APPENDIX A TO PART 100—FEDERAL FINANCIAL ASSISTANCE TO WHICH THESE REGULATIONS APPLY

APPENDIX B TO PART 100—GUIDELINES FOR ELIMINATING DISCRIMINATION AND DENIAL OF SERVICES ON THE BASIS OF RACE, COLOR, NATIONAL ORIGIN, SEX, AND HANDICAP IN VOCATIONAL EDUCATION PROGRAMS

AUTHORITY: Sec. 602, 78 Stat. 252; 42 U.S.C. 2000d-1, unless otherwise noted.

SOURCE: 45 FR 30918, May 9, 1980, unless otherwise noted.

§100.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the "Act") to the end that no person in the United States shall; on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Department of Education.

(Authority: Sec. 601, Civil Rights Act of 1964; 78 Stat. 252; 42 U.S.C. 2000d)

§100.2 Application of this regulation.

This regulation applies to any program to which Federal financial assistance is authorized to be extended to a recipient under a law administered by the Department, including the Federal financial assistance listed in appendix A of this regulation. It applies to money paid, property transferred, or

other Federal financial assistance extended after the effective date of the regulation pursuant to an application approved prior to such effective date. This regulation does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred, or other assistance extended before the effective date of this regulation, (c) the use of any assistance by any individual who is the ultimate beneficiary, or (d) any employment practice, or any employer, employment agency, or labor organization, except to the extent described in §100.3. The fact that a type of Federal assistance is not listed in appendix A shall not mean, if title VI of the Act is otherwise applicable, that a program is not covered. Federal financial assistance under statutes now in force or hereinafter enacted may be added to this list by notice published in the FEDERAL REGISTER.

(Authority: Secs. 602, 604, Civil Rights Act of 1964; 78 Stat. 252, 253; 42 U.S.C. 2000d-1, 2000d-3)

§100.3 Discrimination prohibited.

(a) *General.* No person in the United States shall, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program to which this part applies.

(b) *Specific discriminatory actions prohibited.* (1) A recipient under any program to which this part applies may not, directly or through contractual or other arrangements, on ground of race, color, or national origin:

(i) Deny an individual any service, financial aid, or other benefit provided under the program;

(ii) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(vi) Deny an individual an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in paragraph (c) of this section).

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respect individuals of a particular race, color, or national origin.

(3) In determining the site or location of a facilities, an applicant or recipient may not make selections with the effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any programs to which this regulation applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or sub-

stantially impairing the accomplishment of the objectives of the Act or this regulation.

(4) As used in this section, the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in this paragraph and paragraph (c) of this section does not limit the generality of the prohibition in paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color, or national origin.

(c) *Employment practices.* (1) Where a primary objective of the Federal financial assistance to a program to which this regulation applies is to provide employment, a recipient may not (directly or through contractual or other arrangements) subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under such program (including recruitment or recruitment advertising, employment, layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities), including programs where a primary objective of the Federal financial assistance is (i) to reduce the employment of such individuals or to help them through employment to meet subsistence needs, (ii) to assist such individuals through employment to meet expenses incident to the commencement or continuation of their education or training, (iii) to provide work experience which contributes to the education or training of

such individuals, or (iv) to provide remunerative activity to such individuals who because of handicaps cannot be readily absorbed in the competitive labor market. The following, under existing laws, have one of the above objectives as a primary objective:

(A) Projects under the Public Works Acceleration Act, Pub. L. 87-658, 42 U.S.C. 2641-2643.

(B) Work-study under the Vocational Education Act of 1963, as amended, 20 U.S.C. 1371-1374.

(C) Programs assisted under laws listed in appendix A as respects employment opportunities provided thereunder, or in facilities provided thereunder, which are limited, or for which preference is given, to students, fellows, or other persons in training for the same or related employments.

(D) Assistance to rehabilitation facilities under the Vocational Rehabilitation Act, 29 U.S.C. 32-34, 41a and 41b.

(2) The requirements applicable to construction employment under any such program shall be those specified in or pursuant to Part III of Executive Order 11246 or any Executive order which supersedes it.

(3) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient or other persons subject to the regulation tends, on the ground of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this regulation applies, the foregoing provisions of this paragraph (c) shall apply to the employment practices of the recipient or other persons subject to the regulation, to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries.

(d) *Indian health and Cuban refugee services.* An individual shall not be deemed subjected to discrimination by reason of his exclusion from benefits limited by Federal law to individuals of a particular race, color, or national origin different from his.

(e) *Medical emergencies.* Notwithstanding the foregoing provisions of

this section, a recipient of Federal financial assistance shall not be deemed to have failed to comply with paragraph (a) of this section if immediate provision of a service or other benefit to an individual is necessary to prevent his death or serious impairment of his health, and such service or other benefit cannot be provided except by or through a medical institution which refuses or fails to comply with paragraph (a) of this section.

(Authority: Sec. 601, 602, 604, Civil Rights Act of 1964; 78 Stat. 252, 253, 42 U.S.C. 2000d, 2000d-1, 2000d-3)

[45 FR 30918, May 9, 1980, as amended at 65 FR 68053, Nov. 13, 2000]

§ 100.4 Assurances required.

(a) *General.* (1) Every application for Federal financial assistance to which this part applies, except an application to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this part. In the case of an application for Federal financial assistance to provide real property or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case of personal property the assurance shall obligate the recipient for the period during which he retains ownership or possession of the property. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application. The responsible Department official shall specify the form of the foregoing assurances, and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other

participants. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) Where Federal financial assistance is provided in the form of a transfer of real property or interest therein from the Federal Government the instrument effecting or recording the transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. Where no transfer of property is involved but property is improved with Federal financial assistance, the recipient shall agree to include such a covenant to any subsequent transfer of the property. Where the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant where, in the discretion of the responsible Department official, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee. In the event a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on such property for the purposes for which the property was transferred, the responsible Department official may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as he deems appropriate, to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

(b) *Continuing Federal financial assistance.* Every application by a State or a State agency for continuing Federal financial assistance to which this regulation applies (including the Federal financial assistance listed in part 2 of appendix A) shall as a condition to its approval and the extension of any Federal financial assistance pursuant to

the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this regulation, and (2) provide or be accompanied by provision for such methods of administration for the program as are found by the responsible Department official to give reasonable assurance that the applicant and all recipients of Federal financial assistance under such program will comply with all requirements imposed by or pursuant to this regulation.

(c) *Elementary and secondary schools.* The requirements of paragraph (a) or (b) of this section with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible Department official determines is adequate to accomplish the purposes of the Act and this part, at the earliest practicable time, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the responsible Department official may reserve the right to redetermine, after such period as may be specified by him, the adequacy of the plan to accomplish the purposes of the Act and the regulations in this part. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

(d) *Assurance from institutions.* (1) In the case of any application for Federal financial assistance to an institution of higher education (including assistance for construction, for research, for special training project, for student loans

or for any other purpose), the assurance required by this section shall extend to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of individuals as students, patients, or clients of the institution or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution.

(Authority: Sec. 601, 602, Civil Rights Act of 1964; 78 Stat. 252; 42 U.S.C. 2000d, 2000d-1, Sec. 182; 80 Stat. 1209; 42 U.S.C. 2000d-5)

[45 FR 30918, May 9, 1980, as amended at 65 FR 68053, Nov. 13, 2000]

§ 100.5 Illustrative application.

The following examples will illustrate the programs aided by Federal financial assistance of the Department. (In all cases the discrimination prohibited is discrimination on the ground of race, color, or national origin prohibited by title VI of the Act and this regulation, as a condition of the receipt of Federal financial assistance).

(a) In federally-affected area assistance (Pub. L. 815 and Pub. L. 874) for construction aid and for general support of the operation of elementary or secondary schools, or in more limited support to such schools such as for the acquisition of equipment, the provision of vocational education, or the provision of guidance and counseling services, discrimination by the recipient school district in any of its elementary or secondary schools in the admission of students, or in the treatment of its students in any aspect of the educational process, is prohibited. In this and the following illustrations the prohibition of discrimination in the treatment of students or other trainees includes the prohibition of discrimination among the students or trainees in the availability or use of any academic, dormitory, eating, recreational, or other facilities of the grantee or other recipient.

(b) In a research, training, demonstration, or other grant to a univer-

sity for activities to be conducted in a graduate school, discrimination in the admission and treatment of students in the graduate school is prohibited, and the prohibition extends to the entire university.

(c) In a training grant to a hospital or other nonacademic institution, discrimination is prohibited in the selection of individuals to be trained and in their treatment by the grantee during their training. In a research or demonstration grant to such an institution discrimination is prohibited with respect to any educational activity and any provision of medical or other services and any financial aid to individuals incident to the program.

(d) In grants to assist in the construction of facilities for the provision of health, educational or welfare services, assurances will be required that services will be provided without discrimination, to the same extent that discrimination would be prohibited as a condition of Federal operating grants for the support of such services. Thus, as a condition of grants for the construction of academic, research, or other facilities at institutions of higher education, assurances will be required that there will be no discrimination in the admission or treatment of students.

(e) Upon transfers of real or personal surplus property for educational uses, discrimination is prohibited to the same extent as in the case of grants for the construction of facilities or the provision of equipment for like purposes.

(f) Each applicant for a grant for the construction of educational television facilities is required to provide an assurance that it will, in its broadcast services, give due consideration to the interests of all significant racial or ethnic groups within the population to be served by the applicant.

(g) A recipient may not take action that is calculated to bring about indirectly what this regulation forbids it to accomplish directly. Thus, a State, in selecting or approving projects or sites for the construction of public libraries which will receive Federal financial assistance, may not base its selections or approvals on criteria which

have the effect of defeating or of substantially impairing accomplishments of the objectives of the Federal assistance as respects individuals of a particular race, color or national origin.

(h) In some situations, even though past discriminatory practices attributable to a recipient or applicant have been abandoned, the consequences of such practices continue to impede the full availability of a benefit. If the efforts required of the applicant or recipient under §100.6(d), to provide information as to the availability of the program or activity and the rights of beneficiaries under this regulation, have failed to overcome these consequences, it will become necessary under the requirement stated in paragraph (i) of §100.3(b)(6) for such applicant or recipient to take additional steps to make the benefits fully available to racial and nationality groups previously subject to discrimination. This action might take the form, for example, of special arrangements for obtaining referrals or making selections which will insure that groups previously subjected to discrimination are adequately served.

(i) Even though an applicant or recipient has never used discriminatory policies, the services and benefits of the program or activity it administers may not in fact be equally available to some racial or nationality groups. In such circumstances, an applicant or recipient may properly give special consideration to race, color, or national origin to make the benefits of its program more widely available to such groups, not then being adequately served. For example, where a university is not adequately serving members of a particular racial or nationality group, it may establish special recruitment policies to make its program better known and more readily available to such group, and take other steps to provide that group with more adequate service.

§100.6 Compliance information.

(a) *Cooperation and assistance.* The responsible Department official shall to

the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this part and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the responsible Department official or his designee timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the responsible Department official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this part. For example, recipients should have available for the Department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of and participants in federally-assisted programs. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible Department official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information. Asserted considerations of privacy or confidentiality may not operate to bar the Department from evaluating or seeking to enforce compliance with this part. Information of a confidential nature obtained in connection with compliance evaluation or enforcement shall not be disclosed except where necessary in formal enforcement proceedings or where otherwise required by law.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this regulation.

§ 100.7 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible Department official or his designee shall from time to time review the practices of recipients to determine whether they are complying with this part.

(b) *Complaints.* Any person who believes himself or any specific class of individuals to be subjected to discrimination prohibited by this part may by himself or by a representative file with the responsible Department official or his designee a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Department official or his designee.

(c) *Investigations.* The responsible Department official or his designee will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, the responsible Department official or his designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 100.8.

(2) If an investigation does not warrant action pursuant to paragraph (1) of this paragraph (d) the responsible Department official or his designee will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing under this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

(Authority: Sec. 601, 602, Civil Rights Act of 1964; 78 Stat. 252; 42 U.S.C. 2000d, 2000d-1)

§ 100.8 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this regulation, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking,

and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 100.4.* If an applicant fails or refuses to furnish an assurance required under § 100.4 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible Department official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part, (3) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible Department official has determined that compliance cannot be secured by voluntary

means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take such corrective action as may be appropriate.

(Authority: Sec. 601, 602, Civil Rights Act of 1964; 78 Stat. 252; 42 U.S.C. 2000d, 2000d-1, Sec. 182, 80 Stat. 1209; 42 U.S.C. 2000d-5)

§ 100.9 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by § 100.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible Department official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and § 100.8(c) of this regulation and consent to the making of a decision on the basis of such information as may be filed as the record.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Department in Washington, DC, at a time fixed by the responsible Department official unless he determines that

the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings shall be held before a hearing examiner designated in accordance with 5 U.S.C. 3105 and 3344 (section 11 of the Administrative Procedure Act).

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with sections 5-8 of the Administrative Procedure Act, and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing. Any person (other than a Government employee considered to be on official business) who, having been invited or requested to appear and testify as a witness on the Government's behalf, attends at a time and place scheduled for a hearing provided for by this part, may be reimbursed for his travel and actual expenses of attendance in an amount not to exceed the amount payable under the standardized travel regulations to a Government employee traveling on official business.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts

and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with this regulation with respect to two or more Federal assistance statutes to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under title VI of the Act, the responsible Department official may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with this part. Final decisions in such cases, insofar as this regulation is concerned, shall be made in accordance with § 100.10.

[45 FR 30918, May 9, 1980, as amended at 65 FR 68054, Nov. 13, 2000]

§ 100.10 Decisions and notices.

(a) *Decisions by hearing examiners.* After a hearing is held by a hearing examiner such hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the reviewing authority for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient and to the complainant, if any. Where the initial decision referred to in this paragraph or in paragraph (c) of this section is made by the hearing examiner, the applicant or recipient or the counsel for the Department may, within the period provided for in the rules of procedure issued by the responsible Department official, file with the reviewing authority exceptions to the initial decision, with his reasons therefor. Upon the filing of such exceptions the reviewing authority shall review the initial decision and issue its own decision thereof including the reasons therefor. In the absence of exceptions

the initial decision shall constitute the final decision, subject to the provisions of paragraph (e) of this section.

(b) *Decisions on record or review by the reviewing authority.* Whenever a record is certified to the reviewing authority for decision or it reviews the decision of a hearing examiner pursuant to paragraph (a) or (c) of this section, the applicant or recipient shall be given reasonable opportunity to file with it briefs or other written statements of its contentions, and a copy of the final decision of the reviewing authority shall be given in writing to the applicant or recipient and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to § 100.9(a) the reviewing authority shall make its final decision on the record or refer the matter to a hearing examiner for an initial decision to be made on the record. A copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing examiner or reviewing authority shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) *Review in certain cases by the Secretary.* If the Secretary has not personally made the final decision referred to in paragraphs (a), (b), or (c) of this section, a recipient or applicant or the counsel for the Department may request the Secretary to review a decision of the Reviewing Authority in accordance with rules of procedure issued by the responsible Department official. Such review is not a matter of right and shall be granted only where the Secretary determines there are special and important reasons therefor. The Secretary may grant or deny such request, in whole or in part. He may also review such a decision upon his own motion in accordance with rules of procedure issued by the responsible Department official. In the absence of a review under this paragraph, a final decision referred to in paragraphs (a), (b), (c) of this section shall become the

final decision of the Department when the Secretary transmits it as such to Congressional committees with the report required under section 602 of the Act. Failure of an applicant or recipient to file an exception with the Reviewing Authority or to request review under this paragraph shall not be deemed a failure to exhaust administrative remedies for the purpose of obtaining judicial review.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this regulation, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended under such law or laws to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this regulation, or to have otherwise failed to comply with this regulation unless and until it corrects its non-compliance and satisfies the responsible Department official that it will fully comply with this regulation.

(g) *Post-termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with this part and provides reasonable assurance that it will fully comply with this part. An elementary or secondary school or school system which is unable to file an assurance of compliance with § 100.3 shall be restored to full eligibility to receive Federal financial assistance, if it files a court order or a plan for desegregation which meets the requirements of § 100.4(c), and provides reasonable assurance that it will comply with the court order or plan.

(2) Any applicant or recipient adversely affected by an order entered

pursuant to paragraph (f) of this section may at any time request the responsible Department official to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the responsible Department official determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the responsible Department official denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes such official to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure issued by the responsible Department official. The applicant or recipient will be restored to such eligibility if it proves at such hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

(Authority: Sec. 603, 78 Stat. 253; 42 U.S.C. 2000d-2)

§ 100.12 Effect on other regulations; forms and instructions.

(a) *Effect on other regulations.* All regulations, orders, or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this regulation applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of assistance for failure to comply with such requirements, are

hereby superseded to the extent that such discrimination is prohibited by this regulation, except that nothing in this regulation shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this regulation. Nothing in this regulation, however, shall be deemed to supersede any of the following (including future amendments thereof):

(1) Executive Order 11063 and regulations issued thereunder, or any other regulations or instructions, insofar as such Order, regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in any program or situation to which this regulation is inapplicable, or prohibit discrimination on any other ground; or

(2) Requirements for Emergency School Assistance as published in 35 FR 13442 and codified as 34 CFR part 280.

(b) *Forms and instructions.* The responsible Department official shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this part.

(c) *Supervision and coordination.* The responsible Department official may from time to time assign to officials of the Department, or to officials of other departments or agencies of the Government with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI of the Act and this regulation (other than responsibility for review as provided in § 100.10(e)), including the achievements of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of title VI and this regulation to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another Department or Agency acting pursuant to an assignment of responsibility under this section shall have the same effect as though such action had been taken by the responsible official of this Department.

1. Collecting and analyzing civil rights related data and information that subrecipients compile for their own purposes or that are submitted to State and Federal officials under existing authorities;

2. Conducting periodic compliance reviews of selected subrecipients (i.e., an investigation of a subrecipient to determine whether it engages in unlawful discrimination in any aspect of its program); upon finding unlawful discrimination, notifying the subrecipient of steps it must take to attain compliance and attempting to obtain voluntary compliance;

3. Providing technical assistance upon request to subrecipients. This will include assisting subrecipients to identify unlawful discrimination and instructing them in remedies for and prevention of such discrimination;

4. Periodically reporting its activities and findings under the foregoing paragraphs, including findings of unlawful discrimination under paragraph 2, immediately above, to the Office for Civil Rights.

State agencies are not required to terminate or defer assistance to any subrecipient. Nor are they required to conduct hearings. The responsibilities of the Office for Civil Rights to collect and analyze data, to conduct compliance reviews, to investigate complaints and to provide technical assistance are not diminished or attenuated by the requirements of Section II of the Guidelines.

C. STATEMENT OF PROCEDURES AND PRACTICES

Within one year from the publication of these Guidelines in final form, each State agency recipient performing oversight responsibilities must submit to the Office for Civil Rights the methods of administration and related procedures it will follow to comply with the requirements described in paragraphs A and B immediately above. The Department will review each submission and will promptly either approve it, or return it to State officials for revision.

III. DISTRIBUTION OF FEDERAL FINANCIAL ASSISTANCE AND OTHER FUNDS FOR VOCATIONAL EDUCATION

A. AGENCY RESPONSIBILITIES

Recipients that administer grants for vocational education must distribute Federal, State, or local vocational education funds so that no student or group of students is unlawfully denied an equal opportunity to benefit from vocational education on the basis of race, color, national origin, sex, or handicap.

B. DISTRIBUTION OF FUNDS

Recipients may not adopt a formula or other method for the allocation of Federal, State, or local vocational education funds that has the effect of discriminating on the basis of race, color, national origin, sex, or handicap. However, a recipient may adopt a formula or other method of allocation that uses as a factor race, color, national origin, sex, or handicap [or an index or proxy for race, color, national origin, sex, or handicap e.g., number of persons receiving Aid to Families with Dependent Children or with limited English speaking ability] if the factor is included to compensate for past discrimination or to comply with those provisions of the Vocational Education Amendments of 1976 designed to assist specified protected groups.

C. EXAMPLE OF A PATTERN SUGGESTING UNLAWFUL DISCRIMINATION

In each State it is likely that some local recipients will enroll greater proportions of minority students in vocational education than the State-wide proportion of minority students in vocational education. A funding formula or other method of allocation that results in such local recipients receiving per-pupil allocations of Federal or State vocational education funds lower than the State-wide average per-pupil allocation will be presumed unlawfully discriminatory.

D. DISTRIBUTION THROUGH COMPETITIVE GRANTS OR CONTRACTS

Each State agency that establishes criteria for awarding competitive vocational education grants or contracts must establish and apply the criteria without regard to the race, color, national origin, sex, or handicap of any or all of a recipient's students, except to compensate for past discrimination.

E. APPLICATION PROCESSES FOR COMPETITIVE OR DISCRETIONARY GRANTS

State agencies must disseminate information needed to satisfy the requirements of any application process for competitive or discretionary grants so that all recipients, including those having a high percentage of minority or handicapped students, are in-

formed of and able to seek funds. State agencies that provide technical assistance for the completion of the application process must provide such assistance without discrimination against any one recipient or class of recipients.

F. ALTERATION OF FUND DISTRIBUTION TO PROVIDE EQUAL OPPORTUNITY

If the Office for Civil Rights finds that a recipient's system for distributing vocational education funds unlawfully discriminates on the basis of race, color, national origin, sex, or handicap, it will require the recipient to adopt an alternative nondiscriminatory method of distribution. The Office for Civil Rights may also require the recipient to compensate for the effects of its past unlawful discrimination in the distribution of funds.

IV. ACCESS AND ADMISSION OF STUDENTS TO VOCATIONAL EDUCATION PROGRAMS

A. RECIPIENT RESPONSIBILITIES

Criteria controlling student eligibility for admission to vocational education schools, facilities and programs may not unlawfully discriminate on the basis of race, color, national origin, sex, or handicap. A recipient may not develop, impose, maintain, approve, or implement such discriminatory admissions criteria.

B. SITE SELECTION FOR VOCATIONAL SCHOOLS

State and local recipients may not select or approve a site for a vocational education facility for the purpose or with the effect of excluding, segregating, or otherwise discriminating against students on the basis of race, color, or national origin. Recipients must locate vocational education facilities at sites that are readily accessible to both nonminority and minority communities, and that do not tend to identify the facility or program as intended for nonminority or minority students.

C. ELIGIBILITY FOR ADMISSION TO VOCATIONAL EDUCATION CENTERS BASED ON RESIDENCE

Recipients may not establish, approve or maintain geographic boundaries for a vocational education center service area or attendance zone, (hereinafter "service area"), that unlawfully exclude students on the basis of race, color, or national origin. The Office for Civil Rights will presume, subject to rebuttal, that any one or combination of the following circumstances indicates that the boundaries of a given service area are unlawfully constituted:

1. A school system or service area contiguous to the given service area, contains minority or nonminority students in substantially greater proportion than the given service area;

2. A substantial number of minority students who reside outside the given vocational education center service area, and who are not eligible for the center reside, nonetheless, as close to the center as a substantial number of non-minority students who are eligible for the center;

3. The over-all vocational education program of the given service area in comparison to the over-all vocational education program of a contiguous school system or service area enrolling a substantially greater proportion of minority students:

(a) Provides its students with a broader range of curricular offerings, facilities and equipment; or (b) provides its graduates greater opportunity for employment in jobs:

(i) For which there is a demonstrated need in the community or region; (ii) that pay higher entry level salaries or wages; or (iii) that are generally acknowledged to offer greater prestige or status.

D. ADDITIONS AND RENOVATIONS TO EXISTING VOCATIONAL EDUCATION FACILITIES

A recipient may not add to, modify, or renovate the physical plant of a vocational education facility in a manner that creates, maintains, or increases student segregation on the basis of race, color, national origin, sex, or handicap.

E. REMEDIES FOR VIOLATIONS OF SITE SELECTION AND GEOGRAPHIC SERVICE AREA REQUIREMENTS

If the conditions specified in paragraphs IV, A, B, C, or D, immediately above, are found and not rebutted by proof of non-discrimination, the Office for Civil Rights will require the recipient(s) to submit a plan to remedy the discrimination. The following are examples of steps that may be included in the plan, where necessary to overcome the discrimination:

(1) Redrawing of the boundaries of the vocational education center's service area to include areas unlawfully excluded and/or to exclude areas unlawfully included; (2) provision of transportation to students residing in areas unlawfully excluded; (3) provision of additional programs and services to students who would have been eligible for attendance at the vocational education center but for the discriminatory service area or site selection; (4) reassignment of students; and (5) construction of new facilities or expansion of existing facilities.

F. ELIGIBILITY FOR ADMISSION TO SECONDARY VOCATIONAL EDUCATION CENTERS BASED ON NUMERICAL LIMITS IMPOSED ON SENDING SCHOOLS

A recipient may not adopt or maintain a system for admission to a secondary vocational education center or program that limits admission to a fixed number of students

from each sending school included in the center's service area if such a system disproportionately excludes students from the center on the basis of race, sex, national origin or handicap. (Example: Assume 25 percent of a school district's high school students are black and that most of those black students are enrolled in one high school; the white students, 75 percent of the district's total enrollment, are generally enrolled in the five remaining high schools. This paragraph prohibits a system of admission to the secondary vocational education center that limits eligibility to a fixed and equal number of students from each of the district's six high schools.)

G. REMEDIES FOR VIOLATION OF ELIGIBILITY BASED ON NUMERICAL LIMITS REQUIREMENTS

If the Office for Civil Rights finds a violation of paragraph F, above, the recipient must implement an alternative system of admissions that does not disproportionately exclude students on the basis of race, color, national origin, sex, or handicap.

H. ELIGIBILITY FOR ADMISSION TO VOCATIONAL EDUCATION CENTERS, BRANCHES OR ANNEXES BASED UPON STUDENT OPTION

A vocational education center, branch or annex, open to all students in a service area and predominantly enrolling minority students or students of one race, national origin or sex, will be presumed unlawfully segregated if:

(1) It was established by a recipient for members of one race, national origin or sex; or (2) it has since its construction been attended primarily by members of one race, national origin or sex; or (3) most of its program offerings have traditionally been selected predominantly by members of one race, national origin or sex.

I. REMEDIES FOR FACILITY SEGREGATION UNDER STUDENT OPTION PLANS

If the conditions specified in paragraph IV-H are found and not rebutted by proof of non-discrimination, the Office for Civil Rights will require the recipient(s) to submit a plan to remedy the segregation. The following are examples of steps that may be included in the plan, where necessary to overcome the discrimination:

(1) Elimination of program duplication in the segregated facility and other proximate vocational facilities; (2) relocation or "clustering" of programs or courses; (3) adding programs and courses that traditionally have been identified as intended for members of a particular race, national origin or sex to schools that have traditionally served members of the other sex or traditionally served persons of a different race or national origin; (4) merger of programs into one facility through school closings or new construction;

(5) intensive outreach recruitment and counseling; (6) providing free transportation to students whose enrollment would promote desegregation.

J. [RESERVED]

K. ELIGIBILITY BASED ON EVALUATION OF EACH APPLICANT UNDER ADMISSIONS CRITERIA

Recipients may not judge candidates for admission to vocational education programs on the basis of criteria that have the effect of disproportionately excluding persons of a particular race, color, national origin, sex, or handicap. However, if a recipient can demonstrate that such criteria have been validated as essential to participation in a given program and that alternative equally valid criteria that do not have such a disproportionate adverse effect are unavailable, the criteria will be judged nondiscriminatory. Examples of admissions criteria that must meet this test are past academic performance, record of disciplinary infractions, counselors' approval, teachers' recommendations, interest inventories, high school diplomas and standardized tests, such as the Test of Adult Basic Education (TABE).

An introductory, preliminary, or exploratory course may not be established as a prerequisite for admission to a program unless the course has been and is available without regard to race, color, national origin, sex, and handicap. However, a course that was formerly only available on a discriminatory basis may be made a prerequisite for admission to a program if the recipient can demonstrate that:

(a) The course is essential to participation in the program; and (b) the course is presently available to those seeking enrollment for the first time and to those formerly excluded.

L. ELIGIBILITY OF NATIONAL ORIGIN MINORITY PERSONS WITH LIMITED ENGLISH LANGUAGE SKILLS

Recipients may not restrict an applicant's admission to vocational education programs because the applicant, as a member of a national origin minority with limited English language skills, cannot participate in and benefit from vocational instruction to the same extent as a student whose primary language is English. It is the responsibility of the recipient to identify such applicants and assess their ability to participate in vocational instruction.

Acceptable methods of identification include: (1) Identification by administrative staff, teachers, or parents of secondary level students; (2) identification by the student in postsecondary or adult programs; and (3) appropriate diagnostic procedures, if necessary.

Recipients must take steps to open all vocational programs to these national origin

minority students. A recipient must demonstrate that a concentration of students with limited English language skills in one or a few programs is not the result of discriminatory limitations upon the opportunities available to such students.

M. REMEDIAL ACTION IN BEHALF OF PERSONS WITH LIMITED ENGLISH LANGUAGE SKILLS

If the Office for Civil Rights finds that a recipient has denied national origin minority persons admission to a vocational school or program because of their limited English language skills or has assigned students to vocational programs solely on the basis of their limited English language skills, the recipient will be required to submit a remedial plan that insures national origin minority students equal access to vocational education programs.

N. EQUAL ACCESS FOR HANDICAPPED STUDENTS

Recipients may not deny handicapped students access to vocational education programs or courses because of architectural or equipment barriers, or because of the need for related aids and services or auxiliary aids. If necessary, recipients must:

(1) Modify instructional equipment; (2) modify or adapt the manner in which the courses are offered; (3) house the program in facilities that are readily accessible to mobility impaired students or alter facilities to make them readily accessible to mobility impaired students; and (4) provide auxiliary aids that effectively make lectures and necessary materials available to postsecondary handicapped students; (5) provide related aids or services that assure secondary students an appropriate education.

Academic requirements that the recipient can demonstrate are essential to a program of instruction or to any directly related licensing requirement will not be regarded as discriminatory. However, where possible, a recipient must adjust those requirements to the needs of individual handicapped students.

Access to vocational programs or courses may not be denied handicapped students on the ground that employment opportunities in any occupation or profession may be more limited for handicapped persons than for non-handicapped persons.

O. PUBLIC NOTIFICATION

Prior to the beginning of each school year, recipients must advise students, parents, employees and the general public that all vocational opportunities will be offered without regard to race, color, national origin, sex, or handicap. Announcement of this policy of

non-discrimination may be made, for example, in local newspapers, recipient publications and/or other media that reach the general public, program beneficiaries, minorities (including national origin minorities with limited English language skills), women, and handicapped persons. A brief summary of program offerings and admission criteria should be included in the announcement; also the name, address and telephone number of the person designated to coordinate Title IX and Section 504 compliance activity.

If a recipient's service area contains a community of national origin minority persons with limited English language skills, public notification materials must be disseminated to that community in its language and must state that recipients will take steps to assure that the lack of English language skills will not be a barrier to admission and participation in vocational education programs.

V. COUNSELING AND PREVOCATIONAL PROGRAMS

A. RECIPIENT RESPONSIBILITIES

Recipients must insure that their counseling materials and activities (including student program selection and career/employment selection), promotional, and recruitment efforts do not discriminate on the basis of race, color, national origin, sex, or handicap.

B. COUNSELING AND PROSPECTS FOR SUCCESS

Recipients that operate vocational education programs must insure that counselors do not direct or urge any student to enroll in a particular career or program, or measure or predict a student's prospects for success in any career or program based upon the student's race, color, national origin, sex, or handicap. Recipients may not counsel handicapped students toward more restrictive career objectives than nonhandicapped students with similar abilities and interests. If a vocational program disproportionately enrolls male or female students, minority or nonminority students, or handicapped students, recipients must take steps to insure that the disproportion does not result from unlawful discrimination in counseling activities.

C. STUDENT RECRUITMENT ACTIVITIES

Recipients must conduct their student recruitment activities so as not to exclude or limit opportunities on the basis of race, color, national origin, sex, or handicap. Where recruitment activities involve the presentation or portrayal of vocational and career opportunities, the curricula and programs described should cover a broad range of occupational opportunities and not be

limited on the basis of the race, color, national origin, sex, or handicap of the students or potential students to whom the presentation is made. Also, to the extent possible, recruiting teams should include persons of different races, national origins, sexes, and handicaps.

D. COUNSELING OF STUDENTS WITH LIMITED ENGLISH-SPEAKING ABILITY OR HEARING IMPAIRMENTS

Recipients must insure that counselors can effectively communicate with national origin minority students with limited English language skills and with students who have hearing impairments. This requirement may be satisfied by having interpreters available.

E. PROMOTIONAL ACTIVITIES

Recipients may not undertake promotional efforts (including activities of school officials, counselors, and vocational staff) in a manner that creates or perpetuates stereotypes or limitations based on race, color, national origin, sex or handicap. Examples of promotional efforts are career days, parents' night, shop demonstrations, visitations by groups of prospective students and by representatives from business and industry. Materials that are part of promotional efforts may not create or perpetuate stereotypes through text or illustration. To the extent possible they should portray males or females, minorities or handicapped persons in programs and occupations in which these groups traditionally have not been represented. If a recipient's service area contains a community of national origin minority persons with limited English language skills, promotional literature must be distributed to that community in its language.

VI. EQUAL OPPORTUNITY IN THE VOCATIONAL EDUCATION INSTRUCTIONAL SETTING

A. ACCOMMODATIONS FOR HANDICAPPED STUDENTS

Recipients must place secondary level handicapped students in the regular educational environment of any vocational education program to the maximum extent appropriate to the needs of the student unless it can be demonstrated that the education of the handicapped person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. Handicapped students may be placed in a program only after the recipient satisfies the provisions of the Department's Regulation, 34 CFR, part 104, relating to evaluation, placement, and procedural safeguards. If a separate class or facility is identifiable as being for handicapped persons, the facility, the programs, and the services must be comparable to the facilities, programs, and services offered to nonhandicapped students.

B. STUDENT FINANCIAL ASSISTANCE

Recipients may not award financial assistance in the form of loans, grants, scholarships, special funds, subsidies, compensation for work, or prizes to vocational education students on the basis of race, color, national origin, sex, or handicap, except to overcome the effects of past discrimination. Recipients may administer sex restricted financial assistance where the assistance and restriction are established by will, trust, bequest, or any similar legal instrument, if the overall effect of all financial assistance awarded does not discriminate on the basis of sex. Materials and information used to notify students of opportunities for financial assistance may not contain language or examples that would lead applicants to believe the assistance is provided on a discriminatory basis. If a recipient's service area contains a community of national origin minority persons with limited English language skills, such information must be disseminated to that community in its language.

C. HOUSING IN RESIDENTIAL POSTSECONDARY VOCATIONAL EDUCATION CENTERS

Recipients must extend housing opportunities without discrimination based on race, color, national origin, sex, or handicap. This obligation extends to recipients that provide on-campus housing and/or that have agreements with providers of off-campus housing. In particular, a recipient postsecondary vocational education program that provides on-campus or off-campus housing to its non-handicapped students must provide, at the same cost and under the same conditions, comparable convenient and accessible housing to handicapped students.

D. COMPARABLE FACILITIES

Recipients must provide changing rooms, showers, and other facilities for students of one sex that are comparable to those provided to students of the other sex. This may be accomplished by alternating use of the same facilities or by providing separate, comparable facilities.

Such facilities must be adapted or modified to the extent necessary to make the vocational education program readily accessible to handicapped persons.

VII. WORK STUDY, COOPERATIVE VOCATIONAL EDUCATION, JOB PLACEMENT, AND APPRENTICE TRAINING

A. RESPONSIBILITIES IN COOPERATIVE VOCATIONAL EDUCATION PROGRAMS, WORK-STUDY PROGRAMS, AND JOB PLACEMENT PROGRAMS

A recipient must insure that: (a) It does not discriminate against its students on the basis of race, color, national origin, sex, or handicap in making available opportunities

in cooperative education, work study and job placement programs; and (b) students participating in cooperative education, work study and job placement programs are not discriminated against by employers or prospective employers on the basis of race, color, national origin, sex, or handicap in recruitment, hiring, placement, assignment to work tasks, hours of employment, levels of responsibility, and in pay.

If a recipient enters into a written agreement for the referral or assignment of students to an employer, the agreement must contain an assurance from the employer that students will be accepted and assigned to jobs and otherwise treated without regard to race, color, national origin, sex, or handicap.

Recipients may not honor any employer's request for students who are free of handicaps or for students of a particular race, color, national origin, or sex. In the event an employer or prospective employer is or has been subject to court action involving discrimination in employment, school officials should rely on the court's findings if the decision resolves the issue of whether the employer has engaged in unlawful discrimination.

B. APPRENTICE TRAINING PROGRAMS

A recipient may not enter into any agreement for the provision or support of apprentice training for students or union members with any labor union or other sponsor that discriminates against its members or applicants for membership on the basis of race, color, national origin, sex, or handicap. If a recipient enters into a written agreement with a labor union or other sponsor providing for apprentice training, the agreement must contain an assurance from the union or other sponsor:

(1) That it does not engage in such discrimination against its membership or applicants for membership; and (2) that apprentice training will be offered and conducted for its membership free of such discrimination.

VIII. EMPLOYMENT OF FACULTY AND STAFF

A. EMPLOYMENT GENERALLY

Recipients may not engage in any employment practice that discriminates against any employee or applicant for employment on the basis of sex or handicap. Recipients may not engage in any employment practice that discriminates on the basis of race, color, or national origin if such discrimination tends to result in segregation, exclusion or other discrimination against students.

B. RECRUITMENT

Recipients may not limit their recruitment for employees to schools, communities, or companies disproportionately composed of

persons of a particular race, color, national origin, sex, or handicap except for the purpose of overcoming the effects of past discrimination. Every source of faculty must be notified that the recipient does not discriminate in employment on the basis of race, color, national origin, sex, or handicap.

C. PATTERNS OF DISCRIMINATION

Whenever the Office for Civil Rights finds that in light of the representation of protected groups in the relevant labor market there is a significant underrepresentation or overrepresentation of protected group persons on the staff of a vocational education school or program, it will presume that the disproportion results from unlawful discrimination. This presumption can be overcome by proof that qualified persons of the particular race, color, national origin, or sex, or that qualified handicapped persons are not in fact available in the relevant labor market.

D. SALARY POLICIES

Recipients must establish and maintain faculty salary scales and policy based upon the conditions and responsibilities of employment, without regard to race, color, national origin, sex or handicap.

E. EMPLOYMENT OPPORTUNITIES FOR HANDICAPPED APPLICANTS

Recipients must provide equal employment opportunities for teaching and administrative positions to handicapped applicants who can perform the essential functions of the position in question. Recipients must make reasonable accommodation for the physical or mental limitations of handicapped applicants who are otherwise qualified unless recipients can demonstrate that the accommodation would impose an undue hardship.

F. THE EFFECTS OF PAST DISCRIMINATION

Recipients must take steps to overcome the effects of past discrimination in the recruitment, hiring, and assignment of faculty. Such steps may include the recruitment or reassignment of qualified persons of a particular race, national origin, or sex, or who are handicapped.

G. STAFF OF STATE ADVISORY COUNCILS OF VOCATIONAL EDUCATION

State Advisory Councils of Vocational Education are recipients of Federal financial assistance and therefore must comply with Section VIII of the Guidelines.

H. EMPLOYMENT AT STATE OPERATED VOCATIONAL EDUCATION CENTERS THROUGH STATE CIVIL-SERVICE AUTHORITIES

Where recruitment and hiring of staff for State operated vocational education centers

is conducted by a State civil service employment authority, the State education agency operating the program must insure that recruitment and hiring of staff for the vocational education center is conducted in accordance with the requirements of these Guidelines.

IX. PROPRIETARY VOCATIONAL EDUCATION SCHOOLS

A. RECIPIENT RESPONSIBILITIES

Proprietary vocational education schools that are recipients of Federal financial assistance through Federal student assistance programs or otherwise are subject to all of the requirements of the Department's regulations and these Guidelines.

B. ENFORCEMENT AUTHORITY

Enforcement of the provisions of Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973 is the responsibility of the Department of Education. However, authority to enforce Title VI of the Civil rights Act of 1964 for proprietary vocational education schools has been delegated to the Veterans Administration.

When the Office for Civil Rights receives a Title VI complaint alleging discrimination by a proprietary vocational education school it will forward the complaint to the Veterans Administration and cite the applicable requirements of the Department's regulations and these Guidelines. The complainant will be notified of such action.

Subpart A—General Information

§ 101.1 Scope of rules.

The rules of procedure in this part supplement §§100.9 and 100.10 of this subtitle and govern the practice for hearings, decisions, and administrative review conducted by the Department of Education, pursuant to Title VI of the Civil Rights Act of 1964 (section 602, 78 Stat. 252) and part 100 of this subtitle.

§ 101.2 Records to be public.

All pleadings, correspondence, exhibits, transcripts, of testimony, exceptions, briefs, decisions, and other documents filed in the docket in any proceeding may be inspected and copied in the office of the Civil Rights hearing clerk. Inquiries may be made at the Department of Education, 400 Maryland Avenue SW., Washington, DC 20202.

§ 101.3 Use of gender and number.

As used in this part, words importing the singular number may extend and be applied to several persons or things, and vice versa. Words importing the masculine gender may be applied to females or organizations.

§ 101.4 Suspension of rules.

Upon notice to all parties, the reviewing authority or the presiding officer, with respect to matters pending before them, may modify or waive any rule in this part upon determination that no party will be unduly prejudiced and the ends of justice will thereby be served.

Subpart B—Appearance and Practice

§ 101.11 Appearance.

A party may appear in person or by counsel and participate fully in any proceeding. A State agency or a corporation may appear by any of its officers or by any employee it authorizes to appear on its behalf. Counsel must be members in good standing of the bar of a State, Territory, or possession of the United States or of the District of Columbia or the Commonwealth of Puerto Rico.

§ 101.12 Authority for representation.

Any individual acting in a representative capacity in any proceeding may be required to show his authority to act in such capacity.

§ 101.13 Exclusion from hearing for misconduct.

Disrespectful, disorderly, or contemptuous language or contemptuous conduct, refusal to comply with directions, or continued use of dilatory tactics by any person at any hearing before a presiding officer shall constitute grounds for immediate exclusion of such person from the hearing by the presiding officer.

Subpart C—Parties

§ 101.21 Parties.

(a) The term party shall include an applicant or recipient or other person to whom a notice of hearing or opportunity for hearing has been mailed naming him a respondent.

(b) The Assistant Secretary for Civil Rights of the Department of Education, shall be deemed a party to all proceedings.

§ 101.22 Amici curiae.

(a) Any interested person or organization may file a petition to participate in a proceeding as an amicus curiae. Such petition shall be filed prior to the prehearing conference, or if none is held, before the commencement of the hearing, unless the petitioner shows good cause for filing the petition later. The presiding officer may grant the petition if he finds that the petitioner has a legitimate interest in the proceedings, that such participation will not unduly delay the outcome, and may contribute materially to the proper disposition thereof. An amicus curiae is not a party and may not introduce evidence at a hearing.

(b) An amicus curiae may submit a statement of position to the presiding officer prior to the beginning of a hearing, and shall serve a copy on each party. The amicus curiae may submit a brief on each occasion a decision is to be made or a prior decision is subject to review. His brief shall be filed and served on each party within the time limits applicable to the party whose position he deems himself to support; or if he does not deem himself to support the position of any party, within the longest time limit applicable to any party at that particular stage of the proceedings.

(c) When all parties have completed their initial examination of a witness, any amicus curiae may request the presiding officer to propound specific questions to the witness. The presiding officer, in his discretion, may grant any such request if he believes the proposed additional testimony may assist materially in elucidating factual matters at issue between the parties and will not expand the issues.

§ 101.23 Complainants not parties.

A person submitting a complaint pursuant to § 100.7(b) of this title is not a party to the proceedings governed by this part, but may petition, after proceedings are initiated, to become an amicus curiae.

Subpart D—Form, Execution, Service and Filing of Documents

§ 101.31 Form of documents to be filed.

Documents to be filed under the rules in this part shall be dated, the original signed in ink, shall show the docket description and title of the proceeding, and shall show the title, if any, and address of the signatory. Copies need not be signed but the name of the person signing the original shall be reproduced. Documents shall be legible and shall not be more than 8½ inches wide and 12 inches long.

§ 101.32 Signature of documents.

The signature of a party, authorized officer, employee or attorney constitutes a certificate that he has read the document, that to the best of his knowledge, information, and belief there is good ground to support it, and that it is not interposed for delay. If a document is not signed or is signed with intent to defeat the purpose of this section, it may be stricken as sham and false and the proceeding may proceed as though the document had not been filed. Similar action may be taken if scandalous or indecent matter is inserted.

§ 101.33 Filing and service.

All notices by a Department official, and all written motions, requests, petitions, memoranda, pleadings, exceptions, briefs, decisions, and correspondence to a Department official from a party, or vice versa, relating to a proceeding after its commencement shall be filed and served on all parties. Parties shall supply the original and two copies of documents submitted for filing. Filings shall be made with the Civil Rights hearing clerk at the address stated in the notice of hearing or notice of opportunity for hearing, during regular business hours. Regular business hours are every Monday through Friday (legal holidays in the District of Columbia excepted) from 9 a.m. to 5:30 p.m., eastern standard or daylight saving time, whichever is effective in the District of Columbia at the time. Originals only on exhibits and transcripts of testimony need be filed. For requirements of service on amici curiae, see § 101.107.

§ 101.34 Service—how made.

Service shall be made by personal delivery of one copy to each person to be served or by mailing by first-class mail, properly addressed with postage prepaid. When a party or amicus has appeared by attorney or other representative, service upon such attorney or representative will be deemed service upon the party or amicus. Documents served by mail preferably should be mailed in sufficient time to reach the addressee by the date on which the original is due to be filed, and should be air mailed if the addressee is more than 300 miles distant.

§ 101.35 Date of service.

The date of service shall be the day when the matter is deposited in the U.S. mail or is delivered in person, except that the date of service of the initial notice of hearing or opportunity for hearing shall be the date of its delivery, or of its attempted delivery if refused.

§ 101.36 Certificate of service.

The original of every document filed and required to be served upon parties to a proceeding shall be endorsed with a certificate of service signed by the party making service or by his attorney or representative, stating that such service has been made, the date of service, and the manner of service, whether by mail or personal delivery.

Subpart E—Time

§ 101.41 Computation.

In computing any period of time under the rules in this part or in an order issued hereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed in the District of Columbia, in which event it includes the next following business day. When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

§ 101.42 Extension of time or postponement.

Requests for extension of time should be served on all parties and should set forth the reasons for the application. Applications may be granted upon a showing of good cause by the applicant. From the designation of a presiding officer until the issuance of his decision such requests should be addressed to him. Answers to such requests are permitted, if made promptly.

§ 101.43 Reduction of time to file documents.

For good cause, the reviewing authority or the presiding officer, with respect to matters pending before them, may reduce any time limit prescribed by the rules in this part, except as provided by law or in part 80 of this title.

Subpart F—Proceedings Prior to Hearing

§ 101.51 Notice of hearing or opportunity for hearing.

Proceedings are commenced by mailing a notice of hearing or opportunity for hearing to an affected applicant or recipient, pursuant to § 100.9 of this title.

§ 101.52 Answer to notice.

The respondent, applicant or recipient may file an answer to the notice within 20 days after service thereof. Answers shall admit or deny specifically and in detail each allegation of the notice, unless the respondent party is without knowledge, in which case his answer should so state, and the statement will be deemed a denial. Allegations of fact in the notice not denied or controverted by answer shall be deemed admitted. Matters alleged as affirmative defenses shall be separately stated and numbered. Failure of the respondent to file an answer within the 20-day period following service of the notice may be deemed an admission of all matters of fact recited in the notice.

§ 101.53 Amendment of notice or answer.

The Assistant Secretary for Civil Rights may amend the notice of hearing or opportunity for hearing once as a matter of course before an answer thereto is served, and each respondent may amend his answer once as a matter of course not later than 10 days before the date fixed for hearing but in no event later than 20 days from the date of service of his original answer. Otherwise a notice or answer may be amended only by leave of the presiding officer. A respondent shall file his answer to an amended notice within the time remaining for filing the answer to the original notice or within 10 days after service of the amended notice, whichever period may be the longer, unless the presiding officer otherwise orders.

§ 101.54 Request for hearing.

Within 20 days after service of a notice of opportunity for hearing which does not fix a date for hearing the respondent, either in his answer or in a separate document, may request a hearing. Failure of the respondent to request a hearing shall be deemed a waiver of the right to a hearing and to constitute his consent to the making of a decision on the basis of such information as is available.

§ 101.55 Consolidation.

The responsible Department official may provide for proceedings in the Department to be joined or consolidated for hearing with proceedings in other Federal departments or agencies, by agreement with such other departments or agencies. All parties to any proceeding consolidated subsequently to service of the notice of hearing or opportunity for hearing shall be promptly served with notice of such consolidation.

§ 101.56 Motions.

Motions and petitions shall state the relief sought, the authority relied upon, and the facts alleged. If made before or after the hearing, these matters shall be in writing. If made at the hearing, they may be stated orally; but the presiding officer may require that they be reduced to writing and filed and

served on all parties in the same manner as a formal motion. Motions, answers, and replies shall be addressed to the presiding officer, if the case is pending before him. A repetitious motion will not be entertained.

§ 101.57 Responses to motions and petitions.

Within 8 days after a written motion or petition is served, or such other period as the reviewing authority or the presiding officer may fix, any party may file a response thereto. An immediate oral response may be made to an oral motion.

§ 101.58 Disposition of motions and petitions.

The reviewing authority or the presiding officer may not sustain or grant a written motion or petition prior to expiration of the time for filing responses thereto, but may overrule or deny such motion or petition without awaiting response: *Provided, however*, That prehearing conferences, hearings and decisions need not be delayed pending disposition of motions or petitions. Oral motions and petitions may be ruled on immediately. Motions and petitions submitted to the reviewing authority or the presiding officer, respectively, and not disposed of in separate rulings or in their respective decisions will be deemed denied. Oral arguments shall not be held or written motions or petitions unless the presiding officer in his discretion expressly so orders.

