If research is performed within an educational institution under which it is expected that students or others will participate in the research as a part of their experience or training, on a compensated or uncompensated basis, there shall be no discrimination in admission of students to, or in their treatment by, that part of the school from which such students are drawn or in the selection otherwise of trainees or participants. The recipient educational institutions will be required to give the assurances provided in § 8.5(b)(10).

(f) *Assistance to aid in the operations of vessels engaged in U.S. foreign commerce.* In programs in which the operators of American-flag vessels used to furnish shipping services in the foreign commerce of the United States receive Federal financial assistance in the form of operating differential subsidies, discrimination which is prohibited by recipients and other parties subject to this part includes discrimination in soliciting, accepting or serving in any way passengers or shippers of cargo entitled to protection in the United States under the Act.

Subpart B—General Compliance

§ 8.7 Cooperation, compliance reports and reviews and access to records.

(a) *Cooperation and assistance.* Each responsible Department official shall to the fullest extent practicable seek the cooperation of recipients and other parties subject to this part in obtaining compliance with this part and shall provide assistance and guidance to recipients and other parties to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient and other party subject to this part shall keep such records and submit to the responsible Department official timely, complete, and accurate compliance reports at such times and in such form and containing such information as the responsible Department official may determine to be necessary to en-

able him to ascertain whether the recipient or such other party has complied or is complying with this part. In general, recipients should have available for the department racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs. In the case in which a primary recipient extends Federal financial assistance to any other recipient, or under which a recipient is obligated to obtain or to cooperate in obtaining the compliance of other parties subject to this part, such other recipients or other parties shall also submit such compliance reports to the primary recipient or recipients as may be necessary to enable them to carry out their obligations under this part.

(c) *Access to sources of information.* Each recipient or other party subject to this part shall permit access by the responsible Department official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities, as may be pertinent to ascertain compliance with this part. Where any information required of a recipient or other party is in the exclusive possession of another who fails or refuses to furnish this information, the recipient or other party shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient or other party subject to this part shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the program for which the recipient receives Federal financial assistance, and make such information available to them in such manner as this part and the responsible Department official finds necessary to apprise such persons of the protections against discrimination assured them by the Act and this part.

(e) *Compliance review.* The responsible Department official or his designee shall from time to time review the practices of recipients and other parties subject to this part to determine

§ 8.8

whether they are complying with this part.

§ 8.8 Complaints.

(a) *Filing complaints.* Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part may by himself or by a representative file with the responsible Department official a written complaint. A complaint shall be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible Department official.

(b) [Reserved]

§ 8.9 Intimidatory or retaliatory acts prohibited.

(a) No recipient or other party subject to this part shall intimidate, threaten, coerce, or discriminate against, any person for the purpose of interfering with any right or privilege secured by section 601 of the Act of this part, or because the person has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part.

(b) The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this part, including the conduct of any investigation, hearing, or judicial or other proceeding arising thereunder.

§ 8.10 Investigations.

(a) *Making the investigation.* The responsible Department official or his designee will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this part. The investigation shall include, where appropriate, a review of the pertinent practices and policies of the recipient or other party subject to this part, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether there has been a failure to comply with this part.

(b) *Resolution of matters.* (1) If an investigation pursuant to paragraph (a) of this section indicates a failure to comply with this part, the responsible

Department official will so inform the recipient or other party subject to this part and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in § 8.11.

(2) If an investigation does not warrant action pursuant to paragraph (b)(1) of this section, the responsible Department official will so inform the recipient or other party subject to this part and the complainant, if any, in writing.

§ 8.11 Procedures for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under State or local law.

(b) *Noncompliance with § 8.5.* If a recipient or other party subject to this part fails or refuses to furnish an assurance required under § 8.5 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The Department shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under said paragraph except that the Department shall continue assistance during the pendency of such proceedings where such assistance is due and payable pursuant to an application or contract therefor approved prior to the effective date of this part.
