AUTHORITY: 5 U.S.C. 301, unless otherwise noted.

Subpart A—Official Records

AUTHORITY: 5 U.S.C. 301, 552; 7 U.S.C. 3125a; 31 U.S.C. 9701; and 7 CFR 2.28(b)(7)(viii).

§ 1.1 Purpose and scope.

This subpart establishes policy, procedures, requirements, and responsibilities for administration and coordina-

tion of the Freedom of Information Act (“FOIA”), 5 U.S.C. 552, pursuant to which any person may obtain official records. It also provides rules pertaining to the disclosure of records pursuant to compulsory process. This subpart also serves as the implementing regulations (referred to in § 1.3, “Agency implementing regulations”) for the Office of the Secretary (the immediate offices of the Secretary, Deputy Secretary, Under Secretaries and Assistant Secretaries) and for the Office of Communications. The Office of Communications has the primary responsibility for implementation of the FOIA in the Department of Agriculture (“USDA” or “Department”). The term “agency” or “agencies” is used throughout this subpart to include both USDA program agencies and staff offices.

[65 FR 46336, July 28, 2000]

§ 1.2 Policy.

(a) Agencies of USDA shall comply with the time limits set forth in the FOIA and in this subpart for responding to and processing requests and appeals for agency records, unless there are unusual circumstances within the meaning of 5 U.S.C. 552(a)(6)(B) and § 1.16(b). An agency shall notify a requester in writing whenever it is unable to respond to or process a request or appeal within the time limits established by the FOIA.

(b) All agencies of the Department shall comply with the fee schedule provided as appendix A to this subpart, with regard to the charging of fees for providing copies of records and related services to requesters.

[65 FR 46337, July 28, 2000]

§ 1.3 Agency implementing regulations.

Each agency of the Department shall promulgate regulations setting forth the following:

(a) The location and hours of operation of the agency office or offices where members of the public may gain access to those materials required by 5 U.S.C. 552(a)(2) and § 1.4 to be made available for public inspection and copying.

§ 1.4

(b) Information regarding the publication and distribution (by sale or otherwise) of indexes and supplements to indexes that are maintained in accordance with the requirements of 5 U.S.C. 552(a)(2) and § 1.4(c);

(c) The title and mailing address of the official or officials of the agency authorized to receive requests for records submitted in accordance with § 1.5(a), and to make determinations regarding whether to grant or deny such requests. Authority to make such determinations includes authority to:

(1) Extend the 20 working day administrative deadline for reply pursuant to § 1.16;

(2) Make discretionary releases pursuant to § 1.19(b);

(3) Make determinations regarding the charging of fees pursuant to appendix A to this subpart;

(d) The title and mailing address of the agency official who is authorized to receive appeals submitted in accordance with § 1.14 and to make determinations regarding whether to grant or deny such appeals. Authority to determine appeals includes authority to:

(1) Extend the 20 working day administrative deadline for reply pursuant to § 1.16 (to the extent the maximum extension authorized by § 1.16(c) was not used with regard to the initial request;

(2) Make discretionary releases pursuant to § 1.19(b);

(3) Make determinations regarding the charging of fees pursuant to appendix A to this subpart; and

(e) Other information which would be of concern to a person wishing to request records from that agency in accordance with this subpart.

[65 FR 46337, July 28, 2000]

§ 1.4 Public access to certain materials.

(a) In accordance with 5 U.S.C. 552(a)(2), each agency within the Department shall make the following materials available for public inspection and copying (unless they are promptly published and copies offered for sale):

(1) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(2) Those statements of policy and interpretation which have been adopted

7 CFR Subtitle A (1–1–04 Edition)

by the agency and are not published in the FEDERAL REGISTER;

(3) Administrative staff manuals and instructions to staff that affect a member of the public;

(4) Copies of all records, regardless of form or format, which have been released pursuant to a FOIA request under 5 U.S.C. 552(a)(3), and which because of the nature of their subject matter, have become or are likely to become the subject of subsequent requests for substantially the same records. Agencies shall decide on a case by case basis whether records fall into this category, based on the following factors:

(i) Previous experience with similar records;

(ii) The particular characteristics of the records involved, including their nature and the type of information contained in them; and

(iii) The identity and number of requesters and whether there is widespread media, historical, academic, or commercial interest in the records.

(5) A general index of the records referred to in paragraph (a)(4) of this section.

(b) Records encompassed within paragraphs (a)(1) through (a)(5) of this section created on or after November 1, 1996, shall be made available to the public by computer telecommunications or, if computer telecommunications means have not been established by the agency, by other electronic means.

(c) Each agency of the Department shall maintain and make available for public inspection and copying current indexes providing identifying information regarding any matter issued, adopted or promulgated after July 4, 1967, and required by paragraph (a) of this section to be made available or published. Each agency shall publish and make available for distribution copies of such indexes and supplements to such indexes at least quarterly, unless it determines by notice published in the FEDERAL REGISTER that publication would be unnecessary and impracticable. After issuance of such notice, each agency shall provide copies of any index upon request at a cost not to exceed the direct cost of duplication.

(d) Each agency is responsible for preparing reference material or a guide for requesting records or information from that agency. This guide shall also include an index of all major information systems, and a description of major information and record locator systems.

(e) Each agency shall also prepare a handbook for obtaining information from that agency. The handbook should be a short, simple explanation to the public of what the FOIA is designed to do, and how a member of the public can use it to access government records. The handbook should be available on paper and through electronic means, and it should identify how a requester can access agency Freedom of Information Act annual reports. Similarly, the annual reports should refer to the handbook and how to obtain it.

(f) It is appropriate to make frequently requested records available in accordance with paragraph (a)(4) of this section in situations where public access in a timely manner is important, and it is not intended to apply where there may be a limited number of requests over a short period of time from a few requesters. Agencies may remove a record from this access medium when the appropriate official determines that it is unlikely there will be substantial further requests for that document.

[65 FR 46337, July 28, 2000]

§ 1.5 Requests for records.

(a) Any person who wishes to inspect or obtain copies of any record of any agency of the Department shall submit a request in writing and address the request to the official designated in regulations promulgated by that agency. The requester may ask for a fee waiver. All such requests for records shall be deemed to have been made pursuant to the Freedom of Information Act, regardless of whether the request specifically mentions the Freedom of Information Act. To facilitate processing of a request, the requester should place the phrase "FOIA REQUEST" in capital letters on the front of the envelope or on the cover sheet of the facsimile transmittal.

(b) A request must reasonably describe the records to enable agency per-

sonnel to locate them with reasonable effort. Where possible, a requester should supply specific information regarding dates, titles, names of individuals, names of offices, and names of agencies or other organizations that may help identify the records. If the request relates to a matter in pending litigation, the requester should identify the court and its location.

(c) If an agency determines that a request does not reasonably describe the records, the agency shall inform the requester of this fact and extend the requester an opportunity to clarify the request or to confer promptly with knowledgeable agency personnel to attempt to identify the records the requester is seeking. The "date of receipt" in such instances, for purposes of § 1.13, shall be the date of receipt of the amended or clarified request.

(d) If a request for records or a fee waiver made under this subpart is denied, the requester shall have the right to appeal the denial. Requesters also may appeal agency determinations of a requester's status for purposes of fee levels under sec. 5 of appendix A to this subpart. All appeals must be in writing and addressed to the official designated in regulations promulgated by the agency which denied the request. To facilitate processing of an appeal, the requester should place the phrase "FOIA APPEAL" in capital letters on the front of the envelope or on the cover sheet of the fax transmittal.

(e) Requests that are not addressed to a specific agency in USDA, or which pertain to more than one USDA agency, or which are sent to the wrong agency of USDA, should be forwarded to the Department's FOIA Officer in the Office of Communications, U.S. Department of Agriculture, Washington, DC 20250.

(f) The Department FOIA Officer will determine which agency or agencies should process the request, and, where necessary, refer the request to the appropriate agency or agencies. The Department FOIA Officer will also notify the requester of the referral and of the name of each agency to which the request has been referred.

(g) A request will be properly received when it is in the possession of

§ 1.6

the component agency that has responsibility for maintaining the requested records.

(h) Each agency shall develop and maintain a record of all written requests and appeals received in that agency. The record shall include the names of the requester; a brief summary of the information requested; whether the request or appeal was granted, denied, or partially denied; the exemption from mandatory disclosure under 5 U.S.C. 552(b) upon which any denial was based; and the amount of any fees associated with the request or appeal.

[65 FR 46337, July 28, 2000]

§ 1.6 Aggregating requests.

When an agency reasonably believes that a requester, or a group of requesters acting in concert, is attempting to break a request down into a series of requests for the purpose of evading the assessment of fees, the agency may aggregate any such requests and charge accordingly. One element that may be considered in determining whether such a belief would be reasonable is the brevity of the time period during which the requests have been made.

[65 FR 46338, July 28, 2000]

§ 1.7 Agency response to requests for records.

(a) 5 U.S.C. 552(a)(6)(A)(i) provides that each agency of the Department to which a request for records is submitted in accordance with § 1.5(a) shall inform the requester of its determination concerning that request within 20 working days of its date of receipt (excepting Saturdays, Sundays, and legal public holidays), plus any extension authorized under § 1.16. If the agency determines to grant the request, it shall inform the requester of any conditions surrounding the granting of the request (*e.g.*, payment of fees) and the approximate date upon which the agency will provide the requested records. If the agency grants only a portion of the request, it shall treat the portion not granted as a denial, and make a reasonable effort to estimate the volume of the records denied and provide this estimate to the requester, unless providing such an estimate would harm an

7 CFR Subtitle A (1–1–04 Edition)

interest protected by an exemption of the FOIA. If the agency determines to deny the request in part or in whole, it shall immediately inform the requester of that decision and provide the following:

- (1) The reasons for the denial;
- (2) The name and title or position of each person responsible for denial of the request;
- (3) The requester's right to appeal such denial and the title and address of the official to whom such appeal is to be addressed; and
- (4) The requirement that such appeal be made within 45 days of the date of the denial.

(b) If the reason for not fulfilling a request is that the records requested are in the custody of another agency outside USDA, other than in the permanent custody of the National Archives and Records Administration ("NARA"), the agency shall inform the requester of this fact and shall forward the request to that agency or Department for processing in accordance with its regulations. If the records are in the permanent custody of NARA, the agency shall so inform the requester. Information about obtaining access to records at NARA may be obtained through the NARA Archival Information Locator (NAIL) Database at <http://www.nara.gov/nara.nail.html>, or by calling NARA at (301) 713-6800. If the agency has no knowledge of requested records or if no records exist, the agency shall notify the requester of that fact.

[65 FR 46338, July 28, 2000]

§ 1.8 Multitrack processing.

(a) When an agency has a significant number of requests, the nature of which precludes a determination within 20 working days, the requests may be processed in a multitrack processing system, based on the date of receipt, the amount of work and time involved in processing the request, and whether the request qualifies for expedited processing.

(b) Agencies may establish as many processing tracks as appropriate; processing within each track shall be based on a first-in, first-out concept, and rank-ordered by the date of receipt of the request.

(c) Agencies may provide a requester whose request does not qualify for the fastest track an opportunity to limit the scope of the request in order to qualify for a faster track. This multi-track processing system does not lessen agency responsibility to exercise due diligence in processing requests in the most expeditious manner possible.

(d) Agencies shall process requests in each track on a “first-in, first-out” basis, unless there are unusual circumstances as set forth in § 1.16, or the requester is entitled to expedited processing as set forth in § 1.9.

[65 FR 46338, July 28, 2000]

§ 1.9 Expedited processing.

(a) A requester may apply for expedited processing at the time of the initial request for records. Within ten calendar days of its receipt of a request for expedited processing, an agency shall decide whether to grant it, and shall notify the requester of the decision. Once the determination has been made to grant expedited processing, an agency shall process the request as soon as practicable. If a request for expedited processing is denied, the agency shall act expeditiously on any appeal of that decision.

(b) A request or appeal will be taken out of order and given expedited treatment whenever the agency determines that the requester has established either of the following criteria:

(1) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) An urgency to inform the public about an actual or alleged federal government activity, if made by an individual primarily engaged in disseminating information. Representatives of the news media would normally qualify as individuals primarily engaged in disseminating information; however, other requesters must demonstrate that their primary activity involves publishing or otherwise disseminating information to the public as a whole, and not just a particular segment or group. “Urgency” contemplates that the information has a particular value that will be lost if not disseminated quickly. Ordinarily this means a break-

ing news story of general public interest. Information of historical interest only or information sought for litigation or commercial activities would not meet the test of urgency, nor would a news media publication or broadcast deadline unrelated to the news breaking nature of the information.

(c) A requester who seeks expedited processing must provide a written statement that the requester has certified to be true and correct to the best of the requester’s knowledge, explaining in detail the basis for requesting expedited processing. The agency will not consider the request to have been received unless accompanied by a written, certified statement, and will be under no obligation to consider the request for expedited processing until it receives such a written, certified statement.

(d) the same procedures apply to requests for expedited processing of administrative appeals.

[65 FR 46338, July 28, 2000]

§ 1.10 Search services.

Search services are services of agency personnel—clerical or professional—used in trying to find the records, that are responsive to a request. Search services includes both manual and electronic searches and time spent examining records for the purpose of finding information that is within the scope of the request. Search services also include services to transport personnel to places of record storage, or records to the location of personnel for the purpose of the search, if such services are reasonably necessary.

[65 FR 46339, July 28, 2000]

§ 1.11 Review services.

(a) Review services are services of agency personnel—clerical or professional—in examining records, both paper and electronic, located in response to a request that is for a commercial use (as specified in sec. 6 of appendix A to this subpart) to determine whether any portion of any record located is exempt from mandatory disclosure.

(b) Review services include processing any records for disclosure *e.g.*,

§ 1.12

doing all that is necessary to redact exempt portions and otherwise prepare records for release.

(c) Review services do not include the time spent resolving general legal or policy issues regarding the application of exemptions.

[65 FR 46339, July 28, 2000]

§ 1.12 Handling information from a private business.

Each USDA agency is responsible for making the final determination with regard to the disclosure or nondisclosure of information in agency records that has been submitted by a business. When, in the course of responding to an FOIA request, an agency cannot readily determine whether the information obtained from a person is privileged or confidential business information, the policy of USDA is to obtain and consider the views of the submitter of the information and to provide the submitter an opportunity to object to any decision to disclose the information. If a request (including a subpoena duces tecum as described in § 1.215) is received in USDA for information that has been submitted by a business, the agency shall:

(a) Provide the business information submitter with prompt notification of a request for that information (unless it is readily determined by the agency that the information requested should not be disclosed or, on the other hand, that the information is not exempt by law from disclosure). Afford business information submitter reasonable time in which to object to the disclosure of any specified portion of the information. The submitter must explain fully all grounds upon which disclosure is opposed. For example, if the submitter maintains that disclosure is likely to cause substantial harm to its competitive position, the submitter must explain item-by-item why disclosure would cause such harm. Information provided by a business submitter pursuant to this paragraph may itself be subject to disclosure under FOIA;

(b) Notify the requester of the need to inform the submitter of a request for submitted business information;

(c) Determine whether the requested records are exempt from disclosure or must be released;

7 CFR Subtitle A (1–1–04 Edition)

(d) Provide business information submitters with notice of any determination to disclose such records prior to the disclosure date, in order that the matter may be considered for possible judicial intervention; and

(e) Notify business information submitters promptly of all instances in which FOIA requesters bring suit seeking to compel disclosure of submitted information.

§ 1.13 Date of receipt of requests or appeals.

The date of receipt of a request or appeal shall be the date it is received in the agency and office responsible for the administrative processing of FOIA requests or appeals.

[65 FR 46339, July 28, 2000]

§ 1.14 Appeals.

(a) Requesters seeking administrative appeal of a denial of a request for records or denial of a fee waiver must ensure that the appeal is received by the agency within 45 days of the date of the denial letter.

(b) Each agency shall provide for review of appeals by an official different from the official or officials designated to make initial denials.

(c) 5 U.S.C. 552(a)(6)(A)(ii) provides that each agency in the Department to which an appeal of a denial is submitted shall inform the requester of its determination concerning that appeal within 20 working days (excepting Saturdays, Sundays, and legal public holidays), plus any extension authorized by § 1.16, of its date of receipt. If the agency determines to grant the appeal, it shall inform the requester of any conditions surrounding the granting of the request (e.g., payment of fees) and the approximate date upon which compliance will be effected. If the agency grants only a portion of the appeal, it shall treat the portion not granted as a denial. If it determines to deny the appeal either in part or in whole, it shall inform the requester of that decision and of the following:

(1) The reasons for denial;

(2) The name and title or position of each person responsible for denial of the appeal; and

(3) The right to judicial review of the denial in accordance with 5 U.S.C. 552(a)(4).

(d) Each agency, upon a determination that it wishes to deny an appeal, shall send a copy of the records requested and of all correspondence relating to the request to the Assistant General Counsel, General Law Division, Office of the General Counsel ("Assistant General Counsel"). When the volume of records is so large as to make sending a copy impracticable, the agency shall enclose an informative summary of those records. The agency shall not deny an appeal until it receives concurrence from the Assistant General Counsel.

(e) The Assistant General Counsel shall promptly review the matter (including necessary coordination with the agency) and render all necessary assistance to enable the agency to respond to the appeal within the administrative deadline or any extension of the administrative deadline.

[65 FR 46339, July 28, 2000]

§ 1.15 General provisions respecting release of records.

(a) When releasing documents, agencies shall provide the record in any form or format the requester specifies, if the record is readily reproducible in that form or format. Agencies shall make reasonable efforts to maintain their records in forms or formats that are reproducible. In responding to requests for records, agencies shall make reasonable efforts to search for records in electronic form or format, except when such efforts would significantly interfere with the operation of an agency's automated information system. Such determinations shall be made on a case-by-case basis.

(b) In the event a requested record contains some portions that are exempt from mandatory disclosure and others that are not, the official responding to the request shall ensure that all reasonably segregable non-exempt portions are disclosed, and that all exempt portions are identified according to the specific exemption or exemptions which are applicable. The amount of deleted information shall be indicated on the released portion of paper records. Deletions may be

marked by use of brackets or darkened areas indicating removal of information, or by any other method that would reasonable demonstrate the extent of the deletion. In the case of electronic deletion, or deletion in audiovisual or microfiche records, if technically feasible, the amount of redacted information shall be indicated at the place in the records, if technically feasible, the amount of redacted information shall be indicated at the place in the record where such deletion was made. This may be done by use of brackets, shaded areas, or some other identifiable technique which will clearly show the limits of the deleted information.

(c) If, in connection with a request or an appeal, a charge is to be made in accordance with sec. 8 of appendix A to this subpart, agencies shall inform the requester of the fee amount and of the basis for the charge. Each agency, in accordance with sec. 8 of appendix A to this subpart, may require payment of the entire fee, or a portion of the fee, before it provides the requested records. An agency shall require full payment of any delinquent fee owed by the requester plus any applicable interest prior to releasing records on a subsequent request or appeal. If a requester refuses to remit payment in advance, an agency may refuse to process the request or appeal with written notice to that effect forwarded to the requester. The "date of receipt" appeal for which advance payment has been required shall be the date that payment is received.

(d) In the event compliance with the request or appeal involves inspection of records by the requester rather than providing copies of the records, the agency response shall include the name, mailing address, and telephone number of the person to be contacted to arrange a mutually convenient time for such inspection.

(e) Whenever duplication fees, or search fees for unsuccessful searches (see sec. 4(f) of appendix A to this subpart), are anticipated to exceed \$25.00, and the requester has not indicated, in advance, a willingness to pay fees as high as those anticipated, agencies shall notify the requester of the

§ 1.16

amount of the anticipated fee. If an extensive and therefore costly successful search is anticipated, agencies also should notify requesters of the anticipated fees. The notification shall offer the requester the opportunity to confer with agency personnel to reform the request to meet the requester's needs at a lower fee. In appropriate cases, an advance deposit in accordance with sec. 8 of appendix A to this subpart may be required.

[65 FR 46340, July 28, 2000]

§ 1.16 Extension of administrative deadlines.

(a) In unusual circumstances as specified in this section, when additional time is needed to respond to the initial request or to an appeal, agencies shall acknowledge the request or the appeal in writing within the 20 working day time period, describe the unusual circumstances requiring the delay, and indicate the anticipated date for a substantive response that may not exceed 10 additional working days, except as provided in the following:

(1) In instances in which the agency, with respect to a particular request, has extended the response date by 10 additional working days, if the agency finds that it cannot make a response determination within the additional 10 working day period, the agency shall notify the requester and provide the requester an opportunity to limit the scope of the request to allow the agency to process the request within the extended time limit, or an alternative time frame for processing the request or a modified request.

(2) If the requester refuses to reasonably modify the request or arrange for an alternative time frame for processing the request, the FOIA provides that such refusal shall be considered as a factor in determining whether there are exceptional circumstances that warrant granting additional time for the agency to complete its review of the records, as set forth in 5 U.S.C. 552(a)(6)(C)(iii). The term "exceptional circumstances" does not include a delay that results from a predictable agency backlog, unless the agency demonstrates reasonable progress in reducing its backlog of pending requests.

7 CFR Subtitle A (1-1-04 Edition)

(b) As used in this section, "unusual circumstances" that may justify delay are:

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another Department or agency having a substantial interest in the determination of the request or among two or more components of agency having substantial subject-matter interest in the request.

NOTE TO PARAGRAPH (B): Consultation regarding policy or legal issues between an agency and the Office of the General Counsel, Office of Communications, or the Department of Justice is not a basis for extension under this section.

(c) The 10-day extension authorized by this section may be divided between the initial and appellate reviews, but in no event shall the total extension exceed 10 working days.

(d) Nothing in this section shall preclude the agency and the requester from agreeing to an extension of time. Any such agreement should be confirmed in writing and should specify clearly the total time agreed upon.

[65 FR 46340, July 28, 2000]

§ 1.17 Failure to meet administrative deadlines.

In the event an agency fails to meet the administrative deadlines set forth in §§ 1.7 or 1.14, plus any extension authorized by § 1.16, it shall notify the requester, state the reasons for the delay, and the date by which it expects to dispatch a determination. Although the requester may be deemed to have exhausted his or her administrative remedies under 5 U.S.C. 552(a)(6)(C), the agency shall continue processing the request as expeditiously as possible and dispatch the determination when it is reached in the same manner and form

as if it had been reached within the applicable deadline.

[65 FR 46341, July 28, 2000]

§ 1.18 Fee schedule.

Pursuant to § 2.28 of this title, the Chief Financial Officer is delegated authority to promulgate regulations providing for a uniform fee schedule applicable to all agencies of the Department regarding requests for records under this subpart. The regulations providing for a uniform fee schedule are found in appendix A to this subpart.

§ 1.19 Exemptions and discretionary release.

(a) All agency records, except those specifically exempted from mandatory disclosure by one or more provisions of 5 U.S.C. 552(b), shall be made promptly available to any person submitting a request under this subpart.

(b) Agencies are authorized, in their sole discretion, to make discretionary releases when such release is not otherwise specifically prohibited by Executive Order, statute, or regulation.

[65 FR 46341, July 28, 2000]

§ 1.20 Annual report.

(a) Each agency of the Department shall compile the following Freedom of Information Act statistics on a fiscal year basis beginning October 1, 1997, and report the following information to the Office of Communications no later than November 30 following the fiscal year's close:

(1) The number of requests for records received and the number of requests which were processed;

(2) The number of determinations made not to comply with initial requests for records made to it under § 1.5(a), and the reasons for each such determination;

(3) The number of appeals made by persons under § 1.14(b), the result of such appeals, and the reason for the action upon each appeal that results in a denial of information.

(4) A complete list of all statutes that the agency relies upon to authorize the agency to withhold information under 5 U.S.C. 552(b)(3), a description of whether a court has upheld the deci-

sion of the agency to withhold information under each such statute, and a concise description of the scope of any information withheld;

(5) The number of requests for records pending before the agency as of September 30 of the preceding year, and the median number of days that such requests had been pending before the agency as of that date;

(6) The median number of days taken by the agency to process different types of requests;

(7) The total amount of fees collected by the agency for processing requests;

(8) The number of full-time staff of the agency devoted to processing requests for records under this section, and the total amount expended by the agency for processing such requests.

(c) The Director of Communications, Office of Communications, shall combine the reports from all the agencies within USDA into a Departmental report, and shall submit to the Attorney General on or before February 1 of each year in accordance with 5 U.S.C. 552(e).

(d) Each agency shall make the report available to the public including by computer telecommunications, or if computer telecommunications means have not been established by the agency, by other electronic means.

[65 FR 46341, July 28, 2000]

§ 1.21 Compilation of new records.

Nothing in 5 U.S.C. 552 or this subpart requires that any agency create a new record in order to fulfill a request for records. However, an agency is required to provide a record in a form or format specified by a requester, if the record is readily reproducible by the agency in the form or format requested. Creation of records may be undertaken voluntarily if the agency determines this action to be in the public interest or the interest of USDA.

[65 FR 46341, July 28, 2000]

§ 1.22 Authentication.

When a request is received for an authenticated copy of a document which the agency determines to make available to the requesting party, the agency shall cause a correct copy to be prepared and sent to the Office of the General Counsel which shall certify the same and cause the seal of the Department to be affixed, except that the Hearing Clerk in the Office of Administrative Law Judges may authenticate copies of documents in the records of the Hearing Clerk and that the Director of the National Appeals Division may authenticate copies of documents in the records of the National Appeals Division.

§ 1.23 Records in formal adjudication proceedings.

Records in formal adjudication proceedings are on file in the Hearing Clerk's office, Office of Administrative Law Judges, U.S. Department of Agriculture, Washington, DC 20250, and shall be made available to the public.

Agencies shall preserve all correspondence relating to the requests it receives under this subpart, and all records processed pursuant to such requests, until such time as the destruction of such correspondence and records is authorized pursuant to Title 44 of the United States Code, and appropriate records disposition authority granted by NARA. Under no circumstances shall records be sent to a Federal Records Center, transferred to the permanent custody of NARA, or destroyed while they are the subject of a pending request, appeal, or civil action under the FOIA.

APPENDIX A TO SUBPART A OF PART 1—
FEE SCHEDULE

Section 1. General.

This schedule sets forth fees to be charged for providing copies of records—including photographic reproductions, microfilm, maps and mosaics, and related services—under the Freedom of Information Act (FOIA). Records and related services are available at the locations specified by agencies in their FOIA implementing regulations. The fees set forth in this schedule are applicable to all agencies of the Department of Agriculture, and are based upon guidelines prescribed by the Office of Management and Budget (OMB) issued at 52 FR 10012 (March 27, 1987). No higher fees or charges in addition to those provided for in this schedule may be charged a party requesting services under the Freedom of Information Act.

Section 2. Types of services for which fees may be charged.

Subject to the criteria set forth in section 5 of this appendix, fees may be assessed under the Freedom of Information Act on all requests involving such services as record search, duplication, and review. Fees may also be charged in situations involving special service to a request, such as certifying that records requested are true copies, or sending records by special methods such as express mail, etc. For services not covered by the FOIA or by this appendix, agencies may set their own fees in accordance with applicable law, or costs incurred will be assessed the requester at the actual cost to the Government. For example, where records are required to be shipped from one office to another by commercial carrier in order to timely answer a request, the actual freight charge will be assessed the requester.

Section 3. Instances in which fees will not be charged.

(a) Except for requests seeking records for a commercial use (as specified in section 5 of this appendix), no charge shall be made for either: (1) The first 100 pages of duplicated records (8½"×14" or smaller-size paper); or (2) The first two hours of manual search time, or the equivalent value of computer search time as defined in section 4(e) of this appendix.

(b) No charge shall be made—even to commercial use requesters—if the cost of collecting a fee would be equal to or greater

than the fee itself. For USDA, this figure has been calculated to be \$25.00.

(c) Fees may not be charged for time spent by an agency employee in resolving legal or policy issues, or in monitoring a requester's inspection of agency records. No charge shall be made for normal postage costs.

(d) Records shall also be furnished without charge under the following conditions:

(1) When filling requests from other Departments or Government agencies for official use, provided quantities requested are reasonable in number;

(2) When members of the public provide their own copying equipment, in which case no copying fee will be charged (although search and review fees may still be assessed); or

(3) When any notices, decisions, orders, or other materials are required by law to be served on a party in any proceeding or matter before any Department agency.

Section 4. Fees for records and related services.

(a) The fee for photocopies of pages 8½"×14" or smaller shall be \$0.20 per page (per individual side of sheet).

(b) The fee for photocopies larger than 8½"×14" shall be \$0.50 per linear foot of the longest side of the copy.

(c) The fee for other forms of duplicated records, such as microform, audio-visual materials, or machine-readable documentation (i.e., magnetic tape or disk), shall be the actual direct cost of producing the records.

(d) Manual searches shall be charged for in one of the two following manners in the given order:

(1) When feasible, at the salary rate of the employee conducting the search, plus 16 percent of the employee's basic pay; or

(2) Where a homogeneous class of personnel is used exclusively, at the rate of \$10.00 per hour for clerical time, and \$20.00 per hour for supervisory or professional time. Charges should be computed to the nearest quarter hour required for the search. A homogeneous class of personnel, for purposes of conducting manual searches and where more than one individual is involved, is a group of employees of like rank, grade, pay or position. A heterogeneous class of personnel is a group of employees of unlike rank, grade, pay, or position. If a heterogeneous class of personnel is involved in a search then the search shall be charged for at the salary rate of the individuals.

(e) Mainframe computer searches and services shall be charged for at the rates established in the Users Manual or Handbook published by the computer center at which the work will be performed. Where the rate has not been established, the rate shall be \$27.00 per minute. Searches using computers other than mainframes shall be charged for at the manual search rate.

(f) Charges for unsuccessful searches, or searches which fail to locate records or which locate records which are exempt from disclosure, shall be assessed at the same fee rate as searches which result in disclosure of records.

(g) The fee for providing review services shall be the hourly salary rate (i.e., basic pay plus 16 percent) of the employee conducting the review to determine whether any information is exempt from mandatory disclosure.

(h) The fee for Certifications shall be \$5.00 each; Authentications under Department Seal (including aerial photographs), \$10.00 each.

(i) All other costs incurred by USDA agencies will be assessed the requester at the actual cost to the Government.

(j) The fees specified in paragraphs (a) through (g) of this section apply to all requests for services under the FOIA, unless no fee is to be charged, or the agency has determined to waive or reduce those fees pursuant to section 6 of this appendix. No higher fees or charges in addition to those provided for in this appendix may be charged for services under the FOIA.

(k) The fees specified in paragraphs (h) and (i) of this section and in section 17 of this appendix apply to requests for services other than those subject to the FOIA. The authority for establishment of these fees is at 31 U.S.C. 9701 and other applicable laws.

(l) Except as provided in section 11 of this appendix, for services not subject to the FOIA, and not covered by paragraph (h) of this section, agencies may set their own fees in accordance with applicable law.

Section 5. Levels of fees for each category of requesters.

Under the FOIA, there are four categories of FOIA requesters: Commercial use requesters, educational and non-commercial scientific institutions; representatives of the news media; and all other requesters. FOIA prescribes specific levels of fees for each category:

(a) Commercial use requesters—For commercial use requesters, agencies shall assess charges which recover the full direct costs of searching for, reviewing for release, and duplicating the records sought. Commercial use requesters are not entitled to the free search time or duplication referenced in section 3(a) of this appendix. Agencies may recover the cost of searching for and reviewing records for commercial use requesters even if there is ultimately no disclosure of records.

(1) A commercial use requester is defined as one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made.

(2) In determining whether a requester properly belongs in this category, agencies must determine whether the requester will put the records to a commercial use. Where an agency has reasonable cause to doubt the use to which a requester will put the records sought, or where that use is not clear from the request itself, the agency may seek additional clarification from the requester.

(b) Educational and non-commercial scientific institution requesters—Fees for this category of requesters shall be limited to the cost of providing duplication service alone, minus the charge for the first 100 reproduced pages. No charge shall be made for search or review services. To qualify for this category, requesters must show that the request is being made as authorized by and under the auspices of an eligible institution and that the records are not sought for a commercial use, but are sought in furtherance of scholarly research (if the request is from an educational institution) or scientific research (if the request is from a non-commercial scientific institution).

(1) The term *educational institution* refers to a preschool, a public or private elementary or secondary school, an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, and an institution of vocational education, which operates a program or programs of scholarly research.

(2) The term *non-commercial scientific institution* refers to institution that is not operated on a “commercial” (see section 5(a)(1)) of this appendix basis, and which is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry.

(c) Requesters who are representatives of the news media—Fees for this category of requesters shall also be limited to the cost of providing duplication service alone, minus the charge for the first 100 reproduced pages. No charge shall be made for providing search or review services. Requests in this category must not be made for a commercial use.

(1) The term *representative of the news media* refers to any person actively gathering news for an entity that is organized and operated to publish or broadcast news to the public.

(2) The term *news* means information that is about current events or that would be of current interest to the public.

(3) Examples of news media entities include television or radio stations broadcasting to the public at large, and publishers of periodicals which disseminate news and who make their products available for purchase or subscription by the general public.

(4) *Freelance* journalists may be regarded as working for a news organization if they can demonstrate a solid basis for expecting publication through that organization, even though not actually employed by it.

(d) All other requesters—Fees for requesters who do not fit into the categories described in paragraphs (a), (b), or (c) of this section shall be assessed for the full reasonable direct cost of searching for and duplicating records that are responsive to a request. No charge, however, shall be made to requesters in this category for: (1) The first 100 duplicated pages; or (2) the first two hours of manual search time, or the equivalent value of computer search time as defined in section 4(e) of this appendix.

Section 6. Fee waivers and reductions.

(a) Agencies shall waive or reduce fees on request for records if disclosure of the information in the records is deemed to be in the public interest. A request is in the public interest if it is likely to contribute significantly to public understanding of the operations or activities of the government, and is not primarily in the commercial interest of the requester.

(1) In determining when fees shall be waived or reduced, agencies should consider the following six factors:

(i) The subject of the request, i.e., whether the subject of the requested records concerns “the operations or activities of the government”;

(ii) The informative value of the information to be disclosed, i.e., whether the disclosure is “likely to contribute” to an understanding of government operations or activities;

(iii) The contribution to an understanding of the subject by the general public likely to result from disclosure, i.e., whether disclosure of the requested information will contribute to “public understanding”;

(iv) The significance of the contribution to public understanding, i.e., whether the disclosure is likely to contribute “significantly” to public understanding of government operations or activities;

(v) The existence and magnitude of a commercial interest, i.e., whether the requester has a commercial interest that would be furthered by the requested disclosure; and,

(vi) The primary interest in disclosure, i.e., whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is “primarily in the commercial interest of the requester.”

(2) An agency may, in its discretion, waive or reduce fees associated with a request for disclosure, regardless of whether a waiver or reduction has been requested, if the agency determines that disclosure will primarily benefit the general public.

(3) Agencies may also waive or reduce fees under the following conditions:

(i) Where the furnishings of records or a service without charge or at a reduced rate is an appropriate courtesy to a foreign country or international organization, or where comparable fees are set on a reciprocal basis with a foreign country or an international organization;

(ii) Where the requester is engaged in a nonprofit activity designed for the public safety, health, or welfare; or

(iii) Where it is determined that payment of the full fee by a State or local government or nonprofit group would not be in the interest of the program involved.

(4) Fees shall be waived, however, without discretion in all circumstances where the amount of the fee is \$25.00 or less.

Section 7. Restrictions regarding copies.

(a) Agencies may restrict numbers of photocopies and directives furnished the public to one copy of each page. Copies of forms provided the public shall also be held to the minimum practical. Persons requiring any large quantities should be encouraged to take single copies to commercial sources for further appropriate reproduction.

(b) Single or multiple copies of transcripts, provided to the Department under a reporting service contract, may be obtained by the public from the contractor at a cost not to exceed the cost per page charged to the Department for extra copies. The contractor may add a postage charge when mailing orders to the public, but no other charge may be added.

Section 8. Payments of fees and charges.

(a) Payments should be billed for to the fullest extent possible at the time the requested materials are furnished. Payments

should be made by requesters within 30 days of the date of the billing.

(b) Payments shall be made by check, draft, or money order made payable to the Treasury of the United States, although payments may be made in cash, particularly where services are performed in response to a visit to a Department office. All payments should be sent to the address indicated by the agency responding to the request.

(c) Where the estimated fees to be charged exceed \$250.00, agencies may require an advance payment of an amount up to the full estimated charges (but not less than 50 percent) from the requester before any of the requested materials are reproduced.

(d) In instances where a requester has previously failed to pay a fee, an agency may require the requester to pay the full amount owed, plus any applicable interest as provided in section 9 of this appendix, as well as the full estimated fee associated with any new request before the agency begins to process that new or subsequent request.

Section 9. Interest charges.

On requests that result in fees being assessed, agencies may begin levying interest charges on an unpaid bill starting on the 31st day following the day on which the billing was sent. Interest will be at the rate prescribed in 31 U.S.C. 3717, and will accrue from the date of the billing.

Section 10. Effect of the Debt Collection Act on fees.

In attempting to collect fees levied under the FOIA, agencies shall abide by the provisions of 31 U.S.C. 3701, 3711-3720A, in disclosing information to consumer reporting agencies and in the use of collection agencies, where appropriate, to encourage payment.

Section 11. Photographic and digital reproductions of microfilm, aerial imagery, and maps.

Subpart B—Departmental Proceedings

§ 1.26 Representation before the Department of Agriculture.

(a) *Applicability.* This section applies to all hearings and other proceedings before the Department of Agriculture, except to the extent that any other regulation of the Department may specifically make this section, or any part of this section, inapplicable as to particular hearings or other proceedings.

(b) *Administrative provisions.* (1) In any hearing or other proceeding before the Department of Agriculture, the parties may appear in person or by counsel or other representative. Persons who appear as counsel or in a representative capacity in any hearing or proceeding must conform to the standards of ethical conduct required of practitioners before the U.S. District Court for the District of Columbia, and to any applicable standards of ethical conduct established by statutes, executive orders and regulations.

(2) Whenever the Secretary finds, after notice and opportunity for hearing, that a person who is acting or has acted as counsel or representative in any hearing or other proceeding before the Department has not conformed to any such standards of ethical conduct, the Secretary may order that such person be precluded from acting as counsel or representative in any hearing or other proceeding before the Department for such period of time as the Secretary deems warranted. Whenever

the Secretary has probable cause to believe that any person who is acting or has acted as counsel or representative in any such hearing or other proceeding has not conformed to any such standards of ethical conduct, the Secretary may, by written notice to such person, suspend the person from acting as such a counsel or representative pending completion of the procedures specified in the preceding sentence.

(3) No employee or former employee of the Department shall be permitted to represent any person before the Department in connection with any particular matter as to which by reason of employment with the Department the employee or former employee acquired personal knowledge of such a nature that it would be improper, unethical, or contrary to the public interest for the employee or former employee so to act.

(4) This section shall not be construed to prevent an employee or former employee of the Department from appearing as a witness in any hearing or other proceeding before the Department.

Subpart E—Cooperative Production of Television Films

SOURCE: 22 FR 2904, Apr. 25, 1957, unless otherwise noted.

§ 1.71 Purpose.

This subpart establishes procedures for developing special working relationships with the Department of Agriculture requested by producers of films for television use. These procedures are designed to guide Department employees and producers of commercial television pictures in entering into such arrangements.

§ 1.72 Policy.

(a) *General.* It is a basic policy of the Department of Agriculture to make information freely available to the public.

(b) *Cooperation with television film producers.* The Department recognizes that its people and programs constitute a rich source of materials on public services, often dramatic and interesting for their human values, which are suitable for production of films for television showings. The Department welcomes the interest of television film producers in its activities and maintains an "open door" policy with respect to the availability of factual information to such producers, as it does to representatives of other media. As its resources will permit, the Department will work with producers at their request, to assure technical accuracy of scripts and story treatments.

(c) *Special working relationships.* In those instances where a producer of films for television seeks special Department participation such as the use of official insignia of the Department, or who request special assistance such as the services of technical advisors, use of Government equipment and similar aids which require a material expenditure of public funds, and where the proposed film will further the public service of the Department, the Department will consider entering into a

special working relationship with such producer.

(d) *News film reporting exempted.* Television and news film reporting of Department activities is not covered by this subpart.

§ 1.73 Responsibility.

The Director of Information or his designee will be the authority for the approval of special working relationships on the part of the Department of Agriculture and its agencies. The Director or his designee shall not commit the Department to such special arrangements without proper concurrence and coordination with interested agencies and approval by the appropriate Assistant Secretary or Group Director.

§ 1.74 Basis for special working relationships.

The Department and its agencies may lend special assistance on television films when it is clearly evident that public interests are served. Where special assistance is sought, an individual cooperative agreement will be drawn up between the Department with the Director of Information as its agent, and the producer. Details on such assistance as reviewing stories and scripts, loan of material, arrangements for locations, use of official motion picture footage, assignment of technical advisors and similar aids will be covered in the agreement, which shall delineate the general stipulations listed in § 1.75.

§ 1.75 General stipulations.

In requesting special working arrangements the producer must agree to the following stipulations:

(a) The producer must show that he has legal authority to the literary property concerned.

(b) The producer must show access to a distribution channel recognized by the motion picture or television industry. In lieu of complete distribution plans for a television series, a producer must produce satisfactory evidence of financial responsibility (showing financial resources adequate for the defrayment of costs for the proposed undertaking).

(c) The commercial advertising of any show produced, using oral or written rights granted to the producer, shall not indicate any endorsement, either direct or implied, by the U.S. Department of Agriculture or its agencies, of the sponsor's product.

(d) Commercial sponsorship shall be only by a person, firm, or corporation acceptable under the terms of the 1954 Television Code of the National Association of Radio and Television Broadcasters, and all subsequent amendments thereto. Political sponsorship shall not be permitted.

(e) That no production costs shall be chargeable to the U.S. Department of Agriculture.

(f) That such cooperation will not interfere with the conduct of Department programs.

(g) All damages, losses and personal liability incurred by producer will be his responsibility.

(h) That mutual understanding and agreement will be reached upon story, script and film treatment with the Department before film production is begun.

§ 1.76 Department cooperation.

When the producer agrees to meet the above stipulations to the satisfaction of the Director of Information, the U.S. Department of Agriculture and its agencies will be available for consultation on story ideas and give guidance through the services of a technical advisor to insure technical authenticity. Equipment, locations, and personnel will be available to the extent that such availability is concurrent with normal and usual conduct of the operations of the Department. The Department will check and work with the co-operators to arrange shooting schedules in order to avoid interferences with working schedules.

§ 1.77 Assignment of priorities.

(a) *Authority.* (1) The Director of Information or his designee will make assignment of priorities for the U.S. Department of Agriculture for a television film company's and/or individual producer's story treatment of the subject matter, but no such priority shall limit use of the subject matter itself.

(2) A priority will be given in writing upon acceptance in writing by the producer of the stipulations in § 1.75(b). The U.S. Department of Agriculture will hold the producer's treatment of the story material in confidence until the producer has made a public release pertaining to the subject.

(b) *Time and scope.* A priority will be given on the producer's story treatment for an agreed upon period of time. Requests for cooperation with similar or conflicting ideas and backgrounds will be considered only after holder of the first priority has used the agreed upon time to develop the materials.

(1) Details on priorities will be written into the agreements.

(2) The Director of Information will retain the right to cancel priorities when the producer at any stage violates the provisions of the regulations or of a particular agreement, or when public interest is no longer served.

(3) No priority will be canceled until the producer has had an opportunity to appear before the Secretary of Agriculture or his designee.

§ 1.78 Development of special working relationships.

(a) *Preliminary.* Prior to the submittal of a script or the rendering of an agreement, assistance may be given by the Department or one of its agencies in outlining story plans, visits to field points, and other incidentals that will assist the producer in determining his course of action.

(b) *Request for special working arrangements.* Once the decision is made to go ahead with an agreement, either the interested agency or the producer will make a written submission to the Director of Information, requesting that special working arrangements be established.

(1) In submitting scripts prior or subsequent to executing a written agreement under a special working relationship four (4) copies of the completed script shall be submitted to the Director of Information or his designee, along with a statement of specific requirements and the anticipated production schedule.

(2) No script will be used under a special working relationship without the

specific approval of the Director of Information.

(3) Upon approval of the script, the agency of the Department concerned with subject matter will endeavor to arrange for the desired assistance with the stipulations of this policy.

§ 1.79 Credits.

On films on which the Department or one of its agencies provides special assistance it shall be mutually agreed by the producer and the Director of Information what credits shall be given to the Department, and the form these credits will take.

Subpart G—Privacy Act Regulations

AUTHORITY: 5 U.S.C. 301 and 552a; 31 U.S.C. 9701.

SOURCE: 40 FR 39519, Aug. 28, 1975, unless otherwise noted.

§ 1.110 Purpose and scope.

This subpart contains the regulations of the U.S. Department of Agriculture (USDA) implementing the Privacy Act of 1974 (5 U.S.C. 552a). This subpart sets forth the basic responsibilities of each agency of USDA with regard to USDA's compliance with the requirements of the Privacy Act, and offers guidance to members of the public who wish to exercise any of the rights established by the Privacy Act with regard to records maintained by an agency of USDA.

[40 FR 39519, Aug. 28, 1975, as amended at 62 FR 33981, June 24, 1997]

§ 1.111 Definitions.

For purposes of this subpart the terms *individual*, *maintain*, *record*, *system of records*, *statistical record*, and *routine use* shall have the meanings set forth in 5 U.S.C. 552a(a). The term *agency* shall mean an agency of USDA, unless otherwise indicated.

§ 1.112 Procedures for requests pertaining to individual records in a record system.

(a) Any individual who wishes to be notified if a system of records maintained by an agency contains any record pertaining to him or her, or to request access to such records, shall

submit a written request in accordance with the instructions set forth in the system notice for that system of records. This request shall include:

(1) The name of the individual making the request;

(2) The name of the system of records (as set forth in the system notice to which the request relates);

(3) Any other information specified in the system notice; and

(4) When the request is one for access, a statement as to whether the requester desires to make a personal inspection of the records, or be supplied with copies by mail.

(b) Any individual whose request under paragraph (a) of this section is denied may appeal that denial to the head of the agency which maintains the system of records to which the request relates.

(c) In the event that an appeal under paragraph (b) of this section is denied, the requester may bring a civil action in federal district court to seek review of the denial.

[40 FR 39519, Aug. 28, 1975, as amended at 62 FR 33981, June 24, 1997]

§ 1.113 Times, places, and requirements for identification of individuals making requests.

(a) If an individual submitting a request for access under § 1.112 has asked that an agency authorize a personal inspection of records pertaining to him or her, and the agency has granted that request, the requester shall present himself or herself at the time and place specified in the agency's response or arrange another, mutually convenient, time with the appropriate agency official.

(b) Prior to inspection of the records, the requester shall present sufficient identification (e.g., driver's license, employee identification card, social security card, credit cards) to establish that the requester is the individual to whom the records pertain. If the requester is unable to provide such identification, the requester shall complete and sign in the presence of an agency official a signed statement asserting the requester's identity and stipulating that the requester understands that knowingly or willfully seeking or obtaining access to records about another

individual under false pretenses is a misdemeanor punishable by fine up to \$5,000. No identification shall be required, however, if the records are required by 5 U.S.C. 552 to be released.

(c) Any individual who has requested access to records about himself or herself by personal inspection, and who wishes to have another person or persons accompany the requester during this inspection, shall submit a written statement authorizing disclosure of the record in the presence of such other person or persons.

(d) Any individual having made a personal inspection of records pertaining to the requester may request the agency to provide the requester copies of those records or any portion of those records. Each agency shall grant such requests but may charge fees in accordance with § 1.120.

(e) If an individual submitting a request for access under § 1.112 wishes to be supplied with copies of the records by mail, the requester shall include with his or her request sufficient data for the agency to verify the requester's identity. If the sensitivity of the records warrant it, however, the agency to which the request is directed may require the requester to submit a signed, notarized statement indicating that the requester is the individual to whom the records pertain and stipulating the requester understands that knowingly or willfully seeking or obtaining access to records about another individual under false pretenses is a misdemeanor punishable by fine up to \$5,000. No identification shall be required, however, if the records are required by 5 U.S.C. 552 to be released. If the agency to which this request is directed determines to grant the requested access, it may charge fees in accordance with § 1.120 before making the necessary copies.

[40 FR 39519, Aug. 28, 1975, as amended at 62 FR 33981, June 24, 1997]

§ 1.114 Disclosure of requested information to individuals.

(a) Any agency which receives a request or appeal under § 1.112 should acknowledge the request or appeal within 10 days of its receipt (excluding Saturdays, Sundays, and legal public holidays). Wherever practicable, the ac-

knowledge should indicate whether or not access will be granted and, if so, when and where. When access is to be granted, the agency should provide the access within 30 days of receipt of the request or appeal (excluding Saturdays, Sundays and legal public holidays) unless, for good cause shown, it is unable to do so. If the agency is unable to meet this deadline, it shall inform the requester of this fact, the reasons for its inability to do so, and an estimate of the date on which access will be granted.

(b) Nothing in 5 U.S.C. 552a or this subpart shall be interpreted to require that an individual making a request under § 1.112 be granted access to the physical record itself. The form in which a record is kept (e.g., on magnetic tape), or the content of the record (e.g., a record indexed under the name of the requester may contain records which are not about the requester) may require that the record be edited or translated in some manner. Neither of these procedures may be utilized, however, to withhold information in a record about the requester.

(c) No agency shall deny any request under § 1.112 for information concerning the existence of records about the requester in any system of records it maintains, or deny any request for access to records about the requester in any system of records it maintains, unless that system is exempted from the requirements of 5 U.S.C. 552a(d) in § 1.123.

(d) If any agency receives a request pursuant to § 1.112(a) for access to records in a system of records it maintains which is so exempted, the system manager shall determine if the exemption is to be asserted. If the system manager determines to deny the request, the system manager shall inform the requester of that determination, the reason for the determination, and the title and address of the agency head to whom the denial can be appealed.

(e) If the head of an agency determines that an appeal pursuant to § 1.112(b) is to be denied, the head of the agency shall inform the requester of that determination, the reason for the determination, and the requester's

right under 5 U.S.C. 552a(g) to seek judicial review of the denial in Federal district court.

(f) Nothing in 5 U.S.C. 552a or this subpart shall allow an individual access to any information compiled in reasonable anticipation of a civil action or proceeding.

§ 1.115 Special procedures: Medical records.

In the event an agency receives a request pursuant to § 1.112 for access to medical records (including psychological records) whose disclosure it determines would be harmful to the individual to whom they relate, it may refuse to disclose the records directly to the requester but shall transmit them to a doctor designated by that individual.

§ 1.116 Request for correction or amendment to record.

(a) Any individual who wishes to request correction or amendment of any record pertaining to him or her contained in a system of records maintained by an agency shall submit that request in writing in accordance with the instructions set forth in the system notice for that system of records. This request shall include:

- (1) The name of the individual making the request;
- (2) The name of the system of records (as set forth in the system notice to which the request relates);
- (3) A description of the nature (e.g., modification, addition or deletion) and substance of the correction or amendment requested; and
- (4) Any other information specified in the system notice.

(b) Any individual submitting a request pursuant to paragraph (a) of this section shall include sufficient information in support of that request to allow the agency to which it is addressed to apply the standards set forth in 5 U.S.C. 552a(e) (1) and (5).

(c) Any individual whose request under paragraph (a) of this section is denied may appeal that denial to the head of the agency which maintains the system of records to which the request relates.

(d) In the event that an appeal under paragraph (c) of this section is denied, the requester may bring a civil action in federal district court to seek review of the denial.

[40 FR 39519, Aug. 28, 1975, as amended at 62 FR 33981, June 24, 1997]

§ 1.117 Agency review of request for correction or amendment of record.

(a) Any agency which receives a request for amendment or correction under § 1.116 shall acknowledge that request within 10 days of its receipt (excluding Saturdays, Sundays and legal public holidays). The agency shall also promptly, either:

(1) Make any correction, deletion or addition with regard to any portion of a record which the requester believes is not accurate, relevant, timely or complete; or

(2) Inform the requester of its refusal to amend the record in accordance with the request; the reason for the refusal; the procedures whereby the requester can appeal the refusal to the head of the agency; and the title and business address of that official. If the agency informs the requester of its determination within the 10-day deadline, a separate acknowledgement is not required.

(b) If an agency is unable to comply with either paragraphs (a)(1) or (2) of this section within 30 days of its receipt of a request for correction or amendment, (excluding Saturdays, Sundays and legal public holidays), it should inform the requester of that fact, the reasons for the inability to comply with paragraphs (a)(1) or (a)(2) of this section within 30 days, and the approximate date on which a determination will be reached.

(c) In conducting its review of a request for correction or amendment, each agency shall be guided by the requirements of 5 U.S.C. 552a(e)(1) and (5).

(d) If an agency determines to grant all or any portion of a request for correction or amendment, it shall:

- (1) Advise the individual of that termination;
- (2) Make the requested correction or amendment; and
- (3) Inform any person or agency outside USDA to whom the record has been disclosed, if an accounting of that

disclosure is maintained in accordance with 5 U.S.C. 552a(c), of the occurrence and substance of the correction or amendments.

(e) If an agency determines not to grant all or any portion of a request for correction or amendment, it shall:

(1) Comply with paragraph (d) of this section with regard to any correction or amendment which is made;

(2) Advise the requester of its determination and the reasons for the determination not to grant all or a portion of the request for a correction or amendment;

(3) Inform the requester that he or she may appeal this determination to the head of the agency which maintains the system of records; and

(4) Describe the procedures for making such an appeal, including the title and business address of the official to whom the appeal is to be addressed.

(f) In the event that an agency receives a notice of correction or amendment to information in a record contained in a system of records which it maintains, it shall comply with paragraphs (d)(2) and (3) of this section in the same manner as if it had made the correction or amendment itself.

[40 FR 39519, Aug. 28, 1975, as amended at 62 FR 33981, June 24, 1997]

§ 1.118 Appeal of initial adverse agency determination on correction or amendment.

(a) Any individual whose request for correction or amendment under § 1.116 is denied, and who wishes to appeal that denial, shall address such appeal to the head of the agency which maintains the system of records to which the request relates, in accordance with the procedures set forth in the agency's initial denial of the request.

(b) The head of each agency shall make a final determination with regard to an appeal submitted under paragraph (a) of this section not later than 30 days (excluding Saturdays, Sundays, and legal public holidays) from the date on which the individual requests a review, unless, for good cause shown, the head of the agency extends this 30-day period and so notifies the requester, together with an estimate of the date on which a final determination will be made. Such exten-

sion should be utilized only in exceptional circumstances and should not normally exceed 30 days. The delegation of authority set forth in this paragraph may not be redelegated.

(c) In conducting a review of an appeal submitted under paragraph (a) of this section, the head of an agency shall be guided by the requirements of 5 U.S.C. 552a(e)(1) and (5).

(d) If the head of an agency determines to grant all or any portion of an appeal submitted under paragraph (a) of this section, the head of the agency shall inform the requester and the agency shall comply with the procedures set forth in § 1.117(d)(2) and (d)(3).

(e) If the head of an agency determines in accordance with paragraph (c) of this section not to grant all or any portion of an appeal submitted under paragraph (a) of this section, the head of the agency shall inform the requester:

(1) Of this determination and the reasons for the determination;

(2) Of the requester's right to file a concise statement of the requester's reasons for disagreeing with the agency's decision;

(3) Of the procedures for filing such a statement of disagreement;

(4) That such statements of disagreements will be made available to anyone to whom the record is subsequently disclosed, together with (if the agency deems it appropriate) a brief statement by the agency summarizing its reasons for refusing to amend the record;

(5) That prior recipients of the disputed record will be provided with a copy of the statement of disagreement, together with (if the agency deems it appropriate) a brief statement of the agency's reasons for refusing to amend the record, to the extent that an accounting of disclosures is maintained under 5 U.S.C. 552a(c); and

(6) Of the requester's right to seek judicial review of the agency's determination in accordance with 5 U.S.C. 552a(g). The agency shall insure that any statements of disagreement submitted by a requester are handled in accordance with paragraphs (e)(4) and (5) of this section.

[40 FR 39519, Aug. 28, 1975, as amended at 62 FR 33981, June 24, 1997]

§ 1.119 Disclosure of record to person other than the individual to whom it pertains.

No agency shall disclose any record which is contained in a system of records it maintains, by any means of communication to any person, or to another agency outside USDA, except pursuant to a written request by, or with the prior written consent of, the individual to whom the record pertains, unless the disclosure is authorized by one or more provisions of 5 U.S.C. 552a(b).

§ 1.120 Fees.

Any agency which provides copies of records pursuant to a request under this subpart may charge fees for the direct costs of producing such copies in accordance with appendix A to subpart A of this part. No agency, however, shall charge any fee for searches necessary to locate records. Nor shall an agency charge any fees for copies or searches, when the requester sought to make a personal inspection but was provided copies instead at the discretion of the agency.

§ 1.121 Penalties.

The criminal penalties which have been established for violations of the Privacy Act of 1974 are set forth in 5 U.S.C. 552a(i). These penalties are applicable to any officer or employee of an agency who commits any of the acts enumerated in 5 U.S.C. 552a(i). These penalties also apply to contractors and employees of such contractors who enter into contracts with an agency of USDA and who are considered to be employees of the agency within the meaning of 5 U.S.C. 552a(m)(1).

[40 FR 39519, Aug. 28, 1975, as amended at 62 FR 33982, June 24, 1997]

§ 1.122 General exemptions.

Pursuant to 5 U.S.C. 552a(j), and for the reasons set forth in 54 FR 11204-11206 (March 17, 1989), the systems of records (or portions of systems of records) maintained by agencies of USDA identified in this section are exempted from the provisions of 5 U.S.C. 552a, except subsections (b), (c)(1) and (2), (e)(4)(A) through (F), (e)(6), (7), (9), (10), and (11), and (i).

APPENDIX A TO SUBPART G OF PART 1—
INTERNAL DIRECTIVES

SECTION: 1 *General requirements.* Each agency that maintains a system of records subject to 5 U.S.C. 552a and the regulations of this subpart shall:

(a) Maintain in its records only such information about an individual as is relevant and necessary to accomplish a purpose of the agency required to be accomplished by statute or by executive order of the President;

(b) Collect information to the greatest extent practicable directly from the subject individual when the information may result in adverse determinations about an individual's rights, benefits, and privileges under Federal programs;

(c) Inform each individual whom it asks to supply information, on the form which it uses to collect the information, or on a separate form that can be retained by the individual, of:

(1) The authority (whether granted by statute, or by executive order of the President) which authorizes the solicitation of the information and whether disclosure of such information is mandatory or voluntary;

(2) The principal purpose or purposes for which the information is intended to be used;

(3) The routine uses which may be made of the information, as published pursuant to paragraph (d)(4) of this section; and

(4) The effects on the individual, if any, of not providing all or any part of the requested information;

(d) Subject to the provisions of section 2 of this appendix, prepare for publication in the

FEDERAL REGISTER at least annually a notice of the existence and character of each system it maintains, which notice shall include:

(1) The name and location(s) of the system;

(2) The categories of individuals on whom records are maintained in the system;

(3) The categories of records maintained in the system;

(4) Each routine use of the records contained in the system, including the categories of uses and the purpose of such use;

(5) The policies and practices of the agency regarding storage, retrievability, access controls, retention, and disposal of the records;

(6) The title and business address of the agency official who is responsible for the system of records;

(7) The agency procedures whereby an individual can be notified at his or her request if the system of records contains a record pertaining to the individual;

(8) The agency procedures whereby an individual can be notified at his or her request how the individual can gain access to any record pertaining to him or her contained in the system of records, and how he can contest its content; and

(9) The categories of sources of records in the system;

(e) Maintain all records which are used by the agency in making any determination about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination;

(f) Prior to disseminating any record about an individual to any person other than an agency, unless the dissemination is made pursuant to 5 U.S.C. 552a(b)(2), make reasonable efforts to assure that such records are accurate, complete, timely, and relevant for agency purposes;

(g) Maintain no record describing how any individual exercises rights guaranteed by the First Amendment unless expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to and within the scope of an authorized law enforcement activity;

(h) Make reasonable efforts to serve notice on an individual when any record on such individual is made available to any person under compulsory legal process when such process becomes a matter of public record;

(i) Establish rules of conduct for persons involved in the design, development, operation, or maintenance of any system of records, or in maintaining any record, and instruct each such person with respect to such rules and the requirements of this section, including any other rules and procedures adopted pursuant to this section and the penalties for noncompliance;

(j) Establish appropriate administrative, technical, and physical safeguards to insure the security and confidentiality of records and to protect against any anticipated

threats or hazards to their security or integrity which could result in substantial harm, embarrassment, inconvenience, or unfairness to any individual on whom information is maintained.

SEC. 2 *Amendment of routine uses for an existing system of records, or establishment of a new system of records.*

(a) Any agency which intends to add a routine use, or amend an existing one, in a system of records it maintains, shall, in accordance with 5 U.S.C. 552a(e)(11), ensure that at least 30 days advance notice of such action is given by publication in the Federal Register and an opportunity provided for interested persons to submit written data, views or arguments to the agency.

(b) Any agency which intends to establish a new system of records, or to alter any existing system of records, shall insure that adequate advance notice is provided to Congress and the Office of Management and Budget to permit an evaluation of the probable or potential effect of such action on the privacy and other personal or property rights of individuals or the disclosure of information relating to such individuals, and its effect on the preservation of the constitutional principles of federalism and separation of powers. Such notice is required for any new system of records and for any alteration in an existing one which will:

- (1) Increase the number or types of individuals on whom records are maintained;
- (2) Expand the type or amount of information maintained;
- (3) Increase the number or categories of agencies or other persons who may have access to those records;
- (4) Alter the manner in which the records are organized so as to change the nature or scope of those records (e.g., the combining of two or more existing systems);
- (5) Modify the way the system operates at its location(s) in such a manner as to alter the procedures by which individuals can exercise their rights under this subpart; or
- (6) Change the equipment configuration on which the system is operated so as to create the potential for greater access (e.g., adding a telecommunications capability).

SEC. 3 *Accounting of certain disclosures.* Each agency, with respect to each system of records under its control, shall:

- (a) Except for disclosures made under 5 U.S.C. 552a(b)(1) and (2), keep an accurate account of:
 - (1) The date, nature, and purpose of each disclosure of a record to any person or agency outside the Department; and
 - (2) The name and address of the person or agency to whom the disclosure is made;
- (b) Retain the accounting made under paragraph (a) of this section for the longer of a period of five years, after the date of the disclosure for which the accounting is made, or the life of the record disclosed;

(c) Except for disclosures made under 5 U.S.C. 552a(b)(7), make the accounting required under paragraph (a) of this section available to the individual named in the record at his or her request.

SEC. 4 *Government contractors.* When an agency within the Department provides by a contract for the operation by or on behalf of the agency of a system of records to accomplish an agency function, the agency shall, consistent with its authority, cause the requirements of this subpart to be applied to such system. For purposes of 5 U.S.C. 552a(i) any such contractor or any employee of such contractor shall be considered to be an employee of an agency and therefore subject to the criminal penalties set forth in 5 U.S.C. 552a(i).

SEC. 5 *Mailing lists.* No agency within the Department shall sell or rent any individual's name and address unless such action is specifically authorized by law. This section shall not be construed to require, or to authorize, the withholding of names and addresses whose disclosure is required by 5 U.S.C. 552.

SEC. 6 *Social security account numbers.* (a) No agency shall deny, or permit any State or local government with whom it is involved in a cooperative venture to deny, to any individual any right, benefit, or privilege provided by law because of such individual's refusal to disclose his or her social security account number.

(b) Paragraph (a) of this section shall not apply with respect to:

- (1) Any disclosure required by Federal statute; or
- (2) Any disclosure to any agency relating to a system of records it maintained prior to January 1, 1975, if such disclosure was required under statute or regulation adopted prior to that date, to verify the identity of an individual.

(c) Any agency in the Department which requests an individual to disclose his or her social security account number shall inform that individual whether the disclosure is mandatory or voluntary, by what statutory or other authority the number is solicited, and what uses will be made of it. The agency shall also insure that this information is provided by a State or local government with whom it is involved in a cooperative agreement.

SEC. 7 *Annual report.* Each agency in the Department shall submit to the Office of the General Counsel prior to March 30 of each year a report containing the following information related to implementation of 5 U.S.C. 552a:

- (a) A summary of major accomplishments;
- (b) A summary of major plans for activities in the upcoming year;
- (c) A list of the systems which were exempted during the year from any of the operative provisions of this subpart pursuant to 5

U.S.C. 552a (j) and (k), whether or not the exemption was effected during that year, the number of instances with respect to each system exempted in which the exemption was invoked to deny access, and the reasons for invoking the exemption;

(d) A brief summary of changes to the total inventory of personal data system subject to this subpart including reasons for major changes; and

(e) A general description of operational experiences including estimates of the number of individuals (in relation to the total number of records in the system):

(1) Requesting information on the existence of records pertaining to them;

(2) Refusing to provide information;

(3) Requesting access to their records;

(4) Appealing initial refusals to amend records; and

(5) Seeking redress through the courts.

SEC. 8. *Effect of 5 U.S.C. 552.* No agency in the Department shall rely on any exemption in 5 U.S.C. 552 to withhold from an individual any record which is otherwise accessible to such individual under 5 U.S.C. 552a and this subpart.

(4) The person submitting the information shall not be a party to any proceeding which may be instituted as a result thereof and such person shall have no legal status in the proceeding, except as a subpoenaed witness or as a deponent in a deposition taken without expense to such person.

(b) *Filing of complaint or petition for review.* (1) If there is reason to believe that a person has violated or is violating any provision of a statute listed in § 1.131 or of any regulation, standard, instruction or order issued pursuant thereto, whether based upon information furnished under paragraph (a) of this section or other information, a

[42 FR 743, Jan. 4, 1977, as amended at 61 FR 11503, Mar. 21, 1996]

§ 1.136 Answer.

(a) *Filing and service.* Within 20 days after the service of the complaint (within 10 days in a proceeding under section 4(d) of the Perishable Agricultural Commodities Act, 1930), or such other time as may be specified therein, the respondent shall file with the Hearing Clerk an answer signed by the respondent or the attorney of record in the proceeding. The attorney may file an appearance of record prior to or simultaneously with the filing of the answer. The answer shall be served upon the complainant, and any other party of record, by the Hearing Clerk. As response to a petition for review of responsibly connected status, the Chief, PACA Branch, shall within ten days after being served by the Hearing Clerk with a petition for review, file with the Hearing Clerk a certified copy of the agency record upon which the Chief, PACA Branch, made the determination that the individual was responsibly connected to a licensee under the Perishable Agricultural Commodities Act, 7 U.S.C. 499a *et seq.*, and such agency record shall become part of the record in the review proceeding.

(b) *Contents.* The answer shall:

(1) Clearly admit, deny, or explain each of the allegations of the Complaint and shall clearly set forth any defense asserted by the respondent; or

(2) State that the respondent admits all the facts alleged in the complaint; or

(3) State that the respondent admits the jurisdictional allegations of the complaint and neither admits nor denies the remaining allegations and consents to the issuance of an order without further procedure.

(c) *Default.* Failure to file an answer within the time provided under paragraph (a) of this section shall be deemed, for purposes of the proceeding, an admission of the allegations in the Complaint, and failure to deny or otherwise respond to an allegation of the Complaint shall be deemed, for purposes of the proceeding, an admission of said allegation, unless the parties have agreed to a consent decision pursuant to § 1.138.

[42 FR 743, Jan. 4, 1977, as amended at 61 FR 11504, Mar. 21, 1996; 68 FR 6340, Feb. 7, 2003]

§ 1.137 Amendment of complaint, petition for review, or answer; joinder of related matters.

(a) *Amendment.* At any time prior to the filing of a motion for a hearing, the complaint, petition for review, answer, or response to petition for review may be amended. Thereafter, such an amendment may be made with consent of the parties, or as authorized by the Judge upon a showing of good cause.

(b) *Joinder.* The Judge shall consolidate for hearing with any proceeding alleging a violation of the Perishable Agricultural Commodities Act, 7 U.S.C. 499a *et seq.*, any petitions for review of determination of status by the Chief, PACA Branch, that individuals are responsibly connected, within the meaning of 7 U.S.C. 499a(b)(9), to the licensee during the period of the alleged violations. In any case in which there is no pending proceeding alleging a violation of the Perishable Agricultural Commodities Act, 7 U.S.C. 499a *et seq.*, but there have been filed more than one petition for review of determination of responsible connection to the same licensee, such petitions for review shall be consolidated for hearing.

[61 FR 11504, Mar. 21, 1996, as amended at 68 FR 6340, Feb. 7, 2003]

§ 1.138 Consent decision.

At any time before the Judge files the decision, the parties may agree to the entry of a consent decision. Such agreement shall be filed with the Hearing Clerk in the form of a decision signed by the parties with appropriate space for signature by the Judge, and shall contain an admission of at least the jurisdictional facts, consent to the issuance of the agreed decision without

further procedure and such other admissions or statements as may be agreed between the parties. The Judge shall enter such decision without further procedure, unless an error is apparent on the face of the document. Such decision shall have the same force and effect as a decision issued after full hearing, and shall become final upon issuance to become effective in accordance with the terms of the decision.

§ 1.139 Procedure upon failure to file an answer or admission of facts.

The failure to file an answer, or the admission by the answer of all the material allegations of fact contained in the complaint, shall constitute a waiver of hearing. Upon such admission or failure to file, complainant shall file a proposed decision, along with a motion for the adoption thereof, both of which shall be served upon the respondent by the Hearing Clerk. Within 20 days after service of such motion and proposed decision, the respondent may file with the Hearing Clerk objections thereto. If the Judge finds that meritorious objections have been filed, complainant's Motion shall be denied with supporting reasons. If meritorious objections are not filed, the Judge shall issue a decision without further procedure or hearing. Copies of the decision or denial of complainant's Motion shall be served by the Hearing Clerk upon each of the parties and may be appealed pursuant to § 1.145. Where the decision as proposed by complainant is entered, such decision shall become final and effective without further proceedings 35 days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to § 1.145: *Provided, however,* That no decision shall be final for purposes of judicial review except a final decision of the Judicial Officer upon appeal.

§ 1.140 Conferences and procedure.

(a) *Purpose and scope.* (1) Upon motion of a party or upon the Judge's own motion, the Judge may direct the parties or their counsel to attend a conference at any reasonable time, prior to or during the course of the hearing,

§ 1.140

7 CFR Subtitle A (1-1-04 Edition)

when the Judge finds that the proceeding would be expedited by a conference. Reasonable notice of the time, place, and manner of the conference shall be given. The Judge may order each of the parties to furnish at or subsequent to the conference any or all of the following:

- (i) An outline of the case or defense;
- (ii) The legal theories upon which the party will rely;
- (iii) Copies of or a list of documents which the party anticipates introducing at the hearing; and
- (iv) A list of anticipated witnesses who will testify on behalf of the party. At the discretion of the party furnishing such list of witnesses, the names of the witnesses need not be furnished if they are otherwise identified in some meaningful way such as a short statement of the type of evidence they will offer.

(2) The Judge shall not order any of the foregoing procedures that a party can show is inappropriate or unwarranted under the circumstances of the particular case.

(3) At the conference, the following matters shall be considered:

- (i) The simplification of issues;
- (ii) The necessity of amendments to pleadings;
- (iii) The possibility of obtaining stipulations of facts and of the authenticity, accuracy, and admissibility of documents, which will avoid unnecessary proof;
- (iv) The limitation of the number of expert or other witnesses;
- (v) Negotiation, compromise, or settlement of issues;
- (vi) The exchange of copies of proposed exhibits;
- (vii) The identification of documents or matters of which official notice may be requested;
- (viii) A schedule to be followed by the parties for completion of the actions decided at the conference; and
- (ix) Such other matters as may expedite and aid in the disposition of the proceeding.

(b) *Reporting.* A conference will not be stenographically reported unless so directed by the Judge.

(c) *Manner of Conference.* (1) The conference shall be conducted by telephone or correspondence unless the

Judge determines that conducting the conference by audio-visual telecommunication:

- (i) Is necessary to prevent prejudice to a party;
- (ii) Is necessary because of a disability of any individual expected to participate in the conference; or
- (iii) Would cost less than conducting the conference by telephone or correspondence. If the Judge determines that a conference conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the conference, the conference shall be conducted by personal attendance of any individual who is expected to participate in the conference, by telephone, or by correspondence.

(2) If the conference is not conducted by telephone or correspondence, the conference shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the conference by personal attendance of any individual who is expected to participate in the conference:

- (i) Is necessary to prevent prejudice to a party;
- (ii) Is necessary because of a disability of any individual expected to participate in the conference; or
- (iii) Would cost less than conducting the conference by audio-visual telecommunication.

(d) *Order.* Actions taken as a result of a conference shall be reduced to a written appropriate order, unless the Judge concludes that a stenographic report shall suffice, or, if the conference takes place within 7 days of the beginning of the hearing, the Judge elects to make a statement on the record at the hearing summarizing the actions taken.

(e) *Related matters.* Upon motion of a respondent, the Judge may order the attorney for the complainant to produce and permit the respondent to inspect and copy or photograph any relevant written or recorded statements or confessions made by such respondent within the possession, custody or control of the complainant.

[42 FR 743, Jan. 4, 1977, as amended at 60 FR 8455, Feb. 14, 1995]

§ 1.141 Procedure for hearing.

(a) *Request for hearing.* Any party may request a hearing on the facts by including such request in the complaint or answer, or by a separate request, in writing, filed with the Hearing Clerk within the time in which an answer may be filed. A petition for review shall be deemed a request for a hearing. Failure to request a hearing within the time allowed for the filing of the answer shall constitute a waiver of such hearing. Waiver of hearing shall not be deemed to be a waiver of the right to request oral argument before the Judicial Officer upon appeal of the Judge's decision. In the event the respondent denies any material fact and fails to file a timely request for a hearing, the matter may be set down for hearing on motion of the complainant or upon the Judge's own motion.

(b) *Time, place, and manner.* (1) If any material issue of fact is joined by the pleadings, the Judge, upon motion of any party stating that the matter is at issue and is ready for hearing, shall set a time, place, and manner for hearing as soon as feasible after the motion is filed, with due regard for the public interest and the convenience and necessity of the parties. The Judge shall file with the Hearing Clerk a notice stating the time and place of the hearing.² This notice shall state whether the hearing will be conducted by telephone, audio-visual telecommunication, or personal attendance of any individual expected

²The place of hearing in a proceeding under the Packers and Stockyards Act shall be set in accordance with the Packers and Stockyards Act (7 U.S.C. 228(e) and (f)). In essence, if there is only one respondent, the hearing is to be held as near as possible to the respondent's place of business or residence depending on the availability of an appropriate location for conducting the hearing. If there is more than one respondent and they have their places of business or residence within a single unit of local government, a single geographical area within a State, or a single State, the hearing is to be held as near as possible to their places of business or residence depending on the availability of an appropriate location for conducting the hearing. If there is more than one respondent, and they have their places of business or residence distant from each other, 7 U.S.C. 228(e) and (f) have no applicability.

to participate in the hearing. The Judge's determination regarding the manner of the hearing shall be made in accordance with paragraphs (b)(3) and (b)(4) of this section. If any change in the time, place, or manner of the hearing is made, the Judge shall file with the Hearing Clerk a notice of such change, which notice shall be served upon the parties, unless it is made during the course of an oral hearing and made part of the transcript or recording, or actual notice is given to the parties.

(2)(i) If any material issue of fact is joined by the pleadings and the matter is at issue and is ready for hearing, any party may move that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing rather than by audio-visual telecommunication. Any motion that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than by audio-visual telecommunication.

(ii) Within 10 days after the Judge issues a notice stating the manner in which the hearing is to be conducted, any party may move that the Judge reconsider the manner in which the hearing is to be conducted. Any motion for reconsideration must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than in accordance with the Judge's notice.

(3) The hearing shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the hearing by personal attendance of any individual who is expected to participate in the hearing:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the hearing; or

(iii) Would cost less than conducting the hearing by audio-visual telecommunication. If the Judge determines that a hearing conducted by audio-visual telecommunication would

§ 1.141

7 CFR Subtitle A (1-1-04 Edition)

measurably increase the United States Department of Agriculture's cost of conducting the hearing, the hearing shall be conducted by personal attendance of any individual who is expected to participate in the hearing or by telephone.

(4) The Judge may, in his or her sole discretion or in response to a motion by a party to the proceeding, conduct the hearing by telephone if the Judge finds that a hearing conducted by telephone:

(i) Would provide a full and fair evidentiary hearing;

(ii) Would not prejudice any party; and

(iii) Would cost less than conducting the hearing by audio-visual telecommunication or personal attendance of any individual who is expected to participate in the hearing.

(c) *Appearances.* The parties may appear in person or by attorney of record in the proceeding. Any person who appears as attorney must conform to the standards of ethical conduct required of practitioners before the courts of the United States.

(d) *Debarment of attorney.* (1) Whenever a Judge finds that a person acting as attorney for any party to the proceeding is guilty of unethical or contumacious conduct, in or in connection with a proceeding, the Judge may order that such person be precluded from further acting as attorney in the proceeding. An appeal to the Judicial Officer may be taken from any such order, but no proceeding shall be delayed or suspended pending disposition of the appeal: *Provided*, That the Judge shall suspend the proceeding for a reasonable time for the purpose of enabling the party to obtain another attorney.

(2) Whenever it is found, after notice and opportunity for hearing, that a person, who is acting or has acted as attorney for another person in any proceeding before the United States Department of Agriculture, is unfit to act as such counsel because of such unethical or contumacious conduct, such person will be precluded from acting as counsel in any or all proceedings before the Department as found to be appropriate.

(e) *Failure to appear.* (1) A respondent who, after being duly notified, fails to appear at the hearing without good cause, shall be deemed to have waived the right to an oral hearing in the proceeding and to have admitted any facts which may be presented at the hearing. Such failure by the respondent shall also constitute an admission of all the material allegations of fact contained in the complaint. Complainant shall have an election whether to follow the procedure set forth in § 1.139 or whether to present evidence, in whole or in part, in the form of affidavits or by oral testimony before the Judge. Failure to appear at a hearing shall not be deemed to be a waiver of the right to be served with a copy of the Judge's decision and to appeal and request oral argument before the Judicial Officer with respect thereto in the manner provided in § 1.145.

(2) If the petitioner in the case of a Petition for Review of a determination of responsibly connected status within the meaning of 7 U.S.C. 499a(b)(9), having been duly notified, fails to appear at the hearing without good cause, such petitioner shall be deemed to have waived the right to a hearing and to have voluntarily withdrawn the petition for review.

(f) *Order of proceeding.* Except as may be determined otherwise by the Judge, the complainant shall proceed first at the hearing.

