§ 60.9 Nominations by Federal agencies.

(a) The National Historic Preservation Act of 1966, as amended, requires that, with the advice of the Secretary and in cooperation with the State Historic Preservation Officer of the State involved, each Federal agency shall establish a program to locate, inventory and nominate to the Secretary all properties under the agency's ownership or control that appear to qualify for inclusion on the National Register. Section 2(a) of Executive Order 11593 provides that Federal agencies shall locate, inventory, and nominate to the Secretary of the Interior all sites, buildings, districts, and objects under their jurisdiction or control that appear to qualify for listing on the National Register of Historic Places. Additional responsibilities of Federal agencies are detailed in the National Historic Preservation Act of 1966, as amended, Executive Order 11593, the National Environmental Policy Act of 1969, the Archeological and Historic Preservation Act of 1974, and procedures developed pursuant to these authorities, and other related legislation.

(b) Nomination forms are prepared under the supervision of the Federal Preservation Officer designated by the head of a Federal agency to fulfill agency responsibilities under the National Historic Preservation Act of 1966, as amended.

(c) Completed nominations are submitted to the appropriate State Historic Preservation Officer for review and comment regarding the adequacy of the nomination, the significance of the property and its eligibility for the National Register. The chief elected local officials of the county (or equivalent governmental unit) and municipal political jurisdiction in which the property is located are notified and given 45 days in which to comment. The State Historic Preservation Officer signs block 12 of the nomination form with his/her recommendation.

(d) After receiving the comments of the State Historic Preservation Officer, and chief elected local official, or if there has been no response within 45 days, the Federal Preservation Officer may approve the nomination and forward it to the Keeper of the National Register of Historic Places, National Park Service, United States Department of the Interior, Washington, D.C. 20240. The Federal Preservation Officer signs block 12 of the nomination form if in his or her opinion the property meets the National Register criteria for evaluation. (1) All procedural requirements have been met;

(2) The nomination form is adequately documented;

(3) The nomination form is technically and professionally correct and sufficient;

(4) In the opinion of the Federal Preservation Officer, the property meets the National Register criteria for evaluation.

(2) The nomination form is adequately documented;

(3) The nomination form is technically and professionally correct and sufficient.

(f) The comments of the State Historic Preservation Officer and chief local official are appended to the nomination, or, if there are no comments from the State Historic Preservation Officer an explanation is attached. Comments received by the State concerning concurrent nominations and notarized statements of objection must be submitted with the nomination.
