Subpart Ca—Special (Occupational) Taxes

SOURCE: T.D. ATF-271, 53 FR 17544, May 17, 1988, unless otherwise noted.

§ 20.38 Liability for special tax.

(a) *Industrial alcohol permittee.* Except as otherwise provided in this section, every person required to hold a permit under 26 U.S.C. 5271 to procure, use, sell, and/or recover denatured distilled spirits for industrial purposes shall pay a special (occupational) tax at the rate of \$250 per year. A separate tax shall be paid for each industrial alcohol permit which the permittee holds, and permits issued under this part shall not be valid unless special tax is paid. The tax shall be paid on or before the date of commencing business as an industrial alcohol permittee, and thereafter every year on or before July 1. On commencing business, the tax shall be computed from the first day of the month in which liability is incurred, through the following June 30. Thereafter, the tax shall be computed for the entire year (July 1 through June 30).

§ 20.38a

27 CFR Ch. I (4-1-06 Edition)

(b) *Transition rule.* For purposes of paragraph (a) of this section, a permittee engaged in denatured distilled spirits operations on January 1, 1988, shall be treated as having commenced business on that date. The special tax imposed by this transition rule shall cover the period January 1, 1988, through June 30, 1988, and shall be paid on or before April 1, 1988.

(c) *Each place of business taxable.* Special (occupational) tax liability is incurred at each place of business for which a permit under subpart D of this part to procure, use, sell, and/or recover denatured distilled spirits has been issued. A place of business means the entire office, plant or area of the business in any one location under the same proprietorship. Passageways, streets, highways, rail crossings, waterways, or partitions dividing the premises are not sufficient separation to require additional special tax, if the divisions of the premises are otherwise contiguous.

(d) *Exception for United States.* Agencies and instrumentalities of the United States are not required to pay special tax under this subpart.

(e) *Exemption for certain educational institutions (effective July 1, 1989).* (1) On and after July 1, 1989, a scientific university, college of learning, or institution of scientific research, which holds a permit to procure and use specially denatured spirits under this part, is exempt from payment of special tax under this subpart if—

(i) The university, college, or institution procures less than 25 gallons of specially denatured spirits per calendar year; and

(ii) Such spirits are procured for use exclusively for experimental or research use and not for consumption (other than organoleptic tests) or sale.

(2) A scientific university, college of learning, or institution of scientific research, which holds a permit under this part, and which does not operate as described in paragraphs (e)(1)(i) and (ii) of this section during any calendar year, shall pay special tax as provided in § 20.38(a) for the special tax year (July

1 through June 30) commencing during that calendar year.

(b) *Preparation of TTB Form 5630.5.* All of the information called for on Form 5630.5 shall be provided, including:

(1) The true name of the taxpayer.

(2) The trade name(s) (if any) of the business(es) subject to special tax.

(3) The employer identification number (see § 20.39).

(4) The exact location of the place of business, by name and number of building or street, or if these do not exist, by some description in addition to the post office address. In the case of one return for two or more locations, the address to be shown shall be the taxpayer's principal place of business (or principal office, in the case of a corporate taxpayer).

(5) The class(es) of special tax to which the taxpayer is subject.

(6) Ownership and control information: That is, the name, position, and residence address of every owner of the business and of every person having power to control its management and policies with respect to the activity subject to special tax. "Owner of the business" shall include every partner, if the taxpayer is a partnership, and every person owning 10 percent or more of its stock, if the taxpayer is a corporation. However, the ownership and control information required by this paragraph need not be stated if the same information has been previously provided to TTB in connection with a permit application, and if the information previously provided is still current.

(c) *Multiple locations and/or classes of tax.* A taxpayer subject to special tax for the same period at more than one location or for more than one class of tax shall—

(1) File one special tax return, TTB Form 5630.5, with payment of tax, to cover all such locations and classes of tax; and

(2) Prepare, in duplicate, a list identified with the taxpayer's name, address (as shown on TTB Form 5630.5), employer identification number, and period covered by the return. The list shall show, by States, the name, address, and tax class of each location for which special tax is being paid. The original of the list shall be filed with TTB in accordance with instructions on the return, and the copy shall be retained at the taxpayer's principal place of business (or principal office, in the case of a corporate taxpayer) for the period specified in § 20.267.

