

§ 253.2

8 CFR Ch. I (1–1–05 Edition)

(g) *Other crewmen.* In the discretion of the district director, any alien crewman not within the purview of paragraphs (b) through (f) of this section may for other emergent reasons or for reasons deemed strictly in the public interest be paroled into the United States under the provisions of section 212(d)(5) of the Act for the period of time and under the conditions set by the district director having jurisdiction over the area where the alien crewman is located.

[22 FR 9804, Dec. 6, 1957, as amended at 26 FR 11797, Dec. 8, 1961; 32 FR 4341, Mar. 22, 1967; 32 FR 9633, July 4, 1967; 55 FR 30687, July 27, 1990; 62 FR 10389, Mar. 6, 1997; 64 FR 8495, Feb. 19, 1999]

§ 253.2 Termination of parole.

(a) *General.* At the expiration of the period of parole authorized by the district director, or when the purpose of the parole has been served, whichever is earlier, the agent upon whom the relating Form I-259 was served as provided in § 253.1, shall present the alien crewman for inspection to an immigration officer at the Service office specified in the Form I-259. If the agent cannot present the alien crewman, the agent shall immediately submit a report of the reasons therefor to the district director. The district director shall take such further action as the circumstances may require. If the vessel or aircraft on which the alien crewman arrived in the United States is still in the United States when he is presented for inspection, he shall be treated as an applicant for a conditional landing permit and his case shall be dealt with in the same manner as any other applicant for a conditional landing permit. If the vessel or aircraft on which the alien crewman arrived in the United States departed before he was presented for inspection, the agent shall be directed by means of written notice on Form I-259 to arrange for the removal of the alien crewman from the United States, and if such alien crewman thereafter departs voluntarily from the United States within the time specified by the district director, such departure shall not be considered a deportation within the meaning of this section.

(b) *Revocation of parole.* When an immigration officer has reason to believe that an alien crewman paroled into the United States pursuant to the provisions of § 253.1 has violated the conditions of parole, the immigration officer may take such alien crewman into custody without a warrant of arrest. Following such action, the alien crewman shall be accorded, without undue delay, an examination by another immigration officer. If it is determined on the basis of such examination that the individual detained is an alien crewman who was paroled into the United States pursuant to the provisions of § 253.1 and that he has violated the conditions of the parole or has remained in the United States beyond the period authorized by the district director, the district director shall cause to be served upon the alien crewman a written notice that his parole has been revoked, setting forth the reasons for such action. If the vessel or aircraft upon which the alien crewman arrived in the United States is still in the United States, the alien crewman shall be delivered to that vessel or aircraft and Form I-259 shall be served upon the master or commanding officer of the vessel or aircraft directing that the alien crewman be detained on board the vessel or aircraft and deported from the United States. A copy of Form I-259 shall also be served on the agent for the vessel or aircraft. If the vessel or aircraft upon which the alien crewman arrived in the United States has departed from the United States, the agent or owner of the vessel or aircraft shall be directed by means of a notice on Form I-259 to effect the deportation of the alien crewman from the United States. Pending deportation, the alien crewman shall be continued in custody, unless the district director authorizes his release on parole under such conditions, including the posting of a suitable bond, as the district director may prescribe.
