§ 277.5 Methods of payment

(a) This section sets forth FNS methods for authorizing funds for State agencies.

(b) The "Letter of Credit" (LOC) (SF-1193A) is the document by which an official of FNS authorizes a State agency to draw funds from the United States Treasury. This shall be the preferred method of payment for State agencies which receive at least \$120,000 per year and meet the requirements prescribed in OMB Circular A-102, Attachment J.

(c) State agencies shall request payment(s) by submitting Request for Payment on Letter of Credit and Status of Funds Report (Treasury Form SF-183) to the appropriate United States Treasury Regional Disbursing Office with a copy to FNS.

(d) State agencies not meeting the requirements for the LOC method of payment or failing to meet LOC reporting requirements, including those requiring adjustments to cash balances to liquidate amounts owed to FNS, shall be provided funds by Treasury check in accordance with the provisions of Department of the Treasury Circular 1075.

(e) Payments for proper charges incurred by State agencies will not be withheld unless such payments are suspended or disallowed pursuant to § 277.16. When a payment is withheld, payment adjustments will be made in accordance with § 277.16. When FNS collects an indebtedness, whether due to a disallowance or an offset for amounts which the State agency has been billed but which it has failed to pay without cause acceptable to FNS, FNS shall provide reasonable notice to the State agency, and shall require appropriate accounting adjustment to cash balances for which the State agency is ac-

(2) Records which identify the source and application of funds for FNS or State agency activities supporting the administration of the Program. These records shall show authorizations, obligations, unobligated balances, assets, liabilities, outlays and income of the State agency, its sub-agencies and agents.

(3) Records which identify unallowable costs and offsets resulting from FNS or other determinations as specified in § 277.16 and the disposition of these amounts. Accounting procedures must be in effect to prevent a State agency from claiming these costs under ongoing program administrative cost reports.

(4) Effective control and accountability by the State agency for all program funds, property, and other assets acquired with program funds. State agencies shall adequately safeguard all such assets and shall assure that they are used solely for program authorized purposes unless disposition has been made in accordance with § 277.13.

(5) Controls which minimize the time between the receipt of Federal funds from the United States Treasury and their disbursement for program costs. In the Letter of Credit system, the State agency shall make drawdowns from the U.S. Treasury through a U.S. Treasury Regional Disbursing Office as nearly as possible to the time of making the disbursements.

(6) Procedures to determine the reasonableness, allowability, and allocability of costs in accordance with the applicable provisions prescribed in appendix A to this part.