(d) *Signing of TTB Forms 5630.5—(1) Ordinary returns.* The return of an individual proprietor shall be signed by the individual. The return of a partnership shall be signed by a general partner. The return of a corporation shall be signed by any officer. In each case, the person signing the return shall designate his or her capacity as "individual owner," "member of firm," or, in the case of a corporation, the title of the officer.

(2) *Fiduciaries.* Receivers, trustees, assignees, executors administrators, and other legal representatives who continue the business of a bankrupt, insolvent, deceased person, etc., shall indicate the fiduciary capacity in which they act.

(3) *Agent or attorney in fact.* If a return is signed by an agent or attorney in fact, the signature shall be preceded by the name of the principal and followed by the title of the agent or attorney in fact. A return signed by a person as agent will not be accepted unless there is filed, with the TTB office with which the return is required to be filed, a power of attorney authorizing the agent to perform the act.

(4) *Perjury statement.* TTB Forms 5630.5 shall contain or be verified by a written declaration that the return has been executed under the penalties of perjury.

(26 U.S.C. 5142, 6061, 6065, 6151, 7011)

§ 20.39 Employer identification number.

(a) *Requirement.* The employer identification number (defined in 26 CFR 301.7701-12) of the taxpayer who has been assigned such a number shall be shown on each special tax return, including amended returns, filed under this subpart. Failure of the taxpayer to include the employer identification number may result in the imposition of the penalty specified in § 70.105 of this chapter.

(b) *Application for employer identification number.* Each taxpayer who files a special tax return, who has not already been assigned an employer identification number, shall file IRS Form SS-4 to apply for one. The taxpayer shall apply for and be assigned only one employer identification number, regardless of the number of places of business for which the taxpayer is required to file a special tax return. The employer identification number shall be applied for no later than 7 days after the filing of the taxpayer's first special tax return. IRS Form SS-4 may be obtained from the director of an IRS service center or from any IRS district director.

(c) *Preparation and filing of IRS Form SS-4.* The taxpayer shall prepare and file IRS Form SS-4, together with any supplementary statement, in accordance with the instructions on the form or issued in respect to it.

(26 U.S.C. 6109)

SPECIAL TAX STAMPS

§ 20.40 Issuance, distribution, and examination of special tax stamps.

(a) *Issuance of special tax stamps.* Upon filing a properly executed return on TTB Form 5630.5 together with the full remittance, the taxpayer will be issued an appropriately designated special tax stamp. If the return covers multiple locations, the taxpayer will be issued one appropriately designated stamp for each location listed on the attachment required by § 20.38a(c)(2), but showing, as to name and address, only the name of the taxpayer and the address of the taxpayer's principal place of business (or principal office in the case of a corporate taxpayer).

§ 20.40a

27 CFR Ch. I (4-1-06 Edition)

(b) *Distribution of special tax stamps for multiple locations.* On receipt of the special tax stamps, the taxpayer shall verify that there is one stamp for each location listed on the attachment to TTB Form 5630.5. The taxpayer shall designate one stamp for each location and shall type on each stamp the address of the business conducted at the location for which that stamp is designated. The taxpayer shall then forward each stamp to the place of business designated on the stamp.

(c) *Examination of special tax stamps.* All stamps denoting payment of special tax shall be kept available for inspection by TTB officers, at the location for which designated, during business hours.

(26 U.S.C. 5143, 5146, 6806)

§ 20.40a Changes in special tax stamps.

(a) *Change in name.* If there is a change in the corporate or firm name, or in the trade name, as shown on TTB Form 5630.5, the permittee shall file an amended special tax return, as soon as practicable after the change, covering the new corporate or firm name, or trade names. No new special tax is required to be paid. The permittee shall attach the special tax stamp for endorsement of the change in name.

(b) *Change in proprietorship—(1) General.* If there is a change in the proprietorship of an industrial alcohol operation, the successor shall pay a new special tax and obtain the required special tax stamps.

(2) *Exemption for certain successors.* Persons having the right of succession provided for in paragraph (c) of this section may carry on the business for the remainder of the period for which the special tax was paid, without paying a new special tax, if within 30 days after the date on which the successor begins to carry on the business, the successor files a special tax return on TTB Form 5630.5 with TTB, which shows the basis of succession. A person who is a successor to a business for which special tax has been paid and who fails to register the succession is liable for special tax computed from the first day of the calendar month in which he or she began to carry on the business.

