§ 240.0-11 Filing fees for certain acquisitions, dispositions and similar transactions.

(a) *General.* (1) At the time of filing a disclosure document described in paragraphs (b) through (d) of this section relating to certain acquisitions, dispositions, business combinations, consolidations or similar transactions, the person filing the specified document shall pay a fee payable to the Commission to be calculated as set forth in paragraphs (b) through (d) of this section.

(2) Only one fee per transaction is required to be paid. A required fee shall be reduced in an amount equal to any fee paid with respect to such transaction pursuant to either section 6(b) of the Securities Act of 1933 or any applicable provision of this rule; the fee requirements under section 6(b) shall be reduced in an amount equal to the fee paid the Commission with respect to a transaction under this regulation. No part of a filing fee is refundable.

(3) If at any time after the initial payment the aggregate consideration offered is increased, an additional filing fee based upon such increase shall

be paid with the required amended filing.

(4) When the fee is based upon the market value of securities, such market value shall be established by either the average of the high and low prices reported in the consolidated reporting system (for exchange traded securities and last sale reported over-the-counter securities) or the average of the bid and asked price (for other over-the-counter securities) as of a specified date within 5 business days prior to the date of the filing. If there is no market for the securities, the value shall be based upon the book value of the securities computed as of the latest practicable date prior to the date of the filing, unless the issuer of the securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of the securities shall be used.

(5) The cover page of the filing shall set forth the calculation of the fee in tabular format, as well as the amount offset by a previous filing and the identification of such filing, if applicable.

(b) *Section 13(e)(1) filings.* At the time of filing such statement as the Commission may require pursuant to section 13(e)(1) of the Exchange Act, a fee of one-fiftieth of one percent of the value of the securities proposed to be acquired by the acquiring person. The value of the securities proposed to be acquired shall be determined as follows:

(1) The value of the securities to be acquired solely for cash shall be the amount of cash to be paid for them:

(2) The value of the securities to be acquired with securities or other non-cash consideration, whether or not in combination with a cash payment for the same securities, shall be based upon the market value of the securities to be received by the acquiring person as established in accordance with paragraph (a)(4) of this section.

(c) *Proxy and information statement filings.* At the time of filing a preliminary proxy statement pursuant to Rule 14a-6(a) or preliminary information statement pursuant to Rule 14c-5(a) that concerns a merger, consolidation, acquisition of a company, or proposed

§ 240.0-12

sale or other disposition of substantially all the assets of the registrant (including a liquidation), the following fee:

(1) For preliminary material involving a vote upon a merger, consolidation or acquisition of a company, a fee of one-fiftieth of one percent of the proposed cash payment or of the value of the securities and other property to be transferred to security holders in the transaction. The fee is payable whether the registrant is acquiring another company or being acquired.

(i) The value of securities or other property to be transferred to security holders, whether or not in combination with a cash payment for the same securities, shall be based upon the market value of the securities to be received by the acquiring person as established in accordance with paragraph (a)(4) of this section.

(ii) Notwithstanding the above, where the acquisition, merger or consolidation is for the sole purpose of changing the registrant's domicile, no filing fee is required to be paid.

(2) For preliminary material involving a vote upon a proposed sale or other disposition of substantially all the assets of the registrant, a fee of one-fiftieth of one percent of the aggregate of the cash and the value of the securities (other than its own) and other property to be received by the registrant. In the case of a disposition in which the registrant will not receive any property, such as at liquidation or spin-off, the fee shall be one-fiftieth of one percent of the aggregate of the cash and the value of the securities and other property to be distributed to security holders.

(i) The value of the securities to be received (or distributed in the case of a spin-off or liquidation) shall be based upon the market value of such securities as established in accordance with paragraph (a)(4) of this section.

(ii) The value of other property shall be a bona fide estimate of the fair market value of such property.

Requestors may seek confidential treatment of their applications to the extent provided under § 200.81 of this chapter. If an application is incomplete, the Commission, through the Division handling the application, may request that the application be withdrawn unless the applicant can justify, based on all the facts and circumstances, why supporting materials have not been submitted and undertakes to submit the omitted materials promptly.

(b) An applicant may submit a request electronically in standard electronic mail text or ASCII format. The electronic mailbox to use for these applications is described on the Commission's website at www.sec.gov in the "Exchange Act Exemptive Applications" subsection located under the "Current SEC Rulemaking" section. In the event electronic mailboxes are revised in the future, applicants can find

the appropriate mailbox by accessing the Commission's website directory of electronic mailboxes at <http://www.sec.gov/asec/mailboxes.htm>.

(c) An applicant also may submit a request in paper format. Five copies of every paper application and every amendment to such an application must be submitted to the Office of the Secretary at 450 Fifth Street, N.W., Washington, D.C. 20549. (iii)(A) For trading in a security in a jurisdiction other than the United States, the method to be used to determine the dollar value of ADTV as of the preceding 6 full calendar months is to sum the value in U.S. dollars of all reported transactions in such security in such jurisdiction for each trading day during the preceding 6 full calendar months, and to divide this sum by the total number of trading days in such jurisdiction during the preceding 6 full calendar months.

(B) If the value of reported transactions used in calculating the ADTV of securities under paragraph (b)(1)(iii)(A) is reported in a currency other than U.S. dollars, the total value of each day's transactions in such currency shall be converted into U.S. dollars on the basis of a spot rate of exchange for that day obtained from at least one independent entity that provides or disseminates foreign exchange quotations in the ordinary course of its business.

(iv) The dollar value of ADTV of the lowest weighted 25% of an index is the sum of the dollar value of ADTV of each of the component securities comprising the lowest weighted 25% of such index.

(i) On a particular day, a security shall be 1 of 675 securities with the largest dollar value of ADTV as of the preceding 6 full calendar months when it is included on a list of such securities designated by the Commission and the CFTC as applicable for that day.

§ 240.6h-1 Settlement and regulatory halt requirements for security futures products.

(a) For the purposes of this section:

(1) *Opening price* means the price at which a security opened for trading, or a price that fairly reflects the price at which a security opened for trading, during the regular trading session of the national securities exchange or national securities association that lists the security. If the security is not listed on a national securities exchange or a national securities association, then *opening price* shall mean the price at which a security opened for trading, or a price that fairly reflects the price at which a security opened for trading, on the primary market for the security.

(2) *Regular trading session* of a security means the normal hours for business of a national securities exchange or national securities association that lists the security.

(3) *Regulatory halt* means a delay, halt, or suspension in the trading of a security, that is instituted by the national securities exchange or national securities association that lists the security, as a result of:

(i) A determination that there are matters relating to the security or issuer that have not been adequately disclosed to the public, or that there are regulatory problems relating to the security which should be clarified be-

fore trading is permitted to continue; or

(ii) The operation of circuit breaker procedures to halt or suspend trading in all equity securities trading on that national securities exchange or national securities association.

(b) *Final settlement prices for security futures products.*

(1) The final settlement price of a cash-settled security futures product must fairly reflect the opening price of the underlying security or securities.

(2) Notwithstanding paragraph (b)(1) of this section, if an opening price for one or more securities underlying a security futures product is not readily available, the final settlement price of the security futures product shall fairly reflect:

(i) The price of the underlying security or securities during the most recent regular trading session for such security or securities; or

(ii) The next available opening price of the underlying security or securities.

(3) Notwithstanding paragraph (b)(1) or (b)(2) of this section, if a clearing agency registered under Section 17A of the Act (15 U.S.C. 78q-1), or exempt from registration pursuant to Section 17A(b)(7) of the Act (15 U.S.C. 78q-1(b)(7)), to which the final settlement price of a security futures product is or would be reported determines, pursuant to its rules, that such final settlement price is not consistent with the protection of investors and the public interest, taking into account such factors as fairness to buyers and sellers of the affected security futures product, the maintenance of a fair and orderly market in such security futures product, and consistency of interpretation and practice, the clearing agency shall have the authority to determine, under its rules, a final settlement price for such security futures product.

(c) *Regulatory trading halts.* The rules of a national securities exchange or national securities association registered pursuant to Section 15A(a) of the Act (15 U.S.C. 78o-3(a)) that lists or trades one or more security futures products must include the following provisions:

(1) Trading of a security futures product based on a single security shall be halted at all times that a regulatory

Securities and Exchange Commission

§ 240.8c-1

halt has been instituted for the underlying security; and

(2) Trading of a security futures product based on a narrow-based security index shall be halted at all times that a regulatory halt has been instituted for one or more underlying securities that constitute 50 percent or more of the market capitalization of the narrow-based security index.

(d) The Commission may exempt from the requirements of this section, either unconditionally or on specified terms and conditions, any national securities exchange or national securities association, if the Commission determines that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors. An exemption granted pursuant to this paragraph shall not operate as an exemption from any Commodity Futures Trading Commission rules. Any exemption that may be required from such rules must be obtained separately from the Commodity Futures Trading Commission.

§ 240.7c2-1 [Reserved]

HYPOTHECATION OF CUSTOMERS' SECURITIES

§ 240.8c-1 Hypothecation of customers' securities.

(a) *General provisions.* No member of a national securities exchange, and no broker or dealer who transacts a business in securities through the medium of any such member shall, directly or indirectly, hypothecate or arrange for or permit the continued hypothecation of any securities carried for the account of any customer under circumstances:

(1) That will permit the commingling of securities carried for the account of any such customer with securities carried for the account of any other customer, without first obtaining the written consent of each such customer to such hypothecation;

(2) That will permit such securities to be commingled with securities carried for the account of any person other than a bona fide customer of such member, broker or dealer under a

lien for a loan made to such member, broker or dealer; or

(3) That will permit securities carried for the account of customers to be hypothecated or subjected to any lien or liens or claim or claims of the pledges or pledgees, for a sum which exceeds the aggregate indebtedness of all customers in respect of securities carried for their accounts; except that this clause shall not be deemed to be violated by reason of an excess arising on any day through the reduction of the aggregate indebtedness of customers on such day, provided that funds or securities in an amount sufficient to eliminate such excess are paid or placed in transfer to pledgees for the purpose of reducing the sum of the liens or claims to which securities carried for the account of customers are subjected as promptly as practicable after such reduction occurs, but before the lapse of one-half hour after the commencement of banking hours on the next banking day at the place where the largest principal amount of loans of such member, broker or dealer are payable and, in any event, before such member, broker or dealer on such day has obtained or increased any bank loan collateralized by securities carried for the account of customers.

(b) *Definitions.* For the purposes of this section:

(1) The term *customer* shall not include any general or special partner or any director or officer of such member, broker or dealer, or any participant, as such, in any joint, group or syndicate account with such member, broker or dealer or with any partner, officer or director thereof. The term also shall not include any counterparty who has delivered collateral to an OTC derivatives dealer pursuant to a transaction in an eligible OTC derivative instrument, or pursuant to the OTC derivatives dealer's cash management securities activities or ancillary portfolio management securities activities, and who has received a prominent written notice from the OTC derivatives dealer that:

(i) Except as otherwise agreed in writing by the OTC derivatives dealer and the counterparty, the dealer may repledge or otherwise use the collateral in its business;

(ii) In the event of the OTC derivatives dealer's failure, the counterparty will likely be considered an unsecured creditor of the dealer as to that collateral;

(iii) The Securities Investor Protection Act of 1970 (15 U.S.C. 78aaa through 78lll) does not protect the counterparty; and

(iv) The collateral will not be subject to the requirements of §240.8c-1, §240.15c2-1, §240.15c3-2, or §240.15c3-3;

(2) The term *securities carried for the account of any customer* shall be deemed to mean:

(i) Securities received by or on behalf of such member, broker or dealer for the account of any customer;

(ii) Securities sold and appropriated by such member, broker or dealer to a customer, except that if such securities were subject to a lien when appropriated to a customer they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(iii) Securities sold, but not appropriated, by such member, broker or dealer to a customer who has made any payment therefor, to the extent that such member, broker or dealer owns and has received delivery of securities of like kind, except that if such securities were subject to a lien when such payment was made they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(3) "Aggregate indebtedness" shall not be deemed to be reduced by reason of uncollected items. In computing aggregate indebtedness, related guaranteed and guarantor accounts shall be treated as a single account and considered on a consolidated basis, and balances in accounts carrying both long and short positions shall be adjusted by treating the market value of the securities required to cover such short positions as though such market value were a debit; and

(4) In computing the sum of the liens or claims to which securities carried for the account of customers of a member, broker or dealer are subject, any rehypothecation of such securities by another member, broker or dealer who

is subject to this section or to §240.15c2-1 shall be disregarded.

(c) *Exemption for cash accounts.* The provisions of paragraph (a)(1) of this section shall not apply to any hypothecation of securities carried for the account of a customer in a special cash account within the meaning of 12 CFR 220.4(c): *Provided*, That at or before the completion of the transaction of purchase of such securities for, or of sale of such securities to, such customer, written notice is given or sent to such customer disclosing that such securities are or may be hypothecated under circumstances which will permit the commingling thereof with securities carried for the account of other customers. The term *the completion of the transaction* shall have the meaning given to such term by §240.15c1-1(b).

(d) *Exemption for clearinghouse liens.* The provisions of paragraphs (a)(2), (a)(3), and (f) of this section shall not apply to any lien or claim of the clearing corporation, or similar department or association, of a national securities exchange or a registered national securities association for a loan made and to be repaid on the same calendar day, which is incidental to the clearing of transactions in securities or loans through such corporation, department, or association: *Provided, however*, That for the purpose of paragraph (a)(3) of this section, "aggregate indebtedness of all customers in respect of securities carried for their accounts" shall not include indebtedness in respect of any securities subject to any lien or claim exempted by this paragraph.

(e) *Exemption for certain liens on securities of noncustomers.* The provisions of paragraph (a)(2) of this section shall not be deemed to prevent such member, broker or dealer from permitting securities not carried for the account of a customer to be subjected (1) to a lien for a loan made against securities carried for the account of customers, or (2) to a lien for a loan made and to be repaid on the same calendar day. For the purpose of this exemption, a loan shall be deemed to be "made against securities carried for the account of customers" if only securities carried for the account of customers are used to obtain or to increase such loan or as

substitutes for other securities carried for the account of customers.

(f) *Notice and certification requirements.* No person subject to this section shall hypothecate any security carried for the account of a customer unless at or prior to the time of each such hypothecation, he gives written notice to the pledgee that the security pledged is carried for the account of a customer and that such hypothecation does not contravene any provision of this section, except that in the case of an omnibus account the members, broker or dealer for whom such account is carried may furnish a signed statement to the person carrying such account that all securities carried therein by such member, broker or dealer will be securities carried for the account of his customers and that the hypothecation thereof by such member, broker or dealer will not contravene any provision of this section. The provisions of this paragraph shall not apply to any hypothecation of securities under any lien or claim of a pledgee securing a loan made and to be repaid on the same calendar day.

(g) The fact that securities carried for the accounts of customers and securities carried for the accounts of others are represented by one or more certificates in the custody of a clearing corporation or other subsidiary organization of either a national securities exchange or of a registered national securities association, or of a custodian bank, in accordance with a system for the central handling of securities established by a national securities exchange or a registered national securities association, pursuant to which system the hypothecation of such securities is effected by bookkeeping entries without physical delivery of such securities, shall not, in and of itself, result in a commingling of securities prohibited by paragraph (a)(1) or (a)(2) of this section, whenever a participating member, broker or dealer hypothecates securities in accordance with such system: *Provided, however,* That (1) any such custodian of any securities held by or for such system shall agree that it will not for any reason, including the assertion of any claim, right or lien of any kind, refuse to refrain from promptly delivering any such securi-

ties (other than securities then hypothecated in accordance with such system) to such clearing corporation or other subsidiary organization or as directed by it, except that nothing in such agreement shall be deemed to require the custodian to deliver any securities in contravention of any notice of levy, seizure or similar notice, or order or judgment, issued or directed by a governmental agency or court, or officer thereof, having jurisdiction over such custodian, which on its face affects such securities; (2) such systems shall have safeguards in the handling, transfer and delivery of securities and provisions for fidelity bond coverage of the employees and agents of the clearing corporation or other subsidiary organization and for periodic examinations by independent public accountants; and (3) the provisions of this paragraph shall not be effective with respect to any particular system unless the agreement required by paragraph (g)(1) of this section and the safeguards and provisions required by paragraph (g)(2) of this section shall have been deemed adequate by the Commission for the protection of investors, and unless any subsequent amendments to such agreement, safeguards or provisions shall have been deemed adequate by the Commission for the protection of investors.

§240.9b-1 Options disclosure document.

(a) *Definitions.* The following definitions shall apply for the purpose of this rule.

(1) *Options market* means a national securities exchange, an automated quotation system of a registered securities association or a foreign securities exchange on which standardized options are traded.

(2) *Options class* means all options contracts covering the same underlying instrument.

(3) *Options disclosure document* means a document, including all amendments and supplements thereto, prepared by one or more options markets which has been filed with the Commission or distributed in accordance with paragraph (b) of this section. *Definitive options disclosure document* or *document* means an options disclosure document furnished to customers in accordance with paragraph (b) of this section.

(4) *Standardized options* are options contracts trading on a national securities exchange, an automated quotation system of a registered securities association, or a foreign securities exchange which relate to options classes the terms of which are limited to specific expiration dates and exercise prices, or such other securities as the Commission may, by order, designate.

(b)(1) Five preliminary copies of an options disclosure document containing the information specified in paragraph (c) of this section shall be filed with the Commission by an options market at least 60 days prior to the date definitive copies are furnished to customers, unless the commission determines otherwise having due regard to the adequacy of the information disclosed and the public interest and protection of investors. Five copies of the definitive options disclosure document shall be filed with the Commission not later than the date the options disclosure document is furnished to customers. Notwithstanding the above, the use of an options disclosure document shall not be permitted unless the options class to which such document relates is the subject of an effective registration statement on Form S-20 under the Securities Act of 1933, or is exempt from registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*).

(2)(i) If the information contained in the options disclosure document becomes or will become materially inaccurate or incomplete or there is or will be an omission of material information necessary to make the options disclosure document not misleading, the options market shall amend or supplement its options disclosure document by filing five copies of an amendment or supplement to such options disclosure document with the Commission at

least 30 days prior to the date definitive copies are furnished to customers, unless the Commission determines otherwise having due regard to the adequacy of the information disclosed and the public interest and protection of investors. Five copies of the definitive options disclosure document, as amended or supplemented, shall be filed with the Commission not later than the date the amendment or supplement, or the amended options disclosure document, is furnished to customers.

(ii) Notwithstanding paragraph (b)(2)(i) of this section, an options market may distribute an amendment or supplement to an options disclosure document prior to such 30 day period if it determines, in good faith, that such delivery is necessary to ensure timely and accurate disclosure with respect to one or more of the options classes covered by the document. Five copies of any amendment or supplement distributed pursuant to this paragraph shall be filed with the Commission at the time of distribution. In that instance, if the Commission determines, having given due regard to the adequacy of the information disclosed and the public interest and the protection of investors, it may require refile of the amendment pursuant to paragraph (b)(2)(i) of this section.

(c) *Information required in an options disclosure document.* An options disclosure document shall contain the following information, unless otherwise provided by the Commission, with respect to the options classes covered by the document:

- (1) A glossary of terms;
- (2) A discussion of the mechanics of exercising the options;
- (3) A discussion of the risks of being a holder or writer of the options;
- (4) The identification of the market or markets in which the options are traded;
- (5) A brief reference to the transaction costs, margin requirements and tax consequences of options trading;
- (6) The identification of the issuer of the options;
- (7) A general identification of the type of instrument or instruments underlying the options class or classes covered by the document;

(9) Such other information as the Commission may specify.

(d) *Broker-dealer obligations.* (1) No broker or dealer shall accept an order from a customer to purchase or sell an option contract relating to an options class that is the subject of a definitive options disclosure document, or approve the customer's account for the trading of such option, unless the broker or dealer furnishes or has furnished to the customer a copy of the definitive options disclosure document.

(2) If a definitive options disclosure document relating to an options class is amended or supplemented, each broker and dealer shall promptly send a copy of the definitive amendment or supplement or a copy of the definitive options disclosure document as amended to each customer whose account is approved for trading the options class or classes to which the amendment or supplement relates.

SHORT SALES

§ 240.10a-1 Short sales.

(a)(1)(i) No person shall, for his own account or for the account of any other person, effect a short sale of any security registered on, or admitted to unlisted trading privileges on, a national securities exchange, if trades in such security are reported pursuant to an "effective transaction reporting plan" as defined in § 240.11Aa3-1 (Rule 11Aa3-1 under the Act), and information as to such trades is made available in accordance with such plan on a real-time basis to vendors of market transaction information, (A) below the price at which the last sale thereof, regular way, was reported pursuant to an effective transaction reporting plan; or (B) at such price unless such price is above the next preceding different price at which a sale of such security, regular

way, was reported pursuant to an effective transaction reporting plan.

(ii) The provisions of paragraph (a)(1)(i) of this section hereof shall not apply to transactions by any person in NASDAQ securities as defined in § 240.11Aa3-1 (Rule 11Aa3-1 under the Act) except for those NASDAQ securities for which transaction reports are collected, processed, and made available pursuant to the plan originally submitted to the Commission pursuant to Rule 17a-15 (subsequently amended and redesignated as Rule 11Aa3-1) under the Act, which plan was declared effective as of May 17, 1974.

(2) Notwithstanding paragraph (a)(1) of this section, any exchange, by rule, may require that no person shall, for his own account or the account of any other person, effect a short sale of any such security on that exchange (i) below the price at which the last sale thereof, regular way, was effected on such exchange, or (ii) at such price unless such price is above the next preceding different price at which a sale of such securities, regular way, was effected on such exchange, if that exchange determines that such action is necessary or appropriate in its market in the public interest or for the protection of investors; and, if an exchange adopts such a rule, no person shall, for his own account or for the account of any other person, effect a short sale of any such security on such exchange otherwise than in accordance with such rule, and compliance with any such rule of an exchange shall constitute compliance with this paragraph (a).

(3) In determining the price at which a short sale may be effected after a security goes ex-dividend, ex-right, or ex-any other distribution, all sale prices prior to the "ex" date may be reduced by the value of such distribution.

(b) No person shall, for his own account or for the account of any other person, effect on a national securities exchange a short sale of any security not covered by paragraph (a) of this rule, (1) below the price at which the last sale thereof, regular way, was effected on such exchange, or (2) at such price unless such price is above the next preceding different price at which a sale of such security, regular way,

was effected on such exchange. In determining the price at which a short sale may be effected after a security goes ex-dividend, ex-right, or ex-any other distribution, all sale prices prior to the "ex" date may be reduced by the value of such distribution.

(c) No broker or dealer shall, by the use of any facility of a national securities exchange, or any means or instrumentality of interstate commerce, or of the mails, effect any sell order for a security registered on, or admitted to unlisted trading privileges on, a national securities exchange unless such order is marked either "long" or "short."

(d) No broker or dealer shall mark any order to sell a security registered on, or admitted to unlisted trading privileges on, a national securities exchange "long" unless (1) the security to be delivered after sale is carried in the account for which the sale is to be effected, or (2) such broker or dealer is informed that the seller owns the security ordered to be sold and, as soon as is possible without undue inconvenience or expense, will deliver the security owned to the account for which the sale is to be effected.

(e) The provisions of paragraphs (a) and (b) of this section (and of any exchange rule adopted in accordance with paragraph (a) of this section) shall not apply to:

(1) Any sale by any person, for an account in which he has an interest, if such person owns the security sold and intends to deliver such security as soon as is possible without undue inconvenience or expense;

(2) Any broker or dealer in respect of a sale, for an account in which he has no interest, pursuant to an order to sell which is marked "long";

(3) Any sale by an odd-lot dealer or an exchange with which it is registered for such security, or any over-the-counter sale by a third market maker to offset odd-lot orders of customers;

(4) Any sale by an odd-lot dealer on an exchange with which it is registered for such security, or any over-the-counter sale by a third market maker to liquidate a long position which is less than a round lot, provided such sale does not change the position of such odd-lot dealer or such market

maker by more than the unit of trading;

(5) Any sale of a security covered by paragraph (a) of this section (except a sale to a stabilizing bid complying with §242.104 of this chapter) by a registered specialist or registered exchange market maker for its own account on any exchange with which it is registered for such security, or by a third market maker for its own account over-the-counter,

(i) Effected at a price equal to or above the last sale, regular way, reported for such security pursuant to an effective transaction reporting plan; or

(ii) Effected at a price equal to the most recent offer communicated for the security by such registered specialist, registered exchange market maker or third market maker to an exchange or a national securities association ("association") pursuant to §240.11Ac1-1, if such offer, when communicated, was equal to or above the last sale, regular way, reported for such security pursuant to an effective transaction reporting plan:

Provided, however, That any exchange, by rule, may prohibit its registered specialist and registered exchange market makers from availing themselves of the exemption afforded by this paragraph (e)(5) if that exchange determines that such action is necessary or appropriate in its market in the public interest or for the protection of investors;

(6) Any sale of a security covered by paragraph (b) of this section on a national securities exchange (except a sale to a stabilizing bid complying with §242.104 of this chapter) effected with the approval of such exchange which is necessary to equalize the price of such security thereon with the current price of such security on another national securities exchange which is the principal exchange market for such security;

(7) Any sale of a security for a special arbitrage account by a person who then owns another security by virtue of which he is, or presently will be, entitled to acquire an equivalent number of securities of the same class as the securities sold; provided such sale, or the purchase with such sale offsets, is effected for the bona fide purpose of

profiting from a current difference between the price of security sold and the security owned and that such right of acquisition was originally attached to or represented by another security or was issued to all the holders of any such class of securities of the issuer.

(8) Any sale of a security registered on, or admitted to unlisted trading privileges on, a national securities exchange effected for a special international arbitrage account for the bona fide purpose of profiting from a current difference between the price of such security on a securities market not within or subject to the jurisdiction of the United States and on a securities market subject to the jurisdiction of the United States; provided the seller at the time of such sale knows or, by virtue of information currently received, has reasonable grounds to believe that an offer enabling him to cover such sale is then available to him such foreign securities market and intends to accept such offer immediately;

(9) [Reserved]

(10) Any sale by an underwriter, or any member of a syndicate or group participating in the distribution of a security, in connection with an over-allotment of securities, or any lay-off sale by such a person in connection with a distribution of securities through rights or a standby underwriting commitment; or

(11) Any sale of a security covered by paragraph (a) of this section (except a sale to a stabilizing bid complying with § 242.104 of this chapter) by any broker or dealer, for his own account or for the account of any other person, effected at a price to the most recent offer communicated by such broker or dealer to an exchange or association pursuant to § 240.11Ac1-1 in an amount less than or equal to the quotation size associated with such offer, if such offer, when communicated, was (i) above the price at which the last sale, regular way, for such security was reported pursuant to an effective transaction reporting plan; or (ii) at such last sale price, if such last sale price is above the next preceding different price at which a sale of such security, regular way, was reported pursuant to an effective transaction reporting plan.

(12) For the purposes of paragraph (e)(8) of this section, a depositary receipt of a security shall be deemed to be the same security as the security represented by such receipt. For the purposes of paragraphs (e)(3), (4) and (5) of this section, the term "third market maker" shall mean any broker or dealer who holds itself out as being willing to buy and sell a reported security for its own account on a regular and continuous basis otherwise than on an exchange in amounts of less than block size.

(13) A broker-dealer that has acquired a security while acting in the capacity of a block positioner shall be deemed to own such security for the purposes of Rule 3b-3 (§ 240.3b-3) and of this section notwithstanding that such broker-dealer may not have a net long position in such security if and to the extent that such broker-dealer's short position in such security is the subject of one or more offsetting positions created in the course of bona fide arbitrage, risk arbitrage, or bona fide hedge activities.

(f) This rule shall not prohibit any transaction or transactions which the Commission, upon written request or upon its own motion, exempts, either unconditionally or on specified terms and conditions.

(a) No broker or dealer shall lend, or arrange for the loan of, any security registered on, or admitted to unlisted trading privileges on, a national securities exchange for delivery to the broker for the purchaser after sale, or shall fail to deliver a security on the date delivery is due, if such broker or dealer knows or has reasonable grounds to believe that the sale was effected, or will be effected, pursuant to an order marked "long," unless such broker or dealer knows, or has been informed by the seller (1) that the security sold has been forwarded to the account for which the sale was effected, or (2) that the seller owns the security sold, that it is then impracticable to deliver to such account the security owned and that he will deliver such security to such account as soon as it is possible without undue inconvenience or expense.

(b) The provisions of paragraph (a) of this section shall not apply (1) to the lending of a security registered on, or admitted to unlisted trading privileges on, a national securities exchange by a broker or dealer through the medium of a loan to another broker or dealer, or (2) to any loan, or arrangement for the loan, of any such security, or to any failure to deliver any such security if, prior to such loan, arrangement or failure to deliver, a national securities exchange, in the case of a sale effected thereon, or a national securities association, in the case of a sale not effected on an exchange, finds (i) that such sale resulted from a mistake made in good faith, (ii) that due diligence was used to ascertain that the circumstances specified in § 240.10a-1(d)(1) existed or to obtain the information specified in clause (2) thereof, and (iii) either that the condition of the market at the time the mistake was discovered was such that undue hardship would result from covering the transaction by a "purchase for cash" or that the mistake was made by the seller's broker and the sale was at a price permissible

§ 240.10b5-1 Trading "on the basis of" material nonpublic information in insider trading cases.

Preliminary Note to § 240.10b5-1: This provision defines when a purchase or sale constitutes trading "on the basis of" material nonpublic information in insider trading cases brought under Section 10(b) of the Act and Rule 10b-5 thereunder. The law of insider trading is otherwise defined by judicial opinions construing Rule 10b-5, and Rule 10b5-1 does not modify the scope of insider trading law in any other respect.

(a) *General.* The "manipulative and deceptive devices" prohibited by Section 10(b) of the Act (15 U.S.C. 78j) and § 240.10b-5 thereunder include, among other things, the purchase or sale of a security of any issuer, on the basis of material nonpublic information about that security or issuer, in breach of a duty of trust or confidence that is owed directly, indirectly, or derivatively, to the issuer of that security or the shareholders of that issuer, or to any other person who is the source of the material nonpublic information.

(b) *Definition of "on the basis of."* Subject to the affirmative defenses in paragraph (c) of this section, a purchase or sale of a security of an issuer is "on the basis of" material nonpublic information about that security or issuer if the person making the purchase or sale was aware of the material nonpublic information when the person made the purchase or sale.

(c) *Affirmative defenses.* (1)(i) Subject to paragraph (c)(1)(ii) of this section, a person's purchase or sale is not "on the basis of" material nonpublic information if the person making the purchase or sale demonstrates that:

§ 240.10b5-2

17 CFR Ch. II (4-1-04 Edition)

(A) Before becoming aware of the information, the person had:

(1) Entered into a binding contract to purchase or sell the security,

(2) Instructed another person to purchase or sell the security for the instructing person's account, or

(3) Adopted a written plan for trading securities;

(B) The contract, instruction, or plan described in paragraph (c)(1)(i)(A) of this Section:

(1) Specified the amount of securities to be purchased or sold and the price at which and the date on which the securities were to be purchased or sold;

(2) Included a written formula or algorithm, or computer program, for determining the amount of securities to be purchased or sold and the price at which and the date on which the securities were to be purchased or sold; or

(3) Did not permit the person to exercise any subsequent influence over how, when, or whether to effect purchases or sales; provided, in addition, that any other person who, pursuant to the contract, instruction, or plan, did exercise such influence must not have been aware of the material nonpublic information when doing so; and

(C) The purchase or sale that occurred was pursuant to the contract, instruction, or plan. A purchase or sale is not "pursuant to a contract, instruction, or plan" if, among other things, the person who entered into the contract, instruction, or plan altered or deviated from the contract, instruction, or plan to purchase or sell securities (whether by changing the amount, price, or timing of the purchase or sale), or entered into or altered a corresponding or hedging transaction or position with respect to those securities.

(ii) Paragraph (c)(1)(i) of this section is applicable only when the contract, instruction, or plan to purchase or sell securities was given or entered into in good faith and not as part of a plan or scheme to evade the prohibitions of this section.

(iii) This paragraph (c)(1)(iii) defines certain terms as used in paragraph (c) of this Section.

(A) *Amount*. "Amount" means either a specified number of shares or other

securities or a specified dollar value of securities.

(B) *Price*. "Price" means the market price on a particular date or a limit price, or a particular dollar price.

(C) *Date*. "Date" means, in the case of a market order, the specific day of the year on which the order is to be executed (or as soon thereafter as is practicable under ordinary principles of best execution). "Date" means, in the case of a limit order, a day of the year on which the limit order is in force.

(2) A person other than a natural person also may demonstrate that a purchase or sale of securities is not "on the basis of" material nonpublic information if the person demonstrates that:

(i) The individual making the investment decision on behalf of the person to purchase or sell the securities was not aware of the information; and

(ii) The person had implemented reasonable policies and procedures, taking into consideration the nature of the person's business, to ensure that individuals making investment decisions would not violate the laws prohibiting trading on the basis of material nonpublic information. These policies and procedures may include those that restrict any purchase, sale, and causing any purchase or sale of any security as to which the person has material nonpublic information, or those that prevent such individuals from becoming aware of such information.

§ 240.10b5-2 Duties of trust or confidence in misappropriation insider trading cases.

PRELIMINARY NOTE TO § 240.10b5-2: This section provides a non-exclusive definition of circumstances in which a person has a duty of trust or confidence for purposes of the "misappropriation" theory of insider trading under Section 10(b) of the Act and Rule 10b-5. The law of insider trading is otherwise defined by judicial opinions construing Rule 10b-5, and Rule 10b5-2 does not modify the scope of insider trading law in any other respect.

(a) *Scope of Rule*. This section shall apply to any violation of Section 10(b) of the Act (15 U.S.C. 78j(b)) and § 240.10b-5 thereunder that is based on the purchase or sale of securities on the basis of, or the communication of,

Securities and Exchange Commission

§ 240.10b-10

material nonpublic information misappropriated in breach of a duty of trust or confidence.

(b) *Enumerated "duties of trust or confidence."* For purposes of this section, a "duty of trust or confidence" exists in the following circumstances, among others:

(1) Whenever a person agrees to maintain information in confidence;

(2) Whenever the person communicating the material nonpublic information and the person to whom it is communicated have a history, pattern, or practice of sharing confidences, such that the recipient of the information knows or reasonably should know that the person communicating the material nonpublic information expects that the recipient will maintain its confidentiality; or

(3) Whenever a person receives or obtains material nonpublic information from his or her spouse, parent, child, or sibling; *provided*, however, that the person receiving or obtaining the information may demonstrate that no duty of trust or confidence existed with respect to the information, by establishing that he or she neither knew nor reasonably should have known that the person who was the source of the information expected that the person would keep the information confidential, because of the parties' history, pattern, or practice of sharing and maintaining confidences, and because there was no agreement or understanding to maintain the confidentiality of the information.

§§ 240.10b-6—240.10b-8 [Reserved]

§ 240.10b-9 Prohibited representations in connection with certain offerings.

(a) It shall constitute a *manipulative or deception device or contrivance*, as used in section 10(b) of the Act, for any person, directly or indirectly, in connection with the offer or sale of any security, to make any representation:

(1) To the effect that the security is being offered or sold on an "all-or-none" basis, unless the security is part of an offering or distribution being made on the condition that all or a specified amount of the consideration

paid for such security will be promptly refunded to the purchaser unless (i) all of the securities being offered are sold at a specified price within a specified time, and (ii) the total amount due to the seller is received by him by a specified date; or

(2) To the effect that the security is being offered or sold on any other basis whereby all or part of the consideration paid for any such security will be refunded to the purchaser if all or some of the securities are not sold, unless the security is part of an offering or distribution being made on the condition that all or a specified part of the consideration paid for such security will be promptly refunded to the purchaser unless (i) a specified number of units of the security are sold at a specified price within a specified time, and (ii) the total amount due to the seller is received by him by a specified date.

(b) This rule shall not apply to any offer or sale of securities as to which the seller has a firm commitment from underwriters or others (subject only to customary conditions precedent, including "market outs") for the purchase of all the securities being offered.

§ 240.10b-10 Confirmation of transactions.

PRELIMINARY NOTE. This section requires broker-dealers to disclose specified information in writing to customers at or before completion of a transaction. The requirements under this section that particular information be disclosed is not determinative of a broker-dealer's obligation under the general antifraud provisions of the federal securities laws to disclose additional information to a customer at the time of the customer's investment decision.

(a) *Disclosure requirement.* It shall be unlawful for any broker or dealer to effect for or with an account of a customer any transaction in, or to induce the purchase or sale by such customer of, any security (other than U.S. Savings Bonds or municipal securities) unless such broker or dealer, at or before completion of such transaction, gives or sends to such customer written notification disclosing:

§ 240.10b-10

17 CFR Ch. II (4-1-04 Edition)

(1) The date and time of the transaction (or the fact that the time of the transaction will be furnished upon written request to such customer) and the identity, price, and number of shares or units (or principal amount) of such security purchased or sold by such customer; and

(2) Whether the broker or dealer is acting as agent for such customer, as agent for some other person, as agent for both such customer and some other person, or as principal for its own account; and if the broker or dealer is acting as principal, whether it is a market maker in the security (other than by reason of acting as a block positioner); and

(i) If the broker or dealer is acting as agent for such customer, for some other person, or for both such customer and some other person:

(A) The name of the person from whom the security was purchased, or to whom it was sold, for such customer or the fact that the information will be furnished upon written request of such customer; and

(B) The amount of any remuneration received or to be received by the broker from such customer in connection with the transaction unless remuneration paid by such customer is determined pursuant to written agreement with such customer, otherwise than on a transaction basis; and

(C) For a transaction in any subject security as defined in §240.11Ac1-2 or a security authorized for quotation on an automated interdealer quotation system that has the characteristics set forth in section 17B of this Act (15 U.S.C. 78q-2), a statement whether payment for order flow is received by the broker or dealer for transactions in such securities and the fact that the source and nature of the compensation received in connection with the particular transaction will be furnished upon written request of the customer; provided, however, that brokers or dealers that do not receive payment for order flow in connection with any transaction have no disclosure obligation under this paragraph; and

(D) The source and amount of any other remuneration received or to be received by the broker in connection with the transaction: *Provided, how-*

ever, that if, in the case of a purchase, the broker was not participating in a distribution, or in the case of a sale, was not participating in a tender offer, the written notification may state whether any other remuneration has been or will be received and the fact that the source and amount of such other remuneration will be furnished upon written request of such customer; or

(ii) If the broker or dealer is acting as principal for its own account:

(A) In the case where such broker or dealer is not a market maker in an equity security and, if, after having received an order to buy from a customer, the broker or dealer purchased the equity security from another person to offset a contemporaneous sale to such customer or, after having received an order to sell from a customer, the broker or dealer sold the security to another person to offset a contemporaneous purchase from such customer, the difference between the price to the customer and the dealer's contemporaneous purchase (for customer purchases) or sale price (for customer sales); or

(B) In the case of any other transaction in a reported security, or an equity security that is quoted on NASDAQ or traded on a national securities exchange and that is subject to last sale reporting, the reported trade price, the price to the customer in the transaction, and the difference, if any, between the reported trade price and the price to the customer.

(3) Whether any odd-lot differential or equivalent fee has been paid by such customer in connection with the execution of an order for an odd-lot number of shares or units (or principal amount) of a security and the fact that the amount of any such differential or fee will be furnished upon oral or written request: *Provided, however, that such disclosure need not be made if the differential or fee is included in the remuneration disclosure, or exempted from disclosure, pursuant to paragraph (a)(2)(i)(B) of this section; and*

(4) In the case of any transaction in a debt security subject to redemption before maturity, a statement to the effect that such debt security may be redeemed in whole or in part before maturity, that such a redemption could affect the yield represented and the fact that additional information is available upon request; and

(5) In the case of a transaction in a debt security effected exclusively on the basis of a dollar price:

(i) The dollar price at which the transaction was effected, and

(ii) The yield to maturity calculated from the dollar price: *Provided, however*, that this paragraph (a)(5)(ii) shall not apply to a transaction in a debt security that either:

(A) Has a maturity date that may be extended by the issuer thereof, with a variable interest payable thereon; or

(B) Is an asset-backed security, that represents an interest in or is secured by a pool of receivables or other financial assets that are subject continuously to prepayment; and

(6) In the case of a transaction in a debt security effected on the basis of yield:

(i) The yield at which the transaction was effected, including the percentage amount and its characterization (*e.g.*, current yield, yield to maturity, or yield to call) and if effected at yield to call, the type of call, the call date and call price; and

(ii) The dollar price calculated from the yield at which the transaction was effected; and

(iii) If effected on a basis other than yield to maturity and the yield to maturity is lower than the represented yield, the yield to maturity as well as the represented yield; *Provided, however*, that this paragraph (a)(6)(iii) shall not apply to a transaction in a debt security that either:

(A) Has a maturity date that may be extended by the issuer thereof, with a variable interest rate payable thereon; or

(B) Is an asset-backed security, that represents an interest in or is secured by a pool of receivables or other financial assets that are subject continuously to prepayment; and

(7) In the case of a transaction in a debt security that is an asset-backed

security, which represents an interest in or is secured by a pool of receivables or other financial assets that are subject continuously to prepayment, a statement indicating that the actual yield of such asset-backed security may vary according to the rate at which the underlying receivables or other financial assets are prepaid and a statement of the fact that information concerning the factors that affect yield (including at a minimum estimated yield, weighted average life, and the prepayment assumptions underlying yield) will be furnished upon written request of such customer; and

(8) In the case of a transaction in a debt security, other than a government security, that the security is unrated by a nationally recognized statistical rating organization, if such is the case; and

(9) That the broker or dealer is not a member of the Securities Investor Protection Corporation (SIPC), or that the broker or dealer clearing or carrying the customer account is not a member of SIPC, if such is the case: *Provided, however*, that this paragraph (a)(9) shall not apply in the case of a transaction in shares of a registered open-end investment company or unit investment trust if:

(i) The customer sends funds or securities directly to, or receives funds or securities directly from, the registered open-end investment company or unit investment trust, its transfer agent, its custodian, or other designated agent, and such person is not an associated person of the broker or dealer required by paragraph (a) of this section to send written notification to the customer; and

(ii) The written notification required by paragraph (a) of this section is sent on behalf of the broker or dealer to the customer by a person described in paragraph (a)(9)(i) of this section.

(b) *Alternative periodic reporting.* A broker or dealer may effect transactions for or with the account of a customer without giving or sending to such customer the written notification described in paragraph (a) of this section if:

(1) Such transactions are effected pursuant to a periodic plan or an investment company plan, or effected in

shares of any open-end management investment company registered under the Investment Company Act of 1940 that holds itself out as a money market fund and attempts to maintain a stable net asset value per share: *Provided, however*, that no sales load is deducted upon the purchase or redemption of shares in the money market fund; and

(2) Such broker or dealer gives or sends to such customer within five business days after the end of each *quarterly* period, for transactions involving investment company and periodic plans, and after the end of each *monthly* period, for other transactions described in paragraph (b)(1) of this section, a written statement disclosing each purchase or redemption, effected for or with, and each dividend or distribution credited to or reinvested for, the account of such customer during the month; the date of such transaction; the identity, number, and price of any securities purchased or redeemed by such customer in each such transaction; the total number of shares of such securities in such customer's account; any remuneration received or to be received by the broker or dealer in connection therewith; and that any other information required by paragraph (a) of this section will be furnished upon written request: *Provided, however*, that the written statement may be delivered to some other person designated by the customer for distribution to the customer; and

(3) Such customer is provided with prior notification in writing disclosing the intention to send the written information referred to in paragraph (b)(1) of this section in lieu of an immediate confirmation.

(c) A broker or dealer shall give or send to a customer information requested pursuant to this rule within 5 business days of receipt of the request: *Provided, however*, That in the case of information pertaining to a transaction effected more than 30 days prior to receipt of the request, the information shall be given or sent to the customer within 15 business days.

(d) *Definitions.* For the purposes of this section:

(1) *Customer* shall not include a broker or dealer;

(3) *Time of the transaction* means the time of execution, to the extent feasible, of the customer's order;

(4) *Debt security* as used in paragraphs (a)(3), (4), and (5) only, means any security, such as a bond, debenture, note, or any other similar instrument which evidences a liability of the issuer (including any such security that is convertible into stock or a similar security) and fractional or participation interests in one or more of any of the foregoing: *Provided, however*, That securities issued by an investment company registered under the Investment Company Act of 1940 shall not be included in this definition;

(5) *Periodic plan* means any written authorization for a broker acting as agent to purchase or sell for a customer a specific security or securities (other than securities issued by an open end investment company or unit investment trust registered under the Investment Company Act of 1940), in specific amounts (calculated in security units or dollars), at specific time intervals and setting forth the commissions or charges to be paid by the customer in connection therewith (or the manner of calculating them); and

(6) *Investment company plan* means any plan under which securities issued by an open-end investment company or unit investment trust registered under the Investment Company Act of 1940 are purchased by a customer (the payments being made directly to, or made payable to, the registered investment company, or the principal underwriter, custodian, trustee, or other designated agent of the registered investment company), or sold by a customer pursuant to:

(i) An individual retirement or individual pension plan qualified under the Internal Revenue Code;

(b) It shall be unlawful for any broker or dealer to make any changes

in the terms and conditions under which credit charges will be made (as described in the initial statement made under paragraph (a) of this section), unless the customer shall have been given not less than thirty (30) days written notice of such changes, except that no such prior notice shall be necessary where such changes are required by law: *Provided, however,* That if any change for which prior notice would otherwise be required under this paragraph results in a lower interest charge to the customer than would have been imposed before the change, notice of such change may be given within a reasonable time after the effective date of the change.

[36 FR 11514, June 15, 1971, as amended at 37 FR 4330, Mar. 2, 1972]

§ 240.10b-18 Purchases of certain equity securities by the issuer and others.

Preliminary Notes to § 240.10b-18

1. Section 240.10b-18 provides an issuer (and its affiliated purchasers) with a "safe harbor" from liability for manipulation under sections 9(a)(2) of the Act and § 240.10b-5 under the Act *solely* by reason of the manner, timing, price, and volume of their repurchases when they repurchase the issuer's common stock in the market in accordance with the section's manner, timing, price, and volume conditions. As a safe harbor, compliance with § 240.10b-18 is voluntary. To come within the safe harbor, however, an issuer's repurchases must satisfy (on a daily basis) each of the section's four conditions. Failure to meet any one of the four conditions will remove all of the issuer's repurchases from the safe harbor for that day. The safe harbor, moreover, is not available for repurchases that, although made in technical compliance with the section, are part of a plan or scheme to evade the federal securities laws.

2. Regardless of whether the repurchases are effected in accordance with § 240.10b-18, reporting issuers must report their repurchasing activity as required by Item 703 of Regulations S-K and S-B (17 CFR 229.703 and 228.703) and Item 15(e) of Form 20-F (17 CFR 249.220f) (regarding foreign private issuers), and closed-end management investment companies that are registered under the Investment Company Act of 1940 must report their repurchasing activity as required by Item 8 of Form N-CSR (17 CFR 249.331; 17 CFR 274.128).

(a) *Definitions.* Unless otherwise provided, all terms used in this section shall have the same meaning as in the Act. In addition, the following definitions shall apply:

(1) *ADTV* means the average daily trading volume reported for the security during the four calendar weeks preceding the week in which the Rule 10b-18 purchase is to be effected.

(2) *Affiliate* means any person that directly or indirectly controls, is controlled by, or is under common control with, the issuer.

(3) *Affiliated purchaser* means:

(i) A person acting, directly or indirectly, in concert with the issuer for the purpose of acquiring the issuer's securities; or

(ii) An affiliate who, directly or indirectly, controls the issuer's purchases of such securities, whose purchases are controlled by the issuer, or whose purchases are under common control with those of the issuer; *Provided, however,* that "affiliated purchaser" shall not include a broker, dealer, or other person solely by reason of such broker, dealer, or other person effecting Rule 10b-18 purchases on behalf of the issuer or for its account, and shall not include an officer or director of the issuer solely by reason of that officer or director's participation in the decision to authorize Rule 10b-18 purchases by or on behalf of the issuer.

(4) *Agent independent of the issuer* has the meaning contained in § 242.100 of this chapter.

(5) *Block* means a quantity of stock that either:

(i) Has a purchase price of \$200,000 or more; or

(ii) Is at least 5,000 shares and has a purchase price of at least \$50,000; or

(iii) Is at least 20 round lots of the security and totals 150 percent or more of the trading volume for that security or, in the event that trading volume data are unavailable, is at least 20 round lots of the security and totals at least one-tenth of one percent (.001) of the outstanding shares of the security, exclusive of any shares owned by any affiliate; *Provided, however,* That a block under paragraph (a)(5)(i), (ii), and (iii) shall not include any amount a broker or dealer, acting as principal, has accumulated for the purpose of sale or resale to the issuer or to any affiliated purchaser of the issuer if the issuer or such affiliated purchaser knows or has reason to know that such amount was accumulated for such purpose, nor shall it include any amount that a broker or dealer has sold short to the issuer or to any affiliated purchaser of the issuer if the issuer or such affiliated purchaser knows or has reason to know that the sale was a short sale.

(6) *Consolidated system* means a consolidated transaction or quotation reporting system that collects and publicly disseminates on a current and continuous basis transaction or quotation information in common equity securities pursuant to an effective transaction reporting plan (as defined in § 240.11Aa3-1) or a national market system plan (as defined in § 240.11Aa3-2).

(7) *Market-wide trading suspension* means a market-wide trading halt of 30 minutes or more that is:

(i) Imposed pursuant to the rules of a national securities exchange or a national securities association in response to a market-wide decline during a single trading session; or

(ii) Declared by the Commission pursuant to its authority under section 12(k) of the Act (15 U.S.C. 78l (k)).

(8) *Plan* has the meaning contained in § 242.100 of this chapter.

(9) *Principal market* for a security means the single securities market with the largest reported trading volume for the security during the six full calendar months preceding the week in which the Rule 10b-18 purchase is to be effected.

§ 240.10b-18

17 CFR Ch. II (4-1-04 Edition)

(10) *Public float value* has the meaning contained in §242.100 of this chapter.

(11) *Purchase price* means the price paid per share as reported, exclusive of any commission paid to a broker acting as agent, or commission equivalent, mark-up, or differential paid to a dealer.

(12) *Riskless principal transaction* means a transaction in which a broker or dealer after having received an order from an issuer to buy its security, buys the security as principal in the market at the same price to satisfy the issuer's buy order. The issuer's buy order must be effected at the same price per-share at which the broker or dealer bought the shares to satisfy the issuer's buy order, exclusive of any explicitly disclosed markup or markdown, commission equivalent, or other fee. In addition, only the first leg of the transaction, when the broker or dealer buys the security in the market as principal, is reported under the rules of a self-regulatory organization or under the Act. For purposes of this section, the broker or dealer must have written policies and procedures in place to assure that, at a minimum, the issuer's buy order was received prior to the offsetting transaction; the offsetting transaction is allocated to a riskless principal account or the issuer's account within 60 seconds of the execution; and the broker or dealer has supervisory systems in place to produce records that enable the broker or dealer to accurately and readily reconstruct, in a time-sequenced manner, all orders effected on a riskless principal basis.

(13) *Rule 10b-18 purchase* means a purchase (or any bid or limit order that would effect such purchase) of an issuer's common stock (or an equivalent interest, including a unit of beneficial interest in a trust or limited partnership or a depository share) by or for the issuer or any affiliated purchaser (including riskless principal transactions). However, it does *not* include any purchase of such security:

(i) Effected during the applicable restricted period of a distribution that is subject to §242.102 of this chapter;

(ii) Effected by or for an issuer plan by an agent independent of the issuer;

(iii) Effected as a fractional share purchase (a fractional interest in a se-

curity) evidenced by a script certificate, order form, or similar document;

(iv) Effected during the period from the time of public announcement (as defined in §230.165(f)) of a merger, acquisition, or similar transaction involving a recapitalization, until the earlier of the completion of such transaction or the completion of the vote by target shareholders. This exclusion does *not* apply to Rule 10b-18 purchases:

(A) Effected during such transaction in which the consideration is solely cash and there is no valuation period; or

(B) Where:

(1) The total volume of Rule 10b-18 purchases effected on any single day does not exceed the lesser of 25% of the security's four-week ADTV or the issuer's average daily Rule 10b-18 purchases during the three full calendar months preceding the date of the announcement of such transaction;

(2) The issuer's block purchases effected pursuant to paragraph (b)(4) of this section do not exceed the average size and frequency of the issuer's block purchases effected pursuant to paragraph (b)(4) of this section during the three full calendar months preceding the date of the announcement of such transaction; and

(3) Such purchases are not otherwise restricted or prohibited;

(v) Effected pursuant to §240.13e-1;

(vi) Effected pursuant to a tender offer that is subject to §240.13e-4 or specifically excepted from §240.13e-4; or

(vii) Effected pursuant to a tender offer that is subject to section 14(d) of the Act (15 U.S.C. 78n(d)) and the rules and regulations thereunder.

(b) *Conditions to be met.* Rule 10b-18 purchases shall not be deemed to have violated the anti-manipulation provisions of sections 9(a)(2) or 10(b) of the Act (15 U.S.C. 78i(a)(2) or 78j(b)), or §240.10b-5 under the Act, solely by reason of the time, price, or amount of the Rule 10b-18 purchases, or the number of brokers or dealers used in connection with such purchases, if the issuer or affiliated purchaser of the issuer effects the Rule 10b-18 purchases according to each of the following conditions:

(1) *One broker or dealer.* Rule 10b-18 purchases must be effected from or

through only one broker or dealer on any single day; *Provided, however*, that:

(i) The “one broker or dealer” condition shall not apply to Rule 10b-18 purchases that are not solicited by or on behalf of the issuer or its affiliated purchaser(s);

(ii) Where Rule 10b-18 purchases are effected by or on behalf of more than one affiliated purchaser of the issuer (or the issuer and one or more of its affiliated purchasers) on a single day, the issuer and all affiliated purchasers must use the same broker or dealer; and

(iii) Where Rule 10b-18 purchases are effected on behalf of the issuer by a broker-dealer that is not an electronic communication network (ECN) or other alternative trading system (ATS), that broker-dealer can access ECN or other ATS liquidity in order to execute repurchases on behalf of the issuer (or any affiliated purchaser of the issuer) on that day.

(2) *Time of purchases.* Rule 10b-18 purchases must not be:

(i) The opening (regular way) purchase reported in the consolidated system;

(ii) Effected during the 10 minutes before the scheduled close of the primary trading session in the principal market for the security, and the 10 minutes before the scheduled close of the primary trading session in the market where the purchase is effected, for a security that has an ADTV value of \$1 million or more and a public float value of \$150 million or more; and

(iii) Effected during the 30 minutes before the scheduled close of the primary trading session in the principal market for the security, and the 30 minutes before the scheduled close of the primary trading session in the market where the purchase is effected, for all other securities;

(iv) However, for purposes of this section, Rule 10b-18 purchases may be effected following the close of the primary trading session until the termination of the period in which last sale prices are reported in the consolidated system so long as such purchases are effected at prices that do not exceed the lower of the closing price of the primary trading session in the principal market for the security and any

lower bids or sale prices subsequently reported in the consolidated system, and all of this section’s conditions are met. However, for purposes of this section, the issuer may use one broker or dealer to effect Rule 10b-18 purchases during this period that may be different from the broker or dealer that it used during the primary trading session. However, the issuer’s Rule 10b-18 purchase may not be the opening transaction of the session following the close of the primary trading session.

(3) *Price of purchases.* Rule 10b-18 purchases must be effected at a purchase price that:

(i) Does not exceed the highest independent bid or the last independent transaction price, whichever is higher, quoted or reported in the consolidated system at the time the Rule 10b-18 purchase is effected;

(ii) For securities for which bids and transaction prices are not quoted or reported in the consolidated system, Rule 10b-18 purchases must be effected at a purchase price that does not exceed the highest independent bid or the last independent transaction price, whichever is higher, displayed and disseminated on any national securities exchange or on any inter-dealer quotation system (as defined in §240.15c2-11) that displays at least two priced quotations for the security, at the time the Rule 10b-18 purchase is effected; and

(iii) For all other securities, Rule 10b-18 purchases must be effected at a price no higher than the highest independent bid obtained from three independent dealers.

(4) *Volume of purchases.* The total volume of Rule 10b-18 purchases effected by or for the issuer and any affiliated purchasers effected on any single day must not exceed 25 percent of the ADTV for that security; *However*, once each week, in lieu of purchasing under the 25 percent of ADTV limit for that day, the issuer or an affiliated purchaser of the issuer may effect one block purchase if:

(i) No other Rule 10b-18 purchases are effected that day, and

(ii) The block purchase is *not* included when calculating a security’s four week ADTV under this section.

§ 240.10b-21

17 CFR Ch. II (4-1-04 Edition)

(c) *Alternative conditions.* The conditions of paragraph (b) of this section shall apply in connection with Rule 10b-18 purchases effected during a trading session following the imposition of a market-wide trading suspension, except:

(1) That the time of purchases condition in paragraph (b)(2) of this section shall not apply, either:

(i) From the reopening of trading until the scheduled close of trading on the day that the market-wide trading suspension is imposed; or

(ii) At the opening of trading on the next trading day until the scheduled close of trading that day, if a market-wide trading suspension was in effect at the close of trading on the preceding day; and

(2) The volume of purchases condition in paragraph (b)(4) of this section is modified so that the amount of Rule 10b-18 purchases must not exceed 100 percent of the ADTV for that security.

(d) *Other purchases.* No presumption shall arise that an issuer or an affiliated purchaser has violated the anti-manipulation provisions of sections 9(a)(2) or 10(b) of the Act (15 U.S.C. 78i(a)(2) or 78j(b)), or § 240.10b-5 under the Act, if the Rule 10b-18 purchases of such issuer or affiliated purchaser do not meet the conditions specified in paragraph (b) or (c) of this section.

(iv) May provide additional information regarding the issuer's views of and response to the independent accountant's report.

(3) Reports of the independent accountant submitted by the issuer to the Commission's Office of the Chief Accountant in accordance with paragraph (a)(2)(iii)(B) of this section shall be deemed to have been made pursuant to section 10A(b)(3) or section 10A(b)(4) of the Act, 15 U.S.C. 78j-1(b)(3) or 78j-1(b)(4), for purposes of the safe harbor provided by section 10A(c) of the Act, 15 U.S.C. 78j-1(c).

(4) Submission of the notice in paragraphs (a)(1) and (a)(2) of this section shall not relieve the issuer from its obligations to comply fully with all other reporting requirements, including, without limitation:

(i) The filing requirements of Form 8-K, § 249.308 of this chapter, and Form N-SAR, § 274.101 of this chapter, regarding a change in the issuer's certifying accountant and

(ii) The disclosure requirements of item 304 of Regulation S-B or item 304

Securities and Exchange Commission

§ 240.10A-2

of Regulation S-K, §§ 228.304 or 229.304 of this chapter.

(b)(1) Any independent accountant furnishing to the Commission a copy of a report (or the documentation of any oral report) in accordance with section 10A(b)(3) or section 10A(b)(4) of the Act, 15 U.S.C. 78j-1(b)(3) or 78j-1(b)(4), shall submit that report (or documentation) to the Commission's Office of the Chief Accountant within the time period prescribed by the appropriate section of the Act. The report (or documentation) may be submitted to the Commission's Office of the Chief Accountant by facsimile, telegraph, personal delivery, or any other means, *provided* it is received by the Office of the Chief Accountant within the time period set forth in section 10A(b)(3) or 10A(b)(4) of the Act, 15 U.S.C. 78j-1(b)(3) or 78j-1(b)(4), whichever is applicable in the circumstances.

(2) If the report (or documentation) submitted to the Office of the Chief Accountant in accordance with paragraph (b)(1) of this section does not clearly identify both the issuer (including the issuer's name, address, phone number, and file number assigned to the issuer's filings with the Commission) and the independent accountant (including the independent accountant's name and phone number, and the address of the independent accountant's principal office), then the independent accountant shall place that information in a prominent attachment to the report (or documentation) and shall submit that attachment to the Office of the Chief Accountant at the same time and in the same manner as the report (or documentation) is submitted to that Office.

(3) Submission of the report (or documentation) by the independent accountant as described in paragraphs (b)(1) and (b)(2) of this section shall not replace, or otherwise satisfy the need for, the newly engaged and former accountants' letters under items 304(a)(2)(D) and 304(a)(3) of Regulation S-K, §§ 229.304(a)(2)(D) and 229.304(a)(3) of this chapter, respectively, and under items 304(a)(2)(D) and 304(a)(3) of Regulation S-B, §§ 228.304(a)(2)(D) and 228.304(a)(3) of this chapter, respectively, and shall not limit, reduce, or affect in any way the independent accountant's obligations to comply fully

with all other legal and professional responsibilities, including, without limitation, those under generally accepted auditing standards and the rules or interpretations of the Commission that modify or supplement those auditing standards.

(c) A notice or report submitted to the Office of the Chief Accountant in accordance with paragraphs (a) and (b) of this section shall be deemed to be an investigative record and shall be non-public and exempt from disclosure pursuant to the Freedom of Information Act to the same extent and for the same periods of time that the Commission's investigative records are non-public and exempt from disclosure under, among other applicable provisions, 5 U.S.C. 552(b)(7) and § 200.80(b)(7) of this chapter. Nothing in this paragraph, however, shall relieve, limit, delay, or affect in any way, the obligation of any issuer or any independent accountant to make all public disclosures required by law, by any Commission disclosure item, rule, report, or form, or by any applicable accounting, auditing, or professional standard.

Instruction to Paragraph (c)

Issuers and independent accountants may apply for additional bases for confidential treatment for a notice, report, or part thereof, in accordance with § 200.83 of this chapter. That section indicates, in part, that any person who, pursuant to any requirement of law, submits any information or causes or permits any information to be submitted to the Commission, may request that the Commission afford it confidential treatment by reason of personal privacy or business confidentiality, or for any other reason permitted by Federal law.

§ 240.10A-3 Listing standards relating to audit committees.

(a) Pursuant to section 10A(m) of the Act (15 U.S.C. 78j-1(m)) and section 3 of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7202):

(1) *National securities exchanges.* The rules of each national securities exchange registered pursuant to section 6 of the Act (15 U.S.C. 78f) must, in accordance with the provisions of this section, prohibit the initial or continued listing of any security of an issuer that is not in compliance with the requirements of any portion of paragraph (b) or (c) of this section.

(2) *National securities associations.* The rules of each national securities association registered pursuant to section 15A of the Act (15 U.S.C. 78o-3) must, in accordance with the provisions of this section, prohibit the initial or continued listing in an automated inter-dealer quotation system of any security of an issuer that is not in compliance with the requirements of any portion of paragraph (b) or (c) of this section.

(3) *Opportunity to cure defects.* The rules required by paragraphs (a)(1) and (a)(2) of this section must provide for appropriate procedures for a listed issuer to have an opportunity to cure any defects that would be the basis for a prohibition under paragraph (a) of this section, before the imposition of such prohibition. Such rules also may provide that if a member of an audit committee ceases to be independent in accordance with the requirements of this section for reasons outside the member's reasonable control, that person, with notice by the issuer to the applicable national securities exchange or national securities association, may remain an audit committee member of the listed issuer until the earlier of the next annual shareholders meeting of the listed issuer or one year from the occurrence of the event that caused the member to be no longer independent.

(4) *Notification of noncompliance.* The rules required by paragraphs (a)(1) and (a)(2) of this section must include a requirement that a listed issuer must notify the applicable national securities exchange or national securities association promptly after an executive officer of the listed issuer becomes aware of any material noncompliance by the

listed issuer with the requirements of this section.

(5) *Implementation.* (i) The rules of each national securities exchange or national securities association meeting the requirements of this section must be operative, and listed issuers must be in compliance with those rules, by the following dates:

(A) July 31, 2005 for foreign private issuers and small business issuers (as defined in § 240.12b-2); and

(B) For all other listed issuers, the earlier of the listed issuer's first annual shareholders meeting after January 15, 2004, or October 31, 2004.

(ii) Each national securities exchange and national securities association must provide to the Commission, no later than July 15, 2003, proposed rules or rule amendments that comply with this section.

(iii) Each national securities exchange and national securities association must have final rules or rule amendments that comply with this section approved by the Commission no later than December 1, 2003.

(b) *Required standards—(1) Independence.* (i) Each member of the audit committee must be a member of the board of directors of the listed issuer, and must otherwise be independent; provided that, where a listed issuer is one of two dual holding companies, those companies may designate one audit committee for both companies so long as each member of the audit committee is a member of the board of directors of at least one of such dual holding companies.

(ii) *Independence requirements for non-investment company issuers.* In order to be considered to be independent for purposes of this paragraph (b)(1), a member of an audit committee of a listed issuer that is not an investment company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee:

(A) Accept directly or indirectly any consulting, advisory, or other compensatory fee from the issuer or any subsidiary thereof, provided that, unless the rules of the national securities exchange or national securities association provide otherwise, compensatory fees do not include the receipt of fixed

amounts of compensation under a retirement plan (including deferred compensation) for prior service with the listed issuer (provided that such compensation is not contingent in any way on continued service); or

(B) Be an affiliated person of the issuer or any subsidiary thereof.

(iii) *Independence requirements for investment company issuers.* In order to be considered to be independent for purposes of this paragraph (b)(1), a member of an audit committee of a listed issuer that is an investment company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee:

(A) Accept directly or indirectly any consulting, advisory, or other compensatory fee from the issuer or any subsidiary thereof, provided that, unless the rules of the national securities exchange or national securities association provide otherwise, compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the listed issuer (provided that such compensation is not contingent in any way on continued service); or

(B) Be an “interested person” of the issuer as defined in section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)).

(iv) *Exemptions from the independence requirements.* (A) For an issuer listing securities pursuant to a registration statement under section 12 of the Act (15 U.S.C. 78l), or for an issuer that has a registration statement under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) covering an initial public offering of securities to be listed by the issuer, where in each case the listed issuer was not, immediately prior to the effective date of such registration statement, required to file reports with the Commission pursuant to section 13(a) or 15(d) of the Act (15 U.S.C. 78m(a) or 78o(d)):

(1) All but one of the members of the listed issuer’s audit committee may be exempt from the independence requirements of paragraph (b)(1)(ii) of this section for 90 days from the date of effectiveness of such registration statement; and

(2) A minority of the members of the listed issuer’s audit committee may be exempt from the independence requirements of paragraph (b)(1)(ii) of this section for one year from the date of effectiveness of such registration statement.

(B) An audit committee member that sits on the board of directors of a listed issuer and an affiliate of the listed issuer is exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if the member, except for being a director on each such board of directors, otherwise meets the independence requirements of paragraph (b)(1)(ii) of this section for each such entity, including the receipt of only ordinary-course compensation for serving as a member of the board of directors, audit committee or any other board committee of each such entity.

(C) An employee of a foreign private issuer who is not an executive officer of the foreign private issuer is exempt from the requirements of paragraph (b)(1)(ii) of this section if the employee is elected or named to the board of directors or audit committee of the foreign private issuer pursuant to the issuer’s governing law or documents, an employee collective bargaining or similar agreement or other home country legal or listing requirements.

(D) An audit committee member of a foreign private issuer may be exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if that member meets the following requirements:

(1) The member is an affiliate of the foreign private issuer or a representative of such an affiliate;

(2) The member has only observer status on, and is not a voting member or the chair of, the audit committee; and

(3) Neither the member nor the affiliate is an executive officer of the foreign private issuer.

(E) An audit committee member of a foreign private issuer may be exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if that member meets the following requirements:

(1) The member is a representative or designee of a foreign government or foreign governmental entity that is an affiliate of the foreign private issuer; and

(2) The member is not an executive officer of the foreign private issuer.

(F) In addition to paragraphs (b)(1)(iv)(A) through (E) of this section, the Commission may exempt from the requirements of paragraphs (b)(1)(ii) or (b)(1)(iii) of this section a particular relationship with respect to audit committee members, as the Commission determines appropriate in light of the circumstances.

(2) *Responsibilities relating to registered public accounting firms.* The audit committee of each listed issuer, in its capacity as a committee of the board of directors, must be directly responsible for the appointment, compensation, retention and oversight of the work of any registered public accounting firm engaged (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the listed issuer, and each such registered public accounting firm must report directly to the audit committee.

(3) *Complaints.* Each audit committee must establish procedures for:

(i) Compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the listed issuer;

(ii) Compensation to any advisers employed by the audit committee under paragraph (b)(4) of this section; and

(iii) Ordinary administrative expenses of the audit committee that are necessary or appropriate in carrying out its duties.

(c) *General exemptions.* (1) At any time when an issuer has a class of securities that is listed on a national securities exchange or national securities association subject to the requirements of this section, the listing of other classes of securities of the listed issuer on a national securities exchange or national securities association is not subject to the requirements of this section.

(2) At any time when an issuer has a class of common equity securities (or similar securities) that is listed on a national securities exchange or national securities association subject to the requirements of this section, the listing of classes of securities of a direct or indirect consolidated subsidiary or an at least 50% beneficially owned subsidiary of the issuer (except classes of equity securities, other than non-convertible, non-participating preferred securities, of such subsidiary) is not subject to the requirements of this section.

(3) The listing of securities of a foreign private issuer is not subject to the requirements of paragraphs (b)(1) through (b)(5) of this section if the foreign private issuer meets the following requirements:

(iv) Home country legal or listing provisions set forth or provide for standards for the independence of such board or body, or statutory auditors, from the foreign private issuer or the management of such issuer;

(v) Such board or body, or statutory auditors, in accordance with any applicable home country legal or listing requirements or the issuer's governing documents, are responsible, to the extent permitted by law, for the appointment, retention and oversight of the work of any registered public accounting firm engaged (including, to the extent permitted by law, the resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the issuer; and

(vi) The audit committee requirements of paragraphs (b)(3), (b)(4) and (b)(5) of this section apply to such board or body, or statutory auditors, to the extent permitted by law.

(4) The listing of a security futures product cleared by a clearing agency that is registered pursuant to section 17A of the Act (15 U.S.C. 78q-1) or that is exempt from the registration requirements of section 17A pursuant to paragraph (b)(7)(A) of such section is not subject to the requirements of this section.

(5) The listing of a standardized option, as defined in § 240.9b-1(a)(4), issued by a clearing agency that is registered pursuant to section 17A of the Act (15 U.S.C. 78q-1) is not subject to the requirements of this section.

a board of directors or persons acting in a similar capacity; and

(ii) The activities of the listed issuer that is described in paragraph (c)(7)(i) of this section are limited to passively owning or holding (as well as administering and distributing amounts in respect of) securities, rights, collateral or other assets on behalf of or for the benefit of the holders of the listed securities.

(d) *Disclosure.* Any listed issuer availing itself of an exemption from the independence standards contained in paragraph (b)(1)(iv) of this section (except paragraph (b)(1)(iv)(B) of this section), the general exemption contained in paragraph (c)(3) of this section or the last sentence of paragraph (a)(3) of this section, must:

(1) Disclose its reliance on the exemption and its assessment of whether, and if so, how, such reliance would materially adversely affect the ability of the audit committee to act independently and to satisfy the other requirements of this section in any proxy or information statement for a meeting of shareholders at which directors are elected that is filed with the Commission pursuant to the requirements of section 14 of the Act (15 U.S.C. 78n); and

(2) Is not an executive officer of the specified person.

(B) Paragraph (e)(1)(ii)(A) of this section only creates a safe harbor position that a person does not control a specified person. The existence of the safe harbor does not create a presumption in any way that a person exceeding the ownership requirement in paragraph (e)(1)(ii)(A)(1) of this section controls or is otherwise an affiliate of a specified person.

(iii) The following will be deemed to be affiliates:

(A) An executive officer of an affiliate;

(B) A director who also is an employee of an affiliate;

(iv) For purposes of paragraph (e)(1)(i) of this section, dual holding companies will not be deemed to be affiliates of or persons affiliated with each other by virtue of their dual holding company arrangements with each other, including where directors of one dual holding company are also directors of the other dual holding company, or where directors of one or both dual holding companies are also directors of the businesses jointly controlled, directly or indirectly, by the dual holding companies (and, in each case, receive only ordinary-course compensation for serving as a member of the board of directors, audit committee or any other board committee of the dual holding companies or any entity that is jointly controlled, directly or indirectly, by the dual holding companies).

(2) In the case of foreign private issuers with a two-tier board system, the term *board of directors* means the supervisory or non-management board.

(3) In the case of a listed issuer that is a limited partnership or limited liability company where such entity does not have a board of directors or equivalent body, the term *board of directors* means the board of directors of

the managing general partner, managing member or equivalent body.

(4) The term *control* (including the terms *controlling*, *controlled by* and *under common control with*) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(5) The term *dual holding companies* means two foreign private issuers that:

(i) Are organized in different national jurisdictions;

(ii) Collectively own and supervise the management of one or more businesses which are conducted as a single economic enterprise; and

(iii) Do not conduct any business other than collectively owning and supervising such businesses and activities reasonably incidental thereto.

(6) The term *executive officer* has the meaning set forth in § 240.3b-7.

(7) The term *foreign private issuer* has the meaning set forth in § 240.3b-4(c).

(8) The term *indirect acceptance* by a member of an audit committee of any consulting, advisory or other compensatory fee includes acceptance of such a fee by a spouse, a minor child or stepchild or a child or stepchild sharing a home with the member or by an entity in which such member is a partner, member, an officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory services to the issuer or any subsidiary of the issuer.

(9) The terms *listed* and *listing* refer to securities listed on a national securities exchange or listed in an automated inter-dealer quotation system of a national securities association or to issuers of such securities.

INSTRUCTIONS TO § 240.10A-3

1. The requirements in paragraphs (b)(2) through (b)(5), (c)(3)(v) and (c)(3)(vi) of this section do not conflict with, and do not affect the application of, any requirement or

Securities and Exchange Commission

§240.11a-1

ability under a listed issuer's governing law or documents or other home country legal or listing provisions that requires or permits shareholders to ultimately vote on, approve or ratify such requirements. The requirements instead relate to the assignment of responsibility as between the audit committee and management. In such an instance, however, if the listed issuer provides a recommendation or nomination regarding such responsibilities to shareholders, the audit committee of the listed issuer, or body performing similar functions, must be responsible for making the recommendation or nomination.

2. The requirements in paragraphs (b)(2) through (b)(5), (c)(3)(v), (c)(3)(vi) and Instruction I of this section do not conflict with any legal or listing requirement in a listed issuer's home jurisdiction that prohibits the full board of directors from delegating such responsibilities to the listed issuer's audit committee or limits the degree of such delegation. In that case, the audit committee, or body performing similar functions, must be granted such responsibilities, which can include advisory powers, with respect to such matters to the extent permitted by law, including submitting nominations or recommendations to the full board.

3. The requirements in paragraphs (b)(2) through (b)(5), (c)(3)(v) and (c)(3)(vi) of this section do not conflict with any legal or listing requirement in a listed issuer's home jurisdiction that vests such responsibilities with a government entity or tribunal. In that case, the audit committee, or body performing similar functions, must be granted such responsibilities, which can include advisory powers, with respect to such matters to the extent permitted by law.

4. For purposes of this section, the determination of a person's beneficial ownership must be made in accordance with §240.13d-3.

sold, or whether any such transaction shall be one of purchase or sale.

(b) The provisions of paragraph (a) of this section shall not apply to:

(1) Any transaction by a registered specialist in a security in which he is so registered on such exchange;

(2) Any transaction for the account of an odd-lot dealer in a security in which he is so registered on such exchange;

(3) Any stabilizing transaction effected in compliance with §242.104 of this chapter to facilitate a distribution of such security in which such member is participating;

(4) Any bona fide arbitrage transaction;

(5) Any transaction made with the prior approval of a floor official of such exchange to permit such member to contribute to the maintenance of a fair and orderly market in such security, or any purchase or sale to reverse any such transaction;

(6) Any transaction to offset a transaction made in error; or

(7) Any transaction effected in conformity with a plan designed to eliminate floor trading activities which are not beneficial to the market and which plan has been adopted by an exchange and declared effective by the Commission. (c) For the purpose of this rule the term "on the floor of such exchange" shall include the trading floor; the rooms, lobbies, and other premises immediately adjacent thereto for use of members generally; other rooms, lobbies and premises made available primarily for use by members generally; and the telephone and other facilities in any such place.

(d) Any national securities exchange may apply for an exemption from the provisions of this rule in compliance

§ 240.11a1-1(T)

with the provisions of section 11(c) of the Act.

[29 FR 7381, June 6, 1964, as amended at 62 FR 544, Jan. 3, 1997]

EDITORIAL NOTE 1: The Commission finding that the floor trading plan of the New York Stock Exchange filed on May 25, 1964 is designed to eliminate floor trading activities not beneficial to the market hereby declares such plan effective August 3, 1964 subject to suspension or termination on sixty days written notice from the Commission, 29 FR 7381, June 6, 1964.

EDITORIAL NOTE 2: The text of the Commission's action declaring effective the amendments to the Floor Trading Plan of the American Stock Exchange is as follows, 33 FR 1073, Jan. 27, 1968:

The Securities and Exchange Commission acting pursuant to the Securities Exchange Act of 1934, particularly sections 11(a) and 23(a) thereof, and Rule 11a-1 (17 CFR 240.11a-1) under the Act, deeming it necessary for the exercise of the functions vested in it, and having due regard for the maintenance of fair and orderly markets, for the public interest, and for the protection of investors, hereby declares the Floor Trading Plan of the American Stock Exchange, as amended by amendments filed on May 11, 1967, effective January 31, 1968. If at any time it appears to the Commission to be necessary or appropriate in the public interest, for the protection of investors, or for the maintenance of fair and orderly markets, or that floor trading activities which are not beneficial to the market have not been eliminated by the Floor Trading Plan of the American Stock Exchange, the Commission may suspend or terminate the effectiveness of the plan by sending at least 60 days written notice to the American Stock Exchange. The American Stock Exchange shall have the opportunity to submit any written data, facts, arguments, or modifications in its plan within such 60-day period in such form as the Commission deems appropriate under the circumstances. The Commission has been informed that all persons subject to the Floor Trading Plan of the American Stock Exchange, as amended, have had actual notice thereof, and the Commission finds that notice and procedure pursuant to section 4 of the Administrative Procedure Act (5 U.S.C. section 553) are impracticable and unnecessary and that such Plan, as amended, may be, and is hereby, declared effective on January 31, 1968.

§ 240.11a1-1(T) Transactions yielding priority, parity, and precedence.

(a) A transaction effected on a national securities exchange for the account of a member which meets the requirements of section 11(a)(1)(G)(i) of the Act shall be deemed, in accordance with the requirements of section 11(a)(1)(G)(ii), to be not inconsistent with the maintenance of fair and orderly markets and to yield priority, parity, and precedence in execution to orders for the account of persons who are not members or associated with members of the exchange if such transaction is effected in compliance with each of the following requirements:

(1) A member shall disclose that a bid or offer for its account is for its account to any member with whom such bid or offer is placed or to whom it is communicated, and any such member through whom that bid or offer is communicated shall disclose to others participating in effecting the order that it is for the account of a member.

(2) Immediately before executing the order, a member (other than the specialist in such security) presenting any order for the account of a member on the exchange shall clearly announce or otherwise indicate to the specialist and to other members then present for the trading in such security on the exchange that he is presenting an order for the account of a member.

(3) Notwithstanding rules of priority, parity, and precedence otherwise applicable, any member presenting for execution a bid or offer for its own account or for the account of another member shall grant priority to any bid or offer at the same price for the account of a person who is not, or is not associated with, a member, irrespective of the size of any such bid or offer or the time when entered.

(b) A member shall be deemed to meet the requirements of section 11(a)(1)(G)(i) of the Act if during its preceding fiscal year more than 50 percent of its gross revenues was derived from one or more of the sources specified in that section. (C) An analysis of the impact on competition of implementation of the plan or amendment or of any facility contemplated by the plan or amendment;

(D) A description of any written understandings or agreements between or among plan sponsors or participants relating to interpretations of the plan or

conditions for becoming a sponsor or participant in the plan; and

(E) In the case of a proposed amendment, a statement that such amendment has been approved by the sponsors in accordance with the terms of the plan.

(5) Every national market system plan, or any amendment thereto, filed pursuant to this section shall include a description of the manner in which any facility contemplated by the plan or amendment will be operated. Such description shall include, to the extent applicable,

(i) The terms and conditions under which brokers, dealers, and/or self-regulatory organizations will be granted or denied access (including specific procedures and standards governing the granting or denial of access);

(ii) The method by which any fees or charges collected on behalf of all of the sponsors and/or participants in connection with access to, or use of, any facility contemplated by the plan or amendment will be determined and imposed (including any provision for distribution of any net proceeds from such fees or charges to the sponsors and/or participants) and the amount of such fees or charges;

(iii) The method by which, and the frequency with which, the performance of any person acting as plan processor with respect to the implementation and/or operation of the plan will be evaluated; and

(iv) The method by which disputes arising in connection with the operation of the plan will be resolved.

(6) In connection with the selection of any person to act as plan processor with respect to any facility contemplated by a national market system plan (including renewal of any contract for any person to so act), the sponsors shall file with the Commission a statement identifying the person selected, describing the material terms under which such person is to serve as plan processor, and indicating the solicitation efforts, if any, for alternative plan processors, the alternatives considered and the reasons for selection of such person.

(7) Any national market system plan (or any amendment thereto) which is intended by the sponsors to satisfy a

plan filing requirement contained in any other section of this subpart shall, in addition to compliance with this section, also comply with the requirements of such other section.

(c) *Effectiveness of national market system plans.* (1) The Commission shall publish notice of the filing of any national market system plan, or any proposed amendment to any effective national market system plan (including any amendment initiated by the Commission), together with the terms of substance of the filing or a description of the subjects and issues involved, and shall provide interested persons an opportunity to submit written comments. No national market system plan, or any amendment thereto, shall become effective unless approved by the Commission or otherwise permitted in accordance with paragraph (c)(3) of this section.

(2) Within 120 days of the date of publication of notice of filing of a national market system plan or an amendment to an effective national market system plan, or within such longer period as the Commission may designate up to 180 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or as to which the sponsors consent, the Commission shall approve such plan or amendment, with such changes or subject to such conditions as the Commission may deem necessary or appropriate, if it finds that such plan or amendment is necessary or appropriate in the public interest, for the protection of investors and the maintenance of fair and orderly markets, to remove impediments to, and perfect the mechanisms of, a national market system, or otherwise in furtherance of the purposes of the Act. Approval of a national market system plan, or an amendment to an effective national market system plan (other than an amendment initiated by the Commission), shall be by order. Promulgation of an amendment to an effective national market system plan initiated by the Commission shall be by rule.

(3) A proposed amendment may be put into effect upon filing with the Commission if designated by the sponsors as:

(i) Establishing or changing a fee or other charge collected on behalf of all of the sponsors and/or participants in connection with access to, or use of, any facility contemplated by the plan or amendment (including changes in any provision with respect to distribution of any net proceeds from such fees or other charges to the sponsors and/or participants);

(ii) Concerned solely with the administration of the plan, or involving the governing or constituent documents relating to any person (other than a self-regulatory organization) authorized to implement or administer such plan on behalf of its sponsors; or

(iii) Involving solely technical or ministerial matters. At any time within 60 days of the filing of any such amendment, the Commission may summarily abrogate the amendment and require that such amendment be refiled in accordance with paragraph (b)(1) of this section and reviewed in accordance with paragraph (c)(2) of this section, if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or the maintenance of fair and orderly markets, to remove impediments to, and perfect mechanisms of, a national market system or otherwise in furtherance of the purposes of the Act.

(4) Notwithstanding the provisions of paragraph (c)(1) of this section, a proposed amendment may be put into effect summarily upon publication of notice of such amendment, on a temporary basis not to exceed 120 days, if the Commission finds that such action is necessary or appropriate in the public interest, for the protection of investors or the maintenance of fair and orderly markets, to remove impediments to, and perfect mechanisms of, a national market system or otherwise in furtherance of the purposes of the Act.

(5) Any plan (or amendment thereto) in connection with:

(i) The planning, development, operation or regulation of a national market system (or a subsystem thereof) or one or more facilities thereof; or

(ii) The development and implementation of procedures and/or facilities designed to achieve compliance by self-regulatory organizations and/or their

members of any section of this subpart promulgated pursuant to section 11A of the Act, approved by the Commission pursuant to section 11A of the Act (or pursuant to any rule or regulation thereunder) prior to the effective date of this section (either temporarily or on a permanent basis) shall be deemed to have been filed and approved pursuant to this section and no additional filing need be made by the sponsors with respect to such plan or amendment; *Provided, however,* That all terms and conditions associated with any such approval (including time limitations) shall continue to be applicable; and, *Provided, further,* That any amendment to such plan filed with or approved by the Commission on or after the effective date of this section shall be subject to the provisions of, and considered in accordance with the procedures specified in, this section.

(d) *Compliance with terms of national market system plans.* Each self-regulatory organization shall comply with the terms of any effective national market system plan of which it is a sponsor or a participant. Each self-regulatory organization also shall, absent reasonable justification or excuse, enforce compliance with any such plan by its members and persons associated with its members.

(e) *Appeals.* The Commission may, in its discretion, entertain appeals in connection with the implementation or operation of any effective national market system plan as follows:

(1) Any action taken or failure to act by any person in connection with an effective national market system plan (other than a prohibition or limitation of access reviewable by the Commission pursuant to section 11A(b)(5) or section 19(d) of the Act) shall be subject to review by the Commission, on its own motion or upon application by any person aggrieved thereby (including, but not limited to, self-regulatory organizations, brokers, dealers, issuers, and vendors), filed not later than 30 days after notice of such action or failure to act or within such longer period as the Commission may determine.

(2) Application to the Commission for review, or the institution of review by the Commission on its own motion, shall not operate as a stay of any such

action unless the Commission determines otherwise, after notice and opportunity for hearing on the question of a stay (which hearing may consist only of affidavits or oral arguments).

(3) In any proceedings for review, if the Commission, after appropriate notice and opportunity for hearing (which hearing may consist solely of consideration of the record of any proceedings conducted in connection with such action or failure to act and an opportunity for the presentation of reasons supporting or opposing such action or failure to act) and upon consideration of such other data, views and arguments as it deems relevant, finds that the action or failure to act is in accordance with the applicable provisions of such plan and that the applicable provisions are, and were, applied in a manner consistent with the public interest, the protection of investors, the maintenance of fair and orderly markets and the removal of impediments to, and perfection of the mechanisms of, a national market system, the Commission, by order, shall dismiss the proceeding. If the Commission does not make any such finding, or if it finds that such action or failure to act imposes any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, the Commission, by order, shall set aside such action and/or require such action with respect to the matter reviewed as the Commission deems necessary or appropriate in the public interest, for the protection of investors, and the maintenance of fair and orderly markets, or to remove impediments to, and perfect the mechanisms of, a national market system.

(f) *Exemptions.* The Commission may exempt from the provisions of this section, either unconditionally or on specified terms and conditions, any self-regulatory organization, member thereof, or specified security, if the Commission determines that such exemption is consistent with the public interest, the protection of investors, the maintenance of fair and orderly

(5)(i) Any exchange may make an election for purposes of paragraph (a)(25)(i)(B) of this section for any covered security, by collecting, processing, and making available bids, offers, quotation sizes, and aggregate quotation sizes in that security; except that for any covered security previously listed or admitted to unlisted trading privileges on only one exchange and not traded by any OTC market maker, such election shall be made by notifying all specified persons, and shall be effective at the opening of trading on the business day following notification.

(ii) Any member of an association acting in the capacity of an OTC market maker may make an election for purposes of paragraph (a)(25)(ii)(B) of this section for any covered security, by communicating to its association bids, offers, and quotation sizes in that security; except that for any other covered security listed or admitted to unlisted trading privileges on only one exchange and not traded by any other OTC market maker, such election shall be made by notifying its association and all specified persons, and shall be effective at the opening of trading on the business day following notification.

(iii) The election of an exchange or member of an association for any covered security pursuant to this paragraph (b)(5) shall cease to be in effect if such exchange or member ceases to make available or communicate bids, offers, and quotation sizes in such security.

(3)(i) No responsible broker or dealer shall be obligated to execute a transaction for any subject security as provided in paragraph (c)(2) of this section to purchase or sell that subject security in an amount greater than such revised quotation if:

(A) Prior to the presentation of an order for the purchase or sale of a subject security, a responsible broker or dealer has communicated to its exchange or association, pursuant to paragraph (c)(1) of this section, a revised quotation size; or

(B) At the time an order for the purchase or sale of a subject security is presented, a responsible broker or dealer is in the process of effecting a transaction in such subject security, and immediately after the completion of such transaction, it communicates to its exchange or association a revised quotation size, such responsible broker or dealer shall not be obligated by paragraph (c)(2) of this section to purchase or sell that subject security in an amount greater than such revised quotation size.

(A) Before the order sought to be executed is presented, such responsible broker or dealer has communicated to

its exchange or association pursuant to paragraph (c)(1) of this section, a revised bid or offer; or

(B) At the time the order sought to be executed is presented, such responsible broker or dealer is in the process of effecting a transaction in such subject security, and, immediately after the completion of such transaction, such responsible broker or dealer communicates to its exchange or association pursuant to paragraph (c)(1) of this section, a revised bid or offer; *provided, however,* That such responsible broker or dealer shall nonetheless be obligated to execute any such order in such subject security as provided in paragraph (c)(2) of this section at its revised bid or offer in any amount up to its published quotation size or revised quotation size.

(4) Subject to the provisions of paragraph (b)(4) of this section:

(i) No exchange or OTC market maker may make available, disseminate or otherwise communicate to any quotation vendor, directly or indirectly, for display on a terminal or other display device any bid, offer, quotation size, or aggregate quotation size for any covered security which is not a subject security with respect to such exchange or OTC market maker; and

(ii) No quotation vendor may disseminate or display on a terminal or other display device any bid, offer, quotation size, or aggregate quotation size from any exchange or OTC market maker for any covered security which is not a subject security with respect to such exchange or OTC market maker.

(5)(i) Entry of any priced order for a covered security by an exchange market maker or OTC market maker in that security into an electronic communications network that widely disseminates such order shall be deemed to be:

(A) A bid or offer under this section, to be communicated to the market maker's exchange or association pursuant to paragraph (c) of this section for at least the minimum quotation size that is required by the rules of the market maker's exchange or association if the priced order is for the account of a market maker, or the actual

size of the order up to the minimum quotation size required if the priced order is for the account of a customer; and

(B) A communication of a bid or offer to a quotation vendor for display on a display device for purposes of paragraph (c)(4) of this section.

(ii) An exchange market maker or OTC market maker that has entered a priced order for a covered security into an electronic communications network that widely disseminates such order shall be deemed to be in compliance with paragraph (c)(5)(i)(A) of this section if the electronic communications network:

(A)(1) Provides to an exchange or association (or an exclusive processor acting on behalf of one or more exchanges or associations) the prices and sizes of the orders at the highest buy price and the lowest sell price for such security entered in, and widely disseminated by, the electronic communications network by exchange market makers and OTC market makers for the covered security, and such prices and sizes are included in the quotation data made available by the exchange, association, or exclusive processor to quotation vendors pursuant to this section; and

(2) Provides, to any broker or dealer, the ability to effect a transaction with a priced order widely disseminated by the electronic communications network entered therein by an exchange market maker or OTC market maker that is:

(i) Equivalent to the ability of any broker or dealer to effect a transaction with an exchange market maker or OTC market maker pursuant to the rules of the exchange or association to which the electronic communications network supplies such bids and offers; and

(ii) At the price of the highest priced buy order or lowest priced sell order, or better, for the lesser of the cumulative size of such priced orders entered therein by exchange market makers or OTC market makers at such price, or the size of the execution sought by the broker or dealer, for the covered security; or

(B) Is an alternative trading system that:

(d) *Transactions in listed options.*

(1) An exchange or association:

(i) Shall not be required, under paragraph (b) of this section, to collect from responsible brokers or dealers who are members of such exchange or association, or to make available to quotation vendors, the quotation sizes and aggregate quotation sizes for listed options, if such exchange or association establishes by rule and periodically publishes the quotation size for which such responsible brokers or dealers are obligated to execute an order to buy or sell an options series that is a subject security at its published bid or offer under paragraph (c)(2) of this section;

(ii) May establish by rule and periodically publish a quotation size, which shall not be for less than one contract, for which responsible brokers or dealers who are members of such exchange or association are obligated under paragraph (c)(2) of this section to execute an order to buy or sell a listed option for the account of a broker or dealer that is in an amount different from the quotation size for which it is obligated to execute an order for the account of a customer; and

(iii) May establish and maintain procedures and mechanisms for collecting from responsible brokers and dealers who are members of such exchange or association, and making available to quotation vendors, the quotation sizes and aggregate quotation sizes in listed options for which such responsible broker or dealer will be obligated under paragraph (c)(2) of this section to execute an order from a customer to buy or sell a listed option and establish by rule and periodically publish the size, which shall not be less than one contract, for which such responsible brokers or dealers are obligated to execute an order for the account of a broker or dealer.

(2) If, pursuant to paragraph (d)(1) of this section, the rules of an exchange or association do not require its members to communicate to it their quotation sizes for listed options, a responsible broker or dealer that is a member of such exchange or association shall:

(i) Be relieved of its obligations under paragraph (c)(1) of this section to communicate to such exchange or association its quotation sizes for any listed option; and

(ii) Comply with its obligations under paragraph (c)(2) of this section by executing any order to buy or sell a listed option, in an amount up to the size established by such exchange's or association's rules under paragraph (d)(1) of this section.

(3) *Thirty second response.* Each responsible broker or dealer, within thirty seconds of receiving an order to buy or sell a listed option in an amount greater than the quotation size established by an exchange's or association's rules pursuant to paragraph (d)(1) of this section, or its published quotation size must:

(i) Execute the entire order; or

(ii)(A) Execute that portion of the order equal to at least:

(1) The quotation size established by an exchange's or association's rules, pursuant to paragraph (d)(1) of this section, to the extent that such exchange or association does not collect and make available to quotation vendors quotation size and aggregate quotation size under paragraph (b) of this section; or

(2) Its published quotation size; and

(B) Revise its bid or offer.

(4) Notwithstanding paragraph (d)(3) of this section, no responsible broker or dealer shall be obligated to execute a transaction for any listed option as provided in paragraph (c)(2) of this section if:

(i) Any of the circumstances in paragraph (c)(3) of this section exist; or

(ii) The order for the purchase or sale of a listed option is presented during a trading rotation in that listed option.

(b) *Display requirements for transaction reports and last sale data.* (1) No vendor shall distribute, publish, display or otherwise provide to brokers and dealers on a real-time or other current and continuing basis, whether through an electronic communications network, moving ticker or interrogation device, transaction reports, last sale data or market information in contravention of the provisions of this section.

(2) On and after the effective date of this section, the following requirements shall be applicable to the display of transaction reports, last sale data or market information with respect to reported securities:

(i) If transaction reports or last sale data with respect to a particular reported security are provided by a vendor on an interrogation device, such vendor shall provide on that device a consolidated display of transaction reports or last sale data for such security which shall include, at a minimum, (A) the consolidated price for such security, (B) the consolidated volume or cumulative consolidated volume for such security, and (C) an identifier indicating the reporting market center associated with such consolidated price and consolidated volume (the "consolidated last sale display").

(ii) The consolidated last sale display shall be accessed by means of retrieval instructions involving a number of key strokes which is fewer than the number of strokes required to access any individual market center display of transaction reports or last sale data provided on that device for such security; *Provided, however,* That, notwithstanding the above requirement, a ven-

dor may provide on that device both the consolidated last sale display and any such individual market center displays made available for such security by means of retrieval instructions involving an equal number of key strokes if the information request or transmit key for the consolidated last sale display is the most prominent.

(iii) Subject to the provisions of paragraph (b)(2)(ii) of this section, a vendor may provide on an interrogation device an individual market center display of transaction reports or last sale data for a particular reported security for any reporting market center in such security.

(iv) No moving ticker may include an identifier indicating the reporting market center associated with a particular transaction report with respect to a reported security unless such moving ticker includes identifiers for all transaction reports for such security (or an identifiable subset of all such transaction reports) from all reporting market centers in that security in a non-discriminatory manner.

(v) No moving ticker or consolidated last sale display may exclude any transaction report or last sale data based upon the market center in which a transaction has been executed.

(vi) No vendor may provide any category of market information in an individual market center display for a particular subject security unless that category of market information is also provided, on a consolidated basis, as part of the consolidated last sale display for that security; *Provided, however,* That a vendor may delete from such consolidated last sale display up to three categories of information if such deletion is necessary to accommodate the display of any market identifiers required by this section.

(vii) Transaction reports and last sale data from all reporting market centers which are third market makers may be identified in a consolidated last sale display or a moving ticker by a single identifier without identification of the individual third market maker associated with such transaction report or last sale data.

(c) *Display requirements for quotation information.* (1) No vendor shall distribute, publish, display or otherwise

provide to brokers and dealers on a real-time or other current and continuing basis, whether through an electronic communications network, moving ticker or interrogation device, quotation information with respect to subject securities in contravention of the provisions of this section.

(B) A quotation montage for that security.

(ii) The consolidated quotation display shall be accessed by means of retrieval instructions involving a number of key strokes which is fewer than the number of strokes required to access any individual market center quotation display provided on that device by such vendors for such security: *Provided, however,* That, notwithstanding the above requirement, a vendor may provide on that device both the consolidated quotation display and any individual market center display of quotation information provided for such security by means of retrieval instructions involving an equal number of key strokes if the information request or transmit key for the consolidated quotation display is the most prominent.

(iii) Subject to the provisions of paragraph (c)(2)(ii) of this section, a

vendor may provide on an interrogation device

(A) An individual market center display of quotation information for a particular subject security for any reporting market center in such security; or

(B) Either separately or as the consolidated quotation display, a quotation montage for that security.

(iv) No consolidated quotation display or separate quotation montage provided on an interrogation device may exclude any quotation information based upon the market center making available such information: *Provided, however,* That for purposes of providing the consolidated quotation display or a separate quotation montage for any reported security, quotation information from all reporting market centers which are third market makers may be consolidated to derive a best bid and offer for all such market centers if such interrogation device is capable of displaying, either separately or as part of the consolidated quotation display or separate quotation montage, (A) identifiers indicating the reporting market center making available such best bid and the reporting market center making available such best offer, and (B) the quotation size associated with both such best bid and best offer.

(v) Each individual market center display of quotation information or separate quotation montage for a particular reported security shall include the quotation size or aggregate quotation size associated with each bid or offer disseminated as part of such display or montage.

(vi) No vendor may provide on any interrogation device a representative bid or offer with respect to any subject security.

(d) *Joint display of transaction reports and quotation information.* Subject to the provisions of paragraphs (b)(2)(ii) and (c)(2)(ii) of this section regarding the means of access to consolidated last sale displays and consolidated quotation displays, a vendor may combine the consolidated last sale display and the consolidated quotation display for a particular subject security.

(e) *Applicability to brokers and dealers.* Subject to the provisions of paragraph

§240.11Ac1-3

(f) of this section, no broker or dealer may operate or maintain any display of transaction reports, last sale data, quotation information or market information which would not be permitted to be provided by a vendor under paragraph (b) or (c) of this section.

(g) *Exemptions.* The Commission may exempt from the provisions of this section, either unconditionally or on specified terms and conditions, any securities information processor, self-regulatory organization, broker, dealer or specified subject security if the Commission determines that such exemption is consistent with the public interest, the protection of investors and the removal of impediments to, and perfection of the mechanisms of, a national market system.

(h) *Effective date.* The effective date of this section shall be April 5, 1980, except for paragraph (c)(2)(vi), which shall become effective on July 5, 1980, and paragraphs (b)(2)(ii), (vi) and (c)(2)(i), (ii), (iv), (v) which shall become effective on October 1, 1981.

[61 FR 48331, Sept. 12, 1996, as amended at 65 FR 75462, Dec. 1, 2000]

§ 240.11Ac1-5 Disclosure of order execution information.

Preliminary Note: Section 240.11Ac1-5 requires market centers to make available standardized, monthly reports of statistical information concerning their order executions. This information is presented in accordance with uniform standards that are based on broad assumptions about order execution and routing practices. The information will provide a starting point to promote visibility and competition on the part of market centers and broker-

dealers, particularly on the factors of execution price and speed. The disclosures required by this section do not encompass all of the factors that may be important to investors in evaluating the order routing services of a broker-dealer. In addition, any particular market center's statistics will encompass varying types of orders routed by different broker-dealers on behalf of customers with a wide range of objectives. Accordingly, the statistical information required by this Section alone does not create a reliable basis to address whether any particular broker-dealer failed to obtain the most favorable terms reasonably available under the circumstances for customer orders.

(a) *Definitions.* For the purposes of this section:

(1) The term *alternative trading system* shall have the meaning provided in § 242.300(c) of this chapter.

(2) The term *average effective spread* shall mean the share-weighted average of effective spreads for order executions calculated, for buy orders, as double the amount of difference between the execution price and the midpoint of the consolidated best bid and offer at the time of order receipt and, for sell orders, as double the amount of difference between the midpoint of the consolidated best bid and offer at the time of order receipt and the execution price.

(3) The term *average realized spread* shall mean the share-weighted average of realized spreads for order executions calculated, for buy orders, as double the amount of difference between the execution price and the midpoint of the consolidated best bid and offer five minutes after the time of order execution and, for sell orders, as double the amount of difference between the midpoint of the consolidated best bid and offer five minutes after the time of order execution and the execution price; provided, however, that the midpoint of the final consolidated best bid and offer disseminated for regular trading hours shall be used to calculate a realized spread if it is disseminated less than five minutes after the time of order execution.

(4) The term *categorized by order size* shall mean dividing orders into separate categories for sizes from 100 to 499

Securities and Exchange Commission

§ 240.11Ac1-5

shares, from 500 to 1999 shares, from 2000 to 4999 shares, and 5000 or greater shares.

(5) The term *categorized by order type* shall mean dividing orders into separate categories for market orders, marketable limit orders, inside-the-quote limit orders, at-the-quote limit orders, and near-the-quote limit orders.

(6) The term *categorized by security* shall mean dividing orders into separate categories for each national market system security that is included in a report.

(7) The term *consolidated best bid and offer* shall mean the highest firm bid and the lowest firm offer for a security that is calculated and disseminated on a current and continuous basis pursuant to an effective national market system plan.

(8) The term *covered order* shall mean any market order or any limit order (including immediate-or-cancel orders) received by a market center during regular trading hours at a time when a consolidated best bid and offer is being disseminated, and, if executed, is executed during regular trading hours, but shall exclude any order for which the customer requests special handling for execution, including, but not limited to, orders to be executed at a market opening price or a market closing price, orders submitted with stop prices, orders to be executed only at their full size, orders to be executed on a particular type of tick or bid, orders submitted on a "not held" basis, orders for other than regular settlement, and orders to be executed at prices unrelated to the market price of the security at the time of execution.

(9) The term *exchange market maker* shall mean any member of a national securities exchange that is registered as a specialist or market maker pursuant to the rules of such exchange.

(10) The term *executed at the quote* shall mean, for buy orders, execution at a price equal to the consolidated best offer at the time of order receipt and, for sell orders, execution at a price equal to the consolidated best bid at the time of order receipt.

(11) The term *executed outside the quote* shall mean, for buy orders, execution at a price higher than the consolidated best offer at the time of order receipt

and, for sell orders, execution at a price lower than the consolidated best bid at the time of order receipt.

(12) The term *executed with price improvement* shall mean, for buy orders, execution at a price lower than the consolidated best offer at the time of order receipt and, for sell orders, execution at a price higher than the consolidated best bid at the time of order receipt.

(13) The terms *inside-the-quote limit order, at-the-quote limit order, and near-the-quote limit order* shall mean non-marketable buy orders with limit prices that are, respectively, higher than, equal to, and lower by \$0.10 or less than the consolidated best bid at the time of order receipt, and non-marketable sell orders with limit prices that are, respectively, lower than, equal to, and higher by \$0.10 or less than the consolidated best offer at the time of order receipt.

Registrant. The term “registrant” means an issuer of securities with respect to which a registration statement or report is to be filed.

Registration statement. The term “registration statement” or “statement”, when used with reference to registration pursuant to section 12 of the act, includes both an application for registration of securities on a national securities exchange pursuant to section 12(b) of the act and a registration statement filed pursuant to section 12(g) of the act.

Share. The term “share” means a share of stock in a corporation or unit of interest in an unincorporated person.

Significant subsidiary. The term “significant subsidiary” means a subsidiary, including its subsidiaries, which meets any of the following conditions:

(1) The registrant’s and its other subsidiaries’ investments in and advances to the subsidiary exceed 10 percent of the total assets of the registrant and its subsidiaries consolidated as of the end of the most recently completed fiscal year (for a proposed business combination to be accounted for as a pooling of interests, this condition is also met when the number of common shares exchanged or to be exchanged by the registrant exceeds 10 percent of its total common shares outstanding at the date the combination is initiated); or

(2) The registrant’s and its other subsidiaries’ proportionate share of the total assets (after intercompany eliminations) of the subsidiary exceeds 10 percent of the total assets of the registrants and its subsidiaries consolidated as of the end of the most recently completed fiscal year; or

(3) The registrant’s and its other subsidiaries’ equity in the income from continuing operations before income taxes, extraordinary items and cumulative effect of a change in accounting principle of the subsidiary exceeds 10 percent of such income of the registrant and its subsidiaries consolidated for the most recently completed fiscal year.

COMPUTATIONAL NOTE: For purposes of making the prescribed income test the following guidance should be applied:

1. When a loss has been incurred by either the parent and its subsidiaries consolidated or the tested subsidiary, but not both, the equity in the income or loss of the tested subsidiary should be excluded from the income of the registrant and its subsidiaries consolidated for purposes of the computation.

2. If income of the registrant and its subsidiaries consolidated for the most recent fiscal year is at least 10 percent lower than the average of the income for the last five fiscal years, such average income should be substituted for purposes of the computation. Any loss years should be omitted for purposes of computing average income.

Small Business Issuer. The term “small business issuer” means an entity that meets the following criteria:

(1) Has revenues of less than \$25,000,000;

(2) Is a U.S. or Canadian issuer;

(3) Is not an investment company; and

(4) If a majority owned subsidiary, the parent corporation is also a small business issuer.

Provided however, that an entity is not a small business issuer if it has a public float (the aggregate market value of the issuer’s outstanding voting and non-voting common equity held by non-affiliates) of \$25,000,000 or more.

NOTE: The public float of a reporting company shall be computed by use of the price at which the stock was last sold, or the average of the bid and asked prices of such stock, on a date within 60 days prior to the end of its most recent fiscal year. The public float of a company filing an initial registration statement under the Exchange Act shall be determined as of a date within 60 days of the date the registration statement is filed. In the case of an initial public offering of securities, public float shall be computed on the basis of the number of shares outstanding prior to the offering and the estimated public offering price of the securities.

Subsidiary. A “subsidiary” of a specified person is an affiliate controlled by such person directly, or indirectly through one or more intermediaries. (See also “majority-owned subsidiary,” “significant subsidiary,” and “totally-held subsidiary.”)

Succession. The term “succession” means the direct acquisition of the assets comprising a going business, whether by merger, consolidation, purchase, or other direct transfer. The

term does not include the acquisition of control of a business unless followed by the direct acquisition of its assets. The terms "succeed" and "successor" have meanings correlative to the foregoing.

Totally held subsidiary. The term "totally held subsidiary" means a subsidiary (1) substantially all of whose outstanding securities are owned by its parent and/or the parent's other totally held subsidiaries, and (2) which is not indebted to any person other than its parent and/or the parent's other totally held subsidiaries in an amount which is material in relation to the particular subsidiary, excepting indebtedness incurred in the ordinary course of business which is not overdue and which matures within one year from the date of its creation, whether evidenced by securities or not.

Voting securities. The term "voting securities" means securities the holders of which are presently entitled to vote for the election of directors.

Wholly-owned subsidiary. The term "wholly-owned subsidiary" means a subsidiary substantially all of whose outstanding voting securities are owned by its parent and/or the parent's other wholly-owned subsidiaries.

This information shall not be required to be filed with or deemed part of the registration statement or report. The information shall be returned to the registrant upon request, provided that:

(a) Such request is made at the time such information is furnished to the staff;

§ 240.12b-12 Requirements as to paper, printing and language.

(a) Statements and reports shall be filed on good quality, unglazed white paper, no larger than 8½×11 inches in size, insofar as practicable. To the extent that the reduction of larger documents would render them illegible, such documents may be filed on paper larger than 8½×11 inches in size.

(b) The statement or report and, insofar as practicable, all papers and documents filed as a part thereof, shall be printed, lithographed, mimeographed, or typewritten. However, the statement or report or any portion thereof may be prepared by any similar process which, in the opinion of the Commission, produces copies suitable for a permanent record and microfilming. Irrespective of the process used, all copies of any such material shall be clear, easily readable and suitable for repeated photocopying. Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable as such on photocopies.

(c) The body of all printed statements and reports and all notes to financial statements and other tabular data included therein shall be in roman type at least as large and as legible as 10-point modern type. However, to the

extent necessary for convenient presentation, financial statements and other tabular data, including tabular data in notes, may be in roman type at least as large and as legible as 8-point modern type. All such type shall be leaded at least 2 points.

(d)(1) All Exchange Act filings and submissions must be in the English language, except as otherwise provided by this section. If a filing or submission requires the inclusion of a document that is in a foreign language, a party must submit instead a fair and accurate English translation of the entire foreign language document, except as provided by paragraph (d)(3) of this section.

(2) If a filing or submission subject to review by the Division of Corporation Finance requires the inclusion of a foreign language document as an exhibit or attachment, a party must submit a fair and accurate English translation of the foreign language document if consisting of any of the following, or an amendment of any of the following:

(i) Articles of incorporation, memoranda of association, bylaws, and other comparable documents, whether original or restated;

(ii) Instruments defining the rights of security holders, including indentures qualified or to be qualified under the Trust Indenture Act of 1939;

(iii) Voting agreements, including voting trust agreements;

(iv) Contracts to which directors, officers, promoters, voting trustees or security holders named in a registration statement, report or other document are parties;

(v) Contracts upon which a filer's business is substantially dependent;

(vi) Audited annual and interim consolidated financial information; and

(vii) Any document that is or will be the subject of a confidential treatment request under § 240.24b-2 or § 230.406 of this chapter.

(3)(i) A party may submit an English summary instead of an English translation of a foreign language document as an exhibit or attachment to a filing or submission subject to review by the Division of Corporation Finance, as long as:

(A) The foreign language document does not consist of any of the subject

matter enumerated in paragraph (d)(2) of this section; or

(B) The applicable form permits the use of an English summary.

(ii) Any English summary submitted under paragraph (d)(3) of this section must:

(A) Fairly and accurately summarize the terms of each material provision of the foreign language document; and

(B) Fairly and accurately describe the terms that have been omitted or abridged.

(4) When submitting an English summary or English translation of a foreign language document under this section, a party must identify the submission as either an English summary or English translation. A party may submit a copy of the unabridged foreign language document when including an English summary or English translation of a foreign language document in a filing or submission. A party must provide a copy of any foreign language document upon the request of Commission staff.

(5) A foreign government or its political subdivision must provide a fair and accurate English translation of its latest annual budget submitted as Exhibit B to Form 18 (§ 249.218 of this chapter) or Exhibit (c) to Form 18-K (§ 249.318 of this chapter) only if one is available. If no English translation is available, a filer must provide a copy of the foreign language version of its latest annual budget as an exhibit.

(6) A Canadian issuer may file an exhibit, attachment or other part of a Form 40-F registration statement or annual report (§ 249.240f of this chapter), Schedule 13E-4F (§ 240.13e-102), Schedule 14D-1F (§ 240.14d-102), or Schedule 14D-9F (§ 240.14d-103), that contains text in both French and English if the issuer included the French text to comply with the requirements of the Canadian securities administrator or other Canadian authority and, for an electronic filing, if the filing is an HTML document, as defined in Regulation S-T Rule 11 (17 CFR 232.11).

(e) Where a statement or report is distributed to investors through an electronic medium, issuers may satisfy legibility requirements applicable to printed documents, such as paper size

§ 240.12b-13

and type size and font, by presenting all required information in a format readily communicated to investors.

§ 240.12b-13 Preparation of statement or report.

The statement or report shall contain the numbers and captions of all items of the appropriate form, but the text of the items may be omitted provided the answers thereto are so prepared as to indicate to the reader the coverage of the items without the necessity of his referring to the text of the items or instructions thereto. However, where any item requires information to be given in tabular form, it shall be given in substantially the tabular form specified in the item. An amendment to any report required to include the certifications as specified in §240.13a-14(a) or §240.15d-14(a) must include new certifications by each principal executive and principal financial officer of the registrant, and an amendment to any report required to be accompanied by the certifications as specified in §240.13a-14(b) or §240.15d-14(b) must be accompanied by new certifications by each principal executive and principal financial officer of the registrant. GENERAL REQUIREMENTS AS TO CONTENTS

§ 240.12b-20 Additional information.

In addition to the information expressly required to be included in a statement or report, there shall be added such further material information, if any, as may be necessary to make the required statements, in the light of the circumstances under which they are made not misleading.

(Secs. 4, 16, 19, 24, 48 Stat. 77, 896, 85, as amended, 901; 15 U.S.C. 77d, 78p, 77s, 78x)

§ 240.12b-21 Information unknown or not available.

Information required need be given only insofar as it is known or reasonably available to the registrant. If any required information is unknown and not reasonably available to the registrant, either because the obtaining

thereof would involve unreasonable effort or expense, or because it rests peculiarly within the knowledge of another person not affiliated with the registrant, the information may be omitted, subject to the following conditions.

(a) The registrant shall give such information on the subject as it possesses or can acquire without unreasonable effort or expense, together with the sources thereof.

(b) The registrant shall include a statement either showing that unreasonable effort or expense would be involved or indicating the absence of any affiliation with the person within whose knowledge the information rests and stating the result of a request made to such person for the information.

§ 240.12b-22 Disclaimer of control.

If the existence of control is open to reasonable doubt in any instance, the registrant may disclaim the existence of control and any admission thereof; in such case, however, the registrant shall state the material facts pertinent to the possible existence of control.

§ 240.12b-23 Incorporation by reference.

(a) Except for information filed as an exhibit which is covered by Rule 12b-32 (17 CFR 240.12b-32), information may be incorporated by reference in answer, or partial answer, to any item of a registration statement or report subject to the following provisions:

(1) Financial statements incorporated by reference shall satisfy the requirements of the form or report in which they are incorporated. Financial statements or other financial data required to be given in comparative form for two or more fiscal years or periods shall not be incorporated by reference unless the material incorporated by reference includes the entire period for which the comparative data is given;

(2) Information in any part of the registration statement or report may be incorporated by reference in answer, or partial answer, to any other item of the registration statement or report; and

(3) Copies of any information or financial statement incorporated into a

(b) Any incorporation by reference of matter pursuant to this section shall be subject to the provisions of §228.10(f) and §229.10(d) of this chapter restricting incorporation by reference of documents which incorporate by reference other information. Material incorporated by reference shall be clearly identified in the reference by page, paragraph, caption or otherwise. Where only certain pages of a document are incorporated by reference and filed as an exhibit, the document from which the material is taken shall be clearly identified in the reference. An express statement that the specified matter is incorporated by reference shall be made at the particular place in the statement or report where the information is required. Matter shall not be incorporated by reference in any case where such incorporation would render the statement or report incomplete, unclear or confusing.

§ 240.12d2-2 Removal from listing and registration.

(a) A national securities exchange shall file with the Commission an application on Form 25 to strike a security from listing and registration thereon within a reasonable time after the exchange is reliably informed that any of the following conditions exist with respect to such a security:

(1) The entire class of the security has been called for redemption, maturity or retirement; appropriate notice thereof has been given; funds sufficient for the payment of all such securities have been deposited with an agency authorized to make such payments; and such funds have been made available to security holders.

(2) The entire class of the security has been redeemed or paid at maturity or retirement.

(3) The instruments representing the securities comprising the entire class have come to evidence, by operation of law or otherwise, other securities in substitution therefor and represent no other right, except, if such be the fact, the right to receive an immediate cash payment (the right of dissenters to receive the appraised or fair value of their holdings shall not prevent the application of this provision).

(4) All rights pertaining to the entire class of the security have been extinguished: *Provided, however,* That where such an event occurs as the result of an order of a court or other governmental authority, the order shall be final, all applicable appeal periods shall have expired, and no appeals shall be pending.

EFFECTIVE DATE: Such an application shall be deemed to be granted and shall become effective at the opening of business on such date as the exchange shall specify in said application, but not less than 10 days following the date on which said application is filed with the Commission; *Provided, however,* That in the event removal is being effected under paragraph (a)(3) of this section and the exchange has admitted or intends to admit a successor security to trading under the temporary exemption provided for by § 240.12a-5, such date shall not be earlier than the date on which the successor security is removed from its exempt status.

(b)(1) A national securities exchange may strike a security from listing and registration thereon if (i) trading in

such security has been terminated pursuant to a rule of such exchange requiring such termination whenever the security is admitted to trading on another exchange; and (ii) listing and registration of such security has become effective on such other exchange.

(2) A national securities exchange which has stricken a security from listing and registration under the provisions of this paragraph shall send written notice of such action to the Commission within 3 days from the date thereof.

(c) In cases not provided for in paragraph (a) or (b) of this section, a national securities exchange may file an application to strike a security from listing and registration, in accordance with its rules, on a date specified in the application, which date shall be not less than 10 days after it is filed with the Commission. The Commission will enter an order granting such application on the date specified in the application unless the Commission, by written notice to the exchange, postpones the effective date for a period of not more than 60 days thereafter: *Provided, however,* That the Commission, by written notice to the exchange on or before the effective date, may order a hearing to determine whether the application to strike the security from listing and registration has been made in accordance with the rules of the exchange, or what terms should be imposed by the Commission for the protection of investors.

(d) The issuer of a security listed and registered on a national securities exchange may file an application to withdraw such security from listing and registration on such exchange in accordance with the rules of such exchange. Notice of the filing of such an application shall be published by the Commission in the FEDERAL REGISTER, and such notice shall provide that any interested person may, on or before a date specified, submit to the Commission in writing, all facts bearing upon whether the application to withdraw the security from listing and registration has been made in accordance with the rules of the exchange and what terms should be imposed by the Commission for the protection of investors. An order disposing of the matter will

Securities and Exchange Commission

§ 240.12f-1

be issued by the Commission on the basis of the application and any other information furnished to the Commission unless prior thereto the Commission orders a hearing on the matter.

(e) An application by an issuer or by a national securities exchange to withdraw or strike a security from listing and registration pursuant to the provisions of paragraph (c) or (d) of this section shall comply with the following requirements:

(1) The application shall be filed in triplicate, the original of which shall be dated and signed by an authorized official of the exchange, or of the issuer, as the case may be.

(2) If the applicant is the exchange it shall promptly deliver a copy of the application to the issuer and if the applicant is the issuer it shall promptly deliver a copy of the application to the exchange.

(3) The application shall set forth a description of the security involved together with a statement of all material facts relating to the reasons for filing such application for withdrawal or striking from listing and registration.

(4) The application shall set forth the steps taken by the applicant to comply with the rules of the exchange governing the delisting of securities.

(f) If within 30 days after the publication of any rule or regulation which substantially alters or adds to the obligations, or detracts from the rights, of an issuer of a security registered pursuant to application under section 12 (b) or (c), or of its officers, directors, or security holders, or of persons soliciting or giving any proxy or consent or authorization with respect to such security, the issuer shall file with the Commission a request that such registration shall expire and shall accompany such request with a written explanation of the reasons why the publication of such rule or regulation leads the issuer to make such request, such registration shall expire immediately upon receipt of such request or immediately before such rule or regulation becomes effective, whichever date is later. The absence of an express reservation, in an application for registra-

tion, of the rights herein granted shall not be deemed a waiver thereof.

§ 240.12g3-2 Exemptions for American depositary receipts and certain foreign securities.

(a) Securities of any class issued by any foreign private issuer shall be exempt from section 12(g) (15 U.S.C. 78l(g)) of the Act if the class has fewer than 300 holders resident in the United States. This exemption shall continue until the next fiscal year end at which the issuer has a class of equity securities held by 300 or more persons resident in the United States. For the purpose of determining whether a security is exempt pursuant to this paragraph:

(1) Securities held of record by persons resident in the United States shall be determined as provided in § 240.12g5-1 except that securities held of record by a broker, dealer, bank or nominee for any of them for the accounts of customers resident in the United States shall be counted as held in the United States by the number of separate accounts for which the securities are held. The issuer may rely in good faith on information as to the number of such separate accounts supplied by all owners of the class of its securities which are brokers, dealers, or banks or a nominee for any of them.

(2) Persons in the United States who hold the security only through a Canadian Retirement Account (as that term is defined in rule 237(a)(2) under the Securities Act of 1933 (§230.237(a)(2) of this chapter)), shall not be counted as holders resident in the United States.

(b)(1) Securities of any foreign private issuer shall be exempt from section 12(g) of the Act if the issuer, or a government official or agency of the country of the issuer's domicile or in which it is incorporated or organized:

(i) Shall furnish to the Commission whatever information in each of the following categories the issuer since the beginning of its last fiscal year (A) has made or is required to make public pursuant to the law of the country of its domicile or in which it is incorporated or organized, (B) has filed or is required to file with a stock exchange on which its securities are traded and which was made public by such exchange, or (C) has distributed or is required to distribute to its security holders;

(ii) Shall furnish to the Commission a list identifying the information referred to in paragraph (b)(1)(i) of this section and stating when and by whom it is required to be made public, filed with any such exchange, or distributed to security holders;

(iii) Shall furnish to the Commission, during each subsequent fiscal year, whatever information is made public as described in paragraphs (b)(1)(i) (A), (B) or (C) of this section promptly after such information is made or required to be made public as described therein;

(iv) Shall, promptly after the end of any fiscal year in which any changes occur in the kind of information required to be published as referred to in the list furnished under paragraph (b)(1)(ii) of this section or any subsequent list, furnish to the Commission a revised list reflecting such changes; and

(v) Shall furnish to the Commission in connection with the initial submission the following information to the extent known or which can be obtained without unreasonable effort or expense: the number of holders of each class of equity securities resident in the United States, the amount and percentage of each class of outstanding equity securi-

ties held by residents in the United States, the circumstances in which such securities were acquired, and the date and circumstances of the most recent public distribution of securities by the issuer or an affiliate thereof.

(2) The information required to be furnished under paragraphs (b)(1)(i) and (ii) of this section shall be furnished on or before the date on which a registration statement under section 12(g) of the Act would otherwise be required to be filed. Any issuer furnishing information under paragraph (b)(1)(i) of this section shall notify the Commission that it is furnished under that paragraph.

(3) The information required to be furnished under this paragraph (b) is information material to an investment decision such as: the financial condition or results of operations; changes in business; acquisitions or dispositions of assets; issuance, redemption or acquisitions of their securities; changes in management or control; the granting of options or the payment of other remuneration to directors or officers; and transactions with directors, officers or principal security holders.

(4) Only one complete copy of any information or document need be furnished under paragraph (b)(1) of this section. Such information and documents need not be under cover of any prescribed form and shall not be deemed to be "filed" with the Commission or otherwise subject to the liabilities of section 18 of the Act. Press releases and all other communications or materials distributed directly to securityholders of each class of securities to which the exemption relates shall be in English. English versions or adequate summaries in English may be furnished in lieu of original English translations. No other documents need be furnished unless the issuer has prepared or caused to be prepared, English translations, versions, or summaries of them. If no English translations, versions, or summaries have been prepared, a brief description in English of any such documents shall be furnished. Information or documents in a language other than English are not required to be furnished. If practicable, the Commission file number shall appear on the information furnished or in

an accompanying letter. Any information or document previously sent to the Commission under cover of Form 40-F or Form 6-K need not be furnished under paragraph (b)(1) of this section.

(5) The furnishing of any information or document under paragraph (b) of this rule shall not constitute an admission for any purpose that the issuer is subject to the Act.

(c) Depository Shares registered on Form F-6 (§239.36 of this chapter), but not the underlying deposited securities, are exempt from section 12(g) of the Act under this paragraph (c).

(d) The exemption provided by paragraph (b) of this rule shall not be available for the following securities:

(1) Securities of a foreign private issuer that has or has had during the prior eighteen months any securities registered under section 12 of the Act or a reporting obligation (suspended or active) under section 15(d) of the Act (other than arising solely by virtue of the use of Form F-7, F-8, F-9, F-10 or F-80) ;

(2) Securities of a foreign private issuer issued in a transaction (other than a transaction registered on Form F-8, F-9, F-10 or F-80) to acquire by merger, consolidation, exchange of securities or acquisition of assets, another issuer that had securities registered under section 12 of the Act or a reporting obligation (suspended or active) under section 15(d) of the Act; and

(3) Securities quoted in an "automated inter-dealer quotation system" or securities represented by American Depositary Receipts so quoted unless all the following conditions are met:

(i) Such securities were so quoted on October 5, 1983 and have been continuously traded since;

(ii) The issuer is in compliance with the exemption in paragraph (b) of this section on October 5, 1983 and has continuously maintained the exemption since; and

(iii) After January 2, 1986, the issuer is organized under the laws of any country except Canada or a political subdivision thereof.

(b) The issuer's duty to file any reports required under section 13(a) shall be suspended immediately upon filing a certification on Form 15; *Provided, however*, That if the certification on Form 15 is subsequently withdrawn or denied, the issuer shall, within 60 days after the date of such withdrawal or denial, file with the Commission all reports which would have been required had the certification on Form 15 not been filed. If the suspension resulted from the issuer's merger into, or consolidation with, another issuer or issuers, the certification shall be filed by the successor issuer.

17 CFR Ch. II (4-1-04 Edition)

§ 240.12g5-1 Definition of securities “held of record”.

(a) For the purpose of determining whether an issuer is subject to the provisions of sections 12(g) and 15(d) of the Act, securities shall be deemed to be “held of record” by each person who is identified as the owner of such securities on records of security holders maintained by or on behalf of the issuer, subject to the following:

(1) In any case where the records of security holders have not been maintained in accordance with accepted practice, any additional person who would be identified as such an owner on such records if they had been maintained in accordance with accepted practice shall be included as a holder of record.

(2) Securities identified as held of record by a corporation, a partnership, a trust whether or not the trustees are named, or other organization shall be included as so held by one person.

(3) Securities identified as held of record by one or more persons as trustees, executors, guardians, custodians or in other fiduciary capacities with respect to a single trust, estate or account shall be included as held of record by one person.

(4) Securities held by two or more persons as coowners shall be included as held by one person.

(5) Each outstanding unregistered or bearer certificate shall be included as held of record by a separate person, except to the extent that the issuer can establish that, if such securities were registered, they would be held of record, under the provisions of this rule, by a lesser number of persons.

(6) Securities registered in substantially similar names where the issuer has reason to believe because of the address or other indications that such names represent the same person, may be included as held of record by one person.

(b) Notwithstanding paragraph (a) of this section:

(1) Securities held, to the knowledge of the issuer, subject to a voting trust, deposit agreement or similar arrangement shall be included as held of record by the record holders of the voting trust certificates, certificates of deposit, receipts or similar evidences of

interest in such securities: *Provided, however,* That the issuer may rely in good faith on such information as is received in response to its request from a non-affiliated issuer of the certificates or evidences of interest.

(2) Whole or fractional securities issued by a savings and loan association, building and loan association, cooperative bank, homestead association, or similar institution for the sole purpose of qualifying a borrower for membership in the issuer, and which are to be redeemed or repurchased by the issuer when the borrower’s loan is terminated, shall not be included as held of record by any person.

(3) If the issuer knows or has reason to know that the form of holding securities of record is used primarily to circumvent the provisions of section 12(g) or 15(d) of the Act, the beneficial owners of such securities shall be deemed to be the record owners thereof.

§ 240.12h-3 Suspension of duty to file reports under section 15(d).

(a) Subject to paragraphs (c) and (d) of this section, the duty under section 15(d) to file reports required by section 13(a) of the Act with respect to a class of securities specified in paragraph (b) of this section shall be suspended for such class of securities immediately upon filing with the Commission a certification on Form 15 (17 CFR 249.323) if the issuer of such class has filed all reports required by section 13(a), without regard to Rule 12b-25 (17 CFR 249.322), for the shorter of its most recent three fiscal years and the portion of the current year preceding the date of filing Form 15, or the period since the issuer became subject to such reporting obligation. If the certification on Form 15 is subsequently withdrawn or denied, the issuer shall, within 60 days, file with the Commission all reports which would have been required if such certification had not been filed.

(c) This section shall not be available for any class of securities for a fiscal year in which a registration statement relating to that class becomes effective under the Securities Act of 1933, or is required to be updated pursuant to section 10(a)(3) of the Act, and, in the case of paragraphs (b)(1)(ii) and (2)(ii), the two succeeding fiscal years; *Provided, however,* That this paragraph shall not apply to the duty to file reports which arises solely from a registration statement filed by an issuer with no significant assets, for the reorganization of a non-reporting issuer into a one subsidiary holding company in which equity security holders receive the same proportional interest in the holding company as they held in the non-reporting issuer, except for changes resulting from the exercise of dissenting shareholder rights under state law.

(d) The suspension provided by this rule relates only to the reporting obligation under section 15(d) with respect to a class of securities, does not affect any other duties imposed on that class of securities, and shall continue as long as criteria (i) and (ii) in either paragraph (b)(1) or (2) is met on the first day of any subsequent fiscal year; *Provided, however,* That such criteria need not be met if the duty to file reports arises solely from a registration statement filed by an issuer with no significant assets in a reorganization of a non-reporting company into a one subsidiary holding company in which equity security holders receive the same proportional interest in the holding company as they held in the non-reporting issuer except for changes re-

OTHER REPORTS

§ 240.13a-10 Transition reports.

(a) Every issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent fiscal year and the opening date of its new fiscal year; *Provided, however*, that an issuer shall file an annual report for any fiscal year that ended before the date on which the issuer determined to change its fiscal year end. The report on Form 10-Q and Form 10-QSB shall cover the period from the close of the last fiscal year end and shall indicate clearly the period covered. The financial statements filed therewith need not be audited but, if they are not audited, the issuer shall file with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period. The notes to financial statements for the transition period included in such first annual report may be integrated with the notes to financial statements for the full fiscal period. A separate audited balance sheet as of the end of the transition period shall be filed in the annual report only if the audited balance sheet as of

the end of the fiscal year prior to the transition period is not filed. Schedules need not be filed in transition reports on Form 10-Q and Form 10-QSB.

