a school, shall be in accordance with part 245 of this chapter or, if for a child care institution, shall be in accordance with §215.13a of this part.

(c) The application shall include information in sufficient detail to enable the State agency, or FNSRO where applicable, to determine whether the School Food Authority or child-care institution is eligible to participate in the Program and extent of the need for Program payments.

(d) Each school food authority or child care institution approved to participate in the program shall enter into a written agreement with the State agency or FNSRO, as applicable, that may be amended as necessary. Nothing in the preceding sentence shall be construed to limit the ability of the State agency to suspend or terminate the agreement in accordance with §215.15. If a single State agency administers any combination of the Child Nutrition Programs, that State agency shall provide each SFA with a single agreement with respect to the operation of those programs. Such agreement shall provide that the School Food Authority or child-care institution shall, with respect to participating schools and child-care institutions under its jurisdiction:

(1) Operate a nonprofit milk service. However, school food authorities may use facilities, equipment, and personnel supported with funds provided to a school food authority under this part to support a nonprofit nutrition program for the elderly, including a program funded under the Older Americans Act of 1965 (42 U.S.C. 3001 *et seq.*).

(2) If electing to provide free milk (i) serve milk free to all eligible children, at times that milk is made available to nonneedy children under the Program; and (ii) make no discrimination against any needy child because of his inability to pay for the milk.

(3) Comply with the requirements of the Department's regulations respecting nondiscrimination (7 CFR part 15);

(4) Claim reimbursement only for milk as defined in this part and in accordance with the provisions of §215.8 and §215.10;

(5) Submit Claims for Reimbursement in accordance with §215.10 of this part and procedures established by the

State agency or FNSRO where applicable;

(6) Maintain a financial management system as prescribed by the State agency, or FNSRO where applicable;

(7) Upon request, make all records pertaining to its milk program available to the State agency and to FNS or OA for audit and administrative review, at any reasonable time and place. Such records shall be retained for a period of three years after the end of the fiscal year to which they pertain, except that, if audit findings have not been resolved, the records shall be retained beyond the three-year period as long as required for the resolution of the issues raised by the audit;

(8) Retain the individual applications for free milk submitted by families for a period of three years after the end of the fiscal year to which they pertain, except that, if audit findings have not been resolved, the records shall be retained beyond the three-year period as long as required for the resolution of the issues raised by the audit.

(e) *State requirements.* Nothing contained in this part shall prevent a State agency from imposing additional requirements for participation in the Program which are not inconsistent with the provision of this part.

(a) To be entitled to reimbursement under this part, each School Food Authority shall submit to the State agency, or FNSRO where applicable, a monthly Claim for Reimbursement.

(b) Claims for Reimbursement shall include data in sufficient detail to justify the reimbursement claimed and to enable the State agency to provide the Reports of School Program Operations required under § 215.11(c)(2). Unless otherwise approved by FNS, the Claim for Reimbursement for any month shall include only milk served in that month except if the first or last month of Program operations for any year contains 10 operating days or less, such month may be added to the Claim for Reimbursement for the appropriate adjacent month; however, Claims for Reimbursement may not combine operations occurring in two fiscal years. State agencies may establish shorter deadlines at their discretion. Claims not postmarked and/or submitted within 60 days shall not be paid with Program funds unless FNS determines that an exception should be granted. The State agency, or FNSRO where applicable, shall promptly take corrective action with respect to any Claim for Reimbursement as determined necessary through its claim review process or otherwise. In taking such corrective action, State agencies may make upward adjustments in Program funds claimed on claims filed within the 60 day deadline if such adjustments are