(g) *Written statements of direct testimony.* (1) Except as provided in paragraph (g)(2) of this section, each party must exchange with all other parties a written narrative verified statement of the oral direct testimony that the party will provide at any hearing to be conducted by telephone; the direct testimony of each employee or agent of the party that the party will call to provide oral direct testimony at any hearing to be conducted by telephone; and the direct testimony of each expert witness that the party will call to provide oral direct testimony at any hearing to be conducted by telephone. The written direct testimony of witnesses shall be exchanged by the parties at least 10 days prior to the hearing. The oral direct testimony provided by a

witness at a hearing conducted by telephone will be limited to the presentation of the written direct testimony, unless the Judge finds that oral direct testimony which is supplemental to the written direct testimony would further the public interest and would not constitute surprise.

(2) The parties shall not be required to exchange testimony in accordance with this paragraph if the hearing is scheduled to begin less than 20 days after the Judge's notice stating the time of the hearing.

(h) *Evidence*—(1) *In general.* (i) The testimony of witnesses at a hearing shall be on oath or affirmation and subject to cross-examination.

(ii) Upon a finding of good cause, the Judge may order that any witness be examined separately and apart from all other witnesses except those who may be parties to the proceeding.

(iii) After a witness called by the complainant has testified on direct examination, any other party may request and obtain the production of any statement, or part thereof, of such witness in the possession of the complainant which relates to the subject matter as to which the witness has testified. Such production shall be made according to the procedures and subject to the definitions and limitations prescribed in the Jencks Act (18 U.S.C. 3500).

(iv) Evidence which is immaterial, irrelevant, or unduly repetitious, or which is not of the sort upon which responsible persons are accustomed to rely, shall be excluded insofar as practicable.

(2) *Objections.* (i) If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination or to any other ruling of the Judge, the party shall state briefly the grounds of such objection, whereupon an automatic exception will follow if the objection is overruled by the Judge.

(ii) Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) *Depositions.* The deposition of any witness shall be admitted in the manner provided in and subject to the provisions of § 1.148.

(4) *Exhibits.* Unless the Judge finds that the furnishing of copies is impracticable, four copies of each exhibit shall be filed with the Judge: *Provided,* That, where there are more than two parties in the proceeding, an additional copy shall be filed for each additional party. A true copy of an exhibit may be substituted for the original.

(5) *Official records or documents.* An official government record or document or entry therein, if admissible for any purpose, shall be admissible in evidence without the production of the person who made or prepared the same, and shall be prima facie evidence of the relevant facts stated therein. Such record or document shall be evidenced by an official publication thereof or by a copy certified by a person having legal authority to make such certification.

(6) *Official notice.* Official notice shall be taken of such matters as are judicially noticed by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: *Provided,* That the parties shall be given adequate notice of matters so noticed, and shall be given adequate opportunity to show that such facts are erroneously noticed.

(7) *Offer of proof.* Whenever evidence is excluded by the Judge, the party offering such evidence may make an offer of proof, which shall be included in the transcript or recording. The offer of proof shall consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement, it shall be included in the transcript or recording in toto. If the evidence consists of an exhibit, it shall be marked for identification and inserted in the hearing record. In either event, the evidence shall be considered a part of the transcript or recording and hearing record if the Judicial Officer, upon appeal, decides the Judge's ruling excluding the evidence was erroneous and prejudicial. If the Judicial Officer decides the Judge's ruling excluding the evidence was erroneous and prejudicial and that it would be inappropriate to have such evidence considered a part of the hearing record, the Judicial Officer may direct that the hearing be reopened to permit the

taking of such evidence or for any other purpose in connection with the excluded evidence.

(i) *Transcript or recording.* (1) Hearings to be conducted by telephone shall be recorded verbatim by electronic recording device. Hearings conducted by audio-visual telecommunication or the personal attendance of any individual who is expected to participate in the hearing shall be transcribed, unless the Judge finds that recording the hearing verbatim would expedite the proceeding and the Judge orders the hearing to be recorded verbatim. The Judge shall certify that to the best of his or her knowledge and belief any recording made pursuant to this paragraph with exhibits that were accepted into evidence is the record of the hearing.

(2) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the Judge determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the Judge shall order the verbatim transcription of the recording as requested by the party.

(3) Recordings or transcripts of hearings shall be made available to any person at actual cost of duplication.

§ 1.142 Post-hearing procedure.

(a) *Corrections to transcript or recording.* (1) Within the period of time fixed by the Judge, any party may file a motion proposing corrections to the transcript or recording.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given at the hearing and to contain an accurate description or reference to all exhibits received in evidence and made part of the hearing record, and shall be deemed to be certified without further action by the Judge.

(3) As soon as practicable after the close of the hearing and after consideration of any timely objections filed as to the transcript or recording, the

Judge shall issue an order making any corrections to the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(b) *Proposed findings of fact, conclusions, orders, and briefs.* Prior to the Judge's decision, each party shall be afforded a reasonable opportunity to submit for consideration proposed findings of fact, conclusions, order, and brief in support thereof. A copy of each such document filed by a party shall be served upon each of the other parties.

(c) *Judge's decision.* (1) The Judge may, upon motion of any party or in his or her own discretion, issue a decision orally at the close of the hearing, or within a reasonable time after the closing of the hearing.

(2) If the decision is announced orally, a copy thereof, excerpted from the transcript or recording, shall be furnished to the parties by the Hearing Clerk. Irrespective of the date such copy is mailed, the issuance date of the decision shall be the date the oral decision was announced.

(3) If the decision is in writing, it shall be filed with the Hearing Clerk and served upon the parties as provided in § 1.147.

(4) The Judge's decision shall become final and effective without further proceedings 35 days after the issuance of the decision, if announced orally at the hearing, or if the decision is in writing, 35 days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to § 1.145; *Provided, however*, that no decision shall be final for purposes of judicial review except a final decision of the Judicial Officer upon appeal.

[42 FR 743, Jan. 4, 1977, as amended at 53 FR 7177, Mar. 7, 1988; 60 FR 8456, Feb. 14, 1995; 68 FR 6340, Feb. 7, 2003]

§ 1.143 Motions and requests.

(a) *General.* All motions and requests shall be filed with the Hearing Clerk, and served upon all the parties, except (1) requests for extensions of time pursuant to § 1.147, (2) requests for subpoenas pursuant to § 1.149, and (3) motions and requests made on the record

during the oral hearing. The Judge shall rule upon all motions and requests filed or made prior to the filing of an appeal of the Judge's decision pursuant to § 1.145, except motions directly relating to the appeal. Thereafter, the Judicial Officer will rule on any motions and requests, as well as the motions directly relating to the appeal.

(b) *Motions entertained.* (1) Any motion will be entertained other than a motion to dismiss on the pleading.

(2) All motions and request concerning the complaint must be made within the time allowed for filing an answer.

(c) *Contents.* All written motions and requests shall state the particular order, ruling, or action desired and the grounds therefor.

(d) *Response to motions and requests.* Within 20 days after service of any written motion or request, or within such shorter or longer period as may be fixed by the Judge or the Judicial Officer, an opposing party may file a response to the motion or request. The other party shall have no right to reply to the response; however, the Judge or the Judicial Officer, in the Judge's or the Judicial Officer's discretion, may order that a reply be filed.

(e) *Certification to the judicial officer.* The submission or certification of any motion, request, objection, or other question to the Judicial Officer prior to the filing of an appeal pursuant to § 1.145 shall be made by and in the discretion of the Judge. The Judge may either rule upon or certify the motion, request, objection, or other question to the Judicial Officer, but not both.

[42 FR 743, Jan. 4, 1977, as amended at 55 FR 30673, July 27, 1990; 68 FR 6340, Feb. 7, 2003]

§ 1.144 Judges.

(a) *Assignment.* No Judge shall be assigned to serve in any proceeding who (1) has any pecuniary interest in any matter or business involved in the proceeding, (2) is related within the third degree by blood or marriage to any party to the proceeding, or (3) has any conflict of interest which might impair the Judge's objectivity in the proceeding.

(b) *Disqualification of Judge.* (1) Any party to the proceeding may, by mo-

tion made to the Judge, request that the Judge withdraw from the proceeding because of an alleged disqualifying reason. Such motion shall set forth with particularity the grounds of alleged disqualification. The Judge may then either rule upon or certify the motion to the Secretary, but not both.

(2) A Judge shall withdraw from any proceeding for any reason deemed by the Judge to be disqualifying.

(c) *Powers.* Subject to review as provided in this subpart, the Judge, in any assigned proceeding, shall have power to:

(1) Rule upon motions and requests;

(2) Set the time, place, and manner of a conference and the hearing, adjourn the hearing, and change the time, place, and manner of the hearing;

(3) Administer oaths and affirmations;

(4) Issue subpoenas as authorized by the statute under which the proceeding is conducted, requiring the attendance and testimony of witnesses and the production of books, contracts, papers, and other documentary evidence at the hearing;

(5) Summon and examine witnesses and receive evidence at the hearing;

(6) Take or order the taking of depositions as authorized under these rules;

(7) Admit or exclude evidence;

(8) Hear oral argument on facts or law;

(9) Require each party to provide all other parties and the Judge with a copy of any exhibit that the party intends to introduce into evidence prior to any hearing to be conducted by telephone or audio-visual telecommunication;

(10) Require each party to provide all other parties with a copy of any document that the party intends to use to examine a deponent prior to any deposition to be conducted by telephone or audio-visual telecommunication;

(11) Require that any hearing to be conducted by telephone or audio-visual telecommunication be conducted at locations at which the parties and the Judge are able to transmit and receive documents during the hearing;

(12) Require that any deposition to be conducted by telephone or audio-visual

telecommunication be conducted at locations at which the parties are able to transmit and receive documents during the deposition;

(13) Do all acts and take all measures necessary for the maintenance of order, including the exclusion of contumacious counsel or other persons; and

(14) Take all other actions authorized under these rules.

(d) *Who may act in the absence of the Judge.* In case of the absence of the Judge or the Judge's inability to act, the powers and duties to be performed by the Judge under these rules of practice in connection with any assigned proceeding may, without abatement of the proceeding unless otherwise directed by the Chief Judge, be assigned to any other Judge.

[42 FR 743, Jan. 4, 1977, as amended at 60 FR 8456, Feb. 14, 1995; 68 FR 6340, Feb. 7, 2003]

§ 1.145 Appeal to Judicial Officer.

(a) *Filing of petition.* Within 30 days after receiving service of the Judge's decision, if the decision is a written decision, or within 30 days after issuance of the Judge's decision, if the decision is an oral decision, a party who disagrees with the decision, any part of the decision, or any ruling by the Judge or who alleges any deprivation of rights, may appeal the decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. As provided in § 1.141(h)(2), objections regarding evidence or a limitation regarding examination or cross-examination or other ruling made before the Judge may be relied upon in an appeal. Each issue set forth in the appeal petition and the arguments regarding each issue shall be separately numbered; shall be plainly and concisely stated; and shall contain detailed citations to the record, statutes, regulations, or authorities being relied upon in support of each argument. A brief may be filed in support of the appeal simultaneously with the appeal petition.

(b) *Response to appeal petition.* Within 20 days after the service of a copy of an appeal petition and any brief in support thereof, filed by a party to the proceeding, any other party may file with the Hearing Clerk a response in support of or in opposition to the appeal and in such response any relevant

issue, not presented in the appeal petition, may be raised.

(c) *Transmittal of record.* Whenever an appeal of a Judge's decision is filed and a response thereto has been filed or time for filing a response has expired, the Hearing Clerk shall transmit to the Judicial Officer the record of the proceeding. Such record shall include: the pleadings; motions and requests filed and rulings thereon; the transcript or recording of the testimony taken at the hearing, together with the exhibits filed in connection therewith; any documents or papers filed in connection with a prehearing conference; such proposed findings of fact, conclusions, and orders, and briefs in support thereof, as may have been filed in connection with the proceeding; the Judge's decision; such exceptions, statements of objections and briefs in support thereof as may have been filed in the proceeding; and the appeal petition, and such briefs in support thereof and responses thereto as may have been filed in the proceeding.

(d) *Oral argument.* A party bringing an appeal may request, within the prescribed time for filing such appeal, an opportunity for oral argument before the Judicial Officer. Within the time allowed for filing a response, appellee may file a request in writing for opportunity for such an oral argument. Failure to make such request in writing, within the prescribed time period, shall be deemed a waiver of oral argument. The Judicial Officer may grant, refuse, or limit any request for oral argument. Oral argument shall not be transcribed unless so ordered in advance by the Judicial Officer for good cause shown upon request of a party or upon the Judicial Officer's own motion.

(e) *Scope of argument.* Argument to be heard on appeal, whether oral or on brief, shall be limited to the issues raised in the appeal or in the response to the appeal, except that if the Judicial Officer determines that additional issues should be argued, the parties shall be given reasonable notice of such determination, so as to permit preparation of adequate arguments on all issues to be argued.

(f) *Notice of argument; postponement.* The Hearing Clerk shall advise all parties of the time and place at which oral

argument will be heard. A request for postponement of the argument must be made by motion filed a reasonable amount of time in advance of the date fixed for argument.

(g) *Order of argument.* The appellant is entitled to open and conclude the argument.

(h) *Submission on briefs.* By agreement of the parties, an appeal may be submitted for decision on the briefs, but the Judicial Officer may direct that the appeal be argued orally.

(i) *Decision of the judicial officer on appeal.* As soon as practicable after the receipt of the record from the Hearing Clerk, or, in case oral argument was had, as soon as practicable thereafter, the Judicial Officer, upon the basis of and after due consideration of the record and any matter of which official notice is taken, shall rule on the appeal. If the Judicial Officer decides that no change or modification of the Judge's decision is warranted, the Judicial Officer may adopt the proceeding, preserving any right of the party bringing the appeal to seek judicial review of such decision in the proper forum. A final order issued by the Judicial Officer shall be filed with the Hearing Clerk. Such order may be regarded by the respondent as final for purposes of judicial review without filing a petition for rehearing, reargument, or reconsideration of the decision of the Judicial Officer.

[42 FR 743, Jan. 4, 1977, as amended at 60 FR 8456, Feb. 14, 1995; 68 FR 6341, Feb. 7, 2003]

§1.146 Petitions for reopening hearing; for rehearing or reargument of proceeding; or for reconsideration of the decision of the Judicial Officer.

(a) *Petition requisite—(1) Filing; service; ruling.* A petition for reopening the hearing to take further evidence, or for rehearing or reargument of the proceeding, or for reconsideration of the decision of the Judicial Officer, must be made by petition filed with the Hearing Clerk. Every such petition must state specifically the grounds relied upon. Any such petition filed prior to the filing of an appeal of the Judge's decision pursuant to §1.145 shall be ruled upon by the Judge, and any such

petition filed thereafter shall be ruled upon by the Judicial Officer.

(2) *Petition to reopen hearing.* A petition to reopen a hearing to take further evidence may be filed at any time prior to the issuance of the decision of the Judicial Officer. Every such petition shall state briefly the nature and purpose of the evidence to be adduced, shall show that such evidence is not merely cumulative, and shall set forth a good reason why such evidence was not adduced at the hearing.

(3) *Petition to rehear or reargue proceeding, or to reconsider the decision of the Judicial Officer.* A petition to rehear or reargue the proceeding or to reconsider the decision of the Judicial Officer shall be filed within 10 days after the date of service of such decision upon the party filing the petition. Every petition must state specifically the matters claimed to have been erroneously decided and alleged errors must be briefly stated.

(b) *Procedure for disposition of petitions.* Within 20 days following the service of any petition provided for in this section, any party to the proceeding may file with the Hearing Clerk a reply thereto. As soon as practicable thereafter, the Judge or the Judicial Officer, as the case may be, shall announce the determination whether to grant or deny the petition. The decision of the Judicial Officer shall automatically be stayed pending the determination to grant or deny a timely petition. Such decision shall not be final for purposes of judicial review until the petition is denied or the decision is affirmed or modified pursuant to the petition and the time for judicial review shall begin to run upon the filing of such final action on the petition. In the event that any such petition is granted, the applicable rules of practice, as set out elsewhere herein, shall be followed. A person filing a petition under this section shall be regarded as the moving party, although such person shall be referred to as the complainant or respondent, depending upon the designation in the original proceeding.

§1.147 Filing; service; extensions of time; and computation of time.

(a) *Filing; number of copies.* Except as otherwise provided in this section, all

documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk shall be filed in quadruplicate: *Provided*, That where there are more than two parties in the proceeding, an additional copy shall be filed for each additional party. Any document or paper required or authorized under the rules in this part to be filed with the Hearing Clerk shall, during the course of an oral hearing, be filed with the Judge.

(b) *Who shall make service.* Copies of all such documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk shall be served upon the parties by the Hearing Clerk, or by some other employee of the Department, or by a U.S. Marshal or deputy marshal.

(c) *Service on party other than the Secretary.* (1) Any complaint or other document initially served on a person to make that person a party respondent in a proceeding, proposed decision and motion for adoption thereof upon failure to file an answer or other admission of all material allegations of fact contained in a complaint, initial decision, final decision, appeal petition filed by the Department, or other document specifically ordered by the Judge to be served by certified or registered mail, shall be deemed to be received by any party to a proceeding, other than the Secretary or agent thereof, on the date of delivery by certified or registered mail to the last known principal place of business of such party, last known principal place of business of the attorney or representative of record of such party, or last known residence of such party if an individual, *Provided that*, if any such document or paper is sent by certified or registered mail but is returned marked by the postal service as unclaimed or refused, it shall be deemed to be received by such party on the date of remailing by ordinary mail to the same address.

(2) Any document or paper, other than one specified in paragraph (c)(1) of this section or written questions for a deposition as provided in § 1.148(d)(2), shall be deemed to be received by any party to a proceeding, other than the Secretary or agent thereof, on the date of mailing by ordinary mail to the last known principal place of business of

such party, last known principal place of business of the attorney or representative of record of such party, or last known residence of such party if an individual.

(3) Any document or paper served other than by mail, on any party to a proceeding, other than the Secretary or agent thereof, shall be deemed to be received by such party on the date of:

(i) Delivery to any responsible individual at, or leaving in a conspicuous place at, the last known principal place of business of such party, last known principal place of business of the attorney or representative of record of such party, or last known residence of such party if an individual, or

(ii) Delivery to such party if an individual, to an officer or director of such party if a corporation, or to a member of such party if a partnership, at any location.

(d) *Service on another.* Any subpoena, written questions for a deposition under § 1.148(d)(2), or other document or paper, served on any person other than a party to a proceeding, the Secretary or agent thereof, shall be deemed to be received by such person on the date of:

(1) Delivery by certified mail or registered mail to the last known principal place of business of such person, last known principal place of business of the attorney or representative of record of such person, or last known residence of such person if an individual;

(2) Delivery other than by mail to any responsible individual at, or leaving in a conspicuous place at, any such location; or

(3) Delivery to such party if an individual, to an officer or director of such party if a corporation, or to a member of such party if a partnership, at any location.

(e) *Proof of service.* Any of the following, in the possession of the Department, showing such service, shall be deemed to be accurate:

(1) A certified or registered mail receipt returned by the postal service with a signature;

(2) An official record of the postal service;

(3) An entry on a docket record or a copy placed in a docket file by the Hearing Clerk of the Department or by

an employee of the Hearing Clerk in the ordinary course of business;

(4) A certificate of service, which need not be separate from and may be incorporated in the document or paper of which it certifies service, showing the method, place and date of service in writing and signed by an individual with personal knowledge thereof, *Provided* that such certificate must be verified by oath or declaration under penalty of perjury if the individual certifying service is not a party to the proceeding in which such document or paper is served, an attorney or representative of record for such a party, or an official or employee of the United States or of a State or political subdivision thereof.

(f) *Extensions of time.* The time for the filing of any document or paper required or authorized under the rules in this part to be filed may be extended by the Judge or the Judicial Officer as provided in § 1.143, if, in the judgment of the Judge or the Judicial Officer, as the case may be, there is good reason for the extension. In all instances in which time permits, notice of the request for extension of the time shall be given to the other party with opportunity to submit views concerning the request.

(g) *Effective date of filing.* Any document or paper required or authorized under the rules in this part to be filed shall be deemed to be filed at the time when it reaches the Hearing Clerk; or, if authorized to be filed with another officer or employee of the Department it shall be deemed to be filed at the time when it reaches such officer or employee.

(h) *Computation of time.* Saturdays, Sundays and Federal holidays shall be included in computing the time allowed for the filing of any document or paper: *Provided*, That, when such time expires on a Saturday, Sunday, or Federal holiday, such period shall be extended to include the next following business day.

[42 FR 743, Jan. 4, 1977, as amended at 55 FR 30674, July 27, 1990; 60 FR 8456, Feb. 14, 1995; 68 FR 6341, Feb. 7, 2003]

§ 1.148 Depositions.

(a) *Motion for taking deposition.* Upon the motion of a party to the pro-

ceeding, the Judge may, at any time after the filing of the complaint, order the taking of testimony by deposition. The Motion shall be in writing, shall be filed with the Hearing Clerk, and shall set forth:

(1) The name and address of the proposed deponent;

(2) The name and address of the person (referred to hereafter in this section as the "officer") qualified under the regulations in this part to take depositions, before whom the proposed examination is to be made;

(3) The proposed time and place of the examination, which shall be at least 15 days after the date of the mailing of the motion; and

(4) The reasons why such deposition should be taken, which shall be solely for the purpose of eliciting testimony which otherwise might not be available at the time of hearing, for uses as provided in paragraph (g) of this section.

(b) *Judge's order for taking deposition.* (1) If the Judge finds that the testimony may not be otherwise available at the hearing, the taking of the deposition may be ordered. The order shall be filed with the Hearing Clerk and shall state:

(i) The time of the deposition;

(ii) The place of the deposition;

(iii) The manner of the deposition (telephone, audio-visual telecommunication, or personal attendance of those who are to participate in the deposition);

(iv) The name of the officer before whom the deposition is to be made; and

(v) The name of the deponent. The officer and the time, place, and manner need not be the same as those suggested in the motion for the deposition.

(2) The deposition shall be conducted by telephone unless the Judge determines that conducting the deposition by audio-visual telecommunication:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the deposition; or

(iii) Would cost less than conducting the deposition by telephone. If the Judge determines that a deposition conducted by audio-visual telecommunication would measurably increase the United States Department

of Agriculture's cost of conducting the deposition, the deposition shall be conducted by personal attendance of any individual who is expected to participate in the deposition or by telephone.

(3) If the deposition is not conducted by telephone, the deposition shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the deposition by personal attendance of any individual who is expected to participate in the deposition:

- (i) Is necessary to prevent prejudice to a party;
- (ii) Is necessary because of a disability of any individual expected to participate in the deposition; or
- (iii) Would cost less than conducting the deposition by telephone or audio-visual telecommunication.

(c) *Qualifications of officer.* The deposition shall be made before the Judge or before an officer authorized by the law of the United States or by the law of the place of the examination to administer oaths, or before an officer authorized by the Secretary to administer oaths.

(d) *Procedure on examination.* (1) The deponent shall be examined under oath or affirmation and shall be subject to cross-examination. Objections to questions or documents shall be in short form, stating the grounds of objections relied upon. The questions propounded, together with all objections made (but not including argument or debate), shall be recorded verbatim. In lieu of oral examination, parties may transmit written questions to the officer prior to the examination and the officer shall propound such questions to the deponent.

(2) The applicant shall arrange for the examination of the witness either by oral examination, or by written questions upon agreement of the parties or as directed by the Judge. If the examination is conducted by means of written questions, copies of the applicant's questions must be received by the other party to the proceeding and the officer at least 10 days prior to the date set for the examination unless otherwise agreed, and any cross questions of a party other than the applicant must be received by the applicant

and the officer at any time prior to the time of the examination.

(e) *Certification by officer.* The officer shall certify on the deposition that the deponent was duly sworn and that the deposition is a true record of the deponent's testimony. The officer shall then securely seal the deposition, together with one copy thereof (unless there are more than two parties in the proceeding, in which case there should be another copy for each additional party), in an envelope and mail the same by registered or certified mail to the Hearing Clerk.

(f) *Corrections to the transcript or recording.* (1) At any time prior to the hearing, any party may file a motion proposing corrections to the transcript or recording of the deposition.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given in the deposition proceeding and to contain an accurate description or reference to all exhibits in connection therewith, and shall be deemed to be certified correct without further procedure.

(3) At any time prior to use of the deposition in accordance with paragraph (g) of this section and after consideration of any objections filed thereto, the Judge may issue an order making any corrections in the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(g) *Use of deposition.* A deposition ordered and taken in accordance with the provisions of this section may be used in a proceeding under these rules if the Judge finds that the evidence is otherwise admissible and (1) that the witness is dead; (2) that the witness is unable to attend or testify because of age, sickness, infirmity, or imprisonment; (3) that the party offering the deposition has endeavored to procure the attendance of the witness by subpoena, but has been unable to do so; or (4) that such exceptional circumstances exist as to make it desirable, in the interests of justice, to allow the deposition to be

used. If the party upon whose motion the deposition was taken refuses to offer it in evidence, any other party may offer the deposition or any part thereof in evidence. If only part of a deposition is offered in evidence by a party, an adverse party may require the introduction of any other part which ought in fairness to be considered with the part introduced, and any party may introduce any other parts.

§ 1.149 Subpoenas.³

(a) *Issuance of subpoenas.* The attendance and testimony of witnesses and the production of documentary evidence from any place in the United States on behalf of any party to the proceeding may be required by subpoena at any designated place of hearing if authorized by the statute under which the proceeding is conducted. Subpoenas shall be issued by the Judge upon a reasonable showing by the applicant of the grounds and necessity thereof; and with respect to subpoenas for the production of documents, the request shall also show their competency, relevancy, and materiality. All requests for subpoenas shall be in writing, unless waived by the Judge for good cause shown. Except for good cause shown, requests for subpoenas shall be received by the Judge at least 10 days prior to the date set for the hearing.

(b) *Service of subpoenas.* Subpoenas may be served by any person not less than 18 years of age. The party at whose instance a subpoena is issued shall be responsible for service thereof. Subpoenas shall be served as provided in § 1.147.

[42 FR 743, Jan. 4, 1977, as amended at 55 FR 30674, July 27, 1990; 60 FR 8457, Feb. 14, 1995; 68 FR 6341, Feb. 7, 2003]

§ 1.150 Fees of witnesses.

Witnesses summoned under these rules of practice shall be paid the same fees and mileage that are paid witnesses in the courts of the United

States, and witnesses whose depositions are taken, and the officer taking the same, shall be entitled to the same fees as are paid for like services in the courts of the United States. Fees shall be paid by the party at whose instance the witness appears or the deposition is taken.

§ 1.151 Ex parte communications.

(a) At no stage of the proceeding between its institution and the issuance of the final decision shall the Judge or Judicial Officer discuss ex parte the merits of the proceeding with any person who is connected with the proceeding in an advocative or in an investigative capacity, or with any representative of such person: *Provided*, That procedural matters shall not be included within this limitation; and *Provided further*, That the Judge or Judicial Officer may discuss the merits of the case with such a person if all parties to the proceeding, or their attorneys have been given notice and an opportunity to participate. A memorandum of any such discussion shall be included in the record.

(b) No interested person shall make or knowingly cause to be made to the Judge or Judicial Officer an ex parte communication relevant to the merits of the proceeding.

(c) If the Judge or the Judicial Officer receives an ex parte communication in violation of this section, the one who receives the communication shall place in the public record of the proceeding:

- (1) All such written communications;
- (2) Memoranda stating the substance of all such oral communications; and
- (3) All written responses, and memoranda stating the substance of all oral responses thereto.

(d) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section, the Judge or Judicial Officer may, to the extent consistent with the interests of justice and the policy of the underlying statute, require the party to show cause why his claim or interest in the proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

³This section relates only to subpoenas for the stated purpose and has no relevance with respect to investigatory subpoenas.

(e) To the extent consistent with the interests of justice and the policy of the underlying statute, a violation of this section shall be sufficient grounds for a decision adverse to the party who knowingly commits a violation of this section or who knowingly causes such a violation to occur.

(f) For purposes of this section *ex parte communication* means an oral or written communication not on the public record with respect to which reasonable prior notice to all parties is not given, but it shall not include requests for status reports on any matter or the proceeding.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8457, Feb. 14, 1995]

§ 1.162 Institution of proceedings.

(a) *Filing of information.* Any person having information that any agricultural association, as defined in the Capper-Volstead Act, is engaged in any practice which monopolizes or restrains trade in interstate or foreign commerce to such an extent that the price of any agricultural product is unduly enhanced by reason thereof, may submit such information to the Secretary. Such information shall be in writing and shall contain a complete

statement of facts detailing the price enhancement and the practices alleged.

(b) *Consideration of information.* The Secretary shall consider all information filed under paragraph (a) of this section, and any other information which the Secretary may obtain relating to a violation of section 2 of the Act. If the Secretary finds that there is reason to believe that any association monopolizes or restrains trade in interstate or foreign commerce to such an extent that the price of any agricultural product is unduly enhanced thereby the Secretary shall cause a complaint to be filed, requiring the association to show cause why an order should not be made directing the association to cease and desist from such monopolization or restraint of trade. The complaint shall be filed with the Hearing Clerk, who shall assign to the proceeding a docket number and effect service upon respondent.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8457, Feb. 14, 1995]

§ 1.163 The complaint.

The complaint shall state briefly all allegations of fact which constitute a basis for the proceeding, and shall designate a time and place for the hearing in the matter, which shall be at least 30 days after the service of the complaint upon the respondent.

§ 1.164 Answer.

(a) *Filing and service.* Within 20 days after service of the complaint, or such other time as may be specified therein, the respondent shall file with the Hearing Clerk, an answer, signed by the respondent or the respondent's attorney. The answer shall be served upon the complainant by the Hearing Clerk.

(b) *Contents.* The answer shall clearly admit, deny, or offer an explanation in response to each of the allegations of the complaint, and shall clearly set forth any affirmative defense.

(c) *Default.* Failure to file an answer shall constitute an admission of the allegations in the complaint, and may be the basis for a decision upon the presentation of a *prima facie* case by the complainant.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8457, Feb. 14, 1995]

§ 1.165 Amendments.

Amendments to the complaint may be made prior to the filing of an answer in which case the time for filing the answer shall be extended 20 days or for other time agreed to by the parties. After the answer is filed, amendments to the complaint, or to the answer or other pleading, may be made by agreement of the parties or allowed at the discretion of the Judge. In case of an amendment which significantly changes the issues, the hearing shall, on the request of a party, be postponed or adjourned for a reasonable period, if the Judge determines that such action is necessary to avoid prejudice to the party.

§ 1.166 Consent order.

At any time, complainant and respondent may agree to the entry of a consent order. Such order shall be entered by the Judge (prior to a decision) or the Judicial Officer (after a decision by the Judge), and become effective on the date specified therein.

§ 1.167 Conference.

(a) *Purpose.* Upon motion of a party or upon the Judge's own motion, the Judge may direct the parties to attend a conference when the Judge finds that the proceeding would be expedited by discussions on matters of procedure and/or possible stipulations. The conference may include discussions regarding:

- (1) Simplification of the issues;
- (2) Limitation of expert or other witnesses;
- (3) The orderly presentation of evidence; and
- (4) Any other matters that may expedite and aid in the disposition of the proceeding.

(b) *Manner of the Conference.* (1) The conference shall be conducted by telephone or correspondence unless the Judge determines that conducting the conference by audio-visual telecommunication:

- (i) Is necessary to prevent prejudice to a party;
- (ii) Is necessary because of a disability of any individual expected to participate in the conference; or

(iii) Would cost less than conducting the conference by telephone or correspondence. If the Judge determines that a conference conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the conference, the conference shall be conducted by personal attendance of any individual who is expected to participate in the conference, by telephone, or by correspondence.

(2) If the conference is not conducted by telephone or correspondence, the conference shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the conference by personal attendance of any individual who is expected to participate in the conference:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the conference; or

(iii) Would cost less than conducting the conference by audio-visual telecommunication.

[60 FR 8457, Feb. 14, 1995]

§ 1.168 Procedure for hearing.

(a) *Time and place.* The oral hearing shall be held at such time and place as specified in the complaint, and not less than 30 days after service thereof. The time and place of the hearing may be changed for good cause, by the Judge, upon motion of either complainant or respondent.

(b) *Manner of hearing.* (1) The Judge shall file with the Hearing Clerk a notice stating whether the hearing will be conducted by telephone, audio-visual telecommunication, or personal attendance of any individual expected to attend the hearing and the Judge's determination regarding the manner of hearing shall be made in accordance with paragraphs (b)(3) and (b)(4) of this section. If any change in the manner of the hearing is made, the Judge shall file with the Hearing Clerk a notice of the change, which notice shall be served on the parties, unless it is made during the course of an oral hearing and made part of the transcript or recording, or actual notice is given to the parties.

(2)(i) Any party may move that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing rather than by audio-visual telecommunication. Any motion that the hearing be conducted by telephone or personal attendance of any individual expected to attend the hearing must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than by audio-visual telecommunication.

(ii) Within 10 days after the Judge issues a notice stating the manner in which the hearing is to be conducted, any party may move that the hearing is to be conducted. Any motion for reconsideration must be accompanied by a memorandum in support of the motion stating the basis for the motion and the circumstances that require the hearing to be conducted other than in accordance with the Judge's notice.

(3) The hearing shall be conducted by audio-visual telecommunication unless the Judge determines that conducting the hearing by personal attendance of any individual who is expected to participate in the hearing:

(i) Is necessary to prevent prejudice to a party;

(ii) Is necessary because of a disability of any individual expected to participate in the hearing; or

(iii) Would cost less than conducting the hearing by audio-visual telecommunication. If the Judge determines that a hearing conducted by audio-visual telecommunication would measurably increase the United States Department of Agriculture's cost of conducting the hearing, the hearing shall be conducted by personal attendance of any individual who is expected to participate in the hearing or by telephone.

(4) The Judge may, in his or her sole discretion or in response to a motion by a party to the proceeding, conduct the hearing by telephone if the Judge finds that a hearing conducted by telephone:

(i) Would provide a full and fair evidentiary hearing;

(ii) Would not prejudice any party; and

(iii) Would cost less than conducting the hearing by audio-visual telecommunication or personal attendance of any individual who is expected to participate in the hearing.

(c) *Appearances.* The parties may appear in person or by counsel or by other representative. Persons who appear as counsel or in a representative capacity must conform to the standards of ethical conduct required of practitioners before the courts of the United States.

(d) *Order of proceeding.* Except as otherwise may be agreed by the parties and approved by the Judge, the complainant shall proceed first at the hearing.

(e) *Failure to appear.* If respondent, after being duly notified, fails to appear at the hearing, and no good cause for such failure is established, complainant shall present a *prime facie* case on the matters denied in the answer.

(f) *Written statements of direct testimony.* (1) Except as provided in paragraph (f)(2) of this section, each party must exchange with all other parties a written narrative verified statement of the oral direct testimony that the party will provide at any hearing to be conducted by telephone; the direct testimony of each employee or agent of the party that the party will call to provide oral direct testimony at any hearing to be conducted by telephone; and the direct testimony of each expert witness that the party will call to provide oral direct testimony at any hearing to be conducted by telephone. The written direct testimony of witnesses shall be exchanged by the parties at least 10 days prior to the hearing. The oral direct testimony provided by a witness at a hearing conducted by telephone will be limited to the presentation of the written direct testimony, unless the Judge finds that oral direct testimony which is supplemental to the written direct testimony would further the public interest and would not constitute surprise.

(2) The parties shall not be required to exchange testimony in accordance with this paragraph if the hearing is scheduled to begin less than 20 days

after the Judge's notice stating the time of the hearing.

(g) *Evidence.* (1) The testimony of witnesses at the hearing shall be upon oath or affirmation, transcribed or recorded verbatim, and subject to cross-examination. Evidence which is immaterial, irrelevant, or unduly repetitious, or which is not of the sort upon which responsible persons are accustomed to rely, shall be excluded insofar as practicable.

(2) *Objections.* If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination, the party shall briefly state the grounds of such objections, whereupon an automatic exception will follow if the objection is overruled by the Judge. The ruling of the Judge on any objection shall be part of the transcript or recording. Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) *Official records or documents.* An official record or document, if admissible for any purpose, shall be admissible in evidence without the production of the person who made or prepared the same, and shall be *prima facie* evidence of the relevant facts stated therein. Such record or document shall be evidenced by an official publication thereof, or by a copy certified by a person having legal authority to make such certification.

(4) *Exhibits.* Unless the Judge finds that the furnishing of multiple copies is impracticable, four copies of each exhibit shall be filed with the Judge unless the Judge finds that a greater or lesser number is desirable. A true copy of an exhibit may be substituted for the original.

(5) *Official notice.* Official notice shall be taken of such matters as are judicially noticed by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: *Provided*, That the opposing party shall be given adequate opportunity to show that such facts are erroneously noticed.

(6) *Offer of proof.* Whenever evidence is deleted from the record, the party offering such evidence may make an offer of proof, which shall be included in the transcript or recording. The

offer of proof shall consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement or of an exhibit, it shall be inserted into the transcript or recording in toto. In such event, it shall be considered a part of the transcript or recording and record if the Judicial Officer decides that the Judge's ruling in excluding the evidence was erroneous and prejudicial. The Judge shall not allow the insertion of such excluded evidence in toto if the taking of such evidence will consume considerable time at the hearing. In the latter event, if the Judicial Officer decides that the Judge's ruling excluding the evidence was both prejudicial and erroneous, the hearing may be reopened to permit the taking of such evidence.

(7) *Affidavits.* Affidavits may be submitted into evidence, in lieu of witness testimony, only to the extent, and in the manner agreed upon by the parties.

(h) *Transcript or recording.* (1) Hearings to be conducted by telephone shall be recorded verbatim by electronic recording device. Hearings conducted by audio-visual telecommunication or the personal attendance of any individual who is expected to participate in the hearing shall be transcribed, unless the Judge finds that recording the hearing verbatim would expedite the proceeding and the Judge orders the hearing to be recorded verbatim. The Judge shall certify that to the best of his or her knowledge and belief any recording made pursuant to this paragraph with exhibits that were accepted into evidence is the record of the hearing.

(2) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the Judge determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the Judge shall order the verbatim transcription of the recording as requested by the party.

(3) Recordings or transcripts of hearings shall be made available to any person at actual cost of duplication.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8457, Feb. 14, 1995]

§ 1.169 Post-hearing procedure and decision.

(a) *Corrections to transcript or recording.* (1) At any time, but not later than the time fixed for filing proposed findings of fact, conclusions and order, or briefs, as the case may be, any party may file a motion proposing corrections to the transcript or recording.

(2) Unless a party files such a motion in the manner prescribed, the transcript or recording shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript or recording of the testimony given at the hearing and to contain an accurate description or reference to all exhibits received in evidence and made part of the hearing record.

(3) At any time prior to the filing of the Judge's decision and after consideration of any objections filed as to the transcript or recording, the Judge may issue an order making any corrections in the transcript or recording which the Judge finds are warranted, which corrections shall be entered onto the original transcript or recording by the Hearing Clerk (without obscuring the original text).

(b) *Proposed findings of fact, conclusions, order and briefs.* The parties may file with the Hearing Clerk proposed findings of fact, conclusions and orders based solely upon the record and on matters subject to official notice, and briefs in support thereof. The Judge shall announce at the hearing a definite period of time within which these documents may be filed.

(c) *Judge's decision.* The Judge, within a reasonable time after the termination of the period allowed for the filing of proposed findings of fact, conclusions and order, and briefs in support thereof, shall prepare, upon the basis of the record and matters officially noticed, and shall file with the Hearing Clerk, the Judge's decision, a copy of which shall be served by the Hearing Clerk upon each of the parties. Such decision shall become final and effective without further proceedings 35 days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to § 1.170: *Provided*, That no decision shall

be final for purposes of a request for Judicial Review, as provided in § 1.175(a), except a final decision of the Judicial Officer on appeal.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8458, Feb. 14, 1995]

§ 1.170 Appeal to the Judicial Officer.

(a) *Filing of petition.* Within 30 days after receiving service of the Judge's decision, a party who disagrees with the decision, or any part thereof, or any ruling by the Judge or any alleged deprivation of rights, may appeal such decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. As provided in § 1.168(g)(2), objections regarding evidence or a limitation regarding examination or cross-examination or other ruling made before the Judge may be relied upon in an appeal. Each issue set forth in the petition, and the arguments thereon, shall be separately numbered; shall be plainly and concisely stated; and shall contain detailed citations to the record, statutes, regulations or authorities being relied upon in support thereof. A brief may be filed in support of the appeal simultaneously with the petition.

(b) *Response to appeal petition.* Within 20 days after the service of a copy of an appeal petition and any brief in support thereof, filed by a party to the proceeding, any other party may file with the Hearing Clerk a response in support of or in opposition to the appeal and in such response any relevant issue, not presented in the appeal petition, may be raised.

(c) *Transmittal of record.* Whenever an appeal of a Judge's decision is filed and a response thereto has been filed or time for filing a response has expired, the Hearing Clerk shall transmit to the Judicial Officer the record of the proceeding. Such record shall include: the pleadings; motions and requests filed and rulings thereon; the transcript or recording of the testimony taken at the hearing, together with the exhibits filed in connection therewith; any documents or papers filed in connection with a prehearing conference; such proposed findings of fact, conclusions, and orders, and briefs in support thereof, as may have been filed in connection with the proceeding; the Judge's decision; such exceptions, statements of objec-

tions and briefs in support thereof as may have been filed in the proceeding; and the appeal petition, and such briefs in support thereof and responses thereto as may have been filed in the proceeding.

(d) *Oral argument.* A party bringing an appeal may request, within the prescribed time for filing such appeal, an opportunity for oral arguments before the Judicial Officer. Within the time allowed for filing a response, appellee may file a request in writing for opportunity for such an oral argument. Failure to make such request in writing, within the prescribed time period, shall be deemed a waiver of oral argument. The Judicial Officer may grant, refuse, or limit any request for oral argument. Oral argument shall not be transcribed unless so ordered in advance by the Judicial Officer for good cause shown upon request of a party or upon the Judicial Officer's own motion.

(e) *Scope of argument.* Argument to be heard on appeal, whether oral or on brief, shall be limited to the issues raised in the appeal or in the response to the appeal, except that if the Judicial Officer determines that additional issues should be argued, the parties shall be given reasonable notice of such determination, so as to permit preparation of adequate arguments on all issues to be argued.

(f) *Notice of argument; Postponement.* The Hearing Clerk shall advise all parties of the time and place at which oral argument will be heard. A request for postponement of the argument must be made by motion filed a reasonable amount of time in advance of the date fixed for argument.

(g) *Order of argument.* The appellant is entitled to open and conclude the argument.

(h) *Submission on briefs.* By agreement of the parties, an appeal may be submitted for decision on the briefs, but the Judicial Officer may direct that the appeal be argued orally.

(i) *Decision of the judicial officer on appeal.* As soon as practicable after the receipt of the record from the Hearing Clerk, or, in case oral argument was had, as soon as practicable thereafter, the Judicial Officer, upon the basis of and after due consideration of the record and any matter of which official

§ 1.171

notice is taken, shall rule on the appeal. If the Judicial Officer decides that no change or modification of the Judge's decision is warranted, the Judicial Officer may adopt the Judge's decision as the final order in the proceeding, preserving any right of the party bringing the appeal to seek judicial review of such decision in the proper forum. A final order issued by the Judicial Officer shall be filed with the Hearing Clerk. Such order may be regarded by the respondent as final for purposes of a request for judicial review as provided in § 1.175(a).

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8458, Feb. 14, 1995]

§ 1.171 Intervention.

Intervention under these rules shall not be allowed, except that, in the discretion of the Judicial Officer, or the Judge, any person showing a substantial interest in the outcome of the proceeding shall be permitted to participate in oral or written argument pursuant to §§ 1.169 and 1.170.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8458, Feb. 14, 1995]

§ 1.172 Motions and requests.

(a) *General.* All motions and requests shall be filed with the Hearing Clerk, and shall be served upon the parties, except those made on record during the oral hearing. The Judge shall rule upon all motions and requests filed or made prior to the filing of the certification of the transcript or recording. Thereafter, the Judicial Officer will rule on any motions or requests.

(b) *Motions entertained.* Any motion will be entertained except a motion to dismiss on the pleadings. All motions and requests concerning the complaint must be made within the time allowed for filing an answer.

(c) *Contents.* All written motions and requests shall state the particular order, ruling, or action desired and the grounds therefor.

(d) *Response to motions in request.* Within ten days after service of any written motion or request, or within such shorter or longer period as may be fixed by the Judge or the Judicial Officer the opposing party may file a response to the motion or request.

7 CFR Subtitle A (1-1-04 Edition)

(e) *Certification to the judicial officer.* The submission or certification of any motion, request, objection, or other question to the Judicial Officer prior to the time when the Judge's certification of the transcript is filed with the Hearing Clerk, shall be made by and in the discretion of the Judge. The Judge may either rule upon or certify the motion, request, objection, or other question to the Judicial Officer, but not both.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8458, Feb. 14, 1995]

§ 1.173 Judges.

(a) *Assignment.* No Judge shall be assigned to serve in any proceeding who (1) has any pecuniary interest in any matter or business involved in the proceeding, (2) is related within the third degree by blood or marriage to any party to the proceeding, or (3) has participated in the investigation preceding the institution of the proceeding or in determination that it should be instituted or in the preparation of the moving paper or in the development of the evidence to be introduced therein.

(b) *Disqualification of Judge.* (1) Any party to the proceeding may, by motion made to the Judge, request that the Judge disqualify himself or herself and withdraw from the proceeding. Such motion shall set forth with particularity the alleged disqualification. The Judge may then either rule upon or certify the motion to the Judicial Officer, but not both.

(2) A Judge will withdraw from any proceeding in which the Judge deems himself or herself disqualified for any reason.

(c) *Conduct.* At no stage of the proceeding between its institution and the issuance of the final decision shall the Judicial Officer or the Judge discuss *ex parte* the merits of the proceeding with any person who is connected with the proceeding as an advocate or in an investigative capacity, or with any representative of such person: *Provided*, That procedural matters shall not be included within the limitation: and *Provided further*, That the Judicial Officer of Judge may discuss the merits of

the case with such a person if all parties to the proceeding, or their representatives, have been given an opportunity to be present. Any memorandum or other communication addressed to the Judicial Officer or a Judge, during the pendency of the proceeding, and relating to the merits thereof, by or on behalf of any party or any interested person, shall be filed with the Hearing Clerk. A copy thereof shall be served upon the parties to the proceeding, and, in the discretion of the Judge or the Judicial Officer, opportunity may be given to file a reply thereto within a specified period.

(d) *Powers.* Subject to review by the Judicial Officer as provided elsewhere in this part, the Judge, in any proceeding assigned to him or her shall have power to:

- (1) Rule upon motions and requests;
- (2) Set the time, place, and manner of any conference, set the manner of the hearing, adjourn the hearing, and change the time, place, and manner of the hearing;

- (8) Require that any hearing to be conducted by telephone or audio-visual telecommunication be conducted at locations at which the parties and the Judge are able to transmit and receive documents during the hearing;
- (9) Do all acts and take all measures necessary for the orderly presentation of evidence, maintenance of order, and the efficient conduct of the proceeding.

(e) *Who may act in the absence of the Judge.* In case of the absence of the Judge or upon the Judge's inability to act, the powers and duties to be performed by the Judge under these Rules of Practice in connection with a proceeding assigned to the Judge may,

without abatement of the proceeding, be assigned to any other Judge.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8458, Feb. 14, 1995]

§ 1.174 Filing; service; extensions of time; and computation of time.

(a) *Filing; Number of Copies.* Except as otherwise provided by the Judge or the Secretary, all documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk shall be filed in quadruplicate: *Provided,* That, where there are parties to the proceeding in addition to complainant and respondent, an additional copy shall be filed for each such additional party. Any document or paper, required or authorized under the rules in this part to be filed with the Hearing Clerk, shall, during the course of an oral hearing, be filed with the Judge.

(b) *Service; proof of service.* Copies of all such documents or papers required or authorized by the rules in this part to be filed with the Hearing Clerk, shall be served upon the parties by the Hearing Clerk, or by some other employee of the Department, or by a U.S. Marshal or his Deputy. Service shall be made either (1) by delivering a copy of the document or paper to the individual to be served or to a member of the partnership to be served, or to the president, secretary, or other executive officer or any director of the corporation or association to be served, or to the attorney or agent of record of such individual, partnership, corporation, organization, or association; or (2) by leaving a copy of the document or paper at the principal office or place of business or residence of such individual, partnership, corporation, organization, or association, or of his or its attorney or agent of record and mailing by regular mail another copy to each person at such address; or (3) by registering or certifying and mailing a copy of the document or paper, addressed to such individual, partnership, corporation, organization, or association, or to his or its attorney or agent of record, at his or its last known residence or principal office or place of business: *Provided,* That if the registered or certified document or paper

is returned undelivered because the addressee refused or failed to accept delivery, the document or paper shall be served by re-mailing it by regular mail. Proof of service hereunder shall be made by the certification of the person who actually made the service: *Provided*, That if the service be made by mail, as outlined in paragraph (b)(3) of this section proof of service shall be made by the return post office receipt, in the case of registered or certified mail, or by the certificate of the person who mailed the matter by regular mail. The certificate and post office receipt contemplated herein shall be filed with the Hearing Clerk, and the fact of filing thereof shall be noted in the record of the proceeding.

(c) *Extension of time*. The time for the filing of any document or paper required or authorized under the rules in this part to be filed may be extended by the Judge prior to the filing of the certification of the transcript or recording if there is good reason for the extension. In all instances in which time permits, notice of the request for extension of the time shall be given to the other party with opportunity to submit views concerning the request.

(d) *Effective date of filing*. Any document or paper required or authorized under the rules in this part to be filed shall be deemed to be filed at the time when it reaches the Department of Agriculture in Washington, D.C.; or, if authorized to be filed with an officer or employee of the Department at any place outside the District of Columbia, it shall be deemed to be filed at the time when it reaches the office of such officer or employee.

(e) *Computation of time*. Saturdays, Sundays and Federal holidays shall be included in computing the time allowed for the filing of any document or paper: *Provided*, That when such time expires on a Saturday, Sunday or Federal holiday, such period shall be extended to include the next following business day.

[45 FR 6587, Jan. 29, 1980, as amended at 60 FR 8459, Feb. 14, 1995]

§ 1.175 Procedure following entry of cease and desist order.

(a) *Request for judicial review*. An association subject to a cease and desist

order may, within thirty days following the date of the order, request the Secretary to institute proceedings for judicial review of the order. Such request shall, to the extent practicable, identify findings of fact, conclusions of law, and any part of the order which the association claims are in error. The Secretary shall, thereupon, file in the district in the judicial district in which such association has its principal place of business, a certified copy of the order and of all records in the proceeding, including the request of the association, together with a petition asking that the order be affirmed and enforced.

(b) *Enforcement*. If an association subject to a cease and desist order fails or neglects, within thirty days of the date of the order, or at any time thereafter, to obey such order, and has not made a request for judicial review as provided above, the Secretary shall file in the district court in the judicial district in which such association has its principal place of business a certified copy of the order and of all records in the proceeding, together with a petition asking that the order be enforced.

(c) *Notice*. The Secretary shall give notice of the filing of a petition for enforcement or review to the Attorney General, and to the association, by service of a copy of the petition.

Subpart J—Procedures Relating to Awards Under the Equal Access to Justice Act in Proceedings Before the Department

SOURCE: 67 FR 63237, Oct. 11, 2002, unless otherwise noted.

GENERAL PROVISIONS

§ 1.180 Definitions.

(a) The definitions contained in § 1.132 of this part are incorporated into and made applicable to this subpart.

(b) *Adjudicative Officer* means an administrative law judge, administrative judge, or other person assigned to conduct a proceeding covered by EAJA.

(c) *Agency* means an organizational unit of the Department whose head reports to an official in the Office of the Secretary.

(d) *Agency counsel* means the attorney from the Office of the General Counsel representing the agency of the Department administering the statute involved in the proceeding.

(e) *Days* means calendar days.

(f) *Department* means the United States Department of Agriculture.

§ 1.181 Purpose of these rules.

The Equal Access to Justice Act, 5 U.S.C. 504 (called "EAJA" in this subpart), provides for the award of attorney fees and other expenses to eligible individuals and entities who are parties to certain administrative proceedings (called "adversary adjudications") before the Department. An eligible party may receive an award when it prevails over the Department unless the position of the Department was substantially justified or special circumstances make an award unjust. Alternatively, an eligible party may receive an award in connection with an adversary adjudication arising from an agency action to enforce the party's compliance with a statutory or regulatory requirement where the demand by the agency is substantially in excess of the decision of the adjudicative officer and is unreasonable when compared with such decision under the facts and circumstances of the case. The rules in this subpart describe the parties eligible for awards and the proceedings that are covered. They also explain how to apply for awards, and the procedures and standards that the Department will use to make awards.

§ 1.182 When EAJA applies.

EAJA applies to any adversary adjudication pending or commenced before the Department on or after August 5, 1985, except with respect to a proceeding covered under § 1.183(a)(1)(iii) of this part, which is effective on or after October 21, 1986. In addition, the provisions of § 1.185(b) relating to award for excessive demand apply only to adversary adjudications commenced on or after March 29, 1996. Changes in maximum rates for attorney fees are effective as of October 11, 2002.

§ 1.183 Proceedings covered.

(a)(1) The rules in this subpart apply to adversary adjudications. These are:

(i) Adjudications required by statute to be conducted by the Department under 5 U.S.C. 554 in which the position of the Department or any other agency of the United States, or any component of an agency, is presented by an attorney or other representative who enters an appearance and participates in the proceeding.

(ii) Appeals of decisions of contracting officers made pursuant to section 6 of the Contract Disputes Act of 1978 (41 U.S.C. 605) before the Agriculture Board of Contract Appeals as provided in section 8 of that Act (41 U.S.C. 607), and

(iii) Any hearing conducted under chapter 38 of title 31, United States Code.

(2) Any proceeding in which the Department may prescribe a lawful present or future rate is not covered by EAJA. Proceedings to grant or renew licenses also are excluded, but proceedings to modify, suspend, or revoke licenses are covered if they are otherwise "adversary adjudications." The proceedings covered include adversary adjudications under the following statutory provisions.

Agricultural Marketing Agreement Act of 1937 (7 U.S.C. 608c(15)(A))

(b) The failure of the Department to identify a type of proceeding as an adversary adjudication shall not preclude the filing of an application by a party who believes the proceeding is covered by EAJA; whether the proceeding is covered will then be an issue for resolution in proceedings on the application.

(c) If a proceeding includes both matters covered by EAJA and matters specifically excluded from coverage, any award made will include only fees and expenses related to covered issues.

[67 FR 63237, Oct. 11, 2002, as amended at 67 FR 70674, Nov. 26, 2002]

§ 1.184 Eligibility of applicants.

(a) To be eligible for an award of attorney fees and other expenses under EAJA, the applicant must meet one of the following conditions:

- (1) The applicant must be a prevailing party to the adversary adjudication for which it seeks an award; or
- (2) The applicant must be a party to an adversary adjudication arising from an agency action to enforce the party's compliance with a statutory or regulatory requirement in which the demand by the agency was substantially in excess of the decision of the adjudicative officer and the demand is unreasonable when compared with such decision under the facts and circumstances of the case.

(b) In addition to the criteria set out in paragraph (a) of this section, a party seeking an award must be one of the following:

- (1) An individual with a net worth of not more than \$2 million;
- (2) The sole owner of an unincorporated business who has a net worth of not more than \$7 million, including both personal and business interests, and not more than 500 employees;

(3) A charitable or other tax-exempt organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) with not more than 500 employees;

(4) A cooperative association as defined in section 15(a) of the Agricultural Marketing Act (2 U.S.C. 1141j(a)) with not more than 500 employees;

(5) Any other partnership, corporation, association, unit of local government, or organization with a net worth of not more than \$7 million and nor more than 500 employees;

(6) For purposes only of paragraph (a)(2) of this section, a small entity as defined in 5 U.S.C. 601.

(c) For the purpose of eligibility, the net worth and number of employees of an applicant shall be determined as of the date the adversary adjudication was initiated: Provided, that for purposes of eligibility in proceedings covered by § 1.183(a)(1)(ii) of this part, the net worth and number of employees of an applicant shall be determined as of the date the applicant filed its appeal under 41 U.S.C. 606.

(d) In interpreting the criteria set forth in paragraph (b) of this section, the following apply:

(1) An applicant who owns an unincorporated business will be considered as an "individual" rather than a "sole owner of an unincorporated business" if the issues on which the applicant prevails are related primarily to personal interests rather than to business interests.

(2) The employees of an applicant include all persons who regularly perform services for remuneration for the applicant, under the applicant's direction and control. Part-time employees shall be included on a proportional basis.

(3) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation, or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or

other interest, will be considered an affiliate for purposes of this subpart, unless the adjudicative officer determines such treatment would be unjust and contrary to the purposes of EAJA in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.

(4) An applicant that participates in a proceeding primarily on behalf of one or more other person or entity that would be ineligible is not itself eligible for an award.

§ 1.185 Standards for awards.

(a) Prevailing party. (1) A prevailing applicant may receive an award for fees and expenses incurred in connection with a proceeding, or in a significant and discrete substantive portion of the proceeding, unless the position of the Department was substantially justified. The position of the Department includes, in addition to the position taken by the Department in the adversary adjudication, the action or failure to act by the Department upon which the adversary adjudication is based. The burden of proof that an award should not be made to an eligible prevailing applicant because the position of the Department was substantially justified is on the agency.

(2) An award to a prevailing applicant will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if special circumstances make the award sought unjust.

(b) Excessive demand. (1) If, in an adversary adjudication arising from an agency action to enforce a party's compliance with a statutory or regulatory requirement, the demand by the agency is substantially in excess of the decision of the adjudicative officer and is unreasonable when compared with such decision under the facts and circumstances of the case, the adjudicative officer shall award to the party the fees and other expenses related to defending against the excessive demand, unless the party has committed a willful violation of law or otherwise

acted in bad faith, or special circumstances make an award unjust. Fees and expenses awarded under this paragraph shall be paid only as a consequence of appropriations provided in advance.

(2) "Demand" means the express demand of the agency which led to the adversary adjudication, but does not include a recitation by the agency of the maximum statutory penalty:

- (i) In the administrative complaint, or
- (ii) Elsewhere when accompanied by an express demand for a lesser amount.

§ 1.186 Allowable fees and expenses.

(a) Awards will be based on rates customarily charged by persons engaged in the business of acting as attorneys, agents, and expert witnesses, even if the services were made available without charge or at reduced rate to the applicant.

(b) No award for the fee of an attorney or agent under the rules in this subpart may exceed \$125.00 per hour. No award to compensate an expert witness may exceed the highest rate at which the Department pays expert witnesses, which is set out at § 1.150 of this part. However, an award also may include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent, or witness ordinarily charges clients separately for such expenses.

(c) In determining the reasonableness of the fee sought for an attorney, agent, or expert witness, the adjudicative officer shall consider the following:

(1) If the attorney, agent or witness is in private practice, his or her customary fee for similar services, or if an employee of the applicant, the fully allocated cost of the services;

(2) The prevailing rate for similar services in the community in which the attorney, agent, or witness ordinarily performs services;

(3) The time actually spent in the representation of the applicant;

(4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and

(5) Such other factors as may bear on the value of the services provided.

§ 1.187

(d) The reasonable cost of any study, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded, to the extent that the charge for the service does not exceed the prevailing rate for similar services, and the study or other matter was necessary for preparation of the applicant's case.

§ 1.187 Rulemaking on maximum rates for attorney fees.

(a) If warranted by an increase in the cost of living or by special circumstances (such as limited availability of attorneys qualified to handle certain types of proceedings), the Department may adopt regulations providing that attorney fees may be awarded at a rate higher than \$125 per hour in some or all of the types of proceedings covered by this part. The Department will conduct any rulemaking proceedings for this purpose under the informal rulemaking procedures of the Administrative Procedure Act.

(b) Any person may file with the Department a petition for rulemaking to increase the maximum rate for attorney fees in accordance with § 1.28 of this part. The petition should identify the rate the petitioner believes the Department should establish and the types of proceedings in which the rate should be used. It also should explain fully the reasons why the higher rate is warranted. The Department will respond to the petition within 60 days after it is filed, by initiating a rulemaking proceeding, denying the petition, or taking other appropriate action.

§ 1.188 Awards against other agencies.

If an applicant is entitled to an award because it prevails over another agency of the United States that participates in a proceeding before the Department and takes a position that is not substantially justified, the award or an appropriate portion of the award shall be made against that agency.

§ 1.189 Delegations of authority.

(a) Except as provided in paragraph (b) of this section, the Secretary of Agriculture delegates to the Judicial Officer authority to take final action on matters pertaining to the Act in pro-

7 CFR Subtitle A (1-1-04 Edition)

ceedings covered by these rules. The Secretary by order may delegate authority to take final action on matters pertaining to the Act in particular cases to other subordinate officials or bodies.

(b)(1) The Secretary of Agriculture delegates to the Director of the National Appeals Division authority to take final actions on matters pertaining to the Act for proceedings under 7 CFR part 11.

(2) With respect to proceedings covered under § 1.183(b)(1)(ii) of this part, the Board of Contract Appeals is authorized by statute (41 U.S.C. 607) to take final action.

INFORMATION REQUIRED FROM APPLICANTS

§ 1.190 Contents of application.

(a) An application for an award of fees and expenses under EAJA shall identify the applicant and the proceeding for which an award is sought. Unless the applicant is an individual, the application shall state the number of employees of the applicant and describe briefly the type and purpose of its organization or business. The application shall also:

(1) Show that the applicant has prevailed and identify the position of the Department that the applicant alleges was not substantially justified and shall briefly state the basis for such allegation; or

(2) Show that the demand by the Department in the proceeding was substantially in excess of, and was unreasonable when compared with, the decision in the proceeding.

(b) The application also shall, as appropriate, include a declaration that the applicant is a small entity as defined in 5 U.S.C. 601 or a statement that the applicant's net worth does not exceed \$2 million (if an individual) or \$7 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:

(1) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not

required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualifies under such section; or

(2) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 114j(a)).

(c) The application shall state the amount of fees and expenses for which an award is sought.

(d) The application also may include any other matters that the applicant wishes the Department to consider in determining whether, and in what amount, an award should be made.

(e) The application shall be signed by the applicant or an authorized officer or attorney of the applicant. It also shall contain or be accompanied by a written verification under oath or affirmation under penalty of perjury that the information provided in the application and all accompanying material is true and complete to the best of the signer's information and belief.

§ 1.191 Net worth exhibit.

(a) An applicant, except a qualified tax-exempt organization or cooperative association, must provide with its application a detailed exhibit showing the net worth of the applicant and any affiliates (as defined in § 1.184 of this part) when the proceeding was initiated. The exhibit may be in any form convenient to the applicant that provides full disclosure of the applicant's and its affiliates' assets and liabilities and is sufficient to determine whether the applicant qualifies under the standards in this subpart. The adjudicative officer may require an applicant to file additional information to determine its eligibility for an award.

(b) Ordinarily, the net worth exhibit will be included in the public record of the proceeding. However, an applicant that objects to public disclosure of information in any portion of the exhibit and believes there are legal grounds for withholding it from disclosure may submit that portion of the exhibit directly to the adjudicative officer in a sealed envelope labeled "Confidential Financial Information," accompanied by a motion to withhold the information from public disclosure. The mo-

tion shall describe the information sought to be withheld and explain, in detail, why it falls within one or more of the specific exemptions from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. 552(b) (1) through (9). The material in question shall be served on counsel representing the agency against which the applicant seeks an award, but need not be served on any other party to the proceeding. If the adjudicative officer finds that the information should not be withheld from disclosure, it shall be placed in the public record of the proceeding. Otherwise, any request to inspect or copy the exhibit shall be disposed of in accordance with the established procedures of the Department under the Freedom of Information Act (§§ 1.1 through 1.23 of this part).

§ 1.192 Documentation of fees and expenses.

(a) The application shall be accompanied by full documentation of the fees and expenses, including the cost of any study, analysis, engineering report, test, project, or similar matter, for which an award is sought.

(b) The documentation shall include an affidavit from any attorney, agent, or expert witness representing or appearing on behalf of the party, stating the actual time expended and the rate at which fees and other expenses were computed and describing the specific services performed.

(1) The affidavit shall state the services performed. In order to establish the hourly rate, the affidavit shall state the hourly rate which is billed and paid by the majority of clients during the relevant time periods.

(2) If no hourly rate is paid by the majority of clients because, for instance, the attorney or agent represents most clients on a contingency basis, the attorney or agent shall provide information about two attorneys or agents with similar experience, who perform similar work, stating their hourly rate.

(c) The documentation also shall include a description of any expenses for which reimbursement is sought and a statement of the amounts paid and payable by the applicant or by any

§ 1.193

other person or entity for the services provided.

(d) The adjudicative officer may require the applicant to provide vouchers, receipts, or other substantiation for any fees or expenses claimed, pursuant to § 1.199 of this part.

§ 1.193 Time for filing application.

(a) An application may be filed whenever the applicant has prevailed in the proceeding or in a significant and discrete substantive portion of the proceeding, but in no case later than 30 days after final disposition of the proceeding by the Department.

(b) For the purposes of this subpart, final disposition means the date on which a decision or order disposing of the merits of the proceeding or any other complete resolution of the proceeding, such as a settlement or voluntary dismissal, become final and unappealable, both within the Department and to the courts.

(c) If review or reconsideration is sought or taken of a decision as to which an applicant believes it has prevailed, proceedings for the award of fees shall be stayed pending final disposition of the underlying controversy. When the United States appeals the underlying merits of an adversary adjudication to a court, no decision on an application for fees and other expenses in connection with that adversary adjudication shall be made until a final and unreviewable decision is rendered by the court on the appeal or until the underlying merits of the case have been finally determined pursuant to the appeal.

PROCEDURES FOR CONSIDERING APPLICATIONS

§ 1.194 Filing and service of documents.

Any application for an award or other pleading or document related to an application shall be filed and served on all parties to the proceeding in the same manner as other pleadings in the proceeding except as provided in § 1.191 of this part for confidential financial information. The provisions relating to filing, service, extensions of time, and computation of time contained in § 1.147 of this part are incorporated into

7 CFR Subtitle A (1-1-04 Edition)

and made applicable to this subpart, except that the statutory 30 day time limit on filing the application as set out in § 1.193 of this part may not be extended.

§ 1.195 Answer to application.

(a) Within 30 days after service of an application, agency counsel may file an answer. If agency counsel fails to timely answer or settle the application, the adjudicative officer, upon a satisfactory showing of entitlement by the applicant, may make an award for the applicant's allowable fees and expenses.

(b) If agency counsel and the applicant believe that the issues in the fee application can be settled, they may jointly file a statement of intent to negotiate a settlement. The filing of this statement shall extend the time for filing an answer for an additional 30 days, and further extensions may be granted by the adjudicative officer upon request by agency counsel and the applicant.

(c) The answer shall explain in detail any objections to the award requested and identify the facts relied on in support of agency counsel's position. If the answer is based on any alleged facts not already in the record of the proceeding, agency counsel shall include with the answer either supporting affidavits or a request for further proceedings under § 1.199 of this part.

§ 1.196 Reply.

Within 15 days after service of an answer, the applicant may file a reply. If the reply is based on any alleged facts not already in the record of the proceeding, the applicant shall include with the reply either supporting affidavits or a request for further proceedings under § 1.199 of this part.

§ 1.197 Comments by other parties.

Any party to a proceeding other than the applicant and agency counsel may file comments on an application within 30 days after it is served or on an answer within 15 days after it is served. A commenting party may not participate further in proceedings on the application, unless the adjudicative officer determines that the public interest requires such participation in order to

permit full exploration of matters raised in the comments.

§ 1.198 Settlement.

The applicant and agency counsel may agree on a proposed settlement of the award before final action on the application, either in connection with a settlement of the underlying proceeding, or after the underlying proceeding has been concluded. If a prevailing party and agency counsel agree on a proposed settlement of an award before an application has been filed, the application shall be filed with the proposed settlement.

§ 1.199 Further proceedings.

(a) Ordinarily, the determination of an award will be made on the basis of the written record. However, on request of either the applicant or agency counsel, or on his or her own initiative, the adjudicative officer may order further proceedings, such as an informal conference, oral argument, additional written submissions or, as to issues other than substantial justification (such as the applicant's eligibility or substantiation of fees and expenses), pertinent discovery or an evidentiary hearing. Such further proceedings shall be held only when necessary for full and fair resolution of the issues arising from the application, and shall be conducted as promptly as possible. Whether the position of the Department was substantially justified shall be determined on the basis of the administrative record, as a whole, which is made in the adversary adjudication for which fees and other expenses are sought.

(b) A request that the adjudicative officer order further proceedings under this section shall identify specifically the information sought or the disputed issues, and shall explain specifically why the additional proceedings are necessary to resolve the issues.

(c) In the event that an evidentiary hearing is held, it shall be conducted pursuant to §§ 1.130 through 1.151 of this part, except that any hearing in a proceeding covered by § 1.183(a)(1)(ii) of this part shall be conducted pursuant to Rules 17 through 25 of the Board of Contract Appeals contained in § 24.21 of this title.

§ 1.200 Decision.

The adjudicative officer or Board of Contract Appeals shall issue an initial decision on the application as expeditiously as possible after completion of proceedings on the application. Whenever possible, the decision shall be made by the same administrative judge or panel that decided the contract appeal for which fees are sought. The decision shall include written findings and conclusions on the applicant's eligibility and status as a prevailing party, and an explanation of the reasons for any difference between the amount requested and the amount awarded. This decision also shall include, if at issue, findings on whether the position of the Department was substantially justified, whether the applicant unduly protracted the proceedings, or whether special circumstances make an award unjust. If the applicant has sought an award against more than one agency, the decision shall allocate responsibility for payment of any award made among the agencies, and shall explain the reasons for the allocation made.

§ 1.201 Department review.

(a) Except with respect to a proceeding covered by § 1.183(a)(1)(ii) of this part either the applicant or agency counsel may seek review of the initial decision on the fee application, in accordance with the provisions of §§ 1.145(a) and 1.146(a) of this part or in accordance with any delegation made pursuant to § 1.189 of this part. If neither the applicant nor agency counsel seeks review, the initial decision on the fee application shall become a final decision of the Department 35 days after it is served upon the applicant. If review is taken, it will be in accord with the provisions of §§ 1.145(b) through (i) and 1.146(b) of this part, or

(b) With respect to a proceeding covered by § 1.183(a)(1)(ii) of this part, either party may seek reconsideration of the decision on the fee application in accordance with Rule 29 of the Board of Contract Appeals contained in § 24.21 of this title. In addition, either party may appeal a decision of the Board of Contract Appeals to the Court of Appeals for the Federal Circuit in accordance with 41 U.S.C. 607.

§ 1.202 Judicial review.

Judicial review of final agency decisions on awards may be sought as provided in 5 U.S.C. 504(c)(2).

§ 1.203 Payment of award.

An applicant seeking payment of an award shall submit to the head of the agency administering the statute involved in the proceeding a copy of the final decision of the Department granting the award, accompanied by a statement that the applicant will not seek review of the decision in the United States courts. The agency will pay the amount awarded to the applicant within 60 days, unless judicial review of the award or of the underlying decision of the adversary adjudication has been sought by the applicant or any other party to the proceeding.

§ 1.210 Purpose.

This subpart sets forth procedures governing the appearance of USDA employees as witnesses in order to testify or produce official documents in judicial or administrative proceedings when such appearance is in their official capacity or arises out of or is related to their employment with USDA. These regulations do not apply to appearances by USDA employees as witnesses in judicial or administrative proceedings which are purely personal or do not arise out of or relate to their employment with USDA. This subpart also does not apply to Congressional requests or subpoenas for testimony or documents.

§ 1.211 Definitions.

For the purpose of this subpart, an appearance also includes an affidavit, deposition, interrogatory, or other required written submission.

(c) *Judicial proceeding* means any case or controversy pending before any federal, state, or local court.

(d) *Travel expenses* means the amount of money paid to a witness for reimbursement for transportation, lodging, meals, and other miscellaneous expenses in connection with attendance at a judicial or administrative proceeding.

(h) *Witness fees* means the amount of money paid to a witness as compensation for attendance at a judicial or administrative proceeding.

§ 1.212 General.

No USDA employee may provide testimony or produce documents in a judicial or administrative proceeding unless authorized in accordance with this subpart.

§ 1.213 Appearance as a witness on behalf of the United States.

An employee of USDA may appear as a witness on behalf of the United States in any judicial or administrative proceeding without the issuance of a summons, subpoena, or other compulsory process. Employees should obtain permission for such an appearance from their immediate supervisor unless the USDA agency or General Counsel has issued instructions providing otherwise.

§ 1.214 Appearance as a witness on behalf of a party other than the United States where the United States is not a party.

(a) An employee of USDA served with a valid summons, subpoena, or other compulsory process demanding his or her appearance, or otherwise requested to appear on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is not a party, shall promptly notify the head of his or her USDA agency of the existence and nature of the order compelling his or her appearance, or of the document requesting his or her attendance. He or she shall also specify, if that is known, the nature of the judicial or administrative proceeding and the nature of the testimony or documents requested.

(b)(1) An employee of USDA served with a valid summons, subpoena, or other compulsory process, or requested to appear as a witness on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is not a party, may appear only if such appearance has been authorized by the head of his or her USDA agency, with the concurrence of the General Counsel, based upon a determination that such an appearance is in the interest of USDA.

(2) An employee of USDA requested to appear as a witness on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is not a party, without the service of a valid summons, subpoena, or other compulsory process, may appear only if such appearance has been authorized by the head of his or her USDA agency and approved by the appropriate Assistant Secretary, Under Secretary or other general officer, and by the General Counsel, based upon a determination that such an appearance is in the interest of USDA.

(c) Unless an appearance is authorized as provided in paragraphs (b)(1) or (b)(2) of this section, the employee shall appear at the stated time and place (unless advised by the General Counsel or his or her designee that the summons, subpoena, or other process was not validly issued or served),

produce a copy of these regulations and respectfully decline to provide any testimony. As appropriate, the General Counsel or his or her designee will request the assistance of the Department of Justice or of a United States Attorney, in the case of a judicial proceeding; or of the official or attorney representing the United States, in the case of an administrative proceeding, to represent the interests of the employee and USDA.

(d) If there is any question regarding the validity of a summons, subpoena, or other compulsory process, an employee shall contact the Office of the General Counsel for advice.

(e)(1) In determining whether the employee's appearance is in the interest of USDA, authorizing officials should consider the following:

(i) what interest of USDA would be promoted by the employee's testimony;

(ii) whether an appearance would result in an unnecessary interference with the duties of the USDA employee;

(iii) whether an employee's testimony would result in the appearance of improperly favoring one litigant over another.

(2) The considerations listed in paragraph (e)(1) of this section are illustrative and not exhaustive.

§ 1.215 Subpoenas duces tecum for USDA records in judicial or administrative proceedings in which the United States is not a party.

(a) Subpoenas duces tecum for USDA records in judicial or administrative proceedings in which the United States is not a party shall be deemed to be requests for records under the Freedom of Information Act and shall be handled pursuant to the rules governing public disclosure under subpart A of this part.

(b) Whenever a subpoena duces tecum compelling the production of records is served on a USDA employee in a judicial or administrative proceeding in which the United States is not a party, the employee, after consultation with the General Counsel or his or her designee, shall appear in response thereto, respectfully decline to produce the records on the grounds that it is prohibited by this section and state that the production of the records involved

§ 1.216

will be handled in accordance with subpart A of this part.

§ 1.216 Appearance as a witness or production of documents on behalf of a party other than the United States where the United States is a party.

(a) An employee of USDA served with a valid summons, subpoena, or other compulsory process demanding his or her appearance, or otherwise requested to appear or produce documents on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is a party, shall promptly notify the head of his or her USDA agency and the General Counsel or his or her designee of the existence and nature of the order compelling his or her appearance, or of the document requesting his or her appearance. He or she shall also specify, if that is known, the nature of the judicial or administrative proceeding and the nature of the testimony or documents requested.

(b)(1) Except as provided in paragraph (b)(2) of this section, an employee of USDA only may appear as a witness or produce records on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is a party if such appearance or production has been ordered by the service on the employee of a valid summons, subpoena, or other compulsory process issued by a court, administrative agency, or other official authorized to compel his or her appearance.

(2) An employee requested to appear as a witness or produce records on behalf of a party other than the United States in a judicial or administrative proceeding in which the United States is a party, without being served a valid summons, subpoena, or other compulsory process, may appear or produce records only if such appearance or production has been authorized by a representative of the Department of Justice, the United States Attorney, or other counsel who is representing the United States in the case of a judicial proceeding; or by the official or attorney representing the United States, in the case of an administrative proceeding.

7 CFR Subtitle A (1-1-04 Edition)

(c) The head of the USDA agency shall consult with the General Counsel or his or her designee as to whether there are grounds to oppose the employee's attendance or production of documents and, if so, whether to seek to quash the summons, subpoena, compulsory process, or to deny authorization under paragraph (b)(2) of this section.

(d) As appropriate, the General Counsel or his or her designee will request the assistance of the Department of Justice, a United States Attorney, or other counsel representing the United States, in the case of a judicial proceeding; or of the official or attorney representing the United States, in the case of an administrative proceeding, to represent the interest of the employee and USDA.

(e) If there is any question regarding the validity of a summons, subpoena, or other compulsory process, an employee shall contact the Office of the General Counsel for advice.

§ 1.217 Witness fees and travel expenses.

(a) Any employee of USDA who attends a judicial or administrative proceeding as a witness in order to testify or produce official documents on behalf of the United States is entitled to travel expenses in connection with such appearance in accordance with the Agriculture Travel Regulations.

(b) An employee of USDA who attends a judicial or administrative proceeding on behalf of the United States is not entitled to receive fees for such attendance.

(c) An employee of USDA who attends a judicial or administrative proceeding on behalf of a party other than the United States when such appearance is in his or her official capacity or arises out of or relates to his or her employment with USDA is entitled to travel expenses in accordance with the Agriculture Travel Regulations to the extent that such expenses are not paid for by the court, agency, or official compelling his or her appearance or by the party on whose behalf he or she appears.

(c) For the purposes of this section, a group of related claims submitted at the same time shall include only those claims arising from the same transaction (e.g., a single grant, loan, application, or contract) that are submitted simultaneously as part of a single request, demand, or submission, regardless of the amount of money or the value of property or services demanded or requested.

§ 1.307

money or the value of property or services demanded or requested.