(d) Notwithstanding the foregoing in paragraphs (a), (b), and (c) of this section, if the transition period covers a period of one month or less, the issuer need not file a separate transition report if either:

(1) The first report required to be filed by the issuer for the newly adopted fiscal year after the date of the determination to change the fiscal year end is an annual report, and that report covers the transition period as well as the fiscal year; or

(2)(i) The issuer files with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period; and

(ii) The first report required to be filed by the issuer for the newly adopted fiscal year after the date of the determination to change the fiscal year end is a quarterly report on Form 10-Q and Form 10-QSB; and

(iii) Information on the transition period is included in the issuer's quarterly report on Form 10-Q and Form 10-QSB for the first quarterly period (except the fourth quarter) of the newly adopted fiscal year that ends after the date of the determination to change the fiscal year. The information covering the transition period required by Part II and Item 2 of Part I may be combined with the information regarding the quarter. However, the financial statements required by Part I, which may be unaudited, shall be furnished separately for the transition period.

(e) Every issuer required to file quarterly reports on Form 10-Q and Form 10-QSB pursuant to § 240.13a-13 of this chapter that changes its fiscal year end shall:

(1) File a quarterly report on Form 10-Q and Form 10-QSB within the time period specified in General Instruction A.1. to that form for any quarterly period (except the fourth quarter) of the old fiscal year that ends before the date on which the issuer determined to change its fiscal year end, except that the issuer need not file such quarterly report if the date on which the quar-

terly period ends also is the date on which the transition period ends;

(2) File a quarterly report on Form 10-Q and Form 10-QSB within the time specified in General Instruction A.1. to that form for each quarterly period of the old fiscal year within the transition period. In lieu of a quarterly report for any quarter of the old fiscal year within the transition period, the issuer may file a quarterly report on Form 10-Q and Form 10-QSB for any period of three months within the transition period that coincides with a quarter of the newly adopted fiscal year if the quarterly report is filed within the number of days specified in paragraph (j) of this section after the end of such three month period, provided the issuer thereafter continues filing quarterly reports on the basis of the quarters of the newly adopted fiscal year;

(3) Commence filing quarterly reports for the quarters of the new fiscal year no later than the quarterly report for the first quarter of the new fiscal year that ends after the date on which the issuer determined to change the fiscal year end; and

(4) Unless such information is or will be included in the transition report, or the first annual report on Form 10-K and Form 10-KSB for the newly adopted fiscal year, include in the initial quarterly report on Form 10-Q and Form 10-QSB for the newly adopted fiscal year information on any period beginning on the first day subsequent to the period covered by the issuer's final quarterly report on Form 10-Q and Form 10-QSB or annual report on Form 10-K and Form 10-KSB for the old fiscal year. The information covering such period required by Part II and Item 2 of Part I may be combined with the information regarding the quarter. However, the financial statements required by Part I, which may be unaudited, shall be furnished separately for such period.

NOTE TO PARAGRAPHS (c) AND (e): If it is not practicable or cannot be cost-justified to furnish in a transition report on Form 10-Q and Form 10-QSB or a quarterly report for the newly adopted fiscal year financial statements for corresponding periods of the prior year where required, financial statements

may be furnished for the quarters of the preceding fiscal year that most nearly are comparable if the issuer furnishes an adequate discussion of seasonal and other factors that could affect the comparability of information or trends reflected, an assessment of the comparability of the data, and a representation as to the reason recasting has not been undertaken.

(f) Every successor issuer with securities registered under Section 12 of this Act that has a different fiscal year from that of its predecessor(s) shall file a transition report pursuant to this section, containing the required information about each predecessor, for the transition period, if any, between the close of the fiscal year covered by the last annual report of each predecessor and the date of succession. The report shall be filed for the transition period on the form appropriate for annual reports of the issuer not more than the number of days specified in paragraph (j) of this section after the date of the succession, with financial statements in conformity with the requirements set forth in paragraph (b) of this section. If the transition period covers a period of less than six months, in lieu of a transition report on the form appropriate for the issuer's annual reports, the report may be filed for the transition period on Form 10-Q and Form 10-QSB not more than the number of days specified in paragraph (j) of this section after the date of the succession, with financial statements in conformity with the requirements set forth in paragraph (c) of this section. Notwithstanding the foregoing, if the transition period covers a period of one month or less, the successor issuer need not file a separate transition report if the information is reported by the successor issuer in conformity with the requirements set forth in paragraph (d) of this section.

(g)(1) Paragraphs (a) through (f) of this section shall not apply to foreign private issuers.

(2) Every foreign private issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent fiscal year and the opening date of its new fiscal year. In no event shall a transition report cover a period longer than 12 months.

(3) The report for the transition period shall be filed on Form 20-F responding to all items to which such issuer is required to respond when Form 20-F is used as an annual report. Such report shall be filed within six months after either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date, whichever is later. The financial statements for the transition period filed therewith shall be audited.

(4) If the transition period covers a period of six or fewer months, in lieu of the report required by paragraph (g)(3) of this section, a report for the transition period may be filed on Form 20-F responding to Items 5, 8.A.7., 13, 14, and 17 or 18 within three months after either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date, whichever is later. The financial statements required by either Item 17 or Item 18 shall be furnished for the transition period. Such financial statements may be unaudited and condensed as permitted in Article 10 of Regulation S-X (§210.10-01 of this chapter), but if the financial statements are unaudited and condensed, the issuer shall file with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period.

(5) Notwithstanding the foregoing in paragraphs (g)(2), (g)(3), and (g)(4) of this section, if the transition period covers a period of one month or less, a foreign private issuer need not file a separate transition report if the first annual report for the newly adopted fiscal year covers the transition period as well as the fiscal year.

(h) The provisions of this rule shall not apply to investment companies required to file reports pursuant to Rule 30b1-1 (§270.30b1-1 of this chapter) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*).

(i) No filing fee shall be required for a transition report filed pursuant to this section.

(j)(1) For transition reports to be filed on the form appropriate for annual reports of the issuer, the number of days shall be:

§ 240.13a-11

(i) For accelerated filers (as defined in § 240.12b-2):

(A) 90 days for fiscal years ending on or after December 15, 2002 and before December 15, 2003;

(B) 75 days for fiscal years ending on or after December 15, 2003 and before December 15, 2004; and

(C) 60 days for fiscal years ending on or after December 15, 2004; and

(ii) 90 days for all other issuers; and
(2) For transition reports to be filed on Form 10-Q or Form 10-QSB (§ 249.308a or § 249.308b of this chapter), the number of days shall be:

(i) For accelerated filers (as defined in § 240.12b-2):

(A) 45 days for fiscal years ending on or after December 15, 2002 and before December 15, 2004;

(B) 40 days for fiscal years ending on or after December 15, 2004 and before December 15, 2005; and

(C) 35 days for fiscal years ending on or after December 15, 2005; and

(ii) 45 days for all other issuers.

NOTE 1: In addition to the report or reports to be filed pursuant to this section, every issuer, except a foreign private issuer or an investment company required to file reports pursuant to Rule 30b1-1 under the Investment Company Act of 1940, that changes its fiscal closing date is required to file a report on Form 8-K responding to Item 8 thereof within the period specified in General Instruction B. 1. to that form.

NOTE 2: The report or reports to be filed pursuant to this section must include the certification required by § 240.13a-14.

§ 240.13a-14 Certification of disclosure in annual and quarterly reports.

(a) Each report, including transition reports, filed on Form 10-Q, Form 10-QSB, Form 10-K, Form 10-KSB, Form 20-F or Form 40-F (§§249.308a, 249.308b, 249.310, 249.310b, 249.220f or 249.240f of this chapter) under section 13(a) of the Act (15 U.S.C. 78m(a)), other than a report filed by an Asset-Backed Issuer (as defined in paragraph (g) of this section), must include certifications in the form specified in the applicable exhibit filing requirements of such report and such certifications must be filed as an exhibit to such report. Each principal executive and principal financial officer of the issuer, or persons performing similar functions, at the time of filing of the report must sign a certification.

(b) Each periodic report containing financial statements filed by an issuer pursuant to section 13(a) of the Act (15

§ 240.13a-15

U.S.C. 78m(a)) must be accompanied by the certifications required by Section 1350 of Chapter 63 of Title 18 of the United States Code (18 U.S.C. 1350) and such certifications must be furnished as an exhibit to such report as specified in the applicable exhibit requirements for such report. Each principal executive and principal financial officer of the issuer (or equivalent thereof) must sign a certification. This requirement may be satisfied by a single certification signed by an issuer's principal executive and principal financial officers.

(c) A person required to provide a certification specified in paragraph (a) or (b) of this section may not have the certification signed on his or her behalf pursuant to a power of attorney or other form of confirming authority.

(d) Each annual report filed by an Asset-Backed Issuer (as defined in paragraph (g) of this section) under section 13(a) of the Act (15 U.S.C. 78m(a)) must include a certification addressing the following items:

(1) Review by the certifying officer of the annual report and other reports containing distribution information for the period covered by the annual report;

servicer (or entity performing the equivalent functions) may sign the certification.

(f) [Reserved]

(g) For purposes of this section, the term Asset-Backed Issuer means any issuer whose reporting obligation results from the registration of securities it issued that are primarily serviced by the cash flows of a discrete pool of receivables or other financial assets, either fixed or revolving, that by their terms convert into cash within a finite time period plus any rights or other assets designed to assure the servicing or timely distribution of proceeds to security holders.

§ 240.13a-15 Controls and procedures.

(a) Every issuer that has a class of securities registered pursuant to section 12 of the Act (15 U.S.C. 78l), other than an Asset-Backed Issuer (as defined in § 240.13a-14(g)), a small business investment company registered on Form N-5 (§§ 239.24 and 274.5 of this chapter), or a unit investment trust as defined by section 4(2) of the Investment Company Act of 1940 (15 U.S.C. 80a-4(2)), must maintain disclosure controls and procedures (as defined in paragraph (e) of this section) and internal control over financial reporting (as defined in paragraph (f) of this section).

(b) Each such issuer's management must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, the effectiveness of the issuer's disclosure controls and procedures, as of the end of each fiscal quarter, except that management must perform this evaluation:

(1) In the case of a foreign private issuer (as defined in § 240.3b-4) as of the end of each fiscal year; and

(2) In the case of an investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8), within the 90-day period prior to the filing date of each report requiring certification under § 270.30a-2 of this chapter.

(c) The management of each such issuer, other than an investment company registered under section 8 of the

Investment Company Act of 1940, must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, the effectiveness, as of the end of each fiscal year, of the issuer's internal control over financial reporting. The framework on which management's evaluation of the issuer's internal control over financial reporting is based must be a suitable, recognized control framework that is established by a body or group that has followed due-process procedures, including the broad distribution of the framework for public comment.

(d) The management of each such issuer, other than an investment company registered under section 8 of the Investment Company Act of 1940, must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, any change in the issuer's internal control over financial reporting, that occurred during each of the issuer's fiscal quarters, or fiscal year in the case of a foreign private issuer, that has materially affected, or is reasonably likely to materially affect, the issuer's internal control over financial reporting.

(e) For purposes of this section, the term *disclosure controls and procedures* means controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Act (15 U.S.C. 78a *et seq.*) is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

(f) The term *internal control over financial reporting* is defined as a process designed by, or under the supervision

of, the issuer's principal executive and principal financial officers, or persons performing similar functions, and effected by the issuer's board of directors, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and includes those policies and procedures that:

(1) Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the issuer;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the issuer are being made only in accordance with authorizations of management and directors of the issuer; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the issuer's assets that could have a material effect on the financial statements.

(J) A group, provided that all the members are persons specified in § 240.13d-1(b)(1)(ii)(A) through (I); and

(iii) Such person has promptly notified any other person (or group within the meaning of section 13(d)(3) of the Act) on whose behalf it holds, on a discretionary basis, securities exceeding five percent of the class, of any acquisition or transaction on behalf of such other person which might be reportable by that person under section 13(d) of the Act. This paragraph only requires notice to the account owner of information which the filing person reasonably should be expected to know and which would advise the account owner of an obligation he may have to file a statement pursuant to section 13(d) of the Act or an amendment thereto.

(2) The Schedule 13G filed pursuant to paragraph (b)(1) of this section shall be filed within 45 days after the end of the calendar year in which the person became obligated under paragraph (b)(1) of this section to report the person's beneficial ownership as of the last day of the calendar year, *Provided*, That it shall not be necessary to file a Schedule 13G unless the percentage of the class of equity security specified in paragraph (i) of this section beneficially owned as of the end of the calendar year is more than five percent; *However*, if the person's direct or indirect beneficial ownership exceeds 10 percent of the class of equity securities prior to the end of the calendar year, the initial Schedule 13G shall be filed within 10 days after the end of the first month in which the person's direct or indirect beneficial ownership exceeds 10 percent of the class of equity securities, computed as of the last day of the month.

(1) Has not acquired the securities with any purpose, or with the effect of, changing or influencing the control of the issuer, or in connection with or as

(2) Is not a person reporting pursuant to paragraph (b)(1) of this section; and

(3) Is not directly or indirectly the beneficial owner of 20 percent or more of the class.

(d) Any person who, as of the end of any calendar year, is or becomes directly or indirectly the beneficial owner of more than five percent of any equity security of a class specified in paragraph (i) of this section and who is not required to file a statement under paragraph (a) of this section by virtue of the exemption provided by Section 13(d)(6)(A) or (B) of the Act (15 U.S.C. 78m(d)(6)(A) or 78m(d)(6)(B)), or because the beneficial ownership was acquired prior to December 22, 1970, or because the person otherwise (except for the exemption provided by Section 13(d)(6)(C) of the Act (15 U.S.C. 78m(d)(6)(C))) is not required to file a statement, shall file with the Commission, within 45 days after the end of the calendar year in which the person became obligated to report under this paragraph (d), a statement containing the information required by Schedule 13G (§ 240.13d-102).

(e)(1) Notwithstanding paragraphs (b) and (c) of this section and § 240.13d-2(b), a person that has reported that it is the beneficial owner of more than five percent of a class of equity securities in a statement on Schedule 13G (§ 240.13d-102) pursuant to paragraph (b) or (c) of this section, or is required to report the acquisition but has not yet filed the schedule, shall immediately become subject to §§ 240.13d-1(a) and 240.13d-2(a) and shall file a statement on Schedule 13D (§ 240.13d-101) within 10 days if, and shall remain subject to those requirements for so long as, the person:

(i) Has acquired or holds the securities with a purpose or effect of changing or influencing control of the issuer, or in connection with or as a participant in any transaction having that purpose or effect, including any transaction subject to § 240.13d-3(b); and

(ii) Is at that time the beneficial owner of more than five percent of a class of equity securities described in § 240.13d-1(i).

(2) From the time the person has acquired or holds the securities with a purpose or effect of changing or influencing control of the issuer, or in connection with or as a participant in any transaction having that purpose or effect until the expiration of the tenth day from the date of the filing of the Schedule 13D (§ 240.13d-101) pursuant to this section, that person shall not:

(i) Vote or direct the voting of the securities described therein; or

(ii) Acquire an additional beneficial ownership interest in any equity securities of the issuer of the securities, nor of any person controlling the issuer.

(f)(1) Notwithstanding paragraph (c) of this section and § 240.13d-2(b), persons reporting on Schedule 13G (§ 240.13d-102) pursuant to paragraph (c) of this section shall immediately become subject to §§ 240.13d-1(a) and 240.13d-2(a) and shall remain subject to those requirements for so long as, and shall file a statement on Schedule 13D (§ 240.13d-101) within 10 days of the date on which, the person's beneficial ownership equals or exceeds 20 percent of the class of equity securities.

(2) From the time of the acquisition of 20 percent or more of the class of equity securities until the expiration of the tenth day from the date of the filing of the Schedule 13D (§ 240.13d-101) pursuant to this section, the person shall not:

(i) Vote or direct the voting of the securities described therein, or

(ii) Acquire an additional beneficial ownership interest in any equity securities of the issuer of the securities, nor of any person controlling the issuer.

(g) Any person who has reported an acquisition of securities in a statement on Schedule 13G (§ 240.13d-102) pursuant to paragraph (b) of this section, or has become obligated to report on the Schedule 13G (§ 240.13d-102) but has not yet filed the Schedule, and thereafter ceases to be a person specified in paragraph (b)(1)(ii) of this section or determines that it no longer has acquired or holds the securities in the ordinary course of business shall immediately become subject to § 240.13d-1(a) or § 240.13d-1(c) (if the person satisfies the requirements specified in § 240.13d-1(c)),

and §§ 240.13d-2 (a), (b) or (d), and shall file, within 10 days thereafter, a statement on Schedule 13D (§ 240.13d-101) or amendment to Schedule 13G, as applicable, if the person is a beneficial owner at that time of more than five percent of the class of equity securities.

(h) Any person who has filed a Schedule 13D (§ 240.13d-101) pursuant to paragraph (e), (f) or (g) of this section may again report its beneficial ownership on Schedule 13G (§ 240.13d-102) pursuant to paragraphs (b) or (c) of this section provided the person qualifies thereunder, as applicable, by filing a Schedule 13G (§ 240.13d-102) once the person determines that the provisions of paragraph (e), (f) or (g) of this section no longer apply.

(i) For the purpose of this regulation, the term "equity security" means any equity security of a class which is registered pursuant to section 12 of that Act, or any equity security of any insurance company which would have been required to be so registered except for the exemption contained in section 12(g)(2)(G) of the Act, or any equity security issued by a closed-end investment company registered under the Investment Company Act of 1940; *Provided*, Such term shall not include securities of a class of non-voting securities.

(j) For the purpose of sections 13(d) and 13(g), any person, in determining the amount of outstanding securities of a class of equity securities, may rely upon information set forth in the issuer's most recent quarterly or annual report, and any current report subsequent thereto, filed with the Commission pursuant to this Act, unless he knows or has reason to believe that the information contained therein is inaccurate.

(k)(1) Whenever two or more persons are required to file a statement containing the information required by Schedule 13D or Schedule 13G with respect to the same securities, only one statement need be filed: *Provided*, That:

(i) Each person on whose behalf the statement is filed is individually eligible to use the Schedule on which the information is filed;

(ii) Each person on whose behalf the statement is filed is responsible for the

§ 240.13d-2

17 CFR Ch. II (4-1-04 Edition)

timely filing of such statement and any amendments thereto, and for the completeness and accuracy of the information concerning such person contained therein; such person is not responsible for the completeness or accuracy of the information concerning the other persons making the filing, unless such person knows or has reason to believe that such information is inaccurate; and

(iii) Such statement identifies all such persons, contains the required information with regard to each such person, indicates that such statement is filed on behalf of all such persons, and includes, as an exhibit, their agreement in writing that such a statement is filed on behalf of each of them.

(2) A group's filing obligation may be satisfied either by a single joint filing or by each of the group's members making an individual filing. If the group's members elect to make their own filings, each such filing should identify all members of the group but the information provided concerning the other persons making the filing need only reflect information which the filing person knows or has reason to know.

§ 240.13d-2 Filing of amendments to Schedules 13D or 13G.

(a) If any material change occurs in the facts set forth in the Schedule 13D (§ 240.13d-101) required by § 240.13d-1(a), including, but not limited to, any material increase or decrease in the percentage of the class beneficially owned, the person or persons who were required to file the statement shall promptly file or cause to be filed with the Commission an amendment disclosing that change. An acquisition or disposition of beneficial ownership of securities in an amount equal to one

percent or more of the class of securities shall be deemed "material" for purposes of this section; acquisitions or dispositions of less than those amounts may be material, depending upon the facts and circumstances.

(b) Notwithstanding paragraph (a) of this section, and provided that the person filing a Schedule 13G (§ 240.13d-102) pursuant to § 240.13d-1(b) or § 240.13d-1(c) continues to meet the requirements set forth therein, any person who has filed a Schedule 13G (§ 240.13d-102) pursuant to § 240.13d-1(b), § 240.13d-1(c) or § 240.13d-1(d) shall amend the statement within forty-five days after the end of each calendar year if, as of the end of the calendar year, there are any changes in the information reported in the previous filing on that Schedule: *Provided, however,* That an amendment need not be filed with respect to a change in the percent of class outstanding previously reported if the change results solely from a change in the aggregate number of securities outstanding. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required unless the person thereafter becomes the beneficial owner of more than five percent of the class and is required to file pursuant to § 240.13d-1.

(c) Any person relying on § 240.13d-1(b) that has filed its initial Schedule 13G (§ 240.13d-102) pursuant to that paragraph shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) within 10 days after the end of the first month in which the person's direct or indirect beneficial ownership, computed as of the last day of the month, exceeds 10 percent of the class of equity securities. Thereafter, that person shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) within 10 days after the end of the first month in which the person's direct or indirect beneficial ownership, computed as of the last day of the month, increases or decreases by more than five percent of the class of equity securities. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the

class of securities, no additional filings are required by this paragraph (c).

(d) Any person relying on § 240.13d-1(c) and has filed its initial Schedule 13G (§ 240.13d-102) pursuant to that paragraph shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) promptly upon acquiring, directly or indirectly, greater than 10 percent of a class of equity securities specified in § 240.13d-1(d), and thereafter promptly upon increasing or decreasing its beneficial ownership by more than five percent of the class of equity securities. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required by this paragraph (d).

(e) The first electronic amendment to a paper format Schedule 13D (§ 240.13d-101 of this chapter) or Schedule 13G (§ 240.13d-102 of this chapter) shall restate the entire text of the Schedule 13D or 13G, but previously filed paper exhibits to such Schedules are not required to be restated electronically. See Rule 102 of Regulation S-T (§ 232.102 of this chapter) regarding amendments to exhibits previously filed in paper format. Notwithstanding the foregoing, if the sole purpose of filing the first electronic Schedule 13D or 13G amendment is to report a change in beneficial ownership that would terminate the filer's obligation to report, the amendment need not include a restatement of the entire text of the Schedule being amended.

NOTE TO § 240.13d-2: For persons filing a short-form statement pursuant to Rule 13d-1(b) or (c), see also Rules 13d-1(e), (f), and (g).

§ 240.13d-3 Determination of beneficial owner.

(a) For the purposes of sections 13(d) and 13(g) of the Act a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares:

(1) Voting power which includes the power to vote, or to direct the voting of, such security; and/or,

(2) Investment power which includes the power to dispose, or to direct the disposition of, such security.

(b) Any person who, directly or indirectly, creates or uses a trust, proxy, power of attorney, pooling arrangement or any other contract, arrangement, or device with the purpose of effect of divesting such person of beneficial ownership of a security or preventing the vesting of such beneficial ownership as part of a plan or scheme to evade the reporting requirements of section 13(d) or (g) of the Act shall be deemed for purposes of such sections to be the beneficial owner of such security.

(c) All securities of the same class beneficially owned by a person, regardless of the form which such beneficial ownership takes, shall be aggregated in calculating the number of shares beneficially owned by such person.

(d) Notwithstanding the provisions of paragraphs (a) and (c) of this rule:

(1)(i) A person shall be deemed to be the beneficial owner of a security, subject to the provisions of paragraph (b) of this rule, if that person has the right to acquire beneficial ownership of such security, as defined in Rule 13d-3(a) (§ 240.13d-3(a)) within sixty days, including but not limited to any right to acquire: (A) Through the exercise of any option, warrant or right; (B) through the conversion of a security; (C) pursuant to the power to revoke a trust, discretionary account, or similar arrangement; or (D) pursuant to the automatic termination of a trust, discretionary account or similar arrangement; provided, however, any person who acquires a security or power specified in paragraphs (d)(1)(i)(A), (B) or (C), of this section, with the purpose or effect of changing or influencing the control of the issuer, or in connection

§ 240.13d-4

17 CFR Ch. II (4-1-04 Edition)

with or as a participant in any transaction having such purpose or effect, immediately upon such acquisition shall be deemed to be the beneficial owner of the securities which may be acquired through the exercise or conversion of such security or power. Any securities not outstanding which are subject to such options, warrants, rights or conversion privileges shall be deemed to be outstanding for the purpose of computing the percentage of outstanding securities of the class owned by such person but shall not be deemed to be outstanding for the purpose of computing the percentage of the class by any other person.

(ii) Paragraph (d)(1)(i) of this section remains applicable for the purpose of determining the obligation to file with respect to the underlying security even though the option, warrant, right or convertible security is of a class of equity security, as defined in § 240.13d-1(i), and may therefore give rise to a separate obligation to file.

(2) A member of a national securities exchange shall not be deemed to be a beneficial owner of securities held directly or indirectly by it on behalf of another person solely because such member is the record holder of such securities and, pursuant to the rules of such exchange, may direct the vote of such securities, without instruction, on other than contested matters or matters that may affect substantially the rights or privileges of the holders of the securities to be voted, but is otherwise precluded by the rules of such exchange from voting without instruction.

(3) A person who in the ordinary course of his business is a pledgee of securities under a written pledge agreement shall not be deemed to be the beneficial owner of such pledged securities until the pledgee has taken all formal steps necessary which are required to declare a default and determines that the power to vote or to direct the vote or to dispose or to direct the disposition of such pledged securities will be exercised, provided, that:

(i) The pledgee agreement is bona fide and was not entered into with the purpose nor with the effect of changing or influencing the control of the issuer, nor in connection with any transaction

having such purpose or effect, including any transaction subject to Rule 13d-3(b);

(ii) The pledgee is a person specified in Rule 13d-1(b)(ii), including persons meeting the conditions set forth in paragraph (G) thereof; and

(iii) The pledgee agreement, prior to default, does not grant to the pledgee;

(A) The power to vote or to direct the vote of the pledged securities; or

(B) The power to dispose or direct the disposition of the pledged securities, other than the grant of such power(s) pursuant to a pledge agreement under which credit is extended subject to regulation T (12 CFR 220.1 to 220.8) and in which the pledgee is a broker or dealer registered under section 15 of the act.

(4) A person engaged in business as an underwriter of securities who acquires securities through his participation in good faith in a firm commitment underwriting registered under the Securities Act of 1933 shall not be deemed to be the beneficial owner of such securities until the expiration of forty days after the date of such acquisition.

§ 240.13d-4 Disclaimer of beneficial ownership.

(b)(1) When two or more persons agree to act together for the purpose of acquiring, holding, voting or disposing of equity securities of an issuer, the group formed thereby shall be deemed to have acquired beneficial ownership, for purposes of sections 13(d) and (g) of the Act, as of the date of such agreement, of all equity securities of that issuer beneficially owned by any such persons.

(2) Notwithstanding the previous paragraph, a group shall be deemed not to have acquired any equity securities beneficially owned by the other members of the group solely by virtue of their concerted actions relating to the purchase of equity securities directly from an issuer in a transaction not involving a public offering: *Provided*, That:

(i) All the members of the group are persons specified in Rule 13d-1(b)(1)(ii);

(ii) The purchase is in the ordinary course of each member's business and not with the purpose nor with the effect of changing or influencing control of the issuer, nor in connection with or as a participant in any transaction having such purpose or effect, including any transaction subject to Rule 13d-3(b);

(iii) There is no agreement among, or between any members of the group to act together with respect to the issuer or its securities except for the purpose of facilitating the specific purchase involved; and

NOTES: Attach as many copies of the second part of the cover page as are needed, one reporting person per page.

Filing persons may, in order to avoid unnecessary duplication, answer items on the schedules (Schedule 13D, 13G, or 14D-1) by appropriate cross references to an item or items on the cover page(s). This approach may only be used where the cover page item or items provide all the disclosure required by the schedule item. Moreover, such a use of a cover page item will result in the item becoming a part of the schedule and accordingly being considered as "filed" for purposes of section 18 of the Securities Exchange Act or otherwise subject to the liabilities of that section of the Act.

Reporting persons may comply with their cover page filing requirements by filing either completed copies of the blank forms available from the Commission, printed or typed facsimiles, or computer printed facsimiles, provided the documents filed have identical formats to the forms prescribed in the Commission's regulations and meet existing Securities Exchange Act rules as to such matters as clarity and size (Securities Exchange Act Rule 12b-12).

SPECIAL INSTRUCTIONS FOR COMPLYING WITH SCHEDULE 13D

Under sections 13(d) and 23 of the Securities Exchange Act of 1934 and the rules and regulations thereunder, the Commission is authorized to solicit the information required to be supplied by this schedule by certain security holders of certain issuers.

Disclosure of the information specified in this schedule is mandatory, except for I.R.S. identification numbers, disclosure of which is voluntary. The information will be used for the primary purpose of determining and disclosing the holdings of certain beneficial owners of certain equity securities. This statement will be made a matter of public record. Therefore, any information given will be available for inspection by any member of the public.

Because of the public nature of the information, the Commission can utilize it for a variety of purposes, including referral to other governmental authorities or securities

self-regulatory organizations for investigatory purposes or in connection with litigation involving the Federal securities laws or other civil, criminal or regulatory statutes or provisions. I.R.S. identification numbers, if furnished, will assist the Commission in identifying security holders and, therefore, in promptly processing statements of beneficial ownership of securities.

Failure to disclose the information requested by this schedule, except for I.R.S. identification numbers, may result in civil or criminal action against the persons involved for violation of the Federal securities laws and rules promulgated thereunder.

Instructions. A. The item numbers and captions of the items shall be included but the text of the items is to be omitted. The answers to the items shall be so prepared as to indicate clearly the coverage of the items without referring to the text of the items. Answer every item. If an item is inapplicable or the answer is in the negative, so state.

B. Information contained in exhibits to the statement may be incorporated by reference in answer or partial answer to any item or sub-item of the statement unless it would render such answer misleading, incomplete, unclear or confusing. Material incorporated by reference shall be clearly identified in the reference by page, paragraph, caption or otherwise. An express statement that the specified matter is incorporated by reference shall be made at the particular place in the statement where the information is required. A copy of any information or a copy of the pertinent pages of a document containing such information which is incorporated by reference shall be submitted with this statement as an exhibit and shall be deemed to be filed with the Commission for all purposes of the Act.

C. If the statement is filed by a general or limited partnership, syndicate, or other group, the information called for by Items 2-6, inclusive, shall be given with respect to (i) each partner of such general partnership; (ii) each partner who is denominated as a general partner or who functions as a general partner of such limited partnership; (iii) each member of such syndicate or group; and (iv) each person controlling such partner or member. If the statement is filed by a corporation or if a person referred to in (i), (ii), (iii) or (iv) of this Instruction is a corporation, the information called for by the above mentioned items shall be given with respect to (a) each executive officer and director of such corporation; (b) each person controlling such corporation; and (c) each executive officer and director of any corporation or other person ultimately in control of such corporation.

Item 1. Security and Issuer. State the title of the class of equity securities to which this statement relates and the name and address

If the person filing this statement or any person enumerated in Instruction C is a natural person, provide the information specified in (a) through (f) of this Item with respect to such person(s).

(e) Whether or not, during the last five years, such person was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws; and, if so, identify and describe such proceedings and summarize the terms of such judgment, decree or final order; and

(f) Citizenship.

Item 3. Source and Amount of Funds or Other Consideration. State the source and the amount of funds or other consideration used or to be used in making the purchases, and if any part of the purchase price is or will be represented by funds or other consideration borrowed or otherwise obtained for the purpose of acquiring, holding, trading or voting the securities, a description of the transaction and the names of the parties thereto. Where material, such information should also be provided with respect to prior acquisitions not previously reported pursuant to this regulation. If the source of all or any part of the funds is a loan made in the ordinary course of business by a bank, as defined in section 3(a)(6) of the Act, the name of the bank shall not be made available to the public if the person at the time of filing the statement so requests in writing and files such request, naming such bank, with the

Secretary of the Commission. If the securities were acquired other than by purchase, describe the method of acquisition.

Item 4. Purpose of Transaction. State the purpose or purposes of the acquisition of securities of the issuer. Describe any plans or proposals which the reporting persons may have which relate to or would result in:

(a) The acquisition by any person of additional securities of the issuer, or the disposition of securities of the issuer;

(f) Any other material change in the issuer's business or corporate structure, including but not limited to, if the issuer is a registered closed-end investment company, any plans or proposals to make any changes in its investment policy for which a vote is required by section 13 of the Investment Company Act of 1940;

(g) Changes in the issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the issuer by any person;

(h) Causing a class of securities of the issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;

(j) Any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer. (a) State the aggregate number and percentage of the class of securities identified pursuant to Item 1 (which may be based on the number of securities outstanding as contained in the most recently available filing with the Commission by the issuer unless the filing person has reason to believe such information is not current) beneficially owned (identifying those shares which there is a right to acquire) by each person named in Item 2. The above mentioned information should also be furnished with respect to persons who, together with any of the persons named in Item 2, comprise a group within the meaning of section 13(d)(3) of the Act;

(b) For each person named in response to paragraph (a), indicate the number of shares

as to which there is sole power to vote or to direct the vote, sole power to dispose or to direct the disposition, or shared power to dispose or to direct the disposition. (d) If any other person is known to have the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, such securities, a statement to that effect should be included in response to this item and, if such interest relates to more than five percent of the class, such person should be identified. A listing of the shareholders of an investment company registered under the Investment Company Act of 1940 or the beneficiaries of an employee benefit plan, pension fund or endowment fund is not required.

(e) If applicable, state the date on which the reporting person ceased to be the beneficial owner of more than five percent of the class of securities.

Instruction. For computations regarding securities which represent a right to acquire an underlying security, see Rule 13d-3(d)(1) and the note thereto.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer. Describe any contracts, arrangements, understandings or relationships (legal or otherwise) among the persons named in Item 2 and between such persons and any person with respect to any securities of the issuer, including but not limited to transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, naming the persons with whom such contracts, arrangements, understandings or relationships have been entered into. Include such information for any of the securities that are pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities except that disclosure of standard default and similar provisions contained in loan agreements need not be included.

17 CFR Ch. II (4-1-04 Edition)

Item 7. Material to be Filed as Exhibits. § 240.13e-4 Tender offers by issuers.

(a) *Definitions.* Unless the context otherwise requires, all terms used in this section and in Schedule TO (§ 240.14d-100) shall have the same meaning as in the Act or elsewhere in the General Rules and Regulations thereunder. In addition, the following definitions shall apply:

(1) The term *issuer* means any issuer which has a class of equity security registered pursuant to section 12 of the Act, or which is required to file periodic reports pursuant to section 15(d)

of the Act, or which is a closed-end investment company registered under the Investment Company Act of 1940.

(2) The term *issuer tender offer* refers to a tender offer for, or a request or invitation for tenders of, any class of equity security, made by the issuer of such class of equity security or by an affiliate of such issuer.

(3) As used in this section and in Schedule TO (§ 240.14d-100), the term *business day* means any day, other than Saturday, Sunday, or a Federal holiday, and shall consist of the time period from 12:01 a.m. through 12:00 midnight Eastern Time. In computing any time period under this Rule or Schedule 13E-4, the date of the event that begins the running of such time period shall be included *except that* if such event occurs on other than a business day such period shall begin to run on and shall include the first business day thereafter.

(4) The term *commencement* means 12:01 a.m. on the date that the issuer or affiliate has first published, sent or given the means to tender to security holders. For purposes of this section, the means to tender includes the transmittal form or a statement regarding how the transmittal form may be obtained.

(5) The term *termination* means the date after which securities may not be tendered pursuant to an issuer tender offer.

(6) The term *security holders* means holders of record and beneficial owners of securities of the class of equity security which is the subject of an issuer tender offer.

(7) The term *security position listing* means, with respect to the securities of any issuer held by a registered clearing agency in the name of the clearing agency or its nominee, a list of those participants in the clearing agency on whose behalf the clearing agency holds the issuer's securities and of the participants' respective positions in such securities as of a specified date.

(b) *Filing, disclosure and dissemination.* As soon as practicable on the date of commencement of the issuer tender offer, the issuer or affiliate making the issuer tender offer must comply with:

(1) The filing requirements of paragraph (c)(2) of this section;

(2) The disclosure requirements of paragraph (d)(1) of this section; and

(3) The dissemination requirements of paragraph (e) of this section.

(c) *Material required to be filed.* The issuer or affiliate making the issuer tender offer must file with the Commission:

(1) All written communications made by the issuer or affiliate relating to the issuer tender offer, from and including the first public announcement, as soon as practicable on the date of the communication;

(2) A Schedule TO (§240.14d-100), including all exhibits;

(3) An amendment to Schedule TO (§240.14d-100) reporting promptly any material changes in the information set forth in the schedule previously filed; and

(4) A final amendment to Schedule TO (§240.14d-100) reporting promptly the results of the issuer tender offer.

Instructions to §240.13e-4(c):

1. Pre-commencement communications must be filed under cover of Schedule TO (§240.14d-100) and the box on the cover page of the schedule must be marked.

2. Any communications made in connection with an exchange offer registered under the Securities Act of 1933 need only be filed under §230.425 of this chapter and will be deemed filed under this section.

3. Each pre-commencement written communication must include a prominent legend in clear, plain language advising security holders to read the tender offer statement when it is available because it contains important information. The legend also must advise investors that they can get the tender offer statement and other filed documents for free at the Commission's web site and explain which documents are free from the issuer.

4. See §§230.135, 230.165 and 230.166 of this chapter for pre-commencement communications made in connection with registered exchange offers.

5. "Public announcement" is any oral or written communication by the issuer, affiliate or any person authorized to act on their behalf that is reasonably designed to, or has the effect of, informing the public or security holders in general about the issuer tender offer.

(d) *Disclosure of tender offer information to security holders.* (1) The issuer or affiliate making the issuer tender offer must disclose, in a manner prescribed by paragraph (e)(1) of this section, the following:

(i) The information required by Item 1 of Schedule TO (§240.14d-100) (summary term sheet); and

(ii) The information required by the remaining items of Schedule TO for issuer tender offers, except for Item 12 (exhibits), or a fair and adequate summary of the information.

(2) If there are any material changes in the information previously disclosed to security holders, the issuer or affiliate must disclose the changes promptly to security holders in a manner specified in paragraph (e)(3) of this section.

(3) If the issuer or affiliate disseminates the issuer tender offer by means of summary publication as described in paragraph (e)(1)(iii) of this section, the summary advertisement must not include a transmittal letter that would permit security holders to tender securities sought in the offer and must disclose at least the following information:

(i) The identity of the issuer or affiliate making the issuer tender offer;

(ii) The information required by §229.1004(a)(1) and §229.1006(a) of this chapter;

(iii) Instructions on how security holders can obtain promptly a copy of the statement required by paragraph (d)(1) of this section, at the issuer or affiliate's expense; and

(iv) A statement that the information contained in the statement required by paragraph (d)(1) of this section is incorporated by reference.

(e) *Dissemination of tender offers to security holders.* An issuer tender offer will be deemed to be published, sent or given to security holders if the issuer or affiliate making the issuer tender offer complies fully with one or more of the methods described in this section.

(1) For issuer tender offers in which the consideration offered consists solely of cash and/or securities exempt from registration under section 3 of the Securities Act of 1933 (15 U.S.C. 77c):

(i) Dissemination of cash issuer tender offers by long-form publication: By making adequate publication of the information required by paragraph (d)(1) of this section in a newspaper or newspapers, on the date of commencement of the issuer tender offer.

(ii) Dissemination of any issuer tender offer by use of stockholder and other lists:

(A) By mailing or otherwise furnishing promptly a statement containing the information required by paragraph (d)(1) of this section to each security holder whose name appears on the most recent stockholder list of the issuer;

(B) By contacting each participant on the most recent security position listing of any clearing agency within the possession or access of the issuer or affiliate making the issuer tender offer, and making inquiry of each participant as to the approximate number of beneficial owners of the securities sought in the offer that are held by the participant;

(C) By furnishing to each participant a sufficient number of copies of the statement required by paragraph (d)(1) of this section for transmittal to the beneficial owners; and

(D) By agreeing to reimburse each participant promptly for its reasonable expenses incurred in forwarding the statement to beneficial owners.

(iii) Dissemination of certain cash issuer tender offers by summary publication:

(A) If the issuer tender offer is not subject to §240.13e-3, by making adequate publication of a summary advertisement containing the information required by paragraph (d)(3) of this section in a newspaper or newspapers, on the date of commencement of the issuer tender offer; and

(B) By mailing or otherwise furnishing promptly the statement required by paragraph (d)(1) of this section and a transmittal letter to any security holder who requests a copy of the statement or transmittal letter.

Instruction to paragraph (e)(1): For purposes of paragraphs (e)(1)(i) and (e)(1)(iii) of this section, adequate publication of the issuer tender offer may require publication in a newspaper with a national circulation, a newspaper with metropolitan or regional circulation, or a combination of the two, depending upon the facts and circumstances involved.

(2) For tender offers in which the consideration consists solely or partially of securities registered under the Securities Act of 1933, a registration

statement containing all of the required information, including pricing information, has been filed and a preliminary prospectus or a prospectus that meets the requirements of Section 10(a) of the Securities Act (15 U.S.C. (15 U.S.C. 77j(a)), including a letter of transmittal, is delivered to security holders. However, for going-private transactions (as defined by §240.13e-3) and roll-up transactions (as described by Item 901 of Regulation S-K (§229.901 of this chapter)), a registration statement registering the securities to be offered must have become effective and only a prospectus that meets the requirements of Section 10(a) of the Securities Act may be delivered to security holders on the date of commencement.

Instructions to paragraph (e)(2):

1. If the prospectus is being delivered by mail, mailing on the date of commencement is sufficient.

2. A preliminary prospectus used under this section may not omit information under §230.430 or §230.430A of this chapter.

3. If a preliminary prospectus is used under this section and the issuer must disseminate material changes, the tender offer must remain open for the period specified in paragraph (e)(3) of this section.

4. If a preliminary prospectus is used under this section, tenders may be requested in accordance with §230.162(a) of this chapter.

(3) If a material change occurs in the information published, sent or given to security holders, the issuer or affiliate must disseminate promptly disclosure of the change in a manner reasonably calculated to inform security holders of the change. In a registered securities offer where the issuer or affiliate disseminates the preliminary prospectus as permitted by paragraph (e)(2) of this section, the offer must remain open from the date that material changes to the tender offer materials are disseminated to security holders, as follows:

(i) Five business days for a prospectus supplement containing a material change other than price or share levels;

(ii) Ten business days for a prospectus supplement containing a change in price, the amount of securities sought, the dealer's soliciting fee, or other similarly significant change;

(iii) Ten business days for a prospectus supplement included as part of a post-effective amendment; and

(iv) Twenty business days for a revised prospectus when the initial prospectus was materially deficient.

(f) *Manner of making tender offer.* (1) The issuer tender offer, unless withdrawn, shall remain open until the expiration of:

(i) At least twenty business days from its commencement; and

(ii) At least ten business days from the date that notice of an increase or decrease in the percentage of the class of securities being sought or the consideration offered or the dealer's soliciting fee to be given is first published, sent or given to security holders.

Provided, however, That, for purposes of this paragraph, the acceptance for payment by the issuer or affiliate of an additional amount of securities not to exceed two percent of the class of securities that is the subject of the tender offer shall not be deemed to be an increase. For purposes of this paragraph, the percentage of a class of securities shall be calculated in accordance with section 14(d)(3) of the Act.

(2) The issuer or affiliate making the issuer tender offer shall permit securities tendered pursuant to the issuer tender offer to be withdrawn:

(i) At any time during the period such issuer tender offer remains open; and

(ii) If not yet accepted for payment, after the expiration of forty business days from the commencement of the issuer tender offer.

(3) If the issuer or affiliate makes a tender offer for less than all of the outstanding equity securities of a class, and if a greater number of securities is tendered pursuant thereto than the issuer or affiliate is bound or willing to take up and pay for, the securities taken up and paid for shall be taken up and paid for as nearly as may be pro rata, disregarding fractions, according to the number of securities tendered by each security holder during the period such offer remains open; *Provided, however,* That this provision shall not prohibit the issuer or affiliate making the issuer tender offer from:

(i) Accepting all securities tendered by persons who own, beneficially or of

record, an aggregate of not more than a specified number which is less than one hundred shares of such security and who tender all their securities, before prorating securities tendered by others; or

(ii) Accepting by lot securities tendered by security holders who tender all securities held by them and who, when tendering their securities, elect to have either all or none or at least a minimum amount or none accepted, if the issuer or affiliate first accepts all securities tendered by security holders who do not so elect;

(4) In the event the issuer or affiliate making the issuer tender increases the consideration offered after the issuer tender offer has commenced, such issuer or affiliate shall pay such increased consideration to all security holders whose tendered securities are accepted for payment by such issuer or affiliate.

(5) The issuer or affiliate making the tender offer shall either pay the consideration offered, or return the tendered securities, promptly after the termination or withdrawal of the tender offer.

(6) Until the expiration of at least ten business days after the date of termination of the issuer tender offer, neither the issuer nor any affiliate shall make any purchases, otherwise than pursuant to the tender offer, of:

(i) Any security which is the subject of the issuer tender offer, or any security of the same class and series, or any right to purchase any such securities; and

(ii) In the case of an issuer tender offer which is an exchange offer, any security being offered pursuant to such exchange offer, or any security of the same class and series, or any right to purchase any such security.

(7) The time periods for the minimum offering periods pursuant to this section shall be computed on a concurrent as opposed to a consecutive basis.

(8) No issuer or affiliate shall make a tender offer unless:

(i) The tender offer is open to all security holders of the class of securities subject to the tender offer; and

(ii) The consideration paid to any security holder pursuant to the tender offer is the highest consideration paid

to any other security holder during such tender offer.

(9) Paragraph (f)(8)(i) of this section shall not:

(i) Affect dissemination under paragraph (e) of this section; or

(ii) Prohibit an issuer or affiliate from making a tender offer excluding all security holders in a state where the issuer or affiliate is prohibited from making the tender offer by administrative or judicial action pursuant to a state statute after a good faith effort by the issuer or affiliate to comply with such statute.

(10) Paragraph (f)(8)(ii) of this section shall not prohibit the offer of more than one type of consideration in a tender offer, provided that:

(i) Security holders are afforded equal right to elect among each of the types of consideration offered; and

(ii) The highest consideration of each type paid to any security holder is paid to any other security holder receiving that type of consideration.

(11) If the offer and sale of securities constituting consideration offered in an issuer tender offer is prohibited by the appropriate authority of a state after a good faith effort by the issuer or affiliate to register or qualify the offer and sale of such securities in such state:

(i) The issuer or affiliate may offer security holders in such state an alternative form of consideration; and

(ii) Paragraph (f)(10) of this section shall not operate to require the issuer or affiliate to offer or pay the alternative form of consideration to security holders in any other state.

(12) *Electronic filings.* If the issuer or affiliate is an electronic filer, the minimum offering periods set forth in paragraph (f)(1) of this section shall be tolled for any period during which it fails to file in electronic format, absent a hardship exemption (§§ 232.201 and 232.202 of this chapter), the Schedule TO (§ 240.14d-100), the tender offer material specified in Item 1016(a)(1) of Regulation M-A (§ 229.1016(a)(1) of this chapter), and any amendments thereto. If such documents were filed in paper pursuant to a hardship exemption (see § 232.201 and § 232.202 of this chapter), the minimum offering periods shall be tolled for any period during which a re-

quired confirming electronic copy of such Schedule and tender offer material is delinquent.

(g) The requirements of section 13(e)(1) of the Act and Rule 13e-4 and Schedule TO (§ 240.14d-100) thereunder shall be deemed satisfied with respect to any issuer tender offer, including any exchange offer, where the issuer is incorporated or organized under the laws of Canada or any Canadian province or territory, is a foreign private issuer, and is not an investment company registered or required to be registered under the Investment Company Act of 1940, if less than 40 percent of the class of securities that is the subject of the tender offer is held by U. S. holders, and the tender offer is subject to, and the issuer complies with, the laws, regulations and policies of Canada and/or any of its provinces or territories governing the conduct of the offer (unless the issuer has received an exemption(s) from, and the issuer tender offer does not comply with, requirements that otherwise would be prescribed by this section), *provided that*:

(1) Where the consideration for an issuer tender offer subject to this paragraph consists solely of cash, the entire disclosure document or documents required to be furnished to holders of the class of securities to be acquired shall be filed with the Commission on Schedule 13E-4F (§ 240.13e-102) and disseminated to shareholders residing in the United States in accordance with such Canadian laws, regulations and policies; or

(2) Where the consideration for an issuer tender offer subject to this paragraph includes securities to be issued pursuant to the offer, any registration statement and/or prospectus relating thereto shall be filed with the Commission along with the Schedule 13E-4F referred to in paragraph (g)(1) of this section, and shall be disseminated, together with the home jurisdiction document(s) accompanying such Schedule, to shareholders of the issuer residing in the United States in accordance with such Canadian laws, regulations and policies.

NOTE: Notwithstanding the grant of an exemption from one or more of the applicable Canadian regulatory provisions imposing requirements that otherwise would be prescribed by this section, the issuer tender

offer will be eligible to proceed in accordance with the requirements of this section if the Commission by order determines that the applicable Canadian regulatory provisions are adequate to protect the interest of investors.

(h) This section shall not apply to:

(1) Calls or redemptions of any security in accordance with the terms and conditions of its governing instruments;

(2) Offers to purchase securities evidenced by a scrip certificate, order form or similar document which represents a fractional interest in a share of stock or similar security;

(3) Offers to purchase securities pursuant to a statutory procedure for the purchase of dissenting security holders' securities;

(4) Any tender offer which is subject to section 14(d) of the Act;

(5) Offers to purchase from security holders who own an aggregate of not more than a specified number of shares that is less than one hundred: *Provided, however, That:*

(i) The offer complies with paragraph (f)(8)(i) of this section with respect to security holders who own a number of shares equal to or less than the specified number of shares, except that an issuer can elect to exclude participants in a plan as that term is defined in §242.100 of this chapter, or to exclude security holders who do not own their shares as of a specified date determined by the issuer; and

(ii) The offer complies with paragraph (f)(8)(ii) of this section or the consideration paid pursuant to the offer is determined on the basis of a uniformly applied formula based on the market price of the subject security;

(6) An issuer tender offer made solely to effect a rescission offer: *Provided, however, That* the offer is registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), and the consideration is equal to the price paid by each security holder, plus legal interest if the issuer elects to or is required to pay legal interest;

(7) Offers by closed-end management investment companies to repurchase equity securities pursuant to §270.23c-3 of this chapter;

(8) *Cross-border tender offers (Tier I)*. Any issuer tender offer (including any exchange offer) where the issuer is a foreign private issuer as defined in

§240.3b-4 if the following conditions are satisfied.

(i) Except in the case of an issuer tender offer which is commenced during the pendency of a tender offer made by a third party in reliance on §240.14d-1(c), U.S. holders do not hold more than 10 percent of the class of securities sought in the offer (as determined under Instruction 2 to paragraph (h)(8) and paragraph (i) of this section); and

(ii) The issuer or affiliate must permit U.S. holders to participate in the offer on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the offer; however:

(A) *Registered exchange offers*. If the issuer or affiliate offers securities registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the issuer or affiliate need not extend the offer to security holders in those states or jurisdictions that prohibit the offer or sale of the securities after the issuer or affiliate has made a good faith effort to register or qualify the offer and sale of securities in that state or jurisdiction, except that the issuer or affiliate must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(B) *Exempt exchange offers*. If the issuer or affiliate offers securities exempt from registration under §230.802 of this chapter, the issuer or affiliate need not extend the offer to security holders in those states or jurisdictions that require registration or qualification, except that the issuer or affiliate must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(C) *Cash only consideration*. The issuer or affiliate may offer U.S. holders cash only consideration for the tender of the subject securities, notwithstanding the fact that the issuer or affiliate is offering security holders outside the United States a consideration that consists in whole or in part of securities of the issuer or affiliate, if the issuer or affiliate has a reasonable basis for believing that the amount of cash is substantially equivalent to the value of the

consideration offered to non-U.S. holders, and either of the following conditions are satisfied:

(1) The offered security is a “margin security” within the meaning of Regulation T (12 CFR 220.2) and the issuer or affiliate undertakes to provide, upon the request of any U.S. holder or the Commission staff, the closing price and daily trading volume of the security on the principal trading market for the security as of the last trading day of each of the six months preceding the announcement of the offer and each of the trading days thereafter; or

(2) If the offered security is not a “margin security” within the meaning of Regulation T (12 CFR 220.2), the issuer or affiliate undertakes to provide, upon the request of any U.S. holder or the Commission staff, an opinion of an independent expert stating that the cash consideration offered to U.S. holders is substantially equivalent to the value of the consideration offered security holders outside the United States.

(D) *Disparate tax treatment.* If the issuer or affiliate offers “loan notes” solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the loan notes need not be offered to U.S. holders.

(iii) *Informational documents.* (A) If the issuer or affiliate publishes or otherwise disseminates an informational document to the holders of the securities in connection with the issuer tender offer (including any exchange offer), the issuer or affiliate must furnish that informational document, including any amendments thereto, in English, to the Commission on Form CB (§249.480 of this chapter) by the first business day after publication or dissemination. If the issuer or affiliate is a foreign company, it must also file a Form F-X (§239.42 of this chapter) with the Commission at the same time as the submission of Form CB to appoint an agent for service in the United States.

(B) The issuer or affiliate must disseminate any informational document to U.S. holders, including any amendments thereto, in English, on a com-

parable basis to that provided to security holders in the home jurisdiction.

(C) If the issuer or affiliate disseminates by publication in its home jurisdiction, the issuer or affiliate must publish the information in the United States in a manner reasonably calculated to inform U.S. holders of the offer.

(iv) An investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than a registered closed-end investment company, may not use this paragraph (h)(8); or

(9) Any other transaction or transactions, if the Commission, upon written request or upon its own motion, exempts such transaction or transactions, either unconditionally, or on specified terms and conditions, as not constituting a fraudulent, deceptive or manipulative act or practice comprehended within the purpose of this section.

(i) *Cross-border tender offers (Tier II).* Any issuer tender offer (including any exchange offer) that meets the conditions in paragraph (i)(1) of this section shall be entitled to the exemptive relief specified in paragraph (i)(2) of this section provided that such issuer tender offer complies with all the requirements of this section other than those for which an exemption has been specifically provided in paragraph (i)(2) of this section:

(1) *Conditions.* (i) The issuer is a foreign private issuer as defined in §240.3b-4 and is not an investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than a registered closed-end investment company; and

(ii) Except in the case of an issuer tender offer which is commenced during the pendency of a tender offer made by a third party in reliance on §240.14d-1(d), U.S. holders do not hold more than 40 percent of the class of securities sought in the offer (as determined under Instruction 2 to paragraphs (h)(8) and (i) of this section).

(2) *Exemptions.* The issuer tender offer shall comply with all requirements of this section other than the following:

(i) *Equal treatment—loan notes.* If the issuer or affiliate offers loan notes solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act (15 U.S.C. 77a *et seq.*), the loan notes need not be offered to U.S. holders, notwithstanding paragraph (f)(8) and (h)(9) of this section.

(ii) *Equal treatment—separate U.S. and foreign offers.* Notwithstanding the provisions of paragraph (f)(8) of this section, an issuer or affiliate conducting an issuer tender offer meeting the conditions of paragraph (i)(1) of this section may separate the offer into two offers: One offer made only to U.S. holders and another offer made only to non-U.S. holders. The offer to U.S. holders must be made on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the tender offer.

(iii) *Notice of extensions.* Notice of extensions made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of § 240.14e-1(d).

(iv) *Prompt payment.* Payment made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of § 240.14e-1(c).

Instructions to paragraph (h)(8) and (i) of this section:

1. *Home jurisdiction* means both the jurisdiction of the issuer's incorporation, organization or chartering and the principal foreign market where the issuer's securities are listed or quoted.

2. *U.S. holder* means any security holder resident in the United States. To determine the percentage of outstanding securities held by U.S. holders:

i. Calculate the U.S. ownership as of 30 days before the commencement of the issuer tender offer;

ii. Include securities underlying American Depositary Shares convertible or exchangeable into the securities that are the subject of the tender offer when calculating the number of subject securities outstanding, as well as the number held by U.S. holders. Exclude from the calculations other types of securities that are convertible or exchangeable into the securities that are the subject of the tender offer, such as warrants, options and convertible securities. Exclude from those calculations securities held by persons who

hold more than 10 percent of the subject securities;

iii. iv. If, after reasonable inquiry, you are unable to obtain information about the amount of securities represented by accounts of customers resident in the United States, you may assume, for purposes of this definition, that the customers are residents of the jurisdiction in which the nominee has its principal place of business; and

v. Count securities as beneficially owned by residents of the United States as reported on reports of beneficial ownership that are provided to you or publicly filed and based on information otherwise provided to you.

3. *United States.* *United States* means the United States of America, its territories and possessions, any State of the United States, and the District of Columbia.

4. The exemptions provided by paragraphs (h)(8) and (i) of this section are not available for any securities transaction or series of transactions that technically complies with paragraph (h)(8) or (i) of this section but are part of a plan or scheme to evade the provisions of this section.

(iii) To engage in any act, practice or course of business which operates or would operate as a fraud or deceit upon any person.

(2) As a means reasonably designed to prevent fraudulent, deceptive or manipulative acts or practices in connection with any issuer tender offer, it shall be unlawful for an issuer or an affiliate of such issuer to make an issuer tender offer unless:

§ 240.13e-100

3. As soon as practicable on the date a tender offer is first published, sent or given to security holders; or

4. H. The information required by the items of this statement is intended to be in addition to any disclosure requirements of any other form or schedule that may be filed with the Commission in connection with the Rule 13e-3 transaction. If those forms or schedules require less information on any topic than this statement, the requirements of this statement control.

I. If the Rule 13e-3 transaction involves a tender offer, then a combined statement on Schedules 13E-3 and TO may be filed with the Commission under cover of Schedule TO

(§ 240.14d-100). See Instruction J of Schedule TO (§ 240.14d-100).

GENERAL INSTRUCTIONS

I. ELIGIBILITY REQUIREMENTS FOR USE OF SCHEDULE 13E-4F

A. Schedule 13E-4F may be used by any foreign private issuer if: (1) The issuer is incorporated or organized under the laws of Canada or any Canadian province or territory; (2) the issuer is making a cash tender or exchange offer for the issuer's own securities; and (3) less than 40 percent of the class of such issuer's securities outstanding that is the subject of the tender offer is held by U.S. holders. The calculation of securities held by U.S. holders shall be made as of the end of the issuer's last quarter or, if such quarter terminated within 60 days of the filing date, as of the end of the issuer's preceding quarter.

Instructions

1. For purposes of this Schedule, "foreign private issuer" shall be construed in accordance with Rule 405 under the Securities Act.

2. For purposes of this Schedule, the term "U.S. holder" shall mean any person whose address appears on the records of the issuer, any voting trustee, any depository, any share transfer agent or any person acting in a similar capacity on behalf of the issuer as being located in the United States.

3. If this Schedule is filed during the pendency of one or more ongoing cash tender or exchange offers for securities of the class subject to this offer that was commenced or was eligible to be commenced on Schedule 14D-1F and/or Form F-8 or Form F-80, the date for calculation of U.S. ownership for purposes of this Schedule shall be the same as that date used by the initial bidder or issuer.

4. For purposes of this Schedule, the class of subject securities shall not include any securities that may be converted into or are exchangeable for the subject securities.

B. Any issuer using this Schedule must extend the cash tender or exchange offer to U.S. holders of the class of securities subject to the offer upon terms and conditions not less favorable than those extended to any other holder of the same class of such securities, and must comply with the requirements of any Canadian federal, provincial and/or territorial law, regulation or policy relating to the terms and conditions of the offer.

C. This Schedule shall not be used if the issuer is an investment company registered or required to be registered under the Investment Company Act of 1940.

II. FILING INSTRUCTIONS AND FEES

A.(1) The issuer must file this Schedule and any amendment to the Schedule (see Part I, Item 1.(b)), including all exhibits and other documents filed as part of the Schedule or amendment, in electronic format via the Commission's Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232). For assistance with technical questions about EDGAR or to request an access code, call the EDGAR Filer Support Office at (202) 942-8900. For assistance with the EDGAR rules, call the Office of EDGAR and Information Analysis at (202) 942-2940.

(2) If filing the Schedule in paper under a hardship exemption in 17 CFR 232.201 or 232.202 of Regulation S-T, or as otherwise permitted, the issuer must file with the Commission at its principal office five copies of the complete Schedule and any amendment, including exhibits and all other documents filed as a part of the Schedule or amendment. The issuer must bind, staple or otherwise compile each copy in one or more

parts without stiff covers. The issuer must further bind the Schedule or amendment on the side or stitching margin in a manner that leaves the reading matter legible. The issuer must provide three additional copies of the Schedule or amendment without exhibits to the Commission.

B. An electronic filer must provide the signatures required for the Schedule or amendment in accordance with 17 CFR 232.302 of Regulation S-T. An issuer filing in paper must have the original and at least one copy of the Schedule and any amendment signed in accordance with Exchange Act Rule 12b-11(d) (17 CFR 12b-11(d)) by the persons whose signatures are required for this Schedule or amendment. The issuer must also conform the unsigned copies.

C. At the time of filing this Schedule with the Commission, the issuer shall pay to the Commission in accordance with Rule 0-11 of the Exchange Act, a fee in U.S. dollars in the amount prescribed by section 13(e)(3) of the Exchange Act. See also Rule 0-9 of the Exchange Act.

(1) The value of the securities to be acquired solely for cash shall be the amount of cash to be paid for them, calculated into U.S. dollars.

(2) The value of the securities to be acquired with securities or other non-cash consideration, whether or not in combination with a cash payment for the same securities, shall be based on the market value of the securities to be acquired by the issuer as established in accordance with paragraph (3) of this section.

(3) When the fee is based upon the market value of the securities, such market value shall be established by either the average of the high and low prices reported on the consolidated reporting system (for exchange-traded securities and last sale reported for over-the-counter securities) or the average of the bid and asked price (for other over-the-counter securities) as of a specified date within 5 business days prior to the date of filing the Schedule. If there is no market for the securities to be acquired by the issuer, the value shall be based upon the book value of such securities computed as of the latest practicable date prior to the date of filing of the Schedule, unless the issuer of the securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of such securities shall be used.

D. If at any time after the initial payment of the fee the aggregate consideration offered is increased, an additional filing fee based upon such increase shall be paid with the required amended filing.

E. The issuer must file the Schedule or amendment in electronic format in the English language in accordance with 17 CFR 232.306 of Regulation S-T. The issuer may

file part of the Schedule or amendment, or exhibit or other attachment to the Schedule or amendment, in both French and English if the issuer included the French text to comply with the requirements of the Canadian securities administrator or other Canadian authority and, for an electronic filing, if the filing is an HTML document, as defined in 17 CFR 232.11 of Regulation S-T. For both an electronic filing and a paper filing, the issuer may provide an English translation or English summary of a foreign language document as an exhibit or other attachment to the Schedule or amendment as permitted by the rules of the applicable Canadian securities administrator.

F. A paper filer must number sequentially the signed original of the Schedule or amendment (in addition to any internal numbering that otherwise may be present) by handwritten, typed, printed or other legible form of notation from the first page through the last page of the Schedule or amendment, including any exhibits or attachments. A paper filer must disclose the total number of pages on the first page of the sequentially numbered Schedule or amendment.

III. COMPLIANCE WITH THE EXCHANGE ACT

A. Pursuant to Rule 13e-4(g) under the Exchange Act, the issuer shall be deemed to comply with the requirements of section 13(e)(1) of the Exchange Act and Rule 13e-4 and Schedule 13E-4 thereunder in connection with a cash tender or exchange offer for securities that may be made pursuant to this Schedule, *provided that*, if an exemption has been granted from the requirements of Canadian federal, provincial and/or territorial laws, regulations or policies, and the tender offer does not comply with requirements that otherwise would be prescribed by Rule 13e-4, the issuer (absent an order from the Commission) shall comply with the provisions of section 13(e)(1) and Rule 13e-4 and Schedule 13E-4 thereunder.

B. Any cash tender or exchange offer made pursuant to this Schedule is not exempt from the antifraud provisions of section 10(b) of the Exchange Act and Rule 10b-5 thereunder, section 13(e)(1) of the Exchange Act and Rule 13e-4(b)(1) thereunder, and section 14(e) of the Exchange Act and Rule 14e-3 thereunder, and this Schedule shall be deemed "filed" for purposes of section 18 of the Exchange Act.

C. The issuer's attention is directed to Regulation M (§§ 242.100 through 242.105 of this chapter), in the case of an issuer exchange offer, and to Rule 10b-13 under the Exchange Act (§ 240.10b-13), in the case of an issuer cash tender offer or issuer exchange offer. [See Exchange Act Release No. 29355 (June 21, 1991) containing an exemption from Rule 10b-13.]

"The enforcement by investors of civil liabilities under the federal securities laws may be affected adversely by the fact that the issuer is located in a foreign country, and that some or all of its officers and directors are residents of a foreign country.

"Investors should be aware that the issuer or its affiliates, directly or indirectly, may bid for or make purchases of the securities of the issuer subject to the offer, or of its related securities, during the period of the issuer tender offer, as permitted by applica-

NOTE TO ITEM 2. If the home jurisdiction document(s) are delivered through an electronic medium, the issuer may satisfy the legibility requirements for the required legends relating to type size and fonts by presenting the legend in any manner reasonably calculated to draw security holder attention to it.

§ 240.13f-1 Reporting by institutional investment managers of information with respect to accounts over which they exercise investment discretion.

(a)(1) Every institutional investment manager which exercises investment discretion with respect to accounts holding section 13(f) securities, as defined in paragraph (c) of this section, having an aggregate fair market value

on the last trading day of any month of any calendar year of at least \$100,000,000 shall file a report on Form 13F (§249.325 of this chapter) with the Commission within 45 days after the last day of such calendar year and within 45 days after the last day of each of the first three calendar quarters of the subsequent calendar year.

(2) An amendment to a Form 13F (§249.325 of this chapter) report, other than one reporting only holdings that were not previously reported in a public filing for the same period, must set forth the complete text of the Form 13F. Amendments must be numbered sequentially.

(b) For the purposes of this rule, "investment discretion" has the meaning set forth in section 3(a)(35) of the Act (15 U.S.C. 78c(a)(35)). An institutional investment manager shall also be deemed to exercise "investment discretion" with respect to all accounts over which any person under its control exercises investment discretion.

(c) For purposes of this rule "section 13(f) securities" shall mean equity securities of a class described in section 13(d)(1) of the Act that are admitted to trading on a national securities exchange or quoted on the automated quotation system of a registered securities association. In determining what classes of securities are section 13(f) securities, an institutional investment manager may rely on the most recent list of such securities published by the Commission pursuant to section 13(f)(3) of the Act (15 U.S.C. 78m(f)(3)). Only securities of a class on such list shall be counted in determining whether an institutional investment manager must file a report under this rule (§240.13f-1(a)) and only those securities shall be reported in such report. Where a person controls the issuer of a class of equity securities which are "section 13(f) securities" as defined in this rule, those securities shall not be deemed to be "section 13(f) securities" with respect to the controlling person, provided that such person does not otherwise exercise investment discretion with respect to accounts with fair market value of at least \$100,000,000 within the

Securities and Exchange Commission

§ 240.14a-3 Information to be furnished to security holders.

(a) No solicitation subject to this regulation shall be made unless each person solicited is concurrently furnished or has previously been furnished with a publicly-filed preliminary or definitive written proxy statement containing the information specified in Schedule 14A (§240.14a-101) or with a preliminary or definitive written proxy statement included in a registration statement filed under the Securities Act of 1933 on Form S-4 or F-4 (§239.25 or §239.34 of this chapter) or Form N-14 (§239.23) and containing the information specified in such Form.

(b) If the solicitation is made on behalf of the registrant, other than an investment company registered under the Investment Company Act of 1940, and relates to an annual (or special meeting in lieu of the annual) meeting of security holders, or written consent in lieu of such meeting, at which directors are to be elected, each proxy statement furnished pursuant to paragraph (a) of this section shall be accompanied or preceded by an annual report to security holders as follows:

NOTE TO SMALL BUSINESS ISSUERS—A "small business issuer," defined under Rule 12b-2 of the Exchange Act (§240.12b-2), shall refer to the disclosure items in Regulation S-B (§228.10-702 of this chapter) rather than

Regulation S-K (§ 229.10—702 of this chapter). If there is no comparable disclosure item in Regulation S-B, a small business issuer need not provide the information requested. A small business issuer shall provide the information in Item 310(a) of Regulation S-B in lieu of the financial information required by Rule 14a-3(b)(1) (§ 240.14a-3(b)(1)). Small business issuers using the transitional small business issuers disclosure format in the filing of their most recent annual report on Form 10-KSB (§ 249.310b of this chapter) need not provide the information specified below. Rather, those small business issuers shall provide only the financial statements required to be filed in their most recent Form 10-KSB. The inclusion of additional information, including information required of non-transitional small business issuers, in the annual report to security holders will not cause the issuer to be ineligible for the transitional disclosure forms.

(1) The report shall include, for the registrant and its subsidiaries consolidated, audited balance sheets as of the end of each of the two most recent fiscal years and audited statements of income and cash flows for each of the three most recent fiscal years prepared in accordance with Regulation S-X (part 210 of this chapter), except that the provisions of Article 3 (other than §§ 210.3-03(e), 210.3-04 and 210.3-20) and Article 11 shall not apply. Any financial statement schedules or exhibits or separate financial statements which may otherwise be required in filings with the Commission may be omitted. If the financial statements of the registrant and its subsidiaries consolidated in the annual report filed or to be filed with the Commission are not required to be audited, the financial statements required by this paragraph may be unaudited.

NOTE 1—If the financial statements for a period prior to the most recently completed fiscal year have been examined by a predecessor accountant, the separate report of the predecessor accountant may be omitted in the report to security holders provided the registrant has obtained from the predecessor accountant a reissued report covering the prior period presented and the successor accountant clearly indicates in the scope paragraph of his report (a) that the financial statements of the prior period were examined by other accountants, (b) the date of their report, (c) the type of opinion expressed by the predecessor accountant and (d) the substantive reasons therefor, if it was other than unqualified. It should be noted, however, that the separate report of any prede-

cessor accountant is required in filings with the Commission. If, for instance, the financial statements in the annual report to security holders are incorporated by reference in a Form 10-K and Form 10-KSB, the separate report of a predecessor accountant shall be filed in Part II or in Part IV as a financial statement schedule.

NOTE 2—For purposes of complying with § 240.14a-3, if the registrant has changed its fiscal closing date, financial statements covering two years and one period of 9 to 12 months shall be deemed to satisfy the requirements for statements of income and cash flows for the three most recent fiscal years.

(2)(i) Financial statements and notes thereto shall be presented in roman type at least as large and as legible as 10-point modern type. If necessary for convenient presentation, the financial statements may be in roman type as large and as legible as 8-point modern type. All type shall be leaded at least 2 points.

(ii) Where the annual report to security holders is delivered through an electronic medium, issuers may satisfy legibility requirements applicable to printed documents, such as type size and font, by presenting all required information in a format readily communicated to investors.

(3) The report shall contain the supplementary financial information required by item 302 of Regulation S-K (§ 229.302 of this chapter).

(4) The report shall contain information concerning changes in and disagreements with accountants on accounting and financial disclosure required by Item 304 of Regulation S-K (§ 229.304 of this chapter).

(5)(i) The report shall contain the selected financial data required by Item 301 of Regulation S-K (§ 229.301 of this chapter).

(ii) The report shall contain management's discussion and analysis of financial condition and results of operations required by Item 303 of Regulation S-K (§ 229.303 of this chapter) or, if applicable, a plan of operation required by Item 303(a) of Regulation S-B (§ 228.303(a) of this chapter).

(iii) The report shall contain the quantitative and qualitative disclosures about market risk required by Item 305 of Regulation S-K (§ 229.305 of this chapter).

(6) The report shall contain a brief description of the business done by the registrant and its subsidiaries during the most recent fiscal year which will, in the opinion of management, indicate the general nature and scope of the business of the registrant and its subsidiaries.

(7) The report shall contain information relating to the registrant's industry segments, classes of similar products or services, foreign and domestic operations and exports sales required by paragraphs (b), (c)(1)(i) and (d) of Item 101 of Regulation S-K (§229.101 of this chapter).

(8) The report shall identify each of the registrant's directors and executive officers, and shall indicate the principal occupation or employment of each such person and the name and principal business of any organization by which such person is employed.

(9) The report shall contain the market price of and dividends on the registrant's common equity and related security holder matters required by Item 201(a), (b) and (c) of Regulation S-K (§229.201(a), (b) and (c) of this chapter).

(10) The registrant's proxy statement, or the report, shall contain an undertaking in bold face or otherwise reasonably prominent type to provide without charge to each person solicited upon the written request of any such person, a copy of the registrant's annual report on Form 10-K and Form 10-KSB, including the financial statements and the financial statement schedules, required to be filed with the Commission pursuant to Rule 13a-1 under the Act for the registrant's most recent fiscal year, and shall indicate the name and address (including title or department) of the person to whom such a written request is to be directed. In the discretion of management, a registrant need not undertake to furnish without charge copies of all exhibits to its Form 10-K and Form 10-KSB provided that that copy of the annual report on Form 10-K and Form 10-KSB furnished without charge to requesting security holders is accompanied by a list briefly describing all the exhibits not contained therein and indicating that the registrant will furnish any exhibit upon the payment of a

specified reasonable fee which fee shall be limited to the registrant's reasonable expenses in furnishing such exhibit. If the registrant's annual report to security holders complies with all of the disclosure requirements of Form 10-K and Form 10-KSB and is filed with the Commission in satisfaction of its Form 10-K and Form 10-KSB filing requirements, such registrant need not furnish a separate Form 10-K and Form 10-KSB to security holders who receive a copy of such annual report.

NOTE: Pursuant to the undertaking required by paragraph (b)(10) of this section, a registrant shall furnish a copy of its annual report on Form 10-K and Form 10-KSB (§249.310 of this chapter) to a beneficial owner of its securities upon receipt of a written request from such person. Each request must set forth a good faith representation that, as of the record date for the solicitation requiring the furnishing of the annual report to security holders pursuant to paragraph (b) of this section, the person making the request was a beneficial owner of securities entitled to vote.

(11) Subject to the foregoing requirements, the report may be in any form deemed suitable by management and the information required by paragraphs (b)(5) to (10) of this section may be presented in an appendix or other separate section of the report, provided that the attention of security holders is called to such presentation.

NOTE: Registrants are encouraged to utilize tables, schedules, charts and graphic illustrations of present financial information in an understandable manner. Any presentation of financial information must be consistent with the data in the financial statements contained in the report and, if appropriate, should refer to relevant portions of the financial statements and notes thereto.

(12) [Reserved]

(13) Paragraph (b) of this section shall not apply, however, to solicitations made on behalf of the registrant before the financial statements are available if a solicitation is being made at the same time in opposition to the registrant and if the registrant's proxy statement includes an undertaking in bold face type to furnish such annual report to all persons being solicited at least 20 calendar days before the date of the meeting or, if the solicitation refers to a written consent or authorization in lieu of a meeting, at least 20 calendar days prior to the earliest date

on which it may be used to effect corporate action.

(c) Seven copies of the report sent to security holders pursuant to this rule shall be mailed to the Commission, solely for its information, not later than the date on which such report is first sent or given to security holders or the date on which preliminary copies, or definitive copies, if preliminary filing was not required, of solicitation material are filed with the Commission pursuant to Rule 14a-6, whichever date is later. The report is not deemed to be "soliciting material" or to be "filed" with the Commission or subject to this regulation otherwise than as provided in this Rule, or to the liabilities of section 18 of the Act, except to the extent that the registrant specifically requests that it be treated as a part of the proxy soliciting material or incorporates it in the proxy statement or other filed report by reference.

(d) An annual report to security holders prepared on an integrated basis pursuant to General Instruction H to Form 10-K and Form 10-KSB (§249.310) may also be submitted in satisfaction of this rule. When filed as the annual report on Form 10-K and Form 10-KSB, responses to the Items of that form are subject to section 18 of the Act notwithstanding paragraph (c) of this section.

(e)(1)(i) A registrant will be considered to have delivered an annual report or proxy statement to all security holders of record who share an address if:

(A) The registrant delivers one annual report or proxy statement, as applicable, to the shared address;

(B) The registrant addresses the annual report or proxy statement, as applicable, to the security holders as a group (for example, "ABC Fund [or Corporation] Security Holders," "Jane Doe and Household," "The Smith Family"), to each of the security holders individually (for example, "John Doe and Richard Jones") or to the security holders in a form to which each of the security holders has consented in writing;

NOTE TO PARAGRAPH (e)(1)(i)(B): Unless the company addresses the annual report or proxy statement to the security holders as a group or to each of the security holders indi-

vidually, it must obtain, from each security holder to be included in the householded group, a separate affirmative written consent to the specific form of address the company will use.

(C) The security holders consent, in accordance with paragraph (e)(1)(ii) of this section, to delivery of one annual report or proxy statement, as applicable;

(D) With respect to delivery of the proxy statement, the registrant delivers, together with or subsequent to delivery of the proxy statement, a separate proxy card for each security holder at the shared address; and

(E) The registrant includes an undertaking in the proxy statement to deliver promptly upon written or oral request a separate copy of the annual report or proxy statement, as applicable, to a security holder at a shared address to which a single copy of the document was delivered.

(ii) *Consent.* (A) *Affirmative written consent.* Each security holder must affirmatively consent, in writing, to delivery of one annual report or proxy statement, as applicable. A security holder's affirmative written consent will only be considered valid if the security holder has been informed of:

(1) The duration of the consent;

(2) The specific types of documents to which the consent will apply;

(3) The procedures the security holder must follow to revoke consent; and

(4) The registrant's obligation to begin sending individual copies to a security holder within thirty days after the security holder revokes consent.

(B) *Implied consent.* The registrant need not obtain affirmative written consent from a security holder for purposes of paragraph (e)(1)(ii)(A) of this section if all of the following conditions are met:

(1) The security holder has the same last name as the other security holders at the shared address or the registrant reasonably believes that the security holders are members of the same family;

(2) The registrant has sent the security holder a notice at least 60 days before the registrant begins to rely on this section concerning delivery of annual reports and proxy statements to that security holder. The notice must:

- (j) Be a separate written document;
- (ii) State that only one annual report or proxy statement, as applicable, will be delivered to the shared address unless the registrant receives contrary instructions;
- (iii) Include a toll-free telephone number, or be accompanied by a reply form that is pre-addressed with postage provided, that the security holder can use to notify the registrant that the security holder wishes to receive a separate annual report or proxy statement;
- (iv) State the duration of the consent;
- (v) Explain how a security holder can revoke consent;
- (vi) State that the registrant will begin sending individual copies to a security holder within thirty days after the security holder revokes consent; and
- (vii) Contain the following prominent statement, or similar clear and understandable statement, in bold-face type: "Important Notice Regarding Delivery of Security Holder Documents." This statement also must appear on the envelope in which the notice is delivered. Alternatively, if the notice is delivered separately from other communications to security holders, this statement may appear either on the notice or on the envelope in which the notice is delivered.

NOTE TO PARAGRAPH (e)(1)(ii)(B)(2): The notice should be written in plain English. See § 230.421(d)(2) of this chapter for a discussion of plain English principles.

(3) The registrant has not received the reply form or other notification indicating that the security holder wishes to continue to receive an individual copy of the annual report or proxy statement, as applicable, within 60 days after the registrant sent the notice; and

(4) The registrant delivers the document to a post office box or residential street address.

NOTE TO PARAGRAPH (e)(1)(ii)(B)(4): The registrant can assume that a street address is residential unless the registrant has information that indicates the street address is a business.

(iii) *Revocation of consent.* If a security holder, orally or in writing, revokes consent to delivery of one annual

report or proxy statement to a shared address, the registrant must begin sending individual copies to that security holder within 30 days after the registrant receives revocation of the security holder's consent.

(iv) *Definition of address.* Unless otherwise indicated, for purposes of this section, address means a street address, a post office box number, an electronic mail address, a facsimile telephone number or other similar destination to which paper or electronic documents are delivered, unless otherwise provided in this section. If the registrant has reason to believe that the address is a street address of a multi-unit building, the address must include the unit number.

NOTE TO PARAGRAPH (e)(1): A person other than the registrant making a proxy solicitation may deliver a single proxy statement to security holders of record or beneficial owners who have separate accounts and share an address if: (a) the registrant or intermediary has followed the procedures in this section; and (b) the registrant or intermediary makes available the shared address information to the person in accordance with § 240.14a-7(a)(2)(i) and (ii).

(2) Notwithstanding paragraphs (a) and (b) of this section, unless state law requires otherwise, a registrant is not required to send an annual report or proxy statement to a security holder if:

(i) An annual report and a proxy statement for two consecutive annual meetings; or

(ii) All, and at least two, payments (if sent by first class mail) of dividends or interest on securities, or dividend reinvestment confirmations, during a twelve month period, have been mailed to such security holder's address and have been returned as undeliverable. If any such security holder delivers or causes to be delivered to the registrant written notice setting forth his then current address for security holder communications purposes, the registrant's obligation to deliver an annual report or a proxy statement under this section is reinstated.

(f) The provisions of paragraph (a) of this section shall not apply to a communication made by means of speeches in public forums, press releases, published or broadcast opinions, statements, or advertisements appearing in

a broadcast media, newspaper, magazine or other bona fide publication disseminated on a regular basis, provided that:

(1) No form of proxy, consent or authorization or means to execute the same is provided to a security holder in connection with the communication; and

(2) At the time the communication is made, a definitive proxy statement is on file with the Commission pursuant to § 240.14a-6(b).

§ 240.14a-4 Requirements as to proxy.

(a) The form of proxy (1) shall indicate in bold-face type whether or not the proxy is solicited on behalf of the registrant's board of directors or, if provided other than by a majority of the board of directors, shall indicate in bold-face type on whose behalf the solicitation is made;

(2) Shall provide a specifically designated blank space for dating the proxy card; and

(3) Shall identify clearly and impartially each separate matter intended to be acted upon, whether or not related to or conditioned on the approval of other matters, and whether proposed by the registrant or by security holders. No reference need be made, however, to proposals as to which discretionary authority is conferred pursuant to paragraph (c) of this section.

Note to paragraph (a)(3) (Electronic filers): Electronic filers shall satisfy the filing requirements of Rule 14a-6(a) or (b) (§ 240.14a-6(a) or (b)) with respect to the form of proxy by filing the form of proxy as an appendix at the end of the proxy statement. Forms of proxy shall not be filed as exhibits or separate documents within an electronic submission.

(b)(1) Means shall be provided in the form of proxy whereby the person solicited is afforded an opportunity to specify by boxes a choice between approval or disapproval of, or abstention with respect to each separate matter referred to therein as intended to be acted upon, other than elections to of-

fice. A proxy may confer discretionary authority with respect to matters as to which a choice is not specified by the security holder provided that the form of proxy states in bold-face type how it is intended to vote the shares represented by the proxy in each such case.

(2) A form of proxy which provides for the election of directors shall set forth the names of persons nominated for election as directors. Such form of proxy shall clearly provide any of the following means for security holders to withhold authority to vote for each nominee:

(i) A box opposite the name of each nominee which may be marked to indicate that authority to vote for such nominee is withheld; or

(ii) An instruction in bold-face type which indicates that the security holder may withhold authority to vote for any nominee by lining through or otherwise striking out the name of any nominee; or

(iii) Designated blank spaces in which the security holder may enter the names of nominees with respect to whom the security holder chooses to withhold authority to vote; or

(iv) Any other similar means, provided that clear instructions are furnished indicating how the security holder may withhold authority to vote for any nominee.

Such form of proxy also may provide a means for the security holder to grant authority to vote for the nominees set forth, as a group, provided that there is a similar means for the security holder to withhold authority to vote for such group of nominees. Any such form of proxy which is executed by the security holder in such manner as not to withhold authority to vote for the election of any nominee shall be deemed to grant such authority, provided that the form of proxy so states in bold-face type.

Instructions. 1. Paragraph (2) does not apply in the case of a merger, consolidation or other plan if the election of directors is an integral part of the plan.

2. If applicable state law gives legal effect to votes cast against a nominee, then in lieu of, or in addition to, providing a means for security holders to withhold authority to vote, the registrant should provide a similar

§ 240.14a-4

17 CFR Ch. II (4-1-04 Edition)

means for security holders to vote against each nominee.

(c) A proxy may confer discretionary authority to vote on any of the following matters:

(1) For an annual meeting of shareholders, if the registrant did not have notice of the matter at least 45 days before the date on which the registrant first mailed its proxy materials for the prior year's annual meeting of shareholders (or date specified by an advance notice provision), and a specific statement to that effect is made in the proxy statement or form of proxy. If during the prior year the registrant did not hold an annual meeting, or if the date of the meeting has changed more than 30 days from the prior year, then notice must not have been received a reasonable time before the registrant mails its proxy materials for the current year.

(2) In the case in which the registrant has received timely notice in connection with an annual meeting of shareholders (as determined under paragraph (c)(1) of this section), if the registrant includes, in the proxy statement, advice on the nature of the matter and how the registrant intends to exercise its discretion to vote on each matter. However, even if the registrant includes this information in its proxy statement, it may not exercise discretionary voting authority on a particular proposal if the proponent:

(i) Provides the registrant with a written statement, within the time-frame determined under paragraph (c)(1) of this section, that the proponent intends to deliver a proxy statement and form of proxy to holders of at least the percentage of the company's voting shares required under applicable law to carry the proposal;

(ii) Includes the same statement in its proxy materials filed under § 240.14a-6; and

(iii) Immediately after soliciting the percentage of shareholders required to carry the proposal, provides the registrant with a statement from any solicitor or other person with knowledge that the necessary steps have been taken to deliver a proxy statement and form of proxy to holders of at least the percentage of the company's voting

shares required under applicable law to carry the proposal.

(3) For solicitations other than for annual meetings or for solicitations by persons other than the registrant, matters which the persons making the solicitation do not know, a reasonable time before the solicitation, are to be presented at the meeting, if a specific statement to that effect is made in the proxy statement or form of proxy.

(4) Approval of the minutes of the prior meeting if such approval does not amount to ratification of the action taken at that meeting;

(5) The election of any person to any office for which a bona fide nominee is named in the proxy statement and such nominee is unable to serve or for good cause will not serve.

(6) Any proposal omitted from the proxy statement and form of proxy pursuant to § 240.14a-8 or § 240.14a-9 of this chapter.

(7) Matters incident to the conduct of the meeting.

(d) No proxy shall confer authority:

(1) To vote for the election of any person to any office for which a bona fide nominee is not named in the proxy statement,

(2) To vote at any annual meeting other than the next annual meeting (or any adjournment thereof) to be held after the date on which the proxy statement and form of proxy are first sent or given to security holders,

(3) To vote with respect to more than one meeting (and any adjournment thereof) or more than one consent solicitation or

(4) To consent to or authorize any action other than the action proposed to be taken in the proxy statement, or matters referred to in paragraph (c) of this rule. A person shall not be deemed to be a bona fide nominee and he shall not be named as such unless he has consented to being named in the proxy statement and to serve if elected. *Provided, however,* That nothing in this section 240.14a-4 shall prevent any person soliciting in support of nominees who, if elected, would constitute a minority of the board of directors, from seeking authority to vote for nominees named in the registrant's proxy statement, so long as the soliciting party:

(i) Seeks authority to vote in the aggregate for the number of director positions then subject to election;

(ii) Represents that it will vote for all the registrant nominees, other than those registrant nominees specified by the soliciting party;

(iii) Provides the security holder an opportunity to withhold authority with respect to any other registrant nominee by writing the name of that nominee on the form of proxy; and

(iv) States on the form of proxy and in the proxy statement that there is no assurance that the registrant's nominees will serve if elected with any of the soliciting party's nominees.

(e) The proxy statement or form of proxy shall provide, subject to reasonable specified conditions, that the shares represented by the proxy will be voted and that where the person solicited specifies by means of a ballot provided pursuant to paragraph (b) of this section a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications so made.

(f) No person conducting a solicitation subject to this regulation shall deliver a form of proxy, consent or authorization to any security holder unless the security holder concurrently receives, or has previously received, a definitive proxy statement that has been filed with the Commission pursuant to § 240.14a-6(b).

§ 240.14a-5 Presentation of information in proxy statement.

(a) The information included in the proxy statement shall be clearly presented and the statements made shall be divided into groups according to

subject matter and the various groups of statements shall be preceded by appropriate headings. The order of items and sub-items in the schedule need not be followed. Where practicable and appropriate, the information shall be presented in tabular form. All amounts shall be stated in figures. Information required by more than one applicable item need not be repeated. No statement need be made in response to any item or sub-item which is inapplicable.

(b) Any information required to be included in the proxy statement as to terms of securities or other subject matter which from a standpoint of practical necessity must be determined in the future may be stated in terms of present knowledge and intention. To the extent practicable, the authority to be conferred concerning each such matter shall be confined within limits reasonably related to the need for discretionary authority. Subject to the foregoing, information which is not known to the persons on whose behalf the solicitation is to be made and which it is not reasonably within the power of such persons to ascertain or procure may be omitted, if a brief statement of the circumstances rendering such information unavailable is made.

(c) Any information contained in any other proxy soliciting material which has been furnished to each person solicited in connection with the same meeting or subject matter may be omitted from the proxy statement, if a clear reference is made to the particular document containing such information.

(d)(1) All printed proxy statements shall be in roman type at least as large and as legible as 10-point modern type, except that to the extent necessary for convenient presentation financial statements and other tabular data, but not the notes thereto, may be in roman type at least as large and as legible as 8-point modern type. All such type shall be leaded at least 2 points.

(2) Where a proxy statement is delivered through an electronic medium, issuers may satisfy legibility requirements applicable to printed documents, such as type size and font, by presenting all required information in a format readily communicated to investors.

§ 240.14a-6

17 CFR Ch. II (4-1-04 Edition)

(e) All proxy statements shall disclose, under an appropriate caption, the following dates:

(1) The deadline for submitting shareholder proposals for inclusion in the registrant's proxy statement and form of proxy for the registrant's next annual meeting, calculated in the manner provided in § 240.14a-8(e)(Question 5); and

(2) The date after which notice of a shareholder proposal submitted outside the processes of § 240.14a-8 is considered untimely, either calculated in the manner provided by § 240.14a-4(c)(1) or as established by the registrant's advance notice provision, if any, authorized by applicable state law.

(f) If the date of the next annual meeting is subsequently advanced or delayed by more than 30 calendar days from the date of the annual meeting to which the proxy statement relates, the registrant shall, in a timely manner, inform shareholders of such change, and the new dates referred to in paragraphs (e)(1) and (e)(2) of this section, by including a notice, under Item 5, in its earliest possible quarterly report on Form 10-Q (§ 249.308a of this chapter) or Form 10-QSB (§ 249.308b of this chapter), or, in the case of investment companies, in a shareholder report under § 270.30d-1 of this chapter under the Investment Company Act of 1940, or, if impracticable, any means reasonably calculated to inform shareholders.

§ 240.14a-6 Filing requirements.

(a) *Preliminary proxy statement.* Five preliminary copies of the proxy statement and form of proxy shall be filed with the Commission at least 10 calendar days prior to the date definitive copies of such material are first sent or given to security holders, or such

shorter period prior to that date as the Commission may authorize upon a showing of good cause thereunder. A registrant, however, shall not file with the Commission a preliminary proxy statement, form of proxy or other soliciting material to be furnished to security holders concurrently therewith if the solicitation relates to an annual (or special meeting in lieu of the annual) meeting, or for an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) or a business development company, if the solicitation relates to any meeting of security holders at which the only matters to be acted upon are:

- (1) The election of directors;
- (2) The election, approval or ratification of accountant(s);
- (3) A security holder proposal included pursuant to Rule 14a-8 (§ 240.14a-8 of this chapter);
- (4) The approval or ratification of a plan as defined in paragraph (a)(7)(ii) of Item 402 of Regulation S-K (§ 229.402(a)(7)(ii) of this chapter) or amendments to such a plan;
- (5) With respect to an investment company registered under the Investment Company Act of 1940 or a business development company, a proposal to continue, without change, any advisory or other contract or agreement that previously has been the subject of a proxy solicitation for which proxy material was filed with the Commission pursuant to this section; and/or
- (6) With respect to an open-end investment company registered under the Investment Company Act of 1940, a proposal to increase the number of shares authorized to be issued.

This exclusion from filing preliminary proxy material does not apply if the registrant comments upon or refers to a solicitation in opposition in connection with the meeting in its proxy material.

NOTE 1: The filing of revised material does not recommence the ten day time period unless the revised material contains material revisions or material new proposal(s) that constitute a fundamental change in the proxy material.

NOTE 2: The official responsible for the preparation of the proxy material should make every effort to verify the accuracy and completeness of the information required by

the applicable rules. The preliminary material should be filed with the Commission at the earliest practicable date.

NOTE 3: Solicitation in Opposition. For purposes of the exclusion from filing preliminary proxy material, a "solicitation in opposition" includes: (a) Any solicitation opposing a proposal supported by the registrant; and (b) any solicitation supporting a proposal that the registrant does not expressly support, other than a security holder proposal included in the registrant's proxy material pursuant to Rule 14a-8 (§240.14a-8 of this chapter). The inclusion of a security holder proposal in the registrant's proxy material pursuant to Rule 14a-8 does not constitute a "solicitation in opposition," even if the registrant opposes the proposal and/or includes a statement in opposition to the proposal.

NOTE 4: A registrant that is filing proxy material in preliminary form only because the registrant has commented on or referred to a solicitation in opposition should indicate that fact in a transmittal letter when filing the preliminary material with the Commission.

(b) *Definitive proxy statement and other soliciting material.* Eight definitive copies of the proxy statement, form of proxy and all other soliciting materials, in the same form as the materials sent to security holders, must be filed with the Commission no later than the date they are first sent or given to security holders. Three copies of these materials also must be filed with, or mailed for filing to, each national securities exchange on which the registrant has a class of securities listed and registered.

(c) *Personal solicitation materials.* If part or all of the solicitation involves personal solicitation, then eight copies of all written instructions or other materials that discuss, review or comment on the merits of any matter to be acted on, that are furnished to persons making the actual solicitation for their use directly or indirectly in connection with the solicitation, must be filed with the Commission no later than the date the materials are first sent or given to these persons.

(d) *Release dates.* All preliminary proxy statements and forms of proxy filed pursuant to paragraph (a) of this section shall be accompanied by a statement of the date on which definitive copies thereof filed pursuant to paragraph (b) of this section are intended to be released to security hold-

ers. All definitive material filed pursuant to paragraph (b) of this section shall be accompanied by a statement of the date on which copies of such material were released to security holders, or, if not released, the date on which copies thereof are intended to be released. All material filed pursuant to paragraph (c) of this section shall be accompanied by a statement of the date on which copies thereof were released to the individual who will make the actual solicitation or if not released, the date on which copies thereof are intended to be released.

(e)(1) *Public availability of information.* All copies of preliminary proxy statements and forms of proxy filed pursuant to paragraph (a) of this section shall be clearly marked "Preliminary Copies," and shall be deemed immediately available for public inspection unless confidential treatment is obtained pursuant to paragraph (e)(2) of this section.

(2) *Confidential treatment.* If action will be taken on any matter specified in Item 14 of Schedule 14A (§240.14a-101), all copies of the preliminary proxy statement and form of proxy filed under paragraph (a) of this section will be for the information of the Commission only and will not be deemed available for public inspection until filed with the Commission in definitive form so long as:

(i) The proxy statement does not relate to a matter or proposal subject to §240.13e-3 or a roll-up transaction as defined in Item 901(c) of Regulation S-K (§229.901(c) of this chapter);

(ii) Neither the parties to the transaction nor any persons authorized to act on their behalf have made any public communications relating to the transaction except for statements where the content is limited to the information specified in §230.135 of this chapter; and

(iii) The materials are filed in paper and marked "Confidential, For Use of the Commission Only." In all cases, the materials may be disclosed to any department or agency of the United States Government and to the Congress, and the Commission may make any inquiries or investigation into the

materials as may be necessary to conduct an adequate review by the Commission.

Instruction to paragraph (e)(2): If communications are made publicly that go beyond the information specified in §230.135 of this chapter, the preliminary proxy materials must be re-filed promptly with the Commission as public materials.

(f) *Communications not required to be filed.* Copies of replies to inquiries from security holders requesting further information and copies of communications which do no more than request that forms of proxy theretofore solicited be signed and returned need not be filed pursuant to this section.

(g) *Solicitations subject to §240.14a-2(b)(1).* (1) Any person who:

(i) Engages in a solicitation pursuant to §240.14a-2(b)(1), and

(ii) At the commencement of that solicitation owns beneficially securities of the class which is the subject of the solicitation with a market value of over \$5 million,

shall furnish or mail to the Commission, not later than three days after the date the written solicitation is first sent or given to any security holder, five copies of a statement containing the information specified in the Notice of Exempt Solicitation (§240.14a-103) which statement shall attach as an exhibit all written soliciting materials. Five copies of an amendment to such statement shall be furnished or mailed to the Commission, in connection with dissemination of any additional communications, not later than three days after the date the additional material is first sent or given to any security holder. Three copies of the Notice of Exempt Solicitation and amendments thereto shall, at the same time the materials are furnished or mailed to the Commission, be furnished or mailed to each national securities exchange upon which any class of securities of the registrant is listed and registered.

(2) Notwithstanding paragraph (g)(1) of this section, no such submission need be made with respect to oral solicitations (other than with respect to scripts used in connection with such oral solicitations), speeches delivered in a public forum, press releases, pub-

lished or broadcast opinions, statements, and advertisements appearing in a broadcast media, or a newspaper, magazine or other bona fide publication disseminated on a regular basis.

(h) *Revised material.* Where any proxy statement, form of proxy or other material filed pursuant to this section is amended or revised, two of the copies of such amended or revised material filed pursuant to this section (or in the case of investment companies registered under the Investment Company Act of 1940, three of such copies) shall be marked to indicate clearly and precisely the changes effected therein. If the amendment or revision alters the text of the material the changes in such text shall be indicated by means of underscoring or in some other appropriate manner.

(i) *Fees.* At the time of filing the proxy solicitation material, the persons upon whose behalf the solicitation is made, other than investment companies registered under the Investment Company Act of 1940, shall pay to the Commission the following applicable fee:

(1) For preliminary proxy material involving acquisitions, mergers, spin-offs, consolidations or proposed sales or other dispositions of substantially all the assets of the company, a fee established in accordance with Rule 0-11 (§240.0-11 of this chapter) shall be paid. No refund shall be given.

(2) For all other proxy submissions and submissions made pursuant to §240.14a-6(g), no fee shall be required.

(j) *Merger proxy materials.* (1) Any proxy statement, form of proxy or other soliciting material required to be filed by this section that also is either

(i) Included in a registration statement filed under the Securities Act of 1933 on Forms S-4 (§239.25 of this chapter), F-4 (§239.34 of this chapter) or N-14 (§239.23 of this chapter); or

(ii) Filed under §230.424, §230.425 or §230.497 of this chapter is required to be filed only under the Securities Act, and is deemed filed under this section.

(2) Under paragraph (j)(1) of this section, the fee required by paragraph (i) of this section need not be paid.

(k) *Computing time periods.* In computing time periods beginning with the filing date specified in Regulation 14A

(§§ 240.14a-1 to 240.14b-1 of this chapter), the filing date shall be counted as the first day of the time period and midnight of the last day shall constitute the end of the specified time period.

(l) *Roll-up transactions.* If a transaction is a roll-up transaction as defined in Item 901(c) of Regulation S-K (17 CFR 229.901(c)) and is registered (or authorized to be registered) on Form S-4 (17 CFR 229.25) or Form F-4 (17 CFR 229.34), the proxy statement of the sponsor or the general partner as defined in Item 901(d) and Item 901(a), respectively, of Regulation S-K (17 CFR 229.901) must be distributed to security holders no later than the lesser of 60 calendar days prior to the date on which the meeting of security holders is held or action is taken, or the maximum number of days permitted for giving notice under applicable state law.

(m) *Cover page.* Proxy materials filed with the Commission shall include a cover page in the form set forth in Schedule 14A (§ 240.14a-101 of this chapter). The cover page required by this paragraph need not be distributed to security holders.

(n) *Solicitations subject to § 240.14a-2(b)(4).* Any person who:

(1) Engages in a solicitation pursuant to § 240.14a-2(b)(4); and

(2) At the commencement of that solicitation both owns five percent (5%) or more of the outstanding securities of a class that is the subject of the proposed roll-up transaction, and engages in the business of buying and selling limited partnership interests in the secondary market, shall furnish or mail to the Commission, not later than three days after the date an oral or written solicitation by that person is first made, sent or provided to any security holder, five copies of a statement containing the information specified in the Notice of Exempt Preliminary Roll-up Communication (§ 240.14a-104). Five copies of any amendment to such statement shall be furnished or mailed to the Commission not later than three days after a communication containing revised material is first made, sent or provided to any security holder.

(o) *Solicitations before furnishing a definitive proxy statement.* Solicitations

that are published, sent or given to security holders before they have been furnished a definitive proxy statement must be made in accordance with § 240.14a-12 unless there is an exemption available under § 240.14a-2.

EDITORIAL NOTE: For FEDERAL REGISTER citations affecting § 240.14a-6, see the List of CFR Sections Affected, which appears in the Finding Aids section of the printed volume and on GPO Access.

§ 240.14a-7 Obligations of registrants to provide a list of, or mail soliciting material to, security holders.

(a) If the registrant has made or intends to make a proxy solicitation in connection with a security holder meeting or action by consent or authorization, upon the written request by any record or beneficial holder of securities of the class entitled to vote at the meeting or to execute a consent or authorization to provide a list of security holders or to mail the requesting security holder's materials, regardless of whether the request references this section, the registrant shall:

(1) Deliver to the requesting security holder within five business days after receipt of the request:

(i) Notification as to whether the registrant has elected to mail the security holder's soliciting materials or provide a security holder list if the election under paragraph (b) of this section is to be made by the registrant;

(ii) A statement of the approximate number of record holders and beneficial holders, separated by type of holder and class, owning securities in the same class or classes as holders which have been or are to be solicited on management's behalf, or any more limited group of such holders designated by the security holder if available or retrievable under the registrant's or its transfer agent's security holder data systems; and

(iii) The estimated cost of mailing a proxy statement, form of proxy or other communication to such holders, including to the extent known or reasonably available, the estimated costs of any bank, broker, and similar person through whom the registrant has solicited or intends to solicit beneficial

owners in connection with the security holder meeting or action;

(2) Perform the acts set forth in either paragraphs (a)(2)(i) or (a)(2)(ii) of this section, at the registrant's or requesting security holder's option, as specified in paragraph (b) of this section:

(i) Mail copies of any proxy statement, form of proxy or other soliciting material furnished by the security holder to the record holders, including banks, brokers, and similar entities, designated by the security holder. A sufficient number of copies must be mailed to the banks, brokers, and similar entities for distribution to all beneficial owners designated by the security holder. If the registrant has received affirmative written or implied consent to deliver a single proxy statement to security holders at a shared address in accordance with the procedures in §240.14a-3(e)(1), a single copy of the proxy statement furnished by the security holder shall be mailed to that address. The registrant shall mail the security holder material with reasonable promptness after tender of the material to be mailed, envelopes or other containers therefor, postage or payment for postage and other reasonable expenses of effecting such mailing. The registrant shall not be responsible for the content of the material; or

(ii) Deliver the following information to the requesting security holder within five business days of receipt of the request: a reasonably current list of the names, addresses and security positions of the record holders, including banks, brokers and similar entities holding securities in the same class or classes as holders which have been or are to be solicited on management's behalf, or any more limited group of such holders designated by the security holder if available or retrievable under the registrant's or its transfer agent's security holder data systems; the most recent list of names, addresses and security positions of beneficial owners as specified in §240.14a-13(b), in the possession, or which subsequently comes into the possession, of the registrant; and the names of security holders at a shared address that have consented to delivery of a single copy of proxy materials to a shared address, if the reg-

istrant has received written or implied consent in accordance with §240.14a-3(e)(1). All security holder list information shall be in the form requested by the security holder to the extent that such form is available to the registrant without undue burden or expense. The registrant shall furnish the security holder with updated record holder information on a daily basis or, if not available on a daily basis, at the shortest reasonable intervals, provided, however, the registrant need not provide beneficial or record holder information more current than the record date for the meeting or action.

(b)(1) The requesting security holder shall have the options set forth in paragraph (a)(2) of this section, and the registrant shall have corresponding obligations, if the registrant or general partner or sponsor is soliciting or intends to solicit with respect to:

(i) A proposal that is subject to §240.13e-3;

(ii) A roll-up transaction as defined in Item 901(c) of Regulation S-K (§229.901(c) of this chapter) that involves an entity with securities registered pursuant to Section 12 of the Act (15 U.S.C. 78l); or

(iii) A roll-up transaction as defined in Item 901(c) of Regulation S-K (§229.901(c) of this chapter) that involves a limited partnership, unless the transaction involves only:

(A) Partnerships whose investors will receive new securities or securities in another entity that are not reported under a transaction reporting plan declared effective before December 17, 1993 by the Commission under Section 11A of the Act (15 U.S.C. 78k-1); or

(B) Partnerships whose investors' securities are reported under a transaction reporting plan declared effective before December 17, 1993 by the Commission under Section 11A of the Act (15 U.S.C. 78k-1).

(2) With respect to all other requests pursuant to this section, the registrant shall have the option to either mail the security holder's material or furnish the security holder list as set forth in this section.

(c) At the time of a list request, the security holder making the request shall:

(1) If holding the registrant's securities through a nominee, provide the registrant with a statement by the nominee or other independent third party, or a copy of a current filing made with the Commission and furnished to the registrant, confirming such holder's beneficial ownership; and

(2) Provide the registrant with an affidavit, declaration, affirmation or other similar document provided for under applicable state law identifying the proposal or other corporate action that will be the subject of the security holder's solicitation or communication and attesting that:

(i) The security holder will not use the list information for any purpose other than to solicit security holders with respect to the same meeting or action by consent or authorization for which the registrant is soliciting or intends to solicit or to communicate with security holders with respect to a solicitation commenced by the registrant; and

(ii) The security holder will not disclose such information to any person other than a beneficial owner for whom the request was made and an employee or agent to the extent necessary to effectuate the communication or solicitation.

(d) The security holder shall not use the information furnished by the registrant pursuant to paragraph (a)(2)(ii) of this section for any purpose other than to solicit security holders with respect to the same meeting or action by consent or authorization for which the registrant is soliciting or intends to solicit or to communicate with security holders with respect to a solicitation commenced by the registrant; or disclose such information to any person other than an employee, agent, or beneficial owner for whom a request was made to the extent necessary to effectuate the communication or solicitation. The security holder shall return the information provided pursuant to paragraph (a)(2)(ii) of this section and shall not retain any copies thereof or of any information derived from such information after the termination of the solicitation.

(e) The security holder shall reimburse the reasonable expenses incurred by the registrant in performing the

acts requested pursuant to paragraph (a) of this section.

NOTES TO § 240.14a-7 1. Reasonably prompt methods of distribution to security holders may be used instead of mailing. If an alternative distribution method is chosen, the costs of that method should be considered where necessary rather than the costs of mailing.

2. When providing the information required by § 240.14a-7(a)(1)(ii), if the registrant has received affirmative written or implied consent to delivery of a single copy of proxy materials to a shared address in accordance with § 240.14a-3(e)(1), it shall exclude from the number of record holders those to whom it does not have to deliver a separate proxy statement.

§ 240.14a-8 Shareholder proposals.

This section addresses when a company must include a shareholder's proposal in its proxy statement and identify the proposal in its form of proxy when the company holds an annual or special meeting of shareholders. In summary, in order to have your shareholder proposal included on a company's proxy card, and included along with any supporting statement in its proxy statement, you must be eligible and follow certain procedures. Under a few specific circumstances, the company is permitted to exclude your proposal, but only after submitting its reasons to the Commission. We structured this section in a question-and-answer format so that it is easier to understand. The references to "you" are to a shareholder seeking to submit the proposal.

(a) *Question 1: What is a proposal?* A shareholder proposal is your recommendation or requirement that the company and/or its board of directors take action, which you intend to present at a meeting of the company's shareholders. Your proposal should state as clearly as possible the course of action that you believe the company should follow. If your proposal is placed on the company's proxy card, the company must also provide in the form of proxy means for shareholders to specify by boxes a choice between approval or disapproval, or abstention. Unless otherwise indicated, the word

“proposal” as used in this section refers both to your proposal, and to your corresponding statement in support of your proposal (if any).

(b) *Question 2:* Who is eligible to submit a proposal, and how do I demonstrate to the company that I am eligible? (1) In order to be eligible to submit a proposal, you must have continuously held at least \$2,000 in market value, or 1%, of the company’s securities entitled to be voted on the proposal at the meeting for at least one year by the date you submit the proposal. You must continue to hold those securities through the date of the meeting.

(2) If you are the registered holder of your securities, which means that your name appears in the company’s records as a shareholder, the company can verify your eligibility on its own, although you will still have to provide the company with a written statement that you intend to continue to hold the securities through the date of the meeting of shareholders. However, if like many shareholders you are not a registered holder, the company likely does not know that you are a shareholder, or how many shares you own. In this case, at the time you submit your proposal, you must prove your eligibility to the company in one of two ways:

(i) The first way is to submit to the company a written statement from the “record” holder of your securities (usually a broker or bank) verifying that, at the time you submitted your proposal, you continuously held the securities for at least one year. You must also include your own written statement that you intend to continue to hold the securities through the date of the meeting of shareholders; or

(ii) The second way to prove ownership applies only if you have filed a Schedule 13D (§240.13d-101), Schedule 13G (§240.13d-102), Form 3 (§249.103 of this chapter), Form 4 (§249.104 of this chapter) and/or Form 5 (§249.105 of this chapter), or amendments to those documents or updated forms, reflecting your ownership of the shares as of or before the date on which the one-year eligibility period begins. If you have filed one of these documents with the

SEC, you may demonstrate your eligibility by submitting to the company:

(A) A copy of the schedule and/or form, and any subsequent amendments reporting a change in your ownership level;

(B) Your written statement that you continuously held the required number of shares for the one-year period as of the date of the statement; and

(C) Your written statement that you intend to continue ownership of the shares through the date of the company’s annual or special meeting.

(c) *Question 3:* How many proposals may I submit? Each shareholder may submit no more than one proposal to a company for a particular shareholders’ meeting.

(d) *Question 4:* How long can my proposal be? The proposal, including any accompanying supporting statement, may not exceed 500 words.

(e) *Question 5:* What is the deadline for submitting a proposal? (1) If you are submitting your proposal for the company’s annual meeting, you can in most cases find the deadline in last year’s proxy statement. However, if the company did not hold an annual meeting last year, or has changed the date of its meeting for this year more than 30 days from last year’s meeting, you can usually find the deadline in one of the company’s quarterly reports on Form 10-Q (§249.308a of this chapter) or 10-QSB (§249.308b of this chapter), or in shareholder reports of investment companies under §270.30d-1 of this chapter of the Investment Company Act of 1940. In order to avoid controversy, shareholders should submit their proposals by means, including electronic means, that permit them to prove the date of delivery.

(2) The deadline is calculated in the following manner if the proposal is submitted for a regularly scheduled annual meeting. The proposal must be received at the company’s principal executive offices not less than 120 calendar days before the date of the company’s proxy statement released to shareholders in connection with the previous year’s annual meeting. However, if the company did not hold an annual meeting the previous year, or if the date of this year’s annual meeting has been changed by more than 30 days from the

date of the previous year's meeting, then the deadline is a reasonable time before the company begins to print and mail its proxy materials.

(3) If you are submitting your proposal for a meeting of shareholders other than a regularly scheduled annual meeting, the deadline is a reasonable time before the company begins to print and mail its proxy materials.

(f) *Question 6:* What if I fail to follow one of the eligibility or procedural requirements explained in answers to Questions 1 through 4 of this section?

(1) The company may exclude your proposal, but only after it has notified you of the problem, and you have failed adequately to correct it. Within 14 calendar days of receiving your proposal, the company must notify you in writing of any procedural or eligibility deficiencies, as well as of the time frame for your response. Your response must be postmarked, or transmitted electronically, no later than 14 days from the date you received the company's notification. A company need not provide you such notice of a deficiency if the deficiency cannot be remedied, such as if you fail to submit a proposal by the company's properly determined deadline. If the company intends to exclude the proposal, it will later have to make a submission under § 240.14a-8 and provide you with a copy under Question 10 below, § 240.14a-8(j).

(2) If you fail in your promise to hold the required number of securities through the date of the meeting of shareholders, then the company will be permitted to exclude all of your proposals from its proxy materials for any meeting held in the following two calendar years.

(g) *Question 7:* Who has the burden of persuading the Commission or its staff that my proposal can be excluded? Except as otherwise noted, the burden is on the company to demonstrate that it is entitled to exclude a proposal.

(h) *Question 8:* Must I appear personally at the shareholders' meeting to present the proposal? (1) Either you, or your representative who is qualified under state law to present the proposal on your behalf, must attend the meeting to present the proposal. Whether you attend the meeting yourself or send a qualified representative to the

meeting in your place, you should make sure that you, or your representative, follow the proper state law procedures for attending the meeting and/or presenting your proposal.

(2) If the company holds its shareholder meeting in whole or in part via electronic media, and the company permits you or your representative to present your proposal via such media, then you may appear through electronic media rather than traveling to the meeting to appear in person.

(3) If you or your qualified representative fail to appear and present the proposal, without good cause, the company will be permitted to exclude all of your proposals from its proxy materials for any meetings held in the following two calendar years.

(i) *Question 9:* If I have complied with the procedural requirements, on what other bases may a company rely to exclude my proposal? (1) Improper under state law: If the proposal is not a proper subject for action by shareholders under the laws of the jurisdiction of the company's organization;

NOTE TO PARAGRAPH (i)(1): Depending on the subject matter, some proposals are not considered proper under state law if they would be binding on the company if approved by shareholders. In our experience, most proposals that are cast as recommendations or requests that the board of directors take specified action are proper under state law. Accordingly, we will assume that a proposal drafted as a recommendation or suggestion is proper unless the company demonstrates otherwise.

(2) *Violation of law:* If the proposal would, if implemented, cause the company to violate any state, federal, or foreign law to which it is subject;

NOTE TO PARAGRAPH (i)(2): We will not apply this basis for exclusion to permit exclusion of a proposal on grounds that it would violate foreign law if compliance with the foreign law would result in a violation of any state or federal law.

(3) *Violation of proxy rules:* If the proposal or supporting statement is contrary to any of the Commission's proxy rules, including § 240.14a-9, which prohibits materially false or misleading statements in proxy soliciting materials;

(4) *Personal grievance; special interest:* If the proposal relates to the redress of

a personal claim or grievance against the company or any other person, or if it is designed to result in a benefit to you, or to further a personal interest, which is not shared by the other shareholders at large;

(5) *Relevance*: If the proposal relates to operations which account for less than 5 percent of the company's total assets at the end of its most recent fiscal year, and for less than 5 percent of its net earnings and gross sales for its most recent fiscal year, and is not otherwise significantly related to the company's business;

(6) *Absence of power/authority*: If the company would lack the power or authority to implement the proposal;

(7) *Management functions*: If the proposal deals with a matter relating to the company's ordinary business operations;

(8) *Relates to election*: If the proposal relates to an election for membership on the company's board of directors or analogous governing body;

(9) *Conflicts with company's proposal*: If the proposal directly conflicts with one of the company's own proposals to be submitted to shareholders at the same meeting;

NOTE TO PARAGRAPH (i)(9): A company's submission to the Commission under this section should specify the points of conflict with the company's proposal.

(10) *Substantially implemented*: If the company has already substantially implemented the proposal;

(11) *Duplication*: If the proposal substantially duplicates another proposal previously submitted to the company by another proponent that will be included in the company's proxy materials for the same meeting;

(12) *Resubmissions*: If the proposal deals with substantially the same subject matter as another proposal or proposals that has or have been previously included in the company's proxy materials within the preceding 5 calendar years, a company may exclude it from its proxy materials for any meeting held within 3 calendar years of the last time it was included if the proposal received:

(i) Less than 3% of the vote if proposed once within the preceding 5 calendar years;

(ii) Less than 6% of the vote on its last submission to shareholders if proposed twice previously within the preceding 5 calendar years; or

(iii) Less than 10% of the vote on its last submission to shareholders if proposed three times or more previously within the preceding 5 calendar years; and

(13) *Specific amount of dividends*: If the proposal relates to specific amounts of cash or stock dividends.

(j) *Question 10*: What procedures must the company follow if it intends to exclude my proposal? (1) If the company intends to exclude a proposal from its proxy materials, it must file its reasons with the Commission no later than 80 calendar days before it files its definitive proxy statement and form of proxy with the Commission. The company must simultaneously provide you with a copy of its submission. The Commission staff may permit the company to make its submission later than 80 days before the company files its definitive proxy statement and form of proxy, if the company demonstrates good cause for missing the deadline.

(2) The company must file six paper copies of the following:

(i) The proposal;

(ii) An explanation of why the company believes that it may exclude the proposal, which should, if possible, refer to the most recent applicable authority, such as prior Division letters issued under the rule; and

(iii) A supporting opinion of counsel when such reasons are based on matters of state or foreign law.

(k) *Question 11*: May I submit my own statement to the Commission responding to the company's arguments?

Yes, you may submit a response, but it is not required. You should try to submit any response to us, with a copy to the company, as soon as possible after the company makes its submission. This way, the Commission staff will have time to consider fully your submission before it issues its response. You should submit six paper copies of your response.

(l) *Question 12*: If the company includes my shareholder proposal in its proxy materials, what information about me must it include along with the proposal itself?

(1) The company's proxy statement must include your name and address, as well as the number of the company's voting securities that you hold. However, instead of providing that information, the company may instead include a statement that it will provide the information to shareholders promptly upon receiving an oral or written request.

(2) The company is not responsible for the contents of your proposal or supporting statement.

(m) *Question 13*: What can I do if the company includes in its proxy statement reasons why it believes shareholders should not vote in favor of my proposal, and I disagree with some of its statements?

(1) The company may elect to include in its proxy statement reasons why it believes shareholders should vote against your proposal. The company is allowed to make arguments reflecting its own point of view, just as you may express your own point of view in your proposal's supporting statement.

(2) However, if you believe that the company's opposition to your proposal contains materially false or misleading statements that may violate our anti-fraud rule, §240.14a-9, you should promptly send to the Commission staff and the company a letter explaining the reasons for your view, along with a copy of the company's statements opposing your proposal. To the extent possible, your letter should include specific factual information demonstrating the inaccuracy of the company's claims. Time permitting, you may wish to try to work out your differences with the company by yourself before contacting the Commission staff.

(3) We require the company to send you a copy of its statements opposing your proposal before it mails its proxy materials, so that you may bring to our attention any materially false or misleading statements, under the following timeframes:

(i) If our no-action response requires that you make revisions to your proposal or supporting statement as a condition to requiring the company to include it in its proxy materials, then the company must provide you with a copy of its opposition statements no

later than 5 calendar days after the company receives a copy of your revised proposal; or

(ii) In all other cases, the company must provide you with a copy of its opposition statements no later than 30 calendar days before its files definitive copies of its proxy statement and form of proxy under §240.14a-6.

(b) The fact that a proxy statement, form of proxy or other soliciting material has been filed with or examined by the Commission shall not be deemed a finding by the Commission that such material is accurate or complete or not false or misleading, or that the Commission has passed upon the merits of or approved any statement contained therein or any matter to be acted upon by security holders. No representation contrary to the foregoing shall be made.

(2) *Use of reprints or reproductions.* In any solicitation subject to this §240.14a-12(c), soliciting material that includes, in whole or part, any reprints or reproductions of any previously published material must:

(ii) Except in the case of a public or official document or statement, state whether or not the consent of the author and publication has been obtained to the use of the previously published material as proxy soliciting material.

(iii) If any participant using the previously published material, or anyone on his or her behalf, paid, directly or indirectly, for the preparation or prior publication of the previously published material, or has made or proposes to make any payments or give any other consideration in connection with the publication or republication of the material, state the circumstances.

Instructions to § 240.14a-12:

[64 FR 61456, Nov. 10, 1999]

§ 240.14a-13 Obligation of registrants in communicating with beneficial owners.

(a) If the registrant knows that securities of any class entitled to vote at a meeting (or by written consents or authorizations if no meeting is held) with respect to which the registrant intends to solicit proxies, consents or authorizations are held of record by a broker, dealer, voting trustee, bank, association, or other entity that exercises fiduciary powers in nominee name or otherwise, the registrant shall:

(1) By first class mail or other equally prompt means:

(i) Inquire of each such record holder:

(A) Whether other persons are the beneficial owners of such securities and if so, the number of copies of the proxy and other soliciting material necessary to supply such material to such beneficial owners;

(B) In the case of an annual (or special meeting in lieu of the annual)

meeting, or written consents in lieu of such meeting, at which directors are to be elected, the number of copies of the annual report to security holders necessary to supply such report to beneficial owners to whom such reports are to be distributed by such record holder or its nominee and not by the registrant;

(D) Whether it holds the registrant's securities on behalf of any respondent bank and, if so, the name and address of each such respondent bank; and

(ii) Indicate to each such record holder:

(A) Whether the registrant, pursuant to paragraph (c) of this section, intends to distribute the annual report to security holders to beneficial owners of its securities whose names, addresses and securities positions are disclosed pursuant to § 240.14b-1(b)(3) or § 240.14b-2(b)(4)(ii) and (iii);

(B) The record date; and

(C) At the option of the registrant, any employee benefit plan established by an affiliate of the registrant that holds securities of the registrant that the registrant elects to treat as exempt employee benefit plan securities;

(2) Upon receipt of a record holder's or respondent bank's response indicating, pursuant to § 240.14b-2(b)(1)(i), the names and addresses of its respondent banks, within one business day after the date such response is received, make an inquiry of and give notification to each such respondent bank in the same manner required by paragraph (a)(1) of this section; *Provided, however*, the inquiry required by paragraphs (a)(1) and (a)(2) of this section shall not cover beneficial owners of exempt employee benefit plan securities;

(ii) If consents or authorizations are solicited, and such inquiry is impracticable 20 business days before the earliest date on which they may be used to effect corporate action, as many days before that date as is practicable, or

(iii) At such later time as the rules of a national securities exchange on which the class of securities in question is listed may permit for good cause shown; *Provided, however,* That if a record holder or respondent bank has informed the registrant that a designated office(s) or department(s) is to receive such inquiries, the inquiry shall be made to such designated office(s) or department(s); and

(5) Upon the request of any record holder or respondent bank that is supplied with proxy soliciting material and/or annual reports to security holders pursuant to paragraph (a)(4) of this section, pay its reasonable expenses for completing the mailing of such material to beneficial owners.

NOTE 1: If the registrant's list of security holders indicates that some of its securities are registered in the name of a clearing agency registered pursuant to Section 17A of the Act (e.g., "Cede & Co.," nominee for the Depository Trust Company), the registrant shall make appropriate inquiry of the clearing agency and thereafter of the participants in such clearing agency who may hold on behalf of a beneficial owner or respondent bank, and shall comply with the above paragraph with respect to any such participant (see §240.14a-1(i)).

NOTE 3: The attention of registrants is called to the fact that registrants have an obligation, pursuant to paragraph (d) of this section, to cause proxies (or in lieu thereof requests for voting instructions), proxy soliciting material and annual reports to security holders to be furnished, in a timely manner, to beneficial owners of exempt employee benefit plan securities.

(b) Any registrant requesting pursuant to §240.14b-1(b)(3) or §240.14b-2(b)(4)(ii) and (iii) a list of names, addresses and securities positions of beneficial owners of its securities who either have consented or have not objected to disclosure of such information shall:

(2) Request such list to be compiled as of a date no earlier than five business days after the date the registrant's request is received by the record holder or respondent bank; *Provided, however,* That if the record holder or respondent bank has informed the registrant that a designated office(s) or department(s) is to receive such requests, the request shall be made to such designated office(s) or department(s);

(5) Upon the request of any record holder or respondent bank to whom such request is made, pay the reasonable expenses, both direct and indirect, of providing beneficial owner information.

NOTE: A registrant will be deemed to have satisfied its obligations under paragraph (b) of this section by requesting consenting and non-objecting beneficial owner lists from a designated agent acting on behalf of the record holder or respondent bank and paying to that designated agent the reasonable expenses of providing the beneficial owner information.

(c) A registrant, at its option, may mail its annual report to security holders to the beneficial owners whose identifying information is provided by record holders and respondent banks, pursuant to §240.14b-1(b)(3) or §240.14b-2(b)(4)(ii) and (iii), provided that such registrant notifies the record holders and respondent banks, at the time it makes the inquiry required by paragraph (a) of this section, that the registrant will mail the annual report to security holders to the beneficial owners so identified.

NOTES

NOTES: A. Where any item calls for information with respect to any matter to be acted upon and such matter involves other matters with respect to which information is called for by other items of this schedule, the information called for by such other items also shall be given. For example, where a solicitation of security holders is for the purpose of approving the authorization of additional securities which are to be used to acquire another specified company, and the registrants' security holders will not have a separate opportunity to vote upon the transaction, the solicitation to authorize the securities is also a solicitation with respect to the acquisition. Under those facts, information required by Items 11, 13 and 14 shall be furnished.

B. Where any item calls for information with respect to any matter to be acted upon at the meeting, such item need be answered

in the registrant's soliciting material only with respect to proposals to be made by or on behalf of the registrant.

C. Except as otherwise specifically provided, where any item calls for information for a specified period with regard to directors, executive officers, officers or other persons holding specified positions or relationships, the information shall be given with regard to any person who held any of the specified positions or relationships at any time during the period. Information need not be included for any portion of the period during which such person did not hold any such position or relationship, provided a statement to that effect is made.

D. Information may be incorporated by reference only in the manner and to the extent specifically permitted in the items of this schedule. Where incorporation by reference is used, the following shall apply:

1. Any incorporation by reference of information pursuant to the provisions of this schedule shall be subject to the provisions of § 228.10(f) and § 229.10(d) of this chapter restricting incorporation by reference of documents which incorporate by reference other information. A registrant incorporating any documents, or portions of documents, shall include a statement on the last page(s) of the proxy statement as to which documents, or portions of documents, are incorporated by reference. Information shall not be incorporated by reference in any case where such incorporation would render the statement incomplete, unclear or confusing.

2. If a document is incorporated by reference but not delivered to security holders, include an undertaking to provide, without charge, to each person to whom a proxy statement is delivered, upon written or oral request of such person and by first class mail or other equally prompt means within one business day of receipt of such request, a copy of any and all of the information that has been incorporated by reference in the proxy statement (not including exhibits to the information that is incorporated by reference unless such exhibits are specifically incorporated by reference into the information that the proxy statement incorporates), and the address (including title or department) and telephone numbers to which such a request is to be directed. This includes information contained in documents filed subsequent to the date on which definitive copies of the proxy statement are sent or given to security holders, up to the date of responding to the request.

3. If a document or portion of a document other than an annual report sent to security holders pursuant to the requirements of Rule 14a-3 (§ 240.14a-3 of this chapter) with respect to the same meeting or solicitation of consents or authorizations as that to which the proxy statement relates is incorporated by reference in the manner permitted by Item

13(b) or 14(e)(1) of this schedule, the proxy statement must be sent to security holders no later than 20 business days prior to the date on which the meeting of such security holders is held or, if no meeting is held, at least 20 business days prior to the date the votes, consents or authorizations may be used to effect the corporate action.

4. *Electronic filings.* If any of the information required by Items 13 or 14 of this Schedule is incorporated by reference from an annual or quarterly report to security holders, such report, or any portion thereof incorporated by reference, shall be filed in electronic format with the proxy statement. This provision shall not apply to registered investment companies.

E. In Item 13 of this Schedule, the reference to "meets the requirements of Form S-2" shall refer to a registrant which meets the requirements for use of Form S-2 (§ 239.12 of this chapter) and the reference to "meets the requirement of Form S-3" shall refer to a registrant which meets the following requirements:

(1) The registrant meets the requirements of General Instruction I.A. of Form S-3 (§ 239.13 of this chapter); and

(2) One of the following is met:

(i) The registrant meets the aggregate market value requirement of General Instruction I.B.1 of Form S-3; or

(ii) Action is to be taken as described in Items 11, 12 and 14 of this schedule which concerns non-convertible debt or preferred securities which are "investment grade securities" as defined in General Instruction I.B.2 of Form S-3, except that the time by which the rating must be assigned shall be the date on which definitive copies of the proxy statement are first sent or given to security holders; or

(iii) The registrant is a majority-owned subsidiary and one of the conditions of General Instruction I.C. of Form S-3 is met.

F. *Note to Small Business Issuers—* Registrants and acquirers that meet the definition of "small business issuer" under Rule 12b-2 of the Exchange Act (§ 240.12b-2) shall refer to the disclosure items in Regulation S-B (§ 228.10 *et seq.* of this chapter) and not Regulation S-K (§ 229.10 *et seq.* of this chapter). If there is no comparable disclosure item in Regulation S-B, small business issuers need not provide the information requested. Small business issuers shall provide the financial information in Item 310 of Regulation S-B in lieu of the financial statements required in Schedule 14A.

G. Special Note for Small Business Issuers

(1) Registrants and acquirers which meet the definition of "small business issuer" in Rule 12b-2 of the Exchange Act and filed their latest annual report in accordance with "Information Required in Annual Report of Transitional Small Business Issuers" in

Form 10-KSB shall refer to this “Special Note for Small Business Issuers” with respect to the specified items in this Schedule. If paragraph G(2) or G(3), below, does not contain an alternative disclosure instruction, small business issuers should comply with the disclosure item in this schedule, as modified by Instruction F.

(2) Registrants and acquirers that relied upon Alternative 1 in their most recent Form 10-KSB may provide the following information (Question numbers are in reference to Model A of Form 1-A): (a) Questions 37 and 38 instead of Item 6(d); (b) Question 43 instead of Item 7(a); (c) Questions 29-36 and 39 instead of Item 7(b); (d) Questions 40-42 instead of Item 8; (e) Questions 40-42 instead of Item 10; (f) the information required in Part F/S of Form 10-SB instead of the financial statement requirements of Items 13 or 14; (g) Questions 4, 11, and 47-50 instead of Item 13(a)(1)(3); (h) Question 3 instead of the information specified in Items 101 and 102 of Regulation S-B (§§ 228.101 and 228.102 of this chapter); and (i) Questions 4, 11, and 47-50 instead of the information specified in Item 303 of Regulation S-B (§ 228.303 of this chapter).

