

IN WITNESS WHEREOF, I have hereunto set my hand this twenty-seventh day of November, in the year of our Lord two thousand two, and of the Independence of the United States of America the two hundred and twenty-seventh.

GEORGE W. BUSH

Proclamation 7632 of December 3, 2002

**National Drunk and Drugged Driving Prevention Month,
2002**

*By the President of the United States of America
A Proclamation*

Drunk and drugged driving threatens the safety of millions of Americans. Reducing the incidence of impaired driving remains one of our Nation's greatest challenges. As we gather with family and friends to celebrate this holiday season, I urge all Americans to observe National Drunk and Drugged Driving Prevention Month by making responsible choices that will help keep our roads safer for all.

Drunk driving accidents take a life every 30 minutes and injure someone every 2 minutes. In the last 24 months, 41 percent of those killed in traffic accidents, which is almost 35,000 Americans, have been killed in alcohol-related crashes. To better protect our citizens and decrease the number of drunk and drugged driving traffic accidents, we must work together to educate our communities about the seriousness of this offense and we must raise awareness of its devastating consequences.

My Administration supports efforts to save lives and prevent injuries resulting from impaired driving. The Department of Transportation's National Highway Traffic Safety Administration (NHTSA) works with local law enforcement agencies that conduct sobriety checkpoints and saturation patrols; and it also supports State efforts to pass legislation that increases punishment for those who drink and drive.

The NHTSA and its State and local partners are dedicated to eliminating impaired driving and stopping the associated injuries and fatalities. The NHTSA's national safety campaign—*You Drink & Drive. You Lose.*—aims to lower America's impaired driving fatality rate to less than 11,000 people per year by the year 2005. By providing its partner organizations with guidance on overcoming this national challenge, this important campaign is assisting local law enforcement agencies, community groups and organizations, public health professionals, and businesses to coordinate and address this vital issue.

As part of the *You Drink & Drive. You Lose.* campaign, law enforcement agencies across the Nation will be out in full force from December 20, 2002, to January 5, 2003, to stop drunk and drugged driving. During the holiday season, organizations and citizens throughout the country also will be working to prevent this deadly activity by encouraging citizens to choose sober, designated drivers, keep impaired family members and friends off our roads, report drivers who are under the influence, and edu-

cate young people about safe, alcohol- and drug-free driving behavior. Through cooperation and determination, every American can do something to make a difference and help stop impaired drivers before they harm others.

NOW, THEREFORE, I, GEORGE W. BUSH, President of the United States of America, by virtue of the authority vested in me by the Constitution and laws of the United States, do hereby proclaim December 2002 as National Drunk and Drugged Driving Prevention Month. I call upon State and community leaders to join the *You Drink & Drive. You Lose.* national mobilization between December 20, 2002, and January 5, 2003. I also urge all Americans to work to enhance the safety of our Nation's roadways and protect the well-being of our drivers, passengers, and pedestrians during this holiday season and every day of the year.

IN WITNESS WHEREOF, I have hereunto set my hand this third day of December, in the year of our Lord two thousand two, and of the Independence of the United States of America the two hundred and twenty-seventh.

Proclamation 7633 of December 6, 2002

National Pearl Harbor Remembrance Day, 2002

*By the President of the United States of America
A Proclamation*

Early on a quiet Sunday morning on December 7, 1941, aircraft of the Empire of Japan, without provocation or warning, attacked the United States forces at Pearl Harbor, Hawaii. More than 2,400 Americans died that day and another 1,100 were wounded, in what was the start of a long and terrible war against the forces of fascism, tyranny, and imperialism.

Out of that surprise attack grew a steadfast resolve to defend the freedoms on which our Nation was founded. From the ruins of Pearl Harbor, America built the strongest Navy in the world and emerged as a superpower to lead a coalition of allies to victory over evil in World War II. Our Soldiers, Sailors, Airmen, and Marines fought and won many crucial battles, defeating history's most powerful tyranny. Our Nation must always remember the heroism, dedication, and sacrifice of those who served. Their courage in battle continues to inspire us today as our Armed Forces fight against terrorism in Afghanistan and around the world.

The men and women who fought for America at Pearl Harbor not only protected our Nation, but also helped to shape its character. Nine Americans who fell had Navy ships named after them, and 15 men earned the Medal of Honor for bravery, with 10 of them awarded the Medal posthumously. As we remember the lost on what President Franklin Delano Roosevelt called "a date which will live in infamy," I encourage our veterans to share their experiences with our youth so that new generations can learn about this important moment in our history.

Today, we salute our veterans of Pearl Harbor and World War II, whose sacrifices saved democracy during a dark hour. In their memory, a new
