Except as specifically authorized by the Commission in writing, no interpretation of the meaning of the regulations in this part by an NRC officer or employee, other than a written interpretation by the General Counsel, shall be binding upon the Commission.

§ 7.4 Establishment of advisory committees.

(a) An NRC advisory committee may be established under this part only if its establishment—

(1) Is specifically directed or authorized by statute or by Executive Order of the President; or

(2) Has been determined by the Commission to be in the public interest and essential to the performance of the duties imposed on the Commission by law.

The determination required by paragraph (a)(2) of this section shall be a matter of formal record, and shall include a statement of a clearly defined purpose for the advisory committee.

§ 7.5 Review of establishment of advisory committees by GSA Secretariat; Advisory committee charters.

(a) Whenever the NRC proposes to establish or utilize an advisory committee, a letter requesting review of the proposal and transmitting a proposed charter for the committee shall be submitted to the GSA Secretariat by the Commission. The letter shall contain the following information:

(1) An explanation of why the committee is essential to the conduct of NRC business and is in the public interest;

(2) An explanation of why the committee's functions cannot be performed by NRC, another existing NRC advisory committee, or other means (such as a public hearing); and

(3) A description of NRC's plan to attain balanced membership on the committee.

For purposes of attaining balance in an NRC advisory committee's membership, the Commission shall consider for membership interested persons and groups with professional, technical, or personal qualifications or experience to contribute to the functions and tasks to be performed.

(b) Each proposed committee charter submitted for review pursuant to paragraph (a) of this section shall contain the following information:

(1) The committee's official designation;

(4) The NRC official to whom the committee will report;

(5) The NRC office responsible for providing support for the committee;

(6) A description of the duties for which the committee will be responsible, and if such duties are not solely advisory, a specification of the authority for the functions that are not advisory;

(c)(1) A subcommittee that does not function independently of its parent advisory committee shall be subject to the requirements of this part, except that it shall not be subject to the requirements of paragraphs (a) and (b) of this section. Such a subcommittee shall not, however, be subject to the requirements of this part with respect to any meeting of its members devoted solely to a function described in §7.2(c)(3)(viii).

(2) The requirements of this part, including the requirements of paragraphs (a) and (b) of this section, shall apply to any subcommittee that functions independently of the parent advisory committee (such as by making recommendations directly to the agency rather than to the parent advisory committee), regardless of whether the subcommittee's members are drawn in whole or in part from the parent advisory committee.

(d) After the GSA Secretariat has notified the Commission of the results of its review of a proposal to establish or utilize an NRC advisory committee, submitted pursuant to paragraph (a) of this section, the Commission shall notify the GSA Secretariat in writing whether the advisory committee is actually being established. Filing of the advisory committee charter pursuant to §7.8 shall be deemed to fulfill this

notification requirement. If the advisory committee is not being established, the Commission shall so advise the GSA Secretariat in writing, stating whether NRC intends to take any further action with respect to the proposed advisory committee.

(e) The date of filing of an advisory committee charter pursuant to §7.8 shall appear on the face of the charter and shall constitute the date of establishment, renewal, or reestablishment of the committee.

EFFECTIVE DATE NOTE: At 67 FR 79840, Dec. 31, 2002, §7.5 was revised, effective Jan. 30, 2003. For the convenience of the user, the revised text is set forth as follows:

§7.5 Consultation with Committee Management Secretariat on establishment of advisory committees; advisory committee charters.