(3) Registrants and acquirers that relied upon Alternative 2 in their most recent Form 10-KSB may provide the following information (“Model B” refers to Model B of Form 1-A): (a) Item 10 of Model B instead of Item 6(d) of Schedule 14A; (b) Item 8(d) of Model B instead of Item 7(a) of Schedule 14A; (c) Items 8(a)(8)(c) and Item 11 of Model B instead of Item 7(b) of Schedule 14A; (d) Item 9 of Model B instead of Item 8 of Schedule 14A; (e) Item 9 of Model B instead of Item 10 of Schedule 14A; (f) the information required in Part F/S of Form 10-SB instead of the financial statements requirements of Items 13 or 14 of Schedule 14A; (g) Item 6(a)(3)(i) of Model B instead of Item 13(a)(1)(3) of Schedule 14A; (h) Items 6 and 7 of Model B instead of the information specified in Items 101 and 102 of Regulation S-B (§§ 228.101 and 228.102 of this chapter); and (i) Item 6(a)(3)(i) of Model B instead of the information specified in Item 303 of Regulation S-B (§ 228.303 of this chapter).

Item 1. Date, time and place information. (a) State the date, time and place of the meeting of security holders, and the complete mailing address, including ZIP Code, of the principal executive offices of the registrant, unless such information is otherwise disclosed in material furnished to security holders with or preceding the proxy statement. If action is to be taken by written consent, state the date by which consents are to be submitted if state law requires that such a date be specified or if the person soliciting intends to set a date.

(b) On the first page of the proxy statement, as delivered to security holders, state the approximate date on which the proxy

statement and form of proxy are first sent or given to security holders.

(c) Furnish the information required to be in the proxy statement by Rule 14a-5(e) (§240.14a-5(e) of this chapter).

Item 2. Revocability of proxy. State whether or not the person giving the proxy has the power to revoke it. If the right of revocation before the proxy is exercised is limited or is subject to compliance with any formal procedure, briefly describe such limitation or procedure.

Item 3. Dissenters' right of appraisal. Outline briefly the rights of appraisal or similar rights of dissenters with respect to any matter to be acted upon and indicate any statutory procedure required to be followed by dissenting security holders in order to perfect such rights. Where such rights may be exercised only within a limited time after the date of adoption of a proposal, the filing of a charter amendment or other similar act, state whether the persons solicited will be notified of such date.

Instructions. 1. Indicate whether a security holder's failure to vote against a proposal will constitute a waiver of his appraisal or similar rights and whether a vote against a proposal will be deemed to satisfy any notice requirements under State law with respect to appraisal rights. If the State law is unclear, state what position will be taken in regard to these matters.

2. Open-end investment companies registered under the Investment Company Act of 1940 are not required to respond to this item.

Item 4. Persons Making the Solicitation—(a) Solicitations not subject to Rule 14a-12(c) (§240.14a-12(c)). (1) If the solicitation is made by the registrant, so state. Give the name of any director of the registrant who has informed the registrant in writing that he intends to oppose any action intended to be taken by the registrant and indicate the action which he intends to oppose.

(2) If the solicitation is made otherwise than by the registrant, so state and give the names of the participants in the solicitation, as defined in paragraphs (a) (iii), (iv), (v) and (vi) of Instruction 3 to this Item.

(3) If the solicitation is to be made otherwise than by the use of the mails, describe the methods to be employed. If the solicitation is to be made by specially, engaged employees or paid solicitors, state (i) the material features of any contract or arrangement for such solicitation and identify the parties, and (ii) the cost or anticipated cost thereof.

(4) State the names of the persons by whom the cost of solicitation has been or will be borne, directly or indirectly.

(b) *Solicitations subject to Rule 14a-12(c)* (§240.14a-12(c)). (1) State by whom the solicitation is made and describe the methods employed and to be employed to solicit security holders.

(2) If regular employees of the registrant or any other participant in a solicitation have been or are to be employed to solicit security holders, describe the class or classes of employees to be so employed, and the manner and nature of their employment for such purpose.

(3) If specially engaged employees, representatives or other persons have been or are to be employed to solicit security holders, state (i) the material features of any contract or arrangement for such solicitation and the identity of the parties, (ii) the cost or anticipated cost thereof and (iii) the approximate number of such employees of employees or any other person (naming such other person) who will solicit security holders).

(4) State the total amount estimated to be spent and the total expenditures to date for, in furtherance of, or in connection with the solicitation of security holders.

(5) State by whom the cost of the solicitation will be borne. If such cost is to be borne initially by any person other than the registrant, state whether reimbursement will be sought from the registrant, and, if so, whether the question of such reimbursement will be submitted to a vote of security holders.

(6) If any such solicitation is terminated pursuant to a settlement between the registrant and any other participant in such solicitation, describe the terms of such settlement, including the cost or anticipated cost thereof to the registrant.

Instructions. 1. With respect to solicitations subject to Rule 14a-12(c) (§240.14a-12(c)), costs and expenditures within the meaning of this Item 4 shall include fees for attorneys, accountants, public relations or financial advisers, solicitors, advertising, printing, transportation, litigation and other costs incidental to the solicitation, except that the registrant may exclude the amount of such costs represented by the amount normally expended for a solicitation for an election of directors in the absence of a contest, and costs represented by salaries and wages of regular employees and officers, provided a statement to that effect is included in the proxy statement.

2. The information required pursuant to paragraph (b)(6) of this Item should be included in any amended or revised proxy statement or other soliciting materials relating to the same meeting or subject matter furnished to security holders by the registrant subsequent to the date of settlement.

course of business of a bank, broker or dealer, briefly describe the transaction, and state the names of the parties.

(viii) State whether or not the participant is, or was within the past year, a party to any contract, arrangements or understandings with any person with respect to any securities of the registrant, including, but not limited to joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies. If so, name the parties to such contracts, arrangements or understandings and give the details thereof.

(ix) State the amount of securities of the registrant owned beneficially, directly or indirectly, by each of the participant's associates and the name and address of each such associate.

(x) State the amount of each class of securities of any parent or subsidiary of the registrant which the participant owns beneficially, directly or indirectly.

(xi) Furnish for the participant and associates of the participant the information required by Item 404(a) of Regulation S-K (§229.404(a) of this chapter).

(xii) State whether or not the participant or any associates of the participant have any arrangement or understanding with any person—

(A) with respect to any future employment by the registrant or its affiliates; or

(B) with respect to any future transactions to which the registrant or any of its affiliates will or may be a party.

If so, describe such arrangement or understanding and state the names of the parties thereto.

(2) With respect to any person, other than a director or executive officer of the registrant acting solely in that capacity, who is a party to an arrangement or understanding pursuant to which a nominee for election as director is proposed to be elected, describe any substantial interest, direct or indirect, by security holdings or otherwise, that such person has in any matter to be acted upon at the meeting, and furnish the information called for by paragraphs (b)(1) (xi) and (xii) of this Item.

Instruction: For purposes of this Item 5, beneficial ownership shall be determined in accordance with Rule 13d-3 under the Act (Section 240.13d-3 of this chapter).

Item 6. Voting securities and principal holders thereof. (a) As to each class of voting securities of the registrant entitled to be voted at the meeting (or by written consents or authorizations if no meeting is held), state the number of shares outstanding and the number of votes to which each class is entitled.

(b) State the record date, if any, with respect to this solicitation. If the right to vote or give consent is not to be determined, in whole or in part, by reference to a record

Securities and Exchange Commission

§ 240.14a-101

date, indicate the criteria for the determination of security holders entitled to vote or give consent.

(c) If action is to be taken with respect to the election of directors and if the persons solicited have cumulative voting rights: (1) Make a statement that they have such rights, (2) briefly describe such rights, (3) state briefly the conditions precedent to the exercise thereof, and (4) if discretionary authority to cumulate votes is solicited, so indicate.

(d) Furnish the information required by Item 403 of Regulation S-K (§229.403 of this chapter) to the extent known by the persons on whose behalf the solicitation is made.

(e) If, to the knowledge of the persons on whose behalf the solicitation is made, a change in control of the registrant has occurred since the beginning of its last fiscal year, state the name of the person(s) who acquired such control, the amount and the source of the consideration used by such person or persons; the basis of the control, the date and a description of the transaction(s) which resulted in the change of control and the percentage of voting securities of the registrant now beneficially owned directly or indirectly by the person(s) who acquired control; and the identity of the person(s) from whom control was assumed. If the source of all or any part of the consideration used is a loan made in the ordinary course of business by a bank as defined by section 3(a)(6) of the Act, the identity of such bank shall be omitted provided a request for confidentiality has been made pursuant to section 13(d)(1)(B) of the Act by the person(s) who acquired control. In lieu thereof, the material shall indicate that the identity of the bank has been so omitted and filed separately with the Commission.

Instruction. 1. State the terms of any loans or pledges obtained by the new control group for the purpose of acquiring control, and the names of the lenders or pledgees.

2. Any arrangements or understandings among members of both the former and new control groups and their associates with respect to election of directors or other matters should be described.

Item 7. Directors and executive officers. If action is to be taken with respect to the election of directors, furnish the following information in tabular form to the extent practicable. If, however, the solicitation is made on behalf of persons other than the registrant, the information required need be furnished only as to nominees of the persons making the solicitation.

(a) The information required by instruction 4 to Item 103 of Regulation S-K (§229.103 of this chapter) with respect to directors and executive officers.

(b) The information required by Items 401, 404 (a) and (c), and 405 of Regulation S-K

(§229.401, §229.404 and §229.405 of this chapter).

(c) The information required by Item 404(b) of Regulation S-K (§229.404 of this chapter).

(d)(1) State whether or not the registrant has standing audit, nominating and compensation committees of the Board of Directors, or committees performing similar functions. If the registrant has such committees, however designated, identify each committee member, state the number of committee meetings held by each such committee during the last fiscal year and describe briefly the functions performed by such committees. Such disclosure need not be provided to the extent it is duplicative of disclosure provided in accordance with Item 401(i) of Regulation S-K (§229.401(i) of this chapter).

(2)(i) If the registrant does not have a standing nominating committee or committee performing similar functions, state the basis for the view of the board of directors that it is appropriate for the registrant not to have such a committee and identify each director who participates in the consideration of director nominees;

(ii) Provide the following information regarding the registrant's director nomination process:

(A) If the nominating committee has a charter, disclose whether a current copy of the charter is available to security holders on the registrant's Web site. If the nominating committee has a charter and a current copy of the charter is available to security holders on the registrant's Web site, provide the registrant's Web site address. If the nominating committee has a charter and a current copy of the charter is not available to security holders on the registrant's Web site, include a copy of the charter as an appendix to the registrant's proxy statement at least once every three fiscal years. If a current copy of the charter is not available to security holders on the registrant's Web site, and is not included as an appendix to the registrant's proxy statement, identify in which of the prior fiscal years the charter was so included in satisfaction of this requirement;

(B) If the nominating committee does not have a charter, state that fact;

(C) If the registrant is a listed issuer (as defined in §240.10A-3) whose securities are listed on a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)) or in an automated inter-dealer quotation system of a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)) that has independence requirements for nominating committee members, disclose whether the members of the nominating committee are independent, as independence for nominating committee members is defined in the listing standards applicable to the listed issuer;

(D) If the registrant is not a listed issuer (as defined in § 240.10A-3), disclose whether each of the members of the nominating committee is independent. In determining whether a member is independent, the registrant must use a definition of independence of a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)) or a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)) that has been approved by the Commission (as that definition may be modified or supplemented), and state which definition it used. Whatever definition the registrant chooses, it must apply that definition consistently to all members of the nominating committee and use the independence standards of the same national securities exchange or national securities association for purposes of nominating committee disclosure under this requirement and audit committee disclosure required under paragraph (d)(3)(iv) of Item 7 of Schedule 14A (§ 240.14a-101);

(E) If the nominating committee has a policy with regard to the consideration of any director candidates recommended by security holders, provide a description of the material elements of that policy, which shall include, but need not be limited to, a statement as to whether the committee will consider director candidates recommended by security holders;

(F) If the nominating committee does not have a policy with regard to the consideration of any director candidates recommended by security holders, state that fact and state the basis for the view of the board of directors that it is appropriate for the registrant not to have such a policy;

(G) If the nominating committee will consider candidates recommended by security holders, describe the procedures to be followed by security holders in submitting such recommendations;

(H) Describe any specific, minimum qualifications that the nominating committee believes must be met by a nominating committee-recommended nominee for a position on the registrant's board of directors, and describe any specific qualities or skills that the nominating committee believes are necessary for one or more of the registrant's directors to possess;

(I) Describe the nominating committee's process for identifying and evaluating nominees for director, including nominees recommended by security holders, and any differences in the manner in which the nominating committee evaluates nominees for director based on whether the nominee is recommended by a security holder;

(J) With regard to each nominee approved by the nominating committee for inclusion on the registrant's proxy card (other than nominees who are executive officers or who are directors standing for re-election), state

which one or more of the following categories of persons or entities recommended that nominee: security holder, non-management director, chief executive officer, other executive officer, third-party search firm, or other, specified source. With regard to each such nominee approved by a nominating committee of an investment company, state which one or more of the following additional categories of persons or entities recommended that nominee: security holder, director, chief executive officer, other executive officer, or employee of the investment company's investment adviser, principal underwriter, or any affiliated person of the investment adviser or principal underwriter;

(K) If the registrant pays a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees, disclose the function performed by each such third party; and

(L) If the registrant's nominating committee received, by a date not later than the 120th calendar day before the date of the registrant's proxy statement released to security holders in connection with the previous year's annual meeting, a recommended nominee from a security holder that beneficially owned more than 5% of the registrant's voting common stock for at least one year as of the date the recommendation was made, or from a group of security holders that beneficially owned, in the aggregate, more than 5% of the registrant's voting common stock, with each of the securities used to calculate that ownership held for at least one year as of the date the recommendation was made, identify the candidate and the security holder or security holder group that recommended the candidate and disclose whether the nominating committee chose to nominate the candidate, provided, however, that no such identification or disclosure is required without the written consent of both the security holder or security holder group and the candidate to be so identified.

Instructions to paragraph (d)(2)(ii)(L):

1. For purposes of Item 7(d)(2)(ii)(L), the percentage of securities held by a nominating security holder may be determined using information set forth in the registrant's most recent quarterly or annual report, and any current report subsequent thereto, filed with the Commission pursuant to this Act (or, in the case of a registrant that is an investment company registered under the Investment Company Act of 1940, the registrant's most recent report on Form N-CSR (§§ 249.331 and 274.128)), unless the party relying on such report knows or has reason to believe that the information contained therein is inaccurate.

2. For purposes of the registrant's obligation to provide the disclosure specified in Item 7(d)(2)(ii)(L), where the date of the annual meeting has been changed by more than 30 days from the date of the previous year's

meeting, the obligation under that Item will arise where the registrant receives the security holder recommendation a reasonable time before the registrant begins to print and mail its proxy materials.

3. For purposes of Item 7(d)(2)(ii)(L), the percentage of securities held by a recommending security holder, as well as the holding period of those securities, may be determined by the registrant if the security holder is the registered holder of the securities. If the security holder is not the registered owner of the securities, he or she can submit one of the following to the registrant to evidence the required ownership percentage and holding period:

A. A written statement from the "record" holder of the securities (usually a broker or bank) verifying that, at the time the security holder made the recommendation, he or she had held the required securities for at least one year; or

B. If the security holder has filed a Schedule 13D (§240.13d-101), Schedule 13G (§240.13d-102), Form 3 (§249.103), Form 4 (§249.104), and/or Form 5 (§249.105), or amendments to those documents or updated forms, reflecting ownership of the securities as of or before the date of the recommendation, a copy of the schedule and/or form, and any subsequent amendments reporting a change in ownership level, as well as a written statement that the security holder continuously held the securities for the one-year period as of the date of the recommendation.

4. For purposes of the registrant's obligation to provide the disclosure specified in Item 7(d)(2)(ii)(L), the security holder or group must have provided to the registrant, at the time of the recommendation, the written consent of all parties to be identified and, where the security holder or group members are not registered holders, proof that the security holder or group satisfied the required ownership percentage and holding period as of the date of the recommendation.

Instruction to paragraph (d)(2)(ii): For purposes of Item 7(d)(2)(ii), the term "nominating committee" refers not only to nominating committees and committees performing similar functions, but also to groups of directors fulfilling the role of a nominating committee, including the entire board of directors.

(3) If the registrant has an audit committee:

(i) Provide the information required by Item 306 of Regulation S-K (17 CFR 229.306).

(ii) State whether the registrant's Board of Directors has adopted a written charter for the audit committee.

(iii) Include a copy of the written charter, if any, as an appendix to the registrant's proxy statement, unless a copy has been included as an appendix to the registrant's

proxy statement within the registrant's past three fiscal years.

(iv)(A) If the registrant is a listed issuer, as defined in §240.10A-3:

(1) Disclose whether the members of the audit committee are independent, as independence for audit committee members is defined in the listing standards applicable to the listed issuer. If the registrant does not have a separately designated audit committee, or committee performing similar functions, the registrant must provide the disclosure with respect to all members of its board of directors.

(2) If the listed issuer's board of directors determines, in accordance with the listing standards applicable to the listed issuer, to appoint a director to the audit committee who is not independent (apart from the requirements in §240.10A-3) because of exceptional or limited or similar circumstances, disclose the nature of the relationship that makes that individual not independent and the reasons for the board of directors' determination.

(B) If the registrant, including a small business issuer, is not a listed issuer, disclose whether the registrant has an audit committee established in accordance with section 3(a)(58)(A) of the Act (15 U.S.C. 78c(a)(58)(A)) and, if so, whether the members of the committee are independent. In determining whether a member is independent, the registrant must use a definition for audit committee member independence of a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)) or a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)) that has been approved by the Commission (as such definition may be modified or supplemented), and state which definition was used. Whichever definition is chosen must be applied consistently to all members of the audit committee.

(v) The information required by paragraph (d)(3) of this Item shall not be deemed to be "soliciting material," or to be "filed" with the Commission or subject to Regulation 14A or 14C (17 CFR 240.14a-1 *et seq.* or 240.14c-1 *et seq.*), other than as provided in this Item, or to the liabilities of section 18 of the Exchange Act (15 U.S.C. 78r), except to the extent that the registrant specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act. Such information will not be deemed to be incorporated by reference into any filing under the Securities Act or the Exchange Act, except to the extent that the registrant specifically incorporates it by reference.

(vi) The disclosure required by this paragraph (d)(3) need only be provided one time during any fiscal year.

(vii) Investment companies registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than closed-end investment companies, need not provide the information required by this paragraph (d)(3).

(e) In lieu of paragraphs (a) through (d)(1) and (d)(2)(ii)(D) of this Item, investment companies registered under the Investment Company Act of 1940 (15 U.S.C. 80a) must furnish the information required by Item 22(b) of this Schedule 14A.

(f) State the total number of meetings of the board of directors (including regularly scheduled and special meetings) which were held during the last full fiscal year. Name each incumbent director who during the last full fiscal year attended fewer than 75 percent of the aggregate of (1) the total number of meetings of the board of directors (held during the period for which he has been a director) and (2) the total number of meetings held by all committees of the board on which he served (during the periods that he served).

(g) If a director has resigned or declined to stand for re-election to the board of directors since the date of the last annual meeting of security holders because of a disagreement with the registrant on any matter relating to the registrant's operations, policies or practices, and if the director has furnished the registrant with a letter describing such disagreement and requesting that the matter be disclosed, the registrant shall state the date of resignation or declination to stand for re-election and summarize the director's description of the disagreement.

If the registrant believes that the description provided by the director is incorrect or incomplete, it may include a brief statement presenting its view of the disagreement.

(h)(1) State whether or not the registrant's board of directors provides a process for security holders to send communications to the board of directors and, if the registrant does not have such a process for security holders to send communications to the board of directors, state the basis for the view of the board of directors that it is appropriate for the registrant not to have such a process;

(2) If the registrant has a process for security holders to send communications to the board of directors:

(i) Describe the manner in which security holders can send communications to the board and, if applicable, to specified individual directors; and

(ii) If all security holder communications are not sent directly to board members, describe the registrant's process for determining which communications will be relayed to board members; and

Instruction to paragraph (h)(2)(ii): For purposes of the disclosure required by this paragraph, a registrant's process for collecting and organizing security holder communications, as well as similar or related activities,

need not be disclosed provided that the registrant's process is approved by a majority of the independent directors or, in the case of a registrant that is an investment company, a majority of the directors who are not "interested persons" of the investment company as defined in section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)).

(3) Describe the registrant's policy, if any, with regard to board members' attendance at annual meetings and state the number of board members who attended the prior year's annual meeting.

Instruction to paragraphs (h)(2) and (h)(3): In lieu of providing the information required by paragraphs (h)(2) and (h)(3) in the proxy statement, the registrant may instead provide the registrant's Website address where such information appears.

Instructions to paragraph (h):

1. For purposes of this paragraph, communications from an officer or director of the registrant will not be viewed as "security holder communications." Communications from an employee or agent of the registrant will be viewed as "security holder communications" for purposes of this paragraph only if those communications are made solely in such employee's or agent's capacity as a security holder.

2. For purposes of this paragraph, security holder proposals submitted pursuant to § 240.14a-8, and communications made in connection with such proposals, will not be viewed as "security holder communications."

Item 8. Compensation of directors and executive officers. Furnish the information required by Item 402 (§ 229.402 of this chapter) of Regulation S-K if action is to be taken with regard to:

(a) The election of directors;

(b) Any bonus, profit sharing or other compensation plan, contract or arrangement in which any director, nominee for election as a director, or executive officer of the registrant will participate;

(c) Any pension or retirement plan in which any such person will participate; or

(d) The granting or extension to any such person of any options, warrants or rights to purchase any securities, other than warrants or rights issued to security holders as such, on a pro rata basis.

However, if the solicitation is made on behalf of persons other than the registrant, the information required need be furnished only as to nominees of the persons making the solicitation and associates of such nominees. In the case of investment companies registered under the Investment Company Act of 1940 and registrants that have elected to be regulated as business development companies, furnish the information required by Item 22(b)(13) of this Schedule.

Instruction. If an otherwise reportable compensation plan became subject to such requirements because of an acquisition or merger and, within one year of the acquisition or merger, such plan was terminated for purposes of prospective eligibility, the registrant may furnish a description of its obligation to the designated individuals pursuant to the compensation plan. Such description may be furnished in lieu of a description of the compensation plan in the proxy statement.

Item 9. Independent public accountants. If the solicitation is made on behalf of the registrant and relates to: (1) The annual (or special meeting in lieu of annual) meeting of security holders at which directors are to be elected, or a solicitation of consents or authorizations in lieu of such meeting or (2) the election, approval or ratification of the registrant's accountant, furnish the following information describing the registrant's relationship with its independent public accountant:

(a) The name of the principal accountant selected or being recommended to security holders for election, approval or ratification for the current year. If no accountant has been selected or recommended, so state and briefly describe the reasons therefor.

(b) The name of the principal accountant for the fiscal year most recently completed if different from the accountant selected or recommended for the current year or if no accountant has yet been selected or recommended for the current year.

(c) The proxy statement shall indicate: (1) Whether or not representatives of the principal accountant for the current year and for the most recently completed fiscal year are expected to be present at the security holders' meeting, (2) whether or not they will have the opportunity to make a statement if they desire to do so, and (3) whether or not such representatives are expected to be available to respond to appropriate questions.

(d) If during the registrant's two most recent fiscal years or any subsequent interim period, (1) an independent accountant who was previously engaged as the principal accountant to audit the registrant's financial statements, or an independent accountant on whom the principal accountant expressed reliance in its report regarding a significant subsidiary, has resigned (or indicated it has declined to stand for re-election after the completion of the current audit) or was dismissed, or (2) a new independent accountant has been engaged as either the principal accountant to audit the registrant's financial statements or as an independent accountant on whom the principal accountant has expressed or is expected to express reliance in its report regarding a significant subsidiary, then, notwithstanding any previous disclosure, provide the information required by

Item 304(a) of Regulation S-K (§229.304 of this chapter).

(e)(1) Disclose, under the caption *Audit Fees*, the aggregate fees billed for each of the last two fiscal years for professional services rendered by the principal accountant for the audit of the registrant's annual financial statements and review of financial statements included in the registrant's Form 10-Q (17 CFR 249.308a) or 10-QSB (17 CFR 249.308b) or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years.

(2) Disclose, under the caption *Audit-Related Fees*, the aggregate fees billed in each of the last two fiscal years for assurance and related services by the principal accountant that are reasonably related to the performance of the audit or review of the registrant's financial statements and are not reported under paragraph (e)(1) of this section. Registrants shall describe the nature of the services comprising the fees disclosed under this category.

(3) Disclose, under the caption *Tax Fees*, the aggregate fees billed in each of the last two fiscal years for professional services rendered by the principal accountant for tax compliance, tax advice, and tax planning. Registrants shall describe the nature of the services comprising the fees disclosed under this category.

(4) Disclose, under the caption *All Other Fees*, the aggregate fees billed in each of the last two fiscal years for products and services provided by the principal accountant, other than the services reported in paragraphs (e)(1) through (e)(3) of this section. Registrants shall describe the nature of the services comprising the fees disclosed under this category.

(5)(i) Disclose the audit committee's pre-approval policies and procedures described in 17 CFR 210.2-01(c)(7)(i).

(ii) Disclose the percentage of services described in each of paragraphs (e)(2) through (e)(4) of this section that were approved by the audit committee pursuant to 17 CFR 210.2-01(c)(7)(i)(C).

(6) If greater than 50 percent, disclose the percentage of hours expended on the principal accountant's engagement to audit the registrant's financial statements for the most recent fiscal year that were attributed to work performed by persons other than the principal accountant's full-time, permanent employees.

(7) If the registrant is an investment company, disclose the aggregate non-audit fees billed by the registrant's accountant for services rendered to the registrant, and to the registrant's investment adviser (not including any subadviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling,

§ 240.14a-101

17 CFR Ch. II (4-1-04 Edition)

controlled by, or under common control with the adviser that provides ongoing services to the registrant for each of the last two fiscal years of the registrant.

(8) If the registrant is an investment company, disclose whether the audit committee of the board of directors has considered whether the provision of non-audit services that were rendered to the registrant's investment adviser (not including any subadviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the registrant that were not pre-approved pursuant to 17 CFR 210.2-01(c)(7)(ii) is compatible with maintaining the principal accountant's independence.

Instruction to Item 9(e).

For purposes of Item 9(e)(2), (3), and (4), registrants that are investment companies must disclose fees billed for services rendered to the registrant and separately, disclose fees required to be approved by the investment company registrant's audit committee pursuant to 17 CFR 210.2-01(c)(7)(ii). Registered investment companies must also disclose the fee percentages as required by item 9(e)(5)(ii) for the registrant and separately, disclose the fee percentages as required by item 9(e)(5)(ii) for the fees required to be approved by the investment company registrant's audit committee pursuant to 17 CFR 210.2-01(c)(7)(ii).

(a) *Plans subject to security holder action.* (1) Describe briefly the material features of the plan being acted upon, identify each class of persons who will be eligible to participate therein, indicate the approximate number of persons in each such class, and state the basis of such participation.

(2)(i) In the tabular format specified below, disclose the benefits or amounts that will be received by or allocated to each of the following under the plan being acted upon, if such benefits or amounts are determinable:

Instructions

1. The term "plan" as used in this Item means any plan as defined in paragraph (a)(7)(ii) of Item 402 of Regulation S-K (§229.402(a)(7)(ii) of this chapter).

2. If action is to be taken with respect to a material amendment or modification of an existing plan, the item shall be answered with respect to the plan as proposed to be amended or modified and shall indicate any material differences from the existing plan.

3. If the plan to be acted upon is set forth in a written document, three copies thereof shall be filed with the Commission at the time copies of the proxy statement and form of proxy are first filed pursuant to paragraph (a) or (b) of §240.14a-6. Electronic filers shall file with the Commission a copy of such written plan document in electronic format as an appendix to the proxy statement. It need not be provided to security holders unless it is a part of the proxy statement.

4. Paragraph (b)(2)(ii) does not apply to warrants or rights to be issued to security holders as such on a pro rata basis.

5. The Commission shall be informed, as supplemental information, when the proxy statement is first filed, as to when the options, warrants or rights and the shares called for thereby will be registered under the Securities Act or, if such registration is not contemplated, the section of the Securities Act or rule of the Commission under which exemption from such registration is

claimed and the facts relied upon to make the exemption available.

Item 11. Authorization or issuance of securities otherwise than for exchange. If action is to be taken with respect to the authorization or issuance of any securities otherwise than for exchange for outstanding securities of the registrant, furnish the following information:

(a) State the title and amount of securities to be authorized or issued.

(b) Furnish the information required by Item 202 of Regulation S-K (§ 229.202 of this chapter). If the terms of the securities cannot be stated or estimated with respect to any or all of the securities to be authorized, because no offering thereof is contemplated in the proximate future, and if no further authorization by security holders for the issuance thereof is to be obtained, it should be stated that the terms of the securities to be authorized, including dividend or interest rates, conversion prices, voting rights, redemption prices, maturity dates, and similar matters will be determined by the board of directors. If the securities are additional shares of common stock of a class outstanding, the description may be omitted except for a statement of the preemptive rights, if any. Where the statutory provisions with respect to preemptive rights are so indefinite or complex that they cannot be stated in summarized form, it will suffice to make a statement in the form of an opinion of counsel as to the existence and extent of such rights.

(c) Describe briefly the transaction in which the securities are to be issued including a statement as to (1) the nature and approximate amount of consideration received or to be received by the registrant and (2) the approximate amount devoted to each purpose so far as determinable for which the net proceeds have been or are to be used. If it is impracticable to describe the transaction in which the securities are to be issued, state the reason, indicate the purpose of the authorization of the securities, and state whether further authorization for the issuance of the securities by a vote of security holders will be solicited prior to such issuance.

(d) If the securities are to be issued otherwise than in a public offering for cash, state the reasons for the proposed authorization or issuance and the general effect thereof upon the rights of existing security holders.

(e) Furnish the information required by Item 13(a) of this schedule.

If securities are to be issued in exchange for outstanding securities, state the title and amount of securities to be so issued, the title and amount of outstanding securities to be exchanged therefor and the basis of the exchange.

(b) Describe any material differences between the outstanding securities and the modified or new securities in respect of any of the matters concerning which information would be required in the description of the securities in Item 202 of Regulation S-K (§ 229.202 of this chapter).

(c) State the reasons for the proposed modification or exchange and the general effect thereof upon the rights of existing security holders.

(d) Furnish a brief statement as to arrears in dividends or as to defaults in principal or interest in respect to the outstanding securities which are to be modified or exchanged and such other information as may be appropriate in the particular case to disclose adequately the nature and effect of the proposed action.

(e) Outline briefly any other material features of the proposed modification or exchange. If the plan of proposed action is set forth in a written document, file copies thereof with the Commission in accordance with § 240.14a-6.

(f) Furnish the information required by Item 13(a) of this Schedule.

(ii) When a Fund proxy statement solicits a vote on proposals affecting more than one Fund or class of securities of a Fund (unless the proposal or proposals are the same and affect all Fund or class shareholders), present a summary of all of the proposals in tabular form on one of the first three pages of the proxy statement and indicate which Fund or class shareholders are solicited with respect to each proposal.

(iii) Unless the proxy statement is accompanied by a copy of the Fund's most recent annual report, state prominently in the proxy statement that the Fund will furnish, without charge, a copy of the annual report and the most recent semi-annual report succeeding the annual report, if any, to a shareholder upon request, providing the name, address, and toll-free telephone number of the person to whom such request shall be directed (or, if no toll-free telephone number is provided, a self-addressed postage paid card for requesting the annual report). The Fund should provide a copy of the annual report and the most recent semi-annual report succeeding the annual report, if any, to the requesting shareholder by first class mail, or other means designed to assure prompt delivery, within three business days of the request.

(iv) If the action to be taken would, directly or indirectly, establish a new fee or expense or increase any existing fee or expense to be paid by the Fund or its shareholders, provide a table showing the current and pro forma fees (with the required examples) using the format prescribed in the appropriate registration statement form under the Investment Company Act of 1940 (for open-end management investment companies, Item 3 of Form N-1A (§239.15A); for closed-end management investment companies, Item 3 of Form N-2 (§239.14); and for separate accounts that offer variable annuity contracts, Item 3 of Form N-3 (§239.17a)).

Instructions. 1. Where approval is sought only for a change in asset breakpoints for a pre-existing fee that would not have increased the fee for the previous year (or have the effect of increasing fees or expenses, but for any other reason would not be reflected

§ 240.14a-101

17 CFR Ch. II (4-1-04 Edition)

in a pro forma fee table), describe the likely effect of the change in lieu of providing pro forma fee information.

2. An action would indirectly establish or increase a fee or expense where, for example, the approval of a new investment advisory contract would result in higher custodial or transfer agency fees.

3. The tables should be prepared in a manner designed to facilitate understanding of the impact of any change in fees or expenses.

4. A Fund that offers its shares exclusively to one or more separate accounts and thus is not required to include a fee table in its prospectus (see Item 3 of Form N-1A (§239.15A)) should nonetheless prepare a table showing current and pro forma expenses and disclose that the table does not reflect separate account expenses, including sales load.

(v) If action is to be taken with respect to the election of directors or the approval of an advisory contract, describe any purchases or sales of securities of the investment adviser or its Parents, or Subsidiaries of either, since the beginning of the most recently completed fiscal year by any director or any nominee for election as a director of the Fund.

Instructions. 1. Identify the parties, state the consideration, the terms of payment and describe any arrangement or understanding with respect to the composition of the board of directors of the Fund or of the investment adviser, or with respect to the selection of appointment of any person to any office with either such company.

2. Transactions involving securities in an amount not exceeding one percent of the outstanding securities of any class of the investment adviser or any of its Parents or Subsidiaries may be omitted.

(b) *Election of Directors.* If action is to be taken with respect to the election of directors of a Fund, furnish the following information in the proxy statement in addition to the information (and in the format) required

by paragraphs (d)(2) (other than (d)(2)(ii)(D)), (d)(3), (f), (g), and (h) of Item 7 of Schedule 14A.

Instructions to introductory text of paragraph (b). 1. Furnish information with respect to a prospective investment adviser to the extent applicable.

2. If the solicitation is made by or on behalf of a person other than the Fund or an investment adviser of the Fund, provide information only as to nominees of the person making the solicitation.

3. When providing information about directors and nominees for election as directors in response to this Item 22(b), furnish information for directors or nominees who are or would be "interested persons" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)) separately from the information for directors or nominees who are not or would not be interested persons of the Fund. For example, when furnishing information in a table, you should provide separate tables (or separate sections of a single table) for directors and nominees who are or would be interested persons and for directors or nominees who are not or would not be interested persons. When furnishing information in narrative form, indicate by heading or otherwise the directors or nominees who are or would be interested persons and the directors or nominees who are not or would not be interested persons.

4. No information need be given about any director whose term of office as a director will not continue after the meeting to which the proxy statement relates.

(1) Provide the information required by the following table for each director, nominee for election as director, Officer of the Fund, person chosen to become an Officer of the Fund, and, if the Fund has an advisory board, member of the board. Explain in a footnote to the table any family relationship between the persons listed.

(1)	(2)	(3)	(4)	(5)	(6)
Name, Address, and Age.	Position(s) Held with Fund.	Term of Office and Length of Time Served.	Principal Occupation(s) During Past 5 Years.	Number of Portfolios in Fund Complex Overseen by Director or Nominee for Director.	Other Directorships Held by Director or Nominee for Director

Instructions to paragraph (b)(1). 1. For purposes of this paragraph, the term "family relationship" means any relationship by blood, marriage, or adoption, not more remote than first cousin.

2. No nominee or person chosen to become a director or Officer who has not consented to act as such may be named in response to this Item. In this regard, see Rule 14a-4(d) under the Exchange Act (§240.14a-4(d)).

3. If fewer nominees are named than the number fixed by or pursuant to the governing instruments, state the reasons for this procedure and that the proxies cannot be voted for a greater number of persons than the number of nominees named.

4. For each director or nominee for election as director who is or would be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment

Securities and Exchange Commission

§ 240.14a-101

Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), describe, in a footnote or otherwise, the relationship, events, or transactions by reason of which the director or nominee is or would be an interested person.

5. State the principal business of any company listed under column (4) unless the principal business is implicit in its name.

6. Include in column (5) the total number of separate portfolios that a nominee for election as director would oversee if he were elected.

7. Indicate in column (6) directorships not included in column (5) that are held by a director or nominee for election as director in any company with a class of securities registered pursuant to section 12 of the Exchange Act (15 U.S.C. 78j), or subject to the requirements of section 15(d) of the Exchange Act (15 U.S.C. 78o(d)), or any company registered as an investment company under the Investment Company Act of 1940, (15 U.S.C. 80a), as amended, and name the companies in which the directorships are held. Where the other directorships include directorships overseeing two or more portfolios in the same Fund Complex, identify the Fund Complex and provide the number of portfolios overseen as a director in the Fund Complex rather than listing each portfolio separately.

(2) For each individual listed in column (1) of the table required by paragraph (b)(1) of this Item, except for any director or nominee for election as director who is not or would not be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), describe any positions, including as an officer, employee, director, or general partner, held with affiliated persons or principal underwriters of the Fund.

Instruction to paragraph (b)(2). When an individual holds the same position(s) with two or more registered investment companies that are part of the same Fund Complex, identify the Fund Complex and provide the number of registered investment companies for which the position(s) are held rather than listing each registered investment company separately.

(3) Describe briefly any arrangement or understanding between any director, nominee for election as director, Officer, or person chosen to become an Officer, and any other person(s) (naming the person(s) pursuant to which he was or is to be selected as a director, nominee, or Officer.

Instruction to paragraph (b)(3). Do not include arrangements or understandings with directors or Officers acting solely in their capacities as such.

(4) Unless disclosed in the table required by paragraph (b)(1) of this Item, describe any positions, including as an officer, employee, director, or general partner, held by any director or nominee for election as director,

who is not or would not be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), or Immediate Family Member of the director or nominee, during the past five years, with:

- (i) The Fund;
- (ii) An investment company, or a person that would be an investment company but for the exclusions provided by sections 3(c)(1) and 3(c)(7) of the Investment Company Act of 1940 (15 U.S.C. 80a-3(c)(1) and (c)(7)), having the same investment adviser, principal underwriter, or Sponsoring Insurance Company as the Fund or having an investment adviser, principal underwriter, or Sponsoring Insurance Company that directly or indirectly controls, is controlled by, or is under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund;
- (iii) An investment adviser, principal underwriter, Sponsoring Insurance Company, or affiliated person of the Fund; or
- (iv) Any person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund.

Instruction to paragraph (b)(4). When an individual holds the same position(s) with two or more portfolios that are part of the same Fund Complex, identify the Fund Complex and provide the number of portfolios for which the position(s) are held rather than listing each portfolio separately.

(5) For each director or nominee for election as director, state the dollar range of equity securities beneficially owned by the director or nominee as required by the following table:

- (i) In the Fund; and
- (ii) On an aggregate basis, in any registered investment companies overseen or to be overseen by the director or nominee within the same Family of Investment Companies as the Fund.

(1)	(2)	(3)
Name of Director or Nominee.	Dollar Range of Equity Securities in the Fund.	Aggregate Dollar Range of Equity Securities in All Funds Overseen or to be Overseen by Director or Nominee in Family of Investment Companies

Instructions to paragraph (b)(5). 1. Information should be provided as of the most recent practicable date. Specify the valuation date by footnote or otherwise.

2. Determine "beneficial ownership" in accordance with rule 16a-1(a)(2) under the Exchange Act (§ 240.16a-1(a)(2)).

3. If action is to be taken with respect to more than one Fund, disclose in column (2)

§ 240.14a-101

17 CFR Ch. II (4-1-04 Edition)

the dollar range of equity securities beneficially owned by a director or nominee in each such Fund overseen or to be overseen by the director or nominee.

4. In disclosing the dollar range of equity securities beneficially owned by a director or nominee in columns (2) and (3), use the following ranges: none, \$1-\$10,000, \$10,001-\$50,000, \$50,001-\$100,000, or over \$100,000.

(6) For each director or nominee for election as director who is not or would not be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-

2(a)(19), and his Immediate Family Members, furnish the information required by the following table as to each class of securities owned beneficially or of record in:

(i) An investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund; or

(ii) A person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund:

(1)	(2)	(3)	(4)	(5)	(6)
Name of Director or Nominee.	Name of Owners and Relationships to Director or Nominee.	Company	Title of Class	Value of Securities	Percent of Class

Instructions to paragraph (b)(6). 1. Information should be provided as of the most recent practicable date. Specify the valuation date by footnote or otherwise.

2. An individual is a "beneficial owner" of a security if he is a "beneficial owner" under either rule 13d-3 or rule 16a-1(a)(2) under the Exchange Act (§§ 240.13d-3 or 240.16a-1(a)(2)).

3. Identify the company in which the director, nominee, or Immediate Family Member of the director or nominee owns securities in column (3). When the company is a person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company, describe the company's relationship with the investment adviser, principal underwriter, or Sponsoring Insurance Company.

4. Provide the information required by columns (5) and (6) on an aggregate basis for each director (or nominee) and his Immediate Family Members.

(7) Unless disclosed in response to paragraph (b)(6) of this Item, describe any direct or indirect interest, the value of which exceeds \$60,000, of each director or nominee for election as director who is not or would not be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), or Immediate Family Member of the director or nominee, during the past five years, in:

(i) An investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund; or

(ii) A person (other than a registered investment company) directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund.

Instructions to paragraph (b)(7). 1. A director, nominee, or Immediate Family Member has an interest in a company if he is a party to a contract, arrangement, or understanding with respect to any securities of, or interest in, the company.

2. The interest of the director (or nominee) and the interests of his Immediate Family Members should be aggregated in determining whether the value exceeds \$60,000.

(8) Describe briefly any material interest, direct or indirect, of any director or nominee for election as director who is not or would not be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), or Immediate Family Member of the director or nominee, in any transaction, or series of similar transactions, since the beginning of the last two completed fiscal years of the Fund, or in any currently proposed transaction, or series of similar transactions, in which the amount involved exceeds \$60,000 and to which any of the following persons was or is to be a party:

(i) The Fund;

(ii) An Officer of the Fund;

(iii) An investment company, or a person that would be an investment company but for the exclusions provided by sections 3(c)(1) and 3(c)(7) of the Investment Company Act of 1940 (15 U.S.C. 80a-3(c)(1) and (c)(7)), having the same investment adviser, principal underwriter, or Sponsoring Insurance Company as the Fund or having an investment adviser, principal underwriter, or Sponsoring Insurance Company that directly or indirectly controls, is controlled by, or is under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund;

(iv) An Officer of an investment company, or a person that would be an investment company but for the exclusions provided by

sections 3(c)(1) and 3(c)(7) of the Investment Company Act of 1940 (15 U.S.C. 80a-3(c)(1) and (c)(7)), having the same investment adviser, principal underwriter, or Sponsoring Insurance Company as the Fund or having an investment adviser, principal underwriter, or Sponsoring Insurance Company that directly or indirectly controls, is controlled by, or is under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund;

(v) An investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund;

(vi) An Officer of an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund;

(vii) A person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund; or

(viii) An Officer of a person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund.

Instructions to paragraph (b)(8). 1. Include the name of each director, nominee, or Immediate Family Member whose interest in any transaction or series of similar transactions is described and the nature of the circumstances by reason of which the interest is required to be described.

2. State the nature of the interest, the approximate dollar amount involved in the transaction, and, where practicable, the approximate dollar amount of the interest.

3. In computing the amount involved in the transaction or series of similar transactions, include all periodic payments in the case of any lease or other agreement providing for periodic payments.

4. Compute the amount of the interest of any director, nominee, or Immediate Family Member of the director or nominee without regard to the amount of profit or loss involved in the transaction(s).

5. As to any transaction involving the purchase or sale of assets, state the cost of the assets to the purchaser and, if acquired by the seller within two years prior to the transaction, the cost to the seller. Describe the method used in determining the purchase or sale price and the name of the person making the determination.

6. If the proxy statement relates to multiple portfolios of a series Fund with different fiscal years, then, in determining the date that is the beginning of the last two completed fiscal years of the Fund, use the earliest date of any series covered by the proxy statement.

7. Disclose indirect, as well as direct, material interests in transactions. A person who has a position or relationship with, or interest in, a company that engages in a trans-

action with one of the persons listed in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item may have an indirect interest in the transaction by reason of the position, relationship, or interest. The interest in the transaction, however, will not be deemed "material" within the meaning of paragraph (b)(8) of this Item where the interest of the director, nominee, or Immediate Family Member arises solely from the holding of an equity interest (including a limited partnership interest, but excluding a general partnership interest) or a creditor interest in a company that is a party to the transaction with one of the persons specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item, and the transaction is not material to the company.

8. The materiality of any interest is to be determined on the basis of the significance of the information to investors in light of all the circumstances of the particular case. The importance of the interest to the person having the interest, the relationship of the parties to the transaction with each other, and the amount involved in the transaction are among the factors to be considered in determining the significance of the information to investors.

9. No information need be given as to any transaction where the interest of the director, nominee, or Immediate Family Member arises solely from the ownership of securities of a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item and the director, nominee, or Immediate Family Member receives no extra or special benefit not shared on a pro rata basis by all holders of the class of securities.

10. Transactions include loans, lines of credit, and other indebtedness. For indebtedness, indicate the largest aggregate amount of indebtedness outstanding at any time during the period, the nature of the indebtedness and the transaction in which it was incurred, the amount outstanding as of the latest practicable date, and the rate of interest paid or charged.

11. No information need be given as to any routine, retail transaction. For example, the Fund need not disclose that a director has a credit card, bank or brokerage account, residential mortgage, or insurance policy with a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item unless the director is accorded special treatment.

(9) Describe briefly any direct or indirect relationship, in which the amount involved exceeds \$60,000, of any director or nominee for election as director who is not or would not be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), or Immediate Family Member of the director or nominee, that exists, or has existed at any time since the beginning of the last two completed fiscal years of the

Fund, or is currently proposed, with any of the persons specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item. Relationships include:

(i) Payments for property or services to or from any person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item;

(ii) Provision of legal services to any person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item;

(iii) Provision of investment banking services to any person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item, other than as a participating underwriter in a syndicate; and

(iv) Any consulting or other relationship that is substantially similar in nature and scope to the relationships listed in paragraphs (b)(9)(i) through (b)(9)(iii) of this Item.

Instructions to paragraph (b)(9). 1. Include the name of each director, nominee, or Immediate Family Member whose relationship is described and the nature of the circumstances by reason of which the relationship is required to be described.

2. State the nature of the relationship and the amount of business conducted between the director, nominee, or Immediate Family Member and the person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item as a result of the relationship since the beginning of the last two completed fiscal years of the Fund or proposed to be done during the Fund's current fiscal year.

3. In computing the amount involved in a relationship, include all periodic payments in the case of any agreement providing for periodic payments.

4. If the proxy statement relates to multiple portfolios of a series Fund with different fiscal years, then, in determining the date that is the beginning of the last two completed fiscal years of the Fund, use the earliest date of any series covered by the proxy statement.

5. Disclose indirect, as well as direct, relationships. A person who has a position or relationship with, or interest in, a company that has a relationship with one of the persons listed in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item may have an indirect relationship by reason of the position, relationship, or interest.

6. In determining whether the amount involved in a relationship exceeds \$60,000, amounts involved in a relationship of the director (or nominee) should be aggregated with those of his Immediate Family Members.

7. In the case of an indirect interest, identify the company with which a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item has a relationship; the name of the director, nominee, or Immediate Family Member affiliated with the company and the nature of the affiliation; and the amount of

business conducted between the company and the person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item since the beginning of the last two completed fiscal years of the Fund or proposed to be done during the Fund's current fiscal year.

8. In calculating payments for property and services for purposes of paragraph (b)(9)(i) of this Item, the following may be excluded:

A. Payments where the transaction involves the rendering of services as a common contract carrier, or public utility, at rates or charges fixed in conformity with law or governmental authority; or

B. Payments that arise solely from the ownership of securities of a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item and no extra or special benefit not shared on a pro rata basis by all holders of the class of securities is received.

9. No information need be given as to any routine, retail relationship. For example, the Fund need not disclose that a director has a credit card, bank or brokerage account, residential mortgage, or insurance policy with a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item unless the director is accorded special treatment.

(10) If an Officer of an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund, or an Officer of a person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund, serves, or has served since the beginning of the last two completed fiscal years of the Fund, on the board of directors of a company where a director of the Fund or nominee for election as director who is not or would not be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), or Immediate Family Member of the director or nominee, is, or was since the beginning of the last two completed fiscal years of the Fund, an Officer, identify:

(i) The company;

(ii) The individual who serves or has served as a director of the company and the period of service as director;

(iii) The investment adviser, principal underwriter, or Sponsoring Insurance Company or person controlling, controlled by, or under common control with the investment adviser, principal underwriter, or Sponsoring Insurance Company where the individual named in paragraph (b)(10)(ii) of this Item holds or held office and the office held; and

(iv) The director of the Fund, nominee for election as director, or Immediate Family Member who is or was an Officer of the company; the office held; and the period of holding the office.

Securities and Exchange Commission

§ 240.14a-101

Instruction to paragraph (b)(10). If the proxy statement relates to multiple portfolios of a series Fund with different fiscal years, then, in determining the date that is the beginning of the last two completed fiscal years of the Fund, use the earliest date of any series covered by the proxy statement.

(11) Provide in tabular form, to the extent practicable, the information required by Items 401(f) and (g), 404(a) and (c), and 405 of Regulation S-K (§§ 229.401(f) and (g), 229.404(a) and (c), and 229.405 of this chapter).

Instruction to paragraph (b)(11). Information provided under paragraph (b)(8) of this Item 22 is deemed to satisfy the requirements of Items 404(a) and (c) of Regulation S-K for information about directors, nominees for election as directors, and Immediate Family Members of directors and nominees, and need not be provided under this paragraph (b)(11).

(12) Describe briefly any material pending legal proceedings, other than ordinary routine litigation incidental to the Fund's business, to which any director or nominee for director or affiliated person of such director or nominee is a party adverse to the Fund or any of its affiliated persons or has a material interest adverse to the Fund or any of its affiliated persons. Include the name of the court where the case is pending, the date instituted, the principal parties, a description of the factual basis alleged to underlie the proceeding, and the relief sought.

(13) For all directors, and for each of the three highest-paid Officers that have aggregate compensation from the Fund for the most recently completed fiscal year in excess of \$60,000 ("Compensated Persons");

(i) Furnish the information required by the following table for the last fiscal year:

COMPENSATION TABLE

(1)	(2)	(3)	(4)	(5)
Name of Person, Position.	Aggregate Compensation From Fund.	Pension or Retirement Benefits Accrued as Part of Fund Expenses.	Estimated Annual Benefits Upon Retirement.	Total Compensation From Fund and Complex Paid to Directors

Instructions to paragraph (b)(13)(i). 1. For column (1), indicate, if necessary, the capacity in which the remuneration is received. For Compensated Persons that are directors of the Fund, compensation is amounts received for service as a director.

2. If the Fund has not completed its first full year since its organization, furnish the information for the current fiscal year, estimating future payments that would be made pursuant to an existing agreement or understanding. Disclose in a footnote to the Compensation Table the period for which the information is furnished.

3. Include in column (2) amounts deferred at the election of the Compensated Person, whether pursuant to a plan established under Section 401(k) of the Internal Revenue Code (26 U.S.C. 401(k)) or otherwise, for the fiscal year in which earned. Disclose in a footnote to the Compensation Table the total amount of deferred compensation (including interest) payable to or accrued for any Compensated Person.

4. Include in columns (3) and (4) all pension or retirement benefits proposed to be paid under any existing plan in the event of retirement at normal retirement date, directly or indirectly, by the Fund or any of its Subsidiaries, or by other companies in the Fund Complex. Omit column (4) where retirement benefits are not determinable.

5. For any defined benefit or actuarial plan under which benefits are determined primarily by final compensation (or average final compensation) and years of service,

provide the information required in column (4) in a separate table showing estimated annual benefits payable upon retirement (including amounts attributable to any defined benefit supplementary or excess pension award plans) in specified compensation and years of service classifications. Also provide the estimated credited years of service for each Compensated Person.

6. Include in column (5) only aggregate compensation paid to a director for service on the board and other boards of investment companies in a Fund Complex specifying the number of such other investment companies.

(ii) Describe briefly the material provisions of any pension, retirement, or other plan or any arrangement other than fee arrangements disclosed in paragraph (b)(13)(i) of this Item pursuant to which Compensated Persons are or may be compensated for any services provided, including amounts paid, if any, to the Compensated Person under any such arrangements during the most recently completed fiscal year. Specifically include the criteria used to determine amounts payable under any plan, the length of service or vesting period required by the plan, the retirement age or other event that gives rise to payments under the plan, and whether the payment of benefits is secured or funded by the Fund.

(iii) With respect to each Compensated Person, business development companies must include the information required by Items 402(b)(2)(iv) and 402(c) of Regulation S-

K (§§ 229.402(b)(2)(iv) and 229.402(c) of this chapter).

(14) State whether or not the Fund has a separately designated audit committee established in accordance with section 3(a)(58)(A) of the Act (15 U.S.C. 78c(a)(58)(A)). If the entire board of directors is acting as the Fund's audit committee as specified in section 3(a)(58)(B) of the Act (15 U.S.C. 78c(a)(58)(B)), so state. If applicable, provide the disclosure required by § 240.10A-3(d) regarding an exemption from the listing standards for audit committees. Identify the other standing committees of the Fund's board of directors, and provide the following information about each committee, including any separately designated audit committee and any nominating committee:

- (i) A concise statement of the functions of the committee;
- (ii) The members of the committee and, in the case of a nominating committee, whether or not the members of the committee are "interested persons" of the Fund as defined in section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)); and
- (iii) The number of committee meetings held during the last fiscal year.

Instruction to paragraph (b)(14): For purposes of Item 22(b)(14), the term "nominating committee" refers not only to nominating committees and committees performing similar functions, but also to groups of directors fulfilling the role of a nominating committee, including the entire board of directors.

(c) *Approval of investment advisory contract.* If action is to be taken with respect to an investment advisory contract, include the following information in the proxy statement.

(1) The issuer of a class of securities registered pursuant to section 12 of the Act; or

(b) Dissemination and beneficial owner information requirements. A broker or dealer registered under Section 15 of the Act shall comply with the following requirements for disseminating certain communications to beneficial owners and providing beneficial owner information to registrants.

(1) The broker or dealer shall respond, by first class mail or other

§ 240.14b-1

(i) The approximate number of customers of the broker or dealer who are beneficial owners of the registrant's securities that are held of record by the broker, dealer, or its nominee;

(ii) The number of customers of the broker or dealer who are beneficial owners of the registrant's securities who have objected to disclosure of their names, addresses, and securities positions if the registrant has indicated, pursuant to § 240.14a-13(a)(1)(ii)(A) or § 240.14c-7(a)(1)(ii)(A), that it will distribute the annual report to security holders to beneficial owners of its securities whose names, addresses and securities positions are disclosed pursuant to paragraph (b)(3) of this section; and

(iii) The identity of the designated agent of the broker or dealer, if any, acting on its behalf in fulfilling its obligations under paragraph (b)(3) of this section; *Provided, however,* that if the broker or dealer has informed the registrant that a designated office(s) or department(s) is to receive such inquiries, receipt for purposes of paragraph (b)(1) of this section shall mean receipt by such designated office(s) or department(s).

(ii) Its obligation under paragraph (b)(3) of this section to forward annual reports to consenting and non-objecting beneficial owners identified pursuant to paragraphs (b)(4) (ii) and (iii) of this section if the registrant notifies the record holder bank or respondent bank, pursuant to § 240.14a-13(c) or § 240.14c-7(c), that the registrant will mail the annual report to beneficial owners whose names addresses and securities positions are disclosed pursuant to paragraphs (b)(4) (ii) and (iii) of this section.

(3) For the purposes of determining the fees which may be charged to registrants pursuant to § 240.14a-13(b)(5), § 240.14c-7(a)(5), and paragraph (c)(2) of this section for performing obligations under paragraphs (b)(2), (b)(3), and (b)(4) of this section, an amount no greater than that permitted to be charged by brokers or dealers for reimbursement of their reasonable expenses, both direct and indirect, incurred in connection with performing the obligations imposed by paragraphs (b)(2) and (b)(3) of § 240.14b-1, shall be deemed to be reasonable.

(4) In its response pursuant to paragraph (b)(1)(ii)(A) of this section, a bank shall not include information about annual reports, proxy statements or information statements that will not be delivered to security holders sharing an address because of the bank's reliance on the procedures referred to in the Note to paragraph (b)(3) of this section.

§ 240.14c-2 Distribution of information statement.

(a) In connection with every annual or other meeting of the holders of the class of securities registered pursuant to section 12 of the Act or of a class of securities issued by an investment company registered under the Investment Company Act of 1940 that has made a public offering of securities, including the taking of corporate action by the written authorization or consent of security holders, the registrant shall transmit a written information statement containing the information specified in Schedule 14C (§ 240.14c-101) or written information statements included in registration statements filed under the Securities Act of 1933 on Form S-4 or F-4 (§ 239.25 or § 239.34 of this chapter) or Form N-14 (§ 239.23 of this chapter), and containing the information specified in such form, to every security holder of the class that is entitled to vote or give an authorization or consent in regard to any matter to be acted upon and from whom proxy authorization or consent is not solicited on behalf of the registrant pursuant to Section 14(a) of the Act, *Provided however*, That:

(1) In the case of a class of securities in unregistered or bearer form, such statements need be transmitted only to those security holders whose names are known to the registrant, and

(2) No such statements need to be transmitted to a security holder if a registrant would be excused from delivery of an annual report or a proxy statement under Rule 14a-3(e)(2) (§ 240.14a-3(e)(2)) if such section were applicable.

(b) The information statement shall be sent or given at least 20 calendar days prior to the meeting date or, in the case of corporate action taken pursuant to the consents or authorizations of security holders, at least 20 calendar

days prior to the earliest date on which the corporate action may be taken.

(c) If a transaction is a roll-up transaction as defined in Item 901(c) of Regulation S-K (17 CFR 229.901(c)) and is registered (or authorized to be registered) on Form S-4 (17 CFR 229.25) or Form F-4 (17 CFR 229.34), the information statement must be distributed to security holders no later than the lesser of 60 calendar days prior to the date on which the meeting of security holders is held or action is taken, or the maximum number of days permitted for giving notice under applicable state law.

[51 FR 42070, Nov. 20, 1986, as amended at 56 FR 57254, Nov. 8, 1991; 57 FR 1102, Jan. 10, 1992; 57 FR 48295, Oct. 22, 1992]

§ 240.14c-3 Annual report to be furnished security holders.

(a) If the information statement relates to an annual (or special meeting in lieu of the annual) meeting, or written consent in lieu of such meeting, of security holders at which directors of the registrant, other than an investment company registered under the Investment Company Act of 1940, are to be elected, it shall be accompanied or preceded by an annual report to security holders:

(1) The annual report shall contain the information specified in paragraphs (b)(1) through (b)(11) of Rule 14a-3 (§ 240.14a-3 of this chapter.)

(2) [Reserved]

NOTE TO SMALL BUSINESS ISSUERS —In responding to the disclosure items under paragraph (b) of Rule 14a-3, (§ 240.14a-3 of this chapter) a “small business issuer,” defined under Rule 12b-2 of the Exchange Act (§ 240.12b-2), shall refer to the disclosure items in Regulation S-B (§ 228.10–702 of this chapter) rather than Regulation S-K (§ 229.10–702 of this chapter). If there is no comparable disclosure item in Regulation S-B, a small business issuer need not provide the information requested. A small business issuer shall provide the information in Item 310(a) of Regulation S-B in lieu of the financial information required by Rule 14a-3(b)(1) (§ 240.14a-3(b)(1)). Small business issuers using the transitional small business issuers disclosure format in the filing of their most recent annual report on Form 10-KSB (§ 249.310b of this chapter) need not provide the information required by paragraph (b) of Rule 14a-3. Rather, those small business issuers shall provide only the financial state-

ments required to be filed in their most recent Form 10-KSB. The inclusion of additional information, including information required of non-transitional small business issuers, in the annual report to security holders will not cause the issuer to be ineligible for the transitional disclosure forms.

(b) Seven copies of the report sent to security holders pursuant to this rule shall be mailed to the Commission, solely for its information, not later than the date on which such report is first sent or given to security holders or the date on which preliminary copies, or definitive copies, if preliminary filing was not required, of the information statement are filed with the Commission pursuant to Rule 14c-5, whichever date is later. The report is not deemed to be “filed” with the Commission or subject to this regulation otherwise than as provided in this rule, or to the liabilities of section 18 of the Act, except to the extent that the registrant specifically requests that it be treated as a part of the information statement or incorporates it in the information statement or other filed report by reference.

(c) A registrant will be considered to have delivered an annual report or information statement to security holders of record who share an address if the requirements set forth in § 240.14a-3(e)(1) are satisfied with respect to the annual report or information statement, as applicable.

§ 240.14c-4 Presentation of information in information statement.

(a) The information included in the information statement shall be clearly presented and the statements made

shall be divided into groups according to subject matter and the various groups of statements shall be preceded by appropriate headings. The order of items and sub-items in the schedule need not be followed. Where practicable and appropriate, the information shall be presented in tabular form. All amounts shall be stated in figures. Information required by more than one applicable item need not be repeated. No statement need be made in response to any item or sub-item which is inapplicable.

(b) Any information required to be included in the information statement as to terms of securities or other subject matters which from a standpoint of practical necessity must be determined in the future may be stated in terms of present knowledge and intention. Subject to the foregoing, information which is not known to the registrant and which it is not reasonably within the power of the registrant to ascertain or procure may be omitted, if a brief statement of the circumstances rendering such information unavailable is made.

(c) All printed information statements shall be in roman type at least as large and as legible as 10-point modern type except that to the extent necessary for convenient presentation, financial statements and other tabular data, but not the notes thereto, may be in roman type at least as large and as legible as 8-point modern type. All such type shall be leaded at least 2 points.

(d) Where an information statement is delivered through an electronic medium, issuers may satisfy legibility requirements applicable to printed documents, such as type size and font, by presenting all required information in a format readily communicated to investors.

§ 240.14c-5 Filing requirements.

(a) *Preliminary information statement.* Five preliminary copies of the information statement shall be filed with the Commission at least 10 calendar days prior to the date definitive copies of such statement are first sent or given to security holders, or such shorter pe-

riod prior to that date as the Commission may authorize upon a showing of good cause therefor. In computing the 10-day period, the filing date of the preliminary copies is to be counted as the first day and the 11th day is the date on which definitive copies of the information statement may be mailed to security holders. A registrant, however, shall not file with the Commission a preliminary information statement if it relates to an annual (or special meeting in lieu of the annual) meeting, of security holders at which the only matters to be acted upon are:

- (1) The election of directors;
- (2) The election, approval or ratification of accountant(s);
- (3) A security holder proposal identified in the registrant's information statement pursuant to Item 4 of Schedule 14C (§ 240.14c-101); and/or
- (4) The approval or ratification of a plan as defined in paragraph (a)(7)(ii) of Item 402 of Regulation S-K (§ 229.402(a)(7)(ii) of this chapter) or amendments to such a plan.

This exclusion from filing a preliminary information statement does not apply if the registrant comments upon or refers to a solicitation in opposition in connection with the meeting in its information statement.

NOTE 1: The filing of revised material does not recommence the ten day time period unless the revised material contains material revisions or material new proposal(s) that constitute a fundamental change in the information statement.

NOTE 2: The officials responsible for the preparation of the information statement should make every effort to verify the accuracy and completeness of the information required by the applicable rules. The preliminary statement should be filed with the Commission at the earliest practicable date.

NOTE 3: Solicitation in Opposition—For purposes of the exclusion from filing a preliminary information statement, a "solicitation in opposition" includes: (a) Any solicitation opposing a proposal supported by the registrant; and (b) any solicitation supporting a proposal that the registrant does not expressly support, other than a security holder proposal identified in the registrant's information statement pursuant to Item 4 of Schedule 14C (§ 240.14c-101 of this chapter). The identification of a security holder proposal in the registrant's information statement does not constitute a "solicitation in opposition," even if the registrant opposes

the proposal and/or includes a statement in opposition to the proposal.

NOTE 4: A registrant that is filing an information statement in preliminary form only because the registrant has commented on or referred to an opposing solicitation should indicate that fact in a transmittal letter when filing the preliminary material with the Commission.

(b) *Definitive information statement.* Eight definitive copies of the information statement, in the form in which it is furnished to security holders, must be filed with the Commission no later than the date the information statement is first sent or given to security holders. Three copies of these materials also must be filed with, or mailed for filing to, each national securities exchange on which the registrant has a class of securities listed and registered.

(c) *Release dates.* All preliminary material filed pursuant to paragraph (a) of this section shall be accompanied by a statement of the date on which copies thereof filed pursuant to paragraph (b) of this section are intended to be released to security holders. All definitive material filed pursuant to paragraph (b) of this section shall be accompanied by a statement of the date on which copies of such material have been released to security holders or, if not released, the date on which copies thereof are intended to be released.

(d)(1) *Public availability of information.* All copies of material filed pursuant to paragraph (a) of this section shall be clearly marked "Preliminary Copies," and shall be deemed immediately available for public inspection unless confidential treatment is obtained pursuant to paragraph (d)(2) of this section.

(2) *Confidential treatment.* If action will be taken on any matter specified in Item 14 of Schedule 14A (§ 240.14a-101), all copies of the preliminary information statement filed under paragraph (a) of this section will be for the information of the Commission only and will not be deemed available for public inspection until filed with the Commission in definitive form so long as:

(i) The information statement does not relate to a matter or proposal subject to § 240.13e-3 or a roll-up transaction as defined in Item 901(c) of Regulation S-K (§ 229.901(c) of this chapter);

(ii) Neither the parties to the transaction nor any persons authorized to act on their behalf have made any public communications relating to the transaction except for statements where the content is limited to the information specified in § 230.135 of this chapter; and

(iii) The materials are filed in paper and marked "Confidential, For Use of the Commission Only". In all cases, the materials may be disclosed to any department or agency of the United States Government and to the Congress, and the Commission may make any inquiries or investigation into the materials as may be necessary to conduct an adequate review by the Commission.

Instruction to paragraph (d)(2): If communications are made publicly that go beyond the information specified in § 230.135, the materials must be re-filed publicly with the Commission.

(e) *Revised information statements.* Where any information statement filed pursuant to this section is amended or revised, two of the copies of such amended or revised material filed pursuant to this section shall be marked to indicate clearly and precisely the changes effected therein. If the amendment or revision alters the text of the material, the changes in such text shall be indicated by means of underlining or in some other appropriate manner.

(f) *Merger material.* Notwithstanding the foregoing provisions of this section, any information statement or other material included in a registration statement filed under the Securities Act of 1933 on Form N-14, S-4, or F-4 (§ 239.23, § 239.25 or § 239.34 of this chapter) shall be deemed filed both for the purposes of that Act and for the purposes of this section, but separate copies of such material need not be furnished pursuant to this section, nor shall any fee be required under paragraph (a) of this section. However, any additional material used after the effective date of the registration statement on Form N-14, S-4, or F-4 shall be filed in accordance with this section, unless separate copies of such material are required to be filed as an amendment of such registration statement.

(g) *Fees.* At the time of filing a preliminary information statement regarding an acquisition, merger, spinoff, consolidation or proposed sale or other disposition of substantially all the assets of the company, the registrant shall pay the Commission a fee, no part of which shall be refunded, established in accordance with § 240.0-11.

(h) *Cover page.* Each information statement filed with the Commission shall include a cover page in the form set forth in Schedule 14C (§ 240.14c-101). The cover page required by this paragraph need not be distributed to security holders.

§ 240.14c-6 False or misleading statements.

(a) No information statement shall contain any statement which, at the time and in the light of the circumstances under which it is made, is false or misleading with respect to any material fact, or which omits to state any material fact necessary in order to make the statements therein not false or misleading or necessary to correct any statement in any earlier communication with respect to the same meeting or subject matter which has become false or misleading.

(b) The fact that an information statement has been filed with or examined by the Commission shall not be deemed a finding by the Commission that such material is accurate or complete or not false or misleading, or that the Commission has passed upon the merits of or approved any statement contained therein or any matter to be acted upon by security holders. No representation contrary to the foregoing shall be made.

§ 240.14c-7 Providing copies of material for certain beneficial owners.

(a) If the registrant knows that securities of any class entitled to vote at a meeting, or by written authorizations or consents if no meeting is held, are held of record by a broker, dealer, voting trustee, or bank, association, or

other entity that exercises fiduciary powers in nominee name or otherwise, the registrant shall:

(1) By first class mail or other equally prompt means:

(i) Inquire of each such record holder:

(A) Whether other persons are the beneficial owners of such securities and, if so, the number of copies of the information statement necessary to supply such material to such beneficial owners;

(B) In the case of an annual (or special meeting in lieu of the annual) meeting, or written consents in lieu of such meeting, at which directors are to be elected, the number of copies of the annual report to security holders, necessary to supply such report to such beneficial owners for whom proxy material has not been and is not to be made available and to whom such reports are to be distributed by such record holder or its nominee and not by the registrant;

(C) If the record holder or respondent bank has an obligation under § 240.14b-1(b)(3) or § 240.14b-2(b)(4) (ii) and (iii), whether an agent has been designated to act on its behalf in fulfilling such obligation, and, if so, the name and address of such agent; and

(D) Whether it holds the registrant's securities on behalf of any respondent bank and, if so, the name and address of each such respondent bank; and

(ii) Indicate to each such record holder:

(A) Whether the registrant pursuant to paragraph (c) of this section, intends to distribute the annual report to security holders to beneficial owners of its securities whose names, addresses and securities positions are disclosed pursuant to § 240.14b-1(b)(3) and § 240.14b-2(b)(4) (ii) and (iii);

(B) The record date; and

(C) At the option of the registrant, any employee benefit plan established by an affiliate of the registrant that holds securities of the registrant that the registrant elects to treat as exempt employee benefit plan securities;

(2) Upon receipt of a record holder's or respondent bank's response indicating, pursuant to § 240.14b-2(a)(1), the names and addresses of its respondent banks, within one business day after the date such response is received,

§ 240.14c-7

make an inquiry of and give notification to each such respondent bank in the same manner required by paragraph (a)(1) of this section; *Provided, however,* the inquiry required by paragraphs (a)(1) and (a)(2) of this section shall not cover beneficial owners of exempt employee benefit plan securities;

(3) Make the inquiry required by paragraph (a)(1) of this section on the earlier of:

(i) At least 20 business days prior to the record date of the meeting of security holders or the record date of written consents in lieu of a meeting; or

(ii) At least 20 business days prior to the date the information statement is required to be sent or given pursuant to § 240.14c-2(b);

Provided, however, That, if a record holder or respondent bank has informed the registrant that a designated office(s) or department(s) is to receive such inquiries, the inquiry shall be made to such designated office(s) or department(s);

(4) Supply, in a timely manner, each record holder and respondent bank of whom the inquiries required by paragraphs (a)(1) and (a)(2) of this section are made with copies of the information statement and/or the annual report to security holders, in such quantities, assembled in such form and at such place(s), as the record holder or respondent bank may reasonably request in order to send such material to each beneficial owner of securities who is to be furnished with such material by the record holder or respondent bank; and

(5) Upon the request of any record holder or respondent bank that is supplied with information statements and/or annual reports to security holders pursuant to paragraph (a)(3) of this section, pay its reasonable expenses for completing the mailing of such material to beneficial owners.

NOTE 1: If the registrant's list of security holders indicates that some of its securities are registered in the name of a clearing agency registered pursuant to section 17A of the Act (*e.g.*, "Cede & Co.," nominee for the Depository Trust Company), the registrant shall make appropriate inquiry of the clearing agency and thereafter of the participants in such clearing agency who may hold on behalf of a beneficial owner or respondent

NOTE 2: The attention of registrants is called to the fact that each broker, dealer, bank, association, and other entity that exercises fiduciary powers has an obligation pursuant to § 240.14b-1 and § 240.14b-2 (except as provided therein with respect to exempt employee benefit plan securities held in nominee name) and, with respect to brokers and dealers, applicable self-regulatory organization requirements to obtain and forward, within the time periods prescribed therein, (a) information statements to beneficial owners on whose behalf it holds securities, and (b) annual reports to security holders to beneficial owners on whose behalf it holds securities, unless the registrant has notified the record holder or respondent bank that it has assumed responsibility to mail such material to beneficial owners whose names, addresses, and securities positions are disclosed pursuant to § 240.14b-1(b)(3) and § 240.14b-2(b)(4) (ii) and (iii).

NOTE 3: The attention of registrants is called to the fact that registrants have an obligation, pursuant to paragraph (d) of this section, to cause information statements and annual reports to security holders to be furnished, in accordance with § 240.14c-2, to beneficial owners of exempt employee benefit plan securities.

(b) Any registrant requesting pursuant to § 240.14b-1(b)(3) and § 240.14b-2(b)(4) (ii) and (iii) a list of names, addresses and securities positions of beneficial owners of its securities who either have consented or have not objected to disclosure of such information shall:

(2) Request such list be compiled as of a date no earlier than five business days after the date the registrant's request is received by the record holder or respondent bank; *Provided, however,* That if the record holder or respondent bank has informed the registrant that a designated office(s) or department(s) is to receive such requests, the request shall be made to such designated office(s) or department(s);

(4) Use the information furnished in response to such request exclusively for purposes of corporate communications; and

(5) Upon the request of any record holder or respondent bank to whom such request is made, pay the reasonable expenses, both direct and indirect, of providing beneficial owner information.

NOTE: A registrant will be deemed to have satisfied its obligations under paragraph (b) of this section by requesting consenting and non-objecting beneficial owner lists from a designated agent acting on behalf of the record holder or respondent bank and paying to that designated agent the reasonable expenses of providing the beneficial owner information.

(c) A registrant, at its option, may send by mail or other equally prompt means, its annual report to security holders to the beneficial owners whose identifying information is provided by record holders and respondent banks, pursuant to §240.14b-1(b)(3) and §240.14b-2(b)(4) (ii) and (iii), provided that such registrant notifies the record holders and respondent banks at the time it makes the inquiry required by paragraph (a) of this section that the registrant will send the annual report to security holders to the beneficial owners so identified.

(d) If a registrant furnishes information statements to record holders and respondent banks who hold securities on behalf of beneficial owners, the registrant shall cause information statements and annual reports to security holders to be furnished, in accordance with §240.14c-2, to beneficial owners of

exempt employee benefit plan securities.

REGULATION 14D

ATTENTION ELECTRONIC FILERS

THIS REGULATION SHOULD BE READ IN CONJUNCTION WITH REGULATION S-T (PART 232 OF THIS CHAPTER), WHICH GOVERNS THE PREPARATION AND SUBMISSION OF DOCUMENTS IN ELECTRONIC FORMAT. MANY PROVISIONS RELATING TO THE PREPARATION AND SUBMISSION OF DOCUMENTS IN PAPER FORMAT CONTAINED IN THIS REGULATION ARE SUPERSEDED BY THE PROVISIONS OF REGULATION S-T FOR DOCUMENTS REQUIRED TO BE FILED IN ELECTRONIC FORMAT.

§ 240.14d-1 Scope of and definitions applicable to Regulations 14D and 14E.

(a) *Scope.* Regulation 14D (§§ 240.14d-1 through 240.14d-101) shall apply to any tender offer which is subject to section 14(d)(1) of the Act, including, but not limited to, any tender offer for securities of a class described in that section which is made by an affiliate of the issuer of such class. Regulation 14E (§§ 240.14e-1 and 240.14e-2) shall apply to any tender offer for securities (other than exempted securities) unless otherwise noted therein.

(b) The requirements imposed by sections 14(d)(1) through 14(d)(7) of the Act, Regulation 14D and Schedules TO and 14D-9 thereunder, and Rule 14e-1 of Regulation 14E under the Act, shall be deemed satisfied with respect to any tender offer, including any exchange offer, for the securities of an issuer incorporated or organized under the laws of Canada or any Canadian province or territory, if such issuer is a foreign private issuer and is not an investment company registered or required to be registered under the Investment Company Act of 1940, if less than 40 percent of the class of securities outstanding that is the subject of the tender offer is held by U.S. holders, and the tender offer is subject to, and the bidder complies with, the laws, regulations and policies of Canada and/or any of its

provinces or territories governing the conduct of the offer (unless the bidder has received an exemption(s) from, and the tender offer does not comply with, requirements that otherwise would be prescribed by Regulation 14D or 14E), *provided that:*

(1) In the case of tender offers subject to section 14(d)(1) of the Act, where the consideration for a tender offer subject to this section consists solely of cash, the entire disclosure document or documents required to be furnished to holders of the class of securities to be acquired shall be filed with the Commission on Schedule 14D-1F (§ 240.14d-102) and disseminated to shareholders of the subject company residing in the United States in accordance with such Canadian laws, regulations and policies; or

(2) Where the consideration for a tender offer subject to this section includes securities of the bidder to be issued pursuant to the offer, any registration statement and/or prospectus relating thereto shall be filed with the Commission along with the Schedule 14D-1F referred to in paragraph (b)(1) of this section, and shall be disseminated, together with the home jurisdiction document(s) accompanying such Schedule, to shareholders of the subject company residing in the United States in accordance with such Canadian laws, regulations and policies.

NOTES: 1. For purposes of any tender offer, including any exchange offer, otherwise eligible to proceed in accordance with Rule 14d-1(b) under the Act, the issuer of the subject securities will be presumed to be a foreign private issuer and U.S. holders will be presumed to hold less than 40 percent of such outstanding securities, unless (a) the aggregate trading volume of that class on national securities exchanges in the United States and on NASDAQ exceeded its aggregate trading volume on securities exchanges in Canada and on the Canadian Dealing Network, Inc. ("CDN") over the 12 calendar month period prior to commencement of this offer, or if commenced in response to a prior offer, over the 12 calendar month period prior to the commencement of the initial offer (based on volume figures published by such exchanges and NASDAQ and CDN); (b) the most recent annual report or annual information form filed or submitted by the issuer with securities regulators of Ontario, Quebec, British Columbia or Alberta (or, if the issuer of the subject securities is not a reporting issuer in any of such provinces, with any

other Canadian securities regulator) or with the Commission indicates that U.S. holders hold 40 percent or more of the outstanding subject class of securities; or (c) the offeror has actual knowledge that the level of U.S. ownership equals or exceeds 40 percent of such securities.

2. Notwithstanding the grant of an exemption from one or more of the applicable Canadian regulatory provisions imposing requirements that otherwise would be prescribed by Regulation 14D or 14E, the tender offer will be eligible to proceed in accordance with the requirements of this section if the Commission by order determines that the applicable Canadian regulatory provisions are adequate to protect the interest of investors.

(c) *Tier I.* Any tender offer for the securities of a foreign private issuer as defined in § 240.3b-4 is exempt from the requirements of sections 14(d)(1) through 14(d)(7) of the Act (15 U.S.C. 78n(d)(1) through 78n(d)(7)), Regulation 14D (§§ 240.14d-1 through 240.14d-10) and Schedules TO (§ 240.14d-100) and 14D-9 (§ 240.14d-101) thereunder, and § 240.14e-1 and § 240.14e-2 of Regulation 14E under the Act if the following conditions are satisfied:

(1) *U.S. ownership limitation.* Except in the case of a tender offer which is commenced during the pendency of a tender offer made by a prior bidder in reliance on this paragraph or § 240.13e-4(h)(8), U.S. holders do not hold more than 10 percent of the class of securities sought in the offer (as determined under Instruction 2 to paragraphs (c) and (d) of this section).

(2) *Equal treatment.* The bidder must permit U.S. holders to participate in the offer on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the tender offer; however:

(i) *Registered exchange offers.* If the bidder offers securities registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the bidder need not extend the offer to security holders in those states or jurisdictions that prohibit the offer or sale of the securities after the bidder has made a good faith effort to register or qualify the offer and sale of securities in that state or jurisdiction, except that the bidder must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(ii) *Exempt exchange offers.* If the bidder offers securities exempt from registration under § 230.802 of this chapter, the bidder need not extend the offer to security holders in those states or jurisdictions that require registration or qualification, except that the bidder must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(iii) *Cash only consideration.* The bidder may offer U.S. holders only a cash consideration for the tender of the subject securities, notwithstanding the fact that the bidder is offering security holders outside the United States a consideration that consists in whole or in part of securities of the bidder, so long as the bidder has a reasonable basis for believing that the amount of cash is substantially equivalent to the value of the consideration offered to non-U.S. holders, and either of the following conditions are satisfied:

(A) The offered security is a “margin security” within the meaning of Regulation T (12 CFR 220.2) and the issuer undertakes to provide, upon the request of any U.S. holder or the Commission staff, the closing price and daily trading volume of the security on the principal trading market for the security as of the last trading day of each of the six months preceding the announcement of the offer and each of the trading days thereafter; or

(B) If the offered security is not a “margin security” within the meaning of Regulation T (12 CFR 220.2) the issuer undertakes to provide, upon the request of any U.S. holder or the Commission staff, an opinion of an independent expert stating that the cash consideration offered to U.S. holders is substantially equivalent to the value of the consideration offered security holders outside the United States.

(iv) *Disparate tax treatment.* If the bidder offers loan notes solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the loan notes need not be offered to U.S. holders.

(3) *Informational documents.* (i) The bidder must disseminate any informational document to U.S. holders, including any amendments thereto, in English, on a comparable basis to that provided to security holders in the home jurisdiction.

(ii) If the bidder disseminates by publication in its home jurisdiction, the bidder must publish the information in the United States in a manner reasonably calculated to inform U.S. holders of the offer.

(iii) In the case of tender offers for securities described in section 14(d)(1) of the Act (15 U.S.C. 78n(d)(1)), if the bidder publishes or otherwise disseminates an informational document to the holders of the securities in connection with the tender offer, the bidder must furnish that informational document, including any amendments thereto, in English, to the Commission on Form CB (§249.480 of this chapter) by the first business day after publication or dissemination. If the bidder is a foreign company, it must also file a Form F-X (§239.42 of this chapter) with the Commission at the same time as the submission of Form CB to appoint an agent for service in the United States.

(4) *Investment companies.* The issuer of the securities that are the subject of the tender offer is not an investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than a registered closed-end investment company.

(d) *Tier II.* A person conducting a tender offer (including any exchange offer) that meets the conditions in paragraph (d)(1) of this section shall be entitled to the exemptive relief specified in paragraph (d)(2) of this section provided that such tender offer complies with all the requirements of this section other than those for which an exemption has been specifically provided in paragraph (d)(2) of this section:

(1) *Conditions.* (i) The subject company is a foreign private issuer as defined in §240.3b-4 and is not an investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than a registered closed-end investment company;

(ii) Except in the case of a tender offer which is commenced during the pendency of a tender offer made by a prior bidder in reliance on this paragraph or §240.13e-4(i), U.S. holders do not hold more than 40 percent of the class of securities sought in the offer (as determined under Instruction 2 to paragraphs (c) and (d) of this section); and

(iii) The bidder complies with all applicable U.S. tender offer laws and regulations, other than those for which an exemption has been provided for in paragraph (d)(2) of this section.

(2) *Exemptions—(i) Equal treatment—loan notes.* If the bidder offers loan notes solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the loan notes need not be offered to U.S. holders, notwithstanding §240.14d-10.

(ii) *Equal treatment—separate U.S. and foreign offers.* Notwithstanding the provisions of §240.14d-10, a bidder conducting a tender offer meeting the conditions of paragraph (d)(1) of this section may separate the offer into two offers: one offer made only to U.S. holders and another offer made only to non-U.S. holders. The offer to U.S. holders must be made on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the tender offers.

(iii) *Notice of extensions.* Notice of extensions made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of §240.14e-1(d).

(iv) *Prompt payment.* Payment made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of §240.14e-1(c).

(v) *Subsequent offering period/Withdrawal rights.* A bidder will satisfy the announcement and prompt payment requirements of §240.14d-11(d), if the bidder announces the results of the tender offer, including the approximate number of securities deposited to date, and pays for tendered securities in accordance with the requirements of the home jurisdiction law or practice and

the subsequent offering period commences immediately following such announcement. Notwithstanding section 14(d)(5) of the Act (15 U.S.C. 78n(d)(5)), the bidder need not extend withdrawal rights following the close of the offer and prior to the commencement of the subsequent offering period.

Instructions to paragraphs (c) and (d):

1. *Home jurisdiction* means both the jurisdiction of the subject company's incorporation, organization or chartering and the principal foreign market where the subject company's securities are listed or quoted.

2. *U.S. holder* means any security holder resident in the United States. Except as otherwise provided in Instruction 3 below, to determine the percentage of outstanding securities held by U.S. holders:

i. Calculate the U.S. ownership as of 30 days before the commencement of the tender offer;

ii. Include securities underlying American Depositary Shares convertible or exchangeable into the securities that are the subject of the tender offer when calculating the number of subject securities outstanding, as well as the number held by U.S. holders. Exclude from the calculations other types of securities that are convertible or exchangeable into the securities that are the subject of the tender offer, such as warrants, options and convertible securities. Exclude from those calculations securities held by persons who hold more than 10 percent of the subject securities, or that are held by the bidder;

iii. Use the method of calculating record ownership in Rule 12g3-2(a) under the Act (§240.12g3-2(a) of this chapter), except that your inquiry as to the amount of securities represented by accounts of customers resident in the United States may be limited to brokers, dealers, banks and other nominees located in the United States, the subject company's jurisdiction of incorporation or that of each participant in a business combination, and the jurisdiction that is the primary trading market for the subject securities, if different than the subject company's jurisdiction of incorporation;

iv. If, after reasonable inquiry, you are unable to obtain information about the amount of securities represented by accounts of customers resident in the United States, you may assume, for purposes of this definition, that the customers are residents of the jurisdiction in which the nominee has its principal place of business; and

v. Count securities as beneficially owned by residents of the United States as reported on reports of beneficial ownership that are provided to you or publicly filed and based on information otherwise provided to you.

3. In a tender offer by a bidder other than an affiliate of the issuer of the subject securities,

the issuer of the subject securities will be presumed to be a foreign private issuer and U.S. holders will be presumed to hold 10 percent or less (40 percent or less in the case of 14d-1(d)) of such outstanding securities, unless:

i. The tender offer is made pursuant to an agreement with the issuer of the subject securities;

ii. The aggregate trading volume of the subject class of securities on all national securities exchanges in the United States, on the Nasdaq market, or on the OTC market, as reported to the NASD, over the 12-calendar-month period ending 30 days before commencement of the offer, exceeds 10 percent (40 percent in the case of 14d-1(d)) of the worldwide aggregate trading volume of that class of securities over the same period;

iii. The most recent annual report or annual information filed or submitted by the issuer with securities regulators of the home jurisdiction or with the Commission indicates that U.S. holders hold more than 10 percent (40 percent in the case of 14d-1(d)) of the outstanding subject class of securities; or

iv. The bidder knows or has reason to know that the level of U.S. ownership exceeds 10 percent (40 percent in the case of 14d-1(d)) of such securities.

4. *United States. United States* means the United States of America, its territories and possessions, any State of the United States, and the District of Columbia.

5. The exemptions provided by paragraphs (c) and (d) of this section are not available for any securities transaction or series of transactions that technically complies with paragraph (c) or (d) of this section but are part of a plan or scheme to evade the provisions of Regulations 14D or 14E.

(e) Notwithstanding paragraph (a) of this section, the requirements imposed by sections 14(d)(1) through 14(d)(7) of the Act [15 U.S.C. 78n(d)(1) through 78n(d)(7)], Regulation 14D promulgated thereunder (§§ 240.14d-1 through 240.14d-10), and §§ 240.14e-1 and 240.14e-2 shall not apply by virtue of the fact that a bidder for the securities of a foreign private issuer, as defined in § 240.3b-4, the subject company of such a tender offer, their representatives, or any other person specified in § 240.14d-9(d), provides any journalist with access to its press conferences held outside of the United States, to meetings with its representatives conducted outside of the United States, or to written press-related materials released outside the United States, at or in which a present or proposed tender offer is discussed, if:

(1) Access is provided to both U.S. and foreign journalists; and

(2) With respect to any written press-related materials released by the bidder or its representatives that discuss a present or proposed tender offer for equity securities registered under Section 12 of the Act [15 U.S.C. 78j], the written press-related materials must state that these written press-related materials are not an extension of a tender offer in the United States for a class of equity securities of the subject company. If the bidder intends to extend the tender offer in the United States at some future time, a statement regarding this intention, and that the procedural and filing requirements of the Williams Act will be satisfied at that time, also must be included in these written press-related materials. No means to tender securities, or coupons that could be returned to indicate interest in the tender offer, may be provided as part of, or attached to, these written press-related materials.

(f) For the purpose of § 240.14d-1(e), a bidder may presume that a target company qualifies as a foreign private issuer if the target company is a foreign issuer and files registration statements or reports on the disclosure forms specifically designated for foreign private issuers, claims the exemption from registration under the Act pursuant to § 240.12g3-2(b), or is not reporting in the United States.

(g) *Definitions.* Unless the context otherwise requires, all terms used in Regulation 14D and Regulation 14E have the same meaning as in the Act and in Rule 12b-2 (§ 240.12b-2) promulgated thereunder. In addition, for purposes of sections 14(d) and 14(e) of the Act and Regulations 14D and 14E, the following definitions apply:

(4) The term *initial offering period* means the period from the time the offer commences until all minimum time periods, including extensions, required by Regulations 14D (§§ 240.14d-1 through 240.14d-103) and 14E (§§ 240.14e-1 through 240.14e-8) have been satisfied and all conditions to the offer have been satisfied or waived within these time periods.

(a) *Date of commencement.* A bidder will have commenced its tender offer for purposes of section 14(d) of the Act (15 U.S.C. 78n) and the rules under that section at 12:01 a.m. on the date when the bidder has first published, sent or given the means to tender to security holders. For purposes of this section, the means to tender includes the transmittal form or a statement regarding how the transmittal form may be obtained.

(b) *Pre-commencement communications.* A communication by the bidder will not be deemed to constitute commencement of a tender offer if:

(1) It does not include the means for security holders to tender their shares into the offer; and

2. Any communications made in connection with an exchange offer registered under the Securities Act of 1933 need only be filed under §230.425 of this chapter and will be deemed filed under this section.

3. Each pre-commencement written communication must include a prominent legend in clear, plain language advising security holders to read the tender offer statement when it is available because it contains important information. The legend also must advise investors that they can get the tender offer statement and other filed documents for free at the Commission's web site and explain which documents are free from the offeror.

4. See §§230.135, 230.165 and 230.166 of this chapter for pre-commencement communications made in connection with registered exchange offers.

5. "Public announcement" is any oral or written communication by the bidder, or any person authorized to act on the bidder's behalf, that is reasonably designed to, or has the effect of, informing the public or security holders in general about the tender offer.

(c) *Filing and other obligations triggered by commencement.* As soon as practicable on the date of commencement, a bidder must comply with the filing requirements of §240.14d-3(a), the dissemination requirements of §240.14d-4(a) or (b), and the disclosure requirements of §240.14d-6(a).

§ 240.14d-5 Dissemination of certain tender offers by the use of stockholder lists and security position listings.

(a) *Obligations of the subject company.* Upon receipt by a subject company at its principal executive offices of a bidder's written request, meeting the requirements of paragraph (e) of this section, the subject company shall comply with the following sub-paragraphs.

(1) The subject company shall notify promptly transfer agents and any other person who will assist the subject company in complying with the requirements of this section of the receipt by the subject company of a request by a bidder pursuant to this section.

(2) The subject company shall promptly ascertain whether the most recently prepared stockholder list, written or otherwise, within the access of the subject company was prepared as of a date earlier than ten business days before the date of the bidder's request and, if so, the subject company shall promptly prepare or cause to be pre-

pared a stockholder list as of the most recent practicable date which shall not be more than ten business days before the date of the bidder's request.

(3) The subject company shall make an election to comply and shall comply with all of the provisions of either paragraph (b) or paragraph (c) of this section. The subject company's election once made shall not be modified or revoked during the bidder's tender offer and extensions thereof.

(4) No later than the second business day after the date of the bidder's request, the subject company shall orally notify the bidder, which notification shall be confirmed in writing, of the subject company's election made pursuant to paragraph (a)(3) of this section. Such notification shall indicate (i) the approximate number of security holders of the class of securities being sought by the bidder and, (ii) if the subject company elects to comply with paragraph (b) of this section, appropriate information concerning the location for delivery of the bidder's tender offer materials and the approximate direct costs incidental to the mailing to security holders of the bidder's tender offer materials computed in accordance with paragraph (g)(2) of this section.

(b) *Mailing of tender offer materials by the subject company.* A subject company which elects pursuant to paragraph (a)(3) of this section to comply with the provisions of this paragraph shall perform the acts prescribed by the following paragraphs.

(1) The subject company shall promptly contact each participant named on the most recent security position listing of any clearing agency within the access of the subject company and make inquiry of each such participant as to the approximate number of beneficial owners of the subject company securities being sought in the tender offer held by each such participant.

(2) No later than the third business day after delivery of the bidder's tender offer materials pursuant to paragraph (g)(1) of this section, the subject company shall begin to mail or cause to be mailed by means of first class mail a copy of the bidder's tender offer materials to each person whose name

appears as a record holder of the class of securities for which the offer is made on the most recent stockholder list referred to in paragraph (a)(2) of this section. The subject company shall use its best efforts to complete the mailing in a timely manner but in no event shall such mailing be completed in a substantially greater period of time than the subject company would complete a mailing to security holders of its own materials relating to the tender offer.

(3) No later than the third business day after the delivery of the bidder's tender offer materials pursuant to paragraph (g)(1) of this section, the subject company shall begin to transmit or cause to be transmitted a sufficient number of sets of the bidder's tender offer materials to the participants named on the security position listings described in paragraph (b)(1) of this section. The subject company shall use its best efforts to complete the transmittal in a timely manner but in no event shall such transmittal be completed in a substantially greater period of time than the subject company would complete a transmittal to such participants pursuant to security position listings of clearing agencies of its own material relating to the tender offer.

(4) The subject company shall promptly give oral notification to the bidder, which notification shall be confirmed in writing, of the commencement of the mailing pursuant to paragraph (b)(2) of this section and of the transmittal pursuant to paragraph (b)(3) of this section.

(5) During the tender offer and any extension thereof the subject company shall use reasonable efforts to update the stockholder list and shall mail or cause to be mailed promptly following each update a copy of the bidder's tender offer materials (to the extent sufficient sets of such materials have been furnished by the bidder) to each person who has become a record holder since the later of (i) the date of preparation of the most recent stockholder list referred to in paragraph (a)(2) of this section or (ii) the last preceding update.

(6) If the bidder has elected pursuant to paragraph (f)(1) of this section to require the subject company to disseminate amendments disclosing material

changes to the tender offer materials pursuant to this section, the subject company, promptly following delivery of each such amendment, shall mail or cause to be mailed a copy of each such amendment to each record holder whose name appears on the shareholder list described in paragraphs (a)(2) and (b)(5) of this section and shall transmit or cause to be transmitted sufficient copies of such amendment to each participant named on security position listings who received sets of the bidder's tender offer materials pursuant to paragraph (b)(3) of this section.

(7) The subject company shall not include any communication other than the bidder's tender offer materials or amendments thereto in the envelopes or other containers furnished by the bidder.

(8) Promptly following the termination of the tender offer, the subject company shall reimburse the bidder the excess, if any, of the amounts advanced pursuant to paragraph (f)(3)(iii) over the direct costs incidental to compliance by the subject company and its agents in performing the acts required by this section computed in accordance with paragraph (g)(2) of this section.

(c) *Delivery of stockholder lists and security position listings.* A subject company which elects pursuant to paragraph (a)(3) of this section to comply with the provisions of this paragraph shall perform the acts prescribed by the following paragraphs.

(1) No later than the third business day after the date of the bidder's request, the subject company must furnish to the bidder at the subject company's principal executive office a copy of the names and addresses of the record holders on the most recent stockholder list referred to in paragraph (a)(2) of this section; the names and addresses of participants identified on the most recent security position listing of any clearing agency that is within the access of the subject company; and the most recent list of names, addresses and security positions of beneficial owners as specified in §240.14a-13(b), in the possession of the subject company, or that subsequently comes into its possession. All security holder list information must

be in the format requested by the bidder to the extent the format is available to the subject company without undue burden or expense.

(2) If the bidder has elected pursuant to paragraph (f)(1) of this section to require the subject company to disseminate amendments disclosing material changes to the tender offer materials, the subject company shall update the stockholder list by furnishing the bidder with the name and address of each record holder named on the stockholder list, and not previously furnished to the bidder, promptly after such information becomes available to the subject company during the tender offer and any extensions thereof.

(d) *Liability of subject company and others.* Neither the subject company nor any affiliate or agent of the subject company nor any clearing agency shall be:

(1) Deemed to have made a solicitation or recommendation respecting the tender offer within the meaning of section 14(d)(4) based solely upon the compliance or noncompliance by the subject company or any affiliate or agent of the subject company with one or more requirements of this section;

(2) Liable under any provision of the Federal securities laws to the bidder or to any security holder based solely upon the inaccuracy of the current names or addresses on the stockholder list or security position listing, unless such inaccuracy results from a lack of reasonable care on the part of the subject company or any affiliate or agent of the subject company;

(3) Deemed to be an "underwriter" within the meaning of section (2)(11) of the Securities Act of 1933 for any purpose of that Act or any rule or regulation promulgated thereunder based solely upon the compliance or noncompliance by the subject company or any affiliate or agent of the subject company with one or more of the requirements of this section;

(4) Liable under any provision of the Federal securities laws for the disclosure in the bidder's tender offer materials, including any amendment thereto, based solely upon the compliance or noncompliance by the subject company or any affiliate or agent of the subject

(4) A statement that the bidder is aware of and will comply with the provisions of paragraph (f) of this section;

(5) A statement as to whether or not it has elected pursuant to paragraph (f)(1) of this section to disseminate amendments disclosing material changes to the tender offer materials pursuant to this section; and

(6) The name, address and telephone number of the person whom the subject company shall contact pursuant to paragraph (a)(4) of this section.

(f) *Obligations of the bidder.* Any bidder who requests that a subject company comply with the provisions of paragraph (a) of this section shall comply with the following paragraphs.

(1) The bidder shall make an election whether or not to require the subject company to disseminate amendments disclosing material changes to the tender offer materials pursuant to this section, which election shall be included in the request referred to in paragraph (a) of this section and shall not be revocable by the bidder during the tender offer and extensions thereof.

(2) With respect to a tender offer subject to section 14(d)(1) of the Act in which the consideration consists solely of cash and/or securities exempt from registration under section 3 of the Securities Act of 1933, the bidder shall comply with the requirements of Rule 14d-4(a)(3).

(3) If the subject company elects to comply with paragraph (b) of this section,

(i) The bidder shall promptly deliver the tender offer materials after receipt of the notification from the subject

company as provided in paragraph (a)(4) of this section;

(ii) The bidder shall promptly notify the subject company of any amendment to the bidder's tender offer materials requiring compliance by the subject company with paragraph (b)(6) of this section and shall promptly deliver such amendment to the subject company pursuant to paragraph (g)(1) of this section;

(iii) The bidder shall advance to the subject company an amount equal to the approximate cost of conducting mailings to security holders computed in accordance with paragraph (g)(2) of this section;

(iv) The bidder shall promptly reimburse the subject company for the direct costs incidental to compliance by the subject company and its agents in performing the acts required by this section computed in accordance with paragraph (g)(2) of this section which are in excess of the amount advanced pursuant to paragraph (f)(2)(iii) of this section; and

(v) The bidder shall mail by means of first class mail or otherwise furnish with reasonable promptness the tender offer materials to any security holder who requests such materials.

(4) If the subject company elects to comply with paragraph (c) of this section,

(i) The bidder shall use the stockholder list and security position listings furnished to the bidder pursuant to paragraph (c) of this section exclusively in the dissemination of tender offer materials to security holders in connection with the bidder's tender offer and extensions thereof;

(ii) The bidder shall return the stockholder lists and security position listings furnished to the bidder pursuant to paragraph (c) of this section promptly after the termination of the bidder's tender offer;

(iii) The bidder shall accept, handle and return the stockholder lists and security position listings furnished to the bidder pursuant to paragraph (c) of this section to the subject company on a confidential basis;

(iv) The bidder shall not retain any stockholder list or security position listing furnished by the subject company pursuant to paragraph (c) of this

section, or any copy thereof, nor retain any information derived from any such list or listing or copy thereof after the termination of the bidder's tender offer;

(v) The bidder shall mail by means of first class mail, at its own expense, a copy of its tender offer materials to each person whose identity appears on the stockholder list as furnished and updated by the subject company pursuant to paragraphs (c)(1) and (2) of this section;

(vi) The bidder shall contact the participants named on the security position listing of any clearing agency, make inquiry of each participant as to the approximate number of sets of tender offer materials required by each such participant, and furnish, at its own expense, sufficient sets of tender offer materials and any amendment thereto to each such participant for subsequent transmission to the beneficial owners of the securities being sought by the bidder;

(vii) The bidder shall mail by means of first class mail or otherwise furnish with reasonable promptness the tender offer materials to any security holder who requests such materials; and

(viii) The bidder shall promptly reimburse the subject company for direct costs incidental to compliance by the subject company and its agents in performing the acts required by this section computed in accordance with paragraph (g)(2) of this section.

(g) *Delivery of materials, computation of direct costs.* (1) Whenever the bidder is required to deliver tender offer materials or amendments to tender offer materials, the bidder shall deliver to the subject company at the location specified by the subject company in its notice given pursuant to paragraph (a)(4) of this section a number of sets of the materials or of the amendment, as the case may be, at least equal to the approximate number of security holders specified by the subject company in such notice, together with appropriate envelopes or other containers therefor: *Provided, however,* That such delivery shall be deemed not to have been made unless the bidder has complied with paragraph (f)(3)(iii) of this section at the time the materials or amendments, as the case may be, are delivered.

(2) The approximate direct cost of mailing the bidder's tender offer materials shall be computed by adding (i) the direct cost incidental to the mailing of the subject company's last annual report to shareholders (excluding employee time), less the costs of preparation and printing of the report, and postage, plus (ii) the amount of first class postage required to mail the bidder's tender offer materials. The approximate direct costs incidental to the mailing of the amendments to the bidder's tender offer materials shall be computed by adding (iii) the estimated direct costs of preparing mailing labels, of updating shareholder lists and of third party handling charges plus (iv) the amount of first class postage required to mail the bidder's amendment. Direct costs incidental to the mailing of the bidder's tender offer materials and amendments thereto when finally computed may include all reasonable charges paid by the subject company to third parties for supplies or services, including costs attendant to preparing shareholder lists, mailing labels, handling the bidder's materials, contacting participants named on security position listings and for postage, but shall exclude indirect costs, such as employee time which is devoted to either contesting or supporting the tender offer on behalf of the subject company. The final billing for direct costs shall be accompanied by an appropriate accounting in reasonable detail.

NOTE TO § 240.14d-5. Reasonably prompt methods of distribution to security holders may be used instead of mailing. If alternative methods are chosen, the approximate direct costs of distribution shall be computed by adding the estimated direct costs of preparing the document for distribution through the chosen medium (including updating of shareholder lists) plus the estimated reasonable cost of distribution through that medium. Direct costs incidental to the distribution of tender offer materials and amendments thereto may include all reasonable charges paid by the subject company to third parties for supplies or services, including costs attendant to preparing shareholder lists, handling the bidder's materials, and contacting participants named on security position listings, but shall not include indirect costs, such as employee time which is devoted to either contesting or

supporting the tender offer on behalf of the subject company.

General Instructions:

A. File eight copies of the statement, including all exhibits, with the Commission if paper filing is permitted.

B. This filing must be accompanied by a fee payable to the Commission as required by § 240.0-11.

C. If the statement is filed by a general or limited partnership, syndicate or other group, the information called for by Items 3 and 5-8 for a third-party tender offer and Items 5-8 for an issuer tender offer must be given with respect to: (i) Each partner of the general partnership; (ii) each partner who is, or functions as, a general partner of the limited partnership; (iii) each member of the syndicate or group; and (iv) each person controlling the partner or member. If the statement is filed by a corporation or if a person referred to in (i), (ii), (iii) or (iv) of this Instruction is a corporation, the information called for by the items specified above must be given with respect to: (a) Each executive officer and director of the corporation; (b) each person controlling the corporation; and (c) each executive officer and director of any corporation or other person ultimately in control of the corporation.

The filer need not respond to the items in the schedule. Any pre-commencement communications that are filed under cover of this schedule need not be incorporated by reference into the schedule.

E. If an item is inapplicable or the answer is in the negative, so state. The statement published, sent or given to security holders may omit negative and not applicable responses. If the schedule includes any information that is not published, sent or given to security holders, provide that information or specifically incorporate it by reference under the appropriate item number and heading in the schedule. Do not recite the text of disclosure requirements in the schedule or any document published, sent or given to security holders. Indicate clearly the coverage of the requirements without referring to the text of the items.

F. Information contained in exhibits to the statement may be incorporated by reference in answer or partial answer to any item unless it would render the answer misleading, incomplete, unclear or confusing. A copy of

any information that is incorporated by reference or a copy of the pertinent pages of a document containing the information must be submitted with this statement as an exhibit, unless it was previously filed with the Commission electronically on EDGAR. If an exhibit contains information responding to more than one item in the schedule, all information in that exhibit may be incorporated by reference once in response to the several items in the schedule for which it provides an answer. Information incorporated by reference is deemed filed with the Commission for all purposes of the Act.

G. A filing person may amend its previously filed Schedule 13D (§ 240.13d-101) on Schedule TO (§ 240.14d-100) if the appropriate box on the cover page is checked to indicate a combined filing and the information called for by the fourteen disclosure items on the cover page of Schedule 13D (§ 240.13d-101) is provided on the cover page of the combined filing with respect to each filing person.

H. The final amendment required by § 240.14d-3(b)(2) and § 240.13e-4(c)(4) will satisfy the reporting requirements of section 13(d) of the Act with respect to all securities acquired by the offeror in the tender offer.

I. Amendments disclosing a material change in the information set forth in this statement may omit any information previously disclosed in this statement.

J. If the tender offer disclosed on this statement involves a going-private transaction, a combined Schedule TO (§ 240.14d-100) and Schedule 13E-3 (§ 240.13e-100) may be filed with the Commission under cover of Schedule TO. The Rule 13e-3 box on the cover page of the Schedule TO must be checked to indicate a combined filing. All information called for by both schedules must be provided except that Items 1-3, 5, 8 and 9 of Schedule TO may be omitted to the extent those items call for information that duplicates the item requirements in Schedule 13E-3.

K. For purposes of this statement, the following definitions apply:

(1) The term *offeror* means any person who makes a tender offer or on whose behalf a tender offer is made;

(2) The term *issuer tender offer* has the same meaning as in Rule 13e-4(a)(2); and

(3) The term *third-party tender offer* means a tender offer that is not an issuer tender offer.

SPECIAL INSTRUCTIONS FOR COMPLYING WITH SCHEDULE TO

Under Sections 13(e), 14(d) and 23 of the Act and the rules and regulations of the Act, the Commission is authorized to solicit the information required to be supplied by this schedule.

Disclosure of the information specified in this schedule is mandatory, except for I.R.S. identification numbers, disclosure of which

§ 240.14d-100

17 CFR Ch. II (4-1-04 Edition)

is voluntary. The information will be used for the primary purpose of disclosing tender offer and going-private transactions. This statement will be made a matter of public record. Therefore, any information given will be available for inspection by any member of the public.

I.R.S. identification numbers, if furnished, will assist the Commission in identifying security holders and, therefore, in promptly processing tender offer and going-private statements.

Failure to disclose the information required by this schedule, except for I.R.S. identification numbers, may result in civil or criminal violation against the persons involved for violation of the Federal securities laws and rules.

The filing person may incorporate by reference financial statements contained in any document filed with the Commission, solely for the purposes of this schedule, if: (a) The financial statements substantially meet the requirements of this item; (b) an express statement is made that the financial statements are incorporated by reference; (c) the information incorporated by reference is

clearly identified by page, paragraph, caption or otherwise; and (d) if the information incorporated by reference is not filed with this schedule, an indication is made where the information may be inspected and copies obtained. Financial statements that are required to be presented in comparative form for two or more fiscal years or periods may not be incorporated by reference unless the material incorporated by reference includes the entire period for which the comparative data is required to be given. See General Instruction F to this schedule.

4. If the offeror in a third-party tender offer is a natural person, and such person's financial information is material, disclose the net worth of the offeror. If the offeror's net worth is derived from material amounts of assets that are not readily marketable or there are material guarantees and contingencies, disclose the nature and approximate amount of the individual's net worth that consists of illiquid assets and the magnitude of any guarantees or contingencies that may negatively affect the natural person's net worth.

5. Pro forma financial information is required in a negotiated third-party cash tender offer when securities are intended to be offered in a subsequent merger or other transaction in which remaining target securities are acquired and the acquisition of the subject company is significant to the offeror under §210.11-01(b)(1) of this chapter. The offeror must disclose the financial information specified in Item 3(f) and Item 5 of Form S-4 (§239.25 of this chapter) in the schedule filed with the Commission, but may furnish only the summary financial information specified in Item 3(d), (e) and (f) of Form S-4 in the disclosure document sent to security holders. If pro forma financial information is required by this instruction, the historical financial statements specified in Item 1010 of Regulation M-A (§229.1010 of this chapter) are required for the bidder.

6. The disclosure materials disseminated to security holders may contain the summarized financial information specified by Item 1010(c) of Regulation M-A (§229.1010 of this chapter) instead of the financial information required by Item 1010(a) and (b). In that case, the financial information required by Item 1010(a) and (b) of Regulation M-A must be disclosed in the statement. If summarized financial information is disseminated to security holders, include appropriate instructions on how more complete financial information can be obtained. If the summarized financial information is prepared on the basis of a comprehensive body of accounting principles other than U.S. GAAP, the summarized financial information must be accompanied by a reconciliation as described in Instruction 8 of this Item.

7. If the offeror is not subject to the periodic reporting requirements of the Act, the

financial statements required by this Item need not be audited if audited financial statements are not available or obtainable without unreasonable cost or expense. Make a statement to that effect and the reasons for their unavailability.

8. If the financial statements required by this Item are prepared on the basis of a comprehensive body of accounting principles other than U.S. GAAP, provide a reconciliation to U.S. GAAP in accordance with Item 17 of Form 20-F (§249.220f of this chapter), unless a reconciliation is unavailable or not obtainable without unreasonable cost or expense. At a minimum, however, when financial statements are prepared on a basis other than U.S. GAAP, a narrative description of all material variations in accounting principles, practices and methods used in preparing the non-U.S. GAAP financial statements from those accepted in the U.S. must be presented.

Item 11. Additional Information

Item 12. Exhibits

File as an exhibit to the Schedule all documents specified by Item 1016 (a), (b), (d), (g) and (h) of Regulation M-A (§229.1016 of this chapter).

If the Schedule TO is combined with Schedule 13E-3 (§240.13e-100), set forth the information required by Schedule 13E-3 that is not included or covered by the items in Schedule TO.

General Instructions

I. ELIGIBILITY REQUIREMENTS FOR USE OF SCHEDULE 14D-1F

A. Schedule 14D-1F may be used by any person making a cash tender or exchange offer (the "bidder") for securities of any issuer incorporated or organized under the laws of Canada or any Canadian province or territory that is a foreign private issuer, where less than 40 percent of the outstanding class of such issuer's securities that is the subject of the offer is held by U.S. holders. The calculation of U.S. holders shall be made as of the end of the subject issuer's last quarter or, if such quarter terminated within 60 days of the filing date, as of the end of such issuer's preceding quarter.

Instructions

1. For purposes of this Schedule, "foreign private issuer" shall be construed in accordance with Rule 405 under the Securities Act.

2. For purposes of this Schedule, the term "U. S. holder" shall mean any person whose address appears on the records of the issuer, any voting trustee, any depositary, any share transfer agent or any person acting in a similar capacity on behalf of the issuer as being located in the United States.

3. With respect to any tender offer, including any exchange offer, otherwise eligible to proceed in accordance with Rule 14d-1(b) under the Securities Exchange Act of 1934 (the "Exchange Act"), the issuer of the subject securities will be presumed to be a foreign private issuer and U. S. holders will be presumed to hold less than 40 percent of such outstanding securities, unless (a) the aggregate trading volume of that class on national securities exchanges in the United States and on NASDAQ exceeded its aggregate trading volume on securities exchanges in Canada and on the Canadian Dealing Network, Inc. ("CDN") over the 12 calendar month period prior to commencement of this offer, or if commenced in response to a prior offer,

over the 12 calendar month period prior to commencement of the initial offer (based on volume figures published by such exchanges and NASDAQ and CDN); (b) the most recent annual report or annual information form filed or submitted by the issuer with securities regulators of Ontario, Quebec, British Columbia or Alberta (or, if the issuer of the subject securities is not a reporting issuer in any of such provinces, with any other Canadian securities regulator) or with the Commission indicates that U. S. holders hold 40 percent or more of the subject class of securities; or (c) the offeror has actual knowledge that the level of U. S. ownership equals or exceeds 40 percent of such securities.

4. If this Schedule is filed during the pendency of one or more ongoing cash tender or exchange offers for securities of the class subject to this offer that was commenced or was eligible to be commenced on Schedule 13E-4F, Schedule 14D-1F and/or Form F-8 or Form F-80, the date for calculation of U. S. ownership for purposes of this Schedule shall be the same as that date used by the initial bidder or issuer.

5. For purposes of this Schedule, the class of subject securities shall not include any securities that may be converted into or are exchangeable for the subject securities.

B. Any bidder using this Schedule must extend the cash tender or exchange offer to U. S. holders of securities of the subject company upon terms and conditions not less favorable than those extended to any other holder of such securities, and must comply with the requirements of any Canadian federal, provincial and/or territorial law, regulation or policy relating to the terms and conditions of the offer.

C. This Schedule shall not be used if the subject company is an investment company registered or required to be registered under the Investment Company Act of 1940.

D. This Schedule shall not be used to comply with the reporting requirements of section 13(d) of the Exchange Act. Persons using this Schedule are reminded of their obligation to file or update a Schedule 13D where required by section 13(d)(1) of the Exchange Act and the Commission's rules and regulations thereunder.

II. FILING INSTRUCTIONS AND FEE

A.(1) The bidder must file this Schedule and any amendment to the Schedule (see Part I, Item 1.(b)), including all exhibits and other documents filed as part of the Schedule or amendment, in electronic format via the Commission's Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232). For assistance with technical questions about EDGAR or to request an access code, call the EDGAR Filer Support Office at (202) 942-8900. For assistance with the EDGAR

rules, call the Office of EDGAR and Information Analysis at (202) 942-2940.

(2) If filing the Schedule in paper under a hardship exemption in 17 CFR 232.201 or 232.202 of Regulation S-T, or as otherwise permitted, the bidder must file with the Commission at its principal office five copies of the complete Schedule and any amendment, including exhibits and all other documents filed as a part of the Schedule or amendment. The bidder must bind, staple or otherwise compile each copy in one or more parts without stiff covers. The bidder must further bind the Schedule or amendment on the side or stitching margin in a manner that leaves the reading matter legible. The bidder must provide three additional copies of the Schedule or amendment without exhibits to the Commission.

B. An electronic filer must provide the signatures required for the Schedule or amendment in accordance with 17 CFR 232.302 of Regulation S-T. A bidder filing in paper must have the original and at least one copy of the Schedule and any amendment signed in accordance with Exchange Act Rule 12b-11(d) (17 CFR 12b-11(d)) by the persons whose signatures are required for this Schedule or amendment. The bidder must also conform to the unsigned copies.

C. At the time of filing this Schedule with the Commission, the bidder shall pay to the Commission in accordance with Rule 0-11 of the Exchange Act, a fee in U. S. dollars in the amount prescribed by section 14(g)(3) of the Exchange Act. See also Rule 0-9 under the Exchange Act.

(1) Where the bidder is offering securities or other non-cash consideration for some or all of the securities to be acquired, whether or not in combination with a cash payment for the same securities, the value of the consideration shall be based on the market value of the securities to be received by the bidder as established by paragraph 3 of this section.

(2) If there is no market for the securities to be acquired by the bidder, the book value of such securities computed as of the latest practicable date prior to the date of filing the Schedule shall be used, unless the issuer of such securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of such securities shall be used.

(3) When the fee is based upon the market value of the securities, such market value shall be calculated upon the basis of either the average of the high and low prices reported in the consolidated reporting system (for exchange traded securities and last sale reported for over-the-counter securities) or the average of the bid and asked price (for other over-the-counter securities) as of a specified date within five business days prior to the date of filing the Schedule.

D. If at any time after the initial payment of the fee the aggregate consideration offered is increased, an additional filing fee based upon such increase shall be paid with the required amended filing.

E. The bidder must file the Schedule or amendment in electronic format in the English language in accordance with 17 CFR 232.306 of Regulation S-T. The bidder may file part of the Schedule or amendment, or exhibit or other attachment to the Schedule or amendment, in both French and English if the bidder included the French text to comply with the requirements of the Canadian securities administrator or other Canadian authority and, for an electronic filing, if the filing is an HTML document, as defined in 17 CFR 232.11 of Regulation S-T. For both an electronic filing and a paper filing, the bidder may provide an English translation or English summary of a foreign language document as an exhibit or other attachment to the Schedule or amendment as permitted by the rules of the applicable Canadian securities administrator.

F. A paper filer must number sequentially the signed original of the Schedule or amendment (in addition to any internal numbering that otherwise may be present) by handwritten, typed, printed or other legible form of notation from the first page through the last page of the Schedule or amendment, including any exhibits or attachments. A paper filer must disclose the total number of pages on the first page of the sequentially numbered Schedule or amendment.

III. COMPLIANCE WITH THE EXCHANGE ACT

A. Pursuant to Rule 14d-1(b) under the Exchange Act, the bidder shall be deemed to comply with the requirements of sections 14(d)(1) through 14(d)(7) of the Exchange Act, Regulation 14D under the Exchange Act and Schedule 14D-1 thereunder, and Rule 14e-1 under Regulation 14E of the Exchange Act, in connection with a cash tender or exchange offer for securities that may be made pursuant to this Schedule; *provided that*, if an exemption has been granted from requirements of Canadian federal, provincial, and/or territorial laws, regulations or policies, and the tender offer does not comply with requirements that otherwise would be prescribed by Regulation 14D or 14E, the bidder (absent an order from the Commission) shall comply with the provisions of sections 14(d)(1) through 14(d)(7), Regulation 14D and Schedule 14D-1 thereunder, and Rule 14e-1 under Regulation 14E.

B. Any cash tender or exchange offer made pursuant to this Schedule is not exempt from the antifraud provisions of section 10(b) of the Exchange Act and Rule 10b-5 thereunder, and section 14(e) of the Exchange Act and Rule 14e-3 thereunder, and this Schedule

shall be deemed "filed" for purposes of section 18 of the Exchange Act.

C. The bidder's attention is directed to Regulation M (§§242.100 through 242.105 of this chapter) in the case of an exchange offer, and to Rule 10b-13 under the Exchange Act (§240.10b-13) for any exchange or cash tender offer. [See Exchange Act Release No. 29355 (June 21, 1991) containing an exemption from Rule 10b-13.]

PART I—INFORMATION REQUIRED TO BE SENT TO SHAREHOLDERS

Item 1. Home Jurisdiction Documents

It shall not include any documents incorporated by reference into such disclosure document(s) and not distributed to offerees pursuant to any such law, regulation or policy.

(b) Any amendment made by the bidder to a home jurisdiction document or documents shall be filed with the Commission under cover of this Schedule, which must indicate on the cover page the number of the amendment.

(c) In an exchange offer where securities of the bidder have been or are to be offered or cancelled in the transaction, such securities shall be registered on forms promulgated by the Commission under the Securities Act of 1933 including, where available, the Commission's Form F-8 or F-80 providing for inclusion in that registration statement of the home jurisdiction prospectus.

Financial statements included herein, if any, have been prepared in accordance with foreign generally accepted accounting principles and thus may not be comparable to financial statements of United States companies.

"The enforcement by investors of civil liabilities under the federal securities laws may be affected adversely by the fact that the subject company is located in a foreign country, and that some or all of its officers

and directors are residents of a foreign country.

“Investors should be aware that the bidder or its affiliates, directly or indirectly, may bid for or make purchases of the issuer’s securities subject to the offer, or of the issuer’s related securities, during the period of the tender offer, as permitted by applicable Canadian laws or provincial laws or regulations.”

In the case of an exchange offer:

“Investors should be aware that the bidder or its affiliates, directly or indirectly, may bid for or make purchases of the issuer’s securities subject to the offer or of the issuer’s related securities, or of the bidder’s securities to be distributed or of the bidder’s related securities, during the period of the tender offer, as permitted by applicable Canadian laws or provincial laws or regulations.”

NOTE TO ITEM 2. If the home-jurisdiction document(s) are delivered through an electronic medium, the issuer may satisfy the legibility requirements for the required legends relating to type size and font by presenting the legend in any manner reasonably calculated to draw security holder attention to it.

PART II—INFORMATION NOT REQUIRED TO BE SENT TO SHAREHOLDERS

(b) Any change to the name or address of a registrant’s agent for service shall be communicated promptly to the Commission by amendment to Form F-X referencing the file number of the registrant.

PART IV—SIGNATURES

A. The Schedule shall be signed by each person on whose behalf the Schedule is filed or its authorized representative. If the Schedule is signed on behalf of a person by his authorized representative (other than an executive officer or general partner of the bidder), evidence of the representative’s authority shall be filed with the Schedule.

B. The name and any title of each person who signs the Schedule shall be typed or printed beneath his signature.

C. By signing this Schedule, the bidder consents without power of revocation that any administrative subpoena may be served, or any administrative proceeding, civil suit or civil action where the cause of action arises out of or relates to or concerns any offering made or purported to be made in connection with the filing on Schedule 14D-1F or any purchases or sales of any security in connection therewith, may be commenced against it in any administrative tribunal or in any appropriate court in any place subject to the jurisdiction of any state or of the United States by service of said subpoena or process upon the registrant’s designated agent.

§ 240.14e-4 Prohibited transactions in connection with partial tender offers.

(a) *Definitions.* For purposes of this section:

(1) The amount of a person's "net long position" in a subject security shall equal the excess, if any, of such

person's "long position" over such person's "short position." For the purposes of determining the net long position as of the end of the proration period and for tendering concurrently to two or more partial tender offers, securities that have been tendered in accordance with the rule and not withdrawn are deemed to be part of the person's long position.

(i) Such person's *long position* is the amount of subject securities that such person:

(A) Or his agent has title to or would have title to but for having lent such securities; or

(B) Has purchased, or has entered into an unconditional contract, binding on both parties thereto, to purchase but has not yet received; or

(C) Has exercised a standardized call option for; or

(D) Has converted, exchanged, or exercised an equivalent security for; or

(E) Is entitled to receive upon conversion, exchange, or exercise of an equivalent security.

(ii) Such person's *short position*, is the amount of subject securities or subject securities underlying equivalent securities that such person:

(A) Has sold, or has entered into an unconditional contract, binding on both parties thereto, to sell; or

(B) Has borrowed; or

(C) Has written a non-standardized call option, or granted any other right pursuant to which his shares may be tendered by another person; or

(D) Is obligated to deliver upon exercise of a standardized call option sold on or after the date that a tender offer is first publicly announced or otherwise made known by the bidder to holders of the security to be acquired, if the exercise price of such option is lower than the highest tender offer price or stated amount of the consideration offered for the subject security. For the purpose of this paragraph, if one or more tender offers for the same security are ongoing on such date, the announcement date shall be that of the first announced offer.

(2) The term *equivalent security* means:

(i) Any security (including any option, warrant, or other right to purchase the subject security), issued by

the person whose securities are the subject of the offer, that is immediately convertible into, or exchangeable or exercisable for, a subject security, or

(ii) Any other right or option (other than a standardized call option) that entitles the holder thereof to acquire a subject security, but only if the holder thereof reasonably believes that the maker or writer of the right or option has title to and possession of the subject security and upon exercise will promptly deliver the subject security.

(3) The term *subject security* means a security that is the subject of any tender offer or request or invitation for tenders.

(4) For purposes of this rule, a person shall be deemed to "tender" a security if he:

(i) Delivers a subject security pursuant to an offer,

(ii) Causes such delivery to be made,

(iii) Guarantees delivery of a subject security pursuant to a tender offer,

(iv) Causes a guarantee of such delivery to be given by another person, or

(v) Uses any other method by which acceptance of a tender offer may be made.

(5) The term *partial tender offer* means a tender offer or request or invitation for tenders for less than all of the outstanding securities subject to the offer in which tenders are accepted either by lot or on a *pro rata* basis for a specified period, or a tender offer for all of the outstanding shares that offers a choice of consideration in which tenders for different forms of consideration may be accepted either by lot or on a *pro rata* basis for a specified period.

(6) The term *standardized call option* means any call option that is traded on an exchange, or for which quotation information is disseminated in an electronic interdealer quotation system of a registered national securities association.

(b) It shall be unlawful for any person acting alone or in concert with others, directly or indirectly, to tender any subject security in a partial tender offer:

(1) For his own account unless at the time of tender, and at the end of the proration period or period during which

Securities and Exchange Commission

§ 240.14e-5

securities are accepted by lot (including any extensions thereof), he has a net long position equal to or greater than the amount tendered in:

(i) The subject security and will deliver or cause to be delivered such security for the purpose of tender to the person making the offer within the period specified in the offer; or

(ii) An equivalent security and, upon the acceptance of his tender will acquire the subject security by conversion, exchange, or exercise of such equivalent security to the extent required by the terms of the offer, and will deliver or cause to be delivered the subject security so acquired for the purpose of tender to the person making the offer within the period specified in the offer; or

(2) For the account of another person unless the person making the tender:

(i) Possesses the subject security or an equivalent security, or

(ii) Has a reasonable belief that, upon information furnished by the person on whose behalf the tender is made, such person owns the subject security or an equivalent security and will promptly deliver the subject security or such equivalent security for the purpose of tender to the person making the tender.

(c) This rule shall not prohibit any transaction or transactions which the Commission, upon written request or upon its own motion, exempts, either unconditionally or on specified terms and conditions.

EXEMPTION OF CERTAIN OTC DERIVATIVES DEALERS

§ 240.15a-1 Securities activities of OTC derivatives dealers.

PRELIMINARY NOTE: OTC derivatives dealers are a special class of broker-dealers that are exempt from certain broker-dealer requirements, including membership in a self-regulatory organization (§240.15b9-2), regular broker-dealer margin rules (§240.36a1-1), and application of the Securities Investor Protection Act of 1970 (§240.36a1-2). OTC derivative dealers are subject to special requirements, including limitations on the scope of their securities activities (§240.15a-1), specified internal risk management control systems (§240.15c3-4), recordkeeping obligations (§240.17a-3(a)(10)), and reporting responsibilities (§240.17a-12). They are also subject to alternative net capital treatment (§240.15c3-1(a)(5)). This rule 15a-1 uses a number of defined terms in setting forth the securities activities in which an OTC derivatives dealer may engage: "OTC derivatives dealer," "eligible OTC derivative instrument," "cash management securities activities," and "ancillary portfolio management securities activities." These terms are defined under Rules 3b-12 through 3b-15 (§240.3b-12 through §240.3b-15).

(a) The securities activities of an OTC derivatives dealer shall:

(1) Be limited to:

(i) Engaging in dealer activities in eligible OTC derivative instruments that are securities;

(ii) Issuing and reacquiring securities that are issued by the dealer, including warrants on securities, hybrid securities, and structured notes;

(iii) Engaging in cash management securities activities;

(iv) Engaging in ancillary portfolio management securities activities; and

(v) Engaging in such other securities activities that the Commission designates by order pursuant to paragraph (b)(1) of this section; and

(2) Consist primarily of the activities described in paragraphs (a)(1)(i), (a)(1)(ii), and (a)(1)(iii) of this section; and

(3) Not consist of any other securities activities, including engaging in any transaction in any security that is not an eligible OTC derivative instrument, except as permitted under paragraphs (a)(1)(iii), (a)(1)(iv), and (a)(1)(v) of this section.

(b) The Commission, by order, entered upon its own initiative or after considering an application for exemptive relief, may clarify or expand the scope of eligible OTC derivative instruments and the scope of permissible securities activities of an OTC derivatives dealer. Such orders may:

(1) Identify other permissible securities activities;

(2) Determine that a class of fungible instruments that are standardized as to their material economic terms is within the scope of eligible OTC derivative instrument;

(3) Clarify whether certain contracts, agreements, or transactions are within the scope of eligible OTC derivative instrument; or

(4) Clarify whether certain securities activities are within the scope of ancillary portfolio management securities activities.

(c) To the extent an OTC derivatives dealer engages in any securities transaction pursuant to paragraphs (a)(1)(i) through (a)(1)(v) of this section, such transaction shall be effected through a registered broker or dealer (other than an OTC derivatives dealer) that, in the case of any securities transaction pursuant to paragraphs (a)(1)(i), or (a)(1)(iii) through (a)(1)(v) of this section, is an affiliate of the OTC derivatives dealer, except that this paragraph (c) shall not apply if:

(1) The counterparty to the transaction with the OTC derivatives dealer is acting as principal and is:

(i) A registered broker or dealer;

(ii) A bank acting in a dealer capacity, as permitted by U.S. law;

(iii) A foreign broker or dealer; or

(2) The OTC derivatives dealer is engaging in an ancillary portfolio management securities activity, and the transaction is in a foreign security, and a registered broker or dealer, a bank, or a foreign broker or dealer is acting as agent for the OTC derivatives dealer.

