§ 163.0 Scope.

This part sets forth the recordkeeping requirements and procedures governing the maintenance, production, inspection, and examination of records. It also sets forth the procedures governing the examination of persons in connection with any investigation or compliance assessment, audit or other inquiry conducted for the purposes of ascertaining the correctness of any entry, for determining the liability of any person for duties, fees and taxes due or that may be due, for determining liability for fines, penalties and forfeitures, or for ensuring compliance with the laws and regulations administered or enforced by Customs. Additional provisions concerning records maintenance and examination

applicable to U.S. importers, exporters, and producers under the United States-Canada Free Trade Agreement and the North American Free Trade Agreement are contained in parts 10 and 181 of this chapter, respectively.

§ 163.1 Definitions.

When used in this part, the following terms shall have the meaning indicated:

(a) *Records*—(1) *In general*. The term “records” means any information made or normally kept in the ordinary course of business that pertains to any activity listed in paragraph (a)(2) of this section. The term includes any information required for the entry of merchandise (the (a)(1)(A) list) and other information pertaining to, or from which is derived, any information element set forth in a collection of information required by the Tariff Act of 1930, as amended, in connection with any activity listed in paragraph (a)(2) of this section. The term includes, but is not limited to, the following: Statements; declarations; documents; electronically generated or machine readable data; electronically stored or transmitted information or data; books; papers; correspondence; accounts; financial accounting data; technical data; computer programs necessary to retrieve information in a usable form; and entry records (contained in the (a)(1)(A) list).

(2) *Activities*. The following are activities for purposes of paragraph (a)(1) of this section:

(i) Any importation, declaration or entry;

(ii) The transportation or storage of merchandise carried or held under bond into or from the customs territory of the United States;

(iii) The filing of a drawback claim;

(iv) The completion and signature of a NAFTA Certificate of Origin pursuant to § 181.11(b) of this chapter;

(v) The collection, or payment to Customs, of duties, fees and taxes; or

(vi) Any other activity required to be undertaken pursuant to the laws or regulations administered by Customs.

(b) *(a)(1)(A) list*. See the definition of “entry records”.

(c) *Audit*. "Audit" means a Customs regulatory audit verification of information contained in records required to be maintained and produced by persons listed in §163.2 or pursuant to other applicable laws and regulations administered by Customs but does not include a quantity verification for a customs bonded warehouse or general purpose foreign trade zone. The purpose of an audit is to determine that information submitted or required is accurate, complete and in accordance with laws and regulations administered by Customs.

(d) *Certified recordkeeper*. A "certified recordkeeper" is a person who is required to keep records under this chapter and who is a participant in the Recordkeeping Compliance Program provided for in §163.12.

(e) *Compliance assessment*. A "compliance assessment" is a type of importer audit performed by a Customs Compliance Assessment Team which uses various audit techniques, including statistical testing of import and financial transactions, to assess the importer's compliance level in trade areas, to determine the adequacy of the importer's internal controls over its customs operations, and to determine the importer's rates of compliance.

(f) *Entry records(a)(1)(A) list*. The terms "entry records" and "(a)(1)(A) list" refer to records required by law or regulation for the entry of merchandise (whether or not Customs required their presentation at the time of entry). The (a)(1)(A) list is contained in the Appendix to this part.

(g) *Inquiry*. An "inquiry" is any formal or informal procedure, other than an investigation, through which a request for information is made by a Customs officer.

(h) *Original*. The term "original", when used in the context of maintenance of records, has reference to records that are in the condition in which they were made or received by the person responsible for maintaining the records pursuant to 19 U.S.C. 1508 and the provisions of this chapter, including records consisting of the following:

(1) Electronic information which was used to develop other electronic records or paper documents;

(2) Electronic information which is in a readable format such as a facsimile paper format or an electronic or hardcopy spreadsheet;

(3) In the case of a paper record that is part of a multi-part form where all parts of the form are made by the same impression, one of the carbon-copy parts or a facsimile copy or photocopy of one of the parts; and

(4) A copy of a record that was provided to another government agency which retained it, provided that, if required by Customs, a signed statement accompanies the copy certifying it to be a true copy of the record provided to the other government agency.

(i) *Party/person*. The terms "party" and "person" refer to a natural person, corporation, partnership, association, or other entity or group.

(j) *Summons*. "Summons" means any summons issued under this part that requires the production of records or the giving of testimony, or both.

(k) *Technical data*. "Technical data" are records which include diagrams and other data with regard to a business or an engineering or exploration operation, whether conducted inside or outside the United States, and whether on paper, cards, photographs, blueprints, tapes, microfiche, film, or other media or in electronic or magnetic storage.

(l) *Third-party recordkeeper*. "Third-party recordkeeper" means any attorney, any accountant or any customs broker other than a customs broker who is the importer of record on an entry.

§163.2 Persons required to maintain records.