(a) Before establishing a discretionary advisory committee, the NRC shall consult with the Committee Management Secretariat. With a full understanding of the background and purpose behind the proposed advisory committee, the Committee Management Secretariat may share its knowledge and experience with the NRC on how best to make use of the proposed committee, alternate methods of attaining the agency's purpose, or whether a pre-existing advisory committee performs similar functions. Such consultation should include the transmittal of the proposed committee charter and the following information:

(1) A request for a review of the proposed charter;

(2) An explanation stating why the committee is essential to the conduct of NRC business and is in the public interest;

(3) An explanation stating why the committee's functions cannot be performed by the NRC, an existing NRC advisory committee, or other means (such as a public hearing); and

(4) A description of NRC's plan to attain balanced membership on the committee. The plan must ensure that, in the selection of members for the advisory committee, the NRC will consider a cross-section of those directly affected, interested, and qualified, as appropriate to the nature and functions of the committee. For purposes of attaining balance in an NRC advisory committee's membership, the Commission shall consider for membership interested persons and groups with professional, technical, or personal qualifications or experience that will contribute to the functions and tasks to be performed.

(b) Each proposed committee charter submitted for review pursuant to paragraph (a)

Nuclear Regulatory Commission

- (2) The committee's objectives and the scope of its activity;
- (3) The period of time necessary for the committee to carry out its purposes;
- (4) The NRC official to whom the committee will report;
- (5) The NRC office responsible for providing support for the committee;
- (6) A description of the duties that the committee will perform, and if such duties are not solely advisory, a specification of the authority for the functions that are not advisory;
- (7) The estimated annual operating costs, in dollars and person years, for the committee;
- (8) The estimated number and frequency of committee meetings; and
- (9) The committee's termination date, if less than two years from the date of the committee's establishment.

(c) The requirements of this part, including the requirements of paragraphs (a) and (b) of this section, shall apply to any subcommittee that functions independently of the parent advisory committee (such as by making recommendations directly to the agency rather than to the parent advisory committee), regardless of whether the subcommittee's members are drawn in whole or in part from the parent advisory committee.

(d) After the Committee Management Secretariat has notified the Commission of the results of its review of a proposal to establish or utilize an NRC discretionary advisory committee, submitted pursuant to paragraph (a) of this section, the Commission shall notify the Committee Management Secretariat whether the advisory committee is actually being established. Filing of the advisory committee charter pursuant to § 7.8 shall be deemed to fulfill this notification requirement. If the advisory committee is not being established, the Commission shall so advise the Committee Management Secretariat, stating whether NRC intends to take any further action with respect to the proposed advisory committee.

(e) The date of filing of an advisory committee charter pursuant to § 7.8 shall be added to the charter when such filing takes place, shall appear on the face of the charter, and shall constitute the date of establishment, renewal, or reestablishment of the committee.

§ 7.6 Amendments to advisory committee charters.

(a) Final authority for amending the charter of an NRC advisory committee established or utilized by the NRC is vested in the Commission.

(b) Any proposed minor technical changes made to a current charter for an NRC advisory committee whose establishment is required or authorized by statute or by Executive Order of the President shall be coordinated with the General Counsel to ensure that they are consistent with the applicable statute or Executive Order. When the statute or Executive Order that directed or authorized the establishment of an advisory committee is amended to change the language that has been the basis for establishing the advisory committee, those sections of the current charter affected by the statute or Executive Order shall also be amended, and the amended charter shall be filed as specified in § 7.8.

(c)(1) The charter of an NRC advisory committee established under general agency authority may be amended when the Commission determines that the existing charter no longer reflects the objectives or functions of the committee. Such changes may be minor (such as revising the name of the advisory committee or modifying the estimated number or frequency of meetings), or they may be major (such as revising the objectives or composition of the committee). The procedures specified in paragraph (b) of this section shall be used in the case of charter amendments involving minor changes.

(2) In the case of a major amendment to the charter of an advisory committee established under general agency authority, a letter requesting review of the proposed amendment and transmitting the proposed amended charter shall be submitted to the GSA Secretariat. The letter shall explain the purpose of the changes and why they are necessary.

(3) A committee charter that has been amended pursuant to this paragraph is subject to the filing requirements set forth in § 7.8.

(4) Amendment of an existing advisory committee charter pursuant to this paragraph does not constitute renewal of the committee for purposes of § 7.7.