§ 1.307 Complaint.

shall be accompanied by an affidavit alleging personal bias or other reason for disqualification.

(c) Such motion and affidavit shall be filed promptly upon the party's discovery of reasons requiring disqualification, or such objections shall be deemed waived.

(d) Such affidavit shall state specific facts that support the party's belief that personal bias or other reason for disqualification exists and the time and circumstances of the party's discovery of such facts. It shall be accompanied by a certificate of the representative of record that it is made in good faith.

(e) Upon the filing of such a motion and affidavit, the ALJ shall proceed no further in the case until he or she resolves the matter of disqualification in accordance with paragraph (f).

(f)(1) If the ALJ determines that a reviewing official is disqualified, the ALJ shall dismiss the complaint without prejudice.

(2) If the ALJ disqualifies himself or herself, the case shall be reassigned promptly to another ALJ.

(3) If the ALJ denies a motion to disqualify, the authority head may determine the matter only as part of his or her review of the initial decision upon appeal, if any.

§ 1.321 Disclosure of documents.

(a) Upon written request to the reviewing official, the respondent may review any relevant and material documents, transcripts, records, and other materials that relate to the allegations set out in the complaint and upon which the findings and conclusions of the investigating official under § 1.304(f) of this part are based unless such documents are privileged under Federal law. Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the respondent also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion

containing exculpatory information must be disclosed.

(c) The notice sent to the Attorney General from the reviewing official as described in § 1.305 of this part is not discoverable under any circumstances.

(d) The respondent may file a motion to compel disclosure of the documents subject to the provisions of this section. Such a motion may be filed with the ALJ following the filing of the answer pursuant to § 1.309 of this part.

§ 1.322 Discovery.

(3) A party served with such a request may file a motion for a protective order before the date on which a response to the discovery request is due, stating reasons why discovery should be limited or should not be required.

(4) Within 15 days of service of a motion to compel or to deem matter admitted or a motion for a protective order, the opposing party may file a response.

(5) The ALJ may grant a motion to compel production or deem matter admitted or may deny a motion for a protective order only if he finds that—

- (iv) The information sought is not privileged.

§ 1.323

7 CFR Subtitle A (1-1-04 Edition)

(2) A party and/or the potential deponent may file an opposition to the motion or a motion for a protective order within 10 days of service of the motion.

(3) The ALJ may grant a motion allowing the taking of a deposition or the use of interrogatories or may deny a motion for a protective order only if he finds that the moving party has satisfied the standards set forth in paragraph (c)(5) of this section and has shown that the information sought cannot be obtained by any other means.

(4) If the ALJ grants a motion permitting a deposition, he shall issue a subpoena, which may also require the witness to produce documents. The party seeking to depose shall serve the subpoena in the manner prescribed in § 1.308 of this part.

(5) The party seeking to depose shall provide for the taking of a verbatim transcript of the deposition, which it shall make available to all other parties for inspection and copying.

(e) Costs. The costs of discovery shall be borne by the party seeking discovery.

(f) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) That the discovery not be had;

(2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;

(3) That the discovery may be had only through a method of discovery other than that requested;

(4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;

(5) That discovery be conducted with no one present except persons designated by the ALJ;

(6) That the contents of discovery or evidence be sealed;

(7) That a deposition after being sealed be opened only by order of the ALJ;

(8) That a trade secret or other confidential research, development, commercial information or facts pertaining to any criminal investigation, proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or

(9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

(g) Exchange of witness lists, statements, and exhibits. Witness lists, copies of prior statements of proposed witnesses, and copies of proposed hearing exhibits, including copies of any written statements or depositions that a party intends to offer in lieu of live testimony in accordance with § 1.331(b) of this part, shall be exchanged at least 15 days in advance of the hearing, or at such other time as may be set by the ALJ. A witness whose name does not appear on the witness list shall not be permitted to testify and no exhibit not provided to the opposing party as provided above shall be admitted into evidence at the hearing absent a showing of good cause.

§ 1.323 Subpoenas for attendance at hearing.

(a) A party wishing to procure the appearance and testimony at the hearing of any individual may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at such hearing.

(c) A party who desires the issuance of a subpoena shall file with the ALJ a written request not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses whose attendance is sought to be required and describe their addresses and locations with sufficient particularity to permit such witnesses to be found. The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is

to produce. Such a request may be made ex parte.

(d) When the ALJ issues a subpoena under this section, the party who requested such subpoena shall serve all other parties with notice of the names and addresses of the individuals subpoenaed and specify any documents required to be produced.

(e) A subpoena shall be served by delivery, or by registered mail or by certified mail in the manner prescribed in § 1.308 of this part. A subpoena upon a party or upon an individual under the control of a party may be served by first class mail.

(f) A party or the individual to whom the subpoena is directed may file a motion to quash the subpoena within five days of service or on or before the time specified in the subpoena for compliance if it is less than five days after service.

§ 1.324 Fees.

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of USDA, a check for witness fees and mileage need not accompany the subpoena.

§ 1.325 Form, filing and service of papers.

(a) *Form.* (1) The original and two copies of all papers in a proceeding conducted under this subpart shall be filed with the ALJ assigned to the case.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).

(3) Every pleading and paper shall be signed by and shall contain the address and telephone number of the representative for the party or the person on whose behalf the paper was filed.

(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or his representative or by proof

that the document was sent by certified or registered mail.

(b) *Service.* A party filing a document with the ALJ shall, at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than the complaint or notice of hearing shall be made by delivering or mailing a copy to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(c) *Proof of service.* A certificate of the person serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 1.326 Computation of time.

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal Government, in which event it includes the next business day.

(b) When the period of time allowed is ten or fewer calendar days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal Government shall be excluded from the computation.

(c) When a document has been served by mail, an additional five days will be added to the time permitted for any response.

§ 1.327 Motions.

(a) Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) The ALJ may require written motions to be accompanied by supporting memorandums.

(d) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

§ 1.328

7 CFR Subtitle A (1–1–04 Edition)

(e) The ALJ may not grant a written motion prior to expiration of the time for filing responses thereto, except upon consent of the parties or following a hearing, but may overrule or deny such motion without awaiting a response.

(f) The ALJ shall make every reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 1.328 Sanctions.

(a) The ALJ may sanction a person, including any party or representative for:

(1) Failing to comply with a lawful order, subpoena, or procedure;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with a subpoena or an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may:

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem admitted each item as to which an admission is requested;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon testimony relating to the information sought;

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request; or

(5) Request that the Attorney General petition an appropriate district court for an order to enforce a subpoena.

(d) If a party fails to prosecute or defend an action under this subpart commenced by service of a complaint, the ALJ may dismiss the action or enter an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion or other action which is not filed in a timely fashion.

§ 1.329 The hearing and burden of proof.

(a) The ALJ shall conduct a hearing on the record in order to determine whether the respondent is liable for a civil penalty or assessment under § 1.303 of this part, and if so, the appropriate amount of any such civil penalty or assessment considering any aggravating or mitigating factors.

(b) The USDA shall prove respondent's liability and any aggravating factors by a preponderance of the evidence.

(c) The respondent shall prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing shall be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 1.330 Location of hearing.

(a) The hearing may be held—

(1) In any judicial district of the United States in which the respondent resides or transacts business;

(2) In any judicial district of the United States in which the claim or statement in issue was made; or

(3) In such other place as may be agreed upon by the respondent and the ALJ.

(b) Each party shall have the opportunity to present argument with respect to the location of the hearing.

(c) The ALJ shall issue an order to the parties designating the time and the place of the hearing.

§ 1.331 Witnesses.

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of

witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in § 1.322(g) of this part.

(c) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(d) A witness may be cross-examined on any matter relevant to the proceeding without regard to the scope of his or her direct examination.

(e) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party designated by the representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the USDA engaged in assisting the representative for USDA.

§ 1.332 Evidence.

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided herein, the Federal Rules of Evidence are not applicable to the hearing, except that the ALJ may in his discretion apply the Federal Rules of Evidence in order to assure production of credible evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

(h) All documents and other evidence offered or taken for the record shall be

open to examination by all parties unless otherwise ordered by the ALJ pursuant to § 1.322 of this part.

§ 1.333 The record.

(a) The hearing will be recorded and transcribed. Transcripts may be obtained from the reporter by anyone at a cost not to exceed the actual cost of duplication.

(b) The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the judicial officer.

(c) The record may be inspected and copied (upon payment of a reasonable fee) by anyone unless otherwise ordered by the ALJ.

§ 1.334 Post-hearing briefs.

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

§ 1.335 Determining the amount of penalties and assessments.

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the judicial officer, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that may influence the ALJ and the judicial officer in determining the amount of penalties and assessments to impose with respect to the misconduct (*i.e.*, the false, fictitious, or fraudulent

§ 1.336

7 CFR Subtitle A (1–1–04 Edition)

claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the respondent's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the respondent has engaged in a pattern of the same or similar misconduct;

(9) Whether the respondent attempted to conceal the misconduct;

(10) The degree to which the respondent has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the respondent, the extent to which the respondent's practices fostered or attempted to preclude such misconduct;

(12) Whether the respondent cooperated in or obstructed an investigation of the misconduct;

(13) Whether the respondent assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the respondent's sophistication with respect to it, including the extent of the respondent's prior participation in the program or in similar transactions;

(15) Whether the respondent has been found, in any criminal, civil, or administrative proceeding to have engaged in similar misconduct or to have dealt dishonestly with the government of the United States or of a State, directly or indirectly; and

(16) The need to deter the respondent and others from any engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the judicial officer from considering any other factors that in any given case may mitigate or aggravate the acts for which penalties and assessments are imposed.

§ 1.336 Initial decision of the ALJ.

(a) The ALJ shall issue an initial decision, which shall contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The findings of fact shall include a finding on each of the following issues for every claim or statement with respect to which a penalty or assessment was proposed:

(1) Whether any claim or statement identified in the complaint violates § 1.303 of this part;

(2) If the respondent is liable for penalties or assessments, the appropriate amount of any such penalties or assessments considering any mitigating or aggravating factors described in § 1.335 of this part.

(c) The ALJ shall serve the initial decision on all parties within 90 days after the time for submission of post-hearing briefs and reply briefs (if permitted) has expired. The ALJ shall include with the initial decision a statement describing the right of any respondent determined to be liable for a civil penalty or assessment to file notice of appeal with the judicial officer. The ALJ may extend the time period for serving the initial decision on the parties.

(d) Unless the initial decision of the ALJ is timely appealed to the judicial officer, or a motion for reconsideration of the initial decision is timely filed, the initial decision shall constitute the final decision of the Secretary and shall be final and binding on the parties 30 days after it is issued by the ALJ.

§ 1.337 Reconsideration of initial decision.

(a) Except as provided in paragraph (d) of this section, any party may file a

motion for reconsideration of the initial decision within 20 days of receipt of the initial decision. If service was made by mail, receipt will be presumed to be five days from the date of mailing in the absence of contrary proof.

(b) Every such motion must set forth the matters claimed to have been erroneously decided and the nature of the alleged errors. Such motion shall be accompanied by a supporting brief.

(c) Responses to such motions shall be allowed only upon request of the ALJ.

(d) No party may file a motion for reconsideration of an initial decision that has been revised in response to a previous motion for reconsideration.

(e) The ALJ may dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(f) If the ALJ denies a motion for reconsideration, the initial decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after the ALJ denies the motion, unless the initial decision is timely appealed to the judicial officer in accordance with § 1.338 of this part.

(g) If the ALJ issues a revised initial decision, that decision shall constitute the final decision of the authority head and shall be final and binding on the parties 30 days after it is issued, unless it is timely appealed to the judicial officer in accordance with § 1.338 of this part.

§ 1.338 Appeal to the judicial officer.

(a) Any respondent who has filed a timely answer and who is determined in an initial decision to be liable for a civil penalty or assessment may appeal such decision to the Secretary by filing a notice of appeal with the judicial officer in accordance with this section. The judicial officer of USDA shall consider all appeals to the Secretary under this subpart and render a decision on behalf of the Secretary.

(b)(1) A notice of appeal may be filed at any time within 30 days after the ALJ issues an initial decision. However, if another party files a motion for reconsideration under § 1.337 of this part, consideration of the appeal shall be stayed automatically pending reso-

lution of the motion for reconsideration.

(2) If a motion for reconsideration is timely filed, a notice of appeal may be filed within 30 days after the ALJ denies the motion or issues a revised initial decision, whichever applies.

(c) The judicial officer may extend the initial 30-day period during which a notice of appeal may be filed for an additional 30 days if the respondent files a request for an extension within the initial 30-day period and shows good cause.

(d) If the respondent timely files a notice of appeal with the judicial officer and the time for filing motions for reconsideration under § 1.337 of this part has expired, the ALJ will forward the record of the proceeding to the judicial officer.

(e) A notice of appeal shall be accompanied by a written brief specifying exceptions to the initial decision and reasons supporting the exceptions.

(f) The representative for USDA may file a brief in opposition to exceptions within 30 days of receiving the brief proposing exceptions.

(g) There is no right to appear personally before the judicial officer.

(h) There is no right to interlocutory appeal of rulings by the ALJ.

(i) The judicial officer, in reviewing the decision, shall not consider any objection that was not raised before the ALJ unless a demonstration is made that extraordinary circumstances caused the failure to raise the objection.

(j) If any party demonstrates to the satisfaction of the judicial officer that additional evidence not presented to the ALJ is material and that there were reasonable grounds for the failure to present such evidence to the ALJ, the judicial officer shall remand the matter to the ALJ for consideration of such additional evidence.

(k) The judicial officer may affirm, reduce, reverse, compromise, remand or settle any penalty or assessment determined by the ALJ.

(l) The judicial officer shall promptly serve each party to the appeal with a copy of the decision of the judicial officer and a statement describing the respondent's right to seek judicial review.

§ 1.339

(m) Unless a petition for review is filed as provided in 31 U.S.C. 3805 after a respondent has exhausted all administrative remedies under this part and within 60 days after the date on which the judicial officer serves the respondent with a copy of the judicial officer's decision, a determination that a respondent is liable under §1.303 of this part is final and is not subject to judicial review.

§1.339 Stays ordered by the Department of Justice.

(a) If at any time the Attorney General or an Assistant Attorney General designated by the Attorney General transmits to the Secretary a written finding that continuation of the administrative process described in this subpart with respect to a claim or statement may adversely affect any pending or potential criminal or civil action related to such claim or statement, the judicial officer shall stay the process immediately.

(b) If the judicial officer stays the administrative process in accordance with paragraph (a) of this section, the judicial officer may order the process resumed only upon receipt of the written authorization of the Attorney General.

§1.340 Stay pending appeal.

(a) A decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the judicial officer.

(b) The respondent may file with the ALJ a request for stay of the effective date of a decision of the judicial officer pending judicial review. Such request shall state the grounds upon which respondent relies in requesting the stay, together with a copy of the notice(s) of appeal filed by respondent seeking review of a decision of the judicial officer. The filing of such a request shall automatically stay the effective date of the decision of the judicial officer until the ALJ rules upon the request.

(c) The representative for the USDA may file an opposition to respondent's request for a stay within 10 days of receipt of the request. If the representative for the USDA fails to file such an opposition within the allotted time, or indicates that the USDA has no objec-

7 CFR Subtitle A (1-1-04 Edition)

tion to the request, the ALJ may grant the stay without requiring respondent to give a bond or other security.

(d) The ALJ may grant a contested request where justice so requires and to the extent necessary to prevent irreparable harm but only upon the respondent's giving of a bond or other adequate security. The ALJ shall rule promptly on a contested request for stay.

(e) A decision of the ALJ denying respondent's request for a stay shall constitute final agency action.

§1.341 Judicial review.

Section 3805 of title 31, United States Code, authorizes judicial review by an appropriate United States District Court of a final decision of the judicial officer imposing penalties or assessments under this part and specifies the procedures for such review.

§1.342 Collection of civil penalties and assessments.

Sections 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this subpart and specify the procedures for such actions.

§1.343 Right to administrative offset.

The amount of any penalty or assessment which has become final, or for which a judgment has been entered under §1.341 or §1.342 of this part, or any amount agreed upon in a settlement under §1.345 of this part, may be collected by administrative offset under 31 U.S.C. 3716, except that an administrative offset may not be made under this subsection against a refund of an overpayment of Federal taxes then or later owing by the United States to the respondent.

§1.344 Deposit to Treasury of the United States.

All amounts collected pursuant to this subpart shall be deposited as miscellaneous receipts in the Treasury of the United States.

§1.345 Settlement.

(a) A respondent may make offers of compromise of settlement at any time.

(1) *Request by Sourcing area holder.* A sourcing area holder who wishes to begin a review of a sourcing area shall send a written request for a review to the Regional Forester of the region in which the manufacturing facility being sourced is located. The request shall state the reason for the request.

(i) *Informal review.* The Regional Forester shall begin an informal review, pursuant to 36 CFR 223.191(e), based on the written request. Notification will consist of publication of a notice in newspapers of general circulation in the area included in the sourcing area application. The Regional Forester shall promptly notify

the Hearing Clerk of the date of the publication and the notice. Additional notification will be made through agency mailing lists. Notification shall include the docket number, the name of the Judge to whom the case has been assigned and the mailing address of the Judge. In the case of a sourcing area review, notification will also state the reason for the review.

Persons submitting comments shall send a copy of the comments to the Regional Forester of the region in which the manufacturing facility being sourced is located. All comments must be received by the Judge and by the Regional Forester by the 30th day of the comment period.

§ 1.417 Review period.

A sourcing area applicant whose sourcing area application is the subject of the proceeding, and a sourcing area holder whose sourcing area is the subject of a formal review, may also submit a written recommendation to the Judge. The recommendation must be postmarked no later than the 10th working day of the review period.

(c) *Request for a hearing.* The sourcing area applicant, the sourcing area holder whose sourcing area is the subject of a formal review and persons who submitted written comments, or the attorney of record for a party in the proceeding, may review the comments and request a hearing within 10 working days after the comment period, pursuant to 36 CFR 233.190(h)(2). The request must be postmarked no later than the 10th working day of the review period. An attorney may file an appearance of record prior to the scheduled hearing. The request for a hearing shall be filed with the Judge. The hearing is for the purpose of supplementing the written record submitted prior to the hearing. The written record submitted prior to the hearing consists of papers and documents submitted during the 30 calendar day comment period, the 10 working day review period, and any motions submitted before the hearing. For purposes of a formal review of a sourcing area, the written record also consists of the papers and documents submitted during the informal review.

(1) *Contents of the notice of hearing.* The Judge shall issue a notice of hearing regarding a particular sourcing area application or regarding formal review of a sourcing area application or regarding formal review of a sourcing area to all parties of record for that application or formal review. The notice of hearing shall contain a reference to the authority under which the sourcing area is proposed or formally reviewed; shall define the scope of the hearing; shall contain a reference to the sourcing area that is the subject of the hearing; and shall state the date, time and place of such hearing; and shall state the date, time and place of such hearing; which shall be set with due regard for the necessity and convenience of the parties of record or their representatives. (2) *Giving notice of hearing.* The notice of hearing shall be served upon the parties of record for the sourcing area application at issue by the Hearing Clerk.

§ 1.418 Procedure upon no request for hearing.

If no hearing is requested by a party of record, the Judge shall issue an initial decision based on the written record and without further procedure or hearing. If no hearing is requested, the written record consists of papers and documents submitted during the 30-day comment period, the 10-day review period, and includes motions submitted before the Judge issues an initial decision. For purposes of a formal review of a sourcing area, the written record also consists of the papers and documents submitted during the informal review. Copies of the decision shall be served by the Hearing Clerk upon each of the parties of record.

§ 1.419 Amendment of a sourcing area application.

The sourcing area applicant may move to amend the sourcing area application with clarifying and technical amendments at any time prior to the Judge's initial determination if there is no hearing, or prior to the close of the hearing if there is a hearing.

§ 1.420 Consent recommendation.

Any time before the Judge files the decision, the parties of record may enter a consent recommendation. Such consent recommendation shall be filed with the Hearing Clerk, signed by the parties with appropriate space for signature by the Judge. The consent recommendation shall contain an admission of the jurisdictional facts, the factual and legal basis for the recommended sourcing area, the consent to the issuance of the recommended decision as the final decision of the agency without further procedure and such other admissions or statements as may be recommended by the parties. The Judge shall review the recommendation to determine whether such recommendation conforms with the Forest Resources Conservation and Shortage Relief Act of 1990 (16 U.S.C. 620, *et seq.*), 36 CFR 223.190, 36 CFR 223.191(e) and these procedures. If the recommendation conforms to the aforementioned Act, regulations, and procedures, the Judge may enter such decision without further procedure, unless an error is apparent on the face of the

document. If the Judge enters the decision, such decision shall have the same force and effect as a decision issued after full hearing and shall become final upon issuance to become effective in accordance with the terms of the decision.

§ 1.421 Prehearing conferences and procedures.

(a) *Purpose and scope.* (1) Upon motion of a party of record or upon the Judge's own motion, the Judge may direct the parties or their counsel to attend a conference at any reasonable time, prior to or during the course of the hearing, when the Judge finds that the proceeding would be expedited by a prehearing conference. Reasonable notice of the time and place of the conference shall be given. The Judge may order each of the parties to furnish at or subsequent to the conference any or all of the following:

- (i) An outline of a party's position;
- (ii) The facts upon which the party will rely;
- (iii) The legal theories upon which the party will rely;

At the discretion of the party furnishing such list of witnesses, the names of the witnesses need not be furnished if they are otherwise identified in some meaningful way such as a short statement of the type of evidence they will offer.

(2) The Judge shall not order any of the foregoing procedures that a party can show is inappropriate or unwarranted under the circumstances of the particular determination.

(3) At the conference, the following matters shall be considered:

- (i) The simplification of issues;
- (ii) The possibility of obtaining stipulations of facts and of the authenticity, accuracy, and admissibility of documents, which will avoid unnecessary proof;

(b) *Reporting.* A prehearing conference will not be stenographically reported unless so directed by the Judge.

(c) *Action in lieu of personal attendance at a conference.* In the event the Judge concludes that personal attendance by the Judge and the parties or counsel at a prehearing conference is unwarranted or impracticable, but determines that a conference would expedite the proceeding, the Judge may conduct such conference by telephone or correspondence.

(d) *Order.* Actions taken as a result of a conference shall be reduced to an appropriate written order, unless the Judge concludes that a stenographic report shall suffice, or if the Judge elects to make a statement on the record at the hearing summarizing the actions taken.

§ 1.422 Conduct of the hearing.

(a) *Time and place.* The hearing shall be held at the time and place fixed in the notice of hearing. If any change in the time or place of the hearing is made, the Judge shall file with the Hearing Clerk a notice of such change, which notice shall be served upon the parties, unless it is made during the course of an oral script, or actual notice is given to the parties.

(b) *Appearances.* The parties may appear in person or by attorney of record in the proceeding. Any party who desires to be heard in person shall, before proceeding to testify, state his name, address, and occupation. If any such person is appearing through counsel, such person or such counsel shall, before proceeding to testify or otherwise to participate in the hearing, state for the record the authority to act as such counsel or representative, and the names, addresses, and occupations of such person and such counsel. Any such person or such counsel shall give such

other information respecting his appearance as the Judge may request. Any person who appears as counsel must conform to the standards of ethical conduct required of practitioners before the courts of the United States.

(c) *Failure to appear.* A party of record who, after being duly notified, fails to appear at the hearing without good cause, shall be deemed to have waived the right to an oral hearing in the proceeding. Failure to appear at a hearing shall not be deemed to be a waiver of the right to be served with a copy of the Judge's decision.

(d) *Order of proceeding.* The Judge shall determine the order in which the parties shall proceed.

(e) *Evidence*—(1) *In general.* (i) The testimony of witnesses at a hearing shall be on oath or affirmation and shall be subject to cross-examination. Cross-examination shall be permitted to the extent required for a full and true disclosure of the facts. The Judge may require that testimony on one issue raised by numerous parties be heard at one time.

(ii) Upon a finding of good cause, the Judge may order that any witness be examined separately and apart from all other witnesses except those who may be parties to the proceeding.

(iii) After a witness has testified on direct examination, any other party may request and obtain the production of any statement, or part thereof, of such witness in the possession of the party who called the witness, which relates to the subject matter as to which the witness has testified. Such production shall be made according to the procedures and subject to the definitions and limitations prescribed in the Jencks Act (18 U.S.C. 3500).

(iv) Evidence which is immaterial, or unduly repetitious, or which is not of the sort upon which responsible persons are accustomed to rely, shall be excluded insofar as practicable.

(2) *Objections.* (i) If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination or to any other ruling of the Judge, the party shall state briefly the grounds of such objection, whereupon an automatic exception will follow if the objection is overruled by the Judge.

(ii) Only objections made before the Judge may subsequently be relied upon in the proceeding.

(3) *Depositions.* The deposition of any witness shall be admitted in the manner provided in and subject to the provisions of § 1.228 of these procedures.

(4) *Exhibits.* Unless the Judge finds that the furnishing of copies is impracticable, two copies of each exhibit shall be filed with the Judge. The party submitting the exhibit shall serve on every other party of record a copy of the exhibit, pursuant to § 1.427(c) of these procedures. A true copy of an exhibit may be substituted for the original.

(5) *Official records or documents.* An official government record or document or entry therein, if admissible for any purpose, shall be admissible in evidence without the production of the person who made or prepared the same, and shall be prima facie evidence of the relevant facts stated therein. Such record or document shall be evidenced by an official publication thereof or a copy certified by a person having legal authority to make such certification.

(6) *Official notice.* Official notice shall be taken of such matters as are judicially noted by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character: *Provided*, That the parties shall be given adequate notice of matters so noticed, and shall be given adequate opportunity to show that such facts are erroneously noticed.

(7) *Offer of proof.* Whenever evidence is excluded by the Judge, the party offering such evidence may make an offer of proof, which shall be included in the transcript. The offer of proof shall consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement, it shall be included in the transcript in toto. If the evidence consists of an exhibit, it shall be marked for identification and inserted in the hearing record.

(f) *Transcript.* Hearings shall be recorded and transcribed verbatim. Transcripts thereof shall be made available to any person, at actual cost of duplication (5 U.S.C. App. 2, section 11).

§ 1.423 Post-hearing procedure.

(a) *Corrections to transcript.* (1) Within the period of time fixed by the Judge, any party may file a motion proposing corrections to the transcript.

(3) As soon as practicable after the close of the hearing and after consideration of any timely objections filed as to the transcript, the Judge shall issue an order making any corrections to the transcript which the Judge finds are warranted, which corrections shall be entered onto the original transcript by the Hearing Clerk (without obscuring the original text).

(b) *Proposed findings of fact, conclusions, order, and brief.* Prior to the close of the hearing, each party may submit for consideration proposed findings of fact, conclusions, order, and brief in support thereof. A copy of each such document filed by a party shall be served upon each of the other parties.

(c) *Judge's decision.* (1) The Judge may, upon motion of any party or in his or her own discretion, issue a decision orally at the close of the hearing, or within 10 calendar days after the close of the hearing, or within 10 calendar days after submission of the record, if no hearing is requested.

(2) If the decision is announced orally, a copy thereof, excerpted from the transcript of the record, shall be furnished to the parties by the Hearing Clerk. Irrespective of the date such copy is mailed, the issuance date of the decision shall be the date the oral decision was announced.

(3) If the decision is in writing, it shall be filed with the Hearing Clerk and served upon the parties as provided in § 1.427.

(4) The Judge's decision shall become effective without further proceedings 21 calendar days after the issuance of the decision, if announced orally at the hearing, or if the decision is in writing, 21 calendar days after the date of service thereof upon the respondent, unless there is an appeal to the Judicial Officer by a party to the proceeding pursuant to § 1.426; *Provided, however*, that no decision shall be final for purposes of

judicial review except a final decision of the Judicial Officer upon appeal.

(5) The Judicial Officer shall issue a decision within 10 calendar days of the receipt of the response to the appeal.

§ 1.424 Motions and requests.

(a) *General.* All motions and requests shall be filed with the Hearing Clerk, and served upon all the parties except motions and requests made on the record during the oral hearing.

(b) *Disqualification of Judge.* (1) Any party to the proceeding may, by motion made to the Judge, request that the Judge withdraw from the proceeding because of an alleged disqualifying reason. Such motion shall set forth with particularity the grounds of alleged disqualification. The Judge may then either rule upon or certify the motion to the Secretary, but not both.

(2) A Judge shall withdraw from any proceeding for any reason deemed by the Judge to be disqualifying.

(c) *Powers.* Subject to review as provided elsewhere in this part, the Judge,

§ 1.426 Appeal to Judicial Officer.

(a) *Filing of petition.* Within 10 calendar days after receiving service of the Judge's decision, a party who disagrees with the decision, or any part thereof, or any ruling by the Judge or any alleged deprivation of rights, may appeal such decision to the Judicial Officer by filing an appeal petition with the Hearing Clerk. The Judge and the Hearing Clerk shall follow the procedures outlined in (c) for service of papers or documents signed by the Judge and/or the Hearing Clerk.

(d) *Effective date of filing.* Any document or paper required or authorized under the rules in this part to be filed shall be deemed to be filed at the time when it reaches the Hearing Clerk; or, if authorized to be filed with another officer or employee of the Department it shall be deemed to be filed at the time when it reaches such officer or employee.

(e) *Computations of time.* Saturdays, Sundays and Federal holidays shall be

included in computing the time allowed for the filing of any document or paper except as provided in these rules; *Provided*, that, when such time expires on a Saturday, Sunday, or Federal holiday, such period shall be extended to include the next following business day.

§ 1.428 Depositions.

(a) *Motion for taking deposition.* Upon the motion of a party to the proceeding, the Judge may, at any time after the filing of the submission, order the taking of testimony by deposition. The Motion shall be in writing, shall be filed with the Hearing Clerk, and shall set forth:

(1) The name and address of the proposed deponent;

(2) The name and address of the person (referred to hereafter in this section as the "officer") qualified under the regulations in this part to take depositions, before whom the proposed examination is to be made;

(3) The proposed time and place of the examination; and

(4) The reasons why such deposition should be taken, which shall be solely for the purpose of eliciting testimony which otherwise might not be available at the time of the hearing, for uses as provided in paragraph (g) of this section.

(b) *Judge's order for taking deposition.*

(1) If the Judge finds that testimony may not be otherwise available at the hearing, the taking of the deposition may be ordered. The order shall be served upon the parties, and shall state:

(i) The time and place of the examination;

(ii) The name of the officer before whom the examination is to be made; and

(iii) The name of the deponent.

(2) The officer and the time and place need not be the same as those suggested in the motion.

(c) *Qualifications of officer.* The deposition shall be made before the Judge or before an officer authorized by the law of the United States or by the law of the place of the examination to administer oaths, or before an officer authorized by the Secretary to administer oaths.

(d) *Procedure on examinations.* (1) The deponent shall be subject to cross-examination. Objections to questions or documents shall be in short form, stating the grounds of objections relied upon. The questions propounded, together with all objections made (but not including argument or debate), shall be recorded verbatim. In lieu of oral examination, parties may transmit written questions to the officer prior to the examination and the officer shall propound such questions to the deponent.

(2) The applicant shall arrange for the examination of the witness either by oral examination, or by written questions upon agreement of the parties or as directed by the Judge. If the examination is conducted by means of written questions, copies of the questions shall be served upon the other party to the proceeding and filed with the officer and the other party may serve cross questions and file them with the officer at any time prior to the time of the examination.

(e) *Certification by officer.* The officer shall certify on the deposition that the deponent was duly sworn and that the deposition is a true record of the deponent's testimony. The officer shall then securely seal the deposition, together with one copy thereof (unless there are more than two parties in the proceeding, in which case there should be another copy for each additional party), in an envelope and mail the same by registered or certified mail to the Hearing Clerk.

(f) *Corrections to the transcript.* (1) At any time prior to the hearing any party may file a motion proposing corrections to the transcript of the deposition.

(2) Unless a party files such a motion in the manner prescribed, the transcript shall be presumed, except for obvious typographical errors, to be a true, correct, and complete transcript of the testimony given in the deposition proceeding and to contain an accurate description or reference to all exhibits in connection therewith, and shall be deemed to be certified correct without further procedure.

(3) At any time prior to use of the deposition in accordance with paragraph (g) of this section and after consideration of any objections filed thereto, the Judge may issue an order making any corrections in the transcript which the Judge finds are warranted, which corrections shall be entered onto the original transcript by the Hearing Clerk (without obscuring the original text).

(g) *Use of deposition.* A deposition ordered and taken in accordance with the provisions of this section may be used in a proceeding under these rules if the Judge finds that the evidence is otherwise admissible and that the witness is dead; that the witness is unable to attend or testify because of age, sickness, infirmity, or imprisonment; or that such exceptional circumstances exist as to make it desirable, in the interests of justice, to allow the deposition to be used. If the party upon whose motion the deposition was taken refuses to offer it in evidence, any other party may offer the deposition or any thereof in evidence. If only part of a deposition is offered in evidence by a party, an adverse party may require the introduction of any other part which ought in fairness to be considered with the part introduced and any party may introduce any other parts.

§ 1.429 Ex parte communications.

(a) At no stage of the proceeding between its institution and issuance of the final decision shall an employee of the Department who is or may reasonably be expected to be involved in the decisional process of the proceeding discuss ex parte the merits of the proceeding with any person having an interest in the proceeding, or with any representative of such person: *Provided*, That, procedural matters and status reports shall not be included within this limitation; and *Provided further*, That an employee of the Department who is or may be involved in the decisional process of the proceeding may discuss the merits of the proceeding if all parties of record have been given notice and an opportunity to participate. A memorandum of any such discussion shall be included in the record.

(b) No interested person shall make or knowingly cause to be made to the Judge an ex parte communication relevant to the merits of the proceeding.

(c) If the Judge reviews an ex parte communication in violation of this section, the one who receives the communication shall place in the public record of the proceeding:

- (1) All such written communication;
- (2) Memoranda stating the substance of all such oral communications; and
- (3) All written responses, and memoranda stating the substance of all oral responses thereto.

(d) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section, the Judge may, to the extent consistent with the interests of justice and the policy of the underlying statute, require the party to show cause why his claim or interest in the proceeding should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

(e) To the extent consistent with the interests of justice and the policy of the underlying statute, a violation of this section shall be sufficient grounds for a decision adverse to the party who knowingly commits a violation of this section or who knowingly causes such a violation to occur.

(f) For purposes of this section "ex parte communication" means an oral or written communication not on the public record with respect to which reasonable prior notice to all parties is not given, but it shall not include requests for status reports on any matter or the proceeding.

SOURCE: 48 FR 11403, Mar. 18, 1983, unless otherwise noted.

§ 1b.1 Purpose.

(a) This part supplements the regulations for implementation of the National Environmental Policy Act (NEPA), for which regulations were published by the Council on Environmental Quality (CEQ) in 40 CFR parts 1500 through 1508. This part incorporates and adopts those regulations.

(b) This part sets forth Departmental policy concerning NEPA, establishes categorical exclusions of actions carried out by the Department and its agencies, and sets forth those USDA agencies which are excluded from the requirement to prepare procedures implementing NEPA.

[48 FR 11403, Mar. 18, 1983, as amended at 60 FR 66481, Dec. 22, 1995]

§ 1b.2 Policy.

(a) All policies and programs of the various USDA agencies shall be planned, developed, and implemented so as to achieve the goals and to follow the procedures declared by NEPA in order to assure responsible stewardship of the environment for present and future generations.

(b) Each USDA agency is responsible for compliance with this part, the regulations of CEQ, and NEPA. Compliance will include the preparation and implementation of specific procedures and processes relating to the programs and activities of the individual agency, as necessary.

(c) The Under Secretary, Natural Resources and Environment (NR&E), is responsible for ensuring that agency implementing procedures are consistent with CEQ's NEPA regulations and for coordinating NEPA compliance for the Department. The Under Secretary, NR&E, through the Agricultural Council on Environmental Quality, will develop the necessary processes to be used by the Office of the Secretary in reviewing, implementing, and planning its NEPA activities, determinations, and policies.

(d) In connection with the policies and requirements set forth in this part, all USDA agencies are responsible for compliance with Executive Order 12114, "Environmental Effects Abroad of Major Federal Actions." Compliance will include the preparation and imple-

mentation of specific procedures and processes relative to the programs and activities of the individual agencies, as necessary. Agencies shall consult with the Department of State; the Council on Environmental Quality; and the Under Secretary, NR&E, prior to placing procedures and processes in effect.

§ 1b.3 Categorical exclusions.

(a) The following are categories of activities which have been determined not to have a significant individual or cumulative effect on the human environment and are excluded from the preparation of environmental assessment (EA's) or environmental impact statement (EIS's), unless individual agency procedures prescribed otherwise.

(1) Policy development, planning and implementation which relate to routine activities, such as personnel, organizational changes, or similar administrative functions;

(2) Activities which deal solely with the funding of programs, such as program budget proposals, disbursements, and transfer or reprogramming of funds;

(3) Inventories, research activities, and studies, such as resource inventories and routine data collection when such actions are clearly limited in context and intensity;

(4) Educational and informational programs and activities;

(5) Civil and criminal law enforcement and investigative activities;

(6) Activities which are advisory and consultative to other agencies and public and private entities, such as legal counselling and representation;

(7) Activities related to trade representation and market development activities abroad.

(b) Agencies will identify in their own procedures the activities which normally would not require an environmental assessment or environmental impact statement.

(c) Notwithstanding the exclusions listed in paragraphs (a) of this section and § 1b.4, or identified in agency procedures, agency heads may determine that circumstances dictate the need for

§ 1b.4

preparation of an EA or EIS for a particular action. Agencies shall continue to scrutinize their activities to determine continued eligibility for categorical exclusion.

[48 FR 11403, Mar. 18, 1983, as amended at 60 FR 66481, Dec. 22, 1995]

§ 1b.4 Exclusion of agencies.

(a) The USDA agencies and agency units listed in paragraph (b) of this section conduct programs and activities that have been found to have no individual or cumulative effect on the human environment. The USDA agencies and agency units listed in paragraph (b) of this section are excluded from the requirements of preparing procedures to implement NEPA. Actions of USDA agencies and agency units listed in paragraph (b) of this section are categorically excluded from the preparation of an EA or EIS unless the agency head determines that an action may have a significant environmental effect.

§ 1c.101 To what does this policy apply?

(a) Except as provided in paragraph (b) of this section, this policy applies to all research involving human subjects conducted, supported or otherwise subject to regulation by any federal department or agency which takes appropriate administrative action to make the policy applicable to such research. This includes research conducted by federal civilian employees or military personnel, except that each department or agency head may adopt such procedural modifications as may be appropriate from an administrative standpoint. It also includes research conducted, supported, or otherwise subject to regulation by the federal government outside the United States.

(1) Research that is conducted or supported by a Federal department or agency, whether or not it is regulated as defined in § 1c.102(e), must comply with all sections of this policy.

(2) Research that is neither conducted nor supported by a Federal department or agency but is subject to regulation as defined in § 1c.102(e) must be reviewed and approved, in compliance with § 1c.101, § 1c.102, and § 1c.107

through § 1c.117 of this policy, by an institutional review board (IRB) that operates in accordance with the pertinent requirements of this policy.

(b) Unless otherwise required by department or agency heads, research activities in which the only involvement of human subjects will be in one or more of the following categories are exempt from this policy:

(1) Research conducted in established or commonly accepted educational settings, involving normal educational practices, such as (i) Research on regular and special education instructional strategies, or (ii) research on the effectiveness of or the comparison among instructional techniques, curricula, or classroom management methods.

(2) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures or observation of public behavior, unless:

(i) Information obtained is recorded in such a manner that human subjects can be identified, directly or through identifiers linked to the subjects; and

(ii) Any disclosure of the human subjects' responses outside the research could reasonably place the subjects at risk of criminal or civil liability or be damaging to the subjects' financial standing, employability, or reputation.

(3) Research involving the use of educational tests (cognitive, diagnostic, aptitude, achievement), survey procedures, interview procedures, or observation of public behavior that is not exempt under paragraph (b)(2) of this section, if:

(i) The human subjects are elected or appointed public officials or candidates for public office; or

(ii) Federal statute(s) require(s) without exception that the confidentiality of the personally identifiable information will be maintained throughout the research and thereafter.

(4) Research, involving the collection or study of existing data, documents, records, pathological specimens, or diagnostic specimens, if these sources are publicly available or if the information is recorded by the investigator in such a manner that subjects cannot be identified, directly or through identifiers linked to the subjects.

(5) Research and demonstration projects which are conducted by or subject to the approval of department or agency heads, and which are designed to study, evaluate, or otherwise examine:

(i) Public benefit or service programs;

(ii) Procedures for obtaining benefits or services under those programs;

(iii) possible changes in or alternatives to those programs or procedures; or

(iv) Possible changes in methods or levels of payment for benefits or services under those programs.

(6) Taste and food quality evaluation and consumer acceptance studies, (i) if wholesome foods without additives are consumed or (ii) if a food is consumed that contains a food ingredient at or below the level and for a use found to be safe, or agricultural chemical or environmental contaminant at or below the level found to be safe, by the Food and Drug Administration or approved by the Environmental Protection Agency or the Food Safety and Inspection Service of the U.S. Department of Agriculture.

(c) Department or agency heads retain final judgment as to whether a particular activity is covered by this policy.

(d) Department or agency heads may require that specific research activities or classes of research activities conducted, supported, or otherwise subject to regulation by the department or agency but not otherwise covered by this policy, comply with some or all of the requirements of this policy.

(e) Compliance with this policy requires compliance with pertinent federal laws or regulations which provide additional protections for human subjects.

(f) This policy does not affect any state or local laws or regulations which may otherwise be applicable and which provide additional protections for human subjects.

(g) This policy does not affect any foreign laws or regulations which may otherwise be applicable and which provide additional protections to human subjects of research.

(h) When research covered by this policy takes place in foreign countries,

procedures normally followed in the foreign countries to protect human subjects may differ from those set forth in this policy. [An example is a foreign institution which complies with guidelines consistent with the World Medical Assembly Declaration (Declaration of Helsinki amended 1989) issued either by sovereign states or by an organization whose function for the protection of human research subjects is internationally recognized.] In these circumstances, if a department or agency head determines that the procedures prescribed by the institution afford protections that are at least equivalent to those provided in this policy, the department or agency head may approve the substitution of the foreign procedures in lieu of the procedural requirements provided in this policy. Except when otherwise required by statute, Executive Order, or the department or agency head, notices of these actions as they occur will be published in the FEDERAL REGISTER or will be otherwise published as provided in department or agency procedures.

(i) Unless otherwise required by law, department or agency heads may waive the applicability of some or all of the provisions of this policy to specific research activities or classes of research activities otherwise covered by this policy. Except when otherwise required by statute or Executive Order, the department or agency head shall forward advance notices of these actions to the Office for Protection from Research Risks, Department of Health and Human Services (HHS), and shall also publish them in the FEDERAL REGISTER or in such other manner as provided in department or agency procedures.¹

[56 FR 28012, 28018, June 18, 1991; 56 FR 29756, June 28, 1991]

¹Institutions with HHS-approved assurances on file will abide by provisions of title 45 CFR part 46 subparts A-D. Some of the other Departments and Agencies have incorporated all provisions of title 45 CFR part 46 into their policies and procedures as well. However, the exemptions at 45 CFR 46.101(b) do not apply to research involving prisoners, fetuses, pregnant women, or human in vitro fertilization, subparts B and C. The exemption at 45 CFR 46.101(b)(2), for research involving survey or interview procedures or observation of public behavior, does not apply

§ 1c.102 Definitions.

(a) *Department or agency head* means the head of any federal department or agency and any other officer or employee of any department or agency to whom authority has been delegated.

(b) *Institution* means any public or private entity or agency (including federal, state, and other agencies).

(c) *Legally authorized representative* means an individual or judicial or other body authorized under applicable law to consent on behalf of a prospective subject to the subject's participation in the procedure(s) involved in the research.

(d) *Research* means a systematic investigation, including research development, testing and evaluation, designed to develop or contribute to generalizable knowledge. Activities which meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program which is considered research for other purposes. For example, some demonstration and service programs may include research activities.

(e) *Research subject to regulation*, and similar terms are intended to encompass those research activities for which a federal department or agency has specific responsibility for regulating as a research activity, (for example, Investigational New Drug requirements administered by the Food and Drug Administration). It does not include research activities which are incidentally regulated by a federal department or agency solely as part of the department's or agency's broader responsibility to regulate certain types of activities whether research or non-research in nature (for example, Wage and Hour requirements administered by the Department of Labor).

(f) *Human subject* means a living individual about whom an investigator (whether professional or student) conducting research obtains:

- (1) Data through intervention or interaction with the individual, or
- (2) Identifiable private information.

to research with children, subpart D, except for research involving observations of public behavior when the investigator(s) do not participate in the activities being observed.

Intervention includes both physical procedures by which data are gathered (for example, venipuncture) and manipulations of the subject or the subject's environment that are performed for research purposes. Interaction includes communication or interpersonal contact between investigator and subject. "Private information" includes information about behavior that occurs in a context in which an individual can reasonably expect that no observation or recording is taking place, and information which has been provided for specific purposes by an individual and which the individual can reasonably expect will not be made public (for example, a medical record). Private information must be individually identifiable (i.e., the identity of the subject is or may readily be ascertained by the investigator or associated with the information) in order for obtaining the information to constitute research involving human subjects.

(g) *IRB* means an institutional review board established in accord with and for the purposes expressed in this policy.

(h) *IRB approval* means the determination of the IRB that the research has been reviewed and may be conducted at an institution within the constraints set forth by the IRB and by other institutional and federal requirements.

(i) *Minimal risk* means that the probability and magnitude of harm or discomfort anticipated in the research are not greater in and of themselves than those ordinarily encountered in daily life or during the performance of routine physical or psychological examinations or tests.

(j) *Certification* means the official notification by the institution to the supporting department or agency, in accordance with the requirements of this policy, that a research project or activity involving human subjects has been reviewed and approved by an IRB in accordance with an approved assurance.

§ 1c.103 Assuring compliance with this policy—research conducted or supported by any Federal Department or Agency.

(a) Each institution engaged in research which is covered by this policy

and which is conducted or supported by a federal department or agency shall provide written assurance satisfactory to the department or agency head that it will comply with the requirements set forth in this policy. In lieu of requiring submission of an assurance, individual department or agency heads shall accept the existence of a current assurance, appropriate for the research in question, on file with the Office for Protection from Research Risks, HHS, and approved for federalwide use by that office. When the existence of an HHS-approved assurance is accepted in lieu of requiring submission of an assurance, reports (except certification) required by this policy to be made to department and agency heads shall also be made to the Office for Protection from Research Risks, HHS.

(b) Departments and agencies will conduct or support research covered by this policy only if the institution has an assurance approved as provided in this section, and only if the institution has certified to the department or agency head that the research has been reviewed and approved by an IRB provided for in the assurance, and will be subject to continuing review by the IRB. Assurances applicable to federally supported or conducted research shall at a minimum include:

(1) A statement of principles governing the institution in the discharge of its responsibilities for protecting the rights and welfare of human subjects of research conducted at or sponsored by the institution, regardless of whether the research is subject to federal regulation. This may include an appropriate existing code, declaration, or statement of ethical principles, or a statement formulated by the institution itself. This requirement does not preempt provisions of this policy applicable to department- or agency-supported or regulated research and need not be applicable to any research exempted or waived under § 1c.101 (b) or (i).

(2) Designation of one or more IRBs established in accordance with the requirements of this policy, and for which provisions are made for meeting space and sufficient staff to support the IRB's review and recordkeeping duties.

(3) A list of IRB members identified by name; earned degrees; representative capacity; indications of experience such as board certifications, licenses, etc., sufficient to describe each member's chief anticipated contributions to IRB deliberations; and any employment or other relationship between each member and the institution; for example: full-time employee, part-time employee, member of governing panel or board, stockholder, paid or unpaid consultant. Changes in IRB membership shall be reported to the department or agency head, unless in accord with § 1c.103(a) of this policy, the existence of an HHS-approved assurance is accepted. In this case, change in IRB membership shall be reported to the Office for Protection from Research Risks, HHS.

(4) Written procedures which the IRB will follow (i) for conducting its initial and continuing review of research and for reporting its findings and actions to the investigator and the institution; (ii) for determining which projects require review more often than annually and which projects need verification from sources other than the investigators that no material changes have occurred since previous IRB review; and (iii) for ensuring prompt reporting to the IRB of proposed changes in a research activity, and for ensuring that such changes in approved research, during the period for which IRB approval has already been given, may not be initiated without IRB review and approval except when necessary to eliminate apparent immediate hazards to the subject.

(5) Written procedures for ensuring prompt reporting to the IRB, appropriate institutional officials, and the department or agency head of (i) any unanticipated problems involving risks to subjects or others or any serious or continuing noncompliance with this policy or the requirements or determinations of the IRB and (ii) any suspension or termination of IRB approval.

(c) The assurance shall be executed by an individual authorized to act for the institution and to assume on behalf of the institution the obligations imposed by this policy and shall be filed

in such form and manner as the department or agency head prescribes.

(d) The department or agency head will evaluate all assurances submitted in accordance with this policy through such officers and employees of the department or agency and such experts or consultants engaged for this purpose as the department or agency head determines to be appropriate. The department or agency head's evaluation will take into consideration the adequacy of the proposed IRB in light of the anticipated scope of the institution's research activities and the types of subject populations likely to be involved, the appropriateness of the proposed initial and continuing review procedures in light of the probable risks, and the size and complexity of the institution.

(e) On the basis of this evaluation, the department or agency head may approve or disapprove the assurance, or enter into negotiations to develop an approvable one. The department or agency head may limit the period during which any particular approved assurance or class of approved assurances shall remain effective or otherwise condition or restrict approval.

(f) Certification is required when the research is supported by a federal department or agency and not otherwise exempted or waived under § 1c.101 (b) or (i). An institution with an approved assurance shall certify that each application or proposal for research covered by the assurance and by § 1c.103 of this Policy has been reviewed and approved by the IRB. Such certification must be submitted with the application or proposal or by such later date as may be prescribed by the department or agency to which the application or proposal is submitted. Under no condition shall research covered by § 1c.103 of the Policy be supported prior to receipt of the certification that the research has been reviewed and approved by the IRB. Institutions without an approved assurance covering the research shall certify within 30 days after receipt of a request for such a certification from the department or agency, that the application or proposal has been approved by the IRB. If the certification is not submitted within these time limits, the

application or proposal may be returned to the institution.

§§1c.104–1c.106 [Reserved]

§ 1c.107 IRB membership.

(a) Each IRB shall have at least five members, with varying backgrounds to promote complete and adequate review of research activities commonly conducted by the institution. The IRB shall be sufficiently qualified through the experience and expertise of its members, and the diversity of the members, including consideration of race, gender, and cultural backgrounds and sensitivity to such issues as community attitudes, to promote respect for its advice and counsel in safeguarding the rights and welfare of human subjects. In addition to possessing the professional competence necessary to review specific research activities, the IRB shall be able to ascertain the acceptability of proposed research in terms of institutional commitments and regulations, applicable law, and standards of professional conduct and practice. The IRB shall therefore include persons knowledgeable in these areas. If an IRB regularly reviews research that involves a vulnerable category of subjects, such as children, prisoners, pregnant women, or handicapped or mentally disabled persons, consideration shall be given to the inclusion of one or more individuals who are knowledgeable about and experienced in working with these subjects.

(b) Every nondiscriminatory effort will be made to ensure that no IRB consists entirely of men or entirely of women, including the institution's consideration of qualified persons of both sexes, so long as no selection is made to the IRB on the basis of gender. No IRB may consist entirely of members of one profession.

(c) Each IRB shall include at least one member whose primary concerns are in scientific areas and at least one member whose primary concerns are in nonscientific areas.

(d) Each IRB shall include at least one member who is not otherwise affili-

ated with the institution and who is not part of the immediate family of a person who is affiliated with the institution.

(e) No IRB may have a member participate in the IRB's initial or continuing review of any project in which the member has a conflicting interest, except to provide information requested by the IRB.

(f) An IRB may, at its discretion, invite individuals with competence in special areas to assist in the review of issues which require expertise beyond or in addition to that available on the IRB. These individuals may not vote with the IRB.

§ 1c.108 IRB functions and operations.

In order to fulfill the requirements of this policy each IRB shall:

(a) Follow written procedures in the same detail as described in §1c.103(b)(4) and, to the extent required by, §1c.103(b)(5).

(b) Except when an expedited review procedure is used (see §1c.110), review proposed research at convened meetings at which a majority of the members of the IRB are present, including at least one member whose primary concerns are in nonscientific areas. In order for the research to be approved, it shall receive the approval of a majority of those members present at the meeting.

§ 1c.109 IRB review of research.

(a) An IRB shall review and have authority to approve, require modifications in (to secure approval), or disapprove all research activities covered by this policy.

(b) An IRB shall require that information given to subjects as part of informed consent is in accordance with §1c.116. The IRB may require that information, in addition to that specifically mentioned in §1c.116, be given to the subjects when in the IRB's judgment the information would meaningfully add to the protection of the rights and welfare of subjects.

(c) An IRB shall require documentation of informed consent or may waive documentation in accordance with §1c.117.

§ 1c.110

7 CFR Subtitle A (1–1–04 Edition)

(d) An IRB shall notify investigators and the institution in writing of its decision to approve or disapprove the proposed research activity, or of modifications required to secure IRB approval of the research activity. If the IRB decides to disapprove a research activity, it shall include in its written notification a statement of the reasons for its decision and give the investigator an opportunity to respond in person or in writing.

(e) An IRB shall conduct continuing review of research covered by this policy at intervals appropriate to the degree of risk, but not less than once per year, and shall have authority to observe or have a third party observe the consent process and the research.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 1c.110 Expedited review procedures for certain kinds of research involving no more than minimal risk, and for minor changes in approved research.

(a) The Secretary, HHS, has established, and published as a Notice in the FEDERAL REGISTER, a list of categories of research that may be reviewed by the IRB through an expedited review procedure. The list will be amended, as appropriate after consultation with other departments and agencies, through periodic republication by the Secretary, HHS, in the FEDERAL REGISTER. A copy of the list is available from the Office for Protection from Research Risks, National Institutes of Health, HHS, Bethesda, Maryland 20892.

(b) An IRB may use the expedited review procedure to review either or both of the following:

(1) Some or all of the research appearing on the list and found by the reviewer(s) to involve no more than minimal risk,

(2) Minor changes in previously approved research during the period (of one year or less) for which approval is authorized.

Under an expedited review procedure, the review may be carried out by the IRB chairperson or by one or more experienced reviewers designated by the chairperson from among members of the IRB. In reviewing the research, the

reviewers may exercise all of the authorities of the IRB except that the reviewers may not disapprove the research. A research activity may be disapproved only after review in accordance with the non-expedited procedure set forth in § 1c.108(b).

(c) Each IRB which uses an expedited review procedure shall adopt a method for keeping all members advised of research proposals which have been approved under the procedure.

(d) The department or agency head may restrict, suspend, terminate, or choose not to authorize an institution's or IRB's use of the expedited review procedure.

§ 1c.111 Criteria for IRB approval of research.

(a) In order to approve research covered by this policy the IRB shall determine that all of the following requirements are satisfied:

(1) Risks to subjects are minimized: (i) By using procedures which are consistent with sound research design and which do not unnecessarily expose subjects to risk, and (ii) whenever appropriate, by using procedures already being performed on the subjects for diagnostic or treatment purposes.

(2) Risks to subjects are reasonable in relation to anticipated benefits, if any, to subjects, and the importance of the knowledge that may reasonably be expected to result. In evaluating risks and benefits, the IRB should consider only those risks and benefits that may result from the research (as distinguished from risks and benefits of therapies subjects would receive even if not participating in the research). The IRB should not consider possible long-range effects of applying knowledge gained in the research (for example, the possible effects of the research on public policy) as among those research risks that fall within the purview of its responsibility.

(3) Selection of subjects is equitable. In making this assessment the IRB should take into account the purposes of the research and the setting in which the research will be conducted and should be particularly cognizant of the special problems of research involving vulnerable populations, such as children, prisoners, pregnant women,

mentally disabled persons, or economically or educationally disadvantaged persons.

(4) Informed consent will be sought from each prospective subject or the subject's legally authorized representative, in accordance with, and to the extent required by § 1c.116.

(5) Informed consent will be appropriately documented, in accordance with, and to the extent required by § 1c.117.

(6) When appropriate, the research plan makes adequate provision for monitoring the data collected to ensure the safety of subjects.

(7) When appropriate, there are adequate provisions to protect the privacy of subjects and to maintain the confidentiality of data.

(b) When some or all of the subjects are likely to be vulnerable to coercion or undue influence, such as children, prisoners, pregnant women, mentally disabled persons, or economically or educationally disadvantaged persons, additional safeguards have been included in the study to protect the rights and welfare of these subjects.

§ 1c.112 Review by institution.

Research covered by this policy that has been approved by an IRB may be subject to further appropriate review and approval or disapproval by officials of the institution. However, those officials may not approve the research if it has not been approved by an IRB.

§ 1c.113 Suspension or termination of IRB approval of research.

An IRB shall have authority to suspend or terminate approval of research that is not being conducted in accordance with the IRB's requirements or that has been associated with unexpected serious harm to subjects. Any suspension or termination of approval shall include a statement of the reasons for the IRB's action and shall be reported promptly to the investigator, appropriate institutional officials, and the department or agency head.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 1c.114 Cooperative research.

Cooperative research projects are those projects covered by this policy which involve more than one institution. In the conduct of cooperative research projects, each institution is responsible for safeguarding the rights and welfare of human subjects and for complying with this policy. With the approval of the department or agency head, an institution participating in a cooperative project may enter into a joint review arrangement, rely upon the review of another qualified IRB, or make similar arrangements for avoiding duplication of effort.

§ 1c.115 IRB records.

(a) An institution, or when appropriate an IRB, shall prepare and maintain adequate documentation of IRB activities, including the following:

(1) Copies of all research proposals reviewed, scientific evaluations, if any, that accompany the proposals, approved sample consent documents, progress reports submitted by investigators, and reports of injuries to subjects.

(2) Minutes of IRB meetings which shall be in sufficient detail to show attendance at the meetings; actions taken by the IRB; the vote on these actions including the number of members voting for, against, and abstaining; the basis for requiring changes in or disapproving research; and a written summary of the discussion of controverted issues and their resolution.

(3) Records of continuing review activities.

(4) Copies of all correspondence between the IRB and the investigators.

(5) A list of IRB members in the same detail as described in § 1c.103(b)(3).

(6) Written procedures for the IRB in the same detail as described in § 1c.103(b)(4) and § 1c.103(b)(5).

(7) Statements of significant new findings provided to subjects, as required by § 1c.116(b)(5).

(b) The records required by this policy shall be retained for at least 3 years, and records relating to research which is conducted shall be retained for at least 3 years after completion of

§ 1c.116

7 CFR Subtitle A (1-1-04 Edition)

the research. All records shall be accessible for inspection and copying by authorized representatives of the department or agency at reasonable times and in a reasonable manner.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 1c.116 General requirements for informed consent.

Except as provided elsewhere in this policy, no investigator may involve a human being as a subject in research covered by this policy unless the investigator has obtained the legally effective informed consent of the subject or the subject's legally authorized representative. An investigator shall seek such consent only under circumstances that provide the prospective subject or the representative sufficient opportunity to consider whether or not to participate and that minimize the possibility of coercion or undue influence. The information that is given to the subject or the representative shall be in language understandable to the subject or the representative. No informed consent, whether oral or written, may include any exculpatory language through which the subject or the representative is made to waive or appear to waive any of the subject's legal rights, or releases or appears to release the investigator, the sponsor, the institution or its agents from liability for negligence.

(a) *Basic elements of informed consent.* Except as provided in paragraph (c) or (d) of this section, in seeking informed consent the following information shall be provided to each subject:

- (1) A statement that the study involves research, an explanation of the purposes of the research and the expected duration of the subject's participation, a description of the procedures to be followed, and identification of any procedures which are experimental;
- (2) A description of any reasonably foreseeable risks or discomforts to the subject;
- (3) A description of any benefits to the subject or to others which may reasonably be expected from the research;
- (4) A disclosure of appropriate alternative procedures or courses of treat-

ment, if any, that might be advantageous to the subject;

(5) A statement describing the extent, if any, to which confidentiality of records identifying the subject will be maintained;

(6) For research involving more than minimal risk, an explanation as to whether any compensation and an explanation as to whether any medical treatments are available if injury occurs and, if so, what they consist of, or where further information may be obtained;

(7) An explanation of whom to contact for answers to pertinent questions about the research and research subjects' rights, and whom to contact in the event of a research-related injury to the subject; and

(8) A statement that participation is voluntary, refusal to participate will involve no penalty or loss of benefits to which the subject is otherwise entitled, and the subject may discontinue participation at any time without penalty or loss of benefits to which the subject is otherwise entitled.

(b) *Additional elements of informed consent.* When appropriate, one or more of the following elements of information shall also be provided to each subject:

- (1) A statement that the particular treatment or procedure may involve risks to the subject (or to the embryo or fetus, if the subject is or may become pregnant) which are currently unforeseeable;
- (2) Anticipated circumstances under which the subject's participation may be terminated by the investigator without regard to the subject's consent;
- (3) Any additional costs to the subject that may result from participation in the research;
- (4) The consequences of a subject's decision to withdraw from the research and procedures for orderly termination of participation by the subject;
- (5) A statement that significant new findings developed during the course of the research which may relate to the subject's willingness to continue participation will be provided to the subject; and
- (6) The approximate number of subjects involved in the study.

(c) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth above, or waive the requirement to obtain informed consent provided the IRB finds and documents that:

(1) The research or demonstration project is to be conducted by or subject to the approval of state or local government officials and is designed to study, evaluate, or otherwise examine: (i) Public benefit of service programs; (ii) procedures for obtaining benefits or services under those programs; (iii) possible changes in or alternatives to those programs or procedures; or (iv) possible changes in methods or levels of payment for benefits or services under those programs; and

(2) The research could not practically be carried out without the waiver or alteration.

(d) An IRB may approve a consent procedure which does not include, or which alters, some or all of the elements of informed consent set forth in this section, or waive the requirements to obtain informed consent provided the IRB finds and documents that:

(1) The research involves no more than minimal risk to the subjects;

(2) The waiver or alteration will not adversely affect the rights and welfare of the subjects;

(3) The research could not practically be carried out without the waiver or alteration; and

(4) Whenever appropriate, the subjects will be provided with additional pertinent information after participation.

(e) The informed consent requirements in this policy are not intended to preempt any applicable federal, state, or local laws which require additional information to be disclosed in order for informed consent to be legally effective.

(f) Nothing in this policy is intended to limit the authority of a physician to provide emergency medical care, to the extent the physician is permitted to do so under applicable federal, state, or local law.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 1c.117 Documentation of informed consent.

(a) Except as provided in paragraph (c) of this section, informed consent shall be documented by the use of a written consent form approved by the IRB and signed by the subject or the subject's legally authorized representative. A copy shall be given to the person signing the form.

(b) Except as provided in paragraph (c) of this section, the consent form may be either of the following:

(1) A written consent document that embodies the elements of informed consent required by § 1c.116. This form may be read to the subject or the subject's legally authorized representative, but in any event, the investigator shall give either the subject or the representative adequate opportunity to read it before it is signed; or

(2) A short form written consent document stating that the elements of informed consent required by § 1c.116 have been presented orally to the subject or the subject's legally authorized representative. When this method is used, there shall be a witness to the oral presentation. Also, the IRB shall approve a written summary of what is to be said to the subject or the representative. Only the short form itself is to be signed by the subject or the representative. However, the witness shall sign both the short form and a copy of the summary, and the person actually obtaining consent shall sign a copy of the summary. A copy of the summary shall be given to the subject or the representative, in addition to a copy of the short form.

(c) An IRB may waive the requirement for the investigator to obtain a signed consent form for some or all subjects if it finds either:

(1) That the only record linking the subject and the research would be the consent document and the principal risk would be potential harm resulting from a breach of confidentiality. Each subject will be asked whether the subject wants documentation linking the subject with the research, and the subject's wishes will govern; or

(2) That the research presents no more than minimal risk of harm to subjects and involves no procedures for

§ 1c.118

which written consent is normally required outside of the research context.

In cases in which the documentation requirement is waived, the IRB may require the investigator to provide subjects with a written statement regarding the research.

(Approved by the Office of Management and Budget under control number 9999-0020)

§ 1c.118 Applications and proposals lacking definite plans for involvement of human subjects.

Certain types of applications for grants, cooperative agreements, or contracts are submitted to departments or agencies with the knowledge that subjects may be involved within the period of support, but definite plans would not normally be set forth in the application or proposal. These include activities such as institutional type grants when selection of specific projects is the institution's responsibility; research training grants in which the activities involving subjects remain to be selected; and projects in which human subjects' involvement will depend upon completion of instruments, prior animal studies, or purification of compounds. These applications need not be reviewed by an IRB before an award may be made. However, except for research exempted or waived under § 1c.101 (b) or (i), no human subjects may be involved in any project supported by these awards until the project has been reviewed and approved by the IRB, as provided in this policy, and certification submitted, by the institution, to the department or agency.

§ 1c.119 Research undertaken without the intention of involving human subjects.

In the event research is undertaken without the intention of involving human subjects, but it is later proposed to involve human subjects in the research, the research shall first be reviewed and approved by an IRB, as provided in this policy, a certification submitted, by the institution, to the department or agency, and final approval given to the proposed change by the department or agency.

7 CFR Subtitle A (1-1-04 Edition)

§ 1c.120 Evaluation and disposition of applications and proposals for research to be conducted or supported by a Federal Department or Agency.

(a) The department or agency head will evaluate all applications and proposals involving human subjects submitted to the department or agency through such officers and employees of the department or agency and such experts and consultants as the department or agency head determines to be appropriate. This evaluation will take into consideration the risks to the subjects, the adequacy of protection against these risks, the potential benefits of the research to the subjects and others, and the importance of the knowledge gained or to be gained.

(b) On the basis of this evaluation, the department or agency head may approve or disapprove the application or proposal, or enter into negotiations to develop an approvable one.

§ 1c.121 [Reserved]

§ 1c.122 Use of Federal funds.

Federal funds administered by a department or agency may not be expended for research involving human subjects unless the requirements of this policy have been satisfied.

§ 1c.123 Early termination of research support: Evaluation of applications and proposals.

(a) The department or agency head may require that department or agency support for any project be terminated or suspended in the manner prescribed in applicable program requirements, when the department or agency head finds an institution has materially failed to comply with the terms of this policy.

(b) In making decisions about supporting or approving applications or proposals covered by this policy the department or agency head may take into account, in addition to all other eligibility requirements and program criteria, factors such as whether the applicant has been subject to a termination or suspension under paragraph (a) of this section and whether the applicant or the person or persons who would direct or has have directed the

scientific and technical aspects of an activity has have, in the judgment of the department or agency head, materially failed to discharge responsibility for the protection of the rights and welfare of human subjects (whether or not the research was subject to federal regulation).

§ 1c.124 Conditions.

With respect to any research project or any class of research projects the department or agency head may impose additional conditions prior to or at the time of approval when in the judgment of the department or agency head additional conditions are necessary for the protection of human subjects.

SOURCE: 10 FR 807, Jan. 23, 1945, unless otherwise noted. Redesignated at 13 FR 6903, Nov. 24, 1948.

§ 3.1 Purposes of the act and regulations.

The principal purposes of the act and of the regulations in this part are to provide means of:

- (a) Settling, by compromise, adjustment or cancellation relatively small debts long past due and owing to the Government arising from loans or payments made under farm programs administered by the Department;
- (b) recovering by the Department of substantial sums which are found uncollectible when the indebtednesses are treated as full obligations, and which otherwise would probably never be collected;
- (c) clearing the accounts of balances so small as not to warrant continued efforts of collection; and
- (d) the clearing of the accounts of the records of indebtedness made uncollectible by reason of the death or disappearance of the debtors.

The existence of the act will neither serve as grounds for any relaxation in the general collection policy of the Department nor should it serve as grounds for any lessening of the efforts of farmers to pay their indebtedness.

§ 3.2 Definitions.

(a) *Department* means Department of Agriculture.

(b) *Indebtedness* with respect to any person, means a debt to the Government under each of the acts and programs listed in § 3.10.

(c) *Compromise* means final liquidation of the indebtedness through the immediate payment of a portion thereof, and acceptance by the United States of such payment in full satisfaction of the indebtedness.

(d) *Adjustment* means the scaling down of the amount of the indebtedness including interest, conditioned upon the payment of the adjusted amount at some specified future time or times; such adjustment is not to be considered as effective as a settlement under this act until the provisions of the adjustment arrangement have been carried out.

(e) *Cancellation* means the complete discharge, without payment, of the indebtedness and the debtor.

[10 FR 807, Jan. 23, 1945, as amended at 11 FR 11984, Oct. 15, 1946. Redesignated at 13 FR 6903, Nov. 24, 1948; 55 FR 38662, Sept. 20, 1990]

§ 3.3 Settlement of indebtedness.

(a) Indebtedness will be compromised, adjusted, or canceled, upon applicability by the debtor except in those cases where it is found that it is legally impossible for the debtor to make application, and upon the making of all the following findings:

- (1) That said indebtedness has been due and payable for five years or more;
- (2) That the debtor is unable to pay said indebtedness in full and has no reasonable prospect of being able to do so; officers of the Department shall not make such findings on the basis of mere unwillingness to pay on the part of the debtor, or mere financial disadvantage to him, but should find that the settlement is the most advantageous arrangement possible from the standpoint of the Government under the findings prescribed in this part. In no event shall cancellation be made unless, in addition to the foregoing requirements, there is an advantage in removing the indebtedness from the accounts.

(3) That the debtor has acted in good faith in an effort to meet his obligation; and

(4) That the principal amount of said indebtedness is not in excess of \$1,000.

(b) Indebtedness may also be canceled without application when any one of the following circumstances is found:

(1) The amount of said indebtedness, including interest, is less than \$10; such efforts of collection have been made as are warranted under the circumstances, and the cost of collection or of continued maintenance of accounts is deemed greater than the amount of the indebtedness;

(2) The debtor is deceased and there is no reasonable prospect of recovering from his estate;

(3) The debtor's whereabouts has remained unknown for two years and there is no reasonable prospect of obtaining collection; heads of agencies designated in §3.5 will prescribe procedures which will assure that cancellations on this ground will be made only after a diligent effort has been made to locate the debtor, including such contact with other agencies of the Department or otherwise as the amount of the indebtedness and the circumstances warrant;

(4) The debtor has been discharged of the indebtedness in any proceeding under "An act to establish a uniform system of bankruptcy throughout the United States."

(5) It is impossible or impracticable for legal or other reasons to obtain the debtor's application but all of the findings required by paragraph (a) of this section are made.

[10 FR 807, Jan. 23, 1945, as amended at 12 FR 441, Jan. 22, 1947. Redesignated at 13 FR 6903, Nov. 24, 1948, and amended at 21 FR 3213, May 16, 1956]

§3.4 Investigations and findings.

The heads of agencies designated in §3.5 shall prescribe procedures for the conduct of investigations to determine the facts incident to the settlement of any indebtedness. These procedures should include, among other things, provisions for consultations with local authorities, businessmen, or local representatives of other Government agencies, or for obtaining the rec-

ommendations of committees or other groups or persons designated by each agency for assistance in its regular program, or otherwise. The file relating to each debtor shall contain the formal findings required by §3.3, together with such evidence as has been obtained in support of such findings.

In order to effect uniformity in settlements, agency procedures should also provide that, where it appears from the application of the debtor or from investigation that the debtor is otherwise indebted to the United States, to the extent practicable consultation should be had (other than in cases under §3.3(b)(1) and (4) with any other creditor agencies, to ascertain pertinent information as to the status of such other obligation or obligations. Such information shall be considered in connection with the settlement and for inclusion in the findings.

The head of each agency shall provide for review of proposed indebtedness settlements within his agency by officers or employees designated for that purpose under such conditions as he shall determine to be adequate to insure the protection of the interests of the United States.

§3.5 Delegations of authority.

The heads of any administration or other agency having jurisdiction over any of the acts or programs listed in §3.10 (including those of Federal Crop Insurance Corporation) are hereby authorized, within their respective jurisdictions, to exercise any or all of the functions prescribed by this part. The head of each of such agencies may delegate and authorize the redelegation of any of the functions vested in him by this part: *Provided*, That the determination of any settlement shall not be delegated beyond the head of the highest field office having jurisdiction, except that in the case of the Agricultural Stabilization and Conservation State Offices, such authority may also be delegated to the State Administrative Officers and except that in the case of the Farmers Home Administration, such authority may also be delegated to Assistant State Directors and

Chiefs, Production Loan Operations, in State offices of that administration.

[21 FR 3213, May 16, 1956, as amended at 55 FR 18591, May 3, 1990]

§ 3.6 Forms and records.

The Office of Management and Budget may prescribe or approve forms for applications for settlement of indebtedness under this part; and shall require each agency to establish records to insure the immediate availability of necessary information of operations under this part. Each agency shall furnish to the Office of Management and Budget a report of operations under this part quarterly, or for such other periods as the Director of Finance may designate.

[21 FR 3213, May 16, 1956, as amended at 55 FR 38662, Sept. 20, 1990]

§ 3.8 Penalties.

The act prescribes the punishment by a fine of not more than \$1,000 or imprisonment for not more than one year, or both, upon conviction, for anyone making any material representation, knowing it to be false, for the purpose of influencing in any way the action of the Secretary or of any person acting under his authority in connection with any compromise, adjustment, or cancellation of indebtedness provided for in the act. The act also prohibits the acceptance by any officer, employee, or other person to whom is delegated any power or function under the act, of any fee, commission, gift, or other consideration, directly or indirectly, for or in connection with any transaction or business relating to the compromise, adjustment, or cancellation of indebtedness under the act.

§ 3.9 Indebtedness referred to the Comptroller General or the Attorney General.

No settlement shall be effected under this part if the indebtedness is pending before the Comptroller General for compromise, or the Attorney General for collection.

Subpart B—Debt Collection

AUTHORITY: 31 U.S.C. 3701, 3711, 3716-3719, 3728; 4 CFR part 102; 4 CFR 105.4.

SOURCE: 50 FR 7722, Feb. 26, 1985, unless otherwise noted.

§ 3.21 Debt collection standards.

(a) The regulations in this subpart are issued under the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 (31 U.S.C. 3701, 3711, 3716-3719), and the Joint Regulations issued under the Act by the Attorney General and the Comptroller General (4 CFR parts 101-105), prescribing Government-wide standards for administrative collection, compromise, suspension or termination of agency collection action, disclosure of debt information to consumer reporting agencies, referral of claims to private collection contractors for resolution, and referral to the General Accounting Office and to the Department of Justice for litigation of civil claims by the Government for money or property.

(b) The head of each agency of the Department may carry out the duties

and exercise the authority of the Secretary under 31 U.S.C. 3701, 3711, 3716-3719, 3728, the Joint Regulations of the Attorney General and the Comptroller General, and the regulations in this part, with respect to the claims of the agency. An agency head may adopt regulations, in accordance with the Debt Collection Act and the Joint Regulations, setting out agency procedures for the collection by administrative offset of such claims and debts. If the head of an agency of the Department adopts regulations separate from this subpart, the procedures thereby established, rather than those set out in this part, shall be followed for the collection of the claims and debts to which the separate regulations apply. If an agency does not adopt separate regulations, the Director of the Office of Finance and Management may carry out the duties and exercise the authority of the Secretary on behalf of agency heads.

(c) Except where administrative offset is explicitly prohibited by statute or where other procedures are explicitly provided for by statute, all contracts and other written agreements which are executed after the effective date of these regulations between an agency and any person or entity must include the following or substantially similar language:

Any monies that are payable or may become payable from the United States under this agreement to any person or legal entity not an agency or subdivision of a State or local government may be subject to administrative offset for the collection of a delinquent debt the person or legal entity owes to the United States, under the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 (31 U.S.C. 3701, 3711, 3716-3719); 4 CFR part 102 and subpart B of this part. Information on the person's or legal entity's responsibility for a commercial debt or delinquent consumer debt owed the United States will be disclosed to consumer or commercial credit reporting agencies.

[50 FR 7722, Feb. 26, 1985, as amended at 55 FR 38662, Sept. 20, 1990]

§ 3.22 Definitions.

In this subpart:

(a) *Debt management officer* means an agency employee responsible for collec-

tion by administrative offset of debts owed the United States.

(b) *Contracting officer* has the same meaning as in 41 U.S.C. 601.

(c) *Creditor agency* means a Federal agency to whom a debtor owes a monetary debt. It need not be the same agency that effects the offset.

(d) *Offsetting agency* means an agency that withholds from its payment to a debtor an amount owed by the debtor to a creditor agency, and assures that the funds are paid to the creditor agency to be applied to the debt.

(e) *Reviewing officer* means an agency employee responsible for conducting a hearing or providing documentary review on the existence of the debt and the propriety of administrative offset.

[50 FR 7722, Feb. 26, 1985, as amended at 55 FR 38662, Sept. 20, 1990]

§ 3.23 Collection by administrative offset.

(a) Whenever feasible, each agency of the Department of Agriculture must use, or request any other Federal agency to use, administrative offset in accordance with 31 U.S.C. 3716 and 4 CFR 102.3 to collect debts due the United States. The debt need not be reduced to judgment or be undisputed.

(b) The feasibility of collecting a debt by administrative offset will be determined on a case-by-case basis considering among other factors the following:

(1) Legal impediments to administrative offset, such as contract provisions, or degree of certainty as to the factual basis (other than the debt amount) of the Government's claim.

(2) Practicality, considering such questions as costs in time and money of administrative offset relative to the size of the debt.

(3) Whether offset would substantially interfere with or defeat the purposes of a program authorizing payments against which offset is contemplated, as where payment is an advance for future performance by the debtor of a service the Government desires.

(4) Whether the agency has substantiated the existence of the debt.

§ 3.24

(c) The offset will be effected 31 days after the debtor receives a Notice of Intent to Collect by Administrative Offset, or when a stay of offset expires, unless the agency determines under § 3.26 that immediate action is necessary. If the debtor owes more than one debt, amounts recovered through administrative offset may be applied to them in any order, with attention to applicable statutes of limitation.

(d) These procedures will be used to collect any debt subject to 31 U.S.C. 3716, including contract debts, but not including intracontractual claims or intracontractual disputes. A contracting officer administering a claim under the Contract Disputes Act (CDA), 41 U.S.C. 601-613 must promptly refer the claim to the agency debt management officer for consideration of administrative offset apart from CDA proceedings.

(e) An agency debt management officer will determine the prima facie existence of the debt, the feasibility of administrative offset as a means of collection and what monies, if any, are payable or may become payable to the debtor. No agency employee may act as debt management officer for the consideration of collection by administrative offset in a matter for which the employee was a contracting officer.