(a) *General*. Except as otherwise provided in paragraph (b) or (e) of this section, the following persons shall maintain records and shall render such records for examination and inspection by Customs:

(1) An owner, importer, consignee, importer of record, entry filer, or other person who:

(i) Imports merchandise into the customs territory of the United States, files a drawback claim, or transports or stores merchandise carried or held under bond, or

(ii) Knowingly causes the importation or transportation or storage of

§ 163.3

merchandise carried or held under bond into or from the customs territory of the United States;

(2) An agent of any person described in paragraph (a)(1) of this section; or

(3) A person whose activities require the filing of a declaration or entry, or both.

(b) *Domestic transactions.* For purposes of paragraph (a)(1)(ii) of this section, a person who orders merchandise from an importer in a domestic transaction knowingly causes merchandise to be imported only if:

(1) The terms and conditions of the importation are controlled by the person placing the order with the importer (for example, the importer is not an independent contractor but rather is the agent of the person placing the order: Whereas a consumer who purchases an imported automobile from a domestic dealer would not be required to maintain records, a transit authority that prepared detailed specifications from which imported subway cars or busses were manufactured would be required to maintain records); or

(2) Technical data, molds, equipment, other production assistance, material, components, or parts are furnished by the person placing the order with the importer with knowledge that they will be used in the manufacture or production of the imported merchandise.

(c) *Recordkeeping required for certain exporters.* Any person who exports goods to Canada or Mexico for which a Certificate of Origin was completed and signed pursuant to the North American Free Trade Agreement must also maintain records in accordance with part 181 of this chapter.

(d) *Recordkeeping required for customs brokers.* Each customs broker must also make and maintain records and make such records available in accordance with part 111 of this chapter.

(e) *Recordkeeping not required for certain travelers.* After having physically cleared the Customs facility, a traveler who made a baggage or oral declaration upon arrival in the United States will not be required to maintain supporting records regarding non-commercial merchandise acquired abroad which falls within the traveler's personal exemptions or which is covered by a flat rate of duty.

19 CFR Ch. I (4-1-03 Edition)

§ 163.3 Entry records.

Any person described in §163.2(a) with reference to an import transaction shall be prepared to produce or transmit to Customs, in accordance with §163.6(a), any entry records which may be demanded by Customs. If entry records submitted to Customs not pursuant to a demand are returned by Customs, or if production of entry records at the time of entry is waived by Customs, such person shall continue to maintain those entry records in accordance with this part. Entry records which are normally kept in the ordinary course of business must be maintained by such person in accordance with this part whether or not copies thereof are retained by Customs.

§ 163.4 Record retention period.

(a) *General.* Except as otherwise provided in paragraph (b) of this section, any record required to be made, kept, and rendered for examination and inspection by Customs under §163.2 or any other provision of this chapter shall be kept for 5 years from the date of entry, if the record relates to an entry, or 5 years from the date of the activity which required creation of the record.

(b) *Exceptions.* (1) Any record relating to a drawback claim shall be kept until the third anniversary of the date of payment of the claim.

(2) Packing lists shall be retained for a period of 60 calendar days from the end of the release or conditional release period, whichever is later, or, if a demand for return to Customs custody has been issued, for a period of 60 calendar days either from the date the goods are redelivered or from the date specified in the demand as the latest redelivery date if redelivery has not taken place.

(3) A consignee who is not the owner or purchaser and who appoints a customs broker shall keep a record pertaining to merchandise covered by an informal entry for 2 years from the date of the informal entry.

(4) Records pertaining to articles that are admitted free of duty and tax pursuant to 19 U.S.C. 1321(a)(2) and §§10.151 through 10.153 of this chapter, and carriers' records pertaining to manifested cargo that is exempt from

entry under the provisions of this chapter, shall be kept for 2 years from the date of the entry or other activity which required creation of the record.

(5) If another provision of this chapter sets forth a retention period for a specific type of record that differs from the period that would apply under this section, that other provision controls.

§ 163.5 Methods for storage of records.

(a) *Original records.* All persons listed in § 163.2 shall maintain all records required by law and regulation for the required retention periods and as original records, whether paper or electronic, unless alternative storage methods have been adopted in accordance with paragraph (b) of this section. The records, whether in their original format or under an alternative storage method, must be capable of being retrieved upon lawful request or demand by Customs.

(b) *Alternative method of storage—(1) General.* Any of the persons listed in § 163.2 may maintain any records, other than records required to be maintained as original records under laws and regulations administered by other Federal government agencies, in an alternative format, provided that the person gives advance written notification of such alternative storage method to the Director, Regulatory Audit Division, U.S. Customs Service, 909 S.E. First Avenue, Miami, Florida 33131, and provided further that the Director of the Miami regulatory audit field office does not instruct the person in writing as provided herein that certain described records may not be maintained in an alternative format. The written notice to the Director of the Miami regulatory audit field office must be provided at least 30 calendar days before implementation of the alternative storage method, must identify the type of alternative storage method to be used, and must state that the alternative storage method complies with the standards set forth in paragraph (b)(2) of this section. If an alternative storage method covers records that pertain to goods under Customs seizure or detention or that relate to a matter that is currently the subject of an inquiry or investigation or administrative or court proceeding, the appro-

priate Customs office may instruct the person in writing that those records must be maintained as original records and therefore may not be converted to an alternative format until specific written authorization is received from that Customs office. A written instruction to a person under this paragraph may be issued during the 30-day advance notice period prescribed in this section or at any time thereafter, must describe the records in question with reasonable specificity but need not identify the underlying basis for the instruction, and shall not preclude application of the planned alternative storage method to other records not described therein.