(d) To the extent an OTC derivatives dealer induces or attempts to induce any counterparty to enter into any securities transaction pursuant to paragraphs (a)(1)(i) through (a)(1)(v) of this section, any communication or contact with the counterparty concerning the transaction (other than clerical and ministerial activities conducted by an associated person of the OTC derivatives dealer) shall be conducted by one or more registered persons that, in the case of any securities transaction pursuant to paragraphs (a)(1)(i), or (a)(1)(iii) through (a)(1)(v) of this section, is associated with an affiliate of the OTC derivatives dealer, except that this paragraph (d) shall not apply if the counterparty to the transaction with the OTC derivatives dealer is:

(1) A registered broker or dealer;

(2) A bank acting in a dealer capacity, as permitted by U.S. law;

(3) A foreign broker or dealer; or

(h) For purposes of this section, the term *foreign security* means any security (including a depositary share issued by a United States bank, provided that the depositary share is initially offered and sold outside the United States in accordance with Regulation S (17 CFR 230.901 through 230.904)) issued by a person not organized or incorporated under the laws of the United States, provided the transaction that involves such security is not effected on a national securities exchange or on a market operated by a registered national securities association; or a debt security (including a convertible debt security) issued by an issuer organized or incorporated under the laws of the United States that is initially offered and sold outside the United States in accordance with Regulation S (17 CFR 230.901 through 230.904).

(i) For purposes of this section, the term *registered person* is:

(A) A natural person who is associated with a registered broker or dealer and is registered or approved under the rules of a self-regulatory organization of which such broker or dealer is a member; or

(B) If the counterparty to the transaction with the OTC derivatives dealer is a resident of a jurisdiction other than the United States, a natural person who is not resident in the United States and is associated with a broker or dealer that is registered or licensed by a foreign financial regulatory authority in the jurisdiction in which such counterparty is resident or in

§ 240.15c2-1 Hypothecation of customers' securities.

(a) *General provisions.* The term *fraudulent, deceptive, or manipulative act or practice*, as used in section 15(c) (2) of the Act, is hereby defined to include the direct or indirect hypothecation by a broker or dealer, or his arranging for or permitting, directly or indirectly, the continued hypothecation of any securities carried for the account of any customer under circumstances:

(1) That will permit the commingling of securities carried for the account of any such customer with securities carried for the account of any other customer, without first obtaining the written consent of each such customer to such hypothecation;

(2) That will permit such securities to be commingled with securities carried for the account of any person other than a bona fide customer of such broker or dealer under a lien for a loan made to such broker or dealer; or

(3) That will permit securities carried for the account of customers to be hypothecated, or subjected to any lien or liens or claims or claims of the pledgee or pledgees, for a sum which exceeds the aggregate indebtedness of all customers in respect of securities carried for their accounts; except that this clause shall not be deemed to be violated by reason of an excess arising on any day through the reduction of the aggregate indebtedness of customers on such day, provided that funds or securities in an amount sufficient to eliminate such excess are paid or placed in transfer to pledgees for the purpose of reducing the sum of the liens or claims to which securities carried for the account of customers are subject as promptly as practicable after such reduction occurs, but before the lapse of one half hour after the commencement of banking hours on the next banking day at the place where the largest principal amount of loans of such broker or dealer are payable and, in any event, before such broker or dealer on such day has obtained or increased any bank loan collateralized by securities carried for the account of customers.

(b) *Definitions.* For the purposes of this section:

(1) The term *customer* shall not include any general or special partner or any director or officer of such broker or dealer, or any participant, as such, in any joint, group or syndicate account with such broker or dealer or with any partner, officer or director thereof. The term also shall not include a counterparty who has delivered collateral to an OTC derivatives dealer pursuant to a transaction in an eligible OTC derivative instrument, or pursuant to the OTC derivatives dealer's cash management securities activities or ancillary portfolio management securities activities, and who has received a prominent written notice from the OTC derivatives dealer that:

(i) Except as otherwise agreed in writing by the OTC derivatives dealer

and the counterparty, the dealer may repledge or otherwise use the collateral in its business;

(ii) In the event of the OTC derivatives dealer's failure, the counterparty will likely be considered an unsecured creditor of the dealer as to that collateral;

(iii) The Securities Investor Protection Act of 1970 (15 U.S.C 78aaa through 78lll) does not protect the counterparty; and

(iv) The collateral will not be subject to the requirements of § 240.8c-1, § 240.15c2-1, § 240.15c3-2, or § 240.15c3-3;

(2) The term *securities carried for the account of any customer* shall be deemed to mean:

(i) Securities received by or on behalf of such broker or dealer for the account of any customer;

(ii) Securities sold and appropriated by such broker or dealer to a customer, except that if such securities were subject to a lien when appropriated to a customer they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(iii) Securities sold, but not appropriated, by such broker or dealer to a customer who has made any payment therefor, to the extent that such broker or dealer owns and has received delivery of securities of like kind, except that if such securities were subject to a lien when such payment was made they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(3) *Aggregate indebtedness* shall not be deemed to be reduced by reason of uncollected items. In computing aggregate indebtedness, related guaranteed and guarantor accounts shall be treated as a single account and considered on a consolidated basis, and balances in accounts carrying both long and short positions shall be adjusted by treating the market value of the securities required to cover such short positions as though such market value were a debit; and

(4) In computing the sum of the liens or claims to which securities carried for the account of customers of a

broker or dealer are subject, any rehypothecation of such securities by another broker or dealer who is subject to this section or to §240.8c-1 shall be disregarded.

(c) *Exemption for cash accounts.* The provisions of paragraph (a)(1) of this section shall not apply to any hypothecation of securities carried for the account of a customer in a special cash account within the meaning of 12 CFR 220.4(c): *Provided*, That at or before the completion of the transaction of purchase of such securities for, or of sale of such securities to, such customer, written notice is given or sent to such customer disclosing that such securities are or may be hypothecated under circumstances which will permit the commingling thereof with securities carried for the account of other customers. The term *the completion of the transaction* shall have the meaning given to such term by §240.15c1-1(b).

(d) *Exemption for clearing house liens.* The provisions of paragraphs (a)(2), (a)(3), and (f) of this section shall not apply to any lien or claim of the clearing corporation, or similar department or association, of a national securities exchange or a registered national securities association, for a loan made and to be repaid on the same calendar day, which is incidental to the clearing of transactions in securities or loans through such corporation, department, or association: *Provided, however*, That for the purpose of paragraph (a)(3) of this section, "aggregate indebtedness of all customers in respect of securities carried for their accounts" shall not include indebtedness in respect of any securities subject to any lien or claim exempted by this paragraph.

(e) *Exemption for certain liens on securities of noncustomers.* The provisions of paragraph (a)(2) of this section shall not be deemed to prevent such broker or dealer from permitting securities not carried for the account of a customer to be subjected (1) to a lien for a loan made against securities carried for the account of customers, or (2) to a lien for a loan made and to be repaid on the same calendar day. For the purpose of this exemption, a loan shall be deemed to be "made against securities carried for the account of customers" if only securities carried for the ac-

count of customers are used to obtain or to increase such loan or as substitutes for other securities carried for the account of customers.

(f) *Notice and certification requirements.* No person subject to this section shall hypothecate any security carried for the account of a customer unless, at or prior to the time of each such hypothecation, he gives written notice to the pledgee that the security pledged is carried for the account of a customer and that such hypothecation does not contravene any provision of this section, except that in the case of an omnibus account the broker or dealer for whom such account is carried may furnish a signed statement to the person carrying such account that all securities carried therein by such broker or dealer will be securities carried for the account of his customers and that the hypothecation thereof by such broker or dealer will not contravene any provision of this section. The provisions of this paragraph shall not apply to any hypothecation of securities under any lien or claim of a pledgee securing a loan made and to be repaid on the same calendar day.

(g) The fact that securities carried for the accounts of customers and securities carried for the accounts of others are represented by one or more certificates in the custody of a clearing corporation or other subsidiary organization of either a national securities exchange or of a registered national securities association, or of a custodian bank, in accordance with a system for the central handling of securities established by a national securities exchange or a registered national securities association, pursuant to which system the hypothecation of such securities is effected by bookkeeping entries without physical delivery of such securities, shall not, in and of itself, result in a commingling of securities prohibited by paragraph (a)(1) or (a)(2) of this section, whenever a participating member, broker or dealer hypothecates securities in accordance with such system: *Provided, however*, That (1) any such custodian of any securities held by or for such system shall agree that it will not for any reason, including the assertion of any claim, right or lien of any kind, refuse or refrain from

§ 240.15c2-3

17 CFR Ch. II (4-1-04 Edition)

promptly delivering any such securities (other than securities then hypothecated in accordance with such system) to such clearing corporation or other subsidiary organization or as directed by it, except that nothing in such agreement shall be deemed to require the custodian to deliver any securities in contravention of any notice of levy, seizure or similar notice, or order or judgment, issued or directed by a governmental agency or court, or officer thereof, having jurisdiction over such custodian, which on its face affects such securities; (2) such systems shall have safeguards in the handling, transfer and delivery of securities and provisions for fidelity bond coverage of the employees and agents of the clearing corporation or other subsidiary organization and for periodic examinations by independent public accountants; and (3) the provisions of this paragraph (g) shall not be effective with respect to any particular system unless the agreement required by paragraph (g)(1) of this section and the safeguards and provisions required by paragraph (g)(2) of this section shall have been deemed adequate by the Commission for the protection of investors, and unless any subsequent amendments to such agreement, safeguards or provisions shall have been deemed adequate by the Commission for the protection of investors.

(2) Obtains from such person information concerning his financial situation and needs, reasonably determines that the entire transaction, including the loan arrangement, is suitable for such person, and retains in his files a written statement setting forth the basis upon which the broker or dealer made such determination; *Provided, however,* That the written statement referred to in this paragraph must be made available to the customer on request.

(b) This section shall not apply to any credit extended or any loan arranged by any broker or dealer subject to the provisions of Regulation T (12 CFR part 220) if such credit is extended or such loan is arranged, in compliance with the requirements of such regulation, only for the purpose of purchasing or carrying the security offered or sold: *Provided, however,* That notwithstanding this paragraph, the provisions of paragraph (a) shall apply in full force with respect to any transaction involving the extension of or arrangement for credit by a broker or dealer (i) in a special insurance premium funding account within the meaning of section 4(k) of Regulation T (12 CFR 220.4(k)) or (ii) in compliance with the terms of § 240.3a12-5 of this chapter.

(b) In connection with an issue of securities, the issuer of which has not previously been required to file reports pursuant to sections 13(a) or 15(d) of the Securities Exchange Act of 1934, unless such issuer has been exempted from the requirement to file reports thereunder pursuant to section 12(h) of the Act, such broker or dealer shall deliver a copy of the preliminary prospectus to any person who is expected to receive a confirmation of sale at least 48 hours prior to the sending of such confirmation.

(c) Such broker or dealer shall take reasonable steps to furnish to any person who makes written request for a preliminary prospectus between the filing date and a reasonable time prior to the effective date of the registration statement to which such prospectus relates, a copy of the latest preliminary prospectus on file with the Commission. Reasonable steps shall include receiving an undertaking by the managing underwriter or underwriters to send such copy to the address given in the requests.

(d) Such broker or dealer shall take reasonable steps to comply promptly with the written request of any person for a copy of the final prospectus relating to such securities during the period between the effective date of the registration statement and the later of either the termination of such distribution, or the expiration of the applicable

40- or 90-day period under section 4(3) of the Securities Act of 1933. Reasonable steps shall include receiving an undertaking by the managing underwriter or underwriters to send such copy to the address given in the requests. (The 40-day and 90-day periods referred to above shall be deemed to apply for purposes of this rule irrespective of the provisions of paragraphs (b) and (d) of §230.174 of this chapter).

(e) Such broker or dealer shall take reasonable steps (1) to make available a copy of the preliminary prospectus relating to such securities to each of his associated persons who is expected, prior to the effective date, to solicit customers' order for such securities before the making of any such solicitation by such associated persons and (2) to make available to each such associated person a copy of any amended preliminary prospectus promptly after the filing thereof.

(f) Such broker or dealer shall take reasonable steps to make available a copy of the final prospectus relating to such securities to each of his associated persons who is expected, after the effective date, to solicit customers orders for such securities prior to the making of any such solicitation by such associated persons, unless a preliminary prospectus which is substantially the same as the final prospectus except for matters relating to the price of the stocks, has been so made available.

(g) If the broker or dealer is a managing underwriter of such distribution, he shall take reasonable steps to see to it that all other brokers or dealers participating in such distribution are promptly furnished with sufficient copies, as requested by them, of each preliminary prospectus, each amended preliminary prospectus and the final prospectus to enable them to comply with paragraphs (b), (c), (d), and (e) of this section.

(h) If the broker or dealer is a managing underwriter of such distribution, he shall take reasonable steps to see that any broker or dealer participating in the distribution or trading in the registered security is furnished reasonable quantities of the final prospectus relating to such securities, as requested by him, in order to enable him

to comply with the prospectus delivery requirements of section 5(b) (1) and (2) of the Securities Act of 1933.

(i) This section shall not require the furnishing of prospectuses in any state where such furnishing would be unlawful under the laws of such state: *Provided, however,* That this provision is not to be construed to relieve a broker or dealer from complying with the requirements of section 5(b)(1) and (2) of the Securities Act of 1933.

(j) For purposes of this section, the term *preliminary prospectus* shall include the term *prospectus subject to completion* as used in 17 CFR 230.434(a), and the term *final prospectus* shall include the term *Section 10(a) prospectus* as used in 17 CFR 230.434(a).

If such information is made available to others upon request pursuant to this paragraph, such delivery, unless otherwise represented, shall not constitute a representation by such broker or dealer that such information is accurate, but shall constitute a representation by such broker or dealer that the information is reasonably current in relation to the day the quotation is submitted, that the broker or dealer has a reasonable basis under the circumstances for believing the information is accurate in all material respects, and that the information was obtained from sources which the broker or dealer has a reasonable basis for believing are reliable. This paragraph (a)(5) shall not apply to any security of an issuer included in paragraph (a)(3) of this section unless a report or statement of such issuer described in paragraph (a)(3) of this section is not reasonably available to the broker or dealer. (3) A copy or a written record of any other material information (including adverse information) regarding the issuer which comes to the broker's or dealer's knowledge or possession before the publication or submission of the quotation.

(c) The broker or dealer shall preserve the documents and information required under paragraphs (a) and (b) of this section for a period of not less than three years, the first two years in an easily accessible place.

(d)(1) For any security of an issuer included in paragraph (a)(5) of this section, the broker or dealer submitting the quotation shall furnish to the interdealer quotation system (as defined in paragraph (e)(2) of this section), in such form as such system shall prescribe, at least 3 business days before the quotation is published or submitted, the information regarding the security and the issuer which such broker or dealer is required to maintain pursuant to said paragraph (a)(5) of this section.

(2) For any security of an issuer included in paragraph (a)(3) of this section,

(i) A broker-dealer shall be in compliance with the requirement to obtain current reports filed by the issuer if the broker-dealer obtains all current

reports filed with the Commission by the issuer as of a date up to five business days in advance of the earlier of the date of submission of the quotation to the quotation medium and the date of submission of the paragraph (a) information pursuant to Schedule H of the By-Laws of the National Association of Securities Dealers, Inc.; and

(ii) A broker-dealer shall be in compliance with the requirement to obtain the annual, quarterly, and current reports filed by the issuer, if the broker-dealer has made arrangements to receive all such reports when filed by the issuer and it has regularly received reports from the issuer on a timely basis, unless the broker-dealer has a reasonable basis under the circumstances for believing that the issuer has failed to file a required report or has filed a report but has not sent it to the broker-dealer.

(e) For purposes of this section:

(1) *Quotation medium* shall mean any “interdealer quotation system” or any publication or electronic communications network or other device which is used by brokers or dealers to make known to others their interest in transactions in any security, including offers to buy or sell at a stated price or otherwise, or invitations of offers to buy or sell.

(3) Except as otherwise specified in this rule, *quotation* shall mean any bid or offer at a specified price with respect to a security, or any indication of interest by a broker or dealer in receiving bids or offers from others for a security, or any indication by a broker or dealer that he wishes to advertise his general interest in buying or selling a particular security.

(4) *Issuer*, in the case of quotations for American Depositary Receipts, shall mean the issuer of the deposited shares represented by such American Depositary Receipts.

(f) The provisions of this section shall not apply to:

(2) The publication or submission by a broker or dealer, solely on behalf of a customer (other than a person acting as or for a dealer), of a quotation that represents the customer’s indication of interest and does not involve the solicitation of the customer’s interest; *Provided, however*, That this paragraph (f)(2) shall not apply to a quotation consisting of both a bid and an offer, each of which is at a specified price, unless the quotation medium specifically identifies the quotation as representing such an unsolicited customer interest.

(3)(i) The publication or submission, in an interdealer quotation system that specifically identifies as such unsolicited customer indications of interest of the kind described in paragraph (f)(2) of this section, of a quotation respecting a security which has been the subject of quotations (exclusive of any identified customer interests) in such a system on each of at least 12 days within the previous 30 calendar days, with no more than 4 business days in succession without a quotation; or

(ii) The publication or submission, in an interdealer quotation system that does not so identify any such unsolicited customer indications of interest, of a quotation respecting a security which has been the subject of both bid and ask quotations in an interdealer quotation system at specified prices on each of at least 12 days within the previous 30 calendar days, with no more than 4 business days in succession without such a two-way quotation;

(iii) A dealer acting in the capacity of market maker, as defined in section 3(a)(38) of the Act, that has published or submitted a quotation respecting a security in an interdealer quotation system and such quotation has qualified for an exception provided in this paragraph (f)(3), may continue to publish or submit quotations for such security in the interdealer quotation system without compliance with this section unless and until such dealer ceases to submit or publish a quotation or

ceases to act in the capacity of market maker respecting such security.

(4) The publication or submission of a quotation respecting a municipal security.

(5) The publication or submission of a quotation respecting a security that is authorized for quotation in the NASDAQ system (as defined in §240.11Ac1-2(a)(3) of this chapter), and such authorization is not suspended, terminated, or prohibited.

(g) The requirement in paragraph (a)(5) of this section that the information with respect to the issuer be “reasonably current” will be presumed to be satisfied, unless the broker or dealer has information to the contrary, if:

(1) The balance sheet is as of a date less than 16 months before the publication or submission of the quotation, the statements of profit and loss and retained earnings are for the 12 months preceding the date of such balance sheet, and if such balance sheet is not as of a date less than 6 months before the publication or submission of the quotation, it shall be accompanied by additional statements of profit and loss and retained earnings for the period from the date of such balance sheet to a date less than 6 months before the publication or submission of the quotation.

(2) Other information regarding the issuer specified in paragraph (a)(5) of this section is as of a date within 12 months prior to the publication or submission of the quotation.

(h) This section shall not prohibit any publication or submission of any quotation if the Commission, upon written request or upon its own motion, exempts such quotation either unconditionally or on specified terms and conditions, as not constituting a fraudulent, manipulative or deceptive practice comprehended within the purpose of this section.

(a) *General.* As a means reasonably designed to prevent fraudulent, deceptive, or manipulative acts or practices, it shall be unlawful for any broker, dealer, or municipal securities dealer (a “Participating Underwriter” when used in connection with an Offering) to act as an underwriter in a primary offering of municipal securities with an aggregate principal amount of \$1,000,000 or more (an “Offering”) unless the Participating Underwriter complies with the requirements of this section or is exempted from the provisions of this section.

(b) *Requirements.* (1) Prior to the time the Participating Underwriter bids for, purchases, offers, or sells municipal securities in an Offering, the Participating Underwriter shall obtain and review an official statement that an issuer of such securities deems final as of its date, except for the omission of no more than the following information: The offering price(s), interest rate(s), selling compensation, aggregate principal amount, principal amount per maturity, delivery dates, any other terms or provisions required by an issuer of such securities to be specified in a competitive bid, ratings, other terms of the securities depending on such matters, and the identity of the underwriter(s).

(2) Except in competitively bid offerings, from the time the Participating Underwriter has reached an understanding with an issuer of municipal securities that it will become a Participating Underwriter in an Offering until a final official statement is available, the Participating Underwriter shall send no later than the next business day, by first-class mail or other equally prompt means, to any potential customer, on request, a single copy of the most recent preliminary official statement, if any.

(3) The Participating Underwriter shall contract with an issuer of municipal securities or its designated agent to receive, within seven business days after any final agreement to purchase, offer, or sell the municipal securities in an Offering and in sufficient time to accompany any confirmation that requests payment from any customer, copies of a final official statement in sufficient quantity to comply with paragraph (b)(4) of this rule and the rules of the Municipal Securities Rulemaking Board.

(4) From the time the final official statement becomes available until the earlier of—

(i) Ninety days from the end of the underwriting period or

(ii) The time when the official statement is available to any person from a nationally recognized municipal securities information repository, but in no case less than twenty-five days following the end of the underwriting period, the Participating Underwriter in an Offering shall send no later than the next business day, by first-class mail or other equally prompt means, to any potential customer, on request, a single copy of the final official statement.

(5)(i) A Participating Underwriter shall not purchase or sell municipal securities in connection with an Offering unless the Participating Underwriter has reasonably determined that an issuer of municipal securities, or an obligated person for whom financial or operating data is presented in the final official statement has undertaken, either individually or in combination with other issuers of such municipal securities or obligated persons, in a written agreement or contract for the benefit of holders of such securities, to provide, either directly or indirectly through an indenture trustee or a designated agent:

(A) To each nationally recognized municipal securities information repository and to the appropriate state information depository, if any, annual financial information for each obligated person for whom financial information or operating data is presented in the final official statement, or, for each obligated person meeting the objective criteria specified in the undertaking and used to select the obligated

persons for whom financial information or operating data is presented in the final official statement, except that, in the case of pooled obligations, the undertaking shall specify such objective criteria;

(c) *Recommendations.* As a means reasonably designed to prevent fraudulent, deceptive, or manipulative acts or practices, it shall be unlawful for any broker, dealer, or municipal securities dealer to recommend the purchase or sale of a municipal security unless such broker, dealer, or municipal securities dealer has procedures in place that provide reasonable assurance that it will receive prompt notice of any event disclosed pursuant to paragraph (b)(5)(i)(C), paragraph (b)(5)(i)(D), and paragraph (d)(2)(ii)(B) of this section with respect to that security.

(d) *Exemptions.* (1) This section shall not apply to a primary offering of municipal securities in authorized denominations of \$100,000 or more, if such securities:

(D) If at any time there is a liquidating deficit in a specialist's market-maker account, then the broker or dealer guaranteeing, endorsing, or carrying listed options transactions in such specialist's market-maker account may not extend any further credit in that account, and shall take steps to liquidate promptly existing positions in the account. This paragraph shall not prevent the broker or dealer from, upon approval by the broker's or dealer's Designated Examining Authority, entering into hedging positions in the specialist's market-maker account. The broker or dealer also shall transmit telegraphic or facsimile notice of the deficit and its amount by the close of business of the following business day to its Designated Examining Authority and the Designated Examining Authority of the specialist, if different from its own.

(E) Upon written application to the Commission by the specialist and the

Securities and Exchange Commission

§ 240.15c3-1

broker or dealer guaranteeing, endorsing, or carrying options transactions in such specialist's market-maker account, the Commission may approve upon specified terms and conditions lesser adjustments to net worth than those specified in §240.15c3-1a.

(xi) *Brokers or Dealers Carrying Specialists or Market Makers Accounts.* With respect to a broker or dealer who carries a market maker or specialist account, or with respect to any transaction in options listed on a registered national securities exchange for which a broker or dealer acts as a guarantor or endorser of options written by a specialist in a specialist account, the broker or dealer shall deduct, for each account carried or for each class or series of options guaranteed or endorsed, any deficiency in collateral required by paragraph (a)(6) of this section.

(xii) *Deduction from net worth for certain undermargined accounts.* Deducting the amount of cash required in each customer's or non-customer's account to meet the maintenance margin requirements of the Examining Authority for the broker or dealer, after application of calls for margin, marks to the market or other required deposits which are outstanding 5 business days or less.

(xiii) *Deduction from net worth for indebtedness collateralized by exempted securities.* Deducting, at the option of the broker or dealer, in lieu of including such amounts in aggregate indebtedness, 4 percent of the amount of any indebtedness secured by exempted securities or municipal securities if such indebtedness would otherwise be includable in aggregate indebtedness.

EXEMPTED SECURITIES

(3) The term *exempted securities* shall mean those securities deemed exempted securities by section 3(a)(12) of the Securities Exchange Act of 1934 and rules thereunder.

CONTRACTUAL COMMITMENTS

(4) The term *contractual commitments* shall include underwriting, when issued, when distributed and delayed delivery contracts, the writing or endorsement of puts and calls and combinations thereof, commitments in foreign currencies, and spot (cash) com-

modities contracts, but shall not include uncleared regular way purchases and sales of securities and contracts in commodities futures. A series of contracts of purchase or sale of the same security conditioned, if at all, only upon issuance may be treated as an individual commitment.

ADEQUATELY SECURED

(5) Indebtedness shall be deemed to be adequately secured within the meaning of this section when the excess of the market value of the collateral over the amount of the indebtedness is sufficient to make the loan acceptable as a fully secured loan to banks regularly making secured loans to brokers or dealers.

CUSTOMER

(6) The term *customer* shall mean any person from whom, or on whose behalf, a broker or dealer has received, acquired or holds funds or securities for the account of such person, but shall not include a broker or dealer or a registered municipal securities dealer, or a general, special or limited partner or director or officer of the broker or dealer, or any person to the extent that such person has a claim for property or funds which by contract, agreement, or understanding, or by operation of law, is part of the capital of the broker or dealer. *Provided, however,* That the term "customer" shall also include a broker or dealer, but only insofar as such broker or dealer maintains a special omnibus account carried with another broker or dealer in compliance with 12 CFR 220.4(b) of Regulation T under the Securities Exchange Act of 1934.

NON-CUSTOMER

(7) The term *non-customer* means a broker or dealer, registered municipal securities dealer, general partner, limited partner, officer, director and persons to the extent their claims are subordinated to the claims of creditors of the broker or dealer.

MARKET MAKER

(8) The term *market maker* shall mean a dealer who, with respect to a particular security, (i) regularly publishes

§ 240.15c3-1

PROMPTLY TRANSMIT AND DELIVER

(9) A broker or dealer is deemed to “promptly transmit” all funds and to “promptly deliver” all securities within the meaning of paragraphs (a)(2)(i) and (a)(2)(v) of this section where such transmission or delivery is made no later than noon of the next business day after the receipt of such funds or securities; provided, however, that such prompt transmission or delivery shall not be required to be effected prior to the settlement date for such transaction.

PROMPTLY FORWARD

(10) A broker or dealer is deemed to “promptly forward” funds or securities within the meaning of paragraph (a)(2)(i) of this section only when such forwarding occurs no later than noon of the next business day following receipt of such funds or securities.

READY MARKET

(11)(i) The term *ready market* shall include a recognized established securities market in which there exists independent bona fide offers to buy and sell so that a price reasonably related to the last sales price or current bona fide competitive bid and offer quotations can be determined for a particular security almost instantaneously and where payment will be received in settlement of a sale at such price within a relatively short time conforming to trade custom.

(ii) A *ready market* shall also be deemed to exist where securities have been accepted as collateral for a loan by a bank as defined in section 3(a)(6) of the Securities Exchange Act of 1934 and where the broker or dealer demonstrates to its Examining Authority that such securities adequately secure such loans as that term is defined in paragraph (c)(5) of this section.

17 CFR Ch. II (4-1-04 Edition)

EXAMINING AUTHORITY

(12) The term *Examining Authority* of a broker or dealer shall mean for the purposes of 17 CFR 240.15c3-1 and 240.15c3-1a-d the national securities exchange or national securities association of which the broker or dealer is a member or, if the broker or dealer is a member of more than one such self-regulatory organization, the organization designated by the Commission as the Examining Authority for such broker or dealer, or if the broker or dealer is not a member of any such self-regulatory organization, the Regional or District Office of the Commission where such broker or dealer has its principal place of business.

EQUITY

(13) [Reserved]

(14) The term *municipal securities* shall mean those securities included within the definition of “municipal securities” in section 3(a)(29) of the Securities Exchange Act of 1934.

(15) The term *tentative net capital* shall mean the net capital of a broker or dealer before deducting the securities haircuts computed pursuant to paragraph (c)(2)(vi) of this section and the charges on inventory computed pursuant to Appendix B to this section (§240.15c3-1b). However, for purposes of paragraph (a)(5) of this section, the term *tentative net capital* means the net capital of an OTC derivatives dealer before deducting the charges for market and credit risk as computed pursuant to Appendix F to this section (§240.15c3-1f) or paragraph (c)(2)(vi) of this section, if applicable, and increased by the balance sheet value (including counterparty net exposure) resulting from transactions in eligible OTC derivative instruments which would otherwise be deducted by virtue of paragraph (c)(2)(iv) of this section.

(d) *Debt-equity requirements.* No broker or dealer shall permit the total of outstanding principal amounts of its satisfactory subordination agreements (other than such agreements which qualify under this paragraph (d) as equity capital) to exceed 70 percent of its debt-equity total, as hereinafter defined, for a period in excess of 90 days or for such longer period which the

Commission may, upon application of the broker or dealer, grant in the public interest or for the protection of investors. In the case of a corporation, the debt-equity total shall be the sum of its outstanding principal amounts of satisfactory subordination agreements, par or stated value of capital stock, paid in capital in excess of par, retained earnings, unrealized profit and loss or other capital accounts. In the case of a partnership, the debt-equity total shall be the sum of its outstanding principal amounts of satisfactory subordination agreements, capital accounts of partners (exclusive of such partners' securities accounts) subject to the provisions of paragraph (e) of this section, and unrealized profit and loss. In the case of a sole proprietorship, the debt-equity total shall include the sum of its outstanding principal amounts of satisfactory subordination agreements, capital accounts of the sole proprietorship and unrealized profit and loss. *Provided, however,* That a satisfactory subordination agreement entered into by a partner or stockholder which has an initial term of at least three years and has a remaining term of not less than 12 months shall be considered equity for the purposes of this paragraph (d) if:

(1) It does not have any of the provisions for accelerated maturity provided for by paragraphs (b)(9)(i), (10)(i) or (10)(ii) of Appendix (D) (17 CFR 240.15c3-1d) and is maintained as capital subject to the provisions restricting the withdrawal thereof required by paragraph (e) of this section or

(2) The partnership agreement provides that capital contributed pursuant to a satisfactory subordination agreement as defined in Appendix (D) (17 CFR 240.15c3-1d) shall in all respects be partnership capital subject to the provisions restricting the withdrawal thereof required by paragraph (e) of this section.

(e)(1) *Notice provisions relating to limitations on the withdrawal of equity capital.* No equity capital of the broker or dealer or a subsidiary or affiliate consolidated pursuant to appendix C (17 CFR 240.15c3-1c) may be withdrawn by action of a stockholder or a partner or by redemption or repurchase of shares of stock by any of the consolidated en-

tities or through the payment of dividends or any similar distribution, nor may any unsecured advance or loan be made to a stockholder, partner, sole proprietor, employee or affiliate without written notice given in accordance with paragraph (e)(1)(iv) of this section:

(i) Two business days prior to any withdrawals, advances or loans if those withdrawals, advances or loans on a net basis exceed in the aggregate in any 30 calendar day period, 30 percent of the broker or dealer's excess net capital. A broker or dealer, in an emergency situation, may make withdrawals, advances or loans that on a net basis exceed 30 percent of the broker or dealer's excess net capital in any 30 calendar day period without giving the advance notice required by this paragraph, with the prior approval of its Examining Authority. Where a broker or dealer makes a withdrawal with the consent of its Examining Authority, it shall in any event comply with paragraph (e)(1)(ii) of this section; or

(ii) Two business days after any withdrawals, advances or loans if those withdrawals, advances or loans on a net basis exceed in the aggregate in any 30 calendar day period, 20 percent of the broker or dealer's excess net capital.

(iii) This paragraph (e)(1) does not apply to:

(A) Securities or commodities transactions in the ordinary course of business between a broker or dealer and an affiliate where the broker or dealer makes payment to or on behalf of such affiliate for such transaction and then receives payment from such affiliate for the securities or commodities transaction within two business days from the date of the transaction; or

(B) Withdrawals, advances or loans which in the aggregate in any thirty calendar day period, on a net basis, equal \$500,000 or less.

(iv) Each required notice shall be effective when received by the Commission in Washington, DC, the regional or district office of the Commission for the region or district in which the broker or dealer has its principal place of business, the broker or dealer's Examining Authority and the Commodity

Futures Trading Commission if such broker or dealer is registered with that Commission.

(2) *Limitations on Withdrawal of equity capital.* No equity capital of the broker or dealer or a subsidiary or affiliate consolidated pursuant to appendix C (17 CFR 240.15c3-1c) may be withdrawn by action of a stockholder or a partner or by redemption or repurchase of shares of stock by any of the consolidated entities or through the payment of dividends or any similar distribution, nor may any unsecured advance or loan be made to a stockholder, partner, sole proprietor, employee or affiliate, if after giving effect thereto and to any other such withdrawals, advances or loans and any Payments of Payment Obligations (as defined in appendix D (17 CFR 240.15c3-1d)) under satisfactory subordination agreements which are scheduled to occur within 180 days following such withdrawal, advance or loan if:

(i) The broker or dealer's net capital would be less than 120 percent of the minimum dollar amount required by paragraph (a) of this section;

(ii) The broker-dealer is registered as a futures commission merchant, its net capital would be less than 7 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account);

(iii) The broker-dealer's net capital would be less than 25 percent of deductions from net worth in computing net capital required by paragraphs (c)(2)(vi), (f) and appendix A, of this section, unless the broker or dealer has the prior approval of the Commission to make such withdrawal;

(iv) The total outstanding principal amounts of satisfactory subordination agreements of the broker or dealer and any subsidiaries or affiliates consolidated pursuant to appendix C (17 CFR 240.15c3-1c) (other than such agreements which qualify as equity under paragraph (d) of this section) would exceed 70% of the debt-equity total as defined in paragraph (d) of this section;

(v) The broker or dealer is subject to the aggregate indebtedness limitations of paragraph (a) of this section, the aggregate indebtedness of any of the consolidated entities exceeds 1000 percent of its net capital; or

(vi) The broker or dealer is subject to the alternative net capital requirement of paragraph (f) of this section, its net capital would be less than 5 percent of aggregate debit items computed in accordance with 17 CFR 240.15c3-3a.

(3)(i) *Temporary Restrictions on Withdrawal of Net Capital.* The Commission may by order restrict, for a period up to twenty business days, any withdrawal by the broker or dealer of equity capital or unsecured loan or advance to a stockholder, partner, sole proprietor, employee or affiliate if such withdrawal, advance or loan:

(A) When aggregated with all other withdrawals, advances or loans on a net basis during a 30 calendar day period exceeds 30 percent of the broker or dealer's excess net capital; and

(B) The Commission, based on the facts and information available, concludes that the withdrawal, advance or loan may be detrimental to the financial integrity of the broker or dealer, or may unduly jeopardize the broker or dealer's ability to repay its customer claims or other liabilities which may cause a significant impact on the markets or expose the customers or creditors of the broker or dealer to loss without taking into account the application of the Securities Investor Protection Act.

(ii) An order temporarily prohibiting the withdrawal of capital shall be rescinded if the Commission determines that the restriction on capital withdrawal should not remain in effect. The hearing will be held within two business days from the date of the request in writing by the broker or dealer.

(4)(i) *Miscellaneous provisions.* Excess net capital is that amount in excess of the amount required under paragraph (a) of this section. For the purposes of paragraphs (e)(1) and (e)(2) of this section, a broker or dealer may use the amount of excess net capital and deductions required under paragraphs

(c)(2)(vi), (f) and appendix A of this section reported in its most recently required filed Form X-17A-5 for the purposes of calculating the effect of a projected withdrawal, advance or loan relative to excess net capital or deductions. The broker or dealer must assure itself that the excess net capital or the deductions reported on the most recently required filed Form X-17A-5 have not materially changed since the time such report was filed.

(ii) The term equity capital includes capital contributions by partners, par or stated value of capital stock, paid-in capital in excess of par, retained earnings or other capital accounts. The term equity capital does not include securities in the securities accounts of partners and balances in limited partners' capital accounts in excess of their stated capital contributions.

(iii) Paragraphs (e)(1) and (e)(2) of this section shall not preclude a broker or dealer from making required tax payments or preclude the payment to partners of reasonable compensation, and such payments shall not be included in the calculation of withdrawals, advances, or loans for purposes of paragraphs (e)(1) and (e)(2) of this section.

(iv) For the purpose of this paragraph (e) of this section, any transaction between a broker or dealer and a stockholder, partner, sole proprietor, employee or affiliate that results in a diminution of the broker or dealer's net capital shall be deemed to be an advance or loan of net capital.

§ 240.15c3-1a Options (Appendix A to 17 CFR 240.15c3-1).

(a) *Definitions.* (1) The term *unlisted option* shall mean any option not included in the definition of listed option provided in paragraph (c)(2)(x) of § 240.15c3-1.

(2) The term *option series* refers to listed option contracts of the same type (either a call or a put) and exer-

cise style, covering the same underlying security with the same exercise price, expiration date, and number of underlying units.

(3) The term *related instrument* within an option class or product group refers to futures contracts and options on futures contracts covering the same underlying instrument. In relation to options on foreign currencies a related instrument within an option class also shall include forward contracts on the same underlying currency.

(4) The term *underlying instrument* refers to long and short positions, as appropriate, covering the same foreign currency, the same security, or a security which is exchangeable for or convertible into the underlying security within a period of 90 days. If the exchange or conversion requires the payment of money or results in a loss upon conversion at the time when the security is deemed an underlying instrument for purposes of this Appendix A, the broker or dealer will deduct from net worth the full amount of the conversion loss. The term underlying instrument shall not be deemed to include securities options, futures contracts, options on futures contracts, qualified stock baskets, or unlisted instruments.

(5) The term *options class* refers to all options contracts covering the same underlying instrument.

(6) The term *product group* refers to two or more option classes, related instruments, underlying instruments, and qualified stock baskets in the same portfolio type (see paragraph (b)(1)(ii) of this section) for which it has been determined that a percentage of offsetting profits may be applied to losses at the same valuation point.

(b) The deduction under this Appendix A to § 240.15c3-1 shall equal the sum of the deductions specified in paragraphs (b)(1)(v)(C) or (b)(2) of this section.

THEORETICAL PRICING CHARGES

(1)(i) *Definitions.* (A) The terms *theoretical gains and losses* shall mean the gain and loss in the value of individual option series, the value of underlying instruments, related instruments, and qualified stock baskets within that option's class, at 10 equidistant intervals

(valuation points) ranging from an assumed movement (both up and down) in the current market value of the underlying instrument equal to the percentage corresponding to the deductions otherwise required under § 240.15c3-1 for the underlying instrument (See paragraph (a)(1)(iii) of this section). Theoretical gains and losses shall be calculated using a theoretical options pricing model that satisfies the criteria set forth in paragraph (a)(1)(i)(B) of this section.

(B) The term *theoretical options pricing model* shall mean any mathematical model, other than a broker-dealer proprietary model, approved by a Designated Examining Authority. Such Designated Examining Authority shall submit the model to the Commission, together with a description of its methods for approving models. Any such model shall calculate theoretical gains and losses as described in paragraph (a)(1)(i)(A) of this section for all series and issues of equity, index and foreign currency options and related instruments, and shall be made available equally and on the same terms to all registered brokers or dealers. Its procedures shall include the arrangement of the vendor to supply accurate and timely data to each broker-dealer with respect to its services, and the fees for distribution of the services. The data provided to brokers or dealers shall also contain the minimum requirements set forth in paragraphs (b)(1)(v)(C) of this section and the product group offsets set forth in paragraphs (b)(1)(v)(B) of this section. At a minimum, the model shall consider the following factors in pricing the option:

- (1) The current spot price of the underlying asset;
- (2) The exercise price of the option;
- (3) The remaining time until the option's expiration;
- (4) The volatility of the underlying asset;
- (5) Any cash flows associated with ownership of the underlying asset that can reasonably be expected to occur during the remaining life of the option; and
- (6) The current term structure of interest rates.

(C) The term *major market foreign currency* shall mean the currency of a sov-

ereign nation whose short-term debt is rated in one of the two highest categories by at least two nationally recognized statistical rating organizations and for which there is a substantial inter-bank forward currency market. For purposes of this section, the European Currency Unit (ECU) shall be deemed a major market foreign currency.

(D) The term *qualified stock basket* shall mean a set or basket of stock positions which represents no less than 50% of the capitalization for a high-capitalization or non-high-capitalization diversified market index, or, in the case of a narrow-based index, no less than 95% of the capitalization for such narrow-based index.

(ii) With respect to positions involving listed options in a single specialist's market-maker account, and, separately, with respect to positions involving listed option positions in its proprietary or other account, the broker or dealer shall group long and short positions into the following portfolio types:

(A) Equity options on the same underlying instrument and positions in that underlying instrument;

(B) Options on the same major market foreign currency, positions in that major market foreign currency, and related instruments within those options' classes;

(C) High-capitalization diversified market index options, related instruments within the option's class, and qualified stock baskets in the same index;

(D) Non-high-capitalization diversified index options, related instruments within the index option's class, and qualified stock baskets in the same index; and

(E) Narrow-based index options, related instruments within the index option's class, and qualified stock baskets in the same index.

(iii) Before making the computation, each broker or dealer shall obtain the theoretical gains and losses for each options series and for the related and underlying instruments within those

options' class in each specialist's market-maker account guaranteed, endorsed, or carried by a broker or dealer, or in the proprietary or other accounts of that broker or dealer. For each option series, the theoretical options pricing model shall calculate theoretical prices at 10 equidistant valuation points within a range consisting of an increase or a decrease of the following percentages of the daily market price of the underlying instrument:

(A) +(-)15% for equity securities with a ready market, narrow-based indexes, and non-high-capitalization diversified indexes;

(B) +(-)6% for major market foreign currencies;

(C) +(-) 20% for all other currencies; and

(D) +(-)10% for high-capitalization diversified indexes.

(iv)(A) As to non-clearing option specialists and market-makers, the percentages of the daily market price of the underlying instrument shall be:

(1) +(-) 4½% for major market foreign currencies; and

(2) +6(-)8% for high-capitalization diversified indexes.

(3) +(-) 10% for a non-clearing market-maker, or specialist in non-high capitalization diversified index product group.

(B) The provisions of this paragraph (b)(1)(iv) shall expire two years from September 1, 1997, unless otherwise extended by the Commission.

(v)(A) The broker or dealer shall multiply the corresponding theoretical gains and losses at each of the 10 equidistant valuation points by the number of positions held in a particular options series, the related instruments and qualified stock baskets within the option's class, and the positions in the same underlying instrument.

(B) In determining the aggregate profit or loss for each portfolio type, the broker or dealer will be allowed the following offsets in the following order, provided, that in the case of qualified stock baskets, the broker or dealer may elect to net individual stocks between qualified stock baskets and take the appropriate deduction on the remaining, if any, securities:

(1) First, a broker or dealer is allowed the following offsets within an option's class:

(i) Between options on the same underlying instrument, positions covering the same underlying instrument, and related instruments within the option's class, 100% of a position's gain shall offset another position's loss at the same valuation point;

(ii) Between index options, related instruments within the option's class, and qualified stock baskets on the same index, 95%, or such other amount as designated by the Commission, of gains shall offset losses at the same valuation point;

(2) Second, a broker-dealer is allowed the following offsets within an index product group:

(i) Among positions involving different high-capitalization diversified index option classes within the same product group, 90% of the gain in a high-capitalization diversified market index option, related instruments, and qualified stock baskets within that index option's class shall offset the loss at the same valuation point in a different high-capitalization diversified market index option, related instruments, and qualified stock baskets within that index option's class;

(ii) Among positions involving different non-high-capitalization diversified index option classes within the same product group, 75% of the gain in a non-high-capitalization diversified market index option, related instruments, and qualified stock baskets within that index option's class shall offset the loss at the same valuation point in another non-high-capitalization diversified market index option, related instruments, and qualified stock baskets within that index option's class or product group;

(iii) Among positions involving different narrow-based index option classes within the same product group, 90% of the gain in a narrow-based market index option, related instruments, and qualified stock baskets within that index option's class shall offset the loss at the same valuation point in another narrow-based market index option, related instruments, and qualified stock baskets within that index option's class or product group;

(iv) No qualified stock basket should offset another qualified stock basket; and

(3) Third, a broker-dealer is allowed the following offsets between product groups: Among positions involving different diversified index product groups within the same market group, 50% of the gain in a diversified market index option, a related instrument, or a qualified stock basket within that index option's product group shall offset the loss at the same valuation point in another product group;

(C) For each portfolio type, the total deduction shall be the larger of:

(1) The amount for any of the 10 equidistant valuation points representing the largest theoretical loss after applying the offsets provided in paragraph (b)(1)(v)(B) if this section; or

(2) A minimum charge equal to 25% times the multiplier for each equity and index option contract and each related instrument within the option's class or product group, or \$25 for each option on a major market foreign currency with the minimum charge for futures contracts and options on futures contracts adjusted for contract size differentials, not to exceed market value in the case of long positions in options and options on futures contracts; plus

(3) In the case of portfolio types involving index options and related instruments offset by a qualified stock basket, there will be a minimum charge of 5% of the market value of the qualified stock basket for high-capitalization diversified and narrow-based indexes; and

(4) In the case of portfolio types involving index options and related instruments offset by a qualified stock basket, there will be a minimum charge of 7½% of the market value of the qualified stock basket for non-high-capitalization diversified indexes.

ALTERNATIVE STRATEGY BASED METHOD

(2) A broker or dealer may elect to apply the alternative strategy based method in accordance with the provisions of this paragraph (b)(2).

(i) *Definitions.* (A) The term *intrinsic value* or *in-the-money amount* shall mean the amount by which the exercise value, in the case of a call, is less than the current market value of the

underlying instrument, and, in the case of a put, is greater than the current market value of the underlying instrument.

(B) The term *out-of-the-money amount* shall mean the amount by which the exercise value, in the case of a call, is greater than the current market value of the underlying instrument, and, in the case of a put, is less than the current market value of the underlying instrument.

(C) The term *time value* shall mean the current market value of an option contract that is in excess of its intrinsic value.

(ii) Every broker or dealer electing to calculate adjustments to net worth in accordance with the provisions of this paragraph (b)(2) must make the following adjustments to net worth:

(A) Add the time value of a short position in a listed option; and

(B) Deduct the time value of a long position in a listed option, which relates to a position in the same underlying instrument or in a related instrument within the option class or product group as recognized in the strategies enumerated in paragraph (b)(2)(iii)(D) of this section; and

(C) Add the net short market value or deduct the long market value of listed options as recognized in the strategies enumerated in paragraphs (b)(2)(iii)(E)(1) and (2) of this section.

(iii) In computing net capital after the adjustments provided for in paragraph (b)(2)(ii) of this section, every broker or dealer shall deduct the percentages specified in this paragraph (b)(2)(iii) for all listed option positions, positions covering the same underlying instrument and related instruments within the options' class or product group.

UNCOVERED CALLS

(A) Where a broker or dealer is short a call, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1 of the current market value of the underlying instrument reduced by its out-of-the-money amount, to the extent that such reduction does not operate to increase net capital. In no event shall this deduction be less than the

Securities and Exchange Commission

§ 240.15c3-1a

greater of \$250 for each short call option contract for 100 shares or 50% of the aforementioned percentage.

UNCOVERED PUTS

(B) Where a broker or dealer is short a put, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of §240.15c3-1 of the current market value of the underlying instrument for such option reduced by its out-of-the-money amount, to the extent that such reduction does not operate to increase net capital. In no event shall the deduction provided by this paragraph be less than the greater of \$250 for each short put option contract for 100 shares or 50% of the aforementioned percentage.

LONG POSITIONS

(C) Where a broker or dealer is long puts or calls, deducting 50 percent of the market value of the net long put and call positions in the same options series.

CERTAIN SECURITY POSITIONS WITH OFFSETTING OPTIONS

(D)(1) Where a broker or dealer is long a put for which it has an offsetting long position in the same number of units of the same underlying instrument, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of §240.15c3-1 of the current market value of the underlying instrument for the long offsetting position, not to exceed the out-of-the-money amount of the option. In no event shall the deduction provided by this paragraph be less than \$25 for each option contract for 100 shares, provided that the minimum charge need not exceed the intrinsic value of the option.

(2) Where a broker or dealer is long a call for which it has an offsetting short position in the same number of units of the same underlying instrument, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of §240.15c3-1 of the current market value of the underlying instrument for the short offsetting position, not to exceed the out-of-the-money amount of the option. In no event shall the deduction provided by this paragraph be less than \$25 for each option contract for 100

shares, provided that the minimum charge need not exceed the intrinsic value of the option.

(3) Where a broker or dealer is short a call for which it has an offsetting long position in the same number of units of the same underlying instrument, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of §240.15c3-1 of the current market value of the underlying instrument for the offsetting long position reduced by the short call's intrinsic value. In no event shall the deduction provided by this paragraph be less than \$25 for each option contract for 100 shares.

CERTAIN SPREAD POSITIONS

(E)(1) Where a broker or dealer is short a listed call and is also long a listed call in the same class of options contracts and the long option expires on the same date as or subsequent to the short option, the deduction, after adjustments required in paragraph (b) of this section, shall be the amount by which the exercise value of the long call exceeds the exercise value of the short call. If the exercise value of the long call is less than or equal to the exercise value of the short call, no deduction is required.

(2) Where a broker or dealer is short a listed put and is also long a listed put in the same class of options contracts and the long option expires on the same date as or subsequent to the short option, the deduction, after the adjustments required in paragraph (b) of this section, shall be the amount by which the exercise value of the short put exceeds the exercise value of the long put. If the exercise value of the long put is equal to or greater than the exercise value of the short put, no deduction is required.

(c) With respect to transactions involving unlisted options, every broker or dealer shall determine the value of unlisted option positions in accordance with the provision of paragraph (c)(2)(i) of §240.15c3-1, and shall deduct the percentages of all securities positions or unlisted options in the proprietary or other accounts of the broker or dealer specified in this paragraph (c). However, where computing the deduction required for a security position as if

§ 240.15c3-1b

17 CFR Ch. II (4-1-04 Edition)

the security position had no related unlisted option position and positions in unlisted options as if uncovered would result in a lesser deduction from net worth, the broker or dealer may compute such deductions separately.

UNCOVERED CALLS

(1) Where a broker or dealer is short a call, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the current market value of the security underlying such option reduced by any excess of the exercise value of the call over the current market value of the underlying security. In no event shall the deduction provided by this paragraph be less than \$250 for each option contract for 100 shares.

UNCOVERED PUTS

(2) Where a broker or dealer is short a put, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the current market value of the security underlying the option reduced by any excess of the market value of the underlying security over the exercise value of the put. In no event shall the deduction provided by this paragraph be less than \$250 for each option contract for 100 shares.

COVERED CALLS

(3) Where a broker or dealer is short a call and long equivalent units of the underlying security, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the current market value of the underlying security reduced by any excess of the current market value of the underlying security over the exercise value of the call. No reduction under this paragraph shall have the effect of increasing net capital.

COVERED PUTS

(4) Where a broker or dealer is short a put and short equivalent units of the underlying security, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K)

of § 240.15c3-1) of the current market value of the underlying security reduced by any excess of the exercise value of the put over the market value of the underlying security. No such reduction shall have the effect of increasing net capital.

CONVERSION ACCOUNTS

(5) Where a broker or dealer is long equivalent units of the underlying security, long a put written or endorsed by a broker or dealer and short a call in its proprietary or other accounts, deducting 5 percent (or 50 percent of such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the current market value of the underlying security.

(6) Where a broker or dealer is short equivalent units of the underlying security, long a call written or endorsed by a broker or dealer and short a put in his proprietary or other accounts, deducting 5 percent (or 50 percent of such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the market value of the underlying security.

LONG OPTIONS

(7) Where a broker or dealer is long a put or call endorsed or written by a broker or dealer, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the market value of the underlying security, not to exceed any value attributed to such option in paragraph (c)(2)(i) of § 240.15c3-1.

[62 FR 6481, Feb. 12, 1997]

§ 240.15c3-1b Adjustments to net worth and aggregate indebtedness for certain commodities transactions (Appendix B to 17 CFR 240.15c3-1).

(a) Every broker or dealer in computing net capital pursuant to 17 CFR 240.15c3-1 shall comply with the following:

(1) Where a broker or dealer has an asset or liability which is treated or defined in paragraph (c) of 17 CFR 240.15c3-1, the inclusion or exclusion of all or part of such asset or liability for

the computation of aggregate indebtedness and net capital shall be in accordance with paragraph (c) of 17 CFR 240.15c3-1, except as specifically provided otherwise in this Appendix B. Where a commodity related asset or liability is specifically treated or defined in 17 CFR 1.17 and is not generally or specifically treated or defined in 17 CFR 240.15c3-1 or this Appendix B, the inclusion or exclusion of all or part of such asset or liability for the computation of aggregate indebtedness and net capital shall be in accordance with 17 CFR 1.17.

AGGREGATE INDEBTEDNESS

(2) The term *aggregate indebtedness* as defined in paragraph (c)(1) of this section shall exclude with respect to commodity-related transactions:

(i) Indebtedness arising in connection with an advance to a non-proprietary account when such indebtedness is adequately collateralized by spot commodities eligible for delivery on a contract market and when such spot commodities are covered.

(ii) Advances received by the broker or dealer against bills of lading issued in connection with the shipment of commodities sold by the broker or dealer; and

(iii) Equity balances in the accounts of general partners.

NET CAPITAL

(3) In computing net capital as defined in paragraph (c)(2) of this section, the net worth of a broker or dealer shall be adjusted as follows with respect to commodity-related transactions:

(i) *Unrealized profit or loss for certain commodities transactions.* (A) Unrealized profits shall be added and unrealized losses shall be deducted in the commodities accounts of the broker or dealer, including unrealized profits and losses on fixed price commitments and forward contracts; and

(B) The value attributed to any commodity option which is not traded on a contract market shall be the difference between the option's strike price and the market value for the physical or futures contract which is the subject of the option. In the case of a long call commodity option, if the market value

for the physical or futures contract which is the subject of the option is less than the strike price of the option, it shall be given no value. In the case of a long put commodity option, if the market value for the physical commodity or futures contract which is the subject of the option is more than the striking price of the option, it shall be given no value.

(ii) Deduct any unsecured commodity futures or option account containing a ledger balance and open trades, the combination of which liquidates to a deficit or containing a debit ledger balance only: *Provided, however,* Deficits or debit ledger balances in unsecured customers', non-customers' and proprietary accounts, which are the subject of calls for margin or other required deposits need not be deducted until the close of business on the business day following the date on which such deficit or debit ledger balance originated;

(iii) Deduct all unsecured receivables, advances and loans except for:

(A) Management fees receivable from commodity pools outstanding no longer than thirty (30) days from the date they are due;

(B) Receivables from foreign clearing organizations;

(C) Receivables from registered futures commission merchants or brokers, resulting from commodity futures or option transactions, except those specifically excluded under paragraph (3)(ii) of this Appendix B. In the case of an introducing broker or an applicant for registration as an introducing broker, include 50 percent of the value of a guarantee or security deposit with a futures commission merchant which carries or intends to carry accounts for the customers of the introducing broker.

(iv) Deduct all inventories (including work in process, finished goods, raw materials and inventories held for resale) except for readily marketable spot commodities; or spot commodities which adequately collateralize indebtedness under paragraph (c)(7) of 17 CFR 1.17;

(v) Guarantee deposits with commodities clearing organizations are not required to be deducted from net worth;

(vi) Stock in commodities clearing organizations to the extent of its margin value is not required to be deducted from net worth;

(vii) Deduct from net worth the amount by which any advances paid by the broker or dealer on cash commodity contracts and used in computing net capital exceeds 95 percent of the market value of the commodities covered by such contracts.

(viii) Do not include equity in the commodity accounts of partners in net worth.

(ix) In the case of all inventory, fixed price commitments and forward contracts, except for inventory and forward contracts in the inter-bank market in those foreign currencies which are purchased or sold for further delivery on or subject to the rules of a contract market and covered by an open futures contract for which there will be no charge, deduct the applicable percentage of the net position specified below:

(A) Inventory which is currently registered as deliverable on a contract market and covered by an open futures contract or by a commodity option on a physical—No charge.

(B) Inventory which is covered by an open futures contract or commodity option—5% of the market value.

(C) Inventory which is not covered—20% of the market value.

(D) Fixed price commitments (open purchases and sales) and forward contracts which are covered by an open futures contract or commodity option—10% of the market value.

(E) Fixed price commitments (open purchases and sales) and forward contracts which are not covered by an open futures contract or commodity option—20% of the market value.

(x) Deduct 4% of the market value of commodity options granted (sold) by option customers on or subject to the rules of a contract market.

(xi) [Reserved]

(xii) Deduct for undermargined customer commodity futures accounts the amount of funds required in each such account to meet maintenance margin requirements of the applicable board of trade or, if there are no such maintenance margin requirements, clearing organization margin requirements ap-

plicable to such positions, after application of calls for margin, or other required deposits which are outstanding three business days or less. If there are no such maintenance margin requirements or clearing organization margin requirements on such accounts, then deduct the amount of funds required to provide margin equal to the amount necessary after application of calls for margin, or other required deposits outstanding three days or less to restore original margin when the original margin has been depleted by 50 percent or more. *Provided*, To the extent a deficit is deducted from net worth in accordance with paragraph (a)(3)(ii) of this Appendix B, such amount shall not also be deducted under this paragraph (a)(3)(xii). In the event that an owner of a customer account has deposited an asset other than cash to margin, guarantee or secure his account, the value attributable to such asset for purposes of this paragraph shall be the lesser of (A) the value attributable to such asset pursuant to the margin rules of the applicable board of trade, or (B) the market value of such asset after application of the percentage deductions specified in paragraph (a)(3)(ix) of this Appendix B or, where appropriate, specified in paragraph (c)(2)(vi) or (c)(2)(vii) of § 240.15c3-1 this chapter;

(xiii) Deduct for undermargined non-customer and omnibus commodity futures accounts the amount of funds required in each such account to meet maintenance margin requirements of the applicable board of trade or, if there are no such maintenance margin requirements, clearing organization margin requirements applicable to such positions, after application of calls for margin, or other required deposits which are outstanding two business days or less. If there are no such maintenance margin requirements or clearing organization margin requirements, then deduct the amount of funds required to provide margin equal to the amount necessary after application of calls for margin, or other required deposits outstanding two days or less to restore original margin when the original margin has been depleted by 50 percent or more. *Provided*, To the extent a deficit is deducted from net worth in accordance with paragraph

Securities and Exchange Commission

§ 240.15c3-1b

(a)(3)(ii) of this Appendix B such amount shall not also be deducted under this paragraph (a)(3)(xiii). In the event that an owner of a non-customer or omnibus account has deposited an asset other than cash to margin, guarantee or secure his account, the value attributable to such asset for purposes of this paragraph shall be the lesser of (A) the value attributable to such asset pursuant to the margin rules of the applicable board of trade, or (B) the market value of such asset after application of the percentage deductions specified in paragraph (a)(3)(ix) of this Appendix B or, where appropriate, specified in paragraph (c)(2)(vi) or (c)(2)(vii) of § 240.15c3-1 of this chapter;

(xiv) In the case of open futures contracts and granted (sold) commodity options held in proprietary accounts carried by the broker or dealer which are not covered by a position held by the broker or dealer or which are not the result of a "changer trade made in accordance with the rules of a contract market, deduct:

(A) For a broker or dealer which is a clearing member of a contract market for the positions on such contract market cleared by such member, the applicable margin requirement of the applicable clearing organization;

(B) For a broker or dealer which is a member of a self-regulatory organization 150% of the applicable maintenance margin requirement of the applicable board of trade or clearing organization, whichever is greater; or

(C) For all other brokers or dealers, 200% of the applicable maintenance margin requirement of the applicable board of trade or clearing organization, whichever is greater; or

(D) For open contracts or granted (sold) commodity options for which there are no applicable maintenance margin requirements, 200% of the applicable initial margin requirement;

Provided, the equity in any such proprietary account shall reduce the deduction required by this paragraph (a)(3)(xiv) if such equity is not otherwise includable in net capital.

(xv) In the case of a broker or dealer which is a purchaser of a commodity option which is traded on a contract market the deduction shall be the same safety factor as if the broker or dealer

were the grantor of such option in accordance with paragraph (a)(3)(xiv), but in no event shall the safety factor be greater than the market value attributed to such option.

(xvi) In the case of a broker or dealer which is a purchaser of a commodity option not traded on a contract market which has value and such value is used to increase net capital, the deduction is ten percent of the market value of the physical or futures contract which is the subject of such option but in no event more than the value attributed to such option.

(xvii) Deduction 5% of all unsecured receivables includable under paragraph (a)(3)(iii)(C) of this Appendix B used by the broker or dealer in computing "net capital" and which are not receivable from (A) a futures commission merchant registered as such with the Commodity Futures Trading Commission, or (B) a broker or dealer which is registered as such with the Securities and Exchange Commission.

(xviii) A loan or advance or any other form of receivable shall not be considered "secured" for the purposes of paragraph (a)(3) of this Appendix B unless the following conditions exist:

(A) The receivable is secured by readily marketable collateral which is otherwise unencumbered and which can be readily converted into cash: *Provided, however*, That the receivable will be considered secured only to the extent of the market value of such collateral after application of the percentage deductions specified in paragraph (a)(3)(ix) of this Appendix B; and

(B)(1) The readily marketable collateral is in the possession or control of the broker or dealer; or

(2) The broker or dealer has a legally enforceable, written security agreement, signed by the debtor, and has a perfected security interest in the readily marketable collateral within the meaning of the laws of the State in which the readily marketable collateral is located.

(xix) The term *cover* for purposes of this Appendix B shall mean cover as defined in 17 CFR 1.17(j).

(xx) The term *customer* for purposes of this Appendix B shall mean customer as defined in 17 CFR 1.17(b)(2). The term "non-customer" for purposes

§ 240.15c3-1c

17 CFR Ch. II (4-1-04 Edition)

of this Appendix B shall mean non-customer as defined in 17 CFR 1.17(b)(4).

§ 240.15c3-1c Consolidated computations of net capital and aggregate indebtedness for certain subsidiaries and affiliates (Appendix C to 17 CFR 240.15c3-1).

(a) *Flow Through Capital Benefits.* Every broker or dealer in computing its net capital and aggregate indebtedness pursuant to 17 CFR 240.15c3-1 shall, subject to the provisions of paragraphs (b) and (d) of this Appendix, consolidate in a single computation assets and liabilities of any subsidiary or affiliate for which it guarantees, endorses or assumes directly or indirectly the obligations or liabilities. The assets and liabilities of a subsidiary or affiliate whose liabilities and obligations have not been guaranteed, endorsed, or assumed directly or indirectly by the broker or dealer may also be so consolidated if an opinion of counsel is obtained as provided for in paragraph (b) of this section.

(b) *Required Counsel Opinions.*(1) If the consolidation, provided for in paragraph (a) of this section, of any such subsidiary or affiliate results in the increase of the broker's or dealer's net capital and/or the decrease of the broker's or dealer's minimum net capital requirement under paragraph (a) of § 240.15c3-1 and an opinion of counsel described in paragraph (b)(2) of this section has not been obtained, such benefits shall not be recognized in the broker's or dealer's computation required by this section.

(2) Except as provided for in paragraph (b)(1) of this section, consolidation shall be permitted with respect to any subsidiaries or affiliates which are majority owned and controlled by the broker or dealer for which the broker or dealer can demonstrate to the satisfaction of the Commission, through the Examining Authority, by an opinion of counsel that the net asset values, or the portion thereof related to the parent's ownership interest in the subsidiary or affiliate may be caused by

the broker or dealer or a trustee appointed pursuant to the Securities Investor Protection Act of 1970 or otherwise, to be distributed to the broker or dealer within 30 calendar days. Such opinion shall also set forth the actions necessary to cause such a distribution to be made, identify the parties having the authority to take such actions, identify and describe the rights of other parties or classes of parties, including but not limited to customers, general creditors, subordinated lenders, minority shareholders, employees, litigants and governmental or regulatory authorities, who may delay or prevent such a distribution and such other assurances as the Commission or the Examining Authority by rule or interpretation may require. Such opinion shall be current and periodically renewed in connection with the broker's or dealer's annual audit pursuant to 17 CFR 240.17a-5 under the Securities Exchange Act of 1934 or upon any material change in circumstances.

(c) *Principles of Consolidation.* In preparing a consolidated computation of net capital and/or aggregate indebtedness pursuant to this section, the following minimum and non-exclusive requirements shall be observed:

(1) Consolidated net worth shall be reduced by the estimated amount of any tax reasonably anticipated to be incurred upon distribution of the assets of the subsidiary or affiliate.

(2) Liabilities of a consolidated subsidiary or affiliate which are subordinated to the claims of present and future creditors pursuant to a satisfactory subordination agreement shall not be added to consolidated net worth unless such subordination extends also to the claims of present or future creditors of the parent broker or dealer and all consolidated subsidiaries.

(3) Subordinated liabilities of a consolidated subsidiary or affiliate which are consolidated in accordance with paragraph (c)(2) of this section may not be prepaid, repaid or accelerated if any of the entities included in such consolidation would otherwise be unable to comply with the provisions of Appendix (D), 17 CFR 240.15c3-1d.

(4) Each broker or dealer included within the consolidation shall at all times be in compliance with the net

capital requirement to which it is subject.

(d) *Certain Precluded Acts.* No broker or dealer shall guarantee, endorse or assume directly or indirectly any obligation or liability of a subsidiary or affiliate unless the obligation or liability is reflected in the computation of net capital and/or aggregate indebtedness pursuant to 17 CFR 240.15c3-1 or this Appendix (C), except as provided in paragraph (b)(1) of this section.

§ 240.15c3-1d Satisfactory Subordination Agreements (Appendix D to 17 CFR 240.15c3-1).

(a) *Introduction.* (1) This Appendix sets forth minimum and non-exclusive requirements for satisfactory subordination agreements (hereinafter "subordination agreement"). The Examining Authority may require or the broker or dealer may include such other provisions as deemed necessary or appropriate to the extent such provisions do not cause the subordination agreement to fail to meet the minimum requirements of this Appendix (D).

(2) *Certain Definitions.* For purposes of 17 CFR 240.15c3-1 and this Appendix (D):

(i) A subordination agreement may be either a subordinated loan agreement or a secured demand note agreement.

(ii) The term *subordinated loan agreement* shall mean the agreement or agreements evidencing or governing a subordinated borrowing of cash.

(iii) The term *Collateral Value* of any securities pledged to secure a secured demand note shall mean the market value of such securities after giving effect to the percentage deductions set forth in paragraph (c)(2)(vi) of § 240.15c3-1 except for paragraph (c)(2)(vi)(J). In lieu of the deduction under (c)(2)(vi)(J), the broker or dealer shall reduce the market value of the securities pledged to secure the secured demand note by 30 percent.

(iv) The term *Payment Obligation* shall mean the obligation of a broker or dealer in respect to any subordination agreement (A) to repay cash loaned to the broker or dealer pursuant

to a subordinated loan agreement or (B) to return a secured demand note contributed to the broker or dealer or reduce the unpaid principal amount thereof and to return cash or securities pledged as collateral to secure the secured demand note and (C) "Payment" shall mean the performance by a broker or dealer of a Payment Obligation.

(v)(A) The term *secured demand note agreement* shall mean an agreement (including the related secured demand note) evidencing or governing the contribution of a secured demand note to a broker or dealer and the pledge of securities and/or cash with the broker or dealer as collateral to secure payment of such secured demand note. The secured demand note agreement may provide that neither the lender, his heirs, executors, administrators or assigns shall be personally liable on such note and that in the event of default the broker or dealer shall look for payment of such note solely to the collateral then pledged to secure the same.

(B) The secured demand note shall be a promissory note executed by the lender and shall be payable on the demand of the broker or dealer to which it is contributed; provided, however, that the making of such demand may be conditioned upon the occurrence of any of certain events which are acceptable to the Commission and to the Examining Authority for such broker or dealer.

(C) If such note is not paid upon presentment and demand as provided for therein, the broker or dealer shall have the right to liquidate all or any part of the securities then pledged as collateral to secure payment of the same and to apply the net proceeds of such liquidation, together with any cash then included in the collateral, in payment of such note. Subject to the prior rights of the broker or dealer as pledgee, the lender, as defined herein, may retain ownership of the collateral and have the benefit of any increases and bear the risks of any decreases in the value of the collateral and may retain the right to vote securities contained within the collateral and any right to income therefrom or distributions thereon, except the broker or dealer shall have the right to receive and hold

as pledgee all dividends payable in securities and all partial and complete liquidating dividends.

(D) Subject to the prior rights of the broker or dealer as pledgee, the lender may have the right to direct the sale of any securities included in the collateral, to direct the purchases of securities with any cash included therein, to withdraw excess collateral or to substitute cash or other securities as collateral, provided that the net proceeds of any such sale and the cash so substituted and the securities so purchased or substituted are held by the broker or dealer, as pledgee, and are included within the collateral to secure payment of the secured demand note, and provided further that no such transaction shall be permitted if, after giving effect thereto, the sum of the amount of any cash, plus the Collateral Value of the securities, then pledged as collateral to secure the secured demand note would be less than the unpaid principal amount of the secured demand note.

(E) Upon payment by the lender, as distinguished from a reduction by the lender which is provided for in (b)(6)(iii) or reduction by the broker or dealer as provided for in subparagraph (b)(7) of this Appendix (D), of all or any part of the unpaid principal amount of the secured demand note, a broker or dealer shall issue to the lender a subordinated loan agreement in the amount of such payment (or in the case of a broker or dealer that is a partnership credit a capital account of the lender) or issue preferred or common stock of the broker or dealer in the amount of such payment, or any combination of the foregoing, as provided for in the secured demand note agreement.

(F) The term *lender* shall mean the person who lends cash to a broker or dealer pursuant to a subordinated loan agreement and the person who contributes a secured demand note to a broker or dealer pursuant to a secured demand note agreement.

(b) *Minimum Requirements for Subordination Agreements.* (1) Subject to paragraph (a) of this section, a subordination agreement shall mean a written agreement between the broker or dealer and the lender, which (i) has a minimum term of one year, except for tem-

porary subordination agreements provided for in paragraph (c)(5) of this Appendix (D), and (ii) is a valid and binding obligation enforceable in accordance with its terms (subject as to enforcement to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws) against the broker or dealer and the lender and their respective heirs, executors, administrators, successors and assigns.

(2) *Specific Amount.* All subordination agreements shall be for a specific dollar amount which shall not be reduced for the duration of the agreement except by installments as specifically provided for therein and except as otherwise provided in this Appendix (D).

(3) *Effective Subordination.* The subordination agreement shall effectively subordinate any right of the lender to receive any Payment with respect thereto, together with accrued interest or compensation, to the prior payment or provision for payment in full of all claims of all present and future creditors of the broker or dealer arising out of any matter occurring prior to the date on which the related Payment Obligation matures consistent with the provisions of 17 CFR 240.15c3-1 and 240.15c3-1d, except for claims which are the subject of subordination agreements which rank on the same priority as or junior to the claim of the lender under such subordination agreements.

(4) *Proceeds of Subordinated Loan Agreements.* The subordinated loan agreement shall provide that the cash proceeds thereof shall be used and dealt with by the broker or dealer as part of its capital and shall be subject to the risks of the business.

(5) *Certain Rights of the Broker or Dealer.* The subordination agreement shall provide that the broker or dealer shall have the right to:

(i) Deposit any cash proceeds of a subordinated loan agreement and any cash pledged as collateral to secure a secured demand note in an account or accounts in its own name in any bank or trust company;

(ii) Pledge, repledge, hypothecate and rehypothecate, any or all of the securities pledged as collateral to secure a secured demand note, without notice, separately or in common with other securities or property for the purpose of

Securities and Exchange Commission

§ 240.15c3-1d

securing any indebtedness of the broker or dealer; and

(iii) Lend to itself or others any or all of the securities and cash pledged as collateral to secure a secured demand note.

(6) *Collateral for Secured Demand Notes.* Only cash and securities which are fully paid for and which may be publicly offered or sold without registration under the Securities Act of 1933, and the offer, sale and transfer of which are not otherwise restricted, may be pledged as collateral to secure a secured demand note. The secured demand note agreement shall provide that if at any time the sum of the amount of any cash, plus the Collateral Value of any securities, then pledged as collateral to secure the secured demand note is less than the unpaid principal amount of the secured demand note, the broker or dealer must immediately transmit written notice to that effect to the lender and the Examining Authority for such broker or dealer. The secured demand note agreement shall also require that following such transmittal:

(i) The lender, prior to noon of the business day next succeeding the transmittal of such notice, may pledge as collateral additional cash or securities sufficient, after giving effect to such pledge, to bring the sum of the amount of any cash plus the Collateral Value of any securities, then pledged as collateral to secure the secured demand note, up to an amount not less than the unpaid principal amount of the secured demand note; and

(ii) Unless additional cash or securities are pledged by the lender as provided in paragraph (b)(6)(i) of this section, the broker or dealer at noon on the business day next succeeding the transmittal of notice to the lender must commence sale, for the account of the lender, of such of the securities then pledged as collateral to secure the secured demand note and apply so much of the net proceeds thereof, together with such of the cash then pledged as collateral to secure the secured demand note as may be necessary to eliminate the unpaid principal amount of the secured demand note; *Provided, however,* That the unpaid principal amount of the secured

demand note need not be reduced below the sum of the amount of any remaining cash, plus the Collateral Value of the remaining securities, then pledged as collateral to secure the secured demand note. The broker or dealer may not purchase for its own account any securities subject to such a sale.

(iii) The secured demand note agreement also may provide that, in lieu of the procedures specified in the provisions required by paragraph (b)(6)(ii) of this section, the lender with the prior written consent of the broker or dealer and the Examining Authority for the broker or dealer may reduce the unpaid principal amount of the secured demand note. After giving effect to such reduction, the aggregate indebtedness of the broker or dealer may not exceed 1000 percent of its net capital or, in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, net capital may not be less than 5 percent of aggregate debit items computed in accordance with § 240.15c3-3a, or, if registered as a futures commission merchant, 7 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater. No single secured demand note shall be permitted to be reduced by more than 15 percent of its original principal amount and after such reduction no excess collateral may be withdrawn. No Examining Authority shall consent to a reduction of the principal amount of a secured demand note if, after giving effect to such reduction, net capital would be less than 120 percent of the minimum dollar amount required by § 240.15c3-1.

Permissive Prepayments

(7) A broker or dealer at its option but not at the option of the lender may, if the subordination agreement so provides, make a Payment of all or any portion of the Payment Obligation thereunder prior to the scheduled maturity date of such Payment Obligation

(hereinafter referred to as a “Prepayment”), but in no event may any Prepayment be made before the expiration of one year from the date such subordination agreement became effective. This restriction shall not apply to temporary subordination agreements that comply with the provisions of paragraph (c)(5) of this Appendix D. No Prepayment shall be made, if, after giving effect thereto (and to all Payments of Payment Obligations under any other subordinated agreements then outstanding the maturity or accelerated maturities of which are scheduled to fall due within six months after the date such Prepayment is to occur pursuant to this provision or on or prior to the date on which the Payment Obligation in respect of such Prepayment is scheduled to mature disregarding this provision, whichever date is earlier) without reference to any projected profit or loss of the broker or dealer, either aggregate indebtedness of the broker or dealer would exceed 1000 percent of its net capital or its net capital would be less than 120 percent of the minimum dollar amount required by § 240.15c3-1 or, in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, its net capital would be less than 5 percent of its aggregate debit items computed in accordance with § 240.15c3-3a, or if registered as a futures commission merchant, 7 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer’s account), if greater, or its net capital would be less than 120 percent of the minimum dollar amount required by paragraph (a)(1)(ii) of § 240.15c3-1. Notwithstanding the above, no Prepayment shall occur without the prior written approval of the Examining Authority for such broker or dealer.

Suspended Repayment

(8)(i) The Payment Obligation of the broker or dealer in respect of any subordination agreement shall be suspended and shall not mature if, after

giving effect to Payment of such Payment Obligation (and to all Payments of Payment Obligations of such broker or dealer under any other subordination agreement(s) then outstanding that are scheduled to mature on or before such Payment Obligation) either (A) the aggregate indebtedness of the broker or dealer would exceed 1200 percent of its net capital, or in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, its net capital would be less than 5 percent of aggregate debit items computed in accordance with § 240.15c3-3a or, if registered as a futures commission merchant, 6 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer’s account), if greater, or (B) its net capital would be less than 120 percent of the minimum dollar amount required by § 240.15c3-1 including paragraph (a)(1)(ii), if applicable. The subordination agreement may provide that if the Payment Obligation of the broker or dealer thereunder does not mature and is suspended as a result of the requirement of this paragraph (b)(8) for a period of not less than six months, the broker or dealer shall thereupon commence the rapid and orderly liquidation of its business, but the right of the lender to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of § 240.15c3-1 and § 240.15c3-1d.

(9) *Accelerated Maturity-Obligation to Repay to Remain Subordinate.* (i) Subject to the provisions of paragraph (b)(8) of this appendix, a subordination agreement may provide that the lender may, upon prior written notice to the broker or dealer and the Examining Authority given not earlier than six months after the effective date of such subordination agreement, accelerate the date on which the Payment Obligation of the broker or dealer, together with accrued interest or compensation, is scheduled to mature to a date not earlier than six months after the giving of such notice,

but the right of the lender to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of 17 CFR 240.15c3-1 and 240.15c3-1d.

(ii) Notwithstanding the provisions of paragraph (b)(8) of this appendix, the Payment Obligation of the broker or dealer with respect to a subordination agreement, together with accrued interest and compensation, shall mature in the event of any receivership, insolvency, liquidation pursuant to the Securities Investor Protection Act of 1970 or otherwise, bankruptcy, assignment for the benefit of creditors, reorganization whether or not pursuant to the bankruptcy laws, or any other marshalling of the assets and liabilities of the broker or dealer but the right of the lender to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of 17 CFR 240.15c3-1 and 240.15c3-1d.

(10)(i) *Accelerated Maturity of Subordination Agreements on Event of Default and Event of Acceleration—Obligation to Repay to Remain Subordinate.* A subordination agreement may provide that the lender may, upon prior written notice to the broker or dealer and the Examining Authority of the broker or dealer of the occurrence of any Event of Acceleration (as hereinafter defined) given no sooner than six months after the effective date of such subordination agreement, accelerate the date on which the Payment Obligation of the broker or dealer, together with accrued interest or compensation, is scheduled to mature, to the last business day of a calendar month which is not less than six months after notice of acceleration is received by the broker or dealer and the Examining Authority for the broker or dealer. Any subordination agreement containing such Events of Acceleration may also provide, that if upon such accelerated maturity date the Payment Obligation of the broker or dealer is suspended as required by paragraph (b)(8) of this Appendix (D) and liquidation of the broker or dealer has not commenced on or prior to such accelerated maturity date, then notwithstanding paragraph (b)(8) of this appendix the Payment Obligation of the broker or dealer with respect to

such subordination agreement shall mature on the day immediately following such accelerated maturity date and in any such event the Payment Obligations of the broker or dealer with respect to all other subordination agreements then outstanding shall also mature at the same time but the rights of the respective lenders to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of this Appendix (D). Events of Acceleration which may be included in a subordination agreement complying with this paragraph (b)(10) shall be limited to:

(A) Failure to pay interest or any installment of principal on a subordination agreement as scheduled;

(B) Failure to pay when due other money obligations of a specified material amount;

(C) Discovery that any material, specified representation or warranty of the broker or dealer which is included in the subordination agreement and on which the subordination agreement was based or continued was inaccurate in a material respect at the time made;

(D) Any specified and clearly measurable event which is included in the subordination agreement and which the lender and the broker or dealer agree (1) is a significant indication that the financial position of the broker or dealer has changed materially and adversely from agreed upon specified norms or (2) could materially and adversely affect the ability of the broker or dealer to conduct its business as conducted on the date the subordination agreement was made; or (3) is a significant change in the senior management of the broker or dealer or in the general business conducted by the broker or dealer from that which obtained on the date the subordination agreement became effective;

(E) Any continued failure to perform agreed covenants included in the subordination agreement relating to the conduct of the business of the broker or dealer or relating to the maintenance and reporting of its financial position; and

(ii) Notwithstanding the provisions of paragraph (b)(8) of this appendix, a subordination agreement may provide

that, if liquidation of the business of the broker or dealer has not already commenced, the Payment Obligation of the broker or dealer shall mature, together with accrued interest or compensation, upon the occurrence of an Event of Default (as hereinafter defined). Such agreement may also provide that, if liquidation of the business of the broker or dealer has not already commenced, the rapid and orderly liquidation of the business of the broker or dealer shall then commence upon the happening of an Event of Default. Any subordination agreement which so provides for maturity of the Payment Obligation upon the occurrence of an Event of Default shall also provide that the date on which such Event of Default occurs shall, if liquidation of the broker or dealer has not already commenced, be the date on which the Payment Obligations of the broker or dealer with respect to all other subordination agreements then outstanding shall mature but the rights of the respective lenders to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of this Appendix (D). Events of Default which may be included in a subordination agreement shall be limited to:

(A) The making of an application by the Securities Investor Protection Corporation for a decree adjudicating that customers of the broker or dealer are in need of protection under the Securities Investor Protection Act of 1970 and the failure of the broker or dealer to obtain the dismissal of such application within 30 days;

(B) The aggregate indebtedness of the broker or dealer exceeding 1500 percent of its net capital or, in the case of a broker or dealer that has elected to operate under paragraph (a)(1)(ii) of § 240.15c3-1, its net capital computed in accordance therewith is less than 2 percent of its aggregate debit items computed in accordance with § 240.15c3-3a or, if registered as a futures commission merchant, 4 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market,

each such deduction not to exceed the amount of funds in the option customer's account), if greater, throughout a period of 15 consecutive business days, commencing on the day the broker or dealer first determines and notifies the Examining Authority for the broker or dealer, or the Examining Authority or the Commission first determines and notifies the broker or dealer of such fact;

(C) The Commission shall revoke the registration of the broker or dealer;

(D) The Examining Authority shall suspend (and not reinstate within 10 days) or revoke the broker's or dealer's status as a member thereof;

(E) Any receivership, insolvency, liquidation pursuant to the Securities Investor Protection Act of 1970 or otherwise, bankruptcy, assignment for the benefit of creditors, reorganization whether or not pursuant to bankruptcy laws, or any other marshalling of the assets and liabilities of the broker or dealer.

A subordination agreement which contains any of the provisions permitted by this paragraph (b)(10) shall not contain the provision otherwise permitted by clause (i) of paragraph (b)(9).

BROKERS AND DEALERS CARRYING THE ACCOUNTS OF SPECIALISTS AND MARKET MAKERS IN LISTED OPTIONS

(11) A subordination agreement which becomes effective on or after August 1, 1977 in favor of a broker or dealer who guarantees, endorses, carries or clears specialist or market maker transactions in options listed on a national securities exchange or facility of a national securities association shall provide that reduction, prepayment or repayment of the unpaid principal amount thereof, pursuant to those terms of the agreement required or permitted by paragraphs (b)(6)(iii), (b)(7), or (b)(8)(i) of this section, shall not occur in contravention of paragraphs (a)(6)(v), (a)(7)(iv), or (c)(2)(x)(B)(I) of § 240.15c3-1 insofar as they apply to such broker or dealer.

(c) *Miscellaneous Provisions*—(1) *Prohibited Cancellation*. The subordination agreement shall not be subject to cancellation by either party; no Payment shall be made with respect thereto and the agreement shall not be terminated,

Securities and Exchange Commission

§ 240.15c3-1d

rescinded or modified by mutual consent or otherwise if the effect thereof would be inconsistent with the requirements of 17 CFR 240.15c3-1 and 240.15c3-1d.

(2) Every broker or dealer shall immediately notify the Examining Authority for such broker or dealer if, after giving effect to all Payments of Payment Obligations under subordination agreements then outstanding that are then due or mature within the following six months without reference to any projected profit or loss of the broker or dealer either the aggregate indebtedness of the broker or dealer would exceed 1200 percent of its net capital or its net capital would be less than 120 percent of the minimum dollar amount required by § 240.15c3-1, or, in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, its net capital would be less than 5 percent of aggregate debit items computed in accordance with § 240.15c3-3a, or, if registered as a futures commission merchant, 6 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater, or less than 120 percent of the minimum dollar amount required by paragraph (a)(1)(ii) of § 240.15c3-1.

(3) *Certain Legends.* If all the provisions of a satisfactory subordination agreement do not appear in a single instrument, then the debenture or other evidence of indebtedness shall bear on its face an appropriate legend stating that it is issued subject to the provisions of a satisfactory subordination agreement which shall be adequately referred to and incorporated by reference.

(4) *Legal Title to Securities.* All securities pledged as collateral to secure a secured demand note must be in bearer form, or registered in the name of the broker or dealer or the name of its nominee or custodian.

Temporary and Revolving Subordination Agreements

(5)(i) For the purpose of enabling a broker or dealer to participate as an underwriter of securities or other extraordinary activities in compliance with the net capital requirements of § 240.15c3-1, a broker or dealer shall be permitted, on no more than three occasions in any 12 month period, to enter into a subordination agreement on a temporary basis that has a stated term of no more than 45 days from the date such subordination agreement became effective. This temporary relief shall not apply to a broker or dealer if, within the preceding thirty calendar days, it has given notice pursuant to § 240.17a-11, or if immediately prior to entering into such subordination agreement, either:

(A) The aggregate indebtedness of the broker or dealer exceeds 1000 percent of its net capital or its net capital is less than 120 percent of the minimum dollar amount required by § 240.15c3-1, or

(B) In the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, its net capital is less than 5 percent of aggregate debits computed in accordance with § 240.15c3-1, or, if registered as a futures commission merchant, less than 7 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater, or less than 120 percent of the minimum dollar amount required by paragraph (a)(1)(ii) of this section, or

(C) The amount of its then outstanding subordination agreements exceeds the limits specified in paragraph (d) of § 240.15c3-1. Such temporary subordination agreement shall be subject to all other provisions of this Appendix D.

(ii) A broker or dealer shall be permitted to enter into a revolving subordinated loan agreement which provides for prepayment within less than one year of all or any portion of the Payment Obligation thereunder at the option of the broker or dealer upon the

prior written approval of the Examining Authority for the broker or dealer. The Examining Authority, however, shall not approve any prepayment if:

(A) After giving effect thereto (and to all Payments of Payment Obligations under any other subordinated agreements then outstanding, the maturity or accelerated maturities of which are scheduled to fall due within six months after the date such prepayment is to occur pursuant to this provision or on or prior to the date on which the Payment Obligation in respect of such prepayment is scheduled to mature disregarding this provision, whichever date is earlier) without reference to any projected profit or loss of the broker or dealer, either aggregate indebtedness of the broker or dealer would exceed 900 percent of its net capital or its net capital would be less than 200 percent of the minimum dollar amount required by § 240.15c3-1 or, in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, its net capital would be less than 6 percent of aggregate debit items computed in accordance with § 240.15c3-3a, or, if registered as a futures commission merchant, 10 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater, or its net capital would be less than 200 percent of the minimum dollar amount required by paragraph (a)(1)(ii) of this section or

(B) Pre-tax losses during the latest three-month period equalled more than 15% of current excess net capital.

Any subordination agreement entered into pursuant to this paragraph (c)(5)(ii) shall be subject to all the other provisions of this Appendix D. Any such subordination agreement shall not be considered equity for purposes of subsection (d) of section 15c3-1, despite the length of the initial term of the loan.

(6)(i) *Filing.* Two copies of any proposed subordination agreement (including nonconforming subordination

agreements) shall be filed at least 10 days prior to the proposed execution date of the agreement with the Commission's Regional or District Office for the region or district in which the broker or dealer maintains its principal place of business or at such other time as the Regional or District Office for good cause shall accept such filing. Copies of the proposed agreement shall also be filed with the Examining Authority in such quantities and at such time as the Examining Authority may require. The broker or dealer shall also file with said parties a statement setting forth the name and address of the lender, the business relationship of the lender to the broker or dealer, and whether the broker or dealer carried funds or securities for the lender at or about the time the proposed agreement was so filed. All agreements shall be examined by the Commission's Regional or District Office or the Examining Authority with whom such agreement is required to be filed prior to their becoming effective. No proposed agreement shall be a satisfactory subordination agreement for the purposes of this section unless and until the Examining Authority has found the agreement acceptable and such agreement has become effective in the form found acceptable.

(ii) The broker or dealer need not file with the Regional or District Office for the region or district in which the broker or dealer maintains its principal place of business (if a Regional or District Office is not its Examining Authority) copies of any proposed subordination agreement or the statement described above if the Examining Authority for that broker or dealer has consented to file with the Commission periodic reports (not less than monthly) summarizing for the period, on a firm-by-firm basis, the subordination agreements it has approved for that period. Such reports should include at the minimum, the amount of the loan and its duration, the name of the lender and the business relationship of the lender to the broker or dealer.

(7) *Subordination Agreements in Effect Prior to Adoption.* Any subordination agreement which has been entered into prior to December 20, 1978 and which has been deemed to be satisfactorily

Securities and Exchange Commission

§ 240.15c3-1e

subordinated pursuant to 17 CFR 240.15c3-1 as in effect prior to December 20, 1978, shall continue to be deemed a satisfactory subordination agreement until the maturity of such agreement. *Provided*, That no renewal of an agreement which provides for automatic or optional renewal by the broker or dealer or lender shall be deemed to be a satisfactory subordination agreement unless such renewed agreement meets the requirements of this Appendix within 6 months from December 20, 1978. *Provided, further*, That all subordination agreements must meet the requirements of this Appendix within 5 years of December 20, 1978.

[57 FR 56990, Dec. 2, 1992]

§ 240.15c3-1f Optional market and credit risk requirements for OTC derivatives dealers (Appendix F to 17 CFR 240.15c3-1).

Application Requirements

(a) An OTC derivatives dealer may apply to the Commission for authorization to compute capital charges for market and credit risk pursuant to this Appendix F in lieu of computing securities haircuts pursuant to §240.15c3-1(c)(2)(vi).

(1) An OTC derivatives dealer's application shall contain the following information:

(i) *Executive summary.* An OTC derivatives dealer shall include in its application an Executive Summary of information provided to the Commission.

(ii) *Description of methods for computing market risk charges.* An OTC derivatives dealer shall provide a description of all statistical models used for pricing OTC derivative instruments and for computing value-at-risk ("VAR"), a description of the applicant's controls over those models, and a statement regarding whether the firm has developed its own internal VAR models. If the OTC derivatives dealer's VAR model incorporates empirical correlations across risk categories, the dealer shall describe its process for measuring correlations and describe the qualitative and quantitative aspects of the model which at a minimum must adhere to the criteria set forth in paragraph (e) of this Appendix F. The application shall further state whether the OTC derivatives dealer intends to use an alternative method for computing its market risk charge for equity instruments and, if applicable, a description of how its own theoretical pricing model contains the

minimum pricing factors set forth in Appendix A (§240.15c3-1a). The application shall also describe any category of securities having no ready market or any category of debt securities which are below investment grade for which the OTC derivatives dealer wishes to use its VAR model to calculate its market risk charge or for which it wishes to use an alternative method for computing this charge and a description of how those charges would be determined.

(iii) *Internal risk management control systems.* An OTC derivatives dealer shall provide a comprehensive description of its internal risk management control systems and how those systems adhere to the requirements set forth in §240.15c3-4(a) through (d).

(2) The Commission may approve the application after reviewing the application to determine whether the OTC derivatives dealer:

(i) Has adopted internal risk management control systems that meet the requirements set forth in §240.15c3-4; and

(ii) Has adopted a VAR model that meets the requirements set forth in paragraphs (e)(1) and (e)(2) of this Appendix F.

(3) If the OTC derivatives dealer materially amends its VAR model or internal risk management control systems as described in its application, including any material change in the categories of non-marketable securities that it wishes to include in its VAR model, the dealer shall file an application describing the changes which must be approved by the Commission before the changes may be implemented. After reviewing the application for changes to the dealer's VAR model or internal risk management control systems to determine whether, with the changes, the OTC derivatives dealer's VAR model and internal risk management control systems would meet the requirements set forth in this Appendix F and §240.15c3-4, the Commission may approve the application.

(4) The applications provided for in this paragraph (a) shall be considered filed when received at the Commission's principal office in Washington, DC. All applications filed pursuant to this paragraph (a) shall be deemed to be confidential.

Compliance With § 240.15c3-4

(b) An OTC derivatives dealer must be in compliance in all material respects with § 240.15c3-4 regarding its internal risk management control systems in order to be in compliance with § 240.15c3-1.

Market Risk

(c) An OTC derivatives dealer electing to apply this Appendix F shall compute a capital charge for market risk which shall be the aggregate of the charges computed below:

(1) *Value-at-Risk*. An OTC derivatives dealer shall deduct from net worth an amount for market risk for eligible OTC derivative instruments and other positions in its proprietary or other accounts equal to the VAR of these positions obtained from its proprietary VAR model, multiplied by the appropriate multiplication factor in paragraph (e)(1)(iv)(C) of this Appendix F. The OTC derivatives dealer may not elect to calculate its capital charges under this paragraph (c)(1) until its application to use the VAR model has been approved by the Commission.

(2) *Alternative method for equities*. An OTC derivatives dealer may elect to use this alternative method to calculate its market risk for equity instruments, including OTC options, upon approval by the Commission on application by the dealer. Under this alternative method, the deduction for market risk must be the amount computed pursuant to Appendix A to Rule 15c3-1

(§ 240.15c3-1a). In this computation, the OTC derivatives dealer may use its own theoretical pricing model provided that it contains the minimum pricing factors set forth in Appendix A.

(3) *Non-marketable securities*. An OTC derivatives dealer may not use a VAR model to determine a capital charge for any category of securities having no ready market or any category of debt securities which are below investment grade or any derivative instrument based on the value of these categories of securities, unless the Commission has granted, pursuant to paragraph (a)(1) of this Appendix F, its application to use its VAR model for any such category of securities. The dealer

in any event may apply, pursuant to paragraph (a)(1) of this Appendix F, for an alternative treatment for any such category of securities, rather than calculate the market risk capital charge for such category of securities under § 240.15c3-1(c)(2)(vi) and (vii).

(4) *Residual positions*. To the extent that a position has not been included in the calculation of the market risk charge in paragraphs (c)(1) through (c)(3) of this section, the market risk charge for the position shall be computed under § 240.15c3-1(c)(2)(vi).

Credit Risk

(d) The capital charge for credit risk arising from an OTC derivatives dealer's transactions in eligible OTC derivative instruments shall be:

(1) The net replacement value in the account of a counterparty (including the effect of legally enforceable netting agreements and the application of liquid collateral) that is insolvent, or in bankruptcy, or that has senior unsecured long-term debt in default;

(2) As to a counterparty not otherwise described in paragraph (d)(1) of this section, the net replacement value in the account of the counterparty (including the effect of legally enforceable netting agreements and the application of liquid collateral) multiplied by 8%, and further multiplied by the counterparty factor. The counterparty factors are:

(i) 20% for counterparties with ratings for senior unsecured long-term debt or commercial paper in the two highest rating categories by a nationally recognized statistical rating organization ("NRSRO");

(ii) 50% for counterparties with ratings for senior unsecured long-term debt in the third and fourth highest ratings categories by an NRSRO; and

(iii) 100% for counterparties with ratings for senior unsecured long-term debt below the four highest rating categories; and

(3) A concentration charge where the net replacement value in the account of any one counterparty (other than a counterparty described in paragraph (d)(1) of this section) exceeds 25% of the OTC derivatives dealer's tentative net capital, calculated as follows:

(i) For counterparties with ratings for senior unsecured long-term debt or commercial paper in the two highest rating categories by an NRSRO, 5% of the amount of the net replacement value in excess of 25% of the OTC derivatives dealer's tentative net capital;

(ii) For counterparties with ratings for senior unsecured long-term debt in the third and fourth highest rating categories by an NRSRO, 20% of the amount of the net replacement value in excess of 25% of the OTC derivatives dealer's tentative net capital; and

(iii) For counterparties with ratings for senior unsecured long-term debt below the four highest rating categories, 50% of the amount of the net replacement value in excess of 25% of the OTC derivatives dealer's tentative net capital.

(4) Counterparties that are not rated by an NRSRO may be rated by the OTC derivatives dealer, or by an affiliated bank or affiliated broker-dealer of the OTC derivatives dealer, upon approval by the Commission on application by the OTC derivatives dealer. After reviewing the application to determine whether the credit rating procedures and rating categories are equivalent to those used by NRSROs and that such ratings are current, the Commission may approve the application. The OTC derivatives dealer must make and keep current a record of the basis for the credit rating for each counterparty. The record must be preserved for a period of not less than three years, the first two years in an easily accessible place.

VAR Models

(e) An OTC derivatives dealer's VAR model must meet the following qualitative and quantitative requirements:

(1) *Qualitative requirements.* An OTC derivatives dealer applying this Appendix F must have a VAR model that meets the following minimum qualitative requirements:

(i) The OTC derivatives dealer's VAR model must be integrated into the firm's daily risk management process;

(ii) The OTC derivatives dealer must conduct appropriate stress tests of the VAR model, and develop appropriate procedures to follow in response to the results of such tests;

(iii) The OTC derivatives dealer must conduct periodic reviews (which may be performed by internal audit staff) of its VAR model. The OTC derivatives dealer's VAR model also must be subject to annual reviews conducted by independent public accountants; and

(iv) The OTC derivatives dealer must conduct backtesting of the VAR model pursuant to the following procedures:

(A) Beginning one year after the OTC derivatives dealer begins using its VAR model to calculate its net capital, the OTC derivatives dealer must conduct backtesting by comparing each of its most recent 250 business days' actual net trading profit or loss with the corresponding daily VAR measures generated for determining market risk capital charges and calibrated to a one-day holding period and a 99 percent, one-tailed confidence level;

(B) Once each quarter, the OTC derivatives dealer must identify the number of exceptions, that is, the number of business days for which the actual daily net trading loss, if any, exceeded the corresponding daily VAR measure; and

(C) An OTC derivatives dealer must use the multiplication factor indicated in Table 1 of this Appendix F in determining its capital charge for market risk until it obtains the next quarter's backtesting results, unless the Commission determines that a different adjustment or other action is appropriate.

TABLE 5—MULTIPLICATION FACTOR BASED ON RESULTS OF BACKTESTING

Number of exceptions	Multiplication factor
4 or fewer	3.00
5	3.40
6	3.50
7	3.65
8	3.75
9	3.85
10 or more	4.00

(2) *Quantitative requirements.* An OTC derivatives dealer applying this Appendix F must have a VAR model that meets the following minimum quantitative requirements:

(i) The VAR measures must be calculated on a daily basis using a 99 percent, one-tailed confidence level with a

Securities and Exchange Commission

§ 240.15c3-3

price change equivalent to a ten-business day movement in rates and prices;

(ii) The effective historical observation period for VAR measures must be at least one year, and the weighted average time lag of the individual observations cannot be less than six months. Historical data sets must be updated at least every three months and reassessed whenever market prices or volatilities are subject to large changes;

(iii) The VAR measures must include the risks arising from the non-linear price characteristics of options positions and the sensitivity of the market value of the positions to changes in the volatility of the underlying rates or prices. An OTC derivatives dealer must measure the volatility of options positions by different maturities;

(iv) The VAR measures may incorporate empirical correlations within and across risk categories, provided that the OTC derivatives dealer has described its process for measuring correlations in its application to apply this Appendix F and the Commission has approved its application. In the event that the VAR measures do not incorporate empirical correlations across risk categories, the OTC derivatives dealer must add the separate VAR measures for the four major risk categories in paragraph (e)(2)(v) of this Appendix F to determine its aggregate VAR measure; and

(v) The OTC derivatives dealer's VAR model must use risk factors sufficient to measure the market risk inherent in all covered positions. The risk factors must address, at a minimum, the following major risk categories: interest rate risk, equity price risk, foreign exchange rate risk, and commodity price risk. For material exposures in the major currencies and markets, modeling techniques must capture, at a minimum, spread risk and must incorporate enough segments of the yield curve to capture differences in volatility and less-than-perfect correlation of rates along the yield curve. An OTC derivatives dealer must provide the Commission with evidence that the OTC derivatives dealer's VAR model takes account of specific risk in positions, including specific equity risk, if the OTC derivatives dealer intends to

utilize its VAR model to compute capital charges for equity price risk.

§ 240.15c3-2 Customers' free credit balances.

No broker or dealer shall use any funds arising out of any free credit balance carried for the account of any customer in connection with the operation of the business of such broker or dealer unless such broker or dealer has established adequate procedures pursuant to which each customer for whom a free credit balance is carried will be given or sent, together with or as a part of the customer's statement of account, whenever sent but not less frequently than once every three months, a written statement informing such customer of the amount due to the customer by such broker or dealer on the date of such statement, and containing a written notice that (a) such funds are not segregated and may be used in the operation of the business of such broker or dealer, and (b) such funds are payable on the demand of the customer: *Provided, however*, That this section shall not apply to a broker or dealer which is also a banking institution supervised and examined by State or Federal authority having supervision over banks. For the purpose of this section the term *customer* shall mean every person other than a broker or dealer.

(Sec. 15, 48 Stat. 895; 15 U.S.C. 78o)

[29 FR 7240, June 3, 1964]

§ 240.15c3-3 Customer protection—reserves and custody of securities.

(a) *Definitions.* For the purpose of this section:

(1) The term *customer* shall mean any person from whom or on whose behalf a broker or dealer has received or acquired or holds funds or securities for the account of that person. The term shall not include a broker or dealer, a municipal securities dealer, or a government securities broker or government securities dealer. The term shall, however, include another broker or dealer to the extent that broker or dealer maintains an omnibus account for the account of customers with the broker or dealer in compliance with

Regulation T (12 CFR 220.1 through 220.19). The term shall not include a general partner or director or principal officer of the broker or dealer or any other person to the extent that person has a claim for property or funds which by contract, agreement or understanding, or by operation of law, is part of the capital of the broker or dealer or is subordinated to the claims of creditors of the broker or dealer. In addition, the term shall not include a person to the extent that the person has a claim for security futures products held in a futures account, or any security futures product and any futures product held in a "proprietary account" as defined by the Commodity Futures Trading Commission in §1.3(y) of this chapter. The term also shall not include a counterparty who has delivered collateral to an OTC derivatives dealer pursuant to a transaction in an eligible OTC derivative instrument, or pursuant to the OTC derivatives dealer's cash management securities activities or ancillary portfolio management securities activities, and who has received a prominent written notice from the OTC derivatives dealer that:

(i) Except as otherwise agreed in writing by the OTC derivatives dealer and the counterparty, the dealer may repledge or otherwise use the collateral in its business;

(ii) In the event of the OTC derivatives dealer's failure, the counterparty will likely be considered an unsecured creditor of the dealer as to that collateral;

(iii) The Securities Investor Protection Act of 1970 (15 U.S.C. 78aaa *et seq.*) does not protect the counterparty; and

(iv) The collateral will not be subject to the requirements of §240.8c-1, §240.15c2-1, §240.15c3-2, or §240.15c3-3;

(2) The term *securities carried for the account of a customer* (hereinafter also "customer securities") shall mean:

(i) Securities received by or on behalf of a broker or dealer for the account of any customer and securities carried long by a broker or dealer for the account of any customer; and

(ii) Securities sold to, or bought for, a customer by a broker or dealer.

(3) The term *fully paid securities* shall include all securities carried for the account of a customer in a special cash

account as defined in Regulation T promulgated by the Board of Governors of the Federal Reserve System, as well as margin equity securities within the meaning of Regulation T which are carried for the account of a customer in a general account or any special account under Regulation T during any period when section 8 of Regulation T (12 CFR 220.8) specifies that margin equity securities shall have no loan value in a general account or special convertible debt security account, and all such margin equity securities in such account if they are fully paid: *Provided, however,* That the term "fully paid securities" shall not apply to any securities which are purchased in transactions for which the customer has not made full payment.

(4) The term *margin securities* shall mean those securities carried for the account of a customer in a general account as defined in Regulation T, as well as securities carried in any special account (such general or special accounts hereinafter referred to as "margin accounts") other than the securities referred to in paragraph (a)(3) of this section.

(5) The term *excess margin securities* shall mean those securities referred to in paragraph (a)(4) of this section carried for the account of a customer having a market value in excess of 140 percent of the total of the debit balances in the customer's account or accounts encompassed by paragraph (a)(4) of this section which the broker or dealer identifies as not constituting margin securities.

(6) The term *qualified security* shall mean a security issued by the United States or a security in respect of which the principal and interest are guaranteed by the United States.

(7) The term *bank* shall mean a bank as defined in section 3(a)(6) of the Act and shall also mean any building and loan, savings and loan or similar banking institution subject to supervision by a Federal banking authority. With respect to a broker or dealer who maintains his principal place of business in the Dominion of Canada, the term "bank" shall also mean a Canadian bank subject to supervision by an authority of the Dominion of Canada.

(8) The term *free credit balances* shall mean liabilities of a broker or dealer to customers which are subject to immediate cash payment to customers on demand, whether resulting from sales of securities, dividends, interest, deposits or otherwise, excluding, however, funds in commodity accounts which are segregated in accordance with the Commodity Exchange Act or in a similar manner.

(9) The term *other credit balances* shall mean cash liabilities of a broker or dealer to customers other than free credit balances and funds in commodities accounts segregated as aforesaid.

(10) The term *funds carried for the account of any customer* (hereinafter also "customer funds") shall mean all free credit and other credit balances carried for the account of the customer.

(11) The term *principal officer* shall mean the president, executive vice president, treasurer, secretary or any other person performing a similar function with the broker or dealer.

(12) The term *household members and other persons related to principals* includes husbands or wives, children, sons-in-law or daughters-in-law and any household relative to whose support a principal contributes directly or indirectly. For purposes of this paragraph (a)(12), a principal shall be deemed to be a director, general partner, or principal officer of the broker or dealer.

(13) The term *affiliated person* includes any person who directly or indirectly controls a broker or dealer or any person who is directly or indirectly controlled by or under common control with the broker or dealer. Ownership of 10% or more of the common stock of the relevant entity will be deemed prima facie control of that entity for purposes of this paragraph.

(14) The term *securities account* shall mean an account that is maintained in accordance with the requirements of section 15(c)(3) of the Act (15 U.S.C. 78o(c)(3)) and § 240.15c3-3.

(15) The term *futures account* (also referred to as "commodity account") shall mean an account that is maintained in accordance with the segregation requirements of section 4d of the Commodity Exchange Act (7 U.S.C. 6d) and the rules thereunder.

(b) *Physical possession or control of securities.* (1) A broker or dealer shall promptly obtain and shall thereafter maintain the physical possession or control of all fully-paid securities and excess margin securities carried by a broker or dealer for the account of customers.

(2) A broker or dealer shall not be deemed to be in violation of the provisions of paragraph (b)(1) of this section regarding physical possession or control of customers' securities if, solely as the result of normal business operations, temporary lags occur between the time when a security is required to be in the possession or control of the broker or dealer and the time that it is placed in his physical possession or under his control, provided that the broker or dealer takes timely steps in good faith to establish prompt physical possession or control. The burden of proof shall be on the broker or dealer to establish that the failure to obtain physical possession or control of securities carried for the account of customers as required by paragraph (b)(1) of this section is merely temporary and solely the result of normal business operations including same day receipt and redelivery (turnaround), and to establish that he has taken timely steps in good faith to place them in his physical possession or control.

(3) A broker or dealer shall not be deemed to be in violation of the provisions of paragraph (b)(1) of this section regarding physical possession or control of fully-paid or excess margin securities borrowed from any person, provided that the broker or dealer and the lender, at or before the time of the loan, enter into a written agreement that, at a minimum;

(i) Sets forth in a separate schedule or schedules the basis of compensation for any loan and generally the rights and liabilities of the parties as to the borrowed securities;

(ii) Provides that the lender will be given a schedule of the securities actually borrowed at the time of the borrowing of the securities;

(iii) Specifies that the broker or dealer:

(A) Must provide to the lender, upon the execution of the agreement or by the close of the business day of the

loan if the loan occurs subsequent to the execution of the agreement, collateral, which fully secures the loan of securities, consisting exclusively of cash or United States Treasury bills and Treasury notes or an irrevocable letter of credit issued by a bank as defined in section 3(a)(6)(A)-(C) of the Act (15 U.S.C. 78c(a)(6)(A)-(C)) or such other collateral as the Commission designates as permissible by order as necessary or appropriate in the public interest and consistent with the protection of investors after giving consideration to the collateral's liquidity, volatility, market depth and location, and the issuer's creditworthiness; and

(B) Must mark the loan to the market not less than daily and, in the event that the market value of all the outstanding securities loaned at the close of trading at the end of the business day exceeds 100 percent of the collateral then held by the lender, the borrowing broker or dealer must provide additional collateral of the type described in paragraph (b)(3)(iii)(A) of this section to the lender by the close of the next business day as necessary to equal, together with the collateral then held by the lender, not less than 100 percent of the market value of the securities loaned; and

(iv) Contains a prominent notice that the provisions of the Securities Investor Protection Act of 1970 may not protect the lender with respect to the securities loan transaction and that, therefore, the collateral delivered to the lender may constitute the only source of satisfaction of the broker's or dealer's obligation in the event the broker or dealer fails to return the securities.

(4)(i) Notwithstanding paragraph (k)(2)(i) of this section, a broker or dealer that retains custody of securities that are the subject of a repurchase agreement between the broker or dealer and a counterparty shall:

(A) Obtain the repurchase agreement in writing;

(B) Confirm in writing the specific securities that are the subject of a repurchase transaction pursuant to such agreement at the end of the trading day on which the transaction is initiated and at the end of any other day during which other securities are

substituted if the substitution results in a change to issuer, maturity date, par amount or coupon rate as specified in the previous confirmation;

(C) Advise the counterparty in the repurchase agreement that the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 do not protect the counterparty with respect to the repurchase agreement;

(D) Maintain possession or control of securities that are the subject of the agreement.

(ii) For purpose of this paragraph (b)(4), securities are in the broker's or dealer's control only if they are in the control of the broker or dealer within the meaning of § 240.15c3-3 (c)(1), (c)(3), (c)(5) or (c)(6) of this title.

(iii) A broker or dealer shall not be in violation of the requirement to maintain possession or control pursuant to paragraph (b)(4)(i)(D) during the trading day if:

(A) In the written repurchase agreement, the counterparty grants the broker or dealer the right to substitute other securities for those subject to the agreement; and

(B) The provision in the written repurchase agreement governing the right, if any, to substitute is immediately preceded by the following disclosure statement, which must be prominently displayed:

REQUIRED DISCLOSURE

The [seller] is not permitted to substitute other securities for those subject to this agreement and therefore must keep the [buyer's] securities segregated at all times, unless in this agreement the [buyer] grants the [seller] the right to substitute other securities. If the [buyer] grants the right to substitute, this means that the [buyer's] securities will likely be commingled with the [seller's] own securities during the trading day. The [buyer] is advised that, during any trading day that the [buyer's] securities are commingled with the [seller's] securities, they will be subject to liens granted by the [seller] to its clearing bank and may be used by the [seller] for deliveries on other securities transactions. Whenever the securities are commingled, the [seller's] ability to re-segregate substitute securities for the [buyer] will be subject to the [seller's] ability to satisfy the clearing lien or to obtain substitute securities.

(iv) A confirmation issued in accordance with paragraph (b)(4)(i)(B) of this section shall specify the issuer, maturity date, coupon rate, par amount and market value of the security and shall further identify a CUSIP or mortgage-backed security pool number, as appropriate, except that a CUSIP or a pool number is not required on the confirmation if it is identified in internal records of the broker or dealer that designate the specific security of the counterparty. For purposes of this paragraph (b)(4)(iv), the market value of any security that is the subject of the repurchase transaction shall be the most recently available bid price plus accrued interest, obtained by any reasonable and consistent methodology.

(v) This paragraph (b)(4) shall not apply to a repurchase agreement between the broker or dealer and another broker or dealer (including a government securities broker or dealer), a registered municipal securities dealer, or a general partner or director or principal officer of the broker or dealer or any person to the extent that his claim is explicitly subordinated to the claims of creditors of the broker or dealer.

(c) *Control of securities.* Securities under the control of a broker or dealer shall be deemed to be securities which:

(1) Are represented by one or more certificates in the custody or control of a clearing corporation or other subsidiary organization of either national securities exchanges or of a registered national securities association, or of a custodian bank in accordance with a system for the central handling of securities complying with the provisions of §§ 240.8c-1(g) and 240.15c2-1(g) the delivery of which certificates to the broker or dealer does not require the payment of money or value, and if the books or records of the broker or dealer identify the customers entitled to receive specified quantities or units of the securities so held for such customers collectively; or

(2) Are carried for the account of any customer by a broker or dealer and are carried in a special omnibus account in the name of such broker or dealer with another broker or dealer in compliance with the requirements of section 4(b) of Regulation T under the Act (12 CFR 220.4(b)), such securities being deemed

to be under the control of such broker or dealer to the extent that he has instructed such carrying broker or dealer to maintain physical possession or control of them free of any charge, lien, or claim of any kind in favor of such carrying broker or dealer or any persons claiming through such carrying broker or dealer; or

(3) Are the subject of bona fide items of transfer; provided that securities shall be deemed not to be the subject of bona fide items of transfer if, within 40 calendar days after they have been transmitted for transfer by the broker or dealer to the issuer or its transfer agent, new certificates conforming to the instructions of the broker or dealer have not been received by him, he has not received a written statement by the issuer or its transfer agent acknowledging the transfer instructions and the possession of the securities or he has not obtained a revalidation of a window ticket from a transfer agent with respect to the certificate delivered for transfer; or

(4) Are in the custody of a foreign depository, foreign clearing agency or foreign custodian bank which the Commission upon application from a broker or dealer, a registered national securities exchange or a registered national securities association, or upon its own motion shall designate as a satisfactory control location for securities; or

(5) Are in the custody or control of a bank as defined in section 3(a)(6) of the Act, the delivery of which securities to the broker or dealer does not require the payment of money or value and the bank having acknowledged in writing that the securities in its custody or control are not subject to any right, charge, security interest, lien or claim of any kind in favor of a bank or any person claiming through the bank; or

(6)(i) Are held in or are in transit between offices of the broker or dealer; or (ii) are held by a corporate subsidiary if the broker or dealer owns and exercises a majority of the voting rights of all of the voting securities of such subsidiary, assumes or guarantees all of the subsidiary's obligations and liabilities, operates the subsidiary as a branch office of the broker or dealer, and assumes full responsibility for compliance by the subsidiary and all of

its associated persons with the provisions of the Federal securities laws as well as for all of the other acts of the subsidiary and such associated persons; or

(7) Are held in such other locations as the Commission shall upon application from a broker or dealer find and designate to be adequate for the protection of customer securities.

(d) *Requirement to reduce securities to possession or control.* Not later than the next business day, a broker or dealer, as of the close of the preceding business day, shall determine from his books or records the quantity of fully paid securities and excess margin securities in his possession or control and the quantity of fully paid securities and excess margin securities not in his possession or control. In making this daily determination inactive margin accounts (accounts having no activity by reason of purchase or sale of securities, receipt or delivery of cash or securities or similar type events) may be computed not less than once weekly. If such books or records indicate, as of such close of the business day, that such broker or dealer has not obtained physical possession or control of all fully paid and excess margin securities as required by this section and there are securities of the same issue and class in any of the following noncontrol locations:

(1) Securities subject to a lien securing moneys borrowed by the broker or dealer or securities loaned to another broker or dealer or a clearing corporation, then the broker or dealer shall, not later than the business day following the day on which such determination is made, issue instructions for the release of such securities from the lien or return of such loaned securities and shall obtain physical possession or control of such securities within two business days following the date of issuance of the instructions in the case of securities subject to lien securing borrowed moneys and within five business days following the date of issuance of instructions in the case of securities loaned; or

(2) Securities included on his books or records as failed to receive more than 30 calendar days, then the broker or dealer shall, not later than the busi-

ness day following the day on which such determination is made, take prompt steps to obtain physical possession or control of securities so failed to receive through a buy-in procedure or otherwise; or

(3) Securities receivable by the broker or dealer as a security dividend receivable, stock split or similar distribution for more than 45 calendar days, then the broker or dealer shall, not later than the business day following the day on which such determination is made, take prompt steps to obtain physical possession or control of securities so receivable through a buy-in procedure or otherwise.

(4) A broker or dealer which is subject to the requirements of §240.15c3-3 with respect to physical possession or control of fully paid and excess margin securities shall prepare and maintain a current and detailed description of the procedures which it utilizes to comply with the possession or control requirements set forth in this section. The records required herein shall be made available upon request to the Commission and to the designated examining authority for such broker or dealer.

(e) *Special reserve bank account for the exclusive benefit of customers.* (1) Every broker or dealer shall maintain with a bank or banks at all times when deposits are required or hereinafter specified a "Special Reserve Bank Account for the Exclusive Benefit of Customers" (hereinafter referred to as the "Reserve Bank Account"), and it shall be separate from any other bank account of the broker or dealer. Such broker or dealer shall at all times maintain in such Reserve Bank Account, through deposits made therein, cash and/or qualified securities in an amount not less than the amount computed in accordance with the formula set forth in §240.15c3-3a.

(2) It shall be unlawful for any broker or dealer to accept or use any of the amounts under items comprising Total Credits under the formula referred to in paragraph (e)(1) of this section except for the specified purposes indicated under items comprising Total Debits under the formula, and, to the extent Total Credits exceed Total Debits, at least the net amount thereof shall be maintained in the Reserve

Securities and Exchange Commission

§ 240.15c3-3

Bank Account pursuant to paragraph (e)(1) of this section.

(3) Computations necessary to determine the amount required to be deposited as specified in paragraph (e)(1) of this section shall be made weekly, as of the close of the last business day of the week, and the deposit so computed shall be made no later than 1 hour after the opening of banking business on the second following business day; provided, however, a broker or dealer which has aggregate indebtedness not exceeding 800 percent of net capital (as defined in §240.15c3-1 or in the capital rules of a national securities exchange of which it is a member and exempt from §240.15c3-1 by paragraph (b)(2) thereof) and which carries aggregate customer funds (as defined in paragraph (a)(10) of this section), as computed at the last required computation pursuant to this section, not exceeding \$1 million, may in the alternative make the computation monthly, as of the close of the last business day of the month, and, in such event, shall deposit not less than 105 percent of the amount so computed no later than 1 hour after the opening of banking business on the second following business day. If a broker or dealer, computing on a monthly basis, has, at the time of any required computation, aggregate indebtedness in excess of 800 percent of net capital, such broker or dealer shall thereafter compute weekly as aforesaid until four successive weekly computations are made, none of which were made at a time when his aggregate indebtedness exceeded 800 percent of his net capital. Computations in addition to the computations required in this paragraph (3), may be made as of the close of any other business day, and the deposits so computed shall be made no later than 1 hour after the opening of banking business on the second following business day. The broker or dealer shall make and maintain a record of each such computation made pursuant to this paragraph (3) or otherwise and preserve each such record in accordance with §240.17a-4.

(f) *Notification of banks.* A broker or dealer required to maintain the reserve bank account prescribed by this section or who maintains a special account referred to in paragraph (k) of

this section shall obtain and preserve in accordance with §240.17a-4 written notification from each bank in which he has his reserve bank account or special account that the bank was informed that all cash and/or qualified securities deposited therein are being held by the bank for the exclusive benefit of customers of the broker or dealer in accordance with the regulations of the Commission, and are being kept separate from any other accounts maintained by the broker or dealer with the bank, and the broker or dealer shall have a written contract with the bank which provides that the cash and/or qualified securities shall at no time be used directly or indirectly as security for a loan to the broker or dealer by the bank and, shall be subject to no right, charge, security interest, lien, or claim of any kind in favor of the bank or any person claiming through the bank.

(g) *Withdrawals from the reserve bank account.* A broker or dealer may make withdrawals from his reserve bank account if and to the extent that at the time of the withdrawal the amount remaining in the reserve bank account is not less than the amount then required by paragraph (e) of this section. A bank may presume that any request for withdrawal from a reserve bank account is in conformity and compliance with this paragraph (g). On any business day on which a withdrawal is made, the broker or dealer shall make a record of the computation on the basis of which he makes such withdrawal, and he shall preserve such computation in accordance with §240.17a-4.

(h) *Buy-in of short security differences.* A broker or dealer shall within 45 calendar days after the date of the examination, count, verification and comparison of securities pursuant to §240.17a-13 or otherwise or to the annual report of financial condition in accordance with §240.17a-5 or 240.17a-12, buy-in all short security differences which are not resolved during the 45-day period.

(i) *Notification in the event of failure to make a required deposit.* If a broker or dealer shall fail to make in his reserve bank account or special account a deposit, as required by this section, the

broker or dealer shall by telegram immediately notify the Commission and the regulatory authority for the broker or dealer, which examines such broker or dealer as to financial responsibility and shall promptly thereafter confirm such notification in writing.

(j) [Reserved]

(k) *Exemptions.* (1) The provisions of this section shall not be applicable to a broker or dealer meeting all of the following conditions:

(i) His dealer transactions (as principal for his own account) are limited to the purchase, sale, and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company; except that a broker or dealer transacting business as a sole proprietor may also effect occasional transactions in other securities for his own account with or through another registered broker or dealer;

(ii) His transactions as broker (agent) are limited to: (a) The sale and redemption of redeemable securities of registered investment companies or of interests or participations in an insurance company separate account, whether or not registered as an investment company; (b) the solicitation of share accounts for savings and loan associations insured by an instrumentality of the United States; and (c) the sale of securities for the account of a customer to obtain funds for immediate reinvestment in redeemable securities of registered investment companies; and

(iii) He promptly transmits all funds and delivers all securities received in connection with his activities as a broker or dealer, and does not otherwise hold funds or securities for, or owe money or securities to, customers.

(iv) Notwithstanding the foregoing, this section shall not apply to any insurance company which is a registered broker-dealer, and which otherwise meets all of the conditions in paragraphs (k)(1) (i), (ii), and (iii) of this section, solely by reason of its participation in transactions that are a part of the business of insurance, including the purchasing, selling, or holding of

securities for or on behalf of such company's general and separate accounts.

(2) The provisions of this section shall not be applicable to a broker or dealer:

(i) Who carries no margin accounts, promptly transmits all customer funds and delivers all securities received in connection with his activities as a broker or dealer, does not otherwise hold funds or securities for, or owe money or securities to, customers and effectuates all financial transactions between the broker or dealer and his customers through one or more bank accounts, each to be designated as "Special Account for the Exclusive Benefit of Customers of (name of the broker or dealer)"; or

(ii) Who, as an introducing broker or dealer, clears all transactions with and for customers on a fully disclosed basis with a clearing broker or dealer, and who promptly transmits all customer funds and securities to the clearing broker or dealer which carries all of the accounts of such customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements of §§ 240.17a-3 and 240.17a-4 of this chapter, as are customarily made and kept by a clearing broker or dealer.

(3) Upon written application by a broker or dealer, the Commission may exempt such broker or dealer from the provisions of this section, either unconditionally or on specified terms and conditions, if the Commission finds that the broker or dealer has established safeguards for the protection of funds and securities of customers comparable with those provided for by this section and that it is not necessary in the public interest or for the protection of investors to subject the particular broker or dealer to the provisions of this section.

(l) *Delivery of securities.* Nothing stated in this section shall be construed as affecting the absolute right of a customer of a broker or dealer to receive in the course of normal business operations following demand made on the broker or dealer, the physical delivery of certificates for:

(1) Fully-paid securities to which he is entitled, and,

(2) Margin securities upon full payment by such customer to the broker or dealer of his indebtedness to the broker or dealer; and, subject to the right of the broker or dealer under § 220.7(b) of Regulation T [12 CFR 220.7(b)] to retain collateral for his own protection beyond the requirements of Regulation T, excess margin securities not reasonably required to collateralize such customer's indebtedness to the broker or dealer.

(m) *Completion of sell orders on behalf of customers.* If a broker or dealer executes a sell order of a customer (other than an order to execute a sale of securities which the seller does not own) and if for any reason whatever the broker or dealer has not obtained possession of the securities from the customer within 10 business days after the settlement date, the broker or dealer shall immediately thereafter close the transaction with the customer by purchasing securities of like kind and quantity: *Provided, however,* The term *customer* for the purpose of this paragraph (m) shall not include a broker or dealer who maintains a special omnibus account with another broker or dealer in compliance with section 4(b) of Regulation T [12 CFR 220.4(b)].

NOTE: See 38 FR 12103, May 9, 1973 for an order suspending indefinitely the operation of paragraph (m) as to sell orders for exempted securities (e.g., U.S. Government and municipal obligations).

Each such exchange or association shall make and preserve for a period of not less than 3 years a record of each extension granted pursuant to paragraph (n) of this section which shall contain a summary of the jus-

NOTE A. Item 1 shall include all outstanding drafts payable to customers which have been applied against free credit balances or other credit balances and shall also include checks drawn in excess of bank balances per the records of the broker or dealer.

NOTE B. Item 2 shall include the amount of Letters of Credit obtained by a member of Options Clearing Corporation which are collateralized by customers' securities, to the extent of the member's margin requirement at Options Clearing Corp.

NOTE C. Item 3 shall include in addition to monies payable against customer's securities loaned the amount by which the market value of securities loaned exceeds the collateral value received from the lending of such securities.

NOTE D. Item 4 shall include in addition to customers' securities failed to receive the amount by which the market value of securities failed to receive and outstanding more than thirty (30) calendar days exceeds their contract value.

NOTE E. (1) Debit balances in margin accounts shall be reduced by the amount by which a specific security (other than an exempted security) which is collateral for margin accounts exceeds in aggregate value 15 percent of the aggregate value of all securities which collateralize all margin accounts receivable; provided, however, the required reduction shall not be in excess of the amount of the debit balance required to be excluded because of this concentration rule. A specified security is deemed to be collateral for a margin account only to the extent it represents in value not more than 140 percent of the customer debit balance in a margin account.

(2) Debit balances in special omnibus accounts, maintained in compliance with the requirements of section 4(b) of Regulation T under the Act (12 CFR 220.4(b) or similar accounts carried on behalf of another broker or dealer, shall be reduced by any deficits in such accounts (or if a credit, such credit shall be increased) less any calls for margin, marks to the market, or other required deposits which are outstanding 5 business days or less.

(4) Debit balances in cash and margin accounts of household members and other persons related to principals of a broker or dealer and debit balances in cash and margin accounts of affiliated persons of a broker or dealer shall be excluded from the Reserve Formula, unless the broker or dealer can demonstrate that such debit balances are directly related to credit items in the formula.

(5) Debit balances in margin accounts (other than omnibus accounts) shall be reduced by the amount by which any single customer's debit balance exceeds 25% (to the extent such amount is greater than \$50,000) of the broker-dealer's tentative net capital (*i.e.*, net capital prior to securities haircuts) unless the broker or dealer can demonstrate that the debit balance is directly related to credit items in the Reserve Formula. Related accounts (*e.g.*, the separate accounts of an individual, accounts under common control or subject to cross guarantees) shall be deemed to be a single customer's accounts for purposes of this provision.

If the registered national securities exchange or the registered national securities association having responsibility for examining the broker or dealer ("designated examining authority") is satisfied, after taking into account the circumstances of the concentrated account including the quality, diversity, and marketability of the collateral securing the debit balances or margin accounts subject to this provision, that the concentration of debit balances is appropriate, then such designated examining authority may grant a partial or plenary exception from this provision.

The debit balance may be included in the reserve formula computation for five business days from the day the request is made.

(6) Debit balances of joint accounts, custodian accounts, participations in hedge funds or limited partnerships or similar type accounts or arrangements of a person who would be excluded from the definition of customer ("non-customer") which persons includible in the definition of customer shall be included in the Reserve Formula in the following manner: if the percentage ownership of the non-customer is less than 5 percent then the entire debit balance shall be included in the formula; if such percentage ownership is between 5 percent and 50 percent then the portion of the debit balance attributable to the non-customer shall be excluded from the formula unless the broker or dealer can demonstrate that the debit balance is directly related to credit items in the formula; if such percentage ownership is greater than 50 percent, then the entire debit balance shall be excluded from the formula unless the broker or dealer can demonstrate that the debit balance is directly related to credit items in the formula.

NOTE F. Item 13 shall include the amount of margin required and on deposit with Options Clearing Corporation to the extent such margin is represented by cash, proprietary qualified securities, and letters of credit collateralized by customers' securities.

OTHER REPORTS

§ 240.15d-10 Transition reports.

(a) Every issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent fiscal year and the opening date of its new fiscal year; *Provided, however*, that an issuer shall file an annual report for any fiscal year that ended before the date on which the issuer determined to change its fiscal year end. In no event shall the transition report cover a period of 12 or more months.

(b) The report pursuant to this section shall be filed for the transition period not more than the number of days specified in paragraph (j) of this section after either the close of the transition period or the date of the determination to change the fiscal closing date, whichever is later. The report shall be filed on the form appropriate for annual reports of the issuer, shall cover the period from the close of the last fiscal year end and shall indicate clearly the period covered. The financial statements for the transition period filed therewith shall be audited. Financial statements, which may be unaudited, shall be filed for the comparable period of the prior year, or a footnote, which may be unaudited, shall state for the comparable period of the prior year, revenues, gross profits, income taxes, income or loss from continuing operations before extraordinary items and cumulative effect of a change in accounting principles and net income or loss. The effects of any discontinued operations and/or extraordinary items as classified under the provisions of generally accepted accounting principles also shall be shown, if applicable. Per share data based upon such income or loss and net income or loss shall be presented in conformity with applicable accounting

standards. Where called for by the time span to be covered, the comparable period financial statements or footnote shall be included in subsequent filings.

(c) If the transition period covers a period of less than six months, in lieu of the report required by paragraph (b) of this section, a report may be filed for the transition period on Form 10-Q and Form 10-QSB (§249.308a of this chapter) not more than the number of days specified in paragraph (j) of this section after either the close of the transition period or the date of the determination to change the fiscal closing date, whichever is later. The report on Form 10-Q and Form 10-QSB shall cover the period from the close of the last fiscal year end and shall indicate clearly the period covered. The financial statements filed therewith need not be audited but, if they are not audited, the issuer shall file with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period. The notes to financial statements for the transition period included in such first annual report may be integrated with the notes to financial statements for the full fiscal period. A separate audited balance sheet as of the end of the transition period shall be filed in the annual report only if the audited balance sheet as of the end of the fiscal year prior to the transition period is not filed. Schedules need not be filed in transition reports on Form 10-Q and Form 10-QSB.