(f) An agency reviewing officer will afford debtors review of the issue of administrative offset under these rules. No agency employee may act as a reviewing officer for the consideration of collection by administrative offset in a matter for which the employee was a contracting officer or a debt management officer.

[50 FR 7722, Feb. 26, 1985, as amended at 55 FR 38662, Sept. 20, 1990]

§ 3.24 Coordinating administrative offset with other Federal agencies.

(a) A Government list or other notice, naming debtors and their creditor agencies, which is provided to USDA will constitute a request for administrative offset.

(b) Any agency which requests another agency to effect administrative offset must certify that the debtor owes the debt (including the amount and basis of the debt and the due date of the payment) and that all of the ap-

7 CFR Subtitle A (1-1-04 Edition)

plicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met.

(c) An agency which is requested by another agency to effect administrative offset must not do so without obtaining a written certification that the debtor owes the creditor agency a debt (including the amount and basis of the debt and the due date of the payment) and that all of the applicable requirements of 31 U.S.C. 3716 and 4 CFR part 102 have been met. An offsetting USDA agency may rely on the information contained in a requesting creditor agency's certification.

(d) Only a creditor agency may agree to an installment repayment system or compromise, suspension or termination of the collection process.

(e) A USDA agency which is requested by another agency to effect administrative offset may decline for good cause. Good cause includes direct or indirect disruption of the offsetting agency's essential program operations that might result from the offset. The refusal and the reasons must be sent in writing to the creditor agency.

§ 3.25 Notice requirements before offset.

(a) Before an agency effects administrative offset, the creditor agency must provide the debtor with a minimum of 30 calendar days' written notice that unpaid debt amounts will be collected by administrative offset against any money that the United States is going to pay to the debtor, unless the creditor agency determines immediate action is necessary under § 3.26, or the debtor enters into a repayment agreement or requests review.

(b) The Notice of Intent to Collect by Administrative Offset must be served on the debtor by personal delivery, first class mail, or certified mail and will state:

(1) The amount of the debt, the date it was incurred, the name and address of the offsetting agency, and the program under which the debt was incurred.

(2) The rate of interest accrued from the date of mailing or other delivery of the initial demand letter, and the amount of any other penalties or administrative costs added to the principal debt.

(3) The creditor agency's intention to collect the debt by administrative offset against any funds that might become available, until the principal debt and all accumulated interest and other charges are paid in full.

(4) The date on which administrative offset will be effected, unless the creditor agency determines immediate action is necessary under § 3.26, or the debtor enters into a repayment agreement or requests a review.

(5) That the debtor has a right to inspect and copy agency or other Department records related to the debt. The debtor must pay copying costs unless they are waived by the agency.

(6) That the debtor may enter into a written agreement to repay the debt, which must be approved by the creditor agency.

(7) That the debtor has a right to obtain review of the agency's determination that the debt exists and the propriety of administrative offset.

(8) That a repayment agreement or request for review may be sought only from the creditor agency and not the offsetting agency.

(9) Time limitations and other procedures or conditions imposed by the agency.

(10) The address to which the debtor should send all correspondence relating to the offset.

(c) Any demand for payment will include a Notice of Intent to Collect by Administrative Offset, even if the debt is not delinquent at the time the letter is sent.

[50 FR 7722, Feb. 26, 1985, as amended at 55 FR 38662, Sept. 20, 1990; 62 FR 60451, Nov. 10, 1997]

§ 3.26 Exceptions to notice requirements.

(a) When the procedural requirements of § 3.25 have been met by the creditor agency or under some other statutory or regulatory authority, an agency need not duplicate the notice before effecting administrative offset.

(b) A USDA agency may effect administrative offset against a payment to be made to a debtor before completion of the procedures in § 3.25 when the agency finds, or is advised by the requesting creditor agency, that:

(1) Failure to take the offset would substantially prejudice the Government's ability to collect the debt, such as where possible insolvency of the debtor might encourage competition among creditors for funds, or where expiration of a statute of limitations is imminent; and

(2) The time before the payment is to be made does not reasonably permit the completion of these procedures.

(c) The finding required by paragraph (b) of this section must be furnished by the offsetting agency to the debtor in writing as soon as reasonably possible after the offset is effected. Promptly after administrative offset is effected under this subsection, the creditor agency must give the debtor the notice required by § 3.25.

(d) An offsetting USDA agency may rely on the information contained in a creditor agency's request for administrative offset under this section.

§ 3.27 Inspection of USDA records related to the debt.

A debtor who intends to inspect or copy agency or Departmental records with respect to the claim action must notify the agency in writing within 20 calendar days of the date the Notice of Intent to Offset was delivered to the debtor. In response, the agency must notify the debtor of the location, time, and any other conditions, consistent with part 1, subpart A of this title, for inspecting and copying, and that the debtor may be liable for reasonable copying expenses.

[50 FR 7722, Feb. 26, 1985, as amended at 55 FR 38662, Sept. 20, 1990]

§ 3.28 Written agreements to repay debt as alternative to administrative offset.

The debtor may, in response to Notice of Intent to Collect by Administrative Offset, propose to the creditor agency a written agreement to repay the debt as an alternative to administrative offset. Any debtor who wishes to do this must submit a written proposal for repayment of the debt, which must be received by the creditor agency within 20 calendar days of the date the notice was delivered to the debtor. In response, the creditor agency must notify the debtor in writing whether

the proposed agreement is acceptable. In exercising its discretion, the creditor agency must balance the Government's interest in collecting the debt against fairness to the debtor.

§ 3.29 Hearings and reviews.

(a) A debtor who receives a Notice of Intent to Collect by Administrative Offset may request a hearing or documentary review of the agency's determination that the debt exists and the propriety of administrative offset. Any debtor who wishes to do this must submit a written explanation of why the debtor disagrees and seeks review. The request must be received by the creditor agency within 20 calendar days of the date the notice was delivered to the debtor.

(b) In response, the creditor agency must notify the debtor in writing whether the review will be by documentary review or by hearing. If the debtor requests a hearing, and the creditor agency decides to conduct a documentary review, the agency must notify the debtor of the reason why a hearing will not be granted. The agency must also advise the debtor of the procedures to be used in reviewing the documentary record, or of the date, location and procedures to be used if review is by a hearing.

(c) Unless otherwise arranged by mutual agreement between the debtor and the agency, evidenced in writing, any documentary review or hearing will be conducted not less than 10 calendar days and no more than 45 calendar days after receipt of the request for review.

(d) Unless otherwise arranged by mutual agreement between the debtor and the agency, evidenced in writing, a documentary review or hearing will be based on agency records plus other relevant documentary evidence which may be submitted by the debtor within 10 calendar days after the request for review is received.

(e)(1) Hearings will be as informal as possible, and will be conducted by a reviewing officer in a fair and expeditious manner. The reviewing officer need not use the formal rules of evidence with regard to the admissibility of evidence or the use of evidence once admitted. However, clearly irrelevant material should not be admitted,

whether or not any party objects. Any party to the hearing may offer exhibits, such as copies of financial records, telephone memoranda, or agreements, provided the opposing party is notified at least 5 days before the hearing.

(2) Debtors may represent themselves or may be represented at their own expense by an attorney or other person.

(3) The substance of all significant matters discussed at the hearing must be recorded. No official record or transcript of the hearing need be created, but if a debtor requested that a transcript be made, it will be at the debtor's expense.

(f)(1) Within no more than 30 calendar days after the hearing or the documentary review, the reviewing officer will issue a written decision to the debtor and the agency, including the supporting rationale for the decision. The deadline for issuance of the decision may be extended by the reviewing officer for good cause for no more than 30 calendar days, and beyond the 30 calendar days extension only with the consent of the debtor. The decision need not be lengthy or formal in style, but must address the substantive issues. The decision should address any significant procedural matter which was in dispute before or during the hearing or documentary review.

(2) The reviewing officer's decision constitutes final agency action as to the following issues:

(i) All issues of fact relating to the basis of the debt (including the existence of the debt and the propriety of administrative offset), in cases where the debtor previously had not been afforded due process; and

(ii) The existence of the debt and the propriety of administrative offset, in cases where the debtor previously had been afforded due process as to issues of fact relating to the basis of the debt.

(g) The reviewing officer will promptly distribute copies of the decision to the Assistant Secretary for Administration, USDA and to the debtor and the debtor's representative.

[50 FR 7722, Feb. 26, 1985, as amended at 55 FR 38662, Sept. 20, 1990]

§ 3.30 Stay of offset.

(a)(1) Unless otherwise arranged by mutual agreement between the debtor and the agency, evidenced in writing, when an agency receives a debtor's request for inspection of agency records, the offset is stayed for no longer than 10 calendar days beyond the date set by the creditor agency for the record inspection.

(2) When an agency receives a debtor's proposal for a repayment agreement, the offset is stayed until the debtor is notified as to whether the proposed agreement is acceptable.

(3) When a review is conducted, the offset is stayed until the creditor agency issues a final written decision.

(b) When administrative offset is stayed, the amount of the debt and interest will be withheld from payments to the debtor, but not applied against the debt until the stay expires. If withheld funds are later determined not to be subject to offset, they will be promptly refunded to the debtor.

(c) When administrative offset is stayed, the creditor agency will immediately notify an offsetting agency to withhold the payment pending termination of the stay.

[50 FR 7722, Feb. 26, 1985, as amended at 55 FR 38663, Sept. 20, 1990]

§ 3.31 Agency procedures.

(a) Any USDA agency may publish in the FEDERAL REGISTER, by rule or notice, a listing by category of the order in which any funds it holds for or intends to pay to a person may be reached by administrative offset.

(b) For principal debts of \$600 or more, an agency head may direct that no compromise be made, or no collection action suspended or terminated without advice from the USDA General Counsel.

§ 3.32 Offset against amounts payable from Civil Service retirement and disability fund.

An agency may request that monies payable to a debtor from the Civil Service Retirement and Disability Fund be administratively offset to collect debts owed to the agency by the debtor. The creditor agency must certify that the debtor owes the debt, the

amount of the debt, and that the creditor agency has complied with 4 CFR 102.4 and Office of Personnel Management regulations. The request must be submitted to the official designated in Office of Personnel Management regulations.

[50 FR 7722, Feb. 26, 1985, as amended at 55 FR 38663, Sept. 20, 1990]

§ 3.33 Offset of debtor's judgment against the United States.

Collection by offset against a judgment obtained by a debtor against the United States must be effected in accordance with 31 U.S.C. 3728.

§ 3.34 Interest, penalties and administrative costs.

(a) USDA creditor agencies must attempt to collect interest, penalties and administrative costs on any delinquent debts owed to the United States in accordance with 4 CFR 102.13 and 102.14, or according to written documentation constituting the basis of the debt, or under any guidelines issued by the Assistant Secretary for Administration or by the creditor agency's fiscal officer.

(1) Interest will not be assessed on interest, penalties or administrative costs. However, if a debtor defaults on a repayment agreement, interest which has accrued but was not collected under the defaulted agreement will be added to the principal to be paid under a new repayment agreement.

(2) Agencies will assess a penalty of six percent a year on any unpaid debt balance delinquent for more than 90 days. This charge accrues from the date the debt becomes delinquent.

(3) Agencies will charge the debtor for administrative costs incurred in processing and handling a delinquent debt. Administrative costs may include costs of obtaining credit reports, using a private debt collector, or selling collateral or property to satisfy the debt.

(b) Agencies will waive the collection of interest assessed under these regulations on a delinquent debt or any portion of that debt which is paid within 30 days after the date on which interest began to accrue. Agencies may extend the 30-day period on a case-by-case basis, if it is determined that an extension is appropriate because of partial

§ 3.35

or complete absence of culpability by the debtor for the delay in payment.

(c) Agencies may waive collection of all or part of the interest, penalties, and administrative costs assessed under these regulations when it is determined:

(1) That the Government cannot collect the full amount of the delinquent debt or interest and costs because of the debtor's inability to pay the full amount within a reasonable time (considering such factors as those listed at 4 CFR 103.2(b)), or the debtor's refusal to pay the full amount where the Government is unable to effect collection in full within a reasonable time; or

(2) That there is a real doubt concerning the Government's ability to recover interest, penalties or costs in court, either because of the legal or equitable issues involved or because the facts are being disputed in court; or

(3) That the cost of collecting the delinquent debt with interest, penalties, or costs outweighs the amounts to be recovered; or

(4) That the collection of some or all of these charges would be against equity and good conscience or not in the best interests of the United States; or

(5) (For waiver of interest) that a request is pending for reconsideration, administrative review, or waiver of the underlying delinquent debt under a statute allowing but not requiring one or more of these remedies. If the statute under which review or waiver is sought by the debtor prohibits the agency from collecting the delinquent debt before resolution of the review or waiver request, interest, penalties and administrative costs must be waived during the period in which collection action is stayed. Otherwise, interest, penalties and administrative costs will not be waived except for a separate reason included in this section; or

(6) (For waiver of interest) that the agency has agreed to a repayment plan consistent with 4 CFR 102.11 and with § 3.28 of this subpart, there is no indication of fault or lack of good faith by the debtor, and the amount of interest is sufficiently large relative to the size of the installments reasonably affordable by the debtor that the principal debt would never be repaid; or

7 CFR Subtitle A (1-1-04 Edition)

(7) The debt is repaid after the date on which interest, penalties and administrative costs became payable and the estimated costs of recovering the remaining interest balance exceed the amount owed to the agency.

(d) The creditor agency must document its reasons for waiving interest, penalties, or administrative costs. This documentation must be retained by the agency for at least three years.

AUTHORITY: 5 U.S.C. 5514; 5 CFR part 550, subpart K.

SOURCE: 51 FR 8995, Mar. 17, 1986, unless otherwise noted.

§ 3.51 Scope.

(a) The provisions of this subpart set forth the Department's procedures for the collection of a Federal employee's pay by salary offset to satisfy certain valid and past due debts owed the government.

(b) These regulations apply to:

(1) Current employees of the Department and other agencies who owe debts to the Department; and

(2) Current employees of the Department who owe debts to other agencies.

(c) These regulations do not apply to debts or claims arising under the Internal Revenue Code of 1954 (26 U.S.C. 1 *et seq.*); the Social Security Act (42 U.S.C. 301 *et seq.*); the tariff laws of the United States; or to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(d) These regulations identify the types of salary offset available to the Department, as well as certain rights provided to the employee, which include a written notice before deductions begin, the opportunity to petition for a hearing and to receive a written decision if a hearing is granted. These employee rights do not apply to any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over four pay periods or less.

(e) These regulations do not preclude an employee from:

(1) Requesting waiver of a salary overpayment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716;

(2) Requesting waiver of any other type of debt, if waiver is available by statute; or

(3) Questioning the amount or validity of a debt by submitting a subsequent claim to the General Accounting Office.

(f) Nothing in these regulations precludes the compromise, suspension or termination of collection actions where appropriate under the Department's regulations contained elsewhere.

§ 3.53 Coordinating offset with another Federal agency.

(a) *When USDA is owed the debt.* When USDA is owed a debt by an employee of another agency, the other agency shall not initiate the requested offset until USDA provides the agency with a written certification that the debtor owes USDA a debt (including the amount and basis of the debt and the due date of the payment) and that USDA has complied with these regulations.

(b) *When another agency is owed the debt.* The Department may use salary offset against one of its employees who is indebted to another agency, if requested to do so by that agency. Such a request must be accompanied by a certification by the requesting agency that the person owes the debt (including the amount and basis of the debt and the due date of the payment) and that the agency has complied with its regulations required by 5 U.S.C. 5514 and 5 CFR part 550, subpart K.

§ 3.54 Determination of indebtedness.

(a) In determining that an employee is indebted to USDA and that 4 CFR parts 101 through 105 have been satisfied and that salary offset is appropriate, the Secretary will review the debt to make sure that it is valid and past due.

(b) If the Secretary determines that any of the requirements of paragraph (a) of this section have not been met, no determination of indebtedness shall be made and salary offset will not proceed until the Secretary is assured that the requirements have been met.

§ 3.55 Notice requirements before offset.

Except as provided in § 3.51(d), salary offset will not be made unless the Secretary first provides the employee with a minimum of 30 calendar days written notice. This Notice of Intent to Offset Salary (Notice of Intent) will state:

(a) That the Secretary has reviewed the records relating to the debt and has determined that a debt is owed, the amount of the debt, and the facts giving rise to the debt;

(b) The Secretary's intention to collect the debt by means of deduction from the employee's current disposable pay until the debt and all accumulated interest are paid in full;

(c) The amount, frequency, approximate beginning date, and duration of the intended deductions;

(d) An explanation of the Department's requirements concerning interest, penalties and administrative costs; unless such payments are waived in accordance with 31 U.S.C. 3717 and § 3.34;

(e) The employee's right to inspect and copy Department records relating to the debt;

(f) The employee's right to enter into a written agreement with the Secretary for a repayment schedule differing from that proposed by the Secretary, so long as the terms of the repayment schedule proposed by the employee are agreeable to the Secretary;

(g) The right to a hearing conducted by a hearing official on the Secretary's determination of the debt, the amount of the debt, or percentage of disposable pay to be deducted each pay period, so long as a petition is filed by the employee as prescribed by the Secretary;

(h) That the timely filing of a petition for hearing will stay the collection proceedings;

(i) That a final decision on the hearing will be issued at the earliest practical date, but not later than 60 calendar days after the filing of the petition requesting the hearing, unless the employee requests, and the hearing officer grants, a delay in the proceedings;

(j) That any knowingly false or frivolous statements, representations, or evidence may subject the employee to:

(1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR

part 752, or any other applicable statutes or regulations;

(2) Penalties under the False Claims Act, 31 U.S.C. 3729-3731, or any other applicable statutory authority; or

(k) Any other rights and remedies available to the employee under statutes or regulations governing the program for which the collection is being made;

(l) That amounts paid on or deducted from the debt which are later waived or found not owed to the United States will be promptly refunded to the employee, unless there are applicable contractual or statutory provisions to the contrary;

(m) The method and time period for requesting a hearing; and

(n) The name and address of an official of USDA to whom communications should be directed.

§ 3.56 Request for a hearing.

(a) Except as provided in paragraph (c) of this section, an employee must file a petition for a hearing, that is received by the Secretary not later than 30 calendar days from the date of the Department's notice described in § 3.55, if an employee wants a hearing concerning:

(1) The existence or amount of the debt; or

(2) The Secretary's proposed offset schedule (including percentage).

(b) The petition must be signed by the employee and should identify and explain with reasonable specificity and brevity the facts, evidence and witnesses which the employee believes support his or her position. If the employee objects to the percentage of disposable pay to be deducted from each check, the petition should state the objection and the reasons for it.

(c) If the employee files a petition for hearing later than the 30 calendar days as described in paragraph (a) of this section, the hearing officer may accept the request if the employee can show that the delay was because of circumstances beyond his or her control or because of failure to receive notice of the filing deadline (unless the em-

ployee has actual notice of the filing deadline).

§ 3.57 Result if employee fails to meet deadlines.

An employee will not be granted a hearing and will have his or her disposable pay offset in accordance with the Secretary's offset schedule if the employee:

(a) Fails to file a petition for a hearing as prescribed in § 3.56; or

(b) Is scheduled to appear and fails to appear at the hearing.

§ 3.58 Hearings.

(a) If an employee timely files a petition for a hearing under § 3.56, the Secretary shall select the time, date, and location for the hearing.

(b)(1) Hearings shall be conducted by an appropriately designated hearing official; and

(2) Rules of evidence shall not be adhered to, but the hearing official shall consider all evidence that he or she determines to be relevant to the debt that is the subject of the hearing and weigh it accordingly, given all of the facts and circumstances surrounding the debt.

(c) USDA will have the burden of going forward to prove the existence of the debt.

(d) The employee requesting the hearing shall bear the ultimate burden of proof.

(e) The evidence presented by the employee must prove that no debt exists or cast sufficient doubt such that reasonable minds could differ as to the existence of the debt.

§ 3.59 Written decision following a hearing.

Written decisions provided after a hearing will include:

(a) A statement of the facts presented at the hearing to support the nature and origin of the alleged debt and those presented to refute the debt;

(b) The hearing officer's analysis, findings and conclusions, considering all of the evidence presented and the respective burdens of the parties, in light of the hearing;

(c) The amount and validity of the alleged debt determined as a result of the hearing; and

(d) There payment schedule (including percentage of disposable pay), if applicable.

(e) The determination of the amount of the debt at this hearing is the final agency action on this matter.

§ 3.60 Review of Departmental record related to the debt.

(a) *Notification by employee.* An employee who intends to inspect or copy Departmental records related to the debt must send a letter to the Secretary stating his or her intention. The letter must be received by the Secretary within 30 calendar days of the date of the Notice of Intent.

(b) *Secretary's response.* In response to the timely notice submitted by the debtor as described in paragraph (a) of this section, the Secretary will notify the employee of the location and time when the employee may inspect and copy Departmental records related to the debt.

§ 3.61 Written agreement to repay debt as alternative to salary offset.

(a) *Notification by employee.* The employee may propose, in response to a Notice of Intent, a written agreement to repay the debt as an alternative to salary offset. Any employee who wishes to do this must submit a proposed written agreement to repay the debt which is received by the Secretary within 30 calendar days of the date of the Notice of Intent.

(b) *Secretary's response.* The Secretary will notify the employee whether the employee's proposed written agreement for repayment is acceptable. The Secretary may accept a repayment agreement instead of proceeding by offset. In making this determination, the Secretary will balance the Department's interest in collecting the debt against hardship to the employee. If the debt is delinquent and the employee has not disputed its existence or amount, the Secretary will accept a repayment agreement, instead of offset, for good cause such as, if the employee is able to establish that offset would result in undue financial hardship or would be against equity and good conscience.

§ 3.62 Procedures for salary offset: When deductions may begin.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the Secretary's Notice of Intent to collect from the employee's current pay.

(b) If the employee filed a petition for a hearing with the Secretary before the expiration of the period provided for in § 3.56 then deductions will begin after the hearing officer has provided the employee with a hearing, and a final written decision has been rendered in favor of the Secretary.

(c) If an employee retires or resigns before collection of the amount of the indebtedness is completed, the remaining indebtedness will be collected according to the procedures for administrative offset (see subpart B of this part).

§ 3.63 Procedures for salary offset: Types of collection.

A debt will be collected in a lump-sum or in installments. Collection will be by lump-sum collection unless the employee is financially unable to pay in one lump-sum, or if the amount of the debt exceeds 15 percent of disposable pay for an ordinary pay period. In these cases, deduction will be by installments, as set forth in § 3.64.

§ 3.64 Procedures for salary offset: Methods of collection.

(a) *General.* A debt will be collected by deductions at officially-established pay intervals from an employee's current pay account, unless the employee and the Secretary agree to alternative arrangements for repayment under § 3.61.

(b) *Installment deductions.* Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and the employee's ability to pay. However, the amount deducted for any period will not exceed 15 percent of the disposable pay from which the deduction is made, unless the employee has agreed in writing to the deduction of a greater amount. If possible, the installment payment will be sufficient in size and frequency to liquidate the debt in

no more than three years. Installment payments of less than \$25 per pay period or \$50 a month will be accepted only in the most unusual circumstances.

(c) *Sources of deductions.* The Department will make deductions only from basic pay, special pay, incentive pay, retired pay, retainer pay, or in the case of an employee not entitled to basic pay, other authorized pay.

§ 3.65 Procedures for salary offset: Imposition of interest, penalties and administrative costs.

Interest, penalties and administrative costs will be charged in accordance with 4 CFR 102.13.

§ 3.66 Nonwaiver of rights.

So long as there are no statutory or contractual provisions to the contrary, no employee payment (or all or portion of a debt) collected under these regulations will be interpreted as a waiver of any rights that the employee may have under 5 U.S.C. 5514.

§ 3.67 Refunds.

The Department will refund promptly to the appropriate individual amounts offset under these regulations when:

(a) A debt is waived or otherwise found not owing the United States (unless expressly prohibited by statute or regulation); or

(b) The Department is directed by an administrative or judicial order to refund deducted from the employee's current pay.

§ 3.68 Agency regulations.

The Head of each USDA agency is delegated the authority to act for the Secretary under these regulations and may issue regulations or policies not inconsistent with Office of Personnel Management regulations (5 CFR part 550, subpart K) and regulations in this subpart governing the collection of a debt by salary offset.

(a) The principal amount of the debt not in dispute is \$600 or more; and

(b) The obligation has not been discharged in a bankruptcy proceeding; and

(c) The obligation is no longer collectible either because the time limit in the applicable statute for enforcing collection expired during the tax year, or because during the year a formal compromise agreement was reached in which the debtor was legally discharged of all or a portion of the obligation.

AUTHORITY: 7 U.S.C. 1301, 1375.

EDITORIAL NOTE: Nomenclature changes to part 5 appear at 62 FR 8361, Feb. 25, 1997.

§5.1 Parity index and index of prices received by farmers.

(a) The parity index and related indices for the purpose of calculating parity prices after May 1, 1976, according to the formula contained in section 301(a) of the Agricultural Adjustment Act of 1938, as amended by the Agricultural Acts of 1948, 1949, 1954, and 1956 (hereinafter referred to as section 301(a)) shall be the index of prices paid by farmers, interest, taxes, and farm wage rates, as revised May 1976 and published in the May 28, 1976, and subsequent issues of the monthly report, "Agricultural Prices." The publication of these indices by the National Agricultural Statistics Service in the monthly report, "Agricultural Prices", shall be continued.

(b) The measure of the general level of prices received by farmers as provided for in section 301(a)(1)(B)(ii) after January 1, 1959, shall be the index of prices received by farmers as revised January 1959 and published in the January 30, 1959, and subsequent issues of "Agricultural Prices". The simple average of the 120 monthly indices included in the preceding 10 calendar

years plus an adjustment to take account of the effect on the index of any adjustment made on average prices of individual commodities as hereinafter specified shall be used in the calculation of the adjusted base prices. Parity prices heretofore published for periods prior to January 1, 1959 shall not be revised.

(c) The term *milkfat* as used in these regulations is synonymous with the term *butterfat*, and when any statute requires calculation of the parity price of butterfat, the parity price of milkfat shall be the parity price of butterfat.

[24 FR 697, Jan. 31, 1959, as amended by Amdt. 6, 24 FR 9778, Dec. 5, 1959; Amdt. 29, 41 FR 22333, June 3, 1976]

For cigar binder tobacco, types 51-52, for each of the marketing seasons beginning in the years 1949 through 1958, 37.9 cents per pound shall be used in lieu of the average of prices received by farmers for such tobacco during each such marketing season.

An allowance for unredeemed loans and purchase agreement deliveries, any supplemental payments resulting from price support operations, and the value of marketing certificates, such as those received by producers of wheat pursuant to the Agricultural Adjustment Act of 1938, as amended, and others of generally similar character and effect, shall be added to the price specified above. (b) The official parity prices determined under section 301(a)(1) and the regulations in this part and the indexes and relevant price data shall be published in the monthly report "Agricultural Prices" issued by the National Agricultural Statistics Service. Parity prices for all commodities for which parity prices are computed shall be so published in the January and July issues each year. The parity prices published in other issues may be restricted to those which the National Agricultural Statistics Service, after consulta-

[21 FR 763, Feb. 3, 1956, as amended by Amdt. 16, 30 FR 2521, Feb. 26, 1965]

§ 5.6 Revision of the parity price of a commodity.

(a) *Initiation of hearings.* The "modernized" parity formula specified in section 301(a)(1) of the Agricultural Adjustment Act of 1938, as amended, takes into consideration the average prices received by farmers for agricultural commodities during the last ten years and is designed gradually to adjust relative parity prices of specific commodities for persistent or continuing changes in demand and supply conditions which are reflected in market prices. Accordingly, only in rare cases is it possible for the parity price of any agricultural commodity to become seriously out of line with the parity prices of other agricultural commodities. In any case, however, in which producers of any agricultural commodity believe that the parity price of such commodity, as computed pursuant to the provisions of section 301(a)(1), is seriously out of line with the parity prices of other agricultural commodities, a request for a public hearing under section 301(a)(1)(F) may be submitted to the Secretary of Agriculture by a substantial number of interested producers. The producers shall also furnish to the Secretary, with such request or separately, data supporting their conclusion that the parity price of such commodity is seriously out of line with the parity prices of other commodities. Upon receipt of such a request with supporting data, or at any time upon the Secretary's own motion, this Department will make a preliminary study of the relationship between the parity price of such commodity and the parity prices of other

commodities, and if the Secretary concludes that there appears to be reasonable grounds for believing that the parity price of such commodity is seriously out of line with the parity prices of other agricultural commodities, a hearing will be held pursuant to the provisions of section 301(a)(1)(F).

(b) *Notice of hearing.* If the Secretary of Agriculture determines that such a hearing shall be held, he shall issue a notice of the hearing, which shall be filed with the Hearing Clerk of the United States Department of Agriculture, who shall promptly (1) cause such notice to be published in the FEDERAL REGISTER, and (2) mail a copy thereof to each of the producers who requested the hearing and to grower organizations known to be interested in the hearing. Legal notice of the hearing shall be deemed to be given upon filing such notice with the FEDERAL REGISTER for publication, and failure to give notice in the manner otherwise provided in this paragraph shall not affect the legality of the notice. The notice of hearing shall state the purpose of the hearing and the time and place of the hearing. The time of the hearing shall not be less than fifteen days after the date of publication of the notice in the FEDERAL REGISTER, unless the Secretary shall determine that an emergency exists which requires a shorter period of notice, in which case the period of notice shall be that which the Secretary determines to be reasonable in the circumstances.

(c) *Conduct of hearing—(1) Presiding officer.* Each hearing held under section 301(a)(1)(F) shall be presided over by a Hearing Examiner of the Office of Administrative Law Judges or such other employee of the Department as the Secretary may designate for the purpose.

(2) *Time and place of hearing.* Each hearing shall be heard at the time and place set forth in the notice of hearing but may be continued by the presiding officer from day to day or adjourned to a later date or to a different place without notice other than the announcement thereof at the hearing.

(3) *Order of procedure.* At the commencement of the hearing, the presiding officer shall file as an exhibit a copy of the FEDERAL REGISTER con-

taining the notice of the hearing and shall then outline briefly the procedure to be followed. Evidence shall then be received from interested persons in such order as the presiding officer shall prescribe.

(4) *Submission of evidence.* The hearing shall be conducted in such a way as to obtain a clear and orderly record. All interested persons appearing at the hearing shall be given reasonable opportunity to offer data, views, or arguments relevant to (i) whether the parity price for the agricultural commodity involved is or is not seriously out of line with the parity prices of other agricultural commodities, and (ii) the proper relationship between the parity price of such commodity and the parity prices of other agricultural commodities and the revisions, if any, which should be made in computing the parity price of such commodity. All documentary exhibits shall be submitted in duplicate. The presiding officer shall, insofar as possible, exclude irrelevant, immaterial, or unduly repetitious evidence but shall not apply technical judicial rules of evidence. Every witness shall be subject to questioning by the presiding officer or by any other representative of the Department, but cross-examination by other persons shall not be allowed, except in the discretion of the presiding officer. The proceedings at the hearing shall be transcribed verbatim.

(5) *Written arguments.* The presiding officer shall fix a time, not to exceed ten days from the close of the hearing, within which interested persons may file written arguments with the Hearing Clerk.

(d) *Preparation and issuance of determination—(1) Preparation of recommendation.* As soon as practicable after the close of the hearing, the presiding officer, or such employees of the Department as may be assigned for the purpose, shall review, consider, and weigh all evidence of probative value, views, and arguments which have been submitted, and may consider other pertinent information and data which is available in the Department of Agriculture, and shall submit a recommendation thereon to the Secretary.

(2) *Determination by the Secretary.* As soon as possible after receipt of the recommendation, the Secretary shall determine whether the parity price of such commodity computed in accordance with section 301(a)(1) appears to be seriously out of line with the parity prices of other agricultural commodities whether the facts require a revision of the method of computing the parity price of such commodity, and the revision, if any, which is required in the method of computing the parity price of such commodity. Such determination by the Secretary shall be final. The Secretary's determination shall be filed with the Hearing Clerk who shall cause the determination to be published promptly in the FEDERAL REGISTER. The Hearing Clerk shall also mail a copy of the determination to each producer and grower organization which participated in or is known to be interested in the hearing. Upon application to the Hearing Clerk, any person shall be entitled to a copy of the determination.

AUTHORITY: Sec. 8, 65 Stat. 75; 19 U.S.C. 1365.

SOURCE: 17 FR 8287, Sept. 16, 1952; 19 FR 57, Jan. 6, 1954, unless otherwise noted.

§ 6.2 Responsibility for actions under section 22 and section 8(a).

The primary responsibility within the Department of Agriculture for action on matters for which the Secretary is responsible under section 22 of the Agricultural Adjustment Act of 1933, as amended, and section 8(a) of the Trade Agreements Extension Act of 1951 is assigned to the Administrator, Foreign Agricultural Service (referred to in this part as the "Administrator"), but the other offices, agencies, and bureaus of the Department whose activities will be affected by any action under section 22 or section 8(a) shall be consulted by the Administrator in discharging his responsibility under this part.

§ 6.3 Requests by interested persons for action by Department of Agriculture.

(a) *Section 22.* A request for action under section 22 should be submitted in duplicate to the Administrator, Foreign Agricultural Service, United States Department of Agriculture, Washington 25, D.C. Such request shall

include a statement of the reasons why action would be warranted under section 22 and shall be supported by appropriate information and data.

(b) *Section 8(a)*. A request for action under section 8(a) should be submitted in duplicate to the Administrator, Foreign Agricultural Service, United States Department of Agriculture, Washington 25, D.C. Such request shall include a statement of the reasons why the commodity is perishable, and why, due to such perishability, a condition exists requiring emergency treatment, and shall be supported by appropriate information and data. A request under section 8(a) submitted in connection with a proposed section 7 (Trade Agreements Extension Act of 1951) investigation shall not be acted upon until a section 7 application has been properly filed by the person making the request with the Tariff Commission, and a copy of such application and supporting information and data are furnished the Administrator.

§ 6.4 Investigations.

(a) *Section 22*. The Administrator shall cause an investigation to be made whenever, based upon a request submitted pursuant to § 6.3 or upon other information available to him, he determines that there is reasonable ground to believe that the imposition of import quotas or fees under section 22 may be warranted, or that the termination or modification of import quotas or fees in effect under section 22 may be warranted.

(b) *Section 8(a)*. The Administrator shall cause an immediate investigation to be made whenever (1) a request is received for emergency treatment in connection with an application properly filed with the Tariff Commission under section 7; (2) a request is received for emergency treatment under section 22 if the Administrator determines that there is reasonable ground to believe that the imposition of import quotas or fees under section 22 may be warranted; or (3) the Administrator, upon the basis of other information available to him, has reasonable ground for believing that emergency treatment under section 8(a) is necessary. The Administrator shall expedite to the full-

est practicable extent his attention to requests for emergency treatment under section 8(a), and such requests shall receive priority over requests for other action under section 22. The investigation shall cover (1) whether the commodity is a perishable agricultural commodity; (2) whether, due to the perishability of the commodity, a condition exists requiring emergency treatment as indicated by such factors as (i) the marketing season for the commodity, (ii) past and prospective domestic production, stocks, requirements, and prices, (iii) past and prospective imports; and (3) such other matters as the Administrator determines are relevant to a determination as to whether emergency treatment for the commodity is necessary. No public hearing shall be held in connection with investigations under this paragraph.

§ 6.5 Hearings under section 22.

The Administrator is authorized to provide for such public hearings as he deems necessary to discharge the responsibility for action under section 22 vested in him by §§ 6.2 and 6.4(a). In view of the need, however, for prompt action on requests for action under section 22, public hearings shall be held in connection with investigations conducted under § 6.4(a) only when the Administrator determines that a public hearing is necessary to obtain supplementary information not otherwise available. Any public hearing which is held shall be conducted by representatives designated for the purpose by the Administrator; shall be preceded by such public notice as, in the opinion of the Administrator, will afford interested persons reasonable opportunity to attend and present information; and minutes of the proceedings at such hearing shall be obtained. Hearings shall be informal and technical rules of evidence shall not apply. Such hearings are for the purpose of obtaining information for the assistance of the Secretary. However, in discharging his responsibilities under section 22, the Secretary is not restricted to the information adduced at the hearings.

§ 6.6 Submission of recommendations under section 22.

(a) The Administrator shall make a report to the Secretary upon the completion of each investigation made by him pursuant to § 6.4(a). The report shall summarize the information disclosed by the investigation; shall contain the recommendations of the Administrator; and, in case action under section 22 is recommended, shall be accompanied by a suggested letter from the Secretary to the President recommending that the Tariff Commission be directed to conduct an investigation. Such report shall be submitted to the other offices, agencies, and bureaus of the Department of Agriculture whose activities would be affected, for concurrence or comment.

(b) The Secretary will recommend that the President direct the Tariff Commission to conduct an investigation under section 22 only if he has reason to believe, upon the basis of the information available to him, that import quotas or fees should be imposed.

§ 6.7 Submission of recommendations under section 8(a) (emergency treatment).

(a) *Section 22.* The Administrator's report submitted pursuant to § 6.6 shall indicate whether or not emergency treatment is necessary. If emergency treatment is recommended, the report shall discuss the condition which requires emergency treatment and be accompanied by suggested letters from the Secretary to the President, to the Tariff Commission, and to the petitioner (if any) advising them of the Secretary's determination. The suggested letter from the Secretary to the President shall include a recommendation as to whether such emergency treatment should take the form of action by the President prior to receiving the recommendations of the Tariff Commission, or whether a decision by the President may appropriately be withheld until the recommendations of the Tariff Commission are received. If emergency treatment requested is not recommended, the report to the Secretary shall be accompanied by suggested letters from the Secretary to the petitioner and the Tariff Commission stating the action taken.

(b) *Section 7.* The Administrator shall make a report to the Secretary upon the completion of each investigation made by him pursuant to § 6.4(b). The report shall summarize the information disclosed by the investigation, including the points listed in § 6.4(b) which were considered in reaching the recommendation, and shall contain the recommendations of the Administrator as to whether or not emergency treatment is required. If emergency treatment is recommended, the report shall discuss the condition which requires emergency treatment and shall be accompanied by suggested letters from the Secretary to the President, to the Tariff Commission, and to the petitioner advising them of the Secretary's determination. The suggested letter from the Secretary to the President shall include a recommendation as to whether such emergency treatment should take the form of action by the President prior to receiving the recommendations of the Tariff Commission, or whether a decision by the President may appropriately be withheld until the recommendations of the Tariff Commission are received. If emergency treatment is not recommended, the report to the Secretary shall be accompanied by suggested letters from the Secretary to the petitioner and to the Tariff Commission stating the action taken. Each such report shall be submitted to the other offices, agencies, and bureaus of the Department of Agriculture whose activities would be affected, for concurrence or comment.

§ 6.8 Representation at Tariff Commission hearings.

The Department of Agriculture shall be represented at all hearings conducted by the Tariff Commission under section 22 by persons designated by the Administrator, assisted by a representative of the Office of the General Counsel. Such representatives shall present the recommendations of the Department of Agriculture, shall submit such information and data in support thereof as are available, and shall exercise the right of examining other witnesses which is granted to the Secretary.

§ 6.9 Information.

Persons desiring information from the Department of Agriculture regarding section 22 or section 8(a), or any action with respect thereto, should address such inquiries to the Administrator, Foreign Agricultural Service, United States Department of Agriculture, Washington 25, DC.

Subpart—Dairy Tariff-Rate Import Quota Licensing

AUTHORITY: Additional U.S. Notes 6, 7, 8, 12, 14, 16-23 and 25 to Chapter 4 and General Note 15 of the Harmonized Tariff Schedule of the United States (19 U.S.C. 1202), Pub. L. 97-258, 96 Stat. 1051, as amended (31 U.S.C. 9701), and secs. 103 and 404, Pub. L. 103-465, 108 Stat. 4819 (19 U.S.C. 3513 and 3601).

SOURCE: 61 FR 53007, Oct. 9, 1996, unless otherwise noted.

§ 6.20 Introduction.

(a) Presidential Proclamation 6763 of December 23, 1994, modified the Harmonized Tariff Schedule of the United States affecting the import regime for certain articles of dairy products. The Proclamation terminated quantitative restrictions that had been imposed pursuant to section 22 of the Agricultural Adjustment Act of 1933, as amended (7 U.S.C. 624); proclaimed tariff-rate quotas for such articles pursuant to Pub. L. 103-465; and specified which of such articles may be entered only by or for the account of a person to whom a license has been issued by the Secretary of Agriculture.

(b) Effective January 1, 1995, the prior regime of absolute quotas for certain dairy products was replaced by a system of tariff-rate quotas. The articles subject to licensing under the new tariff-rate quotas are listed in Appendices 1, 2, and 3 of this subpart. Licenses will be issued pursuant to the provisions of this subpart for the 1997 and subsequent quota years. These licenses will permit the holder to import specified quantities of the subject articles into the United States at the applicable in-quota rate of duty. If an importer has no license for an article subject to a tariff-rate quota, such importer will, with certain exceptions, be required to pay the applicable over-quota rate of duty.

(c) The Secretary of Agriculture has determined that this subpart will, to the fullest extent practicable, result in fair and equitable allocation of the right to import articles subject to such tariff-rate quotas. The subpart will also maximize utilization of the tariff-rate quotas for such articles, taking due account of any special factors which may have affected or maybe affecting the trade in the articles concerned.

§ 6.22 Requirement for a license.

(a) *General rule.* A person who seeks to enter, or cause to be entered, an article shall obtain a license, in accord-

ance with this subpart, except as provided in paragraph (b).

(b) *Exceptions.* Licenses are not required if:

(1) The article is imported by or for the account of any agency of the U.S. Government;

(2) The article is imported for the personal use of the importer, provided that the net weight does not exceed five kilograms in any one shipment;

(3) The article imported will not enter the commerce of the United States and is imported as a sample for taking orders, for exhibition, for display or sampling at a trade fair, for research, for testing of equipment; or for use by embassies of foreign governments. Written approval of the Licensing Authority shall be obtained prior to entry, and the importer of record (or a broker or agent acting on its behalf) shall provide to the Licensing Authority, prior to the release of such articles, the appropriate Customs documentation identifying the article, quantity to be imported, its location, intended use, an entry number and the importer of record. The Licensing Authority may also require as a condition of import that the article be destroyed or re-exported after such use; or

(4) Such person pays the applicable over-quota rate of duty.

§ 6.23 Eligibility to apply for a license.

(a) *In general.* To apply for any license, a person shall have:

(1) A business office, and be doing business, in the United States, and

(2) An agent in the United States for service of process.

(b) *Eligibility for the 1997 and subsequent quota years—(1) Historical licenses (Appendix 1).* Any person issued a historical or nonhistorical license for the 1996 quota year for an article may apply for a historical license (Appendix 1) for the same article from the same country for the 1997 and subsequent quota years, if such person was, during the 12-month period ending August 31 prior to the quota year, either:

(i) Where the article is cheese or cheese product,

(A) The owner of and importer of record for at least three separate commercial entries of cheese or cheese products totaling not less than 57,000

kilograms net weight, each of the three entries not less than 2,000 kilograms net weight.

(B) The owner of and importer of record for at least eight separate commercial entries of cheese or cheese products, from at least eight separate shipments, totaling not less than 19,000 kilograms net weight, each of the eight entries not less than 450 kilograms net weight, with a minimum of two entries in each of at least three quarters during that period; or

(C) The owner or operator of a plant listed in Section II or listed in Section I as a processor of cheese of the most current issue of "Dairy Plants Surveyed and Approved for USDA Grading Service" and had processed or packaged at least 450,000 kilograms of cheese or cheese products in its own plant in the United States; or

(ii) Where the article is not cheese or cheese product,

(A) The owner of and importer of record for at least three separate commercial entries of dairy products totaling not less than 57,000 kilograms net weight, each of the three entries not less than 2,000 kilograms net weight;

(B) The owner of and importer of record for at least eight separate commercial entries of dairy products, from at least eight separate shipments, totaling not less than 19,000 kilograms net weight, each of the eight entries not less than 450 kilograms net weight, with a minimum of two entries in each of at least three quarters during that period;

(C) The owner or operator of a plant listed in the most current issue of "Dairy Plants Surveyed and Approved for USDA Grading Service" and had manufactured, processed or packaged at least 450,000 kilograms of dairy products in its own plant in the United States; or

(D) The exporter of dairy products in the quantities and number of shipments required under (A) or (B) above.

(2) *Certain butter.* A person issued a nonhistorical license for butter for the 1997 or 1998 quota year may annually apply for a historical license (Appendix 1) for the same quantity of butter for the subsequent quota year and each year thereafter, provided that such person has used at least 90 percent of the

original license issued for the previous quota year and meets the requirements of paragraph (b)(1)(ii). However, if a person is issued a historical license pursuant to this paragraph, that person may not be issued a nonhistorical license for butter for any quota year in which that historical license is issued to that person, unless applicants who do not hold such a license have all been issued such a nonhistorical license.

(3) *Nonhistorical licenses for cheese or cheese products (Appendix 2).* A person may annually apply for a nonhistorical license for cheese or cheese products (Appendix 2) for the 1997 quota year and each quota year thereafter if such person meets the requirements of paragraph (b)(1)(i) of this section.

(4) *Nonhistorical licenses for articles other than cheese or cheese products (Appendix 2).* A person may annually apply for a nonhistorical license for articles other than cheese or cheese products (Appendix 2) for the 1997 quota year and each quota year thereafter if such person meets the requirements of paragraph (b)(1)(ii).

(5) *Designated license (Appendix 3).* A person may annually apply for a designated license (Appendix 3) for the 1997 quota year and for each quota year thereafter, provided that such person meets the requirements of paragraph (b)(1)(i), of this section and provided further that the government of the country has designated such person for such license. The designating country shall submit its selection of designated importers in writing directly to the Licensing Authority not later than October 31 prior to the beginning of the quota year.

(c) *Exceptions.* (1) A licensee that fails in a quota year to enter at least 85 percent of the amount of an article permitted under a license, shall not be eligible to receive a license for the same article from the same country for the next quota year. For the purpose of this paragraph, the amount of an article permitted under the license will exclude any amounts surrendered pursuant to § 6.26(a), but will include any additional allocations received pursuant to § 6.26(b).

(2) Paragraph (c)(1) of this section will not apply where the licensee demonstrates to the satisfaction of the Licensing Authority that the failure resulted from breach by a carrier of its contract of carriage, breach by a supplier of its contract to supply the article, act of God or *force majeure*.

(3) Paragraph (c)(1) of this section may not apply in the case of historical or nonhistorical licenses, where the licensee demonstrates to the satisfaction of the Licensing Authority that the country specified on the license maintains or permits an export monopoly to control the dairy articles concerned and the licensee petitions the Licensing Authority to waive this requirement. The licensee shall submit evidence that the country maintains an export monopoly as defined in this paragraph. For the purposes of this paragraph "export monopoly" means a privilege vested in one or more persons consisting of the exclusive right to carry on the exportation of any article of dairy products from a country to the United States.

(4) The Licensing Authority will not issue a nonhistorical license (Appendix 2) for an article from a country during a quota year to an applicant who is affiliated with another applicant to whom the Licensing Authority is issuing a non-historical license for the same article from the same country for that quota year. Further, the Licensing Authority will not issue a non-historical license for butter to an applicant who is affiliated with another applicant to whom the Licensing Authority is issuing a historical butter license of 57,000 kilograms or greater. For the purpose of this paragraph, an applicant will be deemed affiliated with another applicant if:

(i) The applicant is the spouse, brother, sister, parent, child or grandchild of such other applicant;

(ii) The applicant is the spouse, brother, sister, parent, child or grandchild of an individual who owns or controls such other applicant;

(iii) The applicant is owned or controlled by the spouse, brother, sister, parent, child or grandchild of an individual who owns or controls such other applicant.

(iv) Both applicants are 5 percent or more owned or directly or indirectly controlled, by the same person;

(v) The applicant, or a person who owns or controls the applicant, benefits from a trust that controls such other applicant.

(5) The Licensing Authority will not issue a nonhistorical license (Appendix 2) for an article from a country during a quota year to an applicant who is associated with another applicant to whom the Licensing Authority is issuing a nonhistorical license for the same article from the same country for that quota year. Further, the Licensing Authority will not issue a non-historical license for butter to an applicant who is associated with another applicant to whom the Licensing Authority is issuing a historical butter license for 57,000 kilograms or greater. For the purpose of this paragraph, an applicant will be deemed associated with another applicant if:

(i) The applicant is an employee of, or is controlled by an employee of, such other applicant;

(ii) The applicant manages or is managed by such other applicant, or economically benefits, directly or indirectly, from the use of the license issued to such other applicant.

(6) The Licensing Authority will not issue a nonhistorical license for an article from a country, for which the applicant receives a designated license.

§ 6.24 Application for a license.

(a) Application for license shall be made on forms provided by the Licensing Authority and shall be duly notarized and mailed in accordance with § 6.35(b). All parts of the application shall be completed. For the 1997 quota year, applications should be postmarked no earlier than October 10 and no later than October 31. For the 1998 and subsequent quota years, the application shall be postmarked no earlier than September 1 and no later than October 15 of the year preceding that for which license application is made. The Licensing Authority will not accept incomplete or unpostmarked applications.

§ 6.25

(b)(1) Where the applicant seeks to establish eligibility on the basis of imports, applications shall include Customs Form 7501 showing the applicant as the importer of record of entries required under § 6.23, during the 12-month period ending August 31 prior to the quota year for which license is being sought.

(2) Where the applicant seeks to establish eligibility on the basis of exports, applications shall include:

(i) Census Form 7525 or a copy of the electronic submission of such form, and

(ii) The commercial invoice or bill of sale for the quantities and number of export shipments required under § 6.23, during the 12-month period ending August 31 prior to the quota year for which license is being sought.

(c) However, if the applicant is applying on the basis of more than eight shipments, the application shall include:

(1) The required documentary evidence for eight shipments;

(2) A signed certification that the remaining required documents are on file at the applicant's premises; and

(3)(i) If the application is made on the basis of imports, a listing of the entry numbers, dates of entry and volumes on those remaining documents; or

(ii) If the application is made on the basis of exports, a listing of the dates of export and volumes on those documents.

(d) An applicant requesting more than one nonhistorical license must rank order these requests by the applicable Additional U.S. Note number. Cheese and cheese products must be ranked separately from dairy articles which are not cheese or cheese products.

§ 6.25 Allocation of licenses.

(a) *Historical licenses for the 1997 quota year (Appendix 1).* (1) A person issued a historical license for the 1996 quota year will be issued a historical license for the 1997 quota year in an amount equal to the Basic Annual Allocation level used by the Licensing Authority for the 1996 quota year provided that such person meets the requirements of § 6.23(b)(1) and § 6.23(c).

7 CFR Subtitle A (1-1-04 Edition)

(2) A person issued a nonhistorical license for the 1996 quota year will be issued a historical license for the 1997 quota year for the same quantity as the license for the 1996 quota year, provided that such person meets the requirements of § 6.23.

(3) If a person was issued more than one historical license, or one or more historical licenses and a nonhistorical license, for the same article from the same country for the 1996 quota year, such person will be issued a single historical license for the 1997 quota year, the amount of which shall be determined in accordance with paragraphs, (a) (1) and (2) of this section.

(b) *Historical licenses for the 1998 and subsequent quota years (Appendix 1).* (1) A person issued a historical license for the 1997 quota year will be issued a historical license in the same amount for the same article from the same country for the 1998 quota year and for each subsequent quota year except that:

(i) Beginning with the 1999 quota year, a person who has surrendered more than 50 percent of such historical license in each of the prior three quota years will thereafter be issued a license in an amount equal to the average annual quantity entered during those three quota years; and

(ii) Beginning with the quota year 2001, a person who has surrendered more than 50 percent of such historical license in at least three of the prior five quota years will thereafter be issued a license in an amount equal to the average annual quantity entered during those five quota years.

(2) However, prior to the beginning of the 1999 quota year, the Secretary of Agriculture may determine that the exceptions in paragraphs (b)(1) (i) and (ii) of this section shall not apply in light of market conditions.

(c) *Nonhistorical licenses (Appendix 2).* The Licensing Authority will allocate nonhistorical licenses on the basis of a rank-order lottery system, which will operate as follows:

(1) The minimum license size shall be:

(i) Where the article is cheese or cheese product:

(A) The total amount available for nonhistorical license where such amount is less than 9,500 kilograms;

(B) 9,500 kilograms where the total amount available for nonhistorical license is between 9,500 kilograms and 500,000 kilograms, inclusive;

(C) 19,000 kilograms where the total amount available for nonhistorical license is between 500,001 kilograms and 1,000,000 kilograms, inclusive;

(D) 38,000 kilograms where the total amount available for nonhistorical license is greater than 1,000,000 kilograms; or

(E) An amount less than the minimum license size established in paragraphs (c)(1)(i) (A) through (D) of this section, if requested by the licensee;

(ii) Where the article is not cheese or cheese product:

(A) The total amount available for nonhistorical license where such amount is less than 19,000 kilograms;

(B) 19,000 kilograms where the total amount available for nonhistorical license is between 19,000 kilograms and 550,000 kilograms, inclusive;

(C) 38,000 kilograms where the total amount available for nonhistorical license is between 550,001 kilograms and 1,000,000 kilograms, inclusive; and

(D) 57,000 kilograms where the total amount available for nonhistorical license is greater than 1,000,000 kilograms;

(E) An amount less than the minimum license sizes established in paragraphs (c)(1)(i) (A) through (D) of this section, if requested by the licensee.

(2) Taking into account the order of preference expressed by each applicant, as required by § 6.24(c), the Licensing Authority will allocate licenses for an article from a country by a series of random draws. A license of minimum size will be issued to each applicant in the order established by such draws until the total amount of such article in Appendix 2 has been allocated. An applicant that receives a license for an article will be removed from the pool for subsequent draws until every applicant has been allocated at least one license, provided that the licenses for which they applied are not already fully allocated. Any amount remaining after the random draws which is less than the applicable minimum license size may, at the discretion of the Licensing Authority, be prorated equally

among the licenses awarded for that article.

(d) *Designated licenses (Appendix 3)*. (1) With respect to an article listed in Appendix 3, the government of the applicable country may, not later than October 31 prior to the beginning of a quota year, submit directly and in writing to the Licensing Authority:

(i) The names and addresses of the importers that it is designating to receive licenses; and

(ii) The amount, in percentage terms, of such article for which each such importer is being designated. Where quantities for designation result from both Tokyo Round concessions and Uruguay Round concessions, the designations should be made in terms of each.

(2) To the extent practicable, the Licensing Authority will issue designated licenses to those importers, and in those amounts, indicated by the government of the applicable country, provided that the importer designated meets the eligibility requirements set forth in § 6.23. Consistent with the international obligations of the United States, the Licensing Authority may disregard a designation if the Licensing Authority determines that the person designated is not eligible for any of the reasons set forth in § 6.23(c) (1) or (2).

(3) If a government of a country which negotiated in the Uruguay Round for the right to designate importers has not done so, but determines to designate importers for the next quota year, it shall indicate its intention to do so directly and in writing to the Licensing Authority not later than July 1 prior to the beginning of such next quota year. Furthermore, if a government that has designated importers for a quota year determines that it will not continue to designate importers for the next quota year, it shall so indicate directly and in writing to the Licensing Authority, not later than July 1 prior to such next quota year.

EFFECTIVE DATE NOTE: At 63 FR 13481, Mar. 20, 1998, in § 6.25, paragraphs (b)(1) (i) and (ii) were suspended indefinitely.

§ 6.26 Surrender and reallocation.

(a) If a licensee determines that it will not enter the entire amount of an article permitted under its license, such licensee shall surrender its license

right to enter the amount that it does not intend to enter. Surrender shall be made to the Licensing Authority in writing, mailed in accordance with § 6.35(b) and postmarked no later than October 1. Any surrender shall be final and shall be only for that quota year, except as provided in § 6.25(b). The amount of the license not surrendered shall be subject to the license use requirements of § 6.23(c)(1).

(b) For each quota year, the Licensing Authority will, to the extent practicable, reallocate any amounts surrendered.

(c) Any person who has been issued a license for a quota year may apply to receive additional license, or addition to an existing license for a portion of the amount being reallocated. The application shall be submitted to the Licensing Authority by mail postmarked no earlier than September 1 and not later than September 15, in accordance with § 6.35(b), and shall specify:

(1) The name and control number of the applicant;

(2) The article and country being requested, the applicable Additional U.S. Note number and, if more than one article is requested, a rank-order by Additional U.S. Note number; and

(3) If applicable, the number of the license issued to the applicant for that quota year permitting entry of the same article from the same country.

(d) The Licensing Authority will reallocate surrendered amounts among applicants as follows:

(1) The minimum license size, or addition to an existing license, will be the total amount of the article from a country surrendered, or 10,000 kilograms, whichever is less;

(2) Minimum size licenses, or additions to an existing license, will be allocated among applicants requesting articles on the basis of the rank-order lottery system described in § 6.25(c);

(3) If there is any amount of an article from a country left after minimum size licenses have been issued, the Licensing Authority may allocate the remainder in any manner it determines equitable among applicants who have requested that article; and

(4) No amount will be reallocated to a licensee who has surrendered a portion of its license for the same article

from the same country during that quota year unless all other licensees applying for a reallocated quantity have been allocated a license;

(e) However, if the government of an exporting country chooses to designate eligible importers for surrendered amounts under Appendix 3, the Licensing Authority shall issue the licenses in accordance with § 6.25(d)(2), provided that the government of the exporting country notifies the Licensing Authority of its designations no later than September 1. Such notification shall contain the names and addresses of the importers that it is designating and the amount in percentage terms of such article for which each importer is being designated. In such case the requirements of paragraph (c) of this section shall not apply.

(f) Except for paragraph (a), the provisions of § 6.26 for surrendered and reallocated tariff-rate quota shares do not apply for the 1996 quota year. Re-issued tariff-rate quota shares for licenses surrendered during 1996 will be made pursuant to the provisions in effect for the 1996 quota year (§ 6.26(f)(2) as contained in 7 CFR subtitle A, revised as of January 1, 1996).

§ 6.27 Limitations on use of license.

(a) A licensee shall not obtain or use a license for speculation, brokering, or offering for sale, or permit any other person to use the license for profit.

(b) A licensee who is eligible as a manufacturer or processor, pursuant to § 6.23, shall process at least 75 percent of its licensed imports in such person's own facilities and maintain the records necessary to so substantiate.

§ 6.28 Transfer of license.

(a) If a licensee sells or conveys its business involving articles covered by this subpart to another person, including the complete transfer of the attendant assets, the Licensing Authority will transfer to such other person the historical, nonhistorical or designated license issued for that quota year. Such sale or conveyance must be unconditional, except that it may be in escrow with the sole condition for return of escrow being that the Licensing Authority determines that such sale

does not meet the requirements of this paragraph.

(b) The parties seeking transfer of license shall give written notice to the Licensing Authority of the intended sale or conveyance described in paragraph (a) by mail as required in § 6.35(b). The notice must be received by the Licensing Authority at least 20 working days prior to the intended consummation of the sale or conveyance. Such written notice shall include copies of the documents of sale or conveyance. The Licensing Authority will review the documents for compliance with the requirements of paragraph (a) of this section and advise the parties in writing of its findings by the end of the 20-day period. The parties shall have the burden of demonstrating to the satisfaction of the Licensing Authority that the contemplated sale or conveyance complies with the requirements of paragraph (a) of this section. Within 15 days of the consummation of the sale or conveyance, the parties shall mail copies of the final documents to the Licensing Authority, in accordance with § 6.35(b). The Licensing Authority will not transfer the licenses unless the documents are submitted in accordance with this paragraph.

(c) The eligibility for a license of a person to whom a business is sold or conveyed will be determined for the next quota year in accordance with § 6.23. For the purposes of § 6.23(b)(1) the person to whom a business is sold or conveyed shall be deemed to be the person to whom the historical licenses were issued during the quota year in which the sale or conveyance occurred. Further, for the purposes of § 6.23 (b) and (c), the entries made under such licenses by the original licensee during the year in which the sale of conveyance is made, shall be considered as having been made by the person to whom the business was sold or conveyed.

§ 6.29 Use of licenses.

(a) An article entered under a license shall be an article produced in the country specified on the license.

(b) An article entered or withdrawn from warehouse for consumption under a license must be entered in the name of the licensee as the importer of

record by the licensee or its agent, and must be owned by the licensee at the time of such entry.

(c) If the article entered or withdrawn from warehouse for consumption was purchased by the licensee through a direct sale from a foreign supplier, the licensee shall present, at the time of entry:

(1) A true and correct copy of a through bill of lading from the country; and

(2) A commercial invoice or bill of sale from the seller, showing the quantity and value of the product, the date of purchase and the country; or

(3) Where the article was entered into warehouse by the foreign supplier, Customs Form 7501 endorsed by the foreign supplier and the commercial invoice.

(d) If the article entered was purchased by the licensee via sale-in-transit, the licensee shall present, at the time of entry:

(1) A true and correct copy of a through bill of lading endorsed by the original consignee of the goods;

(2) A certified copy of the commercial invoice or bill of sale from the foreign supplier to the original consignee of the goods; and

(3) A commercial invoice or bill of sale from the original consignee to the licensee.

(e) If the article entered was purchased by the licensee in warehouse, the licensee shall present, at the time of entry:

(1) Customs Form 7501 endorsed by the original consignee of the goods;

(2) A certified copy of the commercial invoice or bill of sale from the foreign supplier to the original consignee of the goods; and

(3) A commercial invoice or bill of sale from the original consignee to the licensee.

(f) The Licensing Authority may waive the requirements of paragraphs (c), (d) or (e), if it determines that because of strikes, lockouts or other unusual circumstances, compliance with those requirements would unduly interfere with the entry of such articles.

(g) Nothing in this subpart shall prevent the use of immediate delivery in

§ 6.30

accordance with the provisions of Customs regulations relating to tariff-rate quotas.

§ 6.30 Record maintenance and inspection.

A licensee shall retain all records relating to its purchases, sales and transactions governed by this subpart, including all records necessary to establish the licensee's eligibility, for five years subsequent to the end of the quota year in which such purchases, sales or transactions occurred. During that period, the licensee shall, upon reasonable notice and during ordinary hours of business, grant officials of the U.S. Department of Agriculture full and complete access to the licensee's premises to inspect, audit or copy such records.

§ 6.31 Debarment and suspension.

7 CFR part 3017—Governmentwide Debarment and Suspension (Non-procurement) and Government Requirements for Drug-Free Workplace (Grants), Subparts A through E, applies to this subpart.

§ 6.32 Globalization of licenses.

If the Licensing Authority determines that entries of an article from a country are likely to fall short of that country's allocated amount as indicated in Appendices 1, 2, and 3, the Licensing Authority may permit, with the approval of the Office of the United States Trade Representative, the applicable licensees to enter the remaining balance or a portion thereof from any country during that quota year. Requests for consideration of such adjustments must be submitted to the Licensing Authority no later than September 1. The Licensing Authority will obtain prior consent for such an adjustment of licenses from the government of the exporting country for quantities in accordance with the Uruguay Round commitment of the United States.

§ 6.33 License fee.

(a) A fee will be assessed each quota year for each license to defray the Department's costs of administering the licensing system. To the extent practicable, the fee will be announced by the Licensing Authority in a notice

7 CFR Subtitle A (1–1–04 Edition)

published in the FEDERAL REGISTER no later than August 31 of the year preceding the quota year for which the fee is assessed.

(b) The license fee for each license issued is due and payable in full by mail, postmarked no later than May 1 of the year for which the license is issued, in accordance with § 6.35(b). The fee for any license issued after May 1 of any quota year is due and payable in full by mail, postmarked no later than 30 days from the date of issuance of the license, in accordance with § 6.35(b). Fee payments shall be made by certified check or money order payable to the Treasurer of the United States.

(c) If the license fee is not paid by the final payment date, a hold will be placed on the use of the license and no articles will be permitted entry under that license. The Licensing Authority shall send a warning letter by certified mail, return receipt requested, advising the licensee that if payment is not mailed in accordance with § 6.35(b) or received within 21 days from the date of the letter, that the license will be revoked. Where the license at issue is a historical license, this will result, pursuant to § 6.23(b), in the person's loss of historical eligibility for such license.

(d) Licensees may elect not to accept certain licenses issued to them; however, the Licensing Authority must be so notified by mail, postmarked no later than the May 1, in accordance with § 6.35(b).

§ 6.34 Adjustment of Appendices.

(a) Whenever a historical license (Appendix 1) is not issued to an applicant pursuant to the provisions of § 6.23, is permanently surrendered or is revoked by the Licensing Authority, the amount of such license will be transferred to Appendix 2.

(b) The cumulative annual transfers to Appendix 2 made in accordance with paragraph (a) will be published in the FEDERAL REGISTER. If a transfer results in the addition of a new article, or an article from a country not previously listed in Appendix 2, the Licensing Authority shall afford all eligible applicants for that quota year the opportunity to apply for a license for such article.

§ 6.35 Correction of errors.

(a) If a person demonstrates, to the satisfaction of the Licensing Authority, that errors were made by officers or employees of the United States Government, the Licensing Authority will review and rectify the errors to the extent permitted under this subpart.

(b) To be considered, a person must provide sufficient documentation regarding the error to the Licensing Authority by letter, postmarked not later than August 31 of the calendar year following the calendar year in which the error was alleged to have been committed.

(c) If the error resulted in the loss of a historical license by a license holder, the Licensing Authority will transfer the amount of such license from Appendix 2 to Appendix 1 in order to provide for the issuance of such license in the calendar year following the calendar year for which the license was revoked. The cumulative annual transfers to Appendix 1 in accordance with this paragraph will be published in the FEDERAL REGISTER.

§ 6.36 Miscellaneous.

(a) If any deadline date in this subpart falls on a Saturday, Sunday or a

Federal holiday, then the deadline shall be the next business day.

(b) All submissions required by mail in this subpart shall be by registered or certified mail, return receipt requested, with a postmarked receipt, with the proper postage affixed and properly addressed to the Dairy Import Licensing Group, STOP 1021, U.S. Department of Agriculture, 1400 Independence Avenue SW., Washington DC 20250-1021.

§ 6.37 Supersedure of Import Regulation 1, Revision 7.

This subpart will supersede the provisions of Import Regulation 1, Revision 7 heretofore in effect (§§ 6.20 through 6.33 and appendices 1 through 3 as contained in 7 CFR subtitle A revised as of January 1, 1996). With respect to any violation of the provisions of that regulation by a licensee prior to the effective date hereof, the provisions of that regulation will be deemed to continue in full force; however, the debarment and suspension of § 6.31 of this subpart shall apply with respect to any violation of that regulation.

SOURCE: 45 FR 9883, Feb. 13, 1980, unless otherwise noted.

§ 6.40 General.

This subpart sets forth the procedures applicable to the determination

by the Secretary of Agriculture as to whether the price at which any article of quota cheese is being offered for sale in the United States on a duty-paid wholesale basis is less than the domestic wholesale market price of similar articles produced in the United States (i.e., price-undercutting) in accordance with section 702 of the Trade Agreements Act of 1979 (Pub. L. 96-39, 93 Stat. 144, 19 U.S.C. 1202 note) (hereinafter referred to as the Act).

(h) The *United States* means the Customs Territory of the United States, which is limited to the United States, District of Columbia and Puerto Rico.

§ 6.42 Complaints of price-undercutting.

(a) *Submission of complaint.* Any person who has reason to believe that the

price at which any article of quota cheese is offered for sale or sold in the United States on a duty-paid wholesale price basis is less than the domestic wholesale market price of similar articles produced in the United States and that a foreign government is providing a subsidy with respect to such article of quota cheese may file with the Investigating Authority a written complaint making such allegation.

(b) *Contents of complaint.* Such complaint shall contain, or be accompanied by, information to substantiate complainant's allegations, in substantially the following form:

(1) The name and address of the complainant.

(2) The location of the domestic wholesale market in which price-undercutting is alleged to be occurring.

(3) The article of quota cheese involved in the alleged price-undercutting.

(4) The country of origin of such article of quota cheese.

(5) The similar domestic article, the price of which the complainant believes is being undercut.

(6) The month and year that the complainant first concluded that the price-undercutting was taking place.

(7) To extent known to the complainant, all pertinent facts with regard to the alleged subsidy, and, if known, the statutory or other authority under which it is paid, the manner in which it is paid, and the value of such subsidy when received and used by producers or sellers of such quota cheese.

(8) All other information which the complainant believes substantiates the allegation of price-undercutting, including the complainant's estimate of the domestic wholesale market price of the similar article produced in the United States and the duty-paid wholesale price of the quota cheese involved. If available, samples of the domestic and imported cheese products should be submitted.

§ 6.43 Determinations.

(a) *Making determinations.* Not later than 30 days after receiving an acceptable complaint, as described in § 6.42(b), alleging price-undercutting, the Secretary shall make a determination as to the validity of the allegation. In

making such determination, the following shall apply:

(1) The "domestic wholesale market" shall be one or more of the three major U.S. market areas, viz., New York City, Chicago, and San Francisco, and/or any other market area within the Customs Territory of the United States, which the Investigating Authority determines most representative of the area specified by the complainant as the one in which price-undercutting is alleged to be occurring (hereinafter referred to as "designated area").

(2) The "duty-paid wholesale price" determined by the Investigating Authority shall be the average of prices at which wholesalers have sold or offered for sale in the designated area the article of quota cheese alleged to be involved in price-undercutting, as obtained in a survey directed by the Investigating Authority during the investigation: *Provided*, That whenever the designated area is not or does not include one of the major market areas specified in paragraph (a)(1) of this section, the Investigating Authority may adjust the average of prices determined for such designated area on the basis of the average of prices determined for the major market area which is determined to be the most representative of the designated area, taking into consideration any special factors which may be affecting prices in the designated area.

(3) The "domestic wholesale market price" determined by the Investigating Authority for a similar article produced in the United States to that article of quota cheese which is alleged to be involved in price-undercutting shall be the average of prices at which wholesalers have sold the similar article produced in the United States in the designated area, as obtained in a survey directed by the Investigating Authority during the investigation: *Provided*, That whenever the designated area is not or does not include one of the major market areas specified in paragraph (a)(1) of this section, the Investigating Authority may adjust the average of prices determined for such designated area on the basis of the average of prices determined for the major market area which is determined to be the most representative of

the designated area, taking into consideration any special factors which may be affecting prices in the designated area.

(4) "Similar article produced in the United States" shall be an article of cheese, cheese product, or imitation cheese produced in the United States and marketed in the domestic wholesale market, which is determined by the Investigating Authority, based upon available information to be most like the imported article of quota cheese alleged to be involved in price-undercutting, in terms of its physical properties and end use. In making this determination, first consideration shall be given to the normal end uses of the article produced in the United States in comparison with the end use of the article of quota cheese alleged to be involved in price-undercutting. If the end use of both articles is determined to be the same (e.g., processing or retail sale), the physical characteristics of the two articles shall be considered.

If the common end use of the two articles is processing, the representative samples of the two articles shall be examined in terms of processing quality, taking special note of processing yields. If the common end use of the two articles is retail sale, representative samples of the two articles shall be examined in terms of similarities of taste, texture, general appearance, quality, age, and packaging. Imported imitation quota cheese shall only be compared with imitation domestic cheese. If it is determined that the domestic cheese the price of which is claimed to be undercut is not similar to the quota cheese allegedly undercutting it, there shall be no finding of price-undercutting.

(b) *Reporting determinations.* Determinations by the Secretary as to the validity of allegations of price-undercutting made under this subpart shall be published in the FEDERAL REGISTER not later than 5 days after the date the determination is made.

Such person shall have 15 days from the date of receipt of such determination to advise in writing, in person or both, why the action should not be taken. If any further investigation develops substantial additional reasons for disqualification, the person involved shall be given a written statement of such reasons and 15 days from the date of mailing in which to respond. The State committee may remove the disqualification for future service or employment only with prior approval of the Deputy Administrator.

§ 11.2 General statement.

(a) This part sets forth procedures for proceedings before the National Appeals Division within the Department. The Division is an organization within the Department, subject to the general supervision of and policy direction by

7 CFR Subtitle A (1-1-04 Edition)

the Secretary, which is independent from all other agencies and offices of the Department, including Department officials at the state and local level. The Director of the Division reports directly to the Secretary of Agriculture. The authority of the Hearing Officers and the Director of the Division, and the administrative appeal procedures which must be followed by program participants who desire to appeal an adverse decision and by the agency which issued the adverse decision, are included in this part.

(b) Pursuant to section 212(e) of the Federal Crop Insurance Reform and Department of Agriculture Reorganization Act of 1994, Pub. L. 103-354 (the Act), 7 U.S.C. 6912(e), program participants shall seek review of an adverse decision before a Hearing Officer of the Division, and may seek further review by the Director, under the provisions of this part prior to seeking judicial review.

§ 11.3 Applicability.

(a) *Subject matter.* The regulations contained in this part are applicable to adverse decisions made by an agency, including, for example, those with respect to:

(1) Denial of participation in, or receipt of benefits under, any program of an agency;

(2) Compliance with program requirements;

(3) The making or amount of payments or other program benefits to a participant in any program of an agency; and

(4) A determination that a parcel of land is a wetland or highly erodible land.

(b) *Limitation.* The procedures contained in this part may not be used to seek review of statutes or USDA regulations issued under Federal Law.

§ 11.4 Inapplicability of other laws and regulations.

(a) Reserved.

(b) The Federal Rules of Evidence, 28 U.S.C. App., shall not apply to proceedings under this part.

§ 11.5 Informal review of adverse decisions.

(a) *Required informal review of FSA adverse decisions.* Except with respect to farm credit programs, a participant must seek an informal review of an adverse decision issued at the field service office level by an officer or employee of FSA, or by any employee of a county or area committee established under section 8(b)(5) of the Soil Conservation and Domestic Allotment Act, 16 U.S.C. 590h(b)(5), before NAD will accept an appeal of a FSA adverse decision. Such informal review shall be done by the county or area committee with responsibility for the adverse decision at issue. The procedures for requesting such an informal review before FSA are found in 7 CFR part 780. After receiving a decision upon review by a county or area committee, a participant may seek further informal review by the State FSA committee or may appeal directly to NAD under § 11.6(b).

(b) *Optional informal review.* With respect to adverse decisions issued at the State office level of FSA and adverse decisions of all other agencies, a participant may request an agency informal review of an adverse decision of that agency prior to appealing to NAD. Procedures for requesting such an informal review are found at 7 CFR part 780 (FSA), 7 CFR part 614 (NRCS), 7 CFR part 1900, subpart B (RUS), 7 CFR part 1900, subpart B (RBS), and 7 CFR part 1900, subpart B (RHS).

(c) *Mediation.* A participant also shall have the right to utilize any available alternative dispute resolution (ADR) or mediation program, including any mediation program available under title V of the Agricultural Credit Act of 1987, 7 U.S.C. 5101 *et seq.*, in order to attempt to seek resolution of an adverse decision of an agency prior to a NAD hearing. If a participant:

(1) Requests mediation or ADR prior to filing an appeal with NAD, the participant stops the running of the 30-day period during which a participant may appeal to NAD under § 11.6(b)(1), and will have the balance of days remaining in that period to appeal to NAD once mediation or ADR has concluded.

(2) Requests mediation or ADR after having filed an appeal to NAD under

§ 11.6(b), but before the hearing, the participant will be deemed to have waived his right to have a hearing within 45 days under § 11.8(c)(1) but shall have a right to have a hearing within 45 days after conclusion of mediation or ADR.

§ 11.6 Director review of agency determination of appealability and right of participants to Division hearing.

(a) *Director review of agency determination of appealability.* (1) Not later than 30 days after the date on which a participant receives a determination from an agency that an agency decision is not appealable, the participant must submit a written request personally signed by the participant to the Director to review the determination in order to obtain such review by the Director.

(2) The Director shall determine whether the decision is adverse to the individual participant and thus appealable or is a matter of general applicability and thus not subject to appeal, and will issue a final determination notice that upholds or reverses the determination of the agency. This final determination is not appealable. If the Director reverses the determination of the agency, the Director will notify the participant and the agency of that decision and inform the participant of his or her right to proceed with an appeal.

(3) The Director may delegate his or her authority to conduct a review under this paragraph to any subordinate official of the Division other than a Hearing Officer. In any case in which such review is conducted by such a subordinate official, the subordinate official's determination shall be considered to be the determination of the Director and shall be final and not appealable.

(b) *Appeals of adverse decisions.* (1) To obtain a hearing under § 11.8, a participant personally must request such hearing not later than 30 days after the date on which the participant first received notice of the adverse decision or after the date on which the participant receives notice of the Director's determination that a decision is appealable. In the case of the failure of an agency to act on the request or right of a recipient, a participant personally must

§ 11.7

request such hearing not later than 30 days after the participant knew or reasonably should have known that the agency had not acted within the timeframes specified by agency program regulations, or, where such regulations specify no timeframes, not later than 30 days after the participant reasonably should have known of the agency's failure to act.

(2) A request for a hearing shall be in writing and personally signed by the participant, and shall include a copy of the adverse decision to be reviewed, if available, along with a brief statement of the participant's reasons for believing that the decision, or the agency's failure to act, was wrong. The participant also shall send a copy of the request for a hearing to the agency, and may send a copy of the adverse decision to be reviewed to the agency, but failure to do either will not constitute grounds for dismissal of the appeal. Instead of a hearing, the participant may request a record review.

(c) If a participant is represented by an authorized representative, the authorized representative must file a declaration with NAD, executed in accordance with 28 U.S.C. 1746, stating that the participant has duly authorized the declarant in writing to represent the participant for purposes of a specified adverse decision or decisions, and attach a copy of the written authorization to the declaration.

§ 11.7 Ex parte communications.

(a)(1) At no time between the filing of an appeal and the issuance of a final determination under this part shall any officer or employee of the Division engage in *ex parte* communications regarding the merits of the appeal with any person having any interest in the appeal pending before the Division, including any person in an advocacy or investigative capacity. This prohibition does not apply to:

(i) Discussions of procedural matters related to an appeal; or

(ii) Discussions of the merits of the appeal where all parties to the appeal have been given notice and an opportunity to participate.

(2) In the case of a communication described in paragraph (a)(1)(ii) of this section, a memorandum of any such

7 CFR Subtitle A (1-1-04 Edition)

discussion shall be included in the hearing record.

(b) No interested person shall make or knowingly cause to be made to any officer or employee of the Division an *ex parte* communication relevant to the merits of the appeal.

(c) If any officer or employee of the Division receives an *ex parte* communication in violation of this section, the one who receives the communication shall place in the hearing record:

(1) All such written communications;

(2) Memoranda stating the substance of all such oral communications; and

(3) All written responses to such communications, and memoranda stating the substance of any oral responses thereto.

