§ 250.12

processor originally received for processing under full substitution. This is the 100-percent yield requirement.

(d) A processor can substitute commercial product for donated commodity product, as described in paragraph (a) of this section, with some restrictions under limited substitution. Restrictions include, but are not limited to, the prohibition against substituting for backhauled poultry commodity product. FNS may also prohibit substitution of certain types of the same generic commodity. (For example, FNS may decide to permit substitution for bulk chicken but not for canned chicken.)

Welfare agency means a public (Federal, State or local) or private agency offering assistance on a charitable or welfare basis to needy persons, who are not residents of an institution, and to Tribal councils designated by the Bureau of Indian Affairs.

Subpart B—General Operating Provisions

§ 250.10 Eligible distributing and sub-distributing agencies.

(a) *State and Federal agencies.* Federal agencies and such State agencies as are designated by the Governor of the State, or by the State legislature, and approved by the Secretary are eligible to become distributing agencies.

(b) *Private agencies.* Where distributing agencies are not permitted by law to make distribution to private recipient agencies, or to any class of private recipient agency, private agencies which agree to make distribution of donated food on a State-wide basis and which apply directly to FNS, and are approved by the Secretary are eligible to become distributing agencies.

(c) *Subdistributing agencies.* If distributing agencies use subdistributing agencies to distribute donated foods, the distributing agencies' responsibilities to the Department for overall management and control of the dis-

tribution program shall not be delegated to such subdistributing agencies.

§ 250.11 Eligibility determination for recipient agencies and recipients.

(a) *Verification of recipient agency eligibility.* Distributing agencies at the request of FNS shall:

(1) Verify that recipient agencies registered to participate in the National Commodity Processing (NCP) Program have a current agreement with the distributing agency to receive donated food in accordance with § 252.1(c) and

(2) Report the results of such verification to FNS within timeframes determined by FNS.

(b) *Eligibility of recipient agencies and recipients.* Distributing agencies shall determine the eligibility of any agency which submits an application for participation in the program. Distributing agencies shall consider the past performance of recipient agencies when approving applications for participation. Once a recipient agency has been determined to be eligible for participation in the program, the distributing agency shall enter into an agreement with the agency in accordance with § 250.12(b) and make donated food available. Distributing agencies shall impose upon welfare agencies the responsibility for determining that recipients to whom welfare agencies distribute donated foods are eligible: *Provided, however:* That the State agency or FNSRO administering the applicable program shall determine the eligibility under this part of school food authorities participating under part 210 or part 220, or sponsors participating in the Summer Food Service Program for Children under part 225, of this chapter, and of nonresidential child care institutions participating in the Child Care Food Program under part 226 of this chapter.

§ 250.12 Agreements and contracts.

(a) *Agreements with Department.* Prior to the beginning of a distribution program, distributing agencies shall enter into written agreements with the Department which shall incorporate the terms and conditions set forth in this part. When requested by the Department an eligible agency shall present evidence of its authority to enter into

such agreements. The agreements shall be considered permanent, with amendments initiated by distributing agencies, or submitted by them at the Department's request, all of which shall be subject to approval by the Department. In addition, agreements between the Department and State Agencies on Aging that elect to receive cash in lieu of commodities shall also be considered permanent, with amendments initiated by these agencies, or submitted by them at the Department's request, all of which amendments shall be subject to approval by the Department.

(b) *Distributing agency agreements.* Distributing agencies shall enter into written agreements with all subdistributing agencies, recipient agencies, warehouses, carriers, or other entities to which distributing agencies deliver donated foods under their distribution program. Distributing agencies shall be responsible for ensuring that program integrity is maintained by all entities with whom agreements are entered into. All agreements shall contain such terms and conditions as the distributing agency deems necessary to ensure that:

(1) The distribution and use of donated foods is in accordance with this part,

(2) Subdistributing agencies, recipient agencies, warehouses, carriers, or other persons to whom donated foods are delivered by the distributing agency are responsible to the distributing agency for any improper distribution or use of donated foods or for any loss of, or damage to, donated foods caused by their fault or negligence,

(3) Subdistributing agencies and recipient agencies have and preserve a right to assert claims against other persons to whom donated foods are delivered for care, handling or distribution, and

(4) Subdistributing agencies and recipient agencies will take action to obtain restitution in connection with claims for improper distribution, use or loss of, or damage to, donated foods.

(c) *Duration of distributing agency agreements.*—(1) Recipient agencies. Distributing agency agreements with recipient agencies shall be considered permanent, with amendments to be made as necessary. Distributing agen-

cies shall ensure that recipient agencies provide, on a timely basis, by amendment to the agreement, any changed information, including, but not limited to, any changes resulting from amendments to Federal regulatory requirements and policy and changes in site locations, and number of meals or needy persons to be served.