Subpart G—Responsibilities and Duties of Presiding Officer

§ 101.61 Who presides.

A hearing examiner assigned under 5 U.S.C. 3105 or 3344 (formerly section 11 of the Administrative Procedure Act) shall preside over the taking of evidence in any hearing to which these rules of procedure apply.

§ 101.62 Designation of hearing examiner.

The designation of the hearing examiner as presiding officer shall be in writing, and shall specify whether the examiner is to make an initial decision or to certify the entire record including his recommended findings and pro-

posed decision to the reviewing authority, and may also fix the time and place of hearing. A copy of such order shall be served on all parties. After service of an order designating a hearing examiner to preside, and until such examiner makes his decision, motions and petitions shall be submitted to him. In the case of the death, illness, disqualification or unavailability of the designated hearing examiner, another hearing examiner may be designated to take his place.

§ 101.63 Authority of presiding officer.

The presiding officer shall have the duty to conduct a fair hearing, to take all necessary action to avoid delay, and to maintain order. He shall have all powers necessary to these ends, including (but not limited to) the power to:

(a) Arrange and issue notice of the date, time, and place of hearings, or, upon due notice to the parties, to change the date, time, and place of hearings previously set.

(b) Hold conferences to settle, simplify, or fix the issues in a proceeding, or to consider other matters that may aid in the expeditious disposition of the proceeding.

(c) Require parties and amici curiae to state their position with respect to the various issues in the proceeding.

(d) Administer oaths and affirmations.

(e) Rule on motions, and other procedural items on matters pending before him.

(f) Regulate the course of the hearing and conduct of counsel therein.

(g) Examine witnesses and direct witnesses to testify.

(h) Receive, rule on, exclude or limit evidence.

(i) Fix the time for filing motions, petitions, briefs, or other items in matters pending before him.

(j) Issue initial or recommended decisions.

(k) Take any action authorized by the rules in this part or in conformance with the provisions of 5 U.S.C. 551-559 (the Administrative Procedure Act).

Subpart H—Hearing Procedures

§ 101.71 Statement of position and trial briefs.

The presiding officer may require parties and amici curiae to file written statements of position prior to the beginning of a hearing. The presiding officer may also require the parties to submit trial briefs.

§ 101.72 Evidentiary purpose.

(a) The hearing is directed to receiving factual evidence and expert opinion testimony related to the issues in the proceeding. Argument will not be received in evidence; rather it should be presented in statements, memoranda, or briefs, as determined by the presiding officer. Brief opening statements, which shall be limited to statement of the party's position and what he intends to prove, may be made at hearings.

(b) Hearings for the reception of evidence will be held only in cases where issues of fact must be resolved in order to determine whether the respondent has failed to comply with one or more applicable requirements of part 100 of this title. In any case where it appears from the respondent's answer to the notice of hearing or opportunity for hearing, from his failure timely to answer, or from his admissions or stipulations in the record, that there are no matters of material fact in dispute, the reviewing authority or presiding officer may enter an order so finding, vacating the hearing date if one has been set, and fixing the time for filing briefs under § 101.101. Thereafter the proceedings shall go to conclusion in accordance with subpart J of this part. The presiding officer may allow an appeal from such order in accordance with § 101.86.

§ 101.73 Testimony.

Testimony shall be given orally under oath or affirmation by witnesses at the hearing; but the presiding officer, in his discretion, may require or permit that the direct testimony of any witness be prepared in writing and served on all parties in advance of the hearing. Such testimony may be adopted by the witness at the hearing, and filed as part of the record thereof. Un-

less authorized by the presiding officer, witnesses will not be permitted to read prepared testimony into the record. Except as provided in §§ 101.75 and 101.76, witnesses shall be available at the hearing for cross-examination.

§ 101.74 Exhibits.

Proposed exhibits shall be exchanged at the prehearing conference, or otherwise prior to the hearing if the presiding officer so requires. Proposed exhibits not so exchanged may be denied admission as evidence. The authenticity of all proposed exhibits exchanged prior to hearing will be deemed admitted unless written objection thereto is filed prior to the hearing or unless good cause is shown at the hearing for failure to file such written objection.

§ 101.75 Affidavits.

An affidavit is, not inadmissible as such. Unless the presiding officer fixes other time periods affidavits shall be filed and served on the parties not later than 15 days prior to the hearing; and not less than 7 days prior to hearing a party may file and serve written objection to any affidavit on the ground that he believes it necessary to test the truth of assertions therein at hearing. In such event the assertions objected to will not be received in evidence unless the affiant is made available for cross-examination, or the presiding officer determines that cross-examination is not necessary for the full and true disclosure of facts referred to in such assertions. Notwithstanding any objection, however, affidavits may be considered in the case of any respondent who waives a hearing.

§ 101.76 Depositions.

Upon such terms as may be just, for the convenience of the parties or of the Department, the presiding officer may authorize or direct the testimony of any witness to be taken by deposition.

§ 101.77 Admissions as to facts and documents.

Not later than 15 days prior to the scheduled date of the hearing except for good cause shown, or prior to such earlier date as the presiding officer may order, any party may serve upon

an opposing party a written request for the admission of the genuineness and authenticity of any relevant documents described in and exhibited with the request, or for the admission of the truth of any relevant matters of fact stated in the request. Each of the matters of which an admission is requested shall be deemed admitted, unless within a period designated in the request (not less than 10 days after service thereof, or within such further time as the presiding officer or the reviewing authority if no presiding officer has yet been designated may allow upon motion and notice) the party to whom the request is directed serves upon the requesting party a sworn statement either denying specifically the matters of which an admission is requested or setting forth in detail the reasons why he cannot truthfully either admit or deny such matters. Copies of requests for admission and answers thereto shall be served on all parties. Any admission made by a party to such request is only for the purposes of the pending proceeding, or any proceeding or action instituted for the enforcement of any order entered therein, and shall not constitute and admission by him for any other purpose or be used against him in any other proceeding or action.

§ 101.78 Evidence.

Irrelevant, immaterial, unreliable, and unduly repetitious evidence will be excluded.

§ 101.79 Cross-examination.

A witness may be cross-examined on any matter material to the proceeding without regard to the scope of his direct examination.

§ 101.80 Unsponsored written material.

Letters expressing views or urging action and other unsponsored written material regarding matters in issue in a hearing will be placed in the correspondence section of the docket of the proceeding. These data are not deemed part of the evidence or record in the hearing.

§ 101.81 Objections.

Objections to evidence shall be timely and briefly state the ground relied upon.

§ 101.82 Exceptions to rulings of presiding officer unnecessary.

Exceptions to rulings of the presiding officer are unnecessary. It is sufficient that a party, at the time the ruling of the presiding officer is sought, makes known the action which he desires the presiding officer to take, or his objection to an action taken, and his grounds therefor.

§ 101.83 Official notice.

Where official notice is taken or is to be taken of a material fact not appearing in the evidence of record, any party, on timely request, shall be afforded an opportunity to show the contrary.

§ 101.84 Public document items.

Whenever there is offered (in whole or in part) a public document, such as an official report, decision, opinion, or published scientific or economic statistical data issued by any of the executive departments (or their subdivisions), legislative agencies or committees, or administrative agencies of the Federal Government (including Government-owned corporations), or a similar document issued by a State or its agencies, and such document (or part thereof) has been shown by the offeror to be reasonably available to the public, such document need not be produced or marked for identification, but may be offered for official notice, as a public document item by specifying the document or relevant part thereof.

§ 101.85 Offer of proof.

An offer of proof made in connection with an objection taken to any ruling of the presiding officer rejecting or excluding proffered oral testimony shall consist of a statement of the substance of the evidence which counsel contends would be adduced by such testimony; and, if the excluded evidence consists of evidence in documentary or written form or of reference to documents or records, a copy of such evidence shall be marked for identification and shall

accompany the record as the offer of proof.

§ 101.86 Appeals from ruling of presiding officer.

Rulings of the presiding officer may not be appealed to the reviewing authority prior to his consideration of the entire proceeding except with the consent of the presiding officer and where he certifies on the record or in writing that the allowance of an interlocutory appeal is clearly necessary to prevent exceptional delay, expense, or prejudice to any party, or substantial detriment to the public interest. If an appeal is allowed, any party may file a brief with the reviewing authority within such period as the presiding officer directs. No oral argument will be heard unless the reviewing authority directs otherwise. At any time prior to submission of the proceeding to it for decisions, the reviewing authority may direct the presiding officer to certify any question or the entire record to it for decision. Where the entire record is so certified, the presiding officer shall recommend a decision.

Subpart I—The Record

§ 101.91 Official transcript.

The Department will designate the official reporter for all hearings. The official transcripts of testimony taken, together with any exhibits, briefs, or memoranda of law filed therewith shall be filed with the Department. Transcripts of testimony in hearings may be obtained from the official reporter by the parties and the public at rates not to exceed the maximum rates fixed by the contract between the Department and the reporter. Upon notice to all parties, the presiding officer may authorize corrections to the transcript which involve matters of substance.

§ 101.92 Record for decision.

The transcript of testimony, exhibits, and all papers and requests filed in the proceedings, except the correspondence section of the docket, including rulings and any recommended or initial decision shall constitute the exclusive record for decision.

Subpart J—Posthearing Procedures, Decisions

§ 101.101 Posthearing briefs: proposed findings and conclusions.

(a) The presiding officer shall fix the time for filing posthearing briefs, which may contain proposed findings of fact and conclusions of law, and, if permitted, reply briefs.

(b) Briefs should include a summary of the evidence relied upon together with references to exhibit numbers and pages of the transcript, with citations of the authorities relied upon.

§ 101.102 Decisions following hearing.

When the time for submission of posthearing briefs has expired, the presiding officer shall certify the entire record, including his recommended findings and proposed decision, to the responsible Department official; or if so authorized he shall make an initial decision. A copy of the recommended findings and proposed decision, or of the initial decision, shall be served upon all parties, and amici, if any.

§ 101.103 Exceptions to initial or recommended decisions.

Within 20 days after the mailing of an initial or recommended decision, any party may file exceptions to the decision, stating reasons therefor, with the reviewing authority. Any other party may file a response thereto within 30 days after the mailing of the decision. Upon the filing of such exceptions, the reviewing authority shall review the decision and issue its own decision thereon.

§ 101.104 Final decisions.

(a) Where the hearing is conducted by a hearing examiner who makes an initial decision, if no exceptions thereto are filed within the 20-day period specified in § 101.103, such decision shall become the final decision of the Department, and shall constitute “final agency action” within the meaning of 5 U.S.C. 704 (formerly section 10(c) of the Administrative Procedure Act), subject to the provisions of § 101.106.

(b) Where the hearing is conducted by a hearing examiner who makes a recommended decision, or upon the filing of exceptions to a hearing examiner’s

initial decision, the reviewing authority shall review the recommended or initial decision and shall issue its own decision thereon, which shall become the final decision of the Department, and shall constitute “final agency action” within the meaning of 5 U.S.C. 704 (formerly section 10(c) of the Administrative Procedure Act), subject to the provisions of § 101.106.

(c) All final decisions shall be promptly served on all parties, and amici, if any.

§ 101.105 Oral argument to the reviewing authority.

(a) If any party desires to argue a case orally on exceptions or replies to exceptions to an initial or recommended decision, he shall make such request in writing. The reviewing authority may grant or deny such requests in its discretion. If granted, it will serve notice of oral argument on all parties. The notice will set forth the order of presentation, the amount of time allotted, and the time and place for argument. The names of persons who will argue should be filed with the Department hearing clerk not later than 7 days before the date set for oral argument.

(b) The purpose of oral argument is to emphasize and clarify the written argument in the briefs. Reading at length from the brief or other texts is not favored. Participants should confine their arguments to points of controlling importance and to points upon which exceptions have been filed. Consolidations of appearances at oral argument by parties taking the same side will permit the parties’ interests to be presented more effectively in the time allotted.

(c) Pamphlets, charts, and other written material may be presented at oral argument only if such material is limited to facts already in the record and is served on all parties and filed with the Department hearing clerk at least 7 days before the argument.

§ 101.106 Review by the Secretary.

Within 20 days after an initial decision becomes a final decision pursuant to § 101.104(a) or within 20 days of the mailing of a final decision referred to in § 101.104(b), as the case may be, a

party may request the Secretary to review the final decision. The Secretary may grant or deny such request, in whole or in part, or serve notice of his intent to review the decision in whole or in part upon his own motion. If the Secretary grants the requested review, or if he serves notice of intent to review upon his own motion, each party to the decision shall have 20 days following notice of the Secretary’s proposed action within which to file exceptions to the decision and supporting briefs and memoranda, or briefs and memoranda in support of the decision. Failure of a party to request review under this paragraph shall not be deemed a failure to exhaust administrative remedies for the purpose of obtaining judicial review.

§ 101.107 Service on amici curiae.

All briefs, exceptions, memoranda, requests, and decisions referred to in this subpart J shall be served upon amici curiae at the same times and in the same manner required for service on parties. Any written statements of position and trial briefs required of parties under § 101.71 shall be served on amici.

Subpart K—Judicial Standards of Practice

§ 101.111 Conduct.

Parties and their representatives are expected to conduct themselves with honor and dignity and observe judicial standards of practice and ethics in all proceedings. They should not indulge in offensive personalities, unseemly wrangling, or intemperate accusations or characterizations. A representative of any party whether or not a lawyer shall observe the traditional responsibilities of lawyers as officers of the court and use his best efforts to restrain his client from improprieties in connection with a proceeding.

§ 101.112 Improper conduct.

With respect to any proceeding it is improper for any interested person to attempt to sway the judgement of the reviewing authority by undertaking to bring pressure or influence to bear upon any officer having a responsibility for a decision in the proceeding,

or his decisional staff. It is improper that such interested persons or any members of the Department's staff or the presiding officer give statements to communications media, by paid advertisement or otherwise, designed to influence the judgement of any officer having a responsibility for a decision in the proceeding, or his decisional staff. It is improper for any person to solicit communications to any such officer, or his decisional staff, other than proper communications by parties or amici curiae.

§ 101.113 Ex parte communications.

Only persons employed by or assigned to work with the reviewing authority who perform no investigative or prosecuting function in connection with a proceeding shall communicate ex parte with the reviewing authority, or the presiding officer, or any employee or person involved in the decisional process in such proceedings with respect to the merits of that or a factually related proceeding. The reviewing authority, the presiding officer, or any employee or person involved in the decisional process of a proceeding shall communicate ex parte with respect to the merits of that or a factually related proceeding only with persons employed by or assigned to work with them and who perform no investigative or prosecuting function in connection with the proceeding.

§ 101.114 Expeditious treatment.

Requests for expeditious treatment of matters pending before the responsible Department official or the presiding officer are deemed communications on the merits, and are improper except when forwarded from parties to a proceeding and served upon all other parties thereto. Such communications should be in the form of a motion.

§ 101.115 Matters not prohibited.

A request for information which merely inquires about the status of a proceeding without discussing issues or expressing points of view is not deemed an ex parte communication. Such requests should be directed to the Civil Rights hearing clerk. Communications with respect to minor procedural matters or inquiries or emergency requests

for extensions of time are not deemed ex parte communications prohibited by § 101.113. Where feasible, however, such communications should be by letter with copies to all parties. Ex parte communications between a respondent and the responsible Department official or the Secretary with respect to securing such respondent's voluntary compliance with any requirement of part 100 of this title are not prohibited.

§ 101.116 Filing of ex parte communications.

A prohibited communication in writing received by the Secretary, the reviewing authority, or by the presiding officer, shall be made public by placing it in the correspondence file of the docket in the case and will not be considered as part of the record for decision. If the prohibited communication is received orally a memorandum setting forth its substance shall be made and filed in the correspondence section of the docket in the case. A person referred to in such memorandum may file a comment for inclusion in the docket if he considers the memorandum to be incorrect.

Subpart L—Posttermination Proceedings

§ 101.121 Posttermination proceedings.

(a) An applicant or recipient adversely affected by the order terminating, discontinuing, or refusing Federal financial assistance in consequence of proceedings pursuant to this title may request the responsible Department official for an order authorizing payment, or permitting resumption, of Federal financial assistance. Such request shall be in writing and shall affirmatively show that since entry of the order, it has brought its program or activity into compliance with the requirements of the Act, and with the Regulation thereunder, and shall set forth specifically, and in detail, the steps which it has taken to achieve such compliance. If the responsible Department official denies such request the applicant or recipient shall be given an expeditious hearing if it so requests in writing and specifies why it

believes the responsible Department official to have been in error. The request for such a hearing shall be addressed to the responsible Department official and shall be made within 30 days after the applicant or recipient is informed that the responsible Department official has refused to authorize payment or permit resumption of Federal financial assistance.

(b) In the event that a hearing shall be requested pursuant to paragraph (a) of this section, the hearing procedures established by this part shall be applicable to the proceedings, except as otherwise provided in this section.

Subpart M—Definitions

§ 101.131 Definitions.

Transition provisions: (a) The amendments herein shall become effective upon publication in the FEDERAL REGISTER.

§ 104.4 Discrimination prohibited.

(a) *General.* No qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity which receives Federal financial assistance.

(b) *Discriminatory actions prohibited.*
(1) A recipient, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap:

(i) Deny a qualified handicapped person the opportunity to participate in

or benefit from the aid, benefit, or service;

(ii) Afford a qualified handicapped person an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified handicapped person with an aid, benefit, or service that is not as effective as that provided to others;

(iv) Provide different or separate aid, benefits, or services to handicapped persons or to any class of handicapped persons unless such action is necessary to provide qualified handicapped persons with aid, benefits, or services that are as effective as those provided to others;

(v) Aid or perpetuate discrimination against a qualified handicapped person by providing significant assistance to an agency, organization, or person that discriminates on the basis of handicap in providing any aid, benefit, or service to beneficiaries of the recipients program or activity;

(vi) Deny a qualified handicapped person the opportunity to participate as a member of planning or advisory boards; or

(vii) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving an aid, benefit, or service.

(2) For purposes of this part, aids, benefits, and services, to be equally effective, are not required to produce the identical result or level of achievement for handicapped and nonhandicapped persons, but must afford handicapped persons equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement, in the most integrated setting appropriate to the person's needs.

(3) Despite the existence of separate or different aid, benefits, or services provided in accordance with this part, a recipient may not deny a qualified handicapped person the opportunity to participate in such aid, benefits, or services that are not separate or different.

(4) A recipient may not, directly or through contractual or other arrangements, utilize criteria or methods of

administration (i) that have the effect of subjecting qualified handicapped persons to discrimination on the basis of handicap, (ii) that have the purpose or effect of defeating or substantially impairing accomplishment of the objectives of the recipient's program or activity with respect to handicapped persons, or (iii) that perpetuate the discrimination of another recipient if both recipients are subject to common administrative control or are agencies of the same State.

(5) In determining the site or location of a facility, an applicant for assistance or a recipient may not make selections (i) that have the effect of excluding handicapped persons from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity that receives Federal financial assistance or (ii) that have the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the program or activity with respect to handicapped persons.

(6) As used in this section, the aid, benefit, or service provided under a program or activity receiving Federal financial assistance includes any aid, benefit, or service provided in or through a facility that has been constructed, expanded, altered, leased or rented, or otherwise acquired, in whole or in part, with Federal financial assistance.

(c) *Aid, benefits, or services limited by Federal law.* The exclusion of nonhandicapped persons from aid, benefits, or services limited by Federal statute or executive order to handicapped persons or the exclusion of a specific class of handicapped persons from aid, benefits, or services limited by Federal statute or executive order to a different class of handicapped persons is not prohibited by this part.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68054, Nov. 13, 2000]

§ 104.5 Assurances required.

(a) *Assurances.* An applicant for Federal financial assistance to which this part applies shall submit an assurance, on a form specified by the Assistant Secretary, that the program or activity will be operated in compliance with

this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security

for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Assistant Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he or she deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 104.6 Remedial action, voluntary action, and self-evaluation.

(a) *Remedial action.* (1) If the Assistant Secretary finds that a recipient has discriminated against persons on the basis of handicap in violation of section 504 or this part, the recipient shall take such remedial action as the Assistant Secretary deems necessary to overcome the effects of the discrimination.

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Assistant Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Assistant Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action (i) with respect to handicapped persons who are no longer participants in the recipient's program or activity but who were participants in the program or activity when such discrimination occurred or (ii) with respect to handicapped persons who would have been participants in the program or activity had the discrimination not occurred.

(b) *Voluntary action.* A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified handicapped persons.

(c) *Self-evaluation.* (1) A recipient shall, within one year of the effective date of this part:

(i) Evaluate, with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons, its current policies and practices and the effects thereof that do not or may not meet the requirements of this part;

(ii) Modify, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, any policies and practices that do not meet the requirements of this part; and

(iii) Take, after consultation with interested persons, including handicapped persons or organizations representing handicapped persons, appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Assistant Secretary upon request:

(i) A list of the interested persons consulted,

(ii) A description of areas examined and any problems identified, and

(iii) A description of any modifications made and of any remedial steps taken.

§104.7 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* A recipient that employs fifteen or more persons shall designate at least one person to coordinate its efforts to comply with this part.

(b) *Adoption of grievance procedures.* A recipient that employs fifteen or more persons shall adopt grievance procedures that incorporate appropriate due process standards and that provide for the prompt and equitable resolution of complaints alleging any action prohibited by this part. Such procedures need not be established with respect to complaints from applicants for employment or from applicants for admission

to postsecondary educational institutions.

§104.8 Notice.

(a) A recipient that employs fifteen or more persons shall take appropriate initial and continuing steps to notify participants, beneficiaries, applicants, and employees, including those with impaired vision or hearing, and unions or professional organizations holding collective bargaining or professional agreements with the recipient that it does not discriminate on the basis of handicap in violation of section 504 and this part. The notification shall state, where appropriate, that the recipient does not discriminate in admission or access to, or treatment or employment in, its program or activity. The notification shall also include an identification of the responsible employee designated pursuant to §104.7(a). A recipient shall make the initial notification required by this paragraph within 90 days of the effective date of this part. Methods of initial and continuing notification may include the posting of notices, publication in newspapers and magazines, placement of notices in recipients' publication, and distribution of memoranda or other written communications.

(b) If a recipient publishes or uses recruitment materials or publications containing general information that it makes available to participants, beneficiaries, applicants, or employees, it shall include in those materials or publications a statement of the policy described in paragraph (a) of this section. A recipient may meet the requirement of this paragraph either by including appropriate inserts in existing materials and publications or by revising and reprinting the materials and publications.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68054, Nov. 13, 2000]

§104.9 Administrative requirements for small recipients.

The Assistant Secretary may require any recipient with fewer than fifteen employees, or any class of such recipients, to comply with §§104.7 and 104.8, in whole or in part, when the Assistant Secretary finds a violation of this part or finds that such compliance will not

significantly impair the ability of the recipient or class of recipients to provide benefits or services.

§ 104.10 Effect of state or local law or other requirements and effect of employment opportunities.

(a) The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

(b) The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for handicapped persons than for nonhandicapped persons.

Subpart B—Employment Practices

§ 104.11 Discrimination prohibited.

(a) *General.* (1) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity to which this part applies.

(2) A recipient that receives assistance under the Education of the Handicapped Act shall take positive steps to employ and advance in employment qualified handicapped persons in programs or activities assisted under that Act.

(3) A recipient shall make all decisions concerning employment under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of handicap.

(4) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants or employees to discrimination prohibited by this subpart. The relationships referred to in this paragraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering

fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(b) *Specific activities.* The provisions of this subpart apply to:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including those that are social or recreational; and

(9) Any other term, condition, or privilege of employment.

(c) A recipient's obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.12 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.

(b) Reasonable accommodation may include:

(1) Making facilities used by employees readily accessible to and usable by handicapped persons, and

(2) Job restructuring, part-time or modified work schedules, acquisition

or modification of equipment or devices, the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's program or activity, factors to be considered include:

(1) The overall size of the recipient's program or activity with respect to number of employees, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce; and

(3) The nature and cost of the accommodation needed.

(d) A recipient may not deny any employment opportunity to a qualified handicapped employee or applicant if the basis for the denial is the need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

[45 FR 30936, May 9, 2000, as amended at 65 FR 68054, Nov. 13, 2000]

§ 104.13 Employment criteria.

(a) A recipient may not make use of any employment test or other selection criterion that screens out or tends to screen out handicapped persons or any class of handicapped persons unless:

(1) The test score or other selection criterion, as used by the recipient, is shown to be job-related for the position in question, and

(2) Alternative job-related tests or criteria that do not screen out or tend to screen out as many handicapped persons are not shown by the Director to be available.

(b) A recipient shall select and administer tests concerning employment so as best to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than reflecting the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

§ 104.14 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 104.6 (a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to § 104.6(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped, *Provided, That*:

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty, *Provided, That*:

(1) All entering employees are subjected to such an examination regardless of handicap, and

(2) The results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained

on separate forms that shall be accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(3) Government officials investigating compliance with the Act shall be provided relevant information upon request.

Subpart C—Accessibility

§ 104.21 Discrimination prohibited.

No qualified handicapped person shall, because a recipient's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity to which this part applies.

§ 104.22 Existing facilities.

(a) *Accessibility.* A recipient shall operate its program or activity so that when each part is viewed in its entirety, it is readily accessible to handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

(b) *Methods.* A recipient may comply with the requirements of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of health, welfare, or other social services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirements of § 104.23, or any other methods that result in making its program or activity accessible to handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for

meeting the requirement of paragraph (a) of this section, a recipient shall give priority to those methods that serve handicapped persons in the most integrated setting appropriate.

(c) *Small health, welfare, or other social service providers.* If a recipient with fewer than fifteen employees that provides health, welfare, or other social services finds, after consultation with a handicapped person seeking its services, that there is no method of complying with paragraph (a) of this section other than making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the handicapped person to other providers of those services that are accessible.

(d) *Time period.* A recipient shall comply with the requirement of paragraph (a) of this section within sixty days of the effective date of this part except that where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(e) *Transition plan.* In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility of its program or activity to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full accessibility in order to comply with paragraph (a) of this section and, if the time period of the transition plan is longer than one year, identify the steps of that will be taken during each year of the transition period; and

(4) Indicate the person responsible for implementation of the plan.

(f) *Notice.* The recipient shall adopt and implement procedures to ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of services, activities, and facilities that are accessible to and usable by handicapped persons.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.23 New construction.

(a) *Design and construction.* Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by handicapped persons, if the construction was commenced after the effective date of this part.

(b) *Alteration.* Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall, to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by handicapped persons.

(c) *Conformance with Uniform Federal Accessibility Standards.* (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3–8 of the Uniform Federal Accessibility Standards (UFAS) (Appendix A to 41 CFR subpart 101–19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence

therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

[45 FR 30936, May 9, 1980; 45 FR 37426, June 3, 1980, as amended at 55 FR 52138, 52141, Dec. 19, 1990]

Subpart D—Preschool, Elementary, and Secondary Education

§ 104.31 Application of this subpart.

Subpart D applies to preschool, elementary, secondary, and adult education programs or activities that receive Federal financial assistance and to recipients that operate, or that receive Federal financial assistance for the operation of, such programs or activities.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.32 Location and notification.

A recipient that operates a public elementary or secondary education program or activity shall annually:

(a) Undertake to identify and locate every qualified handicapped person residing in the recipient's jurisdiction who is not receiving a public education; and

(b) Take appropriate steps to notify handicapped persons and their parents or guardians of the recipient's duty under this subpart.

[45 FR 30936, May 9, 2000, as amended at 65 FR 68054, Nov. 13, 2000]

§ 104.33 Free appropriate public education.

(a) *General.* A recipient that operates a public elementary or secondary education program or activity shall provide a free appropriate public education to each qualified handicapped person who is in the recipient's jurisdiction, regardless of the nature or severity of the person's handicap.

(b) *Appropriate education.* (1) For the purpose of this subpart, the provision of an appropriate education is the provision of regular or special education and related aids and services that (i)

are designed to meet individual educational needs of handicapped persons as adequately as the needs of nonhandicapped persons are met and (ii) are based upon adherence to procedures that satisfy the requirements of §§ 104.34, 104.35, and 104.36.

(2) Implementation of an Individualized Education Program developed in accordance with the Education of the Handicapped Act is one means of meeting the standard established in paragraph (b)(1)(i) of this section.

(3) A recipient may place a handicapped person or refer such a person for aid, benefits, or services other than those that it operates or provides as its means of carrying out the requirements of this subpart. If so, the recipient remains responsible for ensuring that the requirements of this subpart are met with respect to any handicapped person so placed or referred.

(c) *Free education*—(1) *General*. For the purpose of this section, the provision of a free education is the provision of educational and related services without cost to the handicapped person or to his or her parents or guardian, except for those fees that are imposed on non-handicapped persons or their parents or guardian. It may consist either of the provision of free services or, if a recipient places a handicapped person or refers such person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, of payment for the costs of the aid, benefits, or services. Funds available from any public or private agency may be used to meet the requirements of this subpart. Nothing in this section shall be construed to relieve an insurer or similar third party from an otherwise valid obligation to provide or pay for services provided to a handicapped person.

(2) *Transportation*. If a recipient places a handicapped person or refers such person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, the recipient shall ensure that adequate transportation to and from the aid, benefits, or services is provided at no greater cost than would be incurred by the person or his or her parents or

guardian if the person were placed in the aid, benefits, or services operated by the recipient.

(3) *Residential placement*. If a public or private residential placement is necessary to provide a free appropriate public education to a handicapped person because of his or her handicap, the placement, including non-medical care and room and board, shall be provided at no cost to the person or his or her parents or guardian.

(4) *Placement of handicapped persons by parents*. If a recipient has made available, in conformance with the requirements of this section and § 104.34, a free appropriate public education to a handicapped person and the person's parents or guardian choose to place the person in a private school, the recipient is not required to pay for the person's education in the private school. Disagreements between a parent or guardian and a recipient regarding whether the recipient has made a free appropriate public education available or otherwise regarding the question of financial responsibility are subject to the due process procedures of § 104.36.

(d) *Compliance*. A recipient may not exclude any qualified handicapped person from a public elementary or secondary education after the effective date of this part. A recipient that is not, on the effective date of this regulation, in full compliance with the other requirements of the preceding paragraphs of this section shall meet such requirements at the earliest practicable time and in no event later than September 1, 1978.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.34 Educational setting.

(a) *Academic setting*. A recipient to which this subpart applies shall educate, or shall provide for the education of, each qualified handicapped person in its jurisdiction with persons who are not handicapped to the maximum extent appropriate to the needs of the handicapped person. A recipient shall place a handicapped person in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular

environment with the use of supplementary aids and services cannot be achieved satisfactorily. Whenever a recipient places a person in a setting other than the regular educational environment pursuant to this paragraph, it shall take into account the proximity of the alternate setting to the person's home.

(b) *Nonacademic settings.* In providing or arranging for the provision of non-academic and extracurricular services and activities, including meals, recess periods, and the services and activities set forth in §104.37(a)(2), a recipient shall ensure that handicapped persons participate with nonhandicapped persons in such activities and services to the maximum extent appropriate to the needs of the handicapped person in question.

(c) *Comparable facilities.* If a recipient, in compliance with paragraph (a) of this section, operates a facility that is identifiable as being for handicapped persons, the recipient shall ensure that the facility and the services and activities provided therein are comparable to the other facilities, services, and activities of the recipient.

§ 104.35 Evaluation and placement.

(a) *Preplacement evaluation.* A recipient that operates a public elementary or secondary education program or activity shall conduct an evaluation in accordance with the requirements of paragraph (b) of this section of any person who, because of handicap, needs or is believed to need special education or related services before taking any action with respect to the initial placement of the person in regular or special education and any subsequent significant change in placement.

(b) *Evaluation procedures.* A recipient to which this subpart applies shall establish standards and procedures for the evaluation and placement of persons who, because of handicap, need or are believed to need special education or related services which ensure that:

(1) Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;

(2) Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and

(3) Tests are selected and administered so as best to ensure that, when a test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

(c) *Placement procedures.* In interpreting evaluation data and in making placement decisions, a recipient shall (1) draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical condition, social or cultural background, and adaptive behavior, (2) establish procedures to ensure that information obtained from all such sources is documented and carefully considered, (3) ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options, and (4) ensure that the placement decision is made in conformity with § 104.34.

(d) *Reevaluation.* A recipient to which this section applies shall establish procedures, in accordance with paragraph (b) of this section, for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act is one means of meeting this requirement.

§ 104.36 Procedural safeguards.

A recipient that operates a public elementary or secondary education program or activity shall establish and implement, with respect to actions regarding the identification, evaluation, or educational placement of persons who, because of handicap, need or are believed to need special instruction or

related services, a system of procedural safeguards that includes notice, an opportunity for the parents or guardian of the person to examine relevant records, an impartial hearing with opportunity for participation by the person's parents or guardian and representation by counsel, and a review procedure. Compliance with the procedural safeguards of section 615 of the Education of the Handicapped Act is one means of meeting this requirement.

§104.37 Nonacademic services.

(a) *General.* (1) A recipient to which this subpart applies shall provide non-academic and extracurricular services and activities in such manner as is necessary to afford handicapped students an equal opportunity for participation in such services and activities.

(2) Nonacademic and extracurricular services and activities may include counseling services, physical recreational athletics, transportation, health services, recreational activities, special interest groups or clubs sponsored by the recipients, referrals to agencies which provide assistance to handicapped persons, and employment of students, including both employment by the recipient and assistance in making available outside employment.

(b) *Counseling services.* A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities.

(c) *Physical education and athletics.* (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors interscholastic, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different from those offered to non-handicapped students only if separation or differentiation is consistent with the requirements of §104.34 and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

§104.38 Preschool and adult education.

A recipient to which this subpart applies that provides preschool education or day care or adult education may not, on the basis of handicap, exclude qualified handicapped persons and shall take into account the needs of such persons in determining the aid, benefits or services to be provided.

[65 FR 68055, Nov. 13, 2000]

§104.39 Private education.

(a) A recipient that provides private elementary or secondary education may not, on the basis of handicap, exclude a qualified handicapped person if the person can, with minor adjustments, be provided an appropriate education, as defined in §104.33(b)(1), within that recipient's program or activity.

(b) A recipient to which this section applies may not charge more for the provision of an appropriate education to handicapped persons than to non-handicapped persons except to the extent that any additional charge is justified by a substantial increase in cost to the recipient.

(c) A recipient to which this section applies that provides special education shall do so in accordance with the provisions of §§104.35 and 104.36. Each recipient to which this section applies is subject to the provisions of §§104.34, 104.37, and 104.38.

Subpart E—Postsecondary Education

§ 104.41 Application of this subpart.

Subpart E applies to postsecondary education programs or activities, including postsecondary vocational education programs or activities, that receive Federal financial assistance and to recipients that operate, or that receive Federal financial assistance for the operation of, such programs or activities.

§ 104.42 Admissions and recruitment.

(a) *General.* Qualified handicapped persons may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) *Admissions.* In administering its admission policies, a recipient to which this subpart applies:

(1) May not apply limitations upon the number or proportion of handicapped persons who may be admitted;

(2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons or any class of handicapped persons unless (i) the test or criterion, as used by the recipient, has been validated as a predictor of success in the education program or activity in question and (ii) alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Assistant Secretary to be available.

(3) Shall assure itself that (i) admissions tests are selected and administered so as best to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as

often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that, on the whole, are accessible to handicapped persons; and

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiry as to whether an applicant for admission is a handicapped person but, after admission, may make inquiries on a confidential basis as to handicaps that may require accommodation.

(c) *Preadmission inquiry exception.* When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 104.6(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to § 104.6(b), the recipient may invite applicants for admission to indicate whether and to what extent they are handicapped, *Provided, That:*

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) *Validity studies.* For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

§ 104.43 Treatment of students; general.

(a) No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training,

housing, health insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, or other postsecondary education aid, benefits, or services to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, and education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its program or activity in the most integrated setting appropriate.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.44 Academic adjustments.

(a) *Academic requirements.* A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating, on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) *Other rules.* A recipient to which this subpart applies may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in

campus buildings, that have the effect of limiting the participation of handicapped students in the recipient's education program or activity.

(c) *Course examinations.* In its course examinations or other procedures for evaluating students' academic achievement, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills as will best ensure that the results of the evaluation represents the student's achievement in the course, rather than reflecting the student's impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) *Auxiliary aids.* (1) A recipient to which this subpart applies shall take such steps as are necessary to ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills.

(2) Auxiliary aids may include taped texts, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.45 Housing.

(a) *Housing provided by the recipient.* A recipient that provides housing to its nonhandicapped students shall provide comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of the transition period provided for in subpart C, such housing shall be available in sufficient quantity and variety so that the scope of handicapped students' choice of living accommodations

is, as a whole, comparable to that of nonhandicapped students.

(b) *Other housing.* A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 104.46 Financial and employment assistance to students.

(a) *Provision of financial assistance.* (1) In providing financial assistance to qualified handicapped persons, a recipient to which this subpart applies may not,

(i) On the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate or

(ii) Assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) *Assistance in making available outside employment.* A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) *Employment of students by recipients.* A recipient that employs any of its students may not do so in a manner that violates subpart B.

§ 104.47 Nonacademic services.

(a) *Physical education and athletics.* (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of § 104.43(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) *Counseling and placement services.* A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) *Social organizations.* A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

Subpart F—Health, Welfare, and Social Services

§ 104.51 Application of this subpart.

Subpart F applies to health, welfare, and other social service programs or activities that receive Federal financial assistance and to recipients that operate, or that receive Federal financial assistance for the operation of, such programs or activities.

[45 FR 30936, May 9, 1980, as amended at 65 FR 68055, Nov. 13, 2000]

§ 104.52 Health, welfare, and other social services.

(a) *General.* In providing health, welfare, or other social services or benefits, a recipient may not, on the basis of handicap:

(1) Deny a qualified handicapped person these benefits or services;

(2) Afford a qualified handicapped person an opportunity to receive benefits or services that is not equal to that offered nonhandicapped persons;

(3) Provide a qualified handicapped person with benefits or services that are not as effective (as defined in § 104.4(b)) as the benefits or services provided to others;

(4) Provide benefits or services in a manner that limits or has the effect of limiting the participation of qualified handicapped persons; or

(5) Provide different or separate benefits or services to handicapped persons except where necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.

(b) *Notice.* A recipient that provides notice concerning benefits or services or written material concerning waivers of rights or consent to treatment shall take such steps as are necessary to ensure that qualified handicapped persons, including those with impaired sensory or speaking skills, are not denied effective notice because of their handicap.

(c) *Emergency treatment for the hearing impaired.* A recipient hospital that provides health services or benefits shall establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency health care.

(d) *Auxiliary aids.* (1) A recipient to which this subpart applies that employs fifteen or more persons shall provide appropriate auxiliary aids to persons with impaired sensory, manual, or speaking skills, where necessary to afford such persons an equal opportunity to benefit from the service in question.

(2) The Assistant Secretary may require recipients with fewer than fifteen employees to provide auxiliary aids where the provision of aids would not significantly impair the ability of the recipient to provide its benefits or services.

(3) For the purpose of this paragraph, auxiliary aids may include brailled and taped material, interpreters, and other aids for persons with impaired hearing or vision.

§ 104.53 Drug and alcohol addicts.

A recipient to which this subpart applies that operates a general hospital or outpatient facility may not discriminate in admission or treatment against a drug or alcohol abuser or alcoholic who is suffering from a medical condition, because of the person's drug or alcohol abuse or alcoholism.

§ 104.54 Education of institutionalized persons.

A recipient to which this subpart applies and that operates or supervises a program or activity that provides aid, benefits or services for persons who are institutionalized because of handicap shall ensure that each qualified handicapped person, as defined in § 104.3(k)(2), in its program or activity is provided an appropriate education, as defined in § 104.33(b). Nothing in this section shall be interpreted as altering in any way the obligations of recipients under subpart D.

Subpart G—Procedures

§ 104.61 Procedures.

The procedural provisions applicable to title VI of the Civil Rights Act of 1964 apply to this part. These procedures are found in §§ 100.6–100.10 and part 101 of this title.

APPENDIX A TO PART 104—ANALYSIS OF FINAL REGULATION

SUBPART A—GENERAL PROVISIONS

Definitions—1. *Recipient*. Section 104.23 contains definitions used throughout the regulation.

One comment requested that the regulation specify that nonpublic elementary and secondary schools that are not otherwise recipients do not become recipients by virtue of the fact their students participate in certain federally funded programs. The Secretary believes it unnecessary to amend the regulation in this regard, because almost identical language in the Department's regulations implementing title VI and title IX of the Education Amendments of 1972 has consistently been interpreted so as not to render such schools recipients. These schools, however, are indirectly subject to the substantive requirements of this regulation through the application of §104.4(b)(iv), which prohibits recipients from assisting agencies that discriminate on the basis of handicap in providing services to beneficiaries of the recipients' programs.

2. *Federal financial assistance*. In §104.3(h), defining federal financial assistance, a clarifying change has been made: procurement contracts are specifically excluded. They are covered, however, by the Department of Labor's regulation under section 503. The Department has never considered such contracts to be contracts of assistance; the explicit exemption has been added only to avoid possible confusion.

The proposed regulation's exemption of contracts of insurance or guaranty has been retained. A number of comments argued for its deletion on the ground that section 504, unlike title VI and title IX, contains no statutory exemption for such contracts. There is no indication, however, in the legislative history of the Rehabilitation Act of 1973 or of the amendments to that Act in 1974, that Congress intended section 504 to have a broader application, in terms of federal financial assistance, than other civil rights statutes. Indeed, Congress directed that section 504 be implemented in the same manner as titles VI and IX. In view of the long established exemption of contracts of insurance or guaranty under title VI, we think it unlikely that Congress intended section 504 to apply to such contracts.

3. *Handicapped person*. Section 104.3(j), which defines the class of persons protected under the regulation, has not been substantially changed. The definition of handicapped person in paragraph (j)(1) conforms to the statutory definition of handicapped person that is applicable to section 504, as set forth in section 111(a) of the Rehabilitation Act Amendments of 1974, Pub. L. 93-516.

The first of the three parts of the statutory and regulatory definition includes any person who has a physical or mental impairment that substantially limits one or more major life activities. Paragraph (j)(2)(i) further defines physical or mental impairments. The definition does not set forth a list of specific diseases and conditions that constitute physical or mental impairments because of the difficulty of ensuring the comprehensiveness of any such list. The term includes, however, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and, as discussed below, drug addiction and alcoholism.

It should be emphasized that a physical or mental impairment does not constitute a handicap for purposes of section 504 unless its severity is such that it results in a substantial limitation of one or more major life activities. Several comments observed the lack of any definition in the proposed regulation of the phrase "substantially limits." The Department does not believe that a definition of this term is possible at this time.

A related issue raised by several comments is whether the definition of handicapped person is unreasonably broad. Comments suggested narrowing the definition in various ways. The most common recommendation was that only "traditional" handicaps be covered. The Department continues to believe, however, that it has no flexibility within the statutory definition to limit the term to persons who have those severe, permanent, or progressive conditions that are most commonly regarded as handicaps. The Department intends, however, to give particular attention in its enforcement of section 504 to eliminating discrimination against persons with the severe handicaps that were the focus of concern in the Rehabilitation Act of 1973.

The definition of handicapped person also includes specific limitations on what persons are classified as handicapped under the regulation. The first of the three parts of the definition specifies that only physical and mental handicaps are included. Thus, environmental, cultural, and economic disadvantage are not in themselves covered; nor are prison records, age, or homosexuality. Of course, if a person who has any of these characteristics also has a physical or mental handicap, the person is included within the definition of handicapped person.

In paragraph (j)(2)(i), physical or mental impairment is defined to include, among other impairments, specific learning disabilities. The Department will interpret the term as it is used in section 602 of the Education of the Handicapped Act, as amended. Paragraph (15) of section 602 uses the term "specific learning disabilities" to describe

such conditions as perceptual handicaps, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia.

Paragraph (j)(2)(i) has been shortened, but not substantively changed, by the deletion of clause (C), which made explicit the inclusion of any condition which is mental or physical but whose precise nature is not at present known. Clauses (A) and (B) clearly comprehend such conditions.

The second part of the statutory and regulatory definition of handicapped person includes any person who has a record of a physical or mental impairment that substantially limits a major life activity. Under the definition of "record" in paragraph (j)(2)(iii), persons who have a history of a handicapping condition but no longer have the condition, as well as persons who have been incorrectly classified as having such a condition, are protected from discrimination under section 504. Frequently occurring examples of the first group are persons with histories of mental or emotional illness, heart disease, or cancer; of the second group, persons who have been misclassified as mentally retarded.

The third part of the statutory and regulatory definition of handicapped person includes any person who is regarded as having a physical or mental impairment that substantially limits one or more major life activities. It includes many persons who are ordinarily considered to be handicapped but who do not technically fall within the first two parts of the statutory definition, such as persons with a limp. This part of the definition also includes some persons who might not ordinarily be considered handicapped, such as persons with disfiguring scars, as well as persons who have no physical or mental impairment but are treated by a recipient as if they were handicapped.

4. *Drug addicts and alcoholics.* As was the case during the first comment period, the issue of whether to include drug addicts and alcoholics within the definition of handicapped person was of major concern to many commenters. The arguments presented on each side of the issue were similar during the two comment periods, as was the preference of commenters for exclusion of this group of persons. While some comments reflected misconceptions about the implications of including alcoholics and drug addicts within the scope of the regulation, the Secretary understands the concerns that underlie the comments on this question and recognizes that application of section 504 to active alcoholics and drug addicts presents sensitive and difficult questions that must be taken into account in interpretation and enforcement.

The Secretary has carefully examined the issue and has obtained a legal opinion from the Attorney General. That opinion concludes that drug addiction and alcoholism

are "physical or mental impairments" within the meaning of section 7(6) of the Rehabilitation Act of 1973, as amended, and that drug addicts and alcoholics are therefore handicapped for purposes of section 504 if their impairment substantially limits one of their major life activities. The Secretary therefore believes that he is without authority to exclude these conditions from the definition. There is a medical and legal consensus that alcoholism and drug addiction are diseases, although there is disagreement as to whether they are primarily mental or physical. In addition, while Congress did not focus specifically on the problems of drug addiction and alcoholism in enacting section 504, the committees that considered the Rehabilitation Act of 1973 were made aware of the Department's long-standing practice of treating addicts and alcoholics as handicapped individuals eligible for rehabilitation services under the Vocational Rehabilitation Act.

The Secretary wishes to reassure recipients that inclusion of addicts and alcoholics within the scope of the regulation will not lead to the consequences feared by many commenters. It cannot be emphasized too strongly that the statute and the regulation apply only to discrimination against qualified handicapped persons solely by reason of their handicap. The fact that drug addiction and alcoholism may be handicaps does not mean that these conditions must be ignored in determining whether an individual is qualified for services or employment opportunities. On the contrary, a recipient may hold a drug addict or alcoholic to the same standard of performance and behavior to which it holds others, even if any unsatisfactory performance or behavior is related to the person's drug addiction or alcoholism. In other words, while an alcoholic or drug addict may not be denied services or disqualified from employment solely because of his or her condition, the behavioral manifestations of the condition may be taken into account in determining whether he or she is qualified.

With respect to the employment of a drug addict or alcoholic, if it can be shown that the addiction or alcoholism prevents successful performance of the job, the person need not be provided the employment opportunity in question. For example, in making employment decisions, a recipient may judge addicts and alcoholics on the same basis it judges all other applicants and employees. Thus, a recipient may consider—for all applicants including drug addicts and alcoholics—past personnel records, absenteeism, disruptive, abusive, or dangerous behavior, violations of rules and unsatisfactory work performance. Moreover, employers may enforce rules prohibiting the possession or use of alcohol or drugs in the work-place, provided that such rules are enforced against all employees.

With respect to other services, the implications of coverage, of alcoholics and drug addicts are two-fold: first, no person may be excluded from services solely by reason of the presence or history of these conditions; second, to the extent that the manifestations of the condition prevent the person from meeting the basic eligibility requirements of the program or cause substantial interference with the operation of the program, the condition may be taken into consideration. Thus, a college may not exclude an addict or alcoholic as a student, on the basis of addiction or alcoholism, if the person can successfully participate in the education program and complies with the rules of the college and if his or her behavior does not impede the performance of other students.

Of great concern to many commenters was the question of what effect the inclusion of drug addicts and alcoholics as handicapped persons would have on school disciplinary rules prohibiting the use or possession of drugs or alcohol by students. Neither such rules nor their application to drug addicts or alcoholics is prohibited by this regulation, provided that the rules are enforced evenly with respect to all students.

5. *Qualified handicapped person.* Paragraph (k) of §104.3 defines the term “qualified handicapped person.” Throughout the regulation, this term is used instead of the statutory term “otherwise qualified handicapped person.” The Department believes that the omission of the word “otherwise” is necessary in order to comport with the intent of the statute because, read literally, “otherwise” qualified handicapped persons include persons who are qualified except for their handicap, rather than in spite of their handicap. Under such a literal reading, a blind person possessing all the qualifications for driving a bus except sight could be said to be “otherwise qualified” for the job of driving. Clearly, such a result was not intended by Congress. In all other respects, the terms “qualified” and “otherwise qualified” are intended to be interchangeable.

Section 104.3(k)(1) defines a qualified handicapped person with respect to employment as a handicapped person who can, with reasonable accommodation, perform the essential functions of the job in question. The term “essential functions” does not appear in the corresponding provision of the Department of Labor’s section 503 regulation, and a few commenters objected to its inclusion on the ground that a handicapped person should be able to perform all job tasks. However, the Department believes that inclusion of the phrase is useful in emphasizing that handicapped persons should not be disqualified simply because they may have difficulty in performing tasks that bear only a marginal relationship to a particular job. Further, we are convinced that inclusion of the

phrase is not inconsistent with the Department of Labor’s application of its definition.

Certain commenters urged that the definition of qualified handicapped person be amended so as explicitly to place upon the employer the burden of showing that a particular mental or physical characteristic is essential. Because the same result is achieved by the requirement contained in paragraph (a) of §104.13, which requires an employer to establish that any selection criterion that tends to screen out handicapped persons is job-related, that recommendation has not been followed.