(d) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section the Hearing Officer or Director may, to the extent consistent with the interests of justice and the policy of the underlying program, require the party to show cause why such party's claim or interest in the appeal should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

§ 11.8 Division hearings.

(a) *General rules.* (1) The Director, the Hearing Officer, and the appellant shall have access to the agency record of any adverse decision appealed to the Division for a hearing. Upon request by the appellant, the agency shall provide the appellant a copy of the agency record.

(2) The Director and Hearing Officer shall have the authority to administer oaths and affirmations, and to require, by subpoena, the attendance of witnesses and the production of evidence. A Hearing Officer shall obtain the concurrence of the Director prior to issuing a subpoena.

(i) A subpoena requiring the production of evidence may be requested and issued at any time while the case is pending before the Division.

(ii) An appellant or an agency, acting through any appropriate official, may request the issuance of a subpoena requiring the attendance of a witness by submitting such a request in writing at least 14 days before the scheduled date of a hearing. The Director or Hearing

Officer shall issue a subpoena at least 7 days prior to the scheduled date of a hearing.

(iii) A subpoena shall be issued only if the Director or a Hearing Officer determined that:

(A) For a subpoena of documents, the appellant or the agency has established that production of documentary evidence is necessary and is reasonably calculated to lead to information which would affect the final determination or is necessary to fully present the case before the Division; or

(B) For a subpoena of a witness, the appellant or the agency has established that either a representative of the Department or a private individual possesses information that is pertinent and necessary for disclosure of all relevant facts which could impact the final determination, that the information cannot be obtained except through testimony of the person, and that the testimony cannot be obtained absent issuance of a subpoena.

(iv) The party requesting issuance of a subpoena shall arrange for service. Service of a subpoena upon a person named therein may be made by registered or certified mail, or in person. Personal service shall be made by personal delivery of a copy of the subpoena to the person named therein by any person who is not a party and who is not less than 18 years of age. Proof of service shall be made by filing with the Hearing Officer or Director who issued the subpoena a statement of the date and manner of service and of the names of the persons served, certified by the person who made the service in person or by return receipts for certified or registered mail.

(v) A party who requests that a subpoena be issued shall be responsible for the payment of any reasonable travel and subsistence costs incurred by the witness in connection with his or her appearance and any fees of a person who serves the subpoena in person. The Department shall pay the costs associated with the appearance of a Department employee whose role as a witness arises out of his or her performance of official duties, regardless of which party requested the subpoena. The failure to make payment of such charges on demand may be deemed by the Hear-

ing Officer or Director as sufficient ground for striking the testimony of the witness and the evidence the witness has produced.

(vi) If a person refuses to obey a subpoena, the Director, acting through the Office of the General Counsel of the Department and the Department of Justice, may apply to the United States District Court in the jurisdiction where that person resides to have the subpoena enforced as provided in the Federal Rules of Civil Procedure (28 U.S.C. App.).

(3) Testimony required by subpoena pursuant to paragraph (a)(2) of this section may, at the discretion of the Director or a Hearing Officer, be presented at the hearing either in person or telephonically.

(b) *Hearing procedures applicable to both record review and hearings.* (1) Upon the filing of an appeal under this part of an adverse decision by any agency, the agency promptly shall provide the Division with a copy of the agency record. If requested by the applicant prior to the hearing, a copy of such agency record shall be provided to the appellant by the agency within 10 days of receipt of the request by the agency.

(2) The Director shall assign the appeal to a Hearing Officer and shall notify the appellant and agency of such assignment. The notice also shall advise the appellant and the agency of the documents required to be submitted under paragraph (c)(2) of this section, and notify the appellant of the option of having a hearing by telephone.

(3) The Hearing Officer will receive evidence into the hearing record without regard to whether the evidence was known to the agency officer, employee, or committee making the adverse decision at the time the adverse decision was made.

(c) *Procedures applicable only to hearings.* (1) Upon a timely request for a hearing under § 11.6(b), an appellant has the right to have a hearing by the Division on any adverse decision within 45 days after the date of receipt of the request for the hearing by the Division.

(2) The Hearing Officer shall set a reasonable deadline for submission of the following documents:

(i) By the appellant;

(A) A short statement of why the decision is wrong;

(B) A copy of any document not in the agency record that the appellant anticipates introducing at the hearing; and

(C) A list of anticipated witnesses and brief descriptions of the evidence such witnesses will offer.

(ii) By the agency:

(A) A copy of the adverse decision challenged by the appellant;

(B) A written explanation of the agency's position, including the regulatory or statutory basis therefor;

(C) A copy of any document not in the agency record that the agency anticipates introducing at the hearing; and

(D) A list of anticipated witnesses and brief descriptions of the evidence such witnesses will offer.

(3) Not less than 14 days prior to the hearing, the Division must provide the appellant, the authorized representative, and the agency a notice of hearing specifying the date, time, and place of the hearing. The hearing will be held in the State of residence of the appellant, as determined by the Hearing Officer, or at a location that is otherwise convenient to the appellant, the agency, and the Division. The notice also shall notify all parties of the right to obtain an official record of the hearing.

(4) Pre-hearing conference. Whenever appropriate, the Hearing Officer shall hold a pre-hearing conference in order to attempt to resolve the dispute or to narrow the issues involved. Such pre-hearing conference shall be held by telephone unless the Hearing Officer and all parties agree to hold such conference in person.

(5) Conduct of the hearing. (i) A hearing before a Hearing Officer will be in person unless the appellant agrees to a hearing by telephone.

(ii) The hearing will be conducted by the Hearing Officer in the manner determined by the Division most likely to obtain the facts relevant to the matter or matters at issue. The Hearing Officer will allow the presentation of evidence at the hearing by any party without regard to whether the evidence was known to the officer, employee, or committee of the agency making the adverse decision at the time the ad-

verse decision was made. The Hearing Officer may confine the presentation of facts and evidence to pertinent matters and exclude irrelevant, immaterial, or unduly repetitious evidence, information, or questions. Any party shall have the opportunity to present oral and documentary evidence, oral testimony of witnesses, and arguments in support of the party's position; controvert evidence relied on by any other party; and question all witnesses. When appropriate, agency witnesses requested by the appellant will be made available at the hearing. Any evidence may be received by the Hearing Officer without regard to whether that evidence could be admitted in judicial proceedings.

(iii) An official record shall be made of the proceedings of every hearing. This record will be made by an official tape recording by the Division. In addition, either party may request that a verbatim transcript be made of the hearing proceedings and that such transcript shall be made the official record of the hearing. The party requesting a verbatim transcript shall pay for the transcription service, shall provide a certified copy of the transcript to the Hearing Officer free of charge, and shall allow any other party desiring to purchase a copy of the transcript to order it from the transcription service.

(6) Absence of parties. (i) If at the time scheduled for the hearing either the appellant or the agency representative is absent, and no appearance is made on behalf of such absent party, or no arrangements have been made for rescheduling the hearing, the Hearing Officer has the option to cancel the hearing unless the absent party has good cause for the failure to appear. If the Hearing Officer elects to cancel the hearing, the Hearing Officer may:

(A) Treat the appeal as a record review and issue a determination based on the agency record as submitted by the agency and the hearing record developed prior to the hearing date;

(B) Accept evidence into the hearing record submitted by any party present at the hearing (subject to paragraph (c)(6)(ii) of this section), and then issue a determination; or

(C) Dismiss the appeal.

(ii) When a hearing is cancelled due to the absence of a party, the Hearing Officer will add to the hearing record any additional evidence submitted by any party present, provide a copy of such evidence to the absent party or parties, and allow the absent party or parties 10 days to provide a response to such additional evidence for inclusion in the hearing record

(iii) Where an absent party has demonstrated good cause for the failure to appear, the Hearing Officer shall reschedule the hearing unless all parties agree to proceed without a hearing.

(7) Post-hearing procedure. The Hearing Officer will leave the hearing record open after the hearing for 10 days, or for such other period of time as the Hearing Officer shall establish, to allow the submission of information by the appellant or the agency, to the extent necessary to respond to new facts, information, arguments, or evidence presented or raised at the hearing. Any such new information will be added by the Hearing Office to the hearing record and sent to the other party or parties by the submitter of the information. The Hearing Officer, in his or her discretion, may permit the other party or parties to respond to this post-hearing submission.

(d) *Interlocutory review.* Interlocutory review by the Director of rulings of a Hearing Officer are not permitted under the procedures of this part.

(e) *Burden of proof.* The appellant has the burden of proving that the adverse decision of the agency was erroneous by a preponderance of the evidence.

(f) *Timing of issuance of determination.* The Hearing Officer will issue a notice of the determination on the appeal to the named appellant, the authorized representative, and the agency not later than 30 days after a hearing or the closing date of the hearing record in cases in which the Hearing Officer receives additional evidence from the agency or appellant after a hearing. In the case of a record review, the Hearing Officer will issue a notice of determination within 45 days of receipt of the appellant's request for a record review. Upon the Hearing Officer's request, the Director may establish an earlier or later deadline. A notice of determination shall be accompanied by a copy of

the procedures for filing a request for Director review under §11.9. If the determination is not appealed to the Director for review under §11.9, the notice provided by the Hearing Officer shall be considered to be a notice of a final determination under this part.

§11.9 Director review of determinations of Hearing Officers.

(a) *Requests for Director review.* (1) Not later than 30 days after the date on which an appellant receives the determination of a Hearing Officer under §11.8, the appellant must submit a written request, signed personally by the named appellant, to the Director to review the determination in order to be entitled to such review by the Director. Such request shall include specific reasons why the appellant believes the determination is wrong.

(2) Not later than 15 business days after the date on which an agency receives the determination of a Hearing Officer under §11.8, the head of the agency may make a written request that the Director review the determination. Such request shall include specific reasons why the agency believes the determination is wrong, including citations of statutes or regulations that the agency believes the determination violates. Any such request may be made by the head of an agency only, or by a person acting in such capacity, but not by any subordinate officer of such agency.

(3) A copy of a request for Director review submitted under this paragraph shall be provided simultaneously by the submitter to each party to the appeal.

(b) *Notification of parties.* The Director promptly shall notify all parties of receipt of a request for review.

(c) *Responses to request for Director review.* Other parties to an appeal may submit written responses to a request for Director review within 5 business days from the date of receipt of a copy of the request for review.

(d) *Determination of Director.* (1) The Director will conduct a review of the determination of the Hearing Officer using the agency record, the hearing record, the request for review, any responses submitted under paragraph (c)

§ 11.10

7 CFR Subtitle A (1–1–04 Edition)

of this section, and such other arguments or information as may be accepted by the Director, in order to determine whether the decision of the Hearing Officer is supported by substantial evidence. Based on such review, the Director will issue a final determination notice that upholds, reverses, or modifies the determination of the Hearing Officer. The Director's determination upon review of a Hearing Officer's decision shall be considered to be the final determination under this part and shall not be appealable. However, if the Director determines that the hearing record is inadequate or that new evidence has been submitted, the Director may remand all or a portion of the determination to the Hearing Officer for further proceedings to complete the hearing record or, at the option of the Director, to hold a new hearing.

(2) The Director will complete the review and either issue a final determination or remand the determination not later than—

(i) 10 business days after receipt of the request for review, in the case of a request by the head of an agency; or

(ii) 30 business days after receipt of the request for review, in the case of a request by an appellant.

(3) In any case or any category of cases, the Director may delegate his or her authority to conduct a review under this section to any Deputy or Assistant Directors of the Division. In any case in which such review is conducted by a Deputy or Assistant Director under authority delegated by the Director, the Deputy or Assistant Director's determination shall be considered to be the determination of the Director under this part and shall be final and not appealable.

(e) *Equitable relief.* In reaching a decision on an appeal, the Director shall have the authority to grant equitable relief under this part in the same manner and to the same extent as such authority is provided an agency under applicable laws and regulations.

§ 11.10 Basis for determinations.

(a) In making a determination, the Hearing Officers and the Director are not bound by previous findings of facts

on which the agency's adverse decision was based.

(b) In making a determination on the appeal, Hearing Officers and the Director shall ensure that the decision is consistent with the laws and regulations of the agency, and with the generally applicable interpretations of such laws and regulations.

(c) All determinations of the Hearing Officers and the Director must be based on information from the case record, laws applicable to the matter at issue, and applicable regulations published in the FEDERAL REGISTER and in effect on the date of the adverse decision or the date on which the acts that gave rise to the adverse decision occurred, whichever date is appropriate under the applicable agency program laws and regulations.

§ 11.11 Reconsideration of Director determinations.

(a) Reconsideration of a determination of the Director may be requested by the appellant or the agency within 10 days of receipt of the determination. The Director will not consider any request for reconsideration that does not contain a detailed statement of a material error of fact made in the determination, or a detailed explanation of how the determination is contrary to statute or regulation, which would justify reversal or modification of the determination.

(b) The Director shall issue a notice to all parties as to whether a request for reconsideration meets the criteria in paragraph (a) of this section. If the request for reconsideration meets such criteria, the Director shall include a copy of the request for reconsideration in the notice to the non-requesting parties to the appeal. The non-requesting parties shall have 5 days from receipt of such notice from the Director to file a response to the request for reconsideration with the Director.

(c) The Director shall issue a decision on the request for reconsideration within 5 days of receipt of responses from the non-requesting parties. If the Director's decision upon reconsideration reverses or modifies the final determination of the Director rendered under § 11.9(d), the Director's decision on reconsideration will become the

final determination of the Director under § 11.9(d) for purposes of this part.

§ 11.12 Effective date and implementation of final determinations of the Division.

(a) On the return of a case to an agency pursuant to the final determination of the Division, the head of the agency shall implement the final determination not later than 30 days after the effective date of the notice of the final determination.

(b) A final determination will be effective as of the date of filing of an application, the date of the transaction or event in question, or the date of the original adverse decision, whichever is applicable under the applicable agency program statutes or regulations.

§ 11.13 Judicial review.

(a) A final determination of the Division shall be reviewable and enforceable by any United States District Court of competent jurisdiction in accordance with chapter 7 of title 5, United States Code.

(b) An appellant may not seek judicial review of any agency adverse decision appealable under this part without receiving a final determination from the Division pursuant to the procedures of this part.

§ 11.14 Filing of appeals and computation of time.

(a) An appeal, a request for Director Review, or any other document will be considered "filed" when delivered in writing to the Division, when post-marked, or when a complete facsimile copy is received by the Division.

(b) Whenever the final date for any requirement of this part falls on a Saturday, Sunday, Federal holiday, or other day on which the Division is not open for the transaction of business during normal working hours, the time for filing will be extended to the close of business on the next working day.

(c) The time for filing an appeal, a request for Director review, or any other document expires at 5:00 p.m. local time at the office of the Division to which the filing is submitted on the last day on which such filing may be made.

§ 11.15 Participation of third parties and interested parties in Division proceedings.

In two situations, parties other than the appellant or the agency may be interested in participating in Division proceedings. In the first situation, a Division proceeding may in fact result in the adjudication of the rights of a third party, e.g., an appeal of a tenant involving a payment shared with a landlord, an appeal by one recipient of a portion of a payment shared by multiple parties, an appeal by one heir of an estate. In the second situation, a party may desire to receive notice of and perhaps participate in an appeal because of the derivative impact the appeal determination will have on that party, e.g., guaranteed lenders and reinsurance companies. The provisions in this section set forth rules for the participation of such third and interested parties.

(a) *Third parties.* When an appeal is filed, the Division shall notify any potential third party whose rights may be adjudicated of its right to participate as an appellant in the appeal. This includes the right to seek Director review of the Hearing Officer determination. Such third parties may be identified by the Division itself, by an agency, or by the original appellant. The Division shall issue one notice to the third party of its right to participate, and if such party declines to participate, the Division determination will be binding as to that third party as if it had participated. For purposes of this part, a third party includes any party for which a determination of the Division could lead to an agency action on implementation that would be adverse to the party thus giving such party a right to a Division appeal.

(b) *Interested parties.* With respect to a participant who is a borrower under a guaranteed loan or an insured under a crop insurance program, the respective guaranteed lender or reinsurance company having an interest in a participant's appeal under this part may participate in the appeal as an interested party, but such participation does not confer the status of an appellant upon the guaranteed lender or reinsurance

§ 11.20

company such that it may request Director review of a final determination of the Division.

(a) Requests for NAD records should be in writing and addressed to the NAD official having custody of the records desired as indicated in § 11.22(d). Addresses are found in Appendix A of this subpart. In his or her petition, the requester may ask for a fee waiver if there is likely to be a charge for the requested information. The criteria for waiver of fees are found in section 6 of appendix A, subpart A of part 1 of this

title. All requests for records shall be deemed to have been made pursuant to FOIA, regardless of whether FOIA is specifically mentioned. To facilitate processing of a request, the phrase "FOIA REQUEST" should be placed in capital letters on the front of the envelope.

(b) A request must reasonably describe records to enable NAD personnel to locate them with reasonable effort. Where possible, a requester should supply specific information, such as dates, titles, appellant name or appeal number, that may help identify the records. If the request relates to a matter in pending litigation, the court and its location should be identified.

(c) If NAD determines that a request does not reasonably describe the records, it shall inform the requester of this fact and extend the requester an opportunity to clarify the request or to confer promptly with knowledgeable NAD personnel to attempt to identify the records he or she is seeking. The "date of receipt" in such instances, for purposes of §1.12(a) of this title, shall be the date of receipt of the amended or clarified request.

(d) Nothing in this subpart shall be interpreted to preclude NAD from honoring an oral request for information, but if the requester is dissatisfied with the response, the NAD official involved shall advise the requester to submit a written request in accordance with paragraph (a) of this section. The "date of receipt" of such a request for purposes of §1.12(a) of this title shall be the date of receipt of the written request. For recordkeeping purposes, the NAD official responding to an oral request for information may ask the requester to also submit his or her request in writing.

(e) If a request for records or a fee waiver under this subpart is denied, the person making the request shall have the right to appeal the denial. Requesters also may appeal NAD decisions regarding a requester's status for purposes of fee levels under section 5 of Appendix A, subpart A of part 1 of this title. All appeals must be in writing and addressed to the official designated in §11.33. To facilitate processing of an appeal, the phrase "FOIA APPEAL"

should be placed in capital letters on the front of the envelope.

(f) NAD shall develop and maintain a record of all written and oral FOIA requests and FOIA appeals received by NAD, which shall include, in addition to any other information, the name of the requester, brief summary of the information requested, an indication of whether the request or appeal was denied or partially denied, the FOIA exemption(s) cited as the basis for any denials, and the amount of fees associated with the request or appeal.

§11.33 Appeals.

Any person whose initial FOIA request is denied in whole or in part may appeal that denial to the Director, National Appeals Division, U.S. Department of Agriculture, 3101 Park Center Drive, Suite 1113, Alexandria, Virginia 22302. The Director will make the final determination on the appeal.

Subpart A—General Provisions

§ 12.1 General.

(a) *Scope.* This part sets forth the terms and conditions under which a person who produces an agricultural commodity on highly erodible land or designates such land for conservation use, plants an agricultural commodity on a converted wetland, or converts a wetland shall be determined to be ineligible for certain benefits provided by the United States Department of Agriculture (USDA) and agencies and instrumentalities of USDA.

(b) *Purpose.* The purpose of the provisions of this part are to remove certain incentives for persons to produce agricultural commodities on highly erodible land or converted wetland and to thereby—

- (1) Reduce soil loss due to wind and water erosion;
- (2) Protect the Nation's long-term capability to produce food and fiber;

(3) Reduce sedimentation and improve water quality; and

(4) Assist in preserving the functions and values of the Nation's wetlands.

§ 12.2 Definitions.

(a) *General.* The following definitions shall be applicable for the purposes of this part:

Agricultural commodity means any crop planted and produced by annual tilling of the soil, including tilling by one-trip planters, or sugarcane.

CCC means the Commodity Credit Corporation, a wholly-owned government corporation within USDA organized under the provisions of 15 U.S.C. 714 *et seq.*

Conservation District (CD) means a subdivision of a State or local government organized pursuant to the applicable law to develop and implement soil and water conservation activities or programs.

Conservation plan means the document that—

(1) Applies to highly erodible cropland;

(2) Describes the conservation system applicable to the highly erodible cropland and describes the decisions of the person with respect to location, land use, tillage systems, and conservation treatment measures and schedules; and

(3) Is approved by the local soil conservation district in consultation with the local committees established under section 8(b)(5) of the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590h(b)(5)) and the Natural Resources Conservation Service (NRCS) for purposes of compliance with this part.

Conservation system means a combination of one or more conservation measures or management practices that are—

(1) Based on local resource conditions, available conservation technology, and the standards and guidelines contained in the NRCS field office technical guides (available from NRCS State offices); and

(2) Designed for purposes of this part to achieve, in a cost-effective and technically practicable manner, a substantial reduction in soil erosion or a substantial improvement in soil conditions on a field or group of fields containing highly erodible cropland when

compared to the level of erosion or soil conditions that existed before the application of the conservation measures and management practices.

Conservation use or set aside means cropland that is designated as conservation-use acreage, set aside, or other similar designation for the purpose of fulfilling provisions under any acreage-limitation or land-diversion program administered by the Secretary of Agriculture requiring that the producer devote a specified acreage to conservation or other non-crop production uses.

Creation of a wetland means the development of the hydrologic, geochemical, and biological components necessary to support and maintain a wetland where a wetland did not previously exist. Any wetland established on a non-hydric soil will be considered a created wetland.

CSREES means the Cooperative State Research, Education, and Extension Service, an agency of USDA which is generally responsible for coordinating the information and educational programs of USDA.

Department means the United States Department of Agriculture (USDA).

Enhancement of a wetland means the alteration of an existing wetland to increase its specific functions and values. Enhancement actions include new capabilities, management options, structures, or other actions to influence one or several functions and values.

Erodibility index means a numerical value that expresses the potential erodibility of a soil in relation to its soil loss tolerance value without consideration of applied conservation practices or management.

FSA means the Farm Service Agency, an agency of USDA which is generally responsible for administering commodity production adjustment and certain conservation programs of USDA.

Field means a part of a farm that is separated from the balance of the farm by permanent boundaries such as fences, roads, permanent waterways, or other similar features. At the option of the owner or operator of the farm, croplines may also be used to delineate a field if farming practices make it probable that the croplines are not subject to change. Any highly erodible

land on which an agricultural commodity is produced after December 23, 1985, and is not exempt under §12.5(a), shall be considered part of the field in which the land was included on December 23, 1985, unless, to carry out this title, the owner and FSA agree to modify the boundaries of the field.

Highly erodible land means land that has an erodibility index of 8 or more.

Hydric soils means soils that, in an undrained condition, are saturated, flooded, or ponded long enough during a growing season to develop an anaerobic condition that supports the growth and regeneration of hydrophytic vegetation.

Hydrophytic vegetation means plants growing in water or in a substrate that is at least periodically deficient in oxygen during a growing season as a result of excessive water content.

Landlord means a person who rents or leases farmland to another person.

Local FSA office means the county office of the Farm Service Agency serving the county or a combination of counties in the area in which a person's land is located for administrative purposes.

NRCS means the Natural Resources Conservation Service, an agency within USDA which is generally responsible for providing technical assistance in matters of natural resources conservation and for administering certain conservation programs of USDA.

Operator means the person who is in general control of the farming operations on the farm during the crop year.

Owner means a person who is determined to have legal ownership of farmland and shall include a person who is purchasing farmland under contract.

Person means an individual, partnership, association, corporation, cooperative, estate, trust, joint venture, joint operation, or other business enterprise or other legal entity and, whenever applicable, a State, a political subdivision of a State, or any agency thereof, and such person's affiliates as provided in §12.8 of this part.

Restoration of a wetland means the re-establishment of wetland conditions, including hydrologic condition or native hydrophytic vegetation, to an area

§ 12.2

7 CFR Subtitle A (1-1-04 Edition)

where a wetland had previously existed.

Secretary means the Secretary of USDA.

Sharecropper means a person who performs work in connection with the production of a crop under the supervision of the operator and who receives a share of such crop for such labor.

Soil map unit means an area of the landscape shown on a soil map which consists of one or more soils.

State means each of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands of the United States, American Samoa, the Commonwealth of the Northern Mariana Islands, or the Trust Territory of the Pacific Islands.

Tenant means a person usually called a "cash tenant", "fixed-rent tenant", or "standing rent tenant" who rents land from another for a fixed amount of cash or a fixed amount of a commodity to be paid as rent; or a person (other than a sharecropper) usually called a "share tenant" who rents land from another person and pays as rent a share of the crops or proceeds therefrom. A tenant shall not be considered the farm operator unless the tenant is determined to be the operator pursuant to this part and 7 CFR part 718.

Wetland, except when such term is a part of the term "converted wetland", means land that—

- (1) Has predominance of hydric soils;
- (2) Is inundated or saturated by surface or groundwater at a frequency and duration sufficient to support a prevalence of hydrophytic vegetation typically adapted for life in saturated soil conditions; and
- (3) Under normal circumstances does support a prevalence of such vegetation, except that this term does not include lands in Alaska identified as having a high potential for agricultural development and a predominance of permafrost soils.

Wetland determination means a decision regarding whether or not an area is a wetland, including identification of wetland type and size. A wetland determination may include identification of an area as one of the following types of wetland—

- (1) *Artificial wetland* is an area that was formerly non-wetland, but now

meets wetland criteria due to human activities, such as:

- (i) An artificial lake or pond created by excavating or diking land that is not a wetland to collect and retain water that is used primarily for livestock, fish production, irrigation, wildlife, fire control, flood control, cranberry growing, or rice production, or as a settling pond; or

- (ii) A wetland that is temporarily or incidentally created as a result of adjacent development activity;

(2) *Commenced-conversion wetland* is a wetland, farmed wetland, farmed-wetland pasture, or a converted wetland on which conversion began, but was not completed, prior to December 23, 1985.

(3) *Converted wetland* is a wetland that has been drained, dredged, filled, leveled, or otherwise manipulated (including the removal of woody vegetation or any activity that results in impairing or reducing the flow and circulation of water) for the purpose of or to have the effect of making possible the production of an agricultural commodity without further application of the manipulations described herein if:

- (i) Such production would not have been possible but for such action, and
- (ii) Before such action such land was wetland, farmed wetland, or farmed-wetland pasture and was neither highly erodible land nor highly erodible cropland;

(4) *Farmed wetland* is a wetland that prior to December 23, 1985, was manipulated and used to produce an agricultural commodity, and on December 23, 1985, did not support woody vegetation and met the following hydrologic criteria:

- (i) Is inundated for 15 consecutive days or more during the growing season or 10 percent of the growing season, whichever is less, in most years (50 percent chance or more), or
- (ii) If a pothole, playa, or pocosion, is ponded for 7 or more consecutive days during the growing season in most years (50 percent chance of more) or is saturated for 14 or more consecutive days during the growing season in most years (50 percent chance or more);

(5) *Farmed-wetland pasture* is wetland that was manipulated and managed for pasture or hayland prior to December

23, 1985, and on December 23, 1985, met the following hydrologic criteria:

(i) Inundated or ponded for 7 or more consecutive days during the growing season in most years (50) percent chance or more), or

(ii) Saturated for 14 or more consecutive days during the growing season in most years (50 percent chance or more);

(6) *Not-inventoried land*, is an area for which no evaluation of soils, vegetation, or hydrology has been conducted to determine if wetland criteria are met;

(7) *Non-wetland* is;

(i) Land that under natural conditions does not meet wetland criteria, or

(ii) Is converted wetland the conversion of which occurred prior to December 23, 1985, and on that date, the land did not meet wetland criteria but an agricultural commodity was not produced and the area was not managed for pasture or hay;

(8) *Prior-converted cropland* is a converted wetland where the conversion occurred prior to December 23, 1985, an agricultural commodity had been produced at least once before December 23, 1985, and as of December 23, 1985, the converted wetland did not support woody vegetation and met the following hydrologic criteria:

(i) Inundation was less than 15 consecutive days during the growing season or 10 percent of the growing season, whichever is less, in most years (50 percent chance or more); and

(ii) If a pothole, playa or pocosin, ponding was less than 7 consecutive days during the growing season in most years (50 percent chance or more) and saturation was less than 14 consecutive days during the growing season most years (50 percent chance or more); or

(9) *Wetland*, as defined above in this section.

Wetland delineation means outlining the boundaries of a wetland determination on aerial photography, digital imagery, other graphic representation of the area, or on the land.

(b) *Terms for FSA operations*. In the regulations in this part, and in all instructions, forms, and documents in connection therewith, all other words and phrases specifically relating to FSA operations shall, unless required

by the subject matter or the specific provisions of this part, have the meanings assigned to them in the regulations at part 718 of this title that govern reconstitutions of farms, allotments, and bases and any subsequent amendment thereto.

[61 FR 47025, Sept. 6, 1996; 61 FR 53491, Oct. 11, 1996]

§ 12.3 Applicability.

(a) *Geographic scope*. The provisions of this part shall apply to all land, including Indian tribal land, in the fifty States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Island of the United States, American Samoa, the Commonwealth of the Northern Mariana Islands, and the Federated States of Micronesia, the Republic of Palau, and the Republic of the Marshall Islands.

(b) *Effective date*. The provisions of this part apply to all actions taken after July 3, 1996, and to determinations made after or pending on July 3, 1996, except to the extent that § 12.5(a)(5) and 12.5 (b)(4) through (b)(8) specify retroactive application on December 23, 1985, and November 28, 1990, for certain actions and determinations regarding wetlands and converted wetlands. Actions taken and determinations made prior to July 3, 1996, are subject to regulations set forth in this part as of July 2, 1996, except as otherwise provided in this part. Further, to the extent that a person may be eligible for an exemption for an action taken before July 3, 1996, the action is subject to the provisions of this part.

§ 12.4 Determination of ineligibility.

(a) *Actions*. Except as provided in § 12.5, a person shall be ineligible for all or a portion of USDA program benefits listed in this section if:

(1) The person produces an agricultural commodity on a field in which highly erodible land is predominant, or designates such a field for conservation use;

(2) The person produces an agricultural commodity on wetland that was converted after December 23, 1985; or

(3) After November 28, 1990, the person converts a wetland by draining, dredging, filling, leveling, removing woody vegetation, or other means for

the purpose, or to have the effect, of making the production of an agricultural commodity possible.

(b) *Highly erodible land.* A person determined to be ineligible under paragraph (a)(1) of this section may be ineligible for all program benefits listed in (d) and (e) of this section.

(c) *Wetland conservation.* A person determined to be ineligible under paragraph (a)(2) of this section shall be ineligible for all or a portion of the USDA program benefits listed in paragraph (d) of this section for which the person otherwise would have been eligible during the crop year of the commodity that was planted on the converted wetland. A person determined to be ineligible under paragraph (a)(3) of this section for the conversion of a wetland shall be ineligible for all or a portion of the USDA program benefits listed in paragraph (d) of this section for which the person otherwise would have been eligible during the crop year which is equal to the calendar year during which the violation occurred and each subsequent crop year until the converted wetland is restored or the loss of wetland functions and values have been mitigated prior to the beginning of such calendar year in accordance with § 12.5(b)(4)(i) (A) and (C) through (F) of this part. Ineligibility under paragraph (a)(2) or (a)(3) of this section may be reduced, in lieu of the loss of all benefits specified under paragraph (d) of this section for such crop year, based on the seriousness of the violation, as determined by the FSA Deputy Administrator for Farm Programs or designee upon recommendation by the FSA County Committee. Factors such as the information that was available to the affected person prior to the violation, previous land use patterns, the existence of previous wetland violations under this part or under other Federal, State, or local wetland provisions, the wetland functions and values affected, the recovery time for full mitigation of the wetland functions and values, and the impact that a reduction in payments would have on the person's ability to repay a USDA farm loan shall be considered to making this determination.

(d) *Programs subject to either highly erodible land or wetland conservation.*

USDA program benefits covered by a determination of ineligibility under this rule are:

(1) Contract payments under a production flexibility contract, marketing assistance loans, and any type of price support or payment made available under the Agricultural Market Transition Act, the Commodity Credit Corporation Charter Act (15 U.S.C. 714 et seq.), or any other Act;

(2) A farm credit program loan made or guaranteed under the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 et seq.) or any other provision of law administered by FSA if the Secretary determines that the proceeds of such loan will be used for a purpose that contributes to the conversion of wetlands that would make production of an agricultural commodity possible or for a purpose that contributes to excessive erosion of highly erodible land (i.e., production of an agricultural commodity or highly erodible land without a conservation plan or conservation system as required by this part);

(3) A payment made pursuant to a contract entered into under the Environmental Quality Incentives Program under chapter 4 of subtitle D of the Food Security Act of 1985, as amended; or a payment under any other provision of Subtitle D of that Act;

(4) A payment made under section 401 or 402 of the Agricultural Credit Act of 1978 (16 U.S.C. 2201 or 2202);

(5) A payment, loan, or other assistance under section 3 or 8 of the Watershed Protection and Flood Prevention Act (16 U.S.C. 1003 or 1006a).

(e) *Programs subject to highly erodible land only.* In addition to programs listed in paragraph (d) of this section, a person determined to be ineligible under paragraph (a)(1) of this section shall be ineligible as determined by FSA for the following USDA program benefits for which the person otherwise would have been eligible during the crop year for which the determination applies:

(1) A farm storage facility loan made under section 4(h) of the Commodity Credit Corporation Charter Act (15 U.S.C. 714b(h));

(2) A disaster payment made under the Federal Agricultural Improvement

and Reform Act, Pub. L. 104-127, or any other act; and

(3) A payment made under section 4 or 5 of the Commodity Credit Corporation Charter Act (15 U.S.C. 714b or 714c) for the storage of an agricultural commodity acquired by the Commodity Credit Corporation.

(f) *Prior loans.* The provisions of paragraphs (a), (b), and (c) of this section do not apply to any loan described in paragraphs (d) or (e) of this section that was made prior to December 23, 1985.

(g) *Determination of ineligibility.* For the purpose of paragraph (a) of this section, a person shall be determined to have produced an agricultural commodity on a field in which highly erodible land is predominant or to have designated such a field for conservation use, to have produced an agricultural commodity on converted wetland, or to have converted a wetland if:

(1) NRCS has determined that—

(i) Highly erodible land is predominant in such field, or

(ii) All or a portion of the field is converted wetland; and

(2) FSA has determined that the person is or was the owner or operator of the land, or entitled to share in the crops available from the land, or in the proceeds thereof; and

(3) With regard to the provisions of paragraph (a)(1) and (a)(2) of this section, FSA has determined that the land is or was planted to an agricultural commodity or was designated as conservation use during the year for which the person is requesting benefits.

(h) *Intent to participate in USDA programs.* Persons who wish to participate in any of the USDA programs described in paragraph (d) or (e) of this section are responsible for contacting the appropriate agency of USDA well in advance of the intended participated date so that Form AD-1026 can be completed. This contact will help assure that the appropriate determinations regarding highly erodible land or wetland, and conservation plans or conservation systems are scheduled in a timely manner. A late contact may not allow sufficient time for USDA to service the request and could result in a substantial delay in receiving a USDA

determination of eligibility or ineligibility.

[61 FR 47025, Sept. 6, 1996; 61 FR 53491, Oct. 11, 1996]

§ 12.5 Exemption.

(a) *Exemptions regarding highly erodible land—*(1) *Highly erodible cropland in production or in USDA programs during 1981 through 1985 crop years.* During the period beginning on December 23, 1985, and ending on the later of January 1, 1990, or the date that is two years after the date the cropland on which an agricultural commodity is produced was surveyed by NRCS to determine if such land is highly erodible, no person shall be determined to be ineligible for benefits as provided in § 12.4 as the result of the production of an agricultural commodity on any highly erodible land:

(i) That was planted to an agricultural commodity in any year 1981 through 1985; or

(ii) That was set aside, diverted, or otherwise not cultivated in any such crop years under a program administered by the Secretary for any such crops to reduce production of an agricultural commodity.

(2) *Compliance with a conservation plan or conservation system.* As further specified in this part, no person shall be ineligible for the program benefits described in § 12.4 as the result of production of an agricultural commodity on highly erodible land or the designation of such land for conservation use if such production or designation is in compliance with a conservation plan or conservation system approved under paragraph (a)(2)(i) or (a)(2)(ii) of this section. A person shall not be ineligible for program benefits under § 12.4 as the result of the production of an agricultural commodity on highly erodible land or as the result of designation of such land as conservation use if the production or designation is:

(i) In an area within a CD, under a conservation system that has been approved by the CD after the CD determines that the conservation system is in conformity with technical standards set forth in the NRCS field office technical guide for such district; or

(ii) In an area not within a CD, under a conservation system that has been approved by NRCS to be adequate for

the production of such agricultural commodity on highly erodible land or for the designation of such land as conservation use.

(3) *Reliance upon NRCS determination for highly erodible land.* A person may be relieved from ineligibility for program benefits as the result of the production of an agricultural commodity which was produced on highly erodible land or for the designation of such land as conservation use in reliance on a determination by NRCS that such land was not highly erodible land, except that this paragraph shall not apply to any agricultural commodity that was planted on highly erodible land, or for the designation of highly erodible land as conservation use after NRCS determines that such land is highly erodible land, and the person is notified of such determinations.

(4) *Areas of 2 acres or less.* No person shall be determined to be ineligible under §12.4 for noncommercial production of agricultural commodities on highly erodible land on an area of 2 acres or less if it is determined by FSA that such production is not intended to circumvent the conservation requirements otherwise applicable under this part.

(5) *Good faith.* (i) No person shall become ineligible under §12.4 as a result of the failure of such person to apply a conservation system on highly erodible land that was converted from native vegetation, i.e. rangeland or woodland, to crop production before December 23, 1985, if FSA determines such person has acted in good faith and without the intent to violate the provisions of this part and if NRCS determines that the person complies with paragraph (a)(5)(ii) of this section.

(ii) A person is who determined to meet the requirements of paragraph (a)(5)(i) of this section shall be allowed a reasonable period of time, as determined by NRCS, but not to exceed one year, during which to implement the measures and practices necessary to be considered applying the person's conservation plan. If a person does not take the required corrective actions, the person may be determined to be ineligible for the crop year during which such actions were to be taken as well as any subsequent crop years. Notwith-

standing the good-faith requirements of paragraph (a)(5)(i) of this section, if NRCS observes a possible compliance deficiency while providing on-site technical assistance, NRCS shall provide to the responsible person, not later than 45 days after observing the possible violation, information regarding actions needed to comply with the plan and this subtitle. NRCS shall provide this information in lieu of reporting the observation as a violation, if the responsible person attempts to correct the deficiencies as soon as practicable, as determined by NRCS, after receiving the information, and if the person takes corrective action as directed by NRCS not later than one year after receiving the information. If a person does not take the required corrective actions, the person may be determined to be ineligible for the crop year during which the compliance deficiencies occurred as well as any subsequent crop years.

(iii) No person shall become ineligible under §12.4 as a result of failure to apply a conservation system with respect to highly erodible cropland that was converted from native vegetation, i.e., rangeland or woodland, to crop production after December 23, 1985, if such person has acted in good faith and without an intent to violate the provisions of this part. The person shall, in lieu of the loss of all benefits specified under §12.4 (d) and (e) for such crop year, be subject to a reduction in benefits of not less than \$500 nor more than \$5,000 depending upon the seriousness of the violation, as determined by FSA. The dollar amount of the reduction will be determined by FSA and may be based on the number of acres and the degree of erosion hazard for the area in violation, as determined by NRCS, or upon such other factors as FSA deems appropriate.

(iv) Any person whose benefits are reduced in a crop year under paragraph (a)(5) of this section may be eligible for all of the benefits specified under §12.4 (d) and (e) for any subsequent crop year if NRCS determines that such person is applying a conservation plan according to the schedule set forth in the plan on all highly erodible land planted to an agricultural commodity or designated as conservation use.

(6) *Allowable variances.* (i) Notwithstanding any other provisions of this part, no person shall be determined to be ineligible for benefits as a result of the failure of such person to apply a conservation system if NRCS determines that—

(A) The failure is technical and minor in nature and that such violation has little effect on the erosion control purposes of the conservation plan applicable to the land on which the violation has occurred; or

(B) The failure is due to circumstances beyond the control of the person; or

(C) NRCS grants a temporary variance from the practices specified in the plan for the purpose of handling a specific problem, including weather, pest, and disease problems, which NRCS determines cannot reasonably be addressed except through such variance.

(ii) If the person's request for a temporary variance involves the use of practices or measures to address weather, pest, or disease problems, NRCS shall make a decision on whether to grant the variance during the 30-day period beginning on the date of receipt of the request. If NRCS fails to render a decision during the period, the temporary variance shall be considered granted unless the person seeking the variance had reason to know that the variance would not be granted. In determining whether to grant a variance for natural disasters such as weather, pest, or disease problems, NRCS will consider such factors as:

(A) The percent of a stand damaged or destroyed by the event;

(B) The percent of expected crop production compared to normal production for that crop;

(C) The documented invasion of non-native insects, weeds, or diseases for which no recognized treatment exists;

(D) Whether an event is severe or unusual based on historical weather records; and

(E) Other specific circumstances caused by a natural event that prevented the implementation of conservation practices or systems, installation of structures, or planting of cover crops.

(b) *Exemptions for wetlands and converted wetlands*—(1) *General exemptions.*

A person shall not be determined to be ineligible for program benefits under § 12.4 as the result of the production of an agricultural commodity on converted wetland or the conversion of wetland if:

(i) The land is a prior-converted cropland and meets the definition of a prior-converted cropland as of the date of a wetland determination by NRCS;

(ii) The land has been determined by NRCS to be a prior-converted cropland and such determination has been certified, and NRCS determines that the wetland characteristics returned after the date of the wetland certification as a result of—

(A) The lack of maintenance of drainage, dikes, levees, or similar structures,

(B) The lack of management of the lands containing the wetland, or

(C) Circumstances beyond the control of the person;

(iii) The land was determined by NRCS to be a farmed wetland or a farmed-wetland pasture and—

(A) Such land meets wetland criteria through a voluntary restoration, enhancement, or creation action after that determination,

(B) The technical determinations regarding the baseline site conditions and the restoration, enhancement, or creation action have been adequately documented by NRCS,

(C) The proposed conversion action is documented by the NRCS prior to implementation, and

(D) The extent of the proposed conversion is limited so that the conditions will be at least equivalent to the wetland functions and values that existed at the time of implementation of the voluntary wetland restoration, enhancement, or creation action;

(iv) NRCS has determined that the conversion is for a purpose that does not make the production of an agricultural commodity possible, such as conversions for fish production, trees, vineyards, shrubs, cranberries, agricultural waste management structures, livestock ponds, fire control, or building and road construction and no agricultural commodity is produced on such land;

(v) NRCS has determined that the actions of the person with respect to the

conversion of the wetland or the combined effect of the production of an agricultural commodity on a wetland converted by the person or by someone else, individually and in connection with all other similar actions authorized by NRCS in the area, would have only a minimal effect on the wetland functions and values of wetlands in the area;

(vi)(A) After December 23, 1985, the Army Corps of Engineers issued an individual permit pursuant to section 404 of the Clean Water Act, 33 U.S.C. 1344, authorizing such action and the permit required mitigation that adequately replaced the functions and values of the wetlands converted, as determined by NRCS, or

(B) After December 23, 1985, the action is encompassed under section 404 of the Clean Water Act, 33 U.S.C. 1344, by an Army Corps of Engineers nationwide or regional general permit and the wetland functions and values were adequately mitigated, as determined by NRCS; or

(vii) The land is determined by NRCS to be—

(A) An artificial wetland,

(B) A wet area created by a water delivery system, irrigation, irrigation system, or application of water for irrigation,

(C) A nontidal drainage or irrigation ditch excavated in non-wetland, or

(D) A wetland converted by actions of persons other than the person applying for USDA program benefits or any of the person's predecessors in interest after December 23, 1985, if such conversion was not the result of a scheme or device to avoid compliance with this part. Further drainage improvement on such land is not permitted without loss of eligibility for USDA program benefits, unless NRCS determines under paragraph (b)(1)(v) of this section that further drainage activities applied to such land would have minimal effect on the wetland functions and values in the area. In applying this paragraph, a converted wetland shall be presumed to have been converted by the person applying for USDA program benefits unless the person can show that the conversion was caused by a third party with whom the person was not associated through a scheme or device as de-

scribed under § 12.10 of this part. In this regard, activities of a water resource district, drainage district, or similar entity will be attributed to all persons within the jurisdiction of the district or other entity who are assessed for the activities of the district or entity. Accordingly, where a person's wetland is converted due to the actions of the district or entity, the person shall be considered to have caused or permitted the drainage. Notwithstanding the provisions of the preceding sentences and as determined by FSA to be consistent with the purposes of this part, the activities of a drainage district or other similar entity will not be attributed to a person to the extent that the activities of the district or entity were beyond the control of the person and the wetland converted is not used by the person for the production of an agricultural commodity or a forage crop for harvest by mechanical means or mitigation for the converted wetland occurs in accordance with this part.

(2) *Commenced conversion wetlands.* (i) The purpose of a determination of a commenced conversion made under this paragraph is to implement the legislative intent that those persons who had actually started conversion of a wetland or obligated funds for conversion prior to December 23, 1985, would be allowed to complete the conversion so as to avoid unnecessary economic hardship.

(ii) All persons who believed they had a wetland or converted wetland for which conversion began but was not completed prior to December 23, 1985, must have requested by September 19, 1988, FSA to make a determination of commencement in order to be considered exempt under this section.

(iii) Any conversion activity considered by FSA to be commenced under this section lost its exempt status if such activity as not completed on or before January 1, 1995. For purposes of this part, land on which such conversion activities were completed by January 1, 1995, shall be evaluated by the same standards and qualify for the same exemptions as prior-converted croplands. For purposes of this part, land on which such conversion activities were not completed by January 1, 1995, shall be evaluated by the same

standards and qualify for the same exemptions as wetlands or farmed wetlands, as applicable.

(iv) Only those wetlands for which the construction had begun, or to which the contract or purchased supplies and materials related, qualified for a determination of commencement. However, in those circumstances where the conversion of wetland did not meet the specific requirements of this paragraph, the person could have requested a commencement of conversion determination from the FSA Deputy Administrator for Farm Programs, upon a showing that undue economic hardship would have resulted because of substantial financial obligations incurred prior to December 23, 1985, for the primary and direct purpose of converting the wetland.

(3) *Wetlands farmed under natural conditions.* A person shall not be determined to be ineligible for program benefits under § 12.4 of this part as a result of the production of an agricultural commodity on a wetland on which the owner or operator of a farm or ranch uses normal cropping or ranching practices to produce agricultural commodities in a manner that is consistent for the area, where such production is possible as a result of natural conditions, such as drought, and is without action by the producer that alters the hydrology or removes woody vegetation.

(4) *Mitigation.* (i) No person shall be determined to be ineligible under § 12.4 for any action associated with the conversion of a wetland if the wetland functions and values are adequately mitigated, as determined by NRCS, through the restoration of a converted wetland, the enhancement of an existing wetland, or the creation of a new wetland, if the mitigation—

(A) Is in accordance with a mitigation plan approved by NRCS;

(B) Is in advance of, or concurrent with, the wetland conversion or the production of an agricultural commodity, as applicable;

(C) Is not at the expense of the federal government in either supporting the direct or indirect costs of the restoration activity or costs associated with acquiring or securing mitigation sites, except if conducted under a miti-

gation banking pilot program established by USDA;

(D) Occurs on lands in the same general area of the local watershed as the converted wetlands, provided that for purposes of this paragraph, lands in the same general area of the local watershed may include regional mitigation banks;

(E) Is on lands for which the owner has granted an easement to USDA, recorded the easement on public land records, and has agreed to the maintenance of the restored, created, or enhanced wetland for as long as the converted wetland for which the mitigation occurred remains in agricultural use or is not returned to its original wetland classification with equivalent functions and values; and

(F) Provides the equivalent functions and values that will be lost as a result of the wetland conversion.

(ii) A mitigation plan is a record of decisions that document the actions necessary to compensate for the loss of wetland functions and values that result from converting a wetland. The mitigation plan may be a component of a larger natural resources conservation plan.

(iii) The State Conservationist, in consultation with the State Technical Committee, may name certain types or classes of wetland not eligible for exemption under paragraph (b)(4)(i) of this section where the State Conservationist determines that mitigation will not achieve equivalent replacement of wetland functions and values within a reasonable time frame or for other reasons identified by the State Conservationist. Any type or class of wetland that a State Conservationist identifies as not eligible for exemption under paragraph (b)(4)(i) of this section will be published in the FEDERAL REGISTER for inclusion in this part.

(5) *Good faith violations.* (i) A person who is determined under § 12.4 to be ineligible for benefits as the result of the production of an agricultural commodity on a wetland converted after December 23, 1985, or as the result of the conversion of a wetland after November 28, 1990, may regain eligibility for benefits if—

§ 12.6

(A) FSA determines that such person acted in good faith and without the intent to violate the wetland provisions of this part, and

(B) NRCS determines that the person within an agreed to period, not to exceed 1 year, is implementing all practices in a mitigation plan.

(ii) In determining whether a person acted in good faith under paragraph (b)(5)(i)(A) of this section, the FSA shall consider such factors as whether—

(A) The characteristics of the site were such that the person should have been aware that a wetland existed on the subject land,

(B) NRCS had informed the person about the existence of a wetland on the subject land,

(C) The person did not convert the wetland, but planted an agricultural commodity on converted wetland when the person should have known that a wetland previously existed on the subject land,

(D) The person has a record of violating the wetland provisions of this part or other Federal, State, or local wetland provisions, or

(E) There exists other information that demonstrates that the person acted with the intent to violate the wetland provisions of this part.

(iii) After the requirements of paragraph (b)(5)(i) of this section are met, USDA may waive applying the ineligibility provisions of § 12.4.

(6) *Reliance upon NRCS wetland determination.* (i) A person shall not be ineligible for program benefits as a result of taking an action in reliance on a previous certified wetland determination by NRCS.

(ii) A person who may be ineligible for program benefits as the result of the production of an agricultural commodity on converted wetland or for the conversion of a wetland may seek relief under § 12.11 of this part if such action was taken in reliance on an incorrect technical determination by NRCS as to the status of such land. If the error caused the person to make a substantial financial investment, as determined by the NRCS, for the conversion of a wetland, the person may be relieved of ineligibility for actions related to that portion of the converted

7 CFR Subtitle A (1–1–04 Edition)

wetland for which the substantial financial investment was expended in conversion activities. The relief available under this paragraph shall not apply to situations in which the person knew or reasonably should have known that the determination was in error because the characteristics of the site were such that the person should have been aware that a wetland existed on the subject land, or for other reasons.

(7) *Responsibility to provide evidence.* It is the responsibility of the person seeking an exemption related to converted wetlands under this section to provide evidence, such as receipts, crop-history data, drawings, plans or similar information, for purposes of determining whether the conversion or other action is exempt in accordance with this section.

§ 12.6 Administration.

(a) *General.* A determination of ineligibility for benefits in accordance with the provisions of this part shall be made by the agency of USDA to which the person has applied for benefits. All determinations required to be made under the provisions of this part shall be made by the agency responsible for making such determinations, as provided in this section.

(b) *Administration by FSA.* (1) The provisions of this part which are applicable to FSA will be administered under the general supervision of the Administrator, FSA, and shall be carried out in the field in part by State FSA committees and county FSA committees (COC).

(2) The FSA Deputy Administrator for Farm Programs may determine any question arising under the provisions of this part which are applicable to FSA and may reverse or modify any determination of eligibility with respect to programs administered by FSA made by a State FSA committee or COC or any other FSA office or FSA official (except the Administrator) in connection with the provisions of this part.

(3) FSA shall make the following determinations which are required to be made in accordance with this part:

(i) Whether a person produced an agricultural commodity on a particular field as determined under § 12.5(a)(1);

(ii) The establishment of field boundaries;

(iii) Whether land was planted to an agricultural commodity in any of the years, 1981 through 1985, for the purposes of § 12.5(a)(1);

(iv) Whether land was set aside, diverted, or otherwise not cultivated under a program administered by the Secretary for any crop to reduce production of an agricultural commodity under § 12.4(g) and § 12.5(a)(1);

(v) Whether for the purposes of § 12.9, the production of an agricultural commodity on highly erodible land or converted wetland by a landlord's tenant or sharecropper is required under the terms and conditions of the agreement between the landlord and such tenant or sharecropper;

(vi) Whether the conversion of a particular wetland was commenced before December 23, 1985, for the purposes of § 12.5(b)(3);

(vii) Whether the conversion of a wetland was caused by a third party under § 12.5(b)(1)(vii)(D);

(viii) Whether certain violations were made in good faith under §§ 12.5(a)(5) or 12.5(b)(5);

(ix) The determination of the amount of reduction in benefits based on the seriousness of the violation, based on technical information provided by NRCS;

(x) The determination of whether the application of the producer's conservation system would impose an undue economic hardship on the producer; and

(xi) Whether the proceeds of a farm loan made, insured, or guaranteed by FSA will be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetland.

(4) A representative number of farms selected in accordance with instructions issued by the Deputy Administrator shall be inspected by an authorized representative of FSA to determine compliance with any requirement specified in this part as a prerequisite for obtaining program benefits.

(5) FSA may consult with U.S. Fish and Wildlife Service on third-party determinations.

(c) *Administration by NRCS.* (1) The provisions of this part that are applicable to NRCS shall be administered under the general supervision of the Deputy Chief for Natural Resources Conservation Programs, and shall be carried out in the field by the regional conservationist, state conservationist, area conservationist, and district conservationist or other NRCS representative.

(2) An NRCS representative shall make the following determinations which are required to be made in accordance with this part:

(i) Whether land is highly erodible or has a wetland type or a converted wetland identified in accordance with the provisions of this part;

(ii) Whether highly erodible land is predominant on a particular field under § 12.22;

(iii) Whether the conservation plan that a person is applying is based on the local NRCS field office technical guide and is approved by—

(A) The CD and NRCS, or

(B) By NRCS;

(iv) Whether the conservation system that a person is using has been approved by the CD under § 12.5(a)(2) or, in an area not within a CD, a conservation system approved by NRCS to be adequate for the production of an agricultural commodity on highly erodible land;

(v) Whether the actions of a person(s) with respect to the conversion of a wetland or production of an agricultural commodity on converted wetland would have only a minimal effect on the functions and values of wetlands in the area;

(vi) Whether an approved conservation plan is being applied on highly erodible fields in accordance with the schedule specified therein or whether a failure to apply the plan is technical and minor in nature, due to circumstances beyond the control of the person, or whether a temporary variance from the requirements of the plan should be granted;

(vii) Whether an approved conservation system is being used on a highly erodible field;

§ 12.7

7 CFR Subtitle A (1-1-04 Edition)

(viii) Whether the conversion of a wetland is for the purpose or has the effect of making the production of an agricultural commodity possible;

(ix) Whether a farmed wetland or farmed-wetland pasture is abandoned;

(x) Whether the planting of an agricultural commodity on a wetland is possible under natural conditions;

(xi) Whether maintenance of existing drainage of a wetland described in §12.33 exceeds the scope and effect of the original drainage;

(xii) Whether a plan for the mitigation of a converted wetland will be approved and whether the mitigation of a converted wetland is accomplished according to the approved mitigation plan;

(xiii) Whether all technical information relating to the determination of a violation and severity of a violation has been provided to FSA for making payment-reduction determinations; and

(xiv) Whether or not a commenced-conversion activity was completed by January 1, 1995.

(3) NRCS may provide such other technical assistance for implementation of the provisions of this part as is determined to be necessary.

(4) A person may obtain a highly erodible land or a wetland scope-and-effect determination by making a written request on Form AD-1026. The determination will be made in writing, and a copy will be provided to the person.

(5) A determination of whether or not an area meets the highly erodible land criteria or whether wetland criteria, identified in accordance with the current Federal wetland delineation methodology in use at the time of the determination and that are consistent with current mapping conventions, may be made by the NRCS representative based upon existing records or other information and without the need for an on-site determination. This determination will be made by the NRCS representative as soon as possible following a request for such a determination.

(6) An on-site determination as to whether an area meets the applicable criteria shall be made by an NRCS representative if the person has disagreed

with the determination made under paragraph (c)(5) of this section, or if adequate information is not otherwise available to an NRCS representative on which to make an off-site determination.

(7) An on-site determination, where applicable, will be made by the NRCS representative as soon as possible following a request for such a determination, but only when site conditions are favorable for the evaluation of soils, hydrology, or vegetation.

(8) With regard to wetland determinations, if an area is continuously inundated or saturated for long periods of time during the growing season to such an extent that access by foot to make a determination of predominance of hydric soils or prevalence of hydrophytic vegetation is not feasible, the area will be determined to be a wetland.

(9) Persons who are adversely affected by a determination made under this section and believe that the requirements of this part were improperly applied may appeal, under §12.12 of this part, any determination by NRCS.

(d) *Administration by CSREES.* The CSREES shall coordinate the related information and education program for USDA concerning implementation of this rule.

(e) *Assistance of other Federal agencies.* If NRCS determines, through agreement or otherwise, that the purposes of this part would be furthered by the assistance of other Federal agencies with wetland responsibilities, NRCS may accept such assistance and adopt any or all such actions by these agencies as an action by an NRCS representative under this part.

[61 FR 47025, Sept. 6, 1996; 61 FR 53491, Oct. 11, 1996]

§ 12.7 Certification of compliance.

(a) *Self-certification.* In order for a person to be determined to be eligible for any of the benefits specified in §12.4:

(1) It must be determined by USDA whether any field in which the person applying for the benefits has an interest and intends to produce an agricultural commodity contains highly erodible land;

(2) The person applying for or receiving the benefits must certify in writing on Form AD-1026 that such person will not produce an agricultural commodity on highly erodible land, or designate such land for conservation use; or plant an agricultural commodity on a converted wetland; or convert a wetland to make possible the production of an agricultural commodity during the crop year in which the person is seeking such benefits, unless such actions are exempt, under §12.5, from the provisions of §12.4 of this part;

(3) A person may certify application of practices required by the person's conservation plan. NRCS shall permit a person who makes such a certification with respect to a conservation plan to revise the conservation plan in any manner, if the same level of conservation treatment provided for by the conservation system under the person's conservation plan is maintained. NRCS may not revise the person's conservation plan without the concurrence of the person;

(4) The person applying for a FSA direct or guaranteed farm credit program loan must certify that such person shall not use the proceeds of the loan for a purpose that will contribute to excessive erosion on highly erodible land or to conversion of wetlands for the purpose, or to have the effect, of making the production of an agricultural commodity possible; and

(5) The person applying for the benefits must authorize and provide representatives of USDA access to all land in which such person has an interest for the purpose of verifying any such certification.

(b) *Availability to other agencies.* Each agency of USDA shall make all certifications of compliance received by such agency and the results of investigations concerning such certifications of compliance available to other agencies.

(c) *Compliance.* A certification made in accordance with this section does not relieve any person from compliance with provisions of this part.

§ 12.8 Affiliated persons.

(a) *Ineligibility of affiliated persons.* Ineligibility of an individual or entity under this part for benefits shall also be an ineligibility for benefits for "af-

filiated persons" as defined in this section.

(b) *Affiliated persons of an individual.* If the person requesting benefits is an individual, the affiliated persons are:

(1) The spouse and minor child of such person or guardian of such child; except that spouses who establish to the satisfaction of the COC that operations of the husband and wife are maintained separately and independently shall not be considered affiliates;

(2) Any partnership, joint venture, or other enterprise in which the person or any person listed in paragraphs (b)(1) has an ownership interest or financial interest; unless such interest is held indirectly through another business enterprise; or

(3) Any trust in which the individual, business enterprise, or any person listed in paragraph (b)(1) is a beneficiary or has a financial interest, unless such interest is held indirectly through another business enterprise.

(c) *Affiliated persons of an entity.* If the person who has requested benefits from USDA is a corporation, partnership, or other joint venture, the affiliated persons are any participant or stockholder therein of the corporation, partnership, or other joint venture, except for persons who have an indirect interest through another business enterprise in such corporation, partnership, or other joint venture or persons with a 20 percent or less share in a corporation.

(d) *Limitation.* Any reduction in payments which results only from the application of the affiliation provisions of this section to a partnership, joint venture, trust, or other enterprise shall be limited to the extent of interest held in such partnership, joint venture, trust, or other enterprise by the person or business enterprise that committed the violation. However, for violations for which the business enterprise is considered directly responsible under the provisions of this part, the business enterprise shall be subject to a full loss of benefits, including those instances in which the business enterprise has an interest in the land where the violation occurred or where the business enterprise had an interest in the crops produced on the land.

(e) *Avoidance of this part.* Limitations on affiliation shall not apply as needed to correct for any action that would otherwise tend to defeat the purposes of this part.

§ 12.9 Landlords and tenants.

(a) *Landlord eligibility.* (1) Except as provided in paragraph (a)(2) of this section, the ineligibility of a tenant or sharecropper for benefits (as determined under § 12.4) shall not cause a landlord to be ineligible for USDA program benefits accruing with respect to land other than those in which the tenant or sharecropper has an interest.

(2) The provisions of paragraph (a)(1) of this section shall not be applicable to a landlord if the production of an agricultural commodity on highly erodible land or converted wetland by the landlord's tenant or sharecropper is required under the terms and conditions of the agreement between the landlord and such tenant or sharecropper and such agreement was entered into after December 23, 1985, or if the landlord has acquiesced in such activities by the tenant or sharecropper.

(b) *Tenant or renter eligibility.* (1) The ineligibility of a tenant or renter may be limited to the program benefits listed in § 12.4(c) accruing with respect to only the farm on which the violation occurred if:

(i) The tenant or renter shows that a good-faith effort was made to comply by developing an approved conservation plan for the highly erodible land in a timely manner and prior to any violation of the provisions of this part; and

(ii) The owner of such farm refuses to apply such a plan and prevents the tenant or renter from implementing certain practices that are a part of the approved conservation plan; and

(iii) FSA determines that the lack of compliance is not a part of a scheme or device as described in § 12.10.

(2) If relief is granted under paragraph (b)(1) of this section, the tenant or renter must actively apply those conservation treatment measures that are determined to be within the control of the tenant or renter.

§ 12.10 Scheme or device.

All or any part of the benefits listed in § 12.4 otherwise due a person from USDA may be withheld or required to be refunded if the person adopts or participates in adopting any scheme or device designed to evade, or which has the effect of evading, the provisions of this part. Such acts shall include, but are not limited to, concealing from USDA any information having a bearing on the application of the provisions of this part or submitting false information to USDA or creating entities for the purpose of concealing the interest of a person in a farming operation or to otherwise avoid compliance with the provisions of this part. Such acts shall also include acquiescence in, approval of, or assistance to acts which have the effect of, or the purpose of, circumventing these regulations.

§ 12.11 Action based upon advice or action of USDA.

The provisions of part 718 of this Title, as amended, relating to performance based upon the action or advice of a County Committee (COC) or State FSA Committee shall be applicable to the provisions of this part. In addition, if it is determined by the appropriate USDA agency that the action of a person which would form the basis of any ineligibility under this part was taken by such person in good-faith reliance on erroneous advice, information, or action of any other authorized representative of USDA, the appropriate agency may make such benefits available to the extent that similar relief would be allowed under 7 CFR part 718.

§ 12.12 Appeals.

Any person who has been or who would be denied program benefits in accordance with § 12.4 as the result of any determination made in accordance with the provisions of this part may obtain a review of such determination in accordance with the administrative appeals procedures of the agency which rendered such determination. Agency appeal procedures are contained in the Code of Federal Regulations as follows: FSA, part 780 of this title; NRCS, part 614 of this title; Rural Utilities Service, part 1900, subpart B of this title.

Subpart B—Highly Erodible Land Conservation

§ 12.20 NRCS responsibilities regarding highly erodible land.

In implementing the provisions of this part, NRCS shall, to the extent practicable:

- (a) Develop and maintain criteria for identifying highly erodible lands;
- (b) Prepare and make available to the public lists of highly erodible soil map units;
- (c) Make soil surveys for purposes of identifying highly erodible land; and
- (d) Provide technical guidance to conservation districts which approve conservation plans and systems, in consultation with local county FSA committees, for the purposes of this part.

§ 12.21 Identification of highly erodible lands criteria.

(a) *Basis for identification as highly erodible.* Soil map units and an erodibility index will be used as the basis for identifying highly erodible land. The erodibility index for a soil is determined by dividing the potential average annual rate of erosion for each soil by its predetermined soil loss tolerance (T) value. The T value represents the maximum annual rate of soil erosion that could occur without causing a decline in long-term productivity. The equation for measuring erosion is described below.

(1) The potential average annual rate of sheet and rill erosion is estimated by multiplying the following factors of the Universal Soil Loss Equation (USLE):

- (i) Rainfall and runoff (R);
- (ii) The degree to which the soil resists water erosion (K); and
- (iii) The function (LS), which includes the effects of slope length (L) and steepness (S).

(2) The potential average annual rate of wind erosion is estimated by multiplying the following factors of the Wind Erosion Equation (WEQ): Climatic characterization of windspeed and surface soil moisture (C) and the degree to which soil resists wind erosion (I).

(3) The USLE is explained in the U.S. Department of Agriculture Handbook

537, "Predicting Rainfall Erosion Losses." The WEQ is explained in the paper by Woodruff, N.P., and F. H. Siddaway, 1965, "A Wind Erosion Equation," Soil Science Society of America Proceedings, Vol. 29, No. 5, pages 602-608. Values for all the factors used in these equations are contained in the NRCS field office technical guide and the references which are a part of the guide. The Universal Soil Loss Equation, the Revised Universal Soil Loss Equation, and the Wind Erosion Equation and the rules under which NRCS uses the equations are published at §§ 610.11 through 610.15 of this title.

(b) *Highly erodible.* A soil map unit shall be determined to be highly erodible if either the RKLS/T or the CI/T value for the map unit equals or exceeds 8.

(c) *Potentially highly erodible.* Whenever a soil map unit description contains a range of a slope length and steepness characteristics that produce a range of LS values which result in RKLS/T quotients both above and below 8, the soil map unit will be entered on the list of highly erodible soil map units as "potentially highly erodible." The final determination of erodibility for an individual field containing these soil map unit delineations will be made by an on-site investigation.

[61 FR 47025, Sept. 6, 1996; 61 FR 53491, Oct. 11, 1996]

§ 12.22 Highly erodible field determination criteria.

(a) *Predominance.* Highly erodible land shall be considered to be predominant on a field if either:

(1) 33.33 percent or more of the total field acreage is identified as soil map units which are highly erodible; or

(2) 50 or more acres in such field are identified as soil map units which are highly erodible.

(b) *Modification of field boundaries.* A person may request the modification of field boundaries for the purpose of excluding highly erodible land from a field. Such a request must be submitted to, and is subject to the approval of, FSA. FSA shall use the technical determination of NRCS in approving this request.

(c) *Impact of changing field boundaries.* When field boundaries are changed to include areas of land that were included in a field that was previously determined to be predominately highly erodible according to paragraph (a) of this section, such areas shall continue to be subject to the requirements for predominately highly erodible fields, except as provided in paragraph (b) of this section.

(d) *Small area of noncropland.* Small areas of noncropland within or adjacent to the boundaries of existing highly erodible crop fields such as abandoned farmsteads, areas around filled or capped wells, rock piles, trees, or brush which are converted to cropland are considered to meet the requirement of § 12.5(a)(2) if they are included in an approved conservation plan for the entire highly erodible field.

[61 FR 47025, Sept. 6, 1996; 61 FR 53491, Oct. 11, 1996]

§ 12.23 Conservation plans and conservation systems.

(a) *Use of field office technical guide.* A conservation plan or conservation system developed for the purposes of § 12.5(a) must be based on, and to the extent practicable conform with, the NRCS field office technical guide in use at the time the plan is developed or revised. For highly erodible croplands which were used to produce agricultural commodities prior to December 23, 1985, the applicable conservation systems in the field office technical guide are designed to achieve substantial reductions in soil erosion. Conservation systems shall be technically and economically feasible; based on local resource conditions and available conservation technology; cost-effective; and shall not cause undue economic hardship on the person applying the conservation system. Any conservation plans or systems that were approved prior to July 3, 1996, are deemed to be in compliance with this paragraph.

(b) *Substantial reduction in soil erosion.* For the purpose of determining whether there is a substantial reduction in soil erosion on a field containing highly erodible cropland which was used to produce an agricultural commodity prior to December 23, 1985, the meas-

urement of erosion reduction achieved by applying a conservation plan or system shall be based on a comparison of the estimated annual level of erosion that is expected to occur on that portion of the field for which a conservation plan or system was developed and is being applied, to the estimated annual level of erosion that existed on that same portion of the field before the application of a conservation plan or system. On a field that is converted from native vegetation after July 3, 1996, and where any crop production will result in increased erosion, in no case will the required conservation plan or system permit a substantial increase in erosion.

(c) *Field trials.* NRCS may allow a person to include in the person's conservation plan or a conservation system under the plan, on a field-trial basis, practices that are not currently approved but that NRCS considers have a reasonable likelihood of success. These trials must have prior approval by NRCS, and must be documented in the person's conservation plan specifying the limited time period during which the field trial is in effect. If, at the end of the conservation field trial period, NRCS finds that the practice does not meet conservation compliance requirements, the person will not be ineligible for USDA program benefits during the period of the field trial.

(d) *Highly erodible land previously under a Conservation Reserve Program contract.* Any person who owns or operates highly erodible land that was under a Conservation Reserve Program contract as authorized by section 1231 of the Food Security Act of 1985, as amended, shall have 2 years after the expiration of termination of the contract to fully apply a conservation system if the conservation plan for such land requires the installation of structural measures for the production of an agricultural commodity. NRCS officials may extend this period one additional year for circumstances beyond the control of the person. The person shall not be required to meet a higher conservation standard than the standard applied to other highly erodible cropland located within the area served by the field office technical guide for the area in which the field is located.

(e) *Information regarding conservation options.* NRCS, in providing assistance to a person for the preparation or revision of a conservation plan under this part, will provide such person with information concerning cost-effective and applicable erosion control alternatives, crop flexibility, or other conservation assistance options that may be available.

(f) *Timely request for assistance.* Persons who require NRCS assistance for the development of a conservation plan or the installation of a conservation system are encouraged to request this assistance well in advance of deadline dates for compliance; otherwise the person may not be able to comply with these provisions and maintain eligibility for USDA program benefits.

(g) *Action by conservation districts.* Conservation districts approve or disapprove conservation plans or conservation systems after NRCS determines that the plans or systems conform to the NRCS field office technical guide. If a conservation district fails, without due cause, to act on a request for conservation plan or conservation system approval within 45 days, or if no conservation district exists, NRCS will approve or disapprove, as appropriate, the conservation plan or system in question.

(h) *Application of a conservation plan or system.* A person is considered to be applying a conservation plan for purposes of §12.5(a) if the conservation system or plan being applied achieves or exceeds the substantial reduction in soil erosion as described in paragraph (b) which the conservation system or plan was designed to achieve. It is the responsibility of the person to:

(1) Certify that the conservation plan or system is being applied; and

(2) Arrange for a revision of the conservation plan with NRCS, if changes are made in land use, crop rotation or management, conservation practices, or in the original schedule of practice installation that would affect the achievement of substantial reduction in soil erosion in a given crop year.

(i) *Appeal to FSA.* Persons who are adversely affected by the determinations made under this subpart and believe that the requirements of this subpart

were improperly applied may appeal the decision to FSA under §12.12.

(j) *Undue economic hardship.* After a technical determination has been made, the FSA county committee shall, if a person asserts that the application of the person's conservation system would impose an undue economic hardship on the person, make a recommendation to the State FSA Committee as to whether or not the application of the conservation system would impose an undue economic hardship. The State FSA Committee may provide the person with a variance on the basis of the hardship. Under this variance, and any conditions that may be required in the variance, the person will be considered to be in compliance with the applicable provisions of this part. The State FSA Committee will consider relevant factors, such as the cost of installation of required conservation practices and benefits earned through programs subject to compliance with this part, and the person's general economic situation.

Subpart C—Wetland Conservation

§12.30 NRCS responsibilities regarding wetlands.

(a) *Technical and coordination responsibilities.* In carrying out the provisions of this part, NRCS shall:

(1) Oversee the development and application of criteria to identify hydric soils in consultation with the National Technical Committee for Hydric Soils and make available to the public an approved county list of hydric soil map units, which is based upon the National List of Hydric Soils;

(2) Coordinate with the U.S. Fish and Wildlife Service and others in updating the National List of Plant Species that Occur in Wetlands;

(3) Make or approve wetland determinations, delineations and certifications, functional assessments, mitigation plans, categorical minimal effects, and other technical determinations relative to the implementation of the wetland conservation provisions of this part;

(4) Develop and utilize off-site and on-site wetland identification procedures;

(5) Assure quality of service and determinations through procedures developed by NRCS in consultation with other Federal agencies that have wetland responsibilities;

(6) Investigate complaints and make technical determinations regarding potential violations;

(7) Develop a process at the state level, in coordination with the U.S. Fish and Wildlife Service, to ensure that these provisions are carried out in a technically defensible and timely manner, seek assistance as appropriate, and annually review the progress being made on implementation; and

(8) Conduct reviews of implementation and provide the Army Corps of Engineers, Environmental Protection Agency, and the U.S. Fish and Wildlife Service an opportunity to participate in this review.

(b) *Technical assistance from others* In carrying out the provisions of this part, NRCS may request technical assistance from the U.S. Fish and Wildlife Service, State or local agencies, conservation districts, or qualified private entities when NRCS determines that additional staff resources or technical expertise are needed to address adequately the requirements of this part or to enhance the quality of implementation of this part.

(c) *Certification of wetland determinations and wetland delineations.* (1) Certification of a wetland determination means that the wetland determination is of sufficient quality to make a determination of ineligibility for program benefits under §12.4 of this part. Certification of a wetland determination shall be completed according to delineation procedures agreed to by the Army Corps of Engineers, the Environmental Protection Agency, the U.S. Fish and Wildlife Service and NRCS. NRCS may certify a wetland determination without making a field investigation. NRCS will notify the person affected by the certification and provide an opportunity to appeal the certification prior to the certification becoming final. All wetland determinations made after July 3, 1996, will be done on a tract basis and will be considered certified wetland determinations. A not-inventoried designation

within a certified wetland is subject to change when the soil, hydrology, and vegetation evaluation is completed and identified as to type of wetland or as a non-wetland. This change from a not-inventoried designation to an approved wetland designation will be done at the request of the landowner or during a formal investigation of a potential violation.

(2) The wetland determination and wetland delineation shall be certified as final by the NRCS official 30 days after providing the person notice of certification or, if an appeal is filed with USDA, after the administrative appeal procedures are exhausted.

(3) In the case of an appeal, NRCS will review and certify the accuracy of the determination of all lands subject to the appeal to ensure that the subject lands have been accurately delineated. Prior to a decision being rendered on the appeal, NRCS will conduct an on-site investigation of the subject land.

(4) Before any benefits are withheld, an on-site investigation of a potential wetland violation will be made by NRCS. The affected person will be provided an opportunity to appeal the on-site determination to USDA if the on-site determination differs from the original determination. Such action by NRCS shall be considered a review of the prior determination and certification of the delineation. If the prior determination was a certified wetland determination, an appeal of the NRCS on-site determination shall be limited to the determination that the wetland was converted in violation of this part.

(5) A copy of the information from the final certified wetland determination and the wetland delineation shall be recorded on official USDA aerial photography, digital imagery, or other graphic representation of the area.

(6) As long as the affected person is in compliance with the wetland conservation provision of this part, and as long as the area is devoted to the use and management of the land for production of food, fiber, or horticultural crops, a certification made under this section will remain valid and in effect until such time as the person affected by the certification requests review of the certification by NRCS. A person may request review of a certification

only if a natural event alters the topography or hydrology of the subject land to the extent that the final certification is no longer a reliable indication of site conditions, or if NRCS concurs with an affected person that an error exists in the current wetland determination

§ 12.31 On-site wetland identification criteria.

(a) *Hydric soils.* (1) NRCS shall identify hydric soils through the use of published soil maps which reflect soil surveys completed by NRCS or through the use of on-site reviews. If a published soil map is unavailable for a given area, NRCS may use unpublished soil maps which were made according to the specifications of the National Cooperative Soil Survey or may conduct an on-site evaluation of the land.

(2) NRCS shall determine whether an area of a field or other parcel of land has a predominance of hydric soils that are inundated or saturated as follows:

(i) If a soil map unit has hydric soil as all or part of its name, that soil map unit or portion of the map unit related to the hydric soil shall be determined to have a predominance of hydric soils;

(ii) If a soil map unit is named for a miscellaneous area that meets the criteria for hydric soils (i.e., riverwash, playas, beaches, or water) the soil map unit shall be determined to have a predominance of hydric soils; or

(iii) If a soil map unit contains inclusions of hydric soils, that portion of the soil map unit identified as hydric soil shall be determined to have a predominance of hydric soils.

(3) *List of hydric soils.* (i) Hydric soils are those soils which meet criteria set forth in the publication "Hydric Soils of the United States 1985" which was developed by the National Technical Committee for Hydric Soils and which is incorporated by reference. This publication may be obtained upon request by writing NRCS at U.S. Department of Agriculture, P.O. Box 2890, Washington, DC 20013, and is available for inspection at the Office of the Federal Register Information Center, 800 North Capitol Street NW., Suite 700, Washington, DC 20408. Incorporation of this

publication by reference was approved by the Director of the Federal Register on June 24, 1986. The materials are incorporated as they exist on the date of the approval and a notice of any change in these materials will be published in the FEDERAL REGISTER.

(ii) An official list of hydric soil map units shall be maintained at the local NRCS office and shall include—

(A) All soils from the National List of Hydric Soils that can be found in that field office area, and

(B) Any soil map units or areas which the state conservationist determines to meet such hydric soil criteria.

(iii) Any deletions of a hydric soil unit from the hydric soil map unit list must be made according to the established procedure contained in the publication "Hydric Soils of the United States 1985" for adding or deleting soils from the National List of Hydric Soils.

(b) *Hydrophytic vegetation.* Hydrophytic vegetation consists of plants growing in water or in a substrate that is at least periodically deficient in oxygen during a growing season as a result of excessive water content.

(1) A plant shall be considered to be a plant species that occurs in wetland if such plant is listed in the National List of Plant Species that Occur in Wetlands. The publication may be obtained upon request from the U.S. Fish and Wildlife Service at National Wetland Inventory, Monroe Bldg. Suite 101, 9720 Executive Center Drive, St. Petersburg, Florida 33702.