(d) Notwithstanding the foregoing in paragraphs (a), (b), and (c) of this section, if the transition period covers a period of one month or less, the issuer need not file a separate transition report if either:

(1) The first report required to be filed by the issuer for the newly adopted fiscal year after the date of the determination to change the fiscal year end is an annual report, and that report covers the transition period as well as the fiscal year; or

(2)(i) The issuer files with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period; and

§ 240.15d-10

17 CFR Ch. II (4-1-04 Edition)

(ii) The first report required to be filed by the issuer for the newly adopted fiscal year after the date of the determination to change the fiscal year end is a quarterly report on Form 10-Q and Form 10-QSB; and

(iii) Information on the transition period is included in the issuer's quarterly report on Form 10-Q and Form 10-QSB for the first quarterly period (except the fourth quarter) of the newly adopted fiscal year that ends after the date of the determination to change the fiscal year. The information covering the transition period required by Part II and Item 2 of Part I may be combined with the information regarding the quarter. However, the financial statements required by Part I, which may be unaudited, shall be furnished separately for the transition period.

(e) Every issuer required to file quarterly reports on Form 10-Q and Form 10-QSB pursuant to §240.15d-13 of this chapter that changes its fiscal year end shall:

(1) File a quarterly report on Form 10-Q and Form 10-QSB within the time period specified in General Instruction A.1. to that form for any quarterly period (except the fourth quarter) of the old fiscal year that ends before the date on which the issuer determined to change its fiscal year end, except that the issuer need not file such quarterly report if the date on which the quarterly period ends also is the date on which the transition period ends;

(2) File a quarterly report on Form 10-Q and Form 10-QSB within the time specified in General Instruction A.1. to that form for each quarterly period of the old fiscal year within the transition period. In lieu of a quarterly report for any quarter of the old fiscal year within the transition period, the issuer may file a quarterly report on Form 10-Q and Form 10-QSB for any period of three months within the transition period that coincides with a quarter of the newly adopted fiscal year if the quarterly report is filed within the number of days specified in paragraph (j) of this section after the end of such three month period, provided the issuer thereafter continues filing quarterly reports on the basis of the quarters of the newly adopted fiscal year;

(3) Commence filing quarterly reports for the quarters of the new fiscal year no later than the quarterly report for the first quarter of the new fiscal year that ends after the date on which the issuer determined to change the fiscal year end; and

(4) Unless such information is or will be included in the transition report, or the first annual report on Form 10-K and Form 10-KSB for the newly adopted fiscal year, include in the initial quarterly report on Form 10-Q and Form 10-QSB for the newly adopted fiscal year information on any period beginning on the first day subsequent to the period covered by the issuer's final quarterly report on Form 10-Q and Form 10-QSB or annual report on Form 10-K and Form 10-KSB for the old fiscal year. The information covering such period required by Part II and Item 2 of Part I may be combined with the information regarding the quarter. However, the financial statements required by Part I, which may be unaudited, shall be furnished separately for such period.

NOTE TO PARAGRAPHS (c) AND (e): If it is not practicable or cannot be cost-justified to furnish in a transition report on Form 10-Q and Form 10-QSB or a quarterly report for the newly adopted fiscal year financial statements for corresponding periods of the prior year where required, financial statements may be furnished for the quarters of the preceding fiscal year that most nearly are comparable if the issuer furnishes an adequate discussion of seasonal and other factors that could affect the comparability of information or trends reflected, an assessment of the comparability of the data, and a representation as to the reason recasting has not been undertaken.

(f) Every successor issuer that has a different fiscal year from that of its predecessor(s) shall file a transition report pursuant to this section, containing the required information about each predecessor, for the transition period, if any, between the close of the fiscal year covered by the last annual report of each predecessor and the date of succession. The report shall be filed for the transition period on the form appropriate for annual reports of the issuer not more than the number of days specified in paragraph (j) of this section after the date of the succession,

with financial statements in conformity with the requirements set forth in paragraph (b) of this section. If the transition period covers a period of less than six months, in lieu of a transition report on the form appropriate for the issuer's annual reports, the report may be filed for the transition period on Form 10-Q and Form 10-QSB not more than the number of days specified in paragraph (j) of this section after the date of the succession, with financial statements in conformity with the requirements set forth in paragraph (c) of this section. Notwithstanding the foregoing, if the transition period covers a period of one month or less, the successor issuer need not file a separate transition report if the information is reported by the successor issuer in conformity with the requirements set forth in paragraph (d) of this section.

(g)(1) Paragraphs (a) through (f) of this section shall not apply to foreign private issuers.

(2) Every foreign private issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent year and the opening date of its new fiscal year. In no event shall a transition report cover a period longer than 12 months.

(3) The report for the transition period shall be filed on Form 20-F responding to all items to which such issuer is required to respond when Form 20-F is used as an annual report. Such report shall be filed within six months after either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date, whichever is later. The financial statements for the transition period filed therewith shall be audited.

(4) If the transition period covers a period of six or fewer months, in lieu of the report required by paragraph (g)(3) of this section, a report for the transition period may be filed on Form 20-F responding to Items 5, 8.A.7., 13, 14, and 17 or 18 within three months after either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date, whichever is later. The financial statements required by either

Item 17 or Item 18 shall be furnished for the transition period. Such financial statements may be unaudited and condensed as permitted in Article 10 of Regulation S-X (§210.10-01 of this chapter), but if the financial statements are unaudited and condensed, the issuer shall file with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period.

(5) Notwithstanding the foregoing in paragraphs (g)(2), (g)(3), and (g)(4) of this section, if the transition period covers a period of one month or less, a foreign private issuer need not file a separate transition report if the first annual report for the newly adopted fiscal year covers the transition period as well as the fiscal year.

(h) The provisions of this rule shall not apply to investment companies required to file reports pursuant to Rule 30b1-1 (§270.30b1-1 of this chapter) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*).

(i) No filing fee shall be required for a transition report filed pursuant to this section.

(j)(1) For transition reports to be filed on the form appropriate for annual reports of the issuer, the number of days shall be:

(i) For accelerated filers (as defined in §240.12b-2):

(A) 90 days for fiscal years ending on or after December 15, 2002 and before December 15, 2003;

(B) 75 days for fiscal years ending on or after December 15, 2003 and before December 15, 2004; and

(C) 60 days for fiscal years ending on or after December 15, 2004; and

(ii) 90 days for all other issuers; and

(2) For transition reports to be filed on Form 10-Q or Form 10-QSB (§249.308a or §249.308b of this chapter), the number of days shall be:

(i) For accelerated filers (as defined in §240.12b-2):

(A) 45 days for fiscal years ending on or after December 15, 2002 and before December 15, 2004;

(B) 40 days for fiscal years ending on or after December 15, 2004 and before December 15, 2005; and

(C) 35 days for fiscal years ending on or after December 15, 2005; and

§ 240.15d-11

17 CFR Ch. II (4-1-04 Edition)

(ii) 45 days for all other issuers.

(d) Each annual report filed by an Asset-Backed Issuer (as defined in paragraph (g) of this section) under section 15(d) of the Act (15 U.S.C. 78o(d)), must include a certification addressing the following items:

(1) Review by the certifying officer of the annual report and other reports containing distribution information for the period covered by the annual report;

Alternatively, the senior officer in charge of the servicing function of the master servicer (or entity performing the equivalent functions) may sign the certification.

(f) [Reserved]

(g) For purposes of this section, the term Asset-Backed Issuer means any issuer whose reporting obligation results from the offering of securities it issued that are primarily serviced by the cash flows of a discrete pool of receivables or other financial assets, either fixed or revolving, that by their terms convert into cash within a finite time period plus any rights or other assets designed to assure the servicing or timely distribution of proceeds to security holders.

§ 240.15d-15 Controls and procedures.

(a) Every issuer that files reports under section 15(d) of the Act (15 U.S.C. 78o(d)), other than an Asset-Backed Issuer (as defined in § 240.15d-14(g) of this chapter), a small business investment company registered on Form N-5 (§§ 239.24 and 274.5 of this chapter), or a unit investment trust as defined in section 4(2) of the Investment Company Act of 1940 (15 U.S.C. 80a-4(2)), must maintain disclosure controls and procedures (as defined in paragraph (e) of this section) and internal control over financial reporting (as defined in paragraph (f) of this section).

(b) Each such issuer's management must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, the effectiveness of the issuer's disclosure controls and procedures, as of the end of each fiscal quarter, except that management must perform this evaluation:

(1) In the case of a foreign private issuer (as defined in § 240.3b-4) as of the end of each fiscal year; and

(2) In the case of an investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8), within the 90-day period prior to the filing date of each report requiring certification under § 270.30a-2 of this chapter.

(c) The management of each such issuer, other than an investment company registered under section 8 of the Investment Company Act of 1940, must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, the effectiveness, as of the end of each fiscal year, of the issuer's internal control over financial reporting. The framework on which management's evaluation of the issuer's internal control over financial reporting is based must be a suitable, recognized control framework that is established by a body or group that has followed due-process procedures, including the broad distribution of the framework for public comment.

(d) The management of each such issuer, other than an investment company registered under section 8 of the Investment Company Act of 1940, must

evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, any change in the issuer's internal control over financial reporting, that occurred during each of the issuer's fiscal quarters, or fiscal year in the case of a foreign private issuer, that has materially affected, or is reasonably likely to materially affect, the issuer's internal control over financial reporting.

(e) For purposes of this section, the term disclosure controls and procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Act (15 U.S.C. 78a *et seq.*) is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

(f) The term *internal control over financial reporting* is defined as a process designed by, or under the supervision of, the issuer's principal executive and principal financial officers, or persons performing similar functions, and effected by the issuer's board of directors, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and includes those policies and procedures that:

(1) Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the issuer;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with gen-

erally accepted accounting principles, and that receipts and expenditures of the issuer are being made only in accordance with authorizations of management and directors of the issuer; and

(2) If the dealer reasonably believes in good faith at the time of the transaction with the customer that its bid price accurately reflects the price at which it is willing to buy one or more

round lots from another dealer. For purposes of paragraph (a)(2)(i)(B) of this section, "consistently" shall constitute, at a minimum, seventy-five percent of the dealer's *bona fide* inter-dealer purchases during the previous five-day period, and, if the dealer has effected only three *bona fide* inter-dealer purchases during such period, all three of such purchases.

(C) If the dealer's bid or offer prices to the customer do not satisfy the criteria of paragraphs (a)(2)(i)(A) or (a)(2)(i)(B) of this section, the dealer shall disclose to the customer:

(1) That it has not effected inter-dealer purchases or sales of the penny stock consistently at its bid or offer price, and

(2) The price at which it last purchased the penny stock from, or sold the penny stock to, respectively, another dealer in a *bona fide* transaction.

(ii) With respect to transactions effected by a broker or dealer with or for the account of the customer:

(A) On an agency basis or

(B) On a basis other than as a market maker in the security, where, after having received an order from the customer to purchase a penny stock, the dealer effects the purchase from another person to offset a contemporaneous sale of the penny stock to such customer, or, after having received an order from the customer to sell the penny stock, the dealer effects the sale to another person to offset a contemporaneous purchase from such customer, the broker or dealer shall disclose the best independent interdealer bid and offer prices for the penny stock that the broker or dealer obtains through reasonable diligence. A broker-dealer shall be deemed to have exercised reasonable diligence if it obtains quotations from three market makers in the security (or all known market makers if there are fewer than three).

(3) With respect to bid or offer prices and transaction prices disclosed pursuant to paragraph (a) of this section, the broker or dealer shall disclose the number of shares to which the bid and offer prices apply.

(b) *Timing.* (1) The information described in paragraph (a) of this section:

§ 240.15g-4

17 CFR Ch. II (4-1-04 Edition)

(i) Shall be provided to the customer orally or in writing prior to effecting any transaction with or for the customer for the purchase or sale of such penny stock; and

(ii) Shall be given or sent to the customer in writing, at or prior to the time that any written confirmation of the transaction is given or sent to the customer pursuant to 17 CFR 240.10b-10 of this chapter.

(2) A broker or dealer, at the time of making the disclosure pursuant to paragraph (b)(1)(i) of this section, shall make and preserve as part of its records, a record of such disclosure for the period specified in 17 CFR 240.17a-4(b).

(c) *Definitions.* For purposes of this section:

(1) The term *bid price* shall mean the price most recently communicated by the dealer to another broker or dealer at which the dealer is willing to purchase one or more round lots of the penny stock, and shall not include indications of interest.

(2) The term *offer price* shall mean the price most recently communicated by the dealer to another broker or dealer at which the dealer is willing to sell one or more round lots of the penny stock, and shall not include indications of interest.

(3) The term *inside bid quotation* for a security shall mean the highest bid quotation for the security displayed by a market maker in the security on a Qualifying Electronic Quotation System, at any time in which at least two market makers are contemporaneously displaying on such system bid and offer quotations for the security at specified prices.

(4) The term *inside offer quotation* for a security shall mean the lowest offer quotation for the security displayed by a market maker in the security on a Qualifying Electronic Quotation System, at any time in which at least two market makers are contemporaneously displaying on such system bid and offer quotations for the security at specified prices.

(5) The term *Qualifying Electronic Quotation System* shall mean an automated interdealer quotation system that has the characteristics set forth in section 17B(b)(2) of the Act, or such

other automated interdealer quotation system designated by the Commission for purposes of this section.

§ 240.15g-4 Disclosure of compensation to brokers or dealers.

PRELIMINARY NOTE: Brokers and dealers may wish to refer to Securities Exchange Act Release No. 30608 (April 20, 1992) for a discussion of the procedures for computing compensation in active and competitive markets, inactive and competitive markets, and dominated and controlled markets.

(a) *Disclosure requirement.* It shall be unlawful for any broker or dealer to effect a transaction in any penny stock for or with the account of a customer unless such broker or dealer discloses to such customer, within the time periods and in the manner required by paragraph (b) of this section, the aggregate amount of any compensation received by such broker or dealer in connection with such transaction.

(b) *Timing.* (1) The information described in paragraph (a) of this section:

(i) Shall be provided to the customer orally or in writing prior to effecting any transaction with or for the customer for the purchase or sale of such penny stock; and

(ii) Shall be given or sent to the customer in writing, at or prior to the time that any written confirmation of the transaction is given or sent to the customer pursuant to 17 CFR 240.10b-10.

(2) A broker or dealer, at the time of making the disclosure pursuant to paragraph (b)(1)(i) of this section, shall make and preserve as part of its records, a record of such disclosure for the period specified in 17 CFR 240.17a-4(b).

(c) *Definition of compensation.* For purposes of this section, *compensation* means, with respect to a transaction in a penny stock:

(1) If a broker is acting as agent for a customer, the amount of any remuneration received or to be received by it from such customer in connection with such transaction;

(2) If, after having received a buy order from a customer, a dealer other than a market maker purchased the penny stock as principal from another person to offset a contemporaneous

sale to such customer or, after having received a sell order from a customer, sold the penny stock as principal to another person to offset a contemporaneous purchase from such customer, the difference between the price to the customer and such contemporaneous purchase or sale price; or

(3) If the dealer otherwise is acting as principal for its own account, the difference between the price to the customer and the prevailing market price.

(d) *Active and competitive market.* For purposes of this section only, a market may be deemed to be "active and competitive" in determining the prevailing market price with respect to a transaction by a market maker in a penny stock if the aggregate number of transactions effected by such market maker in the penny stock in the five business days preceding such transaction is less than twenty percent of the aggregate number of all transactions in the penny stock reported on a Qualifying Electronic Quotation System (as defined in 17 CFR 240.15g-3(c)(5)) during such five-day period. No presumption shall arise that a market is not "active and competitive" solely by reason of a market maker not meeting the conditions specified in this paragraph.

[57 FR 18034, Apr. 28, 1992]

§ 240.15g-5 Disclosure of compensation of associated persons in connection with penny stock transactions.

(a) *General.* It shall be unlawful for a broker or dealer to effect a transaction in any penny stock for or with the account of a customer unless the broker or dealer discloses to such customer, within the time periods and in the manner required by paragraph (b) of this section, the aggregate amount of cash compensation that any associated person of the broker or dealer who is a natural person and has communicated with the customer concerning the transaction at or prior to receipt of the customer's transaction order, other than any person whose function is solely clerical or ministerial, has received or will receive from any source in connection with the transaction and that is determined at or prior to the time of the transaction, including separate disclosure, if applicable, of the source and

amount of such compensation that is not paid by the broker or dealer.

(b) *Timing.* (1) The information described in paragraph (a) of this section:

(i) Shall be provided to the customer orally or in writing prior to effecting any transaction with or for the customer for the purchase or sale of such penny stock; and

(ii) Shall be given or sent to the customer in writing, at or prior to the time that any written confirmation of the transaction is given or sent to the customer pursuant to 17 CFR 240.10b-10.

(2) A broker or dealer, at the time of making the disclosure pursuant to paragraph (b)(1)(i) of this section, shall make and preserve as part of its records, a record of such disclosure for the period specified in 17 CFR 240.17a-4(b).

(c) *Contingent compensation arrangements.* Where a portion or all of the cash or other compensation that the associated person may receive in connection with the transaction may be determined and paid following the transaction based on aggregate sales volume levels or other contingencies, the written disclosure required by paragraph (b)(1)(ii) of this section shall state that fact and describe the basis upon which such compensation is determined.

[57 FR 18034, Apr. 28, 1992]

§ 240.15g-6 Account statements for penny stock customers.

(a) *Requirement.* It shall be unlawful for any broker or dealer that has effected the sale to any customer, other than in a transaction that is exempt pursuant to 17 CFR 240.15g-1, of any security that is a penny stock on the last trading day of any calendar month, or any successor of such broker or dealer, to fail to give or send to such customer a written statement containing the information described in paragraphs (c) and (d) of this section with respect to each such month in which such security is held for the customer's account with the broker or dealer, within ten days following the end of such month.

(b) *Exemptions.* A broker or dealer shall be exempted from the requirement of paragraph (a) of this section

under either of the following circumstances:

(1) If the broker or dealer does not effect any transactions in penny stocks for or with the account of the customer during a period of six consecutive calendar months, then the broker or dealer shall not be required to provide monthly statements for each quarterly period that is immediately subsequent to such six-month period and in which the broker or dealer does not effect any transaction in penny stocks for or with the account of the customer, *provided* that the broker or dealer gives or sends to the customer written statements containing the information described in paragraphs (d) and (e) of this section on a quarterly basis, within ten days following the end of each such quarterly period.

(2) If, on all but five or fewer trading days of any quarterly period, a security has a price of five dollars or more, the broker or dealer shall not be required to provide a monthly statement covering the security for subsequent quarterly periods, until the end of any such subsequent quarterly period on the last trading day of which the price of the security is less than five dollars.

(c) *Price determinations.* For purposes of paragraphs (a) and (b) of this section, the price of a security on any trading day shall be determined at the close of business in accordance with the provisions of 17 CFR 240.3a51-1(d)(1).

(d) *Market and price information.* The statement required by paragraph (a) of this section shall contain at least the following information with respect to each penny stock covered by paragraph (a) of this section, as of the last trading day of the period to which the statement relates:

(1) The identity and number of shares or units of each such security held for the customer's account; and

(2) The estimated market value of the security, to the extent that such estimated market value can be determined in accordance with the following provisions:

(i) The highest inside bid quotation for the security on the last trading day of the period to which the statement relates, multiplied by the number of

shares or units of the security held for the customer's account; or

(ii) If paragraph (d)(2)(i) of this section is not applicable because of the absence of an inside bid quotation, and if the broker or dealer furnishing the statement has effected at least ten separate Qualifying Purchases in the security during the last five trading days of the period to which the statement relates, the weighted average price per share paid by the broker or dealer in all Qualifying Purchases effected during such five-day period, multiplied by the number of shares or units of the security held for the customer's account; or

(iii) If neither of paragraphs (d)(2)(i) nor (d)(2)(ii) of this section is applicable, a statement that there is "no estimated market value" with respect to the security.

(e) *Legend.* In addition to the information required by paragraph (d) of this section, the written statement required by paragraph (a) of this section shall include a conspicuous legend that is identified with the penny stocks described in the statement and that contains the following language:

If this statement contains an estimated value, you should be aware that this value may be based on a limited number of trades or quotes. Therefore, you may not be able to sell these securities at a price equal or near to the value shown. However, the broker-dealer furnishing this statement may not refuse to accept your order to sell these securities. Also, the amount you receive from a sale generally will be reduced by the amount of any commissions or similar charges. If an estimated value is not shown for a security, a value could not be determined because of a lack of information.

(f) *Preservation of records.* Any broker or dealer subject to this section shall preserve, as part of its records, copies of the written statements required by paragraph (a) of this section and keep such records for the periods specified in 17 CFR 240.17a-4(b).

(g) *Definitions.* For purposes of this section:

(1) The term *Quarterly period* shall mean any period of three consecutive full calendar months.

(2) The *inside bid quotation* for a security shall mean the highest bid quotation for the security displayed by a market maker in the security on a

Qualifying Electronic Quotation System, at any time in which at least two market makers are contemporaneously displaying on such system bid and offer quotations for the security at specified prices.

(3) The term *Qualifying Electronic Quotation System* shall mean an automated interdealer quotation system that has the characteristics set forth in section 17B(b)(2) of the Act, or such other automated interdealer quotation system designated by the Commission for purposes of this section.

(4) The term *Qualifying Purchases* shall mean *bona fide* purchases by a broker or dealer of a penny stock for its own account, each of which involves at least 100 shares, but excluding any block purchase involving more than one percent of the outstanding shares or units of the security.

IMPORTANT INFORMATION ON PENNY STOCKS

This statement is required by the U.S. Securities and Exchange Commission (SEC) and contains important information on penny stocks. Your broker-dealer is required to obtain your signature to show that you have received this statement before your first trade in a penny stock. You are urged to read this statement before signing and before making a purchase or sale of a penny stock.

Penny stocks can be very risky.
• Penny stocks are low-priced shares of small companies not traded on an exchange or quoted on NASDAQ. Prices often are not available. Investors in penny stocks often are unable to sell stock back to the dealer that sold them the stock. Thus, you may lose your investment. Be cautious of newly issued penny stock.

- Your salesperson is not an impartial advisor but is paid to sell you the stock. Do not rely only on the salesperson, but seek outside advice before you buy any stock. If you have problems with a salesperson, contact the firm's compliance officer or the regulators listed below.

Information you should get.

- *Before you buy penny stock*, federal law requires your salesperson to tell you the "offer" and the "bid" on the stock, and the "compensation" the salesperson and the firm receive for the trade. The firm also must mail a confirmation of these prices to you after the trade.

- You will need this price information to determine what profit, if any, you will have when you sell your stock. The offer price is the wholesale price at which the dealer is willing to sell stock to other dealers. The bid price is the wholesale price at which the dealer is willing to buy the stock from other dealers. In its trade with you, the dealer may add a retail charge to these wholesale prices as compensation (called a "markup" or "markdown").

- The difference between the bid and the offer price is the dealer's "spread." A spread that is large compared with the purchase price can make a resale of a stock very costly. To be profitable when you sell, the bid price of your stock must rise above the amount of this spread *and* the compensation charged by both your selling and purchasing dealers. If the dealer has no bid price, you may not be able to sell the stock after you buy it, and may lose your whole investment.

Brokers' duties and customer's rights and remedies.

- If you are a victim of fraud, you may have rights and remedies under state and federal law. You can get the disciplinary history of a salesperson or firm from the NASD at 1-800-289-9999, and additional information from your state securities official, at the North American Securities Administrators Association's central number: (202) 737-0900. You also may contact the SEC with complaints at (202) 272-7440.

FURTHER INFORMATION

The securities being sold to you have not been approved or disapproved by the Securities and Exchange Commission. Moreover, the Securities and Exchange Commission has not passed upon the fairness or the merits of this transaction nor upon the accuracy or adequacy of the information contained in any prospectus or any other information provided by an issuer or a broker or dealer.

Generally, penny stock is a security that:

- Is priced under five dollars;
- Is *not* traded on a national stock exchange or on NASDAQ (the NASD's auto-

mated quotation system for actively traded stocks);

- May be listed in the "pink sheets" or the NASD OTC Bulletin Board;

- Is issued by a company that has less than \$5 million in net tangible assets and has been in business less than three years, by a company that has under \$2 million in net tangible assets and has been in business for at least three years, or by a company that has revenues of \$6 million for 3 years.

Use Caution When Investing in Penny Stocks

1. *Do not make a hurried investment decision.* High-pressure sales techniques can be a warning sign of fraud. The salesperson is not an impartial advisor, but is paid for selling stock to you. The salesperson also does not have to watch your investment for you. Thus, you should think over the offer and seek outside advice. Check to see if the information given by the salesperson differs from other information you may have. Also, it is illegal for salespersons to promise that a stock will increase in value or is risk-free, or to guarantee against loss. If you think there is a problem, ask to speak with a compliance official at the firm, and, if necessary, any of the regulators referred to in this statement.

2. *Study the company issuing the stock.* Be wary of companies that have no operating history, few assets, or no defined business purpose. These may be sham or "shell" corporations. Read the prospectus for the company carefully before you invest. Some dealers fraudulently solicit investors' money to buy stock in sham companies, artificially inflate the stock prices, then cash in their profits before public investors can sell their stock.

3. *Understand the risky nature of these stocks.* You should be aware that you may lose part or all of your investment. Because of large dealer spreads, you will not be able to sell the stock immediately back to the dealer at the same price it sold the stock to you. In some cases, the stock may fall quickly in value. New companies, whose stock is sold in an "initial public offering," often are riskier investments. Try to find out if the shares the salesperson wants to sell you are part of such an offering. Your salesperson must give you a "prospectus" in an initial public offering, but the financial condition shown in the prospectus of new companies can change very quickly.

4. *Know the brokerage firm and the salespeople with whom you are dealing.* Because of the nature of the market for penny stock, you may have to rely solely on the original brokerage firm that sold you the stock for prices and to buy the stock back from you. Ask the National Association of Securities Dealers, Inc. (NASD) or your state securities regulator, which is a member of the North

American Securities Administrators Association, Inc. (NASAA), about the licensing and disciplinary record of the brokerage firm and the salesperson contacting you. The telephone numbers of the NASD and NASAA are listed on the first page of this document.

5. *Be cautious if your salesperson leaves the firm.* If the salesperson who sold you the stock leaves his or her firm, the firm may reassign your account to a new salesperson. If you have problems, ask to speak to the firm's branch office manager or a compliance officer. Although the departing salesperson may ask you to transfer your stock to his or her new firm, you do not have to do so. Get information on the new firm. Be wary of requests to sell your securities when the salesperson transfers to a new firm. Also, you have the right to get your stock certificate from your selling firm. You do not have to leave the certificate with that firm or any other firm.

YOUR RIGHTS

Disclosures to you. Under penalty of federal law, your brokerage firm must tell you the following information at two different times—before you agree to buy or sell a penny stock, and after the trade, by *written confirmation*:

- *The bid and offer price quotes for penny stock, and the number of shares to which the quoted prices apply.* The *bid* and *offer* quotes are the wholesale prices at which dealers trade among themselves. These prices give you an idea of the market value of the stock. The dealer must tell you these price quotes if they appear on an automated quotation system approved by the SEC. If not, the dealer must use its own quotes or trade prices. You should calculate the *spread*, the difference between the bid and offer quotes, to help decide if buying the stock is a good investment.

A lack of quotes may mean that the market among dealers is not active. It thus may be difficult to resell the stock. You also should be aware that the actual price charged to you for the stock may differ from the price quoted to you for 100 shares. You should therefore determine, before you agree to a purchase, what the actual sales price (before the *markup*) will be for the exact number of shares you want to buy.

- *The brokerage firm's compensation for the trade.* A *markup* is the amount a dealer adds to the wholesale offer price of the stock and a *markdown* is the amount it subtracts from the wholesale bid price of the stock as *compensation*. A markup/markdown usually serves the same role as a broker's commission on a trade. Most of the firms in the penny stock market will be dealers, not brokers.

- *The compensation received by the brokerage firm's salesperson for the trade.* The brokerage firm must disclose to you, as a total sum,

the cash compensation of your salesperson for the trade that is known at the time of the trade. The firm must describe in the written confirmation the nature of any other compensation of your salesperson that is unknown at the time of the trade.

In addition to the items listed above, your brokerage firm must send to you:

- *Monthly account statements.* In general, your brokerage firm must send you a *monthly statement* that gives an estimate of the value of each penny stock in your account, if there is enough information to make an estimate. If the firm has not bought or sold any penny stocks for your account for six months, it can provide these statements every three months.

- *A Written Statement of Your Financial Situation and Investment Goals.* In general, unless you have had an account with your brokerage firm for more than one year, or you have previously bought three different penny stocks from that firm, your brokerage firm must send you a written statement for you to sign that accurately describes your financial situation, your investment experience, and your investment goals, and that contains a statement of why your firm decided that penny stocks are a suitable investment for you. The firm also must get your written consent to buy the penny stock.

- *Legal remedies.* If penny stocks are sold to you in violation of your rights listed above, or other federal or state securities laws, you may be able to cancel your purchase and get your money back. If the stocks are sold in a fraudulent manner, you may be able to sue the persons and firms that caused the fraud for damages. If you have signed an arbitration agreement, however, you may have to pursue your claim through arbitration. You may wish to contact an attorney. The SEC is not authorized to represent individuals in private litigation.

However, to protect yourself and other investors, you should report any violations of your brokerage firm's duties listed above and other securities laws to the SEC, the NASD, or your state securities administrator at the telephone numbers on the first page of this document. These bodies have the power to stop fraudulent and abusive activity of salespersons and firms engaged in the securities business. Or you can write to the SEC at 450 Fifth St., NW., Washington, DC 20549; the NASD at 1735 K Street, NW., Washington, DC 20006; or NASAA at 555 New Jersey Avenue, NW., Suite 750, Washington, DC 20001. NASAA will give you the telephone number of your state's securities agency. If there is any disciplinary record of a person or a firm, the NASD, NASAA, or your state securities regulator will send you this information if you ask for it.

MARKET INFORMATION

The market for penny stocks. Penny stocks usually are not listed on an exchange or quoted on the NASDAQ system. Instead, they are traded between dealers on the telephone in the "over-the-counter" market. The NASD's OTC Bulletin Board also will contain information on some penny stocks. At times, however, price information for these stocks is not publicly available.

Market domination. In some cases, only one or two dealers, acting as "market makers," may be buying and selling a given stock. You should first ask if a firm is acting as a *broker* (your agent) or as a *dealer*. A *dealer* buys stock itself to fill your order or already owns the stock. A *market maker* is a dealer who holds itself out as ready to buy and sell stock on a regular basis. If the firm is a market maker, ask how many other market makers are dealing in the stock to see if the firm (or group of firms) dominates the market. When there are only one or two market makers, there is a risk that the dealer or group of dealers may control the market in that stock and set prices that are not based on competitive forces. In recent years, some market makers have created fraudulent markets in certain penny stocks, so that stock prices rose suddenly, but collapsed just as quickly, at a loss to investors.

Mark-ups and mark-downs. The actual price that the customer pays usually includes the mark-up or mark-down. Markups and markdowns are direct profits for the firm and its salespeople, so you should be aware of such amounts to assess the overall value of the trade.

The "spread." The difference between the bid and offer price is the spread. Like a mark-up or mark-down, the spread is another source of profit for the brokerage firm and compensates the firm for the risk of owning the stock. A large spread can make a trade very expensive to an investor. For some penny stocks, the spread between the bid and offer may be a large part of the purchase price of the stock. Where the bid price is much lower than the offer price, the market value of the stock must rise substantially before the stock can be sold at a profit. Moreover, an investor may experience substantial losses if the stock must be sold immediately.

Example: If the bid is \$0.04 per share and the offer is \$0.10 per share, the spread (difference) is \$0.06, which appears to be a small amount. But you would lose \$0.06 on every share that you bought for \$0.10 if you had to sell that stock immediately to the same firm. If you had invested \$5,000 at the \$0.10 offer price, the market maker's repurchase price, at \$0.04 bid, would be only \$2,000; thus you would lose \$3,000, or more than half of your investment, if you decided to sell the stock. In addition, you would have to pay

compensation (a "mark-up," "mark-down," or commission) to buy and sell the stock. $\frac{1}{4}$

In addition to the amount of the spread, the price of your stock must rise enough to make up for the compensation that the dealer charged you when it first sold you the stock. Then, when you want to resell the stock, a dealer again will charge compensation, in the form of a markdown. The dealer subtracts the markdown from the price of the stock when it buys the stock from you. Thus, to make a profit, the bid price of your stock must rise above the amount of the original spread, the markup, and the mark-down.

Primary offerings. Most penny stocks are sold to the public on an ongoing basis. However, dealers sometimes sell these stocks in initial public offerings. You should pay special attention to stocks of companies that have never been offered to the public before, because the market for these stocks is untested. Because the offering is on a first-time basis, there is generally no market information about the stock to help determine its value. The federal securities laws generally require broker-dealers to give investors a "prospectus," which contains information about the objectives, management, and financial condition of the issuer. In the absence of market information, investors should read the company's prospectus with special care to find out if the stocks are a good investment. However, the prospectus is only a description of the current condition of the company. The outlook of the start-up companies described in a prospectus often is very uncertain.

(b) Each government securities broker or government securities dealer registered pursuant to section 15C(a)(1)(A) of the Act that becomes a non-resident government securities broker or government securities dealer, and each general partner or managing agent of an unincorporated government securities broker or government securities dealer registered or applying for registration pursuant to section 15C(a)(1)(A) of the Act who becomes a non-resident after such registration or filing of an application for such registration, shall furnish such consent and power of attorney no more than 30 days thereafter.

(c) Service of any process, pleadings, or other papers on the Commission under this rule shall be made by delivering the requisite number of copies thereof to the Secretary of the Commission or to such other person as the Commission may authorize to act in its behalf. Whenever any process, pleadings, or other papers as aforesaid are served upon the Commission, it shall promptly forward a copy thereof by registered or certified mail to the appropriate defendants at their last address of record filed with the Commis-

sion; but any failure by the Commission to forward such a copy shall have no effect on the validity of the service made upon the Commission. The Commission shall be furnished a sufficient number of copies for such purpose, and one copy for its file.

(d) For purposes of this rule the following definitions shall apply:

(1) The term *managing agent* shall mean any person, including a trustee, who directs or manages or who participates in the directing or managing of the affairs of any unincorporated organization or association that is not a partnership.

withdrawal from registration on Form BDW (17 CFR 249.501a), a government securities broker or government securities dealer shall amend Form BD (17 CFR 249.501) in accordance with 17 CFR 400.5(a) to update any inaccurate information.

(b) A notice of withdrawal from registration filed by a government securities broker or government securities dealer shall become effective for all matters on the 60th day after the filing thereof with the Commission, within such longer period of time as to which such government securities broker or government securities dealer consents or the Commission by order may determine as necessary or appropriate in the public interest or for the protection of investors, or within such shorter period of time as the Commission may determine. If a notice of withdrawal from registration is filed with the Commission at any time subsequent to the date of the issuance of a Commission order instituting proceedings pursuant to Section 15C(c) (15 U.S.C. 78o-5(c)) to censure, place limitations on the activities, functions or operations of, or suspend or revoke the registration of such government securities broker or government securities dealer, or if prior to the effective date of the notice of withdrawal pursuant to this paragraph (b), the Commission institutes such a proceeding or a proceeding to impose terms or conditions upon such withdrawal, the notice of withdrawal shall not become effective pursuant to this paragraph (b) except at such time and upon such terms and conditions as the Commission deems necessary or appropriate in the public interest or for the protection of investors.

(c) Every notice of withdrawal filed with the Central Registration Depository pursuant to this section shall constitute a "report" filed with the Commission within the meaning of Sections 15(b), 15C(c), 17(a), 18(a), 32(a) (15 U.S.C. 78o(b), 78o-5(c), 78q(a), 78r(a), 78ff(a)) and other applicable provisions of the Act.

§ 240.16a-1 Definition of terms.

Terms defined in this rule shall apply solely to section 16 of the Act and the rules thereunder. These terms shall not be limited to section 16(a) of the Act but also shall apply to all other subsections under section 16 of the Act.

(a) The term *beneficial owner* shall have the following applications:

(1) Solely for purposes of determining whether a person is a beneficial owner of more than ten percent of any class of equity securities registered pursuant to section 12 of the Act, the term "beneficial owner" shall mean any person who is deemed a beneficial owner pursuant to section 13(d) of the Act and the rules thereunder; *provided, however*, that the following institutions or persons shall not be deemed the beneficial owner of securities of such class held for the benefit of third parties or in customer or fiduciary accounts in the ordinary course of business (or in the case of an employee benefit plan specified in paragraph (a)(1)(vi) of this section, of securities of such class allocated to plan participants where participants have voting power) as long as such shares are acquired by such institutions or persons without the purpose or effect of changing or influencing control of the issuer or engaging in any arrangement subject to Rule 13d-3(b) (§ 240.13d-3(b)):

(i) A broker or dealer registered under section 15 of the Act (15 U.S.C. 78o);

(ii) A bank as defined in section 3(a)(6) of the Act (15 U.S.C. 78c);

(iii) An insurance company as defined in section 3(a)(19) of the Act (15 U.S.C. 78c);

(iv) An investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8);

(v) Any person registered as an investment adviser under Section 203 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-3) or under the laws of any state;

(vi) An employee benefit plan as defined in Section 3(3) of the Employee

Retirement Income Security Act of 1974, as amended, 29 U.S.C. 1001 *et seq.* ("ERISA") that is subject to the provisions of ERISA, or any such plan that is not subject to ERISA that is maintained primarily for the benefit of the employees of a state or local government or instrumentality, or an endowment fund;

(vii) A parent holding company or control person, provided the aggregate amount held directly by the parent or control person, and directly and indirectly by their subsidiaries or affiliates that are not persons specified in paragraphs (a)(1)(i) through (ix), does not exceed one percent of the securities of the subject class;

(viii) A savings association as defined in Section 3(b) of the Federal Deposit Insurance Act (12 U.S.C. 1813);

(ix) A church plan that is excluded from the definition of an investment company under section 3(c)(14) of the Investment Company Act of 1940 (15 U.S.C. 80a-30); and

(x) A group, provided that all the members are persons specified in § 240.16a-1(a)(1)(i) through (ix).

(xi) A group, provided that all the members are persons specified in § 240.16a-1(a)(1) (i) through (vii).

NOTE TO PARAGRAPH (a): Pursuant to this section, a person deemed a beneficial owner of more than ten percent of any class of equity securities registered under section 12 of the Act would file a Form 3 (§ 249.103), but the securities holdings disclosed on Form 3, and changes in beneficial ownership reported on subsequent Forms 4 (§ 249.104) or 5 (§ 249.105), would be determined by the definition of "beneficial owner" in paragraph (a)(2) of this section.

(2) Other than for purposes of determining whether a person is a beneficial owner of more than ten percent of any class of equity securities registered under Section 12 of the Act, the term *beneficial owner* shall mean any person who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has or shares a direct or indirect pecuniary interest in the equity securities, subject to the following:

(i) The term *pecuniary interest* in any class of equity securities shall mean the opportunity, directly or indirectly, to profit or share in any profit derived

from a transaction in the subject securities.

(ii) The term *indirect pecuniary interest* in any class of equity securities shall include, but not be limited to:

(A) Securities held by members of a person's immediate family sharing the same household; provided, however, that the presumption of such beneficial ownership may be rebutted; *see also* § 240.16a-1(a)(4);

(B) A general partner's proportionate interest in the portfolio securities held by a general or limited partnership. The general partner's proportionate interest, as evidenced by the partnership agreement in effect at the time of the transaction and the partnership's most recent financial statements, shall be the greater of:

(1) The general partner's share of the partnership's profits, including profits attributed to any limited partnership interests held by the general partner and any other interests in profits that arise from the purchase and sale of the partnership's portfolio securities; or

(2) The general partner's share of the partnership capital account, including the share attributable to any limited partnership interest held by the general partner.

(C) A performance-related fee, other than an asset-based fee, received by any broker, dealer, bank, insurance company, investment company, investment adviser, investment manager, trustee or person or entity performing a similar function; *provided, however*, that no pecuniary interest shall be present where:

(1) The performance-related fee, regardless of when payable, is calculated based upon net capital gains and/or net capital appreciation generated from the portfolio or from the fiduciary's overall performance over a period of one year or more; and

(2) Equity securities of the issuer do not account for more than ten percent of the market value of the portfolio. A right to a nonperformance-related fee alone shall not represent a pecuniary interest in the securities;

(D) A person's right to dividends that is separated or separable from the underlying securities. Otherwise, a right to dividends alone shall not represent a pecuniary interest in the securities;

(E) A person's interest in securities held by a trust, as specified in § 240.16a-8(b); and

(F) A person's right to acquire equity securities through the exercise or conversion of any derivative security, whether or not presently exercisable.

(iii) A shareholder shall not be deemed to have a pecuniary interest in the portfolio securities held by a corporation or similar entity in which the person owns securities if the shareholder is not a controlling shareholder of the entity and does not have or share investment control over the entity's portfolio.

(3) Where more than one person subject to section 16 of the Act is deemed to be a beneficial owner of the same equity securities, all such persons must report as beneficial owners of the securities, either separately or jointly, as provided in § 240.16a-3(j). In such cases, the amount of short-swing profit recoverable shall not be increased above the amount recoverable if there were only one beneficial owner.

(4) Any person filing a statement pursuant to section 16(a) of the Act may state that the filing shall not be deemed an admission that such person is, for purposes of section 16 of the Act or otherwise, the beneficial owner of any equity securities covered by the statement.

(5) The following interests are deemed not to confer beneficial ownership for purposes of section 16 of the Act:

(i) Interests in portfolio securities held by any holding company registered under the Public Utility Holding Company Act of 1935 (15 U.S.C. 79a *et seq.*);

(ii) Interests in portfolio securities held by any investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*); and

(iii) Interests in securities comprising part of a broad-based, publicly traded market basket or index of stocks, approved for trading by the appropriate federal governmental authority.

(b) The term *call equivalent position* shall mean a derivative security position that increases in value as the value of the underlying equity increases, including, but not limited to, a

long convertible security, a long call option, and a short put option position.

(c) The term *derivative securities* shall mean any option, warrant, convertible security, stock appreciation right, or similar right with an exercise or conversion privilege at a price related to an equity security, or similar securities with a value derived from the value of an equity security, but shall not include:

(1) Rights of a pledgee of securities to sell the pledged securities;

(2) Rights of all holders of a class of securities of an issuer to receive securities pro rata, or obligations to dispose of securities, as a result of a merger, exchange offer, or consolidation involving the issuer of the securities;

(3) Rights or obligations to surrender a security, or have a security withheld, upon the receipt or exercise of a derivative security or the receipt or vesting of equity securities, in order to satisfy the exercise price or the tax withholding consequences of receipt, exercise or vesting;

(4) Interests in broad-based index options, broad-based index futures, and broad-based publicly traded market baskets of stocks approved for trading by the appropriate federal governmental authority;

(5) Interests or rights to participate in employee benefit plans of the issuer;

(6) Rights with an exercise or conversion privilege at a price that is not fixed; or

(7) Options granted to an underwriter in a registered public offering for the purpose of satisfying over-allotments in such offering.

(d) The term *equity security of such issuer* shall mean any equity security or derivative security relating to an issuer, whether or not issued by that issuer.

(e) The term *immediate family* shall mean any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, and shall include adoptive relationships.

(f) The term "officer" shall mean an issuer's president, principal financial officer, principal accounting officer (or, if there is no such accounting officer, the controller), any vice-president of

the issuer in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy-making function, or any other person who performs similar policy-making functions for the issuer. Officers of the issuer's parent(s) or subsidiaries shall be deemed officers of the issuer if they perform such policy-making functions for the issuer. In addition, when the issuer is a limited partnership, officers or employees of the general partner(s) who perform policy-making functions for the limited partnership are deemed officers of the limited partnership. When the issuer is a trust, officers or employees of the trustee(s) who perform policy-making functions for the trust are deemed officers of the trust.

NOTE: "Policy-making function" is not intended to include policy-making functions that are not significant. If pursuant to Item 401(b) of Regulation S-K (§229.401(b)) the issuer identifies a person as an "executive officer," it is presumed that the Board of Directors has made that judgment and that the persons so identified are the officers for purposes of Section 16 of the Act, as are such other persons enumerated in this paragraph (f) but not in Item 401(b).

(g) The term *portfolio securities* shall mean all securities owned by an entity, other than securities issued by the entity.

(h) The term *put equivalent position* shall mean a derivative security position that increases in value as the value of the underlying equity decreases, including, but not limited to, a long put option and a short call option position.

§ 240.16a-2 Persons and transactions subject to section 16.

Any person who is the beneficial owner, directly or indirectly, of more than ten percent of any class of equity securities ("ten percent beneficial owner") registered pursuant to section 12 of the Act (15 U.S.C. 78j), any director or officer of the issuer of such securities, and any person specified in section 17(a) of the Public Utility Holding Company Act of 1935 (15 U.S.C. 79q(a)) or section 30(h) of the Investment Company Act of 1940 (15 U.S.C. 80a-29(h)),

including any person specified in §240.16a-8, shall be subject to the provisions of section 16 of the Act (15 U.S.C. 78p). The rules under section 16 of the Act apply to any class of equity securities of an issuer whether or not registered under section 12 of the Act. The rules under section 16 of the Act also apply to non-equity securities as provided by the Public Utility Holding Company Act of 1935 and the Investment Company Act of 1940. With respect to transactions by persons subject to section 16 of the Act:

(a) A transaction(s) carried out by a director or officer in the six months prior to the director or officer becoming subject to section 16 of the Act shall be subject to section 16 of the Act and reported on the first required Form 4 only if the transaction(s) occurred within six months of the transaction giving rise to the Form 4 filing obligation and the director or officer became subject to section 16 of the Act solely as a result of the issuer registering a class of equity securities pursuant to section 12 of the Act.

(b) A transaction(s) following the cessation of director or officer status shall be subject to section 16 of the Act only if:

(1) Executed within a period of less than six months of an opposite transaction subject to section 16(b) of the Act that occurred while that person was a director or officer; and

(2) Not otherwise exempted from section 16(b) of the Act pursuant to the provisions of this chapter.

NOTE TO PARAGRAPH (b): For purposes of this paragraph, an acquisition and a disposition each shall be an opposite transaction with respect to the other.

(c) The transaction that results in a person becoming a ten percent beneficial owner is not subject to section 16 of the Act unless the person otherwise is subject to section 16 of the Act. A ten percent beneficial owner not otherwise subject to section 16 of the Act must report only those transactions conducted while the beneficial owner of more than ten percent of a class of equity securities of the issuer registered pursuant to section 12 of the Act.

(d)(1) Transactions by a person or entity shall be exempt from the provisions of section 16 of the Act for the 12

§ 240.16a-3

- (i) Executor or administrator of the estate of a decedent;
- (ii) Guardian or member of a committee for an incompetent;
- (iii) Receiver, trustee in bankruptcy, assignee for the benefit of creditors, conservator, liquidating agent, or other similar person duly authorized by law to administer the estate or assets of another person; or
- (iv) Fiduciary in a similar capacity.

(2) Transactions by such person or entity acting in a capacity specified in paragraph (d)(1) of this section after the period specified in that paragraph shall be subject to section 16 of the Act only where the estate, trust or other entity is a beneficial owner of more than ten percent of any class of equity security registered pursuant to section 12 of the Act.

[56 FR 7265, Feb. 21, 1991, as amended at 61 FR 30392, June 14, 1996; 67 FR 43535, June 28, 2002]

§ 240.16a-3 Reporting transactions and holdings.

(a) Initial statements of beneficial ownership of equity securities required by section 16(a) of the Act shall be filed on Form 3. Statements of changes in beneficial ownership required by that section shall be filed on Form 4. Annual statements shall be filed on Form 5. At the election of the reporting person, any transaction required to be reported on Form 5 may be reported on an earlier filed Form 4. All such statements shall be prepared and filed in accordance with the requirements of the applicable form.

(b) A person filing statements pursuant to section 16(a) of the Act with respect to any class of equity securities registered pursuant to section 12 of the Act need not file an additional statement on Form 3:

(1) When an additional class of equity securities of the same issuer becomes registered pursuant to section 12 of the Act; or

(2) When such person assumes a different or an additional relationship to the same issuer (for example, when an officer becomes a director).

(c) Any issuer that has equity securities listed on more than one national securities exchange may designate one exchange as the only exchange with which reports pursuant to section 16(a) of the Act need be filed. Such designation shall be made in writing and shall be filed with the Commission and with each national securities exchange on which any equity security of the issuer is listed at the time of such election. The reporting person's obligation to file reports with each national securities exchange on which any equity security of the issuer is listed shall be satisfied by filing with the exchange so designated.

(d) Any person required to file a statement with respect to securities of a single issuer under both section 16(a) of the Act (15 U.S.C. 78p(a)) and either section 17(a) of the Public Utility Holding Company Act of 1935 (15 U.S.C. 79q(a)) or section 30(h) of the Investment Company Act of 1940 (15 U.S.C. 80a-29(h)) may file a single statement containing the required information, which will be deemed to be filed under both Acts.

(e) Any person required to file a statement under section 16(a) of the Act shall, not later than the time the statement is transmitted for filing with the Commission, send or deliver a duplicate to the person designated by the issuer to receive such statements, or, in the absence of such a designation, to the issuer's corporate secretary or person performing equivalent functions.

(f)(1) A Form 5 shall be filed by every person who at any time during the issuer's fiscal year was subject to section 16 of the Act with respect to such issuer, except as provided in paragraph (f)(2) of this section. The Form shall be filed within 45 days after the issuer's fiscal year end, and shall disclose the following holdings and transactions not reported previously on Forms 3, 4 or 5:

(i) All transactions during the most recent fiscal year that were exempt from section 16(b) of the Act, except:

(A) Exercises and conversions of derivative securities exempt under either § 240.16b-3 or § 240.16b-6(b), and any transaction exempt under § 240.16b-3(d),

Securities and Exchange Commission

§ 240.16a-3

§ 240.16b-3(e), or § 240.16b-3(f) (these are required to be reported on Form 4);

(B) Transactions exempt from section 16(b) of the Act pursuant to § 240.16b-3(c), which shall be exempt from section 16(a) of the Act; and

(C) Transactions exempt from section 16(a) of the Act pursuant to another rule;

(ii) Transactions that constituted small acquisitions pursuant to § 240.16a-6(a);

(iii) All holdings and transactions that should have been reported during the most recent fiscal year, but were not; and

(iv) With respect to the first Form 5 requirement for a reporting person, all holdings and transactions that should have been reported in each of the issuer's last two fiscal years but were not, based on the reporting person's reasonable belief in good faith in the completeness and accuracy of the information.

(2) Notwithstanding the above, no Form 5 shall be required where all transactions otherwise required to be reported on the Form 5 have been reported before the due date of the Form 5.

Persons no longer subject to section 16 of the Act, but who were subject to the Section at any time during the issuer's fiscal year, must file a Form 5 unless paragraph (f)(2) is satisfied. *See also* § 240.16a-2(b) regarding the reporting obligations of persons ceasing to be officers or directors.

(g)(1) A Form 4 must be filed to report: All transactions not exempt from section 16(b) of the Act; All transactions exempt from section 16(b) of the Act pursuant to § 240.16b-3(d), § 240.16b-3(e), or § 240.16b-3(f); and all exercises and conversions of derivative securities, regardless of whether exempt from section 16(b) of the Act. Form 4 must be filed before the end of the second business day following the day on which the subject transaction has been executed.

(2) Solely for purposes of section 16(a)(2)(C) of the Act and paragraph (g)(1) of this section, the date on which the executing broker, dealer or plan administrator notifies the reporting person of the execution of the transaction is deemed the date of execution for a

transaction where the following conditions are satisfied:

(i) the transaction is pursuant to a contract, instruction or written plan for the purchase or sale of equity securities of the issuer (as defined in § 16a-1(d)) that satisfies the affirmative defense conditions of § 240.10b5-1(c) of this chapter; and

(ii) the reporting person does not select the date of execution.

(3) Solely for purposes of section 16(a)(2)(C) of the Act and paragraph (g)(1) of this section, the date on which the plan administrator notifies the reporting person that the transaction has been executed is deemed the date of execution for a discretionary transaction (as defined in § 16b-3(b)(1)) for which the reporting person does not select the date of execution.

(4) In the case of the transactions described in paragraphs (g)(2) and (g)(3) of this section, if the notification date is later than the third business day following the trade date of the transaction, the date of execution is deemed to be the third business day following the trade date of the transaction.

(5) At the option of the reporting person, transactions that are reportable on Form 5 may be reported on Form 4, so long as the Form 4 is filed no later than the due date of the Form 5 on which the transaction is otherwise required to be reported.

(h) The date of filing with the Commission shall be the date of receipt by the Commission.

(i) *Signatures.* Where Section 16 of the Act, or the rules or forms thereunder, require a document filed with or furnished to the Commission to be signed, such document shall be manually signed, or signed using either typed signatures or duplicated or facsimile versions of manual signatures. Where typed, duplicated or facsimile signatures are used, each signatory to the filing shall manually sign a signature page or other document authenticating, acknowledging or otherwise adopting his or her signature that appears in the filing. Such document shall be executed before or at the time the filing is made and shall be retained by the filer for a period of five years. Upon request, the filer shall furnish to the Commission or its staff a copy of

§ 240.16a-4

17 CFR Ch. II (4-1-04 Edition)

any or all documents retained pursuant to this section.

(j) Where more than one person subject to section 16 of the Act is deemed to be a beneficial owner of the same equity securities, all such persons must report as beneficial owners of the securities, either separately or jointly. Where persons in a group are deemed to be beneficial owners of equity securities pursuant to §240.16a-1(a)(1) due to the aggregation of holdings, a single Form 3, 4 or 5 may be filed on behalf of all persons in the group. Joint and group filings must include all required information for each beneficial owner, and such filings must be signed by each beneficial owner, or on behalf of such owner by an authorized person.

(k) Any issuer that maintains a corporate Web site shall post on that Web site by the end of the business day after filing any Form 3, 4 or 5 filed under section 16(a) of the Act as to the equity securities of that issuer. Each such form shall remain accessible on such issuer's Web site for at least a 12-month period. In the case of an issuer that is an investment company and that does not maintain its own Web site, if any of the issuer's investment adviser, sponsor, depositor, trustee, administrator, principal underwriter, or any affiliated person of the investment company maintains a Web site that includes the name of the issuer, the issuer shall comply with the posting requirements by posting the forms on one such Web site.

§ 240.16a-8 Trusts.

(a) *Persons subject to section 16.* (1) *Trusts.* A trust shall be subject to section 16 of the Act with respect to secu-

rities of the issuer if the trust is a beneficial owner, pursuant to § 240.16a-1(a)(1), of more than ten percent of any class of equity securities of the issuer registered pursuant to section 12 of the Act (“ten percent beneficial owner”).

(i) The trust is a beneficial owner, pursuant to § 240.16a-1(a)(1), of more than ten percent of any class of equity securities of the issuer registered pursuant to section 12 of the Act (“ten percent beneficial owner”); or

(ii) The trustee otherwise is subject to section 16 of the Act and exercises or shares investment control over the issuer’s securities held by the trust, and either the trustee or a member of the trustee’s immediate family has a pecuniary interest in the issuer’s securities held by the trust, except where the trustee is:

(A) An entity or person that in the ordinary course of business acts as trustee, and is specified in § 240.16a-1(a)(1) (i) through (viii); or

(B) An officer or director of the issuer serving as trustee for the issuer’s employee benefit plan trust.

(2) *Trustees, beneficiaries, and settlors.* In determining whether a trustee, beneficiary, or settlor is a ten percent beneficial owner with respect to the issuer:

(i) Such persons shall be deemed the beneficial owner of the issuer’s securities held by the trust, to the extent specified by § 240.16a-1(a)(1); and

(ii) Settlers shall be deemed the beneficial owner of the issuer’s securities held by the trust where they have the power to revoke the trust without the consent of another person.

(b) *Trust Holdings and Transactions.* Holdings and transactions in the issuer’s securities held by a trust shall be reported by the trustee on behalf of the trust, if the trust is subject to section 16 of the Act, except as provided below. Holdings and transactions in the issuer’s securities held by a trust (whether or not subject to section 16 of the Act) may be reportable by other parties as follows:

(1) *Trusts.* The trust need not report holdings and transactions in the issuer’s securities held by the trust in an employee benefit plan subject to the Employee Retirement Income Security Act over which no trustee exercises investment control.

§ 240.16a-9

17 CFR Ch. II (4-1-04 Edition)

(2) *Trustees.* If, as provided by § 240.16a-1(a)(2), a trustee subject to section 16 of the Act has a pecuniary interest in any holding or transaction in the issuer's securities held by the trust, such holding or transaction shall be attributed to the trustee and shall be reported by the trustee in the trustee's individual capacity, as well as on behalf of the trust. With respect to performance fees and holdings of the trustee's immediate family, trustees shall be deemed to have a pecuniary interest in the trust holdings and transactions in the following circumstances:

(i) A performance fee is received that does not meet the proviso of § 240.16a-1(a)(2)(ii)(C); or

(ii) At least one beneficiary of the trust is a member of the trustee's immediate family. The pecuniary interest of the immediate family member(s) shall be attributed to and reported by the trustee.

(3) *Beneficiaries.* A beneficiary subject to section 16 of the Act shall have or share reporting obligations with respect to transactions in the issuer's securities held by the trust, if the beneficiary is a beneficial owner of the securities pursuant to § 240.16a-1(a)(2), as follows:

(i) If a beneficiary shares investment control with the trustee with respect to a trust transaction, the transaction shall be attributed to and reported by both the beneficiary and the trust;

(ii) If a beneficiary has investment control with respect to a trust transaction without consultation with the trustee, the transaction shall be attributed to and reported by the beneficiary only; and

(iii) In making a determination as to whether a beneficiary is the beneficial owner of the securities pursuant to § 240.16a-1(a)(2), beneficiaries shall be deemed to have a pecuniary interest in the issuer's securities held by the trust to the extent of their pro rata interest in the trust where the trustee does not exercise exclusive investment control.

NOTE TO PARAGRAPH (b)(3): Transactions and holdings attributed to a trust beneficiary may be reported by the trustee on behalf of the beneficiary, provided that the report is signed by the beneficiary or other authorized person. Where the transactions and holdings are attributed both to the trustee

and trust beneficiary, a joint report may be filed in accordance with § 240.16a-3(j).

(4) *Settlors.* If a settlor subject to section 16 of the Act reserves the right to revoke the trust without the consent of another person, the trust holdings and transactions shall be attributed to and reported by the settlor instead of the trust; *Provided, however,* That if the settlor does not exercise or share investment control over the issuer's securities held by the trust, the trust holdings and transactions shall be attributed to and reported by the trust instead of the settlor.

(c) *Remainder interests.* Remainder interests in a trust are deemed not to confer beneficial ownership for purposes of section 16 of the Act, provided that the persons with the remainder interests have no power, directly or indirectly, to exercise or share investment control over the trust.

(d) A trust, trustee, beneficiary or settlor becoming subject to section 16(a) of the Act pursuant to this rule also shall be subject to sections 16(b) and 16(c) of the Act.

§ 240.16b-4 [Reserved]

§ 240.16b-5 Bona fide gifts and inheritance.

Both the acquisition and the disposition of equity securities shall be exempt from the operation of section 16(b) of the Act if they are: (a) Bona fide gifts; or (b) transfers of securities by will or the laws of descent and distribution.

§ 240.16b-6 Derivative securities.

(a) The establishment of or increase in a call equivalent position or liquidation of or decrease in a put equivalent position shall be deemed a purchase of the underlying security for purposes of section 16(b) of the Act, and the establishment of or increase in a put equivalent position or liquidation of or decrease in a call equivalent position shall be deemed a sale of the under-

lying securities for purposes of section 16(b) of the Act: *Provided, however,* That if the increase or decrease occurs as a result of the fixing of the exercise price of a right initially issued without a fixed price, where the date the price is fixed is not known in advance and is outside the control of the recipient, the increase or decrease shall be exempt from section 16(b) of the Act with respect to any offsetting transaction within the six months prior to the date the price is fixed.

(b) The closing of a derivative security position as a result of its exercise or conversion shall be exempt from the operation of section 16(b) of the Act, and the acquisition of underlying securities at a fixed exercise price due to the exercise or conversion of a call equivalent position or the disposition of underlying securities at a fixed exercise price due to the exercise of a put equivalent position shall be exempt from the operation of section 16(b) of the Act: *Provided, however,* That the acquisition of underlying securities from the exercise of an out-of-the-money option, warrant, or right shall not be exempt unless the exercise is necessary to comport with the sequential exercise provisions of the Internal Revenue Code (26 U.S.C. 422A).

NOTE TO PARAGRAPH (b): The exercise or conversion of a derivative security that does not satisfy the conditions of this section is eligible for exemption from section 16(b) of the Act to the extent that the conditions of § 240.16b-3 are satisfied.

(1) Short-swing profits in transactions involving the purchase and sale or sale and purchase of derivative securities that have identical characteristics (*e.g.*, purchases and sales of call options of the same strike price and expiration date, or purchases and sales of the same series of convertible debentures) shall be measured by the actual prices paid or received in the short-swing transactions.

(2) Short-swing profits in transactions involving the purchase and sale

§ 240.16b-7

17 CFR Ch. II (4-1-04 Edition)

or sale and purchase of derivative securities having different characteristics but related to the same underlying security (e.g., the purchase of a call option and the sale of a convertible debenture) or derivative securities and underlying securities shall not exceed the difference in price of the underlying security on the date of purchase or sale and the date of sale or purchase. Such profits may be measured by calculating the short-swing profits that would have been realized had the subject transactions involved purchases and sales solely of the derivative security that was purchased or solely of the derivative security that was sold, valued as of the time of the matching purchase or sale, and calculated for the lesser of the number of underlying securities actually purchased or sold.

(d) Upon cancellation or expiration of an option within six months of the writing of the option, any profit derived from writing the option shall be recoverable under section 16(b) of the Act. The profit shall not exceed the premium received for writing the option. The disposition or closing of a long derivative security position, as a result of cancellation or expiration, shall be exempt from section 16(b) of the Act where no value is received from the cancellation or expiration.

(ii) The combined assets of all the companies involved in the merger or consolidation, computed according to their book values prior to the merger or consolidation as determined by reference to their most recent available financial statements for a 12 month pe-

(b) A merger within the meaning of this section shall include the sale or purchase of substantially all the assets of one company by another in exchange for equity securities which are then distributed to the security holders of the company that sold its assets.

(c) Notwithstanding the foregoing, if a person subject to section 16 of the Act makes any non-exempt purchase of a security in any company involved in the merger or consolidation and any non-exempt sale of a security in any company involved in the merger or consolidation within any period of less than six months during which the merger or consolidation took place, the exemption provided by this Rule shall be unavailable to the extent of such purchase and sale.

The undersigned hereby undertakes to furnish promptly to the U.S. Securities and Exchange Commission ("Commission"), its designees or representatives, any self-regulatory organization of which it is a member, or any State securities regulator having jurisdiction over the member, broker or dealer, upon reasonable request, such information as is deemed necessary by the staffs of the Commission, any self-regulatory organization of which it is a member, or any State securities regulator having jurisdiction over the member, broker or dealer to download information kept on the broker's or dealer's electronic storage media to any medium acceptable under Rule 17a-4.

Furthermore, the undersigned hereby undertakes to take reasonable steps to provide access to information contained on the broker's or dealer's electronic storage media, including, as appropriate, arrangements for the downloading of any record required to be maintained and preserved by the broker or dealer pursuant to Rules 17a-3 and 17a-4

Securities and Exchange Commission

under the Securities Exchange Act of 1934 in a format acceptable to the staffs of the Commission, any self-regulatory organization of which it is a member, or any State securities regulator having jurisdiction over the member, broker or dealer. Such arrangements will provide specifically that in the event of a failure on the part of a broker or dealer to download the record into a readable format and after reasonable notice to the broker or dealer, upon being provided with the appropriate electronic storage medium, the undersigned will undertake to do so, as the staffs of the Commission, any self-regulatory organization of which it is a member, or any State securities regulator having jurisdiction over the member, broker or dealer may request.

(g) If a person who has been subject to § 240.17a-3 ceases to transact a business in securities directly with others than members of a national securities exchange, or ceases to transact a business in securities through the medium of a member of a national securities exchange, or ceases to be registered pursuant to section 15 of the Securities Exchange Act of 1934 as amended (48 Stat. 895, 49 Stat. 1377; 15 U.S.C. 78o), such person shall, for the remainder of the periods of time specified in this section, continue to preserve the records which he theretofore preserved pursuant to this section.

(h) For purposes of transactions in municipal securities by municipal securities brokers and municipal securities dealers, compliance with Rule G-9 of the Municipal Securities Rulemaking Board will be deemed to be in compliance with this section.

(i) If the records required to be maintained and preserved pursuant to the provisions of §§ 240.17a-3 and 240.17a-4 are prepared or maintained by an outside service bureau, depository, bank which does not operate pursuant to § 240.17a-3(b)(2), or other recordkeeping service on behalf of the member, broker or dealer required to maintain and preserve such records, such outside entity shall file with the Commission a written undertaking in form acceptable to the Commission, signed by a duly authorized person, to the effect that such records are the property of the member, broker or dealer required to maintain and preserve such records and will be surrendered promptly on request of the member, broker or dealer and including the following provision:

With respect to any books and records maintained or preserved on behalf of [BD], the undersigned hereby undertakes to permit examination of such books and records at any time or from time to time during business hours by representatives or designees of the Securities and Exchange Commission, and to promptly furnish to said Commission or its designee true, correct, complete and current hard copy of any or all or any part of such books and records.

Agreement with an outside entity shall not relieve such member, broker or dealer from the responsibility to prepare and maintain records as specified in this section or in § 240.17a-3.

(j) Every member, broker and dealer subject to this section shall furnish promptly to a representative of the Commission legible, true, complete, and current copies of those records of the member, broker or dealer that are required to be preserved under this section, or any other records of the member, broker or dealer subject to examination under section 17(b) of the Act (15 U.S.C. 78q(b)) that are requested by the representative of the Commission.

(k) *Exchanges of futures for physical.*

(1) Except as provided in paragraph (k)(2) of this section, upon request of any designee or representative of the Commission or of any self-regulatory organization of which it is a member, every member, broker or dealer subject to this section shall request and obtain from its customers documentation regarding an exchange of security futures products for physical securities, including documentation of underlying cash transactions and exchanges. Upon receipt of such documentation, the member, broker or dealer shall promptly provide that documentation to the requesting designee or representative.

(2) This paragraph (k) does not apply to an underlying cash transaction(s) or exchange(s) that was effected through a member, broker or dealer registered with the Commission and is of a type required to be recorded pursuant to § 240.17a-3.

(l) Records for the most recent two year period required to be made pursuant to § 240.17a-3(g) and paragraphs (b)(4) and (e)(7) of this section which relate to an office shall be maintained at the office to which they relate. If an office is a private residence where only

one associated person (or multiple associated persons who reside at that location and are members of the same immediate family) regularly conducts business, and it is not held out to the public as an office nor are funds or securities of any customer of the member, broker or dealer handled there, the member, broker or dealer need not maintain records at that office, but the records must be maintained at another location within the same State as the member, broker or dealer may select. Rather than maintain the records at each office, the member, broker or dealer may choose to produce the records promptly at the request of a representative of a securities regulatory authority at the office to which they relate or at another location agreed to by the representative.

(m) When used in this section:

(1) The term *office* shall have the meaning set forth in § 240.17a-3(h)(1).

(ii) Every broker or dealer subject to this paragraph (a) who clears transactions or carries customer accounts shall file Part II of Form X-17A-5

(§ 249.617 of this chapter) within 17 business days after the end of the calendar quarter and within 17 business days after the date selected for the annual audit of financial statements where said date is other than a calendar quarter. Certain of such brokers or dealers shall file Part IIA in lieu thereof if the nature of their business is limited as described in the instructions to Part II of Form X-17A-5 (§ 249.617 of this chapter).

(iii) Every broker or dealer who does not carry nor clear transactions nor carry customer accounts shall file Part IIA of Form X-17A-5 (§ 249.617 of this chapter) within 17 business days after the end of each calendar quarter and within 17 business days after the date selected for the annual audit of financial statements where said date is other than the end of the calendar quarter.

(iv) Upon receiving written notice from the Commission or the examining authority designated pursuant to section 17(d) of the Act, a broker or dealer who receives such notice shall file monthly, or at such times as shall be specified, Part II or Part IIA of Form X-17A-5 (§ 249.617 of this chapter) and such other financial or operational information as shall be required by the Commission or the designated examining authority.

All reports filed pursuant to this paragraph (a) shall be deemed to be confidential.

(4) The provisions of paragraphs (a)(2) and (3) of this section shall not apply to a member of a national securities exchange or a registered national securities association if said exchange or association maintains records containing the information required by Part I, Part II or Part IIA of Form X-17A-5 (§ 249.617 of this chapter), as to such member, and transmits to the Commission a copy of the applicable parts of Form X-17A-5 (§ 249.617 of this chapter) as to such member, pursuant

to a plan, the procedures and provisions of which have been submitted to and declared effective by the Commission. Any such plan filed by a national securities exchange or a registered national securities association may provide that when a member is also a member of one or more national securities exchanges, or of one or more national securities exchanges and a registered national securities association, the information required to be submitted with respect to any such member may be submitted by only one specified national securities exchange or registered national securities association. For the purposes of this section, a plan filed with the Commission by a national securities exchange or a registered national securities association shall not become effective unless the Commission, having due regard for the fulfillment of the Commission's duties and responsibilities under the provisions of the Act, declares the plan to be effective. Further, the Commission, in declaring any such plan effective, may impose such terms and conditions relating to the provisions of the plan and the period of its effectiveness as may be deemed necessary or appropriate in the public interest, for the protection of investors, or to carry out the Commission's duties and responsibilities under the Act.

(5) Upon written application by a broker or dealer to its designated examining authority, the designated examining authority may extend the time for filing the information required by this paragraph (a). The designated examining authority for the broker or dealer shall maintain, in the manner prescribed in §240.17a-1, a record of each extension granted.

(b) *Report filed upon termination of membership interest.* (1) If a broker or dealer holding any membership interest in a national securities exchange or registered national securities association ceases to be a member in good standing of such exchange or association, such broker or dealer shall, within two business days after such event, file with the Commission Part II or Part IIA of Form X-17A-5 (§249.617 of this chapter) as determined by the standards set forth in paragraphs (a)(2)(ii) and (iii) of this section as of the

date of such event. The report shall be filed at the Commission's principal office in Washington, DC, and with the regional or district office of the Commission for the region or district in which the broker or dealer has its principal place of business: *Provided, however,* That such report need not be made or filed if the Commission, upon written request or upon its own motion, exempts such broker or dealer, either unconditionally or on specified terms and conditions, from such requirement: *Provided, further,* That the Commission may, upon request of the broker or dealer, grant extensions of time for filing the report specified herein for good cause shown.

(2) Attached to the report required by paragraph (b)(1) of this section shall be an oath or affirmation that to the best knowledge and belief of the individual making such oath or affirmation the information contained in the report is true and correct. The oath or affirmation shall be made before a person duly authorized to administer such oath or affirmation. If the broker or dealer is a sole proprietorship, the oath or affirmation shall be made by the proprietor; if a partnership, by a general partner; or if a corporation by the chief executive officer, or, in his absence, by the person authorized to act in his place.

(3) For the purposes of this paragraph (b) "membership interest" shall include the following: full membership, allied membership, associated membership, floor privileges, and any other interest that entitles a broker or dealer to the exercise of any privilege on an exchange or with an association.

(4) For the purposes of this paragraph (b), any broker or dealer shall be deemed to have ceased to be a member in good standing of such exchange or association when he has resigned, withdrawn, or been suspended or expelled from a membership interest in such exchange or association, or has directly or through any associated person sold or entered into an agreement for the sale of a membership interest which would on consummation thereof result in the termination of the broker's or dealer's membership interest in such exchange or association.

(5) Whenever any national securities exchange or registered national securities association takes any action which causes any broker or dealer which is a member of such exchange or association to cease to be a member in good standing of such exchange or association or when such exchange or association learns of any action by such member of any other person which causes such broker or dealer to cease to be a member in good standing of such exchange or association, such exchange or association shall report such action promptly to the Commission, furnishing information as to the circumstances surrounding the event, and shall send a copy of such notification to the broker or dealer and notify such broker or dealer of its responsibilities under this paragraph (b).

(6) One copy of the annual audit report shall be filed at the regional office of the Commission for the region in which the broker or dealer has its principal place of business and the principal office of the designated examining authority for said broker or dealer. (iv) Conduct which would exempt the broker or dealer from the provisions of §240.17a-13 by reason of the provisions of paragraph (a) of that section.

(2) *Audited statements to be furnished.* Audited statements shall be furnished within 105 days after the date of the audited financial statements required by paragraph (d) of this section. The statements may be furnished 30 days after that time limit has expired if the broker or dealer sends them with the next mailing of the broker's or dealer's quarterly customer statements of account. In that case, the broker or dealer must include a statement in that mailing of the amount of the broker's or dealer's net capital and its required net capital in accordance with §240.15c3-1, as of a fiscal month end that is within the 75-day period immediately preceding the date the statements are sent to customers. The problems required to be reported in response to the preceding sentence include both those resolved to the former accountant's satisfaction and those not resolved to the former accountant's satisfaction. Problems contemplated by this section are those which occur at the decision-making level—i.e., between principal financial officers of the broker-dealer and personnel of the accounting firm responsible for rendering its report. The scope of the audit and review of the accounting system, the internal control and procedures for safeguarding securities shall be sufficient to provide reasonable assurance that any material inadequacies existing at the date of the examination in (a) the accounting system; (b) the internal accounting controls; (c) procedures for safeguarding securities; and (d) the practices and procedures whose review is specified in (i), (ii), (iii) and (iv) of this paragraph would be disclosed. Additionally, as specific objectives, the audit shall include reviews of the practices and procedures followed by the client;

17 CFR Ch. II (4-1-04 Edition)

(i) In making the periodic computations of aggregate indebtedness and net capital under § 240.17a-3(a)(11) and the reserve required by § 240.15c3-3(e);

(ii) In making the quarterly securities examinations, counts, verifications and comparisons and the recordation of differences required by § 240.17a-13;

(iii) In complying with the requirement for prompt payment for securities of section 4(c) of Regulation T (§ 220.4(c) of chapter II of title 12) of the Board of Governors of the Federal Reserve System; and

(iv) In obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by § 240.15c3-3. Such review shall include a determination as to the adequacy of the procedures described in the records required to be maintained pursuant to § 240.15c3-3(d)(4).

(2) If the broker or dealer is exempt from § 240.15c3-3, the independent public accountant shall ascertain that the conditions of the exemption were being complied with as of the examination date and that no facts came to his attention to indicate that the exemption had not been complied with during the period since his last examination.

(3) A material inadequacy in the accounting system, internal accounting controls, procedures for safeguarding securities, and practices and procedures referred to in paragraph (g)(1) of this section which is expected to be reported under these audit objectives includes any condition which has contributed substantially to or, if appropriate corrective action is not taken, could reasonably be expected to (i) inhibit a broker or dealer from promptly completing securities transactions or promptly discharging his responsibilities to customers, other broker-dealers or creditors; (ii) result in material financial loss; (iii) result in material misstatements of the broker's or dealer's financial statements; or (iv) result in violations of the Commission's recordkeeping or financial responsibility rules to an extent that could reasonably be expected to result in the conditions described in paragraphs (g)(3) (i), (ii), or (iii) of this section.

(h) *Extent and timing of audit procedures.* (1) The extent and timing of audit procedures are matters for the independent public accountant to determine on the basis of his review and evaluation of existing internal controls and other audit procedures performed in accordance with generally accepted auditing standards and the audit objectives set forth in paragraph (g) of this section. In determining the extent of testing, consideration shall be given to the materiality of an area and the possible effect on the financial statements and schedules of a material misstatement in a related account. The performance of auditing procedures involves the proper synchronization of their application and thus comprehends the need to consider simultaneous performance of procedures in certain areas such as, for example, securities counts, transfer verification and customer and broker confirmation in connection with verification of securities positions.

(2) If, during the course of the audit or interim work, the independent public accountant determines that any material inadequacies exist in the accounting system, internal accounting control, procedures for safeguarding securities, or as otherwise defined in paragraph (g)(3) of this section, then the independent public accountant shall call it to the attention of the chief financial officer of the broker or dealer, who shall have a responsibility to inform the Commission and the designated examining authority by telegraphic or facsimile notice within 24 hours thereafter as set forth in § 240.17a-11 (e) and (g). The broker or dealer shall also furnish the accountant with a copy of said notice to the Commission by telegram or facsimile within said 24 hour period. If the accountant fails to receive such notice from the broker or dealer within said 24 hour period, or if the accountant disagrees with the statements contained in the notice of the broker or dealer, the accountant shall have a responsibility to inform the Commission and the designated examining authority by report of material inadequacy within 24 hours thereafter as set forth in § 240.17a-11(g). Such report from the accountant shall, if the broker or dealer

failed to file a notice, describe any material inadequacies found to exist. If the broker or dealer filed a notice, the accountant shall file a report detailing the aspects, if any, of the broker's or dealer's notice with which the accountant does not agree.

- (ii) State whether the accountant reviewed the procedures followed for safeguarding securities; and
- (iii) Designate any auditing procedures deemed necessary by the accountant under the circumstances of the particular case which have been omitted, and the reason for their omission.

Nothing in this section shall be construed to imply authority for the omission of any procedure which independent accountants would ordinarily employ in the course of an audit made for the purpose of expressing the opinions required under this section.

(3) *Opinion to be expressed.* The accountant's report shall state clearly the opinion of the accountant: (i) In respect of the financial statements and schedules covered by the report and the accounting principles and practices reflected therein; and (ii) as to the consistency of the application of the accounting principles, or as to any changes in such principles which have a material effect on the financial statements.

(4) *Exceptions.* Any matters to which the accountant takes exception shall be clearly identified, the exception thereto specifically and clearly stated, and, to the extent practicable, the effect of each such exception on the related financial statements given.

(5) *Definitions.* For the purpose of this section, the terms *audit* (or *examination*), *accountant's report*, and *certified* shall have the meanings given in § 210.1-02 of this chapter.

(j) *Accountant's report on material inadequacies.* The broker or dealer shall file concurrently with the annual audit report a supplemental report by the accountant describing any material inadequacies found to exist or found to have existed since the date of the previous audit. The supplemental report shall indicate any corrective action taken or proposed by the broker or dealer in regard thereto. If the audit did not disclose any material inadequacies, the supplemental report shall so state.

sions of § 210.2-01(b) and (c) of this chapter.

(g) *Replacement of accountant.* (1) An OTC derivatives dealer shall file a notice that must be received by the Commission's principal office in Washington, DC not more than 15 business days after:

(i) The OTC derivatives dealer has notified the certified public accountant whose opinion covered the most recent financial statements filed under paragraph (b) of this section that the certified public accountant's services will not be utilized in future engagements; or

(ii) The OTC derivatives dealer has notified a certified public accountant who was engaged to give an opinion covering the financial statements to be filed under paragraph (b) of this section that the engagement has been terminated; or

(iii) A certified public accountant has notified the OTC derivatives dealer that it will not continue under an engagement or give an opinion covering the financial statements to be filed under paragraph (b) of this section; or

(iv) A new certified public accountant has been engaged to give an opinion covering the financial statements to be filed under paragraph (b) of this section without any notice of termination having been given to or by the previously engaged certified public accountant.

(2) Such notice shall state the date of notification of the termination of the engagement of the former certified public accountant or the engagement of the new certified public accountant, as applicable, and the details of any disagreements existing during the 24 months (or the period of the engagement, if less) preceding such termination or new engagement relating to any matter of accounting principles or practices, financial statement disclosure, auditing scope or procedure, or compliance with applicable rules of the Commission, which disagreements, if not resolved to the satisfaction of the former certified public accountant, would have caused the former certified public accountant to make reference to them in connection with the report on the subject matter of the disagreements. The disagreements required to

be reported in response to the preceding sentence include both those resolved to the former certified public accountant's satisfaction and those not resolved to the former certified public accountant's satisfaction. Disagreements contemplated by this section are those that occur at the decision-making level (*i.e.*, between principal financial officers of the OTC derivatives dealer and personnel of the certified public accounting firm responsible for rendering its report). The notice shall also state whether the certified public accountant's report on the financial statements for any of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified as to uncertainties, audit scope, or accounting principles, and describe the nature of each such adverse opinion, disclaimer of opinion, or qualification. The OTC derivatives dealer shall also request the former certified public accountant to furnish the OTC derivatives dealer with a letter addressed to the Commission stating whether the former certified public accountant agrees with the statements contained in the notice of the OTC derivatives dealer and, if not, stating the respects in which the former certified public accountant does not agree. The OTC derivatives dealer shall file three copies of the notice and the certified public accountant's letter, one copy of which shall be manually signed by the sole proprietor, or a general partner or a duly authorized corporate officer, as appropriate, and by the certified public accountant.

(h) *Audit objectives.* (1) The audit shall be made in accordance with U.S. Generally Accepted Auditing Standards and shall include a review of the accounting system, the internal accounting controls, and procedures for safeguarding securities including appropriate tests thereof for the period since the date of the prior audited financial statements. The audit shall include all procedures necessary under the circumstances to enable the certified public accountant to express an opinion on the statement of financial condition, results of operations, cash flows, and the Computation of Net Capital under § 240.15c3-1. The scope of the audit and review of the accounting system, the

internal accounting controls, and procedures for safeguarding securities shall be sufficient to provide reasonable assurance that any material inadequacies existing at the date of the examination in the following are disclosed:

- (i) The accounting system;
- (ii) The internal accounting controls; and
- (iii) The procedures for safeguarding securities.

(2) A material inadequacy in the accounting system, internal accounting controls, procedures for safeguarding securities, and practices and procedures referred to in paragraph (h) (1) of this section that must be reported under these audit objectives includes any condition which has contributed substantially to or, if appropriate corrective action is not taken, could reasonably be expected to:

- (i) Inhibit an OTC derivatives dealer from promptly completing securities transactions or promptly discharging its responsibilities to counterparties, other brokers and dealers, or creditors;
- (ii) Result in material financial loss;
- (iii) Result in material misstatements of the OTC derivatives dealer's financial statements; or
- (iv) Result in violations of the Commission's recordkeeping or financial responsibility rules to an extent that could reasonably be expected to result in the conditions described in paragraphs (h)(2)(i), (ii), or (iii) of this section.

(i) *Extent and timing of audit procedures.* (1) The extent and timing of audit procedures are matters for the certified public accountant to determine on the basis of its review and evaluation of existing internal controls and other audit procedures performed in accordance with U.S. Generally Accepted Auditing Standards and the audit objectives set forth in paragraph (h) of this section.

(2) If, during the course of the audit or interim work, the certified public accountant determines that any material inadequacies exist in the accounting system, internal accounting controls, procedures for safeguarding securities, or as otherwise defined in paragraph (h)(2) of this section, then the certified public accountant shall call it

to the attention of the chief financial officer of the OTC derivatives dealer, who shall inform the Commission by telegraphic or facsimile notice within 24 hours thereafter as set forth in § 240.17a-11(e) and (g). The OTC derivatives dealer shall also furnish the certified public accountant with a copy of said notice to the Commission by telegram or facsimile within the same 24 hour period. If the certified public accountant fails to receive such notice from the OTC derivatives dealer within that 24 hour period, or if the certified public accountant disagrees with the statements contained in the notice of the OTC derivatives dealer, the certified public accountant shall inform the Commission by report of material inadequacy within 24 hours thereafter as set forth in § 240.17a-11(g). Such report from the certified public accountant shall, if the OTC derivatives dealer failed to file a notice, describe any material inadequacies found to exist. If the OTC derivatives dealer filed a notice, the certified public accountant shall file a report detailing the aspects, if any, of the OTC derivatives dealer's notice with which the certified public accountant does not agree.

(j) *Accountant's report, general provisions—(1) Technical requirements.* The certified public accountant's report shall be dated; be signed manually; indicate the city and state where issued; and identify without detailed enumeration the financial statements and schedules covered by the report.

(2) *Representations as to the audit.* The certified public accountant's report shall state that the audit was made in accordance with U.S. Generally Accepted Auditing Standards; state whether the certified public accountant reviewed the procedures followed for safeguarding securities; and designate any auditing procedures deemed necessary by the certified public accountant under the circumstances of the particular case that have been omitted, and the reason for their omission. Nothing in this section shall be construed to imply authority for the omission of any procedure which certified public accountants would ordinarily employ in the course of an audit made for the purpose of expressing the opinions required under this section.

(3) *Opinion to be expressed.* The certified public accountant's report shall state clearly the opinion of the certified public accountant:

(i) In respect of the financial statements and schedules covered by the report and the accounting principles and practices reflected therein; and

(ii) As to the consistency of the application of the accounting principles, or as to any changes in such principles which have a material effect on the financial statements.

(4) *Exceptions.* Any matters to which the certified public accountant takes exception shall be clearly identified, explained, and, to the extent practicable, the effect of each such exception on the related financial statements shall be provided.

(5) *Definitions.* For the purpose of this section, the terms *audit* (or *examination*), *accountant's report*, and *certified* shall have the meanings given in § 210.1-02 of this chapter.

(k) *Accountant's report on material inadequacies and reportable conditions.* The OTC derivatives dealer shall file concurrently with the annual audit report a supplemental report by the certified public accountant describing any material inadequacies or any matter that would be deemed to be a reportable condition under U.S. Generally Accepted Auditing Standards that are unresolved as of the date of the certified public accountant's report. The report shall also describe any material inadequacies found to have existed since the date of the previous audit. The supplemental report shall indicate any corrective action taken or proposed by the OTC derivatives dealer with regard to any identified material inadequacies or reportable conditions. If the audit did not disclose any material inadequacies or reportable conditions, the supplemental report shall so state.

(l) *Accountant's report on management controls.* The OTC derivatives dealer shall file concurrently with the annual audit report a supplemental report by the certified public accountant indicating the certified public accountant's opinion on the OTC derivatives dealer's compliance with its internal risk management controls. The procedures are to be performed and the report is to be

§ 240.17a-13

17 CFR Ch. II (4-1-04 Edition)

(m) *Accountant's report on inventory pricing and modeling.* (1) The OTC derivatives dealer shall file concurrently with the annual audit report a supplemental report by the certified public accountant indicating the results of the certified public accountant's review of the broker's or dealer's inventory pricing and modeling procedures. This review shall be conducted in accordance with procedures agreed to by the OTC derivatives dealer and by the certified public accountant conducting the review. The purpose of the review is to confirm that the pricing and modeling procedures relied upon by the OTC derivatives dealer conform to the procedures submitted to the Commission as part of its OTC derivatives dealer application, and that the procedures comply with the qualitative and quantitative standards set forth in § 240.15c3-1f.

(2) The agreed-upon procedures are to be performed and the report is to be prepared in accordance with U.S. Generally Accepted Attestation Standards.

(3) Every OTC derivatives dealer shall file prior to the commencement of the initial review, the procedures to be performed pursuant to paragraph (m)(1) of this section with the Commission's principal office in Washington, DC. Prior to the commencement of each subsequent review, every OTC derivatives dealer shall file with the Commission's principal office in Washington, DC notice of changes in the agreed-upon procedures.

(n) *Extensions and exemptions.* Upon the written request of the OTC derivatives dealer, or on its own motion, the Commission may grant an extension of time or an exemption from any of the requirements of this section either unconditionally or on specified terms and conditions.

(o) *Notification of change of fiscal year.*

(1) In the event any OTC derivatives dealer finds it necessary to change its fiscal year, it must file a notice of such change with the Commission's principal office in Washington, DC.

(2) Such notice shall contain a detailed explanation of the reasons for the change. Any change in the filing

period for the audit report must be approved by the Commission.

(p) *Filing requirements.* For purposes of filing requirements as described in § 240.17a-12, these filings shall be deemed to have been accomplished upon receipt at the Commission's principal office in Washington, DC.

(b) Any member, broker, or dealer who is subject to the provisions of this rule shall at least once in each calendar quarter-year:

(4) Compare the results of the count and verification with his records; and

(5) Record on the books and records of the member, broker, or dealer all unresolved differences setting forth the security involved and date of comparison in a security count difference account no later than 7 business days after the date of each required quarterly security examination, count, and verification in accordance with the requirements provided in paragraph (c) of this section. *Provided, however,* That no examination, count, verification, and

(c) The examination, count, verification, and comparison may be made either as of a date certain or on a cyclical basis covering the entire list of securities. In either case the recordation shall be effected within 7 business days subsequent to the examination, count, verification, and comparison of a particular security. In the event that an examination, count, verification, and comparison is made on a cyclical basis, it shall not extend over more than 1 calendar quarter-year, and no security shall be examined, counted, verified, or compared for the purpose of this rule less than 2 months or more than 4 months after a prior examination, count, verification, and comparison.

(d) The examination, count, verification, and comparison shall be made or supervised by persons whose regular duties do not require them to have direct responsibility for the proper care and protection of the securities or the making or preservation of the subject records.

(e) The provisions of this section shall not apply to a broker or dealer registered pursuant to section 15(b)(11)(A) of the Act (15 U.S.C. 78o(b)(11)(A)) that is not a member of either a national securities exchange pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)) or a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)).

(f) The Commission may, upon written request, exempt from the provisions of this section, either unconditionally or on specified terms and conditions, any member, broker, or dealer who satisfies the Commission that it is not necessary in the public interest and for the protection of investors to subject the particular member, broker, or dealer to certain or all of the provisions of this section, because of the

If the information in a record required to be made pursuant to this section is preserved in a record made pursuant to §240.17a-3 or §240.17a-4, or otherwise preserved by the sponsor (whether in summary or other form), paragraph (c) of this section shall not require the sponsor to maintain such information in a separate file, provided that the sponsor can promptly sort and retrieve the information as if it had been kept in a separate file as a record made pursuant to this section, and preserves the information in accordance with the time periods specified in paragraph (c)(2) of this section.

(g) *Maintenance of records by others.* The records required to be maintained and preserved pursuant to this section may be prepared or maintained by a service bureau, depository, or other recordkeeping service on behalf of the sponsor of a broker-dealer trading system, provided such entity complies with the provisions of §240.17a-4(i). Agreement with such an entity shall not relieve the sponsor of a broker-dealer trading system from the responsibility to prepare and maintain records as specified in this section.

(h) *Furnishing copies of records.* Every broker or dealer subject to this section pursuant to paragraph (a) of this section shall furnish to any representative of the Commission promptly upon request, legible, true and complete copies of those records of the sponsor that are required to be preserved under this section.

(a) Where a member of SIPC is a member of more than one self-regulatory organization, the Commission shall designate by written notice to one of such organizations responsibility for examining such member for compliance with applicable financial responsibility rules. In making such designations the Commission shall take into consideration the regulatory capabilities and procedures of the self-regulatory organizations, availability of staff, convenience of location, unnecessary regulatory duplication, and such other factors as the Commission may consider germane to the protection of investors, the cooperation and coordination among self-regulatory organizations, and the development of a national market system and a national system for the clearance and settlement of securities transactions.

(b) Upon designation of responsibility pursuant to paragraph (a) of this section, all other self-regulatory organizations of which such person is a member shall be relieved of such responsibility to the extent specified.

(c) After the Commission has acted pursuant to paragraphs (a) and (b) of this section, any self-regulatory organization relieved of responsibility with respect to a member may notify customers of, and persons doing business with, such member of the limited nature of its responsibility for such member's compliance with applicable financial responsibility rules.

(b) Any plan filed hereunder may contain provisions for the allocation among the parties of expenses reasonably incurred by the self-regulatory organization having regulatory responsibilities under the plan.

(c) After appropriate notice and opportunity for comment, the Commission may, by written notice, declare such a plan, or any part of the plan, effective if it finds the plan, or any part thereof, necessary or appropriate in the public interest and for the protection of investors, to foster cooperation and coordination among self-regulatory organizations, or to remove impediments to and foster the development of the national market system and a national system for the clearance and settlement of securities transactions and in conformity with the factors set forth in section 17(d) of the Securities Exchange Act of 1934.

(d) Upon the effectiveness of such a plan or part thereof, any self-regulatory organization which is a party to the plan shall be relieved of responsibility as to any person for whom such responsibility is allocated under the plan to another self-regulatory organization to the extent of such allocation.

(e) Nothing herein shall preclude any self-regulatory organization from entering into more than one plan filed hereunder.

(f) After the Commission has declared a plan or part thereof effective pursuant to paragraph (c) of this section or acted pursuant to paragraph (g) of this section, a self-regulatory organization relieved of responsibility may notify customers of, and persons doing business with, such member or participant of the limited nature of its responsibility for such member's or participant's acts, practices, and course of business.

§240.17Ad-5 Written inquiries and requests.

(a) When any person makes a written inquiry to a registered transfer agent concerning the status of an item presented for transfer during the preceding six months by such person or anyone acting on his behalf, which inquiry identifies the issue, the number of shares (or principal amount of debt securities or number of units if relating to any other kind of security) presented, the approximate date of presentation and the name in which it is registered, the registered transfer agent shall, within five business days following receipt of the inquiry, respond, stating whether the item has been received; if received, whether it has been transferred; if received and not transferred, the reason for the delay and what additional matter, if

any, is necessary before transfer may be effected; and, if received and transferred, the date and manner in which the completed item was made available, the addressee and address to which it was made available and the number of any new certificate which was registered and the name in which it was registered. If a new certificate is dispatched or mailed to the presenter within five business days following receipt of an inquiry pertaining to that certificate, no further response to the inquiry shall be required pursuant to this paragraph.

(b) When any broker-dealer requests in writing that a registered transfer agent acknowledge the transfer instructions and the possession of a security presented for transfer by such broker-dealer or revalidate a window ticket with respect to such security and the request identifies the issue, the number of shares (or principal amount of debt securities or number of units if relating to any other kind of security), the approximate date of presentment, the certificate number and the name in which it is registered, every registered transfer agent shall, within five business days following receipt of the request, in writing, confirm or deny possession of the security, and, if the registered transfer agent has possession, (1) acknowledge the transfer instructions or (2) revalidate the window ticket. If a new certificate is dispatched or mailed to the presenter within five business days following receipt of a request pertaining to that certificate, no further response to the inquiry shall be required pursuant to this paragraph.

(c) When any person, or anyone acting under his authority, requests in writing that a transfer agent confirm possession as of a given date of a certificate presented by such person during the 30 days before the date the inquiry is received and the request identifies the issue, the number of shares (or principal amount of debt securities or number of units if relating to any other kind of security), the approximate date of presentment, the certificate number and the name in which the certificate was registered, every registered transfer agent shall, within ten business days following receipt of the request and upon assurance of payment

of a reasonable fee if required by such transfer agent, make available a written response to such person, or anyone acting under his authority, confirming or denying possession of such security as of such given date.

(d) When any person requests in writing a transcript of such person's account with respect to a particular issue, either as the account appears currently or as it appeared on a specific date not more than six months prior to the date the registered transfer agent receives the request, every registered transfer agent shall, within twenty business days following receipt of the request and upon assurance of payment of a reasonable fee if required by such transfer agent, make available to such person a transcript, ledger or statement of account in sufficient detail to permit reconstruction of such account as of the date for which the transcript was requested.

(e)(1) *Response to written inquiries concerning dividend and interest payments.* A registered transfer agent shall respond, within ten business days of receipt, to current claims that contain sufficient detail. A registered transfer agent shall respond, within twenty business days of receipt, to aged claims that contain sufficient detail. The response shall indicate in writing that the inquiry has been received, whether the claim requires further research and, if so, a reasonable estimate of how long that research may take. If no further research is required, the response shall indicate whether that claim is being or will be paid and, if not, the reason for not paying the claim. A registered transfer agent shall devote diligent attention to unresolved inquiries and shall resolve all inquiries as soon as possible.

(2) *Misdirected written inquiries concerning dividend and interest payments.* In the event that a transfer agent is not the dividend disbursing or interest paying agent for an issue that is the subject of a claim under this section, but performed those or any transfer agent services for that issue within the preceding three years, the transfer agent shall provide in writing to the inquirer, within ten business days of receipt of the inquiry, the name and

address of the current dividend disbursing or interest paying agent. If the transfer agent did not perform those or other transfer agent services for the issue within the preceding three years, the transfer agent must respond to the inquiry and may respond by returning the inquiry with a statement that the transfer agent is not the current dividend disbursing or interest paying agent and that it does not know the name and address of the current dividend disbursing or interest paying agent.

(3) As used in this paragraph:

(i) A *current claim* means a written inquiry concerning non-payment or incorrect payment of dividends or interest, the payment date for which occurred within the preceding six months.

(ii) An *aged claim* means a written inquiry concerning non-payment or incorrect payment of dividends or interest, the payment date for which occurred more than six months before the inquiry.

(iii) *Sufficient detail* means a written inquiry or request that identifies: The issue; the name(s) in which the securities are registered; the number of shares (or principal amount of debt securities or number of units for any other kind of security) involved; the approximate record date(s) or payment date(s) relating to the claim; and, with respect to registered broker-dealers, registered clearing agencies, or banks, certificate numbers.

(f) *Telephone response.* (1) A transfer agent may satisfy the written response requirements of this section by a telephone response to the inquirer if:

(i) The telephone response resolves that inquiry; and

(ii) The inquirer does not request a written response.

(2) When any person makes a written inquiry or request that would qualify under paragraph (e) of this section except that it fails to provide sufficient detail as specified in paragraph (e)(3)(iii) of this section, a registered transfer agent may telephone the inquirer to obtain the necessary additional detail within the time periods specified in paragraph (e)(1) of this section. If the transfer agent does not receive the additional detail within ten

business days, the transfer agent immediately shall make a written request for the additional information.

(g)(1) When any person makes a written inquiry or request which would qualify under paragraph (a), (b), (c), or (d) of this section except that it fails to provide all of the information specified in those paragraphs, or requests information which refers to a time earlier than the time periods specified in those paragraphs, a registered transfer agent shall confirm promptly receipt of the inquiry or request and respond to it as soon as possible.

(2) When any person makes a written inquiry or request which would qualify under paragraph (e) of this section except that it fails to provide sufficient detail as specified in paragraph (e)(3)(iii) of this section, a registered transfer agent must respond to the inquiry within the time periods specified in paragraph (e)(1) of this section. A registered transfer agent may respond to such an inquiry in accordance with paragraph (e)(1) of this section as though sufficient detail had been provided, or may return it to the inquirer, requesting the additional necessary details.

(f) Subject to the conditions set forth in this section, the records required to be maintained pursuant to § 240.17Ad-6 may be retained using electronic or micrographic media and may be preserved in those formats for the time required by § 240.17Ad-7. (1) For purposes of this section:

(i) The term *micrographic media* means microfilm or microfiche or any similar medium.

(ii) The term *electronic storage media* means any digital storage medium or system.

(iii) The term *ARA* means your appropriate regulatory agency as that term is defined in 15 U.S.C. 78c(a)(34).

(3) Any electronic storage media that you use to store your records must:

(i) Ensure the security and integrity of the records by means of manual and automated controls that assure the authenticity and quality of the electronic facsimile, detect attempts to alter or remove the records, and provide means to recover altered, damaged, or lost records resulting from any cause;

information necessary to access the records and indexes of [Name of Transfer Agent]’s electronic records management system.

(6) (i) If you use a third party to maintain or preserve some or all of the required records using electronic storage media or micrographic media, such third party shall file a written undertaking signed by a duly authorized person with the Commission and your ARA stating that:

(ii) Agreement with a third party to maintain your records shall not relieve you from the responsibility to prepare and maintain records as specified in this section or in § 240.17Ad-6.

(g) If the records required to be maintained and preserved by a registered transfer agent pursuant to the requirements of §§ 240.17Ad-6 and 240.17Ad-7 are maintained and preserved on behalf of the registered transfer agent by an outside service bureau, other record-keeping service or the issuer, the registered transfer agent shall obtain, from such outside service bureau, other recordkeeping service or the issuer, an agreement, in writing, to the effect that:

(1) Such records are subject at any time, or from time to time, to reasonable periodic, special, or other examinations by representatives of the Commission and the appropriate regulatory agency for such registered transfer agent if it is not the Commission; and

§ 240.17Ad-8 Securities position listings.

(a) For purposes of this section, the term *securities position listing* means, with respect to the securities of any issuer held by a registered clearing agency in the name of the clearing agency or its nominee, a list of those participants in the clearing agency on whose behalf the clearing agency holds the issuer's securities and of the participants' respective positions in such securities as of a specified date.

(b) Upon request, a registered clearing agency shall furnish a securities position listing promptly to each issuer whose securities are held in the name of the clearing agency or its nominee. A registered clearing agency may charge issuers requesting securities position listings a fee designed to recover the reasonable costs of providing the securities position listing to the issuer.

As used in this section and §§ 240.17Ad-10, 240.17Ad-11, 240.17Ad-12 and 240.17Ad-13:

(a) *Certificate detail*, with respect to certificated securities, includes, at a minimum, all of the following, and with respect to uncertificated securities, includes items (2) through (8):

(1) The certificate number.

(2) The number of shares for equity securities or the principal dollar amount for debt securities;

(3) The securityholder's registration;

(4) The address of the registered securityholder;

(5) The issue date of the security;

(7) In the case of redeemable securities of investment companies, an appropriate description of each debit and credit (*i.e.*, designation indicating purchase, redemption, or transfer); and

(8) Any other identifying information about securities and securityholders the transfer agent reasonably deems essential to its recordkeeping system for the efficient and effective research of record differences.

(b) *Master securityholder file* is the official list of individual securityholder accounts. With respect to uncertificated securities of companies registered under the Investment Company Act of 1940, the master securityholder file may consist of multiple, but linked, automated files.

(c) A *subsidiary file* is any list or record of accounts, securityholders, or certificates that evidences debits or credits that have not been posted to the master securityholder file.

(d) A *control book* is the record or other document that shows the total number of shares (in the case of equity securities) or the principal dollar amount (in the case of debt securities) authorized and issued by the issuer.

(e) A *credit* is an addition of appropriate certificate detail to the master securityholder file.

(f) A *debit* is a cancellation of appropriate certificate detail from the master securityholder file.

(g) A *record difference* occurs when either:

(1) The total number of shares or total principal dollar amount of securities in the master securityholder file does not equal the number of shares or principal dollar amount in the control book; or

(2) The security transferred or deemed contains certificate detail different from the certificate detail currently on the master securityholder file, which difference cannot be immediately resolved.

(h) A *recordkeeping transfer agent* is the registered transfer agent that maintains and updates the master securityholder file.

(i) A *co-transfer agent* is the registered transfer agent that transfers securities but does not maintain and update the master securityholder file.

(j) A *named transfer agent* is the registered transfer agent that is engaged by an issuer to perform transfer agent functions for an issue of securities but has engaged a service company to perform some or all of those functions.

(k) A *service company* is the registered transfer agent engaged by a named transfer agent to perform transfer agent functions for that named transfer agent.

(l) A *file* includes automated and manual records.

(Secs. 2, 17(a), 17A(d) and 23(a) thereof, 15 U.S.C. 78b, 78q(a), 78q-1(d) and 78w(a))

[48 FR 28246, June 21, 1983]

§ 240.17Ad-10 Prompt posting of certificate detail to master securityholder files, maintenance of accurate securityholder files, communications between co-transfer agents and recordkeeping transfer agents, maintenance of current control book, retention of certificate detail and “buy-in” of physical over-issuance.

(a)(1) Every recordkeeping transfer agent shall promptly and accurately post to the master securityholder file debits and credits containing minimum and appropriate certificate detail representing every security transferred, purchased, redeemed or issued; *Provided, however,* That if a security transferred or redeemed contains certificate detail different from that currently posted to the master securityholder file, the credit shall be posted to the master securityholder file and the debit and related certificate detail shall be maintained in a subsidiary file until resolved. The recordkeeping transfer agent shall exercise diligent and continuous attention to resolve the resulting record difference and, once resolved, shall post to the master securityholder file the debit maintained in the subsidiary file. Postings of certificate detail shall remain on the master securityholder file until a debit to a securityholder account is appropriate.

(2) As used in this paragraph, the term *promptly* means the following

number of days after issuance, purchase, transfer, or redemption of a security:

(i) With respect to recordkeeping transfer agents (other than transfer agents that perform transfer agent functions with respect to redeemable securities issued by investment companies registered under section 8 of the Investment Company Act of 1940) that are exempt transfer agents under § 240.17Ad-4(b), 30 calendar days;

(ii) With respect to recordkeeping transfer agents (other than transfer agents that perform transfer agent functions with respect to redeemable securities issued by investment companies registered under section 8 of the Investment Company Act of 1940) that:

(A) Perform transfer agent functions solely for their own or their affiliated companies' securities issues, and

(B) Employ batch posting systems, ten business days; and

(iii) With respect to all other recordkeeping transfer agents, five business days;

Provided, however, That all securities transferred, purchased, redeemed or issued prior to record date, but posted subsequent thereto, shall be posted as of the record date.

(3) With respect to posting certificate detail from transfer journals received by the recordkeeping transfer agent from a co-transfer agent, the time frames set forth in paragraph (a)(2) shall commence upon receipt of those journals by the recordkeeping transfer agent.

(b) Every recordkeeping transfer agent shall maintain and keep current an accurate master securityholder file and subsidiary files. If such transfer agent has any record difference, its master securityholder file and subsidiary files must accurately represent all relevant debits and credits until the record difference is resolved. The recordkeeping transfer agent shall exercise diligent and continuous attention to resolve all record differences.

(c)(1) Every co-transfer agent shall dispatch or mail promptly to the recordkeeping transfer agent a record of debits and credits for every security transferred or issued. For the purposes of this paragraph, “promptly” means within two business days following

§ 240.17Ad-10

17 CFR Ch. II (4-1-04 Edition)

transfer of each security, and, with respect to transfers occurring within five business days of record date, daily.

(2) Within three business days following the end of each month, every co-transfer agent shall mail to the recordkeeping transfer agent for each issue of securities for which it acts as a co-transfer agent, a report setting forth:

(i) The principal dollar amount of debt securities or the number of shares and related market value of equity securities comprising any buy-in executed by the co-transfer agent during the preceding month pursuant to paragraph (g) of this section; and

(ii) The reason for the buy-in.

(d) Every co-transfer agent shall respond promptly to all inquiries from the recordkeeping transfer agent regarding records required to be dispatched or mailed by the co-transfer agent pursuant to § 240.17Ad-10(c). For the purposes of this paragraph, "promptly" means within five business days of receipt of an inquiry from a recordkeeping transfer agent.

(e) Every recordkeeping transfer agent shall maintain and keep current an accurate control book for each issue of securities. A change in the control book shall not be made except upon written authorization from a duly authorized agent of the issuer.

(f) Every recordkeeping transfer agent shall retain a record of all certificate detail deleted from the master securityholder file for a period of six years from the date of deletion. In lieu of maintaining a hard copy, a recordkeeping transfer agent may comply with this paragraph by complying with § 240.17Ad-7(f) or § 240.17Ad-7(g).

(g)(1) A registered transfer agent, in the event of any actual physical overissuance that such transfer agent caused and of which it has knowledge, shall, within 60 days of the discovery of such overissuance, buy in securities equal to the number of shares in the case of equity securities or the principal dollar amount in the case of debt securities. During the sixty-day period, the registered transfer agent shall devote diligent attention to resolving the overissuance and recovering the certificates. This paragraph requires a buy-in only by the transfer agent that

erroneously issued the certificate(s) giving rise to the physical overissuance, and applies only to those physical overissuances created by transfers or issuances subsequent to September 30, 1983.

(2) If a transfer agent obtains a letter from the party holding the overissued certificates that confirms that the overissued certificate(s) will be returned to the transfer agent not later than thirty days after the expiration of the sixty-day period, the transfer agent need not buy in securities by the sixtieth day. If, however, the certificate(s) are not returned to the transfer agent within the additional thirty-day period, the transfer agent immediately must execute the buy-in in accordance with paragraph (g)(1) of this section.

(3) If the certificates involved are covered by a surety bond indemnifying the transfer agent for all expenses incurred as a result of actual overissuance, the transfer agent need not buy in the securities. The transfer agent, however, shall devote diligent attention to resolving the overissuance and recovering the certificates.

(4) For purposes of this paragraph, *discovery of the overissuance* occurs when the transfer agent identifies the erroneously issued certificate(s) and the registered securityholder(s).

(h) Subsequent to the effective date of this section, registered transfer agents that:

(1) Assume the maintenance and updating of master securityholder files from predecessor transfer agents,

(2) Establish a new master securityholder file for a particular issue, or

(3) Convert from manual to automated systems,

must carry over any existing certificate detail required by this section on the master securityholder file.

A recordkeeping transfer agent shall not be required to add certificate detail to the master securityholder file respecting certificates issued prior to the effective date of this section.

(Secs. 2, 17(a), 17A(d) and 23(a) thereof, 15 U.S.C. 78b, 78q(a), 78q-1(d) and 78w(a))

§ 240.17Ad-12 Safeguarding of funds and securities.

(a) Any registered transfer agent that has custody or possession of any funds or securities related to its transfer agent activities shall assure that:

(1) All such securities are held in safekeeping and are handled, in light of all facts and circumstances, in a manner reasonably free from risk of theft, loss or destruction (other than by a transfer agent's certificate destruction procedures pursuant to § 240.17Ad-19); and

(2) All such funds are protected, in light of all facts and circumstances, against misuse. In evaluating which particular safeguards and procedures must be employed, the cost of the various safeguards and procedures as well as the nature and degree of potential financial exposure are two relevant factors.

(b) For purposes of this section, the term *securities* shall have the same meaning as the term *securities certificate* as defined in § 240.17f-1(a)(6).

(Secs. 2, 17(a), 17A(d) and 23(a) thereof, 15 U.S.C. 78b, 78q(a), 78q-1(d) and 78w(a))

§ 240.17Ad-13 Annual study and evaluation of internal accounting control.

(a) *Accountant's report.* Every registered transfer agent, except as provided in paragraph (d) of this section, shall file annually with the Commission and the transfer agent's appropriate regulatory agency in accordance with § 240.17Ad-2(h), a report specified in paragraph (a)(1) of this section prepared by an independent accountant

concerning the transfer agent's system of internal accounting control and related procedures for the transfer of record ownership and the safeguarding of related securities and funds. That report shall be filed within 90 calendar days of the date of the study and evaluation set forth in paragraph (a)(1).

(1) The accountant's report shall:

(i) State whether the study and evaluation was made in accordance with generally accepted auditing standards using the criteria set forth in paragraph (a)(3) of this section;

(ii) Describe any material inadequacies found to exist as of the date of the study and evaluation and any corrective action taken, or if no material inadequacy existed, the report shall so state;

(iii) Comment on the current status of any material inadequacy described in the immediately preceding report; and

(iv) Indicate the date of the study and evaluation.

(2) The study and evaluation of the transfer agent's system of internal accounting control for the transfer of record ownership and the safeguarding of related securities and funds shall cover the following:

(i) Transferring securities related to changes of ownership (*i.e.*, cancellation of certificates or other instruments evidencing prior ownership and issuance of certificates or instruments evidencing current ownership);

(ii) Registering changes of ownership on the books and records of the issuer;

(iii) Transferring record ownership as a result of corporate actions (*e.g.*, issuance, retirement, redemption, liquidation, conversion, exchange, tender offer or other types of reorganization);

(iv) Dividend disbursement or interest paying-agent activities;

(v) Administering dividend reinvestment programs; and

(vi) Distributing statements respecting initial offerings of securities.

(3) For purposes of this report, the objectives of a transfer agent's system of internal accounting control for the transfer of record ownership and the safeguarding of related securities and funds should be to provide reasonable, but not absolute, assurance that securities and funds are safeguarded

against loss from unauthorized use or disposition and that transfer agent activities are performed promptly and accurately. For purposes of this report, a material inadequacy is a condition for which the independent accountant believes that the prescribed procedures or the degree of compliance with them do not reduce to a relatively low level the risk that errors or irregularities, in amounts that would have a significant adverse effect on the transfer agent's ability promptly and accurately to transfer record ownership and safeguard related securities and funds, would occur or not be detected within a timely period by employees in the normal course of performing their assigned functions. Occurrence of errors or irregularities more frequently than in isolated instances may be evidence that the system has a material inadequacy. A significant adverse effect on a transfer agent's ability promptly and accurately to transfer record ownership and safeguard related securities and funds could result from any condition or conditions that individually, or taken as a whole, would reasonably be expected to:

(i) Inhibit the transfer agent from promptly and accurately discharging its responsibilities under its contractual agreement with the issuer;

(ii) Result in material financial loss to the transfer agent; or

(iii) Result in a violation of §240.17Ad-2, 17Ad-10 or 17Ad-12(a).

(b) *Notice of corrective action.* If the accountant's report describes any material inadequacy, the transfer agent shall, within sixty calendar days after receipt of the report, notify the Commission and its appropriate regulatory agency in writing regarding the corrective action taken or proposed to be taken.

(c) *Record retention.* The accountant's report and any documents required by paragraph (b) of this section shall be maintained by the transfer agent for at least three years, the first year in an easily accessible place.

(d) *Exemptions.* The requirements of §240.17Ad-13 shall not apply to registered transfer agents that qualify for exemptions pursuant to this paragraph, 17Ad-13(d).

§ 240.17Ad-14

17 CFR Ch. II (4-1-04 Edition)

(1) A registered transfer agent shall be exempt if it performs transfer agent functions solely for:

- (i) Its own securities;
- (ii) Securities issued by a subsidiary in which it owns 51% or more of the subsidiary's capital stock; and
- (iii) Securities issued by another corporation that owns 51% or more of the capital stock of the registered transfer agent.

(2) A registered transfer agent shall be exempt if it:

- (i) Is an exempt transfer agent pursuant to § 240.17AD-4(b); and
- (ii) In the case of a transfer agent that performs transfer agent functions for redeemable securities issued by companies registered under section 8 of the Investment Company Act of 1940, maintains master securityholder files consisting of fewer than 1000 shareholder accounts, in the aggregate, for each of such issues for which it performs transfer agent functions.

(3) A registered transfer agent shall be exempt if it is a bank or financial institution subject to regulation by the Board of Governors of the Federal Reserve System, the Office of the Comptroller of the Currency or the Federal Deposit Insurance Corporation, provided that it is not notified to the contrary by its appropriate regulatory agency and provided that a report similar in scope to the requirements of § 240.17Ad-13(a) is prepared for either the bank's board of directors or an audit committee of the board of directors.

(Secs. 2, 17(a), 17A(d) and 23(a) thereof, 15 U.S.C. 78b, 78q(a), 78q-1(d) and 78w(a))

§ 240.17Ad-14 Tender agents.

(a) *Establishing book-entry depository accounts.* When securities of a subject company have been declared eligible by one or more qualified registered securities depositories for the services of those depositories at the time a tender or exchange offer is commenced, no registered transfer agent shall act on behalf of the bidder as a depository, in the case of a tender offer, or an exchange agent, in the case of an exchange offer, in connection with a tender or exchange offer, unless that

transfer agent has established, within two business days after commencement of the offer, specially designated accounts. These accounts shall be maintained throughout the duration of the offer, including protection periods, with all qualified registered securities depositories holding the subject company's securities, for purposes of receiving from depository participants securities being tendered to the bidder by book-entry delivery pursuant to transmittal letters and other documentation and for purposes of allowing tender agents to return to depository participants by book-entry movement securities withdrawn from the offer.

(b) *Exclusions.* The rule shall not apply to tender or exchange offers (1) that are made for a class of securities of a subject company that has fewer than (i) 500 security holders of record for that class, or (ii) 500,000 shares of that class outstanding; or (2) that are made exclusively to security holders of fewer than 100 shares of a class of securities.

(c) *Definitions.* For purposes of this rule, (1) the terms *subject company*, *business day*, *security holders*, and *transmittal letter* shall be given the meanings provided in § 240.14d-1(b); (2) unless the context otherwise requires, a tender or exchange offer shall be deemed to have commenced as specified in § 240.14d-2; (3) the term *bidder* shall mean any person who makes a tender or exchange offer or on whose behalf a tender or exchange offer is made; (4) a *qualified registered securities depository* shall mean a registered clearing agency having rules and procedures approved by the Commission pursuant to section 19 of the Securities Exchange Act of 1934 to enable book-entry delivery of the securities of the subject company to, and return of those securities from, the transfer agent through the facilities of that securities depository; and (5) the term *depository* refers to that agent of the bidder receiving securities from tendering depository participants and paying those participants for shares tendered. The term *exchange agent* refers to the agent performing like functions in connection with an exchange offer.

(d) *Exemptions.* The Commission may exempt from the provisions of this

rule, either unconditionally or on specified terms and conditions, any registered transfer agent, tender or exchange offer, or class of tender or exchange offers, if the Commission determines that an exemption is consistent with the public interest, the protection of investors, the prompt and accurate clearance and settlement of securities transactions, the maintenance of fair and orderly markets, or the removal of impediments to a national clearance and settlement system.

(b) *Acceptance of signature guarantees.* A registered transfer agent shall not, directly or indirectly, engage in any activity in connection with a guarantee, including the acceptance or rejection of such guarantee, that results

in the inequitable treatment of any eligible guarantor institution or a class of institutions.

(c) *Transfer agent's standards and procedures.* Every registered transfer agent shall establish:

(1) Written standards for the acceptance of guarantees of securities transfers from eligible guarantor institutions; and

(2) Procedures, including written guidelines where appropriate, to ensure that those standards are used in determining whether to accept or reject guarantees from eligible guarantor institutions. Such standards and procedures shall not establish terms and conditions (including those pertaining to financial condition) that, as written or applied, treat different classes of eligible guarantor institutions inequitably, or result in the rejection of a guarantee from an eligible guarantor institution solely because the guarantor institution is of a particular type specified in paragraphs (a)(2)(i)-(a)(2)(v) of this section.

(d) *Rejection of items presented for transfer.* (1) No registered transfer agent shall reject a request for transfer of a certificated or uncertificated security because the certificate, instruction, or documents accompanying the certificate or instruction includes an unacceptable guarantee, unless the transfer agent determines that the guarantor, if it is an eligible guarantor institution, does not satisfy the transfer agent's written standards or procedures.

(e) *Record retention.* (1) Every registered transfer agent shall maintain a copy of the standards and procedures specified in paragraph (c) of this section in an easily accessible place.

(2) Every registered transfer agent shall make available a copy of the standards and procedures specified in paragraph (c) of this section to any person requesting a copy of such standards and procedures. The registered transfer agent shall respond within three days of a request for such standards and procedures by sending the requesting party a copy of the requested transfer agent's standards and procedures.

(3) Every registered transfer agent shall maintain, for a period of three years following the date of the rejection, a record of transfers rejected, including the reason for the rejection, who the guarantor was and whether the guarantor failed to meet the transfer agent's guarantee standards.

(f) *Exclusions.* Nothing in this section shall prohibit a transfer agent from rejecting a request for transfer of a certificated or uncertificated security:

(1) For reasons unrelated to acceptance of the guarantor institution;

(ii) The error impairs or, if uncorrected, is likely to impair, any of your mission critical systems under your control.

(2) You will be presumed to have a material Year 2000 problem if, at any time on or after August 31, 1999, you:

(i) Do not have written procedures reasonably designed to identify, assess, and remediate any material Year 2000 problems in your mission critical systems under your control;

(ii) Have not verified your Year 2000 remediation efforts through reasonable internal testing of your mission critical systems under your control and reasonable testing of your external links under your control; or

(iii) Have not remediated all exceptions related to your mission critical systems contained in any independent

public accountant's report prepared on your behalf pursuant to § 240.17Ad-18(f).

(c) If you have or are presumed to have a material Year 2000 problem, you must immediately notify the Commission and your issuers of the problem. You must send this notice to the Commission by overnight delivery to the Division of Market Regulation, U.S. Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-1002 Attention: Y2K Compliance.

(d)(1) If you are a registered non-bank transfer agent that has or is presumed to have a material Year 2000 problem, you may not, on or after August 31, 1999, engage in any transfer agent function, including:

(B) You have scheduled testing of your affected mission critical systems to verify that the material Year 2000 problem has been remediated, and specify the testing dates;

(C) The date by which you anticipate completing remediation of the material Year 2000 problem in your mission critical systems; and

(D) Based on inquiries and to the best of the chief executive officer's knowledge, you do not anticipate that the existence of the material Year 2000 problem in your mission critical systems will impair your ability, depending on the nature of your business, to assure the prompt and accurate transfer and processing of securities, the maintenance of master securityholder files, or the production and retention of required records; and you anticipate that the steps referred to in paragraphs (e)(1)(i)(A) through (C) of this section will result in remedying the material Year 2000 problem on or before November 15, 1999.

(ii) If the information contained in any certificate provided to the Commission pursuant to paragraph (e) of this section is or becomes misleading or inaccurate for any reason, you must promptly file an updated certificate correcting such information. (g) Beginning August 31, 1999, and ending March 31, 2000, you must make backup records for all master securityholder files at the close of each business day and must preserve these backup records for a rolling five business day period in a manner that will allow for the transfer and conversion of the records to a successor transfer agent. If you have a material Year 2000 problem, you must preserve for at least one year the five day backup records immediately preceding the day the problem was discovered. In addition, you must make at the close of business on December 27 through 31, 1999, a backup copy for all master securityholder files and preserve these records for at least one year. Such backup records must permit the timely restoration of such systems to their condition existing prior to experiencing the material Year 2000 problem. Copies of the backup records must be kept in an easily accessible place but must not be located with or held in the same computer system as the primary records, and you must be able to immediately produce or reproduce them. You must furnish promptly to a representative of the Commission such legible, true, and complete copies of those records, as may be requested.

(a) *General.* If any self-regulatory organization for which the Commission is the appropriate regulatory agency takes any action described in this rule to which the person affected thereby has consented and such action:

(1) Conditions or limits membership or participation in, association with a member of, or access to services offered by, such organization or a member thereof and

(2) Is based upon a statutory disqualification defined in section 3(a)(39) of the Act, notice thereof shall be filed under Rule 19h-1 and not under this rule.

(b) The notice requirement of section 19(d)(1) of the Act, concerning an action subject to such section taken by a self-regulatory organization for which the Commission is the appropriate regulatory agency, shall be satisfied by any notice with respect to such action (including a notice filed pursuant to this rule) which contains the information required in the statement supporting the organization's determination required by section 6(d)(1) or (2), section 15A(h)(1) or (2), or section 17A(b)(5)(A) or (B) of the Act, as appropriate.

(c)(1) Any self-regulatory organization for which the Commission is the appropriate regulatory agency that takes any final disciplinary action with respect to any person shall promptly file a notice thereof with the Commission in accordance with paragraph (d) of this section. For the purposes of this rule, a "final disciplinary action" shall mean the imposition of any final disciplinary sanction pursuant to section 6(b)(6), 15A(b)(7), or 17A(b)(3)(G) of the Act or other action of a self-regulatory organization which, after notice and opportunity for hearing, results in any final disposition of charges of:

(B) The provisions of the Act or rules thereunder; or

(C) In the case of a municipal securities broker or dealer, the rules of the Municipal Securities Rulemaking Board;

Provided, however, That in the case of a disciplinary action in which a national securities exchange imposes a fine not exceeding \$1000 or suspends floor privileges of a clerical employee for not more than five days for violation of any of its regulations concerning personal decorum on a trading floor, the disposition shall not be considered "final" for purposes of this paragraph if the sanctioned person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative remedies at the exchange with respect to the matter. *Provided further,* That this exemption from the notice requirement of this paragraph shall not be available where a decorum sanction is imposed at, or results from, a hearing on the matter.

(2) Any disciplinary action, other than a decorum sanction not deemed "final" under paragraph (c)(1) of this section, taken by a self-regulatory organization for which the Commission is the appropriate regulatory agency against any person for violation of a rule of the self-regulatory organization which has been designated as a minor rule violation pursuant to a plan or any amendment thereto filed with and declared effective by the Commission under this paragraph, shall not be considered "final" for purposes of paragraph (c)(1) of this section if the sanction imposed consists of a fine not exceeding \$2500 and the sanctioned person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative remedies at the self-regulatory organization with respect to the matter. After appropriate notice of the terms of substance of the filing

or a description of the subjects and issues involved and opportunity for interested persons to submit written comment, the Commission may, by order, declare such plan or amendment effective if it finds that such plan or amendment is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act. The Commission in its order may restrict the categories of violations to be designated as minor rule violations and may impose any other terms or conditions to the plan (including abbreviated reporting of selected minor rule violations) and to the period of its effectiveness which it deems necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

(d) *Contents of notice required by paragraph (c)(1)*. Any notice filed pursuant to paragraph (c)(1) of this section, shall consist of the following, as appropriate:

(2) A statement describing the investigative or other origin of the action;

(3) As charged in the proceeding, the specific provisions of the Act, the rules or regulations thereunder, the rules of the organization, and, in the case of a registered securities association, the rules of the Municipal Securities Rule-making Board, and, in the event a violation of other statutes or rules constitutes a violation of any rule of the organization, such other statutes or rules; and a statement describing the answer of the respondent to the charges;

charged with having engaged in or omitted; the conclusion of the organization as to whether such respondent is deemed to have violated any provision covered by the charges; and a statement of the organization in support of the resolution of the principal issues raised in the proceedings;

(5) A statement describing any sanction imposed, the reasons therefor, and the date upon which such sanction has or will become effective, together with a finding if appropriate, as to whether such respondent was a cause of any sanction imposed upon any other person; and

(6) Such other matters as the organization may deem relevant.

(e) *Notice of final denial, bar, prohibition, termination or limitation based on qualification or administrative rules*. Any final action of a self-regulatory organization for which the Commission is the appropriate regulatory agency that is taken with respect to any person constituting a denial, bar, prohibition, or limitation of membership, participation or association with a member, or of access to services offered by a self-regulatory organization or a member thereof, and which is based on an alleged failure of any person to:

(1) Pass any test or examination required by the rules of the Commission or such organization;

(2) Comply with other qualification standards established by rules of the Commission or such organization; or

(3) Comply with any administrative requirements of such organization (including failure to pay entry or other dues or fees or to file prescribed forms or reports) not involving charges of violations which may lead to a disciplinary sanction

Shall not be considered a "disciplinary action" for purposes of paragraph (c) of this rule; but notice thereof shall be promptly filed with the Commission in accordance with paragraph (f) of this section, *Provided, however*, That no disposition of a matter shall be considered "final" pursuant to this paragraph which results merely from a notice of such failure to the person affected, if

(3) A statement setting forth findings of fact and conclusions as to each alleged failure of the person to pass any required examination, comply with other qualification standards, or comply with administrative obligations, and a statement of the organization in support of the resolution of the principal issues raised in the proceeding;

(4) The date upon which such action has or will become effective; and

(5) Such other matters as the organization may deem relevant.

(g) *Notice of final action based upon prior adjudicated statutory disqualifications.* Any self-regulatory organization for which the Commission is the appropriate regulatory agency that takes any final action with respect to any person which:

[41 FR 51808, Nov. 24, 1976]

§ 240.19h-1 Notice by a self-regulatory organization of proposed admission to or continuance in membership or participation or association with a member of any person subject to a statutory disqualification, and applications to the Commission for relief therefrom.

(a) *Notice of admission or continuance notwithstanding a statutory disqualification.* (1) Any self-regulatory organization proposing, conditionally or unconditionally, to admit to, or continue any person in, membership or participation or (in the case of a national securities exchange or registered securities association) association with a member, notwithstanding a statutory disqualification, as defined in section 3(a)(39) of the Act, with respect to such person, shall file a notice with the Commission of such proposed admission or continuance. If such disqualified person has not consented to the terms of such proposal, notice of the organization's action shall be filed pursuant to rule 19d-1 under the Act and not this rule.

(2) With respect to a person associated with a member of a national securities exchange or registered securities association, notices need be filed with the Commission pursuant to this rule only if such person:

(i) Controls such member, is a general partner or officer (or person occupying a similar status or performing similar functions) of such member, is an employee who, on behalf of such member, is engaged in securities advertising, public relations, research, sales, trading, or training or supervision of other employees who engage or propose to engage in such activities, except clerical and ministerial persons engaged in such activities, or is an employee with access to funds, securities or books and records, or

(ii) Is a broker or dealer not registered with the Commission, or controls such (unregistered) broker or dealer or is a general partner or officer (or person occupying a similar status or performing similar functions) of such broker or dealer.

(3) A notice need not be filed with the Commission pursuant to this rule if:

(i) The person subject to the statutory disqualification is already a participant in, a member of, or a person associated with a member of, a self-regulatory organization, and the terms and conditions of the proposed admission by another self-regulatory organization are the same in all material respects as those imposed or not disapproved in connection with such person's prior admission or continuance pursuant to an order of the Commission under paragraph (d) of this section or other substantially equivalent written communication.

(ii) The self-regulatory organization finds, after reasonable inquiry, that except for the identity of the employer concerned, the terms and conditions of the proposed admission or continuance are the same in all material respects as those imposed or not disapproved in connection with a prior admission or continuance of the person subject to the statutory disqualification pursuant to an order of the Commission under paragraph (d) of this section or other substantially equivalent written communication and that there is no intervening conduct or other circumstance that would cause the employment to be inconsistent with the public interest or the protection of investors;

(iii) The disqualification consists of (A) an injunction from engaging in any action, conduct, or practice specified in section 15(b)(4)(C) of the Act, which injunction was entered 10 or more years prior to the proposed admission or continuance—*Provided, however,* That in the case of a final or permanent injunction which was preceded by a preliminary injunction against the same person in the same court proceeding, such ten-year period shall begin to run from the date of such preliminary injunction—and/or (B) a finding by the Commission or a self-regulatory organization of a willful violation of the Act,

the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, or a rule or regulation under one or more of such Acts and the sanction for such violation is no longer in effect;

(iv) The disqualification previously (A) was a basis for the institution of an administrative proceeding pursuant to a provision of the federal securities laws, and (B) was considered by the Commission in determining a sanction against such person in the proceeding; and the Commission concluded in such proceeding that it would not restrict or limit the future securities activities of such person in the capacity now proposed or, if it imposed any such restrictions or limitations for a specified time period, such time period has elapsed;

(v) The disqualification consists of a court order or judgment of injunction or conviction, and such order or judgment (A) expressly includes a provision that, on the basis of such order or judgment, the Commission will not institute a proceeding against such person pursuant to section 15(b) or 15B of the Act or that the future securities activities of such persons in the capacity now proposed will not be restricted or limited or (B) includes such restrictions or limitations for a specified time period and such time period has elapsed; or

(vi) In the case of a person seeking to become associated with a broker or dealer or municipal securities dealer, the Commission has previously consented to such proposed association pursuant to section 15(b)(6) or 15B(c)(4) of the Act.