Section 104.3(k)(2) defines qualified handicapped person, with respect to preschool, elementary, and secondary programs, in terms of age. Several commenters recommended that eligibility for the services be based upon the standard of substantial benefit, rather than age, because of the need of many handicapped children for early or extended services if they are to have an equal opportunity to benefit from education programs. No change has been made in this provision, again because of the extreme difficulties in administration that would result from the choice of the former standard. Under the remedial action provisions of §104.6(a)(3), however, persons beyond the age limits prescribed in §104.3(k)(2) may in appropriate cases be required to be provided services that they were formerly denied because of a recipient’s violation of section 504.

Section 104.3(k)(2) states that a handicapped person is qualified for preschool, elementary, or secondary services if the person is of an age at which nonhandicapped persons are eligible for such services or at which State law mandates the provision of educational services to handicapped persons. In addition, the extended age ranges for which recipients must provide full educational opportunity to all handicapped persons in order to be eligible for assistance under the Education of the Handicapped Act—generally, 3–18 as of September 1978, and 3–21 as of September 1980 are incorporated by reference in this paragraph.

Section 104.3(k)(3) defines qualified handicapped person with respect to postsecondary educational programs. As revised, the paragraph means that both academic and technical standards must be met by applicants to these programs. The term *technical standards* refers to all nonacademic admissions criteria that are essential to participation in the program in question.

6. *General prohibitions against discrimination.* Section 104.4 contains general prohibitions against discrimination applicable to all recipients of assistance from this Department.

Paragraph (b)(1)(i) prohibits the exclusion of qualified handicapped persons from aids, benefits, or services, and paragraph (ii) requires that equal opportunity to participate

or benefit be provided. Paragraph (iii) requires that services provided to handicapped persons be as effective as those provided to the nonhandicapped. In paragraph (iv), different or separate services are prohibited except when necessary to provide equally effective benefits.

In this context, the term *equally effective*, defined in paragraph (b)(2), is intended to encompass the concept of equivalent, as opposed to identical, services and to acknowledge the fact that in order to meet the individual needs of handicapped persons to the same extent that the corresponding needs of nonhandicapped persons are met, adjustments to regular programs or the provision of different programs may sometimes be necessary. This standard parallels the one established under title VI of Civil Rights Act of 1964 with respect to the provision of educational services to students whose primary language is not English. See *Lau v. Nichols*, 414 U.S. 563 (1974). To be equally effective, however, an aid, benefit, or service need not produce equal results; it merely must afford an equal opportunity to achieve equal results.

It must be emphasized that, although separate services must be required in some instances, the provision of unnecessarily separate or different services is discriminatory. The addition to paragraph (b)(2) of the phrase "in the most integrated setting appropriated to the person's needs" is intended to reinforce this general concept. A new paragraph (b)(3) has also been added to §104.4, requiring recipients to give qualified handicapped persons the option of participating in regular programs despite the existence of permissibly separate or different programs. The requirement has been reiterated in §§104.38 and 104.47 in connection with physical education and athletics programs.

Section 104.4(b)(1)(v) prohibits a recipient from supporting another entity or person that subjects participants or employees in the recipient's program to discrimination on the basis of handicap. This section would, for example, prohibit financial support by a recipient to a community recreational group or to a professional or social organization that discriminates against handicapped persons. Among the criteria to be considered in each case are the substantiality of the relationship between the recipient and the other entity, including financial support by the recipient, and whether the other entity's activities relate so closely to the recipient's program or activity that they fairly should be considered activities of the recipient itself. Paragraph (b)(1)(vi) was added in response to comment in order to make explicit the prohibition against denying qualified handicapped persons the opportunity to serve on planning and advisory boards responsible for guiding federally assisted programs or activities.

Several comments appeared to interpret §104.4(b)(5), which proscribes discriminatory site selection, to prohibit a recipient that is located on hilly terrain from erecting any new buildings at its present site. That, of course, is not the case. This paragraph is not intended to apply to construction of additional buildings at an existing site. Of course, any such facilities must be made accessible in accordance with the requirements of §104.23.

7. *Assurances of compliance.* Section 104.5(a) requires a recipient to submit to the Assistant Secretary an assurance that each of its programs and activities receiving or benefiting from Federal financial assistance from this Department will be conducted in compliance with this regulation. Many commenters also sought relief from the paperwork requirements imposed by the Department's enforcement of its various civil rights responsibilities by requesting the Department to issue one form incorporating title VI, title IX, and section 504 assurances. The Secretary is sympathetic to this request. While it is not feasible to adopt a single civil rights assurance form at this time, the Office for Civil Rights will work toward that goal.

8. *Private rights of action.* Several comments urged that the regulation incorporate provision granting beneficiaries a private right of action against recipients under section 504. To confer such a right is beyond the authority of the executive branch of Government. There is, however, case law holding that such a right exists. *Lloyd v. Regional Transportation Authority*, 548 F. 2d 1277 (7th Cir. 1977); see *Hairston v. Drosick*, Civil No. 75-0691 (S.D. W. Va., Jan. 14, 1976); *Gurmankin v. Castanzo*, 411 F. Supp. 982 (E.D. Pa. 1976); cf. *Lau v. Nichols, supra*.

9. *Remedial action.* Where there has been a finding of discrimination, §104.6 requires a recipient to take remedial action to overcome the effects of the discrimination. Actions that might be required under paragraph (a)(1) include provision of services to persons previously discriminated against, reinstatement of employees and development of a remedial action plan. Should a recipient fail to take required remedial action, the ultimate sanctions of court action or termination of Federal financial assistance may be imposed.

Paragraph (a)(2) extends the responsibility for taking remedial action to a recipient that exercises control over a noncomplying recipient. Paragraph (a)(3) also makes clear that handicapped persons who are not in the program at the time that remedial action is required to be taken may also be the subject of such remedial action. This paragraph has been revised in response to comments in order to include persons who would have been in the program if discriminatory practices had not existed. Paragraphs (a) (1), (2), and (3) have also been amended in response

to comments to make plain that, in appropriate cases, remedial action might be required to redress clear violations of the statute itself that occurred before the effective date of this regulation.

10. *Voluntary action.* In §104.6(b), the term “voluntary action” has been substituted for the term “affirmative action” because the use of the latter term led to some confusion. We believe the term “voluntary action” more accurately reflects the purpose of the paragraph. This provision allows action, beyond that required by the regulation, to overcome conditions that led to limited participation by handicapped persons, whether or not the limited participation was caused by any discriminatory actions on the part of the recipient. Several commenters urged that paragraphs (a) and (b) be revised to require remedial action to overcome effects of prior discriminatory practices regardless of whether there has been an express finding of discrimination. The self-evaluation requirement in paragraph (c) accomplishes much the same purpose.

11. *Self-evaluation.* Paragraph (c) requires recipients to conduct a self-evaluation in order to determine whether their policies or practices may discriminate against handicapped persons and to take steps to modify any discriminatory policies and practices and their effects. The Department received many comments approving of the addition to paragraph (c) of a requirement that recipients seek the assistance of handicapped persons in the self-evaluation process. This paragraph has been further amended to require consultation with handicapped persons or organizations representing them before recipients undertake the policy modifications and remedial steps prescribed in paragraphs (c) (ii) and (iii).

Paragraph (c)(2), which sets forth the recordkeeping requirements concerning self-evaluation, now applies only to recipients with fifteen or more employees. This change was made as part of an effort to reduce unnecessary or counterproductive administrative obligations on small recipients. For those recipients required to keep records, the requirements have been made more specific; records must include a list of persons consulted and a description of areas examined, problems identified, and corrective steps taken. Moreover, the records must be made available for public inspection.

12. *Grievance procedure.* Section 104.7 requires recipients with fifteen or more employees to designate an individual responsible for coordinating its compliance efforts and to adopt a grievance procedure. Two changes were made in the section in response to comment. A general requirement that appropriate due process procedures be followed has been added. It was decided that the details of such procedures could not at this time be specified because of the varied na-

ture of the persons and entities who must establish the procedures and of the programs to which they apply. A sentence was also added to make clear that grievance procedures are not required to be made available to unsuccessful applicants for employment or to applicants for admission to colleges and universities.

The regulation does not require that grievance procedures be exhausted before recourse is sought from the Department. However, the Secretary believes that it is desirable and efficient in many cases for complainants to seek resolution of their complaints and disputes at the local level and therefore encourages them to use available grievance procedures.

A number of comments asked whether compliance with this section or the notice requirements of §104.8 could be coordinated with comparable action required by the title IX regulation. The Department encourages such efforts.

13. *Notice.* Section 104.8 (formerly §84.9) sets forth requirements for dissemination of statements of nondiscrimination policy by recipients.

It is important that both handicapped persons and the public at large be aware of the obligations of recipients under section 504. Both the Department and recipients have responsibilities in this regard. Indeed the Department intends to undertake a major public information effort to inform persons of their rights under section 504 and this regulation. In §104.8 the Department has sought to impose a clear obligation on major recipients to notify beneficiaries and employees of the requirements of section 504, without dictating the precise way in which this notice must be given. At the same time, we have avoided imposing requirements on small recipients (those with fewer than fifteen employees) that would create unnecessary and counterproductive paper work burdens on them and unduly stretch the enforcement resources of the Department.

Section 104.8(a), as simplified, requires recipients with fifteen or more employees to take appropriate steps to notify beneficiaries and employees of the recipient’s obligations under section 504. The last sentence of §104.8(a) has been revised to list possible, rather than required, means of notification. Section 104.8(b) requires recipients to include a notification of their policy of non-discrimination in recruitment and other general information materials.

In response to a number of comments, §104.8 has been revised to delete the requirements of publication in local newspapers, which has proved to be both troublesome and ineffective. Several commenters suggested that notification on separate forms be allowed until present stocks of publications and forms are depleted. The final regulation explicitly allows this method of compliance.

The separate form should, however, be included with each significant publication or form that is distributed.

Section 104 which prohibited the use of materials that might give the impression that a recipient excludes qualified handicapped persons from its program, has been deleted. The Department is convinced by the comments that this provision is unnecessary and difficult to apply. The Department encourages recipients, however, to include in their recruitment and other general information materials photographs of handicapped persons and ramps and other features of accessible buildings.

Under new §104.9 the Assistant Secretary may, under certain circumstances, require recipients with fewer than fifteen employees to comply with one or more of these requirements. Thus, if experience shows a need for imposing notice or other requirements on particular recipients or classes of small recipients, the Department is prepared to expand the coverage of these sections.

14. *Inconsistent State laws.* Section 104.10(a) states that compliance with the regulation is not excused by State or local laws limiting the eligibility of qualified handicapped persons to receive services or to practice an occupation. The provision thus applies only with respect to state or local laws that unjustifiably differentiate on the basis of handicap.

Paragraph (b) further points out that the presence of limited employment opportunities in a particular profession, does not excuse a recipient from complying with the regulation. Thus, a law school could not deny admission to a blind applicant because blind lawyers may find it more difficult to find jobs than do nonhandicapped lawyers.

SUBPART B—EMPLOYMENT PRACTICES

Subpart B prescribes requirements for non-discrimination in the employment practices of recipients of Federal financial assistance administered by the Department. This subpart is consistent with the employment provisions of the Department's regulation implementing title IX of the Education Amendments of 1972 (34 CFR, part 106) and the regulation of the Department of Labor under section 503 of the Rehabilitation Act, which requires certain Federal contractors to take affirmative action in the employment and advancement of qualified handicapped persons. All recipients subject to title IX are also subject to this regulation. In addition, many recipients subject to this regulation receive Federal procurement contracts in excess of \$2,500 and are therefore also subject to section 503.

15. *Discriminatory practices.* Section 104.11 sets forth general provisions with respect to discrimination in employment. A new paragraph (a)(2) has been added to clarify the employment obligations of recipients that re-

ceive Federal funds under Part B of the Education of the Handicapped Act, as amended (EHA). Section 606 of the EHA obligates elementary or secondary school systems that receive EHA funds to take positive steps to employ and advance in employment qualified handicapped persons. This obligation is similar to the nondiscrimination requirement of section 504 but requires recipients to take additional steps to hire and promote handicapped persons. In enacting section 606 Congress chose the words "positive steps" instead of "affirmative action" advisedly and did not intend section 606 to incorporate the types of activities required under Executive Order 11246 (affirmative action on the basis of race, color, sex, or national origin) or under sections 501 and 503 of the Rehabilitation Act of 1973.

Paragraph (b) of §104.11 sets forth the specific aspects of employment covered by the regulation. Paragraph (c) provides that inconsistent provisions of collective bargaining agreements do not excuse non-compliance.

16. *Reasonable accommodation.* The reasonable accommodation requirement of §104.12 generated a substantial number of comments. The Department remains convinced that its approach is both fair and effective. Moreover, the Department of Labor reports that it has experienced little difficulty in administering the requirements of reasonable accommodation. The provision therefore remains basically unchanged from the proposed regulation.

Section 104.12 requires a recipient to make reasonable accommodation to the known physical or mental limitations of a handicapped applicant or employee unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program. Where a handicapped person is not qualified to perform a particular job, where reasonable accommodation does not overcome the effects of a person's handicap, or where reasonable accommodation causes undue hardship to the employer, failure to hire or promote the handicapped person will not be considered discrimination.

Section 104.12(b) lists some of the actions that constitute reasonable accommodation. The list is neither all-inclusive nor meant to suggest that employers must follow all of the actions listed.

Reasonable accommodation includes modification of work schedules, including part-time employment, and job restructuring. Job restructuring may entail shifting non-essential duties to other employees. In other cases, reasonable accommodation may include physical modifications or relocation of particular offices or jobs so that they are in facilities or parts of facilities that are accessible to and usable by handicapped persons. If such accommodations would cause undue

hardship to the employer, they need not be made.

Paragraph (c) of this section sets forth the factors that the Office for Civil Rights will consider in determining whether an accommodation necessary to enable an applicant or employee to perform the duties of a job would impose an undue hardship. The weight given to each of these factors in making the determination as to whether an accommodation constitutes undue hardship will vary depending on the facts of a particular situation. Thus, a small day-care center might not be required to expend more than a nominal sum, such as that necessary to equip a telephone for use by a secretary with impaired hearing, but a large school district might be required to make available a teacher's aide to a blind applicant for a teaching job. The reasonable accommodation standard in §104.12 is similar to the obligation imposed upon Federal contractors in the regulation implementing section 503 of the Rehabilitation Act of 1973, administered by the Department of Labor. Although the wording of the reasonable accommodation provisions of the two regulations is not identical, the obligation that the two regulations impose is the same, and the Federal Government's policy in implementing the two sections will be uniform. The Department adopted the factors listed in paragraph (c) instead of the "business necessity" standard of the Labor regulation because that term seemed inappropriate to the nature of the programs operated by the majority of institutions subject to this regulation, e.g., public school systems, colleges and universities. The factors listed in paragraph (c) are intended to make the rationale underlying the business necessity standard applicable to an understandable by recipients of ED funds.

17. *Tests and selection criteria.* Revised §104.13(a) prohibits employers from using test or other selection criteria that screen out or tend to screen out handicapped persons unless the test or criterion is shown to be job-related and alternative tests or criteria that do not screen out or tend to screen out as many handicapped persons are not shown by the Assistant Secretary to be available. This paragraph is an application of the principle established under title VII of the Civil Rights Act of 1964 in *Griggs v. Duke Power Company*, 401 U.S. 424 (1971).

Under the proposed section, a statistical showing of adverse impact on handicapped persons was required to trigger an employer's obligation to show that employment criteria and qualifications relating to handicap were necessary. This requirement was changed because the small number of handicapped persons taking tests would make statistical showings of "disproportionate, adverse effect" difficult and burdensome. Under the altered, more workable provision, once it is shown that an employment test substan-

tially limits the opportunities of handicapped persons, the employer must show the test to be job-related. A recipient is no longer limited to using predictive validity studies as the method for demonstrating that a test or other selection criterion is in fact job-related. Nor, in all cases, are predictive validity studies sufficient to demonstrate that a test or criterion is job-related. In addition, §104.13(a) has been revised to place the burden on the Assistant Secretary, rather than the recipient, to identify alternate tests.

Section 104.13(b) requires that a recipient take into account that some tests and criteria depend upon sensory, manual, or speaking skills that may not themselves be necessary to the job in question but that may make the handicapped person unable to pass the test. The recipient must select and administer tests so as best to ensure that the test will measure the handicapped person's ability to perform on the job rather than the person's ability to see, hear, speak, or perform manual tasks, except, of course, where such skills are the factors that the test purports to measure. For example, a person with a speech impediment may be perfectly qualified for jobs that do not or need not, with reasonable accommodation, require ability to speak clearly. Yet, if given an oral test, the person will be unable to perform in a satisfactory manner. The test results will not, therefore, predict job performance but instead will reflect impaired speech.

18. *Preemployment inquiries.* Section 104.14, concerning preemployment inquiries, generated a large number of comments. Commenters representing handicapped persons strongly favored a ban on preemployment inquiries on the ground that such inquiries are often used to discriminate against handicapped persons and are not necessary to serve any legitimate interests of employers. Some recipients, on the other hand, argued that preemployment inquiries are necessary to determine qualifications of the applicant, safety hazards caused by a particular handicapping condition, and accommodations that might be required.

The Secretary has concluded that a general prohibition of preemployment inquiries is appropriate. However, a sentence has been added to paragraph (a) to make clear that an employer may inquire into an applicant's ability to perform job-related tasks but may not ask if the person has a handicap. For example, an employer may not ask on an employment form if an applicant is visually impaired but may ask if the person has a current driver's license (if that is a necessary qualification for the position in question). Similarly, employers may make inquiries about an applicant's ability to perform a job safely. Thus, an employer may not ask if an

applicant is an epileptic but may ask whether the person can perform a particular job without endangering other employees.

Section 104.14(b) allows preemployment inquiries only if they are made in conjunction with required remedial action to correct past discrimination, with voluntary action to overcome past conditions that have limited the participation of handicapped persons, or with obligations under section 503 of the Rehabilitation Act of 1973. In these instances, paragraph (b) specifies certain safeguards that must be followed by the employer.

Finally, the revised provision allows an employer to condition offers of employment to handicapped persons on the results of medical examinations, so long as the examinations are administered to all employees in a nondiscriminatory manner and the results are treated on a confidential basis.

19. *Specific acts of Discrimination.* Sections 104.15 (recruitment), 104.16 (compensation), 104.17 (job classification and structure) and 104.18 (fringe benefits) have been deleted from the regulation as unnecessarily duplicative of §104.11 (discrimination prohibited). The deletion of these sections in no way changes the substantive obligations of employers subject to this regulation from those set forth in the July 16 proposed regulation. These deletions bring the regulation closer in form to the Department of Labor's section 503 regulation.

A proposed section, concerning fringe benefits, had allowed for differences in benefits or contributions between handicapped and non-handicapped persons in situations only where such differences could be justified on an actuarial basis. Section 104.11 simply bars discrimination in providing fringe benefits and does not address the issue of actuarial differences. The Department believes that currently available data and experience do not demonstrate a basis for promulgating a regulation specifically allowing for differences in benefits or contributions.

SUBPART C—PROGRAM ACCESSIBILITY

In general, Subpart C prohibits the exclusion of qualified handicapped persons from federally assisted programs or activities because a recipient's facilities are inaccessible or unusable.

20. *Existing facilities.* Section 104.22 maintains the same standard for nondiscrimination in regard to existing facilities as was included in the proposed regulation. The section states that a recipient's program or activity, when viewed in its entirety, must be readily accessible to and usable by handicapped persons. Paragraphs (a) and (b) make clear that a recipient is not required to make each of its existing facilities accessible to handicapped persons if its program as a whole is accessible. Accessibility to the recipient's program or activity may be achieved by a number of means, including re-

design of equipment, reassignment of classes or other services to accessible buildings, and making aides available to beneficiaries. In choosing among methods of compliance, recipients are required to give priority consideration to methods that will be consistent with provision of services in the most appropriate integrated setting. Structural changes in existing facilities are required only where there is no other feasible way to make the recipient's program accessible.

Under §104.22, a university does not have to make all of its existing classroom buildings accessible to handicapped students if some of its buildings are already accessible and if it is possible to reschedule or relocate enough classes so as to offer all required courses and a reasonable selection of elective courses in accessible facilities. If sufficient relocation of classes is not possible using existing facilities, enough alterations to ensure program accessibility are required. A university may not exclude a handicapped student from a specifically requested course offering because it is not offered in an accessible location, but it need not make every section of that course accessible.

Commenters representing several institutions of higher education have suggested that it would be appropriate for one postsecondary institution in a geographical area to be made accessible to handicapped persons and for other colleges and universities in that area to participate in that school's program, thereby developing an educational consortium for the postsecondary education of handicapped students. The Department believes that such a consortium, when developed and applied only to handicapped persons, would not constitute compliance with §104.22, but would discriminate against qualified handicapped persons by restricting their choice in selecting institutions of higher education and would, therefore, be inconsistent with the basic objectives of the statute.

Nothing in this regulation, however, should be read as prohibiting institutions from forming consortia for the benefit of all students. Thus, if three colleges decide that it would be cost-efficient for one college to offer biology, the second physics, and the third chemistry to all students at the three colleges, the arrangement would not violate section 504. On the other hand, it would violate the regulation if the same institutions set up a consortium under which one college undertook to make its biology lab accessible, another its physics lab, and a third its chemistry lab, and under which mobility-impaired handicapped students (but not other students) were required to attend the particular college that is accessible for the desired courses.

Similarly, while a public school district need not make each of its buildings completely accessible, it may not make only one

facility or part of a facility accessible if the result is to segregate handicapped students in a single setting.

All recipients that provide health, welfare, or other social services may also comply with §104.22 by delivering services at alternate accessible sites or making home visits. Thus, for example, a pharmacist might arrange to make home deliveries of drugs. Under revised §104.22(c), small providers of health, welfare, and social services (those with fewer than fifteen employees) may refer a beneficiary to an accessible provider of the desired service, but only if no means of meeting the program accessibility requirement other than a significant alteration in existing facilities is available. The referring recipient has the responsibility of determining that the other provider is in fact accessible and willing to provide the service.

A recent change in the tax law may assist some recipients in meeting their obligations under this section. Under section 2122 of the Tax Reform Act of 1976, recipients that pay federal income tax are eligible to claim a tax deduction of up to \$25,000 for architectural and transportation modifications made to improve accessibility for handicapped persons. See 42 FR 17870 (April 4, 1977), adopting 26 CFR 7.190.

Several commenters expressed concern about the feasibility of compliance with the program accessibility standard. The Secretary believes that the standard is flexible enough to permit recipients to devise ways to make their programs accessible short of extremely expensive or impractical physical changes in facilities. Accordingly, the section does not allow for waivers. The Department is ready at all times to provide technical assistance to recipients in meeting their program accessibility responsibilities. For this purpose, the Department is establishing a special technical assistance unit. Recipients are encouraged to call upon the unit staff for advice and guidance both on structural modifications and on other ways of meeting the program accessibility requirement.

Paragraph (d) has been amended to require recipients to make all nonstructural adjustments necessary for meeting the program accessibility standard within sixty days. Only where structural changes in facilities are necessary will a recipient be permitted up to three years to accomplish program accessibility. It should be emphasized that the three-year time period is not a waiting period and that all changes must be accomplished as expeditiously as possible. Further, it is the Department's belief, after consultation with experts in the field, that outside ramps to buildings can be constructed quickly and at relatively low cost. Therefore, it will be expected that such structural additions will be made promptly to comply with §104.22(d).

The regulation continues to provide, as did the proposed version, that a recipient planning to achieve program accessibility by making structural changes must develop a transition plan for such changes within six months of the effective date of the regulation. A number of commenters suggested extending that period to one year. The secretary believes that such an extension is unnecessary and unwise. Planning for any necessary structural changes should be undertaken promptly to ensure that they can be completed within the three-year period. The elements of the transition plan as required by the regulation remain virtually unchanged from the proposal but §104.22(d) now includes a requirement that the recipient make the plan available for public inspection.

Several commenters expressed concern that the program accessibility standard would result in the segregation of handicapped persons in educational institutions. The regulation will not be applied to permit such a result. See §104.4(c)(2)(iv), prohibiting unnecessarily separate treatment; §104.35, requiring that students in elementary and secondary schools be educated in the most integrated setting appropriate to their needs; and new §104.43(d), applying the same standard to postsecondary education.

We have received some comments from organizations of handicapped persons on the subject of requiring, over an extended period of time, a barrier-free environment—that is, requiring the removal of all architectural barriers in existing facilities. The Department has considered these comments but has decided to take no further action at this time concerning these suggestions, believing that such action should only be considered in light of experience in implementing the program accessibility standard.

21. *New construction.* Section 104.23 requires that all new facilities, as well as alterations that could affect access to and use of existing facilities, be designed and constructed in a manner so as to make the facility accessible to and usable by handicapped persons. Section 104.23(a) has been amended so that it applies to each newly constructed facility if the construction was commenced after the effective date of the regulation. The words "if construction has commenced" will be considered to mean "if groundbreaking has taken place." Thus, a recipient will not be required to alter the design of a facility that has progressed beyond groundbreaking prior to the effective date of the regulation.

Paragraph (b) requires certain alterations to conform to the requirement of physical accessibility in paragraph (a). If an alteration is undertaken to a portion of a building the accessibility of which could be improved by the manner in which the alteration is carried out, the alteration must be made in that manner. Thus, if a doorway or

wall is being altered, the door or other wall opening must be made wide enough to accommodate wheelchairs. On the other hand, if the alteration consists of altering ceilings, the provisions of this section are not applicable because this alteration cannot be done in a way that affects the accessibility of that portion of the building. The phrase "to the maximum extent feasible" has been added to allow for the occasional case in which the nature of an existing facility is such as to make it impractical or prohibitively expensive to renovate the building in a manner that results in its being entirely barrier-free. In all such cases, however, the alteration should provide the maximum amount of physical accessibility feasible.

Section 104.23(d) of the proposed regulation, providing for a limited deferral of action concerning facilities that are subject to section 502 as well as section 504 of the Act, has been deleted. The Secretary believes that the provision is unnecessary and inappropriate to this regulation. The Department will, however, seek to coordinate enforcement activities under this regulation with those of the Architectural and Transportation Barriers Compliance Board.

SUBPART D—PRESCHOOL, ELEMENTARY, AND SECONDARY EDUCATION

Subpart D sets forth requirements for non-discrimination in preschool, elementary, secondary, and adult education programs and activities, including secondary vocational education programs. In this context, the term "adult education" refers only to those educational programs and activities for adults that are operated by elementary and secondary schools.

The provisions of Subpart D apply to state and local educational agencies. Although the subpart applies, in general, to both public and private education programs and activities that are federally assisted, §§104.32 and 104.33 apply only to public programs and §104.39 applies only to private programs; §§104.35 and 104.36 apply both to public programs and to those private programs that include special services for handicapped students.

Subpart B generally conforms to the standards established for the education of handicapped persons in *Mills v. Board of Education of the District of Columbia*, 348 F. Supp. 866 (D.D.C. 1972), *Pennsylvania Association for Retarded Children v. Commonwealth of Pennsylvania*, 344 F. Supp. 1257 (E.D. 1971), 343 F. Supp. 279 (E.D. Pa. 1972), and *Lebanks v. Spears*, 60, F.R.D. 135 (E.D. La. 1973), as well as in the Education of the Handicapped Act, as amended by Pub. L. 94-142 (the EHA).

The basic requirements common to those cases, to the EHA, and to this regulation are (1) that handicapped persons, regardless of the nature or severity of their handicap, be provided a free appropriate public education,

(2) that handicapped students be educated with nonhandicapped students to the maximum extent appropriate to their needs, (3) that educational agencies undertake to identify and locate all unserved handicapped children, (4) that evaluation procedures be improved in order to avoid the inappropriate education that results from the misclassification of students, and (5) that procedural safeguard be established to enable parents and guardians to influence decisions regarding the evaluation and placement of their children. These requirements are designed to ensure that no handicapped child is excluded from school on the basis of handicap and, if a recipient demonstrates that placement in a regular educational setting cannot be achieved satisfactorily, that the student is provided with adequate alternative services suited to the student's needs without additional cost to the student's parents or guardian. Thus, a recipient that operates a public school system must either educate handicapped children in its regular program or provide such children with an appropriate alternative education at public expense.

It is not the intention of the Department, except in extraordinary circumstances, to review the result of individual placement and other educational decisions, so long as the school district complies with the "process" requirements of this subpart (concerning identification and location, evaluation, and due process procedures). However, the Department will place a high priority on investigating cases which may involve exclusion of a child from the education system or a pattern or practice of discriminatory placements or education.

22. Location and notification. Section 104.32 requires public schools to take steps annually to identify and locate handicapped children who are not receiving an education and to publicize to handicapped children and their parents the rights and duties established by section 504 and this regulation. This section has been shortened without substantive change.

23. Free appropriate public education. Under §104.33(a), a recipient is responsible for providing a free appropriate public education to each qualified handicapped person who is in the recipient's jurisdiction. The word "in" encompasses the concepts of both domicile and actual residence. If a recipient places a child in a program other than its own, it remains financially responsible for the child, whether or not the other program is operated by another recipient or educational agency. Moreover, a recipient may not place a child in a program that is inappropriate or that otherwise violates the requirements of Subpart D.

And in no case may a recipient refuse to provide services to a handicapped child in its jurisdiction because of another person's or entity's failure to assume financial responsibility.

Section 104.33(b) concerns the provision of appropriate educational services to handicapped children. To be appropriate, such services must be designed to meet handicapped children's individual educational needs to the same extent that those of nonhandicapped children are met. An appropriate education could consist of education in regular classes, education in regular classes with the use of supplementary services, or special education and related services. Special education may include specially designed instruction in classrooms, at home, or in private or public institutions and may be accompanied by such related services as developmental, corrective, and other supportive services (including psychological, counseling, and medical diagnostic services). The placement of the child must however, be consistent with the requirements of §104.34 and be suited to his or her educational needs.

The quality of the educational services provided to handicapped students must equal that of the services provided to nonhandicapped students; thus, handicapped student's teachers must be trained in the instruction of persons with the handicap in question and appropriate materials and equipment must be available. The Department is aware that the supply of adequately trained teachers may, at least at the outset of the imposition of this requirement, be insufficient to meet the demand of all recipients. This factor will be considered in determining the appropriateness of the remedy for noncompliance with this section. A new §104.33(b)(2) has been added, which allows this requirement to be met through the full implementation of an individualized education program developed in accordance with the standards of the EHA.

Paragraph (c) of §104.33 sets forth the specific financial obligations of a recipient. If a recipient does not itself provide handicapped persons with the requisite services, it must assume the cost of any alternate placement. If, however, a recipient offers adequate services and if alternate placement is chosen by a student's parent or guardian, the recipient need not assume the cost of the outside services. (If the parent or guardian believes that his or her child cannot be suitably educated in the recipient's program, he or she may make use of the procedures established in §104.36.) Under this paragraph, a recipient's obligation extends beyond the provision of tuition payments in the case of placement outside the regular program. Adequate transportation must also be provided. Recipients must also pay for psychological services and those medical services nec-

essary for diagnostic and evaluative purposes.

If the recipient places a student, because of his or her handicap, in a program that necessitates his or her being away from home, the payments must also cover room and board and nonmedical care (including custodial and supervisory care). When residential care is necessitated not by the student's handicap but by factors such as the student's home conditions, the recipient is not required to pay the cost of room and board.

Two new sentences have been added to paragraph (c)(1) to make clear that a recipient's financial obligations need not be met solely through its own funds. Recipients may rely on funds from any public or private source including insurers and similar third parties.

The EHA requires a free appropriate education to be provided to handicapped children "no later than September 1, 1978," but section 504 contains no authority for delaying enforcement. To resolve this problem, a new paragraph (d) has been added to §104.33. Section 104.33(d) requires recipients to achieve full compliance with the free appropriate public education requirements of §104.33 as expeditiously as possible, but in no event later than September 1, 1978. The provision also makes clear that, as of the effective date of this regulation, no recipient may exclude a qualified handicapped child from its educational program. This provision against exclusion is consistent with the order of providing services set forth in section 612(3) of the EHA, which places the highest priority on providing services to handicapped children who are not receiving an education.

24. *Educational setting.* Section 104.34 prescribes standards for educating handicapped persons with nonhandicapped persons to the maximum extent appropriate to the needs of the handicapped person in question. A handicapped student may be removed from the regular educational setting only where the recipient can show that the needs of the student would, on balance, be served by placement in another setting.

Although under §104.34, the needs of the handicapped person are determinative as to proper placement, it should be stressed that, where a handicapped student is so disruptive in a regular classroom that the education of other students is significantly impaired, the needs of the handicapped child cannot be met in that environment. Therefore, regular placement would not be appropriate to his or her needs and would not be required by §104.34.

Among the factors to be considered in placing a child is the need to place the child as close to home as possible. A new sentence has been added to paragraph (a) requiring recipients to take this factor into account. As

pointed out in several comments, the parents' right under §104.36 to challenge the placement of their child extends not only to placement in special classes or separate schools but also to placement in a distant school and, in particular, to residential placement. An equally appropriate educational program may exist closer to home; this issue may be raised by the parent or guardian under §§104.34 and 104.36.

New paragraph (b) specified that handicapped children must also be provided non-academic services in as integrated a setting as possible. This requirement is especially important for children whose educational needs necessitate their being solely with other handicapped children during most of each day. To the maximum extent appropriate, children in residential settings are also to be provided opportunities for participation with other children.

Section 104.34(c) requires that any facilities that are identifiable as being for handicapped students be comparable in quality to other facilities of the recipient. A number of comments objected to this section on the basis that it encourages the creation and maintenance of such facilities. This is not the intent of the provision. A separate facility violates section 504 unless it is indeed necessary to the provision of an appropriate education to certain handicapped students. In those instances in which such facilities are necessary (as might be the case, for example, for severely retarded persons), this provision requires that the educational services provided be comparable to those provided in the facilities of the recipient that are not identifiable as being for handicapped persons.

25. *Evaluation and placement.* Because the failure to provide handicapped persons with an appropriate education is so frequently the result of misclassification or misplacement, §104.33(b)(1) makes compliance with its provisions contingent upon adherence to certain procedures designed to ensure appropriate classification and placement. These procedures, delineated in §§104.35 and 104.36, are concerned with testing and other evaluation methods and with procedural due process rights.

Section 104.35(a) requires that an individual evaluation be conducted before any action is taken with respect either to the initial placement of a handicapped child in a regular or special education program or to any subsequent significant change in that placement. Thus, a full reevaluation is not required every time an adjustment in placement is made. "Any action" includes denials of placement.

Paragraphs (b) and (c) of §104.35 establishes procedures designed to ensure that children are not misclassified, unnecessarily labeled as being handicapped, or incorrectly placed because of inappropriate selection, adminis-

tration, or interpretation of evaluation materials. This problem has been extensively documented in "Issues in the Classification of Children," a report by the Project on Classification of Exceptional Children, in which the HEW Interagency Task Force participated. The provisions of these paragraphs are aimed primarily at abuses in the placement process that result from misuse of, or undue or misplaced reliance on, standardized scholastic aptitude tests.

Paragraph (b) has been shortened but not substantively changed. The requirement in former subparagraph (1) that recipients provide and administer evaluation materials in the native language of the student has been deleted as unnecessary, since the same requirement already exists under title VI and is more appropriately covered under that statute. Paragraphs (1) and (2) are, in general, intended to prevent misinterpretation and similar misuse of test scores and, in particular, to avoid undue reliance on general intelligence tests. Subparagraph (3) requires a recipient to administer tests to a student with impaired sensory, manual, or speaking skills in whatever manner is necessary to avoid distortion of the test results by the impairment. Former subparagraph (4) has been deleted as unnecessarily repetitive of the other provisions of this paragraph.

Paragraph (c) requires a recipient to draw upon a variety of sources in the evaluation process so that the possibility of error in classification is minimized. In particular, it requires that all significant factors relating to the learning process, including adaptive behavior, be considered. (Adaptive behavior is the effectiveness with which the individual meets the standards of personal independence and social responsibility expected of his or her age and cultural group.) Information from all sources must be documented and considered by a group of persons, and the procedure must ensure that the child is placed in the most integrated setting appropriate.

The proposed regulation would have required a complete individual reevaluation of the student each year. The Department has concluded that it is inappropriate in the section 504 regulation to require full reevaluations on such a rigid schedule. Accordingly, §104.35(c) requires periodic reevaluations and specifies that reevaluations in accordance with the EHA will constitute compliance. The proposed regulation implementing the EHA allows reevaluation at three-year intervals except under certain specified circumstances.

Under §104.36, a recipient must establish a system of due process procedures to be afforded to parents or guardians before the recipient takes any action regarding the identification, evaluation, or educational placement of a person who, because of handicap, needs or is believed to need special education

or related services. This section has been revised. Because the due process procedures of the EHA, incorporated by reference in the proposed section 504 regulation, are inappropriate for some recipients not subject to that Act, the section now specifies minimum necessary procedures: notice, a right to inspect records, an impartial hearing with a right to representation by counsel, and a review procedure. The EHA procedures remain one means of meeting the regulation's due process requirements, however, and are recommended to recipients as a model.

26. *Nonacademic services.* Section 104.37 requires a recipient to provide nonacademic and extracurricular services and activities in such manner as is necessary to afford handicapped students an equal opportunity for participation. Because these services and activities are part of a recipient's education program, they must, in accordance with the provisions of §104.34, be provided in the most integrated setting appropriate.

Revised paragraph (c)(2) does permit separation or differentiation with respect to the provision of physical education and athletics activities, but only if qualified handicapped students are also allowed the opportunity to compete for regular teams or participate in regular activities. Most handicapped students are able to participate in one or more regular physical education and athletics activities. For example, a student in a wheelchair can participate in regular archery course, as can a deaf student in a wrestling course.

Finally, the one-year transition period provided in a proposed section was deleted in response to the almost unanimous objection of commenters to that provision.

27. *Preschool and adult education.* Section 104.38 prohibits discrimination on the basis of handicap in preschool and adult education programs. Former paragraph (b), which emphasized that compensatory programs for disadvantaged children are subject to section 504, has been deleted as unnecessary, since it is comprehended by paragraph (a).

28. *Private education.* Section 104.39 sets forth the requirements applicable to recipients that operate private education programs and activities. The obligations of these recipients have been changed in two significant respects: first, private schools are subject to the evaluation and due process provisions of the subpart only if they operate special education programs; second, under §104.39(b), they may charge more for providing services to handicapped students than to nonhandicapped students to the extent that additional charges can be justified by increased costs.

Paragraph (a) of §104.39 is intended to make clear that recipients that operate private education programs and activities are not required to provide an appropriate education to handicapped students with special

educational needs if the recipient does not offer programs designed to meet those needs. Thus, a private school that has no program for mentally retarded persons is neither required to admit such a person into its program nor to arrange or pay for the provision of the person's education in another program. A private recipient without a special program for blind students, however, would not be permitted to exclude, on the basis of blindness, a blind applicant who is able to participate in the regular program with minor adjustments in the manner in which the program is normally offered.

SUBPART E—POSTSECONDARY EDUCATION

Subpart E prescribes requirements for non-discrimination in recruitment, admission, and treatment of students in postsecondary education programs and activities, including vocational education.

29. *Admission and recruitment.* In addition to a general prohibition of discrimination on the basis of handicap in §104.42(a), the regulation delineates, in §104.42(b), specific prohibitions concerning the establishment of limitations on admission of handicapped students, the use of tests or selection criteria, and preadmission inquiry. Several changes have been made in this provision.

Section 104.42(b) provides that postsecondary educational institutions may not use any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons unless it has been validated as a predictor of academic success and alternate tests or criteria with a less disproportionate, adverse effect are shown by the Department to be available. There are two significant changes in this approach from the July 16 proposed regulation.

First, many commenters expressed concern that §104.42(b)(2)(ii) could be interpreted to require a "global search" for alternate tests that do not have a disproportionate, adverse impact on handicapped persons. This was not the intent of the provision and, therefore, it has been amended to place the burden on the Assistant Secretary for Civil Rights, rather than on the recipient, to identify alternate tests.

Second, a new paragraph (d), concerning validity studies, has been added. Under the proposed regulation, overall success in an education program, not just first-year grades, was the criterion against which admissions tests were to be validated. This approach has been changed to reflect the comment of professional testing services that use of first year grades would be less disruptive of present practice and that periodic validity studies against overall success in the education program would be sufficient check on the reliability of first-year grades.

Section 104.42(b)(3) also requires a recipient to assure itself that admissions tests are selected and administered to applicants with

impaired sensory, manual, or speaking skills in such manner as is necessary to avoid unfair distortion of test results. Methods have been developed for testing the aptitude and achievement of persons who are not able to take written tests or even to make the marks required for mechanically scored objective tests; in addition, methods for testing persons with visual or hearing impairments are available. A recipient, under this paragraph, must assure itself that such methods are used with respect to the selection and administration of any admissions tests that it uses.

Section 104.42(b)(3)(iii) has been amended to require that admissions tests be administered in facilities that, on the whole, are accessible. In this context, "on the whole" means that not all of the facilities need be accessible so long as a sufficient number of facilities are available to handicapped persons.

Revised §104.42(b)(4) generally prohibits preadmission inquiries as to whether an applicant has a handicap. The considerations that led to this revision are similar to those underlying the comparable revision of §104.14 on preemployment inquiries. The regulation does, however, allow inquiries to be made, after admission but before enrollment, as to handicaps that may require accommodation.

New paragraph (c) parallels the section on preemployment inquiries and allows postsecondary institutions to inquire about applicants' handicaps before admission, subject to certain safeguards, if the purpose of the inquiry is to take remedial action to correct past discrimination or to take voluntary action to overcome the limited participation of handicapped persons in postsecondary educational institutions.

Proposed §104.42(c), which would have allowed different admissions criteria in certain cases for handicapped persons, was widely misinterpreted in comments from both handicapped persons and recipients. We have concluded that the section is unnecessary, and it has been deleted.

30. *Treatment of students.* Section 104.43 contains general provisions prohibiting the discriminatory treatment of qualified handicapped applicants. Paragraph (b) requires recipients to ensure that equal opportunities are provided to its handicapped students in education programs and activities that are not operated by the recipient. The recipient must be satisfied that the outside education program or activity as a whole is non-discriminatory. For example, a college must ensure that discrimination on the basis of handicap does not occur in connection with teaching assignments of student teachers in elementary or secondary schools not operated by the college. Under the "as a whole" wording, the college could continue to use elementary or secondary school systems that discriminate if, and only if, the college's stu-

dent teaching program, when viewed in its entirety, offered handicapped student teachers the same range and quality of choice in student teaching assignments afforded non-handicapped students.

Paragraph (c) of this section prohibits a recipient from excluding qualified handicapped students from any course, course of study, or other part of its education program or activity. This paragraph is designed to eliminate the practice of excluding handicapped persons from specific courses and from areas of concentration because of factors such as ambulatory difficulties of the student or assumptions by the recipient that no job would be available in the area in question for a person with that handicap.

New paragraph (d) requires postsecondary institutions to operate their programs and activities so that handicapped students are provided services in the most integrated setting appropriate. Thus, if a college had several elementary physics classes and had moved one such class to the first floor of the science building to accommodate students in wheelchairs, it would be a violation of this paragraph for the college to concentrate handicapped students with no mobility impairments in the same class.

31. *Academic adjustments.* Paragraph (a) of §104.44 requires that a recipient make certain adjustments to academic requirements and practices that discriminate or have the effect of discriminating on the basis of handicap. This requirement, like its predecessor in the proposed regulation, does not obligate an institution to waive course or other academic requirements. But such institutions must accommodate those requirements to the needs of individual handicapped students. For example, an institution might permit an otherwise qualified handicapped student who is deaf to substitute an art appreciation or music history course for a required course in music appreciation or could modify the manner in which the music appreciation course is conducted for the deaf student. It should be stressed that academic requirements that can be demonstrated by the recipient to be essential to its program of instruction or to particular degrees need not be changed.

Paragraph (b) provides that postsecondary institutions may not impose rules that have the effect of limiting the participation of handicapped students in the education program. Such rules include prohibition of tape recorders or brailers in classrooms and dog guides in campus buildings. Several recipients expressed concern about allowing students to tape record lectures because the professor may later want to copyright the lectures. This problem may be solved by requiring students to sign agreements that they will not release the tape recording or transcription or otherwise hinder the professor's ability to obtain a copyright.

Paragraph (c) of this section, concerning the administration of course examinations to students with impaired sensory, manual, or speaking skills, parallels the regulation's provisions on admissions testing (§104.42(b)) and will be similarly interpreted.

Under §104.44(d), a recipient must ensure that no handicapped student is subject to discrimination in the recipient's program because of the absence of necessary auxiliary educational aids. Colleges and universities expressed concern about the costs of compliance with this provision.

The Department emphasizes that recipients can usually meet this obligation by assisting students in using existing resources for auxiliary aids such as state vocational rehabilitation agencies and private charitable organizations. Indeed, the Department anticipates that the bulk of auxiliary aids will be paid for by state and private agencies, not by colleges or universities. In those circumstances where the recipient institution must provide the educational auxiliary aid, the institution has flexibility in choosing the methods by which the aids will be supplied. For example, some universities have used students to work with the institution's handicapped students. Other institutions have used existing private agencies that tape texts for handicapped students free of charge in order to reduce the number of readers needed for visually impaired students.

As long as no handicapped person is excluded from a program because of the lack of an appropriate aid, the recipient need not have all such aids on hand at all times. Thus, readers need not be available in the recipient's library at all times so long as the schedule of times when a reader is available is established, is adhered to, and is sufficient. Of course, recipients are not required to maintain a complete braille library.

32. *Housing.* Section 104.45(a) requires postsecondary institutions to provide housing to handicapped students at the same cost as they provide it to other students and in a convenient, accessible, and comparable manner. Commenters, particularly blind persons pointed out that some handicapped persons can live in any college housing and need not wait to the end of the transition period in subpart C to be offered the same variety and scope of housing accommodations given to nonhandicapped persons. The Department concurs with this position and will interpret this section accordingly.

A number of colleges and universities reacted negatively to paragraph (b) of this section. It provides that, if a recipient assists in making off-campus housing available to its students, it should develop and implement procedures to assure itself that off-campus housing, as a whole, is available to handicapped students. Since postsecondary institutions are presently required to assure

themselves that off-campus housing is provided in a manner that does not discriminate on the basis of sex (§106.32 of the title IX regulation), they may use the procedures developed under title IX in order to comply with §104.45(b). It should be emphasized that not every off-campus living accommodation need be made accessible to handicapped persons.

33. *Health and insurance.* A proposed section, providing that recipients may not discriminate on the basis of handicap in the provision of health related services, has been deleted as duplicative of the general provisions of §104.43. This deletion represents no change in the obligation of recipients to provide nondiscriminatory health and insurance plans. The Department will continue to require that nondiscriminatory health services be provided to handicapped students. Recipients are not required, however, to provide specialized services and aids to handicapped persons in health programs. If, for example, a college infirmary treats only simple disorders such as cuts, bruises, and colds, its obligation to handicapped persons is to treat such disorders for them.

34. *Financial assistance.* Section 104.46(a), prohibiting discrimination in providing financial assistance, remains substantively the same. It provides that recipients may not provide less assistance to or limit the eligibility of qualified handicapped persons for such assistance, whether the assistance is provided directly by the recipient or by another entity through the recipient's sponsorship. Awards that are made under wills, trusts, or similar legal instruments in a discriminatory manner are permissible, but only if the overall effect of the recipient's provision of financial assistance is not discriminatory on the basis of handicap.

It will not be considered discriminatory to deny, on the basis of handicap, an athletic scholarship to a handicapped person if the handicap renders the person unable to qualify for the award. For example, a student who has a neurological disorder might be denied a varsity football scholarship on the basis of his inability to play football, but a deaf person could not, on the basis of handicap, be denied a scholarship for the school's diving team. The deaf person could, however, be denied a scholarship on the basis of comparative diving ability.

Commenters on §104.46(b), which applies to assistance in obtaining outside employment for students, expressed similar concerns to those raised under §104.43(b), concerning cooperative programs. This paragraph has been changed in the same manner as §104.43(b) to include the "as a whole" concept and will be interpreted in the same manner as §104.43(b).

35. *Nonacademic services.* Section 104.47 establishes nondiscrimination standards for physical education and athletics counseling and placement services, and social organizations. This section sets the same standards

as does § 104.38 of subpart D, discussed above, and will be interpreted in a similar fashion.

SUBPART F—HEALTH, WELFARE, AND SOCIAL SERVICES

Subpart F applies to recipients that operate health, welfare, and social service programs. The Department received fewer comments on this subpart than on others.

Although many commented that subpart F lacked specificity, these commenters provided neither concrete suggestions nor additions. Nevertheless, some changes have been made, pursuant to comment, to clarify the obligations of recipients in specific areas. In addition, in an effort to reduce duplication in the regulation, the section governing recipients providing health services has been consolidated with the section regulating providers of welfare and social services. Since the separate provisions that appeared in the proposed regulation were almost identical, no substantive change should be inferred from their consolidation.

Several commenters asked whether subpart F applies to vocational rehabilitation agencies whose purpose is to assist in the rehabilitation of handicapped persons. To the extent that such agencies receive financial assistance from the Department, they are covered by subpart F and all other relevant subparts of the regulation. Nothing in this regulation, however, precludes such agencies from servicing only handicapped persons. Indeed, § 104.4(c) permits recipients to offer services or benefits that are limited by federal law to handicapped persons or classes of handicapped persons.

Many comments suggested requiring state social service agencies to take an active role in the enforcement of section 504 with regard to local social service providers. The Department believes that the possibility for federal-state cooperation in the administration and enforcement of section 504 warrants further consideration.

A number of comments also discussed whether section 504 should be read to require payment of compensation to institutionalized handicapped patients who perform services for the institution in which they reside. The Department of Labor has recently issued a proposed regulation under the Fair Labor Standards Act (FLSA) that covers the question of compensation for institutionalized persons. 42 FR 15224 (March 18, 1977). This Department will seek information and comment from the Department of Labor concerning that agency's experience administering the FLSA regulation.

