

§ 979.48

(1) The committee, with the approval of the Secretary, may establish an operating monetary reserve and may carry over to subsequent fiscal periods excess funds in a reserve so established, except funds in the reserve shall not exceed approximately two fiscal periods' expenses. Such reserve funds may be used (i) to defray any expenses authorized under this part, (ii) to defray expenses during any fiscal period prior to the time assessment income is sufficient to cover such expenses, (iii) to cover deficits incurred during any fiscal period when assessment income is less than expenses, (iv) to defray expenses incurred during any period when any or all provisions of this part are suspended or are inoperative, and (v) to cover necessary expenses of liquidation in the event of termination of this part. Any funds remaining after termination should be refunded to handlers on a pro rata basis. If it is found impracticable to return such remaining funds to handlers, such funds shall be disposed of in such manner as the Secretary may determine to be appropriate;

(2) If such excess is not retained in a reserve or used to defray necessary expenses of liquidation, as provided for in paragraph (a)(1) of this section, it shall be refunded proportionately to the handlers from whom collected, except any sum paid by any handler in excess of his pro rata share of the expenses during any fiscal period may be applied by the committee at the end of such fiscal period to any outstanding obligations due the committee from such handler.

(b) [Reserved]