(2) *Standards for alternative storage methods.* Methods commonly used in standard business practice for storage of records include, but are not limited to, machine readable data, CD ROM, and microfiche. Methods that are in compliance with generally accepted business standards will generally satisfy Customs requirements, provided that the method used allows for retrieval of records requested within a reasonable time after the request and provided that adequate provisions exist to prevent alteration, destruction, or deterioration of the records. The following standards must be applied by recordkeepers when using alternative storage methods:

(i) Operational and written procedures are in place to ensure that the imaging and/or other media storage process preserves the integrity, readability, and security of the information contained in the original records. The procedures must include a standardized retrieval process for such records. Vendor specifications/documentation and benchmark data must be available for Customs review;

(ii) There is an effective labeling, naming, filing, and indexing system;

(iii) Except in the case of packing lists (see § 163.4(b)(2)), entry records must be maintained in their original formats for a period of 120 calendar days from the end of the release or conditional release period, whichever is later, or, if a demand for return to Customs custody has been issued, for a period of 120 calendar days either from the date the goods are redelivered or

from the date specified in the demand as the latest redelivery date if redelivery has not taken place;

(iv) An internal testing of the system must be performed on a yearly basis;

(v) The recordkeeper must have the capability to make, and must bear the cost of, hard-copy reproductions of alternatively stored records that are required by Customs for audit, inquiry, investigation, or inspection of such records; and

(vi) The recordkeeper shall retain and keep available one working copy and one back-up copy of the records stored in a secure location for the required periods as provided in § 163.4.

(3) *Changes to alternative storage procedures.* No changes to alternative recordkeeping procedures may be made without first notifying the Director of the Miami regulatory audit field office. The notification must be in writing and must be provided to the director at least 30 calendar days before implementation of the change.

(4) *Penalties.* All persons listed in § 163.2 who use alternative storage methods for records and who fail to maintain or produce the records in accordance with this part shall be subject to penalties pursuant to § 163.6 for entry records or sanctions pursuant to §§ 163.9 and 163.10 for other records.

(5) *Failure to comply with alternative storage requirements.* If a person listed in § 163.2 uses an alternative storage method for records that is not in compliance with the conditions and requirements of this section, the appropriate Customs office may instruct the person in writing to discontinue use of the alternative storage method. The instruction shall take effect upon receipt thereof and shall remain in effect until the noncompliance has been rectified and alternative storage has recommenced in accordance with the procedures set forth in paragraph (b)(1) of this section.

§ 163.6 Production and examination of entry and other records and witnesses; penalties.

(a) *Production of entry records.* Pursuant to written, oral, or electronic notice, any Customs officer may require the production of entry records by any person listed in § 163.2(a) who is re-

quired under this part to maintain such records, even if the entry records were required at the time of entry. Any oral demand for entry records shall be followed by a written or electronic demand. The entry records shall be produced within 30 calendar days of receipt of the demand or within any shorter period as Customs may prescribe when the entry records are required in connection with a determination regarding the admissibility or release of merchandise. Should any person from whom Customs has demanded entry records encounter a problem in timely complying with the demand, such person may submit a written or electronic request to Customs for approval of a specific additional period of time in which to produce the records; the request must be received by Customs before the applicable due date for production of the records and must include an explanation of the circumstances giving rise to the request. Customs will promptly advise the requesting person electronically or in writing either that the request is denied or that the requested additional time period, or such shorter period as Customs may deem appropriate, is approved. The mere fact that a request for additional time to produce demanded entry records was submitted under this section shall not by itself preclude the imposition of a monetary penalty or other sanction under this part for failure to timely produce the records, but no such penalty or other sanction will be imposed if the request is approved and the records are produced before expiration of that additional period of time.

(b) *Failure to produce entry records—(1) Monetary penalties applicable.* The following penalties may be imposed if a person fails to comply with a lawful demand for the production of an entry record and is not excused from a penalty pursuant to paragraph (b)(3) of this section:

(i) If the failure to comply is a result of the willful failure of the person to maintain, store, or retrieve the demanded record, such person shall be subject to a penalty, for each release of merchandise, not to exceed \$100,000, or an amount equal to 75 percent of the

appraised value of the merchandise, whichever amount is less; or

(ii) If the failure to comply is a result of negligence of the person in maintaining, storing, or retrieving the demanded record, such person shall be subject to a penalty, for each release of merchandise, not to exceed \$10,000, or an amount equal to 40 percent of the appraised value of the merchandise, whichever amount is less.

(2) *Additional actions*—(i) *General*. In addition to any penalty imposed under paragraph (b)(1) of this section, and except as otherwise provided in paragraph (b)(2)(ii) of this section, if the demanded entry record relates to the eligibility of merchandise for a column 1 special rate of duty in the Harmonized Tariff Schedule of the United States (HTSUS), the entry of such merchandise:

(A) If unliquidated, shall be liquidated at the applicable HTSUS column 1 general rate of duty; or

(B) If liquidated within the 2-year period preceding the date of the demand, shall be reliquidated, notwithstanding the time limitation in 19 U.S.C. 1514 or 1520, at the applicable HTSUS column 1 general rate of duty.