In the case of an admission to membership, participation, or association, if an exception provided for in this paragraph (a)(3) is applicable, the self-regulatory organization shall, pursuant to its rules, determine when the admission to membership, participation, or association shall become effective.

(4) If a self-regulatory organization determines to admit to, or continue any person in, membership, participation, or association with a member pursuant to an exception from the notice requirements provided in paragraph (a)(3)(ii), (iv) or (v) of this section, such organization shall, within 14 calendar days of its making of such de-

termination, furnish to the Commission, by letter, a notification setting forth, as appropriate:

(i) The name of the person subject to the statutory disqualification;

(ii) The name of the person's prospective and immediately preceding employers who are (were) brokers or dealers or municipal securities dealers;

(iii) The name of the person's prospective supervisor(s);

(iv) The respective places of such employments as reflected on the records of the self-regulatory organization;

(v) If applicable, the findings of the self-regulatory organization referred to in paragraph (a)(3)(ii) of this section and the nature (including relevant dates) of the previous Commission or court determination referred to in paragraph (a)(3)(iv) or (v) of this section; and

(vi) An identification of any other self-regulatory organization which has indicated its agreement with the terms and conditions of the proposed admission or continuance;

(5) If a notice or notification has been previously filed or furnished pursuant to this rule by a self-regulatory organization, any other such organization need not file or furnish a separate notice or notification pursuant to this rule with respect to the same matter if such other organization agrees with the terms and conditions of the membership, participation or association reflected in the notice or notification so filed or furnished, and such agreement is set forth in the notice or notification.

(6) The notice requirements of sections 6(c)(2), 15A(g)(2), and 17A(b)(4)(A) of the Act concerning an action of a self-regulatory organization subject to one (or more) of such sections and this paragraph (a) shall be satisfied by a notice with respect to such action filed in accordance with paragraph (c) of this section.

(7) The Commission, by written notice to a self-regulatory organization on or before the thirtieth day after receipt of a notice under this Rule, may direct that such organization not admit to membership, participation, or association with a member any person who is subject to a statutory disqualification for a period not to exceed an

additional 60 days beyond the initial 30 day notice period in order that the Commission may extend its consideration of the proposal; *Provided, however,* That during such extended period of consideration, the Commission will not direct the self-regulatory organization to bar the proposed admission to membership, participation or association with a member pursuant to section 6(c)(2), 15A(g)(2), or 17A(b)(4)(A) of the Act, and the Commission will not institute proceedings pursuant to section 15(b) or 15B of the Act on the basis of such disqualification if the self-regulatory organization has permitted the admission to membership, participation or association with a member, on a temporary basis, pending a final Commission determination.

(b) *Preliminary notifications.* Promptly after receiving an application for admission to, or continuance in, participation or membership in, or association with a member of, a self-regulatory organization which would be required to file with the Commission a notice thereof pursuant to paragraph (a) of this section if such admission or continuance is ultimately proposed by such organization, the organization shall file with the Commission a notification of such receipt. Such notification shall include, as appropriate:

(1) The date of such receipt;

(2) The names of the person subject to the statutory disqualification and the prospective employer concerned together with their respective last known places of residence or business as reflected on the records of the organization;

(3) The basis for any such disqualification including (if based on a prior adjudication) a copy of the order or decision of the court, the Commission, or the self-regulatory organization which adjudicated the matter giving rise to the disqualification; and

(4) The capacity in which the person concerned is proposed to be employed.

(c) *Contents of notice of admission or continuance.* A notice filed with the Commission pursuant to paragraph (a) of this section shall contain the following, as appropriate:

(1) The name of the person concerned together with his last known place of residence or business as reflected on

the records of the self-regulatory organization;

(2) The basis for any such disqualification from membership, participation or association including (if based on a prior adjudication) a copy of the order or decision of the court, the Commission or the self-regulatory organization which adjudicated the matter giving rise to such disqualification;

(3) In the case of an admission, the date upon which it is proposed by the organization that such membership, participation or association shall become effective, which shall be not less than 30 days from the date upon which the Commission receives the notice;

(4) A description by or on behalf of the person concerned of the activities engaged in by the person since the disqualification arose, the prospective business or employment in which the person plans to engage and the manner and extent of supervision to be exercised over and by such person. This description shall be accompanied by a written statement submitted to the self-regulatory organization by the proposed employer setting forth the terms and conditions of such employment and supervision. The description also shall include (i) the qualifications, experience and disciplinary records of the proposed supervisors of the person and their family relationship (if any) to that person; (ii) the findings and results of all examinations conducted, during the two years preceding the filing of the notice, by self-regulatory organizations of the main office of the proposed employer and of the branch office(s) in which the employment will occur or be subject to supervisory controls; (iii) a copy of a completed Form U-4 with respect to the proposed association of such person and a certification by the self-regulatory organization that such person is fully qualified under all applicable requirements to engage in the proposed activities; and (iv) the name and place of employment of any other associated person of the proposed employer who is subject to a statutory disqualification (other than a disqualification specified in paragraph (a)(3)(iii) of this section);

(5) If a hearing on the matter has been held by the organization, a certified record of the hearing together

with copies of any exhibits introduced therein;

(6) All written submissions not included in a certified oral hearing record which were considered by the organization in its disposition of the matter;

(7) An identification of any other self-regulatory organization which has indicated its agreement with the terms and conditions of the proposed admission or continuance;

(8) All information furnished in writing to the self-regulatory organization by the staff of the Commission for consideration by the organization in its disposition of the matter or the incorporation by reference of such information, and a statement of the organization's views thereon; and

(9) Such other matters as the organization or person deems relevant.

If the notice contains assertions of material facts not a matter of record before the self-regulatory organization, such facts shall be sworn to by affidavit of the person or organization offering such facts for Commission consideration. The notice may be accompanied by a brief.

(d) *Application to the Commission for relief from certain statutory disqualifications.* The filing of a notice pursuant to paragraph (a) of this section shall neither affect nor foreclose any action which the Commission may take with respect to such person pursuant to the provisions of section 15(b), 15B or 19(h) of the Act or any rule thereunder. Accordingly, a notice filed pursuant to paragraph (a) of this section with respect to the membership, participation, or association of any person subject to an "applicable disqualification," as defined in paragraph (f) of this section, may be accompanied by an application by or on behalf of the person concerned to the Commission for an order declaring, as applicable, that notwithstanding such disqualification, the Commission:

(1) Will not institute proceedings pursuant to section 15(b)(1)(B), 15(b)(4), 15(b)(6), 15B(a)(2), 15B(c)(2), 19(h)(2) or 19(h)(3) of the Act if such person seeks to obtain or continue registration as a broker or dealer or municipal securities dealer or association with a broker or dealer or municipal securities dealer

so registered, or membership or participation in a self-regulatory organization;

(2) Will not direct otherwise, as provided in section 6(c)(2), 15A(g)(2) or 17A(b)(4)(A) of the Act; and

(3) Will deem such person qualified pursuant to Rule G-4 of the Municipal Securities Rulemaking Board under the Act.

If a Commission consent is required in order to render a proposed association lawful under section 15(b)(6) or 15B(c)(4) of the Act, an application by or on behalf of the person seeking such consent shall accompany the notice of the proposed association filed pursuant to paragraph (a) of this section. The Commission may, in its discretion and subject to such terms and conditions as it deems necessary, issue such an order and consent should the Commission determine not to object to the position of the self-regulatory organization set forth in the notice or application; *Provided, however,* That nothing herein shall foreclose the right of any person, at his election, to apply directly to the Commission for such consent, if he makes such application pursuant to the terms of an existing order of the Commission under section 15(b)(6) or 15B(c)(4) of the Act limiting his association with a broker or dealer or municipal securities dealer but explicitly granting him such a right to apply for entry or reentry at a later time.

(e) *Contents of application to the Commission.* An application to the Commission pursuant to paragraph (d) of this section shall consist of the following, as appropriate:

(1) The name of the person subject to the disqualification together with his last known place of residence or business as reflected on the records of the self-regulatory organization;

(2) A copy of the order or decision of the court, the Commission or the self-regulatory organization which adjudicated the matter giving rise to such "applicable disqualification";

(3) The nature of the relief sought and the reasons therefor;

(4) A description of the activities engaged in by the person since the disqualification arose;

(5) A description of the prospective business or employment in which the

person plans to engage and the manner and extent of supervision to be exercised over and by such person. This description shall be accompanied by a written statement submitted to the self-regulatory organization by the proposed employer setting forth the terms and conditions of such employment and supervision. The description also shall include (i) the qualifications, experience, and disciplinary records of the proposed supervisors of the person and their family relationship (if any) to that person; (ii) the findings and results of all examinations conducted, during the two years preceding the filing of the application, by self-regulatory organizations of the main office of the proposed employer and of the branch office(s) in which the employment will occur or be subject to supervisory controls; (iii) a copy of a completed Form U-4 with respect to the proposed association of such person and a certification by the self-regulatory organization that such person is fully qualified under all applicable requirements to engage in the proposed activities; and (iv) the name and place of employment of any other associated person of the proposed employer who is subject to a statutory disqualification (other than a disqualification specified in paragraph (a)(3)(iii) of this section);

(6) If a hearing on the matter has been held by the organization, a certified copy of the hearing record, together with copies of any exhibits introduced therein;

(7) All written submissions not included in a certified oral hearing record which were considered by the organization in its disposition of the matter;

(8) All information furnished in writing to the self-regulatory organization by the staff of the Commission for consideration by the organization in its disposition of the matter or the incorporation by reference of such information, and a statement of the organization's views thereon; and

(9) Such other matters as the organization or person deems relevant.

If the application contains assertions of material facts not a matter of record before the organization, such facts shall be sworn to by affidavit of the

person or organization offering such facts for Commission consideration.

(f) *Definitions.* For purposes of this rule:

(1) The term *applicable disqualification* shall mean:

(i) Any effective order of the Commission pursuant to section 15(b) (4) or (6), 15B(c) (2) or (4) or 19(h) (2) or (3) of the Act—

(2) The term *control* shall mean the power to direct or cause the direction of the management or policies of a company whether through ownership of securities, by contract or otherwise; *Provided, however,* That

(i) Any person who, directly or indirectly, (A) has the right to vote 10 percent or more of the voting securities, (B) is entitled to receive 10 percent or more of the net profits, or (C) is a director (or person occupying a similar status or performing similar functions) of a company shall be presumed to be a person who controls such company;

(ii) Any person not covered by paragraph (i) shall be presumed not to be a person who controls such company; and

(iii) Any presumption may be rebutted on an appropriate showing.

(g) Where it deems appropriate to do so, the Commission may determine

whether to (1) direct, pursuant to section 6(c)(2), 15A(g)(2) or 17A(b)(4)(A) of the Act, that a proposed admission covered by a notice filed pursuant to paragraph (a) of this section shall be denied or an order barring a proposed association issued or (2) grant or deny an application filed pursuant to paragraph (d) of this section on the basis of the notice or application filed by the self-regulatory organization, the person subject to the disqualification, or other applicant (such as the proposed employer) on behalf of such person, without oral hearing. Any request for oral hearing or argument should be submitted with the notice or application.

(h) The Rules of Practice (17 CFR part 201) shall apply to proceedings under this rule to the extent that they are not inconsistent with this rule.

(a) Any person filing any registration statement, report, application, statement, correspondence, notice or other document (herein referred to as the material filed) pursuant to the Act may make written objection to the public disclosure of any information contained therein in accordance with the procedure set forth below. The procedure provided in this rule shall be the exclusive means of requesting confidential treatment of information required to be filed under the Act.

(b) The person shall omit from material filed the portion thereof which it desires to keep undisclosed (hereinafter called the confidential portion). In lieu thereof, it shall indicate at the appropriate place in the material filed that the confidential portion has been so omitted and filed separately with the Commission. The person shall file with the copies of the material filed with the Commission:

(1) One copy of the confidential portion, marked "Confidential Treatment," of the material filed with the Commission. The copy shall contain an appropriate identification of the item or other requirement involved and, notwithstanding that the confidential portion does not constitute the whole of the answer, the entire answer thereto; except that in the case where the confidential portion is part of a financial statement or schedule, only the particular financial statement or schedule need be included. The copy of the confidential portion shall be in the same form as the remainder of the material filed;

(2) An application making objection to the disclosure of the confidential portion. Such application shall be on a sheet or sheets separate from the confidential portion, and shall contain (i) an identification of the portion; (ii) a statement of the grounds of objection referring to, and containing an analysis of, the applicable exemption(s) from disclosure under the Commission's rules and regulations adopted under the Freedom of Information Act (17 CFR 200.80), and a justification of the period of time for which confidential treatment is sought; (iii) a written

§ 240.24b-3

consent to the furnishing of the confidential portion to other government agencies, offices or bodies and to the Congress; and (iv) the name of each exchange, if any, with which the material is filed.

(3) The copy of the confidential portion and the application filed in accordance with this paragraph (b) shall be enclosed in a separate envelope marked "Confidential Treatment" and addressed to The Secretary, Securities and Exchange Commission, Washington, DC 20549.

(c) Pending a determination as to the objection filed the material for which confidential treatment has been applied will not be made available to the public.

(d)(1) If it is determined that the objection should be sustained, a notation to that effect will be made at the appropriate place in the material filed. Such a determination will not preclude reconsideration whenever appropriate, such as upon receipt of any subsequent request under the Freedom of Information Act (5 U.S.C. 552) and, if appropriate, revocation of the confidential status of all or a portion of the information in question. Where an initial determination has been made under this rule to sustain objections to disclosure, the Commission will attempt to give the person requesting confidential treatment advance notice, wherever possible, if confidential treatment is revoked.

(2) In any case where an objection to disclosure has been disallowed or where a prior grant of confidential treatment has been revoked, the person who requested such treatment will be so informed by registered or certified mail to the person or his agent for service. Pursuant to §201.431 of this chapter, persons making objections to disclosure may petition the Commission for review of a determination by the Division disallowing objections or revoking confidential treatment.

(e) The confidential portion shall be made available to the public at the time and according to the conditions specified in paragraphs (d) (1) and (2) of this section:

(1) Upon the lapse of five days after the dispatch of notice by registered or certified mail of a determination dis-

17 CFR Ch. II (4-1-04 Edition)

allowing an objection, if prior to the lapse of such five days the person shall not have communicated to the Secretary of the Commission his intention to seek review by the Commission under §201.431 of this chapter of the determination made by the Division; or

(2) If such a petition for review shall have been filed under §201.431 of this chapter, upon final disposition thereof adverse to the petitioner.

(f) If the confidential portion is made available to the public, one copy thereof shall be attached to each copy of the material filed with the Commission and with each exchange.

§ 240.24b-3 Information filed by issuers and others under sections 12, 13, 14, and 16.

(a) Except as otherwise provided in this section and in §240.17a-6, each exchange shall keep available to the public under reasonable regulations as to the manner of inspection, during reasonable office hours, all information regarding a security registered on such exchange which is filed with it pursuant to section 12, 13, 14, or 16, or any rules or regulations thereunder. [62 FR 544, Jan. 3, 1997, as amended at 62 FR 11323, Mar. 12, 1997]

§ 242.103 Nasdaq passive market making.

(a) *Scope of Section.* This section permits broker-dealers to engage in market making transactions in covered securities that are Nasdaq securities without violating the provisions of § 242.101; *Except That* this section shall not apply to any security for which a stabilizing bid subject to § 242.104 is in effect, or during any at-the-market offering or best efforts offering.

(b) *Conditions to be Met—(1) General limitations.* A passive market maker must effect all transactions in the capacity of a registered market maker on Nasdaq. A passive market maker shall not bid for or purchase a covered security at a price that exceeds the highest independent bid for the covered security at the time of the transaction, except as permitted by paragraph (b)(3) of this section or required by a rule promulgated by the Commission or the NASD governing the handling of customer orders.

(2) *Purchase limitation.* On each day of the restricted period, a passive market maker's net purchases shall not exceed the greater of its 30% ADTV limitation or 200 shares (together, "purchase limitation"); *Provided, however,* That a passive market maker may purchase all of the securities that are part of a single order that, when executed, results in its purchase limitation being equalled or exceeded. If a passive market maker's net purchases equal or exceed its purchase limitation, it shall withdraw promptly its quotations from Nasdaq. If a passive market maker withdraws its quotations pursuant to this paragraph, it may not effect any bid or purchase in the covered security for the

remainder of that day, irrespective of any later sales during that day, unless otherwise permitted by § 242.101.

(3) *Requirement to lower the bid.* If all independent bids for a covered security are reduced to a price below the passive market maker's bid, the passive market maker must lower its bid promptly to a level not higher than the then highest independent bid; *Provided, however,* That a passive market maker may continue to bid and effect purchases at its bid at a price exceeding the then highest independent bid until the passive market maker purchases an aggregate amount of the covered security that equals or, through the purchase of all securities that are part of a single order, exceeds the lesser of two times the minimum quotation size for the security, as determined by NASD rules, or the passive market maker's remaining purchasing capacity under paragraph (b)(2) of this section.

(4) *Limitation on displayed size.* At all times, the passive market maker's displayed bid size may not exceed the lesser of the minimum quotation size for the covered security, or the passive market maker's remaining purchasing capacity under paragraph (b)(2) of this section; *Provided, however,* That a passive market maker whose purchasing capacity at any time is between one and 99 shares may display a bid size of 100 shares.

(5) *Identification of a passive market making bid.* The bid displayed by a passive market maker shall be designated as such.

(6) *Notification and reporting to the NASD.* A passive market maker shall notify the NASD in advance of its intention to engage in passive market making, and shall submit to the NASD information regarding passive market making purchases, in such form as the NASD shall prescribe.

(7) *Prospectus disclosure.* The prospectus for any registered offering in which any passive market maker intends to effect transactions in any covered security shall contain the information required in §§ 228.502, 228.508, 229.502, and 229.508 of this chapter.

(c) *Transactions at Prices Resulting from Unlawful Activity.* No transaction

shall be made at a price that the passive market maker knows or has reason to know is the result of activity that is fraudulent, manipulative, or deceptive under the securities laws, or any rule or regulation thereunder.

§ 242.104 Stabilizing and other activities in connection with an offering.

(a) *Unlawful Activity.* It shall be unlawful for any person, directly or indirectly, to stabilize, to effect any syndicate covering transaction, or to impose a penalty bid, in connection with an offering of any security, in contravention of the provisions of this section. No stabilizing shall be effected at a price that the person stabilizing knows or has reason to know is in contravention of this section, or is the result of activity that is fraudulent, manipulative, or deceptive under the securities laws, or any rule or regulation thereunder.

(b) *Purpose.* Stabilizing is prohibited except for the purpose of preventing or retarding a decline in the market price of a security.

(c) *Priority.* To the extent permitted or required by the market where stabilizing occurs, any person stabilizing shall grant priority to any independent bid at the same price irrespective of the size of such independent bid at the time that it is entered.

(d) *Control of Stabilizing.* No sole distributor or syndicate or group stabilizing the price of a security or any member or members of such syndicate or group shall maintain more than one stabilizing bid in any one market at the same price at the same time.

(e) *At-the-Market Offerings.* Stabilizing is prohibited in an at-the-market offering.

(f) *Stabilizing Levels—(1) Maximum stabilizing bid.* Notwithstanding the other provisions of this paragraph (f), no stabilizing shall be made at a price higher than the lower of the offering price or the stabilizing bid for the security in the principal market (or, if the principal market is closed, the stabilizing bid in the principal market at its previous close).

(2) *Initiating stabilizing—(i) Initiating stabilizing when the principal market is open.* After the opening of quotations for the security in the principal mar-

ket, stabilizing may be initiated in any market at a price no higher than the last independent transaction price for the security in the principal market if the security has traded in the principal market on the day stabilizing is initiated or on the most recent prior day of trading in the principal market and the current asked price in the principal market is equal to or greater than the last independent transaction price. If both conditions of the preceding sentence are not satisfied, stabilizing may be initiated in any market after the opening of quotations in the principal market at a price no higher than the highest current independent bid for the security in the principal market.

(ii) *Initiating stabilizing when the principal market is closed.* (A) When the principal market for the security is closed, but immediately before the opening of quotations for the security in the market where stabilizing will be initiated, stabilizing may be initiated at a price no higher than the lower of:

(1) The price at which stabilizing could have been initiated in the principal market for the security at its previous close; or

(2) The most recent price at which an independent transaction in the security has been effected in any market since the close of the principal market, if the person stabilizing knows or has reason to know of such transaction.

(B) When the principal market for the security is closed, but after the opening of quotations in the market where stabilizing will be initiated, stabilizing may be initiated at a price no higher than the lower of:

(1) The price at which stabilization could have been initiated in the principal market for the security at its previous close; or

(2) The last independent transaction price for the security in that market if the security has traded in that market on the day stabilizing is initiated or on the last preceding business day and the current asked price in that market is equal to or greater than the last independent transaction price. If both conditions of the preceding sentence are not satisfied, under this paragraph

(f)(2)(ii)(B)(2), stabilizing may be initiated at a price no higher than the highest current independent bid for the security in that market.

(iii) *Initiating stabilizing when there is no market for the security or before the offering price is determined.* If no *bona fide* market for the security being distributed exists at the time stabilizing is initiated, no stabilizing shall be initiated at a price in excess of the offering price. If stabilizing is initiated before the offering price is determined, then stabilizing may be continued after determination of the offering price at the price at which stabilizing then could be initiated.

(3) *Maintaining or carrying over a stabilizing bid.* A stabilizing bid initiated pursuant to paragraph (f)(2) of this section, which has not been discontinued, may be maintained, or carried over into another market, irrespective of changes in the independent bids or transaction prices for the security.

(4) *Increasing or reducing a stabilizing bid.* A stabilizing bid may be increased to a price no higher than the highest current independent bid for the security in the principal market if the principal market is open, or, if the principal market is closed, to a price no higher than the highest independent bid in the principal market at the previous close thereof. A stabilizing bid may be reduced, or carried over into another market at a reduced price, irrespective of changes in the independent bids or transaction prices for the security. If stabilizing is discontinued, it shall not be resumed at a price higher than the price at which stabilizing then could be initiated.

(5) *Initiating, maintaining, or adjusting a stabilizing bid to reflect the current exchange rate.* If a stabilizing bid is expressed in a currency other than the currency of the principal market for the security, such bid may be initiated, maintained, or adjusted to reflect the current exchange rate, consistent with the provisions of this section. If, in initiating, maintaining, or adjusting a stabilizing bid pursuant to this paragraph (f)(5), the bid would be at or below the midpoint between two trading differentials, such stabilizing bid shall be adjusted downward to the lower differential.

(6) *Adjustments to stabilizing bid.* If a security goes ex-dividend, ex-rights, or ex-distribution, the stabilizing bid shall be reduced by an amount equal to the value of the dividend, right, or distribution. If, in reducing a stabilizing bid pursuant to this paragraph (f)(6), the bid would be at or below the midpoint between two trading differentials, such stabilizing bid shall be adjusted downward to the lower differential.

(7) *Stabilizing of components.* When two or more securities are being offered as a unit, the component securities shall not be stabilized at prices the sum of which exceeds the then permissible stabilizing price for the unit.

(8) *Special prices.* Any stabilizing price that otherwise meets the requirements of this section need not be adjusted to reflect special prices available to any group or class of persons (including employees or holders of warrants or rights).

(g) *Offerings with no U.S. Stabilizing Activities.* (1) Stabilizing to facilitate an offering of a security in the United States shall not be deemed to be in violation of this section if all of the following conditions are satisfied:

(i) No stabilizing is made in the United States;

(ii) Stabilizing outside the United States is made in a jurisdiction with statutory or regulatory provisions governing stabilizing that are comparable to the provisions of this section; and

(iii) No stabilizing is made at a price above the offering price in the United States, except as permitted by paragraph (f)(5) of this section.

(2) For purposes of this paragraph (g), the Commission by rule, regulation, or order may determine whether a foreign statute or regulation is comparable to this section considering, among other things, whether such foreign statute or regulation: specifies appropriate purposes for which stabilizing is permitted; provides for disclosure and control of stabilizing activities; places limitations on stabilizing levels; requires appropriate recordkeeping; provides other protections comparable to the provisions of this section; and whether procedures exist to enable the

§ 242.105

Commission to obtain information concerning any foreign stabilizing transactions.

(h) *Disclosure and Notification.* (1) Any person displaying or transmitting a bid that such person knows is for the purpose of stabilizing shall provide prior notice to the market on which such stabilizing will be effected, and shall disclose its purpose to the person with whom the bid is entered.

(2) Any person effecting a syndicate covering transaction or imposing a penalty bid shall provide prior notice to the self-regulatory organization with direct authority over the principal market in the United States for the security for which the syndicate covering transaction is effected or the penalty bid is imposed.

(3) Any person subject to this section who sells to, or purchases for the account of, any person any security where the price of such security may be or has been stabilized, shall send to the purchaser at or before the completion of the transaction, a prospectus, offering circular, confirmation, or other document containing a statement similar to that comprising the statement provided for in Item 502(d) of Regulation S-B (§ 228.502(d) of this chapter) or Item 502(d) of Regulation S-K (§ 229.502(d) of this chapter).

(i) *Recordkeeping Requirements.* A person subject to this section shall keep the information and make the notification required by § 240.17a-2 of this chapter.

(j) *Excepted Securities.* The provisions of this section shall not apply to:

(1) *Exempted Securities.* "Exempted securities," as defined in section 3(a)(12) of the Exchange Act (15 U.S.C. 78c(a)(12)); or

(2) *Transactions of Rule 144A securities.* Transactions in securities eligible for resale under § 230.144A(d)(3) of this chapter, if such securities are offered or sold in the United States solely to:

(i) Qualified institutional buyers, as defined in § 230.144A(a)(1) of this chapter, or to offerees or purchasers that the seller and any person acting on behalf of the seller reasonably believes are qualified institutional buyers, in a transaction exempt from registration under section 4(2) of the Securities Act

(15 U.S.C. 77d(2)) or §§ 230.144A or 230.501 through 230.508 of this chapter; or

(ii) Persons not deemed to be "U.S. persons" for purposes of §§ 230.902(o)(2) or 230.902(o)(7) of this chapter, during a distribution qualifying under paragraph (j)(2)(i) of this section.

(k) *Exemptive Authority.* Upon written application or upon its own motion, the Commission may grant an exemption from the provisions of this section, either unconditionally or on specified terms and conditions, to any transaction or class of transactions, or to any security or class of securities.

§ 242.402 General provisions.

(a) *Applicable margin rules.* Except to the extent inconsistent with this Regulation (§§ 242.400 through 242.406):

(1) A security futures intermediary that carries a security future on behalf of a customer in a securities account shall record and conduct all financial relations with respect to such security future and related positions in accordance with Regulation T and the margin rules of the self-regulatory authorities of which the security futures intermediary is a member.

(2) A security futures intermediary that carries a security future on behalf of a customer in a futures account shall record and conduct all financial relations with respect to such security future and related positions in accordance with the margin rules of the self-regulatory authorities of which the security futures intermediary is a member.

(b) *Separation and consolidation of accounts.*

(1) The requirements for security futures and related positions in one account may not be met by considering items in any other account, except as permitted or required under paragraph (b)(2) of this section or applicable margin rules. If withdrawals of cash, securities or other assets deposited as margin are permitted under this Regulation (§§ 242.400 through 242.406), bookkeeping entries shall be made when such cash, securities, or assets are used for purposes of meeting requirements in another account.

(2) Notwithstanding paragraph (b)(1) of this section, the security futures intermediary shall consider all futures accounts in which security futures and related positions are held that are within the same regulatory classification or account type and are owned by the same customer to be a single account for purposes of this Regulation (§§ 242.400 through 242.406). 17 CFR Ch. II (4-1-04 Edition)

for purposes of computing a customer's overall margin requirement, as permitted or required by applicable margin rules.

(c) *Accounts of partners.* If a partner of the security futures intermediary has an account with the security futures intermediary in which security futures or related positions are held, the security futures intermediary shall disregard the partner's financial relations with the firm (as shown in the partner's capital and ordinary drawing accounts) in calculating the margin or equity of any such account.

(d) *Contribution to joint venture.* If an account in which security futures or related positions are held is the account of a joint venture in which the security futures intermediary participates, any interest of the security futures intermediary in the joint account in excess of the interest which the security futures intermediary would have on the basis of its right to share in the profits shall be margined in accordance with this Regulation (§§ 242.400 through 242.406).

(e) *Extensions of credit.* (1) No security futures intermediary may extend or maintain credit to or for any customer for the purpose of evading or circumventing any requirement under this Regulation (§§ 242.400 through 242.406).

(2) A security futures intermediary may arrange for the extension or maintenance of credit to or for any customer by any person, provided that the security futures intermediary does not willfully arrange credit that would constitute a violation of Regulation T, U or X of the Board of Governors of the Federal Reserve System (12 CFR parts 220, 221, and 224) by such person.

(f) *Change in exempted person status.* Once a person ceases to qualify as an exempted person, it shall notify the security futures intermediary of this fact before entering into any new security futures transaction or related transaction that would require additional margin to be deposited under this Regulation (§§ 242.400 through 242.406). Financial relations with respect to any such transactions shall be subject to the provisions of this Regulation (§§ 242.400 through 242.406).

§ 242.403 Required margin.

(a) *Applicability.* Each security futures intermediary shall determine the required margin for the security futures and related positions held on behalf of a customer in a securities account or futures account as set forth in this section.

(b) *Required margin.—(1) General rule.* The required margin for each long or short position in a security future shall be twenty (20) percent of the current market value of such security future.

(2) *Offsetting positions.* Notwithstanding the margin levels specified in paragraph (b)(1) of this section, a self-regulatory authority may set the required initial or maintenance margin level for an offsetting position involving security futures and related positions at a level lower than the level that would be required under paragraph (b)(1) of this section if such positions were margined separately, pursuant to rules that meet the criteria set forth in section 7(c)(2)(B) of the Act (15 U.S.C. 78g(c)(2)(B)) and are effective in accordance with section 19(b)(2) of the Act (15 U.S.C. 78s(b)(2)) and, as applicable, Section 5c(c) of the CEA (7 U.S.C. 7a-2(c)).

(c) *Procedures for certain margin level adjustments.* An exchange registered under section 6(g) of the Act (15 U.S.C. 78f(g)), or a national securities association registered under section 15A(k) of the Act (15 U.S.C. 78o-3(k)), may raise or lower the required margin level for a security future to a level not lower than that specified in this section, in accordance with section 19(b)(7) of the Act (15 U.S.C. 78s(b)(7)).

§ 242.404 Type, form and use of margin.

(a) *When margin is required.* Margin is required to be deposited whenever the required margin for security futures and related positions in an account is not satisfied by the equity in the account, subject to adjustment under paragraph (c) of this section.

(b) *Acceptable margin deposits.* (1) The required margin may be satisfied by a deposit of cash, margin securities (subject to paragraph (b)(2) of this section), exempted securities, any other asset permitted under Regulation T to satisfy a margin deficiency in a securities

margin account, or any combination thereof, each as valued in accordance with paragraph (c) of this section.

(2) Shares of a money market mutual fund may be accepted as a margin deposit for purposes of this Regulation (§§ 242.400 through 242.406), *provided that:*

(i) The customer waives any right to redeem the shares without the consent of the security futures intermediary and instructs the fund or its transfer agent accordingly;

(ii) The security futures intermediary (or clearing agency or derivatives clearing organization with which the shares are deposited as margin) obtains the right to redeem the shares in cash, promptly upon request; and

(iii) The fund agrees to satisfy any conditions necessary or appropriate to ensure that the shares may be redeemed in cash, promptly upon request.

(c) Adjustments.

(1) *Futures accounts.* For purposes of this section, the equity in a futures account shall be computed in accordance with the margin rules applicable to the account, subject to the following:

(i) A security future shall have no value;

(ii) Each net long or short position in a listed option on a contract for future delivery shall be valued in accordance with the margin rules applicable to the account;

(iii) Except as permitted in paragraph (e) of this section, each margin equity security shall be valued at an amount no greater than its Regulation T collateral value;

(iv) Each other security shall be valued at an amount no greater than its current market value reduced by the percentage specified for such security in § 240.15c3-1(c)(2)(vi) of this chapter;

(v) Freely convertible foreign currency may be valued at an amount no greater than its daily marked-to-market U.S. dollar equivalent;

(vi) Variation settlement receivable (or payable) by an account at the close of trading on any day shall be treated as a credit (or debit) to the account on that day; and

(vii) Each other acceptable margin deposit or component of equity shall be

§ 242.404

17 CFR Ch. II (4-1-04 Edition)

valued at an amount no greater than its value under Regulation T.

(2) *Securities accounts.* For purposes of this section, the equity in a securities account shall be computed in accordance with the margin rules applicable to the account, subject to the following:

(i) A security future shall have no value;

(ii) Freely convertible foreign currency may be valued at an amount no greater than its daily mark-to-market U.S. dollar equivalent; and

(iii) Variation settlement receivable (or payable) to an account at the close of trading on any day shall be treated as a credit (or debit) by the account on that day.

(d) *Satisfaction restriction.* Any transaction, position or deposit that is used to satisfy the required margin for security futures or related positions under this Regulation (§§ 242.400 through 242.406), including a related position, shall be unavailable to satisfy the required margin for any other position or transaction or any other requirement.

(e) *Alternative collateral valuation for margin equity securities in a futures account.*

(1) Notwithstanding paragraph (c)(1)(iii) of this section, a security futures intermediary need not value a margin equity security at its Regulation T collateral value when determining whether the required margin for the security futures and related positions in a futures account is satisfied, *provided that:*

(i) The margin equity security is valued at an amount no greater than the current market value of the security reduced by the lowest percentage level of margin required for a long position in the security held in a margin account under the rules of a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a));

(ii) Additional margin is required to be deposited on any day when the day's security futures transactions and related transactions would create or increase a margin deficiency in the account if the margin equity securities were valued at their Regulation T collateral value, and shall be for the amount of the margin deficiency so

created or increased (a "special margin requirement"); and

(iii) Cash, securities, or other assets deposited as margin for the positions in an account are not permitted to be withdrawn from the account at any time that:

(A) Additional cash, securities, or other assets are required to be deposited as margin under this section for a transaction in the account on the same or a previous day; or

(B) The withdrawal, together with other transactions, deposits, and withdrawals on the same day, would create or increase a margin deficiency if the margin equity securities were valued at their Regulation T collateral value.

(2) All security futures transactions and related transactions on any day shall be combined to determine the amount of a special margin requirement. Additional margin deposited to satisfy a special margin requirement shall be valued at an amount no greater than its Regulation T collateral value.

(3) If the alternative collateral valuation method set forth in paragraph (e) of this section is used with respect to an account in which security futures or related positions are carried:

(i) An account that is transferred from one security futures intermediary to another may be treated as if it had been maintained by the transferee from the date of its origin, if the transferee accepts, in good faith, a signed statement of the transferor (or, if that is not practicable, of the customer), that any margin call issued under this Regulation (§§ 242.400 through 242.406) has been satisfied; and

(ii) An account that is transferred from one customer to another as part of a transaction, not undertaken to avoid the requirements of this Regulation (§§ 242.400 through 242.406), may be treated as if it had been maintained for the transferee from the date of its origin, if the security futures intermediary accepts in good faith and keeps with the transferee account a signed statement of the transferor describing the circumstances for the transfer.

(f) *Guarantee of accounts.* No guarantee of a customer's account shall be

Securities and Exchange Commission

§ 242.500

given any effect for purposes of determining whether the required margin in an account is satisfied, except as permitted under applicable margin rules.

§ 242.405 Withdrawal of margin.

(a) *By the customer.* Except as otherwise provided in § 242.404(e)(1)(ii) of this Regulation (§§ 242.400 through 242.406), cash, securities, or other assets deposited as margin for positions in an account may be withdrawn, provided that the equity in the account after such withdrawal is sufficient to satisfy the required margin for the security futures and related positions in the account under this Regulation (§§ 242.400 through 242.406).

(b) *By the security futures intermediary.* Notwithstanding paragraph (a) of this section, the security futures intermediary, in its usual practice, may deduct the following items from an account in which security futures or related positions are held if they are considered in computing the balance of such account:

(1) Variation settlement payable, directly or indirectly, to a clearing agency that is registered under section 17A of the Act (15 U.S.C. 78q-1) or a derivatives clearing organization that is registered under section 5b of the CEA (7 U.S.C. 7a-1);

(2) Interest charged on credit maintained in the account;

(3) Communication or shipping charges with respect to transactions in the account;

(4) Payment of commissions, brokerage, taxes, storage and other charges lawfully accruing in connection with the positions and transactions in the account;

(5) Any service charges that the security futures intermediary may impose; or

(6) Any other withdrawals that are permitted from a securities margin account under Regulation T, to the extent permitted under applicable margin rules.

§ 242.406 Undermargined accounts.

(a) *Failure to satisfy margin call.* If any margin call required by this Regulation (§§ 242.400 through 242.406) is not met in full, the security futures intermediary shall take the deduction re-

quired with respect to an undermargined account in computing its net capital under Commission or CFTC rules.

(b) *Accounts that liquidate to a deficit.* If at any time there is a liquidating deficit in an account in which security futures are held, the security futures intermediary shall take steps to liquidate positions in the account promptly and in an orderly manner.

(c) *Liquidation of undermargined accounts not required.* Notwithstanding Section 402(a) of this Regulation (§§ 242.400 through 242.406), section 220.4(d) of Regulation T (12 CFR 220.4(d)) respecting liquidation of positions in lieu of deposit shall not apply with respect to security futures carried in a securities account.

§ 243.100 General rule regarding selective disclosure.

(a) Whenever an issuer, or any person acting on its behalf, discloses any material nonpublic information regarding that issuer or its securities to any person described in paragraph (b)(1) of this section, the issuer shall make public disclosure of that information as provided in § 243.101(e):

(1) Simultaneously, in the case of an intentional disclosure; and

(2) Promptly, in the case of a non-intentional disclosure.

(b)(1) Except as provided in paragraph (b)(2) of this section, paragraph (a) of this section shall apply to a disclosure made to any person outside the issuer:

(i) Who is a broker or dealer, or a person associated with a broker or dealer, as those terms are defined in Section 3(a) of the Securities Exchange Act of 1934 (15 U.S.C. 78c(a));

(ii) Who is an investment adviser, as that term is defined in Section 202(a)(11) of the Investment Advisers Act of 1940 (15 U.S.C. 80b-2(a)(11)); an institutional investment manager, as that term is defined in Section 13(f)(5) of the Securities Exchange Act of 1934 (15 U.S.C. 78m(f)(5)), that filed a report on Form 13F (17 CFR 249.325) with the Commission for the most recent quarter ended prior to the date of the disclosure; or a person associated with ei-

ther of the foregoing. For purposes of this paragraph, a “person associated with an investment adviser or institutional investment manager” has the meaning set forth in Section 202(a)(17) of the Investment Advisers Act of 1940 (15 U.S.C. 80b-2(a)(17)), assuming for these purposes that an institutional investment manager is an investment adviser;

(iii) Who is an investment company, as defined in Section 3 of the Investment Company Act of 1940 (15 U.S.C. 80a-3), or who would be an investment company but for Section 3(c)(1) (15 U.S.C. 80a-3(c)(1)) or Section 3(c)(7) (15 U.S.C. 80a-3(c)(7)) thereof, or an affiliated person of either of the foregoing. For purposes of this paragraph, “affiliated person” means only those persons described in Section 2(a)(3)(C), (D), (E), and (F) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(3)(C), (D), (E), and (F)), assuming for these purposes that a person who would be an investment company but for Section 3(c)(1) (15 U.S.C. 80a-3(c)(1)) or Section 3(c)(7) (15 U.S.C. 80a-3(c)(7)) of the Investment Company Act of 1940 is an investment company; or

(iv) Who is a holder of the issuer’s securities, under circumstances in which it is reasonably foreseeable that the person will purchase or sell the issuer’s securities on the basis of the information.

(i) To a person who owes a duty of trust or confidence to the issuer (such as an attorney, investment banker, or accountant);

(ii) To a person who expressly agrees to maintain the disclosed information in confidence;

(iii) To an entity whose primary business is the issuance of credit ratings, provided the information is disclosed solely for the purpose of developing a credit rating and the entity’s ratings are publicly available; or

(iv) In connection with a securities offering registered under the Securities Act, other than an offering of the type described in any of Rule 415(a)(1)(i)-(vi) (§ 230.415(a)(1)(i)-(vi) of this chapter).

§ 243.101 Definitions.

This section defines certain terms as used in Regulation FD (§§ 243.100-243.103).

(a) *Intentional*. A selective disclosure of material nonpublic information is “intentional” when the person making the disclosure either knows, or is reckless in not knowing, that the information he or she is communicating is both material and nonpublic.

(b) *Issuer*. An “issuer” subject to this regulation is one that has a class of securities registered under Section 12 of the Securities Exchange Act of 1934 (15 U.S.C. 78l), or is required to file reports under Section 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(d)), including any closed-end investment company (as defined in Section 5(a)(2) of the Investment Company Act of 1940) (15 U.S.C. 80a-5(a)(2)), but not including any other investment company or any foreign government or foreign private issuer, as those terms are defined in Rule 405 under the Securities Act (§230.405 of this chapter).

(c) *Person acting on behalf of an issuer*. “Person acting on behalf of an issuer” means any senior official of the issuer (or, in the case of a closed-end investment company, a senior official of the issuer’s investment adviser), or any other officer, employee, or agent of an issuer who regularly communicates with any person described in §243.100(b)(1)(i), (ii), or (iii), or with holders of the issuer’s securities. An officer, director, employee, or agent of an issuer who discloses material nonpublic information in breach of a duty of trust or confidence to the issuer shall not be considered to be acting on behalf of the issuer.

(d) *Promptly*. “Promptly” means as soon as reasonably practicable (but in no event after the later of 24 hours or the commencement of the next day’s trading on the New York Stock Exchange) after a senior official of the issuer (or, in the case of a closed-end investment company, a senior official of the issuer’s investment adviser) learns that there has been a non-intentional disclosure by the issuer or person acting on behalf of the issuer of information that the senior official knows, or is reckless in not knowing, is both material and nonpublic.

(e) *Public disclosure*. (1) Except as provided in paragraph (e)(2) of this section, an issuer shall make the “public disclosure” of information required by §243.100(a) by furnishing to or filing with the Commission a Form 8-K (17 CFR 249.308) disclosing that information.

(2) An issuer shall be exempt from the requirement to furnish or file a Form 8-K if it instead disseminates the information through another method (or combination of methods) of disclosure that is reasonably designed to provide broad, non-exclusionary distribution of the information to the public.

(f) *Senior official*. “Senior official” means any director, executive officer (as defined in §240.3b-7 of this chapter), investor relations or public relations officer, or other person with similar functions.

(g) *Securities offering*. For purposes of §243.100(b)(2)(iv):

(1) *Underwritten offerings*. A securities offering that is underwritten commences when the issuer reaches an understanding with the broker-dealer that is to act as managing underwriter and continues until the later of the end of the period during which a dealer must deliver a prospectus or the sale of the securities (unless the offering is sooner terminated);

(2) *Non-underwritten offerings*. A securities offering that is not underwritten:

(i) If covered by Rule 415(a)(1)(x) (§230.415(a)(1)(x) of this chapter), commences when the issuer makes its first bona fide offer in a takedown of securities and continues until the later of the end of the period during which each dealer must deliver a prospectus or the sale of the securities in that takedown (unless the takedown is sooner terminated);

(ii) If a business combination as defined in Rule 165(f)(1) (§230.165(f)(1) of this chapter), commences when the first public announcement of the transaction is made and continues until the completion of the vote or the expiration of the tender offer, as applicable (unless the transaction is sooner terminated);

(iii) If an offering other than those specified in paragraphs (a) and (b) of this section, commences when the issuer files a registration statement

§ 243.102

and continues until the later of the end of the period during which each dealer must deliver a prospectus or the sale of the securities (unless the offering is sooner terminated).

§ 243.102 No effect on antifraud liability.

No failure to make a public disclosure required solely by § 243.100 shall be deemed to be a violation of Rule 10b-5 (17 CFR 240.10b-5) under the Securities Exchange Act.

§ 243.103 No effect on Exchange Act reporting status.

A failure to make a public disclosure required solely by § 243.100 shall not affect whether:

(a) For purposes of Forms S-2 (17 CFR 239.12), S-3 (17 CFR 239.13) and S-8 (17 CFR 239.16b) under the Securities Act, an issuer is deemed to have filed all the material required to be filed pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C. 78m or 78o(d)) or, where applicable, has made those filings in a timely manner; or

(b) There is adequate current public information about the issuer for purposes of § 230.144(c) of this chapter (Rule 144(c)).

§ 244.100 General rules regarding disclosure of non-GAAP financial measures.

(a) Whenever a registrant, or person acting on its behalf, publicly discloses material information that includes a non-GAAP financial measure, the registrant must accompany that non-GAAP financial measure with:

(1) A presentation of the most directly comparable financial measure calculated and presented in accordance

17 CFR Ch. II (4-1-04 Edition)

with Generally Accepted Accounting Principles (GAAP); and

(2) A reconciliation (by schedule or other clearly understandable method), which shall be quantitative for historical non-GAAP measures presented, and quantitative, to the extent available without unreasonable efforts, for forward-looking information, of the differences between the non-GAAP financial measure disclosed or released with the most comparable financial measure or measures calculated and presented in accordance with GAAP identified in paragraph (a)(1) of this section.

(b) A registrant, or a person acting on its behalf, shall not make public a non-GAAP financial measure that, taken together with the information accompanying that measure and any other accompanying discussion of that measure, contains an untrue statement of a material fact or omits to state a material fact necessary in order to make the presentation of the non-GAAP financial measure, in light of the circumstances under which it is presented, not misleading.

(c) This section shall not apply to a disclosure of a non-GAAP financial measure that is made by or on behalf of a registrant that is a foreign private issuer if the following conditions are satisfied:

(2) The non-GAAP financial measure is not derived from or based on a measure calculated and presented in accordance with generally accepted accounting principles in the United States; and

(3) The disclosure is made by or on behalf of the registrant outside the United States, or is included in a written communication that is released by or on behalf of the registrant outside the United States.

NOTES TO § 244.100: 1. If a non-GAAP financial measure is made public orally, telephonically, by Web cast, by broadcast, or by similar means, the requirements of paragraphs (a)(1)(i) and (a)(1)(ii) of this section will be satisfied if:

(i) The required information in those paragraphs is provided on the registrant's Web site at the time the non-GAAP financial measure is made public; and

(ii) The location of the web site is made public in the same presentation in which the non-GAAP financial measure is made public.

2. The provisions of paragraph (c) of this section shall apply notwithstanding the existence of one or more of the following circumstances:

(i) A written communication is released in the United States as well as outside the United States, so long as the communication is released in the United States contemporaneously with or after the release outside the United States and is not otherwise targeted at persons located in the United States;

(ii) Foreign journalists, U.S. journalists or other third parties have access to the information;

(iii) The information appears on one or more web sites maintained by the registrant, so long as the web sites, taken together, are not available exclusively to, or targeted at, persons located in the United States; or

(iv) Following the disclosure or release of the information outside the United States, the information is included in a submission by the registrant to the Commission made under cover of a Form 6-K.

§ 244.101 Definitions.

This section defines certain terms as used in Regulation G (§§ 244.100 through 244.102).

(a)(1) *Non-GAAP financial measure.* A non-GAAP financial measure is a numerical measure of a registrant's historical or future financial performance, financial position or cash flows that:

(i) Excludes amounts, or is subject to adjustments that have the effect of excluding amounts, that are included in the most directly comparable measure calculated and presented in accordance with GAAP in the statement of income, balance sheet or statement of cash flows (or equivalent statements) of the issuer; or

(ii) Includes amounts, or is subject to adjustments that have the effect of including amounts, that are excluded from the most directly comparable measure so calculated and presented.

(2) A non-GAAP financial measure does not include operating and other financial measures and ratios or statistical measures calculated using exclusively one or both of:

(i) Financial measures calculated in accordance with GAAP; and

(ii) Operating measures or other measures that are not non-GAAP financial measures.

(3) A non-GAAP financial measure does not include financial measures required to be disclosed by GAAP, Commission rules, or a system of regulation of a government or governmental authority or self-regulatory organization that is applicable to the registrant.

(b) *GAAP.* GAAP refers to generally accepted accounting principles in the United States, except that:

(1) In the case of foreign private issuers whose primary financial statements are prepared in accordance with non-U.S. generally accepted accounting principles, GAAP refers to the principles under which those primary financial statements are prepared; and

(2) In the case of foreign private issuers that include a non-GAAP financial measure derived from a measure calculated in accordance with U.S. generally accepted accounting principles, GAAP refers to U.S. generally accepted accounting principles for purposes of the application of the requirements of Regulation G to the disclosure of that measure.

(d) *United States.* United States means the United States of America, its territories and possessions, any State of the United States, and the District of Columbia.

§ 244.102 No effect on antifraud liability.

Neither the requirements of this Regulation G (17 CFR 244.100 through

244.102) nor a person's compliance or non-compliance with the requirements of this Regulation shall in itself affect any person's liability under Section 10(b) (15 U.S.C. 78j(b)) of the Securities Exchange Act of 1934 or §240.10b-5 of this chapter.

§ 245.101 Prohibition of insider trading during pension fund blackout periods.

(a) Except to the extent otherwise provided in paragraph (c) of this section, it is unlawful under section 306(a)(1) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7244(a)(1)) for any director or executive officer of an issuer of any equity security (other than an exempt security), directly or indirectly, to purchase, sell or otherwise acquire or transfer any equity security of the issuer (other than an exempt security) during any blackout period with respect to such equity security, if such director or executive officer acquires or previously acquired such equity security in connection with his or her service or employment as a director or executive officer.

(b) For purposes of section 306(a)(1) of the Sarbanes-Oxley Act of 2002, any sale or other transfer of an equity security of the issuer during a blackout period will be treated as a transaction involving an equity security “acquired in connection with service or employment as a director or executive officer” (as defined in § 245.100(a)) to the extent that the director or executive officer has a pecuniary interest (as defined in § 245.100(l)) in such equity security, unless the director or executive officer establishes by specific identification of securities that the transaction did not involve an equity security “acquired in connection with service or employment as a director or executive officer.” To establish that the equity security was not so acquired, a director or executive officer must identify the source of the equity securities and demonstrate that he or she has utilized the same specific identification for any purpose related to the transaction (such as tax report-

ing and any applicable disclosure and reporting requirements).

(c) The following transactions are exempt from section 306(a)(1) of the Sarbanes-Oxley Act of 2002:

(1) Any acquisition of equity securities resulting from the reinvestment of dividends in, or interest on, equity securities of the same issuer if the acquisition is made pursuant to a plan providing for the regular reinvestment of dividends or interest and the plan provides for broad-based participation, does not discriminate in favor of employees of the issuer and operates on substantially the same terms for all plan participants;

(2) Any purchase or sale of equity securities of the issuer pursuant to a contract, instruction or written plan entered into by the director or executive officer that satisfies the affirmative defense conditions of § 240.10b5-1(c) of this chapter; provided that the director or executive officer did not enter into or modify the contract, instruction or written plan during the blackout period (as defined in § 245.100(b)) in question, or while aware of the actual or approximate beginning or ending dates of that blackout period (whether or not the director or executive officer received notice of the blackout period as required by Section 306(a)(6) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7244(a)(6))).

(3) Any purchase or sale of equity securities, other than a Discretionary Transaction (as defined in § 240.16b-3(b)(1) of this chapter), pursuant to a Qualified Plan (as defined in § 240.16b-3(b)(4) of this chapter), an Excess Benefit Plan (as defined in § 240.16b-3(b)(2) of this chapter) or a Stock Purchase Plan (as defined in § 240.16b-3(b)(5) of this chapter) (or, in the case of a foreign private issuer, pursuant to an employee benefit plan that either (i) has been approved by the taxing authority of a foreign jurisdiction, or (ii) is eligible for preferential treatment under the tax laws of a foreign jurisdiction because the plan provides for broad-based employee participation); provided that a Discretionary Transaction that meets the conditions of paragraph (c)(2) of this section also shall be exempt;

(4) Any grant or award of an option, stock appreciation right or other equity compensation pursuant to a plan that, by its terms:

(i) Permits directors or executive officers to receive grants or awards; and

(ii) Either:

(A) States the amount and price of securities to be awarded to designated directors and executive officers or categories of directors and executive officers (though not necessarily to others who may participate in the plan) and specifies the timing of awards to directors and executive officers; or

(B) Sets forth a formula that determines the amount, price and timing, using objective criteria (such as earnings of the issuer, value of the securities, years of service, job classification, and compensation levels);

(5) Any exercise, conversion or termination of a derivative security that the director or executive officer did not write or acquire during the blackout period (as defined in §245.100(b)) in question, or while aware of the actual or approximate beginning or ending dates of that blackout period (whether or not the director or executive officer received notice of the blackout period as required by Section 306(a)(6) of the Sarbanes-Oxley Act of 2002); and either:

(i) The derivative security, by its terms, may be exercised, converted or terminated only on a fixed date, with no discretionary provision for earlier exercise, conversion or termination; or

(ii) The derivative security is exercised, converted or terminated by a counterparty and the director or executive officer does not exercise any influence on the counterparty with respect to whether or when to exercise, convert or terminate the derivative security;

The term "blackout period," as defined in §245.100(b), does not include:

plan are not able to participate in the same class of equity securities after the merger, acquisition, divestiture or similar transaction as before the transaction.

§ 245.103 Issuer right of recovery; right of action by equity security owner.

(a) *Recovery of profits.* Section 306(a)(2) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7244(a)(2)) provides that any profit realized by a director or executive officer from any purchase, sale or other acquisition or transfer of any equity security of an issuer in violation of section 306(a)(1) of that Act (15 U.S.C. 7244(a)(1)) will inure to and be recoverable by the issuer, regardless of any intention on the part of the director or executive officer in entering into the transaction.

(b) *Actions to recover profit.* Section 306(a)(2) of the Sarbanes-Oxley Act of 2002 provides that an action to recover profit may be instituted at law or in equity in any court of competent jurisdiction by the issuer, or by the owner of any equity security of the issuer in the name and on behalf of the issuer if the issuer fails or refuses to bring such action within 60 days after the date of request, or fails diligently to prosecute the action thereafter, except that no such suit may be brought more than two years after the date on which such profit was realized.

(c) *Measurement of profit.* (1) In determining the profit recoverable in an action undertaken pursuant to section 306(a)(2) of the Sarbanes-Oxley Act of 2002 from a transaction that involves a purchase, sale or other acquisition or transfer (other than a grant, exercise, conversion or termination of a derivative security) in violation of section 306(a)(1) of that Act of an equity security of an issuer that is registered pursuant to section 12(b) or 12(g) of the Exchange Act (15 U.S.C. 78l(b) or (g)) and listed on a national securities exchange or listed in an automated inter-dealer quotation system of a national securities association, profit (including any loss avoided) may be measured by comparing the difference between the amount paid or received for the equity security on the date of the transaction during the blackout period and the av-

erage market price of the equity security calculated over the first three trading days after the ending date of the blackout period.

(2) In determining the profit recoverable in an action undertaken pursuant to section 306(a)(2) of the Sarbanes-Oxley Act of 2002 from a transaction that is not described in paragraph (c)(1) of this section, profit (including any loss avoided) may be measured in a manner that is consistent with the objective of identifying the amount of any gain realized or loss avoided by a director or executive officer as a result of a transaction taking place in violation of section 306(a)(1) of that Act during the blackout period as opposed to taking place outside of such blackout period.

(3) The terms of this section do not limit in any respect the authority of the Commission to seek or determine remedies as the result of a transaction taking place in violation of section 306(a)(1) of the Sarbanes-Oxley Act.

§ 245.104 Notice.

(a) In any case in which a director or executive officer is subject to section 306(a)(1) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7244(a)(1)) in connection with a blackout period (as defined in § 245.100(b)) with respect to any equity security, the issuer of the equity security must timely notify each director or officer and the Commission of the blackout period.

(b) For purposes of this section:

(1) The notice must include:

(i) The reason or reasons for the blackout period;

(ii) A description of the plan transactions to be suspended during, or otherwise affected by, the blackout period;

(iii) A description of the class of equity securities subject to the blackout period;

(iv) The length of the blackout period by reference to:

(A) The actual or expected beginning date and ending date of the blackout period; or

(B) The calendar week during which the blackout period is expected to begin and the calendar week during which the blackout period is expected to end, provided that the notice to directors and executive officers describes

how, during such week or weeks, a director or executive officer may obtain, without charge, information as to whether the blackout period has begun or ended; and provided further that the notice to the Commission describes how, during the blackout period and for a period of two years after the ending date of the blackout period, a security holder or other interested person may obtain, without charge, the actual beginning and ending dates of the blackout period.

(C) For purposes of this paragraph (b)(1)(iv), a *calendar week* means a seven-day period beginning on Sunday and ending on Saturday; and

(v) The name, address and telephone number of the person designated by the issuer to respond to inquiries about the blackout period, or, in the absence of such a designation, the issuer's human resources director or person performing equivalent functions.

(2) (i) Notice to an affected director or executive officer will be considered timely if the notice described in paragraph (b)(1) of this section is provided (in graphic form that is reasonably accessible to the recipient):

(A) No later than five business days after the issuer receives the notice required by section 101(i)(2)(E) of the Employment Retirement Income Security Act of 1974 (29 U.S.C. 1021(i)(2)(E)); or

(B) If no such notice is received by the issuer, a date that is at least 15 calendar days before the actual or expected beginning date of the blackout period.

(ii) Notwithstanding paragraph (b)(2)(i) of this section, the requirement to give advance notice will not apply in any case in which the inability to provide advance notice of the blackout period is due to events that were unforeseeable to, or circumstances that were beyond the reasonable control of, the issuer, and the issuer reasonably so determines in writing. Determinations described in the preceding sentence must be dated and signed by an authorized representative of the issuer. In any case in which this exception to the advance notice requirement applies, the issuer must provide the notice described in paragraph (b)(1) of this section, as well as a copy of the written determination,

to all affected directors and executive officers as soon as reasonably practicable.

(iii) If there is a subsequent change in the beginning or ending dates of the blackout period as provided in the notice to directors and executive officers under paragraph (b)(2)(i) of this section, an issuer must provide directors and executive officers with an updated notice explaining the reasons for the change in the date or dates and identifying all material changes in the information contained in the prior notice. The updated notice is required to be provided as soon as reasonably practicable, unless such notice in advance of the termination of a blackout period is impracticable.

(3) Notice to the Commission will be considered timely if:

(i) The issuer, except as provided in paragraph (b)(3)(ii) of this section, files a current report on Form 8-K (§ 249.308 of this chapter) within the time prescribed for filing the report under the instructions for the form; or

(ii) In the case of a foreign private issuer (as defined in § 240.3b-4(c) of this chapter), the issuer includes the information set forth in paragraph (b)(1) of this section in the first annual report on Form 20-F (§ 249.220f of this chapter) or 40-F (§ 249.240f of this chapter) required to be filed after the receipt of the notice of a blackout period required by 29 CFR 2520.101-3(c) within the time prescribed for filing the report under the instructions for the form or in an earlier filed report on Form 6-K (§ 249.306).

(iii) If there is a subsequent change in the beginning or ending dates of the blackout period as provided in the notice to the Commission under paragraph (b)(3)(i) of this section, an issuer must file a current report on Form 8-K containing the updated beginning or ending dates of the blackout period, explaining the reasons for the change in the date or dates and identifying all material changes in the information contained in the prior report. The updated notice is required to be provided as soon as reasonably practicable.

(2) *Special rule for loans.* You do not have a customer relationship with a consumer if you buy a loan made to the consumer but do not have the servicing rights for that loan.

(3) *Examples of establishing customer relationship.* You establish a customer relationship when the consumer:

(i) Effects a securities transaction with you or opens a brokerage account with you under your procedures;

(ii) Opens a brokerage account with an introducing broker or dealer that clears transactions with and for its customers through you on a fully disclosed basis;

§ 248.5

(iii) Enters into an advisory contract with you (whether in writing or orally); or

(iv) Purchases shares you have issued (and the consumer is the record owner of the shares), if you are an investment company.

(d) *Existing customers.* When an existing customer obtains a new financial product or service from you that is to be used primarily for personal, family, or household purposes, you satisfy the initial notice requirements of paragraph (a) of this section as follows:

(1) You may provide a revised privacy notice, under § 248.8, that covers the customer's new financial product or service; or

(2) If the initial, revised, or annual notice that you most recently provided to that customer was accurate with respect to the new financial product or service, you do not need to provide a new privacy notice under paragraph (a) of this section.

(e) *Exceptions to allow subsequent delivery of notice.* (1) You may provide the initial notice required by paragraph (a)(1) of this section within a reasonable time after you establish a customer relationship if:

(i) Establishing the customer relationship is not at the customer's election;

(ii) Providing notice not later than when you establish a customer relationship would substantially delay the customer's transaction and the customer agrees to receive the notice at a later time; or

(iii) A nonaffiliated broker or dealer or investment adviser establishes a customer relationship between you and a consumer without your prior knowledge.

(2) *Examples of exceptions—*(i) *Not at customer's election.* Establishing a customer relationship is not at the customer's election if the customer's account is transferred to you by a trustee selected by the Securities Investor Protection Corporation ("SIPC") and appointed by a United States Court.

(ii) *Substantial delay of customer's transaction.* Providing notice not later than when you establish a customer relationship would substantially delay the customer's transaction when you and the individual agree over the tele-

17 CFR Ch. II (4-1-04 Edition)

phone to enter into a customer relationship involving prompt delivery of the financial product or service.

(iii) *No substantial delay of customer's transaction.* Providing notice not later than when you establish a customer relationship would not substantially delay the customer's transaction when the relationship is initiated in person at your office or through other means by which the customer may view the notice, such as on a web site.

(f) *Delivery.* When you are required to deliver an initial privacy notice by this section, you must deliver it according to § 248.9. If you use a short-form initial notice for non-customers according to § 248.6(d), you may deliver your privacy notice according to § 248.6(d)(3).

§ 248.5 Annual privacy notice to customers required.

(a)(1) *General rule.* You must provide a clear and conspicuous notice to customers that accurately reflects your privacy policies and practices not less than annually during the continuation of the customer relationship. *Annually* means at least once in any period of 12 consecutive months during which that relationship exists. You may define the 12-consecutive-month period, but you must apply it to the customer on a consistent basis.

(2) *Example.* You provide a notice annually if you define the 12-consecutive-month period as a calendar year and provide the annual notice to the customer once in each calendar year following the calendar year in which you provided the initial notice. For example, if a customer opens an account on any day of year 1, you must provide an annual notice to that customer by December 31 of year 2.

(b)(1) *Termination of customer relationship.* You are not required to provide an annual notice to a former customer.

(2) *Examples.* Your customer becomes a former customer when:

(i) The individual's brokerage account is closed;

(ii) The individual's investment advisory contract is terminated;

(iii) You are an investment company and the individual is no longer the record owner of securities you have issued; or

(iv) You are an investment company and your customer has been determined to be a lost securityholder as defined in 17 CFR 240.17a-24(b).

(c) *Special rule for loans.* If you do not have a customer relationship with a consumer under the special provision for loans in §248.4(c)(2), then you need not provide an annual notice to that consumer under this section.

(d) *Delivery.* When you are required to deliver an annual privacy notice by this section, you must deliver it according to §248.9.

§248.6 Information to be included in privacy notices.

(a) *General rule.* The initial, annual, and revised privacy notices that you provide under §§248.4, 248.5, and 248.8 must include each of the following items of information that applies to you or to the consumers to whom you send your privacy notice, in addition to any other information you wish to provide:

(1) The categories of nonpublic personal information that you collect;

(2) The categories of nonpublic personal information that you disclose;

(3) The categories of affiliates and nonaffiliated third parties to whom you disclose nonpublic personal information, other than those parties to whom you disclose information under §§248.14 and 248.15;

(4) The categories of nonpublic personal information about your former customers that you disclose and the categories of affiliates and nonaffiliated third parties to whom you disclose nonpublic personal information about your former customers, other than those parties to whom you disclose information under §§248.14 and 248.15;

(5) If you disclose nonpublic personal information to a nonaffiliated third party under §248.13 (and no other exception applies to that disclosure), a separate statement of the categories of information you disclose and the categories of third parties with whom you have contracted;

(6) An explanation of the consumer's right under §248.10(a) to opt out of the disclosure of nonpublic personal information to nonaffiliated third parties, including the method(s) by which the

consumer may exercise that right at that time;

(7) Any disclosures that you make under section 603(d)(2)(A)(iii) of the Fair Credit Reporting Act (15 U.S.C. 1681a(d)(2)(A)(iii)) (that is, notices regarding the ability to opt out of disclosures of information among affiliates);

(8) Your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information; and

(9) Any disclosure that you make under paragraph (b) of this section.

(b) *Description of nonaffiliated third parties subject to exceptions.* If you disclose nonpublic personal information to third parties as authorized under §§248.14 and 248.15, you are not required to list those exceptions in the initial or annual privacy notices required by §§248.4 and 248.5. When describing the categories with respect to those parties, you are required to state only that you make disclosures to other nonaffiliated third parties as permitted by law.

(c) *Examples—(1) Categories of nonpublic personal information that you collect.* You satisfy the requirement to categorize the nonpublic personal information that you collect if you list the following categories, as applicable:

(i) Information from the consumer;

(ii) Information about the consumer's transactions with you or your affiliates;

(iii) Information about the consumer's transactions with nonaffiliated third parties; and

(iv) Information from a consumer-reporting agency.

(2) *Categories of nonpublic personal information you disclose.* (i) You satisfy the requirement to categorize the nonpublic personal information that you disclose if you list the categories described in paragraph (e)(1) of this section, as applicable, and a few examples to illustrate the types of information in each category.

(ii) If you reserve the right to disclose all of the nonpublic personal information about consumers that you collect, you may simply state that fact without describing the categories or examples of the nonpublic personal information you disclose.

§ 248.6

17 CFR Ch. II (4-1-04 Edition)

(3) *Categories of affiliates and non-affiliated third parties to whom you disclose.* You satisfy the requirement to categorize the affiliates and non-affiliated third parties to whom you disclose nonpublic personal information if you list the following categories, as applicable, and a few examples to illustrate the types of third parties in each category:

- (i) Financial service providers;
- (ii) Non-financial companies; and
- (iii) Others.

(4) *Disclosures under exception for service providers and joint marketers.* If you disclose nonpublic personal information under the exception in § 248.13 to a nonaffiliated third party to market products or services that you offer alone or jointly with another financial institution, you satisfy the disclosure requirement of paragraph (a)(5) of this section if you:

(i) List the categories of nonpublic personal information you disclose, using the same categories and examples you used to meet the requirements of paragraph (a)(2) of this section, as applicable; and

(ii) State whether the third party is:

(A) A service provider that performs marketing services on your behalf or on behalf of you and another financial institution; or

(B) A financial institution with which you have a joint marketing agreement.

(5) *Simplified notices.* If you do not disclose, and do not wish to reserve the right to disclose, nonpublic personal information to affiliates or non-affiliated third parties except as authorized under §§ 248.14 and 248.15, you may simply state that fact, in addition to the information you must provide under paragraphs (a)(1), (a)(8), (a)(9), and (b) of this section.

(6) *Confidentiality and security.* You describe your policies and practices with respect to protecting the confidentiality and security of nonpublic personal information if you do both of the following:

(i) Describe in general terms who is authorized to have access to the information; and

(ii) State whether you have security practices and procedures in place to ensure the confidentiality of the informa-

tion in accordance with your policy. You are not required to describe technical information about the safeguards you use.

(d) *Short-form initial notice with opt out notice for non-customers.* (1) You may satisfy the initial notice requirements in §§ 248.4(a)(2), 248.7(b), and 248.7(c) for a consumer who is not a customer by providing a short-form initial notice at the same time as you deliver an opt out notice as required in § 248.7.

(2) A short-form initial notice must:

- (i) Be clear and conspicuous;
- (ii) State that your privacy notice is available upon request; and
- (iii) Explain a reasonable means by which the consumer may obtain the privacy notice.

(3) You must deliver your short-form initial notice according to § 248.9. You are not required to deliver your privacy notice with your short-form initial notice. You instead may simply provide the consumer a reasonable means to obtain your privacy notice. If a consumer who receives your short-form notice requests your privacy notice, you must deliver your privacy notice according to § 248.9.

(4) *Examples of obtaining privacy notice.* You provide a reasonable means by which a consumer may obtain a copy of your privacy notice if you:

(i) Provide a toll-free telephone number that the consumer may call to request the notice; or

(ii) For a consumer who conducts business in person at your office, maintain copies of the notice on hand that you provide to the consumer immediately upon request.

(e) *Future disclosures.* Your notice may include:

(1) Categories of nonpublic personal information that you reserve the right to disclose in the future, but do not currently disclose; and

(2) Categories of affiliates or non-affiliated third parties to whom you reserve the right in the future to disclose, but to whom you do not currently disclose, nonpublic personal information.

(f) *Sample clauses.* Sample clauses illustrating some of the notice content required by this section are included in Appendix A of this part.

§ 248.7 Form of opt out notice to consumers; opt out methods.

(a)(1) *Form of opt out notice.* If you are required to provide an opt out notice under § 248.10(a), you must provide a clear and conspicuous notice to each of your consumers that accurately explains the right to opt out under that section. The notice must state:

- (i) That you disclose or reserve the right to disclose nonpublic personal information about your consumer to a nonaffiliated third party;
- (ii) That the consumer has the right to opt out of that disclosure; and
- (iii) A reasonable means by which the consumer may exercise the opt out right.

(2) *Examples—(i) Adequate opt out notice.* You provide adequate notice that the consumer can opt out of the disclosure of nonpublic personal information to a nonaffiliated third party if you:

(A) Identify all of the categories of nonpublic personal information that you disclose or reserve the right to disclose, and all of the categories of nonaffiliated third parties to which you disclose the information, as described in § 248.6(a)(2) and (3) and state that the consumer can opt out of the disclosure of that information; and

(B) Identify the financial products or services that the consumer obtains from you, either singly or jointly, to which the opt out direction would apply.

(ii) *Reasonable opt out means.* You provide a reasonable means to exercise an opt out right if you:

(A) Designate check-off boxes in a prominent position on the relevant forms with the opt out notice;

(B) Include a reply form together with the opt out notice;

(C) Provide an electronic means to opt out, such as a form that can be sent via electronic mail or a process at your web site, if the consumer agrees to the electronic delivery of information; or

(D) Provide a toll-free telephone number that consumers may call to opt out.

(iii) *Unreasonable opt out means.* You do not provide a reasonable means of opting out if:

(A) The only means of opting out is for the consumer to write his or her

own letter to exercise that opt out right; or

(B) The only means of opting out as described in any notice subsequent to the initial notice is to use a check-off box that you provided with the initial notice but did not include with the subsequent notice.

(iv) *Specific opt out means.* You may require each consumer to opt out through a specific means, as long as that means is reasonable for that consumer.

(b) *Same form as initial notice permitted.* You may provide the opt out notice together with or on the same written or electronic form as the initial notice you provide in accordance with § 248.4.

(c) *Initial notice required when opt out notice delivered subsequent to initial notice.* If you provide the opt out notice after the initial notice in accordance with § 248.4, you must also include a copy of the initial notice with the opt out notice in writing or, if the consumer agrees, electronically.

(d) *Joint relationships.* (1) If two or more consumers jointly obtain a financial product or service from you, you may provide a single opt out notice. Your opt out notice must explain how you will treat an opt out direction by a joint consumer.

(2) Any of the joint consumers may exercise the right to opt out. You may either:

(i) Treat an opt out direction by a joint consumer as applying to all of the associated joint consumers; or

(ii) Permit each joint consumer to opt out separately.

(3) If you permit each joint consumer to opt out separately, you must permit one of the joint consumers to opt out on behalf of all of the joint consumers.

(4) You may not require *all* joint consumers to opt out before you implement *any* opt out direction.

(5) *Example.* If John and Mary have a joint brokerage account with you and arrange for you to send statements to John's address, you may do any of the following, but you must explain in your opt out notice which opt out policy you will follow:

(i) Send a single opt out notice to John's address, but you must accept an

§ 248.8

opt out direction from either John or Mary;

(ii) Treat an opt out direction by either John or Mary as applying to the entire account. If you do so, and John opts out, you may not require Mary to opt out as well before implementing John's opt out direction; or

(iii) Permit John and Mary to make different opt out directions. If you do so:

(A) You must permit John and Mary to opt out for each other.

(B) If both opt out, you must permit both to notify you in a single response (such as on a form or through a telephone call).

(C) If John opts out and Mary does not, you may only disclose nonpublic personal information about Mary, but not about John and not about John and Mary jointly.

(e) *Time to comply with opt out.* You must comply with a consumer's opt out direction as soon as reasonably practicable after you receive it.

(f) *Continuing right to opt out.* A consumer may exercise the right to opt out at any time.

(g) *Duration of consumer's opt out direction.* (1) A consumer's direction to opt out under this section is effective until the consumer revokes it in writing or, if the consumer agrees, electronically.

(2) When a customer relationship terminates, the customer's opt out direction continues to apply to the nonpublic personal information that you collected during or related to that relationship. If the individual subsequently establishes a new customer relationship with you, the opt out direction that applied to the former relationship does not apply to the new relationship.

(h) *Delivery.* When you are required to deliver an opt out notice by this section, you must deliver it according to § 248.9.

§ 248.8 Revised privacy notices.

(a) *General rule.* Except as otherwise authorized in this part, you must not, directly or through any affiliate, disclose any nonpublic personal information about a consumer to a nonaffiliated third party other than as described in the initial notice that you

17 CFR Ch. II (4-1-04 Edition)

provided to that consumer under § 248.4, unless:

(1) You have provided to the consumer a clear and conspicuous revised notice that accurately describes your policies and practices;

(2) You have provided to the consumer a new opt out notice;

(3) You have given the consumer a reasonable opportunity, before you disclose the information to the nonaffiliated third party, to opt out of the disclosure; and

(4) The consumer does not opt out.

(b) *Examples.* (1) Except as otherwise permitted by §§ 248.13, 248.14, and 248.15, you must provide a revised notice before you:

(i) Disclose a new category of nonpublic personal information to any nonaffiliated third party;

(ii) Disclose nonpublic personal information to a new category of nonaffiliated third party; or

(iii) Disclose nonpublic personal information about a former customer to a nonaffiliated third party, if that former customer has not had the opportunity to exercise an opt out right regarding that disclosure.

(2) A revised notice is not required if you disclose nonpublic personal information to a new nonaffiliated third party that you adequately described in your prior notice.

(c) *Delivery.* When you are required to deliver a revised privacy notice by this section, you must deliver it according to § 248.9.

§ 248.9 Delivering privacy and opt out notices.

(a) *How to provide notices.* You must provide any privacy notices and opt out notices, including short-form initial notices that this part requires so that each consumer can reasonably be expected to receive actual notice in writing or, if the consumer agrees, electronically.

(b)(1) *Examples of reasonable expectation of actual notice.* You may reasonably expect that a consumer will receive actual notice if you:

(i) Hand-deliver a printed copy of the notice to the consumer;

(ii) Mail a printed copy of the notice to the last known address of the consumer;

(iii) For the consumer who conducts transactions electronically, post the notice on the electronic site and require the consumer to acknowledge receipt of the notice as a necessary step to obtaining a particular financial product or service; or

(iv) For an isolated transaction with the consumer, such as an ATM transaction, post the notice on the ATM screen and require the consumer to acknowledge receipt of the notice as a necessary step to obtaining the particular financial product or service.

(2) *Examples of unreasonable expectation of actual notice.* You may not, however, reasonably expect that a consumer will receive actual notice of your privacy policies and practices if you:

(i) Only post a sign in your branch or office or generally publish advertisements of your privacy policies and practices; or

(ii) Send the notice via electronic mail to a consumer who does not obtain a financial product or service from you electronically.

(c) *Annual notices only.* (1) You may reasonably expect that a customer will receive actual notice of your annual privacy notice if:

(i) The customer uses your web site to access financial products and services electronically and agrees to receive notices at the web site and you post your current privacy notice continuously in a clear and conspicuous manner on the web site; or

(ii) The customer has requested that you refrain from sending any information regarding the customer relationship, and your current privacy notice remains available to the customer upon request.

(2) *Example of reasonable expectation of receipt of annual privacy notice.* You may reasonably expect that consumers who share an address will receive actual notice of your annual privacy notice if you deliver the notice with or in a stockholder or shareholder report under the conditions in 17 CFR 270.30d-1(f) or 17 CFR 270.30d-2(b), or with or in a prospectus under the conditions in 17 CFR 230.154.

(d) *Oral description of notice insufficient.* You may not provide any notice required by this part solely by orally

explaining the notice, either in person or over the telephone.

(e) *Retention or accessibility of notices for customers.* (1) For customers only, you must provide the initial notice required by §248.4(a)(1), the annual notice required by §248.5(a), and the revised notice required by §248.8, so that the customer can retain them or obtain them later in writing or, if the customer agrees, electronically.

(2) *Examples of retention or accessibility.* You provide a privacy notice to the customer so that the customer can retain it or obtain it later if you:

(i) Hand-deliver a printed copy of the notice to the customer;

(ii) Mail a printed copy of the notice to the last known address of the customer; or

(iii) Make your current privacy notice available on a web site (or a link to another web site) for the customer who obtains a financial product or service electronically and agrees to receive the notice at the web site.

(f) *Joint notice with other financial institutions.* You may provide a joint notice from you and one or more of your affiliates or other financial institutions, as identified in the notice, as long as the notice is accurate with respect to you and the other institutions.

(g) *Joint relationships.* If two or more consumers jointly obtain a financial product or service from you, you may satisfy the initial, annual, and revised notice requirements of paragraph (a) of this section by providing one notice to those consumers jointly.

Subpart B—Limits on Disclosures

§248.10 Limits on disclosure of non-public personal information to non-affiliated third parties.

(a)(1) *Conditions for disclosure.* Except as otherwise authorized in this part, you may not, directly or through any affiliate, disclose any nonpublic personal information about a consumer to a nonaffiliated third party unless:

(i) You have provided to the consumer an initial notice as required under §248.4;

(ii) You have provided to the consumer an opt out notice as required in §248.7;

(iii) You have given the consumer a reasonable opportunity, before you disclose the information to the non-affiliated third party, to opt out of the disclosure; and

(iv) The consumer does not opt out.

(2) *Opt out definition.* Opt out means a direction by the consumer that you not disclose nonpublic personal information about that consumer to a non-affiliated third party, other than as permitted by §§ 248.13, 248.14, and 248.15.

(3) *Examples of reasonable opportunity to opt out.* You provide a consumer with a reasonable opportunity to opt out if:

(i) *By mail.* You mail the notices required in paragraph (a)(1) of this section to the consumer and allow the consumer to opt out by mailing a form, calling a toll-free telephone number, or any other reasonable means within 30 days after the date you mailed the notices.

(ii) *By electronic means.* A customer opens an on-line account with you and agrees to receive the notices required in paragraph (a)(1) of this section electronically, and you allow the customer to opt out by any reasonable means within 30 days after the date that the customer acknowledges receipt of the notices in conjunction with opening the account.

(iii) *Isolated transaction with consumer.* For an isolated transaction, such as the provision of brokerage services to a consumer as an accommodation, you provide the consumer with a reasonable opportunity to opt out if you provide the notices required in paragraph (a)(1) of this section at the time of the transaction and request that the consumer decide, as a necessary part of the transaction, whether to opt out before completing the transaction.

(b) *Application of opt out to all consumers and all nonpublic personal information.* (1) You must comply with this section, regardless of whether you and the consumer have established a customer relationship.

(2) Unless you comply with this section, you may not, directly or through any affiliate, disclose any nonpublic personal information about a consumer that you have collected, regardless of whether you collected it before or after

receiving the direction to opt out from the consumer.

(c) *Partial opt out.* You may allow a consumer to select certain nonpublic personal information or certain non-affiliated third parties with respect to which the consumer wishes to opt out.

§ 248.11 Limits on redisclosure and reuse of information.

(a)(1) *Information you receive under an exception.* If you receive nonpublic personal information from a nonaffiliated financial institution under an exception in § 248.14 or 248.15, your disclosure and use of that information is limited as follows:

(i) You may disclose the information to the affiliates of the financial institution from which you received the information;

(ii) You may disclose the information to your affiliates, but your affiliates may, in turn, disclose and use the information only to the extent that you may disclose and use the information; and

(iii) You may disclose and use the information pursuant to an exception in §§ 248.14 or 248.15 in the ordinary course of business to carry out the activity covered by the exception under which you received the information.

(2) *Example.* If you receive a customer list from a nonaffiliated financial institution in order to provide account-processing services under the exception in §§ 248.14(a), you may disclose that information under any exception in § 248.14 or 248.15 in the ordinary course of business in order to provide those services. You could also disclose that information in response to a properly authorized subpoena or in the ordinary course of business to your attorneys, accountants, and auditors. You could not disclose that information to a third party for marketing purposes or use that information for your own marketing purposes.

(b)(1) *Information you receive outside of an exception.* If you receive nonpublic personal information from a non-affiliated financial institution other than under an exception in §§ 248.14 or 248.15, you may disclose the information only:

Securities and Exchange Commission

§ 248.12

(i) To the affiliates of the financial institution from which you received the information;

(ii) To your affiliates, but your affiliates may, in turn, disclose the information only to the extent that you can disclose the information; and

(iii) To any other person, if the disclosure would be lawful if made directly to that person by the financial institution from which you received the information.

(2) *Example.* If you obtain a customer list from a nonaffiliated financial institution outside of the exceptions in §§ 248.14 and 248.15:

(i) You may use that list for your own purposes;

(ii) You may disclose that list to another nonaffiliated third party only if the financial institution from which you purchased the list could have lawfully disclosed the list to that third party. That is, you may disclose the list in accordance with the privacy policy of the financial institution from which you received the list, as limited by the opt out direction of each consumer whose nonpublic personal information you intend to disclose, and you may disclose the list in accordance with an exception in §§ 248.14 or 248.15, such as in the ordinary course of business to your attorneys, accountants, or auditors.

(c) *Information you disclose under an exception.* If you disclose nonpublic personal information to a nonaffiliated third party under an exception in §§ 248.14 or 248.15, the third party may disclose and use that information only as follows:

(1) The third party may disclose the information to your affiliates;

(2) The third party may disclose the information to its affiliates, but its affiliates may, in turn, disclose and use the information only to the extent that the third party may disclose and use the information; and

(3) The third party may disclose and use the information pursuant to an exception in §§ 248.14 or 248.15 in the ordinary course of business to carry out the activity covered by the exception under which it received the information.

(d) *Information you disclose outside of an exception.* If you disclose nonpublic

personal information to a nonaffiliated third party other than under an exception in §§ 248.14 or 248.15, the third party may disclose the information only:

(1) To your affiliates;

(2) To its affiliates, but its affiliates, in turn, may disclose the information only to the extent the third party can disclose the information; and

(3) To any other person, if the disclosure would be lawful if you made it directly to that person.

§ 248.12 Limits on sharing account number information for marketing purposes.

(a) *General prohibition on disclosure of account numbers.* You must not, directly or through an affiliate, disclose, other than to a consumer reporting agency, an account number or similar form of access number or access code for a consumer's credit card account, deposit account, or transaction account to any nonaffiliated third party for use in telemarketing, direct mail marketing, or other marketing through electronic mail to the consumer.

(b) *Exceptions.* Paragraph (a) of this section does not apply if you disclose an account number or similar form of access number or access code:

(1) To your agent or service provider solely in order to perform marketing for your own products or services, as long as the agent or service provider is not authorized to directly initiate charges to the account; or

(2) To a participant in a private label credit card program or an affinity or similar program where the participants in the program are identified to the customer when the customer enters into the program.

(c) *Example—Account number.* An account number, or similar form of access number or access code, does not include a number or code in an encrypted form, as long as you do not provide the recipient with a means to decode the number or code.

Subpart C—Exceptions

§ 248.13 Exception to opt out requirements for service providers and joint marketing.

(a) *General rule.* (1) The opt out requirements in §§ 248.7 and 248.10 do not apply when you provide nonpublic personal information to a nonaffiliated third party to perform services for you or functions on your behalf, if you:

(i) Provide the initial notice in accordance with § 248.4; and

(ii) Enter into a contractual agreement with the third party that prohibits the third party from disclosing or using the information other than to carry out the purposes for which you disclosed the information, including use under an exception in §§ 248.14 or 248.15 in the ordinary course of business to carry out those purposes.

(2) *Example.* If you disclose nonpublic personal information under this section to a financial institution with which you perform joint marketing, your contractual agreement with that institution meets the requirements of paragraph (a)(1)(ii) of this section if it prohibits the institution from disclosing or using the nonpublic personal information except as necessary to carry out the joint marketing or under an exception in §§ 248.14 or 248.15 in the ordinary course of business to carry out that joint marketing.

(b) *Service may include joint marketing.* The services a nonaffiliated third party performs for you under paragraph (a) of this section may include marketing of your own products or services or marketing of financial products or services offered pursuant to joint agreements between you and one or more financial institutions.

(c) *Definition of joint agreement.* For purposes of this section, *joint agreement* means a written contract pursuant to which you and one or more financial institutions jointly offer, endorse, or sponsor a financial product or service.

§ 248.14 Exceptions to notice and opt out requirements for processing and servicing transactions.

(a) *Exceptions for processing and servicing transactions at consumer's request.* The requirements for initial notice in § 248.4(a)(2), for the opt out in §§ 248.7

and 248.10, and for initial notice in § 248.13 in connection with service providers and joint marketing, do not apply if you disclose nonpublic personal information as necessary to effect, administer, or enforce a transaction that a consumer requests or authorizes, or in connection with:

(1) Processing or servicing a financial product or service that a consumer requests or authorizes;

(2) Maintaining or servicing the consumer's account with you, or with another entity as part of a private label credit card program or other extension of credit on behalf of such entity; or

(3) A proposed or actual securitization, secondary market sale (including sales of servicing rights), or similar transaction related to a transaction of the consumer.

(b) *Necessary to effect, administer, or enforce a transaction* means that the disclosure is:

§ 250.7 Companies deemed not to be electric or gas utility companies.

(a) Any company which is primarily engaged in one or more businesses other than the business of an electric or gas utility company, shall not be deemed an electric or gas utility company within the meaning of section 2(a)(3) or section 2(a)(4) of the Act if the gross sales of electric energy, or of natural or manufactured gas distributed at retail by means of the facilities owned or operated by such company, did not exceed an average annual amount of \$5,000,000 over the preceding three calendar years. There may be excluded from the gross sales specified:

(1) Sales of electric energy or natural or manufactured gas to tenants or employees of the operating company for their own use and not for resale; and

(2) Sales of gas to industrial consumers or in enclosed portable containers.

(b)(1) Any company whose only connection with the generation, trans-

mission, or distribution of electric energy is the ownership or operation of facilities used for the production of heat or steam from special nuclear material which heat or steam is used in the generation of electric energy shall not be deemed an electric utility company within the meaning of section 2(a)(3) of the Act, if such company is organized not for profit and is engaged primarily in research and development activities.

(2) As a prerequisite to being entitled to the status afforded by paragraph (b)(1) of this section, any such company shall file with this Commission a statement that such company falls within the provisions of that subparagraph, including as exhibits (i) copies of its charter, by-laws and any licenses issued by the Nuclear Regulatory Commission to such company; (ii) a list of its members or stockholders indicating their respective percentages of voting power; and (iii) if such company was in existence at the end of the preceding calendar year, a balance sheet as at the end of the preceding calendar year and an income and surplus statement for such year or a statement of receipts and expenditures for such year and of financial status at its end.

(3) As a prerequisite to retaining the status afforded by paragraph (b)(1) of this section, any such company shall annually on or before May file a statement with this Commission that such company continues to fall within the provisions of that subparagraph, including as exhibits (i) any changes or additions to its charter or by-laws or list of members or stockholders or any licenses issued by the Nuclear Regulatory Commission to such company since the time of the last filing hereunder, and (ii) a balance sheet as at the end of the preceding calendar year and an income and surplus statement for such year or a statement of receipts and expenditures for such year and of financial status at its end.

(4) If it appears to the Commission (on the basis of the aforesaid statements or otherwise) that a substantial question of law or fact exists as to whether any company is entitled to the status afforded by paragraph (b)(1) of this section, the Commission may notify such company to that effect by

registered mail. Thirty days after such notification the status afforded by paragraph (b)(1) of this section shall no longer be available to such company, without prejudice to the right of such company to file an application for an order granting an exemption from the application of section 2(a)(3) of the Act, and without prejudice to any temporary exemption provided by that section if such an application is filed in good faith. The Commission will grant such an application if it finds that the standards set forth in paragraph (b)(1) of this section are satisfied.

(c) Any company, which (1) owns no utility assets located within any State of the United States, (2) has no subsidiary company owning any such assets so located, and (3) is engaged solely in business outside the United States, shall not be deemed to be an electric or gas utility company within the meaning of section 2(a)(3) or (a)(4) of the Act, if its gross sales of electric energy or of natural or manufactured gas distributed at retail, by means of facilities owned or operated by such company, did not exceed 1 percent of its gross revenues during the previous calendar year.

(d) A company shall not be deemed to be an electric utility company or a gas utility company which owns any of the facilities specified in sections 2(a)(3) and (4) [of the Act] *Provided*, That:

(1) Such company owns the facility as a company, as a trustee, or as holder of a beneficial interest under a trust, or as a purchaser or assignee of any of the foregoing; and

(i) Such facility is leased under a net lease directly to a public utility company either as a sole lessee or joint lessee with one or more other public utility companies, and such facility is or is to be employed by the lessee in its operations as a public utility company; and

(ii) Such company is otherwise primarily engaged in one or more businesses other than the business of a public utility company, or is a company all of whose equity interest is owned by one or more companies so engaged, either directly or through subsidiary companies; and

(iii) The terms of the lease have been expressly authorized or approved by a

regulatory authority having jurisdiction over the rates and service of the public utility company which leases such facility; and

(iv) The lease of the facility extends for an initial term of not less than 15 years, except for termination of the lease upon events therein set forth, unless the owner shall state in the initial certificate filed pursuant to paragraph (d)(5) of this section that a shorter term specified in the lease is not less than two-thirds of the expected useful life of the facility; and

(v) The rent reserved under the lease shall not include any amount based, directly or indirectly, on revenues or income of the public utility company, or any part thereof.

Paragraphs (d)(1)(iii) and (iv) of this section shall not apply to a lease executed before, or within 30 days after, the effective date of this section, if the certificate required by paragraph (d)(5) of this section is filed within 60 days after such effective date.

(2) Paragraph (d)(1) of this section shall cease to be applicable in the event of termination of the lessee's right to possession or use of the facility during its term, unless within 90 days of the date of termination, and subject to such prior or subsequent regulatory and other approvals as by law may be required, such company, as defined in this section, negotiates a new lease or an operating agreement at a fixed rental.

(3) A public utility company shall not cease to be such by reason of a lease, directly or indirectly, of part or all of its facilities to any associate company or to any entity, whether or not a company, as defined in section 2(a)(2) of the Act.

(4) Except to the extent provided in paragraphs (d)(1) and (6) of this section, this section shall not relieve any company from such other provisions of the Act, and rules and regulations promulgated thereunder, as may be applicable.

(5) Any company specified in paragraph (d)(1) of this section shall file, or join in the filing of, a certificate on a form prescribed by the Commission, as to each lease within 30 days of its execution. Upon any transfer of legal or beneficial ownership, such new owner shall file an appropriate amendment

§ 250.8

within 30 days of such transfer. If the lease is amended in a manner which would alter any item of the certificate, or if the facility ceases, for any reasons, to be subject to the lease, the holder of legal title to the facility shall file an appropriate amendment within 30 days of the event.

(6) A company shall not be deemed to be an electric utility company by reason of ownership of any interest in nuclear fuel and facilities incident to its use, if the operation and use thereof is vested by lease or contract in one or more public utility companies, unless the consideration paid by a public utility company for the use of such fuel and facilities, or of the heat or energy produced thereby, includes an amount based, directly or indirectly, on the revenue or income of the public utility company or any part thereof. Any such company shall file, or join in the filing of, the certificates specified in paragraph (d)(5) of this section. A certificate with respect to a lease or contract executed prior to, or within 30 days after, the effective date of this section shall be filed within 60 days after such effective date.

(1) The acquisition of any securities of the power supply company, including its voting securities, and any obligation by such electric utility company to provide funds to the power supply company pursuant to a capital funds agreement or guarantee of its debts, is authorized by a regulatory authority having jurisdiction over the rates and services of such electric utility company;

(2) All of the voting securities of the power supply company are owned by one or more electric utility companies to which the power supply company sells all of its electric energy, or as a transmission company provides all its transmission services to them or their customers (exclusive of any electric energy or transmission services which it sells to or provides to any person described in section 2(c) of the Act or to any rural electric cooperative association); and

(3) The issue of securities by the power supply company (other than any security maturing not more than one year after the date of issue) is subject to express authorization by a regulatory authority having jurisdiction over their issuance.

If an electric utility company otherwise qualifies for an exemption pursuant to section 3(a)(2) of the Act, either by order or pursuant to § 250.2(a)(2) of these rules, that exemption shall not be affected by an acquisition exempt under § 250.14.

(b) The exemption under paragraph (a) of this section shall apply to an electric utility company whose acquisition, though not subject to section 9(a)(2) of the Act, satisfies all the requirements provided by § 250.14 for an exempt acquisition.

§ 250.16 Exemption of non-utility subsidiaries and affiliates.

(a) Any company, and each affiliate thereof, shall be exempt from all obligations, duties or liabilities imposed upon it by the Act, as a subsidiary company or as an affiliate of a registered holding company or of a subsidiary company thereof, as such terms are respectively defined in sections 2(a)(8)(A) and 2(a)(11) of the Act, if—

(4) The acquisition by the registered holding company or subsidiary thereof of its interest in such company has been approved by the Commission pursuant to sections 9(a)(1) and 10 of the Act and applicable rules thereunder upon a timely application to the Commission.

(b) The exemption provided by this rule shall continue in effect during the pendency of such application. If an acquisition is made subject to Commission approval, the exemption provided by this rule is not terminated if the Commission does not grant its approval. In that event any such acquisition shall be disposed of in accordance with the order of the Commission.

(c) If a registered holding company directly or indirectly acquires any voting securities of such company, or any other voting interest, pursuant to this rule, the holding company shall include as an exhibit to its annual report on Form U5S a copy of the annual report of such company. It may incorporate by reference the annual report such company is required to file pursuant to other statutes administered by the Commission.

NOTE: Exhibits filed under paragraph (c) shall be submitted to the Commission in paper only, whether or not the registrant is otherwise required to file in electronic format. An electronic filer must submit paper exhibits under cover of Form SE (§ 259.603).

The foregoing requirement is imposed on each applicant and declarant unless otherwise expressly ordered by the Commission.

(b) *Conditions and restrictions proposed in an application or declaration.* Every order granting an application or making effective a declaration shall, unless otherwise therein expressly stated, impose upon the applicant or declarant the obligation to comply with any restriction or condition which the application or declaration proposes shall be imposed by the Commission in connection therewith.

§ 250.26

§ 250.25 Answers.

In any proceeding instituted by the Commission, the Commission may direct that any party respondent shall file an answer to the allegations contained in the order of the Commission initiating such proceeding, or in any statement of facts filed in such proceeding. Unless otherwise directed by the Commission, such answer shall conform to the requirements for answers to pleadings specified in the Federal Rules of Civil Procedure. The Commission recognizes the right of any person directed to file any such answer to set forth therein appropriate reservations of constitutional or other legal rights.

§ 250.26 Financial statement and recordkeeping requirements for registered holding companies and subsidiaries.

(a) Every registered holding company and every subsidiary company thereof:

(1) Shall conform to the requirements of Regulation S-X as to form and content of financial statements; and

(2) Shall make and keep current accounts, books and other records of all of its transactions in sufficient detail to permit examination, audit and verification of the financial statements, schedules and reports it is required to file with the Commission or which it issues to stockholders. Such accounts, books and other records shall be maintained in appropriate form and in sufficient detail to provide all of the information with respect to the business of the company specified by such Commission filing requirements as are in effect when the transactions recorded occur.

(b) Every registered holding company shall identify in its Form U5S the chart of accounts used by it and by each subsidiary company.

(1) The initial identification shall be made in the Form U5S, or a supplement thereto, filed in the year in which the use of such accounts is to begin, or in the year 1975 for charts of accounts already in use or proposed to be used in that year. Subsequent Forms U5S need merely state that no change in the accounts used has occurred, if that is the fact.

(2) A copy of each chart of accounts shall be annexed as an exhibit to the filing in which it is identified, except that it is unnecessary to file a copy of an official chart of accounts which any company subject to this rule is required to use by the Federal Energy Regulatory Commission, a state commission or by § 250.27 or § 250.93 under the Act. A company electing to use a chart of accounts promulgated by the Federal Energy Regulatory Commission also need not file a copy thereof.

(3) An amendment to Form U5S shall be filed as to any modification of such chart of accounts, except a modification made to an official chart of accounts by the commission which promulgated it. The amendment shall describe the nature, purpose and effect of the proposed modification and the date it is to be placed in effect. It shall be filed at least 30 days prior to its effective date. Unless the Commission directs otherwise, the chart of accounts, as so modified, shall be used thereafter.

(c) Every registered holding company and every subsidiary company thereof shall hereafter follow the equity method of accounting for investments in any subsidiary company.

(1) Each investment shall be recorded at its carrying value heretofore established and the actual cost of investments hereafter made. Each investment shall be periodically adjusted for the proportionate share of earnings or losses or capital changes of the subsidiary company since its acquisition, crediting any dividends received from such subsidiary company.

(2) Every company subject to this rule shall maintain a subaccount to its retained earnings account which shall be periodically debited or credited with its proportionate share of undistributed retained earnings of subsidiary companies.

(3) No company subject to this rule shall declare or pay any dividends or reacquire any of its own securities from or on the basis of any balances recorded in the subaccount referred to in paragraph (c)(2) of this section, except pursuant to a declaration under section 12(c) of the Act.

(d) No registered holding company which is not a public utility company shall dispose, without authorization

§ 250.27

from the Commission, of any accounts, books, or other records, except pursuant to 17 CFR part 257.

(e) This rule shall not modify or revoke any order of the Commission heretofore entered as to the accounting by any company subject to this rule including any continuing provision as to amortization or other disposition of any item governed thereby.

(f) Nothing in this rule shall relieve any company subject thereto from compliance with the requirements as to recordkeeping and retention that may be prescribed by any other regulatory agency.

(g) Any references in other rules, forms or releases under the Act to the uniform system of accounts shall be hereafter deemed to refer to this rule.

(a) Every registered holding company and subsidiary thereof, which is a public utility company and which is not required by either the Federal Energy Regulatory Commission or a State commission to conform to a classification of accounts, shall keep its accounts, insofar as it is an electric utility company, in the manner currently prescribed for similar companies by the Federal Energy Regulatory Commission or, and insofar as it is a gas utility company, in the manner currently recommended by the National Association of Railroad and Utilities Commissioners, except any company whose public utility activities are so limited that the application to it of such system of accounts is clearly inappropriate. A company claiming that its activities are thus limited, shall apply to the Commission for written instructions to that effect.

(b) All references, in the systems of accounts made applicable by paragraph (a) of this section, to the authority prescribing the same and to orders and in-

(a) Section 9(a) (49 Stat. 817; 15 U.S.C. 79i), shall not apply to the acquisition, from a person other than an associate or affiliate of the acquiring company or an affiliate of an associate company, of any of the securities (excluding securities issued by the acquiring company) as specified below:

(1) *Readily marketable securities.* Any bond or other evidence of indebtedness issued by any nonassociate company which qualifies as a legal investment for trust funds or for saving banks under the laws of New York, Pennsylvania or Massachusetts, if after giving effect to such acquisition the acquiring company, together with its associate companies, will not own more than 5 percent of the particular class of such securities.

(2) *Commercial paper and similar securities.* Any prime commercial paper, trade acceptance or bank certificate of deposit maturing within 12 months from the date of issuance or payable in not more than 60 days after demand.

(3) *Acquisitions resulting from previous ownership of securities.* Securities received as a dividend, or in renewal of an evidence of indebtedness, or pursuant to the exercise of preemptive right or conversion privilege, or as a result of any reclassification, general exchange offer or reorganization: *Provided*, That no exemption shall be available under this paragraph as to the acquisition of any voting securities or securities convertible into voting securities if after giving effect to such acquisition the acquiring company will, directly or indirectly, own, control, or hold 5 percent or more of the particular class of such securities.

(4) *Securities acquired in connection with routine business transactions.* In the ordinary course of the acquiring company's business (other than the business of a holding company or investment company as such), any evidence

of indebtedness executed by its customers in consideration of utility or other services by such company or executed in connection with the sale of goods or of real property other than utility assets.³

(5) *Securities of local enterprises.* Any security issued by an industrial or other nonutility enterprise located in the service territory of the acquiring public-utility company or, if the acquiring company is not a public-utility company, in the service territory of the registered holding-company system: *Provided*,

(i) The total cost of acquisitions by the acquiring company of securities of industrial development companies organized for the purpose of, and in accordance with a State law that specifically relates to, promoting the development of business and industry in such state does not exceed an annual aggregate amount of \$5 million, and

(ii) The total cost of acquisitions of securities of other local industrial or nonutility enterprises does not exceed an annual aggregate amount of \$1 million. In no event, however, will the above exemption apply where, by reason of such acquisition, the acquiring company would become an affiliate of the issuer.

(6) *Small minority interests.* Any security of any subsidiary company, if prior to such acquisition the acquiring company owns 95 percent or more of the outstanding securities of the class acquired.

(b) Section 9(a) (49 Stat. 817; 15 U.S.C. 79i) shall not apply to the acquisition of any securities of a mutual or subsidiary service company: *Provided*, That such acquisition is in accordance with a program as to ownership of securities of such service company which the Commission has found to meet the requirements of section 13 (49 Stat. 825; 15 U.S.C. 79m) of the Act.

(c) Section 9(a)(1) shall not apply to the acquisition of securities of a company whose principal business is the ownership and/or licensing of trade names, trade-marks and service marks

used by public-utility companies in the ordinary course of their business and the preparation, distribution and/or sale of material and services related wholly to such names and marks.

(d) Section 9(a)(2) shall not apply to the acquisition by a person who is neither a registered holding company, nor a subsidiary company thereof, of securities owned by a registered holding company, or subsidiary thereof, which are the subject of a divestment order under section 11(b), where such securities constitute all the vendor's interest in a company which does not operate any utility assets and which is a public-utility company only by reason of the ownership of a reversionary interest in utility assets: *Provided*, That such utility assets are operated under lease by a company which is not an affiliate of either the vendor or of the vendee, and the Commission finds that by reason of the duration of the lease, the ownership by the lessee of securities of the lessor and similar matters, there is no substantial probability of the lessor resuming operation of said utility assets. Such finding of the Commission may be made in connection with an application by the vendor company with respect to such sale.

(a) *Electric utility assets.* Any electric utility assets to be acquired are, prior to the acquisition, or will be immediately thereafter, connected with electric utility assets already owned and operated by the acquiring company, excluding connections over lines not operated by the acquiring company.

(b) *Gas utility assets.* Any gas utility assets to be acquired are located in or adjacent to the same service area as that in which gas utility assets already owned and operated by the acquiring company are located.

(c) *Limit in amount.* The total consideration paid for utility assets acquired pursuant to the exemption granted by this section does not exceed in any calendar year the lesser of \$5 million or five percent of the gross annual revenues of the acquiring company derived from its operations as a public-utility company during the preceding calendar year.

(d) *Prohibition of fees.* No fees or commissions are to be paid by any person or company in connection with the acquisition of such utility assets except to a person or company subject to the rules of the Commission adopted under section 13 of the Act (49 Stat. 825; 15 U.S.C. 78m) or to a person or company not affiliated with the acquiring company.

(1) No notice shall have been given to said company by the Commission within said 10 day period that a declaration should be filed with respect to the proposed transaction, or notice shall have been given by the Commission within said 10 day period that no declaration is required; or

(2) A declaration filed by the company with respect to such transaction shall have been permitted to become effective by order of the Commission: *Provided,* That the provisions of this paragraph shall not apply to any transaction as to which a declaration is required under §250.43(a) (Rule U-43(a)) or paragraph (a) of this section.

§ 250.45 Loans, extensions of credit, donations and capital contributions to associate companies.

(a) *General provision.* No registered holding company or subsidiary company shall, directly or indirectly, lend or in any manner extend its credit to nor indemnify, nor make any donation or capital contribution to, any company in the same holding company system, except pursuant to a declaration notifying the Commission of the proposed transaction, which has become effective in accordance with the procedure specified in §250.23, and pursuant to the order of the Commission with respect to such declaration under the applicable provisions of the Act.

17 CFR Ch. II (4-1-04 Edition)

(3) Extensions of credit to a subsidiary without interest to meet emergency requirements: *Provided*, That both the borrowing and lending company forthwith join in a statement notifying the Commission of the transaction and agreeing to take such action with respect thereto as the Commission may require.

(4) Capital contributions or open account advances, without interest, by a company to its subsidiary company; *Provided*, That capital contributions or open account advances to any energy-related company subsidiary, as defined in §250.58, shall not be exempt hereunder unless, after giving effect thereto, the aggregate investment by a registered holding company or any subsidiary thereof in such company and all other such energy-related company subsidiaries does not exceed the limitation in §250.58(a)(1).

(5) Failure to demand or enforce payment with respect to all or part of any obligation which is by its terms payable on demand, or of any security which has matured, if no new agreement is entered into with respect to the terms or conditions of the unpaid balance thereof.

(6) An agreement by a registered holding company or subsidiary company of a registered holding company to guarantee, to assume joint liability, or to act as a surety or as an indemnitor with respect to contingent liabilities or other obligations of a subsidiary of such company, incurred in the ordinary course of such subsidiary's business, if said agreement is in the form of:

(i) A direct guarantee, assumption of liability, surety or indemnification of the subsidiary company's obligations which is required to meet the requirements of federal, state or local law; or

(ii) An indirect guarantee of a subsidiary through a surety or indemnification of one or more surety companies or agencies, which have agreed to provide bonds of the following kinds required by subsidiary companies in the holding-company system:

(A) Court and fiduciary bonds such as appeal bonds, supersedeas bonds, condemnation bonds, or bonds required to free property from attachment or to lift an injunction;

(B) License and permit bonds such as blasting and oversize load permit bonds;

(C) United States, state and local government bonds such as customs bonds, workers' compensation self-insurance bonds, bonds required by the Internal Revenue Services, mineral right-of-way or drilling lease bonds and notary public bonds;

(G) Any other bonds of a similar nature required for routine operational purposes;

Provided, however, That: (1) No payment, compensation or other consideration shall be paid or accrue to the parent company in consideration for such guarantee, assumption of liability, surety or indemnification; (2) this rule shall not be construed to apply to a direct or indirect guarantee, assumption of liability, surety or indemnification of a subsidiary company's indebtedness for borrowed money; and (3) the aggregate of all such direct and indirect guarantees, assumptions of liability, sureties or indemnifications by the parent company, shall not exceed the greater of \$50,000,000, or 5 percent of the aggregate amount of the other securities of the company then outstanding, such securities to be valued at (i) original principal amount, if there is such a principal amount, and (ii) fair market value as of the date of issuance, if there is no such principal amount. Par value stock shall be treated in the same manner as no par value stock, *i.e.*, as stock issued without any principal amount.

(7) An agreement by any subsidiary company of a registered holding company to assume liability (as guarantor, co-maker, indemnitor, or otherwise) with respect to any security issued by any other subsidiary company in the same holding company system, provided that the issuance and sale of such

security is exempt, and such assumption of liability constitutes the issuance of a security that is exempt, from the declaration requirements of section 6(a) of the Act (15 U.S.C. 79f(a)) under § 250.52.

(c) A declaration under paragraph (a) of this section shall not be required for the filing of a consolidated tax return by the eligible associate companies in a registered holding company system, or the execution or performance of the agreement referred to herein, if such consolidated tax return is filed pursuant to a tax agreement, in writing, relating to either federal or state taxes, for a term of one or more tax years among the associate companies included in the consolidated return, and the agreement provides for allocation among such associate companies of the liabilities and benefits arising from such consolidated tax return for each tax year in a manner not inconsistent with the following conditions:

(1) Definitions:

Consolidated tax is the aggregate tax liability for a tax year, being the tax shown on the consolidated return and any adjustments thereto thereafter determined. The consolidated tax will be the refund if the consolidated return shows a negative tax.

Corporate tax credit is a negative separate return tax of an associate company for a tax year, equal to the amount by which the consolidated tax is reduced by including a net corporate taxable loss or other net tax benefit of such associate company in the consolidated tax return.

Corporate taxable income is the income or loss of an associate company for a tax year, computed as though such company had filed a separate return on the same basis as used in the consolidated return, except that dividend income from associate companies shall be disregarded, and other intercompany transactions eliminated in the consolidated return shall be given appropriate effect. It shall be further adjusted to allow for applicable rights accrued to the associate company under paragraphs (c) (4) and (5) of this section or under prior rules or orders, on the basis of other tax years, but carryovers or carrybacks shall not be taken into account if the associate company has

been paid a corporate tax credit therefor. If an associate company is a member of the registered system's consolidated tax group for only part of a tax year, that period will be deemed to be its tax year for all purposes under paragraph (c) of this section.

Separate return tax is the tax on the corporate taxable income of an associate company computed as though such company were not a member of a consolidated group.

(2) The consolidated tax shall be apportioned among the several members of the group in proportion to (i) the corporate taxable income of each such member, or (ii) the separate return tax of each such member, but the tax apportioned to any subsidiary shall not exceed the separate return tax of such subsidiary.

(3) The tax agreement shall provide for appropriate and equitable adjustment of the allocation specified under paragraph (c) (2)(i) or (2)(ii) of this section if the sum of the corporate taxable incomes or separate return taxes of all members of the group in any taxable year differs from the consolidated taxable income or tax because of intercompany transactions excluded from the consolidated return. It shall provide for appropriate and equitable adjustment of the allocation specified under paragraph (c)(2)(ii) to the extent that the consolidated tax and separate return tax for any year include material items taxed at different rates or involving other special benefits or limitations. Such adjustments will be directed to allocating to the individual members of the group the material effects of any particular features of the tax law applicable to them.

(4) The tax agreement may exclude from the allocation under paragraph (c)(2)(i) of this section associate companies not having a positive corporate taxable income for the year being allocated, or under paragraph (c)(2)(ii) of this section associate companies not having a positive separate return tax for the year being allocated. An agreement under this paragraph shall make appropriate and equitable provision for preserving to each subsidiary company so excluded the equivalent of any rights which such company would have had, under the applicable tax law, had

§ 250.46

it filed a separate return, to use in other years any loss or credit availed of by the group through the consolidated return. With respect to carryover rights, such provisions will normally consist of recognition of the carryover in future allocations by reducing the consolidated tax allocation in the subsequent year of the subsidiary company entitled to the benefit, and by charging the excess to the companies which had benefited by the prior deduction or credit. In the case of a carryback, the excluded subsidiary company should normally be paid the amount of refund to which it would have been entitled had it filed a separate return.

(5) The agreement may, instead of excluding members as provided in paragraph (c)(4), include all members of the group in the tax allocation, recognizing negative corporate taxable income or a negative corporate tax, according to the allocation method chosen. An agreement under this paragraph shall provide that those associate companies with a positive allocation will pay the amount allocated and those subsidiary companies with a negative allocation will receive current payment of their corporate tax credits. The agreement shall provide a method for apportioning such payments, and for carrying over uncompensated benefits, if the consolidated loss is too large to be used in full. Such method may assign priorities to specified kinds of benefits.

(6) The tax agreement for each taxable year shall be filed as an exhibit to the system's annual report on Form U5S (§259.5s of this chapter) for the previous taxable year. The initial filing after the effective date of this amendment shall be made as an amendment to the last Form U5S filed. If an existing tax agreement is merely renewed or amended, prior filings may be incorporated by reference. Amendments to a tax agreement shall be filed as an amendment to the Form U5S. Any amendment which would alter the allocation to any associate company for any period preceding its adoption shall be conditioned on approval by the Commission if the Commission directs, within 60 days after its filing, that it

be deemed to be a declaration under Rule 45(a).

[Rule U, 6 FR 2015, Apr. 19, 1941, as amended at 20 FR 488, Jan. 21, 1955; 46 FR 18534, Mar. 25, 1981; 52 FR 48986, Dec. 29, 1987; 62 FR 7915, Feb. 20, 1997; 63 FR 9741, Feb. 26, 1998]

§ 250.46 Dividend declarations and payments on certain indebtedness.

(a) *Dividends.* No registered holding company or subsidiary thereof shall declare or pay any dividend on any security of such company out of capital or unearned surplus, except pursuant to a declaration notifying the Commission of the proposed transaction, which has become effective in accordance with the procedure specified in §250.23, and pursuant to the order of the Commission with respect to such declaration under the applicable provisions of the act.

(b) *Payments on certain indebtedness.* No registered holding company or subsidiary company thereof shall, directly or indirectly, make any payment of principal or interest on any note, bond, book account or any indebtedness however evidenced which is or was issued as, or based upon a dividend or dividends created or issued or declared from, or charged against, capital or unearned surplus, or in renewal of, or in exchange for any such obligation, whether such dividend was declared before or after the act took effect, except pursuant to a declaration notifying the Commission of the proposed transaction, which has become effective in accordance with the procedure specified in §250.23, and pursuant to the order of the Commission with respect to such declaration under the applicable provisions of the Act. In determining whether proposed payments on any such indebtedness issued or declared as a dividend in part out of earned surplus and in part out of capital or unearned surplus, or issued in renewal of, or in exchange for, such indebtedness, fall within this paragraph, past payments on account of such indebtedness or any predecessor indebtedness shall be deemed to have been first applied in reduction of the portion of such indebtedness issued or declared as a dividend out of earned surplus.

§ 250.47 Exemption of public utility subsidiaries as to certain securities issued to the Rural Electrification Administration.

(a) *Exemption.* Any public utility company which is a subsidiary company of a registered holding company shall be exempt from the obligations, duties, or liabilities imposed by the act or any rule thereunder, on such company as a subsidiary company, with respect to the issue and sale to the Rural Electrification Administration, of any security of which it is the issuer in an amount not exceeding in any one calendar year 2 percent of the aggregate of the outstanding funded indebtedness plus the capital and surplus accounts of the issuer as of the end of the prior calendar year. Such company shall also be exempt with respect to the pledge of any security or other property as collateral for any security so issued or sold, and with respect to the redemption or retirement, in whole or in part, of any such security.

(b) *Certificate of notification.* Within 10 days after the issue or sale of any security exempt under this section, the issuer shall file with the Commission a certificate of notification on Form U-6B-2 containing the information prescribed by that form.

§ 250.48 Certain exemptions in connection with appliance sales and loans to officers or employees.

(a)(1) *Exemptions in connection with appliance sales.* Any public utility company, or subsidiary thereof, or associate service company thereof, shall be exempt from section 9(a) of the Act (49 Stat. 817; 15 U.S.C. 79i) with respect to the acquisition, in the ordinary course of business, of any evidence of indebtedness executed by customers of such public utility company as consideration for the purchase (whether from such public utility company, from an associate company thereof, or from dealers) of standard electric or gas appliances, or reacquisition of any such security guaranteed by such company.

(2) *Guarantee.* Any public utility company, or subsidiary thereof, or associate service company thereof, shall be exempt from the provisions of section 6(a) of the Act (49 Stat. 814; 15 U.S.C. 79f) and of § 250.44 with respect to the

guarantee, by endorsement or otherwise, and sale of any such customers' evidence of indebtedness. This paragraph shall be inapplicable to any company which is a registered holding company.⁴

(3) *Issuance of note.* Any public utility company, or subsidiary thereof, or associated service company thereof, shall be exempt from the provisions of section 6(a) of the Act with respect to the issue or sale of any note or draft which is, and at all times will be, secured by a pledge of such customers' evidence of indebtedness having a principal amount still unpaid at least equal to the unpaid principal amount of such note or draft. This paragraph shall be inapplicable to any company which is a registered holding company.⁴

(4) *Acquisition of guaranteed paper or retirement of notes.* Any public utility company, or subsidiary thereof, or associate service company thereof, shall be exempt from section 9(a) of the Act and § 250.42 with respect to the acquisition, retirement or redemption of any note or draft or customers' evidence of indebtedness issued or guaranteed by such company under the circumstances described in paragraph (b) or (c) of this section.

(b) *Exemption in connection with loans to employees.* Each registered holding company and any subsidiary company thereof is exempted from section 9(a)(1) of the Act (49 Stat. 817; 15 U.S.C. 79i) with respect to the acquisition of any evidence of indebtedness from its employee in consideration of a loan made to such employee and each subsidiary of a registered holding company is exempted from section 6(a) of the Act (49 Stat. 814; 15 U.S.C. 79f) with respect to the guarantee of indebtedness of its employee:

(1) If such transaction is made pursuant to a personnel policy of general application adopted in writing by the board of directors of such company, or by a committee or executive officer authorized by the board of directors so to act and communicated to the class of

(2) The exemption also extends to securities or guarantees incident to bona fide advances to the employee for travel or other reimbursable expenses and current indebtedness of the employee for goods or services sold by the system companies in the ordinary course of business.

(3) Each company intending to avail itself of this exemption subsequent to the effective date of this rule shall file, as an exhibit or as an amendment to the system's annual report on Form U5S, a copy of such personnel policy.

As used in this rule, the term "employee" includes an officer and does not include a director who is not an officer or employee; and the term "guarantee" includes the assumption of an indebtedness or of an obligation to purchase such indebtedness or otherwise to provide a means of payment if the primary obligor fails to pay.

§ 250.50 [Reserved]

§ 250.51 Acquisitions pursuant to preliminary agreements and invitation for tenders.

For the purpose of section 9(a) of the Act, the term "acquire" is defined to include the making of a contract or agreement (herein called Preliminary Agreement) pursuant to which a person subject to section 9(a) (of the Act) (herein called the Proposed Acquirer) contingently or otherwise acquires any right or becomes subject to any obligation to acquire directly or indirectly any securities or utility assets or any other interest in any business, or to direct any other person to make any sale or acquisition of any securities or utility assets or any other interest in any business. Except where an exemption from section 9(a) (of the Act) may be applicable, the making of such Preliminary Agreement or the taking of any action in connection therewith, without prior approval of the Commission, by any person so subject to section 9(a) (of the Act) shall be deemed unlawful, unless all of the following conditions are satisfied:

(a) The transaction contemplated by the Preliminary Agreement is expressly conditioned on Commission approval and the application for such approval is filed with the Commission as soon as practicable.

(b) No standby, option, or similar fee is paid or payable by or on behalf of the Proposed Acquirer as consideration for the Preliminary Agreement.

(c) The Proposed Acquirer does not indemnify or agree to indemnify any person against any market or investment risk in connection with such person's acquisition, retention or disposition of the subject matter of the proposed acquisition.

(d) The Proposed Acquirer does not transfer to any person (other than a subsidiary or successor in interest by merger or consolidation), by way of assignment or otherwise, any of its rights or interests in respect of the subject matter of the proposed acquisition unless such transfer is conditioned upon consummation of the Preliminary Agreement following its approval by the Commission.

(e) In case a proposed transaction includes an acquisition of securities pursuant to an invitation for tenders to be made prior to the approval of such acquisition, provision shall be made that any person tendering such securities (the Tenderer) may demand in writing the return of any deposited securities at any time after 60 days from the initial mailing or publication of the invitation for tenders unless prior to the receipt of such demand either (1) the proposed acquisition has been approved by the Commission and the Proposed Acquirer is obligated to consummate the transaction or (2) the Tenderer has been issued a transferable certificate of deposit which meets the conditions specified in paragraph (f) of this section.

(f) A transferable certificate of deposit for purposes of paragraph (e) of this section may be issued in exchange for tendered securities subject to the following conditions:

(1) The terms of the certificate of deposit as proposed to be issued are specified in the invitations for tenders, including equitable provisions for return of the tendered securities in the event the proposed transaction is not approved by the Commission or otherwise fails of consummation, for exercise of voting rights and for receipt of dividends or interest by the Tenderer during the deposit period.

§ 250.52

17 CFR Ch. II (4-1-04 Edition)

(2) The Proposed Acquirer files with the Commission an application-declaration proposing the issuance of such certificates of deposit in exchange for tendered securities.

(3) Upon notice and after a hearing which shall be limited to the fairness of the terms and conditions of such issuance and exchange and to compliance with the conditions of this Rule, the Commission in its discretion may by order permit such issuance and exchange on such terms and conditions as it shall approve. Any person to whom it is proposed to issue a certificate of deposit shall be entitled to appear at such hearing.

(4) If the terms and conditions specified in the certificates of deposit to be issued pursuant to order of the Commission differ from those specified in the invitation for tenders previously published by the Proposed Acquirer, the Commission may in such order require the Proposed Acquirer to give notice thereof by mail (and publication if deemed appropriate) to all persons who have tendered their securities and to provide up to 20 days after mailing of such notice for any such person to elect, in a manner prescribed by the Commission, either to continue to or revoke his tender. The terms and conditions specified in the certificates of deposit may be modified only pursuant to order of the Commission.

§ 250.52 Exemption of issue and sale of certain securities.

(a) Any registered holding-company subsidiary which is itself a public-utility company shall be exempt from section 6(a) of the Act (15 U.S.C. 79f(a)) and rules thereunder with respect to the issue and sale of any security, of which it is the issuer if:

(1) The issue and sale of the security are solely for the purpose of financing the business of the public-utility subsidiary company;

(2) The issue and sale of the security have been expressly authorized by the state commission of the state in which the subsidiary company is organized and doing business; and

(3) The interest rates and maturity dates of any debt security issued to an associate company are designed to par-

allel the effective cost of capital of that associate company.

(b) Any subsidiary of a registered holding company which is not a holding company, a public-utility company, an investment company, or a fiscal or financing agency of a holding company, a public-utility company or an investment company shall be exempt from section 6(a) of the Act (15 U.S.C. 79f(a)) and related rules with respect to the issue and sale of any security of which it is the issuer if:

(1) The issue and sale of the security are solely for the purpose of financing the existing business of the subsidiary company; and

(2) The interest rates and maturity dates of any debt security issued to an associate company are designed to parallel the effective cost of capital of that associate company; *Provided*, That any security issued to an associate company by any energy-related company subsidiary, as defined in §250.58, shall not be exempt under these provisions unless, after giving effect to the issue of the security, the aggregate investment by a registered holding company or its subsidiary in the energy-related company subsidiary and all other energy-related company subsidiaries does not exceed the limitation in §250.58(a)(1).

(c) Within ten days after the issue or sale of any security exempt under this section, the issuer or seller shall file with the Commission a Certificate of Notification on Form U-6B-2 (17 CFR 259.206) containing the information prescribed by that form. However, with respect to exempt financing transactions between associate companies which involve the repetitive issue or sale of securities or are part of an intrasystem financing program involving the issuance and sale of securities not exempted by this section, the filing of information on Form U-6B-2 may be done on a calendar quarterly basis.

(d) The acquisition by a company in a registered holding company system of any security issued and sold by any associate company, pursuant to this section, is exempt from the requirements of section 9(a) of the Act (15 U.S.C. 79i(a)); provided that the exemption granted by this paragraph (d) shall not apply to any transaction involving

the issue and sale of securities to form a new subsidiary company of a registered holding company.

(e) A copy of any Certificate of Notification on Form U-6B-2 (§259.206) that is filed with this Commission under this section with respect to any security issued by a subsidiary of a registered holding company under paragraph (b) of this section and acquired by a public-utility company that is an associate company of the issuer, shall be submitted concurrently to each state commission having jurisdiction over the retail rates of the public-utility company.

§ 250.53 Certain registered holding company financings in connection with the acquisition of one or more exempt wholesale generators.

(a) In determining whether to approve the issue or sale of a security by a registered holding company for purposes of financing the acquisition of an exempt wholesale generator, or the guarantee of a security of an exempt wholesale generator by a registered holding company, the Commission shall not make a finding that such security is not reasonably adapted to the earning power of such company or to the security structure of such company or companies in the same holding company system, or that the circumstances are such as to constitute the making of such guarantee an improper risk for such company, if the following conditions are met:

(1) Aggregate investment does not exceed 50% of the system's consolidated retained earnings.

(i) *Aggregate investment* means all amounts invested, or committed to be invested, in exempt wholesale generators and foreign utility companies, for which there is recourse, directly or indirectly, to the registered holding company. Among other things, the term includes, but is not limited to, preliminary development expenses that culminate in the acquisition of an exempt wholesale generator or a foreign utility company; and the fair market value of assets acquired by an exempt wholesale generator or a foreign utility company

from a system company (other than an exempt wholesale generator or a foreign utility company).

(ii) *Consolidated retained earnings* means the average of the consolidated retained earnings of the registered holding company system as reported for the four most recent quarterly periods on the holding company's Form 10-K or 10-Q (§249.308a or §249.310 of this chapter, respectively) filed under the Securities Exchange Act of 1934, as amended.

(2) The registered holding company maintains books and records to identify investments in and earnings from any exempt wholesale generator or foreign utility company in which it directly or indirectly holds an interest. In addition:

(i) For each United States exempt wholesale generator in which the registered holding company directly or indirectly holds an interest:

(A) The books and records of such entity shall be kept in conformity with United States generally accepted accounting principles ("GAAP").

(B) The financial statements shall be prepared according to GAAP.

(C) The registered holding company undertakes to provide the Commission access to such books and records and financial statements as the Commission may request.

(ii) For each foreign exempt wholesale generator or foreign utility company which is a majority-owned subsidiary company of the registered holding company:

(A) The books and records of such entity shall be kept in conformity with GAAP.

(B) The financial statements for such entity shall be prepared in conformity with GAAP.

(C) The registered holding company undertakes to provide the Commission access to such books and records and financial statements, or copies thereof, in English, as the Commission may request.

(D) For purposes of this section, a "majority-owned subsidiary company" is one in which the registered holding company directly or indirectly owns more than 50% of the voting securities.

§ 250.53

17 CFR Ch. II (4-1-04 Edition)

(iii) For each foreign exempt wholesale generator or foreign utility company in which the registered holding company directly or indirectly owns 50% or less of the voting securities, the registered holding company shall proceed in good faith, to the extent reasonable under the circumstances, to cause:

(A) The books and records of such entity to be kept in conformity with GAAP; provided, that if the books and records are maintained according to a comprehensive body of accounting principles other than GAAP, the registered holding company shall, upon request, describe and quantify each material variation from GAAP in the accounting principles, practices and methods used to maintain the books and records.

(B) The financial statements for such entity to be prepared according to GAAP; provided, that if the financial statements are prepared according to a comprehensive body of accounting principles other than GAAP, the registered holding company shall, upon request, describe and quantify each material variation from GAAP in the balance sheet line items and net income reported in the financial statements.

(C) Access by the Commission to such books and records and financial statements, or copies thereof, in English, as the Commission may request; provided, that in any event, the registered holding company shall make available to the Commission any books and records of the foreign exempt wholesale generator or foreign utility company that are available to the registered holding company.

(3) No more than two percent of the employees of the system's domestic public-utility companies render services, at any one time, directly or indirectly, to exempt wholesale generators or foreign utility companies in which the registered holding company, directly or indirectly, holds an interest; provided, that the Commission has previously approved the rendering of such services.

(4) The registered holding company simultaneously submits a copy of any Form U-1 (17 CFR 259.101) and certificate under section 250.24 filed with the Commission under this section, as well

as a copy of Item 9 of Form U5S (17 CFR 259.5s) and Exhibits G and H thereof with every federal, state or local regulator having jurisdiction over the retail rates of any affected public-utility company.

(b) Notwithstanding the foregoing provisions, the section shall not be available if:

(1) The registered holding company, or any subsidiary company having assets with book value exceeding an amount equal to 10% or more of consolidated retained earnings, has been the subject of a bankruptcy or similar proceeding, unless a plan of reorganization has been confirmed in such proceeding; or

(2) The average consolidated retained earnings for the four most recent quarterly periods have decreased by 10% from the average for the previous four quarterly periods and the aggregate investment in exempt wholesale generators and foreign utility companies exceeds two percent of total capital invested in utility operations; provided, this restriction will cease to apply once consolidated retained earnings have returned to their pre-loss level; or

(3) In the previous fiscal year, the registered holding company reported operating losses attributable to its direct or indirect investments in exempt wholesale generators and foreign utility companies, and such losses exceed an amount equal to 5% of consolidated retained earnings.

(c) An applicant that is unable to satisfy the requirements of paragraphs (a) and (b) of this section must affirmatively demonstrate that the proposed issue and sale of a security to finance the acquisition of an exempt wholesale generator, or the guarantee of a security of an exempt wholesale generator:

(1) Will not have a substantial adverse impact upon the financial integrity of the registered holding company system; and

(2) Will not have an adverse impact on any utility subsidiary of the registered holding company, or its customers, or on the ability of State commissions to protect such subsidiary or customers.

(d) The Commission shall issue an order with respect to a proposed transaction under section 32(h)(3) of the Act

Securities and Exchange Commission

within 120 days of completion of the record concerning such issue, sale or guarantee.

§ 250.54 Effect of exempt wholesale generators on other transactions.

In determining whether to approve the issue or sale of a security by a registered holding company for purposes other than the acquisition of an exempt wholesale generator or a foreign utility company, or other transactions by such registered holding company or its subsidiaries other than with respect to exempt wholesale generators or foreign utility companies, the Commission shall not consider the effect of the capitalization or earnings of any subsidiary which is an exempt wholesale generator or a foreign utility company upon the registered holding company system if § 250.53 (a), (b) and (c) are satisfied.

[58 FR 51505, Oct. 1, 1993]

§ 250.57 Notices and reports to be filed under section 33.

(a) *Notification of Status as Foreign Utility Company.* Form U-57 (§ 259.207 of this chapter), notification of status as a foreign utility company, may be filed by, or on behalf of, an entity that seeks to become a foreign utility company. If the criteria of section 33 of the Act are otherwise met, the entity shall be deemed to be a foreign utility company upon the filing of such form.