(2) *Subdistributing agencies, carriers, and other entities.* Distributing agency agreements with subdistributing agencies (as defined in §250.3) that are not recipient agencies, carriers, and other entities shall be in effect for not longer than one year, and shall provide that they may be extended at the option of both parties for two additional one-year periods. The party contracting with the distributing agency shall update all pertinent information and demonstrate that all donated food received during the period of the previous agreement has been accounted for, before an agreement is extended.

(3) *Termination of agreements.* Agreements may be terminated for cause by either party upon 30 days notice.

(d) *Food service management company contracts.* Food service management companies may be employed to conduct the food service operations of nonprofit summer camps for children, charitable institutions, nutrition programs for the elderly, schools, nonresidential child care institutions, and service institutions. When a food service management company is employed to provide such services, the recipient agency shall enter into a written contract with the food service management company. The contract shall expressly provide that any donated foods received by the recipient agency and made available to the food service management company shall be utilized solely for the purpose of providing benefits for the employing agency's food service operation, and it shall be the responsibility of the recipient agency to demonstrate that the full value of all donated foods is used solely for the benefit of the recipient agency. All food service management companies shall be subject to review by the distributing agency for compliance with contractual requirements, in accordance with §250.19(b)(1). In the case of nonprofit summer camps for children,

charitable institutions, and nutrition programs for the elderly, the contract shall be in effect for no longer than one year, and may provide that it be extended at the option of both parties for not more than four additional one-year periods. Contracts shall provide that they may be terminated for cause by either party upon 30 days notice. Prior to extension of the contract, the non-profit summer camp for children, charitable institution, or nutrition program for the elderly shall update all pertinent information and demonstrate that all donated food received during the previous contract period has been accounted for.

(e) *Storage facility contracts.* When contracting for storage facilities, distributing agencies and subdistributing agencies shall enter into a written contract, in accordance with §250.14(d).

(f) *Processing contracts.* When contracting for the processing of donated foods, contracting agencies shall enter into agreements with processors in accordance with §250.30(c).

[53 FR 20426, June 3, 1988, as amended at 62 FR 53729, Oct. 16, 1997]

§ 250.13 Distribution and control of donated foods.

(a) *Availability and use of donated foods—(1) General.* (i) Donated foods shall be available only for distribution and use in accordance with the provisions of this part and, with respect to distribution to households on all or part of an Indian reservation, of parts 253 and 254 of this chapter.

(ii) Donated foods shall not be sold, exchanged or otherwise disposed of without the approval of the Department.

(iii) Donated foods which are provided as part of an approved food package or authorized level of assistance may be transferred between like recipient agencies only with prior authorization of the distributing agency. Donated foods which are provided in addition to the State's authorized level of assistance may be transferred between recipient agencies which are eligible to receive such foods with the prior authorization of the distributing agency. However, the transfer of donated foods between unlike recipient agencies (e.g., from schools to charitable institu-

tions), which have been provided as part of an approved food package or authorized level of assistance, must be approved by the appropriate FNSRO.

(iv) Food donated under section 32 of Public Law 74-320 (7 U.S.C. 612c) may also be transferred by recipient agencies to eligible recipient agencies which are distributing donated foods under part 251 of this chapter. A transfer between recipient agencies and eligible recipient agencies may be made only with the prior approval of the distributing agency and the State agency responsible for administering TEFAP.

(v) All transfers of donated foods shall be documented. Such documentation shall be maintained in accordance with the recordkeeping requirements in §§250.16 and 251.10(a) of this chapter.

(2) *Quantities.* (i) The quantity of donated foods to be made available for donation under this part shall be determined in accordance with the pertinent legislation and the program obligations of the Department, and shall be such as can be effectively distributed to further the objectives of the pertinent legislation.

(ii) Donated foods shall be requested and distributed only in quantities which can be consumed without waste in providing food assistance for persons eligible under this part. Distributing agencies shall impose similar restrictions on recipient agencies.

(3) *Minimum donations.* Foods shall be donated only in such quantities as will protect the lower truck load freight rate, except as the Department determines to be in the best interest of the program.

(4) *Allocations.* As foods become available for donation, FNS shall notify distributing agencies regarding the donated foods, the class or classes of recipient agencies or recipients eligible to receive them, and any special terms and conditions of donation and distribution which attach to a particular donated food, in addition to the general terms and conditions set forth herein.

When a commodity is available in limited quantities, the Department shall allocate such commodities among the States using allocation percentages which are based on appropriate participation data for the program designated to receive the commodity.