(ii) *Exception*. Any liquidation or reliquidation under paragraph (b)(2)(i)(A) or (b)(2)(i)(B) of this section shall be at the applicable HTSUS column 2 rate of duty if Customs demonstrates that the merchandise should be dutiable at such rate.

(3) *Avoidance of penalties*. No penalty may be assessed under paragraph (b)(1) of this section if the person who fails to comply with a lawful demand for entry records can show:

(i) That the loss of the demanded record was the result of an act of God or other natural casualty or disaster beyond the fault of such person or an agent of the person;

(ii) On the basis of other evidence satisfactory to Customs, that the demand was substantially complied with;

(iii) That the record demanded was presented to and retained by Customs at the time of entry or submitted in response to an earlier demand; or

(iv) That he has been certified as a participant in the Recordkeeping Compliance Program (see §163.12), that he is generally in compliance with the ap-

propriate procedures and requirements of that program, and that the violation in question is his first violation and was a non-willful violation.

(4) *Penalties not exclusive*. Any penalty imposed under paragraph (b)(1) of this section shall be in addition to any other penalty provided by law except for:

(i) A penalty imposed under 19 U.S.C. 1592 for a material omission of any information contained in the demanded record; or

(ii) Disciplinary action taken under 19 U.S.C. 1641.

(5) *Remission or mitigation of penalties*. A penalty imposed under this section may be remitted or mitigated under 19 U.S.C. 1618.

(6) *Customs summons*. The assessment of a penalty under this section shall not limit or preclude the issuance or enforcement of a summons under this part.

(c) *Examination of entry and other records*—(1) *Reasons for examination*. Customs may initiate an investigation or compliance assessment, audit or other inquiry for the purpose of:

(i) Ascertaining the correctness of any entry, determining the liability of any person for duties, taxes and fees due or duties, taxes and fees which may be due, or determining the liability of any person for fines, penalties and forfeitures; or

(ii) Ensuring compliance with the laws and regulations administered or enforced by Customs.

(2) *Availability of records*. During the course of any investigation or compliance assessment, audit or other inquiry, any Customs officer, during normal business hours, and to the extent possible at a time mutually convenient to the parties, may examine, or cause to be examined, any relevant entry or other records by providing the person responsible for such records with reasonable written, oral or electronic notice that describes the records with reasonable specificity. The examination of entry records shall be subject to the notice and production procedures set forth in paragraph (a) of this section, and a failure to produce entry records may result in the imposition of penalties or the taking of other action

§ 163.7

19 CFR Ch. I (4-1-03 Edition)

as provided in paragraph (b) of this section.

(3) *Examination notice not exclusive.* In addition to, or in lieu of, issuance of an examination notice under paragraph (c)(2) of this section, Customs may issue a summons pursuant to §163.7, and seek its enforcement pursuant to §§163.9 and 163.10, to compel the production of any records required to be maintained and produced under this chapter.

[T.D. 98-56, 63 FR 32946, June 16, 1998; 63 FR 34808, June 26, 1998]

§ 163.7 Summons.

(a) *Who may be served.* During the course of any investigation or compliance assessment, audit or other inquiry initiated for the reasons set forth in §163.6(c), the Commissioner of Customs or his designee, but no designee of the Commissioner below the rank of port director, field director of regulatory audit or special agent in charge, may issue a summons requiring a person within a reasonable period of time to appear before the appropriate Customs officer and to produce records or give relevant testimony under oath or both. Such a summons may be issued to any person who:

(1) Imported, or knowingly caused to be imported, merchandise into the customs territory of the United States;

(2) Exported merchandise, or knowingly caused merchandise to be exported, to a NAFTA country as defined in 19 U.S.C. 3301(4) (see also part 181 of this chapter) or to Canada during such time as the United States-Canada Free Trade Agreement is in force with respect to, and the United States applies that Agreement to, Canada;

(3) Transported or stored merchandise that was or is carried or held under customs bond, or knowingly caused such transportation or storage;

(4) Filed a declaration, entry, or drawback claim with Customs;

(5) Is an officer, employee, or agent of any person described in paragraph (a)(1) through (a)(4) of this section;

(6) Has possession, custody or care of records relating to an importation or other activity described in paragraph (a)(1) through (a)(4) of this section; or

(7) Customs may deem proper.

(b) *Contents of summons*—(1) *Appearance of person.* Any summons issued under this section to compel the appearance of a person shall state:

(i) The name, title, and telephone number of the Customs officer before whom the appearance shall take place;

(ii) The address within the customs territory of the United States where the person shall appear, not to exceed 100 miles from the place where the summons was served;

(iii) The time of appearance; and

(iv) The name, address, and telephone number of the Customs officer issuing the summons.

(2) *Production of records.* If a summons issued under this section requires the production of records, the summons shall set forth the information specified in paragraph (b)(1) of this section and shall also describe the records in question with reasonable specificity.

(c) *Service of summons*—(1) *Who may serve.* Any Customs officer is authorized to serve a summons issued under this section if designated in the summons to serve it.