(b) *Reporting Requirement for Associate Public-Utility Companies.* A United States public-utility company that is an associate company of a foreign utility company shall file with the Commission a report on Form U-33-S (§ 259.405 of this chapter) on or before May 1 of each year. This requirement shall not apply to public-utility companies that are subsidiaries of a registered holding company or of a holding company that is exempt from registration under section 3(a) (1) or (2) of the Act, pursuant to section 250.2. In addition, a holding company that is exempt from registration by Commission order may file a single Form U-33-S on behalf of all of its public-utility subsidiaries.

The solicitation of any authorization regarding any security of a registered holding company or subsidiary company thereof, except solicitations in connection with any reorganization subject to the approval of the Commission, or in connection with any other transaction which is or will be the subject of any application or declaration filed with the Commission, shall be subject to all rules and regulations now or hereafter adopted pursuant to section 14(a) of the Securities Exchange Act of 1934 (48 Stat. 895; 15 U.S.C. 78n) that would be applicable to such solicitation if such security were registered on a national securities exchange: *Provided*, That unless such security is actually registered on a national securities exchange, no documents need be filed with any such exchange in connection with such solicitation.

[6 FR 5485, Oct. 28, 1941]

§ 250.62 Solicitations in connection with a reorganization or transaction which is the subject of an application or declaration.

(a) *General provisions.* No solicitation of any authorization, regarding any security of a registered holding company or a subsidiary company thereof, in connection with any reorganization subject to the approval of the Commission, or in connection with any other transaction which is or will be the sub-

ject of an application or declaration filed with the Commission, shall be made except pursuant to a declaration with respect to such solicitation which has become effective in the manner prescribed in paragraph (d) of this section.

(b) *Exceptions*—(1) *Solicitations of a limited number.* Paragraph (a) of this section shall not apply to a solicitation of not more than 15 owners of securities or claims (or of such larger number as the Commission for cause shown may, by order, authorize in any case) by any person, either alone or in cooperation or conjunction with others. For the purpose of computing such number of owners, all persons having any legal or beneficial interest in any specific security or claim shall be counted as only a single owner.

(2) *Depositaries.* Action merely as a depositary or custodian of securities solicited by others shall not be subject to paragraph (a) of this section and the depositary or custodian shall be under no duty to ascertain that there has been compliance with this section by others.

(c) *Contents of declaration.* Every declaration pursuant to this section shall, if in connection with any reorganization, be filed on Form U-R-1. Every other declaration subject to this section may be filed in connection with the application or declaration with respect to the proposed transaction, and shall contain, in addition to the information otherwise specified in such application or declaration, copies of any letters of solicitation proposed to be used, copies of all other documents proposed to be transmitted with such letter of solicitation, and a full statement of the manner in which the solicitation is proposed to be made.

(d) *Effective date.* A declaration as to a solicitation in connection with a reorganization shall, unless the Commission shall order a hearing thereon, become effective on (1) the 11th day after the filing thereof, or the 4th day (excluding Saturdays, Sundays and holidays) after the filing of the last amendment thereto, whichever is the later; or (2) such earlier date as the Commission

may, upon a showing of unusual circumstances, permit in writing or otherwise; or (3) such later date as declarant may designate in such declaration, in any amendment thereto, or in written notice to the Commission. Any other declaration shall, unless otherwise ordered by the Commission or unless the Commission shall order a hearing thereon, become effective at the same time as the application or declaration with respect to the proposed transaction; post-amendments to such declarations shall become effective on the 4th day (excluding Saturdays, Sundays and holidays) after the filing thereof unless otherwise therein provided or unless an order for hearing is issued by the Commission.

(e) *Order for hearing.* If the Commission shall issue an order for hearing on a declaration under this section, such declaration shall become effective only pursuant to the further order of the Commission and subject to such terms and conditions as the Commission may prescribe.

(f) *Supplementary solicitations.* The text of any supplementary or follow-up letters of solicitation or reports, or statements of account shall be filed as post-amendments to a declaration and shall be subject to the same requirements as other amendments to declarations, except that no declaration or post-amendment need be filed with respect to supplementary or follow-up letters which do not include financial or other information or representations and which merely call attention to prior solicitations and urge action in accordance therewith, or with respect to replies to persons making specific inquiries asking for further explanation as to details of such solicitation.

(g) *Conditions imposed on persons making solicitations.* (1) All persons who make any solicitation subject to this section shall submit, if so directed by the Commission annual reports and statements of accounts to the persons from whom authorizations are procured.

(2) No securities of the company or companies in reorganization, or of any subsidiary of such company, or of any other associate company thereof which may be affected by the reorganization,

shall be bought or sold by or for the account of (whether as principal, agent, trustee, or otherwise) any of the persons specified in paragraphs (g)(2) (i) to (v) of this section, or in any transaction in which any such person has any beneficial interest, direct or indirect; nor shall any investment advice with respect to any such securities be given, directly or indirectly, by:

(i) Any person who makes any solicitation subject to this section; or

(iv) Any company as so defined of which any person specified in paragraph (g)(2) (i) or (ii) of this section is an officer, director, partner, or employee; or

(v) Any person who is a partner or employer of any person specified in paragraph (g)(2) (i) or (ii) of this section. No person shall make any solicitation subject to this section, or act in connection with any committee or other organization formed to act under the authorization so solicited, in the event of noncompliance with the conditions of paragraph (g)(2) of this section on the part of any such person or of any company having the relation to such person specified in paragraphs (g)(2) (iii) and (iv) of this section, or of any partner or employer of such person.

(h) *Required terms of authorizations.* No authorization shall be solicited in connection with a reorganization unless the document evidencing such authorization:

(1) Provides for compliance by the person soliciting with paragraph (g) of this section; and

(2) Except as otherwise prescribed by order of the Commission, provides for the unconditional right to revoke or cancel the authority granted, without expense, at any time before such authority has been conclusively exercised; and

(3) Except in the case of a document which only evidences consent to or dissent from a specific reorganization plan, provides that no authority is granted with respect to consenting to or dissenting from any reorganization plan.

(i) *Deposits.* No solicitation of deposits of securities shall be made except in accordance with an order of the Commission pursuant to an application showing the necessity for such deposits and of any terms and conditions imposed in the deposit agreement.

(j) *Solicitation of several classes of security holders.* The solicitation of authorizations by one person, group of persons, or committee shall not be made for more than one class of securities without the approval of the Commission, by order upon application, which application shall set forth facts showing that no material conflict of interest exists between the different classes of security holders concerning the subject matter of the solicitation.

(a) Every registered holding company shall be exempt from the provisions of section 13 (49 Stat. 825; 15 U.S.C. 79m) and the rules and regulations adopted thereunder for a period of 30 days after the date when such company shall first become a registered holding company, and every subsidiary of such a registered holding company and every company principally engaged in performing services or construction for, or making sales to, associates of such reg-

(b) No form is prescribed therefor, but every such application shall comply with the provisions of § 250.20. Every such application shall fully set forth information regarding ownership of security issues, servicing activities of the applicant, and such other data as may be necessary to enable the Commission to determine if, by reason of the lack of any major interest of holders of securities offered in the United States in servicing arrangements affecting such serviced subsidiaries, or for any other reason, such an application for exemption should be granted as necessary or appropriate in the public interest or for the protection of investors.

(c) Upon filing such an application in good faith, the applicant shall be entitled to a temporary exemption from all provisions of section 13(b) of the Act, and the rules and regulations promulgated thereunder, as to which an exemption is sought, pending action by the Commission upon the application.

(d) Any subsidiary company of a registered holding company (including a mutual service company) may perform service, sales, or construction contracts for any associate company which does not derive, directly or indirectly, any material part of its income from sources within the United States and which is not a public utility company operating within the United

States without complying with the standards established by section 13(b) of the Act, and the rules and regulations thereunder, and without the necessity of filing an application for or securing an order of exemption from those standards, so long as the aggregate cost to all such associate companies for services, sales, or construction performed by virtue of the exemption granted by this paragraph (whether performed by one or more subsidiary companies or mutual service companies in the same holding company system) does not exceed \$10,000 within any one calendar year.

§ 250.84 Prohibition of unauthorized transactions by registered holding companies.

Except as authorized by rule, regulation, or order of the Commission, no registered holding company shall—whether or not pursuant to a contract heretofore or hereafter entered into—perform any service or construction for, or sell any goods to, any associate company thereof which is a public utility company, a mutual service company, or a company engaged in the business of performing services or construction for, or selling goods to, associate public utility companies, or enter into any contract to do so.

§ 250.85 Service, sales, and construction by registered holding companies.

(b) Such services, construction, or goods are reasonably required by such associate to meet a break-down or other emergency, and the parties believe in good faith that, under the conditions then existing, such transaction will be to the advantage of such associate; or

(c) Such transaction consists of performance of a contract made before August 26, 1935, for the construction of a specific project, building, or unit, pursuant to which contract substantial expenses were incurred before August 26, 1935; or

(d) Such transaction consists of the sale, at not more than cost less depreciation, of goods purchased by such holding company for its own use; or

(e) Such transaction consists of a sale of goods which is merely incidental to a sale of an entire business or a substantial portion thereof, or to a sale of assets other than goods; or

(f) Such transaction, although not exempted by any of the foregoing paragraphs of this section, is not in the regular course of business of such holding company and does not involve a cost to the associate of more than \$2,500, including the cost of such associate of all previous transactions with such holding company consummated in the same fiscal year which were exempted only by this paragraph.

§ 250.86 Prohibition of unauthorized transactions by subsidiaries.

Except as authorized by rule, regulation, or order of the Commission, no subsidiary company (including a mutual service company) of a registered holding company shall—whether or not pursuant to a contract heretofore or hereafter entered into—perform any service or construction for, or sell any goods to, any associate company thereof, or enter into any contract to do so.

§ 250.87 Subsidiaries authorized to perform services or construction or to sell goods.

(a) Subject to compliance with the provisions of such rules, regulations, or orders of the Commission as may be applicable (including § 250.90), the following classes of subsidiary companies of registered holding companies may perform services or construction for, or sell goods to, associate companies thereof:

(1) An approved mutual service company.

(2) A subsidiary company whose organization and conduct of business the Commission has found, pursuant to § 250.88, sufficient to meet the requirements of section 13(b) of the Act.

(3) A subsidiary company which is principally engaged in the business of an operating electric or gas utility company, or any business or businesses other than that of selling goods to associate companies, that of performing services or construction, that of a holding company of fiscal or financing agency of a holding company, or that of an investment company or investment trust; and which, incidentally to such business, performs such services or construction or sells such goods.

(b) Any subsidiary of a registered holding company, whether or not it is a company specified in paragraph (a) (1), (2), or (3) of this section, may perform services or construction for; or sell goods to, an associate company thereof if:

(1) Such associate company is not an electric or gas utility company and is principally engaged in a business or businesses other than that of a holding company or fiscal or financing agency of a holding company, or that of an investment company or investment trust; or

(2) Such services, construction, or goods are reasonably required by such associate to meet a break-down or other emergency, and the parties believe in good faith that, under the conditions then existing, such transaction will be to the advantage of such associate; or

(3) Such transaction consists of performance of a contract made before August 26, 1935, for the construction of a specific project, building, or unit,

§ 250.88

17 CFR Ch. II (4-1-04 Edition)

pursuant to which contract substantial expenses were incurred before August 26, 1935; or

(4) Such transaction consists of the sale, at not more than cost less depreciation, of goods purchased by such subsidiary company for its own use; or

(5) Such transaction consists of a sale of goods which is merely incidental to a sale of an entire business or a substantial portion thereof, or to a sale of assets other than goods; or

(6) Such transaction consists of a sale of goods produced by the seller.

(c) This section shall not be applicable to a subsidiary which is itself a registered holding company. Such a company may perform services or construction for, or sell goods to, associate companies as provided in § 250.85.

§ 250.88 Approval of mutual service companies; organization and conduct of business of subsidiary service companies.

(a) Application for approval of a company as a mutual service company shall be filed by the company, or the persons proposing to organize it, with the Commission on Form U-13-1, as specified in the instructions for that form. The Commission will not approve any company as a mutual service company unless it finds that the company is so organized as to capitalization, ownership by, and representation of, member companies, costs, revenues, and the sharing thereof, and other matters as reasonably to insure the efficient and economical performance of services or construction or sale of goods by the company for or to its member companies, at cost fairly and equitably allocated among them and at a reasonable saving over the cost of comparable services or construction performed or goods sold by independent persons.

(b) A finding by the Commission that a subsidiary company of a registered holding company (other than a mutual service company) is so organized and conducted or to be conducted, as to meet the requirements of section 13(b) of the Act (49 Stat. 825; 15 U.S.C. 79m) with respect to reasonable assurance of efficient and economical performance of services or construction or sale of goods for the benefit of associate com-

panies, at cost fairly and equitably allocated among them (or as permitted by § 250.90), will be made only pursuant to a declaration filed with the Commission on Form U-13-1, as specified in the instructions for that form, by such company or the persons proposing to organize it.

(c) Within a reasonable time after the filing of an application for approval of a mutual service company, the Commission shall, after notice and opportunity for hearing, enter an order granting or refusing approval or otherwise disposing of the application.

(d) Within a reasonable time after the filing of a declaration with respect to the organization and conduct of business of a subsidiary service company, the Commission shall, after notice and opportunity for hearing, enter an order finding that the company's organization and conduct of business meet the requirements of section 13(b) of the Act, or refusing so to find, or otherwise disposing of the declaration.

(e) Unless the Commission shall otherwise by order provide, the approval of a mutual service company, or the finding that a subsidiary service company's organization and conduct of business are sufficient to meet the requirements of section 13(b) of the Act, shall continue in effect until the Commission, after notice and opportunity for hearing, shall find that the conditions which led to such approval or finding are not satisfied or shall find that the company in question has persistently violated a provision of section 13 of the Act, or of any rule, regulation, or order of the Commission.

§ 250.89 Termination of contracts.

Every service, sales, or construction contract made after April 1, 1936, between a registered holding company and an associate company thereof which is a public utility company, a mutual service company, or a company engaged in the business of performing services or construction for, or selling goods to, associate public utility companies, or between a subsidiary company of a registered holding company (including a mutual service company) and any associate company thereof, shall contain provision for its termination to the extent that performance

Securities and Exchange Commission

§ 250.91

may conflict with any rule, regulation or order of the Commission adopted before or after the making of such contract.

§ 250.90 Transactions limited to cost.

(a) Except as permitted by this section, or any other applicable rule, regulation, or order of the Commission:

(1) No registered holding company shall perform any service or construction for, or sell any goods to, any associate company thereof which is a public utility company, a mutual service company, or a company engaged in the business of performing service or construction for, or selling goods to, associate public utility companies, or enter into any contract to do so, and

(2) No subsidiary company of a registered holding company (including a mutual service company) shall perform any service or construction for, or sell any goods to, any associate company thereof, or enter into any contract to do so, at more than cost as determined pursuant to § 250.91 or any other applicable rule, regulation, or order of the Commission, or in the absence thereof, in accordance with sound methods of determining cost. In the case of a sale of used goods the price shall be not more than cost less depreciation. Any charges on a basis of estimated cost shall be readjusted to actual cost at least annually, if for services or goods, and upon completion of individual projects, in case of construction.

(b) In the case of construction for an associate company of a specific project, building, or unit on which substantial expenses were incurred before August 26, 1935, pursuant to a contract made before that date, the holding company or subsidiary performing the construction shall be entitled to the proportion of its profit or fee earned prior to April 1, 1936.

(c) If a sale of goods is merely incidental to a sale of an entire business or a substantial portion thereof, or to a sale of assets other than goods, a lump sum price for the entire transaction may include such goods without the assignment of a specific portion of the price to the cost of such goods.

(d) The price of services, construction, or goods need not be limited to cost although the transaction comes

within the terms of paragraph (a) of this section if:

(1) Neither the company performing the services or construction, or selling the goods, nor the associate company receiving such services or construction, or buying such goods, is (i) a public utility or holding company, (ii) an investment company or investment trust, including any company or trust which is a medium of investment in securities for the benefit of a registered holding company or its employees or officers, or (iii) a company engaged in the business of selling goods to associate companies or performing services or construction, or (iv) a company controlling, directly or indirectly, any company specified in paragraph (d)(1) (i), (ii), or (iii) of this section; or

(2) Such transaction consists of a sale of goods produced by the seller.

§ 250.91 Determination of cost.

(a) Subject to the provisions of this section and of any other applicable rule, regulation, or order of the Commission, a transaction shall be deemed to be performed at not more than cost if the price (taking into account all charges) does not exceed a fair and equitable allocation of expenses (including the price paid for goods) plus reasonable compensation for necessary capital procured through the issuance of capital stock (or similar securities of an unincorporated company).

(b) Direct charges shall be made so far as costs can be identified and related to the particular transactions involved without excessive effort or expense. Other elements of cost, including taxes, interest, other overhead, and compensation for the use of capital procured by the issuance of capital stock (or similar securities of an unincorporated company) shall be fairly and equitably allocated. Interest on borrowed capital and compensation for the use of capital shall represent a reasonable return on only the amount of capital reasonably necessary for the performance of services or construction for, or the selling of goods to, customers for whom transactions are required by the rules of the Commission to be performed at cost. Such amount

§ 250.92

shall not include the cost of assignment of, or any capitalization of, any service, sales, or construction contract.

(c) Any expense (including the price paid for goods) incurred in a transaction with an associate company of the performing or selling company (directly or through one or more other associate companies thereof), to the extent that it exceeds the cost of such transaction to such associate company, shall not be included in determining cost to such performing or selling company.

(d) Any expense (including the price paid for goods) incurred in a transaction with a person other than an associate company but not at arm's-length, to the extent that it exceeds the expense at which the performing or selling company might reasonably be expected to obtain elsewhere, or to furnish itself, comparable performance, goods, capital, or other items of expense involved (giving due regard to quality, quantity, regularity of supply, and other factors entering into the calculation of a fair price), shall not be included in determining cost to such performing or selling company.

§ 250.92 Sales of goods produced by seller.

§ 256.00-1 Preface.

(a) The accompanying Uniform System of Accounts for Mutual Service and Subsidiary Service Companies represents a modernization of the accounting system for such companies to provide a detailed system of accounts which is tailored to present and expanded services, including data processing, modeling, rate analysis, system analysis, budgeting and other support services such as fuel management and analysis, being rendered by such companies. This Uniform System of Accounts is not applicable to gas or electric utility companies, or companies primarily engaged (1) in production of goods, including exploration and development of fuel resources, (2) in the provision of water, telephone, or similar services, the sale of which is normally subject to public rate regulation, (3) in provision of transportation, whether or not so regulated, or (4) in the ownership of property, including leased property and fuel reserves, for the use of associate companies.

(b) It has been the Commission's task to provide a system comprehensive enough to cover the traditional services and the present services being performed by such companies, yet elastic

§ 256.01-1

17 CFR Ch. II (4-1-04 Edition)

enough to permit adaptation to varying requirements; a system which, faithfully applied, will provide information essential in the administration of section 13 of the Public Utility Holding Company Act of 1935, will be workable and reasonably simple from an operating viewpoint, and free from unnecessary complexities or burdensome requirements which might render it incompatible with the interests of investors or consumers.

(c) This Uniform System of Accounts requires the service company to (1) design subaccounts and keep memorandum and time records to facilitate the preparation of reports and statements required by regulatory commissions and the conduct of audit and account inspection programs, (2) establish a work order system to accumulate reimbursable costs and charges to customers, and (3) account for compensation for use of capital, if paid.

(d) Credits to the accounts or memorandum records may be made upon the basis of estimated costs to associate companies which shall conform as nearly as may be practicable to actual costs: *Provided*, That at stated intervals adjustments of the estimated costs to actual costs shall be made. Invoices to associate companies shall clearly indicate any adjustments to estimated cost previously billed. Such adjustments may be made at intervals during the fiscal year, but final adjustments shall be made at the end of such year. Overbillings or underbillings arising from these adjustments shall be cleared through the appropriate account and offset by adjustments to other accounts involved.

(e) The "expense" accounts provided have been designed to show the cost of each general class of service furnished by the service company and with a view toward securing an equitable allocation thereof to the associate companies served.

(f) Consideration was given in the preparation of this system to the necessity of providing for a more detailed classification of service costs in order to permit these costs to be identified with the functional processes of the associate companies served. In this connection, each service company shall maintain a work order system for accu-

mulating reimbursable costs and charges to customers and maintain time records for all service company employees in order to support the accounting allocation of all expenses assignable to the types of services performed and chargeable to the companies served.

(g) It is believed that the results to be obtained from the system now prescribed, together with the more detailed information to be called for in the annual reports, will provide a better basis for identifying cost than is presently available.

§ 256.01-1 Companies for which this system of accounts is prescribed.

(a) This Uniform System of Accounts is designed for use by: (1) Any company operating, or organized to operate, as a mutual service company under the provisions of section 13 of the Public Utility Holding Company Act of 1935, and (2) any subsidiary company whose organization and conduct of business the Commission has found to meet the requirements of section 13(b) of the Public Utility Holding Company Act of 1935, with respect to the performance of services or construction work for, or the sale of goods to, associate companies.

(b) This Uniform System of Accounts is not applicable to gas or electric utility companies; or companies primarily engaged (1) in production of goods, including exploration and development of fuel resources, (2) in the provision of water, telephone, or similar services, the sale of which is normally subject to public rate regulation, (3) in provision of transportation, whether or not so regulated, or (4) in the ownership of property, including leased property and fuel reserves, for the use of associate companies.

§ 256.01-2 Application to service companies doing business with non-associate companies.

While this Uniform System of Accounts is designed for companies whose principal business is the performance of services or construction for associate companies at cost, it contemplates situations in which the service company may perform service or

construction for nonassociate companies in transactions in which charges are not limited to cost. In recognition of such charges account 458-4 is included in the "Income" group for "Excess or deficiency on servicing nonassociate companies." A deficiency incurred in a project deemed beneficial to the associate companies may be charged to associate companies subject to disallowance by a State or Federal Commission having jurisdiction over the rates or services of such associates. To the extent not so chargeable, or if disallowed, such a deficiency will be charged to account 458-4. In computing charges to associate companies for any fiscal year, any net credit in this account must be deducted from amounts reimbursable by associate companies as compensation for use of capital invested in the service company.

§ 256.01-3 General structure of accounting system.

(a) The accounts provided herein are in two general categories: Balance sheet accounts and income and expense accounts. Subsidiary accounts are provided for the details of account 101, Service company property.

(b) The income and expense accounts include, under separate divisions, accounts for recording the revenue or income earned or received and also appropriate accounts for all expenses of operation, maintenance, taxes, interest, all elements of cost allocable to the service performed, and compensation for the use of capital. Appropriate subdivisions or subaccounts should be provided for each service company department or division.

(c) All disbursements and expenses of the service company for service performed for associate companies are recoverable from such companies. In the interest of minimizing questions as to the propriety of charges for reimbursement, each service company shall maintain a work order system for accumulating all costs. To the maximum extent possible, such costs shall be accumulated by direct charges. All employees, including officers, of the service company shall keep, within reasonable cost benefit standards, time records which permit ready identification of the hours worked, account num-

bers charged, department work order number and other code designations that facilitate proper classification.

(d) The numbers to the right of the decimal point in most cases correspond with the respective account numbers in the Uniform System of Accounts for Public Utilities and Licensees (18 CFR Part 101) of the Federal Energy Regulatory Commission and shall be considered as parts of the account titles. Each service company, however, may adopt for its own purposes a different system of account numbers provided that the account numbers herein prescribed shall appear in the descriptive headings of the ledger accounts and, if practicable, on original source documents. Service companies adopting a different system of account numbers for their own purposes shall keep readily available a list which indicates its account numbers and the corresponding account numbers provided herein. Records of service companies shall be maintained in a manner permitting ready analysis by prescribed accounts (with direct reference to the source of each item in the books of original entry) and permitting preparation of financial operating statements directly from such records at the end of each accounting period.

§ 256.01-4 Construction or service contracts, and centralized procurement accounting.

(a) Specific accounts have not been provided in which to classify expenditures made in the performance of construction or service contracts, under which the service company undertakes projects to construct physical property for associate or nonassociate companies. The difference in the nature of undertakings which will be embraced in such contracts renders impracticable an attempt to prescribe the accounts applicable in all cases. The service company shall keep records pursuant to its work order system indicating the cost of each contract or project, the amount of service costs allocated thereto, and such additional classification of expenditures relating to projects as will meet the accounting requirements of the company for which the work is performed.

§ 256.01-5

(b) Service costs allocated to construction shall include the proper proportion of salaries, expense of officers and employees, pay of employees on the service company's regular staff specifically assigned to construction work, and other expenses of maintaining the service company's organization and equipment. Cost of materials, construction payrolls, outside services, and other expenses directly attributable to construction work shall be excluded from the accounting system of the service company and charged directly by the vendor or supplier to the construction project.

(c) Service costs allocated to centralized procurement activities shall include only the cost of the support services performed by the service company in connection with the procurement of goods for associate companies. Cost of goods procured shall be excluded from the accounting system of the service company and charged directly by the vendor or supplier to the associate company concerned. The service company shall keep records indicating the cost of goods, if any, which it procures for each associate company and the amount of service costs allocated thereto. These records should be maintained to meet the Federal Energy Regulatory Commission's accounting requirements for electric and gas companies.

§ 256.01-5 Determination of service cost accounting.

Service at cost and fair allocation of costs require, first of all, an accurate accounting for the elements which make up the aggregate expense of conducting the business of the service company. In the accounts herein prescribed, the total amounts included in the expense accounts during any period plus such amount as appropriately may be added as compensation for the use of capital, if paid, constitute cost during such period.

§ 256.01-6 Departmental classification required.

The importance of "salaries and wages" as an element of cost requires analysis of this item of expense by departmental or other functional category in accordance with the depart-

17 CFR Ch. II (4-1-04 Edition)

mental organization of the service company. To the extent practicable, such departmental organization should be established along lines which will provide a readily available basis for analysis.

§ 256.01-7 Records.

(a) The books of account and other records of the service company shall be so kept as to show fully the facts pertaining to all entries in these accounts. All such entries shall be supported by detailed information sufficient to permit ready identification and audit.

(b) The books and records referred to herein shall include not only accounting records in a limited technical sense but all other records such as minute books, stock books, reports, working papers, memoranda, etc., which may be useful in developing the history of or facts regarding any transactions of the service company.

(c) No company shall destroy any records except as authorized by the provisions of part 257 of this chapter.

(d) The accounts may be further subdivided: *Provided*, Such subdivisions do not impair the integrity of the prescribed accounts. The titles of all subdivisions or subaccounts shall refer by number to the accounts of which they are subdivisions.

(e) Clearing-accounts shall be kept when necessary or useful in making the proper distribution of items to the appropriate accounts prescribed herein or in accumulating general overhead cost such as rent, utility, employee benefits, and other general and support services that are to be allocated to work orders.

(f) On or before the effective date of this Uniform System of Accounts, the several accounts prescribed herein shall be opened by transferring thereto the balances carried in the accounts previously maintained by the service company. The service company is authorized to make such subdivisions, reclassification, or consolidations of such balances as are necessary to meet the requirements of this Uniform System of Accounts.

(g) Except where this Uniform System of Accounts accords specific treatment for specified accounts, all accounts and financial statements shall

be maintained in accordance with Regulation S-X and Accounting Series Releases of this Commission. The Uniform System of Accounts promulgated by the Federal Energy Regulatory Commission, as amended from time to time, and the interpretations thereof adopted from time to time by the Federal Energy Regulatory Commission, and accounting regulations and orders of any other Federal or State Commission having jurisdiction over associate companies shall be complied with unless expressly inconsistent with the requirements of this system.

§ 256.01-10

and included in the proper accounts. When the amount is ascertained, the necessary adjustments shall be made through the accounts in which the estimate was recorded. If it is determined during the interval that a material adjustment will be required, the estimate shall be adjusted through the current accounts. The service company is not required to anticipate minor items which would not appreciably affect these accounts.

§ 256.01-10 Billing procedures.

All invoices for services rendered to associate companies shall be submitted monthly with sufficient information and in sufficient detail to permit the associate company to identify and classify the charge in terms of the system of accounts prescribed by the regulatory authorities to which it is subject. Each month a statement shall be rendered to the associate company containing a summary of the accounts by work order by which the charges, classified as direct cost, indirect cost, and compensation for use of capital, can be entered in the accounts of the associate company.

§ 256.01-11 Methods of allocation.

Indirect costs and compensation for use of capital shall be allocated to work orders in accordance with the service company's applicable and currently effective methods of allocation filed with the Commission. Both direct and allocated indirect costs of work orders for two or more associate companies shall be allocated among such companies in the same manner. Each work order should identify the methods of allocation to associate companies and the accounts to be charged. The associate companies should be notified in writing of any change in the methods of allocation.

§ 256.01-12 Compensation for use of capital.

Paragraph (a) of Rule 91 provides in pertinent part that a servicing transaction shall be deemed to be performed at no more than cost if the price of such service does not exceed a fair and equitable allocation of expenses plus reasonable compensation for necessary capital procured through the issuance

17 CFR Ch. II (4-1-04 Edition)

of capital stock. Interest on borrowed capital and compensation for the use of capital shall only represent a reasonable return on the amount of capital reasonably necessary for the performance of services or construction work for, or the sale of goods to, associate companies. Such compensation may be estimated and shall be computed monthly in the manner prescribed by the Commission. The amount of compensation shall be stated separately in each billing to the associate companies. An annual statement to support the amount of compensation for use of capital billed for the previous twelve months and how it was calculated shall be supplied to each associate company at the end of the calendar year.

§ 256.01-13 Submission of questions.

To promote and maintain uniformity in accounting, the service companies shall submit all questions of doubtful interpretation of the prescribed accounting to the Division of Corporate Regulation or its successor for consideration and decision.

PART 257—PRESERVATION AND DESTRUCTION OF RECORDS OF REGISTERED PUBLIC UTILITY HOLDING COMPANIES AND OF MUTUAL AND SUBSIDIARY SERVICE COMPANIES

Sec.

257.1 General instructions.

257.2 Schedule.

AUTHORITY: 15 U.S.C. 79(o) and 79(t), unless otherwise noted.

§257.1 General instructions.

(a) *Scope of regulations.* The General Instructions and Schedule apply to any holding company, except an electric or gas utility company, registered as a holding company under the Public Utility Holding Company Act of 1935, and to companies found by the Commission, pursuant to §250.88 to meet the requirements of section 13 of the

17 CFR Ch. II (4-1-04 Edition)

Act as mutual or subsidiary service companies.

(1) Company means a service company subject to §250.93, or a holding company subject to §250.26, which is not an electric utility company or a gas utility company, and any predecessor or inactive or dissolved associate company, the records of which are in the possession or control of such company.

(2) Records include any records prepared, maintained or held by any agent or employee of a company, including any such records of a stock transfer agent, registrar, paying agent, indenture trustee or other person employed by a company to perform services with respect to the securities of the company, insofar as such person is accountable to the company or to its security holders for such records. The specification in the schedule of a record related to a type of transaction includes all documents and correspondence, not redundant or duplicative of other records retained, needed to explain or verify such transaction. Supporting documents such as checks or vouchers, which are separately scheduled may, nevertheless, be destroyed in accordance with the schedule for their respective class, when the company determines that the lapse of time has made it unlikely that it will need to prove the details evidenced thereby.

(3) Any company subject to this regulation, which, as agent, operator, lessor or otherwise, maintains or has possession of any records relating to the operation, property or obligations of an electric or gas utility company or natural gas company or a nuclear licensee, as defined in the Federal Power Act, the Natural Gas Act, the Atomic Energy Act or the laws of any state within which such utility company operates, shall comply with the laws or regulations as to record retention and destruction which would apply to such records if they were records of such utility company or licensee.

(4) Except for the certifications, indices and cross references specified herein, the regulation shall not be construed as requiring the preparation or maintenance of records not required to be prepared or maintained by other rules or regulations of the Commission.

(5) The regulation shall not excuse compliance with any other lawful requirement for the preservation of records for periods longer than those prescribed in the regulation.

(6) Duplicate copies of records which contain no significant information not shown on the copy preserved may be destroyed at any time. If the same document would be required under more than one scheduled item, such as an indenture also included as an exhibit in a filing required to be retained, only one copy need be preserved if cross references are substituted for the additional copies.

(7) Notwithstanding the provisions of the regulation, the Commission may, upon the request of any company, authorize the destruction of any specified records of such company and the Commission, on its own motion or on the motion of any regulatory agency, may direct that records which would be useful in developing facts relevant to any transaction recorded by the company be preserved for such period as the Commission may specify.

(b) *Designation of supervisory official.* Each company subject to the regulation shall designate one or more officials to supervise the preservation or authorized destruction of its records. Insofar as its records include those in the possession of a transfer agent, indenture trustee or other independent custodian, the terms of the agreement with the custodian may include provisions, not inconsistent with this regulation, for the preservation and destruction of such records by the custodian and the responsibility of the company's designated official shall be to make reasonable inquiry as to the due performance of the custodian's obligation.

(c) *Protection and storage of records.* The company shall provide reasonable protection from damage by fire, flood, and other hazards for records required by the regulation to be preserved and, in the selection of storage space, safeguard such records from unnecessary exposure to deterioration from excessive humidity, dryness, or lack of proper ventilation.

(d) *Index of records.* At each office of the company where records are kept or stored, such records as are required by

the regulation to be preserved shall be so arranged, filed, and currently indexed that such records shall be readily available for inspection by authorized representatives of regulatory agencies concerned.

(e)(1) *Micrographic and electronic storage permitted.* The records required to be maintained and preserved under § 250.26 of this chapter may be maintained and preserved for the required time by, or on behalf of, a company on, among other formats:

(i) Micrographic media, including microfilm, microfiche, or any similar medium; or

(ii) Electronic storage media, including any digital storage medium or system that meets the terms of this section.

(2) *General requirements.* The company, or person that maintains and preserves records on its behalf, must:

(i) Arrange and index the records in a way that permits easy location, access, and retrieval of any particular record;

(ii) Provide promptly any of the following that the Commission (by its examiners or other representatives) or the directors of the company may request:

(A) A legible, true, and complete copy of the record in the medium and format in which it is stored;

(B) A legible, true, and complete printout of the record; and

(C) Means to access, view, and print the records; and

(iii) Separately store, for the time required for preservation of the original record, a duplicate copy of a record that is stored on micrographic or electronic storage media.

(3) *Special requirements for electronic storage media.* In the case of records on electronic storage media, the company, or person that maintains and preserves records on its behalf, must establish and maintain procedures:

(i) To maintain and preserve the records, so as to reasonably safeguard them from loss, alteration, or destruction;

(ii) To limit access to the records to properly authorized personnel, the directors of the company, and the Commission (including its examiners and other representatives); and

§ 257.2

17 CFR Ch. II (4-1-04 Edition)

(iii) To reasonably ensure that any reproduction of a non-electronic original record on electronic storage media is complete and true, and legible when retrieved.

(f) *Destruction of records.* The destruction of the records permitted to be destroyed under the provisions of the regulations in this part may be performed in any manner elected by the company. Precautions should be taken, however, to macerate or otherwise destroy the legibility of records, the content of which is forbidden by law to be divulged to unauthorized persons.

(g) *Premature destruction or loss of records.* When records are destroyed or lost before the expiration of the prescribed period of retention, a statement listing, as far as may be determined, the records destroyed and describing the circumstances of accidental or other premature destruction or loss shall be filed with the Commission within ninety (90) days from the date of discovery of such destruction or loss.

(h) *Schedule of records and periods of retention.* The schedules of records retention periods constitute a part of this regulation. The schedules prescribe the periods of time that designated records shall be preserved.

(i) *Retention periods designated "Destroy at Option."* Use of the retention period, "Destroy at option," in the regulation constitutes authorization for such destruction under the conditions specified for the particular types of records only if such optional destruction is based on a reasonable judgment that the records are unlikely to be needed and if such optional destruction is not in conflict with other legal retention requirements. Optional destruction of records relevant to pending or expected regulatory or legal actions is not authorized. "Destroy at option after audit" requires retention

until the company has received an opinion of its independent accountants with respect to the financial statements including the transactions to which such records relate.

(j) *Use of technical accounting terms.* For purposes of the schedules, traditional accounting terms such as ledgers, journals, registers and vouchers refer to the function rather than the form of the record. All refer to quasi-permanent records, designed to collect, classify and in some aspects summarize, various types of the company's transactions. They are interrelated and, in another traditional term, are the principal constituents of the books of account, including subsidiary ledgers and registers. The retention periods apply to records serving this function, regardless of form. A multiple purpose record, such as a service company stock stub which also serves as the shareholder's ledger, or a voucher file which also serves as the journal, referred to more than once in the schedule, is governed by the longest retention period applying to any of its functions. For brevity, the term "note" is used in the schedule to refer to an evidence of debt maturing within one year of its creation, which was not the subject of an offering registered under the Securities Act of 1933. The term "debenture" refers to a document evidencing any other unsecured debt. The term "mortgage" refers to any form of secured obligation, "bond" refers to a document evidencing a secured debt in whole or part, and "mortgagee" refers to the holder of a mortgage or bond and includes any person, such as an indenture trustee, authorized to act for a mortgagee.

§ 270.0-1 Definition of terms used in this part.

(a) As used in the rules and regulations prescribed by the Commission pursuant to the Investment Company Act of 1940, unless the context otherwise requires:

(1) The term *Commission* means the Securities and Exchange Commission.

(2) The term *act* means the Investment Company Act of 1940.

(3) The term *section* refers to a section of the act.

(4) The terms *rule* and *regulations* refer to the rules and regulations adopted by the Commission pursuant to the Act, including the forms for registration and reports and the accompanying instructions thereto.

(5) The term *administrator* means any person who provides significant administrative or business affairs management services to an investment company.

(6)(i) A person is an *independent legal counsel* with respect to the directors who are not interested persons of an investment company (“disinterested directors”) if:

(A) A majority of the disinterested directors reasonably determine in the exercise of their judgment (and record the basis for that determination in the minutes of their meeting) that any representation by the person of the company’s investment adviser, principal underwriter, administrator (“management organizations”), or any of their control persons, since the beginning of the fund’s last two completed fiscal years, is or was sufficiently limited that it is unlikely to adversely affect the professional judgment of the person in providing legal representation to the disinterested directors; and

(B) The disinterested directors have obtained an undertaking from such person to provide them with information necessary to make their determination and to update promptly that information when the person begins to represent, or materially increases his representation of, a management organization or control person.

(ii) The disinterested directors are entitled to rely on the information obtained from the person, unless they know or have reason to believe that the information is materially false or incomplete. The disinterested directors must re-evaluate their determination no less frequently than annually (and record the basis accordingly), except as provided in paragraph (iii) of this section.

(iii) After the disinterested directors obtain information that the person has begun to represent, or has materially increased his representation of, a management organization (or any of its control persons), the person may continue to be an independent legal counsel, for purposes of paragraph (a)(6)(i) of this section, for no longer than three months unless during that period the disinterested directors make a new determination under that paragraph.

(iv) For purposes of paragraphs (a)(6)(i)–(iii) of this section:

(A) The term *person* has the same meaning as in section 2(a)(28) of the Act (15 U.S.C. 80a-2(a)(28)) and, in addi-

tion, includes a partner, co-member, or employee of any person; and

(B) The term *control person* means any person (other than an investment company) directly or indirectly controlling, controlled by, or under common control with any of the investment company’s management organizations.

(c) A rule or regulation which defines a term without express reference to the act or to the rules and regulations, or to a portion thereof, defines such terms for all purposes as used both in the act and in the rules and regulations in this part, unless the context otherwise requires.

“variable annuity contract” shall mean any accumulation or annuity contract, any portion thereof, or any unit of interest or participation there-in pursuant to which the value of the contract, either prior or subsequent to annuitization, or both, varies according to the investment experience of the separate account in which the contract participates.

§ 270.2a-1 Valuation of portfolio securities in special cases.

(a) Any investment company whose securities are qualified for sale, or for whose securities application for such qualification has been made, in any State in which the securities owned by such company are required by applicable State law or regulations to be valued at cost or on some other basis different from that prescribed by clause (A) of section 2(a)(41) of the Act for the purpose of determining the percentage of its assets invested in any particular type or classification of securities or in the securities of any one issuer, may, in valuing its securities for the purposes of sections 5 and 12 of the Act, use the same basis of valuation as that used in complying with such State law or regulations in lieu of the method of valuation prescribed by clause (A) of section 2(a)(41) of the Act.

(b) Any open-end company which has heretofore valued its securities at cost for the purpose of qualifying as a "mutual investment company" under the Internal Revenue Code, prior to its amendment by the Revenue Act of 1942, shall henceforth, for the purposes of sections 5 and 12 of the Act, value its securities in accordance with the method prescribed in clause (A) of section 2(a)(41) of the Act unless such company is permitted under paragraph (a) of this section to use a different method of valuation.

(c) A registered investment company which has adopted for the purposes of sections 5 and 12 of the Act a method of valuation permitted by paragraph (a) of this section, shall state in its registration statement filed pursuant to section 8 (54 Stat. 803; 15 U.S.C. 80a-8) of the Act, or in a report filed pursuant to section 30 (54 Stat. 836; 15 U.S.C. 80a-30) of the Act, the method of valuation adopted and the facts which justify the adoption of such method. A registered investment company which has adopted for the purposes of sections 5 and 12

§ 270.2a-2

of the Act a method of valuation permitted by paragraph (a) of this section, unless it shall have adopted such method for the purpose or partly for the purpose of qualifying as a "mutual investment company" under the Internal Revenue Code, shall continue to use that method until it has notified the Commission of its desire to use a different method, and has received from the Commission permission for such change. Such permission may be made effective on a fixed date or within such reasonable time thereafter as may be deemed advisable under the circumstances.

(d) If at any time it appears that the method of valuation adopted by any company pursuant to paragraph (a) of this section is no longer justified by the facts, the Commission may require a change in the method of valuation within a reasonable period of time either to the method prescribed in clause (A) of section 2(a)(41) of the Act or to some other method permitted by paragraph (a) of this section which is justified by the existing facts.

does not include the failure to exercise a Demand Feature).

(2) *Amortized Cost Method* of valuation means the method of calculating an investment company's net asset value whereby portfolio securities are valued at the fund's Acquisition cost as adjusted for amortization of premium or accretion of discount rather than at their value based on current market factors.

(3) *Asset Backed Security* means a fixed income security (other than a Government security) issued by a Special Purpose Entity (as defined in this paragraph), substantially all of the assets which consist of Qualifying Assets (as defined in this paragraph). *Special Purpose Entity* means a trust, corporation, partnership or other entity organized for the sole purpose of issuing securities that entitle their holders to receive payments that depend primarily on the cash flow from Qualifying Assets, but does not include a registered investment company. *Qualifying Assets* means financial assets, either fixed or revolving, that by their terms convert into cash within a finite time period, plus any rights or other assets designed to assure the servicing or timely distribution of proceeds to security holders.

(4) *Business Day* means any day, other than Saturday, Sunday, or any customary business holiday.

(5) *Collateralized Fully* means "Collateralized Fully" as defined in § 270.5b-3(c)(1).

(6) *Conditional Demand Feature* means a Demand Feature that is not an Unconditional Demand Feature. A Conditional Demand Feature is not a Guarantee.

(7) *Conduit Security* means a security issued by a Municipal Issuer (as defined in this paragraph) involving an arrangement or agreement entered into, directly or indirectly, with a person other than a Municipal Issuer, which arrangement or agreement provides for or secures repayment of the security. *Municipal Issuer* means a state or territory of the United States (including the District of Columbia), or any political subdivision or public instrumentality of a state or territory of the United States. A Conduit Security does not include a security that is:

(iii) Related to a project owned and operated by a Municipal Issuer; or

(iv) Related to a facility leased to and under the control of an industrial or commercial enterprise that is part of a public project which, as a whole, is owned and under the control of a Municipal Issuer.

(8) *Demand Feature* means:

(A) At any time on no more than 30 calendar days' notice; or

(B) At specified intervals not exceeding 397 calendar days and upon no more than 30 calendar days' notice; or

(9) *Demand Feature Issued By A Non-Controlled Person* means a Demand Feature issued by:

(i) A person that, directly or indirectly, does not control, and is not controlled by or under common control with the issuer of the security subject to the Demand Feature (*control* means "control" as defined in section 2(a)(9) of the Act (15 U.S.C. 80a-2(a)(9)); or

(ii) A sponsor of a Special Purpose Entity with respect to an Asset Backed Security.

(10) *Eligible Security* means:

(i) A Rated Security with a remaining maturity of 397 calendar days or less that has received a rating from the Requisite NRSROs in one of the two highest short-term rating categories (within which there may be sub-categories or gradations indicating relative standing); or

(ii) An Unrated Security that is of comparable quality to a security meeting the requirements for a Rated Security in paragraph (a)(10)(i) of this section, as determined by the money market fund's board of directors; *Provided, however,* that:

(A) A security that at the time of issuance had a remaining maturity of more than 397 calendar days but that has a remaining maturity of 397 calendar days or less and that is an Unrated Security is not an Eligible Security if the security has received a long-term rating from any NRSRO that is not within the NRSRO's three highest long-term ratings categories (within which there may be sub-categories or gradations indicating relative standing), unless the security has received a long-term rating from the Requisite NRSROs in one of the three highest rating categories;

(B) An Asset Backed Security (other than an Asset Backed Security substantially all of whose Qualifying Assets consist of obligations of one or more Municipal Issuers, as that term is defined in paragraph (a)(7) of this section) shall not be an Eligible Security unless it has received a rating from an NRSRO.

(iii) In addition, in the case of a security that is subject to a Demand Feature or Guarantee:

(A) The Guarantee has received a rating from an NRSRO or the Guarantee is issued by a guarantor that has received a rating from an NRSRO with respect to a class of debt obligations (or any debt obligation within that class) that is comparable in priority and security to the Guarantee, *unless*:

(1) The Guarantee is issued by a person that, directly or indirectly, controls, is controlled by or is under common control with the issuer of the security subject to the Guarantee (other than a sponsor of a Special Purpose Entity with respect to an Asset Backed Security);

(2) The security subject to the Guarantee is a repurchase agreement that is Collateralized Fully; or

(3) The Guarantee is itself a Government Security; and

(B) The issuer of the Demand Feature or Guarantee, or another institution, has undertaken promptly to notify the

(11) *Event of Insolvency* means “Event of Insolvency” as defined in §270.5b-3(c)(2).

(12) *First Tier Security* means any Eligible Security that:

(ii) Is an Unrated Security that is of comparable quality to a security meeting the requirements for a Rated Security in paragraph (a)(12)(i) of this section, as determined by the fund’s board of directors; or

(iii) Is a security issued by a registered investment company that is a money market fund; or

(iv) Is a Government Security.

(13) *Floating Rate Security* means a security the terms of which provide for the adjustment of its interest rate whenever a specified interest rate changes and that, at any time until the final maturity of the instrument or the period remaining until the principal amount can be recovered through demand, can reasonably be expected to have a market value that approximates its amortized cost.

(14) *Government Security* means any “Government security” as defined in section 2(a)(16) of the Act (15 U.S.C. 80a-2(a)(16)).

(15) *Guarantee* means an unconditional obligation of a person other than the issuer of the security to undertake to pay, upon presentment by the holder of the Guarantee (if required), the principal amount of the underlying security plus accrued interest when due or upon default, or, in the case of an Unconditional Demand Feature, an obligation that entitles the holder to receive upon exercise the approximate amortized cost of the underlying security or securities, plus accrued interest, if any. A Guarantee includes a letter of credit, financial guaranty (bond) insurance, and an Unconditional De-

mand Feature (other than an Unconditional Demand Feature provided by the issuer of the security).

(16) *Guarantee Issued By A Non-Controlled Person* means a Guarantee issued by:

(i) A person that, directly or indirectly, does *not* control, and is not controlled by or under common control with the issuer of the security subject to the Guarantee (*control* means “control” as defined in section 2(a)(9) of the Act (15 U.S.C. 80a-2(a)(9)); or

(ii) A sponsor of a Special Purpose Entity with respect to an Asset Backed Security.

(17) *NRSRO* means any nationally recognized statistical rating organization, as that term is used in paragraphs (c)(2)(vi)(E), (F) and (H) of §240.15c3-1 of this Chapter, that is not an “affiliated person,” as defined in section 2(a)(3)(C) of the Act (15 U.S.C. 80a-2(a)(3)(C)), of the issuer of, or any insurer or provider of credit support for, the security.

(18) *Penny-Rounding Method* of pricing means the method of computing an investment company’s price per share for purposes of distribution, redemption and repurchase whereby the current net asset value per share is rounded to the nearest one percent.

(19) *Rated Security* means a security that meets the requirements of paragraphs (a)(19)(i) or (ii) of this section, in each case subject to paragraph (a)(19)(iii) of this section:

(i) The security has received a short-term rating from an NRSRO, or has been issued by an issuer that has received a short-term rating from an NRSRO with respect to a class of debt obligations (or any debt obligation within that class) that is comparable in priority and security with the security; or

(ii) The security is subject to a Guarantee that has received a short-term rating from an NRSRO, or a Guarantee issued by a guarantor that has received a short-term rating from an NRSRO with respect to a class of debt obligations (or any debt obligation within that class) that is comparable in priority and security with the Guarantee; but

(iii) A security is not a Rated Security if it is subject to an external credit support agreement (including an arrangement by which the security has become a Refunded Security) that was not in effect when the security was assigned its rating, unless the security has received a short-term rating reflecting the existence of the credit support agreement as provided in paragraph (a)(19)(i) of this section, or the credit support agreement with respect to the security has received a short-term rating as provided in paragraph (a)(19)(ii) of this section.

(3) For purposes of this paragraph, a name that suggests that a registered investment company is a money market fund or the equivalent thereof shall include one that uses such terms as “cash,” “liquid,” “money,” “ready assets” or similar terms.

(c) *Share Price Calculations.* The current price per share, for purposes of distribution, redemption and repurchase, of any redeemable security issued by any registered investment company (“money market fund” or “fund”), notwithstanding the requirements of section 2(a)(41) of the Act (15 U.S.C. 80a-2(a)(41)) and of §§ 270.2a-4 and 270.22c-1 thereunder, may be computed by use of the Amortized Cost Method or the Penny-Rounding Method; *Provided, however, that:*

(1) *Board Findings.* The board of directors of the money market fund shall determine, in good faith, that it is in the best interests of the fund and its shareholders to maintain a stable net asset value per share or stable price per share, by virtue of either the Amortized Cost Method or the Penny-Rounding Method, and that the money market fund will continue to use such method only so long as the board of directors believes that it fairly reflects the market-based net asset value per share.

(2) *Portfolio Maturity.* The money market fund shall maintain a dollar-weighted average portfolio maturity appropriate to its objective of maintaining a stable net asset value per share or price per share; *Provided, however, that the money market fund will not:*

(i) Except as provided in paragraph (c)(2)(ii) of this section, Acquire any instrument with a remaining maturity of greater than 397 calendar days; or

(ii) In the case of a money market fund not using the Amortized Cost Method, Acquire a Government Security with a remaining maturity of greater than 762 calendar days; or

(iii) Maintain a dollar-weighted average portfolio maturity that exceeds ninety days.

(3) *Portfolio Quality—(i) General.* The money market fund shall limit its portfolio investments to those United States Dollar-Denominated securities that the fund’s board of directors determines present minimal credit risks (which determination must be based on factors pertaining to credit quality in addition to any rating assigned to such securities by an NRSRO) and that are at the time of Acquisition Eligible Securities.

(ii) *Second Tier Securities.* Immediately after the Acquisition of any Second Tier Security:

(A) *Taxable Funds.* A money market fund that is not a Tax Exempt Fund shall not have invested more than five percent of its Total Assets in securities that are Second Tier Securities; and

(iii) *Securities Subject to Guarantees.* A security that is subject to a Guarantee may be determined to be an Eligible Security or a First Tier Security based solely on whether the Guarantee is an Eligible Security or First Tier Security, as the case may be.

(iv) *Securities Subject to Conditional Demand Features.* A security that is subject to a Conditional Demand Feature (“Underlying Security”) may be determined to be an Eligible Security or a First Tier Security only if:

(A) The Conditional Demand Feature is an Eligible Security or First Tier Security, as the case may be;

(B) At the time of the Acquisition of the Underlying Security, the money market fund’s board of directors has determined that there is minimal risk that the circumstances that would result in the Conditional Demand Feature not being exercisable will occur; and

(1) The conditions limiting exercise either can be monitored readily by the fund, or relate to the taxability, under federal, state or local law, of the interest payments on the security; or

(2) The terms of the Conditional Demand Feature require that the fund will receive notice of the occurrence of the condition and the opportunity to

exercise the Demand Feature in accordance with its terms; and

(C) The Underlying Security or any Guarantee of such security (or the debt securities of the issuer of the Underlying Security or Guarantee that are comparable in priority and security with the Underlying Security or Guarantee) has received either a short-term rating or a long-term rating, as the case may be, from the Requisite NRSROs within the NRSROs' two highest short-term or long-term rating categories (within which there may be sub-categories or gradations indicating relative standing) or, if unrated, is determined to be of comparable quality by the money market fund's board of directors to a security that has received a rating from the Requisite NRSROs within the NRSROs' two highest short-term or long-term rating categories, as the case may be.

(4) *Portfolio Diversification*—(i) *Issuer Diversification*. The money market fund shall be diversified with respect to issuers of securities Acquired by the fund as provided in paragraphs (c)(4)(i) and (c)(4)(ii) of this section, other than with respect to Government Securities and securities subject to a Guarantee Issued By A Non-Controlled Person.

(A) *Taxable and National Funds*. Immediately after the Acquisition of any security, a money market fund other than a Single State Fund shall not have invested more than five percent of its Total Assets in securities issued by the issuer of the security; *Provided, however*, that such a fund may invest up to twenty-five percent of its Total Assets in the First Tier Securities of a single issuer for a period of up to three Business Days after the Acquisition thereof; *Provided, further*, that the fund may not invest in the securities of more than one issuer in accordance with the foregoing proviso in this paragraph at any time.

With respect to seventy-five percent of its Total Assets, immediately after the Acquisition of any security, a Single State Fund shall not have invested more than five percent of its Total Assets in securities issued by the issuer of the security; *Provided, however*, that a Single State Fund shall not invest more than five percent of its Total Assets in securities

issued by the issuer of the security unless the securities are First Tier Securities.

(C) *Second Tier Securities*—(1) *Taxable Funds*. (2) *Tax Exempt Funds*. Immediately after the Acquisition of any Second Tier Conduit Security, a money market fund that is a Tax Exempt Fund shall not have invested more than the greater of one percent of its Total Assets or one million dollars in securities issued by that issuer that are Second Tier Conduit Securities.

(i) *Issuer Diversification Calculations*. For purposes of making calculations under paragraph (c)(4)(i) of this section:

(A) *Repurchase Agreements*. The Acquisition of a repurchase agreement may be deemed to be an Acquisition of the underlying securities, provided the obligation of the seller to repurchase the securities from the money market fund is Collateralized Fully.

(B) *Refunded Securities*. The Acquisition of a Refunded Security shall be deemed to be an Acquisition of the escrowed Government Securities.

(C) *Conduit Securities*. A Conduit Security shall be deemed to be issued by the person (other than the Municipal Issuer) ultimately responsible for payments of interest and principal on the security.

(D) *Asset Backed Securities*—(1) *General*. An Asset Backed Security Acquired by a fund ("Primary ABS") shall be deemed to be issued by the Special Purpose Entity that issued the Asset Backed Security, *Provided, however*:

(i) *Holdings of Primary ABS*. Any person whose obligations constitute ten percent or more of the principal amount of the Qualifying Assets of the Primary ABS ("Ten Percent Obligor") shall be deemed to be an issuer of the portion of the Primary ABS such obligations represent; and

(ii) *Holdings of Secondary ABS*. If a Ten Percent Obligor of a Primary ABS

is itself a Special Purpose Entity issuing Asset Backed Securities (“Secondary ABS”), any Ten Percent Obligor of such Secondary ABS also shall be deemed to be an issuer of the portion of the Primary ABS that such Ten Percent Obligor represents.

(2) *Restricted Special Purpose Entities.* A Ten Percent Obligor with respect to a Primary or Secondary ABS shall not be deemed to have issued any portion of the assets of a Primary ABS as provided in paragraph (c)(4)(ii)(D)(I) of this section if that Ten Percent Obligor is itself a Special Purpose Entity issuing Asset Backed Securities (“Restricted Special Purpose Entity”), and the securities that it issues (other than securities issued to a company that controls, or is controlled by or under common control with, the Restricted Special Purpose Entity and which is not itself a Special Purpose Entity issuing Asset Backed Securities) are held by only one other Special Purpose Entity.

(3) *Demand Features and Guarantees.* In the case of a Ten Percent Obligor deemed to be an issuer, the fund shall satisfy the diversification requirements of paragraph (c)(4)(iii) of this section with respect to any Demand Feature or Guarantee to which the Ten Percent Obligor’s obligations are subject.

(E) *Shares of Other Money Market Funds.* A money market fund that Acquires shares issued by another money market fund in an amount that would otherwise be prohibited by paragraph (c)(4)(i) of this section shall nonetheless be deemed in compliance with this section if the board of directors of the Acquiring money market fund reasonably believes that the fund in which it has invested is in compliance with this section.

(iii) *Diversification Rules for Demand Features and Guarantees.* The money market fund shall be diversified with respect to Demand Features and Guarantees Acquired by the fund as provided in paragraphs (c)(4)(iii) and (c)(4)(iv) of this section, *other than* with respect to a Demand Feature issued by the same institution that issued the underlying security, or with respect to a Guarantee or Demand Feature that is itself a Government Security.

(A) *General.* Immediately after the Acquisition of any Demand Feature or Guarantee or security subject to a Demand Feature or Guarantee, a money market fund, with respect to seventy-five percent of its Total Assets, shall not have invested more than ten percent of its Total Assets in securities issued by or subject to Demand Features or Guarantees from the institution that issued the Demand Feature or Guarantee, subject to paragraphs (c)(4)(iii) (B) and (C) of this section.

(B) *Second Tier Demand Features or Guarantees.* Immediately after the Acquisition of any Demand Feature or Guarantee (or a security after giving effect to the Demand Feature or Guarantee) that is a Second Tier Security, a money market fund shall not have invested more than five percent of its Total Assets in securities issued by or subject to Demand Features or Guarantees from the institution that issued the Demand Feature or Guarantee.

(C) *Demand Features or Guarantees Issued by Non-Controlled Persons.* Immediately after the Acquisition of any security subject to a Demand Feature or Guarantee, a money market fund shall not have invested more than ten percent of its Total Assets in securities issued by, or subject to Demand Features or Guarantees from the institution that issued the Demand Feature or Guarantee, unless, with respect to any security subject to Demand Features or Guarantees from that institution (other than securities issued by such institution), the Demand Feature or Guarantee is a Demand Feature or Guarantee Issued By A Non-Controlled Person.

(iv) *Demand Feature and Guarantee Diversification Calculations—(A) Fractional Demand Features or Guarantees.* In the case of a security subject to a Demand Feature or Guarantee from an institution by which the institution guarantees a specified portion of the value of the security, the institution shall be deemed to guarantee the specified portion thereof.

(B) *Layered Demand Features or Guarantees.* In the case of a security subject to Demand Features or Guarantees from multiple institutions that have not limited the extent of their obligations as described in paragraph

(c)(4)(iv)(A) of this section, each institution shall be deemed to have provided the Demand Feature or Guarantee with respect to the entire principal amount of the security.

(v) *Diversification Safe Harbor.* A money market fund that satisfies the applicable diversification requirements of paragraphs (c)(4) and (c)(5) of this section shall be deemed to have satisfied the diversification requirements of section 5(b)(1) of the Act (15 U.S.C. 80a-5(b)(1)) and the rules adopted thereunder.

(5) *Demand Features and Guarantees Not Relied Upon.* If the fund's board of directors has determined that the fund is not relying on a Demand Feature or Guarantee to determine the quality (pursuant to paragraph (c)(3) of this section), or maturity (pursuant to paragraph (d) of this section), or liquidity of a portfolio security, and maintains a record of this determination (pursuant to paragraphs (c)(9)(ii) and (c)(10)(vi) of this section), then the fund may disregard such Demand Feature or Guarantee for all purposes of this section.

(6) *Downgrades, Defaults and Other Events—(i) Downgrades—(A) General.* Upon the occurrence of either of the events specified in paragraphs (c)(6)(i)(A) (1) and (2) of this section with respect to a portfolio security, the board of directors of the money market fund shall reassess promptly whether such security continues to present minimal credit risks and shall cause the fund to take such action as the board of directors determines is in the best interests of the money market fund and its shareholders:

(1) A portfolio security of a money market fund ceases to be a First Tier Security (either because it no longer has the highest rating from the Requisite NRSROs or, in the case of an Unrated Security, the board of directors of the money market fund determines that it is no longer of comparable quality to a First Tier Security); and

(2) The money market fund's investment adviser (or any person to whom the fund's board of directors has delegated portfolio management responsibilities) becomes aware that any Unrated Security or Second Tier Security

held by the money market fund has, since the security was Acquired by the fund, been given a rating by any NRSRO below the NRSRO's second highest short-term rating category.

(B) *Securities to Be Disposed Of.* The reassessments required by paragraph (c)(6)(i)(A) of this section shall not be required if, in accordance with the procedures adopted by the board of directors, the security is disposed of (or matures) within five Business Days of the specified event and, in the case of events specified in paragraph (c)(6)(i)(A)(2) of this section, the board is subsequently notified of the adviser's actions.

(C) *Special Rule for Certain Securities Subject to Demand Features.* In the event that after giving effect to a rating downgrade, more than five percent of the fund's Total Assets are invested in securities issued by or subject to Demand Features from a single institution that are Second Tier Securities, the fund shall reduce its investment in securities issued by or subject to Demand Features from that institution to no more than five percent of its Total Assets by exercising the Demand Features at the next succeeding exercise date(s), absent a finding by the board of directors that disposal of the portfolio security would not be in the best interests of the money market fund.

(ii) *Defaults and Other Events.* Upon the occurrence of any of the events specified in paragraphs (c)(6)(ii)(A) through (D) of this section with respect to a portfolio security, the money market fund shall dispose of such security as soon as practicable consistent with achieving an orderly disposition of the security, by sale, exercise of any Demand Feature or otherwise, absent a finding by the board of directors that disposal of the portfolio security would not be in the best interests of the money market fund (which determination may take into account, among other factors, market conditions that could affect the orderly disposition of the portfolio security):

(A) The default with respect to a portfolio security (other than an immaterial default unrelated to the financial condition of the issuer);

(B) A portfolio security ceases to be an Eligible Security;

(C) A portfolio security has been determined to no longer present minimal credit risks; or

(D) An Event of Insolvency occurs with respect to the issuer of a portfolio security or the provider of any Demand Feature or Guarantee.

(iii) *Notice to the Commission.* In the event of a default with respect to one or more portfolio securities (other than an immaterial default unrelated to the financial condition of the issuer) or an Event of Insolvency with respect to the issuer of the security or any Demand Feature or Guarantee to which it is subject, where immediately before default the securities (or the securities subject to the Demand Feature or Guarantee) accounted for $\frac{1}{2}$ of 1 percent or more of a money market fund's Total Assets, the money market fund shall promptly notify the Commission of such fact and the actions the money market fund intends to take in response to such situation. Notification under this paragraph shall be made telephonically, or by means of a facsimile transmission or electronic mail, followed by letter sent by first class mail, directed to the attention of the Director of the Division of Investment Management.

(iv) *Defaults for Purposes of Paragraphs (c)(6) (ii) and (iii).* For purposes of paragraphs (c)(6) (ii) and (iii) of this section, an instrument subject to a Demand Feature or Guarantee shall not be deemed to be in default (and an Event of Insolvency with respect to the security shall not be deemed to have occurred) if:

(A) In the case of an instrument subject to a Demand Feature, the Demand Feature has been exercised and the fund has recovered either the principal amount or the amortized cost of the instrument, plus accrued interest; or

(B) The provider of the Guarantee is continuing, without protest, to make payments as due on the instrument.

(7) *Required Procedures: Amortized Cost Method.* In the case of a money market fund using the Amortized Cost Method:

(i) *General.* In supervising the money market fund's operations and delegating special responsibilities involving portfolio management to the money market fund's investment adviser, the money market fund's board

of directors, as a particular responsibility within the overall duty of care owed to its shareholders, shall establish written procedures reasonably designed, taking into account current market conditions and the money market fund's investment objectives, to stabilize the money market fund's net asset value per share, as computed for the purpose of distribution, redemption and repurchase, at a single value.

(ii) *Specific Procedures.* Included within the procedures adopted by the board of directors shall be the following:

(A) *Shadow Pricing.* Written procedures shall provide:

(1) That the extent of deviation, if any, of the current net asset value per share calculated using available market quotations (or an appropriate substitute that reflects current market conditions) from the money market fund's amortized cost price per share, shall be calculated at such intervals as the board of directors determines appropriate and reasonable in light of current market conditions;

(2) For the periodic review by the board of directors of the amount of the deviation as well as the methods used to calculate the deviation; and

(3) For the maintenance of records of the determination of deviation and the board's review thereof.

(B) *Prompt Consideration of Deviation.* In the event such deviation from the money market fund's amortized cost price per share exceeds $\frac{1}{2}$ of 1 percent, the board of directors shall promptly consider what action, if any, should be initiated by the board of directors.

(C) *Material Dilution or Unfair Results.* Where the board of directors believes the extent of any deviation from the money market fund's amortized cost price per share may result in material dilution or other unfair results to investors or existing shareholders, it shall cause the fund to take such action as it deems appropriate to eliminate or reduce to the extent reasonably practicable such dilution or unfair results.

(8) *Required Procedures: Penny-Rounding Method.* In the case of a money market fund using the Penny-Rounding Method, in supervising the money market fund's operations and delegating

special responsibilities involving portfolio management to the money market fund's investment adviser, the money market fund's board of directors undertakes, as a particular responsibility within the overall duty of care owed to its shareholders, to assure to the extent reasonably practicable, taking into account current market conditions affecting the money market fund's investment objectives, that the money market fund's price per share as computed for the purpose of distribution, redemption and repurchase, rounded to the nearest one percent, will not deviate from the single price established by the board of directors.

(9) *Specific Procedures: Amortized Cost and Penny-Rounding Methods.* Included within the procedures adopted by the board of directors for money market funds using either the Amortized Cost or Penny-Rounding Methods shall be the following:

(i) *Securities for Which Maturity is Determined by Reference to Demand Features.* In the case of a security for which maturity is determined by reference to a Demand Feature, written procedures shall require ongoing review of the security's continued minimal credit risks, and that review must be based on, among other things, financial data for the most recent fiscal year of the issuer of the Demand Feature and, in the case of a security subject to a Conditional Demand Feature, the issuer of the security whose financial condition must be monitored under paragraph (c)(3)(iv) of this section, whether such data is publicly available or provided under the terms of the security's governing documentation.

(ii) *Securities Subject to Demand Features or Guarantees.* In the case of a security subject to one or more Demand Features or Guarantees that the fund's board of directors has determined that the fund is not relying on to determine the quality (pursuant to paragraph (c)(3) of this section), maturity (pursuant to paragraph (d) of this section) or liquidity of the security subject to the Demand Feature or Guarantee, written procedures shall require periodic evaluation of such determination.

(iii) *Adjustable Rate Securities Without Demand Features.* In the case of a Variable Rate or Floating Rate Security

that is not subject to a Demand Feature and for which maturity is determined pursuant to paragraphs (d)(1), (d)(2) or (d)(4) of this section, written procedures shall require periodic review of whether the interest rate formula, upon readjustment of its interest rate, can reasonably be expected to cause the security to have a market value that approximates its amortized cost value.

(iv) *Asset Backed Securities.* In the case of an Asset Backed Security, written procedures shall require the fund to periodically determine the number of Ten Percent Obligor (as that term is used in paragraph (c)(4)(ii)(D) of this section) deemed to be the issuers of all or a portion of the Asset Backed Security for purposes of paragraph (c)(4)(ii)(D) of this section; *Provided, however,* written procedures need not require periodic determinations with respect to any Asset Backed Security that a fund's board of directors has determined, at the time of Acquisition, will not have, or is unlikely to have, Ten Percent Obligor that are deemed to be issuers of all or a portion of that Asset Backed Security for purposes of paragraph (c)(4)(ii)(D) of this section, and maintains a record of this determination.

(10) *Record Keeping and Reporting—(i) Written Procedures.* For a period of not less than six years following the replacement of such procedures with new procedures (the first two years in an easily accessible place), a written copy of the procedures (and any modifications thereto) described in paragraphs (c)(6) through (c)(9) and (e) of this section shall be maintained and preserved.

(ii) *Board Considerations and Actions.* For a period of not less than six years (the first two years in an easily accessible place) a written record shall be maintained and preserved of the board of directors' considerations and actions taken in connection with the discharge of its responsibilities, as set forth in this section, to be included in the minutes of the board of directors' meetings.

(iii) *Credit Risk Analysis.* For a period of not less than three years from the date that the credit risks of a portfolio security were most recently reviewed, a written record of the determination

that a portfolio security presents minimal credit risks and the NRSRO ratings (if any) used to determine the status of the security as an Eligible Security, First Tier Security or Second Tier Security shall be maintained and preserved in an easily accessible place.

(iv) *Determinations With Respect to Adjustable Rate Securities.* For a period of not less than three years from the date when the determination was most recently made, a written record shall be preserved and maintained, in an easily accessible place, of the determination required by paragraph (c)(9)(iii) of this section (that a Variable Rate or Floating Rate Security that is not subject to a Demand Feature and for which maturity is determined pursuant to paragraphs (d)(1), (d)(2) or (d)(4) of this section can reasonably be expected, upon readjustment of its interest rate at all times during the life of the instrument, to have a market value that approximates its amortized cost).

(v) *Determinations with Respect to Asset Backed Securities.* For a period of not less than three years from the date when the determination was most recently made, a written record shall be preserved and maintained, in an easily accessible place, of the determinations required by paragraph (c)(9)(iv) of this section (the number of Ten Percent Obligors (as that term is used in paragraph (c)(4)(ii)(D) of this section) deemed to be the issuers of all or a portion of the Asset Backed Security for purposes of paragraph (c)(4)(ii)(D) of this section). The written record shall include:

(A) The identities of the Ten Percent Obligors (as that term is used in paragraph (c)(4)(ii)(D) of this section), the percentage of the Qualifying Assets constituted by the securities of each Ten Percent Obligor and the percentage of the fund's Total Assets that are invested in securities of each Ten Percent Obligor; and

(B) Any determination that an Asset Backed Security will not have, or is unlikely to have, Ten Percent Obligors deemed to be issuers of all or a portion of that Asset Backed Security for purposes of paragraph (c)(4)(ii)(D) of this section.

(vi) *Evaluations with Respect to Securities Subject to Demand Features or Guar-*

antees. For a period of not less than three years from the date when the evaluation was most recently made, a written record shall be preserved and maintained, in an easily accessible place, of the evaluation required by paragraph (c)(9)(ii) (regarding securities subject to one or more Demand Features or Guarantees) of this section.

(vii) *Inspection of Records.* The documents preserved pursuant to this paragraph (c)(10) shall be subject to inspection by the Commission in accordance with section 31(b) of the Act (15 U.S.C. 80a-30(b)) as if such documents were records required to be maintained pursuant to rules adopted under section 31(a) of the Act (15 U.S.C. 80a-30(a)). If any action was taken under paragraphs (c)(6)(ii) (with respect to defaulted securities and events of insolvency) or (c)(7)(ii) (with respect to a deviation from the fund's share price of more than 1/2 of 1 percent) of this section, the money market fund will file an exhibit to the Form N-SAR (17 CFR 274.101) filed for the period in which the action was taken describing with specificity the nature and circumstances of such action. The money market fund will report in an exhibit to such Form any securities it holds on the final day of the reporting period that are not Eligible Securities.

(d) *Maturity of Portfolio Securities.* For purposes of this section, the maturity of a portfolio security shall be deemed to be the period remaining (calculated from the trade date or such other date on which the fund's interest in the security is subject to market action) until the date on which, in accordance with the terms of the security, the principal amount must unconditionally be paid, or in the case of a security called for redemption, the date on which the redemption payment must be made, except as provided in paragraphs (d)(1) through (d)(8) of this section:

(1) *Adjustable Rate Government Securities.* A Government Security that is a Variable Rate Security where the variable rate of interest is readjusted no less frequently than every 762 calendar days shall be deemed to have a maturity equal to the period remaining

until the next readjustment of the interest rate. A Government Security that is a Floating Rate Security shall be deemed to have a remaining maturity of one day.

(2) *Short-Term Variable Rate Securities.* A Variable Rate Security, the principal amount of which, in accordance with the terms of the security, must unconditionally be paid in 397 calendar days or less shall be deemed to have a maturity equal to the earlier of the period remaining until the next readjustment of the interest rate or the period remaining until the principal amount can be recovered through demand.

(3) *Long-Term Variable Rate Securities.* A Variable Rate Security, the principal amount of which is scheduled to be paid in more than 397 calendar days, that is subject to a Demand Feature, shall be deemed to have a maturity equal to the longer of the period remaining until the next readjustment of the interest rate or the period remaining until the principal amount can be recovered through demand.

(4) *Short-Term Floating Rate Securities.* A Floating Rate Security, the principal amount of which, in accordance with the terms of the security, must unconditionally be paid in 397 calendar days or less shall be deemed to have a maturity of one day.

(5) *Long-Term Floating Rate Securities.* A Floating Rate Security, the principal amount of which is scheduled to be paid in more than 397 calendar days, that is subject to a Demand Feature, shall be deemed to have a maturity equal to the period remaining until the principal amount can be recovered through demand.

(6) *Repurchase Agreements.* A repurchase agreement shall be deemed to have a maturity equal to the period remaining until the date on which the repurchase of the underlying securities is scheduled to occur, or, where the agreement is subject to demand, the notice period applicable to a demand for the repurchase of the securities.

(7) *Portfolio Lending Agreements.* A portfolio lending agreement shall be treated as having a maturity equal to the period remaining until the date on which the loaned securities are scheduled to be returned, or where the agreement is subject to demand, the notice

period applicable to a demand for the return of the loaned securities.

(8) *Money Market Fund Securities.* An investment in a money market fund shall be treated as having a maturity equal to the period of time within which the Acquired money market fund is required to make payment upon redemption, unless the Acquired money market fund has agreed in writing to provide redemption proceeds to the investing money market fund within a shorter time period, in which case the maturity of such investment shall be deemed to be the shorter period.

(e) *Delegation.* The money market fund's board of directors may delegate to the fund's investment adviser or officers the responsibility to make any determination required to be made by the board of directors under this section (other than the determinations required by paragraphs (c)(1) (board findings); (c)(6)(i)(C) (rule for certain securities subject to second tier Demand Features); (c)(6)(ii) (defaults and other events); (c)(7)(i) (general required procedures: Amortized Cost Method); (c)(7)(ii)(A) (shadow pricing), (B) (prompt consideration of deviation), and (C) (material dilution or unfair results); and (c)(8) (required procedures: Penny Rounding Method) of this section) provided:

(3) Limited partners shall have all of the rights afforded shareholders under the Act. If a limited partnership interest is transferred in a manner that is effective under the Partnership Agreement, the transferee shall have all of

the rights afforded shareholders under the Act.

(4) A general partner shall not withdraw from the Limited Partnership Investment Company or reduce its Federal Tax Status Contribution without giving at least one year's prior written notice to the Limited Partnership Investment Company, if such withdrawal or reduction is likely to cause the company to lose its partnership tax classification. (b) *Definitions.* (1) "Federal Tax Status Contribution" shall mean the interest (including limited partnership interest) in each material item of partnership income, gain, loss, deduction, or credit, and other contributions, required to be held or made by general partners, pursuant to section 4 of Internal Revenue Service Revenue Procedure 89-12, or any successor provisions thereto.

Such issuer nonetheless is deemed to be an investment company for purposes of section 12(d)(1).

2. (B) Such change would be inconsistent with the investment objectives of the separate account or would result in the purchase of securities for the separate account which vary from the general quality and nature of investments and investment techniques utilized by other separate accounts of the life insurer or of an affiliated life insurance company, which separate accounts have investment objectives similar to the separate account;

(iii) Any action taken in accordance with paragraph (b)(5) (i) or (ii) of this section and the reasons therefor shall be disclosed in the proxy statement for the next meeting of variable life insurance contractholders of the separate account.

(2) The proposed investment adviser may be expected to employ investment techniques which vary from the general techniques utilized by the current investment adviser to the separate account, or advise the purchase or sale of securities which would be inconsistent with the investment objectives of the separate account, or which would vary from the quality and nature of investments made by other separate accounts of the life insurer or of an affiliated life insurance company, which separate accounts have investment objectives similar to the separate account;

(D) Any action taken in accordance with paragraph (b)(7)(ii) (A), (B) or (C) of this section and the reasons therefor shall be disclosed in the proxy statement for the next meeting of variable life insurance contractholders of the separate account.

(8) Section 16(a) to the extent that:

(i) Persons serving as directors of the separate account prior to the first meeting of such account's variable life insurance contractholders are exempt from the requirement of section 16(a) of the Act that such persons be elected by the holders of outstanding voting securities of such account at an annual or special meeting called for that purpose, *Provided*, That:

(C) The number of votes to be allocated shall be determined as of a record date not more than 90 days prior to any meeting at which such vote is held: *Provided*, That if a quorum is not present at the meeting, the meeting may be adjourned for up to 60 days without fixing a new record date;

(11) Section 19 to the extent that the provisions of this section shall not be applicable to any dividend or similar distribution paid or payable pursuant to provisions of participating variable life insurance contracts.

(12) Sections 22(d), 22(e), and 27(c)(1) and Rule 22c-1 promulgated under section 22(c) to the extent:

(i) That the amount payable on death and the cash surrender value of each variable life insurance contract shall be determined on each day during which the New York Stock Exchange is open for trading, not less frequently than once daily as of the time of the close of trading on such exchange: *Provided*, That the amount payable on death need not be determined more than once each contract month if such determination does not reduce the participation of the contract in the investment experience of the separate account: *Provided further, however*, That if the net valuation premium for such contract is transferred at least annually, then the amount payable on death need be determined only when such net premium is transferred;

(ii) Necessary for compliance with this Rule 6e-2 or with insurance laws

and regulations and established administrative procedures of the life insurer with respect to issuance, transfer and redemption procedures for variable life insurance contracts funded by the separate account including, but not limited to, premium rate structure and premium processing, insurance underwriting standards, and the particular benefit afforded by the contract: *Provided, however,* That any procedure or action shall be reasonable, fair and not discriminatory to the interests of the affected contractholder and to all other holders of contracts of the same class or series funded by the separate account: *And, further provided,* That any such action shall be disclosed in the form required to be filed by the separate account with the Commission pursuant to paragraph (b)(3)(ii) of this Rule 6e-2.

(13) Section 27 to the following extent:

(i) Sections 27(a)(1) and 27(h)(1) to the extent that the sales load, as defined in paragraph (c)(4) of this section, on any variable life insurance contract which is funded by the separate account shall not exceed 9 per centum of the payments to be made thereon during the period equal to the lesser of 20 years or the anticipated life expectancy of the insured named in the contract based on the 1958 Commissioners Standard Ordinary Mortality Table;

(ii) Sections 27(a)(3) and 27(h)(3): *Provided,* That the proportionate amount of sales load deducted from any payment during the contract period shall not exceed the proportionate amount deducted from any prior payment during the contract period except that such amount may exceed the amount deducted from a prior payment if the increase is caused by the grading of cash values into reserves or reductions in the annual cost of insurance;

(iii) Sections 27(c)(2), 26(a)(1) and 26(a)(2): *Provided,* That the life insurer complies, to the extent applicable, with all other provisions of section 26 as if it were a trustee, depositor or custodian for the separate account, and:

(A) Files with the insurance regulatory authority of a state or territory of the United States or of the District of Columbia an annual statement of its financial condition in the form pre-

(B) Is examined from time to time by the insurance regulatory authority of such state, territory or District of Columbia as to its financial condition and other affairs and is subject to supervision and inspection with respect to its separate account operations; and

(C) Limits the fees for administrative services to amounts that are reasonable in relation to services rendered and expenses incurred. The Commission shall retain jurisdiction regarding the determination of such fees;

(iv) Sections 27(c)(1) and 27(d), to the extent that such sections require that the variable life insurance contract be redeemable or provide for a refund in cash: *Provided,* That such contract provides for election by the contractholder of a cash surrender value or certain non-forfeiture and settlement options which are required or permitted by the insurance law or regulation of the jurisdiction in which the contract is offered: *And further provided,* That unless required by the insurance law or regulation of the jurisdiction in which the contract is offered or unless elected by the contractholder, such contract shall not provide for the automatic imposition of any option, including, but not limited to, an automatic premium loan, which would involve the accrual or payment of an interest or similar charge;

(v) Section 27(d): *Provided,* That the variable life insurance contract gives the holder thereof the right to:

(A) Surrender the contract at any time during the first 24 months after issuance and receive in cash an amount not less than the sum of the present value of his contract which is the cash surrender value next computed after receipt by the life insurer of the request for surrender in proper form, plus, depending upon the period over which such contract has been retained by the contractholder, an amount which is a refund of any excess paid for sales loading prior to surrender: *Provided, however,* That if payments for

the contract have not been duly paid on the date the request for surrender is received by the life insurer, and if the sum of the cash surrender value and the amount of any excess sales loading which would otherwise be refundable in cash were applied to provide (without sales loading) a nonforfeiture benefit in accordance with the contract, then the contractholder shall be entitled to receive in cash the present value, next computed after receipt by the life insurer of the request for surrender in proper form, of any non-forfeiture benefit then in force. The amount of sales loading to be refunded shall be equal to that part of the excess paid for sales loading which is over the sum of 30 per centum of payments made for the first contract year plus 10 per centum of the payments made for the second contract year; and

(B) Convert the contract at any time during the first 24 months after issuance so long as payments are duly made to a life insurance policy on the life of the insured which provides for fixed death benefits and cash surrender values pursuant to a plan of insurance specified in the contract issued by the life insurer, or by a life insurance company affiliated with such insurer, which provides for the same initial amount of insurance as the variable life insurance contract and premiums which are based on the same issue age and risk classification of the insured as the variable life insurance contract, which conversion shall be subject to an equitable adjustment in payments and cash values to reflect variances, if any, in the payments and cash values under the original contract and the new policy: *Provided*, That the method of computing such adjustment shall be filed with the Commission as an exhibit to the form required pursuant to paragraph (b)(3)(ii) of this Rule;

(vi) A depositor or principal underwriter for a variable life insurance contract sold subject to section 27(d) or section 27(f) of the Act, or both, shall be exempt from the requirements of Rule 27d-1 if an insurance company undertakes in writing to guarantee the performance of all obligations of such depositor or principal underwriter under sections 27(d) and 27(f) of the Act to refund charges and such insurance

company, depositor and principal underwriter comply with all provisions of Rule 27d-2;

(vii) Section 27(e) and Rule 27e-1 thereunder to the extent that the separate account and the depositor and principal underwriter therefor, when such persons are subject to paragraph (b)(13)(v) of this Rule, are required to provide a notice of right of withdrawal and refund to holders of variable life insurance contracts, if the life insurer or a duly authorized agent provides a notice of withdrawal and refund rights on Form N-27I-1, to the holder of any variable life insurance contract under which a refund may be available, provided that such notice shall be sent by first class mail to the contractholder:

(A) At issuance of the variable life insurance contract, which notice may be sent together with the issued variable life insurance contract and an illustration, in a form appropriate for inclusion in the prospectus for the variable life insurance contract, of gross annual payments, death benefits and cash surrender values applicable to the age, sex and underwriting classification of the insured; and

(B) If the contractholder has failed to make a payment prior to the expiration of the refund right provided by paragraph (b)(13)(v) of this Rule and the contract has not been reinstated within 30 days following the expiration of the grace period provided in the variable life insurance contract for making of any payment due: *Provided, however*, In any event, if a payment is not made when due such notice shall be sent not less than 15 days prior to the expiration of the refund right, which notice may be sent together with a notification that the payment is overdue or an offer to reinstate the contract;

(viii) Section 27(f) and Rule 27f-1: *Provided*, That:

(A) The contractholder may elect to return the contract within 45 days of the date of the execution of the application for insurance or within 10 days after receipt of the issued contract by the contractholder, or within 10 days after mailing of the notice of the right of withdrawal, whichever is later, and receive a refund of all payments made for such contract;

(B) A refund of all payments to redeeming contractholders will not in any way affect the interests in the separate account or the benefits of other variable life insurance contractholders;

(C) Notice of such withdrawal right and a statement of charges on Form N-271-2 is sent by first class mail to the contractholder, which notice and statement may be accompanied by the variable life insurance contract and an illustration, in a form appropriate for inclusion in the prospectus for the variable life insurance contract, of payments, death benefits and cash surrender values applicable to the age, sex and underwriting classification of the insured;

(D) The contractholder, in conjunction with the notice of withdrawal right referred to in paragraph (b)(13)(viii)(C) of this rule, is provided with a form of request for refund of payments made, which form shall set forth;

(1) Instructions as to the manner in which a refund may be obtained including the address to which the request form should be mailed; and

(2) Spaces necessary to indicate the date of such request, the contract number and the signature of the contractholder; and

(E) Within 7 days from the receipt of such duly executed timely request for refund, the life insurer will refund in cash to the contractholder the entire amount of payments made on the contract;

(ix) Solely for purposes of paragraphs (b)(13)(v) and (viii) of this Rule, the postmark date on the envelope containing the variable life insurance contract shall determine whether such contract has been submitted for surrender or conversion within the designated period.

(14) Section 32(a)(2): *Provided, That:*

(i) The independent public accountant is selected before the effective date of the registration statement under the Securities Act of 1933, as amended, for variable life insurance contracts which are funded by the separate account, and the identity of such accountant is disclosed in such registration statement, and

(ii) The selection of such accountant is submitted for ratification or rejection

to variable life insurance contractholders at their first meeting after the effective date of the registration statement under the Securities Act of 1933, as amended, on condition that such meeting shall take place within one year after such effective date, unless the time for the holding of such meeting shall be extended by the Commission upon written request for good cause shown.

(15) If the separate account is organized as a unit investment trust, all the assets of which consist of the shares of one or more registered management investment companies which offer their shares exclusively to variable life insurance separate accounts of the life insurer or of any affiliated life insurance company:

(i) The eligibility restrictions of section 9(a) of the Act shall not be applicable to those persons who are officers, directors and employees of the life insurer or its affiliates who do not participate directly in the management or administration of any registered management investment company described above;

(ii) The life insurer shall be ineligible pursuant to paragraph (3) of section 9(a) of the Act to serve as investment adviser of or principal underwriter for any registered management investment company described in this paragraph (b)(15) only if an affiliated person of such life insurer, ineligible by reason of paragraph (1) or (2) of section 9(a), participates in the management or administration of such company;

(iii) The life insurer may vote shares of the registered management investment companies held by the separate account without regard to instructions from contractholders of the separate account if such instructions would require such shares to be voted:

(A) To cause such companies to make (or refrain from making) certain investments which would result in changes in the sub-classification or investment objectives of such companies or to approve or disapprove any contract between such companies and an investment adviser when required to do so by an insurance regulatory authority subject to the provisions of paragraphs (b)(5)(i) and (7)(ii)(A) of this section; or

(B) In favor of changes in investment objectives, investment adviser of or principal underwriter for such companies subject to the provisions of paragraphs (b)(5)(ii) and (7)(ii) (B) and (C) of this section;

(iv) Any action taken in accordance with paragraph (b)(15)(iii)(A) or (B) of this section and the reasons therefor shall be disclosed in the next report to contractholders made pursuant to section 30(e) (15 U.S.C. 80a-29(e)) and § 270.30e-2;

(v) Any registered management investment company established by the insurer and described in this paragraph (b)(15) shall be exempt from section 14(a) provided that until such company has total assets of at least \$100,000 the life insurer shall have at least the minimum net worth prescribed in paragraph (b)(6) of this section; and

(vi) Any registered management investment company established by the insurer and described in this paragraph (b)(15) shall be exempt from sections 15(a), 16(a), and 32(a)(2) of the Act, to the extent prescribed by paragraphs (b)(7)(i), (b)(8)(i), and (b)(14), provided that such company complies with the conditions set forth in those paragraphs as if it were a separate account.

(c) When used in this rule:

(1) *Variable life insurance contract* means a contract of life insurance, subject to regulation under the insurance laws or code of every jurisdiction in which it is offered, funded by a separate account of a life insurer, which contract, so long as payments are duly paid in accordance with its terms, provides for:

(i) A death benefit and cash surrender value which vary to reflect the investment experience of the separate account;

(ii) An initial stated dollar amount of death benefit, and payment of a death benefit guaranteed by the life insurer to be at least equal to such stated amount; and

(iii) Assumption of the mortality and expense risks thereunder by the life insurer for which a charge against the assets of the separate account may be assessed. Such charge shall be disclosed in the prospectus and shall not be less than fifty per centum of the maximum charge for risk assumption as disclosed

in the prospectus and as provided for in the contract.

(2) *Incidental insurance benefits* means insurance benefits provided pursuant to the variable life insurance contract, other than the minimum and variable death benefit, which do not vary in amount or duration in accordance with the investment performance of the separate account, and include, but are not limited to, accidental death and dismemberment benefits, disability income benefits, guaranteed insurability options, and family income or fixed benefit term riders.

(3) *Minimum death benefit* is the amount guaranteed by the life insurer to be paid pursuant to a variable life insurance contract in the event of the death of the insured without regard to the investment performance of the separate account funding the variable life insurance contract, if payments are duly made and if there are no outstanding loans, partial withdrawals or partial surrenders, but does not include any incidental insurance benefits.

(4) *Sales load* charged on any payment is the excess of the payment over the sum of the following:

(i) The amount of the cash value for the first contract year, if any, and the amount of the increase in the cash value for each subsequent contract year, that is attributable to payments made and not attributable to investment earnings;

(ii) The cost of insurance for the period for which the payment is made based on the 1958 Commissioners Standard Ordinary Mortality Table and the assumed investment rate specified in the contract;

(iii) A reasonable charge necessary to cover the risk assumed by the life insurer that the variable death benefit will be less than the guaranteed minimum death benefit;

(iv) Any administrative expenses or fees which are reasonable and in amounts not exceeding anticipated administrative expenses and fees not properly chargeable to sales or promotional activities;

(v) A deduction approximately equal to state premium taxes;

(vi) Any additional charge assessed if the insured does not meet standard underwriting requirements;

§ 270.6e-3(T)

17 CFR Ch. II (4-1-04 Edition)

(vii) Any additional charge assessed specifically for any incidental insurance benefits which do not vary in relation to the performance of the separate account;

(viii) Any additional charge, in the nature of an interest or service charge or administrative fee, assessed when payments are made more frequently than annually;

(ix) For a participating variable life insurance contract, a deduction for dividends to be paid or credited in accordance with the dividend scale in effect on the issue date of the contract assuming a gross annual investment return for the separate account which funds such contract of 4 percent after deduction for any Federal income taxes, which deduction may be determined pursuant to either of the following methods, provided that the same method must be applied with respect to each payment under the contract:

(A) The actuarial level annual equivalent of dividends to be paid or credited over the period described in paragraph (b)(13)(i) of this section, based upon the mortality, interest and lapse assumptions used in computing the dividend scale for such contract multiplied by the fraction of the contract year for which the payment is made; or

(B) That portion of the dividend to be paid for the contract year which does not depend on the making of additional payments.

(5) *Assumed investment rate* is the rate of investment return specified in the contract which would be required to be credited to a variable life insurance contract, after deduction of charges for Federal income taxes, investment management fees, portfolio transaction expenses and mortality and expense guarantees, to maintain the variable death benefit equal at all times to the amount of death benefit, other than incidental insurance benefits, which would be payable pursuant to the variable life insurance contract if the death benefit did not vary according to the investment experience of the separate account.

(6) *Variable death benefit* is the amount of death benefit, other than incidental insurance benefits, payable under a variable life insurance contract

which varies to reflect the investment performance of the separate account, and which would be payable in the absence of the minimum death benefit.

(7) *Payment*, as used in paragraphs (b)(13)(i), (b)(13)(ii) and (b)(13)(v)(A) of this section and in sections 27(a)(2) and 27(h)(2) solely with respect to variable life insurance contracts, means the gross premium payment made less any portion of such gross premium charged for or attributable to the items specified in paragraphs (c)(4)(vi), (vii) and (viii) of this section. "Payment," as used in any other section of the Rule, means the gross premiums paid or payable for the variable life insurance contract.

(ii) Changes in the investment policy of the separate account initiated by its contractholders or board of directors may be disapproved by the life insurer, if the disapproval is reasonable and is based on a good faith determination by the life insurer that:

(A) The change would violate state law; or

(B) The change would not be consistent with the investment objectives of the separate account or would result in the purchase of securities for the separate account which vary from the

general quality and nature of investments and investment techniques used by other separate accounts of the life insurer or of an affiliated life insurance company with similar investment objectives;

(iii) Any action described in paragraph (b)(5)(i) or (ii) of this Rule and the reasons for it shall be disclosed in the next communication to contractholders, but in no case, later than twelve months from the date of such action.

(ii) Sections 15 (a), (b) and (c), to the extent that:

(A) An insurance regulatory authority may disapprove pursuant to insurance law or regulation any contract between the separate account and an investment adviser or principal underwriter;

(B) Changes in the principal underwriter for the separate account initi-

(C) Changes in the investment adviser of the separate account initiated by contractholders or the board of directors of the separate account may be disapproved by the life insurer, *Provided*, That such disapproval is reasonable and is based on a good faith determination by the life insurer that:

(1) The proposed investment advisory fee will exceed the maximum rate specified in any flexible contract that may be charged against the assets of the separate account for such services; or

(2) The proposed investment adviser may be expected to employ investment techniques which vary from the general techniques used by the current investment adviser to the separate account, or advise the purchase or sale of securities which would not be consistent with the investment objectives of the separate account, or which would vary from the quality and nature of investments made by other separate accounts with similar investment objectives of the life insurer or an affiliated life insurance company;

(D) Any action described in paragraph (b)(7)(ii) (A), (B) or (C) of this Rule and the reasons for it shall be disclosed in the next communication to contractholders, but in no case, later than twelve months from the date of such action.

Securities and Exchange Commission

§ 270.6e-3(T)

(B) An election of directors for the account is held at the first meeting of contractholders and within one year after the effective date of the 1933 Act registration statement for flexible contracts, unless the time for holding the meeting is extended by the Commission upon written request and for good cause shown;

(ii) A member of the board of directors of the separate account may be disapproved or removed by an insurance regulatory authority if the person is not eligible to be a director of the separate account under the law of the life insurer's domicile.

(9) Section 17(f) (15 U.S.C. 80a-17(f)), to the extent that the securities and similar investments of a separate account organized as a management investment company may be maintained in the custody of the life insurer or of an affiliated life insurance company, *Provided*, That:

(i) The securities and similar investments allocated to the separate account are clearly identified as owned by the account, and the securities and similar investments are kept in the vault of an insurance company which meets the qualifications in paragraph (b)(9)(ii) of this Rule, and whose safekeeping function is supervised by the insurance regulatory authorities of the jurisdiction in which the securities and similar investments will be held;

(ii) The insurance company maintaining such investments must file with an insurance regulatory authority of a state or territory of the United States or the District of Columbia an annual statement of its financial condition in the form prescribed by the National Association of Insurance Commissioners, must be subject to supervision and inspection by such authority and must be examined periodically as to its financial condition and other affairs by such authority, must hold the securities and similar investments of the separate account in its vault, which vault must be equivalent to that of a bank which is a member of the Federal Reserve System, and must have a combined capital and surplus, if a stock company, or an unassigned surplus, if a mutual company, of not less than \$1,000,000 as set forth in its most

recent annual statement filed with such authority;

(iii) Access to such securities and similar investments shall be limited to employees of the Commission, representatives of insurance regulatory authorities, independent public accountants retained by the separate account (or on its behalf by the life insurer), accountants for the life insurer, and to no more than 20 persons authorized by a resolution of the board of directors of the separate account, which persons shall be directors of the separate account, officers and responsible employees of the life insurer or officers and responsible employees of the affiliated life insurance company in whose vault the investments are kept (if applicable), and access to such securities and similar investments shall be had only by two or more such persons jointly, at least one of whom shall be a director of the separate account or officer of the life insurer;

(iv) The requirement in paragraph (b)(9)(i) of this Rule that the securities and similar investments of the separate account be maintained in the vault of a qualified insurance company shall not apply to securities deposited with insurance regulatory authorities or deposited in accordance with any rule under section 17(f), or to securities on loan which are collateralized to the extent of their full market value, or to securities hypothecated, pledged, or placed in escrow for the account of such separate account in connection with a loan or other transaction authorized by specific resolution of the board of directors of the separate account, or to securities in transit in connection with the sale, exchange, redemption, maturity or conversion, the exercise of warrants or rights, assents to changes in terms of the securities, or to other transactions necessary or appropriate in the ordinary course of business relating to the management of securities;

(v) Each person when depositing such securities or similar investments in or withdrawing them from the depository or when ordering their withdrawal and delivery from the custody of the life insurer or affiliated life insurance company, shall sign a notation showing (A)

§ 270.6e-3(T)

17 CFR Ch. II (4-1-04 Edition)

the date and time of the deposit, withdrawal or order, (B) the title and amount of the securities or other investments deposited, withdrawn or ordered to be withdrawn, and an identification thereof by certificate numbers or otherwise, (C) the manner of acquisition of the securities or similar investments deposited or the purpose for which they have been withdrawn, or ordered to be withdrawn, and (D) if withdrawn and delivered to another person, the name of such person. The notation shall be sent promptly to an officer or director of the separate account or the life insurer designated by the board of directors of the separate account who is not himself permitted to have access to the securities or investments under paragraph (b)(9)(iii) of this Rule. The notation shall be on serially numbered forms and shall be kept for at least one year;

(vi) The securities and similar investments shall be verified by complete examination by an independent public accountant retained by the separate account (or on its behalf by the life insurer) at least three times each fiscal year, at least two of which shall be chosen by the accountant without prior notice to the separate account. A certificate of the accountant stating that he has made an examination of such securities and investments and describing the nature and extent of the examination shall be sent to the Commission by the accountant promptly after each examination;

(vii) Securities and similar investments of a separate account maintained with a bank or other company whose functions and physical facilities are supervised by federal or state authorities under any arrangement whereby the directors, officers, employees or agents of the separate account or the life insurer are authorized or permitted to withdraw such investments upon their mere receipt are deemed to be in the custody of the life insurer and shall be exempt from the requirements of section 17(f) so long as the arrangement complies with all provisions of this paragraph (b)(9), except that such securities will be maintained in the vault of a bank or other company rather than the vault of an insurance company.

(10) Section 18(i) (15 U.S.C. 80a-18(i)), to the extent that:

(i) For the purposes of any section of the Act which provides for the vote of securityholders on matters relating to the investment company:

(A) Flexible contractholders shall have one vote for each \$100 of cash value funded by the separate account, with fractional votes allocated for amounts less than \$100;

(B) The life insurer shall have one vote for each \$100 of assets of the separate account not otherwise attributable to contractholders under paragraph (b)(10)(i)(A) of this Rule, with fractional votes allocated for amounts less than \$100, *Provided*, That after the commencement of sales of flexible contracts, the life insurer shall cast its votes for and against each matter which may be voted upon by contractholders in the same proportion as the votes cast by contractholders; and

(C) The number of votes to be allocated shall be determined as of a record date not more than 90 days before any meeting at which such vote is held, *Provided*, That if a quorum is not present at the meeting, the meeting may be adjourned for up to 60 days without fixing a new record date;

(ii) The requirement of this section that every share of stock issued by a registered management investment company (except a common-law trust of the character described in section 16(c) (15 U.S.C. 80a-16(c))) shall be a voting stock and have equal voting rights with every other outstanding voting stock shall not be deemed to be violated by actions specifically permitted by any provisions of this Rule.

(11) Section 19 (15 U.S.C. 80a-19), to the extent that the provisions of this section shall not apply to any dividend or similar distribution paid or payable under provisions of participating flexible contracts.

(12) Sections 22(c), 22(d) (15 U.S.C. 80a-22(d)), 22(e) (15 U.S.C. 80a-22(e)), and 27(c)(1) and Rule 22c-1 to the extent:

(i) The cash value of each flexible contract shall be computed in accordance with Rule 22c-1(b) under the Act; *Provided, however*, That where actual computation is not necessary for the operation of a particular contract, then

the cash value of that contract must only be capable of computation; *And provided further*, That to the extent the calculation of the cash value reflects deductions for the cost of insurance and other insurance benefits or administrative expenses and fees or sales loads, such deductions need only be made at such times as specified in the contract or as necessary for compliance with insurance laws and regulations; and

(ii) The death benefit, unless required by insurance laws and regulations, shall be computed on any day that the investment experience of the separate account would affect the death benefit under the terms of the contract provided that such terms are reasonable, fair, and nondiscriminatory;

(iii) Necessary to comply with this Rule or with insurance laws and regulations and established administrative procedures of the life insurer for issuance, increases in or additions of insurance benefits, transfer and redemption of flexible contracts, including, but not limited to, premium rate structure and premium processing, insurance underwriting standards, and the particular benefit afforded by the contract, *Provided, however*, That any procedure or action shall be reasonable, fair and not discriminatory to the interests of the affected contract-holders and to all other holders of contracts of the same class or series funded by the separate account, *And provided further*, That any such action shall be disclosed in the form filed by the separate account with the Commission under paragraph (b)(3)(ii) of this Rule.

(13) Section 27 (15 U.S.C. 80a-27), to the following extent:

(i) Section 27(a)(1) (15 U.S.C. 80a-27(a)(1)), 27(h)(1) (15 U.S.C. 80a-27(h)(1)), and 27(h)(4) (15 U.S.C. 80a-27(h)(4)), to the extent that sales load, as defined in paragraph (c)(4) of this Rule, deducted does not exceed that permitted by either paragraph (b)(13)(i)(A) or (b)(13)(i)(B) of this section:

(A) 9 per centum of the sum of the guideline annual premiums that would be paid during the period equal to the lesser of 20 years or the anticipated life expectancy of the insured named in the contract based on the 1980 Commis-

sioners Standard Ordinary Mortality Table, *Provided*, That this paragraph (b)(13)(i)(A) shall not prohibit deduction of sales load, in any manner permitted by this Rule, from payments made in excess of the sum of the guideline annual premiums that would be paid during the lesser of 20 years or the anticipated life expectancy of the insured based on the 1980 Commissioners Standard Ordinary Mortality Table; or

(B) 9 per centum of payments made thereon; *Provided*, That the separate account elects by written notice to the Commission to be governed (with respect to each class of flexible contract offered) by either paragraph (b)(13)(i)(A) or (B); *Provided, however*, That for each class of flexible contract that requires more than four guideline annual premiums within the first two contract periods following issuance of the contract or of an increase in or addition of insurance benefits (within the meaning of paragraph (d)(2) of this section), the separate account must elect to be governed by paragraph (b)(13)(i)(B) of this section.

(ii) Sections 27(a)(3) (15 U.S.C. 80a-27(a)(3)) and 27(h)(3) (15 U.S.C. 80a-27(h)(3)), *Provided*, That the proportionate amount of sales load deducted from any payment shall not exceed the proportionate amount deducted from any prior payment unless an increase is caused by reductions in the annual cost of insurance, or a reduction in the sales load deducted from amounts transferred to a flexible contract from another plan of insurance;

(iii) Sections 27(c)(2), 26(a)(1) (15 U.S.C. 80a-26(a)(1)), and 26(a)(2) (15 U.S.C. 80a-26(a)(2)), to the extent necessary to permit the actions described in paragraphs (A) through (F) of this section, *Provided*, That the life insurer complies with all other applicable provisions of section 26 as if it were a trustee, depositor or custodian for the separate account; files with the insurance regulatory authority of a state or territory of the United States or of the District of Columbia an annual statement of its financial condition in the form prescribed by the National Association of Insurance Commissioners, which most recent statement indicates

that it has a combined capital and surplus, if a stock company, or an unassigned surplus, if a mutual company, of not less than \$1,000,000; and is examined from time to time by the insurance regulatory authority of such state, territory or District of Columbia as to its financial condition and other affairs and is subject to supervision and inspection with respect to its separate account operations.

(A) Payment of a fee to the life insurer, or to any affiliated person or agent of the insurer, for bookkeeping or other administrative services provided to the separate account, or for administrative services or expenses incurred in underwriting, issuing, and maintaining flexible contracts, *Provided*, That the fee is not greater than the expenses, without profit:

(1) Actually paid by the life insurer for the services provided; and

(2) Increased by the value of any services provided directly by the life insurer, as determined in accordance with generally accepted accounting principles consistently applied.

The standard set forth in this paragraph shall be applied as follows: if the separate account reserves the right to increase the fee, the fee shall not exceed the cost of the services to be provided for one year; or if the fee is guaranteed not to increase for a specified period of time, the fee shall not exceed the average expected cost of the services to be provided during the period of the guarantee;

(B) The holding of the assets of the separate account by the life insurer without a trust indenture or other such instrument;

(C) When the separate account is organized as a unit investment trust, the holding of the securities of any registered management investment company which offers its shares to the separate account in uncertificated form;

(D) When the separate account is organized as a management investment company, the holding of its assets in any manner permitted by paragraph (b)(9) of this Rule or by section 17(f) or the rules under it;

(E) The deduction of premium or other taxes imposed by any state or other governmental entity, the cost of insurance, charges assessed for inci-

dental insurance benefits or if the insured does not meet standard underwriting requirements, and, if the separate account is organized as a management investment company, an investment advisory fee;

(F) The deduction of a charge for mortality, expense, and any guaranteed death benefit risks assumed by the life insurer under the flexible contracts (collectively, a "risk charge"), *Provided*, That the registration statement under the 1933 Act for flexible contracts includes:

(1) A representation that this paragraph is being relied upon;

(2) A representation that the level of the risk charge either is:

(i) Within the range of industry practice for comparable flexible or scheduled contracts, or

(ii) Reasonable in relation to the risks assumed by the life insurer under the contracts;

(3) A brief description of the methodology used to support the representation made in response to paragraph (b)(13)(iii)(F)(2) of this Rule and an undertaking to keep and make available to the Commission upon request the documents used to support that representation;

(4) A representation that either:

(i) The proceeds from explicit sales loads will be sufficient to cover the expected costs of distributing the flexible contracts; or

(ii)(A) The life insurer has concluded that there is a reasonable likelihood that the distribution financing arrangement of the separate account will benefit the separate account and contractholders and will keep and make available to the Commission on request a memorandum setting forth the basis for this representation; and

(B) If the separate account is organized as a management investment company, a representation that the account will have a board of directors, a majority of whom are not interested persons of the separate account, formulate and approve any plan under Rule 12b-1 to finance distribution expenses. If the separate account is organized as a unit investment trust, a representation that the account will invest only in management investment companies which have undertaken to have a board

of directors, a majority of whom are not interested persons of the company, formulate and approve any plan under Rule 12b-1 to finance distribution expenses.

Notwithstanding the provisions of this paragraph (b)(13)(iii)(F), no risk charge may be deducted in reliance thereupon if the registration statement or amendment thereto which initially sets forth the deduction of such charge or its increase becomes effective by lapse of time pursuant to section 8(a) of the 1933 Act or Rule 485 (17 CFR 230.485) thereunder. Such charge shall be disclosed in the prospectus and shall not be less than fifty per centum of the maximum charge for risk assumption as disclosed in the prospectus and as provided for in the contract. Any separate account organized under the Act as a management investment company and deducting a risk charge pursuant to this section shall be exempt from section 12(b) and Rule 12b-1 thereunder to the extent that monies derived from the risk charge may be used to finance distribution of the flexible contracts;

(iv) Sections 27(c)(1) and 27(d), and sections 2(a)(32) and 22(c) and Rule 22c-1 thereunder, to the extent that:

(A) Such sections require that the flexible contract be redeemable or provide for a refund in cash, *Provided*, That the contract provides for election by the contractholder of a cash surrender value or certain non-forfeiture and settlement options which are required or permitted by the insurance law or regulation of the jurisdiction in which the contract is offered, *And provided further*, That unless required by the insurance law or regulation of the jurisdiction in which the contract is offered or unless elected by the contractholder, the contract shall not provide for the automatic imposition of any option, including, but not limited to, an automatic premium loan, which would involve the accrual or payment of an interest or similar charge.

(B) Notwithstanding the provisions of paragraph (b)(13)(iv)(A) of this Rule, if the amounts available under the contract to pay the charges due under the contract on any contract processing day are less than such charges due, the contract may provide that the cash surrender value (and any excess paid

for sales loading not used to keep the contract in force pursuant to paragraph (b)(13)(iv)(B)(2) of this Rule) shall be applied to purchase a non-forfeiture option specified by the life insurer in such contract, *Provided*, That the contract also provides that:

(1) Contract processing days occur not less frequently than monthly, and

(2) the amount of any excess paid for sales loading (as provided in paragraph (b)(13)(v)(A) of this Rule) shall first be applied to keep the contract in force, *Provided, however*, That if the contractholder subsequently makes a payment, the life insurer may recover such excess loading;

(C) Subject to other provisions of this Rule, sales loads and administrative expenses or fees may be deducted upon redemption.

(v) Section 27(d), *Provided*, That the flexible contract gives the holder thereof the right to:

(A) Surrender the contract at any time during the first 24 months after issuance and receive in cash an amount not less than the sum of the present value of his contract which is the cash surrender value next computed after receipt by the life insurer of the request for surrender in proper form, plus, an amount which is a refund of any excess paid for sales loading prior to or in connection with the surrender. The amount of sales loading to be refunded shall be equal to that part of the sales loading in excess of (1) the sum of 30 per centum of payments in aggregate amount less than or equal to one guideline annual premium, plus 10 per centum of payments in aggregate amount greater than one guideline annual premium but not more than two guideline annual premiums, and (2) 9 per centum of each payment made in excess of two guideline annual premiums;

(B) Convert the contract at any time during the first 24 months after issuance, so long as the contract is in force, to a life insurance policy on the life of the insured under a plan of insurance (other than a plan involving a flexible contract as defined in paragraph (c)(1) of this Rule or a scheduled contract as defined in paragraph (c)(1) of Rule 6e-2) specified in the contract,

issued by the life insurer or by an affiliated life insurance company, which provides for (1) at the election of the contractholder, either the same death benefit or the same net amount at risk as the flexible contract at the time of conversion and (2) premiums (or cost of insurance or other charges, ("charges")) if such plan of insurance provides for flexible premiums) which are based on the same issue age and risk classification of the insured as the flexible contract. The conversion shall be subject to an equitable adjustment in payments and cash values to reflect variances, if any, in the payments (or charges), dividends, and cash values under the flexible contract and the new policy. The method of computing such adjustment shall be filed with the Commission as an exhibit to the form required under paragraph (b)(3)(ii) of this Rule;

(vi) A depositor or principal underwriter for a flexible contract sold subject to section 27(d) or section 27(f), or both, shall be exempt from the requirements of Rule 27d-1 (17 CFR 270.27d-1) if an insurance company undertakes in writing to guarantee the performance of all obligations of such depositor or principal underwriter under sections 27(d) and 27(f) to refund charges, and such insurance company, depositor and principal underwriter comply with all provisions of Rule 27d-2 (17 CFR 270.27d-2);

(vii) Section 27(e) [15 U.S.C. 80a-27(e)] and Rule 27e-1 (17 CFR 270.27e-1) thereunder, to the extent that the separate account and the depositor and principal underwriter therefor, when such persons are subject to paragraph (b)(13)(v)(A) of this Rule, are required to provide a notice of right of surrender and refund to holders of flexible contracts, if the life insurer or a duly authorized agent provides a notice of surrender and refund rights on a written document containing information comparable to that required by Form N-27I-1 (17 CFR 274.301) to the holder of any flexible contract under which a refund may be available, *Provided*, That such notice shall be sent by first class mail or personal delivery to the contractholder:

(A) Upon issuance of the flexible contract, which notice may be sent to-

gether with the issued contract and an illustration, in a form appropriate for inclusion in the prospectus for the flexible contract, of guideline annual premiums, death benefits and cash surrender values applicable to the age, sex and underwriting classification of the insured; and

(B) On any contract processing day, prior to the expiration of the surrender and refund right provided in paragraph (b)(13)(v)(A) of this Rule, on which the amounts available under the contract on such day to pay the charges authorized by the contract are less than the amount necessary to keep the contract in force until the next following contract processing day. This notice may be sent together with any notice required by applicable state authority to be sent in these circumstances; *Provided, however*, That the right of surrender and refund provided by paragraph (b)(13)(v)(A) of this Rule shall not expire until not less than 15 days after the mailing or receipt, if personally delivered, of the last notice referred to in this paragraph (b)(13)(vii)(B) of this section;

(viii) Section 27(f) and Rule 27f-1 thereunder (17 CFR 270.27f-1), *Provided*, That:

(A) The contractholder may elect to return the contract within 45 days of the date of the execution of the application for insurance, or within 10 days after receipt of the issued contract by the contractholder, or within 10 days after mailing or personal delivery of the notice of the right of withdrawal referred to in paragraph (b)(13)(viii)(C) of this Rule, whichever is later, and receive a refund equal to the sum of (1) the difference between the payments made, including any contract fees or other charges, and the amounts allocated to the separate account under the contract, (2) the value of the amounts allocated to the separate account under the contract on the date the returned contract is received by the insurer or its agent, and (3) any contract fees and other charges imposed on the amounts allocated to such separate account, *Provided, however*, That if state law or the contract so require, the redeeming contractholder shall receive a refund of all payments made for such contract;

Securities and Exchange Commission

§ 270.6e-3(T)

(B) A refund in accordance with paragraph (b)(13)(viii)(A) of this Rule to redeeming contractholders will not in any way affect the interests in the separate account or the benefits of other flexible or scheduled contractholders;

(C) Notice of such withdrawal right and a statement of contract fees and other charges on a written document containing information comparable to that required by Form N-271-2 (17 CFR 274.303) is sent by first class mail or personal delivery to the contractholder, which notice and statement may be accompanied by the flexible contract, and an illustration, in a form appropriate for inclusion in the prospectus for the flexible contract, of guideline annual premiums (or, if the contract is subject to paragraph (b)(13)(i)(B), payments), death benefits and cash surrender values applicable to the age, sex and underwriting classification of the insured;

(D) The contractholder, in conjunction with the notice of withdrawal right referred to in paragraph (b)(13)(viii)(C) of this section, is provided with a form of request for refund of the amount computed in accordance with paragraph (b)(13)(viii)(A), which form shall set forth:

(1) Instructions as to the manner in which a refund may be obtained, including the address to which the request form should be mailed; and

(2) Spaces necessary to indicate the date of such request, the contract number and the signature of the contractholder; and

(E) Within 7 days from the receipt of such duly executed timely request for refund, the life insurer will refund in cash to the contractholder the amount computed in accordance with paragraph (b)(13)(viii)(A) of this Rule; and

(ix) Solely for purposes of paragraphs (b)(13)(v) and (b)(13)(viii) of this Rule, the postmark date on the envelope containing the flexible contract shall determine whether such contract has been submitted for surrender, conversion, or withdrawal within the designated period.

(14) Section 32(a)(2) (15 U.S.C. 80a-31(a)(2)), *Provided*, That:

(i) The independent public accountant is selected before the effective date of the 1933 Act registration statement

for flexible contracts, and the identity of the accountant is disclosed in the registration statement, and

(ii) The selection of the accountant is submitted for ratification or rejection to flexible contractholders at their first meeting and within one year after the effective date of the 1933 Act registration statement for flexible contracts, unless the time for holding the meeting is extended by order of the Commission.

(15) If the separate account is organized as a unit investment trust, all the assets of which consist of the shares of one or more registered management investment companies which offer their shares exclusively to separate accounts of the life insurer, or of any affiliated life insurance company, offering either scheduled contracts or flexible contracts, or both; or which also offer their shares to variable annuity separate accounts of the life insurer or of an affiliated life insurance company, or which offer their shares to any such life insurance company in consideration solely for advances made by the life insurer in connection with the operation of the separate account; *Provided*, That: the board of directors of each investment company, constituted with a majority of disinterested directors, will monitor such company for the existence of any material irreconcilable conflict between the interests of variable annuity contractholders and scheduled or flexible contractholders investing in such company; the life insurer agrees that it will be responsible for reporting any potential or existing conflicts to the directors; and if a conflict arises, the life insurer will, at its own cost, remedy such conflict up to and including establishing a new registered management investment company and segregating the assets underlying the variable annuity contracts and the scheduled or flexible contracts; Then:

(i) The eligibility restrictions of section 9(a) shall not apply to those persons who are officers, directors or employees of the life insurer or its affiliates who do not participate directly in the management or administration of any registered management investment company described in this paragraph (b)(15);

(ii) The life insurer shall be ineligible under paragraph (3) of section 9(a) to serve as investment adviser or principal underwriter for any registered management investment company described in this paragraph (b)(15) only if an affiliated person of such life insurer, ineligible by reason of paragraphs (1) or (2) of section 9(a), participates in the management or administration of such company;

(iii) For purposes of any section of the Act which provides for the vote of securityholders on matters relating to the separate account or the underlying registered investment company, the voting provisions of paragraph (b)(10)(i) and (ii) of this Rule apply, *Provided*, That:

(A) The life insurer may vote shares of the registered management investment companies held by the separate account without regard to instructions from contractholders of the separate account if such instructions would require such shares to be voted:

(1) To cause such companies to make (or refrain from making) certain investments which would result in changes in the sub-classification or investment objectives of such companies or to approve or disapprove any contract between such companies and an investment adviser when required to do so by an insurance regulatory authority subject to the provisions of paragraphs (b)(5)(i) and (b)(7)(ii)(A) of this Rule; or

(2) In favor of changes in investment objectives, investment adviser or principal underwriter for such companies subject to the provisions of paragraphs (b)(5)(ii) and (b)(7)(ii) (B) and (C) of this Rule;

(B) Any action taken in accordance with paragraph (b)(15)(iii)(A)(1) or (2) of this section and the reasons therefor shall be disclosed in the next report contractholders made under section 30(e) (15 U.S.C. 80a-29(e)) and § 270.30e-2;

(iv) Any registered management investment company established by the life insurer and described in this paragraph (b)(15) shall be exempt from section 14(a), *Provided*, That until the company has total assets of at least \$100,000, the life insurer shall have at least the minimum net worth pre-

scribed in paragraph (b)(6) of this Rule; and

(v) Any registered management investment company established by the life insurer and described in this paragraph (b)(15) shall be exempt from sections 15(a), 16(a), and 32(a)(2), to the extent prescribed by paragraphs (b)(7)(i), (b)(8)(i), and (b)(14) of this Rule, *Provided*, That the company complies with the conditions set forth in those paragraphs as if it were a separate account.

(c) When used in this Rule:

(1) *Flexible premium variable life insurance contract* means a contract of life insurance, subject to regulation under the insurance laws or code of every jurisdiction in which it is offered, funded by a separate account of a life insurer, which contract provides for:

(i) Payments which are not fixed by the life insurer as to both timing and amount: *Provided, however*, That the life insurer may fix the timing and minimum amount of payments for the first two contract periods following issuance of the contract or of an increase in or addition of insurance benefits (within the meaning of paragraph (d)(2) of this section), and may prescribe a reasonable minimum amount for any additional payment;

(ii) A death benefit the amount or duration of which may vary to reflect the investment experience of the separate account;

(iii) A cash value which varies to reflect the investment experience of the separate account; and

(iv) There is a reasonable expectation that subsequent payments will be made.

(2) *Incidental insurance benefits* means insurance benefits provided pursuant to the flexible contract, other than any guaranteed and variable death benefit, which do not have discrete cash values that may vary in amount in accordance with the investment experience of the separate account, and include, but are not limited to, accidental death and dismemberment benefits, disability income benefits, guaranteed insurability options, and family income or fixed benefit term riders.

(3) *Guaranteed death benefit* is any amount guaranteed by the life insurer to be paid pursuant to a flexible contract in the event of the death of the

insured without regard to the investment experience of the separate account, if there are no outstanding loans or partial surrenders, but does not include any incidental insurance benefits.

(4) *Sales load* charged during a contract period is the excess of any payments made during the period over the sum of the following:

(i) The amount of the change (whether it is an increase or decrease) in the cash value for the period that is not attributable to net investment earnings or to dividends for a participating flexible contract for the period;

(ii) The cost of insurance for the period based on:

(A) For a flexible contract subject to paragraph (b)(13)(i)(A) of this section, the 1980 Commissioners Standard Ordinary Mortality Table and net interest at the annual effective rate specified for purposes of paragraph (c)(8)(i)(B) of this Rule; or

(B) For a flexible contract subject to paragraph (b)(13)(i)(B) of this section, either the 1980 Commissioners Standard Ordinary Mortality Table or the 1958 Commissioners Ordinary Mortality Table (whichever relates to rates guaranteed by the contract) and the assumed investment rate specified in the contract, *Provided, however*, That the 1958 Commissioners Ordinary Mortality Table may only be used for those contracts issued before 1990, or such earlier mandatory date for implementation of the 1980 Commissioners Standard Ordinary Mortality Table under the applicable Standard Nonforfeiture Law for life insurance;

(iii) A reasonable charge necessary to cover the risk assumed by the life insurer that the variable death benefit will be less than any guaranteed death benefit;

(iv) Any administrative expenses or fees which are deducted pursuant to paragraph (b)(13)(iii)(A) of this Rule;

(v) A deduction for and approximately equal to state premium taxes;

(vi) Any additional charge assessed if the insured does not meet standard underwriting requirements, including, but not limited to, any additional cost of insurance charge for a contract purchased on a simplified underwriting or guaranteed issue basis;

(vii) Any additional charge assessed specifically for any incidental insurance benefits;

(viii) Any additional charge, the nature of an interest charge, assessed when payments are made more frequently than annually, but only to the extent that such payments are made to fulfill a minimum payment requirement imposed pursuant to paragraph (c)(1)(i) of this Rule;

(ix) Any amounts redeemed by the contractholder or paid out to the beneficiary upon the death of the insured which are not attributable to net investment earnings for the period; and

(x) For a participating flexible contract, a deduction for dividends to be paid or credited in accordance with the dividend scale in effect on the issue date of the contract assuming a net annual investment return for the separate account which funds the contract of 5 per centum. The deduction may be determined by either of the following methods, but the same method must be used for each contract period:

(A) The actuarial level annual equivalent of dividends to be paid or credited over the contract periods described in paragraph (b)(13)(i) of this Rule, based upon the mortality, interest and lapse assumptions used in computing the dividend scale for the contract (and, if the contract is subject to paragraph (b)(13)(i)(A) of this section, the assumption that the guideline annual premium will be paid in each contract period) multiplied by the fraction of the contract year represented by the contract period; or

(B) That portion of the dividend to be paid for the contract year which does not depend on the making of payments in addition to those made during the period.

(5) *Contract period* means the period from a contract issue or anniversary date to the earlier of the next following anniversary date (or, if later, the last day of any grace period commencing before such next following anniversary date) or the termination date of the contract.

(6) *Variable death benefit* is the amount of death benefit, other than incidental insurance benefits, payable under a flexible contract which varies to reflect the investment experience of

the separate account and which would be payable in the absence of any guaranteed death benefit.

(7) *Payment*, as used in paragraphs (b)(13)(i), (b)(13)(ii), and (b)(13)(v)(A) of this Rule and in sections 27(a)(2) and 27(h)(2) solely with respect to flexible contracts, means for a contract period the gross premiums paid less any portion of such gross premiums charged for the items specified in paragraphs (c)(4)(vi), (c)(4)(vii), and (c)(4)(viii) of this Rule. "Payment," as used in any other section of this Rule, means the gross premiums paid or payable for the flexible contract, *Except*, That "Payment" shall not include any amount deducted by the life insurer to recover excess sales loading previously applied to keep the contract in force pursuant to paragraph (b)(13)(iv)(B)(2) of this Rule.

(8)(i) *Guideline annual premium* means the level annual amount that would be payable through the maturity date specified in paragraph (c)(8)(ii)(B) of this Rule for the future benefits under the contract if, subject to the provisions of paragraph (c)(8)(ii) of this Rule:

(A) The payments were fixed by the life insurer as to both timing and amount, and

(B) The payments were based on the 1980 Commissioners Standard Ordinary Mortality Table, net investment earnings at the greater of an annual effective rate of 5 per centum or rate or rates guaranteed at issuance of the flexible contract, the sales load under the contract, and the fees and charges associated with the contract specified in paragraphs (c)(4)(iii), (c)(4)(iv), (c)(4)(v), (c)(4)(vi), (c)(4)(vii), (c)(4)(viii) (for the first two contract periods as permitted by paragraphs (c)(1)(i)), and (c)(4)(x) of this Rule.

(ii) In computing the future benefits under the flexible contract for determining the guideline annual premium:

(A) The excess of the amount payable by reason of the death of the insured (determined without regard to any incidental insurance benefits) over the cash value of the contract shall be deemed to be not greater than such excess at the time the contract was issued,

(B) The maturity date shall be the latest maturity date permitted under the contract but not less than 20 years after the date of issue or (if earlier) age 95, and

(C) The amount of any endowment benefit (or sum of endowment benefits) shall be deemed not to exceed the least amount payable by reason of the death of the insured (determined without regard to any incidental insurance benefits) at any time under the contract.

(9) *Cash value* means the amount that would be available in cash upon voluntary termination of a contract by its owner before it becomes payable by death or maturity, without regard to any charges that may be assessed upon such termination and before deduction of any outstanding contract loan.

(10) *Cash surrender value* means the amount available in cash upon voluntary termination of a contract by its owner before it becomes payable by death or maturity, after any charges assessed in connection with the termination have been deducted and before deduction of any outstanding contract loan.

(11) *Net investment earnings* means investment earnings in the separate account after deduction of any asset charges, including but not limited to, such charges for income tax; brokerage and other investment expenses; mortality, expense, and guaranteed death benefit risks; and an investment advisory fee, but not including deductions for sales load. However, "net investment earnings" as used in paragraph (c)(4)(i) of this Rule shall not include any amount deducted pursuant to paragraphs (ii) through (viii) of paragraph (c)(4).

(12) *Contract processing day* means any day on which charges under the contract are deducted from the separate account.

(d) The following computational rules shall be used in applying this Rule:

(1) Paragraphs (b)(13)(i) and (b)(13)(ii) of this Rule shall be deemed to be satisfied with respect to any flexible contract under which sales load is deducted other than from payments prior to the allocation of net payments to the separate account if:

(i) From issuance of the contract through each contract period, the aggregate amount of sales load deducted is not more than the aggregate amount of sales load that could be deducted under an otherwise identical flexible contract that deducted sales load only from payments prior to their allocation to the separate account; and

(ii)(A) The amount of sales load deducted pursuant to any method permitted under this paragraph (other than asset-based sales loads) does not exceed the proportionate amount of sales load deducted prior thereto pursuant to the same method, unless an increase in such proportionate amount is caused by reductions in the annual cost of insurance, or a reduction in the sales load deducted from amounts transferred to a flexible contract from another plan of insurance; or

(B) For asset-based sales load structures, the percentage of assets taken as sales load does not exceed any of the percentages previously taken pursuant to the same method, unless an increase in such percentage is caused by a reduction in the percentage taken on amounts transferred to a flexible contract from another plan of insurance.

(2)(i) Solely with respect to increases in or additions of insurance benefits requested by a contractholder after issuance of a flexible contract, the contract shall be deemed to satisfy paragraphs (b)(13)(i)(A), (b)(13)(ii), (b)(13)(v), (b)(13)(viii), and (d)(1)(ii) of this Rule, *Provided*, That from issuance of the contract through each contract period the aggregate amount of sales load imposed is not more than the aggregate amount of sales load that would be permissible under the base test contract, as defined in paragraph (d)(2)(iii)(B) of this Rule, and the incremental test contract, as defined in paragraph (d)(2)(iii)(C) of this Rule.

(ii) The following procedures shall be used in applying paragraph (d)(2)(i) of this section:

(A) Payments for the actual contract, as defined in paragraph (d)(2)(iii)(A) of this Rule, and the base and incremental test contracts shall, for purposes of demonstrating compliance with the sales load provisions of this Rule, be deemed paid in the following proportionate amounts: level

annual payments for the base test contract equal to the guideline annual premium for the contract, commencing upon issuance; level annual payments for the incremental test contract equal to the difference between the guideline annual premium for the actual contract after the increase in or addition of insurance benefits and before such increase or addition, commencing upon such increase or addition; and level annual payments for the actual contract equal to the guideline annual premium for such contract, commencing upon issuance and adjusted for such increase or addition as of the date of such increase or addition, *Provided* that the guideline annual premium used is that defined in paragraph (c)(8) of this section;

(B) To the extent that the increases in, or additions of, insurance benefits are funded out of cash value, such cash value shall be proportionately allocated between the base test contract and incremental test contract according to the ratio of their respective guideline annual payments, as described in (d)(2)(ii)(A); and

(C) It is assumed that no redemptions are made under the actual and test contracts.

(D) An incremental test contract may deduct, in any manner permitted by this Rule, not more than 50 per centum of the sales load which would otherwise be permitted under the base test contract, and not be subject to the surrender, conversion, and withdrawal provisions set forth in paragraphs (b)(13)(v) (A) and (B) and (b)(13)(viii) of this Rule, *Provided, however*, That the increased or added benefit will be subject to the surrender, conversion, and withdrawal provisions referenced above if more than such 50 per centum of sales load is assessed.

(iii) For purposes of this paragraph (d)(2):

(A) *Actual contract* shall mean the flexible contract issued to the contractholder, and adjusted for the increase in or addition of insurance benefits, as of the date of the increase or addition;

(B) *Base test contract* shall mean the actual contract had the increase or addition not occurred;

§ 270.7d-1

17 CFR Ch. II (4-1-04 Edition)

(C) *Incremental test contract* shall mean a flexible contract that, (1) is issued on the date of the increase or addition, and (2) provides insurance benefits identical to the incremental change in insurance benefits under the actual contract upon such increase or addition; and

(D) Any change in insurance benefits which would occur automatically under a contract, with or without the opportunity for contractholder disapproval, or any change in death benefit operation shall not be considered an "increase in or addition of insurance benefits requested by a contractholder" for purposes of imposing additional sales load.

§ 270.7d-1 Specification of conditions and arrangements for Canadian management investment companies requesting order permitting registration.

