§ 204.11 Special immigrant status for certain aliens declared dependent on a juvenile court (special immigrant juvenile).

(a) *Definitions.*

Eligible for long-term foster care means that a determination has been made by the juvenile court that family reunification is no longer a viable option. A child who is eligible for long-term foster care will normally be expected to remain in foster care until reaching the age of majority, unless the child is adopted or placed in a guardianship situation. For the purposes of establishing and maintaining eligibility for classification as a special immigrant juvenile, a child who has been adopted or placed in guardianship situation after having been found dependent upon a juvenile court in the United States will continue to be considered to be eligible for long-term foster care.

Juvenile court means a court located in the United States having jurisdiction under State law to make judicial determinations about the custody and care of juveniles.

(b) *Petition for special immigrant juvenile.* An alien may not be classified as a special immigrant juvenile unless the alien is the beneficiary of an approved

petition to classify an alien as a special immigrant under section 101(a)(27) of the Act. The petition must be filed on Form I-360, Petition for Amerasian, Widow(er) or Special Immigrant.

(c) *Eligibility.* An alien is eligible for classification as a special immigrant under section 101(a)(27)(J) of the Act if the alien:

(1) Is under twenty-one years of age;

(2) Is unmarried;

(3) Has been declared dependent upon a juvenile court located in the United States in accordance with state law governing such declarations of dependency, while the alien was in the United States and under the jurisdiction of the court;

(4) Has been deemed eligible by the juvenile court for long-term foster care;

(5) Continues to be dependent upon the juvenile court and eligible for long-term foster care, such declaration, dependency or eligibility not having been vacated, terminated, or otherwise ended; and

(6) Has been the subject of judicial proceedings or administrative proceedings authorized or recognized by the juvenile court in which it has been determined that it would not be in the alien's best interest to be returned to the country of nationality or last habitual residence of the beneficiary or his or her parent or parents; or

(7) On November 29, 1990, met all the eligibility requirements for special immigrant juvenile status in paragraphs (c)(1) through (c)(6) of this section, and for whom a petition for classification as a special immigrant juvenile is filed on Form I-360 before June 1, 1994.

passport, official foreign identity document issued by a foreign government, such as a Cartilla or a Cedula, or other document which in the discretion of the director establishes the beneficiary's age; and

(2) One or more documents which include:

(i) A juvenile court order, issued by a court of competent jurisdiction located in the United States, showing that the court has found the beneficiary to be dependent upon that court;
