Subpart A—8(a) Business Development

SOURCE: 63 FR 35739, June 30, 1998, unless otherwise noted.

PROVISIONS OF GENERAL APPLICABILITY

§ 124.1 What is the purpose of the 8(a) Business Development program?

Sections 8(a) and 7(j) of the Small Business Act authorize a Minority Small Business and Capital Ownership Development program (designated the 8(a) Business Development or “8(a) BD” program for purposes of the regulations in this part). The purpose of the 8(a) BD program is to assist eligible small disadvantaged business concerns compete in the American economy through business development.

§ 124.2 What length of time may a business participate in the 8(a) BD program?

A Participant receives a program term of nine years from the date of SBA’s approval letter certifying the concern’s admission to the program. The Participant must maintain its program eligibility during its tenure in the program and must inform SBA of any changes that would adversely affect its program eligibility. A firm that completes its nine year term of participation in the 8(a) BD program is deemed to graduate from the program. The nine year program term may be shortened only by termination, early graduation or voluntary graduation as provided for in this subpart.

§ 124.3 What definitions are important in the 8(a) BD program?

Alaska Native means a citizen of the United States who is a person of one-fourth degree or more Alaskan Indian (including Tsimshian Indians not enrolled in the Metlaktla Indian Community), Eskimo, or Aleut blood, or a combination of those bloodlines. The term includes, in the absence of proof of a minimum blood quantum, any citizen whom a Native village or Native group regards as an Alaska Native if their father or mother is regarded as an Alaska Native.

Alaska Native Corporation or ANC means any Regional Corporation, Village Corporation, Urban Corporation, or Group Corporation organized under the laws of the State of Alaska in accordance with the Alaska Native Claims Settlement Act, as amended (43 U.S.C. 1601, *et seq.*)

Bona fide place of business, for purposes of 8(a) construction procurements, means a location where a Participant regularly maintains an office which employs at least one full-time individual within the appropriate geographical boundary. The term does not include construction trailers or other temporary construction sites.

Community Development Corporation or CDC means a nonprofit organization responsible to residents of the area it serves which has received financial assistance under 42 U.S.C. 9805, *et seq.*

Concern is defined in part 121 of this title.

Days means calendar days unless otherwise specified.

Day-to-day operations of a firm means the marketing, production, sales, and administrative functions of the firm.

Immediate family member means father, mother, husband, wife, son, daughter, brother, sister, grandfather, grandmother, grandson, granddaughter, father-in-law, and mother-in-law.

Indian tribe means any Indian tribe, band, nation, or other organized group or community of Indians, including any ANC, which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians, or is recognized as such by the State in which the tribe, band, nation,

group, or community resides. *See* definition of “tribally-owned concern.”

Native Hawaiian means any individual whose ancestors were natives, prior to 1778, of the area which now comprises the State of Hawaii.

Native Hawaiian Organization means any community service organization serving Native Hawaiians in the State of Hawaii which is a not-for-profit organization chartered by the State of Hawaii, is controlled by Native Hawaiians, and whose business activities will principally benefit such Native Hawaiians.

Negative control is defined in part 121 of this title.

Non-disadvantaged individual means any individual who does not claim disadvantaged status, does not qualify as disadvantaged, or upon whose disadvantaged status an applicant or Participant does not rely in qualifying for 8(a) BD program participation.

Participant means a small business concern admitted to participate in the 8(a) BD program.

Primary industry classification means the four digit Standard Industrial Classification (SIC) code designation which best describes the primary business activity of the 8(a) BD applicant or Participant. The SIC code designations are described in the Standard Industrial Classification Manual published by the U.S. Office of Management and Budget.

Principal place of business means the business location where the individuals who manage the concern’s day-to-day operations spend most working hours and where top management’s business records are kept. If the offices from which management is directed and where the business records are kept are in different locations, SBA will determine the principal place of business for program purposes.

Program year means a 12-month period of an 8(a) BD Participant’s program participation. The first program year begins on the date that the concern is certified to participate in the 8(a) BD program and ends one year later. Each subsequent program year begins on the Participant’s anniversary of program certification and runs for one 12-month period.

Same or similar line of business means business activities within the same

two-digit “Major Group” of the SIC Manual as the primary industry classification of the applicant or Participant. The phrase “same business area” is synonymous with this definition.

Self-marketing of a requirement occurs when a Participant identifies a requirement that has not been committed to the 8(a) BD program and, through its marketing efforts, causes the procuring activity to offer that specific requirement to the 8(a) BD program on the Participant’s behalf. A firm which identifies and markets a requirement which is subsequently offered to the 8(a) BD program as an open requirement or on behalf of another Participant has not “self-marketed” the requirement within the meaning of this part.

Tribally-owned concern means any concern at least 51 percent owned by an Indian tribe as defined in this section.

Unconditional ownership means ownership that is not subject to conditions precedent, conditions subsequent, executory agreements, voting trusts, restrictions on or assignments of voting rights, or other arrangements causing or potentially causing ownership benefits to go to another (other than after death or incapacity). The pledge or encumbrance of stock or other ownership interest as collateral, including seller-financed transactions, does not affect the unconditional nature of ownership if the terms follow normal commercial practices and the owner retains control absent violations of the terms.

ELIGIBILITY REQUIREMENTS FOR PARTICIPATION IN THE 8(a) BUSINESS DEVELOPMENT PROGRAM

§ 124.101 What are the basic requirements a concern must meet for the 8(a) BD program?

Generally, a concern meets the basic requirements for admission to the 8(a) BD program if it is a small business which is unconditionally owned and controlled by one or more socially and economically disadvantaged individuals who are of good character and citizens of the United States, and which demonstrates potential for success.

§ 124.102 What size business is eligible to participate in the 8(a) BD program?

(a) An applicant concern must qualify as a small business concern as defined in part 121 of this title. The applicable size standard is the one for its primary industry classification. The rules for calculating the size of a tribally-owned concern, a concern owned by an Alaska Native Corporation, a concern owned by a Native Hawaiian Organization, or a concern owned by a Community Development Corporation are additionally affected by §§ 124.109, 124.110, and 124.111, respectively.

(b) If 8(a) BD program officials determine that a concern may not qualify as small, they may deny an application for 8(a) BD program admission or may request a formal size determination under part 121 of this title.

(c) A concern whose application is denied due to size by 8(a) BD program officials may request a formal size determination under part 121 of this title. A favorable determination will enable the firm to immediately submit a new 8(a) BD application without waiting one year.

§ 124.103 Who is socially disadvantaged?

(a) *General.* Socially disadvantaged individuals are those who have been subjected to racial or ethnic prejudice or cultural bias within American society because of their identities as members of groups and without regard to their individual qualities. The social disadvantage must stem from circumstances beyond their control.

(b) *Members of designated groups.* (1) There is a rebuttable presumption that the following individuals are socially disadvantaged: Black Americans; Hispanic Americans; Native Americans (American Indians, Eskimos, Aleuts, or Native Hawaiians); Asian Pacific Americans (persons with origins from Burma, Thailand, Malaysia, Indonesia, Singapore, Brunei, Japan, China (including Hong Kong), Taiwan, Laos, Cambodia (Kampuchea), Vietnam, Korea, The Philippines, U.S. Trust Territory of the Pacific Islands (Republic of Palau), Republic of the Marshall Islands, Federated States of Micronesia, the Commonwealth of the Northern

Mariana Islands, Guam, Samoa, Macao, Fiji, Tonga, Kiribati, Tuvalu, or Nauru); Subcontinent Asian Americans (persons with origins from India, Pakistan, Bangladesh, Sri Lanka, Bhutan, the Maldives Islands or Nepal); and members of other groups designated from time to time by SBA according to procedures set forth at paragraph (d) of this section. Being born in a country does not, by itself, suffice to make the birth country an individual's country of origin for purposes of being included within a designated group.

(2) An individual must demonstrate that he or she has held himself or herself out, and is currently identified by others, as a member of a designated group if SBA requires it.

(3) The presumption of social disadvantage may be overcome with credible evidence to the contrary. Individuals possessing or knowing of such evidence should submit the information in writing to the Associate Administrator for 8(a) BD (AA/8(a)BD) for consideration.

(c) *Individuals not members of designated groups.* (1) An individual who is not a member of one of the groups presumed to be socially disadvantaged in paragraph (b)(1) of this section must establish individual social disadvantage by a preponderance of the evidence.

(2) Evidence of individual social disadvantage must include the following elements:

(i) At least one objective distinguishing feature that has contributed to social disadvantage, such as race, ethnic origin, gender, physical handicap, long-term residence in an environment isolated from the mainstream of American society, or other similar causes not common to individuals who are not socially disadvantaged;

(ii) Personal experiences of substantial and chronic social disadvantage in American society, not in other countries; and

(iii) Negative impact on entry into or advancement in the business world because of the disadvantage. SBA will consider any relevant evidence in assessing this element. In every case, however, SBA will consider education, employment and business history, where applicable, to see if the totality

of circumstances shows disadvantage in entering into or advancing in the business world.

(A) *Education.* SBA considers such factors as denial of equal access to institutions of higher education, exclusion from social and professional association with students or teachers, denial of educational honors rightfully earned, and social patterns or pressures which discouraged the individual from pursuing a professional or business education.

(B) *Employment.* SBA considers such factors as unequal treatment in hiring, promotions and other aspects of professional advancement, pay and fringe benefits, and other terms and conditions of employment; retaliatory or discriminatory behavior by an employer; and social patterns or pressures which have channelled the individual into nonprofessional or non-business fields.

(C) *Business history.* SBA considers such factors as unequal access to credit or capital, acquisition of credit or capital under commercially unfavorable circumstances, unequal treatment in opportunities for government contracts or other work, unequal treatment by potential customers and business associates, and exclusion from business or professional organizations.

(d) *Socially disadvantaged group inclusion*—(1) *General.* Representatives of an identifiable group whose members believe that the group has suffered chronic racial or ethnic prejudice or cultural bias may petition SBA to be included as a presumptively socially disadvantaged group under paragraph (b)(1) of this section. Upon presentation of substantial evidence that members of the group have been subjected to racial or ethnic prejudice or cultural bias because of their identity as group members and without regard to their individual qualities, SBA will publish a notice in the FEDERAL REGISTER that it has received and is considering such a request, and that it will consider public comments.

(2) *Standards to be applied.* In determining whether a group has made an adequate showing that it has suffered chronic racial or ethnic prejudice or cultural bias for the purposes of this section, SBA must determine that:

(i) The group has suffered prejudice, bias, or discriminatory practices;

(ii) Those conditions have resulted in economic deprivation for the group of the type which Congress has found exists for the groups named in the Small Business Act; and

(iii) Those conditions have produced impediments in the business world for members of the group over which they have no control and which are not common to small business owners generally.

(3) *Procedure.* The notice published under paragraph (d)(1) of this section will authorize a specified period for the receipt of public comments supporting or opposing the petition for socially disadvantaged group status. If appropriate, SBA may hold hearings. SBA may also conduct its own research relative to the group's petition.

(4) *Decision.* In making a final decision that a group should be considered presumptively disadvantaged, SBA must find that a preponderance of the evidence demonstrates that the group has met the standards set forth in paragraph (d)(2) of this section based on SBA's consideration of the group petition, the comments from the public, and any independent research it performs. SBA will advise the petitioners of its final decision in writing, and publish its conclusion as a notice in the FEDERAL REGISTER. If appropriate, SBA will amend paragraph (b)(1) of this section to include a new group.

§ 124.104 Who is economically disadvantaged?

(a) *General.* Economically disadvantaged individuals are socially disadvantaged individuals whose ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities as compared to others in the same or similar line of business who are not socially disadvantaged.

(b) *Submission of narrative and financial information.* (1) Each individual claiming economic disadvantage must describe it in a narrative statement, and must submit personal financial information.

(2) When married, an individual claiming economic disadvantage also

must submit separate financial information for his or her spouse, unless the individual and the spouse are legally separated.

(c) *Factors to be considered.* In considering diminished capital and credit opportunities, SBA will examine factors relating to the personal financial condition of any individual claiming disadvantaged status, including personal income for the past two years (including bonuses and the value of company stock given in lieu of cash), personal net worth, and the fair market value of all assets, whether encumbered or not. SBA will also consider the financial condition of the applicant compared to the financial profiles of small businesses in the same primary industry classification, or, if not available, in similar lines of business, which are not owned and controlled by socially and economically disadvantaged individuals in evaluating the individual's access to credit and capital. The financial profiles that SBA compares include total assets, net sales, pre tax profit, sales/working capital ratio, and net worth.

(1) *Transfers within two years.* (i) Except as set forth in paragraph (c)(1)(ii) of this section, SBA will attribute to an individual claiming disadvantaged status any assets which that individual has transferred to an immediate family member, or to a trust a beneficiary of which is an immediate family member, for less than fair market value, within two years prior to a concern's application for participation in the 8(a) BD program or within two years of a Participant's annual program review, unless the individual claiming disadvantaged status can demonstrate that the transfer is to or on behalf of an immediate family member for that individual's education, medical expenses, or some other form of essential support.

(ii) SBA will not attribute to an individual claiming disadvantaged status any assets transferred by that individual to an immediate family member that are consistent with the customary recognition of special occasions, such as birthdays, graduations, anniversaries, and retirements.

(iii) In determining an individual's access to capital and credit, SBA may consider any assets that the individual

transferred within such two-year period described by paragraph (c)(1)(i) of this section that SBA does not consider in evaluating the individual's assets and net worth (e.g., transfers to charities).

(2) *Net worth.* For initial 8(a) BD eligibility, the net worth of an individual claiming disadvantage must be less than \$250,000. For continued 8(a) BD eligibility after admission to the program, net worth must be less than \$750,000. In determining such net worth, SBA will exclude the ownership interest in the applicant or Participant and the equity in the primary personal residence (except any portion of such equity which is attributable to excessive withdrawals from the applicant or Participant). Exclusions for net worth purposes are not exclusions for asset valuation or access to capital and credit purposes.

(i) A contingent liability does not reduce an individual's net worth.

(ii) The personal net worth of an individual claiming to be an Alaska Native will include assets and income from sources other than an Alaska Native Corporation and exclude any of the following which the individual receives from any Alaska Native Corporation: cash (including cash dividends on stock received from an ANC) to the extent that it does not, in the aggregate, exceed \$2,000 per individual per annum; stock (including stock issued or distributed by an ANC as a dividend or distribution on stock); a partnership interest; land or an interest in land (including land or an interest in land received from an ANC as a dividend or distribution on stock); and an interest in a settlement trust.

§ 124.105 What does it mean to be unconditionally owned by one or more disadvantaged individuals?

An applicant or Participant must be at least 51 percent unconditionally and directly owned by one or more socially and economically disadvantaged individuals who are citizens of the United States, except for concerns owned by Indian tribes, Alaska Native Corporations, Native Hawaiian Organizations, or Community Development Corporations (CDCs). See § 124.3 for definition of unconditional ownership; and §§ 124.109,

124.110, and 124.111, respectively, for special ownership requirements for concerns owned by Indian tribes, ANCs, Native Hawaiian Organizations, and CDCs.

(a) *Ownership must be direct.* Ownership by one or more disadvantaged individuals must be direct ownership. An applicant or Participant owned principally by another business entity or by a trust (including employee stock ownership trusts) that is in turn owned and controlled by one or more disadvantaged individuals does not meet this requirement. However, ownership by a trust, such as a living trust, may be treated as the functional equivalent of ownership by a disadvantaged individual where the trust is revocable, and the disadvantaged individual is the grantor, a trustee, and the sole current beneficiary of the trust.

(b) *Ownership of a partnership.* In the case of a concern which is a partnership, at least 51 percent of every class of partnership interest must be unconditionally owned by one or more individuals determined by SBA to be socially and economically disadvantaged. The ownership must be reflected in the concern's partnership agreement.

(c) *Ownership of a limited liability company.* In the case of a concern which is a limited liability company, at least 51 percent of each class of member interest must be unconditionally owned by one or more individuals determined by SBA to be socially and economically disadvantaged.

(d) *Ownership of a corporation.* In the case of a concern which is a corporation, at least 51 percent of each class of voting stock outstanding and 51 percent of the aggregate of all stock outstanding must be unconditionally owned by one or more individuals determined by SBA to be socially and economically disadvantaged.

(e) *Stock options' effect on ownership.* In determining unconditional ownership, SBA will disregard any unexercised stock options or similar agreements held by disadvantaged individuals. However, any unexercised stock options or similar agreements (including rights to convert non-voting stock or debentures into voting stock) held by non-disadvantaged individuals will be treated as exercised, except for

any ownership interests which are held by investment companies licensed under the Small Business Investment Act of 1958.

(f) *Dividends and distributions.* One or more disadvantaged individuals must be entitled to receive:

(1) At least 51 percent of the annual distribution of dividends paid on the stock of a corporate applicant concern;

(2) 100 percent of the value of each share of stock owned by them in the event that the stock is sold; and

(3) At least 51 percent of the retained earnings of the concern and 100 percent of the unencumbered value of each share of stock owned in the event of dissolution of the corporation.

(g) *Ownership of another Participant.* The individuals determined to be disadvantaged for purposes of one Participant, their immediate family members, and the Participant itself, may not hold, in the aggregate, more than a 20 percent equity ownership interest in any other single Participant.

(h) *Ownership restrictions for non-disadvantaged individuals and concerns.* (1) A non-disadvantaged individual (in the aggregate with all immediate family members) or a non-Participant concern that is a general partner or stockholder with at least a 10 percent ownership interest in one Participant may not own more than a 10 percent interest in another Participant that is in the developmental stage or more than a 20 percent interest in another Participant in the transitional stage of the program. This restriction does not apply to financial institutions licensed or chartered by Federal, state or local government, including investment companies which are licensed under the Small Business Investment Act of 1958.

(2) A non-Participant concern in the same or similar line of business may not own more than a 10 percent interest in a Participant that is in the developmental stage or more than a 20 percent interest in a Participant in a transitional stage of the program, except that a former Participant or a principal of a former Participant (except those that have been terminated from 8(a) BD program participation pursuant to §§124.303 and 124.304) may have an equity ownership interest of up to 20 percent in a current Participant

in the developmental stage of the program or up to 30 percent in a transitional stage Participant, in the same or similar line of business.

(i) *Change of ownership.* A Participant may change its ownership or business structure so long as one or more disadvantaged individuals own and control it after the change and SBA approves the transaction in writing prior to the change. The decision to approve or deny a Participant's request for a change in ownership or business structure will be made and communicated to the firm by the AA/8(a)BD. The decision of the AA/8(a)BD is the final decision of the Agency. The AA/8(a)BD will issue a decision within 60 days from receipt of a request containing all necessary documentation, or as soon thereafter as possible. If 60 days lapse without a decision from SBA, the Participant cannot presume that it can complete the change without written approval from SBA. A decision to deny a request for change of ownership or business structure may be grounds for program termination where the change is made nevertheless.

(1) Any Participant that was awarded one or more 8(a) contracts may substitute one disadvantaged individual for another disadvantaged individual without requiring the termination of those contracts or a request for waiver under §124.515, as long as it receives SBA's approval prior to the change.

(2) Where the previous owner held less than a 10 percent interest in the concern, or the transfer results from the death or incapacity due to a serious, long-term illness or injury of a disadvantaged principal, prior approval is not required, but the concern must notify SBA within 60 days.

(3) Continued participation of the Participant with new ownership and the award of any new 8(a) contracts requires SBA's determination that all eligibility requirements are met by the concern and the new owners.

(4) Where a Participant requests a change of ownership or business structure, and proceeds with the change prior to receiving SBA approval (or where a change of ownership results from the death or incapacity of a disadvantaged individual for which a request prior to the change in ownership

could not occur), SBA will suspend the Participant from program benefits pending resolution of the request. If the change is approved, the length of the suspension will be restored to the Participant's program term in the case of death or incapacity, or if the firm requested prior approval and waited 60 days for SBA approval.

(5) A change in ownership does not provide the new owner(s) with a new 8(a) BD program term. For example, if a concern has been in the 8(a) BD program for five years when a change in ownership occurs, the new owner will have four years remaining until program graduation.

(j) *Public offering.* A Participant's request for SBA's approval for the issuance of a public offering will be treated as a request for a change of ownership. Such request will cause SBA to examine the concern's continued need for access to the business development resources of the 8(a) BD program.

(k) *Community property laws given effect.* In determining ownership interests when an owner resides in any of the community property states or territories of the United States (Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Puerto Rico, Texas, Washington and Wisconsin), SBA considers applicable state community property laws. If only one spouse claims disadvantaged status, that spouse's ownership interest will be considered unconditionally held only to the extent it is vested by the community property laws. A transfer or relinquishment of interest by the non-disadvantaged spouse may be necessary in some cases to establish eligibility.

§ 124.106 When do disadvantaged individuals control an applicant or Participant?

Control is not the same as ownership, although both may reside in the same person. SBA regards control as including both the strategic policy setting exercised by boards of directors and the day-to-day management and administration of business operations. An applicant or Participant's management and daily business operations must be conducted by one or more disadvantaged individuals, except for concerns

owned by Indian tribes, ANCs, Native Hawaiian Organizations, or Community Development Corporations (CDCs). (See §§124.109, 124.110, and 124.111, respectively, for the requirements for concerns owned by Indian tribes or ANCs, for concerns owned by Native Hawaiian Organizations, and for CDC-owned concerns.) Disadvantaged individuals managing the concern must have managerial experience of the extent and complexity needed to run the concern. A disadvantaged individual need not have the technical expertise or possess a required license to be found to control an applicant or Participant if he or she can demonstrate that he or she has ultimate managerial and supervisory control over those who possess the required licenses or technical expertise. However, where a critical license is held by a non-disadvantaged individual having an equity interest in the applicant or Participant firm, the non-disadvantaged individual may be found to control the firm.

(a)(1) An applicant or Participant must be managed on a full-time basis by one or more disadvantaged individuals who possess requisite management capabilities.

(2) A disadvantaged full-time manager must hold the highest officer position (usually President or Chief Executive Officer) in the applicant or Participant.

(3) One or more disadvantaged individuals who manage the applicant or Participant must devote full-time to the business during the normal working hours of firms in the same or similar line of business. Work in a wholly-owned subsidiary of the applicant or participant may be considered to meet the requirement of full-time devotion. This applies only to a subsidiary owned by the 8(a) firm, and not to firms in which the disadvantaged individual has an ownership interest.

(4) Any disadvantaged manager who wishes to engage in outside employment must notify SBA of the nature and anticipated duration of the outside employment and obtain the prior written approval of SBA. SBA will deny a request for outside employment which could conflict with the management of the firm or could hinder it in achieving

the objectives of its business development plan.

(5) Except as provided in paragraph (d)(1) of this section, a disadvantaged owner's unexercised right to cause a change in the control or management of the applicant concern does not in itself constitute disadvantaged control and management, regardless of how quickly or easily the right could be exercised.

(b) In the case of a partnership, one or more disadvantaged individuals must serve as general partners, with control over all partnership decisions. A partnership in which no disadvantaged individual is a general partner will be ineligible for participation.