36. *Health, welfare, and other social service providers.* Section 104.52(a) has been expanded in several respects. The addition of new paragraph (a)(2) is intended to make clear the basic requirement of equal opportunity to receive benefits or services in the health, welfare, and social service areas. The paragraph

parallels §§ 104.4(b)(ii) and 104.43(b). New paragraph (a)(3) requires the provision of effective benefits or services, as defined in § 104.4(b)(2) (i.e., benefits or services which "afford handicapped persons equal opportunity to obtain the same result (or) to gain the same benefit * * *").

Section 104.52(a) also includes provisions concerning the limitation of benefits or services to handicapped persons and the subjection of handicapped persons to different eligibility standards. One common misconception about the regulation is that it would require specialized hospitals and other health care providers to treat all handicapped persons. The regulation makes no such requirement. Thus, a burn treatment center need not provide other types of medical treatment to handicapped persons unless it provides such medical services to nonhandicapped persons. It could not, however, refuse to treat the burns of a deaf person because of his or her deafness.

Commenters had raised the question of whether the prohibition against different standards of eligibility might preclude recipients from providing special services to handicapped persons or classes of handicapped persons. The regulation will not be so interpreted, and the specific section in question has been eliminated. Section 104.4(c) makes clear that special programs for handicapped persons are permitted.

A new paragraph (a)(5) concerning the provision of different or separate services or benefits has been added. This provision prohibits such treatment unless necessary to provide qualified handicapped persons with benefits and services that are as effective as those provided to others.

Section 104.52(b) has been amended to cover written material concerning waivers of rights or consent to treatment as well as general notices concerning health benefits or services. The section requires the recipient to ensure that qualified handicapped persons are not denied effective notice because of their handicap. For example, recipients could use several different types of notice in order to reach persons with impaired vision or hearing, such as brailled messages, radio spots, and tactile devices on cards or envelopes to inform blind persons of the need to call the recipient for further information.

Section 104.52(c) is a new section requiring recipient hospitals to establish a procedure for effective communication with persons with impaired hearing for the purpose of providing emergency health care. Although it would be appropriate for a hospital to fulfill its responsibilities under this section by having a full-time interpreter for the deaf on staff, there may be other means of accomplishing the desired result of assuring that some means of communication is immediately available for deaf persons needing emergency treatment.

Section 104.52(c), also a new provision, requires recipients with fifteen or more employees to provide appropriate auxiliary aids for persons with impaired sensory, manual, or speaking skills. Further, the Assistant Secretary may require a small provider to furnish auxiliary aids where the provision of aids would not adversely affect the ability of the recipient to provide its health benefits or service.

37. *Treatment of Drug Addicts and Alcoholics.* Section 104.53 is a new section that prohibits discrimination in the treatment and admission of drug and alcohol addicts to hospitals and outpatient facilities. Section 104.53 prohibits discrimination against drug abusers by operators of outpatient facilities, despite the fact that section 407 pertains only to hospitals, because of the broader application of section 504. This provision does not mean that all hospitals and outpatient facilities must treat drug addiction and alcoholism. It simply means, for example, that a cancer clinic may not refuse to treat cancer patients simply because they are also alcoholics.

38. *Education of institutionalized persons.* The regulation retains §104.54 of the proposed regulation that requires that an appropriate education be provided to qualified handicapped persons who are confined to residential institutions or day care centers.

SUBPART G—PROCEDURES

In §104.61, the Secretary has adopted the title VI complaint and enforcement procedures for use in implementing section 504 until such time as they are superseded by the issuance of a consolidated procedural regulation applicable to all of the civil rights statutes and executive orders administered by the Department.

§105.1 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§105.2 Application.

This part applies to all programs or activities conducted by the Department, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

§105.3 Definitions.

For purposes of this part, the following definitions apply:

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking

skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the Department. For example, auxiliary aids useful for persons with impaired vision include readers, materials in braille, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TDDs), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the Department's alleged discriminatory action in sufficient detail to inform the Department of the nature and date of the alleged violation of section 504. It must be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties must describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Historic preservation programs means programs conducted by the Department that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase—

(1) *Physical or mental impairment* includes—

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech

organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(b)(1) The Department, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The Department may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The Department may not, directly or through contractual or other arrangements, use criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The Department may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under, any program or activity conducted by the Department; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The Department, in the selection of procurement contractors, may not use criteria that subject qualified indi-

viduals with handicaps to discrimination on the basis of handicap.

(6) The Department may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the Department establish requirements for the program or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the Department are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive Order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive Order to a different class of individuals with handicaps is not prohibited by this part.

(d) The Department shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 105.21–105.29 [Reserved]

§ 105.30 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Department. As provided in § 105.41(b), the definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§ 105.31 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 105.32, no qualified individual with handicaps shall, because the Department's facilities are inaccessible to or

unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the Department.

§ 105.32 Program accessibility: Existing facilities.

(a) *General.* The Department shall operate each program or activity so that the program or activity, viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the Department to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the Department to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3)(i) Require the Department to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

(ii) The Department has the burden of proving that compliance with § 105.32(a) would result in that alteration or those burdens.

(iii) The decision that compliance would result in that alteration or those burdens must be made by the Secretary after considering all of the Department's resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion.

(iv) If an action would result in that alteration or those burdens, the Department shall take any other action that would not result in the alteration or burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods—(1) General.* (i) The Department may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignments of aides to bene-

ficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps.

(ii) The Department is not required to make structural changes in existing facilities if other methods are effective in achieving compliance with this section.

(iii) The Department, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing that Act.

(iv) In choosing among available methods for meeting the requirements of this section, the Department shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of § 105.32(a) in historic preservation programs, the Department shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 105.32 (a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audiovisual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The Department shall comply with the obligations established under this section within 60 days of the effective date of this part except that if structural changes in facilities are undertaken, the changes shall be made within 3 years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* (1) In the event that structural changes to facilities will be undertaken to achieve program accessibility, the Department shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete those changes.

(2) The Department shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan must be made available for public inspection.

(3) The plan must, at a minimum—

(i) Identify physical obstacles in the Department's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(ii) Describe in detail the methods that will be used to make the facilities accessible;

(iii) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(iv) Indicate the official responsible for implementation of the plan.

§ 105.33 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of, the Department must be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 105.34-105.39 [Reserved]

§ 105.40 Communications.

(a) The Department shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public, as follows:

(1)(i) The Department shall furnish appropriate auxiliary aids if necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the Department.

(ii) In determining what type of auxiliary aid is necessary, the Department shall give primary consideration to the request of the individual with handicaps.

(iii) The Department need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) If the Department communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDDs) or equally effective telecommunication systems must be used.

(b) The Department shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The Department shall provide signs at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility must be used at each primary entrance of an accessible facility.

(d)(1) This section does not require the Department to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens.

(2) The Department has the burden of proving that compliance with § 105.40 would result in that alteration or those burdens.

(3) The decision that compliance would result in that alteration or those burdens must be made by the Secretary after considering all Department resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion.

(4) If an action required to comply with this section would result in that alteration or those burdens, the Department shall take any other action that would not result in the alteration

or burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§ 105.41 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the Department.

(b) As provided in § 105.30, the Department shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Deputy Under Secretary for Management is responsible for coordinating implementation of this section. Complaints may be sent to the U.S. Department of Education, Office of Management, Federal Building No. 6, 400 Maryland Avenue SW., Washington, DC 20202.

(d) The Department shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The Department may extend this time period for good cause.

(e) If the Department receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The Department shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157) is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the Department shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the Department of the letter required by § 105.41(g). The Department may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the Secretary.

(j) If the Secretary determines that additional information is needed for the complainant, he or she shall notify the complainant of the additional information needed to make his or her determination on the appeal.

(k) The Secretary shall notify the complainant of the results of the appeal.

(l) The time limit in paragraph (g) of this section may be extended by the Secretary.

(m) The Secretary may delegate the authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated.

An assurance of compliance with this part shall not be satisfactory to the Assistant Secretary if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with § 106.3(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior or subsequent to the submission to the Assistant Secretary of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(b) *Effect of State or local law or other requirements.* The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement which would render any applicant or student ineligible, or limit

the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with this part is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association which would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and which receives Federal financial assistance.

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission which has a disproportio-

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which this subpart applies:

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient which uses testing or other materials for appraising or counseling students shall not use dif-

ferent materials for students on the basis of their sex or use materials which permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government which requires that awards be made to members of a particular sex specified therein; *Provided*, That the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in interscholastic or intercollegiate athletics.

(2) Separate athletic scholarships or grants-in-aid for members of each sex may be provided as part of separate athletic teams for members of each sex to the extent consistent with this paragraph and §106.41.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682; and Sec. 844, Education Amendments of 1974, Pub. L. 93-380, 88 Stat. 484)

§ 106.38 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient which assists any agency, organization or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person which discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient which employs any of its students shall not do so in a manner which violates subpart E of this part.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

§ 106.39 Health and insurance benefits and services.

In providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner which would violate Subpart E of this part if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service which may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient which provides full coverage health service shall provide gynecological care.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

§ 106.40 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status which treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.* (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extracurricular activity, on the basis of such student's pregnancy, childbirth, false

pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation so long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient which operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) A recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan or policy which such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient which does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence for so long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status which she held when the leave began.

§ 106.41 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person

or otherwise be discriminated against in any interscholastic, intercollegiate, club or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try-out for the team offered unless the sport involved is a contact sport. For the purposes of this part, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball and other sports the purpose or major activity of which involves bodily contact.

(c) *Equal opportunity.* A recipient which operates or sponsors interscholastic, intercollegiate, club or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available the Director will consider, among other factors:

(1) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(2) The provision of equipment and supplies;

(3) Scheduling of games and practice time;

(4) Travel and per diem allowance;

(5) Opportunity to receive coaching and academic tutoring;

(6) Assignment and compensation of coaches and tutors;

(7) Provision of locker rooms, practice and competitive facilities;

(8) Provision of medical and training facilities and services;

(9) Provision of housing and dining facilities and services;

(10) Publicity.

Unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute non-compliance with this section, but the Assistant Secretary may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient which operates or sponsors interscholastic, intercollegiate, club or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from the effective date of this regulation. A recipient which operates or sponsors interscholastic, intercollegiate, club or intramural athletics at the secondary or post-secondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from the effective date of this regulation.

§ 106.42 Textbooks and curricular material.

Nothing in this regulation shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

§ 106.51 Employment.

(a) *General.* (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by

a recipient which receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way which could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by this subpart, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity which admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of this part.

(b) *Application.* The provisions of this subpart apply to:

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

(7) Fringe benefits available by virtue of employment, whether or not administered by the recipient;

(8) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, selection for tuition assistance, selection for sabbaticals and leaves of absence to pursue training;

§ 106.52 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity which has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

§ 106.53 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have in the past so discriminated, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities which furnish as applicants only or predominantly members of one sex if such actions have the

effect of discriminating on the basis of sex in violation of this subpart.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

§ 106.54 Compensation.

A recipient shall not make or enforce any policy or practice which, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

§ 106.55 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements which classify persons on the basis of sex, unless sex is a bona-fide occupational qualification for the positions in question as set forth in § 106.61.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

§ 106.56 Fringe benefits.

(a) *Fringe benefits defined.* For purposes of this part, *fringe benefits* means: Any medical, hospital, accident, life insurance or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of § 106.54.

(b) *Prohibitions.* A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits

§ 106.57

34 CFR Ch. I (7–1–04 Edition)

available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee's sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan which does not provide either for equal periodic benefits for members of each sex, or for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan which establishes different optional or compulsory retirement ages based on sex or which otherwise discriminates in benefits on the basis of sex.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

§ 106.57 Marital or parental status.

(a) *General.* A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment which treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee's or applicant's family unit.

(b) *Pregnancy.* A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) *Pregnancy as a temporary disability.* A recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom and any temporary disability resulting therefrom as any other temporary disability for all job related purposes, including commencement, duration and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave.* In the case of a recipient which does not maintain a leave policy for its employees, or in the

case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status which she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

§ 106.58 Effect of State or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with this subpart is not obviated or alleviated by the existence of any State or local law or other requirement which imposes prohibitions or limits upon employment of members of one sex which are not imposed upon members of the other sex.

(b) *Benefits.* A recipient which provides any compensation, service, or benefit to members of one sex pursuant to a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

Office for Civil Rights, Education

(b) *Sex*. A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by this part.

(Authority: Secs. 901, 902, Education Amendments of 1972, 86 Stat. 373, 374; 20 U.S.C. 1681, 1682)

A recipient may take action otherwise prohibited by this subpart provided it is shown that sex is a bona-fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section which is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee's sex in relation to employment in a locker room or toilet facility used only by members of one sex.

Subpart A—General

§ 110.1 What is the purpose of ED's age discrimination regulations?

The purpose of these regulations is to set out ED's rules for implementing the Age Discrimination Act of 1975. The Act prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. The Act permits federally assisted programs or activities, and recipients of Federal funds, to continue to use age distinctions and factors other than age that meet the requirements of the Act.

(Authority: 42 U.S.C. 6101-6103)

[58 FR 40197, July 27, 1993, as amended at 65 FR 68056, Nov. 13, 2000]

§ 110.2 To what programs or activities do these regulations apply?

(a) These regulations apply to any program or activity receiving Federal financial assistance from ED.

(b) These regulations do not apply to—

(1) An age distinction contained in that part of a Federal, State, or local statute or ordinance adopted by an elected, general purpose legislative body that—

(i) Provides any benefits or assistance to persons based on age;

(ii) Establishes criteria for participation in age-related terms; or

(iii) Describes intended beneficiaries or target groups in age-related terms; or

(2) Any employment practice of any employer, employment agency, labor organization, or any labor-management joint apprenticeship training program, except any program or activity receiving Federal financial assistance for employment under the Job Training Partnership Act (29 U.S.C. 1501 *et seq.*).

(Authority: 42 U.S.C. 6103)

§ 110.3 What definitions apply?

The following definitions apply to these regulations: *Act* means the Age Discrimination Act of 1975, as amended (Title III of Pub. L. 94-135).

Action means any act, activity, policy, rule, standard, or method of administration, or the use of any policy, rule, standard, or method of administration.

Age means how old a person is, or the number of years from the date of a person's birth.

Age distinction means any action using age or an age-related term.

Age-related term means a word or words that necessarily imply a particular age or range of ages (e.g., "children," "adult," "older persons," but not "student" or "grade").

Agency means a Federal department or agency that is empowered to extend financial assistance.

Applicant for Federal financial assistance means one who submits an application, request, or plan required to be approved by a Department official or by a recipient as a condition to becoming a recipient or subrecipient.

Department means the United States Department of Education.

ED means the United States Department of Education.

Federal financial assistance means any grant, entitlement, loan, cooperative agreement, contract (other than a procurement contract or a contract of insurance or guaranty), or any other arrangement by which ED provides or otherwise makes available assistance in the form of—

(a) Funds;

(b) Services of Federal personnel; or

(c) Real and personal property or any interest in or use of property, including—

(1) Transfers or leases of property for less than fair market value or for reduced consideration; and

(2) Proceeds from a subsequent transfer or lease of property if the Federal share of its fair market value is not returned to the Federal Government.

Program or activity means all of the operations of—

(a)(1) A department, agency, special purpose district, or other instrumentality of a State or local government; or

(2) The entity of a State or local government that distributes such assistance and each such department or agency (and each other State or local

government entity) to which the assistance is extended, in the case of assistance to a State or local government;

(b)(1) A college, university, or other postsecondary institution, or a public system of higher education; or

(2) A local educational agency (as defined in 20 U.S.C. 8801), system of vocational education, or other school system;

(c)(1) An entire corporation, partnership, other private organization, or an entire sole proprietorship—

(i) If assistance is extended to such corporation, partnership, private organization, or sole proprietorship as a whole; or

(ii) Which is principally engaged in the business of providing education, health care, housing, social services, or parks and recreation; or

(2) The entire plant or other comparable, geographically separate facility to which Federal financial assistance is extended, in the case of any other corporation, partnership, private organization, or sole proprietorship; or

(d) Any other entity that is established by two or more of the entities described in paragraph (a), (b), or (c) of this section; any part of which is extended Federal financial assistance.

(Authority: 42 U.S.C. 6107)

Recipient means any State or its political subdivision, any instrumentality of a State or its political subdivision, any public or private agency, institution, organization, or other entity, or any person to which Federal financial assistance from ED is extended, directly or through another recipient. "Recipient" includes any successor, assignee, or transferee of a recipient, but excludes the ultimate beneficiary of the assistance.

Secretary means the Secretary of Education, or his or her designee.

Subrecipient means any of the entities in the definition of "recipient" to which a recipient extends or passes on Federal financial assistance. A subrecipient is generally regarded as a recipient of Federal financial assistance and has all the duties of a recipient in these regulations.

United States means the fifty States, the Commonwealth of Puerto Rico, the District of Columbia, Guam, the Virgin

Islands, American Samoa, Wake Island, the Trust Territory of the Pacific Islands, the Commonwealth of the Northern Mariana Islands, and the territories and possessions of the United States.

(Authority: 42 U.S.C. 6103)

Subpart B—Standards for Determining Age Discrimination

§ 110.10 Rules against age discrimination.

The rules stated in this section are subject to the exceptions contained in §§ 110.12 and 110.13 of these regulations.

(a) *General rule.* No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

(b) *Specific rules.* A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual, licensing, or other arrangements, use age distinctions or take any other actions that have the effect, on the basis of age, of—

(1) Excluding individuals from, denying them the benefits of, or subjecting them to discrimination under a program or activity receiving Federal financial assistance; or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance.

(c) *Other forms of discrimination.* The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

(Authority: 42 U.S.C. 6101-6103)

§ 110.11 Definitions of "normal operation" and "statutory objective."

For purposes of these regulations, the terms *normal operation* and *statutory objective* have the following meanings:

(a) *Normal operation* means the operation of a program or activity without significant changes that would impair its ability to meet its objectives.

(b) *Statutory objective* means any purpose of a program or activity expressly stated in any Federal statute, State statute, or local statute or ordinance adopted by an elected, general purpose legislative body.

(Authority: 42 U.S.C. 6103)

§ 110.12 Exceptions to the rules against age discrimination: Normal operation or statutory objective of any program or activity.

A recipient is permitted to take an action otherwise prohibited by § 110.10 if the action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if—

(a) Age is used as a measure or approximation of one or more other characteristics;

(b) The other characteristic or characteristics must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity;

(c) The other characteristic or characteristics can be reasonably measured or approximated by the use of age; and

(d) The other characteristic or characteristics are impractical to measure directly on an individual basis.

(Authority: 42 U.S.C. 6103)

§ 110.13 Exceptions to the rules against age discrimination: Reasonable factors other than age.

A recipient is permitted to take an action otherwise prohibited by § 110.10 that is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages. An action may be based on a factor other than age only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

(Authority: 42 U.S.C. 6103)

§ 110.14 Burden of proof.

The burden of proving that an age distinction or other action falls within the exceptions outlined in §§ 110.12 and 110.13 is on the recipient of Federal financial assistance.

(Authority: 42 U.S.C. 6104)

§ 110.15 Affirmative action by recipients.

Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity on the basis of age.

(Authority: 42 U.S.C. 6103)

§ 110.16 Special benefits for children and the elderly.

If a recipient operating a program or activity provides special benefits to the elderly or to children, the use of age distinctions is presumed to be necessary to the normal operation of the program or activity, notwithstanding the provisions of § 110.12.

(Authority: 42 U.S.C. 6103)

[58 FR 40197, July 27, 1993, as amended at 65 FR 68057, Nov. 13, 2000]

§ 110.17 Age distinctions contained in ED's regulations.

Any age distinction contained in regulations issued by ED is presumed to be necessary to the achievement of a statutory objective of the program or activity to which the regulations apply, notwithstanding the provisions of § 110.12.

(Authority: 42 U.S.C. 6103)

[58 FR 40197, July 27, 1993, as amended at 65 FR 68057, Nov. 13, 2000]

Subpart C—Duties of ED Recipients

§ 110.20 General responsibilities.

Each ED recipient has primary responsibility for ensuring that its program or activity is in compliance with the Act and these regulations and shall take steps to eliminate violations of the Act. A recipient also has responsibility to maintain records, provide information, and to afford ED access to

its records to the extent required for ED to determine whether the recipient is in compliance with the Act and these regulations.

(Authority: 42 U.S.C. 6103)

[58 FR 40197, July 27, 1993, as amended at 65 FR 68057, Nov. 13, 2000]

§ 110.21 Notice to subrecipients.

If the recipient initially receiving funds makes the funds available to a subrecipient, the recipient shall notify the subrecipient of its obligations under the Act and these regulations.

(Authority: 42 U.S.C. 6103)

§ 110.22 Information requirements.

Each recipient shall—

(a) Provide ED with information that ED determines is necessary to ascertain whether the recipient is in compliance with the Act and these regulations; and

(b) Permit reasonable access by ED to the books, records, accounts, reports, and other recipient facilities and sources of information to the extent ED determines is necessary to ascertain whether a recipient is in compliance with the Act and these regulations.

(Authority: 42 U.S.C. 6103)

§ 110.23 Assurances required.

(a) *Assurances.* An applicant for Federal financial assistance to which these regulations apply shall sign a written assurance, on a form specified by ED, that the program or activity will be operated in compliance with these regulations. An applicant may incorporate this assurance by reference in subsequent applications to ED.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Covenants.* (1) If Federal financial assistance is provided in the form of real property or interest in the property from ED, the instrument effecting or recording this transfer must contain a covenant running with the land to assure nondiscrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) If no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) If Federal financial assistance is provided in the form of real property or interest in the property from ED, the covenant must also include a condition coupled with a right to be reserved by ED to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, ED may, upon request of the transferee and if necessary to accomplish that financing and upon conditions that ED deems appropriate, agree to forbear the exercise of the right to revert title for as long as the lien of the mortgage or other encumbrance remains effective.

(Authority: 42 U.S.C. 6103)

[58 FR 40197, July 27, 1993, as amended at 65 FR 68057, Nov. 13, 2000]

§ 110.24 Recipient assessment of age distinctions.

(a) As part of a compliance review under § 110.30 or a complaint investigation under § 110.31, ED may require a recipient employing the equivalent of 15 or more full-time employees to complete a written self-evaluation, in a manner specified by ED, of any age distinction imposed in its program or activity receiving Federal financial assistance from ED to assess the recipient's compliance with the Act.

(b) Whenever an assessment indicates a violation of the Act or these regulations, the recipient shall take corrective action.

(Authority: 42 U.S.C. 6103)

§ 110.25 Designation of responsible employee, notice, and grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under the Act and these regulations, including investigation of any complaints that the recipient receives alleging any actions that are prohibited by the Act and these regulations.

(b) *Notice.* A recipient shall notify its beneficiaries, in a continuing manner, of information regarding the provisions of the Act and these regulations. The notification must also identify the responsible employee by name or title, address, and telephone number.

(c) *Grievance procedures.* A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of complaints alleging any action that would be prohibited by the Act or these regulations.

(Authority: 42 U.S.C. 6103)

[58 FR 40197, July 27, 1993, as amended at 65 FR 68057, Nov. 13, 2000]

Subpart D—Investigation, Conciliation, and Enforcement Procedures**§ 110.30 Compliance reviews.**

(a) ED may conduct compliance reviews, pre-award reviews, and other similar procedures that permit ED to

investigate and correct violations of the Act and of these regulations. ED may conduct these reviews in the absence of a complaint against a recipient. The review may be as comprehensive as necessary to determine whether a violation of these regulations occurred.

(b) If a compliance review or pre-award review indicates a violation of the Act or these regulations, ED attempts to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, ED arranges for enforcement as described in § 110.35.

(Authority: 42 U.S.C. 6103)

§ 110.31 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with ED alleging discrimination prohibited by the Act or by these regulations based on an action occurring on or after July 1, 1979. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged discrimination. However, for good cause shown, ED may extend this time limit.

(b) ED attempts to facilitate the filing of complaints, if possible, by—

(1) Accepting as a complete complaint any written statement that identifies the parties involved and the date the complainant first had knowledge of the alleged violation, describes generally the action or practice complained of, and is signed by the complainant;

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a complete complaint;

(3) Widely disseminating information regarding the obligations of recipients under the Act and these regulations;

(4) Notifying the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a representative at all stages of the complaint procedure; and

(5) Notifying the complainant and the recipient (or their representatives) of their right to contact ED for information and assistance regarding the complaint resolution process.

(c) A complaint is considered to be complete on the date that ED receives all the information necessary to process it, as described in paragraph (b)(1) of this section.

(d) ED returns to the complainant any complaint outside the jurisdiction of these regulations and states the reason or reasons why it is outside the jurisdiction of the regulations.

(Authority: 42 U.S.C. 6103)

§ 110.32 Mediation.

(a) ED promptly refers to the Federal Mediation and Conciliation Service or to the mediation agency designated by the Secretary of Health and Human Services, all complaints that—

(1) Fall within the jurisdiction of the Act and these regulations, unless the age distinction complained of is clearly within an exemption under §110.2(b); and

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or to make an informed judgment that an agreement is not possible. The recipient and the complainant need not meet with the mediator at the same time, and the meeting may be conducted by telephone or other means of effective dialogue if a personal meeting between the party and the mediator is impractical.

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and recipient sign it. The mediator shall send a copy of the agreement to ED. ED takes no further action on the complaint unless informed that the complainant or the recipient fails to comply with the agreement, at which time ED reinstates the complaint.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without prior approval of the head of the mediation agency.

(e) The mediation will proceed for a maximum of 60 days after a complaint is filed with ED. Mediation ends if—

(1) 60 days elapse from the time the complaint is received;

(2) Prior to the end of the 60-day period, an agreement is reached; or

(3) Prior to the end of the 60-day period, the mediator determines that agreement cannot be reached.

(f) The mediator shall return unresolved complaints to ED.

(Authority: 42 U.S.C. 6103)

§ 110.33 Investigation.

(a) *Initial investigation.* ED investigates complaints that are unresolved after mediation or reopened because of a violation of the mediation agreement. ED uses methods during the investigation to encourage voluntary resolution of the complaint, including discussions with the complainant and recipient to establish the facts and, if possible, resolve the complaint to the mutual satisfaction of the parties. ED may seek the assistance of any involved State, local, or other Federal agency.

(b) *Formal investigation, conciliation, and hearing.* If ED cannot resolve the complaint during the early stages of the investigation, ED completes the investigation of the complaint and makes formal findings. If the investigation indicates a violation of the Act or these regulations, ED attempts to achieve voluntary compliance. If ED cannot obtain voluntary compliance, ED begins enforcement as described in §110.35.

(Authority: 42 U.S.C. 6103)

[58 FR 40197, July 27, 1993, as amended at 65 FR 68057, Nov. 13, 2000]

§ 110.34 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who—

(a) Attempts to assert a right protected by the Act or these regulations; or

(b) Cooperates in any mediation, investigation, hearing, or other part of ED's investigation, conciliation, and enforcement process.

(Authority: 42 U.S.C. 6103)

§ 110.35 Compliance procedure.

(a) ED may enforce the Act and these regulations under § 110.35(a) (1) or (2) through—

(1) Termination of, or refusal to grant or continue, a recipient's Federal financial assistance from ED for a program or activity in which the recipient has violated the Act or these regulations. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge.

(2) Any other means authorized by law, including, but not limited to—

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or these regulations; or

(ii) Use of any requirement of or referral to any Federal, State, or local government agency that will have the effect of correcting a violation of the Act or of these regulations.

(b) ED limits any termination or refusal under § 110.35(a)(1) to the particular recipient and to the particular program or activity ED finds in violation of the Act or these regulations. ED will not base any part of a termination on a finding with respect to any program or activity that does not receive Federal financial assistance from ED.

(c) ED takes no action under paragraph (a) of this section until—

(1) ED has advised the recipient of its failure to comply with the Act or with these regulations and has determined that voluntary compliance cannot be obtained; and

(2) Thirty days have elapsed after the Secretary has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the program or activity involved. The Secretary files a report if any action is taken under § 110.35(a)(1).

(d) The Secretary also may defer granting new Federal financial assistance from ED to a recipient if termination proceedings in § 110.35(a)(1) are initiated.

(1) New Federal financial assistance from ED includes all assistance for which ED requires an application or

approval, including renewal or continuation of existing activities, or authorization of new activities, during the deferral period. New Federal financial assistance from ED does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the initiation of termination proceedings.

(2) ED does not begin a deferral until the recipient has received a notice of an opportunity for a hearing under § 110.35(a)(1). A deferral may not continue for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient and ED. A deferral may not continue for more than 30 days after the close of the hearing, unless the hearing results in a finding against the recipient.

§ 110.36 Hearings, decisions, and post-termination proceedings.

(a) The following ED procedural provisions applicable to Title VI of the Civil Rights Act of 1964 also apply to ED's enforcement of these regulations: 34 CFR 100.9 and 100.10 and 34 CFR part 101.

(b) Action taken under section 305 of the Act is subject to judicial review as provided by section 306 of the Act.

(Authority: 42 U.S.C. 6104-6105)

§ 110.37 Procedure for disbursement of funds to an alternate recipient.

(a) If the Secretary withholds funds from a recipient under these regulations, the Secretary may disburse the funds withheld directly to an alternate recipient: any public or nonprofit private organization or agency, or State or political subdivision of the State.

(b) The Secretary requires any alternate recipient to demonstrate—

(1) The ability to comply with the Act and these regulations; and

Office for Civil Rights, Education

§ 110.39

(2) The ability to achieve the goals of the Federal statute authorizing the Federal financial assistance.

§ 110.38 Remedial action by recipients.

If ED finds that a recipient has discriminated on the basis of age, the recipient shall take any remedial action that ED may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that has discriminated or if the entity that has discriminated is a subrecipient, both recipients or recipient and subrecipient may be required to take remedial action.

(Authority: 42 U.S.C. 6103)

§ 110.39 Exhaustion of administrative remedies.

(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if—

(1) One hundred eighty days have elapsed since the complainant filed the complaint with ED, and ED has made no finding with regard to the complaint; or

(2) ED issues any finding in favor of the recipient.

(b) If ED fails to make a finding within 180 days or issues a finding in favor of the recipient, ED promptly—

(1) Advises the complainant of this fact;

(2) Advises the complainant of his or her right to bring a civil action for injunctive relief; and

(3) Informs the complainant—

(i) That a civil action can be brought only in a United States district court for the district in which the recipient is found or transacts business;

(ii) That a complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney's fees, but that these costs must be demanded in the complaint filed with the court;

(iii) That before commencing the action, the complainant shall give 30 days notice by registered mail to the Secretary, the Secretary of Health and Human Services, the Attorney General of the United States, and the recipient;

(iv) That the notice shall state the alleged violation of the Act, the relief requested, the court in which the action will be brought, and whether or not attorney's fees are demanded in the event the complainant prevails; and

(v) That the complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court of the United States.

Subpart A—Improving Basic Programs Operated by Local Educational Agencies

STANDARDS AND ASSESSMENTS

§ 200.1 State responsibilities for developing challenging academic standards.

(a) *Academic standards in general.* A State must develop challenging academic content and student academic achievement standards that will be used by the State, its local educational agencies (LEAs), and its schools to carry out subpart A of this part. These academic standards must—

(1) Be the same academic standards that the State applies to all public schools and public school students in the State, including the public schools and public school students served under subpart A of this part, except as provided in paragraph (d) of this section;

(2) Include the same knowledge, skills, and levels of achievement expected of all students; and

(3) Include at least mathematics, reading/language arts, and, beginning in the 2005–2006 school year, science, and may include other subjects determined by the State.

(b) *Academic content standards.* (1) The challenging academic content standards required under paragraph (a) of this section must—

(i) Specify what all students are expected to know and be able to do;

(ii) Contain coherent and rigorous content; and

(iii) Encourage the teaching of advanced skills.

(2) A State’s academic content standards may—

(i) Be grade specific; or,

(ii) Cover more than one grade if grade-level content expectations are provided for each of grades 3 through 8.

(3) At the high school level, the academic content standards must define the knowledge and skills that all high school students are expected to know and be able to do in at least reading/

language arts, mathematics, and, beginning in the 2005-06 school year, science, irrespective of course titles or years completed.

(c) *Academic achievement standards.* (1) The challenging student academic achievement standards required under paragraph (a) of this section must—

(i) Be aligned with the State's academic content standards; and

(ii) Include the following components for each content area:

(A) Achievement levels that describe at least—

(1) Two levels of high achievement—proficient and advanced—that determine how well students are mastering the material in the State's academic content standards; and

(2) A third level of achievement—basic—to provide complete information about the progress of lower-achieving students toward mastering the proficient and advanced levels of achievement.

(B) Descriptions of the competencies associated with each achievement level.

(C) Assessment scores ("cut scores") that differentiate among the achievement levels as specified in paragraph (c)(1)(ii)(A) of this section, and a description of the rationale and procedures used to determine each achievement level.

(2) A State must develop academic achievement standards for every grade and subject assessed, even if the State's academic content standards cover more than one grade.

(3) With respect to academic achievement standards in science, a State must develop—

(i) Achievement levels and descriptions no later than the 2005-06 school year; and

(ii) Assessment scores ("cut scores") after the State has developed its science assessments but no later than the 2007-08 school year.

(d) *Alternate academic achievement standards.* For students under section 602(3) of the Individuals with Disabilities Education Act with the most significant cognitive disabilities who take an alternate assessment, a State may, through a documented and validated standards-setting process, define alter-

nate academic achievement standards, provided those standards—

(1) Are aligned with the State's academic content standards;

(2) Promote access to the general curriculum; and

(3) Reflect professional judgment of the highest achievement standards possible.

(e) *Subjects without standards.* If an LEA serves students under subpart A of this part in subjects for which a State has not developed academic standards, the State must describe in its State plan a strategy for ensuring that those students are taught the same knowledge and skills and held to the same expectations in those subjects as are all other students.

(f) *Other subjects with standards.* If a State has developed standards in other subjects for all students, the State must apply those standards to students participating under subpart A of this part.

§200.2 State responsibilities for assessment.

(a)(1) Each State, in consultation with its LEAs, must implement a system of high-quality, yearly student academic assessments that includes, at a minimum, academic assessments in mathematics, reading/language arts and, beginning in the 2007-08 school year, science.

(2)(i) The State may also measure the achievement of students in other academic subjects in which the State has adopted challenging academic content and student academic achievement standards.

(ii) If a State has developed assessments in other subjects for all students, the State must include students participating under subpart A of this part in those assessments.

(b) The assessment system required under this section must meet the following requirements:

(1) Be the same assessment system used to measure the achievement of all

§ 200.3

34 CFR Ch. II (7–1–04 Edition)

students in accordance with §200.3 or §200.4.

(2) Be designed to be valid and accessible for use by the widest possible range of students, including students with disabilities and students with limited English proficiency.

(3)(i) Be aligned with the State’s challenging academic content and student academic achievement standards; and

(ii) Provide coherent information about student attainment of those standards.

(4)(i) Be valid and reliable for the purposes for which the assessment system is used; and

(ii) Be consistent with relevant, nationally recognized professional and technical standards.

(5) Be supported by evidence (which the Secretary will provide, upon request, consistent with applicable federal laws governing the disclosure of information) from test publishers or other relevant sources that the assessment system is—

(i) Of adequate technical quality for each purpose required under the Act; and

(ii) Consistent with the requirements of this section.

(6) Be administered in accordance with the timeline in §200.5.

(7) Involve multiple up-to-date measures of student academic achievement, including measures that assess higher-order thinking skills and understanding of challenging content.

(8) Objectively measure academic achievement, knowledge, and skills without evaluating or assessing personal or family beliefs and attitudes, except that this provision does not preclude the use of items—

(i) Such as constructed-response, short answer, or essay questions; or

(ii) That require a student to analyze a passage of text or to express opinions.

(9) Provide for participation in the assessment system of all students in the grades being assessed consistent with §200.6.

(10) Except as provided in §200.7, enable results to be disaggregated within each State, LEA, and school by—

(i) Gender;

(ii) Each major racial and ethnic group;

(iii) English proficiency status;

(iv) Migrant status as defined in Title I, part C of the Elementary and Secondary Education Act (hereinafter “the Act”);

(v) Students with disabilities as defined under section 602(3) of the Individuals with Disabilities Education Act (IDEA) as compared to all other students; and

(vi) Economically disadvantaged students as compared to students who are not economically disadvantaged.

(11) Produce individual student reports consistent with §200.8(a).

(12) Enable itemized score analyses to be produced and reported to LEAs and schools consistent with §200.8(b).

(c) The State assessment system may include academic assessments that do not meet the requirements in paragraph (b) of this section as additional measures. Those additional assessments—

(1) May not reduce the number, or change the identity, of schools that would otherwise be subject to school improvement, corrective action, or restructuring under section 1116 of Title I of the Act, if those assessments were not used; but

(2) May identify additional schools for school improvement, corrective action, or restructuring.

§200.3 Designing State Academic Assessment Systems.

(a)(1) For each grade and subject assessed, a State’s academic assessment system must—

(i) Address the depth and breadth of the State’s academic content standards under §200.1(b);

(ii) Be valid, reliable, and of high technical quality;

(iii) Express student results in terms of the State’s student academic achievement standards; and

(iv) Be designed to provide a coherent system across grades and subjects.

(2) A State may include in its academic assessment system under §200.2 either or both—

(i) Criterion-referenced assessments; and

(ii) Assessments that yield national norms, provided that, if the State uses only assessments referenced against national norms at a particular grade, those assessments—

(A) Are augmented with additional items as necessary to measure accurately the depth and breadth of the State's academic content standards; and

(B) Express student results in terms of the State's student academic achievement standards.

(b) A State that includes a combination of assessments as described in paragraph (a)(2) of this section, or a combination of State and local assessments, in its State assessment system must demonstrate in its State plan that the system has a rational and coherent design that—

(1) Identifies the assessments to be used;

(2) Indicates the relative contribution of each assessment towards—

(i) Ensuring alignment with the State's academic content standards; and

(ii) Determining the adequate yearly progress of each school and LEA; and

(3) Provides information regarding the progress of students relative to the State's academic standards in order to inform instruction.

(c) A State that includes local assessments in the system described in § 200.2(b) must—

(1) Establish technical criteria to ensure that each local assessment meets the requirements of paragraphs (a)(1) and (c)(2) of this section;

(2) Demonstrate in its State plan that all local assessments used for this purpose—

(i) Are equivalent to one another and to State assessments, where they exist, in their content coverage, difficulty, and quality;

(ii) Have comparable validity and reliability with respect to groups of students described in section 1111(b)(2)(C)(v) of the Act; and

(iii) Provide unbiased, rational, and consistent determinations of the annual progress of schools and LEAs within the State;

(3) Review and approve each local assessment to ensure that it meets or exceeds the State's technical criteria in

paragraph (c)(1) of this section and the requirements in paragraph (c)(2) of this section; and

(4) Be able to aggregate, with confidence, data from local assessments to determine whether the State has made adequate yearly progress.

(d) A State's academic assessment system may rely exclusively on local assessments only if it meets the requirements of § 200.4.

(Authority: 20 U.S.C. 6311(b)(3))

[67 FR 45040, July 5, 2002]

§ 200.4 State law exception.

(a) If a State provides satisfactory evidence to the Secretary that neither the State educational agency (SEA) nor any other State government official, agency, or entity has sufficient authority under State law to adopt academic content standards, student academic achievement standards, and academic assessments applicable to all students enrolled in the State's public schools, the State may meet the requirements under §§ 200.1 and 200.2 by—

(1) Adopting academic standards and academic assessments that meet the requirements of §§ 200.1 and 200.2 on a Statewide basis and limiting their applicability to students served under subpart A of this part; or

(2) Adopting and implementing policies that ensure that each LEA in the State that receives funds under subpart A of this part will adopt academic standards and academic assessments aligned with those standards that—

(i) Meet the requirements in §§ 200.1 and 200.2; and

(ii) Are applicable to all students served by the LEA.

(b) A State that qualifies under paragraph (a) of this section must—

(1) Establish technical criteria for evaluating whether each LEA's—

(i) Academic content and student academic achievement standards meet the requirements in § 200.1; and

(ii) Academic assessments meet the requirements in § 200.2, particularly regarding validity and reliability, technical quality, alignment with the LEA's academic standards, and inclusion of all students in the grades assessed;

§ 200.5

(2) Review and approve each LEA's academic standards and academic assessments to ensure that they—

(i) Meet or exceed the State's technical criteria; and

(ii) For purposes of this section—

(A) Are equivalent to one another in their content coverage, difficulty, and quality;

(B) Have comparable validity and reliability with respect to groups of students described in section 1111(b)(2)(C)(v) of the Act; and

(C) Provide unbiased, rational, and consistent determinations of the annual progress of LEAs and schools within the State; and

(3) Be able to aggregate, with confidence, data from local assessments to determine whether the State has made adequate yearly progress.

§ 200.5 Timeline for assessments.

(a) *Reading/language arts and mathematics.* (1) Through the 2004–2005 school year, a State must administer the assessments required under § 200.2 at least once during—

(i) Grades 3 through 5;

(ii) Grades 6 through 9; and

(iii) Grades 10 through 12.

(2) Except as provided in paragraph (a)(3) of this section, beginning no later than the 2005–2006 school year, a State must administer both the reading/language arts and mathematics assessments required under § 200.2—

(i) In each of grades 3 through 8; and

(ii) At least once in grades 10 through 12.

(3) The Secretary may extend, for one additional year, the timeline in paragraph (a)(2) of this section if a State demonstrates that—

(i) Full implementation is not possible due to exceptional or uncontrollable circumstances such as—

(A) A natural disaster; or

(B) A precipitous and unforeseen decline in the financial resources of the State; and

(ii) The State can complete implementation within the additional one-year period.

(b) *Science.* Beginning no later than the 2007–2008 school year, the science

assessments required under § 200.2 must be administered at least once during—

(1) Grades 3 through 5;

(2) Grades 6 through 9; and

(3) Grades 10 through 12.

(c) *Timing of results.* Beginning with the 2002–2003 school year, a State must promptly provide the results of its assessments no later than before the beginning of the next school year to LEAs, schools, and teachers in a manner that is clear and easy to understand.

§ 200.6 Inclusion of all students.

A State's academic assessment system required under § 200.2 must provide for the participation of all students in the grades assessed.

(a) *Students eligible under IDEA and Section 504—(1) Appropriate accommodations.* A State's academic assessment system must provide—

(i) For each student with disabilities, as defined under section 602(3) of the IDEA, appropriate accommodations that each student's IEP team determines are necessary to measure the academic achievement of the student relative to the State's academic content and achievement standards for the grade in which the student is enrolled, consistent with § 200.1(b)(2), (b)(3), and (c); and

(ii) For each student covered under section 504 of the Rehabilitation Act of 1973 (Section 504), appropriate accommodations that each student's placement team determines are necessary to measure the academic achievement of the student relative to the State's academic content and achievement standards for the grades in which the student is enrolled, consistent with § 200.1(b)(2), (b)(3), and (c).

(2) *Alternate assessments.* (i) The State's academic assessment system must provide for one or more alternate assessments for a child with a disability as defined under section 602(3) of the Individuals with Disabilities Education Act (IDEA) whom the child's IEP team determines cannot participate in all or part of the State assessments under paragraph (a)(1) of this

section, even with appropriate accommodations.

(ii)(A) Alternate assessments must yield results for the grade in which the student is enrolled in at least reading/language arts, mathematics, and, beginning in the 2007-2008 school year, science, except as provided in the following paragraph.

(B) For students with the most significant cognitive disabilities, alternate assessments may yield results that measure the achievement of those students relative to the alternate academic achievement standards the State has defined under § 200.1(d).

(iii) If a State permits the use of alternate assessments that yield results based on alternate academic achievement standards, the State must—

(A)(1) Establish and ensure implementation of clear and appropriate guidelines for Individualized Educational Program (IEP) teams to apply in determining when a child's significant cognitive disability justifies assessment based on alternate academic achievement standards; and

(2) Ensure that parents of those students are informed that their child's achievement will be based on alternate achievement standards; and

(B) Report separately, under section 1111(h)(4) of the ESEA, the number and percentage of students with disabilities taking—

(1) Alternate assessments based on the alternate academic achievement standards defined under § 200.1(d);

(2) Alternate assessments based on the academic achievement standards defined under § 200.1(c); and

(3) Regular assessments, including those administered with appropriate accommodations.

(C) Document that students with the most significant cognitive disabilities are, to the extent possible, included in the general curriculum and in assessments aligned with that curriculum;

(D) Develop, disseminate information on, and promote use of appropriate accommodations to increase the number of students with the most significant cognitive disabilities who are tested against grade-level academic achievement standards; and

(E) Ensure that regular and special education teachers and other appro-

priate staff know how to administer assessments, including making appropriate use of accommodations, for students with the most significant cognitive disabilities.

(b) *Limited English proficient students.* A State must include limited English proficient students in its academic assessment system as follows:

(1) *In general.* (i) Consistent with paragraph (b)(2) of this section, the State must assess limited English proficient students in a valid and reliable manner that includes—

(A) Reasonable accommodations; and

(B) To the extent practicable, assessments in the language and form most likely to yield accurate and reliable information on what those students know and can do to determine the students' mastery of skills in subjects other than English until the students have achieved English language proficiency.

(ii) In its State plan, the State must—

(A) Identify the languages other than English that are present in the student population served by the SEA; and

(B) Indicate the languages for which yearly student academic assessments are not available and are needed.

(iii) The State—

(A) Must make every effort to develop such assessments; and

(B) May request assistance from the Secretary in identifying linguistically accessible academic assessments that are needed.

(2) *Assessing reading/language arts in English.* (i) Unless an extension of time is warranted under paragraph (b)(2)(ii) of this section, a State must assess, using assessments written in English, the achievement of any limited English proficient student in meeting the State's reading/language arts academic standards if the student has attended schools in the United States, excluding Puerto Rico, for three or more consecutive years.

(ii) An LEA may continue, for no more than two additional consecutive years, to assess a limited English proficient student under paragraph (b)(1) of this section if the LEA determines, on a case-by-case individual basis, that the student has not reached a level of English language proficiency sufficient

§ 200.7

34 CFR Ch. II (7–1–04 Edition)

to yield valid and reliable information on what the student knows and can do on reading/language arts assessments written in English.

(iii) The requirements in paragraph (b)(2)(i) and (ii) of this section do not permit an exemption from participating in the State assessment system for limited English proficient students.

(3) *Assessing English proficiency.* (i) Unless a State receives an extension under paragraph (b)(3)(ii) of this section, the State must require each LEA, beginning no later than the 2002–2003 school year, to assess annually the English proficiency, including reading, writing, speaking, and listening skills, of all students with limited English proficiency in schools in the LEA.

(ii) The Secretary may extend, for one additional year, the deadline in paragraph (b)(3)(i) of this section if the State demonstrates that—

(A) Full implementation is not possible due to exceptional or uncontrollable circumstances such as—

(1) A natural disaster; or

(2) A precipitous and unforeseen decline in the financial resources of the State; and

(B) The State can complete implementation within the additional one-year period.

(c) *Migratory and other mobile students.* A State must include migratory students, as defined in Title I, part C, of the Act, and other mobile students in its academic assessment system, even if those students are not included for accountability purposes under section 1111(b)(3)(C)(xi) of the Act.

(d) *Students experiencing homelessness.*

(1) A State must include homeless students, as defined in section 725(2) of Title VII, Subtitle B of the McKinney-Vento Act, in its academic assessment, reporting, and accountability systems, consistent with section 1111(b)(3)(C)(xi) of the Act.

(2) The State is not required to disaggregate, as a separate category under §200.2(b)(10), the assessment re-

sults of the students referred to in paragraph (d)(1) of this section.

§ 200.7 Disaggregation of data.

(a) *Statistically reliable information.* (1) A State may not use disaggregated data for one or more subgroups under §200.2(b)(10) to report achievement results under section 1111(h) of the Act or to identify schools in need of improvement, corrective action, or restructuring under section 1116 of the Act if the number of students in those subgroups is insufficient to yield statistically reliable information.

(2) Based on sound statistical methodology, a State must determine and justify in its State plan the minimum number of students sufficient to yield statistically reliable information for each purpose for which disaggregated data are used.

(b) *Personally identifiable information.* (1) A State may not use disaggregated data for one or more subgroups under §200.2(b)(10) to report achievement results under section 1111(h) of the Act if the results would reveal personally identifiable information about an individual student.

(2) To determine whether disaggregated results would reveal personally identifiable information about an individual student, a State must apply the requirements under section 444(b) of the General Education Provisions Act (the Family Educational Rights and Privacy Act of 1974).

(3) Nothing in paragraph (b)(1) or (b)(2) of this section shall be construed to abrogate the responsibility of States to implement the requirements of section 1116(a) of the Act for determining whether States, LEAs, and schools are making adequate yearly progress on the basis of the performance of each subgroup under section 1111(b)(2)(C)(v) of the Act.

(4) Each State shall include in its State plan, and each State and LEA

shall implement, appropriate strategies to protect the privacy of individual students in reporting achievement results under section 1111(h) of the Act and in determining whether schools and LEAs are making adequate yearly progress on the basis of disaggregated subgroups.

(c) *Inclusion of subgroups in assessments.* If a subgroup under § 200.2(b)(10) is not of sufficient size to produce statistically reliable results, the State must still include students in that subgroup in its State assessments under § 200.2.

(d) *Disaggregation at the LEA and State.* If the number of students in a subgroup is not statistically reliable at the school level, the State must include those students in disaggregations at each level for which the number of students is statistically reliable—*e.g.*, the LEA or State level.

§ 200.8 Assessment reports.

(a) *Student reports.* A State's academic assessment system must produce individual student interpretive, descriptive, and diagnostic reports that—

(1)(i) Include information regarding achievement on the academic assessments under § 200.2 measured against the State's student academic achievement standards; and

(ii) Help parents, teachers, and principals to understand and address the specific academic needs of students; and

(2) Are provided to parents, teachers, and principals—

(i) As soon as is practicable after the assessment is given;

(ii) In an understandable and uniform format, including an alternative format (*e.g.*, Braille or large print) upon request; and

(iii) To the extent practicable, in a language that parents can understand.

