

§ 8.33 Housing adjustments.

A recipient shall modify its housing policies and practices to ensure that these policies and practices do not discriminate, on the basis of handicap, against a qualified individual with handicaps. The recipient may not impose upon individuals with handicaps other policies, such as the prohibition of assistive devices, auxiliary alarms, or guides in housing facilities, that have the effect of limiting the participation of tenants with handicaps in the recipient's federally assisted housing program or activity in violation of this part. Housing policies that the recipient can demonstrate are essential to the housing program or activity will not be regarded as discriminatory within the meaning of this section if modifications to them would result in a fundamental alteration in the nature of the program or activity or undue financial and administrative burdens.

Subpart D—Enforcement**§ 8.50 Assurances required.**

(a) *Assurances.* An applicant for Federal financial assistance for a program or activity to which this part applies shall submit an assurance to HUD, or in the case of a subrecipient to a primary recipient, on a form specified by the responsible civil rights official, that the program or activity will be operated in compliance with this part. An applicant may incorporate these assurances by reference in subsequent applications to the Department.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended in the form of real property or to provide real property or structures on the property, the assurance will obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for the purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) In the case of Federal financial assistance extended to provide personal property, the assurance will obligate the recipient for the period during

which it retains ownership or possession of the property.

(3) In all other cases the assurance will obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Covenants.* (1) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the instrument effecting or recording this transfer shall contain a covenant running with the land to assure non-discrimination for the period during which the real property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits.

(2) Where no transfer of property is involved but property is purchased or improved with Federal financial assistance, the recipient shall agree to include the covenant described in paragraph (b)(2) of this section in the instrument effecting or recording any subsequent transfer of the property.

(3) Where Federal financial assistance is provided in the form of real property or interest in the property from the Department, the covenant shall also include a condition coupled with a right to be reserved by the Department to revert title to the property in the event of a breach of the covenant. If a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on the property for the purposes for which the property was transferred, the Secretary may, upon request of the transferee and if necessary to accomplish such financing and upon such conditions as he or she deems appropriate, agree to forbear the exercise of such right to revert title for so long as the lien of such mortgage or other encumbrance remains effective.

§ 8.51 Self-evaluation.

(a) Each recipient shall, within one year of July 11, 1988, and after consultation with interested persons, including individuals with handicaps or organizations representing individuals with handicaps:
