CALIFORNIA DATE ADMINISTRATIVE
COMMITTEE

§ 987.21 Establishment and membership.

A California Date Administrative Committee consisting of nine members is hereby established to administer the terms and conditions of this part. For each member there shall be an alternate member, and the provisions of this part applicable to the number, nomination, qualification and selection of members shall apply in like manner to alternate members. Three of the members, referred to in this part as "producer members", shall be producers or officers or employees of producers, and shall not be handlers, or directors, officers, or employees exercising a supervisory or managerial function of a handler. The six remaining members, referred to in this part as "producer-handlers", shall be selected from (a) handlers, or directors, officers or employees of a handler, or (b) producers who are also handlers or directors, officers or employees exercising a supervisory or managerial function of a handler. The Committee, with the approval of the Secretary, may issue rules and regulations covering matters of eligibility for producer members, or revising the composition of the Committee prescribed in this section if it no longer is representative following a substantial change in the industry.

§ 987.23 Term of office.

The term of office for members and alternate members shall be 2 years beginning August 1, except such term may be shorter if the Committee composition is changed in the interim pursuant to § 987.21. Each member and alternate member shall, unless otherwise ordered by the Secretary, continue to

serve until his successor has been selected and has qualified.

§ 987.24 Nomination and selection.

(a) Nomination for members and alternate members of the Committee shall be made not later than June 15 of every other year.

(b) Opportunity shall be provided producers and handlers to nominate individuals to serve on the Committee by establishing a day for polling and also for casting absentee ballots. Persons will only be able to vote in nominations for the group in which they would be qualified to serve on the Committee, and shall nominate the applicable number of individuals for the positions prescribed pursuant to § 987.21. Each producer, regardless of the number and locations of his date gardens, voting in the nominations for producer members and producer alternate members, shall be entitled to one vote for each member and alternate member position to be filled. The individual receiving the highest number of votes for a position shall be the nominee. Each person voting in the nominations for producer-handler members and producer-handler alternate members, shall be given the opportunity to vote for one member and one alternate member position. His ballot shall be weighted by the pounds of dates he had certified as marketable dates, from the beginning of the then current crop year through April which he produced in his own gardens or acquired from other producers. The individual receiving the highest weighted vote for a producer-handler position shall be the nominee. The Committee, with the approval of the Secretary, may issue rules and regulations on the manner in which nominees for a position may be obtained, polling, balloting, absentee ballots, and the weighting of votes for producer-handler positions when the Committee is restructured during a term of office.

If neither a member nor his alternate has designated an alternate as his replacement, or such designated alternate is unable to serve as the replacement, the chairman may, with the concurrence of a majority of the members including