(b) *Itemized score analyses for LEAs and schools.* (1) A State's academic assessment system must produce and report to LEAs and schools itemized score analyses, consistent with

§ 200.2(b)(4), so that parents, teachers, principals, and administrators can interpret and address the specific academic needs of students.

(2) The requirement to report itemized score analyses in paragraph (b)(1) of this section does not require the release of test items.

(b)(1) If an LEA provides services to eligible private school students under subpart A of this part, the LEA must, through timely consultation with appropriate private school officials, determine how services to eligible private school students will be academically assessed and how the results of that assessment will be used to improve those services.

§ 200.11 Participation in NAEP.

(a) State participation. STATE ACCOUNTABILITY SYSTEM

§ 200.12 Single State accountability system.

(a)(1) Each State must demonstrate in its State plan that the State has developed and is implementing, beginning with the 2002-2003 school year, a single, statewide accountability system.

(2) The State's accountability system must be effective in ensuring that all public elementary and secondary schools and LEAs in the State make adequate yearly progress (AYP) as defined in §§ 200.13 through 200.20.

(b) The State's accountability system must—

(1) Be based on the State's academic standards under § 200.1, academic assessments under § 200.2, and other academic indicators under § 200.19;

(2) Take into account the achievement of all public elementary and secondary school students;

(3) Be the same accountability system the State uses for all public ele-

mentary and secondary schools and all LEAs in the State; and

(4) Include sanctions and rewards that the State will use to hold public elementary and secondary schools and LEAs accountable for student achievement and for making AYP, except that the State is not required to subject schools and LEAs not participating under subpart A of this part to the requirements of section 1116 of the ESEA. ADEQUATE YEARLY PROGRESS (AYP)

§ 200.13 Adequate yearly progress in general.

(a) Each State must demonstrate in its State plan what constitutes AYP of the State and of all public schools and LEAs in the State—

(1) Toward enabling all public school students to meet the State's student academic achievement standards; while

(2) Working toward the goal of narrowing the achievement gaps in the State, its LEAs, and its public schools.

(b) A State must define adequate yearly progress, in accordance with §§ 200.14 through 200.20, in a manner that—

(1) Applies the same high standards of academic achievement to all public school students in the State, except as provided in paragraph (c) of this section;

(2) Is statistically valid and reliable;

(3) Results in continuous and substantial academic improvement for all students;

(4) Measures the progress of all public schools, LEAs, and the State based primarily on the State's academic assessment system under § 200.2;

(5) Measures progress separately for reading/language arts and for mathematics;

(6) Is the same for all public schools and LEAs in the State; and

(7) Consistent with § 200.7, applies the same annual measurable objectives under § 200.18 separately to each of the following:

(i) All public school students.

(ii) Students in each of the following subgroups:

(A) Economically disadvantaged students.

(B) Students from major racial and ethnic groups.

(C) Students with disabilities, as defined in section 9101(5) of the ESEA.

(D) Students with limited English proficiency, as defined in section 9101(25) of the ESEA.

(c)(1) In calculating adequate yearly progress for schools, LEAs, and the State, a State—

(i) Must, consistent with §200.7(a), include the scores of all students with disabilities, even those with the most significant cognitive disabilities; but

(ii) May include the proficient and advanced scores of students with the most significant cognitive disabilities based on the alternate academic achievement standards in §200.1(d), provided that the number of those students who score at the proficient or advanced level on those alternate achievement standards at the LEA and at the State levels, separately, does not exceed 1.0 percent of all students in the grades assessed in reading/language arts and in mathematics.

(2) An SEA may request from the Secretary an exception permitting it to exceed the 1.0 percent cap. The Secretary will consider granting, for a specified period of time, an exception to a State if the following conditions are met:

(i) The SEA documents that the incidence of students with the most significant cognitive disabilities exceeds 1.0 percent of all students in the grades assessed.

(ii) The SEA explains why the incidence of such students exceeds 1.0 percent of all students in the combined grades assessed, such as school, community, or health programs in the State that have drawn large numbers of families of students with the most significant cognitive disabilities, or such a small overall student population that it would take only a very few students with such disabilities to exceed the 1.0 percent cap.

(iii) The SEA documents that it is fully and effectively addressing the requirements of §200.6(a)(2)(iii).

(3)(i) A State may grant an exception to an LEA permitting it to exceed the 1.0 percent cap in paragraph (c)(1) of this section only if the State evaluates the LEA's request using conditions consistent with paragraph (c)(2) of this section.

(ii) The State must review regularly whether an LEA's exception to the 1.0 percent cap is still warranted.

(4) In calculating adequate yearly progress, if the percentage of proficient and advanced scores based on alternate academic achievement standards under §200.1(d) exceeds the caps in paragraph (c)(1) through (3) of this section at the State or LEA level, the State must do the following:

(i) Consistent with §200.7(a), include all scores of students with the most significant cognitive disabilities.

(ii) Count as non-proficient the proficient and advanced scores above the caps in paragraph (c)(1) through (3) of this section.

(iii) Determine which proficient scores to count as non-proficient in schools and LEAs responsible for students who take an alternate assessment based on alternate achievement standards.

(iv) Include those non-proficient scores in each applicable subgroup at the school, LEA and State level.

(v) Ensure that parents are informed of the actual academic achievement levels of their students with the most significant cognitive disabilities.

(d) The State must establish a way to hold accountable schools in which no grade level is assessed under the State's academic assessment system (*e.g.*, K-2 schools), although the State is not required to administer a formal assessment to meet this requirement.

§200.14 Components of Adequate Yearly Progress.

A State's definition of AYP must include all of the following:

(a) A timeline in accordance with §200.15.

§ 200.15

(b) Starting points in accordance with § 200.16.

(c) Intermediate goals in accordance with § 200.17.

§ 200.15 **Timeline.**

(a) Each State must establish a timeline for making AYP that ensures that, not later than the 2013–2014 school year, all students in each group described in § 200.13(b)(7) will meet or exceed the State's proficient level of academic achievement.

(b) Notwithstanding subsequent changes a State may make to its academic assessment system or its definition of AYP under §§ 200.13 through 200.20, the State may not extend its timeline for all students to reach proficiency beyond the 2013–2014 school year.

§ 200.16 **Starting points.**

(a) Using data from the 2001–2002 school year, each State must establish starting points in reading/language arts and in mathematics for measuring the percentage of students meeting or exceeding the State's proficient level of academic achievement.

(b) Each starting point must be based, at a minimum, on the higher of the following percentages of students at the proficient level:

(1) The percentage in the State of proficient students in the lowest-achieving subgroup of students under § 200.13(b)(7)(ii).

(2) The percentage of proficient students in the school that represents 20 percent of the State's total enrollment among all schools ranked by the percentage of students at the proficient level. The State must determine this percentage as follows:

(i) Rank each school in the State according to the percentage of proficient students in the school.

(ii) Determine 20 percent of the total enrollment in all schools in the State.

34 CFR Ch. II (7–1–04 Edition)

(iii) Beginning with the lowest-ranked school, add the number of students enrolled in each school until reaching the school that represents 20 percent of the State's total enrollment among all schools.

(iv) Identify the percentage of proficient students in the school identified in paragraph (iii).

(c)(1) Except as permitted under paragraph (c)(2) of this section, each starting point must be the same throughout the State for each school, each LEA, and each group of students under § 200.13(b)(7).

(2) A State may use the procedures under paragraph (b) of this section to establish separate starting points by grade span.

§ 200.17 **Intermediate goals.**

Each State must establish intermediate goals that increase in equal increments over the period covered by the timeline under § 200.15 as follows:

(a) The first incremental increase must take effect not later than the 2004–2005 school year.

(b) Each following incremental increase must occur in not more than three years.

(Authority: 20 U.S.C. 6311(b)(2))

[67 FR 71716, Dec. 2, 2002]

§ 200.18 **Annual measurable objectives.**

(a) Each State must establish annual measurable objectives that—

(1) Identify for each year a minimum percentage of students that must meet or exceed the proficient level of academic achievement on the State's academic assessments; and

(2) Ensure that all students meet or exceed the State's proficient level of academic achievement within the timeline under § 200.15.

(b) The State's annual measurable objectives—

(1) Must be the same throughout the State for each school, each LEA, and each group of students under § 200.13(b)(7); and

(2) May be the same for more than one year, consistent with the State's intermediate goals under §200.17.

[67 FR 71716, Dec. 2, 2002]

§ 200.19 Other academic indicators.

(a) Each State must use the following other academic indicators to determine AYP:

(1) *High schools.* (i) The graduation rate for public high schools, which means—

(A) The percentage of students, measured from the beginning of high school, who graduate from high school with a regular diploma (not including an alternative degree that is not fully aligned with the State's academic standards, such as a certificate or a GED) in the standard number of years; or

(B) Another definition, developed by the State and approved by the Secretary in the State plan, that more accurately measures the rate of students who graduate from high school with a regular diploma as defined in paragraph (a)(1)(i)(A) of this section.

(ii) In defining graduation rate, the State must avoid counting a dropout as a transfer.

(2) *Elementary and middle schools.* At least one academic indicator for public elementary schools and at least one academic indicator for public middle schools, such as those under paragraph (b) of this section.

(b) The State may include additional academic indicators determined by the State, including, but not limited to, the following:

(1) Additional State or locally administered assessments not included in the State assessment system under §200.2.

(2) Grade-to-grade retention rates.

(3) Attendance rates.

(4) Percentages of students completing gifted and talented, advanced placement, and college preparatory courses.

(c) A State must ensure that its other academic indicators are—

(1) Valid and reliable;

(2) Consistent with relevant, nationally recognized professional and technical standards, if any; and

(3) Consistent throughout the State within each grade span.

(d)(1) A State may, but is not required to, increase the goals of its other academic indicators over the course of the timeline under §200.15.

(2) The State—

(i) Must disaggregate its other academic indicators by each group in §200.13(b)(7) for purposes of §200.20(b)(2) and section 1111(h) of the ESEA; but

(ii) Need not disaggregate those indicators for determining AYP except as required under section 1111(b)(2)(C)(vii) of the ESEA.

(e) Except as provided in §200.20(b)(2), a State—

(1) May not use the indicators in paragraphs (a) and (b) of this section to reduce the number, or change the identity, of schools that would otherwise be subject to school improvement, corrective action, or restructuring if those indicators were not used; but

(2) May use the indicators to identify additional schools for school improvement, corrective action, or restructuring.

§ 200.20 Making adequate yearly progress.

A school or LEA makes AYP if it complies with paragraph (c) and with either paragraph (a) or (b) of this section separately in reading/language arts and in mathematics.

(a)(1) A school or LEA makes AYP if—

(i) Each group of students under §200.13(b)(7) meets or exceeds the State's annual measurable objectives under §200.18; and

(ii) The school or LEA, respectively, meets or exceeds the State's other academic indicators under §200.19.

(2) For a group under §200.13(b)(7) to be included in the determination of AYP for a school or LEA, the number of students in the group must be sufficient to yield statistically reliable information under §200.7(a).

(b) If students in any group under §200.13(b)(7) in a school or LEA do not meet the State's annual measurable objectives under §200.18, the school or LEA makes AYP if—

§ 200.21

34 CFR Ch. II (7–1–04 Edition)

(1) The percentage of students in that group below the State’s proficient achievement level decreased by at least 10 percent from the preceding year; and

(2) That group made progress on one or more of the State’s academic indicators under §200.19 or the LEA’s academic indicators under §200.30(c).

(c)(1) A school or LEA makes AYP if—

(i) Not less than 95 percent of the students enrolled in each group under §200.13(b)(7) takes the State assessments under §200.2; and

(ii) The group is of sufficient size to produce statistically reliable results under §200.7(a).

(2) The requirement in paragraph (c)(1) of this section does not authorize a State, LEA, or school to systematically exclude 5 percent of the students in any group under §200.13(b)(7).

(3) If a student takes the State assessments for a particular subject or grade level more than once, the State must use the student’s results from the first administration to determine AYP.

(d) For the purpose of determining whether a school or LEA has made AYP, a State may establish a uniform procedure for averaging data that includes one or more of the following:

(1) *Averaging data across school years.*

(i) A State may average data from the school year for which the determination is made with data from one or two school years immediately preceding that school year.

(ii) If a State averages data across school years, the State must—

(A) Implement, on schedule, the assessments in reading/language arts and mathematics in grades 3 through 8 and once in grades 10 through 12 required under §200.5(a)(2);

(B) Report data resulting from the assessments under §200.5(a)(2);

(C) Determine AYP under §§200.13 through 200.20, although the State may base that determination on data only from the reading/language arts and mathematics assessments in the three grade spans required under §200.5(a)(1); and

(D) Implement the requirements in section 1116 of the ESEA.

(iii) A State that averages data across years must determine AYP on the basis of the assessments under

§200.5(a)(2) as soon as it has data from two or three years to average. Until that time, the State may use data from the reading/language arts and mathematics assessments required under §200.5(a)(1) to determine adequate yearly progress.

(2) *Combining data across grades.* Within each subject area and subgroup, the State may combine data across grades in a school or LEA.

(e)(1) In determining the AYP of an LEA, a State must include all students who were enrolled in schools in the LEA for a full academic year, as defined by the State.

(2) In determining the AYP of a school, the State may not include students who were not enrolled in that school for a full academic year, as defined by the State.

(a)(1) Made AYP as defined by the State in accordance with §§200.13 through 200.20 for each group of students in §200.13(b)(7); and

(2) Met its annual measurable achievement objectives under section 3122(a) of the ESEA relating to the development and attainment of English proficiency by limited English proficient students.

SCHOOLWIDE PROGRAMS

§ 200.25 Schoolwide programs in general.

(a) *Purpose.* (1) The purpose of a schoolwide program is to improve academic achievement throughout a school so that all students, particularly the lowest-achieving students, demonstrate proficiency related to the State's academic standards under § 200.1.

(2) The improved achievement is to result from improving the entire educational program of the school.

(b) *Eligibility.* (1) A school may operate a schoolwide program if—

(i) The school's LEA determines that the school serves an eligible attendance area or is a participating school under section 1113 of the ESEA; and

(ii) For the initial year of the schoolwide program—

(A) The school serves a school attendance area in which not less than 40 percent of the children are from low-income families; or

(B) Not less than 40 percent of the children enrolled in the school are from low-income families.

(2) In determining the percentage of children from low-income families under paragraph (b)(1)(ii) of this section, the LEA may use a measure of poverty that is different from the measure or measures of poverty used by the LEA to identify and rank school attendance areas for eligibility and participation under subpart A of this part.

(c) *Participating students and services.* A school operating a schoolwide program is not required to—

(1) Identify particular children as eligible to participate; or

(2) As required under section 1120A(b) of the ESEA, provide services that supplement, and do not supplant, the services participating children would otherwise receive if they were not participating in a program under subpart A of this part.

(d) *Supplemental funds.* A school operating a schoolwide program must use funds available under subpart A of this part and under any other Federal program included under paragraph (e) of

this section and § 200.29 only to supplement the total amount of funds that would, in the absence of the Federal funds, be made available from non-Federal sources for that school, including funds needed to provide services that are required by law for children with disabilities and children with limited English proficiency.

(e) *Consolidation of funds.* An eligible school may, consistent with § 200.29, consolidate and use funds or services under subpart A of this part, together with other Federal, State, and local funds that the school receives, to operate a schoolwide program in accordance with §§ 200.25 through 200.29.

(f) *Prekindergarten program.* A school operating a schoolwide program may use funds made available under subpart A of this part to establish or enhance prekindergarten programs for children below the age of 6, such as Even Start programs or Early Reading First programs.

§ 200.26 Core elements of a schoolwide program.

(a) *Comprehensive needs assessment.* (1) A school operating a schoolwide program must conduct a comprehensive needs assessment of the entire school that—

(i) Is based on academic achievement information about all students in the school, including all groups under § 200.13(b)(7) and migratory children as defined in section 1309(2) of the ESEA, relative to the State's academic standards under § 200.1 to—

(A) Help the school understand the subjects and skills for which teaching and learning need to be improved; and

(B) Identify the specific academic needs of students and groups of students who are not yet achieving the State's academic standards; and

(ii) Assesses the needs of the school relative to each of the components of the schoolwide program under § 200.28.

(2) The comprehensive needs assessment must be developed with the participation of individuals who will carry out the schoolwide program plan.

(3) The school must document how it conducted the needs assessment, the

results it obtained, and the conclusions it drew from those results.

(b) *Comprehensive plan.* Using data from the comprehensive needs assessment under paragraph (a) of this section, a school that wishes to operate a schoolwide program must develop a comprehensive plan, in accordance with §200.27, that describes how the school will improve academic achievement throughout the school, but particularly for those students furthest away from demonstrating proficiency, so that all students demonstrate at least proficiency on the State's academic standards.

(c) *Evaluation.* A school operating a schoolwide program must—

(1) Annually evaluate the implementation of, and results achieved by, the schoolwide program, using data from the State's annual assessments and other indicators of academic achievement;

(2) Determine whether the schoolwide program has been effective in increasing the achievement of students in meeting the State's academic standards, particularly for those students who had been furthest from achieving the standards; and

(3) Revise the plan, as necessary, based on the results of the evaluation, to ensure continuous improvement of students in the schoolwide program.

§200.27 Development of a schoolwide program plan.

(a)(1) A school operating a schoolwide program must develop a comprehensive plan to improve teaching and learning throughout the school.

(2) The school must develop the comprehensive plan in consultation with the LEA and its school support team or other technical assistance provider under section 1117 of the ESEA.

(3) The comprehensive plan must—

(i) Describe how the school will carry out each of the components under §200.28;

(ii) Describe how the school will use resources under subpart A of this part

and from other sources to carry out the components under §200.28; and

(iii) Include a list of State and local programs and other Federal programs under §200.29 that the school will consolidate in the schoolwide program.

(b)(1) The school must develop the comprehensive plan, including the comprehensive needs assessment, over a one-year period unless—

(i) The LEA, after considering the recommendations of its technical assistance providers under section 1117 of the ESEA, determines that less time is needed to develop and implement the schoolwide program; or

(ii) The school was operating a schoolwide program on or before January 7, 2002, in which case the school may continue to operate its program, but must amend its existing plan to reflect the provisions of §§200.25 through 200.29 during the 2002-2003 school year.

(2) The school must develop the comprehensive plan with the involvement of parents, consistent with the requirements of section 1118 of the ESEA, and other members of the community to be served and individuals who will carry out the plan, including—

(i) Teachers, principals, and administrators, including administrators of programs described in other parts of Title I of the ESEA;

(ii) If appropriate, pupil services personnel, technical assistance providers, and other school staff; and

§ 200.29 Consolidation of funds in a schoolwide program.

(a)(1) In addition to funds under subpart A of this part, a school may consolidate and use in its schoolwide program Federal funds from any program administered by the Secretary that is included in the most recent notice published for this purpose in the FEDERAL REGISTER.

(2) For purposes of §§ 200.25 through 200.29, the authority to consolidate funds from other Federal programs also applies to services provided to the school with those funds.

(b)(1) Except as provided in paragraphs (b)(2) and (c) of this section, a school that consolidates and uses in a schoolwide program funds from any other Federal program administered by the Secretary—

(i) Is not required to meet the statutory or regulatory requirements of that program applicable at the school level; but

(ii) Must meet the intent and purposes of that program to ensure that the needs of the intended beneficiaries of that program are addressed.

(2) A school that chooses to consolidate funds from other Federal programs must meet the requirements of those programs relating to—

- (i) Health;
- (ii) Safety;
- (iii) Civil rights;
- (iv) Student and parental participation and involvement;
- (v) Services to private school children;
- (vi) Maintenance of effort;

(vii) Comparability of services;

(viii) Use of Federal funds to supplement, not supplant non-Federal funds in accordance with § 200.25(d); and

(ix) Distribution of funds to SEAs or LEAs.

(c) A school must meet the following requirements if the school consolidates and uses funds from these programs in its schoolwide program:

(1) *Migrant education.* Before the school chooses to consolidate in its schoolwide program funds received under part C of Title I of the ESEA, the school must—

(i) Use these funds, in consultation with parents of migratory children or organizations representing those parents, or both, first to meet the unique educational needs of migratory students that result from the effects of their migratory lifestyle, and those other needs that are necessary to permit these students to participate effectively in school, as identified through the comprehensive Statewide needs assessment under § 200.83; and

(ii) Document that these needs have been met.

(2) *Indian education.* The school may consolidate funds received under subpart 1 of part A of Title VII of the ESEA if the parent committee established by the LEA under section 7114(c)(4) of the ESEA approves the inclusion of these funds.

(3) *Special education.* (i) The school may consolidate funds received under part B of the IDEA.

(ii) However, the amount of funds consolidated may not exceed the amount received by the LEA under part B of IDEA for that fiscal year, divided by the number of children with disabilities in the jurisdiction of the LEA, and multiplied by the number of children with disabilities participating in the schoolwide program.

(iii) The school may also consolidate funds received under section 8003(d) of the ESEA (Impact Aid) for children with disabilities in a schoolwide program.

(iv) A school that consolidates funds under part B of IDEA or section 8003(d) of the ESEA may use those funds for any activities under its schoolwide program plan but must comply with all other requirements of part B of IDEA,

to the same extent it would if it did not consolidate funds under part B of IDEA or section 8003(d) of the ESEA in the schoolwide program.

(d) A school that consolidates and uses in a schoolwide program funds under subpart A of this part or from any other Federal program administered by the Secretary—

(1) Is not required to maintain separate fiscal accounting records, by program, that identify the specific activities supported by those particular funds; but

(2) Must maintain records that demonstrate that the schoolwide program, as a whole, addresses the intent and purposes of each of the Federal programs whose funds were consolidated to support the schoolwide program.

(e) Each State must—

(1) Encourage schools to consolidate funds from other Federal, State, and local sources in their schoolwide programs; and

(2) Modify or eliminate State fiscal and accounting barriers so that schools can easily consolidate funds from other Federal, State, and local sources in their schoolwide programs.

LEA AND SCHOOL IMPROVEMENT

§ 200.30 Local review.

(a) Each LEA receiving funds under subpart A of this part must use the results of the State assessment system described in § 200.2 to review annually the progress of each school served under subpart A of this part to determine whether the school is making AYP in accordance with § 200.20.

(b)(1) In reviewing the progress of an elementary or secondary school operating a targeted assistance program, an LEA may choose to review the progress of only the students in the school who are served, or are eligible for services, under subpart A of this part.

(2) The LEA may exercise the option under paragraph (b)(1) of this section so long as the students selected for services under the targeted assistance program are those with the greatest

need for special assistance, consistent with the requirements of section 1115 of the ESEA.

(c)(1) To determine whether schools served under subpart A of this part are making AYP, an LEA also may use any additional academic assessments or any other academic indicators described in the LEA's plan.

(2)(i) The LEA may use these assessments and indicators—

(A) To identify additional schools for school improvement or in need of corrective action or restructuring; and

(B) To permit a school to make AYP if, in accordance with § 200.20(b), the school also reduces the percentage of a student group not meeting the State's proficient level of academic achievement by at least 10 percent.

(ii) The LEA may not, with the exception described in paragraph (c)(2)(i)(B) of this section, use these assessments and indicators to reduce the number of, or change the identity of, the schools that would otherwise be identified for school improvement, corrective action, or restructuring if the LEA did not use these additional indicators.

(d) The LEA must publicize and disseminate the results of its annual progress review to parents, teachers, principals, schools, and the community.

(e) The LEA must review the effectiveness of actions and activities that schools are carrying out under subpart A of this part with respect to parental involvement, professional development, and other activities assisted under subpart A of this part.

(a) Before identifying a school for school improvement, corrective action, or restructuring, an LEA must provide the school with an opportunity to review the school-level data, including academic assessment data, on which the proposed identification is based.

improvement, corrective action, or restructuring believes, or a majority of the parents of the students enrolled in the school believe, that the proposed identification is in error for statistical or other substantive reasons, the principal may provide supporting evidence to the LEA.

(2) The LEA must consider the evidence referred to in paragraph (b)(1) of this section before making a final determination.

(c) The LEA must make public a final determination of the status of the school with respect to identification not later than 30 days after it provides the school with the opportunity to review the data on which the proposed identification is based.

(2) The LEA must make the identification described in paragraph (a)(1) of this section before the beginning of the school year following the year in which the LEA administered the assessments that resulted in the school's failure to make AYP for a second consecutive year.

(b)(1) An LEA must treat any school that was in the first year of school improvement status on January 7, 2002 as a school that is in the first year of school improvement under § 200.39 for the 2002–2003 school year.

(2) Not later than the first day of the 2002–2003 school year, the LEA must, in accordance with § 200.44, provide public school choice to all students in the school.

(f) If an LEA identifies a school for improvement after the beginning of the school year following the year in which the LEA administered the assessments that resulted in the school's failure to make AYP for a second consecutive year—

(1) The school is subject to the requirements of school improvement under § 200.39 immediately upon identification, including the provision of public school choice; and

(2) The LEA may not take into account a period of delay under paragraph (a) of this section in determining the number of consecutive years of the school's failure to make AYP.

(3) Except as provided in paragraph (b) of this section, the LEA must subject the school to further actions as if the delay never occurred.

§200.43 Restructuring.

(a) *Definition.* "Restructuring" means a major reorganization of a school's governance arrangement by an LEA that—

(2) Has substantial promise of enabling the school to make AYP as defined under §§200.13 through 200.20; and

(3) Is consistent with State law.

(b) *Requirements.* If the LEA identifies a school for restructuring in accordance with §200.34, the LEA must do the following:

(2) Make available supplemental educational services in accordance with §200.45.

(3) Prepare a plan to carry out one of the following alternative governance arrangements:

§ 200.44

34 CFR Ch. II (7–1–04 Edition)

(A) Comment before the LEA takes any action under a restructuring plan; and

(B) Participate in the development of any restructuring plan.

(c) *Implementation.* (1) If a school continues to fail to make AYP, the LEA must—

(i) Implement the restructuring plan no later than the beginning of the school year following the year in which the LEA developed the restructuring plan under paragraph (b)(3) of this section; and

(ii) Continue to offer public school choice and supplemental educational services in accordance with §§ 200.44 and 200.45.

(2) An LEA is no longer required to carry out the requirements of paragraph (c)(1) of this section if the restructured school makes AYP for two consecutive school years.

(d) *Rural schools.* On request, the Secretary will provide technical assistance for developing and carrying out a restructuring plan to any rural LEA—

(1) That has fewer than 600 students in average daily attendance at all of its schools; and

(2) In which all of the schools have a School Locale Code of 7 or 8, as determined by the National Center for Education Statistics.

§ 200.44 Public school choice.

(a) *Requirements.* (1) In the case of a school identified for school improvement under § 200.32, for corrective action under § 200.33, or for restructuring under § 200.34, the LEA must provide all students enrolled in the school with the option to transfer to another public school served by the LEA.

(2) The LEA must offer this option not later than the first day of the school year following the year in which the LEA administered the assessments that resulted in its identification of the school for improvement, corrective action, or restructuring.

(3) The schools to which students may transfer under paragraph (a)(1) of this section—

(i) May not include schools that—

(A) The LEA has identified for improvement under § 200.32, corrective action under § 200.33, or restructuring under § 200.34; or

(B) Are persistently dangerous as determined by the State; and

(ii) May include one or more public charter schools.

(4) If more than one school meets the requirements of paragraph (a)(3) of this section, the LEA must—

(i) Provide to parents of students eligible to transfer under paragraph (a)(1) of this section a choice of more than one such school; and

(ii) Take into account the parents' preferences among the choices offered under paragraph (a)(4)(i) of this section.

(5) The LEA must offer the option to transfer described in this section unless it is prohibited by State law in accordance with paragraph (b) of this section.

(6) Except as described in §§ 200.32(d) and 200.33(c), if a school was in school improvement or subject to corrective action before January 8, 2002, the State must ensure that the LEA provides a public school choice option in accordance with paragraph (a)(1) of this section not later than the first day of the 2002–2003 school year.

(b) *Limitation on State law prohibition.* An LEA may invoke the State law prohibition on choice described in paragraph (a)(5) of this section only if the State law prohibits choice through restrictions on public school assignments or the transfer of students from one public school to another public school.

(c) *Desegregation plans.* (1) If an LEA is subject to a desegregation plan, whether that plan is voluntary, court-ordered, or required by a Federal or State administrative agency, the LEA is not exempt from the requirement in paragraph (a)(1) of this section.

(2) In determining how to provide students with the option to transfer to another school, the LEA may take into account the requirements of the desegregation plan.

(3) If the desegregation plan forbids the LEA from offering the transfer option required under paragraph (a)(1) of this section, the LEA must secure appropriate changes to the plan to permit

compliance with paragraph (a)(1) of this section.

(d) *Capacity.* An LEA may not use lack of capacity to deny students the option to transfer under paragraph (a)(1) of this section.

(e) *Priority.* (1) In providing students the option to transfer to another public school in accordance with paragraph (a)(1) of this section, the LEA must give priority to the lowest-achieving students from low-income families.

(2) The LEA must determine family income on the same basis that the LEA uses to make allocations to schools under subpart A of this part.

(f) *Status.* Any public school to which a student transfers under paragraph (a)(1) of this section must ensure that the student is enrolled in classes and other activities in the school in the same manner as all other students in the school.

(g) *Duration of transfer.* (1) If a student exercises the option under paragraph (a)(1) of this section to transfer to another public school, the LEA must permit the student to remain in that school until the student has completed the highest grade in the school.

(2) The LEA's obligation to provide transportation for the student may be limited under the circumstances described in paragraph (i) of this section and in § 200.48.

(h) *No eligible schools within an LEA.* If all public schools to which a student may transfer within an LEA are identified for school improvement, corrective action, or restructuring, the LEA—

(1) Must, to the extent practicable, establish a cooperative agreement for a transfer with one or more other LEAs in the area; and

(2) May offer supplemental educational services to eligible students under § 200.45 in schools in their first year of school improvement under § 200.39.

(i) *Transportation.* (1) If a student exercises the option under paragraph (a)(1) of this section to transfer to another public school, the LEA must, consistent with § 200.48, provide or pay for the student's transportation to the school.

(2) The limitation on funding in § 200.48 applies only to the provision of choice-related transportation, and does

not affect in any way the basic obligation to provide an option to transfer as required by paragraph (a) of this section.

(3) The LEA's obligation to provide transportation for the student ends at the end of the school year in which the school from which the student transferred is no longer identified by the LEA for school improvement, corrective action, or restructuring.

(j) *Students with disabilities and students covered under Section 504 of the Rehabilitation Act of 1973 (Section 504).* For students with disabilities under the IDEA and students covered under Section 504, the public school choice option must provide a free appropriate public education as that term is defined in section 602(8) of the IDEA or 34 CFR 104.33, respectively.

§ 200.45 Supplemental educational services.

(a) *Definition.* "Supplemental educational services" means tutoring and other supplemental academic enrichment services that are—

(1) In addition to instruction provided during the school day;

(2) Specifically designed to—

(ii) Enable these children to attain proficiency in meeting State academic achievement standards; and

(3) Of high quality and research-based.

(b) *Eligibility.* (1) Only students from low-income families are eligible for supplemental educational services.

(2) The LEA must determine family income on the same basis that the LEA uses to make allocations to schools under subpart A of this part.

(c) *Requirement.* (1) If an LEA identifies a school for a second year of improvement under § 200.32, corrective action under § 200.33, or restructuring under § 200.34, the LEA must arrange, consistent with paragraph (d) of this section, for each eligible student in the school to receive supplemental educational services from a State-approved provider selected by the student's parents.

§ 200.46

34 CFR Ch. II (7-1-04 Edition)

(2) Except as described in §§200.32(d) and 200.33(c), if a school was in school improvement status for two or more consecutive school years or subject to corrective action on January 7, 2002, the State must ensure that the LEA makes available, consistent with paragraph (d) of this section, supplemental educational services to all eligible students not later than the first day of the 2002-2003 school year.

(3) The LEA must, consistent with §200.48, continue to make available supplemental educational services to eligible students until the end of the school year in which the LEA is making those services available.

(4)(i) At the request of an LEA, the SEA may waive, in whole or in part, the requirement that the LEA make available supplemental educational services if the SEA determines that—

(A) None of the providers of those services on the list approved by the SEA under §200.47 makes those services available in the area served by the LEA or within a reasonable distance of that area; and

(B) The LEA provides evidence that it is not otherwise able to make those services available.

(ii) The SEA must notify the LEA, within 30 days of receiving the LEA's request for a waiver under paragraph (c)(4)(i) of this section, whether it approves or disapproves the request and, if it disapproves, the reasons for the disapproval, in writing.

(iii) An LEA that receives a waiver must renew its request for that waiver on an annual basis.

(d) *Priority.* If the amount of funds available for supplemental educational services is insufficient to provide services to each student whose parents request these services, the LEA must give priority to the lowest-achieving students.

(1) Provide the annual notice to parents described in §200.37(b)(5).

(2) If requested, assist parents in choosing a provider from the list of approved providers maintained by the SEA.

(3) Apply fair and equitable procedures for serving students if the number of spaces at approved providers is not sufficient to serve all eligible students whose parents request services consistent with §200.45.

(4) Ensure that eligible students with disabilities under IDEA and students covered under Section 504 receive appropriate supplemental educational services and accommodations in the provision of those services.

(5) Ensure that eligible students who have limited English proficiency receive appropriate supplemental educational services and language assistance in the provision of those services.

(6) Not disclose to the public, without the written permission of the student's parents, the identity of any student who is eligible for, or receiving, supplemental educational services.

(b)(1) In addition to meeting the requirements in paragraph (a) of this section, the LEA must enter into an agreement with each provider selected by a parent or parents.

(2) The agreement must—

(i) Require the LEA to develop, in consultation with the parents and the provider, a statement that includes—

(A) Specific achievement goals for the student;

(B) A description of how the student's progress will be measured; and

(C) A timetable for improving achievement;

(ii) Describe procedures for regularly informing the student's parents and teachers of the student's progress;

(iii) Provide for the termination of the agreement if the provider is unable to meet the goals and timetables specified in the agreement;

(iv) Specify how the LEA will pay the provider; and

(v) Prohibit the provider from disclosing to the public, without the written permission of the student's parents, the identity of any student who is

eligible for, or receiving, supplemental educational services.

(3) In the case of a student with disabilities under IDEA or a student covered under Section 504, the provisions of the agreement referred to in paragraph (b)(2)(i) of this section must be consistent with the student's individualized education program under section 614(d) of the IDEA or the student's individualized services under Section 504.

(4) The LEA may not pay the provider for religious worship or instruction.

(c) If State law prohibits an SEA from carrying out one or more of its responsibilities under §200.47 with respect to those who provide, or seek approval to provide, supplemental educational services, each LEA must carry out those responsibilities with respect to its students who are eligible for those services.

(1)(i) In consultation with affected LEAs, parents, teachers, and other interested members of the public, promote participation by as many providers as possible.

(ii) This promotion must include annual notice to potential providers of—

(4) Develop, implement, and publicly report on standards and techniques for—

(i) Monitoring the quality and effectiveness of the services offered by each approved provider; and

(ii) Withdrawing approval from a provider that fails, for two consecutive years, to contribute to increasing the academic proficiency of students receiving supplemental educational services from that provider.

(5) Ensure that eligible students with disabilities under IDEA and students covered under Section 504 receive appropriate supplemental educational services and accommodations in the provision of those services.

(6) Ensure that eligible students who have limited English proficiency receive appropriate supplemental educational services and language assistance in the provision of those services.

(b) *Standards for approving providers.*

(1) As used in this section and in §200.46, "provider" means a non-profit entity, a for-profit entity, an LEA, an educational service agency, a public school, including a public charter school, or a private school that—

(i) Has a demonstrated record of effectiveness in increasing the academic achievement of students in subjects relevant to meeting the State's academic content and student achievement standards described under §200.1;

(B) This information must be in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language that the parents can understand;

(ii) Ensure that the instruction the provider gives and the content the provider uses—

(B) Are aligned with State student academic achievement standards; and

(C) Are secular, neutral, and nonideological; and

(iii) Meet all applicable Federal, State, and local health, safety, and civil rights laws.

(3) As a condition of approval, a State may not require a provider to hire only staff who meet the requirements under §§ 200.55 and 200.56.

(ii) Satisfy all requests for supplemental educational services under § 200.45; or

(a)(2)(i) of this section and an amount equal to 5 percent of its allocation under subpart A of this part for supplemental educational services under paragraph (a)(2)(ii) of this section, unless lesser amounts are needed to meet the requirements of §§ 200.44 and 200.45; and

(B) The LEA may not include costs for administration or transportation incurred in providing supplemental educational services, or administrative costs associated with the provision of public school choice options under § 200.44, in the amounts required under paragraph (a)(2) of this section.

(3) If the amount specified in paragraph (a)(2) of this section is insufficient to pay all choice-related transportation costs, or to meet the demand for supplemental educational services, the LEA may make available any additional needed funds from Federal, State, or local sources.

(4) To assist an LEA that does not have sufficient funds to make available supplemental educational services to all students requesting these services, an SEA may use funds that it reserves under part A of Title I and part A of Title V of the ESEA.

(b) *Cap on school-level reduction.* (1) An LEA may not, in applying paragraph (a) of this section, reduce by more than 15 percent the total amount it makes available under subpart A of this part to a school it has identified for corrective action or restructuring.

(2) The actual costs of the supplemental educational services received by the student.

(a) *Transition requirements for public school choice and supplemental educational services.* (1) Except as described in §§ 200.32(d) and 200.33(c), if a school was in school improvement or subject to corrective action on January 7, 2002, the SEA must ensure that the LEA for that school provides public school choice in accordance with § 200.44 not later than the first day of the 2002-2003 school year.

(2) Except as described in §§ 200.32(d) and 200.33(c), if a school was in school improvement status for two or more consecutive school years or subject to corrective action on January 7, 2002, the SEA must ensure that the LEA for that school makes available supplemental educational services in accordance with § 200.45 not later than the first day of the 2002-2003 school year.

(b) *State reservation of funds for school improvement.* (1) In accordance with § 200.100(a), an SEA must reserve 2 percent of the amount it receives under this part for fiscal years 2002 and 2003, and 4 percent of the amount it receives under this part for fiscal years 2004 through 2007, to—

(i) Support local school improvement activities;

(ii) Provide technical assistance to schools identified for improvement, corrective action, or restructuring; and

(iii) Provide technical assistance to LEAs that the SEA has identified for improvement or corrective action in accordance with § 200.50.

(2) Of the amount it reserves under paragraph (b)(1) of this section, the SEA must—

(i) Allocate not less than 95 percent directly to LEAs serving schools identified for improvement, corrective action, and restructuring to support improvement activities; or

(ii) With the approval of the LEA, directly provide for these improvement activities or arrange to provide them through such entities as school support teams or educational service agencies.

(3) In providing assistance to LEAs under paragraph (b)(2) of this section, the SEA must give priority to LEAs that—

(i) Serve the lowest-achieving schools;

(ii) Demonstrate the greatest need for this assistance; and

(iii) Demonstrate the strongest commitment to ensuring that this assistance will be used to enable the lowest-achieving schools to meet the progress goals in the school improvement plans under § 200.41.

(c) *Technical assistance.* The SEA must make technical assistance available, through the statewide system of support and improvement required by section 1117 of the ESEA, to schools that LEAs have identified for improvement, corrective action, or restructuring.

(d) *LEA failure.* If the SEA determines that an LEA has failed to carry out its responsibilities with respect to school improvement, corrective action, or restructuring, the SEA must take the actions it determines to be appropriate and in compliance with State law.

(e) *Assessment results.* (1) The SEA must ensure that the results of academic assessments administered as part of the State assessment system in a given school year are available to LEAs before the beginning of the next school year and in such time as to allow for the identification described in § 200.32(a)(2).

(2) The SEA must provide the results described in paragraph (e)(1) of this section to a school before an LEA may identify the school for school improvement under § 200.32, corrective action under § 200.33, or restructuring under § 200.34.

(f) *Accountability for charter schools.* The accountability provisions under section 1116 of the ESEA must be overseen for charter schools in accordance with State charter school law.

§ 200.50 SEA review of LEA progress.

(a) *State review.* (1) An SEA must annually review the progress of each LEA in its State that receives funds under subpart A of this part to determine whether—

(i) The LEA’s schools served under this part are making AYP, as defined under §§ 200.13 through 200.20, toward meeting the State’s student academic achievement standards; and

(ii) The LEA is carrying out its responsibilities under this part with respect to school improvement, technical assistance, parental involvement, and professional development.

(2) In reviewing the progress of an LEA, the SEA may, in the case of targeted assistance schools served by the LEA, consider the progress only of the students served or eligible for services under this subpart, provided the students selected for services in such schools are those with the greatest need for special assistance, consistent with the requirements of section 1115 of the ESEA.

(b) *Rewards.* If an LEA has exceeded AYP as defined under §§ 200.13 through 200.20 for two consecutive years, the SEA may—

(1) Reserve funds in accordance with § 200.100(c); and

(2) Make rewards of the kinds described under section 1117 of the ESEA.

(c) *Opportunity for review of LEA-level data.* (1) Before identifying an LEA for improvement or corrective action, the SEA must provide the LEA with an opportunity to review the data, including academic assessment data, on which the SEA has based the proposed identification.

(2)(i) If the LEA believes that the proposed identification is in error for statistical or other substantive reasons, the LEA may provide supporting evidence to the SEA.

(ii) The SEA must consider the evidence before making a final determination not later than 30 days after it has

provided the LEA with the opportunity to review the data under paragraph (c)(1) of this section.

(d) *Identification for improvement.* (1) The SEA must identify for improvement an LEA that, for two consecutive years, including the period immediately before January 8, 2002, fails to make AYP as defined in the SEA’s plan under section 1111(b)(2) of the ESEA.

(2) The SEA must identify for improvement an LEA that was in improvement status on January 7, 2002.

(3)(i) The SEA may identify an LEA for improvement if, on the basis of assessments the LEA administers during the 2001–2002 school year, the LEA fails to make AYP for a second consecutive year.

(ii) An SEA that does not identify such an LEA for improvement, however, must count the 2001–2002 school year as the first year of not making AYP for the purpose of subsequent identification decisions under paragraph (d)(1) of this section.

(4) The SEA may remove an LEA from improvement status if, on the basis of assessments the LEA administers during the 2001–2002 school year, the LEA makes AYP for a second consecutive year.

(e) *Identification for corrective action.* After providing technical assistance under § 200.52(b), the SEA—

(1) May take corrective action at any time with respect to an LEA that the SEA has identified for improvement under paragraph (d) of this section;

(2) Must take corrective action—

(i) With respect to an LEA that fails to make AYP, as defined under §§ 200.13 through 200.20, by the end of the second full school year following the year in which the LEA administered the assessments that resulted in the LEA’s failure to make AYP for a second consecutive year and led to the SEA’s identification of the LEA for improvement under paragraph (d) of this section; and

(ii) With respect to an LEA that was in corrective action status on January 7, 2002; and

(3) May remove an LEA from corrective action if, on the basis of assessments administered by the LEA during the 2001–2002 school year, it makes AYP for a second consecutive year.

(f) *Delay of corrective action.* (1) The SEA may delay implementation of corrective action under §200.53 for a period not to exceed one year if—

(i) The LEA makes AYP for one year; or

(ii) The LEA's failure to make AYP is due to exceptional or uncontrollable circumstances, such as a natural disaster or a precipitous and unforeseen decline in the LEA's financial resources.

(2)(i) The SEA may not take into account the period of delay referred to in paragraph (f)(1) of this section in determining the number of consecutive years the LEA has failed to make AYP; and

(ii) The SEA must subject the LEA to further actions following the period of delay as if the delay never occurred.

(g) *Continuation of public school choice and supplemental educational services.* An SEA must ensure that an LEA identified under paragraph (d) or (e) of this section continues to offer public school choice in accordance with §200.44 and supplemental educational services in accordance with §200.45.

(h) *Removal from improvement or corrective action status.* If an LEA makes AYP for two consecutive years following identification for improvement under paragraph (d) or corrective action under paragraph (e) of this section, the SEA need no longer—

(1) Identify the LEA for improvement; or

(2) Subject the LEA to corrective action for the succeeding school year.

(i) Communicate with parents throughout the review of an LEA under §200.50; and

(ii) Ensure that, regardless of the method or media used, it provides information to parents—

(A) In an understandable and uniform format, including alternative formats upon request; and

(B) To the extent practicable, in a language that parents can understand.

(2) The SEA must provide information to the parents of each student enrolled in a school served by the LEA—

(i) Directly, through such means as regular mail or e-mail, except that if an SEA does not have access to individual student addresses, it may provide information to the LEA or school for distribution to parents; and

(ii) Through broader means of dissemination such as the Internet, the media, and public agencies serving the student population and their families.

(3) All communications must respect the privacy of students and their families.

(ii) Meets the equal expenditure requirements under paragraph (a) of section; and

(iii) Provides private school children with an opportunity to participate that—

ALLOCATIONS TO LEAS

§ 200.70 Allocation of funds to LEAs in general.

(a) The Secretary allocates basic grants, concentration grants, targeted grants, and education finance incentive grants, through SEAs, to each eligible LEA for which the Bureau of the Census has provided data on the number of children from low-income families residing in the school attendance areas of the LEA (hereinafter referred to as the “Census list”).

(b) In establishing eligibility and allocating funds under paragraph (a) of this section, the Secretary counts children ages 5 to 17, inclusive (hereinafter referred to as “formula children”)—

(1) From families below the poverty level based on the most recent satisfactory data available from the Bureau of the Census;

(2) From families above the poverty level receiving assistance under the Temporary Assistance for Needy Families program under Title IV of the Social Security Act;

(3) Being supported in foster homes with public funds; and

(4) Residing in local institutions for neglected children.

(c) Except as provided in §§ 200.72, 200.75, and 200.100, an SEA may not change the Secretary’s allocation to any LEA that serves an area with a total census population of at least 20,000 persons.

(d) In accordance with § 200.74, an SEA may use an alternative method, approved by the Secretary, to distribute the State’s share of basic grants, concentration grants, targeted grants, and education finance incentive grants to LEAs that serve an area with

a total census population of less than 20,000 persons.

(1) At least 10; and

(2) Greater than two percent of the LEA's total population ages 5 to 17 years, inclusive.

(b) *Concentration grants.* An LEA is eligible for a concentration grant if—

(1) The LEA is eligible for a basic grant under paragraph (a) of this section; and

(2) The number of formula children exceeds—

(i) 6,500; or

(ii) 15 percent of the LEA's total population ages 5 to 17 years, inclusive.

(c) *Targeted grants.* An LEA is eligible for a targeted grant if the number of formula children is—

(1) At least 10; and

(2) At least five percent of the LEA's total population ages 5 to 17 years, inclusive.

(d) *Education finance incentive grants.* An LEA is eligible for an education finance incentive grant if the number of formula children is—

(1) At least 10; and

§ 200.72 Procedures for adjusting allocations determined by the Secretary to account for eligible LEAs not on the Census list.

(a) *General.* For each LEA not on the Census list (hereinafter referred to as a

"new" LEA), an SEA must determine the number of formula children and the number of children ages 5 to 17, inclusive, in that LEA.

(b) *Determining LEA eligibility.* An SEA must determine basic grant, concentration grant, targeted grant, and education finance incentive grant eligibility for each new LEA and re-determine eligibility for the LEAs on the Census list, as appropriate, based on the number of formula children and children ages 5 to 17, inclusive, determined in paragraph (a) of this section.

(c) *Adjusting LEA allocations.* An SEA must adjust the LEA allocations calculated by the Secretary to determine allocations for eligible new LEAs based on the number of formula children determined in paragraph (a) of this section.

§ 200.73 Applicable hold-harmless provisions.

(a) *General.* (1) Except as authorized under paragraph (c) of this section and § 200.100(d)(2), an SEA may not reduce the allocation of an eligible LEA below the hold-harmless amounts established under paragraph (a)(4) of this section.

(2) The hold-harmless protection limits the maximum reduction of an LEA's allocation compared to the LEA's allocation for the preceding year.

(3) Except as provided in § 200.100(d), an SEA must apply the hold-harmless requirement separately for basic grants, concentration grants, targeted grants, and education finance incentive grants as described in paragraph (a)(4) of this section.

(4) Under section 1122(c) of the ESEA, the hold-harmless percentage varies based on the LEA's proportion of formula children, as shown in the following table:

LEA's number of formula children ages 5 to 17, inclusive, as a percentage of its total population of children ages 5 to 17, inclusive	Hold-harmless percentage	Applicable grant formulas
(i) 30% or more	95	Basic Grants, Concentration Grants, Targeted Grants, and Education Finance Incentive Grants.
(ii) 15% or more but less than 30%	90	
(iii) Less than 15%	85	

(b) *Targeted grants and education finance incentive grants.* The number of formula children used to determine the hold-harmless percentage is the number before applying the weights described in section 1125 and section 1125A of the ESEA.

(c) *Adjustment for insufficient funds.* If the amounts made available to the State are insufficient to pay the full amount that each LEA is eligible to receive under paragraph (a)(4) of this section, the SEA must ratably reduce the allocations for all LEAs in the State to the amount available.

(d) *Eligibility for hold-harmless protection.* (1) An LEA must meet the eligibility requirements for a basic grant, targeted grant, or education finance incentive grant under §200.71 in order for the applicable hold-harmless provision to apply.

(2) An LEA not meeting the eligibility requirements for a concentration grant under §200.71 must be paid its hold-harmless amount for four consecutive years.

§200.74 Use of an alternative method to distribute grants to LEAs with fewer than 20,000 total residents.

(a) For eligible LEAs serving an area with a total census population of less than 20,000 persons (hereinafter referred to as “small LEAs”), an SEA may apply to the Secretary to use an alternative method to distribute basic grant, concentration grant, targeted grant, and education finance incentive grant funds.

(b) In its application, the SEA must—
 (1) Identify the alternative data it proposes to use; and

(2) Assure that it has established a procedure through which a small LEA that is dissatisfied with the determina-

tion of its grant may appeal directly to the Secretary.