(2) For the purposes of the definition of "wetland" in § 12.2 of this part, land shall be determined to have a prevalence of hydrophytic vegetation if:

(i) NRCS determines through the criteria specified in paragraph (b)(3) of this section that under normal circumstances such land supports a prevalence of hydrophytic vegetation. The term "normal circumstances" refers to the soil and hydrologic conditions that are normally present, without regard to whether the vegetation has been removed; or

(ii) In the event the vegetation on such land has been altered or removed, NRCS will determine if a prevalence of hydrophytic vegetation typically exists in the local area on the same hydric

soil map unit under non-altered hydrologic conditions.

(3) The determination of prevalence of hydrophytic vegetation will be made in accordance with the current Federal wetland delineation methodology in use by NRCS at the time of the determination.

(c) *Mitigation wetlands.* Notwithstanding the provisions of this section, wetlands which are created in order to mitigate the loss of other wetlands as a result of irrigation, recreation, municipal water, flood control, or other similar projects shall not be considered to be artificial wetland for the purposes of § 12.5(b)(1)(vii)(A) of this part.

(d) *Minimal effect determination.* For the purposes of § 12.5(b)(1)(v) of this part, NRCS shall determine whether the effect of any action of a person associated with the conversion of a wetland, the conversion of wetland and the production of an agricultural commodity on converted wetland, or the combined effect of the production of an agricultural commodity on a wetland converted by someone else has a minimal effect on the functions and values of wetlands in the area. Such determination shall be based upon a functional assessment of functions and values of the wetland under consideration and other related wetlands in the area, and will be made through an on-site evaluation. A request for such determination will be made prior to the beginning of activities that would convert the wetland. If a person has converted a wetland and then seeks a determination that the effect of such conversion on wetland was minimal, the burden will be upon the person to demonstrate to the satisfaction of NRCS that the effect was minimal.

The production of an agricultural commodity on any portion of a converted wetland in conformance with a minimal-effect determination by NRCS is exempt under § 12.5(b)(1)(v) of this part. However, any additional action of a person that will change the functions and values of a wetland for which a minimal-effect determination has been made shall be reported to NRCS for a determination of whether the effect continues to be minimal. The loss of a minimal effect determination will cause a person who produces an agri-

cultural commodity on the converted wetland after such change in status to be ineligible, under § 12.4, for certain program benefits. In situations where the wetland functions and values are replaced by the restoration, enhancement or creation of a wetland in accordance with a mitigation plan approved by NRCS, the exemption provided by the determination will be effective after NRCS determines that all practices in a mitigation plan are being implemented.

(e) *Categorical Minimal Effect Exemptions.* (1) The state conservationist, in consultation with the state technical committee established under 16 U.S.C. 3861, shall identify any categories of conversion activities and conditions which are routinely determined by NRCS to have minimal effect on wetland functions and values, as described in paragraph (d) of this section, and recommend to the Chief, NRCS, or a designee, inclusion on a list of categorical minimal effect exemptions.

(2) The Chief, or designee, shall evaluate the conversion practices recommended by the state conservationists in the region to ensure consistency across State and regional lines, and to determine whether any categories of conversion activities identified pursuant to paragraph (e)(1) of this section, if such activities were exempt from the ineligibility provisions of § 12.4, would only have a minimal effect on wetland functions and values in a wetland system within the region.

(3) Any categories of conversion activities which meet the criteria of paragraph (e)(2) of this section will be published in the FEDERAL REGISTER for inclusion in this part and shall be exempt under § 12.5(b)(1)(v) of this part.

(4) The NRCS local field office shall maintain a list of any activities and conditions which are determined by the Chief, or designee, exempt pursuant to this section and will provide the list to a person upon request.

§ 12.32 Converted wetland identification criteria.

(a) Converted wetland shall be identified by determining whether the wetland was altered so as to meet the definition of converted wetland. In making

this determination, the following factors are to be considered:

(1) Where hydric soils have been used for production of an agricultural commodity and the effect of the drainage or other altering activity is not clearly discernible, NRCS will compare the site with other sites containing the same hydric soils in a natural condition to determine if the hydric soils can or cannot be used to produce an agricultural commodity under natural conditions. If the soil on the comparison site could not produce an agricultural commodity under natural conditions, the subject wetland will be considered to be converted wetland.

(2) Where woody hydrophytic vegetation has been removed from hydric soils for the purpose of or permitting the production of an agricultural commodity, the area will be considered to be converted wetland.

(b) A wetland shall not be considered to be converted if:

(1) Production of an agricultural commodity on such land is possible as a result of a natural condition, such as drought, and it is determined that the actions of the person producing such agricultural commodity does not permanently alter or destroy natural wetland characteristics. Destruction of herbaceous hydrophytic vegetation (i.e., plants other than woody shrubs or trees) as a result of the production of an agricultural commodity shall not be considered as altering or destroying natural wetland characteristic if such vegetation could return following cessation of the natural condition which made production of the agricultural commodity possible; or

(2) Such land is correctly identified as farmed wetland or farmed-wetland pasture.

§ 12.33 Use of wetland and converted wetland.

(a) The provisions of § 12.32(b)(2) are intended to protect remaining functions and values of the wetlands described therein. Persons may continue to farm such wetlands under natural conditions or as they did prior to December 23, 1985. However, no action can be taken to increase effects on the water regime beyond that which existed on such lands on or before Decem-

ber 23, 1985, unless NRCS determines the effect on losing remaining wetland values would be minimal under § 12.5(b)(1)(v). If, after December 23, 1985, changes due to human activity occurred in the watershed and resulted in an increase in the water regime on a person's land, the person may be allowed to adjust the existing drainage system to accommodate the increased water regime on the condition that the person affected by this additional water provides NRCS with appropriate documentation of the increased water regime, the causes thereof, and the planned changes in the existing drainage system. In order to maintain program eligibility, a person must provide sufficient documentation and receive approval from NRCS prior to making any changes that will have the effect of increasing the capacity of the existing drainage systems.

(b) Unless otherwise provided in this part, the production of an agricultural commodity on land determined by NRCS to be prior-converted cropland is exempted by law from these regulations for the area which was converted. Maintenance or improvement of drainage systems on prior-converted croplands are not subject to this rule so long as the prior-converted croplands are used for the production of food, forage, or fiber and as long as such actions do not alter the hydrology of nearby wetlands or do not make possible the production of an agricultural commodity on these other wetlands. Other wetlands under this section means any natural wetland, farmed wetland, farmed-wetland pasture, or any converted wetland that is not exempt under § 12.5 of this part.

(c) Abandonment is the cessation for five consecutive years of management or maintenance operations related to the use of a farmed wetland or a farmed-wetland pasture. Unless the criteria for receiving an exemption under § 12.5(b)(1)(iii) are met, such land is considered to be abandoned when the land meets the wetland criteria of § 12.31. In order for documentation of site conditions to be considered adequate under § 12.5(b)(1)(iii), the affected person must provide to NRCS available information concerning the extent of hydrological manipulation, the extent

of woody vegetation, and the history of use. In accordance with §12.5(b)(1)(iii), participation in a USDA approved wetland restoration, set-aside, diverted acres, or similar programs shall not be deemed to constitute abandonment.

(d) The maintenance of the drainage capacity or any alteration or manipulation, including the maintenance of a natural waterway operated and maintained as a drainage outlet, that affects the circulation and flow of water made to a farmed wetland or farmed-wetland pasture would not cause a person to be determined to be ineligible under this part, provided that the maintenance does not exceed the scope and effect of the original alteration or manipulation, as determined by NRCS, and provided that the area is not abandoned. Any resultant conversion of wetlands is to be at the minimum extent practicable, as determined by NRCS.

The information collection requirements contained in this regulation (7 CFR part 12) have been approved by the Office of Management and Budget under provisions of 44 U.S.C. chapter 35 and have been assigned OMB Number 0560-0004.

Sec.

- 14.1 Purpose.
- 14.2 Applicability.
- 14.3 Objective.
- 14.4 Policy.
- 14.5 Procedure.
- 14.6 Criteria for determining the primary purpose of payments with respect to potential exclusion from gross income.
- 14.7 Non-Federal programs and payments.

AUTHORITY: Sec. 543, Pub. L. 95-600; as amended by sec. 105, Pub. L. 96-222; 26 U.S.C. 126, 1255 and 5 U.S.C. 301.

SOURCE: 45 FR 58507, Sept. 4, 1980, unless otherwise noted.

§14.1 Purpose.

(a) Part 14 sets forth criteria to be used by the Secretary of Agriculture in determining the primary purpose of certain payments received by persons under applicable programs. Determining the primary purpose for which applicable payments are made is one step toward the exclusion of all or part of the payments from gross income for Federal income tax purposes.

(b) The criteria set forth in part 14 apply only to the determinations to be made by the Secretary of Agriculture.

§14.2 Applicability.

(a) Part 14 applies only to payments received under the programs listed in paragraphs (a)(1) through (10) of this section. Payments received under programs not listed in paragraphs (a)(1) through (10) of this section, are not considered eligible for exclusion from gross income under this part.

(1) The rural clean water program authorized by section 208(j) of the Federal Water Pollution Control Act (33 U.S.C. 1288(j)).

(2) The rural abandoned mine program authorized by section 406 of the Surface Mining Control and Reclamation Act of 1977 (30 U.S.C. 1236).

(3) The water bank program authorized by the Water Bank Act (16 U.S.C. 1301 *et seq.*).

(4) The emergency conservation measures program authorized by title IV of the Agricultural Credit Act of 1978 (16 U.S.C. 2201 *et seq.*).

(5) The agricultural conservation program authorized by the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590a).

(6) The Great Plains conservation program authorized by section 16 of the Soil Conservation and Domestic Allotment Act (16 U.S.C. 590p(b)).

(7) The resource conservation and development program authorized by the Bankhead-Jones Farm Tenant Act and by the Soil Conservation and Domestic Allotment Act (7 U.S.C. 1010; 16 U.S.C. 590a *et seq.*).

(8) The forestry incentives program authorized by section 4 of the Cooperative Forestry Assistance Act of 1978 (16 U.S.C. 2103).

(9) Any small watershed program administered by the Secretary of Agriculture that is determined by the Secretary of the Treasury or his delegate to be substantially similar to the type of programs described in paragraphs (a)(1) through (8) of this section.

(10) Any program of a State, a possession of the United States, a political subdivision of a State or a possession of the United States, the District of Columbia, or a combination of any of the foregoing under which payments are made primarily for the purpose of conserving soil and water resources, protecting or restoring the environment, improving forests, or providing a habitat for wildlife.

(b) The criteria set forth in § 14.5 for determining the primary purpose of payments with respect to their eligibility for exclusion from gross income shall also be used to determine the applicability of this part to payments received under non-Federal programs as provided in § 14.2(a)(10).

§ 14.3 Objective.

The objective of the determinations made under part 14 is to provide maximum conservation, environmental, forestry improvement, and wildlife benefits to the general public from the operation of applicable programs.

§ 14.4 Policy.

Federal tax, conservation, natural resource, and environmental policies should complement rather than conflict with one another. Therefore, the Federal income tax liability on applicable payments should be reduced or eliminated to the extent that the payments yield conservation, environmental, forestry improvement, or wildlife benefits to the general public beyond the benefits that accrue to those who receive the payments.

§ 14.5 Procedure.

(a) The portion of an applicable payment that may be excluded from gross income under part 14 shall be that portion or all, as appropriate, that—

(1) Is determined to be made primarily for the purpose of conserving soil and water resources, protecting or restoring the environment, improving

forests, or providing wildlife habitat; and

(2) Is determined by the Secretary of the Treasury as not increasing substantially the annual income derived from the property associated with the payment.

(b) *Primary purpose* means the principal, fundamental, predominant, or independent objective for which a payment is made. The following shall be considered in determining the primary purpose of a payment:

(1) *Single-purpose* payments shall be considered as having that purpose as their primary purpose.

(2) *Multiple-purpose payments.* If a payment is made for several purposes, it may be considered as having soil and water conservation, environmental protection or restoration, forestry improvement, or providing wildlife habitat as its primary purpose to the extent of the portion of the payment that is made for one or more of such purposes.

(3) Where a purpose of a payment, or portion thereof, is in doubt, the following sources should be considered—

(i) Authorizing legislation, legislative history, administrative regulation, administrative history, interpretive case law, and the administrative policies and procedures under which the applicable program operates and the payment is made; and

(ii) Agreements or other documentation accompanying the transfer of the payment;

(iii) Use made of the payment by the recipient.

§ 14.6 Criteria for determining the primary purpose of payments with respect to potential exclusion from gross income.

(a) *Soil conservation.* (1) Payments shall be considered to be made primarily for the purpose of soil conservation if they are intended to finance activities, measures, or practices to reduce soil deterioration.

(2) Soil deterioration refers to impairments of the physical or chemical properties of soil that are largely irreversible and that can be expected to result in a long-term or permanent reduction in the productive capacity of the resource regardless of the level of

technology available or applied. Erosion by water and wind and the associated changes that result in permanent or long-term reductions in the productive capacity of the soil are forms of soil deterioration.

(b) *Water conservation.* (1) Water conservation includes actions that, for a given level of water supply, reduce the demand for or use of water by—

- (i) Improving efficiency in use;
- (ii) Reducing loss and waste;
- (iii) Increasing the recycling or reuse of water, thereby making existing supplies available for other current or future uses; or
- (iv) Improving land management practices for the purpose of reducing water use, loss, waste, increasing the efficiency of water use, or increasing the recycling or reuse of water.

(2) Payments shall be considered to be made primarily for the purpose of water conservation if they are intended to finance actions, measures, or practices that can be expected to result in water conservation as defined in paragraph b(1) of this section.

(c) *Protecting the environment.* (1) Payments shall be considered to be made primarily for the purpose of protecting the environment if they are intended to finance actions, measures, or practices undertaken to prevent man-caused or man-induced reductions or degradations in the quantity or quality of the natural external or extrinsic conditions directly or indirectly affecting people.

(2) External or extrinsic conditions refer to the complex of natural conditions or circumstances, including but not limited to those affecting public health and safety, in which people reside or otherwise carry out their lives.

(d) *Restoring the environment.* (1) Payments shall be considered to be made primarily for the purpose of restoring the environment if they are intended to finance actions, measures, or practices undertaken to reestablish, return, or enhance the quantity or quality of the natural external or extrinsic conditions directly or indirectly affecting people that existed before the man-caused or man-induced degradation.

(2) External or extrinsic conditions have the same meaning with respect to

restoring the environment as they do for protecting the environment.

(e) *Improving forests.* (1) Payments shall be considered to be made primarily for the purpose of improving forests if they are intended to finance actions, measures, or practices undertaken for the direct or indirect conservation or enhancement of the quantity or quality of timber resources.

(2) Improving forests includes the generation and regeneration of timber stands as well as the silvicultural improvement of such timber stands but excludes harvest cuttings not undertaken primarily for silvicultural improvement.

(f) *Providing habitat for wildlife.* (1) Payments shall be considered to be made primarily for the purpose of providing habitat for wildlife if they are intended to finance actions, measures, or practices leading directly to the establishment of those physical and biological conditions or resources that can be expected to support primarily non-cultivated and nondomesticated animal and plant life. The animal and plant life must be of value to the public in their natural state apart from any value that may be realized from them as private economic gain.

(2) Wildlife includes but is not limited to species of terrestrial or aquatic animals and plants.

(3) Habitat includes, but is not limited to, the food supply, water supply, and nesting and escape cover necessary to support populations of wildlife species. Included in the definition of wildlife habitat are domestic crops raised for the primary purpose of providing food supply or cover for specific wildlife species.

§14.7 Non-Federal programs and payments.

(a) *Definition of non-Federal programs.* Non-Federal program means any program of a State, a possession of the United States, a political subdivision of any State or possession of the United States, the District of Columbia, or a combination of any of the foregoing.

(b) *Applicability.* Payments received through non-Federal programs under which payments are made primarily for the purpose of conserving soil and

water resources, protecting or restoring the environment, improving forests, or providing a habitat for wildlife may be considered for exclusion from gross income under part 14.

(c) *Determining the primary purpose of non-Federal payments.* The determination of the primary purpose for which non-Federal payments are made with respect to their potential for exclusion from gross income shall be made by using the criteria set forth in part 14 for determining the primary purpose of Federal payments.

(d) *Procedure for determining the primary purpose of payments made under non-Federal programs.* (1) To initiate the process of determining the applicability of this part to payments received through non-Federal programs and the primary purpose of the payments for potential exclusion from gross income, the non-Federal official responsible for the program through which the payments are made should provide six copies of the following materials relating to the program to the Secretary of Agriculture—

- (i) Authorizing legislation;
- (ii) Rules or regulations;
- (iii) Current policies and procedures under which payments are made and used;
- (iv) A description of all practices or measures for which payments are made and used; and
- (v) Any other information that may be helpful in determining the purpose for which payments, or portions thereof, are made and used.

(2) Any changes in the supporting documentation listed in paragraphs (d)(1)(i) through (d)(1)(iv) of this section, should be reported to the Secretary within 30 days of the date they become final.

SOURCE: 29 FR 16274, Dec. 4, 1964; 29 FR 16966, Dec. 11, 1964, unless otherwise noted.

§ 15.1 Purpose and application of part.

(a) The purpose of the regulations in this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereinafter referred to as the "Act") to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity of an applicant or recipient receiving Federal financial assistance from the Department of Agriculture or any Agency thereof.

(b) The regulations in this part apply to any program or activity of an applicant or recipient for which Federal financial assistance is authorized under a law administered by the Department

7 CFR Subtitle A (1–1–04 Edition)

including, but not limited to, the Federal financial assistance listed in the appendix to this part. They apply to money paid, property transferred, or other Federal financial assistance extended to an applicant or recipient for its program or activity after the effective date of these regulations pursuant to an application approved or statutory or other provision made therefor prior to such effective date. The regulations in this part do not apply to (1) any Federal financial assistance by way of insurance or guaranty contract, (2) money paid, property transferred, or other assistance extended prior to the effective date of the regulations in this part, (3) any assistance to an applicant or recipient who is an ultimate beneficiary, or (4) except as provided in § 15.3(c), any employment practice of any employer, employment agency or labor organization. The fact that a specific kind of Federal financial assistance is not listed in the appendix, shall not mean, if title VI of the Act is otherwise applicable, that such Federal financial assistance is not covered. Other Federal financial assistance under statutes now in force or hereinafter enacted may be added to this list by notice approved and issued by the Secretary and published in the FEDERAL REGISTER.

§ 15.3 Discrimination prohibited.

(a) *General.* No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity of the applicant or recipient to which these regulations apply. These regulations apply, but are not restricted, to unequal treatment in priority, quality, quantity, methods or charges for service, use, occupancy or benefit, participation in the service or benefit available, or in the use, occupancy or benefit of any structure, facility, or improvement.

(b) *Specific discriminatory actions prohibited.* (1) A recipient under any program to which the regulations in this part apply may not, directly or through contractual or other arrangements on the ground of race, color, or national origin:

(i) Deny an individual any service, financial aid, or other benefit provided under the program;

(ii) Provide any service, financial aid, or other benefit, to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(iv) Restrict an individual in any way in the enjoyment of any advantage or privilege, enjoyed by others receiving any service, financial aid, or other benefit under the program;

(v) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or

7 CFR Subtitle A (1-1-04 Edition)

other benefit provided under the program;

(vi) Deny an individual an opportunity to participate in the program through the provisions of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program (including the opportunity to participate in the program as an employee but only to the extent set forth in paragraph (c) of this section).

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respects individuals of a particular race, color, or national origin.

(3) In determining the site or location of facilities, an applicant or recipient may not make selections with the purpose or effect of excluding individuals from, denying them the benefits of, or subjecting them to discrimination under any of its programs or activities to which the regulations in this part apply, on the grounds of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of the Act and the regulations in this part.

(4) As used in this section, the services, financial aid, or other benefit provided under a program or activity of an applicant or recipient receiving Federal financial assistance shall be deemed to include any and all services, financial aid, or other benefit provided

in or through a facility provided or improved in whole or part with the aid of Federal financial assistance.

(5) The enumeration of specific forms of prohibited discrimination in these regulations does not limit the applicability of the provisions of paragraph (a) of this section.

(6)(i) In administering a program regarding which the recipient has previously discriminated against persons on the ground of race, color, or national origin, the recipient must take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of such prior discrimination, a recipient in administering a program may take affirmative action to overcome the effects of conditions which resulted in limiting participation by persons of a particular race, color or national origin.

(c) *Employment practices.* Where a primary objective of the Federal financial assistance to a program to which the regulations in this part apply is to provide employment, a recipient may not, directly or through contractual or other arrangements, subject an individual to discrimination on the ground of race, color, or national origin in its employment practices under the program including recruitment or recruitment advertising, employment, layoff or termination, upgrading, demotion, or transfer, rates of pay or other forms of compensation, and use of facilities. This paragraph applies to programs where a primary objective of the Federal financial assistance is (1) to reduce unemployment, (2) to assist individuals in meeting expenses incident to the commencement or continuation of their education or training, or (3) to provide work experience which contributes to education or training. Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the grounds of race, color, or national origin in the employment practices of the recipient or other persons subject to the regulations in this part, tends, on the grounds of race, color, or national origin, to exclude individuals from participation in, to deny them the benefits of, or to subject them to discrimination under any program or activity of the applicant or recipient to which

these regulations apply, the foregoing provisions of this § 15.3(c) shall apply to the employment practices of the recipient or other persons subject to these regulations, to the extent necessary to assure equality of opportunity to, and nondiscriminatory treatment of, beneficiaries. The requirements applicable to construction employment under any program or activity of the applicant or recipient shall be those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(d) *Examples.* In order that all parties may have a clear understanding of the applicability of the regulations in this part to their activities, there are listed in this section types of Federal financial assistance together with illustrations, by way of example only, of types of activity covered by the regulations in this part. These illustrations and examples, however, are not intended to be all inclusive. The fact that a particular type of Federal financial assistance is not listed does not, of course, indicate that a program is not covered by the regulations in this part. Moreover, the examples set forth with respect to any particular listed type of Federal financial assistance are not limited to that program alone and the prohibited actions described may also be prohibited in other programs or activities whether or not listed below.

§ 15.4 Assurances required.

(a) *General.* (1) Every application for Federal financial assistance to which these regulations apply, except an application to which paragraph (b) of this section applies, and every application for Federal financial assistance to provide a facility, shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the applicant's program or activity will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to the Act and the regulations in this part. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein, or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for the purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services and benefits or for as long as the recipient retains ownership or possession of the property, whichever is longer. In all other cases, the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application. The Agency shall specify the form of the foregoing assurances and the extent to which like assurances will be required of subgrantees, contractors, and subcontractors, successors in interest and other participants. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

(2) In the case of real property, structures, or improvements thereon, or interests therein, which was acquired through Federal financial assistance, or in the case where Federal financial assistance is provided in the form of a transfer of real property or interest therein from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. Where no transfer of property is involved, but property is improved through Federal financial assistance, the recipient shall agree to include such a covenant in any subsequent transfer of such property. Where the property is obtained from the Federal Government, such covenant may also include a condition coupled with a right to be reserved by the Agency to revert title to the property in the event of a breach of the covenant where, in the discretion of the Agency concerned, such a condition and right of reverter is appropriate to the purposes of the Federal financial assistance under which the real property is obtained and to the nature of the grant and the grantee. In such event, if a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on such property for the purposes for which the property was transferred, the Agency may agree, upon request of the transferee and if necessary to accomplish such financing, and upon such conditions as it deems appropriate to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

(3) Transfers of surplus property are subject to regulations issued by the Administrator of General Services (41 CFR 101–6.2).

(b) Every application by a State or a State Agency, including a State Extension Service, but not including an application for aid to an institution of higher education, continuing Federal financial assistance to which the regulations in this part apply shall as a condition to its approval and the extension of any Federal financial assistance pursuant to the application (1) contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with all requirements imposed by or pursuant to this part, and (2) provide or be accompanied by provision for such methods of administration for the program as are found by the Agency to give reasonable assurance that the applicant and all recipients of Federal financial assistance under such program will comply with all requirements imposed by or pursuant to the regulations in this part: *Provided*, That where no application is required prior to payment, the State or State Agency, including a State Extension Service, shall, as a condition to the extension of any Federal financial assistance, submit an assurance complying with the requirements of paragraphs (b)(1) and (2) of this section.

(c) *Assurances from institutions.* The assurance required with respect to an institution of higher education, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of individuals or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution.

(d) *Recipients other than applicants.* Each recipient not required to submit an application for Federal financial assistance, shall furnish, as a condition to the extension of any such assistance, an assurance or statement as is required of applicants under paragraphs (a), (b)(1) and (2) of this section.

(e) *Elementary and secondary schools.* The requirements of paragraphs (a), (b), or (d) of this section with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (1) is subject to a final order of a court of the United States for the de-

segregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (2) submits a plan for the desegregation of such school or school system which the responsible official of the Department of Health, Education, and Welfare determines is adequate to accomplish the purposes of the Act and this part, and provides reasonable assurance that it will carry out such plan; in any case of continuing Federal financial assistance the said responsible official of the Department of Health, Education, and Welfare may reserve the right to redetermine, after such period as may be specified by him, the adequacy of the plan to accomplish the purposes of the Act and this part within the earliest practical time. In any case in which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

§15.5 Compliance.

(a) *Cooperation and assistance.* Each Agency shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with the regulations and this part and shall provide assistance and guidance to recipients to help them comply voluntarily with the regulations in this part. As a normal part of the administration of Federal financial assistance covered by the regulations in this part, designated personnel will in their reviews and other activities or as specifically directed by the Agency, review the activities of recipients to determine whether they are complying with the regulations in this part. Reports by such personnel shall include statements regarding compliance and instances, if any, of noncompliance. In the event of noncompliance, the Agency shall seek to secure voluntary compliance by all appropriate means.

§ 15.6

(b) *Compliance reports.* Each recipient shall keep such records and submit to the Agency timely, complete and accurate compliance reports at such times, and in such form and containing such information, as the Agency may determine to be necessary to ascertain whether the recipient has complied or is complying with the regulations in this part. In the case in which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under the regulations in this part. In general, recipients should have available for the Agency racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) *Access to sources of information.* Each recipient shall permit access by authorized employees of this Department during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with the regulations in this part. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of the regulations in this part and their applicability to the program for Federal statutes, authorities, or other means by which Federal financial assistance is extended and which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the Department or its Agencies finds necessary to apprise such persons of the protections against discrimination

assured them by the Act and the regulations in this part.

§ 15.6 Complaints.

Any person who believes himself/herself or any specific class of individuals to be subjected to discrimination prohibited by the regulations in this part may by himself/herself or by an authorized representative file with the Secretary or any Agency a written complaint. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the Agency or by the Secretary. Such complaint shall be promptly referred to the Assistant Secretary for Civil Rights. The complaint shall be investigated in the manner determined by the Assistant Secretary for Civil Rights and such further action taken by the Agency or the Secretary as may be warranted.

§ 15.7 Intimidatory or retaliatory acts prohibited.

No recipient or other person shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or the regulations in this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under the regulations in this part. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of the regulations in this part, including the conduct of any hearing or judicial proceeding arising thereunder.

§ 15.8 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with the regulations in this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with the regulations in this part may be effected by the suspension or termination of or

refusal to grant or to continue Federal financial assistance, upon a finding, in accordance with the procedure hereinafter prescribed, or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 15.4.* If an applicant fails or refuses to furnish an assurance required under § 15.4 or otherwise fails or refuses to comply with the requirements imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph, except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application therefor approved prior to the effective date of the regulations in this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating, or refusing to grant or to continue Federal financial assistance shall become effective until (1) the Agency has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with the requirement imposed by or pursuant to the regulations in this part, (3) the action has been approved by the Secretary pursuant to § 15.10(e), and (4) the expiration of 30 days after the Secretary has filed with the committee of the House and the committee of the Senate, having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or termi-

nate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the Secretary has determined that compliance cannot be secured by voluntary means, (2) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (3) the expiration of at least ten days from the mailing of such notice to the recipient or other person. During this period of at least ten days, additional efforts shall be made to persuade the recipient or other person to comply with the regulations in this part and to take such corrective action as may be appropriate.

§ 15.9 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required under the regulations in this part, reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the Secretary or the Agency that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing

under this subsection or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and the regulations in this part and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of the Department in Washington, DC, at a time fixed by the hearing officer or by the Secretary unless it is determined that the convenience of the applicant or recipient or of the Department requires that another place be selected. Hearings shall be held before a hearing officer.

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and the Department shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with 5 U.S.C. 554–557, and in accordance with such rules of procedure promulgated by the Secretary as not inconsistent with this section, relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the Department, and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the hearing officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to these regulations in this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the hearing officer. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A tran-

script shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with these regulations with respect to two or more to which the regulations in this part apply, or non-compliance with the regulations in this part and the regulations of one or more other Federal Departments or Agencies issued under title VI of the Act, the Secretary may, by agreement with such other Departments or Agencies, where applicable provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedure not inconsistent with the regulations in this part. Final decisions in such cases, insofar as the regulations in this part are concerned, shall be made in accordance with § 15.10.

[29 FR 16274, Dec. 4, 1964, as amended at 35 FR 18384, Dec. 3, 1970; 38 FR 17926, July 5, 1973; 68 FR 51341, Aug. 26, 2003]

§ 15.10 Decisions and notices.

(a) *Decision by hearing officer or Secretary.* (1) The hearing officer shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings, and proposed decision to the Secretary for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. The applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the Secretary his exceptions to the initial decision, with his reasons therefor.

(2) In the absence of exceptions, the Secretary may on his own motion within 45 days after the initial decision serve on the applicant or recipient a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review the Secretary shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence

of either exceptions or a notice of review the initial decision shall constitute the final decision of the Secretary.

(b) *Decisions on record or review.* Whenever a record is certified to the Secretary for decision or he reviews the decision of a hearing officer pursuant to paragraph (a), the applicant or recipient shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of the final decision of the Secretary shall be given in writing to the applicant or recipient, and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to §15.9(a), a decision shall be made by the Secretary on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing officer shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to the regulations in this part with which it is found that the applicant or recipient has failed to comply.

(e) *Decision by Secretary.* The Secretary shall make any final decision which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under the regulations in this part or the Act.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and the regulations in this part, including provisions designed to assure that no Federal financial assistance to which this regulation applies will thereafter be extended to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to the regulations in this part, or to have otherwise failed to comply with the regula-

tions in this part, unless and until it corrects its noncompliance and satisfies the Agency that it will fully comply with the regulations in this part.

(g) *Post termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of that order for such eligibility or if it brings itself into compliance with the Act and the regulations in this part and provides reasonable assurance that it will fully comply therewith. An elementary or secondary school or school system which is unable to file an assurance of compliance with §15.4 (a), (b), or (d) shall be restored to full eligibility to receive Federal financial assistance if it complies with the requirements of a §15.4(e) and is otherwise in compliance with the Act and the regulations in this part.

(2) Any applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request the Secretary to restore fully its eligibility to receive Federal financial assistance. Any such request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If the Secretary determines that those requirements have been satisfied, he shall restore such eligibility.

(3) If the Secretary denies any such request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes the denial to have been in error. It shall thereupon be given an expeditious hearing, with a decision on the record, in accordance with rules of procedure set forth in subpart C of this part. The applicant or recipient will be restored to such eligibility if it proves at such a hearing, that it has satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section shall remain in effect.

§ 15.11 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§ 15.12 Effect on other regulations; forms and instructions.

(a) *Effect on other regulations.* All regulations, orders, or like directions heretofore issued by any officer of the Department which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which the regulations in this part apply, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by the regulations in this part, except that nothing in the regulations in this part shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of the regulations in this part. Nothing in these regulations, however, shall be deemed to supersede any of the following including future amendments thereof:

- (1) Executive Order 11246 and regulations issued thereunder; or
- (2) Executive Order 11063 and regulations issued thereunder or any other regulations or instructions insofar as they prohibit discrimination on the ground of race, color, or national origin in any program or situation to

which the regulations in this part are inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* Each Agency shall issue and promptly make available forms and such implementing instructions and procedures consistent with the regulations in this part as may be necessary. Each Agency in making available Federal financial assistance to any program or activity may utilize contractual commitments in obtaining compliance with the regulations in this part, including obtaining compliance by recipients other than the contracting recipient.

(c) *Supervision and coordination.* The Secretary may from time to time assign to officials of other Departments or Agencies of the Government with the consent of such Department or Agency, responsibilities in connection with the effectuation of the purposes of title VI of the Act and the regulations in this part (other than responsibility for final decision as provided in § 15.10) including the achievement of effective coordination and maximum uniformity within the Department and within the Executive Branch of the Government in the application of title VI and these regulations to similar programs and in similar situations. Any action taken, determination made, or requirement imposed by an official of another Department or Agency acting under this paragraph shall have the same effect as though such action had been taken by the Secretary or any Agency of this Department.

SOURCE: 30 FR 14355, Nov. 17, 1965, unless otherwise noted.

GENERAL INFORMATION

§ 15.60 Scope of rules.

The rules of practice and procedure in this subpart supplement §§15.9 and 15.10 of subpart A of this part and govern the practice for hearings, decisions, and administrative review conducted by the Department of Agriculture, pursuant to title VI of the Civil Rights Act of 1964, section 602 (78 Stat. 252) and this part, title 7, CFR, except these rules shall not apply to any stage of a proceeding which has occurred prior to the effective date hereof.

§ 15.61 Records to be public.

All documents and papers filed in any proceeding under this part may be inspected and copied in the Office of the Department Hearing Clerk.

§ 15.62 Definitions.

All terms used in this subpart shall, unless the context otherwise requires, have the same meaning as defined in subpart A of this part.

§ 15.63 Computation of time.

A period of time begins with the day following the act or event and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed in the District of Columbia, in which case it shall be the following workday. When the period of time prescribed or allowed is less than 7 days, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

§ 15.64 Parties.

The term *party* shall include an applicant or recipient with respect to whom the agency has issued a notice of hearing or opportunity to request a hearing in accordance with subpart A of this part and §15.81. The agency shall be deemed a party to all proceedings.

Any party may appear in person or by counsel or authorized representative and participate fully in any proceeding.

§ 15.66 Complainants not parties.

A person submitting a complaint pursuant to §15.6 is not a party to the proceedings governed by this subpart, but may petition, after proceedings have been commenced, to become an intervenor.

§ 15.67 Intervener.

Any interested person or organization may file a petition to intervene which will include a statement of position and a statement of what petitioner expects to contribute to the hearing, and a copy of the petition will

Such petition should be filed prior to the prehearing conference, or if none is held, before the commencement of the hearing, unless the petitioner shows good cause for filing the petition later. The hearing officer may grant the petition if he believes that such participation will not unduly delay a hearing and will contribute materially to the proceeding. An intervener is not a party and may not introduce evidence at a hearing, or propound questions to a witness, unless the hearing officer determines that the proposed additional evidence is relevant and will clarify the facts. The intervener may submit and serve on all parties a brief in support or opposition to any brief of a party. All service and notice required by and upon a party shall apply to an intervener.

§ 15.68 Ex parte communications.

INITIAL NOTICE AND RESPONSE

§ 15.81 How proceedings are commenced.

Proceedings are commenced by mailing a notice to an applicant or recipient of alleged noncompliance with the Act and the Secretary's regulations thereunder. The notice will be signed by the interested agency head or by the Secretary and shall be filed with the hearing clerk for proper service by the hearing clerk according to the rules of this subpart. The notice shall include either a notice of hearing or notice of opportunity to request a hearing as determined by the Secretary and shall comply with the requirements of § 15.9(a).

§ 15.82 Notice of hearing and response thereto.

A notice of hearing shall fix a date not less than 30 days from the date of service of the notice of a hearing on matters alleged in the notice. If the applicant or recipient does not desire a hearing, he should so state in writing, in which case the applicant or recipient shall have the right to submit written information and argument for the record, and the additional right to further participate in the proceeding. Failure to appear at the time set for a hearing, without good cause, shall be deemed a waiver of the right to a hearing under section 602 of the Act and the regulations in this part and consent to the making of a decision on such information as is available which may be presented for the record.

§ 15.83 Notice of opportunity to request a hearing and response thereto.

A notice of opportunity to request a hearing shall set a date not less than 20 days from service of said notice within which the applicant or recipient may file a request for a hearing, or may waive a hearing and submit written information and argument for the record, in which case, the applicant or recipient shall have the right to further participate in the proceeding. When the applicant or recipient elects to file a request for a hearing, a time shall be

set for the hearing at a date not less than 20 days from the date applicant or recipient is notified of the date set for the hearing. Failure of the applicant or recipient to request a hearing or to appear at the date set shall be deemed a waiver of the right to a hearing, under section 602 of the Act and the regulations in this part and consent to the making of a decision on such information as is available which may be presented for the record.

§ 15.84 Answer.

In any case covered by § 15.82 or § 15.83 the applicant or recipient shall file an answer. Said answer shall admit or deny each allegation of the notice, unless the applicant or recipient is without knowledge, in which case the answer shall so state, and the statement will be considered a denial. Failure to file an answer shall be deemed an admission of all allegations of fact in the notice. Allegations of fact in the notice not denied or controverted by answer shall be deemed admitted. Matters intended to be offered as affirmative defenses must be stated as a separate part of the answer. The answer under § 15.82 shall be filed within 20 days from the date of service of the notice of hearing. The answer under § 15.83 shall be filed within 20 days of service of the notice of opportunity to request a hearing.

§ 15.85 Amendment of notice or answer.

The notice of hearing or notice of opportunity to request a hearing may be amended once as a matter of course before an answer thereto is served, and each applicant or recipient may amend his answer once as a matter of course not later than 10 days before the date fixed for hearing but in no event later than 20 days from the date of service of his original answer. Otherwise a notice or answer may be amended only by leave of the hearing officer. An applicant or recipient shall file his answer to an amended notice within the time remaining for filing the answer to the original notice or within 10 days after service of the amended notice, whichever period may be the longer, unless the hearing officer otherwise orders.

§ 15.86 Consolidated or joint hearings.

Two or more proceedings against the same respondent, or against different respondents in which the same or related facts are asserted to constitute noncompliance, may be consolidated for hearing or decision or both by the agency head, if he has the principal responsibility within the Department for the administration of all the laws extending the Federal financial assistance involved. If laws administered by more than one agency head are involved, such officials may by agreement order consolidation for hearing. The Secretary may order proceedings in the Department consolidated for hearing with proceedings in other Federal Departments or agencies, by agreement with such other Departments or agencies. All parties to any proceeding consolidated subsequently to service of the notice of hearing or notice of opportunity to request a hearing shall be promptly served with notice of such consolidation.

HEARING OFFICER

§ 15.91 Who presides.

A hearing officer shall preside over all proceedings held under this part. The hearing officer shall be a hearing examiner qualified under section 11 of the Administrative Procedure Act (5 U.S.C. 1001 *et seq.*), and designated to hold hearings under the regulations in this subpart or any person authorized to hold a hearing and make a final decision. The hearing officer will serve until he has made an initial decision, certified the record to the Secretary, or made a final decision if so authorized.

§ 15.92 Designation of hearing officer.

Unless otherwise provided by an order of the Secretary at the time the notice of alleged noncompliance provided in § 15.81 is filed with the Office of the Hearing Clerk, the hearing shall be held before a hearing examiner, who shall be appointed by the Chief Hearing Examiner, Office of Hearing Examiners within five days after the filing of such notice. Unless otherwise provided, the hearing examiner shall certify the entire record with his recommended find-

ings and proposed decision to the Secretary for final decision.

§ 15.93 Time and place of hearing.

When a notice of hearing is sent to an applicant or recipient, the time and place of hearing shall be fixed by the Secretary, and when the applicant or recipient requests a hearing, the time and place shall be set by the hearing officer and in either case in conformity with § 15.9(b). The complainant, if any, shall be advised of the time and place of the hearing.

§ 15.94 Disability of hearing officer.

In the case of death, illness, disqualification, or unavailability of the designated hearing officer, another hearing officer may be designated by the Secretary to take his place. If such death, illness, disqualification or unavailability occurs during the course of a hearing, the hearing will be either continued under a substitute hearing officer, or terminated and tried *de novo* in the discretion of the Secretary. In the absence of the designated hearing officer any hearing examiner may rule on motions and other interlocutory papers.

§ 15.95 Responsibilities and duties of hearing officer.

The hearing officer shall have the duty to conduct a fair hearing, to take all necessary action to avoid delay, and to maintain order. He shall have all powers necessary to these ends, including (but not limited to) the power to:

(a) Arrange and issue notice of the date, time and place of hearings, or, upon due notice to the parties, to change the date, time and place of hearings previously set.

(b) Hold conferences to settle, simplify, or fix the issues in a proceeding, or to consider other matters that may aid in the expeditious disposition of the proceeding.

(c) Require parties and interveners to state their position with respect to the various issues in the proceeding.

(d) Administer oaths and affirmations.

(e) Rule on motions, and other procedural items on matters pending before him.

(f) Regulate the course of the hearing and conduct of parties therein.

(g) Examine witnesses and direct witnesses to testify.

(h) Receive, rule on, exclude or limit evidence.

(k) Take any other action a hearing officer is authorized to take under these rules or subpart A of this part.

MOTIONS

§ 15.101 Form and content.

(a) *General.* Motions shall state the relief sought and the authority relied upon. If made before or after the hearing, the motion shall be in writing and filed with the hearing clerk with a copy to all parties. If made at the hearing, they should be stated orally but the hearing officer may require that any motion be reduced to writing and filed and served on all parties in the same manner as a formal motion.

(b) *Extension of time or postponement.* A request for an extension of time should be filed and served on all parties and should set forth the reasons for the request and may be granted upon a showing of good cause. Answers to such requests are permitted, if made promptly.

§ 15.102 Responses to motions.

Within 8 days or such reasonable time as may be fixed by the hearing officer, or Secretary, if the motion is properly addressed to him, any party may file a response to the motion, unless the motion is made at a hearing in which case an immediate response may be required. The hearing officer may dispose of motions at a prehearing conference.

§ 15.103 Disposition of motions.

The hearing officer may not sustain or grant a motion prior to expiration of the time for filing responses thereto, but may overrule or deny such motion without waiting on a response: *Provided, however,* That prehearing con-

ferences, hearings, and decisions need not be delayed pending disposition of motions. Oral motions may be ruled on immediately. Motions submitted to the hearing officer not disposed of in separate rulings or in his decision will be deemed denied. Oral argument shall not be held on written motions unless expressly ordered. Interlocutory appeals from rulings on motions shall be governed by § 15.123.

HEARING PROCEDURES

§ 15.110 Prehearing conferences.

(a) In any case in which it appears that such procedure will expedite the proceeding, the hearing officer may, prior to the commencement of the hearing, request the parties to meet with him or to correspond with him regarding any of the following:

(1) Simplification and clarification of the issues;

(2) Necessity or desirability of amendments to the pleadings;

(3) Stipulations, admissions of fact and of the contents and authenticity of documents;

(4) Matters of which official notice will be taken;

(5) Limitation of the number of experts or other witnesses;

(6) Disposal of all motions; and

(7) Such other matters as may expedite and aid in the disposition of the proceeding.

(b) The hearing officer shall enter in the record a written summary of the results of the conference or correspondence with the parties.

§ 15.111 Purpose of hearing.

(a) The hearing is directed to receiving factual evidence and expert opinion testimony related to the issues in the proceeding. Argument will not be received in evidence; rather it should be presented in statements, memoranda or briefs, as determined by the hearing officer. Brief opening statements, which shall be limited to a statement of the party's position and what he intends to prove, may also be made at hearings.

(b) Hearings for the reception of evidence will be held only in cases where issues of fact must be resolved in order to determine whether the respondent

has failed to comply with one or more applicable requirements of subpart A of this part. In any case where it appears from the answer of the applicant or recipient to the notice of hearing or notice of opportunity to request a hearing, from his failure timely to answer, or from his admissions or stipulations in the record that there are no matters of material fact in dispute, the hearing officer may enter an order so finding, and fixing the time for the submission of evidence by the Government for the record. Thereafter, the proceedings shall go to conclusion in accordance with subpart A of this part and the rules of this subpart. An appeal from such order may be allowed in accordance with the rules for interlocutory appeal in § 15.123.

§ 15.112 Statement of position and brief.

The hearing officer may require all parties and any intervener to file a written statement of position or brief prior to the beginning of a hearing.

§ 15.113 Testimony.

(a) Testimony shall be given orally under oath or affirmation by witnesses at the hearing, but the hearing officer, in his discretion, may require or permit that the testimony of any witness be prepared in writing and served on all parties in advance of the hearing. Such testimony may be adopted by the witness at the hearing and filed as part of the record thereof. Unless authorized by the hearing officer, witnesses will not be permitted to read prepared testimony into the record. Except as provided in §§ 15.115 and 15.116, witnesses shall be available at the hearing for cross-examination.

(b) Proposed exhibits shall be exchanged either at a prehearing conference, or otherwise prior to the hearing. Proposed exhibits not so exchanged may be denied admission as evidence unless good cause is shown why they were not exchanged. The authenticity of all proposed exhibits exchanged prior to hearing will be deemed admitted unless written objection thereto is filed prior to the hearing or unless good cause is shown at the hearing for failure to file such written objection.

§ 15.115 Affidavits.

An affidavit, intended to be used as evidence without cross-examination of the affiant, will be filed and served on the parties at least 15 days prior to the hearing; and not less than seven days prior to hearing a party may file and serve written objections to any affidavit on the ground that he believes it necessary to test the truth of assertions therein by cross-examination. In such event, the affidavit objected to will not be received in evidence unless the affiant is made available for cross-examination at the hearing or otherwise as prescribed by the hearing officer. In absence of an objection being filed within the time specified, such affidavit will be received in evidence.

§ 15.116 Depositions.

Upon such terms as may be just, the hearing officer, in his discretion, may authorize the testimony of any witness to be taken by deposition.

§ 15.117 Evidence.

Irrelevant, immaterial, unreliable, and unduly repetitious evidence will be excluded, and technical rules of evidence shall not apply but rules or principles designed to assure the most credible evidence available and to subject testimony to test by cross-examination shall apply.

§ 15.118 Cross-examination.

Cross-examination will be limited to the scope of direct examination and matters at issue in the hearing.

§ 15.119 Objections.

Objections to evidence shall be timely and briefly state the ground relied upon. The ruling of the hearing officer will be part of the record. Argument in support of the objection will not be part of the record.

§ 15.120 Exceptions to rulings of hearing officer unnecessary.

Exceptions to rulings of the hearing officer are unnecessary. It is sufficient that a party, at the time the ruling of the hearing officer is sought, makes known the action which he desires the hearing officer to take, or his objection

to an action taken, and his grounds therefor.

§ 15.121 Official notice.

A public document, or part thereof, such as an official report decision, opinion, or published scientific or economic statistical data issued by any branch of the Federal or a State Government which has been shown to be reasonably available to the public, may be offered for official notice and accepted in the record without further proof of authenticity. Where official notice is to be taken, any party, on timely request, shall have an opportunity to show the contrary.

§ 15.122 Offer of proof.

An offer of proof made in connection with an objection taken to any ruling of the hearing officer rejecting or excluding proposed oral testimony shall consist of a statement for the record of the substance of the evidence which counsel contends would be adduced by such testimony; and, if the excluded evidence consists of evidence in documentary or written form or of reference to documents or records, a copy of such evidence shall be marked for identification and shall accompany the record as an offer of proof.

§ 15.123 Appeals from ruling of hearing officer.

A ruling of the hearing officer may not be appealed to the Secretary prior to consideration of the entire proceeding by the hearing officer except with the consent of the hearing officer and where he certifies on the record or in writing that the allowance of an interlocutory appeal is clearly necessary to prevent exceptional delay, expense, or prejudice to any part or substantial detriment to the public interest. If an appeal is allowed, any party may file a brief with the Secretary within such period as the hearing officer directs. Oral argument will be heard in the discretion of the Secretary.

§ 15.124 Admissions as to facts and documents.

Not later than 15 days prior to the scheduled date of the hearing except for good cause shown, or prior to such earlier date as the hearing officer may

order, any party may serve upon an opposing party a written request for the admission of the genuineness and authenticity of any relevant documents described in and exhibited with the request, or for the admission of the truth of any relevant matters of fact stated in the request. Each of the matters of which an admission is requested shall be deemed admitted, unless within a period designated in the request (not less than 10 days after service thereof, or within such further time as the hearing officer may allow upon motion and notice) the party to whom the request is directed serves upon the requesting party a sworn statement either denying specifically the matters of which an admission is requested or setting forth in detail the reasons why he cannot truthfully either admit or deny such matters. Copies of requests for admission and answers thereto shall be served on all parties. Any admission made by a party to such request is only for the purposes of the pending proceeding, or any proceeding or action instituted for the enforcement of any order entered therein, and shall not constitute an admission by him for any other purpose or be used against him in any other proceeding or action.

THE RECORD

§ 15.131 Official transcript.

The hearing clerk will designate the official reporter for all hearings. The official transcript of testimony taken, together with any affidavits, exhibits, depositions, briefs, or memoranda of law shall be filed with the hearing clerk. Transcripts of testimony in hearings will be supplied by the official reporter to the parties and to the public at rates not to exceed the maximum rates fixed by the contract between the Department and the reporter. Upon notice to all parties, the hearing officer may authorize corrections to the transcript which involve matters of substance.

§ 15.132 Record for decision.

The transcript of testimony, exhibits, affidavits, depositions, briefs, memoranda of law, and all pleadings,

motions, papers, and requests filed in the proceeding, except the correspondence section of the docket, including rulings, and any recommended findings and proposed decision, or initial decision shall constitute the exclusive record for final decision.

POSTHEARING PROCEDURES

§ 15.135 Posthearing briefs.

The hearing officer shall fix a reasonable time for filing posthearing briefs, which may contain proposed findings of fact and conclusions of law, and, if permitted, reply briefs. Briefs should include a summary of the evidence relied upon together with references to exhibit numbers and pages of the transcript, with citations of the authorities relied upon. Briefs shall be filed in the Office of the Hearing Clerk with a copy to all parties.

§ 15.136 Decisions and notices.

When the time for submission of posthearing briefs has expired the hearing officer shall either make an initial decision or final decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Secretary for a final decision and a copy of such initial, or final decision or certification shall be mailed to the applicant or recipient and other parties by the hearing clerk.

§ 15.137 Exceptions to initial or proposed decision.

Within 30 days of the mailing of such notice of initial or recommended findings and proposed decision, the applicant or recipient and other parties may file with the hearing clerk for consideration by the Secretary exceptions to the initial or recommended findings and proposed decision, with reasons therefor. Each party will be given reasonable opportunity to file briefs or other written statements of contentions in which the party may request that the decision be modified, reversed, affirmed or adopted.

§ 15.138 Review of initial decision.

In the absence of exceptions to an initial decision, the Secretary may on his own motion within 45 days after an

initial decision serve upon the parties a notice that he will review the decision and will give the parties reasonable opportunity to file briefs or other written statements of contentions. At the expiration of said time for filing briefs, the Secretary will review the initial decision and issue a final decision thereon. In the absence of either exceptions to an initial decision or a notice or review, the initial decision shall constitute the final decision of the Secretary.

§ 15.139 Oral argument.

If any party desires to argue orally before the Secretary on the review of recommended findings and proposed decision, or an initial decision, he shall so state at the time he files his exceptions or brief. The Secretary may grant such request in his discretion. If granted, he will serve notice of oral argument on all parties and will set forth the order of presentation and the amount of time allotted, and the time and place of argument.

§ 15.140 Service of decisions.

All final decisions shall be promptly served on all parties and the complainant.

§ 15.141 Contents of decision.

Each decision of a hearing officer shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to the regulations in this part with which it is found that the applicant or recipient has failed to comply.

§ 15.142 Content of orders.

The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and the regulations in this part, including provisions designed to assure that no Federal financial assistance will thereafter be extended under such program to the applicant or recipient determined by such decision to be in default in its performance of an assurance

given by it pursuant to the regulations in this part, or to have otherwise failed to comply with the regulations in this part, unless and until it corrects its noncompliance and satisfies the Agency that it will fully comply with the regulations in this part.

§ 15.143 Decision where financial assistance affected.

The Secretary shall make any final decision which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under the regulations in this part or the Act.

(a) *Remedial action*. If the Secretary finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the Secretary deems necessary to overcome the effects of such discrimination.

(b) *Affirmative action*. In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action to overcome the effects of conditions which resulted in limited participation therein by persons of a particular sex. Nothing herein shall be interpreted to alter any affirmative action obligations which a recipient may have under Executive Order 11246.

(c) *Self-evaluation*. Each recipient shall, within one year of the effective date of this part:

(1) Evaluate in terms of the requirements of this part, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and employment of both academic and non-academic personnel working in connection with the recipient's education program or activity;

§ 15a.4

(d) *Availability of self-evaluation and related materials.* Recipients shall maintain on file for at least three years following the effective date of this part or completion of the evaluation required under paragraph (c) of this section, whichever is longer, and shall provide to the Secretary upon request, a description of any modifications made pursuant to paragraph (c)(1) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 15a.4 Assurance required.

(a) *General.* Every application for Federal financial assistance for any education program or activity shall as condition of its approval contain or be accompanied by an assurance from the applicant or recipient, satisfactory to the Secretary, that each education program or activity operated by the applicant or recipient and to which this part applies will be operated in compliance with this part. An assurance of compliance with this part shall not be satisfactory to the Secretary if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with § 15a.3(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior or subsequent to the submission to the Secretary of such assurance.

(b) *Transfers of property.* If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee which operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of subpart B.

7 CFR Subtitle A (1–1–04 Edition)

(c) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurances shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(d) *Form.* The Secretary will specify the form of the assurances required by paragraph (a) of this section and the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 15a.5 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by this part are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, as amended; title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e *et seq.*); the Equal Pay Act (29 U.S.C. 206 and 206(d)); and any other act of Congress or Federal regulation.

(b) *Effect of State or local law or other requirements.* The obligation to comply with this part is not obviated or alleviated by any State or local law or other requirement which would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with this part is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association which would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex,

in any education program or activity operated by a recipient and which receives or benefits from Federal financial assistance.

(d) *Effect of compliance with HEW regulations.* If a recipient is covered by the title IX regulations issued by HEW, 45 CFR part 86, and has already complied with the HEW requirements corresponding to §§15a.3(c), 15a.4(a), 15a.7 (a) and (b), and 15a.8 (a) and (b), then the requirements of those sections need not be duplicated in order to comply with this part. However, if the requirements have not been applied to all programs funded by this Department, then the requirements will have to be met as to those programs.

§15a.6 Effect of employment opportunities.

The obligation to comply with this part is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§15a.7 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under this part, including any investigation of any complaint communicated to such recipient alleging its noncompliance with this part or alleging any actions which would be prohibited by this part. The recipient shall notify all its students and employees of the name, office address and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) *Complaint procedure of recipient.* A recipient shall adopt and publish grievance procedures providing for prompt, and equitable resolution of student and employee complaints alleging any action which would be prohibited by this part.

§15a.8 Dissemination of policy.

(a) *Notification of policy.* (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, stu-

dents and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities which it operates, and that it is required by title IX and this part not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the Secretary finds necessary to apprise such persons of the protections against discrimination assured them by title IX and this part, but shall state at least that the requirement not to discriminate in education programs and activities extends to employment therein and to admission thereto unless subpart C does not apply to the recipient, and that inquiries concerning the application of title IX and this part to such recipient may be referred to the employee designated pursuant to §15a.7 or to the Secretary.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of the effective date of this part or of the date this part first applies to such recipient, whichever comes later, which notification shall include publication in:

- (i) Local newspapers,
- (ii) newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and
- (iii) memoranda or other written communications distributed to every student and employees of such recipient.

(b) *Publications.* (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form which it makes available to any person of a type described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in this paragraph which suggests, by text or illustration, that such

recipient treats applicants, students, employees differently on the basis of sex except as such treatment is permitted by this part.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and require such representatives to adhere to such policy.

(b) *Content of plans.* In order to be approved by the United States Commissioner of Education, a transition plan shall:

(1) State the name, address, and Federal Interagency Committee on Education (FICE) Code of the educational institution submitting such plan, the administratively separate units to which the plan is applicable, and the name, address, and telephone number of the person to whom questions concerning the plan may be addressed. The person who submits the plan shall be the chief administrator or president of the institution, or another individual legally authorized to bind the institution to all actions set forth in the plan.

(2) State whether the educational institution or administratively separate unit admits students of both sexes, as regular students and, if so, when it began to do so.

(3) Identify and describe with respect to the educational institution or administratively separate unit any obstacles to admitting students without discrimination on the basis of sex.

(4) Describe in detail the steps necessary to eliminate as soon as practicable each obstacle so identified and indicate the schedule for taking these steps and the individual directly responsible for their implementation.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) *Nondiscrimination.* No policy or practice of a recipient to which § 15a.17 applies shall result in treatment of applicants to or students of such recipient in violation of subpart C unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which §15a.17 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs which emphasize the institution's commitment to enrolling students of the sex previously excluded.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 15a.21 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which this subpart applies, except as provided in §§ 15a.17 and 15a.18.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which this subpart applies shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise,

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion for admission which has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria which do not have such a disproportionately adverse effect are shown to be unavailable.

(c) Prohibitions relating to marital or parental status. In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which this subpart applies:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant which treats persons differently on the basis of sex;

(3) Shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is "Miss" or "Mrs." A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by this part.

§ 15a.22 Preference in admission.

A recipient to which the subpart applies shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity which admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of this subpart.

§ 15a.23 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which this subpart applies shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to §15a.3(a), and may choose to undertake such efforts as affirmative action pursuant to §15a.3(b).

(b) *Recruitment at certain institutions.* A recipient to which this subpart applies shall not recruit primarily or exclusively at education institutions, schools or entities which admit as students only or predominantly members

(a) *General.* Except as provided elsewhere in the part, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient which receives or benefits from Federal financial assistance. This subpart does not apply to actions of a recipient in connection with admission of its students to an education program or activity of (1) a recipient to which subpart C does not apply, or (2) an entity, not a recipient, to which subpart C would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in this subpart, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

any aid, benefit or service to students or employees;

(8) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist, in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, which are designed to provide opportunities to study abroad, and which are awarded to students who are already matriculating at or who are graduates of the recipient institution, provided a recipient educational institution which administers or assists in the administration of such scholarships, fellowships, or other awards which are restricted to members of one sex provides, or otherwise makes available reasonable opportunities for similar studies for members of the other sex. (1) This paragraph applies to any recipient which requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or which facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation in education consortia and cooperative employment and student-teaching assignments.

(2) Such recipient: (i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student or employee of such recipient which this part would prohibit such recipient from taking; and (ii) shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 15a.32 Housing.

(a) *General.* A recipient shall not, on the basis of sex, apply different rules or

§ 15a.33

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than provided by such recipient.

(2) A recipient which through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(i) Proportionate in quantity and (ii) comparable in quality and cost to the student. A recipient may render such assistance to any agency, organization, or person which provides all or part of such housing to students only of one sex.

§ 15a.33 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§ 15a.34 Access to course offerings.

A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home

7 CFR Subtitle A (1-1-04 Edition)

economics, music and adult education courses.

(a) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from the effective date of this regulation. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from the effective date of this regulation.

(b) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(c) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball and other sports, the purpose or major activity of which involves bodily contact.

(d) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards which do not have such effect.

(e) Portions of classes in elementary and secondary schools which deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(f) Recipients may make requirements based on vocal range or quality which may result in a chorus or choruses of one or predominantly one sex.

§ 15a.35 Access to schools operated by L.E.A.s.

A recipient which is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the

same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§ 15a.36 Counseling and use of appraisal and counseling materials.

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient which uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials which permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 15a.37 Financial assistance.

(a) *General.* Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance which is of any particular type or

source, apply different criteria or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities or other services, assist any foundation, trust, agency, organization, or person which provides assistance to any of such recipient's students in a manner which discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance which treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests or similar legal instruments or by acts of a foreign government which require that awards be made to members of a particular sex specified therein: *Provided,* That the overall effect of the award of such sex-restricted scholarships, fellowships and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designed for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aids, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students

§ 15a.38

of each sex participating in interscholastic or intercollegiate athletics.

(2) Separate athletic scholarships or grants-in-aid for members of each sex may be provided as part of separate athletic teams for members of each sex to the extent consistent with this paragraph and § 15a.41.

§ 15a.38 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient which assists any agency, organization or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person which discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient which employs any of its students shall not do so in a manner which violates subpart E.

§ 15a.39 Health and insurance benefits and services.

In providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner which would violate subpart E if it were provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service which may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient which provides full coverage health service shall provide gynecological care.

§ 15a.40 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status which treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.*
(1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extra-

7 CFR Subtitle A (1-1-04 Edition)

curricular activity on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation in the normal education program or activity so long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient which operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section shall ensure that the instructional program in the separate program is comparable to that offered to non-pregnant students.

(4) A recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan or policy which such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient which does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence for so long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status which she held when the leave began.

§ 15a.41 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person

or otherwise be discriminated against in any interscholastic, intercollegiate, club or intramural athletics, offered by the recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try-out for the team offered unless the sport involved is a contact sport. For the purposes of this part, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) *Equal opportunity.* A recipient which operates or sponsors interscholastic, intercollegiate, club or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available the Secretary will consider, among other factors:

- (1) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;
- (2) The provision of equipment and supplies;
- (3) Scheduling of games and practice time;
- (4) Travel and per diem allowance;
- (5) Opportunity to receive coaching and academic tutoring;
- (6) Assignment and compensation of coaches and tutors;
- (7) Provision of locker rooms, practice and competitive facilities;
- (8) Provision of medical and training facilities and services;
- (9) Provision of housing and dining facilities and services;
- (10) Publicity.

Unequal aggregate expenditures for members of each sex or unequal ex-

penditures for male and female teams if a recipient operates or sponsors separate teams will not constitute non-compliance with this section, but the Secretary may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient which operates or sponsors interscholastic, intercollegiate, club or intramural athletics at the elementary school level shall comply fully with the section as expeditiously as possible but in no event later than one year from the effective date of this regulation. A recipient which operates or sponsors interscholastic, intercollegiate, club or intramural athletics at the secondary or post-secondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from the effective date of this regulation.

§15a.42 Textbooks and curricular material.

Nothing in this regulation shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way which could adversely affect any applicant's or employee's employment opportunities or status because of sex.

§ 15a.52

7 CFR Subtitle A (1-1-04 Edition)

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity which admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of this part.

(b) *Application.* The provisions of this subpart apply to:

(1) Recruitment, advertising, and the process of application for employment;

(2) Hiring, upgrading, promotion, consideration for and award of tenure, demotion, transfer, layoff, termination, application of nepotism policies, right of return from layoff, and rehiring;

§ 15a.52 Employment criteria.

A recipient shall not administer or operate any test or other criterion for any employment opportunity which has a disproportionately adverse effect on persons on the basis of sex unless:

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 15a.53 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have in the past so discriminated, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities which furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of this subpart.

§ 15a.54 Compensation.

A recipient shall not make or enforce any policy or practice which, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and which are performed under similar working conditions.

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements which classify persons on the basis of sex, unless sex is a bona-fide occupational qualification for the positions in question as set forth in § 15a.61.

§ 15a.56 Fringe benefits.

(a) *“Fringe benefits” defined.* For purposes of this part, *fringe benefits* means: Any medical, hospital, accident, life insurance or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave and any other benefit or service of employment not subject to the provision of § 15a.54.

(b) *Prohibitions.* A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families, or dependents of employees differently upon the basis of the employee’s sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan which does not provide either for equal periodic benefits for members of each sex or for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan which establishes different optional or compulsory retirement ages based on sex or which otherwise discriminates in benefits on the basis of sex.

§ 15a.57 Marital or parental status.

(a) *General.* A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment which treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal

wage earner in such employee’s or applicant’s family unit.

(b) *Pregnancy.* A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) *Pregnancy as a temporary disability.* A recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave.* In the case of a recipient which does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom as a justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status which she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 15a.58 Effect of State or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with this subpart is not obviated or alleviated by the existence of any State or local law or other requirement which imposes prohibitions or limits upon employment of members of one sex which are not imposed upon members of the other sex.

(b) *Benefits.* A recipient which provides any compensation service, or benefit to members of one sex pursuant to

§ 15a.59

a State or local law or other requirement shall provide the same compensation, service, or benefit to members of the other sex.

(b) *Sex.* A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by this part.

§ 15a.61 Sex as a bona-fide occupational qualification.

A recipient may take action otherwise prohibited by this subpart provided it is shown that sex is a bona fide occupational qualification for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section which is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee's sex in relation to employment in a locker room or toilet facility used only by members of one sex.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during which it retains ownership or possession of the property.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for the purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (c)(1) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as the Secretary deems appropriate, agree to forebear the exercise of

(2) Where a recipient is found to have discriminated against persons on the basis of handicap in violation of section 504 or this part and where another recipient exercises control over the recipient that has discriminated, the Secretary, where appropriate, may require either or both recipients to take remedial action.

(3) The Secretary may, where necessary to overcome the effects of discrimination in violation of section 504 or this part, require a recipient to take remedial action (i) with respect to handicapped persons who are no longer participants in the recipient's program or activity but who were participants in the program when such discrimination occurred or (ii) with respect to handicapped persons who would have

been participants in the program or activity had the discrimination not occurred, or (iii) with respect to handicapped persons presently in the program or activity, but not receiving full benefits or equal and integrated treatment within the program.

(b) *Voluntary action.* A recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified handicapped persons.

(c) *Self-evaluation.* (1) A recipient shall, within one year of the effective date of this part:

(b) A recipient shall select and administer tests concerning employment so as best to ensure that, when administered to an applicant or employee who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's or employee's job skills, aptitude, or whatever other factor the test purports to measure, rather than reflecting the applicant's or employee's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure).

§ 15b.15 Preemployment inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or may not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 15b.8(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to § 15b.8(b), or when a recipient is taking affirmative action pursuant to section 503 of the Act, the recipient may invite applicants for employment to indicate whether and to what extent they are handicapped: *Provided*, That (1) the recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary affirmative action efforts; and (2) the recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient for conditioning an offer of employment on the results of a medical examination conducted prior to the employee's entrance on duty: *Provided*, That (1) all entering employees are subjected to such an examination regardless of handicap; and (2) the results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded the same confidentiality as medical records except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(3) Government officials investigating compliance with the Act shall be provided relevant information upon request.

Subpart C—Accessibility

§ 15b.16 Applicability.

This subpart applies to all programs or activities that receive Federal financial assistance provided by the Department of Agriculture after the effective date of this part.

[47 FR 25470, June 11, 1982, as amended at 55 FR 52139, Dec. 19, 1990; 68 FR 51343, Aug. 26, 2003]

§ 15b.17 Discrimination prohibited.

No qualified handicapped person shall, because a recipient's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity receiving assistance from this Department.

§ 15b.18 Existing facilities.

(a) *Accessibility.* A recipient shall operate each assisted program or activity

so that when each part is viewed in its entirety it is readily accessible to and usable by qualified handicapped persons. This paragraph does not necessarily require a recipient to make each of its existing facilities or every part of an existing facility accessible to and usable by qualified handicapped persons.

(b) *Method.* A recipient may comply with the requirements of paragraph (a) of this section through such means as redesign of equipment, reassignment of classes or other services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities in conformance with the requirements of §15b.19, or any other method that results in making its program or activity accessible to qualified handicapped persons. A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with paragraph (a) of this section. In choosing among available methods for meeting the requirement of paragraph (a) of this section, a recipient shall give priority to those methods that serve qualified handicapped persons in the most integrated setting appropriate.

(c) *Small providers.* If a recipient with fewer than fifteen employees finds, after consultation with a handicapped person seeking its services, that there is no method of complying with paragraph (a) of this section other than by making a significant alteration in its existing facilities, the recipient may, as an alternative, refer the handicapped person to other providers of those services that are accessible at no additional cost to handicapped persons.

(d) *Application for modification of requirements.* Recipients that determine after a self-evaluation conducted according to the requirements of §15b.8(c), that accessibility can only be accomplished through substantial modifications which would result in a fundamental alteration in the nature of the program or activity, may apply to the Secretary for a modification of the requirements of this section.

(e) *Historic Preservation Programs; Application for waiver of program accessi-*

bility requirements. (1) A recipient shall operate each assisted program or activity involving Historic Preservation Programs so that when each part is viewed in its entirety it is readily accessible to and usable by handicapped persons. This paragraph does not necessarily require a recipient to make each of its existing historic properties or every part of an historic property accessible to and usable by handicapped persons. Methods of achieving accessibility include:

(i) Making physical alterations which enable handicapped persons to have access to otherwise inaccessible areas or features of historic properties;

(ii) Using audio-visual materials and devices to depict otherwise inaccessible areas or features of historic properties;

(iii) Assigning persons to guide handicapped persons into or through otherwise inaccessible portions of historic properties;

(iv) Adopting other innovative methods to achieve accessibility. Because the primary benefit of an Historic Preservation Program is the experience of the historic property itself, in taking steps to achieve accessibility, recipients shall give priority to those means which make the historic property, or portions thereof physically accessible to handicapped individuals.

(2) Where accessibility cannot be achieved without causing a substantial impairment of significant historic features, the Secretary may grant a waiver of the accessibility requirement. In determining whether accessibility can be achieved without causing a substantial impairment, the Secretary shall consider the following factors:

(i) Scale of property, reflecting its ability to absorb alterations;

(ii) Use of the property, whether primarily for public or private purpose;

(iii) Importance of the historic features of the property to the conduct of the program or activity; and,

(iv) Cost of alterations in comparison to the increase in accessibility.

The Secretary shall periodically review any waiver granted under this section and may withdraw it if technological advances or other changes so warrant.

(3) Where the property is federally owned or where Federal funds may be used for alterations, the comments of

the Advisory Council on Historic Preservation shall be obtained when required by section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. 470), and 36 CFR part 800, prior to effectuation of structural alterations.

(f) *Time period.* A recipient shall comply with the requirements of paragraph (a) of this section within sixty days of the effective date of this part except that where structural changes in facilities are necessary, such changes shall be made within three years of the effective date of this part and as expeditiously as possible.

(g) *Transition plan.* In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within one year of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum:

(1) Identify physical obstacles in the recipient's facilities that limit the accessibility of its program or activity to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve full accessibility under paragraph (a) of this section and if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Identify the person responsible for implementation of the plan.

[47 FR 25470, June 11, 1982, as amended at 68 FR 51342, 51343, Aug. 26, 2003]

§ 15b.19 New construction.

(a) *Design and construction.* Each facility or part of a facility constructed by, on behalf of, or for the use of a recipient shall be designed and constructed in such manner that the facility or part of the facility is readily accessible to and usable by handicapped persons, if the construction is com-

menced after the effective date of this part.

(b) *Alteration.* Each facility or part of a facility which is altered by, on behalf of, or for the use of a recipient after the effective date of this part in a manner that affects or could affect the usability of the facility or part of the facility shall to the maximum extent feasible, be altered in such manner that the altered portion of the facility is readily accessible to and usable by handicapped persons.

(c) *Conformance with Uniform Federal Accessibility Standards.* (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

(d) *Compliance with the Architectural Barriers Act of 1968.* Nothing in this section of § 15b.18 relieves recipients, whose facilities are covered by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157) from their responsibility of complying with the requirements of that Act and any implementing regulations.

[47 FR 25470, June 11, 1982, as amended at 55 FR 52138, 52139, Dec. 19, 1990]

Subpart D—Preschool, Elementary, Secondary, Adult, and Extension Education

§ 15b.20 Applicability.

Except as otherwise noted, this subpart applies to public and private schools, elementary, secondary, adult, and extension education programs or activities that receive Federal financial assistance provided by the Department of Agriculture after the effective date of this part and to recipients that operate, or that receive Federal financial assistance for the operation of, such programs or activities.

[47 FR 25470, June 11, 1982, as amended at 55 FR 52139, Dec. 19, 1990; 68 FR 51343, Aug. 26, 2003]

§ 15b.21 Location and notification.

A recipient that operates a public elementary or secondary education program or activity shall annually:

(a) Undertake to identify and locate every qualified handicapped person residing in the recipient's jurisdiction who is not receiving a public education; and

(b) Take appropriate steps to notify handicapped persons and their parents or guardians of the recipient's duty under this subpart.

[47 FR 25470, June 11, 1982, as amended at 68 FR 51343, Aug. 26, 2003]

§ 15b.22 Free appropriate public education.

(a) *General.* A recipient that operates a public elementary or secondary education program or activity shall provide a free appropriate public education to each qualified handicapped person who is in the recipient's jurisdiction, regardless of the nature or severity of the person's handicap.

(b) *Appropriate education.* (1) For the purpose of this subpart, the provision of an appropriate education is the provision of regular or special education and related aids and services that (i) are designed to meet individual educational needs of handicapped persons as adequately as the needs of nonhandicapped persons are met and (ii) are based upon adherence to procedures that satisfy the requirements of §15b.23, §15b.24, and §15b.25.

(2) Implementation of an Individualized Education Program developed in accordance with the Education of the Handicapped Act is one means of meeting the standard established in paragraph (b)(1)(i) of this section.

(3) A recipient may place a handicapped person or refer such person for aid, benefits, or services other than those that it operates or provides as its means of carrying out the requirements of this subpart. If so, the recipient remains responsible for ensuring that the requirements of this subpart are met with respect to any handicapped person so placed or referred.

(c) *Free education—(1) General.* For the purpose of this section, the provision of a free education is the provision of educational and related services without cost to handicapped persons or their parents or guardians, except for those fees that are imposed on nonhandicapped persons or their parents or guardians. It may consist either of the provision of free services or, if a recipient places a handicapped person in or refers such person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, payment for the costs of the aid, benefits, or services. Funds available from any public or private agency may be used to meet the requirements of this subpart. Nothing in this section shall be construed to relieve an insurer or similar third party from an otherwise valid obligation to provide or pay for services provided to a handicapped person.

(2) *Transportation.* If a recipient places a handicapped person or refers such person for aid, benefits, or services not operated or provided by the recipient as its means of carrying out the requirements of this subpart, the recipient shall ensure that adequate transportation to and from aid, benefits, or services is provided at no greater cost than would be incurred by the person or his or her parents or guardian if the person were placed in the program operated by the recipient.

(3) *Residential placement.* If a public or private residential placement is necessary to provide a free appropriate

public education to a handicapped person because of their handicap, the placement, including nonmedical care and room and board, shall be provided at no cost to the person or his or her parents or guardian.

(4) *Placement of handicapped persons by parents.* If a recipient has made available in conformance with the requirements of this section and §15b.23, a free appropriate public education to a handicapped person and the person's parents or guardian choose to place the person in a private school, the recipient is not required to pay for the person's education in the private school. Disagreements between a parent or guardian and a recipient regarding whether the recipient has made a free appropriate education available or otherwise regarding the question of financial responsibility are subject to the due process procedures of §15b.25.

(d) *Compliance.* A recipient may not exclude any qualified handicapped person from a public elementary or secondary education after the effective date of this regulation. A recipient that is not, on the effective date of this regulation, in full compliance with the other requirements of the preceding paragraphs of this section shall meet such requirements at the earliest practicable time but in no event later than September 1, 1982.

[47 FR 25470, June 11, 1982, as amended at 68 FR 51343, Aug. 26, 2003]

§15b.23 Educational setting.

(a) *Academic setting.* A recipient to which this subpart applies shall educate, or shall provide for the education of each qualified handicapped person in its jurisdiction with persons who are not handicapped to the maximum extent appropriate to the needs of the handicapped person. A recipient shall place a handicapped person in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. Whenever a recipient places a person in a setting other than the regular educational environment pursuant to this paragraph, it shall take into account the prox-

imity of the alternate setting to the person's home.

(b) *Nonacademic setting.* In providing or arranging for the provision of non-academic and extracurricular services and activities, including meals, recess periods, and the services and activities set forth in §15b.26(a)(2), a recipient shall ensure that handicapped persons participate with nonhandicapped persons in such activities and services to the maximum extent appropriate to the needs of the handicapped person in question.

(c) *Comparable facilities.* If a recipient, in compliance with paragraph (a) of this section, operates a facility that is identifiable as being for handicapped persons, the recipient shall ensure that the facility and the services and activities provided therein are comparable to the other facilities, services, and activities of the recipient.

§15b.24 Evaluation and placement.

(a) *Placement evaluation.* A recipient that operates a public elementary or secondary education program or activity shall conduct an evaluation in accordance with the requirements of paragraph (b) of this section of any person who, because of handicap, needs or is believed to need special education or related services before taking any action with respect to the initial placement of the person in regular or special education and any subsequent significant change in placement.

(b) *Evaluation procedures.* A recipient to which this section applies shall establish standards and procedures for the evaluation and placement of persons who, because of handicap, need or are believed to need special education or related services which ensure that:

(1) Tests and other evaluation materials have been validated for the specific purpose for which they are used and are administered by trained personnel in conformance with the instructions provided by their producer;

(2) Tests and other evaluation materials include those tailored to assess specific areas of educational need and not merely those which are designed to provide a single general intelligence quotient; and

(3) Tests are selected and administered so as best to ensure that, when a

§ 15b.25

test is administered to a student with impaired sensory, manual, or speaking skills, the test results accurately reflect the student's aptitude or achievement level or whatever other factor the test purports to measure, rather than reflecting the student's impaired sensory, manual or speaking skills (except where those skills are the factors that the test purports to measure).

(c) *Placement procedures.* In interpreting evaluation data and in making placement decisions, a recipient shall (1) draw upon information from a variety of sources, including aptitude and achievement tests, teacher recommendations, physical conditions, social or cultural background, and adaptive behavior, (2) establish procedures to ensure that information obtained from all such sources is documented and carefully considered, (3) ensure that the placement decision is made by a group of persons, including persons knowledgeable about the child, the meaning of the evaluation data, and the placement options, and (4) ensure that the placement decision is made in conformity with § 15b.23.

(d) *Reevaluation.* A recipient to which this section applies shall establish procedures, in accordance with paragraph (b) of this section, for periodic reevaluation of students who have been provided special education and related services. A reevaluation procedure consistent with the Education for the Handicapped Act is one means of meeting this requirement.

§ 15b.25 Procedural safeguards.

A recipient that provides a public elementary or secondary education shall establish and implement, with respect to action regarding the identification, evaluation, or educational placement of persons who, because of handicap, need or are believed to need special instruction or related services, a system of procedural safeguards that includes notice, an opportunity for the parents or guardian of the person to examine relevant records, an impartial hearing with opportunity for participation by the person's parents or guardian and representation by counsel, and a review procedure. Compliance with the proce-

dural safeguards of section 615 of the Education of the Handicapped Act is one means of meeting this requirement.

[47 FR 25470, June 11, 1982, as amended at 68 FR 51343, Aug. 26, 2003]

§ 15b.26 Nonacademic services.