(c) *Persons having right of succession.* Under the conditions indicated in paragraph (b)(2) of this section, the right of succession will pass to certain persons in the following cases:

(1) *Death.* The widowed spouse or child, or executor, administrator, or other legal representative of the taxpayer;

(2) *Succession of spouse.* A husband or wife succeeding to the business of his or her spouse (living);

(3) *Insolvency.* A receiver or trustee in bankruptcy, or an assignee for benefit of creditors;

(4) *Withdrawal from firm.* The partner or partners remaining after death or withdrawal of a member.

(d) *Change in location.* If there is a change in location of a taxable place of business, the proprietor shall, within 30 days after the change, file with TTB an amended special tax return covering the new location. The proprietor shall attach the special tax stamp or stamps, for endorsement of the change in location. No new special tax is required to be paid. However, if the proprietor does not file the amended return within 30 days, the proprietor is required to pay a new special tax and obtain a new special tax stamp.

(b) *Articles for external human use*. Except as provided in paragraph (c) of this section, an article intended for external human use shall, before removal from the manufacturer’s premises, have a label affixed to its immediate container identifying the name, trade name or brand name of the article. If the volume of the article in the container exceeds 8-fluid ounces, the label shall also show the information required by paragraph (b) (1) or (2) of this section.

(1) If the article was packaged or bottled by the person who manufactured it, the label shall identify—

(i) The manufacturer’s name and the address (city and State) of the actual place or places where article was manufactured, or

(ii) The name and principal office address (city and State) of the manufacturer, and the permit number or numbers of the place or places of manufacture. However, in lieu of such permit number or numbers, the place or places where the manufacturing operation occurred may be indicated by a coding

system. Prior to using a coding system, the manufacturer shall send a notice explaining the coding system to the appropriate TTB officer, or

(iii) The manufacturer's permit number and the name and address (city and State), of the person for whom the article was packaged and bottled.

(c) *Shipment of unlabeled articles.* A manufacturer may, subject to the approval of the appropriate TTB officer and compliance with § 20.133, remove an unlabeled article from the manufacturer's premises, if the outer containers of the article are labeled with the name, trade name or brand name of the article and the names and addresses (city and State) of the manufacturer and the consignee.

(d) *Use of the words "denatured alcohol."* If the words "denatured alcohol" appear on the label of an article, the label shall also have a name, trade name or brand name which appears as conspicuously as the words "denatured alcohol."

(e) *Use of the words "rubbing alcohol."* If the words "rubbing alcohol" appear on the label of an article, (1) the article shall be made in accordance with § 20.118 of this part, and (2) the label (i) shall have the words "rubbing alcohol" in letters of the same color and size, (ii) shall identify the name and address (city and State) of the manufacturer or bottler, (iii) shall state the alcohol content as 70% by volume with no reference to the proof strength, and (iv) shall have the warning "For external use only. § 20.136 Labeling regulations of other agencies.

(a) *General.* Other Federal agencies have promulgated regulations which may affect labeling of articles, as described in this section.

(b) *Consumer Product Safety Commission.* The Consumer Product Safety Commission has promulgated regulations to administer the Federal Hazardous Substances Act. The regulations in 16 CFR Chapter II require warning labels for products containing certain specified substances. For example, S.D.A. Formula Nos. 3-A and 30 require warning labels because they contain methyl alcohol, a hazardous substance at levels of 4% or more by weight. Manufacturers, reproprocessors, rebottlers, and repackagers who convey articles containing strong chemicals should refer to 16 CFR Chapter II for warning label requirements.

(c) *Federal Trade Commission.* The Federal Trade Commission (F.T.C.) has promulgated regulations to administer the Fair Packaging and Labeling Act. The regulations in 16 CFR Chapter I affect packaging and labeling of “consumer commodities.” The term “consumer commodities” generally means products intended for retail sale to an individual for personal or household use. The F.T.C. regulations do not apply to drugs, medical devices, or cosmetics for which the Food and Drug Administration enforces the Fair Packaging and Labeling Act (see paragraph (d) of this section). Manufacturers, reproprocessors, rebottlers, and repackagers who convey articles which are “consumer commodities” should refer to 16 CFR Chapter I for packaging and labeling requirements.

