§ 594.5 Establishment and payment of fees.

(a) The fees established by this part continue in effect until adjusted by the Administrator. The Administrator reviews the amount or rate of fees established under this part and, if appropriate, adjusts them by rule at least every 2 years.

(c) An applicant for status as Registered Importer shall submit an initial annual fee with the application. A Registered Importer shall pay an annual fee not later than October 31 of each year. The fee is that specified in § 594.6(i).

§ 594.6 Annual fee for administration of the registration program.

(a) Each person filing an application to be granted the status of a Registered Importer pursuant to part 592 of this chapter on or after October 1, 2002, must pay an annual fee of \$655, as calculated below, based upon the direct and indirect costs attributable to:

(1) Processing and acting upon such application;

(2) Any inspection deemed required for a determination upon such application;

(3) The estimated remaining activities of administering the registration program in the fiscal year in which such application is intended to become effective.

(b) That portion of the initial annual fee attributable to the processing of the application for applications filed on and after October 1, 2002, is \$395. The sum of \$395, representing this portion, shall not be refundable if the application is denied or withdrawn.

(c) If, in order to make a determination upon an application, NHTSA must make an inspection of the applicant's facilities, NHTSA notifies the applicant in writing after the conclusion of any such inspection, that a supplement to the initial annual fee in a stated amount is due upon receipt of such notice to recover the direct and indirect costs associated with such inspection and notification, and that no determination will be made upon the application until such sum is received. Such sum is not refundable if the application is denied or withdrawn.

(d) That portion of the initial annual fee attributable to the remaining activities of administering the registration program on and after October 1, 2002, is set forth in paragraph (i) of this

section. This portion shall be refundable if the application is denied, or withdrawn before final action upon it.

(e) Each Registered Importer who wishes to maintain the status of Registered Importer shall pay a regular annual fee based upon the direct and indirect costs of administering the registration program, including the suspension and reinstatement, and revocation of such registration.

(f) The elements of administering the registration program that are included in the regular annual fee are:

(1) Calculating, revising, and publishing the fees to apply in the next fiscal year, including such coordination as may be required with the U.S. Customs Service.

(2) Processing and reviewing the annual statement attesting to the fact that no material change has occurred in the Registered Importer's status since filing its original application.

(3) Processing the annual fee.

(4) Processing and reviewing any amendments to an annual statement received in the course of a fiscal year.

(5) Verifying through inspection or otherwise that a Registered Importer is complying with the requirements of Sec. 592.6(b)(3) of this chapter for recordkeeping.

(6) Verifying through inspection or otherwise that a Registered Importer is able technically and financially to carry out its responsibilities pursuant to 49 U.S.C. 30118 *et seq.*

(7) Invoking procedures for suspension of registration and its reinstatement, and for revocation of registration pursuant to Sec. 592.7 of this chapter.

(g) The direct costs included in establishing the annual fee for maintaining registered importer status are the estimated costs of professional and clerical staff time, computer and computer operator time, and postage, per Registered Importer. The direct costs included in establishing the annual fee for a specific Registered Importer are costs of transportation and *per diem* attributable to inspections conducted with respect to that Registered Importer in administering the registration program, which have not been included in a previous annual fee.

(h) The indirect costs included in establishing the annual fee for maintaining Registered Importer status are a pro rata allocation of the average salary and benefits of persons employed in processing annual statements, or changes thereto, in recommending continuation of Registered Importer status, and a pro rata allocation of the costs attributable to maintaining the office space, and the computer or word processor. This cost is \$14.85 per man-hour for the period beginning October 1, 2002.

(i) Based upon the elements, and indirect costs of paragraphs (f), (g), and (h) of this section, the component of the initial annual fee attributable to administration of the registration program, covering the period beginning October 1, 2002, is \$260. When added to the costs of registration of \$395, as set forth in paragraph (b) of this section, the costs per applicant to be recovered through the annual fee are \$655. The annual renewal registration fee for the period beginning October 1, 2002, is \$455.

§ 594.7 Fee for filing petition for a determination whether a vehicle is eligible for importation.

(a) Each manufacturer or registered importer who petitions NHTSA for a determination that—

(1) A nonconforming vehicle is substantially similar to a vehicle originally manufactured for importation into and sale in the United States and of the same model year as the model for which petition is made, and is capable of being readily modified to conform to all applicable Federal motor vehicle safety standards, or

(2) A nonconforming vehicle has safety features that comply with or are capable of being modified to comply with all applicable Federal motor vehicle safety standards,

shall pay a fee based upon the direct and indirect costs of processing and acting upon such petition.

(b) The direct costs attributable to processing a petition filed pursuant to paragraph (a) of this section include the average cost per professional staff-hour, computer and computer operator time, and postage. The direct costs also include those attributable to any inspection of a vehicle requested by a petitioner in substantiation of its petition.

(c) The indirect costs attributable to processing and acting upon a petition filed pursuant to paragraph (a) of this section include a pro rata allocation of the average salary and benefits of persons employed in processing the petitions and recommending decisions on them, and a pro rata allocation of the costs attributable to maintaining the office space, and the computer or word processor.

(d) The direct costs attributable to acting upon a petition filed pursuant to paragraph (a) of this section, also include the cost of publishing a notice in the FEDERAL REGISTER seeking public comment, the cost of publishing a second notice with the agency's determination, and a pro rata share of the cost of publishing an annual list of nonconforming vehicles determined to be eligible for importation.

(e) For petitions filed on and after October 1, 2002, the fee payable for seeking a determination under paragraph (a)(1) of this section is \$175. The fee payable for a petition seeking a determination under paragraph (a)(2) of this section is \$800. If the petitioner requests an inspection of a vehicle, the sum of \$550 shall be added to such fee. No portion of this fee is refundable if the petition is withdrawn or denied.

(f) In adopting a fee for the next fiscal year, the Administrator employs data based upon the cost of determinations and the amount of fees received for the 12-month period ending June 30 of the fiscal year preceding that fiscal year.

[54 FR 40107, Sept. 29, 1989, as amended at 55 FR 40667, Oct. 4, 1990; 56 FR 49429, Sept. 30, 1991; 58 FR 51023, Sept. 30, 1993; 61 FR 51045, Sept. 30, 1996; 65 FR 56500, Sept. 19, 2000; 67 FR 60599, Sept. 26, 2002]

§ 594.8 Fee for importing a vehicle pursuant to a determination by the Administrator.

(a) A fee as specified in paragraphs (b) and (c) of this section shall be paid by each importer of a vehicle covered by a determination made under part 593 of this chapter to cover the direct and indirect costs incurred by NHTSA in making such determinations.

(b) If a determination has been made pursuant to a petition, the fee for each vehicle is \$125. The direct and indirect costs that determine the fee are those set forth in §§ 594.7(b), (c), and (d).

(c) If a determination has been made on or after October 1, 2002, pursuant to the Administrator's initiative, the fee for each vehicle is \$125. The direct and indirect costs that determine the fee are those set forth in §§ 594.7(b), (c), and (d), and references to "petition" shall be understood as relating to NHTSA's documents that serve as a basis for initiating determinations on its own initiative.

[55 FR 40667, Oct. 4, 1990, as amended at 58 FR 51023, Sept. 30, 1993; 61 FR 51045, Sept. 30, 1996; 63 FR 45186, Aug. 25, 1998; 65 FR 56500, Sept. 19, 2000; 67 FR 60599, Sept. 26, 2002]

(b) The direct and indirect costs attributable to processing a bond are provided to NHTSA by the U.S. Customs Service.