(a) *General.* (1) Recipients to which this subpart applies shall provide non-academic and extracurricular services and activities in such a manner as is necessary to afford handicapped students an equal opportunity for participation in such services and activities.

(2) Nonacademic and extracurricular services and activities may include counseling services, physical education and athletics, food services, transportation, health services, recreational activities, special interest groups or clubs sponsored by the recipient, referrals to agencies which provide assistance to handicapped persons, and assistance in obtaining outside employment.

(b) *Counseling services.* A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities.

(c) *Physical education and athletics.* (1) In providing physical education courses and athletics and similar aid, benefits, and services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors interscholastic, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation.

(2) A recipient may offer handicapped students physical education and athletic activities that are separate or different from those offered to nonhandicapped students only if separation or differentiation is consistent with requirements of § 15b.23, and only if no qualified handicapped student is denied the opportunity to compete for teams

or to participate in courses that are not separate or different.

(d) *Food services.* In providing food services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. (1) Recipients shall serve special meals, at no extra charge, to students whose handicap restricts their diet. Recipients may require students to provide medical certification that special meals are needed because of their handicap.

(2) Where existing food service facilities are not completely accessible and usable, recipients may provide aides or use other equally effective methods to serve food to handicapped persons. Recipients shall provide all food services in the most intergrated setting appropriate to the needs of handicapped persons as required by § 15b.23(b).

[47 FR 25470, June 11, 1982, as amended at 68 FR 51343, Aug. 26, 2003]

§ 15b.27 Extension education.

(a) *General.* A recipient to which this subpart applies that provides extension education may not, on the basis of handicap, exclude qualified handicapped persons. A recipient shall take into account the needs of such persons in determining the benefits or services to be provided.

(b) *Delivery sites.* (1) Where existing extension office facilities are inaccessible, recipients may make aid, benefits, or services normally provided at those sites available to qualified handicapped persons through other methods which are equally effective. These methods may include meetings in accessible locations, home visits, written or telephonic communications, and other equally effective alternatives.

(2) For aid, benefits, or services delivered at other publicly-owned facilities, recipients shall select accessible facilities wherever possible. If accessible facilities cannot be selected because they are unavailable or infeasible due to the nature of the activity, recipients shall use other methods to deliver aid, benefits, or services to qualified handicapped persons. These methods may include the redesign of activities or some sessions of activities, the provision of aides, home visits, or other equally effective alternatives.

(3) For aid, benefits, or services delivered at privately-owned facilities, such as homes and farm buildings, recipients shall use accessible facilities whenever qualified handicapped persons requiring such accessibility are participating, have expressed an interest in participating, or are likely to participate. If accessible facilities cannot be selected because they are unavailable or infeasible due to the nature of the activity, recipients shall use other methods to deliver aid, benefits, or services to qualified handicapped persons. These methods may include the redesign of activities or some sessions of activities, the provision of aides, home visits, or other equally effective alternatives.

(4) Recipients shall make camping activities accessible to qualified handicapped persons. Recipients are not required to make every existing camp, all existing camp facilities, or all camp sessions accessible, but recipients who operate more than one camp or session may not limit qualified handicapped persons to one camp or session.

(c) *Materials.* Recipients shall make materials accessible to qualified handicapped persons with sensory or mental impairments. Commonly-used materials shall be readily available in alternate forms such as Braille or tape. Upon request, recipients shall make other materials available through appropriate means such as Braille, tape, readers, large print formats, simplified versions, written scripts, or interpreters. Recipients need not provide individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

[47 FR 25470, June 11, 1982, as amended at 68 FR 51342, 51343, Aug. 26, 2003]

§ 15b.28 Private education.

(a) A recipient that provides private elementary or secondary education may not, on the basis of handicap, exclude a qualified handicapped person if the person can, with minor adjustments, be provided an appropriate education, as defined by § 15b.22(b)(1)(i). Each recipient to which this section applies is also subject to the provisions of § 15b.23 and § 15b.26.

(b) A recipient to which this section applies may not charge more for the

§ 15b.29

provision of an appropriate education to handicapped persons than to non-handicapped persons except to the extent that any additional charge is justified by a substantial increase in cost to the recipient.

[47 FR 25470, June 11, 1982, as amended at 68 FR 51343, Aug. 26, 2003]

Subpart E—Postsecondary Education

§ 15b.29 Applicability.

Subpart E applies to public and private postsecondary education programs or activities, including postsecondary vocational education programs and activities, that receive Federal financial assistance provided by the Department of Agriculture after the effective date of this part.

[47 FR 25470, June 11, 1982, as amended at 55 FR 52139, Dec. 19, 1990; 68 FR 51343, Aug. 26, 2003]

§ 15b.30 Admissions and recruitment.

(a) *General.* Qualified handicapped persons may not, on the basis of handicap, be denied admission or be subjected to discrimination in admission or recruitment by a recipient to which this subpart applies.

(b) *Admissions.* In administering its admission policies, a recipient to which this subpart applies:

(1) May not apply limitations upon the number or proportion of handicapped persons who may be admitted;

(2) May not make use of any test or criterion for admission that has a disproportionate, adverse effect on handicapped persons or any class of handicapped persons unless (i) the test or criterion, as used by the recipient, has been validated as a predictor of success in the education program or activity in question and (ii) alternate tests or criteria that have a less disproportionate, adverse effect are not shown by the Secretary to be available.

(3) Shall assure itself that (i) admissions tests are selected and administered so as best to ensure that, when a test is administered to an applicant who has a handicap that impairs sensory, manual, or speaking skills, the test results accurately reflect the applicant's aptitude or achievement level

7 CFR Subtitle A (1–1–04 Edition)

or whatever other factor the test purports to measure, rather than reflecting the applicant's impaired sensory, manual, or speaking skills (except where those skills are the factors that the test purports to measure); (ii) admissions tests that are designed for persons with impaired sensory, manual, or speaking skills are offered as often and in as timely a manner as are other admissions tests; and (iii) admissions tests are administered in facilities that, on the whole, are accessible to handicapped persons; and

(4) Except as provided in paragraph (c) of this section, may not make preadmission inquiry as to whether an applicant for admission is a handicapped person but, after admission, may take inquiries on a confidential basis as to handicaps that may require accommodation.

(c) *Preadmission inquiry exception.* When a recipient is taking remedial action to correct the effects of past discrimination pursuant to §15b.8(a) or when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to §15b.8(b), the recipient may invite applicants for admissions to indicate whether and to what extent they are handicapped: *Provided*, That (1) the recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary action efforts; and (2) the recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential, that refusal to provide it will not subject the applicant to any adverse treatment, and that it will be used only in accordance with this part.

(d) *Validity studies.* For the purpose of paragraph (b)(2) of this section, a recipient may base prediction equations on first year grades, but shall conduct periodic validity studies against the criterion of overall success in the education program or activity in question in order to monitor the general validity of the test scores.

§ 15b.31 Treatment of students.

(a) *General.* No qualified handicapped student shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any academic, research, occupational training, housing, health, insurance, counseling, financial aid, physical education, athletics, recreation, transportation, other extracurricular, other postsecondary education aid, benefits, or services to which this subpart applies.

(b) A recipient to which this subpart applies that considers participation by students in education programs or activities not operated wholly by the recipient as part of, or equivalent to, an education program or activity operated by the recipient shall assure itself that the other education program or activity, as a whole, provides an equal opportunity for the participation of qualified handicapped persons.

(c) A recipient to which this subpart applies may not, on the basis of handicap, exclude any qualified handicapped student from any course, course of study, or other part of its education program or activity.

(d) A recipient to which this subpart applies shall operate its programs or activities in the most integrated setting appropriate.

[47 FR 25470, June 11, 1982, as amended at 68 FR 51343, Aug. 26, 2003]

§ 15b.32 Academic adjustments.

(a) *Academic requirements.* A recipient to which this subpart applies shall make such modifications to its academic requirements as are necessary to ensure that such requirements do not discriminate or have the effect of discriminating on the basis of handicap, against a qualified handicapped applicant or student. Academic requirements that the recipient can demonstrate are essential to the instruction being pursued by such student or to any directly related licensing requirement will not be regarded as discriminatory within the meaning of this section. Modifications may include changes in the length of time permitted for the completion of degree requirements, substitution of specific

courses required for the completion of degree requirements, and adaptation of the manner in which specific courses are conducted.

(b) *Other rules.* A recipient to which this subpart applies may not impose upon handicapped students other rules, such as the prohibition of tape recorders in classrooms or of dog guides in campus buildings, that have the effect of limiting the participation of handicapped students in the recipient's education program or activity.

(c) *Course examinations.* In its course examinations or other procedures for evaluating students' academic achievement, a recipient to which this subpart applies shall provide such methods for evaluating the achievement of students who have a handicap that impairs sensory, manual, or speaking skills as will best ensure that the results of the evaluation represent the students' achievements in the course, rather than reflecting the students' impaired sensory, manual, or speaking skills (except where such skills are the factors that the test purports to measure).

(d) *Auxiliary aids.* (1) A recipient to which this subpart applies shall take such steps as are necessary to ensure that no handicapped student is denied the benefits of, excluded from participation in, or otherwise subjected to discrimination because of the absence of educational auxiliary aids for students with impaired sensory, manual, or speaking skills.

(2) Auxiliary aids may include taped texts, interpreters or other effective methods of making orally delivered materials available to students with hearing impairments, readers in libraries for students with visual impairments, classroom equipment adapted for use by students with manual impairments, and other similar services and actions. Recipients need not provide attendants, individually prescribed devices, readers for personal use or study, or other devices or services of a personal nature.

[47 FR 25470, June 11, 1982, as amended at 68 FR 51343, Aug. 26, 2003]

§ 15b.33 Housing.

(a) *Housing provided by the recipient.* A recipient that provides housing to its nonhandicapped students shall provide

§ 15b.34

comparable, convenient, and accessible housing to handicapped students at the same cost as to others. At the end of the transition period provided for in subpart C, such housing shall be available in sufficient quantity and variety so that the scope of handicapped students' choice of living accommodations is, as a whole, comparable to that of nonhandicapped students.

(b) *Other housing.* A recipient that assists any agency, organization, or person in making housing available to any of its students shall take such action as may be necessary to assure itself that such housing is, as a whole, made available in a manner that does not result in discrimination on the basis of handicap.

§ 15b.34 Financial and employment assistance to students.

(a) *Provision of financial assistance.* (1) In providing financial assistance to qualified handicapped persons, a recipient to which this subpart applies may not, (i) on the basis of handicap, provide less assistance than is provided to nonhandicapped persons, limit eligibility for assistance, or otherwise discriminate or (ii) assist any entity or person that provides assistance to any of the recipient's students in a manner that discriminates against qualified handicapped persons on the basis of handicap.

(2) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established under wills, trusts, bequests, or similar legal instruments that require awards to be made on the basis of factors that discriminate or have the effect of discriminating on the basis of handicap only if the overall effect of the award of scholarships, fellowships, and other forms of financial assistance is not discriminatory on the basis of handicap.

(b) *Assistance in making available outside employment.* A recipient that assists any agency, organization, or person in providing employment opportunities to any of its students shall assure itself that such employment opportunities, as a whole, are made available in a manner that would not violate subpart B if they were provided by the recipient.

(c) *Employment of students by recipients.* A recipient that employs any of its students may not do so in a manner that violates subpart B.

§ 15b.35 Nonacademic services.

(a) *Physical education and athletics.* (1) In providing physical education courses and athletics and similar aid, benefits, or services to any of its students, a recipient to which this subpart applies may not discriminate on the basis of handicap. A recipient that offers physical education courses or that operates or sponsors intercollegiate, club, or intramural athletics shall provide to qualified handicapped students an equal opportunity for participation in these activities.

(2) A recipient may offer to handicapped students physical education and athletic activities that are separate or different only if separation or differentiation is consistent with the requirements of § 15b.31(d) and only if no qualified handicapped student is denied the opportunity to compete for teams or to participate in courses that are not separate or different.

(b) *Counseling and placement services.* A recipient to which this subpart applies that provides personal, academic, or vocational counseling, guidance, or placement services to its students shall provide these services without discrimination on the basis of handicap. The recipient shall ensure that qualified handicapped students are not counseled toward more restrictive career objectives than are nonhandicapped students with similar interests and abilities. This requirement does not preclude a recipient from providing factual information about licensing and certification requirements that may present obstacles to handicapped persons in their pursuit of particular careers.

(c) *Social organizations.* A recipient that provides significant assistance to fraternities, sororities, or similar organizations shall assure itself that the membership practices of such organizations do not permit discrimination otherwise prohibited by this subpart.

(c) *Drug and alcohol addicts.* A recipient to which this subpart applies that operates a general hospital or outpatient facility may not discriminate in admission or treatment against a

drug or alcohol abuser or alcoholic who is suffering from a medical condition, because of the person's drug or alcohol abuse or alcoholism.

(b) *New construction.* (1) Recipients receiving assistance from the Department for multi-family rental housing projects constructed after the effective date of this part shall construct at least five percent of the units in the

project or one unit, whichever is greater, to be accessible to or adaptable for physically handicapped persons. The requirement that five percent of the units in the project or at least one unit, whichever is greater, be accessible or adaptable may be modified if a recipient shows, through a market survey approved by the Department, that a different percentage of accessible or adaptable units is appropriate for a particular project and its service area.

(i) The variety of units accessible to or adaptable for physically handicapped persons shall be comparable to the variety of units available in the project as a whole.

(ii) No extra charge may be made for use of accessible or adaptable units.

(iii) A recipient that operates multi-family rental housing projects on more than one site may not locate all accessible or adaptable units at one site unless only one accessible or adaptable unit is required.

(2) Standards for accessibility are contained in subpart C and in appropriate regulations.

(c) *Existing facilities.* Recipients receiving assistance from the Department for multi-family rental housing projects constructed prior to the effective date of this part shall assure that their facilities comply with the accessibility requirements established in

§ 15b.18 if a qualified handicapped person applies for admission. Necessary physical alterations made pursuant to such requirements shall be completed within a reasonable amount of time after the unit becomes available for occupancy by the qualified handicapped person. Subject to the availability of funds and fulfillment by the recipient of all program eligibility requirements, the Department may assist recipients to comply with accessibility requirements through methods such as (1) consideration of subsequent loan applications for purposes of making existing facilities accessible or for the construction of additional units which are accessible and (2) consideration of approval to commit project reserve account funds for minor modifications in order to make existing facilities accessible.

§§ 15e.104–15e.109 [Reserved]

§§ 15e.112–15e.129 [Reserved]

§ 15e.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in according equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to oth-

ers unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified

individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 15e.131–15e.139 [Reserved]

§ 15e.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 15e.141–15e.148 [Reserved]

§ 15e.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 15e.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 15e.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 15e.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods.*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings,

shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151-4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of § 15e.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 15e.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 15e.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 15e.152-15e.159 [Reserved]

§ 15e.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices

for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 15e.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 15e.161–15e.169 [Reserved]

§ 15e.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on

the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Director, Office of Advocacy and Enterprise, shall be responsible for coordinating implementation of this section and shall make the determinations described in paragraph (g) of this section. Complaints may be sent to Office of Advocacy and Enterprise, U.S. Department of Agriculture, Washington, DC 20250.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by § 15e.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

Subpart B—I Filed A Complaint With USDA Prior To July 1, 1997, How Do I Request That USDA Consider My Complaint Using These Procedures?

§ 15f.5 How do I request that USDA consider my complaint under these procedures?

In order for USDA to consider your complaint under these procedures, a Section 741 Complaint Request must be docketed with the Docketing Clerk in the USDA OCR.

(a) *Do I have to file a "Section 741 Complaint Request" if USDA is already working on my complaint? Do I have to file again?* If USDA OCR already reviewed or is working on your complaint, you will receive a notice by March 1, 1999, indicating that your complaint automatically has been docketed as a Section 741 Complaint Request for consideration under these procedures. The notice will provide you with the docket number assigned your Request and will give you further instructions with respect to what options you have or what actions you must take.

(b) *What if USDA is not working on my complaint? If I think USDA has reviewed or is working on my complaint, but do not receive a letter by March 1, 1999, what should I do?* If USDA is not already working on your complaint, or you do not receive a letter from USDA by March 1, 1999, or within 30 days thereafter, you should file a Section 741 Complaint Request with the Docketing Clerk at USDA OCR.

(c) *How long do I have to file my Section 741 Complaint Request?* You have until October 21, 2000 to file your Section 741 Complaint Request. If you did not receive a notice from USDA by October 21, 2000, that your Section 741 Complaint Request had been docketed automatically under paragraph (a) of this section, and you did not file a Section 741 Complaint Request prior to October 21, 2000, under paragraph (b) of

§ 15f.6

this section, then any Section 741 Complaint Request received by USDA after October 21, 2000, will not be accepted.

[63 FR 67394, Dec. 4, 1998, as amended at 68 FR 7412, Feb. 14, 2003]

§ 15f.6 What must I say or include in my Section 741 Complaint Request?

If you must file a Section 741 Complaint Request, it should include a copy of your original complaint, a request in writing that USDA consider the complaint in accordance with these procedures, a statement as to when your complaint was filed with USDA, and any other evidence you consider necessary to prove that your complaint is an eligible complaint suitable for consideration under these procedures.

§ 15f.7 May I be represented by an attorney?

(a) If your Section 741 Complaint Request is automatically docketed as set forth in § 15f.5(a), and you already are represented by counsel of whom you have notified USDA, then this section does not apply.

(b) If you are filing your Section 741 Complaint Request with USDA, and if you are represented by an attorney, your Section 741 Complaint Request should also include an authorization signed by you indicating that the attorney is entitled to represent you on your behalf. If USDA receives such an authorization, all documents in connection with consideration of your complaint under these procedures will be sent to your attorney and not to you.

(c) Once your Section 741 Complaint Request is docketed with USDA, and you afterwards retain an attorney, you should forward an authorization to USDA signed by you indicating that the attorney is entitled to represent you on your behalf. If USDA receives such an authorization, all documents in connection with consideration of your complaint under these procedures will be sent to your attorney and not to you.

7 CFR Subtitle A (1–1–04 Edition)

Subpart C—What Happens After I Send In My Section 741 Complaint Request? May I Seek to Resolve My Complaint Informally With OCR?

§ 15f.8 What does the Docketing Clerk do with my Section 741 Complaint Request?

All Section 741 Complaint Requests docketed by the OCR Docketing Clerk will be referred to the Director for an informal review. The Director will determine if the complaint is one that can be resolved informally, and, if so, the Director will seek to resolve the complaint informally with the complainant.

§ 15f.9 What will the Director do to settle my Section 741 Complaint Request when it is received?

The Director will review each Section 741 Complaint Request. If the Director finds that your complaint is an eligible complaint, the Director will: review all documents and evidence submitted by you; review all agency or CR files, if any exist, regarding the circumstances surrounding the alleged discrimination; review any damage claims; and seek any further clarification, if necessary, from either you or the agency. CR also may refer your eligible complaint for a formal investigation by the CR Program Investigation Division or by an outside contractor. Based on his or her review, the Director will either undertake negotiations with you to resolve the complaint; or inform you that CR will not settle the complaint and explain to you your options, including your right to request formal proceedings before an ALJ under subpart D of this part within 30 days of receipt of notice from the Director that CR will not settle the complaint. If the complaint is successfully resolved or settled, the Director will issue a final determination disposing of the matter. If you have received a notice that the Director will not settle the complaint prior to February 14, 2003, you have until 90 days after February 14, 2003 to request formal proceedings under subpart D of this part.

Any request for formal proceedings received by USDA after the deadlines set forth in this section will not be accepted.

[68 FR 7412, Feb. 14, 2003]

§ 15f.10 What if I do not want the Director to review my Section 741 Complaint Request and I want to proceed directly to a hearing?

If you do not want the Director to review your Section 741 Complaint Request, you may request a hearing following the procedures below in subpart D. You may request a hearing at any time during informal review or negotiations with the Director, or at any time during USDA consideration of your Section 741 Complaint Request.

Subpart D—If I Request A Hearing, What Will Happen? How Will The Hearing Be Conducted?

§ 15f.11 Where must I file a hearing request and what happens to it?

If you desire a hearing, you must file a request for a hearing with the Docketing Clerk, citing the docket number assigned to your Section 741 Complaint Request. When the Docketing Clerk receives your request for a hearing, your Section 741 Complaint Request will be assigned to an ALJ. The Docketing Clerk will send a notice of your hearing request to OCR and the agency, notifying them of the docket number and the assigned ALJ. The Docketing Clerk also will send you a notice of receipt of the hearing request that will inform you of the name of the assigned ALJ.

§ 15f.12 Am I entitled to a hearing in all circumstances?

Under section 741, you have a right to a hearing as part of the process for USDA to render a final determination on your eligible complaint. However, if at any time the ALJ determines that your complaint is not an eligible complaint, he or she may dismiss your complaint with a final determination and USDA review of your complaint will then have been completed. You also are not entitled to a hearing if there are no material issues of fact in dispute between you and USDA. In other words, if the only dispute remaining is a question of law, you will

not receive a hearing and the ALJ will make a final determination under § 15f.16.

§ 15f.13 What is the function of the ALJ and who may communicate with him?

(a) *What are the powers of the ALJ?*
The ALJ is responsible for conducting a hearing at your request on your Section 741 Complaint Request. He or she will have all powers prescribed in these rules and will make a proposed determination on your complaint. The proposed determination then will become the final determination after 35 days, unless the ASCR reviews the proposed determination.

(b) *What is an ex parte communication?*
An *ex parte* communication is a communication by one party to a proceeding with the ALJ outside of the presence of, or without notice to, the other parties to a proceeding. *Ex parte* communications in the proceedings on your complaint are prohibited and will be handled as follows:

(1) The ALJ will not engage in *ex parte* communications regarding the merits of a complaint with any party or with any person having any interest in the proceedings on the complaint, including OCR and any person in an advocacy or investigative capacity, at any time between the assignment of a hearing to him or her and the issuance of a proposed determination. This prohibition does not apply to:

(i) Discussions of procedural matters related to the complaint; or

(ii) Discussions of the merits of the complaint where all parties to the proceeding on the complaint have been given notice and an opportunity to participate.

(2) In the case of a communication described in paragraph (b)(1)(ii) of this section, a memorandum of any such discussion shall be included in the hearing record.

(3) No party to the proceeding or other interested person shall make or knowingly cause to be made to the ALJ an *ex parte* communication relevant to the merits of the complaint.

(4) If the ALJ receives an *ex parte* communication in violation of this section, the ALJ will place in the written record:

§ 15f.14

- (i) All such written communications;
- (ii) Memoranda stating the substance of all such oral communications; and
- (iii) All written responses to such communications, and memoranda stating the substance of any oral responses to such communications.

(c) Upon receipt of a communication knowingly made or knowingly caused to be made by a party in violation of this section the ALJ may, to the extent consistent with the interests of justice and the policy underlying these proceedings, require the party or other interested person making the communication to show cause why such party's claim or interest in the complaint should not be dismissed, denied, disregarded, or otherwise adversely affected on account of such violation.

[63 FR 67394, Dec. 4, 1998, as amended at 68 FR 27449, May 20, 2003]

§ 15f.14 What happens after I file a request for a hearing?

Within 20 days after you have filed your request for a hearing, ALJ shall file with the Docketing Clerk a notice stating the time, place, and manner of the hearing. The ALJ will have due regard for the public interest and the convenience and necessity of the parties in determining the time, place, and manner of the hearing. The notice will state whether the hearing will be conducted by telephone, audiovisual telecommunication, or personal attendance of any individual expected to participate in the hearing. The Docketing Clerk will send copies of the notice to the complainant and to all other parties to the proceeding.

§ 15f.15 What happens after the Docketing Clerk notifies all parties?

The first step in this process involves a response to your hearing request by OCR. OCR will turn over its entire file on your complaint to the ALJ. OCR also will file a report with the ALJ stating its position with respect to whether or not your complaint is an eligible complaint, with reasons for its position, as well as stating its position with respect to the merits of your complaint. OCR must turn over its file and make its report on its position on your complaint within 35 days. OCR must

7 CFR Subtitle A (1–1–04 Edition)

provide a copy to you of anything it provides to the ALJ.

§ 15f.16 Although I request a hearing, may I request the ALJ to issue a decision without a hearing?

(a) At any time after the parties have been notified of your hearing request, you may file a request with the ALJ to make a determination based on the written record. With your request, you should file any other arguments or evidence that you wish the ALJ to consider. The agency and OCR will have 35 days after you file your request to file any additional information, arguments, or evidence for the consideration of the ALJ. The ALJ may recommend dismissal of your complaint on the basis of a finding that it is not an eligible complaint; recommend denial of your eligible complaint on the merits; or make a proposed finding of discrimination on your eligible complaint and recommend to award you such relief as would be afforded under the applicable statute or regulation under which the eligible complaint was filed. The ALJ will make a proposed determination on your complaint based on the original complaint, the Section 741 Complaint Request, the OCR report, and any other evidence or written documents filed by the parties. The proposed determination will become the final determination 35 days after it is filed unless you request review of the proposed determination by the ASCR. The ASCR also may review the proposed determination on his or her own initiative. If the ASCR reviews the decision, he or she will allow the parties a reasonable opportunity to file briefs in support of or opposition to the proposed determination, and afterwards will issue a final determination within 35 days after you request review of the proposed determination.

(b) To the maximum extent practicable, a final determination will be made within 180 days of your filing of the Section 741 Complaint Request.

[63 FR 67394, Dec. 4, 1998, as amended at 68 FR 27449, May 20, 2003]

§ 15f.17 What happens before the hearing?

(a) *Do I need to file another answer or pre-hearing brief?* You may file a pre-

hearing brief in support of your complaint.

(b) *Will there be a pre-hearing conference?* The ALJ may hold a pre-hearing conference. If such a conference is to be held, the notice of the pre-hearing conference also will contain a notice to the parties of a time and date for the pre-hearing conference. Pre-hearing conferences normally will be held by telephone. Issues that may be addressed at the pre-hearing conference may include: simplification of the issues; the possibility of obtaining stipulations of fact and of the authenticity of documents; limitation of the number of witnesses; exchange of copies of hearing exhibits; negotiation, compromise or settlement of issues; identification of documents of which official notice will be requested; a schedule for completion of the actions decided upon at the conference; and any other matters that may aid and expedite the conclusion of the proceeding. No transcript of the pre-hearing conference will be made but the ALJ will issue a written memorandum summarizing the results of the pre-hearing conference.

(c) *What else may the ALJ ask for before the hearing?* Prior to the hearing, the ALJ may require each of the parties to furnish any or all of the following: an outline of a party's position with respect to the complaint, the facts upon which the party intends to rely, the legal theories upon which the party intends to rely, copies of or a list of the documents and exhibits which the party anticipates on introducing at the hearing, and a list of anticipated witnesses.

§15f.18 May I depose potential witnesses?

(a) A party may request an order from the ALJ to take the testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence. The application for the order must specify the reason and need for taking testimony by deposition.

(b) The time, place, and manner of taking depositions will be as mutually

agreed by the parties, or failing agreement, by order of the ALJ.

(c) No testimony taken by depositions will be considered as part of the evidence in the hearing until such testimony is offered and received in evidence at the hearing, and ordinarily it will not be received into evidence if the deponent is present and can testify at the hearing. However, when the deponent is present and can testify, the deposition may be used to contradict or impeach the testimony of the deponent given at the hearing. Where you have requested a final determination by the ALJ based on the written record without a hearing, the ALJ, in his or her discretion, may receive depositions to supplement the record.

(d) Each party will bear its own expenses associated with the taking of any deposition.

§15f.19 Other than myself, OCR, and the agency, may any other interested party participate in the proceeding?

In most cases, there will be no parties to a proceeding under these rules, other than the complainant, OCR, and, and if it so desires, the agency. However, if there are circumstances in which additional parties have an interest in the proceeding, such as a bank which participated in a case involving a guaranteed loan, such other interested parties may be permitted to participate in the proceeding at the discretion of the ALJ.

§15f.20 May I subpoena witnesses to the hearings?

No. USDA has no statutory authority to subpoena witnesses to testify at the hearing.

§15f.21 What rules are applicable to the actual conduct of the hearing?

(a) *Who may appear at the hearing?*

You may appear at the hearing in person or through your attorney. OCR or the agency will appear through a designated representative, which may include a USDA attorney. Any person who appears as counsel must conform to the standards of ethical conduct required of practitioners before the courts of the United States.

(b) *What happens if I fail to show up?* If, after having received notice of the hearing under §15f.14, you fail to appear at the hearing without good cause, you will have waived your right to a hearing in the proceeding and the ALJ may proceed to issue a final determination based on the written record as provided for under §15f.16.

(c) *Which party presents its case first at the hearing?* You, as the complainant, will proceed first at the proceeding, unless otherwise determined by the ALJ.

(d) *What kind of evidence will be admitted and how will it be handled?* (1) *In general.* The hearing will be conducted by the ALJ in the manner he or she determines most likely to obtain the facts relevant to the matter or matters at issue. The ALJ may confine the presentation of facts and evidence to pertinent matters and exclude irrelevant, immaterial, or unduly repetitious evidence, information, or questions. Each party will have the opportunity to present oral and documentary evidence, oral testimony of witnesses, and arguments in support of the party's position; controvert evidence relied on by any other party; and question all witnesses. The testimony of witnesses at a hearing will be on oath or affirmation and will be subject to cross-examination. Any evidence may be received by the ALJ without regard to whether that evidence could be admitted in judicial proceedings. Upon a finding of good cause, the ALJ may order that any witness be examined separately and apart from all other witnesses except those who may be parties to the proceeding.

(2) *Objections.* (i) If a party objects to the admission of any evidence or to the limitation of the scope of any examination or cross-examination or to any other ruling of the ALJ, the party must state briefly the grounds of such objection.

(ii) Only objections made before the ALJ may subsequently be relied upon in the proceeding.

(3) *Depositions.* The deposition of any witness will be admitted in the manner provided in and subject to the provisions of §15f.18(c) of these rules.

(4) *Exhibits.* Unless the ALJ finds that the furnishing of copies is impracticable, two copies of each exhibit must

be filed with the ALJ. A party submitting an exhibit must provide every other party (except interested parties) a copy of the exhibit one week before the hearing. A true copy of an exhibit may be substituted for the original.

(5) *Official records or documents.* An official government record or document or entry therein, if admissible for any purpose, will be admissible in evidence without the production of the person who made or prepared the same, and will be *prima facie* evidence of the relevant facts stated therein. Such record or document must be evidenced by an official publication thereof or a copy certified by a person having legal authority to make such certification.

(6) *Official notice.* Official notice will be taken of such matters as are judicially noted by the courts of the United States and of any other matter of technical, scientific, or commercial fact of established character if the parties are given adequate notice of matters so noticed, and the parties will be given adequate opportunity to show that such facts are erroneously noticed.

(7) *Offer of proof.* Whenever evidence is excluded by the ALJ, the party offering such evidence may make an offer of proof, which must be included in the transcript. The offer of proof should consist of a brief statement describing the evidence excluded. If the evidence consists of a brief oral statement, it must be included in the transcript in its entirety. If the evidence consists of an exhibit, it must be marked for identification and inserted in the hearing record.

(8) *Interlocutory review.* Interlocutory review of rulings by the ALJ will not be permitted.

(9) *Transcript or recording.* (i) Hearings to be conducted by telephone will be recorded verbatim by electronic recording device. Hearings conducted by audio-visual telecommunication or by the personal attendance of parties and witnesses must be transcribed, unless the ALJ finds that recording the hearing verbatim would expedite the proceeding and the ALJ orders the hearing to be recorded verbatim. The ALJ must certify that to the best of his or her knowledge and belief any recording made pursuant to this paragraph with

exhibits that were accepted into evidence is the record of the hearing.

(ii) If a hearing is recorded verbatim, a party requests the transcript of a hearing or part of a hearing, and the ALJ determines that the disposition of the proceeding would be expedited by a transcript of the hearing or part of a hearing, the ALJ shall order the verbatim transcription of the recording as requested by the party.

(iii) The costs of transcription or verbatim recordings will be paid for by USDA and charged to the agency whose action gave rise to the complaint at issue. Copies of recordings or transcripts of hearings will be made available to any party at the actual cost of duplication.

§ 15f.22 What happens after the hearing?

The ALJ will fix a reasonable time for filing posthearing briefs, proposed findings of fact and conclusions of law, and if permitted, reply briefs. Briefs should include a summary of evidence relied upon together with references to exhibit numbers and citations to the transcript and authorities relied upon. Briefs must be filed with the Docketing Clerk with copies to all parties.

§ 15f.23 What will constitute the record for the final determination?

The original complaint, the Section 741 Complaint Request, the OCR report, the agency answer, the transcript of testimony, exhibits, affidavits, depositions, briefs, memoranda of law, and all pleadings, motions, papers, and requests filed in the proceeding, including rulings, and the proposed determination by an ALJ (if applicable) shall constitute the exclusive record for the final determination.

§ 15f.24 When and in what form will a final determination be made on my complaint by USDA?

(a) The ALJ will make a proposed determination orally at the close of a hearing, or in writing within 35 days. The ALJ may recommend dismissal of your complaint on the basis of a finding that it is not an eligible complaint; recommend denial of your eligible complaint on the merits; or make a proposed finding of discrimination on your

eligible complaint and recommend to award you such relief as would be afforded under the applicable statute or regulation under which the eligible complaint was filed. The proposed determination will become the final determination 35 days after it is made, unless you request review of the proposed determination by the ASCR. The ASCR also may review the proposed determination on his or her own initiative. If the ASCR reviews the proposed determination, he or she will allow the parties a reasonable opportunity to file briefs in support or opposition to the proposed determination, and afterwards file a final determination within 35 days after you request review of the proposed determination.

(b) To the maximum extent practicable, a final determination will be filed within 180 days after you filed your Section 741 Complaint Request.

[63 FR 67394, Dec. 4, 1998, as amended at 68 FR 27449, May 20, 2003]

§ 15f.25 Will USDA pay my attorneys fees if I win?

If you prevail on your eligible complaint, either in whole or in part, after a proceeding before an ALJ under the procedures in this subpart, you may be eligible for an award of attorneys fees as a prevailing party under the Equal Access to Justice Act (EAJA), 5 U.S.C. 504. To get an EAJA award, you must file an application for such fees with the ALJ within 30 days after the final determination is made. Instructions for filing an EAJA application and obtaining an EAJA award are contained in 7 CFR part 1, subpart J. The ALJ must follow those rules, and not these Section 741 Complaint Request rules, in making any EAJA award.

Subpart E—What If I Do Not Agree With The Final Determination by USDA?

§ 15f.26 May I seek judicial review of the final determination?

Section 741 provides that you have at least 180 days after a final determination denying your eligible complaint

under these rules to seek judicial review in the United States Court of Federal Claims or a United States District Court of competent jurisdiction.

Subpart F—How Do I Count Days For Purposes Of Deadlines and What Happens If I Miss A Deadline In These Rules?

§ 15f.27 When is something considered “filed” as required by these rules and to whom do I need to give copies of what I file?

A document, or other item, that must be “filed” under these rules is considered filed when postmarked or when it is received and date-stamped by the Docketing Clerk.

§ 15f.28 When I or someone else has to do something within a certain number of days, how will USDA or the ALJ count the days?

Unless otherwise specifically noted, a “day” refers to a calendar day and a document that must be filed by a certain date must either be postmarked on that date or received by the Docketing Clerk on that date. For documents that must be or are “filed” under these regulations, you count the number of days after filing starting with the day after the filing date as day one. For other time periods, you calculate the time period by counting the day after receipt by the party as day one. If the last day of a time period expires on a Saturday, a Sunday, or a Federal holiday, the last day of the time period will expire on the next business day.

§ 15f.29 May I request an extension of a deadline or may I get relief for missing a deadline in these rules?

You may request that the ALJ extend a deadline in these rules, or afford you relief for missing a deadline, which he or she may do, consistent with the principles of sovereign immunity, the terms of any applicable statute, these rules, and the necessity of expeditious completion of the public business. It is the intent of USDA that the time deadlines expressed in these regulations be construed equitably to ensure resolution of eligible complaints, to the extent permitted by law.

(3) The contracting period, during which suppliers and importers must enter into contracts; and the delivery period, during which the commodity must be delivered;

(c) *Applicability of this part.* In addition to the provisions of a particular purchase authorization, each purchase authorization, unless otherwise provided, is subject to the provisions of this part to the same extent as if the provisions were fully set forth in the purchase authorization.

(d) *Modification or revocation.* The General Sales Manager reserves the right at any time for any reason or cause whatsoever to supplement, modify or revoke any purchase authorization, including the termination of deliveries, if it is determined to be in the interest of the U.S. Government. CCC shall reimburse suppliers who would otherwise be entitled to be financed by CCC for costs which were incurred as a result of such action by the GSM in connection with firm sales or shipping contracts, and which were not otherwise recovered by the supplier after a reasonable effort to minimize such costs: *Provided, however,* That such reimbursement shall not be made to a supplier if the GSM determines that the GSM's action was taken because the supplier failed to comply with the requirements of the regulations in this part or the applicable purchase authorization; *Provided further,* That reimbursement to suppliers of ocean transportation shall not exceed the ocean freight differential when the purchase authorization provides only for financing the differential.

(e) *Subauthorizations.* The participant may issue subauthorizations to importers consistent with the terms of the applicable purchase authorization. (a) *General.* (1) A participant or importer is not required to use a purchasing agent or shipping agent, or employ the services of any other agent, broker, consultant, or other representative (hereafter "agent") in connection with arranging the purchase of agricultural commodities under title I of the Act and arranging ocean transportation for such commodities. However, if an agent is used, the participant shall submit a written nomination of the agent to the Deputy Administrator, Export Credits, FAS, along with a copy of the proposed agreement between the participant or importer and such agent. The written nomination shall also specify the period of time to be covered by the nomination. A person may not act as agent for a participant or importer unless the Deputy Administrator, Export Credits, FAS, has provided a written statement that the nomination is accepted in accordance with the provisions of this section.

(2) See §17.6(c) regarding commissions, fees, or other compensation of any kind to agents of a participant or importer.

(3) A freight agent employed by the Agency for International Development under titles II and III is not eligible to act as an agent for the participant or importer during the period of such employment. 7 CFR Subtitle A (1-1-04 Edition)

(b) *Affiliate defined.* For purposes of this section, the term affiliate has the meaning provided in §17.2 and, in addition, persons will also be considered to be affiliates if any of the following conditions are met:

(1) There are any common officers or directors.

(2) There is any investment by eligible commodity suppliers, selling agents, or persons engaged in furnishing ocean transportation or ocean transportation-related services for commodities provided under any title of the Act, section 416(b) of the Agricultural Act of 1949, or the Food for Progress Act of 1985, whether or not any part of the ocean transportation is financed by the U.S. Government, or by agents of such persons, or their officers or directors, in the agent of the participant or importer.

(3) There is any investment by the agent of the participant or importer, or its officers or directors, in approved commodity suppliers; selling agents; or persons engaged in furnishing ocean transportation or ocean transportation-related services for commodities provided under any title of the Act, section 416(b) of the Agricultural Act of 1949, or the Food for Progress Act of 1985, whether or not any part of the ocean transportation is financed by the U.S. Government, or in agents of such persons. These conditions include those cases in which investment has been concealed by the utilization of any scheme or device to circumvent the purposes of this section but does not include investment in any mutual fund.

(c) *Information to be furnished.* A person nominated to act as an agent of the participant or importer, and any independent contractor that may be hired by such person to perform functions of a shipping agent, shall furnish to the Deputy Administrator, Export Credits, FAS, the following information or documentation as may be applicable:

(1) The names of all incorporators;

(2) The names and titles of all officers and directors;

(3) The names of all affiliates, including the names and titles of all officers and directors of each affiliate, and a description of the type of business in which the affiliate is engaged;

(4) The names and proportionate share interest of all stockholders;

(5) If beneficial interest in stock is held by other than the named shareholders, the names of the holders of the beneficial interest and the proportionate share of each;

(6) The amount of the subscribed capital;

(7) For USDA acceptance of a nomination covering services provided during each U.S. fiscal year (October 1–September 30), a written statement signed by such person:

(i) Certifying that, during the U.S. fiscal year covered by USDA's acceptance of the nomination, the person has not engaged in, and will not engage in, supplying commodities under any title of the Act or the Food for Progress Act of 1985 or furnishing ocean transportation or ocean transportation-related services for commodities provided under any title of the Act, section 416(b) of the Agricultural Act of 1949, or the Food for Progress Act of 1985, whether any part of the ocean transportation is financed by the U.S. Government; and that the person has not served and will not serve as an agent of firms engaged in providing such commodities, ocean transportation and ocean transportation-related services;

(ii) Certifying that, for ocean transportation brokerage services provided during the U.S. fiscal year covered by USDA's acceptance of the nomination, the person has not shared and will not share freight commissions with the participant, the importer, or any agent of the participant or the importer, whether CCC finances any part of the ocean freight. CCC will consider as sharing a commission a situation where the agent forgoes part or all of a commission and the supplier of ocean transportation pays a commission directly to the participant, the importer, or any other person on behalf of the participant or the importer; and

(iii) Undertaking that, during the U.S. fiscal year covered by USDA's acceptance of the nomination, affiliates of such person have not engaged in and will not engage in the activities or actions prohibited in this paragraph (c)(7).

(8) A certification that neither the person nor any affiliates has arranged

to give or receive any payment, kick-back, or illegal benefit in connection with the person's selection as agent of the participant or importer.

(d) *USDA acceptance.* (1) USDA will consider accepting the nomination of a person to act as an agent of the participant or importer when the documents required to be submitted by this section are received by the Deputy Administrator, Export Credits, FAS.

(2) USDA's acceptance of such nomination shall remain in effect for the period of time requested by the participant or such shorter period as the Deputy Administrator, Export Credits, FAS, may determine. USDA will withdraw such acceptance if the agent of the participant or importer, or any of the affiliates of such agent, violates the certifications or undertakings made pursuant to paragraphs (c) (7) and (8) of this section.

(3) A person is required to submit the information and documentation required by §17.4(c) to support the person's first nomination to act as an agent of any participant or importer for each fiscal year. For subsequent nominations covering the same fiscal year, the person must provide a written certification that the information and documentation provided earlier are still accurate and complete, or must provide the details of any changes to previously submitted information.

(e) *Notification.* The Deputy Administrator, Export Credits, FAS, shall promptly notify persons nominated as agents of the participant or importer, of the determination or of the need for further inquiry, and shall provide a written response within 30 calendar days of receipt of all the required documents. If USDA will not accept the nomination, the notification shall state the reasons therefor. The determination of the Deputy Administrator, Export Credits, FAS, is effective immediately and continues in effect pending the result of any appeal to the General Sales Manager.

(f) *Non-acceptance or withdrawal.* (1) If USDA does not accept the nomination of a person, or if acceptance has been withdrawn pursuant to the provisions of this section, the person may, within

§ 17.5

30 calendar days, present to the General Sales Manager, orally or in writing, any reasons as to why such action should not stand. Nothing in this paragraph shall be construed as to prohibit a person whose nomination has not been accepted or whose acceptance has been withdrawn by USDA from being nominated at a later time.

(2) If, in the procurement of commodities made available under title I, Pub. L. 480, a participant or importer uses an agent whose nomination has not been accepted in writing by the Deputy Administrator, Export Credits, FAS, USDA may withhold sales approval.

(3) If, in the shipping of commodities made available under title I, Pub. L. 480, a participant or importer uses an agent whose nomination has not been accepted in writing by the Deputy Administrator, Export Credits, FAS, USDA may withhold vessel approval or may deduct from the ocean freight differential to be paid, the amount of any commission to the agent in connection with the shipment.

(g) *No competitive advantage.* A shipping agent may not take any action which would give a competitive advantage to any supplier of commodities or ocean transportation. This includes, but is not limited to, providing advance notice of IFB's or amendments, or selectively enforcing IFB or contract requirements.

§ 17.5 Contracts between commodity suppliers and importers.

(a) *Commodity suppliers and selling agents.* (1) Commodity suppliers must be determined to be eligible under the Pub. L. 480, title I program in order for their contracts to be eligible for CCC financing. A prospective commodity supplier must be engaged in the business of selling agricultural commodities for export from the United States. The commodity supplier must maintain a bona fide business office in the United States, and must have a person, principal or agent on whom service of judicial process may be had in the United States.

(2) Persons who wish to participate as commodity suppliers shall submit the following information to the For-

7 CFR Subtitle A (1-1-04 Edition)

eign Agricultural Service, Stop 1033, USDA, 1400 Independence Ave., SW, Washington, DC 20250-1033:

(i) A current financial statement of the prospective supplier, preferably an audited statement, as evidence of financial responsibility. Submission of a letter of reference from a bank is also encouraged.

(ii) A statement containing general background information about the firm, including the names and titles of the chief executive officers and a description of the firm's experience as an exporter of U.S. agricultural commodities. Copies of bills of lading supporting this statement are also requested.

(iii) Any other information requested relating to whether the prospective supplier is responsible and is able to perform its obligations under this part and the purchase authorization.

(3) If, at the time the commodity supplier reports the sale it is determined that an agent employed or engaged by a commodity supplier to obtain a contract is not a selling agent as defined in § 17.2, the sale will not be eligible for financing.

(b) *Eligibility for financing.* To be eligible for financing, commodity contracts must comply with the following requirements unless otherwise specified in the purchase authorization.

(1) Commodity contracts between suppliers and importers are considered to be conditioned on the approval by USDA of the contract price; conformance of the sale to the provisions of the purchase authorization; responsiveness of the offer to IFB terms; and compliance by the supplier and the selling agent, if any, with paragraph (a) of this section.

(2) Importers and suppliers must enter into contracts within the contracting period specified in the purchase authorization. The contracts must provide for deliveries to the importer in accordance with the delivery terms and during the delivery period specified in the purchase authorization, or any amendment or modification thereto.

(3) Contracts for a commodity, under a purchase authorization which limits delivery terms to f.o.b. or f.a.s., must

be separate and apart from the contracts for ocean transportation of the commodity.

(4) The supplier's sales price may not exceed the prevailing range of export market prices as applied to the terms of sale at the time of sale, as determined by USDA. The "time of sale" is the date and time specified in the IFB for receipt of offers; or the date of the contract amendment if the amendment affects the sale price, as determined by USDA. The contract price may not be on a cost plus a percentage-of-cost basis.

(c) *Contracting procedures*—(1) *Purchasing—general*. (i) Importers must purchase commodities on the basis of IFB's.

(ii) The participant shall maintain a record of all offers received from suppliers until the expiration of three years after final payment under contracts awarded under the purchase authorization. The GSM may examine these records or request specific information in connection with the offers.

(2) *Invitations for bids*. The following conditions shall apply on all purchases of commodities on the basis of IFB's:

(i) The General Sales Manager must approve the terms of the IFB before it is issued by the importer.

(ii) The importer shall issue the IFB in the United States and shall open all offers in public in the United States at the time and place specified in the IFB.

(iii) The IFB must permit submission of offers from all suppliers who meet the requirements of this subpart.

(iv) The IFB may not preclude offers for shipment from any United States port(s) unless the purchase authorization provides for exportation only from certain ports.

(v) The IFB may not establish minimum quantities to be offered or which will be considered.

(vi) The IFB must stipulate the responsibility for each party for payment of any costs not eligible for financing by CCC.

(vii) The IFB must be in compliance with this part, the purchase authorization, and sound commercial standards.

(3) *Contract awards*. (i) The importer shall consider only offers which are responsive to the IFB and shall make awards either on the basis of the lowest

commodity price(s) offered or on the basis of lowest landed cost. However, when vessels offered under the flag of the participant, the importing country or the destination country; or vessels controlled by the participant, the importing country or the destination country are to be used, the participant must purchase commodities for shipment on such vessels only on the basis of the lowest commodity price(s) offered. This limitation may, however, be waived by the GSM:

(A) When the lowest commodity price(s) offered are in locations where vessels cannot reasonably be made available without a substantial increase in freight costs to the participant;

(B) For small quantities offered at additional loading points (in aggregate not more than 15 percent of the total tonnage offered by a vessel); or

(C) Where this limitation would conflict with the purposes of the program.

(ii) For purposes of this section, "lowest commodity price(s)" means the lowest commodity price(s) offered for loading onto the type of vessel (dry bulk carrier, tanker, etc.) to be utilized to carry the commodity purchased.

(iii) For purposes of this section, "lowest landed cost" means the combination of commodity price and ocean freight rate resulting in the lowest total cost to deliver the commodity to the importing country, considering the quantity which must be shipped on privately owned U.S.-flag commercial vessels, as determined by the Director. Lowest landed cost may be defined on either a foreign flag or U.S. flag basis. Awards may not be made on the lowest landed cost basis unless IFB's are issued for commodity and ocean freight so that all commodity and ocean freight offers are reviewed simultaneously.

(iv) Participants are encouraged to purchase commodities on the basis of lowest landed cost when U.S. flag vessels are to be used. If such commodity purchases are not made on the basis of lowest landed cost (U.S. flag), ocean freight differential payments will nonetheless be calculated on the rates of U.S. flag vessels which would represent the lowest landed cost.

§ 17.6

7 CFR Subtitle A (1-1-04 Edition)

(v) Announcement of awards shall be made in the United States. The importer shall promptly submit to the Director copies of all offers received with a copy of the IFB which was issued. No sale can be approved for financing until this information has been received by FAS. The decision of the GSM shall be final regarding the responsiveness of offers to IFB terms in the awarding of contracts.

(d) *Contract quantity eligible for financing.* The quantity eligible for financing in the contract between the supplier and the importer may not exceed that quantity approved by the Pub. L. 480 Operations Division, FAS, including any approved contract tolerance.

(e) *Contract disputes.* Contracts between suppliers and importers should stipulate the responsibility of each party for payment of any costs not eligible for financing by CCC. Questions as to payment of ineligible costs should be resolved between the contracting parties.

(f) *Contract provisions.* Each contract entered into for financing under this part is deemed to include all terms and conditions required by the regulations in this part.

(g) *Export Trade Act (Webb-Pomerene Law).* A supplier who is a member of a Webb-Pomerene association and who enters into contracts with importers as a member of such an association shall so indicate in a statement on, or attached to, the copy of the supplier's detailed invoice referred to in § 17.9(c)(2).

§ 17.6 Discounts, fees, commissions and payments.

For purposes of this section, the term "payment" means a commission, fee or other compensation of any kind. The term "other compensation of any kind" includes anything given in return for any consideration, services, or benefits received or to be received.

(a) *Discounts.* If a contract provides for one or more discounts (including but not limited to trade or quantity discounts and discounts for prompt payment) whether expressed as such or as "commissions" to the importer, CCC will only pay the invoice amount after the discount (supplier's contracted price less all discounts).

(b) *Selling agents.* (1) A supplier may not make a payment to a selling agent employed or engaged by the supplier to obtain a contract. This prohibition applies to any payment to a person who has acted as a selling agent to obtain a contract even though the payment may be for services performed that are not themselves services to obtain a contract.

(2) A person is deemed to act "to obtain a contract" if the person acts on behalf of a commodity supplier to:

(i) Influence a buyer to award a contract to the supplier;

(ii) Give the supplier a competitive advantage in relation to other potential suppliers; or

(iii) Influence CCC to approve a contract for financing under this part.

(3) CCC will not consider acts which are purely ministerial in nature and do not require the exercise of personal influence, judgment, or discretion (such as attending bid openings or presenting offers at bid openings), or services to implement a contract after it has been entered into by the parties (such as handling documentation problems or contract disputes), as acts to obtain a contract.

(c) *Other prohibitions.* (1) Suppliers of commodities or ocean transportation may not:

(i) Pay a commission to the participant or importer; to any agency, including an agency of the government of the importing country or the destination country; or to a corporation owned or controlled by the participant or the government of the importing country or the destination country.

(ii) Pay a commission to any affiliate of the participant, if the participant is a private entity;

(iii) Make any payment to an agent of the participant or importer, in the person's capacity as such agent, other than ocean transportation brokerage commissions.

(iv) Pay an address commission or payment.

(2) For ocean transportation, in addition to this paragraph, see also § 17.8(j).

(3) When any portion of the ocean freight is financed by CCC, total ocean transportation brokerage commissions

earned on U.S. and non-U.S.-flag bookings by all parties arranging vessel fixtures shall not exceed 2½ percent of the total freight costs.

(4) If a payment is made in violation of this section, CCC may demand dollar refund of the entire amount financed by CCC under the contract.

§ 17.7 Notice of sale procedures.

(a) *Telephonic notice of sale.* The supplier shall, immediately upon making a firm sale, telephone a notice of sale to Pub L. 480 Operations Division, FAS. A sale is considered firm when the supplier has been notified by the importer of an award, even though the contract is conditioned on approval by FAS (see § 17.5(b)(1).) If the supplier fails to furnish a notice of sale within 3 working days after the date of sale, CCC has the right to refuse to finance the sale.

(b) *Sale approval.* (1) Pub. L. 480 Operations Division will notify the supplier by telephone of approval of the notice of sale.

(2) The supplier will prepare Form FAS-359, "Declaration of Sale," and submit it to Pub. L. 480 Operations Division promptly as soon as FAS has provided the CCC Registration Number to the supplier. The supplier or the supplier's authorized representative must sign the form.

(3) Each Form FAS-359 shall cover only a single sale contract. If a sale is made under two or more purchase authorizations, the supplier will prepare separate forms for each purchase authorization.

(4) If any correction is needed to the Form FAS-359, the supplier must immediately notify FAS. If a contract is amended, the supplier should present the original Form FAS-359 for payment along with a copy of the written USDA approval of the contract amendment.

(c) *Sale disapproval.* (1) Pub. L. 480 Operations Division, FAS, will notify the supplier by telephone when a sale is disapproved for financing. The related contract between the supplier and importer shall, for purposes of financing, be considered null and void.

(2) On receipt of a notice of disapproval, the supplier shall promptly notify the importer.

(d) *Contract delivery period.* Price approval is limited to exports made dur-

ing the delivery period stated in the notice of sale or any contract amendment approved by the Pub. L. 480 Operations Division, FAS. If the supplier cannot complete delivery by the terminal delivery date of the contract delivery period, the supplier and the participant or importer shall submit a notice of contract amendment as provided in paragraph (e) of this section. If the supplier fails to comply, § 17.10(d) shall apply.

(e) *Contract amendments.* (1) The supplier and the participant or importer shall each submit a written notice of each contract amendment to the Director immediately after the amendment to the contract is made. This includes not only any change in the contract delivery period or any other terms and conditions of the contract as provided in the information given in the original notice of sale or any amendment thereto, but also any change in any other terms and conditions of the contract.

(2) The notice of contract amendment must contain the following:

(i) A request that USDA approve an amendment to the specifically identified sale contract between (the participant or importer) and (the commodity supplier).

(ii) A statement of what the amendment consists of (as, extension of delivery period through (date)) and a detailed explanation of the reasons for the amendment.

(iii) A statement that the contract amendment has been agreed to by both buyer and seller.

(3) Pub. Law 480 Operations Division, FAS, will notify the supplier as to whether the amendment is approved or disapproved.

(4) The supplier shall furnish a copy of the USDA approval of the amendment with other documentation submitted to obtain payment.

(5) If the supplier fails to furnish notice of a contract amendment to Pub. L. 480 Operations Division, FAS, within 3 working days after the date of such amendment, CCC has the right to refuse to finance the sale or any portion of the sale.

(6) Any amendment must be consistent with the provisions of the purchase authorization and this part and

must otherwise be acceptable to Pub. L. 480 Operations Division, FAS.

§17.8 Ocean transportation.

(a) *General.* (1) This section applies to the financing of ocean freight or ocean freight differential. Ocean freight will be financed by CCC only to the extent specifically provided for in the purchase authorization. The purchase authorization may provide requirements in addition to or in lieu of those specified in this section.

(2) The supplier of ocean transportation must be engaged in the business of furnishing ocean transportation from the United States and must have a person, principal or agent, on whom service of judicial process may be had in the United States.

(3) The quantity of the commodity which must be shipped on privately owned U.S.-flag commercial vessels will be determined by the Director.

(4) The supplier of ocean transportation shall release copies of the ocean bills of lading to the supplier of the commodity promptly upon completion of loading of the vessel.

(5) When CCC finances any part of the ocean freight or the ocean freight differential, the participant must open an operable irrevocable letter of credit for the portion of the ocean freight not financed by CCC. All banking institution charges, such as commissions, expenses, etc., are for the account of the participant. The amount of the letter of credit shall be computed using the information provided in the Form CCC-106. The letter of credit shall provide for sight payment or acceptance of a draft, payable in U.S. dollars, on the basis of the quantities specified in the applicable ocean freight contract. If the supplier of ocean transportation accepts the commodity before receipt of an acceptable letter of credit from a bank, the supplier takes such action at its own risk. This action in itself does not affect eligibility for CCC financing.

(b) *Contracting procedures*—(1) *Invitations for Bids (IFB's).* (i) Public freight "Invitations for Bids" are required in the solicitation of freight offers from all U.S. and non-U.S. flag vessels when CCC is financing any portion of the ocean freight.

(ii) For non-U.S. flag vessels when CCC is not financing any portion of the ocean freight, public freight IFB's are also required unless otherwise authorized by the Director, or unless the participant requires the use of vessels under its flag, the flag of the destination country, or other non-U.S. flag vessels under its control. Vessels considered to be under the control of the participant or the destination country include vessels under time charters, bare boat charters, consecutive voyage charters, or other contractual arrangements for the carriage of commodities which provide guaranteed access to vessels.

(iii) Prior to release to the trade, all freight IFB's must be submitted to the Director for approval. Freight IFB's must be issued by means of Bridge News, New York, plus at least one other means of communication.

(iv) All freight IFB's must:

(A) Specify a closing time for the receipt of offers and state that late offers will not be considered;

(B) Provide that offers are required to have a canceling date no later than the last contract layday specified in the IFB;

(C) Provide the same deadline for receipt of offers from both U.S. flag vessels and non-U.S. flag vessels;

(D) Stipulate the responsibility for each party for payment of any costs not eligible for financing by CCC (in the IFB or the pro forma charter party).

(2) *Competitive bidding.* When CCC is financing any portion of the freight, all offers shall be opened in public in the United States at the time and place specified in the IFB. Offers shall be opened prior to receipt of offers for the sale of commodities as the Director determines appropriate. Only offers which are responsive to the IFB may be considered, and no negotiation shall be permitted.

(3) *Records of offers.* Copies of all offers received must be promptly furnished to the Director, who may require the participant, or its shipping agent, to submit a written certification to the GSM that all offers received (with the times of receipt designated

thereon) were transmitted to the Department. For purposes of this paragraph "time of receipt" shall be the time a hand-carried offer or a mailed offer was received at the designated location for presentation or, if transmitted electronically, the time the offer was received, as supported by evidence satisfactory to the Director.

(4) *Re-tenders.* The Director may permit or require a participant to refuse any and all bids, and in such case a participant may conduct a re-tender with the approval of the Director. The Director shall not approve or require freight re-tenders unless they will increase the likelihood of meeting U.S. flag cargo preference requirements, will permit the desired quantity to be shipped, will likely result in reduced CCC expenditures, or are otherwise determined to be in the best interest of the program.

(c) *Request for vessel approval.* The pertinent terms of all proposed charters and all proposed liner bookings, regardless of whether any portion of ocean freight is financed by CCC, must be submitted to the Director for review and approval before fixture of the vessel. Tentative advance vessel approvals may be obtained by telephone provided Form CCC-105, "Ocean Shipment Data—Pub. L. 480 (Request for Vessel Approval)", is furnished promptly confirming the information supplied by telephone. The Form CCC-105 shall be submitted in duplicate to the Director.

(d) *Advice of vessel approval.* (1) USDA will give written approval of charters and liner bookings on Form CCC-106, "Advice of Vessel Approval." The Form CCC-106 will state whether CCC will finance any part of the ocean freight. For f.a.s. or f.o.b. shipments, CCC will issue a signed original of Form CCC-106 to the ocean carrier when CCC finances any part of the ocean freight. For c. & f. or c.i.f. shipments, CCC will issue Form CCC-106 to the supplier of commodity.

(2) If CCC agrees to finance any portion of the ocean freight, the participant or its agent shall forward a copy of the ocean freight contract immediately after execution to the Director for review and approval prior to issuance of Form CCC-106.

(3) CCC may also require the supplier of ocean transportation to submit cop-

ies of lightening, stevedoring, or bagging contracts for any voyage for which CCC finances ocean freight or ocean freight differential.

(e) *Special charter party provisions required when any part of ocean freight is financed by CCC.* This paragraph applies when CCC finances any part of the ocean freight for commodities booked on charter terms. In the event of any conflict between the provisions of the regulations in this part and the charter party or ocean bills of lading issued pursuant thereto, the provisions of the regulations in this part shall prevail. The charter party shall contain or, for the purpose of financing pursuant to the regulations in this part, be deemed to contain the following provisions:

(1) That if there is any failure on the part of the supplier of ocean transportation to perform the charter party after the vessel has tendered at the loading port, the charterer shall be entitled to incur all expenses which in the judgment of the General Sales Manager are required to enable the vessel to carry out her obligations under the charter party including, but not limited to, expenses for lifting any liens asserted against the vessel.

(2) That, notwithstanding any prior assignments of freight made by the owner or operator, the expenses authorized in paragraph (e)(1) of this section may be deducted from the freight earned under the charter party.

(3) That ocean freight is earned and that 100% thereof is payable by the charterers when the vessel and cargo arrive at the first port of discharge, subject to paragraph (e)(4) of this section, and to the further condition that if a force majeure as described in paragraph (l)(1) of this section results in the loss of part of the vessel's cargo, 100% of the ocean freight is payable on the part so lost. This provision does not relieve the carrier of the obligation to carry to other points of discharge if so required by the charter party.

(4) That if a force majeure as described in paragraph (l)(1) of this section prevents the vessel's arrival at the first port of discharge, the freight shall be payable by the charterer at the time the General Sales Manager determines that such force majeure was the cause of nonarrival.

§ 17.8

7 CFR Subtitle A (1-1-04 Edition)

(5) That laydays are non-reversible.

(6) That in a dispute involving any rights and obligations of CCC, including rights and obligations as successor or assignee, which cannot be settled by agreement, the dispute shall not be subject to arbitration.

(f) *Special charter party information required when any part of ocean freight is financed by CCC.* When CCC finances any part of the ocean freight for commodities booked on charter terms, the charter party shall contain the following information:

(1) The name of each party participating in the ocean freight brokerage commission, if any, and the percentage thereof payable to each party;

(2) The name of the vessel and the name of the substitute vessel, if any.

(g) *Notice of arrival.* Each Form CCC-106 will indicate whether a notice of arrival is required. A notice of arrival, when required, must be furnished promptly by the participant or its designated agent or other source acceptable to CCC (excluding the carrier or its agent) and must include the name of the vessel, the purchase authorization number, the first port of discharge, and the date of arrival. The notice of arrival of the vessel also constitutes prima facie evidence of arrival of the cargo.

(h) *Foreign flag vessels.* The cost of ocean transportation will be financed by CCC on non-U.S. flag vessels only when, and to the extent, specifically provided in the applicable purchase authorization.

(i) *U.S.-flag vessels.* When a commodity is required to be shipped on a privately owned U.S.-flag commercial vessel, Form CCC-106 will set forth:

(1) The rate of the ocean freight differential, if any, which the Director determines to exist between the prevailing foreign-flag vessel rate and the U.S.-flag vessel rate; and

(2) The approximate tonnage for which CCC will authorize reimbursement of ocean freight or ocean freight differential, as appropriate.

(j) *Items not eligible for financing by CCC.* The following costs will not be financed by CCC, either separately or as part of the commodity contract price:

(1) Loading, trimming, and other related shipping expenses unless included in the ocean freight rate;

(2) Discharge costs unless included in the ocean freight rate;

(3) The cost of "dead freight";

(4) Cargo dues and taxes assessed by the importing or recipient country;

(5) Surcharges assessed by steamship conferences or carriers, unless specifically authorized by the Director;

(6) General average contributions;

(7) Stevedoring overtime and vessel crew overtime;

(8) Ship's disbursements;

(9) Any payments prohibited in § 17.6 (b) and (c); and

(10) Detention.

(k) *General financing provisions.* When any part of ocean freight will be financed either separately or as part of the commodity contract price, the following shall apply:

(1) Ocean freight contracts must show the ocean freight rate from one loading port to one discharge port, and may provide for an increase in rate for an additional port of loading or discharge, or other option. CCC, however, will finance initially the lowest such rate or OFD, as appropriate. Increased amounts due because of the exercise of such option will be financed only after receipt of an ocean bill of lading or other evidence showing that the option was exercised.

(2) In the case of transshipment to a foreign flag vessel, CCC will finance the ocean freight or OFD, as appropriate, only to the point of transshipment, at a rate determined by the GSM, and CCC will not finance any part of the ocean freight beyond the point of transshipment unless specifically approved by the GSM. If the commodity was transported from a U.S. port and was transhipped at another U.S. port, CCC will not finance, without prior approval of the GSM, any part of the ocean freight incurred before transshipment.

(3) The ocean freight rate eligible for CCC financing and the rate used for the U.S.-flag vessel in calculating ocean freight differential shall not exceed the following rates for the category of the vessel concerned:

(i) For commodities covered by published tariff rates—the published conference contract rate;

(ii) For other commodities—the market rate prevailing at the time of request for approval as determined by the Director, but in any event not in excess of rates charged other shippers (irrespective of booking dates) for like commodities on the voyage concerned.

(4) Payment will be made for ocean freight or OFD, as appropriate, from loading points to discharge points at rates approved by the Director on Form CCC-106 in conformity with paragraph (k)(3) of this section.

(5) Freight for a vessel designated on Form CCC-106 as a U.S. flag vessel shall not be eligible for financing unless such vessel complies with the provisions of Pub. L. 87-266.

(6) Ocean freight contracts must specify that the participant shall be liable for detention of the vessel for loading delays attributable solely to the decision of the supplier of ocean transportation not to commence loading because of the failure of the participant to establish an ocean freight letter of credit in accordance with paragraph (a)(5) of this section. However, ocean freight contracts may not contain a specified detention rate. The ocean transportation supplier shall be entitled to reimbursement for detention costs for all time so lost, for each calendar day or any part of the calendar day, including Saturdays, Sundays and holidays. The period of such delay shall not commence earlier than upon presentation of the vessel at the designated loading port within the laydays specified in the ocean freight contract, and upon notification of the vessel's readiness to load in accordance with the terms of the applicable ocean freight contract. The period of such delay shall end at the time that operable irrevocable letters of credit have been established for the applicable ocean freight or the time the vessel begins loading, whichever is earlier. Time calculated as detention shall not count as laytime. Reimbursement for such detention shall be payable no later than upon the vessel's arrival at the first port of discharge.

(l) *Force majeure.* (1) The GSM will waive the requirement for the notice of

arrival required by Form CCC-106 by a written notice to the supplier of ocean transportation on the receipt of evidence satisfactory to the General Sales Manager that the vessel is lost or unable to proceed to destination after completion of loading as a result of one or more of the following causes: Damage caused by perils of the sea or other waters; collisions; wrecks; stranding without the fault of the carrier; jettison; fire from any cause; Act of God; public enemies or pirates; arrest or restraint of princes, rulers or peoples without the fault of the supplier of ocean transportation; wars; public disorders; captures; or detention by public authority in the interest of public safety. The supplier may substitute such waiver for the notice of arrival.

(2) The determination of a force majeure by the GSM shall not relieve the participant from its obligation under the Agricultural Commodities Agreement to pay CCC, when due, the dollar amount of ocean freight, plus interest (exclusive of ocean freight differential), financed by CCC.

(m) *Demurrage/despatch.* CCC will not finance demurrage and CCC will not share in despatch earnings. Owners and commodity suppliers will settle laytime accounts at load port(s) and owners and charterers will settle laytime accounts at discharge port(s). Under no circumstances shall CCC be responsible for resolving disputes involving calculation of laytime or the payment of demurrage or despatch.

(n) *Ocean freight included in the commodity contract price.* For cost and freight or c.i.f. contracts the ocean freight, or the ocean freight differential, as appropriate, will be financed only to the extent specifically provided in the applicable purchase authorization.

(o) *Separate freight contracts.* Contracts for ocean transportation, under a purchase authorization which limits delivery terms to f.o.b. or f.a.s., must be separate and apart from the contracts for the commodity.

§ 17.9 CCC payment to suppliers.

(a) *General.* (1) The supplier shall request payment from CCC for the amount of the commodity price or the

ocean freight or ocean freight differential to be financed by CCC.

(2) The supplier shall support such a request for payment by presenting to CCC the documents required by this section, the purchase authorization, and the IFB, unless such documents were previously submitted to CCC. Such documents, however, need not be submitted when and to the extent that the Controller determines that the intended purpose of a document is served by documents otherwise available to or under the control of CCC or by alternate documents specified in such determination.

(3) CCC will examine each document to ascertain that it is in accordance with this part, the purchase authorization, and the IFB. CCC will audit all the required documents to ensure accuracy, completeness, and consistency. When CCC has determined that all required documents have been submitted and that the documents are acceptable for payment, CCC will pay the supplier for the commodity price or the ocean freight or ocean freight differential to be financed by CCC which is supported by the documents.

(4) CCC is required to issue all payments by electronic transfer. Each supplier submitting documents to CCC for payment must provide the name of the company, the bank ABA number to which payment is to be made, the account number for the company at the bank, the company's Taxpayer Identification Number, and the type of account being used.

(b) *General documentation requirements.* The supplier must put the appropriate purchase authorization number on all required documents which are prepared under the supplier's control, and should arrange for the appropriate purchase authorization number to be put on all other required documents at the time of their preparation.

(c) *Documents required for payment—commodity.* The general provisions relating to such documents are as follows. Additional requirements for payment to commodity suppliers for c.& f. or c.i.f. sales are contained in paragraph (c)(8) of this section.

(1) *Supplier's certificate.* A signed original of Form CCC-329 "Supplier's

Certificate" from the commodity supplier covering the net invoice price for the commodity.

(2) *Supplier's detailed invoice.* Two copies of the supplier's detailed invoice showing quantity, description, contracted price, net total invoice price expressed in dollars, the amount for which financing is requested from CCC, the amount not eligible for financing by CCC, and basis of delivery of the commodity (e.g., f.o.b. vessel). In arriving at the net invoice price there shall be deducted:

(i) All discounts from the supplier's contracted price through payments, credits, or other allowances made or to be made to the importer, the importer's agent or consignee;

(ii) All purchasing agents' commissions;

(iii) All other amounts not eligible for financing.

(3) *Additional payment.* A request for an additional payment submitted for a transaction for which all or part of the required documents have been previously submitted to CCC shall be supported by a Form CCC-329 "Supplier's Certificate" and the supplier's detailed invoice, covering the additional amount requested. The supplier's invoice must show the date, serial number and the amount of the original invoice and the basis for the additional amount claimed.

(4) *Weight certificate.* The weight certificate shall be issued by or on authority of a State or other governmental weighing department, Chamber of Commerce, Board of Trade, Grain Exchange, or other independent organization or firm providing public weighing services. Such organization or firm must have:

(i) Qualified, impartial, paid employees who are stationed at the port facility or, if authorized under the applicable purchase authorization, other facility where weights customarily are determined, one of whom performed the weighing covered by the certificate; or

(ii) Qualified, independent, impartial, supervised, weighmasters stationed at the port facility or, if authorized under the applicable purchase authorization,

other facility where weights are customarily determined, one of whom supervised the employee of such a facility in the performance of the weighing covered by the certificate.

(5) *Federal appeal inspection.* The official certificate representing the results of an appeal inspection, when included in the documents presented for payment, shall supersede any other inspection certificate required by this part, the applicable purchase authorization, the IFB or the contract.

(6) *Form CCC-359.* (i) Form FAS-359, "Declaration of Sale," signed for the GSM, is the written document by which USDA notified the supplier that the sale was approved for financing. The supplier shall submit Form FAS-359 to CCC with the documents covering the first transaction under the contract. The unit price shown on the supplier's invoice must not exceed the approved unit price shown on the Form FAS-359.

(ii) For subsequent transactions under the same contract, the supplier shall certify on the CCC copy of the detailed invoice as follows:

I hereby certify that the applicable Form FAS-359 was submitted to CCC with documents covering Invoice No. _____ dated _____ for \$ _____.

(7) *Bill of lading.* Four copies of the ocean bill of lading.

(8) *C.&f. or c.i.f. sales.* In addition to the requirements of paragraph (c)(1) through (7) of this section, the following requirements apply for c.&f. or c.i.f. sales:

(i) Signed original of Form CCC-106.

(ii) The supplier's detailed invoice shall show a computation of the dollar amount of ocean freight differential, whenever the Form CCC-106 provides for an ocean freight differential on a cost and freight or c.i.f. sale and authorizes financing of any portion of ocean freight by CCC. In arriving at the net invoice price the supplier shall deduct the ocean freight, or portion thereof which is not being financed by CCC.

(iii) One nonnegotiable copy of the insurance certificate or policy where the cost of insurance is included in the price of the commodity to be financed by CCC.

(iv) A request for an additional payment shall also include a statement signed by the ship's master or owner (or agent of either of them) showing exercise of the higher-rated option, if the payment is stated to be due because of the exercise of a higher-rated option provided in an ocean freight contract.

(d) *Documents required for payment—ocean freight financed separately from commodity price.*

(1) *Supplier's certificate.* A signed original of Form CCC-329, "Supplier's Certificate", executed by the carrier or its agent, covering the dollar cost of ocean freight or ocean freight differential.

(2) *Ocean bill of lading.* One copy of the ocean bill of lading and, if required by the related Form CCC-106, a notice of arrival at the first port of discharge of the vessel named in the Form CCC-106. In lieu of a notice of arrival the carrier may present a waiver of the notice of arrival signed by the GSM or Controller.

(3) *Invoice.* One copy of the carrier's invoice which shows the total freight costs, the amount not eligible for financing by CCC, and the amount for which payment is requested from CCC. If the invoice relates to a U.S.-flag vessel, such invoice shall contain the following typed or stamped certification, executed by the supplier:

The undersigned hereby certifies that the vessel named herein and for which ocean freight is claimed, qualifies as a privately owned U.S.-flag commercial vessel within the requirements of Pub. L. 87-266 and is an eligible U.S.-flag vessel for the purposes of Pub. L. 664, 83rd Congress.

(4) *Form CCC-106.* Signed original of Form CCC-106.

(5) *Ocean freight contract.* One copy of the ocean freight contract.

(6) *Higher rated option.* A request for payment of any amounts claimed because of the exercise of a higher rated option following payment of a lower rated option pursuant to §17.8(k)(1) shall be supported by the following documents:

(i) One copy of the carrier's invoice as described in paragraph (d)(3) of this section except for the certification required therein.

(ii) The Form CCC-329, "Supplier's Certificate", for the balance claimed.

(iii) A statement signed by the ship's master, owner, or owner's agent, and signed laytime statements or other written concurrence of charterer or the charterer's agent showing the exercise of the higher rated option.

(e) *Payment of freight by CCC prior to the vessel's arrival at the discharge port.*

(1) Upon request by the supplier, CCC may pay the ocean freight or ocean freight differential to be financed by CCC before the vessel arrives at the first port of discharge if the supplier furnishes CCC financial coverage in the form of an acceptable letter of credit from a U.S. bank.

(2) The amount of security required by CCC under paragraph (e)(1) of this section may be computed by multiplying the ocean freight rate or ocean freight differential rate financed by CCC as shown on the related Form CCC-106 times either:

(i) The tonnage shown on the related bill of lading, if the bill of lading is furnished to CCC; or

(ii) The tonnage stated in the ocean freight contract (without tolerance).

(3) On receipt of an acceptable letter of credit, the Controller will issue a waiver of the notice of arrival which is required under paragraph (d)(2) of this section.

(f) *Advice of amount financed.* CCC will forward advice of payment to the participant.

§ 17.10 Refunds and insurance.

(a) *Participant—failure to comply.* The participant shall pay in U.S. dollars promptly to CCC on demand by the General Sales Manager the entire amount financed by CCC (or such lesser amount as the GSM may demand) whenever the GSM determines that the participant has failed to comply with any agreement or commitment made by the participant in connection with the transaction financed or with the applicable Agricultural Commodities Agreement between the U.S. and the participant.

(b) *Adjustment refunds.* All claims by importers for adjustment refunds arising out of terms of the contract or out of the normal customs of the trade, including arbitration and appeal awards, allowances, and claims for overpayment of ocean transportation, if such

refunds relate to amounts financed by CCC, shall be settled by payment in U.S. dollars and such payment shall be remitted by the supplier to CCC. The remittance shall be identified with the date and amount of the original payment and the applicable purchase authorization number.

(c) *Insurance on c.i.f. sales.* The provisions of this paragraph apply only to transactions under purchase authorizations that specifically authorize c.i.f. sales in which the cost of insurance is included in the net c.i.f. invoice price of the commodity financed. When the supplier furnishes insurance in favor of or for the account of the importer, the policies or certificates of insurance shall include a loss payable clause which provides that all claims shall be paid in U.S. dollars to the Controller. Such payments shall be accompanied by advice of the purchase authorization number, the names and addresses of the supplier and importer, the nature of the claim, the quantity of the commodity involved in the claim, the date of shipment, the bill of lading number, and the name of the vessel. CCC will credit the account of the participant or will refund local currency in accordance with paragraph (e) of this section.

(d) *Refund of ineligible amounts.* If a sale has been financed and CCC determines that the sales price exceeds the price permissible under § 17.5(b)(4), or that the sale is otherwise ineligible for financing, in whole or in part, the supplier shall refund in dollars such excess price or ineligible amount to CCC promptly on demand. If not promptly refunded, such amount may be set off by CCC against monies it owes to the supplier. The making of any such refund to CCC, or any such setoff by CCC shall not prejudice the right of the supplier to challenge such determination in a court action brought against CCC for recovery of the amount refunded or set off.

(e) *Refund of local currency or reduction of amount due.* Immediately after receipt by CCC of U.S. dollar payment from suppliers, or from or for the account of the participant under this section, CCC will provide for payment to the participant of the local currency equivalent of dollars received, if such local currency has been deposited for

the particular transaction, or will credit the participant's account as follows:

(1) For payments under this section, except paragraph (a), the local currency refunded will be at the exchange rate agreed to by the Government of the United States and the participant in effect at the time the local currency is paid to or for the account of the importer, except that if there has been a change in the exchange system or structure of the importing country or the destination country, such payment shall be made at the agreed exchange rate which was in effect on the date of dollar disbursement for the transaction financed, and except further that local currency shall not be paid when the dollars are to be reauthorized for replacement of the commodity.