(c) The SEA must base its alternative method on population data that best reflect the current distribution of children from low-income families among the State’s small LEAs and use the same poverty measure consistently for small LEAs across the State for all Title I, part A programs.

(d) Based on the alternative poverty data selected, the SEA must—

(1) Re-determine eligibility of its small LEAs for basic grants, concentration grants, targeted grants, and education finance incentive grants in accordance with §200.71;

(2) Calculate allocations for small LEAs in accordance with the provisions of sections 1124, 1124A, 1125, and 1125A of the ESEA, as applicable; and

(3) Ensure that each LEA receives the hold-harmless amount to which it is entitled under §200.73.

(e) The amount of funds available for redistribution under each formula is the separate amount determined by the Secretary under sections 1124, 1124A, 1125, and 1125A of the ESEA for eligible small LEAs after the SEA has made the adjustments required under §200.72(c).

(f) If the amount available for redistribution to small LEAs under an alternative method is not sufficient to satisfy applicable hold-harmless requirements, the SEA must ratably reduce all eligible small LEAs to the amount available.

(a) In a State in which the number of formula children is less than 0.25 percent of the national total on January 8,

2002 (hereinafter referred to as a “small State”), an SEA may either—

(1) Allocate concentration grants among eligible LEAs in the State in accordance with §§200.72 through 200.74, as applicable; or

(2) Without regard to the allocations determined by the Secretary—

(i) Identify those LEAs in which the number or percentage of formula children exceeds the statewide average number or percentage of those children; and

(ii) Allocate concentration grant funds, consistent with §200.73, among the LEAs identified in paragraph (a)(2)(i) of this section based on the number of formula children in each of those LEAs.

(b) If the SEA in a small State uses an alternative method under §200.74, the SEA must use the poverty data approved under the alternative method to identify those LEAs with numbers or percentages of formula children that exceed the statewide average number or percentage of those children for the State as a whole.

§200.77 Reservation of funds by an LEA.

Before allocating funds in accordance with §200.78, an LEA must reserve funds as are reasonable and necessary to—

(a) Provide services comparable to those provided to children in participating school attendance areas and schools to serve—

(1) Homeless children who do not attend participating schools, including providing educationally related support services to children in shelters and other locations where homeless children may live;

(2) Children in local institutions for neglected children; and

(3) If appropriate—

(i) Children in local institutions for delinquent children; and

(ii) Neglected and delinquent children in community-day school programs;

(c) Meet the requirements for choice-related transportation and supplemental educational services in §200.48, unless the LEA meets these requirements with non-Title I funds;

(d) Address the professional development needs of instructional staff, including—

(1) Professional development requirements under §200.52(a)(3)(iii) if the LEA has been identified for improvement or corrective action; and

(2) Professional development expenditure requirements under §200.60;

(e) Meet the requirements for parental involvement in section 1118(a)(3) of the ESEA;

(f) Administer programs for public and private school children under this part, including special capital expenses, if any, incurred in providing services to eligible private school children, such as—

§200.78 Allocation of funds to school attendance areas and schools.

(a)(1) An LEA must allocate funds under subpart A of this part to school attendance areas and schools, identified as eligible and selected to participate under section 1113(a) or (b) of the

ESEA, in rank order on the basis of the total number of children from low-income families in each area or school.

(2)(i) In calculating the total number of children from low-income families, the LEA must include children from low-income families who attend private schools.

(ii) To obtain a count of private school children, the LEA may—

(A) Use the same poverty data the LEA uses to count public school children;

(B)(1) Use comparable poverty data from a survey of families of private school students that, to the extent possible, protects the families' identity; and

(2) Extrapolate data from the survey based on a representative sample if complete actual data are unavailable;

(C) Use comparable poverty data from a different source, such as scholarship applications;

(D) Apply the low-income percentage of each participating public school attendance area to the number of private school children who reside in that school attendance area; or

(E) Use an equated measure of low income correlated with the measure of low income used to count public school children.

(iii) An LEA may count private school children from low-income families every year or every two years.

(iv) After timely and meaningful consultation in accordance with §200.63, the LEA shall have the final authority in determining the method used to calculate the number of private school children from low-income families;

(3) If an LEA ranks its school attendance areas and schools by grade span groupings, the LEA may determine the percentage of children from low-income families in the LEA as a whole or for each grade span grouping.

(b)(1) Except as provided in paragraphs (b)(2) and (d) of this section, an LEA must allocate to each participating school attendance area or school an amount for each low-income child that is at least 125 percent of the per-pupil amount of funds the LEA received for that year under part A, subpart 2 of Title I. The LEA must calculate this per-pupil amount before it reserves funds under §200.77, using the

poverty measure selected by the LEA under section 1113(a)(5) of the ESEA.

(2) If an LEA is serving only school attendance areas or schools in which the percentage of children from low-income families is 35 percent or more, the LEA is not required to allocate a per-pupil amount of at least 125 percent.

(c) An LEA is not required to allocate the same per-pupil amount to each participating school attendance area or school provided the LEA allocates higher per-pupil amounts to areas or schools with higher concentrations of poverty than to areas or schools with lower concentrations of poverty.

(d) An LEA may reduce the amount of funds allocated under this section to a school attendance area or school if the area or school is spending supplemental State or local funds for programs that meet the requirements in §200.79(b).

(e) If an LEA contains two or more counties in their entirety, the LEA must distribute to schools within each county a share of the LEA's total grant that is no less than the county's share of the child count used to calculate the LEA's grant.

(2) *Needs assessment.* The plan must include an identification and assessment of—

(i) The unique educational needs of migratory children that result from the children’s migratory lifestyle; and

(ii) Other needs of migratory students that must be met in order for migratory children to participate effectively in school.

SOURCE: 67 FR 71738, Dec. 2, 2002, unless otherwise noted.

§ 200.100 Reservation of funds for school improvement, State administration, and the State academic achievement awards program.

A State must reserve funds for school improvement, State administration, and State academic achievement awards as follows:

(a) *School improvement.* (1) To carry out school improvement activities authorized under sections 1116 and 1117 of the ESEA, an SEA must first reserve—

(i) Two percent from the sum of the amounts allocated to the State under section 1002(a) of the ESEA for fiscal years 2002 and 2003; and

(ii) Four percent from the sum of the amounts allocated to the State under section 1002(a) of the ESEA for fiscal year 2004 and succeeding years.

(2) In reserving funds under paragraph (a)(1) of this section, a State may not reduce the sum of the allocations an LEA receives under section 1002(a) of the ESEA below the sum of the allocations the LEA received under

section 1002(a) for the preceding fiscal year.

(3) If funds under section 1002(a) are insufficient in a given fiscal year to implement both paragraphs (a)(1) and (2) of this section, a State is not required to reserve the full amount required under paragraph (a)(1) of this section.

(b) *State administration.* (1) An SEA may reserve for State administrative activities authorized in sections 1004 and 1903 of the ESEA no more than the greater of—

(i) One percent from each of the amounts allocated to the State or Outlying Area under section 1002(a), (c), and (d) of the ESEA; or

(ii) \$400,000 (\$50,000 for the Outlying Areas).

(2)(i) An SEA reserving \$400,000 under paragraph (b)(1)(ii) of this section must reserve proportionate amounts from each of the amounts allocated to the State or Outlying Area under section 1002(a), but is not required to reserve proportionate amounts from section 1002(a), (c), and (d) of the ESEA.

(ii) If an SEA reserves funds from the amounts allocated to the State or Outlying Area under section 1002(c) or (d) of the ESEA, the SEA may not reserve from those allocations more than the amount the SEA would have reserved if it had reserved proportionate amounts from section 1002(a), (c), and (d) of the ESEA.

(3) If the sum of the amounts allocated to all the States under section 1002(a), (c), and (d) of the ESEA is greater than \$14,000,000,000, an SEA may not reserve more than one percent of the amount the State would receive if \$14,000,000,000 had been allocated among the States under section 1002(a), (c), and (d) of the ESEA.

(4) An SEA may use the funds it has reserved under paragraph (b) of this section to perform general administrative activities necessary to carry out, at the State level, any of the programs authorized under Title I, parts A, C, and D of the ESEA.

(c) *State academic achievement awards program.* To operate the State academic achievement awards program authorized under section 1117(b)(1) and (c)(2)(A) of the ESEA, an SEA may reserve up to five percent of the excess

amount the State receives under section 1002(a) of the ESEA when compared to the amount the State received under section 1002(a) of the ESEA in the preceding fiscal year.

(d) *Reservations and hold-harmless.* In reserving funds under paragraphs (b) and (c) of this section, an SEA may—

(1) Proportionately reduce each LEA’s total allocation received under section 1002(a) of the ESEA while ensuring that no LEA receives in total less than the hold-harmless percentage under §200.73(a)(4), except that, when the amount remaining is insufficient to pay all LEAs the hold-harmless amount provided in §200.73, the SEA shall ratably reduce each LEA’s hold-harmless allocation to the amount available; or

(2) Proportionately reduce each LEA’s total allocation received under section 1002(a) of the ESEA even if an LEA’s total allocation falls below its hold-harmless percentage under §200.74(a)(3).

(a) The Secretary considers as eligible for forgiveness under section 8012 of the Act (“eligible overpayment”) any overpayment amount that is more than an LEA was eligible to receive for a particular fiscal year under Public Law 81–874, Public Law 81–815, or the Act (except for the types of overpayments listed in § 222.13), and that—

(1) Remains owing on or after July 31, 1997;

(2) Is the subject of a written request for forgiveness filed by the LEA before July 31, 1997; or

(3) Is the subject of a pending, timely written request for an administrative hearing or reconsideration, and has not previously been reviewed under §§ 222.12–222.18.

(b) The Secretary applies §§ 222.14–222.18 in forgiving, in whole or part, an LEA’s obligation to repay an eligible overpayment that resulted from error either by the LEA or the Secretary.

§ 222.13 What overpayments are not eligible for forgiveness under section 8012 of the Act?

The Secretary does not consider the following overpayments to be eligible for forgiveness under section 8012 of the Act:

(a) Any overpayment under section 7 of Public Law 81–874 or section 16 of Public Law 81–815.

(b) An amount received by an LEA, as determined under section 8003(g) of the Act (payments to LEAs for certain federally connected children with severe disabilities, implemented in subpart F of this part), that exceeds the LEA’s maximum basic support payment under section 8003(b) of the Act.

(c) Any overpayment caused by an LEA’s failure to expend or account for funds properly in accordance with the following laws and regulations:

(1) Section 8003(d) of the Act (implemented in subpart D of this part) or section 3(d)(2)(C) of Public Law 81–874 for certain federally connected children with disabilities.

§ 222.14 What requirements must a local educational agency meet for an eligible overpayment to be forgiven in whole or part?

The Secretary forgives an eligible overpayment, in whole or part as described in § 222.18, if—

(a) An LEA submits to the Department’s Impact Aid Program office a written request for forgiveness by the later of—

(1) Thirty days from the LEA’s initial receipt of a written notice of the overpayment; or

(2) September 2, 1997;

(b) The LEA submits to the Department’s Impact Aid Program office the information and documentation described in § 222.16 by the deadlines described in paragraph (a) of this section, or other time limit established in writing by the Secretary due to lack of availability of the information and documentation; and

(c) The Secretary determines under § 222.17 that—

(1) In the case either of an LEA’s or the Department’s error, repayment of

the LEA's total eligible overpayments will result in an undue financial hardship on the LEA and seriously harm the LEA's educational program; or

(2) In the case of the Department's error, determined on a case-by-case basis, repayment would be manifestly unjust ("manifestly unjust repayment exception").

[62 FR 35413, July 1, 1997]

§222.15 How are the filing deadlines affected by requests for other forms of relief?

Unless the Secretary (or the Secretary's delegatee) extends the applicable time limit in writing—

(a) A request for forgiveness of an overpayment under §222.14 does not extend the time within which an applicant must file a request for an administrative hearing under §222.151; and

(b) A request for an administrative hearing under §222.151, or for reconsideration under §222.152, does not extend the time within which an applicant must file a request for forgiveness under §222.14.

(Authority: 20 U.S.C. 7712)

[62 FR 35413, July 1, 1997]

§222.16 What information and documentation must an LEA submit for an eligible overpayment to be considered for forgiveness?

(a) Every LEA requesting forgiveness must submit, within the time limits established under §222.14(b), the following information and documentation for the fiscal year immediately preceding the date of the forgiveness request ("preceding fiscal year"):

(1) A copy of the LEA's annual financial report to the State.

(2) The LEA's local real property tax rate for current expenditure purposes, as described in §222.17(b).

(3) The average local real property tax rate of all LEAs in the State.

(4) The average per pupil expenditure (APPE) of the LEA, calculated by dividing the LEA's aggregate current expenditures by the total number of children in average daily attendance for whom the LEA provided a free public education.

(5) The APPE of the State, as defined in section 8013 of the ESEA.

(b) An LEA requesting forgiveness under §222.14(c)(2) (manifestly unjust repayment exception), or §222.17(a)(3) (no present or prospective ability to repay), also must submit written information and documentation in specific support of its forgiveness request under those provisions within the time limits established under §222.14(b).

[62 FR 35413, July 1, 1997]

§222.17 How does the Secretary determine undue financial hardship and serious harm to a local educational agency's educational program?

(a) The Secretary determines that repayment of an eligible overpayment will result in undue financial hardship on an LEA and seriously harm its educational program if the LEA meets the requirements in paragraph (a)(1), (2), or (3) of this section.

(1) An LEA other than an LEA described in paragraphs (a)(2) and (3) of this section meets the requirements of paragraph (a) of this section if—

(i) The LEA's eligible overpayments on the date of its request total at least \$10,000;

(ii) The LEA's local real property tax rate for current expenditure purposes, for the preceding fiscal year, is equal to or higher than the State average local real property tax rate for that preceding fiscal year; and

(iii) The LEA's average per pupil expenditure (APPE) (as described in §222.16(a)(4)) for the preceding fiscal year is lower than the State APPE (as described in §222.16(a)(5)) for that preceding fiscal year.

(2) The following LEAs qualify under paragraph (a) of this section if they meet the requirements in paragraph (a)(1)(i) of this section and their APPE (as described in §222.16(a)(4)) for the preceding fiscal year does not exceed 125 percent of the State APPE (as described in §222.16(a)(5)) for that preceding fiscal year:

(i) An LEA with boundaries that are the same as a Federal military installation.

(ii) Other LEAs with no local real property tax revenues, or with minimal local real property tax revenues per pupil due to substantial amounts of

Federal property in the LEA as compared with the average amount of those revenues per pupil for all LEAs in the State.

(3) An LEA qualifies under paragraph (a) of this section if neither the successor nor the predecessor LEA has the present or prospective ability to repay the eligible overpayment.

(b) The Secretary uses the following methods to determine a tax rate for the purposes of paragraph (a)(1)(ii) of this section:

(1) If an LEA is fiscally independent, the Secretary uses actual tax rates if all the real property in the taxing jurisdiction of the LEA is assessed at the same percentage of true value. In the alternative, the Secretary computes a tax rate for fiscally independent LEAs by using the methods described in §§ 222.67–222.69.

(2) If an LEA is fiscally dependent, the Secretary imputes a tax rate using the method described in § 222.70(b).

(Authority: 20 U.S.C. 7712)

[62 FR 35413, July 1, 1997]

§ 222.18 What amount does the Secretary forgive?

For an LEA that meets the requirements of § 222.14(a) (timely filed forgiveness request) and § 222.14(b) (timely filed information and documentation), the Secretary forgives an eligible overpayment as follows:

(a) *Forgiveness in whole.* The Secretary forgives the eligible overpayment in whole if the Secretary determines that the LEA meets—

(1) The requirements of § 222.17 (undue financial hardship), and the LEA's current expenditure closing balance for the LEA's fiscal year immediately preceding the date of its forgiveness request ("preceding fiscal year") is ten percent or less of its total current expenditures (TCE) for that year; or

(2) The manifestly unjust repayment exception in § 222.14(c)(2).

(b) *Forgiveness in part.* (1) The Secretary forgives the eligible overpayment in part if the Secretary determines that the LEA meets the requirements of § 222.17 (undue financial hardship), and the LEA's preceding fiscal year's current expenditure closing bal-

ance is more than ten percent of its TCE for that year.

(2) For an eligible overpayment that is forgiven in part, the Secretary—

(i) Requires the LEA to repay the amount by which the LEA's preceding fiscal year's current expenditure closing balance exceeded ten percent of its preceding fiscal year's TCE ("calculated repayment amount"); and

(ii) Forgives the difference between the calculated repayment amount and the LEA's total overpayments.

(3) For the purposes of this section, "current expenditure closing balance" means an LEA's closing balance before any revocable transfers to non-current expenditure accounts, such as capital outlay or debt service accounts.

Example: An LEA that timely requests forgiveness has two overpayments of which portions remain owing on the date of its request—one of \$200,000 and one of \$300,000. Its preceding fiscal year's closing balance is \$250,000 (before a revocable transfer to a capital outlay or debt service account); and 10 percent of its TCE for the preceding fiscal year is \$150,000.

The Secretary calculates the amount that the LEA must repay by determining the amount by which the preceding fiscal year's closing balance exceeds 10 percent of the preceding year's TCE. This calculation is made by subtracting 10 percent of the LEA's TCE (\$150,000) from the closing balance (\$250,000), resulting in a difference of \$100,000 that the LEA must repay. The Secretary then totals the eligible overpayment amounts (\$200,000 + \$300,000), resulting in a total amount of \$500,000. The Secretary subtracts the calculated repayment amount (\$100,000) from the total of the two overpayment balances (\$500,000), resulting in \$400,000 that the Secretary forgives.

Subpart B—Payments for Federal Property Under Section 8002 of the Act

§ 222.20 What definitions apply to this subpart?

In addition to the terms referenced or defined in § 222.2, the following definitions apply to this subpart:

Acquisition or acquired by the United States. (1) The term means—

(i) The receipt or taking by the United States of ownership in fee simple of real property by condemnation, exchange, gift, purchase, transfer, or other arrangement;

(ii) The receipt by the United States of real property as trustee for the benefit of individual Indians or Indian tribes; or

(iii) The imposition by the United States of restrictions on sale, transfer, or exchange of real property held by individual Indians or Indian tribes.

(2) The definition of “acquisition” in 34 CFR 77.1(c) (Definitions that Apply to Department Regulations) of this title does not apply to this subpart.

(Authority: 20 U.S.C. 7702)

Assessed value. For the purpose of determining eligibility under section 8002(a)(1) and § 222.21, the following definition applies:

(1) The term means the value that is assigned to real property, for the purpose of generating local real property tax revenues for current expenditures (as defined in section 8013 of the Act), by a State or local official who is legally authorized to determine that assessed value.

(2) The term does not include—

(i) A value assigned to tax-exempt real property;

(ii) A value assigned to real property for the purpose of generating other

types of revenues, such as payments in lieu of taxes (PILOTs);

(iii) Fair market value, or a percentage of fair market value, of real property unless that value was actually used to generate local real property tax revenues for current expenditures (as defined in section 8013); or

(iv) A value assigned to real property in a condemnation or other court proceeding, or a percentage of that value, unless that value was actually used to generate local real property tax revenues for current expenditures (as defined in section 8013).

(Authority: 20 U.S.C. 7702(a)(1))

Eligible Federal property. (1) The term means “Federal property” as defined in § 222.2(c) for section 8002, which meets the following additional requirements:

(i) The United States has acquired the Federal property since 1938; and

(ii) The Federal property was not acquired by exchange for other Federal property that the United States owned within the school district before 1939.

(2) In addition, for local educational agencies (LEAs) that are eligible under § 222.21(a)(2), the term also means land acquired by the United States Forest Service between 1915 and 1990.

(Authority: 20 U.S.C. 7702)

§ 222.21 What requirements must a local educational agency meet concerning Federal acquisition of real property within the local educational agency?

(a) For an LEA with an otherwise approvable application to be eligible to receive financial assistance under section 8002, the LEA must meet the requirements in subpart A of these regulations and § 222.22, and, unless otherwise provided by statute as meeting the requirements in section 8002(a)(1)(C), document—

(1) That the United States owns or has acquired “eligible Federal property” within the LEA, that has an aggregate assessed value of 10 percent or more of the assessed value of—

(i) All real property in that LEA, based upon the assessed values of the eligible Federal property and of all real property (including that Federal property) on the date or dates of acquisition of the eligible Federal property; or

(ii) All real property in the LEA as assessed in the first year preceding or succeeding acquisition, whichever is greater, only if—

(A) The assessment of all real property in the LEA is not made at the same time or times that the Federal property was so acquired and assessed; and

(B) State law requires an assessment be made of property so acquired; or

(2)(i) That, as demonstrated by written evidence from the United States Forest Service satisfactory to the Secretary, the LEA contains between 20,000 and 60,000 acres of land that has been acquired by the United States Forest Service between 1915 and 1990; and

(ii) That the LEA serves a county chartered by State law in 1875 or 1890.

(b) “Federal property” described in section 8002(d) (certain transferred property) is considered to be owned by the United States for the purpose of paragraph (a) of this section.

(c) If, during any fiscal year, the United States sells, transfers, is otherwise divested of ownership of, or relinquishes an interest in or restriction on, eligible Federal property, the Secretary redetermines the LEA’s eligibility for the following fiscal year, based upon the remaining eligible Federal property, in accordance with paragraph (a) of this section. This paragraph does not apply to a transfer of real property by the United States described in section 8002(d).

(d) Except as provided under paragraph (a)(2) of this section, the Secretary’s determinations and redeterminations of eligibility under this section are based on the following documents:

(1) For a new section 8002 applicant or newly acquired eligible Federal property, only upon—

(i) Original records as of the time(s) of Federal acquisition of real property, prepared by a legally authorized official, documenting the assessed value of that real property; or

(ii) Facsimiles of those records such as microfilm or other reproduced copies.

(2) For a redetermination of an LEA’s eligibility under section 8002(a)(1), only upon—

- (i) Records described in paragraph (d)(1) of this section; or
- (ii) Department records.

(e) The Secretary does not base the determination or redetermination of an LEA's eligibility under this section upon secondary documentation such as estimates, certifications, or appraisals.

(Authority: 20 U.S.C. 7702(a)(1))

§ 222.22 How does the Secretary treat compensation from Federal activities for purposes of determining eligibility and payments?

(a) An LEA with an otherwise approvable application is eligible to receive assistance under section 8002 for a fiscal year only if the LEA meets the requirements in subpart A of these regulations and § 222.21, and is not substantially compensated, for the loss in revenue resulting from Federal ownership of real property by increases in revenue accruing to the LEA during the previous fiscal year from Federal activities with respect to the eligible Federal property in the LEA.

(b) The Secretary considers that an LEA is substantially compensated by increases in revenue from Federal activities with respect to the eligible Federal property if—

(1) The LEA received new or increased revenue during the preceding fiscal year that is generated directly from the eligible Federal property or activities in or on that property; and

(2) The revenue described in paragraph (b)(1) of this section equals or exceeds the maximum payment amount under section 8002(b) for the fiscal year for which the LEA seeks assistance.

(c) If an LEA described in paragraph (a) of this section received revenue described in paragraph (b)(1) of this section during the preceding fiscal year that is less than the maximum payment amount calculated under section 8002(b)(2) for the fiscal year for which the LEA seeks assistance, the Secretary reduces that maximum payment amount by the amount of that revenue received by the LEA.

(d) For purposes of this section, the amount of revenue that an LEA receives during the previous fiscal year from activities conducted on Federal property does not include the following:

(1) Payments received by the agency from the Secretary of Defense to support—

(i) The operation of a domestic dependent elementary or secondary school; or

(ii) The provision of a free public education to dependents of members of the Armed Forces residing on or near a military installation.

(2) Federal payments-in-lieu-of-taxes (PILOTs or PILTs), including PILTs for Federal entitlement lands authorized by Public Law 97-258, 31 U.S.C. 6901—6906.

[60 FR 50778, Sept. 29, 1995, as amended at 62 FR 35414, July 1, 1997]

§ 222.23 How does a local official determine the aggregate assessed value of eligible Federal property for the purpose of a local educational agency's section 8002 payment?

(a) The aggregate assessed value of eligible Federal property for the purpose of an LEA's section 8002 payment must be determined, by a local official responsible for assessing the value of real property located in the jurisdiction of the LEA for the purpose of levying a property tax, as follows:

(1) The local official first determines a fair market value (FMV) for the eligible Federal property in each Federal installation or other federally owned property (e.g., Federal forest), based on the highest and best use of taxable properties adjacent to the eligible Federal property.

(2) The local official then determines a section 8002 assessed value for each Federal installation or federally owned property by adjusting the FMV established in paragraph (a)(1) of this section by any percentage, ratio, index, or other factor that the official would use, if the eligible Federal property were taxable, to determine its assessed value for the purpose of generating local real property tax revenues for current expenditures. In making this adjustment, the official may assume that there was a transfer of ownership of the eligible Federal property for the year for which the section 8002 assessed value is being determined.

(3) The local official then calculates the aggregate section 8002 assessed value for all eligible Federal property in the LEA by adding the section 8002 assessed values for each different Federal installation or federally owned property determined in paragraph (a)(2) of this section.

Example: Two different Federal properties are located within an LEA—a Federal forest, and a naval facility. Based upon the highest and best use of taxable properties adjacent to the eligible Federal property, the local assessor establishes a FMV for the Federal forest of \$1 million (woodland), and a FMV for the naval facility of \$3 million (50 percent residential and 50 percent commercial/industrial). Assessed values in that taxing jurisdiction are determined by multiplying the FMV of property by an assessment ratio—the assessment ratio for woodland property is 30 percent of FMV, for residential 60 percent of FMV, and for commercial 75 percent of FMV.

To determine the section 8002 assessed value of the Federal forest, the assessor multiplies the FMV for that property (\$1,000,000) by 30 percent (the assessment ratio for woodland property), resulting in a section 8002 assessed value of \$300,000.

To determine the section 8002 assessed value for the naval facility, the assessor first must determine the portion of the total FMV attributable to each property type if that portion has not already been established. To make this determination for the residential portion, the assessor could multiply the total FMV (\$3,000,000) for the naval facility by 50 percent (the portion of residential property), resulting in a \$1.5 million FMV for the residential property. To determine a section 8002 assessed value for this residential portion, the assessor then would multiply the \$1.5 million by 60 percent (assessment ratio for residential property), resulting in \$900,000.

Similarly, to determine the portion of the FMV for the naval facility attributable to the commercial/industrial property, the assessor could multiply the total FMV (\$3,000,000) by 50 percent (the portion of commercial/industrial property), resulting in \$1.5 million. To determine the section 8002 assessed value for this commercial/industrial portion, the official then would multiply the \$1.5 million by 75 percent (the assessment ratio for commercial/industrial property), resulting in \$1,025,000. The assessor then must add the section 8002 assessed value figures for the residential portion (\$900,000) and for the commercial/industrial portion (\$1,025,000), resulting in a total section 8002 assessed value for the entire naval facility of \$1,925,000.

Finally, the assessor determines the aggregate section 8002 assessed value for the LEA by adding the section 8002 assessed value for the Federal forest (\$300,000), and the section 8002 assessed value for the naval facility (\$1,925,000), resulting in an aggregate assessed value of \$2,325,000.

(b) For the purpose of this section, the terms listed below have the following meanings:

(1) *Adjacent* means next to or close to the eligible Federal property. In most cases, this will be the closest taxable parcels.

(2)(i) *Highest and best use* of a parcel of adjacent property means the FMV of that parcel determined based upon a “highest and best use” standard in accordance with State or local law or guidelines if available. To the extent that State or local law or guidelines are not available, “highest and best use” generally will be a reasonable fair market value based upon the current use of those properties. However, the local official may also consider the most developed and profitable use for which the adjacent taxable property is physically adaptable *and* for which there is a need or demand for that use in the near future.

(ii) A local official may not base the “highest and best use” value of adjacent taxable property upon potential uses that are speculative or remote.

(iii) If the taxable properties adjacent to the eligible Federal property have different highest and best uses, these different uses must enter into the local official’s determination of the FMV of the eligible Federal property under paragraph (a)(1) of this section.

Example: If a portion of a Federal installation to be valued has road or highway frontage with adjacent properties that are used for residential and commercial purposes, but the rest of the Federal installation is rural and vacant with adjacent properties that are agricultural, the local official must take into consideration the various uses of the adjacent properties (residential, commercial, and agricultural) in determining the FMV of the Federal property under paragraph (a)(1) of this section.

(a) The Secretary determines an LEA’s payment under section 8003(b) on the basis of information in the LEA’s application, including information regarding the membership of federally connected children.

(b) The LEA must supply information in its application regarding its federally connected membership on the

§ 222.33

basis of any count described in §§ 222.33 through 222.35.

(Authority: 20 U.S.C. 7703 and 7705)

§ 222.33 When must an applicant make its first or only membership count?

(a)(1) An applicant must select a day in the current school year as the survey date for making the first membership count, which must be no earlier than the fourth day of the regular school year and on or before January 31.

(2) The applicant must use the same survey date for all schools in the LEA.

(b) As of the survey date, the applicant must—

(1) Count the membership of its federally connected children; and

(2) Count the total membership of its children—both federally connected and non-federally connected.

(Approved by the Office of Management and Budget under control number 1810-0036)

(Authority: 20 U.S.C. 7703, 7705, 7706)

§ 222.34 If an applicant makes a second membership count, when must that count be made?

(a)(1) The applicant may, but is not required to, make a second count of membership.

(2) If the applicant chooses to make a second count of membership, the applicant must select a day after January 31, but no later than May 14, as the survey date for making the second membership count, and make that count in accordance with § 222.33(b).

(3) The applicant must use the same survey date for the second membership count for all schools in the LEA.

(b) The applicant may use the information obtained from a second membership count to amend its application for assistance as described in § 222.5(b)(1).

(Authority: 20 U.S.C. 7703 and 7705)

§ 222.35 How does a local educational agency count the membership of its federally connected children?

An applicant counts the membership of its federally connected children by

using one or both of the following methods:

(a) *Parent-pupil survey.* An applicant may conduct a parent-pupil survey to count the membership of its federally connected children, which must be counted as of the survey date.

(1) The applicant shall conduct a parent-pupil survey by providing a form to a parent of each pupil enrolled in the LEA to substantiate the pupil's place of residence and the parent's place of employment. A parent-pupil survey form must include the following:

(i) Pupil enrollment information (this information may also be obtained from school records), including—

- (A) Name of pupil;
- (B) Date of birth of the pupil; and
- (C) Name of public school and grade of the pupil.

(ii) Pupil residence and parent employment information, including—

(A) Address of the pupil's residence (or other location information for that residence, such as legal description), including the name of the Federal facility if the pupil's residence is on Federal property; and

(B) Name (as it appears on the employer's payroll record) of the parent (mother, father, legal guardian or other person standing in *loco parentis*) who is employed on Federal property and with whom the pupil resides (unless the parent is a member of the uniformed services on active duty);

(C) Name and address of the Federal property on which the parent is employed (or other location information, such as legal description), unless the parent is a member of the uniformed services on active duty;

(D) If the parent is a member of the uniformed services on active duty, the name, rank, and branch of service of that parent;

(E) If the parent is a civilian employed on a Federal vessel, the name of the vessel, hull number, and name of the controlling agency;

(F) The signature of the parent supplying the information and the date of such signature; and

(G) The name of the parent's employer and the employer's address (or other location information, such as legal description), unless a parent is a

member of the uniformed services on active duty.

(2) An LEA may accept a parent-pupil survey form, or a parent-pupil survey form that is signed by a person other than a parent, only under unusual circumstances. In those instances, the parent-pupil survey form must show why the parent did not sign the survey form, and when, how, and from whom the residence and employment information was obtained.

(b) *Source check.* (1) An applicant may count the membership of its federally connected children by using a source check to substantiate a pupil's place of residence or parent's place of employment on the survey date.

(2) A source check is a form provided—

(i) To a parent's employer, on which the employer certifies as to the place of employment of a parent of a pupil claimed;

(ii) To a housing official, on which the official certifies as to the residence of each pupil claimed; or

(iii) To a tribal official, on which the official certifies as to the residence of each pupil claimed residing on Indian lands over which that tribal official has jurisdiction.

§222.36 What minimum number of federally connected children must a local educational agency have to receive a payment on behalf of those children under section 8003(b) and (e)?

(a) Except as provided in paragraph (d) of this section, an LEA is eligible to receive a payment under section 8003(b) (basic support and learning opportunity threshold) and (e) (hold harmless) for a fiscal year only if the total number of its eligible federally connected children for whom it provided a free public education for the preceding fiscal year was—

(1) At least 400 who were in average daily attendance (ADA); or

(2) At least 3 percent of the total number of children in ADA.

(b) Except as provided in paragraph (d) of this section, an applicant LEA is eligible to receive a payment under

section 8003 for a fiscal year on behalf of federally connected children described in section 8003(a)(1)(F) or (G) only if the total number of those children for whom it provided a free public education for the preceding fiscal year was at least—

(1) 1,000 in ADA; or

(2) 10 percent of the total number of children in ADA.

(c) Children described in paragraph (b) of this section are counted for the purposes of paragraph (a) of this section only if the applicant LEA is eligible to receive a payment on behalf of those children under section 8003.

(d) This section does not apply to hold harmless payments under section 8003(e) for fiscal year 1995.

[60 FR 50778, Sept. 29, 1995, as amended at 62 FR 35415, July 1, 1997]

§222.37 How does the Secretary calculate the average daily attendance of federally connected children?

(a) This section describes how the Secretary computes the ADA of federally connected children for each category in section 8003 to determine an applicant's payment.

(b) If an LEA is in a State that collects actual ADA data for purposes of distributing State aid for education, the Secretary calculates the ADA of that LEA's federally connected children for the current fiscal year payment as follows:

(1) Except as provided in paragraph (b)(3) of this section—

(i) By dividing the ADA of all the LEA's children for the second preceding fiscal year by the LEA's total membership on its survey date for the second preceding fiscal year (or, in the case of an LEA that conducted two membership counts in the second preceding fiscal year, by the average of the LEA's total membership on the two survey dates); and

(ii) By multiplying the figure determined in paragraph (b)(1)(i) of this section by the LEA's total membership of federally connected children in each subcategory described in section 8003 and claimed in the LEA's application for the current fiscal year payment (or, in the case of an LEA that conducts two membership counts, by the average

of the LEA's total membership of federally connected children in each subcategory on the two survey dates).

(2)(i) For purposes of this section, actual ADA means raw ADA data that have not been weighted or adjusted to reflect higher costs for specific types of students for purposes of distributing State aid for education.

(ii) If an LEA provides a program of free public summer school, attendance data for the summer session are included in the LEA's ADA figure in accordance with State law or practice.

(iii) An LEA's ADA count includes attendance data for children for whom it makes tuition arrangements with other educational entities.

(3) Attendance data are not counted for any child—

(i) Who is not physically present at school for the daily minimum time period required by the State, unless the child is—

(A) Participating via telecommunication or correspondence course programs that meet State standards; or

(B) Being served by a State-approved homebound instruction program for the daily minimum time period appropriate for the child; or

(ii) Attending the applicant's schools under a tuition arrangement with another LEA.

(c) If an LEA is in a State that does not collect ADA data for purposes of distributing State aid for education, the LEA or SEA shall submit data necessary for the Secretary to calculate the ADA of the LEA's federally connected children as follows:

(1) If an LEA is in a State that formerly collected ADA data for purposes of distributing State aid for education, the SEA may submit the total ADA and total membership data for the State for each of the last three fiscal years that ADA data were collected. The Secretary uses these data to calculate the ADA of the LEA's federally connected children by—

(i) Dividing the total ADA data by the total membership data for each of the three fiscal years and averaging the results; and

(ii) Multiplying the average determined in paragraph (c)(1)(i) of this section by the LEA's total membership of federally connected children as de-

scribed in paragraph (b)(1)(ii) of this section.

(2) An LEA may submit attendance data based on sampling conducted during the previous fiscal year. The sampling must include attendance data for all children for at least 30 school days. The data must be collected during at least three periods evenly distributed throughout the school year. Each collection period must consist of at least five consecutive school days. The Secretary uses these data to calculate the ADA of the LEA's federally connected children by—

(i) Determining the ADA of all children in the sample;

(ii) Dividing the figure obtained in paragraph (c)(2)(i) of this section by the LEA's total membership for the previous fiscal year; and

(iii) Multiplying the figure determined in paragraph (c)(2)(ii) of this section by the LEA's total membership of federally connected children for the current fiscal year, as described in paragraph (b)(1)(ii) of this section.

(3) If an LEA is in a State that distributes State aid for education based on data similar to attendance data, the SEA may request that the Secretary use those data to calculate the ADA of the LEA's federally connected children. If the Secretary determines that those data are, in effect, equivalent to attendance data, the Secretary allows use of the requested data and determines the method by which the ADA of the LEA's federally connected children will be calculated.

§222.38 What is the maximum basic support payment that a local educational agency may receive under section 8003(b)?

The maximum basic support payment that an LEA may receive under section 8003(b) for any fiscal year is the sum of its total weighted student units under section 8003(a)(2) for the federally connected children eligible to be counted as the basis for payment, multiplied by the greater of one of the following:

(a) One-half of the State average per pupil expenditure for the third fiscal

year preceding the fiscal year for which the LEA seeks assistance.

(b) One-half of the national average per pupil expenditure for the third fiscal year preceding the fiscal year for which the LEA seeks assistance.

(c) The comparable local contribution rate (LCR) determined in accordance with §§ 222.39–222.41.

(d) The State average per pupil expenditure multiplied by the local contribution percentage as defined in section 8013(8) of the Act.

(Authority: 20 U.S.C. 7703 (a), (b) and (c))

§ 222.39 How does a State educational agency identify generally comparable local educational agencies for local contribution rate purposes?

(a) To identify generally comparable LEAs within its State for LCR purposes, the State educational agency (SEA) for that State shall use data from the third fiscal year preceding the fiscal year for which the LCR is being computed to group all of its LEAs, including all applicant LEAs, as follows:

(1) *Grouping by grade span/legal classification alone.* Divide all LEAs into groups that serve the same grade span and then subdivide the grade span groups by legal classification, if the Secretary considers this classification relevant and sufficiently different from grade span within the State. As an alternative grade-span division, after consultation with the applicant LEAs in the State, divide all LEAs into elementary, secondary, or unified grade-span groups, as appropriate, within the State.

(2) *Grouping by grade span/legal classification and size.* (i) Divide all LEAs into groups by grade span (or the alternative grade-span groups described in paragraph (a)(1)) of this section and legal classification, if relevant and sufficiently different from grade span and size.

(ii) List all LEAs within each group in descending order by size as measured by ADA, placing the LEA with the *largest* ADA at the top of the list. A State that does not tabulate actual annual ADA shall use the same formula for establishing ADA for the purpose of ranking LEAs by size as the Department has approved for the purpose of

calculating payments under section 8003 for applicant LEAs in the State.

(iii) After consultation with the applicant LEAs in the State, divide each group into either two subgroups or three subgroups.

(iv) To determine the subgroups, divide each list at the point(s) that will result in as nearly equal numbers of LEAs in each subgroup as possible, so that no group is more than one LEA larger than any other group.

(3) *Grouping by grade span/legal classification and location.* Divide all LEAs into groups by grade span (or the alternative grade-span groups described in paragraph (a)(1) of this section) and, if relevant and sufficiently different from grade span and location, legal classification; then subdivide these groups by location, as determined by placement inside or outside a metropolitan statistical area (MSA) as defined by the U.S. Bureau of the Census. The Department will supply SEAs with lists of MSA classifications for their LEAs, and only the classifications on those lists will be recognized by the Department for the purposes of these regulations.

(4) *Grouping by grade span/legal classification, size, and location.* (i) Divide all LEAs into groups by grade span (or the alternative grade-span groups described in paragraph (a)(1) of this section) and, if relevant and sufficiently different from grade span, size, and location, legal classification; then subdivide these groups by size (into two or three subgroups for each grade span, as described in paragraph (a)(2) of this section); and further subdivide these groups by location (inside or outside an MSA).

(ii) In using both the size and location factors, the SEA shall subdivide according to the size factor before the location factor.

(b) After applying the following restrictions, the SEA shall compute an LCR according to the provisions of § 222.41 for each group of generally comparable LEAs identified under paragraph (a) of this section, as follows:

(1) The SEA shall not, when computing an LCR, include the following “significantly impacted” LEAs in any group of generally comparable LEAs:

(i) Any LEA having—in the third fiscal year preceding the fiscal year for which the LCR is being computed—20 percent or more of its ADA composed of children identified under section 8003(a)(1)(A)–(C).

(ii) Any LEA having—in the third fiscal year preceding the fiscal year for which the LCR is being computed—50 percent or more of its ADA composed of children identified under section 8003(a)(1)(A)–(G) who were eligible under § 222.36 to be counted as the basis for payment under section 8003.

(2) The SEA may not compute an LCR for any group that contains fewer than 10 LEAs.

(c)(1) For an applicant LEA that satisfies the requirements contained in paragraph (c)(3) of this section, the SEA, in consultation with the LEA, may select a subgroup of 10 or more generally comparable LEAs from the group identified under paragraph (a)(2) of this section that includes the applicant LEA.

(2) An LEA that otherwise meets either of the requirements of paragraph (c)(3) of this section but serves a different span of grades from all other LEAs in its State (and therefore cannot match any group of generally comparable LEAs under paragraph (a)(2) of this section) must be matched, for purposes of this paragraph (c) only, to a group using legal classification and size as measured by ADA. The group identified using legal classification and size will be the applicant's group under paragraph (a)(2) of this section for purposes of this paragraph (c) only.

(3) In order to qualify under paragraph (c) (1) or (2) of this section, an applicant LEA must either—

(i)(A) Be located entirely on Federal land; and

(B) Be raising either no local revenues or an amount of local revenues the Secretary determines to be minimal; or

(ii)(A) Be located in a State where State aid makes up no more than 40 percent of the State average per pupil expenditure in the third fiscal year preceding the fiscal year for which the LCR is being computed;

(B) In its application, have federally connected children identified under

section 8003(a)(1)(A)–(C) equal to at least 20 percent of its total ADA; and

(C) In its application, have federally connected children identified under section 8003(a)(1)(A)–(G) who were eligible under § 222.36 to be counted as the basis for payment under section 8003 equal to at least 50 percent of its total ADA.

(4) In the case of an applicant LEA that meets either of the requirements contained in paragraph (c)(3) of this section, the SEA, in consultation with the LEA, may select 10 or more generally comparable LEAs that share one or more common factors of general comparability with the eligible applicant LEA, as follows:

(i)(A) The SEA must consider one or more generally accepted, objectively defined factors that affect the applicant's cost of educating its children. Examples of such cost-related factors include location inside or outside an MSA, sparsity of population, an unusually large geographical area, economically depressed area, low-income families, children with disabilities, neglected or delinquent children, low-achieving children, children with limited English proficiency, and minority children.

(B) The SEA may not consider cost-related factors that can be varied at the discretion of the applicant LEA or its generally comparable LEAs or factors dependent on the wealth of the applicant LEA or its generally comparable LEAs. Examples of factors that may not be considered include special alternative curricular programs, pupil-teacher ratio, and per pupil expenditures.

(ii) The SEA must apply the factor or factors of general comparability recommended under paragraph (c)(4)(i)(A) of this section in one of the following ways in order to identify 10 or more generally comparable LEAs for the eligible applicant LEA, none of which may be significantly impacted LEAs:

(A) The SEA identifies all of the LEAs in the group to which the eligible applicant LEA belongs under paragraph (a)(2) of this section that share the recommended factor or factors. If the subgroup containing the eligible applicant LEA includes at least 10 other LEAs (excluding significantly

impacted LEAs), it will be the eligible applicant LEA's new group of generally comparable LEAs. The LCR for the eligible applicant LEA shall be computed using the data for all of the LEAs in the subgroup except the eligible applicant LEA.

Example. An eligible applicant LEA contains a designated economically depressed area, and the SEA recommends "economically depressed area" as an additional factor of general comparability. From the group of LEAs under paragraph (a)(2) of this section that includes the eligible applicant LEA, the SEA identifies two subgroups, those LEAs that contain a designated economically depressed area and those that do not. The entire subgroup identified by the SEA that includes the eligible applicant LEA is that LEA's new group of generally comparable LEAs if it contains at least 10 LEAs.

(B) After the SEA identifies all of the LEAs in the group that the eligible applicant LEA belongs to under paragraph (a)(2) of this section that share the recommended factor or factors, the SEA then systematically orders all of the LEAs in the group that includes the eligible applicant LEA. The SEA may further divide the ordered LEAs into subgroups by using logical division points (e.g., the median, quartiles, or standard deviations) or a continuous interval of the ordered LEAs (e.g., a percentage or a numerical range). If the subgroup containing the eligible applicant LEA includes at least 10 other LEAs (excluding significantly impacted LEAs), it will be the eligible applicant LEA's new group of generally comparable LEAs. The LCR for the eligible applicant LEA shall be computed using the data for all of the LEAs in the subgroup except the eligible applicant LEA.

Example 1. An eligible applicant LEA serves an unusually high percentage of children with disabilities, and the SEA recommends "proportion of children with disabilities" as an additional comparability factor. From the group of LEAs under paragraph (a)(2) of this section that includes the eligible applicant LEA, the SEA lists the LEAs in descending order according to the percentage of children with disabilities enrolled in each of the LEAs. The SEA divides the list of LEAs into four groups containing equal numbers of LEAs. The group containing the eligible applicant LEA is that LEA's new group of generally comparable LEAs if it contains at least 10 LEAs.

Example 2. An eligible applicant LEA serves an unusually high percentage of minority children, and the SEA recommends "proportion of minority children" as an additional comparability factor. From the group of LEAs under paragraph (a)(2) of this section that includes the eligible applicant LEA, the SEA lists the LEAs in descending order according to the percentage of minority children enrolled in each of the LEAs. The SEA chooses from the list of LEAs the 15 LEAs whose percentages of minority children are closest to the eligible applicant LEA's. These 15 LEAs will be the eligible applicant LEA's new group of generally comparable LEAs.

(C) The SEA may recommend and apply more than one factor of general comparability in selecting a new group of 10 or more generally comparable LEAs for the eligible applicant LEA. If the subgroup containing the eligible applicant LEA includes at least 10 other LEAs (excluding significantly impacted LEAs), it will be the eligible applicant LEA's new group of generally comparable LEAs. The LCR for the eligible applicant LEA shall be computed using the data from all of the LEAs in the subgroup except the eligible applicant LEA.

Example. An eligible applicant LEA is very sparsely populated and serves an unusually high percentage of children with limited English proficiency. The SEA recommends "sparsity of population" and "proportion of children with limited English proficiency" as additional comparability factors. From the group of LEAs under paragraph (a)(2) of this section that includes the eligible applicant LEA, the SEA identifies all LEAs that are sparsely populated. The SEA further subdivides the sparsely populated LEAs into two groups, those that serve an unusually high percentage of children with limited English proficiency and those that do not. The subgroup of at least 10 sparsely populated LEAs that serve a high percentage of children with limited English proficiency is the eligible applicant LEA's new group of generally comparable LEAs.

(4)(i) Using the new group of generally comparable LEAs selected under paragraph (c)(4) of this section, the SEA shall compute the LCR for the eligible applicant LEA according to the provisions of § 222.41.

(ii) The SEA shall submit the resulting LCR to the Secretary and provide the Secretary a description of the additional factor or factors of general comparability and the data used to identify

the new group of generally comparable LEAs.

(iii) The Secretary reviews the data submitted by the SEA, and accepts the LCR for the purpose of use under section 8003(b)(1)(C)(iii) in determining the LEA's maximum payment under section 8003 if the Secretary determines that it meets the purposes and requirements of the Act and this part.

(d) This section does not apply to applicant LEAs located in—

- (1) Puerto Rico;
- (2) Wake Island;
- (3) Guam;
- (4) American Samoa;
- (5) Any outlying area; and
- (6) Any State in which there is only one LEA.

§ 222.40 How does a local educational agency select a local contribution rate based on generally comparable local educational agencies?

(a) In selecting an LCR based upon generally comparable LEAs, an LEA shall use the following steps:

(1) *Step 1.* The LEA shall select the factor or factors in § 222.39 the LEA wishes to use as the basis for general comparability.

(2) *Step 2.* Using State-supplied data, the LEA shall identify within the State the entire group of LEAs (containing at least 10 LEAs exclusive of significantly impacted LEAs described in § 222.39(b)(1)) that matches the factor or factors selected in Step 1 and that contains the applicant LEA or would contain the applicant LEA if it were not significantly impacted.

(3) *Step 3.* The LEA shall recommend to the Secretary the LCR, which the SEA has computed according to the provisions of § 222.39, based on the group identified in Step 2.

(b) A significantly impacted LEA described in § 222.39(b)(1) may—

(1) Apply for assistance under this program; and

(2) Under the generally comparable LEA method, recommend for itself the LCR of any group in which it would be included based on grade span/legal classification, size, location, or a combination of these factors, if it were not ex-

cluded as significantly impacted in § 222.39(b)(1).

Example. An LEA applies for assistance under section 8003 and wishes to recommend to the Secretary an LCR based on generally comparable LEAs within its State.

1. Characteristics of Applicant LEA

The grade span of the applicant LEA is kindergarten through grade 8 (K–8). In the applicant's State, legal classification of LEAs is based on grade span, and thus does not act to further subdivide groups of LEAs.

The ADA of the applicant LEA is above the median ADA of LEAs serving only K–8 in the State.

The applicant LEA is located outside an MSA.

2. Characteristics of Other LEAs Serving Same Grade Span

The SEA of the applicant's State groups all LEAs in its State according to the factors in § 222.39.

(a) The SEA identifies the following groups:

(i) One hundred and one LEAs serve only K–8. The SEA has identified a group of 50 LEAs having an ADA above the median ADA for the group of 101, one LEA having an ADA at the median, and a group of 50 LEAs having an ADA below the median ADA; and according to § 222.39(a)(2)(i), the SEA considers 51 LEAs to have an ADA below the median ADA.

(ii) Of the 101 LEAs in the group, the SEA has identified a group of 64 LEAs as being inside an MSA and a group of 37 LEAs as being outside an MSA.

