

Subpart A—General

§ 17.1 Applicability.

This part applies to all protests or contract disputes against the FAA that are brought on or after June 28, 1999, with the exception of those contract disputes arising under or related to FAA contracts entered into prior to April 1, 1996.

§ 17.3 Definitions.

(a) *Accrual* mean to come into existence as a legally enforceable claim.

(b) *Accrual of a contract claim* means that all events relating to a claim have occurred which fix liability of either the government or the contractor and permit assertion of the claim, regardless of when the claimant actually discovered those events. For liability to be fixed, some injury must have occurred. Monetary damages need not have been incurred, but if the claim is for money, such damages must be capable of reasonable estimation. The accrual of a claim or the running of the limitations period may be tolled on such equitable grounds as where the office of Dispute Resolution for Acquisition determines that there has been active concealment or fraud or where it finds that the facts were inherently unknowable.

(c) *Acquisition Management System* (AMS) establishes the policies, guiding principles, and internal procedures for the FAA's acquisition system.

(d) *Administrator* means the Administrator of the Federal Aviation Administration.

(e) *Alternative Dispute Resolution* (ADR) is the primary means of dispute resolution that would be employed by the FAA's Office of Dispute Resolution for Acquisition. See Appendix A of this part.

(f) *Compensated Neutral* refers to an impartial third party chosen by the parties to act as a facilitator, mediator, or arbitrator functioning to resolve the protest or contract dispute under the auspices of the Office of Dispute Resolution for Acquisition. The parties pay equally for the services of a Compensated Neutral, unless otherwise agreed to by the parties. A Dispute Resolution Officer (DRO) or Neutral cannot be a Compensated Neutral.

(g) *Contract dispute*, as used in this part, means a written request to the Office of Dispute Resolution for Acquisition seeking resolution, under an existing FAA contract subject to the AMS, of a claim for the payment of money in a sum certain, the adjustment or interpretation of contract terms, or for other relief arising under, relating to or involving an alleged breach of that contract. A contract dispute does not require, as a prerequisite, the issuance of a Contracting Officer final decision. Contract disputes for purposes of ADR only may also involve contracts not subject to the AMS.

(h) *Default Adjudicative Process* is an adjudicative process used to resolve protests or contract disputes where the parties cannot achieve resolution through informal communication or the use of ADR. The Default Adjudicative Process is conducted by a DRO or Special Master selected by the Office of Dispute Resolution for Acquisition to serve as "adjudicative officers," as that term is used in part 14 of this chapter.

(i) *Discovery* is the procedure where opposing parties in a protest or contract dispute may, either voluntarily or to the extent directed by the Office of Dispute Resolution for Acquisition, obtain testimony from, or documents and information held by, other parties or non-parties.

(j) *Dispute Resolution Officer* (DRO) is a licensed attorney reporting to the Office of Dispute Resolution for Acquisition. The term DRO can include the Director of the Office of Dispute Resolution for Acquisition, Office of Dispute Resolution for Acquisition staff attorneys or other FAA attorneys assigned to the Office of Dispute Resolution for Acquisition.

(k) *An interested party*, in the context of a bid protest, is one whose direct economic interest has been or would be affected by the award or failure to award an FAA contract. Proposed subcontractors are not "interested parties" within this definition and are not eligible to submit protests to the Office of Dispute Resolution for Acquisition.

(l) An *intervenor* is an interested party other than the protester whose participation in a protest is allowed by