(c) In the case of a limited liability company, one or more disadvantaged individuals must serve as management members, with control over all decisions of the limited liability company.

(d) One or more disadvantaged individuals must control the Board of Directors of a corporate applicant or Participant.

(1) SBA will deem disadvantaged individuals to control the Board of Directors where:

(i) A single disadvantaged individual owns 100% of all voting stock of an applicant or Participant concern;

(ii) A single disadvantaged individual owns at least 51% of all voting stock of an applicant or Participant concern, the individual is on the Board of Directors and no super majority voting requirements exist for shareholders to approve corporation actions. Where super majority voting requirements are provided for in the concern's articles of incorporation, its by-laws, or by state law, the disadvantaged individual must own at least the percent of the voting stock needed to overcome any such super majority voting requirements; or

(iii) More than one disadvantaged shareholder seeks to qualify the concern (i.e., no one individual owns 51%), each such individual is on the Board of Directors, together they own at least 51% of all voting stock of the concern, no super majority voting requirements exist, and the disadvantaged shareholders can demonstrate that they have made enforceable arrangements to permit one of them to vote the stock of all as a block without a shareholder

meeting. Where the concern has super majority voting requirements, the disadvantaged shareholders must own at least that percentage of voting stock needed to overcome any such super majority ownership requirements.

(2) Where an applicant or Participant does not meet the requirements set forth in paragraph (d)(1) of this section, the disadvantaged individual(s) upon whom eligibility is based must control the Board of Directors through actual numbers of voting directors or, where permitted by state law, through weighted voting (e.g., in a concern having a two-person Board of Directors where one individual on the Board is disadvantaged and one is not, the disadvantaged vote must be weighted—worth more than one vote—in order for the concern to be eligible for 8(a) participation). Where a concern seeks to comply with this paragraph:

(i) Provisions for the establishment of a quorum cannot permit non-disadvantaged Directors to control the Board of Directors, directly or indirectly;

(ii) Any Executive Committee of Directors must be controlled by disadvantaged directors unless the Executive Committee can only make recommendations to and cannot independently exercise the authority of the Board of Directors.

(3) An applicant must inform SBA of any super majority voting requirements provided for in its articles of incorporation, its by-laws, by state law, or otherwise. Similarly, after being admitted to the program, a Participant must inform SBA of changes regarding super majority voting requirements.

(4) Non-voting, advisory, or honorary Directors may be appointed without affecting disadvantaged individuals' control of the Board of Directors.

(5) Arrangements regarding the structure and voting rights of the Board of Directors must comply with applicable state law.

(e) Non-disadvantaged individuals may be involved in the management of an applicant or Participant, and may be stockholders, partners, limited liability members, officers, and/or directors of the applicant or Participant. However, no such non-disadvantaged

individual or immediate family member may:

(1) Exercise actual control or have the power to control the applicant or Participant;

(2) Be a former employer or a principal of a former employer of any disadvantaged owner of the applicant or Participant, unless it is determined by the AA/8(a)BD that the relationship between the former employer or principal and the disadvantaged individual or applicant concern does not give the former employer actual control or the potential to control the applicant or Participant and such relationship is in the best interests of the 8(a) BD firm; or

(3) Receive compensation from the applicant or Participant in any form as directors, officers or employees, including dividends, that exceeds the compensation to be received by the highest officer (usually CEO or President). The highest ranking officer may elect to take a lower salary than a non-disadvantaged individual only upon demonstrating that it helps the applicant or Participant. In the case of a Participant, the Participant must also obtain the prior written consent of the AA/8(a)BD or designee before changing the compensation paid to the highest ranking officer to be below that paid to a non-disadvantaged individual.

(f) Non-disadvantaged individuals who transfer majority stock ownership or control of the firm to an immediate family member within two years prior to the application and remain involved in the firm as a stockholder, officer, director, or key employee of the firm are presumed to control the firm. The presumption may be rebutted by showing that the transferee has independent management experience necessary to control the operation of the firm.

(g) Non-disadvantaged individuals or entities may be found to control or have the power to control in any of the following circumstances, which are illustrative only and not all inclusive:

(1) In circumstances where an applicant or Participant seeks to establish disadvantaged control of the Board of Directors through paragraph (d)(2) of this section, non-disadvantaged individuals control the Board of Directors of the applicant or Participant, either

directly through majority voting membership, or indirectly, where the by-laws allow non-disadvantaged individuals effectively to prevent a quorum or block actions proposed by the disadvantaged individuals.

(2) A non-disadvantaged individual or entity, having an equity interest in the applicant or participant, provides critical financial or bonding support or a critical license to the applicant or Participant which directly or indirectly allows the non-disadvantaged individual significantly to influence business decisions of the Participant.

(3) A non-disadvantaged individual or entity controls the applicant or Participant or an individual disadvantaged owner through loan arrangements. Providing a loan guaranty on commercially reasonable terms does not, by itself, give a non-disadvantaged individual or entity the power to control a firm.

(4) Business relationships exist with non-disadvantaged individuals or entities which cause such dependence that the applicant or Participant cannot exercise independent business judgment without great economic risk.

§ 124.107 What is potential for success?

The applicant concern must possess reasonable prospects for success in competing in the private sector if admitted to the 8(a) BD program. To do so, it must be in business in its primary industry classification for at least two full years immediately prior to the date of its 8(a) BD application, unless a waiver for this requirement is granted pursuant to paragraph (b) of this section.

(a) Income tax returns for each of the two previous tax years must show operating revenues in the primary industry in which the applicant is seeking 8(a) BD certification.

(b)(1) SBA may waive the two years in business requirement if each of the following five conditions are met:

(i) The individual or individuals upon whom eligibility is based have substantial business management experience;

(ii) The applicant has demonstrated technical experience to carry out its business plan with a substantial likelihood for success if admitted to the 8(a) BD program;

(iii) The applicant has adequate capital to sustain its operations and carry out its business plan as a Participant;

(iv) The applicant has a record of successful performance on contracts from governmental or nongovernmental sources in its primary industry category; and

(v) The applicant has, or can demonstrate its ability to timely obtain, the personnel, facilities, equipment, and any other requirements needed to perform contracts as a Participant.

(2) The concern seeking a waiver under paragraph (b) must provide information on governmental and nongovernmental contracts in progress and completed (including letters of reference) in order to establish successful contract performance, and must demonstrate how it otherwise meets the five conditions for waiver. SBA considers an applicant's performance on both government and private sector contracts in determining whether the firm has an overall successful performance record. If, however, the applicant has performed only government contracts or only private sector contracts, SBA will review its performance on those contracts alone to determine whether the applicant possesses a record of successful performance.

(c) In assessing potential for success, SBA considers the concern's access to credit and capital, including, but not limited to, access to long-term financing, access to working capital financing, equipment trade credit, access to raw materials and supplier trade credit, and bonding capability.

(d) In assessing potential for success, SBA will also consider the technical and managerial experience of the applicant concern's managers, the operating history of the concern, the concern's record of performance on previous Federal and private sector contracts in the primary industry in which the concern is seeking 8(a) BD certification, and its financial capacity. The applicant concern as a whole must demonstrate both technical knowledge in its primary industry category and management experience sufficient to run its day-to-day operations.

(e) The Participant or individuals employed by the Participant must hold all requisite licenses if the concern is

engaged in an industry requiring professional licensing (e.g., public accountancy, law, professional engineering).

(f) An applicant will not be denied admission into the 8(a) BD program due solely to a determination that potential 8(a) contract opportunities are unavailable to assist in the development of the concern unless:

(1) The Government has not previously procured and is unlikely to procure the types of products or services offered by the concern; or

(2) The purchase of such products or services by the Federal Government will not be in quantities sufficient to support the developmental needs of the applicant and other Participants providing the same or similar items or services.

§ 124.108 What other eligibility requirements apply for individuals or businesses?

(a) *Good character.* The applicant or Participant and all its principals must have good character.

(1) If, during the processing of an application, adverse information is obtained from the applicant or a credible source regarding possible criminal conduct by the applicant or any of its principals, no further action will be taken on the application until SBA's Inspector General has collected relevant information and has advised the AA/8(a)BD of his or her findings. The AA/8(a)BD will consider those findings when evaluating the application.

(2) Violations of any of SBA's regulations may result in denial of participation in the 8(a) BD program. The AA/8(a)BD will consider the nature and severity of the violation in making an eligibility determination.

(3) Debarred or suspended concerns or concerns owned by debarred or suspended persons are ineligible for admission to the 8(a) BD program.

(4) An applicant is ineligible for admission to the 8(a) BD program if the applicant concern or a proprietor, partner, limited liability member, director, officer, or holder of at least 10 percent of its stock, or another person (including key employees) with significant authority over the concern:

(i) Lacks business integrity as demonstrated by information related to an indictment or guilty plea, conviction, civil judgment, or settlement; or

(ii) Is currently incarcerated, or on parole or probation pursuant to a pre-trial diversion or following conviction for a felony or any crime involving business integrity.

(5) If, during the processing of an application, SBA determines that an applicant has knowingly submitted false information, regardless of whether correct information would cause SBA to deny the application, and regardless of whether correct information was given to SBA in accompanying documents, SBA will deny the application. If, after admission to the program, SBA discovers that false information has been knowingly submitted by a firm, SBA will initiate termination proceedings and suspend the firm under §§ 124.304 and 124.305. Whenever SBA determines that the applicant submitted false information, the matter will be referred to SBA's Office of Inspector General for review.

(b) *One-time eligibility.* Once a concern or disadvantaged individual upon whom eligibility was based has participated in the 8(a) BD program, neither the concern nor that individual will be eligible again.

(1) An individual who claims disadvantage and completes the appropriate SBA forms to qualify an applicant has participated in the 8(a) BD program if SBA approves the application.

(2) Use of eligibility will take effect on the date of the concern's approval for admission into the program.

(3) An individual who uses his or her one-time eligibility to qualify a concern for the 8(a) BD program will be considered a non-disadvantaged individual for ownership or control purposes of another applicant or Participant. The criteria restricting participation by non-disadvantaged individuals will apply to such an individual. See §§ 124.105 and 124.106.

(4) When at least 50% of the assets of a concern are the same as those of a former Participant, the concern will not be eligible for entry into the program.

(5) Participants which change their form of business organization and transfer their assets and liabilities to the new organization may do so without affecting the eligibility of the new organization provided the previous business is dissolved and all other eligibility criteria are met. In such a case, the new organization may complete the remaining program term of the previous organization. A request for a change in business form will be treated as a change of ownership under § 124.105(i).

(c) *Wholesalers.* An applicant concern seeking admission to the 8(a) BD program as a wholesaler need not demonstrate that it is capable of meeting the requirements of the nonmanufacturer rule for its primary industry classification.

(d) *Brokers.* Brokers are ineligible to participate in the 8(a) BD program. A broker is a concern that adds no material value to an item being supplied to a procuring activity or which does not take ownership or possession of or handle the item being procured with its own equipment or facilities.

(e) *Federal financial obligations.* Neither a firm nor any of its principals that fails to pay significant financial obligations owed to the Federal Government, including unresolved tax liens and defaults on Federal loans or other Federally assisted financing, is eligible for admission to or participation in the 8(a) BD program.

(f) *Achievement of benchmarks.* Where actual participation by disadvantaged businesses in a particular SIC Major Group exceeds the benchmark limitations established by the Department of Commerce, SBA, in its discretion, may decide not to accept an application for 8(a) BD participation from a concern whose primary industry classification falls within that Major Group.

§ 124.109 Do Indian tribes and Alaska Native Corporations have any special rules for applying to the 8(a) BD program?

(a) *Special rules for ANCs.* Small business concerns owned and controlled by ANCs are eligible for participation in the 8(a) program and must meet the eligibility criteria set forth in § 124.112

to the extent the criteria are not inconsistent with this section. ANC-owned concerns are subject to the same conditions that apply to tribally-owned concerns, as described in paragraphs (b) and (c) of this section, except that the following provisions and exceptions apply only to ANC-owned concerns:

(1) Alaska Natives and descendants of Natives must own a majority of both the total equity of the ANC and the total voting powers to elect directors of the ANC through their holdings of settlement common stock. Settlement common stock means stock of an ANC issued pursuant to 43 U.S.C. 1606(g)(1), which is subject to the rights and restrictions listed in 43 U.S.C. 1606(h)(1).

(2) An ANC that meets the requirements set forth in paragraph (a)(1) of this section is deemed economically disadvantaged under 43 U.S.C. 1626(e), and need not establish economic disadvantage as required by paragraph (b)(2) of this section.

(3) Even though an ANC can be either for profit or non-profit, a small business concern owned and controlled by an ANC must be for profit to be eligible for the 8(a) program. The concern will be deemed owned and controlled by the ANC where both the majority of stock or other ownership interest and total voting power are held by the ANC and holders of its settlement common stock.

(4) The Alaska Native Claims Settlement Act provides that a concern which is majority owned by an ANC shall be deemed to be both owned and controlled by Alaska Natives and an economically disadvantaged business. Therefore, an individual responsible for control and management of an ANC-owned applicant or Participant need not establish personal social and economic disadvantage.

(5) Paragraphs (b)(3)(i), (ii) and (iv) of this section are not applicable to an ANC, provided its status as an ANC is clearly shown in its articles of incorporation.

(6) Paragraph (c)(1) of this section is not applicable to an ANC-owned concern to the extent it requires an express waiver of sovereign immunity or a “sue and be sued” clause.

(b) *Tribal eligibility.* In order to qualify a concern which it owns and controls for participation in the 8(a) BD program, an Indian tribe must establish its own economic disadvantaged status under paragraph (b)(2) of this section. Thereafter, it need not reestablish such status in order to have other businesses that it owns certified for 8(a) BD program participation, unless specifically required to do so by the AA/8(a)BD or designee. Each tribally-owned concern seeking to be certified for 8(a) BD participation must comply with the provisions of paragraph (c) of this section.

(1) *Social disadvantage.* An Indian tribe as defined in §124.3 is considered to be socially disadvantaged.

(2) *Economic disadvantage.* In order to be eligible to participate in the 8(a) BD program, the Indian tribe must demonstrate to SBA that the tribe itself is economically disadvantaged. This must involve the consideration of available data showing the tribe's economic condition, including but not limited to, the following information:

- (i) The number of tribal members.
- (ii) The present tribal unemployment rate.
- (iii) The per capita income of tribal members, excluding judgment awards.
- (iv) The percentage of the local Indian population below the poverty level.
- (v) The tribe's access to capital.
- (vi) The tribal assets as disclosed in a current tribal financial statement. The statement must list all assets including those which are encumbered or held in trust, but the status of those encumbered or in trust must be clearly delineated.
- (vii) A list of all wholly or partially owned tribal enterprises or affiliates and the primary industry classification of each. The list must also specify the members of the tribe who manage or control such enterprises by serving as officers or directors.

(3) *Forms and documents required to be submitted.* Except as otherwise provided in this section, the Indian tribe generally must submit the forms and documents required of 8(a) BD applicants as well as the following material:

(i) A copy of all governing documents such as the tribe's constitution or business charter.

(ii) Evidence of its recognition as a tribe eligible for the special programs and services provided by the United States or by its state of residence.

(iii) Copies of its articles of incorporation and bylaws as filed with the organizing or chartering authority, or similar documents needed to establish and govern a non-corporate legal entity.

(iv) Documents or materials needed to show the tribe's economically disadvantaged status as described in paragraph (b)(2) of this section.

(c) *Business eligibility.* In order to be eligible to participate in the 8(a) BD program, a concern which is owned by an eligible Indian tribe (or wholly owned business entities of such tribe) must meet the conditions set forth in paragraphs (c)(1) through (c)(7) of this section.

(1) *Legal business entity organized for profit and susceptible to suit.* The applicant or participating concern must be a separate and distinct legal entity organized or chartered by the tribe, or Federal or state authorities. The concern's articles of incorporation, partnership agreement or limited liability company articles of organization must contain express sovereign immunity waiver language, or a "sue and be sued" clause which designates United States Federal Courts to be among the courts of competent jurisdiction for all matters relating to SBA's programs including, but not limited to, 8(a) BD program participation, loans, and contract performance. Also, the concern must be organized for profit, and the tribe must possess economic development powers in the tribe's governing documents.

(2) *Size.* (i) A tribally-owned applicant concern must qualify as a small business concern as defined for purposes of Federal Government procurement in part 121 of this title. The particular size standard to be applied is based on the primary industry classification of the applicant concern.

(ii) A tribally-owned Participant must certify to SBA that it is a small business pursuant to the provisions of part 121 of this title for the purpose of

performing each individual contract which it is awarded.

(iii) In determining the size of a small business concern owned by a socially and economically disadvantaged Indian tribe (or a wholly owned business entity of such tribe) for either 8(a) BD program entry or contract award, the firm's size shall be determined independently without regard to its affiliation with the tribe, any entity of the tribal government, or any other business enterprise owned by the tribe, unless the Administrator determines that one or more such tribally-owned business concerns have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

(3) *Ownership.* (i) For corporate entities, a tribe must own at least 51 percent of the voting stock and at least 51 percent of the aggregate of all classes of stock. For non-corporate entities, a tribe must own at least a 51 percent interest.

(ii) A tribe cannot own 51% or more of another firm which, either at the time of application or within the previous two years, has been operating in the 8(a) program under the same primary SIC code as the applicant. A tribe may, however, own a Participant or an applicant that conducts or will conduct secondary business in the 8(a) BD program under the same SIC code that a current Participant owned by the tribe operates in the 8(a) BD program as its primary SIC code.

(iii) The restrictions of § 124.105(h) do not apply to tribes; they do, however, apply to non disadvantaged individuals or other business concerns that are partial owners of a tribally-owned concern.

(4) *Control and management.* (i) The management and daily business operations of a tribally-owned concern must be controlled by the tribe, through one or more disadvantaged individual members who possess sufficient management experience of an extent and complexity needed to run the concern, or through management as follows:

(A) Management may be provided by committees, teams, or Boards of Directors which are controlled by one or

more members of an economically disadvantaged tribe, or

(B) Management may be provided by non-tribal members if SBA determines that such management is required to assist the concern's development, that the tribe will retain control of all management decisions common to boards of directors, including strategic planning, budget approval, and the employment and compensation of officers, and that a written management development plan exists which shows how disadvantaged tribal members will develop managerial skills sufficient to manage the concern or similar tribally-owned concerns in the future.

(ii) Members of the management team, business committee members, officers, and directors are precluded from engaging in any outside employment or other business interests which conflict with the management of the concern or prevent the concern from achieving the objectives set forth in its business development plan. This is not intended to preclude participation in tribal or other activities which do not interfere with such individual's responsibilities in the operation of the applicant concern.

(5) *Individual eligibility limitation.* SBA does not deem an individual involved in the management or daily business operations of a tribally-owned concern to have used his or her individual eligibility within the meaning of § 124.108(b).

(6) *Potential for success.* (i) A tribally-owned applicant concern must be in business for at least two years, as evidenced by income tax returns for each of the two previous tax years showing operating revenues in the primary industry in which the applicant is seeking 8(a) BD certification, or demonstrate potential for success as set forth in paragraph (c)(6)(ii) of this section.

(ii) In determining whether a tribally-owned concern has the potential for success, SBA will look at a number of factors including, but not limited to:

(A) The technical and managerial experience and competency of the individual(s) who will manage and control the daily operation of the concern;

(B) The financial capacity of the concern; and

(C) The concern's record of performance on any previous Federal or private sector contracts in the primary industry in which the concern is seeking 8(a) certification.

(7) *Other eligibility criteria.* (i) As with other 8(a) applicants, a tribally-owned applicant concern shall not be denied admission into the 8(a) program due solely to a determination that specific contract opportunities are unavailable to assist the development of the concern unless:

(A) The Government has not previously procured and is unlikely to procure the types of products or services offered by the concern; or

(B) The purchase of such products or services by the Federal Government will not be in quantities sufficient to support the developmental needs of the applicant and other program participants providing the same or similar items or services.

(ii) Except for the tribe itself, the concern's officers, directors, and all shareholders owning an interest of 20% or more must demonstrate good character. See § 124.108(a).

§ 124.110 Do Native Hawaiian Organizations have any special rules for applying to the 8(a) BD program?

(a) Concerns owned by economically disadvantaged Native Hawaiian Organizations, as defined in § 124.3, are eligible for participation in the 8(a) program and other federal programs requiring SBA to determine social and economic disadvantage as a condition of eligibility. Such concerns must meet all eligibility criteria set forth in §§ 124.101 through 124.108 and § 124.112 to the extent that they are not inconsistent with this section.

(b) A concern owned by a Native Hawaiian Organization must qualify as a small business concern as defined in part 121 of this title. The size standard corresponding to the primary industry classification of the applicant concern applies for determining size. SBA will determine the concern's size independently, without regard to its affiliation with the Native Hawaiian Organization or any other business enterprise owned by the Native Hawaiian Organization, unless the Administrator determines that one or more such concerns owned

by the Native Hawaiian Organization have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

(c) A Native Hawaiian Organization cannot own 51% or more of another firm which, either at the time of application or within the previous two years, has been operating in the 8(a) program under the same primary SIC code as the applicant. A Native Hawaiian Organization may, however, own a Participant or an applicant that conducts or will conduct secondary business in the 8(a) BD program under the same SIC code that a current Participant owned by the Native Hawaiian Organization operates in the 8(a) BD program as its primary SIC code.

(d) SBA does not deem an individual involved in the management or daily business operations of a Participant owned by a Native Hawaiian Organization to have used his or her individual eligibility within the meaning of § 124.108(b).

(e)(1) An applicant concern owned by a Native Hawaiian Organization must be in business for at least two years, as evidenced by income tax returns for each of the two previous tax years showing operating revenues in the primary industry in which the applicant is seeking 8(a) BD certification, or demonstrate potential for success as set forth in paragraph (e)(2) of this section.

(2) In determining whether a concern owned by a Native Hawaiian Organization has the potential for success, SBA will look at a number of factors including, but not limited to:

(i) The technical and managerial experience and competence of the individual(s) who will manage and control the daily operation of the concern.

(ii) The financial capacity of the concern; and

(iii) The concern's record of performance on any previous Federal or private sector contracts in the primary industry in which the concern is seeking 8(a) certification.

§ 124.111 Do Community Development Corporations (CDCs) have any special rules for applying to the 8(a) BD program?

(a) Concerns owned at least 51 percent by CDCs (or a wholly owned business entity of a CDC) are eligible for participation in the 8(a) BD program and other federal programs requiring SBA to determine social and economic disadvantage as a condition of eligibility. These concerns must meet all eligibility criteria set forth in § 124.101 through § 124.108 and § 124.112 to the extent that they are not inconsistent with this section.

(b) A concern that is at least 51 percent owned by a CDC (or a wholly owned business entity of a CDC) is considered to be controlled by such CDC and eligible for participation in the 8(a) BD program, provided it meets all eligibility criteria set forth or referred to in this section and its management and daily business operations are conducted by one or more individuals determined to have managerial experience of an extent and complexity needed to run the concern.