(iii) Among the group of 50 LEAs having an ADA above the median, the SEA has identified a group of 35 LEAs as being inside an MSA and a group of 15 LEAs as being outside an MSA.

(iv) Among the group of 51 LEAs having an ADA at or below the median, the SEA has identified a group of 29 LEAs as being inside an MSA and 22 LEAs as being outside an MSA.

(v) One LEA has 20 percent of its ADA composed of children identified under section 8003(a)(1)(A)–(C) and, therefore, must be excluded from any group it falls within before the SEA computes an LCR for the group. The LEA has an ADA below the median ADA and is located outside an MSA.

(b) On the basis of § 222.41, the SEA computes the LCR for each group of generally comparable LEAs that the SEA has identified.

3. Selection of Generally Comparable LEAs

The applicant LEA selects the group of generally comparable LEAs matching the factor or factors it wishes to use as the basis

for general comparability. Under the requirements of §222.39, the applicant LEA must begin with the group that includes all LEAs with its grade span, and, if relevant and sufficiently different, legal classification. In this case, grade span and legal classification happen to be the same. Thus, the group would include 100 LEAs, after excluding the one significantly impacted LEA. The applicant LEA then has several options:

(a) *Option 1.* The applicant LEA may select as its group of generally comparable LEAs on which to base its recommended LCR the entire group of 100 LEAs serving K-8, after excluding the one significantly impacted LEA. The applicant LEA then recommends to the Secretary as its LCR the rate computed for this group by the SEA.

(b) *Option 2.* Instead of selecting the group of 100, the applicant LEA may select as its generally comparable group only those LEAs within the 101 (the significantly impacted LEA must be included initially for the purpose of determining the median ADA) that have an ADA above the median ADA, that is, the group of 50. The applicant LEA then recommends to the Secretary as its LCR the rate computed for the group by the SEA.

(c) *Option 3.* Instead of selecting either of the groups described in Options 1 and 2, the applicant LEA may select as its generally comparable group only those LEAs within the 100 that are outside an MSA; that is, the group of 36, after excluding the one significantly impacted LEA. The applicant LEA then recommends to the Secretary as its LCR the rate computed for this group by the SEA.

(d) *Option 4.* Instead of selecting any of the groups described in Options 1, 2, and 3, the applicant LEA may select as its generally comparable group only those LEAs that both have an ADA above the median ADA for the 101 and are outside an MSA; that is, the group of 15. The applicant LEA then recommends to the Secretary as its LCR the rate computed for this group by the SEA. However, as provided in §222.39(b)(2), if the SEA were to have identified fewer than 10 LEAs under any factor or combination of factors, the SEA would not have computed a rate for such a group. Therefore, an applicant LEA included in such a group would not be able to use this factor or combination of factors in recommending its LCR to the Secretary. The significantly impacted LEA described in §222.39(b)(1), while included for determining the median ADA, is excluded from the computation of any group's LCR. However, the significantly impacted LEA may recommend for itself the LCR of any group it matches in grade span/legal classification, size, location, or a combination of these factors, (that is, in the case of the significantly impacted LEA referred to in this example, below the median ADA and outside an MSA),

provided the group contains at least 10 LEAs that are not significantly impacted.

§222.41 How does a State educational agency compute local contribution rates based upon generally comparable local educational agencies?

Except as otherwise specified in the Act, the SEA, subject to the Secretary's review and approval, shall compute an LCR for each group of generally comparable LEAs within its State that was identified using the factors in §222.39, as follows:

(a)(1) The SEA shall compile the aggregate local current expenditures of the comparable LEAs in each group for the third fiscal year preceding the fiscal year for which the LCR is being computed.

(2) For purposes of this section, the SEA shall consider only those aggregate current expenditures made by the generally comparable LEAs from revenues derived from local sources. No State or Federal funds may be included.

(b) The SEA shall compile the aggregate number of children in ADA to whom the generally comparable LEAs in each group provided a free public education during the third fiscal year preceding the fiscal year for which the LCR is being computed.

(c) The SEA shall divide—

(1) The aggregate current expenditures determined under paragraph (a) of this section by;

(2) The aggregate number of children determined under paragraph (b) of this section.

(d) The SEA shall submit the resulting figure as the "comparable LCR" to be used by the Secretary under section 8003(b)(1)(C)(iii) in determining the LEA's maximum payment amount under section 8003.

§§ 222.42–222.49 [Reserved]

Subpart D—Payments Under Section 8003(d) of the Act for Local Educational Agencies That Serve Children With Disabilities

§ 222.50 What definitions apply to this subpart?

In addition to the terms referenced or defined in § 222.2, the following definitions in 20 U.S.C. 1401 or 34 CFR § 77.1 apply to this subpart:

Children with disabilities means children—

(1)(i) With mental retardation, hearing impairments including deafness, speech or language impairments, visual impairments including blindness, serious emotional disturbance, orthopedic impairments, autism, traumatic brain injury, other health impairments, or specific learning disabilities; and

(ii) Who, by reason thereof, need special education and related services.

(2) The term *children with disabilities* for children aged 3 to 5, inclusive, may, at a State’s discretion, include children—

(i) Experiencing developmental delays, as defined by the State and as measured by appropriate diagnostic instruments and procedures, in one or more of the following areas: physical development, cognitive development, communication development, social or emotional development, or adaptive development; and

(ii) Who, by reason thereof, need special education and related services.

Children with specific learning disabilities means children who have a disorder in one or more of the basic psychological processes involved in understanding or in using language, spoken or written, which disorder may manifest itself in imperfect ability to listen, think, speak, read, write, spell, or do mathematical calculations. These disorders include conditions such as perceptual disabilities, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia. This term does not include children who have learning problems which are primarily the result of visual, hearing, or motor disabilities, of mental retardation, of

emotional disturbance, or of environmental, cultural, or economic disadvantage.

Free appropriate public education means special education and related services that—

(1) Have been provided at public expense, under public supervision and direction, and without charge;

(2) Meet the standards of the State educational agency;

(3) Include an appropriate preschool, elementary, or secondary school education in the State involved; and

(4) Are provided in conformity with the individualized education program (IEP) required under section 1414(a)(5) of the Individuals with Disabilities Education Act.

Individualized education program (IEP) means—

(1) A written statement for each child with a disability developed in any meeting by a representative of the LEA or an intermediate educational unit who shall be qualified to provide, or supervise the provision of, specially designed instruction to meet the unique needs of children with disabilities, the teacher, the parents or guardian of the child, and whenever appropriate, the child, which statement must include—

(i) A statement of the present levels of educational performance of the child;

(ii) A statement of annual goals, including short-term instructional objectives;

(iii) A statement of the specific educational services to be provided to the child, and the extent to which the child will be able to participate in regular educational programs;

(iv) A statement of the needed transition services for students beginning no later than age 16 and annually thereafter (and, when determined appropriate for the individual, beginning at age 14 or younger), including, when appropriate, a statement of the inter-agency responsibilities or linkages (or both) before the student leaves the school setting;

(v) The projected date for initiation and anticipated duration of these services; and

(vi) Appropriate objective criteria and evaluation procedures and schedules for determining, on at least an annual basis, whether instructional objectives are being achieved.

(2) In the case where a participating agency, other than the educational agency, fails to provide agreed upon services, the educational agency shall reconvene the IEP team to identify alternative strategies to meet the transition objectives.

Intermediate educational unit means any public authority, other than an LEA, that is under the general supervision of a State educational agency, that is established by State law for the purpose or providing free public education on a regional basis, and that provides special education and related services to children with disabilities within that State.

Preschool means the educational level from a child's birth to the time at which the State provides elementary education.

Related services means transportation and those developmental, corrective, and other supportive services (including speech pathology and audiology, psychological services, physical and occupational therapy, recreation, including therapeutic recreation, social work services, counseling services, including rehabilitation counseling, and medical services, except that medical services must be for diagnostic and evaluation purposes only) as may be required to assist a child with a disability to benefit from special education, and includes the early identification and assessment of disabling conditions in children.

Special education means specially designed instruction, at no cost to parents or guardians, to meet the unique needs of a child with a disability, including—

(1) Instruction conducted in the classroom, in the home, in hospitals and institutions, and in other settings; and

(2) Instruction in physical education.

§ 222.51 Which children may a local educational agency count for payment under section 8003(d) of the Act?

(a) Except as provided in paragraph (b)(2) of this section, the children described in sections 8003(a)(1)(A)(ii), (a)(1)(B), (a)(1)(C), and (a)(1)(D) of the Act who are eligible for services under the provisions of the Individuals with Disabilities Education Act (20 U.S.C. 1400 *et seq.*) may be counted by the local educational agency (LEA) for the purpose of computing a payment under section 8003(d).

(b)(1) An LEA may count a child or children described in paragraph (a) of this section who attend private schools or residential programs if the LEA has placed or referred the child or children in accordance with the provisions of section 613 of the Individuals with Disabilities Education Act, 20 U.S.C. 1400 *et seq.* and 34 CFR part 300, subparts C and D.

(2) Children who are placed in private schools by their parents may not be counted under section 8003(d), but may participate in public school programs that use section 8003(d) funds.

(Authority: 20 U.S.C. 1400 *et seq.* and 7703(d))

§ 222.52 What requirements must a local educational agency meet to receive a payment under section 8003(d)?

To receive a payment under section 8003(d), an eligible LEA shall—

(a) State in its application the number of federally connected children with disabilities it claims for a payment under section 8003(d);

(b) Have in effect a written IEP for each federally connected child with disabilities claimed for a payment under section 8003(d); and

(c) Meet the requirements of subparts A and C of the regulations in this part.

(Approved by the Office of Management and Budget under control number 1810-0036)

(Authority: 20 U.S.C. 1400 *et seq.* and 7703)

§ 222.53 What restrictions and requirements apply to the use of funds provided under section 8003(d)?

(a) An LEA shall use funds provided under section 8003(d) in accordance

with the provisions of section 8003(d)(2) and 34 CFR part 300.

(b) Obligations and expenditures of section 8003(d) funds may be incurred in either of the two following ways:

(1) An LEA may obligate or expend section 8003(d) funds for the fiscal year for which the funds were appropriated.

(2) An LEA may reimburse itself for obligations or expenditures of local and general State aid funds for the fiscal year for which the section 8003(d) funds were appropriated.

(c) An LEA shall use its section 8003(d) funds for the following types of expenditures:

(1) Expenditures that are reasonably related to the conduct of programs or projects for the free appropriate public education of federally connected children with disabilities. These expenditures may include program planning and evaluation but may not include construction of school facilities.

(2) Acquisition cost (net invoice price) of equipment required for the free appropriate public education of federally connected children with disabilities.

(i) If section 8003(d) funds are used for the acquisition of any equipment described in this paragraph (c)(2) of this section, the fair market value of any financial advantage realized through rebates, discounts, bonuses, free pieces of equipment used in a program or project for the free appropriate public education of federally connected children with disabilities, or other circumstances, is not an allowable expenditure and may not be credited as an expenditure of those funds.

(ii) Funds awarded under the provisions of section 8003(d) may be used to acquire equipment for the free appropriate public education of the federally connected children with disabilities only if title to the equipment would be in the applicant agency.

(d) An LEA shall account for the use of section 8003(d) funds as follows:

(1) By recording, for each fiscal year, the receipt (or credit) of section 8003(d) funds separately from other funds received under the Act, *i.e.*, on a line item basis in the general fund account or in a separate account; and

(2) By demonstrating that, for each fiscal year, the amount of expenditures

for special education and related services provided to the federally connected children with disabilities is at least equal to the amount of section 8003(d) funds received or credited for that fiscal year. This is done as follows:

(i) For each fiscal year determine the amount of an LEA's expenditures for special education and related services provided to all children with disabilities.

(ii) The amount determined in paragraph (d)(2)(i) of this section is divided by the average daily attendance (ADA) of the total number of children with disabilities the LEA served during that fiscal year.

(iii) The amount determined in paragraph (d)(2)(ii) of this section is then multiplied by the total ADA of the LEA's federally connected children with disabilities claimed by the LEA for that fiscal year.

(3) If the amount of section 8003(d) funds the LEA received (or was credited) for the fiscal year exceeds the amount obtained in paragraph (d)(2)(iii) of this section, an overpayment equal to the excess section 8003(d) funds is established. This overpayment may be reduced or eliminated to the extent that the LEA can demonstrate that the average per pupil expenditure for special education and related services provided to federally connected children with disabilities exceeded its average per pupil expenditure for serving non-federally connected children with disabilities.

(Approved by the Office of Management and Budget under control number 1810-0036)

(Authority: 20 U.S.C. 7703(d))

§ 222.54 What supplement-not-supplant requirement applies to this subpart?

Funds provided under section 8003(d) may not supplant any State funds that were or would have been available to the LEA for the free appropriate public education of children counted under section 8003(d).

(a) No section 8003(d) funds may be paid to an LEA whose per pupil State aid for federally connected children with disabilities, either general State aid or special education State aid, has been or would be reduced as a result of

eligibility for or receipt of section 8003(d) funds, whether or not a State has a program of State aid that meets the requirements of section 8009 of the Act and subpart K of the regulations in this part.

(1) A reduction in the per pupil amount of State aid for children with disabilities, including children counted under section 8003(d), from that received in a previous year raises a presumption that supplanting has occurred.

(2) The LEA may rebut this presumption by demonstrating that the reduction was unrelated to the receipt of section 8003(d) funds.

(b) In any State in which there is only one LEA, all funds for programs for children with disabilities other than funds from Federal sources are considered by the Secretary to be local funds.

(Authority: 20 U.S.C. 7703(d))

§ 222.55 What other statutes and regulations are applicable to this subpart?

Local educational agencies receiving funds under section 8003(d) are subject to the requirements of the Individuals with Disabilities Education Act, and related regulations (20 U.S.C. 1401 *et seq.* and 34 CFR part 300).

(Authority: 20 U.S.C. 1401 *et seq.*, 6314, and 7703(d))

§§ 222.56–222.59 [Reserved]

Subpart E—Additional Assistance for Heavily Impacted Local Educational Agencies Under Section 8003(f) of the Act

§ 222.60 What are the scope and purpose of these regulations?

The regulations in this subpart implement section 8003(f) of the Act, which provides financial assistance, in addition to payments under sections 8003(b) and 8003(d) of the Act, to certain heavily impacted local educational agencies (LEAs) that meet all relevant eligibility requirements.

(Authority: 20 U.S.C. 7703(f))

§ 222.61 What data are used to determine a local educational agency's eligibility and payment under section 8003(f) of the Act?

(a) Computations and determinations made with regard to an LEA's eligibility (§§ 222.61–222.71) and payment (§§ 222.72–222.73) under section 8003(f) are based on the LEA's final student and financial data for the fiscal year for which it seeks assistance and, in certain cases, final financial data for the preceding and second preceding fiscal years of the LEAs determined under §§ 222.39–222.41 or § 222.74 to be generally comparable to the applicant LEA ("generally comparable LEAs").

(b) For purposes of this subpart, *level of education* means average per pupil expenditure amount.

(Authority: 20 U.S.C. 7703(f))

§ 222.62 Which local educational agencies are eligible to apply for an additional payment under section 8003(f)?

Local educational agencies that are eligible to apply for additional assistance under section 8003(f) include those that have—

(a)(1) A tax effort equal to at least 95 percent of the average tax rate of generally comparable LEAs identified under §§ 222.39–222.41 or 222.74; and

(2)(i) Federally connected children equal to at least 50 percent of the total number of children in average daily attendance (ADA) if a section 8003(b) payment is received on behalf of children described in section 8003(a)(1)(F)–(G); or

(ii) Federally connected children equal to at least 40 percent of the total number of children in ADA if a section 8003(b) payment is not received on behalf of children described in section 8003(a)(1)(F)–(G);

(b)(1) A tax effort equal to at least 125 percent of the average tax rate of generally comparable LEAs identified under §§ 222.39–222.41; and

(2) Federally connected children equal to at least 35 percent of the total number of children in ADA;

(c) The same boundaries as those of a Federal military installation; or

(d) Current expenditures that are not reasonably comparable to those of generally comparable LEAs identified under §§ 222.39–222.41 because unusual

geographical factors affect the applicant LEAs' current expenditures necessary to maintain a level of education equivalent to that of generally comparable LEAs.

(Authority: 20 U.S.C. 7703(f))

§ 222.63 What other requirements must a local educational agency meet in order to be eligible for financial assistance under section 8003(f)(2)(A)?

Subject to § 222.65, an LEA described in § 222.62(a), (b), or (c) is eligible for financial assistance under section 8003(f)(2)(A) if the Secretary determines that the LEA meets all of the following requirements:

(a) The LEA is eligible for a basic support payment under section 8003(b).

(b) The LEA timely applies for assistance under section 8003(f) and meets all of the other application and eligibility requirements of subparts A and C of these regulations.

(c) The LEA is exercising due diligence in availing itself of revenues derived from State and other sources and, except for an LEA described in § 222.62(c), is making a reasonable tax effort in accordance with the requirements of §§ 222.66–222.71.

(d) The eligibility of the LEA for State aid and the amount of State aid are determined on a basis no less favorable than that for other LEAs in the State.

(Authority: 20 U.S.C. 7703(f))

§ 222.64 What other requirements must a local educational agency meet in order to be eligible for financial assistance under section 8003(f)(2)(B)?

Subject to § 222.65, an LEA described in § 222.62(d) is eligible for financial assistance under section 8003(f)(2)(B) if the Secretary determines that the LEA meets all of the following requirements—

(a) The LEA complies with the requirements of § 222.63(a)–(d).

(b)(1) As part of its section 8003(f) application, the LEA provides the Secretary with documentation that demonstrates that the LEA is unable to provide a level of education equivalent to that provided by its generally comparable LEAs because—

(i) The applicant's current expenditures are affected by unusual geographical factors; and

(ii) As a result, those current expenditures are not reasonably comparable to the current expenditures of its generally comparable LEAs.

(2) The LEA's application must include—

(i) A specific description of the unusual geographical factors on which the applicant is basing its request for compensation under this section and objective data demonstrating that the applicant is more severely affected by these factors than any other LEA in its State;

(ii) Objective data demonstrating the specific ways in which the unusual geographical factors affect the applicant's current expenditures so that they are not reasonably comparable to the current expenditures of its generally comparable LEAs;

(iii) Objective data demonstrating the specific ways in which the unusual geographical factors prevent the applicant from providing a level of education equivalent to that provided by its generally comparable LEAs; and

(iv) Any other information that the Secretary may require to make an eligibility determination under this section.

(Approved by the Office of Management and Budget under control number 1810–0036)

(Authority: 20 U.S.C. 7703(f))

§ 222.65 How may a State aid program affect a local educational agency's eligibility for assistance under section 8003(f)?

The Secretary determines that an LEA is not eligible for financial assistance under section 8003(f) if—

(a) The LEA is in a State that has an equalized program of State aid that meets the requirements of section 8009; and

(b) The State, in determining the LEA's eligibility for or amount of State aid, takes into consideration the LEA's payment under section 8003(f).

(Authority: 20 U.S.C. 7703(f))

§ 222.66 How does the Secretary determine whether a fiscally independent local educational agency is making a reasonable tax effort?

(a) To determine whether a fiscally independent LEA, as defined in § 222.2(c), is making a reasonable tax effort as required by § 222.63 or § 222.64, the Secretary compares the LEA's local real property tax rates for current expenditure purposes (referred to in this part as "tax rates"), as defined in § 222.2(c), with the tax rates of its generally comparable LEAs.

(b) For purposes of this section, the Secretary uses—

(1) Actual tax rates if all the real property in the LEA and its generally comparable LEAs is assessed at the same percentage of true value; or

(2) Tax rates computed under §§ 222.67–222.69.

(c) The Secretary determines that an LEA described in § 222.62(a) or (d) is making a reasonable tax effort if—

(1) The LEA's tax rate is equal to at least 95 percent of the average tax rate of its generally comparable LEAs;

(2) Each of the LEA's tax rates for each classification of real property is equal to at least 95 percent of each of the average tax rates of its generally comparable LEAs for the same classification of property;

(3) The LEA taxes all of its real property at the maximum rates allowed by the State, if those maximum rates apply uniformly to all LEAs in the State; or

(4) The LEA has no taxable real property.

(d) The Secretary determines that an LEA described in § 222.62(b) is making a reasonable tax effort if—

(1) The LEA's tax rate is equal to at least 125 percent of the average tax rate of its generally comparable LEAs;

(2) Each of the LEA's tax rates for each classification of real property is equal to at least 125 percent of each of the average tax rates of its generally comparable LEAs for the same classification of property;

(3) The LEA taxes all of its real property at the maximum rates allowed by the State, if those maximum rates apply uniformly to all LEAs in the State; or

(4) The LEA has no taxable real property.

(Authority: 20 U.S.C. 7703(f))

§ 222.67 What tax rates does the Secretary use if real property is assessed at different percentages of true value?

If the real property of an LEA and its generally comparable LEAs consists of one classification of property but the property is assessed at different percentages of true value in the different LEAs, the Secretary determines whether the LEA is making a reasonable tax effort under § 222.66(c)(1) or (d)(1) by using tax rates computed by—

(a) Multiplying the LEA's actual tax rate for real property by the percentage of true value assigned to that property for tax purposes; and

(b) Performing the computation in paragraph (a) of this section for each of its generally comparable LEAs and determining the average of those computed tax rates.

(Approved by the Office of Management and Budget under control number 1810-0036)

(Authority: 20 U.S.C. 7703(f))

§ 222.68 What tax rates does the Secretary use if two or more different classifications of real property are taxed at different rates?

If the real property of an LEA and its generally comparable LEAs consists of two or more classifications of real property taxed at different rates, the Secretary determines whether the LEA is making a reasonable tax effort under § 222.66(c)(1) or (2) or § 222.66(d)(1) or (2) by using one of the following:

(a) Actual tax rates for each of the classifications of real property.

(b) Tax rates computed in accordance with § 222.67 for each of the classifications of real property.

(c) Tax rates computed by—

(1) Determining the total true value of all real property in the LEA by dividing the assessed value of each classification of real property in the LEA by the percentage of true value assigned to that property for tax purposes and aggregating the results;

(2) Determining the LEA's total revenues derived from local real property taxes for current expenditures (as defined in section 8013);

§ 222.69

34 CFR Ch. II (7–1–04 Edition)

(3) Dividing the amount determined in paragraph (c)(2) of this section by the amount determined in paragraph (c)(1) of this section; and

(4) Performing the computations in paragraphs (c)(1), (2), and (3) of this section for each of the generally comparable LEAs and determining the average of their computed tax rates.

(Approved by the Office of Management and Budget under control number 1810–0036)

(Authority: 20 U.S.C. 7703(f))

§ 222.69 What tax rates may the Secretary use if substantial local revenues are derived from local tax sources other than real property taxes?

(a) In a State in which a substantial portion of revenues for current expenditures for educational purposes is derived from local tax sources other than real property taxes, the State educational agency (SEA) may request that the Secretary take those revenues into account in determining whether an LEA in that State is making a reasonable tax effort under § 222.66.

(b) If, based upon the request of an SEA, the Secretary determines that it is appropriate to take the revenues described in paragraph (a) of this section into account in determining whether an LEA in that State is making a reasonable tax effort under § 222.66, the Secretary uses tax rates computed by—

(1) Dividing the assessed value of each classification of real property in the LEA by the percentage of true value assigned to that property for tax purposes and aggregating the results;

(2) Determining the LEA's total revenues derived from local tax sources for current expenditures (as defined in section 8013);

(3) Dividing the amount determined in paragraph (b)(2) of this section by the amount determined in paragraph (b)(1) of this section; and

(4) Performing the computations in paragraphs (b)(1), (2), and (3) of this section for each of the generally comparable LEAs and determining the average of those computed tax rates.

(Approved by the Office of Management and Budget under control number 1810–0036)

(Authority: 20 U.S.C. 7703(f))

§ 222.70 How does the Secretary determine whether a fiscally dependent local educational agency is making a reasonable tax effort?

(a) If an LEA is fiscally dependent, as defined in § 222.2(c), the Secretary compares the LEA's imputed local tax rate, calculated under paragraph (b) of this section, with the average tax rate of its generally comparable LEAs, calculated under paragraph (c) of this section, to determine whether the LEA is making a reasonable tax effort.

(b) The Secretary imputes a local tax rate for a fiscally dependent LEA by—

(1) Dividing the assessed value of each classification of real property within the boundaries of the general government by the percentage of true value assigned to that property for tax purposes and aggregating the results;

(2) Determining the amount of locally derived revenues made available by the general government for the LEA's current expenditures (as defined in section 8013); and

(3) Dividing the amount determined in paragraph (b)(2) of this section by the amount determined in paragraph (b)(1) of this section.

(c) The Secretary performs the computations in paragraph (b) of this section for each of the fiscally dependent generally comparable LEAs and the computations in §§ 222.67–222.69, whichever is applicable, for each of the fiscally independent generally comparable LEAs and determines the average of all those tax rates.

(d) The Secretary determines that a fiscally dependent LEA described in § 222.62 (a) or (d) is making a reasonable tax effort if its imputed local tax rate is equal to at least 95 percent of the average tax rate of its generally comparable LEAs.

(e) The Secretary determines that a fiscally dependent LEA described in § 222.62(b) is making a reasonable tax effort if its imputed local tax rate is equal to at least 125 percent of the average tax rate of its generally comparable LEAs.

(Approved by the Office of Management and Budget under control number 1810–0036)

(Authority: 20 U.S.C. 7703(f))

§ 222.71 What information must be provided by the State educational agency?

The SEA of any State with an LEA applying for assistance under section 8003(f) shall provide the Secretary with relevant information necessary to determine whether the LEA is making a reasonable tax effort under §§ 222.67-222.70, whichever is applicable.

(Approved by the Office of Management and Budget under control number 1810-0036)

(Authority: 20 U.S.C. 7703(f))

§ 222.72 How does the Secretary determine a maximum payment for local educational agencies that are eligible for financial assistance under section 8003(f)(2)(A) and § 222.63?

(a) Except as otherwise provided in paragraphs (b) through (c) of this section or § 222.76, the Secretary determines a maximum payment under section 8003(f)(2)(A) for an eligible LEA by—

- (1) First calculating the greater of—
 - (i) The State average per pupil expenditure (APPE) or the national APPE;
 - (ii) The APPE of generally comparable LEAs identified under §§ 222.39-222.41; or
 - (iii) The APPE of three generally comparable LEAs identified under § 222.74;
- (2) Next subtracting from the amount calculated in paragraph (a)(1) of this section the average State aid per pupil amount received by the LEA;
- (3) Multiplying the amount calculated in paragraph (a)(2) of this section by the total number of federally connected students in ADA who are eligible for basic support payments under section 8003(b);
- (4) In the case of an LEA whose tax rate is at least 95 percent but less than 100 percent of the average tax rate of its generally comparable LEAs, reducing the amount calculated in paragraph (a)(3) of this section by the percentage that the average tax rate of its generally comparable LEAs exceeds the tax rate of the LEA; and
- (5) Subtracting from the amount calculated in paragraph (a)(3), or paragraph (a)(4) of this section, the total amount of payments received by the eligible LEA under sections 8003 (b) and

(d) for the fiscal year for which a payment is being determined under section 8003(f).

(b) For the first step of the computations described in paragraph (a) of this section, the Secretary calculates a maximum payment under section 8003(f)(2)(A) for an eligible LEA described in § 222.62 (b) or (c) by multiplying the national APPE by .70, except that the resulting amount may not exceed 125 percent of the State APPE.

(c) For the fourth step of the computations described in paragraph (a) of this section, generally comparable LEAs for reasonable tax effort purposes are the LEAs whose APPE is identified in § 222.72(a)(1) except that for applicant LEAs for whom the national APPE is identified, all LEAs in the applicant's State will be used as generally comparable LEAs for reasonable tax effort purposes.

(Authority: 20 U.S.C. 7703(f))

§ 222.73 How does the Secretary determine a maximum payment for local educational agencies that are eligible for financial assistance under section 8003(f)(2)(B) and § 222.64?

Except as otherwise provided in paragraphs (b) and (c) of this section and § 222.76, the Secretary determines a maximum payment under section 8003(f)(2)(B) for an eligible LEA as follows:

(a) The Secretary increases the eligible LEA's local contribution rate (LCR) for section 8003(b) payment purposes up to the amount the Secretary determines will compensate the applicant for the increase in its current expenditures necessitated by the unusual geographical factors identified under § 222.64(b)(2), but no more than is necessary to allow the applicant to provide a level of education equivalent to that provided by its generally comparable LEAs.

(b) The increase in the LCR referred to in paragraph (a) of this section may not exceed the per pupil share (computed with regard to all children in ADA), as determined by the Secretary, of the increased current expenditures necessitated by the unusual geographical factors identified under § 222.64(b)(2).

§ 222.74

(c) In the case of an LEA whose tax rate is at least 95 percent but less than 100 percent of the average tax rate of its generally comparable LEAs, reducing the amount calculated in paragraph (a) of this section by the percentage that the average tax rate of its generally comparable LEAs exceeds the tax rate of the LEA.

(Authority: 20 U.S.C. 7703(f))

§ 222.74 How does the Secretary identify generally comparable local educational agencies for purposes of section 8003(f)?

(a) Except as otherwise provided in paragraph (b) of this section, the Secretary identifies generally comparable LEAs for purposes of this subpart in accordance with the LCR procedures described in §§ 222.39–222.41.

(b) For applicant LEAs described in § 222.62(a), to identify the three generally comparable LEAs referred to in § 222.72(a)(1)(iii), the Secretary uses the following procedures:

(1) The Secretary asks the SEA of the applicant LEA to identify generally comparable LEAs in the State by first following the directions in § 222.39(a)(4), using data from the preceding fiscal year. The SEA then removes from the resulting list any LEAs that are significantly impacted, as described in § 222.39(b)(1), except the applicant LEA.

(2) If the remaining LEAs are not in rank order by total ADA, the SEA shall list them in that order.

(3) The LEA may then select as its generally comparable LEAs, for purposes of section 8003(f) only, three LEAs from the list that are closest to it in size as determined by total ADA (e.g., the next three larger LEAs, the next three smaller, the next two larger and the next one smaller, or the next one larger and the next two smaller).

(Authority: 20 U.S.C. 7703(f))

§ 222.75 How does the Secretary compute the average per pupil expenditure of generally comparable local educational agencies under this subpart?

The Secretary computes APPE under this subpart by—

(a) Dividing the sum of the total current expenditures for the preceding fiscal year for the identified generally

34 CFR Ch. II (7–1–04 Edition)

comparable LEAs by the sum of the total ADA of those LEAs for the same fiscal year and performing this calculation again using data for the second preceding year; and

(b) Increasing or decreasing the APPE for the preceding fiscal year by the percentage the APPE of the generally comparable LEAs increased or decreased from the second preceding fiscal year to the preceding fiscal year.

(Authority: 20 U.S.C. 7703(f))

§ 222.76 What does the Secretary do if appropriation levels are insufficient to pay in full the amounts calculated under §§ 222.72 and 222.73?

Payments under section 8003(f) for eligible LEAs will be ratably reduced if the funds available for assistance under that section are insufficient to pay the full amounts determined under §§ 222.72 and 222.73.

An LEA is eligible for a payment under section 8003(g) of the Act if it—

(a) Is eligible for and receives a payment under section 8003(d) of the Act for children identified in paragraph (b) of this section and meets the requirements of §§222.52 and 222.83(b) and (c); and

§222.82 How does the Secretary calculate the total amount of funds available for payments under section 8003(g)?

(a) In any fiscal year in which Federal funds other than funds available under the Act are provided to an LEA to meet the purposes of the Act, the Secretary—

(1) Calculates the sum of the amount of other Federal funds provided to an LEA to meet the purposes of the Act and the amount of the payment that the LEA received for that fiscal year under section 8003(b) of the Act; and

(2) Determines whether the sum calculated under paragraph (a)(1) of this section exceeds the maximum basic support payment for which the LEA is eligible under section 8003(b), and, if so, subtracts from the amount of any payment received under section 8003(b), any amount in excess of the maximum basic support payment for which the LEA is eligible.

(b) The sum of all excess amounts determined in paragraph (a)(2) of this section is available for payments under section 8003(g) to eligible LEAs.

(1) For the costs of the outside entity providing the educational program for those children, copies of all invoices, vouchers, tuition contracts, and other similar documents showing the signature of an official or authorized employee of the outside entity; and

(2) For any additional costs (such as transportation) of the LEA related to providing an educational program for those children in an outside entity, copies of invoices, check receipts, contracts, and other similar documents showing the signature of an official or authorized employee of the LEA.

§222.84 How does the Secretary calculate payments under section 8003(g) for eligible local educational agencies?

For any fiscal year in which the Secretary has determined, under §222.82, that funds are available for payments under section 8003(g) of the Act, the Secretary calculates payments to eligible LEAs under section 8003(g) as follows:

(a) For each eligible LEA, the Secretary subtracts an amount equal to that portion of the payment the LEA received under section 8003(d) of the Act for that fiscal year, attributable to children described in §222.81, from the LEA's total costs of providing a free

appropriate public education to those children, as submitted to the Secretary pursuant to §222.83(b). The remainder is the amount that the LEA is eligible to receive under section 8003(g).

(b) If the total of the amounts for all eligible LEAs determined in paragraph (a) of this section is equal to or less than the amount of funds available for payment as determined in §222.82, the Secretary provides each eligible LEA with the entire amount that it is eligible to receive, as determined in paragraph (a) of this section.

(c) If the total of the amounts for all eligible LEAs determined in paragraph (a) of this section exceeds the amount of funds available for payment as determined in §222.82, the Secretary ratably reduces payments under section 8003(g) to eligible LEAs.

(d) If the total of the amounts for all eligible LEAs determined in paragraph (a) of this section is less than the amount of funds available for payment as determined in §222.82, the Secretary pays the remaining amount to LEAs under section 8003(d). An LEA that receives such a payment shall use the funds for expenditures in accordance with the requirements of section 8003(d) and subpart D of this part.

(Authority: 20 U.S.C. 7703 (d) and (g))

WITHHOLDING AND RELATED PROCEDURES FOR INDIAN POLICIES AND PROCEDURES

SOURCE: 62 FR 35416, July 1, 1997, unless otherwise noted.

§ 222.114 How does the Assistant Secretary implement the provisions of this subpart?

The Assistant Secretary implements section 8004 of the Act and this subpart through such actions as the Assistant Secretary determines to be appropriate, including the withholding of funds in accordance with §§ 222.115–222.122, after affording the affected LEA, parents, and Indian tribe or tribes an opportunity to present their views.

(Authority: 20 U.S.C. 7704 (d)(2), (e) (8)–(9))

§ 222.115 When does the Assistant Secretary withhold payments from a local educational agency under this subpart?

Except as provided in § 222.120, the Assistant Secretary withholds payments to an LEA if—

- (a) The Assistant Secretary determines it is necessary to enforce the re-

quirements of section 8004 of the Act or this subpart; or

(b) After a hearing has been conducted under section 8004(e) of the Act and §§ 222.102–222.113 (IPP hearing)—

- (1) The LEA rejects the final determination of the Assistant Secretary; or
- (2) The LEA fails to implement the required remedy within the time established and the Assistant Secretary determines that the required remedy will not be undertaken by the LEA even if the LEA is granted a reasonable extension of time.

(Authority: 20 U.S.C. 7704 (a), (b), (d)(2), (e)(8)–(9))

§ 222.116 How are withholding procedures initiated under this subpart?

(a) If the Assistant Secretary decides to withhold an LEA’s funds, the Assistant Secretary issues a written notice of intent to withhold the LEA’s payments.

(b) In the written notice, the Assistant Secretary—

- (1) Describes how the LEA failed to comply with the requirements at issue; and
- (2)(i) Advises an LEA that has participated in an IPP hearing that it may request, in accordance with § 222.117(c), that its payments not be withheld; or
- (ii) Advises an LEA that has not participated in an IPP hearing that it may request a withholding hearing in accordance with § 222.117(d).

(b) An LEA that receives a notice of intent to withhold payments from the Assistant Secretary is not entitled to

an Impact Aid hearing under the provisions of section 8011 of the Act and subpart J of this part.

(c) *After an IPP hearing.* (1) An LEA that rejects or fails to implement the final determination of the Assistant Secretary after an IPP hearing has 10 days from the date of the LEA's receipt of the written notice of intent to withhold funds to provide the Assistant Secretary with a written explanation and documentation in support of the reasons why its payments should not be withheld. The Assistant Secretary provides the affected Indian tribe or tribes with an opportunity to respond to the LEA's submission.

(2) If after reviewing an LEA's written explanation and supporting documentation, and any response from the Indian tribe or tribes, the Assistant Secretary determines to withhold an LEA's payments, the Assistant Secretary notifies the LEA and the affected Indian tribe or tribes of the withholding determination in writing by certified mail with return receipt requested prior to withholding the payments.

(3) In the withholding determination, the Assistant Secretary states the facts supporting the determination that the LEA failed to comply with the legal requirements at issue, and why the provisions of § 222.120 (provisions governing circumstances when an LEA is exempt from the withholding of payments) are inapplicable. This determination is the final decision of the Department.

(d) *An LEA that has not participated in an IPP hearing.* (1) An LEA that has not participated in an IPP hearing has 30 days from the date of its receipt of the Assistant Secretary's notice of intent to withhold funds to file a written request for a withholding hearing with the Assistant Secretary. The written request for a withholding hearing must—

affected Indian tribe or tribes and forwards to the hearing examiner a copy of the Assistant Secretary's written notice, the LEA's request for a withholding hearing, and any other relevant documents.

(3) If the LEA's request for a withholding hearing is rejected, the Assistant Secretary notifies the LEA in writing that its request for a hearing has been rejected and provides the LEA with the reasons for the rejection.

(4) The Assistant Secretary rejects requests for withholding hearings that are not filed in accordance with the time for filing requirements described in paragraph (d)(1) of this section. An LEA that files a timely request for a withholding hearing, but fails to meet the other filing requirements set forth in paragraph (d)(1) of this section, has 30 days from the date of receipt of the Assistant Secretary's notification of rejection to submit an acceptable amended request for a withholding hearing.

(e) If an LEA fails to file a written explanation in accordance with paragraph (c) of this section, or a request for a withholding hearing or an amended request for a withholding hearing in accordance with paragraph (d) of this section, the Secretary proceeds to take appropriate administrative action to withhold funds without further notification to the LEA.

(c) *Proceeding.* (1) The parties to the withholding hearing are the Assistant Secretary and the affected LEA. An affected Indian tribe is not a party, but,

at the discretion of the hearing examiner, may participate in the hearing and present its views on the issues relevant to the withholding determination.

(2) The parties may introduce all relevant evidence on the issues stated in the LEA's request for withholding hearing or other issues determined by the hearing examiner during the proceeding. The Assistant Secretary's notice of intent to withhold, the LEA's request for a withholding hearing, and all amendments and exhibits to those documents, must be made part of the hearing record.

(3) Technical rules of evidence, including the Federal Rules of Evidence, do not apply to hearings conducted under this subpart, but the hearing examiner may apply rules designed to assure production of the most credible evidence available, including allowing the cross-examination of witnesses.

(4) Each party may examine all documents and other evidence offered or accepted for the record, and may have the opportunity to refute facts and arguments advanced on either side of the issues.

(5) A transcript must be made of the oral evidence unless the parties agree otherwise.

(6) Each party may be represented by counsel.

(7) The hearing examiner is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(d) *Filing requirements.* (1) All written submissions must be filed with the hearing examiner by hand-delivery, mail, or facsimile transmission. The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(2) If agreed upon by the parties, a party may serve a document upon the other party by facsimile transmission.

(3) The filing date for a written submission under this subpart is the date the document is—

- (i) Hand-delivered;

document was timely received by the hearing examiner.

(5) Any party filing a document by facsimile transmission must file a follow-up hard copy by hand-delivery or mail within a reasonable period of time.

(e) *Procedural rules.* (1) If the hearing examiner determines that no dispute exists as to a material fact or that the resolution of any disputes as to material facts would not be materially assisted by oral testimony, the hearing examiner shall afford each party an opportunity to present its case—

- (i) In whole or in part in writing; or
- (ii) In an informal conference after affording each party sufficient notice of the issues to be considered.

(2) With respect to withholding hearings involving a dispute as to a material fact the resolution of which would be materially assisted by oral testimony, the hearing examiner shall afford to each party—

- (ii) An opportunity to present witnesses on the party's behalf; and
- (iii) An opportunity to cross-examine other witnesses either orally or through written interrogatories.

(f) *Decision of the hearing examiner.* (1) The hearing examiner—

(i) Makes written findings and an initial withholding decision based upon the hearing record; and

(ii) Forwards to the Secretary, and mails to each party and to the affected Indian tribe or tribes, a copy of the written findings and initial withholding decision.

(2) A hearing examiner's initial withholding decision constitutes the Secretary's final withholding decision without any further proceedings unless—

- (i) Either party to the withholding hearing, within 30 days of the date of its receipt of the initial withholding decision, requests the Secretary to review the decision and that request is granted; or
- (ii) The Secretary otherwise determines, within the time limits stated in paragraph (g)(2)(ii) of this section, to review the initial withholding decision.

(3) When an initial withholding decision becomes the Secretary's final decision without any further proceedings, the Department notifies the parties and the affected Indian tribe or tribes of the finality of the decision.

(g) *Administrative appeal of an initial decision.* (1)(i) Any party may request the Secretary to review an initial withholding decision.

(ii) A party must file this request for review within 30 days of the party's receipt of the initial withholding decision.

(2) The Secretary may—

(i) Grant or deny a timely request for review of an initial withholding decision; or

(ii) Otherwise determine to review the decision, so long as that determination is made within 45 days of the date of receipt of the initial decision by the Secretary.

(b) The Assistant Secretary receives from the affected Indian tribe or tribes a written request that meets the requirements of § 222.121 not to withhold payments from an LEA.

(c) The Assistant Secretary, on the basis of documentation provided by the LEA, determines that withholding payments during the course of the school year would substantially disrupt the educational programs of the LEA.

(d)(1) The affected Indian tribe or tribes elects to have educational services provided by the Bureau of Indian Affairs under section 1101(d) of the Education Amendments of 1978.

(2) For an LEA described in paragraph (d)(1) of this section, the Secretary recalculates the section 8003 payment that the LEA is otherwise eligible to receive to reflect the number of students who remain in attendance at the LEA.

(a) Except as provided in paragraph (b) of this section, the regulations in this subpart govern all Impact Aid administrative hearings under section 8011(a) of the Act and requests for reconsideration.

(b) Except as otherwise indicated in this part, the regulations in this subpart do not govern the following administrative hearings:

(1) Subpart G, §§ 222.90–222.122 (Indian policies and procedures tribal complaint and withholding hearings).

(2) Subpart K, § 222.165 (hearings concerning determinations under section 8009 of the Act).

[60 FR 50778, Sept. 29, 1995, as amended at 62 FR 35418, July 1, 1997]

§222.151 When is an administrative hearing provided to a local educational agency?

(a) Any local educational agency (LEA) that is adversely affected by the Secretary's (or the Secretary's delegatee's) action or failure to act upon the LEA's application under the Act or Pub. L. 81-874 is entitled to an

(b) The Secretary's (or the Secretary's delegatee's) consideration of a request for reconsideration is not prejudiced by a pending request for an administrative hearing on the same matter, or the fact that a matter has been scheduled for a hearing. The Secretary (or the Secretary's delegatee) may, but is not required to, postpone the administrative hearing due to a request for reconsideration.

(c) The Secretary (or the Secretary's delegatee) may reconsider any determination under the Act or Pub. L. 81-874 concerning a particular party unless the determination has been the subject of an administrative hearing

(ii) The Secretary otherwise determines, within the time limits stated in paragraph (b)(2)(ii) of this section, to review the initial decision.

(Authority: 20 U.S.C. 7711(b))

Subpart K—Determinations Under Section 8009 of the Act

§ 222.160 What are the scope and purpose of this subpart?

(a) *Scope.* This subpart applies to determinations made by the Secretary under section 8009 of the Act.

(b) *Purpose.* The sole purpose of the regulations in this subpart is to implement the provisions of section 8009. The definitions and standards contained in this subpart apply only with respect to section 8009 and do not establish definitions and standards for any other purpose.

(Authority: 20 U.S.C. 7709)

§ 222.161 How is State aid treated under section 8009 of the Act?

(a) *General rules.* (1) A State may take into consideration payments under sections 8002 and 8003(b) of the Act (including hold harmless payments calculated under section 8003(e)) in allocating State aid if that State has a State aid program that qualifies under § 222.162, except as follows:

(i) Those payments may be taken into consideration for each affected local educational agency (LEA) only in the proportion described in § 222.163.

(ii) A State may not take into consideration that portion of an LEA's payment that is generated by the portion of a weight in excess of one under section 8003(a)(2)(B) of the Act (children residing on Indian lands) or payments under section 8003(d) of the Act (children with disabilities), section 8003(f) of the Act (heavily impacted LEAs) and section 8003(g) of the Act (LEAs with high concentrations of children with severe disabilities).

(iii) A State may not take into consideration increases in payment under the following subsections of section 3(d) of Pub. L. 81-874:

(A) Section 3(d)(2)(B) (increase for heavily impacted LEAs).

(B) Section 3(d)(2)(C) (increase for children with disabilities and children with specific learning disabilities).

(C) Section 3(d)(2)(D) (increase for children residing on Indian lands).

(D) Section 3(d)(3)(B)(ii) (increase for unusual geographical factors).

(2) No State aid program may qualify under this subpart if a court of that State has determined by final order, not under appeal, that the program fails to equalize expenditures for free public education among LEAs within the State or otherwise violates law, and if the court's order provides that the program is no longer in effect.

(3) No State, whether or not it has an equalization program that qualifies under § 222.162, may, in allocating State aid, take into consideration an LEA's eligibility for payments under the Act if that LEA does not apply for and receive those payments.

(4) Any State that takes into consideration payments under the Act in accordance with the provisions of section 8009 in allocating State aid to LEAs

must reimburse any LEA for any amounts taken into consideration for any fiscal year to the extent that the LEA did not in fact receive payments in those amounts during that fiscal year.

(5) A State may not take into consideration payments under the Act or under Public Law 874 before the State's State aid program has been certified by the Secretary.

(b) *Data for determinations.* (1) Except as provided in paragraph (b)(2) of this section, determinations under this subpart requiring the submission of financial or school population data must be made on the basis of final data for the second fiscal year preceding the fiscal year for which the determination is made if substantially the same program was then in effect.

(2)(i) If the Secretary determines that the State has substantially revised its State aid program, the Secretary may certify that program for any fiscal year only if—

(A) The Secretary determines, on the basis of projected data, that the State's program will meet the disparity standard described in § 222.162 for the fiscal year for which the determination is made; and

(B) The State provides an assurance to the Secretary that, if final data do not demonstrate that the State's program met that standard for the fiscal year for which the determination is made, the State will pay to each affected LEA the amount by which the State reduced State aid to the LEA.

(ii) Data projections submitted by a State must set forth the assumptions upon which the data projections are founded, be accompanied by an assurance as to their accuracy, and be adjusted by actual data for the fiscal year of determination that must be submitted to the Secretary as soon as these data are available.

(c) *Definitions.* The following definitions apply to this subpart:

Current expenditures means the total charges incurred for the benefit of the school year in an elementary (including pre-kindergarten) or secondary school program. "Current expenditures" does not include—

(1) Expenditures for capital outlay;

(2) Expenditures for debt service for capital outlay;

(3) Expenditures from State sources for special cost differentials of the type specified in § 222.162(c)(2);

(4) Expenditures of revenues from local or intermediate sources that are designated for special cost differentials of the type specified in § 222.162(c)(2);

(5) Expenditures of funds received by the agency under sections 8002 and 8003(b) (including hold harmless payments calculated under section 8003(e)) or under Pub. L. 81-874 that are not taken into consideration under the State aid program and exceed the proportion of those funds that the State would be allowed to take into consideration under § 222.163; or

(6) Expenditures of funds received by the agency under Pub. L. 81-874 that were not taken into consideration under the State aid program and exceed the proportion of funds the State was permitted to take into consideration under that law.

Equalize expenditures means to meet the standard set forth in § 222.162.

Local tax revenues means compulsory charges levied by an LEA or by an intermediate school district or other local governmental entity on behalf of an LEA for current expenditures for educational services. "Local tax revenues" include the proceeds of ad valorem taxes, sales and use taxes, income taxes and other taxes. Where a State funding formula requires a local contribution equivalent to a specified mill tax levy on taxable real or personal property or both, "local tax revenues" include any revenues recognized by the State as satisfying that local contribution requirement.

Local tax revenues covered under a State equalization program means "local tax revenues" as defined in paragraph (c) of this section contributed to or taken into consideration in a State aid program subject to a determination under this subpart, but excluding all revenues from State and Federal sources.

Revenue means an addition to assets that does not increase any liability, does not represent the recovery of an expenditure, does not represent the cancellation of certain liabilities without a corresponding increase in other

liabilities or a decrease in assets, and does not represent a contribution of fund capital in food service or pupil activity funds. Furthermore, the term "revenue" includes only revenue for current expenditures.

State aid means any contribution, no repayment for which is expected, made by a State to or on behalf of LEAs within the State for current expenditures for the provision of free public education.

Total local tax revenues means all "local tax revenues" as defined in paragraph (c) of this section, including tax revenues for education programs for children needing special services, vocational education, transportation, and the like during the period in question but excluding all revenues from State and Federal sources.

(Authority: 20 U.S.C. 7709)

[60 FR 50778, Sept. 29, 1995, as amended at 62 FR 35419, July 1, 1997]

§ 222.162 What disparity standard must a State meet in order to be certified and how are disparities in current expenditures or revenues per pupil measured?

(a) *Percentage disparity limitation.* The Secretary considers that a State aid program equalizes expenditures if the disparity in the amount of current expenditures or revenues per pupil for free public education among LEAs in the State is no more than 25 percent. In determining the disparity percentage, the Secretary disregards LEAs with per pupil expenditures or revenues above the 95th or below the 5th percentile of those expenditures or revenues in the State. The method for calculating the percentage of disparity in a State is in the appendix to this subpart.