(2) *Method of service*—(i) *Natural person.* Service upon a natural person shall be made by personal delivery.

(ii) *Corporation, partnership, association.* Service shall be made upon a domestic or foreign corporation, or upon a partnership or other unincorporated association which is subject to suit under a common name, by delivery to an officer, managing or general agent, or any other agent authorized by appointment or law to receive service of process.

(3) *Certificate of service.* On the hearing of an application for the enforcement of a summons, the certificate of service signed by the person serving the summons is prima facie evidence of the facts it states.

(d) *Transcript of testimony under oath.* Testimony of any person taken pursuant to a summons may be taken under oath and when so taken shall be transcribed or otherwise recorded. When testimony is transcribed or otherwise recorded, a copy shall be made available on request to the witness unless for good cause shown the issuing officer determines under 5 U.S.C. 555 that a copy should not be provided. In that event, the witness shall be limited to

inspection of the official transcript of the testimony. The testimony or transcript may be in the form of a written statement under oath provided by the person examined at the request of the Customs officer.

§ 163.8 Third-party recordkeeper summons.

(a) *Notice required.* Except as otherwise provided in paragraph (f) of this section, if a summons issued under § 163.7 to a third-party recordkeeper requires the production of, or the giving of testimony relating to, records pertaining to transactions of any person, other than the person summoned, who is identified in the description of the records contained in the summons, then notice of the summons shall be provided to the person so identified in the summons.

(b) *Time of notice.* The notice of service of summons required by paragraph (a) of this section should be provided by the issuing officer immediately after service of summons is obtained under § 163.7(c), but in no event shall notice be given less than 10 business days before the date set in the summons for the production of records or the giving of testimony.

(c) *Contents of notice.* The issuing officer shall ensure that any notice issued under this section includes a copy of the summons and provides the following information:

(1) That compliance with the summons may be stayed if written direction not to comply with the summons is given by the person receiving notice to the person summoned;

(2) That a copy of any such direction to not comply and a copy of the summons shall be sent by registered or certified mail to the person summoned and to the Customs officer who issued the summons; and

(3) That the actions under paragraphs (c)(1) and (c)(2) of this section shall be accomplished not later than the day before the day fixed in the summons as the day upon which the records are to be examined or the testimony is to be given.

(d) *Service of notice.* The Customs officer who issues the summons shall serve the notice required by paragraph (a) of this section in the same manner as is

prescribed in § 163.7(c)(2) for the service of a summons, or by certified or registered mail to the last known address of the person entitled to notice.

(e) *Examination of records precluded.* If notice is required by this section, no record may be examined before the date fixed in the summons as the date to produce the records. If the person entitled to notice under paragraph (a) of this section issues a stay of compliance with the summons in accordance with paragraph (c) of this section, no examination of records shall take place except with the consent of the person staying compliance or pursuant to an order issued by a U.S. district court.

(f) *Exceptions to notice and stay of summons provisions—(1) Personal liability for duties, fees, or taxes.* The notice provisions of paragraph (a) of this section shall not apply to any summons served on the person, or on any officer or employee of the person, with respect to whose liability for duties, fees, or taxes the summons is issued.

(2) *Verification of existence of records.* The notice provisions of paragraph (a) of this section shall not apply to any summons issued to determine whether or not records of transactions of an identified person have been made or kept.

(3) *Judicial determination.* The notice provisions of paragraph (a) of this section and the stay of compliance provisions of paragraph (c) of this section shall not apply with respect to a summons described in paragraph (a) of this section if a U.S. district court determines, upon petition by the issuing Customs officer, that reasonable cause exists to believe that the giving of notice may lead to an attempt:

(i) To conceal, destroy, or alter relevant records;

(ii) To prevent the communication of information from other persons through intimidation, bribery, or collusion; or

(iii) To flee to avoid prosecution, testifying, or production of records.

§ 163.9 Enforcement of summons.

Whenever a person does not comply with a Customs summons, the issuing officer may request the appropriate U.S. attorney to seek an order requiring compliance from the U.S. district

court for the district in which the person is found or resides or is doing business. A person who is entitled to notice under § 163.8(a) shall have a right to intervene in any such enforcement proceeding.

§ 163.10 Failure to comply with court order; penalties.

(a) *Monetary penalties.* The U.S. district court for any judicial district in which a person served with a Customs summons is found or resides or is doing business may order such person to comply with the summons. Upon the failure of a person to obey a court order to comply with a Customs summons, the court may find such person in contempt and may assess a monetary penalty.

(b) *Importations prohibited.* If a person fails to comply with a court order to comply with a Customs summons and is adjudged guilty of contempt, the Commissioner of Customs, with the approval of the Secretary of the Treasury, for so long as that person remains in contempt:

(1) May prohibit importation of merchandise by that person, directly or indirectly, or for that person's account; and

(2) May withhold delivery of merchandise imported by that person, directly or indirectly, or for that person's account.

(c) *Sale of merchandise.* If any person remains in contempt for more than 1 year after the Commissioner issues instructions to withhold delivery under paragraph (b)(2) of this section, the merchandise shall be considered abandoned and shall be sold at public auction or otherwise disposed of in accordance with subpart E of part 162 of this chapter.