(c) A concern that is at least 51 percent owned by a CDC (or a wholly owned business entity of a CDC) must qualify as a small business concern as defined in part 121 of this title. The size standard corresponding to the primary industry classification of the applicant concern applies for determining size. SBA will determine the concern's size independently, without regard to its affiliation with the CDC or any other business enterprise owned by the CDC, unless the Administrator determines that one or more such concerns owned by the CDC have obtained, or are likely to obtain, a substantial unfair competitive advantage within an industry category.

(d) A CDC cannot own 51% or more of another firm which, either at the time of application or within the previous two years, has been operating in the 8(a) program under the same primary SIC code as the applicant. A CDC may, however, own a Participant or an applicant that conducts or will conduct secondary business in the 8(a) BD program under the same SIC code that a current Participant owned by the CDC operates

in the 8(a) BD program as its primary SIC code.

(e) SBA does not deem an individual involved in the management or daily business operations of a CDC-owned concern to have used his or her individual eligibility within the meaning of § 124.108(b).

(f)(1) A CDC-owned applicant concern must be in business for at least two years, as evidenced by income tax returns for each of the two previous tax years showing operating revenues in the primary industry in which the applicant is seeking 8(a) BD certification, or demonstrate potential for success as set forth in paragraph (e)(2) of this section.

(2) In determining whether a CDC-owned concern has the potential for success, SBA will look at a number of factors including, but not limited to:

(i) The technical and managerial experience and competence of the individual(s) who will manage and control the daily operation of the concern;

(ii) The financial capacity of the concern; and

(iii) The concern's record of performance on any previous Federal or private sector contracts in the primary industry in which the concern is seeking 8(a) certification.

(g) A CDC-owned applicant and all of its principals must have good character as set forth in § 124.108(a).

§ 124.112 What criteria must a business meet to remain eligible to participate in the 8(a) BD program?

(a) *Standards.* In order for a concern (except those owned by Indian tribes, ANCs, Native Hawaiian Organizations or CDCs) to remain eligible for 8(a) BD program participation, it must continue to meet all eligibility criteria contained in § 124.101 through § 124.108. For concerns owned by Indian tribes, ANCs, Native Hawaiian Organizations or CDCs to remain eligible, they must meet the criteria set forth in this § 124.112 to the extent that they are not inconsistent with § 124.109, § 124.110 and § 124.111, respectively. The concern must inform SBA in writing of any changes in circumstances which would adversely affect its program eligibility, especially economic disadvantage and ownership and control. Any concern

that fails to meet the eligibility requirements after being admitted to the program will be subject to termination or early graduation under §§ 124.302 through 124.304, as appropriate.

(b) *Submissions supporting continued eligibility.* As part of an annual review, each Participant must annually submit to the servicing district office the following:

(1) A certification that it meets the 8(a) BD program eligibility requirements as set forth in § 124.101 through § 124.108 and paragraph (a) of this section;

(2) A certification that there have been no changed circumstances which could adversely affect the Participant's program eligibility. If the Participant is unable to provide such certification, the Participant must inform SBA of any changes and provide relevant supporting documentation.

(3) Personal financial information for each disadvantaged owner;

(4) A record from each individual claiming disadvantaged status regarding the transfer of assets for less than fair market value to any immediate family member, or to a trust any beneficiary of which is an immediate family member, within two years of the date of the annual review. The record must provide the name of the recipient(s) and family relationship, and the difference between the fair market value of the asset transferred and the value received by the disadvantaged individual.

(5) A record of all payments, compensation, and distributions (including loans, advances, salaries and dividends) made by the Participant to each of its owners, officers or directors, or to any person or entity affiliated with such individuals;

(6) If it is an approved protege, a narrative report detailing the contacts it has had with its mentor and benefits it has received from the mentor/protege relationship. See § 124.520(b)(4) for additional annual requirements;

(7) IRS Form 4506, Request for Copy or Transcript of Tax Form; and

(8) Such other information as SBA may deem necessary. For other required annual submissions, see §§ 124.601 through 124.603.

(c) *Eligibility reviews.* (1) Upon receipt of specific and credible information alleging that a Participant no longer meets the eligibility requirements for continued program eligibility, SBA will review the concern's eligibility for continued participation in the program.

(2) Sufficient reasons for SBA to conclude that a socially disadvantaged individual is no longer economically disadvantaged include, but are not limited to, excessive withdrawals of funds or other assets withdrawn from the concern by its owners, or substantial personal assets, income or net worth of any disadvantaged owner. SBA may also consider access by the Participant firm to a significant new source of capital or loans since the financial condition of the Participant is considered in evaluating the disadvantaged individual's economic status.

(d) *Excessive withdrawals.* (1) The term withdrawal includes, but is not limited to, the following: officer's salary; cash dividends; distributions in excess of amounts needed to pay S Corporation taxes; cash and property withdrawals; bonuses; loans; advances; payments to immediate family members; investments on behalf of an owner, officer, or key employee; acquisition of a business not merged with the 8(a) Participant; charitable contributions; and speculative ventures.

(2) If SBA determines that excessive funds or other assets have been withdrawn from the Participant, SBA may:

(i) Initiate termination proceedings under §§ 124.303 and 124.304 where the withdrawals detrimentally affect the achievement of the Participant's targets, objectives and goals set forth in its business plan, or its overall business development;

(ii) Initiate early graduation proceedings under §§ 124.302 and 124.303 where the withdrawals do not adversely affect the Participant's business development; or

(iii) Require an appropriate reinvestment of funds or other assets, as well as any other actions SBA deems necessary to counteract the detrimental effects of the withdrawals, as a condition of the Participant maintaining program eligibility.

(3) Withdrawals are excessive if during any fiscal year of the Participant they exceed (i) \$150,000 for firms with sales up to \$1,000,000; (ii) \$200,000 for firms with sales between \$1,000,000 and \$2,000,000; and (iii) \$300,000 for firms with sales over \$2,000,000.

(4) The fact that a concern's net worth has increased despite withdrawals that are deemed excessive will not preclude SBA from determining that such withdrawals were detrimental to the attainment of the concern's business objectives or to its overall business development.

APPLYING TO THE 8(a) BD PROGRAM

§ 124.201 May any business submit an application?

Any concern or any individual on behalf of a business has the right to apply for 8(a) BD program participation whether or not there is an appearance of eligibility.

§ 124.202 Where must an application be filed?

An application for 8(a) BD program admission must be filed in the SBA Division of Program Certification and Eligibility (DPCE) field office serving the territory in which the principal place of business is located. The SBA district office will provide an applicant concern with information regarding the 8(a) BD program and with all required application forms.

§ 124.203 What must a concern submit to apply to the 8(a) BD program?

Each 8(a) BD applicant concern must submit those forms and attachments required by SBA when applying for admission to the 8(a) BD program. These forms and attachments will include, but not be limited to, financial statements, Federal personal and business tax returns, and personal history statements. An applicant must also submit IRS Form 4506, Request for Copy or Transcript of Tax Form, to SBA. The application package may be in the form of an electronic application.

§ 124.204 How does SBA process applications for 8(a) BD program admission?

(a) The AA/8(a)BD is authorized to approve or decline applications for ad-

mission to the 8(a) BD program. The appropriate DPCE field office will receive, review and evaluate all 8(a) BD applications except those from ANC-owned applicants. SBA's Anchorage District Office will receive all applications from ANC-owned applicants and review them for completeness before sending them to the AA/8(a)BD for further processing. The appropriate field office will advise each program applicant within 15 days after the receipt of an application whether the application is complete and suitable for evaluation and, if not, what additional information or clarification is required to complete the application. SBA will process an application for 8(a) BD program participation within 90 days of receipt of a complete application package by the DPCE field office. Incomplete application packages will not be processed.

(b) SBA, in its sole discretion, may request clarification of information contained in the application at any time in the application process. SBA will take into account any clarifications made by an applicant in response to a request for such by SBA.

(c) An applicant concern's eligibility will be based on circumstances existing on the date of application, except where clarification is made pursuant to paragraph (b) of this section or as provided in paragraph (d) of this section.

(d) Changed circumstances for an applicant concern occurring subsequent to its application and which adversely affect eligibility will be considered and may constitute grounds for decline. The applicant must inform SBA of any changed circumstances that could adversely affect its eligibility for the program (particularly economic disadvantage and ownership and control) during its application review. Failure to inform SBA of any such changed circumstances constitutes good cause for which SBA may terminate the Participant if non-compliance is discovered after admittance.

(e) The decision of the AA/8(a)BD to approve or deny an application will be in writing. A decision to deny admission will state the specific reasons for denial, and will inform the applicant of any appeal rights.

(f) If the AA/8(a)BD approves the application, the date of the approval letter is the date of program certification for purposes of determining the concern's program term.

§ 124.205 Can an applicant ask SBA to reconsider SBA's initial decision to decline its application?

(a) An applicant may request the AA/8(a)BD to reconsider his or her initial decline decision by filing a request for reconsideration with the SBA field office that originally processed its application. Filing means submission by personal delivery, first-class mail, express mail, facsimile transmission followed by first-class mail, or commercial delivery service. The applicant must submit its request for reconsideration within 45 days of receiving notice that its application was declined. The applicant must provide any additional information and documentation pertinent to overcoming the reason(s) for the initial decline.

(b) The AA/8(a)BD will issue a written decision within 45 days of the regional DPCE's receipt of the applicant's request. The AA/8(a)BD may either approve the application, deny it on the same grounds as the original decision, or deny it on other grounds. If denied, the AA/8(a)BD will explain why the applicant is not eligible for admission to the 8(a) BD program and give specific reasons for the decline.

(c) If the AA/8(a)BD declines the application solely on issues not raised in the initial decline, the applicant can ask for reconsideration as if it were an initial decline.

§ 124.206 What appeal rights are available to an applicant that has been denied admission?

(a) An applicant may appeal a denial of program admission to SBA's Office of Hearings and Appeals (OHA), if it is based solely on a negative finding of social disadvantage, economic disadvantage, ownership, control, or any combination of these four criteria. A denial decision that is based at least in part on the failure to meet any other eligibility criterion is not appealable and is the final decision of SBA.

(b) The applicant may appeal an initial decision of the AA/8(a)BD without

requesting reconsideration, or may appeal the decision of the AA/8(a)BD on reconsideration.

(c) The applicant may initiate an appeal by filing a petition in accordance with part 134 of this chapter with OHA within 45 days after the applicant receives the Agency decision.

(d) If an appeal is filed with OHA, the written decision of the Administrative Law Judge is the final Agency decision. If an appealable decision is not appealed, the decision of the AA/8(a)BD is the final Agency decision.

[63 FR 35739, June 30, 1998, as amended at 67 FR 47246, July 18, 2002]

§ 124.207 Can an applicant reapply for admission to the 8(a) BD program?

A concern which has been declined for 8(a) BD program admission may submit a new application for admission to the program 12 months after the date of the final Agency decision to decline.

EXITING THE 8(a) BD PROGRAM

§ 124.301 What are the ways a business may leave the 8(a) BD program?

A concern participating in the 8(a) BD program may leave the program by any of the following means:

(a) Graduation upon the expiration of the program term established pursuant to § 124.2;

(b) Voluntary early graduation;

(c) Early graduation pursuant to the provisions of §§ 124.302 and 124.304; or

(d) Termination pursuant to the provisions of §§ 124.303 and 124.304.

§ 124.302 What is early graduation?

(a) *General.* SBA may graduate a firm from the 8(a) BD program prior to the expiration of its Program Term where SBA determines that:

(1) The concern has successfully completed the 8(a) BD program by substantially achieving the targets, objectives, and goals set forth in its business plan prior to the expiration of its program term, and has demonstrated the ability to compete in the marketplace without assistance under the 8(a) BD program; or

(2) One or more of the disadvantaged owners upon whom the Participant's

eligibility is based are no longer economically disadvantaged.

(b) *Criteria for determining whether a Participant has met its goals and objectives.* In determining whether a Participant has substantially achieved the targets, objectives and goals of its business plan and in assessing the overall competitive strength and viability of a Participant, SBA considers the totality of circumstances, including the following factors:

- (1) Degree of sustained profitability;
- (2) Sales trends, including improved ratio of non-8(a) sales to 8(a) sales since program entry;
- (3) Business net worth, financial ratios, working capital, capitalization, and access to credit and capital;
- (4) Current ability to obtain bonding;
- (5) A comparison of the Participant's business and financial profiles with profiles of non-8(a) BD businesses having the same primary four-digit SIC code as the Participant;
- (6) Strength of management experience, capability, and expertise; and
- (7) Ability to operate successfully without 8(a) contracts.

(c) *Excessive withdrawals.* SBA may graduate a Participant prior to the expiration of its program term where excessive funds or other assets have been withdrawn from the Participant (see §124.112(d)(3)), causing SBA to determine that the Participant has demonstrated the ability to compete in the marketplace without assistance under the 8(a) BD program.

(d) *Benchmark achievement.* SBA may graduate a Participant prior to the expiration of its program term where the Participant has substantially achieved the targets, objectives and goals of its business plan as adjusted under §124.403(d) and its primary industry classification falls within a SIC Major Group in which the benchmarks described in §124.403(d) have been achieved.

[63 FR 35739, 35772, June 30, 1998]

§ 124.303 What is termination?

(a) SBA may terminate the participation of a concern in the 8(a) BD program prior to the expiration of the concern's Program Term for good cause. Examples of good cause include, but are not limited to, the following:

(1) Submission of false information in the concern's 8(a) BD application, regardless of whether correct information would have caused the concern to be denied admission to the program, and regardless of whether correct information was given to SBA in accompanying documents or by other means.

(2) Failure by the concern to maintain its eligibility for program participation.

(3) Failure by the concern for any reason, including the death of an individual upon whom eligibility was based, to maintain ownership, full-time day-to-day management, and control by disadvantaged individuals.

(4) Failure by the concern to obtain prior written approval from SBA for any changes in ownership or business structure, management or control pursuant to §§ 124.105 and 124.106.

(5) Failure by the concern to disclose to SBA the extent to which non-disadvantaged persons or firms participate in the management of the Participant business concern.

(6) Failure by the concern or one or more of the concern's principals to maintain good character.

(7) A pattern of failure to make required submissions or responses to SBA in a timely manner, including a failure to provide required financial statements, requested tax returns, reports, updated business plans, information requested by SBA's Office of Inspector General, or other requested information or data within 30 days of the date of request.

(8) Cessation of business operations by the concern.

(9) Failure by the concern to pursue competitive and commercial business in accordance with its business plan, or failure in other ways to make reasonable efforts to develop and achieve competitive viability.

(10) A pattern of inadequate performance by the concern of awarded section 8(a) contracts.

(11) Failure by the concern to pay or repay significant financial obligations owed to the Federal Government.

(12) Failure by the concern to obtain and keep current any and all required permits, licenses, and charters, including suspension or revocation of any

professional license required to operate the business.

(13) Excessive withdrawals, including transfers of funds or other business assets, from the concern for the personal benefit of any of its owners or any person or entity affiliated with the owners that hinder the development of the concern (see § 124.112(d)).

(14) Unauthorized use of SBA direct or guaranteed loan proceeds or violation of an SBA loan agreement.

(15) Submission by or on behalf of a Participant of false information to SBA, including false certification of compliance with non-8(a) business activity targets under § 124.507 or failure to report changes that adversely affect the program eligibility of an applicant or program participant under § 124.204 and § 124.112, where responsible officials of the 8(a) BD Participant knew or should have known the submission to be false.

(16) Debarment, suspension, voluntary exclusion, or ineligibility of the concern or its principals pursuant to part 145 of this title or FAR subpart 9.4 (48 CFR part 9, subpart 9.4).

(17) Conduct by the concern, or any of its principals, indicating a lack of business integrity. Such conduct may be demonstrated by information related to a criminal indictment or guilty plea, a criminal conviction, or a judgment or settlement in a civil case.

(18) Willful failure by the Participant business concern to comply with applicable labor standards and obligations.

(19) Material breach of any terms and conditions of the 8(a) BD Program Participation Agreement.

(20) Willful violation by a concern, or any of its principals, of any SBA regulation pertaining to material issues.

(b) The examples of good cause listed in paragraph (a) of this section are intended to be illustrative only. Other grounds for terminating a Participant from the 8(a) BD program for cause may exist and may be used by SBA.

§ 124.304 What are the procedures for early graduation and termination?

(a) *General.* The same procedures apply to both early graduation and termination of Participants from the 8(a) BD program.

(b) *Letter of Intent to Terminate or Graduate Early.* When SBA believes that a Participant should be terminated or graduated prior to the expiration of its program term, SBA will notify the concern in writing. The Letter of Intent to Terminate or Graduate Early will set forth the specific facts and reasons for SBA's findings, and will notify the concern that it has 30 days from the date it receives the letter to submit a written response to SBA explaining why the proposed ground(s) should not justify termination or early graduation.

(c) *Recommendation and decision.* Following the 30-day response period, the Assistant Administrator for DPCE (AA/DPCE) or designee will consider the proposed early graduation or termination and any information submitted in response by the concern. Upon determining that early graduation or termination is not warranted, the AA/DPCE or designee will notify the Participant in writing. If early graduation or termination appears warranted, the AA/DPCE will make such a recommendation to the AA/8(a)BD, who will then make a decision whether to early graduate or terminate the concern. SBA will act in a timely manner in processing early graduation and termination actions.

(d) *Notice requirements.* Upon deciding that early graduation or termination is warranted, the AA/8(a)BD will issue a Notice of Early Graduation or Termination. The Notice will set forth the specific facts and reasons for the decision, and will advise the concern that it may appeal the decision in accordance with the provisions of part 134 of this title.

(e) *Appeal to OHA.* Procedures governing appeals of early graduation or termination to SBA's OHA are set forth in part 134. If a Participant does not appeal a Notification of Early Graduation or Termination within 45 days after the Participant receives the Notification, the decision of the AA/8(a)BD is the final agency decision effective on the date the appeal right expired.

(f) *Effect of early graduation or termination.* After the effective date of early graduation or termination, a Participant is no longer eligible to receive any

8(a) BD program assistance. However, such concern is obligated to complete previously awarded 8(a) contracts, including any priced options which may be exercised.

[63 FR 35739, June 30, 1998, as amended at 67 FR 47246, July 18, 2002]

§ 124.305 What is suspension and how is a Participant suspended from the 8(a) BD program?

(a) At any time after SBA issues a Letter of Intent to Terminate pursuant to § 124.304, the AA/8(a)BD may suspend 8(a) contract support and all other forms of 8(a) BD program assistance to that concern until the issue of the concern's termination from the program is finally decided. The AA/8(a)BD may suspend a Participant when he or she determines that suspension is needed to protect the interests of the Federal Government, such as where information showing a clear lack of program eligibility or conduct indicating a lack of business integrity exists, including where the concern or one of its principals submitted false statements to the Federal Government. SBA will suspend a Participant where SBA determines that the Participant submitted false information in its 8(a) BD application.

(b) SBA will issue a Notice of Suspension to the Participant's last known address by certified mail, return receipt requested. Suspension is effective as of the date of the issuance of the Notice. The Notice will provide the following information:

- (1) The basis for the suspension;
- (2) A statement that the suspension will continue pending the completion of further investigation, a final program termination determination, or some other specified period of time;
- (3) A statement that awards of competitive and non-competitive 8(a) contracts, including those which have been "self-marketed" by a Participant, will not be made during the pendency of the suspension unless it is determined by the head of the relevant procuring agency or an authorized representative to be in the best interest of the Government to do so, and SBA adopts that determination;

(4) A statement that the concern is obligated to complete previously awarded section 8(a) contracts;

(5) A statement that the suspension is effective nationally throughout SBA;

(6) A statement that a request for a hearing on the suspension will be considered by an Administrative Law Judge at OHA, and granted or denied as a matter of discretion.

(7) A statement that the firm's participation in the program is suspended effective on the date the Notice is served, and that the program term will resume only if the suspension is lifted or the firm is not terminated.

(c) The Participant may appeal a Notice of Suspension by filing a petition in accordance with part 134 of this chapter with OHA within 45 days after the concern receives the Notice of Suspension pursuant to paragraph (b) of this section. It is contemplated that in most cases a hearing on the issue of the suspension will be afforded if the Participant requests one, but authority to grant a hearing is within the discretion of the Administrative Law Judge in OHA. A suspension remains in effect pending the result of its appeal.

(d) SBA has the burden of showing that adequate evidence exists that protection of the Federal Government's interest requires suspension before OHA or the AA/8(a)BD makes a final determination regarding the termination action.

(1) The term "adequate evidence" means information contained in the record before the AA/8(a)BD at the time of his or her suspension decision that is sufficient to support the reasonable belief that the Government's interests need to be protected.

(2) SBA need not demonstrate that an act or omission actually occurred in order for OHA to uphold a suspension. SBA's burden in a suspension proceeding is limited to demonstrating that it had a reasonable belief that a particular act or omission occurred, and that that act or omission requires suspension to protect the interests of the Government.

(3) Unless the Administrative Law Judge consolidates the suspension and termination proceedings, OHA's review is limited to determining whether the

Government's interests need to be protected, and will not consider the merits of the termination action.

(e) If there is a timely appeal, the decision of the Administrative Law Judge is the final SBA decision. If there is not a timely appeal, the decision of the AA/8(a)BD is the final Agency decision.

(f) Upon the request of SBA, OHA may consolidate suspension and termination proceedings when the issues presented are identical.

(g) Any program suspension which occurs under this section is effective until such time as SBA lifts the suspension or the Participant's participation in the program is fully terminated. If the concern is ultimately not terminated from the 8(a) BD program, the suspension will be lifted and the length of the suspension will be added to the concern's program term.

(h) SBA may suspend a Participant from program benefits where a change of ownership or business structure has been requested if ownership or control of the participant changed prior to SBA's approval pending resolution of the request to change its ownership or control. If the change of ownership is approved, the length of the suspension will be added to the firm's program term where the change in ownership results from the death or incapacity of a disadvantaged individual or where the firm requested prior approval and waited 60 days for SBA approval before making the change. The suspension will be commenced by the issuance of a notice similar to that required for termination-related suspensions under paragraph (b) of this section, except that a change of ownership suspension is not appealable.

(i) SBA does not recognize the concept of de facto suspension. Adding time to the end of a Participant's program term equal to the length of a suspension will occur only where a concern's program participation has been formally suspended in accordance with the procedures set forth in this section.

(j) A suspension from 8(a) BD participation under this section has no effect on a concern's eligibility for non-8(a) Federal Government contracts. However, a debarment or suspension under the Federal Acquisition Regulation (48 CFR, chapter 1) will disqualify a con-

cern from receiving all Federal Government contracts, including 8(a) contracts.

BUSINESS DEVELOPMENT

§ 124.401 Which SBA field office services a Participant?

The SBA district office which serves the geographical territory where a Participant's principal place of business is located normally will service the concern during its participation in the 8(a) BD program.

§ 124.402 How does a Participant develop a business plan?

(a) *General.* In order to assist the SBA servicing office in determining the business development needs of its portfolio Participants, each Participant must develop a comprehensive business plan setting forth its business targets, objectives, and goals.