(d) *Food and Drug Administration, Department of Health and Human Services.* The Food and Drug Administration has promulgated regulations in 21 CFR Chapter I to administer the Fair Packaging and Labeling Act (as it applies to drugs, medical devices, or cosmetics) and the Federal Food, Drug and Cosmetic Act. § 20.137 Penalties.

Violation of the requirements prescribed in § 20.132 is punishable by a fine of not more than \$10,000 and/or imprisonment for not more than 5 years for each offense. In addition, persons who manufacture (including reprocess), sell, or transport articles in violation of this part are liable for payment of a tax on the articles at the rate imposed by law on distilled spirits.

Subpart H—Sale and Use of Completely Denatured Alcohol

§ 20.141 General.

(a) Each formula of completely denatured alcohol may be sold and used for any purpose, subject to the limitations in the formula prescribed in part 21 of this chapter. For example, C.D.A. Formula No. 18 or 19 may be used:

(1) In the manufacture of definite chemical substances where the alcohol is changed into some other chemical substance and does not appear in the finished product;

(2) In the arts and industries, including but not limited to the manufacture of cleaning fluids, detergents, proprietary antifreeze solutions, thinners, lacquers, and brake fluids; and

(3) For fuel, light, and power.

(b) Completely denatured alcohol may not be used in the manufacture of preparations or products for internal human use or consumption where any of the alcohol or the denaturants used in that alcohol remain in the finished product.

(c) Persons distributing and using (but not recovering for reuse) completely denatured alcohol are not required to obtain a permit or file a bond under this part.

(d) Any person recovering completely denatured alcohol for reuse shall obtain a permit under subpart D of this part if the recovered alcohol does not contain all of the original denaturants of the completely denatured alcohol.

(e) Containers of products manufactured with completely denatured alcohol (such as proprietary antifreeze solutions, solvents, thinners, and lacquers) may not be branded as completely denatured alcohol. These products may not be advertised, shipped, sold, or offered for sale as completely denatured alcohol.

§ 20.142 Records of bulk conveyances.

If completely denatured alcohol is to be shipped in a bulk conveyance, the shipment shall be accompanied by a record which identifies each car, truck, or compartment, the name and location (city or town and State) of both the consignor and consignee, the quantity in gallons, and the formula number of the completely denatured alcohol.

(Approved by the Office of Management and Budget under control number 1512-0337)

§ 20.143 Receipt.

Unless completely denatured alcohol received in bulk conveyances or by pipeline is to be used immediately, it shall be deposited in storage tanks, stored in the tank cars or tank trucks in which received, or drawn into packages which shall be marked or labeled as required by this subpart.

§ 20.144 Packages of completely denatured alcohol.

Packages containing more than 5 gallons of completely denatured alcohol shall be of metal or other equally suitable material approved by the appropriate TTB officer. The openings of these packages shall be sealed with appropriate seals furnished by the person filling the packages.

§ 20.145 Encased containers.

Completely denatured alcohol may be packaged by distributors in unlabeled containers which are completely encased in wood, fiberboard, or similar material so that the surface (including the opening) of the actual container is not exposed. When completely denatured spirits are packaged in unlabeled containers, the distributor shall apply the required marks or label to an exposed surface of the case. The case shall be so constructed that the portion containing the marks will be

securely attached to the encased container until all of the contents have been removed. A statement reading "Do Not Remove Inner Container Until Emptied," or words of similar meaning, shall be placed on the portion of the case bearing the marks.

§ 20.146 Labels on bulk containers.

(a) Completely denatured alcohol in bulk containers with a capacity exceeding 1 gallon shall be labeled on the head or side of the container or on the side of the casing, with the following:

- (1) The name and address of the person filling the containers;
- (2) The contents in gallons;
- (3) The words "Completely Denatured Alcohol"; and
- (4) The formula number.

(b) Packages of 5 gallons or less shall bear labels required by § 20.147, in lieu of the labels required by this section.

(c) The letters and figures used for marking packages shall be large enough to be easily read and, when printed, labeled, or stenciled, shall be in permanent ink and shall contrast distinctly with the background to which applied.

(d) Packages may also be marked with the brand name and a statement to the type of merchandise contained in the package if these markings do not obscure or detract from the required markings. The person filling the packages shall maintain the record required by § 20.261.

§ 20.147 Labels on consumer-size containers.