§ 163.11 Compliance assessment and other audit procedures.

(a) *Conduct of a Customs compliance assessment or other audit.* In conducting a compliance assessment or other audit, the Customs auditors, except as otherwise provided in paragraph (c) of this section, shall:

(1) Provide notice, telephonically and in writing, to the person who is to be the subject of the compliance assessment or other audit, in advance of the

compliance assessment or other audit and with a reasonable estimate of the time to be required for the compliance assessment or other audit;

(2) Inform the person who is to be the subject of the compliance assessment or other audit, in writing and before commencing the compliance assessment or other audit, of his right to an entry conference at which time the objectives and records requirements of the compliance assessment or other audit will be explained and the estimated termination date will be set;

(3) Provide a further estimate of any additional time for the compliance assessment or other audit if, in the course of the compliance assessment or other audit, it becomes apparent that additional time will be required;

(4) Schedule a closing conference upon completion of the compliance assessment or other audit on-site work to explain the preliminary results of the compliance assessment or other audit;

(5) Complete a formal written compliance assessment or other audit report within 90 calendar days following the closing conference referred to in paragraph (a)(4) of this section, unless the Director, Regulatory Audit Division, at Customs Headquarters provides written notice to the person who was the subject of the compliance assessment or other audit of the reason for any delay and the anticipated completion date; and

(6) After application of any exemption contained in 5 U.S.C. 552, send a copy of the formal written compliance assessment or other audit report to the person who was the subject of the compliance assessment or other audit within 30 calendar days following completion of the report.

(b) *Petition procedures for failure to conduct closing conference.* Except as otherwise provided in paragraph (c) of this section, if the estimated or actual termination date for a compliance assessment or other audit passes without a Customs auditor providing a closing conference to explain the results of the compliance assessment or other audit, the person who was the subject of the compliance assessment or other audit may petition in writing for such a conference to the Director, Regulatory Audit Division, U.S. Customs Service,

Washington, DC 20229. Upon receipt of such a request, the Director shall provide for such a conference to be held within 15 calendar days after the date of receipt.

(c) *Exception to procedures.* Paragraphs (a)(5), (a)(6) and (b) of this section shall not apply after Customs commences a formal investigation with respect to the issue involved.

§ 163.12 Recordkeeping Compliance Program.

(a) *General.* The Recordkeeping Compliance Program is a voluntary Customs program under which certified recordkeepers may be eligible for alternatives to penalties (see paragraph (d) of this section) that might be assessed under § 163.6 for failure to produce a demanded entry record. However, even where a certified recordkeeper is eligible for an alternative to a penalty, participation in the Recordkeeping Compliance Program has no limiting effect on the authority of Customs to use a summons, court order or other legal process to compel the production of records by that certified recordkeeper.

(b) *Certification procedures—(1) Who may apply.* Any person described in § 163.2(a) who is required to maintain and produce entry records under this part may apply to participate in the Recordkeeping Compliance Program.

(2) *Where to apply.* An application for certification to participate in the Recordkeeping Compliance Program shall be submitted to the Director, Regulatory Audit Division, U.S. Customs Service, 909 S.E. First Avenue, Miami, Florida 33131. The application shall be submitted in accordance with the guidelines contained in the Customs Recordkeeping Compliance Handbook which may be obtained by downloading it from the Customs Electronic Bulletin Board (703-921-6155) or by writing to the Recordkeeping Compliance Program, Regulatory Audit Division, Office of Strategic Trade, U.S. Customs Service, 909 S.E. First Avenue, Suite 710, Miami, Florida 33131.

(3) *Certification requirements.* A recordkeeper may be certified as a participant in the Recordkeeping Compliance Program after meeting the general recordkeeping requirements established under this section or after negotiating

an alternative program suited to the needs of the recordkeeper and Customs. To be certified, a recordkeeper must be in compliance with Customs laws and regulations. Customs will take into account the size and nature of the importing business and the volume of imports and Customs workload constraints prior to granting certification. In order to be certified, a recordkeeper must meet the applicable requirements set forth in the Customs Recordkeeping Compliance Handbook and must be able to demonstrate that it:

(i) Understands the legal requirements for recordkeeping, including the nature of the records required to be maintained and produced and the time periods relating thereto;

(ii) Has in place procedures to explain the recordkeeping requirements to those employees who are involved in the preparation, maintenance and production of required records;

(iii) Has in place procedures regarding the preparation and maintenance of required records, and the production of such records to Customs;

(iv) Has designated a dependable individual or individuals to be responsible for recordkeeping compliance under the program and whose duties include maintaining familiarity with the recordkeeping requirements of Customs;

(v) Has a record maintenance procedure acceptable to Customs for original records or has an alternative records maintenance procedure adopted in accordance with § 163.5(b); and

(vi) Has procedures for notifying Customs of any occurrence of a variance from, or violation of, the requirements of the Recordkeeping Compliance Program or negotiated alternative program, as well as procedures for taking corrective action when notified by Customs of violations or problems regarding such program. For purposes of this paragraph, the term "variance" means a deviation from the Recordkeeping Compliance Program that does not involve a failure to maintain or produce records or a failure to meet the requirements set forth in this section. For purposes of this paragraph, the term "violation" means a deviation from the Recordkeeping Compliance Program that involves a failure to

§ 163.13

19 CFR Ch. I (4–1–03 Edition)

maintain or produce records or a failure to meet the requirements set forth in this section.