(b) *Submission of initial business plan.* Each Participant must submit a business plan to its SBA servicing office as soon as possible after program admission. The Participant will not be eligible for 8(a) BD program benefits, including 8(a) contracts, until SBA approves its business plan.

(c) *Contents of business plan.* The business plan must contain at least the following:

(1) A detailed description of any products currently being produced and any services currently being performed by the concern, as well as any future plans to enter into one or more new markets;

(2) The applicant's designation of its primary industry classification, as defined in § 124.3;

(3) An analysis of market potential, competitive environment, and the concern's prospects for profitable operations during and after its participation in the 8(a) BD program;

(4) An analysis of the concern's strengths and weaknesses, with particular attention on ways to correct any financial, managerial, technical, or work force conditions which could impede the concern from receiving and performing non-8(a) contracts;

(5) Specific targets, objectives, and goals for the business development of the concern during the next two years;

(6) Estimates of both 8(a) and non-8(a) contract awards that will be needed to meet its targets, objectives and goals; and

(7) Such other information as SBA may require.

§ 124.403 How is a business plan updated and modified?

(a) *Annual review.* Each Participant must annually review its business plan with its assigned Business Opportunity Specialist (BOS), and modify the plan as appropriate. The Participant must submit a modified plan and updated information to its BOS within thirty (30) days after the close of each program year. It also must submit a capability statement describing its current contract performance capabilities as part of its updated business plan.

(b) *Contract forecast.* As part of the annual review of its business plan, each Participant must annually forecast in writing its needs for contract awards for the next program year. The forecast must include:

(1) The aggregate dollar value of 8(a) contracts to be sought, broken down by sole source and competitive opportunities where possible;

(2) The aggregate dollar value of non-8(a) contracts to be sought;

(3) The types of contract opportunities to be sought, identified by product or service; and

(4) Such other information as SBA may request to aid in providing effective business development assistance to the Participant.

(c) *Transition management strategy.* Beginning in the first year of the transitional stage of program participation, each Participant must annually submit a transition management strategy to be incorporated into its business plan. The transition management strategy must describe:

(1) How the Participant intends to meet the applicable non-8(a) business activity target imposed by § 124.507 during the transitional stage of participation; and

(2) The specific steps the Participant intends to take to continue its business growth and promote profitable business

operations after the expiration of its program term.

(d) *Benchmark achievement.* Where actual participation by disadvantaged businesses in a particular SIC Major Group exceeds the benchmark limitations established by the Department of Commerce for that Major Group, SBA may adjust the targets, objectives and goals contained in the business plans of Participants whose primary industry classification falls within that Major Group. Any adjustment will take into account projected decreases in 8(a) and SDB contracting opportunities.

[63 FR 35739, 35772, June 30, 1998]

§ 124.404 What business development assistance is available to Participants during the two stages of participation in the 8(a) BD program?

(a) *General.* Participation in the 8(a) BD program is divided into two stages, a developmental stage and a transitional stage. The developmental stage will last four years, and the transitional stage will last five years, unless the concern has exited the program by one of the means set forth in § 124.301 prior to the expiration of its program term.

(b) *Developmental stage of program participation.* A Participant, if otherwise eligible, may receive the following assistance during the developmental stage of program participation:

(1) Sole source and competitive 8(a) contract support;

(2) Financial assistance pursuant to § 120.375 of this title;

(3) The transfer of technology or surplus property owned by the United States pursuant to § 124.405; and

(4) Training to aid in developing business principles and strategies to enhance their ability to compete successfully for both 8(a) and non-8(a) contracts.

(c) *Transitional stage of program participation.* A Participant, if otherwise eligible, may receive the following assistance during the transitional stage of program participation:

(1) The same assistance as that provided to Participants in the developmental stage;

(2) Assistance from procuring agencies (in cooperation with SBA) in forming joint ventures, leader-follower arrangements, and teaming agreements between the concern and other Participants or other business concerns with respect to contracting opportunities outside the 8(a) BD program for research, development, or full scale engineering or production of major systems (these arrangements must comply with all relevant statutes and regulations, including applicable size standard requirements); and

(3) Training and technical assistance in transitional business planning.

§124.405 How does a Participant obtain Federal Government surplus property?

(a) *General.* (1) Pursuant to 15 U.S.C. 636(j)(13)(F), eligible Participants may receive surplus Federal Government property from State Agencies for Surplus Property (SASPs). The procedures set forth in 41 CFR Part 101-44 and this section will be used to transfer surplus property to eligible Participants.

(2) The property which may be transferred to SASPs for further transfer to eligible Participants includes all personal property which has been determined to be "donable" as defined in 41 CFR 101-44.001-3.

(b) *Eligibility to receive Federal surplus property.* To be eligible to receive Federal surplus property, on the date of transfer a concern must:

(1) Be in the 8(a) BD program;

(2) Be in compliance with all program requirements, including any reporting requirements;

(3) Not be debarred, suspended, or declared ineligible under part 9, subpart 9.4 of the Federal Acquisition Regulations, Title 48 of the Code of Federal Regulations;

(4) Not be under a pending 8(a) BD program suspension, termination or early graduation proceeding; and

(5) Be engaged or expect to be engaged in business activities making the item useful to it.

(c) *Use of acquired surplus property.* (1) Eligible Participants may acquire surplus Federal property from any SASP located in any state, provided the concern represents and agrees in writing:

(i) As to what the intended use of the surplus property is to be and that this use is consistent with the objectives of the concern's 8(a) business plan;

(ii) That it will use the property to be acquired in the normal conduct of its business activities or be liable for the fair rental value from the date of its receipt;

(iii) That it will not sell or transfer the property to be acquired to any party other than the Federal Government during its term of participation in the 8(a) program and for one year after it leaves the program;

(iv) That, at its own expense, it will return the property to a SASP or transfer it to another Participant if directed to do so by SBA because it has not used the property as intended within one year of receipt;

(v) That, should it breach its agreement not to sell or transfer the property, it will be liable to the Government for the established fair market value or the sale price, whichever is greater, of the property sold or transferred; and

(vi) That it will give SBA access to inspect the property and all records pertaining to it.

(2) A firm receiving surplus property pursuant to this section assumes all liability associated with or stemming from the use of the property.

(3) If the property is not placed in use for the purposes for which it was intended within one year of its receipt, SBA may direct the concern to deliver the property to another Participant or to the SASP from which it was acquired.

(4) Failure to comply with any of the commitments made under paragraph (c)(1) of this section constitutes a basis for termination from the 8(a) program.

(d) *Procedures for acquiring Federal Government surplus property.* (1) Participants may participate in the surplus property distribution program administered by the SASPs to the same extent, but with no special priority over, other authorized transferees. See 41 CFR subpart 101-44.2.

(2) Each Participant seeking to acquire Federal Government surplus property from a SASP must:

(i) Certify in writing to the SASP that it is eligible to receive the property pursuant to paragraph (b) of this section;

(ii) Make the written representations and agreement required by paragraph (c)(1) of this section; and

(iii) Identify to the SASP its servicing SBA field office.

(3) Upon receipt of the required certification, representations, agreement, and information set forth in paragraph (d)(2) of this section, the SASP must contact the appropriate SBA field office and obtain SBA's verification that the concern seeking to acquire the surplus property is eligible, and that the identified use of the property is consistent with the concern's business activities. SASPs may not release property to a Participant without this verification.

(4) The SASP and the Participant must agree on and record the fair market value of the surplus property at the time of the transfer to the Participant. The SASP must provide to SBA a written record, including the agreed upon fair market value, of each transaction to a Participant when any property has been transferred.

(e) *Costs.* Participants acquiring surplus property from a SASP must pay a service fee to the SASP which is equal to the SASP's direct costs of locating, inspecting, and transporting the surplus property. If a Participant elects to incur the responsibility and the expense for transporting the acquired property, the concern may do so and no transportation costs will be charged by the SASP. In addition, the SASP may charge a reasonable fee to cover its costs of administering the program. In no instance will any SASP charge a Participant more for any service than their established fees charged to other transferees.

(f) *Title.* The title to surplus property acquired from a SASP will pass to the Participant when the Participant executes the applicable SASP distribution documents and takes possession of the property.

(g) *Compliance.* (1) SBA will periodically review whether Participants that have received surplus property have used and maintained the property as agreed. This review may include site

visits to visually inspect the property to ensure that it is being used in a manner consistent with the terms of its transfer.

(2) Participants must provide SBA with access to all relevant records upon request.

(3) Where SBA receives credible information that transferred surplus property may have been disposed of or otherwise used in a manner that is not consistent with the terms of the transfer, SBA may investigate such claim to determine its validity.

(4) SBA may take any action to correct any noncompliance involving the use of transferred property still in possession of the Participant or to enforce any terms, conditions, reservations, or restrictions imposed on the property by the distribution document. Actions to enforce compliance, or which may be taken as a result of noncompliance, include the following:

(i) Requiring that the property be placed in proper use within a specified time;

(ii) Requiring that the property be transferred to another Participant having a need and use for the property, returned to the SASP serving the area where the property is located for distribution to another eligible transferee or to another SASP, or transferred through GSA to another Federal agency;

(iii) Recovery of the fair rental value of the property from the date of its receipt by the Participant; and

(iv) Initiation of proceedings to terminate the Participant from the 8(a) BD program.

(5) Where SBA finds that a recipient has sold or otherwise disposed of the acquired surplus property in violation of the agreement covering sale and disposal, the Participant is liable for the agreed upon fair market value of the property at the time of the transfer, or the sale price, whichever is greater. However, a Participant need not repay any amount where it can demonstrate to SBA's satisfaction that the property is no longer useful for the purpose for which it was transferred and receives SBA's prior written consent to transfer the property. For example, if a piece of equipment breaks down beyond repair, it may be disposed of without being

subject to the repayment provision, so long as the concern receives SBA's prior consent.

(6) Any funds received by SBA in enforcement of this section will be remitted promptly to the Treasury of the United States as miscellaneous receipts.

CONTRACTUAL ASSISTANCE

§ 124.501 What general provisions apply to the award of 8(a) contracts?

(a) Pursuant to section 8(a) of the Small Business Act, SBA is authorized to enter into all types of contracts with other Federal agencies, including contracts to furnish equipment, supplies, services, leased real property, or materials to them or to perform construction work for them, and to contract the performance of these contracts to qualified Participants. Where practicable, simplified acquisition procedures should be used for 8(a) contracts at or below the simplified acquisition threshold. Where appropriate, SBA will delegate the contract execution function to procuring activities. In order to receive and retain a delegation of SBA's contract execution and review functions, a procuring activity must report all 8(a) contract awards, modifications, and options to SBA.

(b) 8(a) contracts may either be sole source awards or awards won through competition with other Participants.

(c) Admission into the 8(a) BD program does not guarantee that a Participant will receive 8(a) contracts.

(d) A requirement for possible award may be identified by SBA, a particular Participant or the procuring activity itself. SBA will submit the capability statements provided to SBA annually under § 124.403 to appropriate procuring activities for the purpose of matching requirements with Participants.

(e) Participants should market their capabilities to appropriate procuring activities to increase their prospects of receiving sole source 8(a) contracts.

(f) An 8(a) participant that identifies a requirement that appears suitable for award through the 8(a) BD program may request SBA to contact the procuring activity to request that the requirement be offered to the 8(a) BD program.

(g) A concern must be a current Participant in the 8(a) BD program at the time of award, except as provided in § 124.507(d).

(h) A Participant must certify that it is a small business under the size standard corresponding to the SIC code assigned to each 8(a) contract. 8(a) BD program personnel will verify size prior to award of an 8(a) contract. If the Participant is not verified as small, it may request a formal size determination from the appropriate General Contracting Area Office under part 121 of this title.

(i) Any person or entity that misrepresents its status as a "small business concern owned and controlled by socially and economically disadvantaged individuals" in order to obtain any 8(a) contracting opportunity will be subject to possible criminal, civil and administrative penalties, including those imposed by section 16(d) of the Small Business Act, 15 U.S.C. 645(d).

§ 124.502 How does an agency offer a procurement to SBA for award through the 8(a) BD program?

(a) A procuring activity contracting officer indicates his or her formal intent to award a procurement requirement as an 8(a) contract by submitting a written offering letter to SBA. The procuring activity may transmit the offering letter to SBA by electronic mail, if available, or by facsimile transmission, as well as by mail or commercial delivery service.

(b) Contracting officers must submit offering letters to the following locations:

(1) For competitive 8(a) requirements and those sole source requirements for which no specific Participant is nominated (i.e., open requirements) other than construction requirements, to the SBA district office serving the geographical area in which the procuring activity is located;

(2) For competitive and open construction requirements, to the SBA district office serving the geographical area in which the work is to be performed or, in the case of such contracts to be performed overseas, to the Office of 8(a) BD located in SBA Headquarters;

(3) For sole source requirements offered on behalf of a specific Participant, to the SBA district office servicing that concern.

(c) An offering letter must contain the following information:

(1) A description of the work to be performed;

(2) The estimated period of performance;

(3) The SIC code that applies to the principal nature of the acquisition;

(4) The anticipated dollar value of the requirement, including options, if any;

(5) Any special restrictions or geographical limitations on the requirement;

(6) The location of the work to be performed for construction procurements;

(7) Any special capabilities or disciplines needed for contract performance;

(8) The type of contract to be awarded, such as firm fixed price, cost reimbursement, or time and materials;

(9) The acquisition history, if any, of the requirement;

(10) The names and addresses of any small business contractors which have performed on this requirement during the previous 24 months;

(11) A statement that prior to the offering no solicitation for the specific acquisition has been issued as a small business set-aside, or as a small disadvantaged business set-aside if applicable, and that no other public communication (such as a notice in the Commerce Business Daily) has been made showing the procuring activity's clear intent to use any of these means of procurement;

(12) Identification of any specific Participant that the procuring activity contracting officer nominates for award of a sole source 8(a) contract, if appropriate, including a brief justification for the nomination, such as one of the following:

(i) The Participant, through its own efforts, marketed the requirement and caused it to be reserved for the 8(a) BD program; or

(ii) The acquisition is a follow-on or renewal contract and the nominated concern is the incumbent;

(13) Bonding requirements, if applicable;

(14) Identification of all Participants which have expressed an interest in being considered for the acquisition;

(15) Identification of all SBA field offices which have requested that the requirement be awarded through the 8(a) BD program;

(16) A request, if appropriate, that a requirement whose estimated contract value is under the applicable competitive threshold be awarded as an 8(a) competitive contract; and

(17) Any other information that the procuring activity deems relevant or which SBA requests.

§ 124.503 How does SBA accept a procurement for award through the 8(a) BD program?

(a) *Acceptance of the requirement.* Upon receipt of the procuring activity's offer of a procurement requirement, SBA will determine whether it will accept the requirement for the 8(a) BD program. SBA's decision whether to accept the requirement will be sent to the procuring activity in writing within 10 working days of receipt of the written offering letter if the contract is valued at more than the simplified acquisition threshold, and within two days of receipt of the offering letter if the contract is valued at or below the simplified acquisition threshold, unless SBA requests, and the procuring activity grants, an extension. SBA is not required to accept any particular procurement offered to the 8(a) BD program.

(1) Where SBA decides to accept an offering of a sole source 8(a) procurement, SBA will accept the offer both on behalf of the 8(a) BD program and in support of a specific Participant.

(2) Where SBA decides to accept an offering of a competitive 8(a) procurement, SBA will accept the offer on behalf of the 8(a) BD program.

(3) Where SBA has delegated its contract execution functions to a procuring activity, the procuring activity may assume that SBA accepts its offer for the 8(a) program if the procuring activity does not receive a reply to its offer within five days.

(4) In the case of procurement requirements valued at or below the Simplified Acquisition Procedures threshold:

(i) Where a procuring activity makes an offer to the 8(a) program on behalf of a specific Program Participant and does not receive a reply to its offer within two days, the procuring activity may assume the offer is accepted and proceed with award of an 8(a) contract;

(ii) Where SBA has delegated its 8(a) contract execution functions to an agency, SBA may authorize the procuring activity to award an 8(a) contract without requiring an offer and acceptance of the requirement for the 8(a) program. In such a case, the procuring activity must notify SBA of all 8(a) awards made under this authority.

(5) Where SBA does not respond to an offering letter within the normal 10-day time period, the procuring activity may seek SBA's acceptance through the AA/8(a)BD. The procuring activity may assume that SBA accepts its offer for the 8(a) program if it does not receive a reply from the AA/8(a)BD within 5 days of his or her receipt of the procuring activity request.

(b) *Verification of SIC code.* As part of the acceptance process, SBA will verify the appropriateness of the SIC code designation assigned to the requirement by the procuring activity contracting officer.

(1) SBA will accept the SIC code assigned to the requirement by the procuring activity contracting officer as long as it is reasonable, even though other SIC codes may also be reasonable.

(2) If SBA and the procuring activity are unable to agree as to the proper SIC code designation for the requirement, SBA may either refuse to accept the requirement for the 8(a) BD program, appeal the contracting officer's determination to the head of the agency pursuant to §124.505, or appeal the SIC code designation to OHA under part 134 of this title.

(c) *Sole source award where procuring activity nominates a specific Participant.* SBA will determine whether an appropriate match exists where the procuring activity identifies a particular Participant for a sole source award.

(1) Once SBA determines that a procurement is suitable to be accepted as an 8(a) sole source contract, SBA will normally accept it on behalf of the Participant recommended by the procuring activity, provided that:

(i) The procurement is consistent with the Participant's business plan;

(ii) The Participant complies with its applicable non-8(a) business activity target imposed by §124.509(d);

(iii) The Participant is small for the size standard corresponding to the SIC code assigned to the requirement by the procuring activity contracting officer; and

(iv) The Participant has submitted required financial statements to SBA.

(2) If an appropriate match exists, SBA will advise the procuring activity whether SBA will participate in contract negotiations or whether SBA will authorize the procuring activity to negotiate directly with the identified Participant. Where SBA has delegated its contract execution functions to a procuring activity, SBA will also identify that delegation in its acceptance letter.

(3) If an appropriate match does not exist, SBA will notify the Participant and the procuring activity, and may then nominate an alternate Participant.

(d) *Open requirements.* When a procuring activity does not nominate a particular concern for performance of a sole source 8(a) contract (open requirement), the following additional procedures will apply:

(1) If the procurement is a construction requirement, SBA will examine the portfolio of Participants that have a bona fide place of business within the geographical boundaries served by the SBA district office where the work is to be performed to select a qualified Participant. If none is found to be qualified or a match for a concern in that district is determined to be impossible or inappropriate, SBA may nominate a Participant with a bona fide place of business within the geographical boundaries served by another district office within the same state, or may nominate a Participant having a bona fide place of business out of state but within a reasonable proximity to

the work site. SBA's decision will ensure that the nominated Participant is close enough to the work site to keep costs of performance reasonable.

(2) If the procurement is not a construction requirement, SBA may select any eligible, responsible Participant nationally to perform the contract.

(3) In cases in which SBA selects a Participant for possible award from among two or more eligible and qualified Participants, the selection will be based upon relevant factors, including business development needs, compliance with competitive business mix requirements (if applicable), financial condition, management ability, technical capability, and whether award will promote the equitable distribution of 8(a) contracts.

(e) *Formal technical evaluations.* Except for requirements for architectural and engineering services, SBA will not authorize formal technical evaluations for sole source 8(a) requirements. A procuring activity:

(1) Must request that a procurement be a competitive 8(a) award if it requires formal technical evaluations of more than one Participant for a requirement below the applicable competitive threshold amount; and

(2) May conduct informal assessments of several Participants' capabilities to perform a specific requirement, so long as the statement of work for the requirement is not released to any of the Participants being assessed.

(f) *Repetitive acquisitions.* A procuring activity contracting officer must submit a new offering letter to SBA where he or she intends to award a follow-on or repetitive contract as an 8(a) award. This enables SBA to determine:

(1) Whether the requirement should be a competitive 8(a) award;

(2) A nominated firm's eligibility, whether or not it is the same firm that performed the previous contract;

(3) The affect that contract award would have on the equitable distribution of 8(a) contracts; and

(4) Whether the requirement should continue under the 8(a) BD program.

(g) *Basic Ordering Agreements (BOAs).* A Basic Ordering Agreement (BOA) is not a contract under the FAR. See 48 CFR 16.703(a). Each order to be issued under the BOA is an individual con-

tract. As such, the procuring activity must offer, and SBA must accept, each task order under a BOA in addition to offering and accepting the BOA itself.

(1) SBA will not accept for award on a sole source basis any task order under a BOA that would cause the total dollar amount of task orders issued to exceed the applicable competitive threshold amount set forth in § 124.506(a).

(2) Where a procuring activity believes that task orders to be issued under a proposed BOA will exceed the applicable competitive threshold amount set forth in § 124.506(a), the procuring activity must offer the requirement to the program to be competed among eligible Participants.

(3) Once a concern's program term expires, the concern otherwise exits the 8(a) BD program, or becomes other than small for the SIC code assigned under the BOA, new orders will not be accepted for the concern.

(h) *Multiple Award and Federal Supply Schedule Contracts.* Unlike Basic Ordering Agreements, Multiple Award and Federal Supply Schedule contracts are contracts. Orders issued under these contracts are not considered separate contracts. As such, SBA's acceptance of the original Multiple Award or Federal Supply Schedule contract is valid for the duration of the contract. Separate offers and acceptances will not be made for individual task orders under these contracts.

(1) Task orders are not required to be competed where the value of the task order will exceed the competitive threshold as long as the original contract was competed.

(2) A concern may continue to accept new orders under a Multiple Award or Federal Supply Schedule contract even where a concern's program term expires, the concern otherwise exits the 8(a) BD program, or the concern becomes other than small for the SIC code assigned under the contract subsequent to award of the contract.

(i) Requirements where SBA has delegated contract execution authority. Except as provided in paragraph (a)(4)(i) of this section, where SBA has delegated its 8(a) contract execution authority to the procuring activity, the procuring activity must still offer

and SBA must still accept all requirements intended to be awarded as 8(a) contracts.

(j) The contracting officer should consider setting aside the requirement for HUBZone, 8(a) or SDVO SBC participation before considering to set aside the requirement as a small business set-aside.

[63 FR 35739, June 30, 1998, as amended at 70 FR 51248, Aug. 30, 2005]

§ 124.504 What circumstances limit SBA's ability to accept a procurement for award as an 8(a) contract?

SBA will not accept a procurement for award as an 8(a) contract if the circumstances identified in paragraphs (a) through (d) of this section exist.

(a) *Reservation as small business or SDB set-aside.* The procuring activity issued a solicitation for or otherwise expressed publicly a clear intent to reserve the procurement as a small business or small disadvantaged business (SDB) set-aside prior to offering the requirement to SBA for award as an 8(a) contract. The AA/8(a)BD may permit the acceptance of the requirement, however, under extraordinary circumstances.

Example to paragraph (a). SBA may accept a requirement where a procuring activity made a decision to offer the requirement to the 8(a) BD program before the solicitation was sent out and the procuring activity acknowledges and documents that the solicitation was in error.