(2) For payment under paragraph (a) of this section, the local currency refunded will be at the agreed exchange rate in effect on the date of the dollar disbursement for the transaction financed: *Provided*, that local currency will not be refunded to the extent that deposits of such currency have been made available to the participant on a grant basis.

(3) For refunds received by CCC under long-term credit agreements the participant's account shall be credited with the dollar amount refunded or otherwise recovered, and the participant notified accordingly.

§ 17.11 Recordkeeping and access to records.

Suppliers and agents of the participant or importer shall keep accurate books, records and accounts with respect to all contracts entered into hereunder, including those pertaining to ocean transportation-related services and records of all payments by suppliers to representatives of the importer or participant, if CCC finances any part of the ocean freight. Suppliers and agents shall permit authorized representatives of the U.S. Government to have access to their premises during regular hours to inspect, examine, audit and make copies of such books, records and accounts. Suppliers and agents shall retain such records until the expiration of three years after final payment under such contracts.

[56 FR 32951, July 18, 1991]

§ 20.2 Administration.

The regulations of this part will be administered by the Foreign Agricultural Service (FAS) under the general supervision of the Administrator, FAS. Information pertaining to these regula-

tions may be obtained from the office specified in § 20.10.

[Amdt. 3, 45 FR 8562, Feb. 8, 1980]

§ 20.3 Delegation of authority.

Authority has been delegated to the Administrator to promulgate amendments and revisions to the regulations in this part.

[Amdt. 3, 45 FR 8562, Feb. 8, 1980]

§ 20.4 Definitions.

As used in these regulations and in all instructions, forms, and documents pertaining hereto, the words and phrases defined in this section shall have the meaning assigned to them as follows:

(a) *Administrator.* The Administrator, Foreign Agricultural Service, U.S. Department of Agriculture.

(b) *Buy-back contract.* A transaction under which a reporting exporter having sold a commodity for export to a foreign buyer liquidates the export sale contract by making an offsetting purchase of the same kind of commodity from the same foreign buyer.

(c) *Commodity.* Wheat and wheat flour, feed grains, oilseeds, cotton, rice, cattle hides and skins, beef, and any products thereof, and any other agricultural commodity the Secretary may designate. "Commodity" shall also mean a commodity having identifying characteristics as described in any announcement issued pursuant to § 20.5 such as class(es) of wheat, or staple length(s) of cotton. Mixed wheat shall be considered to be the predominant wheat class of the blend. This definition excludes commodities to be used for seed which have been treated in such a manner that their use is limited to seed for planting purposes or on which a certificate has been issued by a recognized seed testing laboratory setting forth variety, germination and purity.

(d) *Country of destination.* (1) Any country outside the United States or (2) any territory or possession of the United States. Country of destination shall be the ultimate destination of the export, and shall not be deemed to be the country through which any transshipment takes place.

(e) *Export.* A shipment of a commodity from the United States destined to a country specified in paragraph (d) of this section. The commodity shall be deemed to have been exported on the date of the applicable export carrier onboard bill of lading or the date the commodity is received for shipment, as specified on the bill of lading, in the case of a commodity received for shipment in a lash barge or containerized van if a through on-board bill of lading is issued for shipment to a country specified in paragraph (d) of this section.

(f) *Export carrier.* The vessel on which a commodity is exported from the United States to a country specified in paragraph (d) of this section, or if export is by railcar, truck, or airplane, "export carrier" means such railcar, truck, or airplane.

(g) *Exports for exporter's own account.* A transaction involving shipments made by the reporting exporter which are unsold at the time of export, shipments on consignment to selling agents of the reporting exporter for subsequent sale for the account of the reporting exporter, shipments by the reporting exporter that have not been allocated to any outstanding export sale, and shipments from the United States to any foreign country in bond for subsequent shipment to a third country.

(h) *Export sale.* A transaction entered into between a reporting exporter and a foreign buyer. The transaction must be represented by a written document evidencing that (1) the exporter agrees to export the commodity, (2) the foreign buyer agrees to receive the commodity, (3) a fixed price or an agreed upon mechanism by which such a price can be determined is established, and (4) payment will be made to or for the account of the reporting exporter by or on the behalf of the foreign buyer for delivery of the commodity. The quantity of "outstanding export sale" means the quantity not yet exported under an export sale. The terms of delivery specified in the written agreement, such as FAS vessel, FOB vessel, C&F, CIF, etc., do not determine whether a transaction is an export sale which must be reported. A transaction which otherwise meets this definition

and is subject to the posting of an exporter performance bond or letter of credit from the foreign buyer is included in this definition and such a transaction shall be reported under these regulations. However, a transaction which becomes operative only upon the imposition of export controls is excluded from this definition of "export sale" and such a transaction shall not be reported under these regulations.

(i) *Foreign buyer and foreign seller.* A person whose place of doing business with respect to the transaction is outside the United States. Foreign buyer or foreign seller includes a person who maintains a place of doing business outside the United States even though the transaction is concluded in the United States by his agent who has a place of business in the United States or by his employee who does not maintain a place of doing business in the United States. (If such employee maintains a place of doing business in the United States with respect to the transaction, the resulting contract is construed to be a domestic sale.) Notwithstanding the foregoing, all foreign governments, agencies and instrumentalities are considered foreign buyers or foreign sellers even though transactions are concluded by their employees in the United States or they maintain a place of business with respect to the transaction in the United States.

(j) *Marketing year.* The reporting period specified for a commodity in appendix 1.

(k) *Optional origin contracts.* A transaction involving an export sale contract between a reporting exporter and a foreign buyer under which the reporting exporter has the option of exporting the commodity from the United States or from one or more other exporting countries or an export sale contract under which no origin is specified.

(l) *Person.* An individual, partnership, corporation, association or other legal entity.

(m) *Purchases from foreign sellers.* A transaction involving the purchase of a commodity from a seller whose place of business with respect to the transaction is outside the United States.

(n) *Quantity.* The actual contract quantity (exclusive of any upward or downward tolerance) specified in the agreement between the reporting exporter and foreign buyer or seller.

(o) *Reporting exporter.* A person who enters into a transaction referred to in this section whose place of doing business with respect to such transaction is in the United States. A reporting exporter shall include any person who sells a commodity to a foreign buyer irrespective of whether or not such person may appear as the shipper on the export documentation or whether or not such person is required to file a Shipper's Export Declaration. A reporting exporter would not normally include agents of either the reporting exporter or foreign buyer, brokers, or freight forwarders unless such agents, brokers or freight forwarders are acting in the capacity of a principal. (See examples §20.6(c).)

(p) *United States.* All of the 50 States, the District of Columbia and Puerto Rico.

[Rev. 2, 40 FR 23839, June 3, 1975, as amended by Amdt. 1, 41 FR 19950, May 14, 1976; Amdt. 3, 45 FR 8562, Feb. 8, 1980; Amdt. 4, 45 FR 24104, Apr. 9, 1980; 68 FR 62214, Nov. 3, 2003]

§20.5 Announcements.

Commodities for which reports are required under these regulations are set forth in appendix 1 to this part. Any change therein will be made by publication in the FEDERAL REGISTER of an amendment thereto, and, in addition, announcement of such change will be made through the press service. The unit of measure to be used in reporting the commodity, the beginning and ending dates of the marketing year for each commodity, and any other information deemed necessary to be included in the report will be specified in appendix 1 to this part and amendments thereto and in the announcements through press service.

[Rev. 2, 40 FR 23839, June 3, 1975, as amended at 68 FR 62214, Nov. 3, 2003]

§20.6 Submission of reports.

(a) *Weekly reports.* For each commodity for which reports are required under these regulations, the reporting exporter shall file weekly with the office specified in §20.10 and not later

than the time specified in paragraph (k) of this section, a report by marketing year on the applicable forms contained in appendix 2 (FAS-97, "Report of Optional Origin Sales," FAS-98, "Report of Export Sales and Exports," and on FAS-100, "Report of Exports for Exporter's Own Account"), setting forth the following information and that required by such forms. Information for each applicable item on the respective form shall be reported. If the reporting exporter determines that the report forms cannot be received in the office specified in "20.10 by the time specified in paragraph (k) of this section, the exporter shall transmit the information contained in the report forms by the use of FAX, telephone, or electronic submission. The required form must be subsequently submitted in accordance with §20.6(k)(2). Exporters have the option to submit the weekly reports using an electronic reporting system (forms 97e, 98e, and 100e) which may be accessed via a secured Internet website. Reporting exporters should contact the Export Sales Reporting staff to obtain passwords and access to the Internet reporting site. Exporters also have the option of satisfying the requirements of Forms FAS-97, FAS-98, and FAS-100 by submitting ASCII comma delimited files via e-mail to the ESR mailbox at esr@fas.usda.gov.

(1) *United States origin sales only.* (i) Total quantity of outstanding export sales from the previous report by country of destination.

(ii) Quantity of new export sales made during the week expressed in the specified unit of measure (do not include any tolerance). Include the quantity of any optional original export sale for which an option was exercised during the week to export the commodity from the United States.

(iii) Quantity of any purchases of the same kind of commodity made from foreign sellers during the week.

(iv) Quantity of export sales cancelled and quantity of buyback contracts made during the week.

(v) Changes in destination during the week for export sales previously reported.

(vi) Changes in the marketing year during the week for export sales previously reported.

(vii) Exports made against export sales during the week.

(viii) Total outstanding balance of export sales at the close of business for the current report.

(2) *Optional origin sales (United States and other countries)*. (i) Total quantity of outstanding export sales from the previous report by country of destination.

(ii) Quantity of new export sales made during the week expressed in the specified unit of measure (do not include any tolerance) by country of destination.

(iii) Quantity of export sales for which an option was exercised during the week which would determine the origin of the commodity to be exported with the origin indicated as the United States or other than the United States.

(iv) Quantity of optional export sales cancelled and the quantity of optional buy-back contracts made during the week.

(v) Changes in destination during the week for sales previously reported.

(vi) Changes in the marketing year during the week for sales previously reported.

(vii) Total outstanding balance of optional export sales for which an option has not been exercised at the time of compiling the report.

(3) *Exports for exporter's own account*.

(i) Total outstanding balance of exports for exporter's own account that has been shipped from the United States as shown on the previous report by country where located or, if in transit, by country of intermediate destination.

(ii) Quantity of new exports for exporter's own account exported during the week.

(iii) Quantity of previously reported exports for exporter's own account that was applied to outstanding or new export sales during the week.

(iv) Quantity of previously reported exports for exporter's own account sold to other U.S. exporters during the week.

(v) Changes in destination during the week for exports previously reported.

(vi) The total outstanding balance of exports for exporter's own account at the close of business for the current report.

(b) *Monthly reports*. The information described in paragraph (a) of this section shall be reported monthly when specified by an announcement issued pursuant to §20.5. The forms specified in paragraph (a) of this section shall be utilized to furnish the information required to be reported monthly and such information shall be filed in the manner and at the time required by §20.6(k).

(c) *Exporters who are required to report*. The reporting exporter has the sole responsibility of reporting any and all information required by these regulations. The following are examples of who shall be considered the reporting exporter for the purpose of these regulations. (Firm A in each example is a firm whose place of doing business with respect to the transaction is in the United States, and the commodity to be delivered under the purchase contract is subject to these regulations. See §20.4(i) for definition of a foreign buyer and foreign seller.)

(1) Firm A makes an export sale to Firm B whose place of doing business with respect to the transaction is also in the United States. Firm B has made or will make an export sale to a foreign buyer. In this case Firm A cannot report the sale to Firm B since Firm B's place of doing business with respect to the transaction is located in the United States. In this example, Firm B is required to report the sale to the foreign buyer.

(2) Firm A makes an export sale to a foreign buyer through the foreign buyer's agent and the agent's place of doing business with respect to the transaction is in the United States. In this example Firm A is required to report the export sale since the resulting contract is between Firm A and the foreign buyer.

(3) Firm A consigns an export to his agent (other than an employee of Firm A). When the agent makes a sale to a foreign buyer, Firm A is required to report the sale. If the agent makes the sale to a firm whose place of doing

business with respect to the transaction is in the United States, Firm A will not report the sale.

(4) Firm A makes a purchase from a foreign seller. In this example, Firm A is required to report the purchase.

(5) Firm A makes a purchase from an agent of a foreign seller and the agent's place of doing business with respect to the transaction is in the United States. In this example, Firm A is required to report the purchase. The agent is not a principal party in interest in the contract and cannot report the sale to Firm A. The foreign seller is not a reporting exporter and is not required to make a report of the sale.

(6) Firm A, the agent of the foreign buyer, whose place of doing business with respect to the transaction is in the United States, purchases commodities domestically at interior warehouses and arranges for exportation to its principal, the foreign buyer. In this example, Firm A is required to report the sale and export.

(7) If a reporting exporter has a transaction not described in paragraphs (1) through (6) of this paragraph (c) and is in doubt whether a transaction should be reported, the exporter should request a decision from the office specified in § 20.10.

(d) *Contract terms.* Reports of contract terms shall be filed when requested in accordance with § 20.11. The report showing contract terms shall be filed on FAS-99, "Contract Terms Supporting Export Sales and Foreign Purchases," and shall include the following:

(1) Reporting exporter's contract number.

(2) Date of export sale or purchase.

(3) Name of foreign buyer or foreign seller.

(4) Delivery period specified in the export sale or purchase.

(5) Delivery terms specified in the export sale or purchase (F.O.B., C. & F., etc.).

(6) Actual quantity of the export sale or purchase.

(7) Quantity not exported against the sale or foreign purchase (do not include any tolerance).

(8) Country of destination.

(9) On purchases from foreign sellers, show separately from export sales all items of this paragraph (d).

(e) *Reporting of destination.* The reporting exporters shall report the country of destination specified in the export sale contract or otherwise declared in writing by the foreign buyer. (Where a government, or agency of such government, is the sole importer of the commodity in a country, the exporter shall report that country as the country of destination only if the exporter or foreign buyer has made a direct sale to that foreign government or agency.) If the country of destination is not so specified or declared, the exporter shall report the destination as "unknown." If by the time of exportation the exporter has not so ascertained the country of destination, the name of the country reported to the Bureau of Customs of the Shipper's Export Declaration for such export shipment should be reported, even though it may be an intermediate destination. The reporting exporter is not expected to report destination changes made after reporting the export on FAS-98, "Report of Export Sales and Exports."

(f) *Optional class or kind of commodity.* If the export sale provides for an option as to the class or kind of commodity to be delivered under the export sale, the reporting exporter should report the particular class or kind of commodity expected to be exported.

(g) *Range in contract quantity.* If the export sale provides for a range in quantity (e.g. 10,000 metric tons to 12,000 metric tons with or without a loading tolerance) with the reporting exporter or buyer having the option to declare a firm quantity at a later date, the reporting exporter shall report the maximum export sale quantity (exclusive of any loading tolerance). If an option is exercised for a lesser quantity at a later date, the reporting exporter shall report the reduction as an amendment to an export sale previously reported.

(h) *Transfer of unexported balances* from one marketing year to the next marketing year. If exports against an export sale are not complete by the end of the marketing year in which the

commodity is being reported for export, the reporting exporter shall transfer the quantity not exported against the export sale to the next marketing year on the first report submitted after the beginning of the new marketing year.

(i) *Errors on previous reports.* Whenever an exporter discovers an error or is advised by the office specified in § 20.10 of an error on a prior report, the error shall be corrected in the current weekly report to reflect the proper outstanding export sales and exports. The exporter shall also furnish a complete written explanation of such reporting error.

(j) *When reports are required.* (1) A reporting exporter shall submit reports for those commodities for which there are new export sales, outstanding export sales, exports for exporter's own account for which an offsetting export sale has not been made and reported, or purchases from foreign sellers.

(2) A reporting exporter may discontinue reporting for a commodity only when actual exports and other required reporting of changes have reduced to zero all export sales, exports for exporter's own account and purchases from foreign sellers. The reporting exporter shall report a zero balance prior to discontinuing reporting for the commodity involved.

(3) If a reporting exporter discontinues making reports because a zero balance has been reached for a particular commodity, the exporter shall be responsible to commence reporting again once a new export sale, a new export for exporter's own account, or a new purchase from a foreign seller for that commodity is made.

(k) *Manner and time of reporting—(1) Manner.* An original of all report forms, other than electronic forms and ASCII comma delimited files, must be filed with the office specified in § 20.10. Each report form shall contain the full business name, address and telephone number of the reporting exporter and the name and original signature of the person submitting the report form on behalf of the reporting exporter. Computer generated printouts may be used in lieu of standard reporting forms when approved by the office specified in § 20.10.

(2) *Time of filing reports.* Information required to be reported weekly (either via fax, telephone, or electronically) must be received in the office specified in § 20.10 no later than 11:59 p.m. eastern time, on each Monday or such other time as may be approved in advance by that office. Such weekly report must set forth the required information as to export sales transactions made during the seven day period ending the preceding Thursday, midnight. If Friday or Monday is a national holiday, the due date shall be Tuesday. If information is transmitted by other than use of forms specified in § 20.6(a) (such as by use of telephone or electronic transmission) the required forms containing such information shall be transmitted by first class mail the next business day. It is the responsibility of the reporting exporter to arrange the most efficient and expeditious manner for the office specified in § 20.10 to receive the reported information. Information required to be reported monthly must be received in the office specified in § 20.10 no later than 5:00 p.m., Eastern time, the fourth business day following the end of the reporting month, or such other time as may be approved in advance by that office, setting forth the required information as to export sales transactions made during the reporting month ending midnight the last day of such month.

L. 92-419), herein called the Act consists of six titles designed to facilitate the development of rural communities through a series of authorizations including grants, loans, and administrative provisions. This Act adds new statutory rural development coordination responsibilities to certain Federal departments and agencies to be carried out under the leadership of the Secretary of Agriculture.

§ 22.102 Summary of authorities.

The purpose of this section is to give notice that certain authorities have been delegated by the Secretary of USDA agencies for implementation. New Secretarial delegations covering the Rural Development Act were effective May 31, 1973, and were published in

7 CFR Subtitle A (1-1-04 Edition)

the FEDERAL REGISTER June 7, 1973 (38 FR 14944-14953). These are as follows:

(a) Title I (38 FR 14948). Responsibility delegated to the Assistant Secretary for Rural Development. The responsibility for administering loan and grant authorities is redelegated to the Farmers Home Administration, except the responsibility for administering loan authorities with respect to rural electrification and telephone facilities and service which has been redelegated to the Rural Electrification Administration.

(b) Titles II (38 FR 14945-14948), III (38 FR 14945-14948), and V (38 FR 14945-14948). Responsibility delegated to the Assistant Secretary for Conservation, Research and Education and redelegated as follows:

(1) Titles II (38 FR 14951-14952) and III (38 FR 14951-14952) to the Administrator, Soil Conservation Service.

(2) Title V (38 FR 14949-14950) to the Administrators, Cooperative State Research Service and the Extension Service respectively.

(c) Title IV (38 FR 14945-14948). Responsibility delegated to the Assistant Secretary for Conservation, Research and Education and redelegated (38 FR 14950-14951) to the Chief of the Forest Service.

(d) Title VI, section 603 (38 FR 14948). Responsibility delegated to Assistant Secretary for Rural Development and redelegated (38 FR 14953) to the Administrator, Rural Development Service.

The Rural Development Act recognizes that many Federal departments and agencies of the executive branch of government administer programs and provide services which are applicable to the needs of rural communities. Section 603 of the Rural Development Act charges the Secretary of Agriculture with providing governmentwide leadership for, and with coordinating a nationwide rural development program. In such coordination, the Secretary shall seek measures that will achieve effective integration of relevant Federal services in rural areas as provided by Agriculture agencies and other Departments and agencies. This section also requires that the Secretary shall establish goals and report to the Congress on progress in complying with

specified purposes of the Act. The Federal Regional Council will play a major role in coordination at the field level. An organic Act of the Department (7 U.S.C. 2201) has been amended to require the Secretary to add Rural Development to those purposes for which he is authorized to acquire and diffuse useful information.

§22.103 Purpose.

The purpose of these regulations is to establish the policies, procedures, and responsibilities required by section 603 of the Rural Development Act.

§22.104 General policy.

Federal implementation of the Act will be consistent with the President's policy of decentralized decisionmaking and administrative responsibility which gives fullest possible consideration to State and local rural development goals and priorities. As a result of section 817(4) of the Agriculture and Consumer Protection Act of 1973 (Pub. L. 93-86) which prohibits prior approval by any State officials of any loan or grant under any program authorized by title I of the Rural Development Act of 1972 (Pub. L. 92-419), it has been necessary to substantially modify the planned administration of programs under section 603 of the Rural Development Act.

Subpart B—Roles and Responsibilities of Federal Government

§22.201 Coordination.

The following identifies types and levels of coordination:

(a) Washington level interdepartmental and interagency coordination for purposes of the Act.

(b) Coordination for purposes of the Act among agencies within the U.S. Department of Agriculture.

(c) Coordination among and between the field operations of Federal agencies for purposes of the Act.

(d) Coordination for purposes of the Act between levels of field operations of the Federal government and State governments.

The Secretary of Agriculture may utilize the services of the Assistant Secretaries' Working Group in performing his rural development functions for the

Rural Development Committee of the Domestic Council.

(d) The Administrator, Rural Development Service, under the policy direction of the Assistant Secretary for Rural Development shall coordinate rural development activities under section 603 of the Rural Development Act as directed by the Secretary. In the fulfillment of such responsibilities, he is authorized to communicate directly with other Federal department and agency officials of corresponding levels of authority and with State and Federal Regional Council officials.

(e) The Federal Regional Councils shall have primary responsibility for interagency program coordination at the field level and will provide assistance to and liaison with States in promoting rural development. Federal attention to this type of cooperation and coordination will be emphasized. In addition, the Federal Regional Councils, operating within policy determined at the Washington level, shall be responsible for performing an oversight function to assess how well the machinery is working in carrying out the Rural Development Act authorities. Each Federal Regional Council shall create an appropriate management structure to accomplish the foregoing. This may include the creation of a Rural Development Committee. The Department of Agriculture will chair such Rural Development Committees or otherwise assume the lead in managing rural development activities of the Federal Regional Councils.

(1) Procedures for the coordination of rural development activities will be consistent with the policies expressed herein and with any specific Federal guideline based on these regulations or on Executive Order 11647, as amended by Executive Order 11731.

(2) Councils shall exercise authority under Executive Order 11647, as amended by Executive Order 11731, to promote in rural areas integrated program and funding plans involving several Federal agencies.

§ 22.203 Major responsibilities under title VI, Sec. 603.

(a) *Title VI, section 603(b)*. (1) Section 603(b) of the Rural Development Act charges the Secretary of Agriculture

with providing leadership in the development of a nationwide rural development program. Included in this program would be pertinent Federal departments and agencies which might contribute to this rural development mission. In carrying out his responsibilities, the Secretary shall report annually, prior to September 1, to the Congress on rural development goals for employment, income, population, housing, and quality of community services and facilities. To carry out the provisions of the Act specified above, the following major responsibilities are identified:

(i) The Rural Development Committee of the Domestic Council will assume responsibility for interdepartmental policy formulation and resolution of issues pertaining to this section of the Act as determined by the Secretary of Agriculture. This committee consists of members of the Community Development Committee of the Domestic Council, to wit: The Secretary of Agriculture, Chairman of the Rural Development Committee; the Secretary of HUD, Chairman of the Urban Development Committee; the Secretary of Transportation, Chairman of the Transportation Policy Development Committee; the Secretaries of Treasury, Commerce, and Labor and the Director of OMB.

(ii) The Secretary of Agriculture shall be responsible for Washington level coordination pursuant to this section of the Act.

(iii) At the regional level, the Federal Regional Councils shall develop and implement procedures designed to identify and facilitate access to Federal resources appropriate for rural development purposes within States. Such procedures will be consistent with policies expressed or endorsed by the Under Secretaries' Group. The Councils shall also be responsible for monitoring the effectiveness with which the Rural Development Act is implemented within their respective regions.

(2) The Secretary of Agriculture is also authorized to initiate or expand research and development efforts related to solution of rural development problems including problems of rural water supply, rural sewage and solid

waste management, and rural industrialization.

(3) The Rural Development Service will operate a rural development research program and may also participate in rural development research in cooperation with Federal, State, and private research units.

(b) *Title VI, section 603(c) of the Rural Development Act.* (1) Under guidance by the Under Secretaries' Group, and under the leadership of the U.S. Department of Agriculture member on each of the Federal Regional Councils, the Rural Development Committees of the Federal Regional Councils or other Federal Regional Council mechanisms assigned to work with rural development, shall be responsible for proposing to the appropriate Federal and State agencies actions in such areas as:

(i) Adjustment, where appropriate, of administrative boundaries used by field staffs of Federal and federally supported agencies to conform with boundaries of multicounty jurisdictions. "Multicounty jurisdictions" as used means substate planning districts or other combinations of county jurisdictions as designated by States for State planning purposes.

(ii) Co-location of field units of Federal agencies and consolidation of offices in the vicinity of principal centers of local government administration (including multicounty jurisdictional administration), to encourage increased cooperation within and among different governmental levels.

(iii) Exchange of personnel between Federal and State agencies under the Intergovernmental Personnel Act (Pub. L. 91-648), to supplement and broaden staffs administering rural development programs, and provide specific technical expertise for certain projects.

(iv) Interchange of personnel among Federal agencies for the purposes expressed in paragraph (b)(1)(ii) of this section.

(2) In addition, the U.S. Department of Agriculture member on the Federal Regional Councils shall, by July 31, of each year, report to the Assistant Secretary for Rural Development who shall in turn report to the Under Secretaries' Group and the Congress on progress made in carrying out the programs outlined in paragraphs (b)(1)(ii)

through (iv) of this section and plans for programs to be implemented during the following fiscal year. The first report will be due to the Assistant Secretary by July 31, 1974.

§22.204 Rural development committees.

State rural development committees, consisting of USDA agency members and, in most instances, State governments and other Federal agency representatives are available to assist States in accomplishing their rural development objectives. Such assistance if requested by the State can take the form of technical assistance and cooperative services to States in carrying out their rural development priorities.

§22.205 Allocation of loan and grant funds.

(a) Title I grant funds and approved loan funding levels will be allocated among States by a formula designed to ensure equitable treatment. This applies to amounts made available for business and industrial loans, water, sewer and other community facilities except electrical and telephone facilities provided by or through the Rural Electrification Administration.

(b) During the second half of the fiscal year, the Secretary of Agriculture shall review State and multicounty jurisdictional rural development programs and projects so that unused allocations may be shifted from one State to another so as to enable the obligation of all available funds prior to the end of the fiscal year.

(c) The formula used for fund allocation will ensure that a minimum loan and grant level is established so that no State receives an amount too small to serve the purposes of the Act. A percentage of total loan and grant authority will be withheld from initial allocation to allow subsequent appropriate technical adjustments in amounts allocated to individual States.

(d) Title V funds shall be distributed by the Secretary under the formula specified in the Act. Title V activities will be consistent with the principle that States and multicounty jurisdictions have responsibility for the rural development planning and priority setting functions.

Subpart C—Roles and Responsibilities of State Governments

§ 22.301 Selection and designation.

Procedures for implementing the Act are designed to give the fullest possible consideration to planning and development goals and strategies at the State and multicounty jurisdictional levels. The governing bodies of multicounty organizations should include representatives of local governments contained within the respective multicounty jurisdictions. State development strategies and priorities shall be fully considered in the Federal administration of Rural Development Act authorities.

§ 22.302 Area eligibility.

Eligibility for programs under the Act will be based on the criteria of community size and location of population as specified in the Act. State designations of eligible areas will be duly considered by the Federal government in the determination of eligibility for loan and grant assistance.

§ 22.303 Cooperation with Federal Regional Councils.

States are urged to establish and maintain close and cooperative relationships with the Federal Regional Councils which will be in a position to assist the States and multicounty jurisdictions in the identification and application of available resources. States may authorize direct communications and liaison between the Regional Councils and multicounty jurisdictions within States.

§ 22.304 Multiyear planning and programming.

State and multicounty jurisdictions are encouraged to adopt multiyear planning and development programs. As administrative procedures for implementing the Act support the feasibility of such a process, these programs should consider joint State, Federal, and local budget planning factors and be refined to conform to the actual fund availability as annual budgets are finalized and allocated. Such programs, once initiated, will be extended by the annual addition of a new planning year until programs are completed or terminated.

§ 22.305 Conformance with OMB Circular No. A-95.

The State and multicounty jurisdictional rural development planning process must conform to the review requirements expressed in OMB Circular No. A-95 under parts I, III, and IV as appropriate.

§ 22.306 Financing rural development planning.

States will be required to finance rural development planning through their own resources, revenue-sharing allocations, or the Department of Housing and Urban Development planning and management assistance program or other available Federal planning programs.

§ 22.307 Program evaluation.

The Department of Agriculture is responsible for continuous program evaluation to determine if individual projects and the entire program is cost effective in terms of reaching rural development goals. As a result, USDA is responsible for conducting and reporting an annual evaluation of selected rural development projects and the overall rural development program. USDA shall include as a part of its evaluation Federal Regional Council assessment of the effectiveness of interagency coordination and delivery of services within the overall rural development program. States and multicounty districts are encouraged to participate in the joint preparation of such program evaluations. Copies of such evaluations should be supplied to the Administrator, Rural Development Service, Department of Agriculture and to the Federal Regional Councils, in sufficient time so as to arrive not later than July 1. The initial evaluation, due July 1, 1974, in addition to the requirements listed below, should include a background statement and should summarize first year program efforts and results. Annual evaluation should:

- (a) Describe the process used in planning, project selection and priority setting, and the criteria and process used in evaluating program effectiveness.
- (b) Describe the specific objectives of the programs.

(c) Describe and assess the cost and effectiveness of projects being pursued within individual multicounty jurisdictions.

(d) Express observations, conclusions and recommendations based on such evaluations which may contribute to the development of better management, coordination and planning procedures.

§ 22.308 Project approval.

State and multicounty jurisdictional planning is a State and local prerogative. Federal agencies will be responsive to State rural development strategies and priorities. However, determination of eligibility and feasibility and final approval of individual projects involving Federal funds must remain with the Federal government consistent with the Act and implementing regulations.

§ 22.309 Seeking Federal review.

States may, if they elect, submit multicounty development plans and proposals to the Federal Regional Councils and to the Rural Development Service, USDA, for review and comment. Such review will neither obligate the Federal government with respect to such programs nor require States to conform with suggestions supplied by the USDA or the Federal Regional Council.

Subpart A—State Program

§ 23.1 General.

(a) Title V of the Rural Development Act of 1972 (Pub. L. 92-419) hereafter referred to as "Title V" is the Research and Education component of the Rural Development Act of 1972. Title V provides the opportunity to utilize and build upon the research, extension, and community service capability of public and private institutions of higher education in each State to expand scientific inquiry and education backup for rural development. The higher educational and research institutions in each State, including the Land Grant Institutions of 1890, are authorized to assist in developing and disseminating through the most appropriate manner, scientific information, technical assistance, and feasibility studies required to improve the rural development capability of local citizens, agencies, and governments. Programs authorized under title V shall be organized and conducted by one or more colleges or universities in each State to provide a coordinated program in each State which will have the greatest impact on accomplishing the objectives of rural development in both the short and longer term and the use of these studies to support the State's comprehensive program to be supported under title V.

(b) Title V operations will be consonant with the purpose that all Federal rural development activities be coordinated with other federally assisted rural development activities and with the State's ongoing rural development program. To effectuate such purpose, the Assistant Secretary for Conservation, Research and Education will implement title V plans and activities in close coordination with the Assistant Secretary for Rural Development.

§ 23.2 Administration.

(a) Title V will be administered by the Administrators of the Extension

§ 23.3

Service and the Cooperative State Research Service for extension and research programs respectively, in cooperation with the chief administrative officer of the State Land Grant University who will administer the program within his respective State. To assure national and State coordination with programs under the Smith-Lever Act of 1914 and the Hatch Act (as amended), August 11, 1955, the administration of the programs shall be in association with the programs conducted under the Smith-Lever Act and the Hatch Act as required by section 504(b) of the Act.

(b) Programs authorized under title V shall be conducted as mutually agreed upon by the Secretary and the chief administrative officer of the State Land Grant University responsible for administering said programs in a memorandum of understanding which shall provide for the coordination of the programs, coordination of these programs with other rural development programs of Federal, State, and local government, and such other matters as the Secretary shall determine.

§ 23.3 Coordination.

The chief administrative officer of the administratively responsible State Land Grant University will designate an official who will be responsible for the overall coordination of the authorized programs for the State. The designated official will be responsible for the overall coordination of planning, organizing, funding, conducting and evaluating programs in association with the person responsible for the administration of research programs, the person responsible for the administration of the extension programs, and the administrative head of agriculture of the University (chairman of the State Rural Development Advisory Council).

§ 23.4 State Rural Development Advisory Council.

(a) The chief administrative officer of the administratively responsible State Land Grant University will appoint a State Rural Development Advisory Council with membership as set forth in section 504(e) of title V. The function of the Council shall be to review

7 CFR Subtitle A (1-1-04 Edition)

and approve annual program plans conducted under title V. The Council will also advise the chief administrative officer on all matters pertaining to the authorized programs.

(b) The Chairman of the State Rural Development Advisory Council will insure that programs proposed under title V including regional programs applicable within the State are not inconsistent with and are, to a maximum extent practicable, in consonance with other rural development programs and activities approved in that State.

(c) Those elements of the research and extension plan which would impact directly on rural development activities being developed or pursued by States will be considered jointly by the State Rural Development Advisory Council and appropriate State agencies to assure a constructive reinforcement of those State activities.

§ 23.5 Availability of funds.

Funds available under title V for extension and research programs shall be allocated to, and following approval of a State Annual Plan of Work, paid to the official of the State Land Grant University designated to receive funds under the Smith-Lever and Hatch Acts respectively. Funds will be available for State programs for expenditures authorized by section 503(c) of title V, in the fiscal year for which the funds were appropriated and the next fiscal year.

§ 23.6 Plan of Work.

(a) A State Annual Plan of Work for carrying out the programs authorized under title V shall be prepared. The Plan of Work should include:

(1) Identification of major problems and needs which can be met by each related extension and research program in the geographic or problem area.

(2) The relationship of this program to ongoing planning and development efforts.

(3) The organizational structure for planning, conducting, and evaluating each pilot program, including the names and title of the members of the Rural Development Advisory Council and the composition of major committees and work groups.

(4) A separate concise statement describing specific extension projects to

be funded under each program. The statement should contain the following elements: Title, objectives, organization and operational procedures, probable duration, personnel, institutions involved, and relation to the research effort. In addition, a brief description of each regular or special extension project which is complementary and supports the title V pilot program, but which is funded from other sources shall be included.

The statement should contain the following elements: Title, objectives, organization, and operational procedures, probable duration, personnel, institutions involved, and relation to the extension effort. In addition, a brief description of each regular or special research project which is complementary and supports the title V program, but which is funded from other sources, shall be included.

(6) A plan for evaluating the impact of each program on the development of the area, including the effectiveness of the extension and research program techniques, and organizational structure for planning and conducting each program. Appraisals by community leaders in the area should be included in the evaluation.

(b) The Plan of Work shall include plans for all programs to be conducted with funds authorized under section 503(b)(3) and (4) of title V. The Plan of Work shall include plans for the programs to be conducted by each cooperating and participating university or college and such other information as included in these guidelines. Each State program must include research and extension activities directed toward identification of programs which

are likely to have the greatest impact upon accomplishing the objectives of rural development in both the short and longer terms and the use of these studies to support the State's comprehensive program to be supported under section 505(b) of title V. In addition, all other rural development extension and research efforts funded from other sources that contribute directly to the proposed programs shall be described in the Plan of Work.

(c) Since the appropriation authorization for title V is limited to a three-year period the Plan of Work should be developed to demonstrate extension and research program techniques and organizational structures for providing essential knowledge to assist and support rural development efforts within that time.

(1) In accordance with the above criteria, the Plan of Work should:

(i) Concentrate on limited geographic or problem areas where title V efforts would be expected to have high impact within the three-year authorization.

(ii) Give emphasis to rural areas, including towns and cities with populations of less than 50,000.

(iii) Involve the administratively responsible Land Grant University and other public or private colleges and universities, as appropriate, in meeting with high priority extension and research needs of the area(s).

(iv) Give priority to education and research assistance leading to increasing job and income opportunities, improving quality of life, improving essential community services and facilities, improving housing and home improvements, and enhancing those social processes necessary to achieve these goals.

Subpart B—Regional Program

§ 23.9 General.

(a) Section 503(b)(2), title V, of the Rural Development Act of 1972 (Pub. L. 92-419) hereafter referred to as “Title V” authorizes funds to finance work authorized under title V which serve two or more States; in which universities in two or more States cooperate; or which is conducted by one University serving two or more States. The authorized funding under section 503(b)(2) is hereafter referred to as the “Regional Programs.”

(b) The Regional Programs shall develop and provide knowledge essential to assist and support rural development in the region, and shall provide for technical consultation and personnel development for the research and extension staff in the several States of the region to help them to be more responsive to rural development needs and activities.

(c) The Regional Programs will concentrate on the high priority knowledge, training, and personnel needs required for the research and extension staff in the several States to conduct effective rural development research and extension to carry out the provisions of title V. These associations and organizations will designate the location of the Regional Center.

(b) Although the Regional Center will administer the program, it is also expected that it will draw on expertise from outside the Regional Center. (1) A brief narrative statement including identification of high priority knowledge, skill, and organization needs for rural development program and policy purposes in the region and identification of technical consultation, training, and personnel needs of research and extension workers in support of rural development programs.

(2) A statement indicating:

(i) The types of personnel to be trained, technical consultation to be conducted, the estimated number of participants, the location or locations where the program will be conducted, and the staff who will conduct the work;

(ii) The types of topical areas of rural development for which the synthesis of available research knowledge for rural development purposes is planned;

(iii) The type of high priority rural development research which will be un-

dertaken as funds permit and the staff which would do the research;

RULES—PRELIMINARY PROCEDURES

Rule 1. Appeals, How and When Taken

- (a) *Notice of Appeal—90 days.* Notice of an appeal shall be in writing and mailed or otherwise furnished to the Board within 90 days from the date of receipt of a contracting offi-

cer's decision. A copy of the notice of appeal shall be furnished to the contracting officer from whose decision the appeal is taken.

(b) *Failure to Issue CO Decision—60 days—\$100,000 or less.* Where the contractor has submitted a claim of \$100,000 or less to the contracting officer and has requested a written decision within 60 days from receipt of the request, and the contracting officer has not done so, the contractor may file a notice of appeal as provided in paragraph (a) of this Rule 1, citing the failure of the contracting officer to issue a decision.

(c) *Failure to Issue CO Decision—Reasonable Time—More than \$100,000.* Where the contractor has submitted a certified claim in excess of \$100,000 to the contracting officer and the contracting officer has failed to issue a decision within a reasonable time, the contractor may file a notice of appeal as provided in paragraph (a) of this Rule 1, citing the failure to issue a decision.

(d) *Stay Pending Final CO Decision.* Upon docketing of appeals filed pursuant to paragraphs (b) or (c) of this Rule 1, the Board may, at its option, stay further proceedings pending issuance of a final decision by the contracting officer within such period of time as is determined by the Board.

Rule 2. Notice of Appeal. Contents of

A notice of appeal should indicate that an appeal is being taken and should identify the contract (by number), the department and agency or bureau involved in the dispute, the decision from which the appeal is taken, and the amount in dispute, if known. The notice of appeal should be signed by the appellant (the contractor making the appeal), or by the appellant's duly authorized representative or attorney. The Complaint referred to in Rule 6 may be filed with the notice of appeal, or the appellant may designate the notice of appeal as a Complaint.

Rule 3. Docketing of Appeals

When a notice of appeal in any form has been received by the Board, it shall be docketed promptly. Notice in writing shall be given to the appellant, with a copy of these rules and information on Alternative Dispute Resolution. Notice in writing shall be given also to the contracting officer and to the Office of the General Counsel.

Rule 4. Preparation, Content, Organization, Forwarding, and Status of Appeal File

(a) *Duties of Contracting Officer.* Within 30 days of receipt of a letter from the Board transmitting the Complaint, the contracting officer shall assemble and transmit to the Board through agency channels and appeal file, and shall transmit copies thereof to the appellant and the Government attorney. The appeal file shall consist of all documents pertinent to the appeal, including:

(1) The decision from which the appeal is taken;

(2) The contract, including specifications and pertinent amendments, plans, and drawings;

(3) All correspondence between the parties relevant to the appeal; including the letter or letters of claim in response to which the decision was issued;

(4) Transcripts of any testimony taken during the course of proceedings, and affidavits or statements of any witnesses on the matter in dispute made prior to the filing of the notice of appeal with the Board; and

(5) Any additional information considered relevant to the appeal.

(b) *Duties of the Appellant.* Within 30 days after receipt of a copy of the appeal file assembled by the contracting officer, the appellant shall transmit to the Board any documents not contained therein which the appellant considers relevant to the appeal, and shall transmit copies of such documents to the Government attorney and the contracting officer.

(c) *Organization of Appeal File.* Documents in the appeal file may be originals or legible facsimiles or authenticated copies, and shall be arranged in chronological order where practicable, numbered sequentially, tabbed, and indexed to identify the contents of the file.

(d) *Lengthy Documents.* Upon request by either party, the Board may waive the requirement to furnish to the other party copies of bulky, lengthy, or out-of-size documents in the appeal file when inclusion would be burdensome. At the time a party files with the Board a document as to which such a waiver has been granted such party shall notify the other party that the document or a copy is available for inspection at the offices of the Board or of the party filing same.

(e) *Status of Documents in Appeal File.* Documents contained in the appeal file are considered, without further action by the parties, as part of the record upon which the Board will render its decision. However, a party may object, for reasons stated, to consideration of a particular document or documents reasonably in advance of hearing, or if there is no hearing, of settling the record. If such objection is made the Board shall remove the document or documents from the appeal file and permit the party offering the document to move its admission as evidence either prior to hearing or prior to closing the record if there is no hearing, in accordance with Rules 13 and 20.

(f) *Dispensing with Appeal File Requirements.* Notwithstanding the foregoing, the filing of the Rule 4 (a) and (b) documents may be dispensed with by the Board either upon request of the appellant in the notice of appeal or thereafter upon stipulation of the parties.

Rule 5. Dismissal for Lack of Jurisdiction

Any motion addressed to the jurisdiction of the Board shall be promptly filed. Hearing on the motion shall be afforded on application of either party. However, the Board may defer its decision on the motion pending hearing on both the merits and the motion. The Board shall have the right to any time and on its own initiative to raise the issue of its jurisdiction to proceed with a particular case, and shall do so by an appropriate order, affording the parties an opportunity to be heard thereon.

Rule 6. Pleadings

(a) *Appellant—Complaint.* Except as provided in Rule 12.2(b) and Rule 12.3(b), within 30 days after receipt of notice of docketing of the appeal, the appellant shall file with the Board an original and two copies of a Complaint setting forth simple, concise and direct statements of each of its claims. Appellant shall also set forth the basis, with appropriate reference to contract provisions, of each claim and the dollar amount claimed, to the extent known. This pleading shall fulfill the generally recognized requirements of a Complaint, although no particular form is required. Upon receipt of the Complaint, the Board shall serve a copy of it upon the Government and the contracting officer. Should the Complaint not be filed within 30 days, appellant's claim and appeal may, if in the opinion of the Board the issues before the Board are sufficiently defined, be deemed to set forth its Complaint and the Government shall be so notified.

(b) *Government—Answer.* Within 30 days from receipt of the Complaint, or the aforesaid notice from the Board, the Government shall prepare and file with the Board an original and one copy of an Answer thereto. The Answer shall set forth simple, concise, and direct statements of Government's defenses to each claim asserted by appellant, including any affirmative defenses available, and shall be served on the appellant and the contracting officer. Should the Answer not be filed within 30 days, the Board may, in its discretion, enter a general denial on behalf of the Government, and the appellant shall be so notified.

Rule 7. Amendments of Pleadings or Record

The Board upon its own initiative or upon application by a party may order a party to make a more definite statement of the Complaint or Answer, or to reply to an Answer. The Board may, in its discretion, and within the proper scope of the appeal, permit either party to amend its pleading upon conditions fair to both parties. When issues within the proper scope of the appeal, but not raised by the pleadings, are tried by express or implied consent of the parties, or by permission of

the Board, they shall be treated in all respects as if they had been raised therein. In such instances, motions to amend the pleadings to conform to the proof may be entered, but are not required. If evidence is objected to at a hearing on the ground that it is not within the issues raised by the pleadings, it may be admitted within the proper scope of the appeal, provided, however, that the objecting party may be granted a continuance if necessary to enable it to meet such evidence.

Rule 8. Hearing Election

After filing of the Government's Answer or notice from the Board that it has entered a general denial on behalf of the Government, each party shall advise whether it desires a hearing as prescribed in Rules 17 through 25, or whether it elects to submit its case on the record without a hearing, as prescribed in Rule 11.

Rule 9. Prehearing Briefs

Based on an examination of the pleadings, and its determination of whether the arguments and authorities addressed to the issues are adequately set forth therein, the Board may, in its discretion, require the parties to submit prehearing briefs in any case in which a hearing has been elected pursuant to Rule 8. If the Board does not require prehearing briefs either party may, in its discretion and upon appropriate and sufficient notice to the other party, furnish a prehearing brief to the Board. In any case where a prehearing brief is submitted, it shall be furnished so as to be received by the Board at least 15 days prior to the date set for hearing, and a copy shall simultaneously be furnished to the other party as previously arranged.

Rule 10. Prehearing or Presubmission Conference

(a) *Conference.* Whether the case is to be submitted pursuant to Rule 11, or heard pursuant to Rules 17 through 25, the Board may upon its own initiative, or upon the application of either party, arrange a telephone conference or call upon the parties to appear before an Administrative Judge or examiner of the Board of a conference to consider:

- (1) Simplification, clarification, or severing of the issues;
- (2) The possibility of obtaining stipulations, admissions, agreements and rulings on admissibility of documents, understandings on matters already of record, or similar agreements that will avoid unnecessary proof;
- (3) Agreements and rulings to facilitate discovery;
- (4) Limitation of the number of expert witnesses, or avoidance of similar cumulative evidence;

(5) The possibility of agreement disposing of any or all of the issues in dispute; and

(6) Such other matters as may aid in the disposition of the appeal.

(b) *Written Results of Conference.* The Administrative Judge or examiner of the Board shall make such rulings and orders as may be appropriate to achieve settlement by agreement of the parties or to aid in the disposition of the appeal. The results of pretrial conferences, including any rulings and orders, shall be reduced to writing by the Administrative Judge or examiner and this writing shall thereafter constitute a part of the record.

Rule 11. Submission Without a Hearing

Either party may elect to waive a hearing and to submit its case upon the record before the Board, as settled pursuant to Rule 13. Submission of a case without hearing does not receive the parties from the necessity of proving the facts supporting their allegations or defenses. Affidavits, depositions, admissions, answer to interrogatories, and stipulations may be employed to supplement other documentary evidence in the Board record. The Board may permit such submission to be supplemented by oral argument (transcribed if requested), and by briefs arranged in accordance with Rule 23.

Rule 12. Optional SMALL CLAIMS (EXPEDITED) and ACCELERATED Procedures

Notwithstanding any other provisions of these Rules of Procedure, the SMALL CLAIMS (EXPEDITED) and ACCELERATED procedures shall be available solely at the election of the appellant.

Rule 12.1. Elections to Utilize SMALL CLAIMS (EXPEDITED) and ACCELERATED Procedures

(a) *SMALL CLAIMS (EXPEDITED)—\$50,000 or less.* In appeals where the amount in dispute is \$50,000 or less, the appellant may elect to have the appeal processed under a SMALL CLAIMS (EXPEDITED) procedure requiring decision of the appeal, whenever possible, within 120 days after the Board receives written notice of the appellant's election. The details of this procedure appear in Rule 12.2.

(b) *ACCELERATED—\$100,000 or less.* In appeals where the amount in dispute is \$100,000 or less, the appellant may elect to have the appeal processed under an ACCELERATED procedure requiring decision of the appeal, whenever possible, within 180 days after the Board receives written notice of the appellant's election. The details of this procedure appear in Rule 12.3.

(c) *Time for Election.* The appellant's election of either the SMALL CLAIMS (EXPEDITED) procedure or the ACCELERATED procedure may be made by written notice

within 60 days after receipt of notice of docking the appeal unless such period is extended by the Board for good cause. The election may not be withdrawn except with permission of the Board and for good cause.

(d) *Board Determines Amount in Dispute.* In deciding whether the SMALL CLAIMS (EXPEDITED) procedure or the ACCELERATED procedure is applicable to a given appeal, the Board shall determine the amount in dispute.

Rule 12.2. The SMALL CLAIMS (EXPEDITED) Procedure

(a) *Time Periods for Proceedings.* In cases proceeding under the SMALL CLAIMS (EXPEDITED) procedure, the following time periods shall apply: (1) Within ten days from the Government's first receipt from either the appellant or the Board of a copy of the appellant's notice of election of the SMALL CLAIMS (EXPEDITED) procedure, the Government shall send the Board a copy of the contract, the contracting officer's final decision, and the appellant's claim letter or letters, if any; remaining documents required under Rule 4 shall be submitted in accordance with times specified in that rule unless the Board otherwise directs;

(2) Within 15 days after the Board has acknowledged receipt of appellant's notice of election, the assigned Administrative Judge shall take the following actions, if feasible, in an informal meeting or a telephone conference with both parties: (i) Identify and simplify the issues; (ii) establish a simplified procedure appropriate to the particular appeal involved; (iii) determine whether the appellant wants a hearing, and if so, fix a time and place therefore; (iv) require the Government to furnish all the additional documents relevant to the appeal, and (v) establish an expedited schedule for resolution of the appeal.

(b) *Decisions—120 Days.* Pleadings, discovery and other prehearing activity will be allowed only as consistent with the requirement to conduct the hearing on the date scheduled, or if no hearing is scheduled, to close the record on a date that will allow decisions within the 120-day limit. The Board, in its discretion, may impose shortened time periods for any actions prescribed or allowed under these rules, as necessary to enable the Board to decide the appeal within the 120-day limit, allowing whatever time, up to 30 days, that the Board considers necessary for the preparation of the decision after closing the record and the filing of briefs, if any.

(c) *Form of Decisions.* Written decision by the Board in cases processed under the SMALL CLAIMS (EXPEDITED) procedure will be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Administrative Judge. If there has been a hearing, the Administrative Judge presiding at the

hearing may, in the Judge's discretion, at the conclusion of the hearing and after entertaining such oral arguments as deemed appropriate, render on the record oral summary findings of fact, conclusions, and a decision of the appeal. Whenever such an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of such oral decision for record and payment purposes and to establish the starting date for the period for filing a motion for reconsideration under Rule 29.

(d) *No Precedent—Not Appealable.* A decision against the Government or the contractor shall have no value as precedent, and in the absence of fraud shall be final and conclusive and may not be appealed or set aside.

Rule 12.3. The ACCELERATED Procedure

(a) *Time Periods for Proceedings.* In cases proceeding under the ACCELERATED procedure, the parties are encouraged, to the extent possible consistent with adequate presentation of their factual and legal positions, to waive pleadings, discovery, and briefs. The Board, in its discretion, may shorten time periods prescribed elsewhere in these Rules, including Rule 4, as necessary to enable the Board to decide the appeal within 180 days after the Board has received the appellant's notice of election of the ACCELERATED procedure, any may reserve 30 days for preparation of the decision.

(b) *Decisions—180 Days.* Pleadings, discovery and other prehearing activity will be allowed only as consistent with the requirement to conduct the hearing on the dates scheduled, or if no hearing is scheduled, to close the record on a date that will allow decision within the 180-day limit. The Board, in its discretion, may impose shortened time periods for any actions prescribed or allowed under these rules, as necessary to enable the Board to decide the appeal within the 180-day limit, allowing whatever time, up to 30 days, that the Board considers necessary for the preparation of the decision after closing the record and the filing of briefs, if any.

(c) *Form of Decisions.* Written decisions by the Board in cases processed under the ACCELERATED procedure will normally be short and contain only summary findings of fact and conclusions. Decisions will be rendered for the Board by a single Administrative Judge with the concurrence of the Chair or a Vice Chair or other designated Administrative Judge, or by a majority among these two and an additional designated member in case of disagreement. Alternatively, in cases where the amount in dispute is \$50,000 or less as to which the ACCELERATED procedure has been elected and in which there has been a hearing, the single Administrative Judge presiding at the hearing may, with the concurrence of both parties, at the conclusion of the hearing and after entertaining such oral arguments as deemed appropriate, render on

the record oral summary findings of fact, conclusions, and a decision of the appeal. Whenever such an oral decision is rendered, the Board will subsequently furnish the parties a typed copy of such oral decision for record and payment purposes and to establish the starting date for the period for filing a motion for reconsideration under Rule 29.

Rule 12.4. Motions for Reconsideration in Rule 12 Cases

Motions for Reconsideration of cases decided under either the SMALL CLAIMS (EXPEDITED) procedure or the ACCELERATED procedure need not be decided within the original 120-day or 180-day limit, but all such motions shall be processed and decided rapidly so as to fulfill the intent of this Rule.

Rule 13. Settling the Record

(a) *Components of the Record.* The record upon which the Board's decision will be rendered consists of the documents furnished under Rules 4 and 12, to the extent admitted in evidence, and the following items, if any: pleadings, prehearing conference memoranda or orders, prehearing briefs, depositions or interrogatories received in evidence, admissions, stipulations, transcripts of conferences and hearings, hearings exhibits, posthearing briefs, and documents which the Board has specifically designated be made a part of the record. The record will, at all reasonable times, be available for inspection by the parties at the office of the Board.

(b) *Closing Dates for Inclusion of Material.* Except as the Board may otherwise order in its discretion, no proof shall be received in evidence after completion of an oral hearing or, in cases submitted on the record, after notification by the Board that the case is ready for decision.

(c) *Weight Given to Evidence.* The weight to be attached to any evidence of record will rest within the sound discretion of the Board. The Board may in any case require either party, with appropriate notice to the other party, to submit additional evidence on any matter relevant to the appeal.

Rule 14. Discovery—Depositions

(a) *General Policy and Protective Orders.* The parties are encouraged to engage in voluntary discovery procedures. In connection with any deposition or other discovery procedure, the Board may make any order required to protect a party or person from annoyance, embarrassment, or undue burden or expense. Those orders may include limitations on the scope, method, time and place for discovery, and provisions for protecting the secrecy of confidential information or documents.

(b) *When Depositions Permitted.* After an appeal has been docketed and Complaint filed, the parties may mutually agree, or the

Board may, upon application of either party, order the taking of testimony of any person by deposition upon oral examination or written interrogatories before any officer authorized to administer oaths at the place of examination, for use as evidence or for purpose of discovery. The application for order shall specify whether the purpose of the deposition is discovery or for use as evidence.

(c) *Orders on Depositions.* The time, place, and manner of taking depositions shall be as mutually agreed by the parties, or failing such agreement, governed by order of the Board.

(d) *Use as Evidence.* No testimony taken by depositions shall be considered as part of the evidence in the hearing of an appeal until such testimony is offered and received in evidence at such hearing. It will not ordinarily be received in evidence if the deponent is present and can testify at the hearing. In such instances, however, the deposition may be used to contradict or impeach the testimony of the deponent given at the hearing. In cases submitted on the record, the Board may, in its discretion, receive depositions to supplement the record.

(e) *Expenses.* Each party shall bear its own expenses associated with the taking of any deposition.

(f) *Subpoenas.* Where appropriate, a party may request the issuance of a subpoena under the provisions of Rule 21.

Rule 15. Interrogatories to Parties, Admission of Facts, and Production and Inspection of Documents

After an appeal has been docketed and Complaint filed with the Board, a party may serve on the other party: (a) Written interrogatories to be answered separately in writing, signed under oath and answered or objected to within 30 days; (b) a request for the admission of specified facts and the authenticity of any documents, to be answered or objected to within 30 days after service (the factual statements and the authenticity of the documents to be deemed admitted upon failure of a party to respond to the request); and (c) a request for the production, inspection and copying of any documents or objects not privileged, which reasonably may lead to the discovery of admissible evidence. Any discovery engaged in under this Rule shall be subject to the provisions of Rule 14(a) with respect to general policy and protective orders and of Rule 33 with respect to sanctions.

Rule 16. Service of Papers Other Than Subpoenas

(a) *Service of Papers.* Papers shall be served personally or by certified mail, return receipt requested, addressed to the Board or to the party upon whom service is to be made.

Parties shall furnish three copies of Complaints directly to the Board. Parties shall furnish two copies of Answers and briefs directly with the Board, with one copy being served on the opposing party and the Board's copies containing a notation to that effect. The party filing any other paper with the Board shall send a copy thereof to the opposing party, noting on the paper filed with the Board that a copy has been so furnished. Subpoenas shall be served as provided in Rule 21.

(b) *Facsimile Transmissions.* Facsimile transmissions to the Board and the parties are permitted. Parties are expected to submit their facsimile machine numbers with their filings. The Board's facsimile number is (202) 720-3059. The filing of a document by facsimile transmission occurs upon receipt by the Board of the entire printed submission. Parties are specifically cautioned that deadlines for the filing of appeals will not be extended merely because the Board's facsimile machine is busy or otherwise unavailable at the time the filing is due. A document submitted by facsimile should be followed by a copy of the document sent by U.S. Postal Service or other delivery method.

HEARINGS

Rule 17. Where and When Held

Hearings will be held at such places determined by the Board to best serve the interests of the parties and the Board. Hearings will be scheduled at the discretion of the Board with due consideration to the regular order of appeals, Rule 12 requirements, and other pertinent factors. On request on motion by either party and for good cause, the Board may, in its discretion, adjust the date of a hearing.

Rule 18. Notice of Hearings

The parties shall be given at least 15 days notice of the time and place set for hearings. In scheduled hearings, the Board will consider the desires of the parties and the requirement for just and inexpensive determination of appeals without unnecessary delay.

Rule 19. Unexcused Absence of a Party

The unexcused absence of a party at the time and place set for hearing will not be occasion for delay. In the event of such absence, the hearing will proceed and the case will be regarded as submitted by the absent party as provided in Rule 11.

Rule 20. Hearings: Nature; Examination of Witnesses

(a) *Nature of Hearings.* Hearings shall be as informal as may be reasonable and appropriate under the circumstances. Appellant and the Government may offer such evidence

as they deem appropriate and as would be admissible under the Federal Rules of Evidence. Stipulations of fact agreed upon by the parties may be regarded and used as evidence at the hearing. The parties may stipulate the testimony that would be given by a witness if the witness were present. The Board may require evidence in addition to that offered by the parties.

(b) *Examination of Witnesses.* Witnesses before the Board will be examined orally under oath or affirmation, unless the presiding Administrative Judge or examiner shall otherwise order. If the testimony of a witness is not given under oath, the Board may advise the witness that his statements may be subject to the provisions of 18 U.S.C. 287 and 1001, and any other provision of law imposing penalties for knowingly making false representations in connection with claims against the United States or in any matter within the jurisdiction of any department or agency thereof.

Rule 21. Subpoenas for CDA Appeals

(a) *General.* For appeals under §24.4(a), upon written request of either party filed with the recorder, or on the initiative of the Administrative Judge to whom a case is assigned, or who is otherwise designated by the Chair, such Administrative Judge may issue a subpoena requiring:

(1) Testimony at a deposition—the deposing of a witness in the city or county where such witness resides or is employed or transacts business in person, or at another location convenient for such witness that is specifically determined by the Board;

(2) Testimony at a hearing—the attendance of a witness for the purpose of taking testimony at a hearing; and

(3) Production of books and papers—in addition to (1) or (2), the production by the witness at the deposition or hearing of books and papers designated in the subpoena.

(b) *Voluntary Cooperation.* Each party is expected (1) to cooperate and make available witnesses and evidence under its control as requested by the other party, without issuance of a subpoena, and (2) to secure voluntary attendance of desired third-party witnesses and production of desired third-party books, papers, documents, or tangible things whenever possible.

(c) *Requests for Subpoenas.*

(1) A request for a subpoena shall normally be filed at least:

(i) 15 days before a scheduled deposition where the attendance of a witness at a deposition is sought;

(ii) 30 days before a scheduled hearing where the attendance of a witness at a hearing is sought.

In its discretion the Board may honor requests for subpoenas not made within these time limitations.

(2) A request for a subpoena shall state the reasonable scope and general relevance to the case of the testimony and of any books and papers sought.

(d) *Requests to Quash or Modify.* Upon written request by the person subpoenaed or by a party, made within 10 days after service but in any event not later than the time specified in the subpoena for compliance, the Board may (1) quash or modify the subpoena if it is unreasonable and oppressive or for other good cause shown, or (2) require the person in whose behalf the subpoena was issued to advance the reasonable cost of producing subpoenaed books and papers. Where circumstances require, the Board may act upon such a request at any time after a copy has been served upon the opposing party.

(e) *Form; Issuance.*

(1) Every subpoena shall state the name of the Board and the title of the appeal, and shall command each person to whom it is directed to attend and give testimony, and if appropriate, to produce specified books and papers at a time and place therein specified. In issuing a subpoena to a requesting party, the Administrative Judge shall sign the subpoena and may, in the Judge's discretion, enter the name of the witness and otherwise leave it blank. The party to whom the subpoena is issued shall complete the subpoena before service.

(2) Where the witness is located in a foreign country, a letter rogatory or subpoena may be issued and served under the circumstances and in the manner provided in 28 U.S.C. 1781-1784.

(f) *Service.*

(1) The party requesting issuance of a subpoena shall arrange for service.

(2) A subpoena requiring the attendance of a witness at a deposition or hearing may be served at any place. A subpoena may be served by a United States marshal or deputy marshal, or by any other person who is not a party and not less than 18 years of age. Service of a subpoena upon a person named therein shall be made by personally delivering a copy to that person and tendering the fees for one day's attendance and the mileage provided by 28 U.S.C. 1821 or other applicable law; however, where the subpoena is issued on behalf of the Government, money payments need not be tendered in advance of attendance.

(3) The party at whose instance a subpoena is issued shall be responsible for the payment of fees and mileage of the witness and of the officer who serves the subpoena. The failure to make payment of such charges on demand may be deemed by the Board as sufficient ground for striking the testimony of the witness and the evidence the witness has produced.

(g) *Contumacy or Refusal to Obey a Subpoena.* In case of contumacy or refusal to obey a subpoena by a person who resides, is

found, or transacts business within the jurisdiction of a United States District Court, the Board will apply to the Court through the Attorney General of the United States for an order requiring the person to appear before the Board or a member thereof to give testimony or produce evidence or both. Any failure of any such person to obey the order of the Court may be punished by the Court as a contempt thereof.

Rule 21.1. Subpoenas for Non-CDA Appeals

For appeals under §§24.4(b), (c), and (d), the Chair has authority by delegation from the Secretary to request the appropriate United States Attorney to apply to the appropriate United States District Court for the issuance of subpoenas pursuant to 5 U.S.C. 304.

Rule 22. Copies of Papers

When books, records, papers, or documents have been received in evidence, a true copy thereof or of such part thereof as may be material or relevant may be substituted therefor, during the hearing or at the conclusion thereof.

Rule 23. Posthearing Briefs

Posthearing briefs may be submitted upon such terms as may be agreed upon by the parties and the presiding Administrative Judge or examiner at the conclusion of the hearing.

Rule 24. Transcript of Proceedings

Testimony and argument at hearings shall be reported verbatim, unless the Board otherwise orders. Waiver of transcript may be especially suitable for hearings under Rule 12.2. Transcripts or copies of the proceedings shall be made available by the Board to the Government attorney. Appellant may order transcripts of the proceedings from the contract reporter at the hearing.

Rule 25. Withdrawal of Exhibits

After a decision has become final, the Board may, upon request and after notice to the other party, in its discretion permit the withdrawal of original exhibits, or any part thereof, by the party entitled thereto. The substitution of true copies of exhibits or any part thereof may be required by the Board in its discretion as a condition of granting permission for such withdrawal.

REPRESENTATION

Rule 26. The Appellant

An individual appellant may appear before the Board in person; a corporation by one of its officers; and a partnership or joint venture by one of its members; or any of these by an attorney at law duly licensed in any state, commonwealth, territory, the District

of Columbia, or in a foreign country. An attorney representing an appellant shall file a written notice of appearance with the Board.

Rule 27. The Government

Government counsel may, in accordance with their authority, represent the interest of the Government before the Board. They shall file notices of appearance with the Board, and notice thereof will be given appellant or appellant's attorney in the form specified by the Board from time to time. Whenever appellant and the Government counsel are in agreement as to disposition of the controversy, the Board may suspend further processing of the appeal. However, if the Board is advised thereafter by either party that the controversy has not been disposed of by agreement, the case shall be restored to the Board's calendar without loss of position.

MISCELLANEOUS

Rule 28. Decisions

Decisions of the Board will be made in writing and authenticated copies of the decision will be forwarded simultaneously to both parties. The rules of the Board and all final orders and decisions (except those required for good cause to be held confidential and not cited as precedents) shall be open for public inspection at the offices of the Board in Washington, D.C. Decisions of the Board will be made solely upon the record, as described in Rule 13.

Rule 29. Motion for Reconsideration

A motion for reconsideration may be filed by either party. It shall set forth specifically the grounds relied upon to sustain the motion. The motion shall be filed within 30 days from the date of the receipt of a copy of the decision of the Board by the party filing the motion.

Rule 30. Dismissal Without Prejudice

In certain cases, appeals docketed before the Board are required to be placed in a suspense status and the Board is unable to proceed with disposition thereof for reasons not within the control of the Board. Where the suspension has continued, or may continue, for an inordinate length of time, the Board may, in its discretion, dismiss such appeals from its docket without prejudice to their restoration when the cause for suspension has been removed. Unless either party or the Board acts within three years, or such shorter time as ordered by the Board, to reinstate any appeal dismissed without prejudice, the dismissal shall be deemed with prejudice.

Rule 31. Dismissal for Failure to Prosecute or Defend

Whenever a record discloses the failure of either party to file documents required by these rules, respond to notices of correspondence from the Board, comply with orders of the Board or otherwise indicates an intention not to continue the prosecution of defense of an appeal, the Board may, in the case of a default by the appellant, issue an order to show cause why the appeal should not be dismissed or, in the case of a default by the Government, issue an order to show cause why the Board should not act thereon pursuant to Rule 33. If good cause is not shown, the Board may take appropriate action.

Rule 32. Remand From Court

Whenever any court remands a case to the Board for further proceedings, each of the parties shall, within 20 days of such remand, submit a report to the Board recommending procedures to be followed so as to comply with the court's order. The Board shall consider the reports and enter special orders governing the handling of the remanded case. To the extent the court's directive and tie limitations permit, such orders shall conform to these rules.

Rule 33. Sanctions

If any party fails or refuses to obey an order issued by the Board, the Board may then make such order as it considers necessary to the just and expeditious conduct of the appeal.

Rule 34. Alternative Dispute Resolution

Upon joint motion or with the consent of both parties, the Board may permit the use of methods of Alternative Dispute Resolution (ADR). The Board shall notify parties of the availability of ADR methods by transmitting information with its notice of docketing (Rule 3).

Rule 35. Application for Attorneys' Fees and Expenses Under the Equal Access to Justice Act

The Equal Access to Justice Act (EAJA), 5 U.S.C. 504, allows payment of attorneys' fees and expenses to certain prevailing parties in administrative adjudications with the Government unless the Government's position was substantially justified. Rules governing applications for fees and expenses under EAJA can be found in 7 CFR 1.180 *et seq.*

(c) Meets the area size and boundary requirements of §25.103;

A nominated area in Alaska or Hawaii shall be presumed to meet the criteria of paragraphs (b), (c), and (e) of this section if, for each Census tract or block group in the area, at least 20 percent of the families in such tract have an income which is 50 percent or less of the statewide median family income.

§25.101 Data utilized for eligibility determinations.

(a) *Source of data.* The data to be employed in determining eligibility pursuant to this part shall be based on the 1990 Census, and from information published by the Bureau of Census and the Bureau of Labor Statistics, provided, however, that for purposes of demonstrating outmigration pursuant to §25.104(b)(2)(iii), data from the 1980 Census and interim data collected by the Bureau of Census for the 1990-1994 period may be used. (c) *General distress.* General distress shall be evidenced by describing adverse conditions within the nominated area other than those of pervasive poverty and unemployment. Below average or decline in per capita income, earnings per worker, per capita property tax base, average years of school completed; outmigration and population decline, a high or rising incidence of crime, narcotics use, abandoned housing, deteriorated infrastructure, school dropouts, teen pregnancy, incidents of domestic violence, incidence of certain health conditions and illiteracy are examples of appropriate indicators of general distress. The data and methods used to produce such indicators that are used to describe general distress must all be stated.

§ 25.202 Strategic plan.

(a) *Principles of strategic plan.* The strategic plan included in the application must be developed in accordance with the following four key principles:

(1) Strategic vision for change, which identifies what the community will become and a strategic map for revitalization. The vision should build on assets and coordinate a response to community needs in a comprehensive fashion. It should also set goals and performance benchmarks for measuring progress and establish a framework for evaluating and adjusting the revitalization plan.

(2) Community-based partnerships, involving the participation of all segments of the community, including the political and governmental leadership, community groups, local public health and social service departments and nonprofit groups providing similar services, environmental groups, local transportation planning entities, public and private schools, religious organizations, the private and nonprofit sectors, centers of learning, and other community institutions and individual citizens.

(3) Economic opportunity, including job creation within the community and throughout the region, entrepreneurial initiatives, small business expansion,

job training and other important services such as affordable childcare and transportation services that may enable residents to be employed in jobs that offer upward mobility.

(4) Sustainable community development, to advance the creation of livable and vibrant communities through comprehensive approaches that coordinate economic, physical, environmental, community, and human development. These approaches should preserve the environment and historic landmarks—they may include “brownfields” clean-up and redevelopment, and promote transportation, education, and public safety.

(b) *Minimum requirements.* The strategic plan must:

(1) Describe the coordinated economic, human, community, and physical development plan and related activities proposed for the nominated area;

(2) Describe the process by which the affected community is a full partner in the process of developing and implementing the plan and the extent to which local institutions and organizations have contributed to the planning process;

(5) Identify the baselines, methods, and benchmarks for measuring the success of carrying out the strategic plan, including the extent to which poor persons and families will be empowered to become economically self-sufficient;

(6) Must not include any action to assist any establishment in relocating from one area outside the nominated area to the nominated area, except that assistance for the expansion of an existing business entity through the

establishment of a new branch, affiliate, or subsidiary is permitted if:

(i) The establishment of the new branch, affiliate, or subsidiary will not result in a decrease in employment in the area of original location or in any other area where the existing business entity conducts business operations; and

(ii) There is no reason to believe that the new branch, affiliate, or subsidiary is being established with the intention of closing down the operations of the existing business entity in the area of its original location or in any other area where the existing business entity conducts business operation; and

(7) Include such other information as required by USDA in the notice inviting applications or other applicable notice.

(c) *Implementation of strategic plan.* The strategic plan may be implemented by State governments, tribal governments, local governments, regional planning agencies, non-profit organizations, community-based organizations, or other nongovernmental entities. Activities included in the strategic plan may be funded from any source, Federal, State, local, or private, which agrees to provide assistance to the nominated area.

(d) *Public access to materials and proceedings.* The applicant or the lead managing entity, as applicable, must make available to the public copies of the strategic plan and supporting documentation and must conduct its meetings in accordance with the applicable open meetings acts.

Subpart D—Designation Process

§ 25.300 USDA action and review of nominations for designation.

(a) *Establishment of submission procedures*. to be published in the FEDERAL REGISTER.

(b) *Acceptance for processing.* USDA will accept for processing those applications as empowerment zones and enterprise communities which USDA determines have met the criteria required under this part. USDA will notify the states and local governments whether or not the nomination has been accepted for processing. The application must be received by USDA on or before the close of business on the date established by the notice inviting applications or other applicable notice published in the FEDERAL REGISTER. The applications must be complete, inclusive of the strategic plan, as required by § 25.202, and the certifications and written assurances required by § 25.200(b).

(2) Enlargement of a nominated area will not be allowed if the inclusion of the additional area will result in an average poverty rate less than the average poverty rate at the time of initial application; and

(3) An applicant may modify the nominated area or strategic plan during the application review period with USDA approval.

(e) *Designations.* Final determination of the boundaries of areas and the term for which the designations will remain in effect will be made by the Secretary.

powerment Zone, Enterprise Community or Champion Community, the Secretary shall consider:

(a) The potential effectiveness of the strategic plan, in accordance with the key principles in § 25.202(a);

If other factors are established by USDA, a FEDERAL REGISTER Notice will be published identifying such factors, along with an extension of the application due date if necessary.

Subpart E—Post-Designation Requirements

§ 25.400 Reporting.

In addition to these reports, such other information relating to designated Empowerment Zones, Enterprise Communities and Champion communities as USDA may request from time to time shall be submitted promptly. USDA for each calendar year which includes an executive summary and benchmark progress report as follows:

(1) *Executive summary.* The executive summary shall identify the progress and setbacks experienced in efforts to achieve benchmark goals. Activities other than those expressly included in the strategic plan should also be noted in order to provide an understanding of where the community stands with respect to implementation of the strategic plan. Furthermore, the executive summary should address the following:

- (i) Identify the most significant accomplishments to date.
- (ii) Describe the level of community participation and overall support for the EZ/EC initiative.

(2) *Benchmark progress report.* For each benchmark goal the community will provide a current measure of the baseline condition which is the subject of targeted improvement and whether the current measure represents an improvement from the baseline condition as initially stated in the strategic plan. For each benchmark activity the community will provide a status report in form and substance acceptable to USDA.

(c) *Timely State data.* Where not prevented by State law, nominating State governments must provide the timely release of data requested by USDA for the purposes of monitoring and assisting the success of Empowerment Zones and Enterprise Communities.

§25.401 Responsibility of lead managing entity.

(a) *Financial.* The lead managing entity will be responsible for strategic plan program activities and monitoring the fiscal management of the funds of the Empowerment Zone or Enterprise Community.

§25.402 Periodic performance reviews.

USDA will regularly evaluate the progress in implementing the strategic plan in each designated Empowerment Zone and Enterprise Community on the basis of performance reviews to be conducted on site and using other information submitted. USDA may also commission evaluations of the Empowerment Zone program as a whole by an impartial third party. Evidence of continual involvement of all segments of the community, including low income and disadvantaged residents, must be evidenced in the implementation of the strategic plan.

§25.403. Ongoing 2-year work plan requirement.

(a) Each Empowerment Zone and Enterprise Community shall prepare and submit annually, work plans for the subsequent 2-year interval of the designation period.

(b) The 2-year work plan shall be submitted to USDA 45 days prior to the start of the applicable 2-year period.

(c) The 2-year work plan must include the following sections and content:

(1) *Section 1—Work Plan.* Identify the benchmark goals to be achieved in the applicable 2 years of the strategic plan, together with the benchmark activities to be undertaken during the applicable 2 years of implementation. Include references to the applicable baseline conditions and performance indicators to be used in assessing performance.

(2) *Section 2—Operational Budget.* For each benchmark activity to be undertaken in the applicable 2 years of the strategic plan, set forth the following information:

- (ii) Proposed sources of funding and whether actual commitments have been obtained;

(iii) Technical assistance resources and other forms of support pledged by Federal, State and local governments, non-profit organizations, foundations, private businesses, and any other entity to assist in implementation of the community's strategic plan, and whether this support is conditional upon the designation of the community as an Empowerment Zone; and

(iv) Documentation of applications for assistance and commitments identified as proposed funding and other resources.

§ 25.404 Validation of designation.

(a) *Maintaining the principles of the program.* The empowerment zone, enterprise community or champion community (the designated community) must maintain a process for ensuring ongoing broad-based participation by community residents consistent with the approved application and planning process outlined in the strategic plan.

(1) *Continuous improvement.* The designated community must maintain a process for evaluating and learning from its experiences. It must detail the methods by which the community will assess its own performance in implementing its benchmarks, the process it will use for reviewing goals and benchmarks and revising its strategic plan.

(2) *Participation.* The designated community must develop as part of its strategic plan a written plan for assuring continuous broad-based community participation in the implementation of the strategic plan and the means by which the strategic plan is implemented, including board membership in the lead entity and other key partnership entities.

(b) *Administration of the strategic plan.* The strategic plan must be administered in a manner consistent with the principles of the program contained in § 25.202(a).

(1) *Lead entity.* The lead entity must have legal status and authority to receive and administer funds pursuant to Federal, state and other government or nonprofit programs.

(2) *Capacity.* The lead entity must have the capacity to implement the strategic plan, as demonstrated by audited financial statements as of the most recent fiscal year or other docu-

mentation that may be requested by USDA.

(3) *Board membership.* The membership of the board must be representative of the entire socio-economic spectrum in the designated community including business, social service agencies, health and education entities, low income and minority residents. Board membership may be determined by either broad-based election or by appointment to meet this diversity requirement; however, not more than 45 percent of board members may be selected by appointment. Elections of community residents to the board may be done by any locally acceptable process; however, at least one board member from each of the designated community's census tracts must be elected and representative of the low income residents in their census tract. The Deputy Administrator, Office of Community Development, may waive the 45 percent maximum appointment limit only for Tribal Governmental Organizations where the Deputy Administrator determines, in writing, that a more representative board would be obtained through the appointment process.

(4) *Partnerships.* The relationship between the designated community's lead entity board and local governments and other major regional and community organizations operating in the same geographic area is critical to the community's success in implementing its strategic plan. Every effort should be made to identify and maintain relationships with local partners. Documentation including, but not limited to, minutes of meetings, benchmark activity reports and annual reports of the lead entity must reflect the contributions of local partnership entities.

(5) *Public information.* The designated community must have written procedures in place describing the means by which citizens of the community and partnership organizations will be kept informed of the community's activities and progress in implementing the strategic plan, consistent with the principal objective of community based partnerships pursuant to § 25.202(a)(2). These procedures must be kept current and compliance with them documented on an ongoing basis.

(c) *Reevaluation of designations.* On the basis of the performance reviews described in §25.402, and subject to the provisions relating to the revocation of designation appearing at §25.405, USDA will make findings as to the continuing eligibility for and the validity of the designation of any Empowerment Zone, Enterprise Community, or Champion Community.

(d) *Modification of designation.* Based on a rural zone or community's success in carrying out its strategic plan, and subject to the provisions relating to revocation of designation in accordance with §25.405 and the requirements as to the number, maximum population and other characteristics of rural Empowerment Zones referenced in §25.100, the Secretary may modify designations by reclassifying rural Empowerment Zones as Enterprise Communities or Enterprise Communities as Empowerment Zones.

(1) Allowing 90 days from the date of receipt of the letter of warning for response; and

(2) Making a determination pursuant to paragraph (a) of this section.