(a) Each consumer-size container with a capacity of 5 gallons or less of completely denatured alcohol sold or offered for sale by a distributor shall bear a label showing, in plain, legible letters, the following:

- (1) The words "Completely Denatured Alcohol";
- (2) The statement "Caution—contains poisonous ingredients"; and
- (3) The name and address of the distributor filling the packages, unless shown elsewhere on the package.

(b) No other information (except that required by State or Federal law) may be shown on the label without the appropriate TTB officer's approval. The

§ 20.148

word “pure”, qualifying denatured alcohol may not appear on the label or the container.

(c) The requirements of paragraphs (a) and (b) of this section apply to any person who sells completely denatured alcohol at wholesale or retail.

§ 20.148 Manufacture of articles with completely denatured alcohol.

Articles may be made with completely denatured alcohol for sale under brand names. If ingredients are added in sufficient quantities to materially change the composition and character of the completely denatured alcohol, the article is not classified as completely denatured alcohol and may not be marked, branded, or sold as completely denatured alcohol.

§ 20.149 Records.

Records of transactions in completely denatured alcohol and articles made with completely denatured alcohol shall be maintained as prescribed in § 20.261.

(a) *General.* The permit, Form 5150.9, issued under subpart D of this part, authorizes a person to withdraw specially denatured spirits from the bonded premises of a distilled spirits plant or a dealer. If the permittee is located in a foreign-trade zone, the permit will be qualified so that the permittee may obtain domestic specially denatured spirits only. The alcohol in domestic denatured spirits must be produced entirely in the United States, including Puerto Rico.

(b) *Photocopying of permit, Form 5150.9.* (1) As provided in § 20.54, a permittee may make photocopies of its permit, or amended permit, for the exclusive purpose of furnishing proof of authorization to withdraw specially denatured spirits.

(2) A permittee need only furnish the photocopy of its permit, or amended permit, to a distilled spirits plant or dealer for the “initial order” from that distilled spirits plant or dealer.

(3) When a permittee makes photocopies of its permit, Form 5150.9, each copy must be signed, dated, and contain the word “COPY” across the face.

(4) A permittee is responsible for obtaining and, as applicable, destroying all photocopies of its permit from distilled spirits plants and dealers when:

- (i) An amended or corrected permit is issued which supersedes the copy on file,
- (ii) the permit is canceled by reason of requalification as a new permittee,
- (iii) the permit is revoked or suspended, or
- (iv) upon permanent discontinuance of dealing in or using specially denatured spirits.

(c) *Withdrawals.* (1) When a permittee places an initial order for specially denatured spirits the permittee will forward a signed copy of its permit, for retention by the distilled spirits plant or dealer, along with the purchase request.

(2) When the permittee places a subsequent order for specially denatured spirits, the purchase request, in addition to any other information, will contain the permit identification number along with a statement that the permittee possesses a valid permit to withdraw specially denatured spirits, a copy of which is on file with the supplier.

(3) Shipments will not be made by a proprietor of a distilled spirits plant or dealer until it is in possession of a signed copy of a valid permit, Form 5150.9, unless the appropriate TTB officer authorizes the shipment.

(19 U.S.C. 81c; Sec. 201, Pub. L. 85-859, 72 Stat. 1370, as amended, 1395, as amended (26 U.S.C. 5271, 5555))

[T.D. ATF-199, 50 FR 9162, Mar. 6, 1985; 50 FR 20099, May 14, 1985, as amended by T.D. ATF-274, 53 FR 25156, July 5, 1988]

§ 20.162 Regulation of withdrawals.

(a) Each permittee shall regulate its withdrawals of specially denatured spirits to ensure that (1) the quantity on hand and unaccounted for does not

exceed the capacity of the storage facilities, and (2) the cumulative quantity withdrawn or received in any calendar year does not exceed the quantity authorized by the permit, Form 5150.9. Recovered alcohol will be taken into account in determining the total quantity of alcohol on hand.

(b) For the purpose of this section, specially denatured spirits and recovered alcohol will be considered as unaccounted for if lost under circumstances where a claim for allowance is required by this part and the claim has not been allowed, or if used or disposed of in any manner not provided for in this part.

§ 20.163 Receipt and storage of specially denatured spirits.