(b) *Competition prior to offer and acceptance.* The procuring activity competed a requirement among Participants prior to offering the requirement to SBA and receiving SBA's formal acceptance of the requirement.

(1) Any competition conducted without first obtaining SBA's formal acceptance of the procurement for the 8(a) BD program will not be considered an 8(a) competitive requirement.

(2) SBA may accept the requirement for the 8(a) BD program as a competitive 8(a) requirement, but only if the procuring activity agrees to resolicit the requirement using appropriate competitive 8(a) procedures.

(c) *Adverse impact.* SBA has made a written determination that acceptance of the procurement for 8(a) award would have an adverse impact on an in-

dividual small business, a group of small businesses located in a specific geographical location, or other small business programs. The adverse impact concept is designed to protect small business concerns which are performing Government contracts awarded outside the 8(a) BD program, and does not apply to follow-on or renewal 8(a) acquisitions. SBA will not consider adverse impact with respect to any requirement offered to the 8(a) program under Simplified Acquisition Procedures.

(1) In determining whether the acceptance of a requirement would have an adverse impact on an individual small business, SBA will consider all relevant factors.

(i) In connection with a specific small business, SBA presumes adverse impact to exist where:

(A) The small business concern has performed the specific requirement for at least 24 months;

(B) The small business is performing the requirement at the time it is offered to the 8(a) BD program, or its performance of the requirement ended within 30 days of the procuring activity's offer of the requirement to the 8(a) BD program; and

(C) The dollar value of the requirement that the small business is or was performing is 25 percent or more of its most recent annual gross sales (including those of its affiliates). For a multi-year requirement, the dollar value of the last 12 months of the requirement will be used to determine whether a small business would be adversely affected by SBA's acceptance.

(ii) Except as provided in paragraph (c)(2) of this section, adverse impact does not apply to "new" requirements. A new requirement is one which has not been previously procured by the relevant procuring activity.

(A) Where a requirement is new, no small business could have previously performed the requirement and, thus, SBA's acceptance of the requirement for the 8(a) BD program will not adversely impact any small business.

(B) Construction contracts, by their very nature (e.g., the building of a specific structure), are deemed new requirements.

(C) The expansion or modification of an existing requirement will be considered a new requirement where the magnitude of change is significant enough to cause a price adjustment of at least 25 percent (adjusted for inflation) or to require significant additional or different types of capabilities or work.

(D) SBA need not perform an impact determination where a new requirement is offered to the 8(a) BD program.

(2) In determining whether the acceptance of a requirement would have an adverse impact on a group of small businesses, SBA will consider the effects of combining or consolidating various requirements being performed by two or more small business concerns into a single contract which would be considered a “new” requirement as compared to any of the previous smaller requirements. SBA may find adverse impact to exist if one of the existing small business contractors meets the presumption set forth in paragraph (c)(1)(i) of this section.

(3) In determining whether the acceptance of a requirement would have an adverse impact on other small business programs, SBA will consider all relevant factors, including but not limited to, the number and value of contracts in the subject industry reserved for the 8(a) BD program as compared with other small business programs.

(d) *Benchmark achievement.* Where actual participation by disadvantaged businesses in a SIC Major Group exceeds the benchmark limitations established by the Department of Commerce for that Major Group, SBA may elect not to accept a requirement having a SIC code within the Major Group that is offered to SBA for award as an 8(a) contract. In determining whether to accept a requirement in such a case, SBA will consider the developmental needs of Participants and other anticipated contracting opportunities available to them.

(e) *Release for non-8(a) competition.* In limited instances, SBA may decline to accept the offer of a follow-on or renewal 8(a) acquisition to give a concern previously awarded the contract that is leaving or has left the 8(a) BD program the opportunity to compete for the requirement outside the 8(a) BD program.

(1) SBA will consider release only where:

(i) The procurement awarded through the 8(a) BD program is being or was performed by either a Participant whose program term will expire prior to contract completion, or, by a former Participant whose program term expired within one year of the date of the offering letter;

(ii) The concern requests in writing that SBA decline to accept the offer prior to SBA's acceptance of the requirement for award as an 8(a) contract; and

(iii) The concern qualifies as a small business for the requirement now offered to the 8(a) BD program.

(2) In considering release, SBA will balance the importance of the requirement to the concern's business development needs against the business development needs of other Participants that are qualified to perform the requirement. This determination will include consideration of whether rejection of the requirement would seriously reduce the pool of similar types of contracts available for award as 8(a) contracts. SBA will seek the views of the procuring activity.

(3) If SBA declines to accept the offer and releases the requirement, it will recommend to the procuring activity that the requirement be procured as a small business or, if authorized, an SDB set-aside.

[63 FR 35739, 35772, June 30, 1998]

§ 124.505 When will SBA appeal the terms or conditions of a particular 8(a) contract or a procuring activity decision not to reserve a requirement for the 8(a) BD program?

(a) *What SBA may appeal.* The Administrator of SBA may appeal the following matters to the head of the procuring agency:

(1) A contracting officer's decision not to make a particular procurement available for award as an 8(a) contract;

(2) A contracting officer's decision to reject a specific Participant for award of an 8(a) contract after SBA's acceptance of the requirement for the 8(a) BD program; and

(3) The terms and conditions of a proposed 8(a) contract, including the procuring activity's SIC code designation and estimate of the fair market price.

(b) *Procedures for appeal.* (1) SBA must notify the contracting officer of the SBA Administrator's intent to appeal an adverse decision within 5 working days of SBA's receipt of the decision.

(2) Upon receipt of the notice of intent to appeal, the procuring activity must suspend further action regarding the procurement until the head of the procuring agency issues a written decision on the appeal, unless the head of the procuring agency makes a written determination that urgent and compelling circumstances which significantly affect interests of the United States will not permit waiting for a consideration of the appeal.

(3) The SBA Administrator must send a written appeal of the adverse decision to the head of the procuring agency within 15 working days of SBA's notification of intent to appeal or the appeal may be considered withdrawn.

(4) By statute (15 U.S.C. 637(a)(1)(A)), the procuring agency head must specify in writing the reasons for a denial of an appeal brought by the Administrator under this section.

§ 124.506 At what dollar threshold must an 8(a) procurement be competed among eligible Participants?

(a) *Competitive thresholds.* (1) A procurement offered and accepted for the 8(a) BD program must be competed among eligible Participants if:

(i) There is a reasonable expectation that at least two eligible Participants will submit offers at a fair market price;

(ii) The anticipated award price of the contract, including options, will exceed \$5,000,000 for contracts assigned manufacturing SIC codes and \$3,000,000 for all other contracts; and

(iii) The requirement has not been accepted by SBA for award as a sole source 8(a) procurement on behalf of a tribally-owned or ANC-owned concern.

(2) For all types of contracts, the applicable competitive threshold amounts will be applied to the procuring activity estimate of the total value of the contract, including all op-

tions. For indefinite delivery or indefinite quantity type contracts, the thresholds are applied to the maximum order amount authorized.

(3) Where the estimate of the total value of a proposed 8(a) contract is less than the applicable competitive threshold amount and the requirement is accepted as a sole source requirement on that basis, award may be made even though the contract price arrived at through negotiations exceeds the competitive threshold, provided that the contract price is not more than ten percent greater than the competitive threshold amount.

Example to paragraph (a)(3). If the anticipated award price for a professional services requirement is determined to be \$2.7 million and it is accepted as a sole source 8(a) requirement on that basis, a sole source award will be valid even if the contract price arrived at after negotiation is \$3.1 million.

(4) A proposed 8(a) requirement with an estimated value exceeding the applicable competitive threshold amount may not be divided into several separate procurement actions for lesser amounts in order to use 8(a) sole source procedures to award to a single contractor.

(b) *Exemption from competitive thresholds for Participants owned by Indian tribes.* SBA may award a sole source 8(a) contract to a Participant concern owned and controlled by an Indian tribe or an ANC where the anticipated value of the procurement exceeds the applicable competitive threshold if SBA has not accepted the requirement into the 8(a) BD program as a competitive procurement. There is no requirement that a procurement must be competed whenever possible before it can be accepted on a sole source basis for a tribally-owned or ANC-owned concern, but a procurement may not be removed from competition to award it to a tribally-owned or ANC-owned concern on a sole source basis.

(c) *Competition below thresholds.* The AA/8(a)BD, on a nondelegable basis, may approve a request from a procuring activity to compete a requirement that is below the applicable competitive threshold amount among eligible Participants.

(1) This authority will be used primarily when technical competitions

are appropriate or when a large number of potential awardees exist.

(2) The AA/8(a)BD may consider whether the procuring activity has made and will continue to make available a significant number of its contracts to the 8(a) BD program on a non-competitive basis.

(3) The AA/8(a)BD may deny a request if the procuring activity previously offered the requirement to the 8(a) BD program on a noncompetitive basis and the request is made following the inability of the procuring activity and the potential sole source awardee to reach an agreement on price or some other material term or condition.

(d) *Sole source above thresholds.* Where a contract opportunity exceeds the applicable threshold amount and there is not a reasonable expectation that at least two eligible 8(a) Participants will submit offers at a fair price, the AA/8(a)BD may accept the requirement for a sole source 8(a) award if he or she determines that an eligible Participant in the 8(a) portfolio is capable of performing the requirement at a fair price.

§ 124.507 What procedures apply to competitive 8(a) procurements?

(a) *FAR procedures.* Procuring activities will conduct competitions among and evaluate offers received from Participants in accordance with the Federal Acquisition Regulation (48 CFR, chapter 1).

(b) *Eligibility determination by SBA.* In either a negotiated or sealed bid competitive 8(a) acquisition, the procuring activity will request that the SBA district office servicing the apparent successful offeror determine that firm's eligibility for award.

(1) Within 5 working days after receipt of a procuring activity's request for an eligibility determination, SBA will determine whether the firm identified by the procuring activity is eligible for award.

(2) Eligibility is based on 8(a) BD program criteria, including whether the Participant is:

- (i) A small business under the SIC code assigned to the requirement;
- (ii) In compliance with any applicable competitive business mix target established or remedial measure imposed

by § 124.509 that does not include the denial of future 8(a) contracts;

(iii) In the developmental stage of program participation if the solicitation restricts offerors to the developmental stage of participation; and

(iv) A concern with a bona fide place of business in the applicable geographic area if the procurement is for construction.

(3) If SBA determines that the apparent successful offeror is ineligible, SBA will notify the procuring activity. The procuring activity will then send to SBA the identity of the next highest evaluated firm for an eligibility determination. The process is repeated until SBA determines that an identified offeror is eligible for award.

(4) Except to the extent set forth in paragraph (d) of this section, SBA determines whether a Participant is eligible for a specific 8(a) competitive requirement as of the date that the Participant submitted its initial offer which includes price.

(5) If the procuring activity contracting officer believes that the apparent successful offeror is not responsible to perform the contract, he or she must refer the concern to SBA for a possible Certificate of Competency in accord with § 125.5 of this title.

(c) *Restricted competition—(1) Competition within stages of program participation.* SBA may accept a competitive 8(a) requirement that is limited to Participants in the developmental stage of program participation, or may accept a requirement to be competed among firms both in the developmental and transitional stages of program participation.

(2) *Construction competitions.* Based on its knowledge of the 8(a) BD portfolio, SBA will determine whether a competitive 8(a) construction requirement should be competed among only those Participants having a bona fide place of business within the geographical boundaries of one or more SBA district offices, within a state, or within the state and nearby areas. Only those Participants with bona fide places of business within the appropriate geographical boundaries are eligible to submit offers.

(3) *Competition for all non-construction requirements.* Except for construction

requirements, all eligible Participants regardless of location may submit offers in response to competitive 8(a) solicitations. The only geographic restrictions pertaining to 8(a) competitive requirements, other than those for construction requirements, are any imposed by the solicitations themselves.

(d) *Award to firms whose program terms have expired.* A concern that has completed its term of participation in the 8(a) BD program may be awarded a competitive 8(a) contract if it was a Participant eligible for award of the contract on the initial date specified for receipt of offers contained in the contract solicitation, and if it continues to meet all other applicable eligibility criteria.

(1) Amendments to the solicitation extending the date for submissions of offers will be disregarded.

(2) For a negotiated procurement, a Participant may submit revised offers, including a best and final offer, and be awarded a competitive 8(a) contract if it was eligible as of the initial date specified for the receipt of offers in the solicitation, even though its program term may expire after that date.

§ 124.508 How is an 8(a) contract executed?

(a) An 8(a) contract can be awarded in the following ways:

(1) As a tripartite agreement in which the procuring activity, SBA and the Participant all sign the appropriate contract documents. There may be separate prime and subcontract documents (i.e., a prime contract between the procuring activity and SBA and a subcontract between SBA and the selected 8(a) concern) or a combined contract document representing both the prime and subcontract relationships; or

(2) Where SBA has delegated contract execution authority to the procuring activity, directly by the procuring activity through a contract between the procuring activity and the Participant.

(b) Where SBA receives a contract for signature valued at or below the simplified acquisition threshold, it will sign the contract and return it to the procuring activity within three (3) days of receipt.

(c) In order to be eligible to receive a sole source 8(a) contract, a firm must

be a current Participant on the date of award. (See §124.507(d) for competitive 8(a) awards.)

§ 124.509 What are non-8(a) business activity targets?

(a) *General.* (1) To ensure that Participants do not develop an unreasonable reliance on 8(a) awards, and to ease their transition into the competitive marketplace after graduating from the 8(a) BD program, Participants must make maximum efforts to obtain business outside the 8(a) BD program.

(2) During both the developmental and transitional stages of the 8(a) BD program, a Participant must make substantial and sustained efforts, including following a reasonable marketing strategy, to attain the targeted dollar levels of non-8(a) revenue established in its business plan. It must attempt to use the 8(a) BD program as a resource to strengthen the firm for economic viability when program benefits are no longer available.

(b) *Required non-8(a) business activity targets during transitional stage—(1) General.* During the transitional stage of the 8(a) BD program, a Participant must achieve certain targets of non-8(a) contract revenue (i.e., revenue from other than sole source or competitive 8(a) contracts). These targets are called non-8(a) business activity targets and are expressed as a percentage of total revenue. The targets call for an increase in non-8(a) revenue over time.

(2) *Non-8(a) business activity targets.* During their transitional stage of program participation, Participants must meet the following non-8(a) business activity targets each year:

Participant's year in the transitional stage	Non-8(a) business activity targets (required minimum non-8(a) revenue as a percentage of total revenue)
1	15
2	25
3	35
4	45
5	55

(3) *Compliance with non-8(a) business activity targets.* SBA will measure the Participant's compliance with the applicable non-8(a) business activity target at the end of each program year in

the transitional stage based on the Participant's latest fiscal year-end total revenue. Thus, at the end of the first year in the transitional stage of program participation, SBA will compare the Participant's non-8(a) revenue to its total revenue during that first year. If appropriate, SBA will require remedial measures during the subsequent program year. Thus, for example, non-compliance with the required non-8(a) business activity target in year one of the transitional stage would cause SBA to initiate remedial measures under paragraph (d) of this section for year two in the transitional stage.

(4) *Certification of compliance.* A Participant must certify as part of its offer that it complies with the applicable non-8(a) business activity target or with the measures imposed by SBA under paragraph (d) of this section before it can receive any 8(a) contract during the transitional stage of the 8(a) BD program.

(c) *Reporting and verification of business activity.* (1) Once admitted to the 8(a) BD program, a Participant must provide to SBA as part of its annual review:

(i) Annual financial statements with a breakdown of 8(a) and non-8(a) revenue in accord with § 124.602; and

(ii) An annual report within 30 days from the end of the program year of all non-8(a) contracts, options, and modifications affecting price executed during the program year.

(2) At the end of each year of participation in the transitional stage, the BOS assigned to work with the Participant will review the Participant's total revenues to determine whether the non-8(a) revenues have met the applicable target. In determining compliance, SBA will compare all 8(a) revenues received during the year, including those from options and modifications, to all non-8(a) revenues received during the year.

(d) *Consequences of not meeting competitive business mix targets.* (1) Except as set forth in paragraph (e) of this section, beginning at the end of the first year in the transitional stage (the fifth year of participation in the 8(a) BD program), any firm that does not meet its applicable competitive business mix target for the just completed program

year will be ineligible for sole source 8(a) contracts in the current program year, unless and until the Participant corrects the situation as described in paragraph (d)(2) of this section.

(2) If SBA determines that an 8(a) Participant has failed to meet its applicable competitive business mix target during any program year in the transitional stage of program participation, SBA may increase its monitoring of the Participant's contracting activity during the ensuing program year. SBA will also notify the Participant in writing that the Participant will not be eligible for further 8(a) sole source contract awards until it has demonstrated to SBA that it has complied with its non-8(a) business activity requirements as described in paragraphs (d)(2)(i) and (d)(2)(ii) of this section. In order for a Participant to come into compliance with the non-8(a) business activity target and be eligible for further 8(a) sole source contracts, it may:

(i) Wait until the end of the current program year and demonstrate to SBA as part of the normal annual review process that it has met the revised non-8(a) business activity target; or

(ii) At its option, submit information regarding its non-8(a) revenue to SBA quarterly throughout the current program year in an attempt to come into compliance before the end of the current program year. If the Participant satisfies the requirements of paragraphs (d)(2)(ii)(A) or (d)(2)(ii)(B) of this section, SBA will reinstate the Participant's ability to get sole source 8(a) contracts prior to its annual review.

(A) To qualify for reinstatement during the first six months of the current program year (i.e., at either the first or second quarterly review), the Participant must demonstrate that it has received non-8(a) revenue and new non-8(a) contract awards that are equal to or greater than the dollar amount by which it failed to meet its non-8(a) business activity target for the just completed program year. For this purpose, SBA will not count options on existing non-8(a) contracts in determining whether a Participant has received new non-8(a) contract awards.

(B) To qualify for reinstatement during the last six months of the current program year (i.e., at either the nine-month or one year review), the Participant must demonstrate that it has achieved its non-8(a) business activity target as of that point in the current program year.

Example 1 to paragraph (d)(2). Firm A had \$10 million in total revenue during year 2 in the transitional stage (year 6 in the program), but failed to meet the minimum non-8(a) business activity target of 25 percent. It had 8(a) revenues of \$8.5 million and non-8(a) revenues of \$1.5 million (15 percent). Based on total revenues of \$10 million, Firm A should have had at least \$2.5 million in non-8(a) revenues. Thus, Firm A missed its target by \$1 million (its target (\$2.5 million) minus its actual non-8(a) revenues (\$1.5 million)). Because Firm A did not achieve its non-8(a) business activity target, it cannot receive 8(a) sole source awards until correcting that situation. The firm may wait until the next annual review to establish that it has met the revised target, or it can choose to report contract awards and other non-8(a) revenue to SBA quarterly. Firm A elects to submit information to SBA quarterly in year 3 of the transitional stage (year 7 in the program). In order to be eligible for sole source 8(a) contracts after either its 3 month or 6 month review, Firm A must show that it has received non-8(a) revenue and/or been awarded new non-8(a) contracts totaling \$1 million (the amount by which it missed its target in year 2 of the transitional stage).

Example 2 to paragraph (d)(2). Firm B had \$10 million in total revenue during year 2 in the transitional stage (year 6 in the program), of which \$8.5 million were 8(a) revenues and \$1.5 million were non-8(a) revenues. At its first two quarterly reviews during year 3 of the transitional stage (year 7 in the program), Firm B could not demonstrate that it had received at least \$1 million in non-8(a) revenue and new non-8(a) awards. In order to be eligible for sole source 8(a) contracts after its 9 month or 1 year review, Firm B must show that at least 35% (the non-8(a) business activity target for year 3 in the transitional stage) of all revenues received during year 3 in the transitional stage as of that point are from non-8(a) sources.

(3) In determining whether a Participant has achieved its required non-8(a) business activity target at the end of any program year in the transitional stage, or whether a Participant that failed to meet the target for the previous program year has achieved the required level of non-8(a) business at its nine-month review, SBA will meas-

ure 8(a) support by adding the base year value of all 8(a) contracts awarded during the applicable program year to the value of all options and modifications executed during that year.

(4) As a condition of eligibility for new 8(a) contracts, SBA may also impose other requirements on a Participant that fails to achieve the non-8(a) business activity targets. These include requiring the Participant to obtain management assistance, technical assistance, and/or counseling, and/or attend seminars relating to management assistance, business development, financing, marketing, accounting, or proposal preparation.

(5) SBA may initiate proceedings to terminate a Participant from the 8(a) BD program where the firm makes no good faith efforts to obtain non-8(a) revenues.

(e) *Waiver of sole source prohibition.* (1) The AA/8(a)BD, or his or her designee, may waive the requirement prohibiting a Participant from receiving further sole source 8(a) contracts when a Participant does not meet its non-8(a) business activity target where a denial of a sole source contract would cause severe economic hardship on the Participant so that the Participant's survival may be jeopardized, or where extenuating circumstances beyond the Participant's control caused the Participant not to meet its non-8(a) business activity target. The decision to grant or deny a request for a waiver is at SBA's discretion, and no appeal may be taken with respect to that decision.

(2) The SBA Administrator on a non-delegable basis may waive the requirement prohibiting a Participant from receiving further sole source 8(a) contracts when the Participant does not meet its non-8(a) business activity target where the head of a procuring activity represents to the SBA Administrator that award of a sole source 8(a) contract to the Participant is needed to achieve significant interests of the Government.

§124.510 What percentage of work must a Participant perform on an 8(a) contract?

(a) To assist the business development of Participants in the 8(a) BD

program, an 8(a) contractor must perform certain percentages of work with its own employees. These percentages and the requirements relating to them are the same as those established for small business set-aside prime contractors, and are set forth in § 125.6 of this title.

(b) A Participant must certify in its offer that it will meet the applicable percentage of work requirement. SBA will determine whether the firm will be in compliance as of the date of award of the contract for both sealed bid and negotiated procurements.

(c) *Indefinite quantity contracts.* (1) In order to ensure that the required percentage of costs on an indefinite quantity 8(a) award is performed by the Participant, the Participant must demonstrate semiannually that it has performed the required percentage to that date. For a service or supply contract, this does not mean that the Participant must perform 50 percent of the applicable costs for each task order with its own force, or that a Participant must have performed 50 percent of the applicable costs at any point in time during the contract's life. Rather, the Participant must perform 50 percent of the applicable costs for the combined total of all task orders issued to date at six month intervals.

Example to paragraph (c)(1). Two task orders are issued under an 8(a) indefinite quantity service contract during the first six months of the contract. If \$100,000 in personnel costs are incurred on the first task order, 90% of those costs (\$90,000) are incurred for performance by the Participant's own work force, and the second task order also requires \$100,000 in personnel costs, the Participant would have to perform only 10 percent of the personnel costs on the second task order because it would still have performed 50% of the total personnel costs at the end of the six-month period (\$100,000 out of \$200,000).

(2) Where there is a guaranteed minimum condition in an indefinite quantity 8(a) award, the required performance of work percentage need not be met on task orders issued during the first six months of the contract. In such a case, however, the percentage of work that a Participant may further contract to other concerns during the first six months of the contract may not exceed 50 percent of the total guar-

anteed minimum dollar value to be provided by the contract. Once the guaranteed minimum amount is met, the general rule for indefinite quantity contracts set forth in paragraph (c)(1) of this section applies.

