§ 927.1 Noncontractual carriage of international mail by vessel.

(a) *Report of infraction.* Where evidence is found or reported that a carrier of mail by vessel which has transported mail pursuant to the provisions of Chapter 4, USPS Purchasing Manual, has unreasonably or unnecessarily delayed the mails, or committed other delinquencies in the transportation of mail, has failed to carry the mail in a safe and secure manner, or has caused loss or damage to the mail, the facts will be reported to International Network Operations, Headquarters.

(b) *Review, investigation, recommendation.* International Network Operations will investigate the matter, record findings of fact, make a recommendation concerning the need for imposition of fine or penalty with reasons for the

recommendation, and will advise the carrier of the recommendation.

(c) *Penalty action.* International Network Operations, upon review of the record, may impose a fine or penalty against a carrier for any irregularity properly documented, whether or not penalty action has been recommended. A tentative decision of International Network Operations to take penalty action will be set forth in detail the facts and reasons upon which the determination is based. International Network Operations will send the tentative decision, including notice of the irregularities found and the amount of fine or penalty proposed, to the carrier. The carrier may present a written defense to the proposed action within 21 days after receipt of the tentative decision. International Network Operations will advise the carrier of the final decision.

(d) *Appeal.* If the final decision includes a penalty International Network Operations will advise the carrier that it may, within 30 days, appeal the action in writing to the Vice President, Network Operations Management, U.S. Postal Service Headquarters and that its written appeal should include all facts and arguments upon which the carrier relies in support of the appeal. If an appeal is not received, International Network Operations will close the record. When an appeal is taken, the Vice President, Network Operations Management will review the complete record and decide the appeal. He will advise the carrier of the decision in writing and will take actions consistent with that decision. The Vice President, Network Operations Management, may sustain, rescind, or compromise a fine or penalty. The decision of the Vice President, Network Operations Management on appeal shall be the final decision of the Postal Service. The Postal Service may, in its discretion, deduct from payment otherwise due the carrier an amount necessary to satisfy the penalty action taken under this section.
