

cooperation with the Extension Service and the Cooperative State Research Service. The Director of each Regional Center shall be responsible for compliance with all appropriate provisions of title V and the regulations of this subpart. Regions as delineated for purposes under section 503(b)(2) will be coterminous with the regional delineation by the National Association of State Universities and Land Grant Colleges. Each Regional Center will be established by the regional association of State Agricultural Experiment Station Directors and the regional organization of Cooperative Extension Directors in the region to be served by the Regional Center. These associations and organizations will designate the location of the Regional Center.

(b) Although the Regional Center will administer the program, it is also expected that it will draw on expertise from outside the Regional Center. The Director of each Regional Center shall seek advice and assistance from regional and subregional committees, groups or persons who can contribute to the Regional Center's program.

§ 23.11 Board of Directors.

(a) For each Regional Center there shall be a Board of Directors selected by the Regional Association of Agricultural Experiment Station Directors and the Regional Organization of Cooperative State Extension Directors. Membership on the Board of Directors shall include representatives from State Cooperative Extension Services and State Agricultural Experiment Stations from the States in the region and/or other State administrators of programs carried out under title V in the region.

(b) The Director of each Regional Center will be responsible to the Board of Directors for the Regional Program conducted at that Regional Center. The Regional Annual Plan of Work will be developed by the Director and reviewed and approved by the Board of Directors.

§ 23.12 Availability of funds.

Available funds will be allocated equally and following approval of a Regional Annual Plan of Work paid to the Directors of the four Regional Centers.

Funds will be available for Regional Programs for expenditures authorized by section 503(c) of title V, in the fiscal year for which the funds were appropriated and the next fiscal year.

§ 23.13 Plan of Work.

(a) A Regional Plan of Work for carrying out the programs authorized to be funded under section 503(b)(2) of title V shall be prepared. The Plan of Work should include:

(1) A brief narrative statement including identification of high priority knowledge, skill, and organization needs for rural development program and policy purposes in the region and identification of technical consultation, training, and personnel needs of research and extension workers in support of rural development programs.

(2) A statement indicating:

(i) The types of personnel to be trained, technical consultation to be conducted, the estimated number of participants, the location or locations where the program will be conducted, and the staff who will conduct the work;

(ii) The types of topical areas of rural development for which the synthesis of available research knowledge for rural development purposes is planned;

(iii) The type of high priority rural development research which will be undertaken as funds permit and the staff which would do the research;

(iv) The type of evaluation studies which will be made and the staff which will do the evaluation; and

(v) The relationship of the Plan of Work to priorities activated under subpart A of this part, which in turn support State development strategies.

(3) A concise statement of the organization structure for planning and conducting the program funded under section 503(b)(2).

(4) A plan for evaluating the usefulness of the program and the effectiveness of the organizational structure.

(5) Provision for making an annual progress report to the Assistant Secretary for Conservation, Research and Education which will document achievements pertaining to the goals and objectives as stated in the Plan of Work.