Example to paragraph (c)(2). Where a contract guarantees a minimum of \$100,000 in professional services and the first task order is for \$60,000 in such services, the Participant may perform as little as \$10,000 of the personnel costs for that order. In such a case, however, the Participant must perform all of the next task order(s) up to \$40,000 to ensure that it performs 50% of the \$100,000 guaranteed minimum (\$10,000 + \$40,000 = \$50,000 or 50% of the \$100,000).

(3) The applicable SBA District Director may waive the provisions in paragraphs (c)(1) and (c)(2) of this section requiring a Participant to meet the applicable performance of work requirement at the end of any six-month period where he or she makes a written determination that larger amounts of subcontracting are essential during certain stages of performance, provided that there are written assurances from both the Participant and the procuring activity that the contract will ultimately comply with the requirements of this section. Where SBA authorizes a Participant to exceed the subcontracting limitations and the Participant does not ultimately comply with the performance of work requirements by the end of the contract, SBA will not grant future waivers for the Participant.

§ 124.511 How is fair market price determined for an 8(a) contract?

(a) The procuring activity determines what constitutes a "fair market price" for an 8(a) contract.

(1) The procuring activity must derive the estimate of a current fair market price for a new requirement, or a requirement that does not have a satisfactory procurement history, from a price or cost analysis. This analysis may take into account prevailing market conditions, commercial prices for similar products or services, or data obtained from any other agency. The analysis must also consider any cost or pricing data that is timely submitted by SBA.

(2) The procuring activity must base the estimate of a current fair market price for a requirement that has a satisfactory procurement history on recent award prices adjusted to ensure comparability. Adjustments will take into account differences in quantities, performance, times, plans, specifications, transportation costs, packaging and packing costs, labor and material costs, overhead costs, and any other additional costs which may be appropriate.

(b) Upon the request of SBA, a procuring activity will provide to SBA a written statement detailing the method it has used to estimate the current fair market price for the 8(a) requirement. This statement must be submitted within 10 working days of SBA's request. The procuring activity must identify the information, studies, analyses, and other data it used in making its estimate.

(c) The procuring activity's estimate of fair market price and any supporting data may not be disclosed by SBA to any Participant or potential contractor.

(d) The concern selected to perform an 8(a) contract may request SBA to protest the procuring activity's estimate of current fair market price to the Secretary of the Department or head of the agency in accordance with § 124.505.

§ 124.512 Delegation of contract administration to procuring agencies.

(a) SBA may delegate, by the use of special clauses in the 8(a) contract documents or by a separate agreement with the procuring activity, all responsibilities for administering an 8(a) contract to the procuring activity except the approval of novation agreements under 48 CFR 42.302(a)(25).

(b) This delegation of contract administration authorizes a contracting officer to execute any priced option or in scope modification without SBA's concurrence. The contracting officer must, however, notify SBA of all modifications and options exercised.

§ 124.513 Under what circumstances can a joint venture be awarded an 8(a) contract?

(a) *General.* (1) If approved by SBA, a Participant may enter into a joint venture agreement with one or more other small business concerns, whether or not 8(a) Participants, for the purpose of performing one or more specific 8(a) contracts.

(2) A joint venture agreement is permissible only where an 8(a) concern lacks the necessary capacity to perform the contract on its own, and the agreement is fair and equitable and will be of substantial benefit to the 8(a) concern. However, where SBA concludes that an 8(a) concern brings very little to the joint venture relationship in terms of resources and expertise other than its 8(a) status, SBA will not approve the joint venture arrangement.

(b) *Size of concerns to an 8(a) joint venture.* (1) A joint venture of at least one 8(a) Participant and one or more other business concerns may submit an offer as a small business for a competitive 8(a) procurement so long as each concern is small under the size standard corresponding to the SIC code assigned to the contract, provided:

(i) The size of at least one 8(a) Participant to the joint venture is less than one half the size standard corresponding to the SIC code assigned to the contract; and

(ii)(A) For a procurement having a revenue-based size standard, the procurement exceeds half the size standard corresponding to the SIC code assigned to the contract; or

(B) For a procurement having an employee-based size standard, the procurement exceeds \$10 million;

(2) For sole source and competitive 8(a) procurements that do not exceed the dollar levels identified in paragraph (b)(1) of this section, an 8(a) Participant entering into a joint venture agreement with another concern is considered to be affiliated for size purposes with the other concern with respect to performance of the 8(a) contract. The combined annual receipts or employees of the concerns entering into the joint venture must meet the size standard for the SIC code assigned to the 8(a) contract.

(3) Notwithstanding the provisions of paragraphs (b)(1) and (b)(2) of this section, a joint venture between a protegee firm and its approved mentor (see § 124.520) will be deemed small provided the protegee qualifies as small for the size standard corresponding to the SIC code assigned to the procurement and has not reached the dollar limit set forth in § 124.519.

(c) *Contents of joint venture agreement.* Every joint venture agreement to perform an 8(a) contract, including those between mentors and proteges authorized by § 124.520, must contain a provision:

(1) Setting forth the purpose of the joint venture;

(2) Designating an 8(a) Participant as the managing venturer of the joint venture, and an employee of the managing venturer as the project manager responsible for performance of the 8(a) contract;

(3) Stating that not less than 51 percent of the net profits earned by the joint venture will be distributed to the 8(a) Participant(s);

(4) Providing for the establishment and administration of a special bank account in the name of the joint venture. This account must require the signature of all parties to the joint venture or designees for withdrawal purposes. All payments due the joint venture for performance on an 8(a) contract will be deposited in the special account; all expenses incurred under the contract will be paid from the account as well;

(5) Itemizing all major equipment, facilities, and other resources to be furnished by each party to the joint venture, with a detailed schedule of cost or value of each;

(6) Specifying the responsibilities of the parties with regard to contract performance, source of labor and negotiation of the 8(a) contract;

(7) Obligating all parties to the joint venture to ensure performance of the 8(a) contract and to complete performance despite the withdrawal of any member;

(8) Designating that accounting and other administrative records relating to the joint venture be kept in the office of the managing venturer, unless approval to keep them elsewhere is

granted by the District Director or his/her designee upon written request;

(9) Requiring the final original records be retained by the managing venturer upon completion of the 8(a) contract performed by the joint venture;

(10) Stating that quarterly financial statements showing cumulative contract receipts and expenditures (including salaries of the joint venture's principals) must be submitted to SBA not later than 45 days after each operating quarter of the joint venture; and

(11) Stating that a project-end profit and loss statement, including a statement of final profit distribution, must be submitted to SBA no later than 90 days after completion of the contract.

(d) *Performance of work.* For any 8(a) contract, including those between mentors and proteges authorized by § 124.520, the joint venture must perform the applicable percentage of work required by § 124.510, and the 8(a) partner(s) to the joint venture must perform a significant portion of the contract.

(e) *Prior approval by SBA.* SBA must approve a joint venture agreement prior to the award of an 8(a) contract on behalf of the joint venture.

(f) *Contract execution.* Where SBA has approved a joint venture, the procuring activity will execute an 8(a) contract in the name of the joint venture entity.

(g) *Amendments to joint venture agreement.* All amendments to the joint venture agreement must be approved by SBA.

(h) *Inspection of records.* SBA may inspect the records of the joint venture without notice at any time deemed necessary.

[63 FR 35739, June 30, 1998, as amended at 69 FR 29208, May 21, 2004]

§ 124.514 Exercise of 8(a) options and modifications.

(a) *Unpriced options.* The exercise of an unpriced option is considered to be a new contracting action.

(1) If a concern has graduated or been terminated from the 8(a) BD program or is no longer small under the size standard corresponding to the SIC code for the requirement, negotiations to price the option cannot be entered into and the option cannot be exercised.

(2) If the concern is still a Participant and otherwise eligible for the requirement on a sole source basis, the procuring activity contracting officer may negotiate price and exercise the option provided the option, considered a new contracting action, meets all regulatory requirements, including the procuring activity's offering and SBA's acceptance of the requirement for the 8(a) BD program.

(3) If the estimated fair market price of the option exceeds the applicable threshold amount set forth in § 124.506, the requirement must be competed as a new contract among eligible Participants.

(b) *Priced options.* The procuring activity contracting officer may exercise a priced option to an 8(a) contract whether the concern that received the award has graduated or been terminated from the 8(a) BD program or is no longer eligible if to do so is in the best interests of the Government.

(c) *Modifications beyond the scope.* A modification beyond the scope of the initial 8(a) contract award is considered to be a new contracting action. It will be treated the same as an unpriced option as described in paragraph (a) of this section.

(d) *Modifications within the scope.* The procuring activity contracting officer may exercise a modification within the scope of the initial 8(a) contract whether the concern that received the award has graduated or been terminated from the 8(a) BD program or is no longer eligible if to do so is in the best interests of the Government.

§ 124.515 Can a Participant change its ownership or control and continue to perform an 8(a) contract, and can it transfer performance to another firm?

(a) An 8(a) contract must be performed by the Participant that initially received it unless a waiver is granted under paragraph (b) of this section.

(1) An 8(a) contract, whether in the base or an option year, must be terminated for the convenience of the Government if:

(i) One or more of the individuals upon whom eligibility for the 8(a) BD program was based relinquishes or enters into any agreement to relinquish

ownership or control of the Participant such that the Participant would no longer be controlled or at least 51% owned by disadvantaged individuals; or

(ii) The contract is transferred or novated for any reason to another firm.

(2) The procuring activity may not assess repurchase costs or other damages against the Participant due solely to the provisions of this section.

(b) The SBA Administrator may waive the requirements of paragraph (a)(1) of this section if requested to do so by the 8(a) contractor when:

(1) It is necessary for the owners of the concern to surrender partial control of such concern on a temporary basis in order to obtain equity financing;

(2) Ownership and control of the concern that is performing the 8(a) contract will pass to another Participant, but only if the acquiring firm would otherwise be eligible to receive the award directly as an 8(a) contract;

(3) Any individual upon whom eligibility was based is no longer able to exercise control of the concern due to physical or mental incapacity or death;

(4) The head of the procuring agency, or an official with delegated authority from the agency head, certifies that termination of the contract would severely impair attainment of the agency's program objectives or missions; or

(5) It is necessary for the disadvantaged owners of the initial 8(a) awardee to relinquish ownership of a majority of the voting stock of the concern in order to raise equity capital, but only if—

(i) The concern has graduated from the 8(a) BD program;

(ii) The disadvantaged owners will maintain ownership of the largest single outstanding block of voting stock (including stock held by affiliated parties); and

(iii) The disadvantaged owners will maintain control of the daily business operations of the concern.

(c) The 8(a) contractor must request a waiver in writing prior to the change of ownership and control except in the case of death or incapacity. A request for waiver due to incapacity or death must be submitted within 60 days after such occurrence. The Participant seeking to change ownership or control

must specify the grounds upon which it requests a waiver, and must demonstrate that the proposed transaction would meet such grounds.

(d) SBA determines the eligibility of an acquiring Participant under paragraph (b)(2) of this section by referring to the items identified in § 124.507(b)(2) and deciding whether at the time of the request for waiver (and prior to the transaction) the acquiring Participant is a responsible and eligible concern with respect to each contract for which a waiver is sought. As part of the waiver request, the acquiring firm must certify that it is a small business for the size standard corresponding to the SIC code assigned to each contract for which a waiver is sought.

(e) Anyone other than a procuring agency head who submits a certification regarding the impairment of the agency's objectives under paragraph (b)(4) of this section, must also certify delegated authority to make the certification.

(f) In processing a request for a waiver under paragraph (b)(2) of this section, SBA will treat a transfer of all a Participant's operating assets to another Participant the same as the transfer of an ownership interest, provided the Participant that transfers its assets to another eligible Participant:

(1) Voluntarily graduates from the 8(a) BD program; and

(2) Ceases its business operations, or presents a plan to SBA for its orderly dissolution.

(g) A concern performing an 8(a) contract must notify SBA in writing immediately upon entering into an agreement or agreement in principle (either oral or written) to transfer all or part of its stock or other ownership interest or assets to any other party. Such an agreement could include an oral agreement to enter into a transaction to transfer interests in the future.

(h) The Administrator has discretion to decline a request for waiver even though legal authority exists to grant the waiver.

(i) The 8(a) contractor may appeal SBA's denial of a waiver request by filing a petition with OHA pursuant to part 134 of this chapter within 45 days

after the contractor receives the Administrator's decision.

[63 FR 35739, June 30, 1998, as amended at 67 FR 47246, July 18, 2002]

§ 124.516 Who decides contract disputes arising between a Participant and a procuring activity after the award of an 8(a) contract?

For purposes of the Disputes Clause of a specific 8(a) contract, the contracting officer is that of the procuring activity. A dispute arising between an 8(a) contractor and the procuring activity contracting officer will be decided by the procuring activity, and appeals may be taken by the 8(a) contractor without SBA involvement.

§ 124.517 Can the eligibility or size of a Participant for award of an 8(a) contract be questioned?

(a) The eligibility of a Participant for a sole source or competitive 8(a) requirement may not be challenged by another Participant or any other party, either to SBA or any administrative forum as part of a bid or other contract protest.

(b) The size status of the apparent successful offeror for a competitive 8(a) procurement may be protested pursuant to § 121.1001(a)(2) of this chapter. The size status of a nominated Participant for a sole source 8(a) procurement may not be protested by another Participant or any other party.

(c) A Participant cannot appeal SBA's determination not to award it a specific 8(a) contract because the concern lacks an element of responsibility or is ineligible for the contract, other than the right set forth in § 124.501(h) to request a formal size determination where SBA cannot verify it to be small.

(d)(1) The SIC code assigned to a sole source 8(a) requirement may not be challenged by another Participant or any other party either to SBA or any administrative forum as part of a bid or contract protest. Only the AA/8(a)BD may appeal a SIC code designation with respect to a sole source 8(a) requirement.

(2) In connection with a competitive 8(a) procurement, any interested party who has been adversely affected by a SIC code designation may appeal the

designation to SBA's OHA pursuant to § 121.1103 of this title.

(e) Anyone with information questioning the eligibility of a Participant to continue participation in the 8(a) BD program or for purposes of a specific 8(a) contract may submit such information to SBA under § 124.112(c).

§ 124.518 How can an 8(a) contract be terminated before performance is completed?

(a) *Termination for default.* A decision to terminate a specific 8(a) contract for default can be made by the procuring activity contracting officer after consulting with SBA. The contracting officer must advise SBA of any intent to terminate an 8(a) contract for default in writing before doing so. SBA may provide to the Participant any program benefits reasonably available in order to assist it in avoiding termination for default. SBA will advise the contracting officer of this effort. Any procuring activity contracting officer who believes grounds for termination continue to exist may terminate the 8(a) contract for default, in accordance with the Federal Acquisition Regulations (48 CFR chapter 1). SBA will have no liability for termination costs or reprocurement costs.

(b) *Termination for convenience.* After consulting with SBA, the procuring activity contracting officer may terminate an 8(a) contract for convenience when it is in the best interests of the Government to do so. A termination for convenience is appropriate if any disadvantaged owner of the Participant performing the contract relinquishes ownership or control of such concern, or enters into any agreement to relinquish such ownership or control, unless a waiver is granted pursuant to § 124.515.

(c) *Substitution of one 8(a) contractor for another.* Where a procuring activity contracting officer demonstrates to SBA that an 8(a) contract will otherwise be terminated for default, SBA may authorize another Participant to complete performance and, in conjunction with the procuring activity, permit novation of the contract without invoking the termination for convenience or waiver provisions of § 124.515.

§ 124.519 Are there any dollar limits on the amount of 8(a) contracts that a Participant may receive?

(a) A Participant (other than one owned by an Indian tribe or an ANC) may not receive sole source 8(a) contract awards where it has received a combined total of competitive and sole source 8(a) contracts in excess of the dollar amount set forth in this section during its participation in the 8(a) BD program.

(1) For a firm having a revenue-based primary SIC code at time of program entry, the limit above which it can no longer receive sole source 8(a) contracts is five times the size standard corresponding to that SIC code as of the date of SBA's acceptance of the requirement for the 8(a) BD program or \$100,000,000, whichever is less.

(2) For a firm having an employee-based primary SIC code at time of program entry, the limit above which it can no longer receive sole source 8(a) contracts is \$100,000,000.

(3) SBA will not consider 8(a) contracts awarded under \$100,000 in determining whether a Participant has reached the limit identified in paragraphs (a)(1) and (a)(2) of this section.

(b) Once the limit is reached, a firm may not receive any more 8(a) sole source contracts, but may remain eligible for competitive 8(a) awards.

(c) The limitation set forth in paragraph (a) of this section will not apply for firms that are current Participants in the 8(a) BD program as of December 31, 1997.

(d) SBA includes the dollar value of 8(a) options and modifications in determining whether a Participant has reached the limit identified in paragraph (a) of this section. If an option is not exercised or the contract value is reduced by modification, SBA will deduct those values.

(e) A Participant's eligibility for a sole source award in terms of whether it has exceeded the dollar limit for 8(a) contracts is measured as of the date that the requirement is accepted for the 8(a) program without taking into account whether the value of that award will cause the limit to be exceeded.

(f) The SBA Administrator on a non-delegable basis may waive the requirement prohibiting a Participant from receiving sole source 8(a) contracts in excess of the dollar amount set forth in this section where the head of a procuring activity represents to the SBA Administrator that award of a sole source 8(a) contract to the Participant is needed to achieve significant interests of the Government.

§ 124.520 Mentor/protege program.

(a) *General.* The mentor/protege program is designed to encourage approved mentors to provide various forms of assistance to eligible Participants. This assistance may include technical and/or management assistance; financial assistance in the form of equity investments and/or loans; subcontracts; and/or assistance in performing prime contracts with the Government in the form of joint venture arrangements. The purpose of the mentor/protege relationship is to enhance the capabilities of the protege and to improve its ability to successfully compete for contracts.

(b) *Mentors.* Any concern that demonstrates a commitment and the ability to assist developing 8(a) Participants may act as a mentor and receive benefits as set forth in this section. This includes businesses that have graduated from the 8(a) BD program, firms that are in the transitional stage of program participation, other small businesses, and large businesses.

(1) In order to qualify as a mentor, a concern must demonstrate that it:

(i) Possesses favorable financial health, including profitability for at least the last two years;

(ii) Possesses good character;

(iii) Does not appear on the federal list of debarred or suspended contractors; and

(iv) Can impart value to a protege firm due to lessons learned and practical experience gained because of the 8(a) BD program, or through its general knowledge of government contracting.

(2) Generally, a mentor will have no more than one protege at a time. However, the AA/8(a)BD may authorize a concern to mentor more than one protege at a time where the concern can demonstrate that the additional men-

tor/protege relationship will not adversely affect the development of either protege firm (e.g., the second firm cannot be a competitor of the first firm).

(3) In order to demonstrate its favorable financial health, a firm seeking to be a mentor must submit its federal tax returns for the last two years to SBA for review.

(4) Once approved, a mentor must annually certify that it continues to possess good character and a favorable financial position.

(c) *Proteges.* (1) In order to initially qualify as a protege firm, a Participant must:

(i) Be in the developmental stage of program participation;

(ii) Have never received an 8(a) contract; or

(iii) Have a size that is less than half the size standard corresponding to its primary SIC code.

(2) Only firms that are in good standing in the 8(a) BD program (e.g., firms that do not have termination or suspension proceedings against them, and are up to date with all reporting requirements) may qualify as a protege.

(3) A protege firm may have only one mentor at a time.

(d) *Benefits.* (1) A mentor and protégé may joint venture as a small business for any government procurement, including procurements with a dollar value less than half the size standard corresponding to the assigned NAICS code and 8(a) sole source contracts, provided the protégé qualifies as small for the procurement and, for purposes of 8(a) sole source requirements, the protégé has not reached the dollar limit set forth in § 124.519.

(2) Notwithstanding the requirements set forth in §§ 124.105(g) and (h), in order to raise capital for the protege firm, the mentor may own an equity interest of up to 40% in the protege firm.

(3) Notwithstanding the mentor/protege relationship, a protege firm may qualify for other assistance as a small business, including SBA financial assistance.

(4) No determination of affiliation or control may be found between a protege firm and its mentor based on the

mentor/protege agreement or any assistance provided pursuant to the agreement.

(e) *Written agreement.* (1) The mentor and protege firms must enter a written agreement setting forth an assessment of the protege's needs and describing the assistance the mentor commits to provide to address those needs (e.g., management and/or technical assistance, loans and/or equity investments, cooperation on joint venture projects, or subcontracts under prime contracts being performed by the mentor). The agreement must also provide that the mentor will provide such assistance to the protege firm for at least one year.

(2) The written agreement must be approved by the AA/8(a)BD. The agreement will not be approved if SBA determines that the assistance to be provided is not sufficient to promote any real developmental gains to the protege, or if SBA determines that the agreement is merely a vehicle to enable a non-8(a) participant to receive 8(a) contracts.

(3) The agreement must provide that either the protege or the mentor may terminate the agreement with 30 days advance notice to the other party to the mentor/protege relationship and to SBA.

(4) SBA will review the mentor/protege relationship annually to determine whether to approve its continuation for another year.

(5) SBA must approve all changes to a mentor/protege agreement in advance.

(f) *Evaluating the mentor/protege relationship.* (1) In its annual business plan update required by §124.403(a), the protege must report to SBA for the protege's preceding program year:

(i) All technical and/or management assistance provided by the mentor to the protege;

(ii) All loans to and/or equity investments made by the mentor in the protege;

(iii) All subcontracts awarded to the protege by the mentor, and the value of each subcontract;

(iv) All federal contracts awarded to the mentor/protege relationship as a joint venture (designating each as an 8(a), small business set aside, or unrestricted procurement), the value of

each contract, and the percentage of the contract performed and the percentage of revenue accruing to each party to the joint venture; and

(v) A narrative describing the success such assistance has had in addressing the developmental needs of the protege and addressing any problems encountered.

(2) The protege must annually certify to SBA whether there has been any change in the terms of the agreement.

(3) SBA will review the protege's report on the mentor/protege relationship as part of its annual review of the firm's business plan pursuant to §124.403. SBA may decide not to approve continuation of the agreement if it finds that the mentor has not provided the assistance set forth in the mentor/protege agreement or that the assistance has not resulted in any material benefits or developmental gains to the protege.

MISCELLANEOUS REPORTING REQUIREMENTS

§ 124.601 What reports does SBA require concerning parties who assist Participants in obtaining federal contracts?

(a) Each Participant must submit annually a written report to its assigned BOS that includes a listing of any agents, representatives, attorneys, accountants, consultants and other parties (other than employees) receiving fees, commissions, or compensation of any kind to assist such participant in obtaining a Federal contract. The listing must indicate the amount of compensation paid and a description of the activities performed for such compensation.

(b) Failure to submit the report is good cause for the initiation of a termination proceeding pursuant to §§ 124.303 and 124.304.

§ 124.602 What kind of annual financial statement must a Participant submit to SBA?

