Subpart A—General Provisions

§ 60.1 The National Practitioner Data Bank.

The Health Care Quality Improvement Act of 1986 (the Act), title IV of Pub. L. 99-660, as amended, authorizes the Secretary to establish (either directly or by contract) a National Practitioner Data Bank to collect and release certain information relating to the professional competence and conduct of physicians, dentists and other health care practitioners. These regulations set forth the reporting and disclosure requirements for the National Practitioner Data Bank.

§ 60.2 Applicability of these regulations.

The regulations in this part establish reporting requirements applicable to hospitals; health care entities; Boards of Medical Examiners; professional societies of physicians, dentists or other health care practitioners which take adverse licensure of professional review actions; and entities (including insurance companies) making payments as a result of medical malpractice actions or claims. They also establish procedures to enable individuals or entities
