

Department of Veterans Affairs

§ 3.100

period of at least 1 year prior to the veteran's death.

(4) *Verification.* In the case of an adopted child of a living veteran, the requirements of paragraphs (e)(2)(ii), (iii) and (iv) of this section are for prospective application. That is, in addition to meeting all of the requirements of paragraph (e)(2) of this section at the time of initial adjudication, benefits are not payable thereafter for or to a child adopted under the laws of any jurisdiction other than a State unless the requirements of paragraphs (e)(2)(ii), (iii) and (iv) of this section continue to be met. Consequently, whenever Department of Veterans Affairs benefits are payable to or for a child adopted under the laws of any jurisdiction other than a State, and the veteran who adopted the child is living, the beneficiary shall submit, upon Department of Veterans Affairs request, a report, or other evidence, to determine if the requirements of paragraph (e)(2)(ii), (iii), and (iv) of this section were met for any period for which payment was made for or to the child and whether such requirements will continue to be met for future entitlement periods. Failure to submit the requested report or evidence within a reasonable time from date of request may result in termination of benefits payable for or to the child.

§ 3.59 Parent.

(a) The term *parent* means a natural mother or father (including the mother of an illegitimate child or the father of an illegitimate child if the usual family relationship existed), mother or father through adoption, or a person who for a period of not less than 1 year stood in the relationship of a parent to a veteran at any time before his or her entry into active service.

(b) Foster relationship must have begun prior to the veteran's 21st birthday. Not more than one father and one mother, as defined, will be recognized in any case. If two persons stood in the relationship of father or mother for 1 year or more, the person who last stood in such relationship before the veteran's last entry into active service will be recognized as the *parent*.
