(b) *Payment of burial benefits at the full-dollar rate.* VA will pay burial benefits under chapter 23 of title 38, United States Code, at the full-dollar rate, based on service described in § 3.40(c) or (d), when an individual who performed such service dies after November 1, 2000, and was on the date of death:

(3) In a claim based on the deceased veteran having been an alien lawfully admitted for permanent residence in the U.S., only verification of that status by the U.S. Immigration and Naturalization Service to VA will be suffi-

#### § 3.50 Spouse and surviving spouse.

(a) *Spouse.* "Spouse" means a person of the opposite sex whose marriage to the veteran meets the requirements of § 3.1(j).

(b) *Surviving spouse.* Except as provided in § 3.52, "surviving spouse" means a person of the opposite sex whose marriage to the veteran meets the requirements of § 3.1(j) and who was the spouse of the veteran at the time of the veteran's death and:

(1) Who lived with the veteran continuously from the date of marriage to the date of the veteran's death except where there was a separation which was due to the misconduct of, or procured by, the veteran without the fault of the spouse; and

(2) Except as provided in § 3.55, has not remarried or has not since the death of the veteran and after September 19, 1962, lived with another person of the opposite sex and held himself or herself out openly to the public to be the spouse of such other person.

[62 FR 5529, Feb. 6, 1997]

#### § 3.52 Marriages deemed valid.

Where an attempted marriage of a claimant to the veteran was invalid by reason of a legal impediment, the marriage will nevertheless be deemed valid if:

(a) The marriage occurred 1 year or more before the veteran died or existed for any period of time if a child was born of the purported marriage or was born to them before such marriage (see § 3.54(d)), and

(b) The claimant entered into the marriage without knowledge of the impediment, and

(c) The claimant cohabited with the veteran continuously from the date of marriage to the date of his or her death as outlined in § 3.53, and

#### § 3.53 Continuous cohabitation.

(a) *General.* The requirement that there must be continuous cohabitation from the date of marriage to the date of death of the veteran will be considered as having been met when the evidence shows that any separation was due to the misconduct of, or procured by, the veteran without the fault of the surviving spouse. Temporary separations which ordinarily occur, including those caused for the time being through fault of either party, will not break the continuity of the cohabitation.

(b) *Findings of fact.* The statement of the surviving spouse as to the reason for the separation will be accepted in the absence of contradictory information. If the evidence establishes that the separation was by mutual consent and that the parties lived apart for purposes of convenience, health, business, or any other reason which did not show an intent on the part of the surviving spouse to desert the veteran, the continuity of the cohabitation will not be considered as having been broken. State laws will not control in determining questions of desertion; however, due weight will be given to findings of fact in court decisions made during the life of the veteran on issues subsequently involved in the application of this section.
