§ 279.3 Content of request for review.

(a) *Identifying the request.* Requests for review shall clearly identify the administrative action from which the review is requested. This identification shall include the date of the letter or other written communication notifying the firm of the administrative action, the name and title of the person who signed the letter or other communication, and whether the action under appeal concerns a denial of an application or a withdrawal of authorization to participate, a disqualification from further participation, a civil money penalty, or a denial of all or any part of a claim or a fine.

(b) *Supporting the request.* The request shall include information in support of the request showing the grounds on which review is being sought, or shall state that supporting information will be filed in writing at a later date. § 279.4 Action upon receipt of a request for review.

(a) *Holding action.* Upon receipt of a request for review of administrative action, the administrative action shall be held in abeyance until the designated reviewer has made a deter-

mination. However, permanent disqualifications for trafficking shall not be held in abeyance and shall be effective immediately as specified in 278.6(b)(2) of this chapter. If the disqualification is reversed through administrative or judicial review, the Secretary shall not be held liable for the value of any sales lost during the disqualification period. If the administrative action in question involves a denial of approval of an application to participate in the program, a denial of a claim brought by a firm against FNS, or the forfeiture of a collateral bond, the designated reviewer shall direct that the firm not be approved for participation, not be paid any part of the disputed claim, or not be reimbursed for any bond forfeiture, until the designated reviewer has made a determination.

(b) *Filing supporting information.* If the request filed by the firm includes a request for an opportunity to file written information in support of its position at a later date, the designated reviewer shall promptly notify the firm of the date by which the information shall be filed. If the firm fails to file any information in support of its position by the designated date, the information submitted with the original request shall be considered to be the only information submitted by the firm. In that case, if no information in support of the firm's position was submitted with the original request, the action of the appropriate FNS office shall be final.

(c) *Extensions of time.* Upon timely written request to FNS by the firm requesting the review, FNS may grant extensions of time if, in FNS' discretion, additional time is required for the firm to fully present information in support of its position. However, no extension may be made in the time allowed for the filing of a request for review.
