to be incurred by it during each fiscal period for its maintenance and functioning, and for such other purposes as the Secretary, pursuant to this subpart, determines to be appropriate. [37 FR 10917, June 1, 1972]

§ 946.41 Assessments.

Each handler shall pay to the committee upon demand, his pro rata share of the expenses authorized by the Secretary for each fiscal period. At any time during or after a fiscal period, the Secretary may increase the rate of assessment as necessary to cover authorized expenses. Such increase shall be applicable to all potatoes handled during the given fiscal period. The payment of expenses for the maintenance and functioning of the committee may be required during periods when no regulations are in effect. If a handler does not pay his assessment within the time prescribed by the committee, the assessment may be increased by a late payment charge or an interest charge, or both, at rates prescribed by the committee with the approval of the Secretary.

Each handler's share of such excess shall be the amount of assessments he paid in excess of his pro rata share of the actual expenses of the committee and the addition, if any, to the operating reserve.

(b) *Accounting of funds upon termination of order.* Any money collected as assessments pursuant to this subpart and remaining unexpended in the possession of the committee after termi-

nation of this part shall be distributed in such manner as the Secretary may direct: *Provided*, That to the extent practical, such funds shall be returned pro rata to the persons from whom such funds were collected.

[37 FR 10917, June 1, 1972]

§ 946.43 Funds.

All funds received by the committee pursuant to any provisions of this subpart shall be used solely for the purposes specified in this subpart and shall be accounted for in the following manner:

(a) The Secretary may at any time require the committee and its members to account for all receipts and disbursements; and

(iii) If reshipment is for any of the purposes specified in paragraph (d) of this section, each handler making reshipment of potatoes which have been graded or stored shall do so in accordance with the applicable safeguard requirements specified in paragraph (e) of this section.

(3) Each handler making shipments of potatoes for canning, freezing, or "other processing" pursuant to paragraph (d) of this section shall:

(i) First apply to the committee for and obtain a Special Purpose Certificate to make shipments for processing;

The term *prepeeling* means the commercial preparation in the prepeeling plant of clean, sound, fresh tubers by washing, peeling or otherwise removing the outer skin, trimming, sorting, and properly treating to prevent discoloration preparatory to sale in one or more of the styles of peeled potatoes described in §52.2422 United States Standards for Grades of Peeled Potatoes (7 CFR 52.2421–52.2433). The term *other processing* has the same meaning as the term appearing in the Act and includes, but is not restricted to, potatoes for dehydration, chips, shoestrings, starch, and flour. It includes the application of heat or cold to such an extent that the natural form or stability of the commodity undergoes a substantial change. The act of peeling, cooling, slicing, dicing, or applying material to prevent oxidation does not constitute “other processing.” Other terms used in this section have the same meaning as when used in the marketing agreement, as amended, and this part.