(c) *Application review and approval and certification process*—(1) *Review of applications.* The Miami regulatory audit field office will process the application and will coordinate and consult, as may be necessary, with the appropriate Customs Headquarters and field officials. The Miami regulatory audit field office will review and verify the information contained in the application and may initiate an on-site verification prior to approval and certification. If an on-site visit is warranted, the Miami regulatory audit field office shall inform the applicant. If additional information is necessary to process the application, the applicant shall be notified. Customs requests for information not submitted with the application or for additional explanation of details will cause a delay in the application approval and certification of applicants and may result in the suspension of the application approval and certification process until the requested information is received by Customs.

(2) *Approval and certification.* If, upon review, Customs determines that the application should be approved and that certification should be granted, the Director of the Miami regulatory audit field office shall issue the certification with all the applicable conditions stated therein.

(d) *Alternatives to penalties*—(1) *General.* If a certified participant in the Recordkeeping Compliance Program does not produce a demanded entry record for a specific release or provide the information contained in the demanded entry record by acceptable alternate means, Customs shall, in lieu of a monetary penalty provided for in § 163.6(b), issue a written notice of violation to the person as described in paragraph (d)(2) of this section, provided that the certified participant is generally in compliance with the procedures and requirements of the program and provided that the violation was not a willful violation and was not a repeat violation. A willful failure to produce demanded entry records or repeated failures to produce demanded entry records may result in the

issuance of penalties under § 163.6(b) and removal of certification under the program (see § 163.13) until corrective action satisfactory to Customs is taken.

(2) *Contents of notice.* A notice of violation issued to a participant in the Recordkeeping Compliance Program for failure to produce a demanded entry record or information contained therein shall:

(i) State that the recordkeeper has violated the recordkeeping requirements;

(ii) Identify the record or information which was demanded and not produced;

(iii) Warn the recordkeeper that future failures to produce demanded entry records or information contained therein may result in the imposition of monetary penalties and could result in the removal of the recordkeeper from the Recordkeeping Compliance Program.

(3) *Response to notice.* Within a reasonable time after receiving written notice under paragraph (d)(1) of this section, the recordkeeper shall notify Customs of the steps it has taken to prevent a recurrence of the violation.

§ 163.13 Denial and removal of program certification; appeal procedures.

(a) *General.* Customs may take, and applicants and participants may appeal and obtain administrative review of, the following decisions regarding the Recordkeeping Compliance Program provided for in § 163.12:

(1) Denial of certification for program participation in accordance with paragraph (b) of this section; and

(2) Removal of certification for program participation in accordance with paragraph (c) of this section.

(b) *Denial of certification for program participation*—(1) *Grounds for denial.* Customs may deny an application for certification for participation in the Recordkeeping Compliance Program for any of the following reasons:

(i) The applicant fails to meet the requirements set forth in § 163.12(b)(3);

(ii) A circumstance involving the applicant arises that would justify initiation of a certification removal action under paragraph (c) of this section; or

(iii) In the judgment of Customs, the applicant appears not to be in compliance with Customs laws and regulations.

(2) *Denial procedure.* If the Director of the Miami regulatory audit field office determines that an application submitted under §163.12 should not be approved and that certification for participation in the Recordkeeping Compliance Program should not be granted, the Director shall issue a written notice of denial to the applicant. The notice of denial shall set forth the reasons for the denial and shall advise the applicant of its right to file an appeal of the denial in accordance with paragraph (d) of this section.

(c) *Certification removal—(1) Grounds for removal.* The certification for participation in the Recordkeeping Compliance Program by a certified recordkeeper may be removed when any of the following conditions are discovered:

(i) The certification privilege was obtained through fraud or mistake of fact;

(ii) The program participant no longer has a valid bond;

(iii) The program participant fails on a recurring basis to provide entry records when demanded by Customs;

(iv) The program participant willfully refuses to produce a demanded or requested record;

(v) The program participant is no longer in compliance with the Customs laws and regulations, including the requirements set forth in §163.12(b)(3); or

(vi) The program participant is convicted of any felony or has committed acts which would constitute a misdemeanor or felony involving theft, smuggling, or any theft-connected crime.

(2) *Removal procedure.* If Customs determines that the certification of a program participant should be removed, the Director of the Miami regulatory audit field office shall serve the program participant with written notice of the removal. Such notice shall inform the program participant of the grounds for the removal and shall advise the program participant of its right to file an appeal of the removal in accordance with paragraph (d) of this section.

(3) *Effect of removal.* The removal of certification shall be effective immediately in cases of willfulness on the part of the program participant or when required by public health, interest, or safety. In all other cases, the removal of certification shall be effective when the program participant has received notice under paragraph (c)(2) of this section and either no appeal has been filed within the time limit prescribed in paragraph (d)(2) of this section or all appeal procedures thereunder have been concluded by a decision that upholds the removal action. Removal of certification may subject the affected person to penalties.

