Subpart D [Reserved]

Subpart E—Export Trade Associations

§ 1.41 Limited antitrust exemption.

The Export Trade Act authorizes the organization and operation of export trade associations, and extends to them certain limited exemptions from the Sherman Act and the Clayton Act. It also extends the jurisdiction of the Commission under the Federal Trade Commission Act to unfair methods of competition used in export trade against competitors engaged in export trade, even though the acts constituting such unfair methods are done without the territorial jurisdiction of the United States.

§ 1.42 Notice to Commission.

To obtain the exemptions afforded by the Act, an export trade association is required to file with the Commission, within thirty (30) days after its creation, a verified written statement setting forth the location of its offices and places of business, names, and addresses of its officers, stockholders, or members, and copies of its documents of incorporation or association. On the first day of January of each year thereafter, each association must file a like statement and, when required by the Commission to do so, must furnish to the Commission detailed information as to its organization, business, conduct, practices, management, and relation to other associations, corporations, partnerships, and individuals.