(a) Participants with gross annual receipts of more than \$5,000,000 must submit to SBA audited annual financial

statements prepared by a licensed independent public accountant within 120 days after the close of the concern's fiscal year.

(1) The servicing SBA District Director may waive the requirement for audited financial statements for good cause shown by the Participant.

(2) Circumstances where waivers of audited financial statements may be granted include, but are not limited to, the following:

(i) The concern has an unexpected increase in sales towards the end of its fiscal year that creates an unforeseen requirement for audited statements;

(ii) The concern unexpectedly experiences severe financial difficulties which would make the cost of audited financial statements a particular burden; and

(iii) The concern has been a Participant less than 12 months.

(b) Participants with gross annual receipts between \$1,000,000 and \$5,000,000 must submit to SBA reviewed annual financial statements prepared by a licensed independent public accountant within 90 days after the close of the concern's fiscal year.

(c) Participants with gross annual receipts of less than \$1,000,000 must submit to SBA an annual statement prepared in-house or a compilation statement prepared by a licensed independent public accountant, verified as to accuracy by an authorized officer, partner, limited liability member, or sole proprietor of the Participant, including signature and date, within 90 days after the close of the concern's fiscal year.

(d) Any audited or reviewed financial statements submitted to SBA pursuant to paragraphs (a) or (b) of this section must be prepared in accordance with Generally Accepted Accounting Principles.

(e) While financial statements need not be submitted until 90 or 120 days after the close of a Participant's fiscal year, depending on the receipts of the concern, a Participant seeking to be awarded an 8(a) contract between the close of its fiscal year and such 90 or 120-day time period must submit a final sales report signed by the CEO or President to SBA in order for SBA to determine the concern's eligibility for

the 8(a) contract. This report must show a breakdown of 8(a) and non-8(a) sales.

(f) Notwithstanding the amount of a Participant's gross annual receipts, SBA may require audited or reviewed statements whenever they are needed to obtain more complete information as to a concern's assets, liabilities, income or expenses, such as when the concern's capacity to perform a specific 8(a) contract must be determined, or when they are needed to determine continued program eligibility.

§ 124.603 What reports regarding the continued business operations of former Participants does SBA require?

Former Participants must provide such information as SBA may request concerning the former Participant's continued business operations, contracts, and financial condition for a period of three years following the date on which the concern graduates or is terminated from the program. Failure to provide such information when requested will constitute a violation of the regulations set forth in this part, and may result in the nonexercise of options on or termination of contracts awarded through the 8(a) BD program, debarment, or other legal recourse.

MANAGEMENT AND TECHNICAL ASSISTANCE PROGRAM

§ 124.701 What is the purpose of the 7(j) management and technical assistance program?

Section 7(j)(1) of the Small Business Act, 15 U.S.C. 636(j)(1), authorizes SBA to enter into grants, cooperative agreements, or contracts with public or private organizations to pay all or part of the cost of technical or management assistance for individuals or concerns eligible for assistance under sections 7(a)(11), 7(j)(10), or 8(a) of the Small Business Act.

§ 124.702 What types of assistance are available through the 7(j) program?

Through its private sector service providers, SBA may provide a wide variety of management and technical assistance to eligible individuals or concerns to meet their specific needs, including:

(a) Counseling and training in the areas of financing, management, accounting, bookkeeping, marketing, and operation of small business concerns; and

(b) The identification and development of new business opportunities.

§ 124.703 Who is eligible to receive 7(j) assistance?

The following businesses are eligible to receive assistance from SBA through its service providers:

(a) Businesses which qualify as small under part 121 of this title, and which are located in urban or rural areas with a high proportion of unemployed or low-income individuals, or which are owned by such low-income individuals; and

(b) Businesses eligible to receive 8(a) contracts.

§ 124.704 What additional management and technical assistance is reserved exclusively for concerns eligible to receive 8(a) contracts?

In addition to the management and technical assistance available under § 124.702, Section 7(j)(10) of the Small Business Act authorizes SBA to provide additional management and technical assistance through its service providers exclusively to small business concerns eligible to receive 8(a) contracts, including:

(a) Assistance to develop comprehensive business plans with specific business targets, objectives, and goals;

(b) Other nonfinancial services necessary for a Participant's growth and development, including loan packaging; and

(c) Assistance in obtaining equity and debt financing.

Subpart B—Eligibility, Certification, and Protests Relating to Federal Small Disadvantaged Business Programs

SOURCE: 63 FR 35772, June 30, 1998, unless otherwise noted.

§ 124.1001 General applicability.

(a) This subpart defines a Small Disadvantaged Business (SDB). It also sets forth procedures by which a firm can apply to be recognized as an SDB, in-

cluding procedures to be used by private sector entities approved by SBA for determining whether a particular concern is owned and controlled by one or more disadvantaged individuals or Alaska Native Corporations (ANCs), Community Development Corporations (CDCs), Indian tribes (tribes) or Native Hawaiian Organizations (NHOs). Finally, this subpart establishes procedures by which SBA determines whether a particular concern qualifies as an SDB in response to a protest challenging the concern's status as disadvantaged. Unless specifically stated otherwise, the phrase "socially and economically disadvantaged individuals" in this subpart includes tribes, ANCs, CDCs, and NHOs.

(b) Only small firms that are owned and controlled by socially and economically disadvantaged individuals are eligible to participate in Federal SDB price evaluation adjustment, evaluation factor or subfactor, monetary subcontracting incentive, or set-aside programs, or SBA's section 8(d) subcontracting program.

(c) In order for a concern to represent that it is an SDB as a prime contractor for purposes of a Federal Government procurement, it must have:

(1) Received a certification from SBA that it qualifies as an SDB; or

(2) Submitted an application for SDB certification to SBA or a Private Certifier, and must not have received a negative determination regarding that application from SBA or the Private Certifier.

(d) A firm cannot represent itself to be an SDB concern in order to receive a preference as an SDB for any Federal subcontracting program if it is not on the SBA-maintained list of qualified SDBs.

§ 124.1002 What is a Small Disadvantaged Business (SDB)?

(a) *Reliance on 8(a) criteria.* In determining whether a firm qualifies as an SDB, the criteria of social and economic disadvantage and other eligibility requirements established in subpart A of this part apply, including the requirements of ownership and control and disadvantaged status, unless otherwise provided in this subpart. Qualified

Private Certifiers must use the 8(a) criteria applicable to ownership and control in determining whether a particular firm is actually owned and controlled by one or more individuals claiming disadvantaged status.

(b) *SDB eligibility criteria.* A small disadvantaged business (SDB) is a concern:

(1) Which qualifies as small under part 121 of this title for the size standard corresponding to the applicable four digit Standard Industrial Classification (SIC) code.

(i) For purposes of SDB certification, the applicable SIC code is that which relates to the primary business activity of the concern;

(ii) For purposes related to a specific Federal Government contract, the applicable SIC code is that assigned by the contracting officer to the procurement at issue;

(2) Which is at least 51 percent unconditionally owned by one or more socially and economically disadvantaged individuals as set forth in §124.105. For the requirements relating to tribes and ANCs, NHOs, or CDCs, see §§124.109, 124.110, and 124.111, respectively.

(3) Except for tribes, ANCs, NHOs, and CDCs, whose management and daily business operations are controlled by one or more socially and economically disadvantaged individuals. For the requirements relating to tribes and ANCs, NHOs, or CDCs, see §§124.109, 124.110, and 124.111, respectively.

(4) Which, for purposes of SDB procurement mechanisms authorized by 10 U.S.C. 2323 (such as price evaluation adjustments, evaluation factors or subfactors, monetary subcontracting incentives, or SDB set-asides) relating to the Department of Defense, NASA and the Coast Guard only, has the majority of its earnings accruing directly to the socially and economically disadvantaged individuals.

(c) *Disadvantaged status.* In assessing the personal financial condition of an individual claiming economic disadvantage, his or her net worth must be less than \$750,000 after taking into account the exclusions set forth in §124.104(c)(2).

(d) *Additional eligibility criteria.* Except for tribes, ANCs, CDCs and NHOs, each individual claiming disadvantaged

status must be a citizen of the United States.

(e) *Potential for success not required.* The potential for success requirement set forth in §124.107 does not apply as an eligibility requirement for an SDB.

(f) *Joint ventures.* Joint ventures are permitted for SDB procurement mechanisms (such as price evaluation adjustments, evaluation factors or subfactors, monetary subcontracting incentives, or SDB set-asides), provided that the requirements set forth in this paragraph are met.

(1) The disadvantaged participant(s) to the joint venture must have:

(i) Received an SDB certification from SBA; or

(ii) Submitted an application for SDB certification to SBA or a Private Certifier, and must not have received a negative determination regarding that application.

(2) For purposes of this paragraph, the term joint venture means two or more concerns forming an association to engage in and carry out a single, specific business venture for joint profit. Two or more concerns that form an ongoing relationship to conduct business would not be considered “joint venturers” within the meaning of this paragraph, and would also not be eligible to be certified as an SDB. The entity created by such a relationship would not be owned and controlled by one or more socially and economically disadvantaged individuals. Each contract for which a joint venture submits an offer will be evaluated on a case by case basis.

(3) Except as set forth in 13 CFR 121.103(h)(3), a concern that is owned and controlled by one or more socially and economically disadvantaged individuals entering into a joint venture agreement with one or more other business concerns is considered to be affiliated with such other concern(s) for size purposes. If the exception does not apply, the combined annual receipts or employees of the concerns entering into the joint venture must meet the applicable size standard corresponding to the SIC code designated for the contract.

(4) An SDB must be the managing venturer of the joint venture, and an employee of the managing venturer

must be the project manager responsible for performance of the contract.

(5) The joint venture must perform any applicable percentage of work required of SDB offerors, and the SDB joint venturer(s) must perform a significant portion of the contract.

(g) *Ownership restrictions for non-disadvantaged individuals.* The ownership restrictions set forth in §124.105 (g) and (h) for non-disadvantaged individuals and concerns do not apply for purposes of determining SDB eligibility.

§ 124.1003 What is a Private Certifier?

A Private Certifier is an organization or business concern approved by SBA to determine whether firms are owned and controlled by one or more individuals claiming disadvantaged status. SBA may elect to arrange for one or more Private Certifiers to perform certain functions in the SDB Certification process. When that election is made, the provisions of §§124.1004 through 124.1007 will apply. SBA will establish more detailed standards regarding qualifications, monitoring, procedures and use, if any, of Private Certifiers in specific contracts or agreements between SBA and the Private Certifiers.

§ 124.1004 How does an organization or business concern become a Private Certifier?

(a) SBA may execute contracts or agreements with organizations or business concerns seeking to become Private Certifiers. Any such contract or agreement will include provisions for the oversight, monitoring, and evaluation of all certification activities by SBA.

(b) The organization or business concern must demonstrate a knowledge of SBA's regulations regarding ownership and control, as well as business organizations and the legal principles affecting their ownership and control generally, including stock issuances, voting rights, convertibility of debt to equity, options, and powers and responsibilities of officers and directors, general and limited partners, and limited liability members.

(c) The organization or concern must also, along with its principals, dem-

onstrate good character. Good character does not exist for these purposes if the organization or concern or any of its principals:

(1) Is debarred or suspended under any Federal procurement or non-procurement debarment and suspension regulations; or

(2) Has been indicted or convicted for any criminal offense or suffered a civil judgment indicating a lack of business integrity.

(d) As a condition of approval, SBA may require that appropriate officers and/or key employees of the concern attend a training session on SBA's rules and requirements.

(e) An organization or concern seeking to become a Private Certifier must agree to provide access to SBA of its books and records when requested, including records pertaining to its certification activities. Once SBA approves the organization or concern to be a Private Certifier, SBA may review this information, as well as the decisions of the Private Certifier, in determining whether it will renew or extend the term of the Private Certifier, or terminate the Private Certifier for cause.

(f) SBA will include in any contract or agreement document authorizing an entity to act as a Private Certifier appropriate conditions to prohibit conflicts of interests between the Private Certifier and the firms for which it processes SDB applications and to protect the integrity of the decision-making process.

§ 124.1005 Can a fee be charged to a firm to process the firm's application for SDB certification?

(a) With SBA's approval, a Private Certifier may charge a reasonable fee to a firm in order to screen the firm's application for completeness and to process a determination of ownership and control. The fee must be for actual services rendered and must not be related to whether or not the business concern is found to be owned and controlled by one or more individuals or entities claiming disadvantaged status.

(b) Where SBA makes the determination of ownership and control, SBA may collect a fee comparable to that which would be charged by a Private

Certifier. From time to time, SBA will publish a Notice in the FEDERAL REGISTER identifying any fee that SBA will charge to process a firm's determination of ownership and control. SBA will promptly remit any funds received pursuant to this section to the Treasury of the United States as miscellaneous receipts.

§ 124.1006 Is there a list of Private Certifiers?

SBA will maintain a list of approved Private Certifiers on SBA's Home Page on the Internet. Any interested person may also obtain a copy of the list from the local SBA district office.

§ 124.1007 How long may an organization or business concern be a Private Certifier?

(a) SBA's approval document will specify how long the organization or concern may be a Private Certifier. The initial contract or agreement will have a base period of one year, and may include option years or renewal provisions.

(b) SBA may terminate a contract or agreement with an organization or business concern which is a Private Certifier for the convenience of the Government at any time, and may terminate the contract or agreement for default where appropriate. Specific grounds for termination for default include, but are not limited to:

(1) Charging improper, unreasonable or contingent fees in violation of § 124.1005;

(2) Engaging in prohibited business transactions with the firms for which it processes SDB applications in violation of § 124.1004(f); or

(3) A demonstrated record of ownership and control determinations that are overturned on appeal by SBA's Office of Hearings and Appeals (OHA) or by SBA as part of an SDB protest.

§ 124.1008 How does a firm become certified as an SDB?

Any firm may apply to be certified as an SDB. SBA's field offices will provide further information and required application forms to any firm interested in SDB certification. In order to become certified as an SDB, a firm must apply to SBA or, if directed by SBA, to a Pri-

ivate Certifier. The application must include evidence demonstrating that the firm is owned and controlled by one or more individuals claiming disadvantaged status, along with certifications or narratives regarding the disadvantaged status of such individuals. See paragraph (e)(1) of this section. The firm also must submit information necessary for a size determination. See § 121.1008. Current 8(a) BD Participants do not need to submit applications for SDB status. These concerns automatically qualify as SDBs by virtue of their status as 8(a) BD concerns. An 8(a) Participant's continuing eligibility as an SDB will be reviewed as part of the concern's 8(a) annual review.

(a) *Filing an SDB application.* (1) An interested firm must first submit a complete application to SBA's Assistant Administrator for Small Disadvantaged Business Certification and Eligibility (AA/SDBCE), Small Business Administration, 409 3rd Street, SW, Washington, DC 20416, or to a specific SBA field office or an approved Private Certifier if directed by SBA.

(2) The firm must identify which individual(s) or entities are claiming disadvantaged status.

(b) *Required forms.* Each firm seeking to be certified as an SDB must submit those forms and attachments required by SBA when applying for admission to the 8(a) BD program. These forms and attachments may include, but not be limited to, financial statements, Federal personal and business tax returns and personal history statements. The application package may be in the form of an electronic application.

(c) *Application processing.* (1) SBA or a Private Certifier will advise each applicant generally within 15 days after the receipt of an application whether the application is complete and suitable for evaluation and, if not, what additional information or clarification is required. If the application is not complete, SBA or the Private Certifier will return the application to the firm, and will notify the firm that it may re-apply when its application is complete.

(2) The burden is on the applicant to demonstrate that those individuals claiming disadvantaged status own and control the concern.

(d) *Ownership and control decision.* SBA or a Private Certifier will determine whether those individuals claiming disadvantaged status own and control the applicant firm within 30 days of receipt of a complete application package, whenever practicable.

(1) Where a Private Certifier determines ownership and control, the Private Certifier will issue a written decision as to whether the applicant is owned and controlled by the individuals identified as claiming disadvantaged status.

(i) If the Private Certifier finds that the applicant is owned and controlled by the individuals claiming disadvantaged status, the Private Certifier will forward the application to SBA along with a copy of its ownership and control determination and the information required by paragraph (e)(2)(ii) of this section, where appropriate.

(ii) If the Private Certifier finds that the applicant is not owned and controlled by the individuals claiming disadvantaged status, its decision must state the specific reasons for the finding, and inform the applicant of its right to appeal the decision to SBA pursuant to § 124.1009.

(2) Where SBA determines ownership and control, SBA will first determine whether the applicant is owned and controlled by the individual(s) claiming to be disadvantaged. If SBA determines that the applicant is not owned and controlled by the individual(s) claiming disadvantaged status, SBA will issue a written decision addressing only the ownership and control issues. If SBA determines that the applicant is owned and controlled by the individual(s) claiming disadvantaged status, SBA will issue a single written decision as to whether the applicant qualifies as an SDB. Such a determination will include the ownership and control of the firm, the size status of the firm, and the disadvantaged status of those individuals claiming to be disadvantaged.

(3) In its sole discretion, SBA may analyze and determine whether a firm is owned and controlled by one or more individuals claiming disadvantaged status notwithstanding the availability of a Private Certifier to make such a decision.

(4) SBA reserves the right to re-evaluate an approved decision on ownership and control by a Private Certifier in a case where it has credible evidence that the Private Certifier has substantially disregarded the eligibility criteria.

(e) *Disadvantaged determination.* Once a concern receives a decision finding that it is owned and controlled by those individuals or entities claiming disadvantaged status (either through an initial determination or on appeal), SBA will determine whether the other eligibility criteria are met, and, if so, will include the SDB on the SBA-maintained list of qualified SDBs. SBA will make this determination within 30 days of receiving an SDB application, if practicable.

(1) *Members of designated groups.* (i) Those individuals claiming disadvantaged status that are members of the same designated groups that are presumed to be socially disadvantaged for purposes of SBA's 8(a) BD program (see § 124.103(b)) are presumed to be socially and economically disadvantaged for purposes of SDB certification. These individuals must represent that they are members of one of the designated groups, that they are identified as a member of one of the designated groups, that their net worth is less than \$750,000 after taking into account the exclusions set forth in § 124.104(c)(2), and that they are citizens of the United States.

(ii) Absent credible evidence to the contrary, SBA may accept these representations as true and certify the firm as an SDB.

(2) *Individuals not members of designated groups.* (i) Each individual claiming disadvantaged status who is not a member of one of the designated groups must submit a statement identifying personally how his or her entry into or advancement in the business world has been impaired because of personally specific factors (see § 124.103(c)), and how his or her ability to compete in the free enterprise system has been impaired due to diminished capital and credit opportunities (see §§ 124.103(c) and 124.104).

(ii) Where a Private Certifier determines ownership and control, the Private Certifier must also review the disadvantaged status submission and any other required information, and send to SBA the following:

(A) An executive summary and analysis of the disadvantaged status submission;

(B) The application and all supporting documentation; and

(C) A certification that the application is complete and suitable for evaluation.

(3) *Concerns owned by tribes, ANCs, CDCs, or NHOs:* SBA will process SDB applications from concerns owned and controlled by tribes, ANCs, CDCs, or NHOs in the same way as those from concerns owned by individuals who are members of designated groups.

(f) *SDB Determination.* (1) If SBA's AA/SDBCE determines that the individual(s) claiming disadvantage are disadvantaged and other eligibility criteria are met, he or she will certify the firm as an SDB.

(2) If SBA's AA/SDBCE determines that one or more of the individuals claiming to be disadvantaged is not disadvantaged and their disadvantaged status is required to establish disadvantaged ownership and control of the applicant, or any of the other eligibility criteria are not met, he or she will reject the firm's application for SDB certification. The AA/SDBCE will issue a written decision setting forth SBA's reasons for decline.

(3)(i) If the AA/SDBCE declines the firm's application for SDB certification, the firm may request that the AA/SDBCE reconsider his or her initial decline by submitting a written request to the AA/SDBCE within 45 days of the date of the AA/SDBCE's decision. The applicant may provide any additional information and documentation pertinent to overcoming the reason(s) for the initial decline.

(ii) The AA/SDBCE will issue a written decision within 30 days of receiving the applicant's request for reconsideration, if practicable. The AA/SDBCE may either approve the application, deny it on one or more of the same grounds as the initial decision, or deny it on other grounds. If the application is denied, the AA/SDBCE will explain

why the applicant is not eligible for SDB certification and give specific reasons for the decline. If the AA/SDBCE declines the application solely on issues not raised in the initial decline, the applicant may request another reconsideration as if it were an initial decline. If the AA/SDBCE declines the application for one or more of the same reasons as addressed in the initial decline, the applicant is not entitled to a second reconsideration.

(4) Pursuant to part 134 of this title, a firm may appeal to OHA the AA/SDBCE's decision that one or more of the individuals claiming disadvantaged status is not disadvantaged, or, where SBA determines ownership and control, that those claiming disadvantaged status do not own and control the applicant. (See § 124.1009 for appeals from decisions by Private Certifiers.)

(i) The firm must serve SBA's Associate General Counsel for Procurement Law with a copy of the appeal.

(ii) OHA will determine whether SBA's decision in either case was arbitrary, capricious, or contrary to law. OHA's review is limited to the facts that were before SBA at the time of its decision and any arguments submitted in or in response to the appeal. OHA will not consider any facts beyond those that were already presented to SBA unless the administrative judge determines that manifest injustice would occur if the appeal were limited to the record.

(5) A firm may also request a formal size determination pursuant to part 121 of this title where SBA finds that the firm is not small.

(g) *Current 8(a) BD program participants.* Any firm that is currently a Participant in SBA's 8(a) BD program need not seek an ownership and control determination or apply to SBA for a separate certification as an SDB. SBA will certify current 8(a) BD Participants as SDBs, and automatically include them on the list of qualified SDBs.

(h) *8(a) BD graduates.* SBA will automatically certify a firm that has graduated from the SBA's 8(a) BD program to be an SDB, provided SBA determined that the firm continued to be eligible for the 8(a) BD program as part of an annual review within the last three years. (See § 124.1014(b)).

(i) *Certification by DOT recipient.* If a firm applying for SDB certification has a current, valid certification as a disadvantaged business enterprise (DBE) from a Department of Transportation (DOT) recipient, SBA may adopt the DBE certification as an SDB certification when determined by the AA/SDBCE or designee to be appropriate.

§ 124.1009 How does a firm appeal a decision of a Private Certifier?

Where a Private Certifier performs an ownership and control determination and finds that a firm is not owned and controlled by the individual(s) claiming disadvantaged status, the firm may appeal that decision to OHA pursuant to part 134 of this title. The firm must serve SBA's Associate General Counsel for Procurement Law and the applicable Private Certifier with a copy of the appeal.

(a) The Private Certifier must submit to OHA the full record upon which its decision was based within two days of receiving notification that an appeal has been filed.

(b) The Private Certifier and SBA may each elect to appear or not appear in an appeal proceeding.

(c) OHA's review is limited to the facts that were before the Private Certifier at the time of its final decision and any arguments submitted in or in response to the appeal. OHA will not consider any facts beyond those that were already presented to the Private Certifier unless the administrative judge determines that manifest injustice would occur if the appeal were limited to the record.