(a) *Receipt of bulk conveyances or by pipeline.* A permittee who receives specially denatured spirits in bulk conveyances or by pipeline shall: (1) Deposit the specially denatured spirits into storage tanks as provided by § 20.165; (2) draw the specially denatured spirits into packages marked and labeled as required by paragraph (b) of this section; (3) store the specially denatured spirits in the tank truck or tank car in which received if the conveyance is effectively immobilized within an enclosure secured to prevent unauthorized access; or (4) use the specially denatured spirits immediately in accordance with an approved formula or statement of process.

(b) *Marks on portable containers.* (1) A user who receives specially denatured spirits in bulk conveyances or by pipeline and who transfers the spirits to drums shall plainly label them to show (i) the words "Specially Denatured Alcohol" or "Specially Denatured Rum", and (ii) the formula number.

(2) A dealer who fills packages of specially denatured spirits shall label them in accordance with § 20.178.

(c) *Receipt of portable containers.* A permittee who receives specially denatured spirits in portable containers such as drums or barrels shall transfer the specially denatured spirits to storage tanks or deposit the specially denatured spirits in a storeroom as provided in § 20.165, or use the spirits in accordance with an approved formula or statement of process. A user may not transfer the spirits to other portable

containers for storage except in the following circumstances:

(1) Contents of damaged packages may be transferred to new packages to prevent loss or waste; or

(2) Contents of portable containers may be transferred to "safety" containers to comply with city or State fire code regulations, or on filing notice with the appropriate TTB officer to comply with the safety practices of the user. The user shall label the new containers with the information marked on the original containers and shall also identify the new containers as "repackaged."

(d) *Record of receipt.* Records of receipt will consist of the consignor's invoice of bill or lading which identifies the quantities, formula number(s), and serial numbers of containers of specially denatured spirits, and which has been annotated by the consignee with the date of receipt of the shipment.

(b) Each stationary tank used for the storage of specially denatured spirits shall be equipped for locking to control access to the denatured spirits. An accurate means of measuring its contents shall be provided for each tank.

(c) Storerooms and storage tanks shall be kept locked when unattended. A storage cabinet or locker kept inside a room which is locked when unattended is considered to be adequately secured.

§ 20.166 Stills and other equipment.

If recovered denatured spirits or articles are to be restored on the permittee's premises, all equipment to be used in the restoration process shall be located on the permit premises. Distilling apparatus or other equipment, including pipelines, for restoration or for recovery, shall be constructed and secured in such a manner as to prevent unauthorized access to the denatured spirits and so arranged as to be readily inspected by appropriate TTB officers.

Subpart K—Recovery of Denatured Alcohol, Specially Denatured Rum, or Articles

(a) Upon filing the appropriate qualifying documents under the applicable provisions of subparts D and F of this part and receiving approval, a manufacturer using denatured alcohol, specially denatured rum, or articles in an approved process may recover the denatured alcohol, specially denatured rum, or articles. However, a person who recovers (1) completely denatured alcohol with all its original ingredients, (2) an article made with specially denatured spirits with all its original ingredients (or practically so, to the extent that the presence of the original denaturants and other ingredients in the recovered article make it as non-potable as the original article), or (3) an article made with completely denatured alcohol with all the denaturants of the completely denatured alcohol, shall not be required to obtain a permit under this part.

(b) For a determination as to whether obtaining a permit under this part is necessary, each person who intends to conduct the recovery operations outlined in paragraph (a) of this section shall forward Form 5150.19 with a sample of the recovered article, to the appropriate TTB officer, in accordance with subpart F of this part.

(Approved by the Office of Management and Budget under control number 1512-0337)

§ 20.213 Reuse of recovered spirits.

(a) If the denatured alcohol or specially denatured rum is recovered in its original denatured state, or practically so, or contains substantial quantities of the original denaturants and other ingredients which make it unfit for beverage or other internal human medicinal use, it may be reused in any approved process without further re-denaturation. In these cases, the appropriate TTB officer will require samples of the recovered product to be taken from time to time to determine if the product requires re-denaturation.

(b) If the denatured alcohol or specially denatured rum is not recovered in its original denatured state, or practically so, it shall be re-denatured at the premises of the manufacturer or a denaturer before being used. The appropriate TTB officer may require supervision of the re-denaturation of the recovered spirits by an appropriate TTB officer.

Recovered denatured alcohol, recovered specially denatured rum, or recovered articles requiring restoration or re-denaturation (or both, unless the restoration or re-denaturation is to be done on the manufacturer's premises) shall be shipped to a distilled spirits plant or to a permittee.