(b)(1) *Weighted average disparity for different grade level groups.* If a State requests it, the Secretary will make separate disparity computations for different groups of LEAs in the State that have similar grade levels of instruction.

(2) In those cases, the weighted average disparity for all groups, based on the proportionate number of pupils in each group, may not be more than the percentage provided in paragraph (a) of

this section. The method for calculating the weighted average disparity percentage is set out in the appendix to this subpart.

(c) *Per pupil figure computations.* In calculating the current expenditures or revenue disparities under this section, computations of per pupil figures are made on one of the following bases:

(1) The per pupil amount of current expenditures or revenue for an LEA is computed on the basis of the total number of pupils receiving free public education in the schools of the agency. The total number of pupils is determined in accordance with whatever standard measurement of pupil count is used in the State.

(2) If a State aid program uses “weighted pupil,” “classroom,” “instructional unit,” or another designated measure of need in determining allocations of State aid to take account of special cost differentials, the computation of per pupil revenue or current expenditures may be made on those bases. The two allowable categories of special cost differentials are—

(i) Those associated with pupils having special educational needs, such as children with disabilities, economically disadvantaged children, non-English speaking children, and gifted and talented children; and

(ii) Those associated with particular types of LEAs such as those affected by geographical isolation, sparsity or density of population, high cost of living, or special socioeconomic characteristics within the area served by an LEA.

(d) *Revenues and current expenditures included in determinations.* All revenues or current expenditures must be included for each LEA in the State in determining the percentage of disparity under paragraph (a) of this section.

(Authority: 20 U.S.C. 7709)

[60 FR 50778, Sept. 29, 1995, as amended at 62 FR 35419, July 1, 1997]

§ 222.163 What proportion of Impact Aid funds may a State take into consideration upon certification?

(a) *Provision of law.* Section 8009(d)(1)(B) provides that, upon certification by the Secretary, in allocating State aid a State may consider as local resources funds received under sections 8002 and 8003(b) (including hold harm-

less payments calculated under section 8003(e)) and Pub. L. 81-874 only in proportion to the share that local tax revenues covered under a State equalization program are of total local tax revenues. Determinations of proportionality must be made on a case-by-case basis for each LEA affected and not on the basis of a general rule to be applied throughout a State.

(Authority: 20 U.S.C. 7709)

(b) *Computation of proportion.* (1) In computing the share that local tax revenues covered under a State equalization program are of total local tax revenues for an LEA with respect to a program qualifying under § 222.162, the proportion is obtained by dividing the amount of local tax revenues covered under the equalization program by the total local tax revenues attributable to current expenditures for free public education within that LEA.

(2) In cases where there are no local tax revenues for current expenditures and the State provides all of those revenues on behalf of the LEA, the State may consider up to 100 percent of the funds received under the Act by that LEA in allocating State aid.

(Authority: 20 U.S.C. 7709(d)(1)(B))

(c) *Application of proportion to Impact Aid payments.* Except as provided in § 222.161(a)(1)(ii) and (iii), the proportion established under this section (or a lesser proportion) for any LEA receiving payments under sections 8002 and 8003(b) (including hold harmless payments calculated under section 8003(e)) and Pub. L. 81-874 may be applied by a State to actual receipts of those payments or payments under Pub. L. 81-874.

(Authority: 20 U.S.C. 7709(d)(1)(B))

§ 222.164 What procedures does the Secretary follow in making a determination under section 8009?

(a) *Initiation.* (1) A proceeding under this subpart leading to a determination by the Secretary under section 8009 may be initiated—

(i) By the State educational agency (SEA) or other appropriate agency of the State;

(ii) By an LEA; or

(iii) By the Secretary, if the Secretary has reason to believe that the State's action is in violation of section 8009.

(2) Whenever a proceeding under this subpart is initiated, the party initiating the proceeding shall give adequate notice to the State and all LEAs in the State and provide them with a complete copy of the submission initiating the proceeding. In addition, the party initiating the proceeding shall notify the State and all LEAs in the State of their right to request from the Secretary, within 30 days of the initiation of a proceeding, the opportunity to present their views to the Secretary before the Secretary makes a determination.

(b) *Submission.* (1) A submission by a State or LEA under this section must be made in the manner requested by the Secretary and must contain the information and assurances as may be required by the Secretary in order to reach a determination under section 8009 and this subpart.

(2)(i) A State in a submission shall—

(A) Demonstrate how its State aid program comports with §222.162; and

(B) Demonstrate for each LEA receiving funds under the Act that the proportion of those funds that will be taken into consideration comports with §222.163.

(ii) The submission must be received by the Secretary no later than 120 calendar days before the beginning of the State's fiscal year for the year of the determination, and must include (except as provided in §222.161(c)(2)) final second preceding fiscal year disparity data enabling the Secretary to determine whether the standard in §222.162 has been met. The submission is considered timely if received by the Secretary on or before the filing deadline or if it bears a U.S. Postal Service postmark dated on or before the filing deadline.

(3) An LEA in a submission must demonstrate whether the State aid program comports with section 8009.

(4) Whenever a proceeding is initiated under this subpart, the Secretary may request from a State the data deemed necessary to make a determination. A failure on the part of a State to comply with that request within a reasonable

period of time results in a summary determination by the Secretary that the State aid program of that State does not comport with the regulations in this subpart.

(5) Before making a determination under section 8009, the Secretary affords the State, and all LEAs in the State, an opportunity to present their views as follows:

(i) Upon receipt of a timely request for a predetermination hearing, the Secretary notifies all LEAs and the State of the time and place of the predetermination hearing.

(ii) Predetermination hearings are informal and any LEA and the State may participate whether or not they requested the predetermination hearing.

(iii) At the conclusion of the predetermination hearing, the Secretary holds the record open for 15 days for the submission of post-hearing comments. The Secretary may extend the period for post-hearing comments for good cause for up to an additional 15 days.

(iv) Instead of a predetermination hearing, if the party or parties requesting the predetermination hearing agree, they may present their views to the Secretary exclusively in writing. In such a case, the Secretary notifies all LEAs and the State that this alternative procedure is being followed and that they have up to 30 days from the date of the notice in which to submit their views in writing. Any LEA or the State may submit its views in writing within the specified time, regardless of whether it requested the opportunity to present its views.

(c) *Determinations.* The Secretary reviews the participants' submissions and any views presented at a predetermination hearing under paragraph (b)(5) of this section, including views submitted during the post-hearing comment period. Based upon this review, the Secretary issues a written determination setting forth the reasons for the determination in sufficient detail to enable the State or LEAs to respond. The Secretary affords reasonable notice of a determination under this subpart and the opportunity for a

hearing to the State or any LEA adversely affected by the determination.

§ 222.165 What procedures does the Secretary follow after making a determination under section 8009?

(a) *Request for hearing.* (1) A State or LEA that is adversely affected by a determination under section 8009 and this subpart and that desires a hearing regarding that determination must submit a written request for a hearing within 30 days of receipt of the determination. The time within which a request must be filed may not be extended unless the Secretary, or the Secretary's delegatee, extends the time in writing at the time notice of the determination is given.

(2) A request for a hearing in accordance with this section must specify the issues of fact and law to be considered.

(3) If an LEA requests a hearing, it must furnish a copy of the request to the State. If a State requests a hearing, it must furnish a copy of the request to all LEAs in the State.

(b) *Right to intervene.* Any LEA or State that is adversely affected by a determination shall have the right of intervention in the hearing.

(c) *Time and place of hearing.* The hearing is held at a time and place fixed by the Secretary or the Secretary's delegatee (with due regard to the mutual convenience of the parties).

(d) *Counsel.* In all proceedings under this section, all parties may be represented by counsel.

(e) *Proceedings.* (1) The Secretary refers the matter in controversy to an administrative law judge (ALJ) appointed under 5 U.S.C. 3105.

(2) The ALJ is bound by all applicable statutes and regulations and may neither waive them nor rule them invalid.

(f) *Filing requirements.* (1) Any written submission under this section must be

filed by hand-delivery, mail, or facsimile transmission. The Secretary discourages the use of facsimile transmission for documents longer than five pages.

(2) If agreed upon by the parties, service of a document may be made upon the other party by facsimile transmission.

(3) The filing date for a written submission under this section is the date the document is—

(i) Hand-delivered;

(ii) Mailed; or

(iii) Sent by facsimile transmission.

(4) A party filing by facsimile transmission is responsible for confirming that a complete and legible copy of the document was received by the Department.

(5) Any party filing a document by facsimile transmission must file a follow-up hard copy by hand-delivery or mail within a reasonable period of time.

(g) *Procedural rules.* (1) If, in the opinion of the ALJ, no dispute exists as to a material fact the resolution of which would be materially assisted by oral testimony, the ALJ shall afford each party to the proceeding an opportunity to present its case—

(i) In whole or in part in writing; or

(ii) In an informal conference after affording each party sufficient notice of the issues to be considered.

(2) With respect to hearings involving a dispute as to a material fact the resolution of which would be materially assisted by oral testimony, the ALJ shall afford the following procedures to each party:

(i) Sufficient notice of the issues to be considered at the hearing.

(ii) An opportunity to make a record of the proceedings.

(iii) An opportunity to present witnesses on the party's behalf.

(iv) An opportunity to cross-examine other witnesses either orally or through written interrogatories.

(h) *Decisions.* (1) The ALJ—

(i) Makes written findings and an initial decision based upon the hearing record; and

(ii) Forwards to the Secretary, and mails to each party, a copy of the written findings and initial decision.

(2) Appeals to the Secretary and the finality of initial decisions under section 8009 are governed by §§222.157(b), 222.158, and 222.159 of subpart J of this part.

(Authority: 20 U.S.C. 7709)

(i) *Corrective action.* (1) Within 30 days after a determination by the Secretary that a State has been in violation of section 8009 unless the determination is timely appealed by the State, the State shall provide satisfactory written assurances that it will undertake appropriate corrective action if necessary.

(2) A State found by the Secretary to have been in violation of section 8009 following a hearing shall provide, within 30 days after disposal of the hearing request (such as by a final decision issued under this subpart or withdrawal of the hearing request), satisfactory assurances that it is taking corrective action, if necessary.

(3) At any time during a hearing under this subpart, a State may provide the Secretary appropriate assurances that it will undertake corrective action if necessary. The Secretary or the ALJ, as applicable, may stay the proceedings pending completion of corrective action.

§§ 222.166–222.169 [Reserved]

APPENDIX TO SUBPART K OF PART 222—
DETERMINATIONS UNDER SECTION
8009 OF THE ACT—METHODS OF CAL-
CULATIONS FOR TREATMENT OF IM-
PACT AID PAYMENTS UNDER STATE
EQUALIZATION PROGRAMS

The following paragraphs describe the methods for making certain calculations in conjunction with determinations made under the regulations in this subpart. Except as otherwise provided in the regulations, these methods are the only methods that may be used in making these calculations.

1. *Determinations of disparity standard compliance under §222.162(b)(1).*

(a) The determinations of disparity in current expenditures or revenue per pupil are made by—

(i) Ranking all LEAs having similar grade levels within the State on the basis of current expenditures or revenue per pupil for

the second preceding fiscal year before the year of determination;

(ii) Identifying those LEAs in each ranking that fall at the 95th and 5th percentiles of the total number of pupils in attendance in the schools of those LEAs; and

(iii) Subtracting the lower current expenditure or revenue per pupil figure from the higher for those agencies identified in paragraph (ii) and dividing the difference by the lower figure.

Example: In State X, after ranking all LEAs organized on a grade 9-12 basis in order of the expenditures per pupil for the fiscal year in question, it is ascertained by counting the number of pupils in attendance in those agencies in ascending order of expenditure that the 5th percentile of student population is reached at LEA A with a per pupil expenditure of \$820, and that the 95th percentile of student population is reached at LEA B with a per pupil expenditure of \$1,000. The percentage disparity between the 95th and 5th percentile LEAs is 22 percent ($\$1,000 - \$820 = \$180 / \820). The program would meet the disparity standard for fiscal years before fiscal year 1998 but would not for subsequent years.

(b) In cases under §222.162(b), where separate computations are made for different groups of LEAs, the disparity percentage for each group is obtained in the manner described in paragraph (a) above. Then the weighted average disparity percentage for the State as a whole is determined by—

(i) Multiplying the disparity percentage for each group by the total number of pupils receiving free public education in the schools in that group;

(ii) Summing the figures obtained in paragraph (b)(i); and

(iii) Dividing the sum obtained in paragraph (b)(ii) by the total number of pupils for all the groups.

EXAMPLE

Group 1 (grades 1–6), 80,000 pupils×18.00%=	14,400
Group 2 (grades 7–12), 100,000 pupils×22.00%=	22,000
Group 3 (grades 1–12), 20,000 pupils×35.00%=	7,000
Total 200,000 pupils	43,400
43,400/200,000=21.70% Disparity	

2. *Determinations under §222.163(b) as to maximum proportion of payments under the Act that may be taken into consideration by a State under an equalization program.* The proportion that local tax revenues covered under a State equalization program are of total local tax revenues for a particular LEA shall be obtained by dividing: (a) The amount of local tax revenues covered under the equalization program by (b) the total local tax revenues

attributable to current expenditures within the LEA. Local revenues that can be excluded from the proportion computation are those received from local non-tax sources such as interest, bake sales, gifts, donations, and in-kind contributions.

Examples

Example 1. State A has an equalization program under which each LEA is guaranteed \$900 per pupil less the LEA contribution based on a uniform tax levy. The LEA contribution from the uniform tax levy is considered under the equalization program. LEA X contributes the proceeds of the uniform tax levy, \$700 per pupil, and the State contributes the \$200 difference. No other local tax revenues are applied to current expenditures for education by LEA X. The percentage of funds under the Act that may be taken into consideration by State A for LEA X is 100 percent ($\$700/\700). If LEA X receives \$100 per pupil in payments under the Act, \$100 per pupil may be taken into consideration by State A in determining LEA X's relative financial resources and needs under the program. LEA X is regarded as contributing \$800 and State A would now contribute the \$100 difference.

Example 2. The initial facts are the same as in Example 1, except that LEA X, under a permissible additional levy outside the equalization program, raises an additional \$100 per pupil not covered under the equalization program. The permissible levy is not included in local tax revenues covered under the equalization program but it is included in total local tax revenues. The percentage of payments under the Act that may be taken into consideration is 87.5 percent ($\$700/\800). If LEA X receives \$100 per pupil in payments under the Act, \$87.50 per pupil may be taken into consideration. LEA X is now regarded as contributing \$787.50 per pupil under the program and State A would now contribute \$112.50 per pupil as the difference.

Example 3. State B has an equalization program under which each LEA is guaranteed \$900 per pupil for contributing the equivalent of a two mill tax levy. LEA X contributes \$700 per pupil from a two mill tax levy and an additional \$500 per pupil from local interest, bake sales, in-kind contributions, and other non-tax local sources. The percentage of funds under the Act that may be taken into consideration by State A for LEA X is 100 percent ($\$700/\700). The local revenue received from interest, bake sales, in-kind contributions and other non-tax local revenues are excluded from the computation since they are from non-tax sources. If LEA X receives \$100 per pupil in payments under the Act, \$100 per pupil may be taken into consideration by State A in determining LEA X's relative financial resources and needs under the program. LEA X is regarded as contrib-

uting \$800 and State A would now contribute the \$100 difference.

Example 4. State C has an equalization program in which each participating LEA is guaranteed a certain per pupil revenue at various levels of tax rates. For an eight mill rate the guarantee is \$500, for nine mills \$550, for 10 mills \$600. LEA X levies a 10 mill rate and realizes \$300 per pupil. Furthermore, it levies an additional 10 mills under a local leeway option realizing another \$300 per pupil. The \$300 proceeds of the local leeway option are not included in local tax revenues covered under the equalization program, but they are included in total local tax revenues. The percentage of payments under the Act that may be taken into consideration is 50 percent ($\$300/\600). If LEA X receives \$100 per pupil in payments under the Act, \$50 per pupil may be taken into consideration. LEA X may be regarded as contributing \$350 per pupil under the program and State B would now contribute \$250 as the difference.

Example 5. The initial facts are the same as in Example 4, except that LEA Y in State C, while taxing at the same 10 mill rate for both the equalization program and leeway allowance as LEA X, realizes \$550 per pupil for each tax. As with LEA X, the percentage of payments under the Act that may be taken into consideration for LEA Y is 50 percent ($\$550/\1100). If LEA Y receives \$150 per pupil in payments under the Act, then up to \$75 per pupil normally could be taken into consideration. However, since LEA Y would have received only \$50 per pupil in State aid, only \$50 of the allowable \$75 could be taken into consideration. Thus, LEA Z may be regarded as contributing \$600 per pupil under the program and State B would not contribute any State aid.

Subpart L—Impact Aid Discretionary Construction Grant Program Under Section 8007(b) of the Act

SOURCE: 69 FR 12235, Mar. 15, 2004, unless otherwise noted.

GENERAL

§ 222.170 What is the purpose of the Impact Aid Discretionary Construction grant program (Section 8007(b) of the Act)?

The Impact Aid Discretionary Construction grant program provides competitive grants for emergency repairs and modernization of school facilities to certain eligible local educational

agencies (LEAs) that receive formula Impact Aid funds.

(Authority: 20 U.S.C. 7707(b))

§222.171 What LEAs may be eligible for Discretionary Construction grants?

(a) Applications for these grants are considered in four funding priority categories. The specific requirements for each priority are detailed in §§222.177 through 222.182.

(b)(1) Generally, to be eligible for an emergency construction grant, an LEA must—

(i) Enroll a high proportion (at least 40 percent) of federally connected children in average daily attendance (ADA) who reside on Indian lands or who have a parent on active duty in the U.S. uniformed services;

(ii) Have a school that enrolls a high proportion of one of these types of students;

(iii) Be eligible for funding for heavily impacted LEAs under section 8003(b)(2) of the Act; or

(iv) Meet the specific numeric requirements regarding bonding capacity.

(2) The Secretary must also consider such factors as an LEA's total assessed value of real property that may be taxed for school purposes, its availability and use of bonding capacity, and the nature and severity of the emergency.

(c)(1) Generally, to be eligible for a modernization construction grant, an LEA must—

(i) Be eligible for Impact Aid funding under either section 8002 or 8003 of the Act;

(ii) Be eligible for funding for heavily impacted LEAs under section 8003(b)(2) of the Act;

(iii) Enroll a high proportion (at least 40 percent) of federally connected children in ADA who reside on Indian lands or who have a parent on active duty in the U.S. uniformed services;

(iv) Have a school that enrolls a high proportion of one of these types of students; or

(v) Meet the specific numeric requirements regarding bonding capacity.

(2) The Secretary must also consider such factors as an LEA's total assessed value of real property that may be

taxed for school purposes, its availability and use of bonding capacity, and the nature and severity of its need for modernization funds.

(Authority: 20 U.S.C. 7707(b))

§222.172 What activities may an LEA conduct with funds received under this program?

(a) An LEA may use emergency grant funds received under this program only to repair, renovate, alter, and, in the limited circumstances described in paragraph (c) of this section, replace a public elementary or secondary school facility used for free public education to ensure the health and safety of students and personnel, including providing accessibility for the disabled as part of a larger project.

(b) An LEA may use modernization grant funds received under this program only to renovate, alter, retrofit, extend, and, in the limited circumstances described in paragraph (c) of this section, replace a public elementary or secondary school facility used for free public education to provide school facilities that support a contemporary educational program for the LEA's students at normal capacity, and in accordance with the laws, standards, or common practices in the LEA's State.

(c)(1) An emergency or modernization grant under this program may be used for the construction of a new school facility but only if the Secretary determines—

(i) That the LEA holds title to the existing facility for which funding is requested; and

(ii) In consultation with the grantee, that partial or complete replacement of the facility would be less expensive or more cost-effective than improving the existing facility.

(2) When construction of a new school facility is permitted, emergency and modernization funds may be used only for a new school facility that is used for free public education. These funds may be used for the—

(i) Construction of instructional, resource, food service, and general or administrative support areas, so long as they are a part of the instructional facility; and

§ 222.173

(ii) Purchase of initial equipment or machinery, and initial utility connections.

(Authority: 20 U.S.C. 7707(b))

§ 222.173 What activities will not receive funding under a Discretionary Construction grant?

The Secretary does not fund the following activities under a Discretionary Construction grant:

(a) Improvements to facilities for which the LEA does not have full title or other interest, such as a lease-hold interest.

(b) Improvements to or repairs of school grounds, such as environmental remediation, traffic remediation, and landscaping, that do not directly involve instructional facilities.

(c) Repair, renovation, alteration, or construction for stadiums or other facilities that are primarily used for athletic contests, exhibitions, and other events for which admission is charged to the general public.

(d) Improvements to or repairs of teacher housing.

(e) Except in the limited circumstances as provided in § 222.172(c), when new construction is permissible, acquisition of any interest in real property.

(f) Maintenance costs associated with any of an LEA's school facilities.

(Authority: 20 U.S.C. 7707(b))

§ 222.174 What prohibitions apply to these funds?

Grant funds under this program may not be used to supplant or replace other available non-Federal construction money. These grant funds may be used for emergency or modernization activities only to the extent that they supplement the amount of construction funds that would, in the absence of these grant funds, be available to a grantee from non-Federal funds for these purposes.

Example 1. "Supplanting." An LEA signs a contract for a \$300,000 roof replacement and plans to use its capital expenditure fund to pay for the renovation. Since the LEA already has non-Federal funds available for the roof project, it may not now use a grant from this program to pay for the project or replace its own funds in order to conserve its capital fund.

34 CFR Ch. II (7–1–04 Edition)

Example 2. "Non-supplanting." The LEA from the example of supplanting that has the \$300,000 roof commitment has also received a \$400,000 estimate for the replacement of its facility's heating, ventilation, and air conditioning (HVAC) system. The LEA has not made any commitments for the HVAC system because it has no remaining funds available to pay for that work. Since other funds are not available, it would not be supplanting if the LEA received an emergency grant under this program to pay for the HVAC system.

(Authority: 20 U.S.C. 7707(b))

§ 222.175 What regulations apply to recipients of funds under this program?

The following regulations apply to the Impact Aid Discretionary Construction program:

(a) The Education Department General Administrative Regulations (EDGAR) as follows:

(1) 34 CFR part 75 (Direct Grant Programs) except for 34 CFR §§ 75.600 through 75.617.

(2) 34 CFR part 77 (Definitions that Apply to Department Regulations).

(3) 34 CFR part 79 (Intergovernmental Review of Department of Education Programs and Activities).

(4) 34 CFR part 80 (Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments).

(5) 34 CFR part 81 (General Education Provisions Act—Enforcement).

(6) 34 CFR part 82 (New Restrictions on Lobbying).

(7) 34 CFR part 84 (Governmentwide Requirements for Drug-Free Workplace (Financial Assistance)).

(8) 34 CFR part 85 (Governmentwide Debarment and Suspension (Non-procurement)).

(b) The regulations in 34 CFR part 222.

(Authority: 20 U.S.C. 1221e-3)

§ 222.176 What definitions apply to this program?

(a) In addition to the terms referenced in 34 CFR 222.2, the following definitions apply to this program:

Bond limit means the cap or limit that a State may impose on an LEA's capacity for bonded indebtedness. For applicants in States that place no limit

on an LEA's capacity for bonded indebtedness, the Secretary shall consider the LEA's bond limit to be 10 percent of its total assessed valuation.

Construction means

- (1) Preparing drawings and specifications for school facilities;
- (2) Repairing, renovating, or altering school facilities;
- (3) Extending school facilities as described in §222.172(b);
- (4) Erecting or building school facilities, as described in §222.172(c); and
- (5) Inspections or supervision related to school facilities projects.

Emergency means a school facility condition that is so injurious or hazardous that it either poses an immediate threat to the health and safety of the facility's students and staff or can be reasonably expected to pose such a threat in the near future. These conditions can include deficiencies in the following building features: a roof; electrical wiring; a plumbing or sewage system; heating, ventilation, or air conditioning; the need to bring a school facility into compliance with fire and safety codes, or providing accessibility for the disabled as part of a larger project.

Level of bonded indebtedness means the amount of long-term debt issued by an LEA divided by the LEA's bonding capacity.

Minimal capacity to issue bonds means that the total assessed value of real property in an LEA that may be taxed for school purposes is at least \$25,000,000 but not more than \$50,000,000.

Modernization means the repair, renovation, alteration, or extension of a public elementary or secondary school facility in order to support a contemporary educational program for an LEA's students in normal capacity, and in accordance with the laws, standards, or common practices in the LEA's State.

No practical capacity to issue bonds means that the total assessed value of real property in an LEA that may be taxed for school purposes is less than \$25,000,000.

School facility means a building used to provide free public education, including instructional, resource, food service, and general or administrative

support areas, so long as they are a part of the facility.

Total assessed value per student means the assessed valuation of real property per pupil (AVPP), unless otherwise defined by an LEA's State.

(Authority: 20 U.S.C. 7707(b))

§ 222.178 What eligibility requirements must an LEA meet to apply for an emergency grant under the second priority?

Except as provided in § 222.179, an LEA is eligible to apply for an emergency grant under the second priority of section 8007(b) of the Act if it—

(c) Has facility needs resulting from the presence of the Federal Government, such as the enrollment of federally connected children, the presence of Federal property, or an increase in enrollment due to expanded Federal activities, housing privatization, or the acquisition of Federal property.

(Authority: 20 U.S.C. 7707(b))

§ 222.181 What eligibility requirements must an LEA meet to apply for a modernization grant under the fourth priority?

An LEA is eligible to apply for a modernization grant under the fourth priority of section 8007(b) of the Act if it—

(a) The school—

(1) Enrolls children living on Indian lands equal to at least 40 percent of the total number of children in ADA; or

(2) Enrolls children with a parent in the U.S. uniformed services equal to at least 40 percent of the total number of children in ADA;

(b) The LEA has used at least 75 percent of its bond limit;

(d) The school has facility needs resulting from the presence of the Federal Government, such as the enrollment of federally connected children, the presence of Federal property, or an increase in enrollment due to expanded Federal activities, housing privatization, or the acquisition of Federal property.

(Authority: 20 U.S.C. 7707(b))

HOW TO APPLY FOR A GRANT

§222.183 How does an LEA apply for a grant?

(a) To apply for funds under this program, an LEA may submit more than one application in a fiscal year. An LEA must submit a separate application for each school for which it proposes a project, and may submit more than one application for a single school if multiple projects are proposed.

Examples: 1. An LEA wants to receive both an emergency and a modernization grant for one school that has a failing roof and that also needs significant classroom modernization. The LEA would submit an emergency repair grant application to address the roof issues and a separate modernization application to request funds to renovate classroom space.

2. An LEA has five schools and seeks emergency grants to replace a roof and a boiler in one school and to replace windows in a second school. It should submit two applications—one for each of the two school facilities.

3. An LEA has one school that has several conditions that need to be corrected—a failing roof, aging windows that impair the efficiency of the heating system, and asbestos in floor tiles. The LEA may submit a single application for all of these conditions or separate emergency repair grant applications for each condition, if the LEA judges that they present varying degrees of urgency.

(b) An application must—

(1) Contain the information required in §§222.184 through 222.186, as applicable, and in any application notice that the Secretary may publish in the FEDERAL REGISTER; and

(2) Be timely filed in accordance with the provisions of the Secretary's application notice.

(Approved by the Office of Management and Budget under control number 1810-0657)

(Authority: 20 U.S.C. 7707(b))

§222.184 What information must an application contain?

An application for an emergency or modernization grant must contain the following information:

(a) The name of the school facility the LEA is proposing to repair, construct, or modernize.

(b)(1) For an applicant under section 8003(b) of the Act, the number of federally connected children described in

section 8003(a)(1) enrolled in the school facility, as well as the total enrollment in the facility, for which the LEA is seeking a grant; or

(2) For an applicant under section 8002 of the Act, the total enrollment, for the preceding year, in the LEA and in the school facility for which the LEA is seeking a grant, based on the fall State count date.

(c) The identification of the LEA's interest in, or authority over, the school facility involved, such as an ownership interest or a lease arrangement.

(d) The original construction date of the school facility that the LEA proposes to renovate or modernize.

(e) The dates of any major renovations of that school facility and the areas of the school covered by the renovations.

(f) The proportion of Federal acreage within the geographic boundaries of the LEA.

(g) Fiscal data including the LEA's—

(1) Maximum bonding capacity;

(2) Amount of bonded debt;

(3) Total assessed value of real property available to be taxed for school purposes;

(4) State average assessed value per pupil of real property available to be taxed for school purposes;

(5) Local real property tax levy, in mills or dollars, used to generate funds for capital expenditures; and

(6) Sources and amounts of funds available for the proposed project.

(h) A description of the need for funds and the proposed project for which a grant under this subpart L would be used, including a cost estimate for the project.

(i) Applicable assurances and certifications identified in the approved grant application package.

(Approved by the Office of Management and Budget under control number 1810-0657)

(Authority: 20 U.S.C. 7707(b))

§ 222.185 What additional information must be included in an emergency grant application?

In addition to the information specified in § 222.184, an application for an emergency grant must contain the following:

(a) A description of the deficiency that poses a health or safety hazard to occupants of the facility.

(b) A description of how the deficiency adversely affects the occupants and how it will be repaired.

(c) A statement signed by an appropriate local official, as defined below, that the deficiency threatens the health and safety of occupants of the facility or prevents the use of the facility. An appropriate local official may include a local building inspector, a licensed architect, or a licensed structural engineer. An appropriate local official may not include a member of the applicant LEA's staff.

(Approved by the Office of Management and Budget under control number 1810-0657)

(Authority: 20 U.S.C. 7707(b))

§ 222.186 What additional information must be included in a modernization grant application?

In addition to the information specified in § 222.184, an application for a modernization grant must contain a description of—

(a) The need for modernization; and

(b) How the applicant will use funds received under this program to address the need referenced in paragraph (a) of this section.

(Approved by the Office of Management and Budget under control number 1810-0657)

(Authority: 20 U.S.C. 7707(b))

§ 222.187 Which year's data must an SEA or LEA provide?

(a) Except as provided in paragraph (b) of this section, the Secretary will determine eligibility under this discretionary program based on student and fiscal data for each LEA from the fiscal year preceding the fiscal year for which the applicant is applying for funds.

(b) If satisfactory fiscal data are not available from the preceding fiscal year, the Secretary will use data from the most recent fiscal year for which data that are satisfactory to the Secretary are available.

(Authority: 20 U.S.C. 7707(b))

HOW GRANTS ARE MADE

§ 222.188 What priorities may the Secretary establish?

In any given year, the Secretary may assign extra weight for certain facilities systems or emergency and modernization conditions by identifying the systems or conditions and their assigned weights in a notice published in the FEDERAL REGISTER.

(Authority: 20 U.S.C. 7707(b))

§ 222.189 What funding priority does the Secretary give to applications?

(a) Except as provided in paragraph (b) of this section, the Secretary gives funding priority to applications in the following order:

(1) First priority is given to applications described under § 222.177 and, among those applicants for emergency grants, priority is given to applications based on a rank order of the application quality factors referenced in § 222.190, including the severity of the emergency.

(2) After all eligible first-priority applications are funded, second priority is given to applications described under §§ 222.178 and 222.179 and, among those applicants for emergency grants, priority is given to applications based on a rank order of the application quality factors referenced in § 222.190, including the severity of the emergency.

(3) Third priority is given to applications described under § 222.180 and, among those applicants for modernization grants, priority is given to applications based on a rank order of the application quality factors referenced in § 222.190, including the severity of the need for modernization.

(4) Fourth priority is given to applications described under §§ 222.181 and 222.182 and, among those applicants for modernization grants, priority is given to applications based on a rank order of the application quality factors referenced in § 222.190, including the severity of the need for modernization.

(b)(1) The Secretary makes awards in each priority described above until the Secretary is unable to make an approvable award in that priority.

(2) If the Secretary is unable to fund a full project or a viable portion of a project, the Secretary may continue to

fund down the list of high-ranking applicants within a priority.

(3) The Secretary applies any remaining funds to awards in the next priority.

(4) If an applicant does not receive an emergency or modernization grant in a fiscal year, the Secretary will, subject to the availability of funds and to the priority and award criteria, consider that application in the following year along with the next fiscal year's pool of applications.

Example: The first five applicants in priority one have been funded. Three hundred thousand dollars remain available. Three unfunded applications remain in that priority. Application #6 requires a minimum of \$500,000, application #7 requires \$400,000, and application #8 requires \$300,000 for a new roof and \$150,000 for related wall and ceiling repairs. Applicant #8 agrees to accept the remaining \$300,000 since the roof upgrade can be separated into a viable portion of applicant #8's total project. Applications #6 and #7 will be retained for consideration in the next fiscal year and will compete again with that fiscal year's pool of applicants. Applicant #8 will have to submit a new application in the next fiscal year if it wishes to be considered for the unfunded portion of the current year's application.

(Authority: 20 U.S.C. 7707(b))

§ 222.190 How does the Secretary rank and select applicants?

(a) To the extent that they are consistent with these regulations and section 8007(b) of the Act, the Secretary will follow grant selection procedures that are specified in 34 CFR 75.215 through 75.222. In general these procedures are based on the authorizing statute, the selection criteria, and any priorities or other applicable requirements that have been published in the FEDERAL REGISTER.

(b) In the event of ties in numeric ranking, the Secretary may consider as tie-breaking factors: the severity of the emergency or the need for modernization; for applicants under section 8003 of the Act, the numbers of federally connected children who will benefit from the project; or for applicants under section 8002 of the Act, the numbers of children who will benefit from the project; the AVPP compared to the

§ 222.191

LEA's State average; and available resources or non-Federal funds available for the grant project.

(Authority: 20 U.S.C. 7707(b))

§ 222.191 What is the maximum award amount?

(a) Subject to any applicable contribution requirements as described in §§ 222.192 and 222.193, the procedures in 34 CFR 75.231 through 75.236, and the provisions in paragraph (b) of this section, the Secretary may fund up to 100 percent of the allowable costs in an approved grantee's proposed project.

(b) An award amount may not exceed the difference between—

(1) The cost of the proposed project; and

(2) The amount the grantee has available or will have available for this purpose from other sources, including local, State, and other Federal funds.

(Authority: 20 U.S.C. 7707(b))

§ 222.192 What local funds may be considered as available for this project?

To determine the amount of local funds that an LEA has available under § 222.191(b)(2) for a project under this program, the Secretary will consider as available all LEA funds that may be used for capital expenditures except \$100,000 or 10 percent of the average annual capital expenditures of the applicant for the three previous fiscal years, whichever is greater. The Secretary will not consider capital funds that an LEA can demonstrate have been committed through signed contracts or other written binding agreements but have not yet been expended.

(Authority: 20 U.S.C. 7707(b))

§ 222.193 What other limitations on grant amounts apply?

(a) Except as provided in paragraph (b) of this section and § 222.191, the amount of funds provided under an emergency grant or a modernization grant awarded to an eligible LEA is subject to the following limitations:

(1) The award amount may not be more than 50 percent of the total cost of an approved project.

(2) The total amount of grant funds may not exceed four million dollars during any four-year period.

Example: An LEA that is awarded four million dollars in the first year may not receive any additional funds for the following three years.

(b) Emergency or modernization grants to LEAs with no practical capacity to issue bonds as defined in § 222.176 are not subject to the award limitations described in paragraph (a) of this section.

(Authority: 20 U.S.C. 7707(b))

§ 222.194 Are "in-kind" contributions permissible?

(a) LEAs that are subject to the applicable matching requirement described in § 222.193(a) may use allowable third party in-kind contributions as defined below to meet the requirements.

(b) Third party in-kind contributions mean property or services that benefit this grant program and are contributed by non-Federal third parties without charge to the grantee or by a cost-type contractor under the grant agreement.

(c) Subject to the limitations of 34 CFR 75.564(c)(2) regarding indirect costs, the provisions of 34 CFR 80.24 govern the allowability and valuation of in-kind contributions, except that it is permissible for a third party to contribute real property to a grantee for a project under this program, so long as no Federal funds are spent for the acquisition of real property.

(Authority: 20 U.S.C. 7707(b))

CONDITIONS AND REQUIREMENTS
GRANTEES MUST MEET

§ 222.195 How does the Secretary make funds available to grantees?

The Secretary makes funds available to a grantee during a project period using the following procedure:

(a) Upon final approval of the grant proposal, the Secretary authorizes a project period of up to 60 months based upon the nature of the grant proposal and the time needed to complete the project.

(b) The Secretary then initially makes available to the grantee 10 percent of the total award amount.

(c) After the grantee submits a copy of the emergency or modernization contract approved by the grantee's governing board, the Secretary makes available 80 percent of the total award amount to a grantee.

(d) The Secretary makes available up to the remaining 10 percent of the total award amount to the grantee after the grantee submits a statement that—

- (1) Details any earnings, savings, or interest;
- (2) Certifies that—
 - (i) The project is fully completed; and
 - (ii) All the awarded funds have been spent for grant purposes; and
- (3) Is signed by the—
 - (i) Chairperson of the governing board;
 - (ii) Superintendent of schools; and
 - (iii) Architect of the project.

(Authority: 20 U.S.C. 7707(b))

§ 222.196 What additional construction and legal requirements apply?

(a) Except as provided in paragraph (b) of this section, a grantee under this program must comply with—

- (1) The general construction legal requirements identified in the grant application assurances;
- (2) The prevailing wage standards in the grantee's locality that are established by the Secretary of Labor in accordance with the Davis-Bacon Act (40 U.S.C. 276a, *et seq.*); and
- (3) All relevant Federal, State, and local environmental laws and regulations.

(b) A grantee that qualifies for a grant because it enrolls a high proportion of federally connected children who reside on Indian lands is considered to receive a grant award primarily for the benefit of Indians and must therefore comply with the Indian preference requirements of section 7(b) of the Indian Self-Determination Act.

The consortium agreement, signed by all parties, must be submitted with the application in order to be considered as a consortium application.

(b) The Secretary awards a total of 5 points to an application submitted by a consortium of eligible applicants that includes a tribal college or university and that designates that tribal college or university as the fiscal agent for the application. requirements of 34 CFR 75.127 through 75.129 of EDGAR to be considered eligible to receive the 5 priority points. These competitive preference points are in addition to the 5 competitive preference points that may be given under paragraph (a) of this section. The consortium agreement, signed by all parties, must be submitted with the application in order to be considered as a consortium application.

(c) The Secretary may give absolute preference reserving all or a portion of the funds available for new awards under the Professional Development program, to only those applications that meet one of the following priorities selected for a fiscal year. (ii) For States allowing a degree in a specific subject area, training that leads to a bachelor's degree in the subject area as long as the training meets the requirements for full State teacher certification or licensure; or

(iii) Training in a current or new specialized teaching assignment that requires at least a bachelor's degree and in which a documented teacher shortage exists; and

(iv) One-year induction services after graduation, certification, or licensure, provided during the award period to graduates of the pre-service program while they are completing their first year of work in schools with significant Indian student populations.

NOTE TO PARAGRAPH (C)(1): In working with various institutions of higher education and State certification/licensure requirements, we found that States requiring a degree in a specific subject area (*e.g.*, specialty areas or teaching at the secondary level) generally

require a Master's degree or fifth-year requirement before an individual can be certified or licensed as a teacher. These students would be eligible to participate as long as their training meets the requirements for full State certification or licensure as a teacher.

(2) *Pre-service administrator training.* This priority provides—

(i) Support and training to Indian individuals to complete a master's degree in education administration that is provided before the end of the award period and that allows participants to meet the requirements for State certification or licensure as an education administrator; and

(ii) One year of induction services, during the award period, to participants after graduation, certification, or licensure, while they are completing their first year of work as administrators in schools with significant Indian student populations.

(B) For the school year in which the application is submitted; and

(C) For each of the school years of the proposed grant cycle (i.e., projected enrollment figures).

(5) For an LEA or consortium of LEAs that seeks assistance for new magnet schools—

(i) Enrollment numbers and percentages, for minority and non-minority group students, for each magnet school for which funding is sought and for each feeder school—

(A) For the school year in which the application is submitted; and

(B) For each of the school years of the proposed grant cycle (i.e., projected enrollment figures); and

(ii) Districtwide numbers and percentages of minority group students in the LEA's or consortium of LEAs' schools, for the grade levels involved in the applicant's magnet schools (e.g., K-6, 7-9, 10-12)—

(A) For the school year in which the application is submitted; and

(B) For each of the school years of the proposed grant cycle (i.e., projected enrollment figures).

(g) An applicant that does not have an approved desegregation plan, and demonstrates that it cannot provide some portion of the information requested under paragraphs (f)(4) and (5)

of this section, may provide other information (in lieu of that portion of the information not provided in response to paragraphs (f)(4) and (5) of this section) to demonstrate that the creation or operation of its proposed magnet school would reduce, eliminate, or prevent minority group isolation in the applicant's schools and would not result in an increase of minority student isolation at one of the applicant's schools above the district-wide percentage for minority students at the same grade levels as those served in the magnet school.

(h) After reviewing the information provided in response to paragraph (f)(4) or (5) of this section, or as provided under paragraph (g) of this section, the Secretary may request other information, if necessary (e.g., demographic data concerning the attendance areas in which the magnet schools are or will be located), to determine whether to approve an LEA's or consortium of LEAs' plan.

(i) In addition to including the assurances required by this section, an LEA or consortium of LEAs shall describe in its application—

(1) How the applicant will use assistance made available under this part to promote desegregation, including how the proposed magnet school programs will increase interaction among students of different social, economic, ethnic, and racial backgrounds;

(2) How and to what extent the assistance will increase student academic achievement in instructional areas offered;

(3) How the LEA or consortium of LEAs will continue the magnet schools program after assistance under this part is no longer available, including, if applicable, why magnet schools previously established or supported with Magnet Schools Assistance Program grant funds cannot be continued without the use of funds under this part;

(4) How assistance will be used to—

(i) Improve student academic achievement for all students attending the magnet school programs; and

(ii) Implement services and activities that are consistent with other programs under the Act and other statutes, as appropriate; and

(a) This part establishes uniform administrative rules for programs in titles I through XIII of the Elementary and Secondary Education Act of 1965, as amended (ESEA). As indicated in particular sections of this part, certain provisions apply only to a specific group of programs.

(b) If an ESEA program does not have implementing regulations, the Secretary implements the program under the authorizing statute, and, to the extent applicable, title XIV of ESEA, the General Education Provisions Act, the regulations in this part, and the Education Department General Administrative Regulations (34 CFR parts 74 through 86) that are not inconsistent with specific statutory provisions of ESEA.

(Authority: 20 U.S.C. 1221e-3(a)(1))

§ 299.2 What general administrative regulations apply to ESEA programs?

With regard to the applicability of Education Department General Administrative Regulations (EDGAR) in part 80 to the ESEA programs except for title VIII programs (Impact Aid) (in addition to any other specific implementing regulations):

(a) 34 CFR part 80 (Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments) applies to State, local, and Indian tribal governments under direct grant programs (as defined in 34 CFR 75.1(b)), and programs under title XI of ESEA.

If a State adopts its own alternative requirements, the requirements must be available for inspection upon the request of the Secretary or the Secretary’s representatives and must—

(1) Be sufficiently specific to ensure that funds received under ESEA and title III of Goals 2000 are used in compliance with all applicable statutory and regulatory provisions;

NOTE: 34 CFR 222.13 indicates which EDGAR provisions apply to title VIII programs (Impact Aid).

NOTE: To meet the first of the three standards, alternative State provisions must, among other things, ensure that costs are allocable to a particular cost objective.

(Authority: 20 U.S.C. 1221e-3(a)(1))

Subpart B—Selection Criteria

§ 299.3 What priority may the Secretary establish for activities in an Empowerment Zone or Enterprise Community?

For any ESEA discretionary grant program, the Secretary may establish a priority, as authorized by 34 CFR 75.105(b), for projects that will—

(a) Use a significant portion of the program funds to address substantial problems in an Empowerment Zone, including a Supplemental Empowerment

Zone, or an Enterprise Community designated by the United States Department of Housing and Urban Development or the United States Department of Agriculture; and

Subpart C—Consolidation of State and Local Administrative Funds

§ 299.4 What requirements apply to the consolidation of State and local administrative funds?

(b) To approve an LEA's consolidation of its administrative funds in accordance with section 14203 of the Act.

(Authority: 20 U.S.C. 8821 and 8823)

Subpart D—Fiscal Requirements

§ 299.5 What maintenance of effort requirements apply to ESEA programs?

(a) *General.* An LEA receiving funds under an applicable program listed in paragraph (b) of this section may receive its full allocation of funds only if the SEA finds that either the combined fiscal effort per student or the aggregate expenditures of State and local funds with respect to the provision of free public education in the LEA for the preceding fiscal year was not less than 90 percent of the combined fiscal effort per student or the aggregate expenditures for the second preceding fiscal year.

(b) *Applicable programs.* This subpart is applicable to the following programs:

(2) Title II (Eisenhower Professional Development Program) (other than section 2103 and part C of this title).

(3) Subpart 2 of part A of title III (State and Local Programs for School Technology Resources).

(4) Part A of title IV (Safe and Drug-Free Schools and Communities) (other than section 4114).

(c) *Meaning of "preceding fiscal year".* For purposes of determining if the requirement of paragraph (a) of this section is met, the "preceding fiscal year" means the Federal fiscal year, or the 12-month fiscal period most commonly used in a State for official reporting purposes, prior to the beginning of the Federal fiscal year in which funds are available for obligation by the Department.

Example: For fiscal year 1995 funds that are first made available on July 1, 1995, if a State is using the Federal fiscal year, the "preceding fiscal year" is Federal fiscal year 1994 (which began on October 1, 1993 and ended September 30, 1994) and the "second preceding fiscal year" is Federal fiscal year 1993 (which began on October 1, 1992). If a State is using a fiscal year that begins on July 1, 1995, the "preceding fiscal year" is the 12-month period ending on June 30, 1994, and the "second preceding fiscal year" is the period ending on June 30, 1993.

(d) *Expenditures.* (1) In determining an LEA's compliance with paragraph (a) of this section, the SEA shall consider only the LEA's expenditures from State and local funds for free public education. These include expenditures for administration, instruction, attendance and health services, pupil transportation services, operation and maintenance of plant, fixed charges, and net expenditures to cover deficits for food services and student body activities.

(2) The SEA may not consider the following expenditures in determining an LEA's compliance with the requirements in paragraph (a) of this section:

(b) *Applicable programs.* This subpart is applicable to the following programs:

(1) Part C of title I (Migrant Education).

(2) Title II (Professional Development) (other than section 2103 and part C of this title).

(Authority: 20 U.S.C. 8893)

§ 299.7 What are the factors for determining equitable participation of children and teachers in private schools?

(a) *Equal expenditures.* (1) Expenditures of funds made by an agency or consortium of agencies under a program listed in § 299.6 (b) for services for

eligible private school children and their teachers and other educational personnel must be equal on a per-pupil basis to the amount of funds expended for participating public school children and their teachers and other educational personnel, taking into account the number and educational needs of those children and their teachers and other educational personnel.

(2) Before determining equal expenditures under paragraph (a)(1) of this section, an agency or consortium of agencies shall pay for the reasonable and necessary administrative costs of providing services to public and private school children and their teachers and other educational personnel from the agency's or consortium of agencies' total allocation of funds under the applicable ESEA program.

(b) *Services on an equitable basis.* (1) The services that an agency or consortium of agencies provides to eligible private school children and their teachers and other educational personnel must also be equitable in comparison to the services and other benefits provided to public school children and their teachers or other educational personnel participating in a program under this subpart.

(2) Services are equitable if the agency or consortium of agencies—

(i) Addresses and assesses the specific needs and educational progress of eligible private school children and their teachers and other educational personnel on a comparable basis to public school children and their teachers and other educational personnel;

(iv) Provides private school children and their teachers and other educational personnel with an opportunity to participate that—

(A) Is equitable to the opportunity and benefits provided to public school children and their teachers and other educational personnel; and

(B) Provides reasonable promise of participating private school children

meeting challenging academic standards called for by the State's student performance standards and of private school teachers and other educational personnel assisting their students in meeting high standards.

(3) The agency or consortium of agencies shall make the final decisions with respect to the services to be provided to eligible private school children and their teachers and the other educational personnel.

(c) If the needs of private school children, their teachers and other educational personnel are different from the needs of children, teachers and other educational personnel in the public schools, the agency or consortium of agencies shall provide program benefits for the private school children, teachers, and other educational personnel that are different from the benefits it provides for the public school children and their teachers and other educational personnel.

(Authority: 20 U.S.C. 8893)

§ 299.8 What are the requirements to ensure that funds do not benefit a private school?

(a) An agency or consortium of agencies shall use funds under a program listed in § 299.6(b) to provide services that supplement, and in no case supplant, the level of services that would, in the absence of services provided under that program, be available to participating children and their teachers and other educational personnel in private schools.

(b) An agency or consortium of agencies shall use funds under a program listed in § 299.6(b) to meet the special educational needs of participating children who attend a private school and their teachers and other educational personnel, but may not use those funds for—

- (1) The needs of the private school; or
- (2) The general needs of children and their teachers and other educational personnel in the private school.

(Authority: 20 U.S.C. 8893)

§ 299.9 What are the requirements concerning property, equipment, and supplies for the benefit of private school children and teachers?

(a) A public agency must keep title to, and exercise continuing administrative control of, all property, equipment, and supplies that the public agency acquires with funds under a program listed in § 299.6(b) for the benefit of eligible private school children and their teachers and other educational personnel.

(b) The public agency may place equipment and supplies in a private school for the period of time needed for the program.

(c) The public agency shall ensure that the equipment and supplies placed in a private school—

(1) Are used only for proper purposes of the program; and

(2) Can be removed from the private school without remodeling the private school facility.

(d) The public agency must remove equipment and supplies from a private school if—

(1) The equipment and supplies are no longer needed for the purposes of the program; or

(2) Removal is necessary to avoid unauthorized use of the equipment or supplies for other than the purposes of the program.

(e) No funds may be used for repairs, minor remodeling, or construction of private school facilities.

(f) For the purpose of this section, the term *public agency* includes the agency or consortium of agencies.

(Authority: 20 U.S.C. 8893)