(d) OHA will decide whether it believes that the facts are supported by a preponderance of the evidence the Private Certifier's determination regarding ownership and control.

(e) Where the facts presented in the record leave significant doubt as to whether the petitioner is or is not owned and controlled by one or more individuals claiming to be disadvantaged, the administrative judge may remand the case to the Private Certifier for reconsideration in accord with his or her remand order.

(f) If OHA finds that the firm is owned and controlled by the individual(s) claiming disadvantaged status, OHA will refer the application to SBA for further processing. If OHA finds that the firm is not owned and controlled by such individual(s), the administrative judge will state the reasons for that decision, which will be the final decision of the Agency.

[63 FR 35772, June 30, 1998, as amended at 65 FR 57542, Sept. 25, 2000]

§ 124.1010 Can a firm represent itself to be an SDB if it has not yet been certified as an SDB?

(a) *General rule.* Except as set forth in paragraph (d) of this section, a firm may represent itself to be an SDB concern in order to receive a preference as an SDB for any Federal procurement program if it has submitted a complete application for SDB certification to SBA or a Private Certifier and it has not received a negative determination regarding that application from SBA or the Private Certifier. A firm that has received a negative determination of ownership and control or a negative determination regarding its disadvantaged status and is awaiting the resolution of its appeal of that determination may not represent itself to be an SDB.

(b) *Where applicant becomes successful offeror.* If a concern becomes the apparent successful offeror on a contract for which it would receive a benefit for being an SDB while its application for SDB certification is pending, either at SBA or a Private Certifier, the contracting officer for the particular contract must immediately inform SBA's AA/SDBCE. SBA will then prioritize the firm's SDB application and make a determination regarding the firm's status as an SDB within 15 days from the date that SBA received the contracting officer's notification.

(1) Where the apparent successful offeror's completed application is pending an ownership and control determination with a Private Certifier, the concern must inform SBA which Private Certifier has its application. SBA will immediately contact the Private Certifier to require the Private Certifier to complete its ownership and control determination within 5 days of

SBA's notification. In appropriate circumstances, SBA may undertake to make the determination itself, and may recoup the cost of the determination from the Private Certifier.

(2) If requested to do so by the procuring activity contracting officer, SBA will determine whether other offerors are SDBs where they have represented that their completed applications for SDB status are pending at SBA or a Private Certifier and they could receive the award if SBA determines that the apparently successful offeror is not an SDB.

(3) If the contracting officer does not receive an SBA determination within 15 calendar days after the SBA's receipt of the notification, the contracting officer will presume that the apparently successful offeror, and any other offerors referred to SBA in connection with the same procurement by the contracting officer, are not disadvantaged, and will make award accordingly, unless the contracting officer grants an extension to the 15-day response period.

(c) *Representation as SDB for statistical purposes.* A firm may represent itself as an SDB concern for general statistical purposes without regard to any application for SDB certification or its inclusion on the SBA-maintained list of qualified SDB's.

(d) *Subcontracting programs.* Only firms that are on the SBA-maintained list of qualified SDBs may represent themselves as SDB concerns in order to receive a preference as an SDB for any Federal subcontracting program.

§ 124.1011 What is a misrepresentation of SDB status?

(a) Any person or entity that misrepresents a firm's status as a "small business concern owned and controlled by socially and economically disadvantaged individuals" ("SDB status") in order to obtain an 8(d) or SDB contracting opportunity or preference will be subject to the penalties imposed by section 16(d) of the Small Business Act, 15 U.S.C. 645(d), as well as any other penalty authorized by law.

(b) A representation of SDB status by any firm that SBA has found not to be an SDB (either in connection with an SDB application or protest) will be

deemed a misrepresentation of SDB status, unless and until the firm re-applies for and obtains SDB certification.

§ 124.1012 Can a firm reapply for SDB certification?

(a) A concern which has been denied SDB certification may reapply for certification at any time 12 months or more after the date of the most recent final decision of SBA to decline its application (either on appeal of an ownership and control determination, or a negative finding of disadvantaged status).

(b) A concern which received a decision that it was not owned and controlled by the individual(s) claiming disadvantaged status from a Private Certifier and does not appeal that decision to OHA may apply for a new ownership and control determination at any time.

§ 124.1013 Is there a list of certified SDBs?

(a) If SBA certifies a firm to be an SDB, SBA will enter the name of the firm into an SBA-maintained central on-line register, such as PRO-Net.

(b) The register of SDBs will contain the names of all firms that are currently certified to be SDBs, including the names of all firms currently participating in SBA's 8(a) BD program.

(c) On a continuing basis, SBA will delete from the on-line register those firms that have:

(1) Graduated or been terminated from SBA's 8(a) BD program for any reason and have not otherwise received SDB certification (see, §§ 124.1008(h) and 124.1014(b) for treatment of 8(a) graduates);

(2) Been determined not to be an SDB in response to an SDB protest brought under § 124.1017; or

(3) Other than current 8(a) Participants, not received a renewed SDB certification after being on the register for three years (see § 124.1014(c)).

§ 124.1014 How long does an SDB certification last?

(a) Once SBA certifies a firm to be an SDB by placing it on the list of qualified SDBs, the firm will generally remain on the SBA-maintained list of

certified SDBs for a period of three years from the date of its certification.

(1) A firm's SDB certification will extend beyond three years where SBA finds the firm to be an SDB:

(i) On the merits in connection with a particular protest (see § 124.1023(h)(2));

(ii) In connection with an SBA-initiated SDB determination (see § 124.1016(a)(2)); or

(iii) As part of an 8(a) BD annual review.

(2) Where SBA finds a firm not to be an SDB in connection with an SDB protest, an SBA-initiated SDB determination, or an 8(a) BD annual review, SBA will immediately decertify the firm as an SDB and remove it from the qualified list of SDBs.

(b) A firm that graduates from the 8(a) BD program will remain on the list of certified SDBs for a period of three years from the date of its last annual review.

(c) To remain on the SDB register after three years, a firm whose status as an SDB has not been upheld in connection with a protest or an SBA-initiated SDB determination, or has not been certified as an eligible 8(a) Participant as part of an annual review, must submit a new application and receive a new certification.

§ 124.1015 What is the effect of receiving an SDB certification?

(a) A firm that is certified to be an SDB may represent itself as an SDB for such purposes as Federal price evaluation adjustments, evaluation factors or subfactors, monetary subcontracting incentive programs, section 8(d) subcontracts, SDB set-asides, or any other programs which accept an SBA certification. A contracting officer may award a contract based on a firm's representation that it is a certified SDB absent a protest that the protested concern's circumstances have materially changed since SBA certified it as an SDB, or that the protested concern's SDB application contained false or misleading information (see § 124.1018(d)).

(b) For purposes of a particular Federal procurement, the firm must represent that it is both disadvantaged and small at the time it submits its initial offer including price (see part

121 of this title). At the same time, the firm must also represent that no material change has occurred in its SDB status since its SDB certification, or from the date of its application for SDB certification if its application has not yet been processed, and must specifically represent that the net worth of the disadvantaged individuals (not including concerns owned by tribes, ANCs, CDCs, or NHOs) upon whom the SDB certification was based still does not exceed \$750,000.

(c) A firm's status as "disadvantaged" or "small" may be protested pursuant to §§ 124.1017 through 124.1021 and §§ 121.1001 through 121.1005, respectively, despite the presence of the firm on the SDB register, provided the protest contains specific allegations that the firm's circumstances have materially changed since SBA certified it as an SDB, or that the firm's SDB application contained false or misleading information.

§ 124.1016 Can SBA re-evaluate the SDB status of a firm after SBA certifies it to be SDB?

(a) SBA may initiate an SDB determination whenever it receives credible information calling into the question a firm's eligibility as an SDB, including an adverse determination from a DOT recipient of the firm's status as a DBE. Upon its completion of an SDB determination, SBA will issue a written decision regarding the SDB status of the questioned firm.

(1) If SBA finds that the firm does not qualify as an SDB, SBA will decertify the firm as an SDB, and immediately remove the firm from the list of qualified SDBs. The firm may appeal SBA's decision to OHA consistent with the provisions of § 124.1008(f) and part 134 of this chapter.

(2) If SBA finds that the firm continues to qualify as an SDB, the determination remains in effect for three years from the date of the decision under the same conditions as if the concern had been granted SDB certification under § 124.1008.

(b) An SDB firm must report within 10 days to the AA/SDBCE any changes in ownership and control or any other circumstances which could adversely affect its eligibility as an SDB.

§ 124.1017 Who may protest the disadvantaged status of a concern?

(a) In connection with a requirement for which the apparent successful offeror has invoked an SDB evaluation adjustment or an SDB set-aside, the following entities may protest the disadvantaged status of the apparent successful offeror:

(1) Any other concern which submitted an offer for that requirement, unless the contracting officer has found the concern to be non-responsive or outside the competitive range, or SBA has previously found the protesting concern to be ineligible for the requirement at issue;

(2) The procuring activity contracting officer; or

(3) SBA.

(b) In connection with an 8(d) sub-contract, or a requirement for which the apparent successful offeror received an evaluation adjustment for proposing one or more SDB subcontractors, the procuring activity contracting officer or SBA may protest the disadvantaged status of a proposed subcontractor. Other interested parties may submit information to the contracting officer or SBA in an effort to persuade the contracting officer or SBA to initiate a protest.

(c) An interested party seeking to protest both the disadvantaged status and size of an apparent successful SDB offeror must submit two separate protests, one as to disadvantaged status pursuant to this subpart, and one as to size pursuant to part 121 of this title. An interested party seeking to protest only size of an apparent successful SDB offeror must submit a size protest to the contracting officer pursuant to part 121.

§ 124.1018 When will SBA not decide an SDB protest?

(a) SBA will not decide a protest as to disadvantaged status of any concern other than the apparent successful offeror.

(b) SBA will not normally consider a post award protest. SBA may consider a post award protest in its discretion where it determines that a protest decision after award would have a practical effect (e.g., where the contracting

officer agrees to terminate the contract if the protest is sustained).

(c) SBA will not decide an untimely protest (see § 124.1020(c)).

(d) SBA will not decide a non-specific protest or one that does not present credible evidence that the protested concern's circumstances have materially changed since SBA certified it as an SDB, or that the protested concern's SDB application contained false or misleading information (see § 124.1021).

(e) An interested party may appeal SBA's dismissal of a protest for lack of specificity, timeliness, or a basis upon which SBA will consider a protest to SBA's Deputy Associate Deputy Administrator for Government Contracting and Minority Enterprise Development (DADA/GC&MED) pursuant to § 124.1024.

§ 124.1019 Who decides disadvantaged status protests?

In response to a protest challenging the disadvantaged status of a concern, the SBA's AA/SDBCE will determine whether the concern is disadvantaged.

§ 124.1020 What procedures apply to disadvantaged status protests?

(a) *General.* The protest procedures described in this section are separate and distinct from those governing size protests and appeals. All protests relating to whether a concern is a "small" business for purposes of any Federal program, including SDB set-asides and SDB evaluation adjustments, must be filed and processed pursuant to part 121 of this title.

(b) *Filing.* (1) All protests challenging the disadvantaged status of a concern with respect to a particular Federal procurement requirement must be submitted in writing to the procuring activity contracting officer, except in cases where the contracting officer or SBA initiates a protest.

(2) Any contracting officer who initiates a protest must submit the protest in writing to SBA in accord with paragraph (c) of this section.

(3) In cases where SBA initiates a protest, the protest must be submitted in writing to the AA/SDBCE and notification provided in accord with § 124.1022(a).

(c) *Timeliness of protest*—(1) *SDB evaluation adjustment and set-aside protests*—

(i) *General*. In order for a protest to be timely, it must be received by the contracting officer prior to the close of business on the fifth day, exclusive of Saturdays, Sundays and legal holidays, after the bid opening date for sealed bids, or after the receipt from the contracting officer of notification of the identity of the prospective awardee in negotiated acquisitions.

(ii) *Oral protests*. An oral protest relating to an SDB set-aside or SDB evaluation adjustment made to the contracting officer within the allotted 5-day period will be considered a timely protest only if the contracting officer receives a confirming letter post-marked, FAXed, or delivered no later than one calendar day after the date of such oral protest.

(iii) *Protests of contracting officers or SBA*. The time limitations in paragraph (c)(1)(i) of this section do not apply to contracting officers or SBA, and they may file protests before or after awards, except to the extent set forth in paragraph (c)(3) of this section.

(iv) *Untimely protests*. A protest received after the time limits set forth in this paragraph (c)(1) will be dismissed by SBA.

(2) *Section 8(d) protests*. In connection with an 8(d) subcontract, the contracting officer or SBA must submit a protest to the AA/SDBCE prior to the completion of performance by the intended 8(d) subcontractor.

(3) *Premature protests*. A protest in connection with any procurement which is submitted by any person, including the contracting officer, before bid opening or notification of intended award, whichever applies, will be considered premature, and will be returned to the protestor without action. A contracting officer that receives a premature protest must return it to the protestor without submitting it to the SBA.

(d) *Referral to SBA*. (1) Any contracting officer who receives a protest that is not premature must promptly forward it to the SBA's AA/SDBCE, 409 3rd Street, SW, Washington, DC 20416.

(2) A contracting officer's referral of a protest to SBA must contain the following:

(i) The written protest and any accompanying materials;

(ii) The date on which the protest was received by the contracting officer;

(iii) A copy of the protested concern's selfrepresentation as an SDB, and the date of such self-representation; and

(iv) The date of bid opening or the date on which notification of the apparent successful offeror was sent to all unsuccessful offerors, as applicable.

§ 124.1021 What format, degree of specificity, and basis does SBA require to consider an SDB protest?

(a) *Format*. An SDB protest need not be in any specific format in order for SBA to consider it.

(b) *Specificity*. A protest must be sufficiently specific to provide reasonable notice as to all grounds upon which the protested concern's disadvantaged status is challenged.

(1) SBA will dismiss a protest that merely asserts that the protested concern is not disadvantaged, without setting forth specific facts or allegations.

(2) The contracting officer must forward to SBA any non-premature protest received, notwithstanding whether he or she believes it is sufficiently specific or timely.

(c) *Basis*. SBA will consider a protest challenging whether the apparent successful offeror is owned and controlled by one or more socially and economically disadvantaged individuals, including whether one or more of the individuals claiming disadvantaged status is in fact socially or economically disadvantaged, only if the protest presents credible evidence that the firm's circumstances have materially changed since SBA certified it as an SDB, or that the firm's SDB application contained false or misleading information.

§ 124.1022 What will SBA do when it receives an SDB protest?

(a) Upon receipt of a protest challenging the disadvantaged status of a concern, the AA/SDBCE, or designee, will immediately notify the protestor and the contracting officer of the date the protest was received and whether it will be processed or dismissed for lack of timeliness or specificity.

(b) In cases where the protest is timely and sufficiently specific, the AA/SDBCE, or designee, will also immediately advise the protested concern of the protest and forward a copy of it to the protested concern.

(1) The AA/SDBCE, or designee, is authorized to ask the protested concern to provide any or all of the following information and documentation, completed so as to show the circumstances existing on the date of self-representation: SBA Form 1010A, "Statement of Personal Eligibility" for each individual claiming disadvantaged status; SBA Form 1010B, "Statement of Business Eligibility;" SBA Form 413, "Personal Financial Statement," for each individual claiming disadvantaged status; information as to whether the protested concern, or any of its owners, officers or directors, have applied for admission to or participated in the SBA's 8(a) BD program and if so, the name of the company which applied or participated and the date of the application or entry into the program; business tax returns for the last two completed fiscal years prior to the date of self-representation; personal tax returns for the last two years prior to the date of self-representation for all individuals claiming disadvantaged status, all officers, all directors and for any individual owning at least 10% of the business entity; annual business financial statements for the last two completed fiscal years prior to the date of self-representation; a current monthly or quarterly business financial statement no older than 90 days; articles of incorporation; corporate by-laws; partnership agreements; limited liability company articles of organization; and any other relevant information as to whether the protested concern is disadvantaged.

(2) SBA's disadvantaged status determination need not be limited to consideration only of the issues raised in the protest. SBA may consider other applicable criteria.

(3) Unless the protest presents specific credible information which calls into question the veracity of application or other documents previously submitted to SBA by a current Participant in SBA's 8(a) BD program, SBA will allow the Participant to submit, in

lieu of the information specified in paragraph (b)(1) of this section, a sworn affidavit or declaration that circumstances concerning the ownership and control of the business and the disadvantaged status of its principals have not changed since its application or entry into the program or its most recent annual review, and a copy of its most recently completed annual review.

(i) If the ownership or control of the business or the disadvantaged status of any principals have changed, the protested concern must comply with paragraph (b)(1) of this section.

(ii) An affidavit or declaration may be allowed only if SBA admitted the protested concern to the 8(a) BD program, or conducted an annual review of the protested concern, during the 12month period preceding the date on which SBA receives the protest, and if proceedings to suspend, terminate or early graduate the concern from the 8(a) BD program are not pending.

(c) Within 10 working days of the date that notification of the protest was received from the AA/SDBCE or designee, the protested concern must submit to the AA/SDBCE or designee, by personal delivery, FAX, or mail, the information and documentation requested pursuant to paragraph (b)(1) of this section or the affidavit permitted by paragraph (b)(2) of this section. Materials submitted must be received by the close of business on the 10th working day.

(1) SBA will consider only materials submitted timely, and the late or non-submission of materials needed to make a disadvantaged status determination may result in sustaining the protest.

(2) The burden is on the protested concern to demonstrate its disadvantaged status, whether or not it is currently shown on the list of qualified SDBs.

(3) The protested concern must timely submit to SBA any information it deems relevant to a determination of its disadvantaged status.

§ 124.1023 How does SBA make disadvantaged status determinations in considering an SDB protest?

(a) *General.* The AA/SDBCE, or designee, will determine a protested concern's disadvantaged status within 15 working days after receipt of a protest. If the procuring activity contracting officer does not receive an SBA determination within 15 working days after the SBA's receipt of the protest, the contracting officer may presume that the challenged offeror is disadvantaged, unless the SBA requests and the contracting officer grants an extension to the 15-day response period.

(b) *Award after protest.* (1) After receiving a protest involving an offeror being considered for award, the contracting officer shall not award the contract until:

(i) The SBA has made an SDB determination, or

(ii) 15 working days have expired since SBA's receipt of a protest and the contracting officer has not agreed to an extension of the 15-day response period.

(2) Notwithstanding paragraph (b)(1) of this section, the contracting officer may award a contract after the receipt of an SDB protest where he or she determines in writing that an award must be made to protect the public interest.

(c) *Withdrawal of protest.* If a protest is withdrawn, SBA will not complete a new disadvantaged status determination, and a previous SDB certification will stand.

(d) *Basis for determination.* (1) Except with respect to a concern which is a current Participant in SBA's 8(a) BD program and is authorized under § 124.1022(b)(3) to submit an affidavit concerning its disadvantaged status, the disadvantaged status determination will be based on the protest record, including reasonable inferences therefrom, as supplied by the protestor, protested concern, SBA or others.

(2) SBA may in its discretion make a part of the protest record information already in its files, and information submitted by the protestor, the protested concern, the contracting officer, or other persons contacted for additional specific information.

(e) *Disadvantaged status.* In evaluating the social and economic disadvantage of individuals claiming disadvantaged status, SBA will consider the same information and factors set forth in §§ 124.103 and 124.104. As provided in § 124.1002(c), individuals claiming disadvantaged status must have a net worth that is less than \$750,000, after taking into account the exclusions set forth in § 124.104(c)(2).

(f) *Disadvantaged status determination.* SBA will render a written determination including the basis for its findings and conclusions.

(g) *Notification of determination.* After making its disadvantaged status determination, the SBA will immediately notify the contracting officer, the protestor, and the protested concern of its determination. SBA will promptly provide by certified mail, return receipt requested, a copy of its written determination to the same entities, consistent with law.

(h) *Results of an SBA disadvantaged status determination.* A disadvantaged status determination becomes effective immediately.

(1) If the concern is found not to be disadvantaged, the determination remains in full force and effect unless reversed upon appeal by SBA's DADA/GC&MED, or designee, pursuant to § 124.1024, or the concern is certified to be an SDB under § 124.1008. The concern is precluded from applying for SDB certification for 12 months from the date of the final agency decision (whether by the AA/SDBCE, or designee, without an appeal, or by the DADA/GC&MED, or designee, on appeal).

(2) If the concern is found to be disadvantaged, the determination remains in full force and effect unless and until reversed upon appeal by SBA's DADA/GC&MED, or designee, pursuant to § 124.1024. A final Agency decision (whether by the AA/SDBCE, or designee, without an appeal, or by the DADA/GC&MED, or designee, on appeal) finding the protested concern to be an SDB remains in effect for three years from the date of the decision under the same conditions as if the concern had been granted SDB certification under § 124.1008.

§ 124.1024 Appeals of disadvantaged status determinations.

(a) *Who may appeal.* Appeals of protest determinations may be filed with the SBA's DADA/GC&MED by the protested concern, the protestor, or the contracting officer.

(b) *Timeliness of appeal.* An appeal must be in writing and must be received by the DADA/GC&MED no later than 5 working days after the date of receipt of the protest determination. SBA will dismiss any appeal received after the five-day time period.

(c) *Notice of appeal.* Notice of the appeal must be provided by the party bringing an appeal to the procuring activity contracting officer and either the protested concern or original protestor, as appropriate.

(d) *Grounds for appeal.* SBA will reexamine a protest determination only if there was a clear and significant error in the processing of the protest, or if the AA/SDBCE, or designee, failed to consider a significant material fact contained within the information supplied by the protestor or the protested concern. SBA will not consider protest determination appeals based on additional information or changed circumstances which were not disclosed at the time of the decision of the AA/SDBCE or designee, or which are based on disagreement with the findings and conclusions contained in the determination.

(e) *Contents of appeal.* No specific format is required for the appeal. However, the appeal must identify the protest determination which is appealed, and set forth a full and specific statement as to why the determination is erroneous under paragraph (c) of this section.

(f) *Completion of appeal after award.* An appeal may proceed to completion even though an award of the SDB acquisition or other procurement requirement which prompted the protest has been made, if so desired by the protested concern, or where SBA determines that a decision on appeal would have a material impact on contracting decisions, such as where the contracting officer agrees:

(1) In the case where an award is made to a concern other than the protested concern, to terminate the con-

tract and award to the protested concern if the appeal finds that the protested concern is disadvantaged; or

(2) In the case where an award is made to the protested concern, to terminate the contract if the appeal finds that the protested concern is not disadvantaged.

(g) The appeal will be decided by the DADA/GC&MED, within 5 working days of its receipt, if practicable.

(h) The appeal decision will be based only on the information and documentation in the protest record as supplemented by the appeal. SBA will provide a copy of the decision to the contracting officer, the protestor, and the protested concern, consistent with law.

(i) The decision of the DADA/GC&MED, is the final decision of the SBA, and cannot be further appealed to OHA.