(a) A management investment company organized under the laws of Canada or any province thereof may obtain an order pursuant to section 7(d) permitting its registration under the act and the public offering of its securities, if otherwise appropriate, upon the filing of an application complying with paragraph (b) of this section. All such applications will be considered by the Commission pursuant to the procedure set forth in § 270.0-5 and other applicable rules. Conditions and arrangements proposed by investment companies organized under the laws of other countries will be considered by the Commission in the light of the special circumstances and local laws involved in each case.

(b) An application filed pursuant to this section shall contain, inter alia, the following undertakings and agreements of the applicant:

(1) Applicant will cause each present and future officer, director, investment adviser, principal underwriter and custodian of the applicant to enter into an agreement, to be filed by applicant with the Commission upon the filing of its registration statement or upon the assumption of such office by such person which will provide, among other

things, that each such person agrees (i) to comply with the applicant's Letters Patent (Charter) and By Laws, the act and the rules thereunder, and the undertakings and agreements contained in said application insofar as applicable to such person; (ii) to do nothing inconsistent with the applicant's undertakings and agreements required by this section; (iii) that the undertakings enumerated as paragraphs (b)(1)(i) and (ii) of this section constitute representations and inducements to the Commission to issue its order in the premises and continue the same in effect, as the case may be; (iv) that each such agreement constitutes a contract between such person and the applicant and its shareholders with the intent that applicant's shareholders shall be beneficiaries of and shall have the status of parties to such agreement so as to enable them to maintain actions at law or in equity within the United States and Canada for any violation thereof. In addition the agreement of each officer and director will contain provisions similar to those contained in paragraph (b)(6) of this section.

(2) That every agreement and undertaking of the applicant, its officers, directors, investment adviser, principal underwriter and custodian required by this section (i) constitute inducements to the Commission for the issuance and continuance in effect of, and conditions to, the Commission's order to be entered under this section; (ii) constitute a contract among applicant and applicant's shareholders with the same intent as set forth in paragraph (b)(1)(iv) of this section; and (iii) failure by the applicant or any of the above enumerated persons to comply with any such agreement and undertaking, unless permitted by the Commission, shall constitute a violation of the order entered under this section.

(3) That the Commission, in its discretion, may revoke its order permitting registration of the applicant and the public offering of its securities if it shall find after notice and opportunity for hearing that there shall have been a violation of such order or the act and may determine whether distribution of applicant's assets is necessary or appropriate in the interests of investors and may so direct.

(4) That applicant will perform every action and thing necessary to cause and assist the custodian of its assets to distribute the same, or the proceeds thereof, if the Commission or a court of competent jurisdiction, shall have so directed by a final order.

(5) That any shareholder of the applicant or the Commission on its own motion or on request of shareholders shall have the right to initiate a proceeding (i) before the Commission for the revocation of the order permitting registration of the applicant or (ii) before a court of competent jurisdiction for the liquidation of applicant and a distribution of its assets to its shareholders and creditors. Such court may enter such order in the event that it shall find, after notice and opportunity for hearing that applicant, its officers, directors, investment adviser, principal underwriter or custodian shall have violated any provision of the act or the Commission's order of registration of the applicant.

A court of competent jurisdiction for the purpose of paragraphs (b)(4) and (5) of this paragraph means the District Court of the United States of the district in which the assets of the applicant are maintained.

(6) That any shareholder of the applicant shall have the right to bring suit at law or in equity, in any court of the United States or Canada having jurisdiction over applicant, its assets or any of its officers or directors to enforce compliance by applicant, its officers and directors with any provision of applicant's Charter or By Laws, the act and the rules thereunder, or undertakings and agreements required by this section, insofar as applicable to such persons. That such court may appoint a trustee or receiver of the applicant with all powers necessary to implement the purposes of such suit, including the administration of the estate, the collection of corporate property including choses-in-action, and distribution of applicant's assets to its creditors and shareholders. That applicant and its officers and directors waive any objection they may be entitled to raise and any right they may have to object to the power and right of any shareholder of the applicant to bring such suit, reserving, however,

their right to maintain that they have complied with the aforesaid provisions, undertakings and agreements, and otherwise to dispute such suit on its merits. Applicant, its officers and directors also agree that any final judgment or decree of any United States court as aforesaid, may be granted full faith and credit by a court of competent jurisdiction of Canada and consent that such Canadian court may enter judgment or decree thereon at the instance of any shareholder, receiver or trustee of the applicant.

(7) Applicant will file, and will cause each of its present or future directors, officers, or investment advisers who is not a resident of the United States to file with the Commission irrevocable designation of the applicant's custodian as an agent in the United States to accept service of process in any suit, action or proceeding before the Commission or any appropriate court to enforce the provisions of the acts administered by the Commission, or to enforce any right or liability based upon applicant's Charter, By Laws, contracts, or the respective undertakings and agreements of any such person required by this section, or which alleges a liability on the part of any such persons arising out of their service, acts of transactions relating to the applicant.

(8) Applicant's Charter and By Laws, taken together, will contain, so long as applicant is registered under the act in substance the following:

Where a provision of the act prohibits or directs action by an investment company, or its directors, officers or employees, the Charter or By Laws shall state that the applicant of its directors, officers or employees shall or shall not act, as the case may be, in conformity with the intent of the statute; where the provision applies to others, such as principal underwriters, investment advisers, controlled companies and affiliated persons, the Charter or By Laws shall also state that the applicant will not permit the prohibited conduct or will obtain the required action. Any of the provisions of sections 11, 12, 15, 18, 22, 23, 30, and 31 may be omitted if not applicable to a company of applicant's classification or subclassification as defined in section 4 or 5 of the act or if not applicable because the subject matter of such provisions is prohibited by the Charter or By Laws. Other provisions of the act not specified above may be incorporated in the applicant's Charter or By Laws at its option.

(ii) Any question of interpretation of any term or provision of the Charter or By Laws having a counterpart in or otherwise derived from a term or provision of the act shall be resolved by reference to interpretations, if any, of the corresponding term or provision of the act by the courts of the United States of America or, in the absence of any controlling decision of any such court, by rules, regulations, orders or interpretations of the Commission.

The contract will provide, *inter alia*, that the custodian will:

(9) Contracts of the applicant, other than those executed on an established securities exchange which do not involve affiliated persons, will provide that:

(a) Registration statements and reports shall be filed on good quality, unglazed, white paper, no larger than 8½×11 inches in size, insofar as practicable. (b) In the case of a registration statement filed on Form N-1A (§239.15A and §274.11A of this chapter), Form N-2 (§239.14 and §274.11a-1 of this chapter), Form N-3 (§239.17a and §274.11b of this chapter), Form N-4 (§239.17b and §274.11c of this chapter), or Form N-6 (§239.17c and §274.11d of this chapter), Part C of the registration statement shall be filed on good quality, unglazed, white paper, no larger than 8½×11 inches in size, insofar as practicable. The prospectus and, if applicable, the Statement of Additional Information, however, may be filed on smaller-sized paper provided that the size of paper used in each document is uniform.

(c) The registration statement or report and, insofar as practicable all papers and documents filed as a part thereof, shall be printed, lithographed, mimeographed or typewritten. However, the registration statement or report or any portion thereof may be prepared by any similar process which, in the opinion of the Commission, produces copies suitable for permanent record. Irrespective of the process used, all copies of any such material shall be clear, easily readable and suitable for repeated photocopying. Debits in credit categories and credits in debit categories shall be designated so as to be clearly distinguishable as such on photocopies.

(d) The body of all printed registration statements and reports and all notes to financial statements and other tabular data included therein shall be in roman type at least as large as 10-point modern type. However, to the extent necessary for convenient presentation, financial statements and other statistical or tabular data, including tabular data in notes, may be set in type at least as large and as legible as 8-point modern type. However, where any item requires information to be given in tabular form, it shall be given in substantially the tabular form specified in the item. All instructions, whether appearing under the items of the form or elsewhere therein, are to be omitted from the registration statement or report. Unless expressly provided otherwise, if any item is inapplicable or the answer thereto is in the negative, an appropriate statement to that effect shall be made.

(4) Any material changes in the principal risk factors associated with investment in the company (described in Item 8.3 of Form N-2); and

(5) Any changes in the persons who are primarily responsible for the day-to-day management of the company's portfolio (described in Item 9.1.c of Form N-2), including any new person's business experience during the past five years and the length of time he or she has been responsible for the management of the portfolio.

(c) In lieu of including a description of the dividend reinvestment plan in its annual report, a company may comply with the disclosure requirement of paragraph (b)(1) of this section concerning a company's dividend reinvestment plan by delivering to each shareholder annually a separate document containing the information about the plan required to be disclosed in the company's prospectus by Item 10.1.e of Form N-2. Any such document shall be deemed to be a record or document subject to the record-keeping requirements of section 31 (15 U.S.C. 80a-30) and the rules adopted thereunder (17 CFR 270.31a-1 *et seq.*).

(d) The changes required to be disclosed by paragraphs (b)(2) through (b)(5) of this section are those that occurred since the later of either the effective date of the company's registration statement relating to its initial offering of securities under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) (or the most recent post-effective amendment thereto) or the close of the period covered by the previously transmitted annual shareholder report.

§ 270.8b-21 Information unknown or not available.

Information required need be given only insofar as it is known or reasonably available to the registrant. If any required information is unknown and not reasonably available to the registrant, either because the obtaining thereof would involve unreasonable effort or expense, or because it rests peculiarly within the knowledge of another person not affiliated with the registrant, the information may be omitted subject to the following conditions:

(a) The registrant shall give such information on the subject as it possesses or can acquire without unreasonable effort or expense, together with the sources thereof.

(b) The registrant shall include a statement either showing that unreasonable effort or expense would be involved or indicating the absence of any affiliation with the person within whose knowledge the information rests and stating the result of a request made to such person for the information.

copy of the registration statement or report in which it is incorporated by reference. In the case of a registration statement, report, or prospectus filed in electronic format, the registrant need not file a copy of the document incorporated by reference if that document also was filed in electronic format. (c) Material incorporated by reference shall be clearly identified in the reference. § 270.10f-3

(i) The securities are offered or sold in transactions exempt from registration under section 4(2) of the Securities Act of 1933 [15 U.S.C. 77d(2)], rule 144A thereunder [§ 230.144A of this chapter], or rules 501-508 thereunder [§§ 230.501-230.508 of this chapter];

(7) *Series of a series company* means any class or series of a registered investment company that issues two or more classes or series of preferred or special stock, each of which is preferred over all other classes or series with respect to assets specifically allocated to that class or series.

Therefore, a purchase or acquisition of a security by a registered investment company is exempt from the prohibitions of section 10(f) of the Act if section 10(f) of the Act would not prohibit such purchase if each Series and each Managed Portion of the company were a separately registered investment company.

(c) *Exemption for other purchases.* Any purchase of securities by a registered investment company prohibited by section 10(f) of the Act [15 U.S.C. 80a-10(f)] shall be exempt from the provisions of such section if the following conditions are met:

(i) Part of an issue registered under the Securities Act of 1933 (15 U.S.C. 77a-aa) that is being offered to the public;

(ii) Part of an issue of government securities, as defined in section 2(a)(16) of the Act (15 U.S.C. 80a-2(a)(16));

(iii) Eligible Municipal Securities;

(iv) Securities sold in an Eligible Foreign Offering; or

(v) Securities sold in an Eligible Rule 144A Offering.

(2) *Timing and Price.* (i) The securities are purchased prior to the end of the first day on which any sales are made, at a price that is not more than the price paid by each other purchaser of securities in that offering or in any concurrent offering of the securities (except, in the case of an Eligible Foreign Offering, for any rights to purchase that are required by law to be granted to existing security holders of the issuer); and

(ii) If the securities are offered for subscription upon exercise of rights, the securities shall be purchased on or before the fourth day preceding the day on which the rights offering terminates.

(3) *Reasonable Reliance.* For purposes of determining compliance with paragraphs (b)(1)(iv) and (b)(2)(i) of this section, an investment company may reasonably rely upon written statements made by the issuer or a syndicate manager, or by an underwriter or seller of the securities through which such investment company purchases the securities.

(4) *Continuous operation.* If the securities to be purchased are part of an issue registered under the Securities Act of 1933 (15 U.S.C. 77a-aa) that is being offered to the public, are government securities (as defined in section 2(a)(16) of the Act (15 U.S.C. 80a-2(a)(16))), or are purchased pursuant to an Eligible Foreign Offering or an Eligible Rule 144A Offering, the issuer of the securities must have been in continuous operation for not less than three years, including the operations of any predecessors.

(5) *Firm Commitment Underwriting.* The securities are offered pursuant to an underwriting or similar agreement under which the underwriters are committed to purchase all of the securities being offered, except those purchased by others pursuant to a rights offering, if the underwriters purchase any of the securities.

(6) *Reasonable Commission.* The commission, spread or profit received or to be received by the principal underwriters is reasonable and fair compared to the commission, spread or profit received by other such persons in connection with the underwriting of similar securities being sold during a comparable period of time.

(7) *Percentage limit.* (i) *Generally.* The amount of securities of any class of such issue to be purchased by the investment company, aggregated with purchases by any other investment company advised by the investment company's investment adviser, and any purchases by another account with respect to which the investment adviser has investment discretion if the investment adviser exercised such investment discretion with respect to the purchase, does not exceed the following limits:

(A) If purchased in an offering other than an Eligible Rule 144A Offering, 25

percent of the principal amount of the offering of such class; or

(B) If purchased in an Eligible Rule 144A Offering, 25 percent of the total of:

(1) The principal amount of the offering of such class sold by underwriters or members of the selling syndicate to qualified institutional buyers, as defined in § 230.144A(a)(1) of this chapter; plus

(2) The principal amount of the offering of such class in any concurrent public offering.

(ii) *Exemption from percentage limit.* The requirement in paragraph (c)(7)(i) of this section applies only if the investment adviser of the investment company is, or is an affiliated person of, a principal underwriter of the security; and

(iii) *Separate aggregation.* The requirement in paragraph (c)(7)(i) of this section applies independently with respect to each investment adviser of the investment company that is, or is an affiliated person of, a principal underwriter of the security.

(8) *Prohibition of Certain Affiliate Transactions.* Such investment company does not purchase the securities being offered directly or indirectly from an officer, director, member of an advisory board, investment adviser or employee of such investment company or from a person of which any such officer, director, member of an advisory board, investment adviser or employee is an affiliated person; *provided*, that a purchase from a syndicate manager shall not be deemed to be a purchase from a specific underwriter if:

(i) Such underwriter does not benefit directly or indirectly from the transaction; or

(ii) In respect to the purchase of Eligible Municipal Securities, such purchase is not designated as a group sale or otherwise allocated to the account of any person from whom this paragraph prohibits the purchase.

(9) *Periodic Reporting.* The existence of any transactions effected pursuant to this section shall be reported on the Form N-SAR [§ 274.101 of this chapter] of the investment company and a written record of each such transaction, setting forth from whom the securities were acquired, the identity of the underwriting syndicate's members, the

Securities and Exchange Commission

§270.11a-1

terms of the transaction, and the information or materials upon which the determination described in paragraph (b)(10)(iii) of this section was made shall be attached thereto.

(10) *Board Review.* The board of directors of the investment company, including a majority of the directors who are not interested persons of the investment company:

(i) Has approved procedures, pursuant to which such purchases may be effected for the company, that are reasonably designed to provide that the purchases comply with all the conditions of this section;

(ii) Approves such changes to the procedures as the board deems necessary; and

(iii) Determines no less frequently than quarterly that all purchases made during the preceding quarter were effected in compliance with such procedures.

(11) *Board Composition, Selection, and Representation.* (i) A majority of the directors of the investment company are not interested persons of the company, and those directors select and nominate any other disinterested directors of the company; and

(ii) Any person who acts as legal counsel for the disinterested directors of the company is an independent legal counsel.

(12) *Maintenance of Records.* The investment company:

(i) Shall maintain and preserve permanently in an easily accessible place a written copy of the procedures, and any modification thereto, described in paragraphs (b)(10)(i) and (b)(10)(ii) of this section; and

(ii) Shall maintain and preserve for a period not less than six years from the end of the fiscal year in which any transactions occurred, the first two years in an easily accessible place, a written record of each such transaction, setting forth from whom the securities were acquired, the identity of the underwriting syndicate's members, the terms of the transaction, and the information or materials upon which the determination described in para-

graph (b)(10)(iii) of this section was made.

§270.11a-2 Offers of exchange by certain registered separate accounts or others the terms of which do not require prior Commission approval.

(a) As used in this section:

(1) *Deferred sales load* shall mean any sales load, including a contingent deferred sales load, that is deducted upon redemption or annuitization of amounts representing all or a portion of a securityholder's interest in a separate account;

(2) *Exchanged security* shall include not only the security or securities (or portion[s] thereof) of a securityholder actually exchanged pursuant to an exchange offer but also any security or securities (or portion[s] thereof) of the securityholder previously exchanged for the exchanged security or its predecessors;

(3) *Front-end sales load* shall mean any sales load that is deducted from one or more purchase payments made by a securityholder before they are invested in a separate account; and

(4) *Purchase payments made for the acquired security*, as used in paragraphs (c)(2) and (d)(2) of this section, shall not include any purchase payments made for the exchanged security or any appreciation attributable to those purchase payments that are transferred to the offering account in connection with an exchange.

(b) Notwithstanding section 11 of the Act [15 U.S.C. 80a-11], any registered

separate account or any principal underwriter for such an account (collectively, the "offering account") may make or cause to be made an offer to the holder of a security of the offering account, or of any other registered separate account having the same insurance company depositor or sponsor as the offering account or having an insurance company depositor or sponsor that is an affiliate of the offering account's depositor or sponsor, to exchange his security (or portion thereof) (the "exchanged security") for a security (or portion thereof) of the offering account (the "acquired security") without the terms of such exchange offer first having been submitted to and approved by the Commission, as provided below:

(1) If the securities (or portions thereof) involved are variable annuity contracts, then

(i) The exchange must be made on the basis of the relative net asset values of the securities to be exchanged, except that the offering account may deduct at the time of the exchange

(A) An administrative fee which is disclosed in the part of the offering account's registration statement under the Securities Act of 1933 relating to the prospectus, and

(B) Any front-end sales load permitted by paragraph (c) of this section, and

(ii) Any deferred sales load imposed on the acquired security by the offering account shall be calculated in the manner prescribed by paragraph (d) or (e) of this section; or

(2) If the securities (or portions thereof) involved are variable life insurance contracts offered by a separate account registered under the Act as a unit investment trust, then the exchange must be made on the basis of the relative net asset values of the securities to be exchanged, except that the offering account may deduct at the time of the exchange an administrative fee which is disclosed in the part of the offering account's registration statement under the Securities Act of 1933 relating to the prospectus.

(c) If the offering account imposes a front-end sales load on the acquired security, then such sales load

(1) Shall be a percentage that is no greater than the excess of the rate of the front-end sales load otherwise applicable to that security over the rate of any front-end sales load previously paid on the exchanged security, and

(2) Shall not exceed 9 percent of the sum of the purchase payments made for the acquired security and the exchanged security.

(d) If the offering account imposes a deferred sales load on the acquired security and the exchanged security was also subject to a deferred sales load, then any deferred sales load imposed on the acquired security:

(1) Shall be calculated as if

(i) The holder of the acquired security had been the holder of that security from the date on which he became the holder of the exchanged security and

(ii) Purchase payments made for the exchanged security had been made for the acquired security on the date on which they were made for the exchanged security; and

(2) Shall not exceed 9 percent of the sum of the purchase payments made for the acquired security and the exchanged security.

(e) If the offering account imposes a deferred sales load on the acquired security and a front-end sales load was paid on the exchanged security, then any deferred sales load imposed on the acquired security may not be imposed on purchase payments made for the exchanged security or any appreciation attributable to purchase payments made for the exchanged security that are transferred in connection with the exchange.

(f) Notwithstanding the foregoing, no offer of exchange shall be made in reliance on this section if both a front-end sales load and a deferred sales load are to be imposed on the acquired security or if both such sales loads are imposed on the exchanged security.

(Sec. 11(a) (15 U.S.C. 80a-11(a)) and sec. 38(a) (15 U.S.C. 80a-37(a)) of the Act)

(1) *Acquired security* means the security held by a securityholder after completing an exchange pursuant to an exchange offer;

(2) *Administrative fee* means any fee, other than a sales load, deferred sales load or redemption fee, that is

The records preserved under this provision shall be subject to inspection by the Commission in accordance with section 31(b) of the Act (15 U.S.C. 80a-30(b)) as if such records were records required to be maintained under rules adopted under section 31(a) of the Act (15 U.S.C. 80a-30a)); or

(6) *Offering company* means a registered open-end investment company (other than a registered separate account) or any principal underwriter thereof that makes an offer (an "exchange offer") to the holder of a security of that company, or of another

open-end investment company within the same group of investment companies as the offering company, to exchange that security for a security of the offering company;

(7) *Redemption fee* means any fee (other than a sales load, deferred sales load or administrative fee) that is paid to the fund and is reasonably intended to compensate the fund for expenses directly related to the redemption of fund shares; and

(b) Notwithstanding section 11(a) of the Act (15 U.S.C. 80a-11(a)), and except as provided in paragraphs (d) and (e) of this section, in connection with an exchange offer an offering company may cause a securityholder to be charged a sales load on the acquired security, a redemption fee, an administrative fee, or any combination of the foregoing, *Provided that:*

(1) Any administrative fee or scheduled variation thereof is applied uniformly to all securityholders of the class specified;

(2) Any redemption fee charged with respect to the exchanged security or any scheduled variation thereof

(i) Is applied uniformly to all securityholders of the class specified, and

(ii) Does not exceed the redemption fee applicable to a redemption of the exchanged security in the absence of an exchange.

Any scheduled variation of a redemption fee must be reasonably related to the costs to the fund of processing the type of redemptions for which the fee is charged;

(3) No deferred sales load is imposed on the exchanged security at the time of an exchange;

(4) Any sales load charged with respect to the acquired security is a percentage that is no greater than the excess, if any, of the rate of the sales load applicable to that security in the absence of an exchange over the sum of the rates of all sales loads previously paid on the exchanged security, *Provided that:*

(i) The percentage rate of any sales load charged when the acquired security is redeemed, that is solely the result of a deferred sales load imposed on

the exchanged security, may be no greater than the excess, if any, of the applicable rate of such sales load, calculated in accordance with paragraph (b)(5) of this section, over the sum of the rates of all sales loads previously paid on the acquired security, and

(ii) In no event may the sum of the rates of all sales loads imposed prior to and at the time the acquired security is redeemed, including any sales load paid or to be paid with respect to the exchanged security, exceed the maximum sales load rate, calculated in accordance with paragraph (b)(5) of this section, that would be applicable in the absence of an exchange to the security (exchanged or acquired) with the highest such rate;

(5) Any deferred sales load charged at the time the acquired security is redeemed is calculated as if the holder of the acquired security had held that security from the date on which he became the holder of the exchanged security, *Provided that:*

(i) The time period during which the acquired security is held need not be included when the amount of the deferred sales load is calculated, if the deferred sales load is

(A) reduced by the amount of any fees collected on the acquired security under the terms of any plan of distribution adopted in accordance with rule 12b-1 under the Act (17 CFR 270.12b-1) (a "12b-1 plan"), and

(B) Solely the result of a sales load imposed on the exchanged security, and no other sales loads, including deferred sales loads, are imposed with respect to the acquired security,

(ii) The time period during which the exchanged security is held need not be included when the amount of the deferred sales load on the acquired security is calculated, if

(A) The deferred sales load is reduced by the amount of any fees previously collected on the exchanged security under the terms of any 12b-1 plan, and

(B) The exchanged security was not subject to any sales load, and

(iii) The holding periods in this subsection may be computed as of the end of the calendar month in which a security was purchased or redeemed;

(6) The prospectus of the offering company discloses

(i) The amount of any administrative or redemption fee imposed on an exchange transaction for its securities, as well as the amount of any administrative or redemption fee imposed on its securityholders to acquire the securities of other investment companies in an exchange transaction, and

(ii) If the offering company reserves the right to change the terms of or terminate an exchange offer, that the exchange offer is subject to termination and its terms are subject to change;

(7) Any sales literature or advertising that mentions the existence of the exchange offer also discloses

(i) The existence of any administrative fee or redemption fee that would be imposed at the time of an exchange; and

(ii) If the offering company reserves the right to change the terms of or terminate the exchange offer, that the exchange offer is subject to termination and its terms are subject to change;

(8) Whenever an exchange offer is to be terminated or its terms are to be amended materially, any holder of a security subject to that offer shall be given prominent notice of the impending termination or amendment at least 60 days prior to the date of termination or the effective date of the amendment, *Provided that:*

(i) No such notice need be given if the only material effect of an amendment is to reduce or eliminate an administrative fee, sales load or redemption fee payable at the time of an exchange, and

(ii) No notice need be given if, under extraordinary circumstances, either

(A) There is a suspension of the redemption of the exchanged security under section 22(e) of the Act [15 U.S.C. 80a-22(e)] and the rules and regulations thereunder, or

(B) The offering company temporarily delays or ceases the sale of the acquired security because it is unable to invest amounts effectively in accordance with applicable investment objectives, policies and restrictions; and

(9) In calculating any sales load charged with respect to the acquired security:

(i) If a securityholder exchanges less than all of his securities, the security

upon which the highest sales load rate was previously paid is deemed exchanged first; and

(ii) If the exchanged security was acquired through reinvestment of dividends or capital gains distributions, that security is deemed to have been sold with a sales load rate equal to the sales load rate previously paid on the security on which the dividend was paid or distribution made.

(c) If either no sales load is imposed on the acquired security or the sales load imposed is less than the maximum allowed by paragraph (b)(4) of this section, the offering company may require the exchanging securityholder to have held the exchanged security for a minimum period of time previously established by the offering company and applied uniformly to all securityholders of the class specified.

(d) Any offering company that has previously made an offer of exchange may continue to impose fees or sales loads permitted by an order under section 11(a) of the Act upon shares purchased before the earlier of (1) One year after the effective date of this section, or (2) When the offer has been brought into compliance with the terms of this section, and upon shares acquired through reinvestment of dividends or capital gains distributions based on such shares, until such shares are redeemed.

(e) Any offering company that has previously made an offer of exchange cannot rely on this section to amend such prior offer unless

(1) The offering company's prospectus disclosed, during at least the two year period prior to the amendment of the offer (or, if the fund is less than two years old, at all times the offer has been outstanding) that the terms of the offer were subject to change, or

(2) The only effect of such change is to reduce or eliminate an administrative fee, sales load or redemption fee payable at the time of an exchange.

(ii) The board of directors of a Fund, including a majority of directors who are not interested persons, must approve the code of ethics of the Fund, the code of ethics of each investment adviser and principal underwriter of the Fund, and any material changes to these codes. The board must base its approval of a code and any material changes to the code on a determination that the code contains provisions reasonably necessary to prevent Access Persons from engaging in any conduct prohibited by paragraph (b) of this section. Before approving a code of a Fund, investment adviser or principal underwriter or any amendment to the code, the board of directors must receive a certification from the Fund, investment adviser or principal underwriter that it has adopted procedures reasonably necessary to prevent Access Persons from violating the Fund's, investment adviser's, or principal underwriter's code of ethics. (ii) A director of a Fund who is not an “interested person” of the Fund within the meaning of section 2(a)(19) of the Act [15 U.S.C. 80a-2(a)(19)], and who would be required to make a report solely by reason of being a Fund director, need not make:

(A) An initial holdings report under paragraph (d)(1)(i) of this section and an annual holdings report under paragraph (d)(1)(iii) of this section; and

(B) A quarterly transaction report under paragraph (d)(1)(ii) of this section, unless the director knew or, in the ordinary course of fulfilling his or her official duties as a Fund director, should have known that during the 15-day period immediately before or after the director’s transaction in a Covered Security, the Fund purchased or sold the Covered Security, or the Fund or its investment adviser considered purchasing or selling the Covered Security.

(iii) An Access Person to a Fund’s principal underwriter need not make a report to the principal underwriter under paragraph (d)(1) of this section if:

(5) *Beneficial Ownership.* For purposes of this section, beneficial ownership is interpreted in the same manner as it would be under § 240.16a-1(a)(2) of this chapter in determining whether a person is the beneficial owner of a security for purposes of section 16 of the Securities Exchange Act of 1934 [15 U.S.C. 78p] and the rules and regulations thereunder. Any report required by paragraph (d) of this section may contain a statement that the report will not be construed as an admission that the person making the report has any direct or indirect beneficial ownership in the Covered Security to which the report relates.

(e) *Pre-approval of Investments in IPOs and Limited Offerings.* Investment Personnel of a Fund or its investment adviser must obtain approval from the Fund or the Fund’s investment adviser before directly or indirectly acquiring beneficial ownership in any securities in an Initial Public Offering or in a Limited Offering.

the separate voting requirements of paragraph (a) of this §270.18f-2.

(g) The submission to shareholders of nominees for election as directors required by section 16(a) of the Act shall be exempt from the separate voting requirements of paragraph (a) of this §270.18f-2.

(h) For the purposes of this §270.18f-2 a "majority of the outstanding voting securities" of a class or series, (1) when used with respect to a matter required by any provision of the Act to be submitted to the outstanding voting securities of a series company, shall have the same meaning as a "majority of the outstanding voting securities of a company" as defined in section 2(a)(42) of the Act; and (2) when used with respect to any other matter required to be submitted to the outstanding voting securities of a series company, shall mean the lesser of (i) the minimum vote of the outstanding voting securities of a company required by applicable State law or other applicable requirement, or (ii) the minimum vote specified by paragraph (1) of this paragraph (h), unless State law requires approval of such matters by a specified percentage of the outstanding voting securities of a particular class or series, in which case, State law shall apply.

§ 270.18f-3 Multiple class companies.

Notwithstanding sections 18(f)(1) and 18(i) of the Act (15 U.S.C. 80a-18(f)(1) and (i), respectively), a registered open-end management investment company or series or class thereof established in accordance with section 18(f)(2) of the Act (15 U.S.C. 80a-18(f)(2)) whose shares are registered on Form N-1A [§§239.15A and 274.11A of this chapter] ("company") may issue more than one class of voting stock, *provided* that:

(a) Each class:

(1)(i) Shall have a different arrangement for shareholder services or the distribution of securities or both, and

shall pay all of the expenses of that arrangement;

(ii) May pay a different share of other expenses, not including advisory or custodial fees or other expenses related to the management of the company's assets, if these expenses are actually incurred in a different amount by that class, or if the class receives services of a different kind or to a different degree than other classes; and

(iii) May pay a different advisory fee to the extent that any difference in amount paid is the result of the application of the same performance fee provisions in the advisory contract of the company to the different investment performance of each class;

(2) Shall have exclusive voting rights on any matter submitted to shareholders that relates solely to its arrangement;

(3) Shall have separate voting rights on any matter submitted to shareholders in which the interests of one class differ from the interests of any other class; and

(4) Shall have in all other respects the same rights and obligations as each other class.

(b) Expenses may be waived or reimbursed by the company's adviser, underwriter, or any other provider of services to the company.

(c)(1) Income, realized gains and losses, unrealized appreciation and depreciation, and Fundwide Expenses shall be allocated based on one of the following methods (which method shall be applied on a consistent basis):

(i) To each class based on the net assets of that class in relation to the net assets of the company ("relative net assets");

(ii) To each class based on the Simultaneous Equations Method;

(iii) To each class based on the Settled Shares Method, *provided that* the company is a Daily Dividend Fund (such a company may allocate income and Fundwide Expenses based on the Settled Shares Method and realized gains and losses and unrealized appreciation and depreciation based on relative net assets);

(iv) To each share without regard to class, *provided that* the company is a Daily Dividend Fund that maintains the same net asset value per share in

each class; that the company has received undertakings from its adviser, underwriter, or any other provider of services to the company, agreeing to waive or reimburse the company for payments to such service provider by one or more classes, as allocated under paragraph (a)(1) of this section, to the extent necessary to assure that all classes of the company maintain the same net asset value per share; and that payments waived or reimbursed under such an undertaking may not be carried forward or recouped at a future date; or

(v) To each class based on any other appropriate method, *provided that* a majority of the directors of the company, and a majority of the directors who are not interested persons of the company, determine that the method is fair to the shareholders of each class and that the annualized rate of return of each class will generally differ from that of the other classes only by the expense differentials among the classes.

(2) For purposes of this section:

(i) *Daily Dividend Fund* means any company that has a policy of declaring distributions of net income daily, including any money market fund that determines net asset value using the amortized cost method permitted by § 270.2a-7;

(ii) *Fundwide Expenses* means expenses of the company not allocated to a particular class under paragraph (a)(1) of this section;

(iii) The *Settled Shares Method* means allocating to each class based on relative net assets, excluding the value of subscriptions receivable; and

(iv) The *Simultaneous Equations Method* means the simultaneous allocation to each class of each day's income, realized gains and losses, unrealized appreciation and depreciation, and Fundwide Expenses and reallocation to each class of undistributed net investment income, undistributed realized gains or losses, and unrealized appreciation or depreciation, based on the operating results of the company, changes in ownership interests of each class, and expense differentials between the classes, so that the annualized rate of return of each class generally differs from that of the other

classes only by the expense differentials among the classes.

(d) Any payments made under paragraph (a) of this section shall be made pursuant to a written plan setting forth the separate arrangement and expense allocation of each class, and any related conversion features or exchange privileges. Before the first issuance of a share of any class in reliance upon this section, and before any material amendment of a plan, a majority of the directors of the company, and a majority of the directors who are not interested persons of the company, shall find that the plan as proposed to be adopted or amended, including the expense allocation, is in the best interests of each class individually and the company as a whole; initial board approval of a plan under this paragraph (d) is not required, however, if the plan does not make any change in the arrangements and expense allocations previously approved by the board under an existing order of exemption. Before any vote on the plan, the directors shall request and evaluate, and any agreement relating to a class arrangement shall require the parties thereto to furnish, such information as may be reasonably necessary to evaluate the plan.

(e)(1) A majority of the directors of the investment company are not interested persons of the company, and those directors select and nominate any other disinterested directors of the company; and

(2) Any person who acts as legal counsel for the disinterested directors of the company is an independent legal counsel.

(f) Nothing in this section prohibits a company from offering any class with:

(1) An exchange privilege providing that securities of the class may be exchanged for certain securities of another company; or

(2) A conversion feature providing that shares of one class of the company (the "purchase class") will be exchanged automatically for shares of another class of the company (the "target class") after a specified period of time, *provided that*:

(i) The conversion is effected on the basis of the relative net asset values of

the two classes without the imposition of any sales load, fee, or other charge;

(ii) The expenses, including payments authorized under a plan adopted pursuant to § 270.12b-1 ("rule 12b-1 plan"), for the target class are not higher than the expenses, including payments authorized under a rule 12b-1 plan, for the purchase class; and

(iii) If the shareholders of the target class approve any increase in expenses allocated to the target class under paragraphs (a)(1)(i) and (a)(1)(ii) of this section, and the purchase class shareholders do not approve the increase, the company will establish a new target class for the purchase class on the same terms as applied to the target class before that increase.

(3) A conversion feature providing that shares of a class in which an investor is no longer eligible to participate may be converted to shares of a class in which that investor is eligible to participate, *provided that*:

(i) The investor is given prior notice of the proposed conversion; and

(ii) The conversion is effected on the basis of the relative net asset values of the two classes without the imposition of any sales load, fee, or other charge.

§ 270.19a-1 Written statement to accompany dividend payments by management companies.

(a) Every written statement made pursuant to section 19 by or on behalf of a management company shall be made on a separate paper and shall clearly indicate what portion of the payment per share is made from the following sources:

(1) Net income for the current or preceding fiscal year, or accumulated undistributed net income, or both, not including in either case profits or losses from the sale of securities or other properties.

(2) Accumulated undistributed net profits from the sale of securities or other properties (except that an open-end company may treat as a separate source its net profits from such sales during its current fiscal year).

(3) Paid-in surplus or other capital source.

To the extent that a payment is properly designated as being made from a source specified in paragraph (a) (1) or (2) of this section, it need not be designated as having been made from a source specified in this paragraph.

(b) If the payment is made in whole or in part from a source specified in paragraph (a)(2) of this section the written statement shall indicate, after giving effect to the part of such payment so specified, the deficit, if any, in the aggregate of (1) accumulated undistributed realized profits less losses on the sale of securities or other properties and (2) the net unrealized appreciation or depreciation of portfolio securities, all as of a date reasonably close to the end of the period as of which the dividend is paid. Any statement made pursuant to the preceding sentence shall specify the amount, if any, of such deficit which represents unrealized depreciation of portfolio securities.

(c) Accumulated undistributed net income and accumulated undistributed net profits from the sale of securities or other properties shall be determined, at the option of the company, either (1) from the date of the organization of the company, (2) from the date of a reorganization, as defined in clause (A) or (B) of section 2(a)(33) of the Act (54 Stat. 790; 15 U.S.C. 80a-2(a)(33)), (3) from the date as of which a write-down of portfolio securities was made in connection with a corporate readjustment, approved by stockholders, of the type known as "quasi-reorganization," or (4) from January 1, 1925, to the close of the period as of which the dividend is paid, without giving effect to such payment.

(d) For the purpose of this section, open-end companies which upon the sale of their shares allocate to undistributed income or other similar account that portion of the consideration received which represents the approximate per share amount of undistributed net income included in the sales price, and make a corresponding deduction from undistributed net income upon the purchase or redemption of shares, need not treat the amounts so allocated as paid-in surplus or other capital source.

(e) For the purpose of this section, the source or sources from which a dividend is paid shall be determined (or reasonably estimated) to the close of the period as of which it is paid without giving effect to such payment. If any such estimate is subsequently ascertained to be inaccurate in a significant amount, a correction thereof shall be made by a written statement pursuant to section 19(a) of the Act or in the first report to stockholders following discovery of the inaccuracy.

(f) Insofar as a written statement made pursuant to section 19(a) of the Act relates to a dividend on preferred stock paid for a period of less than a year, a company may elect to indicate only that portion of the payment which is made from sources specified in paragraph (a)(1) of this section, and need not specify the sources from which the remainder was paid. Every company which in any fiscal year elects to make a statement pursuant to the preceding sentence shall transmit to the holders of such preferred stock, at a date reasonably near the end of the last dividend period in such fiscal year, a statement meeting the requirements of paragraph (a) of this section on an annual basis.

(g) The purpose of this section, in the light of which it shall be construed, is to afford security holders adequate disclosure of the sources from which dividend payments are made. Nothing in this section shall be construed to prohibit the inclusion in any written statement of additional information in explanation of the information required by this section. Nothing in this section shall be construed to permit a dividend payment in violation of any State law or to prevent compliance with any requirement of State law regarding dividends consistent with this rule.

§ 270.19b-1 Frequency of distribution of capital gains.

(a) No registered investment company which is a “regulated investment company” as defined in section 851 of the Internal Revenue Code of 1986 (“Code”) shall distribute more than one capital gain dividend (“distribution”), as defined in section 852(b)(3)(C) of the Code, with respect to any one taxable year of the company, other than a distribution otherwise permitted by this rule or made pursuant to section 855 of the Code which is supplemental to the prior distribution with respect to the same taxable year of the company and which does not exceed 10% of the aggregate amount distributed for such taxable year.

(b) No registered investment company which is not a “regulated investment company” as defined in section 851 of the Code shall make more than one distribution of long-term capital gains, as defined in the Code, in any one taxable year of the company: *Provided*, That a unit investment trust may distribute capital gain dividends received from a “regulated investment company” within a reasonable time after receipt.

(c) The provisions of this rule shall not apply to a unit investment trust (hereinafter referred to as the “Trust”) engaged exclusively in the business of investing in eligible trust securities (as defined in Rule 14a-3(b) (17 CFR 270.14a-3(b)) under this Act); *Provided*, That:

(1) The capital gain distribution is a result of—

(i) An issuer’s calling or redeeming an eligible trust security held by the Trust,

(ii) The sale of an eligible trust security by the Trust to provide funds for redemption of Trust units when the amount received by the Trust for such sale exceeds the amount required to satisfy the redemption distribution,

(iii) The sale of an eligible trust security to maintain qualification of the Trust as a “regulated investment company” under section 851 of the Code,

(iv) Regular distributions of principal and prepayment of principal on eligible trust securities, or

(v) The sale of an eligible trust security in order to maintain the investment stability of the Trust; and

(2) Capital gains distributions are clearly described as such in a report to the unitholder which accompanies each such distribution.

(d) For purposes of paragraph (c) of this section, sales made to maintain the investment stability of the Trust means sales made to prevent deterioration of the value of the eligible trust securities held in the Trust portfolio when one or more of the following factors exist:

(1) A default in the payment of principal or interest on an eligible trust security;

(2) An action involving the issuer of an eligible trust security which adversely affects the ability of such issuer to continue payment of principal or interest on its eligible trust securities; or

(3) A change in market, revenue or credit factors which adversely affects the ability of such issuer to continue payment of principal or interest on its eligible trust securities.

(e) If a registered investment company because of unforeseen circumstances in a particular taxable year proposes to make a distribution which would be prohibited by the provisions of this section, it may file a request with the Commission for authorization to make such a distribution. Such request shall comply with the requirements of §270.0-2 of this chapter and shall set forth the pertinent facts and explain the circumstances which the company believes justify such distribution. The request shall be deemed granted unless the Commission within 15 days after receipt thereof shall deny such request as not being necessary or appropriate in the public interest or for the protection of investors and notify the company in writing of such denial.

(f) A registered investment company may make one additional distribution of long-term capital gains, as defined in the Code, with respect to any one taxable year of the company, which distribution is made, in whole or in part, for the purpose of not incurring any tax under section 4982 of the Code. Such additional distribution may be

§ 270.20a-1 Solicitation of proxies, consents and authorizations.

(a) No person shall solicit or permit the use of his or her name to solicit any proxy, consent, or authorization with respect to any security issued by a registered Fund, except upon compliance with Regulation 14A (§240.14a-1 of this chapter), Schedule 14A (§240.14a-101 of this chapter), and all other rules and regulations adopted pursuant to section 14(a) of the Securities Exchange Act of 1934 that would be applicable to such solicitation if it were made in respect of a security registered pursuant to section 12 of the Securities Exchange Act of 1934. Unless the solicitation is made in respect of a security registered on a national securities exchange, none of the soliciting material need be filed with such exchange.

(b) If the solicitation is made by or on behalf of the management of the investment company, then the investment adviser or any prospective investment adviser and any affiliated person thereof as to whom information is required in the solicitation shall upon request of the investment company promptly transmit to the investment company all information necessary to enable the management of such company to comply with the rules and regulations applicable to such solicitation. § 270.22c-1 Pricing of redeemable securities for distribution, redemption and repurchase.

(a) No registered investment company issuing any redeemable security, no person designated in such issuer's prospectus as authorized to consummate transactions in any such security, and no principal underwriter of, or dealer in, any such security shall sell, redeem, or repurchase any such security except at a price based on the current net asset value of such security which is next computed after receipt of a tender of such security for redemption or of an order to purchase or sell such security: *Provided*, That:

(1) This paragraph shall not prevent a sponsor of a unit investment trust (hereinafter referred to as the "Trust") engaged exclusively in the business of investing in eligible trust securities (as defined in Rule 14a-3(b) (17 CFR 270.14a-3(b))) from selling or repurchasing Trust units in a secondary market at a price based on the offering side evaluation of the eligible trust securities in the Trust's portfolio, determined at any time on the last business day of each week, effective for all sales made during the following week, if on the days that such sales or repurchases are made the sponsor receives a letter from a qualified evaluator stating, in its opinion, that:

(i) In the case of repurchases, the current bid price is not higher than the offering side evaluation, computed on the last business day of the previous week; and

(ii) In the case of resales, the offering side evaluation, computed as of the last business day of the previous week, is not more than one-half of one percent (\$5.00 on a unit representing \$1,000 principal amount of eligible trust securities) greater than the current offering price.

(2) This paragraph shall not prevent any registered investment company from adjusting the price of its redeemable securities sold pursuant to a merger, consolidation or purchase of substantially all of the assets of a company which meets the conditions specified in § 270.17a-8.

(b) For the purposes of this section,

(1) The current net asset value of any such security shall be computed no less frequently than once daily, Monday through Friday, at the specific time or times during the day that the board of directors of the investment company sets, in accordance with paragraph (e) of this section, except on:

(i) Days on which changes in the value of the investment company's portfolio securities will not materially affect the current net asset value of the investment company's redeemable securities;

(ii) Days during which no security is tendered for redemption and no order to purchase or sell such security is received by the investment company; or

(iii) Customary national business holidays described or listed in the prospectus and local and regional business holidays listed in the prospectus; and

(2) A "qualified evaluator" shall mean any evaluator which represents it is in a position to determine, on the basis of an informal evaluation of the eligible trust securities held in the Trust's portfolio, whether—

(i) The current bid price is higher than the offering side evaluation, computed on the last business day of the previous week, and

(ii) The offering side evaluation, computed as of the last business day of the previous week, is more than one-half of one percent (\$5.00 on a unit representing \$1,000 principal amount of eligible trust securities) greater than the current offering price.

(c) Notwithstanding the provisions above, any registered separate account offering variable annuity contracts,

any person designated in such account's prospectus as authorized to consummate transactions in such contracts, and any principal underwriter of or dealer in such contracts shall be permitted to apply the initial purchase payment for any such contract at a price based on the current net asset value of such contract which is next computed:

(1) Not later than two business days after receipt of the order to purchase by the insurance company sponsoring the separate account ("insurer"), if the contract application and other information necessary for processing the order to purchase (collectively, "application") are complete upon receipt; or

(2) Not later than two business days after an application which is incomplete upon receipt by the insurer is made complete, *Provided*, That, if an incomplete application is not made complete within five business days after receipt,

(i) The prospective purchaser shall be informed of the reasons for the delay, and

(ii) The initial purchase payment shall be returned immediately and in full, unless the prospective purchaser specifically consents to the insurer retaining the purchase payment until the application is made complete.

(3) As used in this section:

(i) *Prospective Purchaser* shall mean either an individual contractowner or an individual participant in a group contract.

(ii) *Initial Purchase Payment* shall refer to the first purchase payment submitted to the insurer by, or on behalf of, a prospective purchaser.

(d) The board of directors shall initially set the time or times during the day that the current net asset value shall be computed, and shall make and approve such changes as the board deems necessary.

(a) A registered closed-end company may purchase for cash a security of

17 CFR Ch. II (4-1-04 Edition)

which it is the issuer, subject to the following conditions:

(1) If the security is a stock entitled to cumulative dividends, such dividends are not in arrears.

(2) If the security is a stock not entitled to cumulative dividends, at least 90 percent of the net income of the issuer for the last preceding fiscal year, determined in accordance with good accounting practice and not including profits or losses realized from the sale of securities or other properties, was distributed to its shareholders during such fiscal year or within 60 days after the close of such fiscal year.

(3) If the security to be purchased is junior to any class of outstanding security of the issuer representing indebtedness (except notes or other evidences of indebtedness held by a bank or other person, the issuance of which did not involve a public offering) all securities of such class shall have an asset coverage of at least 300 percent immediately after such purchase; and if the security to be purchased is junior to any class of outstanding senior security of the issuer which is a stock, all securities of such class shall have an asset coverage of at least 200 percent immediately after such purchase, and shall not be in arrears as to dividends.

(4) The seller of the security is not to the knowledge of the issuer an affiliated person of the issuer.

(5) Payment of the purchase price is accompanied or preceded by a written confirmation of the purchase.

(6) The purchase is made at a price not above the market value, if any, or the asset value of such security, whichever is lower, at the time of such purchase.

(7) The issuer discloses to the seller or, if the seller is acting through a broker, to the seller's broker, either prior to or at the time of purchase the approximate or estimated asset coverage per unit of the security to be purchased.

(8) No brokerage commission is paid by the issuer to any affiliated person of the issuer in connection with the purchase.

(9) The purchase is not made in a manner or on a basis which discriminates unfairly against any holders of the class of securities purchased.

(10) If the security is a stock, the issuer has, within the preceding six months, informed stockholders of its intention to purchase stock of such class by letter or report addressed to all the stockholders of such class.

(11) The issuer files with the Commission, on or before the tenth day of the calendar month following the month in which the purchase occurs, two copies of a report of purchases made during the month, together with a copy of any written solicitation to purchase securities under this rule sent or given during the month by or on behalf of the issuer to ten or more persons. Form N-23C-1 is hereby prescribed as the form to be used for such report.

(b) Notwithstanding the conditions of paragraph (a) of this section, a closed-end company may purchase fractional interests in, or fractional rights to receive, any security of which it is the issuer.

(c) This rule does not apply to purchase of securities made pursuant to section 23(c)(1) or (2) of the Act (54 Stat. 825; 15 U.S.C. 80a-23). (d) This rule relates exclusively to the requirements of section 23(c) of the Act, and the provisions hereof shall not be construed to authorize any action which contravenes any other applicable law, statutory or otherwise, or the provision of any indenture or other instrument pursuant to which securities of the issuer were issued.

§ 270.23c-3 Repurchase offers by closed-end companies.

(a) *Definitions*. For purposes of this section:

(1) *Periodic interval* shall mean an interval of three, six, or twelve months.

(2) *Repurchase offer* shall mean an offer pursuant to this section by an investment company to repurchase common stock of which it is the issuer.

(3) *Repurchase offer amount* shall mean the amount of common stock that is the subject of a repurchase offer, expressed as a percentage of such stock outstanding on the repurchase request deadline, that an investment company offers to repurchase in a repurchase offer. The repurchase offer amount shall not be less than five percent nor more than twenty-five percent of the common stock outstanding on a repurchase request deadline. Before each repurchase offer, the repurchase offer amount for that repurchase offer shall be determined by the directors of the company.

(4) *Repurchase payment deadline* with respect to a tender of common stock shall mean the date by which an investment company must pay securities holders for any stock repurchased. A repurchase payment deadline shall occur seven days after the repurchase pricing date applicable to such tender.

(5) *Repurchase pricing date* with respect to a tender of common stock shall mean the date on which an investment company determines the net asset value applicable to the repurchase of the securities. A repurchase pricing date shall occur no later than the fourteenth day after a repurchase request deadline, or the next business day if the fourteenth day is not a business day. In no event shall an investment company determine the net asset value applicable to the repurchase of the stock before the close of business on the repurchase request deadline.

(i) For an investment company making a repurchase offer pursuant to paragraph (b) of this section, the number of days between the repurchase request deadline and the repurchase pricing date for a repurchase offer shall be the maximum number specified by the company pursuant to paragraph (b)(2)(i)(D) of this section.

(ii) For an investment company making a repurchase offer pursuant to paragraph (c) of this section, the repurchase pricing date shall be such date as the company shall disclose to security holders in the notification pursuant to paragraph (b)(4) of this section with respect to such offer.

(iii) For purposes of paragraph (b)(1) of this section, a repurchase pricing date may be a date earlier than the date determined pursuant to paragraph (a)(5) (i) or (ii) of this section if, on or immediately following the repurchase request deadline, it appears that the use of an earlier repurchase pricing date is not likely to result in significant dilution of the net asset value of either stock that is tendered for repurchase or stock that is not tendered.

(6) *Repurchase request* shall mean the tender of common stock in response to a repurchase offer.

(7) *Repurchase request deadline* with respect to a repurchase offer shall mean the date by which an investment company must receive repurchase requests submitted by security holders in response to that offer or withdrawals or modifications of previously submitted repurchase requests. The first repurchase request deadline after the effective date of the registration statement for the common stock that is the subject of a repurchase offer, or after a shareholder vote adopting the fundamental policy specifying a company's periodic interval, whichever is later, shall occur no later than two periodic intervals thereafter.

(b) *Periodic repurchase offers.* A registered closed-end company or a business development company may repurchase common stock of which it is the issuer from the holders of the stock at periodic intervals, pursuant to repurchase offers made to all holders of the stock, *Provided* that:

(1) The company shall repurchase the stock for cash at the net asset value determined on the repurchase pricing date and shall pay the holders of the stock by the repurchase payment deadline except as provided in paragraph (b)(3) of this section. The company may deduct from the repurchase proceeds only a repurchase fee, not to exceed two percent of the proceeds, that is paid to the company and is reasonably

intended to compensate the company for expenses directly related to the repurchase. A company may not condition a repurchase offer upon the tender of any minimum amount of shares.

(2)(i) The company shall repurchase the security pursuant to a fundamental policy, changeable only by a majority vote of the outstanding voting securities of the company, stating:

(A) That the company will make repurchase offers at periodic intervals pursuant to this section, as this section may be amended from time to time;

(B) The periodic intervals between repurchase request deadlines;

(C) The dates of repurchase request deadlines or the means of determining the repurchase request deadlines; and

(D) The maximum number of days between each repurchase request deadline and the next repurchase pricing date.

(ii) The company shall include a statement in its annual report to shareholders of the following:

(A) Its policy under paragraph (b)(2)(i) of this section; and

(B) With respect to repurchase offers by the company during the period covered by the annual report, the number of repurchase offers, the repurchase offer amount and the amount tendered in each repurchase offer, and the extent to which in any repurchase offer the company repurchased stock pursuant to the procedures in paragraph (b)(5) of this section.

(iii) A company shall be deemed to be making repurchase offers pursuant to a policy within paragraph (b)(2)(i) of this section if:

(A) The company makes repurchase offers to its security holders at periodic intervals and, before May 14, 1993, has disclosed in its registration statement its intention to make or consider making such repurchase offers; and

(B) The company's board of directors adopts a policy specifying the matters required by paragraph (b)(2)(i) of this section, and the periodic interval specified therein conforms generally to the frequency of the company's prior repurchase offers.

(3)(i) The company shall not suspend or postpone a repurchase offer except pursuant to a vote of a majority of the directors, including a majority of the

directors who are not interested persons of the company, and only:

(A) If the repurchase would cause the company to lose its status as a regulated investment company under Subchapter M of the Internal Revenue Code [26 U.S.C. 851-860];

(B) If the repurchase would cause the stock that is the subject of the offer that is either listed on a national securities exchange or quoted in an inter-dealer quotation system of a national securities association to be neither listed on any national securities exchange nor quoted on any inter-dealer quotation system of a national securities association;

(C) For any period during which the New York Stock Exchange or any other market in which the securities owned by the company are principally traded is closed, other than customary week-end and holiday closings, or during which trading in such market is restricted;

(D) For any period during which an emergency exists as a result of which disposal by the company of securities owned by it is not reasonably practicable, or during which it is not reasonably practicable for the company fairly to determine the value of its net assets; or

(E) For such other periods as the Commission may by order permit for the protection of security holders of the company.

(ii) If a repurchase offer is suspended or postponed, the company shall provide notice to security holders of such suspension or postponement. If the company renews the repurchase offer, the company shall send a new notification to security holders satisfying the requirements of paragraph (b)(4) of this section.

(4)(i) No less than twenty-one and no more than forty-two days before each repurchase request deadline, the company shall send to each holder of record and to each beneficial owner of the stock that is the subject of the repurchase offer a notification providing the following information:

(A) A statement that the company is offering to repurchase its securities from security holders at net asset value;

(B) Any fees applicable to such repurchase;

(C) The repurchase offer amount;

(D) The dates of the repurchase request deadline, repurchase pricing date, and repurchase payment deadline, the risk of fluctuation in net asset value between the repurchase request deadline and the repurchase pricing date, and the possibility that the company may use an earlier repurchase pricing date pursuant to paragraph (a)(5)(iii) of this section;

(E) The procedures for security holders to tender their shares and the right of the security holders to withdraw or modify their tenders until the repurchase request deadline;

(F) The procedures under which the company may repurchase such shares on a pro rata basis pursuant to paragraph (b)(5) of this section;

(G) The circumstances in which the company may suspend or postpone a repurchase offer pursuant to paragraph (b)(3) of this section;

(H) The net asset value of the common stock computed no more than seven days before the date of the notification and the means by which security holders may ascertain the net asset value thereafter; and

(I) The market price, if any, of the common stock on the date on which such net asset value was computed, and the means by which security holders may ascertain the market price thereafter.

(ii) The company shall file three copies of the notification with the Commission within three business days after sending the notification to security holders. Those copies shall be accompanied by copies of Form N-23c-3 (§274.221 of this chapter) ("Notification of Repurchase Offer"). The format of the copies shall comply with the requirements for registration statements and reports under §270.8b-12 of this chapter.

(iii) For purposes of sending a notification to a beneficial owner pursuant to paragraph (b)(4)(i) of this section, where the company knows that shares of common stock that is the subject of a repurchase offer are held of record by a broker, dealer, voting trustee, bank, association or other entity that exercises fiduciary powers in nominee

name or otherwise, the company shall follow the procedures for transmitting materials to beneficial owners of securities that are set forth in § 240.14a-13 of this chapter.

(5) If security holders tender more than the repurchase offer amount, the company may repurchase an additional amount of stock not to exceed two percent of the common stock outstanding on the repurchase request deadline. If the company determines not to repurchase more than the repurchase offer amount, or if security holders tender stock in an amount exceeding the repurchase offer amount plus two percent of the common stock outstanding on the repurchase request deadline, the company shall repurchase the shares tendered on a pro rata basis; *Provided, however,* That this provision shall not prohibit the company from:

(i) Accepting all stock tendered by persons who own, beneficially or of record, an aggregate of not more than a specified number which is less than one hundred shares and who tender all of their stock, before prorating stock tendered by others; or

(ii) Accepting by lot stock tendered by security holders who tender all stock held by them and who, when tendering their stock, elect to have either all or none or at least a minimum amount or none accepted, if the company first accepts all stock tendered by security holders who do not so elect.

(6) The company shall permit tenders of stock for repurchase to be withdrawn or modified at any time until the repurchase request deadline but shall not permit tenders to be withdrawn or modified thereafter.

(7)(i) The current net asset value of the company's common stock shall be computed no less frequently than weekly on such day and at such specific time or times during the day that the board of directors of the company shall set.

(ii) The current net asset value of the company's common stock shall be computed daily on the five business days preceding a repurchase request deadline at such specific time or times during the day that the board of directors of the company shall set.

(iii) For purposes of section 23(b) [15 U.S.C. 80a-23(b)], the current net asset

value applicable to a sale of common stock by the company shall be the net asset value next determined after receipt of an order to purchase such stock. During any period when the company is offering its common stock, the current net asset value of the common stock shall be computed no less frequently than once daily, Monday through Friday, at the specific time or times during the day that the board of directors of the company shall set, except on:

(A) Days on which changes in the value of the company's portfolio securities will not materially affect the current net asset value of the common stock;

(B) Days during which no order to purchase its common stock is received, other than days when the net asset value would otherwise be computed pursuant to paragraph (b)(7)(i) of this section; or

(C) Customary national, local, and regional business holidays described or listed in the prospectus.

(8)(i) A majority of the directors of the investment company are not interested persons of the company, and those directors select and nominate any other disinterested directors of the company; and

(ii) Any person who acts as legal counsel for the disinterested directors of the company is an independent legal counsel.

(9) Any senior security issued by the company or other indebtedness contracted by the company either shall mature by the next repurchase pricing date or shall provide for the redemption or call of such security or the repayment of such indebtedness by the company by the next repurchase pricing date, either in whole or in part, without penalty or premium, as necessary to permit the company to repurchase securities in such repurchase offer amount as the directors of the company shall determine in compliance with the asset coverage requirements of section 18 [15 U.S.C. 80a-18] or 61 [15 U.S.C. 80a-60], as applicable.

(10)(i) From the time a company sends a notification to shareholders pursuant to paragraph (b)(4) of this section until the repurchase pricing date, a percentage of the company's assets

Securities and Exchange Commission

§ 270.24b-2

equal to at least 100 percent of the repurchase offer amount shall consist of assets that can be sold or disposed of in the ordinary course of business, at approximately the price at which the company has valued the investment, within a period equal to the period between a repurchase request deadline and the repurchase payment deadline, or of assets that mature by the next repurchase payment deadline.

(ii) In the event that the company's assets fail to comply with the requirements in paragraph (b)(10)(i) of this section, the board of directors shall cause the company to take such action as it deems appropriate to ensure compliance.

(iii) In supervising the company's operations and portfolio management by the investment adviser, the company's board of directors shall adopt written procedures reasonably designed, taking into account current market conditions and the company's investment objectives, to ensure that the company's portfolio assets are sufficiently liquid so that the company can comply with its fundamental policy on repurchases, and comply with the liquidity requirements of paragraph (b)(10)(i) of this section. The board of directors shall review the overall composition of the portfolio and make and approve such changes to the procedures as the board deems necessary.

(11) The company, or any underwriter for the company, shall comply, as if the company were an open-end company, with the provisions of section 24(b) [15 U.S.C. 80a-24(b)] and rules issued thereunder with respect to any advertisement, pamphlet, circular, form letter, or other sales literature addressed to or intended for distribution to prospective investors.

(c) *Discretionary repurchase offers.* A registered closed-end company or a business development company may repurchase common stock of which it is the issuer from the holders of the stock pursuant to a repurchase offer that is not made pursuant to a fundamental policy and that is made to all holders of the stock not earlier than two years after another offer pursuant to this paragraph (c) if the company complies with the requirements of paragraphs

(b) (1), (3), (4), (5), (6), (7)(ii), (8), (10)(i), and (10)(ii) of this section.

(d) *Exemption from the definition of redeemable security.* A company that makes repurchase offers pursuant to paragraph (b) or (c) of this section shall not be deemed thereby to be an issuer of redeemable securities within section 2(a)(32) [15 U.S.C. 80a-2(a)(32)].

Form 24F-2 must be prepared in accordance with the requirements of that form, and must be accompanied by the payment of a registration fee with respect to the securities sold during the fiscal year in reliance upon registration pursuant to section 24(f) of the Act calculated in the manner specified in section 24(f) of the Act and in the Form. An issuer that pays the registration fee more than 90 days after the end of its fiscal year must pay interest in the manner specified in section 24(f) of the Act and in Form 24F-2.

(b) *Issuer ceasing operations; mergers and other transactions.* For purposes of this section, if an issuer ceases operations, the date the issuer ceases operations will be deemed to be the end of its fiscal year. In the case of a liquidation, merger, or sale of all or substantially all of the assets ("merger") of the issuer, the issuer will be deemed to have ceased operations for the purposes of this section on the date the merger is consummated; *provided, however*, that in the case of a merger of an issuer or a series of an issuer ("Predecessor Issuer") with another issuer or a series of an issuer ("Successor Issuer"), the Predecessor Issuer will not be deemed to have ceased operations and the Successor issuer will assume the obligations, fees, and redemption credits of the Predecessor Issuer incurred pursuant to section 24(f) of the Act and § 270.24e-2 (as in effect prior to October 11, 1997; see 17 CFR part 240 to end, revised as of April 1, 1997) if the Successor Issuer:

(2) Acquired substantially all of the assets and assumed substantially all of the liabilities and obligations of the Predecessor Issuer; and

(3) The merger is not designed to result in the Predecessor Issuer merging with, or substantially all of its assets being acquired by, an issuer (or a series of an issuer) that would not meet the conditions of paragraph (b)(1) of this section.

(c) *Counting days.* To determine the date on which Form 24F-2 must be filed with the Commission under paragraph (a) of this section, the first day of the 90-day period is the first calendar day of the fiscal year following the fiscal year for which the Form is to be filed. If the last day of the 90-day period falls on a Saturday, Sunday, or federal holiday, the period ends on the first business day thereafter.

NOTE TO PARAGRAPH (C): For example, a Form 24F-2 for a fiscal year ending on June 30 must be filed no later than September 28. If September 28 falls on a Saturday, Sunday, the Form must be filed on the following Monday.

(a)(1) Every depositor of or principal underwriter for the issuer of a periodic payment plan certificate sold subject to section 27(d) or section 27(f) of the Act or both, shall deposit and maintain funds in a segregated trust account as a reserve and as security for the purpose of assuring the refund of charges required by sections 27(d) and 27(f) of the Act.

(2) The assets of such trust account may be held as cash or invested only in one or more of (i) government securities as defined in section 2(a)(16) of the Act (except equity securities) or (ii) negotiable certificates of deposit issued by a bank, as defined in section 2(a)(5) of the Act and having capital and surplus of at least \$10 million: *Provided*, That no such investment may have a maturity of more than 5 years, no more than 50 percent of the assets may be invested in obligations having a maturity of more than 1 year, and certificates of deposit of a single issuer may not constitute more than 10 percent of the value of the assets in the account.

(3) Any income, gains, or losses from assets allocated to such account, whether or not realized, shall be credited to or charged against such account without regard to other income, gains, or losses of the depositor or principal underwriter.

(4) The assets of such trust account may be withdrawn only as permitted by paragraph (f) of this section and shall in no event be chargeable with liabilities arising out of any aspect of the business of the depositor or principal underwriter other than assuring the ability of the depositor or principal underwriter to refund the amounts required by such sections.

(b) For purposes of this section:

(1) "Excess sales load" on any payment is that portion of the sales load in excess of 15 percent of that payment.

(2) "Monthly payment" shall be the amount of the smallest monthly installment scheduled to be paid during the life of the plan. If payments are required or permitted to be made on a basis less frequently than monthly, an

(d) For all periodic payment plan certificates governed by section 27(d) which have not been surrendered in accordance with their terms, and for which the depositor or principal underwriter may be liable for the refund of any sales load, the depositor or principal underwriter shall maintain in the segregated trust account an amount equal to not less than 15% of the total refundable sales load on the payments made on those certificates. The depositor or principal underwriter shall also maintain in the segregated trust account such additional amounts as the Commission by order may require for the depositor or principal underwriter to carry out refund obligations pursuant to sections 27(d) and 27(f) of the Act.

(e) For every periodic payment plan certificate governed by section 27(f) of the Act, and for which the depositor or principal underwriter has no obligation to refund any excess sales load pursuant to section 27(d) of the Act, the depositor or principal underwriter shall deposit and maintain during the refund period, at least the following amounts in the segregated trust account:

(g) The minimum amounts required to be maintained by paragraphs (d) and (e) of this section shall be computed at least monthly. Any additional deposits required by paragraph (d) or (e) of this section shall be made immediately after such computation, and any withdrawals permitted by paragraph (f)(3) of this section may be made only at such time.

(h) Nothing in this section shall be construed to prohibit a depositor or principal underwriter, acting as such for two or more registered investment companies issuing periodic payment plan certificates, from combining in a single segregated trust account the re-

(Date of mailing)

Re: (1) _____.

DEAR (2) _____: This notice is required to be sent to all purchasers of plan certificates pursuant to laws administered by the U.S. Securities and Exchange Commission. You should read it carefully and retain it with your financial records.

You have missed (3) _____ after your (4) _____ plan certificate was issued. Until (5) _____ you will be entitled to surrender your plan certificate and receive, in addition to the value of your account on the date your certificate is received, a refund of that portion of the sales charges you have paid in excess of 15 percent of the gross payments under your plan.

For example, if your certificate had been received for surrender (6) _____ you would have received a total of \$ (7) _____ for it (the value of your account \$ (8) _____ plus a refund of \$ (9) _____ of the sales charges you have paid). After your right expires you will be entitled to receive only the value of your account. Of course, the value of your account will vary from day to day and by the

date your right expires it may be more or less than it is today.

In determining whether to exercise your right to terminate your plan, you should consider that, while the average sales charge deducted from your payments has amounted to ___ (10) ___ percent of the total payments made, the sales charge for the remainder of the payments under the plan, if you continue the plan, will be ___ (11) ___ and the average sales charge if you complete the plan will be ___ (12) ___ percent. Exercising your right to terminate your plan, however, will result in a net sales charge of 15 percent of your total payments. Accordingly, if you believe you may discontinue making further payments on your plan, it would probably be to your advantage to exercise this right now.

If you wish to exercise your right to terminate your plan, you may return your certificate to ___ (13) ___ by ___ (14) ___ in accordance with the enclosed instructions.

Very truly yours,

___ (15) ___.

[The following sentence is to be included when any periodic payment remains outstanding in which the sales load charges exceed 9 percent of such payment.]

A total of \$ (8) _____ or (9) _____ percent of your first (10) _____ monthly payments will be deducted from those payments for similar charges.

Charges of \$ (11) _____ or (12) _____ percent will be deducted from each subsequent payment. You have until (13) _____ to surrender your certificate for any reason and receive a refund of all of the charges which have been deducted from your pay-

ments, and, in addition, the value of your account on the date your certificate is received.

In determining whether or not to exercise your right you should consider, among other things, the projected cost of your investment and your ability to make the scheduled payments over the life of your plan as they become due. Your plan provides for (14) _____ payments of \$ (15) _____ per (16) _____, or total payments of \$ (17) _____. (c) Each report shall be transmitted within 60 days after the close of the period for which such report is being made.

(d) An open-end company may transmit a copy of its currently effective prospectus or Statement of Additional Information, or both, under the Securities Act, in place of any report required to be transmitted to shareholders by this section, provided that the prospectus or Statement of Additional Information, or both, include all the information that would otherwise be required to be contained in the report by this section. (e) The period of time within which any report prescribed by this rule shall be transmitted may be extended by the Commission upon written request

showing good cause therefor. Section 270.0-5 shall not apply to such requests.

The explanation must be reasonably designed to reach these investors. (4) For purposes of this section, *address* means a street address, a post office box number, an electronic mail address, a facsimile telephone number, or other similar destination to which paper or electronic documents are transmitted, unless otherwise provided in this section. (a) Sales literature for a money market fund shall contain the information required by paragraph (b)(4) of § 230.482 of this chapter, presented in the manner required by paragraph (b)(5) of § 230.482 of this chapter.

(b)(1) Except as provided in paragraph (b)(3) of this section:

(ii) In any sales literature for a money market fund:

(C) Accompany any quotation of the money market fund's total return with a quotation of the money market fund's current yield specified in paragraph (e)(1)(i) of § 230.482 of this chapter. Place the quotations of total return and current yield next to each other, in the same size print, and if there is a material difference between the quoted total return and the quoted current yield, include a statement that the yield quotation more closely reflects the current earnings of the money market fund than the total return quotation.

(iii) In any sales literature for an investment company other than a money market fund that contains performance data:

(A) Include the total return information required by paragraph (d)(3) of § 230.482 of this chapter;

(B) Accompany any quotation of performance adjusted to reflect the effect of taxes (not including a quotation of tax equivalent yield or other similar quotation purporting to demonstrate

the tax equivalent yield earned or distributions made by the company) with the quotations of total return specified by paragraph (d)(4) of § 230.482 of this chapter;

(C) If the sales literature (other than sales literature for a company that is permitted under § 270.35d-1(a)(4) to use a name suggesting that the company's distributions are exempt from federal income tax or from both federal and state income tax) represents or implies that the company is managed to limit or control the effect of taxes on company performance, include the quotations of total return specified by paragraph (d)(4) of § 230.482 of this chapter;

(D) Accompany any quotation of yield or similar quotation purporting to demonstrate the income earned or distributions made by the company with a quotation of current yield specified by paragraph (d)(1) of § 230.482 of this chapter; and

(E) Accompany any quotation of tax equivalent yield or other similar quotation purporting to demonstrate the tax equivalent yield earned or distributions made by the company with a quotation of tax equivalent yield specified in paragraph (d)(2) and current yield specified by paragraph (d)(1) of § 230.482 of this chapter.

(2) Any performance data included in sales literature under paragraphs (b)(1)(ii) or (iii) of this section must meet the currentness requirements of paragraph (g) of § 230.482 of this chapter.

(3) The requirements specified in paragraph (b)(1) of this section shall not apply to any quarterly, semi-annual, or annual report to shareholders under Section 30 of the Act (15 U.S.C. 80a-29) containing performance data for a period commencing no earlier than the first day of the period covered by the report; nor shall the requirements of paragraphs (d)(3)(ii), (d)(4)(ii), and (g) of § 230.482 of this chapter apply to any such periodic report containing any other performance data.

(1) *Names suggesting guarantee or approval by the United States government.* A name suggesting that the Fund or the securities issued by it are guaranteed, sponsored, recommended, or approved by the United States government or any United States government agency or instrumentality, including any name that uses the words “guaranteed” or “insured” or similar terms in conjunction with the words “United States” or “U.S. government.”

(2) *Names suggesting investment in certain investments or industries.* A name suggesting that the Fund focuses its investments in a particular type of investment or investments, or in investments in a particular industry or group of industries, unless:

(i) The Fund has adopted a policy to invest, under normal circumstances, at least 80% of the value of its Assets in the particular type of investments, or in investments in the particular industry or industries, suggested by the Fund’s name; and

(ii) Either the policy described in paragraph (a)(2)(i) of this section is a fundamental policy under section 8(b)(3) of the Act (15 U.S.C. 80a-8(b)(3)), or the Fund has adopted a policy to provide the Fund’s shareholders with at least 60 days prior notice of any change in the policy described in paragraph (a)(2)(i) of this section that meets the requirements of paragraph (c) of this section.

to the particular country or geographic region suggested by its name;

(ii) The Fund discloses in its prospectus the specific criteria used by the Fund to select these investments; and

(iii) Either the policy described in paragraph (a)(3)(i) of this section is a fundamental policy under section 8(b)(3) of the Act (15 U.S.C. 80a-8(b)(3)), or the Fund has adopted a policy to provide the Fund’s shareholders with at least 60 days prior notice of any change in the policy described in paragraph (a)(3)(i) of this section that meets the requirements of paragraph (c) of this section.

(i) To invest, under normal circumstances, at least 80% of the value of its Assets in investments the income from which is exempt, as applicable, from federal income tax or from both federal and state income tax; or

One copy shall be signed by the applicant, but the other four copies may have facsimile or typed signatures. Such applications shall be on paper no larger than 8½×11 inches in size. To the extent that the reduction of larger documents would render them illegible, those documents may be filed on paper larger than 8½×11 inches in size. The left margin should be at least 1½ inches wide and, if the application is bound, it should be bound on the left side. All typewritten or printed matter (including deficits in financial statements) should be set forth in black so as to permit photocopying and microfilming.

(c) *Authorization respecting applications.* (1) Every application for an order under any provision of the Act, for which a form with instructions is not specifically prescribed and which is ex-

ecuted by a corporation, partnership, or other company and filed with the Commission, shall contain a concise statement of the applicable provisions of the articles of incorporation, bylaws, or similar documents, relating to the right of the person signing and filing such application to take such action on behalf of the applicant, and a statement that all such requirements have been complied with and that the person signing and filing the same is fully authorized to do so. If such authorization is dependent on resolutions of stockholders, directors, or other bodies, such resolutions shall be attached as an exhibit to, or the pertinent provisions thereof shall be quoted in, the application.

(2) If an amendment to any such application shall be filed, such amendment shall contain a similar statement or, in lieu thereof, shall state that the authorization described in the original application is applicable to the individual who signs such amendment and that such authorization still remains in effect.

(3) When any such application or amendment is signed by an agent or attorney, the power of attorney evidencing his authority to sign shall contain similar statements and shall be filed with the Commission.

(d) *Verification of applications and statements of fact.* Every application for an order under any provision of the Act, for which a form with instructions is not specifically prescribed and every amendment to such application, and every statement of fact formally filed in support of, or in opposition to, any application or declaration shall be verified by the person executing the same. An instrument executed on behalf of a corporation shall be verified in substantially the following form, but suitable changes may be made in such form for other kinds of companies and for individuals:

(e) Statement of grounds for application. Each application should contain a brief statement of the reasons why the applicant is deemed to be entitled to the action requested with a reference to the provisions of the Act and of the rules and regulations under which application is made.

(f) Name and address. Every application shall contain the name and address of each applicant and the name and address of any person to whom any applicant wishes any question regarding the application to be directed.

(g) Proposed notice. A proposed notice of the proceeding initiated by the filing of the application shall accompany each application as an exhibit thereto and, if necessary, shall be modified to reflect any amendments to such application.

(i) The manually signed original (or in the case of duplicate original) one duplicate originals of all registrations, applications, statements, reports, or other documents filed under the Investment Advisers Act of 1940, as amended, shall be numbered sequentially (in addition to any internal numbering which otherwise may be present) by handwritten, typed, printed, or other legible form of notation from the facing page of the document through the last page of that document and any exhibits or attachments thereto. a numbered original shall be set forth on the first page of the document.

§ 275.0-5 Procedure with respect to applications and other matters.

The procedure hereinbelow set forth will be followed with respect to any proceeding initiated by the filing of an application, or upon the Commission's own motion, pursuant to any section of the Act or any rule or regulation thereunder, unless in the particular case a different procedure is provided:

(a) Notice of the initiation of the proceeding will be published in the FEDERAL REGISTER and will indicate the earliest date upon which an order disposing of the matter may be entered. The notice will also provide that any interested person may, within the period of time specified therein, submit to the Commission in writing any facts bearing upon the desirability of a hearing on the matter and may request that a hearing be held, stating his reasons therefor and the nature of his interest in the matter.

(b) An order disposing of the matter will be issued as of course following the expiration of the period of time referred to in paragraph (a) of this section, unless the Commission thereafter orders a hearing on the matter.

(c) The Commission will order a hearing on the matter, if it appears that a hearing is necessary or appropriate in the public interest or for the protection of investors, (1) upon the request of any interested person or (2) upon its own motion.

(d) Definition of application. For purposes of this rule, an "application" means any application for an order of the Commission under the Act other than an application for registration as an investment adviser.

§ 275.0-6

17 CFR Ch. II (4-1-04 Edition)

§ 275.0-6 Incorporation by reference in applications.

(a) A person filing an application may, subject to the limitations of § 228.10(f) and § 229.10(d) of this chapter, incorporate by reference as an exhibit to such application any document or part thereof, including any financial statement or part thereof, previously or concurrently filed with the Commission pursuant to any act administered by the Commission. The incorporation may be made whether the matter incorporated was filed by such applicant or any other person. If any modification has occurred in the text of any such document since the filing thereof, the applicant shall file with the reference a statement containing the text of any such modification and the date thereof. If the number of copies of any document previously or concurrently filed with the Commission is less than the number required to be filed with the application which incorporates such document, the applicant shall file therewith as many additional copies of the document as may be necessary to meet the requirements of the application.

(b) Notwithstanding paragraph (a) of this section, a certificate of an independent public accountant or accountants previously or concurrently filed may not be incorporated by reference in any application unless the written consent of the accountant or accountants to such incorporation is filed with the application.

(c) In each case of incorporation by reference, the matter incorporated shall be clearly identified in the reference. An express statement shall be made to the effect that the specified matter is incorporated in the application at the particular place where the information is required.

(d) Notwithstanding paragraph (a) of this section, no application shall incorporate by reference any exhibit or financial statement which (1) has been withdrawn, or (2) was filed under any act administered by the Commission in connection with a registration which has ceased to be effective, or (3) is contained in an application for registration, registration statement, or report subject, at the time of the incorporation by reference, to pending pro-

ceedings under section 8(b) (15 U.S.C. 77a-8(b)) or 8(d) (15 U.S.C. 77a-8(d)) of the Securities Act of 1933 (15 U.S.C. 77a-1 et seq.), section 8(e) (15 U.S.C. 80a-8(e)) of the Investment Company Act of 1940, section 15(b)(4)(A) (15 U.S.C. 78a-15(b)(4)(A)) of the Securities Exchange Act of 1934 (15 U.S.C. 78a-1 et seq.), section 203(e)(1) (15 U.S.C. 80b-3(e)(1)) of the Investment Advisers Act of 1940 or to an order entered under any of those sections.

(e) Notwithstanding paragraph (a) of this section, the Commission may refuse to permit incorporation by reference in any case in which in its judgment such incorporation would render an application incomplete, unclear, or confusing.

(f) *Definition of Application.* For purposes of this rule, an "application" means any application for an order of the Commission under the Act other than an application for registration as an investment adviser.

NOTE: Prior to incorporating by reference any document as an exhibit to an application, applicants are advised to review § 228.10(f) and § 229.10(d) of this chapter as in effect at the time the application is filed to determine whether such incorporation by reference would be permissible under that rule.

§ 275.0-7 Small entities under the Investment Advisers Act for purposes of the Regulatory Flexibility Act.

(a) For purposes of Commission rulemaking in accordance with the provisions of Chapter Six of the Administrative Procedure Act (5 U.S.C. 601 et seq.) and unless otherwise defined for purposes of a particular rulemaking proceeding, the term *small business* or *small organization* for purposes of the Investment Advisers Act of 1940 shall mean an investment adviser that:

(1) Has assets under management, as defined under Section 203A(a)(2) of the Act (15 U.S.C. 80b-3a(a)(2)) and reported on its annual updating amendment to Form ADV (17 CFR 279.1), of less than \$25 million, or such higher amount as the Commission may by rule deem appropriate under Section 203A(a)(1)(A) of the Act (15 U.S.C. 80b-3a(a)(1)(A));

(2) Did not have total assets of \$5 million or more on the last day of the most recent fiscal year; and

(3) Does not control, is not controlled by, and is not under common control with another investment adviser that has assets under management of \$25 million or more (or such higher amount as the Commission may deem appropriate), or any person (other than a natural person) that had total assets of \$5 million or more on the last day of the most recent fiscal year.

(b) For purposes of this section:

(1) *Control* means the power, directly or indirectly, to direct the management or policies of a person, whether through ownership of securities, by contract, or otherwise.

(i) A person is presumed to control a corporation if the person:

(A) Directly or indirectly has the right to vote 25 percent or more of a class of the corporation's voting securities; or

(B) Has the power to sell or direct the sale of 25 percent or more of a class of the corporation's voting securities.

§ 275.203-1 Application for investment adviser registration.

(a) *Form ADV*. To apply for registration with the Commission as an investment adviser, you must complete and file Form ADV (17 CFR 279.1) by following the instructions in the Form.

(b) *Electronic filing*. (1) If you apply for registration after January 1, 2001, you must file electronically with the Investment Adviser Registration Depository (IARD), unless you have received a hardship exemption under § 275.203-3.

NOTE TO PARAGRAPH (b)(1): Information on how to file with the IARD is available on the Commission's website at <http://www.sec.gov/iard>.

(2) You are not required to file with the Commission a copy of Part II of Form ADV if you maintain a copy of your Part II (and any brochure you deliver to clients) in your files. The copy maintained in your files is considered filed with the Commission.

NOTE TO PARAGRAPH (b)(2): The Commission has proposed, but not adopted, substantial changes to Part II of Form ADV. Thus, the rules for preparing, delivering, and offering Part II (or a brochure containing at least the information contained in Part II) have not changed. If you are an SEC-registered adviser, however, you no longer have to file Part II with the Commission. Instead, you must keep a copy in your files, and update the information in your Part II whenever it becomes materially inaccurate. State law may continue to require you to file Part II with the appropriate State securities authority on paper, regardless of whether you are filing Part 1 on paper or through the IARD.

(c) *When filed*. Each Form ADV is considered filed with the Commission upon acceptance by the IARD.

(d) *Filing fees*. You must pay NASD (the operator of the IARD) a filing fee. The Commission has approved the amount of the filing fee. No portion of

§ 275.203-2

17 CFR Ch. II (4-1-04 Edition)

the filing fee is refundable. Your completed application for registration will not be accepted by NASD, and thus will not be considered filed with the Commission, until you have paid the filing fee.

§ 275.203-2 Withdrawal from investment adviser registration.

(a) *Form ADV-W*. You must file Form ADV-W (17 CFR 279.2) to withdraw from investment adviser registration with the Commission (or to withdraw a pending registration application).

(b) *Electronic filing*. Once you have filed your Form ADV (17 CFR 279.1) (or any amendments to Form ADV) electronically with the Investment Adviser Registration Depository (IARD), any Form ADV-W you file must be filed with the IARD, unless you have received a hardship exemption under § 275.203-3.

(c) *Effective date—upon filing*. Each Form ADV-W filed under this section is effective upon acceptance by the IARD, provided however that your investment adviser registration will continue for a period of sixty days after acceptance solely for the purpose of commencing a proceeding under section 203(e) of the Act (15 U.S.C. 80b-3(e)).

(d) *Filing fees*. You do not have to pay a fee to file Form ADV-W through the IARD.

(e) *Form ADV-W is a report*. Each Form ADV-W required to be filed under this section is a “report” within the meaning of sections 204 and 207 of the Act (15 U.S.C. 80b-4 and 80b-7).

[65 FR 57449, Sept. 22, 2000]

§ 275.203-3 Hardship exemptions.

This section provides two “hardship exemptions” from the requirement to make Advisers Act filings electronically with the Investment Adviser Registration Depository (IARD).

(a) *Temporary hardship exemption—(1) Eligibility for exemption*. If you are reg-

istered or are registering with the Commission as an investment adviser and submit electronic filings on the Investment Adviser Registration Depository (IARD) system, but have unanticipated technical difficulties that prevent you from submitting a filing to the IARD system, you may request a temporary hardship exemption from the requirements of this chapter to file electronically.

(2) *Application procedures*. To request a temporary hardship exemption, you must:

(i) File Form ADV-H (17 CFR 279.3) in paper format with no later than one business day after the filing that is the subject of the ADV-H was due; and

(ii) Submit the filing that is the subject of the Form ADV-H in electronic format with the IARD no later than seven business days after the filing was due.

(3) *Effective date—upon filing*. The temporary hardship exemption will be granted when you file a completed Form ADV-H.

(b) *Continuing hardship exemption—(1) Eligibility for exemption*. If you are a “small business” (as described in paragraph (b)(5) of this section), you may apply for a continuing hardship exemption.

The period of the exemption may be no longer than one year after the date on which you apply for the exemption.

(2) *Application procedures*. To apply for a continuing hardship exemption, you must file Form ADV-H at least ten business days before a filing is due. The Commission will grant or deny your application within ten business days after you file Form ADV-H.

(3) *Effective date—upon approval*. You are not exempt from the electronic filing requirements until and unless the Commission approves your application. If the Commission approves your application, you may submit your filings to NASD in paper format for the period of time for which the exemption is granted.

(4) *Criteria for exemption*. Your application will be granted only if you are able to demonstrate that the electronic filing requirements of this chapter are prohibitively burdensome or expensive.

(5) *Small business*. You are a “small business” for purposes of this section if

you are required to answer Item 12 of Form ADV (17 CFR 279.1) and checked “no” to each question in Item 12 that you were required to answer.

NOTE TO PARAGRAPH (b): NASD will charge you an additional fee covering its cost to convert to electronic format a filing made in reliance on a continuing hardship exemption.

[65 FR 57449, Sept. 22, 2000; 65 FR 81738, Dec. 27, 2000, as amended at 68 FR 42248, July 17, 2003]

§ 275.203(b)(3)-1 Definition of “client” of an investment adviser.

PRELIMINARY NOTE TO § 203(b)(3)-1: This rule is a safe harbor and is not intended to specify the exclusive method for determining who may be deemed a single client for purposes of section 203(b)(3) of the Act.

(a) *General.* For purposes of section 203(b)(3) of the Act (15 U.S.C. 80b-3(b)(3)), the following are deemed a single client:

- (1) A natural person, and:
 - (i) Any minor child of the natural person;
 - (ii) Any relative, spouse, or relative of the spouse of the natural person who has the same principal residence;
 - (iii) All accounts of which the natural person and/or the persons referred to in this paragraph (a)(1) are the only primary beneficiaries; and
 - (iv) All trusts of which the natural person and/or the persons referred to in this paragraph (a)(1) are the only primary beneficiaries;

(2)(i) A corporation, general partnership, limited partnership, limited liability company, trust (other than a trust referred to in paragraph (a)(1)(iv) of this section), or other legal organization (any of which are referred to hereinafter as a “legal organization”) that receives investment advice based on its investment objectives rather than the individual investment objectives of its shareholders, partners, limited partners, members, or beneficiaries (any of which are referred to hereinafter as an “owner”); and

(ii) Two or more legal organizations referred to in paragraph (a)(2)(i) of this section that have identical owners.

(b) *Special Rules.* For purposes of this section:

(1) An owner must be counted as a client if the investment adviser provides investment advisory services to

the owner separate and apart from the investment advisory services provided to the legal organization, *Provided, however,* that the determination that an owner is a client will not affect the applicability of this section with regard to any other owner;

(2) An owner need not be counted as a client of an investment adviser solely because the investment adviser, on behalf of the legal organization, offers, promotes, or sells interests in the legal organization to the owner, or reports periodically to the owners as a group solely with respect to the performance of or plans for the legal organization’s assets or similar matters;

(3) A limited partnership is a client of any general partner or other person acting as investment adviser to the partnership;

(4) Any person for whom an investment adviser provides investment advisory services without compensation need not be counted as a client; and

(5) An investment adviser that has its principal office and place of business outside of the United States must count only clients that are United States residents; an investment adviser that has its principal office and place of business in the United States must count all clients.

(c) *Holding Out.* Any investment adviser relying on this section shall not be deemed to be holding itself out generally to the public as an investment adviser, within the meaning of section 203(b)(3) of the Act (15 U.S.C. 80b-3(b)(3)), solely because such investment adviser participates in a non-public offering of interests in a limited partnership under the Securities Act of 1933.

§ 275.203A-1 Eligibility for SEC registration; switching to or from SEC registration.

(a) *Eligibility for SEC registration—(1) Threshold for SEC registration—\$30 million of assets under management.* If the State where you maintain your principal office and place of business has enacted an investment adviser statute, you are not required to register with the Commission, unless:

(i) You have assets under management of at least \$30,000,000, as reported on your Form ADV (17 CFR 279.1); or

§ 275.203A-2

(ii) You are an investment adviser to an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1).

(2) *Exemption for investment advisers having between \$25 and \$30 million of assets under management.* If the State where you maintain your principal office and place of business has enacted an investment adviser statute, you may register with the Commission if you have assets under management of at least \$25,000,000 but less than \$30,000,000, as reported on your Form ADV (17 CFR 279.1). This paragraph (a)(2) shall not apply if:

(i) You are an investment adviser to an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 to 80a-64); or

(ii) You are eligible for an exemption described in § 275.203A-2 of this chapter.

NOTE TO PARAGRAPHS (a)(1) AND (a)(2): Paragraphs (a)(1) and (a)(2) of this section together make SEC registration optional for certain investment advisers that have between \$25 and \$30 million of assets under management.

(b) *Switching to or from SEC registration—(1) State-registered advisers—switching to SEC registration.* If you are registered with a State securities authority, you must apply for registration with the Commission within 90 days of filing an annual updating amendment to your Form ADV reporting that you have at least \$30 million of assets under management.

(2) *SEC-registered advisers—switching to State registration.* If you are registered with the Commission and file an annual updating amendment to your Form ADV reporting that you no longer have \$25 million of assets under management (or are not otherwise eligible for SEC registration), you must file Form ADV-W (17 CFR 279.2) to withdraw your SEC registration within 180 days of your fiscal year end (unless you then have at least \$25 million of assets under management or are otherwise eligible for SEC registration). During this period while you are registered with both the Commission and one or more State securities authorities, the Investment Advisers Act of

17 CFR Ch. II (4-1-04 Edition)

1940 and applicable State law will apply to your advisory activities.

[65 FR 57449, Sept. 22, 2000]

§ 275.203A-2 Exemptions from prohibition on Commission registration.

The prohibition of section 203A(a) of the Act (15 U.S.C. 80b-3a(a)) does not apply to:

(a) *Nationally recognized statistical rating organizations.* An investment adviser that is a nationally recognized statistical rating organization, as that term is used in paragraphs (c)(2)(vi)(E), (F), and (H) of § 240.15c3-1 of this chapter.

(b) *Pension Consultants.* (1) An investment adviser that is a “pension consultant,” as defined in this section, with respect to assets of plans having an aggregate value of at least \$50,000,000.

(2) An investment adviser is a pension consultant, for purposes of paragraph (b) of this section, if the investment adviser provides investment advice to:

(i) Any employee benefit plan described in section 3(3) of the Employee Retirement Income Security Act of 1974 (“ERISA”) [29 U.S.C. 1002(3)];

(ii) Any governmental plan described in section 3(32) of ERISA (29 U.S.C. 1002(32)); or

(iii) Any church plan described in section 3(33) of ERISA (29 U.S.C. 1002(33)).

(3) In determining the aggregate value of assets of plans, include only that portion of a plan’s assets for which the investment adviser provided investment advice (including any advice with respect to the selection of an investment adviser to manage such assets). Determine the aggregate value of assets by cumulating the value of assets of plans with respect to which the investment adviser was last employed or retained by contract to provide investment advice during a 12-month period ended within 90 days of filing an annual updating amendment to Form ADV (17 CFR 279.1).

(c) *Investment advisers controlling, controlled by, or under common control with an investment adviser registered with the Commission.* An investment adviser that controls, is controlled by, or is under common control with, an investment

adviser eligible to register, and registered with, the Commission (“registered adviser”), provided that the principal office and place of business of the investment adviser is the same as that of the registered adviser. For purposes of this paragraph, control means the power to direct or cause the direction of the management or policies of an investment adviser, whether through ownership of securities, by contract, or otherwise. Any person that directly or indirectly has the right to vote 25 percent or more of the voting securities, or is entitled to 25 percent or more of the profits, of an investment adviser is presumed to control that investment adviser.

(d) *Investment advisers expecting to be eligible for Commission registration within 120 Days.* An investment adviser that:

(1) Immediately before it registers with the Commission, is not registered or required to be registered with the Commission or a securities commissioner (or any agency or officer performing like functions) of any State and has a reasonable expectation that it would be eligible to register with the Commission within 120 days after the date the investment adviser’s registration with the Commission becomes effective;

(2) Indicates on Schedule D of its Form ADV (17 CFR 279.1) that it will withdraw from registration with the Commission if, on the 120th day after the date the investment adviser’s registration with the Commission becomes effective, the investment adviser would be prohibited by section 203A(a) of the Act (15 U.S.C. 80b-3a(a)) from registering with the Commission; and

(3) Notwithstanding § 275.203A-1(b)(2) of this chapter, files a completed Form ADV-W (17 CFR 279.2) withdrawing from registration with the Commission within 120 days after the date the investment adviser’s registration with the Commission becomes effective.

(e) *Multi-state investment advisers.* An investment adviser that:

(1) Upon submission of its application for registration with the Commission, is required by the laws of 30 or more States to register as an investment adviser with the securities commissioners (or any agencies or officers performing like functions) in the respective

States, and thereafter would, but for this section, be required by the laws of at least 25 States to register as an investment adviser with the securities commissioners (or any agencies or officers performing like functions) in the respective States;

(2) Indicates on Schedule D of its Form ADV that the investment adviser has reviewed the applicable State and federal laws and has concluded that, in the case of an application for registration with the Commission, it is required by the laws of 30 or more States to register as an investment adviser with the State securities authorities in the respective States or, in the case of an amendment to Form ADV, it would be required by the laws of at least 25 States to register as an investment adviser with the State securities authorities in the respective States, within 90 days prior to the date of filing Form ADV;

(3) Undertakes on Schedule D of its Form ADV to withdraw from registration with the Commission if the adviser indicates on an annual updating amendment to Form ADV that the investment adviser would be required by the laws of fewer than 25 States to register as an investment adviser with the securities commissioners (or any agencies or officers performing like functions) in the respective States, and that the investment adviser would be prohibited by section 203A(a) of the Act (15 U.S.C. 80b-3a(a)) from registering with the Commission, by filing a completed Form ADV-W within 180 days of the adviser’s fiscal year end (unless the adviser then has at least \$25 million of assets under management or is otherwise eligible for SEC registration); and

(4) Maintains in an easily accessible place a record of the States in which the investment adviser has determined it would, but for the exemption, be required to register for a period of not less than five years from the filing of a Form ADV that includes a representation that is based on such record.

(f) *Internet investment advisers.* (1) An investment adviser that:

(i) Provides investment advice to all of its clients exclusively through an interactive website, except that the investment adviser may provide investment advice to fewer than 15 clients

§ 275.203A-3

17 CFR Ch. II (4-1-04 Edition)

through other means during the preceding twelve months;

(ii) More than ten percent of whose clients are natural persons (other than excepted persons described in paragraph (a)(3)(i) of this section).

(2) Notwithstanding paragraph (a)(1) of this section, a supervised person is not an investment adviser representative if the supervised person:

(i) Does not on a regular basis solicit, meet with, or otherwise communicate with clients of the investment adviser; or

(ii) Provides only impersonal investment advice.

(3) For purposes of this section:

(i) “Excepted person” means a natural person who is a qualified client as described in § 275.205-3(d)(1).

(ii) “Impersonal investment advice” means investment advisory services provided by means of written material or oral statements that do not purport to meet the objectives or needs of specific individuals or accounts.

(4) Supervised persons may rely on the definition of “client” in § 275.203(b)(3)-1 to identify clients for purposes of paragraph (a)(1) of this section, except that supervised persons need not count clients that are not residents of the United States.

(b) *Place of business*. “Place of business” of an investment adviser representative means:

§§ 275.203A-5—275.203A-6 [Reserved]

§ 275.204-1 Amendments to application for registration.

(a) *When amendment is required.* You must amend your Form ADV (17 CFR 279.1):

(1) At least annually, within 90 days of the end of your fiscal year; and

(2) More frequently, if required by the instructions to Form ADV.

NOTE TO PARAGRAPH (A): Information on how to file with the Investment Adviser Registration Depository ("IARD") is available on our website at www.sec.gov/iard.

(b) *Electronic filing of amendments.* (1) You must file all amendments to Part 1A of your Form ADV electronically with the IARD, unless you have received a continuing hardship exemption under § 275.203-3.

(2) If you have received a continuing hardship exemption under § 275.203-3, you must, when you are required to amend your Form ADV, file a completed Part 1A of Form ADV on paper with the SEC by mailing it to the NASD.

(c) *Special rule for Part II.* You are not required to file with the Commission a copy of Part II of Form ADV if you maintain a copy of your Part II (and any brochure you deliver to clients) in your files. The copy maintained in your files is considered filed with the Commission.

NOTE TO PARAGRAPH (C): The Commission has proposed, but not adopted, substantial changes to Part II of Form ADV. Thus, the rules for preparing, delivering, and offering Part II (or a brochure containing at least the information contained in Part II) have not changed. If you are an SEC-registered adviser, however, you no longer have to file Part II with the Commission. Instead, you must keep a copy in your files, and update the information in your Part II whenever it

becomes materially inaccurate. State law may continue to require you to file Part II with the appropriate State securities authority on paper, regardless of whether you are filing Part 1 on paper or through the IARD.

(d) *Filing fees.* You must pay the NASD (the operator of the IARD) an initial filing fee when you first electronically file Part 1A of Form ADV. After you pay the initial filing fee, you must pay an annual filing fee each time you file your annual updating amendment. No portion of either fee is refundable. The Commission has approved the filing fees. Your amended Form ADV will not be accepted by NASD, and thus will not be considered filed with the Commission, until you have paid the filing fee.

(e) *Amendments to Form ADV are reports.* Each amendment required to be filed under this section is a "report" within the meaning of sections 204 and 207 of the Act (15 U.S.C. 80b-4 and 80b-7).

Any record required by paragraph (a)(12)(i) of this section also may contain a statement declaring that the record of the transaction will not be construed as an admission that the investment adviser or advisory representative has any direct or indirect beneficial ownership in the security. A transaction must be recorded no later than 10 days after the end of the calendar quarter in which the transaction was effected. An investment adviser will be considered to have made a record required by paragraph (a)(12)(i) of this section if:

(C) *Control* shall have the same meaning as that set forth in section 2(a)(9) of the Investment Company Act of 1940, as amended.

(iv) An investment adviser shall not be deemed to have violated the provisions of paragraph (a)(12) of this section because of his failure to record securities transactions of any advisory representative if he establishes that he instituted adequate procedures and used reasonable diligence to obtain promptly reports of all transactions required to be recorded.

(13)(i) Notwithstanding the provisions of paragraph (a)(12) of this section, an investment adviser that is primarily engaged in a business or businesses other than advising registered investment companies or other advisory clients, must maintain a record of every transaction in a security in which the investment adviser or any advisory representative (as defined in paragraph (a)(13)(iii)(A) of this section) of the investment adviser has, or by reason of the transaction acquires, any direct or indirect beneficial ownership, except:

Any record required by paragraph (a)(13)(i) of this section also may contain a statement declaring that the record of the transaction will not be construed as an admission that the investment adviser or advisory representative has any direct or indirect beneficial ownership in the security. A transaction must be recorded no later than 10 days after the end of the calendar quarter in which the transaction was effected. An investment adviser will be considered to have made a record required by paragraph (a)(13)(i) of this section if:

(17)(i) A copy of the investment adviser's policies and procedures formulated pursuant to § 275.206(4)-7(a) of this chapter that are in effect, or at any time within the past five years were in effect, and

(ii) Any records documenting the investment adviser's annual review of those policies and procedures conducted pursuant to § 275.206(4)-7(b) of this chapter.

(e)(1) All books and records required to be made under the provisions of paragraphs (a) to (c)(1)(i), inclusive, and (c)(2) of this section (except for books and records required to be made under the provisions of paragraphs (a)(11), (a)(16), and (a)(17)(i) of this section), shall be maintained and preserved in an easily accessible place for a period of not less than five years from the end of the fiscal year during which the last entry was made on such record, the first two years in an appropriate office of the investment adviser.

§ 275.204-3 Written disclosure statements.

(a) *General requirement.* Unless otherwise provided in this rule, an investment adviser, registered or required to be registered pursuant to section 203 of the Act shall, in accordance with the provisions of this section, furnish each advisory client and prospective advisory client with a written disclosure statement which may be either a copy of Part II of its form ADV which complies with §275.204-1(b) under the Act or a written document containing at least the information then so required by Part II of Form ADV.

(b) *Delivery.* (1) An investment adviser, except as provided in paragraph (2), shall deliver the statement required by this section to an advisory client or prospective advisory client (i) not less than 48 hours prior to entering into any written or oral investment advisory contract with such client or prospective client, or (ii) at the time of entering into any such contract, if the advisory client has a right to terminate the contract without penalty within five business days after entering into the contract.

(2) Delivery of the statement required by paragraph (1) need not be made in connection with entering into (i) an investment company contract or (ii) a contract for impersonal advisory services.

(c) *Offer to deliver.* (1) An investment adviser, except as provided in paragraph (2), annually shall, without

charge, deliver or offer in writing to deliver upon written request to each of its advisory clients the statement required by this section.

(2) The delivery or offer required by paragraph (c)(1) of this section need not be made to advisory clients receiving advisory services solely pursuant to (i) an investment company contract or (ii) a contract for impersonal advisory services requiring a payment of less than \$200;

(3) With respect to an advisory client entering into a contract or receiving advisory services pursuant to a contract for impersonal advisory services which requires a payment of \$200 or more, an offer of the type specified in paragraph (c)(1) of this section shall also be made at the time of entering into an advisory contract.

(4) Any statement requested in writing by an advisory client pursuant to an offer required by this paragraph must be mailed or delivered within seven days of the receipt of the request.

(d) *Omission of inapplicable information.* If an investment adviser renders substantially different types of investment advisory services to different advisory clients, any information required by Part II of Form ADV may be omitted from the statement furnished to an advisory client or prospective advisory client if such information is applicable only to a type of investment advisory service or fee which is not rendered or charged, or proposed to be rendered or charged, to that client or prospective client.

(e) *Other disclosures.* Nothing in this rule shall relieve any investment adviser from any obligation pursuant to any provision of the Act or the rules and regulations thereunder or other federal or state law to disclose any information to its advisory clients or prospective advisory clients not specifically required by this rule.

(f) *Sponsors of wrap fee programs.* (1) An investment adviser, registered or required to be registered pursuant to section 203 of the Act, that is compensated under a wrap fee program for sponsoring, organizing, or administering the program, or for selecting, or providing advice to clients regarding the selection of, other investment ad-

Any additional information included in such disclosure statement should be limited to information concerning wrap fee programs sponsored by the investment adviser.

(3) An investment adviser need not furnish the written disclosure statement required by paragraph (f)(1) of this section to clients and prospective clients of a wrap fee program if another investment adviser is required to furnish and does furnish the written disclosure statement to all clients and prospective clients of the wrap fee program.

(4) An investment adviser that is required under this paragraph (f) to furnish a disclosure statement to clients of a wrap fee program shall furnish the disclosure statement to each client of the wrap fee program (including clients that have previously been furnished the brochure required under paragraph (a) of this section) no later than October 1, 1994.

(g) *Definitions.* For the purpose of this rule:

§§ 275.204-4—275.204-5 [Reserved]

§ 275.205-1 Definition of “investment performance” of an investment company and “investment record” of an appropriate index of securities prices.

(a) *Investment performance* of an investment company for any period shall mean the sum of:

(1) The change in its net asset value per share during such period;

(2) The value of its cash distributions per share accumulated to the end of such period; and

(3) The value of capital gains taxes per share paid or payable on undistributed realized long-term capital gains accumulated to the end of such period; expressed as a percentage of its net asset value per share at the beginning of such period. For this purpose, the value of distributions per share of realized capital gains, of dividends per share paid from investment income and of capital gains taxes per share paid or payable on undistributed realized long-term capital gains shall be treated as reinvested in shares of the investment company at the net asset value per share in effect at the close of business on the record date for the payment of such distributions and dividends and the date on which provision is made for such taxes, after giving effect to such distributions, dividends and taxes.

(b) *Investment record* of an appropriate index of securities prices for any period shall mean the sum of:

(1) The change in the level of the index during such period; and

(2) The value, computed consistently with the index, of cash distributions made by companies whose securities comprise the index accumulated to the end of such period; expressed as a percentage of the index level at the beginning of such period. For this purpose cash distributions on the securities which comprise the index shall be treated as reinvested in the index at least as frequently as the end of each calendar quarter following the payment of the dividend.

(a) For purposes of this rule:

(1) *Fulcrum fee* shall mean the fee which is paid or earned when the investment company’s performance is equivalent to that of the index or other measure of performance.

(2) *Rolling period* shall mean a period consisting of a specified number of subperiods of definite length in which the most recent subperiod is substituted for the earliest subperiod as time passes.

(b) The specified period over which the asset value of the company or fund under management is averaged shall mean the period over which the investment performance of the company or fund and the investment record of an appropriate index of securities prices or such other measure of investment performance are computed.

(c) Notwithstanding paragraph (b) of this section, the specified period over which the asset value of the company or fund is averaged for the purpose of computing the fulcrum fee may differ from the period over which the asset value is averaged for computing the performance related portion of the fee, only if:

(1) The performance related portion of the fee is computed over a rolling period and the total fee is payable at the end of each subperiod of the rolling period; and

(2) The fulcrum fee is computed on the basis of the asset value averaged over the most recent subperiod or subperiods of the rolling period.

§ 275.205-3 Exemption from the compensation prohibition of section 205(a)(1) for investment advisers.

(a) *General.* The provisions of section 205(a)(1) of the Act (15 U.S.C. 80b-5(a)(1)) will not be deemed to prohibit an investment adviser from entering into, performing, renewing or extending an investment advisory contract that provides for compensation to the investment adviser on the basis of a share of the capital gains upon, or the capital appreciation of, the funds, or any portion of the funds, of a client, *Provided*, That the client entering into the contract subject to this section is a qualified client, as defined in paragraph (d)(1) of this section.

(b) *Identification of the client.* In the case of a private investment company, as defined in paragraph (d)(3) of this section, an investment company registered under the Investment Company Act of 1940, or a business development company, as defined in section 202(a)(22) of the Act (15 U.S.C. 80b-2(a)(22)), each equity owner of any such company (except for the investment adviser entering into the contract and any other equity owners not charged a fee on the basis of a share of capital gains or capital appreciation) will be considered a client for purposes of paragraph (a) of this section.

(c) *Transition rule.* An investment adviser that entered into a contract before August 20, 1998 and satisfied the conditions of this section as in effect on the date that the contract was entered into will be considered to satisfy the conditions of this section; *Provided*, however, that this section will apply with respect to any natural person or company who is not a party to the contract prior to and becomes a party to the contract after August 20, 1998.

(d) *Definitions.* For the purposes of this section:

(1) The term *qualified client* means:

(i) A natural person who or a company that immediately after entering into the contract has at least \$750,000 under the management of the investment adviser;

§ 275.206(3)-1

17 CFR Ch. II (4-1-04 Edition)

(ii) A natural person who or a company that the investment adviser entering into the contract (and any person acting on his behalf) reasonably believes, immediately prior to entering into the contract, either:

(B) Is a qualified purchaser as defined in section 2(a)(51)(A) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(51)(A)) at the time the contract is entered into; or

(iii) A natural person who immediately prior to entering into the contract is:

(A) An executive officer, director, trustee, general partner, or person serving in a similar capacity, of the investment adviser; or

(B) An employee of the investment adviser (other than an employee performing solely clerical, secretarial or administrative functions with regard to the investment adviser) who, in connection with his or her regular functions or duties, participates in the investment activities of such investment adviser, provided that such employee has been performing such functions and duties for or on behalf of the investment adviser, or substantially similar functions or duties for or on behalf of another company for at least 12 months.

(2) The term *company* has the same meaning as in section 202(a)(5) of the Act (15 U.S.C. 80b-2(a)(5)), but does not include a company that is required to be registered under the Investment Company Act of 1940 but is not registered.

(3) The term *private investment company* means a company that would be defined as an investment company under section 3(a) of the Investment Company Act of 1940 (15 U.S.C. 80a-3(a)) but for the exception provided from that definition by section 3(c)(1) of such Act (15 U.S.C. 80a-3(c)(1)).

(a) An investment adviser which is a broker or dealer registered pursuant to section 15 of the Securities Exchange Act of 1934 shall be exempt from section 206(3) in connection with any transaction in relation to which such broker or dealer is acting as an investment adviser solely (1) by means of publicly distributed written materials or publicly made oral statements; (2) by means of written materials or oral statements which do not purport to meet the objectives or needs of specific individuals or accounts; (3) through the issuance of statistical information containing no expressions of opinion as to the investment merits of a particular security; or (4) any combination of the foregoing services: *Provided, however*, That such materials and oral statements include a statement that if the purchaser of the advisory communication uses the services of the adviser in connection with a sale or purchase of a security which is a subject of such communication, the adviser may act as principal for its own account or as agent for another person.

(b) For the purpose of this Rule, publicly distributed written materials are those which are distributed to 35 or more persons who pay for such materials, and publicly made oral statements are those made simultaneously to 35 or more persons who pay for access to such statements.

NOTE: The requirement that the investment adviser disclose that it may act as principal or agent for another person in the sale or purchase of a security that is the subject of investment advice does not relieve the investment adviser of any disclosure obligation which, depending upon the nature of the relationship between the investment adviser and the client, may be imposed by subparagraphs (1) or (2) of section 206 or the other provisions of the federal securities laws.

(a) An investment adviser, or a person registered as a broker-dealer under section 15 of the Securities Exchange Act of 1934 (15 U.S.C. 78o) and controlling, controlled by, or under common control with an investment adviser, shall be deemed in compliance with the provisions of sections 206(3) of the Act (15 U.S.C. 80b-6(3)) in effecting an agency cross transaction for an advisory client, if:

(1) The advisory client has executed a written consent prospectively authorizing the investment adviser, or any other person relying on this rule, to effect agency cross transactions for such advisory client, provided that such written consent is obtained after full written disclosure that with respect to agency cross transactions the investment adviser or such other person will act as broker for, receive commissions from, and have a potentially conflicting division of loyalties and responsibilities regarding, both parties to such transactions;

(2) The investment adviser, or any other person relying on this rule, sends to each such client a written confirmation at or before the completion of each such transaction, which confirmation includes (i) a statement of the nature of such transaction, (ii) the date such transaction took place, (iii) an offer to furnish upon request, the time when such transaction took place, and (iv) the source and amount of any other remuneration received or to be received by the investment adviser and any other person relying on this rule in connection with the transaction, *Provided, however*, That if, in the case of a purchase, neither the investment adviser nor any other person relying on this rule was participating in a distribution, or in the case of a sale, neither the investment adviser nor any other person relying on this rule was participating in a tender offer, the written confirmation may state whether any other remuneration has been or will be received and that the source and amount of such other remuneration will be furnished upon written request of such customer;

(3) The investment adviser, or any other person relying in this rule, sends

to each such client, at least annually, and with or as part of any written statement or summary of such account from the investment adviser or such other person, a written disclosure statement identifying the total number of such transactions during the period since the date of the last such statement or summary, and the total amount of all commissions or other remuneration received or to be received by the investment adviser or any other person relying on this rule in connection with such transactions during such period;

(4) Each written disclosure statement and confirmation required by this rule includes a conspicuous statement that the written consent referred to in paragraph (a)(1) of this section may be revoked at any time by written notice to the investment adviser, or to any other person relying on this rule, from the advisory client; and

(5) No such transaction is effected in which the same investment adviser or an investment adviser and any person controlling, controlled by or under common control with such investment adviser recommended the transaction to both any seller and any purchaser.

(b) For purposes of this rule the term *agency cross transaction for an advisory client* shall mean a transaction in which a person acts as an investment adviser in relation to a transaction in which such investment adviser, or any person controlling, controlled by, or under common control with such investment adviser, acts as broker for both such advisory client and for another person on the other side of the transaction.

(c) This rule shall not be construed as relieving in any way the investment adviser or another person relying on this rule from acting in the best interests of the advisory client, including fulfilling the duty with respect to the best price and execution for the particular transaction for the advisory client; nor shall it relieve such person or persons from any disclosure obligation which may be imposed by subparagraphs (1) or (2) of section 206 of the

§ 275.206(4)-2 Custody of funds or securities of clients by investment advisers.

(a) *Safekeeping required.* If you are an investment adviser registered or required to be registered under section 203 of the Act (15 U.S.C. 80b-3), it is a fraudulent, deceptive, or manipulative act, practice or course of business within the meaning of section 206(4) of the Act (15 U.S.C. 80b-6(4)) for you to have custody of client funds or securities unless:

(1) *Qualified custodian.* A qualified custodian maintains those funds and securities:

(i) In a separate account for each client under that client's name; or

(ii) In accounts that contain only your clients' funds and securities, under your name as agent or trustee for the clients.

(2) *Notice to clients.* If you open an account with a qualified custodian on your client's behalf, either under the client's name or under your name as agent, you notify the client in writing of the qualified custodian's name, address, and the manner in which the funds or securities are maintained, promptly when the account is opened and following any changes to this information.

(3) *Account statements to clients.*—(i) *By qualified custodian.* You have a reasonable basis for believing that the qualified custodian sends an account statement, at least quarterly, to each of your clients for which it maintains funds or securities, identifying the amount of funds and of each security in the account at the end of the period and setting forth all transactions in the account during that period; or

(ii) *By adviser.* (A) You send a quarterly account statement to each of your clients for whom you have custody of funds or securities, identifying the amount of funds and of each security of which you have custody at the end of the period and setting forth all transactions during that period;

(B) An independent public accountant verifies all of those funds and securities by actual examination at least once during each calendar year at a time that is chosen by the accountant without prior notice or announcement to you and that is irregular from year to year, and files a certificate on Form ADV-E (17 CFR 279.8) with the Commission within 30 days after the completion of the examination, stating that it has examined the funds and securities and describing the nature and extent of the examination; and

(C) The independent public accountant, upon finding any material discrepancies during the course of the examination, notifies the Commission within one business day of the finding, by means of a facsimile transmission or electronic mail, followed by first class mail, directed to the attention of the

Director of the Office of Compliance Inspections and Examinations; and

(iii) *Special rule for limited partnerships and limited liability companies.* If you are a general partner of a limited partnership (or managing member of a limited liability company, or hold a comparable position for another type of pooled investment vehicle), the account statements required under paragraphs (a)(3)(i) or (a)(3)(ii) of this section must be sent to each limited partner (or member or other beneficial owner).

(4) *Independent representatives.* A client may designate an independent representative to receive, on his behalf, notices and account statements as required under paragraphs (a)(2) and (a)(3) of this section.

(b) *Exceptions.*—(1) *Shares of mutual funds.* With respect to shares of an open-end company as defined in section 5(a)(1) of the Investment Company Act of 1940 (15 U.S.C. 80a-5(a)(1)) ("mutual fund"), you may use the mutual fund's transfer agent in lieu of a qualified custodian for purposes of complying with paragraph (a) of this section;

(2) *Certain privately offered securities.* (i) You are not required to comply with this section with respect to securities that are:

(A) Acquired from the issuer in a transaction or chain of transactions not involving any public offering;

(B) Uncertificated, and ownership thereof is recorded only on books of the issuer or its transfer agent in the name of the client; and

(C) Transferable only with prior consent of the issuer or holders of the outstanding securities of the issuer.

(ii) Notwithstanding paragraph (b)(2)(i) of this section, the provisions of this paragraph (b)(2) are available with respect to securities held for the account of a limited partnership (or limited liability company, or other type of pooled investment vehicle) only if the limited partnership is audited, and the audited financial statements are distributed, as described in paragraph (b)(3) of this section.

(3) *Limited partnerships subject to annual audit.* You are not required to comply with paragraph (a)(3) of this section with respect to the account of

§ 275.206(4)-3

17 CFR Ch. II (4-1-04 Edition)

a limited partnership (or limited liability company, or another type of pooled investment vehicle) that is subject to audit (as defined in section 2(d) of Article 1 of Regulation S-X (17 CFR 210.1-02(d)) at least annually and distributes its audited financial statements prepared in accordance with generally accepted accounting principles to all limited partners (or members or other beneficial owners) within 120 days of the end of its fiscal year; and

(4) *Registered investment companies.* You are not required to comply with this section (17 CFR 275.206(4)-2) with respect to the account of an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 to 80a-64).

(c) *Definitions.* For the purposes of this section:

(1) *Custody* means holding, directly or indirectly, client funds or securities, or having any authority to obtain possession of them. Custody includes:

(2) *Independent representative* means a person that:

(i) Acts as agent for an advisory client, including in the case of a pooled investment vehicle, for limited partners of a limited partnership (or members of a limited liability company, or other beneficial owners of another type of pooled investment vehicle) and by law or contract is obliged to act in the best interest of the advisory client or

the limited partners (or members, or other beneficial owners);

(ii) Does not control, is not controlled by, and is not under common control with you; and

(iii) Does not have, and has not had within the past two years, a material business relationship with you.

(3) *Qualified custodian means:*

(i) A bank as defined in section 202(a)(2) of the Advisers Act (15 U.S.C. 80b-2(a)(2)) or a savings association as defined in section 3(b)(1) of the Federal Deposit Insurance Act (12 U.S.C. 1813(b)(1)) that has deposits insured by the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act (12 U.S.C. 1811);

(ii) A broker-dealer registered under section 15(b)(1) of the Securities Exchange Act of 1934 (15 U.S.C. 78o(b)(1)), holding the client assets in customer accounts;

ACCOUNTS OF "SEPARATE" CUSTOMERS OF SIPC MEMBERS

§ 300.100 General.

(a) For the purpose of sections 9(a)(2) and 16(12) of the Securities Investor Protection Act (hereinafter referred to as "the Act"), these rules will be applied in determining what accounts held by a person with a member of SIPC (hereinafter called a "member") are to be deemed accounts held in a capacity other than his individual capacity.

(b) Accounts held by a customer in different capacities, as specified by these rules, shall be deemed to be accounts of "separate" customers.

Securities and Exchange Commission

§ 300.105

(c) A “person” as used in these rules includes, but is not limited to, an individual, a corporation, a partnership, an association, a joint stock company, a trust, an unincorporated organization, or a government or political subdivision thereof.

(d) The burden shall be upon the customer to establish each capacity in which he claims to hold accounts separate from his individual capacity.

§ 300.101 Individual accounts.

(a) Except as otherwise provided in these rules, all accounts held with a member by a person in his own name, and those which under these rules are deemed his individual accounts, shall be combined so as to constitute a single account of a separate customer.

(b) An account held with a member by an agent or nominee for another person as a principal or beneficial owner shall, except as otherwise provided in these rules, be deemed to be an individual account of such principal or beneficial owner.

§ 300.102 Accounts held by executors, administrators, guardians, etc.

(a) Accounts held with a member in the name of a decedent or in the name of his estate or in the name of the executor or administrator of the estate of the decedent shall be combined so as to constitute a single account of a separate customer.

(b) An account held with a member by a guardian, custodian, or conservator for the benefit of a ward or for the benefit of a minor under the Uniform Gifts to Minors Act or in a similar capacity shall be deemed to be held by such guardian, custodian, or conservator in a different capacity from any account or accounts maintained by such person in his individual capacity.

§ 300.103 Accounts held by a corporation, partnership or unincorporated association.

A corporation, partnership or unincorporated association holding an account with a member shall be deemed to be a separate customer distinct from the person or persons owning such corporation or comprising such partnership or unincorporated association if on the filing date it existed for a pur-

pose other than primarily to obtain or increase protection under the Act.

§ 300.104 Trust accounts.

(a) A trust account held with a member shall be deemed a “qualifying trust account” if it is held on behalf of a valid and subsisting express trust created by a written instrument. No account held on behalf of a trust that on the filing date existed primarily to obtain or increase protection under the Act shall be deemed to be a qualifying trust account.

(b) A qualifying trust account held with a member shall be deemed held by a separate customer of the member, distinct from the trustee, the testator or his estate, the settlor, or any beneficiary of the trust.

(c) Any account held with a member on behalf of a trust which does not meet the requirements of paragraph (a) of this rule shall be deemed to be an individual account of the settlor of the trust on behalf of which the account is held.

§ 300.105 Joint accounts.

(a) A joint account shall be deemed to be a “qualifying joint account” if it is owned jointly, whether by the owners thereof as joint tenants with the right of survivorship, as tenants by the entirety or as tenants in common, or by husband and wife as community property, but only if each co-owner possesses authority to act with respect to the entire account.

§ 300.200

ACCOUNTS INTRODUCED BY OTHER BROKERS OR DEALERS

§ 300.200 General.

A person having one or more accounts cleared by the member on a fully disclosed basis for one or more introducing brokers or dealers is a customer of the member and shall be protected with respect to such account or accounts without regard to the protection available for any other account or accounts he may have with the member.

§ 300.201 Accounts introduced by same or different broker or dealer.

All accounts of a person which are introduced by the same broker or dealer shall be combined and protected as the single account of a separate customer, unless such accounts are maintained in different capacities as specified in §§ 300.100 through 300.105; accounts introduced by different brokers or dealers shall be protected separately.

[44 FR 21211, Apr. 9, 1979, as amended at 62 FR 10451, Mar. 7, 1997]

§ 300.301 Contracts to be closed out or completed.

An open contractual commitment shall be closed out or completed if:

(a) The open contractual commitment:

(1) Arises from a transaction in which a customer (as defined in § 300.300) of the other broker or dealer had an interest. For the purposes of this rule a customer is deemed to have an interest in a transaction if (i) the other broker was acting as agent for the customer or (ii) the other dealer was not a market maker in the security involved, to the extent such other dealer held a firm order from the customer and in connection therewith: In

the case of a buy order, prior to executing such customer's order purchased as principal the same number of shares or purchased shares to accumulate the number of shares necessary to complete the order; or in the case of a sell order, prior to executing such customer's order sold the same number of shares or a portion thereof; and

(ii) Had a trade date on or within three business days prior to such settlement date; and

(b) The other broker or dealer can establish to the satisfaction of the trustee through appropriate documentation that:

(1) In the case of a broker or dealer who maintains his records on a specific identification basis:

(i) The open contractual commitment arose out of a transaction in which his customer had such an interest, and

(ii) In the case of a failed to deliver of the debtor, as of the filing date such broker's or dealer's customer's interest had not been sold to such broker or dealer; or

(2) In the case of a broker or dealer who maintains his records other than on a specific identification basis, he has determined that a customer had such an interest in a manner consistent with that used by such broker or dealer prior to the filing date to allocate fails to receive and fails to deliver in computing the special reserve bank account requirement pursuant to the provisions of Rule 15c3-3 under the Securities Exchange Act of 1934 (17 CFR 240.15c3-3); or

(3) In the case of a broker or dealer not described in paragraph (b)(1) or (2) of this section, he has made the determination in a manner which the trustee finds to be fair and equitable.

[44 FR 21211, Apr. 9, 1979, as amended at 62 FR 10451, Mar. 7, 1997]

§ 300.302 Mechanics of closeout or completion.

(a) The closeout or completion of an open contractual commitment meeting the requirements of § 300.301 shall be effected only:

(1) By the buy-in or sell-out of the commitment by the other broker or dealer in accordance with the usual trade practices initiated by the other broker or dealer within or promptly upon the expiration of a period of 30 calendar days after settlement date; or

(2) At the option of the trustee by the delivery of securities against receipt of the contract price or payment of the contract price against the receipt of the securities at any time within 30 calendar days after settlement date unless the commitment previously has been bought-in or sold-out in accordance with paragraph (a)(1) of this section; or

(3) In the event of the refusal of the other broker or dealer to accept completion of an open contractual commitment in accordance with paragraph (a)(2) of this section, or the failure of the other broker or dealer to promptly buy-in or sell-out a commitment in accordance with paragraph (a)(1) of this section, or in the event of the failure of the other broker or dealer to provide the trustee with appropriate documentation as required by § 300.303, by delivery of securities against receipt of the contract price or payment of the contract price against receipt of securities, or the buy-in or sell-out of the commitment or cancellation of the commitment or otherwise, as may be appropriate, as the trustee in his discretion will most benefit the estate of the debtor.

(b) In the event of a close-out of an open contractual commitment pursuant to paragraph (a)(1) of this section, the money differences resulting from such close-out shall be payable by the other broker or dealer to the trustee or by the trustee to the other broker or dealer, whichever would be entitled to receive such difference under the usual trade practices: *Provided, however*, (1) That prior to the payment of any such money difference by the trustee to such other broker or dealer with respect to transactions executed by such other broker or dealer for any separate

§ 300.303

customer account, all open contractual commitments with respect to such account which meet the requirements of § 300.301 must have been completed by delivery of securities against receipt of the contract price or by payment of the contract price against receipt of the securities in conformity with paragraph (a)(2) of this section, or by buy-in or sell-out in conformity with paragraph (a)(1) of this section, and (2) that the net amount so payable by the trustee to the other broker or dealer shall not exceed \$40,000 with respect to any separate customer account.

§ 300.303 Report to trustee.

Promptly upon the expiration of 30 calendar days after the filing date, or if by the expiration of such 30-day period notice pursuant to section 8(a) of the Act of the commencement of proceedings has not been published, then as soon as practicable after publication of such notice, a broker or dealer who had executed transactions in securities out of which arose open contractual commitments with the debtor shall furnish to the trustee such information with respect to the buy-in, sell-out or other status of open contractual commitments as called for by Forms 300-A, B and C (§§ 301.300a-301.300c of this chapter) including appropriate supporting documentation and schedules.

§ 300.304 Retained rights of brokers or dealers.

(a) Nothing stated in these rules shall be construed to prejudice the right of a broker or dealer to any claim against the debtor's estate, or the right of the trustee to make any claim against a broker or dealer, with respect to a commitment of the debtor which was outstanding on the filing date, but (1) which is not described in § 300.300(c), or (2) which, although described in § 300.300(c), does not meet the requirements specified in § 300.301 or was not closed out or completed in accordance with § 300.302 or was not reported to the trustee in conformity with § 300.303 or was not supported by appropriate documentation.

(b) Nothing stated in these rules shall be construed to prejudice the right of a broker or dealer to a claim against the debtor's estate for the

17 CFR Ch. II (4-1-04 Edition)

amount by which the money difference due the broker or dealer upon a buy-in or sell-out may exceed the amount paid by the trustee to such broker or dealer.

§ 300.305 Excluded contracts.

Notwithstanding the fact that an open contractual commitment described in § 300.300(c) meets the requirements of § 300.301 and the other requirements of these rules, a court shall not be precluded from canceling such commitment, awarding damages, or granting such other remedy as it shall deem fair and equitable if, on application of the trustee or SIPC, it determines that such commitment was not entered into in the ordinary course of business or was entered into by the debtor, or the broker or dealer or his customer, for the purposes of creating a commitment in contemplation of a liquidation proceeding under the Act. Such a determination shall be made after notice and opportunity for hearing by the debtor, such broker or dealer, or such customer, and may be made before or after the delivery of securities or payment of the contract price or before or after any buy-in or sell-out of the open contractual commitment, or otherwise.

§ 300.306 Completion or closeout pursuant to SIPC direction.

In its discretion SIPC may, in order to prevent a substantial detrimental impact upon the financial condition of one or more brokers or dealers, direct the closeout or completion of an open contractual commitment, irrespective of whether it is described in § 300.300(c) or meets the requirements of § 300.301 or has been reported in conformity with § 300.303 or is supported by appropriate documentation. SIPC shall consult with the Securities and Exchange Commission before SIPC makes any determinations under this section.

§ 300.307 Completion with cash or securities of customer.

The trustee may, if authorized by the court, complete an open contractual commitment of the debtor, regardless of whether it is described in § 300.300(c) or meets the requirements of § 300.301 or has been reported to the trustee in conformity with § 300.303, to the extent that such commitment is completed

§ 300.400 Satisfaction of customer claims for standardized options.

(a) For the purpose of sections 7(b)(1), 8 (b) and (d), and 16(11) of the Securities Investor Protection Act (hereinafter referred to as "the Act"), this rule will be applied in determining what a customer will receive in either (1) a liquidation proceeding pursuant to the Act or (2) a direct payment procedure pursuant to section 10 of the Act, in satisfaction of a claim based upon Standardized Options positions.

(b) As promptly as practicable after the initiation of a liquidation proceeding or a direct payment procedure under the Act, the trustee in a liquidation proceeding, or SIPC in a direct payment procedure, shall liquidate or cause to be liquidated, by sale or purchase, all Standardized Options positions held for the accounts of customers.

(c) A trustee in a liquidation proceeding, or SIPC in a direct payment procedure, shall calculate the dollar amount of all Standardized Options positions held for the account of a customer in accordance with section 16(11) of the Act, and credit or debit, as appropriate, the dollar amount so calculated to the account of such customer.

(d) Notwithstanding paragraph (b) of this section, neither the trustee in a liquidation proceeding nor SIPC in a direct payment procedure shall be required under this rule to liquidate any short position in Standardized Options covered by the deposit of (1) the underlying securities, in the case of a call option, or (2) treasury bills, in the case of a put option, by or on behalf of a customer with a bank or other depository. Any such positions that are not liquidated shall be excluded from the calculation provided for in paragraph (c) of this section.

(e) In no event will Standardized Options positions be delivered to or on behalf of customers in satisfaction of

claims pursuant to section 7(b)(1) of the Act.

(f) In no event will Standardized Options be purchased for delivery to customers pursuant to section 8(d) of the Act.

(g) This rule shall not be construed as limiting or restricting in any way the exercise of any right of a broker or registered clearing agency to liquidate or cause the liquidation of Standardized Options Positions.

(h) As used in this rule the term *Standardized Options* means the terms traded on a national securities exchange, an automated quotation system of a registered securities association, or a foreign securities exchange.
