

§ 63.5

28 CFR Ch. I (7–1–06 Edition)

land areas that must be reserved in an open manner, i.e., unconfined or unobstructed either horizontally or vertically, to provide for the discharge of the base flood so the cumulative increase in water surface elevation is no more than a designated amount (not to exceed one foot as set by the NFIP).

(q) *Restore*—to re-establish a setting or environment in which the natural functions of the floodplain can again operate.

(r) *Structures*—walled or roofed buildings, including mobile homes and gas or liquid storage tanks that are primarily above ground (as set by the NFIP).

(s) *Wetlands*—“those areas that are inundated by surface or ground water with a frequency sufficient to support and under normal circumstances does or would support a prevalence of vegetative or aquatic life that requires saturated or seasonally saturated soil conditions for growth and reproduction. Wetlands generally include swamps, marshes, bogs, and similar areas such as sloughs, potholes, wet meadows, river overflows, mud flats, and natural ponds” (as defined in Executive Order 11990 (Protection of Wetlands)).

§ 63.5 Responsibilities.

(a) The Assistant Attorney General, Land and Natural Resources Division,

(1) Has overall responsibility for ensuring that the Department’s responsibilities for complying with the Orders are carried out,

(2) Will ensure that the Water Resources Council, the Council on Environmental Quality, and the Federal Insurance Agency (FIA) are kept informed of the Department’s execution of the Orders, as necessary, and

(3) Will determine, and revise on a continuing basis, which components of the Department should take further steps, such as the promulgation of program specific procedures, to comply with the Orders. Considerations for making this selection are whether a component:

(i) Acquires, manages, and disposes of federal lands and facilities;

(ii) Provides federally undertaken, financed or assisted construction and improvements;

(iii) Conducts federal activities and programs affecting land use, including but not limited to water and related land resources planning, regulating, and licensing activities;

(iv) Reviews and approves component procedures for complying with the Orders;

(b) The heads of offices, boards, bureaus and divisions,

(1) Are responsible for preparing program specific guidelines or procedures, where necessary, to comply with the Orders and for updating these procedures, as required,

(2) Will maintain general supervision over any new construction planning within the office, board, bureau, or division to see that the policy considerations and procedural requirements contained herein are followed in the planning process,

(3) Will furnish, with all requests for new authorizations or appropriations for proposals to be located in floodplains or wetlands, a statement that the proposal is in accord with the Orders,

(4) Will provide information to applicants for licenses, permits, loans or grants in areas in which floodplain and wetland requirements may have to be met,

(5) Will provide conspicuous notice of past flood damage and potential flood hazard on structures under the component’s control and used by the general public, and

(6) If responsible for granting a lease, an easement, or right-of-way, or for disposing of federal property in a floodplain or wetland to nonfederal public or private parties, will, unless otherwise directed by law,

(i) Reference uses in the conveyance that are restricted under identified Federal, State or local floodplain regulations; and

(ii) Attach other appropriate restrictions; or

(iii) Refuse to convey.

§ 63.6 Procedures.

Prior to taking any action, as defined in § 63.4(a) of this part, an office, board, bureau or division shall:

(a) Determine whether the proposed action is located in a wetland and/or the 100-year floodplain (or the 500-year