(d) *Appeal of certification denial or removal—(1) Appeal of certification denial.* A person may challenge a denial of an application for certification for participation in the Recordkeeping Compliance Program by filing a written appeal with the Director, Regulatory Audit Division, U.S. Customs Service, Washington, DC 20229. The appeal must be received by the Director, Regulatory Audit Division, within 30 calendar days after issuance of the notice of denial. The Director, Regulatory Audit Division, will review the appeal and will respond with a written decision within 30 calendar days after receipt of the appeal unless circumstances require a delay in issuance of the decision. If the decision cannot be issued within the 30-day period, the Director, Regulatory Audit Division, will advise the appellant of the reasons for the delay and of any further actions which will be carried out to complete the appeal review and of the anticipated date for issuance of the appeal decision.

(2) *Appeal of certification removal.* A certified recordkeeper who has received a Customs notice of removal of certification for participation in the Recordkeeping Compliance Program may challenge the removal by filing a written appeal with the Director, Regulatory Audit Division, U.S. Customs Service, Washington, DC 20229. The appeal must be received by the Director, Regulatory Audit Division, within 30 calendar days after issuance of the notice of removal. The Director, Regulatory Audit Division, shall consider the allegations upon which the removal

was based and the responses made thereto by the appellant and shall render a written decision on the appeal within 30 calendar days after receipt of the appeal.

APPENDIX TO PART 163—INTERIM
(a)(1)(A) LIST

*List of Records Required for the Entry of
Merchandise*

General Information

(1) Section 508 of the Tariff Act of 1930, as amended (19 U.S.C. 1508), sets forth the general recordkeeping requirements for Customs-related activities. Section 509 of the Tariff Act of 1930, as amended (19 U.S.C. 1509) sets forth the procedures for the production and examination of those records (which includes, but is not limited to, any statement, declaration, document, or electronically generated or machine readable data).

(2) Section 509(a)(1)(A) of the Tariff Act of 1930, as amended by title VI of Public Law 103-182, commonly referred to as the Customs Modernization Act (19 U.S.C. 1509(a)(1)(A)), requires the production, within a reasonable time after demand by the Customs Service is made (taking into consideration the number, type and age of the item demanded) if “such record is required by law or regulation for the entry of the merchandise (whether or not the Customs Service required its presentation at the time of entry).” Section 509(e) of the Tariff Act of 1930, as amended by Public Law 103-182 (19 U.S.C. 1509(e)) requires the Customs Service to identify and publish a list of the records and entry information that is required to be maintained and produced under subsection (a)(1)(A) of section 509 (19 U.S.C. 1509(a)(1)(A)). This list is commonly referred to as “the (a)(1)(A) list.”

(3) The Customs Service has tried to identify all the presently required entry information or records on the following list. However, as automated programs and new procedures are introduced, these may change. In addition, errors and omissions to the list may be discovered upon further review by Customs officials or the trade. Pursuant to section 509(g), the failure to produce listed records or information upon reasonable demand may result in penalty action or liquidation or reliquidation at a higher rate than entered. A recordkeeping penalty may not be assessed if the listed information or records are transmitted to and retained by Customs.

(4) *Other recordkeeping requirements:* The importing community and Customs officials are reminded that the (a)(1)(A) list only pertains to records or information required for

the entry of merchandise. An owner, importer, consignee, importer of record, entry filer, or other party who imports merchandise, files a drawback claim or transports or stores bonded merchandise, any agent of the foregoing, or any person whose activities require them to file a declaration or entry, is also required to make, keep and render for examination and inspection records (including, but not limited to, statements, declarations, documents and electronically generated or machine readable data) which pertain to any such activity or the information contained in the records required by the Tariff Act in connection with any such activity, and are normally kept in the ordinary course of business. While these records are not subject to administrative penalties, they are subject to examination and/or summons by Customs officers. Failure to comply could result in the imposition of significant judicially imposed penalties and denial of import privileges.

(5) The following list does not replace entry requirements, but is merely provided for information and reference. In the case of the list conflicting with regulatory or statutory requirements, the latter will govern.

*List of Records and Information Required for
the Entry of Merchandise*

The following records (which include, but are not limited to, any statement, declaration, document, or electronically generated or machine readable data) are required by law or regulation for the entry of merchandise and are required to be maintained and produced to Customs upon reasonable demand (whether or not Customs required their presentation at the time of entry). Information may be submitted to Customs at the time of entry in a Customs authorized electronic or paper format. Not every entry of merchandise requires all of the following information. Only those records or information applicable to the entry requirements for the merchandise in question will be required/mandatory. The list may be amended as Customs reviews its requirements and continues to implement the Customs Modernization Act. When a record or information is filed with and retained by Customs, the record is not subject to recordkeeping penalties, although the underlying backup or supporting information from which it is obtained may also be subject to the general record retention regulations and examination or summons pursuant to 19 U.S.C. 1508 and 1509. (All references, unless otherwise indicated, are to the current edition of title 19, Code of Federal Regulations, as amended by subsequent Federal Register documents.)
